Pictured with his wife Teresa is Donal O'Brien, Western Bay, Dungarvan, who retired last weekend after 28 years service with Michael Curran & Sons, Grattan Square. His retirement co-incided with the closing of Curran's premises on Grattan Square as they have now moved all their business to their premises at Kilrush Park, having traded on the Square since 1932. At a most enjoyable function at the Park Hotel on Friday night last tributes were paid to Donal for his many years of dedicated service and presentations were made to both Teresa and himself.

Tallow In Line For Forty-Five New Jobs In £6 million Plant

A £6 million development in Tallow which will employ 45 people looks set to be on course after a meeting between local residents and the new owners of the proposed fish processing plant in the old Flair Plastics factory on Thursday evening last.

The meeting was called by Cllr. Willie McDonnell to address some of the local residents concerns with the plant, which is set to be located in the old Flair Plastics factory on the Youghal Road.

The local residents had feared that there would be a substantial drop in the value of their homes, a smell of fish emanating from the factory and an increase in the volume of traffic and in noise pollution in the area.

However, Mr. Dan O'Regan, Director of Fermoy Fish, claimed that none of these factors would effect the area should the development go ahead and further added that the majority of the work is done at sea and because of this most of the residents worries were unjustified.

Mr. O'Regan clarified this by stating that there would be the same level of traffic on the roads as when the Flair Plastics factory was in operation. He also said he could guarantee there would be no smells coming from the factory.

Fermoy Fish, who are the new owners of the disused factory in the Tallow area, currently employ 25 people in Fermoy but it is understood that Mr. O'Regan plans to base his operations in Tallow where it is expected he will live should the

plant be given the go-ahead.

Cllr. McDonnell who was addressing the monthly meeting of the County Council welcomed the proposed plant and said fish

processing was a very viable and well established business that could thrive in Tallow.

Further allaying the residents' concerns, Cllr. McDonnell said fish processing was a very viable and well established business that could thrive in Tallow. **CONTINUED ON PAGE 9**

Former Waterford County Board Chairman Brands GAA Decision "A Disgrace"

A former Waterford County GAA Board chairman has branded the Association's weekend Congress decision not to open up Croke Park to other sports organisations "a disgrace".

Kieran O'Ryan, who served in the past as Chairman of both the West Waterford Divisional Board and the County Board, and has represented his native county in most grades of hurling and football, said that in a time of the Peace Agreement in Northern Ireland and the attempts of so many people to bring about

reconciliation in the province the negative decision at the GAA Congress had greatly disappointed him.

O'Ryan, who was speaking at Monday's meeting of the Waterford County Council on which he is the longest serving member said he was "aghast" when he learned of the result of the vote on the motion from Roscommon seeking to have the gates of Croke Park opened up to other Sports bodies.

Cllr. O'Ryan said the decision was a disgrace and is

the kind of negative one that is not needed from the GAA at a time when so many people are working so hard to find a solution to the problems in Northern Ireland.

The former Waterford GAA Chairman also expressed his reservations about the Government decision to make a further £60 million available to the Association over the next four years at a time when hospital waiting lists are lengthening and many patients have to settle for a trolley in **CONTINUED ON PAGE 9**

THE WAY WE LIVE: SCIENCE AND TECHNOLOGY

MATERIALS

Among the most useful materials in the modern world are wood, concrete and steel for buildings, paper for writing and printing, and glass for windows and bottles.

Most people use the word 'material' to describe substances like these, which we use to make things. To a scientist, however, a material is really any solid, liquid or gas — even the air you breathe.

Some materials come from plants or animals or from underground. Examples of these natural materials are paper, leather and marble. Other materials are made by chemical reactions in factories.

Metals are examples of such "synthetic" materials. They are obtained from rocks in which they are chemically combined with other elements.

Plastics are also synthetic materials, because they are made when compounds in oil undergo carefully controlled chemical processes.

Scientists are always striving to find new materials for an ever-increasing variety of products.

TOGETHER THEY ARE STRONG

Concrete can hold up a load that would squash other materials. That is why it is used for the pillars of this suspension bridge. Steel is strong if you try to pull it. That is why it is used to make the cables, which are under incredibly high tension. This winning combination allows engineers to build bridges with long spans.

KNOW YOUR MATERIALS

The first plastic was celluloid, which was used to make photographic film.

The first metal to be used was gold. This is because it occurs naturally, whereas most other metals must be smelted to remove them from the rocks called ores.

Whereas water molecules consist of just three atoms each, plastics have very large molecules, each of which consists of thousands of atoms.

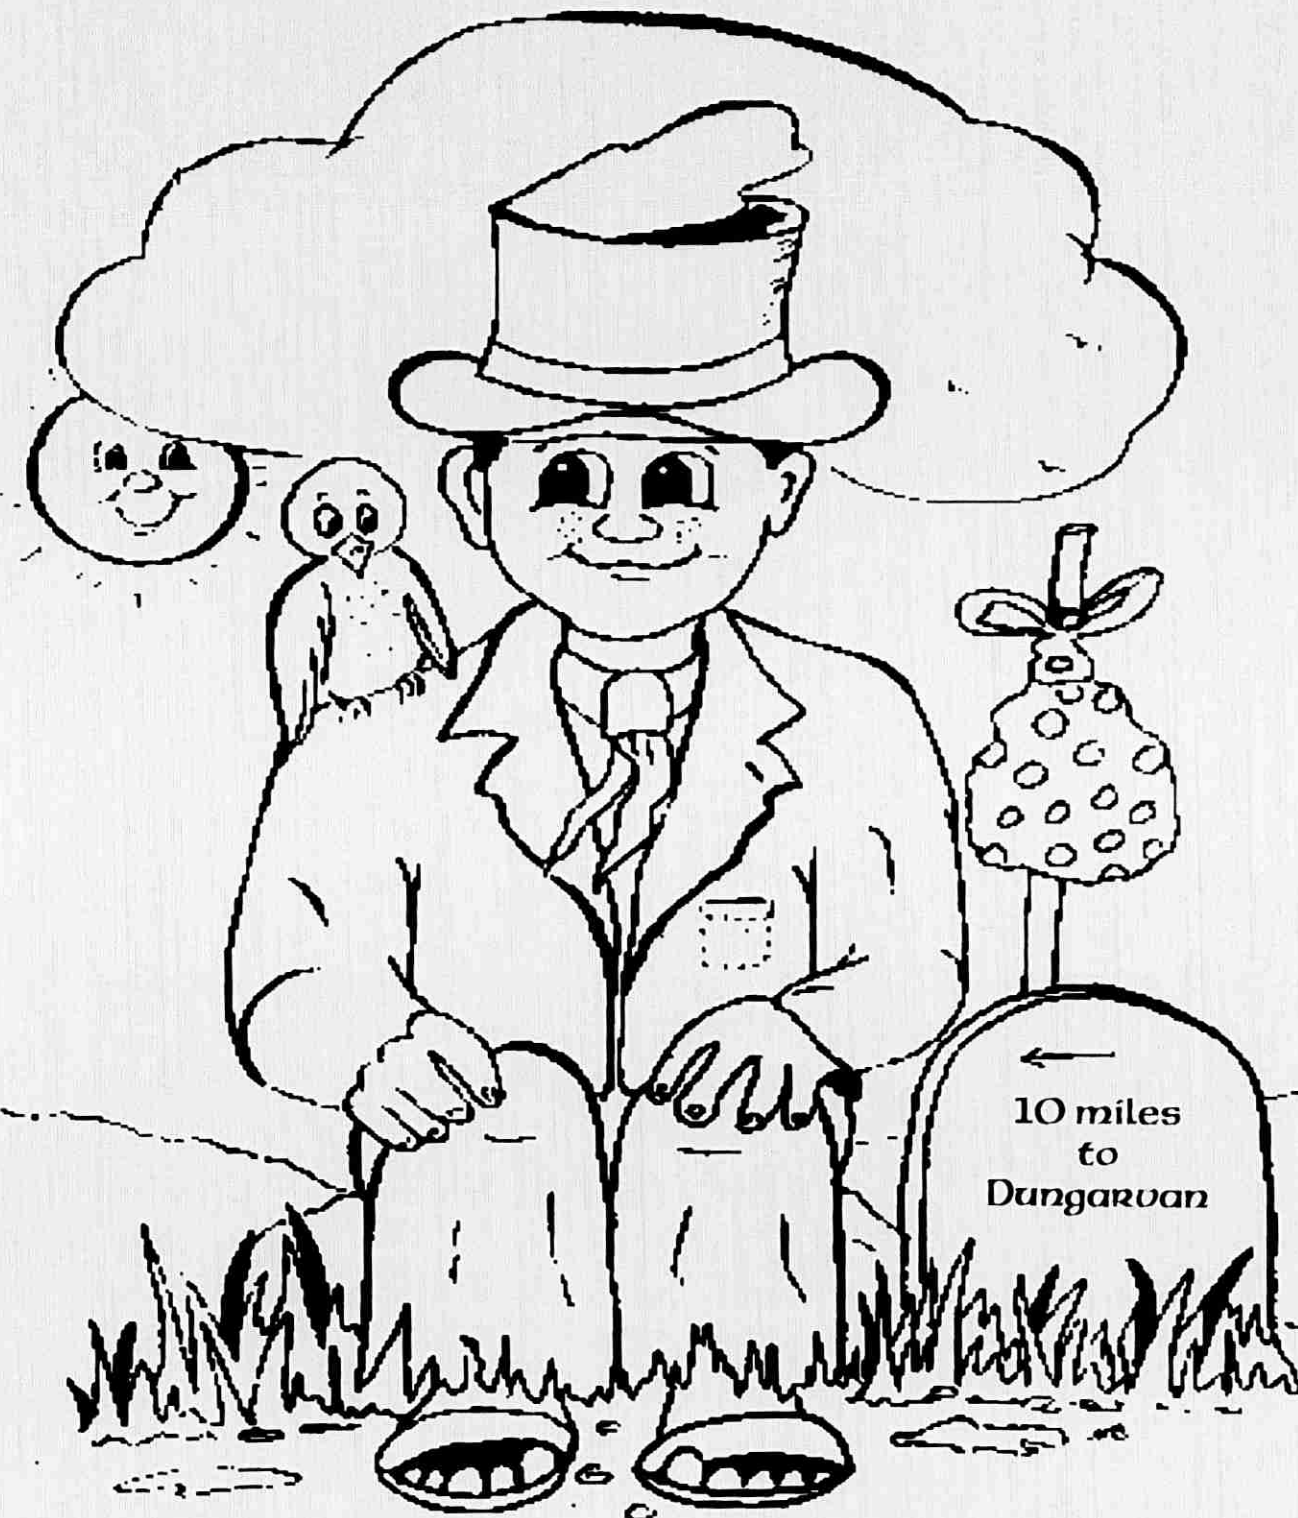

Rubber is a natural material — it is solidified latex, which is the sap of a rubber tree. Its properties can be changed to make it stronger and more elastic, by a process called vulcanisation. This involves heating rubber under pressure with sulphur. The process can also turn rubber into a harder substance, called vulcanite.

WHAT'S IT MADE OF?

It may surprise you to know that glass is made of sand. In a glassworks, sand is mixed with other substances, and heated until it melts. As it cools it becomes thicker, and can be moulded or blown into shape before it hardens to form glass. Metal-containing compounds may be added to make coloured glass.

DUNGARVAN MUSEUM NEWS

DRAW

The winner of the fourth draw, dated Friday, 6 April, is Nancy Daly, Ballinacourty.

WILLIAM WILLIAMS 1820-1875

William Williams was an antiquarian Irish language supporter, artist and manuscript collector. He was born in 1820 at Dromliath near Ballindangan, which is situated between Mitchelstown and Fermoy. His brother

Patrick also settled in Dungarvan.

The first reference to Williams in Dungarvan is found in the minute books of Dungarvan Board of Guardians for September 1849. He is described as a "Hardware Merchant" and supplied leather goods to the Workhouse. Griffith's Valuation 1851 records that Williams lived in Devonshire Square (the house now occupied by Michael Cur-

ran's Hardware Shop).

Slater's Commercial Directory 1856 lists William Williams as a 'Leather Seller' of Main Street. His address is given as the Loan & Discount Bank, Dungarvan. In 1859 William Williams, shopkeeper and James Boland were employed as auditors to Dungarvan Town Commissioners. In 1869 William Williams 'Banker' was named as a surety for the clerk of Dungarvan

Union.

Williams, in the company of others, explored the countryside looking at ancient churches, ogham stones, etc., speaking only Irish between themselves and to those whom they met.

In 1863, Williams was asked by Dungarvan Town Commissioners to design a new Coat of Arms and Seal as the original had been lost in the 18th century. He designed the present town Coat of Arms.

There is a manuscript by Williams in the National Library which is dated August 1867 detailing the genealogy of the family of Samuel Edward Maguire of Clonea Castle near Dungarvan. It shows Williams's skill as a calligrapher and illustrator. Most of the genealogical information contained in it was copied from a previous account of the family compiled by Charles Lynegar in 1731 for Bernard Maguire.

Williams was also interested in Irish antiquities and was one of the first to study and record Ogham stones in Ireland. He was a member of the Historical & Archaeological Society. The National Library has a bound collection of Ogham inscriptions compiled by Williams between 1858 and 1859. In 1868 Williams published an article on the Drumlohan Ogham stones in the Journal of the Historical & Archaeological Association of Ireland.

Seán Ó Cadhla notes that Williams was also a poet. There are two poems by Williams in the National Library. Williams was a founder member of The Keating Society. The main aim of this Society was to publish works written in the Irish language. When he died in 1875 Williams was working on a new edition of Eochair Sgiath An Aifrin (A key to the shields of the mass) a corrected version of a work previously published by Geoffrey Keating).

Williams died on Dungarvan on 14 July 1875 at the age of 55. His death certificate noted that he was a bachelor and his profession as 'clerk.' According to Seán Ó Cadhla, Williams is buried in an unmarked grave at St. Mary's Parish Church, Dungarvan.

We are looking for second hand books for our book sale later in the year. All books are welcome.

The Museum's Famine book and also the Dungarvan Roots book are selling very well on the internet. We still have copies for sale if anyone requires any.

THE EGG AND EASTER

Mai O'Higgins

There is much captivating folklore connected with the egg which has become part of the tradition and superstition of Eastertide.

In parts of France brides would break an egg as they entered their new home. One must never throw an egg shell into the fire or the bird that laid the egg would never lay again.

Should a farmer want female chicks, setting the eggs after sunset was advised. Some farmers kept the final egg from an old hen as a charm to guard their chickens. An egg laid on Good Friday would keep fresh for many years and be of great value to fishermen because if thrown into the sea during a storm it would reduce the fury of the waves. An egg laid at the reputed time of Our Lords crucifixion - 3 pm would have the emblems of the Sacred Passion imprinted on the shell.

In parts of England - in the country villages - young men would go around collecting eggs from householders. They were called "Pace Eggers" and blackened their faces, wore masks and coloured ribbons hanging from clothing. The eggs were given to the poor and to invalids on Easter morning. The egg is a time honoured symbol of Christ's death and the triumphal rising from the grave. No symbol could be more

appropriate to the Pascal season. Wherever you are and whatever you do this Easter. Have lots of Easter eggs and enjoy the peace and happiness of Eastertide.

HE IS RISEN

Allelulia - HE is risen

As he said HE would.

All through the lonely days and nights.

They waited.

Mary - calm - waited in hope

Magdalene - restless

Waited in sorrow.

His disciples - sat around

In fear.

He said "He would rise again"

They murmured

In the darkness of the third day.

Magdalene, stumbled to the tomb

HE called her name

"Master" she answered

And then she understood

"Fear not, He is risen"

She told with tears of joy.

"He is risen"

As He said he would".

— Mai O'Higgins

UNPRECEDENTED £1.2 BILLION IN BUDGET BENEFITS COME ON STREAM

Minister of State Martin Cullen TD today said that when the £1.2 billion in budget tax benefits come into place this week, it will mean more money in everybody's pockets and will take more people than ever before out of the tax system altogether.

As on from the 6th of April, a range of new measures including tax cuts, reduced PRSI, and an £850 million social welfare package that includes increased child support and social welfare increases will take effect. The standard rate of income tax band will be widened by £3,000 to £20,000 and the married one earner band will increase by £1,000 to £29,000 per annum. Furthermore, the standard rate of tax will be reduced from 22% to 20%, while the higher rate will be reduced from 44% to 42%, said Minister Cullen.

Those older people in our

society will also see increases from April 6th. This Government's commitment to raise the old-age pension to over £100 has been emphatically delivered on. This is an increase of 31.5% since this Government came into power; this is compared with an increase of only 10% in the lifetime of the Rainbow Coalition. This Government is committed to measures designed to improve the position of older people in our society, said Minister Cullen.

This Fianna Fail led Government has presided over perhaps the most successful period in our economic development. More people are now working and contributing to society than ever before. The tax measures which will come into action on April will ensure that more people will have more money in their pay-packets than ever before, concluded Minister Cullen.

West Waterford Money Advice & Budgeting Service A VITAL RESOURCE FOR THE FUTURE

In the seven years of its existence the West Waterford Money Advice and Budgeting Service (MABS) has assisted many people in various forms of financial debt, helping them deal with all sorts of problems from telephone and ESB bills to Car loan repayments and overspending on Credit cards.

Located in the Civic Offices in Dungarvan, the service helps people to manage their money and develop a plan of action for those who have fallen into the debt trap, dealing in management of resources rather than monetary aid.

West Waterford MABS has assisted many families and has already noted the change in spending, as people choose credit more often as a form of payment in today's booming economy.

Those who have fallen into the debt trap already or perhaps at this moment are experiencing financial difficulties should not ignore the problem as the longer it is left unaddressed the harder it will be to deal with the problems in the end, believes John Lawless of West Waterford MABS.

"One of the problems we ex-

By KEVIN KIRRADE

perience is that people leave it very late, often until there are court proceedings against them. It is far more difficult to deal with at that stage than if they came earlier."

In the years of financial depression when unemployment was rife, the reasons for falling into debt were obvious. But what of today with Ireland's Celtic Tiger still in full swing?

"The pattern of debt has changed since we started in 1994. When we began a lot of our work was in dealing with money lending and small debts like Television licenses and ESB bills. The type of debt we're dealing with now is much larger. We have a huge number of cases dealing with repossessions, mortgages and credit card debt. People are spending more and so people are actually getting into bigger debt than before."

For those that find themselves burdened by debt John says "there is always a way out as you can't pay back what you do not have. You can only pay according to

your ability and there's always a way of dealing with debt if you manage your resources and develop a plan of action early enough."

The West Waterford MABS not only deals with people experiencing debt but also with their creditors which John Lawless says they "also have a responsibility towards".

"We develop a practical plan of action for the person in debt. If the person doesn't respond or keep that plan of action we have to inform the creditor that it is not working. From that point of view many people may say we are quite tough on them but I would say we are straight talking because there is no point in beating around the bush with the question of debt."

However John Lawless says they have "a very compassionate view of where a person is at, at a given time in terms of their experience of debt. We look at the sort of pressure they are under and take that into account when drawing up a plan for them".

Pressures people are under can be very grave, according to John Lawless.

"People are sometimes worried sick by their debts and go through sleeplessness and that's something you can never forget. So we take a tough but human approach."

West Waterford MABS is not standing still in its dealing with people's difficulties however and are already pioneering the whole IT end of the service.

"We're developing software in conjunction with programmers to administer the service and various budgets. Therefore we're at the forefront of communications and are responsible for developing MABS national Website".

The West Waterford MABS strives to be as accessible as possible and in this end they are also willing to meet people in their own areas if they are unable to travel to Dungarvan.

For further information view the website at www.mabs.ie or they can be contacted at (058) 44922. West Waterford MABS is based in the Civic Offices Dungarvan on the first floor.

Glorious Colour For All Seasons

AS a group of plants, heathers are remarkable because there are species and cultivars available to provide colour and interest at all times of the year.

Several species are grown for their golden foliage which turns a deep burnt orange in winter, while others flower for a longer period during the summer, autumn or winter.

Flowers come in a variety of colours – the most common being white and purple – but there are also shades of pink, red, blue and yellow. Occasionally flowers can be bi-coloured and those with double flowers may be dried for winter decoration.

Heathers can vary from tree-heaths up to 20 feet high, to dwarf forms which provide excellent ground cover.

Most species need to be grown in acid soil, but otherwise they need little attention.

Evergreen, woody-stemmed shrubs, there are three genera – Calluna, Daboecia and Erica.

Calluna has only one species,

Calluna Vulgaris, but it contains a large number of cultivars which flower mainly from mid-summer to late-autumn.

Daboecia has two species, both of which are summer flowering.

Erica is the largest of the three groups. Although it is divided mainly into two sub-groups - winter and summer flowering species – it has other species which flower in spring and autumn.

Heathers are fully hardy and prefer an open sunny position and require humus-rich well-drained soil.

Calluna and Daboecia dislike lime and must be grown in acid soil. Some species of Erica tolerate lime but all are better grown in acid soils.

Heathers should be pruned lightly after flowering each year to keep plants bushy and compact.

Propagate species by seed in spring, or by soft wood cuttings, division, or layering in summer. Seed cannot be relied on to come true. All cultivars should be vegetatively propagated.

Natural Colour: Bell heather and gorse flower in August

Popular Species

Calluna Vulgaris: Spring Cream (white) Silver Knight (purple) Golden Feather (yellow)	Erica ciliaris: David McLintock (white and pink)	C J Backhouse (purple)
Daboecia cantabrica: Snowdrift (white) Bicolour (white and purple/pink)	Erica darleyensis: White perfection (white) White glow (white with red tips) Ghost hills (pink)	Erica cinerea: Hookstone lavender (pink) Windlebrook (purple)
Daboecia scotica: William Buchanan (pink/purple) Erica veitchii: Exeter (white)	Erica carnea: December red (pink and white) Ann Sparkes (yellow)	Rock pool (red) Hookstone white (white) C D Eason (red/purple)

This Week In The Garden

STOP EARLY-FLOWERING CHRYSANTHEMUMS
From time to time during this month the growing tips of rooted cuttings should be pinched out.

The ideal moment is when the cuttings are well rooted, growing freely and about six-inches high.

This should only be done to those plants being grown specifically to produce a lot of flowers, the objective being to produce a number of sprays or branches on each.

With this in mind, the plants should be stopped again in June.

Plants intended for individual flowers, perhaps for display purposes, use a different method and they should not be stopped now.

SOW FRENCH BEANS UNDER GLASS

For a supply of tender young beans in July, sow now in seed boxes or pots.

The latter method has the benefit of avoiding any root disturbance later.

Place one seed in each pot, cover with a little soil and put to germinate in a greenhouse or heated frame. The ideal temperature is about 13 C but no harm will be done if it falls a little below this occasionally. Frost will kill the bean, however, so don't be too anxious to harden off until late May.

PLACE EARLY TOMATOES IN FINAL POTS

Tomatoes from a January sowing should be ready for final potting.

Alternatively, they can be grown in boxes or planted directly into a border of compost prepared on staging or even on the ground if the greenhouse is a light one with low walls or glass to ground level. Choose a suitable compost.

THIN OUT OVERGROWN WATER PLANTS

Pond maintenance can include thinning out some of the more overgrown water plants, but to avoid this problem in future try less-invasive types such as water iris and marsh marigold.

Tallow In Line For Forty-Five New Jobs In £6 Million Plant

dents fears Cllr. Willie McDonnell has said he has the "utmost confidence in Mr. O'Regan and what he is doing. It is great for a town such as Tallow to receive 45 jobs. I would hope that the plans would go ahead for the good of West Waterford."

However the Councillor also warned that a number of people had grave concerns about the plant and that these concerns must be addressed in order that the plant be given the go ahead.

While it was understood that most of the local residents in the vicinity of the proposed fish processing plant were at first against the plant, now that their fears have been addressed the majority are said to be in favour of the go ahead and welcome the news that 45 new jobs will be brought to the area.

The planning application for the Fish Processing Plant will be received by Waterford County Council during the week.

Numbers Of Rural Gardai Raised At Meeting Of The Waterford County Council

KEVIN KIRrane

Gardai are finding difficulty in manning rural stations in West Waterford, according to Chief Superintendent Sean O'Halloran who was addressing the monthly meeting of the Waterford County Council on Monday last.

The Chief Superintendent has said the Division is stretched between two large counties and two cities with a limited number of Gardai in their Division.

This in turn has had the result that the service the Gardai can give to local rural communities is limited though many Councillors went on the record as stating they have been exemplary in the implementation of their tasks.

However the policing of isolated areas in West Waterford, in particular, was called into question and it is believed to be a headache for the Gardai due to the large districts and the sporadic nature of the population in these areas.

It is also believed that because of the large, and increasing, number of elderly people living in isolated districts of West Waterford there is a danger that a spate of attacks on these vulnerable people could occur.

This follows a number of such attacks in rural communities throughout the

country over the past few years that have, in many cases, resulted in serious injury or death.

However, Chief Superintendent O'Halloran stated that isolated areas get a proportionate number of Gardai to those that enter the force but admitted that he is unable to compel any recruit to live in a particular station.

The Chief Superintendent said that his ideal model, which has worked successfully in Co. Kilkenny, would be to place new recruits into rural stations where ever possible.

However he said while he couldn't force a Garda to live in isolated regions he was accepting people looking for transfers into the division on the basis that they give an undertaking to move to rural areas.

The Chief Superintendent was answering a question from Fine Gael Councillor John Deasy who added that he was concerned that people were afraid to go to funerals for fear that they would come back to find their homes ransacked.

In reply to this the Chief Superintendent said that the majority of the crimes of this nature were committed by people who were travelling long distances and so he believed that the crimes had to be tackled at the source.

Meanwhile the Chief Superintendent was also queried about Kilmacthomas Garda station and also the situation in Tallow where Cllr. James Tobin asked about the high turnover of Gardai in the region.

In answer to the question on Kilmacthomas, the Chief Superintendent stated that he was hopeful that commencement of the building of the Garda Station would start in the summer and with regard to Tallow the Chief Superintendent said he was confident that the new Garda who is now in the area would be located there for an acceptable length of time.

