MULTI MILLION POUND HOUSING DEVELOPMENT

Cllrs. Opposed To Proposed Access Route

A proposal to provide the main access route to a new multi million pound housing development at Clonee through two existing private housing estates at Western Bay and Bay View, has been described by a member of

Dungarvan Urban Council as "crazy" and a definite "non runner".

Cllr. John Deasy told the monthly UDC meeting last Monday night that the proposal isn't feasible and can-

not be allowed to happen. "There is", he suggested, "a perfect alternative route to the proposed housing development that can be created".

Up to twenty residents from the Western Bay and

Bay View estates sat in on the meeting as observers. All of the residents are implacably opposed to having the main route to the proposed 108 unit development at Clonee through their estates, and they heard pledges of support from each councillor for their opposition to that proposal.

Cllr. Billy Kyne urged the Council officials to sit down with the developer to discuss and do all in their respective powers to come up with an alternative access route.

Cllr. Kyne said he feared that if the Council simply refused planning permission the developer could then appeal that decision to An Bord Pleanala and ultimately that body could give the go ahead to access to the development through both housing estates.

"This Council", Cllr. Kyne continued, must make every effort to get the developer to agree with our view that the main access route should not be through the Western Bay and Bay View estates".

Cllr. Lar Hart supported his colleagues and said that if the access road was allowed through both estates it would impact negatively on the lifestyles of the residents in a very major way.

Cllr. Hart said the residents are not opposed to the proposed housing development at Clonee but they most definitely are against having their estates as the main route to it. He disclosed that the residents of Congress Villas also have concerns about certain aspects of the proposed development and there are a number of points they would like the UDC to take on board adjudicating on the planning application.

THE WAY WE LIVE

LITERATURE

Literature is the art of writing. It is more than writing just to convey information, it is writing to entertain, to stir the heart, and to explore all sorts of human experience. It offers the best chance we ever get of feeling what it is like to be someone else.

Writing is only counted as literature if it stands the test of time. If a piece is really well written and expresses a deep truth it will still be read many years later, and in translation all round the world.

There are many different literary forms — stories, novels, poetry, plays, biographies, diaries and journalism.

Made-up stories are called fiction, and feature the same themes the world over — adventure, crime, love, horror and fantasy. The events a fiction writer describes are called the plot. The people who take part in the plot are called the characters. The best fiction writers create characters so true to life you feel they are real people.

Non-fiction writers may record the lives of great men and women and the effect of historic events. Literature is also an important place for exploring new ideas, for trying to influence politics, and for protesting against injustice.

GREAT CLASSICS

Great stories are still read many years after they were first invented. The Thousand and One Nights is a collection of Middle Eastern stories believed to be 2,000 years old.

The tales are told by Queen Scheherazade, whose husband wants to kill her. She puts off her death each night by telling him a wonderful tale, such as the story of Sinbad the Sailor. After 1,001 nights of stories, he agrees to spare her life.

A still from the film *The Thousand and One Nights*

ANNE FRANK

In 1942, Anne Frank, a Jewish schoolgirl living in Amsterdam, Holland, was given a diary for her 13th birthday. In it, Anne describes how she, her family and four friends lived for two years in cramped attic rooms, hiding from the Nazis in World War II.

Tragically, they were discovered and Anne died in a concentration camp at the age of 15, but her spirit lives on in the words of her extraordinary diary.

Anne wrote: "I want to go on living after my death. And therefore, I am grateful to God for giving me this gift . . . of expressing all that is in me."

EPIC POEMS

Great legendary heroes have often been celebrated in long poems, called epics (or sagas). At first these poems were not written down, and would have been sung or recited.

One of the most famous epics is the Anglo-Saxon poem of Beowulf, a legendary prince who kills Grendel, the man-eating monster who lives in the marshes, and then kills Grendel's mother.

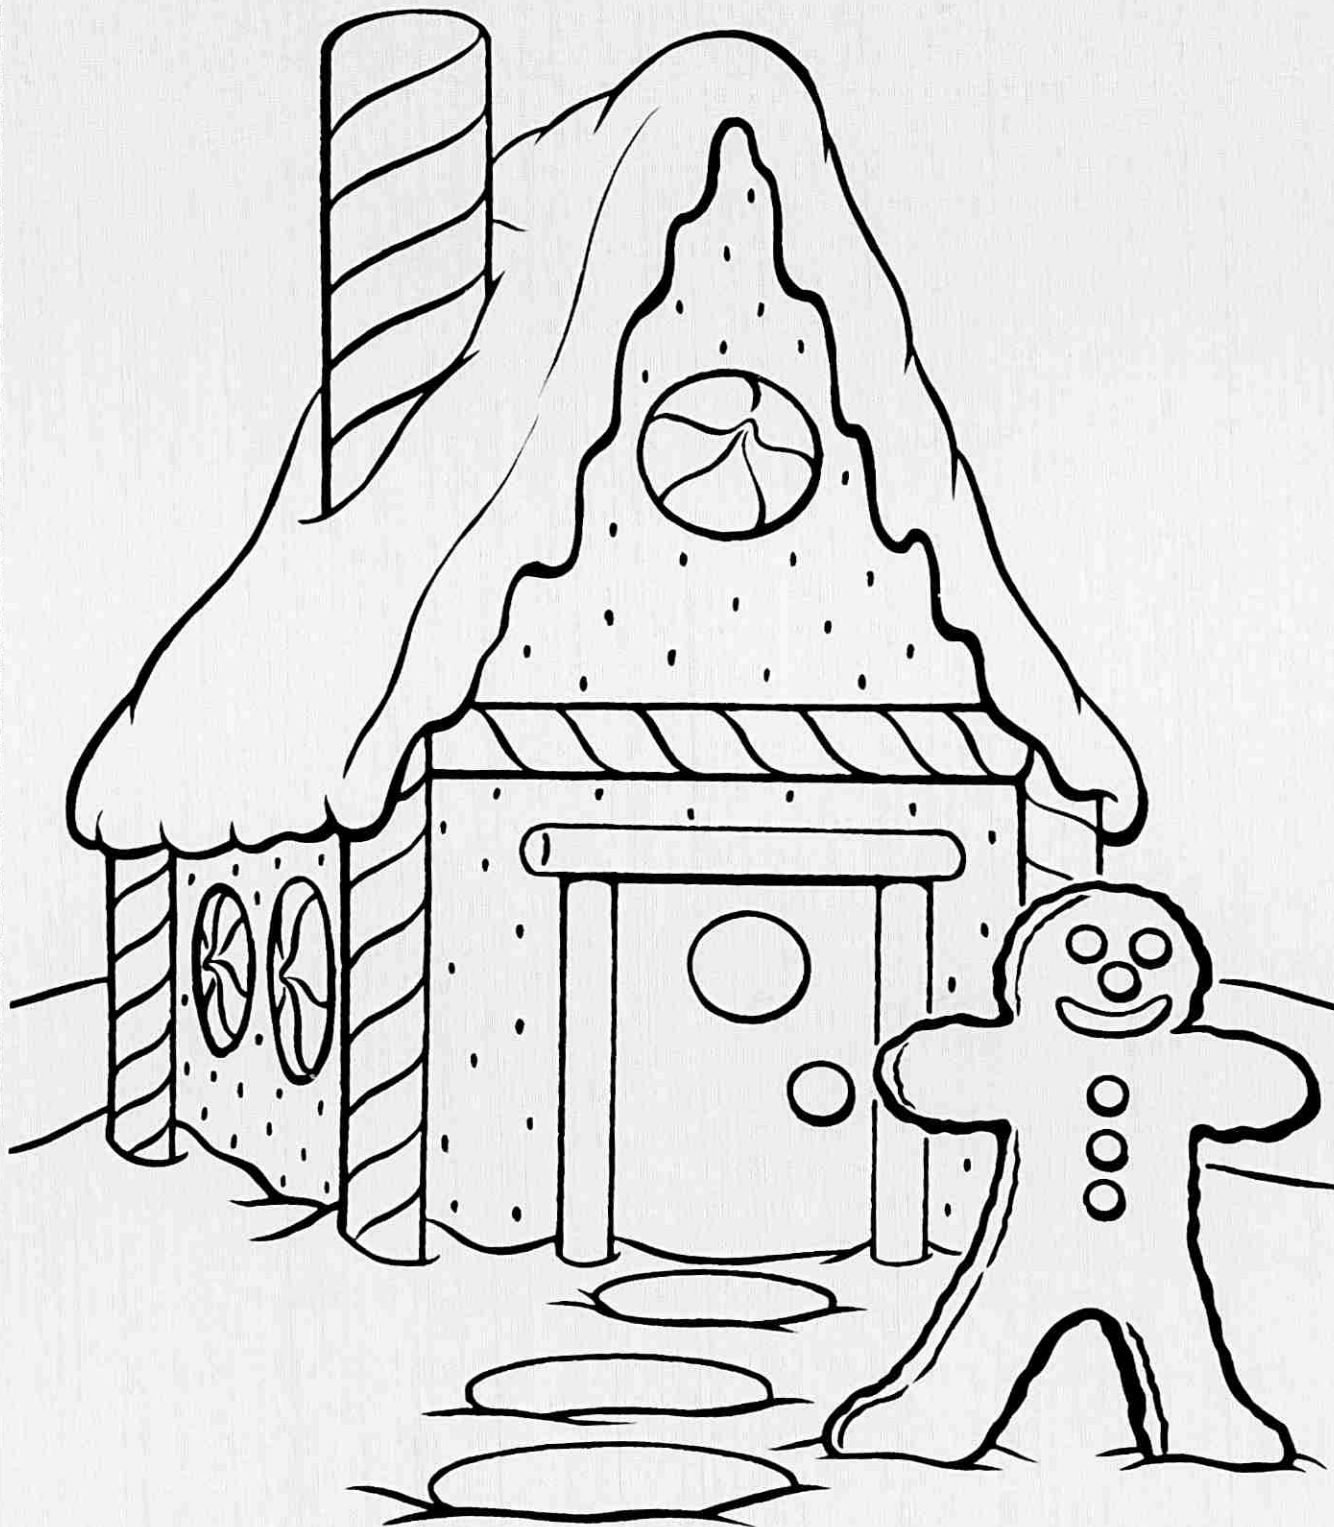

THE POWER OF BOOKS

Throughout history, writers have challenged old ideas and explored new lines of thought, and books have proved an important influence on public opinion.

In 1850 Harriet Beecher Stowe wrote *Uncle Tom's Cabin*, a novel that describes the evils of slavery in the United States. The book played an important part in bringing slavery to an end.

But books that criticise governments are sometimes banned or burned and can get the author into trouble. In 1974 the Russian writer Alexander Solzhenitsyn was exiled for his criticism of his country's regime.

BRANCH**

Comhaltas Ceoltoiri Eireann

The above branch held its Annual General Meeting in Lawlor's Hotel recently and it was obvious from the Secretary's report that the Branch had a very successful year. There were 34 set-dancing classes held in the Park Hotel during the year and all of them were well attended. In mid October a very successful week-end of workshops and ceildhs were held in Clonea Strand Hotel which were probably the best ones held so far. The branch's Threshing Set as it is now known has been in great demand during the year. It had a run for eight weeks in Seisiun during the months of July and August in the Park Hotel. They also gave an exhibition at Dail na Mumhan i gColaiste na Rinne at the end of August, many other exhibitions have been given by them such as at the hospital and the Stroke Club etc. Our guest speaker Mairtin O Muiriosa said he was privileged and honoured to be asked to speak at the meeting. He said that Comhaltas had done a great job in reviving the music and dancing but traditional singing was not good and

urged all branches to do all they could to revive it, either through classes, through the schools or employing a Fás teacher. The Balance Sheet produced by the Treasurer showed the Branch to be financially sound.

The following are the officers elected for the coming year:

Chairperson - Helen Crotty, Vice-chairperson - Michael Manahan, Secretary Peter Flynn, Assistant Secretary - Michael O Hogain, Treasurer - Mary (Moll) Shields, Assistant Treasurer, Maitiu O Fathaigh, Auditor - John Foley, Treoiri na Gaeilge - Sinead Ni Fhataigh, P.R.O. - Michael O Hogain, Delegates to Co. Board - Helen Crotty, Michael Manahan.

The Branch wish to thank the following

1. The proprietors and staff of the Park Hotel for their co-operation during the year.

2. The proprietors, management and staff of Clonea Strand Hotel for their help and co-operation during our workshops and ceildhe week-end in October.

3. The proprietors, management and staff of

Lawlor's Hotel for the many times they have facilitated us during the year.

4. The Dungarvan Leader and the Dungarvan Observer for the coverage given us during the year.

The newly elected committee met for the first time on Thursday night last, much was discussed and some plans were made for the coming year.

1. Annual Christmas Dinner and Ceildhe on Tuesday 12th December.

2. Set-dancing workshops and ceildhs 12th, 13th, 14th October 2001.

3. A big Ceildhe on St. Patrick's Night. See this paper at a later date for further news when venue and band has been procured.

4. The Branch wishes to establish Traditional Music Classes in the Dungarvan area for the youth. Interested people should contact this number after 6 p.m (058-42458) or any other member of the committee as soon as possible so that a venue and a music teacher can be arranged for same. Music classes to start after Christmas.

Friary Sale Of Work December 1st and 2nd

The annual Sale of Work in aid of Augustinian Foreign Missions takes place on Friday and Saturday, December 1 and 2 in the Friary Hall. It opens Friday night at 8 p.m. and Saturday night at 7 p.m.

There is a Special Children's matinee on Saturday from 2 - 4 p.m. beginning with a Fancy Dress Parade from the Square led by

Santa himself. This is time for fun and games, with gifts for all children from Santa at £1.

The sale itself is a great opportunity to pick up some stocking fillers and other Christmas gifts as well as to have buckets of fun with the Wheel-of-Fortune, visiting the various booths, having a chat in the tea room, etc. This is a wonderful occasion for the whole family. Come and have fun, while supporting a worthy cause.

Donations and gifts (bottles, non-perishable goods, crafts, toys, books, etc.) gratefully received. Contact the Priory at 41136.

Welcome For Abortion Report, Referendum Not Necessary

—CLLR.
O CEILLEACHAIR

Dungarvan Labour Councillor Fiachra O Céilleachair has welcomed the publication of the abortion report by the All-Party Committee on the Constitution.

Speaking at a meeting of his party's National Executive in Dublin on November 16th, Cllr. O Céilleachair says the report clearly shows consensus around the task of tackling the issue of crisis pregnancy - thereby reducing the number of Irish abortions and providing the necessary supports for women in crisis pregnancy. The fact that no consensus has been reached in relation to a referendum is, in Cllr. O Céilleachair's view, an indication of the complexities surrounding abortion.

"Labour believes that it is

important that the central issue arising from the publication of this report is not about a referendum at all, but rather about facing the realities of abortion and the needs of women in a crisis pregnancy. A referendum will not make the slightest difference to that reality, except that it might put certain women's lives at risk if it passes.

The needs of women in crisis pregnancy are too important to be drowned out by yet another unnecessary referendum. The Government is clearly split on the issue: the Tanaiste has already stated that she does not want to see another divisive referendum. On the other hand, the Taoiseach has committed him-

self to a referendum to meet the demands of four Independent Deputies, who might otherwise threaten the future of this Government.

We have a choice: either we can, yet again, go down the unnecessary and divisive route of a referendum or we can move to find common ground, rather than division. We all share a desire to reduce the number of crisis pregnancies that Irish women are experiencing. We can work together to ensure that a strategy can be effective to meet this objective.

A referendum will prevent that kind of consensus being found and will lead to further confrontation, while the real issues are overshadowed."

Ideas For Roast Lamb

Roast lamb with cider and mustard glaze and bacon, cheese and mustard stuffing.

Ingredients:

- Lamb leg joint (allow 175-350g per person)
- 150ml cider
- 1 large sprig rosemary
- 2-3 cloves garlic, peeled and sliced

Stuffing:

- Half small onion, chopped
- 75g back bacon, chopped
- 50g mushrooms, chopped
- 50g Gruyère cheese, grated
- 100g breadcrumbs
- 1 x 15ml sp wholegrain mustard
- 1 x 15ml sp fresh thyme
- Salt and black pepper

Glaze:

- Cider reserved from marinade
- 3 x 15ml sp honey
- 2 x 15ml sp wholegrain mustard

Method:

Marinate the leg of lamb in cider for one hour. Cut slits into the lamb and insert slivers of garlic and small sprigs of rosemary. Retain marinade. Weigh the joint and calculate the cooking time. Meanwhile make the stuffing. In a large non-stick pan fry the onion, bacon and mushrooms for 3-4 minutes. Stir in the remaining stuffing ingredients and season. Shape into 6-8 balls.

Place on a baking tray and cook for the last 15-20 minutes of roasting time. Place the glaze ingredients in a saucepan and bring to the boil, simmer uncovered for 4-5 minutes. 15-20 minutes before the end of the calculated cooking time, remove the joint from the oven and brush the glaze over all surfaces. Roast for the remaining cooking time. Serve the roast lamb with the stuffing, roasted apples, parsnips, potatoes and a large

portion of seasonal vegetables.

Tip:
● To make carving easier let the joint stand for ten minutes.

● Apple juice can be substituted for cider

Easy, Crispy Potato Wedges

THESE oven baked potatoes make a tasty, low fat alternative to chips or roast potatoes.

Ingredients:

- Serves 4
- 4 baking potatoes, about 225g each
- vegetable oil, for greasing
- 2 x 15ml sp olive oil
- pinch of salt
- black pepper

Method:

Clean and scrub the potatoes thoroughly. Slice each potato into 8 equal sized wedges. Transfer into a large bowl. Fill the bowl with cold water until the potatoes are covered.

Leave to stand for 15 minutes. Preheat oven to 220°C/425°F/Gas mark 7. Lightly grease 2 baking sheets with vegetable oil. Drain the potatoes, then dry thoroughly on sheets of kitchen paper. Put the potatoes back into the bowl. Add olive oil, salt and pepper. Toss gently until potatoes are evenly coated. Transfer the potatoes to prepared baking sheets. Bake for 40 minutes or until soft in centre and crisp and browned on the outside. Swap baking sheets halfway through baking to ensure even browning. Serve wedges with a variety of dips and sauces or as an accompaniment to a main meal.

Original Black Forest Soufflé

THE delicious flavours of cherries and chocolate combine to make this tasty, original dessert.

Ingredients:

- (Serves 4)
- Knob of butter
- 50g caster sugar, plus extra for sprinkling
- 425g can pitted black cherries
- in syrup, drained
- 4 medium egg whites
- 8 x 5ml sp ready made custard
- 100g plain chocolate, melted
- 2-3 x 5ml sp plain chocolate, grated

Method:

Preheat oven to 220°C/425°F/Gas Mark 7. Place a baking sheet in the

oven to heat. With the butter, lightly grease 4, 10cm ramekin dishes and sprinkle a layer of caster sugar in each.

Spoon cherries into the base of each dish. Whisk egg whites and 50g sugar until the mixture forms soft peaks - that's when the peaks start to bend over.

Mix custard with the melted chocolate. Fold one quarter of egg whites into the chocolate mixture, then fold in the remaining egg whites. Spoon mixture into ramekins until mixture comes to just below the rim and bake for 10-12 minutes.

Serve each soufflé sprinkled with grated chocolate, accompanied by vanilla, chocolate or cherry ice cream.

Health Tips from "Remedies"

Milk Thistle

Milk Thistle has been used in Europe as a remedy for liver problems for hundreds, if not thousands of years.

Recent research has confirmed traditional herbal knowledge, proving that the herb has a remarkable ability to protect the liver from damage resulting from alcoholic and other types of poisoning, like long-term use of painkillers.

Silymarin, the main constituent of Milk Thistle, acts directly on the cell membranes of the liver, preventing cell damage and encouraging the regeneration of liver cells. A combination of Artichoke and Milk Thistle has the ability to lower blood cholesterol levels significantly, since most of the cholesterol is produced by the liver.

BISHOP'S VISIT

A wonderful night was enjoyed by all who came to meet Bishop Wm. Lee last Thursday 16th November.

It was a very special occasion for over 65 people who were presented with jubilarian pins, sixteen received sil-

ver pins and the remainder gold, a tribute to their dedication to the Sacred Heart.

Bishop Lee concelebrated Mass with Fr. Barron, Fr. Hubbard, Fr. Arthur, Fr. Lucey and Fr. Mulcahy who is Spiritual Director for the Diocese. The local choir was accompanied by the choir in Cappoquin and they added a special touch to the occasion.

The newly decorated Church looked splendid and was suitably decked with beautiful floral arrangements, all arranged by the local ladies.

Following Mass, light refreshments were served in Affane Hall. It gave people an opportunity to chat and meet with Bishop Lee.

We wish to thank most sincerely all who helped make this a memorable occasion - to all who did the preparations in the hall and Church, to those who supplied confectionery and teas, for the reception and the choirs who were heavenly.

You are invited to join the local Pioneers Club who always welcome new members.

MODELIGO N.S. BOOK

Just a timely reminder that with Christmas approaching, you may wish to send a copy of Modeligo National School Reunion Book overseas. It would make a nice present for any past pupils who were unable to join us for the terrific celebrations we enjoyed on 6th August last.

Copies are still available at Ml. Power's Bookshop, Dungarvan, Kelleher's SuperValu, Cappoquin or from any committee member.

MODELIGO LADIES CLUB

The ladies club have resumed

activities in recent months and it's nice to see some new faces at the meetings.

William Bumster was guest at the October meeting where he demonstrated the pruning of roses and passed on some great ideas for the Autumn garden. We wish him well in his venture in Ballylemon.

A lovely young lady, Charlotte Clancy-Batreau brought some exquisite samples of her handiwork to our November meeting. An honours graduate of Dublin's Grafton Academy of Fashion and Design, she later spent many years working in Paris before returning to set up a successful business in Abbeyside where she specialises in bridal and special occasion-wear, trading under the name 'Charlotte'. We hope her enterprise goes from strength to strength.

Catherine Kenneally, our new President, has her team working hard in preparation for the annual senior and not so senior Christmas party! It will be held following a special Mass on Friday 1st December at Deckie's. Music by Jimmy and Gerry. It is hoped that there will be a large turn-out and that all the friends will come along to join in the fun and ensure its continued success.

STRADBALLY NOTES

ALL SYSTEMS GO FOR STRADBALLY CRAFT FAIR

Final preparations are now being made for the Stradbally Christmas Craft-fair, which is being held on the 2nd and 3rd of December at Stradbally G.A.A. club. The fair is being organised by Stradbally Tourism and Enterprise Group and will feature the work of local artists and Craftspersons, including the 14 who exhibited recently at the Designer/Maker show at the Tower Hotel Waterford City. Each exhibitor will donate an item for raffling at the Fair. There will also be a raffle for a bumper Christmas hamper with food and gifts, and a raffle for a home-made Christmas cake, donated by Bridget Clancy. All exhibitors will be contacted shortly with details about the set-up time.

MIXED MEDIA ARTIST

Continuing with the 'spotlight' on Stradbally Designer/makers, this week the focus is on Stradbally artists, Boyer Phelan and Sue Burkitt. Boyer is a mixed media artist who is passionate about horses and wood. Boyer initially qualified as a veterinary nurse before heading to Art college in London for two years. Boyer returned to Ireland where raising her family took priority for some time. With the children now at a more independent age, Boyer has refocused her energies to her creative side. She has recently undertaken courses in painting, drawing, sculpture, batik, jewellery and stained glass through VETOS in Dungarvan and is now doing pottery, woodcraft and metalcraft with the V.E.C., Danny Cunningham being the co-ordinator. Boyer sees her work as having a recycling ethos, everything is made from 'found' pieces. Currently experimenting with jewellery with a recurring Celtic motif and undertaking portrait commissions, Boyer's work is going from strength to strength.

ADORATION

Next Sunday is the last Sunday of the Liturgical year and also the feast of Christ the King. There will be adoration of the Blessed Sacrament in Stradbally church next Sunday 26th, after 10 O'Clock Mass until 12 noon. The following Sunday (December 3rd) is the first Sunday of Advent and there will be adoration from 3p.m. to 4 p.m. in the afternoon, and also on the following two Sundays December 10th and 17th.

MEDITERRANEAN INFLUENCES

Hailing originally from Donegal Sue Burkitt has settled in the village of Stradbally. Although she has only recently begun painting and selling her work, Sue's striking paintings speak of far greater experience. Heavily influenced by Mediterranean culture her work explores their ancient civilisations. Having lived in Italy, Germany, Switzerland, France and Spain and speaking all their languages, Sue's work reflects her travels and experiences. Sue has exhibited in the Lismore Arts Centre with VETOS, Clonmel Co. Tipperary, The Dungarvan Arts Centre and Kilkenny Arts week. Her media are glass, acrylics and wall paint! Sue also makes sculptures, wood cut-outs, and wall hangings, using driftwood wire and metals. A course with VETOS in Dungarvan opened the floodgates of her creative talents, enabling the artist to create a distinctive style of painting that has 'clicked' with the Mediterranean culture. At the Craft-fair Sue will be selling her wood cut-out animals including her very popular 'crazy cats'.

COUNTY ENTERPRISE BOARD SUPPORTS WEBSITE

Many thanks goes to Ger Enright and the County Enterprise Board who have offered to assist with the costs involved in getting the Designer/Makers of Stradbally 'on-line'. Brian Corry and Donald Sutherland will spear-head the development of a 'virtual' craft-shop, where local Art, Craft, Furniture etc. will be on sale 24 hours a day, 365 days a year. The site will be run by The Stradbally Tourism & Enterprise Group who will charge a low commission of 10%. It is intended to have the 'virtual shop' published online by February. Up to 10 local Designer/Makers will be featured on this site at any given time.

PARISH SOCIAL

A reminder that the combined Parishes social will take place in Clonea Strand Hotel on Friday January 5th 2001. The committee are presently seeking sponsorship for the raffle and tickets for the social will soon be available.

WHIST AT THE G.A.A.

Whist at Stradbally G.A.A. club is on this Friday, and final details will be announced about the Annual Christmas Whist night out. All are welcome on Friday, come early to get your seat!

MIGHTY CRAIC IN DINGLE

Pat Fennell, Chairman of Stradbally G.A.A. Club would like to thank Garvey's Supervalu for their sponsorship of the trip to Dingle, to celebrate Stradbally winning the Senior football league. A couple of years ago it was decided to organise these trips instead of the usual medals, the weekend away makes it all worthwhile for the winners. Pat Fennell said that everyone had a great time and the Club are looking forward to another weekend next year! "Some fellows are only surfacing now" said Pat, "perhaps they were all suffering from the flu like me"! Thank you also to the writer of the Tallow Notes who wrote a detailed account of the trip, all about the Stradbally lads touring the kingdom, drinking their 'large' bottles, buying wellies for the disco and singing 'Dungarvan, my kind of town' late into the Kerry night!

IFA Annual General Meeting

The AGM of the I.F.A. will be held on Wednesday night (November 22nd), at 8 p.m. in Stradbally G.A.A. Club.

