## Closure Of Cadena Sends Shock Waves Through Tallow

KEVIN  
KIRrane

The announcement of the closure of Cadena Ireland Ltd, with the loss of 68 jobs, has sent shock waves throughout the community in Tallow and has been greeted with dismay by employees.

On Tuesday last, the company announced a worldwide restructuring of its manufacturing and supply chain operations which ultimately resulted in the closure of Cadena in Tallow.

The company has yet to agree a redundancy package with the workforce and Enterprise Ireland are now

scheduled to meet with the staff to find alternative employment.

The decision by Cadena, which was part of the Imperial Tobacco group, was not wholly unexpected as while it had been trading competitively in its earliest stages with employment growing from 62 in 1997 to a peak of 150 in June 1999, Cadena lost a significant order that year and fifty staff were made redundant.

The company never made up the lost ground and the numbers employed have

continued to slip, eventually falling to sixty-eight.

In the past year, Imperial Tobacco invested in excess of £1 million in the plant, hoping for additional productivity and to set up new products but the plant remained unprofitable due to a declining market for own brand cigars in Holland.

Marie Butler, Waterford Branch Secretary of SIPTU - the employees main union - said the closure will have a major impact on Tallow because it has very few alterna-

## PWAI Should Be Exempt From Objection Charge Claims Cllr.

The Government may bring in a charge for each objection made to a planning application, Cllr. Mary Green revealed. To combat this, she said, a system should be put in place where some organisations should not be charged at the same rate.

Cllr. Green said the Waterford network of People With Disabilities Ireland - a voluntary organisation - made 40 objections to planning applications last year.

Cllr. Green said she was aware that introduction of a fee was hoped to reduce the number of "malicious" objections. However for organisations such as People with Disability Ireland, she said, the charge should be waved.

#### HOW DO YOU CREATE BETTER SLIDE PRESENTATIONS?

In the September edition of The Toastmaster magazine, Linda Adams gives a number of suggestions to help you shine during your next presentation.

Colour is a powerful tool. A simple colour, whether it's text or a graphic, can instantly convey a message far more effectively than simply writing out the same information. For example, you have a chart that displays profit and loss for several fiscal years. Numbers in Red will clearly tell the audience that there is a loss for that year.

The content of your speech should enhance your speech. You want your audience to glance at the slides, and then return their attention to you.

The more time they have to read the slide, the greater their chance of losing focus on your speech. Don't put too much detail on your slide. If you are shrinking text to fit on the slide you have too much detail. Make sure your font size is large enough - at least 24 points - so that everyone in the room can clearly see the slides.

Graphics and animation are a very effective way to enhance your presentation. A picture can be used to evoke emotion and illustrate a point. Images used, should relate to the slide content. Don't use a graphic to just fill space. The colours of images used should blend with the over all colour scheme and content of the presentation.

# THE BRITISH IN INDIA

Britain took control of India after Indian soldiers working for the British East India Company rebelled in 1857. In the following years, many British government officials, doctors, engineers, tea planters and estate managers went to live and work in India. Often, their families accompanied them.

The British community in India lived sheltered, privileged lives, looked after by Indian servants. They became known as the "British Raj" (ruling class).

*Members of the British Raj continued to follow an upper-class British lifestyle in India*

## Magnificent Mughal Architecture

Many people think that the Taj Mahal (above), near Agra, in India, is one of the most beautiful buildings in the world. It is made of gleaming white marble, decorated with delicate flower patterns made of semi-precious stones. It was built by Mughal emperor Shah Jahan (ruled 1627-1658) as a tomb for his wife, Mumtaz Mahal. She died giving birth to their fourteenth child.

## Merchant Shipping

European merchant ships were built with huge wide hulls, to carry the maximum amount of cargo. Because of the strong monsoon winds blowing across the Indian Ocean, they could make the long voyage from England to India only once or twice a year.

## CLLR. PRESSES FOR DELIVERY OF DUNGARVAN WASTEWATER TREATMENT SYSTEM

Frustration has been expressed in relation to the timeframe applicable to the delivery of the new sewerage scheme for Dungarvan.

Local Labour Party representative, Cllr. Fiachra Ó Céilleachair, is pressing for a conclusion to discussions currently ongoing between Waterford County Council and the Dept. of the Marine about foreshore licence con-

ditions. These pertain to Dungarvan Harbour off Ballinacourty point - where a new wastewater treatment plant is to be located. Cllr. Ó Céilleachair says the £10.8 million project is now in its fifth year of planning stages and remains eagerly awaited in the locality.

Speaking on the issue, Cllr. Ó Céilleachair said: "Since co-option to membership of

the local authority in November 1997, any question raised by me regarding essential overhaul or upgrading of any element of public sewerage treatment in Dungarvan has been answered with assurances that the new wastewater treatment plant in Ballinacourty was on the way - with all its consequent provisions and effects."

"Initially, a substantial finan-

cial contribution from the Avonmore/Waterford group was envisaged as part of the equation. I'm pleased that the collapse of that offer was overcome and that the approval from the Dept. of the Environment was forthcoming."

"The public consultation phase has now been completed. The ground investigation contract for the pipelines connecting Dungarvan and the Ballinacourty plant - featuring a stretch of the old railway track - has also been finalised. A "design, build and operate" contract has been advertised for expressions of interest. Interviews have been held and I understand that a number of contractors have been shortlisted for the tender process. Land acquisition and wayleave arrangements are under negotiation. I believe a sludge plan strategy relating to the Harbour was agreed with consultants in June of this year and a draft plan has been received by the Council."

Cllr. Ó Céilleachair feels that the sooner the better, what he refers to as an "outdated" sewerage treatment system in Dungarvan, is replaced with a modern and comprehensive network. He says he will continue to encourage all parties to the project to bring it to fruition.

Winner of a weekend away in the Glanbia Snowcream Dairies distributors competition. Pictured at the presentation were (l. to r.) Billy Harty, Regional Sales Manager Glanbia Snowcream Dairies, Edwin Fay, Distributor, winner and Pat Curran, Distributor, runner-up prize. —(Photo: Sean Byrne).

### Health Tips from "Remedies"

#### Allium Sativum

Also known as Garlic

**USES:** high cholesterol, respiratory tract infections, sinusitis and catarrh.

**DESCRIPTION:** Garlic is said to be the world's oldest medicine and is still one of the best and most popular herbal remedies. Remains of garlic have been found in caves inhabited 10,000 years ago. A Sumerian clay tablet dating from 3,000 BC records the first garlic prescription.

**HOW IT WORKS:** It is now recognised that it is the ratio of the various types of cholesterol and fats in the blood, which is more relevant than the totals measured. Garlic reduces the level of low-density lipoproteins (LDL) whilst increasing the levels of high-density lipoproteins (HDL). It has been suggested that an increase in HDL may enhance the removal of cholesterol. Garlic has also a mild action in lowering blood pressure and is well known for its antibiotic properties, which is very useful for sinusitis, catarrh and respiratory tract infections, like coughs and head colds.

An organic and absolute odourless form of Garlic is available at:

Also among the guests

were Cllr. Teresa Wright, Chairperson of Dungarvan U.D.C. and Cllr. Ollie Wilkinson, Chairperson of W.C.C. Cllr. Wright said of the group, "It is so necessary for Dungarvan to have M2M, not only for supporting those who wish to breastfeed but also for the social aspect of mothers meeting each other". Both the Councillors and Ann Ellis congratulated the group leaders for the hard

work they had put in organising the launch.

During the cheese and wine reception that followed, group leaders mingled with guests and discussed the importance of peer support for those who decide to breastfeed their babies.

Mother 2 Mother meets every week in the Family Centre, Mitchell St, Dungarvan from 10.30 until noon. Phone 058-45111.

## Irish Training Company Helps Yet More Development Bodies Achieve

FIT FOR PURPOSE, a training company based in County Waterford, is pleased to announce its involvement in some important new small business development programmes.

One is a retail development programme being run by the Association of Craft Butchers of Ireland (ACBI),

and the other a micro-business skills programme for Waterford Leader Partnership.

In Dungarvan, County Waterford, James Hyde (Director of Fit For Purpose), is delivering the County Waterford Micro Skillnet programme. Participating companies include printers

and furniture makers, bakeries and transport companies from all over the county.

Throughout Ireland, the ACBI has set up and is now helping local networks of butchers develop excellent business skills and customer service. James is pleased to be delivering the training for the Galway & Midlands

group of the ACBI's "Retail Development Programme" (helping out another training company).

Both programmes are yet more in the long line of training aided or developed by Fit For Purpose. Clients include Chambers of Commerce, Development Networks, Professional Bodies, Skillnet programmes and companies of all sizes around Ireland and the UK.

With both delivery and materials consistently rated as "excellent" by participants, Fit For Purpose's training is, as James says, "most successful with people who are serious about making themselves and their businesses great. No matter the size of the organisation, it's the individual's abilities that count most."

James has many examples of how the programmes have been used successfully to support local business start-ups and expansion. To find out more, please contact:

## Local Mother Says "Get Up To Speed With Meningitis"

With cases of Group B meningitis and septicaemia continuing to rise unabated, Meningitis Research Foundation is raising awareness of these diseases by urging everyone to 'Get up to Speed and Meningitis'.

Just phone Meningitis Research Foundation's LoCall 24 hour helpline - 1 890 41 33 44 - for a FREE mini-pack of symptoms information to 'Get up to Speed with Meningitis'.

Meningitis and septicaemia, the blood poisoning form of the disease, are life-threatening and can strike

anyone of any age. Knowing the signs and symptoms of these disease and acting quickly is therefore essential.

Margaret Kirwan of Kilmacthomas, knows how important it is to be aware of the symptoms of meningitis and septicaemia. She almost lost her son to these diseases when he was just four years old. Said Margaret, "I fully support Meningitis Research Foundation's awareness campaign as it is important for everyone to Get up to Speed with Meningitis".

Sadi Denise Vaughan, Chief Executive of Meningi-

tis Research Foundation. "Too many people still experience the devastation of meningitis and septicaemia. By offering free symptoms information to everyone we hope lives will be saved. Early diagnosis and prompt treatment really do give patients the best chance for a good recovery".

Although there are vaccines, which give excellent protection against Meningitis and Septaemia, they cannot prevent all forms of these diseases. It is therefore vital that everyone 'Gets Up to Speed with Meningitis'.

## DUNGARVAN DRAMATIC CLUB

Thanks to all of you who followed our pub crawl last Friday night despite inclement weather. We received very positive feedback from this venture and all the participants certainly enjoyed themselves.

Our next events to celebrate our sixteenth year are the two one-man shows which take place on this Wednesday 17th and Thursday 18th October in the Park Hotel. We are fortunate indeed to have engaged the talents of Donal O' Kelly who represents "Bat the Father, Rabbit the Son" on Wednesday and "Catalpa" is a story in the great epic tradition of "Moby Dick" and "Gone with the Wind" - with a passing glance at "The Great Escape" based on the true story of the daring rescue attempt of six Fenian prisoners in 1875. "Catalpa" is performed by actor and writer Donal O' Kelly with live music by Trevor Knight and has played to highest acclaim on three continents. It was originally produced by Red Kettle in 1995 and has been described by The Times as "A marathon of dazzling theatrical storytelling". On

Wednesday night the solo play "Bat the Father, Rabbit the Son" will be performed. It's the late 1980's. Rabbit is a self-made haulage magnate. He's up to his neck in the kind of deals destined to redefine the word "Tribunal". But something's wrong. His rise to riches is hampered by eruptions from his deceased Father Bat, who has the power to come back and take over Rabbit's body at will. The struggle between father and son, past and present, imagination and reality spans Dublin. The New York Times described this as "A wild slapstick tour de force". The Evening News Edinburgh says "This is a terrific show - go and help make this man rich and famous!". Two terrific nights of entertainment await you. Don't miss them. The results of our word search competition can now be revealed. Out of an entry of 482, one lucky winner has been plucked and he is James Glavin, a pupil of 5th class in Clashmore N.S. Congratulations, you have won your school five hours of Drama Workshops.

# Lashings of Love for a Lawn

A PRISTINE green lawn is more than just an attractive asset - it is a triumph of hard work, careful nurturing and lashings of love and attention.

Despite their best efforts, most gardeners still despair at the state of their lawns. There's too much moss, too many weeds, it's dry and patchy or so soggy you daren't set foot on it.

A beautiful lawn may seem a dream, but for most of us there is no reason why it shouldn't become a reality.

The easiest route to a great

lawn is to start from scratch. High quality seeds and careful preparation of the soil can create an excellent lawn ready for rough and tumble within six months.

A more expensive but quicker alternative is to lay good quality turf, which should knit together to provide a lawn you can walk on within a few weeks.

Choice of grass is important and depends on how you anticipate using the lawn. All seed mixtures are made up of a combination of different grasses with different qualities - and the

blend determines the type of lawn you get.

A mixture containing modern ryegrass will be hardwearing and quick to establish, ideal for heavy and frequent use.

Non-ryegrass mixtures are for luxury lawns that are unlikely to suffer much wear and tear. They create a beautiful bowling green appearance - although they are slower to grow, taking up to three weeks to germinate.

The best time to sow a new lawn is during the late summer and early autumn, when temperatures are warm but the ground is moist.

The ground should be prepared two to three months earlier. First dig it over, removing any large stones using a rake to level the surface and crumble the soil.

It should then be gently trampled to make the surface firm, then left for several weeks so weeds can appear and be removed.

Pre-sowing fertiliser should be spread a few days before the seed - and once the seed is sown it should be gently raked over and left to germinate.

In the absence of rain, the soil may need to be kept moist by gentle watering.

If planting a new lawn is impractical, careful cultivation of an existing one will soon bring it up to scratch.

All lawns should be mown

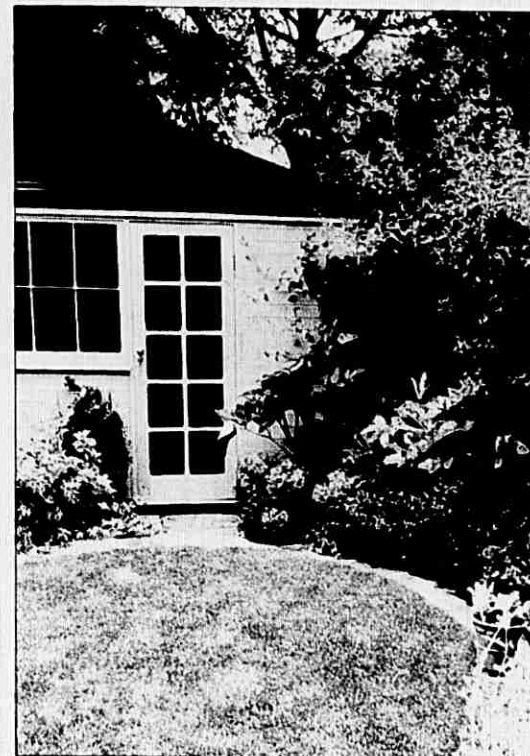

once a week during the growing season and the edges should be trimmed at the same time. A hover mower is ideal for a lawn with awkward corners or slopes - while a good roller mower will give an excellent striped finish.

Regular feeding is important, particularly if a lawn needs rejuvenating.

Even a healthy one needs high-nitrogen lawn fertiliser at least twice a year to help it withstand wear, tear and dry spells.

Watering is also important during dry spells, when a good soaking should be given during the early morning or late evening - provided there isn't a hosepipe ban.

The best way to tackle weeds is to apply a combined fertiliser and weedkiller in the spring.

**PRISTINE LAWN:**  
A beautiful lawn doesn't have to be a dream - if you treat it right!

## This week in the Garden

**PRICK OFF CAULIFLOWERS**  
If you sowed cauliflowers last month you must now transfer them to a frame. PREpare a bed of finely broken soil in the frame and dibble the seedlings 8cm apart each way.

**GATHER FALLEN LEAVES**  
Sweep up all fallen leaves from time to time during the month. Leaves are a source of danger in a rock garden for if they lie thickly on the plants they may kill them.

### Clarification Sought On Route Selection Process For New Dungarvan Road

Cllr. Billy Kyne sought clarification on the selection of a route for the Dungarvan Outer By-Pass from the Council.

He wished it to be publicly known that a full consultative process for the selection of a route must be gone through before any one road is selected.

At present, he said, five possible routes were being proposed and there were some fears that these were the routes that were going to be selected.

County Engineer John O'Flynn said that the reason for the new outer bypass was because the traffic management study for the town highlighted that the present bypass couldn't cope with the amount of the traffic and had essentially just become an inner link road.

He went on to say that the only stage of the process the Council had so far gone through was the constraints study to look any problems with developing the road in a particular area.

The present stage the Council is now in is the drawing up of possible routes. He said these are not definite routes and are likely to change substantially once submissions from the public are made.

Development is likely to begin on the road after 2006, the County Engineer concluded.

Cllr. Billy Kyne

### Cllr. Fears Tallow Fish Processing Plant May Not Go-Ahead

Cllr. Willie McDonnell has expressed concern that the proposed fish processing plant in Tallow will not now go-ahead.

"It seems to me that the plant has fallen flat", he said, and asked the Council had they received any indication whether it would go-ahead or not.

However, he said that he was still hopeful that it would still start up on time.

The County Manager Donal Connolly said that he had received no indication so far whether the plant would be developed in Tallow. He said that he would now look into the matter.

### Safety Fears For New Kilmac' By-Pass

Cllr. Ger Barron raised concerns over the safety of the new Kilmacthomas By-pass. He has now called for the Council to put in place motorway standard lighting and advance signs warning of the turn-offs to towns along the route, including Kilmacthomas and Stadbally.

The Council were told that an ambulance which was looking for the turn-off to Kilmacthomas could not find it and took it several more attempts in what could have been a serious incident.

Cllr. Tom Cunningham also noted that a serious accident was only waiting to happen and that unless signs and lighting was provided for the National Roads Authority should be disbanded.

He then called for a meeting to be put in place between the NRA and councillors.

However, County Engineer John O'Flynn said that while a meeting could be arranged between the Regional Design Office he couldn't guarantee the NRA's attendance.

Cllr. Ger Barron

### £2 Million Interest To Be Paid On Loan For Civic Office Extension

Cllr. Tom Higgins pointed out that the Council would end up paying £2 million interest on the loan for the extension of the Civic Offices.

The loan of £1.2 million from the financial institutions will be paid back at £100,000 over 20 years.

Cllr. Higgins welcomed the extension but said that as a mark of protest over the new ATM banking system to be used by the Bank of Ireland, this bank should not be dealt with.

The new system, which would mean that all personal accounts will take place by using the new ATM machine recently installed, he said, was an "unadulterated assault on the ordinary person" and will "ostracise them outside the bank".

The stopping of personal transactions, Cllr. Higgins said, will also have an adverse affect on old age pensioners and those with disabilities.

Cllr. Billy Kyne said that in recent weeks many people had written letters of protest to the Bank of Ireland and said that the County Manager Donal Connolly should write to the local branch manager in protest also.

"What is proposed by the Bank of Ireland is wrong for any customer", he said "but at a time fraud is at its highest at ATMS I think this is a cavalier attitude from the Bank of Ireland."

He said if Banks continue in this mode "where they charge you for your own money it's time the Government clamped down on it".

Cllr. Nuala Ryan said she had received similar complaints from pensioners in particular. She now believes "that people will vote with their feet".

However, County Manager Donal Connolly said that the Council will secure the loan from the bank which offers the best terms and most competitive rates although he said that the AIB were the acknowledged treasurers of the Council's finances.

Cllr. Tom Higgins

### Dungarvan Being Ignored By Government Claims Cllr.

Dungarvan is being ignored by the Government for investment, according to Cllr. John Deasy.

While money has been put into development around the country, the Fine Gael Councillor said, "not a penny" has been invested in the quays in Dungarvan.

He said Minister for the Marine Frank Fahey had completely ignored Dungarvan Harbour and said that the Council should write to him again and ask him to come to the town.

"The last time he was due to come to Dungarvan he used Foot and Mouth as an excuse", Cllr. Deasy said.

However, Chairman of Waterford County Council, Cllr. Ollie Wilkinson said, that "if you think the Minister was using Foot and Mouth as an excuse you're very wrong. That was a very serious thing and if you think Dungarvan hasn't received any investment, you must be living in a different town."

Cllr. John Deasy

### Coillte Criticised For Not Cutting Hedges

Coillte is one of the worst offenders for not cutting back the trees on their property which are overhanging roads, according to some Councillors.

Cllr. Paudie Coffey said that narrow roads are becoming a danger and a serious hazard to the public's safety with Coillte being one of the worst offenders.

Concurring with this view Cllr. Ciarán O Riain said that a warning must be given to the national forestry body to cut their hedges.

He also said that the local newspapers should be given the names of those who don't cut their hedges and should be publicised in a "name and shame campaign".

Cllr. Willie McDonnell emphasised the responsibility of Coillte to cut the hedges on

their property.

He said it took Coillte three years to cut overhanging branches near Tallow in recent years. "I have nothing against Coillte employees", he said "but the company is state owned and must be dealt with."

However, Cllr. Billy Kyne said that Coillte was a soft target for criticism because they are already in financial difficulty. He said blame must be apportioned to all land owners who did not cut their hedges.

Meanwhile, the problem of farmers not cutting their hedges could be solved by the Council sending out the local overseer and pointing out areas that need to be cut, Cllr. Mary Green added.

### Concern Over Shanbally Floods

Flooding at Shanbally, Cappoquin got so bad at one stage in the past few months that the water "couldn't be driven through, let alone walked through", according to Cllr. Nora Flynn.

She said that the road at the bottom of the Shanbally estate was prone to flooding and though she had previously raised the matter with the Council, nothing had been done.

The County Engineer, John O'Flynn said the matter would be looked into and he will make contact with the local representatives to address the matter.

Cllr. Nora Flynn

### Work To Start On Waste Water Treatment Plant Next Year

Construction may begin as soon as April or May next year if all goes according to plan, County Engineer John O'Flynn told Councillors.

Currently tenders are being examined and a shortlist of contractors is being drawn up. The treatment plant is designed to deal with waste that enters the harbour and will produce sludge. A strategy has already been formulated to dispose of this sludge though the County Engineer did not reveal what this will involve.

# RECENT DEATHS

## LATE MICHAEL (MIKEY) ALLEN

With deep sadness and regret we record the passing of Michael (Mikey) Allen, Crushea, Ardmore which occurred at 12 midday on Friday 28th September at his residence.

All of Mikey's 86 years were spent in his native Ardmore. A man of the soil, from farming stock, Mikey worked hard all of his life enjoying working the land in the old traditional manner.

There are many fond memories of Mikey Allen. He is best remembered by his friends, neighbours and acquaintances as a great historian and for his long jovial conversations.

He liked nothing better than a "lively" chat maintaining a strong interest in current affairs until the end.

He will always be remembered by his family as a gentle, devoted, family man with a quiet devotion to his daily prayers. It is fitting that he died surrounded by all of his family.

His passing is much regretted by all who knew him.

Ar dheis De go raibh a nam.

Following rosary on Saturday evening recited by Rev. Fr. O'Connor P.E. removal was from Drohan's Funeral Home to St. Declan's Church, Ardmore. On arrival his remains were received and blessed by Rev. Fr. Michael Reid P.E. Burial took place in the new cemetery, Ardmore, following his funeral Mass on Sunday 30th September.

