## Bord Pleanala Decision Due On Cappoquin Wind Mast

BY AISLING CONROY

Locals in Cappoquin and Melleray are currently awaiting the ruling of An Bord Pleanala regarding a proposed wind test mast on the Knockmealdown mountains. A final decision on the project is expected to be made within the next few days. The matter was appealed to An Bord Pleanala by the Knockmealdown Protection Committee after the

promoter, Charles Keane of Cappoquin Estates, was given the go ahead by the Council for a 40 metre test mast on the mountain to monitor the wind over a year.

Just a fortnight ago however on August 16th. An Bord Pleanala overturned the decision of Waterford County Council to grant permission for a similar wind test mast four miles away at Coolacrena. On ex-

tensive examination of the project, the national planning authority found that the proposed development would "seriously injure the visual amenity of the area" and would be contrary to the proper planning and development of the area.

The local men behind the project, Ned Morrissey and Seamus O'Donnell applied for a 40 metre test mast to monitor the wind on a site over Affane, again over a 12 month period. They had hoped to erect a small scale wind farm which would produce less than 5 megawatts of electricity and would be connected into the nearest power line on Mr. Morrissey's land.

Members of the Coole Action Group who referred the Coolnacreena test mast to An Bord Pleanala are reported to be delighted with the decision.

The wait continues however on a final conclusion to the proposed wind test mast in the area of the Vee.

The proposed site in the Knockmealdowns is on the southwest slope of Knocknafalia in the gap near Knocknagauv.

Chairman of the Knockmealdown Protection Committee, Willie O'Donoghue, previously told the "Leader" that the committee is opposed to the erection of wind turbines in the area of the Vee.

"Aside from the blight of the turbines themselves, the hills will be scarred forever by access roads. It may mean fighting for many months. But we must preserve our natural heritage", he added.

Mary Byrne, daughter of Tom & Breda Byrne, Coolnasmear, Dungarvan and Neil Phelan, son of Peg & the late Maurice Phelan, Ballinabanogue, Kilmacthomas, who were married in Kilgobinet Church. Fr. Enright officiated and the reception was held in the Minella Hotel, Clonmel. (Photo: Sean Byrne)

## College Project Must Start Before 2001 — Cllr. Kyne

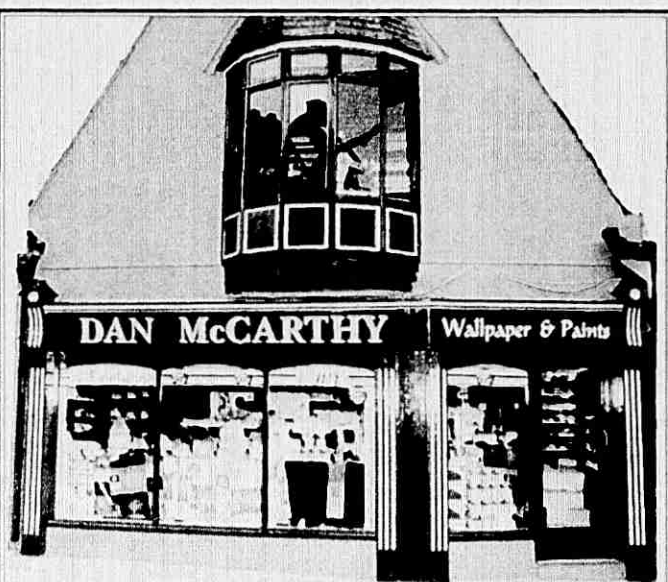

A member of the Co. Waterford Vocational Education Committee has urged that construction work on the long awaited new technical college for Dungarvan must start before the end of this year.

Labour councillor Billy Kyne said the ball is now firmly in the Department of Education's court and the public deadline, as far as he is concerned, is that construction must start before 31st December 2000.

Dungarvan Urban Council granted planning permission for a new £1m plus college last March. The new state-of-the-art college will replace the existing building at Wolfe Tone Road and will be located on a green field site on the former Presentation land.

## Know Your Rights

### Question

I live with my elderly mother who is suffering from Parkinson's Disease and is becoming very immobile. I work full time and pay someone to come in once a day to help her wash and dress. She will soon need more care. I do not want to leave my job permanently but is it possible to take paid leave from work to look after my mother?

### Answer

It will soon be possible to take up to 15 months unpaid leave from work to care for someone on a full time basis and legislation is being introduced to ensure that the carer's employment rights are protected during this period. From October 2000 there will be a new Carer's Benefit of £88.50 per week based on social insurance contributions which will be payable to people who leave employment to look after someone in need of full time care. All classes of PRSI will be eligible except Class S (self employed) and Class J (earnings less than £30 a week). It will be available to employees who have at least three years PRSI contributions and who are employed for at least 19 hours a week before starting full-time caring duties.

It will be payable for up to 15 months. An increase in payment will be made in cases where a carer is caring for more than one person. In addition, an annual Respite Care Grant (currently £300) may be payable. The general conditions for eligibility will be the same as for the Carer's Allowance, e.g. medical conditions, but it will not be means-tested.

For further details contact the Social Welfare Services Office, Government Buildings, Ballinalee Road, Longford. Tel: 043-45211 or 8748444.

## Dungarvan Toastmasters Can Help You

It is coming around to that time of year when you ask yourself "what will I do in the long winter evenings". Toastmasters provide a very friendly and supportive atmosphere where people can learn to improve skills, such as listening, presentations at business meetings, acceptance speeches and running meetings. The emphasis is on learning in a fun and friendly environment.

At a typical Toastmasters meeting, members will have the opportunity to prepare and deliver formal speeches on subjects of their own choice, give impromptu talks on assigned topics and gain valuable leadership and management experience. So whether you need to give a presentation to your management board or act as best man at a wedding, Toastmasters will give you the skills and confidence to do it in style.

Dungarvan Toastmasters was founded in 1990 and we celebrate our 10th birthday this year. Over the years, our members have gone on to apply what they have learned at business and social events. We meet on the second and fourth Thursday of the month in the Park Hotel at 8.00 pm. Our first meeting of this season is on the 14th of September. Guests and/or new members are welcome to all meetings.

Gain personal confidence that will help you when speaking to one person or one thousand.

# THE HUMAN BODY

## BODY DEFENCES

Even in a clean and spotless place, there are probably a few germs. These microscopic living things, such as bacteria and viruses, get on to our skin, and into the food we eat, the drinks we consume, and the air we breathe. They may also get into the body through a cut or wound.

If enough germs get into the body, they can start to multiply and cause problems. This is an infection. But the body has several sets of defences against germs. They include the skin, the moist germ-trapping linings of the breathing and digestive passageways, the way blood clots to seal wounds and leaks, white cells and other substances in the blood, the thymus gland in the chest, and small lymph nodes or glands spread all over the body. Together, all of these parts form the body's immune system.

## THE BODY'S GERM-KILLERS

The body's immune system includes several kinds of white cells in blood, body fluids and lymph nodes. Some are phagocytes, always on the lookout for germs such as viruses and bacteria. If a phagocyte finds a germ, it flows around it and 'eats' it alive. Other white cells, called lymphocytes, make body substances called antibodies. These stick on to the germs and make them helpless or burst open.

The white cells recognise germs and other invading substances because the invaders have foreign or 'non-self' substances, antigens, on their surfaces.

Antibodies work by attaching to antigens, like keys fitting into locks, to destroy the germ.

Also certain white cells 'remember' the identity of the germs. If the same type of germ tries to invade the body, the immune system recognises it at once and kills it, before it can multiply. This natural protection against an infection second time around is called immunity.

### EDWARD JENNER

Edward Jenner (1749-1873), an English country physician, noted that people who had *compox*, a mild disease caught from cattle, seemed resistant to the far more serious smallpox.

In 1796 he gave a local boy cowpox. Six weeks later, he deliberately infected the boy's body with smallpox. The boy survived and Jenner's work laid the basis for immunisation.

## THE LYMPHATIC SYSTEM

The lymphatic system is a network of tubes called lymph vessels, filled with a milky fluid, lymph. At various places around the body — especially the neck, armpits, lower body and groin — these form lumpy-looking lymph nodes.

Lymph fluid comes from general body liquids around and between cells, and blood leaked from blood vessels. These collect in lymph vessels and ooze along very slowly.

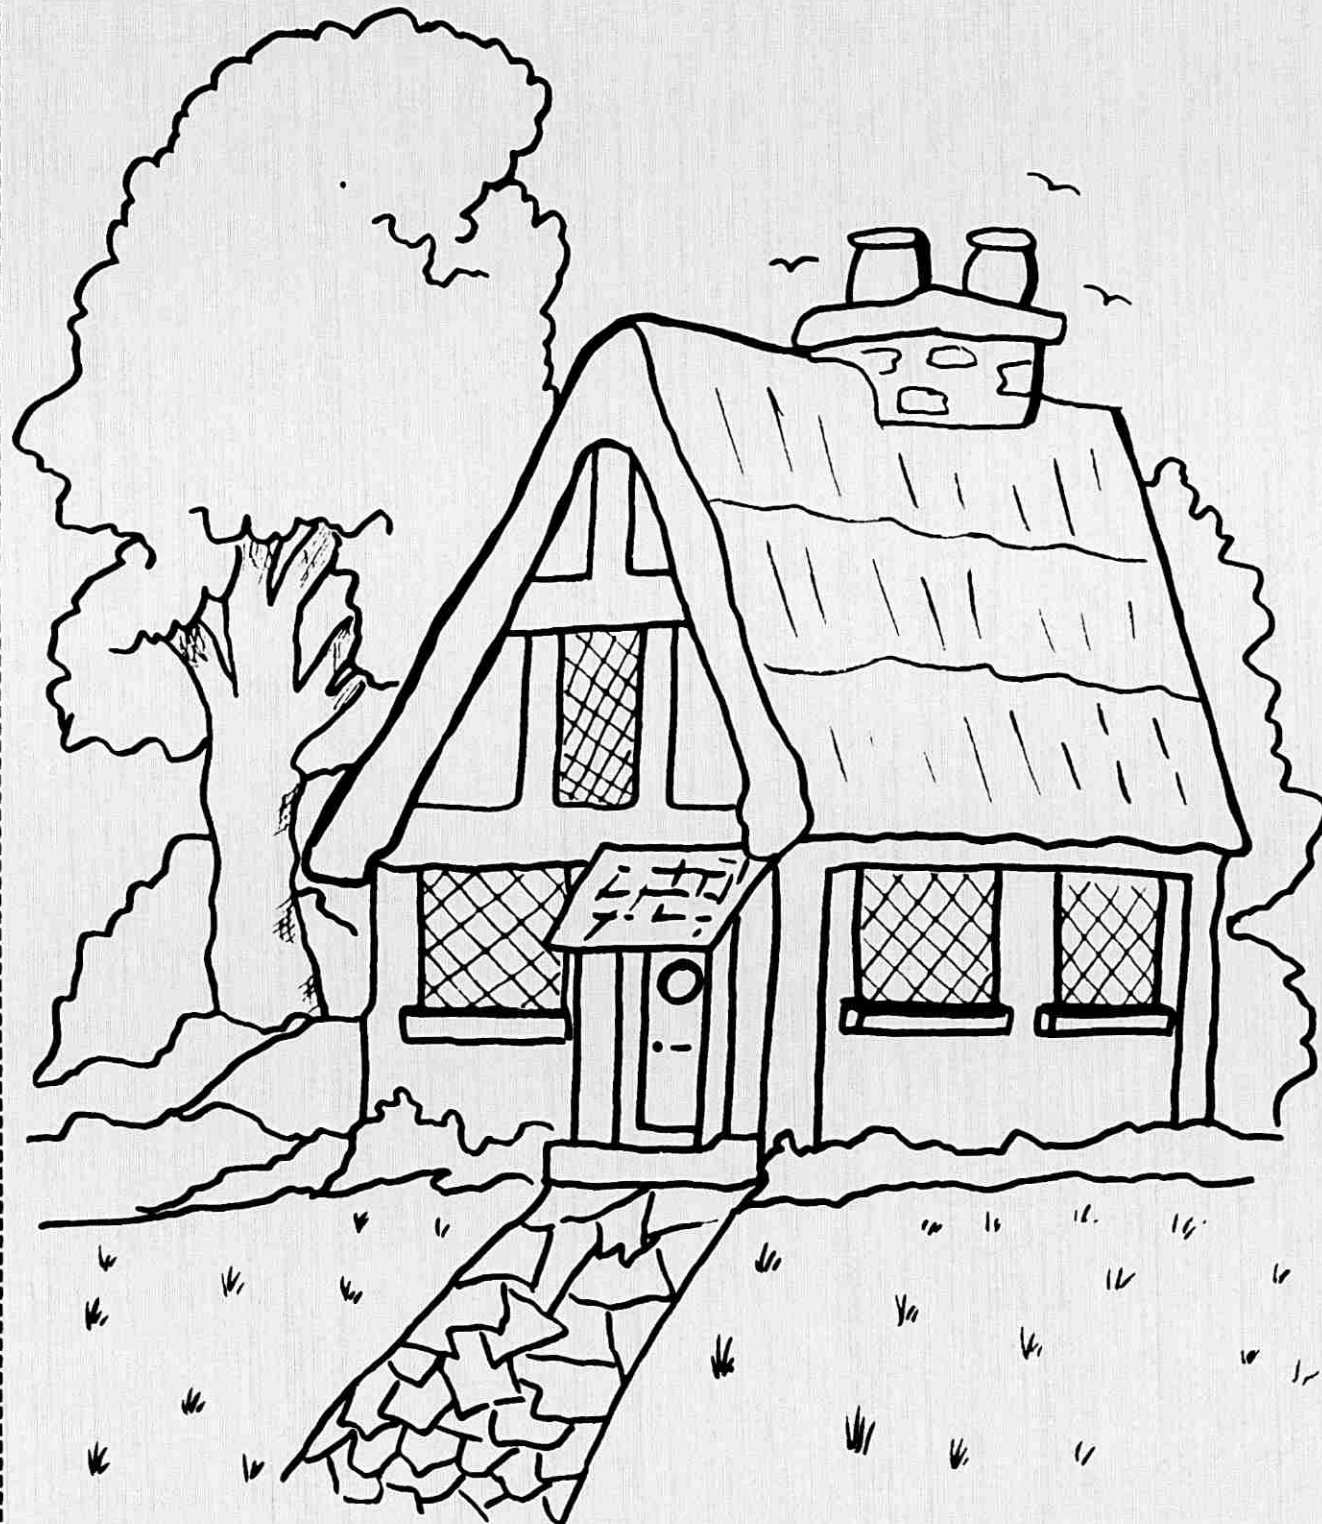

Like blood, lymph fluid delivers nutrients to body tissues, and collect their wastes. It also contains white cells which defend the body against germs. The lymph vessels come together as large lymph ducts that carry lymph fluid back into the blood system near the heart.

## College Project Must Start Before 2001 - Kyne

(Continued from Page 1)

Earlier aspirations were that construction work would begin on site before the end of the year but inevitable delays have seriously altered the initial time frame.

Clr. Kyne told the 'Leader' that the end of the year is his deadline to the Department and the Government TDs for the project to start.

"It can and should be sooner, seeing, of course, is believing!", he stated.

He said the next stage in the process is the tender stage and it was reasonable to expect construction to start before years end.

"Even allowing for the construction boom, this project must start before 2001", he stressed.

"When we as a VEC contacted the Government in the past, we were sometimes accused of not having our side of the details submitted.

I am pleased to confirm that all of the clarifications between our architect and the Dept. of Education have now been completed. I met with Shay Cleary, our VEC architect and the final four technical points were resolved. These last points are now being inspected by the Department's technical staff and are expected to be approved within the next two weeks".

## Call Made To Reform Higher Education Authority Grant

**A Dungarvan Labour Councillor has said the 5% rise in the Higher Education Authority Maintenance grant for third level students is insufficient, as it neither takes account of inflation or rising costs in rental accommodation.**

Cllr. Fiachra O Ceilleachair says the grant - payable to Co. Waterford students through either the County Council or the Corporation - in many cases is not enough to keep someone in college. Cllr. O Ceilleachair says dependency on part-time employment is a reality for many students from Co. Waterford whilst at universities around the country. Cllr. O Ceilleachair is also concerned at reports from student organisations citing the level of the grant as preventing people from taking up university places and pressuring others into dropping out.

"The level of the HEA Maintenance grant is an issue regularly raised with me by students and their parents. They aren't happy with the maximum of £1,717 for the academic year. That amounts to only £50 a week or so. A source of particular frustration has been the unwillingness to alter the means test criteria to take account of net household income as opposed to the gross totals as applied at present. Everyone knows that a worker is not getting enough of the wages in excess of the £20,000 earnings cut off point in the means test for the full grant. For those PAYE workers paying

higher rates of tax and PRSI on their wages every week, it is a big drain to be means tested out of qualification and then fund an offspring's third level education. Meanwhile there have been cases where offspring of some non PAYE workers - who may have greater resources - actually qualifying for the

maintenance grant. The fact of the matter is that inflation is running at 6.2% and studies are showing accommodation costs rising by 33% over the last two years. Yet this Government praises itself for a 5% rise in the HEA maintenance grant payment for

those fortunate enough to pass the means test. The Labour Party at a local level through our Councillors and at a national level through our TD Brian O' Shea and the parliamentary party will be campaigning for reform in this matter."

Cllr. Fiachra O Ceilleachair

## Letter To Editor Lack Of Playgrounds In The County

Dear Editor

I just thought I'd air my views with your readers, to see basically if anyone else feels the same as I do about the issue of play grounds or should I say the lack of them in County Waterford. Having spent the summer traipsing around the country side to beaches and local beauty spots to alleviate the crys of "I'm bored" from my 11 year old, my 6 year old and even at times from my 3 year old, I've now reached the end of my tether. It's just as well school re-opens next week.

Twice in the last week I brought the children to the playground on the outskirts of Youghal and low and behold there were no cries of "Mam, can we go home now", or "can we go somewhere else now", in fact I had trouble getting them to come home at all.

My grievance to the above is that I feel I shouldn't have had to drive 16 miles to Youghal (I live in Cappoquin). I should have been able to walk out my own door and somewhere in the vicinity of my own town been able to bring my children to a playground. Could someone tell me if the powers that be have any children or grandchildren of their own? Do they know that during the summer months children need someplace to go? for goodness sake we are only asking for a playground not Disneyland! There seems to be a policy in Waterford to deprive our children of simple pleasures. I had to go outside the county to a playground, no town in the surrounding area has a playground. Does this mean that our children are not important enough?

Red tape and bureaucracy seem to be denying our children the simple things in life. Insurance seems to be the big excuse every time something of this sort is put before town development groups. I am well aware that we are living in a world where litigation plays an enormous part in our everyday lives but I seriously think things are getting out of hand when we leave it dictate what we can or cannot do.

I appreciate that town development groups are doing a lot of good work and that it may be expensive to install playgrounds and fund insurance to cover it, but I think it's time to weigh up the enjoyment the children will receive against the cost. After all there is no price in the world you can pay for a child's smile.

## Deliciously Different Sunday Leg of Lamb

**TRY out this deliciously different way to roast your Sunday leg of lamb.**

**Ingredients:**

(Serves 6)  
1.5kg leg of lamb  
30g butter  
1 tblspn olive oil  
500g onions, sliced  
1kg potatoes, peeled and thinly sliced  
Salt and black pepper  
2 cloves garlic, thinly sliced  
1 beef or lamb stock cube  
1 cup hot water  
Parsley

**Method:**

Heat the butter and oil in a frying pan. Add the onions and cook them gently until they are softened and just starting to colour.

Place the potato slices in the bottom of a roasting pan. Spoon the onions over them. Season with salt and

freshly ground black pepper. Make small incisions around the bone and under the skin of the leg of lamb and insert the garlic slices.

Place the lamb on a rack over the potatoes and onions. Season it with plenty of salt and freshly ground pepper.

Dissolve the beef or lamb stock cube in a cup of hot water and pour it over the potatoes and onions.

Roast the lamb in a hot oven (220°C) for the first 20 minutes and then lower the oven temperature to moderate (180°C) and cook for another hour.

The lamb may be cut into thick slices, arranged on the bed of potatoes and onions, sprinkled with chopped parsley and served in the dish it was cooked in so that you don't lose the juices.

Serve with plenty of mint sauce and your choice of green vegetables.

## Red Pepper and Almond Soup

THIS delicious soup can be made in large quantities and frozen for up to three months. Serve with a lightly toasted sliced baguette.

**Ingredients:**

(Serves 8)  
6 red peppers, quartered, cored and deseeded  
90ml olive oil  
2 onions, peeled and chopped  
Orange rind, finely grated  
100g ground almonds  
1 litre of vegetable stock  
Salt and pepper  
1 clove garlic, peeled and crushed  
200ml crème fraîche  
Toasted flaked almonds  
Basil leaves, freshly chopped

**Method:**

Place the peppers on a foil-lined grill rack, skin-side

up, and grill for 15 minutes or until charred. Pop them into a plastic bag and leave to cool for 10 mins, then peel away the skins.

Heat the olive oil in a saucepan. Add the onions, orange rind and almonds, then stir gently for about 5 minutes until the onions are soft and the almonds are beginning to colour.

Add the peppers and stock, then cook the soup gently for 5 minutes.

Leave to cool, then blend until smooth. Season to taste.

To freeze, transfer the soup to a freezerproof container, leaving at least 1cm space at the rim.

To thaw, transfer to the fridge 24 hours before serving. Mix together the garlic, crème fraîche and seasoning.

Reheat the soup, then scatter with almonds and basil.

## Hot Breakfast At Any Time Of Day

MAKE sure all the components of the all-day breakfast are ready to be served together on a hot plate, accompanied by freshly-made toast, a glass of fruit juice and a cup of tea or coffee.

**Ingredients:**

(Serves 4)  
8 sausages  
8 rashers of bacon  
4 eggs  
4 medium tomatoes  
12 small mushrooms, wiped  
A little oil

**Method:**

Grill the sausages on a grill pan under a medium preheated grill or in a preheated oven at 200°C/400°F/gas mark 6 for 15-20 minutes, turning occasionally.

Ten minutes before the end of cooking the sausages add the bacon, tomatoes and mushrooms that have been

brushed with a little oil. Turn frequently.

Put a frying pan of hot, slightly salty water on to simmer over a gentle heat. Break an egg into a cup and carefully slide it into the water. Repeat this with the other three eggs. Gently poach the eggs for 2-3 minutes.

Carefully, using a slotted spoon, lift out the eggs and allow to drain on crumpled up kitchen paper. Keep hot. Place the sausages, bacon, tomatoes, mushroom and egg on to hot plates.

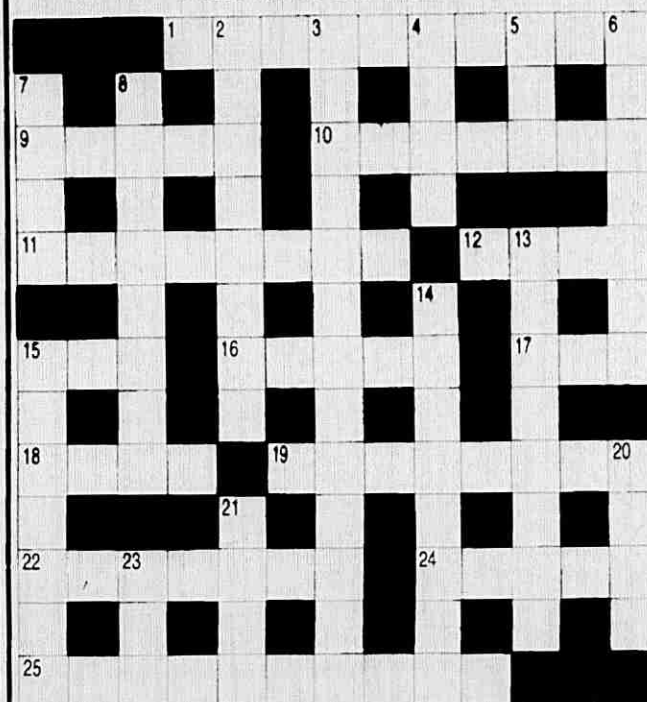

Serve with mustard, tomato ketchup, brown sauce or Worcestershire sauce. Garnish with a sprig of parsley.

If using vegetarian alternatives to sausages and bacon, follow pack instructions.

## Health Tips from Remedies

### Urtica

a.k.a. STINGING NETTLE

**USES** Arthritis, Gout, Detoxification, and Allergic rashes. Stinging Nettle has been treasured for a long time by Irish herbalists as an excellent 'blood tonic'.

**HOW IT WORKS** Nettle has a diuretic action, attributed to flavonoids which increase the excretion of a number of waste substances from the body, particularly the acid metabolites. This action is of grand benefit in gout and arthritic conditions. Nettle has a nutritive value, containing Vitamin C, iron, calcium, potassium and silica, which explains its tonic action.

## Blackwater Singers Start 5th September

It is a sure sign of Autumn when people start deciding exactly how they are going to spend their Winter evenings! There is an abundance of evening classes available, covering just about every topic under the sun and there are many opportunities to sing your troubles away.

The Blackwater Singers, based in Lismore, and now in its eighth year extends a warm welcome to present members and to intending members to a social evening with some time dedicated to singing a few light pieces in Lismore Golf Club on Tuesday 5th September at 8.00 p.m. If you have never been in a choir before - why not start now?

"New members will receive a warm welcome, they will be made to feel at ease and this season we have a selection of music that is easy to sing and will appeal to all tastes" says Dr Jan van Putten, founder and conductor of the choir.

A selection of Spirituals and well loved Stephen Foster songs is on the agenda for the new season in preparation for a concert in Villierstown in the second half of October. Following the concert, it will be time to prepare for the Carol Service in Lismore Cathedral and a carol concert in Dungarvan, together with St. Carthage's Singers, the choir-in-residence of Lismore Cathedral

For those who are interested, the informal evening on the 5th September provides a great opportunity to meet members of the choir and enjoy some informal singing. Members of the Blackwater Singers travel to Lismore every Tuesday from Dungarvan, Stradbally, Fermoy (Co. Cork), Newcastle (Co. Tipperary), Ring, Villierstown and Cappoquin - obviously distance is no object when it affords an enjoyable night of singing.

Intending members who would like further information about the Choir's activities should contact Ms. Mary Lawless, tel. (051) 293992.

## BALLINACOURTY WIN REPLAY

BALLINACOURTY 1-12, DUNGARVAN 1-6

This replay had been eagerly looked forward to by both sets of supporters all week and they were not disappointed as a match full of exciting football was served up and towards the end there was a fair share of controversy which gave those present plenty to talk about.

Ballinacourty played with the strongish wind and Ian Kiely pointed within 30 seconds. Derek Hayes fielded and passed to Damien Cliffe who set up Gary Hurney for point number two. Dungarvan exerted pressure and were rewarded with a point in the fourth minute. Proceedings were tight and Dave Kelleher, Ballinacourty received a yellow card. A long ball into the Dungarvan square saw Micky Enright fist the ball over his head for a point. Ballinacourty dominated midfield and the scores flowed.

A Derek Hayes lob was fisted over the bar by the Dungarvan goalkeeper. Dave Kelleher pointed a free. The same player swung one over from the right hand side with his trustworthy left leg. Again Derek Hayes sent in a long ball which was fielded clearly by full-forward Hiker McGrath. He spotted Micky Enright running loose inside him and a fisted pass set up

the corner forward for an excellent goal.

Aidan Landers replaced Michael Cosgrave and this player's first kick at goal hit the goal post. Play was delayed as an injured Dungarvan player was attended to. When play recommenced, Dungarvan pointed a free. A flowing movement saw Jonathan Moore find Aidan Landers who put Hiker through for a point. Gary Hurney penetrated the Dungarvan defence with a trademark solo-run but his shot for goal was saved at the expense of a '45'. Dave Kelleher's free kick hit the post to leave the score at half time Ballinacourty 1-7, Dungarvan 0-2.

### WOULD IT BE ENOUGH?

During the interval Ballinacourty supporters wondered would an eight point lead be enough as they faced a freshening breeze in the second half. Dungarvan pointed on the restart and compounded their fears. Ian Kiely was now playing at corner forward. Ballinacourty were determined and a pass from Aidan Landers put Gary Hurney through for a point. A high ball saw Hiker challenge aggressively for possession and the ball broke to Damien Cliffe who pointed. Dungarvan lifted the siege and exerted their own pressure. A point from a free and another from play kept them in touch. Ballinacourty, one felt would be O.K. as long as they did not concede a goal. The worst happened when Dungarvan's John Power went through for a brilliant goal. Ballinacourty kept the heads up and three points without reply stretched their lead to seven points. A pointed free from John Power did not cause undue worry. Into injury time and the drama commenced. Dungarvan were awarded a penalty which they looked to have goaled but the umpire waved wide. Dungarvan stormed forward in search of a goal and a blistering shot was saved brilliantly by Ger Enright. The ball broke loose to a Dungarvan forward and he planted the ball in the back of the net. 'In the square' said the referee and umpire and a free out was awarded. Following the free-out the final whistle sounded. It took us some minutes to gather our thoughts. Over the hour, however, Ballinacourty were the better team and deserved their win.

## COMMUNITY CENTRE NOTES

All committee members are reminded that our first meeting after the Summer recess takes place in Abbeyside school on Wednesday 6th at 8.00 p.m. sharp.

