Jobs Boosts For Old Parish

Waterford Deputy Brendan Kenneally has welcomed the announcement of up to 30 new jobs for the Old Parish area of Waterford, with the arrival of New Century Manufacturing.

Speaking on the announcement Deputy Kenneally said, "The building which will facilitate the company will be provided by Udarás na Gaeltachta and measures 1200 sq. meters. The manufacturing company will make air conditioning units, refrigeration units and display units."

"The Waterford Gaeltacht area is an excellent place for businesses to locate. The area is accessible for transportation, while the workforce are excellent," added the Waterford Deputy.

"I would also like to thank Seamus O'Donnell, who has been in contact with me on this matter from the beginning and who is to the forefront of all developments in that area. Waterford has many advantages and we must encourage and support our Gaeltacht area," concluded Brendan Kenneally T.D.

Sherry FitzGerald Reynolds Offer Holiday Homes Abroad

More and more families in Ireland are buying their own homes in exotic holiday locations according to Dungarvan Auctioneer, David Reynolds of Sherry FitzGerald Reynolds at the announcement of the new service now available through his office in Dungarvan.

Holiday Homes Abroad is now part of the Sherry FitzGerald Group and is a fully Irish owned company specialising in selling quality residential property overseas. As a result of this alliance, Sherry FitzGerald Reynolds can now offer a comprehensive quality service to its clients wishing to purchase holiday homes in Spain, Portugal and Florida.

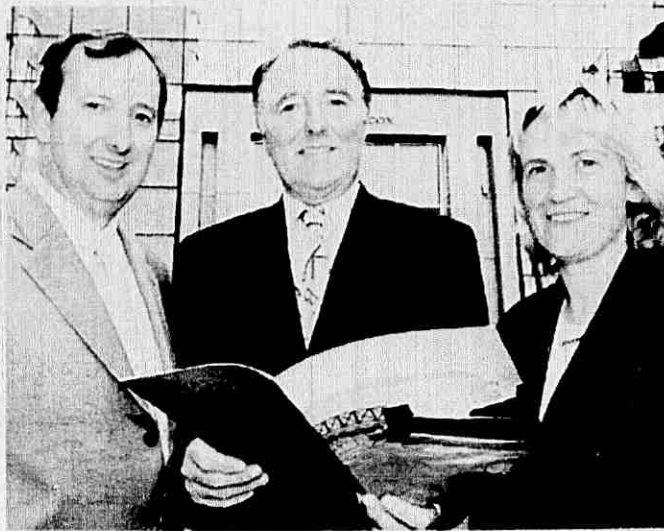

Announcing the extension to his company's services Mr David Reynolds referred to Ireland's booming economy which is enabling more and more Irish people to buy their own villas and apartments abroad.

According to David Reynolds, "as the price of property in Ireland reaches unprecedented heights, the Irish are leading the way in property investment abroad. For many the intention is sim-

ply to spread their investment base but for others the motivation is to have something they can call their own in a different country - a home which can be held for their own occupation or let occasionally to produce rental income. As with all property investment, potential capital appreciation must come into the calculations. The popular locations for Irish investors include Alicante and Marbella in Spain, Orlando and Naples in Florida with the Portuguese market rapidly developing."

Television personality, Mike Murphy, a founder member of Holiday Homes Abroad and now its chairman is of the view that the link with his company and Sherry FitzGerald means that clients all over the country can be assured of a quality service.

"Holiday Homes Abroad places a great emphasis on working with clients to ensure that they receive the best advice at all the stages of the purchase. This mirrors the quality service offered by Sherry FitzGerald Reynolds. Irish people investing abroad can be assured that they are dealing with a reputable Irish company which believes that

David and Gerardine Reynolds of Sherry Fitzgerald Reynolds pictured with Mike Murphy, Chairman of Holiday Homes Abroad (centre).

Irish buyers deserve the best quality service particularly when investing in unfamiliar territory" according to Mike Murphy.

When choosing a property in Spain, location is a very important factor. In deciding on a location it is vital to establish whether you are buying a home or for investment purposes. David Reynolds's advice is that if it is intended to rent out the villa or apartment then it is recommended to buy near shopping and commercial centres, sports facilities like golf clubs and of course beaches. This should ensure a longer rental season and higher rents. But if property is to be used as a family holiday home then perhaps it is better to invest in a quieter location which is more suited to families.

David Reynolds also recommends that when buying a property abroad it is imperative to avail of the services of reputable advisers bearing in mind that the cost of the property does not increase by opting to purchase through a company like Holiday Homes Abroad. If you go it alone you can end up in awful trouble - good advice will save you time and money and will make buying a holiday home what it should be - an uncom-

plicated process. The right advice in the areas of law, finance and taxes in the country you intend to buy in, is an absolute must.

THE HUMAN BODY

THE HEALTHY HUMAN BODY

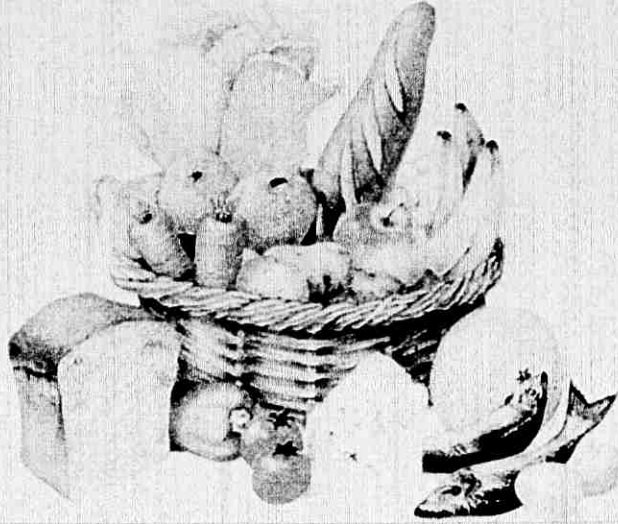

Most people are mostly healthy, for most of the time. We can help to improve our chances of a long and healthy life by understanding our bodies and how they work, and what makes them go wrong.

Numerous medical studies and surveys have shown how our health is affected by various factors — what we eat and drink, how much and what type of physical exercise we take, the everyday activities we take part in, whether we take in harmful substances such as tobacco smoke, the way we relate to our family and friends, and even the way we organise our daily routine.

Most of these factors are under our own control (more or less). So it's up to us to give our bodies the best chance. But there are also factors we cannot change so easily, such as where we live. And we cannot change some factors at all, like the genes we inherit from our parents, which may make us more likely to contract certain diseases.

FOOD AND DRINK

The body needs a varied diet. This includes proteins for growth, body maintenance and repair, starches (carbohydrates) for energy and some fats for energy and maintenance, as well as vitamins and minerals for healthy teeth, bones, skin and other parts. Too much of any single food can cause problems. In general, plenty of fresh fruit and vegetable is helpful. Too much fat, especially animal fats from red meats and rich dairy produce, is not.

MAIN PARTS OF A HEALTHY DIET

Carbohydrates (starches and sugars) — In breads, pastas, potatoes, rice and other grains, especially wholemeal or unrefined types.

Proteins — In plants such as peas, beans and pulses, grains (and so in breads, etc.) and in animal food such as meats, especially poultry and fish, and dairy produce such as eggs, milk and cheese.

Fats — In plant oils such as olives, soya, sunflower and safflower oils, also (but less desirable) in animal meats and dairy produce.

Fibre — In most fresh vegetables and fruits, also unrefined or wholemeal grains and their products such as wholemeal bread or rice.

Vitamins and Minerals — In fresh fruit and vegetables mainly, also most other foods.

Dungarvan Chamber Of Commerce News

CROWNING THE CUSTOMER- ACCORDING TO FERGAL QUINN

Dungarvan Chamber of Commerce is busy preparing for what promises to be THE networking event of the year, when Fergal Quinn will address members of the Chamber at the first "business after hours" session of the autumn. The event will take place on Thursday October 26th at 6.30 p.m in Clonea Strand Hotel.

The topic for the evening will be "Crowning the Customer", an issue relevant to everyone involved in business. We are delighted that Fergal Quinn is taking time out of his busy schedule to share his ideas on this subject.

Customer care and service should be top priority for all businesses today whether involved in the retail, service or manufacturing sector. One of the objectives of Dungarvan Chamber of Commerce is to ensure that Dungarvan is a pleasant place to shop and live in. This year we have already launched the very successful Customer Care and Services awards where each month a local business is given recognition for the level of customer care given to customers.

This event promises to be a very enjoyable social evening where we hope much networking will be done. For more information, please contact the Chamber office at 058-45054.

CHAMBERS CALL ON MINISTER DEMPSEY TO ORDER LOCAL AUTHORITY RATES FREEZE TO HELP COMBAT INFLATION

The Chambers of Commerce of Ireland have called on Environment and Local Government Minister, Noel Dempsey to cap commercial rates at current levels as part of the Government's fight to combat inflation. The call was made recently as CCI published a detailed study on commercial rates that found that businesses in Limerick City pay the highest commercial rates in the country.

The study "The Forgotten Business Tax" shows that the local authorities increased commercial rates by an average of 4.6% this year. Over the ten years 1991-2000, the average increase in commercial rates was 47% while aggregate inflation for the same period was 22%. Two years ago, Minister Dempsey capped the size of the annual rates increase at 5%. Local authorities in Ireland will spend £1.87 billion this year, of which over £455 million comes from commercial rates.

FIRE CAN KILL- ACT NOW TO ENSURE THE SAFETY OF YOUR BUSINESS

Fire safety is simply good business practice. Not only do fires endanger lives, cause enormous damage to property and the environment but they

can also cut profits through lost production time. Fire Safety Week 2000, which this year runs from 9th - 15th October reminds us all to think constructively about fire safety.

During Fire Safety Week 2000, the National Safety

Council is strongly encouraging business owners to take part in some fire safety activity such as internal mailing of fire safety information, demonstration of the use of fire fighting equipment.

In addition, Friday, October 13th, has been designated Eu-

ropean Fire Safety Day. The theme of Fire Safety Day is 'Practice Your Fire and Evacuation Drill' and we are calling on all commercial enterprises across Ireland to mark the day by carrying out an evacuation drill during the working day.

Dungarvan Chamber encour-

ages all businesses to get involved in Fire Safety Week or to plan and to carry out a fire/evacuation drill on Friday 13th. For more information contact the National Safety Council for advice and information on LoCall 1890 200844.

KNOW YOUR RIGHTS

QUESTION

I have heard that there is a new social welfare means test for pensioners. I am a widow on a reduced pension because I have some money in a savings account. Does this apply to me?

ANSWER

Yes, if your pension is Old Age or Widow's Non-Contributory Pension paid by the Department of Social, Community and Family Affairs. This capital assessment test applies to all means tested social welfare payments except Supplementary Welfare Allowance. The means test for these payments takes into account other income you may have and this may reduce your payment. If you have money in a savings account the Department does not look at the actual interest you receive but instead it assesses the capital according to set rules.

Previously the first £2000 was disregarded and the balance was assessed against your payment. However from October 2000 the rules for assessing capital have changed and now the first £10,000 of capital is not assessed. Capital of between £10,000 and £20,000 is assessed as weekly means at a rate of £1 per £1,000. Capital of more than £20,000 is assessed as described in last month's Rights Column.

So, for example, if you are on a Non Contributory Old Age or Widow's Pension and have savings of £16,000 it would be assessed as weekly means of £6. As you may have weekly means of £6 and still receive the full payment you may have savings of £16,000 without your payment being reduced. Uneven amounts are rounded down so amounts between £16,001 and £16,999 are rounded down to £16,000.

Your means will be reassessed by the Department of Social Community and Family Affairs according to these new rules for assessing capital and if your savings amount to £16,999 or less and you have no other means you may receive a full pension.

[This column has been compiled by the Dungarvan Community Information Centre which provides a free and confidential service to the citizen at the Courthouse, Dungarvan. Opening hours: Monday 11 a.m. to 1 p.m.; Tuesday 11 a.m. to 1 p.m.; Wednesday, 7 p.m. to 9 p.m.; Thursday, 11 a.m. to 1 p.m.; Friday, 11 a.m. to 1 p.m. Telephone 058-44633].

MONEYMATTERS

MONEY LENDING AND THE LAW

Have you recently bought goods from someone at your door? Or borrowed cash from a loan company? Do you repay each week to a collector? If the answer is yes to any of the above you may be involved in a money lending agreement. Under the Consumer Credit Act 1995 you, the borrower, have certain rights as well as placing obligations on the moneylender and making certain practices illegal.

Did you know that;

- You are entitled to a proper written agreement when borrowing money.
- You also should get a repayment book which should be correctly filled out.
- It is illegal for a moneylender to grant a loan to clear an existing loan.
- It is also illegal for the moneylender to contact you at your place of work without your prior permission.

It is illegal for a moneylender to trade without a licence. Someone who carries on the business of moneylending without a licence is engaging in a criminal act. One simple way of checking is to ask the person to show their licence. Avoid borrowing altogether from a person who does not hold a licence as they are unlikely to carry out their business in according with the provisions of the Consumer Credit Act.

Tallow Multimedia Centre Get's Results

Having opened in February Tallow Multimedia Centre (TMC) has already proven itself a success. Last week one of their first clients completed and passed all seven modules of the ECDL course (European Computer Driving License). Tom Finn has been attending the centre regularly over the past eight months and has clocked up 51 and a half hours using the Skill Vantage interactive learning programme. Tom is keen to continue at the centre with advanced studies in Web design. The staff and board members of TMC were delighted to have been able to present Tom with his ECDL certificate on Thursday evening.

Tallow Multimedia Centre is getting ready for its big official opening. Although the centre has been open since February due to its instant success there has been little time to have a grand opening. Next month however the busy staff have managed to pencil in a date to launch what has already become an integral part of Tallow's business community. Since open-

ing in February the centre already boasts of students passing all their E.C.D.L (European Computer Driving License) exams.

The Centre which is fitted with up to the minute high tech computer systems allows students to learn all aspects of computers from basic

to complex theory. Each computer is fitted with personal headphones so that each student is individually tutored at their own pace, as they themselves direct which speed they progress at. Open six days a week T.M.C has already begun to make a difference in people's lives as

students from 11 to 80 years of age have joined the throng of happy computer users. Technology may be scary but at T.M.C they make it easy!

ARISTOC

Hot Off the Press!

Aristoc Has Seen the Future - The Future is Not Orange!

Peel off and feel fruity with Aristoc's revolutionary new Slimline System designed to minimise the Orange Peel Factor and make the most of women's legs.

A natural solution to an everyday problem which will help women avoid expensive cosmetic treatment, Aristoc's Slimline System uses sea minerals extracted from marine plants to reduce dimpling and improve skin tone. Tights are treated with the micro encapsulated ingredient and begin their unique work upon contact with the skin. Available in a starter six pack, the tights can maintain effect on the skin for up to four washes. They should be worn daily for three weeks to achieve maximum effect.

Clinical trials conducted during a two year period with a leading French laboratory have identified the following results when Aristoc's Slimline System was trialed with women for a 21 day period.

Day 1 - the unique massaging effect begins to work on legs and bottoms.

Day 10 - following continuous daily wear, skin looks and feels smoother with a visible difference.

Day 21 - Skin texture is significantly improved following the combined action of the massage effect and special micro encapsulated extract.

Women in the research groups said overall, their legs looked and felt smoother and observed a noticeable decline

in the Orange Peel Factor! They loved the product and enjoyed the added bonus of Aristoc's waist to toe graduated compression knitting, which helps boost circulation, combined with the stylish look of the Slimline System tights.

These tights are set to become the most essential hosiery product for women who can now keep the zest and lose the peel!

They are currently on sale in Shaws, Dungarvan in 3 colours - Black, Nude, Elusion. Selling price is £24.99.

Sunday, 8th October
27th Sunday of the year
Readings: Gen. 2:18 - 24;

Jesus rebukes the Pharisees for their hardness of heart. He calls children to Him and blesses them. We too come to Him, as little children asking His blessing. We are reminded that relationships especially marriage requires a lot of energy and sacrifice if they are to work. We are called by God to love another and work hard to

keep our relationships healthy.

Delicious Pork Lion with Sauce Diane

THIS dish is a variation on the steak version – just as tasty and much cheaper!

Ingredients:

- (Serves 6)
- 6 pork medallions from loin, each about 150g
- 6 x 5ml sp seasoned flour
- 1 x 15ml sp oil
- 15g butter
- 200ml orange juice
- 1 x 5ml sp dry mustard
- 2 x 15ml sp Worcestershire sauce
- 1 clove garlic, crushed
- 1 orange, peeled and sliced
- 2 x 15ml sp chopped parsley to garnish

Method:

CUT the outside edge of each medallion to prevent curling, then secure into a round shape with a skewer. Dust each medallion with the seasoned flour.

Heat the oil and butter in heavy frying pan and cook the medallions until brown on both sides. Remove from the pan and keep warm under the grill. Drain off the excess fat

from the frying pan, add to it the orange juice, mustard, Worcestershire sauce and crushed garlic and simmer for about three minutes. Add the slices of orange and reheat with the pork

medallions, coating each one thoroughly with the sauce. Serve immediately with the chopped parsley sprinkled over the top and garnish with orange slices.

Beef and Broccoli in Oyster Sauce

Ingredients:

- 4 servings
- 375g steak
- 6 green onions, chopped
- 1 x 15ml sp soy sauce
- 1/3 cup water
- 1 x 15ml sp rice wine
- 450g broccoli florets
- 2 x 15ml sp water

FOR THE SAUCE:

- 1 x 15ml sp cornstarch
- 2 x 15ml sp oyster sauce
- 1/8 cup vegetable oil
- 1 x 15ml sp soy sauce
- 3 cloves garlic, minced
- 1 x 15ml sp rice wine
- 1 x 5ml sp chopped fresh ginger root

Method:

Cut meat across the grain into very thin slices. Place in a bowl and combine with soy sauce, rice wine, water and cornstarch. Allow to marinate at least 10 minutes. Mean-

while prepare remaining ingredients and stir together sauce mixture.

Heat oil in a wok or large skillet. Add meat and cook, stirring constantly, until meat is about 75 per cent cooked. Remove and reserve. Scrape out pan if necessary and return to heat.

Add another 2 tablespoons of oil if needed and heat. Add garlic, ginger and green onions and cook 30 to 60 seconds until fragrant. Stir in cut-up broccoli and add water. Cover and cook for 3 minutes. Re-add beef to pan and combine well. Add sauce to mixture and bring to boil.

Cook until thickened and beef and broccoli are cooked through.

Serve with steamed rice and stir-fried vegetables.

American Style Steak with Rye

DELICIOUS, tender sirloin steaks sumptuously cooked in traditional American recipe whiskey sauce.

Ingredients:

- 4 servings
- 4 sirloin steaks (250g each)
- 8 green onions, chopped, or 1 small onion
- 3 x 15ml sp flour
- 1 stick butter
- 1 lemon, juiced
- 1 x 15ml sp beef extract
- Salt and pepper to taste
- 1/2 cup rye whiskey

Method:

Melt the butter in a large saucepan. Wipe the meat with a damp cloth, pat dry and coat with the flour.

Over a high heat, fry the steaks on both sides according to how rare you like

them cooked.

Remove the steaks, put aside and keep warm. Reduce the heat to medium, add the chopped onion and sauté in the remaining butter and steak juices until golden.

Add the rye, beef extract, lemon, salt and pepper.

Reduce the liquid by half while stirring. Then, place the steaks back into the pan for a minute to reheat, turning them once.

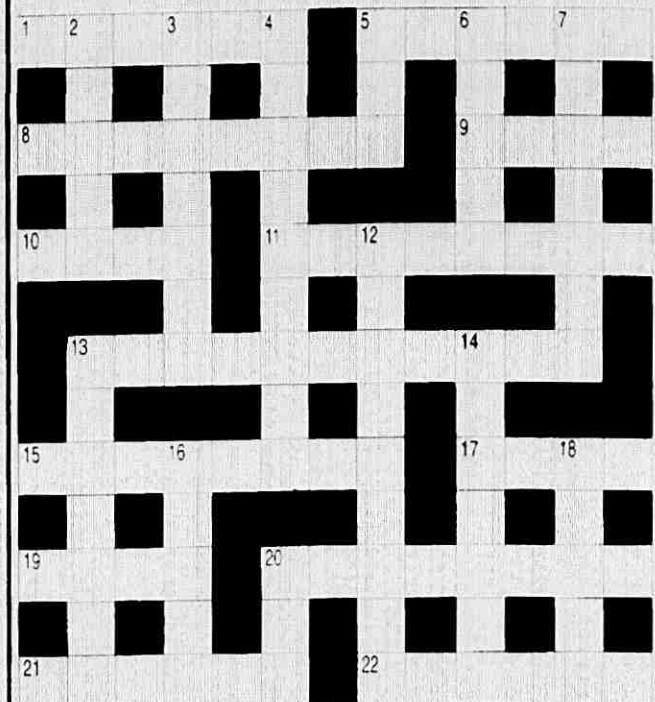

Remove the steaks, place on a serving platter and pour the sauce over them.

This meat is best served with a large jacket potato and butter, seasonal vegetables and a dry white wine.

Health Tips from Remedies

Viola Tricolor (Wild Pansy)

USES: Eczema, non-specific skin rashes, cradle cap.

This plant is familiar to many people. Not many know, however, that herbalists have for many years, taken advantage of its distinct action on the skin.

HOW IT WORKS: Viola contains saponins. These 'soap-like' molecules are able to soothe inflamed areas of skin. The saponin content also make Viola an eliminative remedy. Blood flow to the kidneys is enhanced, as is the elimination of toxins. Viola also contains high levels of flavonoids, which have the ability to stabilize capillary membranes. This is an important consideration in inflammatory conditions of the skin.

LADIES CLUB

Modeligo Ladies Club wish to thank most sincerely all those who contributed and attended their most recent coffee evening. Your kind donations are greatly accepted to help Waterford Hospice Movement in their very caring work.

ALL-IRELAND Mayo 3-6 Waterford 0-14

After putting up a brave battle Waterford were unlucky to be beaten by the

narrowest margin in the Ladies Football Senior All Ireland Final. Mayo retained the title after a well fought match which was enjoyed by a large crowd.

Well done to Na Deise ladies Olivia Condon, Marion Troy and Angie Walsh who played their usual excellent game. Looking forward to next years campaign and bringing back the Brendan Martin Cup to the Deise.

MODELIGO SOCCER NOTES

The club will play their first league game next Sunday in Tallow against Brideview at 11.30a.m., it would be nice to get off to a good start as a good beginning is half the battle. We have played a good few matches. We took part in the Affane

tournament and lost in a penalty shoot out in the semi-final to Pinewood. Thanks to the Affane club for the invitation and well done to all concerned.

We took part in the Tony Bolger cup losing to Kilworth in the first round 1-0 and were well beaten in the plate by an Gaeltacht. The club has used a lot of players both young and old and I think if we could get the blend right the future would look good for the club.

The club are selling tickets at the moment and all tickets must be returned on this Friday to any committee member, tickets £20 each.

The club would like to thank John Hourigan for sponsoring a set of jerseys.

Dungarvan Brass Band Notes

SCHOOL VISITS

It's not everyday that the sound of the "James Bond Theme" or Melanie C's "I Turn To You" echo through the corridors of your local primary school. On a recent Monday morning however, there was a pleasant surprise in store for the pupils of three local schools when the band visited to give a 30-minute performance. The music performed was chosen to introduce the band to a young audience, and judging by the positive reaction from pupils at each of the schools certainly seemed to go down well. We would like to thank the principals and staff of St. Mary's National School, St. Joseph's

C.B.S. and Carriglea National School who made it possible for us to visit on the day.

TABLE QUIZ

Our annual series of Table Quiz nights began on Thursday last with pupils from 3rd and 4th classes battling it out for the prizes. Quizmaster on the night was Mary Ashe and with the help of band members and parents the evening turned out to be a great success. The winning teams were from the following schools — 1st Coolnasmear National School, 2nd Scoil Garbhain, 3rd Kilrossanty National School.

The 5th and 6th class quiz will be held tomorrow night (Thursday, Oct. 5) at Ard Scoil na nDeise. Noel Brennan will be

asking the questions this time round. We hope to see a good turn out at 8 p.m. for what promises to be another battle of brains. The entry fee is just £8 per team of four and in addition to the main prizes there are numerous spot prizes to be won.

NEW MEMBERS

The band is about to start music classes for boys and girls from the age of 9 upwards. Classes for new members are normally between 30 minutes and an hour in length and are held once each week. Anyone interested in learning to play a brass instrument should come along to the bandroom on either this Sunday at 12 noon or Sunday at 7 p.m. to find out more.

Picture shows Scoil Gharbhain who came 2nd place in the table quiz (3rd and 4th class) — (l. to r.) Emma Ni Dhiomasaigh, Siobhan Ni Mhuirithe, Siobhan Nic Carthaigh, Caoimhin O Dhuthaigh.

Photo shows Coolnasmear N.S. winners of the Dungarvan Brass Band table quiz (3rd and 4th class) (l. to r.) Aoife Dunford, Jennifer Hurley, Anne Marie Moloney and Lucy Curran.

Kilrossanty N.S. who came third in the Dungarvan Brass Band table quiz (3rd and 4th class) — (l. to r.) Kieran Smith, Olivia Fennell, Marie Keating and James Loneragan.

DIAMOND JUBILEE OF RELIGIOUS LIFE

Four generations of the Halpin Family gathered in Dungarvan on Saturday 26th August to celebrate the Diamond Jubilee of Sr. Mary Ida's religious life in the order of the Holy Family. Fr. John Delaney celebrated Mass in Kilrossanty Church followed by a special party, held in the Gold Coast Hotel, Ballincourty. Over eighty family members travelled from across Ireland, England and even as far as New Zealand, to be present at the special occasion.

Horoscopes with Ali

This week's horoscopes are provided by Ali, one of Ireland's most gifted mystics.

For a more complete reading dial the 1550 number listed beside each star sign.

ARIES Mar 21 to April 20

This is a week to search for serenity. You have had enough of chaos. Make a pact to balance your quest for material wealth with personal happiness. A life goal you secretly longed for will be in sight soon. Situations are set to get interesting and others around you are bound to be envious. In love, you are confused. Words will speak louder than actions. **Telephone 1550-920-257** for a detailed astrological update.

TAURUS April 21 to May 21

To be truly happy, the Bull must observe the line between determination and obstinacy. Avoid digging your heels in for the sake of it and see where it would benefit you to give way. Delve into the secret language of dreams and see what you are saying to yourself. This week hitch your wagon to a star and follow a dream. Professionally, you need options but may have to create them for yourself. **Telephone 1550-920-258** for details.