The Chief Superintendent was also pleased to inform the council that the Waterford-Kilkenny division had the highest rate of crime detection in the country over the past three years.

a corridor instead of a bed in a hospital.

"I'm just wondering where priorities lie in all of this", Cllr. O'Ryan added.

However his party colleague on the Council and another former Waterford County chairman, James Tobin, defended the £60 million allocation to the GAA from the Government.

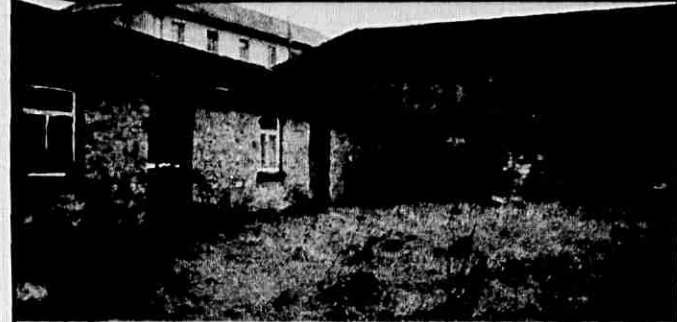

Cllr. Tobin said "The GAA is quite entitled to that £60 million because no other organisation in the country had done more for its youth or for the unity of the country than the GAA.

"I am proud to be a member and supporter of the main party in Government which has committed itself to this £60 million to the Association" Cllr. Tobin added.

Cllr. Paudie Coffey (FG) said he fully supported the views expressed by Cllr. O'Ryan and said it is a great pity that some of those at the top of the GAA don't listen to the reasoned views of people like him.

Port na bPucaí A Success

A huge crowd gathered at the South Tipperary Arts Centre, Nelson Street, Clonmel, for the opening of Rayleen Clancy's new exhibition of paintings. A young artist from Ring, Co. Waterford, this is Rayleen's first and very impressive Solo show.

The title of the show 'Port na bPucaí' is an old Irish air that translates to Tune of the Ghosts. Like the melody, these paintings also possess ghosts - an amalgam of images and textures taken from the past and present, a map of personal time, and exorcism of recollections. In these paintings the transitory nature of life is captured - creating a world in which the viewer is taken on a journey to a place where things come in and out of focus and slowly fade away.

Rayleen Clancy graduated in Film Studies from Dun Laoghaire College of Art and Design and in 1997 won a scholarship to study Fine Art Painting at the Prestigious San Francisco Art Institute. She was recently exhibited in the Old Market House Arts Centre, Dungarvan, Co. Waterford, in a group exhibition titled 'Lán Mara'. She will be exhibiting in Mullingar Arts Centre from June 5th - 28th 2001. The show will be open daily until April 28th.

West Waterford Restaurants Included in Prestigious Irish Guide

The renowned guide to Ireland's 100 best restaurants and places to stay in Ireland, the Bridgestone 2001 Guide, this year includes a number of West Waterford establishments.

The 2001 edition is the tenth of the best-selling guides by John and Sally McKenna who write and publish from their base in Durrus, West Cork, where they live with their three children.

Among the entries for West Waterford are:

Buggy's Glencairn Inn, near Lismore; Richmond House, Cappoquin; The Tannery, in Quay Street, Dungarvan; White Horses in Main Street, Ardmore; Richmond House, Cappoquin and Gordanaha House, Dungarvan.

The fact that a large number of West Waterford's excellent establishments have been included in this well read guide is a huge compliment to the work of the hoteliers and cooks whose standards have risen greatly in the past ten years.

Mr. McKenna says "Two hugely important changes have taken place during the ten years that we have written the annual Bridgestone 100 Best Guides, both of them changes for the better," according to John McKenna. "Firstly, the standards evident among the best places to eat and stay have risen steadily and inexorably. Secondly the whole concept of discussing food and drink and places to stay, the whole idea that his is a topic worthy

of discussion and argument, the belief that it forms a major part of our cultural life and is worthy of serious analysis."

The Bridgestone Guides which cost £7.99 each and are published by Estragon Press pay tribute to those cooks and hoteliers who have not just lasted the 10 years of the guides existence but those who have improved and gone from strength to strength. The guide will also feature the 20 new entries in their own sections which have been a common approach by the guide every year since its inception.

In addition to the new books, the McKenna's have also launched a new Website, bridgestoneguides.com.

Health Tips from "Remedies"

Solidago

USES: diuretic, improves renal function, kidney tonic.

HOW IT WORKS Whilst Solidago has diuretic action, this is not the prime role of the plant. Solidago, a.k.a. Golden Rod, has been shown to have important anti-inflammatory, anti-spasmodic and antiseptic action and seems to strengthen kidney function.

This makes it useful as an agent to counter inflammation and irritation of the kidneys, when infection or stones are present. The diuretic action is also useful in helping to dissolve kidney stones.

An Exhibition of New Paintings by Rayleen Clancy

Port na bPucáí an exhibition of new paintings by Ring Ghaeltacht based artist Rayleen Clancy, is currently taking place in the South Tipperary Arts Centre in Clonmel. Port na bPucáí is an old Irish air that translates to Tune of the Ghosts. Like the melody, Rayleen Clancy's paintings also possess haunting beauty. "I am inspired by evolution of time - the changing of the seasons, the turning of the tides", she explains. "I aim to capture the transitory nature of these elements, creating a world in which the viewer is taken on a journey to a place where things come in and out of focus and slowly fade away".

Daughter of the late entertainer Tom Clancy, Rayleen Clancy graduated in Film Studies from Dun Laoghaire College of Art & Design, and in 1997 won a scholarship to study Fine Art Painting at the prestigious San Francisco Art Institute. She has most recently exhibited in The Old Market House Arts Centre, Dungarvan, Co. Waterford, in a group exhibition titled "Lán Mara" with her sister Blawnín and neighbour Foisín Ni Chionnfhaoilaidh. The work was featured on Nationwide on RTE 1 and Jasper Browne the eminent art critic from London said "Rayleen Clancy's work is an amalgam of the ordinary and yet magic images and textures taken from the past and present...."

Rayleen is gaining strong acclaim as a young talented emerging artist, and her work hangs in many corporate and private collections worldwide.

Port na bPucáí is her first solo show, she has also exhibited at Fort Mason Art Centre, at San Francisco Art Institute and at Taispeanteas Ealaíon na Rinne.

The exhibition runs in the South Tipperary Arts Centre, Nelson St., Clonmel, from the 4th to 28th April. Admission is free and the gallery is open Monday to Friday 10 am to 5.30 pm and Saturday noon to 6.00 pm. Phone (052) 27877.

Coillte Launches Educational Poster at Regional Conference

Coillte launched its educational primary school poster, "The Forest Cycle", at its Southern Region Annual Conference, which was held in Springfort Hall, Mallow, on Wednesday, April 4th (2001). More than 100 staff from counties Cork, Waterford, and Kerry attended the conference that had been rescheduled due to the Foot and Mouth situation. Martin Lowery, Coillte's Chief Executive, gave his annual presentation to the Region, in which he acknowledged the hard work, commitment, and professionalism of the staff during 2000. He also emphasised Coillte's commitment to operating in an economically, socially and environmentally sustain-

able fashion. Coillte applied for forest certification by the Forestry Stewardship Council last year, and Martin Lowery stated that the company could confidently expect certification in the coming weeks. However, he also stated that "certification remains a top priority for 2001". In his presentation on the Regions performance for 2000, Tim Crowley, Coillte Manager for the Southern Region, reiterated the Regions commitment to sustainable forest management and forest certification. He also recognised the investment that the sawmilling sector have made in installing state-of-the-art timber processing facilities in the Region.

GAA HURLING LEAGUE — We travelled to Ballybeg on Sunday morning to play St. Saviour's. No referee turned up so both teams agreed to share the duties. Their man did one half and ours the other. The conditions were absolutely awful during the game but the pitch held up quite well. The final score was 1-11 to 3-2 in favour of Saviour's. As this was our final game and we were short a few of our regulars, it was a reasonable show but we will have to improve a lot.

LOTTO — Numbers drawn on Tuesday 3rd April - 1, 15, 20, 23. No jackpot winner. £10 winners as follows - Darren Meagher, Ballysaggart, John Casey, Cappoquin, Matty Meagher, Ballysaggart. Jackpot for Tuesday 10th April £900.

SYMPATHY — The sympathy of the entire community goes to Kathleen Cunningham and all other members of the family on the death, after a fairly long illness, of Johnny Cunningham which occurred last week. May he rest in peace.

R.N.L.I. Helvick Head Lifeboat Says Thank You

The Dungarvan Fundraising Branch of the Helvick Head Lifeboat are most appreciative of the enormous public generosity displayed last weekend.

The Annual Collection took place at Church gates and other usual locations in Dungarvan, Abbeyside, Ballinacourty, Clonea, Ring and Old Parish.

The RNLI consists of a group of very dedicated volunteers who constantly risk their lives in all types of weather to save life at sea. The Annual Flag Day Collection provides much needed support for their often heroic deeds. - Joan Clancy PRO.

FARMING LEADER

Minister Sets Timetable And Conditions For Resumption Of AI

The Minister for Agriculture, Food and Rural Development, Mr Joe Walsh TD, signed an order permitting the resumption of AI with effect from 19 April. The Order is under the Diseases of Animals Act and has the effect of banning all AI and the movement of bovine semen until that date.

The Minister said that since the beginning of the Foot and Mouth restrictions, AI had been suspended by means of a voluntary action by the AI

service organisations. At a meeting held today between the Department and those organisations it was agreed to work towards a resumption of the service on 19 April based on an agreed protocol and a training programme which will take place over the coming days. This is in line with the recommendations of the Expert Group set up by the Minister to advise on FMD restrictions.

Minister Walsh said the AI stations had behaved responsi-

bly to date in suspending their activities given its high risk nature in the FMD context and their co-operation in the training programmes required prior to a full resumption of the service would be crucial. Equally crucial will be full adherence to the protocol now being put in place aimed at ensuring that when the service resumes, it does so without risk. He was confident that farmers also would fully co-operate with the measures now agreed. Today's Order

provides for serious penalties in the event of non adherence to the ban until 19 April and thus ensures there will be no illegitimate exploitation of the voluntary ban by illegal operators.

Minister Walsh concluded by saying that all of this was, of course, conditional upon developments in the wider context of FMD and if there were any deterioration in the situation between now and then, these dates would be reconsidered.

South East ICMSA News

John Quigley area development officer with ICMSA in the south east region outlines some of the issues currently being addressed and ICMSA's proposals.

1. A.I. Services

ICMSA welcomes the announcement that A.I. services will resume on 16 April.

The suspension of A.I. services posed considerable difficulties for many farmers, in particular for winter milk producers and early spring calving herds. The implications include possible loss of winter milk bonuses and a delayed calving season in 2002 with the subsequent impact on farm income.

ICMSA is also concerned about the long term damage that may result from the restrictions to the objectives set down by ICBF for the future of Irish cattle breeding. ICMSA is proposing that a major campaign be considered by the Department and ICBF to recover lost ground.

2. Sale of Calves and Breeding Stock:

The spring period is the tra-

ditional time that calves and breeding stock are traded in Ireland. It is estimated that around 300,000 cattle are on farms that would normally be sold at the present time.

Many farmers have to sell calves, as they do not have the facilities or land to keep the calves on their farm. A number of farmers have run into difficulties where breeding and other stock intended for sale have built up on their farms that they do not again have the facilities for and will not have sufficient grass available for these animals.

ICMSA is proposing that a certain level of farm-to-farm movement of calves and breeding stock should be allowed. Such movements would again take place under strict conditions until such time as the FMD crisis recedes. These restrictions should include:

Pre-veterinary inspection of sellers farm and stock.

Permit required similar to that for direct to slaughter.

Movement direct from farm to farm.

Proper disinfection facilities in place.

These measures are required in the short term given the serious nature of the foot and mouth crisis.

3. Establish Timeframe and Plan for Resumption of Normal Trade:

ICMSA believes that an announcement on the possible timeframe for the resumption of normal trade is required. For example, when is the earliest possible date for marts to reopen?

ICMSA accepts the variables involved but believes that the likely developments if no further outbreak is confirmed should now be outlined to farmers. This is essential to allow some level of planning at farm level.

Farmers need to know the likely stock numbers they will have to manage for the foreseeable future.

4. Milk Quota Implications for Farmers:

ICMSA welcomes the scheme recently announced for farmers with milk quota problems due to additional breeding stock on some farms and the commitment to re-examine the operation of milk quota schemes for 2001.

To provide assistance for farmers, ICMSA is proposing the following:

The first stage of the Restructuring Scheme should take place in April and the second stage at a time recommended by the Milk Quota Review Group.

A scheme to address the difficulties of those with excess cows due to the inability to sell breeding stock should be put in place. This scheme would be similar to that operated for TB/Bruceellosis restricted herds under the Milk Quota Appeals Tribunal.

5. Milk Recording: Milk recording is currently suspended. This will have im-

plications for area aid, disease eradication compensation and farm management.

Given the exceptional circumstances, a farmer should be allowed to opt for the previous year's records or partial records for 2001 if milk recording is resumed in 2001.

A mathematical model can be used to give average annual milk yield from partial records. Appropriate adjustments must be made to the schemes affected by the suspension of milk recording to ensure that no farmer loses out on his/her entitlement as a result of the foot and mouth crisis.

6. Ewe Premium Payments:

Given the current restrictions on farmers, many sheep farmers have severe cash flow problems.

ICMSA is proposing that the first two instalments of the ewe premium would be paid together. In previous years, when there were difficulties in the sheep sector, this proposal was implemented.

7. Code of Practice for Slurry Spreading/Silage Cutting:

The disposal of slurry is a major concern and difficulty for farmers and the silage season will be commencing soon.

To minimise risk and to provide clear guidance to farmers, ICMSA is proposing that a Code of Practice should be established setting out best practice in terms of Foot and Mouth Disease prevention and a code that is workable at farm level. The code should be introduced with the agreement of the farm organisations.

Other issues causing concern include commodity prices, extensification payments 2000 and the implications for extensification 2001, area aid deadline, reps, farm waste management/diary hygiene scheme, early retirement scheme and TB/brucellosis/bse.

- The need to ensure that housing is available for persons who have different levels of income.
- The need to ensure that a mixture of house types and sizes is developed to reasonably match the requirements of the different categories of households, as may be determined by the Planning Authority, including the special requirements of the elderly persons and persons with disabilities.
- The need to counteract undue segregation in housing between persons of different social background.

SHEEP TAGS

The IFA Leader said the Department of Agriculture will have responsibility for the issuing of sheep tags which will be supplied by a number of approved companies.

Mr Parlon said it will be a legal requirement for factories to establish systems to link the individual sheep identification numbers to the number of the finished carcass, thereby assuring full traceability. It will also be a requirement of factories to satisfy themselves as to the provenance of any animals which they purchase.

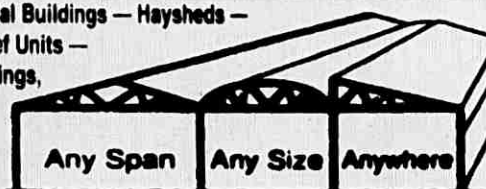

Mr Parlon said it will be a requirement that all sheep imported on to a farm from another member state (including Northern Ireland) whether designated for subsequent slaughter or not to be tagged with red (I) tags, bearing the appropriate flock/individual number, in addition to retaining any existing tags.

The IFA Leader said both IFA and the Department of Agriculture will be pursuing the introduction of new electronic identification technology in this area, as it becomes available and is properly verified.

QUESTIONS PEOPLE ASK

Q Did Jesus really rise from the dead?
A All the evidence points to the badly resurrection of Jesus.

The New Testament writers may have differed in accidental details but they are in total agreement that Jesus did physically rise from death. There is not a shred of evidence in scripture that any Christian thought otherwise. Paul staked his credibility on the resurrection. If Christ has not been raised, then our preaching is without substance and so is your faith (1 Cor. 15:14).

WE WILL DANCE WE WILL SING

The Liturgy group produced their Easter celebration of the life of Jesus at Abbeyside Church on Sunday night last and again on Monday night at Ballinroad Church. It was an uplifting experience and ensured that the Holy Week ceremonies commenced in an impressive manner. On Sunday night we were reminded that the Birth of Jesus was the greatest gift ever to the world. Jesus became a teacher and healer of the world.

The introduction to the liturgical extravaganza was the song 'I am a new Creation' and the hand and arm movements of the children were perfectly co-ordinated. This was followed by the song 'I Will Dance I Will Sing' and again the clapping and arm movements by the children were excellent.

THE ALPHABET: Twenty six children each had a card with a letter of the alphabet printed on it. Each letter had a significant religious meaning which was shouted out by the children raising the card over their heads.

Then we had the alphabet Wave across the width of the church which drew a spontaneous round of applause. The song 'Yes Jesus Loves Me' was excellent.

Theme Two: This outlined the life of Jesus when he was a child. The Bible reading was the story of the Finding in the Temple. The song: 'Oh well its excellent to be obedient.'

Theme Three: This was the period of Jesus the healer when he was thirty years old. He selected twelve followers who were called apostles. Wherever Jesus went people followed him. He explained the Beatitudes and urged people to treat others as they would like others to treat them.

Song: Give me a Heart of Compassion.

The names of the apostles were read out. Sick people came to Jesus all waiting to be touched and healed. Song: Once there was a House.

Theme Four: Jesus was kept busy talking to people. The children came to see him and he blessed them. Song: Jesus sat down in the shade of a tree. A short prayer called 'O Jesus, Jesus watch over us' was recited. This was followed by the song 'We are the Greatest'.

Theme Five: Jesus asked the disciples to partake in the Passover Meal. During 'The Last Supper' Jesus took a towel and a basin of water and washed the feet of the apostles. Song: Father God I wonder.

Song: Take the Bread.

Towards the end of the Passover Meal Jesus said that one of the group was going to betray him. Judas slipped out quietly. Jesus went to the Mount of Olives and talked about dying.

Song: The Old Rugged Cross.

The prayer Jesus himself taught us 'The Our father' was recited in separate phases and received a spontaneous round of applause of the end.

The lighting changed and the following songs were sung.

Everyone Praise the Lord. Gods Not Dead. Lord of the Dance. I will Dance, I will Sing.

The children bowed to the audience and there was a sustained round of applause from the congregation.

CONCLUSION

Fr. Keogh thanked everyone involved and said they had been preparing since February 10th. He thanked the parents, the musician Jamie and the committee and it was truly a team effort. The committee involved were Ann Marie, Breda, Philippa, Deirdre, Bríd, Mairead, Fiona, Rosemary, Suzanne, Michelle, Tomas and Fr. Keogh himself. Eddie Moore, the stewards, sponsors, Eileen the Sacristan were also thanked.

Fr. Doherty P.P. offered his encouragement and support. He thanked the children and stated they deserved a big hand. He stated that the children had given us immense satisfaction and the zeal and enthusiasm of the young people portraying the story of the Life and Death of Jesus was excellent. He thanked Fr. Keogh and stated we were fortunate to have a curate like him in the parish and hoped he would be here for many a year. He wished everybody a Happy Holy Week and through the show tonight we were reminded that we have a God that loves us.

Scout Notes

"Hardy lads those scouts!" yes, that was just one comment, amongst several other less flattering, it has to be said that was directed towards the scouts last Saturday. The reason being that the troop were canoeing on Abbeyside beach in what was not the warmest of evenings it has to be said. Despite this all concerned had an enjoyable hour canoeing and believe it or not no one actually fell out of their canoe apart from the occasional show off such as Frenchie and Tomas who did this deliberately and boy were they glad they had brought along their flask of hot tea. Thomas Cashin bought a brand new flask for the occasion a high tech gizmo the like of which has never been seen by any scout and he said in order to purchase this special piece he forsook backing "Red Marauder" the winner in the grand national, a likely story Thomas!

Following the canoeing it was back to the den where registration fee, camp deposit and subs were collected once again all were reminded of the vital importance of paying both camp deposit and registration/insurance as quickly as possible. Next on the agenda was some testwork where the patrols helped the new scouts get through some testwork. To round off the meeting a game similar to charades was played and Peter Phelan was the shining light as far as getting clues across to all concerned. The meeting finished at the usual time and all were reminded that as the Easter holidays are upon us no troop meeting will be held this weekend although the patrols must organise individual patrols overnight during this time.

THE INVASION

For the last two weeks we wrote about Church Reform through the Synod at Rathbreasail IIIA.D. The ultimate church reform came with the Anglo-Norman invasion in the years after 1169. The foremost military race in Europe were the Anglo-Normans but they left behind them, not only the results of an invasion, but also castles and abbeys and a new political system. When King Henry II arrived in Waterford in 1171 on the heels of the first invaders, he went through the Decies to Lismore and then to Cashel. He declared his policy of converting the Irish people to the True Faith, a rather odd policy of the slayer of the Archbishop of Canterbury, Thomas a Beckett. On this journey to Lismore he hardly went over the Dog's Gap but must have used a bridge path going past Dungarvan to Lismore from Waterford city.

With the settlement of Ireland by the invaders the building of towns began. Where there was a settlement already in a suitable place, it was fortified. One of the first fortified Anglo-Norman towns was Dungarvan, because it stood at the head of a harbour and was probably well known to seafarers. The Anglo-Norman fortification was built at the Seandún, "the old foot or enclosure", "Shandon" in English. It is difficult to understand how this name came to be applied to the later marshy area where later the railway station and after that a hotel were built.

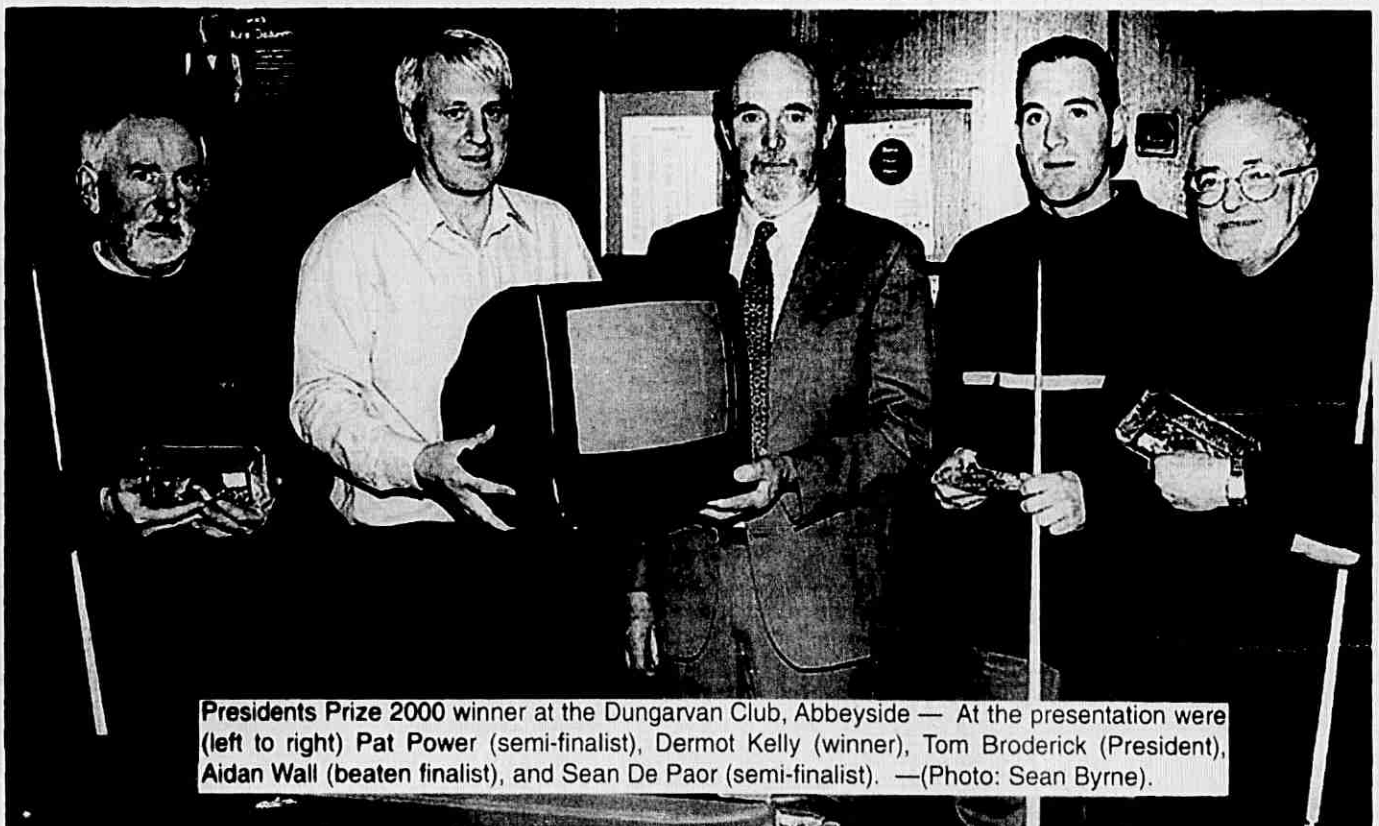

The new fort began with the building of an earthwork strongpoint, a motte-and-bailey of which only Gallows Hill remains. This is the remains of an artificial hillock on which a wooden turret was built. On a lower level there was a large fenced area oval in shape where a house, stabling and a storehouse could be built. That was the bailey but nothing remains of it at Gallows Hill. East of the settlement was the market area that grew up around it and which became known as Fair Lane. However this "Lane" was the original fair field. That this "lane" was more than a street originally is borne out by its status as a distinctive townland of 0.809ha.

MARITIME

We always like to add to our Maritime Section and last week when a man gave us a copy of the paper cutting dealing with the wreck of the "Morning Star" we were glad to add it to our ever growing collection. We also had a very nice photograph of "The Lady Belle" donated to us recently.

The photograph seems to have been taken on the River Suir at Waterford and shows the ship in a very good light. This Easter Sunday evening Jenny Power will be at the Parish Office minding the "Treasurers" where locals and visitors home for the week-end will be most welcome along to browse at leisure.

