# Cruel Body Blow To Dungarvan As GlaxoSmithKline Announce Job Cuts

## COMMUNITY IN SHOCK AS 104 JOBS LOST

### KEVIN KIRRANE

A dark cloud of gloom descended on Dungarvan with the announcement of the

loss of 104 jobs at the successful, drug and health care product factory, Stafford-Miller, on Thursday last.

The main casualty of the job losses will be those involved in the manufacture of toothpaste as a result of the phased transfer of its renowned Sensodine brand, to a plant in Maidenhead, England.

The giant, English owned, multi-national Glaxo-SmithKline, is currently seeking the voluntary redundancy of some of the

plants workers as it will have transferred the toothpaste operations completely by the summer of 2002.

The General Manager of Stafford-Miller Ireland, Mr. Peter Kirwan, said that the discontinuation of toothpaste manufacture is part of an overall plan for the factories future growth.

This will include the focus of the Stafford-Miller facili-

ty on the denture product, Poligrip, and the positioning of the plant as a denture care facility. This, it is hoped, will provide a platform for potential future growth.

The massive layoffs, come in the wake of SmithKline's acquisition of Stafford-Miller for £1.24 Billion in October, of last year. The company, then merged with the pharmaceutical giant Glaxo Wellcome late last year, forming GlaxoSmithKline, all of which, sparked worries over the future of the workforce at Stafford-Miller.

Fears were heightened when the multi-national re-

fused union involvement in the negotiations on the future of Stafford-Miller. But, even despite these concerns the size of the cuts came as a shock to the workforce.

Accusations have quickly followed that GlaxoSmithKline is involved in asset stripping Stafford-Miller by taking its most valuable product, Sensodine, and transferring it to its English plant.

This, in turn, has put in doubt the future of Stafford-Miller's viability, although, in a bid to assure the future of the remaining employees, the

## Dungarvan Landfill To Close?

### KEVIN KIRRANE

Waterford County Council have revealed that dumping at Dungarvan landfill may

have to stop from the 11th of July this year. This follows a draft licence received by the Council from the Environmental Protection Agency.

The proposed licence states that waste other than items used for the landscaping and restoration of the landfill will be prohibited from July. The items which the licence permits to be taken into the landfill are clay, topsoil and rubble. These materials will be allowed to be used for a period of two years. However the licence states that the dumping of any other form of waste will be prohibited.

Should the proposal to close Dungarvan landfill get the final go-ahead there

## Proposal To Erect Statue To Mark The Birthplace Of St. Cathaldus

It was proposed by Cllr. Tom Higgins that following the great welcome the councillors received when they visited Taranto in Italy that a statue to commemorate St. Cathaldus in either Dungarvan or Ballinameela be erected.

The councillor said that he had never realised how popular and venerated the Saint is in Southern Italy until the visit. He said by placing a statue in West Waterford the links between the area and Taranto would increase.

He also suggested that a statue of some magnitude would draw more Italian tourists into the area.

Cllr. James Tobin supported the idea of a statue but said the decision of where it would be placed should be decided by a sub-committee involving people from Ballinameela, Dungarvan and council officials. He stated

that "this is not something we can pass over lightly."

Cllr. Deasy was concerned by a report he received from a resident in Canty that the access road to St. Cathaldus's birthplace is in a bad condition and asked was there anything that could be done to clean it.

Cllr. Billy Kyne suggested that links should be formed between schools in the Waterford area and the Taranto area to further cement their relationship.

In reply the County Manager Donal Connolly said that the Council will be looking at the matter of erecting a statue and also look at the access road in Canty.

He said the council did do an amount of work on the road prior to visit by the Taranto delegation but he accepted that it may have become dirty once again.

# "Discriminatory" Scheme Claimed To Be Driving People From Rural Areas

The Local Improvement Scheme, which provides grant assistance for the improvement of small roads in rural areas, was deemed discriminatory, unfair and part of an ongoing drive to force people from rural areas by Fine Gael Councillor Mary Green.

These sentiments came after the terms of the Scheme, which is funded to the tune of £120,000 by the Department of the Environment, were revealed at the June meeting of the Waterford County Council.

This funding will involve 10-25% payment by the applicant with the Department of Environment footing the rest of the costs involved in the road improvements.

However it was the conditions which the Department of Environment laid down this year that was a source of contention. Previously all that was necessary was that two holdings be situated on the road in question but now it is stipulated that these holdings must both be farm units.

In response to these terms Cllr. Greene went so far as to say that the Department of Environment are "going out of their way to make people ineligible to qualify for the scheme".

The size of the allocation was also called into question with only a small percentage of applications being afforded grant aid though the majority of these applications met all the terms necessary. It was claimed by Cllr. Greene that at least £600,000 was required to properly implement the Local Improvement Scheme.

In one of the strongest criticisms of the meeting Cappoquin Councillor Nora Flynn claimed that there is "a move to keep people from living in rural Ireland as the Government want to cut down on services to rural communi-

## KEVIN KIRRANE

ties".

The councillor asked every County Councillor to "get up and fight the movement towards urban centres".

She said that the Council should put a motion to the Government to prevent this discrimination.

Cllr. Betty Twomey agreed with the earlier statements from her fellow councillors. She described the situation where groups of isolated houses were serviced by roads which are in "an awful state."

"Some of these dwellers are willing to contribute to the upkeep of the roads but they are not eligible for the Department of the Environment grants", the councillor said. She believes that the Scheme should be available to all in these situations.

Cllr. Tom Higgins said he was surprised that the Scheme did not cater for lone farmers and also felt the scheme to be discriminatory.

"If you want to keep people living on these roads," the councillor said "I don't see why you have to stipulate that two or more land owners have to live there".

Cllr. Higgins asked was there anything that could be done to improve the scheme as he was aware of some "horror cases."

Cllr. Ciarán O Riain also urged that the Local Improvement Scheme be changed completely. The long serving councillor said he had been listening to the same complaints about the lack of funding

down through the years but nothing had been done.

Cllr. O Riain said the Council must take a stand and ask the Department of the Environment to change the present system.

However Cllr. Tom Cunningham said that the allocation given to the Local Improvement Scheme was up from £80,000 last year which he described as a significant increase in funding.

The Kilmacthomas representative said that the councillors should thank the Government for the increased allocation.

In response the County Engineer said that the rules for those that were eligible for the improvement of their roads were tightened up this year. He said he did not know why they were changed but Waterford County Council would appeal to the Department of the Environment.

The County Manager Donal Connolly said that the Council would make a case to the Department for extra money. He said it was always intended that the scheme would cater for two or more land owners living on a road so private avenues wouldn't get funding.

However he said that there is room to improve the scheme and make it open to house owners as well as land owners.

Despite the criticisms levelled against it, the scheme was adopted by the Council, having been proposed by Cllr. Paudie Coffey and seconded by Cllr. Patrick Leahy.

## COMMUNICATIONS

There are many different ways of communicating in the modern world. People within speaking distance use words and gestures. But what about telecommunications — getting a message to someone far away? In the past, flags and smoke signals were used to pass information over large distances.

Today we can use the telephone. It is an instant way to communicate, and has a microphone that converts sound into electrical signals.

Television and radio are other ways to communicate. Television, radio and telephone signals pass along metal wires of fibre-optic cables.

Printing — in books, magazines, newspapers and letters — is another way of communicating. Today, the written word can be sent instantly across the world from computer to computer. The internet is a vast, world-wide network that allows people on opposite sides of the globe to exchange information between their computers.

Information — words, sounds and pictures — must be digitised before it can be stored, transmitted or received by computer. In the near future, most communication will be digital, allowing even easier exchange of information.

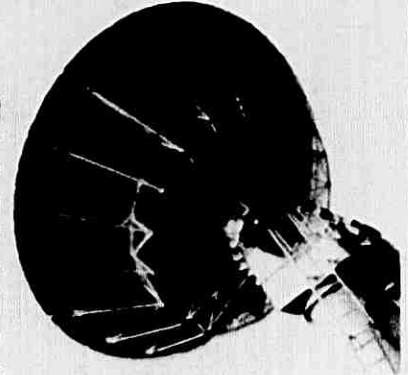

**Alexander Graham Bell**

(1847 - 1922)

In March 1876, Scottish inventor Alexander Graham Bell sent the world's first telephone message to his assistant, Thomas Watson: 'Mr. Watson, come here, I want you!' Bell was calling for help to Watson in the next room at his workshops in Boston, Mass., U.S.A.

Other researchers including Thomas Edison were trying to develop the telephone, and had some success. However, Bell became famous because he was the first to apply for a patent (a document that claims an invention as yours).

## Bouncing Back From Space

Satellites have revolutionised the way we communicate. They circle the earth far above the ground, and pass signals from one place to another that may be on the opposite side of the world.

Satellites are covered with solar cells, which convert sunlight to electric current. This is used to power all the equipment in the satellite.

Satellites are used for many different purposes. Comsats (communication satellites) allow us to make telephone calls to people far away, or see television pictures made in other countries.

The signals from the ground are sent up to a satellite and bounced back down to earth to receiving 'dishes.' These collect the signals, and pass them to your telephone or television set. Other satellites send information down to earth, about weather, about other countries and about space itself.

# COOKERY CORNER

## Delicious Pork Loin With Sauce Diane

THIS dish is a variation on the steak version – just as tasty and much cheaper!

**Ingredients:**

(Serves 6)  
6 pork medallions from loin, each about 150g  
6 x 5ml sp seasoned flour  
1 x 15ml sp oil  
15g butter  
200ml orange juice  
1 x 5ml sp dry mustard  
2 x 15ml sp Worcester shire sauce  
1 clove garlic, crushed  
1 orange, peeled and sliced  
2 x 15ml sp chopped parsley to garnish

**Method:**

CUT the outside edge of each medallion to prevent curling, then secure into a round shape with a skew-

er. Dust each medallion with the seasoned flour. Heat the oil and butter in heavy frying pan and cook the medallions until brown on both sides.

Remove from the pan and keep warm under the grill.

#### Citronella and Lemongrass

The essential oils of citronella and lemongrass are very useful insect repellents. They can be used safely in the home, especially in the kitchen, or outdoors in a confined area, tent etc.

Simply clean a spray bottle thoroughly, add 10-12 drops of lemongrass / citronella to a pint of water, shake well and you have an eco-friendly insect repellent which smells pleasantly of lemons. Or use the mixture in an oil burner to keep flies away.

Citronella and Lemongrass are available at:

# Dungarvan Bids To Become Host Town For 2003 Special Olympics

A briefing session, with the purpose of heightening awareness about Dungarvan's bid to become a host town for the athletes of the Special Olympics, was held in the Bank of Ireland on Tuesday last.

### KEVIN KIRRAANE

The 11th Special Olympics World summer Games will be held in Ireland in June 2003 and will be the first time this major event will be held outside the United States. The Games, which will be the largest sporting occasion of 2003, will feature 7,000 athletes and 2,000 members of the media. Towns from all over the country have been invited to apply to host some of the athletes.

The Host Town Programme is one of the most important elements of the Games, as communities from around the island invite our international visitors to avail of good old-fashioned hospitality.

Should Dungarvan's application succeed, this would almost certainly give it a chance to show its facilities and the character of its people to a world-wide audience, as well as becoming an inte-

gral part of the Special Olympics itself.

In the Host Town a number of activities will take place that will ensure the athletes and the community benefit from an international exchange. As part of this integration it is planned that the athletes will meet with communities and experience the towns hospitality.

They will also be given an opportunity to practice their sports prior to the start of the official competition. The arrival of the athletes will also help to promote public awareness about people with a learning disability.

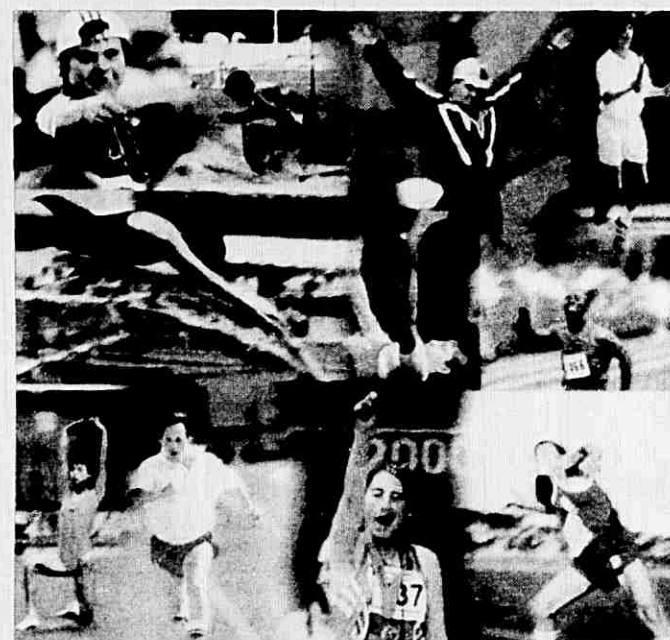

A number of requirements have also been set out which the town must comply with to become a host town. Included in these are its capacity to accommodate the athletes, language assistance, a police presence, medical facilities, and a

centre which would cater for the athletes requirements.

Mr. Jack Stephenson of the Bank of Ireland, stated that Dungarvan has the majority of these facilities in place already and with Carriglea Centre in close proximity to the town, it may have a significant advantage over other such applicants.

The town also has a number of sporting facilities with St. Augustians College already renowned nationally in this regard. Accommodation, particularly for small to medium size countries, should also pose little or no difficulties with the participation rates from countries ranging from 6 to 650.

A committee charged with overseeing Dungarvan's application for host town status was also set up on the night. This committee will comprise of Dungarvan Urban Councillors Damien

# Successful Launch Of Pilot Pottery Project At Cappoquin Boys' School

An exhibition of Pottery in the Boys' School on Thursday June 14th marked the end of a very successful six-week Pilot Pottery project conducted by Cora Cummins, Potter, Cappoquin and funded by The Arts Office of Waterford Co Council.

Speaking at the opening of the Exhibition, Margaret Fleming, Arts Officer, Waterford Co Council paid tribute to School Principal Ms Anne Devine who had approached her with the idea. Subsequently the Arts Office had agreed to fund the scheme. As this was the first time the Council had financed a Pottery Course in a Primary School in the county, Margaret was especially interested in the outcome and in the possibility of the Council funding more such projects. Margaret said she was amazed at what had been achieved by the boys in such a short time and was most impressed by the range of pottery produced. "The smoke firing was" she said "something which had particularly appealed to her". The fact that the boys had drawn on their own experiences for inspiration was also something that had impressed her.

Overall Margaret was very pleased with the pilot project and would look forward to a positive evaluation by the Arts Office. The boys in the senior classes were the mainstays of the project and the exhibition. A number of the group filled us in on the techniques they had learned over the six weeks. They also recounted how much they had enjoyed the experience. Cora then thanked the School and the Arts Office of Waterford Co Council for allowing her the opportunity to work on this pilot project and thanked the boys for their enthusiasm and commitment. A presentation was then made to Cora from the boys.

Marian Looby on behalf of the Parents thanked all concerned for making the project possible. As a parent she said it was nice to see artistic flair promoted and she hoped other schools might benefit from the good work of Cappoquin Boys.

Mrs Devine thanked all the boys, the Arts Officer, Cora and the staff of Cappoquin Boys'

School for their contribution to this successful project. She also thanked the Parents for coming along to the exhibition and invited them to browse while senior class boys would be on hand to answer queries. Light refreshments were provided for all. Thanks to Mari-

an, Celine and Eileen for doing the needful - the freshly baked bracks were a real treat!!

## BLACKWATER HOUSE GOLF SOCIETY NOTES

### MICHAEL LANDERS WINS CAPTAIN'S PRIZE

After two days of some brilliant golf in Thurles and Cahir Golf clubs respectively, Michael Landers won Society Captain Mr. Charlie Barry's Prize. Thurles seemed to sort the men from the boys with Tommy Pratt, Michael Landers, Tony O'Donnell and Eric Fraher clear of the field. Tommy was three shots ahead of Michael and five shots up on Tony and Eric. The overnight stay in Kilkenny with some dodgy dancing, singing and loads of sleep to rest the 'mind' did nothing to affect the golf scoring.

In Cahir Golf Club it was Tommy Pratt and Michael Landers who continued to top the leaderboard. They were level playing the 15th hole with Michael holding out to win by the narrowest of margins.

Our captain Mr. Charlie Barry praised all the prize winners. He thanked the society members who played. Lastly he especially thanked Eamon Costin and Pat Landers for all the organisation that went in to a great weekend. Michael Landers in his acceptance speech thanked all in the society for the way he was made feel welcome. He praised Tommy Pratt whom Michael played both days with and had a great golf battle right to the end.

The full list of prize winners were as follows: 1st Michael Landers, 2nd Tommy Pratt. Category 1 Ned Heffernan, Category 2 John McGrath, Category 3 Tony O'Donnell. Visitor's Prize - Tom Fives.

The society would like to thank both Thurles and Cahir Golf Clubs for all their help. Our next outing will be to Mitchelstown Golf Club in July.

Due to the recent Foot and Mouth crisis, the annual Dungarvan Agricultural Show has been cancelled for this year so that the County will have a Sports Day on Sunday 22nd July with a venue to be decided on at a later date incorporating it's annual efficiency finals including club of the year.

# Tragedy Strikes Local Girl In Brazil

News of the death of popular local girl, Julie Curran, 26, has shocked and saddened the entire community in Dungarvan and surrounding areas following the discovery of her body in Brazil.

Julie was celebrating her recent qualification as a pharmacist by taking a two month holiday in South America. Her last stop, before she was to return home, took her to one of the world's most acclaimed beauty spots, Ilha Grande, the Great Island, some 70 miles south of Rio, where the tragedy was ultimately to occur.

It is understood that Julie was not robbed of her money though other items including a walkman, a camera and her

passport were taken.

Following the discovery of Julie's body by tourists, her remains were taken to Angra Dos Reis hospital where an autopsy was carried out. The Brazilian authorities are now involved in a full scale murder investigation and a man is understood to have been taken in for questioning. The man at the centre of the investigation is a 23 year old Brazilian who worked as a tour guide. The guide has confessed to the murder.

There is still no official word as to when Julie's body will be flown home. That decision will be taken by the Brazilian police. Two of Julie's brothers Michael and John have flown out to Brazil

from Ireland and America respectively.

Julie, herself, was educated at the local Mercy Convent and was regarded as a brilliant and exceptionally gifted student. She pursued pharmacy as a profession and qualified for one of the most prestigious academic courses in Ireland, at Trinity College Dublin. Julie easily coped with each exam on her way to qualification to her chosen field.

She was due home last Thursday and was to have started work on Monday of this week, at Kelly's Pharmacy owned by her aunt, Mairead Kelly, the Causeway, Abbeyside.

Julie, a daughter of Jack and Mary Curran, Kilrush,

Dungarvan, was one of a family of six, three boys and three girls. She was the second eldest of the girls, her sister Karina being the eldest and Mary Claire the youngest. She is also survived by brothers Michael, John and David.

The Curran family is well-known throughout Co. Waterford and beyond through their successful hardware and furniture business which was set up by the late Michael Curran. Two of Julie's uncles, Fr. Jim Curran and Fr. Michael Curran, are parish priests in the diocese of Waterford and Lismore.

We extend our sympathies to Jack, Mary and family at this most tragic time.

Tina Manahan, daughter of Patrick and Kathleen Manahan, Shanbally, Cappoquin and Pat Corcoran, son of Michael and Margaret Corcoran, Ballingarry, Co. Tipperary who were married in Cappoquin Church. Fr. Power officiated and the reception was held in the Park Hotel, Dungarvan. —(Photo: Sean Byrne).

## BALLYDUFF NOTES

### BALLYDUFF COMMUNITY COUNCIL NOTES

June monthly meeting of Ballyduff Community Council took place on Tuesday 12th with a very good attendance present. Following protracted discussions between the Finance committee and representatives of the larger organisations in the community, we are glad to report that the matter of charges for the use of St. Michael's Hall has been resolved to the satisfaction of all. The two larger groups using the facility, the local Comhaltas Branch and the Drama Club will pay an annual lump sum while all other organisations will have use of the Hall for a reasonable set charge.

The festival committee are working on this year's agenda and intend making many changes to our annual celebration by introducing new ideas and events. All suggestions in relation to the festival are welcome by contacting Seamus Daly.

The Tidy Towns committee have purchased a Community Notice Board which will be erected during the summer with the help of the area County Council.

It is hoped to locate a recycling centre in the village area and several sites are currently being looked at. Under EU regulations all communities will need such a centre, therefore it is important that we all become aware of recycling of glass, paper and other items which up to now we have been simply throwing away.

Community census forms for the purpose of generating a local information leaflet have now begun to be returned to our development

committee. Much information is being gathered about all areas such as Historical sites, walking areas etc. If anyone has any information they would like to share just contact any council member.

Votes of sympathy were passed to relatives of the following people who passed away recently, Sheila Cuffe, The Paddocks; Tim Keane Araglen; Frances O'Keefe formerly of Castlelyons (mother of Ann Flynn)

### BALLYDUFF BENEFIT NIGHT AT YOUGHAL DOG TRACK

All patrons of St. Michael's Hall will be aware of the sorry state of the Tables and chairs in the Hall. Since their purchase in the early eighties, these chairs have seen a lot of use and are now badly in the need of repair. It is the next goal of the community council to replace the tables and re-seat and cover the chairs in conjunction with Fas. This will compliment the elegant tiered seating already in the Hall. However everything costs money, therefore funds will need to be raised for this necessary undertaking.

For the purpose of fundraising we will host a benefit night at Youghal Dog Track on Friday July 6th and we encourage everyone in the community to support this enjoyable night out. If you are in generous mood you may fully sponsor or joint sponsor a race and receive advertising in the race programme. All main sponsors from our last race night in 1999 have been contacted by the committee and it is hoped they will support us again. Alternatively for a mere ten pounds you may also nominate a dog for which you will

receive a prize should your selection be lucky on the night. Entry tickets to the track are also on sale locally at a reduced price of two pounds fifty, and these will be entered in a draw on the night for one hundred pounds and a voucher.

In previous years many locals have travelled to Youghal and enjoyed the night out and we hope this year will be even better, so come along, you might even make a few bob on the night.

### BALLYDUFF SEA ANGLING CLUB

Maura Lindsay's Sea Angling Club had their first outing of the season on a sunny and pleasant June Bank Holiday. Ten anglers set off in jovial mood and after light refreshments in Mooney's Bar, boarded the trawler Sue-Ann at Helvick Head. Our skipper Maurice from Dungarvan took us on a route past Mine Head to well stocked fishing grounds four miles off Ardmore.

All availed of the facilities on board such as they were and light lunch and refreshments were enjoyed off Ram Head.

Everyone on board had success and we reeled in numerous Mackerel, Pollock, Cod

and Whiting. Some tried for the elusive conger eel but had no luck.

Heaviest catch of the day went to Kieran Fenton who wrestled in an eight pound Cod.

All of the day's bounty, over one hundred and fifty fish, were filleted on the return trip to Helvick and thereafter a good meal and entertainment was enjoyed in the Marine Bar, after which Kieran Fenton who organised the day out was deemed a Naturalised Ballyduff Man, and Sean Higgins our driver was elected Honorary President of the Angling club.

On our return to Lindsay's Bar Olive and Bridie served up fried mackerel with French bread and further light refreshments.

### PARENTS' ASSOCIATION

The annual general meeting of the Ballyduff N.S. Parents' Association will be held in the school on tonight, Wednesday, June 20. A large crowd is expected on the night as prior to this, at 8 p.m., the school book sale will be held. This was a great success last year and is an ideal opportunity for parents to buy or sell books necessary for September.

## HAPPY HOLIDAYS

Happy holidays to sisters Pauline Bourke and Susan Murphy and their families presently on holiday in the sun. Hope you have a very enjoyable break.