GEMINI May 22 to Jun 21

Make note of your dreams in a journal. A record of nocturnal travels can prove illuminating and provide a map for daytime directions. Ever socially in touch, you are aware of those who are disadvantaged. Marry yourself to a worthy cause. You can make progress in all endeavours by establishing clear targets and long-term goals. You no longer have the time to be vague as a deadline looms. **Telephone 1550-920-259** for a full analysis.

CANCER Jun 22 to Jul 22

This week, go on a for the strange and unusual. You are bored with routine and crave change. Say "no" to a tug-of-war with those who wish to cause conflict. Use your charms to win support and to persuade. Many fall under the spell of your sweet and persuasive voice. Someone is hanging on your every word so be careful of what you say. Hear more of what I have to say about the coming week on **1550-920-260**.

LEO Jul 23 to Aug 22

Concentrate on finishing works already in progress before rushing off to start something else. Be willing to listen and learn from those older and wiser. In love, take the initiative. Romance is happy when life isn't too serious and you can have fun. Prune back extravagant ways and recognise your limitations. You are susceptible to excess and overload. A review of your financial affairs is in order. **Telephone 1550-920-261** for details.

VIRGO Aug 22 to Sept 22

Cool your heels in a relationship and aim for response rather than reaction. Inspiration abounds through the week but it is so important to put those ideas into action. Strike while the iron is hot. Your need for security becomes an overwhelming passion and you are ready to move mountains. Postpone upheavals and take comfort in the sanctity of proven friendships. **Telephone 1550-920-262** for an in-depth astrological assessment.

LIBRA Sep 23 to Oct 23

Money matters are your priority and you have to work at getting a better deal. Stop letting others off the hook and demand fair play. Let someone know what you want. Not everyone can read minds. Psychic batteries need a recharge. Amble through a favourite park, find yourself in a spiritual book. These are thoughtful times and you feel the need to review your past. **Telephone 1550-920-263** to hear more about what is in store.

SCORPIO Sep 23 to Oct 23

You will have to adjust your life before too long as you are on the threshold of something new and exciting. Change is in the air and you need to get rid of loose ends. Avoid making hasty decisions as timing will be of the utmost importance. You are attracted to lively types. Grab an opportunity to expand your circle of friends. A playmate could become a life-mate. **Telephone 1550-920-264** for more astrological news and views.

SAGITTARIUS Nov 22 to Dec 20

Go with changing times. Despite advice to the contrary, be sure to follow your own instincts, especially in love. Right through the week, you are in the mood to party. You want to have a good time and you don't expect or want anything more serious. But the question is, do others want the same? Your intuition will clarify issues that are causing confusion. **Telephone 1550-920-265** for more on love and luck, work and money.

CAPRICORN Dec 21 to Jan 20

Aim for goals you thought were out of your reach. If you feel that your love life is in limbo, don't be discouraged. This is a passing phase. Practise some of that earth sign patience. Acknowledge that you have been hurt. It is natural and even okay to hurt. Pain is nature's way of telling us that we need to heal. Then you can begin the healing process. Catch up on correspondence. **Telephone 1550-920-266** for further insights.

AQUARIUS Jan 21 to Feb 19

Of recent times you have had a change of heart and you are feeling good about your new focus. Dream of the future and concentrate on the present. Accentuate the positive. Without being phoney, find the positive in all situations. Start catching up on all those bills and obligations otherwise pressures will continue to mount. Unsure where to start? At the beginning, doing one thing at a time. **Telephone 1550-920-267** for further details.

PISCES Feb 20 to March 20

Secure family surroundings make you feel safe and home is where the heart is. This is a week to take nothing for granted. Question everything and don't rely on those who are vague. It is a favourable time for professional moves and job searches. Consider your options and avoid staying with what is safe. Change takes courage. Wear your heart on your sleeve so someone knows your intentions. **Phone 1550-920-268** for more on love and luck.

Time To Get Up and Deck Out!

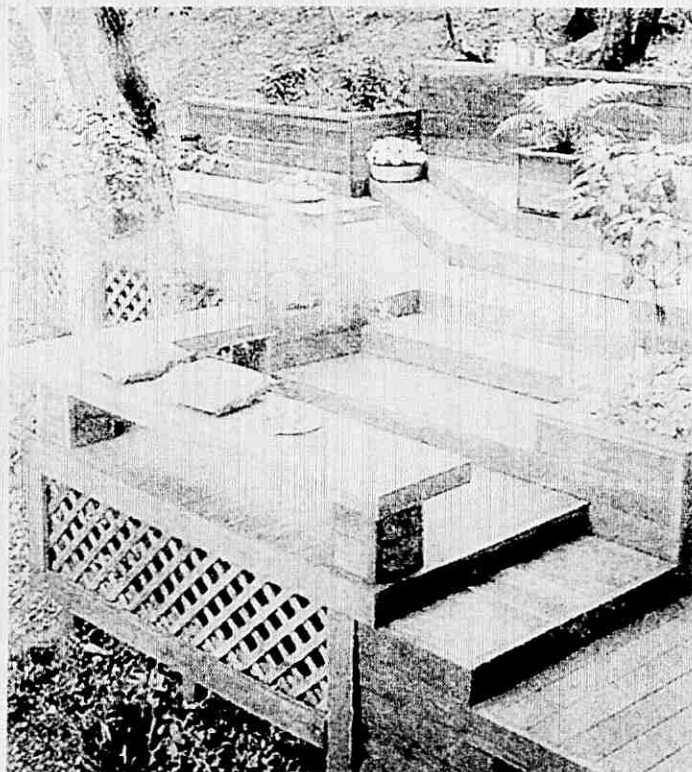

ARE you fed up with your untidy concrete patio? Tired of faded and cracked paving slabs? Sick of weeds and crumbling brickwork? Do you have mud and dirt trodden into the house? Then how about an affordable recreation area that will still look good in 10 years' time?

Before you start relaxing this weekend, why not take a while to appreciate the great outdoors and deck out your garden instead? The latest "must have" garden feature, timber decking brings a really appealing rustic feel to even the smallest garden and can be used to create the perfect patio or cover up one that's seen better days. Best of all, it is quick and easy to lay especially if you're a dab hand at DIY.

Before you start, prepare a plan of your proposed deck by doing a sketch on a piece

of paper. A basic deck consists of two elements - a bearer frame and the deck boards which cover it. The bearer frame is designed to provide a perimeter for the deck and accommodate supporting bearers placed at 500mm intervals. It is important to remember that the size of the deck boards (2.4m x 140mm x 28mm) and the required 5mm gaps between them (to allow for drainage and expansion) will determine the size of bearer frame you will require.

Both the frame and the supporting bearers should be constructed from 3-metre deck bearers nailed together using 150mm nails. Once that's done, attach the deck boards using chipboard screws where the deck board meets every bearer. Finally, prepare the ground by removing grass and applying a weedkiller or, in areas which are soggy or likely to become so, by laying pea

CHRISTMAS ROSE: Helleborous Niger

shingle to a depth of 25mm. Although most deck bearers and deck boards are CCA treated for resistance to rot and insect attack, it's worth

treating cut ends with wood preserver.

How much will you need to budget? A basic deck measuring 2315mm x 2315mm

should cost around £160.

There are loads of accessories and extra items you can add to your deck to make it look that little bit more eye catching - including handrails, wooden benches and pot plants. If you are feeling adventurous, try building a deck around your pond or swimming pool, or designing it around building a pergola or spa.

Remember to take safety precautions when working with timber products, such as wearing gloves to avoid splinters and a nose and mouth mask to avoid inhaling dust when cutting.

Do not use any off-cuts as fuel for a barbecue as they have been treated with preservative. Finally, deck boards, like any natural timber, can expand and contract depending on conditions. It is best to leave them outside for a week before constructing your deck. This will enable them to adjust to the atmosphere.

Benefits of decking over a patio

■ The texture of the wood is gentle, not harsh, so it looks great all year round and has a softer warmer feel. It's safer for children, too.

■ Decking can last for over 25 years with maintenance not required apart from sweeping clean occasionally.

■ The deck level is at the same level as your patio doors so it is wheelchair and elderly friendly.

■ Decks allow immediate use after rainfall as they self drain and are always clean, so no dirt or mud is transferred to the house.

DANE DELIVERS SONIA'S SILVER!

Strange but true. Through the combined efforts of messrs Kiely and Ryan, the entire school was afforded the opportunity of watching Sonia O Sullivan's silver medal win in the Sydney Olympics 5000 metres last week. Nothing too unusual about that, I expect you to cry. True, as most of the school-going country seems to have been watching the event.

Our viewing was, we might reasonably feel, just a bit different. Despite the highest standards of fibre-optics and so on available in the school, there was still the not inconsiderable difficulty of mounting an aerial which worked on the T.V. in the assembly hall. As race time approached, with the likes of Mr Kiely and Conor Power failing miserably to achieve a decent reception, forward stepped Dane Power of Fifth Year into the breach. Not alone did he fix the offending aerial in position but also remained holding it in that position for the duration. Rarely in the intermittent history of televised sport at the C.B.S. has so much been owed by so many to so few. Take a bow, Dane.

HARD LUCK, JAMIE

This writer stayed up well after Cinderella's bedtime last Thursday night to catch a glimpse of Jamie Costin's Olympic debut. What a pity that RTE saw fit to cover other items, such as e-mails about weight lifting, just as the race began, causing me to resort to the BBC's coverage. It was great to see Jamie in action. Things went fine for the first 30 kilometres or so but after that the conditions took their toll heavily on him, the day being a scorching 34 degrees, the second hottest September day on record in Sydney since 1850. Jamie's dehydration was such that he needed to be placed on a drip afterwards, though his subsequent recovery seems to have been thankfully complete.

While he may have been ultimately disappointed with his time of 4 hours 24 minutes, Jamie owes no apologies to anyone for his efforts. The sacrifices that he and other Irish athletes have made, in terms of time, energy and money, in order to represent us in the Olympics deserve nothing but the highest of praise. Unfortunately, too often their efforts have been overlooked or relegated to the peripheral columns of our newspapers. For Jamie Costin to be able to say that

he competed in Sydney, finishing 38th in the World effectively, is something really special. We at the CBS heartily congratulate him and hope to see him in Athens in 2004 as well.

A BUSY SPORTING WEEK AHEAD

While the Sydney Olympians may now be heading for a period of rest, our own sporting cohorts are just getting into the swing of things. On Friday last, the Under 14's had a challenge game against Mean Scoil San Níochlas of An Rinn as a pipe opener to the new season. Last year's Under 14's still have to play the final of the plate competition in the Rice Cup against Abbey CBS, former school of somebody called Nicholas English. That match should go ahead in the coming weeks.

The Senior hurlers were all set to take on Douglas Community School in the Munster Championship last Wednesday, but weather conditions intervened. The refixture should also go ahead soon. The Under 16 1/2 hurlers are also due to face St Caimans of Co. Clare in their championship during the week, while the Under 15 footballers will shortly be taking on Middleton CBS in their championship. As we go to print, no definite dates have been set for these games, but we'll keep you posted on how things develop.

INDOOR LEAGUES

In the First Year table tennis competition, Shane Whelan has begun to emerge as one of the favourites, being unbeaten in all three games so far. Will the pressure get to him? In pool, Eoin Brackett is already through to the last sixteen after a win over Kieran Gee. I can't recall whether Eoin's pool skills are inherited from his dad's days in Cappoquin or not!

In Third Year pool, Owen Keane, Richie Kiely and James Cliffe are already safely through to the last 16. Much more news on matters indoor next week.

AND FINALLY...

Just in case there was the slightest chance that anyone here would forget Raymond Connery from last year's Sixth Year, someone has very kindly placed a photo of the Geraldines man in Irwins front window. For all prospective attenders at future Debs' balls, a good look at the elegance, sophistication and suave charm exuded by Ray in his monkey suit is a must. I'm thinking of sending out photocopies to my friends with the caption 'I once taught him' on the back!!!

Ard Scoil Mass To Open New School Year

On Friday 22nd September Ard Scoil na nDéise was en fête. At 10.30 a.m. the Millennium Garden was inaugurated. The blessing was performed by the school chaplain, Fr Paddy O'Reilly, OSA. Present were members of the Parents' Council, Board of Management, teachers and representatives of the students.

The Millennium Garden was the special project of the Parents' Council, under the chairmanship of Mr. David Kiely. The students and staff of the school are grateful to the Parents' Council for the commitment and hard work invested in the project.

At 12 noon Fr O'Reilly celebrated Mass in St. Mary's Parish Church to mark the

beginning of the new school year. All strands of school life were represented - parents, students, teachers as well as members of the Board of Management and the Parents' Council. Music was provided by the choir, some soloists and by instrumentalists under the batons of Ms Joan Collins and Ms Maria Whelan.

During the Mass, the new Cairde girls were commissioned. The Cairde girls is a leadership group of 6th year girls who contribute greatly to the life of the school especially in helping 1st year girls to settle in to secondary school.

To celebrate the excellent results of last year's Leaving Cert and Junior Cert classes a half-day was proclaimed.

Meningitis C

*It's a serious illness,
but a new vaccine now
protects against it!*

Parents of all other children 0 - 4 years inclusive will be receiving an information leaflet, together with an invitation/appointment to attend their family doctor.

- 15 - 18 year olds in full-time education (2nd or 3rd level) will be contacted by their Health Board through the education system.

- 15 - 18 year olds not in full-time education should contact their Health Board.

Immunisation is free.

If you require additional information, please note that the South Eastern Health Board helpline number is 1800 49 49 50 - the helpline is open from 9.30 a.m. to 5.00 p.m. Monday - Friday.

Closure of Refugee Reception Centre, Mitchell St., Dungarvan

Dear Sir/Madam

As you may be aware, the centre will be closing shortly as the repatriation programme is drawing to a close. Since mid July, a number of flights have taken place, departing from Shannon, bound for Pristina. In total 97 refugees will have returned home from the Dun-

garvan Centre by the end of September. Included in that number are three baby boys, born in Ireland and thus natives of Dungarvan!

Please allow me the use of your columns to thank the people of Dungarvan most sincerely for their kindness and generosity over the past 16 months. It's hard to be-

lieve that we are here since May of last year as the time has passed so quickly.

From the outset, the people of the locality, welcomed the Kosovars with open arms and a tremendous sense of warmth and understanding of the plight which they faced. We were inundated with donations of clothes and toys etc and everything was put to good use and appreciated deeply.

On behalf of the residents and staff, a big thank you to all in Dungarvan. The residents are returning home with fond memories and new friends. They have had time to come to terms with horrific treatment they endured during the war and have now regained their dignity and have found hope for the future.

The people of Dungarvan have contributed to this in no small way.

With sincerest thanks,

Bob O'Brien
Centre Manager.

MELLERAY NOTES

HOLY YEAR CROSS - ANNIVERSARY

This year marks the fiftieth anniversary of the Holy Year Cross situated at Knockboy, Mt. Melleray. Fifty years ago, a public meeting was held in Melleray with a view to erecting a cross. A large crowd attended and due to immense local interest in the venture, it was decided to raise money for funds by holding Ceili dances in different venues - Cappoquin, Lismore, Ballysaggart. Funds raised at these events were used for the purchase of gravel and cement. A large number of people from the locality were involved in the building of the Cross, including students attending the college in Melleray at that time: they played their part by bringing gravel and cement to the top of the hill in bags. The cross, which was completed in 1950 was officially blessed in the Spring of 1951 by Rev. Fr. Conleth O.Cist. assisted by Fr. Gerard O. Cist., (deceased) and Fr. Senin O. Cist. (deceased). A large number of people attended the ceremony.

In 1981 the first Mass took place at the Cross in Knockboy to mark the year of the disabled. Rev. Fr. Tom Paul Geary celebrated the Mass. A further Mass was celebrated in 1987. In recent weeks it was decided that it would be fitting to mark the 50th anniversary of the building of the Holy Year Cross with a Mass in Knockboy. During the past number of weeks, members of the local community, many of whom are descendants of those involved in the building of the Cross have been putting in a tremendous

effort to clear the path towards the Cross and are in the process of painting it to ensure that all will be ready for Sunday Oct. 8th when Mass will be celebrated there at 3 p.m. It is envisaged that all who wish to attend the Mass will be at Mt. Melleray Abbey at 2 p.m. and walk together in procession following the path which leads to the Cross. However, this will depend on favourable weather conditions. All are looking forward to this momentous occasion and as it falls in the year of the new millennium, it makes it all the more special. For further details, contact numbers are as follows:

G.A.A.

On Friday week last we played our first round in the losers group section of the

Junior

"B" Football when we played Cappoquin. We were victorious on the score-line, 1-6 to 5 points. It was a tough encounter and the result was achieved through sheer determination. Our backs on the night were outstanding, whereas our forwards were guilty of some wayward shooting and the game should have been out of reach rather than struggling to the final whistle. We still remain in both hurling and football and training continues as usual.

GLENVIEW UTD. A.F.C.

The season opened with the Tony Bolger Cup game against Premier division, Lismore. After a very hard-fought game, Lismore came out on top by two goals to nil. This meant that we played our second game in the Plate

competition in which we came up against Pinewood. We came out on top in this game on the score-line 3-2. We then went on to meet Accrington Celtic in the semi-final. A close contest in which we created many scoring chances. Accrington came out on top on a 2-1 score-line. We now turn our attention to the league.

WEDDING BELLS

Congratulations to Mary Byrne and Jim Coffey who were married recently. Wishing them both every happiness in the future.

CONGRATULATIONS

Congratulations to Sean and Eilish Murphy on the birth of their baby daughter, to Pat and Martina Halley on the birth of their baby son and to Ned and Noreen O'Rourke on the birth of a baby daughter.

LADIES FOOTBALL

Well done and hard luck to Niamh Barry (6th Year) who played such an excellent game in Waterford's unlucky defeat to Mayo in the All-Ireland Ladies Football Final. Hard luck also to Ciara Prendergast (6th Year) who was also part of the panel.

HURLING

Senior Hurling gets into full swing in the next week with the Waterford Championships versus Mt. Sion, fol-

lowed by the opening of our defence of the Munster Senior "B" title versus Bishopstown, Cork in Youghal next Wednesday at 1.30 p.m.

Following our marvellous win last year, we hope to get our season off to a good start.

MUNSTER MULTI EVENTS - ATHLETICS

On Wednesday last six of our multi-talented athletes travelled to Kilbarry to compete in the Munsters. All athletes competed in five events

including hurdles, high jump, long-jump, shot-putt, 200 m or 800 m.

Our athletes included Michael Flynn, Anthony Foley, Jamie Hawan, Amanda Veale, Rachel Butler and Edel Morrissey.

M. Flynn had very high placings in the 200 m and high-jump. A. Foley was placed in the 800 m, along with Jamie finishing second. Amanda Veale finished 3rd in the 800 m, while R. Butler jumped superbly in the high-jump. E. Morrissey won the shot-putt, 2nd in the 800 m, and 3rd in the hurdles.

Edel finished 4th overall to take her to Santry on Saturday to compete in the All-Ireland multi-events. Well done to all our athletes.

EQUESTRIAN

The Kilkenny College Inter Schools Horse Trials Championships took place Sunday last Sept. 24th at Kilcooley Abbey, Gortnahoe, Thurles. There was a Senior and a Ju-

nior competition. Seventeen teams took part in the Junior Competition. St. Declan's was represented by Lisa Whelan who was on a team with Ciara Power, Mercy Convent, Waterford and Denise O'Brien and Philip Kinsella representing F.C.J., Bunclody. Following dressage and show jumping they were in 2nd place behind last years winners Colaiste Bride which teamed up with St. Peter's College, Wexford.

The cross-country was challenging with a lot of the senior fences included. Lisa and another team member Ciara Power went clear but unfortunately the other team members picked up 66 and 80 penalty points. Lisa Whelan achieved 1st place in her arena for dressage. These were the only Waterford representatives in the Junior Competition. As an individual, Lisa came 2nd overall. Good luck to them at Marguerite Lodge on Sunday Oct. 8th.

NUPTIALS

Comhghairdeas do Maire Seo Breathnach, Coolroe, Sean Phobal and Seamus Keevers, Ardmore who were married in Old Parish on Friday last 29th September. The reception was held in Clonea Strand Hotel.

DID YOU KNOW?

In 1991 on the implementation of a ruling called Packaging Ordinance, it was the duty of manufacturers, suppliers and retailers to take back different kinds of packaging no matter how large or small. No doubt consumers reacted promptly leaving mountains of packaging in the Supermarkets. As a result of this, manufacturers and retailers formed a central body to handle the collection of packaging material from throughout Germany. This includes glass, paper, cardboard, aluminium, tins, cartons and plastics.

HOLIDAYS

Welcome home to Mgt. and Barry Power, Rusheens, Old Parish who have just returned from a holiday in Rome and Capri, the ideal cure for our wet and dreary weather, also to A. J. Finn, Old Parish who is back from a break in England.

WELL DONE

Well done to Jamie Costin,

Ballycree, Ring for finishing the 50 Km walk in the Sydney Olympics and the Waterford Ladies Football team for a game very well played in Croke Park on Sunday.

I.C.A.

Old Parish I.C.A. held a one day course in De Coupage last Sat. There were great moments of silence when the concentration was mighty. Everybody was proud of their finished work from pictures of flowers, birds, animals and kitchen scenes.

They would like to thank their tutor for the day, a woman of great talents herself - Mary Birney.

Patricia Redlich will be speaking to the ladies of all the local I.C.A. Guilds on Tuesday 10th Oct. in Old Parish.

Comment 1 - Waste Management Expert says 'Landfills are not a solution'

Professor Schrenk, a leading European toxicologist spoke out against landfills on behalf of Local Authority waste management consultants. He said that landfill was not a solution and was a waste of land and that the waste stayed there for centuries. Also toxic chemicals remained and would be emitted from the landfill. In

landfills, constituents including dioxins and biologically hazardous substances may be released, he said.

Comment 2 - Democracy Under Pressure - Unfair Play

The Lickey Valley Group have tried without success to get definite information regarding the Regional Waste Management - Information Plan. To the Group's dismay, they learnt

late that at the last possible moment, Waterford County Council had forwarded a motion to this month's County Council meeting to join in the regional plan. The

Group feels that it is wrong to pressurise councillors to vote on such an important motion without giving them time to consider the implications of this motion once passed.

Misinformation - Doesn't know the rules

The County Secretary Mr. Peter Carey has misinformed councillors on a number of issues at the recent council meeting.

1. The County Secretary described the plan as a clean slate. This is not true. The plan is a follow-on from a strategy which has been in vogue for some years.

2. Referring to the proposed superdump in Co. Waterford, the County Secretary said that there would be 'no question of a regional superdump'. This is not true. Local Authorities are not allowed (by European Law) to refuse waste just because it comes from another county. For this reason, it is likely that a superdump in County Waterford would end up taking rubbish from Cork, Wexford, South Tipperary, Kilkenny and further afield.

3. The County Manager, at the July meeting promised councillors that he would provide written proof of the legislation which he says justifies his decision to ignore instruction from a majority of councillors.

Information provided to date does not indicate that this decision has been vindicated.

Developments not permitted near scenic routes - Did you see that, referee?

In the course of the meeting, it was pointed out that An Bord Pleanála has not permitted a development adjacent to a scenic route and thus that it was unlikely that a superdump would be allowed to be built adjacent to a scenic route as is presently proposed.

Oh Oh! - The final whistle.

The County Secretary said during the meeting that, as regards the Regional Waste Management - Information Plan, the Council are signing 'in principle to a regional solution'. It should be recalled that the last time councillors voted against the imposition of a superdump in County Waterford, the County Manager ignored them on the basis that a previous administration had accepted the principle of a superdump in County Waterford.

The fundraising campaign will be kick-started with a concert on the 17th November. (More news on this later). In the meantime if there are more who would like to donate their pennies etc. they would be very much appreciated. SUCKLING

Removing Cows In Stages Lessens Weaning Stress:-

The recent wet weather and rapid decline in grass supply has prompted cattle farmers to think about weaning, particularly the heavier older calves.

Weaning will help stretch grass supply because weaned cows that are in good condition require less grass than lactating cows.

Where pasture is limited, leaving a strong calf on the cow will cause a reduction in the cow's body condition, resulting in a higher winter feed requirement if the cow is to meet target body condition score of about 2.5 at calving in spring.

Tetany:- There is also a Grass Tetany risk with unweaned suckler cows at this time of the year if the energy supplies suddenly drops. This typically happens on a wet, windy day if the cows are under pressure for grass.

For example, if you are trying to get an extra day's grazing out of a field and a wet spell occurs, the limited pasture gets very wet and dirty and the cows intake drops drastically. In these situations, move the cows on to better pasture if they are not taking an adequate level of Calcined Magnesite.

Providing some supplementary feed such as hay in round feeders is very useful during risky spells of weather, continue feeding Calcined Magnesite for a period after weaning until cows have settled. The stress of weaning can often bring on Grass Tetany where cows are borderline.

Weaning:- From early October onwards, weight-gain in suckled calves is likely to be declining to well under 1 Kg per day as grass feeding value declines, the cows milk supply dries up and the maintenance requirements of weaning is increasing.

Weanlings intended for sale should be on creep to maintain performance and reduce the stress during sale, in transport and on arrival in the new farm. It is also very useful that weanlings being kept on the home farm are trained to creep as they will also be much less upset at weaning than weanlings that are not on creep. Procedures:-

At Grange, Michael Drennan has found that removal of some cows (those with the older calves first) over a period of weeks causes least stress to weanlings. This is because calves remain in a familiar herd with some cows that have a setting effect on the whole herd. Cows can be removed over a 3 - 4 week period, say one-third on each occasion.

Weanlings should be on creep and have access to good pasture for this to work. Where calves are not on creep, put the herd into a good pasture and remove the cows after a day or two.

Introduce meal immediately, place troughs close to where the calves congregate and put in a small supply of fresh meal daily. Where there is very good electric fencing, cows can be put in an adjacent paddock.

An alternative would be to house the stock, giving the calves access to a creep area and meal. After a few days when calves are eating silage and meal, separate the cows from the calves.

If weaning indoors, cows need plenty of space in order to avoid teat damage while their udders are large before drying off. There is also greater risk of mastitis with indoor weaning.

GAIN Feeds Honour Comdt. John Ledingham

At a special presentation on the Gianbia Stand at the National Ploughing Championships in Ballacolla, Gianbia Chairman, Tom Corcoran, made a special presentation to Comdt. John Ledingham to mark his retirement from international showjumping.

Presenting him with a specially commissioned piece of Waterford Crystal on behalf of GAIN Feeds, Tom Corcoran said "John has been an outstanding ambassador for Ireland during his illustrious international showjumping career. He has been one of Ireland's most successful riders for over 25 years and his victories include: Double Hickstead Derby, Double Hickstead Speed Derby, 5 Agha Khan Nations Cup, International Grand Prix Victories in five continents, Olympic / World / European Championship appearances.

