## Expansion Of Recycling Facilities Essential

— CLLR.  
DAMIEN  
GEOGHEGAN

Dungarvan U.D.C. member Cllr. Damien Geoghegan has called on both Dungarvan U.D.C. and Waterford Co. Council to take a comprehensive look at the recycling facilities that are available at present, throughout Dungarvan and the wider county area, to members of the public and also to the business and commercial

sectors. According to Councillor Geoghegan- "There now exists a very real opportunity to implement a successful waste management policy as this is a contentious issue with members of the public and I feel there would be widespread support for any initiative that the Council may implement". The Dungarvan based Councillor

is of the opinion that the facilities that are available at present are very limited, and if they were expanded and developed then this would give members of the public and the business community an opportunity to take recycling seriously, as there is an overwhelming demand for recycling as a means of tack-

## Tallow Multimedia Centre Opens

Tuesday of last week was a red letter day for the West Waterford town of Tallow as it marked the official opening of the Brideside Town's Multimedia Centre by Minister of State Martin Cullen.

Sean Tobin, the Director of Tallow Enterprises Group

who were responsible for the occasion paid tribute to the late Helen McCarthy

who as the previous Chairperson had campaigned vigorously for many of the changes which had come about in Tallow for the betterment of the whole community. Among those were the spacious car-park next to the Enterprise Centre while he also mentioned the Community Creche, the Enterprise Park and Tallow Library, all of which had come on stream over the last 15 years.

"It is now of paramount importance," Mr. Tobin said, "to make sure that the community at large benefits from these facilities and technology."

Mr. Tobin thanked Leisha Fahey and Pip Dockree, Instructors as well as Fás for their role in the development of their community projects.

Minister of State Martin Cullen, in praising Tallow Enterprise Group for their efforts, spoke of the need for

# THE WAY WE LIVE

## MYTHS AND LEGENDS

Myths and legends are tales of gods and goddesses, monsters and heroes. But they are also stories that explain the many mysteries of life, such as how life began, what happens when we die or why the Sun rises at dawn and sets at dusk.

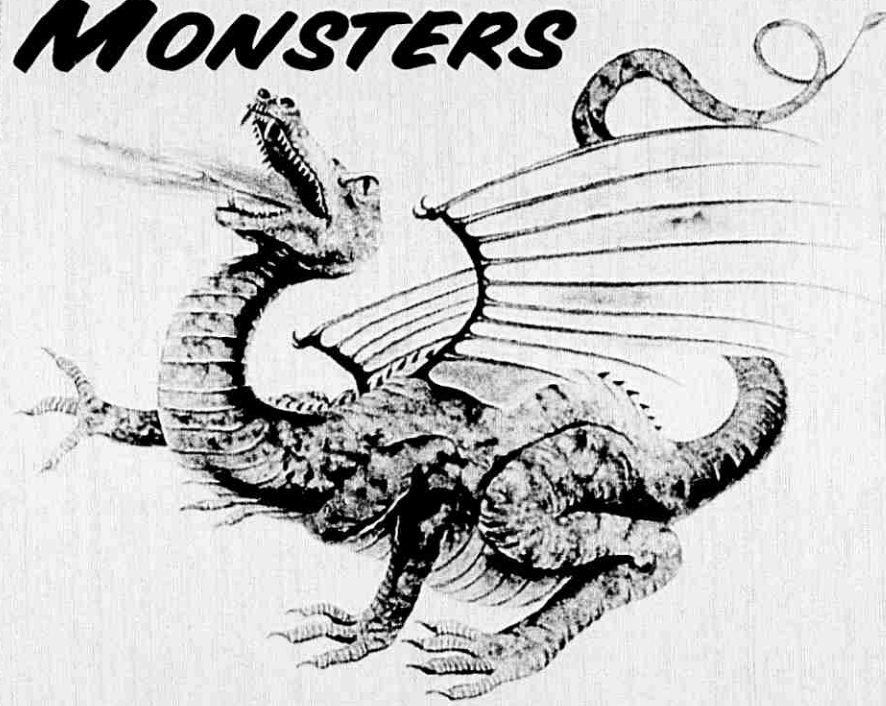

As well as explaining life, myths teach the rules of life — good triumphs over evil, and weaknesses like greed or vanity are always punished.

Many myths have survived for thousands of years, passed down by word of mouth, or in pictures and written words, and these shared stories bind communities together.

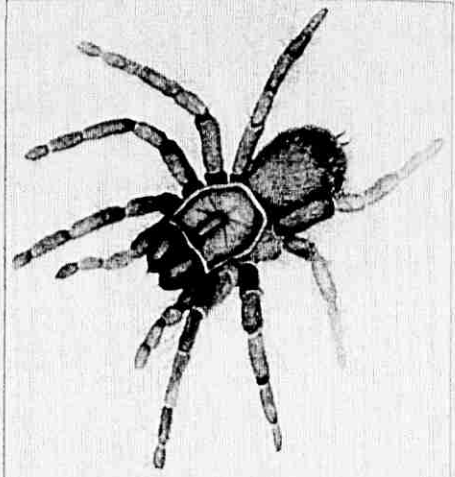

Every culture of the world has its own myths, and although the stories they tell are very different, they often have the same themes.

Legends are different from myths in that they are thought to have some basis in historical fact and to tell of real people. But as they are told over the centuries, the details of the legend are exaggerated and elements of magic may be added to make the story more colourful.

## MONSTERS

Myths are full of fabulous beasts and dreadful monsters. Dragons of all shapes and sizes appear in many mythologies. In most cultures dragons represent the forces of evil that must be overcome, but in Chinese mythology, dragons represent good fortune.

### A CUNNING TRICKSTER

The Ashanti people of West Africa have many stories of Ananse the spider. Small and seemingly powerless, she was in fact creator of the world and can outwit any animal, including the lion, python and leopard.

When the Ashanti were taken as slaves to America, the legend of Ananse combined with native American stories of the trickster Great Rabbit, and the Brer Rabbit stories were born.

# SÚIL AR AN IDIRLÍON

Le Milaiois na Gaeltachta [www.gaeltacht2000.com](http://www.gaeltacht2000.com)

## FINSCEÁLTA AN IDIRLÍN

Is iomaí bob a bhualtear ar thosaítheoirí ar an idirlíon, agus ní mór duit a bheith ar an airdeall agus tú ag dul i dtáthi ar shochaina feisnéise.

### Viorais Ríomhphoist

Is seanchleas é seo a bhraitheann ar aineolas an té a fhaigheann an teachtaireacht chun go mairfeadh sé. Cuirtear r-phost amach le scéal faoi vioras aisteach a d'fhéadfadh an-dochar a dhéanamh do do ríomhaire. Cuirtear an teachtaireacht ó dhuine go duine. Glacann daoine leis go muineach agus creideann siad a leithéid seo de line. 'Má fhaigheann tú r-phost den teideal 'Saoire in Aisce' ná léigh é: tá vioras ann a ghlanaidh na comhaid go léir as do dhiosca crua'.

Ní féidir vioras de chineál ar bith a sheoladh i bhfoirm teachtaireachta. Is féidir vioras a fháil trí chomhad infheidhme a rith, ach ní féidir é a fháil trí théacs ríomhphoist a léamh.

### Páiste atá ar leaba an bháis

Tá an chleasaíocht seo ar siúl le fada an lá. Is mar seo a bhíonn sé de ghnáth. Cuirtear r-phost chugat faoi leanbh atá ag fáil bháis. Ba mhaith leis an bpáiste an oiread teachtaireachtaí agus is féidir a fháil an oiread daoine agus is féidir sula bhfaigheann sé/sí bás. Iarrtar ort an r-phost seo a chur ar aghaidh chuig an oiread daoine agus is féidir.

Úsáidtear an cleas seo uaireanta mar dhíoltas ar mhásla éigin, fíor nó samhla. Tá sé éasca plé leis: scríob amach an teachtaireacht, ná cuir ar aghaidh chuig do chairde é agus ná seol an fhreagra go dtí an seoladh ríomhphoist a thugtar duit.

### Déan Airgead go Gasta

O am go ham tiocfaidh ar dhaoine ar an idirlíon a bheidh ag tairiscint 'sladmhargadh an chéid' duit. Faraor, tá daoine amuigh ansin ar an nGréasán Domhanda a dteastaíonn uathu bob a bhualadh ort mar atá i ngach áit eile. Cuimhnigh ar an seanrá: 'Má tá cuma rómháth ar an mhargadh, is dócha nach margadh ceart é'.

### Tionscnaimh Leathanaigh Idirlín

Má tá do láithreán gnó féin agat, is dócha go bhfaighidh tú r-phost ó chomhlachtaí a mhaíonn gur féidir leo breis tráchta a mhealladh go dtí an suíomh.

'Ar mhaith leat níos mó ná 1000 cuairteoir a fháil chuig do shuíomh gach lá? Tig linne cabhrú leat...'

I ndáiríre, b'fhéidir go bhfuil suíomh den scoth agat, ach ní féidir le DUINE AR BITH dul i mbannaí air an méid cuairteoirí a gheobhaidh tú.

Ní liosta cuimsitheach é seo de na cleasanna uilig a imrítear ar an idirlíon. Is cinnte go mbeidh corrcneamhaire i measc na milliún duine atá á úsáid, díreach mar atá sa saol mór go ginearálta. O sheirbhíse nuachta NUA — [www.nua.ie](http://www.nua.ie)

## Conas Ríomhphoist a Úsáid

Le Niall Mac Uidhlínn

Tugann ríomhphost (e-mail) deis do dhaoine ar fud na cruinne, cumarsáid ar bheagán airgid a dhéanamh. Is i bhfoirm téacs amháin a seoladh na céad teachtaireachtaí thar an idirlíon le linn na seachtóidí. Cé gur sa bhfoirm sin fós a bhíonn formhór na dtéachtaireachtaí sa lá atá inniu ann, níl siad teoranta ag téacs amháin. Is féidir iomhánna, fuaim agus físeáin a sheoladh - úsáidtear an teicneolaíocht seo chun físchomhdháil a dhéanamh.

Thar an gcóras teileafóin domhanda a sheoltar na teachtaireachtaí seo. Nuair a shroicheann teachtaireacht a ceann scríbe, fanann sé ar fhreastalaí (ríomhaire mór de chuid an ISP) go dtí go léann an "glacadóir" é.

Ar ndóigh, bíonn seoladh ríomhphoist ag teastáil le teagmháil a dhéanamh le daoine tríd an gcóras seo. Is féidir seoladh a fháil ó ISP nó ar-line trí seirbhís ar nós 'yahoomail'. Seo an cuma a bhíonn ar sheoladh ríomhphoist:

niall@milaiois.ie

Deir an "niall" linn cé hé an t-úsáideoir agus an "milaiois.ie" cá bhfuil an freastalaí ar a bhfuil niall lonnaithe.

Tá dhá bhealach ann le ríomhphost a láimhseáil - ag úsáid pacáiste ríomhphoist nó trí bhrabhsálaí. Má tá do ríomhaire féin agat is fearr pacáiste ríomhphoist a úsáid ar nós Eudora, Messenger nó Outlook. Muna bhfuil ríomhaire agat, oscail cuntas le dream ar an nGréasán domhanda. Beidh tú in ann r-phost a úsáid áit ar bith ar domhan a bhfuil seirbhís idirlín ar fáil. Téigh isteach i gcaifé idirlín agus taispeánfar duit conas é seo a bhaint amach.

Maidir le ceachtar bhealach, is iad seo a leanas na gníomhartha is comónta a dhéantar: Teachtaireachtaí a chumadh, a sheoladh, a léamh, a fhreagairt, a sheoladh ar aghaidh agus a scríob agus iatáin a sheoladh agus a oscailt. Mar shampla, chun teachtaireacht a chumadh, cliceáil ar "Teachtaireacht Nua", ionchuir seoladh an té gur do an teachtaireacht, ábhar na teachtaireachta agus ansin an teachtaireacht féin. Cliceáil ar "Seol" ansin agus seolfar é. Ba cheart go mbeadh na gníomhartha eile soiléir seachas b'fhéidir na cinn a bhaineann le hiatáin.

Más mian leat piosa oibre nó piosa spraoi (i bhfoirm comhad) a sheoladh, caithfidh tú é a cheangal le teachtaireacht i bhfoirm iatáin. Cumann tú tcht. mar is gnáth agus cliceáileann tú ar "Attach" chun an comhad is mian leat a sheoladh a roghnú. Bí cúramach ag oscailt iatáin ar bith. Is é seo an bealach is comónta ina scaiptear víris. Má bhíonn clár frithvíris suas chun dáta i bhfeidhm ar do chóras, ba cheart go mbeadh tú slán.

Is comhairleoir ríomhaireachta neamhspleách é Niall Mac Uidhlínn.

Is féidir r-phost a sheoladh chuige ag niall@milaiois.ie

## Letters to the Editor

### Re: THE PROPOSED DUMP IN WATERFORD

I've just recently returned from a trip to Waterford and cannot believe that the beauty that I left might be gone forever. My parents have a home in Ring, overlooking Dungarvan Bay named Deise View. I mention this to ensure the validity of my request as well as to remark on the irony of the name and what it could mean in the future.

More to the point, I must state that it is inconceivable to me how people so fortunate might have to give up their land to a cancer of proposed pollutants. One must realise that these contaminants will fester and spread throughout Ireland's fields, rivers, bays, channel, sea and ocean and this will destroy what is God-given to us all.

Ireland is prospering through tourism and forgetting what many have learned the hard way. The proposed dump, if allowed, will kill the life about you and in turn afflict the health and prosperity of the families of Waterford, which would also result in a negative impact on the County of Waterford's economic growth. What could possibly be worth these future atrocities? How does one justify trading off this perfect land and river for a dump? This land, which has been around for generations and could possibly, be non-existent for future ones? Noting that chemicals will seep into the river one knows that

the transformation will not take long.

So I ask you, "Will the beauty of today become the folklore of tomorrow?" There must be alternate solutions that are feasible that have been bypassed and these should be looked into for the sake of the future of the Waterford people and their land and waterways.

Sadly, I can only hope that this letter will suffice with a request to everyone who reads it to note it could very well be you and only you, who will accept the challenge and also fight for our Waterford and I thank you, for all of us.

Sincerely  
Maureen French  
New York.

## MONEYMATTERS

### ARRANGING CAR FINANCE

At some point in our lives, most of us avail of the many forms of credit available to finance the purchase of a new car. It is important to note that all types of credit agreements are regulated by the Consumer Credit Act 1995.

Consider the following points before you sign any car finance agreement.

Shop around for the best value. All credit advertisements must show the Annual Percentage Rate of Charge (APR) which is the total cost of the credit. In general the lower the APR the better the deal for the consumer.

Many garages offer finance packages. As credit intermediaries they must hold an authorisation issued by the Director of Consumer Affairs. They are obliged to provide you the consumer with a written quotation detailing the nature of the finance, the amount, number and frequency of payments. The agreement should also clearly state who has ownership of the goods during the agreement.

Establish what type of agreement you are entering into and take time to read the contract carefully to see what your rights and obligations are. If you are unsure of any aspect of the agreement, do not rush into anything - seek independent legal advice if you have to.

Do not confuse a hire purchase agreement with a consumer-hire agreement. In a hire purchase agreement you are hiring the car and ownership of the car only passes to the purchaser when the last payment has been made. In a consumer-hire agreement you are leasing the goods for the duration of the contract. Ownership never passes to you.

If you change your mind after signing an agreement, you may still withdraw from the contract within ten days of receiving a copy by giving notice in writing. Carefully consider whether or not to waive your 'cooling-off rights' when completing the form. Before you finally add up all the costs involved in running the vehicle, include not only car finance repayments, but the cost of insurance, taxation, petrol and depreciation.

# Expansion Of Recycling Facilities Essential

**CONTINUED FROM FRONT PAGE**  
ling the problem of waste disposal.

Cllr Geoghegan goes on to say that "recycling initiatives need to be accelerated

throughout the county in order to reduce the level of dependence that currently exists on landfill or incineration which is being looked at as a means of waste disposal in the future".

### CLLR. DAMIEN GEOGHEGAN

According to national figures issued by An Taisce it is estimated that 60% of all household and commercial waste is recyclable or reusable and yet only 7.4% of this waste is currently recycled and with the proper structures in place this figure could be drastically increased.

The Fine Gael Councillor feels that there is widespread public support for recycling and to support this claim he pointed to a recent survey carried out on behalf of the Dungarvan Chamber of Commerce which showed that in excess of 98% of local retailers were in favour of recycling.

Cllr Geoghegan has pointed to a number of areas where improvements could be made to existing programmes and also at measures that he feels should be introduced by the local authorities.

A kerbside collection of recyclable goods in the Dungarvan Urban area initially, with a view to expanding the service to cover outlying areas over a period of time. An initiative such as this could be run on a public/private partnership basis between the Council and one

of the larger recycling companies.

The "bring-to" centres that are currently in operation at various locations throughout the county need to be expanded to cater not only for glass but for paper, aluminium cans (100% recyclable), cardboard, plastic and magazines.

An expansion of the compost-bin scheme that was set up, on a pilot basis, by Waterford Co. Council last year which was an astounding success. This was a scheme that allowed members of the public buy compost bins at a subsidised price from the Council.

Cllr Geoghegan goes on to point out that "recycling makes good economic sense and the benefits of recycling are enormous in that it has the potential to boost jobs and encourage economic activity at a local level, can be expanded quite easily and quickly while at the same time recycling does not pose a threat to our communities or existing industries."

- Salt and freshly ground pepper
- 60g of butter or margarine
- 2 onions, finely chopped
- 1 x 15ml sp flour
- 1 cup beef stock
- 3 x 5ml sp Worcestershire sauce
- 1 bay leaf
- Pinch dried thyme
- 1 cup diced carrots
- 1 cup fresh or frozen peas

**FOR THE TOPPING:**

- 1 1/4 cups uncooked rice
- 2 eggs, lightly beaten
- 2 cups grated cheddar cheese
- Salt and pepper to taste.

butter in a frying pan and add the sausages. Cook over a moderate heat until brown, then add the onions and cook until soft. Remove to a casserole dish.

Add the remaining butter to the frying pan. Sprinkle in the flour, cooking and stirring until brown. Pour in the stock. Bring to the boil, still stirring. Lower the heat and cook, simmering for 3 mins. Pour over the sausages.

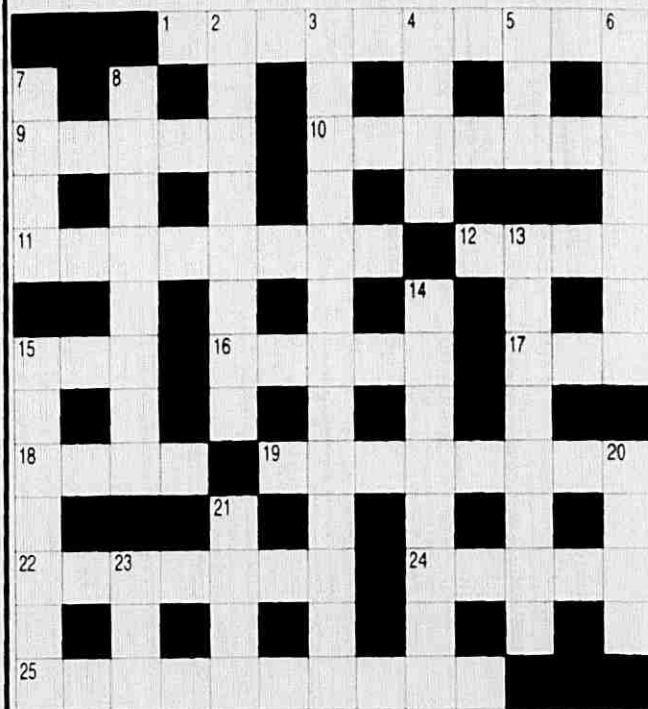

Add the Worcestershire sauce, bay leaf, carrots, peas and thyme. Put the lid on and cook at 180°C for 50 min. When the sausages are done, cook the rice in a large pan until tender - 10-12 mins. Drain and add the cheese and egg to it.

Remove the bay leaf from the casserole and spoon the rice mixture evenly on top. Cook for about 10 minutes until the top is golden brown.

## Company Cake - Sweet Work Of Art

**Ingredients:**

- 8 servings
- 5 large egg whites
- 1 cup flour
- 1/2 cup chopped walnuts
- 1/2 cup sugar
- 2/3 cup sugar
- 1 x 5ml sp baking powder
- 4 large egg yolks
- 2 x 15ml sp sugar

PREHEAT oven to 325°F. Grease two 8-inch layer cake pans, and dust with flour. For cake - sift flour, baking powder and salt on to waxed paper, then set aside. Use mixer to cream shortening and sugar until fluffy. Add egg yolks one at a time, beat well. Add vanilla.

Add flour mixture alternately with milk, mix until smooth. Divide batter between pans.

For filling - Combine sugar, cornstarch and salt in a large pan. Stir in egg yolk and milk over medium heat. Stir until mixture coats spoon, about 4 minutes. Remove from heat. Stir in vanilla. Let cool. If mixture is lumpy, whisk vigorously.

## Health Tips from "Remedies"

**GARLIC**

USES: high cholesterol, respiratory tract infections, sinusitis...  
DESCRIPTION: Garlic is said to be the world's oldest medicine and is still one of the best and most popular herbal remedies. Remains of garlic have been found in caves inhabited 10,000 years ago. A Sumerian clay tablet dating from 3,000 BC records the first garlic prescription.

