Articulated Lorry Crashes Into Hedge At Cushcam

The now infamous stretch of road at Cushcam, just outside Dungarvan on the main Waterford road, was the scene of yet another traffic accident last Saturday.

An articulated lorry jackknived on a bend near Garranbane School. The lorry ploughed through a roadside hedge coming to a stop mere yards from the local Maher family residence. The vehicle, which was transporting animal feed, was travelling in the direction of Waterford when the accident occurred at approximately 2 p.m. Gardai reported that road conditions were wet at the time.

The trailer detached from the

lorry cab and struck a hayshed while the remainder of the vehicle came to a halt just 6 yards short of the Maher home.

No one was injured in the accident and the road was immediately closed off due to an oil spillage. Traffic diversions

were in operation at Griffin's Garage, near Kilmacthomas and at the junction to Dungarvan Golf Club while the truck was lifted by crane.

This is the second accident involving a lorry at this area and the third in Dungarvan in the last few weeks.

McDonnell Voted In As Council Chairman

OUTGOING CHAIRMAN ADVOCATES VIGILANTE GROUPS

BY AISLING CONROY

In his final speech as Chairman of Waterford County Council, Aghlish councillor Patsy Kenneally pulled no punches when delivering a hard hitting message against increasing crime in West Waterford.

The outgoing Chairman told last Monday's AGM of the Co. Council that vigilante groups will have to be formed against what he described as the 'criminal element'.

He claimed that houses are being broken into and cars are being stolen along the Blackwater River area to Helvick. The majority of these crimes, he maintained, are being carried out by the "protected species".

"All is in favour of the criminal element", said Cllr. Kenneally adding that it was 'sad' that elderly people in these areas cannot open their doors in the summer. He warned that if the situation is allowed to

continue, violence may eventually be used.

"FOREGONE CONCLUSION"

Meanwhile the AGM resulted in a majority Fianna Fail/Fine Gael vote for new Chairman Cllr. Willie McDonnell (FG) with the position of Vice Chairman going to Cllr. Ollie Wilkinson (FF).

Independent member Cllr. Betty Twomey who threw her vote in with the Labour party, said the meeting was a foregone conclusion and the whole AGM a 'charade'.

"I wonder why we came here at all today", she stated. "At this stage we nearly know the Chairmen for the next 3 years".

For councillors McDonnell and Wilkinson however the meeting proved to be a momentous occasion and both spoke of the great honour they felt in taking up their new positions.

"It's an honour for me to be Chairman", said Cllr. McDonnell. "Many councillors over

the years would give anything to be Chairman".

Likewise Cllr. Ollie Wilkinson said he was greatly honoured to be elected Vice Chairman. Over the coming year he hoped that together the Council can face decisions that have to be made through dialogue and cooperation.

The only other nomination for the Chair and the Vice Chair was Labour's Cllr. Billy Kyne who was defeated on both occasions on a 16 - 4 vote in favour of the long standing FF/FG pact. Absent from Monday's meeting were Cllrs. Nora Flynn, Dan Cowman and Pat Daley.

LONG SERVING MEMBER

Cllr. McDonnell is one of the longest serving members on the local authority having been elected to the Council in 1979. At that time he caused a major surprise in political circles when he topped the poll and elected a second Fine Gael

candidate on his transfers.

Married to Kitty, Cllr. McDonnell is an extensive landowner and residential property owner in West Waterford and is one of the very few apple growers in the

Gardai in Dungarvan are currently investigating an alleged rape which was reported to have taken place in the Causeway Park in Abbeyside in the early hours of Sunday morning, between 1.30 a.m. and 2 a.m.

A Garda spokesperson said they are following a line of enquiry and are appealing to anyone who was in the vicinity of the Causeway Park during that time and may have heard or noticed anything suspicious to contact them at Dungarvan Garda Station, (058) 42370. All information will be dealt with in strict confidence.

Illegal Traveller Encampment At Abbeyside Track COUNCIL TO TAKE LEGAL ACTION

BY AISLING CONROY

Despite attempts by Dungarvan UDC officials, a group of travellers have remained encamped on a section of the former railway line near Kyne Park, in Abbeyside.

The six caravans are home to two families from Cahir in Co. Tipperary who have been illegally parked for over three weeks near the bridge on the popular walking route of Abbeyside track.

Officials from the Urban Council have negotiated with the travellers on numerous occasions over the past few weeks in an effort to move them on. The travellers were originally expected to move from the track on Monday 19th June. Matters finally came to a head late last week however when the Council blocked access to the site with large boulders.

Acting Town Clerk Joe O'Flaherty said the Council is currently taking legal advice on the matter and will be enforcing the full rigours of the law in the near future.

NUMEROUS COMPLAINTS

Local public representatives have received numerous complaints from residents in the area. Cllr. Nuala Ryan, herself a resident of Kyne Park, said councillors are being blamed for allowing the travellers to stay. She claimed that the travellers broke down the cement barriers to access the track near Seapark.

Likewise Cllr. John Deasy said the Urban Council needs to take steps against people who break the law.

"I don't accept that it's expensive and difficult to get a Court Order", he stated. "They

Master McGrath Community Celebrates

The Master McGrath Community celebrated the Great Jubilee and the coming of the New Millennium in fitting fashion last Wednesday evening, when they gathered in Quills Garden for a special Mass of Thanksgiving, celebrated by Rev. R. Grant, after which they blessed and unveiled a commemorative stone by the roadside.

The large gathering was representative of this very active and close-knit community, with the present committee being joined by many former serving members, as well as most of the local residents. The weather was unseasonably cool, though this did not dampen either the spirits or the fervour of those present.

At the unveiling, Chairman of the Master McGrath Community Association, Stephen Donnelly thanked the people for coming in such fine numbers as usual for their annual Mass, and said that this Millennium year was especially significant. They were

pleased, he said, to mark the occasion with a special commemorative stone.

He recalled some of the history of the group and the significant successes they had achieved from winning the St. Patrick's Day Parade on several occasions, to the victories of their young people on a variety of playing fields around the country.

He recalled the joyful occasions on which they had come together for social occasions, dinner dances, bowling, swimming, cards and their several fund-raising events. Their summer outings were always a highlight and left young and old with many fine memories.

He thanked Fr. Grant for coming to celebrate Mass, the Quill family for their hospitality, the catering committee for their excellent spread and David Kiely for meeting a tight deadline for the commemorative stone. The pleasant evening concluded with light refreshments in Quill's Bar.

Government Department To Relocate In Dungarvan

BY AISLING CONROY

It has been revealed this week that Dungarvan is in line to benefit from the Government's decentralisation strategy to move jobs out of the capital.

While the Government is expected to announce the finer details of their ambitious plan within the next few weeks, it has now been confirmed that the Office of Public Works (OPW) will be relocated to Dungarvan.

Announcing the news was Fianna Fail T.D. Brendan Kenneally who said that after months of discussions with the Minister for Finance and An Taoiseach, he is now assured that both Dungarvan and Waterford city will benefit consid-

erably from decentralisation.

Deputy Kenneally said the OPW will provide a massive boost to the town as it is a high profile section of the Department of Finance with a considerable number of staff.

"While the final numbers have yet to be decided on, I know that all of those who have joined me in pushing Dungarvan's case for decentralisation will be delighted with this development", he stated.

Chairman of Dungarvan UDC Cllr. Michael O'Riordan told the 'Leader' that he welcomes the announcement with open arms.

"It will make a major difference to Dungarvan", he stated, adding that the Department will be located on the former Glanbia site as part of the first phase of its development.

Cllr. O'Riordan said he is delighted that he had an active part in lobbying for decentralised jobs and worked closely on the issue with Minister of State at the Dept. of Finance Martin Cullen.

"Dungarvan needs such an injection at this point in time", he added.

FUNCTIONS OF OPW

The Office of Public Works is currently based at Stephen's Green, Dublin with the accounts division based in Kilkenny, and various divisions throughout the country. The Department is responsible for providing and maintaining property used by Government Departments. OPW staff design and supervise the construction of new buildings and the design and execution of drainage schemes and flood relief. The Dept. is also responsible for the supply of furniture, uniforms, transport and miscellaneous goods including paper and office equipment used by the Government.

MASSIVE PUBLIC INTEREST

It may take a long time however before the town experiences the tangible effects of the decision. Based on previous experience and the comprehensive preparations involved, the entire process could take up to two years from the date of a decision to relocate staff to their taking up position in the new building.

Almost whole departments will be involved in the move from Dublin with the net result that the majority of the civil service will be based in provincial towns and cities. Public interest in the programme has been huge with officials in the Dept. of Finance - which is overseeing the move - swamped by submissions from almost 100 towns and villages eager to be part of the jobs windfall.

Dungarvan's own submission

was put forward by Waterford County Council, Dungarvan UDC and the local Chamber of Commerce.

Following an assessment carried out by Department officials, the town was ranked in the top ten of 110 submissions made by towns nationwide. The assessment took a huge range of factors into account including the availability of housing, water and sewerage services etc.

Waterford city looks likely to benefit from the entire Land registry section of the Department of Justice, Equality and Law Reform, bringing several hundred additional civil servants to the city. The number of civil servants from this department based in Waterford could more than treble under the current proposals with already over 150 personnel at the Government Buildings on the Cork Road.

county. He carries on a successful business distributing fruit to some of the largest supermarkets in the Munster region. As Chairman in 1991 he was regarded as a most able and effective member. He recalls the highlight of that year as the visit of President Mary Robinson to Cappoquin, Lismore and Tallow.

Cllr. McDonnell was proposed for the Chair by Cllr. John Carey and seconded by Cllr. John Deasy who described him as one of the hardest working members on the local authority.

A TOUGH JOB

According to the new Chairman being a County Councillor is a tough job and "you have to have a neck to survive".

Assuring the Council and officials of his full cooperation over the coming 12 months, Cllr. McDonnell said councillors are under extreme pressure especially from protest groups. He felt that a PRO should be appointed by the local authority to deal with these groups and to enhance the image of the Council.

In an all out effort to change the Council's image, Cllr. McDonnell said every primary school in the county will be visited.

"Our image is appalling", he claimed adding that the Council Chamber and the press bench will also have to be improved.

Cllr. Fiachra O Ceilleachair said the newly elected Chairman has the very important task of clarifying legally if members have the right to pass a motion changing the policy of the Council which the Manager and officials

must adhere to.

He was of course referring to the Council's recent vote against any further search for a landfill site in the west of the county. Regardless of this vote however the County Manager has stated that he is legally obligated to proceed with the Council's waste management strategy. He is currently proceeding with the next stage in the process which is the preparation of an environmental impact study for the proposed landfill site at Pulla.

Cllr. O Ceilleachair said many people have expressed their disappointment at the Manager's decision and have asked him if members have any real power.

Also speaking on the subject of landfills, Cllr. Patsy Kenneally warned members that the Council faces major problems with incinerators and dumps in the near future. He urged pressure groups to 'sit down' and discuss the matter with their area representatives.

"They'll find that they will be much closer to finding a solution rather than calling in experts", he stated.

He claimed that the majority of experts are "strangers with a suitcase who will tell you what you want to hear and cost a lot of money".

Cllr. Billy Kyne said the role of Chairman is much more demanding than before with many important issues facing the Council including landfill sites, the new N25 route, toll charges and the Kilmeaden bypass, etc.

He added that protest groups are ordinary people articulating their views and are an inevitable part of the democratic process.

should be treated the same as anyone else".

Cllr. Paddy Power said if he was illegally parked in Dublin he could be clamped while Cllr. Damien Geoghegan pointed out that the Council is bringing local people to court for littering offences.

COUNCIL'S HANDS ARE TIED

The Acting Town Clerk has outlined to members however that when the travellers have unhitched their caravans and established a site the Council's hands are effectively tied unless there is a properly serviced halting site to which the travellers can be redirected.

The final course of action open to the Council is to seek an expensive court injunction ordering the travellers to move on.

However Waterford County Manager Donal Connolly said unless the local authority has an alternative halting site, relocating travellers can prove to be very difficult. He claimed that the court would simply ask the local authority where they are going to locate the travellers.

Waterford Co. Council has already adopted a plan to provide a number of transient halting sites in the county and until they are provided the situation will remain difficult, he added.

The Manager hopes to acquire a suitable site for a transient halting site somewhere in the county within the next twelve months.

Launch of Poetry Booklet from Young People in the County

A capacity crowd attended the official launch of 'Smaointe 2000', booklet of poetry from young people in County Waterford in the Park Hotel, Dungarvan (20/6/2000).

Cathaoirleach of Waterford County Council, Cllr. Patsy Kenneally launched the publication - ably assisted by the County Manager, Donal Connolly. Each poet received a certificate, a copy of the booklet and a pen to encourage future writing.

This is the second time that the County Waterford Arts Office has published such a booklet. During the past year, young people submitted poems in English and Irish on a variety of subjects and 89 poets have their work published in 'Smaointe 2000'.

County Arts Officer, Margaret Fleming thanked all those who took the time to send in poems and stressed that 'Smaointe 2000' was a representative sample of the work received. She also complimented the parents and teachers who helped the young people with their submissions.

Copies of 'Smaointe 2000' are available from The Old Market House Arts Centre, Lower Main Street, Dungarvan.

THE HUMAN BODY

MUSCLES AND MOVEMENT

Almost half the body's weight is muscle. A muscle is a body part specialised to get shorter, or contract, when it receives nerve signals from the brain. Most muscles are long and strap-shaped. They taper at each end into rope-like tendons which attach firmly to bones.

When the muscle contracts, it pulls the bone and moves that part of the body. This sounds simple, but the process of moving is incredibly complicated. There are more than 640 muscles, and they hardly ever work alone. They usually work in teams to pull, tilt and twist several bones at once.

Also, as one part moves, such as when you hold your arm sideways, muscles in other parts need to work too. Your back and front muscles tense to take the strain, and your leg muscles shift weight to keep you balanced. The result is a smooth, coordinated movement, without you falling over!

MUSCLES BIG AND SMALL

- The biggest muscle is the gluteus maximus, in the buttocks. It pulls the leg backwards powerfully for walking and running.
- The longest muscle is the sartorius, from the outside of the hip, down and across to the inside of the knee. It twists and pulls the thigh outwards.
- The smallest muscle is the stapedius, deep in the ear. It is only 5mm long and thinner than cotton thread. It is involved in hearing.

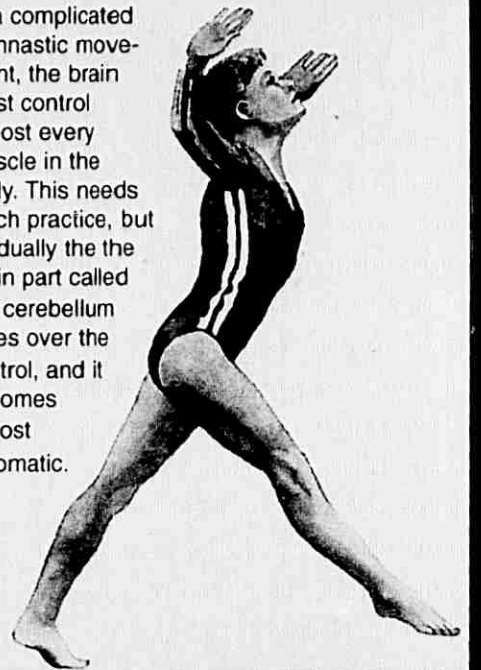

MAKING FACES

About sixty muscles in the face, head and neck produce our huge range of facial expressions. Some of these muscles are joined, not to bones, but to other muscles. For example, the frontalis muscles in your forehead can raise your eyebrows in a questioning way. Smiling is easier than frowning. A grin requires 20 muscles, while a grimace uses more than 40.

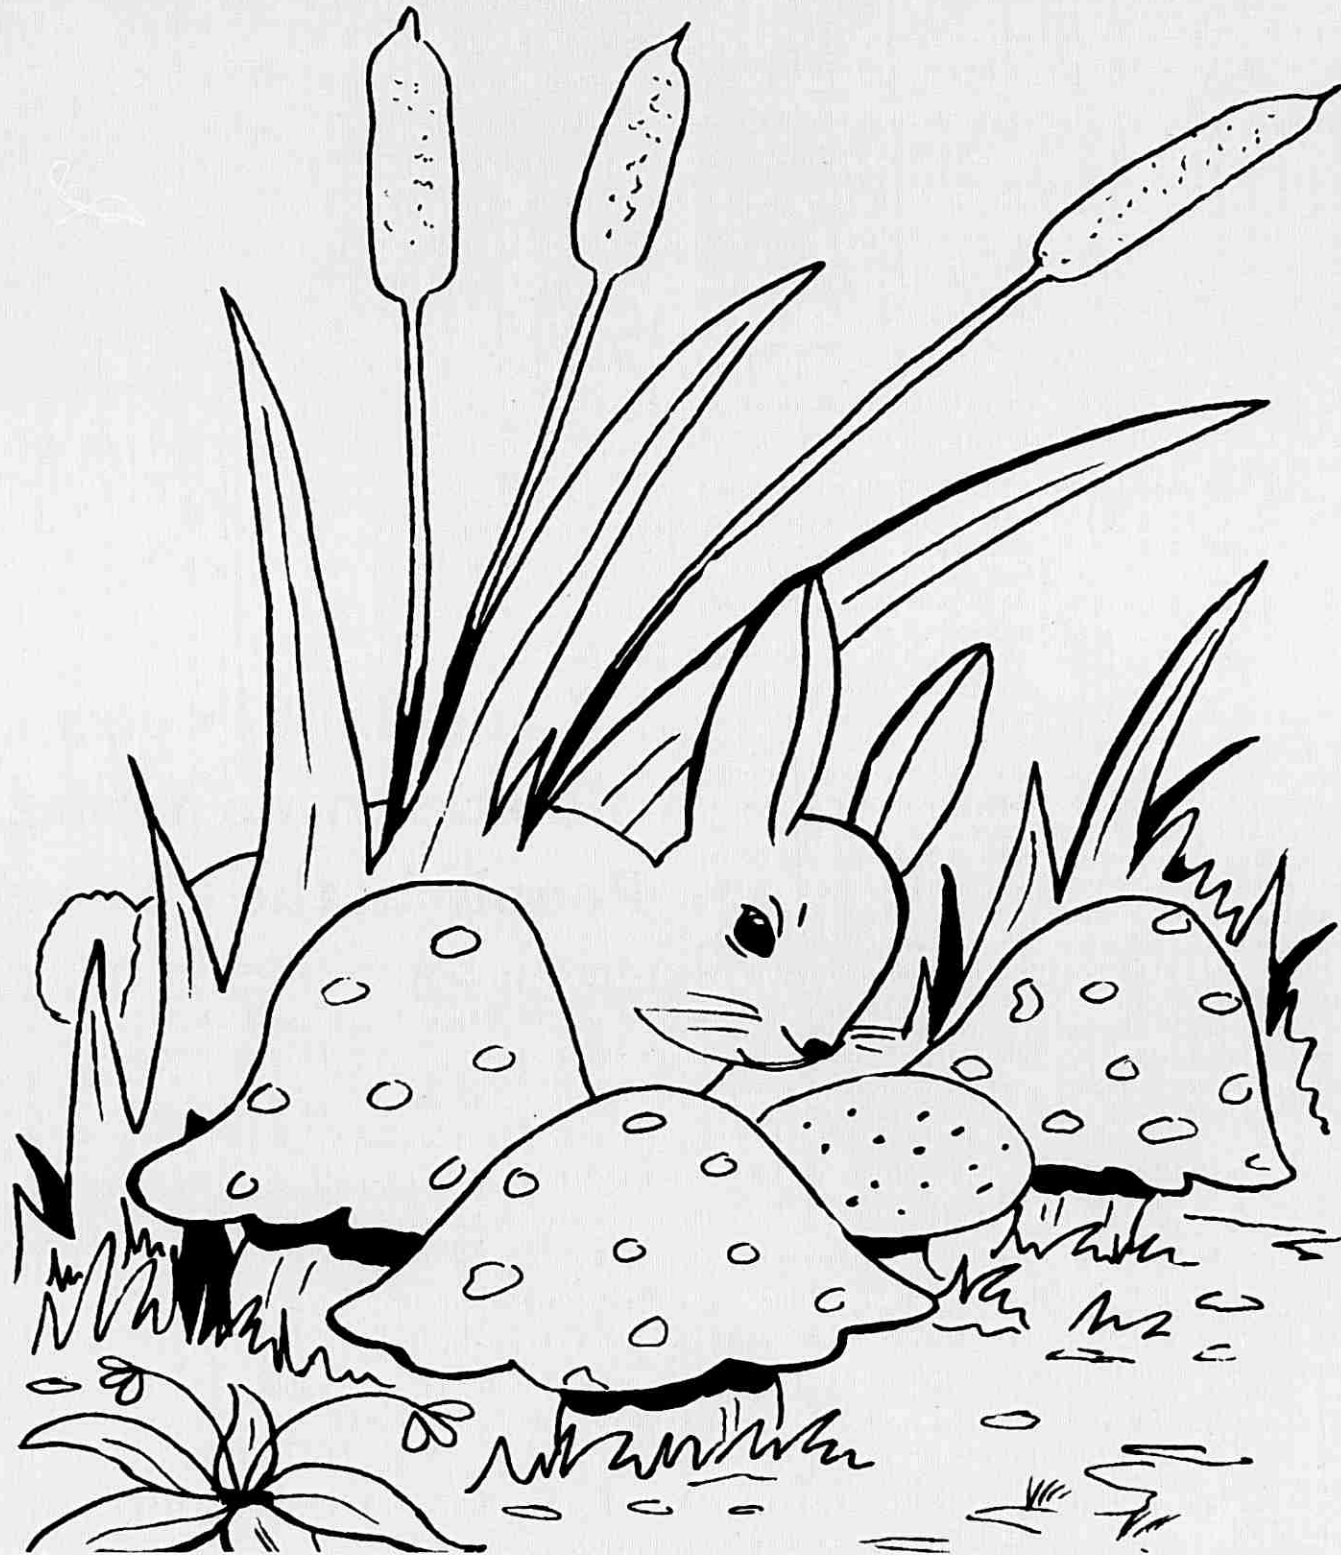

POWER AND COORDINATION

In a complicated gymnastic movement, the brain must control almost every muscle in the body. This needs much practice, but gradually the brain part called the cerebellum takes over the control, and it becomes almost automatic.

First Round Of Tidy Towns Judging Underway

Villages and towns throughout the county are gearing up for the first round of judging which is currently underway in this year's national Tidy Towns competition.

A total of 21 communities in Co. Waterford are taking part in this year's competition which includes the welcome return of Stradbally.

The scenic village of Stradbally which was awarded the tidiest town in the county in '98 pulled out of last year's competition. The controversial move was made by the local tidy towns committee who resigned en block following a decision by the Co. Manager to grant permission for a pig production unit on the outskirts of the village.

Last year's County Award winner was Lisamore which scored an impressive 240 points

out of a possible 300 - just one point ahead of Ardmore.

After coming second in the county in the '98 competition, last year's success came as a major boost to the local community. No doubt, the heritage town will hope to increase their points further this year and a regional title is not beyond their grasp.

This year's competition is once again sponsored by SuperValu supermarkets and is organised by the Department of the Environment and Local Government. The national winner receives a £10,000 prize presented by SuperValu Supermarkets, alongside a commemorative plaque and the prestige of taking the national title. This year's winners will be announced on Monday 11th September at a reception in Dublin Castle.

Record Numbers Of Students Expected In Summer Jobs

The National Youth Council of Ireland said today that it expects a record number of school students in Waterford and across the country to take up summer jobs this year, as it began a campaign to raise awareness among young people about their rights in the workplace.

Although Summer jobs can be a positive experience, some employers do take advantage of young people and exploit them, the National Youth Council of Ireland said. This summer is the first since the introduction of the National Minimum Wage. Peo-

ple under 18 are entitled to a minimum wage rate of £3.08. Even though thousands of young people at work should benefit, there is still some confusion according to the NYCI. Young people in work also have other specific rights under the law through 'The Protection of Young Persons (Employment) Act'.

'The Protection of Young Persons (Employment) Act, 1996' outlines rules in relation to the number of hours that can be worked in a week, rest breaks and work finishing times. Recent research published by the Irish Congress

of Trade Unions has shown that over half of people under 18 in the workplace, work for employers who are in breach of 'The Protection of Young Persons (Employment) Act'.

The NYCI said that any young person with concerns or queries about their work situation, should contact the information phone line provided by the Department of Enterprise Trade and Employment which is 01-6313131.

The seventeen inspectors responsible for policing these regulations are also based in the Department.

Health Tips from Remedies

Bilberry

Bilberry or Blueberry is a shrub, which grows in woods and forests throughout Europe. The fruit is blue-black and has a high nutritive value.

Uses: Eye strain, improves vision.

It is said that army pilots were encouraged to eat bilberries (as well as carrots) to improve night-time vision.