John whose family are Gianbia milk suppliers from Clashmore, where the home farm is now run by his brother Edmund, have a strong family involvement in horses going back to his late father Jim Ledingham.

On behalf of both Gianbia and GAIN Feeds, Mr. Corcoran wished John and his family best wishes in his retirement and also every success in his new appointment with the army team and had no doubt that John would pass on all his experience and expertise to all the upcoming army riders.

FARMING LEADER

Farm Incomes Highly Exposed To Inflation

—PARLON

IFA President Tom Parlon has said that low inflation is critically important for farming because farm incomes are uniquely exposed in an inflationary environment.

Mr Parlon was speaking in advance of the PPF Pre-Budget consultation meeting of the Social Partners in Dublin, and following a meeting with the Minister for Finance, Charlie McCreevy in Kildare.

"The main EU supports for agriculture, CAP product price supports and direct payments, contain no indexation for inflation. The market-place for food, whether it is the world commodity market of the highly competitive retail food in Ireland and Europe, will not compensate for excessive Irish inflation."

Mr Parlon said there are major costs of production in agriculture and the primary reason for IFA's involvement in the National Partnership Agreements has been the achievement of economic stability, particularly low inflation.

"This year Irish farmers will be purchasing inputs and services from other sectors of the economy amounting to £2.5 billion (almost 60% of their total farm revenue including direct payments). If these costs are inflationary they cannot be recouped from the market; instead they will come out of farm income."

"If inflation can be held to 2% or less, which is the goal of the European Central Bank, then ongoing productivity growth in agriculture can offset the effect of inflation. But there is no possibility whatsoever of offsetting an inflation rate of 6% or 7%."

The IFA President said the goal of the 2001 budget must be clear-cut and single-minded; it must be to cut-back Ireland's inflation rate to more acceptable levels.

"The buoyancy in the public finances must be used to cut the indirect taxes, VAT and also excise on fuel, which could moderate the consumer price index by up to 2%. Also, income tax must be further reduced, so that real after-tax incomes are protected."

Mr. Parlon said the alternative prescription being proposed by some interests, whereby strong groups would be compensated directly for higher inflation, would of course generate further inflation. It would un-

dermine national competitiveness, and would make the vulnerable sectors of the economy even more vulnerable. For those sectors who are part of the PPF but whose incomes are not underpinned by the PPF, it would be untenable.

"In stating this, I am not talking about pensioners and other Social Welfare recipi-

ents; clearly the Government has a responsibility to protect the living standards of these citizens at all times."

Concluding, Mr Parlon said IFA is pleased to have this opportunity, together with the other Social Partners, to engage in consultation with the Government on

the forthcoming budget, as long as the measures being proposed are measures directed at reducing inflation. However IFA could not live with an outcome which would selectively protect some sectors but would ultimately perpetuate the inflation spiral.

Patrick Kenny from Ballyduff was a finalist in the FBD Young Farmer of the Future Awards 2000 which was run in partnership with Macra na Feirme and the IFA. Patrick took part in the finals of the competition which took place at Warrenstown Agricultural and Horticultural College in County Meath. Pictured (left to right) are: T. J. Maher, National President Macra na Feirme, Adrian Taheny, Group Development Manager FBD, Patrick Kenny and John Dillon, Deputy President IFA.

SOUTH EAST ICMSA NEWS

NO VAT ON MILK QUOTA -ICMSA

Mr. Jackie Cahill, Chairman of ICMSA Dairy Committee welcomed the decision by the Minister for Finance, Mr. Charlie McCreevy, T.D., that VAT does not apply to milk quota transferring at the end of a land quota lease as this is fully in agreement with ICMSA policy.

"Active producers can now buy out a land quota lease with the certainty that VAT will not apply on this transaction. This arrangement will also apply to producers who have already completed the transfer", said Mr. Cahill.

Mr. Cahill said this decision is in line with ICMSA policy of putting milk quota

in the hands of active producers at a reasonable cost.

Mr. Cahill also stated that ICMSA will be making proposals to the Minister for Finance to ensure that stamp duty will not apply on these transactions, as relief from stamp duty is within the remit of Irish tax law.

In conclusion, Mr. Cahill said considerable progress has been made in putting milk quota in the hands of active producers as 62.5 million gallons was restructured this year. Additionally, as and from 6 April 2000 the purchase of milk quota is allowable as a tax deductible expense. This decision on VAT is a welcome final piece

to the jigsaw.

Nine Ard Scoil Girls Represent Ireland at the Millennium International Award Seminar

During the summer, 8-16 of July, nine girls from 5th Year in Ard Scoil na nDeise, Dungarvan, set out for Grange in Borrowdale, The Lake District England, to accomplish their Silver Gaisce Award. They had previously earned their bronze medal in Transition Year.

The girls represented their country among students from 10 other nations, including Canada, Slovenia and Singapore. This challenge was put to the girls by Triona Quinn of the Youth Resource Centre and by Margaret Radley, Co-ordinator of Gaisce Awards.

Throughout the week, the girls participated in many challenging and strenuous activities e.g. stream-scrambling, over-night hike of 60 km, and many water activities. The accommodation was provided in a Tent Village, including catering and social tent.

"To our dismay, when we arrived on the first day, the tents appeared to be floating towards us," commented one of the girls. Horrendous storms had flooded the area prior to their arrival.

Challenge and enjoyment marked the week. Life-long friendships were made. A greater understanding of other cultures was fostered. A display of Irish culture through music, song and dance, was provided by the Irish team, much to the enjoyment of the participants from around the world. The Millennium seminar was a once in a life-time opportunity for these young people.

The Ard Scoil Girls would like to thank all their sponsors who helped to make the trip possible. They would like to express their appreciation to Ms. O'Brien, Principal, for her encouragement, and a special vote of gratitude is due to Mrs. Radley, their teacher, for spearheading the whole event.

BRIDEVIEW UTD A.F.C. NOTES

TONY BOLGER CUP SEMI FINAL

Brideview Reach Final

Yes, it all turned out so easy for Utd to advance to the final of the Tony Bolger after defeating Kilworth Celtic in Conna. Our Div. two team drew in Cappoquin while our lotto jackpot is still up for grabs. Two Tallow lads are now famous, while your man caught (got another one).

Results Tony Bolger Cup Semi Final Brideview Utd 6 Kilworth Celtic 0

The result here would seem to suggest an all one sided game but it was late in the game before Utd really took control.

The opening half was keenly fought. The post did rescue Celtic in the 3rd min. when James Beecher's shot came back off the post and was cleared. A penalty to Utd after 15 mins saw John P. Grey shoot home and put us 1-0 in front.

Celtic upped their game after this and were unlucky not to equalise but Utd came more into the game before the break. Dermot Henley shot wide while Eoin Murphy was unlucky after 38 mins when set up by Stephen Pratt but Murphy's shot just went wide. Murphy was unlucky twice before the break but at the break Grey's goal still separated the sides.

The second half saw Celtic sit back and this let Utd into the game. Steward Barry beat the full back before setting up Murphy to shoot to the net. Both sides had chances of scoring before Utd went 3-0 in front. The third goal was a beauty when Brian Henley rounded the full back and his cross was headed home at the far post by Barry in the 73rd minute. A minute later it was 4-0 when Eoin Simms beat the offside and shot home from 20 yards.

It was all Utd now. Henley himself grabbed number five when he shot home from 30 yards. The final goal came in the 82nd minute when James Tobin picked up the ball in his own half and out ran Celtic's defenders before shooting past the advancing keeper.

So Utd are now through to the final but the lads will need to improve for next Sunday.

Utd: B. Sheehan, B. Henley, D. Martin, G. Beecher, D. Doyle, E. Simms, S. Barry, J. P. Grey, S. Pratt, E. Murphy, D. Henley, Res G. Tobin, T. McSweeney, P. Curley, all used P. O'Brien, R. Henley.

Challenge Game Cappoquin 0 Brideview Utd 0

Our Div. two side travelled to Cappoquin on Saturday evening last to take on the homeside in a friendly. The sides failed to score but it was a worthwhile exercise for our lads.

Utd: J. Fitzgerald, R. Cronin, P. Tobin, F. Power, S. Cronin,

M. Keating, P. Murphy, S. Tobin, G. Farmer, B. Donnelly, P. Sheehan, res used B. Power and C. Tobin.

Lotto Jackpot £5,600

It's still to play for. No winners last week. Numbers drawn 6-13-14-18. Match 3 winners, Elizabeth Henley, Fred Walsh, Jim Hale, Bernadette Brown and Tom Hartigan. Well done folks. Our jackpot is now £5,600 and the draw takes place at 8 pm (note time due to Ireland game) in the Corner House. Please get your tickets early.

Kiddies Disco

A Kiddies Disco takes place on this Friday night in the Gym from 8.30 - 10 pm. So kids get on your dancing shoes. Adm £1.

Red House League Draw

All promoters get your tickets in for this weekend. If anyone requires a ticket for this draw get in touch with any committee member this week. It's a terrific draw with fabulous prizes. All four draws £20 or £5 per month for four months.

Irish Trial

Michael Curley is going on trial for the Rep. of Ireland U-14 team on this Sunday and we wish him the best of luck. Will he follow in his fathers footsteps? Let's hope so.

FAI Junior Cup

Utd Travel To Waterford

On Sunday we are off again to Waterford to take on Hibs in the first round of the FAI Junior Cup. Brideview took part in this competition for the first time last year and we hope to improve on last years performance.

Injuries

Manager Philly Curley and his assistant David Doyle are not without their problems. Brideview have been hit with a spate of injuries this season. At this stage it looks as if John Doyle is out. Injuries to Steward Barry and John P. Grey should both be fit for Sunday. Hibs had no game last week but they won their previous two games.

Our lads can produce some excellent football but while they have reached the final of the Tony Bolger Cup the lads have yet to produce their best form but hopefully they can find their true form for Sunday. We wish the lads the best of luck.

Bus to Waterford

A bus will leave the Square for the match in Waterford on Sunday. The bus will leave the Square at 12 o'clock. We are hoping for a good turnout of supporters. Fee for the bus is £2.

News To Hand

I believe my friend Stephen was presented with a lovely surprise over the weekend and I know he caught two himself.

Ahem ahem! One of our committee had a lovely romantic evening in Ballyduff on Friday evening while Saturday night proved popular for another committee member. The two wine lovers were very busy on Saturday night choosing the wine. I was a bit worried at first but I now know where they went. Hope ye had a good night lads, a bird told me ye got home late.

Fixtures for this Weekend

Saturday next October 7th. U-11 League Brideview Utd v Fermoy, kick off 3 pm. U-13 League Brideview Utd v Castlebridge Celtic, kick off 4 pm.

Sunday next October 8th. FAI Junior Cup, Hibs v Brideview Utd, kick off 2 pm. Bus leaving the Square at 12 o'clock sharp.

Famous

Walter Tobin and son became famous on Sunday last when they appeared on TV during the ladies All Ireland Final. Well done lads.

Next week we will tell you of the Tallow boy who appeared at the Olympics, got on the T.V. and was spotted by a very alert young Tallow man.

Sympathy

All in the club extends their deepest sympathy to the Lonergan family, Ballyneety, Knockanore on the sad passing of Ned. May he rest in peace.

COLLECTION

A collection will be taken up in Tallow over the next two weeks for Kitty McCarthy of New St who has retired as Sacristan in the Church after 37 years service. We would hope that this collection will be well supported as Kitty did an excellent job during her 37 years service.

C.L.G. NA NOG TULACH AN IARAINN - TALLOW JUVENILE GAA

Blitz Bliss as Tallow Boys and Girls Triumph

What a great week it was in our juvenile club with our U-8 hurlers and our girls school football team winning their respective blitzes in Cappoquin and Fermoy. We may no longer have big numbers but these boys and girls U-8 from Tulach An Iarainn proved that Tallow still have the class and a great spirit.

U-8 Hurling Cappoquin Blitz An Cead Cluiche i gcoinne Lismore

This first game against Lismore was really hell for leather up and down the field with Tallow forwards applying tremendous pressure which eventually yielded the opening goal from the caman of young Stephen Barry. Lismore rallied but Aaron Pratt and Brian McCarthy defended brilliantly and Evan Sheehan in goals brought off some great saves to deny the Lismore attack a score. Tallow added a 2nd goal to leave the final score Tallow 2-0 Lismore 0-0.

An Dara Cluiche i gcoinne Clonea

Lady luck seemed to have deserted us in our 2nd game against Clonea and we struggled to find our scoring touch despite an amount of possession. Tallow eventually got the all important goal which was to be the only score of the game when Jamie Murphy "whipped" a low ball into Ray Barry who found his brother Stephen who in turn found the back of the net with a clinical finish. Tallow 1-0 Clonea 0-0.

An Triu Cluiche i gcoinne Brickey's

With 2 wins under their belt the lads were growing in confidence and their hurling against the Brickey's in the 3rd game reflected this. They got off to a flying start and their superb first time striking was a joy to behold. Ciaran Fraser and Seanie Barry were very unlucky not to get on the scoresheet. Evan Sheehan who moved out to midfield was hurling out of his skin scoring 1-1 in the process. His partner at midfield, Dean Hennessy was also on fire as Tallow took firm control to win by 2-1 to 0-0.

With an unbeaten run (without conceding a score) Tallow qualified top of the group and met Cappoquin. The hosts who were runners up in the other group, in the semi final, Dungarvan played Lismore in the other semi.

An Cluiche Leath Ceannais i gCoinne Cappoquin

The lads from Tulach an Iarainn were really fired up for this one and hurled with passion and pride and went 2 goals up in the first half. Alan O'Riordan and Niall Scanlon were in flying form in the Blue and Gold jerseys and kept the ball moving on the ground. Cappoquin, to their credit rallied in the 2nd half with 2 fine scores to level the game. Tallow pulled ahead again scoring 1-1. Jamie Murphy got the point for Tallow. It's great to see young lads under 8 years putting the ball over the bar. Final score Tallow 3-1 Cappoquin 2-0.

An Cluiche Ceannais

Against all expectations the Tallow lads found themselves in the final against a hotly fancied Dungarvan who had themselves been very impressive in the qualifying games. Tallow survived an early onslaught from the physically stronger Dungarvan lads and the versatile Evan Sheehan now back in goals pulled off a few great saves which Eamonn De Paor himself would have been proud of. Aaron Pratt and Brian McCarthy were outstanding in defence while Niall and Jamie were winning the midfield battle. Alan O'Riordan and Steven Barry in the forward line were taking no prisoners as they punished the Dungarvan defence with some great finishing. The final scoreline of Tallow 4-1 Dungarvan 1-0 may have surprised many but was no more than this gallant bunch of young lads deserved. Ciaran Fraser accepted the Cup on behalf of his team mates amidst scenes of jubilation.

An Foireann: E. Sheehan, A. Pratt, B. McCarthy, J. Murphy, N. Scanlon, S. Barry, A. O'Riordan, D. Hennessy, R. Barry, K. Fraser, S. Barry.

Congratulations to Rachael and her squad and thanks to Lena McCarthy, Moll Fraser and Derry Scanlon for their help and support. Finally thanks to Cappoquin for inviting us into this excellent organised tournament.

U-13 Hurling Town and Country

We will have played St. Catherine's on Monday night by the time you read this.

Division 1 and 2 finals are fixed for Saturday Oct. 14th in the Fraher Field.

Boys Schools Football

Game 1 v Lismore. This was played last week and was a draw. Game 2 v Ballyduff in Tallow this evening (Wed).

Juvenile Meeting

There will be a full meeting of the juvenile committee this Thursday in St. Patrick's Hall at 9 pm. It is important we have a full turn out as there are some very important issues to discuss. Na brí deanach.

Girls Schools Football

It was the turn of our young lassies to show their prowess last Friday as they took part in the Loretto Blitz in Fermoy.

Game 1 v Rathgormack.

The caillín from Scoil Mhuire ran up a big score in their first game playing some very stylish football and taking their scores with consummate ease.

Game 2 v Kilworth.

This was a class game of football, contested with vigour. Kilworth had a very strong midfielder who had decimated earlier opponents. The Tallow ladies were not in a generous mood however and they curbed this threat admirably. A mighty battle ensued in the 2nd half before Tallow emerged victorious by 2 points. Tallow 2-3 Kilworth 2-1.

Game 3 v Castlelyons

All the panel got a run in this game and played superbly to clinch our spot in the final on a scoreline of Tallow 0-4 Castlelyons 0-1.

Final Tallow v Kilworth

The final against Kilworth was every bit as tough as the earlier encounter with no quarter asked or given. There was some excellent tackling, blocking and running off the ball as the teams tussled for supremacy. Tallow survived a terrific comeback by Killeagh to win by a single point and showed great spirit in doing so. Tallow 2-3 Kilworth 2-2.

Captain Joanne Fitzgerald accepted the Cup on behalf of her team mates.

Team: T. Casey, J. Fitzgerald, V. Grey, A. Power, E. Henley, E. Casey, A. Hartigan, M. O'Brien, E. Daly, L. Fraser, M. Rafferty, Claire Curley, J. Sheehan, N. Delaney, Cornelia Curley, L. Curley.

Congratulations to Eric Curley and his squad on their superb win and thanks to Lorreto for the invitation. Also thanks to Noel Henley, Bus Hire for the transport.

Au Revoir Aurlie

Bon voyage to Aurlie Travet who returns to Parish this week. Aurlie was in Ireland learning about Irish history and culture for her University course. She made many friends in Tallow during her short stay. I'm not sure what day the 'Leader' come out in Parish but Brendan and Vivienne can send her on a copy.

U-13 Hurling Town and Country Semi Finals

Tallow 1-8 St. Catherine's 3-2

A draw on Monday night in Tallow means these teams have to meet again Friday evening at 5.45 pm to see who goes through to the final.

60's Disco

Put Sunday 29th October (it's a long weekend) in your social diary. Get out your platforms and bell bottoms because there will be some serious rock and roll going on in the Community Centre that night. Proceeds are in aid of upgrading lighting system in the field, which is underway at the moment. Those of us who still have hair will be letting it down that night as we rock to the sounds of the 60's and 70's. Bi ann agus bi linn. More details next week.

Dúirt Siad

STRADBALLY NOTES

£2,507-64 RAISED FOR SHARE-A-DREAM

The extraordinary amount of £2,507-64 was raised in one evening at

Stradbally G.A.A. club at the recent Race night held in aid of the 'Share-a-dream' foundation. Shay Kinsella, the founder of Share-a-Dream was at the G.A.A. club last week to accept the cheque on behalf of the organising committee. Shay explained that he set up the foundation following a bad accident, and during a lengthy recuperation in hospital met a young girl with cancer. Shay vowed to get the money together to send the girl on her 'dream' trip to Disneyland, but she died before he could make it happen. The money went to another seriously ill child and

then Shay was besieged with thousands of requests to make 'dreams come true'. Although £380 million pounds leaves Ireland every year to overseas aid, not one penny of assistance comes from the Government or any other State agency for this foundation. The monies raised come solely from Committees like the Stradbally Race night organisers. Shay showed a very poignant video of different children who have had their dream made a reality by the foundation, all but one of the children featured are now dead. Share-a-dream works with 4,800 severely ill or

physically impaired children, and are inundated by the 128 children's charities in Ireland with requests. The foundation also deals with children who have one of the 250 rare illnesses in Ireland today, who don't have a voice, their aim is to create one special moment in time for each child to cherish no matter how short their young lives are.

Pat Power thanked his Committee for the work they put into organising the night, saying that the best thing to do if you needed a good committee for a cause like this was to "ask the busiest people around, those who aren't busy won't do any-

thing for you at all". The Committee were: Billy Fitzgerald, Richard Hickey, Matt Cummins, Alan Stone, Breda Kiely and Paddy Joe Carey, thanks went to the G.A.A. for use of the club and special thanks went to the 'Scout ladies', not forgetting Peggy Walsh who looked after the odds on the night. Pat stressed that no-one took any money for their services on the night including Denis Mihanon on the projector, and Liam Burke who printed all the race-cards free of charge. He also praised the three young girls who helped read out the race-cards, they were Elaine Darcy, Melissa Fennell and Louise Doyle. A special memento was presented to Breda Kiely, Committee member, by Shay Kinsella of a framed poem written by one of the children who is now dead, which will be hung in the G.A.A. club. Pat Power ended the evening by saying "Hopefully we'll do it all again soon".

CALLING ALL CULCHIES!

Seán Murphy contacted the notes and said if you think you have that special 'culchy' something, if you are possessed of a handsome red neck and have plenty of 'craic' and stories, then head to Crotty's Pub in Leamybrien this Friday night (October 6th), where the 'Culchy of the year competition' will be in full swing. M.C. on the night will be D.J.

Oliver Carroll of WLR FM, and music song and dance will be by The Lyre Heritage Group, who gave a fantastic night's entertainment in Stradbally G.A.A. club during the Summer Festival. All would-be 'culchies' are welcome, male or female, and of course everyone else can come to watch them make eejits of themselves! Proceedings kick off around 9 p.m.

STRADBALLY CHOIR SEEKS NEW MEMBERS

Stradbally choir is looking for new members or more accurately the Stradbally choirs are seeking members as there is a Senior choir

and a Junior choir. Choir-leader Mary Dunphy stresses that male singers will be welcomed with open arms, as there is a severe shortage in the choirs at the moment! The Senior Choir rehearse every Wednesday night at 7.30 p.m. and the Junior Choir rehearses on Fridays at twenty minutes to seven. The singers have worked very hard in recent times with extra rehearsals for the Mercy reunion evening and Carraig an Aifrin, and are to be congratulated on their commitment, they are: Biddy Morrissey, Charlotte Flynn, Amy Roche, Kitty Gough, Myna Stone, Megan Roche, Catherine Clancy, Michelle Clancy, Mary Dunphy, Mairéad Darcy, Margo Crowley, Sharon Cunningham, Emer Cunningham and Serena Roche. If you can carry a tune and have an evening or two to spare please contact Parish priest Fr. Enright.

KEEP PUBLIC TOILETS OPEN

Alan Stone, committee member of the Tidy Towns committee, was recently on WLR FM complaining that the Public Toilets in Stradbally are closed too soon, and perhaps should not be closed at all. Speaking to the Stradbally Notes, Alan said that the public toilets in Stradbally are closed from September until June. The

Copper Coast Tourism Group and Stradbally Tidy Towns Committee have been actively promoting tourism, and tourists are still arriving in the village. "In fact tourism is really going on year round in Stradbally" said Alan Stone and it isn't good enough that there are no public facilities for visitors. At a County Council meeting earlier this year at the start of the season, Cllr. Tom Cunningham also drew the Council's attention to the fact that the Tourists were coming in droves and the Toilets were still closed. Alan Stone also pointed out that the new sign for the Toilets went up, and then next day the toilets were closed. In order to poll opinion on

the issue he asks that residents of Stradbally contact a member of the Tidy towns Committee.

VOLUNTEERS NEEDED FOR HALLOWEEN PARTY FOR KIDS

A couple of Mums (including myself) are going to try and organise a Halloween party in the G.A.A. club for preteens. Last year was a misery taking the kids around in the driving rain, so this year we could have games and music in the Club and keep warm and dry! We will need quite a few volunteers to organise the night which falls on a Tuesday, so if you want to help out please call myself (Róisín) at 051-293030 or contact Yvonne Wall.

CONGRATULATIONS

Congratulations on their recent engagement to Mary Barry (Garrahalish) and Thomas Lynch of Rathgormack. Congratulations also go to Elaine Kehoe and Eamonn Clancy who were recently married.

SNIPPETS

Any other Crafts persons wishing to take part in the Designer-maker craft show in the Tower hotel Waterford city, need to get their names submitted a.s.a.p. as work has begun on the lay-out of the stand. Remember anyone based in the parish of Stradbally can exhibit work free of charge, contact Róisín 051-293030. The Stradbally Christmas Craft-fair is pretty much fully booked now, if you have yet to submit your form hurry up and we'll squeeze you in!

CARRAIG AN AIFRINN - a report from Holy Cross

Last week it was the turn of the Fennell family of Ballyvoile to be acclaimed, this week the focus centres on the Flynn family of Knockadrumlea and Cove cottage, for their part in the preparatory work for the Mass at Carraig an Aifrin. Little did Paddy Flynn realise when he fished in the river near the spot where the Mass was celebrated in Penal times, that he would one day unveil a plaque to record Mass being said once more at Carraig an

Aifrin. That was not all, as Paddy Flynn did an amount of work cleaning the area for the Mass, along with his son Enda, who had such a hard act to follow after Garvan's efforts at Cloch an Eihinn. No better men to accept the challenge and even the hedges didn't escape their annual cut to have everything in good shape. He also was transport manager in getting chairs to both locations and to show his versatility was with the folk choir along with his mother Charlotte. His sister Lucy Grillet did the reading at the Mass as well as catering

at home along with her sisters to feed the multitudes without the presence of their uncle Fr. Michael who might have been called upon

to do the miracle of the loaves and fishes.

AUTUMN DUES

The blue envelope for the Autumn dues should now be returned and people are reminded that this collection is a combination of the Summer and Stations collections of old, with now only one collection instead of two.

FAREWELL

Farewell to Fr. Liam Cummins who spent a well earned rest in Ballykeroogue. He has now returned to his missionary work in the Cameroons. He really enjoyed his stay and was delighted with the welcome and hospitality he received from so many people and he wishes to say thanks to everyone.

FIXTURES

Saturday 7th and Sunday 8th 18 Hole Stableford Competition.

Hi, I'm back from a well deserved break. I hope you didn't miss me too much. Tuesday saw our last 9 hole Bacon for the year and it proved to be as popular as it ever was. This weekend saw the Lismore GAA Classic take place at Lismore Golf Club. The course was playing very long due to days of persistent rain, the players on Friday and Saturday getting the best of the weather. The winners were experienced campaigners, Paul McCarthy (11), Pa Morrissey (13) and Maurice Kelleher (17) winning by two clear points with a magnificent 58 points. The gross prize was won by Paddy O'Leary (10), Bill

Ronayne (12) and Colm Burke (15) with 41 points. Waterford star Brendan Landers (17) was a member of the second placed team. Another hurling star namely Pat Fox (14). All star and All Ireland winner for Tipperary led a team from Cashel into third place, therefore stopping a clean sweep of the prizes for local teams. The weekend was a great success despite the poor weather with 60 teams taking part. Lismore GAA would like to thank them for their participation. Jimmy O'Gorman and his family plus their helpers made sure everybody was well fed after their triumphs or tribulations. In a shortened weekend competition another hurling hero namely Eddie Fraher (14) was the main man due to a superior last 6 holes with 37 points pipping T. W. Murphy (2) and club PRO Philip Walton (15) both with 37 points.