HOW IT WORKS: It is now recognised that it is the ratio of the various types of cholesterol and fats in the blood, which is more relevant than the totals measured. Garlic reduces the level of low-density lipoproteins (LDL) whilst increasing the levels of high-density lipoproteins (HDL). It has been suggested that an increase in HDL may enhance the removal of cholesterol. Garlic has also a mild action in lowering blood pressure and is well known for its antibiotic properties, which is very useful for sinusitis, catarrh and respiratory tract infections, like coughs and head colds.

An organic and odourless form of Garlic is available at

## Council Call On NUJ To Condemn "Offensive Article"

As public outrage intensifies over the controversial Mary Ellen Synon article in the Sunday Independent on the participation of the disabled in sport, and despite the newspaper's apologies and retractions, Dungarvan Urban Council is still calling on the National Union Of Journalists to publicly condemn the article, the columnist, the newspaper and its editor Aengus Fanning.

The members of Dungarvan Urban Council have joined the chorus of condemnation of the article, and believe the NUJ

should come out publicly and disassociate itself from it.

Meanwhile the chairman of the Council, Michael O'Riordan, has rejected the "belated" apology from the Sunday Independent editor, describing it as "pathetic and grovelling", and said it had been literally dragged from him by the overwhelming weight of public opinion against the Mary Ellen Synon article.

Cllr. Damien Dillon told the meeting that the disabled athletes representing Ireland at the Paralympics in Sydney had discarded their disability to proud-

ly represent their country on the world's greatest sporting stage.

For that, he said, they should be congratulated and commended rather than degraded as they had been by the Sunday Independent article.

"It is beyond belief", he added, "that any columnist would write such an offensive and insulting article, and equally that an editor would consent to its publication".

Cllr. Paddy Power said it has caused outrage and offence on "an unprecedented" scale, and their Council shouldn't hesitate to be heard amid all the justifi-

able furore and condemnations.

Cllr. Billy Kyne proposed that they call on the executive of the National Union Of Journalists to go public and denounce what has been written. "Of course we must respect the freedom of speech and press freedom at all times is an essential component of our democratic system", said Cllr. Kyne, "but when an article of this kind, which has left so much to be desired and has left down the honourable profession of journalism, and has caused such a torrent of outrage the NUJ should speak its mind".

Mickey is a much valued member of the Club almost since its foundation and is only the second person to receive this Award - the first being Gaye Morrissey, Ballinroad, Club Founder and President.

### AGM

Walking Club AGM was held on Tuesday 3rd October in Bean a Leanna. Despite the very bad weather on the night there was a good attendance.

The following were elected to serve on the committee for the coming year: Chairperson Mary Harney, Secretary Garvan Kyne, Treasurer Earl Navin, PRO Maureen Veale, Committee members Jackie Curran, Theresa O'Sullivan, Mary Rose Fitzgerald, Michael J. Power, Tom Fitzgerald, Tom Walsh.

Club members enjoyed a hectic walking schedule over the past year, some climbed Carrauntuohill, for the first time, others took on the millennium challenge by climbing the four highest peaks: Lugnaquilla, Carrauntuohill, Slieve Donard and Mweelrea.

The social side of the club was by no means neglected, weekends away, barbecue, family day, Christmas party etc. were all very well supported and enjoyed by all.

The Annual sponsored walk was a huge success and again many thanks to all who supported us. Our recent information day proved very successful. A very special welcome to all our new members.

The club is now a member of the Mountaineering Council of Ireland, Annual membership is £20.

All grades of walks catered for from the mere beginner to the very experienced walker. New members are always welcome. If you are interested why not drop in to our next meeting on Tuesday 7th November in Bean a Leanna at 9 pm.

# Melleray Notes

**G.A.A.**

We still have no news on when, or if ever, we will be

playing our next match in the Junior Hurling Championship. It is now fourteen

weeks since we played our first round game against Old Parish in what appears to have become a farce of a championship. This championship could and should have been run off during the long Summer months and now it is impossible for players to commit to training. When the Junior "B" Grade was set up it was one of the most competitive and sought after titles but in recent years with the introduction of second and third string teams from larger clubs, the chances of running this championship off during the Summer has become impossible. We are hoping that our next match may be played in the next couple of weeks but who knows.

# DEPRESSION

DR. OLIVER J. KILLEEN

All depression is a response to isolation or loss which is inherent in humans.

Because everybody gets depressed from time to time depression can be viewed as a 'normal' emotion. However for some people a persistent, all-pervading state of sadness, a deep sense of gloom and hopelessness dominate their thinking to such an extent that it severely affects their behaviour, their relationships, their work, their ability to function efficiently in the world.

Depression is defined as a mood state characterised by a sense of inadequacy, a decrease in activity or reactivity, and feelings of despondency, pessimism and sadness. Depression doesn't develop overnight. The negative feelings grow in intensity over months, even years and the sufferer experiences a gradual downward spiral into a mire of depression so deep that he/she feels that he will never be able to arise from it. Depression becomes a prison where the person is both the suffering prisoner and the jailer. Inside this prison the victim is so full of fear and self-loathing that even death is welcome.

A depressed person may become convinced that they are personally responsible for everyone else's suffering. In some cases their reasoning processes become so distorted that they develop delusions and many even have auditory or visual delusions where they hear voices or see things that are not really there.

Depression seldom affects just one life, the ripples of pain touch all family members and family and friends become co-victims of the depressed person. The co-victims become alarmed as they witness depression building up in the sufferer and as they watch their loved one lose interest in life they become worried that he/she may take his life.

People who suffer with depression will walk miles out of their way to avoid people they know. They are hysterically frightened and believe they are a nuisance to others. But people who are depressed don't stop being individuals because of their depression. Depression is not some genetic fault or illness. Depression is a mood disorder that persists over a period of time and until someone has experienced depression it is hard to understand the debilitating feelings of those who suffer from it. Victims only see the black side of their problems and in their eyes one failure, one setback, follows another. Life seems aimless and futile to them, they believe they are a burden to the world and they feel cut off and alone.

Depressed people usually have acquired opinions as to the various circumstances of their lives and they hold these as real and absolute truths.

## Some of these are:

1. I am bad, valueless, unworthy, unacceptable to myself and others - no matter how good I appear to be;
2. I must fear/hate/envy other people;
3. Life is terrible;
4. Only bad things happened to me in the past so only bad things will happen in the future;
5. It is wrong to get angry;
6. I must never forgive myself or anyone else.

## Male Depression

Depression has been viewed erroneously as a female complaint but in fact many males suffer in silence as evidenced by the increasing rates in male suicide.

"Big boys don't cry" is a familiar mantra of male conditioning and furthermore men don't talk of their innermost feelings. It's these unresolved emotions that bring about symptoms of depression. Men who suffer with depression construe everything in life as a competition so they vie with other men in every situation. They are forever trying to prove their worth lest they be seen as weak and inferior. In their obsessional drive to cover their fears they often neglect, sabotage their wives and families.

## PERCEPTION OF TIME

One of the most important features of depression is the way in which a person's perception of time has changed. Most depressives spend their time thinking how bad things were in the past and how much more terrible the future will be. If they see a light at the end of a tunnel it's the light of an oncoming express train.

Some depressives commit suicide as they feel it is the only avenue to peace and an end to struggle. Suicide is an act of violence against that part of us that wants to go on living. It is the tragedy of hopelessness and the suicide, on leaving the woes of the world behind, adds fresh burdens of guilt and remorse to loved ones.

Depression is suffered by people who see no reason to like themselves and therefore expect the world to loathe them too. They want to be loved but believing that they are unlovable they need a facade to face the world. In order to love another we must first of all love ourselves and this love is mirrored in our love for others. Even when a depressed person is in a relationship he feels lonely and desolate. It has been found that a significant factor in the lives of many depressed women is that they cannot trust their partner enough to confide in him — if, in fact, he would listen.

Freud described depression as anger turned against the self. He wrote that the depressed person sees himself as worthless and morally despicable. Because of this victims of depression expect to be banished or

punished. Freud stated that the depressed person vilifies himself and has an overcoming of the instinct which compels humans to cling to life. Anybody who has suffered from depression will identify with this description.

## CHILDREN OF DEPRESSIVES

Not surprisingly children who grow up in pessimistic homes go into adulthood pessimistic. When a child grows up feeling insecure and unloved he feels frustrated, fearful and angry. When he is punished for being angry he feels more frightened and more unloved and turns his anger inwards on himself. Children who grow up in families where there is a lot of rage or where anger is not allowed to be expressed grow up believing anger is wrong. So they have extreme difficulty in expressing it in a healthy manner, becoming over-compliant and submissive or they may "act out". Acting out takes many forms - uncontrolled rage and violence or seeking an escape in addictions such as alcohol or drugs.

Depression is as common as the cold but although everybody knows what to do about the cold virus not enough information is readily available for those who live with a depressed person even though depression is highly contagious to those close to the individual.

The good news is that you can recover from depression even if it is a long term condition. The journey of life has an ebb and flow and each person can connect with their own energy flow. The lows of depression are transient and sufferers should know that help is available when they feel debilitated, out of control or in the shadows of doom and gloom.

The Science of Farming and Food

## SOIL TESTING

### Fertiliser Prices to Increase by 40 Per Cent:-

It has recently been announced that for various reasons the price of fertiliser is likely to rise by 40 per cent next year. It surely makes good business sense that all farmers get the maximum value from farm fertiliser used.

The first step is to have your soil sampled and analysed. There is no point in spreading expensive phosphorous if there is sufficient reserve in the soil already to give optimum growth. Neither does it make sense to apply high nitrogen levels if low phosphorous levels are limiting grass growth.

It costs £17 per sample and each sample covers 2 ha. (5 acres). It only needs to be repeated every 3 years. This works out at a cost of £1.13 pence per acre per year. You are then in a position to ensure that you will get maximum return from every bag of fertiliser that you apply.

Contact your Teagasc adviser now and arrange to have your farm soil tested.

## HORSES

### Nutrition of horses during the winter.

**Roughage** — Horses need roughage in their diet and the recommended rate is about 50% of total diet but this will vary whether the animal is just being maintained or working hard in training/competition. Hay constituted 80% of the roughages fed to horses over the winter up until the last 5 years.

While this year has been one of the best years in the past decade for saving good quality hay, there is an increasing tendency among horse producers to feed alternative roughage to hay. Silage is the next most popular roughage with Haylage, Horse-hage, Equi-grass and other products are now becoming more readily available.

Silage is becoming popular, especially amongst breeders because it is easier to control the quality than it is with hay. Feeding can be a problem if you have only one or two horses but otherwise silage, well preserved, can be safely fed to horses and it is dust-free. The other (roughage) alternatives mentioned also give a nutritious, dust-free and easily handled product but they can be expensive.

Roughage can be reduced gradually to a minimum of 1% of bodyweight (1kg per 100kg weight of animal) and meals increased. If feeding minimal roughage, it is advisable to add beet pulp, making sure it is soaked for 24 hours and keep the maximum level to one and a half kg of wet (soaked) pulp per day in the diet.

**Meal Feeding** — In-Foal Mares - After weaning, mares in good body condition do not require supplementary feeding until the last third of pregnancy. Estimate the date of foaling and count back 120 days. That is the date when to start feeding concentrates. The ration should be balanced for protein, minerals and vitamins. A 15% protein stud cube is sufficient. Two kilograms per mare per day should be plenty. If the mare is thin, feeding should begin earlier.

**Weanlings** - The weanlings should get 2kgs per head per day during their first winter (two feeds if possible). Again, a balanced ration is important and foal/yearling pellets are ideal. If you want to show the weanlings as yearlings next year, then the amount fed should be increased.

## DAIRYING

### Drying Off Cows

Nationally, we are currently over quota. Consider drying off cows if quota problems are anticipated. Irrespective of herd SCC, all cows should be treated with long-acting antibiotics at drying off. New mastitis cases occur four times more

frequently in untreated cows than in cows treated with antibiotics at drying off. Using long-acting antibiotics will help cure current infections and prevent new cases of mastitis in the early part of the dry period. Cows should be dried off abruptly. Restrict feed for a week or so.

### Body Condition

Now is a very good time to assess the body condition of your cows. Try to have cows in good condition entering the dry period. Late lactation is the most efficient time to achieve good body condition on cows. Cows that calve down thin will milk

poorer in early lactation and may prove difficult to get back in calf. Select out the thin cows and allow them a longer dry period. Some small amount of meal feeding may be necessary to have cows in adequate body condition at calving.

## IFA Says EU Sheep Report Confirms Serious Discrimination Against Irish Flock Owners

Waterford IFA Chairman, Harry Gray has said the EU report evaluating the sheepmeat policy published recently confirms that Irish sheep farmers are seriously discriminated against under the current EU ewe premium sheep policy regime.

He said the report concludes that "the existing mechanism for compensating sheep producers for loss of income is not equitable across member states" and

goes on to highlight that calculation of the ewe premium based on an averaging process results in winners and losers with Ireland losing out on both counts of prices and the technical weight coefficient.

Mr. Gray said this year alone Irish sheep farmers will lose out to the extent of £6.35/ewe in premium payment. He said "based on Irish prices our premium should be £20.29/ewe. Cor-

recting for the technical weight co-efficient would add another £2.00/ewe to our premium. However, under the flawed EU average system, sheep farmers will only receive £13.94/ewe. This is a loss of £38 million to the Irish sheep sector".

Waterford IFA Sheep Committee Chairman Harry Gray said "armed with the facts in this report, Agriculture Minister Joe Walsh must now make a huge push at European level to have the injustices inflicted on Irish sheep farmers under the current sheep policy corrected." He said "Minister Walsh now has independent proof of the discrimination against Irish sheep farmers which he cannot allow the EU Commission walk away from." Mr. Gray warned the Minister that he must make sheep a priority issue on the Brussels agenda at this stage.

Mr. Gray pointed out that the report contains that the whole basis of the ewe premium calculation is "politically motivated and largely subjective" in the way the basic price is established.

On the three recommendations contained in the report, Mr. Gray said from an Irish point of view "maintaining the status quo" is a non-runner as it would only maintain

the present discrimination. He said the recommendation to "improve the accuracy of the current system" contains a number of proposals which just tinker round with the present flawed system and would deliver nothing for Irish sheep farmers.

Mr. Gray said the third recommendation to "simplify the current system" and introduce a fixed headage premium has some merit provided the fixed premium was set at a level which is fair to Irish sheep farmers and would provide them with a reasonable income. He said based on this year's lamb prices, a fixed ewe premium would need to be well over £20/ewe for Irish sheep farmers.

The Waterford IFA sheep farmers' leader said "since the current ewe premium system was introduced in 1992, the average EU premium paid was £17.09/ewe. If Irish sheep farmers were to receive full income loss over this period, they would be entitled to a fixed premium of £23.52/ewe."

Mr. Gray said that he was extremely disappointed that the report failed to address the issue of extensification premium and the stocking rate implication limiting productivity on mixed cattle and sheep farms in Ireland.

### DEPARTMENT OF AGRICULTURE

## MINISTER WALSH ANNOUNCES INTERIM ARRANGEMENTS FOR BSE SUSPECT ANIMALS

The Minister for Agriculture, Food and Rural Development, Mr Joe Walsh TD, today announced that his Department is to put in place interim arrangements which will enable it to discontinue the practice of burying BSE suspect animals. Minister Walsh explained that it has heretofore been necessary to bury such animals because no alternative means of disposal, such as incineration, is available. "It remains the case that we have no ready alternative for disposal and ultimate destruction of such animals, but my Department is very actively engaged in pursuing options which may provide a solution," the Minister said. "Such options require the agreement of other parties, and further meetings to advance this process have been held today."

The Minister said that pending a final resolution of the problem, it had now been decided to retain in cold storage the carcasses of such animals, rather than continue to bury them. The necessary arrangements are now being made. The Minister explained that the decision was based on a desire to avoid a repetition of a recent incident in County Galway in which an animal which had been buried in August last had been dug up and left in the open and further public controversy of the type which had been generated within the past few days and which had clearly caused unnecessary alarm and distress. "We can not risk a repetition of the recent deplorable incident in County Galway and of the risks which it creates," the Minister said. "Nor are we prepared to allow further public distress be caused by alarmist statements or unwarranted inferences about the safety of water supplies, when no evidence has been produced which indicates that the burial of any of these animals has adversely affected a local water supply. While we have at all times been open about the need to bury animals and how we go about doing so, we have not until now encountered developments of this kind. Notwithstanding that we have confidence in the safeguards which have been a feature of our burial practices, we believe that on balance it is now right to change our approach if that is necessary to avoid the risks and obvious distress to which these recent developments have given rise."

The Minister stressed that the new arrangements are interim in nature and that the Department remains committed to finding a durable solution to disposal and ultimate destruction of all BSE suspect carcasses.

## South East ICMSA News

### SOME PROGRESS AT DISEASE ERADICATION TALKS

Some progress has been made during the on-going discussions regarding a new scheme for Disease Eradication. Speaking following a meeting with senior officials with the Department of Agriculture, Food & Rural Development, Mr. Pat O'Rourke, President of ICMSA, said he was pleased the Department had accepted an ICMSA proposal that all farmers will receive a report from the DVO if there is a disease breakdown in their herd.

Mr. O'Rourke said: "For too long there has been vague talk and promises on follow up after a disease breakdown.

Hopefully now, the agreement by the Department will ensure there is a full follow up in all cases, and in particular the removal of infected wildlife".

ICMSA has major reservations about proposed changes to the brucellosis scheme and the proposal to introduce a pre-movement test for TB. The Association believes that the latest Department proposals are focussed on wrong issues, for example further restrictions and penalties on farmers. ICMSA are, as always, willing to have meaningful discussions with the Department to eradicate brucellosis and significantly reduce the level of TB.

"The Departments acceptance today of ICMSA proposals on follow up is a positive development, which will ensure progress and confidence in the scheme. However, much still remains to be done before I will be able to recommend the new proposed package to the Associations National Council", Mr. O'Rourke concluded.

## IFA SAYS FARMERS SHOULD INSIST ON PAYMENT ON THE DAY

Waterford IFA Livestock Committee Chairman Tom Leahy has said that should demand and insist on payment on the day when selling livestock. He said "the risk associated with credit is too high and unacceptable. IFA strongly advise farmers not to sell unless you get payment on the day".

Mr. Leahy said payment on the day is a well established valuable principle in the cattle trade. It is a simple and straightforward policy which avoids any payment problems. Mr. Leahy said farmers must be vigilant in insisting that the payment on the day policy operates. He said with cattle members getting tighter all the time farmers should insist on and receive payment on the day.

Reiterating what he said earlier this year, Mr. Leahy strongly encouraged farmers to transact the business of selling weanlings to the live export trade through livestock marts. He said there are major benefits in going through livestock marts in terms of security of payment, convenience and accuracy in terms of weights and values.

# Prologue to Theatre Project for Dungarvan

If history is the story of the past heard in the present, then Tuesday 31st October in the year 2000, will become an historic day in the chronicles of the history of theatre in Dungarvan. On this date, Dungarvan Theatre Group have applied for funding for

an up-to-the minute new theatre, under the aegis of the Arts/Culture, Capital Enhancement Support Scheme 2001 - 2004, otherwise known as Access.

Over the past year, the Dungarvan Theatre Group has been a lively forum for discussion as to the best way to provide a permanent home for all types of dramatic production both local and on tour. The question "Is there any theatre in Dungarvan?" could, should and would have the answer: "Yes, and a very good one, too!"

The following committee was selected from a very representative gathering of delegates from Dungarvan and its environs.

Chairperson John Foley. Vice Chairperson Eamonn Moore. Secretary Donal Connolly. Treasurer Eamonn Spratt. PRO Anne Higgins.

An ambitious project to provide a theatrical venue that Dungarvan both needs and deserves, will have to draw on both the Access funding optimistically expected and eagerly awaited and also the generous support of the people of Dungarvan. Dungarvan is a centre of excellence - scenically, touristically, commercially, sportingly. It can offer a choice of landscape or seascape, a selection of hotel and guest accommodation, a variety of shops, restaurants and bars, numerous sporting organisations and facilities, and a trio of both golf club and leisure centres.

Dungarvan is no longer a cultural desert since the development of wonderful library facilities, the opening of the Old Market House Arts Centre and the relocation of Dungarvan's Museum Society to the Town Hall and also the construction of the new County Civic Office Com-

plex, but there is still no up and running theatre to act as a focal point for the numerous talents locally, to nurture, develop and maintain their artistic tradition. We should congratulate and thank the many local groups who have entertained us over the years with the help of facilities provided by local hoteliers and schools. Surely, it is now time to provide a permanent home for both players and audience alike to enable the artistic tradition to be enjoyed by all.

Dungarvan Theatre Group intends to offer an invitation to the public at large to involve themselves in this major project. A positive re-

sponse from Access will not only signpost clearly Dungarvan's financial route to the new theatre complex, it will also allow the public in general to lend their support to the carrying out of the "grand plan".

Yes, the phoenix of all the past productions of Dungarvan Dramatic Society, Dungarvan Musical & Choral Society, Dungarvan Pantomime Society, Tops of the Deise, to mention but a few, this phoenix can and will rise from the ashes of the tightly-shut stage curtains and the firmly-closed doors of what is the present Friary Hall.

This is the prologue!

# RECENT DEATHS

## LATE FR. TOM McGRATH S. J.

With much sadness we record the untimely death of Fr. Tom McGrath, S. J. which took place in Dublin on Friday, 27th October.

Tom, who was just 52 years old, spent his early years in Cappagh, and attended Killishal N.S. He continued his education in C.B.S. Dungarvan and on completion of his Leaving Cert he joined the Novitiate of the Society of Jesus in 1966. Having obtained his degree from U.C.D. he then continued his studies in Innsbruck, and was ordained into the Society of Jesus by Dr. Michael Russell in St. Mary's Parish Church on 30th August 1980.

