### GARDAI APPEAL FOR WITNESSES

A 15 year old Abbeyside girl is currently recovering in Waterford Regional Hospital after receiving extensive injuries in a hit and run incident at Clonea Cross last Sunday.

# O'Riordan Elected Chairman Of Dungarvan UDC

## COUNCIL'S STORMY START FINALLY PUT TO REST

BY AISLING  
CONROY

There were no deviations from the expected plot at last week's Annual General Meeting of Dungarvan UDC. The outgoing Vice Chairman, Michael O'Riordan was unanimously elected to the Chair with the six member pact of Labour's Billy Kyne, Paddy Power, Lar Hart and Teresa Wright, holding firm with Fianna Fail's Nuala Ryan and Independent O'Riordan.

The general consensus among members at the meeting was to put last year's stormy start to the new Council well and truly behind them. In-fighting and tense friction

among members made major headlines in the immediate months after the '99 local elections.

With a full year now behind them however it was generally agreed to 'let sleeping dogs lie' with Cllr. Billy Kyne stressing that partnership and consultation is the way forward.

Likewise Cllr. Teresa Wright who was voted in as Vice Chairperson of the Council said now is the time to move on and work together as a Council.

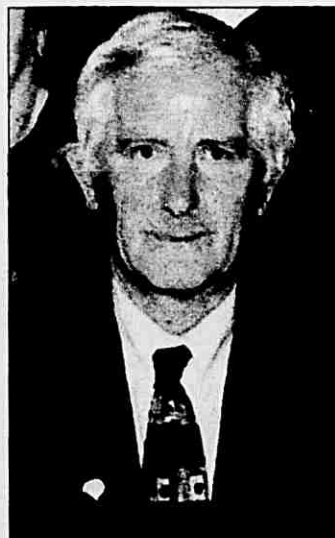

Admitting that the membership was a 'bit rocky' at the start, she added that she will do her best to "quash her temper a small bit".

Outgoing Chairman Lar Hart said the first year of the Council started on a rocky patch but said that as time goes by "it's starting to come a bit better".

Also agreeing to let bygones be bygones, Cllr. Paddy Power said the initial tension was probably due to new members coming in and longer serving members thinking they knew it all.

#### POPULAR CHOICE

On a proposal by Cllr. Kyne, seconded by Cllr. Paddy Power, Cllr. O'Riordan formally accepted the Chain of Office and took up his new position at the head of the Council.

Cllr. Michael O'Riordan  
new Chairman  
Dungarvan U.D.C.

His nomination proved to be a popular choice and was unopposed by the three members outside the power holding pact, i.e. Fine Gael's Damien Geoghegan and John Deasy and Independent Damien Dillon.

Although unavoidably absent from the meeting, Cllr. Deasy sent his support for the

# THE HUMAN BODY

## SKIN, HAIR AND NAILS

When we look at a human boy, nearly everything we see on the outside is dead. In fact, it ceased living weeks ago. This dead outer layer is skin, tough and yet flexible. It protects the body from knocks, wear and tear, dirt and germs, rain and snow, and possibly harmful rays from the Sun. It also keeps in vital bodily fluids, salts and minerals.

Just beneath this dead surface, skin is very much alive. It is one of the busiest organs. It contains tiny blood vessels to keep it nourished, and nerves that detect touch and pain.

Skin also helps to control body temperature. When the body is too hot, skin goes flushed and sweaty, to help the body cool down. And the inner layers of skin continually replace the worn-away outer layers, so that the body stays covered and protected.

## HAIR AND NAILS

An average person has about 100,000 head hairs. Like skin, they are made of dead cells. Each hair grows from a pit-shaped follicle in the skin. At the hair's base, or root, living cells multiply rapidly.

Gradually they get pushed upwards, cemented into a rod-like shape, filled with keratin, and die.

Nails form in the same way, but as a flat plate. This grows from the nail root and slides slowly along, over the living skin below it.

## YOUNG AND OLD SKIN

A baby's skin has had little wear and tear. It is soft and smooth. and its hairs are tiny and bendy.

Gradually the skin becomes tougher, and body hairs grow larger and thicker.

After many years, skin begins to lose its natural stretchiness.

Patches which bend a lot develop creases and wrinkles, due to a lack of elastin fibres.

## HOT OR COLD?

Skin can sense changes in temperature better than actual temperature. Fill three bowls with safely warm water, cool water and cold water. Put one hand into the warm water and the other in the cold water.

Put one hand into the warm water and the other in the cool water.

Then put both hands in the cold water. The hand that was in the warm water should feel colder than the hand in the cold water, because the temperature change was greater.

## GROWING GROWING GONE

- The entire body covering of skin renews itself every month.
- So each year, a typical body sheds about 20 kilograms of old skin, mainly as microscopic flakes.
- An average head hair grows about 12 millimetres each month.
- An average nail grows about 2 millimetres each month.

# O'Riordan Appointed Chairman Of Dungarvan UDC

CONTINUED FROM PAGE ONE

new Chairman and Vice Chairperson while Independent Cllr. Damien Dillon said he could not oppose O'Riordan's candidature as he felt he was an ideal man to run the Council having years of local authority experience.

Cllr. Power said it was his personal privilege to support O'Riordan while

Cllr. Kyne said the new Chairman has the commitment and the track record required for the position and brings with him a working career as a plasterer. This he said, is particularly relevant when the Council is embarking on an overdue building programme.

"I'm sure he will do an excellent job and bring his own style to the chair", he stated.

## TRIBUTES TO OUTGOING CHAIRMAN

Many glowing tributes were paid to outgoing Chairman Cllr. Hart whose commitment and dedication to the Council and the town were highly praised.

Joining in the tributes Cllr. Nuala Ryan congratulated Cllr. Hart and said he had represented the councillors and the town very well and was always very fair at meetings.

Cllr. Dillon said Cllr. Hart's dedication was undoubted and he put in a huge amount of time to his position. Without seeming facetious Cllr. Dillon said he is probably the most travelled Chairman.

Cllr. Damien Geoghegan also complimented the Labour Chairman on his term and said he always left politics outside the Council Chamber.

Cllr. Billy Kyne said his colleagues had experienced an historic term in office with the highly successful millennium celebrations.

"We all saw your commitment to the Chair", he stated, adding that this position is becoming increasingly demanding.

On behalf of the Council staff, County Manager Donal

Connolly complimented Cllr. Hart on his term as UDC Chairman.

"He was very committed to the UDC and I found him an excellent Chairman to work with", he stated.

## WRIGHT GETS MAJORITY VOTE

The position of Vice Chairperson went to Cllr. Teresa Wright on a vote of 6-2.

Cllr. Dillon said it was quite apparent to the three members outside of the pact that they will never "get a go at the Chair" and he asked that somebody other than the six arranged be elected Vice Chairperson on the basis that

they may not follow into the Chair.

His proposal of Damien Geoghegan for the Vice Chair however was defeated on a majority vote.

There was no sour grapes for Cllr. Geoghegan who later said that pacts are a fact of political life and members have to accept that.

## NEW PRIORITIES OUTLINED

Cllr. O'Riordan previously served as Chairman in 1991 when he was a member of Fine Gael.

"It is the goal of every person who enters politics to have an opportunity of achieving

something in public life and while there is a certain amount we can do as councillors, the most effective way in a body this size, is from the position of Chairman", he stated.

Outlining his priorities for the coming 12 month term, Cllr. O'Riordan said he would like to see further progress with regard to Dungarvan Harbour

"The sheltered harbour and the Western Bay represent a great asset to the town and we must seek to exploit them as much as possible", he stated.

Relieving the housing shortage in Dungarvan is another of his priorities.

"Proper housing is something people can expect as a right and with the recent acquisition of 26 acres at Shandon, we should be able to make our own contribution, together with finance from Central Government, towards relieving the present housing crisis in the town".

Cllr. O'Riordan continued; "I am pleased with the progress which has been made in the Glanbia site and we must continue to make this a priority. There is much talk about the decentralising of Government offices to Dungarvan and we as a Council must smooth the way wherever possible to allow this to happen".

# Cyclist Struck By Car At Clonea Cross

CONTINUED FROM PAGE ONE

The road was extremely busy at the time with traffic travelling to Sunday morning mass and the beach at Clonea.

Although suffering from serious injuries, the girl is fortunately expected to make a full recovery.

The car involved in the inci-

dent is a 1991 Toyota hatchback model, silvery grey in colour. It was damaged in the collision and has a broken passenger mirror and damage to the front windscreen as well as possible damage to the wing.

Gardai have appealed to Motor Factors and garages in the general area who may have supplied a car mirror or replaced a windscreen on a Toyota Hatch model to contact them.

## Make No Bones About It

Our Hectic Lifestyles and Poor Diets Are Putting Our Health At Risk!

What do the Spice Girls, glossy magazines, TV series Friends' and the latest trends in beachwear all have in common? Simple, they encourage women to neglect the most precious gift of all, their health. The pressures put on young girls today to 'ape their betters' is driving them on relentlessly not just to lose weight, but also to keep it off. The message is all around us. Thin is in! The thinner the better. So-called role models are jumping out of our television screens, reinforcing the message that the more weight you lose, the more successful and popular you'll be. Our favourite magazines are crammed with articles on celebrities like Jennifer Aniston and Courtney Cox Arquette who, as the headlines explain, are "Starving Themselves For Success". The take home message is obvious, eat less, earn more. But success,

in this case, carries too high a price, surely. And the first place you feel the side-effects is, literally, in your bones. It has now been found that girls as young as 12, in Ireland, are suffering the first effects of osteoporosis.

Loss of bone density is a natural part of getting older, from our mid 30's onwards, our bones lose calcium. It's a painless process; in other words, it creeps up on you. One in three women over the age of 40 however are going to suffer from excessive loss of bone density. The first sign that something is wrong is when a fracture occurs, usually in the spine, hip or wrist. It may be painless, but this insidious 'creeping disease' can lead to chronic pain, long-term disability and even in some instances, death.

Caltrate is a scientifically developed range of dietary supplements, designed specifically to help maximise bone health for life. Each Caltrate tablet contains 600 mg of

calcium, which is almost as much as that found in a full pint of milk.

Caltrate is available from

pharmacists nationwide. For further information, Caltrate leaflets are available from your local pharmacist.

**RATTLING BONES AND BATTLING STARS JOIN FORCES FOR BONE HEALTH** — 12 ft. high skeletons and two of Ireland's feuding soap stars joined forces and went into battle in the fight against poor bone health to launch Caltrate, the complete calcium supplement essential for maintaining bone health. Hilary Reynolds alias Shelley and Martina Stanley alias Dolores, rivals for Harry's affections in fair City, put their differences aside to team up with the giant skeletons at the event.

## Weekly Traditional Show in the Park Hotel

Dungarvan is to have its own weekly Stage Show for tourists. This was the very welcome news when "Seisium" was relaunched recently. Holidaymakers in Ireland have always sought out traditional sessions and concerts. The huge success of Booley House in Ballyduff and Bru Boru in Cashel is ample evidence of this huge demand.

For the months of July and August on Tuesday nights in the Park Hotel a show of the very best of music, song & dance is planned. Na Comeraigh Comhaltas, who run a music school based in Cul na Smear, have brought together an excellent team including dancers of World Championship standard. With performances in numerous theatres and venues such as Garter Lane under their belt, they promise an excellent nights entertainment. Seisium, a musical trail through Ireland, is an ideal opportunity for locals and visitors to get a taste of traditional entertainment in a comfortable setting, with a "Cead Mile Failte" and a cupan tae. The first half of the night's entertainment is a concert/cabaret. In the second half an "open house" prevails where patrons may participate in the sets or ceili dances or old-time waltz.

The show starts each night at 9 p.m., commencing Tuesday July 4th.

## O'Shea Claims "Shambles" Developing In Health Service

Waterford Labour Deputy Brian O'Shea has strongly criticised the two year current waiting list for consultation in the rheumatology department of Waterford Regional Hospital.

Deputy O'Shea said the 2 year list is appalling and added

that the suggested need for the south east is for 5 rheumatologists and teams. The present situation is that the consultant rheumatologist at WRH has the smallest team of doctors in Ireland for rheumatology consisting of just three staff to

look after a population of 430,000.

"It is appalling to think that the people within that population who suffer from rheumatoid illness must suffer pain and see their health deteriorate against this background", stated

Deputy O'Shea.

"I will be continuing to pursue this matter until it is rectified in an appropriate and caring way. This is just another aspect of the shambles that is developing within the health services", he added.

## Ideas For Roast

### Lamb

Roast lamb with cider and mustard glaze and bacon, cheese and mustard stuffing.

**Ingredients:**

- Lamb leg joint (allow 175-350g per person)
- 150ml cider
- 1 large sprig rosemary
- 2-3 cloves garlic, peeled and sliced

**Stuffing:**

- half small onion, chopped
- 75g back bacon, chopped
- 50g mushrooms, chopped
- 50g Gruyère cheese, grated
- 100g breadcrumbs
- 1 x 15ml sp wholegrain mustard
- 1 x 15ml sp fresh thyme
- Salt and black pepper

**Glaze:**

- Cider reserved from marinade

- 3 x 15ml sp honey
- 2 x 15ml sp wholegrain mustard

**Method:**

Marinate the leg of lamb in cider for one hour. Cut slits into the lamb and insert slivers of garlic and small sprigs of rosemary. Retain marinade. Weigh the joint and calculate the cooking time. Meanwhile make the stuffing. In a large non-stick pan dry fry the onion, bacon and mushrooms for 3-4 minutes. Stir in the remaining stuffing ingredients and season. Shape into 6-8 balls.

Place on a baking tray and cook for the last 15-20 minutes of roasting time.

Place the glaze ingredients in a saucepan and bring to the boil, simmer uncovered for 4-5 minutes.

15-20 minutes before the end of the calculated cooking time, remove the joint from the oven and brush the glaze over all surfaces.

Roast for the remaining cooking time.

Serve the roast lamb with the stuffing, roasted apples, parsnips, potatoes and a large portion of seasonal vegetables.

**TIPS:**

- To make carving easier let the joint stand for ten minutes.
- Apple juice can be substituted for cider

### COOKING TIMES

25 minutes per 450g plus 25 minutes.

## Easy, Crispy Potato Wedges

THESE oven baked potatoes make a tasty, low fat alternative to chips or roast potatoes.

**Ingredients:**

- Serves 4
- 4 baking potatoes, about 225g each
- vegetable oil, for greasing
- 2 x 15ml sp olive oil
- pinch of salt
- black pepper

**Method:**

Clean and scrub the potatoes thoroughly. Slice each potato into 8 equal sized wedges. Transfer into a large bowl. Fill the bowl with cold water until the potatoes are covered. Leave to stand for 15 minutes.

Preheat oven to 220°C/425°F/Gas mark 7. Lightly grease 2 baking sheets with vegetable oil. Drain the potatoes, then dry thoroughly on sheets of kitchen paper.

Put the potatoes back into the bowl. Add olive oil, salt and pepper. Toss gently until potatoes are evenly coated.

Transfer the potatoes to prepared baking sheets. Bake for 40 minutes or until soft in centre and crisp and browned on the outside. Swap baking sheets halfway through baking to ensure even browning. Serve wedges with a variety of dips and sauces or as an accompaniment to a main meal.

THE delicious flavours of cherries and chocolate combine to make this tasty, original dessert.

**Ingredients:**

- (Serves 4)
- Knob of butter
- 50g caster sugar, plus extra for sprinkling
- 425g can pitted black cherries in syrup, drained
- 4 medium egg whites
- 8 x 5ml sp ready made custard
- 100g plain chocolate, melted
- 2-3 x 5ml sp plain chocolate, grated

**Method:**

Preheat oven to 220°C/425°F/Gas Mark 7. Place a baking sheet in the oven to heat. With the butter, lightly grease 4,

10cm ramekin dishes and sprinkle a layer of caster sugar in each.

Spoon cherries into the base of each dish. Whisk egg whites and 50g sugar until the mixture forms soft peaks - that's when the peaks start to bend over.

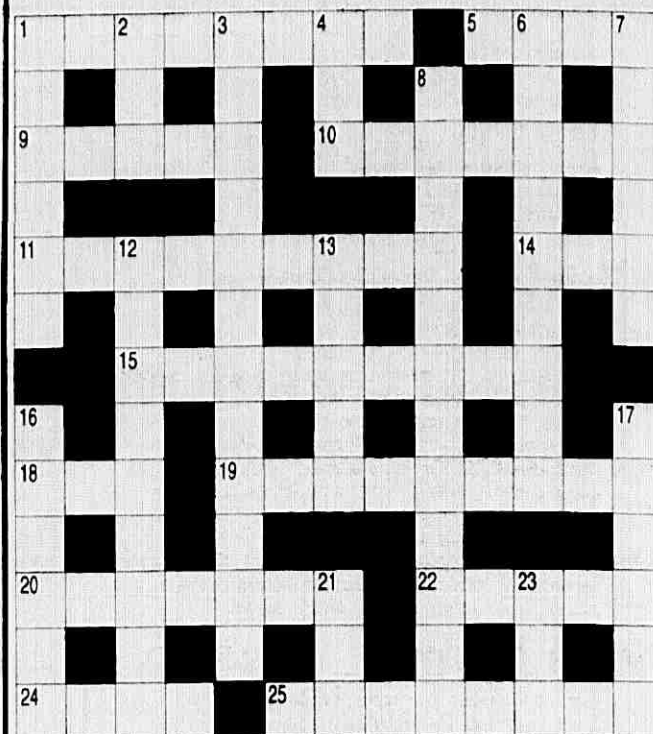

Mix custard with the melted chocolate. Fold one quarter of egg whites into the chocolate mixture, then fold in the remaining egg whites. Spoon mixture into ramekins until mixture comes to just below the rim and bake for 10-12 minutes.

Serve each soufflé sprinkled with grated chocolate, accompanied by vanilla, chocolate or cherry ice cream.

# Horoscopes with Ali

This weeks horoscopes are provided by Ali, one of Irelands most gifted mystics. For a more complete reading dial the 1550 number listed beside each star sign.