LISMORE GAA NOTES

Narrow Defeat In Epic Minor Hurling County Final

Our minor hurlers went under by the narrowest of margins to reigning champions, Mount Sion in an epic county final at Fraher Field on Saturday last. We went into this game as underdogs and were dealt a terrible blow after ten minutes when inspirational midfielder Brian Leahy had to retire with a serious hand injury. However, our boys made light of their adversity and took the game to Mount Sion for the whole first half. We went in at half time holding a two point lead - a lead that would have been far greater were it not for some wayward shooting on the part of our forwards.

Playing against a strengthening breeze we continued to hold the initiative until Mount Sion hit a purple patch mid way through the half, scoring 1-3 without reply. Down one of our top players, five points behind and playing against the breeze a lesser team would have folded. However, it was now this team really showed its metal. Point by point they pulled back the lead and as the game entered injury time the sides were level. Mount Sion regained the advantage with a long range point. Lismore rallied again. Pádraig Cronin was just off target from the fourteen yard line. John Heneghan soloed towards goal, his blistering drive was saved by the Mount Sion keeper and came out off the post. Lismore regained possession and Sean Ormonde was about to shoot as the final whistle blew. Heartbreak for Lismore at the end of one of the best games of hurling seen in any grade in the county this year.

Many of our players were heroic in defeat. John McGrath could not be faulted for the one that passed him. It reflects well on our defence that it was the only shot John had to deal with over the hour. While all six defenders played well the performance of Mark Whelan at full back deserves special mention. At midfield Brian Leahy was having an inspired game until forced to retire injured. His loss to the team was incalculable as Martin Ormonde had to be brought to midfield to replace him thus depriving the forward line of its goal scorer in chief. Martin and Richard both performed heroically at centre field over the hour. In the forward division Shane Kearney once again led by example, working tirelessly and getting some great points. He was ably assisted by John Heneghan who had another fine game and Sean

Ormonde who gave everything he had for the cause.

While defeat was their lot on Saturday last players and mentors alike can feel justifiably proud of the way they have gone about their business since the start of the year. County titles will not elude them for long if they stick together and continue to put in this kind of effort.

Final score Mount Sion 1-10 Lismore 0-12.

Team: John McGrath, Brian O'Connell, Mark Whelan, Colin Kearney, Aidan Roche, Paul Fennessy, Mark Landers, Richard Ormonde (0-1), Brian Leahy, Kevin Leahy (0-1), George Howard, Martin Ormonde (0-3), John Heneghan (0-4), Shane Kearney (0-3), Pádraig Cronin, James Shanahan, Robert Linnen, Bryan Doocey, Sean Ormonde, Jamie Dalton, Niall Daly.

Ladies Football

In what can be described as possibly the worst conditions we played our opening game in the Junior C Football against an extremely good Templemore team. We played hard against a very strong wind and were unable to recover the lead gained by Templemore in the 1st half. There were some excellent performances by the team on the day. We look forward to our next match to be played in the next few weeks.

Training: It is great to see the big turnout at training each week. Hopefully this will continue. Training as usual on Mondays after school.

Share a Dream Foundation

On Friday September 29th, two members of the Share a Dream Foundation, Shay Kinsella and Kiera Brolly visited the school. Shay spoke to fifth and transition year pupils about the work of the foundation.

This voluntary charitable organisation has been in existence for ten years and has been working with children who have been ill and in hospital for a long time. The Share a Dream Foundation seeks to bring some happiness into the lives of these children by fulfilling one of their dreams.

Shay told us about bringing five hundred children to Trabolgan for a few days and also bringing others to the opening show of Disney on Ice at the Point Theatre in Dublin. Many children enjoyed a holiday in Galway.

The imagination, the energy and the idealism of the volunteers in this Share a Dream Foundation are worthy of appreciation.

New Members for the Parents Council

We would ask the parents of first year students to return their voting papers for the election of a representation to the Parents Council as soon as possible.

Cappoquin Notes

Affane/Cappoquin G.A.A. Club Notes

JUNIOR HURLING

Well, our dream came to an end at Dungarvan Club grounds on Saturday evening last. We have to admit that we were beaten by a slightly better team but our lads performed very well and fought to the very final whistle. The problems seemed to be in our forward line where, in spite of a couple of opportunistic goals by Mark Mason and a very good point, we never seemed to be operating as efficiently as in our last few games. However, we will have to say 'well done to all' where, in spite of a very limited panel, we performed heroically with most of our players getting "dug in" at all times. To all the players and to mentors Micky Fraher, Jasper McCarthy and Seamus McCarthy we say very well done, you did not let down your Club or yourselves. Beig la cile.

BEST WISHES

Best wishes for a speedy recovery to Danny Flynn who recently underwent surgery for a knee injury received some years ago. Danny was one of the finest footballers our club has produced in recent times.

HARD LUCK

The club sends its commiserations to Waterford Ladies Senior footballers on their defeat in Sunday's All-Ireland final. The girls have done the County proud over the years and no doubt will do so again in the future. This Final, in the writer's opinion, was not up to standard of recent years and a large part of the fault for this must rest on the Mayo players shoulders as they seemed to have adopted a tactic of deliberate fouling which stopped any moves which the Waterford players attempted to start. They conceded a total of 44 frees.

A LOOK BACK IN TIME

1976- In the U-14 Western Football final of this year, we were defeated by Kilrossanty on a scoreline of 2-6 to 1-3. We entered this game as complete outsiders but nearly caused a major upset. We had great performances by Brian Murray, P. Ahearne, J. Jeffries, F. Phelan. This game was refereed by Tony Mansfield. Our team manager was Noel Mason.

At U-16 we won the West-

ern final beating the Brickey's on a scoreline of 4-4 to 1-6. In the County final, we were defeated by Mount Sion in a great final on a scoreline of 1-4 to 0-5. In the first half Eddie McGrath opened the scoring for us with a great point. Shortly afterwards the ball came back off the Mount Sion crossbar after what seemed like a certain goal. After this Tommy O'Sullivan got 2 points to leave the half-time score 0-3 to 0-1.

After the start of the second half, Mount Sion had the only goal of the game. Eddie McGrath pointed again to level the score, but then we failed from 2 close in frees and we had a penalty saved from Pat Curran. Best for Affane were Johnny Mason, Eddie McGrath, John Fives, T. O'Sullivan and Eugene McLaughlin.

Some scorelines: Minor hurling - Cappoquin 3-10, Lismore 3-0.

Minor football - Affane 0-15, Dungarvan 1-7. Senior Hurling Championship Losers Group: Butlerstown 2-10, Faughs (Cappoquin/Melleray) 0-12.

This team consisted of M. Phelan, S. Denn, L. Denn, J. McCarthy (Jasper), T. Scanlon, P. Egan, J. J. Landers, Jer Mason, M. Brackett, L. O'Donnell, M. Hackett, E. O'Connell, M. Fraher, P. Hackett, D. McCarthy, E. Fraher and T. O'Sullivan.

AFFANE/ CAPPOQUIN G.A.A. CLUB LOTTO

Numbers drawn were 7, 10, 16, 20.

There was no winner. Consolation prizes of £10 each: Sile Dineen, Tallow, Ward Fraher, Shanbally, Lee & Gary Keane, Dungarvan, Mgt. Hennebry, Monavagga, Alan Hennessey, Salterbridge.

Next week's draw held at Tavern Bar, Sat. 7th October. Next weeks jackpot £1,400.

CAPPOQUIN/ AFFANE SCHOOLBOY SOCCER

U-14

Last season's U-13 runners-up - Valley Rangers were our visitors last Saturday in what proved to be a game we would rather forget. We started much the stronger driving forward

through Eamonn Nagle and Tim Looby and came close a few times. Valley went ahead against the run of play following very slack marking, after we failed to clear a corner and allowed them to score from close-in. They added a second before the break when midfield allowed the runner untracked into the box. Although 2-0 down, we were creating the more chances and in no way being over-run. Our midfield were excellent going forward but neglectful of their defensive duties which was proving costly.

After the break, we got the worst possible start when we conceded an own goal and were now 3 down. Again, we picked ourselves up and pulled one back when a great Tommy Curran pass found Cathal Wilkinson unmarked and he rifled the roof of the net. We threw caution to the wind then and pressed forward incessantly but were caught on the break twice by their brilliant No. 7 - Pa O'Neill. Nothing in the game suggests that we could not get something from the away game and all the goals can be put down to poor marking. Bread and butter defending that we must get right if we want to win any game let alone against the best. Best on the day were Johnny Buckley, outstanding at the back - Kevin Power in goal and also out in midfield and Justin Dowd on the left of midfield.

Our U-12 fixture was cancelled due to the boys having G.A.A. commitments on the same evening and it goes ahead on next Sunday evening at 5.30 p.m. in Conna.

PARENTS

If you have not yet returned your Red House League draw tickets, please do so before Saturday. We cannot continue to provide transport etc. without income and this is one very important fundraising for us.

PRETTY WEDDING

Bride and bridegroom cutting the cake.

The beautiful picturesque Catholic church of Saint John the Baptist at Bellevue, Ballyhague, Enniscorthy, Co. Wexford on Friday 22nd September was the scene of a very pretty wedding. The contracting parties were Greg, son of Tom and Mary Gabbett, Lambstown, Killurin, Co. Wexford and Norann, daughter of Patrick and Mary Catherine Phelen, Toureigh, Ballymacarbry. The marriage ceremony with nuptial Mass and papal blessing was solemnised by Rev. Fr. Billy Swan P.P. Bellevue in the presence of a large number of the relatives and friends of the contracting parties. The Bride given away in marriage by her father Patrick looked charming and was attended by her sisters Rosie and Joy as bridesmaids while another sister Margaret was matron of honour. The best man was Thomas Gabbett, brother of the groom while two other brothers Stephen and Clive Gabbett were groomsmen. The flowergirls were Clara and Kara Murphy, nieces of the bride and the pageboy was Diarmuid Murphy, nephew of the bride. With the Church ceremonies over the entire party left for the Carrickferry Hotel, Wexford where the wedding reception took place and where a most enjoyable and musical time was had by all for many hours. After Rev. Fr. Billy Swan P.P. had blessed the cake, the toast of the bride and bridegroom was appropriately honoured, and felicitous speeches given by many present. Later in the evening as the happy pair left on their honeymoon which is being spent in the USA, they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years to come. The bride comes from good County Waterford stock, her father Patrick is the former President of the United Farmers Association, while the groom is from Wexford and is a well known Chef.

PINEWOOD RANGERS

On Saturday last we played Granagh Utd in the preliminary round of the Munster Junior Cup and what a win we had. It was a very even first half with both teams having chances but it was a goalless half.

The second half really lived up to expectations with David Ryan opening the scoring with a great header from a Micky Joe special throw. Then we missed a penalty but enough said David. Granagh equalised just after. Martin Walsh then put us a head again hammering home a rebound from a free kick. To end the Granagh fight the small fella Conor latched on to a throw ball to finish with style.

It was a great team display with good performances coming from J. J. Moore, David Ryan and Martin Walsh to name just a few. We now look forward to playing Railway in the next round.

Team: Tom Doocey, J. J. Moore, Liam Walsh, David Ryan, Noel Ryan, John Moore, Joe Walsh, Mike Guiry, Micky Joe Ryan, Conor Ryan, Martin Walsh, Sub Eoin Sheehan for Conor Ryan. Manager John Desmond.

The club would like to wish

all our players the best of luck in the Western Final next week.

DECLINE IN POPULATION OF TOWNSLANDS 1841-2000

Recently we came across a copy of the Census 1841 to the present day and from it we took two County Waterford townlands, Glenary and Glendalaughin and how the population went. First we take Glenary, in 1841 the number of people resident in the village was 109, in 2000 no person resides there. Next we take Glendalaughin, in 1841 there were 235 persons residing there, to day there are 8 people residing there.

LORRY-CAR CRASH OUTSIDE BALLYMACARBRY

On Monday evening 25th September a car and a lorry was involved in an accident at Ballyrohan on the main Clonmel/Dungarvan road about 1 1/2 miles from Ballymacarbry on the Dungarvan side. The occupants of the car were from Dungarvan, the lorry belonged to O'Gorman's Contractors, Ardfinnan. The occupants of the car and the lorry driver were removed by ambulance to Our Lady's Hospital, Cashel. Two units of Dungarvan Fire Brigade and a unit from Clonmel were quickly on the scene as well as the Gardai from Ballymacarbry station. Both vehicles were badly damaged. County Council workers with their overseer John Foley had the accident signposted in a matter of 15 minutes after it happened.

LATE MRS. JOAN MOLOUGHNEY

Profound and sincere feelings of regret were widely expressed at the news of the death of Mrs. Joan Moloughney (nee Walsh) Ballindysert, Carrick-On-Suir, Co. Waterford which sad event took place at her residence on Wednesday 20th September. Deceased was a member of an old respected Co. Waterford family, she was relict of the late Denis Moloughney N.T., Crohanna where he was principal for many years. A very estimable lady of many charming traits of character, her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all. A lady in every sense of the word, she was highly respected by her family, neighbours and her many friends, who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to react swiftly to any situation in which she was needed. She was a person who had a great sense of fun and humour. A kind and loving wife and mother her greatest passion was for her husband and children. A woman who was possessed of a deep faith, she practised her religion devoutly. Many tributes have been paid to this fine lady but perhaps the finest was paid to her on Friday evening by the large concourse of mourners who were present when her remains were removed after the rosary was recited from Walshes Funeral Home, Carrick-On-Suir to the Parish church at Windgap where they were blessed and received by Rev. Fr. Thomas Flynn P.P., Carrickbeg/Windgap. On Saturday morning the feast of Saint Thecla (virgin and martyr) requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Thomas Flynn P.P. After Mass the funeral took place to the Ancient Church of Churchtown where on a dull September day a kind lady was laid to rest. Fr. Flynn P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will cherish. To her son, daughters and her many relatives we extend our sympathy. In backlann na Maighdeanna Muire go bhfuil a hanam naofa.

LATE MRS. MARY CROTTY

It is with deep and sincere regret we record the death of Mrs. Mary Crotty (nee Hickey), Seskin, Kilsheelan, Clonmel which sad event took place at Saint Joseph's Hospital, Clonmel on Wednesday 20th September. Deceased in her 91st year was a member of a well loved and respected County Waterford family. She was a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease. All callers to her home were made feel truly welcome, as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all. She was a kind and loving wife and mother, her greatest passion as for her husband and children to whom she was utterly devoted, and they in turn thought the world of her. She was predeceased by her husband Denis by some years and her passing even at an advanced age has evoked feelings of sincere regret among her family, neighbours and her many friends. The measure of the esteem and high regard in which deceased and her family are held was clearly indicated by the large concourse of mourners who were present when her remains after the rosary was recited were removed from Condon's Funeral Parlour, Clonmel to Kilsheelan Parish Church, Gambonsfield where they were blessed and received by Rev. Fr. William Carey P.P., Kilcash/Kilsheelan. On Saturday morning the feast of Saint Thecla (virgin, martyr) requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. William Carey P.P. After Mass she was laid to rest in the family plot in the adjoining cemetery. Fr. Carey P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will treasure. To her sons, daughters and her many relatives we extend our sympathy.

MERCY CONVENT

Looking at the site of the

Mercy Convent today it is difficult to imagine the complex had existed for over 140 years. In the past week it has been demolished.

The nuns originally lived at South Terrace in a house given to them by Andrew Carbery. In 1859 he purchased the former Presentation Convent in Church St. for the Sisters of Mercy, they added to the buildings in 1868. In 1886 the nuns opened a school for training local girls in dressmaking, embroidery, shirt making, hand and machine knitting and church vestments. In 1998 the nuns vacated the convent buildings.

Attention Deficit Hyperactivity Disorder

HEALING AND PSYCHO-STIMULANTS

In today's complex fast moving world the ability to shut out certain stimuli is essential and indeed absentmindedness is a useful mechanism. For the victim of ADHD, however, this shut down mechanism becomes so severely distorted that it interferes with daily life. Dissociation is the clinical reference to separating from reality and is employed as a survival mechanism of the central nervous system to guard against painful trauma. It should only be engaged when the emotional distress is so severe that it causes helplessness.

For the victim of ADHD where there is no emotional attunement and there is a negative arousal environment the only coping skills are to block out and this becomes an automatic brain activity. If this environment is continuously reinforced the child will not learn the skills needed to deal with frustration in a positive way.

Research indicates that children with ADHD are capable of focus when encouraged by an adult who is paying attention to them. This positive contact stimulates dopamine to the pre-frontal cortex. When a child is nurtured with greater security he/she is more focussed and less anxious. However when this attachment is missing children with ADHD will often charge about aimlessly in a frustrated puzzled anxiousness. This is in part due to their almost permanent dissociated state - because they cannot connect reason and emotion, their emotions rule.

Many parents of children with ADHD ask — Will my child grow out of this? The good news is — yes — but that is contingent on parenting attitudes being hinged on a deeper understanding of the child. In children with ADHD the cortex does not manipulate enough control over the arousal and emotion centres in the brain. The integration of what we know and what we feel is the healing process ADHD sufferers need. This integration is the key to help guide those with ADHD to self regulation and binding emotional attunement and attachment. In stress laden families or in dysfunctional homes there are many factors which create disorganised and distorted thinking one of which is difficulty in brain wave processing.

Recently I had the privilege of spending two days giving talks to pupils at the Ursuline secondary school in Thurles and later in the evening to the parents. One of the most important topics was — "Creating one's sense of self value and becoming the self". I suggested to the girls that a sense of self value is one of their basic needs, that this was their birthright and was not based on parental conditional love which implies — "I love you if you behave as I want you to, or you ought to be what I want". I told the girls that they should not have to do anything to earn love — because unconditional love can neither be lost or withdrawn. Unconditional love is based on the premise that a child should be able to expose the most vulnerable and "unlikable" sides without the fear of having love pulled away. However I must unequivocally state that this is not about accepting or condoning unacceptable behaviour but I suggest parents find ways to discipline a child without compromising the sacrosanct right of the child to unconditional love. Unconditional love fosters emotional growth self value, self worth, self actualisation and self esteem.

Eric Erikson in "Childhood and Society" states Parents who are faced with the development of children must constantly live up to a challenge — they must develop with them. In helping children with ADHD developing with the child is still more of a challenge.

PSYCHO STIMULANTS

Dr. Antonio Damasio renowned for his work "Emotion Reason and the Human Brain" wrote: I believe that one of the main efforts of neurobiology and medicine should be directing at alleviating suffering. The current trend however is to make no distinction between the suffering that arises from personal and social conflicts and medical problems and so the medical approach is utilised to eliminate any discomfort.

There continues to be controversy surrounding medications used to control ADHD. However the positive effects of the psycho stimulants "Ritalin and Dexedrine" are almost immediate. Reports suggest that students that have taken Ritalin even for a short time can assert themselves and go through a day without losing track. Psycho stimulants stimulate the activity of the cerebral cortex by balancing the levels of the neurotransmitters in the pre-frontal lobe of the brain and other centres that deal with arousal and attention. This allows the ADHD victim to feel calmer and more focussed. When children with ADHD are prescribed psycho stimulants it's important for both the doctor and the parents to emphasise to the child that they are not sick or that they have some disease and need to take medication to get well. As with all medications some suffer side effects and there is no predicting who may be prone as each person's brain has its own unique chemistry. All drugs are mood altering agents so if children sense they have to take chemical straitjackets to fit in they may very well tune out more. Researchers suggest that when psycho stimulants are prescribed that it is advisable to prescribe low dosage as they are different than other fixed dosage medications. If high dosage is prescribed the child may become tranquilised and there is an urgency to remember the aim in

medication is of reducing distractibility and improving concentration and not of reducing the child to a subdued zombie. Research has also shown that when there are adverse reactions they can usually be alleviated by adjusting the dosage.

PERSONAL APPROACH

In helping a child with ADHD the emphasis should be in promoting the child's development rather than in controlling the behaviour. Many people believe that parents with a child with ADHD are lax with discipline so dictate tighter controls are the answer. So many people confuse discipline with control and believe they should be harsh with discipline. The central aim of parents and teachers should be in motivating children with ADHD and not merely controlling behaviour. Every human has an intrinsic need for self actualisation, a sense of belonging and to feel competent and successful. The first way to foster those essential needs is to allow the child to develop this process within the self. This teaches the child that life is a balance of frustrations and satisfactions and this knowledge is fundamental to the development of high self esteem. High self esteem does not hinge on what a child does but on what he/she is. The development of internal motivation requires the fostering of attachment and autonomy. Children who do not feel attached to the primary caregiver become anxious and are unable to focus attention on experiences. They then transfer acceptance from parents to peer group and in this they often meet with rejection, humiliation and ostracisation. This baffles parents — at home ADHD children act rebelliously but at school submit to the whims of their peers, desperately wanting to be accepted. Autonomy is developed through support and not through pressure.

Supportive parents have the ability to establish healthy limits and boundaries rather than being permissive.

Children with ADHD are full of guilt, shame, depression and low self esteem. When he/she fails at a task low self esteem is amplified. This fractures the fragile ego of the child, he becomes discouraged and dejected and these feelings continue through adult life. High self esteem is the quality of self respect that is evident in a person's emotional behaviour and life. There are some who have a pseudo self esteem based on inflated views of he self, grandiosity and arrogance and confuse this with true high self esteem. They walk on moral high ground with a distorted sense of reality, criticising and wrongly judging others. This facade is their defence against feelings of worthlessness. Contingent self esteem evaluates - true self esteem accepts. Contingent self esteem is based on the ability to produce and it places great emphasis on the opinions of others. True self esteem is independent, steadfast and is anchored in who one is. Low self esteem and ADHD arise from stress in the home environment and a breakdown in emotional attunement and attachment.

Victims of ADHD are buried under a weight of — "Yes" and "I'm sorry".

Henry Miller wrote — "If you persist in throttling your impulses you end up by becoming a clot of phlegm. You spit out your inmost self and race through life like a madman pursued by phantoms and say with a perfect sincerity — I don't even know what I want in life."

Parents, teachers can write for further guidelines in coping and helping a child with ADHD heal and grow.

Dungarvan Toastmasters

Our recent drive for new members has been very well received. A number of people have joined the club already and at least one is already scheduled to give an Icebreaker. This is very important to us at Dungarvan Toastmasters in that we need fresh ideas and also it broadens the audience for people giving speeches.

We had a very full and enjoyable meeting on Thursday last. Once again we had a number of guests, some of whom joined up on the night. Marion DeBurca gave a speech on the craft of de-coupage. This was a stage eight speech from the Basic Manual. John Foley gave a speech on how to generate ideas, and structure an Icebreaker. John was working from the "Public Relations" manual. You are welcome to come along to any of our meetings in the Part Hotel at 8pm on the second and fourth Thursday of the month. For further details please contact John on 058 44666, or Dorothy on 058 42644.

Winston Boyle gave a humorous speech and he goes forward to represent our club in the Area final in Tramore on Friday the 6th of October. Michael Clarke will represent the club in the Topics contest on the same night. All those members travelling should meet outside the Park Hotel for 6.40pm. As we know from past experience, we are always guaranteed a good night, as Tramore is a very lively club.

Talking of humorous speeches, here are a few tips from Toastmaster magazine, about using humour in your speech. Take charge of the stage. Most comics come on stage with confidence. Use a powerful opening, in order to grab your listener's attention. It is important to win over the audience from the start. Be Original - no professional comic wants to be caught telling an "old joke". The material they deliver should be innovative and inventive. Bring energy to the stage to sell your routines, and win over your audience.

COUNCIL NEED TO EXPLAIN RING/OLD PARISH DRAFT DEVELOPMENT PLAN

In welcoming the publication of the Ring/Old Parish area action plan, a local representative has urged Waterford County Council to clarify the planning strategy it proposes in the draft document. Speaking at an Udarás na Gaeltachta meeting in Sligo on Friday September 29th, Cllr. Fiachra O Ceilleachair said the detailed analysis in the plan — which is currently on public display and open to submission to the middle of December — is of great assistance to anyone interested in the development of the Waterford Gaeltacht region. Cllr. O Ceilleachair added, however, that locals are anxious to establish the practical implications of various measures. Cllr. O Ceilleachair hopes the Council will act sooner rather than

later on his request for open information days to be held in both Ring and Old Parish.

"The three settlement units of Heilbhic, Baile na nGall and Maoil a' Chóirne in Ring are singled out as was the case in the 1999 County Development Plan. Whereas there appears to be an assumption that estate development will not be possible in those areas, there is need to clarify that the application of "open space" or "green belt" guidelines will not result in a complete ban on houses in those parts of the areas concerned.

For areas of Ring outside the three zoned settlement units and throughout Old Parish, there needs to be clarity that individual applications will be treated on their merits. The policy and expectations of the Council in this respect need to be expanded. Questions in relation to availability of sites on what has been farming lands must also be addressed, in addition to the implementation of linguistic impact criteria in some applications for development. Regardless of the explanation days I am seeking, it is my own opinion that a copy of this important draft document should be distributed to every household in Ring and Old Parish. I hope a positive and balanced outcome results from the debate the County Council has encouraged."

TIDY TOWNS REPORT

OVERALL DEVELOPMENTAL APPROACH

The documentation is impressive. Now in the second year of the Developmental Plan, a great deal has been accomplished already and work is quite obviously continuing apace. There is enormous evidence of a vibrant community expanding rapidly in many directions, bringing the challenges as well as the problems which prosperity creates. What your plan does not give is a year by year table showing which projects are due to end in which year - perhaps your policy is to proceed on all fronts at the same time and complete all projects in the same year. In the matter of proposed awards, it would be counterproductive to enter projects which have not been finished, because they would most certainly not be entered.

tained: please suggest these again at a later date. In the matter of marking too, an increase might be expected under certain headings after the principal projects in that category have been completed. Your map has been an enormous help in identifying salient sites.

TIDINESS

There are several neglected 'corners' in the town, not occasioned by ongoing develop-

ment work - for example, a few yards north of the Arts Centre. Much of the untidy impression is occasioned by the amount of garish signage - each site taken on its own may not appear untidy at all but overall the effect is of clutter. The neighbourhood of the Eurospar development is particularly unprepossessing. The network of overhead wires, contributes unfavourably. Kerbside weed was not prevalent.

WILDLIFE AND NATURAL AMENITIES

It is an important step to have had dumping prohibited by the shoreline south of the Sports Centre and the area designated as a wildfowl habitat. Your liaison with the Wildlife Conservancy is welcomed and progress is looked forward to.

CARAVANS DEPART

The people of Abbeyside will be delighted to hear that the caravans parked in Stokes Field, adjacent to Abbeyside Church have departed. The only evidence of their encampment throughout the summer months is a burnt-out car and a heap of rubbish piled against the wall. To gain entrance to Stokes Field, the travellers knocked down two sections of the low-sized railing and a heap of stones presumably placed there by council workers to prevent entry to the field by these entrants.