SYMPATHY

A number of families have been bereaved recently and sincere sympathy is extended to all the families. Sympathy to Beatrice Norris of Ballyvooney on the death of her brother Thomas Francis Walsh of Passage East who was well known in farming circles. Sympathy to Cha Dunford of Carrigahilla on the death of his sister Betty Smith who was buried in Southampton last week. Sympathy to the Flynn family of Cove cottage on the death of Terry Povey whose mother Maureen was buried in Stradbally. Sympathy to the Lucey and Kirwan families of Durrow and Drumlohan on the death of Babs Lucey nee Kirwan who was buried in Dublin last week. Sympathy to Kitsy Keating of Fahafeelagh on the death of her sister Madge Behan who was buried in Clonea-Power last Saturday.

BALLY ATHLETIC CLUB

THE STORY CONTINUES

The Club had a number of athletes who were good sprinters and apart from Raymond and Lorraine Kirwan, there was Kevin Whelan, who had a great turn of foot and competed at all levels as well as representing Waterford in the Community Games. Bonmahon contributed Michael Hayes, Mary Walsh and Pamela Whelan along with the Fitzgeralds of Robin Hill, with Helena, Kevin and Rosemary to the fore, encouraged by Margaret, Nicholas and Helena. Joan Prendergast of Kilrossanty was another strong sprinter, as was Niall Coughlan of Kilmac, while his brothers Peter and Dermot always could be relied on for team events both at cross country, track and field. Michael Casey of Faha had many successes both at cross country and track and could always be depended upon to give it everything. John Brown with the support of his mother Nellie and brother Michael was another shining light for the Club as was Martha Bowdren, Imelda and Peadar Gallagher. The club was successful at every age level in County Provincial and National Championships and it would be hard to say whether it was better to win at an early age or have to persevere until later on! One recalls an under 11 team of Alan and Michael Dwan, Michael Phelan and Dermot Coughlan winning at under 11, while Seán Behan, Seán Foley, Chris Lalor and Thomas Power had to wait until under 16 before they scored a never to be forgotten All-Ireland Club win at cross-country in Dublin.

Ballymacarbry Notes

LATE MRS. BRIDGET RYAN

It is with deep and sincere regret we record the death of Mrs. Bridget Ryan (nee Gibbons), Knocklofty, Kilmanahan, Clonmel, which sad event took place at Saint Patrick's Hospital, Cashel on Tuesday 14th November.

Deceased was a member of a well loved and respected South Tipperary family. Deceased was a very estimable lady of many charming traits of character. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all. A lady in every sense of the word, she was highly respected by her family, neighbours and her many friends, who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to react swiftly and without fuss to any situation in which she was needed. A kind and loving wife and mother, her greatest passion was for her husband John now deceased and her family to whom she was utterly devoted, and her demise has evoked feelings of sincere regret among her family, neighbours and her many friends.

The measure of esteem and high regard in which deceased and her family are held was clearly indicated by the large concourse of mourners who were present on Wednesday evening when her remains after the rosary was recited were removed from Condon's Funeral Parlour, Clonmel to the Parish Church of Saint Mary's, Irishtown where they were blessed and received by Rev. Fr. Michael O'Connor, Waterford.

On Thursday morning the feast of Saint Edmund requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Michael O'Connor. After Mass the funeral took place to Saint Patrick's Cemetery, Clonmel where she was laid to rest in the family plot with her husband John who predeceased her. Fr. O'Connor officiated at the grave side in the presence of another large concourse of mourners paying their final respects to a dear Christian friend whose memory they will cherish.

To her daughter Ann, her sister Kathy and her many relatives we extend our sympathy. A chroí ro Naofa dean trácaire air.

(Undertakers Condon's, Clonmel).

LATE MRS. MARGARET TOUHY

Profound and sincere feelings of regret were widely expressed at the news of the death of Mrs. Margaret Touhy (nee Ryan), Western Bay, Dungarvan and formerly of Curtiswood, Ballymacarbry which sad event took place on Thursday 16th November.

Deceased in her seventy sixth year was a member of a well loved and respected Ballymacarbry family. She was eldest daughter of Paddy and Alice (nee McCarthy) Ryan, Curtiswood. Predeceased by her husband William by eight years, she was a kind and loving wife and mother, her husband and family were her pride and joy. She was a lady in every sense of the word. She was highly respected, especially by her family, neighbours and her many friends, who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to react swiftly and without fuss to any situation in which she was needed. Of a quiet and unassuming disposition, she had a great sense of fun and humour which made her delightful company. A woman who possessed a deep faith and practised her religion devoutly, her demise has evoked feelings of sincere regret among her family, neighbours and her many friends.

The measure of the esteem and high regard in which deceased and her family are held over a wide area was clearly indicated by the large concourse of mourners who were present on Friday evening when her remains after the rosary was recited were removed from Kiely's Funeral Home, Dungarvan to Saint Mary's Parish Church, Dungarvan where they were blessed and received by Rev. Fr. Bobby Grant C.C., Dungarvan assisted by Rev. Fr. Nicholas Mahoney P.P. and Rev. Fr. Timothy O'Riordan C.C.

On Saturday morning the feast of Saint Ado of Cluny requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Nicholas Mahoney P.P., Dungarvan. After Mass the funeral took place to Saint Laurence's Cemetery, Fourmilewater where on a cold damp November day she was laid to rest in the plot with her husband Willie who predeceased her by eight and a half years. Fr. Mahoney P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a dear Christian friend whose memory they will treasure.

To her sons, daughter, brother, sisters and her many relatives we extend our sympathy.

Faoi bhrat Mhuire na nGaedheal go raibh a hanam uasal. (Undertakers James Kiely & Sons, Dungarvan).

The Science of Farming and Food

REDUCING LABOUR IN SHEEP

At a very well attended Teagasc Seminar in Dungarvan last Monday. Teagasc Sheep Specialist, Pat Clarke gave the preliminary results of a Teagasc Labour survey of sheep farmers. Thirty farms are being surveyed with an average flock size of 370 ewes per farm.

There have been a number of interesting observations to date:-

The average time spent per ewe per year is 8 hours. The average amount of time spent per livestock unit of sheep and per livestock unit of cattle is the same.

The top third of farmers in terms of time, spent five hours per ewe per year and sold 1.54 lambs per ewe to the ram. The bottom third spent 10 hours per ewe per year and sold 1.42 lambs per ewe to the ram. Spending more time does not necessarily increase output.

Pat then when on to discuss how the workload on sheep farms can be minimised.

Good sheep fencing is essential

A good sheep dog can save a lot of time.

A basic handling unit consisting of a holding pen, race, footbath and two drafting pens should be provided on each block of land where sheep are grazed. This eliminates driving sheep long distances to handling facilities.

Access to paddocks and handling facilities must be well laid out.

Suitable equipment for doing different jobs must be available e.g. dosing guns, foot shears etc.

In some cases the system of sheep production on the farm may need to be changed. Early and mid season lamb production on the same farm means a lot of time is spent supervising lambing. A good layout in winter accommodation, so that feeding, cleaning etc. can be done mechanically, is vital.

FARM FIRES

Fire is a risk on every farm and in every home. Take the time now to look at your buildings and procedures to reduce the risk of fire.

Fire Risks - Vehicles and Engines

Hot exhausts and sparks from exhausts setting fire to straw or other combustibles.

Wiring faults igniting insulation

Ignition of leaking fuel

Heat from the engine setting fire to the materials allowed to come in contact with it.

Keep machinery clean and in good order

Do not park in hay barns

Repair fuel leaks immediately

Do not fuel a stationary engine while it is running.

Electrical Equipment:-

Misused and faulty electrical equipment causes fires. Loose connections in wiring and appliances, short circuits and careless use of hot appliances (dehorning irons, soldering irons, heaters, light bulbs, etc.) can result in ignition.

Ensure all sockets are protected by a 30 amp RCD

All metalwork of electrical apparatus should be earthed

Heaters and heating equipment should be regularly cleaned, inspected maintained and overhauled in accordance with manufacturers instructions.

BRIDEVIEW UTD A.F.C. NOTES

U-13 Team Advance in Cup

Last Saturday afternoon Brideview's U-13 squad covered themselves in glory as they beat New Farm of Cork 2-1 to advance to the 2nd round of the National Cup. Trailing at half time by 1-0, Brideview came out with all guns blazing in the 2nd half. The introduction of Luke McCarthy had an immediate af-

fect as he slotted the equaliser, and 10 mins later Eric Hickey's shot went all the way to the net to put Brideview in front. From that moment to the finish it was a time for big men with big hearts to stand up and be counted and they did every-one of them, they were not intimidated by the bigger opposition or the tactics they employed, and while it took

a marvellous one handed save from Damien Prescod to keep them in front they held on to clinch another home tie in the next round. It would be unfair to pick out any player from this performance as they all gave everything, something installed in them by the manager Frank Power. Their attendance at training is excellent and their discipline is a credit to themselves and Frank, this is the future, come and see for yourselves next time.

Team: D Prescod, J Hampton, S Power, K Kearney, E Condon, J Tobin, G. O'Neill, E Forbes, E Hickey, K Henley, B Murphy, L McCarthy, C Lane, R Rohan, W Pratt, S O'Grady, A Giles, M Fitzsimmons.

U-16's Hit 5 for a Powerful Win

Yes our U-16 team went on the rampage in Conna last Saturday scoring 5 to bring a smile to the face of manager Dominic and his assistant Liam. 1-0 up after 20 mins through M. O'Brien they scored 4 in a 25 min spell in the 2nd half to run out convincing winners. Paul Kearney, Rory Brown, Mark O'Brien's 2nd and William Curley all getting on the score sheet. After the game Dominic was telling everyone that it was a Forest type display, considering they won 5-0 I don't think so.

Team: K Walsh, M Curley, W O'Neill, A Kearney, M O'Brien, P Kearney, R Brown, W Curley, P Sheehan, R Geary, E Fitzgerald, C Hickey.

In case You Haven't Heard

Happy birthday to Aoife Hartigan, Kayleigh Power, Noel Cunningham. Happy 45th anniversary to Mick and Alice Tobin.

Hello to Mary Pratt snr., Woodview.

Congratulations to the Spurs Fans who didn't have the faith to go to White Hart Lane despite the fact they had tickets they sat at home eating prawn sandwiches and drinking. Well they must have been drinking judging by the walk of the creamery man on Sunday night.

Brideview A O Ballyduff 0

Brideview's A team created a bit of history on Sunday morning last when they were involved in a scoreless draw. It is a long long time since that happened and hopefully it will be a long time again. Short several regulars and overloaded with defenders Utd had 2 good chances during the game, a Stewart Barry shot and a J P Grey shot that hit the post. Ballyduff themselves were unlucky with a shot that came off the crossbar, all in all a draw was a fair result.

Team: B Sheehan, T McSweeney, D Martin, J Beecher, R Cronin, B Henley, S

Barry, J Grey, D Doyle, E Simms, S Pratt, J Tobin, M Keating.

Fixtures

A team no game, B Team away to Kilworth at 11 am. Schoolboys see managers.

Congratulations

We would like to say well done and congratulations to Youghal United who qualified for the 1st round of the F.A.I Cup last Sunday by beating Whitehall of Dublin. Let's hope they draw Waterford at home.

In residential care for the past twenty one years he was deeply interested in GAA affairs, particularly the fortunes of his native Deise County. He loved his Irish Country and Western music and was an accomplished bowling player, winning gold and silver at Mosney. He always enjoyed holidaying with his relatives and was the

Late Nancy Nagle (nee Norris)

The local community in Dungarvan and Abbeyside has lost one of its most respected and revered members through the recent death of Mrs. Nancy Nagle, "Inis Ealga", Clonea Road, Abbeyside, which occurred at St. Josephs Hospital on November 10th after a protracted illness.

A member of the widely known Norris family, Nancy was wife of the late Michael C. Nagle who was Editor of the Dungarvan Leader newspaper for many years and who predeceased her in May 1993.

A lady of immense charm and personality, she endeared herself to everyone who knew her. An exemplary wife and mother, she was also a truly wonderful friend and neighbour on whom one could place their very life. When a good turn needed to be done, or a helping hand to be extended, people didn't have to look beyond Nancy.

The older generation in her home town will always remember her for the outstandingly successful ladies hairstylist business she set up and managed with such business acumen for all of thirty three years. She was gifted at her profession, a fact exemplified by her vast clientele which was drawn not just from Dungarvan and Abbeyside but from throughout much of the county.

She was, in essence, a perfectionist in her work, and was never happy unless and until her customers left her salon one hundred percent pleased with the service they had received. Nancy certainly set a trend in this particular business, and to this day those who were customers of her will vouch for the masterly way she did her job.

Basically her life encompassed her family and her business, marrying both at all times. It left her with not a great deal of time for other things and yet she managed to give stalwart service to the Irish Countrywomens Organisation and Charismatic Society which she was involved in for many years.

At all times a lady who had great personal faith, she lived a life full of goodness and kindness and was a lady virtually incapable of doing one a wrong turn. She went about her life in an utterly unobtrusive way, never seeking plaudits for this, that or the other, content simply to do what she could when she could without any sense of public acknowledgement.

The death of her husband seven years ago was a great personal setback to her

in life, and she also suffered the pain and anguish of losing her son John more than twenty years ago when he was only in his mid 20's. But she was above all a very resilient person and that resilience and fortitude enabled her to carry on despite the great sense of loss she undoubtedly felt.

Nancy Nagle was a woman endowed with a multiplicity of outstanding attributes, and these endeared her to so many people spread across every sector of society. She will be sadly missed not just by her immediate family but by the legion of people who were privileged to be her friend.

She enriched and enhanced any and every community she was a part of, and now that she has answered the Final Call her own local community has been rendered infinitely the poorer for her passing.

The immense standing she enjoyed was mirrored in the hugely representative cortege which accompanied the removal of her remains from the Drohan Funeral Home to Abbeyside Parish Church on Sunday evening, November 12th. They were received and blessed by Fr. Richard Doherty P.P. assisted by Fr. Brendan Crowley P.P. and Fr. John Gough OSA.

Requiem Mass was celebrated by Fr. Doherty on the Monday assisted by Fr. Pierce Ahearne P.P., Fr. Cornelius Kelleher P.P. and Fr. Pat Moran OSA. The funeral cortege then followed to St. Mary's Parish Cemetery where Nancy was laid to rest alongside her husband Michael C. and son John.

Fr. Doherty also officiated at the graveside, assisted again by Fr. Ahearne P.P. and Fr. Nicholas O'Mahony P.P. Dungarvan.

She is survived by her loving family, Marion Mulcahy Nagle, Abbeyside, Raedeen Power, Waterford (daughters), Michael (Atlanta), Colm, Dungarvan (sons), Sean Norris (brother), Bernie Norris (sister-in-law), Linda Nagle and Eta Nagle (daughters-in-law), Terry Power and Rod Mulcahy (sons-in-law), Jillian and Shirley Mulcahy, Tanya, Sinead, Cailin Power, Jonathan, Jason, Kim, Brendan and Maeve Nagle (grandchildren), Jake and Shane Power (greatgrandchildren), nephews, nieces, and a wide circle of other relatives.

To all of them sincerest sympathy is extended on their great loss.

Dungarvan Leader Gardening

Your Own Nuts Worth The Wait

If you have a largish plot of land which you intend to keep in your family for many years you may like to consider turning it into a nut garden.

Several nut-bearing trees and bushes are suitable for gardens and orchards. Some, such as chestnuts, walnuts and pecans, eventually form large trees and make handsome specimens.

In small gardens an almond tree may make a nice feature, although it may produce nuts only in a warm climate. Cobnuts and filberts may be pruned as compact bushes in a fruit garden or planted in informal groups in a wild garden.

WALNUTS

Irish walnuts (although strictly speaking they are Persian) are deciduous trees that grow to a height of 60ft and are suitable only for large gardens.

Named cultivars should always be planted for fruit since seedlings may produce poor quality nuts.

A well-drained moisture retentive site is best for walnut trees. Flowers and young shoots are susceptible to frost damage so cold exposed sites should be avoided.

Walnuts may be slow to establish but stronger growth will occur after two or three years once the root system is well developed.

Walnut trees will need many years before they start bearing.

CHESTNUTS

Sweet or Spanish chestnuts are deciduous summer-flowering trees which can grow up to a height of 100ft with a spread of 50ft. They are normally wind pollinated.

A site with moisture retentive soil is preferred. Young trees should be well-watered and kept free of weeds. Applications of fertiliser should not be necessary.

Nuts are usually borne after just four years and should be harvested in the autumn.

COBNUTS AND FILBERTS

Cobnuts (or hazels) and filberts are valued for their winter catkins as well as their nuts. Unpruned they reach a height and spread of around 12ft.

They are deciduous and crop best in cool moist summers. Cobnuts and filberts are wind-pollinated and self-fertile.

A partially sheltered shaded position is preferable and a soil pH of 6 is best. Adequate moisture with good drainage is important. Saplings should be planted in autumn or early winter.

They should be weeded and mulched regularly and watered during dry spells. Established bushes bear heavier crops if pruned in late summer. Nuts are borne after just three or four years.

PECAN NUTS

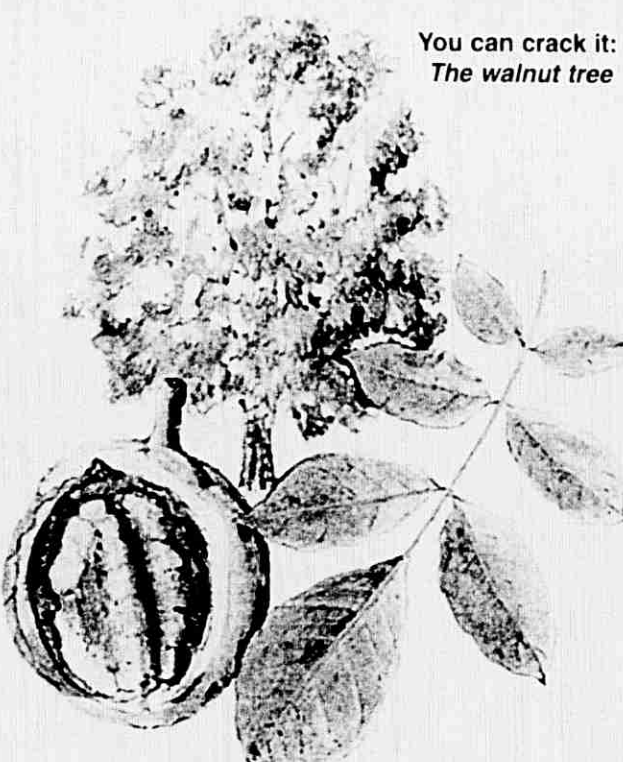

Pecans are deciduous trees which may grow to a height of 100ft so, like walnuts, they are suitable only for large gardens.

They grow best in warm-temperate climates. Choose selected cultivars that have been grafted on to pecan seedling stock as trees raised from seed may not produce fruit of good quality.

Plant young trees in a site that has deep fertile soil which is sheltered from strong winds. Keep the site weed-free and well-watered during dry periods.

Pecans are quite resistant to drought but require plenty of water during the summer months. The trees are seldom affected by pests and diseases.

The first crop of nuts may be produced after five years, although full production will not be reached until the tree is 15 to 20 years old.

You can crack it: The walnut tree

ALMONDS

Unpruned sweet almonds grow to about 20ft tall and have a similar spread.

They crop regularly only in areas with warm dry summers and frost-free winters. In cooler countries they are often grown as ornamentals.

Almonds are insect pollinated. Most cultivars are partly self-fertile but crops will be bet-

ter if a pollinator is planted nearby.

Almond trees require a sheltered frost-free site and a well-drained soil, preferably with a pH of 6.5. They are usually pruned and trained as bushes.

Nuts are borne after three to four years but it is not common for almond trees to produce nuts in Irish gardens.

This Week In The Garden

Pick and store grapes

There is no longer any point in leaving grapes hanging on the vines. If you have a cool, dark and dry room to store them in, all the better – but they should be picked by now anyway. Cut each bunch with about 23 centimetres of the vine still attached. Put the vine end in a jar full of clean soft water with a few pieces of charcoal in it making sure the grapes are hanging freely outside the jar.

Prune the vines

By now the leaves of early or maincrop vines should have started to wilt or fall off. Outdoor vines can be pruned. The method for cutting both back is the same. Cut off the two nearest new shoots to dormant growth buds stemming from the main rod or spur. Tear off or remove all loose bark from the main rods and rub in Gishurst compound, made up of soap and sulphur. It kills bugs and parasites that live in the gnarly parts of the plant. When finished, remove any ties you have keeping the plant upright and lay it as close to parallel to the floor as possible. This will help encourage an even growth.

Plants in frames

From now on until early spring, plants kept in frames will require very careful handling. Some, such as rooted viola, pansies, violet cuttings, sweet pea seedlings and violet clumps, are quite hardy and only need protection from heavy frosts and beating rain. They also need ventilation. Lights should be placed on the frames when the sun sets. Plants such as pelargoniums, marguerites and choice fuchsias are likely to be damaged by the smallest amount of frost and need to be protected by sacks at night. Remove and burn any yellowing leaves and poke the soil around with a stick to aerate it.

Cauliflower protection

The curds of the cauliflower should be starting to form. To protect them from frost, bend some of the outer leaves over them.

Lismore Notes

LATE HANNAH CROWLEY

It is with deep regret we record the passing of Hannah Crowley, late of Glounthane, Lismore which sad event occurred on Thursday October 26th at her residence.

Removal was from her house on Thursday evening and she was laid to rest in the presence of a large cortege of mourners following Mass in St. Carthage's Church, Lismore.

Hannah's life was an inspiration to everyone around her, particularly her family. She was always there to lend a hand to a neighbour or friend in need. She was a nurse by profession and very often made use of these skills when a friend or neighbour was in need. She always had a welcome for friends and was the life and soul of the house. Her love and generosity to her family were unconditional. She was a great mother and a wonderful wife. She was so forthcoming with her love and care that when it came to her turn to be cared for, it was lavished on her.

Although Hannah's life had not been pleasant for the last number of years, she never complained. She bore her illness graciously and she died as she lived, quietly, unobtrusively and with great dignity, surrounded by all her family members who miss her dearly.

Hannah will be sadly missed by her husband Michael, her daughters Alice and Catherine, sons Michael and Liam, sons-in-law Fintan and Michael, daughters-in-law Eileen and Loretta, her sister Carmel, her grandchildren, brother-in-law, sisters-in-law, nieces and nephews and all her neighbours and friends.

We can take great comfort in the knowledge that she is now in heaven and at peace.

May she rest in peace.

BADMINTON NOTES

Both our mens teams finished ahead this week in their respective league games. Div. 4 had Dunmore as visitors and after a couple of three setters finished up with 3 of the 4 points on offer. Eoin Foley who was sub on the night put in a great performance along with Tom Kearney, Jason Tobin and Robbie O'Sullivan. Next match for this team is at home to Dungarvan. In Division 6 Eamonn Kelly's team also had a sub, on their team with Jimmy Flynn making his debut. All four lads put in a great effort to finish up with all 4 points away to Tourin. Youngsters Conor Ryan, Craig Tobin are improving with Eamonn's guidance and they will need to be at their best for their home game against Touraneena next week.

Rena O'Brien and her team played a little closer to form when they defeated Old Parish 3-1 at home. Sub. Yvonne Power helped out on this occasion along with Jacinta Kearney and Ann Barry. Next game home to Modeligo, keep it going girls. Mary Pratt's team play Old Parish away and will be looking to keep their unbeaten record.

Ann Bennett played a tough 2-2 draw at home to Touraneena last week. Both these teams are fighting for top spot and Lismore's 3-1 win in Touraneena just about keeps them ahead at the moment. This team also had to call on a sub. with Ciara Tobin joining Ann B., Kay, Maria and Ann Doyle in action. Next game away to Ballinroad.

Div. 6 play Touraneena away this week and are hopeful of a place in the playoffs.

Off court we also had a busy week with 4th Div. player Rebecca Coleman catching up with her husband Colin who reached the big 40 during the summer, just in case some of you hadn't realised. Well Rebecca is finding it hard going at the other side of the hill and had to take a break this week. 40 is not quite retirement age Rebecca so we'll see you back on court next week please.

We all send our congratulations to Mary and Edward Fenton on the birth of their baby boy, right on cue Mary. Well done. I'm sure he's a little smasher!

DRAMATIC SOCIETY MY FAIR LADY

PRESENTATION SECONDARY SCHOOL

Volleyball Semi Final

On Wednesday 15th November, the senior volleyball team travelled to Tipperary town to play the All-Ireland Semi-Final. It was a three way semi-final between Lismore, St. Leo's of Carlow and Lisdoonvarna, Clare.

It started off with Lismore v Carlow. Lismore won the first set and the second. Then it was Carlow v Lisdoonvarna with Lisdoonvarna taking the two sets. Then it was Lismore v Lisdoonvarna. Lismore won the first set 25-10. Then Lisdoonvarna came back to take the second set which was 25-22. The pressure was now on both teams and both teams played well. With a very close set, Lisdoonvarna just managed to win it with the score of 15-13. We would like to thank our coach, Deirdre O'Neill for putting so much effort into coaching us and to Jovita Lyons for travelling with us. Our team was Nicola Barry (capt.), Jill O'Donnell, Kathleen Denn, Esther Cahill, Sinead Bennett, Lisa Geary, Emer Feeney and Sharon Power.

The Playboy Of The Western World

On Monday the 13th November fifth years went on a trip to St. Michael's Hall, Ballyduff to see the 'Playboy of the Western World'. Both 5th year girls and boys went accompanied by Mrs. Heneghan and Mr. Dunlea. Everyone enjoyed the action and the storyline. The play was directed by Geraldine Canning who also acted as the Widow Quinn. There was a cast of 12, with three girls from our school in it. Also our drama teacher from Transition Year, Frances Foley took the lead role of 'Peegen' who had fallen for 'Christy Mahon' played by Michael Lovett who thought that he had killed his father but hadn't succeeded as his father appears later in the show. There was an interval of 10 minutes during which Ballyduff supplied a well-deserved cup of tea. Our thanks to Mrs. Heneghan and Mr. Dunlea for taking us to this wonderful show which was enjoyed enormously by everyone. (By Corinna Ahern).

Trip To Ardmore

On Wednesday 25th October, our Transition Year class set off on a day-trip to Ardmore. We had to undertake two things there - we had to do a coast-watch survey on Ardmore beach and we did a pilgrimage around Ardmore. We visited St. Declan's Church, St. Declan's Well, The Round Tower and Father O'Donnell's Well, to name but a few. We all had a very enjoyable day in Ardmore.

LISMORE COMHAIRLE CEANNTAIR FIANNA FAIL

On Saturday last all road led to the Sports Centre, Dungarvan for the election of candidates to represent Fianna Fáil at the next General election.

Minister Noel Dempsey chaired the meeting and the large crowd present were delighted when the minister informed the meeting that Minister Martin Cullen T.D., Brendan Kenneally T.D. and our own Ollie Wilkinson M.C.C. were the three names going forward unanimously to contest the General Election Ticket. This was a great relief to all in our Comhairle after the unnecessary delay that Ollie had getting on the ticket the last time.

Ollie, like Martin and Brendan in his acceptance speech praised the obvious great work being done by the present Government, under the leadership of Bertie Ahearne.

Ollie highlighted in particular the peace process in Northern Ireland and thankfully now emigration is no longer the scourge of society. Ollie also spoke of those no longer with us in Fianna Fáil since the last convention, in particular Dan Bray, Melleray and Denis McGrath, Affane. He went on to say that the last General Election was just a trial run and he promised an all-out effort to become elected in the next General Election.