How It Works: The main constituents of Bilberry are a group of flavonoids. These have the ability to bind to the retina which is responsible for vision, which in turn increase the rate of regeneration of the pigments in the retina. In addition, the substances present in Bilberry have the capability to prevent the destruction of collagen, which is responsible for stabilising the delicate tissue structure of the eyes.

Dillon Gives Feedback On Proposed Estate At Quann's

BY AISLING CONROY

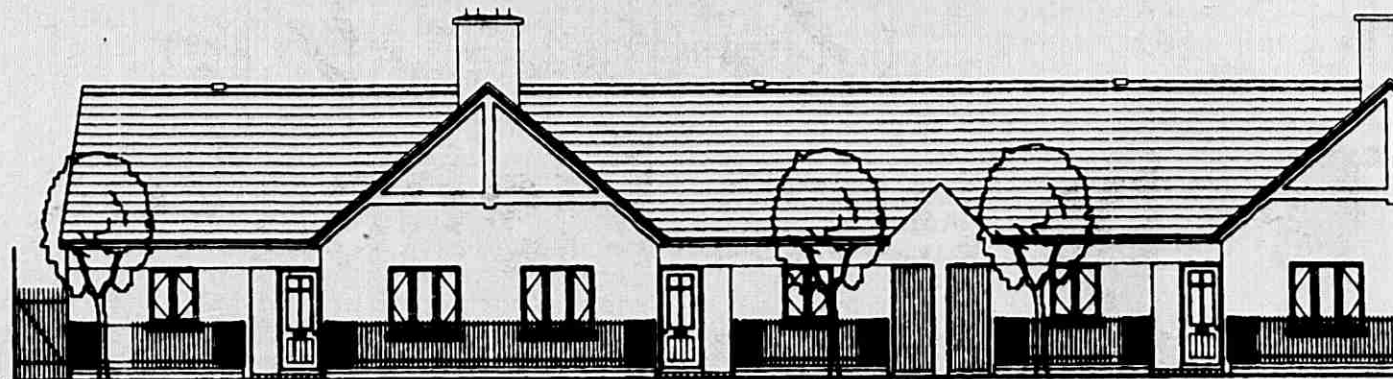

As reported in a recent edition of the 'Leader', Dungarvan Urban Council proposes to construct seven houses at Quann's on the sea front.

It was originally intended that this new estate would facilitate existing elderly UDC tenants who wish to transfer from houses that are unsuitable due to either their location or size. This in turn would free up the Council's stock of family type accommodation.

The single storey houses would be located on a green field site near Dungarvan Sports Centre which is currently owned by the South Eastern Health Board.

The proposal however has been met with strong opposition from several UDC members not least Cllr. Teresa Wright who said the area at Quann's is completely unsuitable for elderly residents and it was "disgraceful" even to consider putting housing there.

The County Manager Donal Connolly has already discussed the proposed estate with the National Building Agency who have drawn up plans for the development. Provided that the houses are built to the highest standards, weather conditions will not be a factor. The flooding problem in the area was also taken into ac-

SKETCH DRAWING OF THE PROPOSED HOUSING DEVELOPMENT AT QUANN'S, DUNGARVAN AS PREPARED BY THE NATIONAL BUILDING AGENCY.

count with the result that the sea wall could be raised.

Mr. Connolly has stated however that the two bedroom houses could be used for other people on the housing list and the project is now proceeding to the public consultation stage.

SIZE OF ROOMS SHOULD BE INCREASED

On close examination of the estate, UDC member and local architect Damien Dillon has contacted Council officials with regard to the exposed nature of the site at Quann's.

Cllr. Dillon feels that there are a number of possible ways in which this might be addressed. In a letter to Assistant Town Clerk Joe O'Flaherty, he suggests that daytime access to the estate could also be allowed through St. Mary's Parish graveyard. If the houses were done as a cluster, this would create better enclosure and a better sense of security for the residents.

With regard to the gardens, Cllr. Dillon said a small yard or a patio would suffice for many of the senior citizens.

"I would question the wisdom of such large plots in this instance. The gardens are 65 feet long in some cases. No harm if they were for people capable or interested in gardening", he stated.

However in the case of the room sizes, Cllr. Dillon points out

that times have changed and people now have more appliances such as washing and drying machines, dishwashers, stereo units and computers etc. The main bedroom in the proposed houses is 11 ft by 11ft, which he feels is too small for a double room when taking beds, wardrobes and furniture into account. This, he claims, is not a wheelchair accessible room.

Other points raised by Cllr. Dillon relate to the need for a garden shed, poor kitchen arrangement and the lack of shelter on the outward opening door.

At the next meeting of the Council in July, Cllr. Dillon intends to move a notice of motion that the Council call on the Department of the Environment to increase the size of rooms as set out in their 'Design Guidelines' (Social Housing Guidelines) as published in 1999. As he already outlined in his letter to the Council, room sizes should have regard to the provision of access for the disabled and additional space is required to accommodate electrics and electronic gadgetry, such as washing machines, dryers, dishwashers, fridges, deep freezers, television set, stereophonic equipment and personal computers, which, he added, are an educational tool and owned by a large proportion of houses in this state.

Stradbally Notes

LOCAL BUSINESS DIRECTORY FOR STRADBALLY

Stradbally once had three shops, now there is just one with the recent news that Fahey's corner shop is closing. If we as a community want local services like shops, electricians, plumbers etc., we must support them, and more importantly pay our bills on time. A 'support & pay' policy sustains local business. With 55 new houses now underway in the village and almost the same again in the parish, local skills will be in demand more than ever. There are many self-employed people living in this parish (including farmers), we ask that you first try and give local people your business before you look elsewhere. To help promote local enterprise and the self-employed we are compiling a 'Business & Services Directory for Stradbally', which will list those operating locally. There will be a nominal charge of £25 for a listing and £50 for a featured box with logo (B/W), for 2000-2001. If 100 listings or more are compiled then it is

intended to make the directory available free to every household in the parish, with copies also available on sale locally. If you are interested in being listed please contact Tom Hickey at 051-293219, Breda Kiely at 051-294443 or fax 051-293008 Stradbally Tourism & Enterprise Group.

CEMETERY MASS

The annual cemetery Mass in Faha last week coincided with the Feast of the Sacred Heart, to whom the church is dedicated. There was a large attendance present for the open-air Mass which just about survived the rain. Afterwards to celebrate Jubilee 2000 in Faha, the ladies committee led by Nellie Casey, provided tea, strawberries & cream, which was appreciated by everyone. Thanks also to Julia Foley, Maureen Power, Katherine Farrell, Carmel Reynolds, Nora Flynn, Josephine Connors, Angela Casey, and Joan Whelan who helped with the catering. Sharon Casey, Kieran Foley and Aoife Connors served the Mass with John Keane as reader, and Monnie Foley was in charge of the public address system. The occasion was a festive one with many people renewing old acquaintances while at the same time honouring their loved ones who have departed this life.

Government Must Wake Up Says O'Shea

Waterford Labour Deputy Brian O'Shea said he is absolutely appalled at a letter he received from the South Eastern Health Board regarding a consultation for an 11 year old boy relating to a problem with his adenoids.

Waterford Regional Hospital informed the Deputy that this boy was placed on the consultant's waiting list in March 1996. He is presently no. 150 on the waiting list and it is not known when he is likely to be seen. "I am continuing to pursue the case with the Health Board and I have also urgently referred it to the Minister for Health and Children", said Deputy O'Shea.

"This is the Fianna Fail/P.D. Celtic tiger economy health service. The response is more in line with the health services in the developing countries. This Government will have to wake up to the real needs of people and I will certainly do all in my power to see that this happens", he added.

Growing Herbs In Your Home

If you have a window that gets at least six hours of sunlight, you have the most important ingredient for successfully growing herb plants inside your house.

First, choose a container. There are many different types, so choose the right one for the conditions of your house.

Ceramic - Great for any plant. Available in a variety of styles, often with watering saucer. Helps retain water in the soil. But they are breakable and heavy.

Plastic - Usually cheaper and lighter weight but just as hard-wearing. Available in a wide range of colours and finishes. Completely waterproof - helps keep the soil moist. Generally resistant to breakage. Sometimes sold with watering saucer.

Unglazed clay or terra-cotta - Traditional outdoor pots. Look attractive when first bought, but soon develop water and salt stains. Porous material soaks up water from the soil. Break easily.

Metal - Attractive, but you need an inner pot to separate the metal from the plant, otherwise it will poison them. Never plant directly into a metal container.

Recycled - Margarine tubs, milk cartons or coke bottles. Cheap option. Check the container is free from chemicals that go into the soil, and drainage is provided by holes in the bottom.

Your chosen pot should allow at least an inch between the side of the pot and the plant roots. Always give herb plants six inches' depth for the roots.

Plenty to choose from: Many herbs will thrive indoors.

Soil is very important - it supports the plant, provides water, nutrients and oxygen and prevents root-rot. There are four types of soil mix to choose from - all-purpose, premium, professional, and plant specific.

All-purpose mixes - A general mix of basic ingredients. Cheap potting soil.

Premium mixes - The next step up. Often include ingredients to aid in drainage and aeration.

Professional mixes - Includes ingredients that make nutrients immediately available to the herb plant.

Plant-specific - Plants that have unique root systems and watering needs which can benefit from customised mixes.

If the stems and leaves flop over on your plants, this is a tell-tale sign that you're watering wrongly.

Choose a time to check the moisture of the soil every day. Don't just touch the surface to see if it's damp - stick your finger in the soil (away from the bottom of the plant to avoid damaging

the roots), up to your knuckle. If it is damp to the tip of your finger, don't water.

The air in your house is drier than outdoors. Place your herbs in a room with higher humidity, such as the bathroom, or add moisture to the air around the herb by spraying the leaves with a fine water mist every day.

The best herbs to start growing indoors are chives, then try oregano or parsley. There are many herbs you'll enjoy success with indoors.

THIS WEEK IN THE GARDEN

Lift Tulip and Hyacinth Bulbs
Tulips and hyacinths will now have completed their growth and can be lifted and cleaned. Lay the bulbs in shallow trays and stand them in a dry, cool, airy place, but not in full sun. Dead tops can be removed.

Finish Planting Celery
All remaining celery seedlings should now be planted out in the trenches as soon as possible. The last plants to be dealt with will be those from the April sowing in a frame.

Spray Potatoes
Do not wait until disease attacks your potatoes. Spray them now with Bordeaux mixture. The potato blight disease is common and some plants are likely to become infected unless you take this precaution.

Mulch and Spray Runner Beans
Runner beans will benefit from a fairly thick mulch of well rotted manure spread on the ground for a distance of at least a couple of feet on either side of the row.

Sow Carrots
A small sowing of carrots made now is often justified, especially if the season happens to be a bad one for carrot fly. This fly does all its damage early in the summer and seedlings from a July sowing usually escape. Sow stump rooted or intermediate varieties.

Complete Thinning Of Apples And Pears
Now is the time to complete the thinning of apples and pears. Reduce the fruits to one, or at most two, per spur.

Spray Apples Against Codlin Moth
Repeat an application of one or other of the sprays recommended by the manufacturers and used in June.

VTOS End Of Year Exhibition In Dungarvan

An End of Year Exhibition by VTOS art and crafts students is currently running at the Old Market House Arts Centre in Dungarvan.

The exhibition, organised by the Co. Waterford Arts Office, was officially opened by Peter Murray, Curator of the Crawford Art Gallery, Cork last Friday.

This exciting exhibition which contains a variety of ex-

cellently crafted and painted pieces, runs until July 27th at the Dungarvan Arts Centre in Lower Main Street. Opening hours are Tuesday to Friday 1.30 p.m. to 5 p.m. and Saturday 12 to 6 p.m.

Attending the official launch was Chairman of Dungarvan UDC Cllr. Michael O'Riordan who described the exhibition as a delightful display representing the work of so many

new artists in Dungarvan and Co. Waterford.

"We are all enhanced and our quality of life is so much better when we encounter works like these through the course of our day", he stated.

The VTOS art and craft teachers based at Church Street are independent artists, all of whom have had their work exhibited at major venues. The students have now completed their final year of the VTOS arts and crafts course and the work on display has been moderated by the NCVA and will be certified in August. The course enables students to prepare portfolios for possible entry to third level colleges.

"I congratulate the VEC and the administrators of VTOS on the excellent work they are doing and the strides they have made since their first class of 1991", said Cllr. O'Riordan. "In that year they had just 18 students, but in the intervening years, numbers have risen to an astronomical 140".

VTOS students previously exhibited their arts and crafts at the Opportunities For All event at Dungarvan Sports Centre where they received great acclaim from all who visited their stand.

For imaginative art and inspiring ideas, the End Of Year Exhibition at Dungarvan Arts Centre is definitely not to be missed.

Gardai Prepare File On Hit & Run Incident

Gardai in Dungarvan are following a definite line of enquiry with regard to a hit and run incident at Clonea Cross on Sunday 23rd June which left a 15 year old Abbeyside cyclist hospitalised with serious injuries.

The driver of the 1991 Toyota hatchback involved in the incident has been identified and a file on the matter is currently being prepared for the Director of Public Prosecutions. Local Gardai have thanked the media and the public for their help and cooperation.

BOY INJURED IN TRAFFIC ACCIDENT

Meanwhile a ten year old boy was involved in a traffic accident last week while cycling at Crinnaughtaun Cross, near the junction at Affane. The incident was initially reported as a hit and run. A Garda spokesman in Cappoquin said this report was justified at the time due to the fact that the two children at the scene of the accident were both in shock and the information supplied to Gardai was inaccurate. Gardai however said the female driver of the car involved in the accident did her utmost to help out at the scene.

SUCCESSFUL LIVERPOOL TRIP

Once again the Cultural trip to Liverpool has come and gone. The group of over ninety in total returned to the village at 11.45 pm on Tuesday night following which was generally agreed to be the best trip to date.

From the moment the two buses left the village early on

Saturday morning it was obvious that everyone on board were anxious for a good time. The coaches travelled via Rosslare to fishguard up through the lovely valley's of Wales and arrived in Liverpool to be greeted by Tommy Walshe and members of his party at the Dolby Hotel on Saturday evening.

Very successful Irish nights were held on Saturday, Sunday and Monday evenings and the dancers, singers and musicians from Touraneena, Nire, Ballymacarby, Newcastle and Coolnasmear joined with their friends in Liverpool to provide wonderful entertainment.

A very large number of musicians travelled on this occasion, Bob Keane, Biddy Nugent, Sean O'Brien, Matty Fahey, Sinead Fahey, Jimmy Duggan, Coleen Fahey, Roisin Fahey, Mairead Fahey, Aileen Ryan, Daniel Lonergan, Nicole Lonergan, Derek Evan and Niall Morrissey and Olivia Hennebray.

The new members were especially amazed by the wonderful treatment we received by the Liverpool party. Meals were provided in St. Michael's Hall on Saturday and Monday nights and in the Thistle Hotel on Sunday night. The trips to Mosley Wildlife Park and to Anfield Headquarters were thoroughly enjoyed by all. It was nice to see the Everton and Liverpool footballs signed by all the players being won by members of our group.

Well the weekend is now over but of course the party are now really looking forward to the visit from Liverpool on the 24th and 25th of October. It is only a few months to go and arrangements are well underway.

CAPPOQUIN FLOWER & GARDEN CLUB

A large number of our readers will remember the beautiful flower creativity shown by our members in St. Anne's Church Cappoquin a number of years ago. This special year of the Millennium, we present a 'mid summer' celebration of flowers in St. John the Baptist Church Affane by kind per-

mission of Fr. Barron P.P. July 21st, 22nd and 23rd. The church will be beautifully decorated and exhibits depicting local historical events and cultures will be on display.

So, on the weekend of July 21st - 23rd as you go for your Sunday drive you may visit the Fleadh Cheoil in Lismore

and Affane church and enjoy musical culture and be amazed at the beauty of flowers.

The proceeds of our celebration go to the Arthritis Foundation of Ireland. This is the charity nomination for this year by A.O.I.F.E., the association of flower clubs of which Cappoquin is a member.

CLERICAL APPOINTMENT

It was with a sense of deep regret and disappointment that the parish learned of the impending departure of Rev. Fr. Kevin Mulcahy P.P. to nearby Lismore. Fr. We thank him for his work for the parish in that time and wish him well in his new appointment. We welcome Rev. Fr. Ml. Cullinane P.P. to the area from Clonmel and wish him well in his new appointment.

WATERFORD GIRL ESCAPES FROM HOSTEL HORROR

A back packer miraculously escaped an horrific fire in an Australian hostel in which 16 people died. She lost her holiday savings and all her personal belongings as she scrambled to safety. Nessa Boyle of the Mountain Road, Clonmel and the other survivors have been cared for by local community people in Childers, Queensland, where they have been staying in a local hotel and are being ferried to the local Community Centre each day. Social services workers and trauma counsellors are attending to their needs. Nessa is daughter of Mattie and Carmel Boyle formerly Moloney of Ballydonagh, Kilmanahan. A few hours after the fire, Nessa even in shock made a phone call to her mother to tell her she was unhurt. Speaking last week her father Mattie said he was very relieved that his daughter was unhurt. This is every parents nightmare that some thing like this will happen when ones son or daughter goes abroad.

BALLYMACARBRY COMMUNITY GAMES

Congratulations are extended to Shane Gleeson, Lyre West, Ballymacarbray on winning a gold medal in the County Finals of the athletics 100 m. under 12 on Sunday 25th June. Shane will represent Waterford in the National Finals of the athletics in Mosney in September 2000.

BALLYMACARBRY PEOPLE LIVING IN FEAR

Elderly people and children living in Curtiswood, Saint Martin's Place and Deerpark Lower who adjoin the main Clonmel/Dungarvan road are living in fear from speeding motorists. For many years a 40 mph limit has been in force, this is being ignored by many cars, the people are now seeking a 30 mph speed limit to replace the 40 mph and to be put into force by the gardai before somebody is killed. People can't send their children for a message now that the children are on their annual holidays, they are prisoners in their homes. The people are asking the County Councillors from the area to come to their aid, and get this limit solved.

CEMETERY MASS

At the request of Newcastle Guild of Muintir na Tire the annual Mass will be celebrated at the New Cemetery, Mollough on Thursday evening 6th July the feast of Saint Goar. Some twenty five years ago Rev. Fr. Paddy Hallinan home on leave from his Australian Diocese celebrated Mass with Rev. Fr. Colum O'Ryan home from Los Angeles at Cnoicin An Aifrin which is on the edge of the Knockmealdowns some three and a half miles from Newcastle. It will be celebrated at this hallowed spot on Saturday 29th July at 3 pm the feast of Saint Martha. The spot is an impressive group of rocks from possibly the Ice Age on the banks of a little mountain stream, a perfect place for a Mass Rock.

RECENT DEATHS

DEATH OF NOTED CRAFTSMAN

The last surviving member of a highly respected Old Bridge family, renowned painters, Frank Hennessy who died recently will be remembered for his artistry and skill with his hands, making many beautiful objects from wood over the years. He was son of Jim and Norah Hennessy from the Old Bridge, and was one of a family of eight boys. His father was a painter with the corporation in Clonmel for many years.

Frank took up his first job with Condon's Shoeshop in Clonmel as a messenger boy, before serving his time as a painter to "Beveler" O'Shea of Irishtown. Like his brothers he was a prominent member of the boy scouts and loved the camps in the Nire Valley where he made many friends. From an early age he had a flair for making nice things from wood and this he maintained over the years. One of his show pieces was a beautiful model of Buckingham Palace and the famous Taj Mahal tomb which he created to the last detail. He was employed as a painter with South Tipperary County Council.

In 1948 he married Shelia McLoughlin from Glenconner. She was in the employment of Saint Luke's Hospital at the time, they took up residence at Saint Bernadette Terrace and they were graced with five girls. He had a great knowledge of local history, he also served in the LDF and the FCA in Clonmel and took part in the military tattoo in 1950 to celebrate the centenary of the Siege of Clonmel. He was happiest when walking the hills around Glenary and the Nire, they brought back memories of his scout days. He spent four decades with the County Council from which he took early retirement in 1986 due to pains. Two years ago he celebrated their 50th wedding anniversary. In reasonable health up to a year and a half ago he got a knockout and spent a period in Cashel Hospital. Recently he was removed to Melview Nursing home where he passed away.

He was removed from Condon's Funeral Parlour, Clonmel to S.S. Peter & Paul's Parish Church where his remains were blessed and received by Rev. Monsignor Michael Olden P.P. On the following morning requiem Mass was celebrated by Rev. Mons Olden P.P. after which the funeral took place to St. Patrick's Cemetery, Clonmel where a kind and loving husband and father was laid to rest. Mons Olden P.P. officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a dear friend.

To his wife, daughters and his many relatives we extend our sympathy.

Ni bheidh a leitheid aris ann.

(Undertakers Condon's, Clonmel).

LATE MR. PIERCE WALL

It is with deep and sincere regret the district received the news of the death of Mr. Pierce (Piery) Wall, Knockavannagh, Ballymacarbray which sad event took place at Saint Theresa's Hospital, Clogheen on Saturday 24th June after an illness of some duration. Deceased in his eighty eighth year was a member of a well loved and respected family highly connected with the farming community. He was the last male member of a well known family, the Thomas Walls of Knockavannagh.

Over the years he was an outstanding sheep farmer and a staunch member of the Sheep Breeders Association and never missed a meeting. Over the years he won many prizes at the ram sales including the Sheep Breeders Cup. He was classed as an outstanding judge of livestock particularly sheep. He was a great historian of local history and could trace relations back for generations. A kind and loving husband he was predeceased by his wife Kate by some ten years. A true Christian man, he never

sought the limelight but was always there if the hand of help was needed. A great follower of Gaelic Games over the years, he followed the Nire and was a delighted man when they took the first senior title to the parish a few years ago. Over the years his home was the rambling house and many a neighbour paid him a visit, to discuss the topics of the day, and his passing has left the district the poorer.

The measure of the esteem and high regard in which the deceased and his family are held was clearly indicated by the large concourse of mourners who were present on Tuesday evening when his remains after the rosary was recited by Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena were removed from Sean Condon's Funeral Parlour, Clonmel to the Parish Church of Saint Helena in the Nire Valley where they were blessed and received by Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena.

On Wednesday morning the feast of Saint Irenaeus (Martyr) requiem Mass was celebrated for the happy repose of his gentle soul. The celebrant was Rev. Fr. Cornelius Kelleher P.P. After Mass as a gentle breeze blew along the valley on a beautiful summer day he was laid to rest in the plot with his wife Kate at the rear of Saint Helena's Church where he had worshipped the Lord for over eighty years. Fr. Kelleher P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will treasure.

To his sister Peg, his nephews and nieces and his many relatives we extend our sympathy.

Go raibh suaimhneas siorai aige i measc na Naomh.

(Undertakers Condon's, Clonmel).

LATE MR. RICHARD HYLAND

It is with deep and sincere regret we record the death of Mr. Richard (Richie) Hyland, Grangemore, Ardfinnan which sad event took place suddenly at his residence on Wednesday 28th June. Deceased in his early seventies was a member of a well loved and respected family, the Rich Hylands a well known family in the Blacksmith trade.

Many years ago as a young man Richie moved to Grange-More where he married and set up an Equestrian and Pony Trecking Centre which was known far and near. He was a kind and loving husband and father, his greatest passion was for his wife Ann and his children of whom he was so proud. One of his girls, Brenda as a member of the Ban Gardai had the honour to represent Waterford in the Rose of Tralee, a competition which she won. With the family in his early days he was a member of the team who used to do agricultural work and follow the family threshing machines. He was acknowledged over the years as one of nature's finest gentlemen whose unassuming courtesy and outgoing sincere nature were readily appreciated by all who knew him and who now mourn his passing with his wife and family, neighbours and his many friends.

Many tributes have been paid to him, but the finest was paid to him on Thursday evening by the large concourse of mourners who were present when his remains were removed from his residence to the Parish Church of Saint Mary's at Cahir where they were blessed and received.

On Friday the feast of Saint Paul requiem Mass was celebrated at 12.30 pm for the happy repose of his eternal soul. After Mass he was laid to rest in the adjoining cemetery again in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will cherish.

To his wife Ann, his sons, daughters, brother, sisters and his many relatives we extend our sympathy.

Beannacht de lena anam.

RECENT DEATHS

LATE NANCY WALSH (NEE AHEARNE)

Profound feelings of deep regret and sorrow were expressed with the passing on Monday 26th June of Nancy Walsh, Mount Odell House at St. Vincent's Hospital, Dungarvan after a brief illness. In her 80's and a member of a well known and highly respected Ballintaylor family, Nancy was predeceased by her husband Paddy in 1995 and in the past by her brother and sister John and Mamie. Only months ago she mourned the passing of her brother Michael in Dublin.