After ordination he returned to Austria where he minis-

tered for some years. On his return to Ireland he spent time in Jesuit Communities in Ballyfermot, Monkstown, Mulvey Park, and finally in Leeson Street.

As well as his priestly duties Tom worked as a psychoanalyst - a profession to which he was totally dedicated. It was his way of bringing Christ to many people.

Sadly, however, his life's work was cut short by illness - an illness which he accepted with inspiring patience and resignation.

He went to his eternal reward on Friday 27th October, surrounded by family and Jesuit colleagues. His removal took place on Saturday 28th October to St. Francis Lavier Church in Gardiner Street and interment was on Monday 30th October in the presence of a huge concourse of priests, family and friends from far and near.

Chief mourners were his sisters Maura Carmody, Ann Quirke, Joan Mansfield and Assumpta Meehan, his brothers John and Paddy and his aunt Maura Walsh, his brothers-in-law John Quirke, John Mansfield and Brian Meehan, sisters-in-law Ann and Eileen, nephews, nieces, grandnephews, grandnieces.

I measc na Naomh go raibh sé.

## Dungarvan Leader Gardening Tasty Veg That Even Kids Eat!

KIDS' rule - if it's good for you, don't eat it. But many parents have talked their children into eating this surprisingly tasty vegetable by telling stories about why it looks like a miniature forest!

Broccoli is an excellent source of vitamin A, vitamin C and calcium. Medical research has shown that eating broccoli may even help prevent cancer. So why not get digging and grow your own?

Broccoli is a member of the cabbage family and grows best in cool weather and with plenty of moisture. It generally comes in three types - purple-sprouting, green-sprouting and white-sprouting. The purple-sprouting variety is hardier but probably not as tasty.

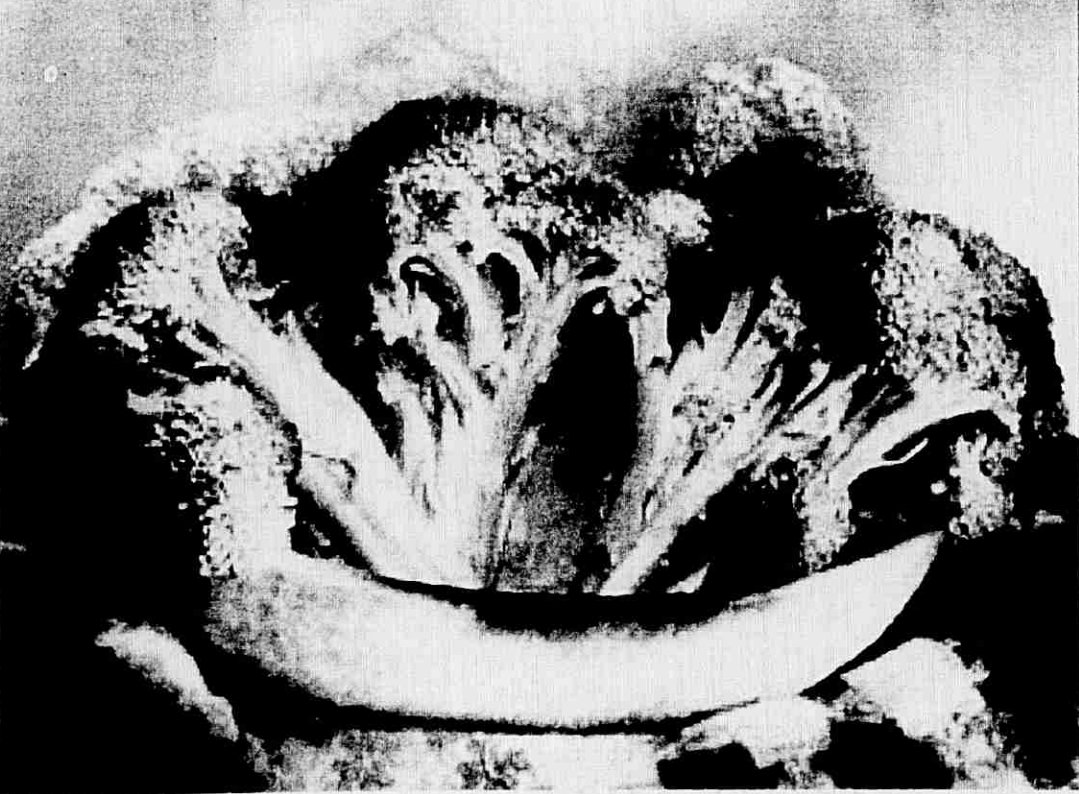

Seeds are usually planted indoors for about six weeks and then transplanted into the garden in early spring. It is also a good candidate for autumn planting. Exposure to frost is no problem for broccoli, but it prefers cool, moist weather.

Plant each broccoli plant about 18 to 24 inches apart in rows, with 36 inches in between each row. After transplanting, water your broccoli plants well. Don't worry when they start wilting - they will soon pick up again.

Make sure you stake the growing plants if they are becoming vulnerable to high winds.

Fertile soil is essential, with lots of manure or compost incorporated during the winter. The best acidity level is around pH 6.5-7.5.

Broccoli plants are quite susceptible

Easy to grow and good for you: Broccoli is an excellent source of vitamins A and C

to weeds and pests. The cabbage looper and imported cabbage worm are the most frequently encountered insect pests. These small, pale green caterpillars hatch from eggs laid by small white butterflies.

A safe dust or spray of thuricide Bt or Dipel will not harm people, honey bees or birds, but will kill the pests if the directions on the package label are followed. Repeat applications are necessary for effective control.

Do not forget to pull out all plants and compost them after you have completed the harvest.

The part of broccoli that is eaten is the flower head, which must be harvested before the yellow flowers open.

Plants usually form a large central head first. This may be cut off at the top and the plants left in the ground. Smaller flower heads will then develop that may be harvested later.

Get growing mini trees now for a tasty, healthy vegetable treat.

## This Week In The Garden

- SOW HARDY PEAS**  
Some gardeners take culinary peas, plant them outside to mature and are very successful at it. To have any chance whatsoever you must choose a sheltered spot with well drained soil. To improve your chances further, choose the hardiest variety of pea you can such as Pilot Improved or Meteor.
- DIG UP SEAKALE FOR FORCING**  
The top growth of the plant should have died back by now and this means the ideal time has arrived to lift the roots for forcing. Dig them up carefully and cut off the side sprouts of the root bundle and leave in a sheltered position outside for planting in March. Face the central roots against a wall and cover them with sand until only the crown is visible.
- FORCE RHUBARB**  
If you start your roots at once in a 21°C greenhouse you should get good sticks in time for Christmas. Strong roots should be lifted and left in the open for a few days. If the weather is frosty it will actually improve the growth of the plant later on. Plant in the greenhouse, in deep soil close together, cover them with bin liners so they are in complete darkness, water moderately and try to maintain a temperature range of 13 to 24°C.
- TIDY HERBACEOUS BORDERS**  
Most herbaceous perennials will have finished flowering and the borders should be made ready for winter. Cut off all of the dead or dying leaves and stems but leave all the evergreen leaves alone. Give the ground a dusting of bone meal and prick the surface of the ground with a fork, being careful not to disturb plants or bulbs in the process.
- TURN OVER ALL FREE GROUND**  
By this time there should be lots of free ground for digging. Most of the garden should be attended to with a spade at this time of the year. Most of the vegetable garden should be dug over to two or even three depths of a spade.

## TRIBUTES PAID TO LATE DEPUTY AHEARN

Members of the family of the late Fine Gael TD for South Tip, Teresa Ahearn, attended the opening of a new session of Dail Eireann to hear Party Leader John Bruton lead the house in tributes. Liam Ahearn and his four sons, Patrick, Liam, Garrett and Scott were present to hear An Taoiseach Bertie Ahearn. Labour Party leader Ruairi Quinn, An Tanaiste Mary Harney, The Greens Trevor Sargent and South Tipperary/North West Waterford TD's Minister of State Noel Davern and Seamus Healy, associate themselves with the tributes and expressions of sympathy to the Ahearn family.

John Bruton said Theresa Ahearn was very proud of her membership of Fine Gael. She was he said, somebody who believed very much in the ethos of public service which the party sought to uphold. She was a woman who triumphed in politics, who overcame great obstacles to become a proud

member of the Dail. Addressing the Ahearn family, John Bruton said his thoughts and those of all the members were with the Ahearn family at this time of immense grief in their lives. "She was beloved and held in high esteem on all sides of this house and this is a very sad occasion for all 165 surviving members of the Dail", he concluded.

An Taoiseach Bertie Ahearn on behalf of the Government and the Fianna Fail party extended sympathy to the Ahearn family. Praising the various roles that Deputy Ahearn took on, Taoiseach Bertie Ahearn said the Fine Gael deputy immersed herself in issues concerning agriculture, youth, vocational education committees and health committees. "These services would not function properly if people like Theresa Ahearn did not put a great deal of time and energy into them", he said.

Labour leader Ruairi Quinn said it was incredible to think

that the South Tipperary constituency had suffered the loss in one calendar year of two outstanding public representatives. She had served Fine Gael so eloquently and passionately and with such responsibilities allocated to her. An Tanaiste

Mary Harney extending her sympathy to the Ahearn family recalled a discussion with Theresa Ahearn in the previous Dail session. Just before we broke for the summer recess the Minister of State Deputy O'Donnell and I had a discussion for three or four hours one evening. I recalled being inspired going home that evening because she spoke about her cancer and the manner in which she confronted it. Deputy O'Donnell and I while having different issues on our minds, were very inspired at the courage she displayed.

Deputy Davern said the bravery and strength displayed by Theresa Ahearn during her illness would be an inspiration to all. She was he said a tremendous worker for her constituency and was a very articulate colleague and very honest and forthright when she spoke.

Deputy Seamus Healy described Theresa Ahearn as a very honest and powerful advocate of her point of view and that of her party.

Deceased in her late eighties was the last surviving member of an old and respected Nire Valley family, the Brazils of Lyre East, Ballymacarbry. A lady of outstanding qualities, she possessed a wonderful warm personality and made friends with ease. All callers to her home were always made welcome as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all. She was a loving wife and mother, her greatest passion was for her husband now deceased and they in turn thought the world of her. She was a woman who possessed a deep faith and practised her religion devoutly and her demise even at an advanced age has evoked feelings of sincere regret among her family, neighbours and her many friends.

The measure of the esteem and high regard in which deceased and her family are held over a wide area was clearly indicated by the large concourse of mourners who were present when her remains were removed from Walshes Funeral Home, Carrick-On-Suir to the parish church of Saint Molleran, Carrickbeg where they were blessed and received by Rev. ## BRIDEVIEW UNITED AFC NOTES

### Weather Causes Havoc To Fixtures

The bad weather wrecked havoc to all fixtures last weekend with no Brideview team in action. This weekend, weather permitting, will see three teams in action "A", "B" and U-16.

#### 'A' Team v Dungarvan on Sunday at 2.30 pm.

This weekend our "A" team have a huge task at home to high flying Dungarvan in the

#### Munster Junior Cup

Brideview came out on top when these two meet pre-season but Sunday will be a whole different ball game. United will be without two or three injured players and as such will have to battle hard to get anything out of this one. We hope for a fine day and ask everyone to come down to the field and give the lads some support. We can guarantee plenty of excitement. It is hoped to have some refreshments for both squads in the Corner House Bar after the game and all Dungarvan supporters are welcome.

#### 'B' Team v Accrington

Our "B" Team are away against Kilworth based Accrington Celtic on Sunday morning. Kick-off 11 a.m. Having been defeated by Af-fane last time out, Manager Ml. Sheehan knows any more slip-ups could prove costly.

#### U-13's Head to Home of Football

Yes, the big news from the Youth Section of the Club is the planned trip to the Solar Cup in Liverpool at Easter. Full details of this trip have not been released at the moment but any parent wishing

to know more should contact Frank Power. Fundraising for this trip will begin on next Tuesday night when all roads lead to Youghal once more for the bowling. Once again Frank's your man with the info.

#### Birthdays Celebrations

To John Grey who celebrated his 50th birthday last Saturday. Well done John and I know the feeling. Pat "Tear" Murphy celebrated his birthday last week. Pat was a big 33 or was it 43 years. ## CAPPOQUIN/AFFANE SCHOOLBOYS SOCCER

### U-11 League Cappoquin/Affane 1 Clashmore 3

The weather was kind to us last Saturday and while the pitch was heavy, it was, all things considered in, great condition, thanks in no small way to our groundsman John.

We went behind after three minutes when Clashmore scored direct from a free. The remainder of the first half belonged to us as we totally dominated the visitors but their defence stood firm. Their keeper was in magnificent form and saved well from a Daithi free kick. Minutes later Daithi received another free and this time he made no mistake with a precision strike to level the game just before the break. Superb in the first half were Shane Fives and Maurice Shanahan.

The second half started the same but for all our dominance we were finding it

hard to create chances. The turning point came when their keeper made a great save down at the foot of the post to deny Daithi. Clashmore came more into the game then as the lads started to tire. They went back ahead when we allowed them in too easily and from then onwards we were chasing the game.

We conceded a third before the end from a quick break which killed the game. It was a disappointing result for the boys, especially when they played so well for most of the game. Nevertheless the team continues to improve and before long will turn a few heads. Keep up the effort.

### Fixtures

U-14 Home to Clashmore, be at the pitches for 2.30 pm on Saturday November 11th. Any player unavailable for games please ring the manager to let him know.

# Customers In Waterford To Save £7.8m Annually

## Announce Biggest Ever Single Reduction in Telephone Prices

Business and residential customers in Waterford will save £7.8m per annum off their telephone bills following the announcement by eircom of the largest single reduction in telephone prices ever introduced in this country.

The company announced that the initiative will reduce the average call bill by 16% with a 56% reduction in its minimum fee from 11.5p to 5p.

This reduction means that all eircom's customers will pay as little as 5p for a five-minute local call in the evening and anywhere in Ireland at weekends.

The announcement follows continuous detailed analysis by eircom of the calling patterns of its residential and business customers and aims to provide the best value for money in terms of the actual

calls being made in Ireland on a day-to-day basis.

At the launch, where details of the new price reduction were unveiled, the company stated that this was the latest in a series of proactive measures which have been taken in the fixed-line business recently.

Jim O'Donovan, Customer Sales and Service Manager, Waterford, eircom Ireland, responsible for the company's fixed-line business, said that the initiative is a clear sign of the company's competitive positioning.

"The announcement is part of our strategy to provide maximum value to all our customers, no matter where they live or how much they spend," Mr. O'Donovan commented.

This minimum fee reduction follows other significant

price reductions undertaken by the company in recent months. In April, it announced a 27% cut in national call per minute rates; a 24% reduction in per minute rates for calls to the UK; and a 21% reduction in per minute prices on weekend calls to mobile phones.

In addition, the company launched personalised packages for its residential and business customers, which offered annual savings of up to 39%.

"Regardless of how much they spend, our customers can receive discounts that are customised to their individual calling patterns", continued Mr. O'Donovan. "These packages have already been taken by 238,000 residential and 60,000 business customers. Now, with this initiative, they will receive even better value".

The price cuts came into effect on October 24th for both residential and business customers.

## COMMENT COWS IN PLASTIC BAGS

It is interesting to note the concerns that have arisen nationally regarding the issue of dumping of cattle infected with Mad Cow Disease close to water sources. Proposals currently exist to locate superdumps close to rivers and above groundwater - the same water that makes its way into our taps.

Thousands of cows infected with every disease under the sun will make their way into these superdumps. The experts say that the seepage from this offal (among other seepage) will be contained using the same material which makes plastic bags (a HDPE liner).

If this is the case, this winter suggests that the BSE infected cows should be put into plastic bags (provided by the above experts of course) before they are buried in farms close to water sources - that should keep everybody happy!!

more Communities in Ireland to take on projects such as the Multimedia Centre. He spoke of the increasing number of e-mails he receives daily and stressed that this was proof of the far reaching effects of IT, stating that "the growth of the computer industry is shrinking the world we live in as it reaches further and further afield."

Mr. Oliver Clancy of Fás also spoke.

**NEED FOR COMPUTER LITERACY**

Some of the major points made at the opening of Tallow Multimedia by all the speakers is the need for Computer literacy among all age groups in this, the new millennium. It had become apparent that IT Information Technology had become the standard by which all are judged. It is no longer acceptable to employers to have experience and qualifications if they have not embraced the world of technology. The location of Tallow Multimedia Centre is another factor of great importance as it breeches Waterford and Cork, having clientele from Clonmel to Cork city. Tallow may be a rural area but it has the spirit and tenacity to realise the

needs of a community and those surrounding it of education, to progress, the essential factor is to learn and in Tallow, you can.

Conna Flower and Garden Club's outstanding floral

displays added to the occasion and seanchai James Lenane kept the guests entertained throughout.

Catering on the day was in the capable hands of Kearney's Restaurant.

## Lan Mara Art Exhibition at Old Market House Arts Centre

Lan Mara, currently on exhibition at The Old Market House Arts Centre, Dungarvan, is the outstanding and critically acclaimed work of four artists from the Ring Ghaeltacht. Blawnin and Rayleen Clancy, Roisin Ní Chionnfaolaigh and Hugh O'Carroll.

The work which has featured on RTE Nationwide and TG 4, is inspired by the mountains and coast line of County Waterford.

"Tramore Sentinel" by Blawnin Clancy is an impression of the old coast guard station in Tramore which burned to the ground recently. A very fine painting, it is a permanent reminder of an architecturally dignified building very much part of the ethos and tradition of Tramore for over a century.

Irish art is a very good investment, and the paintings by Blawnin and Rayleen Clancy, and stained glass by Roisin Ní Chionnfaolaigh make unique millennium statements which can grace any home.

The sound track is a hauntingly beautiful piece composed specially for the exhibition by classically trained musician Hugh O'Carroll.

LAN MARA runs until November 11th at the Old Market House Arts Centre, Lower Main St., Dungarvan. Open Tuesday - Friday 1-30 - 5 pm; Saturday 12 - 6 pm. Admission free.

## Waterford Macra Na Feirme Notes

The Waterford Macra Volleyball competition was held last Friday night 3rd November in the Friary College, Dungarvan. Mixed teams representing all the clubs in the county were taking part. The finalists were Stradbally who beat Ballyduff in the semi final and Dungarvan who beat Cappoquin. The final was a very close affair with Stradbally coming out on top, winning in two sets, 7-4 and 8-6.

Best of luck to Anita Meagher from Cappoquin Macra as she heads off to Tullamore this weekend as the Waterford representative in the Macra Queen of the Land Festival. She will be accompanied by a strong

contingent of supports from her club along with many others from around Co. Waterford, they are sure to have a great time.

This is no easy competition to take part in though, as Anita already had to submit a project on "Is farming a viable career for the future".

Also travelling this weekend are teams from Kinsalebeg and Ballyduff Macra who are both competing in the National semi-final of the Know Your Agriculture Quiz, which takes place in Mallow on Saturday evening 11th November.

The national final of that event takes place at the Macra annual conference in Limerick

at the end of the month. On Wednesday 8th Kilmacthomas Macra will take part in the regional round of Futuristic Fashion Vision which takes place in the Courthouse in Lismore at 8 pm.

This is a new competition, the final of which will also take place at the Rally in Limerick. Each team consisting of five people, will have designed and made four outfits which may portray the way people will dress in the 22nd century, the teams must then model the outfits on the catwalk on Wednesday evening.

Kilmacthomas will be competing against teams from Wexford, Cork and Kilkenny.

# ABBEYSIDE TOPICS

## VANDALISM

It has raised its ugly head once again and we notice the destruction of a number of sapling ash-trees which were decorating the old Railway Line between Seapark and the Bridge. More depressingly, we record the reckless damage caused to the Millennium Cross at Villa Rosa Guest House which was blessed by Rev. Fr. Doherty P.P. on New Year's eve last and was the object of admiration by tourists and others travelling along the Gold Coast Road all year. The Cross was erected by P. J. and Peggy O'Brien to mark this special year.

## A WASH-OUT

The week-end was a non-event in regard to any sort of outdoor activity. The incessant rain and strong winds meant people were happier to stay at home. There was a power-cut for a short time on Sunday afternoon but thank God, the electricity supply was restored quickly. The Western Junior Football Final involving Ballinacourty which was due to take place at Fraher Field was postponed and will have to be refixed. There was no flooding in the Abbeyside area which is good news for householders and those who wished to get out and about during the inclement weather. On Monday there seemed to be no prospect of an improvement in the type of weather we are having so we will just have to grin and bear it for the moment at least.

## ROADSTONE AWARDS

Congratulations to Margaret Cunningham and Seamus Fitzgerald who were prizewinners in Category One and Category Five of the inter-county competition for Primary Schools. The prizes were presented at a banquet in Clontarf Castle on Friday last.

## ANOTHER EXCITING ELECTION

When Parliament was dissolved in 1874, Henry Matthews was opposed by Minor O'Keeffe of Ballylemon Lodge. He was regarded as a local man and the supporters of Charles Barry believed the local influence would be sufficient to beat Matthews. And in this view they were correct. For the result of the election showed that Mr. O'Keeffe had got a majority of votes and he was declared elected. This Parliament was dissolved on the 24th March, 1880.

However, on account of the death of Mr. John O'Keeffe, a by-election for Dungarvan took place. This was a memorable election. Mr. Matthews was invited by his supporters to come forward and he was promised great support. The date of the election was 25th January, 1877. Mr. Matthews consented to contest the seat. It was not known at first who was to be his opponent, but the name of Frank Hugh O'Donnell was spoken of.