On Thursday the 6th April, Ms Ellis Corr, Waterford County Council Litter Warden and Celine Horner, Education Officer gave a talk to the first year students on environmental issues.

pupils to place litter in bins and also about the laws relating to pollution and littering and the penalties

incurred for offences against these laws. The pupils were also given an account of the work of the County Council. Celine Horner then spoke about waste management and referred to the Waste Management Hierarchy. This comprised the minimisation of waste - re-use and recycling of waste would also reduce the volume of refuse.

Celine also explained the concept of Green Schools and said pupils should work towards the award of a Green Flag which is given to schools which have fulfilled certain criteria. On behalf of students and staff, I would like to thank Ellis and Celine for giving us their time and expertise.

LISMORE BADMINTON NOTES

All three of our mixed teams have reached the semi-finals of the Cup competitions.

The Div. 5 team were first to qualify with a win over neighbours Tallow. They took all

six games at home to Tallow but had to work a little harder away from home losing three games before they won the decider. They play Tourin in the semi-final next week.

Team: Ian Kearney, Edward Fenton, Jason Tobin, Maria Prendergast, Ann Bennett, Connie Dowd.

Div. 6 also had a good start winning their home game against Touraneena 5-1. The return game went to the third game before Lismore had the 7 games needed to clinch their semi-final spot. They face Ballinroad next week in their semi-final.

They have the little matter of a league final to take care of first however and this is fixed for this Tuesday night 10th. Tallow provide the opposition for what should be a thrilling match. Let's hope congratulations are in order as you read this for captain Linda Owens, Emer Barry, Siobhan Ballentine, Paul Owens, Tom Flynn and Eoin Foley.

Div. 1 claimed a 6.0 away win over Touraneena in their 1st round cup game and only needed one point in the return game to secure their spot. Though Touraneena pushed hard Colin and Richie were on top form and clinched 1st men and the all important point. As yet, this team don't know their semi-final opponents but these games are also to be played next week.

Team Colin Coleman, John Pratt, Richie Power, Mag Morrissey, Nora O'Sullivan, Angela O'Hara.

All members take note our Easter night out is on Friday 20th April. Put it in your diaries please.

This week's draw will be held on Saturday night at the Toby Jug.

U-21 HURLING WEST-ERN FINAL Cappoquin 1-4 Colligan 0-10

This was one of those days when nothing went right. If Kevin Foley's effort in the early moments of the game had gone to the net this would probably have been a totally different game. At half time we trailed 0-6 to 0-3 playing with the wind. Midway through the second half we trailed 0-10 to 0-3 and then had a player sent to the line.

It was only at this stage that our lads seemed to come to life. We seemed to have a certain goal when the keeper was beaten by Jamie McGrath only for the sliothar to hit a 'divot' on the goal line and spin out instead of going into the net where it should have ended up. Soon after this Allan Hogan pulled on the ball to the net, then Mick Scanlon put over a point to leave just a goal between the sides with two minutes remaining.

Try as the lads did for that elusive goal, it never came with the Colligan backline holding firm. Our club would like to say well done to Colligan who fully deserved their win and were the better side and the best of luck in the County Final which is probably on this weekend. Finally we would like to thank all our lads who put in the time this year and last year to reach this final.

There will be days when things go your way and other days when things won't. Everyone of our side that finished last Saturday's final are underage for this year's U-21 championship (when ever it will be played). So lads keep the heads up.

Team; D. O'Rourke, K. Looby, B. Scanlon, S. Morrissey, M. Fraher, S. Coughlan 0-1, L. McLoughlin, D. McCarthy, R. Scanlon, P. Landers, K. Foley 0-1, C. Mason, J. McGrath, M. Scanlon 0-2, J. Ahearne, Subs Alan Hogan 1-0, S. Kett, S. Barry, S. Hanrahan, P. Coffey.

Cappoquin F.C. Notes

A GAME OF "IF ONLY"

Ardmore (2) 2
Cappoquin (0) 1

This was a game of "if only". If only half our team turned up, if only we held out until others arrived, if only we put away our chances. We started with 8 players ending with ten, but while we had 8 players Ardmore scored 2 goals (1 penalty).

This was too much for us to peg back but this was probably our best display this season. Too many players left us down, as much as 9 players did not turn up but the lads who did played out of their skins.

Ardmore were 2 up after 10 mins playing into a strong wind and one would think game over at half time as we faced the wind 2 goals down and a player down, but Wattle stirred the lads with his half time talk and we began to take the game to Ardmore with some tireless displays from Pat Sullivan, Wattle and Cathal Gleeson.

Our first chance fell to Michael Lacey who scooped a good chance just over the bar at the end of the first half. As the second half progressed we grew stronger and should have had a goal back after 15 minutes when Michael Lacey failed to connect with a Cathal Gleeson shot which the keeper failed to hold.

Shortly after this a good cross from Joe Barry was put away by Michael Lacey, but as we tried to get the equaliser Ardmore held out just. Best for us were the 10 lads who turned out in dreadful conditions.

Team; Gossie Mason, Mick Walsh, Martin Power, Kevin T. Casey, Kevin Casey, Wattle Moore, Pat Sullivan, Cathal Gleeson, Joe Barry, Mick Lacey.

Had we had some more players we could have won 3 valuable points but with our assistant manager in bed what hope of inspiring the rest of the lads to turn up!

We need to win the next two vital games to avoid being dragged into the relegation battle so turn up next Sunday lads. Check elsewhere on this paper for next week's fixture.

CAPPOQUIN LOTTO

Cappoquin Community Development Company Ltd held its lotto draw on Monday 9th April. The winning numbers were 10-19-25 and there was no jackpot winner. Next week's jackpot will be £1,100. There were 6 consolation prizes of £10 each and they were won by Ross Murphy, Main St., Paul and Claire Deevy, Richmond House, Paul McCormack, Killahala, Lar Looby, Michael O'Connor and Kate Morrissey. Congratulations to everyone. Next week's draw will be held on Tuesday afternoon 17th April.

CAPPOQUIN BOYS' SCHOOL

BUSY TIME ON SPORTING FRONT

From now until the Summer Holidays we will be busy on the Sports Fields and playing fields. We have already begun the defence of our School's Hurling Title captured for the first time last year. Fittingly our opponents were Ballinameela - our final opponents last May. A great friendly rivalry has grown up between our two schools and as usual there was little between the sides in this encounter. A great determined display by us saw us secure the win from Ballinameela for this year.

MINI 7'S

Our next engagement was in the INTO Mini 7's in Tallow on Tuesday April 3rd having accounted for our hosts in the opening match (never an easy task), we matched a very strong Lismore's 7 for most of the second game only to go under to their superior firepower up front.

This was a great gutsy display from the boys. Our final outing was against Knockanore and after a ding dong battle between two tired teams we emerged victors on a scoreline of 3.0 to 2.2. A second place finish was an excellent result for us. Well done lads!

The following players have represented the Boys' School in hurling this year. J J Devine, Shane O'Rourke, Joe Kett, Michael Fenton, Stephen Power, Mark Landers, Shane Fives, Daithi Wilkinson, Pdraic Moore, Kieran Flynn, Jamie Gilligan, Colm Looby.

INDOOR BLITZ

Well done also to 3rd and 4th class hurlers Derek Cahill, Shane O'Rourke, David Cahill, Raymond Hallissey, Darren Curran, Colm Looby, Ian Fitzgerald, Darragh Fives, Brian Crotty, Michael Devine, and David Cahillane who represented the School in the indoor hurling Blitz in Lismore - surely stars of the future.

STILL TO COME

After Easter we resume our hurling competition with games against Ardmore, Knockanore and Glenbeg still to come.

After the Easter break our thoughts will turn to the School Sports with Preliminary Rounds for small schools going on in St Augustine's College on Tuesday May 29th and the Finals at the same venue on the following Tuesday evening.

Our School Sports Day will also take place in June.

A special thanks to all who support us in our Sports' activities without whom it would be impossible for us to be involved.

EASTER RAFFLE

Tickets are currently selling briskly for our Easter Raffle to be held on Tuesday April 10th in school. Thanks to all the families and sponsors who donated prizes to us.

Proceeds will go towards the purchase of a new sports outfit for our school which the boys will wear for hurling/football/athletics etc.

SCHOOL DIOCESAN VISIT

Sr Eileen Glendon visits our school on Tuesday April 10th. Thanks to both Sr Eileen and Fr Ned Hassett for their help and support for our school in implementing Religion Programme. The school particularly thanks Very Rev Fr Arthure PP for his welcome visits to the classes.

First Penance took place on Friday 30th March 2001. Well done to all concerned. First Holy Communion is on Saturday May 19th in St Mary's Church, Cappoquin.

POTTERY EXHIBITION

A "Hands On" approach has been adopted in our Art, and Craft Classes in the Boys' School in the past two weeks. Creative endeavours have produced egg cups, ashtrays, animals of all shapes and sizes not forgetting mobile phone holders - a sign of the times!

Special thanks to Joanne Fraher and Katie Quann - our two enterprising and artistic Transition Year students from St Ann's secondary School - Their enthusiasm was a delight to see and we thank them for all their help.

ENVIRONMENTAL UPDATE

Well done to all our boys involved in the Tidy Team - keep up the good work. The school received a visit from Eilis Corr and Celine Homer, Environmental Office recently who outlined again the importance of keeping our Community litter free. Thanks Eilis and Celine.

CHOIR

Our Choir members and Mrs Curran enjoyed their visit to Oklahoma in Kill Community Centre on Tuesday April 3rd. This was in conjunction with the choir members in Mercy Primary School and was a means of thanking all in the choir for their diligence and attendance at various ceremonies throughout the school and church year. Choir times for the Easter Ceremonies for attendance by pupils are: Good Friday 8 pm. Easter Sunday 11.30 am

Cappoquin Boys' School wishes pupils, parents, and staff a Happy and Holy Easter. School reopens on Monday 23rd of April 2001.

TALLOW NOTES

C.L.G. TULACH AN IARAINN

Senior Hurling League Tallow 1-13 Ballydurn 0-7

Tallow recorded their 2nd league win in as many games with a relatively comfortable win over Ballydurn in Tallow last Saturday evening.

With all six forwards picking off points, Tallow led by 10 points to 2 at the interval. Indeed had we converted a few decent goal opportunities this game would have been over as a contest at half time. Ballydurn rallied in the 2nd half but a Dermie Henley goal put paid to their hopes of a revival.

Tallow: B. Power, C. Cunningham, Shane (Glenaglough) McCarthy, D. Martin, S. Pratt, J. Beecher, D. O'Brien, Wm. McDonnell, P. Murray, P. O'Brien, S. Slattery, B. Henley, J. Murray, D. Henley, Wm. Murphy. Subs John Murray, M. Murphy, P. Murphy.

Scorers: Brian Henley (0-3), Paul O'Brien (0-2 1 free), Wm. Murphy (0-3), Sean Slattery (0-2), Joe Murray (0-1), Dermie Henley (1-2).

Colman's Through to All Ireland Final

Two late goals, one from our own Paul Kearney earned Colaiste Cholmáin a hard earned victory in atrocious conditions over a plucky Dublin colleges side in Clonmel last Sunday. Our reporter at the match informs me that Aidan Kearney had an outstanding game at wing back. Well done to both lads.

American Tea Party - Friday 20th April

If you are not already on a table there is plenty of time to host your own group (of any number). Contact Mairead or Fiona. There is a bit of table poaching going on at the moment which I'm not too happy with. My own guest of honour Mr. Willie O'Hara has been approached by a bearded host from another table. Willie assures me he is standing firm and will resist all overtures (within reason).

Motion To Amend Rule 42 Rejected By One Vote Waterford Clubs Not Consulted

Many club activists I spoke to in West Waterford during the week are incensed by the lack of consultation with clubs on what way Waterford delegates would vote on the motion to amend Rule 42. To the best of my knowledge the Waterford

delegates led by a vociferous Pat Fanning rejected the motion. I realise delegates to congress can not consult the clubs on every issue, but this was a decision of huge importance, a constitutional decision made in our names in which we had no say whatsoever. Personally I think the decision taken and the manner in which it was taken at Congress was archaic. That is not the point here. There is plenty of consultation with clubs when money has to be levied to service debts incurred to half develop 2 main grounds in the county. What mandate did the Waterford delegates have. At least let them articulate their reasons for weighing in behind Frank Murph and others to defeat the motion. I think the clubs in Waterford deserve an explanation, at least, Paddy Joe.

COIS BHRIDE JUVENILE GAA CLUB NOTES U-16 Football

Last week all the action moved outdoors as our U-16's had to 'go on the road' for their two remaining matches, versus the Nire last Monday and Stradbally on Wednesday night. A large squad travelled both nights, and selectors Billy O'Keeffe, Frank Ryan and Dan Casey expressed satisfaction at the attendance, not only at all the matches, but also at the training sessions beforehand.

Cois Bhride settled quickly against the Nire, and the half time score read Nire 0-8 Cois Bhride 2-2. In the second half however, the Nire backed by a strengthening wind fired over 8 more points as against only one reply, to run out winners on a scoreline of 0-16 to 2-3. This was an improved display from the previous match versus Dungarvan. Scorers Michael Curley 1-2, Mark O'Brien 1-0 and Jody O'Neill 0-1. The team lined out: K. Walsh, M. Smyth, B. Harnedy, R. Geary, K. Norris, M. O'Brien, K. Casey, J. O'Neill, S. Giles, M. Curley, W. Curley, S. Cashman, C. Hickey, R. O'Brien, C. Herlihy, Subs P. Forbes, J. Ryan, J. Hampton, A. Daly, E. Ahearne, P. O'Connor, N. Cunningham, P. O'Brien.

On Wednesday night the same team with just two changes, Eoin Ahearne and Peter O'Connor coming in on the left and right half back positions took to the field against Stradbally. This was a very high scoring game with lots of goals and goalmouth action.

The final scoreline read, Cois Bhride 7-4, Stradbally 5-6. Even though we are now out of this competition, everyone con-

cerned can feel satisfied that a good effort was put in and let's hope that the same commitment will be evident when the hurling championship commences around the beginning of July. Scorers versus Stradbally, Jody O'Neill 2-1, Michael Curley 2-0, William Curley 1-2, Ray O'Brien 1-1 and Ciaran Herlihy 1-0. Our thanks also to Mickey Curley for all his help and particularly for his pep talks.

U-14 Hurling Scanlon Cup

Our U-14's had their first outing last Saturday in Tallow versus St. Oliver's in the Scanlon Cup. With a victory over Dungarvan in the previous round under their belts, St. Oliver's were warm favourites going into this game. Cois Bhride started well but found it hard to penetrate a solid defence. Our persistence finally paid off and a goal each from Vincent Hickey and Martin O'Connor gave us a deserved half time lead.

Playing into the wind in the second half and now without Stephen Power, it was going to take a big effort to hold on to our lead. We got the break we needed after a lot of pressure from St. Oliver's when Thomas Ryan, with a superb first time strike, sent the ball to the net for a great goal. St. Oliver's camped in our half for the remainder of the game but couldn't penetrate a tough defence for the vital goal they needed and Cois Bhride ran out deserving winners.

Final score Cois Bhride 3-0 St. Oliver's 0-5.

It was a winning debut also for our new jerseys, and how well they looked.

Team and subs: K. Henley, S. Harnedy, K. Kearney, T. Feeney, R. Rohan, E. Forbes, E. Hickey, M. Smyth, E. Condon, C. Savage, S. Power, L. McCarthy, V. Hickey, M. O'Connor, C. Herlihy, T. Ryan, J. Tobin, J. Hampton, A. Giles, S. Barry, J. Ahearne, J. Smyth, M. Fitzsimons.

The final will be played probably next Saturday versus Lismore, in Cappoquin, but date and time yet to be arranged. So please check with selectors, Brendan Hartigan, Flor Harnedy or Liam Mulcahy beforehand.

Congratulations

Our congratulations go to club members Aidan and Paul Kearney and John G. Kelly who assisted St. Colman's, Fermoy to victory over the combined Dublin Colleges in the All Ireland semi final last Sunday, and can now look forward to an All Ireland final appearance. Our best wishes go to this fine academy of hurling.

Well done also to Mark O'Brien, Jody O'Neill and Wm. Curley who played with West Waterford versus East Waterford in the Gleeson Cup last weekend.

Rachel Ryan tells me that Tuesday will be the last day of indoor hurling. Weather permitting it will be outdoor from now on.

BRIDEVIEW UTD A.F.C. NOTES

RED HOUSE LEAGUE

Points For Utd.

The local derby between neighbours Brideview Utd and Lismore never took place on Sunday morning last due to the late arrival of Lismore. To make matters worse both sides were still in with a shout of winning the league title.

Going into Sunday's game Lismore were seven points behind Utd with two games in hand. So a win for Lismore would really have opened up the league. Now it looks to be a two horse race (just like the Grand National) with Valley Rangers and Brideview. I know Derry is confident in Conna.

Our Div. two side played their final league game in Conna on Friday night last and lost out after a seven goal thriller.

Celtic supporters were celebrating over the weekend after they clinched the league title in Scotland. A big turn around there in twelve months.

Our lotto jackpot is still up for grabs so get your tickets early.

Thriller In Conna Div. Two

Valley Rangers 4 Brideview Utd 3

This final league game for our division two team was a real thriller with seven goals, plenty of goalmouth thrills and no shortage of football skills.

Rangers took the lead early in the first half and added a second after 30 minutes. Ronan Cronin pulled a goal back for Utd and at the break Rangers led 2-1.

Rangers struck again 15 mins into the second half and added goal number four 10 minutes later. However our lads did not give up and Ronan Cronin struck again to give Utd hope. A marvellous header by Pádraig Tobin saw the lead of Rangers back to just a goal. Time ran out for our lads but they can hold their heads up high as this was a terrific display.

Utd: W. Conroy, R. Cronin, S. Cronin, M. McGrath, F. Power, P. Tobin, I. Farmer, P. Cronin, B. Power, B. Donnelly, P. Sheehan, Res S. Tobin used.

Sympathy

All in the club extends their deepest sympathy to the Grey family, Woodview Park on the sad passing of one of our oldest fans namely Jo Grey who passed away on Saturday last. Joe would have two questions on a Monday. Did the lads win and how did John Paul play. May she rest in peace.

Best Wishes

To Pat Flynn who is laid up in hospital. Get well soon Pat.

Congratulations

Yes to all Glasgow Celtic fans we say well done. Two boys from Tallow made the trip namely Philip Pratt and Paul Curley. The lads were in great form early on Friday morning before they left. I can only picture them on Sunday. The other Celtic fans went to their usual watering hole in Youghal. They should be back during the week I suppose.

Munster Junior Cup

All in Brideview Utd wish our neighbours in Conna namely Valley Rangers every success on Sunday next against Coachford in the replay. Kick off is 2.30 pm.

F.A.I. Junior Cup

We could not forget our friends in Dungarvan who have a home draw against Dublin side St. Kevin's. We wish all the lads in the club the very best of luck. Kick off here is 3 pm. The pity is that it clashes with the game in Conna.

Cup Semi Final In Waterford

Yes, the Blues of Waterford Utd have got a real thriller lined up as they came out first and will now play their semi final in Waterford.

W.U.F.C. Supporters Club Soccer Blitz

The Red House League are entering a Golden Oldies team as they try to help out the Blues by raising badly needed cash. Liam Fraser has been seen running up Tallow hill every morning as he prepares for the Blitz. It takes place this coming Friday in Waterford. Paddy Pollard is training on the beach in Ardmore while Jim Foley is also using the beach in Clonea to build up stamina. Sean Kearns was seen running to Dungarvan last week. Now where is Eamonn O'Shea training. Out the Vee, someone said.

News to Hand

All the sisters were in swinging form on Saturday night week last as they moved their bodies to and fro. Brush handles have become very popular with the girls. Well after a few drinks they thought the brush handles were guitars. Youghal and Curraglass, watch out. The new all girls band were practising on Saturday night last. The player on crutches had another player as bodyguard on Saturday night. In case he fell no doubt. One of the younger players on the Premier team was boasting on Sunday morning last.

Sympathy

The club extends its deepest sympathy to the O'Sullivan family (Castlelyons) on the sad passing of Eileen. May she rest in peace.

Speedy Recovery

To Stewart Barry who had his operation on Friday last. Stewart is out for the rest of the season and again he will be missed. Anyway get well soon Stewart.

CONTROL IN RELATIONSHIP

Oliver J. Killeen

Carl Jung wrote "Where love rules there is no will to power, and where power predominates love is lacking. The one is the shadow of the other." Most of us like to feel we are in control of our lives but with the controlling person there is an overwhelming need to be in control in all situations. Control - or power - often causes serious problems in relationships for in order for one partner to be in control power has to be taken away from the other or there will be continuous conflict. A common scenario is a controlling husband. He will be the person who makes all the decisions often without consultation, he will control finances, routines, habits, access to family and friends and general lifestyle. Control is a compulsion and is virtually the opposite of being a victim. A victim looks to others for help and rescuing whereas a control freak never asks for help since he feels he must handle everything himself. Mothers commonly control their children through over-protection or perfectionism. No matter how the children perform it is never quite good enough so living becomes a constant struggle to please mother. Perfection is a primary symptom of this compulsion and it manifests itself in aggressive or passive-aggressive behaviour. The first takes the form of setting rigid rules and codes of behaviour which if transgressed cause the controller to fly into a rage. The latter takes the form of manipulation and making the other person feel guilty if they don't comply with demands. Controllers are fear-filled dependent people who are alone inside. By controlling all details and feelings they can avoid facing deep relationship issues that they feel might get out of control. They make sure they don't fail at anything. They constantly blame and criticise others to control them as they themselves lay trapped in isolation and fear. Controlling, perfectionist people want everything in its place including people. If that can't happen it causes mental chaos and a sense of being out of control. They often project a sense of grandiosity and superiority as a mask for insecurities. They often try to hide their perfectionist traits as perfectionism erodes trust.

The controller erodes a sense of self identity in those around them. The controlling persons dependent also created dependency in others because by taking decision making away from others he ultimately renders them incapable of making their own choices.

Children who grow up with this pressure from family often make bad choices to win love such as getting married to escape. Then when difficulties arise they will return home to become a child again under the loving control of concerned parents.

Children who grow up in controlling families are conditioned to repress their real feelings like anger. This childhood conditioning causes many to live their life in fear and unidentified repressed anger. Many others go about feeling inadequate and unable to function, dread mistakes and hiding under the cloak of shyness. Within every person lies the need to be himself/herself and this fundamental need is the foundation of self esteem. Dysfunctional families and systems are shame based and this creates feelings of inadequacy, insecurity, depression and fear. Because of this many become super-achievers to be loved, giving a false sense of being loved on the outside but inside they feel terrified of love and life.

Where does the compulsion to control come from? It has its roots in childhood when the individual felt powerless and full of fear. From infancy to adolescence we create mental road maps of our experiences, what we see, hear and feel in the world around us. These maps shape every aspect of our lives. When a child grows up in a home where there is physical, emotional and/or sexual abuse real feelings are repressed. They develop a 'pleaser' personality so as to be accepted and approved. This gives birth to the need to put up emotional screens. These screens force them to bury

their feelings and so they never achieve true happiness. They go through life in a performance as it were and reality becomes intolerable. When a person believes he cannot be himself addiction gives a sense of well being and allows them to forget the pain and assume a feeling of well-being albeit temporary.

Emily Dickinson wrote: "I feel a cleavage in my mind as if my brain had split/I tried to match it seam by seam but could not make them fit." The only way we can overcome hidden fears is to understand them. The reason why so many never understand behaviour is because they are driven by the need to protect themselves against emotional pain. People will not deliberately expose themselves to physical pain or injury and so to avoid rejection, abandonment or disapproval they use projection systems, that is the controller projects his unwanted feelings on to others and when victims feel bad the controller arrives in the mantle of a rescuer.

Reality allows one to move closer to more of what they are really deep inside and allows one to experience all too often hide emotions and feelings. There is no need to hide or deny feelings from oneself. This reality allows one in relationship to share feelings with a partner freely and spontaneously and completely.

All meaningful relationships have conflict. Conflict is simply a result of something getting in the way of the forward flow of life. Those who use others to satisfy their needs or purpose are always filled with conflict. Conflict is really a catalyst that precipitates a chain of responses and consequences that are not reactions or chaos. Fear of rejection is our primary fear and so the fear of being loved or rejected in conflict shuts out vulnerability. To dare to be vulnerable means taking a risk but this is the doorway to change. Unfortunately control is not an easy pattern to deal with. Controlling people have difficulty with intimacy and therefore admitting they have this problem. They are far more likely to blame their partner and refuse to discuss it. In relationship each person has a need, indeed a right to be an individual and some time spent in developing individually actually nurtures a relationship. However much can be done through taking on a commitment to change and a willingness to risk the fear associated with relinquishing some of the control.

KNOW YOUR RIGHTS

QUESTION

I applied for a Medical Card to the health board but was refused. I appealed the decision but I was still refused. I feel I am entitled to it and that I have not been treated fairly. What can I do?

ANSWER

If you feel you have been treated unfairly by a public body, such as a health board, and have already tried to resolve your problem, as you have by appealing the original decision, you can make a complaint to the Ombudsman. Any individual, company, organisation or association can make a complaint.

The Ombudsman can investigate complaints made about services provided by government departments, local authorities, health boards or An Post. He cannot investigate complaints involving the actions of private companies, individuals, private practitioners, dentists etc. He also cannot investigate complaints where there is a right of appeal to an independent tribunal or appeal body.

You should complain as soon as possible but not later than 12 months after the action you want to complain about occurred. No special form is required and complaints may be made in writing, by telephone, by calling to the Ombudsman's office or by email. You should supply copies of any relevant documentation or correspondence.

If the Ombudsman finds that your complaint is justified he will report this to the public body concerned. He may recommend that it should change its decision or review its action.

Further information is available from the Office of the Ombudsman, 18 Lower Leeson Street, Dublin 2. Tel.: 6785222 (from outside Dublin 1890 223030) E-mail: ombudsman@ombudsman.irlgov.ie and the Citizens Information Centre below.

MONEYMATTERS

MAKE YOUR £ GO FURTHER

Set aside the amount of money you can spend on food each week.

Write out a shopping list. Plan menus a few days ahead; it will save you money as you are less likely to buy food on impulse.