<p><b>♈ Aries</b> March 21 to April 20 In July, avoid jumping into a situation if you are not ready. Do things in your own time and recognise those who are too prepared to pressurise without taking your situation into account. It is a time when your patience is running out. Be prepared to spell things out. Changes in work will lead to better results. ☐ 1550 920 257</p>	<p><b>♉ Taurus</b> April 21 to May 21 Someone may have unrealistic expectations and be prone to risk taking. Watch from the sidelines but avoid getting involved. There is little point in sharing your wisdom with others if they won't listen. You are worthy of the good things that you are attracting into your life. July is a month of bounty. ☐ 1550 920 258</p>	<p><b>♊ Gemini</b> May 22 to June 21 Work worries and practical problems must be dealt with but it is important not to forget the personal and the pleasurable. Plan a break away. The time has come to be extrovert. In July, get out and about and connect. This may take effort but you will have a great time when you do. Arrange that get together. ☐ 1550 920 259</p>	<p><b>♋ Cancer</b> June 22 to July 22 There is no time like the present. Stop putting things off. Socially, expect to be the centre of attention and to draw lots of admiration. Connect with those who are positive and buoyant. In July, don't allow others to dampen your spirits. This is an excellent time for travel and for breaking from routine. Change the scene. ☐ 1550 920 260</p>
<p><b>♌ Leo</b> July 23 to August 22 Throughout July, you have a wonderful effect on family and friends, restoring confidence and instilling hope. Keep smiling, especially if you are looking for love. If unattached, make friends. That playmate could turn out to be the perfect partner. If attached, have fun with your other half and avoid being too serious. ☐ 1550 920 261</p>	<p><b>♍ Virgo</b> August 23 to Sept 22 If experiencing romantic or emotional confusions, look to your childhood for clues. You could be repeating old cycles and seeing this could shed some light on current relationships. If seeking professional progress or material gain, contacts could make all the difference. In July make a personal connection. ☐ 1550 920 262</p>	<p><b>♎ Libra</b> Sept 23 to Oct 23 Throughout July, be true to who you are. Insist that others accept you for who you are. Friendships are important and you have little time for those who are fly by night. You are quite the night owl making the most of those twilight hours. Emotions are running high, secrets and memories will surface. ☐ 1550 920 263</p>	<p><b>♏ Scorpio</b> Oct 24 to Nov 21 In July, escape from rigid routine and allow yourself some time off for good behaviour. New places beckon. In love, you seek passion. Remember, it is a two way street. Get in touch with your feelings. See your softness as a strength. Don't bottle things up, not wanting to impose on others. Talk things through. ☐ 1550 920 264</p>
<p><b>♐ Sagittarius</b> Nov 22 to Dec 23 In the light of day, things look very different. Don't let your imagination run away with you, especially when it comes to fearing the worst. Keep a hand on reality. Throughout July, you may be sensitive. Keep things in perspective and don't take every thing so personally. In love, seek openness. ☐ 1550 920 265</p>	<p><b>♑ Capricorn</b> Dec 24 to Jan 20 In July, enjoy a fun flirtation. It could lead to so much more. Someone is set to woo and win you but is also shy and needs a little coaxing. You may be suffering from indecision. Seek guidance. It is a time of surprises and a little luxury. You deserve it. Enjoy a magic moment with someone special. ☐ 1550 920 266</p>	<p><b>♒ Aquarius</b> Jan 21 to Feb 19 If seeking professional progress opt for the alternative. Do something different or out of the ordinary. Watch out for manipulation and sneakiness. In July, be somewhat secretive. You are drawn to sentimental places and you may wish to return to your past. Use intuition. ☐ 1550 920 267</p>	<p><b>♓ Pisces</b> Feb 20 to March 20 Guess and gauge and you will be proven right. Night time dreams may have great relevance and you are drawn to the psychic and paranormal. In all matters, use intuition. During July don't doubt your ambitions. Be confident. Avoid listening to people who know little about what they are talking about. ☐ 1550 920 268</p>

# Add A Taste Of Spice To Salad

A BIENNIAL plant that grows about 12 inches high with a spread of about 15 inches, Celeriac is used in salads and can also be cooked. The leaves are used for seasoning and garnishing and the bulb at the base of the stems can be grated for use in salads or can be cooked in stews or casseroles as an alternative to the more conventional celery. It is a cool temperature crop withstanding minus 10 degrees if the crowns are protected with straw. Plants tolerate light shade if the soil is moist. Celeriac needs low nitrogen levels and a six month growing season for the bulb to develop. Germination may be erratic so seeds should be sown indoors in the spring. They should be planted at least a foot apart with their crowns at soil level and not buried. Mulch after planting and water well, particularly in dry conditions. Plants may be fed during the growing season and towards the end of the summer the coarse outer leaves should be removed so the crowns are exposed. This encourages the bulbs to develop. To protect from frost, spread a layer of straw, about 6 inches thick, around the crowns. Celeriac is grown for winter harvesting and may be gathered anytime from autumn until the following spring. The bulbs are ready to be used when they are about four inches in diameter. The flavour is best and

the bulbs will keep longer if the roots are left in the ground over winter.

**ASPARAGUS**  
Asparagus is perennial and may be productive for up to 20 years. Its light, fern-like foliage grows over 3ft tall with a spread of about 18 inches. It is cultivated for the delicious young shoots or spears that push through the ground in spring. The plant is a cool-season crop growing best at 16 to 24 degrees centigrade in regions with cool winters that provide the necessary dormant period. Asparagus should be planted on an open site avoiding exposed situations and frost pockets. The plant tolerates a wide range of moderately fertile soils although acid soils should be limed. Good drainage is essential. Do not make a new asparagus bed where asparagus has been grown before since soil-borne diseases may persist. Remove all perennial weeds from the site and dig in manure or compost. Asparagus is traditionally grown by planting one-year-old purchased plants or crowns in the spring. The crowns should never be allowed to dry out before planting. They should be grown about 15 inches apart in single or double rows.

**CELERIAC:** This root vegetable can spice up a salad

The crowns should be planted about four inches deep. The roots should be spread out evenly then covered in soil up to the crown. Asparagus requires little attention other than keeping the beds weed-free. When the foliage turns yellow in autumn, cut the stems back to about one inch above the soil. It should be allowed to build into a strong plant before harvesting in the spring. Good modern cultivars may be cut lightly in the second season. The following year, limit cutting to a six-week period. Subsequently, cutting may continue over eight weeks if the plants are growing well. Harvest the spears when they are about six inches high and fairly thick. Cut at an angle taking care not to damage other nearby spears. Remaining spears will continue to grow. Asparagus freezes well and can be used in a host of recipes.

# THIS WEEK IN THE GARDEN

- Prick out perennials and biennials**  
Perennials and biennials sown in June will be in need of pricking out into a nursery bed. This should be in an open position except for violas, pansies, primroses and polyanthuses, which grow more quickly in partial shade. The ground must be well forked and reasonably rich but not recently manured with dung. Get the seedlings up as carefully as possible (if the ground is dry it is best to give it a through watering the day before you intend to move the seedlings).
- Peg down strawberry runners**  
The runners of strawberries are most conveniently propagated by pegging them down into pots of compost sunk into the ground. When rooted they are easily transplanted.
- Protect vines from mildew**  
Thinning of the fruits will now become general with outdoor vines. A thick mulch of well rot-
- ted manure spread over the border will help the vines a lot at this time of year. If there is the slightest sign of mildew, dust the foliage and fruits with flowers with sulphur.
- Plant winter greens**  
Plant out all manner of winter green crops as you clear the ground of early crops such as dwarf peas, early potatoes and the first sowings of turnips and salad vegetables. As far as possible, choose showery weather for this work. If July is persistently dry, push on with the planting and then water freely for a few days.
- Cut off faded flowers**  
From time to time during the month of July you should examine all the flowering plants in the garden and remove any blooms or flower spikes that are so faded as to be no longer decorative. This will allow the plant to generate more.
- Trim hedges**  
Trim evergreen hedges and topiary specimens as necessary to keep them neat and tidy in July.

## Waterford T.D. Welcomes Funding Boost For Health Centres

Fianna Fail T.D. Brendan Kenneally has welcomed the allocation of over £265,000 for extension and refurbishment works at three health centres in county Waterford.

"I have been informed by my colleague, the Minister for Health, Michael Martin T.D. that he is allocating £265,000 to three vital projects in this constituency," commented the Waterford deputy.

"The biggest allocation of £100,000 will pay for a major revamp of the health centre in Tallow, work which I know has been sought for some time by the local community. In addition, £85,000 has been allocated for work at the Kil-machthomas health centre.

These are vital facilities for the local communities that

they serve and allow the Health Board to provide a wide range of services to people in the area they live in rather than having to bring them into bigger urban centres for treatment", added Deputy Kenneally.

"This latest funding announcement from Minister Martin shows once again this Government's commitment to Waterford and is also a practical example of our policy of continuing to develop the health service in a way that meets people's needs.

These centres are a focal point of many of the communities they serve. As well as allowing people to have access to medical treatment, they fulfil a vital social function," concluded the Fianna Fail T.D.

## Feile Lismore

The weekend of June 10th and 11th, the streets of Lismore were filled with an array of colourful Irish dancing costumes. Pupils from various Irish dancing schools in Limerick, Tipperary, Cork, Waterford city and county and from as far as the borders of county Kerry took part in this the first of what is proposed Annual Feile Lismore.

The teachers and parents of pupils of the Mullen Lake School of Irish Dancing worked tremendously hard to organise the various national dancing competitions which were held in Lismore Hotel.

The adjudicator, Miss Mary McElroy A.D.C.R.G., travelled specially from Dublin to adjudicate at the many competitions which commenced on Saturday afternoon and concluded on Sunday evening. (This same adjudicator flew out from London on Wednesday last to Australia where she is adjudicating at Irish dancing competitions in Perth, Western Australia this coming week-end.)

The Feile would not have been possible without the generosity of our sponsors from Lismore - Management and staff Lismore Hotel, Heritage Centre, Red House, William Roche Hardware and Tom Barry, Allied Irish Bank, Phyl's Unisex Hair Salon, Troy and O'Grady families, John O'Gorman, from Cappoquin - Pork Bacon Co. ## Call For By-Pass Footpaths To be Extended

Footpaths on the Dungarvan bypass road need to be extended along the entire ring road as a matter of priority. That's according to local Urban Council member Cllr. John Deasy who told last week's UDC meeting that far more people are using the bypass road around the town for recreational and exercise purposes.

In many places where there are no footpaths, Cllr. Deasy warned that it is very dangerous for pedestrians. He also asked that reflective markers be out on the existing footpaths to make it safer for people walking at night.

### KILROSSANTY G.A.A. NOTES

**Under 12 hurling** — Todate we have played two league matches. Last Sunday week we defeated Ardmore in Leamybrien, 3-6 to 2-4.

On Sunday last we travelled to Ring for our second league match. The Ring club should be complimented on the lovely grounds and their magnificent new stand which is a credit to them. The first half was dominated by Ring and at the break they led 2-1 to 0-1. Kilrossanty improved in the second half and at the final whistle were narrowly defeated by 4-2 to 2-6.

This was a very good game of hurling played by two competitive teams and they may well meet again.

**Lineout:** Dwayne Kirwan, David Curran, Owen Power, Jamie Collender, Wayne Power, Eoin Houlihan, John Walsh 0-1, William Raheer 1-1, Niall Walsh, David Prendergast, 0-4, Jimmy Fraher, Tommy Prendergast, 1-0, Kilian Whelan. Subs: Jamie Crotty, Stephen Quinn, Darren Foley, Philip Houlihan, Maurice Power

Our next game is against Abbeyside B in Leamybrien (date unknown at time of writing).

The mentors Pat Prendergast, Jimmy Fraher and Robbie Whelan are delighted with the efforts of those young players. Kenny Houlihan is also helping with the coaching of those lads and all volunteers are welcome.

**County Under-16 Football** — Barry Prendergast and Ross Houlihan are presently training with the Waterford under 16 football panel. We wish both lads the best of luck.

**Under 14 Hurling** — On Thursday evening last we travelled to Bohadon to play Colligan. Our lads played some great hurling against a Colligan team that was short some key players. We ran out easy winners on a score of 6-8 to 1-4.

On Friday evening we played our last under 14 league match against Dunhill/Fenor in Leamybrien. This was a very close call and we held on to win by a margin of two points 1-5 to 1-3.

The lineout was as follows: Michael Walsh, Conor Hayes, Thomas O'Brien, Colin Dunne,

David Curran, Stephen Prendergast, James Power, William Raheer 0-1, Jimmy Fraher, Joey Veale 0-3, David Cunningham. Subs: Owen Power, Patricia Cunningham, Stephen Raheer, Shane Delahunty, Wayne Power, Paul Flynn, Michael Kirwan, David Prendergast.

In our seven league games we have not been defeated, with six wins and a draw against Clonea. We topped our division. All this will be of little benefit if we lose in the semi final which will be played this weekend against Dunhill/Fenor (date and venue not known at time of writing).

Great work has been done by selectors Pat Prendergast, Pat Cunningham and Jimmy Fraher, who also trains these lads. We would welcome as many supporters and parents as possible to shout and encourage these lads on.

**Trials** — Stephen Prendergast, Michael Kirwan, Thomas O'Brien, Joe Veale and Michael Walsh will be attending under 14 hurling trials for both Waterford teams. John Power is a selector on the second team. Best of luck to all lads concerned.

**Local Draw** — Winners of £20 in the local draw for members of the Deise Draw: Brigid Casey, Knockeylan, Tony Kirwan, Cooltubrid. Promoters prizes went to John Kiely, Ballingown and Mairead Coffey, Curraheen.

**Deise Draw** — Deise Draw this Friday night in Ballyduff Upper. Money to be with Mairead Coffey by Thursday night.

Scorers: Tommy Kiely 0-4, Tony Kirwan 1-1, Eamon Flynn 0-1, Jack Kiely 1-1, Paul Hayes, David Kirwan 0-1 each.

**Senior Football** — Kilrossanty play St. Saviours in the league on Tuesday night 4th July in Leamybrien, 7.45.

**Meeting** — Important committee meeting next Tuesday night in the clubhouse, at nine o'clock. All committee members please attend.

**Sympathy** — Deepest sympathy is extended to Theresa Dwyer, Abbeyside and formerly McGuire, Leamybrien, on the death of her husband David last Monday. ## RECENT DEATHS

### LATE MISS JULIA FRAHER

It was with deep and sincere regret the district learned of the death of Miss Julia Fraher, Queen Street, Clonmel and formerly of Curtiswood, Ballymacarbray which sad event took place after a brief illness at Saint Joseph's Hospital, Clonmel on Friday 16th June, 2000. Deceased in her eighty-fifth year was a member of a well loved and respected Ballymacarbray family, the "Locke" Frahers. She was a very estimable lady of many charming traits of character. In her early years, she was a domestic servant with the Desmond family of Ballymacarbray. After leaving there she took up employment with the Savage family of Clonmel as a member of the bar staff. She remained there for over forty seven years where she was a loyal and devoted servant well respected by the family she worked for. A kind and loving person she was highly respected by her family, friends and the many customers who visited the pub where she was employed. Of a quiet and unassuming disposition, she had a great sense of fun and humour and was delightful company and those who were fortunate enough to have made her acquaintance now have a deep feeling of sincere regret. Many tributes have been paid to this fine lady but perhaps the finest was paid to her by the large concourse of mourners who were present on Saturday evening when her remains were removed from Fennessy's Funeral Home, Clonmel, after prayers were recited, to Saint Laurence's Parish Church, Fourmilewater where they were blessed and received by Rev. Fr. Edmund Tobin P.P. Fourmilewater/Newcastle. On Sunday morning, the feast of Saints Marcus and Marcellianus (Martyrs), the eleven o'clock Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. Edmund Tobin P.P. After Mass on a beautiful June day with gentle breeze from the Comeraghs, a kind and gentle person was laid to rest in the cemetery adjoining St. Laurence's Church where she had worshipped the Lord for many years. Fr. Tobin P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a kind and loving person. To her sister Bridie and her many relatives, we extend our sympathy. Faoi brat Mhuire na nGaedheal go raibh a h-anam uasal.

### LATE MISS MARY HALLAHAN

Profound and sincere feelings of regret were widely expressed at the news of the passing of Miss Mary Hallahan, Morton Place, Clonmel and late Kilmacomma, Kilmanahan which sad event took place at Saint Joseph's Hospital, Clonmel on Monday 19th June 2000. Deceased in her eighty-third year was a member of a well loved and respected family in the farming community, the Hallahan's of Glenary. A lady of outstanding qualities, her family were her pride and joy. She had a wonderful warm personality and made friends with ease. A caring neighbour abounding in Christian charity she made an immediate and lasting impression by virtue of her courteous and easy-going nature which endeared her to all. A lady in every sense of

the word, a person who was respected by her friends, her family and her neighbours who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to help, if the need arose. She was delightful company and was possessed of a deep faith and practised her religion devoutly and her passing has evoked feelings of sincere regret among her family, neighbours and her many friends. Many tributes have been paid to this fine lady but perhaps the finest was paid to her by the large concourse of mourners who were present when her remains were removed from O'Donoghue's Funeral Home Clonmel after the rosary was recited to Saint Mary's Parish church Irishtown, where they were blessed and received by Rev. Fr. James Denmead C.C. Saint Mary's. On Thursday morning, the feast of Corpus Christi, requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. James Denmead C.C. St. Mary's. After Mass, the funeral left for the ancient churchyard at Knockboy and as a cool northerly breeze blew across the churchyard, a kind and loving person was laid to rest in the family plot. Fr. Denmead C.C. officiated at the grave side in the presence of another large concourse of mourners, paying their final respects to a dear Christian friend whose memory they will cherish. To her brother, sisters and her many relatives we extend our sympathy.

### LATE FRANK PATTERSON

Frank Patterson came back to his beloved Clonmel last Friday evening for its people to pay homage to one of its famous sons before he was laid to rest in Saint Patrick's Cemetery. It was an evening when young and old lined the streets of Clonmel to bid a fond farewell to the much loved and admired Frank Patterson who died in a New York hospital the previous weekend. In a poignant churchyard scene, hundreds of mourners at St. Patrick's sang Sliabh na mBan in a farewell tribute to the sixty-two year old singing legend. When the funeral cortege arrived at St. Mary's Parish church, Irishtown, the bell chimes rang out the air of "Christi an Siol", the song that Frank sang for the pope in the Phoenix Park in 1979. Many people shed tears and the girls from the Presentation Convent stared in disbelief into the hearse that carried the remains of one of Clonmel's favourite sons. The tricolour and the papal flag flew at half mast and the cortege was received by Rev. Fr. Paul Murphy C.C., chaplain to the knights of Malta. At St. Patrick's Cemetery, the formal burial ceremony was led by Most Rev. Dr. William Lee D.D., Bishop of Waterford and Lismore and the prayers were led by Monsignor Michael Olden P.P., SS Peter & Paul's and Rev. Fr. Michael Joseph Ryan P.P. St. Mary's. An oration was given at the grave side by acting mayor Cllr. Tommy Norris when he paid a moving tribute to Frank Patterson. To his family, and his dear mother Mai, his brothers and his many relatives, we extend our sympathy. Faoi brat Mhuire na nGaedheal ro raibh a anam uasal.

## LATE DAVID DWYER

With sincere regret and deep sorrow we write on the passing of David Dwyer, 40, Parklane Avenue, Abbeyside and late of 6, Caseyville, Dungarvan which occurred on Monday June 19th. Predeceased by his father John, David was a native of Caseyville and was aged 50 years. Educated at the local CBS David, like many more of his peers at the time, followed their father's footsteps and took up employment with Waterford Foods. An individual of exemplary character, management were fortunate to have David, as he was attentive to his duties which were always carried out in a most conscientious and diligent way. For over 36 years David gave of his very best at the local Creamery, a concern where he witnessed so many changes over the years. To re-

late he was most popular with both management and colleagues alike would be an understatement. His outgoing personality, admirable sense of humour and his concern for his fellowmen endeared him to one and all. He was a person of great vision, understanding and of solid counsel. Despite his years, he was a man of great experience and was always positive in his attitudes to everything. He always mirrored the sunshine of life. He lived for his wife Teresa and family John and Aisling and enjoyed nothing better than visits from his nephews and nieces.