Minister Dempsey praised all in Fianna Fáil in Waterford for the way we conducted our business and picking 3 fine candidates to stand for the General Election. He stressed that he believed that the General Election would not be until May 2002 as there would be no reason for a Government going so well not to run full term.

By far the best round of applause was reserved for Kieran Ryan M.C.C. when Minister Dempsey made a presentation to Kieran to commemorate 47 years as a member of Waterford County Council. Lastly Maurice Tobin, Chairman Comhairle Dáil presented Minister Dempsey with a memento of his visit to the county and in his speech Maurice wished all candidates in the Election the best of luck and thanked Mr. Dempsey for all his help. This ended a great night with all delegates leaving the hall very pleased with the night's work.

CAPPOQUIN BOYS' SCHOOL

Footballers Capture Roinn C Final

On Saturday last at Fraher field our Schools' Football team captured the Pat Flynn Perpetual Trophy with a 5-6 to 1-0 win over Ballinameela NS in the C Final. Our opponents had defeated us in the final league game the previous week and the Wake Up Call was headed with a much improved performance from everyone.

Once again Ballinameela got off to a dream start with a goal in the opening minutes. A determined Cappoquin, however, hit back with two quick goals and the tone was set. Two further points left us ahead at half time on a score line of 2-2 to 1-0, this having played against a strong breeze.

The second period saw us continue our domination against a gallant Ballinameela team which continued to battle right to the final whistle.

So the C Football title now rests in our Trophy Cabinet alongside the Roinn C Hurling Title won last June. It was nice to see so many parents and supporters present to witness Saturday's victory and we thank them for their support and especially for their help with transport during what has been a long year on the playing fields. Our thanks to the local club for the use of their facilities and a special thanks to Michael 'Magoo' Murray for all his assistance. We now take a well earned rest before setting out to retain our hurling title in the new year. The school, particularly thanks Mr. James Bennett, teacher and sports coach for all his kind work in the Boys' School.

Fine Display by Mini 7's Team

Well done to our Mini Sevens which outplayed Abbey-side for long periods before going under by a single goal 2-1 to 0-4 on Tuesday last.

Gary Hallissey, Joe Kett, Mark Landers, David Leahy, Warren Loneragan, Mark McConnell, Shane O'Brien, Stephen Power and Daithi Wilkinson. Panel member Pádraig Moore was unable to take part due to injury.

People Millennium Forests

Monday November we welcomed Ms Orla Fahey representing Coillte, Peoples Millennium Forests, to our school. Orla was a big hit and she gave a most interesting, informative talk to the boys. The highlight of her visit was the planting of acorns by individual children and these will be watched over in the winter months in the school. Thanks to Mr. P. Fleming, teacher for organising this environmental initiative.

AFFANE A.F.C. NOTES

Valley Rangers 1 Affane 0

Last Sunday, we were away to Valley Rangers and were defeated 1-0. This was a game that we dominated for long periods but yet again a defensive error cost us the game, when in the 25th minute, a long ball out of defence caused confusion in our back line and Valley scored with ease.

We created plenty of chances in the first half but the Valley keeper was in great form making superb saves from Jamie McGrath, Kevin Reddy and Pat Morrissey.

In the second half we continued to have lots of possession but could not break Valley down. In the closing stages, our goalkeeper Jamie Corcoran made a great save to keep it at 1-0. That was the way the game finished.

Team: Jamie Corcoran, Dermot Twomey, Tony O'Shea, Mick McCarthy, Richard Prendergast, Tom McGrath, Brian Denn, Michael Prendergast, Pat Morrissey, Kevin Reddy, Jamie McGrath.

Sub: James Meagher for Michael Prendergast (70 minutes).

Next week we are at home to local rivals Glenview.

CAPPOQUIN/AFFANE SCHOOLBOYS SOCCER

We had mixed fortunes on Saturday last in our home fixture. The U-11's had a big win and the U-14 continued their bad run with another defeat.

U-11

Cappoquin/Affane 7 Blackstone 2

The score would suggest we totally dominated the game but in truth it was not until the final twenty minutes that we were rampant. Daithi opened the scoring when he rounded the keeper well, but the visitors were soon level with a free kick. We scored two more before the break, Daithi completing a 20 minute hat-trick. First blood in the second half went to the visitors to make the score 3-2 but Daithi soon tacked on another. Tom Cashman then got in on the act as did Ray Maclone. In between Wilky completed a fine performance with his fifth.

Cappoquin/Affane 1 An Ghaeltacht 6

A mixture of poor finishes, cursed luck and suicide defending kept us reeling after this

game. While some of the visitors goals were of the highest calibre we should have been much closer. Tim Looby went close twice as did the magnificent Brendan Bennett, who when introduced looked very dangerous. Two goals down at half time we had no choice but to throw caution to the wind and go for broke. We paid the price and got a drooling but it could have been so different if a few of our good chances went in. The team are determined to turn it around and will do so.

We travel to Tallow with both U-11 and U-12 squads next week. The U-11's play a league fixture and the U-12's a friendly. It is imperative that everybody turns up next week.

Fixtures

U-11 away in Brideview, bus leaves Square at 1.15. Lismore at 1.25. U-12 same as above.

SYMPATHY

Sympathy is extended to Michael Langford and the Reddy family, Shanbally on their recent bereavement.

CAPPOQUIN F.C. NOTES

Cappoquin 1 Ardmore 1

We could and should have won this one. We played much the better football but our final pass let us down time and time again. We created some good early chances but it was Ardmore who scored first from the spot. We picked ourselves up after this and even though we were playing against a strong wind we equalised through Pat Sullivan whose never say die attitude paid off when he toe poked the ball home from 12 yards.

As the second half progressed we continued to press Ardmore but could not finish. With 20 mins left our keeper was sent off after a very dubious decision as he raced from his goal line towards an intruding Ardmore attacker near the corner flag with a defender behind him. Morro challenged the attacker and as they both fell to the ground the ref produced the red card, when if anything a yellow would have done. The introduction of Paul Landers seemed to lift us and in better conditions he would have scored 2 but in the end we had to settle for a point. This was a good test for us as Ardmore will take points off other teams. We were missing a couple of players but with our big squad we were able to cope well.

Team: David Morrissey, Michael Lacey, Michael Walsh, Kevin T. Casey, Kevin Casey, Martin Lacey, Pat Sullivan, Danny Hickey, Martin Power, Darragh Wilkinson, Killian Wall, Subs Liam Lacey for Michael Lacey (injured), Paul Landers for Killian Wall and Keith Kirwan for Liam Lacey who went in goal.

Millennium Queen of the Land Anita Meagher

Congratulations and best wishes to Anita from all at Cappoquin Macra on winning the Millennium Queen of the Land competition which took place over the weekend, 10th to 12th of November in Tullamore, Co. Offaly. Anita you did both the club and county proud for this fantastic achievement.

It's been 17 years since a representative from Waterford has won this competition and for Anita to have won this competition is something that she and her family will never forget.

I know that Anita put in a lot of work for this competition starting with a project titled "Is Farming a Viable Career For The Future", that she had to complete before this competition during the summer. Also she had to do a number of interviews both on stage and in private with the adjudicating panel.

There was a lot of support from around the county who travelled up to Tullamore for the competition as well as our own club members and everyone enjoyed themselves. On Saturday night the club held a surprise party for Anita in the Central Bar, Cappoquin in which every club from around the county was present.

Our club chairperson Pat made a special presentation to Anita on behalf of the club and commented that she has always been a very active member and on winning this competition has shown the kind of person that Anita is. COMMUNITY GAMES AGM
Wednesday night, November 15th, the Annual General Meet-

ing of Clashmore/Kinsalebeg Community Games took place at the Decies Bar. Despite all appeals for some help just one new face came along to support the outgoing committee.

As always we had excellent reports from the outgoing Chairperson, Secretary and Treasurer. These reports were followed by the announcements that each of the main officers would not be seeking re-election. While this is a well deserved break for all three, they will be greatly missed in the club. Some fine and fitting tributes were paid to each of them. We thank you for your time and efforts and hope you will keep in touch with us. Thank you Bernie Fleming, Marie Guilly and Teresa Foley.

The following officers were then elected for the coming year: Chairperson Edmond Ledingham. Vice Chairperson Kay Ledingham. Secretary Gemma O'Connor. Ass. Secretary Anne Seward. Treasurer. Marie McGrath. Ass Treasurer Margaret O'Keefe. PRO Kay Ledingham. County Delegate Anne Seward. Committee Margaret Power, Margaret Burke, P. J. Burke and David McGrath.

Area Awards Winner

Once again for the seventh year in succession Clashmore/Kinsalebeg Community Games have won the area award. Winning by just a fraction of a point this is a magnificent achievement and we thank all the boys and girls who took part in the many events.

The awards will be presented to representatives of the committee this weekend. Congratulations to all concerned.

THE OLE MILL DARTS NEWS

Last Friday night we played our first game in the league. We were away to Dunnes. Aidan Lenane was first away but never really got going resulting in a 2-0 loss.

Maurice Fitzgerald was next. Maurice threw massive darts in the first game. The highlight was the 180 he hit. Maurice kept scoring high darts but lost the last two games, his finishing left him down.

Joe Power was next. Joe never got going to his form finishing with a 2-0 loss. The Doubles were next, Jason and Maurice threw for The Mill but were beaten 2-0. 4 games played, 4 games lost, things looked bad. Next up for The Mill was our captain Mick Hickey. Mick led by example and what a game this was. Mick was on top form, 100's, 85's, 81's. His opponent was throwing big darts too but this was a game that Mick knew we needed so we got a win 2-1.

Jason was next. Jason seeing what Mike could do kept it going. It was great to see Jason back to his best form. Jason took the first game, lost the second but dazzled us all in the third. Jason had three darts to finish this game and what a finish he had, centre of the board, bull finish! Keep it going Jason, we all know how good you really are. Well won 2-1. Martin Flynn was next. Martin's darts really left him down and our winning run ended. Martin lost 2-0.

Our last game was a double. Mike Hickey and Paul Fitzgerald. Mike and Paul played big darts in this game and were well

ahead on the scoreboard. But Lady Luck would not shine for them. They lost 2-0 but it all came down to Doubles, both Mike and Paul cut wires on doubles but it just was not going to be our night. Hard luck lads.

That was it, 6-2 to Dunnes, sounds bad but with it being our first game in 3 weeks some of us were a little rusty. Not to worry lads - we know we are better than that, so let's not get worried.

The club would like to wish Dunnes all the best in the league and thank our supporters who travelled and our driver Matt Flaherty. We are at home to the local bar this Friday night at 8.30 pm.

SÚILAR AN IDIRLÍON

An tIdirlíon a chuartú

Beidh tú in ann an tIdirlíon a chuardach le níos mó éifeachta má fhoghlaimíonn tú roinnt bunscileanna a chuirfidh ar do chumas rudaí a fháil go mear agus go héasca. Is beag rud nach féidir a fháil ar an idirlíon: post nó halla gleacaíochta, oideas le haghaidh cáca, an nuacht is déanaí, tuairimíocht nó imeachtaí reatha.

Is iad seo na hocht n-inneal cuardaigh agus eolairí seo leanas na cinn is mó ar an ngréasán:

- ★ yahoo.com
- ★ Altavista.com
- ★ Google.com
- ★ Excite.com
- ★ Lycos.com
- ★ Hotbot.com
- ★ MSN.com
- ★ Ask Jeeves

Tá a neart agus a laige féin ag gach ceann de na heolairí agus na hinnil cuardaigh. Ach tá sé d'aidhm ag gach inneal cuardaigh a chinntiú go mbeidh

Torthaí cruinne a bhaineann le hábhar ar gach cuardach

É a bheith éasca dul timpeall sa suíomh agus é a úsáid

Torthaí cuimsitheacha a bheith ar fáil ón suíomh

An t-ábhar atá ag teastáil ón úsáideoir a bheith ar an suíomh

Toradh sásúil a bheith ar an am a chaitear ar an suíomh

Bíonn innil cuardaigh/eolairí chomh fairsing ó thaobh ábhair gur minic a bhíonn toradh de na mílte leathanach ar chuardach. Tá sé deacair dá bharr sin na torthaí is fearr a fháil. Ach má fhoghlaimíonn tú conas do chuardach a leasú, is féidir faisnéis an-chruinn a fháil. Abair go bhfuil trealamh nua spóirt ag teastáil uait. D'fhéadfá Altavista a roghnú don chuardach mar shampla trí www.altavista.com a chlóscriobh ar an 'mbarra seoladh' ar fhuinneog do bhrabhsálaí.

Nuair atá tú in Altavista.com is féidir leat na heochairhocail a chlóscriobh sa bhosca cuardaigh. Mar shampla:

Trealamh spóirt (sports gear)

Ach d'fhéadfadh sé sin torthaí míchruinne a thabhairt duit. Tig leat téarmaí níos sonraí a úsáid, 'maidí hacáí', mar shampla, más é sin atá uait. Má chuireann tú + roimh gach focal cinnteoidh tú go mbeidh na focail áirithe sin ar fáil ar na leathanaigh a fhaigheann an t-inneal cuardaigh:

+maidí +hacáí (+hockey +sticks)

agus má tá maide de chineál ar leith ag teastáil uait, b'fhéidir gur mhaith leat a bheith níos sonraí fós:

+Cúl báire +maidí + hacáí
(+Goalkeeper+hockey+sticks)

Má chuireann tú comharthaí athfhríotail timpeall ar fhocail áirithe lorgóidh an t-inneal cuardaigh na focail sin le chéile. Abair nach dteastaíonn maidí snáth gloine uait:

+Cúl báire +maidí +hacáí -"snáth gloine"
(+Goalkeeper+hockey+sticks-"fiberglass")

Fágfar aon leathanach ina bhfuil na focail "snáth gloine" le chéile amach as torthaí an chuardaigh.

Is féidir carachtair fhánacha agus Cinnlitreacha a úsáid chomh maith

Trí réiltin a chlóscriobh ag deireadh eochairhocail, is féidir na leaganacha difriúla den fhocal a chuardach

Bain triail as big", chun big, bigger, biggest agus bigwig a fháil

Moltar de ghnáth litreacha de chás beag a úsáid i gcuardach.

Nuair a úsáideann tú téacs de chás beag, faigheann an t-inneal cuardaigh torthaí i gcás beag agus i gcás mór. Nuair a úsáidtear cás mór sa téacs ní fhaigheann an t-inneal cuardaigh ach torthaí i gcás mór.

Other tips include wildcards and Caps

Oibreoidh na seifteana seo sa chuid is mó de na hocht n-inneal cuardaigh agus eolairí. Níl sna noda seo ach treoirínte ach mar ghnáthchleacha: tabharfaidh siad torthaí níos cruinne duit ar do chuardach agus laghdóidh sé an méid ama a chaitheann tú ag cuardach ar an tIdirlíon.

Páistí agus an Idirlíon

Le Niall Mac Uidhlin

Leis an líon daoine atá ag rochtan an tIdirlíon sa mbaile ag dul i méid i gcónaí, tá gá do thuismitheoirí a bheith ag faire ar a mbíonn ar siúl ag a bpáistí agus iad ag scimeáil an Ghréasáin Domhanda.

Chuir na meáin scanradh ar dhaoine nuair a tháinig fistaifeadáin ("video nasties", srl.) amach ar dtús. Sa tsli céanna, tá roinnt áibhéil ag baint le cuid de na scéalta sna nuachtáin faoin mbaol a bhaineann le húsáid an tIdirlíon.

É sin ráite, is fíor go n-úsáideann péidifíligh agus dreamanna antoisceacha eile an tIdirlíon le heolas doghlactha a mhalartú. Tacaíonn taighde atá déanta in Ollscoil Náisiúnta na hÉireann, Corcaigh leis an nglacadh go bíonn malartú pornagrafaíochta de pháistí, iarrachtaí míoiriúnacha teagmhála agus gníomhartha mídhleathacha eile ar siúl ag péidifíligh thar an tIdirlíon.

Baineann dreamanna antoisceacha eile (dreamanna ciníoch, cultais, srl.) úsáid as an tIdirlíon lena gcuid meonta a chur chun cinn. Is minic go ndéanann siad iarracht dul i bhfeidhm ar dhaoine ag aois nó meanma íogair.

Is annamh go mbeadh páiste i mbaol ó

dhreamanna mar seo. Is é an baol is mó atá roimh pháistí ná go dtiocfaidh siad ar ábhar atá oiriúnach do dhaoine fásta amháin. Tá bileogai eolais foilsithe ag dreamanna ar nós Barnardos a thugann treoracha do thuismitheoirí agus do pháistí maidir le húsáid shábháilte an tIdirlíon.

Is iad seo a leanas roinnt de na moltaí atá déanta. Ba cheart rialacha a leagan síos maidir leis an méid ama a bhfuil cead a bheith ar líne agus céard le déanamh má dhéanann duine iarracht teagmháil mí-oiriúnach a dhéanamh. B'fhiú an t-am ar líne a riaradh más féidir agus súil a choinneáil ar stair na suíomhanna a bhfuil cuairteanna tugtha orthu. Ba chóir an ríomhaire a choinneáil i seomra clainne, más féidir. Rud eile go bhféadfai a chur i bhfeidhm ná clár scagtha (ar nós Net Nanny) a choscann rochtain ar shuíomhanna baolacha.

Tá áiseanna iontacha ar fáil ar an tIdirlíon agus fad is a fhanann thuismitheoirí ar an airdeall, níor chóir go mbeadh baol ann do pháistí.

Is comhairleoir ríomhaireachta neamhspleách é Niall Mac Uidhlin.

Recovering from Depression

Freud's classic paper "Mourning and Melancholia" emphasised the self reproach of depressives. In that paper he went on to say that the distinguishing mental features of melancholia are a profoundly painful dejection and cessation of interest in the outside world. He further wrote that there is a loss of the capacity to love, the inhibition of all activity and a lowering of self-regarding feelings - and depressive feelings culminate in a delusional expectation of punishment. This picture becomes a little more intelligible when we consider that with one exception the same traits are met with in mourning. The disturbance of self regard is absent in mourning but otherwise the features are the same.

Profound mourning - the reaction to the loss of someone who is loved - contains the same painful frame of mind, the same loss of interest in the outside world, the same loss of capacity to adopt any new object of love and the same turning away from any activity that is not connected with thoughts of the dead one. The psychiatrist, Aaron Beck, referred to depression as a malignant invasion by emotions - particularly sadness of the cognitive processes that maintain a depressed person's self defeating and pain inducing attitudes. Depressives are locked in rigid, negative views of the self that are not based in reality.

CASE HISTORY

"Joan" came to my office a few years ago. She was unkempt with a fearful tense and exhausted appearance. She didn't smile and was unable to look at me directly. She in fact appeared to be in a trance like state. Her memory was confused and uncertain. She talked of how she was letting everybody down and that family - the world - would be better off without her. She revealed a deep sense of paranoia and a conviction that no one understood her. Her objective and subjective symptoms indicated that she was suffering from a deep depression.

Indeed her overall profile was a classic case of severe depression in an adult.

ROAD TO RECOVERY

Depression is retroflected rage, a despairing cry for love that is full of anger. So the journey out requires the nurturing of healthier attitudes. The most crucial attitudes are perceptions in acceptance, mindfulness, forgiveness, patterns of thinking. I would describe recovery as akin to climbing out of an abyss into daylight. The first step in recovery is coming to an understanding of the why of depression. Depression has its roots in childhood experiences and is a mask for very deep and painful feelings which are buried in the conscious and subconscious. From infancy to adolescence we are recording what I call "mental tapes," based on what we experience in our family systems. These tapes and recorded conditionings and behaviours determine how we deal with life and relationships. Depression is really a disconnection from inner feelings and will continue until the sufferer reexperiences these emotions. Depressives who as children were rejected experience uncomfortable feelings when criticised in adulthood. Each criticism sets off fragments of the old pain or rejection but because the sufferer is split off from his childhood he cannot have a total feeling experience. So the childhood feelings of aloneness or rejection are buried and are now converted into what is going on at the moment. When these are buried they leave a residue of tension which must be released and when a person becomes depressed he is thrown into that part of him which makes him feel tense, anxious and fearful. Hopelessness emerges and the sufferer caves in.

HEALING

Healing begins when a person begins the return journey into childhood trauma.

In doing this defences used to mask the depression must be laid aside. The sufferer must confront his innermost feelings, unplug childhood traumas and get in contact with all the wounded parts of himself.

This confrontation of feelings is the gateway to developing a real sense of self and establishing healthy boundaries. However it can be very difficult for the deeply depressed person to transform

his thinking and behaviour without help and support. That is where a course of counselling with an experienced therapist comes in. In therapy the person learns self esteem, self knowledge, self care, self moderation, self protection. This discovering of the self I compare to peeling back the layers of an onion.

Oliver J. Killeen

After peeling back the many layers the depressed person finds that the blackness inside lightens and the rays of light filter through like the chords of a symphony.

Self-help groups also help a great many people in their journey out of depression. When a person who is deeply depressed joins he finds fellowship with others who have had similar experiences. Isolation is ended and the person feels he will be listened to and that he can talk and be understood. He will learn that recovery really is one step at a time, that setbacks are a part of recovery, but with support problems can be worked through. He will be inspired by the stories of those who have recovered and in time will reach out to others. A good self help group is two-way - there is giving and receiving and that is wonderfully therapeutic. For a group to be successful there must also be total confidentiality and trust and it must be highly organised and structured so that everyone feels they are a valuable part of the whole.

CHANGING THOUGHTS

The journey out of depression is an ongoing one. It is essential that you change old beliefs that you are bad and unlovable. You must move from self accusation to self acceptance. I say many times that we are what our thoughts and that we can only focus on one thought at a time. For a depressed person to be told to "snap out of it" is unhelpful and only plunges him or her deeper into deeper gloom. In fact it can take quite some time to change old habits of thinking but with awareness and discipline it can be done. The rewards are great as a whole new life opens up. The sufferer is renewed, he can now face the day with joy, he can take on fresh challenges readily and can bring a new vitality to relationships. Depressed people are always tense and find it difficult to relax. They think that if they do relax something worse will happen because they are losing control. Slow, deep breathing, relaxing visualisation and meditation all help greatly in moving from tension to relaxation. When you relax physical tension is released and as the mind and body are part of a whole, mental tension is also off-loaded, thus allowing you to think more clearly and rationally.

GRATITUDE

It is not what happens to us that matters but how we interpret our life experiences. Instead of thinking how you are deprived, cheated, long suffering and how you must do this or that perfectly or you will be blamed, punished etc. just get into the moment. See the colours of life now. Listen to the songbirds now. Be grateful for the good things in your life. Realise that you are part of a whole that supports and sustains you. When we say "yes" to life our world opens fresh to us each day, full of abundant life.

National Hygiene Award For Garvey's SuperValu

Garvey's SuperValu, Dungarvan, was presented the Excellence Ireland National Hygiene Mark by Minister for Agriculture and Food, Mr. Joe Walsh T.D., at the 2000 SuperValu Hygiene Awards presentations in Clontarf Castle in Dublin on Tuesday, November 8th.

Run in conjunction with Excellence Ireland, the SuperValu awards are in recognition of consistent hygiene controls in all aspects of food preparation, storage and retailing. SuperValu, which was launched in 1979 with 27 independent stores, now accounts for 18% of the Irish grocery market, with 14,500 people employed in local stores. The group has established an unrivalled reputation for award-winning hygiene systems, holding more certificates from Excellence Ireland than any other supermarket group in Ireland.

102 Hygiene Awards and Certificates were presented by the Minister to SuperValu store owners this year. The prestigious National Hygiene Mark 2000, awarded by Excellence Ireland, went to 101 SuperValu stores and the SuperValu Hygiene Certificate was presented to one further outlet.

Standards of Excellence Praised

Presenting the awards, Minister Joe Walsh paid tribute to the contribution SuperValu has made to promoting standards of excellence in Irish food retailing.

"SuperValu's dramatic growth in the Irish retail market can be attributed to the standards that individual owners set for their business. Consumers demand high standards of service, of product quality and particularly food hygiene and safety. In achieving the Hygiene Mark SuperValu stores are reassuring consumers and setting an example that all retailers should match," the Minister said.

Eoin McGettigan, SuperValu's Chief Executive, said the group's Hygiene Awards serve as a signal to all Irish companies that hygiene is important to overall success.

"While food technology and retailing has become more advanced, the fact remains that proper hygiene systems are an essential part of the modern supermarket operation. You can't take risks in the food business, where people's health is concerned. In SuperValu the needs and welfare of the consumer are central to the way we do business and our success reflects this customer-centred approach," Mr. McGettigan said.

Pictured accepting the Hygiene Award from Joe Walsh T.D., Minister for Agriculture and Food is Sean O'Farrell of Garvey's SuperValu. Also pictured are Eoin McGettigan, SuperValu Chief Executive, Sean Conlan, Chief Executive Excellence Ireland and Tony Hynes, Managing Director of Green Isle Foods, who sponsored the awards presentation.

Dungarvan Toastmasters

Last Thursday night saw the completion of the Speechcraft course run by Dungarvan Toastmasters. Certificates of completion were presented. The course was of six weeks duration. The course was co-ordinated by Louise Neylin, who was assisted by a number of club members. This was the first time the club ran such a course. The participants all delivered three speeches. The aim of the first speech was to begin speaking before a group, and overcome nervousness. In the second speech the participants got to speak to on a topic they felt strongly about. In the third and final speech, participants worked on creating a structure, with a clear introduction, body and conclusion. In addition everyone taking part also got to take part in impromptu speaking, and take part in a number of short workshops on various aspects of delivering presentations, such as using an overhead projector. We hope that everyone enjoyed the course and learned some useful skills.

One of the most frequently used visual

aid used for presentations is the flip chart. Here are few tips if you are using one to support your presentation. The first is to ensure it is seen by every part of your audience.

Ensure it augments rather than distracts from your speech. Speak to the audience and not the chart. Look at the chart, and then look at the audience before speaking. Use key words, and let your speech expand on them.

Keep what you put on the chart very simple and legible. Keep you side to the audience and not your back when writing on the chart.

The focus for the next few weeks, will be catering for our new members. We have put on an extra club meeting, which means we will be meeting every Thursday, for the next three weeks. In addition to the speeches by new members, there will also be a number of advanced speeches by members. If you want an informative and fun night out, why not come along on a Thursday night at 8pm in the Park Hotel.

CHAMBER NOTES

Former Secretary of the Department of Agriculture to discuss the Future of the Food Industry

The future of the food industry will be the discussed next Thursday in Lawlors Hotel at 8 p.m when former Secretary of the Department of Agriculture and Food, Mr. Michael C Dowling will be guest speaker at a Chamber of Commerce evening.

Mr. Dowling had responsibility for all aspects of EU, international trade and domestic policy in regard to the agriculture, trade and forestry sectors from 1989 to 1997 when he was Secretary of the Department of Agriculture and Food. He was involved in all EU negotiations in regard to these sectors and was deputy Irish spokesperson at the EU Council of Agriculture Ministers.

In 1997, Mr. Dowling was appointed director of An Bord Bia-the Irish Food

Board by the Minister for Agriculture and Food and in 1998 was appointed member of the EU Commission's Conciliation body.

His directorships include Kerry Group plc, An Bord Bia, Irish Distillers Group plc, The Agricultural trust and Dowling Consultancy Services which acts as advisor to a number of major firms in the agri-business, banking, bloodstock breeding and food sectors.