In recent weeks, the greatest source of annoyance to locals was the abuse of the Clogas by these imposters. The Clogas has always been the object of great interest to tourists and visitors and needless to say, it has been revered and respected by parishioners here, particularly those whose relatives are interred inside the old building. It was recently seen on a television clip and the monumental section of the Board of Works have an interest in its preservation.

So another saga of travellers setting up camp in Abbeyside has ended. We remember another encampment under the New Line Bridge earlier in the Summer but these did not stay as long as those in Stokes Field.

OFFICIAL RE-OPENING OF ABBEYSIDE N.S.

Friday next, the 6th October will be a historic day in the annals of Scoil Mhuire, Abbeyside when the new extension to the school will be officially opened. What a massive and practical millennium project for the citizens of Abbeyside to celebrate!

The day will commence with Mass at Abbeyside Church at 10.00 a.m. at which the chief celebrant will be the Bishop of Waterford and Lismore Dr. William Lee. The school choir have put in a lot of practice recently under the direction of school principal - Mr. Finbarr Keogh and they should be worth listening to.

Following the Mass, the spotlight will transfer to the school premises itself where it is hoped the present Minister for Education Mr. Michael Woods will be in attendance to unveil a plaque in the school grounds. Weather permitting, the pupils of the school will line up outdoors for the unveiling ceremony. Following that, the pupils will be given the rest of the day off. Other celebrations will take place and we are sure the Minister and his Lordship, the bishop will be suitably entertained.

RED BRICK WALL

This is being constructed around the Hermitage Estate. It is the section of the estate facing Abbeyside School. The wall is aesthetically pleasing and is now nearing completion.

ABBEYSIDE GRAVEYARD

It was pleasing to see a Fas employee cutting grass with a strimmer during the early part of this week.

ABBEYSIDE SCOUT NOTES

Last week saw an active meeting being held with games, sketches and preparation for the upcoming scout Mass being on the agenda. To begin with everybody's uniform was checked to see that everything was where it should be then a note was taken of what was missing as a trip to the scout shop is on the cards in the coming weeks to purchase whatever is necessary. Following this we were joined by troop chaplain Father Keogh who explained the format for the upcoming annual scout Mass for deceased members which this year will be held on the first Friday in November and will have a slightly different format to the Masses of recent years while at the same time retaining the best of what it is all about. Next on the agenda was a practise for the Feile which is being held in Melleray scout centre next weekend and is the annual scout celebration of Irish sport. The cost to individual scouts is seventeen pounds and all are reminded to bring the usual cutlery, sleeping bag, sport gear etc. Towards the end of the meeting the camp P/L's and A/P/L's along with Muller headed to Waterford to try to get in to see "Scary Movie". However as this was an overage rated film all got to see instead the movie Jimmy Grimble which is about a boy who wants to be a soccer star. All agreed that this was an excellent film and it was discussed at length over a hamburger or two in the local MacDonalds restaurant. During this meal Kelvin showed how good a magician he was by making a burger disappear in one bite, much to the disgust of all present. On the way home a number of possible programme options were discussed for the upcoming months including among others the troop birthday party and the winners of this years NLB award.

ATTENTION

As most of the troop are involved in the Feile this weekend there will of course be no meeting on Saturday night but rather on Saturday the 14th at the usual time.

SILVER MEDAL

No, Sonya is not giving her silver medal to us for the Archive! Last week a man did give us a silver medal, I understand it was struck to mark the launch of a U.S. space shuttle on Sunday next the 8th October. As it's slightly bigger than a pound coin, we cannot leave it around but at a future date we hope to display it with the two items we have on the American Hubble Telescope. Getting back to earth, Ann Allridge will be minding the 'treasures' at the Parish Office this Sunday evening. All visitors will be most welcome along. Admission is free.

PRESENTATION

Recently Anne McCarthy of the Murphy Place Residents Reunion Committee handed over a cheque for £350 (the proceeds of the reunion night) to Betty Tutty, Chairperson of Abbeyside Senior Citizens Committee.

HURLING VICTORY

Abbeyside Intermediate hurlers had a wonderful victory over arch-rivals Ring in the semi-final of the Western Championship at Fraher Field Dungarvan on Saturday evening last the 30th September. For most of the way it was a close, tight encounter with no quarter being asked or given on the field of play. However, in the last ten minutes, the Abbeyside players gave an exhibition of point scoring from all distances and angles, the like of which has not been seen from an Abbeyside team since the first half of the Senior County Final against Mount Sion in 1969 - a game unfortunately we lost to a second-half comeback by the city-men.

Abbeyside have now qualified for the Intermediate Western Final and they will play Fourmilewater from the Ballymacarby area.

Earlier in the day, Abbeyside's Junior Hurlers scored an excellent victory in the championship against Cappoquin so there will be a buzz in the club as we progress into the month of October.

Ballinacourty Junior "A" and Junior "B" footballers have championship matches to look forward to so the training grounds should be hive of activity in the weeks ahead.

REPRESENTATIVES TO IRISH PARLIAMENT

The Dungarvan/Abbeyside area as well as Lismore and Tallow had each the privilege of electing two members to serve in the Irish Parliament and we have records which have been unearthed by the historian Mr. Egan giving the names of the representatives from the year 1559. This is the earliest date for which lists can be found in the Public Record office. The dates of the returns of the Members of Parliament are also given. It should be mentioned that the franchise was a restricted one, probably thirty or forty voters only being allowed to vote, as religion was a barrier to the extension of the franchise, and in almost off cases, the Lord of the Manor had sufficient influence to have his own nominee returned as representative. In looking over the lists of the members for the city and county, we find the names of the Walshes, the Sherlock's and the Powers as well as the Beresford's to predominate.

A PRAYER TO THE BLESSED

VIRGIN (Never known to fail) —
O most beautiful Flower of Mount
Carmel, fruitful vine, splendour of
heaven, blessed Mother of the
Son of God, Immaculate Virgin
assist me in my necessity. O Star
of the Sea help me and show me

Holy Mary Mother of God, queen

beseech you from the bottom of
my heart to succour me in this
necessity; there are none that
can withstand your power. O
show me herein you are my
mother. O Mary conceived with-

recourse to thee (3 times). Holy
Mother I place this cause in your
hands (3 times). Holy Spirit, you
who solve all problems, light all
roads so that I can attain my
goal, you who gave me the divine
gift to forgive and forget all evil
against me and that in all
instances of my life you are with
me, I want in this short prayer to
thank you for all things as you
confirm once again that I never
want to be separated from you in
eternal glory. Thank you for your
mercy towards me and mine.
The person must say this prayer

IN MEMORIAMS

COWMEY — First Anniversary — In loving memory of my dear husband Tom, late of 30, Shandon Street, Dungarvan, who died on October 10, 1999.

Anniversary Mass on Sunday, October 8 at 11 a.m. in the Friary Church, Dungarvan.

One full year has passed now.

And still I wish and pray, That I could have you back with me.

If only for one day, So many things have happened, Tom, Since you passed away, Things I could have shared with you.

If God had let you stay, You had a smile for everyone.

You had a heart of gold, You left the sweetest memories, Tom.

That I will always hold, To me you were so special, So caring, kind and true, You'll never be forgotten, For I thought the world of you.

Will those who think of Tom today,

A little prayer to Jesus say, (Sadly missed and always remembered by your loving wife, Mary.)

DELANEY — Third Anniversary — In loving memory of John Delaney, Old Road, Tallow, who died on October 7, 1997.

If memories bring us close, Dad,

We are never far apart, God has you in his keeping, We have you in our hearts.

Call his name out softly, Lord, And when he looks your way, Tell him that we love him, And miss him every day.

(Always remembered and sadly missed by your loving wife Mary, sons, daughters, sons-in-law, daughters-in-law, grandchildren, great-grandchildren.)

HANRAHAN — Fifth Anniversary — In loving memory of a husband and father, Peter Hanrahan, Tivoli Terrace, Cappoquin, who died on October 10, 1995.

Just the average family, We didn't ask for more, Then life was changed completely.

With the knock upon our door, This awful thing had happened.

And none of us knew why, You were never coming back again.

And we didn't say goodbye, We'll never understand it, It seems so unfair, Will those who think of Peter today,

A little prayer to Jesus say, (Never forgotten by your wife Brigid, sons Shane and Kenneth and daughter Rachel.)

KENNEFICK — Sixth Anniversary — In loving memory of my husband William, late of Ballysaggart, Lismore, who died on October 8, 1994. R.I.P. Masses offered.

Time passes, memories stay, Quietly remembered, every day, (Sadly missed — your loving wife, Mary.)

MURPHY — Ninth Anniversary — Fond memories of our dear Mam, Norah, late of Villierstown, who died October 2, 1991.

Anniversary Mass on Sunday, October 8, in Aglish Church.

OUR MOTHER

A mother's love is a gift indeed, For her child it is the greatest need,

We lost ours, many years ago, 'en we speak of her, tears still flow.

There were times I yearned to have her near, Her consoling words once more to hear,

To take her hand and see her face, To feel once more her warm embrace.

We shared great joy by her side, There were tears sometimes she failed to hide,

For a mother's heart is a fragile thing, Must cope with setbacks life can bring,

What a wonderful mother role she played, And the sacrifices that she made,

If we only had her back today, There is so much kindness to repay,

We lost the dearest mother of all, She was there for every beck and call,

We still share many thoughts and tears, And sadness still after nine long years, (Always loved and remembered by your loving sons and daughters.)

O'BRIEN — First Anniversary — In loving memory of our dear brother, Pat O'Brien, 59, Cathal Brugha Place, Dungarvan, whose anniversary occurs on October 6.

A year ago I had to part, With the brother I loved with all my heart,

We shared some laughter and some tears, But the years we had, were great years.

I keep in my heart the love of the past, There it is planted forever to last,

As time passes by, you are still by my side, Ours was a love death can never divide.

(Always remembered with love — Danny, Noreen, Eddie and family.)

O'BRIEN — First Anniversary — In loving memory of our dear uncle, Pat O'Brien, 59, Cathal Brugha Place, Dungarvan, whose first anniversary occurs on October 6.

God must have thought you special, To take you the way He did, They say He only takes the best,

And this He surely did, Look around Your garden, Lord,

For an angel with a smile, He won't be hard to recognise, He must stand out a mile.

(Your loving niece Kelly and John.)

They say that time heals everything, That broken hearts will mend, But we lost two important things,

A son and brother, You had a smile for everyone, A heart of gold so true,

There's not a day goes by, When we don't think of you.

(Always loved and remembered, never forgotten, your loving Mam, Dad, sister Sonya, brother Michéal.)

The day we lost you, P. J., It was like the heart was torn out of our family,

Our home is so empty and lonely without you, Losing you P. J. is so hard to bear,

No words can describe or explain, The terrible hurt and pain we feel inside,

Memories of you are lovingly kept, Someone too special to ever forget,

I hear your voice still, I learned your love for life, You smiled and all the joy of youth,

Was in your eyes, With desolate heart I go through each day,

The terrible pain will not go away, While we are apart I will hold you in my heart,

Although we cannot see you, P. J., You are with us night and day, We are never alone because thoughts of you warm our hearts,

Until we are together again, We love you, P. J. and always will.

WOODS — Second Anniversary — In loving memory of Bidget Woods, 47, Caseyville, Dungarvan, who died on October 3, 1998.

I am home in heaven, dear ones, Oh, so happy and so bright, There is perfect joy and beauty,

In this everlasting light, All the pain and grief is over, Every restless tossing passed, I am now at peace forever, Safely home in heaven at last,

Did you wonder I so calmly, Trod the valley of the shade, Oh but Jesus' love illumined, Every dark and fearful glade,

And he came himself to meet me, In that way so hard to tread, And with Jesus' arm to lean on,

Could I have one doubt or dread, Then you must not grieve so sorely,

For I love you dearly still, Try to look beyond earth's shadows, Pray to trust Our Father's Will,

There is work still waiting for you, So you must not idly stand, Do it now while life remaineth, You shall rest in Jesus' land,

When the work is all completed, He will gently call you home, Oh, the rapture of that meeting,

Oh, the joy to see you come, (From your loving daughter Mai, Mike and family.)

IN MEMORIAMs

WOODS — Second Anniversary — In loving memory of our mother, Bridget Woods, late of 47, Caseyville, Dungarvan, who died on October 3, 1998. Anniversary Mass offered. Sometimes we sit and wonder, And look up at the sky, And wonder what you're doing, Mam, And sometimes we will cry, And looking down from heaven, With a big smile on your face, You're saying to us don't worry, For heaven is a beautiful place, Our hearts are full of memories, With pride we speak your name, Though life goes on without you, It will never be the same, So if there's another world, And we are born once more, All we want is you, Mam, And the love we had before, Our Mam was so special, So was her name, Without her to love, Life isn't the same, God bless you, Mam, You were one of the best, (From your loving daughter Nellie, sons John and Michael.)

WOODS — Second Anniversary — In loving memory of our dear mother, Bridget Woods, 47, Caseyville, Dungarvan, who died on October 3, 1998. She never failed to do her best, Her heart was true and tender, She worked and toiled for those she loved, And left them to remember, We sat beside your bedside, Our hearts were crushed and sore, We did our duty to the end, 'Til we could do no more, In tears we watched you sinking, We watched you fade away, And though our hearts were breaking, We knew you could not stay, You left behind some aching hearts, That loved you most sincere, I never shall and never will, Forget you, mother dear, (From your loving son Francis, Annette and family.)

WOODS — Second Anniversary — In loving memory of my dear grandmother, Bridie Woods, late of 47, Caseyville, Dungarvan, who died on October 3, 1998. R.I.P. My life goes on without you, Nan, But things are not the same, It's hard to lift the heartache, When someone speaks your name, Some say as time goes by, The heartache will subside, But the feelings in my heart today, Are the same as the day you died, The words I write are nothing, Nan, Of the way I feel, I miss you more than any words, Could ever quite reveal, These past two years without you, Are the loneliest I have known, I treasure every thought of you, And keep you in my heart, So if you see me cry, Nan, And looking very sad, It's because I love and miss you, From the bottom of my heart, (Loved and remembered always by your loving granddaughter Moira and Mike.)

WOODS — Second Anniversary — In loving memory of my dear mother, Bridget, late of 47, Caseyville, Dungarvan, whose anniversary occurs on October 3. A little tribute small and tender, Just to show we still remember, A heart of gold, a life so true, Loved and respected by all she knew, Always willing, helpful and kind, What beautiful memories she left behind, Will those who think of her today, A little prayer to Jesus say, (From your son Matt and daughter-in-law Cait.)

WOODS — Second Anniversary — In loving memory of our dear Nanny, Bridget Woods, 47, Caseyville, Dungarvan, who died on October 3, 1998. Gone from our home that smiling face, The cheerful, happy ways, The heart that won so many friends, In bygone happy days, Lonely is the home without you, Life to us is not the same, All the world would be like heaven, If we could have you back again, In dreams we see your smiling face, And kiss her tender brow, But in our aching hearts we know, We have no mother now, The voice is now silent, the heart now cold, The smile and welcome that met us of old, We miss her and mourn her, in sorrow unseen, And dwell on the memory of days that have been, (From your grandson Patrick, Mai and Aaron.)

WOODS — Second Anniversary — In loving memory of my dear grandmother, Bridget Woods, late of 47, Caseyville, Dungarvan, who died on October 3, 1998. God called you home so quietly, That only you could hear, No one could see the footsteps, Of the angels drawing near, You left us all so suddenly, We could only wonder why, But the saddest part of all, Nan, You never said goodbye, (Always remembered by your granddaughter Mary and Danny and greatgrandchildren Michelle, Trevor, Kenneth and baby Lee — always miss you.)

KIELY — Gerald Kiely, late of 75, Congress Villas, Dungarvan, who went to his eternal reward on October 2, 1969. Though he may be gone, Memories linger on, I miss him, the auld man, (From his loving son Jimmy, Theresa and family.)

May the Immaculate Heart's flame of love, Burn brightly in the lives of those who remember you, As it did in your life here on earth, May the Precious Blood protect all whose lives you touched, Dad, As we wait in joyful anticipation Of meeting you again in God's eternal kingdom, God bless you, sweet heart, (Fondly remembered by your loving daughter Ann Marie and granddaughter Terry.)

Horse Racing

BY MARK PHILLIPS

THE GIANT TO STAND IN IRELAND

Good news for Irish horse breeders was the announcement last week that a prolific Group One winner is to stand at Coolmore Stud in County Tipperary rather than at the Ashford Stud also owned by Coolmore Stud in Kentucky. Giant's Causeway accumulated six Group One victories and his record reads nine wins and three seconds from twelve outings. By a strange coincidence Giant's Causeway must face Fussichi Pegasus in a Breeder's Cup Classic at Churchill Downs and after that race the latter will also be retiring to stud duties at Ashford in Kentucky.

NO LUCK FOR GRAND FINALE

Curragh trainer Dermot Weld was out of luck with his recent runner Grand Finale at Belmont Park finishing eighth behind the former Aidan O'Brien trained *Ciro*. *Ciro* finished a well beaten second behind *Sindaar* in the Budweiser Irish Derby but his career had really blossomed since going stateside and he is now considered one of the leading performers in the U.S.A.

THIS WEEK'S FIXTURES

Wednesday: Fairyhouse 2.30 p.m. Towcester, Exeter, Lingfield.

Thursday: Thurles 2.30 p.m. York, Ludlow, Wincanton.

Friday: Downpatrick 3.00 p.m. Carisle, York, Huntington.

Saturday: Cork 2.00 p.m. Navan 2.15. Hexham, Bangor, Ascot, York, Southwell.

Sunday: Punchestown 2.00 p.m.

FUNCTION DREAM SCORES

Some weeks back we informed readers that the ex John Joe Walsh trained *Function Dream* was dispatched to the North of England to the Mary Reveley Yard. We also stated that the eight year-old mare was well forward in her work and would run well first time out. Well up she popped at Uxeter last Saturday in a handicap chase and duly came home in front, at the rewarding odds of 8/1.

SINDAAR TOPS IN FRANCE

Irish racing received a terrific boost last Sunday as the John Oxx trained and Johnny Murtagh ridden *Sindaar* produced yet another scintillating display and captured the prestigious Prix de L'Arc De Triomphe. The race favourite *Montjeu* proved a major disappointment trailing in in fourth spot. He failed to quicken in the closing stages and really didn't look comfortable when put under pressure by his rider.

AIDAN'S PROFITABLE WEEK

Co. Tipperary trainer Aidan O'Brien enjoyed a profitable week at Newmarket last week, with impressive victories for *Minardi*, *Mozart* and the two-year old *King Charlemagne* who got the full treatment from Michael Kinane.

SINDAAR RETURNS

Arc hero *Sindaar* returned to the Co. Kildare stables of John Oxx safe and sound but he has now run his last race this year. A decision on whether or not he continues his career as a four-year-old next year will be taken later on this year.

TRAINER PARKER DIES

Fifty-five year old Scottish trainer Colin Parker died at his residence in Dumfriesshire last Friday. He was suffering from bone marrow cancer since last summer and had been ill for quite some time. One of his best ever

horses was *Sparky Gayle* who went unbeaten through six races during the 1996/1997 season. *Sparky Gayle* also captured the Cathcart Chase at Cheltenham. His son Andrew has taken over his late father's licence with immediate effect and hopes to have his first runners at Carlisle.

FIRST FOR TWENTY TWO YEARS

Sindaar owned by the Aga Khan became the first Irish trained winner of the Arc since *Alleged's* second triumph for now retired trainer Vincent O'Brien back in 1978. When informed of the fact that *Sindaar* is the first horse to win English and Irish derbies and Arc, he said that "*Sindaar* is an exceptional horse".

SYDNEY TWO THOUSAND DEAD

From time to time The Irish Field newspaper publishes names of horses that recently died and one name to catch my eye in last week's edition was *Sydney Two Thousand*.

SCANDINAVIAN SUCCESS FOR EDDIE

Jockey Eddie Ahern is certainly clocking up the winners in Norway and Sweden this year. Four trips to both these countries have yielded a total of twelve winners.

COOLMORE BOSS TOPS SHEIKH MOHAMMED

Coolmore boss John Magnier has clashed more than once in the sales ring with Sheikh Mohammed in the past number of weeks. Three weeks ago the location was the sales in Keenland in the U.S. where Magnier went to an astonishing 5.8 million dollars to secure a Storm Cat yearling. John Magnier was also feeling flush at last week's Newmarket sales dishing out £3.4 million guineas for a Sadler's Wells colt. The under-bidder in both cases was Sheikh Mohammed.

J. P. PURCHASES JACKDAW'S CASTLE

A well known owner recently purchased the ultra modern *Jackdaw's Castle* for around £4 million pounds from the previous owner Colin Smith. When David Nicholson retired as trainer in residence Smith installed Richard Phillips as his trainer but with new owner J. P. McManus now in charge, the scene is set to change. County Limerick owner J. P. announced that county Cork born John Joe O'Neill will now be installed as the new trainer at the "Castle" which is situated quite close to Cheltenham Racecourse. John Joe will make the move South from his present location at Penrith in the North of England at the end of the season.

TIPP. DOWN BUT NOT OUT

Tipperary racecourse are naturally disappointed at losing last Sunday's fixture to Cork due to waterlogging but they are eagerly awaiting their All Jumping fixture on October 21st which boasts prize money of £155,000. *Istabrack* which has run at this fixture in the past will not run at the meeting but will be on parade. Owner J. P. McManus will be represented in the featured Hurdle Race.

BANNOW BAY AT CORK

Having his first race outing since the early part of this year, Cheltenham runner-up *Limestone Lad* tasted defeat last Sunday at Cork going down by five lengths to the vastly improved five-year old *Bannow Bay* trained by Christy Roche. *Limestone Lad* clouted a number of hurdles and is certain to come on for the outing. The progressive *Bannow Bay* could next appear at Ascot or Navan but he will definitely keep to jumping hurdles and not fences for the foreseeable future.

WALKING CLUB NOTES

OPEN DAY

The club Open Day held recently proved very successful with a large number of newcomers joining us for a short introduction to the Comeragh's. The club extends a warm welcome to the people who joined up on the day.

LISMORE CAMOGIE CLUB NOTES

Our Under 16 team played their County final on Sunday last against a strong Ardkeen team in Abbesside. Lismore started slowly with Ardkeen putting on a lot of pressure in the opening half of the game. Lismore fought hard holding Ardkeen to two points in the first half but they failed to break through the Ardkeen defence, leaving the score 0-2 to 0-0 at half time. The second half was a close fought contest with both teams giving it everything Lismore eventually broke through the Ardkeen defence to score the first goal of the match. Ardkeen came back to score two goals and a point in quick succession leaving our girls trailing by two goals. Our girls fought back hard but a goal and a point in the last minutes were not enough to defeat the strong Ardkeen side. The final score was 2-3 to 2-1. This was a great display by both teams unfortunately our young team could not claim the title on this occasion but they will be back again. We would like to thank the many family and friends who were at the match to give the girls their support it was great to hear the cheers from the sideline.

Our Under 11s were in action as well at the weekend when they took part in a tournament hosted by the Butlerstown club. Our girls got off to a great start beating Gaultir well. They then went on to play Portlaw and Butlerstown beating both to earn them a place in the final. Their opponents were again Butlerstown, this was close match with both teams trying hard. Unfortunately this was not to these girls day as they were beaten by a goal in the last minute on a scoreline of 2-0 to 1-1. It was great to see these young girls out showing what they can do with some great performances all round. Congratulations to Shelley Keane who got player of the tournament.

Our Under 18 team will be in action in a couple of weeks so we want to see everyone up in the field on Friday night at 6:30pm.

Stradbally G.A.A. Club Notes

THE LATE MOSSIE CASEY

We record the sudden death of a Stradbally Football Legend, Mossy Casey last Friday morning. Mossy was known the length and breadth of the county and followed the fortunes of the Stradbally Club throughout his life. It is fitting that long time friend and team mate Tom Foley gave the following oration at his grave side. Tom sympathised with the Casey family and thanked them for the contribution Mossy made to the Stradbally Club over the many, many years.

"In the early fifties after the golden years of the forties where they won five championships in a row the team was regraded to Junior and for a period in those years it looked as if it would go out of existence and the parish became very worried. Word came through that there were a few promising young footballers in Ballylynch which was in the Faha area. Mossy joined the Stradbally Club. He influenced others to join, his brothers, Pierce, Eugene and Austie, the Connors of Fahafeelagh, the Guirys, the Goughs, Billy Barry, the late Jim Power and mentors Dan and Paudie Flynn and again the nucleus of a team was formed. They went on and won the Junior Championship in 1957 beating Gaultier and returned to Senior ranks.

As a player he was fast and skilful and was a brilliant midfielder. The nearest he ever got to winning a senior medal was in a final in 1961 which Stradbally lost to Mount Sion. Something he yearned for until Father Time caught up with him.

In later years when he visited his local - Crotty's of Leamybrien and when the friendly and not so friendly arguments about football took place with the Kilrossanty Boys he was painfully reminded of his medals. But his day came in that hostelry when his nephews the O'Briens, Eoin, Conor, Fintan, Liam and Mike lifted the Conway Cup three times in the eighties and one of his trademarks was to put two fingers into the top pocket for the money to fill the cup.

Simple passions, the GAA being foremost. Farming from which he was very successful after coming from a small base. The mart in Dungarvan on a Monday and a visit to the Enterprise Bar prior to the mart where he would cross swords on many topics with the Ardmore boys. It was ironic that he died suddenly attending his stock. But we know he died happy in the belief that his wife Molly along with the family will look after the family farm and its stock, something he worked so hard to achieve, and the belief that sons Maurice and Patrick will carry the Stradbally flag on the playing field in hurling and football. May the sod of Faha in the Parish of Stradbally lie gently on his breast. May he rest in peace"

To his wife Molly and family we the Stradbally GAA Club offer our deepest sympathies. May he rest in peace.

DEISE DRAW

Despite the most recent Deise Draw being held in Stradbally we unfortunately had no winners on the night. Home advantage is not always a help. Hopefully better luck the next time.

ALL IRELAND LADIES FOOTBALL

Fifty six people from Stradbally travelled on the Stradbally bus to the All-Ireland Ladies Football Final. Despite the result it was a most enjoyable and successful day. Great credit must go to Kieran Heffernan and Melissa Fennell who organised the day out.

TRIP TO DINGLE

The trip to Dingle for our players is being organised at the moment with the weekend of the 10th of November being pencilled in. This is the weekend away won by the Senior Football team in the Garveys Super Value County League. There is great interest being generated by non-players who want to go on the weekend. Details and cost can be had from Pat Fennell or Breda Kiely. It promises to be a great weekend.