Chief mourners were his wife Peggy, son Michael, daughters Mary Theresa, Carmel, Margaret, Catherine, Esther, sister Margaret, sons-in-law Roy, Sean, Noel and Michael, grandchildren Michael, Irene, Anita, Carmel, Stephen, Mark, nieces, nephews, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

## LATE PATRICK (PADDY) RYAN

It is with feelings of profound regret we record the passing of Patrick (Paddy) Ryan, Ballycullane, Dungarvan on Thursday 4th October at the District Hospital, Dungarvan following a period of failing health but at the great age of 98 years.

Paddy was son of the late Michael and Julia Ryan, Ballycullane. He was 4th generation Ryan family, Ballycullane who hailed from Ballinaharda, Old Parish. From a farming background he was a good judge of horse flesh. His father reared the 'Pride of Munster', the horse came 3rd in the English Grand National. A life long supporter of Fine Gael, Paddy possessed until his death a perfect memory and could trace back to Daniel O'Connell and Michael Collins and told many a tale. He was a kind man with many fine qualities, his passing is much regretted. May he rest in peace.

Following rosary recited by Fr. O'Riordan C.C. his remains were removed from Drohan's Funeral Home to St. Mary's Parish Church on Saturday evening where they were received on arrival by Fr. O'Riordan C.C. and followed by a

large cortege. Following requiem Mass on Sunday morning celebrated by Canon O'Mahoney P.P. assisted by Fr. O'Riordan C.C. interment took place in the adjoining cemetery again in the presence of a large gathering. The lesson was read by cousin Pádraig Harty.

The chief mourners were Julianne (sister), the Ryan family, Dromana, Aglish, Harty families, Ring, O'Connell families, Dublin, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

## LATE CATHERINE (KITTY) FRAHER (NEE DESMOND)

It is with sadness we record the passing of Catherine (Kitty) Fraher (nee Desmond) which sad event occurred at Waterford Regional Hospital on Saturday 6th October.

In her early years Kitty resided in many places being daughter of Creamery Manager the late Peter Desmond, these included Rathgormack and Seart where she made many friends.

She was employed at the Hotel Clonmel in Slievenamon for 10 years after she left school until she married Jack Fraher in 1958. She then took on the role of wife and mother. They had three children. A wonderful kind wife and mother she always put her family first. She was a member of Touraneena ICA where she perfected her talents for cooking and knitting. She was skilled at making brown bread, blackcurrant jam and knitting Aran sweaters. Kitty was a devout church goer attending Mass each morning despite the weather. She helped the missions and orphans in Africa and was a member of the Touraneena Church choir. She enjoyed music and dancing and even though she suffered a stroke in May 1995 she never complained and was a member of Dungarvan Stroke Club. Her passing is much regretted and leaves a void in the local community that will not be easily filled. May she rest in peace.

She reposed at her home in Cahernaleague where the constant flow of callers confirmed her great popularity. On Monday evening her remains were removed from her home to Touraneena Church where they were received and blessed on arrival by Fr. Kelleher P.P. and followed by a large cortege of mourners. A guard of honour was provided by Touraneena ICA.

On Tuesday morning requiem

Mass was celebrated by Fr. Kelleher P.P., assisted by Fr. M. Farrell, Tallow, a family friend. The Liturgy of the word was read by Carmel Nolan and Tom O'Connor (brother-in-law). Prayers of the faithful were recited by grandchildren Keith, Mark and Gillian, nephew Peter and daughter Eileen. The offertory gifts were brought by daughters Eileen and Pauline. The music of Touraneena Church choir made the Holy Sacrifice very special to the huge concourse present. Interment took place in the adjoining cemetery and pallbearing duties were carried out by son Leonard, Keith and Mark (grandsons), Jamie (son-in-law), Seamus, Kevin and Peter (nephews).

The chief mourners were Leonard (son), Eileen and Pauline (daughters), Jamie (son-in-law), Phyllis, Maura and Bridie (sisters), Bert Hogan and Liam O'Connor (brothers-in-law), Keith, Mark and Gillian (grandchildren) and a wide circle of relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

## LATE NOEL BURKE

Profound and sincere feelings of regret were widely expressed at the news of the sudden death of Mr. Noel Burke, Gliddane, Dungarvan which sad event occurred on Monday 1st October.

Noel was a member of an old established family highly respected in the farming community. Son of the late Jim and Catherine (Birdie) Burke, he farmed all his life in his favourite "Sunny Gliddane". Noel worked extremely hard, he had a true vocation for farming and loved every inch of his land and farm.

Noel was someone special, he was a most obliging neighbour, his integrity, courtesy and sincere nature commended him to young and old alike. He was a true gentleman of the old school in every sense of the word and all his friends and family truly grieve for his demise.

Noel's priority was his family, in particular his wife Kay and his children, Catherine, Gerard, Helen and Mairead who were his pride and joy. He was particularly proud of his son Gerard's success in the racing world which he followed with great interest and enthusiasm. Noel was utterly devoted to his family and they in turn thought the world of him.

His passing has evoked feelings of sincere regret among his family, neighbours and many friends.

His remains were removed from his home in Gliddane to Kilgobnet Church on Wednesday evening where they were received and blessed by Fr. M. Collender O.S.A., Fr. M. Kennedy, Fr. Enright P.P. and Fr. C. Healy. On Thursday, Noel was laid to rest following a moving ceremony. The chief celebrant was Fr. M. Kennedy P.P. assisted by Fr. M. Collender and Fr. C. Healy, both nephews of the deceased and Fr. Richard Doherty P.P.

Lessons were read by his son Gerard and daughter Mairead while the prayers of the Faithful were shared by his niece, nephews and daughter-in-law Patricia. His daughter Catherine

read a very touching and fitting tribute about a much loved Dad.

Beautiful music was provided by John Collender and Neil Hurley. A large concourse of mourners paid their final respects to a dear friend whose memory they will long cherish.

The Lord took Noel in the bloom of his life but he did say to him, "Noel you have finished the work I have given you to do, come follow me".

Chief mourners were wife Kay, daughters Catherine, Helen and Mairead, son Gerard, daughter-in-law Patricia, grandchildren James and Jilly, sisters Nell and Ailish, nephews, nieces, brothers-in-law sisters-in-law, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

## LATE FRANKIE DALY

Sincere regret and deep sorrow were expressed with the passing on Friday 5th October of Frankie Daly, 21 Murphy Place, Abbeyside at Waterford Regional Hospital. A native of Abbeyside, Frankie was one of the old stock, was aged 80 years and gave virtually all his working years to the local Creamery. Retiring in 1988, he lived for his beloved grandchildren who all meant the world to him.

In his younger days he donned the famed neckerchief of the 4th Waterford Scout Troop. He loved local history and followed the daily and international news with keen interest. The newspaper was part and parcel of his day. A man of deep religious convictions, he attended to his church duties with fervour and devotion.

We sympathise with his wife Noreen, son and daughter Frank and Eleanor and all his other relatives at this time. Reposing at the Kiely Funeral

Home the removal following prayers and rosary recited by Fr. M. Keogh C.C. took place to his beloved St. Augustine's Church, Abbeyside.

Funeral Mass on Monday was celebrated by Fr. Doherty P.P. with coc celebrants Fr. Keogh C.C., Fr. Lucey P.P. Very Rev. Fr. N. O'Mahony P.P. was also in attendance at the funeral obsequies. The music of Lorna Daly-Murray was deeply appreciated while the Liturgy of the Word was read by Ken McGraith (grandson) and Marie Claire Daly (granddaughter).

Prayers of the Faithful were shared by grandchildren Jason, Lisa, Gillian and Stephen McGraith and Frank Daly. The offertory gifts of a walking stick, family photographs, newspaper and bread and wine were brought to the altar by Stephen and James McGrath, Frank Daly (all grandsons), Jim McGraith (son-in-law), Ann Daly (daughter-in-law).

We gathered in the adjoining cemetery for final prayers and blessing as Frankie was laid to rest.

Chief mourners were wife Noreen, son Frank (Galway), daughter Eleanor (Ballinacoola), daughter-in-law Ann, son-in-law Jim McGraith, grandchildren Frank and Marie Claire Daly, Ken, Jason, Lisa, James, Gillian and Stephen (McGrath), brothers Paxie (Abbeyside), Stephen (USA), sisters Nell (Abbeyside), Chrissie and Joan (England) and a wide circle of other relatives including nephews and nieces.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE DANNY COTTER

On Friday last we received the sad news of the passing of Danny Cotter, Tinalira, Ballinacoola at St. Joseph's Hospital, Clonmel after a short duration of illness. Well known and highly respected Danny was one of nature's true gentlemen. We extend to Alice (wife), Timmy (son), Paula (daughter-in-law), Alison (granddaughter) and many of his other relatives our deepest sympathy at this time.

Reposing at the Kiely Funeral Home on Saturday, the removal took place to St. Mary's Church, Touraneena. Funeral Mass on Sunday was celebrated by V. Rev. Fr. Kelleher P.P. after which the interment followed in the adjoining cemetery.

## Railway Athletic F.C. Notes F.A.I. Junior Cup Round 2

### "Railway Progress After Good Team Performance"

#### Railway Athletic 2 Clonmel Evergreen 0

On Sunday afternoon last Railway Athletic put up a very solid performance against a good Evergreen side to advance into the third round of the F.A.I. Junior Cup. This was a game in which every Railway player was up for it and nobody could ask for more effort from this bunch of lads. We started the game at blistering pace and constantly had Clonmel on the back foot. We were playing a good controlled game and it was no surprise when we took the lead on the quarter hour. Paul Quinn made room for himself about thirty yards out and his fine effort was only parried by the keeper. Kieran Cotter was first to react and he slotted home to give us a well deserved lead. Two minutes later we were two up. Prendergast played a good ball to Cotter who put Radley through. Radley rounded the keeper who took him down and we were awarded a penalty. Up stepped Paul Quinn to blast past the helpless Clonmel keeper. Railway kept the pressure on but for the remainder of the half Clonmel defended well. Railways back four of S. Quinn, Murphy, Mason and Lenane were well on top and amazingly Clonmel didn't have a shot on target in the opening half. In second half Clonmel pushed more men forward and this created a lot of space around midfield, even though we had a lot of the ball we couldn't keep possession and on many occasions gave away needless balls. With all the possession Clonmel had Morrissey in the Railway goal only had one effort to save in the second half. It was now becoming a real battle around the middle of the pitch and Clonmel became constantly frustrated and started to put in some bad and late tackles as we constantly broke down play to deny them. We could have stretched our lead with five minutes to go. Clonmel's keeper came up for a corner and as the ball was cleared out as far as James Manahan he tried to chip the retreating keeper. However, "606's" effort almost broke the corner flag in two and that was the last real chance of the game. So a solid team performance from every Railway player. Morrissey had a very quiet game in goal, as mentioned our back four were well on top throughout and in mid-field O' Donnell, J. Manahan, P. Quinn and C.P. played very well. Up front Cotter and Radley ran themselves into the ground and all three subs. P. Manahan, K. Foley, P. Hallissey all played their part in a fine Railway win.

Team: Liam Morrissey, Stephen Quinn, Eamonn Murphy, Kenny Mason, David Lenane, James Manahan, Paul Quinn, Conor Prendergast (Capt.), Kenneth O' Donnell, Caimin Radley, Kieran Cotter. Subs: Pakie Manahan for Cotter, Kevin Foley for Radley, Pat Hallissey for P. Quinn.

#### Division 2B Friendly Affane 3 Railway 1

We made the short trip to Affane on Sunday morning last where we played a challenge match. Affane started the better and could have been 3 goals up after a quarter of an hour only for bad finishing. Eventually we settled down and started to play and were unlucky not to score on a couple of occasions. The first half ended scoreless. In the second half Affane were first to score when after a Railway corner they broke up the field and Kieran Veale tucked it away. Another defensive mistake left them in for number two minutes later. Finally after some good Railway play, Paul Ormonde pulled one back, but with time running out we conceded a needless penalty which Stephen Hogan got a hand to but couldn't keep it out. The game finished shortly afterwards with Affane winning 3-1. This was another bad performance for Railway with a lot of players not wanting to know. On a positive note we had good performances from Paul Ormonde and the lively Eoin O' Donoghue. With plenty of training and a better attitude and a bit of luck things come right eventually so keep at it lads. There is no rumours that the management are considering resigning.

Team: Stephen Hogan, Dean Morrissey, Ray Curran, Liam Costin, John Quann, Pat Quinn, Brian Quinn, Anthony McCarthy, Eoin O' Donoghue, Brian Beatty, Paul Ormonde. Subs: Tom Mansfield and Derek Browne (both used).

#### U-15 League

##### Railway 2 Mooncoin 3

Railways U-15 team really left the points behind them last Saturday in the Danesfield. Railway were the better team throughout and only for some defensive mistakes and some better finishing in

front of goal, the result would never be in doubt. Paul Murray volleyed over after 10 minutes from a Danesfield corner but we took the lead after 18 minutes when after a good move and final ball by the lively Keith Landers. Daniel Dransfield finished well from close range. John Cunningham made two point blank saves in a five minute spell but Mooncoin equalised two minutes from the break when a harmless looking cross which eventually ended up in the net. Railway were 1-3 down 10 minutes into the second half when Mooncoin were left through for two soft goals giving Cunningham no chance in goal. Railway peppered the Mooncoin goal for the rest of the game but to no avail. Landers, McGrath and the very impressive Mossie Collins had good efforts all saved, but we finally got through in the 70th minute when Collins scored after a great individual run. Unfortunately Mooncoin held out until the end leaving Lillys team luckless. With a bit of luck and better defending, this team could do very well in this league, but there is no point giving out to the ref as his decision is final. Team: J. Cunningham, D. Kett, S. Bennett, D. Browne, J. Hodnett, M. Collins, P. McGrath, P. Murray, D. Dransfield, K. Landers, D. Hamilton. Subs: S. Power, P. Barry, I. Mason.

## AFFANE SOCCER NOTES

Last Sunday we played Railways 2nd team at home in a challenge and won 3-1 with a few of our regular players not their it was a chance for a few of our other players (some old). We started very well and defended very well. We knew it was going to be hard going because of Railways fitness but we battled hard and got our first goal and what a goal it was with Kieran Veale picking the ball up and running up the Railways defence he rounded a few players and slotted the ball past the advancing keeper to make it 1-0. Railway pushed hard for a goal but our backs held their own and so did Shane, making a few fine saves. We started the second half the same never giving up battled well from the backs to the forward line. We got our second goal half way through the second half, Kevin Reddy played Jamie McGrath down the wing and pace and skill made no mistake to have it 2-0, Railway pulled one back. But straight we were given a penalty and James Maher made no mistake to make the score 3-1 thanks to Railway from the game and we wish them the best of luck in the year ahead. Thanks lads. Team: Shane Coughlan, Brian Denn, Tony, Mick McCarthy, Kevin Reddy, Brendan Scanlon, Tom McGrath, James Maher, Jamie McGrath, Denis Byrne, Mick Prendergast. Subs: Kieran Veale for Denis Byrne, Brendan McGrath for Mick Prendergast.

## TOURIN GAA CLUB NOTES

### Hurling Championship

We played Kilgobnet on Saturday in Cappoquin in the semi-final of the Junior Hurling Championship. We started well, putting Kilgobnet under pressure straight away but failed to take our chances. Kilgobnet got a goal and a couple of points but we replied well and were level at half time. In the second half, we again started well going in to the lead by a point, but after that Kilgobnet took over, scoring 3-5 without reply. We were reduced to 14 men with 15 minutes left and the extra man told in mid field, where they took over, putting our backs under too much pressure. Still, we fought it out to the end and with a better effort from everyone next year, we can go further. Considering we started with five minors and only four players over 21, the basis of a championship team is there.

### Football Championship

We were beaten by 1 point in a close game against Melleray.

### Sympathy

The club wishes to send its sympathy to the family of the late John Fraher who was part and parcel of the Cappoquin Club all his life.

## CAPPOQUIN ANGLERS DANCE

Cappoquin Anglers Club (Founded to protect Fishing Rights) will hold a Dance at the Sportsman's Bar, Cappoquin on Sunday 28th October.

**Forestry**

Teagasc are responsible for providing advice to farmers and other landowners who are interested in forestry as a land use option, or for those who have planted, to help them to get the best possible crop through good management techniques.

The Teagasc forestry advisory and training service is a completely free service. Paddy Bruton is the Teagasc Forestry Adviser for Co. Waterford. He is based in Kildalton.

**Introduction to Forestry**

A short course for those considering planting or who have recently planted will be held in the Teagasc office in Dungarvan commencing on Thursday 25th October at 8pm (See advertisement).

It is also planned to hold a number of forest walks in the near future in the County and these will be timed to coincide with the various operations necessary in the management of young plantations. It is essential for Forest owners to attend these events as they will be the main method of demonstrating good management techniques.

**Timely Management Hints for your Plantation Vegetation Control**

As trees have stopped growing now, there is no point in carrying out any weed control, apart perhaps from some emergency manual cleaning if trees are being smothered. On certain sites, however, it may be worth considering an application of Glyphosate now. Autumn applications of Glyphosate can give good control of certain vegetation, especially grasses on fertile sites, which can continue well into the following Spring. Therefore, if you are worried that you may not be able to get all your Glyphosate spraying completed in the early Spring it is worth considering getting some suitable areas completed now.

**Scrub Control**

Furze (whins) and briars can be a major problem on young plantations. The Autumn is a good time to spray scrub and briars with Tricolopyr. This herbicide can be applied over the top of many conifers as long as they have hardened off but the leaders should be avoided.

**Filling-In**

From now on, it is time to be planning what trees need to be replaced in your young plantation. Early filling-in is a good idea so agree a plan with your Forester now. Trees should be available from the forest nurseries from November on, weather permitting, and ideally should be ordered now. Remember the Forest Service requires a minimum of 90% of original stocking at year 4 with no gaps.

**Cattle**

**Census Return for Extensification**

Have you returned your CEN.1 form to your local district livestock office? The deadline was Friday 5th October for farmers using the census system to determine eligibility for extensification. The census dates for 2001 were Sunday 11th March, Sunday 13th May and Sunday 5th August.

Note that the reduction co-efficient of 0.8 for the first two census dates (due to foot and mouth restrictions) applies to cattle only (not sheep) and this will be applied by DAFRD automatically. Actual cattle number held on both dates should be declared as normal on the CEN.1 form.

**Suckler Weanlings**

Respiratory disease can be a major problem with suckler weanlings in Autumn due to exposure to a range of stress factors including abrupt weaning, extra handling, dosing, mixing, transport to and from sale, dehorning, castration and housing. Careful planning before and after weaning can minimise some or all of the stress factors and greatly reduce the risk of ill health, poor subsequent performance and mortality. Weanling sellers should have calves on creep grazing and/or creep meals before sale. Weaning and vaccination pre sale is an option where direct farm to farm sale is organised and the purchaser is prepared to pay extra to cover the costs. Direct farm to farm sales (using the mart as the agent for security and weighing) can greatly reduce stress and suit both buyer and seller once a pricing system is agreed.

**Sheep**

**Teagasc Autumn Sheep Seminar.**

Earlier this year Teagasc, Athenry established on-farm trials around the country to establish the levels and causes of lameness problems in sheep. Some of those farms co-operating in the trial are located in Co. Waterford.

At a Teagasc seminar in the Teagasc Centre, Dungarvan at 8.00 p.m. on Tuesday 23rd October (see separate advertisement) Barbara Goode, a researcher on sheep from Teagasc, Athenry and Pat Clarke, Teagasc Sheep Specialist will speak about the initial results from these trials and the implications for Co. Waterford Sheep farms. In addition Paddy O'Brien, Teagasc Adviser, will give up to date advice on meal feeding of lambs.

This seminar offers a unique opportunity for all sheep farmers in Co. Waterford to get a full update in preparation for the new sheep production year.

**Live Valuation System must be introduced for all says Macra**

Following a recent meeting between the Department of Agriculture and the farm organisations, Waterford Macra na Feirme's agricultural spokesperson Ken Murphy (Clonea Power), said the Government must deliver on its commitment to introduce a live valuation system for all TB and Brucellosis breakdown cases as a matter of urgency. At present the live valuation system is only an option for those farmers with 6 or more reactors and those with pedigree reactor animals, he said.

Mr. Murphy said the commitment to introduce a live valuation system was one of the key farming elements stipulated in the PPF (Programme for Prosperity and Fairness), which was agreed in February 2000.

"The current situation is totally unacceptable with more than 80% of farmers having no access to live valuation, despite the scheme having been operational for the past nine months. "Macra will not stand by and allow more young farmers to suffer because of the departments failure to deliver on its commitment," concluded Mr. Murphy.

### LATE MRS. KATHLEEN HOULIHAN.

It is with deep and sincere regret we record the death of Mrs. Kathleen Houlihan (nee Heffernan), John Paul Place, Clonmel which sad event took place at Rathkeevan Nursing Home, Rathkeevan, Clonmel. A lady who was outspoken and direct, she was noted for her keen sense of humour, which she retained to her end. She was one of the family of five, three boys and two girls, her parents were Martin and Norah Heffernan of Irishtown. Kathleen had a unique connection with the printing profession in that her father and brothers worked in the Sporting Press, Clonmel and her husband Tony spent fifty years with Clonmel Nationalist Newspapers. When she left school she joined the staff of Clonmel Boot Factory where she spent the happiest days of her life. In 1946 she married Tony Houlihan of Ard na Greine and they had a family of two girls. In her younger years she loved gardening and walking with her daughters, they used to go out to the Spa and their little dog trailing along behind. In the summer months their outings were to Clonea Strand, Tramore and the Cove Stradbally. Later in years she used to travel with her husband Tony as he was a skilful dart player, he used to take part in inter pub competitions as far away as Millstreet, Co. Cork. Their regular houses in the town were the County Hotel and Gerry Brennans. For a time she resided in Fethard and then back to Clonmel where they took up residence at John Paul Place. A few years ago her health began to deteriorate as did her husbands. Three years ago her husband passed away. For the past few years she was house bound and the last six months she spent in Rathkeevan Nursing Home where she was treated as a member of the family and her passing has caused much sadness to her daughters and her many grand children.