Proud of his town, he loved the Deise County with a passion, anytime, anywhere the Decies threw down the gauntlet in the Munster championships or National League David Dwyer was always in attendance to lend his vocal support. As a child he would have read about and seen the great Waterford team of '59, they were to leave a lasting impression on David throughout his sporting life. How he longed for a return to the green sward of Croke Park in September and to see the Liam McCarthy Cup rest in Portlaurge. Heaven for David will surely see him converse with and about the stars of Waterford Gaeldom, with other valued friends and relatives who have travelled on sli na firinne. David also enjoyed swimming and was a regular at the Clonea Leisure Centre. On a personal note, it was a privilege to have been a class mate and school friend of David's in our tender years at our old Alma Mater. He loved a joke, wise crack and the wind up as he did all through his life. He

was always proud of his beloved Caseyville especially when it came to School League time. He was part and parcel of the school band and indeed life in our classroom saw David play a major role on centre stage. He could recollect and recall incidents, happenings and events as they had affected us as kids, his telling and his unique embellishment of such memories were always entertaining and much appreciated. There was only one Daithi O Duibhir in class, and his influence on us should never be underestimated. To have known David is much to be grateful for, his passing has left us all the poorer and we extend to his wife, family, mother Mary, brothers, sisters and many more relatives our heartfelt and sincere sympathy at this time.

'Those who leave us for a while,  
Have only gone away,  
Out of a restless, careworn world,  
Into a much brighter day'

We gathered at the Kiely Funeral Home on Tuesday evening with Fr. Collender OSA and Fr. O'Doherty P.P. for family rosary. On Wednesday evening, hundreds and hundreds visited the Funeral Home to pay their respects and console the bereaved. Fr. O'Doherty P.P. led all in prayer and rosary before the funeral cortege left for St. Augustine's Church, Abbeyside. The numbers who attended the obsequies left nobody in doubt as to David's popularity. A guard of honour from Waterford Foods flanked the hearse, and on arrival Fr. O'Doherty P.P. assisted by a choir of clergy which included Fr. Keogh C.C., Fr. Ml. Collender OSA, Fr. Kelleher P.P. conducted the funeral service. Pall bearing duties were carried out by John (son) and David's six brothers. On Thursday morning we gathered to offer the Holy Sacrifice in celebration of David's life. Chief celebrant was Fr. Doherty P.P. with co celebrants V. Rev. Fr. B. Crowley P.P., V. Rev. Fr. P. Moran OSA, Rev. Fr. B. Power C.C., V. Rev. Fr. C. Kelleher P.P., Rev. Fr. M. Keogh C.C., Rev. Fr. W. J. Dee P.E. and V. Rev. Fr. Ml. Collender OSA led us in prayer. Neil Hurley accompanied by Gertrude Morrissey made the funeral Mass so special by their music. The liturgy of the word was read by Michael (brother) and Joan (sister). Prayers of the Faithful were shared by Sean and Dermot Dwyer (nephews) Grace O'Connor (niece) and sisters-in-law Eileen O'Driscoll and Marie Galvin. Donal O'Connor, Orla O'Driscoll, Ciara Dwyer, Leah Elstead and Joe Flynn brought the offertory gifts to the altar. In a moving and sincere reflection after Holy Communion Ray (brother) spoke of David's pivotal role in their family, "he was

our backbone, the one we all looked up to" he concluded. At the graveside in the adjoining cemetery we gathered for final payers and blessing before David was laid to rest. An oration was delivered by David Kiely in final tribute.

David Dwyer, even though he was only with us for half a century has left us a rich legacy. His path and ours crossed so many times during childhood, and as adults. He will never be forgotten.

Slan go foill, a Dhaiti buailfimid aris le ceile la eigin.

'Gone from our midst that smiling face,  
The cheerful happy ways,  
The heart and personality that won so many friends  
In bygone happy days.

It is with great sorrow and deep regret we record the sudden passing of Thomas (Tommy) Hallahan of Hallahan Coaches, Affane, Cappoquin which sad event occurred on Sunday 18th June at his residence. Aged seventy eight years, he was predeceased by his beloved wife May (nee Walsh) by 8 years.

Tommy, a native of Lackendarra, was born into a large and well respected family in 1921. He moved to Ballyhane, Cappoquin in the early 50's where he built up a large Insurance/Assurance agency and he became well known travelling around Waterford and Cork. Tommy will be greatly missed by all who knew him and those he knew will have their own memories of him. Tommy loved to listen

to the drivers relate about their different journeys and he was still active in the coach business up to the time of his death.

The hearse was followed by the red transit bus, the bus which Tommy used so many times. On arrival at the church the remains were received and blessed by Rev. Fr. Barron P.P., assisted by Rev. Fr. Possessed of a quiet and most unassuming nature he was held in high esteem by a large circle of friends and his passing has been the cause of much sorrow to all.

Deep and sincere sympathy is extended to his sorrowing wife Rosaleen, son Stephen, daughter-in-law Debbie, grandchildren Raymond, Andrew and Rachael, brother Jim, Deelish, sister Peg, Ballinenty, sister-in-law Catherine and brother-in-law Ben on their very sad loss. The Science of Farming and Food

#### TILLAGE

The most recent Teagasc Crop Report was published on the 21st of June. Crops are growing well and yield prospects at this stage are good in winter and spring cereals. Disease levels are generally low but significant Septoria and Yellow Rust infestations have occurred where there were problems with fungicide spraying programs in winter wheat. Rhynchosporium levels have increased recently in winter barley. Disease levels remain low in spring cereals. Rhynchosporium and Net Blotch are reported at low levels on susceptible varieties of spring barley. Mildew levels are low on spring cereals. Aphids are reported on spring and winter wheat. Crop event at Teagasc, Kildalton College on Tuesday the 11th of July from 2pm-5pm. Event includes cereal fungicides evaluation on winter wheat and spring barley, cereal varieties of winter and spring wheat, oats and barley, upcoming courses and new crops including lupins and maize

#### Arable Silage:-

The cereal component of arable silage mixtures should be treated as per cereals on their own right for diseases and pests. BYDV, Net Blotch and mildew will need attention. Weed control is constrained by constituents of mixture. Control is only warranted where infestations are bad. Pulsar (from BASF) can be applied to arable silage mixtures including peas. The recommended rate is 4L/ha for use from 2 leaf to first node detectable stage of the cereal (gs 12-31). Use on peas from 3 fully expanded leaves until before flower buds can be found enclosed in terminal shoot.

**Harvesting** - The crop usually requires a growing period of 12-15 weeks to mature. Ideally the cereal grain should be at the milky to early dough stage of maturity. The bottom pea pods are formed but not completely swollen and are 3-4cm long. The first flowers are beginning to drop off and other flowers are coming into bloom. Acid application is essential to ensure good fermentation at a rate of 25% more than for grass silage.

#### SHEEP

##### Ewe Premium

The value of the ewe premium for 2000 has been fixed at £14.06 per ewe. The first payment of £4.22 will be made in the next few weeks. Also for everyone in the disadvantaged areas, the first instalment of the Rural World Premium of £4.71 will be made at the same time. Therefore farmers in the Disadvantaged Areas will get a total payment of £8.93 per eligible sheep by late June. The value of the premium is very disappointing. It is lower than '99 because of the high price for hoggets early on but this did not benefit many producers. The report of the consultant who reviewed the premium has been lodged in Brussels. It will be later in the year before we will know if any changes result from this report.

#### Markets

Lamb prices are disappointing at present. Given that skin prices are worth about £5 each up from £1.50 last year this should have helped the trade. There is no doubt that ewe numbers have dropped so there will be less lambs available. Also store buying is beginning already as cattle prices continue to be very strong. A good store trade would help to strengthen the market over the next few months.

#### GRASSLAND MANAGEMENT

##### Sulphur Application:-

Willie Murphy, Teagasc, Johnstown, says that between 30 and 40% of Irish soils are sulphur deficient.

Deficient soils are mainly the lighter soils found in inland areas. This deficiency results in a poorer response to fertiliser nitrogen particularly where more than 200 units N/acre are applied each year. In sulphur deficient areas, around 25 units per acre of sulphur are required annually. Many of the high N fertiliser, and a large number of the compound fertilisers contain sulphur. Analysis of the grass plant is the most accurate means of determining sulphur deficiency.

##### Weedless Pastures:-

This must be our aim: They can reduce grass yield by 17%. It is more difficult for cattle to graze pastures with weeds. Results in more topping. Fertiliser is wasted in growing weeds. Some weeds, ragwort and buttercups can be poisonous to animals.

July is a very good month to spray. Active growth and a lot of heat in the ground. Spraying with 3-5 pints per acre of MCPA or 2.4.D will kill most grassland weeds. However, both sprays will check, if not kill clover.

Cereal growers spray their corn every year even though they achieve lower profits than dairy farmers. Grassland farmers must put more care into their grass. Nettles are developing into a major problem. They should be spot sprayed with a specific nettle spray.

#### DOCK SPRAYING TIME!

From now until early September is the best time to spray docks. They are growing actively while grass growth has slowed down, therefore, subsequent reduction in grass yield due to the spray will not be great. The best time is 4-5 weeks after a silage crop. One Dock in every 35m<sup>2</sup> reduces grass growth by 1% per acre.

As a rough guide for every dock per acre a dairy farmer loses £5-£8. As you know docks are difficult to control and will almost certainly require a 2-spray programme.

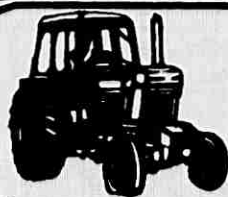

Spray now and again next year. Each dock plant produces 40,000 (curled dock) to 60,000 (broad leaved dock) seeds per year. So open, poached swards produce new dock plants every year.

If you have clover you must not kill it with sprays.

Azulox, Prospect and Eagle will not kill clover.

Azulox, will damage some old grasses, such as Cocksfoot, Yorkshire Fog etc. Prospect will not kill the curled leaf dock.

Where clover is not important all other sprays can be used, such as, Dockstar, Foundation, Bandock, Condox, Dockmaster, Grazon, CMPP etc.

# Feile Bia 2000

## —A Celebration of Irish Food in County Waterford

Feile Bia 2000, an all-Ireland promotion of Irish food by restaurants, hotels and chefs was launched locally in Jury's Hotel, Ferrybank, Waterford by Norbet Thul, Head Chef and Gerald Curran, Chairman, Waterford IFA.

Feile Bia is running for a full week from June 26th - July 2nd, 2000. This celebration of Irish food is timed to coincide with the greater availability of Irish produce and the height of the tourist season.

Norbet Thul thanked the main sponsors Bord Bia as well as the additional sponsorship from Courtesy of Choice

and Stonehouse.

For the duration of the Feile Bia promotion, consumers dining out will be offered exciting and interesting menus featuring the best of local produce from their area with many hotels and restaurants putting on cookery demonstrations, food displays and lots more.

Over 2,100 restaurants and hotels nationwide will participate in Feile Bia in a very unique joint promotion and celebration of Irish food between all the major culinary organisations on the island, namely:

Euro-Toques of Ireland  
Irish Hotels Federation

The Panel of Chefs of Ireland

The Northern Ireland Hotels Federation

Northern Ireland Chefs and Cooks Association

Restaurant Association of Ireland

The Epicurian World Master Chefs Association

As one of the main features in this years Feile Bia, Bord Bia will ask all participants to show on their menus where their raw materials are sourced and, where practical, name the farm that supplied the meat (beef, lamb, etc.).

Another major feature of this

year's promotion is that the Irish Farmers' Association and participating establishments are going to work very closely to highlight and promote the excellent quality of ingredients readily available locally. The organisers of Feile Bia believe this is a long overdue partnership as both groups were working separately to the same objective.

During the month of June, Feile Bia will be heavily promoted in both the local and national press and will be supported by an extensive radio advertising campaign featuring Darina Allen.

## ICMSA WELCOME MINISTER KITT'S ANNOUNCEMENT ON FARM SAFETY

Mr. Pat O'Rourke, President of ICMSA welcomed the launch by the Minister for Labour, Trade & Consumer Affairs, Mr. Tom Kitt, T.D., of the Health and Safety Authority's Major Awareness Initiative, of which farm safety is one of the major issues.

All of us, Mr. O'Rourke said, have a major responsibility to reduce significantly the high number of fatalities and accidents on Irish farms. Between 1995 and 1999, 106 people of whom 27 were children lost

their lives on Irish farms, bringing great hardship and pain to the families in question.

Every effort must be made, Mr. O'Rourke said, to prevent further hardship and pain. In Farm Safety Week starting on 19 June 2000, Mr. O'Rourke said that every farmer should make an extra effort to identify dangers on his/her farm and put in place measures to eliminate or minimise them.

In addition, farmers should

make a special effort to point out the dangers to children around farms given that the holiday period is now in full swing and should set down guidelines for their children on the do's and don'ts around

farms.

As the Minister said in his speech, "not bothering with safeguards could cost your child's life". Every farmer should take heed of this, Mr. O'Rourke concluded.

## ICMSA CALL ON GLANBLA TO INCREASE MILK PRICE

Mr. John Hemenstall, Chairman of ICMSA Wicklow Executive called on the Board of Glanbia to increase milk price paid to producers by 5 pence per gallon.

"Increasing milk price by 5 pence per gallon would accurately reflect the increase in market returns as indicated by the Irish Dairy Board on-account price", said Mr. Hemenstall. Mr. Hemenstall stated that the Irish Dairy Board on-account price has recently increased and is some 4.6 pence per gallon milk price of 3 pence per gallon less than was paid last year.

In conclusion, Mr. Hemenstall said in light of the increased Irish Dairy Board on-account price the Board of Glanbia should increase their milk price by at least 5 pence per gallon as this would Glanbia them back in line with all of the other major co-op's.

# Awards Night At Dungarvan Technical College

Another school year came to a festive end with the awards ceremony on Friday, May 19th in the Park Hotel.

Earlier in the day, the Parents' Council and staff assembled for the awards to students from First Year to Fifth Year. In addition, students from First Year and

Second Year hosted a display of their years' work, and were awarded Certificates of Achievement as part of their participation in the Junior Cert Schools Programme, which enables students to accumulate a bank of credits to be certified by the Department of Education and Science at the end of

Thursday 29th Hornibrooks for Toyota Qualifier 18 Hole Stableford Competition. Sat. 1st and Sun 2nd 18 Hole Stroke Competition. Friday 7th, Sat. 8th and Sun. 9th Captains prize kindly presented by Shaun Power. Timesheet in operation now posted in Clubhouse.

In a week of varying weather the scores followed suit but not quite as you would expect. On Tuesday evening the 9 Hole Bacon gave way as Gaelige 18 Hole v Par Fourball Competition, as if on cue the rain started with the first Fourball and continued till the last Fourball wearily made their way back to the Clubhouse thinking that their 2 up might get a mention, not a hope with seasoned campaigners Pa Morrissey (12) and Paul McCarthy (10), taking the honours "in the drink" with a fine 7 up. As I have mentioned in the past there will not be many better players than Pa in the rain. They did not have it all their own way though, they only edged the father and son pairing of P. J. Rumley (21) and Terence (11) into second place with a superior last 3 holes. Lismore had their own Euro hat-trick in a fashion with other son Barry (10) partnering family friend Jason Corcoran (12) to take third place with 5 up. That man from Tipp namely Tom Joyce (19) with partner Marty Mac (13) took fourth place with 4 up. On Thursday with the weather getting better the Hornibrooks for Toyota Qualifier was an equally tight finish but the scores were a little bit down on previous weeks but that will not bother this week's qualifiers one iota, they all did enough and that's all that matters at the end of the day. Michael Motherway (19)

look the honours shooting 37 points, beating Mr. Consistent namely Paddy O'Leary (9). Also with 37 points with a superior back 9 Brian O'Gorman (9) now playing out of West Waterford took the gross place with 25 points. On Saturday with the weather picking up and the course looking and playing well in readiness for the lady Captains prize, the golf hotted up again with Robert Walton (16) being the main man with a fine display of competitive golf. What at one time seemed an easy victory by 3 points became a sigh of relief as Charlie Barry (18) brought in the last card with 40 points and tales of missed putts to take second place. Ger Mulcahy (12) posted a fine 38 points to take third place. We would like to take this opportunity to congratulate Sheila O'Leary on winning Lady Captain Gretta Barry's prize. Is Sheila going to follow in brother Paddy's footsteps?

The highlight of the year, the Lady Captain's Prize was played for on Sunday last. Our very popular and hard working Lady Captain, Mrs. Gretta Barry excelled herself in ensuring that the day was enjoyable to all and highly successful. We had a very

large entry which included a very promising beginners section (watch out 2001). It was a beautiful sunny day and many of the ladies sported recently acquired suntans! The course was in super conditions. The floral arrangements in the Clubhouse were delightful and the food was top class. Congratulations and well deserved on her first big win to our own (resident photographer) Sheila O'Leary who took the prize by 1 shot from Marie Condon. Sisters-in-law Daphne and Sinead featured strongly once again taking gross and third. An atmosphere of mid-summer celebration prevailed throughout the clubhouse for the whole day. A large and lively crowd assembled later for the presentation and social evening. Well done Gretta on a great day.

## LISMORE CAMOGIE CLUB NOTES

Our Under 14 team did their club, their town and their County proud last weekend when they returned from Feile na nGael 2000 with All-Ireland silver medals. The girls started the tournament with a great performance against their host team Portaferry defeating them 8-3 to 0-0. They then went on to beat Ballycran 3-5 to 0-0 and Watty Graham's (Derry champions) on a scoreline of 8-7 to 0-0. This qualified the girls for the semi-final, which was played on Saturday morning against Kinnitty from Offaly. This was a tough match played in a bitterly cold wind the girls had to work extremely hard for their 2-3 to 0-0 victory. This win saw the girls earn their place in the final having not conceded a score in the tournament. The final was played on Saturday evening and their opposition was St Lachtain's of Kilkenny. This was a hard match with both teams tired after a long weekend of travelling and camogie. The first half was tit for tat with the scoreline at half time reading 0-1 to 0-1. Ten minutes into the second half St Lachtain's scored a goal and then a point and despite the intense pressure put on by Lismore they retained their lead to win on a scoreline of 1-2 to 0-1. Our girls did us proud giving everything they had to the very end and never giving up. The girls arrived home to Lismore on Sunday night to a tremendous reception that I'm sure they will not forget for a long time and we all want to thank everyone who came out to welcome us home as it meant a lot to everyone involved.

We would like to mention the Portaferry Camogie Club and the wonderful hospitality both the team and parents received over the weekend. We would also like to thank our supporters who travelled for the weekend for all their help and support over the weekend, it was great for the girls to hear the cheers from the sideline when they were so far from home. We would like to mention the great support received from the people of Lismore financially and otherwise. Most of all we want to thank the girls for the great weekend they gave us with their brilliant camogie and impeccable behaviour.