Any new members interested in joining the committee, please come along.

## Pattern Notes

Sunday last saw the running of the Coors Light Bar Stretcher Race which had to be cancelled due to bad weather on the Sunday of the pattern.

A large crowd turned out to see a small field of just 4 teams compete. (Minnie's Men, Minnie's Ladies, Radley's, and the Local). First team away were Radley's who started quickly and they were followed by Minnie's Ladies who had the advantage of having a lady of many years experience - a veteran if you like - in La Walsh as a stretcher bearer, who put many of the young men to shame with her dedication to the event. Next off were Minnie's men followed by the Local.

Overall winners on the night were the Local in a time of 5 minutes 55 seconds. Minnie's men were next in 6 minutes 35 seconds. Next were Minnie's ladies at 8 minutes 38 seconds and Radley's eventually struggled home in a time of 11 minutes 38 seconds.

Results were announced and prizes presented afterwards in Minnie's followed by a few words from Mr. Milo Corcoran representing the race sponsor Coors Light and from our chairman Johnny.

Due to a lack of participants on the night we were unable to run the Barperson's Race.

We would like to thank all those who entered teams and those of you who came along to watch as it is only you who can make the events a success. All we can do is run them.

We would like to thank Tony O'Mahoney for his sponsorship of the O'Mahoney Cycles Criterium Cycle Race during the Pattern whose name we inadvertently left out of our list of sponsors last week. Tony has been a great supporter of the Pattern in recent years and we wish him and Siobhan every success in their new expanded business.

### APPRECIATION NIGHT

Finally there will be an appreciation Night for all our helpers this Friday night September 1st at 9.30 p.m. in Radley's Bar. Helpers are asked to let the committee know if you will be there.

## PATTERN MASS

The Mass to celebrate the feast of St. Augustine, the patron Saint of Abbeyside was celebrated on Sunday last. Our parish priest Fr. Doherty during his sermon on the life of St. Augustine pointed out the stained-glass window depicting the saint. It is on the right hand side of the church as the priest looks down from the altar. Immediately opposite is the stained-glass window depicting St. Monica who was the mother of St. Augustine.

# WHERE THREE PARISHES MEET

## THE MASS

A very interesting religious ceremony took place at the Ballyvoile end of the parish on Monday evening the 22nd August when Mass was celebrated at a Mass rock used to divide three parishes. The location for the unique religious ceremony was well sign-posted from Ballyvoile Bridge and having turned left from the Main road we travelled two miles and then turned left into a field. Cars were able to drive along the perimeter of two fields before we reached the field used as a car park. From there people walked to the rock which was situated under a tree covered alcove. There, men and women, young and old formed the congregation for a millennium Mass.

## FR. ENRIGHT'S INTRODUCTION TO THE ROCK CLOCH AN EIDHINN

This massive structure behind us divides the three parishes of Stradbally, Abbeyside and Kilrossanty. Across river is Abbeyside, behind the rock here is Kilrossanty and where we are all congregated is Stradbally. This massive and impressive structure which leans over the river Dalligan was originally from the Comeragh Mountains and carried down here and left here by a glacier which is a river of ice during the Ice Age. The glacier cut out the whole valley that we see now so you can imagine the power of this river of ice. All we see now is its descendant, which is a small flow of water which flows from its source above what is now Kilrossanty.

A number of hundred years ago it was decided this was the landmark to divide the three parishes.

In 1890 a historian by the name of Canon Power who wrote a book "Placenames of the Decies" which is available in Dungarvan Library, travelled these parts and visited this site as part of his research. He was informed by the local people here that this landmark was "Cloch an Eidhinn" which translates in English as "The Rock of the Ivy" which is a suitable name for it as you can see. People over the years heard the name verbally as "Clock an Abhainn" "The River Rock" which would also be a suitable name but the correct name is "Cloch an Eidhinn".

The river here was a lot deeper before the building of the dam thirty years ago, one hundred yards up stream. It was therefore a great place for trout and many the story could be told of fishing and swimming expeditions to this site. People fishing for trout could actually swim under the rock and into an air pocket under the rock and wait there for a few minutes and then nab a trout. Today you may see small trout but unfortunately we will not be performing the miracle of the "Loaves and the Fishes" unless of course someone is prepared to jump in and catch two hefty trout.

The choir were accompanied by musicians with guitars and the opening hymn was appropriately 'The Rivers of Babylon'. Fr. Enright informed us that the Feastday was that of Pope Pius X, the first reading which was from the Acts of the Apostles was read by Lisa Fennell. She also recited the Responsorial psalm which was the familiar 'The Lord is my Shepherd, there is nothing I shall want.' The gospel was taken from that of St. Mark.

The reading outlined how John was arrested but continued to announce that the kingdom of God was close to hand. At this period the fishermen left their boats, and nets and followed Jesus. The Prayers of the Faithful were read by Fr. Fives, Fr. Doherty and Canon O'Mahoney. For the offertory hymn the choir sang 'The gifts we offer', four priests distributed Holy Communion while the choir sang - 'Soul of My Saviour', 'We are Yours' and 'Let there be Peace'.

At the invitation of Fr. Enright, Fr. Doherty P.P. Abbeyside, Ballinroad and Garranbane was asked to speak. He referred to the magnificent proportions of the rock and believed it was something special to have the three parishes coming together on common ground. He asked us to be carriers of peace to others.

Fr. Enright thanked the Civil Defence, the stewards, Tom Drohan for the excellent public address system, Virgil Power for the generator which enabled the ladies to make tea for all present, the Choir and the altar boys.

Tom Carroll was thanked for the use of his land and the historical information he shared with the organisers. In a humorous aside Fr. Enright presented Tom Carroll with a large bottle and reminisced how he had often served Tom a large bottle when he helped out in Crotty's pub in Abbeyside. The congregation joined the choir for the final hymn - 'Faith of Our Fathers'.

## A SOCIAL GATHERING TOO

Many people examined the rock and noted the special plaque put in position in memory of the occasion. The wording is as follows:

'Mass celebrated at this rock, where the parishes of Abbeyside, Kilrossanty and Stradbally meet - 21st August, 2000.' The millennium logo is also inscribed in the plaque.

People from the three parishes mixed freely and the hum of conversation filled the air. Tea, sandwiches, apple tart and cake were provided and large bottles of Guinness and Smithwicks were distributed courtesy of Fr. Enright. An impromptu music session began which further added to the enjoyment of the occasion.

MURPHY PLACE REUNION 2000

The final chapter in the very successful Murphy Place Reunion took place at Minnie's last Saturday night. The committee who organised the event invited the Senior Citizens Committee along and presented them with a cheque for £350 which was the final amount left over after all expenses were paid.

They also invited our own Archive Committee along and presented us with the UDC Scroll they had received on the 'famous night' of the 12th August 2000, as well as 22 pages of signatures and comments signed on that historic night. The scroll we intend to put on permanent display at our home (thanks to Fr. Doherty) in the Parish Office. The signatures and comments we intend to put in the time capsule we are assembling - which will be opened at a future date.

We say thanks to the committee who organised the Murphy Place Reunion on a job well done.

This Sunday evening at the Parish Office our Chairman, no less Seamus O'Brien, Senior, will be minding both the Scroll and signatures where visitors from any corner of the world will be welcome to visit and browse a while.

# RECENT DEATHS

## LATE PADDY COSTIGAN

We pen these lines with great sadness and with feelings of deep regret on the passing on Wednesday Aug. 16th of Paddy Costigan, 15, Cathal Brugha Place, Dungarvan at Waterford Regional Hospital after a very short duration of illness. Son of the late James and Margaret Costigan and predeceased eighteen months ago by brother Billy, Paddy was well known and a most popular individual. Aged 59 years and a member of an old town family, Paddy who was a native of Cathal Brugha Place, loved to listen to his radio and enjoyed his flutter on the horses. In his younger days he gave of his best working with the farming community and was also employed at the local docks when the various boats unloaded their cargoes. Living in his youth within a

stones throw of the Ball Alley, Paddy was also very interested in Handball. His demise at a relatively young age, robs the Old Boro of one of its characters, as Paddy was a great favourite. We sympathise with his brothers, sisters and many relatives at this time.

On Thursday evening Fr. Grant C.C. visited the Kiely Funeral Home for Rosary and prayers after which the funeral cortege left for St. Mary's Parish Church. Shouldered high by relatives, neighbours and friends Paddy's remains were received and blessed by V. Rev. Fr. N.O'Mahoney P.P. assisted by Fr. Grant C.C. and V. Rev. Fr. J. Gough OSA. On Friday morning a large concourse of mourners was present for the funeral Mass which Fr. O'Mahoney P.P. celebrated for the happy repose of Paddy's gentle soul. The lessons were read by John Costigan (nephew) and Nicola Power (niece). The Psalm was sung by Selena Power (niece) accompanied by Dina Walsh. Prayers of the Faithful were shared by Lydia Power, Carol Power, John Power and Selena Baggs (nephews and nieces) and Mark Hyslop (relative). The offertory gifts were brought to the altar by Johnny (brother), Marguerite (sister) and Steffi and Lydia (nieces). The music of Dina Walsh made the Funeral Mass so special as did the beautiful and moving renditions by Selena and Nicola

Power (nieces). We gathered on a beautiful morning in the Old Churchyard Cemetery for final prayers and blessings before Paddy Costigan was laid to rest. Beautiful floral tributes were placed on the grave while relatives placed red roses in the grave as tributes to a person who had meant so much to so many. Selena's "She moved through the Fair" was deeply appreciated.

Chief mourners: brothers Christy, Johnny, Eddie, Jimmy and Michael, sisters Marguerite, Mary and Nellie, brothers-in-law Tom Power and Willie Crotty and a wide circle of other relatives including many nephews and nieces who will all miss Paddy.

'May the light of Heaven shine on his soul'.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE WILLIE POWER

It was on Friday 18th of August that the locality learned of the unexpected passing of Willie Power, Ballinroad at his residence in Ballinroad. In his 80's Willie was a native of Ballinacourty and gave sterling service to both Quigley Magnesite and as gardener in the Presentation Convent. Well known and held in high esteem, he was a man deeply devoted to his God and church. A wonderful neighbour and friend, Willie will be sorely missed. We sympathise with his relatives, especially the Daly family of Knockateemore and the O'Keeffe's of Modeligo. On Saturday evening Fr. Doherty P.P. visited the Kiely Funeral Home for Rosary and prayers after which the funeral cortege left for St. Laurence's Church, Ballinroad. A large and representative gathering heard Fr. Doherty P.P. speak in glowing terms of Willie and his love for the Mass. On Sunday morning Fr. Doherty P.P. was Mass celebrant, while neighbour Kathleen Landers and Mary Gilligan (cousin) read the lesson. The Dungarvan Brass Band

played the music which was arranged for that particular Sunday some time ago. Willie Power would certainly have approved. In the adjoining cemetery we gathered to pay our final tributes as Fr. Doherty led us in prayers. May the sod of Ballinroad rest gently upon a much valued member of our community.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE JIMMY O'BRIEN

With great sadness and deep regret we write on the passing of Jimmy O'Brien, Ashmore Rd. Queen's Park, Kilburn, London and late of Cathal Brugha Place, Dungarvan at St. Mary's Hospital, Paddington. Predeceased by his brother Patsy just a year and a half ago, Jimmy who was in his early 40's was son of Peggy and Michael. His passing is also deeply regretted by his brothers Michael, Peter, Thomas, Martin and Paul, sisters Mary, Marguerite, Josephine, Caroline, Linda, Veronica and other relatives and friends to whom we extend our deepest sympathy on their loss. Jimmy's remains will arrive this Wednesday from London and will be transferred to the Kiely Funeral Home, Dungarvan for 8 o'clock Rosary and prayers. Removal will take place on Thursday at 7.30 pm. Requiem Mass will be celebrated on Friday at 10 o'clock with the interment following in Hugginstown Cemetery, Co. Kilkenny.

(All arrangements both in London and Ireland were by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE KATHLEEN WALSH

We pen these lines on the passing of Kathleen Walsh, Prieststown, Ballinamult who passed away on Monday last, 21st August at Our Lady's Hospital, Cashel. In her mid 80's Kathleen was a native of Skeehen's. We sympathise with her brother Michael, sister Nell, her nephews, nieces, relatives and friends. RIP.

Removal took place on Wednesday evening last from the Kiely Funeral Home to St. Mary's Church, Touraneena. Following requiem Mass on Thursday the interment was in the adjoining cemetery. Very Rev. Fr. C. Kelleher P.P. assisted by Very Rev. Fr. P. Hallinan P.E. officiated at the funeral obsequies.

(Full obituary tribute next issue).

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

# RNLI DUNGARVAN BAY SWIM WHALE OF A SUCCESS

The sixth annual Ballinacourty to Helvick sponsored RNLI swim took place last Sunday, and despite the squally weather which threatened for a short time, it was the most successful to date, attracting the biggest crowd ever seen on Helvick Pier.

Addressing the sponsored swimmers and safety boats before they set off from Ballinacourty Pier, Clare Morrissey said with a loud hailer from atop a bollard "As Chairperson of RNLI Dungarvan Fund-Raising Branch, a céad míle fáilte díbh go idir. We have swimmers from Dungarvan, Cork, Kilkenny and New Ross, and safety personnel from Dungarvan, Helvick, Waterford and Clonmel. The distance you will swim is approximately two miles, and you have all been allocated a safety boat. Please do not change your assigned boat cover without informing us. The water temperature is 16 degrees Celsius with light westerly winds. The swim is not a race, but more a feat of endurance. You should follow your own safety boat who will in turn follow a direct line set by the Lady Kate captained by Donal Walsh assisted by his wife Mary. "Beannacht Dé oraibh go léir!" Her blessing was accepted with excited applause, and she alighted the bollard, and headed for the water to join the swimmers.

As the swimmers crossed the bay, the Knockmeal-downs faded in a squall of heavy rain which spread east, through the town of Dungarvan, across the Cunnigar and finally passed the swimmers about a mile out of Ballinacourty Lighthouse, as it made it's way out to sea. Undaunted, the swim continued, their years of dedicated training standing them in good stead. Dolores Uí Cheallaigh, Hon Secretary Dungarvan Fund-Raising Branch RNLI and Joan Clancy PRO were aboard the Lady Kate when over the radio came a call out for Helvic Head Lifeboat to assist in a rescue near the Longships, a group of rocks near Mine Head. Already in the water because of the Sponsored Swim, the RNLB Alice & Charles, sped off swiftly on it's mission.

From out in the bay could be seen the hundreds of cars parked on the road from Murray's Pub to Helvic Pier, and pale smoke wafting from the barbecue manned by Austin Flynn, Kieran Donnelly and Michael Daly all members of Dungarvan Harbour Sailing Club, assisted by Tricia Manahan from the RNLI Ladies Catering Committee.

Now the excitement was mounting on Helvic Pier, the first swimmer was approaching, accompanied by her safety boat, and as she reached the slipway by the Lifeboat House, she was soon followed by the second swimmer and the third and the fourth. When Tom Kennedy arrived he was greeted with champagne and the excitement had reached a fever pitch. All the swimmers were in, and the first Dungarvan Bay RNLI swim of the second millennium was accomplished to the strains of Billy O'Donnell's accordion accompanied by Tom Power singing with guitar.

The Ladies Committee had delicious sandwiches and hot drinks for the swimmers, and the barbecue, kindly sponsored by John Ryan of JR's Restaurant, was serving it's four hundredth quarter-pounder and umpteenth chilled soft drink. Frank Mulcahy's very colourful RNLI novelty and souvenir stand was doing a steady trade, assisted by local residents Ute Groening and Klaus Botzum.

Clare Morrissey, having completed the swim herself, was now expressing her gratitude on Helvic Pier. She said "You have all successfully completed the 6" Annual RNLI Sponsored Swim which is a two mile endurance test.

"While we are always truly indebted to you who help fill the sponsorship cards and the many volunteers who combine together into making today another huge success for the RNLI, we are especially indebted to our swimmers, who year after year display great courage, gen-

erosity of spirit, and help augment our fund-raising efforts. It would be impossible to mention all of our sponsors. However I will mention the media, WLR, Dungarvan Leader and Dungarvan Observer who always give us invaluable coverage.

"We are indebted to John Ryan of JR's Hamburger Restaurant in Dungarvan for supplying food and beverage for the BBQ. All our sponsors have been more than generous with their gifts and we appreciate your support not alone on this occasion, but whenever you are asked for support. To the safety boat personnel, Civil Defence from Dungarvan, Clonmel and Waterford, we are very grateful to you, agus gach dhuine eile a chabhraigh linn in aon tsi. The RNLI is a voluntary organisation. Lifeboat men and women are always ready to exchange the comforts of home for cold, wet, fatigue and possible danger. Whatever the weather, or the time of day or night, distress calls are always answered.

"To our local volunteer crews from Dungarvan, Ballycotton, Youghal, Bonmahon and Tramore, we are deeply indebted to your commitment and dedication. Slán libh, agus go mbeirimid beo ar an am seo arís."

The local swimmers are Clare Morrissey, Johnny Clarke, Eddie O'Mahony, James Keohan, James Twomey, Lisa Glynn and Darren Drummy. Paul O'Gorman came from New Ross, and the Kilkenny contingent are Michael Gaul, Tom Kennedy, Tom Doheny, Andy Ramsbottom, Ciara Gaffney and Aoife Tracy and Liam Costigan. The Cork Masters Swim Club members who took part are Terry Fleming, Mike Harris, Stephen Black, Pauline Houlihan, Eddie Hinchy, Imelda Lynch, Dave Mulcahy, Tadgh Harrington, Angela Stubbs and Vincent Cassidy.

Attendant boats were Waterford County Civil Defence with Nicky Butler and Denise Regan, Waterford

Photo shows the ladies RNLI catering committee ready for action at Helvick

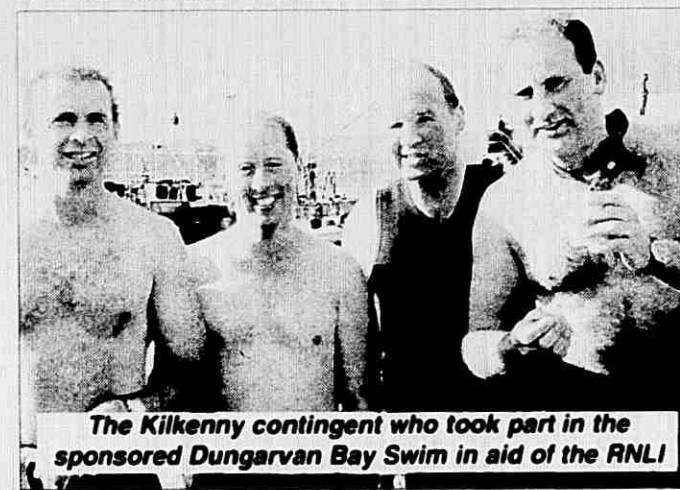

City Civil Defence with Ann O'Keeffe and Eamonn Kelly, and Clonmel Civil Defence River Rescue with Martin Casey and Pat Walsh. Other attendant boats were skippered by Pakie Harty, David Tobin, Kieran Rossiter, Sean O'Reagáin, Eanna Sheehan, Declan Clarke, Tom Shanley, Pat Waide, Richard Dalton, John Colman and Mitch O'Brien. There was a trained RNLI crew member aboard each of these boats.

The Helvic Head RNLI Ladies Catering Committee are to be commended for their highly organised skills. They are Olivere Walsh, Orta Drummy, Mary Rose Drummy, Eileen Moloney, Mai Walsh, Agnes Kelly, Audrey Kelly, Trish Manahan, Jacin-

ta Condon, Mary Condon, Bernie McGrath, Ute Groening, assisted by Erin and Aoife Condon and Michelle Duggan.

At the end of the evening the skies had cleared, and as

the red sun set amidst a splendid blaze of colour, all the sponsored swimmers and RNLI volunteer crews of women and men were happy and grateful for another successful fund-raiser.

## Dungarvan Camera Club

Things are hotting up for all club members and the committee in organisation and preparation for the upcoming exhibition. The photographs are to be judged soon after next week's monthly meeting on the 6th September in the Park Hotel at 8.30 p.m. so bring along 6 photographs that you would like to be exhibited. There will be plenty of advice about enlarging and mounting so don't worry about that until the photographs to be displayed have been decided. Remember also to have negatives close at hand for those to be enlarged.

Last month's meeting was quite relaxed with informal chatting on equipment and photographs as well as plenty of conversation about the continuing plans and objectives of the club for the rest of the year, including the exhibition and the possibility of a photography weekend in the area. The standard of the

competition was as ever high and remember that next week as well as the normal monthly competition, the quarterly themed competition is up again. This quarter's theme is

"Landscapes", so bring along plenty of snaps.

So see you on the 6th with your 6 entries for exhibition. Looking forward to seeing you all then!

## Product Price Levels Crucial To Farm Incomes — IFA

"The Government Plan of Action for Agriculture and Rural Development must fully recognise the fundamental fact that the product price level is the single most important determinant of farm income. The Government carries a major responsibility in the future negotiations on the WTO and on Eastern Enlargement to ensure that major price cuts are resisted."

This was stated by IFA

President Tom Parlon in response to the announcement by the Minister for Agriculture, Food and Rural Development of the Action Plan for the agri-food sector. The Action Plan is a follow-on to the Agri-Food 2010 Committee report.

Mr. Parlon said: "Political pressure in the past by Governments with a commitment to agriculture and the rural economy, including France and Ireland, resulted

in substantial improvements in the course of the CAP Reform II negotiations and the GATT negotiations. The Irish Government should now set down some markers for the future. Firstly, price supports must be maintained at levels sufficient to provide farmers with viable incomes and the "world market" price scenario should be rejected. Secondly, if any price cuts are eventually conceded, it must only be on condition of full and lasting EU compensation."

The IFA leader continued: "The vast bulk of the points in the action plan make sense. The support services to agriculture - research, education and advice, needed to be more responsive to the demands of the 21st century on the industry, particularly quality and environmental requirements, while also recognising the growing problem of the shortage of labour in agriculture. I welcome the support for rationalisation in the processing sector, and also look forward to the introduction of the new on-farm grant schemes and structural measures in the National Development Plan in the early Autumn."

Tom Parlon added that in the recent PPF negotiations, the most urgent problems facing the sector were addressed, and the Programme contains a number of important commitments by the Government. "IFA will be working to ensure that commitments and deadlines are honoured by the Government, including those on animal disease eradication."

## Devine Says Government Must Deliver On Disadvantaged Areas Reclassification Problem

Waterford IFA Western Committee Chairman, James Devine, has said the difficulties of a number of farmers in the mountain grazing areas with the new disadvantaged areas system will have to be addressed.

Mr. Devine said, despite the fact that payments in the mountain areas will increase from the present level of €18.1m to €42m under the new arrangements, he was aware that the new scheme presented real problems for some farmers in these areas who are already farming under difficult circumstances.

The Waterford Western Chairman said he would ensure that IFA be insisting that this problem is addressed by the Department of Agriculture through reclassification in line with the Government's undertaking to IFA.

Mr. Devine pointed out that the compensation scheme secured by IFA would cover 90% and 80% of any losses in years one and two. "It is now up to Minister Walsh and his Department to deliver on reclassification and, unless there is real progress, this will be made a political issue in the next election."

## IFA Calls For Publication Of EU Sheep Policy Report

Waterford IFA Sheep Committee's Harry Gray said that the IFA National Sheep Committee has written this week to the EU Commission demanding publication of the Report on Sheep Policy. Mr. Gray said the Report is complete for several months and should be published.

Mr. Gray said it would appear the EU Commission is sitting on the Report and looking at ways in which it can be presented to best suit themselves. He said "this Report into the shortcomings in EU Sheep Policy was meant to be independent and it should not be influenced by the Commission."

Mr. Gray said the EU Commission will have to face up to the reality that the current EU Sheep Policy is unfair and discriminates heavily against low price countries such as Ireland. He said "the Irish Sheep Sector is in a serious crisis situation at the moment with thousands of producers exiting annually. No action has been taken by the Minister for Agriculture Joe Walsh to change the situation."

The Bonmahon sheep farmer said the Sheep Forum recommended a comprehensive set of policy reforms for the sector on issues such as ewe premium, extensification premium and a staggered retention date. "No effort has been made by Minister Walsh to progress any of these issues."

The Science of Farming and Food  
PASTURE CARE

### Weed control in Grassland:

- You can still spray for Docks up to mid-September if you get warm, dry sultry weather.
- And you should
  - Spot spraying is a good idea if the concentration of docks isn't too great and the stronger sprays can be used in this situation because the clover won't get any spray.
  - It is important that you should do all in your power to promote clover and that means only using Azulox or Prospect for "whole crop" spraying of pastures to kill docks.
  - Spot spraying is working very successfully on many farms and is a chore where all family members can contribute and with a bit of organisation 5-6 acres a day can be done.
- Fields with other grass weeds should be sprayed with 2.4 D or MCPA.
- Do between paddocks and along the side of roadways.

### Reseeds

- In some of the light sandy soils reseeding could be done up to 10th September, but any later is a waste of money.
- Because clover won't establish.
- Because weed grasses flourish and dominate the pasture within 2 years and because they are the same colour as rye grass you won't notice them until it is too late.
- New Reseeds (sown in August) should now be examined carefully for seedling docks.
- When clover has one true leaf spray with Legumex Extra, Nintex, Acumen.
- It will cost £15+ per acre but it is definitely worth every penny.
- Fritfly can do serious damage to stitched-in reseeds or minimum cultivation reseed.
- Spray with Dursban, Foliotion or Derris just after emergence.
- Reseeds should be grazed early with weanlings to thicken the sward.
- Results in more tillering.
- High cover prevents tillering.
- They also kill soft weeds.
- If grazed before 26th September they should get 20-25 units of Nitrogen after grazing.

### DAIRY

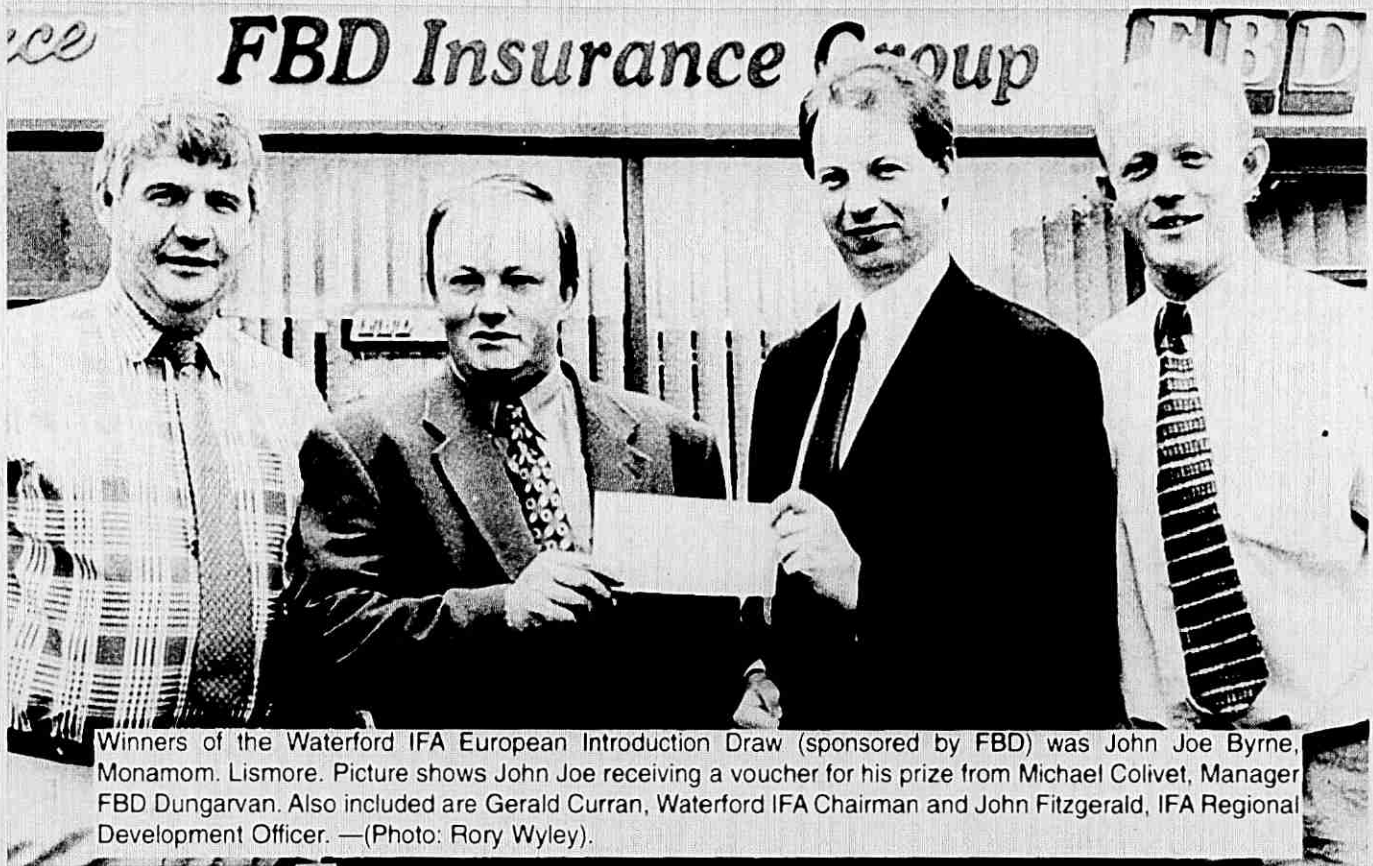

#### Animal Care

- Watch out for hoose and stomach worms in weanlings because they are now back grazing paddocks already grazed by calves this year.
- Because, they are now grazing tighter.
- Because the effectiveness of boluses and convenience doses is now wearing off.
- Don't let any calves graze the fields near the calf house for the remainder of the year. This will facilitate early let-out next Spring (March). The risk of parasite carry over will be greatly reduced.
- Inject weanling replacement heifers for leptospirosis at 6-9 months of age.
- Must be done if cows are being injected.
- Otherwise forget about it if cows are not on a programme.
- Order your Dry Cow Mastitis tubes now.
- Until Irish research proves otherwise, dry cow treatment represents the best way of reducing mastitis spread and S.C.C.
- By shopping around now you should be able to get reasonable value.
- Order your end of year dose for Stomach Worms (Type 11), lice treatment and Fluke dose if necessary.
- Castrate weanlings now if not going for Bull Beef.
- Grange work has shown that weanlings castrated in September compared with next March will weigh 4 Kgs lighter at turnout (mid April) but will weigh 3 Kgs heavier at the end of October. Early castration reduces stress.
- A local anaesthetic must be administered when castrating calves older than 6 months.
- Lame cows will carry this problem into the house unless treated now.
- The Farm Relief Service offer a very good preventative service for lameness.
- Have a chat with your Vet about an Animal Health Care programme for your farm this Autumn and Winter.
- He may have some interesting ideas at a small cost.
- Cows in a condition score of 2.7 or less should get special attention to improve body condition.
- Feed them 4-6 lbs of meal from now.
- If quota doesn't allow meal, dry them off immediately and after 2 weeks dry give them good grass.