Nancy was most popular and known far and wide. In her single days she was employed at Dunne's Grocery Store and Merry's on Main St. On her marriage to Paddy she became deeply involved in the development and progress of their farm. She was an avid reader who particularly followed all sports. She loved her music and attended all the shows and performances of the local Musical and Choral Society. Only weeks ago she was present for Maratana performed at the Theatre Royal by the Edmond Rice Musical and Choral Society Waterford. The local Dra-

matic Society also over the years had a great admirer in Nancy. She was a most enthusiastic fan of the music of Finbarr Wright and the late Frank Patterson.

Nancy Walsh will always be associated with her beloved long tails. She raced her greyhounds under the prefix of Rainbow and many tasted the cup of success at the various venues throughout this country. Her 'Rainbow Grand' was a runner up in the Laurels 1961 in Cork, while many of her dogs were good enough to contest The Oaks and Derbys over the years. She was joint owner of the much revered Citizen Supreme who had a major influence on the greyhound blood line in this country. She loved coursing and was always in attendance at the National Meeting in Powerstown. Runner up in the Deise Cup, she was a nominator in that event for many years. A cornerstone in the workings of the local Coursing Club, she was a most able and conscientious treasurer. Her coursing dogs were much admired and Trial Stakes and all aged Cup saw their way to Mount Odell House. On one occasion at the local Deise Cup Meeting, Nancy won all the duffer stakes which was an historic and major achievement. Her Rainbow Seal and Zest were very much to the fore in the breeding kennels and their off spring Kildare Ash is very much on the lips of all the coursing fraternity. With her passing last week, the coursing and greyhound world has lost a life long supporter and true friend.

Nancy was a much loved grandmother, wonderful neighbour and true friend. We

offer to son Bobby, daughter-in-law Concepta, brothers Seamus, Pat and Frank, sister Alice, her grandchildren and many other relatives at this time our deepest and heartfelt sympathy.

Prayers and rosary were shared by V. Rev. Fr. O'Mahoney P.P. at the Kiely Funeral Home on Tuesday before the funeral cortege left for nearby St. Mary's Parish Church, where Fr. O'Mahoney P.P. was joined by Fr. Grant C.C., Fr. Leahy OSA, V. Rev. Fr. Gough OSA, Mons P. Lannen P.E. for the funeral service.

Fr. T. O'Riordan C.C. was Mass celebrant on Wednesday with co celebrants Fr. O'Mahoney P.P., Fr. Gough OSA, Fr. O'Reilly OSA, Fr. Grant C.C. The lessons were shared by son Bobby and Concepta (daughter-in-law). Brother Pat and grandson Aidan read the prayers of the Faithful. Her grandchildren Aidan, Conor and Ian brought the offertory gifts to the altar. The music of Lena Walsh and Gertrude Morrissey made the Holy Sacrifice so special. We gathered in the adjoining cemetery to pay our respects and bade our farewells as Nancy Walsh was laid to rest.

'I liontaibh De go gcastar sinn le cheile aris'

Chief mourners were son Bobby, daughter-in-law Concepta (nee Walsh), grandchildren Aidan, Conor, Ian, brothers Seamus, Pat and Frank, sister Alice, brother-in-law Joe Walsh, sisters-in-law Molly and Kay, Margaret, Ann, Eileen and Kathleen Walsh and Mary May and a wide circle of many other relatives including nephews and nieces.

The Science of Farming and Food SECOND CUT SILAGE

Cutting 42-46 days after the first cut will give a DMD of 68-72%. Yield won't increase much if cutting is delayed longer than 50 days. As new leaves grow leaves at the base die off.

Again, collect silage effluent.

Make sure to empty all slurry tanks onto these silage fields: It is your last chance to get it all out together without spoiling grass; Dilute the silage effluent before spreading on grass.

With 2000 gallons of slurry apply 50-60 units of Nitrogen for aftergrass.

Check how you are "fixed" for silage.

Per month during winter, a cow needs 1.3 tons, a weanling needs 0.6 tons, and store cattle or incalf heifers need 1.2 tons.

If you are tight or short put extra Nitrogen on the grazing and cut area so as to generate extra baled silage.

CONSIDER RE-SEEDING

The opportunity to re-seed is possible when making second cut silage. Teagasc/Kerry Monitor farms have shown tremendous improvements in milk production and in particular milk protein content by reseeded. By spraying the silage crop about 5 - 8 days before cutting with e.g. Roundup, it will be possible to reseed after cutting. Reseeding can be carried out successfully by

traditional ploughing and tilling or by shallow surface tilling with a power harrow or rotospike. These minimal cultivation techniques can be used where stones are a problem or where land terrain is difficult. If considering this technique, some lime (about 1 - 2 tons/ac) should be spread. This is because decaying trash releases organic acids which may inhibit the grass seed germinating. A surface seeding demonstration will be on view at the Solohead Open Day next Thursday, July 6th.

Choice of variety is important. Recent Research at Moorepark has shown large differences in milk production from different grass varieties. Later heading varieties produce grass of higher quality. Cows eat more of this grass and therefore produce more milk and milk of higher protein content. They are also easier to manage particularly in mid season.

DAIRYING:

JULY MILK YIELD TARGETS

Let's set some milk yield targets for July:

- 1,000 gallon herd should average 3.5 gallons per day
- 1,100 gallon herd should average 4.0 gallons per day
- 1,200 gallon herd should average 4.5 gallons per day
- 1,400 gallon herd should average 5.0 gallons per day

What is an acceptable milk yield reduction per week?

- 4 gallon: less than 0.8 pints.
- 4.5 gallon: less than 0.9 pints.
- 5.0 gallon: less than 1.0 pints.

If the reduction is greater than this, it indicates:

Grass was too stemmy.

Or that cows were forced to graze too tight because grass is scarce.

There is no excuse for losing milk and money by forcing cows to graze too tightly.

This can also happen if a "butt" of grass has been left from earlier grazings.

If the "tall grass" area in the field has increased dramatically topping must be done: Set the topper to 5-6 cms.

Drive in 1st high gear, but make sure to have blades edged.

Too much topping is cosmetic and a waste of time — disc mowers are probably best and give flexibility in that strong paddocks can be cut out for "bagging".

If grass is scarce and the second cut has not been taken then a few days grazing on the second cut will probably relieve shortages.

The rotation length will have to be 22-25 days with normal growth.

If it is greater some paddocks may have to be taken out for silage.

TEAGASC/ICMSA CO. WATERFORD:

FARM SAFETY AND ENVIRONMENT AWARD 2000

This is the 9th year of the Co. Waterford Farm Safety and Environment Award. It was established in 1992 to recognise the special effort being made on many farms in the county to enhance and protect the countryside while also keeping the farm a safe place in which to live and work.

This year the sponsors are Hibernian Insurance. Entries are invited to Teagasc, Shandon, Dungarvan by Friday July 21st and judging will take place in early August. The winners will receive a Waterford Crystal Trophy and a cheque for £500.

SOLOHEAD RESEARCH FARM OPEN DAYS

The open day will take place on Thursday the 6th of July from 11.00a.m. to 5.00p.m. The focus is on low cost efficient production of quality milk and the aim is to gear you for milk production in this millennium. Solohead is located four miles from Tipperary town on the Tipperary to Limerick road.

FARMING LEADER

IFA HIGHLIGHT DISADVANTAGED AREA PAYMENTS PROBLEMS TO DAIL AGRICULTURAL COMMITTEES

Waterford IFA Western Committee Chairman James Devine has called on the Government to ensure that under new arrangements for Disadvantaged Areas currently being discussed with the EU Commission, that farm incomes must be protected in the changeover in the payments to an area basis.

Mr. Devine said "the Programme for Prosperity and Fairness (PPF) commitment must be fully honoured to ensure that the payments are protected to those farmers for whom Disadvantaged Area payments are an important element of their total income.

Following the initial rejection by the EU Commission of the Irish proposals on Disadvantaged Area payments, Minister Walsh must strongly lobby the other Member States to insist on an area based system that is acceptable and the July Council of Ministers' meeting is crucial in this regard. IFA will hold the Government to the PPF commitment and if additional money is

required to ensure that payment levels are not reduced to 15,000 farmers then the Government must provide this funding", warned Mr. Devine.

Disadvantaged Area payments are worth £140m to over 100,000 low income farmers who farm in 75% of the land area of the country.

FARM GRANTS

Meanwhile, Waterford, IFA Rural Development Chairman Mossie O'Connor states that the IFA National Rural Development Committee raised the delay in the implementation of key farm schemes like REPS, Early Retirement, Farm Investment Schemes and Young Farmer Installation Grants. The Ardmore IFA man said that these schemes which are worth up to £500m annually to Irish farmers are being held up due to delays in getting final EU Commission approval. He called on Dail Deputies to put maximum pressure on both the Government and the Commission for an early start up date for all schemes.

EWE PREMIUM PAY OUT

Waterford IFA Sheep Committee Chairman Harry Gray has said that the Department of Agriculture has issued payment of the first ewe premium advance amounting to £4.22/ewe in non-disadvantage areas and £8.93/ewe in disadvantage areas. He said the payment in disadvantage areas includes £4.71/ewe in rural world premium.

Mr. Gray said the first ewe premium advance is based on an estimated ewe premium for 2000 of only £14.06/ewe compared to £17.07/ewe last year. "This 20% cut in ewe premium is a devastating blow on hard pressed sheep farmers this year".

Mr. Gray was highly critical of the Minister for Agriculture Joe Walsh for his failure to tackle the blatant discrimination against Irish sheep farmers at European level in the calculations of the ewe premium. "Irish farmers are being short changed by up to £9/ewe in premium payments and Minister Walsh has failed utterly to make any impact on this issue at Brussels".

The Waterford IFA Sheep Chairman called on the Minister to get tough at the negotiating table in Brussels on behalf of Irish sheep farmers. He said "it is Minister Walsh's job to stand up for Irish sheep farmers at the Council of Ministers in Brussels and stop the discrimination against our industry".

Farmer Related Support From Leader Companies

Following a recent meeting between IFA and the Department of Agriculture, it has been confirmed that the process to implement the new Leader programme is due to commence shortly with an invitation to areas to submit their plans.

Waterford IFA Rural Development Chairman Mossie O'Connor said all areas will be invited to submit broad outlines of their plans by the end of July. Following on that more detailed plans will be required and will be submitted to the Department for approval with a start up date planned for 1st January, 2001 for the new programme.

Mr. O'Connor said that a total of £116m has been provided for the Leader programme over the next six years, with £57m coming under the EU's Leader Plus programme and £55m under a National Programme. IFA has told the Department of Agriculture to apply the Leader programme in all parts of the country either under the EU or National Programme.

Concluding, Mr. O'Connor said that the Leader programme to date has been, in general a success mainly due to the fact that it involved bottom up development. This must be continued by ensuring that local people and communities have a say in the future of their areas.

Kevin Connolly thanked the officers and members in the southeast region for their work over the years which is totally voluntary. He went on to say that the function would not have been possible without the voluntary work done by farmers over the years.

While the function marked ICMSA's 50th anniversary the work of ICMSA is as important now as it was 50 years ago.

Lismore Notes

LISMORE CHOIR

After a very busy year Lismore Choir is very happy to take a well earned break and relax in our long hot summer!

Our two big events of the year enthralled our audiences, ie our annual Christmas Concert in Lismore Castle and then at the end of April we joined forces with Waterford

City Choir for 2 stunning performances of Borodin "Polovtsian Dances" and Brahms "German Requiem". While we have been staging our annual Christmas Concert in Lismore Castle for the past 18 years, and have had regular appearances in St. Carthage's Cathedral, it was our first major

performance in St. Carthage's Church, Lismore, and the Good Shepherd Chapel in WIT.

It takes a lot of preparation and hard work to stage these events and we are most grateful to everyone who helps us along the way. Mr. Michael Pennruddork and his staff at Lismore Castle, the Dean of St. Carthage's Cathedral, and Fr. Nugent of St. Carthage's Church are always most helpful and welcoming to us when we perform in their lovely venues.

What can we say about our sponsors and raffle donators, always willing to lend us the financial backing we need and indeed this year we are most grateful to the Millennium Funding Committee for its help. Thank you to each and everyone of you. To you our audiences we appreciate "molto grandios" your loyal support. We had our AGM on June 22nd. Kay Murray takes over from Tony Hickey as Chairperson. LISMORE CRICKET CLUB NOTES

Junior Cup

Cork County 159 all Out, Lismore 135 for 5

This was a game that Lismore should have won but for some very sloppy fielding at the start of the County innings. Four needless boundaries were given away plus a dropped catch to a batsman who went on to score 34. These uncharacteristic errors forced Lismore to apply more discipline to their game and this showed through the scoreline. From 40 for 1 County by the 20th over had slumped to 54 for 5. County recovered and fought back into the game, with some fine stroke place from Noel Giltinan, Michael Stout and Vic Fennell. John Ind made the break through getting Fennell caught by a fine catch by Tim Lamb. A change of bowling saw Glen Hughes get the wicket of Giltinan and David Ind bowled Stout.

The County tailenders were quickly dismissed and Lismore started their innings with orders to bustle the score along. Winston Boyle soon settled down but Shane Rotte was out of sorts and seemed to be very unsettled and was soon out having scored only one run. Bard Wilkinson joined with Winston, both batsmen were finding it hard going and by the 20th over with the score at 46 both were back in the pavilion. John and David Ind carried the fight sharing a stand of 65 before John was brilliantly caught in the slips. Time was running out for Lismore, plenty of battling to come but running out of overs. Great fielding by the County players slowed down the pace and the Lismore innings closed at 135. What is giving cause for concern is this wide ball rule, anything straying was called wide no matter how slight. Between the two sides a total of forty eight wides were called.

TOURIN GAA CLUB NOTES

We played our last league against the Brickey Rangers on Saturday evening at Bushy Park. This was a game we had to win to be sure of qualifying for the league final against Dungarvan. Before the game a minutes silence was observed, as a mark of respect to one of our great club members Tom Barry, who died earlier in the week.

We started very slowly and scores were slow to come, but we held to the 2 points lead at half time 1-5 to 0-6. The second half was much the same until near the end of the match when they scored 5 pts in the remaining minutes to leave the final score 1-15 to 0-10.

So another win and place in the final. A lot of hard training will have to be done if we hope to try and beat Dungarvan who are a strong team. We played 7 matches in the league and won 6, which must have given our young team a good start before we played the Geraldine's in the Championship on the 30th July in Cappoquin in the Junior A.

As mentioned at the outset of these notes we lost one of our former great players with the sudden death of Tom Barry. Tom was an outstanding club men both on and off the field. He played many great games for his club at all levels, senior, intermediate, junior and he always gave 100% effort when he played. He was a very skilful player and was very fast, as was said by many of his former players and club members and the Red and White colours were on his coffin on its journey to Ballinameela Church. A large crowd was present for his burial on the next day. So a real gentleman and friend has gone from us. We now extend our deepest sympathy to his wife Phil, his four sons and two daughters, his brother Kevin, his sister Winnie, nephews, nieces, relatives and friends. Ar dheis De go raibh ses.

This week's Hornibrooks for Toyota Qualifier produced a clear winner by 3 points namely Richard O'Keefe (15) posting a fine 40 points in glorious conditions on a course that is improving every day and should be in top top condition for this weekends captains prize. The second qualifier was Knockanore's Frank Corcoran (13) posting a handy 37 points. The gross place went to Dave Murphy (11) posting 26 points. The weekend saw a dip in the weather for the Fitzgerald's Menswear (Dungarvan) sponsored 18 Hole Stroke Competition. Richie Ormonde (9) produced the goods with a tremendous 65 strokes who was also a clear winner by 3 strokes from second placed man, local favourite Tom Cahill (13) appearing on the leader board for the first time in a while. Tom edged club President Michael Murphy (20) into third place due to a superior back nine. It was also Mick's first appearance on the leader board for a very long time. As previously mentioned this coming weekend see's the big one! Namely Shaun Power's captains prize which should as usual be hotly contested. The top sixty qualifiers from Friday and Saturday will go through to the final round on Sunday, the winner being the man with the lowest aggregate score. We wish Shaun and all the competitors the best for the coming weekend. LISMORE CAMOGIE CLUB NOTES Under-12 County Title Back In Lismore

Our U-12 team brought back another County Title to Lismore on Wednesday night last when they beat Gaultier in the U-12 County Final. The girls put up a great team performance to overcome a much improved Gaultier side. The first half was a close affair with Gaultier putting on some pressure but Lismore held them off to go in ahead at half time on a scoreline of 2-2 to 0-0. In the second half Lismore went on to score the same again while holding their opposition scoreless, claiming Lismore's third successive U-12 County Title on a scoreline of 4-4 to 0-0.

Our Senior team are in action on this Wednesday night 5th July when they take on Ardkeen in the first round of the championship. This game will be played in the Abbeyside GAA field at 7.30 pm.

Listowel Here We Come

Yes this coming Saturday will see our U-12 girls soccer team head for Listowel to take part in the Community Games U-12 soccer semi final. Manager Sheila Power and coach Helen Lane are looking after this team. Frank Power is keeping a close eye on the two girls, ahem ahem!

All players have been notified regarding travel arrangements and all in the club wish the girls well and hope they have a terrific day out and who knows maybe they might come back as league champions of Munster.

News To Hand

A little bird told me about the two girls who wanted to form a ladies band. Did ye return the drums girls. One of our younger players had a great night on Saturday night

Tallow Welcome Home Festival

The full festival programme is now almost in place. There are some small details still to be sorted out but it promises to be a terrific week of craic and

good entertainment.

It begins on Sunday evening August 27th around 9.00 pm and runs till the following Sunday. So we appeal to all our people over seas to book the holidays during the above week and head back home for what promises to be a terrific week with something for both the young and the not so young. Watch this space for further details.

Birthday Corner

This week we wish Sean Lyons (63 years), oh my God I am sure I put the cart before the horse, sorry Sean. Jimmy Fitzgerald also celebrates his birthday; Aaron "Scholes" Pratt celebrated his birthday last week. Last but by no means least Sheila Fraser celebrated her 50th birthday. I knew Sheila was older than Liam. Also Leonard Fraser (Snr) who celebrated his on Tuesday.

Flowers

I had to deliver a big bunch of flowers last week to a certain girl in the town. She let on that she did not know where

they came from. Mary I will find out.

Lotto Jackpot £4,300

Our lotto jackpot is still up for grabs as we had no winner last week. The numbers were 6-7-10-14. Match 3 winners were Pat Tobin, Ciara Hallahan, Tricia Condon, Kathleen Delaney, Owen Flynn, Pat Troy, S. Stuart, Tom Hartigan, Anthony Canning, Chris Witcomb, Jillian Sheehan. Draw this Saturday night in Luke McCarthy's at 8.15 pm. Please get your ticket early.

Euro 2000

The final certainly lived up to its billing when both Italy and champions France served up a highly entertaining game. Overall it was a marvellous tournament and with the Rep. of Ireland facing trips to Holland and Portugal before the end of this year we can only wonder how Mick McCarthy will cope with his squad.

Let's hope that Mick will be able to pick from a full squad.

Tallow Traders Reject Council Proposals

Tallow Traders and Business Association at a recent meeting unanimously rejected the Council proposals as reported in the local press on June 16th last, in relation to the 'tree-structures' and proposed yellow lines for Tallow.

The association further pointed out that with the recent upgrading of the Fermoy road along with significant usage of the new car-park currently being enjoyed, no yellow lines are required on West St, as traffic flow has significantly improved here. This clearly shows

that the people are co-operating on a voluntary basis making such sanctions completely unnecessary. There was also complete agreement that the 'tree structures' in the square are causing a major obstruction to traffic. We the traders publicly call on the County Manager and County Engineer to remove them forthwith, in the interests of proper traffic management. The association is currently reviewing all steps open to them to see that the Council rethink their plans in the best interests of Tallow.

We wish the players and team mentors the best of luck. The game is timed for 7.30 pm.

CLERICAL CHANGES

This week we bid farewell to Fr. Michael Walsh, who leaves the Parish to become Parish Priest of Ballylooby. In his five years amongst us he has proved a very popular curate. We will miss your Father, but we wish you well in your new ministry. Another big change also occurs in that Canon Nugent has retired but will stay on in the parish to assist the new Parish Priest. We also wish him well and hope that he will have a long and happy retirement. We bid a heart Cead Mile Failte to Fr. Kevin Mulcahy who come from just over the road in Ballyduff and we hope that he enjoys his time with us.

TALLOW TRADERS & BUSINESS ASSOCIATION

These meetings are proving to be a good opportunity for Frank and open debate leading to decisions on best course of action. At the most recent meeting, Tuesday 27th June, it was unanimously agreed to completely reject the Council proposals in relation to the 'tree planters' and proposed yellow lines for Tallow.

It was further pointed out that with the recent upgrading of the Fermoy Road along with the significant usage of the new car park - traffic flow has significantly improved on West St. and as such no yellow lines are required here, there was complete agreement that the tree planters on the Square are causing a major obstruction to traffic and need to be completely removed as soon as possible. The association is currently reviewing its position to have the Council rethink its plans in the interests of proper traffic management. As always comments and suggestions are welcome. Abbeyside Topics

Destruction Of Ballyvoile Bridges

Last week we highlighted the feelings of the townspeople as civil war loomed and the fear for life and property that existed among ordinary hard-working people. Though Dungarvan is mentioned in the articles, the same feelings of fear and apprehension must have been experienced by the people of Abbeyside and indeed surrounding areas. It might just give us some small insight into the life experience of the people of Northern Ireland for a long time now or indeed any country ravaged by Civil War in this disturbed world of ours.

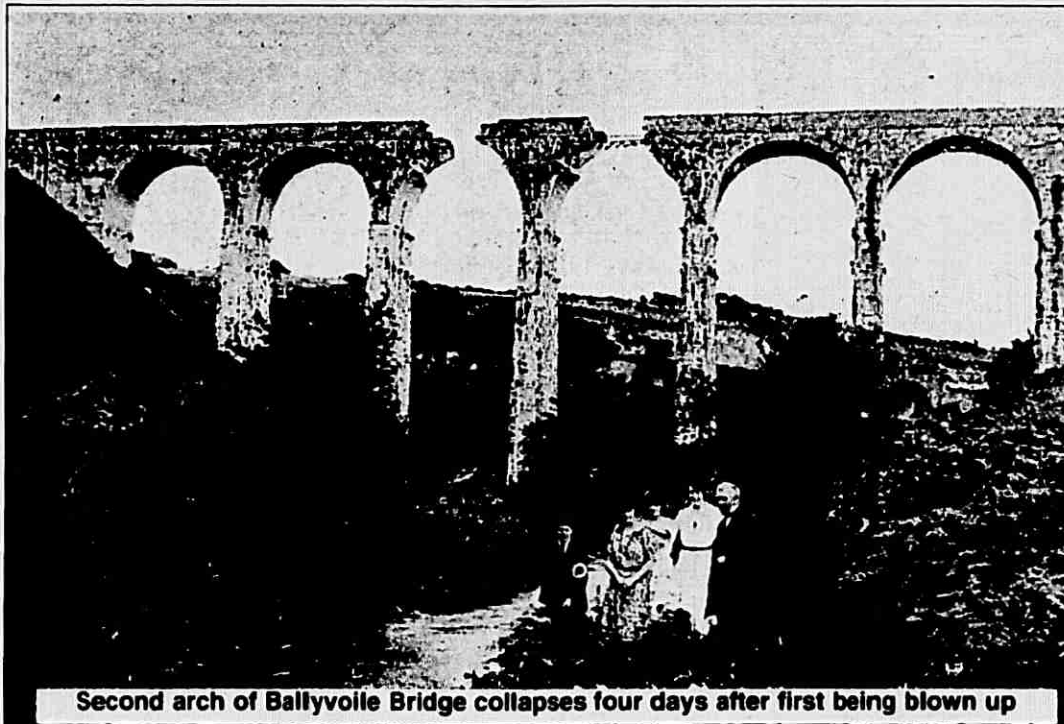

Before the impending struggle for possession of the town took place, the focus of attention turned to the Ballyvoile Bridges which cross the deep ravine as the river Dalligan makes its way to the sea. They are situated within the parish of Abbeyside, Ballinroad and Garranbane. Here were constructed two important and beautiful bridges - one, the viaduct which carried the railway across this broad and rugged chasm, the other, the road bridge. Both were substantial works, consisting entirely of masonry. The road bridge was one of three arches with a height of 88 feet above the little river; the railway bridge consisted of nine arches, and rose to a height of 108 feet. The road bridge was one of much symmetry, gracefully turned arches and very important to the district for traffic. It was built under the Grand Jury in 1868. The railway bridge, both from its height and design was a novelty in itself and had been very carefully tested for its strength and suitability for the purposes of heavily-laden trains with powerful engines passing over it. It lay on the line that made up the Ross-lare system in the south of Ireland.