## SYMPATHY

Our deepest sympathy is extended to the O'Sullivan family, Domonic Collins Place, Youghal on the death of their mum Rena O'Sullivan during the past week.

Rena was well known through her work at the Cleaners in Youghal. A most helpful and friendly lady, all who knew her were deeply saddened to hear of her death.

Her funeral took place in Youghal last week. May she rest in peace.

## FOOTBALL CAMP

A three-day Football Camp takes place in the Clashmore GAA Pitch on June 28th, 29th and 30th from 10.00 a.m. to 2.30 p.m. The camp is open to boys and girls aged 6 to 14 and the camp is being organised by the Clashmore Ladies GAA Club. All are welcome. Further details from Mary O'Keefe (024) 96164.

## THE LATE MICHAEL CUNNINGHAM

With deep regret we record the death of former Clashmore man Michael Cunningham, Tallow and formerly of Ballycurrane, Clashmore.

His remains were removed to Clashmore Church on Thurs-

day evening. Following funeral Mass celebrated on Friday afternoon, his remains were interred in the adjoining cemetery. The large attendance at the removal and burial were a fitting testimony to the popularity of Michael and his family in Tallow, Clashmore and the surrounding area.

A most unassuming gentleman and a renowned sportsman in his day. People of his era still speak of his skill and determination on the football pitch. He was a member of many winning teams. An excellent farmer, Michael had a great love for the horse. He had a great eye for an animal and throughout his life was called upon to give advice on many farming issues.

A wonderful neighbour and friend, Michael will be greatly missed by all who had the great pleasure of knowing him.

## RECYCLING DISAPPOINTMENT

In the same week as the Nice Treaty Referendum, Noel Dempsey, Minister for the Environment, sought a derogation from EU proposals to extend recycling, so as to allow Ireland to delay its introduction. It seems we don't have the infrastructure. The chicken and the egg come to mind.

## HOT HOLIDAY NEWS

A big welcome back to the Bagley family who have been holidaying in Crete.

## GARDENING TIPS

Potato crops now need to be protected against blight following the recent heavy rain. To keep potato blight under control crops need repeat spraying at fortnightly intervals from now on.

Spring flowering bulbs can now be lifted and split for replanting later this year. Loosen the soil with a fork and dig the bulbs out carefully. Clean off loose soil, remove diseased or damaged bulbs and allow the bulbs to dry. Once the bulbs are dry, store them in a cool, dark and dry place for next season.

Cut out any flower heads which develop in rhubarb plants. This prevents the plant setting seed which will weaken the plant.

## WORDS OF WISDOM

## Dungarvan Leader Gardening

# Features liven up your garden

FROM the comfort of your sofa you have seen all the wonderful gardening programmes on TV enticing you to spend your hard earned at the local garden centre.

With a touch of decking here, a splash of paint there and a cherub in the corner - hey presto - the garden of your dreams! But how do you start giving a new lease of life to your garden? Those TV presenters do make it look easy on the box - spending thousands on design as well as plants and garden "features". And employing a cast of thousands to put them in. It has to be said, some concrete features are more attractive than others. But revamping your garden is easier said than done if you aren't an experienced gardener. You do need to plan your ideas carefully.

You don't need to employ an expensive designer. But you do need to measure your garden and convert the size to fit onto a sheet of A4 paper.

Really think hard about what you want and the most suitable place for putting it - a patio, a barbecue, a pond or just a simple statue draw the eyes to

them. So it is vital to get them situated in the right place.

A patio is best placed where it catches the evening sun, for those summer barbecues - and it needs the barbecue close to hand if it is a brick built one, or stored in a nearby shed if it is a moveable feastmaker.

Make sure a pond doesn't get sunlight all day or algae will be a problem.

A statue can peek out from a secluded spot - or loom large if it is to be a bold centrepiece.

Other features that are a simple and easy way to enhance the look of your garden and are relatively easy to maintain include:

timber arches, walls, timber or wrought iron seats and benches and water-features.

These are all becoming more popular all over the country and are widely available at not only garden centres but at DIY outlets and in department stores.

Whichever you choose, they give added focal points to the

garden. If you don't want to try anything too permanent.

Test out the theory by buying a set of table and chairs which you can collapse and put away during the winter.

But where will you put them -

that brings us back to the traditional garden shed - except it doesn't have to look like a box.

It can be any shape you like and have a combined function too - it can double-up as a summer house or a even play-house for the kids.

### Features to plan into your garden

■ **Patios:** Think about building a patio at the back of your house - it is an ideal place to relax with family and friends on those long summer evenings.

If the patio is raised this can give added dimension to your garden. The careful selection of the right type of brick or paving stone can make all the difference to the look you want to achieve.

There is a patio to suit every garden, from crazy paving to geometrically designed patterns of red brick, and of course, there is the very popular choice of decking - so make sure that it blends in with your home and surroundings. And if you want to make it a place to sit in the sun, make sure you know what time of day the sun hits your potential patio spot, and whether it will suit your needs.

■ **Barbecues:** A popular garden feature is a solid brick barbecue - perfect for entertaining during the warmer months of the year. Make sure that it is in a good position before you fix it in place.

■ **Paths:** Make your garden a little more exciting with a path. Be as creative as you dare, using a combination of colours and types of brick, block or paving stone, thinking all the time about blending in with the surroundings. You could be daring and have a twisting winding path which circles your garden, or a opt for the more formal look with a straight path.

■ **Borders:** Build up your borders. Raised beds will give your garden more depth and make it easier for you to look after your plants.

# CUNNIGAR CLEAN UP

## A Great Family Experience

A clean up of the Cunnigar beach is scheduled by an Coiste Maisithe na Rinne division of Comhairle Pobail na Rinne in conjunction with Waterford County Council for Saturday 23rd June at 11 am.

The event promises to be a pleasant and rewarding family activity with the community at large taking part -- people who use the Cunnigar for recreation, ornithologists, agricultural and maricultural farmers all involved in the massive clean up of this section of Dungarvan Bay.

The Cunnigar situated in the Ring Gaeltacht, is a unique area of natural beauty. This undisturbed habitat is a very precious resource. Home to some unique species of flora, fauna it is of important ornithological sig-

nificance because of its diverse bird life.

This clean up is being organised as an Environmental Action Project. The Cunnigar is one of our favourite beauty spots in County Waterford and we appeal to anyone interested to come along and participate in the event as part of National Spring Clean 2001.

National Spring Clean is Ireland's biggest anti-litter campaign, encouraging groups from all walks of life to take pride in their local environment. National Spring Clean encourages people to take action against litter. The campaign will run throughout the month of June. Help us combat the litter problem and spread the anti-litter message in Water-

ford. Be the solution, not part of the problem.

The Co. Council will provide gloves, pickers and plastic bags, and everybody is invited to turn up and become involved in this great family and community effort starting at the Cunnigar Car Park.

A clean up of Báile na nGall beach is scheduled for the following Saturday, June 30th at 2:30 pm, and the same invitation is extended to everyone.

tachán mór a dhéanamh ar thráigh na Coise (An Coinigéar) ar an Satharn 23 Meitheamh ag tosnú ar a 11.30 r.n.

Níl amhras ar bith ach gur ócáid an-bhreá í seo do gach teaghlach agus do phobal uile na háite, ina measc daoine a bhaineann leas as an gCois chun fóillíochta, fairirí éan, feirmeoirí éisc agus talmhaíochta - beid ar fad páirteach san olltogra glantacháin sa chuid seo de Chuan Dhúingarbháin.

Áit uathúil ar áilleacht isea an Chois atá suite i nGaeltacht na Rinne. Acmhainn an-luachmhar í an ghnáthóg fhiáin seo. Is inti a mhaireann roinnt spéiseas neamhchoitianta fásra agus ainmhíocha agus tá tábhacht ar leith éaneolaíochta ag baint léi toisc a maireann d'éin neamhchoitianta inti.

## New Lobby Group Formed In Ring/ Old Parish Gaeltacht

A new community group has been formed in the Ring/Old Parish area called Gaeltacht i mBaol (Gaeltacht in Danger). It has come about in response to the planned proposal by Waterford County Council to allow up to five housing estates to be built in Ring and the 'funneling' of people into a small town type development in Old Parish. These developments are ominous and will undoubtedly spell the end of the Gaeltacht status of this area.

It is the intention of Gaeltacht i mBaol to remind Waterford County Council that it has obligations under the Planning Act 2000 to care for to plan the Gaeltacht in a way which will ensure its survival. The County Council receives, on an ongoing basis, huge sums of money from the Department of Arts, Heritage, Culture, Gaeltacht & the Islands, from Udaras na Gaeltachta and other such bodies towards the development of the Gaeltacht. According to the group it would appear that the County Council are willing to jeopardise this assistance by taking decisions that will prove hugely harmful to the Gaeltacht.

There are at the moment a number of thriving industries in the Ring/Old Parish area, all of which are heavily funded by Udaras na Gaeltachta. People living in the Gaeltacht get assistance towards buying boats, equipment for small businesses, grants for using Irish as their family language, not to mention the numerous community initiatives which are supported because of its Gaeltacht status. Much of its tourism industry is based on the Irish language.

The minister Síle de Valera TD has ordered a review of all the Gaeltacht areas and this is currently in progress. If Waterford County Council continues to press ahead with its destructive policy in the smallest of all Gaeltachtaí which is under its care, responsibility will lie with them alone for its death, according to the group.

## Dungarvan Technical College Annual Awards Ceremony

Students from Dungarvan Technical College on the presentation of awards for their contribution and success in academic and extra-curricular activities. Back row (l. to r.) Mr. Pat Buckley (Principal), Mr. E. Foley, Mrs. K. French, Mrs. N. Perks (Parents Council), Mrs. Moira Dunford (Vice-Principal); front: T. J. Crotty (3rd Year), Mary C. Wall (1st Year), John Ducey (2nd Year), John Fenton (5th Year), David Wall (2nd Year).

On Friday 18th May, the Dungarvan Technical College held its Annual Awards Ceremony at the Park Hotel, an event which was preceded by the traditional awards Mass at St. Joseph's. As with each year, the Mass set the tone for what proved to be a very memorable and enjoyable evening for the school. The choir led by Moira Dunford were in excellent voice and the musical accompaniment was provided by past and present pupils. The offertory procession symbolised the achievements of the past year while the readings encouraged the students to build on their strengths and look forward to the future with confidence. Many thanks to Mary Slater, Kathleen Condon, Paddy Tutty, Mary Rose Richardson and Helen Hogan for their invaluable assistance in making the Mass such a success. A spe-

cial word of thanks to our chaplain, Fr. Tim O'Riordan for his thought provoking and uplifting homily.

In his speech, Principal Pat Buckley reflected on the achievements of the last year and looked forward to the future of the college. He paid tribute to acting CEO, Sean Ahearne for his tremendous work in advancing the building of the new college. Subsequent to the Awards night, the official go-ahead for the new school was received and building is due to commence this summer. Mr. Buckley added that this development heralds a great step forward for vocational education in West Waterford.

The principal also thanked the Chairperson of the V.E.C., Ms Mary Green and other members for their continuing co-operation. He made a special point of expressing his gratitude to the school's Parent's Council

whose tremendous fundraising activities have resulted in the modernisation of the woodwork room as well as three rooms dedicated to computers.

Finally, Mr. Buckley thanked both teachers and students for their hard work and co-operation throughout the academic year. He noted that the Post-Leaving Certificate sector had made great advances in enabling students to access further education and employment. With that in mind, he mentioned the important role which work experience plays in these courses and expressed his gratitude to local employers who have consistently facilitated students over the years. He also pointed out how the availability of student grants has levelled the educational playing field by giving students the financial assistance to attend the courses of their choice.

## Win Tickets to BAGATELLE

One of Ireland's Supergroups  
 23 Years A-Rockin!

There are not many bands nowadays who can boast about still being together 23 years after they formed and still three of the four original members present — namely Liam Reilly, John O'Brien and Ken Doyle.

It has been a hectic and sometimes a strange journey for these men during all those years in the music business. Each of them in their own right have embarked on hugely successful projects of recording and producing, etc., but there is always such a demand for Bagatelle that it seems impossible for them to spend very much time on solo ventures. One of the main reasons for this huge popularity on the Irish circuit worldwide and with their heavy overseas touring commitments, there is only a short time during each year for the band to appear in their native Ireland.

In the last few years Bagatelle have released two albums and two singles. "Bagatelle Gold - Special Edition" was released in conjunction with the band's 20th Anniversary tour and the most recent album "The Irish Connection" has been a venture that has delighted the Irish living abroad as it is a wonderful collaboration of songs, each with the 'emigrant' theme in mind. This album is sure to become a collectors item in years to come because it is only available by mail order and at their overseas shows. Some people on hearing the album have been surprised to realise that some of the songs (which are easily recognisable as they have been recorded and released worldwide by various artistes) were actually penned by Bagatelle's own Liam Reilly. Songs such as 'Flight of Earls,' 'Boston Rose,' 'Streets of New York,' 'Going Back to Ireland,' etc.

Bagatelle's popularity and their own very particular style of music continues to reach across the generations as they travel into the new Millennium... long may it do so!

# Tallow Rejoiced In Relics Of Therese

**Last weekend, the Sacred Relics of St. Therese visited the Carmelite Monastery in Tallow amid great joy and rejoicing. The people of the West Waterford town had pulled out all the stops and in company with the County Council, had the streets and environs looking resplendant and fit for any visiting dignitary.**

The Monastery was appropriately decorated with flags, bunting and rosettes and the gates were tastefully decorated with the name of the Saint in fresh flowers. There were fresh roses everywhere to welcome the modern day saint who is also known as The Little Flower. These arrangements had been made by the combined efforts of the Flower Clubs of West Waterford.

The predicted tens of thousands of people arrived through the course of the forty six hours of the visit and best estimates of the numbers through suggest that as many as forty thousand entered the Monastery gates between Saturday morning and Monday afternoon and venerated the Relics.

After an emotion filled Ceremony of Departure of Monday morning, Prioress of the Monastery, Mother Joseph said that the Sisters were deeply moved by the numbers who had come to visit and who had prayed and venerated so solemnly at their Monastery. There was little more they could have hoped for from the visit, she said and thanked everyone who had worked so tirelessly to see that all arrangements were in place.

'We will always treasure the memory of the visit of our Saint,' said Mother Joseph, 'and remember the kindness and generosity of

the people of Tallow, who assisted us in making the extensive arrangements necessary for such a large and important event.'

'We pray that the spirit of St Therese will be with our people and that she may bless them and their families each day of their lives. May they know that they have a true friend close to them always.'

Despite a last minute announcement of a delay of the arrival time, there was a large crowd at Tallowbridge on Saturday afternoon, eager to welcome the Saint and accompany her to the Monastery. The Procession was led by a colour party drawn from secondary school students of the area, who carried a magnificent County Banner, with pictures of St. Therese, followed by the Tricolour as well as the flags of Normandy (home of the Saint) and the parish of Tallow.

Dungarvan Brass Band played Sacred music appropriate to the event and they were followed by the Chairman and members of the County Council, Dungarvan Urban District Council and Lismore Town Commissioners, as well as Co. Manager, Mr. Donal Connolly and other senior officials. Members of CBSI, Tallow Schoolchildren, a large party of First Communicants and young dancers from the locality also took part.

A large body of clergy was led by Most Rev. William Lee, Bishop of Waterford and Lismore and providing a guard of honour for the Reliquary in its specially converted vehicle were the Carmelite Sisters led by Prioress, Mother Joseph and Sr. Patrice who had co-ordinated the extensive arrangements for the visit.

On arrival at the Monastery a bearer party drawn from the Military Police of the 1st Southern Brigade, under the command of Capt. Sean Dunne brought the 400 pound Reliquary to its place of honour in front of the Altar, where the Sisters were first to venerate.

The Monastery grounds had been specially set up in corrals to accommodate the anticipated crowds and the three thousand or so who were present at the time had a clear view of the specially constructed altar.

A group of twenty Tallow girls under the tuition of Sacred Dance Teacher, Betty Lynch added a touch of pageantry and colour as they gracefully strewed petals before the Reliquary in the Monastery grounds. A concelebrated Mass of Thanksgiving followed, at which the Chief Celebrant was Bishop Lee and the homily was given by Fr. Eugene McCaffrey.

Throughout the weekend, a steady stream of the faithful came to visit and venerate the Relics of the Saint, even through the course of the two nights of the visit. Three priests were available continually for reconciliation throughout the visit and many availed of the opportunity. Comprehensive security and traffic control for the visit was provided by the Gardaí under the direction of Insp. Con Cadogan and Sergts. Gerry Moloney and Pat Norris. They were assisted by Civil Defence under CDO Colm Bannon and a large body of Stewards drawn from the locality. Catering was provided by a committee of local women. A medical centre was maintained over the weekend by the Doctors and Nurses of the area.

On Saturday night there was an event specially for the youth of the area which was attended by up to 1,500 young people. The comprehensive programme was co-ordinated by Rev. Martin Keogh, C.C. Abbeyside and a committee drawn from second level schools and youth groups of the area. This included the Pageant 'A Shower of Roses' as well as music, singing and drama from a combined choir under the direction of Ms. Deirdre Collender. The programme culminated in a Concelebrated Mass at dawn which was a very moving and spiritual experience.

On Sunday, the Feast of Corpus Christi, there was a Service of Intercession for the Sick and Infirm with anointing and Blessing with

the Blessed Sacrament. This was followed at 5 pm by a Family Mass at which the largest congregation of the weekend assembled.

Prior to departure on Monday morning, almost two thousand primary schoolchildren of West Waterford gathered for a special Mass celebrated by Fr. Willie Purcell, St. Canice's, Kilkenny. The Reliquary was then taken to the front of the Monastery where a commemorative sculpture in the form of a fishing boat on the crest of a wave was blessed and dedicated and will stand as a reminder of one of the most significant events in the life of the Monastery and the town of Tallow. A lone lady piper from Castlelyons Pipe Band led a final procession through the town to the Parish Church and as the Reliquary, escorted by the Carmelite Sisters, made their way once more to the Monastery, they were loudly applauded by the children and also by the townspeople who were appreciative of the presence of the Saint in their streets.

There were some emotional

moments as the Reliquary departed from the Monastery gate on its journey to Limerick, but undoubtedly a sense of happiness and achievement at the success of the visit. Tallow resident and Chairman of Waterford County Council, Cllr. William McDonnell paid tribute to everyone who had played a part in the planning of the weekend visit. 'The sisters are deserving of our every support,' he said, 'and it has been a pleasure for everyone to be part of this historic occasion. The Committee were superb,' he continued and I must also

acknowledge and thank the part played by The Co. Manager and Senior Engineering staff of the Council. Area Engineer, Ms. Ann Kiely, together with local Overseers Ger Beecher and Michael Bennett and their staffs for the huge efforts they made. 'The people of Tallow were magnificent,' he said, 'and once more rose to the occasion when required. This is a weekend which will live in peoples memories and will long be recalled by the people of Tallow.'

## ICMSA NEWS

## EWES PREMIUM PAYMENT SHOULD BE MADE IMMEDIATELY

The Ewe premium payment should be made immediately according to ICMSA. Under the Protocol For Direct Payments agreed in July 2000, the Department of Agriculture, Food & Rural Development agreed to pay the 2001 Ewe Premium to all eligible applicants within two weeks of publication of the relevant regulation. Given that the said regulation was published on 1 June 2001, ICMSA are calling on all payments to be made without delay.

Mr. T. J. Nally, Chairperson of ICMSA's Sheep Committee said "I am calling on the Minister for Agriculture, Food & Rural Development to immediately pay the first instalment of the 2001 Ewe Premium to farmers. This was agreed and should now be adhered to."

"Due to the Foot and Mouth Disease (FMD) crisis continuing since February, this payment may represent the first cheque that many sheep farmers will have received this year and therefore is critical. Any delay in payment is unacceptable", Mr. Nally concluded.

**Note:** With our walk sponsorship 'doing the rounds' we would just like to say the following are the prizes for sponsors 1st Prize £15, 2nd Prize £10, 3rd Prize £5.

Hoping you are in the draw!!

## DAIRYING

## GROW MORE GRASS

Most dairy farmers, except those in calf-to-beef are still overstocked. Consequently, they will be short of winter feed as a result of more grazing acres being used. It is, therefore, essential to grow more grass. How? We must make sure not to engage in practices that result in less grass growing.

**How Could We Grow Less Grass?** — Very short rotations. (In a 21-day rotation, grass doubles in the last 7 days). Grazing too tight (no less than 6cms). Using too little Nitrogen. Use 25-35 units per acre, as every 54p spent on N gives £6-£8's more milk and meat. Missing out on Nitrogen after a grazing can be a disaster — reduce the rate of N if you appear to have too much grass now. Not applying Sulphur (use 15-20 units) on light soils results in 15-40% less grass on those farms. Animals spending 3-4 days or longer (happens with cattle and heifers) in fields or paddocks will result in over 20% less grass in 21 days time because the regrowths will have been eaten. Consequently, the rotation will have increased to 27+ days. Cutting or topping reduces the amount of grass growing. If you have to top, be careful not to top too low, too frequently or too many paddocks at the same time. Finally, to grow more aftergrass, apply 40-60 units per acre of Nitrogen after 1st cut.

## SHEEP

Compared to dipping using a pour-on to control blowfly requires less labour and the majority have a much shorter withdrawal period. However, be mindful that the incidences of lice infestations have increased in recent years. If using an injectable in the autumn to control sheep scab it may be worthwhile using a pour-on that also controls lice. The alternative is to dip periodically. Lamb growth rate invariably drops in the month pre-weaning ... mainly due to a decline in ewe milk yield and a deterioration in pasture quality. This drop can be minimised by not allowing sward height to fall below 6 cms in June.

To maintain good growth rates after weaning sward height should be less than 7-8cms. Make use of aftergrass in this period. On an all-sheep farm it is difficult to have sufficient aftergrass. Another option...select one or two fields that contain the highest clover level and graze these tightly in early June (preferably with dry sheep) and use these in addition to aftergrass post weaning. Feeding meals will improve lamb growth rate. Each 5kg fed will increase liveweight by about 1kg. An option to reduce costs...at weaning split lambs into heavy and light groups and feed meals to light group. Having lambs accustomed to meals pre-weaning reduces weaning stress and minimises the loss in growth rate. In deficient areas give a cobalt dose at the 10 week worm dose. An alternative ... if lambs are fed meal, supplement with a suitable mineral/vitamin mix.

There is little advantage in keeping lambs on the ewes for more than 12-13 weeks. If grass is scarce wean earlier ...10-11 weeks. If lambs are on creep and consuming 250g/day it is possible to wean at 8 weeks and suffer no loss in thrive.

## CATTLE

**365 Day Calving Interval - Good Management Needed** — The number of days between one calving and the next is the calving interval. To maintain a regular

calving season and compact calving, the average calving interval for the herd should be about 365 days. Otherwise the calving season will spread out over most of the year or there will have to be a high degree of culling of late calvers.

How many 365 day calvers have you got in your herd? Without keeping breeding records you cannot know for sure but the 400 day model is far too common - this animal could be costing up to £50 in lost profit if you are selling weanlings.

With continental sire breeds on continental cows, a gestation period (conception to calving) of 290 days is quite common. This means that there is only an average of 75 days (365 - 290) from calving to the next conception.

Teagasc Research at Belclare and Athenry has identified two factors that have a major influence on the interval between calving and first heat.

1. — Body condition score at calving
2. — The suckling effect (cow/calf interaction)

## BODY CONDITION

When thin cows (body condition score of 1.75 at calving) were compared to cows in good condition (body condition score of 2.50 and 3.50), the thin cows took an average 12 to 16 days longer to reach first heat than the cows in good condition.

The thin cows were on average 71 days calved before showing first heat. Allowing for conception rates of 60 per cent, a 365 day calving interval cannot be maintained in a stable herd of cows at condition score of less than 2.0 at calving.