Mr. Dowling's expertise regarding the food industry is unrivalled and this promises to be a very informative evening for anyone directly or indirectly involved in the food industry. If interested in attending this event on Thursday, November 23rd at 8 p.m. contact the Chamber office at 058-45054.

CHAMBER BUSY PREPARING FOR CHRISTMAS

Preparations are well underway for Christmas under the direction of the retail committee chaired by Maurice Butler. Each year the Chamber is responsible for the erection and maintenance of the town's Christmas lighting system with the kind support of the Urban District Council and the local business community.

As in previous years, December 8th will see the official switching on of the Christmas lights and Santa's arrival in to town. Due to the current e-paving work on Davitt's

Quay, there may be delays in the erection of the lighting system in this part of town which is beyond the Chamber's control.

Once again the Chamber will be looking to the local business community to support this worthwhile project as the benefits which accrue to each business far outweigh the costs involved. It is the policy of the Chamber to "Keep Dungarvan in Business by Keeping Business in Dungarvan" and we see the Christmas Lighting as an integral part of this overall policy.

Details of a fantastic promotion organised by the retail committee will be confirmed in next week's notes along with the opening hours for Santa's Wonderland.

National Hygiene Award For Herlihy's SuperValu

Herlihy's SuperValu, Dungarvan, Co. Waterford was presented the Excellence Ireland National Hygiene Mark by Minister for Agriculture and Food, Mr Joe Walsh TD, at the 2000 SuperValu Hygiene Awards presentations in Clontarf Castle in Dublin last week (Tuesday 8th November 2000).

Run in conjunction with Excellence Ireland, the SuperValu awards are in recognition of consistent hygiene controls in all aspects of food preparation, storage and retailing. SuperValu which was launched in 1979 with 27 independent stores, now accounts for 18% of the Irish grocery market, with 14,500 people employed in local stores. The group has established an unrivalled reputation for award-winning hygiene systems, holding more certificates from Excellence Ireland than any other supermarket group in Ireland.

102 Hygiene Awards and Certificates were presented by the Minister to SuperValu store owners this year. The prestigious National Hygiene Mark 2000, awarded by Excellence Ireland, went to 101 SuperValu stores and the SuperValu Hygiene Certificate was presented to one further outlet.

STANDARDS OF EXCELLENCE PRAISED

Presenting the awards, Minister Joe Walsh paid tribute to the contribution SuperValu has made to promoting standards of excellence in Irish food retailing.

"SuperValu's dramatic growth in the Irish retail market can be attributed to the standards that individual owners set for their business. Consumers demand high standards of service, of product quality and particularly food hygiene and safety. In achieving the Hygiene Mark, SuperValu stores are reassuring consumers and setting an example that all retailers should match," the Minister said.

Eoin McGettigan, SuperValu's Chief Executive, said the group's Hygiene Awards serve as a signal to all Irish food companies that hygiene is important to overall success.

"While food technology and retailing has become more advanced, the fact remains that proper hygiene systems are an essential part of the modern supermarket operation. You can't take risks in the food business, where people's health is concerned. In SuperValu, the needs and welfare of the consumer are central to the way we do business and our success reflects this customer-centred approach," Mr. McGettigan said.

Pictured accepting the Hygiene Award from Joe Walsh, T.D., Minister for Agriculture and Food are Paul Herlihy and Tim Foley of Herlihy's SuperValu. Also pictured are Eoin McGettigan, SuperValu Chief Executive, Sean Conlan, Chief Executive Excellence Ireland, and Tony Hynes, Managing Director of Green Isle Foods, who sponsored the awards presentation.

REGAL THEATRE

Jack's Back!

Your Christmas Party Starts Here — Friday Night Dec. 1st at 9 p.m.

Following his overwhelming success in Regal early this year, the sensational JACK L has chosen the Clonmel venue to open his Winter Tour 2000. Prior to his departure for the United States in January, to commence an extensive world tour which will keep him from our shores for a long time, this is a great opportunity for all his fans, and anyone who missed him the first time 'round', to come and hear one of Ireland's greatest international stars. More vibrant and energetic than ever, Jack and his band offer a night of music and performance like no other!

Pictured above is Patricia Curran, Tom Curran's Furniture Store, The Square, Dungarvan, accepting the Tidy Towns Award for the Best Shop Front, South East Region from Noel Dempsey, Minister for the Environment.

Dungarvan Tipperary South MS News

The amalgamation of the Dungarvan branch with the Clonmel Self-Help group has been officially ratified. After a year's probation, a meeting was held recently between officers of the extended branch and representatives of MS Ireland and everything is now plain sailing. During the past year we found that we all worked very well together and are very happy to continue as one branch.

Our Christmas party is being held on December 3rd at the Park Hotel, Dungarvan. We have decided to change from a night event to an afternoon one to make it easier for MS persons to attend. Mass, with blessing of the sick, will take place at 12.30 pm, followed by lunch. Then there will be cabaret, music and craic. Tickets at £10 each will be available at the door.

The presentation of the television that was won by Jim Hyland on the sponsorship card draw has been postponed and will now take place during the Christmas party on Sunday December 3rd.

There will be a draw on the door tickets and other spot prizes.

Dungarvan Technical College Notes

LEAVING CERT APPLIED/LEAVING CERT. VOCATIONAL PROGRAMME

The Leaving Cert. Applied students have had a busy first term. The tuck-shop, organised and run by 6th years has been an enormous success although it recently had to fend off stiff competition from the 5th year LCVP class, who produced and sold toffee-apples at break time.

Meanwhile 5th year students have attended the Open Day at Kildalton Agricultural College at the Careers Exhibition organised by the Ard Scoil and CBS. Forthcoming visits to Fas Training Centre in Waterford as well as the Cert Road-show are planned when students return from the two week work placement in November.

Students have also become members of the local library and will be attending on a regular basis.

SPORTING ACTIVITIES

Both our senior Football and Senior Hurling teams competed in the Munster Vocational Schools Competition. Our hurling team put up an excellent performance against Newport Vocational School and at the end of 60 minutes, the teams were level with a scoreline of 1-9 to Newport and 2-6 to Dungarvan. In extra time, a fitter Newport team went on to win by 2 points.

The Senior football team played Killorglin Vocational School in atrocious conditions in Mallow. The game was very close in the first half on a scoreline of 5 points to 4 points in favour of Killorglin when an unfortunate accident to one of our best players, Patrick Lynch resulted in his breaking his collarbone. We never really recovered from this bad blow and Killorglin ran out easy winners.

Panel of players for Senior Hurling and Football: John Dunford (Colligan), Michael McGrath (Colligan), James Murray (Cappoquin), John Fenton (Cappoquin), Justin Houlihan (Dungarvan), Francis Dunford (Colligan), Johnny O'Donnell (Dungarvan), Patrick Lynch (Abbeyside), Ian Kearney (Lismore), David Sheehan (Cappoquin), Michael Mernin (St. Oliver's), Eamon Glavin (St. Oliver's), Jonathan Regan (Dungarvan), Paul Walsh (St. Oliver's), Denis Byrne (Melleray), David Lenane (Cappoquin), T. J. Crotty (Dungarvan), Stephen Drummy (Abbeyside), Michael Nagle (Dungarvan), Shane Hickey (Sliabh gCua), Jamie Cummins (Kilgobinet), John Ahearne (Sliabh gCua), Tom O'Riordan (Abbeyside).

The school is also involved in the Irish Permanent FAIS under-18 Soccer Cup. We are drawn against Lismore CBS and this game will be played within the coming weeks.

KNOW YOUR RIGHTS

Question

I have heard that there is a new public service number. Is this the same as my RSI number or do I need to get a public service number for myself?

Answer

The Personal Public Service Number (PPS Number) replaces the existing Revenue and Social Insurance Number (RSI Number). It is your unique reference number for all dealings with the public service, including social welfare, tax, education and health services eligibility. If you already hold an RSI number, then you do not need to apply for a PPS Number, as it automatically becomes your PPS No.

Women who are not employed and who use their husband's RSI Number with a "W" after the number will have to register for a PPS No. as the tax office will not issue a Certificate of Tax-Free Allowances using the RSI number with a "W".

In order to register for a PPS No. they should go to their Social Welfare Local Office with the following documents: Long version Birth Certificate. Passport or Driving Licence.

Supporting documentation eg household bills.

Non-Irish national will need to provide their passport and/or Green Card and supporting documentation, such as household bills.

For further information contact your Social Welfare Local Office.

DUNGARVAN CBS NOTES

Hurling League Finalists Decided

After six weeks of hurling action in Second and Third Year, Brian McCarthy's and John O'Keeffe's respective teams have reached the decider. Brian's lads beat Mark Flynn's outfit, while John's beat Jamie Nagle's team in the last series of matches to clinch their final places. It is a measure of the competitiveness of this 70-player competition that any one of four teams could have qualified with victory in the last game. The final table reads as follows: Brian McCarthy 8 points; John O'Keeffe 7 points; Mark Flynn 5 points; Jamie Nagle 4 points.

An exciting final is certainly in prospect, with both squads drawing on players from a wide variety of clubs and geographical locations. Brian McCarthy's team must be slight favourites, having topped the qualifying rounds. Certainly, with Ian Prendergast in goal, Thomas Lynch and Thomas Landers in defence, Brian McCarthy at midfield and Christopher Troy and Richie Kiely in attack all playing well at the moment, this team will take beating.

Can John O'Keeffe's squad do that? No reason why not. One member, Austin Cooney, has already distinguished himself in the recent senior challenge draw with Kilmacthomas. John O'Keeffe himself, Brian Scanlan, Mark Scanlon, Diarmuid O'Hare, Kevin Stack and Raymond Landers have all contributed handsomely to their team's progress to date. A feature of this final will be the fact that twins Raymond and Thomas Landers will be on opposing teams, guaranteeing the household a medal no matter what.

One should not forget the

other teams who narrowly failed to reach the final. They had many fine players on view, including the likes of John Fitzgerald, David Ahearne, Michael Gee, Paddy Dunphy and Shane Kelly, not forgetting, of course, captains Mark Flynn and Jamie Nagle.

Other Sports News

By now, it is certain that, regardless of weather postponements etc, Fifth Year's Tom Queally has succeeded in his quest to become the first apprentice jockey ever to become national amateur champion at the first attempt. The whole school salutes this great achievement. Tom had a magnificent 28 winners in the season, nearly 30% more than his nearest challenger, Declan McDonagh. To use any more superlatives would be merely to repeat what has already been written about Tom. Well done, young man.

On the Gaelic Games front, no definite dates yet for either the Munster senior hurling third round (against Ballingarry) or the football second round against St. Declan's of Kilmacthomas. With last week's hurling challenge against Kilmac finishing in a draw, the football encounter should be an intriguing local derby. Training continues as usual under Messrs Collins and Keohane respectively.

Transition Years

The TY group has just completed its course in video production with Mr David Lee which has, as usual, been both productive and enjoyable. Such a course has become all the more relevant in recent years for students with the advent of film studies in Leaving Cert English and we thank David most sincerely for his efforts with the class. On the sporting front, we

took a break from competitive activity last week to have a doubles pool competition and some informal table tennis games. I promised Garrett Mulcahy of TY that I would admit in print that he gave me a hammering in table tennis last week. Anyone who says I just let him win is wrong. They are, really.

The next competitive outing in the sports star competition should involve ten pin bowling - full details next week.

If I may digress for a moment, it must be said that the new pool table has been an amazing success since its inception in the school, with crowds of students watching and playing. A 'very well done' to those responsible and to the students for the respect they have shown for the concession. No news yet on the staff competition

Seeing the Bigger Picture

Danny Cunningham's exhibition of beautiful paintings opened at the arts centre last Wednesday night and it was a pleasure to be there. I leave the last words this week to one of our students who has

also managed to capture the power of nature, to see 'the bigger picture', so to speak. Sixth Year student William Hurley's poem, 'January 1st', was included in the 'Danta Milaioise' collection published recently. Back next week.

January 1st, 2000

As the dew clears from the leaves

The tree remains the same
It's been maturing over centuries,

Been inhabited by a multitude of organisms

Who, in death, fertilised and strengthened the tree

How can a tree be deceived
By hype of emotions or sentiment

Any actions perpetrated against it

Will have clear and direct consequences.

But the tree knows love
In death the inhabitants loved her

And this strengthened her
If only they knew that in the love of the tree Lay the love of themselves.

BIRTHDAY REMEMBRANCES

DALY — Remembering my father, Phil Daly, late of 1, Patrick's Crescent, Dungarvan, on his birthday on November 22.

I often sit and think of you,
And all that you have done,
The way you gave your time,
To each and everyone.
The last few weeks we spent
together,

Stays with me in my heart,
I have those lovely memories,
So we never are apart.
I guess you just got tired,
Phil,

Your life's work was complete,
But I know you still watch
over me,
Until again we meet.
(From Trisha and family.)

DALY — Birthday Remembrance of a loving and wonderful husband and father, Philip Daly, 1, St. Patrick's Crescent, Dungarvan, whose birthday occurs November 22.

How do we write on paper,
the feelings we have inside,

The heartache and the emptiness that is with us
since you died,

And now that it's your birthday, Phil,
We'd like to let you know,

How much we love and miss you,
And wish that you were here.

Happy Birthday Phil X X X
(Dad) X X X.

DALY — Birthday Remembrance of my special Dad, Philip Daly, 1, St. Patrick's Crescent, Dungarvan, whose 61st birthday occurs on Wednesday, November 22.

I had a special father,
No one else can compare,
Everything he did,
Made me happy throughout
the year.

Dad, there is no other way,
That I can let you know,
How much I love and miss
you,

Within this heart of mine,
Because the way I see it,
Dad,

If everyone had a Dad like
mine,
This world would be divine.

Because it is your birthday,
I wish you all the best,
'Cause you were my number
one.

(Loving and missing you
always and remembering you
on your birthday — from your
loving daughter Tracy, Alf and
Katie.)

DALY — Birthday Remembrance of my dear father, Philip Daly, of 1, St. Patrick's Crescent, Dungarvan, whose birthday occurs on November 22.

A birthday wish for you
today,
No cards or presents in the
usual way,

But in my heart, written in
gold,
Is all my love for you to hold.

Your special day we cannot
share,
But in my heart I know you're
near,

With my aching heart I whisper
low,
Happy birthday Phil, we miss
you so.

(Love you always Phil — from
your daughter Chris and
grandsons Philip, Daniel and
Anthony.)

DALY — Birthday Remembrance of my Dad, Philip Daly, 1, St. Patrick's Crescent, Dungarvan, whose birthday occurs on Wednesday, November 22.

A million times we've missed
you,
A million times we've cried,
If love could have saved
you,

You never would have died,
Things we feel most deeply,
Are the hardest things to
say,

Our dearest one we've
always loved you,
In a special way.

(From your son Arthur,
Corinne, Shane, Roisin and
Vicky.)

CUMMINS — Birthday Remembrance — In loving memory of Julia Cummins, late of 28, Cathal Brugha Place, Dungarvan, whose birthday occurs on November 19.

In a near and silent grave-
yard,
Where the trees their branches
wave,

Sleeps a kind and loving
mother,
In her cold and lonely grave.

She bade no one a last
farewell,
She raised her hand to none,

Her spirit flew before we
knew,
That she from us had gone.

(From her loving husband
Danny, daughter Ann, son
Dan, grandchildren Marie,
Theresa, Tanya, Shane;
greatgranddaughter Atlanta
and son-in-law Joe.)

CUMMINS — Birthday Remembrance — In loving memory of Julia Cummins, late of 28, Cathal Brugha Place, Dungarvan, whose birthday occurs on November 19.

Our family chain is broken,
Nothing seems the same,
But as God calls us one by
one,

The chain shall join again.
(Your loving son John, daughter-in-law Patsy and your grandchildren and your great-granddaughter Louna.)

NOVENA

NOVENA TO SACRED HEART

— Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your prayer, not mine. Amen. Say this prayer for three days, promise publication and favour will be granted. Never known to fail — B.O.D.

McGUIRE — In loving memory of our dear father, Johnnie McGuire, 13, Cathal Brugha Place, Dungarvan, whose anniversary occurs at this time.

A light is from our household gone,

A voice we loved is stilled,
A place is vacant in our home,
That never can be filled.

In a near and silent graveyard,
Where the trees their branches wave,

Sleeps a kind and loving father,
In his cold and lonely grave.

He bade no one a last farewell,
He raised his hand to none,
His spirit flew before I knew,
That he from us had gone.

You can only have one father,
Patient, kind and true,
No other friend in all the world,
Will be the same to you.

When other friends forsake you,
To father you will return,
For all his loving kindness,
He asks nothing in return.

As we look upon his picture,
Sweet memories we recall,
Of a face so full of sunshine,
And a smile for one and all.

Sweet Jesus take this message,
To our father up above,
Tell him how much we miss him,

And give him all our love.

(Always remembered by your loving family at home and away.)

Sudden was the parting,
Goodbyes were not to be,
Treasured are the memories,

Of days that used to be,
Although I cannot see you,
You're with me night and day,

For all the love you gave me,
Death cannot take away,
My memories of you will never grow old.

They are locked in my heart in letters of gold,
Death cannot part us or distance divide,
For each day of my life you'll walk by my side.

I'll keep in my heart the love of the past,
For there it was planted, forever to last.

Will those who think of him today,
A little prayer to Jesus say,
(From your loving wife Mary.)

No longer in our lives to share,
No words I write will ever say,
How much I miss you here today,

They say that time heals everything,
And that my broken heart will mend,
But I lost two precious things on that day,
My father and my friend.

My words are few, my feelings run deep,
And memories of you, Dad, are mine to keep.

(Always remembered by your loving daughter Bridget, son-in-law Jedd, grandchildren, Susan, Garret, Siobhán and William, great-grandchildren Clara, Christopher and Cassandra.)

NEEDHAM — First Anniversary — In loving memory of Frank Needham, late of 74, Murphy Place, Abbeyside, who died on December 1, 1993.

And just the ones that God needs too,

And takes them home to rest,
We miss you because we loved you,
To us you were dearer than gold,

No treasure can ever replace you,

IN MEMORIAMS

NOVENAS

O'BRIEN — First Anniversary — In loving memory of Statia O'Brien, mother and nan, late of 27, Congress Villas, Dungarvan, who died on November 25, 1999.

You took someone special, Lord,
The day you took our Nan,
So love and embrace her,
Lord,
In every way you can.
Yes, we've got happy memories that no one can take,
You're with us in our dreams and again when we awake,
So pamper and love her,
Lord, and make a big fuss,
Because she deserves the very best.

The Nan you took from us,
So until we meet again, Nan,
in our heavens above,
Because always remember,
you're the Nan we'll still love.

You're often in our thoughts and never far away,
It makes us sad to think of that sad November day.

(Verse written by Angela)
(Always remembered and lovingly missed — Eddie, Angela, Edward, Susan, David, Jackie and Noel, great-grandchildren Philip, Jacinta, Adrian and Stephen.)

O'BRIEN — First Anniversary — In loving memory of Statia O'Brien, 27, Congress Villas, Dungarvan, who died on November 25, 1999.

One year has passed since that sad day,
You closed your eyes and passed away,
You left us softly, your thoughts unknown,
You left us memories we are proud to own,
A laugh, a cry, a tune or two,
That's the way we remember you.

(Sadly missed — from your grandson Paul, Sue and great-grandchildren Ross and Matthew.)

O'BRIEN — First Anniversary — In loving memory of Statia O'Brien, 27, Congress Villas, Dungarvan, who died on November 25, 1999.

You were a Nan in a million,
We loved you till the end,
We lost the two precious things in life,
Our Nan and our best friend.
Although you left so suddenly,
Your last thoughts unknown,
You left behind a beautiful memory,
That we are proud to own.
All our lives we shall miss you,
As the years come and go,
But in our hearts you will live forever,
Because we love you so.

(All our love — your granddaughter Eileen and great-grandchildren Kelly, Tracey and Chris.)

O'BRIEN — First Anniversary — In loving memory of our dear aunty, Statia O'Brien, late of 27, Congress Villas, Dungarvan, who died on November 25, 1999. R.I.P.

When the emptiness of missing you,
Is more than I can bear,
I whisper Statia I love you,
And always find you there,
For in my world of memories,
You fill my heart with pride,
I know I'll never walk alone,
Statia,
Because you're always by my side.

(Always remembered and loved by the O'Brien family, 13 Congress Villas.)

O'BRIEN — First Anniversary — In loving memory of dear Nana, Statia O'Brien, late of Congress Villas, Dungarvan, who died on November 25, 1999. R.I.P.

Have you ever lost a grandmother,
Who meant the world to you,
One you loved so very much,
And miss just like I do.
If you've never had this feeling,

Pray you never do,
For when God takes you Nan,
He takes a part of you.
I think of you in silence, Nan,
I often call your name,
What I'd give to hear your voice,
And you to call my name.
You may be out of sight,
Nan,
We may be worlds apart,
But you are always on my mind,
And forever in our hearts.
Will those who think of her today,

A little prayer to Jesus say.

One year has passed since that sad day,
You closed your eyes and passed away,
You left us softly, your thoughts unknown,
You left us memories we are proud to own,
A laugh, a cry, a tune or two,
That's the way we remember you.

(Sadly missed by your loving daughter Mary, son-in-law Larry, grandchildren Bill, Michael, Caroline.)

O'BRIEN — First Anniversary — In loving memory of a dear mother and grandmother, Statia O'Brien, 27, Congress Villas, Dungarvan, who died on November 25, 1999.

We hold you close within our hearts,
And there you shall remain,
To walk with us throughout our lives,
Until we meet again,
So rest in peace, dear mother,
And thanks for all you've done,
We pray that God has given you,

The crown you've truly won.
(Sadly missed by your loving son Michael, grandchildren Michael, Tony and Kim.)

POWER — Fourth Anniversary — In loving memory of Pat Power, late of Lissarow, Ardmore, who died on November 20, 1996.

We cannot bring the old days back,
When we were all together,
The family chain has broken now,
But memories live forever.
Will those who think of Pat today,
A little prayer to Jesus say.
(From all the family.)

SINNOTT — Fifth Anniversary — In loving memory of a dear wife and mother, Mary Sinnott of Ballinure, Dungarvan, whose anniversary occurs at this time.

Sad are the hearts that love you,
Silent the tears that fall,
Living life without you,
Is the hardest part of all.
If tears could build a staircase,
And memories a lane,
We would go right up to heaven,
And take you home.
No words can tell, no tears express,
The love, the loss, the loneliness,
Will those who think of her today,

A little prayer to Jesus say.
(Sadly missed and never forgotten by your loving husband and family.)

SINNOTT — Fifth Anniversary — In loving memory of Mary Sinnott of Ballinure, Dungarvan, whose anniversary occurs on November 26.

A lot in life has altered,
A lot in life is new,
But the things that never alter,
Are memories of you.
It isn't what we write, it isn't what we say,
It's how we feel inside, when we think of you today.
(From your friend Kathleen.)

TOBIN — Fifth Anniversary — In loving memory of Michael Tobin, a dear husband and father, late of Ballinagoul, Ring, whose fifth anniversary occurs on November 25.

We lost a father with a heart of gold,
How much we miss him can never be told,
He shared our troubles and helped us along,
If we follow his footsteps we will never go wrong.
We miss you from your fire-side chair,
Your loving smile and gentle air,
Your vacant place no one can fill,
We miss you Dad and always will.

(Always remembered, never forgotten — your loving wife Brid, daughter Kathleen, son-in-law Peter, grandchildren Aaron and Corey.)

TOBIN — Fifth Anniversary — In loving memory of my dear father, Michael Tobin, Ballinagoul, Ring, whose anniversary occurs on November 25, 1995.

As time goes by without you,
Dad,
And days turn into years,
They hold a thousand memories,
And many a silent tear.
The happy hours we once enjoyed,
How sweet their memories were,
But death has left a vacant place,
This world could never fill.

(Always loved and sadly missed by your daughter Teresa, Mossy, Maria, Maurice, Sharon and Christine.)

TOBIN — Fifth Anniversary — In loving memory of my dear father, Michael Tobin, Ballinagoul, Ring, who died on November 25, 1995.

Dad, we sat beside your bedside,
Our hearts were crushed and sore,
We did our duty to the end,
Till we could do no more.
In tears we watched you sinking,
We watched you fade away,
And though our hearts were breaking,
We knew you could not stay.

You left behind some aching hearts,
That loved you most sincere,
We never shall and never will,
Forget you mother dear.

(Always remembered by your loving daughter Eilish, P. J. and family.)

WALSH — First Anniversary — In loving memory of our dear mother, Lena Walsh, Garra West, Ballyduff, who died on November 25, 1999.

Anniversary Mass in St. Michael's Church, Sunday morning November 26, at 11.30 a.m.

A silent grief that's in our hearts,
No human eye can trace,
For many a broken heart is hid,
Beneath a smiling face.
Sad and lonely do we wander,
To your grave not far away,
Where we laid a loving mother,
Just a year ago today.
A silent prayer to keep in touch,
For a mother we love and miss so much.

(Always remembered by Jim and Mary, Michael and Margaret, daughters Eileen, Maura and Rita.)

TOBIN — Fifth Anniversary — In loving memory of my dear father, Michael Tobin, Ballinagoul, Ring, whose anniversary occurs on November 25, 1995.

Happy memories keep forever,
Of days when we were all together,
Each of us in our own way,
Have special thoughts of you today.
(Always loved and remembered by your daughter Maggie, Bill and family.)

WALSH — First Anniversary — In loving memory of a dear grandmother, Lena Walsh, late of Garra West, Ballyduff, who died on November 25, 1999.

To have you as our Nan,
Was cause enough for pride,
No one could ever equal you,
However hard they tried.
The flowers we place upon your grave,
May wither and decay,
But the love and sorrow we feel inside,
Will never fade away.

(Sadly missed by your grandchildren Helena, James, Michael and Aisling.)

No Joy for Abbeyside Hurlers in County Final

Just eight days after lifting the Western Intermediate Cup after a tremendous victory over Fourmilewater, Abbeyside's Intermediate hurlers could not raise their game enough to overcome the strong challenge presented by Eastern Champions Ballyduff in the County Final played at Fraher Field, Dungarvan on Sunday last. The afternoon was dry and crisp with a strongish breeze blowing into the river goal. Underfoot conditions were heavy but they did not deter the

Eastern champions from producing a brilliant first half performance which left the Abbeyside men a psychological mountain to climb in the second half. That the locals never reached the summit was not from want of effort but defeat by four points seemed greater than the statistics displayed on the scoreboard.

Playing against the wind, Abbeyside settled quickly and Michael Enright struck a good point within a minute. However, the wind was an important

factor and Anthony Whelan launched some good attacks for Ballyduff. From one of these Derek Van Veen and Shane Larkin bore down on goal but Michael Collins intercepted the final pass. However pressure told and Jack Kennedy found the net from close range. Again Kennedy threatened but Collins cleared. Neil Power scored a point from a long range free and Van Veen added another from play. Still Abbeyside competed for everything with Gavin Breen excelling in defence. Shemo Burns pointed a free but Ballyduff countered with a similar score by Neil Power. Midway through the half Shane Larkin began to leave his mark on the game and his speed and skill were vital to Ballyduff. Still Abbeyside had chances. Gavin Breen made a vital block on Kennedy. Larkin went through on his own in the twentieth minute for an excellent point. From the puck out John O'Leary won possession and crossed the shotar. The Abbeyside defenders were slow to react and when the ball somehow struck the post Stephen O'Leary was on hand to slam it to the back of the net. Ballyduff were full of confidence now and points from Van Veen, Connor Kenny and Neil Power from a free gave them the sort of scoreline they needed when playing with the wind. Abbeyside were in such disarray and Ballyduff so sharp and skilful that we feared the worst for Abbeyside in the second half.