EXPERTS DO THE JOB

On the 4th August, the army stationed at the castle could be noticed to be very active. Commandants and others held councils in the streets and at about mid-day a body of them set out in motor cars and lorries in the direction of Ballyvoile, bringing with them fuses, bombs rifles and implements of destruction. They proceeded to the bridges of Ballyvoile. There they set to work. Experts in the art of destruction gave directions as to the means of setting the explosives so as to break the bridges and when all was ready, the bombs were fired. That evening loud explosions were heard for many miles around - there were nine or ten rumbling explosions in all and not

Ballyvoile Railway Bridge, one arch blown up August 4th, 1922

Second arch of Ballyvoile Bridge collapses four days after first being blown up

long after the news reached Dungarvan and Abbeyside that the bridges at Ballyvoile had been blown up. Residents in the district gave accounts of the methods employed for the destruction, of the thunderous

roar of the explosions and the hurling of massive stones for hundreds of yards around. When the smoke had cleared away, the evil was done. The centre arch of the road bridge was cut clean across and one

arch near the centre of the railway bridge was also destroyed.

The reason given for the destruction was that it was necessary for military purposes but whether this was correct or not, the destruction of the bridge did not impede the entry of the free State army into Dungarvan. (more next week)

Abbeyside Community Centre Notes

All committee members please note that our monthly meeting will take place on Wednesday 5th July at 8.00 p.m. in Abbeyside School and not Thursday as was previously the case. From now on meetings will be held on the first Wednesday of each month.

Things are progressing nicely at the moment. Our site notice is up and planning permission has been applied for. Our official launch will take place soon.

We would like to recruit a few new members from all the areas and estates in the village as at present many are not represented at all. If you can spare a couple of hours a month, why not come along.

CAMPERS ON OLD RAILWAY LINE UNDER NEW LINE BRIDGE

The situation remains the same since we reported last week. The people in Kyne Park are the ones suffering most. Kyne Park is an attractive estate and the residents there very house-proud as evidenced by the general maintenance of the houses and the quality of gardens.

Another encampment exists in Stokes Field alongside Abbeyside Church. Not that the halting-site in Shandon would attract any travellers to park their caravans there. Surely the council could arrange to have the halting site hosed down daily and thus ensure an improvement in the cleanliness of the place.

LADIES FOOTBALL

The Abbeyside/Ballinacourty ladies football club which was formed a couple of years ago, is going from strength to strength with standards improving and membership growing. In a recent fund-raising effort, a group from the club cycled to Cork for the Waterford/Tipperary match and received generous sponsorship from their supporters and well-wishers here at home.

WEEKLY MASS AT CLONEA

As and from this weekend, Mass will be celebrated at Clonea Strand Hotel at 6.00 p.m. on Saturday evenings. This is to facilitate the people holidaying in the caravan parks etc. around the holiday resort. This facility was introduced a few years ago and is greatly appreciated by the large congregation who are delighted to avail of it.

Local residents are also welcome to attend.

Abbeyside Reference Archives

VARIETY

For ease of finding material the Archive is divided into a number of different sections. We have a Poetry Corner, a Maritime Section, a Sports Section, A Scout and Guide Section, a Dungarvan Section, a Tourist Corner and an Outdoor Section plus two tables of general information and a very small shop. Not bad variety for just one room. This Sunday evening Emma Flynn will be at the Parish Office where all visitors will be welcome along to browse through the various sections.

SENIOR CITIZEN'S OUTING

The Abbeyside, Ballinroad and Garranbane Senior Citizens Annual Outing will take place on Thursday 27th July. Note the change of day from Sunday to Thursday. Senior citizens interested in travelling should forward their names to any Committee member. The senior citizens committee are certainly no flash in the pan as they have maintained their work on behalf of the senior members of the parish for a long number of years now.

Official Launch of Fleadh Cheoil Na Mumhan in Lismore

Nicola Beresford of WLR FM officially launched the Munster Fleadh Cheoil Na Mumhan Programme on Thursday night last in Lismore Castle. The captive audience of sponsors, press and committee listened with rapt attention as Festival PRO Mary Houlihan unveiled the extensive programme of competitions, music and dance.

The Munster Fleadh Cheoil will take place in Lismore from July 21st to July 23rd 2000.

The Fleadh is a festival of Irish traditional music. During the weekend over 2000 competitors from all the counties of Munster will participate in a wide range of competitions, which include the playing of musical instruments, singing in both Irish and English, set dancing and comhra Gaeilge.

There are four different categories; under 12, 12/15, 15/18 and senior.

The hosts Ballyduff Comhaltas Group and a large committee of 35 people, under the Chairmanship of Thomas Hyland has spent the last year organising this event. Accommodation for approximately 200 participants plus the competition adjudicators has been organised in Lismore and the West Waterford area. Already there is a severe shortage of accommodation because of the unprecedented demand for B&B.

On Saturday Evening, an Inter - Church Praise service will take place in Lismore Cathedral. The music of Sean O Riada will be featured at the 9.30am Mass in St. Carthage's Church on Sunday morning. There, the Lismore Church Choir will perform under the direction of Donal Kennefick.

There will be a Festival of Flowers "Fleadh na mBlath" at Lismore Cathedral and conducted tours of both the Cathedral and the Town have been organised.

On Sunday afternoon, Lismore will be awash with colour and action as the Lismore Dramatic Society takes to the streets for the Fleadh Pageant. Accompanied by the Booley house dancers and musicians they will parade through town reenacting a series of tableaux from Irish history.

This will be completed by a performance of Bell Ringing by the Turk Brothers at Lismore Cathedral.

The committee has compiled a huge street entertainment package. The Guinness Gig-Rig will be in town over the weekend. Some of Ireland's foremost traditional entertainers will perform over the weekend. These include The Ril thing, At the Racket, The Butterfly Band Cul Cheoil, The Booley House and the Highlight of Sunday nights programme Sharon Shannon.

This year for the first time at a Fleadh we will have music of an international flavour. Traditional musicians from Brittany in France, Sardinia and Salento in Southern Italy will perform during the weekend.

Dungarvan Camera Club

First of all many thanks to Liam for enlightening many of us in the world of tripods. Last month's meeting went back to our usual format after a number of guest speakers in the last few months. It was good to get the opportunity to co-ordinate and discuss the club's up and coming activities and events.

A word of congratulations also to all those who bumped up their points for the competition. The themed quarterly contest attracted many fine photographs of "Spring Green". Well done to everyone for taking part.

Meetings will continue on Wednesday 5th July at 8.30 p.m. in the Park Hotel. As ever, new members are always welcome whatever your standard - complete beginner or experienced amateur. Phone (087) 6884688 if you have any queries.

Youthreach Dungarvan

OFFERING A SECOND CHANCE EDUCATION

WHAT IT'S ALL ABOUT

Youthreach is a training and educational centre for early school leavers between the ages of 14 and 18 years. It is a second chance for students who have left school with little or no qualifications. It is managed by the County Waterford VEC, and funded by the Government with trainee allowances paid by FAS.

Youthreach should always be a first contact for early school leavers because of their social and emotional needs. It is a first step towards gaining the confidence and life skills required for making choices about their future - whether it be to return to second level education or gain full time employment.

BACKGROUND

Youthreach was established in Dungarvan in January 1997. Initially they were based in the Youth Club premises at Quann's.

Recalling the background of the centre, Liam O'Rourke Youthreach Coordinator said: "We started with ten students and three teachers. By the summer of that year we had relocated to the Presentation Convent School in Mitchell Street. It contains a new computer room with ten computers, and Art & Woodwork room, two other classrooms, one with cooking facilities and an office. We have carried out many improvements to the building and we now have 25 trainees on the books and employ a Coordinator and 8 teachers".

The centre at Mitchell Street is open between 9.30 a.m. and 4 p.m. Monday to Thursday with a half day on Fridays to 1 p.m.

CATCHMENT AREA

The Youthreach catchment area runs from Kilmacthomas to Lisimore including Stradbally, Leamybrien, Aglish, Cappoquin, Ring, Old Parish, Ardmore etc.

SUBJECTS COVERED

Art, woodwork, maths, communications/English, Irish, home economics, health & fitness, computers, work preparation, personnel effectiveness, childcare, music appreciation, personal and interpersonal skills.

Youthreach also has trained literacy staff and is supported by the Adult Literacy Centre, Main Street in offering classes to those who have literacy problems.

On Friday 26th May, Dungarvan Chamber of Commerce hosted an "Equal Opportunities for All" exhibition in the Sports Centre, Dungarvan. Pictured are the Dungarvan Youth Reach, with Cllr Lar Hart, Chairman, Dungarvan UDC, Martin Cullen, TD. Minister of State, Dept of Finance. Cllr. Patsy Kenneally, Chairman, WCC. Photo shows members of the Dungarvan Youthreach team winners of the Munster Indoor Soccer final in 98/99 and 99/00. Included are Caroline Kirk (teacher) and Liam O'Rourke (co-ordinator).

Various speakers and workshops regularly visit the centre covering a wide range of subjects such as safe sex education, drugs awareness, life skills, career guidance, health and hygiene and many more.

The centre organises away trips, taking in outdoor pursuits, sports and music concerts. They recently visited Colaiste na Rinne and the television studios of Nemeton in Ring.

CERTIFICATION

Certification is from the National Certificate in Vocational Awards. Foundation and Level 1 certification is available in all modules.

From next September modules will begin for City & Guilds Certification.

WORK EXPERIENCE

This is a very important and worthwhile part of the training

programme. It helps the trainees to make informed choices regarding their career preferences. Many local businesses and services have been very helpful in offering positions to many trainees. Those who have proven themselves within the workplace are now enjoying the benefits of part time jobs whilst continuing their education at Youthreach.

Many of the centre's past trainees are now in full time employment with some serving their time as tradesmen. Youthreach is especially grateful to Garvey's Super Valu and Herlihy's Super Valu along with many service stations in the town.

"Our thanks go out to all of you who gave work placements to the trainees of Youthreach", said Mr. O'Rourke. "This is a valuable part of the programme,

which we work in conjunction with the NCVA work experience & work placement modules.

TRAINEE ALLOWANCE

The trainees receive an allowance in accordance to their age for hours attended. They also receive travelling allowance in cases where they travel over 5 miles to the centre. The allowance ranges from £35 (15 years) to £75 (18 years). A meal allowance is given to all students.

As the current year draws to a close, new trainees will be recruited for September.

If you have any enquiries or would like to find out more about Youthreach please contact Liam O'Rourke, Youthreach Coordinator (058) 44997.

Taken at Irish Festival 2000 in Chicago Gaelic Park (from left) Kay Parker Dietz, her son Michael, Jean (Jane) Sandford, Dungarvan. Michael has been playing the pipes in bands and on stage to big crowds and has won prizes in Scotland and other parts of the USA. Michael is well known in his home city of Chicago. Kay's father, the late Michael Parker was from Cahimaleague, Touraneena. Kay visited her uncles in 1954 and her daughter Kathy was with her in 1987 but sadly her uncles have gone to their eternal reward. Kay and Jean have been friends for many years. Jean told us she was delighted to hear Kay talk about the good old days. She wishes to thank Kay, Babs and family for the wonderful time she had with them and their friends in Chicago.

Ballinameela School Notes

The school year has come to an end after a very busy schedule. After Easter a team from Fota Island arrived with "Birds of Prey", a very interesting venture. The boys and girls reached the final of the primary school's league. The girls won the final against Knockanore while the boys played a very competitive match against Cappoquin. Better luck next year boys. A science show also came to the school, this proved informative and the experiments were very interesting.

The parents association organised a coffee morning for the west Waterford hospice. The children were busy baking for this and raised a sizable amount of money. The school tour went to Carrignafear Adventure centre and proved very enjoyable. An open day for the incoming infants was held and a Mass for sixth class boys and girls was arranged as a gesture for their departure. Many thanks to Cllr. John Deasy who helped in obtaining a Bus Box and highlighting the road lines from Waterford County Council. The sponsored walk has been postponed until Septem-

ber. In conclusion, the parents association would like to wish teachers and children a very enjoyable summer and we hope the sun will shine.

Ballinroad Schoolboys Soccer Notes

A.G.M.

The above will be held on Friday night 14 July at St. Laurence's Hall. It is hoped that a good number of the players parents attend because it is on this night that everyone gets an opportunity to have their say on the running of the club and new ideas are always welcomed.

UNDER-10 LEAGUE

The club are taking part in this league and it has proved to be a great success. We have already played Abbeyside away and Stradbally at home and away. On to-night July 5th, we have Railway as visitors and we ask all our players to be at the club grounds at 6.30 p.m. It augers well for the future of the club that we had enough players to make up three teams and it is especially nice to see children of former players maintaining the club connection.

MANAGERS

With the amount of players already playing for the club and more wishing to, it looks like we have sufficient players to cater for most age groups. However, it is strictly club policy that a minimum of two adults look after each team and as things stand at the moment we are short of personnel. It would be a pity if we were unable to field certain teams on account of this and if anybody (male or female) are interested, would they ring 41193 or 41188.

SYMPATHY

The club would like to extend their deepest sympathy to Michael Dwyer, Ballinroad and Joan Elstead, Ballinacourty on the death of David. May he rest in peace.

WATCH LOST

A ladies watch was either lost or mislaid at the recent funday held in the field. This watch is of great sentimental value to the owner and hopefully someone will return it to the committee.

The organising committee would like to welcome anyone interested in getting involved in the project to come along to next Friday night's public meeting (July 7th) which takes place in Beresford's Pub, Clashmore at 8.45 p.m.

2. Election of fund raising committee.

LINES FROM KINSALEBEG SCHOOL

June Draw: The following are the results of the second last non-stop draw which took place at the school recently. 1st prize: Ann O'Mahoney, Promoters Prize: Kelly O'Mahoney, 2nd Prize: James Murray, Promoter's Prize: Siobhan Murray, 3rd Prize: Fiona Coughlan, Promoter: Fiona Coughlan.

Well done to all our winners this past term. A big thank you to everyone who continue to support us so loyally.

I think I speak for everyone in the parents Association when I say will done to Joan who keeps us so well informed of all the draws. Thanks Joan.

GOOD LUCK 6TH CLASS

With great sadness we bid farewell to fifteen fine students who have been great ambassadors for the school these past eight years. Not only are we saying goodbye to the students, this is also the end of the line for a lot of families who have had pupils in the school for many years. Though we are sad to see them go we wish each and everyone of them success and happiness in their new schools.

Thanks to the hard working group of parents who organised a lovely surprise party for the pupils and thanks to our three teachers Mrs. Wade, Mr. Griffin and Mrs. Mullins who have been great teachers and inspiration to the children down through the classes.

The pupils leaving us are Aine Allen, April Curtain, Fiona Coughlan, Shane Dalton, Justine Flynn, Kevin Murphy, Kathy Ann Mansfield, Rachel O'Brien, Wayne Whelan, Clare Power, Gemma Power, Grainne Nolan, Carmel O'Keeffe, Maurice Trihy, Micheal Barron.

THE LATE MAI FLAVIN

With deep regret we record the death of well known Ardmore lady Mrs. Mai Flavin, Clarkstown. A well known member of the local farming community Mai and her family are highly respected members of the local community. A very active and out-going lady, ill health in recent months prevented Mai from enjoying life to the full. Her death took place on Wednesday last. Her removal took place to Grange Church on Friday evening. Following requiem Mass on Saturday Mai was laid to rest in the adjoining cemetery. Mai is survived by her sons John Joe (Clashmore), Austin (Kinsalebeg), James Paul and Pat, daughters Eileen and Mary to whom we extend our deepest sympathy.

LOTTO

That dream summer holiday could become a reality for someone if they won the present Clashmore Lotto jackpot which presently stands at £2,100.

Last week's winners of £10 each were Colette Beresford, Clashmore, Jennie Smiddy, Ballyheeneey, Eamonn Beresford, Clashmore, Mick Hickey, Rath and Majella Foley, Grange. The numbers out were 5, 12, 16 and 17. So get your numbers in.

CLASHMORE 45 DRAW

The winners of last Monday night's 45 Drive in Clashmore

were: 1st on 10 games - Mary Dower and Paddy Hurton, Joint 2nd on 8 games each - Paddy Lynch and Peggie Russell, Margaret Dower and Jack Douris, Joseph O'Keeffe and Ned Hynes. Best of the last five - Stephen Cunningham and Jim McGrath. Last game winners Paddy and Nell Foley, John Connery and Maura McGrath. Well done all.

MOVING ON

The annual summer holidays have once again arrived much to the joy of every local child. It can also be a time for a little sadness as we say slán to the sixth class boys and girls who have been with us these past eight years. This year in Clashmore, the year finished with a beautiful school Mass celebrated by Fr. Maurice O'Gorman and a good representation of parents. Each of the children leaving school were presented with a cert. and each of them were extended the very best wishes in their new school.

Those leaving were Louise Murphy, Katie Ormond and Carmel Foley, William Prendergast, Darragh Curran, Shane Bourke, Michael Trihy. Best of luck to all of you.

During the last few weeks of the school year Mrs. Shine and her pupils enjoyed a school tour to Limerick University, "Activity Day Camp" and Mrs. Hynes and her pupils went to Leahy's Open Farm. All enjoyed a great day out.

40TH ANNIVERSARY

A special word of congratulations to our parish priest Fr. Maurice O'Gorman who celebrated the 40th anniversary of his ordination recently. To mark the occasion, the people of the parish came together to organise a beautiful presentation of a Waterford Crystal lamp and cash at a surprise party in Clashmore Hall, following the Corpus Christi procession.

A special presentation was also made to Fr. Michael Reid to mark the 55th anniversary of his ordination.

Both priests do great work in our community. In her presentation speech, Mr. Mary Fleming highlighted the wonderful work especially in the financial management of the parish by Fr. O'Gorman during the past 10 years. We have seen the parish dream of a new church at Piltown become a reality and something we can all be so very proud of. He has shared some very sad occasions and some very joyful days with us and through it all, he has been an inspiration and a source of great strength to us all.

Fr. Michael Reid, though

now in retirement chose the beautiful area of Kinsalebeg to live in and he has been a very willing and loyal assistant to Fr. O'Gorman whenever called upon. This too is very much appreciated by the people on both sides of the parish.

A very sincere thank you to Fr. O'Gorman and Fr. Reid. Good health and continued happiness to you both.

IN LOURDES

Best wishes to a local group presently on pilgrimage in Lourdes, among the group are Queenie Ronayne, Aghish, Sinead Ronayne, Aghish, Olivia Morrissey, Villierstown and Emma Joyce, Clashmore. We hope this will be a very refreshing and relaxing break for all of you.

Colligan Rockies & Emmetts Hurling & Football Clubs

BLACK & AMBER LOTTO

Numbers drawn on 19th June were 2, 19, 25. No Jackpot winner. Winners of £25 each were Helen Quill, Church Street, Dungarvan, and Emma Wall, Colligan. Numbers drawn on 27th June were 13, 16, 18. No Jackpot winner. Winners of £25 were Michael O'Dwyer, c/o Stafford Miller, and Anne Whelan, Ballymacmague. The next Jackpot £1,500. Remember for an investment of just £1 that holiday could become a reality. Tickets available from any Committee Member or at the Pike Service Station.

DEISE DEVELOPMENT DRAW

The June Draw was held in Ballyduff Upper but unfortunately we had no winner. The Club was the lucky winner of £50. Just a reminder that a draw will be held for all members at a later date. A weekend for two in the Old Ground in Ennis for the winner.

BEST WISHES

On behalf of everybody in the Club a speedy recovery to full health to our genial Honorary Life President, Sean Tobin, who has been hospitalised recently. He is in his usual high spirits with the nurses finding it difficult to resist his charm. Get well soon Sean.

INTERMEDIATE HURLING LEAGUE

A "Late Late" goal by Alan Walsh proved the decisive score in a two point win over

Dungarvan in Colligan in atrocious weather conditions. This was a game in which the true fighting qualities of the players was evident.

Unfortunately, Noelle Drohan suffered a serious facial injury which necessitated hospital treatment and surgery. We wish Noelle a full and speedy recovery to full health. Final score: Colligan 2-9, Dungarvan 0-13.

Team; John D. Casey, John Flynn, Stephen Ryan, Kevin Hickey, Roger Casey, Jimmy Beresford, Willie Kiely, John Quinlan, Sean Dempsey, John Wall (0-2), Alan Walsh (1-0), Kevin Casey (0-2), Benny McGrath (0-1), Liam O'Reilly (0-3), Kenny Walsh (1-1).

Subs; Noelle Drohan, James Dalton, Jimmy Kirwan, Richie Kirwan, Paudie Flynn, John Dunford, Richie Walsh.

JUNIOR FOOTBALL LEAGUE

Emmetts 2-10, Modeligo 2-5.

This hard earned victory kept the Club on course for a second League Final appearance.

Team; Richard Walsh, Kevin Hickey, John Dunford, Stephen Ryan, John Flynn, Jimmy Beresford, Paudie Flynn, Sean Dempsey, Alan Walsh (0-1), John Wall (0-3), Willie Kiely, Kenny Walsh (1-0), John Quinlan (0-1), Roger Casey, Kevin Casey 1-3).

Subs; J.D. Casey, Michael Tobin (0-2), James Dalton, Michael Moloney, Jamie Hickey.

Emmetts 3-8, Ballinameela 1-11

Ballinameela were unbeaten entering this contest but a superlative display by all ensured that we reached the League Final. The unexpected defeat of Kilgobnet means that the final will be against Ballinameela.

Team; Richard Walsh, John D. Casey, John Dunford, Stephen Ryan, John Flynn, Roger Casey, Paudie Flynn, Alan Walsh, Sean Dempsey, Michael Tobin (0-1), Willie Kiely (1-1), John Wall (0-4), Kevin Casey, Liam O'Reilly, John Quinlan (0-1). Subs; James Dalton, Brian Flynn, Benny McGrath, Jamie Hickey.

Because of the involvement of so many players in a number of games recently the injury problems are on the increase: Kenny Walsh, Pat Dunford, Jimmy Beresford, Kevin Hickey and John Wall are all nursing injuries at the moment. It is hoped that all will be back to full fitness for the commencement of the Championship.

JUNIOR HURLING LEAGUE

Having already qualified for the final we found it difficult to come to terms with the first time hurling of our opponents Ballyduff. The result means that we will again face them in the final. Despite being well beaten we had good displays from goalkeeper Richie Walsh, Brian Flynn, David McGrath, John Quinlan, Kevin Casey, Jamie Hickey, James Dalton and John D. Casey.

Team; Richard Walsh, John Flynn, Stephen Ryan, Brian Flynn, Jimmy Kirwan, Michael Dunford (0-1), David

McGrath, John Quinlan, Willie Kiely, Benny McGrath, Michael Tobin, Kevin Casey, Jamie Hickey, James Dalton, John D. Casey. Subs; Robert Flynn, Michael Moloney, David Wall, Paul Fraher.

No dates have yet been decided for both league finals.

INTERMEDIATE HURLING LEAGUE

As a result of being beaten by Cappoquin on the score line 4-11 to 0-11 we can no longer qualify for the knock-out stages of the league. We found it difficult to match Cappoquin for first touch and determination. However, the overall display of the team during the eight games was encouraging with a number of the younger players showing up quite well.

Team; John D. Casey, John Flynn, John Dunford, Stephen Ryan, Willie Kiely, Roger Casey, Richie Kirwan, Sean Dempsey, John Wall (0-5), Jimmy Kirwan, Liam O'Reilly, Kevin Casey (0-2), James Dalton, Alan Walsh (0-2), Benny McGrath (0-1). Subs; Ray Kelly, John Quinlan, Kevin Hickey, Paudie Flynn, Richie Walsh, Michael Dunford.

Clashmore G.A.A. Club Notes

LOTTO

No winner of last week's jackpot. Numbers drawn were 5, 12, 16 and 17. £10. to each of the following Colette Beresford, Clashmore, Jenny Smiddy, Ballyheaney, Eamonn Beresford, Clashmore, Mick Healy, Rath and Majella Foley, Grange. This week's draw takes place in Coopers on Saturday night for a jackpot of £2,100.

DEISE DRAW

We had no winner in last month's Deise draw which took place in Ballyduff last Friday night. Tickets are now available for this months from any committee member for £5. Remember you can join the draw at any stage. This month's draw takes place on Friday 28th July in the Mt. Sion Centre.

SENIOR FOOTBALL CHAMPIONSHIP - CLASHMORE 0-5, AN RINN 0-5.

In what can only be described as one of the poorest games of football ever played in the Fraher field, we were lucky to come out with a draw last Saturday against An Rinn. In a game where very few players can hold their head high, special mention must go to Tiger who made two brilliant saves and certainly kept our interest alive in this championship for a while longer. Pa McGrath also had a fine game. Our next game is against Dungarvan on Saturday 22nd where we must win if we are to progress any further. Our scorers last Saturday were Pay Hynes 0-1 and Stephen Barron 0-4.

JUVENILE G.A.A. NOTES - U-14 HURLING

Our U-14 hurlers defeated Stradbally in the county semi-final last weekend and now go on to play Ferrybank on this Friday evening in Fraher field at 7.30 p.m. in the county final. Although we were well beaten by Ferrybank in the league section, a much closer contest can be expected on this occasion.