Her remains were removed to SS Peter and Paul's Parish Church where they were blessed and received by Rev. Fr. Brian Power C.C. On the following morning requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. Brian Power C.C.. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where she was laid to rest in the family plot with her husband Tony. To her family and her many relatives we extend our sympathy. ### LATE MRS. CATHERINE FRAHER

Profound and sincere feelings of regret were widely expressed at the death of Mrs. Catherine (Kitty) Fraher (nee Desmond), Cahernalague, Ballinamult which sad event occurred after a long illness borne with true Christian fortitude at Drum hills Nursing Home, Ballyduff Beg, Dungarvan on Saturday 6th October 2001. Deceased was a member of a well loved and respected family the Desmonds of Scart. A lady in every sense of the word, kind and loving, she gave a number of years on the staff of Sliabhnamon Hotel Clonmel where she was a favourite with customers and management. After some years there she fell in love with her neighbour Jack Fraher and after some years they married and were blessed with tree children two girls and a boy. She was a woman who was highly respected by her family, neighbours and her many friends, who recognised and appreciated her as a caring extremely kind person. Her home was her castle, as a cook she had few equals, she was noted for her brown bread. She was also gifted with the knitting needles and was noted for her Aran jumpers and cardigans. Even with so much work in the home she found time for daily Mass at St. Mary's

Parish Church, Touraneena. Her greatest passion in life was for her husband Jack and her children and to them she was utterly devoted and they in turn thought the world of her. In all her years she never spoke harshly of anybody or from her mouth there never came a wrong word, and her demise has evoked feelings of sincere regret among her family, neighbours and her many friends. On Saturday the family took their mothers remains to her home where she lay in repose until Monday evening. On Monday her many friends who were regular Mass goers with her visited her home and recited the rosary for their dearest friend. On Monday evening her remains were removed from her residence to the Parish Church of St. Mary's, Touraneena where they were blessed and received by Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena. On Tuesday morning the feast of St. Denis and his companions (Martyrs) requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. Michael Farrell P.P. Tallow (a family friend). After Mass as a North Westerly breeze blew across Sialbh gCua and the sun made a brief appearance a kind and loving mother was laid to rest in the family plot with her husband Jack who predeceased her by close on seven years. Fr. Kelleher P.P. officiated at the grave side and Fr. Farrell P. P. recited a decade of the rosary in the presence of a large concourse of mourners paying their final respects to a dear Christian friend whose memory they will long cherish. To her son, daughters, sisters and her many relatives we extend our sympathy. Ta siochain agus suaimhneas bainte amach aici.

## ABBEYSIDE SCOUT NOTES

Last week in the den was rather quiet during the meeting compared to last week as the scout troop was not present. The cubs had the den to themselves while the scout troop were taking part in the Feile in Melleray scout centre. The cub meeting got underway with a game of number soccer which saw Alex Fay beating all corners. Following this a discussion followed on the test work which needs to be done before the cubs are invested. This investiture ceremony will take place in the new year in early January when all concerned have their tests passed and will by then also have full and correct uniform. Following this Sandra and Emer took everyone through the tracking signs for the explorer merit badge and indeed everyone showed that they picked these signs up without any difficulty. To round off the meeting a game of crab soccer was played in which Phil Cashin, Aaron Fraher and Barry McCullough proved they were hot when it came to scoring the goals. At the end of the meeting it was announced that a hike will take place on Sunday the 11th of November. more details on this later. Next weeks meeting takes place at the normal time of seven and is a "mufti" (non-uniform) meeting.

### SCOUT NEWS

Last weekend the troop took part in the 22nd annual Feile Na nGasog competition held each year in Melleray scout centre. The weekend proper got underway in the grounds of the Friary College Duckspool on Saturday morning where a number of team events were held. This year five troops from various parts of the country such as Cork and Tipperary took part. In the football competition Abbeyside won while the opposition team, Roscrea missed two penalties in a pulsating final where the strength in depth not to mention the height of the Abbeyside team played its part. The Basketballers finished a creditable second place playing against much bigger opposition. Man of the match must surely go to Matthew Kirkham who put in some great baskets. His brother Jason meanwhile was putting in great play in the handball and finished runner up also in this event. Kenneth Kelleher put in another sterling performance winning the squash tournament without losing a single point in any match, a great achievement this and one to be well proud of. Following the days sporting activities night time saw a more relaxing time when each troop put on a sketch which had to meet certain criteria such as having music and Irish dance as part of a must do programme in order to gain points towards the overall placing in the competition. Sunday morning in damp dreary weather the football field in Melleray was the location for the track and field events and here we had some great results. Winning their individual events were Paddy Cullen, Michael Browne, Peter Phelan, Simon Hanrahan, and in the push the rope competition the team also came first. In their events Cian Moloney, Conor O'Neill, David Hickey, Marco Hanrahan, Rory Moloney, Michael Organ and Sean Power were placed second and third respectively. Following dinner, team leader Tomas Kiely was confident that if the team picked up points from the previous evenings entertainment then maybe they could once again be named Feile champions. The award ceremony took place on Sunday afternoon and for the first time in the long history of this event a draw was announced. The joint winners of Feile Na nGasog 2001 were Abbeyside and Tipperary in what was certainly the toughest and hardest contested competition ever. Tomas Kiely was overjoyed with the result and the hard work and dedication his team put in before this event paid off with this well deserved victory. To the whole team well done.

### NOTICE

The meeting for the scouts only takes place this coming weekend on Sunday morning at eleven thirty. The cubs will meet at the normal meeting time of seven o'clock on Saturday night.

## Abbeyside Community Centre Questionnaire

The Community Centre Committee are currently sending out questionnaires to every house in Abbeyside. The questionnaire is necessary to help us gain a picture of the level of support for the project and also to help with our grant applications where we are required to show all our research for the project. The questionnaires are being delivered on the week beginning 21st October and we would ask everybody to please take a few minutes to fill them out. Committee members will be calling in person to collect the questionnaires on the week beginning 30th October. We look forward to meeting you and thank you for your cooperation.

## AMERICAN TEA PARTY

The parents association will be holding their second annual American Tea Party on Friday 15th. May, 1987 at the Gold Coast at 8.30 p.m. This year the music will be provided by Stardust. The menu will be the same as last year with chicken salad followed by apple pie and/or trifle.

Each member of the committee will be hosting a table so contact Breda Sheehan, Betty Tutty, Eileen Donovan, Mary Flynn, Pamela Connors, Sarah Mullarkey, Glynis Stephenson, Jim Clancy, Bernard Shields or Mickey O'Riordan. If you wish to host a table yourself please let any committee member know the numbers. Each host provides the food and sets it out on the tables in the Gold Coast. The cost is £5 per person. £2 of each £5 collected goes back to the host to cover the cost of the food.

Please support this event as it was very enjoyable last year and along with the Christmas Draw is the biggest fundraiser.

## THE BATTLE OF AFFANE

Last week we wrote about a party of O'Connors who came as refugees to West Waterford. When Sir Maurice Fitzgerald determined to expel the O'Connors, the Earl of Desmond travelled to West Waterford to enforce Maurice's orders. Maurice sent a message for aid to their family's ancestral foe, Thomas Earl of Ormond, who was now an adult and had returned to Ireland. He came with a small army of Tipperarymen across the old road from Newcastle on the 1st of February 1565. Years ago this was known as the Bothar Garbh, the rough road.

There is a contemporary description of the Earl of Desmond with Thomas of Desmond and certain "captains". They included 'Rory McSheane McGrath, captain'. They went to Ballinacourty, Bewley, Ballinameela, Cappagh, Whitechurch and other lands belonging to Maurice of Drogheda from Affane to Ardmore. Here they led the refugees fighting men as they burned and looted the countryside. This McGrath and his men were the swordsmen of the Desmonds, but the head of the family at Mountain Castle, Philip the builder of the towerhouse at Abbeyside, took no part in the coming conflict. He was a shrewd man. He left the leadership of his fighting men to Rory who led the McGrath contingent among the 1,000 armed retainers of Desmond. Thus whoever won the conflict, the leading McGrath was available to profit by it for the whole family.

A battle took place between the Fitzgeralds and the Butlers which raged back forth as far as Whitechurch until the Earl of Desmond was captured. His horse was shot from under him and he was then led away a prisoner to Clonmel and eventually became a prisoner in the Tower of London.

None of the McGraths is named as a casualty or prisoner. This battle in County Waterford was the last battle which fought on Irish soil "with banners displayed". Queen Elizabeth was furious with the two Earls but Ormond went unpunished while Desmond spent some years in the Tower because he had employed "proclaimed traitors", who were the O'Connors.

## ABBEYSIDE REFERENCE ARCHIVE

### THE STREETS OF ABBEYSIDE INTRODUCTION

This compilation of photographs of the streets of Abbeyside is a visual record of the changes and development of our village over the past century.

Supermarkets, Petrol Filling Stations and modern business houses have replaced the blacksmith's forge, the cobbler's shop, the livery stable and the wheelwright's shed. The white-washed walls of houses give way to brightly coloured plaster work and modern houses stand side by side with the renovated older buildings. Today, new Estates have transformed the silence of green fields into lively thoroughfares where traffic is constant and the din of children's voices familiar.

The older photographs in black and white give us glimpses into the simple life of the people of Abbeyside during the period of the train, the "meithdeal" and the Fair Day. One can picture the sailor going off to sea, his bag on his back, humping it across the Causeway; the woman clad in long flowing dress, shawl about her shoulders, filling her pail at the street pump or children running about the gas lamp-post.

The Streets of Abbeyside were never paved with gold, but the camera has clicked over and over recording these visual nuggets. Looking at them, the mind's eye can also click into focus and open windows into the past, for us now and also for future generations when their turn comes to peruse them.

Phil Duggan July 1993.

This Sunday evening Emma Flynn will be at the Parish Office minding our book, the Streets of Abbeyside and all the other treasures.

Visitors will be most welcome.

## QUESTION

The Social Insurance contribution and tax year will only be 9 months this year, rather than a full 12 months. I am working at present but I wonder how will this affect my eligibility for a Social Insurance benefit in the future?

## ANSWER

Moving the start of the tax year from April to January resulting in a short tax or contribution year this year should not affect your eligibility. For most Social Insurance benefits you must satisfy two conditions:

You must first have a minimum number of weeks of Pay Related Social Insurance (PRSI) contributions paid since you first started work. Secondly, you must have a minimum number of weeks of PRSI contributions paid and/or credited in the Relevant Tax Year.

As this is a short year, you will be automatically awarded 14 additional contributions giving you a total of 52 contributions as in other years.

Currently, the Relevant Tax Year is the last complete tax year before the Benefit Year in which you make a claim for a benefit. The Benefit Year is almost the same as the calendar year and starts on the first Monday in January. However, from 2003 the Relevant Tax Year will be 2 years before the Benefit Year as follows:

Benefit Year	Relevant Tax Year
2001	1999/2000
2002	2000/2001
2003	2001
2004	2002

## HOME INSURANCE

A house or apartment is the largest asset owned by most people. Therefore it is important that all steps are taken to protect this asset in case of fire, flood and storm damage. House insurance is necessary and it is vital that it is up to date and is covered for the correct amount.

It is relevant to note that many people assume that it is the market value that a house should be insured for. This may lead to inflated premiums and over insurance. If you wish to insure your house it should be insured for the replacement and not the market value. With this in mind it is well worth taking a fresh look at your house insurance every now and then take reassess the value you have been putting on the house itself. House prices have been very much in the news of late. Building costs, however, have not been rising as fast as house prices so it still costs far less to reinstate a house than buy a new one.

It will pay to shop around as there can be great differences in some quotes, discounts may be given i.e. for smoke detectors and alarms and in some cases Community Alert areas. Senior Citizens also benefit from discounts from some areas. Senior Citizens also benefit from discounts from some insurers. It will pay therefore if you shop around or to get a broker to do it for you.

If you rent your house/apartment, your landlord may have the building itself insured, but it is important that you check out this information. However, in rented accommodation, it is your responsibility to insure the contents. If you are a homeowner you should make sure that you are covered for: Damage or loss of the house itself.

Damage for loss of contents i.e. furniture, electrical goods. Liability for damage to third parties arising out of defects in the building.

All risks insurance for specific items i.e. Jewellery etc. For the sake of a relatively small premium involved it is not worth taking the risk of not insuring your house. Make sure that your home is adequately insured but do not be rushed into over insuring your house by the spiraling rise in house prices.

# Aglish Tidy Towns Report

## OVERALL DEVELOPMENTAL APPROACH

Thank you indeed for all information sent with the entry form and for the map which was most useful on adjudication day. A tremendous amount of work has been undertaken in the village and great credit is due to all concerned. In this connection it is gratifying to read that you have the co-operation of Waterford County Council, FAS, ESB, Telecom Eireann and Schools. You received an in-depth report last year from the adjudicator. The following should be read in tandem with this and is by way of comment on further progress to date.

## THE BUILT ENVIRONMENT

Many of the comments made under this heading last year are still applicable. The Church still needs painting while the School, the Garda Station and the Gambia depot were exceptionally well presented. The Muintir na Tire Hall also looked very well as did the Post Office. Most business premises in the town looked well and are being well maintained. The absence of overhead wires is a tremendous improvement. Your efforts and the co-operation you have received in this respect is a fine example to other towns and villages as to what can be achieved. Your stone walls are also a feature of the village and the new stone walls at the GAA park are to be admired.

## LANDSCAPING

Past landscaping is now maturing and looks very well. The fountain area in the centre of the village is a lovely amenity and is being well maintained. Flowers on walls, window boxes, hanging baskets and tubs were also noted - all of which create a lovely ambience for the village.

## WILDLIFE AND NATURAL AMENITIES

The riverside again looked well this year as did the Cemetery and its grotto which looked very well on adjudication day. This is a wonderful historic facility to have and is obviously a major focal point in the village. Do however give some consideration to the provision of a wildlife facility such as a bird sanctuary. Your river area would be a natural site for this. In this respect the Tidy Towns Handbook would be useful and the Irish Wildbird Conservancy are always available to give advice. Such a project would also earn additional marks for you in the competition.

## LITTER CONTROL

The village was practically litter-free on adjudication day. Congratulations are again due to all concerned. This is an important aspect of the Competition which needs constant vigilance. In fact work in this respect was observed by the adjudicator during the visit.

## TIDINESS

Generally speaking the village was presented in a very neat and tidy manner. Unfortunately, there are a few untidy areas which, with co-operation from the owners, could greatly enhance the visual appearance of the village and gain you extra marks.

## RESIDENTIAL AREAS

The presentation of private houses is undoubtedly the main plank in your Tidy Towns effort and in this respect your residents are not lacking. Houses generally are being very well maintained and many had gardens in full bloom on adjudication day which were a joy to see. It is noted on your entry form that you have receive good support from your local community. This is very evident, not alone in financial terms but in physical effort as well. Again, congratulations to all concerned.

## ROADS, STREETS AND BACK AREAS

Road and street surfaces are very good and pavements are being well maintained. New paving was noted. As already mentioned, much overhead wiring has disappeared and the provision of new lamp standards is noted. Approach roads were reasonably well presented.

This is an important part of the Competition, as approach roads tend to set the tone for the rest of the village. Do consult the Tidy Towns Handbook on this subject. Adjudication normally takes place from either the speed limit signs or the village nameplates whichever you opt for. Please do read the notes in the Handbook on the provision of space on verges for the propagation of wildflowers.

## GENERAL IMPRESSION

Continue to extend your plan on a year-to-year basis. Liaise closely with the various agencies and try to do as much as you can from one year to the next, within your physical and financial resources. Do not try to do it all together as otherwise it becomes frustrating. The

overall impression of Aglish is one of a community very concerned about their environment and its preservation and this is reflected in the way that the village was presented for the competition this year. Well done to all concerned.

## SECOND ADJUDICATION (11/08/01)

Aglish looked very well again for second adjudication. Litter control continues to be good and the village was tidy. The site on which the large trailers etc. are being located did present a problem however. Road surfaces and footpaths are excellent as are verges of approach roads. Some buildings, including the church are a little weather stained and would benefit from cleaning. A few gable walls could also be improved. A number of low corrugated roofs could be upgraded as they are quite visible being only a little above eye level, these include two stone buildings, the Hair Salon and the property located behind the thatched cottage near the church. The problem is not serious, but at your level in the competition it is important.

## Letters To The Editor

### VANDALISM OF DUNGARVAN DAY CENTRE

Like all decent people I was appalled to hear about this act against our elderly. Whomever perpetrated this act obviously don't realise one day far off in the future they would be glad of such facilities, nutritious meals, needed companionship etc.

It would be sad if the people of Dungarvan were defeatist about this, like when the Youth Centre was similarly burned by vandalism, never to be replaced. Rather, we can turn a negative into a positive and look to the people of Achill Island who this week received a FAS award for their wonderful community services for their elderly. A convent was given to them by the nuns which they restored to its former beauty to use to benefit their whole community. How sensible, whereas we constantly argue about our convent, will we list it/de list it?

Incidentally, I am a member of a social club who raised much needed funds for the expensive hot plates that were spitefully thrown in to the street by these thugs.

There are so many good, caring people in our town who volunteer much precious time to benefit our community. Let us not allow the minority to spoil the quality of life for the majority of decent people.

P.S. Name with Editor.

### CONCERN OVER PROPOSED MOBILE TELEPHONE MAST

Application by Meteor Mobile Communications to erect a 20 metre mobile telephone mast and base station at Carrigmorna, Leamybrien.

Our objections to the planning application are as follows:

1 We are extremely concerned by the proposed development fearing that exposure to microwave radiation will pose a serious health risk particularly to young children.

2 As there is an existing telecommunications mast on Croughaun already providing adequate coverage to the area there is no requirement for an additional mast on Carrigmorna.

3 The proposed mast location at Carrigmorna would be a very dominant feature on the sky line due to the already significant lowering of the former broad leafed wood by the harvesting and re planting programme currently underway at the site.

4 The proposed mast development at Carrigmorna would have a very negative impact on the value of property in the area.

5 The proposed location is in an area of high scenic amenity and would have a very negative impact on tourism in the area.

Yours

Michael Murphy (Chairman)

Kilrossanty Mast Opposition Group.

### BALL ALLEY TO BE DEMOLISHED!

Dear Editor

It has come to my attention that Waterford County Council is considering demolishing the Ball Alley in Church Lane, Lismore. Can this really be a serious proposal? I know that the Alley is showing its age but I doubt very much if it is beyond restoration and improvement. It has been sadly neglected in recent times and that alone is sufficient to undermine the regular use of it. A restored and improved alley, with an added glass or see through PVC backwall, for example, would soon attract players in numbers to the Alley again. I needn't add that handball is a great game for keeping fit. For that reason alone the Alley is a boon to the people of Lismore and surrounding area. Might squash or other racquet games be played in it as well?

The town of Lismore, and in particular Church Lane, has a great handballing tradition. When I was growing up in Lismore in the forties and fifties players like Mick Landers, Pakes Lynch, Ned 'Beaver' Doherty, John Callaghan and Peter Doherty won a string of County Championships, as well as playing intercounty with some success - Beaver was a Munster Softball Champion. Other younger triers and I had the pleasure of training with these fine players over whole summers when the use of the Alley was so intense in the evenings one had to wait one's turn for a game.

The Ball Alley, built at the end of the nineteenth century, is part of the fabric of Lismore, and is an integral part of Church Lane. Surely the Council is not going to pull it down for want of the will and funds to restore it? I strongly support any moves to retain the Alley and urge the Council to reconsider.

Sincerely

Jim Ballantyne.

## It's easy to make a difference

### DO SHORT JOURNEYS IN SHORT TIME

Step eight of the Department of the Environment's It's easy to make a difference campaign encourages us to leave our cars at home for short trips and walk or cycle instead. Apparently it takes an average of just 10 minutes to walk one kilometer and even quicker to cycle and then you don't have to try and find parking and you've saved on air pollution as well.

However, cars offer us the freedom and mobility most of us take for granted in this modern age. We also take for granted the problems such as congestion of towns and air pollution that go with them. But did you know that there is a lot you can do to reduce your car's impact on the environment without having to leave it at home everyday. You can improve your car's fuel consumption (with significant savings on fuel costs) and reduce emissions of CO2 and other pollutants.

### DRIVE FOR YOUR COUNTRY!

- Plan ahead and combine trips for shopping, school runs etc and try to use less congested routes, avoid rush hour and car share with colleagues
- A cold engine uses significantly more fuel than a warm engine so drive off gently and as soon as possible after starting your engine and use the choke sparingly an open choke increases fuel consumption by 50-100%
- An energy aware as opposed to an aggressive driving style can save up to 13% on your fuel consumption.
- Keep your engine tuned and have your car serviced regularly
- Avoid harsh acceleration and heavy braking it wastes fuel whereas slowing down in good fuel saves fuel.
- When it is safe to do so switch off your engine to reduce periods of idling - Even if you only have to wait for 30 seconds, it's more economical to switch off your engine and restart it again when necessary
- Do not carry unnecessary weight in the boot
- Driving at 70mph increases fuel consumption by 29% and the car's emissions by 36% in comparison to driving at 50 mph.

## New County Secretary

Martin Walsh has been appointed as the new County Secretary, following Peter Carey's move to Director of Services.

The appointment of Mr. Walsh to the position was welcomed by the members of the Council.

Cllr. Willie McDonnell wished the Lismore-born Mr. Walsh good luck in the position while Cllr. Ciarán O Riain said he had dealt with the new County Secretary many times in the past and felt that "there is no better man for the position".

generous gift to the health of the people of Waterford with a donation of over £750,000 towards the purchase of the MRI Scanner. I would like to thank them sincerely for that wonderful gift and to recognise their already valuable contributions to the purchase of the first CAT Scanner in Waterford Regional Hospital."

The installation of a MRI scanner is a huge development for clinical services in the South East. People who require a MRI scan will no longer have to wait so long or have to travel such long distances, thereby reducing stress for patients and for families. The new MRI scanner will ensure

that local people have access to the best services possible. The Health Board are proud to support this development by providing the additional funding required to purchase the scanner, building a new unit to house the scanner and making available the ongoing funding for the staff and supplies required to run the service.

The Siemens Magnetom Symphony 1.5 Tesla MRI scanner will provide more information than CT about head and neck, spinal and musculoskeletal disorders because of its high contrast sensitivity and multi-planar imaging capability. MRI has emerged as the diagnostic imaging of choice for

the brain and the spine. MRI has one of its greatest impacts in the region of the central nervous system and because it uses magnetic fields rather than x-rays there is no radiation exposure which means it is safer for the patient.

The equipment is now on order and will be built specially for Waterford. The completion of the buildings, installation and commissioning can now proceed with an expected opening date in the spring of 2002. The enabling works for the construction have commenced on 3rd September 2001 and a contract will be awarded for the main construction project in the next few weeks.

# Dungarvan C.B.S. Notes

## C.B.S. Lads to the Fore in Brickey's Win

Congratulations to the Brickey Rangers on their emphatic victory over Gaultier in the County Minor B Football Final. We take particular pride in their success because the team, captained by Shane McGrath, was comprised virtually entirely of C.B.S. lads.

## Famous Victory for Colaisti na nDéise

Congratulations to the C.B.S. players who contributed to the West Waterford Colleges' victory over the North Mon. Christopher Morrissey had a storming game at centre forward, while David Hickey and Brendan Lynch also made important contributions after coming on as substitutes.

## First Year Hurling League

The First year Hurling League concluded this week. After a series of high-scoring and fiercely competitive games. Barry Hamilton's team won the league, winning all of their games including the final, in which they defeated J.J. Coffey's team. Well done to the winners and to all who participated in this closely fought competition. The winning team consisted of Barry Hamilton (Dungarvan), Anthony Dalton (Dungarvan), Shane Glavin (Ardmore), Cian Kearney (Brickeys), Kieran McCarthy (Naomh Brid), James Power (Naomh Brid), Tommy Buckley (Naomh Brid), David Buckley (Ballyguiry), Johnny Cooney (Brickeys), Stephen McCarthy (Brickeys), Ger McGrath (Brickeys), Aaron Norris (Dungarvan), Diarmuid Walsh (Naomh Brid).

## Soccer Trials

Good luck to Christy Power, John O'Keeffe, and John Byrne on the Waterford U-15 trials on Sunday, 14th October.