## SUCKLING EFFECT

The presence of the calf with the cow also delays onset of first heat. The effect is more pronounced on thin cows. Where calves were separated from cows, after day 30 post calving, and only allowed suckle once per day, thin cows showed heat 21 days earlier than where calves were let run with the cows. Separation of calves from cows in good condition produced a response of just 10 days earlier heat onset.

If cows were thin at calving and are calved for 40 days or more the separation of calves and once or twice per day suckling should bring on heat in these cows within two to three weeks.

# RECENT DEATHS

## LATE PATRICK (PATIE) BENNETT

We pen these lines in tribute to the late Patrick (Patie) Bennett, Coumahon, Kilmacthomas and Poulbatia, Cappoquin who went to his eternal reward on Saturday June 9th at the residence of his niece Joan Behan in Coumahon. Originally from Poulbatia, Patie worked the land and enjoyed the respect and esteem of the entire community. A man of deep christian faith, he lived his life by the Gospel. It was in mid March of this year that he mourned the loss of his brother Dick.

We offer our deepest sympathies to his sister Margaret (England), his nephews Fr. Tom C.C. Modeligo/Affane, John (Scrahan), nieces Angela McAuliffe (Redditch, England), Joan Behan (Coumahon), Mary O'Donoghue (Mallow) and other relatives at this time.

Removal took place on Sunday evening from The Kiely Funeral Home to Affane Church where Vy. Rev. Fr. MI. Barron P.P. assisted by Fr. Tom Hubbard C.C. blessed and received the remains. Fr. Tom C.C. (nephew) was Mass celebrant on Monday morning with Peter Kiely, Margaret Behan sharing the liturgy of the Word. The Offertory Procession saw Kate, Erica, Gillian Kiely, Lisa & Bill Keane bring the gifts to the altar.

We gathered in the adjoining cemetery to bade our fond farewell to Patie as he was laid to rest after life's labours.

"Safely home in the arms of Jesus."

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan.)

## LATE MICHAEL CUNNINGHAM

With sadness we record the passing of Michael Cunningham, Killnafurrery, Tallow which sad event occurred on Wednesday 13th June.

Removal was from Drohan's Funeral Home on Thursday evening to Clashmore Church. Following Funeral Mass on Friday morning, burial took place in the adjoining cemetery.

To his sister Madge and relatives, we extend our deepest sympathy.

(Full obituary next issue.)

(Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.)

## LATE MARY VEALE

The sympathy and sadness of the community was very much in evidence recently with the passing of twenty-one year old Mary Veale, Ballinroad at her residence in the early hours of Monday Jun 11th. Blessed with wonderful parents and family, Mary was cared and loved for every one of her twenty one Summers with a love that defies word or description. She loved her music, listening to her favourite tapes, CD's and was a great favourite with all her neighbours and friends. Her untimely passing is very much regretted by her parents

Mike, Phil, family Caroline, Miceal, Colette and grandmother Eileen and indeed her many other relatives. We offer our heartfelt sympathy on their personal loss to each and everyone.

Led by Fr. Keogh C.C. we gathered on Tuesday afternoon last for final prayers at Mary's residence before the funeral cortege made it's short journey to St. Laurence's Church, Ballinroad for funeral Mass. Music was shared by Jim Keohan while Sharon (cousin) and Colette (friend) read the lessons. Prayers of the Faithful were delivered by Nan (aunt), cousin Jackie and Sandra. Water and wine, CD Tape and a 21st key were brought as offertory gifts by Caroline, Miceal, Ken and Alan.

After Holy Communion, we listened to a reflection given by Nurse Mary Mulhall of Waterford Regional Hospital. It was a very special tribute to a very special girl who meant so much to so many.

Within the steps of the Church we assembled for final blessing and prayers before the

Genoa Italian casket bearing Mary and her beloved doll "Sunshine" was laid to rest. Very many beautiful floral tributes were placed in tribute.

Although Mary's life was short in years, she has enriched so many by her acquaintance, friendship and love.

"I could not stay another day,

To Laugh, to love, to work or play,

Tasks left undone must stay that way,

I found that peace at close of day,

If my parting has left a void,

Then fill it with remembered joy,

God has a lovely garden,

In his mansion up above,

He tends the garden everyday,

With tenderness and love,

The flowers that are in it,

Are the sweetest and the best,

To get into God's garden,

They have to pass the test,

He goes around them everyday,

Treating them with care,

You're really very lucky,

You have Mary who is a special,

Really special flower there.

(Funeral arrangements by James Kiely & Sons, Funeral Directors.)

## LATE NORA DONNELLY (NEE POWER)

(Mitchum, Surrey, London and late of Shandon Lodge and 32 McCarthyvillas)

We offer our deepest sympathy to Ann (daughter) and all of Nora's many relatives on her passing in London

over the past weekend. A member of an old family who resided at The Lodge at the Railway Gates.

Funeral obsequies have taken place in London. This Saturday, June 23 Funeral Mass will take place in St. Mary's Parish Church, Dungarvan with the interment of cremated remains immediately afterwards.

(Funeral arrangements by James Kiely & Sons, Funeral Directors.)

## LATE ALICE (NALLY) NUGENT (NEE PARLE)

We write in sadness and deep regret on the passing of Alice Nugent, formerly of The Cliff House Hotel, Ardmore, which occurred on Monday, June 11th at Padre Pio Nursing Home, Cappoquin.

A native of Carrickbeg, Carrick-on-Suir, Nally was aged almost 92 years and was predeceased by her husband Frank on St. Stephen's Day 1983. The Cliff House Hotel which was originally owned by Alice's aunt Mrs. Kelly was transferred to Nally and Frank on 21st June 1936. Dedicated, diligent, hardworking, the pair built up a most admirable reputation in the hotel business. They concern was patronised by a wide clientele who always spoke in glowing terms of the service they were fortunate to receive.

Indeed much of Nally's life was centred around her family and business. She was very positive in everything she did and saw the very best in people. On the passing of Frank in 1983, she handed the reins of management over to her family and in 1992 the business was sold. Nally was a deeply religious person who will be greatly missed by everybody but especially by son Aidan, daughter Geraldine, daughter-in-law Lesley, son-in-law Donal O'Brien, brother Jimmy, grandchildren Patrick and Kevin to whom we extend our deepest and heartfelt sympathy.

Following prayers and rosary at the Kiely Funeral Home on Tuesday last by Rev. Fr. Butler C.C., the removal took place to St. Declan's Church, Ardmore where we gathered on Wednesday for Requiem Mass and afterwards the interment which followed in the Tower Cemetery.

"Too dearly loved to be forgotten"

(Funeral arrangements were by James Kiely & Sons, Funeral Directors, Dungarvan.)

## LATE PATRICK (PAD) DOOCEY

It is with feelings of sincere regret and sadness we record the passing of Patrick (Pad) Doocey, Shanbally Tee., Cappoquin and formerly of

Bawnfune which sad event occurred on 14th June at St. Joseph's Hospital, Dungarvan.

On Friday evening, removal took place from Walsh's Funeral Home to Modeligo Church where the remains were received and blessed by Rev. Fr. Hubbard C.C. assisted by Rev. Fr. Barron P.P.

On Saturday morning Funeral Mass was celebrated by Rev. Fr. Barron P.P. assisted by Rev. Fr. Hubbard C.C.

Burial took place in the adjoining cemetery. Rev. Fr. Barron P.P. officiated at the graveside where Pad was laid to rest in the presence of a large gathering. May he rest in peace.

We extend our deepest sympathy to his family Peggy, Nellie and Larry, brother-in-law, nephew, nieces, relatives and friends.

Full obituary next issue. (Funeral arrangements were by Aidan Walsh & Sons, Funeral Directors, Cappoquin.)

## Abbeyside Community Centre Gets Go Ahead

Abbeyside Community Centre are pleased to announce that after months of negotiations a suitable site for our Community Centre has at last been identified. Much credit in the matter goes to Michael O'Riordan, Chairman Dungarvan U.D.C. and Cllr. Damien Dillon, who have committed many valuable hours in the aid of this project.

Displayed below are the crest and the proposed plans for the centre. The crest was based on a design by Stephen Enright of 8, Parklane Green. His design was chosen as a result of a competition held in Scoil Mhuire, Abbeyside. In

the competition the children of fifth and sixth classes produced many fine designs. In the end the design depicting images of Abbeyside Church, Moresby Buoy and the Walton (Causeway) park (three very identifiable landmarks in the village) was chosen by the committee. Our thanks to Mr. Finbarr Keohan, Principal Scoil Mhuire N.S. and all the children who participated in this competition for their bright ideas.

The plans for the proposed centre are the result of many months of design selection and modification by our architects, Damien Dillon & Co., Mitchel Street, Dungarvan, whom we wish to thank for their patience and vision. Our committee are currently discussing more fundraising ideas for which we look forward to your support.

At the recent Dungarvan Urban Council meeting a site in front of the tennis club in Walton Park, Abbeyside was agreed. The total area of the building will encompass 775 square metres and the building will be the same height as Eurospar, Kelly's Pharmacy, Xtravision and Jumbo's. Chairman of the Urban

Council Cllr. Michael O'Riordan in welcoming the development said that the building is attractive and will finish the development in that area.

The County Manager stated that the particular location which was selected is a good one and said that the Community Centre fits in with the built environment around it.

### SCOIL MHUIRE NEWS

Congratulations to Paul Power, Rebecca French, Mary Aird and Daragh Mansfield from Abbeyside N.S. who were placed 2nd overall in the National Finals of the Credit Union Quiz held in the R.D.S. Conference Centre, Dublin on Sunday last, 17th June.

As a result of their efforts they won a prize of £500 for school funds and each participant will receive a hand held T.V. each in the near future. This is a great achievement for all those involved from the local school.

## BALLINACOURTY PLAY LEAGUES IN PROPER SPIRIT

### Ballinacourty 2-8, St. Saviours 1-7

Minus the services of senior football county stars, Gary Hurney and Shane Briggs who were training with the county under 21 hurling panel Ballinacourty still collected their first points in the league this year in an entertaining game against city side St. Saviours at the Burgery venue.

Interestingly, Ballinacourty lined out with team manager Ian Kiely at full forward and team selector Timmy Organ at corner forward. It took eight minutes for the teams to produce an opening score, a point by St. Saviours.

They added another a minute later as Ballinacourty struggled to find a rhythm. In this early period Ballinacourty gave away the ball far too often and St. Saviours capitalised on these mistakes by scoring points in the twelfth and twentieth minutes. At this stage Colin Keane began to stamp his authority on this game and he continued to do so for the remainder of the hour. A brilliant overhead catch caught the eye and Colin lifted Ballinacourty with their opening point. The Ballinacourty players responded to his promptings and Micky Enright pointed following a movement started in mid-field by a roving Timmy Organ. A reverse pass by Karl Power set Keane up for point number three. Derek Wise pointed for Saviours and then came the score of the game. Karl Power won the ball, passed to Brian Beatty who found Colin Keane on the run and his finish was perfect. A class goal by any standards which gave Ballinacourty a one point lead at half-time.

### THE SECOND HALF

Willie Fennell pointed with his left leg inside a minute.

Ballinacourty were putting the movements together now but could not reflect their dominance on the scoreboard. St. Saviours pointed but Colin pointed a free. Declan Enright had to spread himself well to smother a shot from the Saviours corner forward. Colin Keane scored an excellent point and Micky Enright added another from the left. Ballinacourty were on their way when Hiker McGrath fisted a Karl Power free kick to the net. After 12 1/2 minutes of the second half the scoreline read, Ballinacourty 2-7, St. Saviours 0-6.

Poor shooting cost the locals at least three chances around this period. One noted how Laurence Hurney used the ball intelligently out of defence time after time. The city men now adopted long ball tactics and a high lob into the goalmouth was fisted to the Ballinacourty net. Twenty minutes gone and just four points separating the sides, both teams now contested every ball as if their lives depended on it. Hard knocks were taken and given without complaint and referee Domhnall O Murchú contributed to the enjoyment by letting the game flow and by applying the advantage rule well. Willie Fennell gave Ballinacourty some breathing space when he pointed a free. Colin

Keane covered back, broke up passing movements by the Saviours forwards and blocked down the oppositions kicks on two vital occasions. Saviours had the final score of the game - a point but could not secure the match winning scores.

Ballinacourty : Declan Enright, Ciarán Shields, Michael Collins, John Organ, John Hurney, Laurence Hurney, Ricky Hanrahan, Colin Keane, John McGrath, Micky Enright, Karl Power, William Fennell, Brian Beatty, Ian Kiely, Timmy Organ; Subs Nicholas Dwane (not used).

### St. Therese of Lisieux

Hundreds of people throughout the Parish of Abbeyside, Ballinroad and Garranbane took part in the all night vigil at the Carmelite Convent grounds, Tallow on Saturday night / Sunday morning the 16th and 17th June.

The First Communion class from Scoil Mhuire, Abbeyside visited the Carmelite Convent on Saturday afternoon.

## ABBEYSIDE SCOUT NOTES

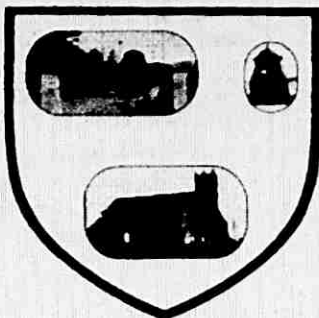

Last Saturday the meeting started with a camp theme. The patrols were busy organising their patrol boxes for camp. In these boxes are all the things a patrol will need to see them through a week in Curragh Chase which is where annual camp 2001 will be held. Items which were accounted for in these boxes included pots for cooking, tea pots, rope and an assortment of other scouting essentials. Following this gear audit, next on the agenda are the tents and it seems some pegs are the only items missing here. Once the gear was sorted the P.L.'s organised a game of soccer which was played for a new trophy the Wagon Wheel Cup and an exciting game this turned out to be. Some of the stars on the night were Patrick O'Donnell who seemed wholly unaffected by the strain of his recent junior cert exams. Kelvin Brady who seemed fresh even if he is working all the hours God gives him and Peter Phelan determined to put Waterford's defeat of last Sunday behind him. Conor O'Neill and Michael Organ put in some great tackles while the Kirkham brothers also played their part. At the end of the meeting notices were announced concerning upcoming events and all scouts were encouraged to bring in camp money on a weekly basis to avoid the pain of having to pay all the fee together at the end.

This coming Saturday the meeting will begin in the main car park (not the campsite one) at eight o'clock and finish at twelve o'clock. This hike has been code named "the Bring your own Burger and whatever you like to eat yourself hike"! The usual rules for such a hike apply as regards clothing and hot food and a towel, you have been warned.

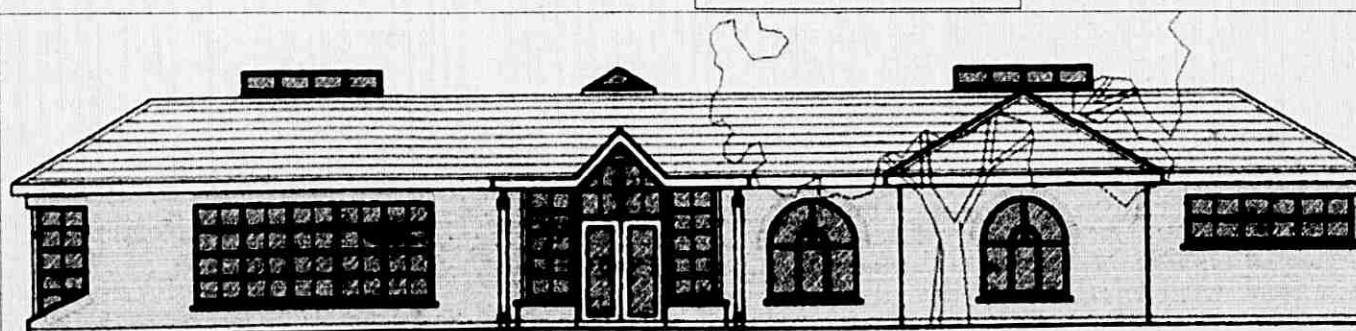

### CUB NEWS

Monday night was the last cub meeting of this year and now this section will be taking a break until everyone returns to school at the start of September. Anyone interested in joining the cubs may do so in September if they are eight years of age. The leaders would like to thank the cubs and indeed all their parents for their co-operation during the year and look forward to a new cub year full of exciting meetings and activities in September.

## LISMORE CAMOGIE NOTES

Our U-14's will be on the road to Cork on Thursday evening on their way to Bishopstown who are to be their host club for the Feile Na nGael 2001. The itinerary for the weekend is as follows: the girls will leave Lismore on Thursday evening at about 5.30 p.m. They have an early start on Friday morning playing their first match at 9.30 a.m. against the host club Bishopstown in Bishopstown. The day continues in the St. Finbarr's club grounds where they play St. Finbarr's at 1.00 p.m. and then Westmeath at 3.45 p.m. If our girls reach the semi-final, it will be played on Saturday morning at 10.30 a.m. in Ballincollig and the Division 2 is scheduled for

Ballinlough at 2.00 p.m. on Saturday. This is a great experience for the girls and I am sure they will do us all proud. We would like to thank everyone who supported our Feile Disco last Thursday night and to all our sponsors and well wishers.

Our U-12 team have also been in action with an easy win over Butlerstown on Monday night. This win has earned our girls a place in the U-12 County Final and the opportunity to make it four in a row for Lismore. It is going to be a busy time ahead with U-12 and U-14 County finals to be played over the next couple of weeks.

At adult level our Senior team beat Cappoquin convincingly in the League last

week. Training is continuing in preparation for the Championship which is to be played on Monday 8th July against Dunhill/Fenor.

Finally we want to wish both the hurling and camogie Feile teams the best of luck at the weekend and we hope we will have two cups back in Lismore on Saturday night. Good luck.

### S.H. CHAMPIONSHIP

The acid test for our senior hurlers will take place on Sunday next when they face reigning county champions Mt. Sion in the Fraher Field with a 6.45 p.m. throw-in. Firstly this week I would like to clarify the club championship situation as a mistake was made in last weeks notes when it was stated that the top pair would go through, this is not so. This is the situation as it now stands for both singles and fourball matches. Firstly each player must have paid his £7.50 before he plays, secondly these first round matches must be played by Saturday 30th June. If by 9 p.m. on June 30th the match has not been played the bottom players can enter themselves in the next round, if this is not done all players from the said match will be disqualified. You now have only a week and a half to complete your matches.

Back to the real business of competition which started on Monday with our Open Seniors competition. The win-

ner of category A was Lismore's own John Power (16) with an excellent 41 points being 3 points clear of West Waterford's Ted O'Riordan (13). In category B Monkstown Terry Hassett (17) was the main man also posting an excellent 41 points edging Lismore's Jim O'Regan (22) into second place due to a superior last 9 holes. In category C Lismores all Ireland hero namely Ned Power (19) was the man carding a well worked 40 points to be 2 points clear of club registrar Stephen Hales (19) who is hitting a nice bit of form with the Captains Prize looming. In the weekend competition which was either the Cavanaghs Ford in Golf which was played on Saturday or the IFG Finances sponsored 18 Hole Stableford competition which was contested over both days the scoring was fantastic even though the weather was up and down. In the Ford Qualifier, Lismore's Peter Kennedy (17) was on fire from the 8th hole where he amassed 33 points for the last 11 holes finishing with a superb 43 points being 3 clear of Michael Motherway (20) who posted an excellent 40 points. Local hero John O'Gorman (14) was the gross qualifier with 17 points. Committee man John Kenneally (20) was a fine

winner of the IFG Finances sponsored competition also shooting a super 43 points to be 3 clear of Tallow's Dermot Henley (13) with a well manufactured 40 points in third place. That man again Stephen Hales (19) with a steady 37 points.

# REMEMBERING OTHER DAYS

Our "Remembering Other Days" series this week takes us back to the year 1950. Featured are the sixth class pupils at Dungarvan CBS pictured on a school outing to Helvick. The outing was organised by the late Bro. Kenny who taught sixth class at that time and pupils cycled to the Gaeltacht for their day out. Included (from front, l.r.) are Denny O'Regan, Mike Morrisson, Pat Dee, Tom Dalton, Joe O'Brien, Richard Queally, Pat O'Driscoll, Tommy Joe Harty, Gerard McCarthy, John Noble, Sean Harty, Billy Flynn, Steve Kirwan, Brendan Power, John Franklin, Michael Walsh, Eddie Curran, Declan Fitzgerald, Jim Curran, Michael Rochford, Tommy Sandford, Seamie Peters, Anthony Dee, Mike O'Mahony, Eamonn Kiely, Willie Lyons, John Foley, James Drohan, Michael Flynn, Nicky Quill.

**RE-UNION** — In connection with the publication of the above, it has been decided to hold a re-union get-together of past pupils on Thursday, 12th July. This is open to all pupils of the CBS during the late Forties/early Fifties and it is hoped that people from the other classes at the time will join us for a day of fun and nostalgia. The occasion will be celebrated with a golf outing at Dungarvan Golf Course at 2 p.m. and will be followed by an evening function at the Park Hotel at which wives, girlfriends and partners are welcome to attend. The latter will commence at 8.30 p.m. and we would ask all past pupils who can attend to contact either John Franklin (058-42765) or Willie Lyons (058-46587), as soon as possible.

## Dungarvan Museum Notes

We can report that the window sold for \$391,000, \$91,000 over its estimate. We will have a feature on the window and its history on our web site.

### LOCAL PERSONALITIES

**Donal 'Duck' Whelan**  
Donal Whelan, a native of Abbeyside, Dungarvan, achieved great distinction on

the hurling fields throughout the country. His father was Pax Whelan and his mother was Cait Fraher daughter of Dan Fraher. He was one of the heroes of the glory years for Waterford when the county contested the All-Ireland senior finals in 1957, '59, and '63. He won his All-Ireland medal in 1959 having defeated Kilkenny in a replay. He also represented Munster in the Railway Cup, played on a number of Rest of Ireland selections and played with U.C.D. in the Fitzgibbon Cup. He rep-

resented Waterford on the Munster Council for almost twenty years.

He made headlines when he was arrested on board the Cypriot registered vessel Claudia. Thousands of tons of arms and ammunition were found on board. These were destined for the I.R.A. He received a suspended seven year prison sentence for his involvement.

He was head master of St. Declan's Community College, Kilmactomas.

# Cruel Body Blow To Dungarvan As GlaxoSmithKline Announce Job Cuts

Continued from Page 1

ATGWU, are now about to begin a series of meetings with GlaxoSmithKline. They will also be seeking an adequate redundancy package for those affected by the cuts.

## FOCUS GROUP

A high powered delegation has also been put in place involving ATGWU's Tony Mansfield, Chairman of the Dungarvan UDC Cllr. Michael O'Riordan, Waterford County Council Chairman Cllr Willie McDonnell, Councillor Billy Kyne, Town Clerk Brian White, the Chamber of Commerce and the counties four TDs.

This delegation plans to meet Tanaiste Mary Harney, in an effort to attract a major business into the area that will offset the devastating loss of jobs.

One of the delegations TD's, Mr. Austin Deasy has described himself as being 'dismayed' by the announcement of the job losses.

Deputy Deasy said "the Stafford-Miller operation has been one of the success stories in West Waterford, and following the closure of Waterford Foods, this loss creates a serious employment problem in the area."

The local deputy went on to appeal to the IDA and the Tanaiste, Mary Harney, to "set about creating alternative employment."

The news came as another body blow to the economy of the town, with Glanbia's decision to shut up shop in Dungarvan, still fresh in people's minds. The closure of the former Waterford Foods plant was also described as asset stripping at that time.

Mr. Mansfield draws a comparison, as well, between the quality of the jobs that were lost in the Glanbia plant and the Stafford-Miller factory and described the scale of the losses as 'horrendous'.

## REACTION TO DECISION

Reaction to the situation has also come from local Dungarvan Urban Councillors at their meeting on Monday last.