Ballysaggart 10k A Huge Success

This year's running of the Ballysaggart 10k sponsored by Bennett Brother's Joinery was a resounding success. A record field of 67 ran over the challenging scenic course with William Harty coming home well clear of the field in a time 32.32 followed by West Waterford's Mark Jackman. Mark had been unable to train all week because he was suffering from the flu but was still able to run 34.46. Thirteen seconds behind him in third place was Jason O'Connor of Slaney Olympic (34.59). Trevor Mason of West Waterford AC ran a good race to finish fourth in a time of 35.20. The over 45 category was won by Leslie Smythe of Coolquill with Con Kelleher of West Waterford finishing second. Frank Cashman of East Cork won the over 50 category.

The team race was dominated by West Waterford with their A team of Trevor Mason, Martin McCarty and Ray Burke finishing ahead of West Waterford B consisting of Finbar Kelly, Eoin O'Riordan and Michael Wade. Gerry Forde from Blarney won the wheelchair prize.

by Phyllis after about 2 miles who thereafter eased clear to finish in a time of 39.49 with Catherine holding second place finishing in a time of 41.13. In third place was Mags Kirwan of Kill in a time of 42.15. First in the over 35 category was Eilish Hayes of Thomastown with Kathleen O'Brien of Ballynoe winning the over 40 category.

THANKS

West Waterford Athletic Club would like to say thanks to the Bennett Brothers Sean, Michael and Pat and their team who sponsored and organised the

race. It was a text book demonstration of how a race should be run with every detail covered - sign posts at Lismore on the way to the race, mile markers on the course, good stewarding and a water station. Finally who could forget the message of encouragement on the road at the hill at the 3 mile mark. After the race a fantastic spread was laid on at the local community hall and again thanks to all involved. I have no doubt that anyone who took part on Friday night will already have pencilled in the event again for next year.

DROMANA 10k NEXT FRIDAY NIGHT

Next Friday night sees the long awaited running of race 7 of the Ger Wyley Sports / FILA summer series. It promises to be a great night with unprecedented interest in the event. The walkers will get underway at 7.30pm with the runners starting at 8pm. Entries will be taken from 6.30 at Villierstown Hall and special bus departs from Cappoquin at 6.45 for those who wish to leave their cars at the finish. Alternatively the bus will bring finishers back to Villierstown after the race for those who wish to leave their cars at the start. A highlight of the evening for many will be the presence of Jamie Costin who is bound for the Sydney Olympics in September. There will be a

special presentation to Jamie in the Central Bar after the race prior to the general presentation of prizes and we would urge everyone to attend to mark what is very proud moment in West Waterford Athletic Club's history. The details of prizes etc. have been well circulated at this point but there will be one additional prize as in previous years and that is a prize for the first person to cross the line who can prove that they are an East Cork Oil Customer by having on their person a receipt from that company. On the course we are hoping for a very competitive race and it will be interesting to see if either of the course records will go. All in all it should be a great evening's racing and no doubt a

tribute to the hard working team in Villierstown and Cappoquin who have made such an effort in the organising of this event.

SHANGARRY 5

WEST WATERFORD ATHLETIC CLUB LADIES RUNNING GROUP

It has been decided to set up a Ladies running group to cater for female runners of all ages and abilities to encourage participation in running and athletics generally. The first meeting of the group will be on Tuesday night at St. Augustine's College at 7.30pm and each Tuesday thereafter. It is hoped that we will have someone suitable along to give advice on programs etc. The group is open to all - not just West Waterford members and we would stress that nobody should stay away because they feel they are not fit enough. Anyone interested should contact Aine Kavanagh who will be coordinating the group or just show up on the night.

DUNGARVAN A.C. NOTES

Eamonn O'Donnell Wins Munster 400 m Hurdles

The Capri Sun Munster Under 14-18 Track & Field Championships were held at Waterford R.S.C. on Saturday and Sunday 1st and 2nd July. Running for Dungarvan was Eamonn O'Donnell in the U-18 400 m Hurdles. This was Eamonn's first race since last May due to a very serious hand injury. Eamonn was drawn in his three and started to make up ground straight from the gun. By the time he reached the 100 m straight he was well ahead and came home a very easy winner. So it's great to see this talented Athletic gelling back into form. All going well Eamonn will run next weekend in the Nationals in Tullamore.

SINCERE SYMPATHY

West Waterford Athletic Club extends its sympathy to the family of the late Tom Barry of Bewley, Cappoquin on their recent sad bereavement. Also to the family of Tommy Hallahan of Affane who was great supporter of athletics.

K.C.K. ATHLETIC NOTES

ANOTHER BRILLIANT WEEKEND FOR CLUB ATHLETES TAKING HOME ANOTHER 23 MUNSTER CHAMPIONSHIP MEDALS

The second round of the Munster Juvenile Championships for boys and girls 14 to 18 were held at the Regional Sports Centre, Waterford on Saturday and Sunday last with another 23 championship medals for the club added to the 30 won two weeks ago, making it the best ever championship for the club.

Claire O'Sullivan was our top performer winning two titles. Claire won the girls under 15 Long Jump Title with a brilliant performance of 5 metres 13 centimetres and she went on to take the Pole Vault title with a Vault of 2 metres 20 centimetres. Also in the girls under 15 Edel Morrissey took 2nd place in the Long Jump with 4 metres 79 centimetres and a great performance to take second place in the 1500 metres. Ailish Ahearne had a brilliant performance to take the girls under 18 - 100 metres title. Ailish Ahearne also took second place in the girls under 18 200 metres title. It was great to see both girls finish their juvenile careers on a winning note as they were two of the most loyal club athletes winning many Munster and National titles over the years. Caroline Walsh also had a great weekend taking third place in the girls under 16 Long Jump with 5 metres 2 centimetres and a fine performance to take third place in the 200 metres. Deirdre Kiely had a fine performance to take 2nd place in the girls under 15 Pole Vault with 1 metre 90 centimetres. William Harty had a great weekend winning the 3000 metres, boys under 17 and second in the 2000 metre Steeple Chase and 2nd in the 1500 metres. Dermot Cummins had a fine performance to qualify for the All Ireland in the 3000 metres and Michael Flynn in the boys under 16 High Jump. Also fine running from Jamie Hawan, Anthony Foley, Paddy and James O'Neill. All were a bit unlucky not to have qualified for the National Finals. Our girls under 15 had a fine performance to take third place in the 4 x 100 Relay team, Edel Morrissey, Claire O'Sullivan, Deirdre Kiely and Catherine Whelan. The girls under 16 went one better to take 2nd place in the 4 x 100 Relay team; Edel Morrissey, Eiley Walsh, Caroline Walsh and Claire O'Sullivan.

The best of luck to all club athletes competing in the All Ireland Finals in Tullamore on Sunday next.

Abbeyside Community Games

The Waterford Community Games finals were held in the Regional Sports Centre on Sunday last, 25th June. Many Abbeyside athletes took part on the day and did Abbeyside proud by bringing home many medals. As a result Abbeyside captured the overall trophy for the best community on the day.

We had our first win of the day with Sarah O'Brien in the U-10 60 metres hurdles. Mark O'Donnell ran in the boys marathon finishing 3rd and qualifying for Mosney. Other people heading for Mosney are Niamh Briggs who won the girls U-16 Javelin, Stephen Enright who had a good win in the boys U 12 Long Puck (with Stephen Lanigan in 3rd place). Craig Kinghorn had a super race in the boys U-10 200 metres and emerged the victor.

In the relays, Abbeyside did very well, winning 3 of the 6 relays entered and were in silver medal position in the girls u-14 relay. The boys U 12 and the girls U-12 teams both reached the final. The first winning team was the boys U14 and what a race they had with the finish going right down to the wire. The winning team was Diarmuid Sheehan, Paul O'Donnell, Jason O'Brien and Brian Curran. In the u-15 mixed relay Abbeyside led from the start and had a comfortable lead through the finishing line. The winning team was Kate O'Brien, Lorraine Whelan, Peter Phelan and Padraic Cullen. To finish off the Abbeysides treble the boys U-17 came home to an easy win, this team also leading from the gun. The winning team was Mark O'Donnell, Philip Wade, Liam Sheehan and Sean Cleary.

Other athletes who may not be going to Mosney in September but who ran really well on Sunday were Róisín Preston, who ran a great race in the heat to reach the final of the girls U-8 80m. In the same age group Ronan Sheehan finished in 3rd place. In the boys U-10 100m, Patrick Lanigan reached the final. Trevor O'Donnell and Austin Kiely were in the final of the boys U 12 100m. Here, Trevor finished in silver position, the same place as his brother Paul in the boys u-14 Long Jump. Diarmuid Sheehan ran a very good race in boys u-14 100m again finishing with a silver medal. In the girls u-14 100m Lisa Fitzgerald and Sarah O'Brien were both in the final with Sarah just being pipped on the line. Lorraine Whelan ran well to finish again with a silver medal in the girls u-16 100m.

We wish the best of luck to all those participating in Mosney in September and hope that they have an enjoyable weekend. We would like to thank the generous Frank Nugent of Centra Abbeyside for sponsoring our medals in the Area Community Games finals. We much appreciate his kind support every year.

SCINTILLATING SINDAAR

The Aga Khan owned, John Oxx trained and Johnny Murtagh ridden Sindaar turned in yet another scintillating performance over the weekend, running away with the Budweiser Irish Derby collecting a million dollar bonus having already captured the English Derby at Epsom. Montjeu was another to triumph over the weekend in France and should he meet Sindaar at any stage this is certainly one race no racing fan should miss out on.

OP FOR KINGS BEST

Pulled up by Pad Eddery in last Sunday's Irish Derby Kings Best underwent surgery this week to repair his fractured off fore cannon-bone. While the operation went according to plan the racing career of Kings Best is very much up in the air at this stage.

FLAGSHIP TRAINER

Top chaser Flagship Uberalles will have a new trainer for the next National Hunt campaign. He will be returning to the Paul Nicholls yard but will instead join former Irish trainer Noel Chance.

NEW MANAGE SUE

Sue Phelan was last week appointed to the position of manager at Tramore Racecourse. She succeeds Michael Murphy who is to concentrate on his personal business commitments.

THIS WEEK'S FIXTURES

RAY ON THE MEND

Anybody watching Channel 4's racing line last Saturday morning will have seen how well Jockey Ray Cochrane was looking after his recent plane crash. Looking tanned and refreshed and full of chat Ray indicated that he is hopeful of resuming action at Newmarket in mid July.

ALLEGED DEAD

A winner of two "Arcs" in France, the ex Vincent O'Brien trained allegedly died last week in Kentucky. He served his last mare at the end of the 1997 breeding season.

INJURED JOCKEYS

National Hunt jockey's who are currently side lined through injury include Neil Mulholland who broke a collarbone at Kilbeggan while at the same meeting Garrett Cotter fractured his jaw.

LODER RETURNS TO U.K.

French based English born trainer David Loder is to move back to train at Newmarket from his current base at Evry in France. This has come about after the decision taken by the Godolphin outfit to relocate their two year old operation back to England.

MISSING AGA KHAN

MICK'S INJURY

Top jockey Mick Kinnane missed out on riding a number of winners at the Curragh on Sunday having tweaked a muscle in his back riding on Saturday.

TRAMORE RACING FESTIVAL BUILD UP

Following the record breaking success of the New Year's Day meeting, the Waterford & Tramore August 2000 Festival promises to be another winner alright.

The Four day Festival which starts on Sunday August 13th promises to be action packed both on and off the race track, with the pre-festival party at the racecourse on Saturday 12th, kicking off the summer's festivities.

This year will be the richest Festival ever with Tramore continuing the tradition of having all their races sponsored. New sponsors this year include Bord Gais and Kerry Foods. "We are delighted to have new sponsors along with all our 'regulars' who have been great supporters of Tramore and who have all increased their levels of sponsorship on last year's amount to ensure that our Millennium festival will be the richest one to date" said Director Karl Casey.

Tote Ireland has guaranteed a jackpot of £7,500 each day. For the first time at Waterford & Tramore racecourse since the new management under Chairman Peter Queally took over, sixteen runners will now run in handicap guaranteeing fourth place prize money.

Setanta Sport will provide the big screen in front of the stand for the four days of the festival. On Sunday 13th it will be possible for Tramore punters to watch all the action at the Gr. 1 'Irish Independent Heinz 57 Phoenix Stakes' at Leopardstown, when there will be a simulcast between Waterford & Tramore and Leopardstown racecourses. Cross betting will be available and the Leopardstown card will be printed in the all new colour Tramore racecard, which was launched at the June 27th race meeting. "This is a very exciting move for Tramore", said Director Eamonn Griffin. "We are delighted to be associated with Leopardstown racecourse and to be able to bring Group One flat racing to Tramore".

The festival promises something for all the family and this year, Tuesday 15th (which has been rescheduled as an afternoon meeting) will be Ladies Day when glitz and glamour will be the order of the day. A huge entry is expected this year for the Best Dressed Lady Competition. The prize money of over £1,000 is sponsored by See Saw Boutique, Georges Court, Waterford. Supervised creche facilities, bouncy castles and face painting will ensure that the kids are entertained, however the fun won't finish when the racing ends. Entertainment in the Inside Track Bar will continue long after the winners have past the post.

Corporate entertaining is proving to be a huge success at Tramore where business and pleasure mix easily and this year the Harrison Partnership will once again be overseeing the catering in the corpo-

rate marquee and full details are now available from the racecourse.

TRAMORE UPDATE

A large sun drenched crowd enjoyed last Tuesday nights seven race mixed programme at Tramore. The tote aggregate figure of just under £50,000 was encouraging and far better than a lot of the midweek meetings at other venues around the country.

Dual Grand National winning jockey Ruby Walsh was in sparkling form riding a brace of winners. In the opening maiden hurdle he had a comfortable ride aboard the Willie Mullins trained Barts Choice this well supported 5/2 shot coming home seven lengths in front of Lisadobber Lady.

Victory number two arrived courtesy of the Dolores Keating owned and Paul Lenihan trained Little K 7/2 this course and distance winner coming with a well timed run to out pace Honey Trader and score by two lengths.

There was some inspired early morning support for the Paul Lenihan trained Cuanin Tain in the one mile six furlong handicap but with very little to recommend him on the form book it came as no surprise to see him finish well down the field behind the Charlie Swan trained 9/4 chance Aboriginal. The John Flynn trained eleven year old Clonagam stayed on well close home to snatch the runner up spot from Liffeydale whose rider appeared not to ride out for second place. This error by Emmet Stack the rider of Liffeydale saw him forfeit his riding fee and also incur a four day suspension. Tarasi also ran in this contest for the Kent family but after racing up with the pace he faded out of contention and is obviously better suited to hurdle races.

Waterford horses dominated both the market and the race itself in the two mile six furlong maiden hurdle. When Brancardier last raced at Wexford he appeared not to stay but on reflection it now looks like he is best suited to a longer trip. Given a supremely confident ride by senior jockey Conor O'Dwyer the Gerry Halley owned Brancardier gave his fourteen rivals the slip early on and showing no signs of weakening in the final half mile he cruised to a nine lengths win over the John Roche trained Ballinarrid, the evens favourite. I am sure if this race was run again Ballinarrid's young jockey would ride his mount closer to the pace but having said that the John Berry trained winner was the best horse on the day. No doubt Brancardier will be launched over fences in the not too distant future and given his experience should pick up a novice chase without too much bother.

Young seventeen year old Rodger Quinlan who is attached to the Eddie O'Grady yard rode his first ever winner in the bumper guiding 10/1 chance Miss Information to an easy victory for his master. Frankie King of Tramore Amusement Park presented £30 to the groom in charge of the best turned out in every race at the meeting.

GOOD VALUE

Tramore Racecourse are offering great value in admission for their upcoming August Festival of racing. For just £35 you can gain admission for the four days plus admission to the November meeting. Considering admission to the August four day meeting is £10 per day and admission to the November fixture is £8 this represents a saving of £13. Tickets can be purchased directly from the racecourse or from Sinnotts Record Shop, Michael Street, Waterford.

NEW STYLE CARD

Although the price of the racecard at Tramore increased by 50 pence last week most observers found favour with the new style glossy type Cheltenham Card. I am still of the opinion however, that the race card should still give a detailed form line with comments about each runner.

AMSTEL PUB LEAGUE

MARINE BAR CRASH OUT ON PENALTIES

Marine Bar (2) Parish 'B' (2)
(Parrish B Won on Penalties)

The Marine can count themselves very unlucky to have lost this game as two goal keeping errors proved to be their undoing. The two sides had met last year as well with the Marine running out 8-1 winners but the Parrish had a much stronger and more experienced team this time round. The Parrish took the lead when the Marine keeper punched the ball into his own net from a free kick from the left. They were level within 10 mins. when Paddy Walsh controlled a long ball and finished with a blistering volley to the corner of the net. The Parrish regained the lead when a Paul Sheridan back pass was completely missed by the keeper and the Parrish forward tapped into an empty net. The Marine were level again 5 minutes from the end when ace goal poacher Walsh reacted first when the ball broke in the box to finish coolly past the advancing keeper. Then came the drama of the penalty shoot out. Kenny Kiely, Philip Coles, Brian Power and Paddy Walsh were all successful from the spot with Raymond Power the unlucky one to miss.

The Marine can take a lot of heart from this game, knowing that all that stood between them and the next round was penalties. Best for the Marine were Kenny Kiely, Paul Sheridan, Philip Coles, Raymond Power and Paddy Walsh.

TOBIN THE HERO AS KING KENNY SAVES MOONEYS

Mooney's 0 Local B 0
(Mooney's 3-1 on penalties)

An intriguing game involving two panels of gladiators in the prime of condition saw Mooney's go through at the expense of a gallant Local B combination. The early exchanges were tense and tough with little quarter asked or indeed given but Michael Ferncombe was closest with a free kick for the Local after 10 minutes which Kenneth Tobin spectacularly saved between his legs. Mooney's had a strong appeal for a penalty when a fierce Paudie Breathnach drive cannoned off Kieran "Abel Xavier" Prendergast's arm. The Portlaw referee was unconvinced. Local responded and when legendary Sunday morning striker Fran Meehan was clear his rising drive almost cleared Helvick. Still the midfield battle ensued as Alan Kelly and Micky Young battled the indefatigable Kelleher and bustling Beanie Byrne. Up front for Mooney's young Alan Manahan and Seamus Hayes were snuffed out by wily veteran Ferncombe while at the sharp end for the Local teen striker Richie Power was tireless in his running. Still the stalemate continued despite David Fleming's goal controversially ruled out for offside while Mickey Young suffered the same fate after an audacious ricochet between keeper and centre half. So to penalties and cometh the hour cometh the man and Tobin rose to the occasion with style. So Nicky Walsh and Tom Gough carried the day but the challenges ahead will see if they can continue to avoid the chop.

KIELY'S B COMMIT HARRY-KARI

ANSELL INSPIRES PARK HOUSE

Park House 2 Kiely's B 1

Another tight contest involving two very committed teams saw Park House triumph over a Kiely's B side which tried until the end of a pulsating game. Park House took the lead when Joe Kelly (Vialli) fired home from 40 yards after 10 minutes to leave the massive Park House support ecstatic. A feature of the game was David O'Connor's goal keeping as he repelled attack after attack. Kiely's B fielded an energetic young side which included well known GAA referee Tommy Sullivan. Kiely's went close on several occasions in the second half and Michael Doocey shaved the post with a searing drive. When the equaliser came it was certainly one of the best seen at the venue for many a long year. Joe Walsh (Ballymac) made a brilliant run which took him past 5 defenders and he squared the ball for Danny Hickey to fire home from close range. Park House were stretched but kept to their task admirably and with 90 seconds remaining Paul Duggan got to a deep Kelly cross and squared for Harry Ansell to fire home.

RAILWAY ATHLETIC F.C.. CLUB NOTES

Well, its almost time to prepare for the new season with the old season only gone. For some of our members, they had very little break.

SOCIAL

There is a lot of gossip going around about our social. We had to defer the social to probably August, the reason being holidays and there are a number of weddings in July and a lot of people would be going to both. We will decide on this issue on this Wednesday at our meeting.

GOLF CLASSIC

Final preparations are made

for our Golf Classic which will be held on the 21, 22, 23 July, Gold Coast. A lot of work has been put into this especially by Eamon Costin and Pat Landers.

PRESEASON

Junior Preseason will start on Sunday 16th July and for schoolboys on the 15th July. A number of very good friendlies are arranged for both schoolboys and juniors. Venue will be made known next week.

COMINGS & GOINGS

A lot of talk about players going and coming to us at this time of the year brings a lot of

talk. I have no doubt that every player enjoyed their season, maybe we have no silverware but we had a great season. We ended up in second place in 1A and a cup final with the second team, and only in the past weeks we have two more F.A.I. qualified coaches. So, if players want to improve, there is no better club. We have another member doing level two coaching course in the coming weeks. We have a lot of players who played underage with us and who are still there because they enjoy the way the club is.

MANAGERS WANTED

As every club knows, it is hard to get people involved. We are looking for managers for two junior teams and two schoolboy teams. If there is anyone out there who would like to manage a team for us, why not apply to: Alice Reddy, Shanbally, Cappoquin.

Our Under-10 squad are playing a lot of games at the moment. Last week we had two teams in Kilmacthomas. We won one game and lost one. Great credit is due to manager Michael Morrissey and his assistants.

CARLING INTER-FIRMS TOURNAMENT FINAL 2000

Traders Dream Shattered by Crystal

DUNGARVAN CRYSTAL 'A' 0
TRADERS 0
(Crystal won 3-1 on penalties)

On Friday evening last the final of this year's inter-firms took place. It was nine years since the Crystal last lifted the John Dwyer Perpetual Shield and they felt that this was their year. On the other hand the Traders were most peoples choice to win on paper as they had arguably the strongest team.

The game was really a cat and mouse affair with chances kept to a minimum. It was 22 minutes before the first clear cut chance arose when the Crystal broke down their left and Gerry O'Connor whipped in a superb cross with Liam O'Brien just failing to connect. Their were further half chances within the half, but both defences stood resolute as they half time whistle came.

The pattern of play on the resumption mirrored the first in terms of chances with only three reasonable efforts. The Traders nearly took the lead on 48 minutes when following a John Power free kick Tommy Butler headed narrowly over the bar. On 68 minutes it was the Crystal's turn to turn up the heat. John Paul Donnelly's corner reached Liam O'Brien whose header was somehow cleared off the line by Clive Crotty. After this both teams seemed to resign themselves to

extra-time.

The only chance that came in extra-time was to evergreen striker Tommy Pratt who beat the off-side trap only to be unceremoniously taken down by keeper Michael Cummins. With the keeper red carded John Paul Grey took over in goal and the game petered out to a tame finish.

The real excitement came in the penalty shoot out with the Crystal victorious on a 3-1 score-line. The scorers for Crystal were John Paul Donnelly, James Sheehan and Tommy Pratt (who got the all important third and did his usual somersault!). The Traders lone scorer was John Power. The hero for Crystal in the penalty shoot-out was keeper Johnny Sheehan who saved from Tommy Butler and Kevin Walsh.

Crystal: Johnny Sheehan, Ross Power, Dave McCarthy, Pat Dunford, James Sheehan, Pat Walsh, J. P. Donnelly, G. O'Connor, Alan Landers, Tommy Pratt, Liam O'Brien. Res: Terence Condon, Stan Cummins.

Traders: Michael Cummins, Owen Simms, Kevin Walsh, Billy Coleman, Martin McGovern, Loe Barry, John Paul Keohan, Clive Crotty, J. P. Grey, Tommy Butler, John Power. Res: P. Walsh, John Downey, S. Condon.

Dungarvan Crystal 'A' winners of the Carling Inter-Firms Tournament 2000. Back row left to right: Alan Landers, Pat Dunford, Johnny Sheehan, Jim Sheehan, John Paul Donnelly (captain), Dave McCarthy, Tommy Pratt, Kieran Fitzgerald (coach). Front row (l. to r.) Terence Condon, Pat Walsh, Joe Salmon, Ross Power, Liam O'Brien, Stan Cummins (Manager)

Traders, runners-up in the Carling Inter-Firms Tournament 2000. SEMI-FINAL REPORTS

Century Homes Unlucky In Thriller

TRADERS 3 CENTURY HOMES 3
(Traders won 4-3 on penalties)

Century Homes almost caused the shock of the tournament on Wednesday evening last in the first match when they came from behind three times to draw level and force the game to penalties.

John Power gave the Traders an early lead when he fired home and the crowd were wondering how many goals they would win by. However, they did not realise that Century Homes had an ace up their sleeve in Peter Ferncombe. It was the veteran with the educated left foot who got them back on parity after 20 minutes when he shot home after the Traders defence failed to clear. With two minutes left in the first half Traders were awarded a penalty for handball and John Paul Grey slotted home to give the favourites a 2-1 lead.