## School Library

The school library is once again open on Mondays, Wednesdays and Thursdays from 1.15 to 1.45 pm. Mr. Kelly (who has taken over from Mr McCarthy) will be available to help students select suitable reading material. The library is a wonderful resource and is widely used by students. Book stocks have been gradually built up over the past few years, and there is now a good selection of books available for both Junior and senior level students. There is also an interesting selection of reference books for those who simply wish to browse. In addition, students may make use of the new computer which was installed in the library last year.

## Lunchtime Activities

The lunchroom is open from 8.00 to 9.00 am every morning and also from 3.45 to 4.30 pm offering students a range of activities, including pool and table tennis. The lunchtime leagues - organised and overseen by Mr. Hughes - will shortly commence. These proved to be a great success last year, with a high level of participation and any number of competitive and entertaining contests.

## Transition Year News

As part of the ongoing Transition Year co-operation between our two schools, three groups of T.Y. girls from Ard Scoil na nDéise have been mastering the basic engineering skills under the watchful eye of Mr. Doran. According to Mr. Doran, the girls are making excellent progress, and appear to be enjoying this new educational experience. They are currently in the process of designing and making an electronically operated steady hand game. They are also encouraged to integrate their own design elements into this project. Feedback from the students has been very positive. Meanwhile our lads have, among other culinary achievements, perfected the art of baking pizzas - a considerable achievement for which Ms. Power can take a bowl. Several already fancy themselves as future celebrity chefs!

## Three past-pupils Now On the Staff

With the recent arrival of Eamonn Daly, the number of past-pupils on the staff has risen to three. Like our Principal, Jim Ryan, and Micheál O Clonfiaolaidh, Eamonn simply could not resist the draw of his Alma Mater! However, it should be noted that the Dungarvan contingent remain outnumbered by the Cork clique, one of whose members delights in the fact that for many years his salary cheque was addressed to- C.B.S. ## Night Classes

The school's night-time computer classes for adult beginners are now commencing. The demand for participation in them was huge and, unfortunately, for those who may still be interested, there are no places remaining. It's great to see adults availing of the opportunity to up skill themselves.

Furthermore, the arts/crafts classes are commencing on Wednesday nights, starting to-night (Wed, Oct. 17th) at 7 p.m. going on till 9 p.m. A good number have enlisted for this course also.

# Dungarvan Caters Poorly For The Needs Of The Disabled

On September 29th last, seven postgraduate students of Geography at the National University of Ireland, Maynooth conducted a preliminary survey on how "user-friendly" public facilities and amenities in Dungarvan are for people with physical disabilities. Particular attention was paid to wheelchair accessibility and the availability of facilities for the blind or partially sighted and those with hearing difficulties. Note was also taken of the difficulties that may be encountered by the elderly, and persons managing children in buggies.

In general, it was found that, like many other towns and villages in Ireland, Dungarvan is a potentially difficult place to negotiate for people with disabilities. Pathways are frequently damaged and cracked. The height of kerbs is variable and unpredictable. Kerbs at pedestrian crossings are seldom dished and flush with the roadway and are therefore unsuitable for most forms of wheelchair use. In several cases where dishing was found on one side of a crossing, this was not the case on the other side.

Tactile paving (which alerts the unsighted to the presence of a crossing) is non-existent at most crossings. At Grattan Square the new pedestrian crossing at the Bridge Street entrance only had tactile paving on one side, and this was poorly designed in terms of providing guidance for the unsighted.

Signal-controlled pedestrian crossings are rare. Where they were found, the audio function was operative on only one side at each junction observed. The signal to cross generally allowed a very short interval for those with impaired mobility. The Belisha beacons at the at the

new zebra crossing in the square were not functioning and thus of little use to those of limited sight as they would not easily be recognised.

Some supermarkets are equipped with automatic doors. However, parking for the disabled and pathways to the doors are typically poorly connected. Lips at doorways are very common, making safe manoeuvring of a wheelchair difficult and creating trip factors for the blind or partially sighted. Floor tiling in the shops frequently sat a half-inch to an inch above the outside pavement level. Inside the shops, clutter was observed in many premises, with many obstacles placed in the aisles. Alignment of shelving and cabinets along the aisles and the height of shelves were also often poor. However, a good home delivery service was available in most supermarkets if desired. Many other retail outlets were too small to be negotiated by wheelchairs as many have narrow doorways, steps up to doorways and narrow aisles.

Education facilities in the town were closed as it was Saturday, but from what could be ascertained, facilities that were user-friendly to wheelchair students were available. However, in some cases access routes to the schools were hazardous and inimical to independent movement, due mainly to poor footpath surfaces or the complete absence of footpaths. The local FÁS Centre, which has responsibility for training disabled persons toward employment, sadly is inaccessible to many of the disabled due to its narrow doorway and poor layout within.

Similarly, places of entertainment and leisure, such as the pubs, nite clubs, restaurants, take-aways, cinema, museum and tennis courts and even walking along the coastline are

not user friendly to the wheelchair-bound. Local churches appear inaccessible without considerable aid to the disabled visitor. Health services, we believe, would prove difficult to access. Dentists, doctors,

opticians and physiotherapists are typically located on upper floors. One surgery did have a ramp and open parking but one would need assistance to negotiate the steepness of the ramp and there was a lack of a platform at the top to allow for the safe opening of the door. Similarly, facilities at the local hospital would not allow for independent access of persons with disabilities.

Good news is to be had at some of the newer buildings and facilities in the town. The Library, the Credit Union, the Arts Centre and ATMs are accessible to all. Toilets for the disabled are available in these newer, well laid out, buildings, though not well signposted from the street. One automatic toilet is available at the bridge on the quayside but again pathways and poor finish has left problem dips and lips in the tarmac. Information on parking for the disabled was available at the library along with internet and computer access. All facilities here are user-friendly and the Arts Centre also has a lift to upper floors.

For the younger persons in the community a purpose-built playground has been developed at Walton Park. Many features here are excellent with well-cushioned ground beneath the apparatus. However, open-backed ladders in some areas and lack of a safety rail at the rope climb could be potential hazards for the less mobile. As with so many amenities in the town, again access was very poor. Children and parents/careers must cross a car park and bumpy uneven wasteland to enter the playground. Car-

parking spaces block the route for the user and this could also make it difficult for an ambulance to access the grounds if required. No toilet facilities are available in the area, necessitating crossing a rather dangerous bridge should the children require the facilities of the public toilet at the quay.

Dungarvan is probably no worse than similar towns elsewhere in terms of how well it caters for people with disabilities, and in some respects is possibly better. The survey indicated a general lack of awareness of how the environment could be made better to include all members of the community. Street clutter, such as sandwich boards, cars parked on pavements or in disabled spaces, bicycles propped against walls blocking the pavements, deliveries left in the street, skips placed in the path without netting to warn the blind person using a cane, these all create transient problems that could be improved with a little thoughtfulness. Unfinished work was in evidence all around the town, creating unnecessary hazards. It was also clear that the needs of the disabled were not high in the priorities of the local authority, as indicated by the poor condition of footpaths, and poor design and maintenance of pedestrian crossings.

These are common problems all over Ireland, which performs poorly by comparison with other European countries in terms of how well we cater for the needs of those with disabilities. A general public awareness campaign is needed, backed up by active application of legislation and regulations. Hopefully this brief report will make some small contribution in this direction.

## CLASHMORE RAMBLERS NOTES

Last Sunday we played neighbours Blackwater Rovers in Tucker Park in our first league match of the season. Blackwater had the better of the first half, and they took the lead after half an hour when M. Murray scored from close range. Brian O'Neill was unlucky not to equalise shortly afterwards when he broke through the Blackwater defence only to send his shot the wrong side of the post. Roger Ryan then won a penalty when he was tripped in the box but the normally very reliable Roger sent the spot kick narrowly wide. The last action of the first half was a bit of a scuffle in the Blackwater penalty area which surprisingly resulted in Roger Ryan and two Blackwater players being sent off. Ramblers dominated the second half but struggled to get the equaliser. Stephen Barron going close on a couple of occasions. We finally levelled the score

with ten minutes to go when John Paul Hickey picked up a clearance outside the penalty area and he rifled an unstoppable shot into the top corner of the net from twenty five yards. Ramblers then went looking for the winner and Gerry O'Rourke had a good chance to take all three points but he shot straight at the keeper from close range. Shortly afterwards the same player hit the inside of the post with a thirty yard free kick that Beckham would have been proud of, but the Blackwater defence cleared the ball away from the danger area before the referee blew the full time whistle. Seamus Budds and John Paul Hickey excelled in a solid defence, while Derek Cronin, Stephen Barron, Roger and Ger Ryan, Gerry O'Rourke and Peter Fitzgerald showed well in a good team performance.

Team: P. Fitzgerald, J.P. Hickey, P. O'Rourke, S. Budds, A. Lawton, M. Costin, B. Murphy, G. Ryan, D. Cronin, R. Ryan, B. O'Neill. Subs: S. Barron for A. Lawton, G. O'Rourke for M. Costin, P. Lombard for B. O'Neill, A. O'Rourke.

At half time it was 2-2 with Tomas Bourke winning his singles before teaming up with Ger Ryan to win their doubles match. John Hurton and P. O'Rourke won their singles to lead 4-3 with one doubles match left. John and P did the business against a strong Paddy Mac's duo of Tom Power and James Foley to secure a 5-3 win. We play the semi-final in two weeks time at a neutral venue against either Lindsay's, Lukies or Morrissey's.

## WEST WATERFORD DARTS

Those who loved you dearly,  
Are the ones who can't forget.  
We often sit and think of you,  
And think of how you died,  
To think you could not say goodbye,  
Before you closed your eyes.  
Your life was one of kindly deeds,  
A helping hand for others needs,  
Sincere and true in heart and mind,

## NOVENAS

**ST. MARTHA** — I resort to thee and to thy petition and faith. I offer up to thee this light which I shall burn every Tuesday for nine Tuesdays. Comfort me in all my difficulties through the great favour thou didst enjoy when Our Saviour lodged in thy house. I beseech Thee to have pity to the favour I ask (Name petition). Intercede for my family that they may always be provided for in all our necessities. I ask of thee, St. Martha, to overcome my difficulties as thou didst overcome the dragon which thou didst cast at thy feet. One Our Father, one Glory Be To The Father, three Hail Marys, a lighted candle every Tuesday and the above prayer made known with the intentions of spreading devotion to St. Martha. This miraculous saint grants everything before the nine Tuesdays are ended, no matter how difficult. — C.M.

**NOVENA TO SACRED HEART** — Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your prayer, not mine. Amen. Say this prayer for three days, promise publication and favour will be granted. Never known to fail — K.K.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — M.K.

## Cois Bhríde Juvenile GAA Club Notes

### U-13 Friendly v Ladies Island

Our U-13 squad rounded off their season in style with a trip to the model county, Ladies Island to be exact, near Rosslare for the away leg of their friendly matches with Ladies Island last Sunday. Despite the inclement weather on departure, it was dry in Wexford and both matches proceeded unhindered. Football was first on the menu, and this was a close tight affair with Cois Bhríde coming from behind to snatch a draw in the final moments. Score 4-2 to 2-8. Once again, as in Tallow, the hurling match wasn't quite so even and our lads came out on top 2-6 to 1-0. Refreshments were served between the two games and overall we were very well looked after. Our thanks go to Tom McSweeney for organising the two friendlies, Rachael and Noel Ahern and Noel and Mary Cunningham who looked after the team. Once again we were delighted to have Ned Power come with us and dispense some of his wisdom to both our own lads and Ladies Island and special mention also to patient bus driver Richie Pratt. Overall Rachael the two Noels and Mary were pleased with the hospitality of the hosts and the good behaviour of our U-13's. Panel: S. Ahern, B. Moroney, T. Feeney, G. Heffernan, S. Harnedy, S. Power, K. Curley, B. McCarthy, D. Mulcahy, S. Feeney, J. Ahearn, T. Ryan, P. Cunningham, M. Smyth, S. O' Sullivan, K. O'Brien, J. Smyth, M. Lucey, M. Murphy.

### UNDERAGE COACHING

This Saturday the 20th October, Knockanore is the venue for this weeks coaching session for the younger players. John Geary, James Murray and Seamus Tobin are the men in charge and time as usual is 11 am to 12.15 pm. The aforementioned Johnny Geary has asked me to say that cars will be available in Tallow for transportation purposes to and from Knockanore and the meeting point is Woodview Park. Once again we are indebted to these men for their efforts and dedication.

### BEST WISHES

Best of luck to the Tallow/Shamrocks U-21 hurlers who are in action this weekend in the championship. Lets hope for favourable weather conditions so that this competition can be finished in this calendar year (unlike last year)

## Ballyduff Juvenile G.A.A. Notes

On Saturday 29th. September Ballyduff Juvenile team travelled to Walsh Park for the County Minor B final replay against Erin's Own. Despite surrendering a 15 point lead in the first game 2 weeks previously the team and mentors were quietly confident that there would be no slip up this time. Erin's Own were to make the better start in this game and they led 2-3 to 0-8 pts. at half time.

In an excellent second half Ballyduff took the lead early on and ended up being deserving winners with a final scoreline of 2-15 to 3-7. This is the first time in the history of the Ballyduff Club that they have won a County Minor title.

Team Captain Brian Barry was presented with the Cup to the great delight of all the Ballyduff supporters. After the game the team, mentors and Club Officers travelled to Lawlors Hotel for a celebratory meal hosted by the Juvenile Club. They were accompanied by parents and supporters for the celebration. Chairman of the Juvenile Club

David Flynn congratulated the team and mentors Seamus Daly and Mike Hannon on their great win. He also thanked the sponsors and everyone who had helped with the team. Dave Barry Chairman of the Adult Club also spoke and congratulated them on their great victory.

On returning to Ballyduff the team paraded with the Cup in front of a large crowd. Thanks to all the supporters and the Club would like to wish the players well in the future.

## County Bord na nOg Round Up

### UNDER 14 FOOTBALL COUNTY FINALS

The under 14 football County finals will take place this weekend and should prove to provide some top class entertaining games.

#### Division One —

#### De La Salle v Ballinacourty

In the Division one decider De La Salle take on Ballinacourty. The city side will go into this game favourites. In the Eastern final they had a very convincing win over Dunhill/Fenor and look set to take this title.

However, Ballinacourty will provide stern opposition in the Final, they beat St. Oliver's easily in the Western Final.

#### Division Two —

#### Ferrybank v Clashmore

The division two final should be a close affair. Clashmore in the Western Final beat Brickey Rangers on a scoreline of 3-6 to 2-2. Ferrybank in the Eastern final had 3 points to spare over Rathgormack in a very close

game. This final may prove to be the most exciting game of the day.

#### Division 3 —

#### Affane v Kilmacthomas

The division 3 final brings together the young footballers from Kilmacthomas and Affane. It took a last minute penalty by Kilmac's David Power to secure their victory in the Eastern Final over a gallant St. Saviour's team on a final score of 2-2 to 1-2. Affane however gave a top class display in their western final victory over An Gaeltacht on a scoreline of 3-5 to 1-2. Let's hope that all teams taking part will get big support from their clubs and parishes. This would be greatly appreciated by team mentors and players alike.

The Waterford GAA designated area committee secretary Liam Cheasty will officially launch their drug/alcohol policy and education programme on Tuesday the 13th November at the St. Saviour's GAA Club.

### INTERMEDIATE HURLING SEMI-FINAL REPLAY Fourmilewater 0-10

#### St. Marys 0-5

Fourmilewater had a well deserved 5 points win on Sunday and this qualified us to play Colligan in the Western final on Saturday, 27th October.

Having played against the wind, we started brightly and led by 2 points to no score after 5 minutes. St. Mary's then began to put pressure on our goal and by the 13 minute led 3 points to 2. However, for the rest of the half we settled down and played much better and by half time led 0-6 to 0-4.

In the second half, with the aid of the wind, we totally dominated the second half but couldn't reflect it on the scoreboard, and it was only in the last ten minutes that we pulled away for a deserved win.

Team: Owen Wall, R. Rice, A. Ryan, J. Walsh, M. Walsh, Ian Walsh, L. Walsh, B. Wall, Pat Walsh, S. Walsh, Ger Walsh (capt.), Tom Flynn, P. Halpin, S. Cuddy, M. Guiry, Sub. Alan Walsh for P. Halpin (injured).

# St. Olivers G.A.A. Notes

## UNDER 14 FOOTBALL

Our under 14 team recorded a fine win in the semi-final of the u-14 Championship (division A) against Ardmore on Wednesday night last. This win saw them through to a place in the Western final against Ballinacourty, which was held on Saturday, October 13th. Ballinacourty proved too strong for us on the day and ran out comfortable winners.

It was a great achievement for our team to get this far, and they played some excellent football over the course of the championship. With at least ten of the team still under age for next year, the future looks bright for St. Olivers.

The team was: James McGrath, Damian O'Brien, Brian Phelan, Kieran Mernin, Kieran O'Sullivan, John O'Connor, Aidan Browne, Stephen O'Connell, Jerome Maher, Edward Walsh, Mark Scanlan, Stephen Kenefick, Stephen McGrath, John Harrington, David Phelan. Subs. Stephen O'Brien on for Edward Walsh, Shane Flavin, Gavin Kenefick, Anthony Condon, Seamus Ronayne, Colm O'Connell, Aisling O'Brien. Well done to all players and their mentors.

## UNDER 21 FOOTBALL

The under 21 championship started for St. Olivers on Saturday, October 13th, with a match against the Brickeys in Cappoquin. St. Olivers were victorious in what turned out to be a very close fought battle. The final score, St. Olivers 1-8, Brickeys 0-10. We have no news on the next fixture as yet, but training continues on Wednesday and Saturday at 6pm.

## UNDER 16 HURLING

This team recorded a fine win against Dungarvan on Sunday, October 14th. The final score was St. Olivers 3-5, Dungarvan

2-5. This means that we are on level points with Colligan and Dungarvan, so a draw will have to be made to decide who we play next. Details will be printed when they become available. Training as usual this week.

## COUNTY FINAL

Very best wishes to Ballinameela who play in the Junior A Football County Final on Sunday next, October 21st.

## RACE NIGHT

Please note that the "Race Night" will take place on Friday, November 9th, and not on the Saturday as advertised earlier. Members of the St. Oliver's committee are presently engaged in selling both horses and jockeys, so your support would be much appreciated. All are invited to come along on the night to The Welcome Inn.

# Ardmore G.A.A. Notes

## WESTERN JUNIOR HURLING CHAMPIONS

This weekend we salute our gallant young hurlers who landed the Western Junior title last Sunday. From the very first minute when Declan sent one of his many long frees straight to the welcoming hand of big brother Seamus, who gleefully blasted it to the net, we controlled this game. Our control stemmed particularly from our half backs and mid-field where Richie claimed man of the match, just ahead of Wayne who was also superb, with Niall, Maurice and Cathal also making huge contributions.

Mikie was doing a fine job on Kilgobinet's danger man until his dismissal and Declan had a powerful game when dropped back to fill the gap. Austin too and Patrick, dealt more than capably with the little that came their way. Up front we were flying in the first half, but seemed to lose our concentration in the second half, when from a huge amount of possession, we failed to score during the final 20 minutes of the match.

It seemed as though we considered the game was over and we reverted to our individual style of play and some of the striking was poor, as well. However, it's a final won and not the time for criticism of this fine bunch of young players. A word of congratulations too to team trainer, former Cork legend, Tadgh Murphy and his selectors Pat Prendergast, John Power, John and Declan Hennessy. Their task is not easy when you consider the strength in depth of the panel and their lightning reaction to Mikie's sending off, when they moved Declan to full back, Maurice to centre back and Patrick back to the corner, had to be admired.

Credit too to the huge number of subs we had to wait in the wings, some of them week in, week out. We could not win a

solitary title without them. I know some of them only get to play league games, but their contribution is nonetheless as important as any of our leading players. It's the strength of the squad that carries us through.

For the record our score was 1-10 to 0-6 and we lined out as follows: James O'Donnell; Austin Flavin, Mikie Supple, Maurice Hennessy; Niall Hennessy, Declan Prendergast, Richie Hennessy; Cathal Hennessy, Wayne Hennessy; Philip Beausang, Johnny Hennessy, Billy Harty; Pat Hallahan, Seamus Prendergast, Patrick Conway. Sub used: Damien Lenane. The rest of the panel was: Noel Quinn, Eamon Power, John Conway, Adrian O'Donnell, Nicky Keating, Conor O'Connor, Declan O'Donnell, Niall O'Brien, Ciaran Foley, Eoin Foley, Patrick Prendergast, Luke Cunningham, Maurice O'Connor.

## SPOILT

Of course we fancied our chances on Sunday, indeed we had our eye on this title ever since we let it slip last year. But, I thought our celebrations were muted enough. It's a Western title and we seemed to take it in our stride. Even the players were quiet enough. I know they are used to winning, but we didn't win this title since 1989 and then it was another ten years before that. Where were the flags all the week and even on the day of the match, and the bonfires? I bet if Kilgobinet had won, we'd have heard them and they'd have celebrated a lot more than us.

In one way, I suppose it is a good thing as we have a lot of unfinished business to attend to, in the shape of the two under 21 championships. So dig out those flags and scarves. Another disappointment was the sight of a few of our prospective under 21s around the village on my way home -

they hadn't even bothered to go to the game. Doesn't augur well for the future.

When the historians log this victory, they will realise that it occurred almost on the 20th anniversary of our last County senior football final appearance October 11th 1981. Ballinacourty were the victors on the day when 'auld lads' of today Pat Prendergast, Jamsie O'Donnell, John, Declan, Pat, Mike and Richard Hennessy, Denis, John Joe and Noel Conway were all on duty. Marking time on the sideline that day were Mossie Hallahan, Tommie Power, John O'Donnell and myself, all of us providing links with the present generation. It is only right for us to remember too that on the day we were in the company of the late greats Mikie O'Brien and Michael Keane.

Finally, I thought Seamus spoke very well in his after match speech, suitably prompted by Caroline Tutty-Power, to give our 'first lady' her correct title. I know he won't make that mistake again. I haven't!!

## UNDER 21 TITLE ON THE LINE

As usual, thank God, this time of the year sees no rest for our players and we go straight into the defence of our hard won under 21 title, next Saturday. Once again, for the fourth year in succession, we are pitted against Lismore. Who will forget the fright they gave us last year when they drew with us in Tallow and the difficulty we had against them in the replay.

They were undoubtedly the best under 21 team we met last year, and while we have the bulk of our victorious side available again, Lismore have even more. They have prepared ferociously for this championship and give themselves a right chance of beating us. So, as the scouts say, 'bí ullamh'.

## UNDER 14S BEATEN

Our under 14 footballers made a disappointing exit when beaten by a better St. Olivers team on Wednesday evening, at floodlit Clashmore. From the throw in Olivers took the game to us and were more determined in every department. Of our side, only goalkeeper Declan O'Reilly, half back Kyle Murphy, wing forward Pdraig Healy and substitute Cormac Nugent, really played right up to form.