## ANTI DUMP / PRO ENVIRONMENT

The main committee (Knockanore) and two sub-committees (Tallow & Youghal) were pleased with the outcome of the recent Co. Council meeting. It appears that we are not the first choice for a dump but we do remain their second option. Thus it has been agreed to continue to maintain an active approach to 'protecting and promoting the natural environment of the area'. Some practical ideas are in the pipeline in the way of 'schools competitions' and 'community clean-up days'.

On the immediate level significant costs have been accrued and there will be a 'benefit night' this Thursday 29th June in the Hilltop Hotel, Youghal, to help cover same. Music will be by Gina & The Champions (plus bar extension & disco). Tickets £5 from committee members or at the door.

Note the Councillors of the area were complimented on their stand in passing the very logical motion that no landfill/dump should be sited in the west of the county. It is envisaged that this should and hopefully will become policy for the waste management of this county, that waste should be correctly managed where it is produced.

## BRIDEVIEW UTD A.F.C. NOTES

### U-8 League - Double Strike For Gazza Barry

Our U-8 team lost to two late goals to East Cork side Ballybridge Utd despite two goals scored by Gazza.

Our lotto is still there to be won which now stands at £4,200. At the moment the field and dressing rooms are coming in for a Spring or Summer clean up. We appeal to the locals to keep the town tidy. While if you are looking for a job locally read the notes.

### Results U-8

#### Ballybridge Utd 4 Brideview Utd 2

We came up against a very big Ballybridge team but despite this two first half goals by "Gazza" Barry which saw us go in at the break leading 2-1.

The second half saw us come under pressure but keeper 'Dion' Riordan kept us in the lead for most of the second half. The homeside drew level, midway through the second half but late in this half disaster struck for us when Ballybridge scored twice in the space of five minutes. Even the introduction of Del Pura Daly could not save the day.

Utd; A Riordan, J. Fitzgerald, A. Pratt, C. Murphy, N. Scanlon, S. Barry, T. Daly, B. McCarthy, M. Fitzgerald, D. Hartnett, R. Barry, S. Barry, J. Murphy, K. Lane, K. Fraser.

Indeed we would ask all owners of businesses and householders to collect any litter outside their properties. We finished fourth last year so we need to do a bit better this year.

### Love in The Air

We congratulate our Premier keeper Billy Sheehan who got engaged to Eimear Ni Ghriobhthain of Ring. Best wishes to both.

## The First Cork Brigade

Last week we wrote about the arrival of the first Cork Brigade and how they scattered themselves around the town.

They quartered themselves in the hotels which they commandeered. Visitors were obliged to vacate their apartments and find other lodgings. The entry of this force into Dungarvan led the residents to believe that when the Free State troops came along, they would contest every available approach. Fearful of the consequences, many people had made arrangements to fly from the town for shelter or barricade themselves in their homes. Troops of the I.R.A. patrolled the streets by day and night and in all respects they appeared to be a very formidable force. It was believed that when the battle would come on, the troops would vacate the castle which was good enough for defence in the days before the invention of gunpowder but now a shell fired from Abbeyside would lay the old fortification in ruins. In this state of things, matters moved along with a good deal of uncertainty.

### COMMANDEERING

The supply of provisions in the town was now severely tested. Bakery shops were

commandeered to produce bread, butchers should provide meat, groceries and other necessities should be provided and all these were procured by the seizures of goods which were being carried out. While matters were in this unsettled state, an alarming rumour came from Cork that the Free State troops had taken possession of that city and routed the Republicans. It was stated that the Republican forces were also driven out of Youghal where the national troops had also landed in the morning. And in confirmation, about mid-day of this memorable day an aeroplane flew up from Waterford and passed over Dungarvan on its way to Youghal. The appearance of the aeroplane caused a flutter of uneasiness to take possession of the republicans in the town and preparations were being made for the evacuation of the barracks.

### RETURN JOURNEY

The aeroplane returned towards evening. It flew at a lower altitude and as it passed over the castle, the machine-gun was turned on and several shots fired but without effect. The machine continued on its way unharmed, having discharged a volley or two into the barracks but no harm was

done on either side. It would seem that now the crisis was approaching that the struggle for possession of the town could not be long delayed. The question was, where would the encounter take place? This was the state of things existing on the 8th August 1922 but four days before that, the bridges of Ballyvoile had been blown up.

### SUMMER

We are glad to report that summer has at last arrived at the Parish Office. What you may ask does that mean? Well, it means we have more space as the storage heater is now turned off and we can use the extra space to display some of our Dungarvan books. These include: A History of Dungarvan Town & District, A Guide to Historic Dungarvan, Dungarvan an Architectural Inventory, Dungarvan in Old Postcards, Down Memory Lane, All for a Song, The Mighty Oak.

This Sunday evening James Young will be at the Parish Office where visitors from both sides of the river Colligan as well as from further afield will be welcome along to browse at leisure through our varied collections.

## CAMPERS ON OLD RAILWAY LINE UNDER NEW LINE BRIDGE

Our column has little to say on the matter as the local authorities have their own rules and by-laws which change so often. They are usually a mystery to the ordinary general citizen. The bottom line is whether you would like to have such a settlement close to your house for even one night.

## UNDER-21 HURLING RAY OF HOPE

Congratulations to our own John Phelan for his sterling performance at full back on the Waterford U-21 hurling team that defeated Tipperary in Thurles on Wednesday night last. The performance was like a beacon in a depressing hurling summer. Also, to our own Tony Mansfield who masterminded the win despite his onerous work schedule and other commitments. I have a gut feeling that if the game was played in Walsh Park we would have lost the game as the open spaces and the superb hurling surface that is Thurles suited our more skilful hurlers.

## SUCCESSFUL LAUNCH OF CUSTOMER CARE AWARDS

Customer care nomination forms should now be a common sight in all members' premises following the successful launch last week of the Dungarvan Chamber Customer Care and Service Awards. The project which was initiated by the retail committee and kindly sponsored by the Bank of Ireland aims to ensure that Dungarvan is a pleasant place to shop in and will reward any business that goes the extra mile for a customer. After all, the "Customer is King"!

Customers can nominate someone by simply filling in the leaflets available in members' outlets and either dropping in the nominations to the Chamber office situated in the Courthouse or leaving them in the collection box in the nominated outlet. Thanks to all those who have already made their nominations for June/July.

## MEMBERSHIP DRIVE CONTINUES

A word of welcome to the following new members, Paddy Foleys Bar, Comeragh Oil, The Loanzone, Kelleher Printers and Bean a' Leanna. Benefits of Chamber membership include VHI group discount scheme, assistance in recruiting personnel, access to business library facility, links to Chamber website. For more details contact Siobhan at 058-45054

## VACANCIES UNDER STUDENT SUMMER JOB SCHEME

## ANNUAL COMPETITIVENESS REPORT

The National Competitiveness Council recently launched its third Annual Competitive-

ness Report. The purpose of this report is to compare how Ireland is performing in comparison to our international competitors. In the last year the Council has found that we have improved our global position with regard to taxation, unemployment and the percentage of SME's that export but that our ratings have fallen when it comes to the cost of labour and telecom costs.

However regarding telecommunications and e-business, the report highlights that in cost terms, Ireland is falling behind our main competitors. Internet access costs here are three times those of Greece while there are seven times as many internet hosts per 1000 capita in Finland compared to Ireland.

The report concludes that in the absence of decisive action in these areas, Ireland risks becoming uncompetitive and therefore unattractive for enterprise attempting to compete on the ever more ICT driven world market.

## RNLI News

### DUNGARVAN BAY SWIM SCHEDULED

The sixth annual sponsored Dungarvan Bay swim in aid of the RNLI is scheduled for Sunday August 27th.

This event promises to be one of the highlights of the nautical season, and in the past has raised a huge amount of consciousness generosity and good will for the outstanding work contributed by the RNLI crew who volunteer their time and services to save lives.

Any qualified swimmers who wish to take part can get in touch with Clare Morrissey, Hon Chairperson Helvic Head RNLI Fund-Raising Committee, phone (058) 42416, or Dolores Uí Cheallaigh Hon Secretary, Phone (058) 46154.

### OPEN DAY AT HELVIC HEAD

Sunday June 25th was Open Day at Lifeboat Stations all around the coast. And to celebrate the occasion there was a fancy dress competition "All at Sea", for which there were a huge amount of entries from local children under 12 years.

The judges had a very difficult time deciding who the winner would be because all the contestants were excellent.

In the end the honour went to Gearoid Turraoin who was dressed as a Pirate complete with parrot and pouch of gold coins. This lucky boy will have a chance to be selected out of 27 other contestants from Lifeboat Stations all over Ireland, for a Family Holiday in Trabolgan.

The runner up was Nicole Mulcahy dressed as a most original Lighthouse, and in third place was Dearbhala Ni Aodh as a charming and splendid Mermaid. — Joan Clancy PRO.

### MILLENNIUM GRANDAD COMPETITION

The Millennium grandad competition was held in Dunnes Bar last Saturday night. Due to other commitments the number of entrants was reduced to 4, however, it was a fantastic night with Lisa Dunford asking the participants a range of interesting and humorous questions. Thanks to Lisa for a job very well done and to all the contestants. Thanks also to Sheenagh Nix, who had a difficult job as adjudicator, all contestants were winners on the night but there could only be one millennium grandad and the title deservedly went to Mr. Danny Thompson. Many, many thanks to all who participated and thanks to Willie McDonnell, Waterford County Council for sponsoring the winner's prize. Thanks also to Dunne's Bar for the use of their premises and for kindly donating a spot prize.

Hope both will be out and playing the game soon again.

## COMMUNITY MEETING FOR EU TOWN TWINNING

This week on Thursday night at 8p.m. (June 29th), Michael Dee facilitator of the Waterford Community Enterprise Programme invites members of all Community interest groups in Stradbally to attend a meeting to discuss Town/village twinning within the EU. The object of the meeting is to have an informal discussion about town twinning and how best to form a Twinning Association that is representative of all social, lifestyle, cultural interests and age-groups in the Community.

Stradbally can twin with more than one town or village in the EU and two likely initial twinning partners have emerged, Penvénan in Brittany France, and Svindinge in Denmark. The twinning actions can include exchanges, where a group from Stradbally goes to visit the proposed counterpart and vice versa. The exchanges are intended to strengthen links between twinned towns/villages and develop an understanding of economic, political, professional and cultural characteristics. Grants are available towards costs of organising exchanges, up to two-thirds of actual costs are eligible. Svendinge in Denmark are so keen to see Stradbally that they are not waiting to apply for grant-aid, they are funding their trip in July themselves. There are six people coming, two from their Town council, two from their Resident's Association and their local doc-

tor and school teacher. Please come along if you are interested in hearing more.

## MERCY SCHOOL RE-UNION UP-DATE

One is to be placed at the Holy Cross Church car-park, one at the Barron Hall, and one between the Estates. Thanks to our Council overseer Stephen Browne for arranging this.

## BALLYDUFF NS PARENTS ASSOC AGM

The Parents Association AGM was held on Wednesday 21st June. A large crowd attended. Prior to the meeting the parents held a Bring and Buy sale where parents bought and sold books needed for the coming year. Outgoing officers, Chairman John Kenny, Secretary Helen McNamara and Treasurer Anne Cotter gave their reports of the years happenings and Principal Mrs. Fitzgerald spoke of the years activities in the school. The committee for the coming year was then elected. Officers elected were as follows; Chairperson Mary Ahearne, Vice Chair Mary Leahy, Secretary Katie Nolan, Asst. do. Anne Sheehan, Treasurer Anne Cotter, Asst. do. Mary Hayes.

It was decided to hold a cookery demonstration in the hall in September. Demonstration by Iris Shane. More details later. Finally, on behalf of the Parents Association I would like to wish Fr. Mulcahy well on his move to Lismore. We will all be very

sorry to see him go.

## BALLYDUFF SENIOR HURLING TOURNAMENT

Ballygunner and Ballyduff advanced to the semi final stages of the Fitzgerald Cup senior hurling tournament at Ballyduff last week. They now join Kilmallock at that stage of the competition. The quarter final will bring Tallow and Bishopstown into opposition this Saturday evening at 8 p.m.

Ballygunner accounted for Midleton last Tuesday evening in miserable conditions by 1-16 to 2-7 after the Cork side led by 1-6 to 0-4 at the break. The home side defeated St. Mary's, Clonmel by 2-25 to 3-9 on Friday after leading by 1-16 to 2-5 at half time. The first of the semi finals between Kilmallock and Ballygunner will also be played this Saturday with a 6.30 p.m. throw-in followed by the Tallow/Bishopstown encounter. Patrons should see two excellent games in Ballyduff this Saturday evening with a host of inter county players on duty such as Paul Flynn, Billy O'-

Sullivan, Stephen Frampton, Fergal Hartley, Mike Houlihan, Dave Clarke and James Murray along with a number of former inter county men. The tournament is kindly sponsored by the Anglers Rest Bar, Ballyduff.

## BALLYDUFF GAA NOTES

The intermediate footballers moved closer to relegation back to the divisional league when going down to Geraldines by 4 points in Aghlish on Thursday night last. The home side led by 1-4 to 0-2 at half time and went on to win by 2-8 to 0-10. Team was - D. Flynn, E. Flynn, M. Drislane, D. Daly, C. Keane, G. Feeney, S. Brannagh, P. Molumphy, A. Martin, B. Kearney, J. Twomey, B. Hannon, J. Scanlon, B. Cotter, O. Corcoran. Subs - W. Hickey, R. Whelan and G. Hickey. We still have Newtown to play and victory here would leave us in a play-off to avoid relegation.

The junior hurlers recorded their first win from six outings when they defeated Tallow by 5-9 to 0-10 in the field on Wednesday evening last. This win leaves us in second place on the league table with one game to play. This is against Colligan (away) this Friday evening at 7.45 p.m. Players to be at the venue not later than 7.30 p.m. Victory here would ensure our place in the league final. The u-12 hurlers were defeated by St. Olivers in Aghlish on Monday night by 3-5 to 0-2. Panel was - A. Power, S. Byrne, K. Moroney, I. Kenneally, T. Noonan, M. MacNamara, C. Horgan, S. Kearney, A. Casey, B. Flynn, S. Hannon, D. Drislane, Stephen Kearney, W. Drislane, P. Corcoran, E. Hogan, A. Noonan. Next game away to Brickey Rangers this weekend. Players will be notified at training on this Wednesday evening.

The u-16 hurlers made the long journey to De La Salle on Monday evening but were defeated by a very strong home side. We were short a number of players due to injury and holidays and this made our task all the more difficult. On Monday night we are away to Roanmore. Transport will leave the village at 6p.m. U-16 hurling training on Friday night in the field at 7.30 p.m. The other teams in our group are Portlaw/St. Mollerans (home), Abbeyside (away), Ballygunner (home), Lismore (home) and Mt. Sion (away).

The senior hurlers defeated St. Mary's, Clonmel in the Fitzgerald Cup tournament (kindly sponsored by the Anglers Rest Bar, Ballyduff) in the field on Friday night last by 2-25 to 3-9 after we led by 1-16 to 2-5 at the break having conceded early goals. We will play either Tallow or Bishopstown in the semi-final next week. The numbers drawn in last Tuesday nights lotto draw

were 4, 9 and 19. There was no winner of the £600 jackpot. The £25 prize winners were Philip Noonan, Ballyduff and Michael Culver, c/o The Log Cabin, Ballyduff. Next weeks lotto draw in Lindsays Bar at 10 p.m.

The club in association with the Millennium Sports Hall Finance Committee will host the June monthly Deise Development Draw in St. Michael's Hall this Friday night at 8.30 p.m. This year Ballyduff have a record number of subscribers in the draw which has an £11,000 prize fund each month. All members are welcome to come along on Friday night and let's hope we have a winner or two. We wish all those who bought tickets the best of luck. The u-14 hurlers played two games last week, firstly away to Passage on Wednesday evening and then on Saturday evening they took on Portlaw/St. Mollerans in a play-off at Abbeyside. In Passage on Wednesday they won by 5-11 to 5-4 having only led by 1-8 to 2-2 at half time having played with the wind. Scorers were P. Kearney 2-3, S. Kearney 2-0, J. Kearney 0-6, C. Canning 1-1, D. Casey 0-1. This victory put us into a semi-final play-off with Portlaw/St. Mollerans on Saturday. Short a number of players we faced an uphill battle but 2 goals from Shane Kearney and a Seamus Hannon point saw us lead by 2-1 to 0-1 at half time. A physically stronger opposition wore us down in the second half and they ran out winners by 2-8 to 2-3. That ended our interest in this years championship where after a slow start we had a good run and if we had a full strength side on Saturday we would almost certainly be in a Co. semi final. Panel for the games - A. Power, E. Geary, S. Kenneally, K. Keane, T. Byrne, J. Kearney, G. O'Donovan, A. Casey, D. Casey, P. Kearney, S. Hannon, M. Moroney, M. Feeney, C. Canning, S. Kearney, K. Moroney, M. Walsh, M. Ahern, Seamus Hannon, W. Drislane and M. MacNamara. Thanks to the players, mentors and parents for the effort put in for the campaign.

The club wishes a speedy recovery to Patrick Kearney and hope to see him back in action shortly.

The club extends sympathy to the sons, daughters, sister, nephews, nieces, grandchildren and a large circle of relatives and friends of the late David Coleman, Knocknamuck, Glencairn.

A visitor to the local community field on Sunday evening last was former Cork hurling star Justin McCarthy who played hurling with local teenagers who were in the field at the time.

#### MINISTER MARTIN CULLEN IN CAPPOQUIN

On Saturday 24th June 2000, Junior Minister Martin Cullen was in Cappoquin to meet with a delegation re A.I.B. closure and the future of banking in Cappoquin. The closure of A.I.B. has already had a devastating effect on some businesses in the town. The impossible situation of no bank presence in Cappoquin would have an overwhelming destructive impact on this busy market town as we know it. The case was put very strongly to Minister Cullen to ask the government to review the current situation of branch closures in rural towns and the effects it will have on these areas. He was also asked to source a way to curb these imminent closures and overcome creating rural ghettos. Present at the meeting were Cllr. Ollie Wilkinson, Mr. Joe White, Mrs. Marian Looby (I.F.A. representative), Mr. Milo Murray (I.C.M.S.A. representative), Mr. Tom Feerick, Fr. Robert Arthure and Orla Nicholson.

## Recent Deaths

### LATE NANCY WALSH (NEE AHEARNE)

We write with deep regret and sadness on the passing of Nancy Walsh (nee Ahearne), Mount Odell House on Monday last at St. Vincent's Hospital, Dungarvan. In her early 80's she was a native of Ballintaylor. Predeceased by her husband Paddy in 1995, Nancy also mourned the loss of her brothers John and Michael and sister Mamie in the past. We extend to son Bobby, daughter-in-law Concepta, brothers Seamus, Pat and Frank, sister Alice, her grandchildren Aidan, Conor, Ian, nephews, nieces our deepest and heartfelt sympathy.