## PPF Breached If Valuation Deadline Missed — PARLON

IFA President Tom Parlon has said that the Programme for Prosperity and Fairness (PPF) will have been breached if the September 1st deadline for implementing the new live valuation system for reactor cattle is not met.

"An agreement was made back in February, as part of the PPF, to introduce an on-farm live valuation system for reactor animals by September 1st and despite this the Department have yet to even advertise for valuers to do the work", he said.

Mr. Parlon said that he was extremely disappointed with the negotiations to date, particularly with the Department's attempt to link the introduction of the new system to new conditions, which are not related to how farmers are compensated for their reactors.

"The only clear deadline laid down in the animal health section of the PPF is September 1st for the introduction of live valuation. The Department must focus on putting this in place. Any other issues should be subject to separate negotiations", he said.

Mr. Parlon went on to say that IFA could not accept a situation where animals tested after September 1st would not be eligible for live valuation. He said that if the Department failed to have valuers in place by September 1st, IFA would be advising farmers to have their reactors valued by suitably qualified people, such as livestock auctioneers or mart personnel in advance of them leaving the farm.

"If a farmer is unhappy with what is on offer within the current compensation scheme they should have their animals valued professionally. Farmers should keep a copy of the valuation certificate so that they can be paid retrospectively if the Department fail to establish the scheme by the deadline" he concluded.

## GROWERS WILL DEMAND FULL MARKET PRICE FROM GLANBIA'S POST HARVEST REVIEW

Mr. Ruaidhri Deasy, IFA Grain Committee Chairman has said that "IFA negotiations will be back post-harvest to ensure that Glanbia pay the full market price as is being paid by their competitors around the country. It is important that buyers are not allowed to undermine dried grain prices by procuring green grain below its market value".

Mr. Deasy was speaking following a meeting of IFA's National Grain Committee in Abbeyleix last night to consider Glanbia's proposed on account price.

Mr. Deasy said "growers remain concerned that the £74 per tonne on account from Glanbia is £4.20 adrift of last year's national average feed price of £78.20 per tonne for barley, and £2 per tonne less than Dairygold's price. Progressive co-ops have again set a base market price despite strong attempts by certain members of the trade to collapse grain prices".

The Grain Committee Chairman said that

"the clear message coming from growers is that they will vote with their feet and support those grain merchants who are paying realistic market prices and are progressive in developing niche markets and adding value to the end product".

Mr. Deasy added, "Lakeland's" growers are surprised and aggrieved by Lakeland's attempts to drag the on account price for feed wheat in the North East to £75 per tonne, which is an attempt to buck market trends. Wheat is trading at £77 to £82 off the combine. We are seeking a meeting with management to rectify this situation".

"The grain market has continued to harden consistently over the past fortnight as concerns about the quality of the UK wheat harvest dissipate and what yields are revised downwards. The volume of UK grain traded ex-farm has slowed considerably, which has put upward pressure on prices. The milling markets are demanding premiums of st£15 - st£20 for Grade 1 milling".

## SOUTH EAST ICMSA NEWS NO BARRIERS TO LIVE TRADE

Mr. Pat O'Rourke, President of the ICMSA, said the Minister for Agriculture, Food & Rural Development, Mr. Joe Walsh, T.D., must ensure that any proposed new regulations do not hinder live cattle exports.

Mr. O'Rourke said: "The live cattle trade is a multi-million pound industry and is crucial to cattle prices and farm incomes. Given the nature of the live trade, the proposed new regulations are a logistical nightmare and the Minister must look again at the implementation procedures".

Mr. O'Rourke stated due to the importance of the live trade, there must be no disruption to the orderly marketing of cattle. Mr. O'Rourke assured farmers that ICMSA are demanding a rapid and practical solution from the Department of Agriculture, Food & Rural Development.

In conclusion, Mr. O'Rourke said: "There is no valid reason why the current arrangements cannot continue".

## ICMSA CALL ON GOVERNMENT TO CONSIDER LONGER DEPOPULATION PERIODS

Mr. Jackie Cahill, Deputy President, ICMSA today said the Department of Agriculture, Food & Rural Development, should consider longer periods of depopulation following a serious outbreak of brucellosis.

Mr. Cahill stated the current regulations allow for a four month depopulation period. "ICMSA believe that a longer period between depopulation and restocking should be considered in the interest of avoiding repeat outbreaks, which are becoming more prevalent of late. However, this would only be acceptable if the farmer is fully compensated for income lost during the entire period".

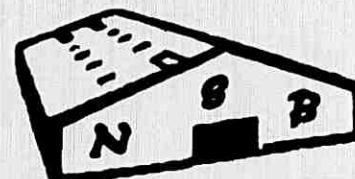

Mr. Cahill added: "The veterinary view and experience at farm level suggest that the brucellosis bacterium can remain active under certain conditions for periods longer than previously assumed. ICMSA feel there is a greater benefit to remaining depopulated for longer periods as opposed to suffering a repeat outbreak".

Mr. Cahill concluded by stressing that this proposal was strictly on the basis that farmers affected would be fully compensated for all income lost during depopulation.

## TALLOW GAA NOTES

### Hurlers Retain Senior Status Tallow 1-15 Erins Own 2-9

It was awhile in coming but at last our bunch of senior hurlers displayed their true worth with a hard earned victory over Erins Own in Dungarvan on Sunday last and this ensured our appearance as a senior team in next years championship.

It was by any standards within the county a very good game of hurling with both teams giving of their best. Combined with some excellent passages of first time ground hurling and some great individual score taking it would have done justice to a bigger occasion and not the relegation battle that it was. The pity was that only a small crowd of spectators witnessed a fine encounter but that in itself is probably indicative of the state of affairs within the county at club level. You may have 500 people queuing for tickets for the glory days in Thurles but not so quick to support what is after all the very foundation of our games and that is the humble but proud club.

Regardless of that, this was a great day for Tallow hurling and 'tis hard to describe the difference between our approach to this game and our previous efforts. Gone was the ball watching and the half hearted approach, replaced by what we always knew these boys are well capable of. From the throw-in we laid down the marker and set the pace with a simple but fast first time hurling. This effort continued right throughout the hour apart from the few basic mistakes which are inevitable in any game.

These lads were under pressure and they responded in the proper manner and proved that there is indeed a great future for hurling here on the banks of the Bride. A small step maybe but it may prove to be a huge one in the coming years. Men stood up and were counted on Sunday last and with outstanding displays from James Beecher, James Murray, John Doyle and Sean Slattery straight up the middle all the others on the flanks responded to their leadership approach and wasn't it great to see Roy Henley displaying his undeniable skills with first time hurling and ending the hour on a personal scoring tally of 1-6. Throw in the high work rate of Mark Geary, Stephen Pratt, Denis Martin, Mossie O'Brien and the outstanding displays of

Shane 'Glenaglough' McCarthy and John Paul Grey and 'twas like watching the Tallow teams of old.

Martin Murphy has had a great year between the posts and our captain Brian 'Basher' Henley shrugged off some indifferent displays of late to lead his men to a great and well deserved victory. John Cunningham and William Henley also contributed to this win and in a club which is synonymous with brothers from many families wearing the blue and gold down the years, isn't it great to have two modern day representatives in 19 year old David 'Fada' O'Brien and his younger brother Paul who must surely be the youngest ever senior Tallow hurler at just 16 years of age along with 16 year old Paul Kearney, William McDonnell and Stuart Barry are still on the injured list but along with Barry Power, David Doyle, Joe Murray, Dermie Henley, Shane Fin McCarthy, David Henley and many more, all combined for an enjoyable years hurling right from Wexford to Cork. And that is really what it's all about. Despite the disappointments and the frustrations to enjoy our hurling game.

We take this opportunity following our last senior competitive game of the year to thank all the boys for their efforts and thanks to all our supporters led by club vice-president John Geary Snr. and Timmy McCarthy to name but two who travelled to every game no matter what the occasion. Thanks to Diarmuid Hallahan (& daughter) for a professional job of first aid work (he had a very busy year). Thanks also to Johnnie Curley, Tom McSweeney and Bill Brown and to the three wise (or not so wise?) men of Murph, Muller and Doyler who were also at the coal face right throughout. Finally our thanks to all our sponsors and the officers and committee members of our club for their support and not forgetting Johnnie Geary for his last minute words.

### Tallow Junior Football Dungarvan 2-10 Tallow 3-4

Our junior footballers made their championship exit against Dungarvan in Cappoquin last Friday. Short many of our regulars for a variety of reasons, this game was always going to be an uphill struggle. Conceding an early goal and a point put Dungarvan really in the driving seat. A few position-

al switches and more direct football saw us claw our way back into the game. With only one point between the sides at the break it was all to play for. The second half saw Dungarvan's greater ability to pick off the points ease into a 6 point lead entering the closing stages. But an opportunist goal by Tallow gave us an exciting finish. Try as we could we failed to get the equaliser as Dungarvan's defence held solid against the final whistle.

### Madness Madness Madness

Leaving Cappoquin many were left wondering why the powers that be expect a club to play junior football on a Friday night and senior hurling on a Sunday night. Two championship games by the same players in different codes within 48 hours. If this is the way the boards are going to treat club players and their mentors in the future one is left wondering should we bother at all. When convention comes around we will hear the same old song about the club being the strength of the association. What a load of rubbish. The clubs main duty now is to collect monies and distribute tickets for County Boards and Provincial Councils. In the months of May and June players who were 10th, 11th and 12th subs on county level panels weren't allow play for their clubs for 3 weeks before an intercounty game in case of injury. These same players are now forced to play 2, 3 and even 4 games in a week. Surely, it's time to stop this madness and restore a little sanity to the GAA in County Waterford.

### Letter To Gerard And Paddy Joe

De réir mar a deir siad. DJ Carey (yer man that plays for Kilkenny) was injured playing club hurling recently. Lads, Kilkenny are in the All-Ireland final but they don't wrap their players in cotton wool - neither do Cork, Wexford, Tipperary or whoever. Club hurling must be nurtured not stifled. Get a grip!

### Tallow GAA Lotto

Supported by Kearney's Restaurant. Numbers drawn were 18-21-26. No winner, £10 consolation winners were Jack Tobin, Noel Tobin, Francis Murphy, Mrs. Daunt, Promoter Elizabeth Henley.

## TALLOW WELCOME HOME FESTIVAL

### Marvellous Start To the Festival

Thankfully the clouds by passed Tallow on Sunday last and the fine weather helped to attract large crowds on the opening day of the festival.

The barbecue at the Brideview Bar was a great success and enjoyed by the big crowd present. Indeed with the good weather and the craic it went on till 7 o'clock.

That evening the very popular Zero Zero kept the crowd and kids happy with their music. Here again a big number gathered around the stage.

The highlight of the evening was of course the visit of Gina to the Tallow Community Centre where she kept her fans on the dancing floor right till the end. The fans were still looking for more when Gina finished. Gina has been performing in Tallow since the revival of the festival four years ago and she can still draw the crowds and her performance is as good as ever.

Monday night saw a table quiz take place in the Local Bar while on Tuesday night a 45 Drive took place in Luke McCarthy's.

Wednesday night is a ladies night with a married v singles soccer match. This is always a good craic.

A full list of events is elsewhere on this paper but it does promise to be a hectic weekend with Fannigans Wake and Cheers on the outdoor stage. In the hall we have Zero Zero. There is the visit of Deen Celtic on Saturday with a visit of WLR Heineken Blaster Caster, Youghal Pipe Band, Wild Geese Motor Cycle Club, Saoirse Drummers, Tramore. A part of the now famous Waterford Spraoi, Tallow, Foroige Stilt Walkers, Unicyclists and the now famous Beat on the Street with D.J. John O'Connor County Sound. So round off the summer and get to Tallow where a hectic weekend awaits you.

The Heineken sponsored and eagerly awaited 'Tallow Welcome Home Festival' kicked off last weekend in the Brideside town and continues on this week until Sunday September 3rd.

Building on the success and experience of the Tallow Community Festival, the inaugural festival has already attracted huge crowds to the various events including a barbecue, open air music, table quiz, an evening of song, art and poetry as well as a packed Community Centre dance with Gina.

The organising committee which includes Chairman Mick Sheehan, Dominic Power, Liam Fraser and many others have ensured that there is a wide range of activities taking place over the week-long festival with plenty to keep all members of

the family happily occupied. The aim of the festival is to attract home emigrants and other Tallow natives living outside the town to join in the celebrations in their local hometown. To this end, the organisers have enjoyed the full support of the local community with numerous businesses donating sponsorship.

Later tonight the married women of Tallow will take on the singles in a soccer tournament at Brideview Park followed by a 45 drive in St. Patrick's Hall.

Tomorrow (Thursday 31st), the focus will move to the soccer field where sports novelty events and terrier racing take place at 7 p.m. The u-13 girls of Brideview United will also take on Castlebridge Celtic. There's even more in store for the kiddies tomorrow night with a Kiddies Disco between 8.30 and 10 p.m. with Funky Tom at the gym.

Moving onto Friday 1st September, the over 35's will take part in a soccer tournament with Brideview lining out against the Red House League. On the open air stage, live music will be supplied by the popular Finnegan's Wake for a two hour session between 8 and 10 p.m.

Zero Zero who entertained the crowds last Sunday on the open air stage will feature in a dance at the Community Centre on Friday night. Admission is £5 and a bar ex-

tension will be available.

On Saturday, the local Brideview United u-13 team will play visitors Deen Celtic with a 3 p.m. kick off. The Jolly Tinker Cup will be up for grabs at 4 p.m. with Brideview taking on Deen Celtic. Ireland's world cup qualifier against Holland will be shown in all local pubs that night.

The final day of the festival is crammed with activities starting at 2.30 p.m. with a monster gala parade which is expected to be the biggest parade ever seen in the Brideside town. It will feature the Castlelyons Pipe Band, children's fancy dress, the Wild Geese Cycle Club, Saoirse Drummers from Tramore, the renowned Waterford Spraoi, Tallow Foroige members, stilt walkers and unicyclists etc.

This will be followed by live entertainment from WLR FM's Heineken Blaster Caster between 4 and 6 p.m. after which Brideview United will hold their lotto draw live on stage. Beat on the Street with DJ John O'Connor takes place until 10 p.m. while for those who wish to enjoy a quieter night, bingo takes place at 8.30 p.m.

The Tallow Welcome Home Festival is an ideal way to end the summer with plenty of entertainment and fun. So, go on visit Tallow and enjoy the craic.

The winner of last week's lotto of £200 was Jimmy Drummy, Dunabney House.

### NAOMH BRID GAA CLUB

This week we had no games played but two of our club members were in action representing Waterford in Cork. Willie Power was part of the under 15's.

Team report next week and in the Sonny Walsh Tournament, Brian McCarthy was on the panel of the Waterford B team who beat Laois on a scoreline of 2-7 to 2-4. Well done to Brian and the team.

### Under 13 Ground Hurling

On September 13th Naomh Brid are away to Ardmore.

### Under 16's Western Semi Final

Naomh Brid v Cappoquin. This semi final will be played in Cappoquin or Modeligo. It will be decided by a toss of a coin. Players will be notified of venue and time.

### Under 14's Football

First game was on Monday night against Affane. Full report next week. On Monday

Sept. 4th they play an Gaeltacht at home and on Sept. 11th they are away to Tallow. Their final game is on Sept. 25th at home to Shamrock's.

### RACQUETBALL NOTES

With the All Ireland Club Championships on October 7th in Kilkenny and the Junior Munsters on the following weekend, all our players should be getting back into training for these events.

To help us to do that, the Irish No. 4 seed, Pat Hanley from Fermoy has offered to give a few hours every Friday night for a few weeks (beginning Friday 15th September).

Pat recently won a bronze medal in doubles at the World Championship in Mexico, and he was also on the Irish team who finished second in Europe last year. In other words, anyone who is interested in improving their fitness and play should definitely turn up and benefit from his assistance and experience.

£1 per night will be charged per person to cover Pat's travel expenses. Hopefully we will have a big turnout on the 15th.

### Upcoming Tournament

There will be a knockout singles competition starting in mid September, with the winner of each division progressing to the next division, until an eventual winner of division 1. Anybody interested in playing should give their names to Mairead Hickley or Niamh Coffey as soon as possible.

### Membership

Membership for the 2000/2001 year will have to be paid before anyone can play in a competition whether it's local or National (for insurance reasons). £2 for U-18's and £5 for adults.

Reviewing the programme at the launch of the Tallow Home Coming Festival were (l to r) Ted Keniry, sponsor, Milo Corcoran, Heineken, main sponsors, Joan Clancy, sponsor and Liam O'Brien, sponsor. —(Photo: Sean Byrne).

## Melleray Notes

### GAA - Deise Draw

Congratulations to Mrs. Josie O'Connor, Melleray Road who was our £60 winner in last months draw. Tickets are now on sale from the usual promoters.

### HURLING

We played a very useful challenge match on Friday night last in Modeligo. Although missing several regulars, it was a useful workout. Training continues on Tuesday and Thursday night and with the next round of the championship just around the corner, it is vital that we have full attendance.

### TONY FORRISAL TOURNAMENT

On Sunday last we had four local lads playing for Waterford in the Annual Tony Forristal and Sonny Walsh Tournaments. Congratulations to Kevin Power, Eamon Nugent, Michael Coleman and Matthew Prendergast who all played vital roles in both teams getting to the finals. Well done lads!

On Saturday next there will be an opportunity to see the juveniles in action when they take on Tourin in a tournament game in Melleray at 6.45 pm.

### CONGRATULATIONS

To Therese Byrne who represented Melleray GAA Club on winning the Modeligo Pattern Queen. Therese will not go forward to heats for selection of a Waterford Rose for next years Rose of Tralee. Here's wishing her the very best of luck.

Sat 16th and Sun 17th Open weekend 18 Hole Singles.

Thursday saw the last chance for competitors to make a name for themselves in Lismore's biggest open competition of the year namely the Hornibrooks for Toyota Qualifier which spans five calendar months. Local favourite John O'Gorman (13) did the business with a nicely fashioned 40 points in glorious weather for golf. Jimmy Dwyer (12) from the Gold Coast was next in line posting a gritty 37 points. Ex captain Noel Foley (2) now playing out of East Cork took the gross place with a great 35 points so the field was now assembled for Saturday's final. The weather remained good to allay any chance of a repeat of last year when the final had to be cancelled due to a freak thunderstorm. A strong field of sixty qualifiers were ready for action and what action it was. After a quiet opening in the morning session, things started to hot up mid afternoon with local hero Dave Murphy (11) going well followed closely by perennial trier Ashley Poynton (20) who was starting to burn it up, as it turned out he finished with a great 42 points, one ahead of Dave who finished with 41 point, one ahead of committee member Paul Kennedy (8) with a fine 40 points was this to be the final one, two, three or could one of the late starters alter the proceedings! After the first nine three players were in serious contention for the title namely club PRO Phillip Walton (18), Pa Morrissey (11) and new boy Anthony O'Rourke (18). Could any of them hold it together! Pa has been there before, he must be favourite. His playing partner Phillip must keep with him, and keep with him he did, edging past him with a few holes to play, could he keep going whilst Ashley became edgy in the clubhouse. Keep going he did to finish with a fantastic 43 points, to take his first big one, followed by a fine runner up in Ashley with his best achievement so far. Noel Foley (2) was a fine gross winner with another 35 points to go with Thursdays. The ladies winner with a super 44 points was Nora O'Sullivan (31). The gross winner was Colme Burke (17) with a magnificent 43 points, followed closely by

assistant Greenkeeper Deaglan De Paor (18) with a super 42 points. Sadly Jimmy Hornibrook, the competition sponsor was taken ill on Friday evening, missing his big day. Everybody associated with Lismore Golf Club wishes Jimmy a speedy recovery. We would like to thank him for his excellent sponsorship. Back to the bread and butter of the club Sunday's competition saw Dublin based Ray Murphy (10) produce the goods edging playing partner and new member Joe Flaherty (14) into second place, Ray posting 39 points to Joes 38. So the week ended with the men from Knockanore namely Frank Corcoran and Phillip Walton achieving a tremendous double for the area. Frank being last week's presidents prize winner.

## TOURIN G.A.A. NOTES

The junior hurling game against Kilrossanty was played in Abbeyside on Friday night last. As we had problems with some of our players not available for Sunday we had to ask Kilrossanty to change the game. We thank them for playing on Friday night and also Abbeyside Club for the use of the field which was in perfect order for hurling. In the first we found it hard to get going but after scoring a few points, the team played some very good hurling and we scored two good goals in this half but with Kilrossanty playing hard we found it hard to get past their backs. The score at half-time was Tourin 2-7, Kilrossanty 0-1. As the game started a bit late, it was getting dark during the second half. We did not play well during this half and only managed to score 5 more points to run out winners on the score 2-12 to 0-5. So we await the winners of Clashmore and Modeligo in the next round and to beat either of those the team would have to improve 100%, if they hope to stay in the championship. So training continues on Tuesday and Thursday nights. Hoping for a good turnout on each night. Plans are well in hand to honour our senior hurlers who beat Mount Sion in the great county final of 1950. So Sept. 15th is the date for the occasion which will be held at hall, more details later. So watch out for these notes.

This weekend Saturday 2nd and Sunday 3rd, we will hold our church gate collection, we ask that people would contribute to the collection as all money collected goes towards the cost of plants and flowers and the general work carried out by Tidy Towns which this year has made a big impact. Visitors have paid many compliments on the beauty of the area, so the effort made by a great many people is very much appreciated. Flower beds and baskets are still making a great display of colour and weather permitting, should continue to look good until late September.

# Fifty Types Of Forget-Me-Not

**THE forget-me-not is most famous in its blue flowered, yellow eyed variety, and yet it has over 50 species.**

The flower's original Latin name is *Mysosotis*. It comes in more than 50 species of annuals, biennials and clump or mat-forming perennials. But it is usually grown as a biennial bedding plant.

In the wild, they can be found in woods, meadows, swampy soils and pond margins across Europe, Asia, Australasia and North and South America.

For garden decoration, forget-me-nots are useful for rock gardens, banks, scree beds, pond margins or alpine houses.

All of the varieties of forget-me-not have fragrant flowers, most commonly found in blue, white and yellow, and occasionally in pink. And again, most have yellow or white eyes.

They produce alternate, variably shaped hairy

leaves and are fully hardy, although they may need gritty, sharply drained soil to survive wet winters.

Forget-me-nots enjoy moderately fertile or poor, moist but well-drained soil in full sun, with some mid-day shade, or in partial shade. The soil should not be too fertile as they become too coarse.

The forget-me-not should be planted into its flowering quarters between September and October, having previously been planted in cold frames or seed beds in late spring or early summer. Do not delay planting into flowering quarters any longer than necessary - plant as soon as weather and soil conditions are right.

They should be planted 15 to 20cm (6 to 8in) apart. The only preparation that the ground needs is a dressing of hop manure at a rate of two handfuls per square metre, well forked in, and a top dressing of bone-meal.

**GARDEN FAVOURITE:** The forget-me-not comes in all shapes and sizes — with at least 50 different species worldwide.

They flower between April and June. But from the second week in July it is possible that forget-me-nots will be ready for pricking out. If not, do so at the first opportunity. Forget-me-nots should be propagated regularly as they are often short lived.

# THIS WEEK IN THE GARDEN

**Lift Main Crop Carrots**

Lift the main crop carrots sown in April. If they are left in the ground any longer the roots might begin to crack. Dig them up carefully with a fork, cut off the tops and store the roots in a heap in the shed or cellar, or other frost-proof place. They will keep better and be less likely to shrivel if they are covered with sand or sifted ashes.

**Lift Main Crop Beetroot**

The main crop of long beetroot sown in May should be lifted and stored at about this time. Twist off the tops without injuring the skin of the beetroot in any way and store them in a cool shed.

**Prune Loganberries**

By now loganberries will have finished fruiting and they should be pruned as soon as possible. Simply cut out to the base of the plant all canes that have just borne fruit and train the young canes to the wires in their place.

# Forget-me-nots: Problem pests

- Powdery mildew looks like a kind of whitewash coating on the stems and leaves. It is not uncommon. The best thing to do is cut out and burn badly affected shoots and spray with benomyl or thiofanate-methyl to give adequate control.
- Downy mildew symptoms are yellowish patches on older leaves, grey or white spores on the undersides of the patches, later turning brown. There is no cure. To grow mildew resistant plants in the future, spray with mancozeb when they are at seedling stage.
- Slugs and snails tend to cause a problem in the winter. The safest chemical method of getting rid of them is slug pellets or liquid, made from metaldehyde and methiocarb. The non-chemical alternative is to clean the plant thoroughly, clearing away thick foliage and debris. Pick off the slugs and snails by hand when they emerge at night and drop them in a bucket of water.

# Cappoquin Notes

## AFFANE/CAPPOQUIN GAA CLUB NOTES

### Intermediate Football

On Sunday evening at the Sportsfield Lismore we made our exit from the Intermediate Football Championship beaten by Lismore by 3 points in the final of the Losers Group. This was a game we could and should have won. For three quarters of the game we dominated but our lack of fitness told in the end. We are now finished in both hurling and football at Intermediate level after what can only be described as a very disappointing year. It is now back to the drawing board and a lot of hard thinking will have to go into finding the causes for our decline

as a force in Waterford GAA circles. There is no point in trying to blame selectors or managers or anybody else, at the end of the day it is the players who will have to perform, but having said this, the method of appointment of manager, selectors, etc. will have to be looked at and power will have to be given back to the AGM. The taking of decisions by small cliques will have to end and all decisions will have to be taken at meetings and not beforehand in private discussions.

### U-21 Meeting

A meeting of all U-21 players will take place at Walsh's Hotel on Saturday night, 2nd

September at 9 pm. All players are requested to attend this very important meeting.

### Thanks to Selectors

The club would like to thank our Intermediate selectors in both hurling and football for their efforts against the odds this year. It is not their fault that we haven't made any progress. To Denis McCarthy, Manager of both hurling and football who with Maurice Cahillane and James Bennett were in charge of the hurlers and Michael Phelan, Billy Arrigan and Gossie Mason with the footballers - a very sincere thank you for your efforts.

## CAPPOQUIN/AFFANE JUVENILE GAA CLUB NOTES

### Blackwater House Cup. Cappoquin U-12 Hurling Tournament

Last Saturday under glorious conditions we held our fourth underage hurling tournament this year. The teams taking part were Glen Rovers (Cork), Na Piarasigh (Cork), Cappoquin and Ballygunner in group 1. In group 2 Lismore, St. Vincent's (Cork), Middleton and St. Mary's (Clonmel). Our lads played a superb Na Piarasigh side in their first game. Na Piarasigh avenged their defeat of the previous week in the U-11 tournament. Our next game was against the Glen, this was a cracker of a game with the Glen edging us out by two points on the scoreline 1-6 to 3-2. In this game our lads had so many goal chances the ball seemed to go everywhere except the back of the net. Our next opponents were Ballygunner where our lads came out on top against the Waterford side. We met St. Mary's in the Blackwater House Shield Semi Final where they should have had the game out of sight at half time but let it slip in the second half, leaving St. Mary's through to the semi final. In tournament semi finals Na Piarasigh proved too strong for Lismore and Middleton edged the Glen out by a point.