Our opponents moved the ball much quicker and with more purpose than our lads and this was the difference. They were all about teamwork, whereas we reverted to individual style play. Nonetheless, we played some great football and contributed to a fine game. One score deserves special mention - following one of his many fine saves Declan cleared to Darragh who found Brian in the middle. Brian immediately dispatched to Pdraig who went careering towards goal. Under pressure and still 60 yards out he sent a neat pass to Edward, who with back to goal gave him a brilliant return and Pdraig continued on to flatten the ball off the cross bar, with Declan on hand to bury the rebound. A brilliant score, by any standards.

I would like to pay tribute to all the boys on this panel for the effort they have put in through the year. They played 13 hurling matches and reached the western final, 10 football matches including the Clashmore tournament. So it was a very busy year and they can be proud of their achievements. It will probably be a number of years before we will have an under 14 team in A again. Thanks also to my fellow selectors, Austin Flavin, Pat Fitzgerald, Michael Lynch and Declan Barron and to the many parents who travelled in support through the year.

## THOSE JERSEYS

It's only when one counts the number of games that the under 14s play that we fully realise the wonderful unseen work of Sean and Mary Kate Hennessy. For all of these games, and for every game at every age that

the club plays, all the jerseys are washed, ironed and neatly folded and nice and warm too. Last Saturday the under 14s jerseys were soaked, it rained through the whole weekend, but the jerseys were perfect, as always, for Wednesday evening. Just another example of the huge contribution the Hennessy clan make to our club. Thank you Sean and Mary Kate.

Whilst on the subject of jerseys, there are one or two jerseys missing from some of the sets. If you have it, would you please give it to one of the club officials. Without these some players have to wear subs numbers.

## ELITE UNDER 14 SQUAD

Bord na nOg are selecting elite squads at a number of age groups, in an effort to improve our fortunes at intercounty level. We have no one on the under 14 hurling, but Brian Keane, Declan Barron, Pdraig Healy, Paddy O'Donnell and Denis Flanagan all made the football squad, which is trained by Declan Barron. Well done all and good luck.

## COLLEGES ACTIVITY

We hear that Alan North is going great guns with Youghal C.B.S. team who are playing him at centre back.

Robert Faherty at fullback, Brian Keane centre-back, Denis Flanagan mid-field and Declan Barron at centre-forward all starred for St. Augustines in their recent under 15 victory. Pdraig Healy came on as a sub in this game. But pride of place this week goes to Niall O'Brien and Maurice O'Connor, both of whom manned the wing forward berths for Coláiste na nDeise in their brilliant Harty Cup victory over North Monastery.

This concept of amalgamating the schools for this competition is a wonderful idea and should be great for Waterford hurling. Their next outing is against Cashel C.B.S., who trounced Scariff in the opening round.

## SYMPATHY

Our deepest sympathy to the Foley family on the death of Mary's father, Paddy Cronin. Ar dheis De go raibh sé.

# Shamrocks G.A.A. Notes

## CLUB LOTTO

At the Shamrock Inn, Knockanore on Saturday night last, the numbers drawn were 1-2-5-17, and there was no jackpot winner. £10 consolation prizes were won by: Brian Murphy, Headborough; John Rafferty, Castlelyons; Rose O'Keefe, Kilwinny; Margaret Leahy, Ballydasoon.

Also at the Shamrock Inn, Knockanore on Saturday, October 6th, the numbers drawn were: 1-8-15-20 and there was no jackpot winner. £10 winners were: Willie Browne, Jim Barry, Lisa Murphy, Helen Barry, Ann O'Brien.

## Coaching Scheme Notes

Lisa Ni Huallahain takes a break during a recent coaching session at this Gael Scoil in Duckspool. Lisa lives in Ballymacmague and she is a very pleasant little girl who enjoys the sessions and she is always good humoured and in great form. She said her favourite hurler is Wexford's Martin Storey.

## YOUNG PROSPECTS SEEN LAST WEEK

**St. Joseph's N.S. Darragh Moylan, 10 Yrs Old, Rang 4**  
— Darragh lives in Congress Villas and he is always well behaved at coaching sessions. He is making good progress at hurling and says his favourite hurler is Dan Shanahan. The school is always well organised on visits by Mr. Kearney and his staff.

**Scoil Bothar na Naomh David Murray 8 Yrs Old, Rang 2**  
— David lives in Church St., Lismore and he is big and strong for his age. Like most of the boys in Rang 2 he has very good basic skill. He is a grand striker of the ball. He lives hurling and hopes to play for his school and club. He says his favourite hurler is long serving Lismore player Barney Prendergast.

## HARTY CUP NEWS

Well done to Col Na Deise on a great win in this competition last Wednesday in Fermoy. They had a 12 pts victory over the famed North man of Cork city. They will now face Cashel C.S. in the quarter final. This victory was a great lift for many teachers who have worked tirelessly in these Sec schools for many years promoting hurling. Cashel C.S. will be a different kettle of fish as their catchment area containing many S.H. teams in the heartland of the premier county. Several other lads from West Wat. including the Kearney twins from Tallow and J. G. Kelly from Shamrock's were on the powerful St. Colman's team. John Heneghan from Lismore starred at full forward for St. Flannan's in their easy win. DLS from the city were level with Thurles with 51 mins played but lost out in the end. Not a bad Wednesday for many of Waterford's young hurlers.

## U-14 DEVELOPMENT SQUADS

Waterford teams played Dublin in Roanmore last Saturday in two games. The Dublin squads are looked after by Waterford city man Pat Fanning who is teaching in St. Joseph's Fairview and are a big strong, well organised outfit. Waterford were short four top players from the Tony Forristal team. Injury Andrew Murphy (Brickey's) picked up a finger injury which required a visit to Ardkeen. Thanks to First Aid Officer Elsie Clooney DLS and Eddie Roche (selector) Roanmore for looking after him so well.

## NEXT WEEKS PROGRAMMES

## WEST WATERFORD JUNIOR HURLING FINAL

# Ardmore Crowned Champions

ARDMORE 1-10 KILGOBNET 0-6

A good start they say is half the battle and Ardmore proved this at Fraher Field on Sunday last when full forward and team captain Seamus Prendergast goaled inside sixty seconds of the throw in.

A long range free from brother Declan from his own half back line was caught by Seamus who in a twinkle had the ball resting in the Kilgobnet net. Ardmore led by 1-2 to no score after 10 minutes play and went on to lead by 1-7 to 0-4 at the break. Kilgobnet's only first quarter score came from a Kevin Walsh free in the 11th minute.

The winners were down to fourteen men at the end of that first quarter when full back Michael Supple was shown a red card for a foul on Kevin Walsh who had to retire to receive treatment before rejoining the play. In the 17th minute the numerical equality was on a par when Kilgobnet's Dermot O'Brien was dismissed.

Kilgobnet were far reliant on mid fielder Michael Flynn for their scores from placed balls. Flynn and Seamus Prendergast had a double exchange of points from placed balls in the closing eight minutes of the opening half.

On the turnover Kevin Walsh had a Kilgobnet point to leave only 5 between the sides but it was as close as they came to the winners. Unanswered points from John Hennessey, Seamus Prendergast (free) and Philip Beausang in the 39th minute with what was to be Ardmore's last score of the game opened up an 8 points lead.

The closing 21 minutes of the game only produced one score a Michael Flynn point for Kilgobnet in the 46th minute Ardmore wasted chance after chance despite being the totally dominant side.

The game overall was disappointing and lacked fluency due mainly to the scarcity of scores in the second period.

Scorers Ardmore: S. Prendergast 1-4, P. Beausang 0-2, W. Hennessey, R. Hennessey, P. Hallahan, J. Hennessey 0-1 each. Kilgobnet: M. Flynn 0-4, K. Walsh 0-2.

Ardmore: J. O'Donnell, A. Flavin, M. Supple, M. Hennessey, N. Hennessey, D. Prendergast, R. Hennessey, W. Hennessey, C. Hennessey, P. Beausang, J. Hennessey, B. Harty, P. Hallahan,

After the game victorious team captain Seamus Prendergast was presented with the cup by Western Board Chairman Paddy Walsh much to the delight of the large Ardmore following.

## WEST WATERFORD INTERMEDIATE HURLING SEMI FINAL REPLAY

# Fourmilewater Come Out On Top In Close Contest

FOURMILEWATER 0-10 ST. MARY'S 0-5

This West Waterford Intermediate Hurling Championship semi-final replay at Fraher Field, Dungarvan on Sunday was a hard fought contest between two very committed sides. Fourmilewater led at both half time and full time but they were not assured of victory until half midway through the second period when a Brian Wall point gave them a four points cushion.

The winners made the bet-

ter start with points from Tom Flynn and Michael Guiry after only four minutes of play but St. Mary's were back on parity by the 10th minute thanks to two converted J. P. Fitzpatrick frees, the second from the half way line. Mary's deservedly took the lead with an excellent David Whelan point at the end of the opening quarter but it was the only time they were leading in the game.

The sides were level twice in the second quarter before a brace of points from Shane Walsh in the closing eight minutes of the half saw Fourmile lead by 0-6 to 0-4 at the break. In an effort to strengthen their forward division St. Mary's moved J. P. Fitzpatrick to attack but they still found scores hard to come by against a tenacious Fourmilewater defence in which Rory Rice, Ian and Liam Walsh were outstanding. Midfielders Pat Walsh and Brian Wall also helped out in defence when needed and between them contributed three of their sides scores. Fourmilewater led by double scores 0-8 to 0-4 entering the final quarter after Wall and Guiry found the range while Fitzpatrick's gaol effort for Mary's which they so badly needed, ended

in the side netting with sixteen minutes remaining. Nineteen minutes of the second period had elapsed before St. Mary's had their one and only score of the second half a Colm Geary point from a free leaving only three between the sides but it was as close as they came and it was Fourmilewater who finished the game the stronger with points from Wall and Ger Walsh to deservedly clinch their place in the October 27th final against Colligan Rockies.

The margin of victory would have even been bigger but for an excellent save by Royce Ware in the Mary's goal in the 54th minute to deny Seamus Cuddy a goal.

Scorers for Fourmilewater: B. Wall, M. Guiry, G. Walsh 0-2 each, T. Flynn and P. Walsh 0-1 each.

Scorers for St. Mary's: J.P. Fitzpatrick and G. Geary 0-2 each, D. Whelan 0-1.

Fourmilewater: E. Wall, R. Rice, A. Ryan, J. Walsh, M. Walsh, G. Walsh, L. Walsh, P. Walsh, B. Wall, S. Walsh, G. Walsh, T. Flynn, P. Halpin, S. Cuddy, M. Guiry. Subs: A. Walsh for Halpin (inj.)

# St. Augustine's Triumph Over Mallow Academy In Munster Colleges Football

**ST. AUGUSTINE'S COLLEGE, DUNGARVAN 5 -18  
PATRICIAN ACADEMY, MALLOW 3 -7**

St. Augustine's College, Dungarvan, scored a well deserved victory over a hard working team from the Patrician Academy, Mallow in the Corn na Bannclan, Munster under 15 football, last Friday at a wet Castlemartyr venue. The end result doesn't do justice to the performance of the Cork team in the first half, when the Water-

ford team found scores hard to come by and missed a few chances. The half time score had the Friary team leading 1 - 5 to 0 - 5, full-forward Jason O'Brien scoring a well-taken goal coming up to half-time.

The second half was to be a different story as the Friary forwards went on a scoring spree. The Dungar-

van team defended very well, corner backs Aidan Browne and Adam Crowe doing well. Brian Keane from Ardmore playing an outstanding role, picking up all the loose balls in the half-back line, ably flanked by hard running David Kett & Brian Phelan. Goalkeeper Stephen Raher made a few fantastic point blank saves

when the Mallow lads looked like getting the upper hand. Mid-fielders

Brian Bannon (Dungarvan) & Denis Flanagan (Ardmore) proved to be a strong combination at midfield. All the Dungarvan forwards scored, big John Gorman scoring 2 goals and a point when moved to full-forward. The Mallow lads also missed a penalty and inspired by this, the Augustinian lads went down the field and Jason O'Brien struck again for his second of the match, with the other

forwards Richie Foley, W. J. Kiely and Mark Ferncombe and the strong Declan Barron kicking some great points in the last 10 mins. of the game. This sealed the game as a contest for the Waterford team.

This was an excellent performance by a very fit and eager Friary College team who played some great football at times after a slow start and should go into their next game with confidence.

St. Augustine's College Team: S.Raher, A. Browne, R. Faherty, A.Crowe, B. Phelan, B. Keane, D. Kett, B. Bannon (0-1), D. Flanagan (0-2), D. Barron (0-4), J. Gorman (2-1), M. Ferncombe (1-2), R. Foley (0-3), J. O'Brien (2-2) and W. J. Kiely (0-3). Subs: S. DeLahunty, P. Healy, S. Lambden, R. Lenane & D. Dransfield.

## STRADBALLY GAA CLUB NOTES

### STALEMATE IN WATERY SHOWDOWN

**STRADBALLY 0-4  
RATHGORMACK 0-4**

In atrocious conditions last Sunday week in the Fraher Field, Stradbally played out a draw with rivals Rathgormack in the Lawlor's Hotel 2001 senior championship final.

This was a game for the backs on both sides with the forwards finding it very difficult to find scoring opportunities. The early play was dominated by Rathgormack who should have goaled after five minutes and it was five minutes later that they opened the scoring with a fine point. This was the catalyst for the reds to respond which they did so a couple of minutes later when Ger Power equalised and in the eighteenth minute Trevor Curran scored a well worked point despite the dreadful conditions for the Taysiders to go ahead for the first time in the game. This lead was short lived with our opponents sending over for a white flag two minutes later. Luck was on Rathgormack's side just before the interval when Ger Power's speculative shot came crashing of the cross bar. Therefore the half time score read two points a piece.

Despite the great difficulty in scoring Rathgormack put over two scores within seven minutes of the restart. This was their last score. It was now up to the Red pack to come back and this was instigated in the 15th minute when John Coffey excellently fisted over Niall Curran's flighted free and it was Curran who sent over a very difficult free with ten minutes left on the clock from all of 45 yards. We had our chances with a couple of frees near the end but all in all it was probably justice for both teams to be able to fight another day and hopefully on a better day.

Team: K Cunningham, E. Cummins, J. Halpin, T. Walsh, K Coffey, O. Costelloe, L. Walsh, G. Walsh, J. Hearne, T. Curran, G. Power, J. Coffey, N. Curran, M. Walsh, L. O'Brien.

### UNFAIR CRITICISM

There was a lot of criticism of the decision to play the county final in such conditions. Yes the conditions were dreadful but both clubs and the players wanted the match to proceed.

It is easy to ring into a radio station and give your opinion. It is a lot harder to train three to four nights a week for the past eight months to arrive in and be told the game is off. Also there is a lot of other factors to be brought into consideration such as the thousands of fans who came for the game, the officials who travelled up for the game, the media, the thousands of programmes produced for the game in aid of Bord na nOg, to name just a few.

### REPLAY

The replay has been set for Saturday, 20th October, so let's all get out and support the reds. The game is down for 3 p.m.

### MANY THANKS

Many thanks to all our supporters who braved the elements on Sunday afternoon. Also to our many sponsors who made the day possible for us.

### KEEP YOUR COLOURS OUT

Keep your flags out on display now in the run up to the replay and create a good visual atmosphere around the parish?

Many thanks to Kathleen Coffey who gave her valuable time in producing the many flags and also to Deirdre and Mary Clancy who also made a lot of flags.

### POLOSHIRTS

We are trying our best to get our hands on more white poloshirts. These are Kartel poloshirts and are for sale at £15 each. Hopefully these are available at the club this week.

## Modeligo G.A.A. Club Notes

### WESTERN BOARD ANNUAL CONVENTION

The Modeligo club will be hosts to the Western Board Convention on December 6th in the community centre. Due to this, it has been decided that to have preparations made for this event, we will hold our own AGM earlier this year so our new club committee will be in place. This coming GAA season will also see the 25th Anniversary of the foundation of our club. It is hoped that hosting the Western Board Convention will be the start of the new committee's celebration of this milestone year for the club.

Our AGM has been arranged for Friday, November 30th at 8.30pm in Modeligo Community Centre. All members are asked to make a

special effort to attend. As always, the club welcomes anyone who is interested in joining and new members or players are also welcome.

### NIAMH BRID CAPTURE WESTERN U-16 TITLE Niamh Brid 5-5 An Gaeltacht 4-6

In what was a nail biting finish to this game, Niamh Brid's U-16 hurlers left it very late in securing the Western title with a last gasp goal by Aidan Hickey deep in injury time.

With just minutes to go, the lads led by two points. Then when the lads from the Gaeltacht struck a goal to lead by one, the pressure was really on, but the lads dug deep and rewarded the efforts of selectors Dan Fenton, Mike Murray and Shane Reddy with a late

goal to seal victory by two points.

Great credit must go to these selectors and to their panel of players, who had also contested a County League final against Clashmore earlier in the year. The panel has some really great talent and hopefully, this success will continue in the years to come.

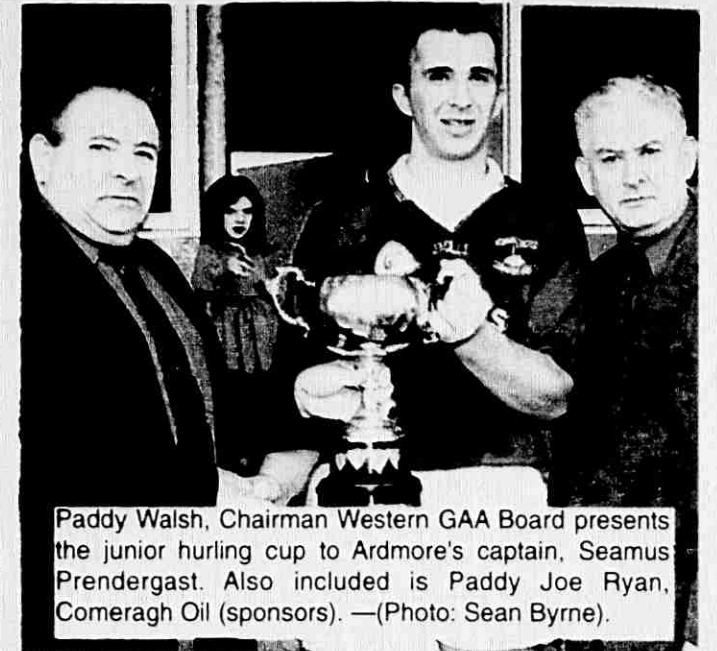

The team was as follows: Johnny Buckley, Brian McCarthy, Pat Murphy, Shane Hickey, John Ahearne, Mike Myles, Willie Power, Tristan Hickey, Shane Troy, Aidan Hickey, Eddie Condon, Finnian Grace, Jack Power. Subs: Sean O' Neili (for E. Condon), Shane Hourigan (for S.Troy), Mossie Fenton, Seamus Power, Paul Coffey. Selectors: Dan Fenton, Mike Murray, Shane Reddy.

## IFF &amp; JF COUNTY FINALS

## Ring v Kilmacthomas To Produce Top Class Intermediate Final

### BALLINAMEELA FANCIED TO DEFEAT FERRYBANK IN JUNIOR FINAL

This is a very attractive football programme arranged for Fraher Field on Sunday and after the Saturday programme it will be interesting to see how standards compare.

The Ring v. Kilmacthomas clash in the intermediate final should produce a brilliant game of football in this grade. It is a meeting between clubs who enjoyed senior status in the past few years.

Kilmacthomas, who lost to Kilrossanty in the 1986 county final at Walsh Park, were relegated only two seasons ago and Ring went back to intermediate grade after an epic relegation battle last year. Now one of the teams will win senior status here at the end of what should be a splendid contest.

As far as I can recall this is the first occasion on which Kilmacthomas will have played in a final here in the west. In the senior grade, it has been quite a while since they have played in the ground, so this may give a slight advantage to the Gaeltacht club who have played practically all their matches here over the past few seasons.

In spite of this, I expect Kilmacthomas to line out as favourites because their run up to the county final has been that bit more impressive.

Defeating John Mitchell in an early round gave the club a big boost and helped their confidence when lining out against Gaultir in the eastern final. Last year, Kilmac' lost to Gaultir in the final, but have shown considerable improvement as was clearly demonstrated at Portlaw three weeks ago.

Practically all their players are very experienced performers. In goal Tony Jeynes, who formerly played with Faha, will have defenders, Clive Kiely, Brendan Whelan, Gary McCormack (former St. Saviours player), David Kiely as fellow defenders and also on the side are John Power, Joe Joy, Pa Reilly, Paul Mulhearn, Nigel Griffin, Con Downey and others who have either senior or intermediate experience.

To be honest about Ring this year, they did not appear to me to be a team who were less than a full season out of senior championship. They struggled to beat Geraldines and in the Western final their first 30 minutes of football against Sliabh gCua was poor in the extreme. They did turn on the style after an early opportunist goal by Eugene Curran in the second half and certainly won deservedly, but at the same time I feel that they will be expecting that bit more from a number of their players if they are to win a title and promotion here on Sunday. Their lineup is not expected to change much, if any, from the side which defeated Sliabh gCua by 3-7 to 0-8 in the Western final.

Tomás O Caodhla will be in goal, Pdraigh Harty, Liam Curran, Eanna White, Tom Walsh, Cillian O Murchú, J. Harty, Sean Fitzgerald, Eoin Walsh, Tom McGrath, Eugene Curran Liam Grace, Seamie McGrath Eamon Crotty, Cian O'Connor Liam Lenane, Darragh O Breathnach, etc.

I am sure that this will be a fairly tight and hard fought final and with not much of a gap in standards to be seen between them in the end, the result can go either way, but I must confess to having a slight preference for the chances of Kilmacthomas.

## County Board Meeting

P. J. Ryan, Chairman, presided at last week's meeting of the county board, which was held in Lawlor's Hotel, Dungarvan.

### TRIBUTE

At the outset the chairman proposed a short adjournment after he had paid tribute to former executive member, John Fraher, who had served the GAA, in the county in a multiplicity of roles over his lifetime of service here in this county. Because of ill-health, John, he said, had retired from the board less than twelve months ago. He described John Fraher as a GAA warrior with a very proud record. Prayers were offered in silence.

### THE WEBSITE

County Development Officer, John O'Leary, gave the meeting details of the preparations to have Waterford GAA put on the website within the next three or four weeks. He said that further pages of information will be added shortly afterwards.

He also gave details of fresh Leadership Courses being organised and appealed to all clubs to become involved.

He further told the meeting that Croke Park we're con-

cerned about the failure of many clubs to have their Deeds and other documents relating to property, notified to them.

### REVIEW COMMITTEE

The chairman explained that because of the death of John Fraher the scheduled meeting at which the Review Committee was to be named, was cancelled and re-fixed for next Monday. The committee will be put before the November meeting for approval.

### SELECTION COMMITTEES

The appointment of the outstanding hurling committees were also deferred until Monday's meeting of the management committee.

### SOUTH EASTERN LEAGUE

The Runáí told the meeting that Clare, Limerick and Cork had agreed to participate in the Waterford Crystal hurling league and that arrangements were already in hand for the running of the competition which will be on a knockout basis.

### FRAHER FIELD PROGRAMME

The chairman gave a report on the games played under

atrocious conditions at Fraher Field on the previous day. He said the problem was not very serious until the third game and a meeting of the GAC showed some for and some against proceeding with the senior football final. The referee was in favour of proceeding, (as were the two referees in the curtain raisers).