### HOME RULE

This movement had been going on for some time and the Party had been established in the House of Commons in England. It was thought by some that the Home Rule movement was falling away and Mr. Matthews evidently was of that opinion. Both of those expectant candidates left London simultaneously and intelligence reached Mr. Matthews' supporters that he would arrive on a certain day, about a fortnight before the election. A deputation went along the Waterford road to meet him. Mr. Matthews drove a carriage from Waterford, having landed from the Milford boat.

### THE MEETING PLACE

The parties met below Leamybrien and they consulted with Mr. Matthews. From the information given, the forthcoming candidate, Mr. Matthews offered to return instantly to London and do no more about the election. He was urged to come on. As the parties were conversing on the road, a carriage came along. It passed. Inside there was a gentlemanly-looking man with fair hair. He wore an eyeglass. He looked at the party on the road and they looked at him. "Who is that?" said one of the party. "Is that Frank Hugh O'Donnell?" "I don't know," replied Mr. Matthews "but he travelled across in the boat from Milford." Mr. Matthews continued his journey into Dungarvan and on arriving there he was informed that Frank Hugh O'Donnell had arrived before him and that he was to be his opponent. (More next week.)

## TRAGIC ACCIDENT

Our sympathies go out to the Crotty and Brett families on the death of Seán who was taken from us as the result of a traffic accident last Friday. Both families have deep roots in Abbeyside. The local G.A.A. Club provided a guard of honour at the removal from Drohan's Funeral Home to Abbeyside Parish Church on Saturday night last.

## AEROBIC CIRCUIT TRAINING

During the long winter nights, if it's trim and toned and aerobically fit you want to be, then come along to St. Laurence's Hall, Ballinroad every Monday at 6.45 p.m. to 7.45 p.m. and Thursdays 6.30 p.m. to 7.30 p.m. All levels of fitness are catered for. So, pull out those runners and come along and exercise and enjoy the company. Any queries contact (086) 8323615.

## NEW BUSINESS

Another business has opened in Sexton Street, Abbeyside. It is a Pizza Shop named Pizzabay and is situated between Remedies and Radley's Bar. We wish the proprietors the best of luck.

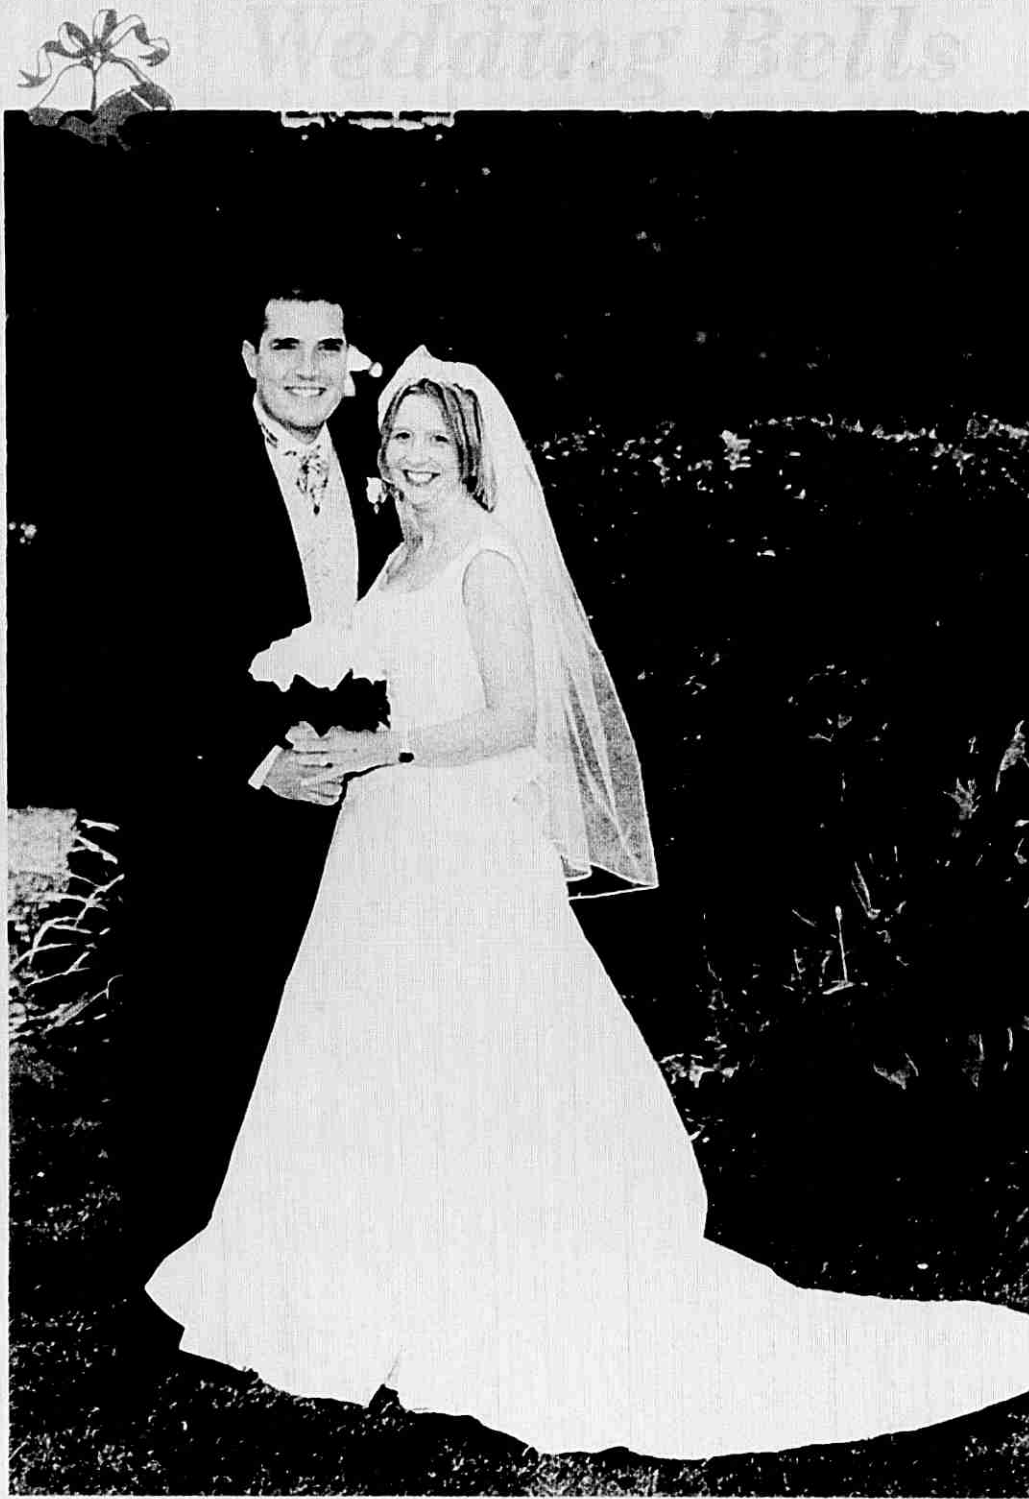

## INTERMEDIATE HURLING FINAL

Abbeyside hurlers play Fourmilewater in the Western Final of the Intermediate Hurling Championship on Saturday afternoon next at the Fraher Field. Training has been seriously curtailed due to the prevailing weather conditions which prompts one to question the wisdom of playing hurling finals in November.

## LONDON REUNION

The final countdown to the Annual West Waterford Emigrants' Reunion in London has begun and on Friday next the group, which will include a good number from the Abbeyside, Ballinroad, Ballinacourty and Garranbane areas will take to the air and the sea for the annual function in Stonebridge.

Locals who are not travelling and who may have relatives or friends in England who have not been home for a number of years may wish them to know about the Reunion as they may like to pay a visit there.

## Abbeyside Scout Notes

Last weekend was certainly a very hectic one here in the fourth. On Friday night we held our annual mass for deceased members and supporters at which there was a large attendance, with people travelling from far and wide for this special occasion in our scouting calendar.

On Saturday morning several of the scouts led by P/LS' Kelvin Brady and Peter Phelan took off on a cycle hike in the direction of Deelish Woods. All the scouts had plenty of refreshments as well as some rather large thermos flasks filled with warm drinks. The weather on the day was glorious, just perfect for hiking, with warm sunshine very little wind and definitely no rain. The rain gear played a big part in the hike itself but not for the obvious reason, to find out more you will have to ask one of the scouts what exactly it was used for! The greatest challenge set before the scouts on the way home, was that they had to negotiate some very steep hills indeed. All arrived back at the scout den shortly after two in the afternoon where some games were played before heading for home after a very enjoyable and successful days hiking.

Next weeks meeting takes place on Saturday night at the usual time of seven thirty and it will be a multi (non uniform) one.

# DUNGARVAN CHAMBER NOTES

Dungarvan Chamber of Commerce launches their Website. Pictured at the launch are (l to r): Willie Whelan, Deise Design, who designed the Website and Mario Flavin, President, Dungarvan Chamber of Commerce. (Photo: Sean Byrne)

## DungarvanChamber.com — the website for those in Business

Dungarvan Chamber this week launched their own website [dungarvanchamber.com](http://dungarvanchamber.com). Designed by local company Deise Design, the Chamber's website provides up to date information on the activities of the local business community.

A major feature of [dungarvanchamber.com](http://dungarvanchamber.com) is the complete index of Chamber of Commerce members. Each of the one hundred and forty six Chamber members feature on the website and are listed according to the services that they offer. Each business entry includes their contract details and a link to their e-mail address where available. The site also offers members the opportunity to set up reciprocal links to their own websites.

[DungarvanChamber.com](http://dungarvanchamber.com) also contains a news section which is updated on a monthly basis. Features included in this section will include updates on the Chamber of Commerce Customer Care Awards, upcoming training sessions, guest speakers etc.

At the launch of the Chamber's Local Economic Development Plan in February this year, the Chamber stated that it would promote the Urban Renewal Scheme for Dungarvan. Accordingly, a section on the 1999-2002 Urban Renewal Scheme which is based on the 1998 Dungarvan Integrated Area Plan has been included on the website.

Deise Design ([www.deisedesign.com](http://www.deisedesign.com)) are a web site design and internet consultancy company founded by William and Martin Whelan and based at Coolagh Road, Abbeyside. Deise Design specialises in producing high quality internet web sites for companies and businesses of all types and sizes. They will guide business's whether large or small through the process of establishing an Internet presence for their company. Last year one of Deise Design's clients had 130,000 visits to their web site. Their web sites are constructed to the highest technical standard and will function and display properly on all major browsers and most importantly are designed to download quickly. As well as Dungarvan Chamber Of Commerce, some of Deise Design's clients include Dungarvan Museum, Waterford Leader Partnership Ltd. and Go2mobile Solutions Ltd.

Deise Design have also recently produced a unique product called Deiseditor which allows companies to use their in-house staff to update their own web site. This in turn leads to cost savings and significantly improved web site content. Doras (the Independent Irish Internet Directory) have consistently given very good reviews to sites produced by Deise Design. The Chamber is delighted to have worked with this local company in the design of their website and we look forward to receiving feedback about the site.

## DUNGARVAN MUSEUM NOTES

The Museum Society annual general meeting took place on Thursday, 26 October at Lawlor's Hotel. The following are the new officers and

committee: Willie Fraher President, Willie Whelan Vice President, Ann Allridge Secretary, Mary Giblin Treasurer. Committee members:

Joan Baily, Matt Connolly, Tony Fitzgerald, Jack English, Eddie Cantwell, Agnes Devine, Nioclás Graves, Jim Shine. The following were reappointed as Trustees: Julian Walton, Tom McHugh and J. D. Hally.

A lively discussion took place afterwards and some excellent ideas were suggested which will be examined by the incoming committee. Mr Tony Fitzgerald has stepped down as President and there was unanimous praise for the work he has achieved during his term. He thanked the committee and the members for their support over the past four years.

### NEW EXHIBITION

We are currently putting the finishing touches to a new special exhibition, titled The Art of Advertising. The displays feature old advertising signs, bottles, packaging dating from the late 19th to the 20th century. This nostalgic exhibition will bring back many happy memories to a lot of people.

We have also added four new display cases of local material. These feature the Ormonde Cinema, Dungarvan Co-Op, Shandon Dairy, The Troubles, and some interesting cups of local interest featuring Feis Na Deise, Dungarvan Cycling Club, and Dungarvan Brass Band.

The Museum will be glad to accept any donations to add to our collection and the item does not have to be of great significance — an old billhead, calendar, newspaper, etc., are all of interest.

### MEMBERSHIP

Membership for the coming year is now due. The fee is the same as last year, i.e. £6.

It is payable at the museum.

### LOCAL CELEBRITIES

We intend to do a series of columns on different local personalities. This week our article is on Sarah Purser (1848-1943). She was born in Dun Laoghaire on 22 March 1848. She was the daughter of Benjamin Purser and Ann Mallet. They came to Dungarvan in the 1840's and lived firstly in Strand side South, Abbeyside, which is now the home of the Parish Priest. Later they moved to a house called 'The Hermitage' in Abbeyside. Sarah lived here for about 25 years. Her father was involved in brewing and flour milling while in Dungarvan.

At the age of 13 Sarah was sent to school in Switzerland for two years. She left Dungarvan in the summer of 1873 to make her living as a painter and settled in Dublin. There she trained in the Metropolitan School of Art and later went to the Academie Julian in Paris and also to Italy. She became a highly successful portrait painter and an important figure in the Irish art world at the turn of the century.

In 1903 she founded An Tur Gloine, the first Irish stained glass studio. She was instrumental in drawing the attention of the art world to the works of John Yeats and Nathaniel Hone. She persuaded W. T. Cosgrave to give Charlemont House in Dublin as a modern Art Gallery and also to house the Hugh Lane collection.

Website address: [www.dungarvanmuseum.org](http://www.dungarvanmuseum.org) Opening times: Mon-Fri, 10 a.m. - 12.30 p.m. and 2 p.m. - 4.45p.m.

## DUNGARVAN TOASTMASTERS

At Toastmasters, members learn by speaking to groups and working with others in a supportive environment. A typical Toastmasters club is made up of 20 to 30 people who meet once a week for about two hours. Each meeting gives everyone an opportunity to practice: Conducting meetings. Meetings usually begin with a short business session which helps members learn basic meeting procedures. Giving impromptu speeches. Members present one-to two-minute impromptu speeches on assigned topics. Presenting prepared speeches. Three or more members present speeches based on projects from the Toastmasters International Communication and Leadership Program manuals. Projects cover such topics as speech organisation, voice, language, gestures, and persuasion. Offering constructive evaluation. Every prepared speaker is assigned an evaluator who points out speech strengths and offers suggestions for improvement.

Last Thursday night, we saw a number of the speechcraft course participants complete their third and final speech. Everyone is making great progress and two more nights will see the course completed. We had a very informative and enjoyable workshop on how to use the overhead projector when giving presentations. The group were broken up into pairs. They were given some paper and a transparency. They were then given a topic on which to prepare a short presentation using a single transparency and the overhead projector. People came up with weird and wonderful ideas. On the serious side, everyone learned a lot about the techniques used when using the overhead projector.

Next Thursday is a normal club meeting, although, we have been so busy for the past number of weeks, that it is hardly true to call it a normal club night. We will have some speeches from those on the speechcraft course and we will have two Icebreaker speeches from new club members. New members are always welcome, or if you want to see what it is all about, please join us in the Park Hotel on the second and fourth Thursday of the month at 8pm.

## Dungarvan Technical College Notes

### SCHOOL MASS

The school recently celebrated the beginning of the academic year with the traditional school Mass. The Mass, which was celebrated by Fr. Tim O'Riordan, took place this year at St. Joseph's Hospital, lending the occasion an intimate feel.

As usual, the choir, led by Moira Dunford, who was ably assisted by Kathleen Kennedy, Janice Flynn and Mary Slater, were in fine voice and great things are expected of them for future events. Special thanks to Sr. Mairead for graciously allowing the school to hold our Mass in St. Joseph's.

### JUNIOR CERT. SCHOOLS PROGRAMME

First years recently took part in an excursion to the Heritage Centre at Ferrycarrig in Co. Wexford as part of the Junior Cert. Schools Programme (History Course). Although it was a wet day, it did not seem to dampen their enthusiasm in exploring Ireland's past and they will no doubt apply their new-found knowledge in History class.

### LUNCHTIME ACTIVITIES

The Lunchtime Club is in full swing at the moment with board games and the library available to interested students. At the moment, "Goosebumps" and "Roddy Doyle" appear to be the most popular choices for avid readers while "Connect 4" provides the liveliest competition.

## FIXTURES

Sat. 11th/Sun. 12th - 18 Hole Stableford Hamper Competition sponsored by Kearney's of Tallow.

Sat. 11th - Lismore v Dungarvan Return Leg of Ashes - Tee reserved from 11.45 a.m.

Coming: Sat. 18th/Sun. 19th - Hamper Competition sponsored by Kearney's, Tallow.

On Saturday Tim O'Leary and his team went to Dungarvan to try and wrench the Ashes Trophy from Dungarvan's tight grip.

With all the terrible weather of late we were lucky to get a dry sunny day. Lismore fought hard to keep the expected deficit to a minimum and Tim was happy his lads could overturn the 16 down deficit in the return leg this Saturday at Lismore. The weather

took a turn for the worse on Sunday causing the cancellation of the Weekend Hamper Competition. All Saturday's scores will be carried forward to this weekend.

Club captain Shaun Power would like to thank everybody who turned up for his and Lady Captain Gretta Barry's Captains' Dinner.

## Full House for RNLI Helvick Head Poker Classic

Thursday November 16th promises to be a great night in Lawlor's Hotel, Dungarvan, because it is the date of the first annual Poker Classic in aid of Helvick Head Lifeboat.

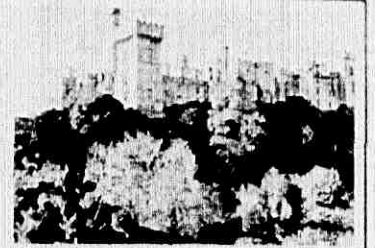

The event which starts at 8 pm sharp, is limited to 100 players, and the final table of five will receive 50% of the total subscription fund some time before midnight, when the evening is expected to finish.

Entry fee of £50 per player should be paid to Lawlor's Hotel reception desk before Wednesday 15th November.

This is your chance for a full house before Christmas, and there will be random tables. Each player receives £1,000 stake money. The expressions "straight flush" and "royal flush" will assume new meanings, there will be no "splitting openers".

For additional information phone (086) 231-6613. Remember this poker classic is for a very deserving cause - the RNLI consists of a very dedicated voluntary group of men and women who continually risk their lives to save life at sea. — Joan Clancy PRO.

## LADIES FOOTBALL

# All-Ireland Club Semi-Final

## BALLYMACARBRY BATTLE FOR PLACE IN THEIR 13th ALL-IRELAND FINAL

### BALLYMACARBRY V TIMAHOE (LAOIS)

The All-Ireland Club Semi-Final between Ballymacarbry and Timahoe is scheduled for a Laois venue (not known at time of writing) on Sunday next. Timahoe backed by Sue Ramsbottom, the Casey sisters - Mary and

Angela, Fiona O'Driscoll and Lulu Carroll are going to pose a very serious threat to Ballymacarbry's chances.

The Laois representatives who knocked out the reigning champions Shelmaliers in the Leinster Final will be all out to make the breakthrough. They have been very impressive to date with Sue Ramsbottom still a lethal full-forward.

Ballymacarbry have also had an impressive run so far. Convincing winners in the Waterford County Final with a 2-22 to 2-2 victory over East Waterford, they scored a decisive win over Cork Champions Donoughmore in the Munster Final before beating Mayo representatives Carnacon last time out.

They will again be without Geraldine O'Ryan, a huge loss but Martina O'Ryan, Annalisa Crotty, Noirín Walsh and Paula Walsh,

Claire Ryan, Rebecca Halahan, Marie Crotty and company still possess a very formidable team and will make a mighty effort to get into their thirteenth All-Ireland Club Final in sixteen years.

## Dungarvan Macra Na Feirme Notes

On Friday night last, the County Volleyball Finals were held in St. Augustine's. Richard, John, Alan and Vinny represented Dungarvan. The lads were unlucky while Stradbally were victorious on the night.

The great success of the Table Quiz was due in no small part to our generous sponsors. A big thank-you to the following - The Parrish, The Tudor House, Bridie Dee's, Ryan's SuperValu, Herlihy's SuperValu, McGrath's Newsagents, The Moorings, The Interlude and Lawlor's Hotel.

The village of Shrule, Co. Mayo will never be the same again following a recent visit from

Bessie and Co. Bessie wasn't crowned as Ireland's most ideal Culchie but he certainly left skidmarks behind him!!!

# IN MEMORIAMS

**CAHILL** — First Anniversary — In loving memory of Ted Cahill, late of London and Glenconner, Clonmel, who died November 11, 1999.

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,  
Are the ones who can't forget.  
Happy memories are forever,  
Of days when we were all together,  
Each of us in our own way,  
Have special thoughts of you today,  
So rest in peace, my dear one,  
And thanks for all that you have done.

(Always remembered, Be and family.)

**CUMMINS** — Second Anniversary — In loving memory of our dear mother, Rita Cummins, late of Coolnagour, Dungarvan, whose anniversary occurs on November 7, R.I.P.