In the final Na Piarasigh put on a superb performance in defeating a gallant Middleton side. Brian Murray, Club Chairman presented the Blackwater House Shield to the St. Mary's captain and then presented the Blackwater House Cup, which was kindly sponsored by Pat Landers to the winning Na Piarasigh captain. He also thanked the refs Darragh, Jimmy Mac and Big Al who gave generously of their time. In doing a great job. He also praised the ladies Bernie, Breed and Caroline for doing a tremendous job in providing tea, coffee, sand-

wiches, cakes and refreshments all day for the teams and mentors. He also expressed the appreciation the club had for all the clubs that made a great effort to turn up for all the tournaments during the year.

Cappoquin team: Finan Murray, Joe Kett, Olan Murray, Mickey Fenton, Mark Landers, Shane Fives, Shane Power, J.J. Devine, Paul Murray, Kieran Flynn, Steven Power, Daithi Wilkinson, Shane O'Rourke, Ian Mason, Colm Looby.

### U-12 Ground Hurling Western Championship

The lads had a convincing win over Abbeyside on Sunday to meet the second side in Group B in the division one semi final. We presume the semi final will be some time in the middle of next week. The Western Final is fixed for Saturday 2nd September.

### U-13 Hurling Fixtures Town And County Leagues

Friday 8th September. At Cappoquin, Cappoquin v Kilrossanty. Friday 15th September in Bohadon, Cappoquin v Colligan. Friday 22nd September, Cappoquin v St. Catherine's. Friday 29th Sept. Semi Finals. Friday 13th October Final in Fraher Field. U-13 Hurling Western Championship Quarter Final, Wednesday 20th September in Leamybrien Cappoquin v Kilrossanty. Semi Final Wednesday 27th Sept. Final Wednesday 2nd October.

### U-14 Football Western Championship Fixtures

Monday 4th September Affane v Tallow in Tallow. Transport leaves at 6.15 pm. Monday 11th Sept. Affane v Shamrock's. Transport leaves at 6.15 pm. Monday 18th Sept. Affane v Gaeltacht at 7.15 pm in Cappoquin.

### U-21 Hurling Championship

Our U-21 hurlers are drawn to meet St. Oliver's for the last few months. But when will this game take place.

More than likely the middle of winter when it is impossible to hurl. The western board must have thought that the weather was too good all along. It is a bit like ice hockey in the middle of summer, sure did they not organise a great Minor Football and Hurling Championship with all the gradings expertly done.

### Minor Hurling Western Semi Final

This Wednesday our Minor hurlers play Stradbally in the Minor Semi Final.

### U-16 Hurling Western Semi Final

This Sunday at 11.30 in the Sportsfield we will face Naomh Brid in the Western Semi Final.

### U-8 and U-9 Roanmore Hurling Tournament

This Saturday our U-8's and U-9's will travel to Roanmore to take part in their Annual Tournament. This has been a happy hunting ground for our lads winning them in 1998 and 1999. ## GPA AND PAYING PLAYERS

The recent announcement that a small elite group of hurlers were to receive financial rewards for promoting a particular organisation, came as a shock to an awful lot of GAA supporters throughout our club area and the country. People who have all their lives loved and supported the GAA and its games are very disappointed at the very selfish attitude adopted by those players and the organisation known as the Gaelic Players Association. This organisation, which is not recognised by the GAA, can have a very detrimental affect on the whole organisation if the governing body do not take steps to 'nip this in the bud'. The GAA which has done such tremendous work for the youth of this country down the years has always prided itself on the amateur status of its players. The money made by the Association was always ploughed back into improving the facilities available to players and spectators - not into the pockets of players and officials as in other codes, where no proper facilities are available.

All of us who follow the GAA have the greatest pride in our Club and County players, part of this pride came from the fact that they were doing all the training and suffering, all the punishment for the glory of their clubs and county, and the respect and admiration that they got from their neighbours was all the reward they ever sought.

Of course nobody would dispute that players should be well remunerated for their out-of-pocket expenses and this is why the President has set up a group to deal with the question of sponsorship etc. Under this scheme all players would benefit, not just an elite few.

But there is a bigger question at stake here - will those who, over the past 116 years have given their time and efforts to coaching and developing young players, in running clubs and looking after playing pitches etc, still give this service free of charge? I have no doubt but that they will. It would be hard to imagine the people that I saw in the Sportsfield in Cappoquin on Saturday evening last from both within and outside the County looking after their Juvenile teams in a tournament, not continuing to do so. But a lot will depend on how the matter is handled by the people at the top. The whole question of tickets for matches etc. will also have to be examined, as this is one of the points raised by the GPA. There is a perception, whether right or wrong, that a disproportionate number of tickets are being allocated to sponsors,

officers etc. Some will even claim that they are being used to promote private businesses etc. One point which was put to me recently, and which I throw out just as a discussion point, was the fact that the players involved in the GPA reached their high profiles through their involvement in playing Gaelic games. If they failed to make it onto county teams where they receive lots of TV coverage etc. how long would the sponsors keep paying them? It is ironic that it was the hard work of all the voluntary people down through

the years which brought the GAA to its present status, which allows those players to have such high profiles, and this could now be the cause of serious consequences for the Association.

One last point for those who down the years have been knocking the Association with juvenile remarks about grab-all etc. I would say look around you and you will see the physical evidence of what the GAA does with its money and it is also the only major organisation that publish their accounts annually.

## NEW BOOK LAUNCHED

We are delighted with the response to the sale of our new book launched at the National School Reunion about the history of our National School since its foundation.

In it you can find interesting facts from the stories written by past pupils, for instance, the worst 'crime' was to be caught taking apples from the neighbour's orchard and you could expect a right telling-off for doing it but this didn't deter them

from doing it again!

Children seemed to love to throw off their shoes once the Summer arrived and go around barefoot. For the winter a big open fire heated the room and the sticks were provided by each child. Sometimes, the boys had to go out at lunchtime and gather more.

Copies of 'Modeligo National School 1915-1982' compiled by the reunion committee can be got from Maurice Tobin, Chapel Road, Ml. Power, Bookshop, Dungarvan, Kelleher's Super-Valu, Cappoquin, Deckie's Lounge, Modeligo and also at Joe O'Brien's and Mrs. Bannon's.

Wouldn't one make a nice Christmas present for anyone who didn't make it home for the reunion?

Photographs of each decade were taken at the reunion and copies can be ordered from Nicholas O'Donovan at 68004 or Vince O'Donovan at 68229.

## DEVOTIONS

Exposition of the Blessed Sacrament can be observed between 6.30 p.m. and 7.30 o.m. Mass on Saturday. Please come and spend a few minutes.

## GREAT WEEKEND

Great credit must go to the Kiely's Cross Race committee for organising a very successful weekend.

The Kiely's Cross races were revived after 47 years. Well over a 1000 people turned out for the race meeting on Sunday 27th Aug. Business was brisk at the bookies and the tote.

There were eight races on the card with the 7th race being the commemorative race which was the highlight of the afternoon. It was 47 years since these jockeys had last ridden at Kiely's Cross so there was great interest in this race which was by no means a canter as was expected.

1st was Clashmore Flyer, owner P. J. McGrath ridden by P. J. McGrath, 2nd Villierstown Pride owner Pat Duffy, ridden by Pat Duffy, 3rd Aglish Dream owner Tim Fenton ridden by Tim Fenton.

Mr. J. Quinlan and Mr. Fitzgibbon, Bookies came back especially from Tralee for the day. Ml. and Ann Hogan of the Lickey Concern Group did great work on the tote. Well done Michael and Ann.

The children's entertainment was a great hit with all the little people which was provided by the committee members of the Lickey Concern Group. It was a mixed bag of activities from face painting artfully done by Anne O'Donnell ably assisted by her daughter Grace. Frank Lynch and his assistants Philip Bagley and Billy Lynch were supervising the Ball through the tyre, John

Kiely and Robert Bagley cast their eagle eyes over the Wellie Throw, while A. J. O'Donnell and Cathy Lynch doled out the goodies from the shop. Graham Bagley was in charge of the Pick a lucky Stick. Martin Lynch supervised the guessing of the weight of the cake and guess the number of sweets in the jar. The weight of the cake was correctly guessed by Bidy Fitzgerald, Stradbally and Ian Fahey. Pulla guessed the number of sweets in the jar while the two book worms A.J. Finn and Rosealeen Bagley had a great time selling all the books they had gathered from all the avid readers in the area, they must have had their own mobile library. The children enjoyed having a good browse before parting with their pocket money.

The Lickey Concern Group wish to thank the race committee for donating the proceeds of the children's entertainment and the tote to the group and everybody who helped on the day.

They would also like to thank the two bookies Mr. Quinlan and Mr. Fitzgibbon for their donations.

## THE FULL MONTY

It was standing room, girls only and no parking spaces available on Friday night last when the Celtic Knights entertained all the ladies to a wonderful night of laughs at Kiely's Cross. All who attended said that they enjoyed the night thoroughly. Well done to Gillian McGrath and continued success.

## COMMUNITY SPIRIT

Isn't it marvellous to see such community spirit in the

Lickey Valley. What a weekend of all round entertainment it was.

## CONDOLENCES

Condolences to Janette Naughton, Knockahoola, Dungarvan on the death of her mother last weekend and also get well wishes to Janette for a speedy recovery after a recent illness.

Sympathy also to Lisa McInerney, Baile na nGall Upper on the death of her grandmother Mary Noonan, Limerick which occurred last week.

## DID YOU KNOW?

All landfill will eventually fail and leak leachate into ground and surface water. Plastics are not inert. State-of-the-art plastic (HDPE) landfill liners (1/10 inch or 100 mils thick) and plastic pipes allow chemicals and gases to pass through their membranes, become brittle, swell and breakdown.

## FOOTBALL SUMMER CAMP

Old Parish G.A.A. Club hosted a very successful camp last week in aid of the Lickey Concern Group.

Over 40 children attended and sun, fun, frolics and football was enjoyed by all. Many thanks to the coaches who gave their time so generously.

Una de Paor, Amy Kiely, Sean Wade, Fintan Gee, Michelle Power, Liam Ryan and Ann Hogan.

Mile buiochas also to Pdraigin and John Paul's who provided much needed snacks and refreshments on the last day. The perfect tonic after a hectic water fight.

## COMMENT

The recent refusal of plan-

ning permission for a wind farm monitoring mast in Cappoquin puts the spotlight on the Waterford Co. Council's attempts at siting a superdump outside Dungarvan on the N25. Planning permission was refused in Cappoquin because the area is adjacent to a scenic route. The proposed superdump site is also adjacent to a scenic route. It will be interesting to see if Waterford Co. Council can explain to the public and the planning authorities that an everlasting superdump is much less damaging to the scenic beauty of an area than temporary mast.

## UPCOMING EVENTS

Don't forget upcoming events organised by the Lickey Concern Group. First off is the Golf Classic on Thursday 7th, Fri. 8th, Sat. 9th and Sun. 10th Sept. at the West Waterford Golf and Country Club. There is still time to get a team so if you feel like a good weekend on the fairways, feel free to contact any of the committee members who would be delighted to hear from you.

Ladies listen up! The Lickey Concern Group presents Celia Larkin, Image Consultant on Wed. Sept. 20th in the Park Hotel followed by a fashion show by Ruffles commencing at 8.30 p.m. Tickets on Sale this week. Book early. Contact Mary French at 058-46453 or Rosealeen Bagley at 058-42069.

## EARLY TO BED

Children, the school holidays are almost at an end. So it's early to bed this week in preparation for the early rise after all the late nights of the holidays.

# MONEYMATTERS

## TO CONSERVE USE OF ENERGY

Use a timer on your immersion heater, which will switch off after a preset time. It is not cheaper to leave your immersion switched on all the time!

On average a shower costs half as much as a bath. When using your kettle - only boil the amount of water you need.

If possible have a full load when using your washing machine or tumble dryer. When drying clothes try to use the clothes line, where possible.

Consider using a sensor light outside, rather than leaving lights switched on all the time.

Use timers for your lights when you are out. It is safer and cheaper than leaving a light on continuously.

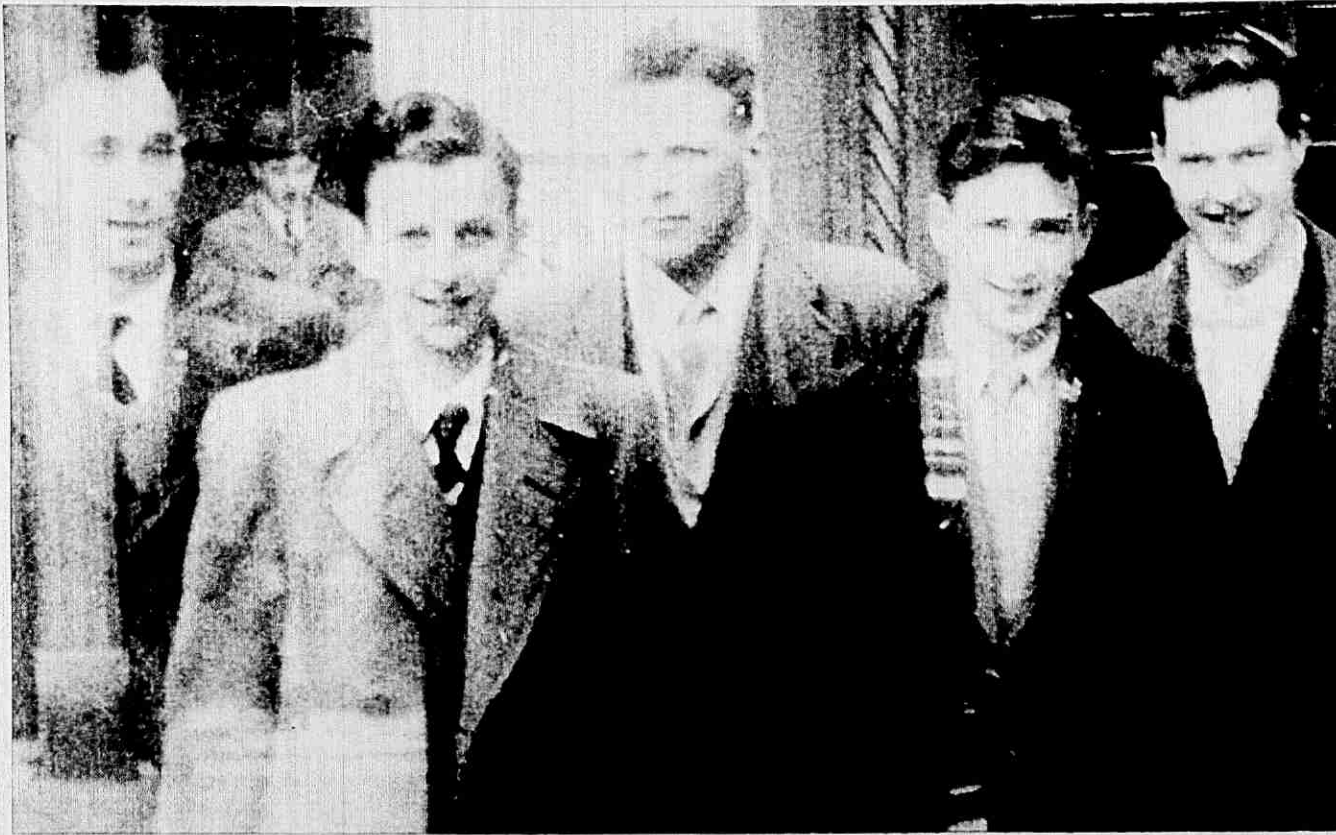

Consider replacing 100w bulbs with 60w to save energy. A 100w bulb uses two thirds more energy than a 60w one. All the above will help you tighten your belt financially. However, if you are having difficulty with your debts, the likelihood is that they did not accumulate overnight and therefore will not go away overnight. Don't lose heart. You will get the support, encouragement and reassurance you need to tackle the problem at your local MABS Office.

The Money Advice & Budgeting Service is based at Civic Offices, Davitt's Quay, Dungarvan. (Tel. 058-44922) and provides a service throughout the West Waterford area. It is part of the national MABS Service and is free, confidential and independent. Visit our web site [www.mabs.ie](http://www.mabs.ie)

# REMEMBERING OTHER DAYS

Our 'Remembering Other Days' series this week features a group of local musicians who contested the Hohner National Championships in the Mansion House, Dublin in April 1959. Pictured (left to right) are Tomas Morrissey, Stradbally (accordeon), Ned O'Keefe, Modeligo (accordeon), Tomas Clancy, Stradbally (mouth organ), Sean Fitzgerald, Ballycoe (accordeon) and Michael Connery, Ballylemon (accordeon). # Starting Block For Stars Of Tomorrow

What do Roy Keane, Sonia O'Sullivan, Brian O'Driscoll, Niall Quinn, Karen Shinkins and Ruby Walsh all have in common?

They all began their sporting careers by participating in the ESB Community Games.

This year sees over 6000 children compete at the 31st Annual ESB Community Games National Finals. The finals are held over two weekends (August 26, 27, 28 and September 1, 2, 3) at Mosney Holiday Centre, Co. Meath.

The opening ceremony was attended by Taoiseach, Bertie Ahern on August 26 and the closing ceremony will be performed by Minister for Sport and Tourism, Dr. Jim McDaid on September 3.

Participants aged from six to 17 participate for honours in 27 different sporting and cultural activities including soccer, hurling, gymnastics, chess, art, model-making, athletics and Olympic handball. A new addition this year is the Family Relay with mothers and fathers getting to join in the fun.

By the time the finals have concluded, over half a million children will have participated in their local area and county finals throughout the island and another generation of sporting heroes will have been created. Almost 20,000 adult volunteers will have worked at training young people, organising area, county and provincial finals in order to ensure their local children had a place in Mosney.

This is the first year with ESB on board - they became sponsors of Community Games late last year, and both organisations look forward to a fruitful and exciting partnership.

The ESB Community Games is a unique cross-community, cross-cultural organisation, which was established in 1967. It has been described by Nobel Laureate John Hume as "the organisation with the greatest vision on the island". Check out all the latest news, results, photographs and messages from the stars at the Community Games website - [www.communitygames.ie](http://www.communitygames.ie).

## WLR fm Increases Its Listenership

Despite intense competition for listeners, WLR fm increased its audiences in the J.N.L.R. figures just released for the period July 1999 to June 2000.

In the J.N.L.R. WLR fm increased its weekday listenership from 52% to 55% of all adults in Waterford city and county. WLR fm's market share is up too - so it's a double celebration for the hard working programmes department at WLR fm.

Mon to Fri July '99 to '00  
Mon to Fri July '99 to June '00

	Listened Yesterday	Market Share
WLR fm	55%	47%
Today fm	11%	8%
RTE1	24%	21%
2 FM	30%	16%
Lyric fm	1%	1%

Programme Director, Billy McCarthy says he's delighted with the most recent J.N.L.R. "It's always good to increase your share, we implemented some changes to the schedule early in the year by introducing new evening and late night programmes, so we expect even further increases as these programmes build their audiences".

Once again WLR fm's breakfast programme and its flagship mid morning talk show Deise am were the stalwarts in a set of figures that show all programmes increasing their audience share.

# IDENTIFYING PROBLEM CHILDREN

Many of you will be familiar with 'The Butcher Boy' - the story of Francie Brady, an antisocial young man whose anguish goes unheeded as he sinks into a pit of rejection and finally madness. It is full of humour but essentially it presents a bleak vision of a child who is left alone and without support in the indifferent and sometimes hostile world of a small town. The tragedy is that much of the causes of the horror that occurs is rooted in the absence of love in Francie's life.

## Love

The opposite of love is not hate, it is indifference and the opposite of life is not death but indifference. Love is an activity in giving. The only love is unconditional and unconditional love is very clear to a child. It must come from both parents saying I love you no matter what but I don't like what you do sometimes. Healthy unconditional love should always be practised but unacceptable undesirable behaviour should never be tolerated. When a child is disciplined for misbehaviour the issue is dealt with and it is over. Children are astute and interpret love in whatever fashion is most favourable to them and when parents are splintered and exercise different standards children become confused and insecure. Also one parent often sides with the child more than the other parent as a slight or punishment on the other parent. No child should be faced by ambiguity or contradictory signals as confusion around this issue leads to a disturbed and neurotic child.

Leo Buscaglia was once asked to judge a contest to find the most caring child. The winner was a young boy. The boys next door neighbour was an elderly man whose wife had recently died. The boy saw the old man sit on his front porch alone and cry so he went up to him on his porch - climbed on his lap and just sat there. Later his mother asked him what he said to the old neighbour-the young boy replied-I said nothing-I just helped him cry.

Love is built on empathy and consideration for others. Parents should foster a loving environment by encouraging the disciplined child to love others by sharing and caring. A common mistake is calling a defiant child 'bad'. If this label is reinforced the child will believe that he is indeed bad and as he grows will not disappoint the parents. Other parents in the name of love erroneously rationalise the misbehaviour exclaiming Johnny is acting out because he doesn't see his dad often enough or his teacher doesn't understand that he's a sensitive child. Insecure parents will always blame others or deny there's a problem. Parents must make children take responsibility for their actions and this responsibility develops through the exercise of constructive and consistent discipline.

## Discipline

Discipline comes from the Latin word Edisciplina, to teach and is the basic set of tools parents require to solve problems.

Discipline means having the focus to keep things in balance and to see the long term picture. A Chinese proverb teaches "if you are patient in one moment of anger you will escape a hundred days of sorrow". Good and bad behaviour are choices and they are reinforced by the accumulation of choices that may develop into habits. To change habits you must be aware of them and then change the choices that form the habits.

Rebellion is a part of growing up and most children rebel at times. They are also generally a little egocentric which is a mechanism for self-protection. However children grounded in values modify their bad behaviour and will show consideration for others. These are traits not found in deviant children.

## Problem or Deviant Children

Deviant children are self centred and their needs and wants take priority over others. Problem children lie frequently and for no reason. These children will always blame their siblings for their misbehaviour and then laugh when their brothers and sisters get punished. This causes further problems as it fills the good children with resentment. Stealing is part of the problem child's makeup. They start young and never feel guilty when caught. In fact they develop a false esteem on getting caught and brag to their friends about their stealing.

Oliver J. Killeen

## Bullying

Deviant children cannot tolerate the word "NO" and they have a low tolerance of authority. These behaviours are the hallmark of the school yard bully. Bullies exercise power and control over everyone they perceive as weak. They push, shove and hurt other children and when playing games erupt in temper and violence if they are losing. These bullies are clever and very selective about whom they push around and rarely challenge those more powerful than themselves. Also they have no scruples about bullying their mothers, in fact they will not hesitate to strike their mother when she does not comply with their demands. These problem children often hurt animals and cause damage to property, getting a "high" from such behaviour. It is interesting to note that research carried out into harassment at work has shown that many adults engaged in such behaviour were bullies in school.

Deviant or problem children have low frustration tolerance and want everything "NOW". If their wants are not met instantly they become very demanding and act out in many ways. Young children with low frustration tolerance cleverly perceive that public places such as shopping malls and stores are good places for demanding behaviour in order to manipulate parents into giving them what they want, knowing that when parents are embarrassed or frustrated they will give in.

Problem children are hedonistic and so they regularly look for a buzz usually at someone else's expense. They are indifferent to the pain of others even if they caused it. Sound familiar? - "Ha ha I got you in trouble!". When they hurt another they will usually deny it or blame someone else with laughter and ridicule. If caught they will refuse responsibility or discipline, often blaming the victim. These individuals are experts at making excuses for not doing what they are supposed to do or promised to do. Problem children sabotage structure. They disregard rules and if this lack of responsibility and discipline is allowed to continue these will be key indicators of their life. In adulthood these individuals rarely keep a regular job or meet commitments.

Children develop in many ways as part of their drive toward individuality and some may exhibit some of the traits I've covered but with love and awareness behaviours can change. However the misbehaviours are serious and need to be addressed. When children exhibit multiple traits in multiple situations therein lies the predictive of deviant or possibly criminal behaviour. Parents must be able to clearly identify deviant behaviour early in a child's life and there must be an emphasis on how to change it.

Next week: Resolving deviant behaviour

# WEDDING BELLS

On Saturday the 29th July a very pretty marriage took place at the church of the Holy Cross, Kilwatermoy when Geraldine Murray, daughter of Paddy and Mary, Headborough married Michael Sheil, son of Jimmy and Dolly Dunirey, Co. Galway.

The chief celebrant was Fr. Colm Allman, a friend of the groom, assisted by Fr. Pat Fitzgerald P.P. of Kilwatermoy and Fr. Sean Lyons P.P. of Dunirey, Co. Galway. The bestman was Michael's brother James and Edwin Sheil was groomsman. The Brides two sisters Helen Looby was matron of honour and Carmel Murray was bridesmaid. The Flower girls were Elaine Fahy and Elaine Looby. The pageboy was Edwin Fahy and the usher Vincent Fahy. The music was provided by Lorraine Murray and the soloist was Michael Murray. Many relatives and friends of Geraldine and Michael packed the church.

The bride looked charming in a most elegant wedding dress set off by a veil and crown and she carried a bouquet of red and cream roses.

On an occasion such as this the focus is very much on the mothers of the bride and groom. Both were appropriately dressed, Mary Murray in a pink suit and Dolly Sheil in a delicate shade of green. Both outfits were complimented by extremely stylish hats. Among the colours very much in evidence on the occasion were delicate shades of blue, cerise green, red as well as white and cream and a variety of mixtures.

As the happy couple left the church there was a guard of honour provided by members of the hurling clubs of Tallow, Tourin and Abbey Duniry of which Michael and his brothers are active members. The church ceremony over some general photographs were taken before a cavalcade of cars headed for Dungarvan lead by the happy couple in a silver Rolls Royce suitably bedecked.

The reception was held in the Park Hotel, Dungarvan where the Flynn family and staff provided a lovely meal much appreciated by all.

The music for the entertainment was provided by the Circle band. It was at this stage that the male guests came into their own and when the band struck up an Irish set Paddy Murray and Jimmy Sheil distinguished themselves as expert exponents on the dance floor.

## GAELTACHT AUTHORITY MEMBERS SPEND FACT FINDING DAYTRIP IN RING/OLD PARISH

Board members of Udarás na Gaeltachta, the state authority for industrial and socio-economic development of Irish speaking communities, spent Thursday August 24th visiting the Ring/Old Parish area.

Cllr. Fiachra O Ceilleachair, who is Waterford's representative among those elected to the authority from seven counties around the country, said the fact finding trip confirmed that economic progress was ongoing in the Ring/Old Parish district. Cllr.

O Ceilleachair felt the case for further investment in job creation was boosted considerably by the visit.

During the Udarás trip to the area, a number of enterprises previously assisted by the authority received the delegation and explained their future plans. Meitheal Mara na Rinne, a fishermen's co-operative, was the focus of time spent at Helvick harbour. The Udarás delegation also spent time at Meitheal Trá na Rinne in Poll a' Phúca, which is a successful aquacultural ven-

ture. The Udarás delegation were impressed with their tour of the premises of Nemeton Teo., an independent television production company based at Maol a' Chóirne. Up to 30 people, equally divided between full and part-time, are employed in the television industry in the Ring/Old Parish area. The Udarás members were also received at Innealltóireacht Teicneolaíocht Teoranta, which is a steady local employer in the electronics sector. The Udarás contingent

rounded off their perusal of the area in Old Parish, where the timber manufacturing firm of Troscán na nDéise Teoranta at Loisceáin was inspected. A working lunch at the Seanachie bar in Pulla was used to assess further opportunities for Udarás na Gaeltachta in its' annual £30 million budget to assist development in Ring and Old Parish. Cllr. O Ceilleachair confirmed that members will return to the Waterford Gaeltacht for a full meeting in coming months.

## NURSING HOME OWNER GIVES PROMISE TO ELDERLY

The new owner of the Cottage Hospital Nursing Home, Irishtown, Clonmel has made a promise to maintain the high standard of care for the elderly and infirm at the home. Siobhan Lovell who recently purchased the Cottage Hospital as a going concern officially takes over ownership on Friday 1st September 2000, thus allaying fears of patients and their families that this home would close. The previous owner Sean Melody who was brother of the late Paddy Melody well known business man in Ballymacarbray over the years, gave six weeks notice to quit the premises at the end of July, when he claimed he had been unable to sell the nursing home as a going concern since it was put on the market last November. Facing closure next week, the nursing home was given an eleventh hour reprieve when it was purchased by Siobhan Lovell, much to the relief of 19 elderly patients faced with the prospect of being without a bed. Siobhan Lovell has extensive experience in medical care. For the past six years, herself and her sister have operated the Deerpark Nursing Home in Lattin, West Tipperary. She has lived in Tipperary for the past 20 years. She was born in East Ham, London and is a qualified medical nurse, having trained at the Whipps Cross Hospital in Leytonstone, London. Her mother Mary Fitzgerald runs the Woodland Nursing Home in Dunderm, West Tipperary. The majority of the staff at the Clonmel Nursing Home have been retained, and she has stated business as usual. ## LATE MR. WILLIAM WALSH

With deep and sincere regret we record the passing of Mr. William (Willie) Walsh, Three Bridges, Carrick-On-Suir which sad event took place recently at his residence. His passing came as a shock to his family, neighbours and his many friends and to the communities of Carrick-On-Suir, South Kilkenny and North East Waterford.