Fish is quick to prepare and very nutritious and can be good value depending on the season. You can always ask what offers the best value at a particular time. Mackerel, Coley, Herring, Fish Fingers and tinned fish are good value for money.

Tuna is a very versatile and popular fish. Serve it with a stir-fry and pasta for an interesting evening meal.

Eggs are cheap, easy to cook and full of nourishment.

Fresh vegetables are much cheaper than processed/frozen vegetables, e.g. potatoes are cheaper than ready-made chips, but they take time to prepare.

Fresh vegetables tend to be cheaper in vegetable shops and open-air markets than supermarkets. Make vegetable soup, which is simple to prepare and is nutritious. Cheapest vegetables are generally, cabbage, carrots and broccoli. Vegetables in season will be cheaper too. Fresh tomatoes will be much cheaper in the summer time and more expensive in winter. When fresh vegetables are not in season, frozen or tinned ones will be cheaper.

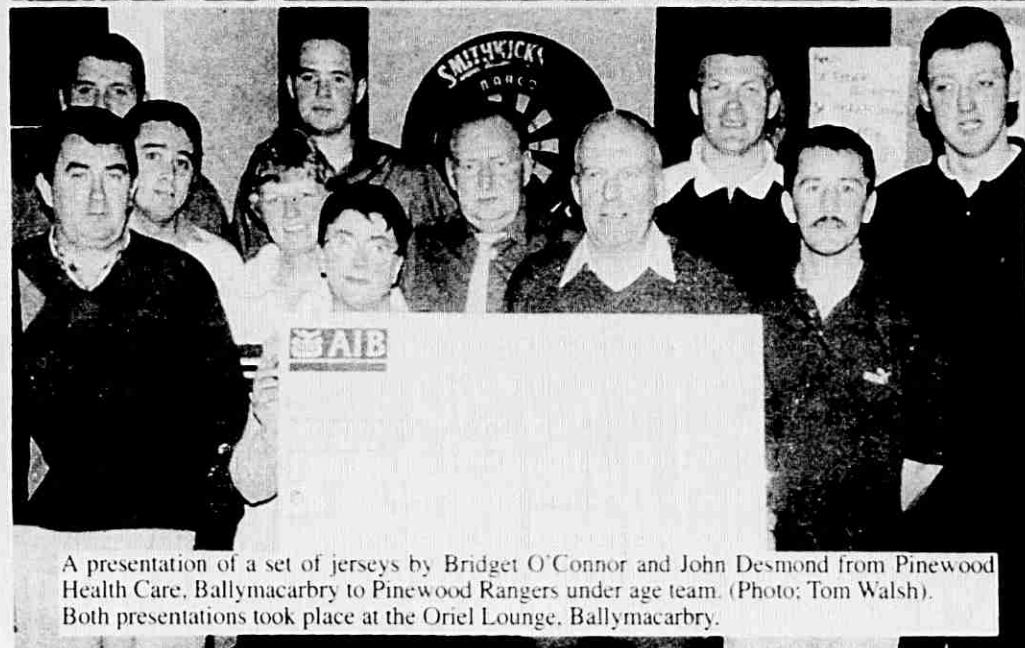

Meat is usually cheaper in a butchers shop than the supermarket and you can choose the exact amount you want. Mince is low in cost and has no waste from bone and gristle. It may however be high in fat, it is a good idea to buy a smaller quantity of leaner mince.

RECENT DEATHS

LATE MR. KIERAN MOLONEY

It is with regret we record the death of Mr. Kieran Moloney, Queen Street, Clonmel who passed to his eternal reward in London, he was the last surviving member of a family who had been in the building trade since the early part of the century. They were a family who down the years worked on houses in every street in Clonmel, particularly plastering and slating. He was son of Ned and Jocie Moloney, Queen Street and one of three boys, his mother Jocie Carroll came from Drombane, Thurles and worked for some years at O'Brien's Drapery and Grocery shop in Irishtown, the premises which is now Allens. In the early 30's they owned a public house which is today owned by Chrissie Shine.

Like his brothers, Kieran was a skilful footballer and played for Clonmel Commercial, that was a sense of pride to him as his grandfather Mick Carroll was on the Tipperary team that beat Galway at Birr in the first All Ireland, in 1887. Having worked with his father and brothers for some time he decided to emigrate to England, where he started with a builder in London doing the same type of work as he had done in Clonmel. In a few years there he married a beautiful English girl Hilda, who ran a B&B and their customers were mostly Irish and with them they became life long friends. One of Kieran's pastimes was studying horses and now and again he had a flutter, he was also a man who enjoyed a pint with his friends in the club. A thing he looked forward to was a visit to the homeland with his wife Hilda, he always looked forward to meeting his friends for a chat and a drink at Liam Daly's, Brendan Dunnes or Sean Fahy's "Sows Ear".

A blow to him was the death of his mother Jo some 15 years ago. She was a tower of strength as she took care of the administrative side of the business. Kieran and his wife Hilda loved staying at Latty and Mary O'Meara's, Old Bridge. For the past few years he did not enjoy the best of health but still made the trip home each year, his last visit was August. A few weeks ago he passed to his eternal reward after a week in hospital.

His remains were removed to the Parish church of S.S. Peter & Paul's, Clonmel where they were blessed and received by Rev. Fr. Brian Power C.C. S.S. Peter & Paul's. On the following morning requiem Mass was celebrated for the happy repose of his gentle soul, the celebrant was Rev. Fr. Brian Power C.C. After Mass the funeral took place to Saint Patrick's Cemetery, Clonmel where he was laid to rest. Fr. Power C.C. officiated at the graveside.

To his wife Hilda and his many relatives we extend our sympathy.

LATE MR. JEROME GARTLAND

It is with deep regret we record the tragic death of Mr. Jerome Gartland, Baron Park, Clonmel. Some weeks ago a person was reported to be seen falling into the River Suir at Knocklofty Bridge. Searches were carried out on several occasions but yielded no body. On Tuesday 27th March his body was taken from the river Suir near the Convent Bridge and removed to St. Joseph's Hospital, Clonmel. On Thursday evening his remains were removed from Condon's Funeral Parlour, Clonmel to the Parish Church of S.S. Peter & Paul's, Clonmel where they were blessed and received. On Friday the feast of Saint John Climacus requiem Mass was celebrated at 1 pm for the repose of his eternal soul. After Mass the funeral took place to Saint Patrick's Cemetery, Clonmel where he was laid to rest. To his family we extend our sympathy.

Go raibh suaimhneas siorai aige i measc na Naomh.

(Undertakers Condon's, Clonmel).

LATE MRS. BRIGID CARROLL

Profound and sincere feelings of regret were widely expressed at the news of the death of Mrs. Brigid (Biddy) Carroll (nee Butler), Mile Tree, Clonmel and formerly of Deerpark, Ballymacarbry which sad event took place after an illness of some duration at Aut-Evan hospital, Kilkenny on Sunday 1st April.

Deceased in her seventy fourth year was a member of a well loved and respected County Waterford family, the Butlers of Deerpark. Biddy was a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease.

In May she would have celebrated fifty one years of married life. She was a kind and loving wife and mother, her greatest passion was for her husband, her children and grandchildren to whom she was utterly devoted. She was an outstanding farmers wife as she had to attend to all the farming chores as her husband was President of the Y.C.O. his time was taken up with meetings of Co-ops around the country. His work on the farm was in the capable hands of his good wife. With her husband they travelled far and wide visiting different countries each year. Of a quiet and unassuming disposition, she had a great sense of fun and humour which made her delightful company.

She was a person possessed of a deep faith and practised her religion devoutly. She was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all, and her demise has evoked feelings of sincere regret among her family, neighbours and many friends.

Many tributes have been paid to this fine lady but perhaps the finest was paid to her on Tuesday evening by the huge concourse of mourners who were present when her remains were removed from her residence to the Parish Church of Powerstown where they were blessed and received by Rev. Fr. Peter Ahearn P.P., Lisronagh/Powerstown.

On Wednesday morning the feast of Saint Isidore concelebrated Mass was celebrated for the happy repose of her gentle soul. The chief celebrant was a priest of the Capuchin Order, a friend of the family, he was assisted by two other members of his order, two priests from the Dioceses of Killaloe, Rev. Fr. Peter Ahearn P.P. Lisronagh/Powerstown, Rev. Fr. Paddy Hallinan retired Foreign Missions, Rev. Fr. Sean Nugent P.P. Burncourt/Clogheen and Rev. Fr. Michael Walsh P.P., Ballylooby/Duhill. After Mass she was taken to her resting place in the family plot in the adjoining cemetery and as a light shower came down a kind and gentle person was laid to rest. The priest from the Capuchin Order with the other clergy officiated at the graveside in the presence of a huge concourse of mourners paying their final respects to a dear Christian friend whose memory they will treasure.

To her husband, sons, brother, sisters and her many relatives we extend our deepest sympathy.

Faoi bhraht Mhuire na nGaedheal go raibh a hanam.

(Undertakers Fennessy's, Clonmel).

SYMPATHY

Sympathy of the district is extended to Mrs. Margaret (Madge) Ryan, Knockalisheen, Ballymacarbry on the death of her sister Maureen Darcy (nee Ryan), Post Office, Stradbally, Co. Waterford. On Sunday evening her remains were removed from her residence to the Parish Church, Stradbally. On Monday morning the feast of Saint John the Almoner requiem Mass was celebrated for the repose of her gentle soul. After Mass the funeral took place to Tullow, Co. Carlow.

Deceased was aunt of Rev. Fr. William Ryan ADM Cathedral, Waterford and Paddy Joe Ryan, Chairman Waterford County Board GAA. Leaba i measc na Naomh go raibh aici.

EXHIBITION OF PAINTINGS

Rayleen Clancy from An Rinn, Co. Waterford is currently hosting her first solo exhibition of paintings in the South Tipperary Arts Centre, Nelson Street, Clonmel, it continues up until April 28th.

This show was officially opened on Friday night last by

well known writer Michael Coady of Carrick-On-Suir. The title of the show Port na bPucail is an old Irish air that translates to Tune of the Ghosts; like the melody, these paintings also possess ghosts - an amalgam of images and textures taken from the past and present, a map of

personal time and exorcism of recollections. In these the transitory nature of life is captured - creating a world in which the viewer is taken on a journey to a place where things come in and out of focus and slowly fade away.

Schools News

The Knockanore infants try out the fire fighting equipment!

KNOCKANORE NATIONAL SCHOOL

A look back over the term from January to Easter

VISIT OF FIRE BRIGADE

We had a visit from the Fire Brigade during the term. It was informative and entertaining for both pupils and teachers alike. Mr. Des O'Brien, Chief Fire Officer, Dungarvan spoke to the children in school and at home. Martin Sheehan, John Gray, Michael Delaney, James Power, Noel Buckley and Vincent Delaney from Tallow Fire Station showed how the Fire Brigade engine works. The children got a chance to

spray the hoses, sound the sirens and see all the equipment the Fire Brigade have. They hope to come back sometime to help out with Fire Drills.

WINDOW BOXES

Our window boxes are really looking beautiful these days. They have been widely commented on, as the daffodils started coming out in January. Is this a record? We are hoping for sunny weather from now on so that our sunflowers and nas-

turtiums will grow and grow. We also have mini oak trees growing since our visit from Orla Fahy from the Millennium Tree Project, who helped all the children plant acorns.

I.N.T.O. HANDWRITING COMPETITION

Congratulations to Monique Fitzgerald and Elaine Baldwin who received prizes in the I.N.T.O. Handwriting Competition. This is the 2nd year running that Monique has been awarded a prize. Well done!

ST. PATRICK'S DAY

Once again the children of the school celebrated Seachtain na Gaeilge and St. Patrick's Day with music, song and dance. Last year the weather was kind enough to allow us to perform outdoors. Unfortunately this year things were not so pleasant, so the whole school went to Mrs Ronayne's room.

We had a great Ceili band of accordions and whistles and Mr. Kavanagh's fiddle. The playing was a great tribute to Martin Curran and the other teachers who give the Wednesday night lessons in the Shamrock Inn.

Rose Casey kindly arrived to help out with her highly talented set dancers, fresh from their

victories in Limerick recently. All the classes from 1st to 6th danced the Siege of Ennis and The Walls of Limerick.

Great training for the Ceilis they'll attend as teenagers!

BALLYDUFF TABLE QUIZ

Congratulations to our teams who participated in the Ballyduff Quiz on February 16th. The 4th Class team of Sarah Roche, Claire Kelly, Leo Kavanagh and Fiona O'Neill won 2nd prize in their competition. A great result considering the number of teams that entered. The 5th Class team of Alan O'Callaghan, Michael Lucey, Philip Cunningham and Kieran Geary also did very well and everyone enjoyed the night. Matthew Kavanagh went along and joined in with 3 lads from Ballyduff who ended within shouting distance of 3rd place in the 5th and 6th class quiz.

HURLING AND FOOTBALL

We wish our hurling and girls football teams good luck in the forthcoming series of matches. Hopefully the weather will be kind to us and allow us to train and run off the matches as scheduled.

Mr. Cronin is in hot contention for the title of Trainer of the Year. We'll have to wait and see how the results go!

Good luck to Laura Keane and Tracey Mills who will represent the school at the Primary Game Girls Football trials.

SWIMMING LESSONS

The children from 1st through to 6th classes are looking forward to Swimming Lessons after Easter when we will be going to Fermoy Swimming Pool for 8 weeks.

COIS BHRIDE

We would like to wish Cois Bhríde all the best for the future. The official launch was a huge success. It's great to see the Knockanore lads playing on teams with their Tallow friends. In a few years time we hope to see the players who started with Cois Bhríde coming back with their Harty Cup medals, and you'd never know, maybe All Ireland glory!

Dungarvan CBS Notes

G.A.A. MATTERS

Very well done to the CBS members of the Waterford Minor football panel who were in action in the recent draw against Limerick. David Hickey, Denis Coffey, Christopher Morrissey and Shane McGrath played from the start, with Tony Halpin and Philip Beausang coming on during the game. It is great to see Philip in particular, a vital member of last year's panel, making his comeback after his cruciate operation.

Sean Walsh would also most likely have featured in this game but for injury. Both Shane McGrath and Tony Halpin found the net on the night, when the final score read Waterford 2-4, Limerick 1-7.

The school's Under 14 footballers are also in training at the moment, with their County Championship game against Mean Scoil San Nioclás of Ring scheduled for decision before the commencement of the Easter holidays.

Our Under 14 hurlers went down in their opening Rice Cup game last week, beaten by a fine Cashel CS outfit. Pick of our lads on the day was probably Derek Morrissey, who had a personal tally of 1-3. There's still a long way to go in the Rice Cup yet, so our chances are by no means gone for this year. The Under 15's had a fine win early last week against Limerick CBS in the opening round of the Munster Championship at Goatenbridge. In a 4-5 to 0-9 victory, the likes of Tomas Fahey and John Morrissey were well to the fore, with the whole half back-line being superb, particularly Mark Flynn. The lads are scheduled to play Abbey CBS after we go to press, just days after the opening game, and they will certainly have their work cut out.

OPEN NIGHT

Our Open Night for prospective incoming First Years went off without a hitch on Thursday last. A very large crowd attended and, hopefully, got a chance to find out what our school is all about. A very sincere thanks from the staff to all who came, to the dozens of students who volunteered to help with the demonstrations etc, and to the members of the Parents Council who did wonders on the catering front for the occasion, proving indeed that a school is very much more than a large building. It was, perhaps, a little unnerving to be meeting parents who are also well remembered as students here by the current staff members. 'Tempus fugit', and all that...

THEY'RE BACK!

The Transition Years made it back safely from their recent trip to Europe's largest city, London. All the necessary F&M precautions were taken and did not dampen the spirits of our intrepid travellers. The base for the stay was the Cromwell Road area of South Kensington, ideally placed for the various activities planned. The tour included the now customary mammoth walk of central London, visits to the National Theatre and Science Museum and, of course, a bit of shopping around Oxford Street.

However, the undoubted highlight of the trip seems to have been the performance of the hit musical 'The Lion King' in the West End. The group came back full of memories and indeed a few questions too - why did Aidan get such special treatment on the plane? was that really Chris Eubank that Garret saw? etc. Yet another TY student, who shall remain nameless for now, also won the 'excuse of the week' award recently when he claimed that his poorly struck corner kick during P.E. was caused by the glare of the sun reflecting off the refs forehead! Come off it

TENNIS NEWS

The Under 16 Munster Championship game last week between the CBS and Tramore CBS was a thrilling encounter all through. In the singles, John Ducey scored a fine 6-1, 6-4 win over the Tramore number one, only for the tie to be levelled when an off form David Hughes went under in the second singles match. The doubles combination of Ian Prendergast and Sean Hackett then came from a set down to edge us in front again by two matches to one.

Then came the reverse doubles. Sean and David teamed up in the first of these and were very unlucky to lose a three setter (5-7, 7-6, 6-4). This left everything hanging on the other doubles game. John and Ian fought tenaciously, saving three match points in the process, before triumphing 6-2, 3-6, 7-5.

In the next round, we face Youghal CBS at the Causeway, which should provide an interesting clash of loyalties for Mr. Keohane. He has been helping our lads considerably on the coaching side but also has a close family member in the Youghal panel. A difficult division of loyalties, eh?

LUNCHTIME ACTIVITIES

Many congratulations to Donnacha O Súilleabhain of Third Year who was crowned the new school chess champion last week. In the final, Donnacha overcame the considerable talents of Barry Power to triumph on a 3-1 scoreline. Barry was most gracious in defeat. The win now leaves Donnacha poised for a possible double, as he is also into the final stages of the draughts championship. I'm sure the likes of Paudie Fahey, Luke Stam and Shane Toomey will have something to say about that yet.

There were two shock results in the Third Year darts tournament last week. Stephen Kirby caused a major surprise by defeating the red hot favourite Jonathan Shaw 2-1 in their quarter final. Both players were on double ten in the deciding leg, so close was the contest. Stephen now plays Tomas Halpin. John Ducey had another surprise win over Mark Flynn in their quarter final.

In pool, Sean O'Hare will play the winner of the Shane Whelan-Declan Queally match in one First Year semi final. Ger Dunphy has already won the other semi, beating Johnny Buckley decisively. The Second Year doubles competition is still in the group stages with the most significant result to date being the defeat of Kenny Kearns/Shane Hourigan by the Jamie Nagle/Paddy Dunphy combination.

And Finally... Happy Easter holidays to all.

OLD STILL DARTS NOTES

On Friday night last we played our final match of the season against a wonderful Paddy Mac's team in the 7 singles. We fell to a heavy 4-1 defeat, with Ger Ryan the only victor. Nevertheless, it has been a very successful season for the club, winning the B league and gaining promotion to the A division for next season. Tomas, Pa and John also won the G. Curran Memorial in Morrissey's against very strong opposition. The club would like to thank anybody who supported us during the season, and we look forward to playing against A opposition next season.

Also a donation will be made to Clashmore GAA Club. This event will take place at 4.30 pm and there will be music afterwards by local musicians.

DEATH OF MRS. GRETTA LENANE

It with with great sadness we learnt of the death of Mrs. Gretta Lenane, Ballycurrane, Clashmore and formerly of Old Town Borris.

Following a brief illness just days before her death, the loss of this most unassuming gentle lady comes as a devastating blow to her family and friends. She was a most kind and sincere person. In her adopted home of Clashmore she gathered a huge wealth of good friends over the year. Always willing to lend a helping hand. She was a great family person. Her death in the prime of life has left all those close

to her in a state of shock and disbelief.

To her husband Willie, daughter Margaret, her mother, her brothers and sisters, son-in-law, relatives and friends we extend our deepest sympathy. May the beautiful memories we all have of her sustain her to the very empty sad days ahead.

Her removal took place from Bagnelstown to Clashmore Church on Saturday night. Following requiem Mass on Sunday morning Gretta was laid to rest in the adjoining cemetery. Ar dheis De go raibh a nam.

An Easter Message

My dear people of Waterford and Lismore,

As we celebrate the resurrection of the Lord, I write to share my hope with you that Easter 2001 may be a blessed time for all of us and that, in the coming months, we will continue to deepen our love of God and our care for one another.

The continuing threat of Foot and Mouth disease is a very real reminder of how dependent we are on the Lord and on one another. Since the outbreak of the disease, we have seen wonderful solidarity among rural neighbours and also between urban and rural communities. We thank God that, so far, the worst effects of the disease have been confined and, in this season of Easter, we continue our prayers and our vigilance. We salute the dedication and cooperation that has been so obvious during the past few weeks and, of course, our hearts go out to all who have suffered in many different ways because of the outbreak.

Often it is times of crisis that remind us of how much we rely on God and on each other. We are all God's people. In moments of distress, we feel the need to be in contact with one another, to shoulder the burden together, to be truly brother and sister to each other and to spend time in prayer.

It is equally important to share our joy when there is a happy event to celebrate. Family milestones are joyful occasions. For example, the arrival of a new baby can be a time of wonderful joy and celebration in the hearts of one and all. At this time of year, Confirmation and First Communion are key moments in the lives of our young people and it is truly heartening to see families and friends come together to celebrate these religious and social occasions. For all of us, these occasions are opportunities to renew contact and keep faith in God and in each other.

It is especially important to share our joy at Easter-time, to share the unique joy and hope that Easter brings. The good news is that Jesus rose from the dead and that, through the Risen Lord, all of us can rise above our failings to live as God's people, bringing His caring love and sustaining hope to all we meet.

Easter is a time of new life and fresh growth. I wish God's blessing on all new beginnings, in family relationships, in prayer, in forgiveness, in community service. And in a special way, I welcome all who have rejoined the Eucharistic community this Eastertime.

May the Lord bless each of you now and throughout the Easter season.

William Lee,

Bishop of Waterford & Lismore.

SCÓR 2001

SLIABH gCUA SENIOR SET DANCERS

WIN 11TH MUNSTER TITLE

On Saturday night last the Munster Scór Sinsear Competitions were held in Templemore, Co. Tipperary.

Waterford unfortunately only had qualified for one competition and that was the Set Dancing.

It was a wonderful night in Templemore and probably one of the biggest crowds yet at a Munster Scór Final.

Having beaten Cappawhite from Tipperary in the semi-final Sliabh gCua were now taking on the champions of Limerick, Cork and Kerry.

It was a great competition and following some very tense and anxious moments, Sliabh gCua were announced as the winners.

This was their eleventh Munster Senior title, an achievement which will not be surpassed for quite a long time. The team were as follows:

Valerie O'Gorman, Rós Lonergan, Phil White, Jean Dunford, Eamon Kirwan, Seamus Fraher, James Cotter and Cathal Dunne.

Full marks of course to Jean who fell in for Claire Walsh who was out of the country on work business.

The musicians once again were the old reliables - Biddy Nugent, Thomas O'Donoghue, Bob Keane and Johnny Harte.

Heartiest congratulations to all involved and many thanks to our loyal band of supporters.

All roads now lead to the All-Ireland Scór Finals in Kilmarnock on Saturday 21st April at 4.00 p.m. The venue is the Gleneagle and it is an all ticket affair.

THE MIRACULOUS PRAYER — Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask you this special one (mention favour). Take it, dear heart of Jesus, place it in your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your prayer, not mine. Amen. Say for three days, promise publication and favour will be granted. Never known to fail. — M.B.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in this my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — N.N.

CURRAN — First Anniversary — In loving memory of our dear mother, Madge Curran, Ballyheeneey, Clashmore, whose first anniversary occurs on Sunday, April 15, 2001, R.I.P. Away on the loveliest hill with God, Away from sorrow and care, Some day, dear Mam, we will find you, Watching and waiting there. We will know your voice in the midst of the crowd, And your lovely smile of old, Our hands will meet on God's own street, And never more unfold. (Forever in our thoughts Mam — from all your loving family.)

COLEMAN — Twenty-sixth and Twenty-ninth Anniversaries — In loving memory of our dear father, Ned Coleman, who died on April 6, 1975 and our dear mother, Bridget, who died on April 12, 1972, both late of 31, Caseyville, Dungarvan. Masses offered. (Always remembered by their loving sons and daughters.)

HANNIGAN — First Anniversary — in loving memory of my mother, Teresa Hannigan, who died on April 13, 2000.

She never failed to do her best, Her heart was true and tender, She worked and toiled for those she loved, And left them to remember. We sat beside your bedside, Our hearts were crushed and sore, We did our duty to the end, Til we could do no more, In tears we watched you sinking. We watched you fade away, And though our hearts were breaking, We knew you could not stay. You left behind some aching hearts, That loved you most sincere. (Lovingly remembered by your son Tommy, daughter-in-law Margaret and grandson Micheál.)

McGRATH — Sixth Anniversary — In loving memory of our dear father, Denis McGrath, late of 6, Keating Street, Dungarvan, who died on April 9, 1995.

You can only have one father, Patient, kind and true, No other friend in all the world, Will be the same to you. As I look upon your picture, Sweet memories I recall, Of a face so full of sunshine, and a smile for one and all. Sweet Jesus take this message, To our dear father up above, Tell him that we miss him, And give him all our love. (Sadly missed by our daughter Mary, sons Pat and Raymee, son-in-law, daughters-in-law, grandchildren and great-grandchildren, at home and away.)

We cannot visit your grave today, For we are far away, This message comes with love to you, From far across the sea, To say how much we love and miss you, On this your anniversary, Time will pass and fade away, But memories of you will always stay. You taught us love and kindness, You showed us how to care, You bound us all together, With love few families share. You taught us many things in life, That we would have to do, But you never taught us how to cope, With the hurt of losing you. (Forever in our thoughts and prayers — Bernadette, John Joe, Danielle, Rebecca and Aisling.)

POWER — Ninth Anniversary — In loving memory of my dear husband, Jack Power, late of Kilrush Park, Dungarvan, who died on April 12, 1992. Mass offered.

Those of you who have a husband, Love him while you may, I only wish with all my heart, That mine was here today. I don't tell people anymore, Just what you meant to me, Instead I cry my tears alone, When no one else can see. You often used to say to me, You'll miss me when I'm gone, Believe me, Jack, I never knew, That heartaches last so long. When I am sad and lonely, And everything goes wrong, I seem to hear you whisper, Cheer up and carry on. So please look around your garden, Lord, For a gentleman with a smile, For that's my wonderful husband, He must stand out a mile. (Loved and remembered — loving wife Bernie.)