Softly from the shadows,  
You heard a gentle call,  
Taking the hand of Jesus,  
You quietly left us all.  
May you always walk in the sunshine,  
God's love around you glow,  
What it meant to lose you,  
No one will ever know.  
As I travel to your grave-side,  
Flowers I place with care,  
No one knows the heartache,  
As I turn and leave you there.  
To each of us there comes a time,  
When loved ones have to part,  
For me the parting came too soon,  
And left a broken heart.  
(Sadly missed by your loving daughter Ursula and grandchildren John, Louise and Christopher).

**CUMMINS** — Second Anniversary — In loving memory of my dear mother, Rita Cummins, Coolnagour, Dungarvan, whose second anniversary occurs on November 7.

Will those who think of her today,

Somewhere beyond the sunset,  
Where loveliness never fades,  
They walk in a beautiful garden,  
Beneath the blue of the skies.  
And we who loved and lost them both,  
Will treasure their memory forever,  
Until we meet again,  
God bless you Mum and Dad.  
(Always remembered by your daughter Mary, Jackie and family in England and your daughter Hannah.)

**FOLEY** — In loving memory of Monica Foley, late of 10, St. Patrick's Crescent, Dungarvan, who died November 5, 1977.

But every day my whole life through,  
I will always love and remember you.  
(Always remembered by your loving daughter Kathleen Moore and grandchildren.)

**MOORE** — Fifth Anniversary — In loving memory of my father, Paddy Moore, late of Coolnasmear, whose anniversary occurs at this time.

A place is vacant in our home,  
That never can be filled,  
In a near and silent graveyard,  
Where the trees their branches wave,  
Sleeps a kind and loving father,  
In his cold and lonely grave.  
Lots of things have happened, Dad,  
Since you went away,  
Things you could have shared with us,  
If God had let you stay.  
(Always remembered by your son Danny, daughter-in-law Mary, grandchildren Michelle, Trevor, Kenneth and baby Leo. — Always miss you.)

The blow was hard, the shock severe,  
To part with one we loved so dear,

We only know we miss you, Jim,  
From the bottom of our hearts,  
And when we are sad and lonely,  
And everything goes wrong,  
We seem to hear you whisper,  
Cheer up and carry on.  
(Always remembered by your sisters and brothers.)

**WALSH** — Nineteenth Anniversary — In loving memory of my dear father, Patrick (Paddy) Walsh, late of 25, Caseyville, Dungarvan, who died on November 7, 1981. R.I.P.

No longer in our lives to share,  
But in my life you're always there,  
No words I write will ever say,  
How much I miss you here today.  
They say that time heals everything,  
And that my broken heart will mend,  
But I lost two things that day,  
My father and a friend.  
My words are few, my feelings run deep,  
And memories of you Dad are mine to keep,  
Will those who think of Paddy today,  
A little prayer to Jesus say.  
(Forever in our thoughts, your son Billy, daughter-in-law Nora, grandchildren David, Jacqueline, Claire and Siobhán.)

**WALTON** — Fourth Anniversary — In loving memory of Garry Walton, Cahernaleague, Ballinamult, who died November 7, 1996.

Is down to your glow,  
To emulate you we will try.  
(Always remembered by Uncle Phillip and cousin Fay.)

**WALTON** — Fourth Anniversary — In loving memory of Garry, late of Cahernaleague, Ballinamult, who died so tragically on November 7, 1996.

There is a light that shines,  
Within a gentle soul,  
His kind words we shall hear no more,  
His smile so bright we shall see no more,  
We pray for you to be at peace,  
Garry, you were a blessing to us,  
And our hearts are low once again,  
As we think of you, our gentle son,  
The only peace of mind we shall have  
Is to think of you and all that we had.  
(Loving you always — Mam, Dad, Seán X X X.)

**WALTON** — Fourth Anniversary — In loving memory of a dear brother and friend, Garry Robert Walton, Cahernaleague, Ballinamult, who died on November 7, 1996, aged 21 years.

You know how much I loved you, you know I love you still,  
To wait a lonely lifetime hurts, but you know I will,  
Needing you to be near me, seeing you once more,  
Arms outstretched to a brother I miss hoping you'd walk through the door,  
Times we shared together, remain forever locked away inside,  
Recalling you my older brother Gaz, with heartache, love and pride,  
Gone but not forgotten from a world so full of pain,  
So hold me a place in your heart, dear Garry, until we meet again.  
(Always remembered and loved by Lyndsay, Martin and baby Brandon.)

**WALTON** — Fourth Anniversary — In loving memory of Garry Robert Walton, Cahernaleague, Ballinamult, who died on November 7, 1996.

Four years have passed now since I've seen your face,  
Or felt your warm embrace,  
I've cried a thousand tears,  
When I am lonely I think of you,  
And just to know you're always there,  
I see your picture hanging on the wall,  
And I wish you were here to tell you how much you mean to me,  
I know that we shall meet again, but till then, dear Garry, rest in peace.  
(Love always — Julia.)

From the bottom of our hearts,

Cheer up and carry on.

No longer in our lives to share,  
But in our hearts you are always there.  
(Loved and remembered by your daughter Mary, son-in-law Michael, all your grandchildren and great-grandchildren.)

**KEATING** — Second Anniversary — In loving memory of a dear mother, Maureen Keating, late of Ringnasillogue, Dungarvan, who died on November 4, 1998. Masses offered.

A little tribute small and tender,  
Just to show we still remember,  
A heart of gold, a life so true,  
Loved and respected by all she knew.  
Always willing, helpful and kind,  
What beautiful memories she left behind,  
Will those who think of her today,

## ST. MARY'S PARISH NOTES

**Sunday, 12th November** - 32nd Sunday of the year.

Readings: 1 Kings 17:10-16; Heb.9:24-28; Mark 12:38-44.

We bring simple gifts before God - our love, our care for each other, our worshipping, hearts and voices. In our readings, a poor widow's hospitality to Elijah the prophet is rewarded. Christ offers his sacrifice once and for all. When he comes in glory, he will reward those who wait for him. Unlike the showy religious leaders, the poor widow gives with generosity of heart.

**A Widow's Might** — The readings shed some light in showing us that it is possible to give without loving (pharisee) but not to love without giving (the widow) what is the quality of our giving to any cause that attracts our interest and sympathy not just financially and materially? Think about our own parish here in Dungarvan - many groups could do with more volunteers. Our own Parish Renewal Programme and new Assembly will begin shortly. How about an investment of your time and

talent - two hours rather than two pounds?

Our idea of a Practising Catholic needs to be broader than weekly attendance and includes the vital qualities of compassion and selfless generosity. Little things do mean a lot in human relationships, courtesy and consideration, remembering and listening. It is God's measure as well.

**Are You Open To A Challenge?** — Then please keep the night of Wednesday, 22nd November free. Make a date with us and make a difference.

**Pause for Thought** — The guts of the Christian Message is in the life of Jesus and not in rules and regulations. If I say I am a Christian, then I cannot ignore or avoid a commitment to my community.

**Pause for Prayer** — You created us, God, in your image and likeness. We are forever bound to you; you are the very reason we exist. Without your friendship and love we cannot reveal your glory to those around us. Give us wisdom to know your will and the courage to carry it out. Amen.

**Novena of Masses** for our deceased relatives and friends will begin in the Parish Church on Wednesday 22nd November. Please return your list of the dead for inclusion in the masses.

**Memorial Service** for families and relatives who have suffered the death of a child. The Paediatric Unit at Waterford Regional Hospital have arranged this service to take place in the Hospital Chapel on Saturday, 11th November, at 3 p.m. All welcome!

**November Grave Yard Prayers** — Prayers for the Dead and Rosary on this coming Sunday (12th) will be in Old St. Mary's graveyard at 3 p.m. All welcome.

**Exposition of Blessed Sacrament:** Tuesday to Friday, 10 a.m. to 7 p.m. Can you spare an hour?

**Baptisms** — 2nd & 4th Sunday every month after 12 noon Mass. Parents must take part in the preparation meeting - enrol at the Parish Office.

**Confessions** — St. Mary's: Saturday after 11 a.m. Mass, 4 p.m. and 7 p.m. Friary: Saturday 10.30 a.m. - 12 noon and 4.30 - 5.30 p.m.

**Parish Office** is located in St. Mary's Church and is open Monday - Friday 10.00 a.m. - 12 noon, and 2 p.m. - 4 p.m. If you want to book Masses or Baptisms call during these times.

# STRADBALLY NOTES

## STRADBALLY'S GIFTED WOOD-TURNER IN DEMAND

At the recent Designer/Maker show at the Tower hotel Waterford City the wood-turned pieces by John Curran were snapped up. A gifted wood-turner, John (21) is currently studying Civil engineering in U.C.C.

His passion for wood began during his transition year in school 1994/5, when a teacher told him about the South East wood-turning Guild and their monthly workshops. John headed off to a workshop and was hooked from the start, buying a small lathe and devoting evenings and weekends to honing his craft while finishing school.

Like the 'Madhatters', John also showed an early flair for design innovation and entrepreneurial spirit, when he and Dermot Gough won the Waterford Enterprise award for their Fire-side sets.

Although there is no wood-turning skills in the family, John shows a rare gift for working with native Irish woods such as Elm. Primarily working to commission, John's work is much in demand, his bowls starting at the very reasonable price of £30.

There will be a rare opportunity to buy John's work at the Stradbally Christmas Craft-fair on December 2nd and 3rd.

## 'FULL HOUSE' FOR HALLOWE'EN PARTY

In the planning stages it was anticipated that 40 or 50 children would come to a Halloween party in the G.A.A. club, but incredibly over 120 children turned up on the night, swamping Yvonne Wall who was in charge of the door. Eight Mums came together to organise a night for their children and anyone else who wanted to join in. The admission of £1 covered the cost of the prizes. On the night, the G.A.A. club resounded to the screams of excitement as they played pin the eyeballs on the pumpkin, bobbing apples, and pass the parcel.

The high point of the evening was the disco, hosted by DJ Heather Finn wearing a glittering wig, while Fr. Enright walked the hall judging the best costumes and best dancers.

Winners chosen by Fr. Enright were; Gráinne O'Keefe, Damien Kiely, Paul Finn, Alish Pollack, Crispin Maapa, Karen Crotty, Valerie Crotty and Eoin O'Brien. Children came from all four National schools in the parish and each child received a free drink and Mummy crisps!

Thanks to the 'Mums' committee, Yvonne Wall, Heather Finn, Jo Moran, Breda Kiely,

Caitriona Maher, Sonja O'Keefe and Ann Power, and a special thanks goes to 'witch' Brigid Drohan, Elaine Kiely and Don Sutherland, for helping out, and Tom Power who got stuck in with cleaning up duties.

Two trays of minerals were donated by O' Briens bottlers of Clonmel (thank you) and several parents contributed spot prizes. A special 'thank you' to dance teacher Liz Murphy who produced and distributed extra posters for the night.

All in all the evening was such a success that the 'Mums' are doing it again!

Yvonne Wall (Chairperson) would like to announce that there will be a Kid's Christmas Party night on the 28th of December at the G.A.A. club, 7-9 p.m. Admission £2.

## PUBLIC MEETING

A very large crowd attended the public meeting held last Wednesday evening (Nov. 1st) at the G.A.A. club. The meeting was organised by The Stradbally Environmental Group. Michael Keane, (Chairman) addressed the meeting giving a further up-date on the proposed pig factory at Rathnaskillogue, explaining that funds raised by the Committee had been used to date on commissioning a report for the EU, with further fund-raising probably being necessary in the event of legal action.

The developer has now applied for an I.P.C. license from the E.P.A. and Michael Keane asked that anyone opposed to the granting of said license make a submission to the E.P.A. as soon as possible.

The threat to the environment was discussed in detail, in particular the risk of pollution to the ground-water in the proposed spread-lands area, which are situated on a vulnerable aquifer.

Maurice Lannon and other representatives from Bonmahon were at the meeting, and added their voices in opposition to this development. Cllrs. Ger Barron and Tom Cunningham also attended the meeting, and Paul Walsh who asked to address the meeting asked that they do everything in their power to ensure that Waterford County Council upholds its statutory responsibility to protect ground-water.

Those attending the meeting were unanimous in their opposition to this factory, with several individuals opposing the development through their own initiatives. The Stradbally Environmental Group will shortly be making a submission to the E.P.A. opposing the granting of a license.

**TRAVELLING TO EU**  
Paul Walsh and Brian Corry travel to Brussels this week

to discuss breaches of EU directives in relation to the granting of planning permission for this proposed intensive pig factory. Paul thanked those at the meeting who had donated some funds to assist with the costs of the trip, and the legal costs, £1,000 would be needed and over £300 has now been raised.

Please forward your contribution to 'The Environmental Protection Account', c/o Paul Walsh A.I.B. bank, sort code 93-40-70 a/c number 054 68009.

Flooding in the Stradbally area has been pretty bad especially on the road to Dungarvan and Bonmahon, should the rain continue watch out for more flooding as the ground-water is rising!

## BALLY A.C.

Other families who carved their names with pride during the heydays of Bally A.C. in-

cluded the Behan families of Kilnagrange, and Coumahon with Seán, Rena, Eleanor, D.P. Vincent, Nodlaigh and Imelda, all playing their part. Their parents Denis and Maura were always there with transport and vocal support.

The Kiely's were another family who spring to mind with Derry leading the way as All-Ireland long-jump champion, and there were also sterling performances from Paula, Peter, and Edwin. Lorraine Kirwan was a very good sprinter as also was her namesake Raymond and both of these had exceptional ability at a time when coaching facilities were not very good.

The recent death of Geoffrey Hally of Ballyshunock, was a big shock to his family and all in Bally A.C. Along with his wife Kathleen and their children Geoffrey, Michael, John and Eamonn, they carried their own niche in the club, especially in cross-country. The boys could always be relied on to do their best for the good of their team mates and were never found wanting.

Brian Murray who now teaches in St. Declans College in Kilmacthomas was also a valued member of the club along with his brothers Dermot and Fintan and sisters. Then there was the Power family with their parents, Tom and Bidy who contributed a fair bit and the names of Gretta, Tom, Joe and Brendan spring to mind.

## BALLYDUFF DRAMA NEWS

# "Playboy" Affected By Industrial Relations Problems

As Ballyduff Drama Group prepares to hit the boards with its production of John Millington Synge's "The Playboy of The Western World" it finds itself bedevilled with industrial relations problems. It is not that the cast have fallen out with the director or any such internal strife. Rather is it that its schedule has fallen foul of a horrid coincidence. Having, as it has over the last few years with "The Field" and "Macbeth", scheduled in a production in the autumn suitable to the secondary school curriculum and having scheduled in four day-time performances of "The Playboy" on two consecutive days, it turns out that

Michael Lovett, Richie Walsh and Paul Hannon in rehearsal for Ballyduff Drama Group's production of "The Playboy of the Western World" which is being performed this weekend. Enquiries and bookings 058 60456

the day chosen by the A.S.T.I. as its day of industrial action, leaving a play rather short of potential clients.

Not to worry! The show will go ahead as planned. Now, however, we hope that the focus of interest for those Tuesday performances will shift to Vocational and Community Schools, local primary schools and parents wondering how in the name of God their home-bound children could pass a miserable November day when school is out. Ballyduff is certainly the answer. Equally, we hope that the local secondary schools can avail of the Monday performances, in the knowledge that they will truly get a splendid interpretation of this gorgeous Synge classic.

Michael Lovett fills the title role with a swagger and verve that suggests that the part was written for him. The roguery of the Playboy, Christy Mahon, along with his foolishness, his braggishness, and his romanc-

ing are given full flight by this splendid actor. Playing opposite him as Pegeen Mike is another well-established actress in Frances Foley and her gentleness, her caring and her genuine love for him stand out in stark contrast to Mahon's flights of fancy and folly. The cast is completed by Geraldine Canning, Paul Hannon, Richie Walsh, Bill Canning, Henry O'Keefe, Padjo Ahern, Louise Howard, Lisa Daly, Aoife Walsh and Anita O'Keefe. This production is the first to be done in the round in Ballyduff and should be an evening or day of great theatrical intimacy for members of the audience.

Dates of performance are 9th, 10th, 11th and 12th of November at 8.15 p.m. nightly and on 13th and 14th of November at 10.00 a.m. and at 1.00 p.m. with booking for all shows at 058 60456. On all occasions only placards on view will be those saying "Playboy on Here".

## STRADBALLY GAA CLUB NOTES

### TRIP TO DINGLE

There are over 60 players and supporters travelling for the weekend away to Dingle this coming weekend. The bus will be leaving the village at 2.00pm sharp on Friday and returning on Sunday. Don't forget your swim gear (no not for the journey down but for the Leisure Centre at our Hotel). We are staying

two nights bed and breakfast at the four star Skeellig Hotel with an evening dinner on Saturday evening. On Saturday we have planned a trip around Sleah Head, stopping at Paidi O'Shea's pub to see Sam and then onto Killarney.

### DEISE DRAW

We had one winner in the last Deise Draw. Congrats to

Anna Darcy. The next draw takes place on the last Friday of this month.

### INTERMEDIATE FINAL

The county final of the Intermediate Football championship takes place in Stradbally this coming Sunday at 2.30pm between Gaultier and Lismore. If you are not going to Dingle it might be worth a trip to the field.

### WEB SITE

The web site has been up and going over six months. We have to admit it was set up by someone who does not have great knowledge of setting up sites but only followed a programme with bits added on here and there. I am looking for those out there who have some knowledge in this field. For example the pages takes a long time to download. Can this be quickened up? Photographs take enormous time to download. Can this be quickened? Can the photos be reduced in the amount of space they take up? How do thumbnails work? Also how can the site get a high place on the different search engines like altavista or yahoo?.

The site address is go.to/Stradbally and also has pages for Stradbally cubs, Stradbally soccer and the Stradbally Tidy Towns. There are plenty of photos of the village, Stradbally gaa grounds with photos of teams going back to 1912. There are photos of the different historical buildings and scenery in the general Stradbally area. Photos take a few minutes to download.

Any suggestions of ideas or areas to improve please email: stradballygaa@eir-com.net

### FROM THE ARCHIVES

Yes the archives are back and it is quite interesting not just who reads and has interest in them but the amount of people who cut out the piece for the scrap book or send abroad to relatives. The archives were given a break during the summer and autumn as the amount of matches played took up a vast amount of space. This weeks piece refers to the Junior Football Final of 1932 which appeared in the press on the 17th December 1932. Below is half the report and the other half appears next week.

### "Kilmacthomas News Stradbally's Great Win

We warmly congratulate each and every one of the fifteen gorseons of the Stradbally Football Team who won this year's Junior County Championship in cold and windy weather at the Old Boro' venue last Sunday evening. Certainly, they fully merited their 4 point victory over the Rathgormack-Windgap pack. Their 1-4 lead at the interval, up till which they had the breeze, did not flatter them, and against the elements they held their own even after the "Reds" (who were Rathgormack) had obtained a rather lucky green flag and then made desperate, but unavailing efforts for another favour.

"For weeks before the match we were told that the Eastern Champions would beat the pick of the West in Senior Grade, not to say give the "father of a fopping" to Stradbally. Our friend, Mr. Nicholas Fitzgerald, M.C.C., kept his sterling seaboard set in stout spirit, and, on Sunday, they positively confounded the critics."

To be continued.

## St. Oliver's GAA Notes

### ST. OLIVER'S WIN FIRST COUNTY "A" TITLE WITH VINTAGE PERFORMANCE

On Saturday last St. Oliver's by virtue of a marvellous team performance defeated famed Mt. Sion in the Minor "A" County Final played in ideal conditions at the picturesque Bonmahon venue. The locals completely dominated the first half, putting together some magnificent passages of football and kicking over eight unanswered superb points to lead by 0-8 to no score at the interval. Mt. Sion began the second half by kicking two points in as many minutes. However, the lads responded well and matched our opponents score for score throughout the second half until we conceded an own goal four minutes from the end to put us under unnecessary pressure. Once again, we responded with great fighting spirit and no little skill to add another unanswered point before the end. Fantastic scenes of unbridled joy and emotion greeted the final whistle. What a performance from a rural parish team to capture a premier county title. Congratulations to all involved.

Team: J. McGrath, E. Walsh, A. Dalton, T. Kiely, A. O'Connell, E. Mernin, R. McCarthy, R. Connery, M.O'Brien, G. O'Donovan, A. Lonergan, P. Landers, C. Stack, E. Walsh.

Subs.: D. O'Keefe, M. Mernin (both used), J. Corkery, E. Glavin, C. Landers, E. Donovan.

Selectors: Donnacha Tobin, Noel Landers, Daithi O'Brien.

### 25TH ANNIVERSARY SOCIAL

As this is our 25th year in existence, an anniversary Social will be held on the 13th January, 2001 in the Park Hotel. This is a very appropriate time to win our first ever County "A" title.

### ALL GAMES OFF

Due to the awful weather last Sunday, all games were postponed. Already the fixture programme has been badly hit and there are twenty one back games. Hopefully the weather will improve soon and we can all get back to regular Sunday games.

### OSCAR TRAYNOR CUP

The weather has completely disrupted our preparations for the upcoming game with Waterford. All the players will be contacted about future arrangements and with time so short, it is most important that the selectors get full co-operation from all the players on the panel.

### DELEGATE MEETING

This will take place next Friday night, November 10th at 8.30 pm in the Red House, Lismore. Referees will meet at 8.00 pm. This will replace last Monday's meeting which had to be cancelled due to the weather.

## Blues Face Tricky Tie in Tallow

All matches fixed for last Sunday were cancelled due to the continuing bad weather. Hopefully we can get back to the action this coming weekend when we travel to play Bride View United in the first round of the Munster Junior Cup, weather permitting. This game has already been postponed due to a bereavement and our cup fixtures are starting to pile up. If it goes ahead (the long range forecast is not good for next Sunday) it should attract a huge crowd to the Tallow venue, as Brideview have already beaten the Blues this season in the Gary Burke Tournament at Kilrush Park. Kick-off is 2.00 p.m.