Removal took place on Tuesday at 7.30 pm from the Kiely Funeral Home to St. Mary's Parish Church. Requiem Mass will be celebrated this Wednesday morning at 11 o'clock with the interment in the adjoining cemetery.

(Full obituary next issue).

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

### LATE MARY REVINS (NEE CORBETT)

Feelings of sincere regret and sorrow were expressed with the passing on Monday 19th June at Waterford Regional Hospital of eighty four year old Mary Revins, Duffcarrick, Ardmore who was a native of Curragh, Ardmore. Predeceased by her husband Gerry in 1988 and who was laid to rest in Knockanore, Mary enjoyed the company of her lifelong and trusted friends. In the recent past she enjoyed a social drink in O'Reilly's Bar on Main St. A woman who worked hard all her life, she valued the old traditions and was religious. Born in the historic year of 1916, she saw in the present peace agreement the way forward to final settlement and unification. We offer our deepest sympathies to her sons Billy, Gerald, John and other relatives at this time. Following rosary and prayers at the Kiely Funeral Home on Tuesday evening, the removal took place to St. Declan's Church, Ardmore where Canon D. O'Connor P.P. led us in the funeral service. At the requiem Mass on Wednesday morning the lessons were read by Moya (granddaughter) and Billy (son). The musical tribute was played by James Delaney while Mass celebrant Rev. Canon D. O'Connor P.P. spoke in glowing terms of Mary in his homily. The interment followed in the Tower Cemetery in the presence of a large concourse of mourners.

Chief mourners; sons Billy, Gerald, John, daughter-in-law Mary, grandchildren Moya, Margaret and Jack and many other relatives including a nephew and nieces.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

Whatever we were to each other,  
That we are still,  
Call me by my old familiar name,  
Speak to me in the easy way,  
which you always used,  
Laugh as we always laughed,  
At the little jokes we enjoyed together,  
Play, smile, think of me, pray for me,  
Let my name be the household word it always was.  
Let my name be spoken without effort.  
(You are always in our thoughts Paul — love Mammy, Pat, Alan, Tony, Michelle, Siobhán and John.)

**MORONEY** — Birthday Remembrance of Derek Moroney, 22, Boreenatra, Dungarvan, whose birthday occurs on June 27.

At night the silent stars look down,  
On a grave not far from here,  
Where sleeps the one I can't forget,  
And will always love so dear,  
Beautiful thoughts of a brother so dear,  
Cherished forever with love sincere,  
Dear is your memory, sweet is your name,  
Close to our hearts you will always remain.  
(Never forgotten by your loving sister Laurann and Eamonn.)

## WATERFORD SATURDAY JUNE 24TH

The top event at Waterford Track last Saturday night was the final of the Riverside TV Marathon. Fly By Night was an absentee having been sold on the day of the race and as a result the market was dominated by two of the countries best stayers Odell Duke 4/5 and Front Page News 7/4. On parade the latter had a spring in his step, something that was missing the previous week when Front Page News (Peped Dilemma - Rockview Flash) proved a major disappointment in his semi final for Laois owner M. Dunne. He made amends in the final however as he glided past Crackator Blue and Durrow Prince on the back straight before holding the late surge of a slow starting Odell Duke who tasted defeat by two and a half lengths in an excellent time of 40.84. The winner is trained in Gowran, Co. Kilkenny by Paul Hennessy.

In the first of ten races Munster Minor attempted to make every yard of the running but with the winning post in sight he was run out of it close home by the T.J. Coleman owned Music Fever (Come On Ranger - Dactari) 2/1 who stayed on strongly to record a head success in 29.75.

5/2 chance Fencers Choice (Adrville Bridge - Tromora Lisa) recorded her third victory for the Farm Relief Syndicate and trainer Matt Scurry in the second holding at bay the back stretch challenges of Wing Rogue and Kitty's Mole before defeating the former by a length in 30.18.

In Hope got to the front off the second bend in the third but she was quickly taken on and passed by Michael Maher's Charity Eimer (Trade Official - Charity Rose) this 3/1 shot going on to triumph by a length in 30.16.

Savana Satellite (Spiral Nikita - Soran Rose) is certainly paying his way for Portlaw based Dave Malby Baker and he ran a cracking good race at odds of 4/1 to capture the fourth event in 29.49. Fahee Joeanna showed up well from the break but the winner did well to glide into the lead on the fence out of the first bend to race on for a comfortable four lengths win over Fahee Joeanna.

Seskin Mona 7/4 to 1/1 was a warm order to lift a two bend dash but a slow start and first bend crowding cost her dearly. Narrow leader Dutch Magic was also a victim of the first bend melee as the Betty Loftus owned Vigilant Joe (Droopy's Fintan - Vigilant Katie) 4/1 motored clear for a 17.09 victory.

4/6 favourite Bud Springfield (Come On Rangers - Springfield Jill) owned by Bertie and Mary Hanrahan and trained by Mick Hoy turned a 730 yard marathon into a procession bursting clear from trap three breezing in five and a quarter lengths clear of Tegestology in 41.33.

An impressive race winner the previous week the James Phelan owned Jays Lassa (Lassa Java - Knockmoylan Rose) was allowed start at a generous 4/1 in the sixth event and showing good early speed to lead out of the first bend from Clashduff Gold the local runner was never in any subsequent danger coasting to a five lengths win from a strong finishing Joannes Joy in an eye catching 29.29.

A sprint winner at Enniscorthy the previous Thursday night Stage Sammy was installed the 4/6 jolly to capture the ninth race but he dwelt at the start and was then denied racing room at the first bend. Meanwhile Thomas and Luke Fitzgerald's Lukes Honey (Spiral Nikita - Honey Vixen) took full advantage of the situation racing on to a deserved length and a half win over Stage Sammy in 29.51.

Showing no ill effects from a Kilkenny success on the previous night Eileen Kelly's Kellymount Wish (Right Wish - Garryglass Queen) caused a mild upset in the final event of the night this 5/1 chance outpacing Clashduff Nelly and Hearty Jim at the halfway mark before running out a two and a quarter lengths winner over a fast finishing Savana Whisper in 29.69.

## CABLE IS KING AT YOUGHAL

The showcase event at Youghal Track last Friday night was the year 2000 running of the Bob Daly Memorial Stake worth £600 to the winner. The semi final winners were Rathroon Ranger (29.32) and Opee Villiers (29.58) but Cable King drawn in trap one picked a good night to strike

from Obliging at odds of 3/1 in 29.66.

## WATERFORD TUESDAY JUNE 20TH

Owner Maureen Rowley who lives close by Ardfinnan in County Tipperary will hold fond memories of this midweek fixture as two of her runners Lady Dramatist (Greenane Gigolo-Laurann) and Premiere Quest (Lemon Smokey - Poledra) came up trumps at odds of 4/1 in their respective contests from trap four. Lady Dramatist displayed too much early dash for her sprint rivals in the second running out a two and a half lengths winner over a slow starting but fast finishing Ballyerrin Sport in 16.87.

A fast starting Premiere Quest made no mistake in his 525 bombing away from traps to make all of the running beating an unlucky in running Scallywag Spot by a rapidly diminishing head in 29.87.

Market Eclipse the hot 1/2 favourite to land the final of the Mooncoin Unraced stake appeared well on his way to victory stretching five lengths clear of market rival Night Ruby who took a bump in the first forty yards but to be fair to the Lorraine Troy owned Night Ruby (David Said-Mogeela Ruby) 5/2 she stuck to the task in hand staying on strongly up the rails to land the spoils close home by half a length in 29.69.

The Patrick O'Dwyer owned Towering Breeze (Arrigic Buddy-Vigilant Lucy) 4/1 shed her maiden tag in the first race racing up with the pace throughout proving three lengths too good for Charity Echu in a best ever time for the winner of 29.75.

Having finished second in moderate time at Cork track the Patrick Barrett owned Seefin Top (Top Honcho) the 6/4 favourite went one better in the third race this front running greyhound outpacing Gentle Mother by two lengths in 30.62.

4/1 shot Kenwood Darkie (He Knows-Sun Spark) owned by Noel Osborne and Ray Temple made it two race wins from as many outings in the fourth event outpacing his rivals in every department to oblige in 29.56. The runner up Tenth Duke was unlucky to run into the winner at the second bend and but for this incident he would have finished closer to the finish. In the end the official winning margin was five and a half lengths in favour of the improving winner.

Coolgreaney Gem led early on in a 730 marathon but she was clipped from behind out of the second bend by Minor Conflict. The latter's reign up front was also short lived however and after a good battle with Ardera Flash Brian Meade's coursing bred Duchess (Hilltown-Cleanbony Ash) 5/2 stayed on the stronger in the closing stages to score by two and a half lengths in 42.34.

Derwent Thorgil came away in front in a graded sprint but the Betty Loftus owned Vigilant Joe (Droopy's Fintan-Vigilant Katie) 3/1 quickly hit the front to motor on for a cosy eight and a half lengths victory over "Derwent" in 16.77.

The connections of the last runner up owner Barbara Woodworth and trainer Mary Buggy enjoyed better luck in the ninth event as a fast starting Derwent Star (Spiral Nikita - Dessies Pride) justified 6/4 favouritism with a smooth pillar to post three and a half lengths victory over Three Rocks Tiger who came from behind to claim the runner up spot from Her Linda and Graigue Dancer. Time 29.63.

Despite making a hash of his start in the final race of the night the Michael Henebery owned and Nicky Grace trained Honchos Favourite (Top Honcho - Ardera Melody) the red hot 4/6 favourite somehow managed to drive up the inside to lead out of the first bend when holding the persistent challenge of Painter Profile by one and a half lengths in 30.18.

## THE paddypower.com GREYHOUND DERBY

Thanks to sponsorship by the Paddy Power Bookmaker organisation, this year's Irish Greyhound Derby, entitled 'The paddypower.com Greyhound Derby', will have a total prize fund of £135,000. Welcome news of the 'Derby' sponsorship by Ireland's leading bookmaking firm was announced earlier this year when Managing Director, Mr. Stewart Kenny pledged support for the premier classic, over a three year period. The new sponsors are committed to Irish sport in general and greyhound racing in particular, having previously sponsored the Irish Grand National and the National Puppy Stake at Shel-

bourne Park. They intend to promote this years greyhound classic in a major way through their betting shops chain and following the recent launch of their internet betting organisation, the prospect of showing the Derby action from Shelbourne Park on the internet, seems very likely.

The total prize fund, including trial stakes, amounts to £135,000, making this years Derby one of the richest greyhound racing contests in the world and provides a £60,000 winners prize (Breeder receives 10% and special breeders trophy). If the recent William Hill English Derby winner, Rapid Ranger, currently quoted at 8/1 second favourite for the Derby by Paddy Power Bookmaker (Moyné Rebel, 6/1 favourite), is successful in this years Shelbourne Park classic, his connections will be rewarded with an additional £40,000 bonus - making this a whopping £100,000 pay-out.

Second prize in the paddypower.com Irish Greyhound Derby is £10,000; third £5,000; three unplaced finalists £2,500 each; six beaten semi-finalists £800 each; twelve unplaced in quarter finals £400 each and twenty-four greyhounds unplaced in second round £200 each.

In addition, the derby prize fund includes - for the first time ever payments to heat winner of £200 each - up to and including the semi-finals.

The paddypower.com Greyhound Derby Consolation for beaten semi-finalists will carry a winners prize of £2,000, second £300 and third £200.

This years Derby also sees the return of regional Trial Stakes at tracks throughout the country, together with two cross-channel trial stakes at Wimbledon and Walthamstow. The winner of each trial stake will receive £500 and trophy plus free entry to the Derby.

Once again there is a very attractive prize of £10,000 for the breeder of the highest placed greyhound in the classic - which was entered at litter stage.

The paddypower.com Greyhound Derby 2000 will provide for 96 entries and reserves. Reserves will be allowed for the first round of the Classic only. Reserves, which will be drawn and listed in order, will be used to replace non runners - observing the seeding rules.

The closing date for receipt of direct entries is Thursday 27th July. The entry fee for direct entries is £250 per greyhound.

The first declaration date for greyhounds entered at litter stage is on Monday 3 July. (entry fee £15 per single greyhound, or £10 each for two or more greyhounds in the same ownership).

The second declaration date for greyhounds entered at litter stage is on Thursday 27th July and the fee payable is £100 per entry providing these greyhounds were entered at the first declaration stage.

The draw for the paddypower.com Irish Greyhound Derby 2000 will take place on Monday 31st July.

The first round consisting of sixteen heats will be run on Thursday 3rd and Saturday 5th August. Three greyhounds will qualify from each heat throughout the classic.

### Complete Order Of Running As Follows:—

1st Round (16 heats) Thursday 3rd & Saturday 5th August. 2nd Round (8 heats) Saturday 12th August. 3rd Round (4 heats) Saturday 19th August. Semi-finals (2 heats) Saturday 26th August. Grand Final Night Saturday 2nd September.

### A.I. REGULATIONS

Bord na gCon, at its meeting on Wednesday, 7th June, 2000, approved regulations providing for the introduction and use of Artificial Insemination in greyhounds. These regulations are largely modelled on the Australian A.I. Regulations. The most salient features of these regulations are:-

- (1) In relation to frozen semen there will be a sunset period of two years after the death of a stud dog during which time his semen may be used.
- (2) All sires are limited to a maximum of 14 registrations (breedings) per calendar month.
- (3) These regulations will be reviewed after an operational period of two years.

The regulations have been approved by Bord na gCon following widespread consultation within the greyhound industry and having received legal opinion on all aspects of the regulations.

Bord na gCon will forward these regulations to the Department of Agriculture, Food & Rural Development for Ministerial approval.

### ASCOT UPDATE

Day One — A record first day crowd attended Royal Ascot last week. The attendance of 50,609 was up over 10% on the previous years crowd of 45,977 and well ahead of the previous record of 49,088 set in 1997. There were two Irish winners on the first day but the day belonged to the Aga Khan whose green colours dominated proceedings winning three of the six races on offer. It was good to see the Aidan O'Brien trained Giant's Causeway gain a hard earned victory in the group one St. James Palace stakes. Rider Mick Kinane was caught napping at the Curragh on Giants Causeway failing narrowly to peg back the front running Bachir but the Storm Cat Colt made no mistake this time gaining sweet revenge at odds of 7/2.

The second Irish success came in the final race of the afternoon as Derby winning jockey Johnny Murtagh brought the John Oxx trained Katihkha 10/1 with a well timed challenge to out stay Gallery God by a short head.

### DUBAI MILLENNIUM EXCELLED

American jockey Jerry Bailey had an armchair ride on the Godolphin owned Dubai Millennium who stamped his class in the Prince of Wales stakes. None of his opponents could live with Dubai Millennium as he maintained a relentless gallop up front drawing clear up the home stretch to defeat the German entry Sumitas.

County Meath trainer Tony Martin who has plundered a number of prizes in England this year was on the mark once again in the Ascot Stakes coming with a sustained run for Johnny Murtagh to deny Seliana in the shadow of the winning post.

### KAYF TARA - A LUCKY WINNER

As we informed readers last week Irish Jockey Mick Kinane had only one ride for the Godolphin outfit and it was a winning one on 11/8 favourite Kayf Tara in the Gold Cup. Kayf Tara cannoned into a weakening San Sebastian in the home straight and was a shade lucky to hold on to the contest in the stewards room.

### CRIMPLENE TOPS

The Philip Robinson ridden Crimplene confined her top rating in the Coronation stakes this 4/1 joint favourite running out a two and a half lengths winner over Princess Eilen. Crimplene has now won the Coronation stakes as well as the German and Irish 1,000 Guinness.

### KIERAN'S TITLE

Despite his shoulder injury Kieran Fallon captured the riding honours at Royal Ascot with four winners. Johnny Murtagh also enjoyed a lucrative four days riding three winners to victory.

### JP MURTAGH APPOINTED TO CRYSTAL BOARD

I read with interest last week that a certain J.P. Murtagh was appointed to the board of Waterford Crystal. Was well known racing buff Tony O'Reilly rewarding J.P. Murtagh for his Epsom Derby victory on Sindaar! On further investigation however, it transpired that the J.P. Murtagh involved is actually Waterford Crystal logistics manager and not the top flat jockey who rides for the Aga Khan and is attached to the John Oxx yard.

### STEPHEN'S WOE

It's not very often that the stewards hand down a ban for two different offences but that's what happened to Isle of Man born but County Kildare based jockey Stephen Craine who received a double ban for just one race. Attached to the Kevin Prendergast yard Stephen picked up a three day ban at Royal Ascot for irresponsible riding of a minor nature on Dutch Harrier while he received a further two days for using his whip with excessive frequency.

### KINGS BEST DOUBT

Should the Sir Michael Stoute trained Kings Best who captured this years 2000 Guinness at Newmarket take his chance in the Budweiser Irish Derby, he will be ridden by Pat Eddery who deputises for the injured Kieran Fallon.

### WATERING AT THE CURRAGH

In order to ensure perfect going at the Curragh this coming weekend Management commenced watering the track last Tuesday.

### THIS WEEK'S FIXTURES

Thursday Carlisle, Salisbury, Newcastle. Friday Curragh, Newcastle, Newmarket, Folkestone, Southwell, Goodwood, Stratford. Saturday The Curragh, Doncaster, Newmarket, Bath, Newcastle, Worcester, Lingfield, Newton Abbot. Sunday The Curragh.

### KIERAN'S INJURY

Co. Clare jockey Kieran Fallon could well miss the remainder of the flat season having damaged his shoulder in a pile up at Royal Ascot last week. He underwent an operation last Thursday to restore nerves in his left shoulder and to graft on new ones. The fact that the medical authorities are giving so little away about his condition suggests that it could be some time before Fallon resumes his racing career.

### ROBERT RETIRES

Fifty six year old Robert Armstrong is to give up training race horses at the end of the current flat campaign. Armstrong has held a licence for over twenty eight years and one of his best ever horses was top sprinter Moorestyle. He is giving up training to concentrate on his other business interests. He will put his newmarket stable on the market and move to Jersey.

### DERBY WEEKEND

Next weekend is Budweiser Derby time at the Curragh with three days of top class action starting on Friday and finishing on Sunday. The £850,000 Budweiser Irish Derby is pencilled in for Sunday afternoon at 4.00. In a wide open race Epsom Derby winner Sindaar should run well once again.

### COMEBACK TRAIL FOR PAUL

Jockey Paul Moloney out through injury since smashing his pelvis at the Punchestown festival is on the comeback trail. He will shortly head off for a holiday in the sun but is hopeful of having his comeback ride at the Galway Festival meeting.

### LONG JOURNEY PAID OFF

Rathgormack trainer Pat Flynn and Dungarvan handler John Queally made the long journey to Dundalk last Friday and both came away with a winner. The Pat Flynn trained Dromhall Lady, the well backed 5/4 favourite came good under Waterford jockey Danny Grant in the one mile one furlong handicap beating Go Girl Go by a length.