Deep regret was expressed by the Chairman of the Urban Council, Michael O'Riordan, before he commented on the difficulty Dungarvan was having in attracting a tenant to the Advance Factory.

Concern was also raised at the numbers that would be affected by the layoffs.

Councillor Lar Hart said that not only would 104 be at a loss but probably around five hundred, if families are taken into account.

The Fine Gael Councillor Damien Geoghegan said that he expects the "IDA to replace the high quality, above average jobs with other of a similar quality."

Councillor Damien Dillon who referred to the new housing estates being built in Dungarvan and Abbeyside said there may be no need for these houses "the way things are going". He called for immediate action on job creation.

The fact that no industry has been introduced into Dungarvan by the IDA since 1987 was pointed to by Labour Councillor Billy Kyne.

"We've stood still for years", Cllr. Kyne said "and now we're slipping back. We need to do more as a council and work in conjunction with the IDA to attract more businesses."

Councillors Nuala Ryan, Teresa Wright and Paddy Power concurred with the statements of their fellow councillors and conveyed their deep regret and sadness at the loss of the jobs at Stafford Miller.

Adding his sentiments about the announcement by GlaxoSmithKline the County Manager Donal Connolly said that he welcomed the fact the company is maintaining its place in Dungarvan though he regretted the job losses.

He also said that the advance factory has laid vacant for too long and it was clear Dungarvan needed the introduction of a new industry.

## IDA WORKING TO ATTRACT NEW BUSINESS

Pat Loftus of the IDA responded to the councillors statements. He stated that the attraction of new industry would only happen if the Dungarvan Urban Council worked side by side with the IDA.

He also said positive things can be taken from the announcement, in terms of the success of the denture facility at Stafford Miller, and its potential to grow.

As for the perceived failure of the IDA to attract business into Dungarvan, Mr. Loftus said that larger urban centres have a significant advantage

over towns like Dungarvan. These large centres, Mr. Loftus said, have airports close to them and a large highly skilled workforce based on the graduates from Colleges located there.

The development of an access road to the Advance Factory, was welcomed as well by Mr. Loftus, who said this was "significant" and a very definite asset to have.

"The delay in locating a business there is unfortunate", Mr. Loftus said "but we are looking for an attractive, long lasting industry that will grow with the town".

The IDA's commitment to the town was also pointed to by Mr. Loftus. This was shown, he said, by the purchase of 35 acres for the potential use of a business near Stafford Miller.

The IDA's representative concluded by stating there is an active effort to get an industry in place in the advance factory and also on these 35 acres.

## CHAMBER OF COMMERCE DEVASTATED

The Dungarvan Chamber of Commerce have also recently reacted to the decision to shed the jobs. The Chamber stated that they were "devas-

tated to hear of the decision.

David Reynolds, the Chambers newly appointed President said that the Chamber would be working very closely with the IDA and Urban Council to try and replace these jobs.

"Dungarvan needs to do its utmost to attract new industries to the area, as the last new industry introduced by the IDA was in 1987", the Chamber has said.

The Stafford Miller facility is one of two operations run by GlaxoSmithKline in the town. It operates the SmithKline factory, also, which is a mere one hundred and fifty yards from the Stafford-Miller plant on the IDA industrial estate near the Youghal Road.

The SmithKline facility will not be affected by the redundancies and will continue in its manufacture of a wide range of health care products, including the world leader Panadol tablet.

Stafford-Miller, which was formerly run by the Block family, has been located in the town since 1981. Having started with an original workforce of 150, it was a highly successful business involving high quality, well paid jobs.

## Birthday Greetings

This week we send our best wishes and congratulations to Pa Nagle, formerly of 13, St. Patrick's Terrace, Abbeyside and now living in Dublin.

Pa celebrates his 80th birthday this week in the company of his wife Siobhan and his four children Bebhinn, Doireann, Aoife and Padraic. Pictured above is Pa in his younger days with his father, the late J. B. Nagle, former proprietor of the Dungarvan Leader.

## Dungarvan Landfill To Close?

Continued from Page 1

would be huge implications for the whole community and would almost certainly mean the creation of a new dump in the immediate rather than long term future.

There is already a court case on the proposed superdump which would service Dungarvan, Waterford and Tramore in the Lickey Valley area. Judgment on this case is pending. However the proposal by the EPA may come as a significant confidence blow to the Lickey Valley Concern Group as Tramore and Waterford's dumps are also expected to be shut soon.

Waterford County Council, with this contentious issue almost certainly on their minds, will be appealing the decision as it maintains that there is sufficient capacity in the landfill for a further 3 years.

Councillor Fiachra O'Ceilleachair has described the proposal by the Environmental Agency as having serious consequences to the whole of West Waterford.

A rethink is also warranted on Waterford County Council's Waste Management Strategy in light of the proposal, the Labour Councillor said.

## C.L.C.G. TULACH AN IARAINN

### SENIOR HURLING CHAMPIONSHIP

Club championship resumes this weekend with some intriguing contests in store. Tallow take on Portlaw at 3.30 p.m. in the Fraher Field on Sunday and would appear to have it all to do. Portlaw's form to date has been impressive with some outstanding results throughout the league campaign which must leave them hot

favourites for Sundays clash. There is no doubt if Tallow hurl to their potential, they can put it up to any team but they cannot afford any lapses in concentration on Sunday. It makes a pleasant change going into a championship game free from the threat of relegation and the accompanying pressure. As my old friend Liam Griffin would say we must 'hurl and hustle', 'hustle and hurl.' Nothing

goes uncontested. If we contest in every area we have enough hurling to see us through to a county semi-final.

To the 28,000 or so Waterford supporters who were in Páirc Uí Chaoimh, you don't have to wait until next summer to go to the next hurling match. There will be a feast of hurling in Dungarvan Sunday and your teams need your support. Bi ann agus bi linn.

### EASTER TRIP TO USA

A special sub committee has been set up to look into the possibility of a club trip to the US next Easter. With 3 nights in New York and 2 nights in Boston, this would certainly be the trip of a lifetime. Estimated cost for flights and hotel accommodation is in the region of £750 - £800. We have had a very positive reaction from the Tallow diaspora in both Boston and New York but it is the reaction we get here from players and club members that will determine if this trip goes ahead. We will need a firm commitment with regard to numbers in the next 2 weeks and a deposit of £150 would have to be paid by the end of July. Contact any committee member if you are interested in going.

## THE MICHAEL CAVANAGH WEEKEND

Over the weekend of June 22nd to 24th, Cappoquin will be the venue for a unique Irish-American commemoration of one of the town's most famous men, the son of a cooper from Cooke Street.

Michael Cavanagh (1823-1900) distinguished himself in several fields during his lifetime. As a poet, he was proficient in both Irish and English and his works ranged from portraying the beauties of his native place to Ireland's struggle for nationhood. It is Michael Cavanagh who is credited with the first literary representation of the 'Cornerstone' legend synonymous with Cappoquin.

Cavanagh also earned fame for himself in America, both as a poet and translator of Gaelic poetry into English which brought Irish literature and Celtic studies to a much wider American audience than ever before. He also wrote the biographies of no less than three celebrated Young Irelanders, including the mammoth life of Thomas Francis Meagher.

Michael Cavanagh is also remembered for his involvement with the nationalist and non-sectarian Young Ireland movement itself. He saw action in the rising of 1848 and was one of the main organisers of what became the last action of the Young Irelanders, the barracks attack at Cappoquin in September 1849.

The Cavanagh weekend opens on the evening of Friday, June 22nd, with an exhibition at the Parochial Hall of material relating to Michael's life and the Young Irelanders generally. This will be followed by an informal gathering of locals, along with visitors from America, Australia, Britain and around Ireland at the Railway Bar, where a 'good crack' is assured.

On Saturday, the visitors will be going on a day-long tour of the historic sites of County Waterford. This will include a ceremony in Waterford, where a beautiful edition of Cavanagh's life of T.F. Meagher will be presented to the city archives by Mr Tom Overlander of Texas, one of Michael Cavanagh's descendants. The official commemorative dinner takes place that evening at Richmond House, Cappoquin.

On Sunday, June 24th, following a special commemorative mass at St Mary's Church (11.30), the Michael Cavanagh memorial - weighing well over a ton - will be unveiled at the Square in Cappoquin. A tour of the locality's historic and cultural sites will follow.

### SCOIL MUIRE, TALLOW

The past few weeks have been very busy for the boys and girls of Scoil Mhuire on the playing fields. Having defeated Ballyduff in the Western Final, our boys faced Tramore in the Co. Final in Dungarvan. Despite our best efforts, we were beaten on a scoreline of

4-10 to 4-4. The Tallow panel was - Barry Moloney, Tom Feeney, Kevin O'Brien, Stephen Power, Bob McCarthy, Kenneth Kearney, Keith Hallahan, Donnchadh Mulcahy, Shane Feeney, Damien Prescod, Thomas Ryan, Jim McCarthy, Kevin Curley, Shane Aherne, Oran Fitzsimmons.

Our girls football team also qualified for the County Final and played the Presentation Convent, Waterford. After a very exciting game, our girls emerged victorious on a scoreline of 3-6 to 1-3. Congratulations to all the girls concerned and a special word of thanks to Eric Curley for all his hard work in training the team. The Tallow panel was - Claire Curley, Louise Curley, Joanne Fitzgerald, Marie Rafferty, Vikki Grey, Eleni Henley, Aimee Power, Aoife Hartigan, Shauna Casey, Elizabeth Daly, Jakk Sheehan, Theresa Kenneally, Marion O'Brien, Laura Fraser, Nicola Delaney, Cornelia Curley.

Our boys soccer team entered a tournament for schools which was held in Fermoy last week. Having come through 2 games we then faced St. Joseph's, Fermoy in the final.

After a very sporting game we emerged winners by 3-0. Our panel was Shane Ahearne, Damien Prescod, Kevin Curley, Kenneth Kearney, Keith Hallahan, Thomas Ryan, Shane Feeney, Donnchadh Mulcahy, Stephen Power and Barry Moroney.

We would like to thank all the parents who provided transport for the many school games during the year.

We would also like to congratulate Aimee Power, on making the Waterford Camogie team which played in Páirc Uí Chaoimh recently. It was a great honour for Aimee and for her parents Frank and Sheila who are great supporters of Scoil Mhuire.

Similarly we would like to wish Thomas Ryan best wishes on his upcoming game in Páirc Uí Chaoimh. Because of his outstanding display in this year's County Final, Thomas was selected as part of an All-Munster selection to play an exhibition game before this year's Munster Final. Again this is a great honour for Thomas and his parents Tom and Maura who are always available to help out with Scoil Mhuire.

### ST. THERESE IN TALLOW

Last weekend saw a warm and enthusiastic reception given to the relics of St. Therese by the people of Tallow, Co. Waterford. As people thronged in their thousands, some in wheelchairs, others on crutches or with other challenges, all seeking to be touched or helped in one way or another. The following poem written by an anonymous soldier during the American Civil War seems appropriate.

I asked God for strength that I might achieve,  
I was made weak that I might learn humbly to obey,  
I asked for health that I might do greater things,  
I was given infirmity that I might do better things,  
I asked for riches that I might be happy,  
I was given poverty that I might be wise,  
I asked for power that I might have the praise of men,  
I was given weakness that I might feel the need of God,  
I asked for all things that I might enjoy life,  
I was given life that I might enjoy all things,  
I got nothing I asked for -  
But everything that I had hoped for.  
Almost despite myself, my  
Unspoken prayers were answered.  
I am, among all men,  
Most richly blessed.

Sincere sympathy is extended to the relatives and friends of the late Pad Doocey, Bawnfaun, who was laid to rest last week. May he rest in peace.

### MART OPEN

The marts will reopen for business this week, after the foot and mouth scare, and so put an end to the restrictions which have been causing upset for farmers for too long. Hopefully this positive trend will continue, and things will get back to normal in the farming community.

### ST THERESE

Congratulations must be expressed to all those involved in organising the visit of the relics of St Therese to Tallow. Great effort was put into running this historic event. It was very well managed indeed and there was little or no delay getting to the convent. Everyone had plenty opportunity to sit and pray in the presence of St Therese and enjoy this unique occasion so close to home.

# Stradbally Notes

## FAMOUS GARDENER COMES TO VISIT

Nationally renowned gardener Daphne Shackleton shared a few gems of wisdom, to an eager audience of gardening enthusiasts last week in Ballylaneen Community Centre. Daphne is one of the Shackletons, who had a well-known garden near Clonsilla in Dublin. Daphne and Jonathan Shackleton have restored an 'old-world' organic garden which is open to the public in Mullagh Co. Meath called 'Lakeview Gardens', filled with rare and unusual plants many of which originate from the famous Shackleton collection. Daphne was the special guest of invited speaker

Tara Lanigan O'Keefe, who brought a selection of her favourite plants from The Blackwater garden centre. Tara advocated the 'Royal Horticultural A-Z Encyclopaedia of Garden plants' as a gardening Bible. Daphne's topics included, "plants don't live forever", "work with your natural environment", "seaweed is great for asparagus, chicken manure can be too rich as a fertiliser", "under-plant trees with bulbs and ferns" and imparted her love of perennials and in particular the Geranium 'Mrs Kendle Clarke'. The lively and entertaining evening was organised by the local I.C.A. branch, and attended by gardening aficionados Beatrice Norris of Littlewood and Miriam O'Mahoney of Drumlohan Cottage garden. To visit Lakewood Gardens tel: 046-42480.

## THANK YOU TO COUNTY COUNCIL

Paul Finn dropped in a note to say that he would like to thank Waterford County Council for the 'lovely plaques'. Paul along with Shane Power, Brian Fitzgerald, Paul Finn and Cathal Derry won 1st prize at the recent Primary schools quiz competition. Paul modestly points out, "and we only won by one point!"

## SCHOOL'S OUT FOR SUMMER

The local National schools break for the Summer holidays this Friday (June 22nd). Drivers are asked to take more care, and to slow down on the roads, as many kids will now be taking to their bicycles and walking to each other's houses and heading to the Cove.

## COUNTRY MARKET

On the August bank holiday weekend (3rd -5th), there will be a Country Market on Saturday morning (August 4th) from 10.a.m. until 1.00 p.m. in Holy Cross church car-park. The Country Market is part of the Ceol & Craic Festival weekend and will promote local produce and crafts. Stall-holders must make or produce the product that they sell, vegetables, plants, home-baked goods, crafts etc., and priority booking will be given to local residents. Stall-holders can book their space in advance, contact Don at 051-293030, stall space costs £3, general admittance £1.

## HELEN WOWED BY BON JOVI

Helen Carey was transfixed by the sea of faces as she stood on stage, while Jon Bon Jovi belted out his rock classics, with his veteran rock band from the U.S.A. Helen was one of the lucky winners picked to go on stage at the Bon Jovi concert, held in the R.D.S. Dublin recently.

While she did get to shake hands with the Megastar, there was no opportunity to get a photo. Nina Power looked after Helen in Dublin, and while swapping notes over a Chinese take-away after the event Helen determined that although the experience on stage was unforgettable, she is certain that she would never want to be a popstar! Congratulations are also in order for Helen who turned 16 last Saturday. Happy Birthday Helen!

## 'BULLS ON TOUR'

Sue Burkitt's 'Bulls on Tour' joint exhibition with Justin Laffen is now on at the Old Market house Arts Centre Dungarvan. The exhibition of painting and sculpture was opened on Thursday last week, viewing hours at the gallery are Tuesday- Friday 1.30 p.m. to 5 p.m. and Saturday 12 noon until 6- admission is free.

## SNIPPETS

Brian Corry is on the mend, so submissions for the Stradbally notes, from July 4th, should once again be brought to Brian on High Street Stradbally. A group from Stradbally have been invited to make a presentation to Tánaiste Mary Harney on Waste management strategies, water may also be on the agenda! July 1st is the date when the choir of St. Mary's Diocesan school for Girls from South Africa performs in Holy Cross church at 8.30 p.m. Funds raised from the evening will go towards the restoration of the mediaeval church ruins in the grounds of St. James' Stradbally.

## COFFE MORNING A GREAT SUCCESS

They came on the dot of 10 a.m., and kept coming, for St. James National school annual 'Taste of Summer' coffee morning last Saturday. The high humidity caused perspiration to pour from the brows of the volunteer Mums who became first-class waitresses on the day, dancing attendance on the patrons who brought their custom to this worthwhile event.

As usual Don Sutherland's snickerdoodles and peanut butter cookies were in hot demand, along with the vast array of home baked buns, bracks and cakes, provided by the Mums who baked up a storm. Miriam O'Mahoney and Jill O'Morchoe ran their 'garden centre' from the late Canon Hewitt's garage and were besieged by local gardeners, while the cake stall and book stalls did equally well. The organisers would like to thank all those who supported the morning, and were delighted that the funds raised for the school exceeded all expectations.

## MISSION ALIVE - A REPORT FROM HOLY CROSS

There will be a meeting in Bally Community centre next Wednesday (June 27th), at 8 p.m. to further discuss 'Mission alive' which is a time for celebration and giving thanks for the Irish Missionary movement. There has been an encouraging response to the appeal for information on the number of priests and religious, from the Parish who have given sterling service in many countries across the world.

The idea is that there will be a parish celebration to be followed by a Diocesan celebration and finally a National celebration in the R.D.S. Dublin from October 4th to the 7th. It does not matter if the religious in question are not actually from the parish as the invitation extends to anyone living in the parish, not a native who may have a family member, a priest or religious. The committee would like to get information on these people as soon as possible.

## VISITING CHOIR

It is hoped that the local Community will give a warm welcome to the choir of St. Mary's Diocesan from South Africa, when they arrive here on the 1st of July. An appeal is being made for people to donate refreshments and to help cater for the choir. This will take place in the Barron hall and please contact Margo Crowley if one is prepared to help.

## CEMETERY MASS

The annual cemetery Mass for all buried in the cemetery attached to Faha church will be offered on this Friday evening (June 22nd), at 7.30p.m. It is also the Feast of the Sacred Heart and a large crowd is expected. There will be refreshments after Mass but no strawberries!! Faha church is dedicated to the Sacred Heart and was in fact built in 1804 by the Barron family of

Sarahville.

## PETER'S PENCE

The Annual Peter's pence collection is due this weekend and is the blue envelope in your box for June 24th. This collection not only helps his holiness the Pope, but is also used for Diocesan purposes, which takes in many services given by the Diocese, and like all organisations there are ever mounting debts to be paid so a little extra would be appreciated.

## TALLOW

Everyone who visited Tallow at the weekend to venerate the relics of St. Therese couldn't help but be impressed at the devotion and tranquil atmosphere which prevailed throughout with thousands moving in procession past the relics, and spending time in silent prayer in the beautiful oratory where the Carmelite nuns spent so much time in prayer. It was indeed an historic occasion and one which will live in the memory of all who were privileged to be there.

## SCHOOLS

Pride of place goes to Elaine Halpin who ran a great race to win a Silver medal in the three-hundred metres under-14 at the final session of the Primary School sports in St. Augustine's college, Duckspool last week. In fact Elaine was the only athlete from Stradbally school to win a medal which makes her achievement all the better and congratulations goes to her.

There was hard luck for the boy's under-14 relay team of Pádraig and Christopher Casey, Thomas Kiely and Nicholas Drohan, as a dropped baton put paid to any chance they had, better luck next time. It was a worthwhile exercise for the boys and girls to have taken part in the school sports and now that they know what is involved hopefully there will be even greater success next year.

## BALLYLANEEN/FAHA/STRADBALLY COMMUNITY GAMES

### UNDER-10 MIXED FOOTBALL

On Saturday May 19th we played the Rathgormack Under-10 football team in the first round of the community games. The game commenced in whirlwind fashion with Rathgormack first to register a score from their left halfback. We were finding it hard to win possession at this stage but David Kett was outstanding in goal and he made a few forays up field in search of a first score. Even though the home defence was under constant pressure they were playing fairly well none more so than David Kiely at full back ably assisted by Conan Queally and Marian Clancy. Darren Power was impressive at centre back and Nicola Fennell was our attacking half back. James Cullinan made a few vital interceptions at left halfback and completed these with some long clearances relieving the pressure momentarily. The half time score was 2-02 to no score.

We went out in the second half in a very determined frame of mind and a number of positional changes. Centre forward Joe Kett moved into goal with David Kett moving to midfield with Paul Finn moving in to centre forward where the selectors believed his speed would cause problems for the opposing number six. These changes worked a treat with the Stradbally defence continuing where they had left off.

Stephen Drohan, David Kett, Gillian Aherne, Paul Finn and Paddy Kiely were on top at this stage and Sarah Heffernan, Damien Kiely and Mary Roche were opening up the Rathgormack full back line.

Damien Kiely goaled after 25 minutes after good work by Darren Power, David Kett and the tigerish Stephen Drohan. The visitors responded with two points. We put immense pressure on the Rathgormack defence but could not find a way through until David Kett scored an inspirational goal after great work by Joe Kett, David Kiely, James Cullinan, Gillian Aherne and Sarah Heffernan.

We then introduced four subs, Gavin Kiely, Michael Kiely, Anthony Drohan and Damien Sheehan who all acquitted themselves very well. Rathgormack finished on a score line of 2-06 to 2-00.

Stradbally/Ballylaneen/Faha community games would like to thank all the players for playing their hearts out on the day and also the parents for bringing the children along and all the teachers for informing the children of the time and venue for the match. Many thanks to Rathgormack for a good sporting game and we wish them the best of luck in their next games.

### SWIMMING

Wednesday the 23rd of May saw the swimming county finals take place in Splashworld. With County swimming so strong with Waterford Crystal and Splashworld Sharks competing for places in the National finals, two of our competitors did exceptionally well considering the competition. Congratulations to Cormac Cullinan who swan in the under-14's 50m FC. Cormac swan a great race in his heat against great competition. And congratulations to Kevin Cullinan who swan in the under-14's 50m BS, finishing second to win the silver medal. Well done to both boys. Hopefully next year we will see an increase in numbers from the area for swimming.

### ATHLETICS

Good luck to our five competitors for the county finals in Athletics which take place on Sunday the 24th June in Kilbarry, Waterford. Competitors travelling on the day are Shane Aherne and Bobby Clancy in the under-12 long puck, Tanya Power in the under-14 long puck and Emma Morrissey and Tracey Fennell in the 100m sprint. Enjoy the day and good luck to all.

## Question Raised About Potential Old Parish Development

The possible development of a quarry at Mine Head, Old Parish was raised by Cllr. Billy Kyne. The labour councillor questioned whether there was any further progress and if any approaches had been made to the council by a developer.

Cllr. Billy Kyne

County Engineer John O'Flynn revealed that to date no planning application had been lodged although the Council has been undergoing extensive discussions with interested parties.

Indeed the indications are that there is likely to be a planning application but this is not expected to happen until this time next year.

## Proposal To Provide Funding For Playgrounds

Chairman of the SPC on Housing, Social Policy, Cultural, Heritage and Community Affairs, Cllr. John Deasy has recommended to the members of Waterford County Council that they provide up to two playgrounds in the county each year over a five year period.

The councillor, on behalf of the members of the committee, proposed that the Council provide the site where possible, that 50% of the financial cost of the project be funded by the Council and that a local committee is formed to oversee the facilities when in place.

The proposal by the Strategic Policy Committee also asked that £100,000 be put aside in the Council estimates to provide these playgrounds.

The County Manager Donal Connolly said that while the funding cannot be guaranteed in advance of next years estimates, it will be up to the councillors to decide what allocation would be provided in 2002's estimates.

Cllr. John Deasy

## Date For Official Opening Of Kilmac' By-Pass Changed

The opening of the Kilmacthomas by-pass has been delayed. The previous opening date of the road was the 20th of July but it has now been revealed by the County Manager Donal Connolly that the road will not be completed until mid August and the Minister of the Environment Noel Dempsey will be unable to officially declare the by-pass open until the 3rd of September.