DARTS NIGHT

The Waterford Darts Federation are having a prizegiving night on Friday the 20th October. Tickets are on sale at present at £5 each. Music is by Bim & Ben and food will be served. For further details contact Ciaran Corbett.

CUNNIGAR PITCH AND PUTT CLUB NOTES

JOHNNY LYNCH SCRATCH CUP

On Saturday the Johnny Lynch juvenile scratch cup got underway with a large number of juveniles taking part in and there was a great battle for the nett and gross prizes. On behalf of the Cunnigar club we would like to thank most sincerely Johnny Lynch for his sponsorship of the juvenile scratch cup.

RESULT

In the gross there was a great battle between Jason Hackett and Barry Hamilton. They both played excellent pitch and putt but in the end it was Jason who came out on top. Well done Jason on a great performance. In the nett it was David Brophy and Brian Foley who fought out a great finish with both players playing a very high standard of pitch and putt, but in the end it was David who came out on top. Well done David on a great win.

TURKEY TOURNAMENT

Last Sunday our first tournament of the season got underway in very wet conditions. Despite all this it was the partnership of John Carroll and T. F. McCarthy who came home in the nett with a wonderful score of 78 nett. This was another great performance from John and T.F. to win in great style, well done. In the gross it was the partnership of Lenny Duggan and Mikes Donovan who won this with a great score of 15 gross. This was a great performance by both Lenny and Mikes, in wind and rain, to hit such a wonderful score. Well done lads.

WATERFORD TUESDAY SEPTEMBER 26TH

Lakefield Prince Was In A Hurry

After the top class fare of the previous Saturday night it was back to an all graded card for this mid-week meeting. Proceedings opened with two contests confined to unraced types and in the first of these Watty Walsh's Kellsboro Hope (Mountleader Peer-Blackstone Lucky) 6/4 accelerated into the first bend to shoot clear of Mindies Wish. To her credit the latter never gave up the chase but "Kellsboro" came out on top by a length and a quarter in 29.74.

Ken O'Neill's first timer So Smooth (Smooth Rumble-Noreen) was the best back runner at 1/1 in the second event and breaking smartly the jolly old favourite had an easy time of it up front romping to a two and a half lengths win over Lukes Warrior in 29.57.

Narabane Thunder made a brave effort to make every post a winning one in the third but not for the first time in his career he cramped between the bottom two bends as the Geraldine Hearne owned Alaska Snow (Arrigle Buddy-Seafield Lemon) came in from the cold at odds of 4/1 scampering well clear on the run to the winning line to score by six and a half lengths in a best ever 29.76.

4/1 shot Clone Skittles (Nuke Painter-Kevin's Solo) shed his maiden tag for Gorey owner Andy Dwyer leading all the way in the fourth to oblige in 29.65. Taking a flyer from trap one Clone Skittles held a clear lead over Off Trade and Hayes Dilemma and despite a flying late run by the 6/4 favourite May's Duck Clone Skittles held his composure to triumph by half a length.

As the racing progressed so too did the winning times. In the sixth the early paced Vigilant Olly was out in front for a long period but the always well placed Springview Toby (Mr Pickwick-Springfield Jill) 3/1 finished with a rattle to outstay "Olly" by a length in 29.39. The winner is owned by Mary Hanrahan and trained by Mick Hoy.

Clonmel publican Eddie Ryan teamed up with trainer Derek Kehoe to capture a 300 yard sprint with the fleet footed Lisnakill Alfie this October 98 son of Super Hoffman and Lisnakill Penny justifying evens favourite producing a nice burst of early pace to glide past Barntown Magic before proving three and a half lengths to fast for Manderville Mike in a creditable 16.52.

Only four runners went to post for the seventh contest with the eventual winner Southlodge Loui (Come On Ranger-South Lodge Lady) 2/1 coming from last to first to credit owner Desna Hattemore's with a speedy 29.18 victory. Just as Premiere Quest and Savana Byron were settling down to scrap it out "Southlodge" swept into the lead close home on the wide outside to register a half a length win over Sa-

vana Bawn.

From a limited number of bitches stud dog Powerful Flash who stands with Michael Delahunty is getting his fair share of winners. Yet another winner for this up and coming sire was Michael Fitzgerald's 5/4 favourite Catsrock Raven ex Catsrock Breeze who bombed away from trap three to run out a very impressive nine and three quarter lengths winner over a running on Mellaray Best in an eye catching 29.16.

The early pace of Derwent King carried him into a clear lead over his three opponents in the ninth but he began to send out distress signals from the thirds bend home as the May Aylward owned May's Petaldante (Blue Lagoon-Droopys Daphne) 4/5 made rapid late ground to post her second consecutive race success by a short head from Trouble Free in 29.54.

The final race of the evening saw Lakefield Prince (Spiral Nikita-Lakefield Queen) fly around in 29.01 the fastest return of the night. Martin Kiely's black produced the goods early on from trap two shooting into a clear advantage and the opposition never got in a blow with Lakefield Prince coasting to a seven and three-quarter lengths win over Coolmohan Jillie.

WATERFORD SATURDAY SEPTEMBER 30TH

Droopy's Dominates Puppy Stake

It's hard to keep the well known prefix "Droopy's" out of the news lately but top performers deserve top billing and running in the second semi final of the Dave Maltby Baker sponsored Savana Open Puppy Stake Droopy's Kewell (Larkhill Jo-Perrys Pusher) 2/5 produced yet another outstanding performance obliging in 28.59. Senahel Bob was well away from his middle draw but Droopy's Kewell eased his way into a first bend lead on the rails. It was plain sailing for the Sean Dunphy and Laurence Blunt owned runner from that point home as he cruised to a two and three-quarter lengths win over a fast finishing Modena.

Not for the first time Cork form failed to stand up in the first semi final as the red hot favourite Foreign Chick 4/5 could do no better than finish in third spot. Victory here went to the 7/2 shot Noreview Breeze (Phantom Flash-Catsrock Breeze) this Milo Lavery owned and Nicky Grace trained runner sprinting into a first bend lead from a fast starting Savana Bawn racing clear to record a two and a half lengths victory over Sergeant Battie in a speedy 29.00.

In the first of ten races The Mary Walsh owned Monmahogue Dash (Smooth Rumble-Stone Rose) the heavily backed 4/5 favourite came back a second time to defeat Jim and Tom also well supported at 5/4 to triumph in 29.36. Jim and Tom took over in the lead running down to the third bend but "Monmahogue" came with a renewed effort up the home stretch to open her account by a length. Stone Rose the dam of the winner is in the care of the flamboyant Kevin Kennedy who is now waiting for his brood bitch to come in season to breed from her once

again.

There was plenty of mayhem at the opening turn in the second race as the leading pair of runners Gee Ollie and Painter Profile were both badly hampered. This incident left the Ian Rutherford owned and T Smith trained Ian's Miracle (Spiral Nikita-Serene Lady) 3/1 all alone up front and this well bred sort scampered clear for an easy five and a half lengths win over Scallywag Doll in 29.35.

Powerful Spiral and Cockle Seller exchanged the lead on a number of occasions in the third race with the pair flashing over the winning line together. Most observers felt that Powerful Spiral the evens favourite had hung on but the verdict went in favour of the Willie Clancy owned 5/1 outsider Cockle Seller (Fly Prince-Monmahogue Sally) by a short head in 29.47. This victory for Cockle Seller a March 99 whelp was a second career victory as she already tasted success over the sprint trip at this venue in August.

Telex Rose made a brave effort to lead all the way in a 730 yard marathon but she was collared at the second last bend by Coolbeg Crafty. Meanwhile however the Marie Carew and Leo O Dwyer owned Kilmey Blue (Sassy Boy-Killiney Carmel) 3/1 caught this pair on the hop with a flying late run which carried the Thurles entry to a length and a quarter win over Telex Rose in 41.52.

Peahill Reject made a bright start from an outside draw in the fifth but she was clipped from behind at the first bend and took a crashing fall. Brenda Seymour's Mo Madra (Droopy's Fintan-Moonshine Jewel) 6/4 motored into the lead at this point which he held all the way to the winning line where a length separated the winner from Ballybrazil Jet. Time 29.74.

Favourite backers were on the mark in a 300 yard sprint as the Matthew Scurry owned Graigue Matt (Lassa Java-Maree Maree) the evens favourite displayed plenty of early dash from trap one en route to a length and a half win over Gardean Rocket in a fast return of 16.47.

New Ross owner Margaret Cullen combined with Thurles trainer Paraic Champion to capture the ninth event with 5/1 outsider Derek The Driver. Making light of his middle draw "Derek" had his rivals on the stretch from an early stage and seeing the trip out well he boxed on gamely for a length and a quarter win over Beentothewest in a speedy 29.02.

The Model County town of New Ross also supplied the winner of the final race of the session as Sean Carthy's Nikki's River (Spring Gamble-Greenwood Slippy) captured the tenth race in a best ever 29.32. Get Up Paudie the 6/4 favourite took them along at a nice pace here but something appear to go wrong with the leader at the second last bend as he began to back peddle through the field. Meanwhile Nikki's River struck for home holding the late run of Savana Byron by half a length.

Savana Kennels Open Puppy Final

Kilcohan Park stages the final of the Savana Kennels open puppy stake worth £1,200 to the winner on next Saturday night and the following is the trap draw.

1/Droopy's Kewell. 2/Foreign Chick. 3/Senahel Bob. 4/Modena. 5/Noreview Breeze. 6/Sergeant Battie. (W)

On current form its hard to oppose the unbeaten Droopy's Kewell and he is my selection to win out from Noreview Breeze and Modena.

Jamie Costin Does Us Proud

West Waterford's Jamie Costin did us and Ireland proud on Friday last when he finished the 50k walk event at the Sydney Olympics in 38th place. Jamie's time of 4.24 was well outside his Irish record but on the day in question the heat and humidity meant that many competitors did not finish at all. Jamie himself was apparently quite distressed after the event and had to be put on a drip initially to counter dehydration. It was truly a gutsy performance and everyone at West Waterford is proud of this fine athlete. I have no doubt that Jamie will now take a break to recuperate from his big effort but it is encouraging to note that he is already talking about Athens in 2004 when he will be 27 and at his prime for this event.

There will be a small 'welcome home' function for Jamie in the Park Hotel when he returns from 'downunder' - we will keep you posted.

CROSS COUNTRY LEAGUE THURSDAY 28TH SEPT.

Mark Jackman Improves Course Record

Mark Jackman improved on his course record of 27.40 set last week on the opening night of the Autumn Cross-Country League when he ran 27.25 on Thursday night last. This was a blistering run and it will be interesting to see with the course getting heavier with the recent rain if there is any more room for improvement. Michael Dwyer also had a good run when he lowered his time below 30 minutes to 29.41 and is now the second fastest of the series to date. Ray Burke also improved his time to 31.17 which was the third fastest time on the night but failed to pass Timmy Foley's 30.57 of the previous week and stays in fourth place overall. Richie Power had a big improvement when he ran 31.32 and Derek Lyons opened his account with a 32.23 run. Both Derek and Timmy Foley have already missed a night each and will have to compete on the remaining two nights for the times to be considered at the end.

Fastest Lady over 4 laps was Eilis Hayes who ran 35.10 with Triona Shalloe, Aine Kavannah and Joanne Jackman all finishing in 36.47.

C. FRENCH ELECTRICAL C.C. LEAGUE

Round 2 of the C. French Electrical sponsored Juvenile Cross Country League had another excellent entry of 43 athletes on Friday evening. Despite ground conditions not being near as good as the previous week over half the competitors ran new personal bests. We had another new course record when James Ledingham lowered the mark to 6.15. Jimmy Fitzgerald was also better than the previous best when he finished 2 secs behind. I wonder will either of these get below the magical 6 mins before the league is completed. Stephen O'Connell had a very fast run for an U-13 when he went round in 7.02. He will break the 7 mins barrier very soon. Of the girls two to catch the eye were Una Power who ran 7.49 and Emer Scanlan whose time of 8.11 is great running for an under 10.

In the team event, Team D comprising of Triona Shalloe, Sarah Flavin, Terry Sullivan, Tracy Shalloe, Sarah Keohan and Gearoid Terry hold a 5 point lead over team A, made up of Jimmy Fitzgerald, Stacey Keohan, Michelle McCarthy, Teresa Curran, Megan Hayes and Kate O'Brien.

The league continues this Friday between 4 and 5 o'clock.

DEVELOPMENT IN DOUBT?

To develop or not to develop, that is the question. At last week's committee meeting, no decision was reached regarding the proposed development plans.

There was a good discussion about new dressing rooms, gymnasium, flood-lighting and some other varied suggestions. However, it was unanimously decided to postpone a decision, until we could be assured that we have the full backing, support and unqualified commitment of the entire club. Understandably, The Development Sub-Committee led by Noel Conway, Joe O'Brien, John O'Donnell and Declan Barron were disappointed, since they have put Trojan work into these projects, over the past three years. A full E.G.M. will be held on Friday, October 20th, at 8.00 pm to discuss the matter in full. All members and especially parents of the younger players are encouraged to attend this meeting.

UNDER 13'S GOING TO DUBLIN

Those travelling to the Compromise Rules International, should have their £5 paid now.

UNDER 13 HURLING

We don't yet have news of our next game in the Fitzgerald Cup. We are playing the winners of Clashmore and Shamrocks.

UNDER 12 FOOTBALL

Last Saturday, we played Brickey Rangers, in the B final of their tournament. Played in heavy conditions, this was a brilliant game of football, with thrills and spills galore, at both ends. Brickeys were first to score, but James Flavin (Kinsale-

beg) quickly replied with a fine point. Edward Fitzgerald goaled after fine work from James Flavin (Carrigeen) and David Hennessy, Chris Flanagan and then Edward pointed, following a brilliant save from Tomas Galvin and good defensive work from Paul Lynch and Alan O'Brien and Seamus Healy. Darragh got a lovely point from a clearance by Criostoir Humphreys and David O'Brien and an assist from Patrick Meehan and Kenny Murphy. We led 2-3 to 2-0, at half time. Goalkeeper, Tomas Galvin, played a captain's part, with a string of fine saves and James Flavin, Paul Lynch and David Hennessy were the pick of the defence. James and Chris both played well at centre field, but lost concentration from time to time. The same could be said of Darragh, who was brilliant on the ball, especially when he fielded a great high ball and burst through for a brilliant goal, but he drifted in and out of the game. Edward was the games top scorer with 2-1 and Kenny scored our other goal. We were well in front mid way through the second half, but we took our foot off the gas and allowed our hosts in for a couple of goals and eventually, conceded victory by 4 points.

WEEKLY LOTTO.

On Sunday Sept 24th, the numbers drawn were: 5,6,12 and with no winner the

following were the consolation winners: John Whelan; Mary O'Donnell; Lindsey Harty; Mary Gallagher; Damien and Louise.

DEISE DRAW

Better luck for us this time - Declan Hurley won £200

and Margaret Sweeney won £60 and Ardmore Club won £50. Well done to all and thanks to all others for your continued support. Promoters - Eileen is looking for your monies up to date. Also, any money outstanding for anything should be cleared up immediately - buses, tickets, social, hurleys, lotto or Deise Draw. At this time of the year our treasurer starts preparing for the bean counting at the AGM. So let's give her a hand and get all the bobs up to date.

LADIES FINAL

No luck, again, to Waterford Ladies and to our own Mary O'Donnell, as they lost by that solitary point at Croke Park, in the All Ireland final. The girls played brilliantly throughout, despite the awful conditions. Mary had a stormer in the first half at mid-field and in the second half at fullback, where she was given the task of marking Mayo star, Staunton. Mary, of course also scored that most talked about point of the game. Well done to all concerned.

JUNIOR HURLING

Saturday next sees our Junior Hurlers in action again, this time against Ballinameela. I have yet to see a team prepare so well for a championship and our selectors and trainer have left no stone unturned. The real strength of this team is the competition for places. James O'Donnell will guard the net with cousin Declan as understudy. The three Prendergast brothers will be in contention for defensive places, but Seamus could be at mid-field, centre forward or full forward. Mikie Supple will guard the square and Patrick Conway, Mau-

rice, Richie and Niall Hennessy and Austin Flavin will all contest the defensive places. Wayne Hennessy will probably man mid-field with either Johnny Hennessy or Seamus. The half-forward line is anyone's guess - maybe Seamus in the centre, flanked by some pair from Billy Harty, Pat Hallahan, John Conway, Billy O'Mahony or Nicky Keating. The remainder of the aforementioned will contest the full line places with Ciaran Foley, Aidan O'Donnell, Anthony Ahearne, Shane Dower and Damien Lenane. I'm sure, attendance at training will be taken into account, in the fifty/fifty selections. I know that those who do not make the starting fifteen will be disappointed, but that's what makes a team strong and makes people work harder to win those places. With the five subs rule now in place, strength in depth is vital, and we have that. Spare a thought for Cathal out injured still and for Noel Quinn who also misses out because of that awful eye injury early in the year.

UNDER 21 FOOTBALL

It is likely that this county final against Rathgormack will be played on Saturday week, probably at Walsh Park. A small number of this panel have not put the required effort into training and this could prove costly. The rest have worked hard and played a good challenge against a disappointing county under 20 fifteen, in atrocious conditions, last Sunday morning. Despite the conditions this match contained some brilliant football and some great scores. Yes, these boys are ready too.

Abbeyside Ballinacourty G.A.A. Notes

INTERMEDIATE HURLING CHAMPIONSHIP DIVISIONAL SEMI-FINAL

We had a hard fought win over An Rinn in the Fraher Field on Saturday evening last September 29th on a score-line of 2-16 to 2-08. The sides were level at 2-08 each with 54 minutes played. However Abbeyside pulled out all the stops in the dying minutes of the game to gain victory over a strong An Rinn team. Our team was under strength on the day and we also lost John Paul Kehone on the day due to an injury. However we introduced Raymond Cliffe and John Hurney who had played in a Junior Championship match earlier in the day, these introductions combined with good positional switches by the selectors helped win the day for us. This puts Abbeyside into the Western Final versus Fourmilewater in the Fraher Field on Sunday October 8th at 2.00pm. The men from the Nire have played in the senior grade most recently and are a very experienced team. However with our wins over St. Mary's, Ballysaggart and An Rinn we will be trying very hard to live up to the Club's great tradition in finals which we last won in 1996 and 1994. We will also have the services of fully fit and available Brian Beatty, James Kehone and Jonathan Moore to strengthen our panel for the final. We know that the Selectors will continue to put a big effort into getting this team ready for the final and that the players themselves will keep up the dedication, enthusiasm and determination that has got them thus far.

JUNIOR A HURLING CHAMPIONSHIP

We had a victory over Cappoquin, 2-13 to 3-05, in the JHC A competition at the Dungarvan Club grounds at Clogherane at 2.0pm on Saturday last September 29th. It was not an easy win by any manner and took a great third quarter effort to win the day. The next round is against Ballyduff on Saturday October 7th at 1.45pm in Cappoquin. This will give people the opportunity of also viewing the All Ireland Football Final replay. Having promoted Raymond Cliffe and John Hurney to the Intermediate team panel the Junior team will have to find the strength in depth to replace these two men if we are to win against Ballyduff. We have a good Junior panel which are very capable of doing well in this Championship.

JUNIOR A FOOTBALL CHAMPIONSHIP

Ballinacourty play Ballinameela in the Western Division semi-final of this competition on Saturday October 14th in the Fraher Field. Game start time will be given next week.

UNDER 14 FOOTBALL CHAMPIONSHIP

Our U/14 footballers play a local derby game against Dungarvan in the Divisional Semi-Final on Monday evening October 2nd in the Fraher Field at 5.30pm.

JUVENILE HURLING

In under 13 hurling we recently had a good win over Ballyduff in the Fitzgerald Cup and now play Lismore in the next round on a date to be decided.

Our younger hurlers in under 7,8 and 9 were to play the Moyle Rovers club from Tipperary on Saturday last at our Club grounds, unfortunately this tournament had to be cancelled which was probably just as well given the bad weather we had.

Outdoor Juvenile Hurling Training Concluded for This Year — This is the last of the outdoor hurling for the young players for this season. The mentors and coaches will now take a well deserved break and commence with indoor hurling in the Friary College in a month or so.

JUVENILE FUND RAISING

Thanks to all those who contributed so generously our annual Flag Days held on last weekend. Thanks also to all collectors.

SENIOR CLUB COMMITTEE MEETING

Club Committee will meet in the Parish Office at 8.00pm on Thursday evening next October 5th.

BEST WISHES FOR A SPEEDY RECOVERY

Best wishes are extended to popular committee member Joseph Tuckey Organ who is recovering in hospital following an accident. His many friends at the Club wish him a speedy recovery.

MUNSTER COLLEGES SENIOR FOOTBALL 'A' CHAMPIONSHIP

Promising Start For St. Augustine's

ST. AUGUSTINE'S, DUNGARVAN 1-10 ST. BRENDAN'S, KILLARNEY 1-10

St. Augustine's College, Dungarvan were denied a famous victory by a last minute goal in this pulsating Munster Colleges tie played in dreadful underfoot conditions at Mallow. The Friary were making a return to this level of competition after a 10 year absence, following back to back Munster 'B' titles. Fielding a young and largely inexperienced team it was with some trepidation that the Dungarvan boys travelled to Mallow to face one of the traditional kingpins of Colleges football. The Friary got a lightening start with a tremendous Billy Harty goal in the first attack. Michael Walsh fielded the throw-in, surged forward and drove a long direct ball to Harty, who rounded his marker and found the top corner with a cracking shot. John Wall followed up with a quick point and St. Brendan's knew they had a fight on their hands. The Killarney boys countered with two quick points and looked to take control when awarded a penalty in the 10th minute. Young Stephen Kett in the Friary goal however made a fine save from Padraig Kelly and Augustine's upped the tempo. Colm Geary making a promising debut at wing forward, clipped over a smart score. Walsh pointed from 35 yards and Harty was a target with two frees. Half time St. Augustine's 1-5 St. Brendan's

0-6. The Killarney side began the second half in determined fashion and two well worked points from Cooper and O'Donoghue soon had them level. At this stage the Kerry boys looked the more likely winners, but St. Augustine's defended heroically and this defensive work provided the springboard for several attacking moves. Looby and Hayes in the corners, Coad and particularly O'Brien on the wings compensated for any lack of physical strength with some terrific tackling and blocking. O'Connor and Hanrahan stood firm down the middle and Stradbally youngster Michael Walsh, aided by the improved John Hurney was the best midfielder on view. Corner forward John Wall tormented his marker kicking three delightful points and try as they might St. Brendan's were making little headway. The Kerryman however saved their best moment until last when corner back Cronin turned up at the end of a sweeping move to crash a rebounding ball to the net. A more cynical defence might well have halted the move earlier out the field, but on the whole the Friary boys could not be faulted for their work-rate and effort. A draw ensures a point under the round robin system but St. Augustine's must now face the might of

Coláiste Chríost Rí and championship favourites Killroglin. The Dungarvan boys are a long way from the finished article, but can take heart from this performance.

O'Connor, Hayes and O'Brien were best in defence, Walsh was outstanding at midfield and Geary, Wall and Harty achieved most up front. St. Brendan's who were given an almighty fright on the day had outstanding performances in R. O'Donoghue, P. Kelly, R. O'Donovan and C. Cooper.

WATERFORD CRYSTAL WORLD HANDBALL CHAMPIONSHIPS 2000

On October 5 a strong contingent of handballers from the Friary, Abbeyside and Ballinacourty Handball Club travel to Chicago to participate in the World Handball Championships. These championships are sponsored by our own Waterford Crystal Company who have a long standing and valued association with handball at home and abroad. The World Championships are held once every three years and by all accounts arrangements in place for the hosting of this prestigious event in Chicago are to an exceptionally high standard, not alone in the provision of top quality facilities but also in the provision of social programmes for visitors.

The organising committee have reported that in excess of 1000 players have registered for these Millennium Championships from all over the world with the strongest entries from the U.S.A., Canada, Mexico, Spain, Wales, England, Australia and Ireland. The worlds top players, including our Irish National Champions, will all be doing battle for a world title in this special Millennium year.

The attainment of world titles, particularly by our senior players, presents a major challenge in that many of the top America, Mexican and Canadian players are professional, continually on tour competing at top level for prize money each weekend.

Apart from the Irish team, all selected after hard fought trials over the past 6 months, about 170 other Irish handballers from right across the country, many of them juveniles are travelling to compete.

The following players from the Friary, Abbeyside and Ballinacourty club are competing in Chicago: Ricky Keane (mens C), Paul Foley and Eoghan Moloney (19 and under), Stephen Cass and Rick Hanrahan (17 and under), Michael Brennan and Seamus Lavan (16 and under), Michael Brown, Simon Hanrahan and Ronan Fleming in the 15 and under.

Our club players will be involved in 40 x 20 court singles and doubles championships and also in the one wall cham-

pionships. They have prepared diligently for these competitions and are intent on acquitting themselves as well as possible. Brother Finbar Spring O.S.A., team manager, expressed himself as being very happy with the commitment of his young players and is confident that the whole experience and exposure at World Championships level, with the level and variety of skills on display will prove beneficial to the ongoing development of handball within the county. He is quite optimistic about juvenile success and points out that Ireland's top juveniles have taken many of the titles over the past decade.

The club's handballers are most appreciative of the great support they have received in their fundraising efforts such as flag days, discos, draw, etc. and also many individuals who so willingly gave assistance and avail of this opportunity to express their thanks for same.

Finally, the club wishes the manager, Bro. Spring and players the very best of luck, an enjoyable experience and a safe return home.

MUNSTER HURLING COUNTY FINAL

Lismore Munster hurlers nearly caused the shock of the year when they lost to Mount Sion by one point in a game they deserved to win. St. Oliver's were beaten by a well prepared Clonea team in the "B" final.

NEXT WEEK'S PROGRAMME

Tuesday Oct. 10th - St. Joseph's N.S., Wednesday 11th Oct. Scoil Bothar Na Naomh N.S., Thursday 12th Oct. Scoil Garbhán S/N, Fri. 13th Oct. Glenbeg - Carriglea N.S.

St. Oliver's G.A.A. Notes

MINOR HURLING

Our minor hurlers were defeated by Clonea in the "B" county final on Saturday last, Sept. 30. On the day Clonea were deserving winners. They were faster to the ball, better strikers, far hungrier and showed greater discipline. Despite not playing well we were still in the game up to the last quarter. However, Clonea finished much the stronger. Final score Clonea 2-11 St. Oliver's 2-5.

UNDER-14 FOOTBALL

In the two weeks we recorded victories over Stradbally and Clashmore. We have now qualified for the Div. One semi final where our near neighbours Brickey Rangers will provide the opposition.