Bernard Shields said the teams were all geared up for the finals and they too wanted it played. Jim Landers was complimented on giving a correct report of this on radio on the Monday after the games. It was agreed that if the third match was abandoned that it would have been impossible to give patrons a refund because of the differently structured admission prices and it would be equally impossible to distribute tickets.

The top admission price is to be reduced by a £1 for the replays.

On the matter of seating in the stand for various groups, etc. views that were expressed by Declan O'Meara, Paddy Fitzgerald and others will be examined.

### FIXTURES

The following county fixtures were announced:

Senior and minor football replays — Saturday, October 20th at Fraher Field. Extra time, if needed in both.

Intermediate and Junior football county finals, also at Fraher Field — Sunday, October 21st.

IFC — Ring v. Kilmacthomas; JFC — Ballinameela v. Ferrybank.

Junior Hurling Final — Fenor v. Ardmore/Kilgobnet at Walsh Park on Sunday, November 4th.

Intermediate Hurling Final — Dunhill v. Western champions at Walsh Park, Sunday November 11th.

Munster Club Hurling — Ballygunner v. Dora Barfield (Clare) at Walsh Park, Sunday, October 28th.

Munster Club Football — Waterford champions v. Limerick champions at Limerick, Saturday, September 26th.

### NEXT MEETING

Because it will be the final meeting of the year, the county board meeting for November will take place on Monday, November 19th and not on the first Monday as is the normal date.

All Deise Draw coordinators will attend meeting.

**NEXT WEEKEND PROGRAMMES AT FRAHER FIELD**

# Senior and Minor Football Final Replays On Saturday

## Intermediate and Junior Football County Finals On Sunday

Given fine weather with good underfoot conditions, the four match programme at Fraher Field over the coming weekend, will provide splendid entertainment for patrons of football and I have no doubt but that board officials will be keeping their fingers crossed in the hope that there will be no further problems, such as draws or weather interference.

The two county finals on last Sunday week, were endurance tests with little football skills visible, or possible, with patrons praying that the contests would not produce winners, given the prevailing circumstances.

Next Saturday, we look forward to exhibitions of skill and a brand of free flowing football that will provide entertaining and exciting fare to be enjoyed by all.

### STRADBALLY V. RATHGORMACK

Meeting under vastly different circumstance, these teams will each play a different brand of football and it will be interesting to see which of the two will prove more successful.

Stradbally play the more traditional and more direct style of football, while Rathgormack have been more successful over the past decade after changing over to the short passing style. It is difficult to know which will prove to be the more successful, but from the spectator point of view the contrasting styles will make the exhibition all the more interesting and exciting.

Martin Power, who is more or less regarded as one of the guiding lights in the Rathgormack team, was forced to retire very early in the drawn match with an injury and the

club are hopeful that the Garda will be fit to resume his place on the side for Saturday's replay. His return may make a meaningful difference. Stephen Cunningham was a surprise absentee from the Stradbally team in the drawn final and if fit and included on this occasion, it may mean something for the Reds.

Normally in a replayed match, the shrewd mentors can benefit with hindsight from the performance of the opposition in the drawn match. This is not likely to be the case here because of the circumstances on the last day, so here it is all a new ball game for both and a final that has to be won on the field.

I see it as a very difficult result to predict as we have been given no clear reasons for going for an outright victory for either side.

Two years ago when the same clubs met in the county final, Rathgormack, who scored the only goal of the game, emerged lucky winners (very lucky in my opinion) on a scoreline of 1-9 to 0-9.

Having come through a very long and very difficult road which included two drawn matches, Stradbally may have enough faith in themselves to reverse the result of two years ago.

### BALLINACOURTY AND RATHGORMACK WILL BATTLE IT OUT FOR MINOR TITLE

Both these clubs are happy with the chance of being able to have another go at winning the title after the battle in the weather conditions two weeks ago. That was an occasion when each side had their chances with bits of good and hard luck on both sides.

Some people figure that Rathgormack had more match winning chances and also that they had a 'wide' ball signalled as a score.

All these things are water under the bridge now and both teams have it all to play for. Given firm and more suitable underfoot conditions, it should be a splendid final replay by two very fit and committed teams.

Rathgormack will be hoping that the result will see them achieve the first leg of a notable double.

Ballinacourty, who came through more or less on a 'wing and a prayer' having just shaded the verdict in most of their matches to date, like defeating Ardmore by a single point and the Nire by a single point in the western final, will see a bit of luck on their side to add yet another minor football title to their list.

Kilrossanty captain, Eamon Flynn being presented with the Western Junior "B" Hurling Cup by Tom Cunningham, Vice-Chairman, Western GAA Board.

## Sunday Last At Fraher Field

Not having been around for the weekend, I missed the Fraher Field programme on Sunday, but I have been assured by a colleague who deputised for me, that the fare was poor in the extreme.

The result of the junior hurling final between Ardmore and Kilgobnet leaves Ardmore in the county final as favourites to beat Fenor in Walsh Park in the county final on November 4th.

The result of the intermediate game between the winners, Fourmilewater and St. Marys, must have left the Colligan Rockies in a happy mood on Sunday evening. The standard in this 0-10 to 0-5 semi-final replay was most disappointing.

The 'gate' for the double header was £2435. Colligan meet Fourmilewater in the Western Final in Fraher Field on next Saturday week.

### MORE VANDALISM

Vandalism continues to plague the Fraher Field Committee who find themselves fighting a battle to keep the ground in 'ship-shape' for the board.

The latest type of vandalism is wire-cutting of the wire netting behind the country goal. In this situation the committee are aware that the Travellers are not involved and I understand that they have a fair idea of the identity of the perpetrators.

### COUNTY CONVENTION

Saturday, December 8th, is the date decided upon for the county convention this year. It will take place at Lawlor's Hotel, commencing at 6.30 p.m.. Notice about nominations and motions, etc. will be forwarded to all clubs later this month.

October 31st is the official deadline for the closure of county board accounts and clubs are reminded of the need to have their financial obligation with the board completed before this time. When the board recommences financial dealings with clubs it will be in Euros.

The Western board convention, as announced last week, is confirmed for Thursday, December 6th and Western Bord na nOg have announced that their convention will take place at Lawlor's Hotel on Friday, November 16th at 8 p.m.

**U-14's Win Western Football Final**  
 On Saturday last our U-14 footballers were triumphant in the Western final against St. Olivers. The win was not an easy one as the scoreline might suggest. The Olivers defence held steady in the first half, helped by some brilliant saves from the Olivers goalkeeper. We went in at half-time 1-2 to 0-0. The second half we relaxed and began to put together some very good football. Goals from Mark Ferncombe, Shane Delahunty and Jason O'Brien opened up the Olivers defence. This was an excellent team effort from the lads with the half-back line having a great game. The midfield duly

held their own, our full back line also played well, with our forwards being in superb form with Mark Ferncombe scoring 1-5; Jason O'Brien 2-1; Shane Delahunty 2-0 and John Gorman 0-1.  
 Panel: S. Enright, B. Walsh, J. Healy; D. Tobin; D. O'Hare, W. J. Kiely, J. Gorman, M. Ferncombe, S. Delahunty, J. O'Mahony, D. Hickey, J. O'Brien, E. Moore, E. Brackett, D. Enright, S. Lanigan, J. O'Driscoll, E. McCullagh, D. Power, A. Tobin, C. O'Connor, S. Slater.  
 Thanks to Breda Healy for organising a memento for both the winning and losing teams. It was a lovely gesture. We now play De La Salle next Sunday

morning and all support will be very welcome.  
**Minor Football County Final On This Sunday**  
 As reported last week we played out a draw with a very experienced Rathgormack team in the curtain raiser at the Fraher Field under atrocious weather conditions on Sunday week last. We were going for our 12th title and the team made a gallant effort and were unlucky not to come away with a win, see match report.  
 Training has gone well but we will be up against it once again in the replay and it will take a mighty effort to bring home to 'Courtly the county crown. Best wishes to all the panel who played so well and to the excel-

lent preparations of the manager Pakie Hurney and selectors Pat Moore, Neil Moore and Noel Fleming.  
 The replay is at 1.15pm in the Fraher Field on Saturday, October 20. Thanks to all the people from the parish who came along in such numbers to support the team.  
**Under 21**  
 The hurling game against Stradbally, scheduled for Saturday, October 13th, was cancelled and will shortly be refixed. The footballers take on Ardmore in the Fraher Field on Saturday, October 27th at 2.45. The selectors Joe Power, Timmy Organ and Tom Whelan have a good training regime in place.

## Under-21 Football Results

**St. Olivers 1-8 Brickey Rangers 0-10.**  
 This was a cracker of a game and the pity about the result was that there had to be a loser.  
 Only a point separated the teams at halftime when Brickeys held a slight 0-6 to 0-5 advantage. On the turnover they increased their lead to 3 points, but Olivers fought back and a Ger Donovan goal in the 53rd minute brought them upside with the leaders. With only a point between them in the closing minutes, the game was fought out at a hectic pace, with the Saints holding on desperately to the slender lead which gave them victory over the Brickeys who had several members of their minor county champions team on their panel.  
**Shamrocks 2-14 Kilrossanty 1-3**  
 At halftime the score was Kilrossanty 1-0 Shamrocks 0-4 and having the spectators believe that they were in for a hectic second half.  
 Not so, as the score indicates. The Knockanore team completely overpowered the Comeragh side and ran out the easiest of winners after a one-sided second half.  
 Both the above matches were played in Cappoquin on Saturday.

## Clashmore Go Down In Senior Football Relegation Battle

**Tramore 1-10 Clashmore 0-9**  
 This battle for survival in the senior championship saw the Western team lose out in a splendidly contested game at Stradbally.  
 Clashmore, after just couple of seasons at the top, are now back in the intermediate grade for next season and this will not be good news for many of the intermediate clubs here in the west.

## JUNIOR FOOTBALL FINAL

**Ballinameela v Ferrybank**  
 No one will dispute the fact that Ballinameela were the best football team in the junior championships this year and the constant supply of talented young players from the St. Olivers club is a big help in the building of a strong and challenging side that must be given a great chance to win their way back to the intermediate grade after Saturday's clash against eastern champions, Ferrybank.  
 It is interesting to note that both clubs played second string teams in their respective divisional finals.  
 Ferrybank had a decisive win against Tramore in a replay. A goal for Tramore in the dying seconds of the match gave it the appearance of a close final, but Ferrybank were not a bit flattered by their 1-9 to 1-7 victory.  
 In defeating the Nire by 3-14 to 3-8 in the final here in the West, Ballinameela were in control all the way, but they did slacken their effort for a time in the second half.  
 In players like Eoghan and Eamon Walsh, Darren Mulcahy, Aidan Ahearne, John Stack, Gerome O'Brien, Ken McGrath, Terence McCarthy, Michael Walsh, Jim McGrath, Liam Walsh, Pat Barron, R. McCarthy, Michael Fogarty, P. Scanlon and company, Ballinameela appear to have the material to account for the eastern champions and it will be quite a surprise if they fail here.

**NAOMH BRID ARE CHAMPIONS**  
 Naomh Brid and An Gaeltacht clashed in a very entertaining division three final of the Cappoquin Chickens under 16 hurling championship at Bushy Park last Saturday afternoon. Throughout the hour the two teams were evenly matched. With less than a minute to go An Gaeltacht were leading by a point, but a never say die Naomh Brid refused to throw in the towel and just on the stroke of full time Man of the Match Aidan Hickey scored his third goal of the game to give Naomh Brid a two point win and a much deserved championship title.  
**UNDER 16 DIVISION TWO**  
 The final round of games were played in the Cappoquin Chickens Under 16 hurling division two championship last Sunday morning before the teams entered the knockout stages. However for the Bord na nOg everything went to plan, as in both sections of the competition, three teams tied on four

points. One team will now have to be eliminated from each section. This Saturday two play off games will take place. The winners of these games will advance to the semi finals while the losers will get a second chance the following weekend against the third team in the equation.

**LADIES FOOTBALL COUNTY FINALS ROUND-UP**

# County Titles For Ballymac' And Old Parish

Ballymacarbry regained the U-16A title with a win over St. Anne's in the county final at Bushy Park on Saturday afternoon last.

Played in beautiful weather they ran out easy winners and St. Anne's will be disappointed with their performance as they are capable of playing much better.

When these teams met in the U-14 finals of '99 and 2000 St. Anne's scored decisive victories yet on this occasion they had no answer to a very slick Ballymac side. The game got off to a very slow start.

It took 14 minutes for the opening score a Michelle Ryan point and by the end of the half Ballymac led 0-8 to 0-0. With Marian Ryan (3), Louise Ryan (2), Laura Whelan and Michelle Ryan adding further points. Within 5 minutes of the restart the game was as good as over, Michelle Ryan shot a point and then blasted to the net after Marian Ryan had been fouled. Marian then pointed two frees before St. Anne's opened their account in the 40th minute when Tracey Gallagher pointed a free.

It took 3 brilliant save by St. Anne's keeper Mary Hayes to keep Ballymac at bay and St. Anne's centre back Pauline Cunningham battled hard to stem the tide. Rachael Ahern also tried hard but the St. Anne's could never get through a tight marking Ballymac defence. Marian Ryan (5), Aine Long and Mairead Hogan all added points before Tracey Gallagher closed the scoring with a point for St. Anne's, Lynn Marie Grant and Tracey tried very hard but lacked support. St. Anne's did miss a couple of good chances but over all were well beaten.

For them it was just one of those days and no doubt they will come bouncing back. It was difficult to find a weak link in a very strong Ballymac side.

**Ballymac:** Helen Doocey, Orla Kearney, Elaine Hickey, Ashling English, Elibha Cooney, Rosie Ryan, Jackie McGrath, Michelle Ryan 1-3, Michelle McGrath, Louise Ryan 0-2, Marie Hannigan, Mairead Hogan 0-1, Laura Whelan 0-1, Marian Ryan 0-8, Aine Long 0-1. Subs: Gillian Moore, Mairead Wall, Dawn Ryan, Tina O'Grady, Brid Whelan, Aine Walsh, Michelle O'Gorman, Sinead Ryan. **St. Anne's:** Mary Hayes, Louise Dunphy, Gillian Moore, Eileen Kirwan, Pauline Cunningham, Rachael Ahern, Jane Murphy, Charlotte Marie Raheer, Tracey Gallagher 0-2, Emma Gallagher, Sinead Crowley, Lynn Marie Grant, Renee Whelan, Aine Byrne, Elaine Dunphy. Subs: Brid Kennedy, Nicola Ryan, Caoibhe Murray, Niamh Kavanagh, Siobhan O'Reilly, Kerry Dunphy.

**U-16B FINAL**

Old Parish narrowly edged out Ballyduff in a thrilling U-16B final also at Bushy Park on Saturday afternoon. This was a much closer affair than the A final.

Indeed only for the Old Parish goal keeper Fiona Kiely the cup could well have ended up in Ballyduff. In typical Ballyduff fashion they never gave up and played very well out the

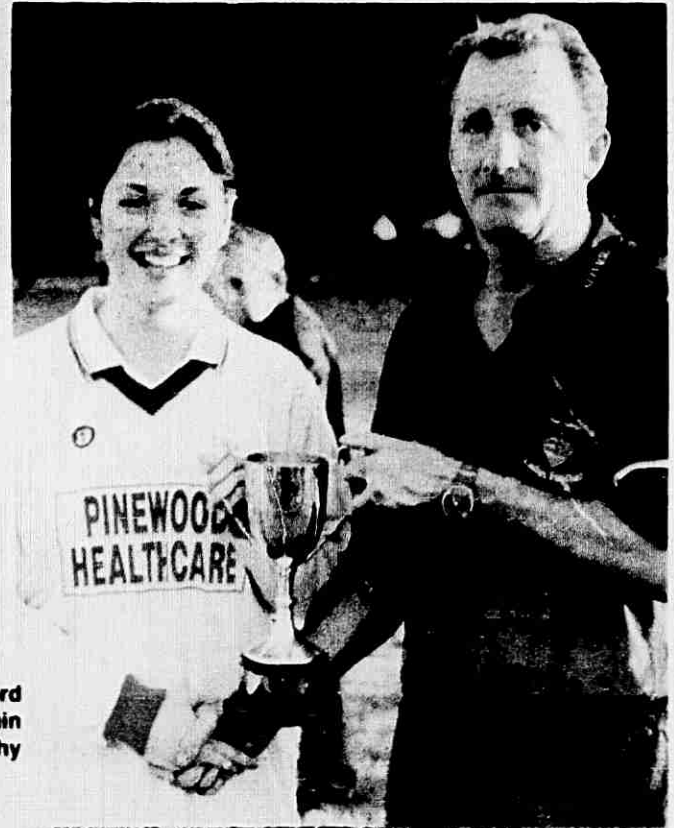

field but lacked the ability to finish good chances. It was very even in the opening half, a goal by Eolga Hayes was to prove crucial with Clodagh and Niamh Manahan shooting vital points.

However, in the end it came down to Old Parish's defensive qualities and goal keeper Fiona Kiely, Caoimhe Curran and Beibhinn Nolan were to play a crucial role. Michelle Ahern scored a first half goal for Ballyduff but this was out by Eolga Hayes, Mairead Finn and Karen Keating scored points for Ballyduff.

They camped in the Old Parish half for the last ten minutes missing a couple of very good chances including a ball that ran along the goal line to safety as far as Old Parish were concerned. Grainne Kenneally, Helen Barry and Lisa Daly impressed for Ballyduff. At the end of the day Old Parish's ability to convert chances was to prove decisive.

They over came the loss through injury of Clodagh Manahan and both teams are to be congratulated on an excellent game of football.

Picture shows MI. Ryan, Chairman Waterford Ladies County Board presenting the Noel Buckley Cup to Helena Doocey, captain Ballymac's team on winning the Under-16 (A) county final in Bushy Park. Below is the victorious Ballymacarbry team.

**All Stars Win After Thrilling Game**  
ALL-STARS 3-18  
LAOIS 5-9

The All-stars eventually overcame All-Ireland Champions Laois at the end of a thrilling game in Portlaoise on Sunday. The celebrations eventually told and although Laois led 4-5 to 1-11 at the interval the All-Stars came good in the second half. Waterford's Mary O'Rourke was a worthy representative on the All-star team and acquitted herself well. This is the first time Waterford didn't have an actual player in the All-star team. Mary was a replacement but did enough to suggest that there are better days ahead for both Waterford and herself. As usual she did the County proud and with young players coming through good commitment should see Waterford figure prominently again in the near future. Clubs are asked to note there team managers for 2001 for minor, junior and senior will be selected at the November county board meeting.

Pictured over is Pat Twomey, Secretary Waterford Ladies County Board, presenting the Under-16 (B) Perpetual Cup to Ealga Ni Aodha, captain Old Parish team on winning the Under-16 (B) county final in Bushy Park. Above is the victorious Old Parish team.

### THIS WEEKS IRISH WEEKEND FIXTURES

Saturday Downpatrick 2.45 pm, Tipperary 2.30 pm, Sunday Naas 2.30 pm.

### WATERFORD TRAINERS AND RIDERS EXCEL

The week just gone proved a lucrative one for followers of County Waterford based horse trainers and jockeys. At Fairyhouse on Tuesday Margaret Flynn who trains a small string near Stradbally sent out the Patrick Egan owned Carhubber Girl, a five year old daughter of Phardante and Maladicion to a 12/1 victory in a maiden hurdle. This victory also brought a welcome change of luck to Lismore rider Ken Whelan who hadn't ridden a winner for quite some time. On the same card young Ian Power from Dungarvan who still claims the valuable seven pound allowance rode the well fancied Pietro Vannucci to victory for owner Phonsie O'Brien and County Meath trainer Noel Meade in the concluding Pro am flat race.

Rathgormack trainer Pat Flynn made the long journey up to Downpatrick on Wednesday where he sent out the 6/1 winner of the Handicap Hurdle with Petite Ville under Mark Madden getting the better of Dual Star by seven lengths. It was on to Gowran Park on Thursday and trainer Flynn was on the mark in a flat handicap as Tramore winner Ballintry Guest came good at the nice price of 12/1. Ballintry Guest was ridden to victory by Waterford City born Danny Grant. Another rider with strong Waterford connections, David Casey rode the winner of the featured National Lottery Chase at Gowran on Thursday as Puget Blue beat some better fancied opponents at odds of 14/1. Trainer John Kiely had a beano on the second day of the Gowran racing festival sending out the winners of both chases. Stable jockey Pat Crowley had the ride aboard Michael Cashman's Sparkling Gold 11/2 in the Handicap Chase and while he is not the easiest of rides having dislodged his rider at the start Sparkling Gold battled on up the long run in to outstay the always well placed Ceannaireach. The stable representative in the Novice Chase was the Satco gelding Hot Stuff and with Barry Geraghty who was returning after breaking his collar bone in the plate, the seven year old quickened nicely up the run in to defeat Penny Native.

The fun didn't end there as in the final race of the afternoon the Kilmeaden Syndicate owned and Sean Aherne trained Ballyhampshire Boy 6/1 romped to victory over Mount Kimble who made a pleasing debut for private trainer Richard Brabazon. The winner, a five year old gelding of Husyan and Dantes Ville was well ridden by up and coming amateur rider Paul Tobin who like the winning trainer hails from Tallow.

To crown a great week for David Casey the 25 year old went on to ride the winner of the Munster National at the new track at a well attended Limerick last Sunday giving the Mouse Morris trained top weight Foxhill Chapel a strong drive to beat some of the more fancied runners in the race.

### EYECATCHER AT GOWRAN

Keep an eye out for a Charles O'Brien three year old called Beauty. Making her debut over seven furlongs at Gowran on Friday this Alzao filly was left in the stalls and must

have been all of twenty five lengths behind the leaders going across the top of the course. The penny really dropped with this lady up the home stretch though as she responded to the urgings of Mick Kinane running on in fine style to finish a close up second to the vastly more experienced Cruiskeen Lawn from the Con Collins yard.

### DISAPPOINTING EFFORT

While the Gowran Park racecard carried the minimum three lines of form for each race I feel a festival of racing where you would hope to attract a great amount of new patrons to the game should provide more information on the cards to indicate how horses fared in their previous races. Irish Greyhound track race cards would put the horse racing fraternity to shame and with this new Racing body coming into being hopefully matters can only get better.

### MOSCOW CHASING DEBUT

Top flight hurdler Moscow Express trained by Jessica Harrington is on course for his first outing over fences at Down Royal in early November.

### LIMERICK OPENS

Limerick's new track opened to the public last Sunday. The new complex on a 400 acre site was built at a cost of £12 million.

### STEPHEN ON THE MEND

Isle of Man born but long time Irish resident flat jockey Stephen Craine is on the mend after hurting his back when falling from a ladder. Stephen is out of action until next year where he hopes to resume riding on a full time basis. He is currently acting as assistant trainer to Kevin Prendergast. Stephen's younger son Stephen Jnr is doing very well for himself in the jumping sphere riding a double for Piltown trainer Frances Crowley at Gowran last week.

### LESTER BACK IN ACTION

While he is now aged sixty five, former champion jockey Lester Piggott hopes to ride in the 2001 Emirates Airline Legends Race in Melbourne, Australia in November.