Our FAI Junior Cup game will now revert to Killusty which will take place on Sunday, 19th November at 2.00 p.m. This is because our home fixture was cancelled last Sunday due to the inclement weather and the rules state that clubs only get one chance to play the match. This is because with so many teams involved the FAI needs to get the games played, as it is one of the biggest junior competitions in Europe.

One game that survived the weather was our u-12 SFAI cup game versus Villa at the Crystal pitch on Saturday morning. Unfortunately we went down 5-1 to a very strong Villa side.

## Ballinroad Soccer Notes

### LATE RICHIE HARTY

We were all saddened to hear of the death of Richie Harty last Thursday at an all too

early age. When we formed our club here in the early seventies Richie threw in his lot with us. As he said himself, he was our first cross channel signing. He soon became one of our most popular

club members with quick wit and competitive spirit. You could always depend on him to give one hundred per cent and he liked nothing better than to be in the thick of the action. Whether it was Soccer, Gaelic or Athletics which he excelled at, his opponents knew they were in a game. He will be sadly missed by all clubs in the

area. To his family Niamh and Alan, brothers and sisters and his mother-in-law Mrs. Moore, we extend our condolences. May he rest in peace.

We also sympathise with the McGrath family on the death of Fr. Tom McGrath, his brother John sponsors one of our events and Paddy is one of our bus drivers.

## Ardmore AFC Notes

Ardmore had no fixture this weekend as there were no games due to bad weather. In recent weeks Ardmore lost to Ballyduff and despite excellent goalkeeping by Declan O'Donnell also went down to Valley. Unfortunately in both of these games Ardmore had to line out short no less than eleven players who are all prominent players for the club. It resulted in playing some of the older players, the likes of Jim Meaney, Tom Power, Dec Hennessy and some younger players and it has been a struggle to fulfil fixtures. The lads who are missing are all involved in Ardmore's Junior Hurling team who are involved in the Western Final against Clashmore and hopefully the County Final. Realistically it is going to be hard to see Ardmore field a soccer team on any of the two days the hurlers are involved.

### SYMPATHY

The club offers sympathy to the O'Donnell's family in Ardo and Monea on the death of Maire O'Donnell who died last week. A wonderful mother and grandmother.

### CHRISTMAS DRAW

Cards are out now for our draw and all players are expected to sell at least one card of twenty lines.

### NEW COOKER

I would like to wish the local lady who is off shopping to buy a new cooker. She informed her husband the one she has is burning everything.

## TRAGEDY

Last weekend the Club was in deep mourning on the tragic news of the sudden death of one of its members - Richie Harty. A former player and after his playing days, a shrewd selector for numerous adult and juvenile teams. Richie was a man who certainly threw in his lot for the club's cause. Indeed he was a man you wouldn't tackle or argue with too often as it was certain you would end up on the wrong side of it. It was that trait that meant in his selectional days that the exchanges on the sideline were as heated, if not more, than those on the field of play. One incident springs to mind and it happened back in 1993 when during a Féile na nGael quarter-final against Athenry in Galway, Richie was at loggerheads with an Athenry official and not an inch would be given. If things were nice and cosy up in that Great Eternal Heaven we can be sure Richie's spirit will liven things up immensely. To his daughter Niamh and son Alan, we extend our deepest sympathy on the loss of a great man.

On what was a tragic weekend locally our neighbours Abbeyside/Ballinacourty were also in mourning over the tragic death of Sean Crotty. To his family and relatives, we extend our heartfelt sympathy.

## SPORTS CENTRE

This Saturday we commence our indoor activities at the Sports Centre where all ages from 10 down will be catered for. Events commence at 11.00 a.m. until 1.00 p.m.

# TOM KEARNS SPONSORED MASTERS AT WATERFORD GREYHOUND STADIUM

Kilcohan Park on the outskirts of Waterford City will be the focus of attention for the Greyhound World next Saturday night as the local Greyhound Stadium stages the richest race of the year with the winner of the year 2000 running of the Tom Kearns Waterford Masters International Invitation race receiving a first prize of £10,000. With such a tremendous first prize on offer the event has attracted a quality line up.

In trap one we have last years winner of this event Mr Bozz trained in Gowran, County Kilkenny by Paul Hennessy. While he has had his fair share of injury problems Paul Hennessy reports his former Easter Cup winner in great shape for what could be Mr Bozz's last ever race.

In trap two we have the Dolores Ruth handled Extra Dividend. Extra Dividend is no stranger to Kilcohan Park regulars having commenced his career at the venue capturing a confined sweepstake during Coursing week earlier on this year. Extra Dividend has certainly

gone the right way since then capturing the Leger classic at Limerick and finishing in third spot in this years Laurels event at Cork. Extra Dividend was trialled before racing last Saturday night and he clocked 28.59.

In trap three we have the Myles and Ann Lavery owned and Nicky Grace trained Ballybrazil Jet. "Ballybrazil" captured the local trial stake last Saturday night in exciting fashion coming from behind to win out in 29.12. The locally owned tracker also has a 28.80 winning effort to his name at this venue last October.

In trap four we have Champion Stakes winner and Laurels finalist Lemon Ralph. who like Mr Bozz is also trained by Paul Hennessy. "Lemon" took the opportunity to familiarise himself with Kilcohan Park last Saturday night where he clocked 28.77 in a solo outing.

In trap five we have the first of the British raiders Rackethall Jet. Owned by Kerry born Patsy Byrnes Rackethall Jet ran a great race to finish second in

this years English Derby. He recently captured the U.K. Select stakes.

Last but not least we have this years Irish Puppy Derby winner Droopy's Vieri who istrained in England by Paul Young. "Droopy's" arrived in this country last week and clocked a sensational 28.13 solo trial around Kilcohan Park last Saturday night before racing. His half way clock was simply stunning as he remained glued to the inside running rail.

Advance betting on next Saturdays race courtesy of track bookmaker Michael Meade is as follows:

4/5 Droopy's Veiri, 3/1 Mr Bozz, 4/1 Rackethall Jet, 5/1 Extra Dividend, 10/1 Lemon Ralph, 25/1 Ballybrazil Jet.

Waterford Local Radio will broadcast live from the Greyhound Stadium next Saturday night from 8 p.m. to 10 p.m.

As well as the race itself there is also a top class supporting card with races taking place over a variety of distances. The first of ten races is underway at 8 pm.

**EAST JUNIOR HURLING FINAL**

**Fenor's Goals Prove Crucial In Exciting Junior Hurling Final**

**FENOR 2-8 BUTLERSTOWN 0-12**

The ability of Fenor to snatch goals at crucial stages in the second half of an excellent East Waterford Junior Hurling Championship Final at Portlaoighaire on Saturday helped them dethrone champions Butlerstown. The opening half saw the sides level on five occasions including at the interval as never more but a point separated the sides during the first thirty minutes. Butlerstown made the brighter opening to the game with minor Tommy Cooper opening the scoring in the second minute while the score of the half was a point from a sideline ball converted by Eoin O'Sullivan in the 8th minute to give Fenor the lead for the first time.

Points were exchanged in the opening two minutes of the second period before the first of the two goals that decided this game arrived. Fenor full forward David Burns who contributed half of his sides total over the hour reacted the fastest when following a Stephen O'Sullivan shot for a point the ball came back off an upright and Burns flashed the ball to the net. Eleven minutes into the half Fenor had opened up a four points lead but as the tempo of the game increased with excellent patches of hurling. Champions Butlerstown were not going to relinquish their title easily and unanswered points from Ronan O'Brien (free), Hugh Kavanagh (2) and Tom O'Connell had them back on parity with five minutes remaining. Within sixty seconds Fenor struck for their second goal with Brian O'Sullivan the scorer and Stephen O'Sullivan the provider. Butlerstown fought back and were awarded a close in free with Ronan O'Brien's effort for a goal saved in a goal mouth melee for a fruitless 65. They attacked in waves and with time almost up Tommy Cooper broke inside the Fenor defence but his rasping shot for goal was saved majestically by Derek Gahan in the Fenor goal and deflected over the bar for a point and with it went Butlerstown chance to save their title.

Scorers for Fenor: D. Burns 1-4 (0-2 frees), B. O'Sullivan 1-0, S. O'Sullivan 0-2, E. O'Neill 0-1 (line ball) M. O'Brien 0-1. Scorers for Butlerstown T. Cooper 0-4, R. O'Brien 0-4 (frees), H. Kavanagh 0-2, T. O'Connell 0-1, E. Lonergan 0-1.

**Fenor** — D. Gahan, S. Tyrell, S. Burns, T. O'Neill, E. Ware, W. O'Neill, T. O'Mahoney, E. O'Neill, J. Halley, D. O'Sullivan, M. O'Brien, B. O'Sullivan, S. O'Sullivan, D. Burns, T. Power.

**Butlerstown** — W. Power, S. Nolan, E. Horgan, J. Kirwan, S. Matthews, R. O'Mahoney, M. Cooper, P. Matthews, R. O'Brien, T. O'Connell, H. Kavanagh, R. Barron, T. Cooper, P. Trihy, E. Lonergan, Subs. — B. Power for P. Matthews; P. Matthews for Trihy; Seamus Nolan for S. Matthews.

Referee: Ml. Wadding (Roanmore).

**Ardmore GAA Notes**

**DEVELOPMENT MEETING**

Thursday's meeting was cancelled, following the death of Mrs. O'Donnell. There will be another special general club meeting on Thursday evening at 9.00 p.m. All members are requested to attend. Again, development will be the main item on the agenda and a final decision will be made as to whether development will go ahead or not. In particular, parents of all the younger players should be in attendance.

**LADIES**

Well done to the girls who won their division of the Junior League with a well deserved victory over Mount Sion last Saturday.

**UNDER-13 NEWS**

A much better turnout for training last Saturday. We go again next Saturday at 12 noon. All under-13 players are expected to attend.

**WEEKLY LOTTO**

Last week's lotto was held in O'Reilly's on Tuesday

night owing to various other commitments at the weekend. Again, there was no jackpot (£650) winner to the numbers 9, 11, 15. Consolation winners were - Anne McCarthy, Lindsey Harty, Claire Meaney, Thomas Power, M. Navin, Pat Prendergast, Mary Hennessy, Bridget Houlihan, Kitty French and Rose Donegan. By the way, apologies for being a week late with lotto results but we are gone to print before the results are available. So it's £700 for Sunday Nov. 5th at Kiely's Cross.

**AND THE LOTTO....**

After almost a year doing the notes, I have finally caught up to the lotto results. On Sunday November 5th, the lotto was held at Kiely's Cross and 6, 19 and 20 were the numbers drawn. There was no jackpot winner and the following won £10 consolation prizes - Paul Mansfield, Albert Burke, Seamus Keever, Aisling Cronin (Curragh), Mary Gallagher,

Mary J. Prendergast, Colm McGrath, Bertie Hallahan, Tom Power Snr. Dr. Meehan at last!

Next Sunday it's the Round Tower for £750 jackpot.

**WESTERN FINAL POSTPONED AGAIN**

The finger nails must endure another week's grazing following the second postponement of the Western Junior Hurling Final. I know the Board made an effort to play it on Saturday ahead of the dreaded Sunday storm, but they failed to get agreement. This must be very difficult on beleaguered Board Secretary, Anthony Walsh as he strives to complete a huge fixture list, compounded by the complexities of losers

groups round robins, as imposed by the clubs. However, it's an ill wind that blows no good. I believe this unexpected rest will be great for our young squad and allow them ample time to focus on the Clashmore challenge, after the exertions of their under-21

football success and tough back to back hurling games.

**BUS TO THE MATCH**

As we go to press, we have no word of the re-fixture but assume it's next weekend. Whether it's Saturday or Sunday, the bus will run as arranged and will leave from Quinn's Cross one and a quarter hours before the match e.g. 12.45 p.m. for a 2.00 p.m. match. The bus will leave Quinn's for Curragh, Liskielta, Fleming's, Grange Church and Kiely's Cross. Children £1 and adults £1.50, Family £5.

**SYMPATHY**

We offer our deepest sympathy to John and Clare, James and Eileen and to James, Mary, Adrian and Declan following the death of Mrs. O'Donnell. She lived a wonderful life in the loving care of her family and indeed made many a cupan for many club members as teams and matches were discussed and reminisced in her kitchen.

We also offer our heartfelt sympathy to young Alan and Niamh Harty on the untimely death of their father, everybody's friend - Richie Harty. Ar dheis De go raibh siad.

**Shamrock's GAA Club Notes**

**CLUB LOTTO**

On last Saturday night at the Shamrock Inn, Knockanore the numbers drawn were 2-7-22-24. There was no jackpot winner and £10 consolation prizes were won by Donal Hickey, Monang, James Motherway, Killenagh, Irene O'Keeffe, Deerpark, Eddie Griffin, Garryduff, Chris and Vincent Hickey Monang. In next Saturday nights draw the jackpot will be £1,000. Tickets at £1 each from the usual sellers.

**CLUB EGM**

An important meeting of the full club will take place at the Shamrock Inn, Knockanore on this Friday night November 10th at 8.30 pm. All members are earnestly requested to attend.

## MUNSTER CLUB CHAMPIONSHIP SEMI FINAL

Mount Sion v. Ballyduff  
(Kerry) At Walsh Park

Because the Kerry senior championships are not completed, their county board were compelled to nominate a club to represent the county in the provincial club semi-final against Mount Sion on Sunday next.

A draw from a hat was decided upon and Ballyduff, who are the club with the most Kerry county senior hurling titles, were drawn on Sunday night last.

In the afternoon, despite atrocious weather conditions, Ballyduff and Croat O'Neill's played their county semi-final, which ran late because of Kerry's involvement in the

All Ireland series. The final score of 0-5 to 0-3

in favour of Ballyduff tells the story of the kind of weather they were forced to play under, rather than the standard of hurling.

Ballyduff have a share of very strong players and every Kerry team that we have met over the years, have included several players from that club. So they will be no 'push over' on Sunday.

Mount Sion must be strongly fancied to win this tie and qualify for yet another Munster club final and attempt to emulate their achievement of 1981 when they beat South

Liberties.

While a defeat here would not only be a big disappointment and an embarrassment, it is not outside the realms of being a possibility. Present weather conditions would enhance the prospects of such a result.

I understand that if Walsh Park becomes unplayable due to continued bad weather, the game may be moved to Ardmore.

The Waterford champions cannot afford to take any chances, wherever it is played. They must be given a strong vote of confidence to win

## MINOR FOOTBALL COUNTY FINAL

St. Olivers Survive Second  
Half Rally by Mount Sion

ST. OLIVERS 0-13, MOUNT SION 1-6

St Olivers are certainly celebrating their silver jubilee in style as on Saturday last at Bonmahon grounds, they completed a football county double when defeating Mount Sion by a deserved 4 points margin. One month before this they had over-

come a strong Kilmacthomas challenge to win the under 21 'B' county football championship.

Thanks to the Bonmahon club who made their grounds available, it was possible to play this final in ideal weather conditions, the game hav-

ing been moved from Walsh Park, which was declared unplayable.

Giving a super performance in the first half, the western champions ended this period with an 8 points advantage, Mount Sion not having registered a single score in the opening 30 minutes.

Two early second half points brought Mount Sion into the contest but again St. Olivers rallied and increased their lead to 8 points. Back came the eastern champions for a brace of well taken scores, but yet again, Olivers weathered the storm to recover their 8 points lead. An Eoin Kelly goal in the 59th minute and though they added a further 2 points, it was all too late and for good measure St. Olivers had their last say with an insurance point. It was a very well deserved victory for the western champions. Man of the match, Eoghan Walsh scored a total of seven points.

Scorers — St. Olivers: E. Walsh, 0-7, C. Stack 0-2, P. Landers 0-2, A. Lonergan and D. O'Keeffe 0-1 each; Mount Sion: E. Kelly 1-1, M. Frisby 0-2, S. Ryan, E. Power and K. Stafford 0-1 each.

St. Olivers — J. McGrath, A. O'Connell, A. Dalton, T. Kiely, R. McCarthy, E. Mernin (capt.), E. Walsh, M. O'Brien, R. Connery, G. O'Donovan, A. Lonergan, P. Landers, C. Stack, E. Walsh, P. Walsh.

Mount Sion — M. Gater, N. O'Brien, E. Swift (capt.), P. Keogh, K. Tutty, S. Ryan, I. Regan, K. Stafford, E. Kelly, I. Power, M. Brophy, J. Ryan, P. McGrath.

Referee: Donal O Murchu, An Rinn.

## COACHING SCHEME NOTES

Clonea N.S. Mrs. Monica O'Hehir, N.T. with left to right, Pamela Boland, Fergal Fogarty, Brigid Mears, George Moore. This photo was taken at a coaching session in the early 90's in the school yard. Fergal Fogarty has matured into an excellent hurler and scored 10 pts in the recent Co. Minor (B) Final when Clonea beat St. Oliver's. Monica has retired from teaching recently. She is a native of Rathmore in Co. Kerry and I'm sure she enjoyed this year's Senior Football Final.

PROMISING YOUNG HURLER SEEN

**St. Augustine's College, John Wall, 17 Years Old** — John is an outstanding hurler and footballer. Played u-age for Waterford from U-14 to Minor Hurling. Plays in college hurling and football teams and plays for Colligan/Kilgobnet at Minor and U-21 level. Playing very well for Emmett's Junior Football team who are in the Divisional Final. Will be eligible for minor again next year and he is a genuine prospect.

**Minor A Football Title for St. Oliver's**

Well done to the combined Parish team of Ballinameela, Aghlish/Villierstown who won this title at the weekend to add to their U-21 football crown. They also reached the Minor (B) hurling final losing narrowly to a good Clonea team. Well done to all concerned.

**Congratulations**

To Leonie O'Brien N.T. Convent Primary School on winning 1st prize in her category

at the Roadstone Awards last Friday. Also to Mgt. Cunningham and Seamus McGearailt who were runner up in their categories. These were just reward for the trojan work they do promoting our national games in the Primary Schools in Waterford. The work they do goes unnoticed almost but to receive these National Awards is a great achievement, so well done to all three.

**Indoor - The Only Game**

Many clubs have started the Indoor hurling sessions which are always enjoyable and well attended. It is important to have enough of coaches in attendance.

Foundation level courses will make sure your club have plenty men and women to help. If your club haven't done one, now's your chance.

## RICHIE HARTY R.I.P.

The unexpected death of Richie sent shock waves around the west of the county on Thursday evening last when the news of his sudden passing became known. This young man who was a very popular and hard working member of the Dungarvan club and who was whole heartedly involved with their under-age section could justifiably be described as an outstanding and totally committed GAA personality.

He was also a member of the Fraher Field Committee and he seldom, if ever, missed a game in the county ground, regardless of who was playing.

His colleagues in the club accorded Richie a traditional GAA send-off and clubs from all over the area as well as county and divisional board officers, paid their respects at the removal of his remains on Saturday and again at his burial on Sunday.

As a mark of respect to his memory, the Dungarvan/Tourin hurling league game fixed for Cappoquin on Saturday was called off.

We offer our profound sympathy to his son Alan and daughter Niamh and to his extended family. May he rest in peace.

## SEAN CROTTY R.I.P.

The tragic death of this very young Abbeyside man came as a stunning announcement on Friday morning last after he had met his death in a road traffic accident in the midlands while en route to the North on business.

Sean, as well as the other members of his family, were involved with the Abbeyside/Ballinacourty Clubs in their younger years. He played in two minor county finals and his late father, Seamus Crotty, was the Abbeyside hurling goalkeeper for several years.

The club provided a guard of honour at the removal of his remains on Saturday night last. The Ballinacourty/Brickey Rangers "B" football championship match arranged for Saturday last was postponed as a mark of respect.

We offer our profound sympathy to his wife.

GAA Notes

We played Civil Service in Dublin last weekend and despite not playing for a couple of weeks put up a good performance. A notable feature of the game was a goal scored by John Fraher who came out of retirement, specially for this game. Also to John Fitzpatrick, who lined out in the forward line with his two sons.

The club would like to thank John Fraher for his help in the arrangements of our club trip. Also to all who travelled which made it a most memorable trip.

**JUNIOR HURLING WESTERN FINAL**

For the second week in a row the weather was a spoilsport and caused our game with Ardmore to be postponed last Sunday. The game is now refixed for next Sunday at 2.30 pm at a venue to be announced later in the week.

**INTERMEDIATE HURLING REPLAY**

**Abbeyside/Fourmilewater Meet Again In Fraher Field**

**Issue Again Wide Open**

**Waterford Crystal Game Cancelled**

One of the first victims of last Sunday's atrocious weather conditions, was the Waterford v. Kilkenny senior hurling tournament game. It had been transferred from Walsh Park to Clayboy because of weather conditions.

This year, this tournament seems beset with problems, apart from the fact that all counties are not taking it very seriously. With most counties having championship problems, they are finding it difficult to field anything near full strength teams.

Maybe another look should be taken at the timing and composition of the tournament before it is organised for next season.

The remaining three matches in this competition which were also scheduled for last Sunday, were also cancelled.

**Another Washout**

Once again, within three weeks, the weather proved to be a spoilsport, forcing all championship fixtures for Sunday to be cancelled.

The cancellations included the county intermediate football final between Gaultier and Lismore, fixed for Stradbally and the double header at Fraher Field which were the Clashmore/Ardmore junior hurling final and the Ballinacourty/Emmets J.F. final.