UNDER-12 FOOTBALL

On Saturday morning last we had a very narrow win over Clashmore in the final of the Brickeys tournament. Clashmore dominated for much of the game, however, our lads showed great character in the second half when playing against the wind, and got whatever breaks were going to record a one point victory. Final score St. Oliver's 2-6 Clashmore 2-5. Thanks to the Brickeys for inviting us to participate in this tournament.

We would also like to thank the team management Jim McGrath and Eddie O'Grady for their dedication to the team throughout the year.

COMMISERATIONS

To Waterford Ladies Footballers who were beaten in the All Ireland Final by the holders Mayo in a thrilling game, which could have gone either way. The margin was one point and Mayo had the cushion of a lucky goal in the 2nd half which gave them a lead of 4 points but Waterford fought back in the closing stages, and with a bit of luck could have drawn at the end. They certainly did their county proud and all we can say is beidh lá eile againn.

DEISE DEVELOPMENT DRAW

Co. Board Meeting

There are several important items on the agenda for Monday night's meeting of the county board including a debate on the club championship structures for 2001. It is hoped and expected that all clubs will have briefed their delegates on the kind of structures which they wish to have for the senior championships next year.

Not alone will structure or formula be discussed, but many clubs are likely to have something to say on the scheduling of the championships which is equally important. The interval between the first and second rounds this year were unreasonable. The timing of the club championships to facilitate inter-county training must also be looked at. This also effects divisional board matches. The consequences of what was agreed when the championships were being organised in the early part of this year are now being felt and every effort should be made to ensure that the same mistakes will not happen again.

When championships become disorganised or when they run late, the board officers are invariably blamed, when in fact the clubs are themselves responsible. You cannot defer the championships in order to allow players free to play with the county, in whatever grade, defer them for examination, for annual holidays, weddings, etc. and then expect the championships to run smoothly. This is not possible.

COUNTY CONVENTION

This is also listed for discussion. In the end, it may be left to a small committee to look into the matter and report back with recommendations to the November meeting. Last year's county

convention was a long drawn out affair with a majority of the motions being matters for county board. There are some ways in which convention can be improved.

FOOTBALL DEBATE

Practically all the members of the Munster Council's Football Development Committee were present at the special meeting on Wednesday last, to hear the views, submissions, etc. of Waterford members, on the state of football in the county.

To say that the attendance was disappointing, would be an understatement. Less than half of the clubs in the county did not see fit to be represented. In fact were it not for the attendance of members of Board na nOg, Coisde na Peil, school board representative, etc., it would have been an embarrassment. However the point was made that the people who were present had a genuine interest in the wellbeing of football in the county.

Waterford County Board chairman, P.J. Ryan, having welcomed the Munster council committee, introduced the chairman Noel Walsh who was a former chairman of the Munster council and who had been very generous to Waterford. He also paid tribute to Sean Kelly, present chairman of the provincial council, who certainly had not let this county down when it came to giving generous grants, etc.

Noel Walsh explained what it was all about and invited the delegates to make submissions on behalf of the groups which they represented, beginning with County Bord na nOg. Sean Whelan outlined the problems encountered by his board in promoting the games. He instanced the massive pro-

gramme of games played throughout the county, the great support from parents and club workers, etc., but more financial help was needed to keep up the momentum. He was supported by Bord Secretary, Catherine Twohig and Treasurer Joe Cleary.

Strange to relate, this item on the agenda which encompassed all underage football, was debated for an hour and ten minutes. Excellent contributions to the debate were also made by Pat Nugent, Eamon Martin, Declan Barron, Rev. Fr. Pat Moran, O.S.A., Pat Collins, Seamus Hennessy, Tommy Hennessy, Tom O'Neill, Timmy O'Keefe, John O'Leary, John Kiely, Denis Hanrahan and Breda Cleary who made an excellent presentation on behalf of the Primary Schools, etc.

Many other speakers involved themselves in the two hour discussion in which the ills of Waterford football were spelt out.

The whole purpose of the meeting was a fact finding mission on football in this county and similar visitations to the other three weak football counties will be made before the group will return in January to make a report on their findings.

An interesting feature of the meeting, was a screen presentation which illustrated the extent of football activity in all grades in the 4 counties.

Waterford scored lowest and remain the poor relation in Munster.

An interesting piece of information on the minor scene was that Kerry, who have the most minor football championships, have no dual minor teams, while Waterford with 26 dual minor clubs, have still not won an underage

title. It was agreed by the Munster Council panel of speakers, that Waterford have made positive progress at underage level in recent years and that luck played a part in their narrow defeats in minor and under 21 last year.

At the end of the night, everyone agreed that it was a worthwhile discussion and we look forward to the report back from the committee and their recommendations, etc.

CLUB DEVELOPMENT

The first meeting of this new 10-man committee took place last week and a programme of work along the lines outlined by Munster Council was planned and shared out among the members who are expected to get to work immediately to deal with it.

Training of club officers and advice to clubs on best structures to be adopted.

Provide training on information technology and computers.

Advise on players injury scheme, P/L, and Property Insurance.

Maintain current information on funding loans and grants.

Maintain current information of Trustees in club grounds.

Provide seminars on drug and alcohol abuse.

Run First Aid courses for clubs throughout the county. Provide expert advice in the area of field development and maintenance as well as structural development.

Maintain a stock of club advisory material, club manuals, deeds of trust, club constitution documents, etc., etc.

In the overall, this work will prove invaluable for clubs who wish to organise themselves and make progress.

Junior Hurling 'A'

Abbeyside 2-13 Cappelquin 3-5

Here at the Dungarvan club grounds, Abbeyside scored a five points victory over Cappelquin in a splendidly contested game in the junior hurling championship, proper. Two of the Abbeyside players, John Hurney and Ray Cliffe were subsequently brought on to the club's intermediate team against Ring.

Junior Hurling 'B'

Old Parish 3-8 Clashmore 5-1

This closely contested 'B' junior hurling championship tie was played at the Ring venue on Saturday and ended in a narrow, but deserved victory, for the Seana Phobal team.

Waterford Crystal Hurling Tournament

The tournament was launched at Waterford Crystal Showrooms on Monday evening last in the presence of representatives of the participating

counties. The tournament will be run in two sections of four: Cork, Limerick Clare and Tipperary in section A, with Waterford, Kilkenny, Wexford and Laois (who will replace Dublin) in section B.

The top two in each section will qualify for the semi-finals.

WATERFORD FIXTURES

Sunday, October 22nd — Waterford v Wexford at New Ross.

Sunday, November 5th — Waterford v. Kilkenny at Walsh Park.

Sunday, November 11th — Waterford v. Laois at Fraher Field.

The semi-finals are fixed for Sunday, November 19th and the final on November 26th.

Ballinameela G.A.A. Notes

WINNERS

It is true know that there is a budding genius in Ballinameela's midst. Young Caoimhe Fogarty correctly predicted the final score in the All-Ireland Football final. She scooped the £100 prize money. Not bad for someone yet to reach her second birthday!!!

Well done also to John Stack who won £100 in a recent Deise Development Draw.

RECENT MATCHES

Our most recent games have been hurling challenges as we prepare for the encounter with Ardmore in a championship which is approaching this weekend. We are definitely underdogs for this one but who knows what 'lady luck' might shine on us.

BEST OF LUCK

Best of luck to all our lads who are either starting or returning to college. Make sure to bring the hurleys and footballs, lads.

WELL DONE

Well done to all our lads involved in St. Oliver's recent successes at U-16, U-18 and U-21 level. It's been a truly remarkable year for Oliver's and this in no small way due to a huge contribution from our young lads.

GET WELL SOON

We have been hit hard this year with injuries and two of our lads are on the treatment table. Eamon Walsh is nursing a cracked collar-bone while Ken Murtagh recovers well from his spell under the knife. Get well soon lads and we hope to see you back in action again in the near future.

Waterford Footballers Unlucky defeat By Louth

Louth 1-11 Waterford 1-8

This was the opening round of the 'B' All Ireland S/F/C and it was played at Walsh Park on Saturday last. It was a splendidly contested match between evenly matched teams. For a variety of reasons, several players who might have been included, were not available to Waterford.

Thanks to a splendid Kevin Walsh goal in the 34th minute after the ball had been worked through by Connie Power and Emmett Doherty, Waterford were in front by 1-4 to 0-6 at halftime.

With the scores standing at 1-8 to 0-11 in the 70th minute, the players were waiting for the whistle, when, against the run of play, Louth broke through for a goal and the deciding score.

Scorers for Waterford: Connie Power 0-5, K. Walsh 1-0, E. Doherty 0-2, B. Arrigan 0-1.

Team — P. Flynn, K. Coffey, M. Fitzgerald, M. Byrne, B. Wall, S. Prendergast, M. Ahearn, D. Kiely, K. O'Keefe, C. Power, K. Walsh, B. Arrigan, E. Doherty, M. Radley, F. Halpin, Subs. D. Kelleher and J. Hennessy.

Referee: G. Kinneavy, Roscommon.

M.H. 'B' COUNTY FINAL

Clonea 2-11 St. Olivers 2-5

This result was a disappointment for the western champions who certainly played to their potential but over the hour and particularly in the closing stages were outplayed by their stronger opponents.

At the end of the first half only 3 points separated the teams, goals coming in the 10th minute from Paul Landers and in the 30th minute by Billy Walsh of Clonea to leave it 1-7 to 1-4 in favour of Clonea.

The second half belonged to Clonea even though Adrian Lonergan for St. Olivers brought the teams level in the 47th minute. The final 13 minutes saw Clonea in control and when Billy Walsh had his second goal in the 54th minute, the end was in sight for the western champions. Clonea corner forward, Fergal Fogarty, with 0-10 to his credit, ended up as top scorer.

Clonea — S. Power, G. Condon, A. Power, J. Cahill, S. Houlihan, M. Mears, C. Mears, S. Kavanagh, B. Wall, N. Hunt, E. Foran, B. Walsh, F. Fogarty, M. Whelan, G. Moore;

St. Olivers — P. Walsh, A. Dalton, T. Kiely, A. O'Connell, E. Walsh, E. Mernin, J. McGrath, R. Connery, G. O'Donovan, R. McCarthy, A. Lonergan, M. O'Brien, M. Mernin, P. Landers, D. O'Keefe.

EASTERN RESULTS

There were no matches played in the west on Sunday, but in the east of the county the intermediate football divisional final involving Kilmacthomas and Gaultier, ended in a thrilling draw.

Kilmacthomas were the slight outsiders against the relegated Gaultier who were thought to be unlucky to have been demoted back to intermediate grade last year. The final score was Kilmacthomas 1-6 Gaultier 0-9.

I.H.C.

The eastern board plans to play their intermediate final on Sunday next came unstuck on Saturday when St. Mollerans and Ballydurn each scored 2-11 to thrill spectators at Portlaoise. The replay is likely to take place on next Sunday or Saturday.

In the second semi-final of this championship, Ballyduff scored an impressive, but surprising 2-17 to 2-12 victory over St. Saviours to gain themselves a place in the divisional final.

Western Intermediate Finals On Double Bill At Fraher Field

For the first time in many years the Western board are staging both divisional intermediate finals on the same programme.

This is the ideal situation where possible and this year it is made possible by both the intermediate hurling and football championships being completed to the final stage, at the same time.

In the intermediate hurling final, Fourmilewater will play Abbeyside who qualified only last Saturday when beating Ring. Fourmilewater had qualified two weeks ago after defeating Dungarvan.

Fourmilewater, who are now in line for a unique hurling and football county double and who were relegated from senior status last year, will be favourites to beat Abbeyside who are unlikely to be at full strength because of injuries.

John P. Keoghan, who was taken off injured and brought to Ardkeen hospital and Brian Beatty who was out because of an injury received

in the match against Ballysaggart, are unlikely starters.

The Ballymac' team are a much stronger side with a lot of hurling talent on board and a defeat for them at this stage would be a major disappointment. Having rested for 2 weeks, they will be the fresher side.

Abbeyside are the lighter team and are less experienced, but they won't go out without a brave fight. They have several splendid hurlers in this grade and while their youthful players may need more years to mature, they will

never the less go all out for a win. It will be a final to enjoy and while Fourmilewater must be warm favourites to win, Abbeyside's chances cannot be discounted.

LISMORE V. GERALDINES

This intermediate football divisional final should be a cracking game between Geraldines who are a traditional football club and Lis-

more whose record is more associated with hurling.

Lismore, who surprisingly came through against Bricks on Saturday last, will be the fitter of the two and I would not discount their chances of causing another shock here.

Geraldines have not been blessed with the best of luck in football in recent years and must be nearing a breakthrough, and a defeat for

them here would be a bitter disappointment. They will be without Eamon Mernin who was sent off in the minor hurling final on Saturday.

This will be a close contest and victory may go to the side which lasts the pace better.

OTHER GAMES

Matches listed for Saturday include the meeting of Abbeyside and Ballyduff in junior hurling, Ballysaggart v. Ballinwillin in football, Clashmore v. Dungarvan in football and Ballinameela v. Ardmore in junior hurling. See fixtures for details.

Both Minor Hurling County Titles Go East

There were no celebrations in the West on Saturday afternoon when the two minor finals were decided at Fraher Field as both Mount Sion and Clonea won their respective 'A' and 'B' county finals.

Mount Sion took their 25th title after defeating old rivals, Lismore by a single point scored in time added on. Even Mount Sion officials conceded that Lismore deserved a draw after having drawn level in the 59th minute.

St. Olivers were caught by a better team on the day, but the loss of Eamon Mernin was a factor in the end.

Both matches provided good entertainment. The 'A' final had a scrappy first half and a classic second half.

The 'B' final was a good contest all the way.

INTERMEDIATE HURLING CHAMPIONSHIP

Super Finish Puts Abbeyside Through Against Ring

ABBEYSIDE 2-16 RING 2-8

Abbeyside, putting in a grand-stand finish, deservedly qualified for a meeting with Fourmilewater in the divisional intermediate hurling final.

on Sunday next, but for 55 of the 60 minutes the game remained in the 'melting pot' until the Ring challenge weakened and Abbeyside stamped their complete authority on the game. The fact that they scored the last ten points of the game, without reply, is a clear indication of the extent of their dominance in the closing stages.

Of course there were times during the game when it seemed that Ring would win decisively as in the 19th minute of the game they held a seven points lead and looked as if they were going to overwhelm the opposition.

But by halftime Abbeyside had reduced the leeway to 4 points and within 4 minutes of the restart were on level terms. From there on it was a battle royal until Ring notched their final score with 10 minutes remaining and Abbeyside took over.

PLAY

Tom Kiely opened with a point for the Gaeltacht team in the 2nd minute Damien Cliffe equalised with a free in the 4th. A splendid Carthach Mac Craith point was followed with a brace of points by Cyril Bailey before Carthach Mac Craith crashed home an unstoppable shot in the 17th minute. A great point from play by Cyril Bailey made the score 1-5 to 0-1 in the 19th minute. Michael Enright, John Phelan and Benny Cliffe, had Abbeyside scores to bring their halftime total to 0-4.

SECOND HALF

John Phelan converted a free and Michael Fives scored an opportunist goal to bring the teams on terms in the 34th minute.

Ring went ahead with a Seamie Mac Craith goal, he having been supplied by Sean Mac Gearailt. Two minutes later Seamo Burns burst through for an Abbeyside goal to restore parity in the 39th minute. Eugene Curran and Seamo Burns exchanged points before Sean Mac Gearailt sent Ring back in front with a well taken point. The same player put Ring 2 points ahead when raising their last flag of the game. A Sean 'Hiker' McGrath special which saw the midfielder score a super point from a sideline cut was followed by a John Hurney point in the 54th minute to level the game again.

From here on Abbeyside had control and scored the next eight points per Michael Enright (2), Lee Hurney, John Hurney (2), Gary Hurney and John Phelan to give them a deserved victory and a place in the divisional final on Sunday next.

Abbeyside — E. Burns, N. Hayes, M. Collins, G. Breene, J. Phelan, D. Cliffe, J. P. Keoghan, S. McGrath, S. Briggs, S. Burns, L. Hurney, G. Hurney, M. Enright, M. Fives, E. Cashin. Subs played: J. Hurney, Ray Cliffe.

Ring — P. Keane, E. Breathnach, L. Curran, E. Mac Craith, C. Breathnach, D. Breathnach, E. Crotty, E. Curran, S. Harty, T. Kiely, S. Mac Gearailt, C. Bailey, S. Mac Craith, C. Mac Craith, C. O'Connor.

I.F. SEMI-FINAL

LISMORE JUST GET THERE

It was an agonising defeat for the Brickeys who looked to be safely into the western final with minutes remaining in this splendidly contested semi-final clash with Lismore at Cappoquin on Saturday evening last.

With no communication between the venues, those of us at Fraher Field were unaware of what was transpiring in Cappoquin until news of the result came later.

A late goal for Lismore was a shattering blow to the Brickeys, leading by 2 points at that stage. We look to the club notes for details of the game.

LISMORE DEVASTATED AS 'SION TAKE TITLE

MOUNT SION 1-10 LISMORE 0-12

Lismore beaten by Mount Sion in the County Minor "A" Hurling final, 1.10 to 0.12. —(Photo: Sean Byrne).

The devastation in the Lismore camp at the end of this game which ended in a welter of excitement was understandable and there was genuine regret all round when they did not share the spoils and were not given another chance on another day. It was not to be and now they must lick their wounds and wait to fight another day. They can be consoled by the fact that they are as good as the best in the grade.

Well done to Mount Sion who now lead the county with an enviable total of 26 minor and 31 senior county titles. Here they took their chances that little bit better but the back-up of an absolutely brilliant goalkeeper in 16 year old Ian O'Regan, was a major factor. He effected several spectacular saves and denied Lismore at least a couple of goals. At the other end, John McGrath brought off several magnificent saves, but over the hour he was not kept as busy as the 'Sion keeper.

PLAY

Shane Kearney had Lismore in front with a point after just 33 seconds and it took mount Sion 6 minutes to reply (per Sean Ryan from play). Eoin Kelly from play and Martin Ormond from a free exchanged scores.

John Hennigan and Kevin Leahy had points to put Lismore 2 points up by the 25th minute. At this stage the game was poor and scrappy and it was really difficult to identify it with a contest between the two best minor clubs in the county.

Sean Ryan from play and Martin Ormond (who was rewarding the selectors by moving him out from full forward), exchanged points to leave the half time score at 0-5 to 0-3 in favour of Lismore. Just before the whistle, John Hennigan was unlucky with a shot he hit the upright and rebounded to safety.

SECOND HALF

Sean Ryan for Mount Sion and Shane Kearney for Lismore exchanged early points to maintain the 2 points gap. However Mount Sion began to get a grip on the game and points by Eoin Kelly brought the teams level at 0-6 apiece in the 42nd minute. A great score by Martin Ormond sent Lismore back into the lead in the 43rd minute, but in under 60 seconds, Michael Brophy had the ball in the Lismore

net and within a further minute the same player added a splendid point Brophy was again on the mark with a point in the 47th minute and when substitute Colm Neylin pointed in the 48th and left the eastern champions 5 points clear, it looked to be all over for Lismore. But it was at this stage that the western champions showed character and in scoring 5 points without reply up to the 59th minute, kept Mount Sion under pressure. These scores by John Hennigan (3), Shane Kearney and Richard Ormond brought the score to 0-12 to 1-9 for Mount Sion. More than 2 minutes later Mount Sion team captain, Eoin Kelly sent over the point that brought the 26th title to the famed monastery club.

In presenting the Cup to the winning captain, Eoin Kelly, the county chairman, paid tribute to both teams for a great final and a wonderful finish.

Ghaeltacht Stake Their Claim

Newcomers An Ghaeltacht continue to turn a few heads with another fine star display away to expected challengers Ballybridge Utd. The homeside started strongest and went in front midway through the half. Ger O'Leary played the ball out to Oliver Hayes on the wing, who put in a good cross to Brendan O'Driscoll. He took the ball down well with a good first touch, and unleashed a rasping shot to the net.

This goal kick started the Ring boys into action, and they proceeded to open up the 'Bridge defence on several occasions but spurned their chances. However they drew level through Darragh Hurley when his long range effort found its way to the net. It was no more than An Ghaeltacht deserved and only some top class defending from full backs Ed Coleman and Kevin Prendergast kept them at bay until they break.

Early in the second half William Mulcahy put Stephen Foley through the centre and he lobbed the keeper with precision. Ballybridge were not to be outdone and came storming back into the game. Their equaliser came when a Ger O'Leary corner was met by a powerful Pádraig Butler header. This was well saved by the keeper but Butler made no mistake with the rebound, side footing to the net.

With 10 minutes remaining An Ghaeltacht went back in front when a Michael Tobin corner was headed back across the goal by a defender. It was cleared off the line by Kevin Prendergast but only as far as Darragh Hurley. He shot hard and low to the right corner of the net. As always the Bridge dug deep again and finished strong. Kieran Wall and Eoghan McCarthy brought out the best in the visiting goalkeeper and Ger O'Leary hit the crossbar. An Ghaeltacht hung on for a very valuable win.

Young substitute Pádraig Ronan and left sided midfielder Michael John Murphy gave very impressive displays here for the Ring based side who are now real contenders.

Ballinroad Soccer Notes

DENNY DIV. 2B LEAGUE

We had Kilmac' as visitors on Saturday last. After a lively start Kilmac' took the lead. We came back well to equalise and when Morrie tucked away a penalty to give us the lead things were looking up. Back came Kilmac' to score twice before the break. They added two more before the finish to run out 5-2 winners. We are going through a transition period at the moment caused by premature retirements and players gone to college but we'll keep the show on the road. Our thanks to all who supported our flag day recently. A special word of thanks to Ann who organised and transported collectors single handedly.

Time is running out for the Seaview Celtic draw tickets. Please return all tickets to Vincent this weekend.

BALLINROAD SCHOOLBOYS

U-11'S MATCH REPORT Ballinroad 4 Hibs 1

On Saturday Ballinroad played Hibs at home. From the start Hibs put us under pressure but our defence held firm. After about 10 minutes a good move down the left wing found Richie Ryan and his well placed pass to Alan Sheil was well finished to the Hibs net. Five minutes later Hibs were back in the game when our defence failed to clear the ball from inside our box. The game was evenly balanced until just before half time when a great through ball from Jamie Collender was collected by Alan Sheil and his well struck shot gave the Hibs keeper no chance. The second half saw us come more into the game, a good passing movement ended with a well taken goal by Richie Ryan. Ballinroad were well on top at this stage and we had a few more chances before Richie Ryan's solo effort hit the crossbar, but he was there again to finish the rebound to the net. We then brought on our subs, as they are young the experience will do them good for the future. Another good win but we have a long way to go and some tough games ahead.

Ballinroad team; Johnny Fitzgerald, Colin Ryan, Kevin Duhig, Donal Henley (capt), Kevin Delahunty, Jamie Collender, Tom Hanrahan, Jamie Ryan, Conor Moloney, Alan Sheil, Richie Ryan. Subs all used Stephen Enright, Patrick Quinlan, David Morrissey, Diarmuid Henley, Michael O'Halloran.

UNDER-13 MATCH REPORT SIX GOALS FOR WILLIE JOHN KIELY BALLINROAD 7 HIBS 0

Ballinroad played Hibs last Saturday morning in Ballinroad and came away easy winners, but not until the second half as we only led 1-0 at half time through a Conor Hayes goal after 20 minutes. We were well on top early on and came close with Conor Foley, Conor Hayes and Willie John Kiely, who hit the the woodwork. Our midfield was very strong with Conor Hayes having his best game so far this season.

The second half was all one-way traffic with Willie John Kiely scoring six goals, one of which was a great scissors kick from just outside the box which flew into the top corner for a superb goal. Willie John is going for a trial for the under-13 Kennedy Cup next Sunday and we wish him well.

We have played four matches in the under-13 league and won all of them. So, keep up the good work boys.

Ballinroad team was: Steven Raheer, Alan Deegan, Fintan Walsh (capt.), Danny Morrissey, Jonathan O'Sullivan, Jason Duffy, William Raheer, Mark O'Brien, Conor Hayes, Conor Foley and Willie John Kiely. Subs (all used): Michael McAndrew, Michael Geary, Alan Tobin, Eoin Fraher, Eoin Brackett.

RAILWAY ATHLETIC CLUB NOTES

DIVISION 1A NOTES

Below Par Performance

RAILWAY 1 FERRYBANK 2

On Sunday morning last we were at home to Ferrybank in bad weather playing conditions, with a strong wind and rain and slippery underfoot conditions it wasn't going to be a day for fancy football. We were under pressure from the start with the visitors doing all the attacking in the opening quarter and through some bad passing we were caught napping and went a goal down after 20 minutes. We battled hard from here on for an equaliser, but it was hard work against the driving wind and rain, it remained 1-0 until the break.

The second half started a lot better and we had the vis-

itors under all sorts of pressure, with Kevin Foley and Dermot Dee playing great ball to the front men, it was only a matter of time before we equalised. The equaliser came from some good passing football between C.P. and Martin Reddy which led to John Twomey being taken down in the box. The same player converted the spot kick to perfection. We kept the pressure on from here on and were unlucky not to have scored when Shane Reddy blasted over the bar from close range. With 12 mins remaining Ferrybank had one attack. The only time they had a shot on goal in the whole second half and scored against the run of play. We pushed forward for an

equaliser but time ran out and the 3 points were lost. It was noted that a number of players were absent and this is not good enough.

For 1st div. football, training resumes on Wednesday night at the Crystal at 7.30 pm and we are at home next Sunday in the FAI Junior Cup against Tipperary side Mullinahone.

Team; Liam Morrissey, Kevin Foley, Eamon Murphy, David Lenane, Tom Mansfield, Dermot Dee, Conor Prendergast, Pakie Manahan (capt), James Manahan, John Twomey, Martin Reddy. Res. Shane Reddy for Liam Morrissey.

SCHOOLBOY SECTION Under 13 TSB League Railway 3 Ballyduff 2

On Saturday last our under

14 side played Ballyduff. This was a great game of football. Stephen Power was the hero with a fine hat trick. We were cruising at half time. Ballyduff came back with two goals but we held out.

BEST OF LUCK STEPHEN

All at the club would like to wish Stephen Quinn the very best of luck in Australia. I think we have to have a team down under.

FAI JUNIOR CUP

On Sunday next we take on Mounahone from Tipperary in the first round of the FAI Junior Cup. This game will kick off at 2 pm in Modeligo.

RED HOUSE LEAGUE ROUND-UP

Good Win For Pinewood Rangers in Munster Junior Cup

Last Saturday, Pinewood Rangers defeated Waterford side, Grannagh United in the Munster Junior Cup, to earn a meeting with Railway. On Sunday, Mogeely went down at home to Waterford Garda. In the Bolger Cup semi finals, Castlebridge Celtic really surprised Ardmore while Kilworth Celtic were well beaten by Brideview United. The Tony Bolger Plate final will be contested by Accrington Celtic and Inch who beat Glenview and Blackwater Rangers respectively.