QUEALLY — Third Anniversary — In loving memory of my dear mother, Margaret Queally, late of Woodbrush House, Ballyduff, Dungarvan, whose anniversary occurs on April 18.

We often lie awake at night, When the world is fast asleep, And take a walk down memory lane, With tears upon our cheeks. It broke our hearts to lose you, But you did not go alone, For part of us went with you, The day God called you home.

(Too dearly loved to be forgotten by your loving sons Owen, Thoma, Shane and Jason X X X X.)

Come walk with me, it's time to go,

And left us to remember.

CROTTY — Twenty-fourth Anniversary — In loving memory of my dear father, John Crotty, late of Congress Villas, Dungarvan, who died on April 9, 1977.

Falling tears and aching hearts,
Are things I have to bear,

But losing you the way I did,
Will always seem unfair.

There's much more to this verse,
Than just the words you see,

It's filled with happy memories,
Of days that used to be,

There is a daughter who loved you,
In a house where you used to be,

A daughter who wanted to keep you,
But God willed it not to be.

Will all my father's friends who think of him today,
A little prayer to Jesus say.

(Never forgotten by his loving daughter Pearl and family.)

CROTTY — Twenty-fourth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

Last night as I lay sleeping I saw my Dad once more,

We were sitting side by side,
Like so many times before.

And when I said don't go Dad,
You smiled at me and said,

I haven't really left you,
Nor have I travelled far,

I have only gone before you,
And left the door ajar.

Too dearly loved ever to be forgotten.
(From Mary and Pa, Bidis and Maire and grandchildren.)

And often speak your name,

How we would love to hear your voice,
and see you smile again.

You may be out of sight,
We may be worlds apart,

But you are always in our minds,
and forever in our hearts.

(Lovingly remembered by your loving daughter Kathleen, son-in-law Locky and family.)

CROTTY — Twenty-fourth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

These last few years without you,
Are the saddest I have known,
I treasure every thought of you,
When I am all alone.

There will always be a heartache,
And often a silent tear,
But forever precious memories,
Of days when you were here.

I want to tell you something,
So there won't be any doubt,
You are so wonderful to think of,
But so hard to do without.

(Never forgotten by Ann, Joe and family.)

CROTTY — Twenty-fourth Anniversary — In loving memory of our dear father, John Crotty, late of Congress Villas, Dungarvan, who died on April 9, 1977.

Will those who think of him today,
A little prayer to Jesus say.

(Always remembered by his sons John and Joseph.)

CROTTY — Twenty-fourth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

We sat beside your bedside,
Our hearts were crushed and sore,

We did our duty to the end,
Till we could do no more.

In tears we watched you sinking,
We watched you fade away,

And though our hearts were breaking,
We knew you could not stay.

You left behind some aching hearts,
That loved you most sincere,

We never shall and never will,
Forget you, father dear.

For many years the family chain,
Was closely linked together,

But, oh that chain is broken now,
The main link gone forever.

The sunshine of our happy home,
Must always clouded be,
But Thou, O Lord, has sent this cross,
We bear it all for Thee.

(Sadly missed by his loving daughter Eileen, granddaughter Maria, grandson John Paul and great-grandson Craig.)

CROTTY — Twenty-fourth Anniversary — In loving memory of my dear father, John Crotty, late of 51, Congress Villas, Dungarvan, who died on April 9, 1977.

Beautiful thoughts of a father so dear,
Cherished forever with love sincere,

Dear is your memory, sweet is your name,
Close to our hearts you will always remain.

Will those who think of him today,
A little prayer to Jesus say.

(Always remembered by your loving daughter Breda, Paddy and family.)

Horseracing News

Irish Horseracing Authority Announces New Fixtures

The Fixtures Committee of the Irish Horseracing Authority has announced details of new fixtures and amendments to the published fixture list up to the end of May 2001. This follows the statement by the Minister for Agriculture, Food and Rural Development that, subject to strict adherence to agreed protocols, horseracing can resume on a limited basis with effect from 16th April with the normal fixture list applying from 19th April.

Horseracing in Ireland has been suspended since 27th February, following the introduction of certain measures to prevent the possible spread of Foot & Mouth Disease. 27 race meetings will have been lost during the period of suspension, 8 new fixtures will be scheduled during the month of April and a further 9 in May.

★ Racing will commence on Monday 16th April with a two day fixture at Leopardstown and Cork. This will be followed on Wednesday 18th April with a new fixture at Gowran Park.

★ The 4 day Fairyhouse Easter Festival originally scheduled to commence on Sunday 15th April will now take place over 3 days on the May Bank Holiday weekend starting on Friday 4 May. The Powers Gold Label Irish Grand National will be run on Sunday 6th May.

★ The Navan fixture scheduled on Sunday, 22nd April will move to Sunday, 29th April and the Curragh will stage a new 2 day meeting on Saturday, 21st April and Sunday, 22nd April.

★ A new fixture is scheduled for Tramore on Monday, 23rd April.

★ As Punchestown is not in a position to stage racing, the first 3 days of the Punchestown Festival will now be run at Fairyhouse on Tuesday 24, Wednesday 25 and Thursday 26 April. The final day of the Festival will be held at Leopardstown on Friday 27 April.

★ Cork will host an additional meeting on Saturday 28 April. This fixture precedes the scheduled Cork meeting on Sunday 29 April.

★ Tipperary is already scheduled to hold a fixture on Wednesday, 2 May. An additional fixture has been allocated to Tipperary on the following day, Thursday, 3 May.

★ In addition to the rescheduled 3 day Fairyhouse festival, a new two day fixture has been allocated to Wexford at the start of the May Bank Holiday weekend on Friday, 4 May and Saturday, 5 May. The meeting at Dundalk and the two Limerick fixtures scheduled over that weekend will not now take place. An additional fixture will be allocated to Dundalk later in the year. The Navan fixture scheduled on

Sunday 6 May will move to Friday 11 May.

★ Thurles will host an additional fixture on Thursday, 10 May. On the following day, Friday, 11 May, the rescheduled Navan meeting will take place. Navan will also run on the following day, Saturday, 12 May to replace the planned Fairyhouse date. In addition a new fixture has been allocated to Tramore on this Saturday.

★ Ballinrobe will host an additional fixture on Thursday, 17 May while Clonmel will run an additional fixture on Saturday, 19 May.

★ Two new fixtures have been added in the following week. Roscommon's scheduled meeting on Monday, 21 May will be followed by a new fixture at the track on Tuesday, 22 May. Tipperary's scheduled meeting on Thursday, 24 May now becomes a two day meeting with an additional fixture on Friday, 25 May.

Every effort will be made to add additional fixtures throughout the remaining part of the year with an emphasis on the months of October, November and December to make up for the remaining opportunities lost. A revised fixture list for the period 16 April to 31 May is attached.

SUSPENSION

Irish rider Timmy Murphy was unlucky to pick up a three day suspension at Ascot last week as the acting stewards found him guilty of irresponsible riding of a minor nature in the first hurdle event of the day. The suspension runs from April 14th to 17th inclusive.

BOBBYJO DIES

The 1999 Martell Grand National hero has had to be put down after he aggravated an old injury when recovering at the Curragh Veterinary Hospital after surgery on a shattered carpal bone. The Bobby Burke owned horse was the first Irish winner of the English Grand National since L'escargot in 1975. Bobbyjo was a winner of an Irish National in 1998 accounting for Papillon and he was trained throughout his career by Tommy Carberry while the trainers son Paul partnered Bobbyjo to all his major victories.

POINT TO POINT MEETINGS ON HOLD

There is no sign of the ban on Point to Point fixtures being lifted and there is a distinct possibility that the season may be over for 2001.

IRISH JOCKEYS TRUST

The Irish Jockeys Trust is a charity with independent trustees established by the Irish Turf Club, the Irish National Hunt Steeplechase committee and the Irish Jockeys Association. To date the Trust has been funded by deductions from race prize money.

RACING QUOTE OF THE WEEK

"My jockeys give me a written report after every race. I

can't get the flat jockeys to do it - most of them can't write". The above quote is attributed to west country trainer Martin Pipe.

PUNCHESTOWN OFF

Much to the dismay of the Punchestown executive, owners, trainers and jockeys, the turf club have shown the red card to the Kildare venue and the 2001 Punchestown Festival will not go ahead as planned having failed to pass a Turf Club inspection. Two of the day will transfer to Fairyhouse while Leopardstown stage a third day.

LIVERPOOL STATISTICS

Over 52,000 people attended the Martell Grand National at Aintree while the famous race attracted a world wide television audience of 500 million.

The father and son combination of Francois and Thierry Doumen were the heroes on day one of the three day National Hunt Festival run off in very testing conditions as they plundered two of the top prizes on offer with first Gold and Bilbao. Both winners were returned at 7/4 with the J. P. McManus owned first gold producing a flawless round of jumping to easily account for 20/1 shot Lord Noelie.

With overnight rain the going was very much on the heavy side for day two of the festival. Ruby Walsh gave the Paul Nicholls trained Fadalko a peach of a ride in the grade one Martell Melling Chase, running away from a good class field in the closing stages.

The John Huges handicap chase run over the National course was a grief stricken affair with only a quarter of the field completing the two mile five furlong trip. Victory in the end went to the Richard Johnson ridden Gower Slave who stayed on dourly up the gruelling home stretch. Spare a thought for Waterford born rider Robert Widger who as we mentioned last week is going through a lean period. He was booked for the ride on Johnson's indented mount Pennybridge was scratched, trainer Phillip Hobbs switched Johnson on to Gower Slave and the rest as they say is history.

Lady trainer Venetia Williams enjoyed a mixed day of emotion. Her Montalcino looked very impressive over hurdles earlier in the afternoon but had the misfortune to lose her good servant. The outback bay this gelding suffering a fatal spinal injury during the running of the John Hughes Memorial Chase.

With the weather deteriorating by the hour conditions for the 2001 running of the Martell Grand National were the worst for many years. One of our fancies for the race Paddy's Return was an early casualty but he then caused Mayhem throughout the race by running back and forth in front of a number of the obsta-

cles causing at least ten horses to either pull up or refuse. When the fancied pair of Papillon and Blowing Wind were both interfered with on the second circuit Red Marauder and Smarty were left all along to do battle up front. Despite a number of mistakes 33/1 chance Red Marauder under jockey Richard Guest stayed on really well up the home stretch to defeat a gallant but jaded Smarty by a distance.

Blowing Wind and Papillon (Ruby Walsh) were remounted to take third and fourth places respectively.

The winner Red Marauder is trained under permit in County Durham by Norman Mason. Northern Challenger Barton 9/1 came back to his very best form in the Martell Aintree Hurdle galloping on through the mud to inflict a fourteen lengths beating on best mate who was returning to jumping hurdles after a very successful first season over fences.

IN GOOD HEART

Former Grand National winning jockey Bob Champion missed attending last Saturday's spectacle at Liverpool. Bob, however is making a good recovery after suffering a heart attack.

Well known County Meath trainer Noel Meade is reported in good spirits having been released from hospital over the weekend after undergoing tests for a heart complaint.

REVISED DATES

Some revised dates for racing in the South East over the coming months.

Wednesday April 18th - Gowran Park. Monday April 23rd Tramore. Friday May 4th Wexford (E). Saturday May 5th Wexford. Sunday May 6th Gowran Park. Saturday May 12th Tramore. Wednesday May 16th Gowran Park (E). Saturday May 19th Clonmel. Sunday May 20th Clonmel. Thursday May 31st Clonmel (E). (E) denotes evening meeting.

DOUBLE FOR KIERAN FALLON

Former champion jockey Kieran Fallon got off the mark for the new flat season at Musselburgh, Scotland last Saturday riding a nice priced double on Regal Song 11/2 and Lennel 9/4.

With Hamilton Park rained off defending champion Kevin Darley also headed for Musselburgh formerly known as Edinburgh and having his first ride in public since breaking a bone in his wrist, he duly landed the fourth contest aboard 2/1 shot And Beyond.

ADRIAN IN TROUBLE AFTER WINNING

Irish born jockey Adrian Maguire gave the Ferdy Murphy trained Ballinclair King a dashing ride to win over fences at Liverpool last Saturday but after kidding this reluctant sort to put his head in front Adrian was slapped with a four day suspension for improper riding.

ODELL DUKE RETIRED

Ned and Patricia Power who reside at Mount Odell, Dungarvan have for a long number of years sent out a steady stream of winners from their small but select kennel. The vast majority of their greyhounds race under the Odell prefix. Their Odell Duke has proved a model of consistency over extended distances during his racing career but the Powers have decided to call it a day with the August 96 son of Cry Dalcash and Odell Bess who in glittering career won a total of 29 Open races coming from off the pace for most of those victories. Odell Duke will now be retired to stud at a fee of £300.

Meeting between Bord na gCon and the Department of Agriculture, Food & Rural Development Re Resumption of Greyhound Racing

In a Press Statement issued this week, Bord na gCon announced that they have prepared an extensive submission for the early resumption of greyhound racing and have sought an urgent meeting with representatives of the Department and the Expert Group on Foot and Mouth Disease Controls.

Since the Foot and Mouth Crisis began, the Board has been in constant contact with the Department and wishes to reassure all greyhound owners, breeders and trainers that every effort will be made by the Board to effect an easy and prompt return to greyhound racing - in strict compliance with the Minister's guidelines - as soon as approval for a resumption of racing is granted by the Department. The Board is confident that greyhound racing will resume within the same timeframe as horseracing.

The Board is cognisant of the serious implications that the curtailment of racing has had on all sectors of the greyhound industry and wishes to place on record its appreciation of the responsible and conscientious manner in which all section of the greyhound fraternity have complied with the Minister's directives to prevent the spread of the disease.

One can only speculate at this stage as to when racing resumes but all the signs indicate that we will be up and running by the end of the month.

St. Augustine's Gone To Europe This Week

Despite the fact that dawn had not yet broken on Monday morning last, the students of St. Augustine's were in the highest of spirits as the bus pulled away from the College on the first leg of their trip to Gravelines in Northern France for this year's Superschools Competition, under the leadership of College Principal, Fr. Pat Moran, OSA.

Irrepressible at the best of times, they were positively bursting with enthusiasm and good health, the one as a result of a disciplined training regime under coach supreme, Br. Patrick Lennon, the other in expectation that they would emulate the feats of their predecessors at the College over the last three years, who had captured the Overall Trophy on two occasions and were runners-up on the third.

They were leaving to take on schools from the Czech Republic, Finland, France (2), Wales, Scotland and England, but if they were daunted at the prospect of such awesome opposition, they did not show it.

Ladies Captain, Aoife Barry was in no doubt that her team would present only the stiffest opposition to their European counterparts. 'Thanks to Br. Lennon's training, coaching and planning, we are as ready as we possibly could be and we are prepared to give it 110% if necessary to come out on top. We have a very balanced team this year, but we are under no illusions of the kind of opposition we will be meeting. Everyone will give it her best, with nothing spared.'

The boys were no less upbeat at the prospect of what lay ahead. Their Captain, Stephen Kett felt that they had the best mix that the school was capable of producing, taking into account the various disciplines in which they would have to perform.

'We are lucky to have students who are each good in several sports,' he said. 'When you consider that with only ten on each team, we have to field athletes in Swimming, Track and Field, Cycling, Basketball, Football and Badminton, with doubles and mixed doubles in some sports, everyone has to be a good allrounder. We will certainly give it our best shot and when we come home, we will at least know that we held nothing back in our attempt.'

Stephen Power and Laura O'Sullivan will open the programme at 9 am this Tuesday morning with 50m Breaststroke, followed by their colleagues through the course of the morning in a variety of styles and distances in the pool. Athletics will dominate the afternoon, with St. Augustine's traditionally strong in that area. Wednesday is Football day, while Thursday is devoted to basketball and badminton.

On Friday the group will take in some of the sights, history and culture of the district as a day of relaxation and as an added educational benefit. It being Holy Week, time will be set aside for religious devotion and the traditional celebrations at appropriate times.

The group will return to the Friary on Saturday and whether they have the overall trophy or not, they will have represented their school, county and country with style, enthusiasm and, above all, courtesy as befits those who wear the national jersey.

STOP PRESS

The St. Augustine team of Grainne Dunphy, Kate O'Neill, Leo Morrissey and David Reynolds won Bronze medals in the Life Saving Event on Tuesday morning.

FIXTURES

U-12 League Thursday April 12th - Castlebridge C v Fermoy Utd.

Ballinroad Schoolboys Soccer

UNDER-11 NEWS HIBERNIAN 2 BALLINROAD 4

It was back to the League last Wednesday as we travelled to play Hibs. Ballinroad started well, putting a lot of pressure on the Hibs. defence but we failed to score in this period while we were on top. Our defence was playing well and easily dealt with any

Hibs. attack but with 20 minutes gone and against the run of play, Hibs. scored. Ballinroad were still creating chances and five minutes before half-time Jamie Ryan scored a vital goal. He collected a well placed pass, took the ball past two defenders and drove a low strike to the corner of the net. A good boost for Ballinroad at half time.

Ballinroad picked up where they had left off in the first half and five minutes into the second half Ballinroad were in front. A long clearance from Kevin Delahunty found Richie Ryan and his shot gave the Hibs. keeper no chance. In goal, Stephen Enright was well in command. Our back four of Ryan, Duhig, Henley and Delahunty were well on

top. Our midfield of Collender, Ryan, Hanrahan and Moloney were playing some great football. Upfront Sheil and Ryan were causing a lot of problems for the Hibs. defence. It was from that pressure that Jamie Ryan scored a brilliant goal, his volley from 20 yards gave the Hibs. keeper no chance. We made a few changes then. On came James Coade, Michael O'Halloran and David Walsh for his debut match. Alan Shiel scored number four. The Hibs. keeper dropped the ball from a corner and Alan was in like a flash to score a good poacher's goal. Hibs. got a consolation goal before the end but this was an excellent performance from Ballinroad U-11's. Well done.

We have a big panel of players so its impossible to bring them all on as subs. If a game allows, we bring as many as possible on but with close games it doesn't allow for that so we ask our young players to have patience as they will all have plenty of games next season on our U-11's team.

Panel: Stephen Enright, Colin Ryan, Kevin Duhig, Donal Henley (capt.) Kevin Delahunty, Jamie Collender, Jamie Ryan, Tom Hanrahan, Conor Moloney, Richie Ryan, Alan Sheil, Johnny Fitzgerald, Patrick Quinlan, Michael O'Halloran, Mark O'Connor, James Coade, David Morrissey, Diarmaid Henley, David Walsh, Conor Hickey.

RED HOUSE LEAGUE ROUND-UP

Mogeely Relegated

CASTLEBRIDGE CELTIC PROMOTED

ACCRINGTON CELTIC - CHAMPIONS

Last Sunday was very eventful with milestones being reached in each of the divisions. In the Premier League, the title race appears to be down to two clubs while Mogeely find themselves back in Division one after just two seasons at the top. Castlebridge Celtic will be in the Premier League for the first time after one of their challengers, Araglen suffered defeat away to An Ghaeltacht. Finally, Accrington Celtic were crowned Division Two champions after their win away to Clashmore Ramblers.

PREMIER LEAGUE

Mogeely's Sad Exit

VALLEY RANGERS 'A' 7 MOGEELY 0

Mogeely knew going into this game, that they had to win after Ardmore's victory in the morning, but any hopes of the three points were gone by half time as Valley rattled in three goals through Billy Carr (Senior), 24, Terence Rumley 31 and Sean Twomey 34. One minute into the second half Shane Kearney made it 4-0. Further goals from Rumley, Damien Farrell and Kieran Hickey completed the misery for Mogeely.

First Home Win For Ardmore

ARDMORE 2 CAPPOQUIN 1

Playing their final home game of the season, Ardmore won their first game on home soil this season when they took all three points and secured their position in the Premier League for another season. Keith Morrell scored a third minute penalty and the same player set up Niall Hennessey for a second goal before half time. If the first half belonged to Ardmore, Cappoquin were for better in the second period but despite a Michael Lacey goal, they could not get back on level terms.

DIVISION TWO

Accrington Claim The Championship

CLASHMORE RAMBLERS 2
ACCRINGTON CELTIC 6

With Accrington winning six of their seven away games and Clashmore without a home win the points look destined to go to the visitors and so it proved. John Hegarty after two minutes put Celtic ahead and an Alan Carey free kick made it 2-0 after eleven minutes. Davy Gill added a third on the half hour mark and four minutes into the second half another Alan Carey free found the Clashmore net to make it 4-0. One of Ramblers top scorers, Michael Costin headed home a corner but Dion Cahill made it 5-1 on the hour mark. Alan Carey completed his hat-trick with a penalty and Roger Ryan scored the best goal of the game in the final minute for Ramblers.

DUNGARVAN TYRE CENTRE CUP SEMI FINAL DRAW

Modeligo/Valley Rangers v Castlebridge Celtic/Brideview United 'A'.
Kilworth Celtic/Lismore v Pinewood Rangers/Ballyduff.

DIVISION ONE ROUND-UP

Inch Almost Safe

BALLYBRIDGE UNITED 0 INCH 3

After this win over Ballybridge, Inch might appear to be safe, but Ballybridge still have lots to worry about with one game remaining. Trevor Murphy scored twice in the first half, the first one straight from the kick off. Kieran Griffin added a third goal for Inch in the second half.

Rangers On A Roll

BLACKWATER RANGERS 4
PINWOOD RANGERS 2

Blackwater continue to defy the call of relegation, with their seventh point out of nine coming at the expense of Pinewood who find themselves in serious trouble now. The homeside led 2-0 at the break with both goals coming from Caimen Radley. Mick

Guiry scored twice for Pinewood in the second half but with Radley completing his hat trick and Pat Donovan also scoring, Blackwater took the points.

Araglen Rocked By Inspired Gaeltacht

AN GHAELTACHT 4 ARAGLEN 1

The homeside ended a long losing sequence of nine games and also gained revenge for a 9-1 hammering by the same opposition earlier this season. Timothy Power opened the scoring for An Ghaeltacht but Araglen levelled before half time. Tucker Curran, obviously back to his brilliant best put the winners in front and Tomas Mahoney added number three before that man "Batistuta" Curran completed the scoring and earned the vital points for An Ghaeltacht.

DEEPEST SYMPATHY

The Red House League wish to extend its heartfelt sorrow to Mary Hartnett and family on the loss of her mother last week. May she rest in peace. A vote of sympathy was passed at last Monday's meeting for the O'Sullivan family, Castlelyons, the Grey family, Tallow and Barron family, Modeligo after their recent losses.

DELEGATE MEETING

The next delegate meeting takes place on Monday night, April 30th at 9 pm in the Red House, Lismore. Referees meet at 8 pm.

Coaching Scheme Notes

Knockanore N.S. Boys from sixth class with their teacher Mrs. Eleanor Ronayne, Principal in the school field during last Monday's visit. The Shamrock's club have laid out a nice pitch and goal post for the children to train on. Fr. Fitzgerald P.P. is a regular visitor at lunch time and the lads enjoy sessions. The school is well organised on visits and Mrs. Fitzgerald N.T., Mr. Kavanagh N.T. and Mr. Cronin N.T. and Priomh Oide Mrs. Ronayne take a keen interest in the coaching of their classes.

Knockanore N/S Martin O'Connor 12 Years old, Rang 6 — Tall boy who is very fast. He is a very good striker of the ball, lives in Tircullen, Tallow. He plays for his school in defence and his ambition is to play for Cois Bhride Juvenile Club. His favourite player is Tony Browne.

Newtown N.S. Ciara Dunphy, 10 Years Old, 4th Class — Ciara is a real bundle of energy and at last Tuesday's coaching session she was very impressive. She comes from a well known sporting family and her dad Kieran has given outstanding service to Baldwin and Newtown clubs. Her favourite hurler is Peter Queally.

MUNSTER COLLEGES HURLING

Good wins for De La Salle and Dungarvan CBS

De La Salle had a good win over a fancied Cashel CBS team in the Munster Colleges U-15 Roinn A Championship. This team powered by Ballygunner's Tommy Power and some fine De La Salle club

hurlers are trained by Derek McGrath. In the Munster U-15 Roinn B championship Dungarvan CBS team who are trained by Pat Collins, beat a strong Limerick CBS and will face favourites Abboy CBS Tipperary in the next round.

NATIONAL HURLING LEAGUE

Waterford 1-15 Cork 1-17

Paul Flynn and John Mullane tore the Cork defence to shreds in the first half against the wind and a win looked on the cards at half time. But Cork subs Neil Ronan and Kevin Murray fished up a Cork team who had struggled at midfield, centre forward and full forward.

This was a game Waterford could have won and showed if we can all hit form on the same day we are a match for any team in Munster. Our main problem is we haven't the strength in dept as the Corks and Tipps of this world. Joe Deane and Seanie McGrath showed size doesn't matter if you have the skill.

Kill GAA Club

FOOTBALL LEAGUE

Our football league Division 2 game versus Kilrossanty fixed for Kill on this Easter Sunday has been brought forward to this Good Friday 13th April in Leamybrien at 7 p.m. The Kill pitch is still not playable and it will require a few days of North/West wind to dry the surface out.

INTERMEDIATE HURLING

Our Intermediate Hurling League Division 4 game transferred from Kill to Clonea and scheduled for Sunday morning last fell foul of the terrible Sunday morning downpour and will be re-fixed as soon as possible. Our thanks to the officers of the Clonea Club for their full co-operation in trying to get the match played.

MEMBERSHIP

There are still a few memberships unpaid and in order to avoid any problems later, they should be passed on to Club Treasurer Theresa Keane.

MILLENNIUM NIGHT

Attempts are being made at the moment to re-schedule our Millennium night. A likely date is the May Bank holiday weekend of Friday 4th May, assuming there are no more Foot and Mouth problems. Details of the new date will be given in the next week's issue.

MINOR FOOTBALL

Mark Hennessy, Ballingarry was a member of the Waterford Minor Football panel that drew with Limerick in Limerick last week in the Championship. Well done Mark.