Concerns were also raised by both Cllr. John Deasy and Cllr. Tom Cunningham about the problem farmers would face crossing the by-pass with livestock.

The County Manager agreed that it wasn't ideal for farmers to have to bring cattle across busy roads but he said that the severing of land holdings is taken into account when providing compensation. Where possible, the County Manager also said, the Council would attempt to provide safe access (tunnels) for the farmers herding livestock.

Cllr. Tom Cunningham

## Improvement Of Ballyduff Bridge Proposed

The Chairman of Waterford County Council Cllr. Willie McDonnell, following a representation made by Ballyduff Tidy Towns Committee, has proposed that Ballyduff Bridge be renovated.

It has been twenty years since the bridge that spans the Blackwater River was repaired and painted.

However the County Engineer John O'Flynn stated that the cost involved in hiring a contractor to paint the bridge would be in the region of £40,000. This sum is not available under the under current Roadworks estimates.

Mr. O'Flynn did say though that the bridge is in need of painting and the Council will be looking at providing this work next year.

The structure was also declared safe and not in need of any structural repair.

## LEVEL OF INFORMATION ON AREA ACTION PLANS CRITICISED

Cllr. Fiachra O'Ceilleachair has claimed that the public are not being kept informed by Waterford County Council about its Area Action Plans.

He stated that there were two or three controversial points in this plan including that you have to name the buyer of the land before you sell it. The Labour councillor described this as a ridiculous proposal.

The Ring-based councillor in a reference to the No vote in the Nice Treaty said "I think we've all learned a valuable lesson that the public need to be kept informed".

He then went on to call for a public information day to be held where the public would be able to ask questions and get a better understanding of the structures of the Area Action Plan.

The councillor also asked the Council to consider putting together an information leaflet that would be sent to the areas involved in plan.

The County Manager Donal Connolly replied that the plans have been on display and information days in the areas including Ring-Old Parish. He did not see a necessity to hold a further information meeting.

Director of Services Denis McCarthy said that he was willing to meet anyone who had difficulties in understanding the plans either in the Civic Offices or on site.

Cllr. Fiachra O'Ceilleachair

## Council Goes To Tallow For First Time In One Hundred Years

The members of Waterford County Council gathered in Tallow for the first time in its one hundred year history. The visit started with a meeting with the Carmelite sisters who were preparing for another historic event for the small West Waterford town: the visit of the relics of St. Therese.

Chairman of the Waterford County Council and Tallow Councillor Willie McDonnell welcomed the assorted elected representatives and officials to his hometown, in what could be seen as a coup for the Fine Gael councillor.

The meeting was held in the local parish hall, St. Patrick's, which was decked out in flags of the county and the parish.

Cllr. McDonnell, however, warned that the meeting could be the last of its kind held outside the Council Chambers as he claims under the local authority rules "it will be very hard to elect a chairman from a rural town, such as Tallow".

Cllr. Willie McDonnell

# Town Renewal Scheme Criticised By Councillor

To date there has been no take-up of the Town Renewal Scheme incentives which will offer tax relief to those who restore, build and renovate properties in Tallow, Cappoquin, Kilmacthomas and Portlaw, according to Cllr. Paudie Coffey.

The scheme offers a range of incentives but a number of Councillors believe that it doesn't go far enough.

One of the provisions it does not have are incentives for inward investment which was criticised by Cllr. Coffey as the towns will have to rely on their own struggling economies.

The councillor did say though that the scheme has a lot of potential and needs to be brought to the fore by the Council.

Councillor Nuala Ryan was also concerned about the scheme. Many people

in the towns did not have a taxable income, she said, and so they would not qualify under it. The Fine Gael councillor said she would have preferred to see tax incentives offered to the whole of rural Ireland.

Cappoquin Councillor Ollie Wilkinson disagreed with the sentiments expressed however. The Fianna Fail councillor said it is too early to write off the scheme.

He did say though that he wished the scheme could be spread out to rural Ireland as well.

Cllr. James Tobin supported his Fianna Fail colleague and said he was more worried about those outside the scheme than the provisions of the scheme itself.

With the final word on the matter, County Manager Donal Connolly said he believed that the Town

Renewal Scheme has the potential to aid the towns involved.

However he said that it was clear some difficulties existed. One of these problems is the exclusion by the Department of the Environment of some of the properties and areas which the County Council had submitted for the tax incentives.

Mr. Connolly said that the County Council had approached the Department with a view to amending the areas but they had not received much hope of this happening.

Answering the question on the slow take up of the incentives Mr. Connolly said that the reason could be that the Commercial incentives have only just been approved. The Council were reluctant to advertise the scheme until these Commercial Incentives were in place.

He also said that the uptake for the Urban Renewal Scheme, when in Dungarvan, was originally very slow until the last year of it.

He then encouraged the people of Tallow, Cappoquin, Kilmacthomas and Portlaw to attend the upcoming information meetings that will be held in each of the towns in the coming weeks.

## LATE MR. THOMAS J. DOLAN

It is with deep and sincere regret we pen the death of Mr. Thomas J. Dolan, Kickham Park, Clonmel which sad event occurred recently. T.J.'s death, who was in his early fifties came as a severe blow to his wife and family with whom he enjoyed a loving relationship. His passing after a short illness has caused much sorrow to his other relatives, his kind neighbours and his many friends. A void has been created in his home where examples of his skill in making things are much in evidence in the beautiful wooden floors, timber ceilings, staircases and the many improvements he proudly carried out himself, are now poignant monuments to his memory. He was son of James and Maureen Dolan, College Avenue, Clonmel. He was one of two children, a boy and a girl. After leaving school, he took up varied jobs, starting as a messenger-boy at Quirke's Chemists and then at White's of Gladstone Street and then to Curran's Sign makers.

Then for a few years he tried Army life. It had not the appeal for him that it had for his father who gave a service of thirty years soldiering. He then took up employment with Clonmel Chilling where he remained till his death. In 1973, he married Ann Lonergan at Garrymore. They resided in Mitchel Street, Elm Park and finally Kickham Park. T.J. was a most popular and familiar figure on his Honda Motorbike which gave him so much pleasure as he drove to Mount Melleray, the Nire Valley and Tramore. He was noted for the way he kept his bike spick and span, always cleaning and polishing it. But more than anything, he was a good family man who was gifted with his hands, forever making things for the house and before he died he was planning to finish off his Patio but for him the Lord had other plans. He was talented at painting and decorating. He was, needless to say, in much demand. Like his father whose death ten months ago was a big shock for him, T.J. was a lover of the big bands of the swing era and one of his favourites was Glen Miller. Sadly just five months ago he became ill and spent some weeks in the Adelaide and the Meath Hospitals in Dublin where he received the utmost care and attention. Though T.J. had a lot of unfinished work to do, he accepted his illness bravely and used to look forward to the visits from Fr. Colm O'Brien C.C. A few weeks before he died, he was honoured by a visit from his Lordship Most Rev. Dr. William Lee, Bishop of Waterford and Lismore who gave him his blessing. His son Paul was one of the children confirmed that day.

His remains were removed to SS Peter and Paul's Church where they were blessed and received by Rev. Fr. Colm O'Brien C.C. On the following morning, Requiem Mass was celebrated for the happy repose of his gentle soul. The celebrant was Fr. Colm O'Brien C.C. After Mass the funeral took place to Saint Patrick's Cemetery, Clonmel where he was laid to rest. Fr. O'Brien C.C. officiated at the grave side in the presence of a large concourse of mourners paying their final respects to a Christian friend whose memory they will treasure.

To his wife, sons, sister and his many relatives, we extend our sympathy.

Ceol na n-Aingeal go gloisce sé, radharc Dé go bhfeice sé.  
(Funeral arrangements were by Condon's Undertakers, Funeral Directors, Clonmel.)

## LATE MRS. JOSEPHINE BYRNE

It is with deep and sincere regret we record the death which occurred peacefully of Mrs. Josephine Byrne (nee Meskill), Tullaghmealan, Grange, Clonmel which sad event took place at "Bramleigh Lodge Nursing Home", Cahir on Thursday 14th June. Deceased was the last member of a well-known and respected South Tipperary family, the Meskill's of Frehans. Both her uncles were priests in the diocese of Waterford and Lismore. Rev. Fr. Richard Meskill P.P. died, Parish Priest of Clonea-Power/Rathgormack, 24th November 1934 and Rev. Canon Peter Meskill P.P. was Parish Priest in Fourmilewater/Newcastle from 1936 to 1969. He died 15th Sept., 1969.

She was a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease. All callers to her home were made feel truly welcome as she was a caring neighbour abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy-going nature. A woman highly respected by her friends and neighbours who recognised and appreciated her as a caring extremely kind person. She had a great sense of fun and humour which made her delightful company. Predeceased by her husband by some years, they were great supporters of the game of cards at Grange and Newcastle. The game of 45 was her greatest pastime and the district is the poorer at her passing. Many tributes have been paid to this fine lady but perhaps the finest was paid to her on Friday evening when all walks of life were represented in the large concourse of mourners who were present when her remains, after the rosary was recited, were removed from Condon's Funeral Parlour, Clonmel to Saint Nicholas Parish Church, Grange where they were blessed and received by Rev. Fr. William Callanan P.P. Ardfinnan/Ballybannon/Grange. On Saturday morning, the feast of Saint John Francis Regis, requiem Mass was celebrated for the happy repose of her gentle soul. After Mass, she was laid to rest in the adjoining cemetery. To her many relatives, we extend our sympathy.

Go raibh coinnle na bFlaitheas ar lasadh dó ar feadh na síor-riochta.  
(Funeral arrangements were by Condon's, Funeral Directors, Clonmel.)

## LATE MR. JOHN MORRISSEY

A wave of sadness crept over the district on Friday last with the sad news of the sudden passing of Mr. John Morrissey, Knockavannah, Ballymacarbry which sad event took place in Clonmel on Friday 15th June. On Sunday evening, his remains were removed from Fennessy's Funeral Home, Clonmel to St. Mary's Parish Church, Touraneena. On Monday morning, after requiem Mass he was laid to rest in the adjoining cemetery.  
(Full obituary next issue.)

## TOURANEENA RACQUETBALL CLUB NOTES

### REVIEW OF 2000/01 SEASON

The 2000/01 season saw the Touraneena Racquetball club complete its fourth year in existence. In the four years, our players have brought home a total of 18 National junior singles titles, 15 National silvers and 15 National bronze back to the parish. For the last two seasons, the club have finished as the top junior club in the country.

The season opened with the Munster Open which was held in Fermoy Co. Cork. Niamh Coffey grabbed all the headlines from this event because at the age of 14, she became the youngest ever player to contest an Open final. Her efforts in the final which was against the country's top player, Karen Grumbridge didn't result in a victory but it was an outstanding achievement to reach the final. Niamh teamed up with Mairead Hickey in the Open Doubles event and again they reached the final but were extremely unlucky to lose out on an 11-9 scoreline in the deciding game against Karen and Kathleen Grumbridge.

The National Senior Club Championships were held in the O'Loughlin's Sports Complex in Kilkenny City.

It was the first time ever that there was a ladies event and it was played in front of the Rapid cameras which was later shown on RTE television. Two of our players, namely Niamh Coffey and Mairead Hickey were interviewed. In the Open event, our team of Eileen Hickey (captain), Aoife Hickey, Niamh Coffey and Mairead Hickey performed brilliantly to secure the silver medals. Our Novice team of Julie

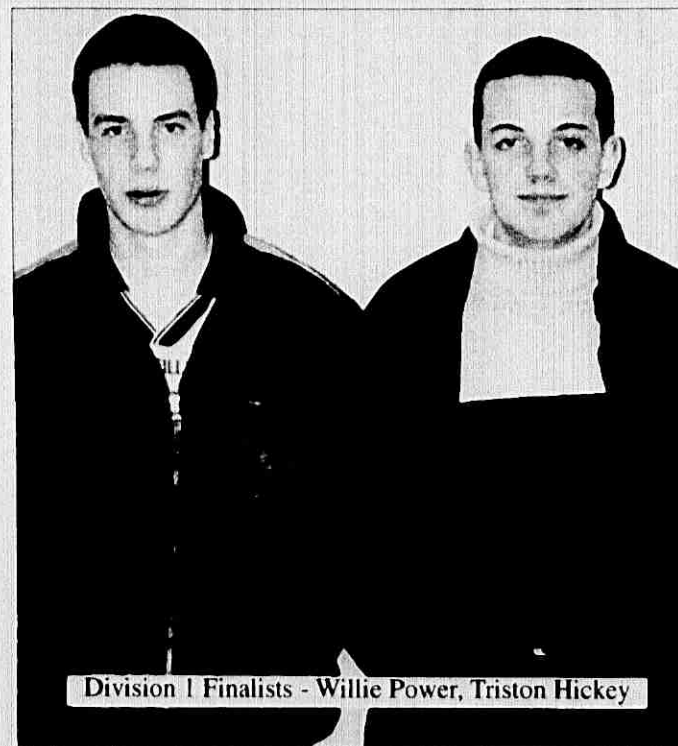

Skehan (Captain), Niamh Coffey and Eileen Hickey also secured the silver medals with some excellent performances.

Next up were the Munster Junior Uneven Championships which were held in Touraneena. Sean Dalton recorded victory in the under 11 grade while Seamus Power and Eileen Hickey had good victories in their respective under 13 grades. Triston Hickey was victorious in the under 15 grade. Silver medals were won by Eanna Power (u11), JJ Coffey (u13), Pearl Grace (u13) and Jack Power (u15). James Power, Niall Power, Julie Skehan and Shane Hickey were all in receipt of bronze medals.

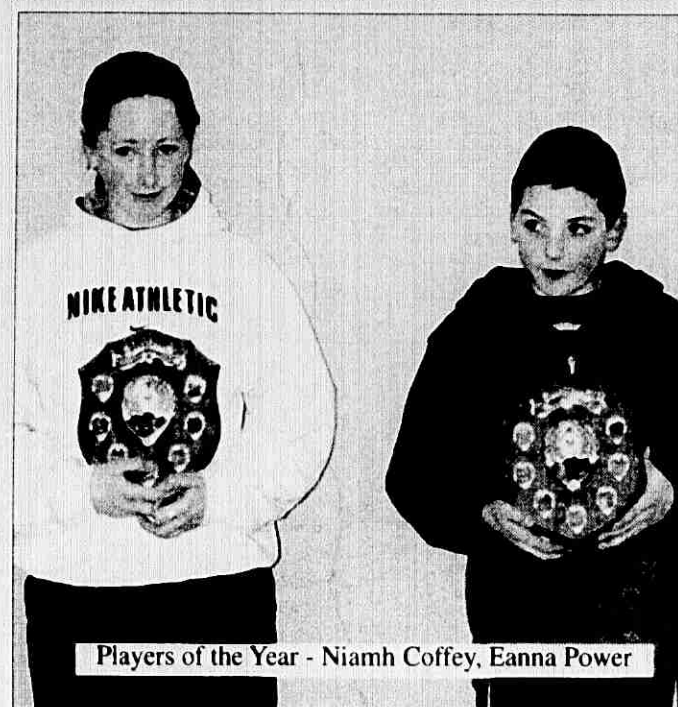

Arklow was the venue for the National finals on the weekend of the bad flooding.

Seamus Power won his 7th consecutive National gold medal when taking the under 13 title. Triston Hickey and Niamh Coffey had excellent victories in the under 15 grades which enabled the club to secure 3 National titles. The Power twins, Jack and Willie, and Karen Cliffe secured silver medals in the under 15, 17 and 11 age groups respectively. Eileen Hickey and Pearl Grace added bronze medals to the clubs overall winning list.

The Munster Even Junior Finals were played in Fethard Co. Tipperary and they proved extremely successful for the club. Seven titles were up for offer and we won all 7. On top of that we also secured 6 of the silver medals. Eanna Power and Karen Cliffe won the under 12 grades, Seamus Power and Eileen Hickey won the under 14 grades, Triston Hickey and Aoife

Division 1 Finalists - Willie Power, Triston Hickey

Players of the Year - Niamh Coffey, Eanna Power

Hickey won the under 16 grades while Mairead Hickey was victorious in the under 18 grade. Our silver medals were won by James Power, Eimear O'Connell, JJ Coffey, Julie Skehan, Jack Power and Niamh Coffey. Diarmuid Walsh, Pearl Grace and Shane Hickey returned home with bronze medals.

Our last trip of the season was a long spin to Moylagh in Co. Meath for the National Even Finals. Eileen Hickey played the best racquetball of her life to secure her first National 'A' title in the under 14 grade. Triston Hickey kept on his winning role to win the under 16 grade securing his third title in the process. Jack Power proved victorious in the under 18 grade which also saw him win his first National 'A' title. Jack also won the silver in the under 16 grade while Niamh Coffey won her fourth National silver medal only losing out 11-9 in the tie-breaker. Four bronze medals also returned home to the Deise county with Eanna Power, Julie Skehan, JJ Coffey and Shane Hickey.

The clubs internal club Championships were held prior to the Christmas break. There were 6 different grades so everybody was catered for. Triston Hickey was in top form in division one beating Willie Power in the final. The division two final between Mairead Hickey and James Condon was never played. Eileen Hickey overcame the challenge of Julie Skehan in the final of the division 3 grade. Lily Mc Grath was victorious in division 4. Eanna Power defeated James Power in the final of division 5 while Kieran Power ruled supreme in the division 6 grade defeating Stephen Power in the final.

The club Player of the Year awards went to Niamh Coffey and Eanna Power. This year there was an award for the clubs most improved players and they went to Julie Skehan and James Power.

The new season will kick start in the next few weeks with the club annual general meeting. We are asking all our players and at least one of their parents to attend this meeting.

Back (l. to r.) Triston Hickey, Lily Mc Grath, Eileen Hickey; front: Kieran Power, Canna Power

# HORSE RACING

BY MARK PHILLIPS

## WELL BRED WINNER

Recent Epsom Derby winner Gallileo is certainly bred in the purple as his dam Urban Sea was herself an Arc winner in France.

## SHREWD MOVE

Coolmore boss John Magnier bought into the breeding rights of Golan prior to the Derby at Epsom and the Derby runner up is set to stand alongside Gallileo at Coolmore in 2003.

## TOP RATED GALLILEO

Recent Derby winner Gallileo was last week given a rating of 126+ which is 1 pound higher than last years top three year old Sindaar. This rating by the British horse racing board handicapper Nigel Gray is the highest ever awarded to a Derby winner.

## THIS WEEKS RACING

Thursday : Naas 5.30, Ripon, Southwell, Royal Ascot.

Friday : Down Royal, 5.30, Ayr, Hexham, Redcar, Newmarket, Goodwood, Royal Ascot.

Saturday : Down Royal, 2.30, Ayr, Redcar, Market Rasen, Ascot, Newton Abbot.

Sunday : Gowran Park, 2.30, Perth, Pontefract, Lingfield.

## TRUCKINABOUT FOR JOHN

Fast ground specialist Truckinabout proved a nice chase winner for Dungarvan trainer John Queally last week.

## TRAMORE ON TUESDAY

Racing takes place at Tramore next Tuesday where there is a seven race mixed card down for decision. The first race is expected to get underway at 5.30 but one should check the daily newspapers to confirm same.

## SUPER SADDLERS WELLS

Top sire Saddlers Wells is now twenty and Gallileo was his 46th individual group one winner.

## IRISH OAKS WINNER RETIRED

Last years Irish Oaks winner Petrushka has run her last ever race and will now be retired to the breeding paddocks. The unfuwain filly also captured the Yorkshire Oaks as well as the Prix de L'opera at Longchamp but than disappointingly at Epsom last week in the group one Coronation Cup. It later transpired that Petrushka suffered a strain to her off fore tendon.

## FLY OVER TO GALWAY

Do not expect too many UK runners at the upcoming Galway Racing Festival due to the regulations currently in force which states that all British trained runners must travel to this country by air. Transporting horse by air can prove pretty costly.

## ROYAL ASCOT

There is no shortage of Irish trained runners at Royal Ascot this week where Mick Kinane is quoted at 7/2 to end the meeting as the leading rider. Fantastic length is well fancied in the Prince of

Wales Stakes but he will need to be at his very best to beat Kalanisi.

## BIRTHDAY BOY

Jockey Mick Kinane who recently rode both the Oaks and Derby winners at Epsom celebrates his 42nd birthday on Friday of this week.

## TWO MORE SIRE PERISH

Following the recent loss of top national hunt sire Zaffaran we lost yet another two well known stud horses last week with the death of Charnwood Forest and Salse. Charnwood Forest a nine year old smashed a hind leg while exercising at Rathbarry Stud and he was subsequently put down. British based 16 years old sire Salse was also reported dead last week as the son of Topsider was found to be suffering from a crumbling pedal bone.

## A FIRST FOR ROBBIE

Twenty four year old rookie trainer Robbie Osborne enjoyed his first success as a trainer at Tipperary last Thursday sending out the 11/1 winner intensity to capture the Sean Barrett Bloodstock Insurance Handicap. Robbie operates out of Craddocktown House, Naas formerly the training yard of his father Paddy.

## GO AHEAD FOR DUNDALK

Trainer John Gosden lost a valuable three year old last Monday when Clearing was put down after shattering a hind pastern bone during an exercise gallop at Manton. A winner of the Victor Chandler European Free Handicap, Clearing finished a close up third in the French 2000 Guineas in what proved to be the colts final ever race outing.

How can a memory be embraced,  
We miss you Mam, day by day,  
We love you more than words can say,

**HALLAHAN** — First Anniversary — In loving memory of Thomas (Tommy) Hallahan, Affane, Cappoquin, who died on June 18, 2000.

"TOGETHERNESS"  
Death is nothing at all,  
I have only slipped away into the next room,  
Whatever we were to each other,  
That we are still.  
Call me by my old familiar name,  
Speak to me in the easy way which you always used to,  
Laugh as we always laughed at the little jokes we enjoyed together.  
Play, smile, think of me, pray for me  
Let my name be the household word that it always was,  
Let it be spoken without effort,  
Life means all that it ever meant,  
It is the same as it ever was.  
There is absolutely unbroken continuity,  
Why should I be out of your mind because I am out of your sight?  
I am but waiting for you for an interval,  
Somewhere very near, just around the corner.  
All is well, nothing is past, nothing is lost,  
One brief moment and all will be as it was before — only better.  
Infinitely happier and forever — we will all be together with Christ.  
(Lovingly remembered by Thomas and John Hallahan and families).

**HALLAHAN** — Ninth Anniversary — In loving memory of Mai Hallahan, Affane, Cappoquin, who died on June 14, 1992.  
We lost a mother with a heart of gold,  
How much we miss her can never be told,  
She shared our troubles and helped us along,  
If we follow her footsteps we will never go wrong.  
We miss you from your fire-side chair,  
Your loving smile and gentle air,  
Your vacant place no one can fill,  
We miss you mother and always will.  
She was a mother so very rare,  
Content in her home and always there,  
On earth she toiled, in heaven she rests,  
God bless you, mother, you were one of the best.  
Each time we look at your picture,  
You seem to smile and say,  
Don't be sad but courage take,  
And love each other for my sake.  
(Lovingly remembered by Thomas and John Hallahan and families).

**SHAW** — Third Anniversary — In loving memory of Josephine Shaw (née Slattery), Clonmel, who died on June 28, 1998.

Wherever we are, we love you still,  
All our wishes I hope will come true,  
And they are to meet in heaven with you.  
I'm sorry that he took you,  
But he will take good care of you,  
Michael and Dad will always be there for you,  
We will miss all the jokes and laughs we had together.  
(From her loving family).

Anniversary Mass in Kilrossanty Church at 7.30 p.m. on Saturday, June 23.  
A mother's love is something  
That no one can explain,  
It's made of deep devotion,  
Of sacrifice and pain.  
A mother's love is all of these things,  
It's the greatest treasure known,  
And the greatest mother in all the world,  
We were proud to call our own.  
(From her husband Patrick and family at home and in England).