### THE LATE PADDY MCGRATH

The late Paddy McGrath who died after a long illness last week aged 74 had a long association with Waterford Crystal but he was also a keen racing man and he owned Furry Glen which tasted victory in the 1974 2000 Irish Guineas. His brother Seamus was a top class trainer while one of his sons Neil also trained horses sending out the useful hunter chaser Lineker to a number of victories.

### POINT TO POINT FIXTURES

Sunday Oct 21st Tipperary Foxhounds at Powerstown Park, Clonmel at 2.00 pm. Muskerry Foxhounds at Ballindenisk, Watergrasshill, Co. Cork 1.00 pm.

### NO MOUNTS FOR TOM

Given the recent ruling by the Turf Club one would have expected to see Champion apprentice Tom Queally back in action over the weekend but it was not to be. Tom was asked to apologise to trainer Pat Flynn and this he did through a letter via the Turf Club Chief Executive Brian Kavanagh. The letter was subsequently sent on to trainer Pat Flynn but he has refused to accept the apology. One can only assume the trainer is looking for a personal apology from Tom Queally.

### MILAN FOR NEW YORK

Trainer Aidan O'Brien could have an eight strong team over to New York to contest all the major races at the Breeders Cup meeting. In a surprise move the raiding party could well include this years English Leger winner Milan.

# Ardmore A.F.C. Notes

## PREMIER LEAGUE

On Sunday morning last we played Cappoquin in Dysart Park in our second league fixture of the season. Once again we had to play with a much weakened side due to some of our players being involved in the junior hurling Western Final. We started well and matched Cappoquin in every quarter, at times we looked dangerous breaking from the back. Midway through the first half we took the lead, when Keith Morel fired home a fine free kick from twenty five yards into the top corner. Within ten minutes Cappoquin were back on level terms after a defensive error let a Cappoquin player through on goal with only our keeper to beat and he finished it well. It was one all at half time.

In the second half we played well for the first ten minutes, then the old enemy turned up to haunt us, fitness, or should I say, lack of fitness. We started to lose the ball easily as some of the players got tired. From then on we were nearly always on the defensive, bar a couple of times we made counter-attacks. Cappoquin added three more goals before the end and the game finished Ardmore 1 Cappoquin 4.

## PLAYERS TAKE NOTE

Please check Red House League notes for our next fixture. If the game is at home, be at the pitch at least a half an hour before kick-off. If we are playing away, we will be leaving the cross one hour before the kick-off time.

# Ghaeltacht Soccer Notes

## KILWORTH 3 AN GHAELTACHT 0

An Ghaeltacht made the long trip to Kilworth on Sunday last and were defeated by the homeside after a very poor performance. An Ghaeltacht played the better football during the 1st 30 minutes but the failure to convert a couple of clear cut chances was to prove very costly. Kilworth took the lead after 41 mins when a mix up in An Ghaeltacht's defence lead to an o.g. Kilworth increased their lead on the hour mark when a dubious offside decision went in their favour. Kilworth made it 3-0 5 minutes later when their centre forward rose in-challenged to head home a corner kick. Overall this was a poor performance and a vast improvement is needed if we are to sustain a serious title challenge.

## UNDER-12'S Ballinroad 4 Kilmacthomas 5

This was a very well contested game with Ballinroad having the best of the opening exchanges.

We had a few chances before Richie Ryan opened the scoring with a shot to the roof of the net. Ballinroad had a few more changes before Kilmacthomas hit back with an equaliser from a corner. Kilmacthomas then hit two more in a ten minute spell one of these coming from a penalty.

Just before halftime Alan Sheil scored to bring us right back into the game. Ballinroad made a few chances in the second half bringing on Conor Moloney, Danny Flynn and Patrick Quinlan which made a difference. Conor Moloney scored the equaliser after a good pass from Stephen Enright. However, this was not to last long and Kilmacthomas once more took the lead after a mistake in our defence. Ballinroad never gave up once and got the equaliser when Alan Sheil scored his second goal of the game from a header after a fine cross from Tom Hanrahan.

It was end to end stuff after this with both sides trying to score the winner and with a few minutes left Kilmacthomas made the breakthrough. This was hard luck on the lads who deserved at least a draw for their efforts. We had a new player making his debut for us, Robert Phelan and he did well for his first game.

Panel: Johnny Fitzgerald, Colin Ryan, Robert Phelan, Donal Henley, Kevin Delahunty, Jamie Collender (Capt), Jamie Ryan, Stephen

Enright, Tom Hanrahan, Alan Shiel, Richie Ryan, Conor Moloney, Patrick Quinlan, Danny Flynn and Kevin Duhig.

## UNDER-11'S Ballinroad 8 Mooncoin 2

Ballinroad turned in another magnificent performance to score an emphatic victory over Mooncoin at home last weekend. After eight minutes a free from Paul Walsh hit the crossbar and narrowly went over. However, the same player after 12 minutes hit a direct free straight into the net to open the scoring for Ballinroad.

Three minutes later a corner from Paul Walsh resulted in the ball landing at James Coade's feet and he duly planted the ball into net to make it 2-0. A great solo run on the stroke of half time by Conor Moloney ended with Conor scoring a great goal. Within one minute of the resumption a great through ball from James Coade found Conor Moloney and he made it his second goal and Ballinroad's fourth. Another great solo run from Paul Whyte this time ended up with Paul scoring Ballinroad's fifth.

After 15 minutes of the second half, Conor Moloney completed his hat-trick. At this stage Ballinroad introduced some of the substitutes with the remainder coming on before the end of the game. Ten minutes from time, Mooncoin scored their first goal. After further good work for Ballinroad Conor Moloney scored his fourth and Ballinroad's seventh goal.

With almost 5 minutes remaining, Mooncoin got their second goal and almost immediately Paul Walsh scored his second and Ballinroad's eighth

goal. This was an excellent performance from the young Ballinroad team it certainly augurs well for the future.

Panel: Alan Akehurst, Kevin Duhig, Kevin Burke, Jim de Fusco, Tom Hanrahan, Paul Whyte, Paul Walsh, Michael O' Halloran, James Coade, Conor Moloney, David Crowther. Subs: Maria Delahunty, Mark O' Connor, Eoin Dunford, Diarmaid Henley (all used).

## U-15'S S.F.A.I. CUP Abbeyside 6 Ballinroad 0

Having being forced to field a much depleted team on Saturday evening last we suffered a very heavy defeat at the hands of Abbeyside.

We conceded a goal after ninety seconds, but in spite of this set back we played some good football in the first half. Abbeyside got their second goal on the stroke of half time and this meant we had an uphill battle in the second half. Things got worse for us early in this half when Mark Keane had to leave the field with a leg injury and Thomas Kiely was soon to join him on the injured list.

We eventually ended up having only eight 1st players on the pitch and this was a most unsatisfactory situation. Of the six absent players only one informed the management of his non availability and as we are working from a small panel of players we cannot have this happen again.

## CARD RESULTS

The following were the winners on Friday night last: 1st Bernie and Tony Butler, 2nd Tony Dunford and Tim O'Shea, Lucky table: Tom Mulligan and Olly Ryan. Cards

continue every Friday night starting at 9.15 sharp. We hope to see more of the players parents attend.

## RED HOUSE LEAGUE ROUND-UP

# Victories For Valley Rangers, Lismore And Accrington

It was a very busy Sunday for the Red House League. We had some terrific games and I understand five sending offs so the referees were busy. Valley Rangers despite being short some regulars and falling a goal behind did the league proud when they won after extra time. Lismore staged a terrific comeback against neighbours and rivals Brideview Utd while Accrington Celtic advanced to the final of the Tony Bolger Plate. There were big league wins for Araglen Celtic, Kilworth Celtic and Pinewood Rangers.

## STATOIL FAI JUNIOR CUP

**Ballygarry Albion 1  
Valley Rangers 2 (after extra time).**

This was a marvellous result for the Conna side. They travelled short two regulars and fell a goal behind after six minutes. However Rangers never gave up. They were unlucky to go in at the break a goal down as they had two good chances in the opening half.

Time was running out for the Conna outfit when Padraig Noonan equalised direct from a corner kick in the 75th min. The sides were still level after 90 minutes and so to extra time.

The first period of extra time saw either fail to break the deadlock. Indeed there was just four mins. remaining on the clock when Rangers hero Damien Farrell struck to give Valley the win and send Derry O'Leary wild with delight. Well done lads.

## TONY BOLGER CUP SEMI FINAL

**Lismore 2 Brideview Utd 2 (after extra time)  
Lismore win penalty shoot-out 4 - 3**

This was a real thriller and the good sized attendance were given a game to remember.

Lismore started well and took the game to the Tallow side but it was Utd who took the lead after just 6 mins when Eoin Murphy crashed home a Valley goal from 20 yds. At the other end Billy Sheehan brought off a tremendous save to keep Utd in front. Michael Keating beat the full back and keeper before slotting home Utd's second. Brideview were now in the driving seat.

A great run by Eoin Murphy after 30 mins saw him beat two defenders before passing to Paul O'Brien. O'Brien's great shot saw Hornbrook get down to push the ball out for a corner. At the break Utd led 2-0.

The second half saw Lismore take the game to Utd. Led by the Shanahans, Pender and Landers Utd's defence came under pressure.

In the 53rd minute Dan Shanahan got his foot to the ball and sent it into the corner of the net giving Sheehan no chance.

Paul O'Brien had a header go wide in the 56th minute before Lismore got back on level terms in the 64th minute when Michael Shanahan struck for the equaliser.

Extra time failed to separate the sides and in a dramatic penalty shoot out Lismore won 4-3 to advance to the final.

## TONY BOLGER PLATE SEMI FINAL

**Inch 0 Accrington Celtic 4**

The North Cork side had an easy victory over East Cork side Inch on Sunday last. Although a David Gill goal only separated the sides at the break.

Accrington piled on the pressure in the second half and goals from John Hegarty and two from Sean Carey grabbed a final place for Celtic.

## RED HOUSE LEAGUE RESULTS

### PREMIER LEAGUE — Ardmore 1 Cappoquin 4

Keith Morel put the homeside in front but the visitors, once Paudie Landers equalised went on to record a good victory.

Martin Lacey from the penalty spot and two from Darragh Wilkinson saw the points go to the visitors.

### Castlebridge Celtic 2 Ballyduff 2

This premier league game had everything for the fans. Four goals, near misses and two sending offs.

The visitors went in front before Paul Donnellon equalised for Celtic.

The visitors restored their one goal lead but again Castlebridge had the sides level again in the 75th minute. Perhaps a share of the points was a fair result here.

### DIVISION ONE — Araglen Celtic 3 Ballybridge Utd 0

Araglen had a good home win on Sunday last thanks to goals from Pa Buckley (2) and James Kenneally. A rather surprising victory this but on the day Celtic deserved their win.

### Mogeely 0 Pinewood Rangers 5

Mogeely are finding the going tough this season. The last two weeks are ones Mogeely will want to forget and get their season back on track. Rangers will be delighted to get back to winning ways.

### Kilworth Celtic 3 An Gaeltacht 0

An Gaeltacht were brought down to earth with a bang when they suffered a 3-0 defeat away in Kilworth Celtic having failed to find the net the previous week will be happy with all three points on Sunday last.

### DIVISION TWO —

#### Clashmore Ramblers 1 Blackwater Rangers 1

This local derby ended with a share of the points which will please both clubs. A tough game here with no quarter asked for or given resulting in three players getting the red card.

## RED HOUSE LEAGUE PREVIEW

# Match of the Day in Lismore

A big crowd of fans are expected to turn up in Lismore on Sunday afternoon when the Red House League team faces the Cork A.U.L. in the Oscar Traynor Cup.

Last year the Waterford Junior League gave us a bit of a lesson in Waterford before running out easy winners. To be fair our lads never played as well as they can on that day. We did better a few weeks ago when we held Cork to a 1-1 draw.

This year we kick off against Cork with games against South Tipperary and The Waterford Junior League to come over the following couple of weeks.

Manager Paddy Pollard is hoping to have most of the leagues better players available for Sunday. The team is not picked yet stated Pollard, but it does look as if we will have most of our top players available.

The Oscar Traynor Cup always seems to come too soon for our league added Pollard. We get better as the competition progresses.

This season we have picked the panel from just six clubs. Other seasons we would have used players from maybe twelve clubs.

I feel stated Pollard that it takes time to get players from so many clubs to get together quickly. For the Oscar Traynor Cup the team needs to click for the first match.

We in the league will be happy once the lads do their best and give 100% on the day. Hopefully the weather will be good to us and that we have a terrific match concluded Pollard.

Yes indeed and we would appeal to all connected with the league to turn out and support the lads. We wish Paddy and the panel the best of luck on Sunday.

## LEAGUE GAMES DIV. ONE

**Ballybridge Utd v Kilworth Celtic** — Celtic are blowing hot and cold to date this season. Utd will be hoping to clinch all three points here and with home advantage they might just shade it.

**Accrington Celtic v Mogeely** — Celtic can feel happy with their start to the season. They could really be the dark horses of the season. Their visitors could do with a lift. On form the homeside should collect the points which will not please Tom McCarthy of Mogeely.

**Pinewood Rangers v Inch** — If Rangers can field a full team then they should prove too strong for the East Cork side. Rangers defence has leaked some goals this season and they will be anxious to correct this. Goals are hard to come by for Inch which will please Rangers.

**An Gaeltacht v Araglen Celtic** — Both of these sides have been involved in very high scoring games to date this season. Let's hope they can continue with this on Sunday and the fans could be treated to a real thriller.

## DIVISION TWO

**Affane v Brideview Utd** — Affane will be hoping that their scorer in chief Jamie McGrath will be in top form on Sunday. Their visitors from Tallow under manager Ian Farmer will be hoping to get something from this game. Maybe a draw would keep both sides happy.

**Blackwater Rangers v Valley Rangers** — This meeting of the Rangers could go either way and perhaps both sides might settle for a share of the points.

## OSCAR TRAYNOR CUP

All players are asked to attend the Devonshire Arms Hotel in Tallow on this Saturday night at 8.15 sharp.

## INSURANCE

Would home teams for Sunday next please hand your insurance in to Eamonn O'Shea before Friday next.

**STATOIL FAI JUNIOR CHALLENGE CUP**

# Dominant Dungarvan Advance To Next Round

**DUNGARVAN UNITED 2 BOHEMIANS 1**

Dungarvan advanced to the next stage of the FAI Junior Cup thanks to this deserved victory over FAI Junior Cup kingpins Bohemians. This was a game that Dungarvan should have had sewn up by half-time but were hanging on in the end and relieved to hear the full-time whistle.

Having soaked up some early Bohs pressure the Blues almost went ahead in the 10th minute when Nicky Donnelly set up Micheál Downey who shot just wide. The same combination cut open the Bohs defence again shortly afterwards with Donnelly just failing to connect with Downey's cross.

The central midfield trio for Dungarvan were now completely dominant and in the 23rd minute Damien Power released Mark Crotty but his close range effort was saved by

Ollie Keohan. A Dungarvan goal looked inevitable and it duly arrived in the 27th minute when Nicky Donnelly dispossessed a Bohs defender and hit a blistering shot past Keohan. It could, and perhaps should, have been 2-0 soon afterwards when Keohan turned a Nicky Donnelly shot onto the bar and then somehow kept John Power's efforts from the rebound out, not once but twice.

A similar pattern continued in the second half. Micheál Downey fed Nicky Donnelly

who shot just wide. Donnelly made amends shortly afterwards when he fired past Keohan from 15 yards after good work by Downey and Joe Nolan.

At this stage a Dungarvan win looked inevitable but Bohs grabbed a lifeline with a very well worked move that was finished by Trevor Dempsey in the 64th minute. This goal rejuvenated the visitors and certainly put a spring into their step. Niall Barry produced a great save to turn away a fiercely struck free kick and he was rock solid in dealing with everything else that came his way.

That Barry was not over-worked is a tribute to central defenders Aidan Landers, Alan Landers and Kevin Walsh who were rock solid in dealing with what was incessant Bohs pres-

sure in the last 25 minutes. This trio were well supported by wing backs John Power and J. P. Donnelly as Dungarvan showed great resilience to hang on and advance to the next round.

No doubt the Blues will hope to have Mark Hyslop, Gary Keane, Killian Lyons and Pat Walsh all back by the time they next play in this competition.

Dungarvan: Niall Barry, John Power, Aidan Landers, Alan Landers, Kevin Walsh, J. P. Donnelly, Joe Nolan, Damien Power, Mark Crotty, Micheál Downey, Nicky Donnelly. Res: Pepe Ferncombe for Damien Power (67 mins.); Gary Weldon for Micheál Downey (85 mins.); Pat Dunford and Kealan O'Neill.

## Dungarvan Utd. AFC Notes

**RESULT**

FAI Junior Cup 2nd Round Dungarvan Utd. 2, Bohs 1.

**FIXTURE**

Div. 2B League: Dungarvan Utd. v Johnville at Saturday, 20th Oct at 2.15 p.m.

**FAI JUNIOR CUP**

We had a marvellous win over Bohs in the second round of the FAI Junior Cup last Saturday at Kilrush Park. A goal in each half by Nicky Donnelly paved the way in what was an excellent allround team performance. The next round of this competition is due to be played on the weekend of 3rd/4th November.

**THIS WEEKEND**

We have just one team in action this weekend when J. D. O'Shea and Billy Coleman's Division 2B side take on Johnville in Kilrush Park. This team have recorded two excellent away wins so far and will hopefully maintain their 100% record in their first home game of the season.

**YANKEE DOODLE**

For nearly twenty years our club has been funded by the Yankee Doodle draw. It was the first lotto draw introduced by any club in the locality and was certainly an example of visionary leadership by the committee of that time. However, as the saying goes "all good things come to an end" and in the next few weeks the club will launch a new lotto draw to replace the Yankee Doodle. This will contain bigger prizes and over the next few weeks the sellers will be contacting every player, former players, supporters etc., in an effort to get this new draw off the ground.

The money raised will all be used to finance the new astro turf pitches, clubhouse

refurbishment and new dressing rooms. The club will be spending in excess of £250,000 in the next two or three years and a huge effort will have to be put into raising this finance by everyone.

**OSCAR TRAYNOR**

Best of luck to John Power and Aidan Landers who are members of the Waterford Oscar Traynor squad for this week's game against South Tipperary in Ozier Park on Sunday.

**SEAVIEW CELTIC DRAW**

The first of the four Super draws was held last Saturday night and we had two winners. Gerry O'Connor won a clothes voucher and Triona Quinn won £100. Our thanks are extended to everyone who bought a ticket and we hope to have some more winners in next month's draw.

**NEW YEAR'S EVE SOCIAL**

The remaining tickets for our New Year's Eve Fance Dress function can only be booked from Bridget Duggan (Tel. 058-44493). Tickets cost £10 each.

**YANKEE DOODLE**

The numbers drawn were 2 & 24 and there was two jackpot winners. The numbers were picked by Showery Flynn & Jacinta Morrissey in Mountain's Bar, Grattan Square and the winners were Martin Lennane and Seamus Hayes who shared £380. The jackpot next week is £100.00. Thanks for your continued support for the longest running lotto draw in the locality.

**DISCO**

The club will hold a disco on Friday, November 2 for Halloween. Music by Mr. D.J.

### Dungarvan United Youth Notes

Training will continue on Tuesday and Friday nights. However players are welcome on Thursdays with Billy and J.D. or Stan and Foggy if they want at 7 pm all three nights. Our next fixture is on Sunday week, 28th away to Ferrybank so let's keep training as Ferrybank did the double over us last season. We don't want another early exit as it will shorten the season drastically.

### Waterford Branch Manchester United Supporters Club

The upcoming trip for the West Ham game on December 8th has still got places left so if you are interested contact any committee member or phone Kevin at 086 3396168 as a lot of people who said they were going are not on the list. Closing date is set for November 2nd so lads if you don't contact by November 1st don't complain. The next committee meeting will be November 9th in Lawlor's at 8 pm. Memberships are still available, contact any of the above by phone or in person to receive same. Details are finalised for the Christmas draw and tickets will be available shortly priced at only £1 so buy early as this year we have a record number of prizes on offer.

### Excellent Away Win For Young Blues

Piltown 0 Dungarvan 1

Our travels in the schoolboy cup brought us to Piltown, Co. Kilkenny, on Saturday last. This time last year we took on the same opposition only to lose out by one goal in what was one of the best cup games in a long time.

This time around the home side were a solid outfit and from the start they tried to force the issue. But Dungarvan tore up the script to take the lead through a fine Jamie Cullinan effort. Half-time came and the young Blues took a well earned rest to set themselves up for the second half.

As we expected the home side pressed again on the resumption but try as they might they could not breach a magnificent Dungarvan rearguard. Both teams swapped possession many times during the game, such was the pace of it. When the referee blew the final whistle the elation from the Blues could surely be heard back in Kilrush Park.

Each player can be proud of the enormous effort that they put in to achieve a fantastic result.

Dungarvan: J. Reynolds, K. Wall, C. R. Power, T. Lynch, I. Duggan, S. Whelan, B. Hourigan, J. Byrne, J. O'Keeffe, J. Cullinan, M. O'Mahony, B. Scanlon, B. Foley, R. Barton.

**DISCO**

Last Friday we held a schoolboy disco in the clubhouse only for a very small crowd to attend. Some great tunes were blasted out by the Duggan Brothers to the delight of the few that attended. Hopefully next time a bigger crowd will attend.

## WEST WATERFORD ATHLETIC NEWS

# Century Homes Five Counties '5' This Sunday

All roads lead to Dungarvan this Sunday, October 21st for the West Waterford A.C. promoted Century Homes Five Counties '5' miles cross country event. This is the first major cross country run of the season and it caters for just about everyone. Runners from countries Waterford, Tipperary, Kilkenny, Wexford and Cork will toe the starting line at 2.30 p.m. to cover the four lap course at the well appointed St. Augustine's College venue in Abbeyside.

The organisers have attempted to make the run attractive to every class of runner. The distance is a reasonable five miles or 4km for beginners. It caters for the inter county runner, to the club runner, to the jogging participants, to the beginners and there are interesting sidelines to the different categories which should attract a good entry on the day.

## Joggers And Beginners

In keeping with the long established policy of West Waterford A.C. in catering for all category of runner and encouraging newcomers to the sport, a special welcome is extended to joggers and beginners on Sunday. Nobody will go home empty handed literally as every finisher will be presented with a quality sports water bottle and with their finishing time for the course they choose. The beginners can choose a two lap (4km) or the four lap (5 miles) course and the leading male and female beginner will be awarded prizes. The beginners category is confined to those who have taken to running in the past few weeks and those who have yet to start!

## Presentation Of Prizes

The presentation of prizes after Sunday's race will be held in The Lady Belle, Grattan Square, Dungarvan. In keeping with the West Waterford policy each athlete can receive one prize only. Additional prizes will be presented in the individual category in order of finishing. Entry fee to the race is £5.

In this their ninth annual run, West Waterford A.C. would like to thank their sponsors Century Homes, who are our sponsors for the second year and whose generosity has made the race possible.