It is unusual to have programmes cancelled because of weather conditions on successive Sundays. The board officers are keeping their fingers crossed that next weekend will see a weather change. In the west an effort will be made to complete the intermediate and junior hurling as the eastern champions, Ballyduff and Fenor are already out.

**I.F. REFIXTURE**

I understand that the intermediate football game involving Lismore and Gaultier will be played at Bonmahon on Saturday next Last Saturday, the ground there was in excellent trim and will be well capable of taking this game.

As the championship programme for next weekend may not be confirmed until Tuesday, patrons are advised to consult the fixture column for information about games.

Fourmilewater were published as favourites to win this game on the last day when they met and played a draw, but in fact Fourmilewater were the lucky ones having to come back with two late points to earn a second chance. The game was fixed for last Sunday, but a rearrangement of fixtures saw the game changed to Saturday next when extra time will be played if necessary to decide which team meets Ballyduff in the county final on the following Sunday week, November 19th.

The drawn match, which ended on a 1-7 all draw, might not have been a classic, but nevertheless, the standard was that little bit better than what we had seen for most of this championship. It had been expected that Fourmilewater, having been regraded from senior status at the end of last season, would win, but the challengers, Abbeyside, showing improvement from their dis-

plays against St. Marys, Ring and Ballysaggart, must be considered to have been that little it unlucky on the day.

Now both sides have it all to play for and given favourable weather patrons can again be treated to an exciting and enjoyable contest. It is unlikely that many changes will be seen on the respective line-outs.

Abbeyside will have Emmet Byrne, Eoin Hayes, Michael Collins, Gavin Breen, John Phelan, Damien Cliffe, James Keoghan, John McGrath, Shane Briggs, Gary and Laurence Hurney, Seamus Burns, Ray Cliffe Michael Fives, John Hurney, Michael Enright, Brian Beatty, Jonathan Moore, etc. to select from and Fourmilewater will be represented by Eoin Wall, John Moore, Aidan Ryan, John Walsh, Ian Walsh, Rory Rice, Liam Walsh, Michael Connolly, Pat Walsh, Martin Walsh, Brian Wall, Eoin O'Sullivan, Dermot Ryan, Paudie Halpin, Shane Walsh, etc.

**All Ireland Championship Draws**

It was originally intended to have the draws made on TV on Sunday night last, but because the Leinster Council had not decided on the format of their championships until Wednesday of this week, the draws were deferred until next Sunday night.

**Mrs. O'Donnell, R.I.P.**

We were sorry to learn of the death of Mrs. Mary O'Donnell of Ardo, Ardmore which occurred last week. The O'Donnell family have had a very long association with the games here in the west and in particular with the Ardmore Club to whom they have always been dedicated. As expected, there was a huge GAA presence at her funeral and burial.

To her sons, James and John and grandson James (who played a leading role as goalkeeper in the under 21 championship against Tipperary and Cork this year) we offer our deepest sympathy. May she rest in peace.

# St. Oliver's Complete Football Double

## ST. OLIVER'S 0-13 MT. SION 1-6

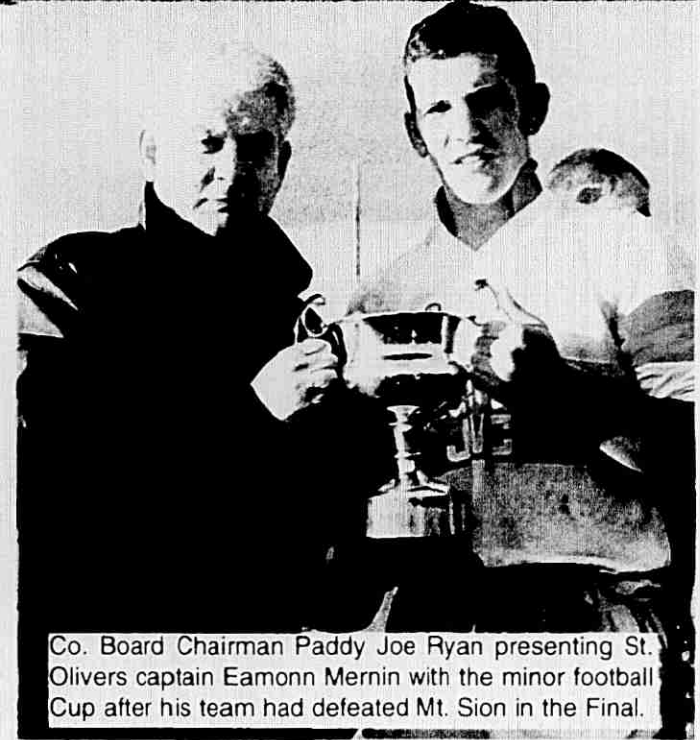

A contribution of seven points from the very impressive Eoghan Walsh who was equally as affective in either the full forward or centre forward position helped St. Oliver's complete a Waterford Minor U-21 football championship double when they proved too strong for Mt. Sion in the Minor decider at Bonmahon on Saturday last. The winners laid the foundation for victory in the opening half at the end of which they led by 8 points and holding their opponents scoreless in that period. Walsh contributed five of his sides points in that half with a brace from Cyril Stack and

one from Paul Landers. Such was the Western champions supremacy in the opening half, particularly the first quarter that it took Mt. Sion who were aiming to complete a Co. Minor double achievement - all of seventeen mins. to record their first wide of the game. Within two minutes of the restart 'Sion were on the scoreboard with points from Eoin Kelly and Ml. Frisby and by the end of the third quarter six points separated the sides before two points from Eoghan Walsh in a five minute spell stretched Oliver's lead to eight once again with as many minutes remaining. Mt. Sion rallied

and playing their best football of the match scored 1-2 in the space of 4 minutes to leave only a goal between the sides. The goal came from Eoin Kelly when he fisted a Kenny Stafford line ball to the net in the 59th minute. St. Oliver's were not to be denied a deserved victory with Paul Landers kicking an insurance point in injury time. Well done to St. Oliver's on their achievement which is a reward for the excellent work being done at under age in that area. They had fine performances here from Aidan Dalton, Eamonn Mernin, Aidan Lonergan, Ml. Walsh, Raymond Connery, Ger O'

Donovan, Paul Landers, Cyril Stack, Tom Kiely, Roger McCarthy and man of the match Eoghan Walsh. After the game team captain Eamonn Mernin was presented with the trophy by Co. Board Chairman, Paddy Joe Ryan much to the delight of players, mentors and supporters alike.

### NATIONAL FOOTBALL LEAGUE

# Waterford Travel To Down

This will be the first ever visit of a Waterford football team to the Mourne County even though the counties were previously playing in the same division. They met in Fraher Field, Dungarvan in 1997 when Down defeated us on a score of 0-12 to 0-7.

Our hosts on Sunday are taking the fixture seriously in that they are bringing out a full sized match programme.

Readers will recall Down making the headlines back in 1960 when they won their first ever all Ireland final in front of over 92,000 patrons.

Realistically, Down are a division 1 county and more than a 'cut above' Division 4 counties such as Waterford. Their declared policy in selecting teams is to name their strongest fifteen available,

regardless of the profile of their opponents. So, on Sunday next, we can expect to see them all out to ensure that they collect two further points.

Waterford, although not realistically expecting to win, will try all the way and avail of this chance to judge their potential. Waterford are not going to win their division of the league and I suppose it is fair to say that the selectors and team panel are not expecting to win it. But they will give every league match their best shot. They have declared that their prime objective at present is to win the McGrath Cup which will be

played in January/February next.

With the intermediate hurling final replay going ahead on Saturday, the panelists from the Nire and Ballinacourty will be available to travel up with the team party on Saturday evening. The team will not be named until midweek and is likely to be selected from the following panel: Paul Houlihan, Ian Walsh, George Walsh, Michael Byrne, David Ryan, Richard Power, Kevin Coffey, Michael Ahearne, Dermot Kiely, Brian Wall, Ger Walsh, Shane Briggs, Emmett Doherty, David Kelle-

her, Francis Halpin, Bob O'Brien, Mark Radley, Paul Power, Martin Walsh, Gary Hurney, Nial Brennan, Kevin Walsh, Shane Walsh.

## EASTERN JUNIOR HURLING FINAL

Fenor 2-8 Butlerstown 0-12

This exciting eastern junior hurling final was played to a nail biting finish at Portlaw ground on Saturday last. Fenor looked to be a very talented side and will now play the western champions in the county final.

### CONVENTION NEWS

The county board have now announced that the Millennium County Convention will take place on Sunday, December 10th. at 2.30 p.m. at Lawlor's Hotel. This is a change from the normal in that the meeting is being held on Sunday, other than on a week evening which has been the case for over 20 years. Documentation in relation to motions, nominations and closing date for receipt of same is now in the hands of all clubs

The executive are anxious that every club would have a full delegation at this special convention and the reasons for this will be explained subsequently. Clubs in the west are reminded that nominations, motions etc. are due to be with the secretary by tomorrow, Thursday.

The surprise news about the nominations is that Fourmilewater man, Billy Walsh, who has been a county board representative for several years, will not be standing again and has notified the board accordingly. The reason for Billy's decision is that he is extremely busy at his trade and being under severe pressure to cope with his workload, he finds it impossible to find time to attend board meetings. He told me on Sunday that he would love to continue but as he felt that he could not do justice to his responsibilities, he took this painful decision. He has been an excellent member of the divisional board executive and has never failed to express his views on subjects whether normal or controversial. His decision will spark off speculation about his likely replacement and will arouse some interest in the convention.

The eastern convention is fixed for Wednesday, December 6th and will be held in Portlaw.

## Dublin City Marathon

West Waterford had a great turnout in the annual Dublin City Marathon on Bank Holiday Monday. First of the locals home was Martin McCarthy who ran a fantastic 2.46. Next home was Derek Lyons who ran 2.52 which was a gutsy performance on the day as he had picked up a 'bug' in the few days before the race. Anthony Dwyer and James Veale came home close together in around 3.14 and were followed at 3.21 by Ray Burke who had just passed Michael Wade shortly before the finish. Next home was Timmy Foley in about 3.28 followed soon after by Conor Murray and Sean Fahey. Sean Bennett finished in approx. 3.50.

Other participants who's finishing positions and times I don't know as yet were, Aine Kavanagh, Maurice Boland, Michael Bennett, Pat Bennett, Danny Dineen, Charlie Foley and Tom Fitzgerald. Hopefully when official results are out we will get everyone's time and exact place. Well done to everyone who took part and quote of the day goes to an American lady running beside a wise-cracking Sean Bennett and the Ballysaggart gang near Ballsbridge "I'm running with you guys, you're the fun bunch."

## Dungarvan Athletic Club News

On Sunday October 29th we made the long journey to Listowel for the Munster Championships. For many of our athletes, this was their first experience of competing at this level. The heavy rain of the previous week meant conditions underfoot were very heavy. There was up to 150 athletes competing in many of the races and this combined with the conditions turned the event into an endurance test. Best of our U-10 was Michelle McCarthy in 23 who was running a year out of her age group, next was Natalie Tobin 74, followed by Niamh O'Riordan 76, Eileen Collins 85, Michelle Wright 89, Mide Duff 114, Cliona Ashe 118, Lorna Foley 128.

In the U-12 our first home was Stacey Keohan 33, Lorraine McCarthy 34, Ashlee Keohan 42, Kate Kiely 62, Eadaoin Ashe 63, Deirdre Duff 73, Coleen Hayes 78, Natasha Beehan 86, Aoife Nagle 87, Aisling O'Connell 78, Lorna Murphy 93.

In the U-14 race Una Power had her first outing of the year and was 32 with Kim Coates 49, Sinead Crotty 50 and Ciara Harty 69.

Our trip to the Munster Open in Fethard last Sunday was cancelled due to bad weather. We will hope for better weather next week when we will have teams U-9, U-11, and U-13 competing in the Munster championships in the Friary College.

## Ray McConnell Runs for Charity

On Thursday, November 9th, local athlete Ray McConnell will leave from Wexford to run to Cappoquin. His expected return is on Friday, November 10th. This route was chosen to celebrate the arrival of the Mercy Order in Cappoquin from Wexford 150 years ago.

A prize of £50 will be awarded to the person who predicts Ray's finishing time to the nearest second. In 1850 the Nun's took two days to complete their journey, how long will Ray's journey take him?? Hopefully between 14-18 hours. Guess wisely and win £50.

If more than one person guesses the correct time, the prize will be shared. If Ray fails to complete the run, a draw for the prize will be held, including all names.

All sponsor cards and money to be returned on Tuesday November 7th.

Any cards not returned will not be included for the prize.

We are appealing to you for sponsorship for this run. All monies raised will be used to purchase much needed computer equipment for the Mercy Primary School.

## MUNSTER NOVICE AND U-23 CHAMPIONSHIPS

The Munster Novice Championship and Under-23 Championships were run at Fethard in County Tipperary last Sunday and despite the appalling weather conditions, it was a good day for Waterford runners. William Harty and Robert Wade were the first two across the line, both of them doubling as Novice and Under-23 runners. William has previously won the road title at this level and now adds the Cross-Country title to it. Robert Wade ran a fantastic race to finish second and by all accounts gave William a run for his money. It is great to see two Waterford athletes per-

forming so well at this level and we look forward in anticipation to the National Inter-Counties at the end of the month. Philip Harty finished a creditable fifth overall again doubling as a Novice and Under-23 athlete. Other finishers were Kevin Healy and Nicholas Walsh with Trevor Walsh having to pull up injured after two laps.

Unfortunately, the awful weather played havoc with team travel plans with a number of athletes unable to attend. As a result, neither West Waterford or County Waterford had sufficient finishers to constitute a team. Hopefully, next

year we will be back in full strength for this event.

In the ladies race Joanne Jackman finished a creditable 10th overall in a race shortened by officials before the start. The 1500 m. distance did not suit Joanne who finished strongly but did not have sufficient time to move through the field.

Well done to all who travelled on the day.

### LADIES GROUP

It has been decided to suspend the activities of the ladies group until next Spring as the Saturday time slot has proved unsuccessful. For the winter we are encouraging our regular participants to focus on the Winter League either the Walkers Group, Three Mile League or the longer run. As soon as daylight returns next Spring we will revert to our regular Tuesday evening spot. Thanks to all who participated and to Carrie Foley of Fit and Well for her involvement.

### MEETING

There will be a meeting after the Winter League race tonight to discuss a major event that the Club will be organising next year.

# Bausch & Lomb Wildcats Take Top Slot

Bausch & Lomb Wildcats got off to the perfect start in the ESB Super League with 4 wins from 4 games, leaving them as the only unbeaten team in the league and sitting proudly on top of the table. The latest victory was a convincing 69-43 win over Killester in Dublin. For coach Steve Eberly the win was a big one as his Wildcats side beat the team he had worked all last season with. Indeed Killester for a long spell in this game were to prove coach Eberly's efforts were not fruitless as they kept Wildcats to just 7 points in the first quarter and 17 points at the half way stage just 2 points more than Killester themselves had totalled. But the third quarter was a different story as the Bausch & Lomb outfit ran the Dublin side ragged scoring a massive 34 points to Killester's 11 in that 10 minutes. Most of the points came from inside players Orla Dempsey who had 20 points and 11 rebounds while Jillian Hayes top scored with 24 points and 8 rebounds. Killester's main threat, Sinead Vaughan who scored in the high twenties in her two previous games failed to reach same heights as Catriona White covered her every move in a quality defensive performance.

Leading 51-26 going into the final quarter Wildcats could afford to take their foot off the pedal and both teams scored baskets that cancelled out the the others leaving Wildcats with 26 points to spare at the final whistle.

## GOOD TRIAL FOR U-19 TEAM

Bausch & Lomb Wildcats U-19 team coached by Olivia O'Reilly who won the National Junior Cup for the past 2 years hope to make it 3 in a row, this year played Killarney in a friendly in the Mercy Gym last Wednesday night.

This proved to be an interesting game as both sides paraded a host of young talent. Wildcats won the game 54 point to 39, thanks mainly to Kim Fitzpatrick who swished 4 three pointers and while the remainder of the team played reasonably well it was hardly good enough to make them one of the favourites for this years Cup winners.

With just 2 weeks to go before the main event Wildcats players will no doubt work hard on the training court in an effort to get things right. The national U-19

Cup is played in tournament form with 4 events in different regions around the country. The winners of each tournament go forward to the National Basketball arena where the semi finals and final will be played on the last weekend of January 2001. Wildcats will host one of the tournaments where they face fancied teams from Thurles, Sligo and Mayo.

## BAUSCH & LOMB DEVELOPMENT CAMP

Over the mid term break the Mercy Gym was the venue for Bausch & Lomb Wildcats Development Camp where young girls from Primary Schools around the city and county gathered to enjoy top coaching from Steve Eberly and many of the Wildcats Junior coaches, by the end of the week it was amazing how these talented kids had progressed in their basketball skills. The camp was in two sessions, the first session was for girls from 1st, 2nd and 3rd class where twins Amy and Kate Sheehan won the top camper award while Ciara Coady won the award for the 2nd sessions for girls in 4th, 5th and 6th class. A similar camp will take place over the Christmas holidays, meanwhile there's the regular Saturday morning sessions for Primary School girls with session one at 9.30 am to 11 am and session two from 11 am to 12.30 pm. For information regarding same contact 051 379169.

## ESB U-19 (B) CUP

Bausch & Lomb Wildcats who contest the ESB U-19 (A) Cup in two weeks time sent a young side to Cork last weekend to try their luck in the (B) Cup and to their credit they gave a great account of themselves. In their qualifying pool Wildcats saw off the challenge of Glanmire by 11 points, thanks mainly to some excellent shooting from Tracey Coady and Emma Grey while Lorraine Lyons and Aoife Kinsella were top rebounders. Their 2nd pool game was against heroes Donamore who proved no match for the Waterford girls where Tracey Coady again was the hot shot. Backed up by Deirdre Kelly and Karen Fitzpatrick, Erica Hearne had a solid performance as had

Cara Walsh. At the final whistle Wildcats were up by 16 points. On to the semi final and Wildcats added Nicola Marks to the team to face Skibbereen who lined out with the same team who won this event last season.

Wildcats got off to a great start leading by 5 at the quarter, but as the game went on the older and stronger Cork side eased their way to a comfortable victory. All in all this was a great experience for the young Wildcats, many of whom are eligible to play at this age level for another 2 seasons. This team was coached by Wildcats Senior player Olivia O'Reilly who will also coach the U-19 (A) side as well as the division one team, add to that three nights training with the senior team and a game every weekend. One can only admire commitment of this calibre. Maybe boyfriend Brian could assist her, that way they might get to see each other.

## MORE YOUNG WILDCATS FOR IRELAND

Year after year Wildcats provide a string of quality players who don the green jersey for Ireland and this time it's the turn of Lisa Fraher and Rebecca O'Mahoney, both girls were selected after performing with style in the All Ireland Regional Finals in Dublin two weeks ago. Lisa is a student in Stella Maris, Tramore while Rebecca is a student in Ursuline, Waterford. The girls are part of a panel of 20 players who had their first training session in the Mercy Gym, Waterford this past weekend.

## WILDCATS AT HOME

This Saturday night Bausch & Lomb Wildcats take on University of Limerick at 7.30 pm at the Mercy Gym Ozanam St. Last time these sides met in Limerick, Wildcats were victorious by 8 points in a tense and entertaining encounter. On that occasion Limerick were without two of their top players and no doubt will come to Waterford with confidence. However judging by Wildcats recent performances, Limerick will have to be at their best if they are to shatter Wildcats unbeaten run this season.

# HORSERACING

BY MARK PHILLIPS

## TOP CLASS ACTION

National Hunt fans are well catered for this coming weekend with top class action on both sides of the Irish Sea. There are three days of fine jumping action to look forward to at Cheltenham with the Thomas Pink Cup the showcase event over the three days.

The James Nicholson Gold Cup at Down Royal on Saturday has attracted a quality line up. Willie Mullins gives Florida Pearl his first outing in quite some time while Noel Chance sends over Cheltenham Gold Cup winner Looks Like Trouble. After the recent heavy rain the going is sure to turn up soft on the day and this may suit Florida Pearl better than Looks Like Trouble. With both Ruby Walsh and Paul Carberry out injured Norman Williamson has come in for the ride on Florida Pearl.

## MONSIGNOR ON THE EASY LIST

Last season's leading novice hurdler Monsignor has met with a setback and trainer Mark Pitman has decided to delay his return to action.

## INCA DIES

Trainer Nicky Henderson lost a nice horse in Inca who was killed on the gallops over the weekend. Inca was well fancied to capture the bumper at the Cheltenham Festival last March but was caught out by the firm going and faded in the closing stages.

## TWO MONTHS FOR PAUL

Paul Carberry's recent leg break is expected to keep him out of action until early in the new year.

## PATRICK JOINS TONY

Seven pound claimer Patrick Stringer recently returned to action after a four months absence due to a broken arm. He is now attached to the County Meath yard of Tony Martin.

## BREEDERS CUP MEETING

The Breeders Cup meeting at Churchill Downs in Kentucky provided some exciting racing. The European horses were simply run off their feet by the American opposition but the Michael Stoute trained Kalanisi under a great drive from Johnny Murtagh ran on with great conviction to register a narrow but deserved victory in the Breeders Cup Turf.

The Aidan O'Brien trained Giants Causeway was well fancied in the Breeders Cup Classic and although running a fine race in defeat he could never get to the Chris McCarron partnered Tiznow who scored by a neck.

## PUNCESTOWN ON SUNDAY

Punchestown somehow managed to beat the weather last Sunday but conditions were naturally very testing. Limestone Lad frightened away the opposition in the Irish Field Chase and starting at odds of 1/7 he had a mere exercise gallop easily accounting for Idiots Star.