Half time Abbeyside 0-2, Ballyduff 2-7.

CLIMBING THE MOUNTAIN

Early frees from Michael Enright and Shemo Burns yielded points and raised our hopes. However for fifteen minutes Abbeyside could not turn possession into scoring opportunities. They pulled and slogged but effort without skill was not going to produce scores. They prevented Ballyduff from playing the game they wanted to play and Abbeyside held the Easterners scoreless in the second half - one would have got big money from the bookies for predicting that statistic at half time.

After twenty minutes in the second half Abbeyside pointed a 65, J.P. Keohane added a nice point from play. Ray Cliffe replaced the injured John Phelan and he looked sharp. He passed to Garry Hurney in space and he pointed. However the scores did not come frequently enough for Abbeyside due mainly to Neil Power who was a tower of strength for Ballyduff at centre back. After 27 minutes Shemo Burns pointed from play. Ray Cliffe added another from play. We were closing the gap but never looked like winning the match. The Ballyduff players showed their delight at the final whistle.

Abbeyside Crib

Abbeyside Pattern Committee on behalf of the people of Abbeyside would like to thank all those who made donations to the crib fund. £1,047 was raised in donations. The fund is now closed.

The money collected has been put into a special crib account along with the compensation received for the damage to the crib. These factors enabled us to purchase the new figures for the crib last year and at present a new crib is being constructed. Any excess money will be used to pay for the upkeep of the crib in the years ahead. Once again the committee wish to express their thanks for all your donations.

CONGRATULATIONS

To the Abbeyside Junior Hurling 'B' team who scored a great victory over Old Parish in the Semi Final of the Western Junior Hurling B Championship. The score was Abbeyside 0-7, Old Parish 0-3.

ABBEYSIDE SCOUT NOTES

Last week the meeting got off to quite a hectic start with a game of balloon football in which the troop were divided along height and strength lines. Following on from this it was off out into the great outdoors en all the patrols had to rendezvous at the cove in Abbeyside beach. The interesting thing which was learned from this lesson was that the Abbeyside scouts apparently do not know their way around Abbeyside (I think a lot of former scouts would turn in their graves at hearing this). The patrols had to make their way to the cove protecting some vital cargo along the way which had to be kept safe from sneak attack by the elders of the troop namely the P/L's. The P/L's were certainly not up to the challenge as they failed miserably to get their hands on even one of the precious cargo. Upon arriving at a designated spot everyone was treated to a slap up meal of beans provided by Thomas Cashin catering services Ltd. It was a cold and wintry night and I think this played a part in the beans disappearing so fast! no offence Thomas. Back at the scout den at the end of the meeting the last remaining beans got a complete savaging, which was appreciated when it came time to do the wash up. At the very end of the meeting all present were told that next weeks meeting will be a full uniform one so no excuses please, beginning at seven and ending at eight thirty.

BALLINROAD SALE OF WORK

Despite the counter attraction of the Intermediate Hurling Final in the Fraher Field a sizable crowd turned up for the Annual Sale of Work in Ballinroad Hall. The Sale of Work is the main source of income for the upkeep and continued renovation of the hall.

As usual the spinner was the main attraction of the afternoon and Fr. Lloyd did a tremendous job in keeping things going in this sector. We would like to thank all those who helped at the various stalls throughout a busy afternoon. All those selling tickets had a responsible job and were kept busy at the table on the right hand side. Hereunder we list all the lucky winners: Door Prize: Fruit Hamper, Anthony Fitzgerald, Garranbane. Number of Sweets in Jar: James Tobin, Knock; Ronan O'Connell, Ballinacourty. Christmas Cake: Dylan Walsh, Dungarvan.

Raffle Results

1st prize: Doll and Dowry of £100 - Peggy Carey, Stradbally; 2nd: Hamper - Sonia O'Keefe c/o Playgroup, Ballinroad; 3rd: 5 cwt Coal - Rev. Fr. R. Doherty P.P., Abbeyside; 4th: Ham - Thomas Daly, Ballymarket; 5th: Turkey - Meabh Beresford, Garrynagera.

The Sale of Work committee wish to thank all their sponsors, without whom the Sale of Work would not be a success. Again a huge debt of gratitude is due to all the helpers and all those who supported the Sale of Work.

The Environs Circa 1920

Below we include an interesting article from Keohan's History of Dungarvan

The environs of the town present very healthy and interesting walks. It is so easy to get into the country. Immediately you leave the town you are among the green fields, the hedgerows and the rural beauties. This is the case on all sides, except that of the sea. The "New Line" is a favourite promenade, so is also the Youghal Road, the Hospital Road, Shandon, the Kilrush Road or the road to the Burgery. The latter is a beautiful suburb of the town in the Abbeyside district. It is nicely sheltered with trees and the walk around Boherawilling, either to or from the Burgery, is one of varied attractions, each curve presenting new features which creates a pleasing impression. Of late years some new houses have been built - one at the Burgery, where the Abbeyside curate resides, six fine houses below the Abbeyside school house (at the Pond) and a new scheme of eight houses built by the Urban Council - four at Abbeyside and four at Fair Lane, Dungarvan. Nevertheless, there is a great want of housing accommodation in the town. The Government are endeavoring to promote building and are giving grants as subsidies to private builders. Still, with high cost of labour and material, as well as conditions which do not tend to the comfort of house owners, it may be that the efforts made will not have the desired effect.

CONTRAST

The last sentence above echoes a familiar note when one discusses house building today. It is all a matter of scale really. Contrast Keohan's comments with those of the scribe in the Parish Newsletter for November 2000, - the building of Southways, Meadowlands, The Ministers, Strandside, the massive building at Ballinroad, making it a Village in its own right, The Hermitage, Tournore Court, Sallybrook on the Clonea Road and the huge building programme which has studded the Ballinacourty / Clonea areas with new dwellings. In the last forty years the number of houses has doubled and the population of the Parish has more than doubled.

I wonder what Mr. Keohan would say if he could take a walk along the Burgery, Boherawilling or the New Line today.

Unity All The Way As Fianna Fail Nominate Three

In stark contrast to the rancour and bitterness which have marred past conventions, it was unity all the way among hundreds of Fianna Fail delegates in Dungarvan last Saturday night when they unanimously nominated outgoing Deputies Martin Cullen and Brendan Kenneally, together with Tourin based county councillor Ollie Wilkinson, to contest the four seat Waterford constituency in the next general election.

Three years ago this same "team" went very close to capturing three seats, with Wilkinson making a spectacular electoral debut that yielded him almost 5,000 first preferences. The battle cry at Saturday night's convention chaired by Environment Minister Noel Dempsey - was that the winning of an extra seat next time is an attainable objective.

Once the party's national executive confirmed that three candidates should be selected the convention became nothing more than a formality. In fact it was all over in less than an hour and a half without the necessity of a vote.

Minister Dempsey said that the absolute minimum return from the Waterford constituency in the next election must be two seats, but clearly they have an outstanding chance of making what would be a vital gain for the party.

Cllr. Wilkinson, who recorded the biggest ever vote by a candidate in last year's local elections in the Lismore electoral area, in a post convention comment said that he believed they have a fighting chance this time of winning a third seat in the constituency.

"We went very close the last time, and with Fine Gael's Deputy Austin Deasy standing down I believe we can improve on our excellent 1997 performance", he said.

The convention was also attended by members of the FF national executive, including key constituency strategist Sean Sherwin.

At earlier conventions in the constituency Fine Gael selected John Deasy a son of the sitting TD and Waterford Corporation member Maurice Cummins who unsuccessfully contested the last election for the party. Labour unanimously nominated their outgoing Deputy, Brian O'Shea, while the Progressive Democrats, who didn't field a candidate in the constituency last time, have nominated their lone Corporation member, Oliver Cleary.

Sinn Fein hasn't contested the constituency for decades and isn't expected to do so next time, leaving only the Workers Party to decide on its candidate. The late Martin O'Regan who polled in excess of 4,000 first preferences in 1997, would have been the automatic choice but his recent unexpected death has dealt a major blow to the party.

The frontrunners, should they decide to stand, will be the late Alderman O'Regan's Corporation colleagues John Haligan and Davy Walsh.

Councillors Opposed To Proposed Access Route

Continued from Page 1

Cllr. Nuala Ryan said that with cars parked in Western Bay it isn't always easy to drive freely through the estate. The situation would become significantly worse if the estate was to service the additional traffic another 108 houses would generate, and she feared what might happen in the event of a fire at the far end of the estate.

Cllrs. Damien Dillon, Paddy Power, John Deasy, Damien Geoghegan and the chairman Cllr. Michael O'Riordan all spoke strongly against accessing the main route to the development through the two estates, with Cllr. Geoghegan insisting that the increased traffic and the speed factor would have a devastating impact on the residents. "It would be most unfair to impose that route on them", he added.

Cllr. Power however expressed similar concerns to those voiced by Cllr. Kyne regarding a "blanket" refusal of the planning application and the possibility of that decision being subsequently overturned on appeal by An Bord Pleanala.

"It would be far better for the Urban Council to sit down with the developer and try to find an alternative route between them", Cllr. Power said.

Cllr. Damien Dillon, who has written personally to all of the Western Bay and Bay View residents offering his support to them, reiterated that support, while the chairman, Cllr. O'Riordan, said an alternative to what is being proposed must be found.

The town clerk, Brian White, said the planning application was only lodged with the UDC on November 10th and a decision on it is not due until January 9th. He assured the members that they will take fully on board all the submissions that are made and the councillors will also be kept fully informed.

Mr. White also said they will endeavour to meet with the developer and any other landowners that might be involved in the creation of an alternative route to the Clonecty site.

Abbeyside Ballinacourty G.A.A. Club Notes

INTERMEDIATE CHAMPIONSHIP COUNTY FINAL

What a great game of hurling it was on Sunday last in the Fraher Field. There was gale force wind blowing throughout. Ballyduff Lower took enough scores in the first half at 2-07 to carry the day. Abbeyside were 11 points adrift in coming out for the second half. We were in sheer hard luck not to convert one at least of four very good goal chances. The team never let their heads drop and were battling right to the end at which point there were only two scores or four points behind the eventual winners. In fairness to Ballyduff they took their scoring opportunities in the first half and defended well in the second and the fact that Abbeyside did not get the rub of the green on the day told the story of the match.

At a very enjoyable dinner for the team after the match club chairman Tony Mansfield praised the team for their determination and commitment since last February which has brought the Western title to Abbeyside only for the third time. Frank Sweeney also praised the team and his fellow selectors John Foley, Jimmy Healy, Willie Kiely and full back Michael Collins who had played in the final with a broken finger. Everyone on the team should be proud of the comeback we made in the second half which held Ballyduff scoreless during the last 30 minutes. Captain Gavin Breen said that the objective for the coming year was to bring senior hurling back to Abbeyside. If this current panel stick together, there is no doubt but glory will be on its way to Abbeyside.

JUVENILE AGM CHANGED TO SCOIL MHUIRE

COACHING SCHEME NOTES

Kinsalebeg N.S. 1992/3. Mr. Brendan Griffin (Priomh Oide) with five boys from his class during a coaching visit in the early 90's. Second from left is Karl O'Keeffe who starred in Clashmore's tremendous win last Sunday in Co. J.H. final. Another pupil, Stephen Barron from this school also starred in this game. These lads showed great potential at the sessions as 8 year olds up to 6th class and they were helped and encouraged in the school, the home and the club. Past pupils from the two other schools in the Parish, Ballycurrane and Clashmore were also members of this fantastic victory which will go down as one of the most exciting games seen at Fraher Field for many a day.

YOUNG PROSPECTS SEEN LAST WEEK ON THE ROUNDS

Touraneena N.S. Jonathan Henneby 12 years, 6th Class — Jonathan is strong and well built for his age and always tries hard at the sessions. He lives at Beary's Cross and is making good progress at the basic skills. Likes most sports. Favourite hurler Tony Browne. Last Monday's session was held in the spacious community centre which is a great asset on cold winter days. The school is highly organised for coaching visits.

Villierstown N.S. Josh Conroy, 7 Years Old, 1st Class — Josh is a real live wire and puts everything into the hurling sessions. He is very strong for his age and a great striker. During the mini match he ran the field and struck a lot of ball. He had a smile on his face and really enjoyed everything. He lives in Aglish and he has the potential to be a useful hurler as he grows up.

Currahaha N.S. Kilmacthomas, David Hallahan, 7 1/2 Years Old, Rang 2 — David lives at Riverview Estate and he is a lovely citeog with good basic skill and a grand striker. Plays indoor every Monday night with his friends in the new Communi-

ty Centre. He was very impressive at last Friday's coaching session.

SECONDARY SCHOOL NEWS

St. Declan's Community College advanced to the semi final of the Corn Phadraig Munster Colleges U-18 1/2 championship at Goatbridge last Wednesday. Played in atrocious conditions St. Declan's won the toss and played with the strong wind and rain. Half time score St. Declan's 1-5 St. Joseph's, Killaloe (Clare) 0-1.

It didn't look enough, but a truly magnificent defensive display in the second half ensured victory. This was a great team effort. John Halpin (Shanbally) was a rock at full back but all six gave their all to the cause. Aidan Whelan (St. Mary's) showed he can play in the forwards as well as goal. Despite the conditions Martin Whelan's (Clonea) goal would grace any game or any venue. Final score St. Declan's 1-7 Killaloe (Clare) 0-3.

FAI JUNIOR CUP 3RD. ROUND

Power Play!

KILUSTY 1 DUNGARVAN 2

Dungarvan advanced to the next round of the Junior Cup with a narrow victory against Kilusty, with the winners facing a mouthwatering tie against last year's beaten finalists St. Michael's (Tipperary).

Dungarvan started off the brighter of the two teams and after six minutes were unlucky not to take the lead when John Paul Donnelly was put clear by Pepe Ferncombe but his shot went narrowly wide. Three minutes later John Power found Darren Lyons with a delightful free-kick but his header failed to reach the target.

Dungarvan got a fright on twenty minutes when following a good move the attack broke down and with the resultant kick from the Kilusty keeper their centre forward latched onto the ball and was only foiled but by keeper Niall Barry.

Thirty five minutes had elapsed when the blues spurned their next chance. Kevin Walsh went on a run down the right wing and sent a superb ball across the face of the goal but there was no one on hand to finish it off. Just

before the break Dungarvan were thankful for Alan Landers positioning as he diverted a goalbound shot away for a corner and on 42 minutes it looked as if Dungarvan were about to score as John Power set up Gary Keane on the edge of the box but he blasted his shot over the bar. This was the last action of the half and both sides went off trying to work out how to break the stalemate.

Games are often won or lost with the half-time team talk, but the blues management got it spot on as two minutes into the half Dungarvan took the lead when Micheál Downey went down the wing and dispatched a perfect cross for Power to head pass the hapless keeper. This goal changed the pattern of the game as Kilusty pushed more players forward in search of the equaliser and by doing this left gaps in defence which went unpunished. Eighty three minutes had passed when Dungarvan scored their second goal.

Darren Lyons went on a run just inside the Kilusty half, beat two defenders and passed to John Power who coolly shot passed the keeper. This should have been the end. But in fairness to the home side they per-

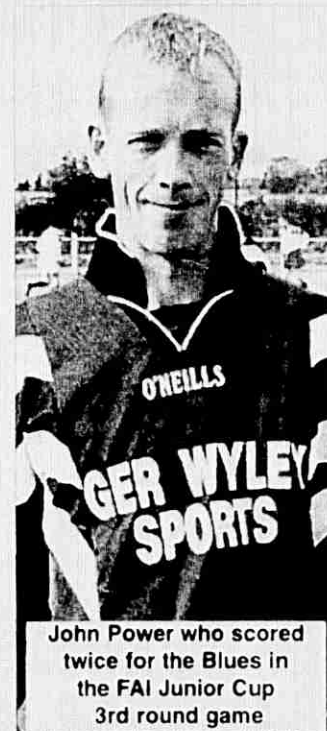

severed and managed to pull a goal back with three minutes remaining.

TRIP TO TIPP.

However this proved to be the last score in the game and Dungarvan emerged victorious and will now travel to Tipperary town next Sunday and hope to topple last season's finalist. On the evidence of this game St Michael's will have their work cut out in trying to contain a Dungarvan team that is currently on a roll.

Bus: There will be a bus going to St Michael's next Sunday at 10.30 a.m. but as seats are limited names and money will have to be paid to secretary J. D. O'Shea by Wednesday, 22nd November. He can be contacted on 086-8255748.

Dungarvan: N. Barry, Alan Landers, D. Lyons, Aidan Landers, K. Lyons, G. Keane, K. Walsh, P. Ferncombe, J. P. Donnelly, J. Power, M.

John Power who scored twice for the Blues in the FAI Junior Cup 3rd round game

Downey, Res: M. Hyslop for K. Lyons; K. Hallahan for M. Downey.

DIV. 3A LEAGUE MATCH REPORT

Blues Brought Down To Earth

PARK RANGERS 3 DUNGARVAN 1

Dungarvan's 3rd team made the long journey to Faithlegg last Sunday evening and came away empty handed as we lost our hundred percent record.

With ten minutes played we found ourselves two nil down. The home side took the lead in the 5th minute when we failed to clear and their centre forward hammered home from the edge of the box. Just as it seemed we were settling down disaster struck again in as many minutes. A long clearance out of defence by the home side caught us square at the back and the winger made no mistake as he drilled home past Crohan McGregor. Our best chance came midway through the half. Wonka cut through the home side's defence, rounded the goalkeeper but his sidefooted effort came back off the post and was cleared away to safety. This miss gave the home side a two nil cushion as the half-time whistle sounded.

The second half was a much improved Dungarvan side as we threw everything at Rangers. Time and time again a last ditch tackle prevented us a life-line as we camped in their box. With 20 minutes to go we finally scored. Tommy Pratt

was taken down in the box and Wonka sent the keeper the wrong way from the spot. Minutes later the keeper made a super save from Wonka again. With minutes to go we thought we had secured a point. A cross into the area was dropped by the keeper. Wonka scored, but to everyone's amazement the referee disallowed the goal and gave a free out. Park Rgs. scored on the break in injury time. At that stage caution was thrown to the wind.

Summing up this game it was a disappointing performance as too many players didn't perform on the day.

This game was an early top of the table clash - a cup final in itself. But it was the home side who were hungrier and reaped the reward. I have no doubt the daggers are out as well as the critics! But as certain Brickey man once said: "Give the shoulders a shake and start again!"

Dungarvan: C. McGregor, J. Downey, P. Walsh, B. Wade, M. Ducey, T. Flynn, J. Kyne, M. Donnelly, E. Morrissey, T. Pratt, J. Donnelly. Res: M. Coles for J. Kyne; J. Whelan for M. Donnelly; J. W. Power and P. J. Drummy not used.

An Ghaeltacht Aontaithe Soccer Notes

AN GHAELTACHT AONTAITHE 2 CASTLEBRIDGE CELTIC 1

On Sunday last we welcomed league leaders Castlebridge Celtic to our new pitch at Ballintlea North, Old Parish and proved all predictions wrong by taking all three points.

The game was played in difficult conditions with a

strong wind throughout. As expected Castlebridge started the stronger of the two sides and piled on the pressure in the first half aided by the wind, in fact if not for the Man of the Match performance from our returned keeper the score would have been much greater than 1 - 0 at the break. With the aid of the wind in the second half we started to come back into the game, but the elusive score did not come until the 80th minute when David Condon gave a long ball in to Brian Power who obliged by finishing to the net from 18yds. It was end to end play for the remaining 10 minutes and the home fans were very much relieved when Timothy Power scored our second goal in the dying minutes of the game with an excellently finished half volley.

This was a great result as we now have full points from the two games played and hopefully this trend will continue throughout the season. As stated earlier our man of the match goes to Alan Leahy who has just made his comeback after his recent injury.

Team lined out as follows: A. Leahy, S. Wade, T. Curran, R. Terry, D. Linane, B. Power, J. Lynch, M. De Paor, T. Power, M. Power, A. Power. Subs: L. Whelan, D. Condon, R. Kirby (all used)

UNDER-14S BACK TO WINNING WAYS

Our U 14 team also got back to winning ways with an impressive scoreline of 6 - 1 when they played Cappoquin/Affane. The score at half time was 2 - 0 with goals coming from Darragh Hurley and Michael Lally. They then went on a scoring blitz in the second half with Darragh Hurley scoring a second, Thomas O'Brien netting twice and Tomás Drummy also getting in on the action. Well done lads. The team have a home fixture next Saturday and your support at the field would be appreciated.

An Ghaeltacht Aontaithe would like to thank the following people who helped us in obtaining and preparing our new pitch. Waterford County Council, The Chairman and Groundsman of Old Parish GAA Club, Val Curran, Martin Coffey, Pa Curran, Matty Whelan and our own Club members who shall remain nameless. Take a bow lads.

Word has it that one of the senior members of our Club was lucky to make the game after being assaulted the day before in the forecourt of a petrol station.

Rumour has it he beat off his assailant with his mobile phone. And the morale of the story is "never leave home without your mobile."

RED HOUSE LEAGUE ROUND-UP

PREMIER LEAGUE

No Joy For Leading Teams

Lismore were the only Premier team to gain maximum points at the weekend. Leaders Cappoquin were held to a draw at home to Ardmore who were collecting their first point of the season. Second placed Valley fared even worse, losing to Lismore while champions Brideview United were held to another draw away to Ballyduff.

HONOURS EVEN AS TOP AND BOTTOM CLASH Cappoquin 1 Ardmore 1

Given their respective positions before the game, Cappoquin will feel they let two points slip, while Ardmore will be grateful for their first point of the season. The wind made it difficult for both sides but there was plenty of excitement in a tough encounter. Although neither keeper was tested in the opening half we saw two goals scored. Ardmore were first to strike when they were awarded a penalty after twenty five minutes and Johnny Hennessey tucked it away expertly. The homeside piled on the pressure and they were rewarded with an equaliser after thirty eight minutes when Pat Sullivan beat Declan O'Donnell to a loose ball and scored from just inside the box. Cappoquin were slightly the better side in the second half but their chances of winning were reduced after they had a man sent off, and the game finished in a draw. Best for Cappoquin were Kevin Casey, Michael Walsh, Darragh Wilkinson and newcomers Pat Sullivan and Danny Hickey. Best for Ardmore were Mike Supple, Anthony Ahearne, Johnny Hennessey and Paddy Gallagher.

Cappoquin: David Morrissey, Kevin Casey, Michael Walsh, Michael Lacey, Kevin Casey, Martin Lacey, Pat Sullivan, Martin Power, Danny Hickey, Killian Wall, Darragh Wilkinson, Subs Keith Kirwan, Liam Lacey, Paul Landers, Joe Barry, Stephen Curran, Billy O'Shea, James Mason, David Moore.

Ardmore: Declan O'Donnell, Adrian O'Donnell, Maurice Hennessey, Cathal Hennessey, Paddy Gallagher, Anthony Troy, Jason Lenane, Johnny Hennessey, Anthony Aherne, Conor McCarthy, Mike Supple, sub Seamus Veale.

WOODWORK PREVENTS GOALS Ballyduff 0 Brideview United 'A' 0

Both sides were missing a few regulars and again the wind didn't help but this was a very poor game. The homeside had most of what chances there were, but apart from Ballyduff hitting the post and Brideview hitting the bar, both keepers had little or nothing to do.

VALLEY LOSE THEIR WAY Lismore 2 Valley Rangers 'A' 1

Despite being on top for most of the match, Rangers came away from the Castle Farm grounds, Lismore last Sunday morning empty handed. Valley took the lead after seventeen minutes when Gordon Bryan knocked the ball home. Lismore fought back and levelled when Michael Shanahan netted. Three minutes later, the same player put Lismore ahead after a bad defensive mistake. Valley were still on top in the second half but couldn't make the breakthrough although they came very close when first they hit the post and the bar from the rebound in the last minute.

RED HOUSE LEAGUE SUPER DRAW

The next draw for this takes place next Saturday night November 25th at the Rumble Inn, Mitchelstown. All are welcome to attend. All £5 tickets must be paid for before the draw takes place. All outstanding tickets will be entered by Pat Casey and charged to the appropriate clubs unless told otherwise.

DIVISION ONE

First Wins For Inch And Pinewood Rangers

An Ghaeltacht really threw the cat among the pigeons with their win over previously unbeaten Castlebridge Celtic. Second place Gortroe and third placed Araglen fought out a six goal thriller. Pinewood and Inch both claimed their first victories of the league campaign.

AN GHAELTACHT STUN THE LEADERS An Ghaeltacht 2 Castlebridge Celtic 1

Everything was going to plan for Castlebridge, when they led 1-0 at half time. This was the first game to be played on the homeside's new pitch and they were not going to be denied. Inspired by the performance of Alan Leahy in goal, they levelled through new signing Brian Power and Timothy Power put them ahead to claim three great points.

THE LONG WAIT IS OVER Inch 3 Blackwater Rangers 0

In claiming their first league win for over twelve months, Inch dumped Blackwater to the bottom of the table. Declan Fogarty put the homeside ahead for a half time lead and the same player added a second after the break. John O'Connor sealed Inch's win with a third goal.

GREAT FIGHT BACK EARNS GORTROE A POINT Gortroe 3 Araglen 3

With the aid of a very strong wind, Araglen built up what seemed to be an unassailable lead. The homeside's comeback began with a Kevin Lonergan goal and a double strike by Leonard Byrne earned a valuable point for the homeside.

PINEWOOD PROVE TOO STRONG Ballybridge United 1 Pinewood Rangers 3

Pinewood inflicted a third defeat of the season on Ballybridge last Sunday morning. Noel Ryan scored the opening goal for Rangers after thirty minutes when his shot went in off the post. Eight minutes later Conor Ryan added a second goal for the visitors. The same player made it 3-0 on the hour and although Keith O'Driscoll pulled a goal back for the homeside five minutes later following good work by Mossie Tanton, United could never turn the result around.

NEXT DELEGATE MEETING

This takes place on Monday December 4th at 9 pm in the Red House, Lismore. Referees meet at 8 pm.

OSCAR TRAYNOR CUP FINALS

We had news of the draw for this years competition during the week. We have been drawn with two of the more fancied teams in Cork and Waterford. This is a far tougher group than we would have wished for but at least it will give our players the opportunity to play against quality teams and this in turn will help to improve our own standards. Dates will be finalised in the coming weeks but will probably be late December/early January. Meanwhile, training continues every Tuesday night in the Community Centre, Conna at 7 pm. The selectors continue to look at different players and have so far decided on about twelve players for the squad. Any players unable to attend training must contact Sean Kearns (024) 96142/(086) 3146859 or Jim Foley (058) 68239 (087) 8039955.

DIVISION TWO

Leaders Lose in Modeligo

The leaders Glenview went down to a much improved Modeligo side while at the bottom, Valley Rangers took the points off Affane. The big derby game between Accrington and Kilworth ended in a draw.