GREAT WIN FOR ST. MARY'S

St. Mary's Minor Footballers received a great boost in their league campaign when they defeated Rathgormac on Thursday evening last, the old saying - "It was a game of two halves" applied in this game. St. Mary's carved out their win in the first half playing with a strong wind and on very heavy underground conditions, they notched up a score of 2-4 with a splendid display of fine football.

The second half was a different story being reduced to 14 men with the sending off of Richard Queally for verbal abuse towards the referee. The lads played out of their skins and kept a very strong Rathgormac team at bay only allowing them to score 1-5. The

lads must be admired for their spirit and determination and their never say die spirit. All of the 20 lads of the panel were heroes on the night and it augurs well for the future. The team was as follows:

Michael Foley, Sean Cummins, Aidan Whelan, Thomas Power, Michael Power, Mark Hennessy, John Fitzgerald, Dermot Cummins, Anthony Power, David Mulcahy, Charlie McKeeon, Pat Cummins, Stephen Kirwan, Richard Queally, Seamus Torpey.

Subs: John Mulcahy, Darragh Walsh, David Crowley, Jamie Power and Ger Coffee.

Scores came from David Mulcahy 1-0, Richard Queally 1-0, Seamus Torpey 0-1, Dermot Cummins, 0-1, Anthony Power 0-1, Michael Power 0-1. Well done lads!

Munster Colleges Solo Cup U-15

LISMORE CBS 2-7 YOUGHAL CBS 2-6

Lismore CBS qualified for the semi-final of the Munster Colleges U-15 Solo Cup hurling by beating Youghal CBS in a thriller at Youghal last week. Lismore played against the wind in the first half but still managed to lead at half-time 1-5 to 1-3. The goal was scored by Brendan Bennett after a great pass from Shane Bennett. After half-time Youghal came more and more into the game and when M. Coleman had to leave the field, it looked like Lismore were in real trouble. Ken Cashel lobbed in a speculative ball which went all the way to the goal and Lismore had on in the dying minutes to win by minimum. Best for Lismore CBS were M. Coleman, S. Byrne, M. Prendergast, E. Forbes, P. Kenneally while up front, the two Bennetts - Brendan and Shane along with man of the match Paudie Hale were excellent.

Lismore CBS: K. Henley (Tallow), M. Collins (Lismore/Ballysaggart), M. Coleman (Lismore/Ballysaggart), S. Byrne (Lismore/Ballysaggart).

P. Fitzgerald (Lismore/Ballysaggart), M. Prendergast (Lismore/Ballysaggart), E. Forbes (Tallow), P. Kenneally (Araglen), K. Cashel (Lismore/Ballysaggart) S. Bennett (Lismore/Ballysaggart), P. St. Oliver's G.A.A. Notes

U-16 FOOTBALL

Our u-16 Football team had a busy week. On Monday, April 2nd. They had an away fixture against Lismore, from which they emerged victorious. St. Oliver's 2-13, Lismore 2-5.

On Thursday evening they travelled to Touraneena, where they again emerged the winners. The scoreline was St. Oliver's 3-7, Naomh Brid 1-8. This means that St. Oliver's go through to the final in this group. Well done to all the players involved.

U-14 FOOTBALL

St. Oliver's U-14 Hurling team travelled to Tallow on Saturday, 7th of April, to play Cois Bhride in the Scanlon Cup competition. Cois Bhride emerged the winners on this occasion, 3-1 to 0-4.

INDOOR HURLING

On Wednesday, April 4th we accepted an invitation from Ballyduff to take part in an indoor tournament in their mag-

nificent new sports hall. We were really impressed by this wonderful facility, built by the people of the Ballyduff community. It certainly is an outstanding achievement. Our U-12 team played very well, and defeated Clashmore in the plate final. Well done to all concerned. All players should note that indoor hurling has finished for this year.

CHARITY WALK

This fund raising event will take place on Tuesday, April 17th. The walk will start in Aglish at 6 pm and go round the Dromore circuit. Sponsorship cards are now available from committee members. It is hoped that as many as possible from the parish will participate in this fundraiser for the club. St. Oliver's has been very successful at all levels over the past few years and has been a source of pride to everybody. However the costs involved in running the club are high and

we need all the help we can get. So, if you can, walk on Tuesday night, and if not, sponsor someone else.

MEETING

An important meeting will take place on Monday, April 23rd. We hope to finalise plans for the return visit from Antrim in July. Our players were given excellent hospitality when they visited Antrim last summer, and we hope to be able to return the welcome when they visit us. All parents whose children visited Antrim, or are in the age group, are asked to attend.

The meeting will take place in the Old School, Ballinameela at 9 pm.

All committee members are also requested to attend.

CONGRATULATIONS

Well done to Edmond O'Donovan and Colin Landers who were chosen to represent West Waterford in the Gleeson Cup competition last weekend.

Shamrock's G.A.A. Club Notes

SYMPATHY

We offer deepest sympathy to the family of the late Jim Morrison, Killywatermoy on his recent death. He was a founder member of our club and the first Club Treasurer. He was also a leading player for many years. His unexpected death cast a gloom over all the area and he will be sadly missed especially by his widow Biddy, brother John, sisters, Maureen, Bridie, Peggy, Philomena and all his other relations to whom we offer our deepest condolences.

Ar dheis Dé go raibh a anam.

DIV. 'A' HURLING LEAGUE

GARVEYS FOOTBALL LEAGUE DIV. 3

On Saturday next April 14th we will be away to neighbours Geraldines who already have a victory under their belts and we will need to be on top of our form to win this one. We advise supporters to check the Board's fixture list in the local papers for time of game etc.

ANNUAL POC FADA

On Easter Monday evening we will be having the annual event and hopefully with fine weather, it should be a good success. As in former years the course will be from Coolbeg to Knockanore and teams of three will take part. The first teams will start off at 7. m. (sharp). After the event, prizes will be presented to the winners at the Shamrock Inn, Knockanore. Teams from outside the club will be welcome to take part.

CLUB LOTTO

In last Saturday night's draw at the Shamrock Inn, Knockanore, the numbers drawn were 1, 19, 21, 23 and there was no jackpot winner.

£10 consolation prizes were won by J. Tobin, Lismore, Tom Coady, Shamrock Inn, Joe Geary, Moorehill, Helen Collins, Kinsalebeg, Henry McGrath, Camphire.

On next Saturday night, the jackpot will be £3,100 and we would ask all supporters to get their tickets early as the jackpot would be a nice Easter present.

COMMISSIONERS

To Eoin Murphy and the Waterford players on their defeat by old rivals Cork on Sunday last at Páirc Uí Caoimh.

We hope that when championship time comes around, it should be a different story.

The first half ended all square with both sides scoring 1-5. However in the second half the lads took control, and came out with a very impressive win on a scoreline of Brickeys 4-12 Ballyduff 1-5.

BRICKEY RANGERS LADIES FOOTBALL NOTES

MINI-SEVENS PEIL NA gCAILÍNÍ FINALS

Fews, Coolnasmear/Kilbrien, Ballinameela and Ballyduff had qualified for the semi-finals in a blitz held in the autumn of the year 2000. Tom Walsh, our hard-working secretary, was present to make the draw. Fews NS were first out of the hat and were followed by Coolnasmear/Kilbrien. So it was Ballinameela and Ballyduff in the second game.

The pitch at the Abbeyside/Ballinacourty venue was excellently laid out with nets on the goals. Coolnasmear/Kilbrien had first use of the strongish wind. Niamh Kennedy and Ciara Flynn scored a point each in the first half. Kate Kirwan popped over two points for Fews in the second half.

EXTRA TIME

Ciara Flynn scored a point for C/K while Julie Kirwan replied with a like score for Fews.

EXTRA EXTRA TIME

Katie Cullinan scored from a '45 for C/K. Michelle Norris

and Niamh Kennedy scored a goal each. Even with the wind behind them, Fews still had a mountain to climb. They found it difficult to break down a tight C/K defence. Though Katie Kirwan scored an excellent goal, time ran out on them in the end.

Ballyduff 1-1 Ballinameela 0-2

Olive Hogan scored a goal from long range and the same player added a point. With the wind behind them, Ballinameela attacked strongly. Gillian McGrath soloed through for an excellent point. Gillian scored another point, but Ballyduff held out for a deserved win.

THE FINAL

C/K had first use of the wind but it was Ballyduff who had the first score with a point from Niamh Geary. Back came C/K and Ciara Flynn rattled the back of the net. Before half time Ciara Flynn scored another major following a great pass from Róisín Fahey. Sonya Condon made some excellent saves in goal for Ballyduff.

Niamh Kennedy and Róisín Fahey pointed to put C/K in an excellent position. Ballyduff tried hard and Gillian Frewen and Olive Hogan scored a goal each. At the final whistle Ballyduff were beaten by the minimum of margins.

Chairperson Breda Cleary presented the Gain Shield to C/K captain Katie Cullinan and there were medals for the winners and runners-up.

Thanks to Jackie Young who did an excellent job of refereeing the three games.

CAMOGIE WEEK IN THE PRIMARY SCHOOLS

Our qualifying tournaments took place at Abbeyside and Lismore on Tuesday 27th March commencing at 3.30 pm. Taking part in the Abbeyside blitz were Modeligo, Coolnas-

mear/Kilbrien, Fews, Abbeyside and Scoil Gharbhán with three schools to qualify for a place in the finals.

In Lismore, Tallow, Ballyduff and Lismore themselves battled it out for the last remaining place and favourites Lismore duly obliged. All the games in both venues were evenly contested with no more than two goals separating the schools in any particular match.

In Abbeyside Fews were the top team with 7 pts followed by Modeligo with 5 pts. Abbeyside and Scoil Gharbhán were level with 4 pts each so the schools had to play off for the third qualifying position. It was an entertaining game and at the final whistle the schools were level so extra-time had to be played. The excitement among teachers and supporters was intense as the players did their utmost in search of victory. The teams were still locked in equality at the end of extra-time so it was on to the Golden Goal. At this stage the girls were tiring but that did not prevent them giving one hundred per cent. Abbeyside scored and their players, subs and supporters jumped with joy as they were through to the finals on Thursday 29th March in Lismore.

THE FINALS

The school field in Lismore was the venue and the schools arrived in time. Expectations among the girls from Fews, Modeligo, Abbeyside and Lismore were high. Their confidence was justified as all the games in the blitz were closely contested. Favourites Lismore qualified for the final and their opponents were the girls from Fews who did their school proud. The final score was Lismore 5-0 Fews 2-0.

Thanks to everyone who helped to make our outdoor Camogie week a success.

Dungarvan Win Junior Football Div. 2 2000 Final

DUNGARVAN 1-10 NIRE 2-5

Last Friday night at the Abbeyside grounds we played the Nire in the delayed 2000 Junior Football league division 2. With the soft underfoot conditions this was going to be a testing time for both teams. We opened the scoring in the 9th minute with a free from Seamus Cunningham and the scoring was tit for tat until the 20th minute when a penalty needlessly conceded to the Nire was duly converted and left the score 0-4 to 1-4. After responding with a point we were dealt another blow when another defensive lapse led to Nire goal. This left the half time score 0-5 to 2-4 and a five point deficit to try and overhaul. This deficit was somewhat shortened at the start of the second half when a long range shot was fielded by full forward David Burke and duly dispensed to the net. This was the best possible response, and was enhanced further by two points by Seamus Cunningham to ensue parity between the teams. The Nire however responded to regain the lead once again before we hit a vital purple patch. A point brought us level again before we regained the lead in the 25th minute with a Philip Coles point to add to the marvellous point which he scored in the first half. With the Nire throwing everything at us

in the dying minutes we gave ourselves some further breathing space with a point from Eoin Cunningham. Moments after the final whistle was blown and left us deserving winners on a 1-10 to 2-5 scoreline. Afterwards Western Board Chairman Paddy Walsh presented the Cup, donated by the friends of Waterford Football to winning captain Crohan McGregor. This was a deserving reward for our juniors who have not been so successful in previous years but have now at least got some reward for their honest endeavours. Hopefully this win can lead to further success for the coming year.

Panel; Crohan McGregor, Richard Ferncombe, Conor Murphy, Christy Connolly, John Paul Healy, John Veale, Pat Sullivan, Pat Veale, Derek Truman, Johnny Lynch, Seamus Cunningham, Graeme Nagle, Philip Coles, David Burke, Billy Conway, Eoin Cunningham, Joey Nolan, Damien Power, Pat Flynn, Peter Queally, Brian Shanahan, Martin Power.

INTERMEDIATE HURLING

Our Intermediate Hurling League game against St. Mary's due to be played last Saturday night at Clogherane was cancelled because the pitch was unplayable. In this circumstance the match automatically transfers to the away teams ground but as this was also unplayable this fixture could not go ahead.

SENIOR FOOTBALL LEAGUE

This Saturday night at Clogherane we play Gaultier in our second match of the Garvey's Senior Football League. Gaultier who have been successful in their first league outing will be anxious to maintain that record. Hopefully we can pick up our first points of the league. This game has a 7.00 pm start.

U-16 FOOTBALL

Our U-16 footballers were doubly engaged last week. On Monday 2nd April we entertained Stradbally at Clogherane. After some confusion over the throw in time the game eventually got underway at 7.00 pm. It didn't take us long to get the upper hand and after squandering some gilt edged scoring chances we eventually got on the scoreboard. Two first half goals gave us an advantage which we managed to hold on to for the remainder of the game and try as the Stradbally lads did to get into the game our defence managed to hold out their attacks. When the final whistle came we managed to run out worthy winners. This was our second victory and left

us joint leaders of the group with the Nire who were our opponents last Thursday evening again at Clogherane. Conditions were cold and breezy with the wind blowing more across the field than anything. The first half saw the Nire gain the upper hand and at half time they led by 0-7 to 0-4. Our highlight of the half was an excellent long range point from Brian Bannon and some five goal keeping from Noel Buckley. On the resumption we stormed back into the game and shot over two great points to narrow the deficit to the minimum. However we could never get our noses in front and after weathering this early pressure the Nire responded with points of their own. They were helped however by our concession of numerous frees which were put over in exemplary fashion from off the ground. They soon shot into an unassailable lead. We did stage a late rally and a goal from Jamie Nagle gave us a slight chance of salvaging something but after further missed chances it was the Nire lads who prevailed on an 0-14 to 1-7 scoreline. This result means we now finish second in the group and we now meet the winners of the other section in the Western Semi Final.

U-14 HURLING

Our U-14 hurlers travelled out to Aghlish last Saturday week and played St. Oliver's in the Scanlon Cup Competition. They had to succumb however to a stronger Oliver's side at the end after putting in a tremendous first half performance. As this was basically our first real get together for this year it was a performance that gives the selectors something to work on. The unfortunate thing about it is that they will not have another competitive match until mid May. In that intervening time it is the club's intention to run a tournament sometime near the end of April to give the lads some games. Meanwhile training continues as usual.

U-12 HURLERS

Last Sunday morning our U-12 group travelled up to Cork where the Blackrock Club accommodated us in playing an U-12 hurling game prior to visiting Paire Uí Chaoimh to see Waterford play Cork in the National League. Waiting for the bus in the rain that morning it looked as if there would be no games that day but we were informed that conditions were not bad in Cork so it was safe to travel. The game in Blackrock was played on the main field and was in excellent condition. Playing against the stiff breeze in the first half we put in a tigerish effort but at the end we were left trailing by a few scores. In the second half we put in a tremendous effort to draw level much to the lads delight. Afterwards we headed to the currently refurbished clubhouse where we were feted with the welcome tea and sandwiches and our thanks to the Blackrock Club for going to the trouble of accommodating us. After that it was off down to

Paire Uí Chaoimh and our timing couldn't have been better as just as we were arriving at the ground the Waterford team were disembarking from the team bus. The first half was certainly enjoyed as Waterford put in a tremendous display. However the second half was to prove disappointing as our efforts could not be sustained and a two point defeat was our lot. The journey home was shortened by a brief stop in Youghal but when we arrived back in town shortly after 7 pm where it was still raining, we had certainly enjoyed our day.

U-11 HURLING

Mount Sion visited the club grounds at Clogherane last Saturday afternoon for a game against our U-11 group. Trying to find a suitable dry patch to hold the game was difficult but thanks to the field staff one was found and the game could go ahead. After an interesting game we eventually came out on top. Hopefully we can repay Mount Sion's visit later in the

year.

BEST WISHES

Our best wishes go out to Bridie Cunningham who is presently recovering after a recent illness. We hope Bridie recovers to full health fairly quickly.

RETIREMENT

Normally when retirements are mentioned here we would be referring to players who have found the years catching up on them but this time we would like to wish a happy retirement to one of our loyal supporters Donal O'Brien who retired from his position last weekend. Donal constantly drops in to Clogherane and maybe we will be seeing a more of him now.

CONGRATULATIONS

Birthday wishes go out to juvenile coach Tommy Egan who was in celebratory mood last week. And his age? Well, the cryptic clue is that it was less than the kick awarded in a football match when a player puts the ball over his own end line. Nice one Tommy.

County Bord na nOg Roundup

By J.O.L.

East Waterford Under 16 hurlers had little or no difficulty taking the first leg of the Gleeson Cup at the Killure GAA grounds on Saturday last on a scoreline of 3-6 to 0-4. The western boys were severely hampered by the absence of a number of their key players who were tied up with college activity on the day and so their selectors John O'Brien and Tyler Walsh had no option but to call on some younger members of their side.

Ballygunners Tommy Power opened the scoring for the winners after 5 minutes. Pádraig Nevin, Mark Giles and Damien Henley added 3 more without reply. Shane Feeney saved at close range from a powerful shot from De La Salle's

Matthew Barden, but 2 minutes later Pádraic Nevin made no mistake as he secured the games first goal. Tommy Power rounded off the East first half scores with a long range point from a free to leave the east leading by 1-4 and the Western boys failing to open their account in this half.

The second half saw more urgency with the Western teams display but it was Tommy Power who pointed for his side and Matthew Butler hammered home two well taken goals in the 32nd and 35th minute. In the games 40th minute Dungarvan's Jamie Nagle opened the score for the hosts with a good point, Michael Walsh added another point from a free 2 minutes later to leave the score after 42 minutes 2-4 to 0-2.

The Eastern boys continued to pile on the pressure despite playing against the breeze. Mark Giles hit for goal number 3, Clonea's Martin Whelan rounded off a good performance for the winners with point and the last score of the game fell to Conor Feeney give his side their 3rd and last point of the game.

The second half of this game will take place after Easter. There is no doubt that Eastern selectors Seamus Quirke and Christy Ryan will be happy with their teams performance. The Western boys will have all to do in the second leg of this competition but with a full side they will endeavour to make suitable amends.

MUNSTER CHAMPIONSHIPS

These two sides will be on duty on Easter Monday when they will be taking part in the Munster under 16 division championship.

The Eastern side will be playing in Ardmore and they are pitted against North Tipperary and Carrigdown, while the Western team must travel to Ballincollig where they will take on West Tipperary at Muskerry. First game in these venues will have a 12 o'clock start.

With a full side the Western boys should do well and if players like Noel O'Murchu, Tomas O'Brien, Patrick Lynch, James Shanahan and Mark O'Gorman, play up to standard, then they should advance to the semi finals.

The Eastern side look to be promising and they are hoping that their best forward James Quirke will be able to line out after receiving an injury in a college game recently. Others to swing it for this side will be the likes of Nicky Quinlan, Tommy Power, Mark Hoban, Ian Flynn, Damien Heffernan, Matthew Barden and Damien Hurley. Best of luck to both sides.

MUNSTER COLLEGES U-15 HURLING

DUNGARVAN CBS 4-5 LIMERICK CBS 0-9

Dungarvan CBS scored a hard earned win over Limerick CBS in the Munster U-15 hurling championship played in Goatenbridge last Monday. This was Dungarvan's first win over Limerick CBS in Munster championship hurling in over 30 years. Playing with the gale wind, Dungarvan led by 3-4 to 0-1 at half time. Limerick fought desperately to get back in the game in the second half but the Dungarvan defence played heroically with John Morrissey and Mark Flynn particularly outstanding. Brian Scanlon made a brilliant save to deny Limerick with 12 minutes to go. Two minutes later corner forward Richie Kiely soloed through to score a crucial goal for Dungarvan. Limerick kept the pressure up. Jamie Nagle scored from 25 yards in the final minute.

Scorers - Dungarvan CBS - Michael O'Mahony 2-0, Richie Kiely 1-1, Tomás Fahy 1-0, Jamie Nagle 0-3, John Morrissey 0-1.

RICE CUP U-14 HURLING CASHEL COMMUNITY SCHOOL 6-12, DUNGARVAN CBS 1-3

Dungarvan CBS suffered a heavy defeat after travelling to Dundrum recently. Dungarvan played well below form against a very strong Cashel side. Matters were not helped by the absences of Eoin McCarthy, the regular centre-back and James Ryan due to illness. Best for Dungarvan were Ger Dunphy, Sean O'Hare, Derek Morrissey, Christopher Troy, Shane Whelan and Wayne Flynn.

Scorer-Derek Morrissey (1-3). Dungarvan CBS - Kieran Gee (Brickey's) Christopher Troy (Dungarvan) Ger Dunphy (St. Mary's), Eoin Brackett (Abbeyside) Derek Morrissey (Fourmilewater), Sean O'Hare (Abbeyside), Johnny Buckley (Naomh Bríd), Andrew Murphy (Brickey's), Mark Scanlon (St. Oliver's), Ciaran Hennebery (Kilgobinet/Colligan), Shane Whelan (Dungarvan), Wayne Flynn (Dungarvan), Billy Breathnach (Gaeltacht), Diarmaid O'Hare (Abbeyside), Conor McGrath (Brickey's). MINOR FOOTBALL CHAMPIONSHIP

Brace of Goals
Bring Waterford
Back**Waterford 2-4 Limerick 1-7**

Two splendid goals within 60 seconds midway through the second half brought Waterford well into a game that they were losing at Limerick against the home county on Wednesday evening last.

Up to this point, Waterford were playing poorly. At halftime the score stood at 1-3 to 0-2 in favour of Limerick and at the three quarter stage it was 1-6 to 0-3.

Then came the rapid-fire goals by substitute Tony Halpin and Shane McGrath to shock Limerick into a state of submission. We were still a point adrift with time running out when Billy Harty kicked over the equaliser.

Scorers — Shane McGrath, 1-1, T. Halpin 1-0, B. Harty 0-2, John Wall 0-1.

Waterford — D. Hickey, E. Walsh, P. Fleming, R. Halpin, M. Power, A. O'Loughlin, J. Hurney, M. Walsh, M. Power, D. Coffey, S. Walsh (capt), C. Morrissey, J. Wall, B. Harty, S. McGrath. Subs played, P. Beausang, T. Halpin, R. Keating.

Minor Football v. Clare

Having picked up a point against Limerick last week, the county minor footballers will be hopeful of going one better when they travel to Ennis this, Wednesday, evening for their second outing in the championship, round robin, series. There are a few changes from the side which defeated Limerick:

David Hickey (Brickey Rangers)

Eoghan Walsh (St. Olivers) **Paddy Fleming** (Tramore) **Richard Larkin** (Rathgormack)

Michael Power (St. Marys) **Adam O'Loughlin** (Portlaw/St. Mollerans) **John Hurney** (Ballinacourty)

Michael Walsh (Stradbally) **Philip Beausang** (Ardmore)

Denis Coffey (Stradbally) **Mark Power** (Tramore) **Shane McGrath** (Brickey Rangers)

John Wall (Kilgobnet) **Billy Harty** (Ardmore) **Shane Walsh (capt.)** (Nire)

Subs — Mark Hennessy, Kill; B. Costello, Tramore; S. Power, Tramore; Tony Halpin, Brickey Rangers; Ronan Keating, Dungarvan; R. Power, Tramore; Nial O'Brien, Ardmore; Chris Morrissey, Kilgobnet; Sean Walsh, Dungarvan.

The selectors are: Pat Nugent, Manager, John Hennessy, Trainer/Coach and Michael Monaghan, Butlerstown.

UNDER 21 HURLING FINAL
ARDMORE
ANNEX DOUBLE**Ardmore 1-14 Stradbally 0-10**

Ardmore can now take their place among the privileged few who have annexed the under 21 hurling and football double, following their splendid victory over their strong challengers, Stradbally at Fraher Field on Friday evening last.

A full review of the game is given in the club notes. County full forward, Seamus Prendergast, scored a total of 1-6 and for Stradbally, Trevor Curran pointed on six occasions. Considering the conditions, the standard was quite satisfactory.

U-21 (B) HURLING FINAL

Colligan 0-10 Cappoquin 0-6

This was Colligan's third success story as already in the 2000 competitions they had won the county junior football championship as well as the division 3 football League. Cappoquin, having played two matches with extra time against Clashmore to get to the final, will naturally feel disappointed to have failed at the final hurdle.

County U-21 Hurling
Finals 2000

The county finals of the above will both be played at Fraher Field and while Easter Monday is being mentioned as a possible date for the Mount Sion/Ardmore 'A' final and the Colligan versus eastern champions, 'B' finals, nothing on the matter was definite at the time of writing these notes.

NATIONAL HURLING LEAGUE
Waterford v. Laois In
Fraher Field

The game is now little more than a formality as both competing counties are out of contention. It will nevertheless provide our Easter Sunday entertainment at Fraher Field. For both counties it will be their final competitive game before their respective championship engagements, so an amount of experimentation by the selectors can be expected.

CONGRESS
HEADLINES

Sixty million pounds to help with the redevelopment of Croke Park, the passing of the motion to give defeated counties a second chance in the hurling championships beginning next year, and the defeat by the narrowest of margins of the Roscommon motion to allow Central Council decide on which games would be allowed into Croke Park were all the big talking points at and after this most

momentous Congress since the removal of the ban 30 years ago.

Congress also decided that counties who do not have their senior championships completed by October, will not be allowed to play in the provincial club championships. Heretofore a county could nominate a club team to represent it. This will no longer be permitted.

I will return to the subject of Congress 2001 next week.

EDSIE FOLEY
R.I.P.

He was quite a talented footballer who began his playing career with the Ballycoke football club back in the early forties. Having won his first medal with this parish team he switched to the Brickey Rangers and played the remainder of his club football with them.

His talent was noted by the county football selectors and he was selected to play in the national league for a couple of seasons.