Traders centre-half Kevin Walsh left the field with an eye injury, as Tommy Butler and Martin McGovern were introduced as substitutes. Century Homes got back on parity in the 55th minute when Alan Simms cross was met by Matty Ducey whose shot went across the face of the goal and Pepe Ferncombe was in like a flash to prod the ball home to the delight of the Century Homes supporters. Five minutes later John Paul Keohan's pin-point cross found Martin McGovern at the back post and he slotted the ball home to give Traders a 3-2 lead. But Century Homes refused to lie down and with 5 minutes left Matty Ducey equalised again following a goalmouth scramble.

We then had the penalty shoot-out and it was drama all the way with the first two penalties saved. Traders put J. P. Grey in goal and he saved from Ml. O'Sullivan and Tom Byrne. While Rob Jones saved John Power's kick. J. P. Keohan, T. Butler, J. P. Grey and Clive Crotty scored for the winners, while Darragh Breathnach, P. Ferncombe and Alan Simms were successful for Century Homes, which gave Traders a 4-3 win.

Vee Unable To Hold Crystal

CRYSTAL 'A' 3
VEE CONSTRUCTION 0

Newcomers Vee Construction made the Crystal fight all the way in the second semi-final, especially in the first half. But once Crystal scored their second goal early in the second half their was only going to be one winner.

John Paul Donnelly gave the Crystal a dream start after only 6 minutes when he dispossessed a

defender and went on to finish with aplomb. Minutes later Vee had the ball in the net from an Edward Pollard strike but it was ruled out for off-side. Tommy Pratt had a couple of chances to extend Crystal's lead but saw his efforts go narrowly wide. Vee were well in the game up to half time and gave as good as they got

in the first period with Gary Keane, Eoin Bennett, keeper Mark Landers (brother of Brendan), Stephen Quinn, David Whelan, Patrick Walsh, Rob Barry, Doc Donnell and Billy Walsh all excelling.

But once Stradbally man Liam O'Brien gave Crystal a two nil lead 3 minutes into the second half the game was over as a contest. Eoin Bennett did have a shot come back off the crossbar as Vee

tried hard to get a score. Midway through the half a Liam O'Brien free kick special saw Mark Landers unable to hold the rasping shot and Tommy Pratt was in like a light to finish to the net and did his customary somersault in celebration - to the amusement of the crowd!

With 3 minutes remaining Crystal were awarded a penalty but Johnny Sheehan's kick was well saved by Mark Landers.

FRED DALY TROPHY

On Tuesday last 27th June the Gold Coast team took on Tramore in the Fred Daly Trophy played in Clonmel Golf Club. This was a match that went all the way to the wire with the Gold Coast losing the final match on the 18th green. This was a competition that the Gold Coast hoped to go a long way in but on the day met a Tramore team that was just a little better. Hopefully Tramore will now go on and win out the competition and the experience gained by the Gold Coast Juvenile team will help and encourage more of our young golfers for the future.

DAVE CLARKE ON FIRE

Dave Clarke has been knocking on the door for some time now and eventually his patience, dedication and practise paid off handsomely this weekend. Not alone did David play his part on the winning mixed scramble team on Friday evening but he also scooped one of the major prizes of the year when he won the Vice Presidents prize, presented by Johnny Hughes on Sunday.

At last that piece of Waterford Crystal will be making its way to the Clarke household which will make Dave very proud that at last he is living up to his promise.

CLUB FOURBALL BETTER BALL

At the moment there are four members willing to sponsor the club Fourball Better Ball match play and if there is anyone that can come up with a suitable name for this competition, as it is sponsored by members, please pass on your suggestions to any member of the committee.

JUNIOR CUP

The Gold Coast Junior Cup team take on the winners of West Waterford and Co. Tipperary Golf Clubs on Saturday 22nd July in Tramore Golf Club. Colligan Woods Riding Club

Anthony Lynch on "Colligan Kim"

The Intermediate Team and Primary Team honours also came to the home club. A hotly contested Intermediate jump off saw Trish Walsh and "Lisfennel Lady" ease Colligan Woods into victory, with a sedate and comfortable clear round. Trish took her time knowing that all that was needed was a clear round, the other finalists, Kilotteran, having clocked up faults. Riding for Colligan Woods were, Caroline Lynch, on "Murphy", Anthony Lynch, on "Gypsy" and Trish Walsh, on "Lisfennel Lady". Our Primary Team comprised, Frances Condon, on "Starzipan", Des O'Brien, on "Toby Lord Byron" and Angela Lynch, on "Gypsy".

The event was backed by a strong core of loyal sponsors without whom we could not hope to stage such a competition. Our thanks are extended to the following: John & Louise Moloney Colligan Equestrian Centre who not only provided sponsorship but also the venue, John Power Auditors & Accountants, Cois Mara, A-Tec Security, Kilgobinet, Mountain View House Luxury B&B, O'Connell St., David Walsh Office Supplies, Main St., The Park Hotel, Shandon, Dungarvan Nissan, Youghal Road, Ger Walsh & Son Agri & Auto Service, Lisfennel, Quill's, The Pike, Garvey's Super Value, Davitts Quay, Herlihy's Super Valu, O'Connell Street, Florrie's, Clonecety and Helen Harty, Dungarvan Saddlery. A note of gratitude also for the dedication of the Civil Defence volunteers who were on hand all day to provide first aid which, thankfully was not required. The final accolade of the day goes to Eibhlin Power who earned the title "Scrubber of the Year".

SNIPPETS

Two special awards were made after the show. Noreen Stack's "Apollo" received the "Plump Rump" award for the best hindquarters. Tess O'Brien's "Toby Lord Byron" received the Donna Summer award, otherwise known as the "Enough is Enough" award, for turfing his rider in the last competition of the day and running home to Mum. This incident did, however, have an up side. Des is now in contention for a "Mattie". It has been suggested that a soft cushion would be preferable. A certain mature lady did not wear her glasses when judging the showing classes, could this have impacted on the result? Colligan Woods now holds the record for the youngest ever spectator at a show. Shane Moloney, at only six days old, took it all in his stride undoubtedly a future member of the Moloney equestrian dynasty.

WATERFORD JUVENILE HANDBALL - FEILE NA nGAEL

Friary/Abbeyside/Ballinacourty Handball Club Win Division 2 & The Michael Tyrrell Memorial Cup

Our Juvenile Handballers travelled North last weekend to take part in the Feile Competitions and Parade.

On Friday, we played the Round Robin in Carrickmacross against Ballyhogue, Co. Wexford, St. Mary's of Leixlip, Co. Kildare and the Host Club, Carrickmacross. The Club was represented by Mark Fives (Captain), John Kindregan, John Cass, Patrick Hurney and Jason O'Brien.

Our first game was against the Host Club, Carrickmacross. These two games were hard fought. It took both sides quite a while to settle down as it was 10 a.m. in the morning and a bit early to be playing handball. Both sides ended up with a point each. Our next opponents were the Kildare team. We proved too strong for them, taking the two points. Our doubles were against Ballyvogue of Wexford. We needed one more point to qualify for the semi finals and a day out in Belfast. Our first doubles pair played very well but lost out on the score 10-21. We won the second game 21-12 and so qualified for the semi finals.

Play started at 11.00 am on the Saturday morning. John Kindregan and John Cass were first in. Both put on a great show to beat two very good players from the St. Coman's Club in Roscommon, winning 21/17. Mark Fives and Patrick Hurney had to make sure we got 18 scores, otherwise we were gone. No need to worry as they ran out winners on the score 21-3. We had qualified for our first Feile final. The other semi final was played at the same time in the next court. Our opponents in the Round Robin on the Friday, Ballyvogue came through.

So the final was going to be Abbeyside v Ballyvogue and

was fixed for 12.30 p.m. First into battle was our doubles pair who lost to Ballyvogue on the Friday.

Everything depended on these four players winning so that the title would go to their club. What a performance by John Kindregan and John Cass. They outplayed the same two who had beaten them well on Friday. From the word go they played hard and fast and made life very difficult for the Wexford players. We had a lead of 20-10 with the Wexford lads to serve. It looked all over. What a comeback by Wexford. They clawed their way back into contention ace by ace and managed to reach 18 aces before our representatives managed to get them out. Our lads got in and John Kindregan gave a great serve to take the game with a score of 21-18. Mark Fives and Patrick Hurney were in next and they gave a great account of themselves. They out-thought and out-foxed the two Wexford players and won on the score 21-3.

In the end we won well with results as follows:-

Semi-final, Friary/ Abbeyside/ Ballinacourty, 42-21, St. Coman's Roscommon.

Final, Friary/ Abbeyside/ Ballinacourty, 42-21, Ballyvogue, Wexford.

This was the first Feile title to come to Waterford in Handball.

Well done to the lads, to Michael Cass and Michael Browne who travelled with the players, to our hosts, Carrickmacross and St. Paul's, Belfast. We would like to thank Paddy and Eileen Prendergast who opened their beautiful home to us for the weekend and our great friend, Eddie Corbett of Ballyporeen - where would we be without him.

THE HORSE SHOE DIARIES

Colligan Woods Gymkhana: For the year 2000, our annual show was extended into a three-day event. Friday evening saw the preliminary dressage and jumping get off to a flying start, with an admirable turn out of members to support the donkey work involved - a note of thanks here to our course builder Michael Condon for his trojan work in designing and building a top class course. Saturday evening saw our inaugural cross-country event with Tess and "Trumpton" the undisputed winners, despite a number of wettings while negotiating the steep bank and water jump. John and "Blue Watch" took a close second, encountering some problems with the dust bowl, while Des and "Pumps Two" took third. Des had led the event for a substantial part of the afternoon, however, his refusal to tackle the water jump cost him dearly. Kevin and "Chain Saw" performed very well, but lost momentum as the evening wore on, while Francis and "Time Off" didn't make it past the first hurdle.

Sunday kicked off with Primary Dressage and, against stiff opposition from outside clubs, Angela Lynch, on a beautifully turned out "Selina" and Des O'Brien, on "Toby Lord Byron" took 2nd and 3rd place, respectively. This was a fine performance from Angela on her first ever Dressage outing.

The Advanced Primary Competition saw honours coming to the club again. Karen Flynn on "Murphy" took 1st place with an almost flawless performance. Trish Walsh, on "Lisfennel Lady" took 2nd. Donna Cody, on "Biscuit", riding out of competition, also gave a fantastic performance. Donna has done a mar-

vellous job with this young horse that is improving with every outing. Had Donna been riding in competition, she would undoubtedly have given Karen a run for her money and we look forward to seeing this pairing taking Intermediate honours next season.

The Primary Show Jumping saw a strong contingent from the club participating. Our top competitor was Anne Wright, on Lizzie Walsh's "Rocky", who took 2nd place. Pat Barron, on "Katie" took 3rd. Angela Lynch, on Clíodhna Walsh's "Gypsy" took 4th, Carol Whelan, one of our girls in black, took 5th and Eibhlin Power, on Una Power's "Starzipan" took 6th. Deirdre Power made her second "Mattie" bid of the season, on "Local Boy Mattie". A little more concentration on the Mattie aspect and less on the Local Boy would undoubtedly have paid dividends. Ann Heneberry, on "Higher Level", made a valiant bid for the top spot, with a lovely double clear, however, her effort was unsuccessful. The Advanced Primary competition saw another double clear from Frances Condon, on "Carib" who was just pipped to first place on optimum time. Des O'Brien, on "Toby Lord Byron" took 3rd place, with four faults.

The Intermediate Competition again saw a large entry from the club, with 2nd place going to Trish Walsh, on "Lisfennel Lady", the only home entry to make the jump off. Anthony Lynch, on Hilary Walsh's "Fudge" and Kevin Roche, on Eibhlin Power's "Lady Epona" tied on 6th place, with four faults apiece. Donna Cody and "Biscuit" again performed brilliantly, but out of competition. The Advanced Intermediate Competition saw Caroline Lynch, on Karen Flynn's "Murphy" take 6th place.

CLUB CLOTHING

O'MAHONY CYCLES LEAGUE

Summer finally came to us last Wednesday night for our second trip around Millstreet. In perfect weather conditions, 28 riders took to the start line and a great race followed with riders having been left off at varying intervals.

Liam Lynch put in a great effort not being caught 'til Master

McGrath by the main group.

With valuable points at stake, it was all to sprint for at the finish and sprint they did with Pat Kenneally taking the honours from David Geary.

Most unfortunate rider on the night, having suffered a hurling mishap on Monday night was Pádraig Cullen who touched a wheel on the final bend and came down. Pádraig has recovered well and even won a Munster title in the hammer on Saturday. Well done. Has anyone seen Joe Fitzgerald?

Positions have not changed much at the top of the league.

BY MARK PHILLIPS

WATERFORD TUESDAY JUNE 27TH

This is one midweek fixture that certainly found favour with the punters as a number of well backed runners obliged. Racing got underway with four first round heats of the Dairyland Cuisine Unraced Challenge stake.

Heat One — The May Aylward owned Mays Pelaldante (Blue Lagoon - Droopy's Daphne) 3/1 to 4/6 attracted all the money here but her cause looked a hopeless one as she was left stranded at the rear of the field. There was plenty of close running between the leaders over the first two bends however and The Jolly picked off her rivals one by one down the far side running on in fine style to inflict a twelve lengths defeat on Ardera Triona in 29.94.

Heat Two — Not even an early stumble could prevent the Sean Bourke and Pat Ryan owned Mustang Mindy (Smooth Rumble - Mustang Annie) the 4/5 hot pot from gaining a runaway success in a speedy 29.37. Despite her early scare "Mustang" secured a dream passage up the rails to lead out of the first bend and it was all one way traffic from that point on with the favourite coming home a distance in front of Autumn Truman.

Heat Three — Springview Toby raced into what appeared to be a winning lead in this qualifier but the well bred Lonesome Charlie (Westmead Merlin - Ta Failte Romhat) 5/4 had other ideas and finishing with a great burst the Jennifer McDonald owned Lonesome Charlie came through on the rails to triumph by a length in 29.47.

Heat Four — The Derek Kehoe owned Having Sometime (Ready About Nga - Good Fairy) 6/4 won the early battle for supremacy around the opening turn from a challenging market rival Powerful Rover 1/1 and turning on the style for his enthusiastic owner Having Sometime lived up

to his name coasting to a twelve lengths victory over Clarks Fancy in a fast 29.34.

Carrigeen owner May Aylward enjoyed her second victory of the night courtesy of Mays Sabarajad 5/4, this son of Skip Pass and Spring Power proving a length too strong for the always prominent Lakefield Power in a career best 29.77.

Gaffers Peer raced into a three lengths back stretch lead in the sixth but the Tony Ryan owned and Dick Ryan trained Field Rock (He Knows - Kingsmeadow Mist) 4/1 gradually reeled in the leader to come through for a deserved length and a half victory over Gaffers Peer in a respectable 29.60.

The Peter Brady trained Elton Flash (Vintage Prince - Cool Silver) the evens favourite scored his second sprint win from as many outings making practically every yard of the running to land the seventh event from Premiere Champ in 16.72.

Only three runners went to traps for the eighth contest and it proved a mere exercise gallop for the Aine O'Connor owned and Bernard Goold trained Shanballa Pride (Staplers Jo - Ellis Charm) 4/6 who swept to an eight lengths victory over Come Home Jane in 29.96.

Sparranco Rose led to the half way mark in the ninth where the Noel Farrelly owned and Ann Wade trained Vinova Dilemma (Pepes Dilemma - Now Go) 6/4 picked up the running to motor on for a two and a half lengths win over a fast finishing Any Venture in 30.09.

The early paced Kish Panther appeared well on his way to capturing the final race of the session but after holding every chance of victory he was run out of it close home by The Walltrop Syndicate owned and John O'Mahoney trained Walltrop Square (Some Picture - Fahee Lantern) 6/4 who stayed on strongly to

record his initial win in 29.82.

WATERFORD SATURDAY JULY 1ST Roney Made A Point

The opening meeting of July featured the semi final of the Dairyland Cuisine Unraced Stake plus the semi finals of the Riverside TV 29.50 event. Starting at 1/7 the Sean Bourke and Pat Ryan owned Mustang Mindy (Smooth Rumble - Mustang Annie) absolutely ran away with the first semi final of the unraced event streaking clear of his rivals for a cosy thirteen lengths success over Lisawalla Jack in 29.33.

Trainer Derek Kehoe had two runners in the second semi final but he won with the outside of the pair as Anthony Dearing's Trans Murphy (Some Picture - Cushie Mustard) 4/1 produced a fine dash of early pace from trap two to make every yard of the running for a length and three quarters win over Having Sometime in a red hot 29.15.

John Gaffney's Pearls Lotto (Deenside Spark - Strike It Again) 3/1 defeated some better fancied opponents in the first semi final of the Riverside TV event motoring into an early lead eventually proving three and a quarter lengths too good for Opee Villiers in 29.63.

In a lively second semi final Access To Water and Enjoy The Night battled it out up front the length of the back straight but victory in the end went to Jack Leamy's 4/5 favourite Access To Water (Liffey Mills - Moat Miracle) who beat a running on Deerpark Beauty by a length and a half in 29.80.

Glenbervie Clan and Charity Eimer had the opening event to themselves a long way from home with Damien and Maurice O'Regan's Glenbervie Clan (Druids Wally - Scintilla's Manx) 4/1 staying on the stronger to run out a length winner over Charity Elmer in 30.41.

Without a victory for some time the D Dunphy and G McDonald owned and Pat O'Neill trained Narabane Kitty (Moaning Lad - Narabane Lucky) 3/1 made no mistake from a middle draw in a graded marathon scoring a trap to line neck win over a fast finishing Korveya in 42.18.

Early pace was the vital ingredient to success in the third as Michael Mahers

4/1 outside Charity Echo (Trade Official - Charity Rose) showed sound early boot on her way to a comfortable five and three quarter lengths win over a wide running Warehouse Jack in 29.91.

A graded 730 yard marathon saw the George Roche owned Roney Point (Mustang Jack - Metric Penny) run out an emphatic winner over the opposition in an eye catching time of 41.09. Backing in from 9/4 to 4/5 Roney Point quickly glided into a clear lead over the opposition and showing no signs of weakening had nine and a half lengths to spare over Pea Hill Reject who checked near the winning line.

Mo Madra the 1/1 favourite made the best of his way home in the ninth event from Tramore Lad but despite finding traffic problems between the final two bends the Bobby Campion and Tommy Norton owned Durrow Prince (Vintage Prince - Treasure Beo) 5/1 produced a storming finish up the home straight to come through for a length and a half victory. Time 29.23.

The mechanical hare failed to make it beyond the second bend in the final race of the night and the race was declared void. All bookmaker and Tote bets were refundable in full.

WATERFORD FINALS

Kilcohan Park, Waterford is the setting for the finals of the Dairyland Cuisine Unraced and Riverside TV confined 29.50 events on next Saturday night and the following are the trap draws.

Dairyland Cuisine Unraced Final (525) 1 Trans Murphy. 2 Lissawilla Jack. 3 Autumn Truman. 4 Having Sometime. 5 Mustang Mindy. 6 Lonesome Charlie.

Trainer Derek Kehoe holds a strong hand in this decider with three of his runners through to the final. Trans Murphy is certainly on the upgrade but will need to be at his very best to beat Mustang Mindy and Lonesome Charlie. Riverside TV 29.50 Final; 1 Deerpark Beauty. 2 Her Linda. 3 Opee Villiers. 4 Pearls Lotto. 5 Access To Water. 6 Enjoy The Night (w).

In what can only be described as a wide open final local entry Pearls Lotto could well shade a narrow win over Opee Villiers and Access To Water.

Dungarvan G.A.A. Club Notes

SENIOR FOOTBALL LEAGUE FINAL

Last Sunday evening we contested the final of the senior football league against Kilmacthomas at the Fraher Field. Having gone through the league section undefeated, a victory here would be just reward for our efforts so far but Kilmac also had their sights fixed on victory. Having to start minus the services of regular players through suspensions, injuries and unbelievably unavailability at the last moment, this was a handicap that was going to be difficult to overcome. And so it proved, as Kilmac were on the night a much sharper outfit and indeed midway through the second half had the cushion of a ten point lead. It was only then that we started to play somewhat and reduced the deficit to just one point and it remained that way at the final whistle with a deserved success for Kilmac. This de-

feat sets us back somewhat as we prepare for our round robin championship campaign with Ring and Clashmore whose match incidentally ended in a draw on Saturday night. However, what was most disappointing on Sunday night was our poor level of performance and we seem to have gone backwards quite considerably since our outing against Rathgormac some weeks ago. With our championship outing in two weeks time, we still have time to get things right and that rests solely with ourselves.

INTERMEDIATE HURLING

The intermediate hurling championship commences this Saturday night in Cappoquin where our opponents will be Ballysaggart. As our last two league outings were hugely disappointing we will have to improve immensely if we are to be involved in this championship. A lot of time and effort

has gone into preparing this team and again it will boil down to how we perform on the night. Hopefully we can recapture some of our hurling ability shown in our earlier league games and progress to the second round.

JUNIOR HURLERS

Our junior hurlers travelled to Old Parish last Friday evening and completed their league campaign in convincing style to remain undefeated.

MINOR FOOTBALL

Preparations continue for the minor football championship which commences on Wednesday 14th July with our first game against Kilgobinet over in Abbeyside. We would like to wish Paul Power and his Waterford minor footballers the best of luck this Thursday evening when they take on Kerry in the Munster semi-final in the Fraher field.

U-16 HURLING

The second game in the U-16 championship takes place next

Monday evening against Clonea at 7.30 p.m. in Clougherane.

U-12 HURLING

Our U-12 hurlers travel to Ballymac this Sunday morning to play Fourmilewater in their second game. Having won their first game it would be nice to continue that winning run.

U-10 HURLING

Our U-10 hurlers travelled to Kill last Saturday morning for the third round of the city league. We had only one game to play this day against St. Mary's where it ended up all square and a second draw in our campaign. This Saturday we travel to Mount Sion again where we will play Mooncoin at 11.40 a.m. and Slieverue at 12.20 p.m.

U-8 HURLING

Pride of place in the juvenile section this week goes to our U-8 hurlers who participated in the annual Brickey Rangers U-8 Hurling Tournament. De-

spite the damp conditions, we got off to a great start with a good win over St. Oliver's. Our second opponents Tallow proved more difficult to overcome but luckily we came good on a 3-2 to 1-0 scoreline. Victory over Kilrossanty in our third game would assure us of a semi-final place and this was achieved on a 4-0 to 0-0 scoreline. Our semi-final opponents were Cappoquin and after a titanic struggle we forged ahead to the final on a 4-1 to 1-1 scoreline. Our opponents in the final were Lismore and having been defeated in the U-11 and U-10 finals by them we were out to make sure it wouldn't be a third final defeat. With everyone upping their game, we ran out winners on a 6-3 to 1-0 scoreline. After the game, the

chairman of the Brickey's Juvenile Club - Lar Curran presented the cup to captain Colm Curran and every delighted member of the panel received their winners medals. He thanked all eight teams for their participation and congratulated Dungarvan on winning the tournament for the second successive year. Panel: Johnny Barry, Brendan McCarthy, Luke Egan, Colm Curran, Sean Ryan, Adam Kelly, Darren Duggan, Ian Sheehan, Shane Hickey, Tomas Denmead.

DEISE DEVELOPMENT DRAW

We had just one winner in June's Deise draw which was held last Friday night in Ballyduff. Mary Fitzgerald was rewarded for her hard work with the co-ordinator's prize.

Waterford Senior Ladies Football Team Take On Cork

WATERFORD V CORK AT MIDDLETON SATURDAY AT 7 PM

It's that time of year again when all the training and preparation is put to the test. There is nothing quite like the buzz of this championship and the Waterford Senior Ladies Football team go into battle in the Munster Senior Championship in a repeat of last year's final at Middleton.

Waterford are bidding to win the Munster Championship for the 7th year in a row and the 9th time in 10 years. The Deise girls were convincing winners last August but every year brings a new challenge and changes in personnel and nothing can be taken for granted. Cork have the largest number of clubs in the country and at their best are a match for anybody.

Waterford had a reasonable league campaign trying out a number of new players with

Angie Walsh, Bridget Hannigan, Aoife Murphy, Mary O'Rourke, Elaine Power and Donna Frost all impressing and if they can find the right blend they will take a lot of beating.

Mayo were impressive last week adding the league title to their All Ireland crown. Clare are back in business winning the division 2 league title whilst Tyrone, Monaghan, Dublin and Meath are all very close. It adds up to a very interesting championship.

UNDER 16 Waterford 8-17 Tipperary 0-1

Tipperary were out of their depth last Wednesday evening in Ardfinnan. Waterford did as they liked. Tipp led after a 2nd minute point but there after it was all one way traffic with centre forward Marie Hogan particularly impressive. This Wednesday they face Kerry in the Munster Semi Final and

that promises to be a different kettle of fish.

Waterford; Mary Hayes, Marie Power, Una Leahy, Natalie O'Connor, Elaine Power, Ealga Hayes, Aileen Barron, Aoife Murphy, Deirdre Breathnach, Karen Kelly, Marie Hogan, Marian Ryan, Michelle Ryan, Mary O'Rourke, Tracy Gallagher.