WHELAN DOUBLE DENIES GLENVIEW Modeligo 2 Glenview 0

Modeligo are up to third place after a second successive victory which saw them beat leaders Glenview far more easily than the scoreline suggests. The homeside should have had the game sewn up by half time but a litany of misses meant that a single goal from David Whelan, set up by a Nicky Donovan header, was all that separated the sides at the break. Glenview missed a penalty later in the half and were made to pay after the break when Whelan scored the clinching second goal.

NO WINNERS IN FERMOY Accrington Celtic 1 Kilworth Celtic 1

These games are always close and once again, the points were shared. Davy Gill headed Accrington into a first half lead and Kilworth levelled when Joe Cahill also scored with a header.

GOOD RESULT FOR RANGERS Valley Rangers 'B' 1 Affane 0

A lone goal after twenty five minutes by man of the match Donal Caples gave Valley the points in only their second league game this season. John O'Leary and Laurence O'Connor also played well as Rangers continued their good run from last season which has now seen them win four of their last five games.

PREVIEWS FOR NEXT WEEK'S GAMES

PREMIER LEAGUE

Vital League Points On Offer In Mogeely

Mogeely v Ballyduff — It is clear that Mogeely have not made the best of starts this season and Sunday's meeting with Ballyduff represents a chance for them to put matters right. Ballyduff earned a draw with Brideview last week and will have plans of their own for the points. A draw.

SEASIDERS MUST GET SOMETHING

Ardmore v Lismore — The homeside picked up their first point last Sunday while Lismore defeated Valley Rangers. Ardmore have been finding it difficult to field their best teams at the moment and the visitors may be able to take advantage. Away win.

Six Pointer in Cappoquin

Cappoquin v Valley Rangers 'A' — Both teams had disappointing results last week and they will both be keen to make up for those lapses. Cappoquin just pipped Valley for the runners up spot last season and they might just prove too strong on Sunday as well. Home win.

DIVISION ONE

Top Game in Store

Castlebridge Celtic v Pinewood Rangers — After last week's results there are just five points between these two sides and Sunday's points could help to widen or narrow the gap even more. Rangers have a couple of new faces in their panel and their last two results have been encouraging but Celtic are hard to beat at home and we fancy the homeside. Home win.

Bottom in Opposition

Blackwater Rangers v Ballybridge United — These two are currently lying at the bottom of the table and another defeat would be damaging. Rangers lost at Inch last week and can do a lot better than their current position. The same can be said for United. Little has gone right for the Cup holders and Sunday could see the points go to Rangers. Home win.

Homesters Can Strike

Araglen v Inch — Despite losing a three goal lead last week at Gortroe, Araglen can dispose of Inch with the advantage of playing at home. Inch got off the mark last week but may need to have a little bit of luck to get everything from this game. Home win.

UNBEATEN RECORDS ON THE LINE

Gortroe v An Ghaeltacht — These are the only two unbeaten sides left in this division. Games between these sides have always produced goals and already both sides have been involved in high scoring games this season. The team that wins this game could be the one that makes the last mistakes but we feel that a draw could be the likely outcome on Sunday. A draw.

DIVISION TWO

Top Place at Stake

Accrington Celtic v Clashmore Ramblers — Celtic's good start makes them favourites for Sunday's meeting but Ramblers should have most of their regular players back on Sunday and they can provide stiff opposition for the homeside. Accrington will win most games this season but Ramblers, who beat Kilworth away already can at least take a share of the points. A draw.

Bottom Side Must Start To Make Progress

Affane v Glenview — With just four points separating top and bottom there is still plenty of time for clubs to make up lost ground. Affane have lost three of their four games to date and a win on Sunday is a must if they are to stay with the front runners. Glenview's good start came to a halt last week but they may do enough to earn a point. A draw.

CELTIC SET FOR THE THREE POINTS

Kilworth Celtic v Brideview United 'B' — Celtic, after two early setbacks, appear to have returned to form and Brideview will do well to contain them. Celtic are one of the favourites for promotion and can take the three points on offer. Home win.

Too Close to Call?

Valley Rangers B v Modeligo — Rangers and Modeligo must be both delighted with their starts this season and will be hoping to stay in touch with the more fancied sides. Sunday's encounter will be a close affair with maybe just home advantage swinging it. Home win.

Ballinroad Schoolboy Notes

U-16 TSB SCHOOLBOYS SOCCER LEAGUE BALLINROAD 2 ST. SAVIOUR'S 1.

This was a very hard fought game in difficult conditions. But the true grit and determination of this Ballinroad team saw them squeeze home by the narrowest of margins in the end. Ballinroad started the game on the attack and in the fourth minute were rewarded with a free kick five yards outside the box to the right of the St. Saviour's goal. David Condon hit a powerful drive to the top left corner of the net which gave the keeper no chance.

St. Saviour's then fought back strongly and put the Ballinroad defence of Cathrach Shalloe, Aidan Walsh, Shay Drohan and Michael Moore under severe pressure. In the fifteenth minute a St. Saviour's cross from the left wing was missed by the Ballinroad defence and the centre forward made no mistake when shooting powerfully past a helpless Chris Walsh. The game swayed to and fro for the remainder of the half with neither team able to gain the upper hand.

The second half began as the first and again Ballinroad won a free kick outside the box. This time David Condon floated his kick to the back post where Liam Lehane rose above the defence to head the ball to the net. The game was now being played at a hectic pace and the tackles were flying in hard but fair on both sides. In the seventieth minute it seemed St. Saviour's must equalise as three players lined up for a free shot at

goal. Somehow Chris Walsh managed to turn the shot from point blank range over the crossbar.

In the final minute St. Saviour's saw a fierce shot from the edge of the box parried on to the crossbar by Chris Walsh. The ball was then moved quickly out of defence to Colin Beresford who had moved across to the right. Colin took the ball inside the defence and his shot came off the left upright. This was the last attack of a very tough game and Ballinroad just about deserved their victory.

The Ballinroad panel was: Chris Walsh, Michael Moore, Aidan Walsh, Shay Drohan, Cathrach Shalloe, Caolan Flynn, David Condon, Paddy Mahon, Willie Morrissey, Cormac Connelly, Colin Beresford, Liam Lenane, Shay Kelly, Pa Browne, John Gillen and Eddie Casey.

Our next game is in the second round of the Schoolboys FAI Cup away to Carlow opposition on December 2nd.

RECENT DEATHS

The club would like to extend their deepest sympathy to the families of those listed below on their recent sad losses - Sheila Foley, mother of Marty Foley, our club secretary and manager of our under-12 squad, Sean Crotty, uncle of U-12 player David Prendergast, Fr. Tom McGrath, brother of our bus driver Pat and Richie Harty, a man who gave sterling service to the club in its early days.

CANCELLATIONS

The last few weeks have been very quiet on the playing front due to a combination of circumstances with only our under-16 game last Saturday taking place. Let's hope that from next week-end on, things will be back to normal and the lads will have a competitive game every fortnight.

Sat. 2nd December: Under-12 away to Gorey Rangers (Wexford) 10.30 a.m.

Under-14 away to De La Salle 11.45 a.m., Under-16 away to Tullow or Olsca 0g (Carlow) 2.30 p.m.

Railway Athletic F.C. Club Notes

SCHOOLBOY SECTION UNDER-14 TSB LEAGUE DE LA SALLE 0 RAILWAY 1

On Saturday last our under-14 team travelled to De La Salle and collected all three points. It was a very tight first half. De La Salle were unlucky not to score. Jason Hodnett scored the winning goal from a Daniel Dransfield cross. D.L.S. could have got a point but some fine goalkeeping gave us a fine win.

JUNIOR GAME OFF

Our 2 "B" game at home to St. Saviour's was called off because of very bad pitch conditions on Sat. last.

CLUB LOTTO

Our lotto is going very well. We would like to thank all who buy tickets and thanks to Maurice Kelleher for letting us sell tickets outside his shop on Saturday last.

JUNIOR PLAYERS TAKE NOTE

Every junior player who signed for the club are asked to be at our grounds (Dane's Field) on Saturday next 3 p.m. sharp for training. Bring runners and boots. Also, we will have a players meeting which is of the utmost importance. No excuses, be there.

FIXTURES

Sat. 25th November - U-13, home to Villa "B" 11.00 a.m.

Sat. 25th November under-15 away to Kilmacow 2.30 p.m. leaving 1.00 p.m.

Ardmore AFC Notes

CAPPOQUIN 1 ARDMORE 1

Ardmore with something that resembled a team travelled to Cappoquin to play the

league leaders and came away with a creditable draw. Playing with the breeze, Ardmore were struggling to find their feet and were lucky on several occasions not to concede a goal to a rampant Cappoquin. On a rare attack Ardmore were awarded a penalty for a hand ball. Johnny Hennessey made no mistake with an excellent kick. Five minutes before the break, the homside equalised to go in level at the break. The second half saw Ardmore up their game and dominate most of the second half and were unlucky not to get the winner. Johnny Hennessey was blatantly fouled as he was about to put the ball in the empty net but to everyone's amazement, the referee waved play on. Still a lot of work to be done to avoid relegation and with players not available to us still, it is going to be an uphill battle.

RED HOUSE LEAGUE DRAW

Ardmore had two winners in the draw held at John Paul's (An Gaeltacht). Mary Jo Keever won a television and Gary Breen won a video recorder. Best of luck to them both.

CHRISTMAS DRAW

All players are expected to sell one card for our Christmas Draw.

FEATURE GAME

Brideview Advance In Thriller

Brideview Utd advanced to the third round of the U-13 National Cup with a great display at home to Cork Schoolboys team, New Farm Athletic. The first half was very even with chances at a premium. Much of the game was played out in midfield. New Farm went ahead when a long ball over the top caught the Brideview defence sleeping and the lightning quick striker was in to score a well taken goal.

The second half saw Brideview on top as they chased the game. Sustained pressure was rewarded when they received a free kick 20 yards out. Kenneth Geary swung in a cross which Eamonn Forbes met perfectly only to see the keeper make a great save. Luke McCarthy was on hand however to finish the rebound to the net. After that the game flowed from end to end until Brideview won a corner. Graham O'Neill swung it in and Stephen Power glanced a header to Eric Hickey who drove to the net from 10 yards. For the final ten minutes New Farm threw everything at Brideview and were it not for two perfectly timed tackles from Stephen Power and Eamonn Forbes and a truly wonderful save from Damien Prescod they would have levelled.

A result and a performance to be proud of and they now await with interest for their 3rd round opponents. Elsewhere there were interesting results as Castlebridge Celtic had a good 2 all draw with Carrigaline and failing sunlight prevented a result.

Castlebridge now travel for the replay. In our own leagues Pinewood Rangers U-12 lost their first league game to Fermoy Utd thus putting the Cork team in the driving seat. Ballybridge Utd U-14's followed up last weeks great result with another against other challengers Blackwater Rangers in a very evenly contested battle.

Modeligo Soccer Notes

We played our third league game at home against top of the table Glenview on Sunday last, with a 2 goal to nil victory to Modeligo. This was another fantastic result for us. We are playing superb football this season, with every player giving 110%. If we continue this trend every team in the league will fear us.

Despite playing against a very strong wind we missed three glorious chances in the first 15 mins. Then a long ball from midfield was headed on by a superb Nickey O'Donovan to David Whelan who scored a bullet of a goal. Five minutes before the break Glenview were awarded a penalty which hit the post and was cleared. Fifty mins. into the game and with the wind now in our favour we were awarded a penalty. Up stepped David Whelan to score his fourth goal in two games. Due to an infringement he had to retake the kick and this time David made no mistake. We held this lead until the final whistle. Another brilliant performance from everyone.

We wish Joe Cashman a speedy recovery after obtaining a bad leg injury on Sunday and to any other players who suffered a few knocks and bruises in the game.

Next Sunday we are away to Valley Rangers, kick off is at 11.30 am. Leaving Farrell's Cross at 10.30 am sharp.

Team: E. Condon, R. Kiely, J. Cashman, S. Kearns, W. O'Grady, C. Walsh, B. Fitzgerald, J. Byrnes, G. Nagle, N. O'Donovan, D. Whelan.

Subs: P Doherty for R Kiely, M. Cashman for C. Walsh, K Quinn for J. Cashman (injured).

Clashmore / Kinsalebeg GAA Notes

COUNTY JUNIOR HURLING CHAMPIONS

We captured our first Junior Hurling County Championship title after a lapse of 31 years when we beat Fenor in a tremendous game of hurling at a windswept Fraher Field last Sunday. After losing the toss we had first use of the strong breeze. We had a blistering start and led by five points to zero after eight minutes with points by M. Shalloe 2, Mike Fenton, Shamie O'Rourke and Kevin O'Rourke. After this brilliant start we suddenly lost our way and allowed Fenor back into the game and we conceded a goal when a mix up among the backs allowed Fenor score a goal. We were also guilty of some very wayward shooting in front of goal ourselves. Our next score came in the 30th minute when Mike Shalloe scored a point from a free. Half time score Clashmore 0-6 Fenor 1-1.

We were now facing an uphill battle as with only a two point lead and facing a gale of wind, it was really back's to the wall stuff. This is when the true character and spirit of this team shone through as every player gave a huge effort. Fenor were first to score after two minutes with a point from a free. After this we absorbed a lot of pressure and the breakthrough finally came when a great ball across the goal from Conor O'Riordan was doubled on to the net by Shamie O'Rourke. Another great point was scored by Stephen in the 18th minute and Pat Lombard had our final score in the 28th minute. In between Fenor laid siege on our goal and but for tremendous defending by all the backs and a wonderful save from Seamus Budds this game could have ended in a draw. It was heart stopping stuff for the last seven or eight minutes and it was only when Reiteoir John Hunt finally blew the whistle in the 36th minute of the half that we had survived the Fenor onslaught and we were county champions.

Final score Clashmore 1-8 Fenor 1-5

Team; Seamus Budds, Ed Beresford (capt.) James Kelly, Brian O'Neill, Seamus McGrath, Karl O'Keefe, Philip Dee, Michael Fenton 0-1, Brian Murray, Pat Lombard 0-1, Mike Shalloe 0-3, Kevin O'Rourke 0-1, Donal Fitzgerald, Stephen Barron 0-1 and Seamus O'Rourke 1-1. Subs Conor O'Riordan for Donal, Gerry O'Rourke for Seamus McGrath and Vincent O'Rourke for James Kelly; Barry Dunne, Declan Hickey, Ml. Cliffe, Joe Salmon, Ml. Hynes. To each and every member of the panel we say well done but especially to the three veterans James Kelly, Mike Shalloe and Mike Hynes. Eddie O'Shea Continues To Lead The West At Well Attended Western Bord na nOg Convention

On Friday night last November 17th Western Bord na nOg delegates and officers met at Lawlor's Hotel to review what has been a very busy and successful year for the board.

Chairman Eddie O'Shea welcomed the delegates and invited guests P. J. O Riain, Co. Adult Chairman and Sean Whelan County Bord na nOg Chairman to the convention and started the ball rolling by asking treasurer Jimmy McCarthy to present his treasurers report to convention.

As always Jimmy's report was excellent in content and in description and while it showed a minus figure of £500 approx for the year, the amount of work done and money spent by the board was exceptional. Jimmy's report was adopted by the meeting and it was emphasised that patrons attending the semi finals and finals of Western Bord Na nOg Competitions should refrain from harassing people over the

subject of paying into these matches. It has to be understood that without these gates Bord na nOg would cease to function, something I believe nobody wants.

Next on the agenda was the secretary's report which again this year was produced by Tomas Keane in a precise and professional manner. Every single activity during the year was detailed in the report, so much so as Tomas has not any questions to answer from the floor. Well done again Tomas.

The Chairman Eddie O'Shea then addressed convention and in a comprehensive address stressed the need for continued cooperation between clubs and the board, especially in regard to match postponements, which at times during the year was unsatisfactory. He thanked all the club secretaries and mentors for their years work and wished them well in the year ahead.

County adult Chairman P. J. Ryan then addressed convention on the invitation of

Chairman Eddie O'Shea. Paddy Joe said his usual complimentary piece and thanked Eddie for his kind words towards himself and County Treasurer Tony Morrissey and assured the Board of his continued support of Bord na nOg. He also stressed the importance of the divisional championships and felt they were unfortunately suffering at the hands of the County Championships.

Many club delegates agreed with the Chairman on this point, but the place to change that is at County Bord na nOg Conventions, and it is imperative if Western Clubs feel a need for change that they attend and vote at County Conventions and at the first delegate meeting of County Bord na nOg.

Next County Bord na nOg Chairman Sean Whelan was invited to address the delegates and he also thanked the Board for their work over the year and for their cooperation with County Bord na nOg.

We then came to the election of officers and suffice to

say about this is that a vote of total confidence was given to the outgoing Board Officers who were duly reelected.

List of Officers; Chairman Eddie O'Shea. Vice Chair; Paddy Foley. Secretary Tomas Keane. Treasurer Jimmy McCarthy. Asst. Treasurer Paddy O'Grady. PRO John O'Brien. Registrar Seamus O'Brien.

The motions all to do with U-21 Hurling and Football were moved by Dungarvan and referred to the January fixtures and championships meeting.

The Chairman then read out a detailed report on the Western U-16 hurlers which was formulated by John O'Brien, one of the U-16 hurling selectors. This brought much discussion from the floor, but its contents are for another day and a different forum.

The meeting ended with the Chairman's presentation of medals to all championship winners for the year 2000 and we look forward now to our January meeting and an equally successful 2001.

Juvenile GAA Round Up By J.O.L.

The Waterford under 14 footballers captured the first Jimmy Power under 14 football inter-county tournament at the Kilmacthomas GAA ground on Saturday last, having reached the Munster under 14 championship early in the year only to be beaten by Kerry in Limerick. This side was expected to do well in this the ninth Annual Tournament sponsored by the Power family, Kilmacthomas in honour of the late Jim Power, a leading member of the Kilmacthomas Juvenile GAA Club until his untimely death.

Waterford's opening game in this tournament was against the Leinster representatives Carlow. In this game they were trailing at half time by one goal and six points to 1 pt. This side turned in a sterling second half performance to reach the final. Ballinacourty's Mark Gorman crashed home two superb goals. De La Salle's Kevin Moran notched up a total of one goal and three points, and Ballyduff's Jamie Kearney also raised a green flag to secure a meeting for the young Deise Guns, with the boys from the premier county Tipperary who beat Waterford's second team in this tournament.

Waterford started this final with a flourish and were a point up after sixty seconds thanks to Dungarvan's Jonathan Shaw, 3 minutes later Kilgobnet's John Morrissey broke through the Tipperary defence to crack home a fine goal. Mark Gorman and Kevin Moran added two points from frees before Tipp had their opening point in the 16th minute. Tipperary began to dominate in the latter stages of the first half. They cut through the Waterford defence to fire over two more points. Mark Gorman had Waterford's last point of the half before referee Pat Prendergast blew for half time.

Kilrossanty's Michael Kirwan put over two good points in the first three minutes of the sec-

ond half, Jonathan Shaw was on target with a point two minutes later. Oddly enough this was to be the Deise boys last score of the game. Tipperary put over a point, then came a great passing movement from the Tipp defence right up to their wing forward Paul O'Dwyer who crashed home a great goal, to leave the score 1-8 to 1-3. Tipperary piled on the pressure. Waterford keeper James Quirke was called on to make a superb save midway through the second half. Tipperary added two more points, but the Deise boys stood firm in the last 5 minutes to win the county's first Jim Power Tournament on a scoreline of 1-8 to 1-5.

This was a heartening victory for the followers of under age football in the County. This team if they remain dedicated and if they are coached, will certainly be the makings of a very good minor county team in 4 years time. This was a great team performance. Team captain Ballinacourty's Peter Phelan accepted the Cup from Teresa Power from the Kilmacthomas GAA Club.

The Waterford B team were beaten in their first game by Tipperary in the Plate final.

They had to give way to Carlow on a scoreline of 3-7 to 1-5.

The Waterford A team was

James Quirke, Killian McBride, Peter Phelan, Tony Grey, John Kindregan, Thomas O'Brien, Kevin O'Neill, Stephen Prendergast, Jonathan Shaw, Damien Heffernan, John Morrissey, Edmond Cullinane, Kevin Moran, Jamie Kearney, Michael Kirwan, Patrick Hurney, Noel Buckley, Vince Relis, Damien Hurley.

The Waterford B team; Jason Seward, Declan Allen, Emmet Kelly, Michael Moore, David Casey, James O'Donovan, Pádraig Nugent, Jamie Nagle, Michael O'Mahoney, Declan Byrne, Mark Fives, Tossie Mullins, Stephen Begadon, Jerry Burns, Gary Walsh, Paul Meyler, Tommy Power, J. J. Hutchinson, James Dooley, Dereck Larkin, Allan O'Shea, Mark Hoban, Gary Burke, Kieran Hassett.

The Western Board na nOg Convention took place at Lawlor's Hotel on Friday evening last. All outgoing officers were returned unopposed, Chairman Eddie O'Shea, vice Chairman Paddy Foley, Secretary Thomas Keane, Treasurer Jimmy McCarthy, Assistant Treasurer Paddy O'Grady, Registrar Seamus O'Brien.

This was one of the biggest attendance at a Western Bord na nOg Convention for many years with only two clubs inexcusably absent on the night.

Waterford Kick-Off League Campaign With Victory

WATERFORD 3-13 TYRONE 2-13

Waterford kicked off the 2001 League campaign with a 3 point victory over Tyrone in a cracking game played at the Confey GAA grounds in Kildare last Sunday afternoon. Short Martina and Geraldine O'Ryan, Marion Troy, Annelisa Crotty, Rebecca Hallahan, Brigid Hannigan and Claire Ryan from the team that played in the All-Ireland Final six weeks ago, the newcomers did exceptionally well, leading by 11 points at one stage in the second half, before eventually surviving a furious Tyrone onslaught in the last quarter.

Tyrone fielded virtually a full-strength side and it was tit for tat in the opening 10 minutes. Catriona Casey pointed a lovely free. Tyrone's impressive full-forward Lynette Hughes quickly equalised before Julie Torpey selected in attack, shot the first of her 6 points from play in the fourth minute. Caroline Kelly again equalised from a 6th minute free but Torpey sailed through for a 9th minute point.

Full forward Aoife Murphy opened the account with a point 2 minutes later but Tyrone soon rallied and a quick point by Shauna McGirr and Kelly from a free made it 0-4 each after 15 minutes. Gradually Waterford, helped by midfielders Old Parish pair Mary O'Donnell and Deirdre Breathnach began to dominate with wing backs Aine Ryan and Elaine Power also impressive. Julie Torpey, Mary O'Rourke and Niamh Barry all landed points only for Tyrone to break away and centre forward Dolores Hughes shot to the net to level scores again.

Waterford then hit a purple patch as Torpey pointed, Barry slammed home a goal. Tyrone replied briefly but with star forward Eilis Gormley pointing, Aoife Murphy finished a great move to the Tyrone net and Julie Torpey's fifth point gave the Decies girls a 2-9 to 1-5 interval lead.

Waterford began the second half at a cracking game. Torpey added another point breaking through from 5 yards before Aoife Murphy scored a cheeky goal from Aoife's 13-metre free, she quickly added a point and Waterford seemed to be in an unassailable lead, 3-11 to 1-5 after 37 minutes. Tyrone staged a storming come-back as Lynette Hayes (2) and Eilis Gormley pointed before D. Hughes lashed home a 47th minute goal and it was very much 'game on' after that. Two further points had Waterford rocking before Aoife Murphy steadied the ship with a pointed free in the 49th minute.

Waterford then missed a good goal chance with Tyrone keeper Hayley Boyle saving well but they continued to attack. Marie Hogan and Linda Wall came into the Waterford attack but two Tyrone points from a Kelly free and Eilis Gormley left 3 points between the teams after 54 minutes.

By then Julie Torpey was back at centre back. Triona Whyte and Olivia Condon made a couple of timely interceptions as Aoife Murphy and Lynette Hughes swapped points. It took a great save by Waterford keeper Sarah Hickey to save the day as time ran out for Tyrone.

For three-quarters of the game, Waterford played very well. They lacked a bit of experience in the closing quarter giving away the ball too much and made life difficult for themselves. Elaine Power, Mary O'Donnell, Aine Ryan, Aoife Murphy and Julie Torpey were the outstanding performers but overall it was a very good game.

Waterford: Sarah Hickey, Triona Whyte, Angie Walsh, Olivia Condon-Butler, Aine Ryan, Ciara Prendergast, Elaine Power, Mary O'Donnell, Deirdre Breathnach, Julie Cunningham, Niamh Barry (1-1), Julie Torpey (1-6), Catriona Casey (0-1), Aoife Murphy (2-4), Mary O'Rourke (0-1). Subs. Marie Hogan and Linda Wall.

UNDER-12 'A' CHAMPIONSHIP

Ballymacarby won the under 12 "A" championship for the second successive year with a 3-2 to 0-3 victory over Comeragh Rangers at Bushy Park on Saturday. It was an excellent game of football and goals by Mairead Wall, Melanie Costigan and Sinead Condon proved the difference but Comeragh Rangers certainly put it up to Ballymacarby.

INTERMEDIATE HURLING COUNTY FINAL

Ballyduff Hold Out Against Wasteful Abbeyside

**Ballyduff 2-7
Abbeyside 0-9**

This was an extraordinary game in that the winners failed to raise a single flag in the second half despite scoring 2-7 in the first half, and Abbeyside, trailing by 11 points at the end of the half, shot a dozen second half wides to lose by 4 points. Ballyduff had no second half score and just a single wide.

Ballyduff came off winners and thanking their lucky stars that Abbeyside were so amazingly wasteful in a second half which they controlled from start to finish. Abbeyside will remember this as "the final which they left behind them." The gale force wind which swept down field into the road goal, played havoc with this game also. Effectively, it resulted in a game of two contrasting halves with play remaining in the 'road' half of the field for almost all of the 60 minutes.

PLAY

Abbeyside were first to score when Mickey Enright pointed after only 38 seconds. Ninety seconds later Jack Kennedy goalied for Ballyduff. Abbeyside mounted a fruitless attack before Ballyduff came back for their second score which was a Nial Power point from a free in the 12th minute.

Derek Van Veen had a point to increase their lead, but Seamus Burns brought one back for Abbeyside in the 13th. minute. Abbeyside were not to score again until the second half. Nial Power from a free and Shane Larkin from play was followed by a 22nd minute Stephen O'Leary goal which went in after a rebound off the up-

right. Further scores by Derek Van Veen, Nial Power and Conor Kenny left the halfway score at 2-7 to 0-2 and Abbeyside with a mountain to climb.

SECOND HALF

Michael Enright from a free and Seamus Burns from play in the first two minutes reduced the leeway but following this, and despite enormous pressure Abbeyside were unable to penetrate the rock solid defence of the eastern champions whose outstanding keeper Brian O'Leary denied them a couple of certain goals. Seventeen minutes of play went without another score with Abbeyside battling with the Ballyduff defence. A '65' was converted by Damien Cliffe and a point from play by John Paul Keoghane who had an outstanding game all through reduced the deficit to 7 points by the 50th minute. Points by Gary Hurney, Seamus Burns and Ray Cliffe increased the Abbeyside total to 9 points but this was 4 short of Ballyduff's total.