Willie saw the light of day at the Three Bridges in 1921 where he was born to parents Larry and Annie Walsh. Willie spent all his life in the area, moving only a short distance up the road to a new house. He began his working days at a young age with the late Joe Dowley of Kilmerny estate, from there he moved to Dawley's Stores in Carrick-On-Suir and soon established himself as a very reliable and sought after storeman always capable of catering for customers needs in an efficient and pleasant manner. During the expansion of Dowley's business, Willie also spread his wings and transferred to assisting on one of Dowley's large delivery trucks which travelled the country supplying agricultural provisions to the farming community. Deceased was very well known throughout the country and greatly enjoyed this part of his working life. Later in life he worked with Suttons and ended his working days with Goldcrop Seeds in 1986.

Willie married and settled down in life at the Three Bridges where they had a family of three boys and four girls all of whom now live in the Piltown and Carrick-On-Suir areas. He was a man who had an interest and knowledge of all sports and could recall with great clarity sporting events from throughout his life. He had a special love for the hurling and the rugby. He was a staunch Kilkenny supporter, he played hurling for Carrick Davins and also for Piltown whose members provided a guard of honour at his funeral. Each year at the beginning of the championship he flew a massive Black and Amber flag outside his home.

Willie was waked in his home and then he was removed to Piltown Parish Church where his remains were blessed and received by Rev. Fr. P. Moore P.P. On the following morning requiem Mass was celebrated for the happy repose of his gentle soul, the celebrant was Rev. Fr. P. Moore P.P. assisted by Rev. Fr. Corcoran C.C. After Mass he was laid to rest in the adjoining cemetery in the presence of a large concourse of mourners paying their final respects to a Christian friend whose memory they will cherish. To his wife and family we extend our sympathy.

Ni bheidh a leithead aris ann.

(Undertakers Maurice Walsh, Carrick-On-Suir).

## LATE MISS KATHLEEN WALSH

It is with deep regret we record the death of Miss Kathleen (Ka) Walsh, Prieststown, Ballinamult and formerly of Renadaumpaun-Commons, Ballymacarbray which sad event took place on Monday 21st August.

Deceased in her late eighties, was a member of a well loved and respected Sliabh gCua family, the Mickey Walsh's of Renadaumpaun-Commons. A lady in every sense of the word, she was a person who was highly respected by her family, neighbours and her many friends. An outstanding step dancer, in her early years, she danced at many a function, she was also an outstanding set dancer and at the Gap stage many moons ago she was one of the best. Of a quiet and unassuming disposition, she had a great sense of fun and humour, which made her delightful company. In her early years she left the family homestead to take up residence at the home of her grandmother in Prieststown. She was a woman who possessed a wonderful, warm personality and made friends with ease. All callers to her home were made to feel truly welcome as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all.

That her memory will long be cherished by all who knew and respected her was evidenced on Wednesday evening when all walks of life were represented in the large concourse of mourners who were present when her remains after the rosary was recited were removed from Kiely's Funeral Home, Dungarvan to the Parish Church of Saint Mary at Touraneena where they were blessed and received by Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena. On Thursday morning the feast of Saint Bartholomew (Apostle) requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Cornelius Kelleher P.P. After Mass on a beautiful August day she was laid to rest at the rear of the church where she had worshipped the Lord for over eighty years. Fr. Kelleher P.P. officiated at the graveside in the presence of another large concourse of mourners paying their last respects to a Christian friend whose memory they will cherish. To her brother, sister and her many relatives we extend our sympathy.

Faoi bhrat Mhuire na nGaedheal go raibh a hanam uasal.

(Undertakers James Kiely & Sons, Dungarvan).

## A SPECTACULAR EXTRAVAGANZA AT THE ANNUAL HOSPICE WHIST DRIVE

The Whist Drive for the West Waterford Hospice went down a bomb last Thursday night with 12 1/2 tables participating for this worthy cause! Karen Dempsey, the spoke person for the West Waterford Hospice was nearly speechless when she announced that the night had raised, between tables and donations, £ 478.50. There was a surplus of prizes that were donated, and a decision was made to donate those prizes for another West Waterford Whist drive to be held in Ballylaneen some time in the next few weeks. An announcement will be made soon so watch this space! Karen went on to say that it was one of the greatest examples of community spirit she had seen in a long time. Organiser Patricia Crowley reported that the packed house thoroughly enjoyed the evening and the snacks at the interval. Patricia, and the rest of the organisers, would like to extend

a heart-felt thank you to everyone who donated prizes and a special thank you for all the women who donated their time and culinary skills in preparing the delicious interval snacks. Well done everyone.

The winners on the night are as follows:  
1st over all - Margaret Flynn, 1st Lady - Jo Taylor, 1st Gent - Eric Townsend, 2nd Lady - Mary Power (Carrick), 2nd Gent - Rose Keane, 1st Half Lady - Jill Wright, 1st Half Gent - Alice Power, 2nd Half Lady - Fanny Weldon, 2nd Half Gent - Patricia Crowley, Hatch Lady and Gent - Bidy Carroll & Paddy Coffey, Booby Lady and Gent - Maureen O'Sullivan & Teri Keane, Students Prize - Lisa Keane.

There were 18 winners of raffle prizes on the night. Lastly, a very special thank you goes to the evenings host George Taylor who announced on the night and his wife Jo.

## THE GRANITE STONE

There was much favourable comments on the granite stone supplied by the O'Keeffes of Monumental Works in Waterford while Tom Drohan supplied the Public Address System which was vital to reach the congregation of at least 1,000 people. The choir was in great voice with Maura O'Mahoney, Bidy Morrissey, Mina Stone, Enda Flynn and others in great singing form! It was like the loaves and fishes to feed the troops after Mass, but the Ladies Committee excelled themselves once again. A big thank you to Eileen Roche, Sheila and Margaret Corbett, Mary and Margaret Fennell, Marlene Doyle and others. There was even some liquor for the men and Tom Carroll really enjoyed his bottle of Guinness after Mass!! Another special thank you goes out to the Civil Defence led by Denis Moynihan, Sargent Mick Ahern, Paddy Joe Carey who provided the sign posts, Pat and Mike Fennell, Ed Howan, Virgil Power and many other people for their kindness. The unsung hero of it all is Garvan Cummins, as only for him the rock would still be there unnoticed, but once Garvan mooted the idea some time ago the rest is, as they say, history. Well done Garvan and now Enda it is on to you at Carraig an Aifrinn. All in all a night to remember.

## BALLY A.C.

There was a carnival atmosphere at Cloch an Eidhinn when the priests and the people of the parishes of Stradbally, Kilrossanty and Abbeyside gathered to make a little bit of history. It was the first time ever Mass was celebrated at the rock which marks the spot where the three parishes meet. The weather was favourable and all the preparations to celebrate the occasion went according to plan. **HICKEY** — Third Anniversary — In loving memory of Paul Hickey, Ballinakill, Kilbrien, who died tragically on August 30, 1997. Sad are the hearts that loved you, Many a tear still falls, But living our lives without you, Is the hardest part of all. (Always remembered by your brother Alan.)

**HICKEY** — Third Anniversary — In loving memory of my dear son, Paul Hickey, Ballinakill, Kilbrien, who died tragically on August 30, 1997. Anniversary Mass on Tuesday, September 5, at 7.30 p.m. in Kilbrien Church. A date that's filled with sadness. Returns to us again, It marks the day you had to leave us, In such a sudden way. Just the average family, We didn't ask for more, Then life changed completely, With a knock upon the door— This awful thing had happened and none of us knew why, You were never coming back again— And we didn't say goodbye. Our world just fell to pieces, We cried in disbelief, We had to stick together, To overcome our grief, We'll never understand it, It seems so unfair, We wish we'd hear that knock again, And see you Paul standing there. (Always remembered by Mam and your brothers Pat and John.)

**HICKEY** — Third Anniversary — In loving memory of Paul Hickey, Ballinakill, Kilbrien, who died tragically on August 30, 1997. PAUL No one knew that morning, What sorrow the day would bring, When a heart of gold stopped beating, And we could not do a thing, We still expect to see your car, Paul, Your pride and joy, You died as you lived, everyone's friend, Your place no one can fill, In life we loved you dearly, In death we love you still, I know you drive beside me, And when my life is through, I pray that God will take my hand, And bring me straight to you — Paul. (Forgetting you never, loved always by your brother Tony and your friend Michelle.)

**O'SHEA** — In loving memory of my dear cousin, Sandra O'Shea of Sunlawn, Afane, Cappoquin, whose anniversary was on August 21. Sandra, to us you were always someone special, We thought the world of you, You will never be forgotten, As I write this verse to you. (Never forgotten — Rita and family in Surrey.)

O Star of the Sea help me and show me herein you are my mother, O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. The late Mrs. O'Keeffe has been a regular visitor to the Kinsalebeg area to her daughter Mary and son-in-law Matt Cunningham in Kinsalebeg down through the years. In recent years Mrs. O'Keeffe did not enjoy the best of health and spent some time with Mary and Matt and their family where she was lovingly cared for.

She will be sadly missed by Mary and by her sons John, Batt and Michael, and daughter Eileen and all their families to whom we extend our deepest sympathy.

## THE LATE TOMMY O'BRIEN

With deep regret we record the death of Mr. Tommy O'Brien, Ladies Abbey, Ardfinnan, Co. Tipperary, formerly of Dromana and the West Waterford Hunt.

For many years during the 1930's and 1940's, Tommy, a skilled huntsman enjoyed some great hunting throughout West Waterford and East Cork. He made some good and lifetime friends. A drop of whiskey, some good music and song was Tommy's ideal social evening. In recent years Tommy made many return visits to Clashmore and always enjoyed a warm welcome.

To his daughter Marie, his sons Tom and Philip, daughters-in-law, son-in-law, relatives and friends we tender our deepest sympathy.

His removal took place from St. Theresa's Hospital, Clogheen to Ardfinnan Church on Friday evening. Following requiem Mass on Saturday Tommy was laid to rest in the new cemetery in Ardfinnan. May he rest in peace.

## CLASHMORE ENTERPRISE GROUP

Condolences are extended to the Roycroft family. With deep regret the people of Clashmore, especially all the members of the Clashmore Enterprise Group were deeply saddened to learn of the death of Patrick Roycroft, RIBA Youghal over the weekend.

Retired architect Patrick has been a great friend to Clashmore in recent years. A man of great talent, he has made a huge contribution to the restoration of the Old Church in Clashmore. From the very beginning he took a great personal interest in the project and he devoted so much of his time and care to ensuring the building would be restored to its full potential.

While he did see all the major work completed, he will not reap the rewards of his hard work to see the building officially opened.

Patrick's death followed a brief illness at Marymount Hospice, Cork on August 26th.

Patrick's funeral will take place in Youghal later this week. The Clashmore community and Enterprise Group extends their deepest sympathy to his wife Jennifer who accompanied him so many times on his visits to Clashmore. ## WEST WATERFORD PONY CLUB NEWS

Well boys and girls! Our pony club activities for this summer have come to an end and there was no better way to finish than at the farm of John and Gillian Cashman, Rockfield, Cappagh on Thursday Aug. 24th where John's Cross Country Course was put to the test. The river crossing was wonderful to cool both riders and ponies. Weren't the splashes only mighty as you all rode through that lovely cool river on such a beautiful day. To end our day we were treated to a barbecue ably cooked by Maria Hennessy and Oonagh O'Keeffe.

Our thanks to the Cashman family for their generosity and help. The following children attended Monty Wilson, Killian Denn, Boby McCarthy, Siobhan Denn, Edward Foley, Maev Hennessy, Toddy Wilson, Stephen Collins, Kate O'Keeffe, Stephen Foley, Rose-Anna O'Keeffe, Shane Murphy, Grace Leahy, Camilla Keane, Annita Vaughan, Pauline Dahill, Julia Knoble.

Congratulations to Annita Vaughan and Julia Knoble on passing their C+ test and to Grace Leahy and Yvonne O'Keeffe on passing their C test recently. Our thanks to our hardworking DC Joan Vaughan and our wonderful secretary Sara Wilson and all the committee for all their hard work over the summer months, it was truly a great summer. Well done to everyone who helped in any way. See you all again at Halloween.

On a final note we would like to extend our congratulations to club member Pauline Dahill. Over the weekend Pauline attended the Irish Connemara National Championships in Uachtard and came away with the championship on her mothers beautiful pony "Riabhog". Well done Pauline, you did the club proud.

On behalf of the Pony Club I think I speak for everyone when I say thank you to one unassuming lady who continues to do trojan work in compiling these notes each week. Keeping us all informed of the thrills and spills of the Pony Club. Thank you Joan.

Remember your pony Club news is only as good as the information being fed to the PRO so be sure to keep Joan informed of all your requests.

Best of luck to all of you as you return to school late this week or next week.

## KIELY'S CROSS HORSE AND PONY RACE

The sporting success story of the year must have been the Kiely's Cross Horse and Pony Races "Millennium Revival Fixture" held at Kiely's Cross on Sunday last. From early noon crowds, cars and horse boxes arrived from all directions and a bumper crowd gathered for what proved to be a brilliant afternoons racing in ideal weather conditions, for the hundreds of spectators.

First race of the day was won by the well favoured "Topper" and Jimmy Mangan, a popular winner of this Jim Phelan sponsored 13.2 Open Pony Race. The second open pony race was the 14.2, saw another young Queally rider come to the fore. Declan following in the footsteps of his brother Tom rode "Star" to victory in the White Horses sponsored race.

The third race, the Kiely Cross Bar sponsored confined ponies race attracted huge local interest and proved exciting from start to finish. Four riders went to the post here but it was the appropriately named "Forever Winning" and Sarah Conway who crossed the line 1st here. Sarah was presented with a beautiful silver plater by Killian McGrath. In close 2nd here was Squirrel and Alice Curran. 3rd De Grallagh Buckaroo and Garry Ducey. 4th Tripper and Andy Walsh. The Hunt Race was won by Maurice's Mare and M. O'Brien, Tallow from Rochin Robin and Declan Fennell in a close second.

The punters suffered a huge defeat in the Open Horse Race when the heavily backed "Tell the Tribunal" slipped at the first bend leaving "Shergar" with a comfortable victory.

The ladies race again proved very popular with the girls leaving nothing go with the men in entertainment value. 1st horse home was Comeragh Queen and C. Hanrahan with the mighty Gema Phelan and Crazy Dreams in second. In 3rd place was Northern Dance and Mary Mangan.

The second last race, the race of the day must have been the "Commemorative Race". These guys had done it all before and they were about to prove that!

All three from Kiely's Cross Race winners lined up at the post. Clashmore Flyer, P. J. McGrath, Aglish Dream Tim Fenton and Villierstown Pride Pat Duffy. From the start it was a thrilling race with P. J. McGrath winning by just a half length from Pat Duffy with Tim Fenton in close 3rd. The winning prize, a beautiful Rynhart Sculpture, sponsored by Hilltop Hotel was presented to the winner while Pat and Tim each received a Crystal Bowl. The final race of the day, the committee race was another exciting event with local horses and riders to the fore again. Popular winner was "Agerton Boy" owned by Tom Fitzgerald and ridden by Nicky Norris. 2nd was Kenneth O'Brien and "Little Jon". 3rd Slim Shady owned by Richie Fitzgerald and ridden by Garrett Ducey. Well done also to John Hickey and "She's My Mare".

Long standing club member and former captain of the club now aged 64 years returned a score of 74 on Sunday afternoon last which is equivalent to forty two Stableford points. Austin, playing off a handicap of 8 was one point clear of Paul Curran (16). Austin turned on 22 pts and a solid back nine of 20 pts produced the winning score. Paul Curran also covered the first nine in 22 pts but his back nine of 19 pts was just short of what was required. Eamonn Hickey (15) was third with 40 pts (18 front nine, 22

back nine) and his back nine was crucial as he secured his placing on a break down on the back nine. Donal Verling (10) won the gross with 30 Stableford pts.

# Martin McCarthy & Pat Kenneally Win East Cork Oil Dungarvan Biathlon

The Dungarvan Biathlon sponsored by East Cork Oil made a welcome re appearance this year after bad weather had forced last year's event to be abandoned. The new August date should hopefully mean that bad weather will affect the event in such a way again. This event for those not present consists of a 3 mile run followed by a 10mile cycle with a second 3 mile run to finish. Martin McCarthy and Pat Kenneally won a very close team race from Joe and Edward Kelly with a mere 5 seconds separating them. The winning time was 1.15.19 with the Kellys finishing in 1.15.24. ## GODOLPHIN PURCHASE

The Godolphin organisation have dipped into their pockets once again to purchase the two year old Rumpold who made a stunning debut for trainer Paul Cole at Ascot last month beating the highly regarded Minardi by five lengths. The runner up went on to frank The Form by running away with the group one Independent Heinz 57 stakes at Leopardstown recently. Rumpold will go into training with David Loder at Evry in France. It is Godolphin's intention that Rumpold will have at least one more outing this year. Rumpold is by Mr. Baily's, out of a daughter of the Kentucky Oaks winner Sun and Snow.

## JOHN LEAVES FOR HONG KONG

Irish born rider John Egan who rode as first jockey to Pat Flynn in this country has now left England to take up a contract with the Hong Kong Jockey Club until the end of this year. John then hopes to take his chance in India. John Egan is no stranger to riding in countries outside of Europe having partnered over 200 winners in Macau.

## DAVID'S GRAND

Popular English trainer David Elsworth sent out the 1,000th winner of his career last week. Elsworth could best be described as a dual purpose trainer. Two of his best flat horses were In The Groove and Indian Ridge while his best National Hunt horse was the great grey Desert Orchid. Incidentally Desert Orchid's jockey for a long number of years was Colin Brown. Colin is now retired from competitive race riding and he celebrated his 45th birthday last week.

Trainer David Elsworth suggested earlier this year that he would concentrate on just flat racing but the Whitsbury based handler has had a change of heart and will continue to train a few jumpers throughout the year.

## CHANNEL 4 AT CHELTENHAM

Channel 4 chiefs confirmed this week that they have secured a six months extension on their contract with Cheltenham Racecourse and they will televise racing from the midlands track up to April next year.

## CHELTENHAM UPDATE

Although the National Hunt season has still really to get going in earnest, the build up to the National Hunt Festival has already swung into action. All three days of the Cheltenham Festival will again be "All Ticket" with advance booking essential in all enclosures. The early discount period closes on December 9, 2000 and early booking is recommended. Advance booking for the Festival commences on September 1st.

## THE OPEN 2000 AT CHELTENHAM

The three day meeting in November formerly known as the Murphy's meeting will be known as the Open 2000 featuring the Thomas Pink Gold Cup. Total prize money will be £435,000 a 24% increase on 1999.

## DID YOU KNOW

Did you know that shrewd British trainer Sir Mark Prescott who sent over Farmost to win at the recent Tramore Festival actually rode at the track himself as an amateur jockey in the late '60's.

## YARA'S DESPAIR

Spare a thought for the Kevin Prendergast trained filly Yara who runs in the colours of Chrissy O'Reilly. After finishing second ten times in her fifteen outings she finally got off the mark in a maiden race at the Curragh on Saturday June 10th. It all went wrong though for the consistent Yara as after being tested after her success traces of the prohibited substances caffeine and Theophylline were found in her system and the stewards of the Turf Club duly disqualified the filly. Trainer Kevin Prendergast did not escape punishment either and he was handed a fine of £500 and he was also ordered to pay an additional £500 towards the costs of the Government Bodies. The race now goes to the John Oxx trained Raypour and Yara now reverts to maiden status and at this stage of the season now must be the most eligible maiden in the country.

## PROBLEMS FOR LIMERICK

The new Limerick track at Patrickswell just outside Limerick which is costing £10 million has run into some minor problems about the reseeding of the surface and the track will not be ready in time for the staging of a fixture (National Hunt) on October 15th. A further inspection will take place two months prior to the proposed Christmas fixture on December 26th and 27th. Cork will stage the Munster National meeting in October.

## A GIANT WIN AT YORK

Not for the first time Mick Kinane dominated the opening day of the York Ebor meeting riding the first three winners on the seven race card. His biggest success of the day came on the teak tough Storm Cat colt Giants Causeway. Producing yet another top class display Giants Causeway pulled the Juddmonte International stakes out of the fire to gain a head victory over his old rival Kalanasi. This was the "Giants" fourth successive group one victory.

## ODD ONE OUT

Jockey wise, who was the odd one out on the first day of the York meeting? He was of course Craig Williams. Why, well he is Australian and the remaining four jockeys who rode winners on the first day were all Irish. They included, Mick Kinane, Johnny Murtagh, Jamie Spencer and John Reid.

## NEXT ON THE AGENDA

Next on the menu for the unstoppable Giants Causeway is the Queen Elizabeth II stakes at Ascot in September. He is likely to have his final race outing of the year in the Breeders Cup Classic at Churchill Downs on November 4th. Corals currently quote Giants Causeway as the 4/1 favourite for that race.

## MICKS DISPLEASURE

Mick Kinane was not too pleased with the York stewards during the week as he received a six day ban for irresponsible riding aboard the Alan Jarvis trained Jardines Lookout. Having seen the head on footage of the race one can have little sympathy for Mick Kinane as he barged his way out from his rails position and nearly knocked over two of the horses on his outside.

I can however sympathise with the connections of Jardines Lookout as he lost the race and was placed last. It is interesting to note that Mick Kinane

is not appealing the suspension while trainer Alan Jarvis is definitely appealing the demotion of Jardines Lookout.

## QUEALLY DAY AT TRALEE

The Queally clan from Dungarvan took Tralee by storm last Thursday. Rider Tom Queally is making a habit of riding these long priced winners and he steered 20/1 shot Not A Sound to victory in the Australian Jockey Club flat handicap. The Karl Casey owned and John Queally trained Merry People came back from the dead to lift the Denny Gold Medal Chase. Now a twelve year old Merry People had not run well for quite some time so as a last resort blinkers were fitted to the Lafontaine gelding. They certainly worked the oracle as 25/1 shot Merry People under Shay Barry jumped his rivals silly breezing in three lengths clear of Nicholls Cross.

## IRISH GO DOWN TO AUSSIE JOCKS

Despite a major victory by Shane McCann at Moonee Valley, the Irish National Hunt jockeys went down to their Australian counterparts in the annual challenge between the two jockey associations. The return leg takes place later on this year in Ireland.

## GOWRAN ON THURSDAY

Gowran Park stage a seven race flat programme this coming Thursday where the first event is underway at 2.30 pm.

## THIS WEEK'S FIXTURES

Wednesday; York, Brighton, Newton, Abbot. Thursday Gowran Park 2.30 pm, Musselburgh, Lingfield, Salisbury. Friday Dundalk 2.30 pm, Haydock, Epsom, Sedgefield. Saturday; Cork 2.00 pm, Haydock, Stratford, Kempton, Thirsk, Wolverhampton. Sunday Ballinrobe 2.15 pm, the Curragh 2.30 pm.

## CHARLIES LOSS

English National Hunt trainer Charlie Egerton suffered a major blow last week as his promising eight year old chaser Decoupage, this former winner of the Tote Gold Trophy having been put down due to incurable Laminitis. Trainer Egerton had the misfortune in previous years to lose such good horses as Shadow Leader and Mysilv.

## DAVID'S FIRST AT TRALEE

Well known Waterford Building contractor David Flynn had his colours carried to victory for the very first time as the Willie Mullins trained Scolardy 10/1 posted a hard earned neck victory over Tobiana. Scolardy is by Turtle Island and like all of this sires progeny they perform at their best with a cut in the ground. David Flynn is no stranger to success however as he is also involved with General Cloney who ran so well at the Cheltenham Festival this year having previously captured the Ulster Harp Derby.

There was another Waterford victory on the same Friday card at Tralee with the Mr. P. J. Crowley owned, P.J. Crowley ridden and John Kiely trained Sparkling Gold the 11/4 favourite coming home three lengths in front of Kialaloe in the Smirnoff Maiden Hurdle.

## RUA LASS SCORES

The eight year old mare Rua Lass trained a couple of miles outside Waterford city by Eoin Griffin followed up on her Galway flat victory by easily capturing the mares Maiden Hurdle on last Saturday afternoons programme at Tralee.

# Wildcats Defend British And Irish Championship Title

Bausch and Lomb Wildcats go to Edinburgh - Scotland this weekend to defend their title as British and Irish Club champions. Wildcats fly out on Friday and play their 1st game on Saturday morning against Glasgow with their second pool games later the same day v 6 times winners of this event English champions Sheffield Hatters. In the other pool are Dubliners Tolka Rovers who put a stop to Wildcats quest for 6 super league titles in a row last season when they took the title by virtue of score difference when the two sides finished their league programmes on equal points. Rovers opponents will be hosts Edinborough and Rhonda Rebels from Wales. The semi finals will take place on Sunday morning with the winners of each pool playing the runners up of the other pool.

With many of last seasons squad members out of the picture this season due to a variety of reasons Wildcats supporters can expect to see some of the clubs juniors stepping up to Senior Level. Retired is one of the club's greatest servants Mary Fitzpatrick while Michelle Aspel takes a season off for work reasons. Two of the clubs best young players will go abroad, Dunmore East girl Kate Maher goes to the USA on scholarship. She will spend the next four years studying and playing basketball for Sacred Heart Fairfield Connecticut. Kate who won the most valuable player award when the Mercy Waterford won the Bank of Ireland Senior Schools Cup last season has been the target of many top colleges in the states for some time now. She is the 1st wildcat to take up a scholarship offer and if her performances for Wildcats are anything to judge by she should do very well for her chosen college.

Another top player going overseas is Doireann Shanahan who will study Radiology in Wales and is considering many offers from clubs over there. Favourites to sign her are Rhonda Rebels. This team from the Valleys compete in the English League and have been a top four team for the past 10 seasons. The good news for the Bausch & Lomb outfit is that top players Michelle Maguire and Trish Nolan return after taking last season off. Expect to see two young 17 year olds Jenny Coady and Kim Fitzpatrick command more court time while a string of talented club members will be training hard to prove they deserve a place in the senior squad.

The team selected for Scotland are; Donna Dunne, Jillian Hayes, Olivia O'Reilly, Kim Fitzpatrick, Michelle Maguire, Cathriona White, Jenny Coady, Carmel Kissane, Christine Kiely (capt), Trish Nolan, Orla Dempsey. The team will be coached by David O'Reilly

## YOUTH DEVELOPMENT PROGRAMME

Wildcats coach David O'Reilly will with the help of the clubs junior coaches put together a new and exciting development programme sponsored by Bausch and Lomb. This programme will take place on Saturdays and Sundays in the Mercy Gym catering for girls from 7 to 13 years of age. Further details of this top basketball programme will be in the Wildcats Report on this paper next week.

## BEST OF LUCK

Wildcats wish the regions representatives in the Mens League Waterford Crystal the best of luck for the coming season. The word through the grapevine is that their supporters will receive very exciting news prior to the seasons tip off. There is only 5 weeks before the season takes off and expect to see both Bausch & Lomb Wildcats and Waterford Crystal go all out to take basketballs top honours.

# Lismore Cricket Club Chicken Scratchings

Lismore recently defended the honour of the town against the Clonmellians of County Tipperary fame in somewhat dubious circumstances. I am not actually complaining about the conditions or the state of the ground that we played in because it would be totally incorrect to say that the ground had an effect on the outcome of the game. In fact that isn't quite accurate, the ground was so unkempt that the game was suicidally slow and the game almost didn't have time to get to an outcome. I can tell you when a playing cricketer describes a game as suicidally slow it really must have been a totally boring game. Well, it wasn't the sort of game I would like to get a new player to playing. Mainly because it isn't the best impression of cricket to be waiking around in circles looking for a ball as if it is lost after being hit for six when actually it has only travelled twenty yards and stopped in 8" long grass in the middle of the field.

I think we shall have to send

a picture of a lawnmower over to our friends in Clonmel so they know what to look for in the implement shed!

Many a time have I played in adverse conditions but not the ones god gave us as well on that Sunday. Never before have I felt the static electricity pulling at the hair on my head generated by a bolt of lightning!

Bloody scary that was - thought it might have been the devastating speed of one John Alderson's bowling that split the air with familiar ozone smelling free agents of oxygen. But no, the familiar crack of thunder echoing through the clouds gave it away as a natural phenomenon and not some unnerving peak of physical fitness action man at the crease with ball in hand.

John bowled well though being hit for two fours and a six by a ten year old, of which I can say he wasn't crowing about especially when he just turned an age four fold higher than that earlier mentioned.

Clonmel piled run after run on their score and despite John Ind's desperate attempts

to get them to 100 they finally closed up at all out for 92. The grass being so long that you could say this actually equal to 492 and when their lads came on with an impressive array of accurate bowling it started looking like 792 we were chasing. Bruce and Winston put a might resistance with every single run equating to a double century on any other field so that was heartening.

From my perspective all I can say in description is that the sight of a ball disappearing over mid-on after having slapped it in my usual gorilla like style was a warm and welcome feeling for the first time this year (after having only batted once before). However this was then quenched by the long cold grass as if it were a fish caught by a sea anemone and paralyzed into submission 2 yards from where it had landed. Never before have I ever hit a ball to within ten yards of a boundary and see it lop one pathetic dying collapse 2 yards further on still being 8 yards from the boundary.

We managed to salvage second place in the game and left, still friends with Clonmel, but wondering why they didn't put the cows out on the field a couple of days earlier!