**POWER** — Third Anniversary — In loving memory of our dear mother, Nora Power, late of Allen Street, Cappoquin, who died on June 20, 1998. R.I.P. Masses offered.

Wishing God could have spared you,  
If just for a few more years.  
(Inserted by his loving wife and family).

And although it can no longer be celebrated,  
It can always be remembered and cherished,

**THE MIRACULOUS PRAYER** — Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your favour, not mine. Amen. Say for three days, promise publication and favour will be granted. Never known to fail. With grateful thanks.— M.O'B

**ST. JOSEPH OF CUPERTINO** — Oh great St. Joseph of Cupertino, who by your prayers, did obtain from God the grace to be asked at your examination the only question you knew, obtain for me through your intercession success like thine in the examination for which I am preparing and in return I promise to make your name known and cause it to be invoked. Amen. — P.E.

**NOVENA PRAYER TO ST. JUDE** — St. Jude, glorious apostle, faithful servant and friend of Jesus! The name of the traitor has caused thee to be forgotten by many, but the Church honours and invokes thee universally as the patron of hopeless cases, of matters despaired of. Pray for me who is so miserable; make use, I implore thee of that particular privilege accorded to thee, to bring visible and speedy help where help is almost despaired. Come to my assistance in this great need that I may receive the consolation and succour of heaven in all my necessities, tribulations and sufferings, particularly (here make your request) and that I may bless God with thee and all the elect throughout eternity. I promise thee, O blessed Jude to be ever mindful of this great favour and I will never cease to honour thee as my special and powerful patron and to do all in my power to encourage devotion to thee. # West Waterford Golf & Country Club Notes

## LAUNCH OF "A GUIDE TO GOLFING IN IRELAND'S SOUTH EAST"

On Monday last the 18th June, West Waterford Golf and Country Club were especially proud to play host to the launch of "A Guide to Golfing in Ireland's South East", the definitive golfing guide for Waterford, Tipperary, Kilkenny, Carlow and Wexford. This publication plays a huge role in attracting golfing visitors from within Ireland, the U.K. and overseas. It is published by South East Circuit Golf Group with the support of South East Tourism and the E.U. Agri-Tourism Scheme. The publication itself is produced and printed by Mr. Eamonn Griffin and his company Intacta Print in Waterford. Eamonn who is well known in sporting circles, is one of the driving forces behind the resurgence of Tramore racecourse and as a keen golfer knows what is required of the visiting golfer. Eamonn kindly hosted the launch at West Waterford and we were delighted to welcome golfing dignitaries from throughout the region and beyond who enjoyed 18 holes of golf and a superb meal afterwards during which the brochure was officially launched.

### FRIARY HANDBALL CLASSIC A HUGE SUCCESS

The Friary Handball Club Building Fund Golf Classic took place in West Waterford on Thursday 14th Friday 15th, Saturday 16th and Sunday 17th. In excess of 135 teams took part and all who played were extremely complimentary of the condition of the course. West Waterford Golf and Country Club were delighted to be associated with the event and wish every success to the Friary Handball committee in their future fundraising efforts, and we would welcome them back to West Waterford at some time in the near future.

# Lismore Cricket Notes

With Limerick unable to travel on Sunday Lismore had a friendly game against old rivals Dunmore East. Lismore were put into bat on a soft Lismore track and were soon in trouble, losing there two openers quickly. It was then up to the batting of Ray Bryan and Dave Ind to steady the ship before Ray was out to a good catch with the score

on 49 for 3. Dave Ind then shared another partnership of 29 runs with Michael Hickey, before Michael was out for 3 runs, bowled by a ball that kept very low. The score was then 78 for 4, and this bought John Ind to the crease. The father and son partnership looked good to set a large total before Dave Ind was caught behind to a

diving catch from the Dunmore keeper. It was then up to John to see Lismore scramble to a reasonable total. John did this in fine style with some support batting from the less young but very distinguished batting of Dermot Edwards. Dermot ended on 7 not out and John 23 not out. Lismore's total after 40 overs was 117 for 6.

Dunmore got off to a poor start losing three wickets for only 20 runs facing opening bowling of Dave Ind and Keith Lemon. By the time 21 runs had been scored they had lost 3 more, Keith Lemon missing out on his hat-trick by one ball. Lismore's Brian Power broke a finger in the field but bravely continued before he had to leave the field injured.

This bought to the field the third generation of the Ind family, Oliver at 6 years of age took his place at fine leg and did well for the team as twelfth man. Dunmore soon fell victim to some slow bowling from Michael Hickey who took two wickets for 13 runs and ended Dunmore's day. Sounds like Dunmore weren't in the race at all with this commentary, but they managed to achieve 82 all out, which was only 35 runs off our total.

Many thanks to the lads from Dunmore East for playing us on such short notice. Next time if they organisers really get their head's screwed on though they will ring that BBQ fellow from Mitchelstown and we will enjoy a feast as well.

## KCK Athletic Club

The Munster Juvenile Track and Field championships for Girls and Boys U-8 to 13 were held at the Regional Sports Centre, Cork last weekend and once again club members had a brilliant weekend taking home 36 championship medals. On Saturday we had brilliant wins from Claire Morrissey in the Girls U-9 60 m and fourth in the Long Jump as it is four to go through to the All-Irelands in a few weeks time.

Brenda Doherty in the Girls U-11 80 m had a brilliant win. Also Niamh McGrath winning the Girls U-11 High Jump and fourth in the Long Jump with Lenora Kirwan second in the Girls U-11 High Jump. Elaine Flavin was very unlucky on the day competing in the girls U-10 Long Jump where 100 competitors competed. Elaine was in the lead going into the last 10 with 3 metres 55 centimetres.

She finished in fourth place with only a few centimetres dividing the last four. In the Boys U-9 Jack Morrissey had a fine performance to take third place in the 60 m. David McCarthy had a fine performance to take third place in the Boys U-13 800 m with Conor McGrath taking fourth place in the Boys U-13 Long Jump.

Our relay teams had a great day. The Girls U-11 team had a fine performance to take second place. The team was Brenda Doherty, Lenora Kirwan, Lorraine McCarthy and Niamh McGrath. The Boys U-11 also had a fine performance to finish in second place. The team was Sean Browne, Ed-

ward Walsh, Emmett Power and Craig Kinghorn. The boys U-13 also took second place. The team was Conor McGrath, Diarmaid Walsh, Eoin Walsh and Kevin Harty.

All the young athletes were back on Sunday and we had another great day. In the Girls U-12 Lenora Kirwan had a great day winning the Ball-throw, taking second in the Hurdles and second in the Long Jump.

Claire Morrissey had another fine performance to take second place in the Girls U-9 200 m. And a fine performance from Lorraine McCarthy to take second place in the Girls U-11 1100 m. Also fine running from Julia Kirwan to take 2nd place in the Girls U-12 1100 m. David McCarthy had a fine performance in the Boys U-13 1500 m to take second place.

Conor McGrath had a great day winning the High Jump Boys U-13 and he also took second place in the Triple Jump. Kevin Harty also had a fine performance to take second place in the Boys U-13 High Jump.

The Girls U-10 had a fine performance in the Relay to take second place as they only made the Final as the fastest losers. The team was Elaine Flavin, Debbie Kirwan, Laura Behan and Claire Morrissey.

The Boys U-12 were a bit unlucky to finish out of the medals in fourth place. The team was Darren Dunford, James O'Mahoney, Diarmaid Walsh and Sean Browne.

Now a big well done to the non-medal winners who gave their best and their day

will come. Girls U-9 - Kielan Organ, Sinead O'Grady, Ashling Fehilly and Laura Dowdall. Girls U-12 - Michaela O'Grady, Rachel Walsh, Katie Power, Deirdre Flynn, Kate Kirwan. Girls U-13 Aoife McCormack.

Boys U-8 David Kearney, John Halley. Boys U-9 Eoin Walsh, Daniel Moroney. Boys U-10 Sean Fehilly, John Power and Niall Walsh. Boys U 11 Aidan Halley, Niall Browne, Stephen Kearney and Ross Wade. Boys U-12 Darren Dunford, James O'Mahoney and Desmond Sheehan.

All those girls and boys had fine performances and were not far from the medal rostrums. Next Sunday our athletes will compete in the County Waterford Community Games Finals which will be held at the Regional Sports Centre, Waterford with the parade starting at 12 a.m.

All athletes should be in Waterford not later than 11.30 a.m. Also, the best of luck to Claire O'Sullivan and Ellie Walsh who are competing in the games in Santry Stadium next Saturday. And to Claire O'Sullivan and Dermot Cummins who are competing in the All-Ireland Junior and U-23 Championships in Tullamore on Sunday next. So it's a big week for the club.

Also next weekend KCK Athletic Club will hold their annual Flag Day as it was postponed from last weekend. Also congratulations to William Harty for a fine performance in the 6-mile Rás na Rinne for a great win in 30 mins. 11 secs.

## The Pike, Dungarvan

On Saturday evening 16th June and Sunday 17th June, we held our annual 2 day event on the track which proved to be one of the best weekend's racing in recent times. The huge crowd present were treated to some wonderful racing with some very well turned out cars on display. On Saturday evening we had a compliment of over 70 cars and on Sunday we had over 90 cars which is great testimony to the commitment of all the drivers involved and thanks to all the visiting drivers who made a special effort to attend. Welcome back to John Roche from the North Cork Club who hasn't raced in over 2 years but still showed all his experience to take second in the class 1 final. In the Junior Class (14 - 17 year old), we had Sean Griblin making his debut and taking the honours in the final on Saturday. On Sunday we had Niamh O'Callaghan from the Carbery Club racing for the first time at the Pike taking the win in the second Junior's Race and well done to Martin Lenane for taking his first trophy in the same race. Also welcome back to Brian O'Keefe and Ian Laracy. Brian won the class 2 final on Sunday and Ian had a second and first in class 6 on Sunday. We held an Inter-County race on Sunday which was a great success. Waterford were the current champions and put up a strong defence of the title but a mixture of mechanical failure and misfortune meant that the title slipped away from us and the worst Cork Club emerged as the victors with Waterford taking second place. North Cork team were - John Roche, Denis Corbett, Gerard O'Connor, Jerry O'Sullivan, Donal Linehan, John Shanahan, Darren McNamara and Valerie O'Hanlon.

Waterford team were - Ger Barry, Brian O'Keefe, Kenny Tracey, Mick Moore, John O'Connor, Tom Kenneally, Shane Hickey, Veronica Tobin.

Results from weekend's racing as follows:

**Class 1** — Eoin Mackey, John Roche, Kevin Healy.

**Class 2** — Patrick Browne, Alan Mulcahy, Seamus Anderson.

**Class 3** — Phelim Cotter, Jason Ryan, Gerard O'Connor.

**Class 4** — Brendan O'Leary, Willie Bumster, Mick Moore.

**Class 5** — John Shanahan, Ray D'Arcy, Donie Linehan.

**Class 6** — Tommy Kiely, Paul Mulcahy, John O'Connor.

**Juniors** — Sean O'Griblin, Martin Lenane, Barry O'Sullivan.

**Ladies** — Valerie O'Hanlon, Veronica Tobin.

### SUNDAY RESULTS

**Class 1** — Ger Barry, Jerry Tobin, John Roche.

**Class 2** — Brian O'Keefe, Seamus Anderson, Jimmy Browne.

**Class 3** — Final - James O'Shea, Charlie McNamara, Frank Nugent.

**Class 3** — Consolation Race - Pat Keating, Alan Kinsella, Kevin O'Brien.

**Class 4** — Mick Moore, Willie Bumster, Jerry O'Sullivan.

**Class 5** — John Shanahan, John O'Connor, Donal Linehan.

**Class 6** — Tom Kenneally, Ian Laracey, Paul Mulcahy.

**Juniors Final** — Shane Long, Brendan Hickey, Derek Butler.

**Ladies** — Valerie O'Hanlon, Ellen Sheedy, Veronica Tobin.

Next Sunday 24th June, East Cork will run a race meeting at the Pike.

Scrutining ends at 1 p.m and racing commences at 1.30 p.m.

## UNDER-14 HURLING

Our U.14 hurlers had a tremendous week with victories over Stradbally in the Western Championship and Ardmore in the County Championship. We gave a much improved performance against Ardmore on this occasion with excellent displays from many of the lads especially goalkeeper Darragh Curran and our centre back and captain Emmet Kelly.

The final score was Clashmore 4-5, Ardmore 2-4.

This win ensures that we qualify for the semi final of the competition in which the opposition will be Sacred Heart (Erins Own). The game is fixed for Leamybrien on this Thursday evening at 7.00 p.m.

In the western championship we are in a playoff with Ardmore for a semi final spot. This game is fixed for Bushy Park on either next Monday or Tuesday evening.

## UNDER-12 HURLING

The U.12 hurlers also had a successful few weeks with wins over Kilrossanty and St. Olivers. We now proceed to play St. Olivers in the Western Final which will be played in Cappoquin on Sunday morning, July 1st. Unfortunately there are far too few games in this grade. It is not possible to promote hurling playing only three or four competitive games per year.

## UNDER-10 FOOTBALL/ HURLING

U.10 football training continues each Friday evening at 6.00 under coach Liam O'Rourke. There is plenty talent available in the age group and if properly developed the future for the club looks bright. We recently visited Abbeyside and after a good game of football the lads scored a comprehensive victory. Abbeyside will pay a return visit to Clashmore on Tuesday 3rd July to play the lads in football and hurling commencing at 6.00.

## UNDER-16 HURLING

The U.16 hurlers continue to prepare for the championship under coach M1. Hynes. The first competitive game is against Naomh Bríd in the County Championship. This game is fixed for Clashmore on Monday next, June 25th. The following week we are away to

Kilmaethomas. All games fixed for 7.45.

## TRIBUTE TO GERALD MCCARTHY

Despite great disappointment at the defeat of our county hurlers in Páirc Uí Caoimh on Sunday week last the club would like to pay tribute to Gerald McCarthy on the tremendous job he did for Waterford hurling during his five year term with the county.

When he was at the helm we were able to compete consistently with the best hurling counties, something unheard of in the previous twenty years.

Despite working from limited resources he got a tremendous response from the players and we were treated to some mighty games during these years.

The airtime allotted and much of the rubbish spoke by his critics on WLR on the days after the match was out of touch with the views of most G.A.A. followers in the county.

Hopefully Gerald will be back as senior hurling coach in the county at some future time.

# CLG An Sean Phobal

CLG an Sean Phobal has commenced its Parish League to run over the coming weeks. Four teams will compete, each team comprising of eleven players.

Pádraig Healy captains team A under the guidance of Michael Toibin. Among its ranks are such players as Tomás Galvin, James Flavin, Sinead Coffey and Sharon O'Donnell and many more. They could be the surprise of the series.

Team B is captained by the talented Paddy O'Donnell and managed by Declan French. On paper these look to be the team to beat with Brendan Moore, Teresa O'Donnell, Gina Foley and Ian Fahey all out to make an impression. Team C led by Michael Lally are quietly confident under Michael Hogan who is enjoying a good run with the juniors. This well-balanced team includes Cormac Nugent, Brendan Hogan, Kate Kiely and Hannah Whelan and by all accounts, they fancy their chances.

Last but by no means least, the versatile Shane Power captains Team D who are managed by Aidan Power who mans the goalie spot for the Juniors. Backboned by such talent as William Morrissey, Alice Power, David O'Brien and Morgan Mansfield, they are well capable of taking the title.

This eagerly awaited tournament is due to commence, weather permitting on Tuesday 19th June. So come along and see the talent of the future on display in Pairc Ui Cholmain. Further enquiries can be had from Ann Hogan at 43518.

#### Outstanding Fixtures:

Tuesday 26th June at 6 o'clock - Michael v Pádraig, 7 o'clock - Shane v Paddy.

Friday 29th June - Final.

#### JFL SEMI FINAL

Old Parish Junior footballers drew with Ballinameela in the J.F. League Semi-final in Ring on Sunday evening last. This is a game we could have won but in the end we were lucky to come away with a draw.

Ballinameela got off to a perfect start when they scored a goal in the first minute but our lads responded well with points from Timmy Power and Michael O'Donnell. When Man of the Match Michael Dower scored a superb goal mid-way through the half, we appeared to be in the driving seat. However, just before half-time Ballinameela got their second goal to cut our lead to just one point to leave the score 1-4 to 2-0 in favour of Old Parish.

Ballinameela were on top early in the second half and appeared to be heading for victory when they took a two-point lead. Old Parish squandered many chances but in the end dug deep and finished the stronger with two points from Alan Leahy and Pádraig Mahony to level the scores. Final score Old Parish 1-7, Ballinameela 2-4.

While we could have come away with victory I think it is fair to say we were happy to settle for a draw and we look forward to the next day.

Line out was - Aidan Power, Martin Curran, Ray Terry, Michael Power, M. J. Keating, Mike De Paor, Shay Harty, Thomas Mahony, Michael O'Donnell, Tucker Curran, Raymond Power.

Subs used - Alan Leahy, Brian Mahony, David Condon. Also James Fitzgerald, John Foley, Michael Lally.

Next we play Brickey Rangers in the junior Football Championship on Sunday next in Ring at 2.00 p.m. Be there.

# Dungarvan GAA Notes

## INTERMEDIATE HURLING LEAGUE FINAL

Last Sunday night at the Fraher Field, we played Dunhill in the final of the Intermediate Hurling league. We had two weeks previously played Dunhill in the league and had on that occasion been well beaten. So we were hoping on this occasion for a much better performance from the players and that we could reverse that defeat from two weeks ago. Dunhill opened the scoring with a point in the first five minutes before a long ball into the square which was whipped upon by John Joe Henley to the back of the net saw us lead by 0-1 to 1-0. Bobby Lyons added to our lead minutes after with a well taken point but just minutes later, a Dunhill attack saw the sliotair hit the back of our net to see Dunhill draw level. This was to be the start of Dunhill's purple patch (a purple patch they had for most of the match in truth) where they slotted over three unanswered points, two of which were from frees which at times we too easily conceded. Graham Nagle and Derek Truman then scored a point each which just left the deficit at the minimum. However, Dunhill added a further point to their tally on the stroke of half-time to leave the score at 1-6 to 1-4.

On the resumption it was Dunhill who again seized the initiative and raced further into the lead with some fine points. Even at this early stage of the half, Dunhill's superior fitness was showing and it would take more than inspiration from the relics of St. Theresa of Lisieux to get us back into the game. Although it must be said that our half-back trio did their utmost to keep us in touch, it was further up the field that our limitations were cruelly exposed. We made hard work of getting possession and when we did gain it, we almost immediately wasted it. It took us until midway through the half for us to score a point off the stick of Micky Power but at this stage Dunhill had reached 1-11. Soon after a long clearance from their defence was allowed bounce on the edge of the Square and squirmed into the net. There was no way we were going to turn this game around now and we went through the motions for the remainder of the half. A Graham Nagle point was our sole remaining score of the half and after a disappointing hour's hurling, it was to be a comfortable league final victory for Dunhill on a 1-6 to 2-15 scoreline. This heavy defeat clearly indicates the amount of work that needs to be

done both on the hurling and fitness levels if we wish to make a serious challenge in the Intermediate Grade of the Championship later on.

Team: Paul Ahearne, Pat Sullivan, Conor Murphy, Michael McLoughlin, Trevor Galvin, Ciaran Curran, Bobby Lyons, Graham Nagle, Derek Truman, Shane Hayes, Eoin Cunningham, Micky Power, Seamus Cunningham, Paddy Ward, John Joe Henley.

## SENIOR FOOTBALL

This Sunday night the 24th June we play Kilrossanty in the Loser's Group of the Senior Football Championship. This is indeed a very important game as the losers would then be involved in relegation play-offs. Hopefully a big effort will be made by all the lads to try and overcome the strong challenge of Kilrossanty. This game takes place at the Fraher Field and has a 7.30 p.m. start.

## JUNIOR FOOTBALL CHAMPIONSHIP

This Saturday night, we take on Ballinameela in the first round of the Junior Football Championship. This game takes place at Cappoquin and has a 7.30 p.m. start.

## DEISE DRAW

This month's Deise Draw takes place on the 29th June in the Clubhouse at Clogherane. Hopefully, with the club hosting the draw, our subscribers may have some luck. We once again thank you all for your continued support.

## U-12 HURLING

Our U-12 hurlers continued their preparation for their forthcoming Western Final when Ballygunner were our welcome visitors to Clogherane last Saturday morning. We got off to a tremendous start and maintained our efforts throughout the forty minutes to run out worthy winners. Needless to say, it will be a different kettle of fish when we meet Cappoquin, victorious over rivals Lismore last Sunday in the Western Final. The game is due to take place at the Fraher Field this Sunday morning 24th June at 11.30 a.m.

## U-11 TOWN AND COUNTRY

Our U-11's will also contest the Final of the Town and Country next Tuesday evening 26th June at the Fraher Field. Their opponents will be Lismore who defeated us earlier on in the competition so a reversal of that result would be most welcome. Another incentive for us would be to reverse the result of last year's tremendous final between both these teams when again Lismore had the upper hand. Throw-in time is 7.30 p.m. and your support would be greatly appreciated.

U-14 Liam O'Donnell Hurling Tournament - Michael Murphy being presented with the Liam O'Donnell Cup by Siobhan O'Donnell.

## UNDER-10 CITY LEAGUES

Our U-10's travelled to the Mount Sion grounds last Saturday morning for the second round of the City Leagues. In our first game against Sliabh gCua despite starting slowly, we stormed back into it to emerge victorious. In our second game

against Carrick Swans we were again to emerge victorious. In our third game against the host club, we were unfortunate to end up on the losing side after a great game. This Saturday morning we travel to Ferrybank and we would like to thank those parents who provided transport and support.

## Cois Bríde GAA Notes

### U-14 HURLING

Our U-14 team wound up their league campaign for this year with two matches at home last week. Monday evening saw the visit of city team Roanmore to Tallow, in the county championship. This match ebbed to and fro all the way through, and once again, possibly displaying a lack of a killer instinct, we emerged on the wrong side of a 3-8 to 2-7 scoreline. This match ended our interest in the county championship. Out of five matches our results were, three lost, one won, and one (v. Mt. Sion), which

was postponed by said 'Sion, was awarded against us despite our best efforts to find an agreeable date. Once again, one thinks, a case of

'David' getting trampled by 'Goliath'!

St. Oliver's were the visitors to Tallow on Wednesday evening in the Western championship. This time the 'killer' instinct was very much in evidence, and we wasted no time in running up a comprehensive score, to romp home easy winners. We have therefore qualified for the semi-final of this championship, with two wins, one loss, and one draw obtained out of four games played.

This semi-final will take place next Wednesday evening in Cappoquin at 7.30pm. I urge all supporters of our new club, Cois Bríde, to come in numbers to support our U-14s against their old friends Lismore. This promises to be one of the

games of the year, and perhaps Lady Luck will shine on us this time!

### UNDER-016 HURLING

The county U-16 hurling championship begins next Friday night for us, with a trip to Bushy Park, and a meeting with Brickey Rangers. Preparation for this championship has not gone as well as had been hoped, with exams and other factors combining to disrupt training and practice games. Despite this, most of the panel have been playing all along with one panel or another, so none of them will be short of hurling experience. Unlike the U-14s, who had to play two matches a week, along with school

matches by day, the U-16s will play once a week, every

Monday, a total of six matches in all. Tallow based players are asked to meet in the Square in Tallow next Friday at 6.30pm. All Shamrock based players will be notified of arrangements.

### FIXTURES

Wednesday, 20th June, U-14 Western semi-final v. Lismore, in Cappoquin, 7.30pm.

Friday, 22nd June, U-16 County Championship v. Brickey Rangers in Bushy Park, 7.30pm.