It was a case of Ballyduff's first half display winning them their first ever title in the grade. They deserved their victory, more for the manner in which they defended in the second half when Abbeyside were completely on top but unable to score.

Scorers — Ballyduff — J. Kennedy and B. O'Leary 1-0 each, N. Power 0-3, D. Van Veen 0-2, S. Larkin and C. Kenny 0-1 each; Abbeyside — S. Burns 0-3, M. Enright 0-2, J. P. Keoghane, R. Cliffe, D. Cliffe, G. Hurney 0-1 each.

Leading by 1-5 to 0-5 at the break, the Nire added a further 4 points as against 2 for their opponents in the second half.

Scorers — Nire: S. Walsh 1-6, A. Lawlor 0-1, P. Walsh 0-1, P. Gorman 0-1; Gaultier: Paul Murphy 0-5; P. O'Sullivan and D. Curran 0-1 each.

MUNSTER CLUB HURLING FINAL

Mount Sion Take On Six Mile Bridge At Thurles

This will be Mount Sion's sixth appearance in a Munster club final and here they will be attempting to break the Clare stranglehold on the title as the champions from the Banner County have won every title since 1995. Mount Sion qualified by beating the Cork champions

Newtownshandrum and the representatives from Kerry, Ballyduff, in the semi-final. Both matches were played at Walsh Park. Now they travel to Thurles to take on the new Clare champions, Six Mile Bridge who overcame the Limerick champions, Patrickswell in

the other semi-final on Sunday last. It was an 0-13 to 0-12 thriller that kept a huge attendance on their toes until the final puck of the game. The news from the Mount Sion camp is that they have no injury problems and will take the field ready to mount a mighty challenge in a bid

to win their second Munster title in this championship. Their previous victory was when beating South Liberties nineteen years ago in 1981. All the important weekend matches in the county will be played on Saturday in order to allow supporters free to travel to Semple Stadium in support of Mount Sion. We wish them all the luck that they need.

NEXT WEEKEND FIXTURES

Ballinacourty To Feature On Double Bill At Fraher Field

JFC: 'B' Ballinacourty v. Kilgobnet
JFC: Final Ballinacourty v. Emmetts

I cannot recall a programme on a double bill where just 2 parishes supplied the 4 teams. It will happen on Saturday next at Fraher Field when Ballinacourty play Emmetts in the

Divisional junior football decider and Kilgobnet in the "B" final. I have no idea as to what the results will be but the expectations are that Emmetts will win the junior tie and

Ballinacourty will come out on top in the other game. Ballinacourty, said to be becoming leg-weary from the non stop activity over a three months period, are not likely to have the same ap-

petite as Emmetts who have been playing very well since the commencement of this championship. It is unlikely that the second string Ballinacourty fifteen will match them.

N.F.L.

Waterford

v.

Longford

For the second time within a fortnight, our footballers travel northwards and while they are not expected to defeat Longford up there in Round 3, they will give the game their best shot. For their match against Down the selectors had to rely on a number of players who had played in the intermediate hurling western final on the previous day. This is not the ideal situation for any game, but circumstances made it necessary for that match. For next Sunday's game all their required panelists should be available, but it is a matter of conjecture if this will strengthen our challenge. As I wrote two weeks ago, the footballers are adopting a 'mark time' policy while they are included in a group with the likes of Kildare and Down, etc. and will look to the following year's league when counties will be graded in accordance with their placings on the current league when the competition is finished. I believe that one or two other counties are doing likewise. Winning the McGrath Cup is the immediate objective of the Waterford selectors, who, incidentally, are not in the least enamoured with the new football championship regulations for next year.

N.F.L.

WESTMEATH

v. **LONDON**

The aftermath of this match played in Ruislip two weeks ago made the headlines for all the wrong reasons. Before boarding the plane for the return flight, airport officials accused some of the Westmeath players of being under the influence of intoxicating liquor. When these accusations were challenged the pilot was called upon to make a decision and he was satisfied that they would constitute a risk to the flight and the entire party were forced to stay overnight at Heathrow Airport as a result. The Westmeath county board came out strongly in defence of their team party in the daily papers on the following day and stated that the whole affair was grossly exaggerated. My opinion is that the airport officials in this case would not have acted as they did unless they were satisfied that some of the team party were well over the limit. The affair is not finished with and it will be interesting to see how it works out. Incidentally, Westmeath won the game (and that was the reason for the celebrations). Interestingly, the London team included a couple of former Waterford players who are presently domiciled in London. These included Fergal Cunningham who figured in the scoring for London. He was a member of the three-in-a-row Dungarvan team who won senior championships here just a decade ago.

CO. BOARD MEETING

This is the 'winding down' meeting of the senior board and it will take place at Lawlor's Hotel on Monday night next. The agenda lists a number of items that are routine matters, but it is expected to be a short meeting nevertheless.

JUNIOR HURLING COUNTY FINAL

Western Champions Clashmore Survive In Thriller

CLASHMORE 1-8 FENOR 1-5

CLASHMORE JUNIOR HURLERS, WATERFORD COUNTY CHAMPIONS 2000. They beat Fenor 1-8 to 1-5 in a splendid final in Fraher Field, Dungarvan. —(Photo: Sean Byrne).

Brave courageous Clashmore went home from Fraher Field on Sunday afternoon to celebrate a victory won in one of the very best junior hurling county finals ever enjoyed in this county. It was a mighty game and it took a mighty effort to win it. At halftime, having played with a near gale force wind, they led by a miserable two points and very few neutrals and not many Clashmore people believed that they would hold out against the Eastern champions. Fenor were in control of the game for the second quarter and were a bit unlucky to have missed scores.

It was a contest from start to end with no quarter asked or given. A cracker of a game that was punishing and which must have been responsible for a lot of sore bones.

It was 0-6 to 1-1 at the break and Clashmore added 1-3 in the second half and through sheer grit and fierce determination, held the gale force wind assisted Fenor to four points. It was truly a remarkable achievement. An amazing feature of the match was that all Fenor's five points were scored from frees, their only score from play was David Burns 12 minute goal. All but one of Clashmore's 8 points came from play.

It was a victory that the club will savour and talk

about for a very long time to come and a performance that will certainly earn them the respect of the other clubs in the intermediate championship next season.

PLAY

Michael Shalloe pointed from play within the first minute and receiving from Stephen Barron, Shalloe added another from play in the 2nd minute. Michael Fenton pointed in the 4th minute and within another minute Seanie O'Rourke did likewise. Kevin O'Rourke got Clashmore's fifth point in the 8th minute and at this point it looked as if it was going to be a rout for the Western team. But they were pegged back after this and were not to score again for the next 22 minutes until Michael Shalloe sent over their only point from a free in the 30th minute. In the meantime

Fenor hit back and took control for the second quarter. David Burns pointed a free to open their account in the 12th minute and just two minutes later the same player broke through for what was a splendid goal and a score that rocked Clashmore

The match was now being played at a blistering pace and each side had scoring chances. Fenor goalkeeper Derek Gehan denied Clashmore a goal with a brilliant save in the 25th minute.

Michael Shalloe's 30th minute point left the halfway tally at 0-6 to 1-1 in favour of Clashmore.

SECOND HALF

With the gale behind them the eastern champions set about reducing the narrow 2 points lead and within a minute David Burns converted a free to bring it down to one.

Then, what was a disaster for Fenor, happened in the 43rd minute when Seanie O'Rourke, receiving from Michael Fenton, shot to the net for their vital goal and the score which inspired the Western team to maintain their grip on the match.

Eoin O'Neill pointed a Fenor free but a great point by man of the match, Stephen Barron in the 49th minute restored Clashmore's 4 points advantage. Fenor piled on enormous pressure, but the magnificent Clashmore defence held on grimly but conceded two frees and from which Eoin O'Neill and Stephen Burns scored to leave the score dangerously poised at 1-7 to 1-5 with a lot of anxious minutes remaining. Still, Clashmore refused to yield and the final say was left to Pat Lombard to score the point which left them safe from defeat at least and Fenor requiring a goal to earn a draw. It never came and the final whistle sound-

ed in the 65th minute to spark off an explosion of excitement among the Clashmore supporters.

It was their second title in this championship, their first being achieved coincidentally against the same club back in 1969. After the final, team trainer, Seanie Hannon expressed himself delighted with the gallant display from a tremendously committed bunch of players.

Before presenting the cup to the winning captain, Ed. Beresford, the county chairman P. J. Ryan called for the applause of the crowd for both sides and there was a willing response.

Scorers — Clashmore: S. O'Rourke 1-1, M. Shalloe 0-3, M. Fenton, K. O'Rourke, S. Barron, P. Lombard 0-1 each; Fenor — M. Burns 1-2, E. O'Neill 0-2, S. Burns 0-1.

Clashmore — S. Budds, Ed. Beresford, J. Kelly, B. O'Neill, S. McGrath, K. O'Keefe, P. Dee, M. Fenton, B. Murray, P. Lombard, M. Shalloe, K. O'Rourke, D. Fitzgerald, S. Barron, S. O'Rourke. Subs., C. Riordan, V. O'Rourke.

Convention News

The news that contests are now certain at the Western Board convention is sure to arouse some interest in the meeting. This will not effect the attendance as this Division is noted for having 100% attendances at all their conventions.

In accordance with a new Western board regulation, those nominated must declare their intentions ten days before the convention. In this case it is Monday, November 27th. After this, the position will be much clearer.

The motions all relate to the championships and leagues and all but one are matters for the fixtures meeting, but nevertheless clubs will be given the opportunity of making their views known on the various proposals.

The Melleray/Glen Rovers club are seeking to have an additional championship introduced. This will be confined to the second teams of senior/intermediate clubs. This will need convention approval.

COUNTY CONVENTION

Motions and nominations for the county convention closed on Sunday last and a full list of these will be published next week.

I do know that the Dungarvan club have submitted a motion which will require the GAC to play the senior, minor "A" and "B" hurling county finals on the same programme on the same date. This will also include football.

This is an excellent motion and one that deserves support. Playing minor finals in isolation is downgrading the underage championship. Playing them as a part of the senior county final programme will give a badly needed lift to the minors in both codes.

County Review Body

That is not the exact name given to it, but in effect that is what it will be when the elected officers of all the boards, Divisional and County Bord na nOg with Divisional and County adult boards, get together for a review style conference in the new year. Administration, finance and competition structures are among the topics to be discussed

This idea will be seen as a splendid opportunity for the members elected to run the association in the county to express their opinions on the topics listed above.

The announcement was made by the County Chairman, P. S. O Riain when addressing the Western Bord na Og convention on Friday night last

St. Augustine's Bow Out Of Munster 'A' Football Championship

Colaiste
Christi Ri 2-4
St. Augustine's 0-6

The Friary College senior footballers bowed out of this year's Munster 'A' Championship when going under by 4 points to Cork side Colaiste Christi Ri. Both sides battled hard in wind and rain at the Clashmore venue and the Cork boys just about deserved their victory. St Augustine's began with the aid of the breeze but were rocked by the concession of an early goal. Billy Harty replied for the Dungarvan side with a smart point but the Friary were really up against it when another goal was conceded to a fast moving Christi Ri attack. Augustine's then enjoyed their best spell stringing together some excellent moves resulting in points from Harty again, John Wall, John Hurney. Half-time score read Christi Ri 2-0, St. Augustine's 0-5.

The second half was a more dour affair as playing conditions worsened. Cork minor star James Masters made the most impact with accurate kicking from play and from frees as Christi Ri gained the upper hand. St. Augustine's never gave in and Shane Hayes kicked a good point. Stephen Kett made one brilliant save in goal while Conor O'Connor and Eamonn Walsh, who was returning from injury, were prominent in defence. Hurney, and Harty had their moments in attack.

Despite this defeat, the return to 'A' football can only be of benefit to these young players. They more than held their own against Christi Ri and St. Brendan's, Killarney in the earlier rounds and hopefully the Round Robin system will be retained

for next year.

St. Augustine's team — S. Kett (Cappoquin), K. Looby (Cappoquin), C.O'Connor (Ardmore), E. Walsh (St. Oliver's), J. Coade (Kilrossanty), R. Hanrahan (Ballinacourty), N. O'Brien (Ardmore), S. Hayes (Dungarvan) 0-1, J. Hurney (Ballinacourty) 0-2, P. Wall (Lismore), J. Ledingham (Clashmore), L. Briggs (Ballinacourty), R. Mc Carthy (St. Oliver's), B. Harty (Ardmore) 0-2, J. Wall (Colligan) 0-1. Subs used: D. Fives (Ballinacourty) for R. Mc Carthy, E. Fitzpatrick (Dungarvan) for B. Harty.

Many thanks to Clashmore G.A.A. for the use of the venue and to referee Timmy O'Keefe.

LADIES ALL IRELAND CLUB
CHAMPIONSHIP SEMI FINAL

Last Minute Defeat For Ballymacarbry

TIMAHOE 3-11 BALLYMACARBRY 2-13

As darkness descended on Stradbally (Laois) GAA pitch on Sunday week last. A last minute point in the 30th minute of extra time finally saw off a gallant Ballymacarbry challenge and pushed Laois and Leinster champions Timahoe into their first All Ireland club final where they will play Monaghan Harps next week. It was heartbreak on a Ballymacarbry team that were forced to line out without Geraldine O'Ryan and lost Martina O'Ryan through injury at a crucial stage of the game.

The Stradbally pitch was in excellent condition as two committed teams served up a thriller that had a fine attendance well entertained. Marie Crotty's opening point took just 47 seconds, part of a tally of 1-9 which included a couple of magnificent points from difficult frees. Timahoe's Sue Ramsbottom equalised in the 2nd minute before Crotty and Marian Ryan edged Ballymac' 2 points clear by the 9th minute.

Ballymac's defence gave Sue Ramsbottom too much room in the 14th minute, she latched on to a loose ball as 2 defenders hesitated and she drove home an unstoppable shot into the top right corner of the net. Marie Crotty from a free and Linda Walsh shot points to put the Waterford representatives back in front but Liz Cahill levelled it up in the 24th minute with a point. Ballymac' then put together the best move of the game beginning with Catriona Casey deep in defence, ending with Marion Ryan putting her sister Claire in for a goal. Claire and Timahoe midfielder Alison Hoban swapped points to leave Ballymac' 1-6 to 1-3 ahead at the interval.

Ballymac' got the best possible start to the 2nd half as Marie Crotty's 36th minute free went all the way to the Timahoe net surprising keeper Bernie Deegan. Sue Ramsbottom replied with a brace of points before Lulu Carroll caught a free virtually on the endline and her hopeful drive was deflected to the Ballymac' net, 2-6 to 2-5 after 40 minutes.

Timahoe's centre forward Fiona O'Driscoll shot the equaliser but ever reliable Marie Crotty edged Ballymac' back in front from a free after Marie Hannigan was fouled. Indeed Hannigan, just 13 years of age, had a fine game. Liz Cahill shot the equalising point and Timahoe mid fielder Claire Casey put the home side in front in the 58th minute. Marie Crotty pointed a difficult free to send the game into extra time as Ballymac' missed two late chances to win the game. Linda Wall scored a good point to put Ballymac' back in front but then Martina O'Ryan had to go off injured with a nasty eye injury. Lulu Carroll equalised from a free and substitute Niamh Delaney scored a crucial goal to put Timahoe firmly in the driving seat.

Crotty and Ramsbottom swapped points to end the first period of extra time with Ballymac' 3 points in arrears.

Martina O'Ryan returned to the fray as Marie Crotty shot 3 great points from play to level the scores by the 19th minute. Then followed 10 scoreless minutes with play flowing from end to end before Niamh Delaney landed the winning score from a disputed 45 and Ballymac' were out. They lost nothing in defeat with several great performances, particularly the younger players Marie Hannigan, Michelle Ryan, Linda Wall and Marian Ryan. Others to share were Paula Walsh, Martina O'Ryan, Aine Ryan, Ballymac's best player of the championship, Catriona Casey, Claire Ryan, Rebecca Hallahan and Marie Crotty whilst everybody else tried hard. There is a great future for this team, no doubt about that.

Ballymac' — S. Condon, A. Dunford, N. Walsh, P. Walsh, A. Ryan, M. O'Ryan, M. Ryan, A. Crotty, C. Casey, R. Hallahan, C. Ryan (1-1), L. Wall (0-2), M. Ryan (0-1), M. Crotty (1-9), M. Hannigan. Sub: A. Wall.

ARDMORE GAA NOTES

DRUGS AWARENESS

Drug abuse, as we know is a huge problem in our country and has ruined many young people and indeed claimed a number of lives. It would be naive of us to think that little Ardmore is immune from all this. It is not. Det Garda Oliver Stapleton, who is a member of the National Drug Unit, will give a talk to the 5th and 6th class pupils of Ardmore National School on Monday next (November 27th). All of these young boys and girls are the customers that pushers will target over the next couple of years. Garda Stapleton will address teenagers, in St. Declan's Hall on the same (Monday) evening, from 7 to 8.00 pm. And from 8 to 9.00 pm he will give a talk to parents. Admission is free and all are welcome. We, in the GAA club, recommend all our teenage

members to attend this very important talk. Garda Stapleton is particularly interested in meeting the parents of the 5th and 6th class pupils at the parents talk.

UNDER 21'S DRAW

Our hurlers had the difficult task of picking themselves up after the disappointment of the Western Final defeat, with a first round under 21 hurling championship game against Lismore, at Tallow, on Saturday last. We fielded a strong outfit on paper, but we quickly found out the difference between junior and 'A' hurling. The Lismore lads have been hurling at 'A' right through and had quite a few of their senior panel, all used to hurling at the highest level. This was our first venture into under 21 A. Their deft flicks and speedy block downs were not easy to deal with. Whilst this was a game

we could have won - again we wasted some scoring opportunities - it was Lismore who really missed the boat, as they should have scored a goal and three or four points in the final few minutes. Credit where it is due to our lads. For the second week in a row we led throughout and then trailed by 2 points with only minutes remaining, but we kept on battling and through sheer guts came back from the dead to level the match. Declan O'Donnell had a good game in goal and Austin Flavin and Declan Prendergast were the pick of the defence. Wayne had another fine game in the middle of the field. Seamus gave every last ounce of honest effort and scored 7 of our eight points and it was he more than anyone else, who rescued this game. Ciaran Foley had a point to prove and had a fine game, especially at centre forward and scored a great point and Eoin Foley had a fine first half. John Conway, when he was introduced looked sharp and dangerous and surely pressed claims for a starting place next week. As far as I know, the replay is fixed for Tallow, next Saturday, at 2.00 pm.

CLASHMORE WIN OUT

Congratulations to our neighbours Clashmore on winning the Junior County Final. I'm not sure if it's their first, but it's well deserved, as they have been one of the most consistent teams in this grade for the past four or five years. So if we're to avenge our Western Final defeat we'll have to win the Junior next year and go up and meet them at Intermediate level.

PRENDERGAST BROTHERS ON COUNTY DUTY

Well done to nineteen year old Declan Prendergast on making his Senior Intercounty

debut, alongside older brother Seamus, last Sunday. This call up has been on the cards, following his brilliant displays at the heart of our defence. I must say, we were flabbergasted earlier in the year, when he failed to make the under 21 panel. And what a fine debut he had as he looked totally at home at this level. Seamus too had a fine game and contributed a fine goal and earned a few vital frees which helped Waterford to draw with Laois.

COUNTY UNDER 20'S

A number of our players had a run out on Sunday morning with the Waterford under 20 football panel under the watchful eye of John Hennessy. Wayne and Richie Hennessy, Seamus and Declan Prendergast, James O'Donnell and Damien Lenane are our representatives on this panel. They are preparing for the forthcoming tournament final with Limerick.

UNDER 13

There will be no training this Saturday.

COMMITTEE MEETING

Don't forget, an important committee meeting is scheduled for Thursday night at 9.00. This is a follow on from the development meeting and all committee members are requested to attend.

SYMPATHY

The club extend sympathy to the Trihy family on the death of Mrs. Nell Trihy.

WEEKLY LOTTO

Our Lotto draw this week was held at Paddy Maes and 6, 14 and 15 were the numbers out and again there was no winner. Ten tenners go to the following - Jay Prendergast, Padraig Foley, John Hallahan, Ann Looby, Carol Morrissey, Niamh Crawford, Pat Hickey, Killian McGrath, Michael Hennessy and Terry Ruste. HIGH STANDARD IN EXCITING 'A' FINAL

Ballymacarbry and Abbeyside produced a top quality game at the Fraher Field on Saturday afternoon last. The contest began at a lively pace with Abbeyside with the wind behind them exerting the most pressure. The points flowed from John Gorman (free), David Walsh and John Gorman again with an excellent kick from the hands from the sideline. Alan Lonergan pointed to keep Ballymac' in touch. David Walsh replied for Abbeyside. Then came the most important score of the game - a goal for Ballymac' by Shane Gleeson who struck the ball low into the left hand corner. A good attacking movement for

Abbeyside ended with Ciaran Mitchell booting the ball to the back of the net. Exciting stuff. Kevin Morrissey pointed for Ballymac' but John Gorman replied from long range. Half time Abbeyside 1-5 Ballymac' 1-2.

Ballymac dazzled with the wind. Shane Gleeson, Richard Fenton, Eamonn Morrissey (twice) and Richard Fenton again all pointed. Abbeyside had chances but missed some scorable frees. Ciaran Mitchell closed the gap and with five minutes remaining there was only a point between the teams. Evan Morrissey stretched the lead to two points. A high kick into the area by Richard Fenton ended up in the back of the net. The Abbeyside challenge ended and a Shane Gleeson goal followed by a point by Alan Lonergan produced a scoreline that did not do justice to the Abbeyside effort.

A Shane Hannon delivery produced an own goal for Ballyduff. It gave them confidence. Shane Hannon pointed. A Shane Kearney free ended up in the back of the net. Points from Ciaran Ó Manacháin and Pádraic Ó Murchú steadied things for An Rinn. A point by Shane Kearney gave Ballyduff a one point lead at half time.

Leis an gaoth taobh thiar diobh bhí An Rinn ar fheabha. Scóranna Ó Peadar McCraith (0-2), agus Deaglán o hArta (1-1) agus bhí siad ar muin na muice. A brilliant Shane Hannon solo-run failed to produce a score for Ballyduff. Points by Pádraic

Piltown attacked constantly. Shane Kearney blocked down well. A good solo-run by Brian O'Halloran and he pointed for Piltown. A pass from Aidan Trihy to Liam Keogh set up another point. One of the countries better known amateur jockeys Peter Fahey has moved to the U.S.A. to try his luck in that country over the next six months. Gordon Elliot will now ride most of the bumper runners from the Jessica Harrington yard.

KYNE EDGE SOLD

Owner JP McManus added to his string of top class national hunt horses over the weekend purchasing exciting novice chas-

er Kyne Edge. The horse will remain in training with Michael O'Brien and his current target is the Denny's Gold Medal Chase at Leopardstown on St. Stephen's Day.

BRENDAN'S FIRST

Ex jump jockey Brendan Powell who hails from county Kildare enjoyed his first success as a trainer at Kempton Park in London last Wednesday saddling My Galliano to capture the novice handicap hurdle. My Galliano was ridden by fellow Irish man Liam Corcoran.

TED'S TRIO

Trainer Ted Walsh has high hopes for a number of his stable stars. Papillon and Commanche Court should win their share of races but Ted's highest hopes rest with Rince Ri. A winner of the Power Gold Cup at Fairyhouse and the Ericsson Chase at Leopardstown Ted reckons the best is still to come from this gelding. Come March Rince Ri could prove sound each way value for the Cheltenham Gold Cup.

WINNERS GALORE FOR BRIAN

Amateur rider Brian Murphy who rode a number of winners in this country when attached to the Christy Roche yard is currently enjoying a winning spell with north of England trainer Mary Reveley. The twenty year old from Fermoy is certain to ride plenty of more winners during the coming months.

ALL STAKE MONEY REFUNDED

Despite the fact that he proved successful in the Point To Point field and also won a maiden hurdle at Ballinrobe nobody not even his syndicate of owners managed to place a wager on Mr Ventura at Thurles last Thursday afternoon and when the 25/1 charge came home in front under Mark Madden, unbacked on the tote all win stake money on any other horses in the race were refunded in full.

SPARKLING RUN BY LOOKS LIKE TROUBLE

The Noel Chance owned Looks Like Trouble produced a sparkling display in the featured James Nicholson Wine Merchants Champion Chase at Down Royal over the weekend. Jumping from fence to fence for rider Richard Johnson Looks Like Trouble the 5/4 favourite answered every call from his young jockey making every yard of the running from Flagfall for a facile victory over a gallant Dorans Pride. Not for the first time in his career Florida Pearl failed to produce the goods and must be a frustrating animal to train.

LIMESTONE LAD WINS AGAIN

The Bowe family are certainly picking up some soft prizemoney with Limestone Lad and they added yet another five figure sum to the coffers at Punchestown last Saturday when their stable star overcame a monumental blunder at the second last fence before running out a fifteen lengths winner over Generosa. We should not get too carried away with these easy victories as he has yet to take on any quality opposition. It was a pity that Knife Edge was withdrawn from last Saturdays contest.

BANK OF IRELAND TOURNAMENT UNDER WAY

The first round of the Bank of Ireland team tournament got under way last Friday night with match fixtures on both courts. The team captains on this occasion are the number 2's, so all players know where to turn to for advice when in crises. On court 1 we had team (A) captained by Paddy Walsh snr versus team (C) the captain here was Eamonn Cunningham, what a match those two had.

The overall results from that fixture are as follows; P Walsh 2 E Cunningham 3. A Lally 1. R Moore 3. J Hackett 2 D Whelan 3. B Hamilton 3. P Walsh jnr 0. S Ready 2. D Hamilton 3. There were three very close matches to report from here. First up were captains Paddy v Eamonn like I said earlier this was probably the closest of them all. Eamonn would have been many peoples favourite here but that's what Paddy would have liked, and he did as he played some of the best squash he has played in a long time taking a 2/1 sets lead. Good darts Paddy. But Eamonn using all his fitness and running levelled matters in the fourth and Paddy looked in big trouble. The fifth set started very close but Paddy wasn't finished just yet and playing very crafty squash took a match winning 8-5 lead, and now who was in big trouble. Could Eamonn cope with the pressure, the answer yes he played his guts out for a few long rallies and made it 8 all just what the doctor ordered but not for Paddy and Eamonn went on to take the match 3-2.

The next match to report from was between the no 3's J Hackett v D Whelan with Jason stepping up a grade here and deservedly so might have been out of his depth but it didn't turn out that way as Jason can count himself unlucky not to have won his match. He took a 2/1 sets lead and looked a winner but Danny had a little more experience when it counted and

fought back to take the match 3-2. For Jason he now has proved himself at no 3 and I'm sure we will hear more from him at this level again.

The third match report from the fixture was at no 5 where D Hamilton played S Ready. Darren had a lot on his mind going into this match. First he had to win to put his team through to the next round. Second it had been reported to his captain that his girlfriend had kept him out late the night before and third he was sporting a new haircut that by all accounts he wasn't too happy with. So how would he cope? Jokes aside he played very well to go 2/0 in sets up but Shane fought back and levelled up. Darren kept his head 'god knows how' and clinched the match 3/2 to put his team through to round 2 on a final team score 11 pts to 10.