JUNIOR

Waterford 5-11 Clare 1-7

Waterford turned on a superb performance in the Munster Junior Championship at Cappamore last Sunday afternoon and destroyed a fancied Clare side in the process. A great first half display brought an interval lead of 3-7 to 0-3 and Clare were never at the races.

Fiona O'Reilly and Angie Walsh were outstanding in the middle of the field giving the forwards a plentiful supply of ball which they put to good use. Elaine Power (2) Mary O'Rourke, Sharon Foley and

Aoife Murphy notched the goals. Nuala Hearn made some great saves in goal whilst Ciara Prendergast, Sinead Kirwan, Denis Nugent and Donna Frost dominated in defence and former Clare player Teresa Manahan scored some delightful points in attack.

Next Sunday they play Limerick in the next round at Bansha at 2 pm and victory would put them in the Munster Junior Final probably against Kerry.

Waterford (Junior); Nuala Hearn, Ciara Prendergast, Sinead Kirwan, Donna Frost, Denise Nugent, Carmel Kissane, Aine Ryan, Fiona O'Reilly, Angie Walsh (0-2), Aoife Murphy (1-1), Julie Cunningham, Teresa Manahan (0-3), Elaine Power (2-2), Sharon Foley (1-0), Mary O'Rourke (1-2), Subs Julie May Keane, Miriam Listen, Cleara O'Keefe and Lisa Prendergast.

Shamrock's G.A.A. Club Notes

SENIOR HURLING LOSERS GROUP

At Fraher field, Dungarvan on last Saturday evening we met Roanmore and were beaten on the score Roanmore 0-12, Shamrocks 1-5. This was a game which Roanmore dominated in the first half when they led by 0-7 to 0-1 at half time but in the second half our lads improved and were unlucky in the end not to be ahead. In the next round we will be against neighbours Tallow.

U-12 WESTERN HURLING CHAMPIONSHIP

WATERFORD MINOR FOOTBALLERS

Thursday evening is the day of reckoning for our county minor footballers, when they do battle with the might of the Kingdom. This group of players and mentors have given huge commitment to the cause - team manager, Pat Nugent, told me recently that next Thursday will be their 48th time together.

There's five guys in the county who have given voluntarily of their time on 48 days, since December, to prepare this team. That is some preparation, and the response from the players has been tremendous. They have played challenge matches all over the country. So, fair play to the County Board for ensuring this kind of treatment, for young Waterford footballers. That's a welcome change that has come about during Paddy Joe Ryan's stewardship. Now all we need is another victory over Kerry. The boys have, in all probability prepared much more diligently than Kerry. Kerry will come to Fraher Field, hoping to get this game out of their way, before they play Cork in the final. Their mentors will be a little worried, after the under 21 result, but deep down, I think they might be off guard. These players have beaten Kerry teams in football. In recent years they have been more than a match for them at colleges and under 16 level, and if every player works that little bit harder and gives that little bit extra, and are absolutely convinced that they can win, then, I believe they will get their just reward. To beat Kerry each player must give more than he has ever given before, and above all, they must play the team game.

So, best of luck to Coach, our own, John Hennessy and players Niall Hennessy and Billy Harty. Philip Beausang will miss the game through injury, and he will be a major loss to the team.

UNDER 12 HURLING

These young warriors had a brilliant victory over Abbey-side 'B', on Monday evening last. From the outset, our lads put the Kilrossanty defeat behind them and contested every ball. James Flavin(C) had a brilliant game in goal and kept a clean sheet. Alan O'Brien was outstanding at full back, ably assisted by Criostoir Humphreys. Our half back line, led by David Hennessy and flanked by Paul Lynch and Neville Quinn, was rock solid, and of tremendous assistance to mid-field and the forwards. Paul had to depart, following a finger injury, and his replacement young Seamus Healy coped with everything which came his way. At centre-field, James Flavin(K) and Darragh Harty dominated for long periods. In addition, Darragh

crashed home Edwards great cross for our first goal and James contributed another goal and a brilliant point. Half-forwards, David O'Brien, Cormac Nugent and Tomas Galvin, had great games and Cormac had a goal and another super point, and Tomas scored our last goal. Edward Fitzgerald, enjoying his new role at full forward, scored 2-1 and young Kenny Murphy doubled first time on a high cross for a fabulous goal. Our fixture this weekend was postponed, as a mark respect, following the death of Mrs. Flavin, Austin's mother and James' grand-mother. It has been re-scheduled for next Sunday morning at 11.30 am.

UNDER 10 HURLING

Abbeyside brought an under 10 team with them, in conjunction with the under 12 fixture on Monday evening, and while they ran out comfortable winners, our lads had great fun and learned from the experience. To be fair, our under 10 team had under 6s, under 7s under 8s and under 9s, and they were all great. In addition, Conor Walsh (holidays) and Patrick Meehan (injured), Cormac Power and Patrick Conway (both unavailable) were missing and Criostoir, Seamus, Kenny and Paul had played the under 12 match, earlier.

Taking all these handicaps into account, they put up a very creditable performance. The mentors at this level are doing Trojan work. Full marks to Tony O'Mahony, Maurice Power, John Power, Pat Walsh and Tommie Cronin.

Our lineup was as follows: Criostoir Humphreys; Seamus Healy, Tomas Cronin, Shane Flynn; Elaine O'Mahony, Clodagh Cronin, Kevin Murphy; Conor O'Shea, Kenny Murphy; Glen Lynch, Mark Flynn, Daniel Power; Dan Carlton, Edmund Keane, Declan O'Mahony, Paul Lynch.

As far as I know, Ring are also bringing an under 10 team, on Sunday morning. So this game will go ahead at about 12noon, after the under 12s.

HURLING CAMP

Don't forget the date - 17th to 19th July.

FOOTBALL CAMP

This camp will be for a full week, in August - 14th to the 18th inclusive.

FIXTURES

The following fixtures have been announced: Friday, 14th July, M.F. v

Stradbally at Fraher Field, at 8.00pm;

Wed. 19th July, M.H. v Colligan at Fraher Field, at 7.30pm; Wednesday, 26th July, M.F. v Ring at Old Parish at 7.30pm. Sunday 30th July, J.H., v Kilrossanty at Fraher Field at 2.00pm. Wed. 2nd August, M.H. v Cappoquin, at Clashmore at 7.30pm. Friday 4th August, J. F., v Ring, at Old Parish at 7.00pm. Monday 7th August Under 21, 'A' Final v

Stradbally, at Fraher Field at 3.15pm. Wednesday, 9th August, M.F. v Naomh Brid, at Bushy Park at 7.30pm. Tuesday 15th August, M.H. v Clashmore, at Ring, at 7.00pm.

All players please note your own fixtures. Of course, with so many under age players on our adult teams, the above fixtures apply to most players. I can see that Niall Hennessy, Eoin Foley, Philip Beausang and Gary North and Billy Harty are in for a busy time - all five will play 6 championship games in 13 days. While the minor games are on a league basis, the Junior Hurling is a vital first round knockout and the Under 21 Football, is the long awaited final. We don't know as yet what our under 16 hurling and football fixtures are, and with so many of the under 16s sure to be on the minor teams, it will further complicate the situation.

This is too many games for our young players. It's an old hobby horse of mine - full time professionals would not be asked or allowed to do this. We will ruin or turn off our most willing and most talented players. The fixtures committee cannot do much about it, as they have a maze of fixtures to run off, and they are hamstrung by the 6 day inter-county bye law, as well as some county team managers closing off their players from all matches, whilst in training.

Maybe we should restrict under age teams to two year age groups i.e. only under 17s and 18s can play minor and only 15s and 16s can play under 16, no minors playing under 21, etc. Then if that was the case, Eoin Kelly (a minor) would not have been on the Waterford Under 21 team, nor would Ardmore have won any Minor championships in the last five years, since we had under 16s, and indeed under 14s on all those teams. So the outcome would be that rural clubs would be unlikely to field under age teams, at all. But we would have less teams and less fixture pile-ups. From under 8 upwards, we would not have a team at any age this year, except under 21. Amalgamation with our neighbours, would mean that many players would not make group teams, so would never become involved and thereby, in time, would weaken our great association.

TRAINING

Under 16s and minors are now training on Tuesdays and Thursdays, for hurling and football. It is important, that all panel members attend all these sessions, as our numbers on each panel are very small. We need all hands on deck.

Adult training is now in full swing and I'm glad to report good attendances at each session. There are still one or two who need to increase their effort and input.

COUNTY UNDER 16 FOOTBALL

At present this group is preparing for the annual inter-county tournament, which will take place in Limerick in a couple of weeks time. This will probably also cause fixture difficulties. Frankie North is training this team and Gary and Alan North, Anthony Troy and Niall O'Brien are all on this panel.

SYMPATHY

We wish to convey our deepest sympathy to the Revins family, on the death of Mamie Revins, to the Griffin family on the death of Mrs. Griffin, Castlegregory and to the Flavin family, on the death of Mrs. Flavin, Clarkstown.

DEISE DRAW

No local joy in the June draw, still there's ten months left. There may be better times ahead. 'Live horse and you'll get grass'.

WEEKLY LOTTO

Last weeks draw was held at The Round Tower. The jackpot was not won and the following were the £10 winners: Kitty French; Quinn's Ardmore; Nan O'Donnell, Ardo. Michelle Nugent, Knockanore, Nicole Troy, Curragh.

THE FIELD

Probably one of the most emotive words in Irish history, so well documented in verse, drama and screen. But in Ardmore it refers to our GAA club grounds. What a joy it is to visit these few acres any evening during the week, to see the hive of activity. Boys and girls of all ages are perfecting their skills all over the place. Men and women are involved in more serious training. Parents, some just chatting, some rescuing toddlers, who want to join the fray, and some frantically involved as trainers, all enjoying the sunshine and fresh air. Most evenings there are three or four or five groups training, so it is important, if you are arranging something to check with John O'Donnell, who has had to resort to a diary to keep track of events.

This is what a local club is about. It is a source of great pride to those far sighted people, who bought and developed this field back in the late 70s. It seemed like a fortune then, as does the cost of the proposed improvements, now.

RACING

I hear a whisper that the parish will soon have it's own race-track and race meeting. Plans are being hatched for a race meeting in Kiely's Cross and we are all looking forward to a great weekend in late August. Incidentally, Seachtar Againn won again recently and I hear the shares in the syndicate have increased in value, amid rumours of some insider trading.

GET WELL SOON

To our great follower and supporter, John Dower, who is currently recovering from surgery in a Cork hospital. Hope to see you back again soon John, video camera at the ready for one of our big match-

CAPPOQUIN BOYS' SCHOOL NOTES

Cappoquin Boys' School Capture C Final

Thursday, 1st June was Hurling Finals day at Fraher Field with five finals in all down for decision.

At 5.30 Cappoquin boys and Ballinameela took centre stage in the 'C' Final. Having won the toss, captain Paul Murray elected to play with the strong breeze blowing up into the town goal. As had been the case in our previous game we were slow to settle and Ballinameela made the early running. A Cyril Byrne goal steadied our nerves and a second goal from Shane Fives and points from Paul Murray and Stephen Power saw us lead at the interval on a score line of 2 - 3 to 1 - 3.

With Ballinameela hurling very well and having wind advantage in the second period they now looked odds on to capture the Cup. To their great credit, however, the Boys' School lads set about defending their lead with great determination and some very skilful hurling. A goal from Daithi Wilkinson and a point from Shane Fives saw us lead by a goal with time running out. Still, however, Ballinameela refused to yield and play swept from end to end. Paul Murray slotted over the insurance point at this crucial stage and the stand erupted as our large band of supporters celebrated a famous victory. Amid scenes of great jubilation captain Paul Murray accepted the trophy from Primary Schools Chairperson Mrs Margaret Cunningham.

A big thank you to all those who went along on the evening to support the team it was very much appreciated and very important on the day. A big thank you to Eddie Fraher and James Bennett for all their work during the year. We very much appreciate all the parents who provided transport during the year - especially the ever reliable Brigid, without your help it would not be possible to take part in the competitions. Thanks also to 'Magoo' Murray for his help and support.

Well done to all the lads who represented the school in the hurling, football and athletics this school year - you did the Boys' School proud!

Finally thanks to Ballinameela for two enjoyable and very sporting games which on another day they might have won.

Here's to next year!

Well done also the pupils who represented us in the Primary School Sports in the Friary - particularly the medal winners for the Schools finals - Paul Barry - silver 400m; Daithi Wilkinson - silver 80 m.

P. J. Curran, Michael Devine, Ross McLaughlin and Darragh Fives Bronze (u/8 Relays). Participation certs were presented to all pupils who Joined our School Sports for All Day on June 9th. Well done to the 6th class boys for their organisational skills on the day.

SCHOOL TOUR 2000

On June 16th a great day in sweltering sunshine was enjoyed by all in Limerick University. Activities included swimming, orienteering, relays, canoeing, rafting, gym assault course with diving pit etc. with some energy retained for shopping en route home!

First Class enjoyed their Turas Scoile to Parson's Green and Jumping Jacks on Monday June 19th.

End Of Year Prayer Service was celebrated in School on Tuesday June 20th.

Representing the Board of Management was Marian Looby. Music was provided by Miss O'Donovan.

We bid farewell to our 6th class boys who move on to secondary school in September. Paul Barry, Paul Murray, James Fahey, Cillian Denn, Ivan Walsh, Gavin Mc Mahon, Ian Mason, Jamie Moore, Cyril Byrne, Glen Morrissey, Stephen Shasby, Gary Power, Shane Power, Damien O'Rourke. We wish you all well a bhuaichaili. Thank you for your help and commitment to our school.

END OF YEAR PRAYER

We thank God for the good times we had together this year in school

For the games and the adventures
For the laughs we shared.
We thank God for the rows that we settled,
For the tears dried away
For the hurts forgiven and forgotten.
Over the year we learned many lessons
But the greatest of these
Is to grow to be friends.

Wishing all our friends including staff, pupils, and parents of Cappoquin Boys' School a relaxing and enjoyable Summer.

COISDE PEIL NOTES**GARVEY'S SUPERVALU COUNTY FOOTBALL LEAGUE FINALS**

Joy for Stradbally in Division 1 and Kilmac' in Div. 2

On Sunday evening last the finals in both division 1 and 2 of the Garvey's Football Leagues took place in the Fraher Field which was in splendid condition. County Board are to be complimented on the arrangements and the £4 cover charge for the 3 games on offer was splendid value for the fine attendance which saw the games. County secretary Seamus Grant is to be congratulated on having all of the games completed so that the finals were played on schedule. All of the clubs and referees who took part were also to be complimented as these County Football Leagues sponsored by "Garvey's" have now become an essential part of the Waterford GAA calendar and with football clubs in particular.

The evening began with the Div. 3 play off decided between Geraldine's and Dunhill battling for a place in the final against Kilrossanty. No quarter was asked in this contest as

both sides gave it everything in search of victory. At the end of a splendid contest neither side could be separated so it will take a replay with extra time if necessary to decide the winner here. Geraldine's will probably feel that they could have won but Dunhill have tremendous courage and deservedly get another bite at the cherry. The replay date will be set by the County Board Fixtures committee but hopefully that all of the league finals can be completed as near to schedule as possible.

**DIVISION 2
Kilmacthomas 2-10
Dungarvan 2-9**

In division 2 we had a rip roaring contest with Kilmacthomas throwing down the gauntlet to Dungarvan right from the throw in. All over the field Kilmac contested everything and were the better side in the first half leading by 1-5 to 0-5 at half time. Dungarvan were relying on their free takers P.P. Ferncombe and John

Power to keep them in touch.

With John Power in superb form at midfield and their half back and half forward line backing up well it was Kilmac' who continued to make the pace and when their corner forward finished a speculative lob to the net they looked to be in the driving seat. Dungarvan however are made of stern stuff and they refused to give up. Another Power brace of points followed by great scores from their mid fielders saw them close the gap to 2 points again. Sensing danger Kilmacthomas appeared to move up a gear and superb scores from play saw them edge seven points clear with as

many minutes remaining.

Dungarvan also upped their game and when J.J. Ronayne punched a great goal the tie was kept alive. A wonderful P.P. Ferncombe goal with two minutes to go really set the tie alight but Kilmacthomas regained their composure and held on for their first 'Garvey's League Title' and a memorable win. After the game County Board Chairman Paddy Joe Ryan congratulated both teams for their splendid effort. On behalf of "Garvey Super Valu" Yvonne Lennon presented the division 2 Cup to jubilant team captain Tadhg Kiely who replied on behalf of the team.

**DIVISION 1 FINAL
Rathgormack 0-10
Stradbally 0-14**

The Reds captured their first league title after an absorbing contest that failed to produce a goal but certainly kept the attendance entertained. Rathgormack enjoyed early territorial advantage but it was Stradbally who were making better use of possession. Points by Stephen Cunningham, Oliver Costello brought their half time tally to 0-8 while great scores from Martin and Richie Power left them trailing by 0-4.

The second half saw Rathgormack lift their game and splendid scores from Pat Crotty and Martin Power again closed the deficit. Pointed frees by Eoin O'Brien 2 and Niall Curran kept the Reds in front and still Rathgormack powered forward. Another two points and a Frannie Halpin goal chance which was pointed from a 45 saw the deficit again down to 2 points. The decisive moment then came when Niall Curran's run split the Rathgormack defence with only Denis Hassett reacting to take him down with a trip. As the player had already been shown yellow he was dismissed and a point from the resultant free steadied the Reds who utilised the extra man well.

Rathgormack battled on but only a further Martin Power point was all they could manage and the final score of the absorbing contest fell to Niall Curran who was a thorn in Rathgormack's defence all night. After the game a jubilant Stradbally captain Stephen Cunningham accepted

the division 1 trophy from Yvonne Lennon of "Garvey's Super Valu". That brought a very successful evenings entertainment to a close.

We will now be looking forward to our Div. 3 Final and here again we should have a splendid contest. With the weekend away breaks offered by our sponsor "Garvey's" all clubs are putting in a greater effort to improve their standards. In this our 4th year there have been 10 different winners from 11 finals and if Dunhill or Geraldine's triumph they will make it 11 from 12 finals so the competition is a fantastic success, thanks in the main to the prizes on offer. A presentation night will be held later in the season when our sponsor will present the holiday vouchers to the winners.

**MINOR FOOTBALL
SEMI FINAL**

Our best wishes go to the County Minor footballers who face Kerry in the semi final on Thursday night in Dungarvan. We hope for a good crowd as the mentors have put in a splendid effort in preparing this team. Injuries to 2 key players are a set back but hopefully the side can record a win and put us into the Munster Final.

We also send best wishes to the U-21 hurlers who face Cork next week and here again we hope to make it to the Munster Final. Finally it was great to see Tony Morrissey back in action after his recent illness and we are all glad to see this most efficient officer back at his post.

Kilgobnet GAA Club Notes

JUNIOR FOOTBALL A

With all our games played, our last game was against Stradbally which we played on Monday night last. Having been beaten twice we lost our place in the final, despite beating Modeligo, Old Parish, Clashmore and Colligan. Defeats against Tallow and Ballinameela saw us finish in third place with the top two meeting in the final.

JUNIOR FOOTBALL B

The Junior B's enjoyed a very good run in their first season in this grade having beaten Eire Og and Melleray and lost by one point against Touraneena on a later date. So well done to Tommy Burke and all the lads involved.

JUNIOR HURLING A

We were lucky to survive relegation in this section having lost to Ardmore, Ballinameela and the Geraldine's and a win against Fourmilewater. Everything depended on the last match against Abbeyside which was played last Sunday week, the morning after Paul and Lorraine's wedding. With a 11.30 throw in after a late and enjoyable night we managed to secure a draw which was enough to keep us in the same division next year.

JUNIOR HURLING B

The lads got off to a poor start in this division having lost to Dungarvan and Geraldine's B. In the last few matches we had wins over Melleray, Old Parish, Brickey's and Clashmore B, again another loss against Tourin.

Now with all the league matches finished it is time to concentrate on the championships, in which we meet Clashmore on July 30th and from our results so far this year we will have to improve 100% if we hope to win this one. On the following Friday August 14th we play Shamrock's in football. The B teams matches will be fixed on a later date. So calling all our players to training in our new field in Bohadon, which is in splendid condition, and with the foundations gone in for the dressing rooms we will be able to tog out indoors very soon.

Congratulations to Paul Byrne and Lorraine O'Connor, on their recent wedding. The club was well represented and a great day was had by all.

ST. OLIVER'S GAA NOTES

Trip To Antrim An Overwhelming Success

At 6 am on Thursday June 15th we departed for north Antrim to participate in Feis na nGleann. The official party of 20 plus ten supporters travelled by train from Waterford to Belfast, while four more car loads of parents and supporters also made the journey. The whole venture exceeded all our expectations and dreams. Thirty two clubs participated in this great sporting and social event, sixteen from Munster and the same number from Antrim. The organisation by both the North Antrim Board and the Munster Council was first class and everything went like clockwork. From once we landed in Belfast at 1pm on Thursday until we returned on Monday the sun never left the sky. The hospitality and friendliness of the people of Antrim and in particular our host clubs Armoyle/Carey was unbelievable. Another striking feature was the very high standard of facilities held by all clubs, at least two pitches, top class spacious dressing rooms, referees room with shower and also fine club house/pavilion. The British lottery has been very good to the G.A.A. in Antrim with grants of between sixty and eighty percent for such undertakings. Antrim is a beautiful county up there with Kerry and Galway with its magnificent scenery and structures.

Our host clubs provided us with a mini bus for the entire weekend, while our supporters also hired a bus for the duration of their stay. Laurence Maher drove the supporters bus and marshalled his troops well, while Pat O'Brien willingly volunteered to drive the official bus. Thanks a million to Laurence and Pat O! The host families looked after the official party of twenty while parents and supporters got B&B locally, a few miles from Ballycastle. We were hosted by two small rural clubs who amalgamate for juvenile affairs, a bit like ourselves. Armoyle and Carey play under the banner of Glenshesk. At three pm on Thursday we arrived in Armoyle, only to be stunned by their magnificent state of the art pavilion costing over £300,000 and playing field. Here we were met by officials and families of both clubs and given a very welcome meal. Later we travelled to the homes of our host families.

Our under 12's played three matches on Friday morning, each of twenty minutes duration, 10 a side, all ground hurling. We topped our group which included Glenshesk, Glenarm, and Arrowvale Rovers from Tipperary. On Friday afternoon we made the

short journey to the Giants Causeway. This was a beauty to behold and something we will never forget. Friday evening it was back to the playing fields in Carey. The fact that we won our group we stayed here, but the standard of opposition got a lot tougher including Sixmilebridge, Toomevara, and South Kerry. We had comprehensive wins over Sixmilebridge, and South Kerry. However Toomevara were physically strong and while we matched them for long periods they ran out winners 2-2 to 0-1 and subsequently went on to win the tournament outright on Sunday.

On Saturday morning we travelled to Rasharkin to play against the other three teams who finished second in their group on Friday evening. Here we had good victories over Ballycastle and Sacred Heart. In our final game we played Eire Og, Ennis to decide the group. This was a very evenly contested game, right through Eire Og led by a point with two minutes to go, however a John Harrington bullet rattled the net to put us two points up but our opponents scored a last second goal to snatch victory and the Kerry plaque. Overall we finished sixth out of thirty two teams. Immediately after these games we returned to Hunters bar in Carey where our hosts provided us with cocktail sausages and refreshments. On Saturday afternoon one of our foster families, the McBrides gave us full access to their open farm facilities. This was an open farm with a difference boating, an assault course, a paddy wagon tour of the 500 acres plus the usual animals and museum. Michael Phelan and Jock excelled on the lake, Ida Walsh and Bridget Harrington despite some difficulties conquered the assault course, while Pat O also showed his agility and flexibility here, everybody else thoroughly enjoyed their afternoon. Later that evening we made the short trip to the famous rope bridge outside Ballycastle. All our under 12's despite a drop of several hundred feet to the sea crossed the bridge at their ease, while some of our more senior folk approached it with a degree of trepidation and apprehension. Michael eventually crossing it and over-coming his fear of heights thanks to the encouragement of his two sons and the rest of the lads, while Bridget Mernin went down the steep steps to the rope bridge, put her foot on it but decided to leave the crossing for another day. A great social night followed for the adults in Hunters bar where Joe, Pat

O, James and Tom excelled on the dance floor.

On Sunday we travelled to Dunloy for the Feis parade with all thirty-two clubs bedecked in their club colours. Each club marched behind their banner, in our case a new one, with each player carrying their hurley. This was a splendid spectacle led by the Ballycastle pipe band. After the parade and speeches each and every player was presented with a magnificent 2000 medal memento. Micheal Phelan on behalf of St. Oliver's presented both our host clubs with a specially engraved Waterford Crystal 9" plater depicting a player in its centre as a token of our appreciation and in return we were presented with a special millennium plaque. This is something they will hold and cherish for the rest of their lives.