Talking about putting the animals out in the field it would appear there are moves to arrange a of friendly games over the month of September. One game of particular note is "oldies" versus "youngsters" of Lismore. This should be very interesting and as you can see by the attached photograph that the "youngsters" have put together one of the most impressive lines of talent headed by one Dermot Edwards. Some might say that putting Dermot in the youngsters team draws the line in the sand a bit too close to the sea and some might get their tootsies wet. However, I can assure you that our young Dermot's selection with the "youngsters" is undeniably justified as Dermot is still playing in the Minor team and recently took a superb overhead catch at Mid Off that would have been impressive even in an Australian Rules Football Final. Add to that the

fact that his bowling is still improving and you can understand now how the opposition are often found quivering in the corners of the change rooms when they hear Dermot is available to play.

Oblivious to the constraints of the weather in Ireland we now plan to play a Friendly match against a combined Cork team on Sunday the 17th September. This is destined to be a most exciting game. If you have a gas BBQ could you please bring it along because when it rains, if not snow, then our wood fired BBQ will be of limited use. Hopefully between the sprinklings we will manage to pulverize our opposition into forgetting their loss on the cricket field and enjoy the amber fluids and burnt offerings on the day.

If you have any understanding of the game or a slight interest in how it is played then feel free to contact me to secure your position in the team on this most prestigious event on the Munster Cricketing Calendar. Excessive Drinking and Poor Behaviour is encour-

aged.  
More news on the Lismore Cricket Club retirement scheme. It would appear that interest rate increases have driven another of our players to opt for the fruits of a retirement package. After 10 years we thank Glen Hughes for his contributions to the game on the field with ball in hand as well as in carrying the pads, gloves and bat. Glen has decided that he should quieten his weekends down a small amount and has planned for a season thinking more about cricket rather than doing it! (for now anyway, we hope to work a few more games out of him!). Your continued support Glen will be needed if we cant get you out on the field so don't go off thinking you are getting off "Scot Free" - thanks for your efforts anyway, they are much appreciated.

## Colligan Woods Riding Club

### The Horse Shoe Diaries MILLSTREET

A strong Colligan Woods squad recently did the club proud with a record-breaking series of wins at the Millstreet Horse Show. Everyone of our members made it to the finals of their respective competitions and it was a happy group who returned to the south east with no less than eight awards. Indeed, the number of rosettes and trophies heading for Colligan Woods was the subject of comment by the judges, on more than one occasion and we were undoubtedly the most successful club on the day.

The first competition, in which we were represented, was the Advanced Primary Show Jumping with Des O'Brien and Frances Condon as standard bearers. Both Des and Frances have shown a marked improvement over the past year and have graduated from Primary to Advanced Primary level this season. Des, on "Toby Lord Byron" was first off with a lovely

clear round and Frances, on "Kilcannon Rosie" one of the last riders in the qualifier, followed suit. Frances went on to have a lovely clear round in the final, to take second place while Des had an unlucky four faults, which relegated him to fourth position. Coincidentally, both riders competed at Millstreet last Year in the Primary competition and took second and fourth place also, however, this year the order of merit was reversed. Des, better pull your socks up, beaten by a mere woman again!

Our next riders competed at Intermediate level. Tess O'Brien on "Toby Lord Byron" was the second rider in the competition, and provided the first clear round of the day. We had to wait until the sixth rider for the next clear round and that was our own Trish Walsh, on "Lisfennel Lady". Tess was first to ride in the jump off against the clock and was doing well until a slight contrempe with a fence not on the jump off course, cost valuable seconds. She

jumped clear however and took sixth place. Trish had no such indecision and jumped a fast clear round to take a deserved second place.

Next out for the club were Donna Coady, on "Sarah's Gift" and Aine Cummins, on "Millie" competing in the Advanced intermediate competition. Both girls jumped clear to take them to a hotly contested jump off against the clock. Again, both riders went clear in the jump off, making it a Colligan Woods one-two, with Donna taking first place and Aine second. Credit is due to both Donna and Aine who have taken two green young mares up to this level of competition in just one season.

Our final competitor of the day was Louise Moloney, on "Colligan's Kim" jumping in the Open competition. Being biblical, we kept our best wine till last, and Louise did not disappoint. She clocked up a super time and "Kim" jumped out of her little white socks. A slight brush with a pole cost Louise four faults. However,

Colligan Woods Girl Power At Millstreet — (l. to r.) Donna Coady, Trish Walsh, Aine Cummins, Louise Moloney and Tess O'Brien.

she was more than happy to take second place.

Flushed with success, Louise immediately proceeded to another arena where she jumped a faultless clear round with "Kim" in the Working Hunter competition. A split decision relegated "Kim" into second position but it was a close call and we will undoubtedly see her sporting red rosette, aplenty before the end of the year.

As always, we had a loyal

core of supporters who came along to wish the squad well and act as general grooms and dogsbodies. Appreciation is expressed to John, Aimee, Babs, Mary, Ger, Joanne, Kevin, Edmond, Christy and, of course Leigh who caught up on his sleep.

### SNIPPETS

Star and Lady are currently enjoying a late season holiday in the Gaeltacht. Toby has recently gone high tech and can be contacted on

toby@cec.ie. To celebrate, the hip flask of special brew is being passed around the stable.

A certain mature lady has, we believe recently acquired contact lenses. Some weeks back, this mature lady was unable to recognise quality bloodstock at close quarters. However, at Millstreet she managed to spot a fallen rosette at three hundred yards! Could personal interest have played a part?

## WATERFORD SATURDAY AUGUST 26TH

The Irish Heart Foundation was the latest organisation to stage a benefit night at Waterford Greyhound Stadium. A competitive card featured the final of the Bridge Hotel Unraced Stake plus the two semi finals of the Sasha Confined 29.20 sweepstake.

The outcome to the final of the Bridge Hotel unraced event was decided as early as the first bend. At this point a fast starting Gwydions Wallop and the hot 5/4 favourite Fitzy Jack did each other no favours with Problems Minor also striking the inside running rail. While all this was going on the Sean Dunphy owned Macy Gray (Larkhill Jo - Perry's Pusher) was not hanging around, this 3/1 chance sprinting into the lead which she held all the way to the winning line to defeat a staying on Ballybray Spiral by five lengths in 29.50.

The Michael Gallagher owned Dawlish Jack (Lassa Java - Dawlish Sonia) 2/1 to 6/4 commanded plenty of support in the opening semi final of the Sasha Sweepstake but he gave his supporters an unwanted early fright mistiming his break. Meanwhile a front running Aces Wild led from Yelrab Tiger but the vastly experienced Dawlish Jack cleverly worked his way through the field to come through for a three and a half lengths success over Westland who was himself badly hampered at the first bend. Time 29.13.

Without a runner at this venue for quite some time Matt and Frances O'Donnell sent out three winners on the night which included John Rohan's Sinead's Rambler (Come On Rangers - Sinead's Valley) 7/4 in the second semi final of the Sasha Stake. A win for this lady appeared a remote possibility as early as the first bend as she found herself a long way adrift of the principals which included the front running Premiere Quest but to her credit "Sineads" drove up the inside of the field in the length of the back stretch to come through for a three quarter of a length victory over Premiere Quest in 29.67.

County Wexford based owner Sean Carthy sent out the 4/1 winner of the first race as Nikkis River (Spring Gamble - Greenwood Slipper) took the field along at a fair clip making all the running to inflict a three and a quarter lengths beating on Southlodge Rose in a best ever 29.47.

Vigilant Joe and Gers Peer both had a stint up front throughout the second race but Matt O'Donnell's The Other Boola (The Other Tiger - Ballinaboola Jet) 6/1 put in the better finish to post a half a length win over Gers Peer in 29.48.

While the open 730 lacked quantity with only three runners taking part it certainly did not lack quality. The John Donnelly owned and Martin Fortune trained Knockeevan Jerry was understandably sent off a warm order at 4/6 after some excellent long distance victories at Galway and he made every post a winning one obliging in 41.33. Odell Duke loomed up menacingly between the final two bends but "Knockeevan" hugged the rails tightly to slam the door in "Odells" face. At the winning line Knockeevan Jerry had a length and three quarters in hand over a staying on Bongo Squaw.

A determined Deenside Chip a May '98 daughter of Top Honcho and Deenside Jenny certainly took no prisoners in the sixth on her way to a deserved 29.38 victory. Nicola Boran's charge bulldozed her way passed a prominent Bigwood Princess at the first bend a manoeuvre which resulted in Bigwood Princess, Castleyons Mitz and Toss Lord all hitting the deck. The early paced Sleepwalker held a five length advantage down the back straight but Deenside Chip gradually reeled in the long time leader staying on stoutly in the closing stages to defeat Sleepwalker by two lengths.

There was a popular local success in the seventh contest as Kitty Sullivan's Glossy Buttons (Batties Rocket - Quarrymount Dodo) 7/4 carded a fastest of night 28.86. A rails seeking Glossy Buttons broke in front from trap four but this Frances O'Donnell trained runner was headed for a brief period out of the second bend by Derwent Pride. It wasn't long before Glossy Buttons was back in front however and easing his way clear he cruised to a two and a half lengths win over Slaneyside Sheba the runner up losing an amount of ground at the start after a slow exit from trap one.

The first bet struck about Always Straight in a graded marathon was an even monkey but bets of £900 to £300 twice about Rightful Flash saw her odds clipped from 3/1 to 5/4. As this six bender was run the early leader Southlodge Meg was taken on and passed by Always Straight out of the second bend and the latter appeared well on his way to an easy victory. After early traffic problems however Rightful Flash began to eat up the ground and producing a well timed challenge Michael Power's Rightful Flash (Frightful Flash - Fly Minx) finished with a flourish to win out by three and a half lengths in 41.80.

2/1 chance Scintillas Jodie (Executive Jet - Scintillas Lily) gained a winning bracket for Dungarvan owner Eamon Kiely capturing the tenth event in a career best time of 29.49. Gliding by the early leader Sylvan Flyer at the entrance to the back stretch "Scintillas" was never in any danger of losing this contest streaking clear for an eight and a quarter lengths win over Sylvan Flyer.

## SUNDAY NIGHT RACING

With the Derby final taking place on next Saturday night in common with a number of other provincial tracks Waterford have opted to race on Sunday night instead of the normal Saturday. Sunday nights starting time, however will be at the earlier time of 7.30 with all competing greyhounds to be weighed in by 7.00 sharp.

## SASHA FINAL

The trap draw for the final of the Sasha Stake which carries a winners prize of £1,200 at Kilcohan Park, Waterford on next Sunday night is 1 Premiere Quest. 2 Shay Man. 3 Westland. 4 Turf Moor. 5 Sineads Rambler. 6 Dawlish Jack (w). Selection Westland. Dangers, Sineads Rambler, Dawlish Jack.

## WATERFORD TUESDAY AUGUST 22ND

The honour of recording the fastest time of the night over the standard trip at this midweek fixture fell to the first winner on the card as the David Partington and Kathy Crowe owned and Dick Ryan trained Brykat Nero (Spiral Nikita - Mandies Linda) made an impressive debut obliging in 29.36. The bookmakers were taking no chances with this

first timer as he was sent off the 1/2 hot pot and although Richy's Rocket broke in front the favourite made his way to the head of affairs with little fuss and when Perry's Champ ran into the winner at the second bend it proved all so easy for "Brykat" as he coasted to a seven and a half lengths win over Richy's Rocket.

Narabane Glory (Trade Official - Popalong Mystery) 4/1 had this thirty seconds of glory for joint owners Sean Carroll and Senan Walsh in the second contest leading all the way for a length success over Peter Packer in 29.90.

The following three contests were heats of the O'Dwyer Dog Food/Gain confined 16.90 sprint. Heat one. Derwent Prince in trap two was sent off the 5/4 favourite but after a poor start he was always trailing the Martin O'Meara owned Lisnakill Garry (Super Hoffman - Lisnakill Vickie) this 4/1 shot forging clear for an easy three lengths victory over Derwent Prince in 16.96.

Heat two. The punters chose the right one here as they sided with the Philip Gaffney and John Ryan owned Gaffers Peer (Mountleader Peer - Tooth Pick) this evens favourite flashing out of the outside box to come home three and a half lengths clear of Rain Storm in 16.81.

Heat three. The concluding qualifier saw a well supported Whistlers Boy (Arrigle Buddy - Sayedati) 5/4 make an eye catching debut for owner Leonard Foley and trainer Michael Power in a pleasing 16.66. The winner matched strides early on Byrneville Joy but striking the front near the first corner Apr. '99 whelp Whistlers Boy lengthened his stride to draw clear for a two and a half lengths defeat of Mustang Magpie.

Better known to Youghal regulars as a prolific winner over the East Cork circuit Mary O'Flynn's great servant Trigger Dean (Greenane Gigolo - Faultless Quest) 2/1 put his reputation on the line by taking on some useful stayers in the sixth contest but he proved equal to the task gliding by the early leader Silver Harry before holding the late effort of Fly Tess who went down with all guns blazing by a length in a useful 41.15.

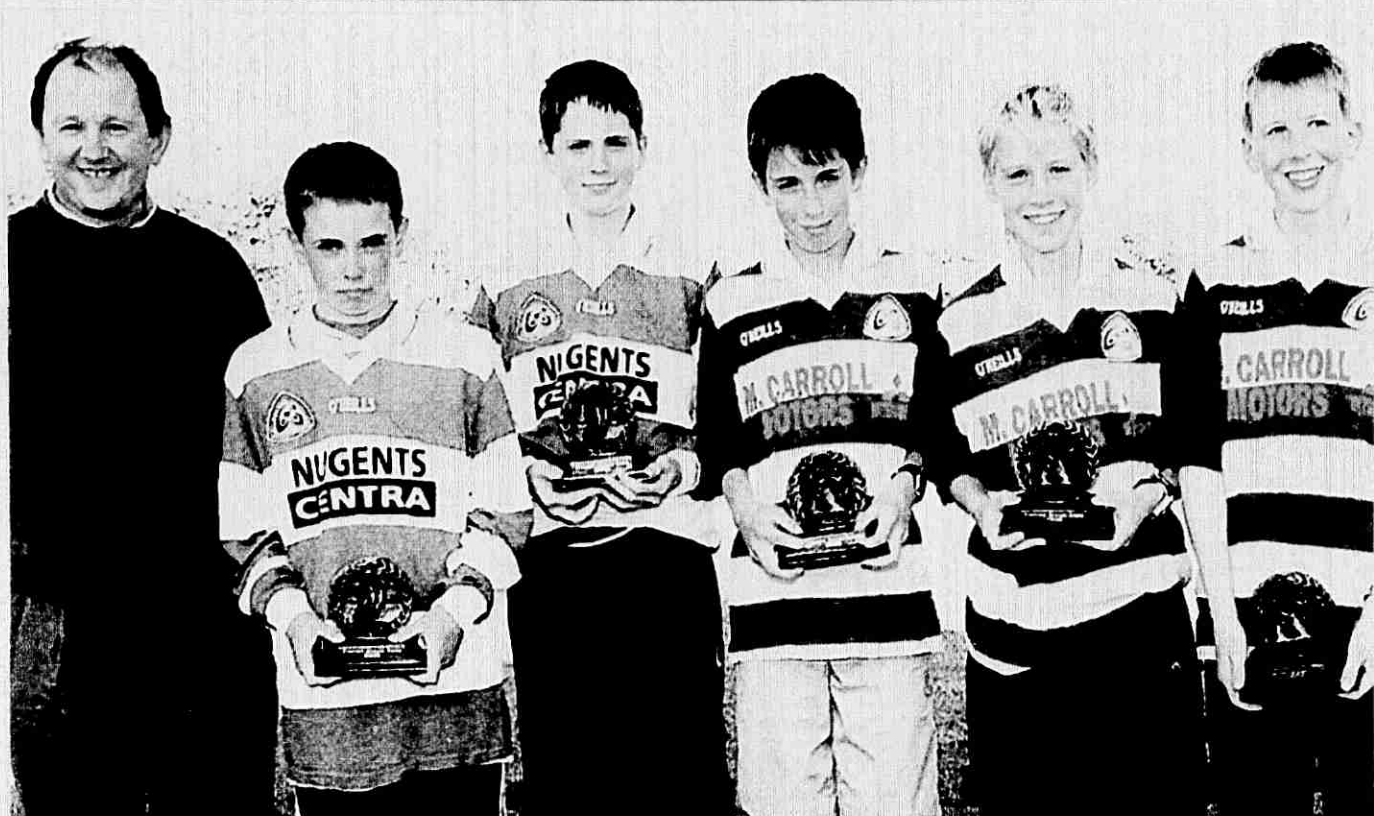

The two semi finals of the Bridge Hotel unraced event made for some interesting racing. Flashy Jewel was the lukewarm 2/1 favourite in the first semi final but she gave away too much ground to her rivals at the start. On the other hand the Patrick Madden owned Gwydions Wallop (Lenson Lad - Bushpark Flame) 5/1 made a lightning break wearing the white sheet to make every post a winning one dishing out a ten lengths beating to Problems Major who came from behind Flashy Jewel to claim the runner up spot. The winning time here was 29.43.

All the money in the second semi final was for the Mary Flynn owned Fitzy Jack (Lassa Java - Knockmoylan Rose) and despite giving his supporters an early scare with a moderate start he quickly asserted his superiority to corner in front of Gwydions Megaton before holding the late run of Ballybray Spiral by two and a half lengths in 29.39. The winner was returned at odds of 4/5.

Shanganny Tom was the medium of some nice wagers at 2/1 in the ninth but Michael Mahers Charity Echo (Trade Official - Charity Rose) 4/1 spoiled the party by leading throughout from trap one and by the time the favourite got by Bankers Prince into second spot "Charity" was gone beyond recall scoring by two and a quarter lengths in 29.56.

Honchos First (Top Honcho - Ardera Melody) 3/1 continues to thrive on racing and the Michael Henneby owned and Nicky Grace trained dog proved full for his win in the final event of the night sprinting clear from trap four for an all the way six lengths win over Coolmohan Jillie in a career best 29.40.

**BANK OF IRELAND LADIES FOOTBALL CHAMPIONSHIP**

# Waterford Senior Ladies Semi-Final Deferred For A Week

The relationship between Ladies Football and the mens game has yet to reach true equality and because of the necessity for a replay in the Bank of Ireland, All Ireland Football Semi-Final between Kerry and Armagh, the Waterford Ladies Senior game against Meath has been deferred for a week to Saturday the 9th, September. The match is again slotted for Parnell Park in Dublin and a full preview will be carried next week.

The other Ladies Semi-Final however which sees Mayo, the current All Ireland Champions take on Tyrone, has been paired with the mens replay next Saturday and so they will be on display to the country courtesy of live coverage on RTE.

Waterford fortunes in Ladies Football continue to be bright with the Junior side travelling to Manchester for their match last Saturday night and defeating the English based girls by the proverbial cricket score. This sees two of the three Munster Champions into their All Irelands as the Juniors join the Minors who had already gained their place the week before against a spirited Meath side.

Only the Seniors are left to stake their place in Croke Park in October and they will do battle with the girls of Meath on Saturday week. There is an air of cautious optimism in the Waterford camp, but everyone knows just what it will take to overcome the girls from the Royal County. Neither

the girls of the Senior panel, nor their management team need any reminder about last years psychological struggle against Monaghan, which they overcame, or the difficulties they encountered as they went down to Mayo in the Final.

They have vowed there will be no repeat of that, and will be content to concentrate their efforts towards overcoming the Meath challenge and only then think of the next and final hurdle.

The appeal again goes out to all Waterford supporters to get behind their three teams who are vying for national honours and give them the best possible vocal and visual support in their various games.

# CLASHMORE/KINSALEBEG JUVENILE G.A.A. CLUB

**UNDER-12 HURLING**

Our U-12 hurlers continue to play well and had recent victories over Naomh Brid and Ardmore in the ground hurling tournament. We have now qualified to play Kilrossanty in the semi final which will be played this weekend.

**UNDER-16 HURLING**

We were recently defeated by Kilrossanty in the County Semi Final on a scoreline of

Kilrossanty 4-8 Clashmore 2-6.

Overall Kilrossanty were the stronger team and the scoreline was a fair reflection of their superiority over the game. We have also qualified for the Western Semi Final in which we play our neighbours Ardmore. This game is provisionally fixed for this weekend.

**UNDER-14 HURLING**

Congratulations to the Waterford U-14 hurlers who

won the Tony Forristal U-14 Hurling Tournament Division 2 which was held in Waterford last weekend. Well done to Declan Allen who was a member of the team and played very well in all the games. They defeated Laois in the final on a scoreline of 2-3 to 2-4. Waterford also qualified for the Division 1 Final losing out to Cork in the Final.

**UNDER-14 FOOTBALL**

The U-14 footballers com-

menced the championship with an away game to Kilrossanty on Monday evening last.

Report and result in next week's notes.

Forthcoming fixtures are as follows:

Monday 4th Sept. v Ballinacourty (home). Monday 11th Sept. v Stradbally (away).

We will find it difficult to do well in this competition as we are playing in the 'A' grade.

## WATERFORD HANDBALL NEWS

### ALL-IRELAND GOLD FOR MOSSY BUTLER

### ALL-IRELAND SILVER FOR MARTIN SANDFORD

### ALL-IRELAND BRONZE FOR OUR JUVENILES

The 60 X 30 season has come to an end early this year (World Handball Championships being held in Chicago from October 5th to 17th). Mossy Butler of the Kilgobinet Club travelled to Williamstown, Co. Galway on Saturday to take on Séamus Heaney of Mayo in the All-Ireland final. It did not take Mossy long to settle down and play some great handball. He never left the Mayo man into the game, Mossy killed many a ball to keep the Mayo man guessing which way the game would go. Congratulations Mossy on bringing home Waterford's only All-Ireland this year, in Inter-County.

Martin Sandford made the long trip to Kingscourt, Co. Cavan to play J. McCullagh of Tyrone. This turned out to be the best game of the day. Martin was one of the fittest men in the game and it stood to him on Sunday last. His opponent was just as fit and we had three great games. Martin won the first game after a hard struggle, the Tyrone man played great handball in the second to win. Now it was all down to the third game. Both players looked as fresh going into this game as they were in the first and we had one great battle. The Tyrone player proved to be the better on this occasion and won the title.

Results: Mossy Butler 21 - 7, 21-8, Martin Sandford 21-15, - 15 -21, 12-21.

Our juvenile players played in two All-Ireland semi-finals.

Michael Browne and Simon Hanrahan took on Wexford in Clonmel.

Lack of experience in the big Alley came against them. The Wexford players from Castlebridge club showed how to play the 60 x 30 game and hopefully Michael and Simon will have learned something. Wexford won on the score 21-11, 21-9. In the under 17 singles Rick Hanrahan had to give way to another Wexford player, Felix Doran of the New Ross Club. Felix is a good two handed player, good at killing the ball and very fit. This Wexford lad looks likely to have a good career ahead of him in handball. Felix son the first game quite easily 21-3. The second game was a better game.

Rick came more into the play and put it up to Felix before going down on the score 21-14.

This was quite a good 60 X 30 season for Waterford, All-Ireland Gold, Silver and Bronze and six Munster titles. Congratulations to all.

## PREMIER LEAGUE MATCH REPORT

# Victory Snatched Away At The Death

DUNGARVAN 1 JOHNVILLE 1

Dungarvan's Premier team's season got off to a promising start on Wednesday last at Kilrush Park. The Blues good football looked to have secured all three points up as far as the 91st minute.

But the game is not over until the final whistle and in the 92nd minute Dungarvan had, what would have been a magnificent win, snatched from their grasp in the dying seconds with the last kick of the game.

Straight from the kick-off the Blues attacked the visitors defence. John Paul Donnelly had a shot saved after he made a good run through the Johnville defence. But the silken skilled full-back didn't have long to wait to get on the score sheet.

After 8 minutes Kevin Walsh

played a free kick to Killian Lyons, who found Mark Crotty wide on the right. His perfect cross saw J. P. Donnelly soar high at the far post to head the Blues into a 1-0 lead. Micheál Downey, Gerry O'Connor, and Gary Collins then in turn had good efforts saved by the Johnville keeper. Micheál Downey again had a brave effort saved when he got down low to head the ball, after Gary Keane did some good work down the left wing.

The second half again saw Dungarvan pile on the pressure.

Downey shot over the bar after beating the offside trap to get onto a through ball from Gary Collins after just 5 mins. Aidan Landers was introduced with 15 mins remaining and he almost put the Blues further ahead but his shot also went over the bar. Leo Barry then had a fantastic effort come back off the inside of the upright when he hit a 25 yard shot on the run after getting onto a good ball from Mark Crotty.

With time almost up things went disastrously wrong for the Blues. Donnelly was harshly judged to have pushed the striker in an effort to clear a cross from the left. The referee somehow awarded a penalty and to make matters worse he sent off the

Dungarvan player. Justice seemed to be done when Niall Barry in the Blues goal dived low to his left to push the ball around the post for a brilliant save.

In the 92nd minute, with the Blues supporters waiting for the final whistle, a cleared ball out of defence fell to Johnville's substitute outside the box and his first time speculative shot went into the top left hand corner that gave the keeper no chance, 1-1. Straight from the re-start the referee blew the final whistle. How cruel can it get!

This was still an allround good performance from the Blues and if they can reproduce this kind of display in the remaining league games they will win more than they lose.

## DENNY JUNIOR CUP 3rd ROUND

# Premier Side Bow Out To Local Rivals

Railway 2 Dungarvan 2  
(Railway won 4-3 on penalties)

Dungarvan reached the final of this competition last season, but two lapses in concentration when defending were the main reasons that the Blues only drew this game in normal time, after leading for most of it.

After 25 minutes Mark Crotty won a kickout and found Gary Collins who gave a good pass for Micheál Downey to take in his stride and he gave the keeper no chance, 0-1. Just a minute later Downey hit the post with a good strike after getting onto a quick ball through from Kevin Walsh.

After half an hour Dungarvan gave away a very bad goal when they tried to pass their way out of defence in too tight a situation. John Twomey intercepted a pass and after a straight run at goal gave the keeper no chance. After seeing this, lessons have not been learned from last season.

Five minutes into the second half Dungarvan went into the lead for the second time. Gary Keane put in a good corner and Kevin Walsh knocked down a good ball that Leo Barry made no mistake with from close range, 2-1.

Railway weren't going to accept this result and made three switches to get themselves back into the game. The home side caught the visitors with a quick counter attack to get back on level terms after Dungarvan had lost their shape and they paid the price when Twomey again made it 2-2 after getting in between a defender and the keeper.

Both sides got chance to win the game but this was how it stayed till the final whistle.

Best of luck to Railway in the next round and let's hope they can go even one better than Dungarvan did last year.

This Wednesday, 30th Aug. it's back to league action when we have a very difficult away game against De La Salle.

Team for both games: N. Barry, J. Sheehan, K. Lyons, K. Walsh, J. P. Donnelly, L. Barry, G. O'Connor (Capt.), M. Crotty, G. Keane, G. Collins, M. Downey. Res: Aidan Landers, P. Dunford, C. Downey.

## TSB U-14 LEAGUE

Villa 4 Dungarvan 3

It couldn't have started better. A goal up after 5 minutes through John O'Keefe after good work by John Byrne. Reality came calling after 20 minutes when Villa drew level. On the resumption we took the lead when Jonathan Regan finished clinically after good combination play by Shane Whelan and Ian Duggan. All credit to Villa when they drew level with a super finish and soon after they went in front. They stretched their lead when confusion reigned in our defence. We kept plugging away and pulled one back through John O'Keefe. But time wasn't on our side and ended up losing by the scoreline 4-2. Subs used Ian Duggan for Jamie Cullinan; Richard Lenane for Trevor Whelan; James Dalton for Sean Hamilton.

U-13 fixture away to Tramore on this Thursday at 6.15 p.m. Leaving club at 5.00 p.m.

## RAILWAY ATHLETIC F.C. NOTES

### T.S.B. CUP 2ND ROUND

## RAILWAY TOPS IN LOCAL DERBY

### Railway 2, Dungarvan 2. Railway won 4-3 on penalties.

On Saturday evening last we were at home in the T.S.B. Cup 2nd round against Dungarvan's premier team. A game which was always going to have a bite to it, saw a lot of yellow cards given out. Dungarvan started well playing the best football and went in front after 20 minutes when Michael Downey scored. Railway then fought back with a lot of hard work and tackling by Manahan and Prendergast in the middle and good wide play from Morrissey and Reddy on the flanks. Our front men Daly and Twomey were getting good supply of the ball and starting to cause problems for the Dungarvan defence. It was only a matter of time before they would break through and the equaliser came on 35 minutes when John Twomey finished to the Dungarvan net. At the break, it was level pegging.

The second half started fast and furious with both sides having chances. We conceded a corner midway through the second half and as a result of a goal mouth scramble Dungarvan scored from close range. We know had a serious battle ahead and every player from the goalkeeper to the forwards dug deep and fought for every ball. David Lenane was replaced by Martin Reddy whose experience settled us down at times when the pressure was on. That formidable partnership up front of Daly and Twomey was causing all sorts of problems for Dungarvan and with 1 minute remaining John Twomey levelled the match with his second of the day. The game finished 2-2 and went to a penalty shoot out of which we won 4-3. Rumour has it that Pakie has spent the last few days practising penalties and we all know why. "Sorry Pa". A special mention has to be made about our goalkeeper on the day. James Manahan was handed the No. 1 jersey only 5 minutes before the match and played a blinder between the posts.