MUNSTER JUNIOR CUP Top Display Puts Pinewood Through

PINEWOOD RANGERS 3 GRANNAGH UNITED 1

Rangers began in great form and were well on top in the first half without managing a goal. Grannagh came back into the game before the break but at half time there were still no scores. Twelve minutes after the restart, Rangers took the lead when David Ryan opened the scoring. Pinewood had a chance to increase their lead soon after but missed a penalty. Grannagh equalised midway through the half with a very soft goal but Rangers were not to be denied and goals from Martin Walsh (34) and Conor Ryan (36) put them into the next round.

Mogeely Denied By Garda

MOGEELY 1 WATERFORD GARDA 3

The visitors took an early lead which was cancelled by a Jacob O'Shea goal after thirty minutes but the Garda regained the lead before the break. The result hung in the balance until the final minute when the Garda struck a third goal.

SUPER DRAW TICKETS

The managers for this team will be announced in the next week or so and they will be attending matches with a view to assembling a squad. More news later.

THE TONY BOLGER CUP SEMI FINALS Holders Ease Through To Another Final

BRIDEVIEW UNITED 'A' 6 KILWORTH CELTIC 0

These two sides returned to the scene where Kilworth defeated Brideview in the Liam Fitzgerald Trophy last season but this time the result was much different. In a very evenly contested first half, there was only one goal, a penalty by John Paul

Grey. United's best chances came after a minute when James Beecher hit the bar from close range and five minutes before the break when Martin Shanahan made a brilliant save from Stephen Pratt. Tommy Seymour had a couple of half

chances but the only time Kilworth tested Billy Sheehan was after nineteen minutes when Brian Gill's header was tipped over.

Brideview were in total control in the second half though they had to wait until the sixty seventh minute for

their next score when Eoin Murphy netted. United then scored three goals in four minutes with Stuart Barry, Eoin Simms and Brian Henley all scoring. Twelve minutes from time, sub James Tobin scored the sixth and final goal.

Ardmore Shocked by Castlebridge

CASTLEBRIDGE CELTIC 6 ARDMORE 2

Paddy Gallagher gave Ardmore the lead before Celtic hit back with two goals. Trevor Morrissey levelled again for Ardmore but Celtic scored to lead 3-2 at half time. The second half belonged to Castlebridge and they scored three more times without reply. Gerry O'Riordan (2) Johnny Sullivan (2) Darren Sheedy and an own goal accounted for Celtic's scores.

THE TONY BOLGER PLATE SEMI FINALS

Celtic Pushed All The Way

ACCRINGTON CELTIC 2 GLENVIEW 1

Glenview began slightly the better and with better finishing may have taken the lead. Celtic gradually improved and after thirty eight minutes a far post cross was headed back across goal for Elton Pierce to knock home. The second half was just fourteen seconds old when Dion Cahill put Accrington two up and although Glenview pulled a goal back through Brendan McGrath, it was not enough to prevent Accrington from reaching their first final.

Murphy Goals Seal Inch Victory

INCH 3 BLACKWATER RANGERS 1

Sean Murphy put Inch ahead after fifteen minutes but Rangers levelled two minutes before the break. Inch took the lead again on the hour through Martin Murphy and Trevor Murphy finished off Blackwater with a third goal just before the end.

RED HOUSE LEAGUE PREVIEW

League Season Kicks Off

PREMIER LEAGUE

Lismore Set For Good Start

Lismore v Mogeely — The visitors lost to Waterford Garda last week and haven't been in good form to date. Lismore will be keen to avoid last season's poor display and with home advantage, they can take the three points. Home win.

Tough Return for Ballyduff

Ballyduff v Valley Rangers 'A' — Rangers will be expecting to collect the three points here although the homeside could sense a few problems in what will be a close game. Rangers might just prove too strong. Away win.

Visitors Can Collect

Dungourney v Ardmore — The homeside will find there are no easy games in this division and after winning promotion for the last two seasons they could need a settling in period. Ardmore will want to put last weeks result behind them and we think they'll win. Away win.

DIVISION ONE

A Share of the Points?

Inch v Gortroe — Inch had a long overdue victory and with a place in the Tony Bolger Plate Final coming up, confidence will be high. Gortroe will be fancying their chances here but a draw seems the most likely outcome. A draw.

Homeside Set For The Points

Pinewood Rangers v An Ghaeltacht — Rangers will undoubtedly be one of the favourites to go up this season and have been in good form judging by their Munster Junior Cup win last week. An Ghaeltacht have scored ten and conceded ten in their three games so far and would need a lot of luck to deny Rangers. Home win.

Promoted Sides Meet Again

Castlebridge Celtic v Ballybridge United — Celtic have been in great form so far and have a big advantage over Ballybridge as the latter did not take part in the Bolger Cup competition and are unlikely to be as well prepared as Celtic. The homeside rattled Ardmore last Sunday and with fourteen goals in their last three games, you must go for a Castlebridge win. Home win.

Fancied Sides Meet

Affane v Accrington Celtic — With Accrington in the Plate Final already this meeting with relegated Affane could be the best game in the division on Sunday. Both sides are among the favourites for promotion and Sunday's encounter should be a very close affair. A draw.

Celtic Bidding for Three Points

Glenview v Kilworth Celtic — Both teams made semi final exits last Sunday, and now begin their league campaigns. Glenview were near the bottom for most of the last two seasons with Kilworth challenging for promotion, so we expect a Celtic victory. Away win.

Valley Up Against It

Valley Rangers B v Clashmore Ramblers — Relegated Clashmore should be too strong for the homeside who finished in the bottom four last season. Ramblers are expected to be among the front runners this season and should take all three points. Away win.

PREMIER LEAGUE PREVIEW

Brideview United — having won the title for the last two seasons, look as strong as ever. Cappoquin and Valley Rangers finished just behind them. Next came Ardmore and Mogeely. Lismore narrowly avoided relegation while Ballyduff and Dungourney were promoted from division one. We can see only three possible winners while the real drama could concentrate on who gets relegated, with a real dogfight expected.

Ardmore — They always promise but rarely deliver although they have won the Dungarvan Tyre Cup twice in the last four years. Ardmore have a talented young squad with the ability to beat even the best teams around but they let themselves down by dropping points against weaker teams. The seaside club, given a greater degree of consistency should definitely challenge for a top three spot, but they must win those games that have cost them dear in the past.

Ballyduff — Just back in the top flight after a successful promotion campaign in the first division where they ran away with the title. Ballyduff must be careful to avoid the poor start they made two seasons ago or they could quickly find themselves involved in another relegation fight.

Brideview United 'A' — The team that everyone must beat if they hope to land the title. For a while last season, Brideview did not look as fearsome as usual, but they still did enough to land the title. United have been on fire this season and look sure to make a good start and it would appear that they will leave all the others trailing once again.

Cappoquin — They had one of their best seasons for a while last time, finishing as runners up in the league and they were beaten finalists in the Dungarvan Tyre Cup. This very experienced team spent three or four seasons fighting the drop, so they would be quite happy with a repeat of last season.

Dungourney — One of only two Cork teams in the Premier League, Dungourney's rise had been meteoric since entering the league two seasons ago, winning promotion each season. The Dungourney squad is not very big or experienced and while they bagged plenty of goals in the last two seasons, they might well struggle against higher class opposition.

Lismore — They were nearly relegated for the first time last season and will surely improve on that performance. Lismore have one of the better squads in the league and with a little bit of luck, they could find themselves nearer the top this time around.

Mogeely — A great start last season secured their place in the top flight, though they should exercise a certain amount of caution as their results in the second half of last season were very poor. They have yet to win a match this season and there must be some concern for the Mogeely side.

Valley Rangers 'A' — Valley have been the bridesmaids for a number of seasons now and you have to go back a few years for their last trophy. The question is will they ever make the breakthrough or will they always be nearly men? Valley should have another good season but they appear to lack the cutting edge needed to win trophies.

In summary, it is no surprise that we make Brideview our title choice as the other clubs lack consistency or maybe the belief in themselves to dethrone the champions. Ardmore and Lismore we feel can be the closest challengers, along with Valley Rangers and Cappoquin. Ballyduff, Mogeely and Dungourney could bring up the rear.

ABBEYSIDE A.F.C. NOTES

U-16 MATCH REPORT

Brennan Strikes Again

ABBEYSIDE 1 VILLA 1

Yes, as the headline says Brennan struck again. This young mans powerful free kicks seem to be unstoppable.

The game began first with the two teams having their photographs taken by the Waterford press. Abbeyside started the game playing from right to left as you look at Ozier Stand. Abbeyside should have won the game in the first half. Chance after chance was put wide, was saved or was put over the bar. It wasn't long into the half when the goal came for the village. Seamus Lavan was taken down just outside the area and the free was given. This was Brennan's territory. He placed the ball, struck it with unstoppable power into the right hand corner of the net. Very few chances were had in this half by the home team Villa, any shot that did get past the village defence was saved brilliantly by Declan Byrne.

The second half began with the home team coming out to win. As the manager said "There will be a lot more defending in this half". The half started off once again with

Abbeyside looking to hold onto the lead and possibly increase it. About halfway through the half, the home team got that vital goal they needed to give them some hope. Their mid-field played a throw ball to his team mate who looked to be in an offside position and who struck home past Byrne in goal. This didn't have much of an effect on the performance of the village team who went on to defend brilliantly for the remainder of the game.

Playing well for Abbeyside was Philip Wade who was described by the manager as "outstanding" and "superb". Also having a good game on the day was Micky Brennan. Liam Sheehan, Patrick Lynch and Mark O'Donnell.

Team: D. Byrne, B. Veale, M. Cahill, P. Wade, P. Lynch, B. Daly, M. Brennan, M. O'Donnell, E. Sheehan, S. Lavan and S. Drummey.

Subs: N. Veale (for M. Cahill), C. Cairns, C. Flynn, D. Flavin (for S. Drummey), J. Young, E. Hennessey, T. Cashington, S. Power, M. Nagle and D. Ferncombe.

ARDMORE A.F.C. NOTES

ARDMORE EXIT THE BOLGER CUP

With a starting line up showing six regular players missing from the team that was victorious in the quarter final the previous week, Ardmore did well to stay in touch for most of the first half in their semi final clash against Castlebridge Celtic at Brideview Park on Sunday morning.

Conditions were wet with Ardmore having the breeze and slope advantage in the 1st half. In the 10th minute Paddy Gallagher pounced on a Celtic defensive mix up to open the scoring. The lead lasted 7 minutes when Celtic equalised following a let off for a clear push on the edge of the Ardmore box either not seen or ignored by the referee.

Celtic increased their lead on the half hour when they punished poor defending. The customary Ardmore determination seemed to erode from there on though in the 35th Trevor Morrissey revived the spirits with a superb goal to the top right hand corner following a half clearance after a Jason Lenane corner. A 43rd min. goal by Celtic left the score 3-2 to Celtic at half time.

The rain just bucketed down in the 2nd half and the Ardmore defence was totally exposed proving that player rotation doesn't work here either. At the final whistle the score was Castlebridge 6 Ardmore 2.

Team: Declan O'Donnell, Alan Troy, Maurice Hennessey, Johnny Hennessey, Jamie Hennessey, Paddy Gallagher, Anthony Aherne, Trevor Morrissey, Conor McCarthy, Killian McCarthy, Jason Lenane.

DIV 3A LEAGUE MATCH REPORT

Scoring In The Rain

DUNGARVAN 4 JOHNVILLE 2

On Sunday morning last in Kilrush Park it was a case of – you could not or would not put a fox out of a hen house! or put a milk bottle out in it! – such was the rain that fell. But as this travelling show took stage it was a case of the show must go on.

Dungarvan played their third match of the season and notched up an impressive nine points out of nine, thanks to four super strikes from John "Wonka" Donnelly. Johnville started well and played good football putting the Blues under pressure from the whistle. It was the visitors that took the lead in the 20th minute when they scored from a corner.

Michael "Sausage" Donnelly (stand-in keeper for Crohan McGregor) dropped a cross and the visitors centre forward slammed the ball to the net. Dungarvan played their way back into the game as "Wonka" rammied in his first hat-trick of the season to leave the home side 3-1 up at the break.

The second half was just five minutes old when Johnville

scored and threw themselves a life-line. Dungarvan rallied hard and dug-in but suffered another set-back when Tom Flynn got his marching orders with 20 minutes to go. Just when it seemed that Johnville might have a chance, Benny Wade surged forward beating two players, squared for "Wonka" and he obliged with his fourth goal of the afternoon. With five minutes to go Tommy Pratt had a chance to put the icing on the cake but he missed from the penalty spot.

Feature of this game must surely be the four goals from "Wonka" and the outstanding performance from Benny Wade

at centre back as he made a return to the Dungarvan shirt after a five year absence.

Best for Dungarvan were Matty Ducey, Benny Wade, John Kyne, John Donnelly, and Eoin Morrissey.

Dungarvan: Ml. Donnelly, B. Wade, M. Ducey, B. Burke, E. Morrissey, T. Flynn, J. Kyne, M. Donnelly, M. Coles, T. Pratt, John Patrick Joseph (Wonka) Donnelly. Subs: P. J. Drummy for M. Coles, E. Mansfield, and J. D. O'Shea (not used).

Answer to Crohan McGregor's question next week.

TSB U-13 LEAGUE MATCH REPORT

Late Surge Gives Bohs The Points

DUNGARVAN 1 BOHS 2

On Saturday last we welcomed our old city rivals Bohs to Kilrush Park for our yearly clash. Both teams started nervously and play generally stayed around the middle of the field. James Corcoran was called upon early to pull off a good save and that seemed to settle the Blues. Dungarvan were awarded a free which was taken by Arron Norris who duly dispatched the ball to the net

with a stinging effort and that's the way it stayed until the break.

It was much the same after the resumption and all that Bohs threw at Dungarvan was dealt with until 4 minutes from the end we conceded the cardinal sin by gifting Bohs the equaliser. They quickly seized on our weakness by adding the winner right on the final whistle.

It has to be said that you can't fault the young Blues for effort and no mat-

ter what the results they still attend training in numbers.

Dungarvan: James Corcoran, Finbarr Sexton, Christy Ross Power, Kieran Wall, Brendan Hourigan, Shane Whelan, Sean O'Hehir, Diarmuid O'Hehir, Arron Norris, Michael Murphy, Christopher Daly.

Res: Richard Lenane for C. Daly; Trevor Whelan for B. Hourigan; Wayne Flynn for D. O'Hehir. Stephen Barry, Richard Burke, Barry O'Shea.

West Waterford Golf Club Notes

WEST WATERFORD RETAIN JACK LYNCH MEMORIAL TROPHY

The final leg of the Annual Triangular match versus our neighbouring clubs Dungarvan and the Gold Coast took place on Monday 25th September at Dungarvan Golf Club. The weather was to say the least unfavourable to all concerned and each and every member of the three teams has to be commended on their efforts in the prevailing conditions. The outcome was in the balance all the way to the 19th but luckily, the West Waterford team prevailed by the narrowest of margins, to retain the trophy. I hear on the grapevine that Neil Parks is only having a short rest before he concentrates his mind on picking the team that will bid for the hat trick next year. Many thanks again to Johnny Lynch, and also to the bar and catering staff in each of the clubs for their warm welcome. Needless to say the Cup was filled in "The Parish" on Monday evening last.

HIGH HANDICAP CLUB OUTING

The High Handicap outing to Waterrock Golf Club takes place on Sunday October 8th. The cost is £20 which includes green fees and return travel on the bus. A deposit of £10 is required in order to secure your place and is to be given to one of the organisers, namely Michael O'Dwyer, Edward Hickey or Maurice Hallahan. At this stage the outing is practically fully booked, so if you intend taking part this year, you need to contact one of the organisers immediately, for a day that promises to be (as it always is) an action packed day.

THE LAUNCH OF A GUIDE TO GOLFING IN IRELAND'S SOUTH-EAST

The launch of the 2000/2001 edition of this superb publication which plays such a major role in the promotion of golf in the area, was scheduled to take place in West Waterford Golf and Country Club on Thursday 28th September. However owing to the inclement weather prevailing it had to be postponed and the launch will now take place on a suitable date in the near future. West Waterford are delighted to be playing host to this event and are looking forward to welcoming golfers and dignitaries from throughout the region and beyond.

CASS MAKES BREAKTHROUGH

Michael Cass made the big break through last weekend with a great score of 40 pts in ideal conditions on Saturday. This was Michael's first major victory and by the way he played we will see a lot more victories like this. He was followed in second place by John O'Connell with 38 pts, with John Dunphy taking the gross prize with a great score of 34 pts gross. Third place brought John Power (Old Parish) back into the prizes with 38 pts and Percy Walsh took the H/H prize with 33pts.

Results: 1st Michael Cass (22) 40 pts, 2nd John O'Connell (9) 38 pts, Gross John Dunphy (4) 34 pts, 3rd John Power (7) 38 pts, H.H. Percy Walsh (19) 33 pts.

Deise Girls Have No MAYO 3-6 WATERFORD 0-14 On In Exciting

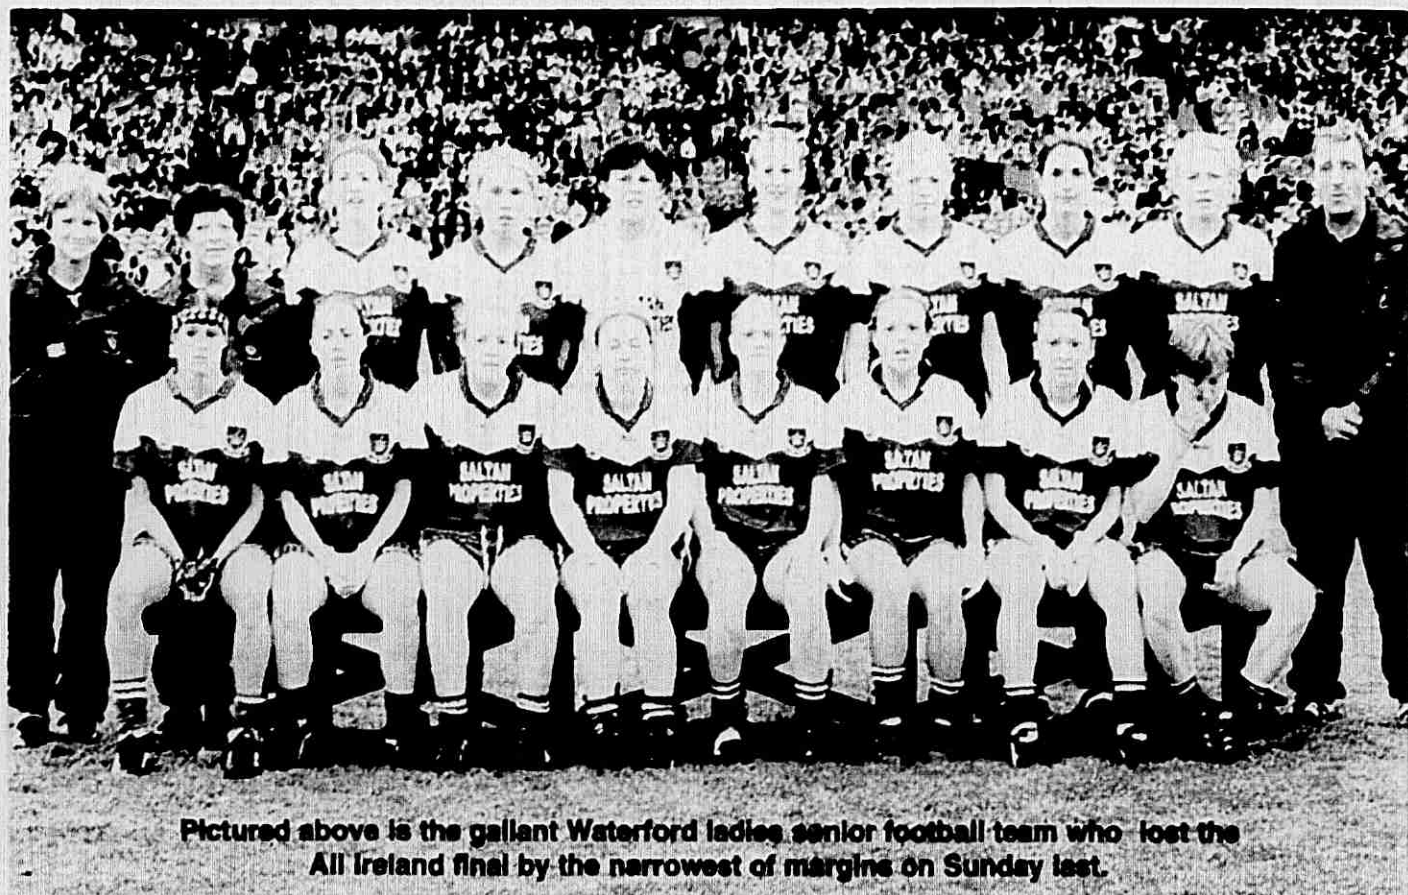

Mayo retained their All Ireland Senior Title with a single point victory over Waterford in the Bank Of Ireland All Ireland Senior Football final at Croke Park on Sunday. In a final full of incident it featured a dubious penalty, a point that was wide, a lucky goal and a nail biting finish.

In the cold light of day Waterford will look back on this final as a game they should have won. It will be pointed out that Marion Troy had a late chance but the Deise girls had several other chances to put the ball over the bar at different stages during the game but the failure to do was ultimately the difference between winning and losing.

That said, no fault for lack of effort could be found as they fought to the bitter end, especially when they trailed by 4 points, with 5 minutes remaining, but came storm-

ing back to almost snatch a draw. It was the least they deserved after enjoying the majority of the possession.

Waterford knew going into the game that if they didn't concede goals they would win but the concession of 3, whilst scoring none, for the second year in a row, proved costly. They won't be happy about either of the 3, the first a direct result of a poor clearance along with allowing Cora Staunton to walk through, the second from a very dubious penalty with keeper Sarah Hickey and several defenders adamant that no foul

was committed, and 3rd direct a hopeful lob that ends up in the back of the net on days when your name is on the Cup.

No fault of keeper Sarah Hickey, these 3 major scores were decisive in Mayo's tri-

umph. However, Waterford would still have won the game had they continued to take their points and a final tally of 18 points wouldn't have flattered them.

The game was an even

first half. Mary O'Donnell's 1st minute point was blatantly wide, this was cancelled 3 minutes later when Sarah Hickey's kick out was collected by Mary O'Donnell before it crossed the 20 metre line and Cora Staunton pointed the resultant free. Geraldine O'Ryan shot the first of her 3 points in the 6th minute and within 60 seconds Catriona Casey pointed a free to leave Waterford 0-3 to 0-1 in front. It was one of 43 frees awarded to Waterford as Mayo's stop the game by fouling method was unveiled. Waterford were severely criticised after last years semi final victory over Monaghan for giving away too many frees. Will anything be said to Mayo?

The period between the 6th and 13th minute was crucial as Waterford enjoyed plenty of possession but failed to put it on the score board. Lack of support play in attack was a problem and Diana O'Hara pointed after Ange Walsh lost possession. Mayo were struggling up front, Diana O'Hara was getting no

change out of Olivia Condon and Angie Walsh was doing an effective marking job in the other corner.

The biggest threat was coming from Cora Staunton as she roamed outfield, her strength on the ball proving difficult to counter act. Martina O'Ryan, doubtful up to match time, stopped Christine Heffernan from making too many runs through the middle. Bgt. Hannigan was revelling at wing back whilst Julie Torpey came more into the game as it went on.

Waterford struggled in the middle of the field as Annalise Crotty had her hands full. With Marcella Heffernan and Mary O'Donnell had a tough opponent in Rachel Barrett.

Most of Waterford's problem in attack came from a lack of leadership. It didn't gel together as in the Meath game, probably a tribute to the Mayo defence. Mayo struck gold in the 24th minute as Staunton waltzed her way through and finished with a great drive to the roof of the net. Wing back Assumpta

Luck As Mayo Hold All Ireland Final

Bohan added a point and Catriona Casey's free left a 1-3 to 0-5 interval scoreline in favour of Mayo. Marcella Heffernan nudged Mayo further ahead in the 32nd minute before Waterford hit a purple patch that coincided with the arrival of Aoife Murphy. Murphy, Annalise Crotty, Claire Ryan from a free and Geraldine O'Ryan put Waterford in the driving seat with successive points. By now the Waterford attack was moving much better, Mary O'Rourke was at last getting a decent supply, Niamh Barry, the only option up front in the first half was battling away and Rebecca Hallahan was getting the better of her marker.

Mayo broke downfield and the inevitable happened. A lapse of concentration saw Marion Staunton clear through, Sarah Hickey shielded her well but a clear tumble brought instant dividends as Ref. Christy Haughney pointed to the spot and defender Yvonne Byrne cracked home a great penalty, 2-4 to 0-9.

Rebecca Hallahan equalised with a fine point from the right wing and there followed 8 scoreless minutes. Christine Heffernan took advantage of a break away to shoot Mayo into the lead but Waterford stormed up field and Julie Torpey shot the equaliser.

Mary O'Donnell who had a fine second half at full back was keeping Cora Staunton quiet and there seemed no danger when a hopeful ball was played into the left corner with half a dozen minutes remaining.

Staunton moved lazily in-field, shielded by O'Donnell and lobbed a hopeful ball goalwards but, unfortunately for Waterford it dipped just under the cross bar reminiscent of Mary O'Donnell's goal against Monaghan in '98.

A Staunton point left Waterford 4 points behind with just 5 minutes on the clock. The Deise girls stormed forward, Mary O'Rourke pointed, Geraldine O'Ryan taking a pass from Aoife Murphy,

added another and when Rebecca Hallahan pointed a free with 1 minute 50 seconds on the clock excitement had reached fever pitch. Triona Whyte on as a substitute worked the ball out of defence and Marion Troy set off on a long solo run. She was fouled 50 metres out, the quick free saw Mary O'Donnell transfer the ball to Marion Troy who had continued the run but Marion's drive crashed into the side netting, the clock ran out and Mayo celebrated. Good luck to them. After the game they spoke of 6 defeats at the hands of Waterford in major games.

The most disappointing feature of the final was the lack of Waterford support. Mayo outnumbered us by at least 6 to 1 in the stand. What do these gallant players have to do to get the support they deserve. Those who went to Croke did their best but they were overwhelmed by sheer numbers.

Waterford panel can hold their heads high. A single point defeat in an All Ireland final is no disgrace. A rest, maybe a holiday and ready to go again. Well done to each and everyone of them.