After this the U/12 final was played. Here Toomevara who defeated us in the quarter final beat Ballybrown after a

Modeligo GAA Notes

The club recently held a sponsored cycle, which turned out to be a great success. About thirty cyclists took part on the day, taking in a course of fifteen miles around the parishes of Modeligo and Ballinameela.

We also had a night at "Deckies", at which the various prizes which were donated by our sponsors were raffled amongst those who gave us their support. I would like, on behalf of the club, to take this opportunity to thank the following who sponsored prizes: Waterford Crystal, Deckie Walsh and Family, The Welcome Inn, Ger Wyley Sports, Super Valu, Dungarvan, An Bialann, Garvey's Super Valu, Dungarvan, Darrers Stores, Dungarvan, Jim Foley, Dungarvan, Shane Reddy.

CONGRATULATIONS

Well done to the Waterford U-21 hurlers on their great win over Tipperary recently. With all other county hurling sides out of their respective championships, hopefully the U-21 side will provide us with a few more days out this summer.

brilliant game of hurling. Later that evening we had a meal and relaxed in Ballycastle.

We got a great send off from our host clubs on Monday morning before we eventually got home at 10.30pm despite train delays, tired but thrilled at the experience of a lifetime. Plans are already afoot to have our new found friends down in early July of next year.

The club would like to thank Garveys Super Valu and the Cruiscin Lan for providing refreshments for the team over the entire weekend. This unforgettable trip would not have been possible with-

out the trojan work done by coordinator Michael Phelan who made scores of phone calls in the build up to this wonderful weekend, ably assisted by Jock O'Connell and Bridget Mernin. Many thanks to Kevin Barry who designed and produced our new club logo which players, officials and supporters displayed on their T-shirts, also to Marie Ronayne for looking after the track suits.

One of our main players Brian Phelan who had chicken pox and looked, unlikely to travel early in the week, made a sufficient recovery to make the journey north on Thursday. While Brian was unable

to play, his loss being incalculable, he thoroughly enjoyed this fantastic weekend. One of the biggest cheers of the weekend went up on Saturday when Brian came on as a sub in our final game. In all we played a total of nine matches winning seven, losing only to Eire Og Ennis, and eventual winners Toomevara. We finished a very creditable sixth overall. Well done lads.

Finally, what a weekend, everybody is still wrecked. The weather was fabulous, the hospitality and friendliness was unbelievable, while the beauty and scenery will remain with us forever.

Supermac's main sponsors of the Waterford U-14 County Hurling Championship have just announced that they are to sponsor an All Star awards for the championships. There are 5 divisions in this year's championship with over 800 young players taking part. There will be 10 All Stars in the selection with one player from each of the 10 teams tak-

ing part in the finals being presented with an All-Star award. The selection committee is made up of popular Waterford Senior hurler Ken McGrath, Joe Landers, John O'Leary, Al Fitzgerald, Joe Cleary and Catherine Tuohy. The awards will be presented at Roanmore GAA Club on Thursday 20th July. Commenting on the awards Joe Cleary Treasurer Water-

ford Bord na nOg said "This is a new initiative by Bord na nOg which is kindly sponsored by Supermac's who sponsor the U-14 Championship. The awards are an exciting new development and will no doubt add excitement to the championship". Commenting on the awards Noel O'Brien Manager of the new Supermac's in Ardkeen

Shopping Centre said "Supermacs are delighted to be involved with the Waterford GAA, and to introduce the All-Stars to the U-14 Championship, the future success of Waterford hurling lies in the development of hurling at underage level and hopefully the awards will help sustain the interest young people have in the sport".

County Board Meeting

The July meeting of the county board is scheduled for Monday night next and as well as a championship progress report, delegates will be briefed on development plans for Fraher field and Walsh Park. Two months ago the board gave the 'go ahead' to the chairman to proceed with negotiations on the Curran's Boreen site and the proposed improvements at the city venue, Walsh Park.

The appointment of a hurling manager will also be talked about but it is unlikely that any final decisions will have been arrived at by the officers who were given the authority to discuss the matter with Gerald McCarthy and other likely suitable candidates. The Runai has been away on holidays and the county treasurer is recovering from a stay in hospital, so in the circumstances negotiations may have been deferred. If a manager is not being appointed on the night, it is unlikely that selectors will be named. In this regard there seems to be a strong feeling through out the county that three and not five selectors should be appointed.

The Waterford Crystal Tournament which is now controlled by G.A.C. at headquarters, is scheduled for October and November this year and the managers and selectors will need to be in place, well in advance of that period.

The Board will also be given an update on championship and league progress.

Munster Hurling Final

The 55,000 spectators who went to Semple Stadium on Sunday for this 'Dream' Munster hurling final, certainly got their money worth in a thriller that really went 'down to the wire'.

As a sporting spectacle, I doubt if we will have anything to match it for the rest of the year. It was an occasion that had everything that one could ask for in a sporting occasion. Fine sunny weather, a fantastic atmosphere as the tens of thousands of excited supporters converged on Semple Stadium.

The whole contest was very sporting and the tension was electrified as the reigning Munster champions held on to their 2 points lead to retain their crown. The final score was Cork 0-23 Tipperary 3-12 and the attendance was 54,856. (Last year for the Cork/Clare final the attendance was 54,554).

I have written before that one of the biggest failings of the G.A.A. is the fact that it is infested with so many long-winded speakers.

Last Sunday we saw yet another example of this when Cork team captain Fergal Ryan was accepting the trophy from Sean Kelly, Munster Council Chairman. It was like an election speech in the rough old days. I have never been a fan of R.T.E. but I was delighted when Presenter Michael Lyster switched him off and did all his listeners a good turn.

THE NATIONAL ANTHEM

I wonder how many people reading these notes remember the time when "Faith of Our Fathers" was played and sung by tens of thousands of patrons as a kind of 'overture' to games at county and intercounty level. It was normally followed by the National Anthem, which was also sung by tens of thousands of supporters. And every one seemed to know the words.

As 'progress' began to take over, "Faith of Our Fathers" was dropped from the programme at all G.A.A. matches. Now patrons are getting impatient with the National Anthem and after about 90% of it is sung they switch their attention to the game and 'drown out' the last few bars of the national song, which was once revered in a special way by all Irish people.

Now in the G.A.A. as well as in all other sports, a degree of disrespect (ignorance) has crept in, in regard to the Anthem and I feel it is only a matter of time before all sports will be urged to dispense with the playing of it before games, etc. Then if it does happen, we can expect a rebellion by the people who made it happen in the first place.

This year a new order has been given by G.A.A. headquarters and now the National Anthem is played before the parade and there is a slight improvement. But already there are complaints that it is not being played at the traditional time. I read in one article that the National Anthem is meant to create emotion and electrify the crowds into a state of high excitement. What utter nonsense.

The camp will run from 10.00 a.m. to 2.30 p.m. daily.

TENNIS LESSONS 2000

This year as in previous years, the club will promote a sponsored cycle. This year the benefactors of the cycle will be the South Eastern Cancer Foundation which is our local cancer charity based in Waterford Regional Hospital.

This year fifteen of our club members will cycle to Glengarriffe in West Cork. The members range in age from 19 years to 40 plus. The training schedules appear to vary greatly with age, the younger cyclists seem to think that anything the old boys do, they can do better.

Watch this space!!

We would ask you so sponsor the cyclists as they partake in this tough cycle which is 120 miles in distance with many hill climbs that will test the hardest of souls. The sweep will be the first of the climbs. The cycle will take place on 15th July 2000 and your support will be gratefully received. A list of cyclists will appear in next week's publication.

ANNUAL BRICKEY RANGERS U-8 HURLING TOURNAMENT

On Saturday, the annual Brickey Rangers hurling tournament took place in Bushy Park. The weather conditions were dismal at the start but despite that all the invited clubs arrived on time and were quite happy to play, whatever the weather. Eight clubs in all took part in the tournament including Tallow, Lismore, St. Oliver's, Dungarvan Abbeyside, Cappoquin, Kilrossanty and our own first time out young team. Our team were beaten in the semi-final of the plate but were delighted to be wearing their Brickey jerseys, most of them for the first time and were delighted to show off their wonderful pitch and facilities in Bushy Park to all the visiting clubs. We were particularly delighted to welcome the Kilrossanty team who had never played competitively before in this age group. Congratulations to St. Oliver's who beat Kilrossanty in the plate final, Lismore who were runners up for the cup and to the winners Dungarvan for the second time running. I would like to thank Pat Morrissey for

all the time he put into training the team and organising the tournament and thanks to all the parents who prepared the sandwiches for our guests. Despite weather conditions, I think everyone had a good day in Bushy Park.

Panel of players: John Morrissey, Christopher Murphy, David O'Sullivan, Michael O'Donnell, John Drohan, Diarmaid Tobin, Conor Walsh, Sam Keohan, x Barry, Curtis McCarthy, Ian Walsh, Darragh Tobin, James Drohan, Tang Tobin.

JUVENILE CLUB - U-14 HURLING SEMI-FINAL Brickey Rangers 5-5, St. Oliver's 1-3.

The semi-final of the U-14 hurling championship was played in Fraher field on Tuesday 29th June. Having beaten this tough St. Oliver's team in the run-up to the semi-final, we were conscious of their desire to get the upper hand in this game. After a close first-half, we led by just one goal at half time. Minutes into the second half St. Oliver's equalised with a goal. A fast response from the Brickey Rangers scoring another three goals and three points. This victory ensures our place in the county final against Portlaw/St. Molleran's, which will be played on Friday July 7th in the Fraher field at 8.30 p.m.

Panel: Johnny Cooney, Pádraig Nugent, Thomas Landers, Cian Kearney, Eoin McCarthy, Raymond Landers, Declan Ahearn, Thomas Lynch, Ivan Murphy, John Cummins, Shane Tobin, Colin McGrath.

Missing on the day were Kieran Gee and Micheal Gee.

G.A.A. NOTES

BY "COMMENTATOR"

Western Intermediate Hurling Championships Commence

Even though it is not generally admitted, this competition is the Western board's most important championship and the one which attracts most support. Football orientated people in the division will claim that the Intermediate football championship is the prime competition here in west Waterford and their opinion must be respected also.

This year, in my opinion the hurling championship will be

the better of the two and I feel strongly that coming events will prove this to be true.

Four of the nine intermediate teams will be in action on Saturday next and even though there is the 'cushion' of a losers group all four will go all out for a win to set them on the road in the first title race of the new millennium.

Ballysaggart v Dungarvan

The fact that the losers of

this first round tie will meet Fourmilewater, should in itself be enough to motivate both teams into getting a result that will see them avoiding the Ballymacarby based side who are very strongly fancied to win their way back up to senior ranks.

Ballysaggart are the joint leaders of the division 1 hurling league at the present but I don't know if this will make them favourites here as league

and championship are as different as chalk and cheese.

When they clashed in the league, there was very little between them and I expect that not more than a score or two will divide them again.

This match has a 7-30 p.m. start at Cappoquin.

Ring v Cappoquin

This will be the first intermediate match of the season in Fraher field and like the Cappoquin match, it should run very close in the end. Cappoquin are a long time trying to make a breakthrough back up to senior ranks and while I doubt if they will be the side to move up when this championship is decided, they are good enough to go closer than several others in the championship. Ring are a side who can blow hot and cold. They have produced a few shocks at this level and creating one more surprise might not be out of the question here. However, I give my vote to Cappoquin.

WEEKEND RESULTS

Surprises, maybe, but no big shocks in the two football and two hurling round-robin championship games played on the weekend. The matches played at this end of the county were interesting and quite enjoyable, but one could not feel very enthusiastic about the standards.

S.F.C. Ring 0-5 Clashmore 0-5

With five or six of the total ten points scored in this tie coming from frees, both sides have a lot of ground to make up if they have any notions of taking the title. Neither will win the championship, but each will have the ambition to stay alive in the championship for as long as possible and all this will now depend on how well or how badly they fare against Dungarvan in the next two matches.

In Saturday evening's low scoring game they shared the points and for some people this was a mild surprise as Clashmore had been strongly fancied to win. It was very much a game of contrasting styles. Clashmore over handled the ball which they insisted on trying to manoeuvre into the goal area, while Ring played more direct football and adopted a policy of kicking the ball forward.

Pat Hynes opened with a splendid point for Clashmore and their second point of the first half was scored by Stephen Barron from a free. Ring had their first point when the Clashmore 'keeper brought off a brilliant save from an equally brilliant effort by Tom Walsh. The ball went over for their opening score. The next

three scores for Ring were splendidly kicked from placed balls by Carthach MacCraith. It was 0-4 to 0-2 at the end of the first 30 minutes.

In the second half, Tom Walsh added a point for Ring and Stephen Barron had 3 for Clashmore. A draw was a fair result.

Tommy O'Sullivan was referee.

Nire 3-13 Kill 1-7

A well taken first half goal by corner forward Martin Walsh helped the Nire to a halftime 3 points lead in this game. It was the only difference between two evenly matched sides in this half which finished on a 1-4 to 0-4 scoreline.

Second half goals by Tom Flynn and Martin Walsh helped to widen the gap and in the end the Nire won comfortably and deservedly on the above scoreline. The outstanding player in the game was joint top scorer Connie Power who excelled last year in the junior All Ireland final.

Scorers. Nire — C. Power 0-7; M. Walsh 2-1; T. Flynn 1-0; B. Power 0-3; B. Wall and G. Walsh 0-1 each. Kill — R. Hennessey 0-4; A. Kiely 1-0; N. Ahearn 0-2; D. Whelan 0-1;

Nire — M. Doocey, D. Ryan, T. Walsh, A. Ryan, I. Walsh M. Byrne, J. Moore, G. Walsh B. Wall, C. Power, B. Power, T. Flynn, T. Condon, P. Walsh M. Walsh.

Kill — J. Kiely, F. Thorpe, J. Power, L. Lennon, F. Whelan, M. Ahearn, B. Mooney, J. Cleary, A. Kiely, A. Whelan, R. Hennessey, P. Thorpe, J. M. Regan, A. Hearn, E. Power.

Referee: Robbie O'Neill, Ferrybank

S.H.C. Roanmore 0-12 Shamrocks 1-5

A very skilfully hit sideline ball by Eoin Murphy and which landed over the bar to give Shamrocks their only score of the first half in the 11th minute, was one of the features of this round robin game which left both clubs with a lot of ground to make up if they have ambitions of enjoying a successful future at senior level.

At half time the score was 0-7 to 0-1 in favour of the city team which was led by veterans Kieran Delahunty and Noel Crowley.

Shamrocks improved in the second half and Eoin Murphy's 43rd minute goal (after a cross from Pat Murphy) brought them to within 4 points of the winners. But with Delahunty in splendid shooting form from placed balls, the winners were able to maintain their safe 4 points lead to the finish.

Scorers. Roanmore — K. Delahunty 0-6; J. Caulfield 0-3; N. Crowley 0-2; T. Dunphy 0-1. Shamrocks — E. Murphy 1-2; K. O'Keefe 0-2; L. Murphy (goalkeeper) 0-1

Shamrocks — L. Murphy, K. Ahearn, T. Roche, M. Ryan, T. O'Donoghue, L. Dalton, J. O'Donovan, D. Casey, E. Murphy, K. O'Keefe, K. Murphy, P. Tobin, S. Murphy, J. Baldwin, P. Murphy.

Referee Pat Moore, Abbey-side/Ballinacourty.

S/M/C Passage 0-16 Erin's Own 0-14

This was one excellent game

in the senior hurling round-robin series.

It was 0-6 to 0-2 in favour of Erin's Own at the end of the first half but it was in the second half both sides showed their true metal, producing a total of 22 scores.

County full back Sean Cullinane was a tower of strength for Passage and former full back, county selector, Damien Byrne was outstanding for the losers in this battle royal which saw Passage score five points on the trot in the closing stages to win a sweet victory

MINOR FOOTBALL v. KERRY

Having defeated mighty Kerry in a replay of the under 21 football championship already this year, many of our supporters will come to Fraher field on tomorrow, Thursday night expecting to see the minors achieve a similar result when we meet in the provincial semi-final.

Since losing to Clare in the Round-Robin final, the team have trained and played several challenge games in preparation for this game in the semi-final.

There are a few injury problems and as a result there are a couple of changes and switches on the team. On paper this looks a good side, so will everything going according to plan and a little luck on our side, we just might make it to the final which is due in two weeks time.

The game has an 8 p.m. start.

Substitutes — Mark Power, Tramore; Paul Landers, St. Olivers; Tom Cooper, Butlerstown; John Hurney, Ballinacourty; Cian O'Connor, Gaeltacht; Michael Power, St. Marys; John Halpin, Tramore; Colm O'Neill, Ferrybank; Michael Hearn, St. Marys.

Geraldine's GAA Notes

MINI LOTTO

The numbers drawn in last weeks lotto were 2-6-20 and we had no jackpot winner. Our

five lucky £10 winners were Paul Duggan, Dungarvan, Kitty Longan, Kereen, Breda O'Connell, Aglis, Declan Colbert, Aglis, Thomas Mulcahy, 5 Congress Villas, Dungarvan. Next week our jackpot is £1,000 and the draw will take place in the Bridge Bar, Aglis.

LEAGUE SEMI FINAL

Last Sunday evening we travelled to Fraher Field to play Dunhill in the Football League Semi Final. This game was very close and will have to be played again as the final score was Geraldine's 2-5 Dunhill 1-8.

Team; A Ronayne, L. Maher, P. O'Donovan, J. Tobin, A. Cullen, N. Aherne, D. Cullinane, D. Tobin, M. Murray, K. Cotter, K. Radley, G. O'Donovan, N. Downing, S. Cotter, Subs used T. Keane, B. Connery.

FIXTURES

Next weekend we are playing the Hurling League Final against Ardmore and we are asking the players and supporters to check the papers for the time this game is on and where it's being played.

SYMPATHY

The club extends sympathy to the Barry family on the death of Tommy Barry during the week. May he rest in peace.

U-21 Hurling v Cork

The disappointing news about the panel's preparation for the crunch Munster semi-final game against Cork on Wednesday evening of next week at Walsh Park is that centre half back, Victor O'Shea is off training because of a broken finger sustained in the match at Semple Stadium. The extent of the injury was not known until an X-Ray at Waterford Regional hospital revealed that a break had taken place. Victor who had an outstanding game in Thurles and who was one of our anchor men in the game against Tipperary, also in under 21 in Walsh Park last year, must now be considered very doubtful.

Two years ago, 1998 when we played Cork in this same championship we rated our team very highly, but received a 24 points hammering. For the record our team on that day was, Brendan Landers, E. O'Sullivan, P. Hammond, G. Cullinane, J. Murray, K. McGrath, J. O'Meara, D. Ryan, D. Bennett, D. Shanahan, N. Jacob, P. Fitzgerald, B. Hannon, M. Murray, A. Lannon. We played J. O'Donovan, P. Mathews and T. Veale as substitutes.

The game will be broadcast live by W/L/R. Fm.

POSTPONED

The four senior hurling championship matches which had been scheduled for next weekend, have been deferred to the weekend of July 23/24 because a number of players are involved with the under 21 county hurlers.

Coaching Scheme Notes

CLASHMORE SUMMER HURLING CAMP

Last week we were in Clashmore G.A.A. pitch. The organisation was first class. Timmy O'Keeffe was on duty every morning and had everything spot-on. Chairman Mick O'Neill called in every day and we were made feel very welcome. The enthusiasm from all the boys and girls was fantastic. We had some great hurlers in Sean Burke, Declan Allen, Brian O'Halloran and Mark Cunningham. Aisling O'Donnell, Grainne Nolan, Donna Seward and Sive Cunningham were as skilful as most of the boys.

HIGHLIGHT

On Wednesday Ken McGrath paid a visit to talk to everyone. Despite being on crutches which was a sad sight to see, he didn't lose his good humour and he was marvellous with everyone. He created a great buzz and signed autographs for everyone in the camp. The weather was marvellous and this was a marvellous three days fun. Thanks to anyone who helped in any way.

NEXT WEEK'S PROGRAMME - LISMORE CAMP - MON. 10TH TO 12TH.

Don't forget. Camp begins at 10.00 a.m. Bring your hurley and helmet and a packed lunch and soft drinks. All children must remain in the grounds till camp ends. Safety is the main priority and fun and enjoyment. Clubs should sure make the grass is cut nice and low.

Wed. 12th - 14th - Ballyduff Upper Hurling Camp.

SEMPLE STADIUM THRILLER

Cork and Tipp. served up a real second half feast of hurling last Sunday. Tommy Dunne and Joe Deane showed you don't have to be built like a prop forward to be a star at this game. The first touch and footwork of both players was a joy to watch. Ben O'Connor showed what a problem he can pose for any defence with his speed and strength and he will be in Walsh Park on July 12th.

CLASHMORE HURLING CAMP

"My Left Foot" - This thought must be constantly on the minds of Ken McGrath and Killian O'Keeffe who are both out of hurling due to a left foot injury. Ken's injury probably cost Waterford the game v/s Tipp. and Killian is a major loss to Clashmore's U-14 team who have reached their county final. Ken was a welcome visitor to Clashmore last Wed. This very modest star really made the week for all the children and adults who were thrilled to meet this unassuming hurling star who is, arguably the best centre-1 forward in the country. We thank Ken for making the journey from the city and to his chauffeur Paraic. We hope to see him at as many camps as possible.

The Munster All Star Team

It was not an easy task, selecting a team that was judged by the selectors, Eddie Keher, Len Gaynor, Justin McCarthy and Jim Sullivan. In fact only one punter came within having 2 wrong. This was former Cork great, Denis Coughlan who was the only one to get 13 of the 15 right and there were thousands of entries. The final selection was not the unanimous choice. Here is the line-out.

Tony Reddin (Tipperary)

John Doyle (Tipperary)

Brian Logan (Clare)

Denis Murphy (Cork)

Jimmy Finn (Tipperary)

John Keane (Waterford)

Jackie Power (Limerick)

Jack Lynch (Cork) **Phil Grimes** (Waterford)

Jimmy Doyle (Tipperary)

Mick Mackey (Limerick)

Christy Ring (Cork)

The Garvey League S.F. Finals

There was a good attendance at Fraher field on Sunday evening for the finals of Divisions 1 & 2 of the Garvey Super Valu leagues which were won by Stradbally and Kilmacthomas, respectively

Kilmacthomas 2-10 Dungarvan 2-9

Leading by 1-5 to 0-5 at the interval, Kilmac went well ahead and had an 8 points advantage with under 10 minutes remaining. A great Dungarvan onslaught yielded 4 points before P. P. Ferncombe shot a super goal to narrow the gap to a single point. It was the final score and Kilmac' were left to celebrate a well deserved and overdue victory. Afterwards team captain Clive Kiely said this victory would react like a tonic to the club.

Stradbally 0-14 Rathgormack 0-10

This was another very well contested final with Stradbally running out the deserving winners. At half time they led by 4 points (0-8 to 0-4) and that was the winning margin also. Both winners will have a weekend away in a West of Ireland hotel as guests of Garvey Supermarkets.

TICKETS

It has now become a dirty word in the G.A.A. as well as becoming the subject for argument, disappointment, discontent, rows at almost all levels.

One of the problems is that because of the increasing popularity of the games, the crowds wishing to attend are getting bigger with each succeeding year while the stadia in the country are staying the same size.

That is only one of the problems. Another is that the share-out by the Provincial Council seems very unfair to the non-competing counties. Last week, for instance Waterford received only about 2% of the tickets for Thurles which as a 52,000 plus capacity. Assuming that the other three 'neutral' counties got a like allocation, that left over 90% for Tipperary and Cork. That seems very unfair and is something that should be given urgent attention by the Council members.

Distributing the tickets in a county like Waterford is a nightmare for the officers involved when we have several hundred applicants who must be refused.

Now there is going to be further disappointment when All Ireland time comes round as there is to be a further reduction in the allocation in September.

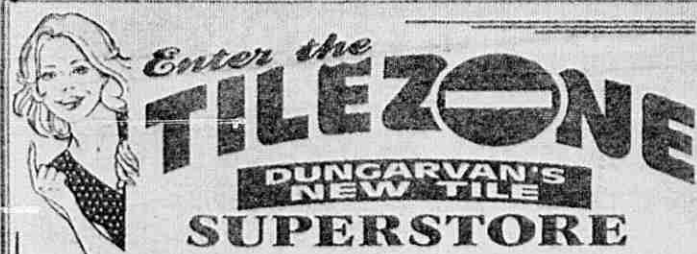

At the last meeting of the county board it was announced that the All Ireland hurling and football allocation of tickets would be the same as last year, in accordance with a decision of Central Council. County boards have now been informed that this was a premature decision as the Rredevelopment programme at Croke Park is further behind than was estimated when this decision was made. County boards have now been officially informed that there will be a 12% reduction in tickets for both finals.

JOHN FRAHER

The very popular County Development Officer, John Fraher is presently a patient in Waterford Regional hospital and I know that everyone in the county will like to send John our very best wishes for a speedy recovery.