Team: James Manahan, Kevin Foley, Tom Mansfield, David Lenane, Eamon Murphy, Gary Morrissey, Pakie Manahan, Conor Prendergast, Shane Reddy, John Twomey, Sean Daly.

### SCHOOLBOY SECTION

Under-14 T.S.B. Railway 1, Southend 3.

Under-16 T.S.B. Bolton 3, Railway 1.

Our schoolboy league started last Saturday with one game away and one at home. Our U-14's got off to a great start when Gerry O'Donovan scored a fine goal. We were lucky on a few occasions when Southend came very close.

Just before half-time Southend scored and again at the start of the second half. We were under pressure but went on to score their third goal. The lads played very well.

Our under-16's were away to Bolton and were unlucky to lose. The team played very well and will improve.

# BALLINROAD SCHOOLBOYS SOCCER ROUND-UP

UNDER 12'S "A" T.S.B. SCHOOLBOYS LEAGUE

## Good Start For U-12's

### BALLINROAD 2 ST. PAUL'S 2

Ballinroad played their first under-12 league game last Saturday on a very hot sunny morning. Ballinroad started brightly and missed a few chances but it was St. Paul's that took the lead after 10 minutes with a good shot from outside the box. We drew level when Willie John Kiely rounded the keeper after good work by David Pender and put the ball into the empty net. We took the lead when John Gorman finished well from 10 yards after a good 4 man move. We looked like get-

ting another when Willie John Kiely was pulled down by the St. Paul's keeper just outside the box. Their keeper should have been sent off for such an offence as he was the last man back. St. Paul's drew level just before half-time after we failed to clear the ball from a corner.

Ballinroad started the second half well but we paid dearly for a lot of missed chances. We were very unlucky with some great efforts also. With ten minutes to go, St. Paul's got a penalty but their no. 9 drove it over the bar and the game finished in a 2 all draw. We

will have to improve on this display for next Saturday as we travel to play Bohs. in Waterford. The bus leaves the hall in Ballinroad at 9.15 a.m. sharp so please be on time.

Ballinroad team: Stephen Enright, Donal Henley, Jonathan O'Sullivan (capt.), Eoin Brackett, Alan Tobin, William Raheer, John Gorman, David Pender, Willie John Kiely, Conor Foley and Craig O'Connor. Subs. used: Jamie Ryan for Craig O'Connor, Michael Geary, Ciarrán Foley, David Drohan, James Ahearne, Stephen Lanigan, Keith Collins.

## U-16 MATCH REPORT

This was Abbesside's first game of the new season. The opponents for this game were De La Salle. It was a home fixture, the venue being Dogleaf Park.

The first half started with Abbesside playing from right to left. The first half was very keenly contested with both sides having many chances. Half way through the first half, the first goal came. Abbesside had players up front for a free kick but with De La Salle winning the high balls, they quickly cleared the ball and broke away. A good through pass to their centre forward saw him slot it past the goalkeeper to score their first and only goal of the game. Within minutes Abbesside seemed to be back in the game with David Ferncombe putting the ball into the net only for the goal to be disallowed for handball.

The second half started with attempts on goal from both sides. However, Abbesside seemed to have the upper hand in this half with Sean Cleary having a great impact since being brought on at half time. It wasn't long before the breakthrough came for Abbesside. The bringing on of Mark Cahill for David Ferncombe saw some new positioning bringing Mark O'Donnell into the forward line and Brian Veale wide on the right.

The goal came with Sean Cleary heading the ball to Liam Sheehan who in turn sliced a left foot pass to

Mark O'Donnell to hit past the keeper with his left. The score was now 1-1. Late on in the second half there was a penalty appeal for Abbesside with Brian Veale being taken down in the penalty area. Much to the dissatisfaction of the crowd the referee waved play on. The match ended in a draw, Abbesside 1-1 De la Salle. A good game was had by all especially Philip Wade who had a tremendous game at centre-half. Also, Declan Byrne in the goal proved to be a hit with the crowd with his cheeky dummy. Seamus Lavan played a great game in the forward line and was unlucky not to score.

Team: D. Byrne, B. Veale, B. Daly, M. Brennan, P. Wade, E. Hennessey, M. O'Donnell, B. Morrissey, D. Ferncombe, S. Lavan, and L. Sheehan.

Subs used: S. Cleary for B. Morrissey, M. Cahill for D. Ferncombe, N. Veale for M. O'Donnell, C. Flynn for E. Hennessey.

Not used: J. Young, T. Cashin, S. Power, A. Burke.

Our next game will be on Tuesday 5th Sept. away to Kilmac 6.30 kick-off, training this Thursday 7.00 p.m.

### U-12 LEAGUE POWER DOWNS JOHNVILLE IN THREE JOHNVILLE 1, ABBEYSIDE 4.

Abbesside continued their promising pre-season form in dispatching a luckless Johnville at Waterford on Saturday last. A feature of the game was a lightning hat-trick by David Power

and a superb goal from debut boy Conor McGrath. However, Johnville who dropped from the "A" league this year are no bad side and will figure in the destination of this title as they made the villagers fight all the way. David Power found the net on four minutes when his shot went in off the post. His second came minutes later when he latched onto McGrath's pass while his third came courtesy of a Dave Tobin free kick which he slid in. Conor McGrath made it 4-0 into the second half with a bicycle kick from Jason Healy's cross. Johnville pulled back a consolation goal in injury time.

Team: Brendan Walsh, Deaglan O h-Arta, Dave Tobin (capt.), Jason Healy, David Walsh, Conor McGrath, John O'Driscoll, Stephen Slater, Peter McGrath, David Power, Nicholas O'Riordan.

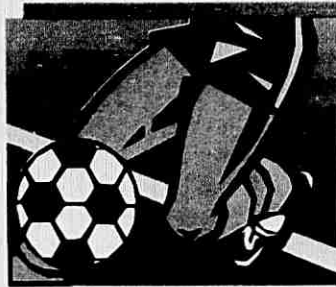

Subs. Ferdia O h-Aodha for David Power, Kenny Healy for Nicholas O'Riordan, Pearse Brett for John O'Driscoll.

### UNDER-16

Our U-16 team got a good start with a spirited display against champions De La Salle in a 1-1 draw. Missing were Stephen Drummy and Patrick Lynch but we will have these two for our next game away to Kilmac-thomas.

### DIV. 2 'A'

We kick off next Sunday away to Dungarvan at 2.15 p.m. A difficult start as we are missing a number of regulars but with an attendance of 26 at training on Monday night, quality should not be a

problem.

### FIXTURES

U-11 Abbesside v St. Saviours 6.15 p.m. Wed.

U-12 Abbesside v Ballyduff 10.30 a.m. Sat.

### MURPHY PLACE REUNION

Great to see former club keeper Liam O'Connor at the reunion. Liam tells me he looks out for the notes every week to keep up with the fortunes of the club. He wishes us the best for the new season.

### TEAMS

This year we field an unprecedented number of teams, seven as the club goes from strength to strength. All these teams require hard work and great credit is due to the various managers.

U-12 — Joe O'Riordan and Michael Morrissey.

U-13 — Joe O'Riordan, Michael Morrissey and Billy Keohan.

U-16 — John McGovern and another.

U-18 — John Coade.

Div. 2a — Wayne Moore, John Ferncombe and David O'Connor.

Our under 10's have finished for this season.

## Red House League

### FINAL REMINDER

With the new season just over a week away, clubs should have all their registration forms, fees and insurance documents presented to the registrar, Eamon O'Shea before next Friday Sept. 1st. It was made perfectly clear at the last delegate meeting that any club failing to do so would not be allowed to play in the Bolger Cup competition.

### RED HOUSE LEAGUE SUPER DRAW

Some clubs are doing very well with their ticket sales to date and it is encouraging for the committee to see these clubs make a worthwhile effort. It should be noted that all the proceeds from the draw go back to the clubs and it is in the club's interests to sell as many tickets as possible. Maybe with the season starting in a couple of weeks, we might see some players helping out their clubs. Several clubs have already benefited financially and any club that has ambitions to purchase or improve their ground can do likewise.

## The Presidents Weekend

The Lady President, Helen Fennell and Club President Brian O'Connor presented their prizes over the weekend to the members. Both Helen and Brian had a large turn out for their respective competitions. The men's competition was a 36 hole stroke with qualifying rounds on Friday and Saturday and the top 100 qualifying to play the final round on Sunday. Eugene Collins the Club H/cap Secretary playing off 19 (was 19) returned the best score of the weekend with a 66 nett on Friday. Eugene was out during the thunder and lightning and a fairly stiff wind coming from the North West but he did not get excited and he kept his game together and returned the best score of his golfing career.

On Sunday Eugene must have got excited when he saw all the ladies waiting around the first tee as he had to play three balls before he could move off the first tee which was a start he was unable to recover from. The last three ball was Billy Harty and the eventual winner Dermot Dobbyn and Eugene Collins.

Dermot and Billy were nip and tuck all the way to the 18th green where Billy had a slight advantage but blew it when he chipped into the bunker and took three to finish from there, where as Dermot got down in three from just off the green to take the Presidents Prize on

a count back.

Congratulations to Dermot and to all the winners over the weekend and to Brian on his magnificent array of prizes.

### THE MANSFIELD DOUBLE

It is worth noting that over the weekend of both Presidents Prize that the Mansfields, Joan and Seamus, were the gross winners in their respective competitions. Seamus playing off a handicap of 8 had a very good score on Saturdays with a 76 gross and on Sunday returned a steady 81 gross and was only off the mark by one shot from taking the major prize. Seamus's mother Joan was not to be out done and went on to take the gross prize in the Ladies President Prize. Is that one for the Guinness Book of Records?

### THE DAY BEFORE THE RACES...

The long poem could be re-written about The Kiely's Cross Races. What a weekend it was. The weather was perfect and the organising committee, or rather the entire community, were working like beavers in a plethora of areas, each ensuring that everything would be just perfect, and perfect it was. The crowds thronged to Kiely's Cross on the Friday and Saturday evenings, some to see the 'marbles exhibition', but most to just savour the wonderful atmosphere that abounded. Young and old mingled at the beach party or just in the pub or indeed many just at the cross. This indeed was just like old times, everybody in good humour. The races themselves, were a mighty occasion, despite the showers, and never to be forgotten and back to the Cross again, Sunday night for more banter and craic. Brilliant that we had local successes, with Pat Keating and young Sarah Conway in the winners enclosure. Well done to a wonderful committee, who uniquely, brought the three hunts together and dreamed and fulfilled this wonderful weekend. They will be the first to thank the army of helpers who turned out to do the various tasks and their generous sponsors. This was

community spirit in the truest sense, a community alive and creating and sharing their own unique entertainment. What a weekend. On behalf of Cumann Deuglan Naofa, I would like to thank the organisers and Killian McGrath, for the use of the fabulous marquee facility on the Saturday and Sunday nights. This was a great shot in the arm to the club and well done to Noel Conway and his sub-committee, who ran the shows for us. Also thanks to all who helped at the door and as stewards.

### UNDER 12 HURLING

Following our 2 points defeat at the hands of Clashmore, we have now bowed out of the ground hurling competition. This was a brilliant game, played in a truly sporting fashion and all our boys played their hearts out and but for a brilliant save by the Clashmore keeper, we might have tasted victory.

### UNDER 14 FOOTBALL

Our under 14s travelled to Stradbally, last Saturday evening, where they were well beaten. Unfortunately, we had a very young side out, as many of our under 14s did not travel, for one reason or another. It is most unfair to the adults who give up their free time to organise teams, when players just

don't put in the effort. It is also grossly unfair to the other team members.

### MINORS IN FOOTBALL FINAL

Our minors beat Brickeys last Wednesday, to qualify for a 'B' western final meeting with The Nire. In the first half, we were played out of it and but for a fortuitous goal, which went in off Maurice O'Connor, we would have had a mammoth task in the second half. As it was, we trailed 1-6 to 1-3 at the interval. Following a wake up call by team trainers, John and Wayne Hennessy, we dominated the second half and ran out easy winners on a score of 3-11 to 1-8. We are now into a western minor final for the sixth consecutive year, but we will not beat this powerful Nire team, unless we really knuckle down to hard training and serious commitment and graft. These two qualities are frequently absent with some of our minor panel. This Wednesday night we tackle Ring in the A minor hurling semi-final. We certainly did not expect to find ourselves in this position, at the start of the year. However, we are there on merit and if all our players turn out and play to their potential, then we can make it difficult for our neighbours.

This is a Ring hurling team

with which we have had great battles with throughout the years but we have never succeeded in beating them, so they will be the hottest of favourites. Philip Beausang is a huge loss to our minor squad this year, but we are still going and who knows, we might make it to the hurling final as well. This match is fixed for 7.00 pm sharp and a bus will leave at 5.45 pm sharp.

### WEEKLY LOTTO

We had no jackpot winner to the numbers 7, 12, 18, and Liam O'Loinsigh, Margaret Sweeney, Thomas Power, Oliver Walsh and Mary J. Prendergast were the winners. This week we are at Kiely's Cross.

### UNDER 16 HURLING

Like our under 14s, this team was sadly depleted for their county semi-final meeting with Dunhill Fenor as a number of players were absent. It really is a worry that five players would miss a county semi-final and it is a real let down to everyone, their mates and their mentors. Despite the absentees, the rest of the players put in a tremendous effort and were within 4 points at the end. Maurice O'Connor, Alan and Gary North, Niall O'Brien, Anthony Troy and Kevin O'Mahony all played their hearts out and Stephen Conway was quite magnificent at wing back

# Stradbally G.A.A. Notes

## SENIOR HURLING

Cappoquin was the venue of this Senior losers group match versus the Shamrocks and at the end of the day we were fortunate to come away with a draw. It would appear that we will play the same opposition in a replay in the coming fortnight. Two Alan Darcy goals within fifteen minutes of the start gave us a commanding five point lead but the Shamrocks hit us with a goal and two points before the interval to level it for half-time.

A Trevor Curran pointed free on the resumption edged us ahead only for our opposition to respond with a couple of points before another few points from Curran had us level with nine minutes left on the clock but we conceded a few frees in the final minutes which were converted by the Shamrocks. With just a few minutes left on the clock we were down by two points before Oliver Costelloe plucked a ball from the sky, cleared his defences for Stephen Cunningham to collect and power his way to goal before slamming to the net. With time almost up another twist to the story line emerged with Shamrocks coming back with a point in the final minute to leave the tie undecided. All to play for on another day.

Team: L O'Brien, K Coffey, O Costelloe, K Coffey, J Coffey, T Walsh, D Power, J Hearne, G Walsh, S Keane, G Power, M Walsh, A Darcy, T Curran, E O'Brien, J Halpin for E O'Brien.

## FOR THE RECORD

As there was no notes last week for the record we were defeated by Kilrossanty in the quarter-final of the Senior Hurling Championship by a score line of 1-07 to 1-04. This was a match in which our players did not get off the starting blocks. This team put in huge commitment and sacrifice over the past seven months and it is a great pity their huge workload was not rewarded. We must also be hugely grateful for the great and dedicated work put in by Sean Aherne and his selectors during the same time. The half time score was 1-02 to 0-2 in our favour. Our points came from John Hearne and an Eoin O'Brien pointed free with our goal coming from Eoin O'Brien after good work from John Coffey and Michael Walsh. Niall Curran scored a great point in the second half and Eoin O'Brien completed our scoring.

Last week we also played Dungarvan in the Minor Hurling Championship in Ring and won by a good score. We are now qualified for the Western B Semi-finals. Well done lads.

## UNDER-14 FOOTBALL

Our footballers despite missing a number of players had a good win over an under-strength Ardmore side in Stradbally last Saturday afternoon. The final score was 4-07 to 1-06. ## SENIOR FOOTBALL CHAMPIONSHIP

### Controversial Finish To Local Derby

Last Saturday evening we played Ballinacourty in the replay of the Senior Football Quarter Final. It often happens that replay matches do not live up to the previously drawn match as straight from the throw in Ballinacourty raced into the lead with two well taken long range points. Indeed they seemed more fired up and were using some heavy handed Tactics. This kept the referee busy and some of the tackles necessitated the brandishing of some yellow cards.

Jamie Burke opened our account with a fine point and we were unlucky not to have goaled when a punched attempt from Dermot O'Callaghan came off the crossbar and was cleared. This was to be one of the few highlights in the first half as the more physical Ballinacourty side took control. Their policy of 'hoofing it to Hiker' had our backs under pressure. By the 20th minute they had extended their lead by 0-6 to 0-1 and shortly after increased this lead further with a goal. Indeed we can be grateful to goalkeeper Trevor Mahoney that the score wasn't any greater in a game that was always played in a sporting manner. One unsavoury incident occurred when a hefty two footed challenge was delivered on right corner back Dermot Dee that necessitated his substitution. In this incident we neither got a free or any caution issued by the referee. Just before half time in one of our few attacks John Power slotted over a free. Ballinacourty responded with a further point and the half time scoreline read 0-2 to 1-7.

Eager to make amends for our poor first half display hints of a comeback were evident when Jamie Burke scored after some inventive play. It was a false hope however as Ballinacourty responded with two points and we faced an uphill difficult task. We still kept plugging away however and points from John Power and Paul Power narrowed the deficit somewhat. We were thrown a real life line then when John Power again raced through to score a marvellous goal to leave the score 1-9 to 1-5. We failed to capitalise on this and Ballinacourty to their credit again stretched their

lead, with three points, one of which was a marvellous point from the sideline. John Power again replied with a point to leave the score 1-6 to 1-12 with 4 minutes to go, and only time to be played out. If this game lacked excitement in the previous 56 minutes it certainly made up for it in the remaining 4 minutes. Firstly we were awarded a penalty which John Power took the responsibility of taking. His shot was low and hard and struck the net with the goalie diving in the opposite direction. Incredibly the umpire waved it wide even to the astonishment of the Ballinacourty goal keeper and to the entire attendance. This was an unbelievable decision and we were quite rightly absolutely furious, none more so than the taker himself, who questioned the decision with both umpire and referee, and the only satisfaction he received was unbelievably a yellow card.

But more drama was to follow when play once again resumed. With Ballinacourty tiring somewhat we won the ball in the middle of the field which was duly sent forward where then it was worked through the Ballinacourty defence where it was shot at the goalkeeper and rebounded into the grateful arms of Pe Pe Ferncombe who slotted the ball to the back of the net. Again mayhem ensued as the referee in consultation with his umpires deemed Pe Pe to be in the square.

Incredibly again the goal was disallowed and we were now even more furious. It seemed we were not going to get fair play tonight and we had had enough. When the final whistle went there was no celebration cheer and a disconsolate group of players made their way to the dressing room. A terrible injustice had been done to us, something that everybody leaving the field that night agreed on. This was a far from ideal finish to our championship campaign, especially as we had worked hard all year. Ballinacourty on the night were the superior team and our grievance is not with the team but we felt we had scored two legitimate goals to draw the game level and bring it into a period of extra time. But when you are hard done by in such a blatant fashion you

would wonder why you would bother. We are sure this won't be the last we will hear of this incident. Other questions to be asked are how come this was the only quarter final where no neutral linesmen were appointed and also the tatty condition of the goal nets that allowed the ball slip through which had obviously not even been checked or secured firmly to the ground and this in our "Famed Fraher Field".

#### JUNIOR FOOTBALL CHAMPIONSHIP

Last Friday night a large group of players travelled to Cappoquin for a Junior Football losers group match against Tallow. With the throw in time down for 7.15 pm, this game did not get underway until 7.45 pm, which meant it was almost dark when it was over. Despite opening the scoring with a Peter Queally goal, we were to fall behind shortly afterward when Tallow got two goals. A Ger Beresford goal from a penalty that was officially registered as a goal set us up for a half time lead 2-3 to 2-2. We upped our game in the second half and some fine points increased our lead further. A late Tallow goal gave them some glimmer of hope but we managed to hold out for a 2-9 to 3-4 victory.

#### MINOR FOOTBALL CHAMPIONSHIPS

On Wednesday night last we play Ring in the 'A' semi final of the Minor Football Championship. We got off to a flying start with three points in quick succession. This lead however was short lived as Ring fought back to take the lead. A Nicky Donnelly goal restored our lead but that was soon cancelled by a Ring goal 1-3 to 1-3. We replied with points and another Nicky Donnelly goal helped give us a half time lead 2-7 to 1-6.

Our second half performance failed to match our first half as Ring took control and hit over some delightful points. Going into the last five minutes the teams were tied on 2-9 to 1-12, and a replay loomed large. However, it was to be the start of a controversial week with officials as a long range kick from a Ring player was deemed to be a point by one umpire,

wide by another and the referee who had earlier overruled an umpire at the same goal this time was going to allow the point. We had one last attack but failed to get the equaliser to leave the final score 2-9 to 1-13.

#### DEISE DRAW

We had one lucky winner in this months Deise Draw which was held in Tramore last Friday night. The lucky recipient of £60 was Lar Barton. The club was also the lucky recipient of £50. We would like to thank all our subscribers for their continued support.

#### SYMPATHY

Our sincere sympathy to Bridie Cunningham on the death of her brother-in-law Tommy O'Brien. Ar dheis De go raibh a anam.

#### WELL DONE

Last weekend both John Paul Tutty and Jamie Nagle lent their considerable talents to Waterford's cause in the Annual Tony Forristal Tournament for U-14 hurling. Let's hope it will be the first of many appearances for their county.

#### U-12 HURLING

Having waited patiently for the past three weeks our U-12 hurling final against Ballyduff will hopefully be played this Thursday night in Cappoquin. Meanwhile we opened our campaign in the Ground Hurling Championship last week when Stradbally visited Clogherane. Despite starting well with goals from Trevor Crotty and Michael Walsh we failed to register any further scores and Stradbally ran out easy winners by 4 goals to 2.

#### ROANMORE TOURNAMENT

This Saturday afternoon we travel with two teams to participate in the Annual Roanmore Tournament normally one of the last tournaments for the year.

#### BACK TO SCHOOL

It's that time of the year again when the schools are returning after their summer holidays. And there is little consolation to the lads in the old saying that "your school days are the happiest days of your life".

### INAUGURAL GOLF CLASSIC A GREAT SUCCESS

Our inaugural golf classic, held in Citywest Golf Resort, Saggart on August 16, was a great success, in sporting, social and financial terms. Despite ominous threats, the weather was very favourable which added to the enjoyment of the players on what is a fine golfing stretch. While the organising committee, headed up by Cathal Wall and John Fraher, totted up the scores, the players tucked into an excellent meal followed by a very pleasant social evening. It was perhaps fitting that the winning team, GE Capital Woodchester, was captained by Liam "Chuck" O'Connor, one of Waterford's greatest ever servants in both hurling and football. In his speech following the prize giving, our Chairman, Oliver Nugent, thanked all those who helped in various ways to make the event a success, and especially the sponsors who entered teams and sponsored teeboxes. We look forward to developing the event into a regular and important fixture in the annual sporting calendar.

## CO. SENIOR FOOTBALL SEMI-FINAL

# G.A.A. Club Notes

There is no rest for Ballinacourty Senior footballers who will be in championship action for the third successive week when they face local rivals Kilrossanty in the Co. S.F.C. semi-final at the Fraher field on this coming Saturday evening at 7 p.m.

Kilrossanty impressed when defeating a highly fancied Stradbally team in their quarter final encounter and with a two-week lay-off they have a definite advantage in that respect.

This will be a real 50/50 encounter and team mentors Greg Fives, Pakie Hurney, Timmy Organ, and Tom Whelan have not spared themselves in recent weeks. It's going to take another mighty effort from every player involved on Saturday evening to match this fancied Kilrossanty (XV) and your support for the boys in 'green and white' is much appreciated as it's a club effort in every respect.

### BALLINACOURTY QUALIFY FOR CO. S.F.C. SEMI-FINAL

Ballinacourty senior footballers displaying improved form (at times) qualified for a place in the Co. S.F.C. semi-final against a highly rated Kilrossanty outfit when they overcame local rivals Dungarvan in their quarter final replay at the Fraher field on Saturday evening last.

We picked up a few niggling injuries here as the game ended in high drama. After the game Dungarvan's Jim Dee and Mikeen Lyons visited our dressing room, a gesture which was much appreciated with Club chairman Tony Mansfield and Pakie Hurney reciprocating. It is important after two really hard fought encounters to emphasise that the bond of sporting friendship remains as strong as ever between our clubs.

Now all concerned must put all their focus on the Kilrossanty game.

### JUNIOR FOOTBALL CHAMPIONSHIP BALLINACOURTY (A) 2-12 GERALDINE'S 0-7

Clashmore 1-11

Ballysaggart 2-10

Ballysaggart were visitors to Clashmore last Tuesday night for the first semi final of the Tom Kelly and Sons sponsored Tournament. This was an excellent game of hurling throughout with never more

than a puck of a ball between the teams. Half time score Clashmore 0-6 Ballysaggart 1-3.

We started well in the second half and a great goal by Stephen put us three points ahead. After this Ballysaggart upped the pace and the concession of a couple of frees near the end allowed the visitors to take the spoils. Final score Clashmore 1-11 Ballysaggart 2-10.

## Annual Tony Forristal Tournament

# Waterford And Cork Emerge As Champions

Last weekend, the county and city of Waterford were hosts to the young hurlers of Ireland and witnessed another successful All-Ireland under 14 Inter County Hurling Festival. The organisation by the local committee was superb and the 432 young hurlers, representing the 18 county teams enjoyed their participation as did the hurling folk from all over the country. Larger crowds than ever before attended the 25 games on Saturday at the four city venues. The quality of hurling was top class. In this the 19th annual tournament, sponsored by Waterford Crystal, both Tony Forristal and Sonny Walsh were remembered in a manner that was fitting, in the playing of the game that they loved. Waterford, the host county since '82 had two county teams involved, one in each division, allowing 48 young Waterford hurlers the opportunity to represent their county on the playing field with pride and passion. It is here at the Tony Forristal Tournament in Waterford each year that the emerging hurling talent of Ireland is first unveiled.

**DIVISION 1 FINAL**  
Cork 6-13  
Waterford 2-5

In front of a very large attendance Cork and Waterford

faced each other at Walsh Park on Sunday. The opening 10 minutes were evenly contested. In fact Waterford played extremely well in this period but found it hard to put away the scores. Waterford led on the 10th minute by 0-3 to 0-2. Cork's opening goal came in the 12th minute and was followed two minutes later by a second goal. Cork had clicked into a higher gear and Waterford were now chasing the game. It was 3-3 to 0-4 at half time. Cork dominated the second half. They finished with 2 goals in the last minute. Corner forward Kevin O'Brien scored 4-1.

It was a very skilful display by new champions. While Waterford played impressively early on they did not have Cork's ability in the art of taking scores. The score at the end did not look good. However Waterford can be pleased with their overall performance in the four games of competition. They had top class performance in the four games of the competition. They had top class performances from John Kindregan, John Paul Tutty, Kevin Moran, Tommy Power, Mark Hoban and James Quirke. Let's pay tribute to the entire team and selectors. We shall hear more from this group of young players in the future. Congratulations to a fine Cork team on the winning of the Tony Forristal Cup for the 3rd time. The Man of the Match Award in the final went to Kevin O'Brien of Sarsfields.

## Waterford Retain Title

**Waterford 'B' 2-7**  
**Laois 2-4**

Waterford 'B' retained their Division 2 title when they won the Sonny Walsh Trophy at Walsh Park on Sunday in front of a large attendance. Their first half performance was top class, playing some very skilful hurling, for which Laois had no answer. It was 2-6 to 1-1 at the break. Jamie Kearney was the star of the forwards, scoring 2-4. The second half was quite different. Laois improved quite a lot. They scored 1-3 to Waterford's 0-1 in this second period. Overall this was a very entertaining and skilful game of hurling. Waterford did fade in the second half but they did enough in the first. The Man of the Match Award went to Michael Power of Ballygunner. After the game, team captain Stephen Prendergast accepted the Sonny Walsh Trophy on behalf of the newly crowned champions from Mrs. Stella Walsh. Congratulations to the Waterford lads and their team selectors.

### A WORD OF THANKS

The organising committee and hurling people generally, appreciate very much the financial support of Waterford Crystal and the GAA at National level. Tribute must also be paid to the Ladies Committee at Mount Sion who worked so hard to provide the tea and sandwiches for the 18 teams and supporters at all the venues during the tournament. It was a massive undertaking. They have been doing this year after year.

The playing pitches at Roanmore, De La Salle, Mount Sion, Waterford Crystal Centre and Walsh Park were all in superb condition. Our thanks to the grounds-men who prepared the playing fields. A word of thanks to the various field co-ordinators, referees, umpires, Order of Malta, Red Cross and all who played their part on a job well done and Waterford can once again be justly proud of its contribution to a national competition and to the further development of Ireland's finest field game. Officially this was the last Tony Forristal Tournament. However it is expected that the GAA at the top level in Croke Park will yield to pressure from the participating counties to have this prestigious competition retained. We shall wait and see what the future holds.