### SYMPATHY

A vote of sympathy was passed at last Thursday's committee meeting for the families of the late Michael Barry, Convent St. Tallow, and the late Joan Ryan, the Grange, Tallow, on the occasion of their untimely deaths. Ar Dheis D'É go raibh siad.

## County Bord na nOg Round Up

The Super Mac's U-14 Hurling Championship semi-finals are down for decision this week. In Division One Mount Sion take on De La Salle and in the second semi-final which is a repeat of the County Feile Final Roanmore will take on Lismore. In Division Two Ballygunner will throw down the gauntlet to Ballyduff Upper in one semi-final while Passage take on Dungarvan. Division 3 Portlaw/Molleran's, Clonea and Dunhill/Fenor are safely through. Naomh Bríde must play Cappoquin to see who will meet Ferrybank for the remaining semi-final spot. In Division 4 An Gaeltacht play Ardmore and Clashmore take on Sacred Heart to see who will qualify for the Division 4 Final.

All County Finals will take place in Walsh Park on Saturday 30th June. In four County Finals a player of the

match from each team taking part in the finals will be selected and the players selected will be presented with a trophy at a special function sponsored by Super Mac's at a later date. This proved to be a very special evening when it took place for the first time last year. A well-known Waterford inter-county hurler will make the selection along with WLR

Im Sport Journalist Jim Landers.

### PROGRAMME

County Bord na nOg will be producing a programme for the forthcoming U-21 Hurling Championship Game between Waterford and Tipperary. This programme will include articles from our Central Council delegate Seamus O'Brien and Pat Moore refereeing.

### FEILE SKILLS

The final of the County Feile na nGael Hurling Skills

took place in Walsh Park on Sunday last. The winner was Ballygunner's John Kearney on 26 points, second was Mark Ferncombe from Abbeyside, third was Ballyduff/Butlerstown player James Barry, fourth was Brian Bannon from Dungarvan, fifth was Jamie Ryan from Dunhill/Fenor and in sixth place came Stephen O'Connell from St. Oliver's.

The Board extends best wishes to John Kearney who will now represent Waterford in the National Feile Skills in Cork this weekend and also best wishes to Lismore who will represent the County in the U-14 Feile na nGael Hurling.

### CITY LEAGUE FINALS

The country style Waterford U-121 city league finals Division 2 and 3 took place on Friday evening last in Walsh Park. In the Division

Two, the Clonea and Ferrybank

teams will have to meet again. Clonea looked certain to take this title, they led at half-time by 3 goals to one point but a super comeback by Ferrybank in the second half saw the final score read Ferrybank 2-3, Clonea 3-0.

In the Division 3 Final, it was Ballyduff/Butlerstown who were victorious in this very exciting and skilful final. The sides were level at the halfway stage with 2 points each. In the second half, Ballyduff/Butlerstown added 2 goals and a point while Saviours only managed a single point to leave the final score Ballyduff/Butlerstown 3-3, St. Saviour's 1-3.

Well done once again to Pat O'Meara, Finbarr Shanley and Jim Walsh for organising this competition in such a splendid manner.

## Shamrock's G.A.A. Club Notes

### COUNTY FOOTBALL LEAGUE DIV. 3

On last Saturday evening at Knockanore, we met Bonmahon but our badly depleted team were unable to match the visitors who had a 2-7 to 0-8 victory. We now look forward to the Intermediate Football Championship and with a full squad could do well.

### CLUB LOTTO

On Monday night June 11th at the Shamrock Inn, Knockanore, the numbers drawn were 8, 9, 13, 19 and there was no jackpot winner. £10 consolation prizes were won by Pádraig Tobin, Ballyhamlet, Rebecca O'Keefe, Kilwinny, Bessie Buckley, Strancally, Adam Crawford, Coolbeggan, Ann & Rebecca.

The jackpot for last Saturday night was £700 and the numbers drawn were 12, 15, 17, 24. There was no jackpot winner either on Saturday night and £10 prizewinners were Margaret Power, Killenagh, Conor Goulding, Ballymote, B. Farrell c/o Noel Tobin, Pat McGrath, Moorehill, Eileen Kelly, Killenagh. In next week's draw, the jackpot will be £800 and tickets at £1 each from the usual promoters.

### SENIOR HURLING CHAMPIONSHIP

#### LOSER'S GROUP

On Sunday next we will meet Roanmore at Fraher Field, Dungarvan and with a bit of luck, we should hope to progress. Last year we met the same opposition also in Dungarvan and were beaten after a good game. We wish the best of luck to the team in this game and we would ask supporters to check with the Board Fixture List for the throw-in time of the game.

### SYMPATHY

Our club extends sympathy to the relatives of the late Michael Cunningham, Kilnafurrery, Tallow who died last week and was a member of the Knockanore Football Team who were county champions in 1940.

## PRIMARY SCHOOLS G.A.A.

### TALLOW GIRLS ARE BEST IN COUNTY

Presentation Convent Waterford City came to Abbeyside full of confidence in their ability to win this one. Tallow, coached by Eric Curley had other ideas and once they went into the lead with a point by Elizabeth Daly after three minutes they never looked back. Amy Power and Louise Curley were superb in defence for Tallow and cut out the majority of Presentation's attacks. Elizabeth Daly caught a high one, turned and pointed. Teresa Kenneally added another. Lyndsey Walsh went on a mazy solo run for Pres. but her kick for goal was blocked down. When a goal opportunity presented itself for Tallow, Shauna Casey took it with a blomb. Aoife Hartigan passed to Elizabeth Daly but her shot hit the post. Teresa Kenneally pointed a free. Presentation tried hard, particularly Lisa Dooley but the Tallow backs were solid and could close the opposition down without fouling. Tallow would have had another goal but for the fact that goalie Carol Barrett came off her line to intercept the final pass.

Half time Tallow 1-4 Presentation Convent 0-0.

### THE SECOND HALF

Presentation restarted bravely and were unlucky when a kick for goal hit the post. Lisa Dooley kicked for goal from a free but the ball was blocked by the line of defenders on the goal line. Tallow attacked and Shauna Casey shot for goal but the ball skimmed over the crossbar. Pres. finally scored when Leah Evans pointed. Tallow replied when Jackie Sheehan soloed through and kicked over a point. A kick by a Presentation girl broke the upright and the referee allowed a point. Elizabeth Daly scored an excellent goal when she shot low and hard for the left corner. Pres attacked and Caroline O'Sullivan forced the ball over the line in a crowded goalmouth. Lyndsey Walsh won possession in the half-back line, soloed upfield, fisted the ball over an opponents head and gathered it on the other side of the player before scoring a point. However, Elizabeth Daly had the final say when she scored goal number three for Tallow. Mr. Sheehan and Ms. Ryan must have been delighted to round off the year with a County Title. Tallow; Claire Curley, Joanne Fitzgerald, Louise Curley, Maria Rafferty, Vikki Grey, Amy Power, Eleni Henley, Aoife Hartigan, Elizabeth Daly, Jackie Sheehan, Teresa Kenneally, Shauna Casey, Marion O'Brien, Nicola Delaney, Laura Fraser, Cornelia Curley.

# Ardmore G.A.A. Notes

## NO NOTES LAST WEEK

The age old excuse 'lost in the post' caught up with me last week, when I learnt that the electronic postman can lose post, as well. However, I have integrated last week's notes with this week's.

## UNDER 14 HURLING

We had no match previous week and our fate was decided last week, when we played Clashmore on Monday and Colligan tonight (Wednesday) in what were our final league games. In last weeks report I missed David Hennessy's name - he being the mid-fielder who gave an exhibition of hurling. We lost to Clashmore after a ding-dong battle and we had a handy win over Colligan. We have qualified for the County semi-final and are playing Monday (18th) at Fraher Field. Then on this Wednesday evening, we have a play-off match against Clashmore at Bushy Park. The winners of this will qualify for the Western semi-final and will meet the losers of the winners playoff - An

Gaeltacht or Stradbally. Also, congratulations to Paddy O'Donnell who gave a 'man-of-the-match' performance for his school, when the Gaeltacht school had a fantastic and historic victory over De La Salle, in the County Under 14 Colleges championship. Comh-gairdeachas Paddy, agus le gach einne sa Scoil. De La Salle is a college of over 1000 students.

## MUNSTER CHAMPIONSHIP SHOCKER

The unbridled joy and pride when Seamus rifled home that brilliant goal. The ecstasy and emotion, as we thundered into what seemed to be an unassailable lead, with our hero in the showing the way. The fear, as we registered just one point in the final 20 minutes of that first half. The disbelief, as we came out after half time unchanged. The frustration, as we continued to drive everything to the corners, where we were consistently beaten after John Mullane's departure, when Seamus patently had the beating of T. J. Ryan, in the middle. The anger, when the changes were made that our struggling defence wasn't re-structured and youngsters, such as Declan and Alan Kirwan weren't introduced. The jealousy, as Cregan kept moving the strugglers and re-shuffling the pack, until he found the right formula. Our hearts go out to Seamus as he trudges from the pitch. The dejection and despair as we trundle out of Pair Uí Chaoimh

and we're on our way home, our confidence shattered and we wonder 'will we ever'. We feel for the players who have given so much and put in such dedicated effort and self-discipline. Most of them haven't had a drink for six months. Yes we are proud of them. And yes their day will come and maybe sooner than most people think. And we thank God for a wonderful club that we can look forward to, a club that believes in it's youth and lets them have their fling.

## INTERMEDIATE HURLING

This was another one we should have won. I make no apology for being biased. All of Ardmore were amazed that Wayne did not start this game at centre field or wing back. Pat Fitzgerald excepted, we struggled in all these positions and brought on Wayne at corner forward! I can't ever remember seeing him play at corner forward. He is a gifted mid-fielder or half back. Most of the selectors have seen him dominate the mid-field sector through the under 21 championship. Naturally, he didn't see the ball - we were destroyed around the middle.

## SENIOR FOOTBALL

Wayne was at wing forward and Johnny at full forward on the Waterford team that lost to Carlow on Saturday evening, at Fraher Field. Wayne did well in the first half and scored a nice point from play, until the supply dried up. Again, no one thought of trying him in mid-field. Waterford must make up their minds about football after this defeat and now is the time. Numerous good underage teams have come through and will be lost to the game unless the talent is harnessed.

The question must be openly asked, and honestly answered, why are some of our players not willing or not asked to play for their county. I was horrified to hear a senior Gael in the county say after Saturdays game 'we didn't do too bad'. That's a desperate attitude. We were over-run by Carlow. Reasonable performances against mediocre teams is no good and the sooner we adopt this attitude, the sooner we'll win a few matches. We should be beating the Carlows of this world.

Our footballers are better than that. Carlow manager, Pat Roe, picked a panel last October of players who were prepared to commit themselves to the county, and then closed the doors. Greg Fives has his critics and his faults, but if he got thirty of our best players to give the commitment that he gave, then we would still be in the

## Championship. SENIOR FOOTBALL LEAGUE

We had a nice game against Kilrossanty B in the League on Wednesday evening week. Playing with a strong wind in the first half, we kicked some awful wides, but we were winning possession. Nevertheless, the Comeragh men were picking off their scores and we really needed a big second half performance.

After a paint stripping gee-up from John Hennessy at half time, we came out with all guns blazing and ran out comfortable winners. The pleasing aspect of this game was the number of players who have really thrown down the gauntlet to those who started the championship match. Noel Quinn, playing his first football match in nine years had a great game and was our top scorer - isn't he some example to everyone, the way he overcame adversity.

John Conway, Pat Hallahan and Gary North showed that they are serious contenders for places in the attack. Shane Dower was his usual elegant and effective self at mid-field and an outstanding displays in defence by Anthony Ahearne and Maurice Hennessy shows that they can't be overlooked, either. Our lineout was: Damien; Austin, Patrick, Nicky; Niall, Anthony & Maurice; Shane & Gary; Alan, James, Pat; Eamon, Noel & John. Then last Tuesday, we played Tramore and though we eventually came out on top, we got more than enough of it from them. This Tuesday, we play hosts to Kill.

## SENIOR FOOTBALL CHAMPIONSHIP

We lineout on Saturday evening, at 8.00 p.m. at Fraher Field against reigning County Champions, The Nire. They will be strongly fancied to account for our youthful side, as the field no fewer than seven players who represented the county against Carlow. This is an awesome challenge for our youngsters, but with exams etc. behind us and gradually returning to full strength, we'll test their resolve. They are a big physical side, who play possession football and only total concentration throughout the team for the hour will upset them. Also, when we're in possession, we must run 'til we drop in support of the player with the ball and play a percentage game. This is the one we've been waiting for and providing the injuries to four of our key players clear up, we'll be at full strength, with the exception of Kevin Flavin, who's on holiday.

## ARDMORE AND GRANGE COMMUNITY GAMES

## SPECIAL CLUB MEETING

All members are requested to attend a Special Meeting on Thursday evening at 8.30 p.m. There are a number of important items on the agenda, including the nomination to the County Board of selectors for the various county teams, for the coming year. This invitation was issued following the resignation of Gerald McCarthy, so now's your chance to have your say. Far too many people criticise 'The Board and The Selectors'. Have your say and turn up.

## SUMMER CAMPS

Parents please note that this year Ardmore GAA Club will run it's own coaching courses and Summer Camps. The Football Camp will commence on July 23rd and the Hurling Camp on August 7th.

## TWO ENGINEERS

Heartiest congratulations to Ciaran Foley who has been awarded a First Class Honours Degree, in Electronic Engineering and to John Conway who got an Honours Degree in Computer Software Engineering. Both were students at W.I.T. for the past four years. Whilst we might have liked to have seen more of both of them at the training sessions, there are some things more important than hurling and football. Well done to both and the best of luck with your future careers.

G.A.A. NOTES

BY "COMMENTATOR"

# COUNTY BOARD MEETING

It was a quiet meeting that was got through very quickly by the presiding chairman, P. S. O Riain. In fact the meeting took exactly 30 minutes to dispose of the business on hand and there followed 35 minutes of any other business which referred in the main to standards within the county.

At the meeting proper, the upcoming Bi-Centenary of Mount Sion School was referred to when permission was sought to have celebration matches held on the June Bank holiday, 2002. Permission was granted and the board promised full support.

In the financial update the Treasurer, Tony Morrissey said as there were no matches played since the last meeting, the funds were giving cause for concern. Huge expenses have been paid out for team training, etc and this has severely impacted on our accounts.

Seamus Grant, Co. Secretary, expressed disappointment at the number of clubs (eleven) who had participated in the Golf Classic. Those who did not play were asked to make a £100 contribution to that fund.

## REPORTS

The senior football selectors and under 21 hurling committee submitted reports of their activities. The football selectors said that as their term in charge had now expired this was their final report and they wished to thank the board officers for their splendid co-operation throughout their term in charge.

The under 21 selectors gave details of their preparation for their Munster semi-final.

The county chairman thanked the football selectors for the amount of time and energy put into the effort to make a breakthrough. He said they had not spared themselves in spite of the lack of success.

## GERALD MCCARTHY

Tributes were paid to Gerald McCarthy for the trojan work done for Waterford hurling over his five years as manager here. Tom Brown, Ballinameela said he had brought new life into the game of hurling in Waterford and his departure will mean a great loss to the county.

The county chairman, who paid tribute to Gerald in the dressing room at Paire Uí Caoimh after the Limerick game on the previous day,

said that Waterford hurling was all the richer because of the monumental work done by him since 1996. He said that his decision to step down was final and there would be no question of changing his mind again. He said: "Gerald McCarthy will be a great loss to Waterford hurling."

The county secretary was directed to write to him and convey the board's appreciation of his work on behalf of the county.

## NEW SELECTORS

As six of the eight county selection committees had now gone out of business, it was decided to invite clubs to submit names of members whom they consider suitable and willing to serve. These must be submitted in writing to the county secretary, possibly within the next two weeks. The county executive committee will then hold two meetings to examine the nominations and make recommendations to the open county board who will have the final say in the matter.

In order to allow time for the process to work it was decided to defer the July meeting of the county board until the 30th.

The meeting agreed that the selection committees each will comprise of three members only. The county chairman made it clear to the meeting that all nominations must be sent to the county secretary and that people should not ring him suggesting certain people for different positions to the county chairman.

The under 21 hurling and minor football selection committees are not included in the above as these teams are still in contention for their respective championships.

## STRATEGIC REVIEW COMMITTEE

The idea of setting up such a body was proposed by Timmy O'Keeffe, Clashmore. He said the need to draw up plans for the improvement of hurling and football within the county was an urgent one. He instanced situations where young players were getting inadequate matches and as a result, standards were suffering. He also said that the four bigger schools in the county were not making the desired impact and he asked that the review include an examination of our administrative structures which in some cases were out of date.

Several delegates agreed and pushed to have the proposals supported.

Liam Moroney, Tallow agreed that serious problems existed and the sooner we get down to an examination of these, the better. Seamus Quirke, Board na nOg chairman said that a forum for all clubs is being held in September for the purpose of examining all aspects of games in the county.

Jim Hennessy, Pat Flynn, Tommy Hennessy and others also subscribed to the discussion.

It was agreed that the matter be included on the agenda for the July meeting.

## REFEREE PROBLEMS

Pat Moore told the meeting of the grave shortage of referees and said the small number who are officiating are being called upon for eight to ten matches per week. Seminars to coach referee recruits are available. The chairman appealed to clubs to provide new referees before the situation gets worse.

## NEW HURLING MANAGER

Already the matter of filling the vacancy left after Gerald McCarthy's departure has aroused speculation and it is no exaggeration to write that the county is awash with rumours concerning his replacement.

Names like Liam Griffin, Wexford, Tom Ryan, Limerick, Ger Loughnane, from you know where (he certainly did not endear himself to Waterford supporters with his ruthless and ridiculous comments last weekend),

Babs Keating and a couple from Cork are names plucked out of the air and sent into circulation around the county. I was told that Gerald McCarthy had agreed to come back as a selector and as assistant to Colm Bonner, if he takes over. There appears to be no Waterford man named in the speculation, but I do know that it is being suggested that our present under 21 hurling selection committee should take over the management for a couple of seasons.

I think that very soon all the speculators will begin to realise that hurling or football team managers do not grow on trees and that the problem of recruiting high profile people to take on the responsibility is becoming more and more difficult.

This is because the demands on the leader, as well as on the players, are becoming almost insufferable. Training goes on for a minimum of six months of the year and close to championship time the training requires attendance on four nights per week. All very demanding on amateurs who are expected to do a professional job.

The team manager, for the most part of his tenure, is under scrutiny for everything that he does and if he is not successful he is sometimes branded as a loser. Take for instance the situation in Munster this year, 2001, where we have 5 of the highest profile people managing the teams. Only one of these is going to win the provincial

championship. Taking this a step further, only one manager will train a team to win the All Ireland. All the others are losers and no matter what the reasons for their failure, they will be criticised and knocked.

In spite of all this, we, as well as other counties, will have to find a manager to lead our team and in the

weeks ahead, interest in the subject is sure to increase.

Whether or not the fact that we have a splendid panel of players and given a few more players, we can be described as a county with great potential, will be a help in enticing qualified people to apply for or consent to do the job, is something we will have to await and see.

## Under 21 Hurlers Prepare

It is now official that Waterford's under 21 Munster hurling semi-final v. Tipperary will be played at Fraher Field on Wednesday, July 11th. The counties last met in June in Thurles last year when Waterford were victorious before losing to Cork in Walsh Park.

On Wednesday evening last, Tipperary defeated Clare in a first round game by 0-19 to 0-12.

Meantime, Waterford are preparing for the clash and last week played and defeated a Galway selection by 2-12 to 1-11 in Doon (where Bro. Dormer had everything in apple-pie order for the game).

Although there is a splendid attendance at training sessions, the selectors have their problems. John Mullane is still out with a hamstring injury and three of the players who would certainly make the first 15 have gone to the USA.

## LEAGUE WINNERS

### DIVISION 2 HURLING FINAL

**Ballyduff East 2-13 Erin's Own 3-5**

Adding this league title to their intermediate hurling crown will give big a boost and status to the winners.

**DIV. 3 FINAL - DUNHILL 2-15 DUNGARVAN 1-6**

This was a very enjoyable game with just 2 points separating the teams at halftime, when Dunhill led by 1-6 to 1-4.

In the second half Dunhill, led by Colm Bonner, pulled away to win by 12 points, but the full time score did less than justice to Dungarvan.

Dunhill brought very big support for this match.

**DE LA SALLE 0-17 ROANMORE 1-7**

This was the semi-final of division 1 and De La Salle have now qualified to meet Ballygunner in the final. This has yet to be fixed.

## TICKETS

Because we are not involved in the fixture, there will be no allocation of stand/terrace tickets to clubs for the Munster senior hurling final on next Sunday week.

# Senior Hurling Championships Resume & Western Board Championships Commence

With the resumption of the senior hurling championship, the arranged programme of divisional championships had to be scrapped and replaced with a different fixtures list.

The county board are under orders to complete their senior programme by October, or else lose out in the Munster Club championships.

The Western board having deferred the start of their championships in order not to interfere with the preparation of the county teams, now find themselves under severe pressure in finding venues and dates to catch up.

The Eastern board began their competitions and are now fairly well advanced. As far as the West is concerned, this is the latest ever start to the championship programme.

Anthony Walsh has now circulated a calendar of fixtures which are efficiently programmed up to Mid July, so if these are played as arranged and produce results, it will mean satisfactory progress.

## SENIOR HURLING & FOOTBALL

The four match programme fixed for Fraher Field on Sunday next is the biggest of its kind for a very long time. It includes the meeting of Dungarvan and Kilrossanty in the SFC.

It includes the eagerly awaited clash between county champions, Mount Sion and championship contenders, Lismore.

Such are the pairings that all six hurling contests can be considered attractive.

Two senior football championship games are included on the weekend programme.

## WINNERS AND LOSERS

In the winners section the three survivors will go through to the semi-final. The three losers will play the three winners of the losers section to provide the fourth semi-finalist.

The three losers of the losers section will play off for relegation.

This is the interesting formula produced by the special committee set up last October and it seems to be working very well.

## SHAMROCKS V. ROANMORE (2 p.m.)

They have the privilege of opening the Fraher Field programme on Sunday and with very little difference in their standards, this will be an enjoyable contest. The city team will again be without their veteran star, Kieran Delahunty, but with Noel Crowley, who scored 1-4 against

## Hectic Fixtures Programme for Weekend

Tallow in the first round, Danny Murphy and Michael Mackey and company to lead them, they will fancy their chances.

Shamrocks failed to Portlaw in the first round, having missed too many good chances.

Forecast: a Roanmore win.

## PORTLAW V. TALLOW

This is the feature game on the afternoon programme. Tallow had just 3 points to spare over Roanmore in round one after Billy Sheehan scored their only goal in the 52nd minute. Portlaw, after a poor start, overpowered Shamrocks in a splendid second half of their first round meeting. They scored 2-7 to win.

Tallow have more skilful forwards than Portlaw and if Paul Kearney, who had 6 points in their first game, Billy Sheehan and co. are in shooting form, they might survive. Portlaw are the stronger team, physically. Verdict: Tallow.

## MOUNT SION V. LISMORE

It has to be described as the 'Match of the Day,' county champions Mount Sion defending their title against their strongest opponents so far. Each of these sides was involved in a first round mismatch and winning with so much ease that their form could not be judged. Between them they can claim to have about half of the entire county senior hurling team panel and this fact alone should guarantee a cracker here in the third game at Fraher Field.