He died in a Dublin Hospital last week and was buried in Abbeyside. This quiet and very unassuming man spent all his working life at sea until his retirement about ten years ago.

He is survived by his sons, Brian and Greg, sisters Rosaleen and Marie and brother Patrick. To those and to the extended family we express our sincere sympathy.

NATIONAL HURLING LEAGUE

2nd Half Fadeout Brought About Our Downfall

**Cork 1-17
Waterford 1-15**

A sparkling first half performance in which we held a six points lead after 22 minutes, raised the hopes of all Deise supporters even though the lead was reduced to 4 points by half time.

Playing against the strong breeze, Waterford took control of the game after Paul Flynn's 6th. minute point. The lead was held until the 52nd. minute after signs that Waterford were fading out of the game with the wind behind them.

Cork second half switches proved to be the proper strategy for the home team, but

just the same Waterford supporters were at a loss to understand why a 4 points halftime lead which had been won against the breeze, was allowed to be overtaken when we were playing with the wind.

The defeat was a big disappointment as we are now out of contention, having earlier lost to Kilkenny and Tipperary.

COSTLY

Our dismissal will prove very costly for the county board as reaching the knock-out stages would help our finances considerably, as was

the case last year when our league receipts were in the region of £80,000.

GREAT FIRST HALF

Waterford handled far more of the ball in the first half and no fault could be found with their display, forwards, midfield and defence, all doing their job very well. This makes it very difficult for everyone to analyse our inexplicable fade-out in the second half.

Cork, against the breeze, scored five times before we raised out first white flag after 18 minutes of the half.

This is something for the selectors to ponder on and start finding answers before we prepare for our meeting with Cork or Limerick in the championship on the second Sunday in June.

Paul Flynn was again our leading marksman and had 1-6 to his credit. His 16th. minute penalty goal after Seamus Prendergast had been brought down, was another "special" from the Ballygunner man, who looked to be bang in form. His first half total was 1-5 and he did not register his second half point until the dying minutes

of the match.

Brendan Landers had another fine game and could not be blamed for the one that passed him. The defence weathered several first half onslaughts in the teeth of the strong wind, but when under second half pressure, they allowed Cork score 1-7.

Our best period of the game was in the second quarter when we brought our total to 1-8 as against 0-5 for the Munster champions.

Cork — D. Og Cusack, F. Ryan, D. O'Sullivan, J. Browne, W. Sherlock, P. Mulcahy, S. Halpin, M. Lan-

ders, M. O'Connell (0-1), G. O'Connor (0-2), F. McCormack, S. McGrath (0-4), B. O'Connor (0-1), A. Browne (1-0), J. Deane (0-6), Subs — N. Ronan (0-1), K. Murray (0-2).

Waterford — B. Landers, T. Feeney, S. Cullinane, B. Flannery, S. Frampton, F. Hartley, J. Murray, P. Quailly (0-1), T. Brown (0-2), K. McGrath (0-1), J. Brennar, E. Murphy, J. Mullane (0-3), S. Prendergast, P. Flynn (1-6), Subs. D. Shanahan, E. Kelly, D. Bennett (0-2).

Referee: S. Roche, Tipperary.

FOOTBALL LEAGUES CONTINUE

Round 4 of the Garvey football leagues continue on East-er Saturday with a full round of matches to be decided.

DIVISION 1**Rathgormack v. St. Saviours**

Having had a bye two weeks ago when the leagues began after the relaxation of

the F&M regulations, Rathgormack will hope to get off the mark with a win against St. Saviours who went under by a single goal to Stradbally a fortnight ago. Rathgormack have a home match here.

Ballinacourty v. Stradbally

Following their rather

poor display against Gaultier in their last game, Ballinacourty, even with home ground advantage, can hardly fancy their chances here against Stradbally who were in splendid form in their match with Saviours two weeks ago.

Dungarvan v. Gaultier

Dungarvan have home advantage here and may go one better than losing by 3 points to Kilrossanty at the same venue in their first outing.

Nire v. Kilrossanty

These sides met in the county final last year and after a poor math, the Nire came out on top. Here in Ballymacarbry, the reigning champions will have everything going for them and they should register another win.

Kilmacthomas have a bye on this weekend.

DIVISION 2**Tramore v. Dunhill**

Tramore should record their second victory here as Dunhill who were very heavily defeated in their first game, are said to be very weak this season.

Clashmore v. Ring

Both these neighbouring rivals are pointless and in need of a win. Clashmore, surprisingly, went under to Brick-eyes in their first match and Ring had no luck against Ardmore. Clashmore will have home advantage and this can make the difference here.

Kill v. Kilrossanty (B)

This is a Sunday game and should result in a home win for Kill.

Rathgormack (B) v. Ardmore

Ardmore must travel over the mountain for this tie, but I have no doubt but that their journey will not be in vain.

DIVISION 3**Geraldines v. Shamrocks**

These clubs have fought many battles and as far as I can recall, their records show a break-even situation.

This game being played in Aglish will give the Geraldines a chance to pick up a further two points. They had a good win two weeks ago and Shamrocks have yet to play in the league.

Newtown v. Emmetts

Things are going splendidly for the Colligan club at the present and they will be hop-

ing to record another win here. Newtown are at home for the game and this will not make it easy for Emmetts.

Butlerstown v. Sliabh gCua.

Sliabh gCua scored 13 points against De La Salle and still lost two weeks ago. Butlerstown played nice football against Newtown and came off with a share of the points. The Touraneena team will have to travel into the east of the county for the second Sunday. This will be a tight contest.

De La Salle v. Mitchells

If the Mitchells form, as seen against Emmetts, is a true indication of their standards, they will take the points against the city team at Clayboy.

NATIONAL FOOTBALL LEAGUE

Kildare Win Was No Surprise

KILDARE 0-14 WATERFORD 1-4

Leinster champions, Kildare, came to Fraher Field as the warmest of favourites to take their badly needed points, so their seven points winning margin was no surprise to the crowd of about 300 who watched the game being played in miserable conditions at Fraher Field.

Heavy rain falling all day made underfoot conditions very poor and the game suffered as a consequence.

Waterford played against the stiff first half breeze and trailed by 0-7 to 0-1 at half time. Our lone score was kicked over by Stephen Cunningham from a 20th minute free.

SECOND HALF

Waterford seemed to take a firmer grip on things in the second half and while they did concede a further 7 points, their defence played very well against this high profile opposition.

Waterford's goal came in the 53rd minute when Ger Walsh shot home an unstoppable ball that gave Kildare goalkeeper, C. Byrne, no chance.

Scorers — Kildare: J. Doyle 0-6, D. Brennan 0-6, D. Early 0-2; Waterford: S. Cunningham 0-3, G. Walsh 1-0, K. O'Keeffe 0-1.

Waterford — P. Houlihan, J. Moore, J. Phelan, B. Lyons, K. Coffey, L. Hurney, S. Briggs, K. O'Keeffe, J. Hennessy, B. Wall, C. Keane, M. O'Brien, E. Doherty, G. Walsh, S. Cunningham. Subs played: M. Ahearne, L. Dalton, M. Radley.

Referee: Michael Ryan, Limerick.

CO. HURLING LEAGUES

It was not a very satisfactory weekend for the hurling leagues. The Mount Sion/Portlaw match was aborted when the appointed referee failed to turn up. In the circumstances one would have expected that the two clubs would have agreed on a referee in order to have the match played.

The Roanmore v. De La Salle match was abandoned after Kieran Delahunty received a very serious leg injury which necessitated the Roanmore stalwart and veteran being moved to hospital. This was an unfortunate accident and one that may bring to an end the hurling career

of a great hurler and sportsman who has given trojan service to his club and county.

The Dungarvan versus St. Mary's tie was also a victim of the weather as both grounds were unfit to take the game which had been scheduled for Saturday.

Lismore scored 2-13 against 1-8 Passage, and this gave the western side their first brace of points.

Stradbally and Fourmilewater played a 2-9 all draw, while Tallow (with 1-13) had plenty to spare over Ballydurn at 0-6.

Erin's Own scored 2-10 and this was more than enough to

take the points from Ballyduff who had 1-9 to their credit in the end.

Dunhill bounced back from their heavy defeat two weeks ago and scored a nice 2-14 to 1-6 win over Ring.

Ballysaggart had the extraordinary score of 3-2, which left them 3 points behind St. Saviours in their tie.

Ferrybank and St. Mollersans played a 1-7 all draw in their tie at the city venue.

NATIONAL FOOTBALL LEAGUE

Waterford v. Carlow

This final match of the football league will be played in Dr. Cullen Park, Carlow, on Sunday and for each it will be their final outing before the championships. Like their hurling counterparts, the selectors will be anxious to see some fresh faces on their sides.

For Carlow and Waterford, the result will be meaningless as both are out of contention.

NAOMH BRID G.A.A. CLUB NOTES

A WONDERFUL WALK

On Saturday last our charity walk took place as planned even though the morning weather did not seem to be in our favour it turned out to be a great day in every way. We had the wind to our backs all the way to Dungarvan and the walkers were piped into the Square by the Carey sisters from Stradbally, they were marvellous. We received loud applause from the locals on our arrival into the Square, Councillor Lar Harte welcomed the whole party and presented plaques to Ann Thompson and Alice Burke who were the organisers of the event.

We would like to thank the Civil Defence for their attendance during the whole of the walk also the Cash and Carry, Clonmel, Kellys Tipperary, who provided the refreshments. Thanks to Patricia Foley, Garryduff and Geraldine Wall, The Pike who provided the toilet facilities, for which we were extremely grateful. Many thanks also to all the helpers and all the walkers and in particular those people who gave us sponsorship, also Cash and Carry Dungarvan for their sponsorship.

CONGRATULATIONS

A great night was had by all in Dunford's Bar on Friday night last for the birthdays of local men Micheál Quinlan and John Gleeson. This event was a surprise and both men were dumbfounded on their arrival to see the bar decorated and the huge attendance in their honour. We wish them both well for the future and we hope Micheál will enjoy his retirement in the Sun - it would be advisable not to bring his wellies.

AUCTION

Just a reminder that the ladies and mens auction will be held in Deckie Walsh's, Modeligo on this Easter Sunday night, come along and bid for the lady or gent of your choice. Music will be supplied by Mike Walsh and Joan O'Brien, so a great night is assured. Please support a worthy cause.

TIR NA NOG

Playgroup - A fundraising night for Tir na nOg playgroup will be held in Dunfords on Easter Sunday night, April 15th. Who wants to be a Millionaire (mixed doubles). Entry fee per couple £5.00. Your support will be greatly appreciated.

School Reunion

It is starting to look like the school re-union planned for August is going to be a big hit. People will be returning to Touraneena from places like Britain, the United States, Canada, South America and Australia. Many of those who are returning to Touraneena are doing so for the first time in many years. To allow the organisers plenty of time to plan the event (for the meal etc.) it is very important that money and forms are returned as soon as possible. A deadline of the end of April has been set for the return of form and money.

Daffodil Day

A big thank you to everyone who supported Daffodil Day on March 26th, amount raised in the area was £460.00

PRESENTATION NIGHT

On Friday night last in Modeligo our under 7's were presented with medals by Mrs. Kiely, mother of the late Michael Kiely. Those medals were won in The Michael Kiely Cup held in Touraneena Centre. Our under 9's and 10's were then presented with medals won in Touraneena and

Ballyduff by Brendan Landers. Waterford's one and only goalie Brendan was brilliant on the night and the young people there really enjoyed his company as he spoke to them and signed autographs and had photos taken with them, he really made the night for them and the club extends a big thank you to both Mrs. Kiely and Brendan Landers for giving their time so willingly to our club. Thanks also to Thomas Keane who organised the night, thanks to the ladies who provided tea and sandwiches on the night.

Under 16

Our under 16's lost their three games and are out of the championship.

Under 14

Our under 14's play their first game against Tramora on Monday, April 16th at home.

UNDER 12'S BEATEN BY GOLDEN GOAL

We made our first ever visit to the Millennium Sport Hall in Ballyduff last Wednesday evening for a four team indoor under 12 tournament.

We opened the evening's proceedings with a 4 goals to 2 win against St. Olivers. Patrick O'Donovan scored two of our goals. Sean Dalton and Tommy Buckley scored our others. Our second game was against the home side. This was an enjoyable game to watch which could have went either way. In the end the result ended in a two all draw. Patrick O'Donovan scored both our goals. Our final game was against Clashmore. This was another tight game that ended in a draw. Patrick O'Donovan was again off the mark in this game with another two goals. Diarmuid Walsh scored our other goal.

A win and two draws was good enough to put us into the final. In the final we played Ballyduff. This was the best game of the evening between two very evenly balanced teams. At the sound of the final whistle the scores stood at 4 goals each. Patrick O'Donovan and Diarmuid Walsh got two goals each. As with the plate final the final was going to be decided by a golden goal. The plate final lasted only an extra 25 seconds before the winning goal came. This game was always going to last longer. The winning score was scored by Ballyduff. It was a ball that came in high in the air that deceived our goalkeeper.

Our panel of players that traveled to Ballyduff was Eanna Power, Sean Fitzpatrick, Tom Cashman, Tommy Buckley, Nicky Dalton, Jamie Troy, Patrick O'Donovan, Sean Dalton, John Barron, Kieran Power and Diarmuid Walsh.

Our thanks to the Ballyduff club for the invitation into their tournament. As always the welcome we received was second to none. Thanks also to those who drove the players to Ballyduff and to those who were there to support them. Thanks also to Declan and Nick who looked after the team.

Ladies Football News

WATERFORD 2-8, MEATH 1-7

Waterford got back to winning ways with a 4 point victory over Meath in atrocious conditions in Dunboyne on Sunday last. Heavy rain made the pitch a quagmire, the ball floated on occasions but Waterford had the bit between their teeth in the last quarter and turned a 3 point deficit into a good victory.

Waterford quickly got off the mark, Aoife Murphy took a quick free to Mary O'Rourke for a 3rd minute point but Christine O'Bryne levelled it up 2 minutes later. Waterford tore into the fray and a succession of passes saw Julie Torpey storm through and she crashed the ball to the net. Aoife Murphy pointed a free, Elaine Duffy replied with a Meath point before Geraldine O'Ryan shot a 15th minute point. Two minutes later she was forced to retire with a leg injury that will keep her out for a few weeks and Meath finished the half with 4 consecutive points, Tara

O'Brien, J. Duffy and Jackie Shields (2) to keep Waterford ahead 1-3 to 0-4 at the interval it didn't look good when Shields shot a goal within 30 seconds of the restart and O'Brien pointed a free to keep the Leinster side 3 points in front. Waterford missed a succession of chances as they began to dominate with Deirdre Breathnach outstanding at Midfield, where she got good help from Elaine Power.

There was constant pressure on the Meath defence and substitute Teresa Molohan kicked a vital point in the 44th minute. Julie Cunningham was causing lots of problems for Meath and the determination paid off 2 minutes later as Mary O'Rourke lobbed the Meath keeper to restore Waterford's lead. Aoife Murphy pointed 2 frees and Teresa Molohan added another as Waterford moved into a 5 point lead. A late Meath point was no more than a consolation score.

This was a very good Waterford performance, Nuala Hearne kept a good goal, Donna Frost and Olivia Butler gave nothing away whilst Ciara Prendergast is improving with every game. Cliona O'Keeffe had a fine game at wing back along with Amanda Crotty and a rejuvenated Julie Torpey. As already stated Deirdre Breathnach was player of the match whilst Elaine Power, Mary O'Rourke, Aoife Murphy, Geraldine O'Ryan, Niamh Barry, Julie Cunningham and Rebecca Hallahan all made a good impressions along with substitutes Teresa Molohan and Deirdre Nagle.

Waterford: N. Hearne, D. Frost, C. Prendergast, O. Butler, C. O'Keeffe, A. Crotty, J. Torpey, S. Breathnach, E. Power, M. O'Rourke, J. Cunningham, R. Hallahan, N. Barry, A. Murphy, G. O'Ryan.

Next Easter Monday Waterford are at home to Dublin, probably at Fraher Field.

Geraldine's GAA Club Notes

BONMAHON 0-9, GERALDINES 1-9

We kicked off our league campaign with a hard earned victory away to Bonmahon.

The result was in the balance until about five minutes from the end when we were awarded a penalty for a foul on Ger O'Donovan which was duly converted by Caimin Radley.

The first half was very evenly contested with both sides matching each other point for point. Donnacha Tobin opened the scoring with a pointed free. Both sides continued to swap points with Donnacha Tobin adding three more points with further points coming from Brian Connery with a listed effort and Raymond Connery with a good score from the right wing. Half-time score 6 points apiece.

We started the second half sluggishly eventhough we had wind advantage. We went ahead 10 minutes into the second half with another pointed free from Donnacha Tobin. Bonmahon then got on top and started to dominate. They scored two unanswered points

and only a great save from goalie Kieran Cotter prevented us from going further behind. With ten minutes remaining, we were a point down and looked to be heading for defeat. However, we did manage to equalise through a good score from Brian Connery. Then came the penalty which as already mentioned was converted for a goal by Caimin Radley. This was the way the score stayed until the final whistle.

All in all, a good result. This team know they can play better and it is always a good sign when a team can win whilst not playing at the top of their game. We had good performances from Michael Ware, Pat O'Donovan and Brian Connery. Man of the match however was Donnacha Tobin who kicked 6 points and helped to steady the ship by

switching to centreback with ten minutes remaining. The team lined out as follows:

Kieran Cotter, Michael Ware, Stephen Ronayne, Tom Kiely,

Eamon Mernin, Dave Cullinane, Pat O'Donovan, Nicky Ahearne, Raymond Connery, Paul Landers, Michael Murray, Caimin Radley, Ger O'Donovan, Donnacha Tobin, Brian Connery. Subs: Paul Connery for Tom Kiely, Alan Cullen, Anthony Walsh. Scorers: Donnacha Tobin 0-6, Raymond Connery 0-1, Brian Connery 0-2, Caimin Radley 1-0.

FIXTURES

Our next match is against Newtown on Saturday 14th April. We are due to play Ardmore in the Hurling League Final on Monday 16th April.

Training continues every Tuesday and Thursday at 7.30.

There was no Jackpot winner in our Lotto draw worth £500. The numbers drawn were 16, 17 and 20. The lucky winners of £10 were Vinny O'Brien, Ballingown, Cindy O'Brien, Ballingown, Paddy Kiely, Aghlish, Pat Corbett, Shanbally, Timmy McCarthy, Killeagh. Next week's jackpot £600.

Biggest Game In the History Of Dungarvan United A.F.C.

FAI JUNIOR CUP
7TH ROUND

Dungarvan United -v- St. Kevin's Boys (Dublin)
Kilrush Park — Sunday, April 15 — Kick-off 2.30 p.m.

F.A.I. Junior Cup Squad

Next Sunday, April 15th will see Dungarvan United host the most important Junior Football game in their illustrious history at Kilrush Park. St. Kevin's Boys from Dublin A.U.L. will be their guests in the 7th round (i.e. the last sixteen of the Statoil Junior Cup). This is the biggest junior football tournament in Europe and almost 700 clubs from all over Ireland started out on day one.

Dungarvan United Squad And Management Team — Picture shows back row (l. to r.) Jose Fernandez, Kealon O'Neill, Ger Beresford, Gerry O'Connor, Alan Landers, Darren Lyons, Kevin Walsh, John Power, Micheal Downey, Thomas Duggan. Front row (l. to r.) Aidan Landers, Mark Hyslop, Leo Barry, John Paul Donnelly, Mark Crotty, Pepe Ferncombe, Killian Lyons, Gary Keane, Niall Barry, Pat Dunford.

St. Kevin's have been favourites for this cup from the outset at 8/1. At that stage Dungarvan were 140/1. Since then the Saints have been cut to 6/1 and Utd. to 25/1.

One look at St. Kevin's profile or the Tangerine Dream as they like to be known will tell you why they have the favourites Tag. Twice finalists, the last being in 1993, quarter

finalists in 1999 and senior finalists in 1998. They have won every trophy available to them over the last decade excluding this one. And that's something that rankles with the Tangerine Dream. At present they are top of their league with two games in hand. This league also contains Baldoyle who Dungarvan put out in the 5th round. It also has Portmarnock who Waterford Utd. could be playing in the semi final of the Senior Cup if Portmarnock overcome Longford in the Quarter Final.

On the pitch, they have top quality players in Declan McGuinness and Anto Canavan who are both current Junior International panelists. Stephen Hayland and Brian Goulding are members of the A.U.L. Oscar Traynor team. Anto Wilkins in 1996 and Philip Long in 1998 have won the Opel/FAI Junior Player of the Year. Up front Dessie O'Hara is considered by some so called experts to be the

best right sided winger at this level.

You might think this is a David v Goliath contest but remember who won that one. One of the most famous players to start his career with St. Kevin's boys was Ireland's and Manchester Utd.'s great centre half Kevin Moran.

Dungarvan beat last years finalists St. Michael's in their own back yard in the 4th round and if they can produce a performance like that day, the Blues will have nothing to fear. They have built on the confidence of reaching two Cup Finals last season and have proved to be no pushovers for anyone, be it inside or outside the pale.

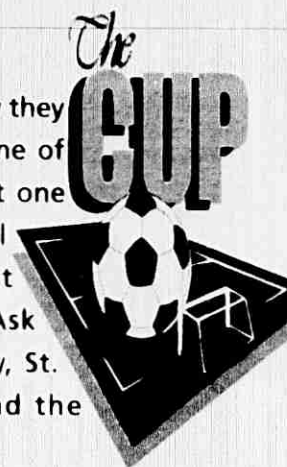

They are also the only unbeaten team in the Premier League having passed the half-way stage.

The Blues have excellent players in the Lyons, Barrys and Landers brothers, great competitors in Crotty, Walsh, Keane and Ferncombe. And on the day Downey, Power and the Donnelly's will cause any team problems. Dunford, O'Connor, Fernandez and Power will leave no one down when called

on.

Yes, Dungarvan Utd. know they have it all to do against one of Ireland's biggest clubs. But one thing is certain, they will not be going out to just make up the numbers. Ask Birdhill, Granagh, Killusty, St. Michael's, Ballydoyle and the Geraldine's.

The people who sowed the seeds of soccer in Dungarvan through the 40's, 50's, 60's and nourished it through the 70's, 80's, 90's should feel very proud of the club's achievements. Thankfully many of these people are still around and hopefully they will be there on Sunday to cheer on the Blues.

As seen below this is Dungarvan's Cup run to date

October 8th 2000	Round 1	Dungarvan 5 Birdhill 0
October 22nd 2000	Round 2	Granagh 1 Dungarvan 5
Nov. 19th 2000	Round 3	Killusty 1 Dungarvan 2
Nov. 26th 2000	Round 4	St. Michael's 1 Dungarvan 2
Feb. 11th 2001	Round 5	Baldoyle 0 Dungarvan 2
April 1st 2001	Round 6	Geraldines 0 Dungarvan 2
April 6th 2001	Round 7	Dungarvan ? St. Kevin's Boys ?

DUNGARVAN GOLF NOTES

BRIAN KIRWAN WINS CUNNIGAR CUP AND EXAMINER AM/AM QUALIFIER

E.S.B. employee Bryan Kirwan playing off (14) spreadeagled the field on Sunday on his way to winning the Cunnigar Cup and Examiner AM/AM qualifier. Bryan made light of the poor weather conditions to shoot even nines of 21 points for a highly impressive 42 pts. and four point winning margin. Bryan birdied the 3rd and parred the 1st, 4th, 5th on his way out. His back nine was ordinary enough until he came to the 18th tee. Here Bryan unleashed a tremendous drive and put the second shot onto the green and got the putt for an eagle three and 5 pts.

Bryan no stranger to winning, is playing tremendous golf and this popular Lemybrien man should win a lot more this year. In second place we had Pat Frisby playing off (17) with 38 pts.

PETER FINNEGAN'S CONSISTENCY PAYS OFF

Dungarvan Ulster Bank Manager Peter Finnegan who so generously sponsors the Thursday Competitions throughout the year which are commencing this year on next Thursday, 12th April, was the popular winner of Saturday's 18 Holes stableford competition. Peter playing off 14 had nines of 20 and 19 pts. for a winning score of 39 pts. The highlight of his round were pars at 3, 6, 7 and 9, 11, 12 and 15. Peter a tremendous striker of the ball and a solid putter will I'm sure win a lot more this season.

In second place for the second week running we had Bernard Gorman playing off 11 handicap with 39 pts. Nobody seems to play the front nine better than Bernard who had pars on the 2nd, 3rd, 5th, 7th and 8th and a birdie on the 4th for a very impressive outward 22 pts. It is only a matter of time before this very popular golfer has his turn.

MINNIES SQUASH CLUB NOTES

MIXER BEATS CULLEN IN FIVESETTER

On Monday night April 2nd our final team tournament sponsored by John Coade and the TSB Bank reached its semi-final stage when John Fleming and Niamh McMahon's team booked their final places.

Fleming's team were victorious over Ray Hahesy's team on an 11-8 scoreline - Billy Smith had given Fleming's team the perfect start with his match winning a 3-2 score

against Barry Power over the weekend. Hahesy's team were dealt a further blow with the news that their quarter-final hero number five Patrick O'Doherty was down with flu so had to concede a walkover to Shane Reddy. In the match of the night at number one Emmett 'Mixer' Byrne showed the benefit of all his road running when he wore down

the running man Pat Cullen in a five set thriller. Cullen took the opener 9-3. 'Mixer' levelled it taking the second 9-6. 'Mixer' then swept through the third 9-1. Cullen then levelled it taking the fourth 9-3 before 'Mixer' crowned a fantastic performance taking the decider 9-4. At four Brian Foley was probably the luckiest man in the tournament. He came within a whisker of being counted out but thanks to an S.O.S. and that valuable modern gadget, the mobile phone, he just managed to squeeze in on time as he defeated Barry Hamilton 3-0.