On court were team (E) captained by Niamh McMahon v team (G) captained by Ray Hahesy. Fixture results G Hamilton 3. K Tutty 1. J Fleming 3. S Leahy 0. K Kelleher 3. B Winters 1. S Walsh v B Foley and N McMahon v R Hahesy did not have to play. It turned out to be a rout for Niamh's team as they claimed the first three matches convincingly. The only reported match here is between the no 5's K Kelleher v the one and only B Winters. Kenneth started off well and took the first set, but Bob just back after a long coaching trip abroad got going and levelled matters and it looked like Kenneth might be in a spot of bother but once he got his left drives going Bob had no answer. Kenneth wrapped up the match and by doing so advanced Niamh's team to the next round and more importantly kept Bob's record intact. Final score 9 pts to 2

GER WYLEY RACQUETBALL TOURNAMENT

The Ger Wyley Racquetball tournament is up and running with a few rounds played already. As this is on a league basis no team has got a grip on things yet but a lot of good

WEST WATERFORD ATHLETIC CLUB NOTES

5000 Expected For All Ireland Cross Country Championships

The National Cross Country Championships will take place at St. Augustine's on Sunday next. This is one of the biggest events on the Irish running scene and will include the juvenile even age championships together with the Junior and Senior Mens and Womens Inter County Championships. Approximately 2000 runners will take part in the various events and with spectators the total crowd in the Friary on that afternoon could exceed 5000. The event will mean approximately 1000 visitors to Dungarvan for the weekend. I am sure our juvenile columnists will mention Waterford prospects in the juvenile races but on the junior and senior events the Waterford athletes could also feature. Roisin Quinn will be taking part in the Women's Junior race and in the Men's Junior race we have some outstanding prospects in William Harty, Robert Wade and Gavan Kennedy. A team medal has to be a possibility in this race. Waterford will also be represented in the Senior Mens and Women's races and it will be great to see the long tradition of Waterford taking part in these races being reestablished.

STEWARDS

Obviously there will be a lot of stewarding to be done for this event and West Waterford AC would be grateful if as many of our members as possible that are free on the day would volunteer their services.

New York City Marathon

West Waterford was represented by two athletes in the recent New York City Marathon both of whom performed very well. Trevor Mason of Cappoquin in particular ran a fantastic race when he finished in 130th place in a time of 2.41. This is very close to Trevor's PB which he set in London earlier this year. Richie Power also made the trip to New York and ran 3.32 which he was reasonably pleased with. Richie got caught, swamped in the huge crowd in what was a chaotic start with over two minutes passing before he even got to move and it was 5 or 6K into the race before he got to run in any sort of a free fashion. Well done to both runners who have represented West Waterford in so many races throughout the year.

MEETING

There will be a brief meeting after tonight's Winter League race to decide on a course for a major race the club will be hosting next year. Anyone who has a view on what the course should be or wants to get involved in the organisation of the event should come along.

Pearse Moloney (sponsor) with previous winners of the Dungarvan A.C. Allrounder Winter League at the start of the 2000 Series. (l. to r.) Phillip Harty, Tony Shalloe, Pearse Moloney, Johnny Clarke, Eoin O'Riordan, Gerry Cantwell, Michael Bennett and in front is Rory Moloney (Rory Wyley)

June Whyte in this year's Allrounder Winter League promoted by West Waterford A.C. (Rory Wyley)

THE ALLROUNDER WINTER LEAGUE

It's Martin's Day

The first night of the Allrounder Winter League was an outstanding success with over 98 people registering and 86 running on the night. This is one of the biggest entries ever since it began back in 1994.

On the night it was the case of the two Martin's, Martin McCarthy from West Waterford and Martin Drake of East Cork who finished joint first on a time of 37.23. Interestingly enough there was joint third and fourth between the West Waterford pair of Mark Jackman and Philip Harty. Well up on the field were the Marathon Men who seem to be recovered from the Bank Holiday Marathon in Dublin. Going down the list the local cyclists are again to the fore with Tony O'Mahoney, James Veale, Justin Condon and Pádraig De Burca who are in early training for the Biathlon.

In the 3 mile it was a "Power Struggle" with Shane coming in 25.40 with Shane Kelly coming in 25.44. With a large number of new faces this league is certain to be a cracker of leagues in both categories.

The clock starts at 7.30 sharp on Wednesday so please ensure that you register in good time. "No register no time". Finally we would thank all the runners, especially the new comers, Noel O'Doherty and his new assistant Pat Whelan helped by Patricia O'Doherty. To the local Garda for their help and the Y2K kid Gerry Cantwell for his help even when his computer was down he still managed to get out the results. A full list of positions will be available next week. "Run Safely, Enjoy Yourself". PS Should your name be spelt incorrectly please inform the registrar.

WATERFORD TUESDAY NOVEMBER 14TH 2000

Shanballa Chief In Command

The showcase event on this marathon twelve race programme was the final of the Winter Unraced Puppy Stake. Sparta Eddie and Ballyquin were both absent and their places taken by Jeffys Sara and Kenetic Rip. The Tony O Connor owned Shanballa Chief (Larkhill Jo-Slaney's Maid) was sent off the 7/4 favourite and after a moderate break the favourite accelerated into the first bend rounding his field with consummate ease. Shanballa Chief was always going like a winner thereafter cruising in all of eight lengths clear of Kinetic Rip in a red hot 29.03.

Ramsgrange County Wexford owner Tom Walsh is enjoying a profitable spell with this runners of late and he enjoyed another brace of winners at this meeting with the litter comrades Regal Trooper 5/2 and Regal Honey 3/1 coming up trumps in their respective contests. Having his first ever race outing in the opening novice event Regal Trooper created a favourable impression bombing away from trap one for an all the way distance victory over Squeez The Cork. The even money favourite Micks Return appeared to pick up an injury out of the second bend and faded out of the picture. Time 29.32.

The slow starting 3/1 chance Regal Honey did not have it as easy as her brother as she was forced to weave her way through the opposition producing a well timed run to defeat a hampered Pool Shark by two lengths. in 29.36. Both Regal greyhounds are members of the April 99 litter by Lemon Trooper and Bettys Image.

In the second race confined to novice types the Willie Foley and Declan Byrne trained Bog Warrior (Top Honcho-Maltese Beauty) justified strong support 1/1 to 4/6 obliging in 29.18. When the chasing pair of Owlhawk and Majenta Vine came in contact at the opening tun Bog Warrior scampered clear for a facile four lengths victory over Owlhawk.

Michael Bagges Dove From Above (Frightful Flash-Fly Minx) produced a career best performance taking the five fifty yard contest with ridiculous ease in a speedy 30.34. Driving up the inside nearing the first bend Dove from Above quickly put the issue beyond doubt drawing clear down the back from her nearest opponent Savana Scoot. At the winning line Dove From Above had eleven lengths in hand over Savana Scoot.

Petshop Again was well supported to open his account in the fourth contest but this 1/2 favourite failed to get to grips with the fast starting No More Spice Nicholas O Connells 3/1 chance making every yard of

the running for an easy nine and a quarter lengths win over the favourite in 29.62.

Davys Star led for a long way in the fifth but she had no answer to the late burst of finishing speed

that 2/1 shot Crackator Hinni (Smooth Rumble-Safe Keeping) produced up the home stretch this Colin Welbourne owned runner crossing the winning line with threequarters of a length to spare over Davys Star in 29.71.

The Dean and Gareth Hepburn owned and Peter Brady trained Gardean Rocket (Shanless Slippy-Flower Girl) recaptured winning ways at a price of 3/1 in a graded sprint motoring clear of his rivals from his favourite trap six for a convincing four and three-quarter lengths win over Farranrory Blue. Time 16.53.

Track newcomer Lemon Aftershock (Top Honcho-Lemon Jackson) 5/4 shed her maiden tag in convincing fashion for owner Kathleen Lennon in the ninth making all the running in 29.33. Taking a flyer from trap four "Lemon" was never in any subsequent danger running out a three and a quarter lengths winner over Ballyloobey Magic.

Double Gun 6/4 and Sunshine Sam 7/4 had the betting and the race itself to themselves in the tenth contest. Utilising his rails draw to good effect the Saltee Syndicate owned and Martin Butcher trained

Double Gun (Ready About NGA-Twinkling Star) always held the upper hand staying on strongly to score by threequarters of a length in a best ever 29.29.

King Druid and Autumn Auburn dominated the early running in the eleventh but Noel Molloy's Lough Lee (Arigle Buddy-Druids Elley may) 2/1 remained glued to the fence down the far side before edging her way into the lead scoring by two lengths from Vtack Verve in 29.47.

The well supported Shay Man 1/1 appeared well on his way to capturing the final race of the night but Bridie and Frank McCarthys Bridies Girl (Trade Official-Franks Girl) was always close at hand and producing a lethal burst of finishing pace 3/1 chance Bridies Girl ran on really well posting her third win on the trot by three and a quarter lengths from the favourite in 29.31.

WATERFORD SATURDAY NOVEMBER 18TH 2000

Stage Success In Top Form

A career best performance by Kilkenny entry Stage Success and a long priced double by South Tipperary owner Mary O Connor were the headline makers at Kilcohan Park last Saturday night.

Showing a fine dash of early pace from trap one in the eight contest the Billy O Dwyer and Patrick Ryan owned Stage Success did well to grab a first bend lead from the fast starting and rails seeking Dar Rob Rocket before staying on strongly all the way to the winning line for a

well deserved two lengths victory over a slow starting but fast finishing Dawlish Jack in an excellent winning return of 28.90. The versatile Stage Success a recent winner over 550 yards is a November 97 son of Upper Spark and On Stage Julia.

Kilsheelan County Tipperary owner Mary O Connor enjoyed a profitable evening as her two runners Minor Impulse and Minor Beauty posted easy victories. Both winners are members of the January 98 litter by Mustang Jack and Minor Lady. When Slick Colt hampered the early leader Looking Smashing in a graded marathon Skeheen Spark found himself clear up front but 4/1 chance Minor Impulse quickly gathered in the wide running leader to come through for a two lengths win in 42.40.

Catsrock Stam was backed as if defeat was out of the question in the ninth contest but after leading to the halfway point this 5/4 favourite gave way to 5/1 outsider Minor Beauty. Once in front Minor Beauty was not going to be caught waltzing in all of six lengths clear of the favourite in a career fastest 29.10.

Martin Kiely's Lakefield Flash (Powerful Flash-Lakefield Lucy) got back on the winning trail in the first contest making the long break for home beating the fast finishing Charity Echo by a length in 29.60.

Local trainer Dick Ryan sent out the David Partington and Kathy Crowe owned Brykat Nero (Spiral Nikita-Mandies Linda) 5/4 to an all the way win in the second event. Keyberry started smartly but Brykat Nero was soon at the head of affairs running out a comfortable two and a quarter lengths winner over a staying on Mellary Best. Time 29.24. The runner up was noted doing all his best work in the closing stages.

On a night when five out of ten clear favourites obliged the Robert McCarthy and Paul Lanigan owned and Ian Seymour trained Logloss Lad (Trade Official-Franks Girl) was yet another crowd pleaser this 5/4 favourite coming away in front in a three hundred sprint accounting for Kellymount Wish by two lengths in a fast 16.43.

After a good number of placed efforts 3/1 shot Paper Emly (Some Picture-Cue Slip) finally got her head in front taking a 730 yard marathon in 41.47. Michal Barry's charge did it in fine style too as she swept into an early lead over Jodis Honcho before scoring by three and three quarter lengths from Shanganny Tom.

The only 550 yard contest down for decision produced an exciting finish with Noel Molloy's Lough Conn (Eyeman-Tullerboy Rebel) 3/1 opening her account in 30.77. When the early pacemakers Charity Blondie and Duffry Prince maintained a wide course in the closing stages Lough Conn took advantage of the situation to strike the front but she had to be at her very best in the dying strides to hold the late surge of Ballarue Jake who went down by a neck.

County Wexford owner Lois Davies sent out the very easy winner of a graded marathon as the youthful June 99 whelp Almost Deadly (Bonus Prince-Almost Amazing) 5/4 made a flying exit from trap six for an all the way six and a quarter lengths victory over Carlow Picture in a pleasing 41.08.

The sales bound Honey Shilo (Lassa Java-Knockmoylan Rose) was the best backed runner in the final race of the night and the local runner (1/1 to 4/6) did not disappoint coming from behind to triumph in 29.26. Derwent Ruler made a brave effort to lead all the way but he was overtaken by the favourite running down to the third bend. After a slow start Bellesker Lady made up some late ground but she had no chance of overhauling Honey Shilo who won a shade cosily by two and half lengths.

Minnies Squash Notes

AIB TOURNAMENT ALMOST AT AN END

Last Tuesday night saw the start of the semi finals of the Allied Irish Banks Tournament.

2 teams B (Ray Moore) v C (John Reynolds). F (Dermot Kelly) v G (Nipper Hurley).

First on court was teams B and C, the number 5's Brian Foley and Kenneth Kelleher started the tournament off with the first set being very close, 10/8 to Brian, he then went on to win the next 2 sets. So well done to Brian on his 3/0. Hard luck to Kenneth. Next up was the captains themselves Ray Moore and John Reynolds. John took the first 9/6, Ray came back and took the 2nd 9/1, the 3rd went to John 9/3. Ray took the fourth 7/9 and it was all down to the fifth. Tensions were beginning to rise who would take the 5th but it was John Reynolds winning 9/3, so John wins 3/2.

Ray Haheesy and Dermot O'Neill strolled into court 3, both players looked very confident but it was Ray Haheesy who came out smiling with his 3/0 win. The number 3's were up next, Richie Duggan and Gerardine Reynolds, but Gerardine was unable to play so Ritchie got a 3/0 win which walked his team into the final. On this occasion the number 4's Paul Lenihan and John Murray didn't have to play as Paul's team had gone through. Well done to Ray Moore's team for reaching the final and hard luck to John Reynolds team.

So who will play the "Mighty Moore Team" in the final. Read on.

Next teams to play were team F and G. First up were the number 5's Mr. AIB himself John Moran and Patrick O'Doherty. A close game was had by both players 9/7, 9/5, 9/6 to John Moran. Well done John, hard luck Patrick.

Next to play was the captains Dermot Kelly and Nipper Hurley. Nipper took the first set, Dermot came back and took the 2nd but Nipper was having none of it and took the next 2 sets winning 3/1. Well done to Nipper and hard luck to Dermot.

Next up was Mr. Wino Aonghus Walsh and the Spaniard Trevor Walsh. Blobber decided that since he couldn't win over the Spanish ladies he was going to win his game of squash and won his game 3/0. Hard luck to Aonghus whom Blobber took his frustration out on.

Barry Power and Josephine Harty took to court 4. Another great game was had here by both players, very close indeed but on this occasion it was Barry who came out on top with a 3/2 win. Well done to both players.

The number 2's were next to play and our ladies champion Niamh McMahon was all toggled out and waiting to go on court, but her opponent Martin Walsh was unable to play (he must have heard about her carry ons in Nenagh). So Niamh got a 3/0 w/o win which means after all that squashing and panting that

Nipper Hurley's team G goes through to the final and will play Ray Moore's team B on Thursday night - final night.

AIB FINAL NIGHT TEAMS B V G

First on court was the number 5's Brian Foley and Patrick Doherty who got the finals on the move. Both players were nervous at the start but settled down during the games. Brian and Patrick had a great game but it was Brian who came out smiling and relieved at his 3/0 victory. Well done to both players.

Next up were the number 1's Ray Moore and Nipper Hurley. Ray took the first 9,3, but Nipper began to settle down and get into the game but Ray wasn't having it and won the next 2 games 9/7. Hard luck to Nipper, well done to Ray on his 3/0 win. Next to play was the number 3's Richie Duggan and Trevor Walsh. This was a fantastic game of squash and was the first of a thrilling night of Squash. Blobber took the first set 9/5 but Richie was quick to retaliate and won the 2nd 10/8. Blobber decided to knuckle down and took the third 9/6, but Richie wasn't giving up that easily and took the fourth 9/3, now it was neck and neck, 2 games each, both players under severe pressure going into the fifth. Determination wrote all over them but it was Blobber who pushed himself to get to nine before Richie did winning 9/5, which meant Blobber won 3/2. Well done to both players for a terrific game, hard luck to Richie.

The 2nd thriller of the night was the number 4's Paul Lenihan and Josephine Harty, another tough game for these players. This game also went to 5 sets and it was Josephine who came out on top here with a close but a definite 3/2 win. Well done to each of these players, hard luck to Paul.

The number 2's Ray Haheesy and Niamh McMahon were ready and waiting to battle out their game but didn't have to play because team B had won it. Yes, the "Mighty Moore Team" won the AIB tournament.

Congratulations to Ray Moore, Ray Haheesy, Richie Duggan, Paul Lenihan and young Brian Foley. Hard luck to Nipper Hurley, Niamh McMahon, Trevor (Blobber) Walsh, Josephine Harty and Patrick Doherty.

Presentations were held in the bar afterwards. Mr. Karl Doherty of AIB (sponsor) presented the winners with fantastic prizes. Rucksacks and polo t-shirts and the runners up received sweatshirts. Karl speaking on behalf of AIB thanked the committee for a well organised tournament.

He mentioned that AIB were delighted to have sponsored the tournament and would sponsor next years event.

Karl has recently returned to the courts along with John Moran and Eddie Moore. It's great seeing ye back playing, keep it up.

Charmian O'Brien spoke a

few words of praise to John Moran, Karl Doherty and everyone from AIB for their generous sponsorship again this year and their help throughout the tournament. Also a very big thank you went to Ray Haheesy and Kevin Tutty, the tournament directors who kept everything together throughout the tournament and to Pat O'Brien for the lovely sandwiches.

Michael Carroll Motors are sponsoring the next tournament starting the 30th November. Closing date is Friday night 24th November at 8 pm, so put your names down cause remember if you are not in you can't win.

Don't forget the first round of the Allrounder Ladder ends Wednesday 28th November at 8 pm.

A committee meeting will be held on Friday night 24th November at 8 pm in Minnies. All members to attend.

As you all know a convoy of Minnies players took off to Nenagh in Co. Tipperary last weekend to play in the Nenagh Open. We did very well with 5 out of 8 players bringing prizes home, beautiful pieces of Tipperary Crystal home to Co. Waterford.

But everyone wants to know the gossip of the weekend, now everyone knows I'm not a one to talk and anyway "what happens on tour stays on tour", but let's just say the following things: It was the best kept secret until our Lady's Champion let the screw out of the generator that a male member of our club was referred to a gynaecologist instead of a dermatologist for a skin rash. He reckoned that all ologists were the same! After hearing that story in full she literally fell for

him over a stool.

Our former president (God bless him) spent all his spare time in and out of pet shops in search for the "purrfect pussy" for our own little vampire who missed his lift home on Sunday morning due to not playing his first round of Squash in Dungarvan on Friday night against his driver because he was shop-

ping in Penny's and it wasn't for cigarettes.

And finally congratulations to the "Father of the Week" whose little girl stood up in class and told her classmates and teacher that her daddy was now a muster champion and she was very proud of her daddy.

Question of the week

What sleeping beauty missed her husband's water works that cost him £50 on a recent golf outing.

Answer Stands in the bar.

SYMPATHY

The club would like to extend their deepest sympathy to the Nagle family on the loss of their mother Mrs. Nancy Nagle. Our thoughts are with you all.

West Waterford Darts

On Friday night last the second round of the West Waterford league took place at various venues throughout the west of the county.

In the "A" division, Dunne's had a 6-2 home win over the Old Mill. The Local Bar travelled to Cappoquin and shared the points 4-4 with Morrissey's. Lindsay's had a bye.

In the "B" division, the Old Still had a 5-3 home win over Deckie's while in Kereen, the home side had a 7-1 win over Coopers. The Castle Lodge travelled to Cappagh and shared the points 4-4 with the Welcome Inn. The Cruiscin Lán had a bye.

In the "B" 2 division, Paddy Mac's travelled to Kiely's Cross and took home all 8 points while down the road, the Marine had a 5-3 win over the Decies. The game between Lombard's and John Paul's will be played on Wednesday night.

Cunnigar Pitch & Putt Notes

TURKEY TOURNAMENT

Our weekly Turkey Tournament was played on a cold windy Sunday morning. Again we had a good turnout but a few regulars were missing. I wonder had Friday night anything to do with it? Sunday's game was a scotch v par competition. The Gross went to the uncle, nephew combination of Leonard Duggan and Jason Hackett, Jason winning his third Turkey Tournament. The Nett went to Juvenile's Colin Houlihan and David Brophy with 3 of the 4 winners being juveniles. The club is surely in a healthy state.

LOTTO

Again, we had no winner in our weekly lotto draw. Our three £20 winners were Pat Regan, John Duggan, Mary Morrissey. Next week's lotto is £1200.

SOCIAL

We held our Annual Social last Friday night. A great night was had by all. The music and food were of the highest standard and everyone agreed it was the best Social we ever had.

FIXTURE

Time is running out for those who have not won a turkey this year. So have your name in by Saturday at 2.00 p.m. when draw is made. Tee-off time Sunday 9.30 a.m. to 10.30 a.m.

GREEN FEES

We are still open for green fees so call to clubhouse for club's tees and balls and enjoy a game of Pitch and Putt.

COLLIGAN WOODS RIDING CLUB

THE HORSE SHOE DIARIES

Colligan Equestrian Centre Leagues: Friday last saw the finals of the leagues and, of course, a number of our members back in action. Pat Barron pulled out all the stops to stamp his superiority on the Amateur League. Having had some bad luck in the early rounds, a lovely double clear in the final, with double points at stake, put him right back up there with an unassailable lead. Pat, riding "Katie" still a relative novice, took the Amateur title with a clear four points. In second place was Tess O'Brien with "Toby Lord Byron". Tess and "Toby" had been clear all the way but having missed a couple of Friday nights didn't help their bid. The clever ploy of entering Des as a ringer in round four backfired. Des with his usual style and panache managed to knock in round one and produced his trademark refusal in round two. We're becoming quite accustomed to seeing Des hanging round "Toby's" neck at this point. Perhaps he has a future in a Wild West Show! Tom McCauliffe had been performing well in the Amateur competition, however, poor timing on fence number eight cost valuable

double points on final night, relegating him into third place. Kevin Roche, trying his new mount "Jodie" also experienced a run of bad luck. A recent hunting injury put "Jodie" temporarily out of action and accordingly, out of competition. The good news, however, is that Kevin's thigh, I'm informed is well on the mend. The map of Patagonia has now faded and his upper thigh dimension has reduced to 28". We're expecting to see him wearing his jeans again, within the week. Our sole contender in the Maxi competition was Trish Walsh, on "Lisfennell Lady". Trish had a lovely double clear on final night, but a very tight turn in the jump off didn't quite come off and cost her three faults. The Final produced a fine display of top class riding. Claire Cashin, on Karen Flynn's "Murphy's Lass" produced a fluid and effortless clear in a very fast time. Claire's time held right up until the final round when a daring effort from Tom Dalton, on "Snowy River" left the crowd breathless. Tom turned "Snowy River" on a sixpence and took fence number seven from a standstill. This risky manoeuvre paid off and gave him the honours on the night.

The eventual League winners were Noreen Queally and "Barracree King" a young pair who have been improving each season. Congratulations from all in the club. Trish Walsh and "Lisfennell Lady" took overall second place.

Snippets
The might of the Colligan Woods Ladies' Tug-Of-War team came to the fore again recently. Despite the best efforts of John Moloney and Nick Halley a jammed door could not be moved. One mighty heave from Louise (anchor of the Tug-Of-War team) did the business, however, and put the main arena in Colligan Equestrian Centre back in action. Is there no limit to the talents of the women of Colligan Woods? The future of the Millennium Mattie is virtually decided. Des has made yet another Mattie bid, in some style. Will that boy ever learn that he insults "Toby" at his peril? Move over Deirdre, your heir is apparent. Caroline Lynch has been flying the Colligan Woods flag up country - more details later.

The AGM takes place on Wednesday 23rd November, at Lawlor's Hotel 9.00 pm. All members are requested to attend.

St. Declan's Community College

MUNSTER COLLEGES SENIOR HURLING QUARTER FINAL St. Declan's 1-7 Killaloe (Clare) 0-3

Defending champions St. Declan's moved another step towards retaining their title by defeating a game Clare side in a match played in driving wind and rain at Goatenbridge. St. Declan's played with the elements in the opening half, but found it hard to use the advantage of the elements. Billy Walsh opened the scoring from play after six minutes and this was soon followed by similar scores from Mark Giles and Fergal Fogarty. Scores were scarce for the remainder of the half before Martin Whelan scored a marvellous goal to give St. Declan's the cushion of a seven point lead at half time.

The Kilmac' side put in a heroic second half performance against the gale. John Halpin was majestic at full back, with Michael Power at mid field appearing everywhere to sweep away loose balls. Aidan Whelan, now at centre forward added two marvellous points as Killaloe became more and more frustrated.

Remarkably St. Declan's drew the second half to win by seven points and move on to the semi final in February.

Best for a tireless St. Declan's

side were John Halpin, Chris Long, Michael Power, Anthony Power and Aidan Whelan.

St. Declan's E. Mackey, A. Power, J. Halpin, J. Cahill, C. Long, M. Meares, S. Kavanagh, B. Walsh (0-1), M. Power, M. Whelan (1-0), F. Fogarty (0-2), A. Whelan (0-3), M. Giles (0-1). Subs M. Hearne.

South East Hockey League Juniors - St. Declan's 2 Gorey 0

Last Wednesday, three hockey teams travelled to Bunclody to play FCJ Bunclody and Gorey in three South East League matches. Our juniors started the day and led by example with a comprehensive 2 goal victory over Gorey.

In the first half with total domination by St. Declan's we failed to secure our chances with a scoreline of 0-0 at half time. In the second half we totally outplayed the Gorey defence with excellent structured play and as a result J. Casey and E. Wall pushed the ball to the back of the net.

St. Declan's S. Crowley, M. O'Brien, E. Kirwan, V. Lawlor, L. Mackey, L. Whelan, E. Morrissey, T. Cunningham, J. Casey, N. Dunne, U. Cleary, E. Wall, R. Butler, C. Gahan.

Minor B (2nd Year B) St. Declan's 0 Gorey 0

Our Minor B's had their first match of the season and put a point on the table by securing a

well deserved draw. In the first half Gorey had most of the play but with excellent goal keeping by I. Whelan we managed to keep level. In the second half we found each other better on the pitch with the help of E. Gallagher, M. Murphy and J. Kavanagh. In the back line S. Whelan, S. Behan and C. O'Brien were unbeatable keeping everything out.

St. Declan's; L. Whelan, C. O'Brien, S. Behan, S. Whelan, M. Murphy, J. Kavanagh, G. Crowley, J. Hanrahan, L. Kirwan, M. Cunningham.

SENIORS St. Declan's 0 Bunclody 0

This must have been the fastest and most exciting game to date for the Seniors in the past few years. After beating Bunclody last season to win the league, they then knocked us out of the Cup, so as a result both teams were out to win this match.

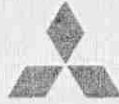

In both halves both teams played to the best of their ability but equally both failed to go ahead. At the end of the game a draw was a good result for both teams. Well done to all the players for their efforts.

St. Declan's; S. Crowley, M. Ryan, R. Aherne, E. Darcy, A. Kelly, V. O'Keefe, K. Kelly, S. Hallahan, N. Foley, L. Power, J. Fitzgerald, N. Power, J. Hickey.