John Queally saddled Patsy Veale for owner M. A. Ryan and with Davy Russell in the saddle the five year son of Accordion and Bermuda Castle, the 11/8 favourite bolted in five lengths clear of Dionisio.

### ARISTOTLE INJURY

There were genuine reasons for the Aidan O'Brien trained Aristotle's poor showing in this years English Derby. Finishing a well beaten tenth to Sindaar, Aristotle was examined by the vets on his return to Ireland who found cysts in his epiglottis. American specialist Dr. Paul Thorpe will fly in this week to perform a minor operation and all going well the colt should be back in work before the end of the year.

### DERBY BOOST

This year's English Derby form received a nice boost last Sunday as Beat Hollow who finished third in the English Classic captured the group one Prix de Paris at Longchamp.

## CARLING INTER-FIRMS TOURNAMENT

# Traders and Crystal 'A' Favourites to Contest Final

After last week's series of quarter-final games the last four are now known and the penultimate games in this year's Carling Inter-Firms Tournament will take place on tonight Wednesday 28th June, at the Crystal pitch, Kilrush Park.

Traders (sponsored by Foley Meats) are now the favourites to capture the John Dwyer Shield when they meet the Alan Simms led Century Homes at 6.30 p.m. The Home of Timber Frame caused a big shock when they defeated Stafford Miller 'B' in the quarter-final in which Alan Simms scored a hat-trick. Traders had an easy 3-0 victory over Calmark and we expect them to have too much class for the timber factory.

The second game sees newcomers Vee Construction take on the mighty Crystal 'A', managed by Kieran Fitzgerald and Stan Cummins. Crystal have impressed in this competition with victories over Crystal 'C', SmithKline 'C' and Industrial Park in

the quarter-final 2-0, played on Monday night. This game was postponed on Wednesday evening last as a mark of respect to the Dwyer family on the death of David. Injuries to key players on Monday night last may hamper them, but if they are fit we expect them to advance to the final.

Gary Keane's Vee Construction have also done well for their first time in the tournament with wins over Crystal 'B' and SmithKline 'A' and may well get to the final if they play to their full potential and if they have a full side to select from. However, we will stick with Crystal 'A' to advance to the final.

The final itself will go ahead on Friday night at 7.00 p.m. and whoever gets through the semi-finals we expect a cracking contest. Presentation of prizes afterwards in the clubhouse and a great night is anticipated.

## Alan Simms Hat-Trick Hero

Century Homes 4  
Stafford Miller 'A' 1

Century Homes caused quite a surprise in the first quarter-final played last Thursday night when they ran out easy 4-1 winners in the end. The "Home of Timber Frame" started brightly and Alan Simms and Michael O'Sullivan brought good saves out of Stafford keeper Eamon Condon. But it was Stafford who took the lead when Paul Lannon crossed for Dermot Dee to head home a fine goal. Again Eamon Condon brought off a brave double save, firstly from Bernie Crotty, and then at the feet of Alan Simms. Stafford still led 1-0 at the interval.

However, on the resumption all was to change. After just three minutes Willie Fraher, on as a sub at half time, put Eamon Morrissey through and he was fouled in the box and Alan Simms slotted home the spot kick

to put Century Home back on level terms.

Two minutes later they were ahead when Simms again broke through to score. At the other end Pa Cummins saw a great header come back off the crossbar. In the dying minutes Century Homes scored twice from Alan Simms and Tom Byrne to advance to the semi-finals. Both Pa Cummins and Eamon Morrissey were sent off in the second half.

Impressive for the winners were: Bernie Crotty, Alan Simms, Eamon Morrissey, Michael O'Sullivan, Tony O'Sullivan, Dermot Desmond and keeper Rob Jones.

For Stafford: Dermot Dee, Peter Roche, MI. Lacey, Pa Cummins, Padjo Lanigan, Eamon Condon, Pat Sullivan and Vinny Tobin were best.

## Easy For Traders

TRADERS 3 CALMARK 0

Traders eventually wore down a hard working Calmark defence in the second half to run out 3-0 winners. But the Cappoquin side worked hard in the opening period and denied the Traders any goals. Liam Morrissey had to work overtime to stop Traders going in front and in front of him Micheál Walsh, Stephen Ronayne, Philly Lombard, Ray Curran, John Crotty, Michael Ware impressed to keep the score at 0-0 at the break.

However, once Traders went in front in the second half it was all one way traffic. The breakthrough came after 10 minutes when a John Power free-kick flew into the net for a brilliant goal. The second came after 20 minutes when a John Downey cross was dropped by Liam Morrissey and Clive Crotty tapped home. John Power then blasted a penalty over the bar and out of the pitch! John Paul Keohan scored again before the end from a goal-mouth scramble to see Traders advance.

Others to play well for Traders were keeper David Morrissey, Billy Coleman, John Paul Grey, Kevin Walsh, Leo Barry, Eoin Simms, Martin Lacey.

## Gary Keane On Song

Vee Construction 2  
SmithKline Beecham 'A' 1

Vee started well and Olly Dowd and Eoin Bennett both had chances to put them in front. Dowd being unlucky to see his effort come back off the crossbar. After 20 minutes Edward Pollard shot wide when well placed. At the other end Sullivan Doherty saw a fine effort blocked. Eoin Bennett broke the deadlock in the 25th minute when he fired home from close range.

Michael McLoughlin saw his corner come off the post shortly after the restart. The equaliser came after 55 minutes when a high ball into the box was dropped by keeper Michael Keane and substitute John Joe Henley tapped it into an empty net. SmithKline keeper Brian Crotty did well to deny Doc O'Donnell. Gary Keane saw a shot go over the crossbar. With three minutes left and the game looking like going to penalties Gary Keane turned well in the box to shoot to the roof to the net to give his side the lead. SmithKline had a chance to equalise in the last minute when John Joe Henley put Shane Coughlan through for a great chance but he shot into the side netting.

## O'Brien And Henley Shatter Park

Crystal 'A' 2;  
Industrial Park 0

The Crystal 'A' advanced to the semi-final of the competition with a hard earned victory over the Industrial Park on Monday evening last. They went ahead after 3 minutes with a goal from Liam O'Brien. But despite having the greater possession failed to add to their tally before the break.

The second half was only 4 minutes old when the Crystal went 2-0 up. Dermot Henley latched on to a through ball and kept his composure to score past Crohan McGregor in the opposing goal. Although the Industrial Park came more into the game the better chances fell to Crystal. But thanks to good goalkeeping by Crohan McGregor, who rolled back the years, and some poor finishing there was no further scoring and the match ended with the Crystal going through.

Excellent for Crystal on the night were: Jim Sheehan, Joe Salmon, Pat Walsh and Liam O'Brien.

Outstanding for Industrial Park were Man of the Match: Crohan McGregor in goal, Joe Nolan in midfield and Denis "Hopper" McGrath.

## BALLINROAD A.F.C. NOTES

On Sunday last we held our Millennium Fun-day in the pitch and it was what we planned, fun for all the family with everyone from under 4 years to over 40's taking part. It was a most enjoyable day with the sun shining and the pitch in great condition.

Vincent, you needn't worry, everyone was having such a great time that nobody noticed the lines were not straight. Keeping the spuds on the spoons did prove a difficult task for some although a few adults who shall remain nameless found ways to overcome this but Maurice, our excellent M.C. for the day made sure everything was above board. Others lost their rhythm in the three legged race and took a tumble but thankfully there were no casualties, only bruised egos. Why was Brid so long under the net in the obstacle race and wasn't it strange how the finish line appeared to move away from you as you got nearer to it. Aside from all this, everyone appeared to have enjoyed the day. We would like to thank everyone who helped make our millennium fun-day such a success and all who supported it. Finally, we would like to thank the National Millennium Committee who part-funded the day.

**St. Mary's Parish Notes**

**Sunday 2nd July, 13th Sunday in Ordinary Time**

Readings: Wisdom 1: 13-15, 2: 22-24; 2 Cor. 8:7,9,13-15; Mark 5:21-43 Now that Lent and Easter and all the feasts that follow Easter are behind us, the journey through the Sundays of Ordinary Time starts again. From now until next Advent, we listen to Mark's Gospel each Sunday, and discover the story of Jesus as it is presented in the first gospel to be written.

**Reaching Out**

We seek touch when we are hurt because we know that touch heals. Touch can also harm. Many people bear the invisible scars of being touched wrongly, sinfully, by someone they thought they could trust. Victims of rape and child abuse bear the scars of that sinful touch.

For Jesus, no-one, absolutely no-one, was untouchable. People came just to be touched by him, or just to touch him or his garments.

Michelangelo painted God on the ceiling of the Sistine Chapel - as a God reaching out to give life by the gift of touch. Let us be the extended hands of Jesus. Rory O'Sullivan.

There is a great amount of talent in this panel and if the five that are picked perform at their best they will give Tramore a very good run for their money. Tramore will start hot favourites to advance to the Munster quarter final but with the commitment and dedication that our boys have shown to-date an upset could be on the cards.

## GOLD COAST CUP

This competition is moving along nicely and with a number of big hitters still left in it, the competition it is not easy, at this stage, to pick a likely winner. Last year's winner, Brian O'Connor, is still there, only just — time may catch up on him or maybe he is reluctant to play John White!

Who is going to beat Michael Ferncombe? Would anyone like to have a little bet on it — just a friendly little wager of course! Seamus Mansfield, Mark Lenihan, Tony Murphy, Kieran O'Regan and Roddy Healy will feel that they have a great chance of lifting this trophy and watch out for Dermot Dobbyn.

A reminder to members that a winner of this competition will be declared on the 23rd July.

## CLUB QUALIFYING ROUNDS

With the sun shining last Sunday morning six teams did battle for the two places in the semi-final which will be held at Waterford

Crystal pitch & putt course in the near future. Team (C) Pat Tutty, Paddy Street, Tommy Lenihan, Anthony Landers were home and dry with a score of +27. But it was a different story who was going to take 2nd spot with just 2+ between the last three teams. But after a long wait, it was team (D) - Mike Daly, Philip Regan, Andy Keohan and Paul Riordan who took 2nd place with a score of +23. Best of luck to both teams and hope you go on to the finals held in Dublin. Well done.

## LOTTO REACHES A CRACKING £2900

Yes, once again, we had no winner of our big Jackpot. But we had three lucky winners of £20 each - Vera Flynn, Bobby Power and Biddy Coles. Numbers were 12, 16, 8, 11.

## CARROLL REACHES LAST EIGHT AT SEAPPOINT

John Carroll of Cunnigar reached the quarter finals of the All Ireland Matchplay Championships recently knocking out two internationals on the way - Johnny Campbell and Paul O'Hagan. John, who met Conor O'Brien in the first round was a very comfortable winner was to meet Campbell in the next round and never looked in trouble and took the game to Campbell and came out the winner by 5/4. Paul O'Hagan was next in line to meet Carroll who was now one of the favourites after knocking out international Captain Derek Courtney from Dublin. Carroll down 3 after 18 holes birdied 6 of the first eight to go two up and Carroll never looked back and was always in control. Carroll was now to meet Harkins, last years champion and in form, Carroll 1 down after 18 and struggling with the putter should have been at least 4 up at this stage, could not find his way in the second round and finally fell to Harkin's in the last eight, only let down by his putting. This performance has been the best performance from Waterford in twenty years by any player

## DONOVAN REACHES STROKE PLAY CHAMPIONSHIPS

Mike Faldo Donovan plays in his first Irish Championship this weekend at the long and testing course of Lakeside. This will suit Mike as the long course is in his favour. Mike, who has been playing for the last ten years is in fine form, hence Faldo has a great chance of being in the top three as he will be a hard man to beat if the ball rolls his way. Cunnigar wishes Faldo Donovan the best of luck this weekend as there's confidence in the camp that Faldo can pull this out of the fire. Go, Faldo, go.

## JESSIE JAMES LANDERS GOES FOR SHOOTOUT AT LAKESIDE

Jessie James is another player that could win the championships at Lakeside this weekend, Jessie playing for ten years now and is probably the shark in the camp and would deny this is in the best form of the year right now, looks a very good bet to reach the playoffs on Saturday. Jessie James against Faldo Donovan for top three positions who will win the shootout, the monies on, to be continued. Good luck boys and may the best man win the championships.

## CARROLL THERE AGAIN AT LAKESIDE

John Carroll takes on the best again this weekend at this year's championships, is looking to find form on the putter if he is to figure this weekend, Carroll - runner-up in ten years knows all about pressure and if he makes the playoffs, who knows what might happen. Good luck John.

## CUNNIGAR THANKS JOHN DOWNEY

Cunnigar would like to thank Carriglea student John Downey for the work he has put in at the club and is a credit to Carriglea. John who worked so hard in recent weeks is an outstanding young man and we would be delighted if he came back some day and worked with us again. Thanks John and Carriglea.

# DUNGARVAN GOLF CLUB NOTES

## OPEN DUNGARVAN GOLF CLUB CLASSIC

Our club members and our many many friends from other golf clubs certainly rose to the occasion last weekend and turned out in force to support this vitally important fund raising classic for the club. We had people who had not caught a golf club for maybe three to six months, we had had new handicappers who played in their first ever competitive game of golf. We had high handicappers and low handicappers, young and old, friends and relations. Sure, we had the pot hunters too but there were enough of them to ensure winning the magnificent prizes was not too easy a task.

At the presentation of prizes the atmosphere in the clubhouse was electric and people who were not happy and were prone to find fault would need to have a serious chat with themselves.

At the end of the day, it was Greg Fives Classic and he carried it through from beginning to end with aplomb. Greg as always was himself and on this occasion he struck the right tone better than ever before. What an addition Greg himself, his wife Marie and three sons are to Dungarvan Golf Club. God bless you Greg and your family and as you said yourself your father was looking down on us and helped provide the magnificent weather for the weekend.

It is a pity too we do not have a night like last Saturday night more often throughout the year.

Our sponsors, our staff, our officers, our committee members you know we appreciate you and that you are the best in the country in what is a very difficult and onerous task. Let there be no doubt we have the right calibre people for the job in Dungarvan Golf Club.

## Bennett Brothers B'saggart 10k On Friday Night

All roads lead to Ballysaggart on Friday night when race no. 6 in the Ger Wyley Sports/Fila Summer Series is set to take place. This very popular event in a beautiful part of West Waterford is organised and sponsored by the Bennett Brothers of Bennett's Joinery, Ballysaggart. Ever popular Sean is a regular at all of our races and no doubt his hard work promoting this race will ensure a big turn out on Friday night.

Last year there were 47 finishers in this race which was won by Pat Heffernan from St. Catherine's in a time of 32.35. In second place last year was Peter Duggan of St. Joseph's in a time of 32.50 from William Harty then with West Waterford A.C. (34.22), Tom Burns won the over 40 category in a time of 35.46 from Gerry Cantwell (37.40). Leslie Smyth (Coolquill) took first place in the over 45 section in 36.45 from Tim Twomey (East Cork) whose time was 37.15. An overseas entrant Dick Evans from Wales won the over 50 category from Pat Hennessey of West Waterford.

The ladies race was won by Catherine Hennessey from New Ross in 40.51 with Orla Fleming (Clonmel) second in 42.19 and Jackie Stamp (Kilmore) third in a time of 42.34. Eilish Hayes (Thomastown) won the over 35 category with Kathleen O'Brien first over 40.

### Dungarvan Credit Union Cycling Club

#### COMMITTEE MEETING

A committee meeting will be held to-night Wednesday 28th June in the Park Hotel at 9 p.m.

#### CLUB CLOTHING

A fresh consignment of club clothing has just arrived. Anyone who had ordered new club gear can now call over to Pádraig de Burca.

Due to the large number of new members to the club, another clothing order will be made by mid July. Now is the time to order thermal jackets and winter gear.

#### SYMPATHY

Sincere sympathy is expressed to the Dwyer family on the recent death of Mr. David Dwyer. May he rest in peace.

#### IRISH CHAMPIONSHIPS

The Irish road race championships took place in Cork city on Sunday last. The senior race was held over a distance of 100 miles, taking in 5 laps of a 20 mile circuit. Taking part for Dungarvan was Thomas Hogan, Pat Kenneally and John Dempsey. The junior race was 60 miles and David Geary was our sole participant.

The race was held in hot sticky conditions and the course was pretty severe especially the climb off Dublin hill out of Cork on every lap. 140 riders started the race but less than 50 finished. Well done to Thomas Hogan and Pat Kenneally who managed to finish the event. Well done also to another Dungarvan rider Rory Wyley riding for Thomas Velo who also finished the race.

In the junior race David Geary also did well to finish his race.

#### P.M.P.A. LEAGUE RACES

Round seven of the event was won again by Pat Kenneally on Tuesday last giving him a 3 point lead at the top of the table with 3 rounds to go.

### DUNGARVAN SEA ANGLING CLUB NEWS

### FINTAN'S FILES

Patricia Walsh (De La Salle and Waterford), one of Waterford's six Olympics (soon to be seven Jamie!) finished 9th in the discus Olympic Final in Los Angeles in 1984. A graduate from Tennessee University, Patricia won nine Irish Senior discus titles during her career. She retired in 1985. Her Irish record of 57-60 metres still stands.

### SERIES NEWS

We are hoping that Jamie Costin will be putting in an appearance at the forthcoming Dromana 5. It will be an ideal opportunity for club members to meet our Sydney bound club mate and wish him all the best of the Olympics. Further news on the same race is that it is the venue for our annual match with Clonmel A.C. so a big turnout of club members would be appreciated.

### NATIONAL MARATHON

In my recent report on the National Marathon held in Tal-laght at the end of May I incorrectly said that the only Waterford interest in the race was Mary Jennings winning the ladies race. It has come to my attention that Mark Prendergast who hails from Abbeyside and who is currently running with Sportsworld A.C. in Dublin ran a very creditable 2.51.37 to finish in 19th place. Well done Mark and sorry about the omission.

# Ardmore G.A.A. Notes

## WATERFORD UNDER 21 HURLERS

What a boost these lads gave the entire county, last Wednesday. There was, as usual a large Ardmore present, in the disappointing small Waterford support. Great to see the quality and spirit of the team, and the way they ran and worked for one another. We knew that Tony Mansfield, Eddie Cunningham and Joey Carton had done a nice bit with this team and it certainly showed. We also knew that Tony is one of the shrewdest side-line mentors you'll come across. Once again he proved it in Thurles. Mid-way through the first half, Waterford were dominant and there was some surprise when Alan Kirwan was replaced by Andrew Kirwan. But what most hadn't seen, was that the Tipp wing forward was causing havoc, though missing his scores.

The change worked immediately. In the second half, when Tipp drew level, Seamus Prendergast was moved to mid-field, and again the impact was immediate. Well done to everyone, especially to Seamus and James O'Donnell, both of whom contributed handsomely to this fine victory. Next stop, Walsh Park, July 12th, against a star studded Cork.

## UNDER 14 HURLING

Our under 14 hurlers were, disappointingly beaten by Kilmacthomas in the semi-final of the Division 5 championship, last Saturday. That we failed to score during the hour, at this level, is a fair indication of how much work

needs to be done by these boys, if they are to keep the blue flag flying.