John Morrison who trains in Tallow

sent out the 10/1 winner of the two mile handicap hurdle as Crimson Flower came good under Willie Slatery.

Knockeen trainer Henry De Bromhead saddled the first two home in the maiden hurdle. Norman Williamson was on the more fancied of the pair, Rainbow Dance but Larry Hurley from Tramore brought 25/1 shot Whatareyouhaving home in front of his stablemate. The winner paid odds of 107/1 on the tote.

## LESTERS BIRTHDAY

Former champion jockey Lester Pigott celebrated his sixty fifth birthday last Monday.

## THIS WEEK'S FIXTURE LIST

Thursday Clonmel 1.00 pm, Ludlow, Lingfield, Taunton. Friday Down Royal 1.35 pm, Newcastle, Cheltenham, Southwell. Saturday Down Royal 1.30 pm, Naas 12.45 pm, Cheltenham. Sunday Cork 12.45 pm, Leopardstown 12.30 pm, Cheltenham.

## PAUL'S ERROR

Jockey Paul Moloney will have nightmares about the £20,000 Lismullen Hurdle at Navan last Saturday. He was on the warm favourite Bannow Bay, a winner of his last four races but he lay too far out of his ground as Tommy Treacy set sail for home on 33/1 chance Rose of Inchquinn. Trained in County Kilkenny by Sean Treacy. Many in the attendance including some of the jockeys in the race expected Rose of Inchquinn to fold up in the closing stages but the seven year old stayed on dourly to defeat the running on Bannow Bay. The local stewards took a poor view of the tactics employed by Paul Maloney and Paul Carberry and both were lucky to escape with just a one day ban while they also had to forfeit their riding fees.

## POINT TO POINT FIXTURES

The Point to Point fixture list for 2001 was issued last week and the local meetings are pencilled in for the following dates. Dungarvan Sunday January 28th. West Waterford - Tallow Sunday February 11th. Killeagh - Inch Thursday April 12th. Waterford Sunday April 15th.

## HENRY'S BAN

Warren Place, Newmarket trainer Henry Cecil has certainly enjoyed a mixed year. He received the unwanted news last week that he had been banned from driving for five years and was fined £3,000 relating to a drink driving incident in which the trainer hit two pensioners.

## FINAL DAY ON TURF

Doncaster last Saturday was the final day of the British Turf season. Racing will however continue on the level on the all weather tracks at Southwell and Wolverhampton.

## RAY FORCED TO CALL IT A DAY

Northern Ireland born flat jockey Ray Cochrane has been forced to quit

race riding following a series of falls which have left him with a weakened back. Forty three year old Cochrane suffered a neck injury in a light aircraft crash in Newmarket Racecourse. The jockey was subsequently nominated for a bravery award for his action in saving fellow passenger Italian born rider Frankie Dettori, and also for attempting to rescue pilot Patrick Mackey who sadly died.

Ray Cochrane who in 1988 rode Kahasi to victory in the English and Irish derbies rode over 1500 winners in Ireland and England. Cochrane has not ridden since August of this year having had two falls. The jockey decided to call it a day after an examination by medical staff from the jockey club. He said he was disappointed but not surprised. He went on to say that he knew in the back of his mind he had to quit.

## AER RIANTA CORK AIRPORT RACE DAY A WINNER AT CLONMEL

The 12th running of the Aer Rianta, Cork Airport race day proved an outstanding success at Powerstown Park, Clonmel last Wednesday afternoon.

Supporters of the National Hunt game were out in force to enjoy the all sponsored seven race programme, the showcase event of which was the £8,000 Aer Rianta Cork Airport European Breeders Fund Captain Christy Beginners Steeplechase. In testing conditions a field of fifteen runners went to post for this Two Mile Furlong event. Before a fence was jumped the County Wexford trained Over the Furze (Over The River - Furry Gran) was awarded the best turned out prize and the punters quickly latched on to the John Barry trained runner installing the seven year old gelding as the red hot 4/5 favourite. Over The Furze was never out of the first four and jumping superbly for jockeys Conor O'Dwyer Over The Furze eased his way to the front on the uphill climb to the finish beating Levelander by a cosy seven lengths. The winner runs in the ownership of Maeve McMorrow and Seamus Carroll and these very same colours were once carried by the famous Carvills Hill.

The winner is a progressive type and should win many more races for connections. Other winners on the day were Aer Lingus 3-Y-0 Maiden Hurdle Summer Break 7/4. The Ryanair I.N.H. Stallion Owners EBF Maiden Hurdle Queen of Country 9/2. The Air Malta Handicap Hurdle Catch Ball 6/4. The British European Irish National Hunt Novice Hurdle Morning Breeze 6/4. The British Airways Handicap Steeplechase Peggy's Lad 10/1. The British Regional Airlines Flat Race Back In Debt 10/1.

# Colligan Equestrian Centre

Colligan Equestrian Centre inter school team event was here on Friday November 3rd. With one of the best days weather wise, with a month we had an excellent turn out for both Junior and Senior Schools, kindly sponsored by David Walsh, Office School and Computer Supplies. With the junior teams starting the processing after all seven teams had completed their two rounds. Two teams were on zero scores that was Coolnasmear/CBS and Butlerstown National School, Waterford with their team captains going against the clock to decide first and second places.

Next in was Rebecca Veale for St. Augustine's College (A) team on Lacken Becky Boss. Rebecca was on brilliant form taking all the turns and cheered on by the crowd had a very fast time of 28.13 and a clear round.

WATERFORD TUESDAY OCTOBER 31ST 2000

## Local Kennels In Top Form

The local Fitzgerald -Gough kennels had their runners in tremendous form for this the final meeting of October as they sent out three winners including the winner of the showcase event the final of the £1,000 Irish Greyhound Stud Owners Unraced Stake. John Fitzgeralds and Phil Goughs SpartaTom (Toms The Best-Tinrah Princess) was sent off the joint 2/1 favourite with Articerfer in the unraced final and "Sparta" did well to hold second second position at the first bend when strongly challenged by Alex Pride. Sampras stretched into a three lengths lead out of the second bend but he was quickly followed by Sparta Tom. Delivering his challenge on the rails over the final two bends Sparta Tom inched his way into the lead to come through for a length win over Sampras with a fast finishing Articerfer just behind in third. Time 29.23. The third placed greyhound Articerfer should make up into a nice stayer in time.

Racing got underway with the four first round heats of the Winter Unraced sweepstake. In the opening heat Montos Nikita, Via Piemonte and Ashley Mover enjoyed a good tussle the length of the back stretch but the latter bitch owned by John Flynn and Kevin Power motored clear of her rivals up the home stretch to record a nine and a quarter lengths win over 5/4 favourite Via Piemonte in 30.12. The winner returned at 3/1 is a June 99 daughter of Deenside Joker and Marlow Mover.

Heat two saw John Fitzgeralds and Phil Goughs Sparta Eddie (Airmount Rogue- Spartamary) make a pleasing debut from trap six making practically every yard of the running for a deserved 29.21 victory. Backed in from 3/1 to 1/3 Sparta Eddie glided into an early lead over Clemmas Wally and despite the best efforts of "Clemmas" she was unable to get to the leader who went on to score by a length.

Shanballa Chief and Kinetic Rip shared favouritism at 6/4 in heat three and while the former was none to steady on the bends Maura and Gerard Fitzgeralds Kinetic Rip (Toms The Best-Trip To Carraig) produced a good dash of early boot up the rails to drive into the lead over Jeffys Sara. Jeffys Sara joined issue on the rails over the final two bends with the early leader but in a driving finish Kinetic Rip stayed on best to triumph by half a length in 29.43.

Ardmore County Waterford based Damaín Gleeson who is Sales Director of Ardmore Natural Care Ltd who specialise in Greyhound Nutrition teamed up with trainer Declan Byrne to take heat four with the well supported Ballyquin (Minnies Phantom-Granny Kathryn). This 4/6 favourite was quickly into his stride from trap two and never gave connections and supporters an anxious moment bolting in three and a quarter lengths clear of Always Fair in 29.50. This victory by Ballyquin went some way towards compensating the Gleeson family for the loss of their steeplechaser of the same name who died recently.

Quarrymount Lace made a determined effort to make every post a winning one in a four runner fifth event but Pauline Hennessys home bred Sadlers Whisper (Staplers Jo-Sadlers Surprise) 6/4 produced the superior dash of finishing pace to come through for a four lengths victory in 29.45.

Bankers Prince was out in front of Cove Black for much

of the sixth event but Tom Walshs Regal Honey (Lemon Trooper-Bettys Image) 5/2 made rapid late headway from the back of the field to open her account by a length and a half from Cove Black in 29.76.

4/1 shot Knockenduff Rose (Duffys Emerald-Naughty Nellie) owned by Anne Flanagan was prominent throughout the seventh contest holding at bay the constant challenge of Like Me Dad who tasted defeat by a neck in 30.17.

Owner Harry Boyle enjoyed a welcome winner in the ninth event as Boher Joy (Mustang Jack-Quest For Gold) 5/2 opened her account in 29.96. Taking over in the lead at the entrance to the back stretch from Coolclough Jill Boher Joy went well clear in the closing stages recording a clear cut seven lengths win.

Perry Aylwards Perry Champ 2/1 to 6/4 posted back to back victories with a polished 29.41 winning effort from trap three in the tenth. Overcoming the attention of a wide running Savana Saffron on the run to the opening turn Perrys Champ (Blue Lagoon-Droopys Daphne) quickly took control of matters to open up a handy lead which extended to three lengths at the winning line from Sail On In.

The fastest return of the session came in the final race of the night as the Tommy Reddy owned Powerful Rover (Spiral Nikita-Special Bluebird) absolutely slaughtered the opposition in a red hot 29.05. A winner in 30.27 on his previous start in Kilkenny Powerful Rover led his rivals a merry dance from the outset simply coasting to a nine and a half lengths win over Gee Ollie.

WATERFORD SATURDAY NOVEMBER 4TH 2000

## Field Rock Exploded From Traps

Last Saturday nights fixture was a well supported benefit meeting in aid of Waterpark College.

Local tracker Ballybrazil Jet (Lassa Java-Tycoon Lady) the 6/4 favourite earned a tilt at next Saturday's major prize of £10,000 in the Waterford Masters by capturing the Open 525. Sent off the 6/4 favourite Ballybrazil Jet running for owners Milo and Ann Lavery and trained by Nicky Grace normally wins his races from the front but on this occasion he displayed his prowess by coming from behind a fast starting Nikkis River to land the spoils by half a length in 29.12.

Catsrock Stam unbeaten in his last three races was expected to complete a double for the connections of Ballybrazil Jet in the final of the Michael Hoban Building Contractors Stake but he was forced to settle for the runner up spot behind the all the way winner Field Rock (He Knows-Kingsmeadow Mist) 5/2. Trained by Dick Ryan for his son Tony Field Rock fairly blasted away wearing the blue sheet to lead at the first bend. When the chasing pair of Field Admiral and Catsrock Stam came in contact Field Rock increased her lead running out a well deserved three and a half lengths winner over Catsrock Stam in a career best 29.09.

In the opening contest Mustang Rumble and Glencroe ran in unison down to the third bend but with the early leaders failing to get home 3/1 shot Scotias Glen (Droopys Fintan-Moonshine Jewel) stayed on best for owner John Lynch and trainer Ian Seymour to defeat Charity Echo by the minimum distance in 29.61.

Mustang Cracker was installed the 6/4 favourite in the second event but after a moderate break the jolly only ever had a rear view of Denis Hattermores 5/1 chance Deep Dale this son of Come On Ranger and Villiers Desna making all of the running for a three lengths victory over Mustang Cracker

in a fast 28.80.

County Kildare owner Ken O Neill kindly underwrote the Manor Farm marathon stake. Running for the Penn Syndicate from Carlow Penn Raider (Top Honcho-Morning Raid) justified her position at the head of the market in the first semi final scoring at her leisure in 41.39. The early leader Penn Raider 4/5 came wide of the second bend but she was quickly back on an even keel to motor on for a three lengths win over McCarthys Best who came from behind Cushie Maze to claim the runner up spot.

Favourite backers were also on the mark in the second semi final as Suzie Mahers Scallywag Suzie (Smooth Rumble-Safe Keeping) displayed her class obliging in 41.04 at odds of 4/6. Led early on by Sadlers Whisper and Ballinrane Lady Scallywag Suzie a 29.05 winner over the standard trip bided her time before coming through for an easy four lengths win over a running on Carlow Picture.

County Cork owner Pat Daly kindly sponsored an open 550 yard stake in honour of his Irish Derby winner Judicial Pride. Co Wexford raider Lilac Buddy was well supported at 11/10 to capture the first semi final but after a tardy start he was always playing catch up behind Ken O Neills Pollys Here (Doyougetit-Heres Polly) this 5/1 chance breaking clear of the pack after thirty yards to run out a length winner over Lilac Buddy. Time 30.55.

Having her first official outing over the circuit Ballinclare Rio (Trade Official-Glorious Tess) ran a cracker at odds of 5/1 to take the second semi final in an excellent 30.16. While the remainder were sorting themselves out Ballinclare Rio was out and gone from trap one coasting to a five and a quarter lengths win over 7/4 joint favourite Vital Evidence. Evelyns Girl the other 7/4 joint favourite lost valuable early ground when stumbling out of trap three.

Not for the first time in her career Hunts Tracie (Lassa Java-Sleepy Sunshine) availed of an ease in grade to post a winning return over six bends. Scintillas Jodie and a wide running Volcano Violet both had their opportunity to shine but despite a back straight stumble Donal Hunts Hunts Tracie came through smoothly to inflict a three lengths defeat on Scallywag Doll in 41.66.

More Brandy and Bridies Girl enjoyed a great old battle in the final race of the night with Bridie and Frank McCarthys Bridies Girl (Trade Official-Franks Girl) the 5/4 favourite gaining the upper hand close time to post back to back victories in 29.42.

**Footnote.**— Ladies Night. Eight out of the ten races last Saturday night went to the fairer sex.

# Colligan Woods Riding Club

## THE HORSE SHOE DIARIES

**Charity Show:**— While much of the population huddled the fireside on a wet and windy bank holiday Monday, Colligan Equestrian Centre was a hive of activity. Our charity show, against all the odds, was well supported and we would like to express our appreciation to each and every rider who braved the elements to support a very worthwhile cause. Particular thanks to the riders who travelled from Tramore and Clonmel. As usual, the members of Colligan Woods provided much of the entertainment. Des, on board "Toby Lord Byron" (just) was observed hanging round his neck, at a precarious angle. One would have thought that Des would have learned his lesson by now. Recent comments regarding "Toby's" physique and fitness were not appreciated and "Toby" took his revenge.

Providing more spills and thrills was Kevin. The old adage about looking a gift horse in the mouth has since been revamped to include leaning on a gift horse's rump. Kevin is currently sporting a left thigh to rival Fatima Whitbred. Eibhlin's "Lady Epona" has begun to make amorous advances in his direction. Could it be that the blue colouring on his thigh resembles the markings on her coat? Trish was out for the kill, in the Dressage test. We understand that she underwent rigorous coaching, courtesy of Ger, on Sunday night. "Murphy's Law", having undergone the ministrations of Colligan Equestrian Centre's answer to Vidal Sassoon - i.e. John, was preening and fancying himself. He was unimpressed at having to sully his dainty (well polished) hooves in an arena which had suffered the brunt of the weather.

Pat Barron made his first ever bid, in living memory, for a MATTIE nomination. Pat parted company with "Katie" in some style, making him a strong contender for the Millennium MATTIE. Pat, you will recall, was last year's OSCAR winner. Francis' claim to fame was two fold. Not only did he managed to vie with Des as one of the highest scoring faulters in the Midi Plus competition but he managed to clock up the slowest time of the day into the bargain.

PRIZEWINNERS AT THE RECENT COLLIGAN WOODS CHARITY SHOW

One of the highlights of the show was the relay race which was fast and furious. Tom Dalton and Peter Moloney provided the winning combination just over a second ahead of Orla Murphy and Noreen Queally.

On the administration side the usual contingent of ever willing members and supporters gave the show their all. Of particular note were Anne and Louise who looked after the commen-

tary, Deirdre and Carol who took charge of entries, Nancy who looked after refreshments, Eibhlin who looked after administration, Karen who organised the Dressage, John and Tony who acted as Groom and Chef d'Equipe, respectively. It should also be noted that Tess played her usual part in the organisation - i.e. getting soaked to the skin and frozen - on this occasion laying out a dressage arena in the pouring rain.

Our heartfelt thanks is extended towards our sponsors who gave unstintingly to a very worthwhile cause - namely: E-Power, "The Local Bar", Garvey's Super Valu, John Power Auditors and Accountants, Kevin Roche, Ballinameela Athletic Club. Particular appreciation is extended to John & Louise Moloney, Colligan Equestrian Centre who not only provided their facilities free of charge, but also donated the full proceeds of horse hire for the day. This was an extremely generous gesture and much appreciated by the Club. Finally, a word of thanks to Jos Hanrahan, our Dressage Judge, who gave up her Bank Holiday Monday when I'm sure she had better things to do.

## West Waterford Darts News

The final of the Power's Cup which was contested by Lindsay's of Ballyduff and The Local Bar, Tallow, was played at the Welcome Inn on Friday night last. The final didn't live up to expectations with last year's champions, Lindsays, winning out convincingly at the end. Congratulations to Lindsay's club and to the Local Bar "beidh la eil"...

In Coopers Lounge, Clashmore, the final of the "Shield" was being fought out between Morrisseys of Cappoquin and Paddy Mac's, Ardmore. This final, somewhat similar to the cup final was a one way affair with Morrisseys winning out comfortably in the end.

The committee would like to thank the clubs who hosted the finals.

## Dungarvan Crystal Squash and Racquetball Notes

### T.S.B. TOURNAMENT

The annual T. S. B. sponsored team tournament is well underway, and these are a quick run down at some of the match's played so far, On court 1. Teams C and D met M. Hurley 2 v R. Moore 3; E. Cunningham 3 v R Haesy 1; J. Walsh 1 v D. Whelan 3; Joanne O'Neill 0 v Jason Hackett 3 and P Walsh Jnr. 3 v Kenneth Kelleher 0. The closest match when these 2 particular teams met was between the no.1's M. Hurley and R. Moore, Michael nipping off to a 2 sets to nil lead and playing very well but Ray's fitness pulled him through to come back and take the match 3-2 and so R. Moore's team D advance on a score line 10 pts to 9 pts.

On court 2 — Teams B and A met results A. Lally 3 v O. O'Grady 2; P. Cullen 3 v V. Tutty 0; J. Fleming 2 v J.J. Henley 3; A. O'Connor 3 v P. Phelan 0 and S O'Mahony 3 v P. Freyne 0. The highlighted match in the meeting of these two teams is the No 3's where J. Fleming took on J.J. Henley, John took a 2-0 lead playing some cool controlled squash and looked a certain winner, but through to form and as he has done in the past J.J. Henley never gave up and spurred on by a comment from the crowd, 'this wont take long more' he battled back to pinch the match 3 -2 'up Tallow'. A. Lally's team advance to the semis on a scoreline of 11 pts to 8 pts.

### T. S. B. Semi Finals

In semi final 1 we had R. Moore's team v G. Hamilton's team and the results are as follows R. Moore 3 v G. Hamilton 1; v R. Haesy 2 v K Tutty 3; D. Whelan 1 v Niamh McMahon 3; J. Hackett 3 v B. Hamilton

O; K. Kelleher 0 v S Ready 3. The highlighted match in the first semi is between the no. 2's K. Tutty v R. Haesy with Kevin having the better of the duels of late but Ray had other ideas this time and took a comfortable 2 sets to 0 lead, with Kevin struggling from an injury (picked up on honeymoon, rumour has it) he stole the third set, and from there on with the injury loosening out he, fought back to take, the match 3-2 and book Ray's team a place in the final. The question is will Kevin be fit for the final "only Myra knows"

In the other semi final J. Reynolds team v A. Lally's team — results: P. Walsh (snr) 0 v P Cullen 3; S. Leahy 1 v J. Fleming 3; Brian Foley 2 v A. O'Connor 3; D. Hamilton 2 v Peg Freyne 3. A. Lally and J. Reynolds did not have to play. 2 matches to report from here between the no.4's and no. 5's. At no. 4 Aidan O'Connor v Brian Foley this was very close all the way with sets going alternatively, in the finish Aidan took it 3-2 but only just. It must be said that Brian will have his day soon as he is noticeably improving with every game. "Watch out Aidan". The no.5's Peg Freyne v B. Hamilton had a real ding dong battle as well, Barry just back from a trip abroad might have been a little jet lagged but certainly didn't show it as he took the first set easy. Peg battled back and took the second, Barry took the third and then left a 7-1 lead slip in the fourth. Peg kept very cool under pressure and from there on played well to take the match 2-3 and seal victory and put Andrew's team in the final, scoreline: 12 pts to 5 pts

### Ger Wyleys Sports Racquetball Tournament

The Wyleys Sports sponsored Racquetball tournament gets under way soon and will be played on a league system with the top two teams going through to the final. All fixtures will be played on a Monday night. More from that as soon as it progresses.

### Allrounder Squash Ladder

The Allrounder Squash Ladder is well under way with a huge entry this year, Jason Hackett has put two 6 pts victories back to back and Aidan O'Connor has also got off well with a few victories, that must be all the coaching he is getting late at night from former legend Eddie Cashin and the advice he's getting from another former legend the man they called the 'Grinder' Jack Elstead. 'Aidan you are in great hands'