In the first round, Mount Sion scored a facile 4-16 to 1-7 victory over Ballyduff West with team captain Ken McGrath scoring 0-6, Seamus Ryan 2-0, Eoin McGrath 0-5, Tony Browne 1-1 and Roy McGrath, Michael White and Eoin Kelly also featuring in the scoring. Add to this group, the likes of Brian Flannery, Seamus Clere, Paul Meaney, Anthony Kirwan, Philly Flynn, (goal), etc and you can see the magnitude of the challenge facing Lismore. The Western team had opponents, De La Salle on the ropes from a very early stage in their first round tie and finished with a fourteen points victory (1-16 to 0-5). Dave Bennett 0-7, Dan Shanahan 0-4, substitute David O'Gorman 1-1, Eoin Bennett and David Howard were their big men in attack and with team captain, James

O'Connor, Seamus Prendergast, Billy Cunningham, Dave Barry, goalkeeper Brendan Landers etc. in their rear-guard, they're going to be difficult to beat. Eoin Bennett, Michael Hickey and Sean Daly, who notched 3 goals against Cork in the intermediate semi-final, will also be included.

This must be one of the very best matches of the entire hurling championship. It will be a close one and in such circumstances it is always a way-out to give the vote to the reigning champions.

## PASSAGE V. BALLYGUNNER

Goalkeeper Ray Barry and county full back Sean Cullinane will certainly have their hands full here at the Walsh Park venue in attempting to keep the Ballygunner forwards at bay.

The 'Gunners, who surrendered their title to Mount Sion last year, are one of the few challengers who seem to have a chance of ousting the reigning champions Mount Sion this year.

This is very likely to end in a win for Ballygunner.

## DE LA SALLE V. BALLYDUFF EAST

The new intermediate champions, Ballyduff made a fine impression in the club league and will test their city opponents, but I doubt if they will beat De La Salle who never got going in the first round

against Lismore. De La Salle are given the vote here.

## STRADBALLY V. BALLYDUFF

This is a Saturday evening game and it has a 6.45 p.m. start because of the Nire v. Ardmore senior football game which follows.

In the opening round of the championship, Ballyduff fared poorly against Mount Sion while Stradbally fared much better in extending Ballygunner for whom Tipperary player Andy Moloney starred in his first match with the club. Although defeated by 7 points in the end, Stradbally gave a very respectable display and played well enough to win themselves the tag of favourites here.

Tom Feeney's Ballyduff will need a lot of motivating here if they are not going to be engaged in a relegation battle later.

## SFC — NIRE V. ARDMORE

This is a second round senior football championship tie that will send the winners into the county semi-final. It is a matter of the senior county champions clashing with the county intermediate title holders.

Both sides impressed in the opening round of the championship with Ardmore displaying a very high standard and celebrating their return to senior competition with a splendid 2-15 to 0-2 victory over

Kilrossanty. Goals were by Cathal Hennessy and Seamus Prendergast.

On the same date the champions the Nire withstood a strong challenge from Clashmore (2-8 to 0-7, their goals being scored by Shane Walsh and Paudie Halpin).

This will be a tight one for both and unless the champions can bring all their senior experience into play, they can be in trouble from their younger challengers.

## DUNGARVAN V. KILROSSANTY

This was not on the original list, but is now scheduled to be played at 8 p.m. on Sunday evening.

It is a losers section game with the losers being involved in a relegation contest and the winners in a draw for a contest that can eventually win them a place in the semi-final.

Based on the first round form of both, Dungarvan, who fielded an under strength side and failed by only 2 points to Kill (0-12 to 2-4) at Lemybrien, should have the edge as Kilrossanty, giving a miserable performance, were hammered by Ardmore (2-15 to 0-2).

I do not believe that Kilrossanty will ever again be that bad as with the help of several league matches, they must have come on a lot. The Comeragh side have been weakened by the affiliation of the Mitchells. I give Dungarvan a cautious vote here.

## SFC — RATHGORMACK V. ST. SAVIOURS

This winners section second round tie will be played at Walsh Park on Sunday and will provide a very close contest between the contenders. St. Savours are an improving side and will not be easily disposed of by the 1999 champions.

## DIVISIONAL GAMES

The Western board have fixed a full list of first round games for the weekend and these include a number of very attractive intermediate and junior football championship games.

Their programme opens at Fraher Field on Friday evening when Affane and Sliabh gCua clash in the Intermediate Football championship. Neither of these teams showed any kind of promise in the league and unless they show considerable improvement here, they are not likely to be in contention for the championship.

## BRICKEY RANGERS V. EMMETTS

This will to an extent be a baptism of fire for the new county junior football champions, Emmetts, as here they play in their first intermediate grade match.

They will find the Brickeys a tough assignment. It will be a close match that can go either way. It will be played at Cappoquin on Saturday at 8 p.m.

## JUNIOR FOOTBALL

Almost a dozen games in the junior grade are listed for decision at venues all over the West.

So, all in all, this is going to be a hectic weekend with up to 30 club teams in action here in the West. It will certainly be an achievement for the divisional board, who do not have the use of Fraher Field for any part of their programme.

## Ann Maher Captures Lady Captain's Prize

Brilliant sunshine and high temperatures affected the players for the Lady Captains Prize kindly presented by Ruth Byrne. The large turnout was testament to the popularity of our hardworking and highly regarded Lady Captain. News broke on Saturday evening throughout the club of a truly remarkable score of 62 nett playing off 36 handicap in the person of Tipp senior camogie star Ann Maher playing in her first Captains Prize. This score spread-eagled the field and we thought that it would not be bettered on Sunday. Sunday Morning arrived and Ann's star continued on the ascendancy and she re wrote the

record books with a phenomenal score of 58 nett. The Clubhouse was packed to capacity in the presentation of prizes. Our Captain spoke with great elegance and pride of the tremendous comradeship that exists in the ladies club. Sustained applause greeted the announcement of the winner Ann Maher, who in her acceptance speech praised the condition of the course and thanked Ruth for the beautiful prize. Well done Ann and best of Luck to you off your new handicap of 24!!!

## DOUBLE GOLD FOR MARK SHALLOE AT MUNSTER CHAMPIONSHIPS

The Munster U-8 to 13 age group championships were run off at Cork I.T. on Saturday and Sunday and it proved to be a superb weekend for Mark Shalloe winning both long distance races in the U-11 age group. On Saturday, it was the 600 m. and he came through his heat comfortably in second place. In the final an hour later, he took up the lead at the bell and quickly opened up a 6 to 8 meter gap which he maintained till the final 100 m and although the 2nd and 3rd were closing a bit, he still had about 5 metres to spare when he crossed the line in a time of 1.50. 3 to win his first Munster title. On Sunday Mark was competing in his favourite event, the 1100 metres. As there were less than 20 entries, it was run as a straight final. Mark took the lead from the gun and was never troubled afterwards and he came home a comfortable winner in a time of 3.39.88 to claim his second gold medal and cap. A memorable weekend for him. Sean O'Connor also performed with distinction in the U-10 boys 60 metres on Saturday. From an entry of about 70, Sean came through his heat in 3rd place to qualify for the semi-final where he also finished 3rd which meant he was through to the final. In the final Sean just missed out on the medals when he finished 4th but he has the honour of

qualifying for the All-Irelands as the first four from each province qualify for Tullamore in mid July. Siobhan Brackett also did very well to reach the final of the U-12 80 m and although things did not go her way in the final, it is a great achievement to get a final at this level. Also competing on Saturday were Paul O'Connor, Donal O'Connor, Deirdre Brackett, Eoin Brackett and Brian Curran. Most were competing for the first time in Munster Championships and will

have learned greatly from the experience.

### COMMUNITY GAMES

The County Finals of the Community Games are on at the Regional Sports Centre, Waterford on Sunday and a lot of our athletes will be representing their areas and striving to get to Mosney. Here's wishing them every success.

### FIXTURE

Munster U-14 to U-18 Championships, Castleisland 30th June/1st July at 11 a.m.

## MUNSTER MEDALS FOR ASHLEE KEOHAN AND MICHELLE MCCARTHY

Eleven of our athletes made the trip to Cork to take part in the first ever Munster Track and Field Championships. There were over 1500 from all six counties competing. On day one, although we had no medal winners, many of our athletes had personal best performance and made it through to the final eight in their events.

On the track Michelle McCarthy went through to the semi-finals of the 60 m and Stacey Keohan qualified for the final of the 600 m. In the 800 m with six to qualify, Ashlee Keohan finished just outside in 7th as did Lorraine McCarthy with Deirdre Duff not far behind.

In the walk Aisling O'Connell showed a big improvement to finish in 5th with Eadaoin Ashe one behind in 6th place. Our relay team of Lorna Murphy, Kate Kiely, Lorraine McCarthy and Ashlee Keohan also qualified for the final.

In the Fields events Colleen Hayes improved her performance to finish 7th in the

ball-throw while in the Discus Eadaoin Ashe added a metre to her best performance to finish 4th and qualify for the All-Ireland. Aoife Nagle finished in 7th and added over two metres to her previous best.

Day two started with Aoife Nagle making a huge improvement in the Hammer to finish 5th. Our first medal of the day came when Ashlee Keohan threw a personal throw of 17.31 m to take 3rd in the Javelin U-13. Within a short time, Michelle McCarthy was on the track for the final of her 300 m. Sixteen athletes of the original 53 lined up for the final. A great start and a storming finish saw Michelle take the bronze medal. Stacey Keohan had a great race in the 1100 m but was just denied a medal in the last 150 m and had to settle for 4th. To complete the day, Colleen Hayes had a personal best in the shot of 7-16 m - it must have been all that fruit from Super Valu, O'Connell Street for which our athletes say thanks.

## West Waterford Win Youghal Team Prize

West Waterford continued its good record in team events in East Cork road events when our trio of Connie Kelleher, Ray Dwyer and Tony O'Mahony won the Youghal '4' last Wednesday. The result shows our depth in strength at the moment and an interesting feature of our winning line up is that all three runners recently participated in the national marathon.

## Youghal '4'

The Club was well represented at the annual Youghal A.C. 4 miles road race held two days before Ras Na Rinne with ten of our members taking part. The race was won by international runner Noel Berkley, currently domiciled in Middleton, in a time of 19 mins. 33 secs. The first lady Carmel Crowley (Bandon A.C.) finished 11th overall in 22.14. ## WICKLOW 200K CLASSIC

Many months of training came to fruition for five Dungarvan club cyclists on last Sunday, June 17 as they participated in and completed the notoriously difficult Wicklow 200k Classic...200 kilometres (125 miles approx) of tough mountain terrain in the Garden County. Regarded widely as the foremost leisure challenge in the country, this year proved equally challenging as the variations on the route took in many of the highest and most scenic areas of the county. The event started at 7 am at the National Basketball Arena in Tallaght, County Dublin, and very quickly introduced the 800-plus bleary-eyes cyclists to tough climbing within the first 15 miles, as they tackled the Sally Gap, descended into Laragh, before commencing the Wicklow Gap almost immediately. By the time we arrived at the first food-station after 46 miles, legs were tired. The second leg to Donard was very flat and was enjoyed by most. Unfortunately, in Wicklow, such luxuries do not last, and on leg three, we faced into mount Donard, and the infamous Slieve-maan, before descending to a well-earned tea and biscuits in Rathdrum, having completed 87 miles. The final leg on undulating road back to Laragh sapped the energy of most riders, now visibly tiring. But, to cap it all, we then faced the Sally Gap once more, climbing via Glenmacnass Waterfall to the Gap itself, and straight through to Kilakee via the Glancree Valley, and the sharp descent to Taillight

once again.

Whilst this event is not a race, it must be said that despite many months of preparation, our cyclists who are capable of "having a go" did just that, and Declan Long and Padraic O'Sullivan finished in a record-breaking of 35m (including stops) whereas Padraig de Burca,

Philip Cleary and Pat Scanlan arrived in 9h30. (8h43m plus stops) Next year, our initial soundings seem to indicate that there may be as many as nine or ten who are interested in participating in this marvellous challenge. For this year, it leaves us only to thank the organisers for a great day out.

## O'Mahony Cycles & Nursery Summer Series

On what turned out to be one of the better nights of the week weatherwise, Eoin Whyte finished in first position to take the honours on the Durrow Circuit. Eoin had a massive improvement of 2 mins. 49 secs. on his previous best. Ger Wyley was 2nd in a time of 36.47 with an improvement of 1 min. 5 secs. In third place Cian Power, son of Millstreet winner, Bobby Power, came in in third place, his first outing on this circuit. Some noticeable improvements in times from Vincent Tutty 4 mins., Shane Power 1.23, Tony Elstead 1.52, Ivan Power 2.05, Jim Meehan 3.15, Paul Keating 5.35, Maurice Foley 4.01 and Eddie Moore 49 secs. Well

done to all.

Spot prize for his week goes to Shane Power.

There is only one remaining Durrow race which takes place on July 10th.

Top five are — Vincent Tutty 5 pts, Paul Keating 6 pts, Maurice Foley 6 pts, Jim Meehan 10 pts, Tony Elstead 11 pts. The overall winner is likely to come from these five.

Next week's circuit is once again Millstreet. Sign on is 7.45. First off 8 p.m. sharp.

Best wishes and a speedy recovery goes to Paddy Power who sustained some horrific injuries in a recent race in Carrick-on-Suir, from all in the cycling club, Paddy hope to see you back on the bike soon.

With this being the first days tracing since the Foot and Mouth outbreak, a special word of thanks must go out to all those involved on the day and those who prepared the track as the event was run with the utmost efficiency as if this was an everyday job. WATERFORD TUESDAY JUNE 12TH 2001

## Promising Young Talent On View

There was some promising young talent on view at this midweek fixture. The opening four events were confined to greyhounds having their first ever race outing. The first of these a 300 yard sprint saw the Eugene Sullivan owned So Anyway ( Dew Reward-Quarrymount Dodo) 3/1 display a fine dash of early pace to make the all important first corner ahead of a fast starting Deanos Gambler. It was all to play for on the run to the winning line with So Anyway getting the verdict by half a length in 16.91.

Magical Popstar was backed into evens favouritism in the second race but the favourite did not help his cause mistiming his break. No such problems though for Sean O'Donnell's Little Dazzler (Jamaican Hero-New Inn Toe) this Dec 99 youngster making little of his 3/1 starting price powering his way up to the opening bend to lead from How About Now. The latter was unlucky to meet such a hot winner on his debut as Little Dazzler came home a length and three quarters clear of How About Now in 29.23.

The third contest produced a very easy winner in the shape of the David Tuohy owned and Declan Byrne trained Double Helix (Spiral Nikita-Seskin Claire) this 1/1 favourite leading all the way in a good time of 29.17. As a contest this race was over as early as the first bend with the early paced Double Helix building up a handsome lead over Whistlers Pal and Bolivian Mate. The leader showed no signs of coming back to his field in the closing stages winning out by seven and a half lengths over Bolivian Mate.

Yet another debutante to create a favourable impression was the Jim Sutton owned and Dick Ryan trained Welcome Hero this October 99 son of Vintage Prince and Rockview Flash scoring with some authority in 29.18. With the 4/6 favourite Jamaican Harry stumbling after leaving trap one the easy to back Welcome Hero 6/4 quickly took control of matters to edge clear of Paper Irvine. It was all one traffic from that point on with Welcome Hero drawing clear for an eight and three quarter lengths defeat of Paper Irvine.

Sadies Treasure made the long journey down from County Clare to contest a graded sprint and this fast starting lady appeared likely to win out taking a flier from trap six but she drifted wide into the home stretch as the Henry Molloy owned and Lester Power trained Tenth Duke (Ten Of Us -Newry Duchess) 6/4 powered his way up the rails to get up close home for a neck victory in 16.69.

The month of June certainly brought about a vast improvement in the well named Fast Bomb who landed a nice touch for connections capturing the sixth contest in 29.52. Unable to break the 30.00 barrier in her last three races at Thurles and Waterford the Christy Fitzpatrick owned and D O'Reilly trained Fast Bomb (Arrigle Buddy-Aidans Twin) was backed down near the off from 3/1 to 1/1. It was the local runner though Gardean Rocket who showed the way early on but Fast Bomb was always close at hand and seeing the trip out better in the closing stages the Thurles runner went on to score by two and a quarter lengths in 29.52.

Races seven and eight were semi finals of the Hattemore Family sponsored Southlodge 500 yard stake.

Quiet Jo was sent off the 6/4 favourite in the first semi final but he failed to get to grips with a fast starting Desert Eilly (Arrigle Proper Club) this 5/2 chance making all the running to land the spoils in 27.91. Taking a flyer from trap four Desert Eilly looked all set for an easy win but Quiet Jo stayed on stoutly in the closing stages to

move within a half a length of the winner at the line.

After a lightening break the black sheeted Astra Wolf made the long break for home in the second qualifier ahead of Steiner and a hampered Newline Aruba but in an exciting finish the By The Fireside Syndicate owned and Carl Gostl trained Stieneer (Powerful Flash-Queen Dancer) 6/4 really motored up the home stretch to beat a running on Newline Aruba by half a length with the long time leader Astra Wolf just behind in third. Time 27.88.

Jamie John and Byrneville Joy had the ninth race a 300 yard sprint to themselves a long way from home with the John Ryan and Philip Gaffney owned Jamie John (Roanoke-Tooth Pick) 5/2 producing the better turn of finishing pace to open his account by two lengths in 16.90.

Ring Premier showed in front at an early stage in the tenth but with the leader being swallowed up by the pack at the entrance to the back stretch Longlegged Flash went all out for her first career win but the Michael O'Doherty owned and Michael Meade trained Bolivian Maeve (Toms The Best-Aruba Crystal) 2/1 quickened up the pace in the closing stages to score by a length in 29.91.

The Harry Boyle owned Cove Magic (Million Percent-Ella Rose) 2/1 shed her maiden tag at the second time of asking in the eleventh and final contest outstaying the early leader Scar Trace by half a length in 30.46.

## Cute Leader Made All The Running

The Waterford and District Coursing Club staged a very successful benefit meeting at Waterford Greyhound Stadium last Saturday night. There were two finals down for decision and both produced local winners. We had a very open betting market for the final of the Southlodge Kennels 500 yard stake and as she had done in her semi final outing the Peter Brady owned Desert Eilly (Arrigle Buddy-Proper Club) 3/2 left traps like a scalded cat to make all the running in 27.63. Ascot Bobby was the winners nearest challenger at the first bend but he was bumped out of contention by a wide moving Quiet Jo. The latter displayed plenty of back straight pace to join issue with Desert Eilly over the final two bends but "Desert" stuck to the task in hand to land the spoils by two lengths.

It was into unknown territory for all six finalists in the Waterford Fireplaces 790 yard marathon decider but Tom Power's Cute Leader (Super Hoffman-Youth Leader) the 6/4 hot pot made it look so easy leading all the way in 44.81. Coming away in front Cute Leader shook off the early challenge of Minor Duchess before proving six and a half lengths to fast for Crackator Hinni who lost a prominent early position before running on into second spot late on in this final.

Racing commenced with two semi finals of the Daring Kennels 30.00 stake. In the first qualifier Lisa Quinlan's Quarrymount Com (Dew Reward-Quarrymount Dodo) was all the rage at 1/1 but a late flood of money for Best Man Jack saw his odds tumble from 4/1 to 5/4. Quarrymount Com displayed the superior early pace to lead early on from Daring Lucy. After a slow start Best Man Jack moved into top gear from the halfway mark but he failed by a rapidly diminishing length and a quarter to overhaul Quarrymount Com in 29.51.

The second semi final produced an impressive all the way winner in the Maria Roche owned Marshalls Jack (Mustang Jack-Marshalls Rose) this 2/1 shot obliging in a career best 29.03. Megsams Flash broke well from trap three but Marshalls Jack quickly asserted his superiority to lead from Autumn Jojo. Try as she might "Autumn" could never quiet get to the leader who stayed on nicely to triumph by two lengths.

The Ann Stack owned and Michael Hoy trained Tawny Touch (Double Bid-Boom) 3/1 ran away with the third con-

test in 29.41. "Tawny" cleverly ducked inside the early leader Glenbrien Scotch rounding the first corner to race on for an easy seven and a half lengths victory over Hill-dun Picture who did well to fill the runner up spot after taking a hefty bump at the first turn.

Prolific sprint winner Market Dotcom (Hilltown-Market Flame) 6/4 posted his sixth sprint success from as many outings taking the fourth event in 16.44 for Tramore owner Lester Power. Ballybeg Charley made a brave bid to make all here leading from Rosetown Champ but after a moderate start Market Dotcom conjured up a great late effort on the wide outside sweeping into the lead close home for a length and a half victory.

The early pace of Bigwood Tyson saw him cut an early dash over Sparta Icon in a competitive fifth event but gradually reeling in the leaders T O'Neill's Noreview Lantern (Deenside Equity-Fahee Lantern) 5/1 finished full of running on the wide outside and quickening the tempo in the home stretch the South Kilkenny entry cruised into the lead to inflict a two and a half lengths defeat on a gallant Bigwood Tyson in a best ever 28.98.

Just recently out of novice company 2/1 shot Vancouver Jet (Spiral Nikita-Lemon Jackson) ran a cracking good race to capture the sixth event for owner Brendan Rogers and trainer Paraic Campion. Having only his fourth ever race Vancouver Jet swooped by the front running Aussie Babe out of the second bend before drawing clear for a deserved three and a half lengths win over Aussie Babe in a fast 28.90.

The first semi final of the Ladbrokes 29.70 stake produced a pillar to post winner in the shape of the Jack and Keith Molloy owned Shanakey this April 99 son of Come On Ranger and Saucy Choice doing the business nicely in 29.47. The quick starting Shanakey forged clear of Sheer-aghs Psycho to record a smooth three lengths victory.

Frank McCarthy's Lukes Approval (Trade Official-Franks Girl) justified 4/5 favouritism with an impressive 28.94 win in the second semi final. Coraveen Lady showed in front after twenty yards but "Lukes" produced the superior dash of early pace to lead around the first bend. Showing no signs of weakening the jolly old favourite bolted in five lengths clear of a staying on Nineninenine.

The Daniel Deneher owned and Maurice Redmond owned Seapark Dan (Trade Crisis-Long Gap Bambi) 3/1 made the long break for home in the third semi final but he was forced to share the spoils with Michael Casey's fast finishing Debs Storm (Come On Ranger-Hare Storm) this 3/1 shot getting up in the dying strides to dead heat in 29.55.

## LATE START TO RACING

Greyhound racing at Waterford track on Tuesday next June 26th will start at the later time of 9.00. This is due to the evening Horse Race meeting at Tramore.

**Finals Draw** — The trap draw for two finals at Waterford track on next Saturday night is as follows.

### Ladbrokes 29.70 Final

1. Nineninenine
2. Shanakey
3. Lukes Approval
4. Debs Storm
5. Seapark Dan
6. Sheeraghs Psycho (W)

If obtaining a clear run in the first forty yards the progressive Lukes Approval will prove difficult to defeat but those trading at short odds will do well to remember that the dogs drawn in traps one and two are both early paced performers.

### Daring Kennels, Portlaw, 30.00 Final.

1. Best Man Jack
2. Stereophonic
3. Daring Lucy
4. Marshalls Jack
5. Autumn Jojo
6. Quarrymount Com

Best Man Jack was an unlucky loser in his semi final outing and while I expect him to turn the tables on Quarrymount Com he maybe forced to settle for the runner up spot once again behind the early paced Marshalls Jack.

We rounded off what has been a very successful season for us with a very enjoyable function held in the rugby club pavilion recently. One of the many highlight of the night was the presentation of the trophy and medals to our victorious under 16 team by the league secretary Pat Kelly who very kindly travelled up for the night. In his acceptance speech Colin Beresford as captain thanked

managers John Moloney and David Walsh and fellow playing colleagues for the amount of hard work put in throughout the season. On the same evening we clinched the under 11 title and this gave cause for a double celebration on the night.

The next item was the Player of the Year Awards and this years were kindly sponsored by Dan Casey of Clonea Caravan Park. The winners of

each age group chosen by their respective managers, were very popular and deserving winners and were the recipients of lovely trophies. Thanks to the large number of people who turned up on the night and to the Rugby Club for the use of their premises. Thanks also to the parents who made sandwiches on the night and to Jamie Tobin who did a great job on the door.