Again, we only had two mentors on the side-line, Declan Barron and Tony O'Mahony. So parents, it's up to you. Tony took the busiest day of his week off, to be at the match, and is in the field every Sunday, with the under 10's. To me the team looked tired, and this may have been caused by the fact that most of the principles had a tough week, in Limerick.

In the first half it was touch and go for a while, but we never looked like scoring and eventually, Kilmac broke through and piled on the pressure. The introduction of under 12 players Darragh and Edward improved our forward line, somewhat, and they along with David, another under 12 looked most likely to score. In fairness Darragh, did hit the cross-bar with a cracking shot, and brought a couple of good saves from the goalkeeper. Conor Hurley, was our net-minder and could not be faulted for any of the goals that passed him. Robert Faherty was out-standing in the full back line, where he was flanked by Mark Walsh and Denis Flanagan, who added a bit of urgency to the half-back line when moved there. Robert went to centre back, in the second half, when it was desperation stakes. He did well there also, but there was no one to mind the house and we leaked several goals, in his absence. Pádraig Healy, Michael Lally and Richard Lynch were the half backs and Paddy O'Donnell and Brian Keane were at mid-field.

Shane Power, tried hard at half forward, where he was joined by Andy Walsh and Anthony O'Mahony. David Hennessy, Mark Power and Sean O'Mahony were the full forwards and David really excelled, when moved to wing-back.

## UNDER 12

Our under 12 game this week is on Monday evening, against Abbeyside B. Then on this Saturday, we play An Gaeltacht, in Ardmore, at 3.00 pm. They are also bringing an under 10 team. Our hurling standards at these age groups are low and we badly need a win from one of these games to maintain our interest.

The message to all the boys at 16, 14, 12, 10 and eight is this: you won't become good hurlers just by training in the field. You can only become a good hurler with hours of practice every day. Every good hurler, from Joe Deane to Seamus and James always have the hurley in their hand and are pucking balls every day.

## HURLING CAMP

The news from Peter Power is that Hurling Camp in Ardmore will be on Monday

to Wednesday, 17th to 19th July. This is a wonderful opportunity for all under 14's to improve their hurling skills. Peter will himself lead the camp, together with other coaches and as usual some of the leading hurling personalities from Waterford and our neighbouring counties will attend, as will our two under 21 stars Seamus and James. All young hurlers are welcome, wherever they come from. We especially urge all our under 10's, 12's and 14's to take this opportunity. The fee is only £10 for the three days, with special concessions for families. Where will you get value like that.

## FOOTBALL CAMP

This camp will be for a full week, in August - 14th to the 18th inclusive.

## SENIOR FOOTBALL

Our seniors had their Phelan Cup outing against Kilrossanty, on Friday night. Delighted, we can report on a victory. Our last adult football victory over Kilrossanty, was the Senior Championship semi-final in 1981, when we progressed to the final, where we were defeated by Ballinacourty. I can still see big Mattie Hanrahan fisting the ball to the Ardmore net, moments after Jamesy O'Donnell had planted a bullet in the 'Courty side netting. Lest we get carried away, Kilrossanty were short a few regulars and we were about full strength. Still a win is a win and it was very welcome. As I said before, it can become a good habit. This was a fine game of football. Kilrossanty started as if they were going to over-run us and might have had a couple of early goals. But our defence stood firm and weathered the storm and gradually, we clawed our way back into the game. In the end, a rather fortuitous goal, from

James O'Donnell, was the deciding factor. The final score was 3-7 to 2-9. Damien was sound in goal, behind a solid full-back line of Patrick, Mikie, and Paddy. Our half-back Declan, Anthony and Richie, was the foundation of our victory and from all my informants, I am told that Declan was man of the match. Wayne (0-1) and Johnny were up against it at mid-field and about broke even. Our half-forwards accounted for most of our scores - James (1-0), Seamus (1-2) and Cathal (1-1) - and that speaks for itself. Our full forwards - Kevin (0-3), Seamie and Pat Hallahan, worked hard all through against a solid Kilrossanty full back line and found scores hard to come by. David O'Reilly came on for Pat in the second half, Adrian O'Donnell, Eamon Power and Nicky Keating, were the other subs.

## WELCOME HOME

To Noel Quinn, who was hospitalised for a few days, following that nasty injury sustained in our last hurling league game. Let's hope that he will now make a full recovery and will not require further attention. The spirit of the man, was shown by his presence at the Kilrossanty game.

## DEISE DRAW

The second draw is on this Friday, so promoters please get your money and tickets into Eileen. And remember, that there is still 11 months left in this draw, if anybody wants to join.

## WEEKLY LOTTO

Last weeks draw was held at The Cliff Hotel and these were the lucky numbers :4, 17, 19. There was one lucky winner of the jackpot of £250, the aforementioned Wayne Hennessy. Well done Wayne and fair dues - he's a young player, who's still a student. He contributes volumes to the club and also reaps the rewards of a good solid club, as his back-ground. And he puts his money where he plays, by joining our lotto every week.

## ARDMORE'S SHAME

Having mentioned some of the wonders of Ardmore recently, it is only fair that I mention the warts as well. Well here's one that must be removed. Obviously, some revellers were having a drinking session on the bank at the beach, in the area of the new seat. Fair enough, provided they tidy up afterwards. That they didn't is bad enough, but the fact that they smashed numerous bottles to smithereens, is absolutely mindless. The following day, young toddlers were playing in this very area, and could have been destroyed by the plethora of broken bottles, many of them with jagged edges. In the interest of Ardmore, let's stamp out this mindlessness. This is our village and we're proud of it. We don't need the cover of darkness to enjoy ourselves.

## INTERMEDIATE HURLING LEAGUE

### Abbeyside 3-5 St. Mary's 1-4

Abbeyside Intermediate hurlers collected two further league points at the club grounds on Tuesday evening last when they defeated St. Mary's in a game played in atrocious weather conditions. A cause for concern were injuries picked up by Sean McGrath, Michael Collins and Gary Hurney.

## FATHER AND SON

A feature here was that Pakie Hurney guarded the county net with his son John Hurney out at centre half back.

## JOE DEANE

A welcome visitor at the club grounds on Saturday morning last was Killeagh and Cork's All Ireland star forward Joe Deane who was a great hit with our youngsters. It's a 50/50 Munster final, the ever pleasant ace attacker informed us.

## MUNSTER U-21 HURLING CHAMPIONSHIP

John Phelan lined out at full back in Waterford's fine victory over Tipperary at Semple Stadium on Wednesday evening last and John and his fellow players will now seek to improve further before playing firm favourites Cork in the semi final at Walsh Park on Wednesday 12th July next.

## 'GARVEYS' SUPERVALU COUNTY FOOTBALL LEAGUES FINALS ON SCHEDULE

Despite some disruption in the fixtures schedule, all is now set for the Garvey's Supervalu Football League finals in both division 1 and division 2. These finals take place on Sunday evening next at the Fraher Field and should make an attractive double header.

In division 1, old rivals Rathgormack take on a resurgent Stradbally and this should be a cracking good game of football as both sides use contrasting styles. Rathgormack were the first holders of the division 1 title and I am sure they would like nothing better than to become the first winners under our new sponsors "Garveys Supervalu Dungarvan" Stradbally have yet to win a league title and they will see this as their best opportunity to date of making it. There is little to separate the sides on league form with Rathgormack's greater experience of the big occasion may be the deciding factor.

### PATHS TO FINAL

- Round 1: Rath'k A 2-11 Rath'k B 0-7  
Stradbally 0-11 Kilrossanty 1-7
- Round 2: Rathgormack 0-9 Kilrossanty 0-7  
Stradbally 1-10 St. Saviour's 0-9
- Round 3: Rath'k 2-10 St. Saviour's 0-9  
Stradbally 3-9 Gaultier 1-9
- Round 4: Rathgormack 0-13 Tramore 0-10  
Stradbally 2-11 Ballinacourty 1-10
- Round 5: Rathgormack 1-10 Gaultier 2-8  
Stradbally 0-5, Nire 1-13
- Round 6: Rathgormack 1-8 Stradbally 2-12  
Stradbally 2-12 Rath'mack A 1-8
- Round 7: Rathgormack 4-12 B'courty 0-4  
Stradbally 1-12 Tramore 2-9
- Round 8: Rathgormack 0-13 Nire 0-6  
Stradbally 0-10 Rathgormack B 2-6

In their head to head game Stradbally came out on top so they will use this as the spur they need to motivate them to victory.

### DIVISION 2 - DUNGARVAN v. KILMACTHOMAS

Both these sides will be first time contenders for this title and while Dungarvan on the back of some impressive league form will enter the fray as favourites, Kilmacthomas are not without hope of causing an upset and if they play to their potential, they could well win.

Dungarvan have been team building and under Derek Lyons they appear to have put a

useful side together. They go into championship action the following week so this will be the ideal build up for them. Unbeaten in their league campaign they will not want to fall at the final hurdle and they will be making an all out attempt for victory.

Kilmacthomas on their day are a match for anyone and their form of late seems to be improving so they too will be going all out for victory. It should be another fine open game of football with our vote going to Dungarvan to win by a few points.

### PATHS TO FINAL

- Dungarvan 2-15 Ardmore 0-2
- Kilmacthomas 2-15 Kill 1-10
- Dungarvan 3-15 Clashmore 0-7
- Kilmacthomas 1-15 Sliabh gCua 0-4
- Dungarvan 2-9 Brickey's 3-5
- Kilmacthomas 3-11 An Rinn 0-5
- Dungarvan 2-9 Kilmacthomas 2-8
- Kilmacthomas 2-8 Dungarvan 2-9
- Dungarvan 0-12 An Rinn 1-4
- Kilmacthomas 1-6 Ardmore 0-12
- Dungarvan 4-10 Butlerstown 0-10
- Kilmacthomas 3-6 Clashmore 1-4
- Dungarvan 3-16 Sliabh gCua 0-6
- Kilmacthomas 2-9 Butlerstown 2-6
- Dungarvan 3-8 Kill 1-13
- Kilmacthomas 1-16 Brickey's 0-6

As can be seen, only one point separated the sides when they met in the league section so both sides have everything to play for and with a title and a holiday on offer, it should be well worth a visit.

### DIVISION 3 PLAY OFF

Geraldines face Dunhill in a play-off for a final place against Kilrossanty and here again both sides will be all out to win as neither have keen in the final before. This game takes place on Thursday evening with the division 3 final pencilled in for the following week.

We hope that all competing clubs will support our sponsor Garvey's Supervalu at every opportunity. The prizes on offer for the winners of each division are unequalled which is why the leagues have been such a success to date. With the week-end away trips going to the ordinary club player, it gives the incentive to every player to do their best in the league games. Clubs who supply players to the county teams probably benefit most as they are able to blood new players in a competitive fixture without the pressure which goes with a championship fixture.

We hope that all the finalists will have good support with them and we look forward to our sponsor being served up with some fine footballing action. With Kerry into the Munster final "Tom Garvey" will, I am sure be looking forward to some good games. Local managers Kieran McCarthy and Sean Farrell will hopefully be in attendance also. We wish all of the finalists the very best of luck and we once again thank our sponsor Garvey's Supervalu on behalf of all of the clubs for their sponsorship which is very much appreciated.

### NO LUCK FOR WATERFORD'S U-14 FOOTBALLERS IN MUNSTER FINAL

Our U-14 footballers were well and truly beaten and out-classed by North Kerry in the Munster final held at Bruff. The positive points from this championship are that we have a team capable of reaching a munster final and beating good teams in the process. These lads are all good footballers but need exposure at the top level on a regular basis. It's important for their development that this squad are brought forward at U-15 and U-16 playing the best teams in the country

### U-16 FOOTBALLERS PREPARE FOR MUNSTER CHAMPIONSHIP

At present our U-16 footballers are preparing diligently for the upcoming championship. Messrs. North, O'Leary and O'Grady are putting them through their paces and I am sure no stone will be left unturned in the preparation of this team.

### U-21 HURLERS GREAT WIN

This win gave a great and very welcome boost to our county last week. These young hurlers performed with the great heart and spirit we needed all year from our senior team and questions must be asked as to why some of these players were not given the opportunity during the year to prove themselves at senior level.

# DUNGARVAN GAA NOTES

## INTERMEDIATE HURLING LEAGUE

Last Tuesday night we travelled to Colligan for the 8th round of the Intermediate Hurling League. Conditions were not great as persistent rain and a sweeping wind meant that the standard of hurling was low. Aided by the elements we still left Colligan start the better and after 10 minutes they led 0-3 to 1-1. It was only then that we started to play somewhat and hit over 6 unanswered points leaving the half time score 0-9 to 1-1.

Our scoring spree continued after half time with a further 3 points and it looked like we were going to win comfortably. However with Colligan having wind advantage they put in a determined effort and began to claw back the deficit. Going into the final minutes of the match our lead had been reduced to 1 point as we tried to hold on desperately. Unfortunately Colligan's last attack saw them somehow scramble the ball to the back of the net to see them run out winners 2-9 to 0-13 points.

Our intermediate hurlers were also in action last Sunday when they travelled to Kirwan Park to play St. Mary's in the I.H. League. Weather conditions were more favourable here but unfortunately it wasn't enough to improve our level of performance. This was exemplified by our solitary score of just one goal to St. Mary's 1-10 at half time. Things did not improve for us in the second half as we had no answer to St. Mary's superiority, and they ran out easy winners 2-3 to 1-17.

These two defeats have scuppered any chances we had of league success. Going on these results we will have to improve considerably if we are going to make an impact in the forthcoming championship.

We still have one more game left in the league against Clashmore this Saturday night in Clogherane.

## JUNIOR FOOTBALL LEAGUE

Last Saturday evening we played the Nire in our final game of the Junior Football League. Unbeaten in our previous matches we were keen to maintain that record. Despite a Pe Pe Ferncombe goal we still trailed at half time by a point. However we upped our performance in the second half to run out winners 1-10 to 0-9.

This victory ensures us a place in the league final where our likely opponents again will be the Nire. Hopefully this game will be played shortly.

## DEISE DRAW

This month's Deise Draw takes place this Friday night in Ballyduff Upper. We wish all our subscribers the best of

luck, and hopefully this month we will have some winners.

## CONGRATULATIONS

Congratulations to Colin Cunningham and Yvonne Tutty who recently got engaged. We wish them both every happiness for the future.

## SYMPATHY

The club was saddened to hear of the death of David Dwyer. To his wife, son, daughter and immediate family we extend our deepest sympathy.

Ar dheis De go raibh a anam.

## HURLING LEAGUE FINALS

Last Thursday evening the Juvenile Section of the club held its Annual Hurling League Finals at Clogherane. Despite the weather not being as pleasant as it should be for the end of June this did not prevent the large number of participants and needless to say their vocal band of supporters. With the national flag at half mast and prior to the commencement of the first final a minutes silence was observed for the late David Dwyer who not so many years ago would have represented his area Caseyville in these same league finals. Our first final was for U-7's, and downwards surely to about five years. Urged on by various members of their families and with more cameras flashing than on a catwalk they served up a great twenty minutes entertainment. It was to prove a battle of the captains as first Conor Mulcahy goal for the Reds to give them a half time lead. In the second half the Blue's captain Conor Regan equalised with a tremendous goal and at the full time whistle the teams could not be separated and the honours were shared. With both teams happy with the result everyone was delighted to receive their medals.

Red team; Conor Mulcahy, Luke Moore, Shane Duggan, Adam Harte, Billy Egan, Donnacha Kirwan, Denis McGrath, Mark O'Lone, Jack Marriott.

Blue team; Conor Regan, Darragh Fitzgerald, Sean Hyslop, Collette Cleary, Cathal Curran, Henry Ryan, Nathan Hayes, Conor Sheridan, Shane Donovan, Eamon Ryan.

The second final was for the U-8's. A feature of this final was the quality of the goal scoring. The strong wind was to have a deciding factor on this game however. Aided by the wind in the first half the Blue team led by Colm Curran raced into a five goal lead with four from the captain and one from Sean Ryan after a mighty puck. In the second half however the Red team led by Luke Egan stormed back into game with two goals

U-9 HURLERS VICTORIOUS AT THE RECENT ST. OLIVER'S TOURNAMENT

from the captain and one from Brendan McCarthy to narrow the deficit. The Blues however added another goal courtesy of Adam Kelly and despite the best efforts of the Reds, the Blues ran out winners by 6 to 3.

Blues; Colm Curran, Adam Kelly, Sean Ryan, Darren Duggan, Ian Sheehan.

Reds; Luke Egan, Brendan McCarthy, Johnny Barry, Tomas Denmead, Shane Hickey.

The next final was for the U-9's and saw Jimmy Harty's team play Michael Daly's. Jimmy's team were quick to gain the upper hand and managed to maintain that grip until the end despite a valiant performance from Michael's team. So it will be Jimmy's name that will be inscribed on the John Meehan memorial trophy for the year 2000.

Teams Blue; Jimmy Harty, Kenneth Moore, Shaun Crotty, Brian Donovan, Stephen Troy, Michael Byrne, David Houlihan, Tomas Cleary.

Reds; Michael Daly, Daniel Sheridan, Craig Flynn, Peter Marriott, Mark O'Keeffe, Craig Shead, Dylan O'Riordan.

The U-10 final saw Derek McGrath's team play Liam Ryan's. Here we saw a titanic struggle right to the very end. Aided by the breeze it was Derek's Blues who made the first impression with goals from Sean Duggan and Neil Fitzgerald. The Reds responded and scored two goals from their captain to bring them back into it. By half time the Blues led by 2-1 to 2-0 which was a slender lead to maintain. That lead was quickly cancelled out by a goal and a point from Adam Sheridan. Nancy Ryan hit the equalising goal for the Blues. David Brophy pointed to put them in front but a hat trick of points

from Cormac Curran made sure that the Billy Kiely Memorial Cup was heading to the Ryan household in Kilmurray on a score of 3-4 to 3-2.

Reds; Liam Ryan, Cormac Curran, Adam Sheridan, Tony Walsh, Craig Kiely, Liam Sheehan, Kevin Sheehan, Alan Murray, John O'Donoghue, Kealan Hayes.

Blues; Derek McGrath, Neil Fitzgerald, David Moore, David Brophy, Sean Duggan, Raymond Tobin, Darragh Power, Nancy Ryan, Christopher Power, Mark Fitzgerald.

The final game of the evening was the U-12 final which saw Wayne Flynn's Red team play Karl Duggan's Blues. The Reds started well and Wayne rattled over four great points and with Barry Hamilton adding another they looked they they would emerge winners. Luckily Karl shot over two points before half time to give them some glimmer of hope. A Gavin Crotty goal saw them equalise on the resumption. Then disaster was to hit the Red team when two of their key players had to retire injured. This left the path open for the Blues and they took full advantage of this to run out winners by 3-7 to 0-5 and it was a delighted Karl Duggan who received the John McLoughlin Memorial Cup.

Blues; Karl Duggan, Gavin Crotty, Brian McDonagh, Derek Barry, Pádraig Kiely, Tony O'Donoghue, William Mulcahy, Cian O'Shea, David O'Riordan, Mel O'Shea.