### INTERMEDIATE HURLING LOSERS GROUP FINAL

Fourmilewater 2-11 Touraneena 1-6

Fourmilewater ran out 8 pts victors in this local derby played in Fraher Field on Friday night. From the 1st whistle we were always in control, and led at half time by 2-6 to 0-5 and by the 24th minute of the 2nd half had stretched that lead to 2-10 to 0-5, only for Touraneena to get a goal and a point in the last 5 minutes. This was a much improved performance from our previous games and the team is starting to go the right way, but there is still a lot of hard work to be done, the draw will be made this weekend. We will know who our next opponents will be on Monday night.

Fourmilewater lined out as follows; Owen Wall, John Moore, Aidan Ryan, Justin Walsh, Ian Walsh, Rory Rice, Liam Walsh, Owen Sullivan, Ml. Connolly, Martin Walsh, Ger Walsh, David Ryan, Pat Walsh, Paudie Halpin, Ml. Guiry. Subs; Brian Wall for Liam Walsh. Scorers Ml. Guiry 6 pts (4 frees). Martin Walsh 2 pts, Paudie Halpin 2 pts, Ger Walsh 1 gl 1 pt, Pat Walsh 1 goal.

## Shamrock's G.A.A. Club Notes

### SENIOR HURLING RELEGATION SERIES - SHAMROCK'S 1-10, STRADBALLY 3-4

At Cappoquin on last Sat. evening we had an exciting game with Stradbally and lived to fight another day. This was a game we could have won and hopefully in the replay we can go one better and regain senior status for 2001.

### JUNIOR HURLING - WESTERN CHAMPIONSHIP LOSER'S GROUP

We were at home to Ballysaggart on last Sun. evening and after a fine game which at times reached a high standard, we emerged victorious on the score - Shamrock's 7-7, Ballysaggart 3-3.

Team: T. Hickey, S. Tobin, T. Roche, J. Treacy, G. Moloney, T. Goulding, D. Hickey, T. Baldwin, D. O'Neill, J. G. Kelly, M. O'Neill, M. Walsh, C. Goulding, L. Ahearne, A. Murphy. Subs used: M. O'Keeffe, A. Kelly, S. O'Neill, G. Giles, F. O'Callaghan.

### SYMPATHY

Our club extends deepest sympathy to the wife, daughters, sisters, brother and other relatives of the late Joe Moloney, Youghal who died last Thursday in Youghal hospital after a long illness. In his young days Joe was a leading hurler and footballer, having played with his native parish and won a co. championship with St. Patrick's in 1947 and also played with Waterford hurlers before going to live in Youghal with whom he threw in his lot until he retired and he also was on the Cork team a number of times. His popularity was proved by the huge attendance at his funeral on Friday and Saturday with gaeils from many areas in Cork and Waterford and beyond attending.

Ar dheis De go raibh a anam.

### BEST WISHES

Best wishes from our club to former hon. president Very Rev. J. Mulcahy, retired P.P. who is presently a patient in Waterford Regional Hospital and we look forward to seeing him out and about in good health again in the near future.

# Ballinacourty Through In Controversial Derby Game

**BALLINACOURTY 1-12 DUNGARVAN 1-6**

This clash will be most of all remembered for the hectic dramatic and controversial finish on Saturday night last and it will be talked about for a long time. The drama of the closing minutes is referred to elsewhere.

Ballinacourty kicked over two points in the opening 90

seconds and extended this lead to 5 points by the 15th minute when the score stood at 0-6 to 0-1. Six minutes later a well organised move saw Sean (Hiker) McGrath set up Michael Enright for the games first goal and a score which enabled them to lead by 1-7 to 0-2 at the interval.

It was nearing the end of the third quarter when a brilliant Dungarvan move involving several players including Trevor O'Mahony and Dermot Callaghan allowed John Power in for their goal. This reduced the gap to just 4 points, but back came Ballinacourty and points by Dave Kelleher (2) and Gary Hurney from a sideline restored the lead to 7 points.

Then there followed the drama in the dying minutes. (See comment elsewhere).

Scorers — Ballinacourty — M. Enright 1-1, D. Kelleher 0-4, G. Hurney 0-3, I. Kiely and D. Hayes, S. McGrath and D. Cliffe 0-1 each; Dungarvan — J. Power 1-3, J. Burke 0-2, P. Power 0-1.

Ballinacourty — D. Enright, J. Moore, J. Phelan G. Breen, S. Briggs, L. Hurney, M. Lavin, G. Hurney, D. Hayes, D. Kelleher, I. Kiely, D. Cliffe, M. Enright, S. McGrath, M. Cosgrave, Subs. A. Landers, J. Hurney, M. Collins.

Dungarvan — T. O'Mahony, D. Dee, C. Murphy, B. Lyons, K. Curran, D. Lyons, T. Galvin, J. J. Ronayne, T. O'Mahony, J. Burke, J. O'Mahony, P. Power, P. Ferncombe, J. Power, D. Callaghan, Subs. J. Veale, P. Radley, M. McLoughlin.

Referee: J. M. Kelly, Shamrocks.

## Fourmilewater Find It Easy

**IHC Fourmilewater 2-11 St. Marys 1-6**

This was the losers group final which saw a very fit and in-form Fourmilewater team take control from the start and win rather decisively by 8 points. Goals by Pat and Ger Walsh within a 4 minute spell midway through the first half saw the Ballymac' team lead by 2-6 to 0-5 at the interval.

In the second half, St. Marys had to wait until the 50th minute for their first score which was a splendid goal scored by J. P. Fitzpatrick. The same player added a point in the 55th minute but by then the game was decided in favour of Fourmile.

Fourmilewater — E. Wall, J. Moore, A. Ryan, J. Walsh, I. Walsh, R. Rice, L. Walsh, M. Connolly, E. O'Sullivan, M. Walsh, G. Walsh, D. Ryan, P. Walsh, P. Halpin, M. Guiry.

St. Marys — J. Hallinan, D. Kearney, S. Kearns, P. Condon, B. Whelan, P. Hallinan, I. Dunford, D. Kiely, D. Whelan, J. P. Fitzpatrick, B. Ahearne, J. Ahearne, K. Hallahan, A. Fitzgerald, E. Lonergan.

Referee: Pat Moore, Abbeyside/Ballinacourty.

## New Football Proposals

The proposed new football format for next season was launched last week and generally they have been given a mixed reception. Some of the football people here in Waterford to whom I have spoken feel that they are not fashioned to suit Waterford. While they agree that what is in place at the moment is bad enough, the new deal is less attractive.

The general feeling is that at the end of it all, the top eight counties will still survive and while this is as it should be in any championship, it does not progress the cause of the weaker counties.

I feel, as I have felt for very many years, that the senior football championships should be run in two distinct divisions: two championships of 16 teams with a promotion and relegation clause attached.

A decision will be taken at the special congress in Dublin on October 7th.

The Waterford county board will debate the matter at their meeting on Monday week, before instructing their delegates on how to vote.

The matter of the increased cost to counties may be a factor in deciding the issue and it is likely that a strong case will be made for funding from Central Council.

## COACHING SCHEME NOTES

**SHAMROCK'S HURLING CAMP** — (l. to r.) Liam Ahearne, Pádraig Tobin, Coach, Christopher Morrissey and Maureen Roche with some children from Tallow and Knockanore area at last week's camp in J.F. Kennedy Park, Knockanore.

This camp was organised by the Shamrock's Club and the Coaching and Games Development Committee. The lady on the right did trojan work over the past two weeks and rounded up over forty children and we had a really great camp. The coaches involved were Pádraig Tobin (Shamrock's), Christopher Morrissey, Shane Hayes and Peter Power. Christopher and Shane are transition year students from St. Augustine's and D/van C.B.S. and are gaining valuable experience during these camps while Pádraig is a Shamrock's player and he is an excellent hurling coach.

Well done to the Waterford Sonny Walsh U-14 and Tony Forristal teams who did very well in Waterford last weekend. Pride of place goes to the Div. (2) team who won the Sonny Walsh. It's no mean feat for a Waterford second team to beat a Laois first team in the final.

The Tony Forristal team Div. (1) beat Dublin, Wexford and Clare only to lose to Cork in the final on Sunday. Cork were bigger than Waterford especially on the wing, they scored three goals in the first-half against the wind which put them in the driving seat. Waterford showed here we are not too far off the pace and any day you win three inter county games you're doing well. To reach this final was the result of School's Coaching and U-11, U-12, U-13 development squads over the past few years plus the tremendous work being done in clubs with coaching and U-10, U-11 and U-12 tournaments throughout the county.

**LAST WEEK'S CAMPS**

Last Mon. we went to Knockanore

where we got a great reception from the Shamrock's Club Chairman - James Tobin. Liam Ahearne, Kieran Ahearne and Maureen Roche made us all feel very welcome. We had a marvellous crowd of well-behaved children from Knockanore and Tallow. On Wed. we went to Ballyduff Lr. where we had our usual big crowd. Our friend Ken McGrath dropped in on his way to work and made the day for all the children.

The camps are finished for this year and coaches will soon be back in the schools. Thanks to the clubs who made the camps so enjoyable. We had marvellous fun and enjoyment and most important we hadn't one accident or injury.

**NEXT WEEK'S PROGRAMME**

Mon. Sept. 4th — Coolnasmear/Kilbrien  
Tues. Sept. 5th — Currabaha/Newtown  
Wednesday Sept. 6th — Kill  
Thursday 7th — Clashmore Ballyurran  
Friday 8th September — Abbeyside

NEXT WEEKEND

# Ballygunner v. Mt. Sion Senior Hurling Final The Highlight

Sunday next is county final day and thousands will flock to Walsh Park to see the reigning county champions, Ballygunner meet the challenge of rivals, Mount Sion in a match which should show Waterford club hurling at its best.

County finals have ever been a big talking point in the weeks and days before the game, but somehow this year a change has taken place and the hurling showpiece seems to be overshadowed by the two senior football semi-finals which are scheduled for Fraher Field over the weekend.

Perhaps the absence of a Western club from the final is a factor here or could it be the expectation of a mouth-watering clash involving the great Comeragh rivals, the Nire and Rathgormack, which will take place in Dungarvan on Sunday evening.

There is quite a bit of talk too about the meeting of Kilrossanty and Ballinacourty in the first semi-final which is scheduled for Saturday evening in Fraher Field. These have not met in senior championship since 1984.

## MOUNT SION HAVE A CHANCE

The Monastery club, going for their 31st county championship title, are expected to have Ken McGrath (recovered from his ankle injury) and Michael White (having overcome his hamstring problem), back for this decider and this I feel will make a huge difference to the team we saw play and narrowly defeat De La Salle in the semi-final two weeks ago.

Ballygunner are the champions and must be fancied on that account but so far they have had only one real test and that was against Lismore when they came off on top on a 4-11 to 2-14 scoreline. Lismore could have beaten them on the day if they had taken their chances.

In their first round game they beat Shamrocks by 2-17 to 0-6 in a "no contest" match. Then, in the one sided semi-final, they were not impressive in defeating a poor Roanmore team by 3-16 to 0-7.

Mount Sion's hurling has not set the championship alight either and after defeating Stradbally in the first round they went on to defeat

an unimpressive Ballyduff by 2-19 to 1-7. They laboured against De La Salle but were without a few of their best players there.

Fairly well informed sources tell us that Ken McGrath who scored 10 points in the club's opening game against Stradbally on April 23rd, will make a return to the team for the final and if Tony Browne, Barry Browne, Michael White, Jamie O'Meara, Anthony Kirwan in attack and the likes of Eoin and Roy McGrath, Eoin Kelly, Brian Flannery, Gary Gater, Padraigh Fanning, Paul Meaney, goalkeeper Philly Flynn, etc perform to their best in their positions, I feel that they have a splendid chance of winning the first senior hurling championship of the new century.

Ballygunner were at full strength against Roanmore and are expected to field the same side here. They were in splendid form when defeating Mount Sion in last year's controversial county final (proving the fact, I suppose that Mount Sion always bring out the best in them) and will plan to put in a comparable performance on this occasion. This will not be easy against a rejuvenated Monastery side who will have their hunger for victory sharpened with the return of their injured players.

The 'Gunnars, at full strength, will have Ray Whitty in goal, Alan Kirwan, Nial O'Donnell, Rory O'Sullivan, Tom Fives, Stephen Framp-ton and Colin Keogh in defence, Ferghal Hartley and Billy O'Sullivan in the middle of the field and Paul Flynn, Paul Power, Darragh O'Sullivan, Tony Carroll, Mick Mahony and Paul Foley in attack...

That is a formidable line up that to everyone may seem capable of withstanding any challenge from within the county, but I believe that the 'Gunnars will not overcome Mount Sion on this occasion.

## Two Senior Football Semi-Finals The Big Attraction at Fraher Field

### Millennium Gesture

As a millennium gesture by the executive of the county board, all members of the various hurling panels at senior level who reached All Ireland finals will be issued with a pass to all matches in the county for life.

This is a very commendable decision and it is nice to

see these players who gave such sterling service to the county, being remembered and facilitated in this way.

At half time in the county final on Sunday next, the county chairman P. S. O Riain, will formally present Frankie Walsh, who captained the 1959 team with the match passes.

### County Final Arrangements

The county executive have issued a directive to all participating clubs at Walsh Park on Sunday that officials or substitutes must remain seated in the accommodation provided. Standing or moving along the sidelines will not be tolerated and action

will be taken against offenders in this respect.

Admission prices will remain the same as they have been for the past six or seven years, £5 general admission and £3 for O.A.P.'s, students who must have proper identity cards, etc.

Travel passes and other social welfare cards will no

## SENIOR FOOTBALLS SEMI-FINALS

# Nire v. Rathgormack The Big Attraction

It is no secret that most of our football followers in the county are regarding this game as the county final as the winners will undoubtedly be odds-on favourites to take the first senior football title of the new Millennium. When Dungarvan's reign as county champions came to an end in 1992, the Nire and Rathgormack (apart from the one intervention by St. Saviours two years ago) had the championship between them. The Nire were champions in 1993, 1994 and 1997, while Rathgormack, who are the current champions, won in 1995, 1996 and 1999.

During those years these teams have undergone little change and are still fielding the same group of very experienced players. Each has represented us very well in the Munster club championships.

In the current championship race the form of both in their most recent matches has been good enough to suggest that one or other will win the title.

Rathgormack were given a first round scare by Dungarvan who rather unluckily went under by a mere 2 points at Leamybrien. It was 0-12 to 0-10 after a tight contest. I saw them perform

against Ardmore in the quarter final and was very impressed by their good form. In this they certainly showed no signs of being rusty as was suggested in one newspaper preview. Here we saw a fresh and eager Ardmore fighting back with tremendous determination, but the very experienced champions were well in control and able to repel the many attacks set up by the challengers. The final score here was 2-6 to 0-9.

Martin Power, Richie and Kevin Power, Dan Donal and S. Crotty, Victor O'Shea, Denis Hassett, Aidan Power, Tony Bolger, Vin Murray, goalkeeper Pat Fahy, will be among their prominent players and all keen on winning their 4th county title in a matter of 8 years.

In their opening match of the present campaign, the Nire seemed to me to be unlucky to lose by a single point (2-7 to 0-12). They came through the losers group with flying colours and then accounted for Tramore in the quarter final. Their display here was very impressive. Tuned up to the last, they played splendid football and won very deservedly.

Most of their players have

been involved in title winning teams over the past eight years and so people like Pat Walsh, and his namesake Pat, Ian Walsh, Connie and Bobby Power, David Ryan, Paudie Halpin, Martin Walsh, Michael Burns, J. J. Wall, John Moore, Tony Condon, Brian Wall

and company will in no way be concerned by the record of the reigning champions.

### BALLINACOURTY V. KILROSSANTY

Not having met for a very long time in the championship, it is not easy to judge how they will fare against each other.

Kilrossanty, who have won 5 county championships in the past 20 years, last won in 1988 and 1989. They have gone close on a few occasions since and were pipped for the title by St. Saviours in 1998 in a thrilling final.

Luck was on their side when defeating the Nire by a point in the first round and three weeks ago we saw them defeat old rivals, Strad-

bally in a close and well contested quarter final.

They have plenty of experienced players in goalkeeper Alfie Kirwan, Michael Fitzgerald, Brian Lannen, David Kirwan, John and Michael Kiely, Rodger Power, Seamus Veale, Tom Kiely, Nial O'Connor, Pat Hayes, etc., etc and will be expecting to win their way through to another crack at the title.

Ballinacourty, following their two matches with Dungarvan and their first round victory over St. Saviours, must be in here with a chance. They left the title race last season at the same stage after losing to Stradbally in a rather extraordinary match.

Potentially they are a good football side and surviving two contests with neighbours, Dungarvan must mean something and they will test Kilrossanty all the way and might even surprise them.

The Ballinacourty lineout is expected to show little change from the side which defeated Dungarvan on Saturday (see report).

Ballinacourty are the longest of the four semi-finalists waiting for a title. They won in 1978, 1979 and 1981.

**G.A.A. NOTES**

**BY "COMMENTATOR"**

**Minor Football Results**

All four semi-finals were played in brilliant sunshine on Wednesday evening last and with results in all cases, the way is now clear for the divisional finals in both the 'A' and 'B' grades.

**An Gaeltacht 1-13 Dungarvan 2-9**

It would be misleading to describe this as anything other than a thriller from start to finish. The standard of football was good and it was a tremendous contest. At halfway, Dungarvan held a one point lead and stretched this to 5 points in the second half. But showing courage and resilience, the Gaeltacht side fought back to draw level and then edge in front by the narrowest of margins, just before the call of time.

Dungarvan did have several match winning chances, particularly near the finish, but were not able to avail of them.

I thought the policy of running with the ball by a couple of Dungarvan players proved very costly. Over all it was a pity that there had to be a loser here.

**St. Olivers 6-16 Affane 0-3**

The second semi-final in the 'A' proved to be a run away victory for St. Olivers who were in the driving seat from the start and had the game well won by half time with a big lead.

The divisional final involving themselves and neighbours an Gaeltacht is a clash that will be looked forward to with tremendous interest.

**Nire 2-13 Clashmore 0-1**

The final score tells the story of this one-sided game at Cappoquin. Clashmore's challenge proved to be feeble and the match was over as a contest at a very early stage.

**Ardmore 3-12 Brickeys 1-8**

Despite the 10 points difference, this was a good contest and while there was no mistaking the superiority of Ardmore, the Brickeys deserved to be much closer at the end.

The 'B' divisional final now rests between Ardmore and the Nire and this will be another contest to look forward to in the early days of next month.

Both these finals were due to be fixed on Monday night of this week.

**Minor Hurling Semi-Finals**

Both minor championships are moving in tandem and all going well the divisional board will be ready for all four western finals after tonight, Wednesday.

**"A" SEMI-FINAL: AN GAELTACHT V. ARDMORE**

Both clubs came through with flying colours from their respective sections. An Gaeltacht, following a big win over Dungarvan, went on to score against Stradbally and Brickeys. They have already qualified for the western minor football final. This club is coming along in leaps and bounds

But they will have a tough assignment against Ardmore who have had victories over such teams as Colligan, Cappoquin and Clashmore.

I see it as a very open game and either side can win, depending on the form of the night. This is in Fraher Field:

**LISMORE V. BALLYDUFF AT TALLOW**

Lismore's best display to date was when defeating St. Olivers at Clashmore two weeks ago. That was a great display and if repeated it will be difficult for Ballyduff to get through.

Ballyduff's best display was when defeating Abbeyside, but they were also impressive when playing a draw with Tallow in their final match.

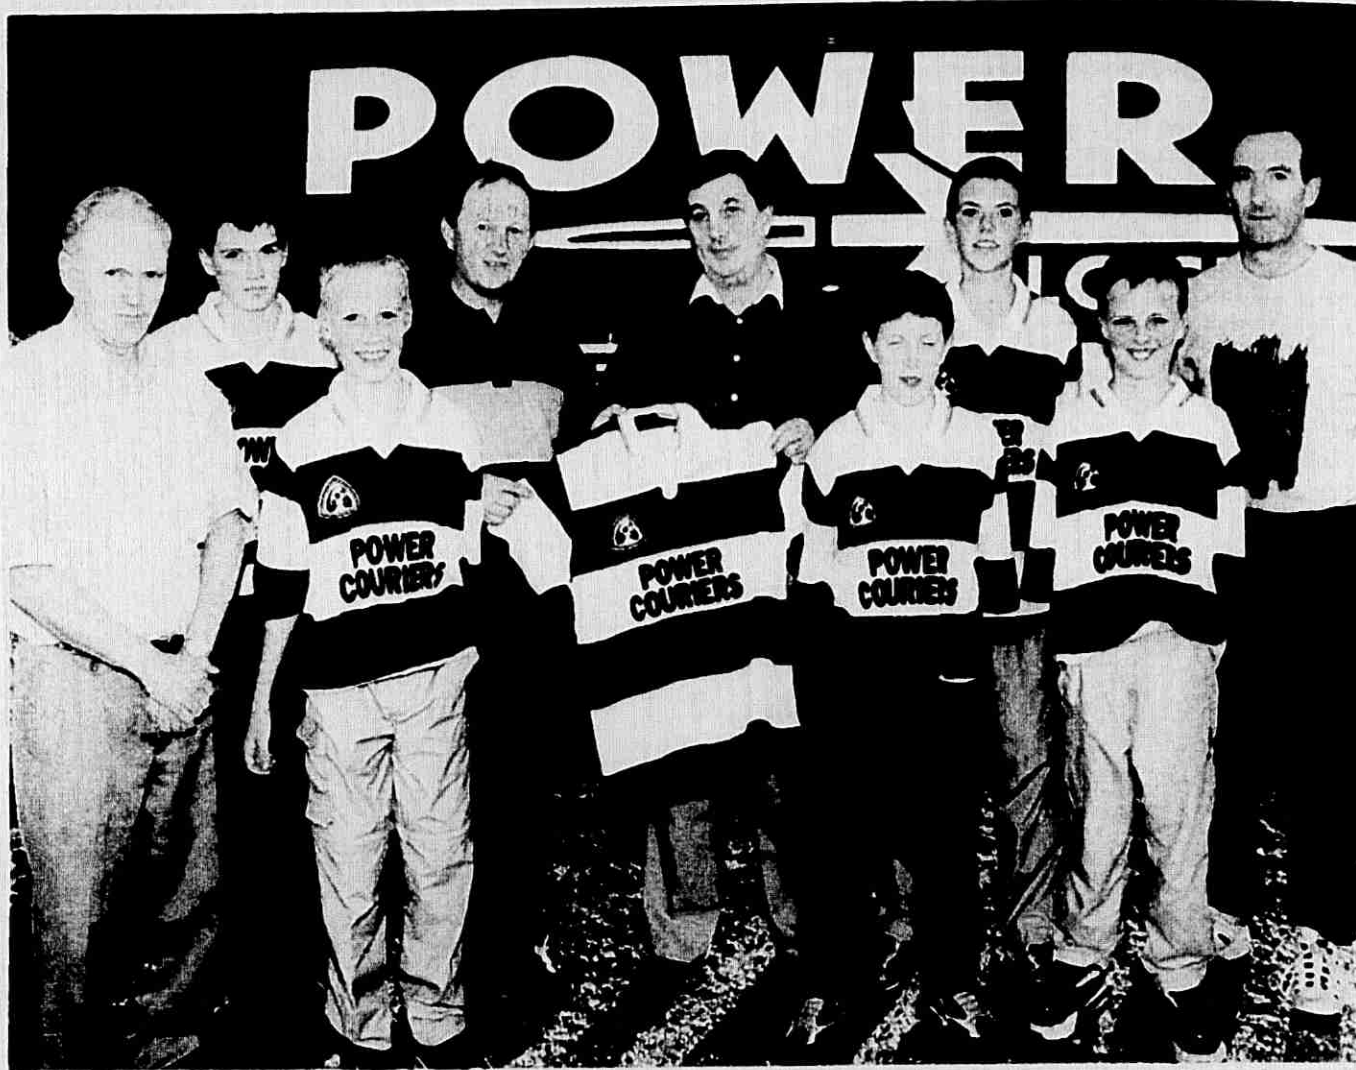

I give a hesitant vote to Lismore.

**THE 'B' SEMI-FINALS**

St. Olivers gave a great display against Lismore and on that form they must have a great chance here. Abbeyside defeated Tallow, but were well beaten by Ballyduff. If at full strength, Abbeyside will make the saints travel all the way. This game is in Cappoquin:

**STRADBALLY V. CAPPOQUIN**

Cappoquin were impressive in their match with Colligan but I do not know how that form would compare with Stradbally's best. As far as I am aware, Stradbally had victories over Dungarvan and Brickeys. This is a very open clash.

**Controversy And Drama In S.F. Quarter Final**

The story of the replay of the drawn quarter final of the senior football championship between Ballinacourty and Dungarvan at Fraher Field on Saturday evening certainly overshadowed everything else that has happened in the county for quite a while. It will remain a talking point until this championship is eventually decided.

Having been at a meeting in Dublin, I missed the game and the action, but I happened to be in telephone contact with the Press Box in Fraher Field at the moment at which the penalty was awarded some minutes from the end of the game and after it had been taken, I was told that the signal from the umpire who had waved it wide, was being disputed and that there was controversy..

In the circumstances, it is difficult for me to comment, but in the interests of readers, I still cannot ignore the matter and am reporting as follows:

With some minutes remaining in the game and Ballinacourty leading by 1-12 to 1-6, a penalty was awarded

to Dungarvan and kicked in by John Power. The umpire, who is a very experienced and high profile man at his job, waved the ball wide. He was closest to the ball after it had been kicked and should have been in a better position than anyone else to decide. However there is and was a very strong consensus of opinion that in this case that he made a misjudgment and that the ball, did in fact go in for a goal.

Following consultation, the referee upheld the umpire's decision and treated it as a 'wide'. Dungarvan players protested vehemently and claimed that it was a goal. If they were correct, then their indignation was understandable as the score would have narrowed the gap to three points and would have proved inspirational and added impetus in their effort to gain a further goal and achieve a draw before full time. A further score was disallowed when the referee judged that a Dungarvan player was inside the small square when the goal was

scored. This, apparently, was a normal refereeing decision and I am not in a position to know why it was the subject of controversy. Both scores, Dungarvan claim, would have drawn the match and sent it into extra time.

That is the Dungarvan side of the story or as one might say 'it is the case for the prosecution.'

In such circumstances, it is considered prudent for the opposition who are the perceived beneficiaries to 'sing dumb', adopt a 'dog in the manger' attitude and wait until the controversy burns itself out. I suspect that this is what Ballinacourty are doing. They have no role to play in the whole drama.

In the case of the disallowed goal for the square infringement, my honest opinion is that in view of the controversy about the penalty a couple of minutes earlier, it might seem likely that the referee would allow the second goal unless he was absolutely certain that an infringement was committed and had it been allowed it still would not have altered the final result.

The net result as far as Dungarvan are concerned is that they are out of the championship after a record seven matches which included three draws. The game itself is sure to remain as a talking point for the life-span of the controversy.

**Under 21 Football 'B' County Final**

This will involve St. Olivers who are the very deserving Western champions and Kilmacthomas who came through with flying colours in the eastern division.

It will be a very entertaining curtain-raiser to the senior hurling county final and with both sides playing before their biggest "audience" ever, they will be expected to give a splendid display of football.

### TANZANIA

We have just received news of the safe arrival of the Kilrossanty school sponsored goat in Tanzania. Both Helping people to help themselves airlifted 150 dairy goats to Tanzania on June 16th. 150 families who had been preparing for them for a number of months joyously received the goats and already some of them have begun kidding.

The Kilrossanty sponsored goat was given to a family of seven children. Bothar wishes to thank the children of Kilrossanty school who raised the £250.

### BALLYDUFF GALA FESTIVAL A HUGE SUCCESS

Huge crowds attended the Harvest Festival and Gala Day in Ballyduff last week-end where there was a varied programme of events for

young and old. The final of the Heineken Pub Talent took place in the Angler's Rest on Saturday night where Lorraine Hannon emerged victorious. The events on Sunday got underway with the Fancy Dress Parade lead by the Thomas Kent Pipe Band and a float on which the contestants for the Millennium Harvest Queen title were carried on.

The Fancy Dress sponsored by Tallow area Credit Union along with Eamonn and Ann Bolger attracted a large turnout of floats, groups and individuals. Despite the heavy showers, the programme of events went ahead as scheduled in the field with the All-Ireland Maera Tug-o-War finals attracting great attention.

The horse and pony show, a new innovation this year put on by Ann and Robin from the Ballyrafter Equestrian Centre was a huge success. The old time threshing, vintage display, obstacle races, side-shows, sheaf throwing, demonstrations etc. etc. all attracted great attention throughout the day. On Sunday night 'The Beat on the Street' presented by W.L.R. fm's D.J.'s. Geoff Harris and John O'Shea was a great draw with the fine weather, an added bonus.

The Harvest Queen Dance in St. Michael's Hall saw a large attendance as "Cheers" provided great music for dancing. The highlight of the night was the introduction of the contestants for the Queen contest to the crowd by Nicola Beresford of W.L.R. f.m. who had earlier interviewed the girls privately.

Nicola announced that the "Millennium Harvest Queen" was Noreen O'Donovan representing Noonan's Quick-pick Foodstore. Twenty-three girls took part and they were worthy representatives of their families and the businesses and organisations they represented. The girls really enjoyed themselves during the week in the build up to the

final night. Congratulations to Noreen on her success and we wish her well in the coming year.