In the second semi-final Niamh McManus's team beat Dick Brady's team 10-6. Brady's team got the perfect start when at one Ray Moore got over the frustration of losing the record set 7-9 to record a 9-0, 7-9, 9-1, 9-6 win over Kevin Tutty. At three, Pat Breen needed every ounce of his experience to see off a very brave challenge by Joanne O'Neill. Joanne must be wondering how she came out of this one a 0-3 loser after leading 7-5 in the second and 7-2, 8-4 in the third but it was Breen who came through 9-4, 9-7, 10-8. In the battle of the captains, Niamh McMahon put in one of her best and most polished performances of the season on the Minnie's Courts. She was totally focussed from the first point as she defeated Dick Brady 9-4, 9-4, 9-4. At four Kevin Mooney clinched victory for Niamh's team. He overcame an early spirited challenge by Paul Power. Power led 7-2 in the first round before Moroney ran out a 9-7, 9-1, 9-2 victor. The fives Darren Hamilton and Bob Winters were not required to play.

SMITH BEATS BREEN 10-9 IN FIFTH

Thursday night April 5th saw the final of the TSB take place. What looked like a very close encounter on paper didn't materialise as John Fleming's team ran out very comfortable 12-1 winners over Niamh McMahon's team.

At four Brian Foley showed great maturity as he was highly charged in his closer than the scoreline of 3-0 would suggest against Kevin Moroney - Brian took a very close opener 9-7. He stormed through the second 9-0 before edging a close third 9-7. Court four saw the battle of the legends as Billy Smith and Pat Breen squared up for what turned out to be the match of the night. Pat Breen got the dream start as he controlled the early proceedings taking the opener 9-1 when Pat raced ahead 7-1. In the second the large crowd feared a mauling for Smith. The tide changed as Smith got his famous racket forehand going. He came back to 6-8 before losing the set 9-6 but at least he started to play like he can. In set three Billy took control as he won it 9-4. In set four Billy edged ahead 4-2. Pat then got back into gear as he led 6-4 but Billy showed

great resistance as he clawed back to level 6-6 before taking the set 9-6. So down to the final game. What a start by Pat! He raced ahead 7-0. Was it going to be like the first set or was the man who played in the very first tournament in the club, nearly thirty years ago, having one more 'go'. Billy pulled it back to 3-7 before Pat on winning serve scored again and served 8-3 for the match. Somehow Billy saved match ball and fought his way back to level at 8-8.

He then served for the match 9-8 three times on getting his hand cut at the fourth time of asking. Pat levelled at 9-9 and he served for the match but the script seemed written as Billy won hand out and pinched a titanic victory 10-9. So after all that drama, it was back to court three and the captain here Tom Fleming making his first appearance for the event came up against the very in form Niamh McMahon. John, a winner in Killarney got the perfect start as he raced ahead 6-0 but fringe Irish International McMahon bowled back to level and serve 8-6 for the set. But on a night full of drama John stormed back to take the set 10-8. John powered through set two 9-0. In set three when Niamh led 4-1 and 7-6 there seemed a brief glimmer of a comeback. But John, a former International badminton player knows when the chance comes you grasp it, stormed back to take a very creditable victory 9-7 for a 3-0 scoreline. The fives, eventhough the tie was settled, went into action with Shane Reddy taking the laurels 3-0 against Bob Winters. Pat Cullen and Kevin Tutty were not required to play. The presentation of prizes took place in the bar afterwards when Mr. TSB - John Coade presented his beautifully engraved clocks to the winners and runners-up. John thanked the large turnout for their support. As one of the largest sponsors at the club John said how TSB Bank, formerly Waterford Savings Bank and TSB and soon to be called Permanent TSB always looked forward to this particular sponsorship. John very kindly bought drinks for all those involved in the final. Beautiful sandwiches were enjoyed by all those present, made by our President Charnian O'Brien.

OTHER NEWS

Our Division Four team suffered a 4-0 drubbing away to Mallow last Tuesday. Unfortunately due to injuries and other reasons, the team could find only four players. Emmett Byrne was unlucky to lose 2-3 at number one, White (2), Niamh McMahon (3), Pat Cullen and (4) Michael Tutty all went down 0-3.

Congratulations to Dermot and Brona O'Neill on the joyous news of the recent arrival - a beautiful baby girl to be named Aoife we believe. Who knows, a future squash player like her mum and dad and auntie Joanne! Talking of Joanne, we hear she is training for the Belfast Marathon in May. We wish Joanne the best of luck in this very tough venture.

Ray Moore made it an Allrounder ladder league double when he clinched the Crystal ladder last weekend. Ray seemed to have lost his chance when after beating

Pat Cullen, Michael Hurley and Andrew Lally 3-0, he went down 9-7 in the fifth to John Reynolds. This gave John the opportunity to clinch the title. He needed 11 points to tie or 12 points to win it outright. After beating Andrew 3-1, John needed a 3-0 win over Michael Hurley to tie but in a sensational match Michael played the game of his season to upset the odds by beating John 3-2. So Ray topped the league with 90 points with John coming second on 87 points.

This coming weekend (Easter) the Crystal invitation takes place at the Crystal and the four Minnie's courts. With no Minnie's Open this season, its a chance for all local players to pitch their skills against the rest on local courts. At the time of writing, tournament Director Andrew Lally is very happy with the entries so best of luck to Andrew and the Crystal for the weekend.

DUNGARVAN BOXING NEWS

Munster Championships

Dungarvan Boxing Club had four boys competing in the Championships, which took place over last weekend 31st March and the 1st April at Ballyloughran House, Lisselton, Co. Kerry - Two youths, Emmett Walsh and Ben McCombie and two juveniles, Jeremy O'Mahoney and Stephen Browne.

Emmett goes through on a walk-over and qualifies for Dublin. Ben had a very hard bout against Paul Fitzgerald, St. Mary's BC, Limerick. Unfortunately for Ben, Fitzgerald proved to be too strong, nonetheless Ben put up a good fight and should be proud of his effort.

Jeremy O'Mahoney had two contests. The first was against Brian Flynn, West Clare BC.

Flynn retired after two rounds as O'Mahoney proved too strong for him. The next was Stephen Barry, St. Paul's BC Waterford. Jeremy knocked him out in the first round so he must be looking good for Dublin. Last but by no means least, Stephen Browne from An Rinn took on Finbarr O'Sullivan from Kenmare, Co. Kerry. Stephen took the fight from the start and beat O'Sullivan to the punch every time. The fight was stopped in the third round in favour of Browne on the fifteen point rule which means if you are fifteen points ahead of your opponent, the fight is stopped in your favour. Jeremy O'Mahoney and Stephen Browne will be in the National Stadium competing in the Juvenile Championships from the 18th to the 21st April. Both of these boxers took part in last year's championships. Stephen got beaten in the Final and Jeremy in the semi-final. Emmett Walsh is in the Youth's Championships which are taking place on the 28th April.

Two cousins that did very well at the Munsters were the McDonagh boys - Brian and Arthur. They both reside in Dungarvan but box out of Fermoy BC. Brian won the Best

Boxer of the Championships.

If any of those boxers are successful in Dublin in gaining a National Title, it is hoped to get them on the International between Ireland and England which takes place on the 13th May in the Sports Centre.

CLONMEL TOURNAMENT

Dungarvan had three boxers on this tournament. Two of them had their very first bouts and they did very well indeed. Liam Hansberry and James Woolven are only eleven years of age and were very brave and put on a great display. They show a lot of promise. The third in the ring is no newcom-

er to the game. He is none other than Gary Collins. He took on John Mackey from Clonmel BC. Mackey was unable to handle Colin's onslaught and was knocked out near the end of the first round. Collins is showing a lot of improvement of late and he looks good for the U-21's in October. Incidentally Gary's girlfriend Ann Croty is taking part in the Miss Dungarvan Contest representing the Boxing Club. Everybody in the club wishes her the best of luck, also to the Soccer Club for hosting the event. It promises to be a great night out.

DUNGARVAN CREDIT UNION CYCLING CLUB Kelly's Pharmacy GP

On Sunday last April 8th, the Club held the first major event of its busy calendar. Despite the miserable weather conditions, the Kelly's Pharmacy GP attracted a record number of entries with a total of 132 riders signing on for the race. It was very encouraging to see such a large turnout and judging from the positive feedback after the race, this event looks set to grow even further and become one of the major one-day Spring races in Munster. Racing got underway at 1 p.m. with the U-12 and U-14's followed by Seniors, Juniors, Ladies, Vets. and finally the U-16's who completed one lap of the Senior Circuit.

The main race of the day had a total of 70 riders on the starting line and when the starting flag dropped, it was straight into the big ring with speeds of 30 mph plus out the Bog Road. The long drag between Geosh Inn and Mt. Stuart Church split

the race into several groups with a group of 8 riders going clear including Dungarvan man Thomas Hogan. By the last lap, the leading group was whittled down to three with the main bunch over four minutes behind. Full results as follows:

SENIOR 'A' — 1. Paddy Moriarty - Dublin Skip, 2. Ritchie Cahill - Banteer, 3. Daniel Lynch - Kanturk, 4. Martin O'Loughlin - Carrick Cidona, 5. Eddie O'Donoghue - Carrick Cidona, 6. Vincent Gleeson - West Clare.

SENIOR 'B' — 1. Thomas Hogan - Plancoet CC, 2. John Horgan - St. Finbarr's.

JUNIOR — 1. Brian O'Connor - Safari Duhallow, 2. Michael Concannon - Killorglin CC.

UNDER-16 — 1. Theo Hardwick - Killorglin CC, 2. Barry Woods - Killorglin CC, 3. Eoin Concannon - Killorglin CC.

UNDER-14 — 1. Eoin Whyte - Blackwater CC, 2. Jer

O'Sullivan - Killorglin CC, 3. Daniel Clifford - Killorglin CC.

UNDER-12 — 1. Gavin Pyke - Clonmel, 2. Kyle Corkery - Killorglin, 3. Geff O'Hanrahan - Clonmel. Eventhough we had no Dungarvan Credit Union cyclist on the podium, there was nevertheless some fine individual performances, most notably Henry Crowley and Justin Coonan who both finished in the top 15. This was a good result considering the high drop-out rate. It's interesting to note that Ritchie Cahill (Banteer CC) was also second in the Senior Race last year. Will it be a case of third time lucky for Ritchie in 2002?

Finally, the Club would like to thank the following who helped make the day's racing a success - Kelly's Pharmacy, Abbeyside (who very kindly sponsored the Race), Dungarvan Civil Defence, Local Gardaí, Motorbike Stewards (Cyril

Healy, John Kearns & John McGovern), West Waterford A.C., Dungarvan Soccer Club, Mario's Factors, Dwane Tool & Plant Hire and last but not means least, all the club members who turned out in force to help out with stewarding.

LADIES GROUP

Unfortunately, due to the atrocious weather conditions last Sunday morning, the first outing of this group was cancelled. It will however go ahead this coming Sunday April 15th at 11 a.m. from the Park Hotel, also on Tuesday evenings at 7 p.m. from the Park Hotel.

LEISURE SPIN TO FERMOY

On Saturday last a group of seven Dungarvan Credit Union cyclists made the trip to Fermoy. This was the first of the long Saturday leisure spins and by all accounts, a great cycle was had by all. Weather conditions were excellent and the snack break in Charlie Brown's hit the spot. In particularly good form at the moment is Eddie Moore. Eddie's week of training in the Canaries is definitely standing to him now!

There will be another long leisure spin this Saturday April 14th. Depart John Foley's at 9.30 a.m.

From then on, it will be every second Saturday for the long spin.

There will also be a leisure cycle on Easter Monday. Depart John Foley's at 9.30 a.m.

RÁS MUMHAN

Next weekend Dungarvan Credit Union Cycling Club will be represented in the very popular but demanding 4 Stage Rás Mumhan. Many cyclists regard this race, which is based in Killorglin, as a mini FBD Milk Rás. We wish our team all the best. Full report and results next week.

COMMITTEE MEETING

Next committee meeting on Tuesday April 17th at 8.30 p.m. in the Park Hotel.

WATERFORD HANDBALL NEWS

Patrick Hurney Wins Under 15 Munster 40 x 20 Title

A MIXED WEEKEND FOR OUR HANDBALLERS

On Sunday in Clooney, Co. Clare the Munster Juvenile Finals were played for all 20 finals, both boys and girls. Waterford's interests were in the 14 singles, 15 singles and 15 doubles.

First to do battle at 11 a.m. was Jason O'Brien. Recovering from the flu, Jason was not at his best and had to face a good Kerry player at the early hour. Tim Penderville of Kerry played great handball and made Jason work very hard for any score he got. At the early stage of the game it was 4 aces all, then the Kerry player began to serve great aces to pull away from Jason to 13-4. Jason tried hard and could only make another 3 aces. The Kerry player winning 15-7. The second game went the same way with Jason chasing the game losing 15-6.

The under 15 singles was a different matter altogether. From the word go, Patrick Hurney showed who was boss in this game. Playing another good Kerry player, he succeeded to make a few quick aces and took a 5 nil lead. It took the Kerry player some time to get used to the alley and with Patrick's game. It was touch and go up to 8 aces all and then we saw Patrick at his best. From here to the last ace he played great handball and putting the Kerry player under intense pressure, winning on the score 21-10.

As expected the Kerry lad played great handball in the second game. He ran rings around Patrick and left him wondering what to do. In the end Patrick had to accept defeat on the score 7-21. The tie breaker to 11 aces as expected was a cracker. Patrick took a lead of 5 to 1. The Kerry player levelled 5 aces all. Patrick took the lead 7 to 5, the Kerry player served two great aces to make it all level, and then went on to take the lead 8-7. Patrick got in to serve and made it all level again. Service changed a few more times and the score was now 9 all. Would Patrick hold his nerve? A great kill by Patrick gives him the lead. We were eating our nails at this stage, would Patrick do it? A great rally ensued, a long shot that hit the back wall that the Kerry player could not retrieve and Patrick was Munster Champion, 11-9.

Our final game was the 15 doubles, John Kindregan and Mark Fives were up against a very good Clare pair. They came into the alley like the Clare hurlers a few years ago, boiled up and rearing to go. Yet it was John and Mark who made a great go of it and played great handball all through to be in the lead 16-13. It was from here in that the Clare boys got going, with the big following they upped their game and won on the score 21-17.

We felt that we had left it behind us when we lost the first game and so it proved in the second game. After a good start in this game the Clare lads took over and won comfortable on the score 21-8.

Well done to Patrick and hard luck to Jason, John and Mark. There are better days ahead for these good players.

We will be looking forward to Patrick playing in the All-Ireland Semi-Final next Sunday at a Munster venue.

Our Under 21 pair Barry and Kenny gave a good account of themselves in the Munster Final before going down to the Cork pair on the score 13-21, 19-21.

On Thursday night next at the Mitchelstown venue, David McAndrew brings us another chance of winning another Munster title. He plays Paul Walsh of Mallow and Cork in the Munster B. Final. We wish both David and Patrick all the best.

WEST WATERFORD ATHLETICS

Ger Wyley Sports Summer Road Racing Series In Association With

Following a very active and enjoyable Winter and Spring of road running, local and visiting sporting enthusiasts will have plenty to look forward to shortly with the announcement of the details of the Ger Wyley Sports Summer Series in Dungarvan this week. The officers of the West Waterford Athletic Club have been busy lately arranging this ten event series which gives us so many runs to look forward to literally on our own doorstep. The success of the series last year, which saw entries increase by 25% has no doubt encouraged leading sportswear company Fila to sponsor the series again this year which will be their third year involved. West Waterford extends its sincere thanks to Aidan Walker for his continued support as the involvement of Fila certainly gives our series added importance and a recipe for continued success.

Summer races were introduced in 1993 and 1994 with the Marine Climb, Ras na Rinne and the Dromana '5' appearing on the racing calendar. These three races plus the Glenshelane '5' constituted the first Summer Series in 1995 as the club received a tremendous boost when Ger Wyley Sports sponsored the series, which they are now doing for the seventh year. Ger is also involved in the sponsorship of the Colligan Cup and overall he has and is giving much support to local athletics for which we are very grateful. James Veale's National marathon office and storeroom is also located in Ger's shop!

SOMETHING DIFFERENT

The attraction of the Summer Series varies from the tour of the different venues to the different types of races to the different underfoot terrain to the different "social centres". We meet old friends and rivals and hopefully will meet new ones as well. To look forward to we have hilly runs such as the Marine Climb, Ras na Rinne and Ballysaggart. Flat courses are provided by Waterford to

Tramore, Butlerstown, Touraneena, Glaxo SmithKline and the new Ardmore course while the Dromana '5' and Ballymac '5' are a mixture of both of the above. In addition there will be beach running and field running on the Cunnigar, wood running in Ballymac' and two lap running in Butlerstown.

A SERIES FOR EVERYBODY

Because the series is so well established one may get the impression that it caters mainly for serious and long time runners. This is not the case. Runners of all standards are catered for in the make up of the different races and of course the target is to finish all ten runs. A Fila T-Shirt will be presented to everyone who finished six of the ten races. The series also caters for serious runners with the ever present local star William Harty there to challenge anyone who has his sights set on winning any of the ten races. Walkers are very welcome to participate in any of the events and they will be catered for accordingly.

SERIES FORMAT

A runner's best six races will count in determining his/her's overall placing. If you finish 60th in a race you accumulate 60 points. If you finish 1st you score one point. Lowest points total wins. If you equal or better your previous finishing position in any race you receive a minus ten points bonus. This rewards the ever present runners.

There are three different categories in the series - under 40 men, over 40 men and ladies of all ages. The men's categories are under 40 and over 40 on Friday the 20th April which is the date of the first race. Each category will have a division one consisting of ten runners and following divisions of five runners each. A runner appears on the leaderboard when

they have completed six races. Prizes will be awarded to the top ten in division one and to the top three in each of the following divisions. Throughout the series there is movement between the divisions which no doubt will get the cute boys thinking it all out once again. The prizes this year for the series and for the Dromana '5' will be Fila Sportswear and not vouchers as in

previous years. Entry to the series is £5 while each race is also open to non series members.

Further details and enquiries on the series can be had from James Veale at (058) 42059 at Ger Wyley's Sports Shop. Give it a go!! The series starts with the Marine Climb on Friday week, April 20th in Dungarvan at 7 pm.

Ger Wyley Summer Series Over The Years

1995 — James Sullivan Wins

The 1995 series was dominated by the then Irish Senior International from the World Cross Country Championships, James Sullivan (Waterford A.C.). James won all the four races that made up the inaugural Ger Wyley series. He won the Marine Climb in 30.20 in an entry of 58, Ras Na Rinne in 31.41 and 44 ran, the Dromana '5' in 25.30 in a high entry of 97 and the Cats 5 miler in Melleray in 26.08 when 62 ran. Six different age groups were catered for in the series with the runners' total times deciding the category winners. All races had to be completed and from an entry of 46, 27 finished the four races. The overall winners were as follows; Under 30 James Sullivan (Waterford A.C.). Under 35 Alan Whyte (Ballymac). Under 40 Gerry Cantwell (West Waterford). Under 45 Tim Twomey (East Cork A.C.). Over 45 Frank Cashman (East Cork). Over 50 Tom Fitzgerald (West Waterford A.C.).

1997 James Sullivan Shines Again

Two long established races in the county, the Butlerstown 10k and the Waterford to Tramore run replaced the Clonea Beach run and the Glenshelane '5'. James Sullivan was back in top form and he was a clear winner of the series. It was a clean sweep for Waterford A.C. as Tom Burns won the over 40 category and Geraldine Guiry the ladies. In this year the ten points bonus was credited to any runner who equalled or bettered their finishing position from their previous event.

Race Details: Marine Climb; James Sullivan (32.00) (70 record entry). Butlerstown 10 k; James Sullivan (32.10) (75). Ras Na Rinne; James Sullivan (30.03 record). (72 record). 1998 Ten Races Introduced and William Harty - Peter Duggan Rivalry Commences

The Ger Wyley Summer Series moved up another gear in 1998 when ten races comprised the series with a runner's best six runs counting as will be the case in this year 2001. The William Harty - Peter Duggan rivalry commenced in '98 and it is ongoing as the Dungarvan Crystal and Dungarvan 10 k demonstrated this year. Both are good honest runners and they have and are giving us much entertainment on the local scene.

William won in 1998 from Peter with our then club chairman Liam Clinche third. Tom Burns won the over 40 from Michael Roche and Colin Lyons, Jackie Stamp (Kilmore, Wexford) won the ladies from Siobhan O'Reilly (Thomastown) and Pauline Clooney (Kilmore). The Kilmore girls have been great supporters of the series over the years. There were no divisional categories this year.

Event Winners; Marine Climb Peter Duggan (33.36) (66). Waterford to Tramore Pat Byrne Gowran 39.23 (70). Ras Na Rinne Peter Duggan (31.00) (78 record). Butlerstown 10 k William Harty (32.59) (85). Dromana '5' Pat Byrne (Gowran) 25.36 (90). Touraneena 5k William Harty (15.20) (71). Ballymac '5' Matt Flannely (27.17) 80. Ballysaggart 10k James Sullivan (32.13) 49. Youghal '4' William Harty (20.30) 95. Ardmore '5' Peter Duggan (26.30) (55).

The 1999 series produced a summer of super racing with five different runners winning individual races. These were James Sullivan, Peter Duggan, William Harty, Pat Heffernan and Martin McCarthy. When all the sums were added up, however it was William Harty who retained his title from Pat Heffernan and Peter Duggan. The divisional winners were Mark Jackman, Conor Murray and Darren Mason. Tom Burns won the over 40 category for the third year in a row with Leslie Smith second and Colin Lyons third. Wexford's Catherine Hennessy won the ladies category from the '98 winner Jackie Stamp with Eilis Ni hAodha third.

Six races attracted an entry of 100 runners or over - a new series best.

2001

All is in readiness for this year's series. One change from last year sees the Youghal '4' being replaced by the Glaxo SmithKline, Dungarvan '5' which is being organised by our own club member Michael Dwyer. Last year's inaugural run was an outstanding success with over 130 runners and walkers taking part. The Touraneena 5k moves from July to Bank Holiday Monday June 4th and this helps to give a nice interval between each of the events

RACE SPONSORS

West Waterford A.C. are very grateful to all our race sponsors whose support over the years have ensured that the series has lasted the test of time. A warm welcome is extended to our new sponsors, and a sincere thank you to our former sponsors East Cork Oil (Dromana '5') and the Irish Permanent Building Society (Touraneena 5k) who gave us support when we had no sponsors for these races.

Dungarvan Technical College Notes

BUSINESS LINKS PROGRAMME

As part of the IBEC "Business Links Programme", the school has recently established links with Herlihy's SuperValu. The programme is designed to set up connections between various businesses and schools within a particular area and to increase awareness among students of the services provided by those companies, as well as the career opportunities available.

The first stage of the programme involved a visit to the school by Mr. Tim Foley, the

store manager, who explained to students about the career opportunities in retail. This was of particular interest to pupils as many have been involved in running the school shop and had already taken on various roles, such as manager, accountant, retail assistant etc.

The next stage of the programme involved a company visit. Two groups were brought on a tour of the supermarket and went through the various steps in acquiring a product from suppliers to it being on the shelf and sold to customers. They were also made aware of the different jobs within each area from shop floor and store to the office. Ms. Colette Herlihy, the Human Resource Manager for the group also explained about the training programmes within the programme which consists of 4 shops in Cork and Waterford. Students and teachers were very impressed with the visit and were delighted to see many past pupils working in various sections of the store.

The final stage of the programme will take place in the near future when students will attend a mock interview for various positions with the company.

The school would like to extend its sincere thanks to

Mr. Foley and Ms Herlihy for their professionalism and courtesy and we look forward to working with them in the future.

CAREERS IN AGRICULTURE

Although the agriculture industry faces many challenges at the moment, many young people are still very interested in pursuing careers in this sector. As such, a group of

5th and 6th year students were delighted when Willie Henry, the educational officer for Teagasc, visited the school to offer advice and information on courses in Agriculture.

He informed students that training courses have undergone many changes in the

last year. A new two year third level course - the Certificate in Agriculture, is now offered jointly by Agricultural Colleges and Institutes of Technology and would be of interest

to those entering the commercial field. Meanwhile, young people with a view to farming would be ideally suited to the Certificate in Agriculture offered by the

Agricultural Colleges and accredited by the NCVA. Courses are also available in Horse-breeding, Training, Forestry and Horticulture. All agreed that the presentation was excellent as Mr. Henry not only clarified issues but also encouraged students to strive for their goals.

WATERFORD CITY & COUNTY RECEIVES OVER £500,000 UNDER URBAN & VILLAGE RENEWAL SCHEME 2001

Minister of State Martin Cullen TD has welcomed funding of £348,877 for Waterford City and £195,000 to county Waterford under the Urban and Village Renewal Scheme 2001.

I have been informed by the Minister for the Environment and Local Government that Waterford will receive funding totalling of over £500,000 under the Urban and Village Renewal

Scheme. Waterford will also benefit from funding of £632,539 which has been allocated to the South East region for the purpose of conservation, said Minister Cullen.

This funding will allow the Corporation and the County Council to continue improve the appearance of many of Waterford city as well as towns and villages of the county. This will be

achieved through street-scaping, paving, the provision of street furniture etc. said Minister Cullen.

I am now urging the County Council and the Corporation to submit their strategic plans for urban and village renewal for the year 2001 before the end of May so that the funds that have been provided can be drawn down, concluded Minister Cullen.

Ballyduff Notes

BALLYDUFF N.S. PARENTS ASSOCIATION

A meeting was held on Monday night April 9th. A number of items were discussed. Firstly congratulations were sent to all the children who were confirmed on Tuesday 3rd. It has been announced that Verena has decided not to run the playschool from next September. Verena has been running the playschool for many years now with great efficiency and total dedication and will be greatly missed.

The playschool is a very important part of getting ready for 'real school', and at the moment there is nobody to replace Verena, so we will be urging the Community Council to do all they can to keep this brilliant and very important facility open for the future stalwarts of Ballyduff. The First Holy Communion is on Saturday April 28th at 11 am.

It was decided to hold a Family Fun Walk on Sunday May 27th at 2 pm for all the families in the school. Meeting at the school, doing a 3 mile walk and refreshments will be served at the school afterwards. It promises to be an enjoyable afternoon for all the family.

Our AGM will be held in June prior to which will be a book sale where Parents can buy or sell books necessary for next September.

Next meeting Monday May 21st at 9 pm.