Reds; Wayne Flynn, Conor Keating, Darren Sheehan, Barry Hamilton, Killian O'Keeffe, Killian O'Dwyer, Anthony Dalton, Michael Ryan, Mark Moran, Desmond Sheehan.

After a long evening we had finally got through all the

events and we would like to thank the Gardai who were represented on the night by Garda Jim Ahearne for their continued support of the leagues. We would also like to thank club Chairman Paddy Fitzgerald who had the fields in great shape and we would like to thank the ladies committee who provided the welcome refreshments throughout the evening. As the leagues coincide with the closing of the schools for the summer we would like to wish the lads an enjoyable holiday period and remind them that it will be only eight weeks and they will be back again. Training will still continue on both Wednesdays and Saturdays.

## UNDER-12 HURLING

Our U-12 hurlers travelled to Stradbally on Sunday morning last for their first game of the campaign. Minus the services of a few regulars through various reasons we still wanted to get off on a winning note. We dominated the opening exchanges and raced into a three point lead courtesy of Gavin Crotty, Barry Hamilton and Karl Duggan.

A long range Karl Duggan goal gave us some breathing space. A further goal and a point from Gavin saw us lead by 2-4 to 0-0 at half time. Thinking we had the game won we relaxed somewhat in the second half as Stradbally came storming back into the game. Within minutes they had scored two goals and two points. A point from Brian

McDonagh stretched our lead again to three points. This was quickly cancelled out when Stradbally goaled again. Luckily Karl Duggan surged upfield and shot a great goal to regain the lead for us going into the last eight minutes. Then unbelievably a goal saw them in front for the first time in the game. Now we had to throw everyone forward in search of the winner. A long range shot dropped into the square where it was met by right half back Brian McDonagh who pulled first time into the goal for the match winning score. Seconds after the final whistle sounded and we had emerged winners by 4-5 to 4-3.

Our next game is on the 9th July in Fourmilewater at 11.30 am.

## UNDER-10 HURLING

Our U-10 hurlers travelled to Mount Sion last Saturday for the second round of the city leagues. Our first game was against Tramore where unfortunately we were defeated. In our second game against Piltown we held out for a hard earned draw. This Saturday sees us travel to Kill where we have just one game against the host club St. Mary's at 11.00 am.

## UNDER-8 HURLING

Our U-8 hurlers travel to Bushy Park the Saturday to take part in the Brickey Tournament. We would like to thank the Brickey's for their invitation and as we were successful in this tournament last year we will be going all out to retain their trophy.

## UNDER-16 HURLING

The U-16 Hurling Championship is due to commence this Monday evening with our first game away to Tramore. Players are requested to be at the field this Thursday evening for training.

## G.A.A. NOTES

## BY "COMMENTATOR"

# Western Board Fixtures

Apart from under 21 football, all the divisional championships have yet to commence and the board were set a major headache on Friday night last when spending hours attempting to programme the massive fixture list that will take through the initial rounds. Most clubs have having players engaged in several championships and having the competitions deferred because of intercounty demands (even though we were defeated in the first rounds of all the four adult championships) school examinations, etc. are the main causes of the later than usual start.

So, for the Western board, the race against time is on and it is difficult to imagine them completing their full seasons programme on schedule.

## U-21 HURLING AT SEMPLE STADIUM

Waterford 0-16 Tipperary 1-11

Waterford U-21 hurlers caused the shock of the year last Wednesday when they beat raging hot favourites Tipp with a powerful display of first class hurling. The "Mushroom" treatment laid out by the team management certainly worked and lulled the opponents into a laid-back approach to the game. Some of the Tipp Senior players looked very moderate as the Waterford forwards sped past them. This must rate as one of the sweetest victories for a long time and has lifted the spirits of every Waterford man, woman and child. Cork are next in Walsh Park and have a star studded team and are forewarned. That's another day and for now we will enjoy this marvellous victory. Well done to all concerned.

**DID YOU KNOW** — Last Wednesday's win was the first time a Waterford U-21 team ever beat Tipperary at Semple Stadium.

### NEXT WEEK'S PROGRAMME

Monday July 3rd Dungarvan Summer Camp. Wed. July 5th Abbeyside Summer Camp. The camps run for three days and begin at 10 am and finish at 2.30 pm. Don't worry if you haven't an application form. Just turn up on the first day of each camp and you will be well looked after.

Feile Finals in Antrim. No joy for Waterford teams. Mt. Sion and Lismore girls were Waterford reps at the Annual Feile in this years Feile. Mt. Sion lost out to a very good Birr team in the semi final. Lismore girls put up a marvellous performance winning four games and narrowly losing the final to Freshford from Kilkenny. Tommy Power, Ballygunner and Joanne Connors, Passage were our skill reps. Tommy finished level with the Cork minimum margin. Well done to a marvellous young lad. Well done to the handball team who won the All Ireland title.

# Ballinameela G.A.A. Notes

Clashmore were our opponents last Saturday evening for our second last Junior League game of the year. Darren Mulcahy opened the scoring in the third minute with a neatly taken point from 35 yards, after a pass from Mike Walsh. Clashmore equalised 10 minutes later but Eoghan restored our lead 2 minutes later after a good solo effort. Eoghan turned provider for Ghandi to score just 2 minutes later. In the next 5 minutes however things started to go slightly wrong and sloppy defending left in Clash-

more for 3 points on the trot to leave us 5 points to 3 down. John Stack had a goal disallowed and it took Eoghan to settle us down with a free after John was fouled 20 yards from goal. We were dealt a serious blow, when Mikes injury troubled season kicked in again and we had to leave the field of play. In the final minute of the first half, Teddy McCarthy launched a super point from a tight angle. We were lucky to be level at half time as we found it hard to strike any sort of rhythm at all. In the second half Aidan

moved to midfield, Deckie who came on for Mike, moved up to wing forward and Pádraig Scanlon moved back to the back line. Eoghan put us ahead with a fine point after the restart. Sacher replaced Ghandi before John Stack and Aidan teamed up excellently for Aidan to score. If there is any point I had to include in my notes this is the one because Aidan gets very upset at being left out! Clashmore replied with three points on the trot and once again we were struggling. Eoghan levelled mat-

ters 10 minutes into the half after a long pass by Aidan, Sacher scored his first point after good work by Deckie. John Stack got his name on the score sheet after good work by Eamon and Terry McCarthy. Deckie forced their keeper into a super save and it looked like we would never pull sufficiently away to be comfortable. We were only 2 points up now and Clashmore got another one to put the minimum between the sides. The turning point came when Eoghan stuck a penalty in the net after a foul by their keeper. Deckie put us 5 points up after a great pass by John Stack. Sacher got another one with a brilliant free kick from an impossible angle. Cyril Stack came on for Darren and Robbie McCarthy replaced his brother Terry with 4 minutes to go. The game was now out of Clashmore's reach. Robbie set up John Stack only to see his shot go narrowly wide. The game finished when Aidan burst through the defence and laid off Cyril Stack who saw his shot pushed onto the post. It wasn't a convincing win but it leaves us in good shape for the league final with one game remaining, although Colligan will have other ideas about that.

# Waterford Shock Munster Champions In Under-21 Thriller In Thurles

**WATERFORD 0-16  
TIPPERARY 1-11**

To say that the unexpected happened in this first round Munster under 21 hurling championship tie at Semple Stadium on Wednesday last, would surely be the understatement of the year. The result must be recorded as one of the greatest shocks in the provincial championships this year and it was all the more pleasing and satisfying to us because of the manner in which it was achieved.

For Waterford it was a matter of everything going right on the night with every one of the 17 players playing to his full potential. It was a matter of the team showing tremendous character and fierce determination after the reigning Munster champions Tipperary had eroded our seven points lead and drawing level with 12 minutes remaining.

It was a matter too that the three selectors getting their strategy right and masterminding the correct approach to the game.

Waterford went in as rank outsiders and the great lack of confidence in our prospects was well reflected in the disappointing attendance of Waterford supporters in the crowd of approximately 1,000 who came to Semple Stadium for the game.

On the day before the match bookmakers were offering odds of 7/2 against Waterford and 1/5 on Tipperary and this assessment of their prospects together with the fact that their line out included six of the senior side who had defeated Waterford and Clare in the previous weeks must have made their supporters over confident as they were not present in big numbers either. The perceived imbalance in standards certainly made the fixture a low-key affair which was very much to our advantage.

tage.

As one official of the board commented, it was all a matter of the team being well prepared, well tuned for the occasion and everything going right on the night. It was a credit to all concerned.

Throughout the match there was no obvious difference in standards and it was gratifying to see that we were able to match our much vaunted opponents in all departments. The same could conceivably be said about our meeting at the same stage last year when we went under by just 2 points after having to field without one or two players who were not available on the night. Tipperary then went on to win the Munster final.

Following our huge disappointment and the depression which set in following our first round senior defeat by Tipperary, this result was a real tonic for the county and gave morale a big and badly needed lift and without going too deeply into the matter, the result did emit certain signals that require careful consideration.

#### THE GAME

Weather conditions were dismal at the start and a heavy shower did not help. Tipperary were out on the ground well before Waterford and the cheering which greeted the arrival of our players was in

stark contrast to what we have come to boast about in recent years. It was muted and moderate.

We played into the moderate breeze and within 15 seconds we had a point on the scoreboard. It was a well hit point from play by John Mullane.

Two minutes later Pat Fitzgerald pointed a free.

By the 7th minute there were 7 scores on the board. Paul Kelly opened for Tipperary in the 2nd minute and in the third, man of the match, Eoin Kelly made it 3 for Waterford. The same players, Paul and Eoin Kelly exchanged points in the 4th. and 6th minutes and senior player Paddy O'Brien from a free made it 3 for the home side (0-4 to 0-3).

With further scoring efforts going astray because of enormous Waterford pressure, Tipperary were not to score again during this first half while we added a further 4 points to leave it 0-8 to 0-3 at the break. Our scores came from Kelly and Fitzgerald.

A lot of the credit for the halftime lead must go to our defence who held out solidly in the face of great Tipperary pressure. Also, we were holding control in the middle of the field with Eoin Kelly in spectacular form and being well helped by Ger Power.

#### SECOND HALF

An early Tipperary point helped Tipperary get back into the game, but Eoin McGrath promptly restored our 5 points lead with a splendid 33rd minute score. Eoin Kelly extended our lead to six points before Paul Ryan and John Mullane exchanged scores in the 37th and 38th minutes. A mighty point from Pat Fitzgerald gave Waterford a seven points lead in the 41st minute and Tipp. were struggling to

contain this unexpected challenge.

Then, what might have been disaster struck when a long sideline ball was doubled on by corner forward Paul Ryan to give James O'Donnell no chance in the Waterford goal. The goal sparked off a Tipperary revival and within a further 7 minutes they were level (0-12 to 1-9).

The local crowd of supporters now got behind the home side and the situation began to look ominous for Waterford.

But it was at this juncture that the real character of this Waterford side began to show and as if throwing caution to the wind, they continued to fight back and had three points 'on the trot' per Eoin McGrath, Eoin Kelly and Pat Fitzgerald to knock some of the growing confidence out of the opposition. Paddy O'Brien and Donnea Fahy had points to narrow the gap to a single score by the 58th minute. A really splendid Eoin Kelly score in the 60th minute gave what was a dangerous 2 points lead as Tipperary rallied and tried frantically to snatch a winning score. What seemed to be this opportunity came two minutes into injury time when Liam Kearney sent a sideline ball to the Waterford net, but the score had to be cancelled because of a 'square' infringement. Waterford were attacking when the final whistle sounded to the great relief of the Deise supporters.

**Scorers** — Waterford: P. Fitzgerald 0-6, E. Kelly 0-6, J. Mullane 0-2, E. McGrath 0-2; Tipperary: P. Ryan 1-1, P. O'Brien 0-4, P. Kelly 0-3, E. Brislane, A. Kennedy and D. Fahy 0-1 each.

Referee: D. Kirwan, Cork.

## Minor Football v. Kerry At Fraher Field

On Thursday evening of next week, Waterford minor footballers will take on mighty Kerry in the provincial semi-final and following their splendid displays against Limerick and Tipperary already in this championship, the fixture is certain to attract a big Waterford crowd.

Attempting to emulate the feat of our under 21 footballers who beat Kerry in Killarney six weeks ago, is a mammoth undertaking, but the panel are now fully geared to have one hell of a go at beating their highly rated opponents and making yet another bit of football history for the county.

Further details with the team will be published next week.

## MUNSTER SEMI-FINAL

The old enemy, Cork, will be our opponents in the semi-final which is scheduled for Walsh Park on this evening two weeks (July 12th).

This will be a whole different ball game as now with the element of surprise gone, Cork will approach the game in a much different mood to what Tipperary did. Believing that they are in line for an All Ireland hurling double they will go full out to win this one. A victory for them would mean some measure of atonement for their very narrow defeat in Walsh Park in 1992. Cork will do everything in their power to avoid a repeat of this in their

most hated venue.

Back in 1998, Cork inflicted a heavy defeat (2-11 to 0-8) on Waterford minor hurlers in the first round of the championships in Dungarvan on July 1st, before hammering Clare and then going on to beat Tipperary in the Munster final. A superb display in Croke Park won them that all Ireland when beating Kilkenny by 2-15 to 1-9.

Their side to meet us in two weeks time will be backboned by that championship winning side. The full Cork panel of players trained at Walsh Park on Sunday morning last. More on that later.

SENIOR HURLING LEAGUE SEMI FINALS

# Lismore And Ballygunner Advance To League Final

County champions Ballygunner and Lismore both qualified to meet in the final of the senior hurling league. The date will be announced later, but the venue will be Fraher Field.

## Easy Victory For Ballygunner

**BALLYGUNNER 2-19 STRADBALLY 0-8**

This rather one-sided game was unexciting as neither side seemed to stretch themselves a whole lot. The county champions, who were given a huge fright by Stradbally in the championship last year, fielded their full team and never looked like being caught.

At halftime Ballygunner led by 1-10 to 0-6 and in a second half that was played more or less at pedestrian pace, Stradbally managed only 2 points while Ballygunner tacked on 1-9.

Scorers — Ballygunner: P. Flynn 0-9, P. Foley 2-1, T. Carroll 0-3, B. O'Sullivan 0-2, M. Mahony 0-2, T. Cummins and D. O'Sullivan 0-1 each; Stradbally: T. Curran 0-7, G. Power 0-1.

Ballygunner — R. Whittier, N. O'Donnell, A. Kirwan, R. O'Sullivan, S. Frampton, F. Hartley, C. Kehoe, B. O'Sullivan, T. Fives, A. Cummins, P. Flynn, T. Carroll, M. Mahony, P. Foley, D. O'Sullivan.

Stradbally — E. Cunningham, K. Coffey (B), J. Halpin, K. Coffey (L), J. Coffey, T. Walsh, P. Kiely, G. Walsh, J. Heame, N. Curran, G. Power, S. Cunningham, E. O'Brien, T. Curran, O. Costello, Subplayed: P. Casey.

Referee: J. M. Kelly, Shamrocks.

## Lismore Too Strong For De La Salle In One Sided Game

**LISMORE 0-22 DE LA SALLE 1-7**

The above score tells the story of this unexciting tie which was the feature game at Fraher Field on Sunday. De La Salle showed little signs that they are an up and coming side who will soon seriously challenge for senior honours;

At halftime, Lismore led by 0-13 to 0-4 and even at that stage it looked as if the game would fade out as a contest. B. Power's second half goal was a well taken effort, but it did not inspire his side who could manage only a further 3 points while Lismore tagged on another 12.

Lismore did little wrong on the day, but this was not a game from which their standard could be judged.

Scorers — Lismore: S. Daly 0-8, D. Bennett 0-6, D. Shanahan 0-3, D. Howard 0-2, Seamus Prendergast, P. Prendergast and E. Bennett 0-

1 each; De La Salle: B. Power 1-0, J. Mullane 0-3; D. McGrath 0-2; B. Phelan and N. Dalton 0-1 each.

Lismore — B. Landers, S. Kearney, J. O'Connor, D. Barry, A. Whelan, K. O'Gorman, W. Cunningham, P. Prendergast, B. Prendergast, D. Shanahan, S. Daly, D. Howard, D. O'Gorman, S. Prendergast, D. Bennett. Sub — E. Bennett.

De La Salle — S. Brennar, F. O'Brien, E. Dunphy, D. Walsh, P. Cushen, A. Kelly, J. Walsh, F. O'Brien, D. McGrath, J. Brennar, Johnnie Brennar, B. Phelan, J. Mullane, L. Lawlor, N. Dalton.

Referee: Pat Moore, Abbey-side/Ballinacourty.

## Championships Resume

The senior football and hurling championships are scheduled to resume on the coming weekend, but the second rounds of the round-robin losers group which were fixed for July 9th, have been put back to the 23rd, because of the under 21 match against Cork on July 12th.

The three matches for Western venues will be played in Fraher Field on Friday and Saturday evenings.

### SENIOR FOOTBALL RING v CLASHMORE

This is a Friday evening losers group game and is scheduled for 8 p.m. On the form of their respective first round matches, Clashmore with Stephen Barron, Karl O'Keefe, Michael Fenton, Ed. Beresford, Pat Lombard, Vinny O'Rourke, Joe Salmon and company will be favourites to win. Against a highly rated Stradbally team, Clashmore scored an impressive 2-9 and failed by only three points.

On the same programme Ring were very heavily defeated by Ardmore on a 2-15 to 0-4 scoreline. All 4 points here were scored by Eugene Curran. It would take an almighty improvement here to give Ring a chance of beating the 1999 intermediate champions.

### NIRE v. KILL

This is a Saturday evening match and will be very competitive if both play to form. In the first round the Nire ran the hot favourites to a single point in a thrilling game. The Nire were unlucky to have conceded goals to Nial Connors and Tom Kiely. They fully deserved a draw, at least in that one. The final tally was 2-7 to 0-12 for the Nire.

A single point was the losing margin for Kill also when they went under to Tramore on a 1-9 to 2-5 score in their first

round. Kill have the younger and more lively side and will push their more matured opponents to the limit, but may not win just the same.

### SENIOR HURLING CHAMPIONSHIPS SHAMROCKS v ROANMORE

This losers group tie is timed for 8 p.m. at Fraher Field. Both clubs suffered huge defeats in their first round matches, each showing the kind of form which suggests that they are destined for an early exit from the championships. Shamrocks went under by 17 points to county champions, Ballygunner (2-17 to 0-6) and on the same day, De La Salle hammered Roanmore by 16 points (1-18 to 0-5).

On this basis, there is very little between the sides, so whatever the standard, it should be a fairly even contest. Noel Crowley, Kieran Delahunty, Pat Tobin, Colm Fanning and a few more of the Roanmore team are moving on, having rendered tremendous service to club and county and for most of these, this may be their final season in the senior grade with the club.

Shamrocks, with several young players beginning to blossom out into skilful hurlers, should manage a first senior championship victory here. but the result does remain unpredictable.