## INTER COUNTY EVENT

With the Munster Novice and Under-23 championships and the National Senior inter counties championships being held at the venue in the coming weeks, Sunday's run is an ideal trial for the participating counties. The home county, Waterford, are staging their trials for those races on Sunday and the horses for courses idea should give the selectors valuable information for the upcoming races.

We can safely say that there has never been an inter county race like this before as the scoring teams will consist of six men and two women and this should make for a very keen inter county contest.

## INTER CLUB RACE

With the novice races in Munster and Leinster only two weeks away, the participating clubs will be anxious to get their teams organised and what better way to do this than to take a run over this championship renowned course. The club teams will consist of three scoring members for the ladies and four scoring members for the men. The veteran categories are over-40, over-45 and over-50 for the men and over-35, over-40 and over-45 for the ladies.

## INTER CLUB MATCH

Sunday's race will feature the 1st leg of a team match between West Waterford A.C. and St. Senan's A.C., Kilmacow. The second leg will take place at the St. Senan's fixture in Kilmacow on Sunday, November 11th. Every runner counts in this match. If a club has ten runners, then the ten of them will count in totalling the points. The combined totals over the two days will decide who will be the winners of the Ryan Brothers Shield.

## DWYER FAMILY SHIELD

This category is confined to current members of West Waterford A.C. and it is a local area match which has been held since the inaugural race back in 1993 when Abbeyside beat their keen local rivals Dungarvan. The other participating areas are Ring, Brickeys, Cappoquin and the event favourites Ballinroad/Ballinacourty. The Dwyer Family Shield will be awarded to the winning team of four and our thanks to the Dwyer family for sponsoring this section of the race.

## WATERFORD SENIOR CHAMPIONSHIP

Sunday's race will also incorporate the Waterford Senior and Vets Cross Country

## CASH BONUS FOR COURSE RECORD

This race was first run in 1993 and the course record of 25 mins. 55 seconds for the five mile trip was set by John Daly (Nenagh Olympics) in 1997. The race winners to date are:

1993 — Gerry Cantwell (West Waterford); 1994 — Mark Radley (West Waterford); 1995 — Kieran Maher (West Waterford); 1996 James Sullivan (Waterford A.C.); 1997 — John Daly (Nenagh Olympic); 1998 — James Sullivan (Waterford A.C.); 1999 — David Dunne (Cloncliffe Harriers); 2000 — William Harty (K.C.K.).

A cash bonus of £100 will be presented to the first runner to break the course record and this should encourage some quality running up front.

Championships. This has been the case for the past number of years and it has given these championships a new lease of life with record numbers running in recent years. Last year's championship was won by William Harty (KCK) who secured his first title at the expense of reigning champion James Sullivan (Waterford A.C.) who was seeking his tenth title and no runner has won more county titles than the Waterford athlete.

## 58th RUNNING OF SENIOR CHAMPIONSHIP

The Waterford senior championship has been run since the 1942-43 season and thanks to County P.R.O. Fintan Walsh the full list of winners is now available to followers of the sport in the county. Sunday's race will be the 58th running of the championship. There wasn't any championship in the season 1947-48 probably due to the heavy snow of '47 which older readers will remember.

The favourite for Sunday's race is without doubt the holder William Harty and if he is to be pushed it should be his brother Philip who will do so. I'm sure Philip would like to join the long list of winners of this historic championship. A surprise entrant could be the long time out of action James Sullivan who would be very keen to secure that elusive tenth title. If full teams are available the inter club award should be a close affair between West Waterford A.C., K.C.K. and Waterford A.C. The fixture also includes the ladies senior championship and the veterans mens and womens championships. The race starts at 2.30 p.m. and it is hoped that a special guest will be present to act as race starter and to present the prizes afterwards.

## WEST WATERFORD ATHLETIC NEWS

## AUTUMN BEGINNERS LEAGUES

# Paul Stephenson Pushes The Pace

Ring/Old Parish under age runner Paul Stephenson set new figures for the four lap league last Wednesday evening when he clocked a very impressive 28 minutes 36 seconds on a course that should be getting actually slower as the recent heavy rain begins to take its toll. However this did not effect Paul as he ran 5 mins 57 seconds per mile which outlines his undoubted potential over the longer distances.

The improvement in fitness levels right throughout the leagues continues with personal times being recorded every week. This had come about as the runners are getting stronger and loosening out as they develop their own natural stride. All the beginners will tell you that they are feeling much fitter and healthier than they were six weeks ago so why not join the latest 'West Waterford Fitness Movement' any Wednesday evening at St. Augustine's at 6 pm. We have two nights remaining in this league and then we move to the Dungarvan Crystal Sports Centre for the big one - the Allrounder Winter League.

Newcomers last week included Niamh Murphy, Collette Whyte, Moira Curran, June Whyte, Siobhan Kirwan, Gerry and Margaret O'Mahoney, Emer Connery, Kate Connolly, Laurence Fitzgerald and Thomas Duggan to bring the league total to date to an all time record of 122 runners.

Our end of leagues night out will take place in the 'Bean a Leanna', O'Connell St. Dungarvan on Friday week the 26th October from 9 pm during

which the presentation of prizes for the Autumn Leagues will take place. A presentation will be made to the winning male and female in each league and a draw for our new club tracksuit will be made amongst non prize winning Autumn league participants who have run four or more nights of the league and who are present at the presentation of prizes.

## SYMPATHY

Sincere sympathy is extended to our club treasurer Mary Rose Drummy, her sister Carrie Foley and Nuala Ryan and other family members on the death of their uncle Danny Cotter, Ballinamult last weekend. Sincere sympathy is also extended to the wife and family of Paddy Cummins, Dungarvan who died last week. Formerly of Waterford Coop, Paddy was a good friend to Waterford Athletics over the years.

## RICHIE RANG FROM CHINA

Club member Richie Power contacted the club last Sunday morning with the good news that he completed his marathon there for Enable Ireland in the fine time of 3 hrs 23 mins. Well done Richie.

## PADDY JOE DELANEY SHIELD

The Paddy Joe Delaney Memorial Shield, donated by the club in memory of our former runner and supporter who was tragically drowned earlier this year will be contested twice annually. The first club member to finish the Dublin marathon and the Ballycotton ten in March will be presented with this Shield. It will be first contested on this October Bank Holiday Monday, October 29th when this year's Dublin Marathon will be held.

## OFF TO NEW YORK MARATHON

Best wishes to club runner James Veale who is currently putting the finishing touches to his preparations for the upcoming New York Marathon in early November. James had a great run in the National Marathon in Dungarvan last May, a race that was a big organisational success thanks in main to the hard work for many months that James put into it.

## CONOR FRENCH ELECTRICAL LEAGUE

## Pádraig Healy's Team Take Lead

With 4 rounds of the Conor French sponsored Juvenile Cross Country League now completed Pádraig Healy's team have moved into a 14 point lead. Trevor Hennessey's team hold an 8 point lead over Sarah Flavin's team for second place. With two more rounds to be completed it looks to be between these three teams for the two team prize. Top individual performances came from Mark Shalloe and Ferdia O'Haoda who recorded a very fast 7.16 and 7.17 respectively. Ciara Harty and Elaine Moore also showed considerable improvement to knock in excess of 40 seconds of their previous best times. A further 8 athletes also ran P.B.'s. They were Sarah Flavin, Derbhla Ni hAodha, Vivian Fitzgerald, Darragh O'Riordan, Catherine Murray, April Duff, Ciara Scanlan and David Collins. There are just two weeks left for athletes to set a new P.B. and with ground conditions getting worse it won't be easy.

## CREDIT UNION AWARD WINNER

Congratulations to club athlete James Leddingham who is the Dungarvan Credit Union Athletic Award winner for the month of September.

## RAY MCCONNELL RUNS LONDON TO BRIGHTON

Well done to club runner Ray McConnell who finished third in this category and fourteenth overall in the famous 55 mile London to Brighton run last Sunday week. The race was held in the worst weather conditions of the fifty year history of the event with the runners having to contend with gale force winds which knocked the results tent and the finishing banner but not our Ray as he was one of the 79 runners out of an entry of 139 to finish. The winner was Andy Katsyba of Ukraine in 6 hrs 42 mins 13 secs (7 mins 18 Secs per mile) while Ray's time was 8 hrs and 14 seconds which is 8 minutes 43 secs per mile including a 3 hrs 48 minutes marathon. Well done Ray.

## MUNSTER NOVICE AND UNDER 23 IN DUNGARVAN

If you are capable of running at this level and you are a real West Waterford A.C., club man then there is only one place to be on Sunday November 4th and that is St. Augustine's College when the above championships will be held.

For the year 2001 the club are currently leading the best overall club at Munster level and it is vital that we pick up some points at the championships to secure that victory. Sunday's Century Homes race is our club trial for the Munster Championships so get yourself in gear and give the club the support it deserves.

The Munster Novice and U-23 ladies race will be held over a distance of 3,000 metres at 1 pm and the mens race will be run at 1.15 pm. The club won the mens Novice titles in 1996 and 1997 and our only runners not eligible now is Philip Harty who was on both of those winning teams.

## FINISHING CHIP FOR BALLYCOTTON

In next years Ballycotton 10' each runner will have a finishing chip (not a County Council one) an his/her shoe which will click in when they pass the starting line which could be a few minutes after the first runners start. This will give everyone an accurate finishing time. This is an expensive facility so the entry fee will be £3 extra per runner. However considering the already modest Ballycotton entry fee, this will not break the piggy bank. Advice: When you get your entry form, post it back that day to secure your entry.

## JUNIORS WIN CO. JUNIOR TITLE

Well done to our junior runners, Jimmy Fitzgerald, James Leddingham, Liam O Lonain and Paul Stephenson who won the County Junior Cross Country Championship last Sunday at St. Augustine's College. All four are members of Ring/Old Parish A.C. Juvenile Club who are and have done great work in the promotion of juvenile athletics.

## COMPUSTORE SPONSOR LAPTOP COMPUTER FOR WEST WATERFORD A.C.

We would like to say a big thank you to Compustore in Waterford city who have generously sponsored our new laptop computer which we received recently. With the amount of events we stage every year it was important that we join the I.T. age and this should now lessen the workload on those dedicated few who look after the organisational side of all our events. As with all our sponsors we would ask our members to give Compustore in Waterford their support if the opportunity arises.

## THIRTY YEARS AGO THIS WEEK

## Treacy Twins Score Double

The first section of the Waterford B.L.O.E. boys and girls cross country championships held at St. Patrick's Park, Dunmore Road, Waterford last Sunday (October 17th 1971) attracted an entry of over 230 athletes from all over the county.

Honours were shared by several clubs but pride of place went to the Treacy twins from Villierstown, John and Elizabeth who scored a double for their club, St. Nicholas A.C., Ring.

Diminutive John captured the boys U-15 title over 3000 metres from his team mate Kevin Curran. Over the same distance, his sister Elizabeth captured the girls U-15 title at the expense of Helen Burke (St. John's Park). ## PEARSE MOLONEY WINS OCTOBER MONTHLY MEDAL

The 18 Holes Stroke Monthly Medal for October kindly sponsored by the E.B.S. Building Society was won by Pearse Moloney playing off (8) with 69 nett. Pearse, second in the Presidents Prize and third in Golfer of the Year, went to the turn in 40 shots with a fine birdie on the 8th. Pearse played tremendous golf on the back nine which he covered in 37 shots with birdies on the 15th and 18th.

Pierce highly consistent throughout the entire season deserved this prestigious win. In second place was long hitting Aonghus Walsh (10) also with 69. Aonghus had a fabulous front nine of 37 shots, with a great birdie on the fifth. The gross was won by order of merit winner and rising young star Kevin Stack with a 78, interestingly enough beating his brother Tom on the breakdown.

## TOM QUINLAN CONTINUES TO IMPRESS

The 18 Holes Singles Stableford Competition played on Saturday was won by Tom Quinlan playing off (14) with 38pts. Tom fresh from his great win in the September Monthly Medal, continues to impress and after a modest opening nine of 16pts he exploded into action on the back nine covering it in 39 shots for a huge total of 22pts.

Tom had fine pars on the 10th, 13th, 14th, 15th, 16th and 18th and this tremendous prospect sees his handicap move nearer to single figures. In second place was 'steady as a rock' Michael Flynn (5) also with 38pts. The powerful hitting lefthander had halves of 18 and 20pts, with a birdie on 13th and 13 great pars. The gross was won by Tom Melody Jr, who was around in 76 on his way to 32 pts.

## DAVID WALSH RETURNS TO FORM

The 18 Holes Stableford competition played on Thursday was won by David Walsh (12) with a fine score of 40pts. David, the large part in the 'Little and Large' operation in Lower Main Street, had 18 points on the front nine with a birdie start.

David came into his own in the back nine, which he covered in 38 shots, with a fine birdie on the 13th for 22pts. It is nice to see this popular club man back to his best. In second place was John Moroney (7) with 38pts. John had 21 pts on the front nine with a birdie start.

## ASHES SUCCESS FOR DUNGARVAN

The second leg of the Annual 'Ashes' match against Lismore was played last Saturday. Following the first leg, played in Lismore, Dungarvan found themselves with a mountain to climb as they trailed by 20 holes. If Dungarvan were to have any chance tough decisions and wholesale changes would have to be made. Incoming captain Liam Fitzgerald made 5 changes electing to go with experience and drafted in Aonghus Walsh, Eddie Elstead, John Norris, Tony Keane and club president Tom Coffey. Liam's precision decision making (he told me himself!) was to prove the turning point and Dungarvan won on the day by 33 holes and so had an overall win of 13 holes. This masterful tactical manoeuvring by Liam augurs well for his year of captaincy.

The club wishes to thank Lismore for the great fun and craic on the day and looks forward to next year's contest.

## DUNGARVAN REACH SOUTH EAST LEAGUE FINAL

Dungarvan Golf Club will play the final of the South East League in East Cork Golf Club, Middleton, on Sunday next the 21st October against Harbour Point. There is a very interesting format for this competition in that you have 3 Bruen pairings and 3 Purcell pairings.

The managers of the Bruen team Des Cleary and Eugene Slater and the managers of the Pierce Purcell team Martin Lynch and Jimmy Wemyss deserve great credit for guiding their forces to the final. The off time on Sunday is 12.30 p.m. and the team would appreciate a good local support. My predictions of late have been good and I predict a win for Dungarvan on Sunday.

## SOUTH EASTERN SENIOR ALLIANCE

The President's Prize of the South Eastern Senior Alliance, kindly presented by our own Club member Tony Brady, will take place at Dungarvan Golf Club on Sunday 21st October. Dungarvan Golf Club this year, also has the distinction of having our Club Pro David Hayes as Captain of the Alliance.

# St. Augustine's College Win Tom Healy Golf Shield

At beautifully prepared Tramore Golf Course last Wednesday, the golfers from St. Augustine's College, Dungarvan, were victorious in the Waterford Schools Golf Competition, the Tom Healy Shield, sponsored by the EBS. The Dungarvan team finished level with the highly fancied team from Tramore C.B.S. With a 3 card total of 10 over par, the issue was then decided on the 4th card, with young Seamus Power from the West Waterford G.C., deciding the match with a birdie on the last hole with his chip nearly going in the hole for an eagle.

This competition which promotes golf in Waterford schools has been played for the last 10 years, and this year 12 teams from around the county met to

decide the winners. The best 3 cards from 4 counted. The St. Augustine's team was made up of Eoin Ryan (1); Sean Fleming (3); Seamus Power (5); and Michael Flavin (6). Eoin Ryan birdied the last three holes for a 75. Michael Flavin from Youghal also had a fine 75 and Sean Fleming also from the West Waterford had a 76. The issue was then decided according to the rules on the 4th Card with Tramore C.B.S. having an 82 in the clubhouse, along came young Power to birdie the last and pip the Tramore team by a shot. Clancy Bowe, who was Captain of the Great Britain & Ireland Boys Team this year, shot an impressive 69 gross, the best score of the day. The boys from De La Salle, Waterford won the best net

team score.

Rarely has such a team competition finished in such excitement, with the players from each team urging each other on over the last few holes. St. Augustine's team captain on receiving the Tom Healy shield thanked the organiser Pat McEvoy, Tramore C.B.S. and Wally Bates, the captain of Tramore Mr. K. Murray for their hospitality and his team members for their performance on the day. St. Augustine's B team also performed well with William Morrissey having an 81; David Troy 81; Brian Morrissey 82; and Des O'Rourke 83.

The competition proved very popular with all the participating schools. Overall, a great day was had by all.

WATERFORD TUESDAY OCTOBER 10TH 2002

## Exciting Debut By Knockeevan King

Racing on last Tuesday nights ten race start got off to a bright start with the three first round heats of the Dairyland Unraced event which carries a first prize of £800 for the eventual winner. Boasting a speedy 28.81 trial on his book Sanyo Flight was a warm order at 4/6 in the first of three heats but after a slow start and early crowding the jolly was all at sea and finished a moderate third in the finish. The Bradley Smith owned and Mike Gallagher trained I Should Coco (Pepes Dilemma-Dilrock Fondo) 3/1 wasn't hanging around in trap five as he quickly motored into a clear lead over Jerpoint Tinrah to scamper clear for an easy eight lengths victory in a pleasing 29.05.

Much was expected from the Tom Flaherty owned Knockeevan King in the second heat this May black son of Knockeevan Star and Knockeevan Lucy duly produced the goods justifying odds of 6/4 with a fine display of early pace to win out in a smashing 28.75. The runner up Lemon Suspect 4/6 lost nothing in defeat running a cracker in second spot staying on stoutly at the death but this was "Knockeevan's" night as he came out on top by a length.

In the concluding heat 2/1 chance Wagga Lady (Smooth Rumble-Meala Fantasy) 2/1 owned by Joan Molloy made no mistake from trap two coming away smartly to make the first bend ahead of Elteen Marell and despite a late run from Leannes Glory Wagga Lady proved full value for her length and a half win in 29.52.

County Wexford owner Vincent Morris enjoyed a nice double courtesy of Bing Chandler and Bing Melody both winners being members of the September 99 litter by Lassa Java and Hedsor Cleo and both winners were returned at odds of 3/1. The quietly backed Magical Hands broke smartly in a 300 yard sprint but the early pace of Bing Chandler saw the Model County runner burst into the lead to run out a length and three quarter winner in 16.64.

In the ninth event Get Him Ready and Valentia Topper took each other on up front down the back stretch but while this pair were disputing the running Bing Melody sprinted to the head of affairs running out a two lengths winner over Valentia Topper in 29.74.

5/2 chance Best Wine (Toms The Best-Bellingham Rose) owned by Maureen Sagar made the best possible start from trap three in the fifth leading all the way for an easy six and a quarter lengths win over Kiwi Tara in a career best time of 29.30.

A fast starting Fan Tan led her rivals a merry dance for three-quarters of the trip in the sixth contest but the early pace took its toll on the leader in the closing stages as the John Buckley owned Ballyhane King (Beach Prince-Ballyhane Karen) 3/1 finished full of running to outstay Fan Tan by two lengths in 29.60.

In the seventh contest Bosheen Merson cut an early dash over Jeffys Puff and Wontbegonelong but the whole complexion of this race altered off the final turn as track newcomer Floodhall Lad (Smooth Rumble-Lucky Number) 4/1 owned by the Seven Springs Syndicate swept into the lead for an easy two lengths win over Jeffys Puff in 29.39.

The sprint traps were back in action for the eight event as the Gareth and Dean Hepburn owned and Peter Brady trained fast starting Gardean Rocket (Shanless Slippy-Flower Girl) 5/2 could afford the luxury of staying wide from trap two and when a close running Montos Nikita lost ground at the opening turn "Gardean" skipped clear for a two lengths success over a wide running Jumbos Dot Com in 16.90.

In the tenth race the Kilkenny greyhound Bohemian (Mustang Jack-Cryforthecrown) 3/1 to 6/4 landed some tidy bets for connections this Pat Callanan owned dog outpacing her rivals to the opening turn before holding the late charge of an unlucky in running Hans Porche in a very respectable 29.17.

WATERFORD SATURDAY OCTOBER 13TH 2001

## Major Win For Minor River

There was a first prize of £600 on offer for the winner of the Sonny Ryan Memorial Stake over 550 yards in Kilcohan Park on last Saturday night and while the lightly raced Minor River (Mustang Jack-Minor Lady) was the only finalist without a win on his card the Donal O Connor owned Minor River certainly put the record straight with an emphatic trap to line victory in an eye catching time of 30.02.

Bombing away from trap two Minor River 4/1 was in complete control throughout and despite the best efforts of Regal Wally Minor River was not stopping up front eventually winning out by two and a half lengths. After first bend trouble Looprevil ran on well into third spot.

County Cork trained Mick Hoy was in double winning form sending out a brace of winners courtesy of Imagine Lass 6/4 and Springfield Bud 4/1. The Henlow Syndicate owned Imagine Lass (River Of Fortune-Smokey Maeve) shaded the opening bend from a tightly packed bunch in the second event and making the best of her way home Imagine Lass won a shade comfortably by three and a half lengths from a fast finishing Scintillas Lilac in a career best return of 29.21.

A wide running Active Shannon took over in the lead from the early pacesetter Spartica in a 730 yard marathon but bidding her time the Bertie and Mary Hanrahan owned Bud Springfield (Come On Ranger-Springfield Jill) 4/1 gradually hauled in the leader to come through for a three lengths victory in 41.31.

The opening race of the night was a thrilling affair from the outset. Arrigle Giant and Pavilion Lady had this contest to themselves from a long way out with the Tom and Emer Hally owned Pavilion Lady (Some Picture-Pavilion Girl) 5/1 getting the better of the argument right on the winning line to triumph by the minimum distance in 29.36.

3/1 chance Scintillas Byron (Some On Ranger-Scintillas Glow) 3/1 made maximum use of his early pace for Dungarvan owner Christy Gee to gain a winning 29.40 bracket in the third contest. Having shaken off the back stretch challenge of His Chum "Scintillas" needed to be at his strongest in the closing stages to withstand the late run of Whitegate Navy who failed by a short head to open his account.

Peter Hattemore's O Learys Lass (Raging Prince-South Lodge Lady) 3/1 made it two victories from just three outings capturing the fifth contest in a career best 29.11. Lough Honcho set the early pace here but O Learys Lass glided into a back stretch advantage to race on for a well deserved three and three-quarter lengths victory over Lough Honcho.

Races six and seven were semi finals of the Red Mills Breeders Cup Trial Stake over the two bend 300 yard trip. Newline Valley was installed as a raging hot 11/10 favourite in the first semi final but she lost all chance of victory with a slow exit from trap one. It was left to the fast starters Magic Spice and Philips Jewel to fight out the finish and in a driving finish the Marie O Connell owned Philips Jewel (Vintage Prince-Glinabby Misty) 5/1 came out on top by the minimum distance in 16.63.

Only four runners went to traps in the second semi final and in a one sided contest Vigorous Flower (Eyeman-Step and Go) the 6/4 favourite owned by Golden. County Tipperary based Ronny Wayts flashed clear from trap six for a polished three lengths win over Barbies Bluebird in 16.43.

In the ninth race Hairy Spice and Morris Arms were up front for most of the trip and with this contest going all the way to the wire the Hairy Syndicate owned and Liam O Callaghan trained Hairy Spice (Mountleader Peer-Westmead Slick) 2/1 boxed on in fine style to land the spoils by a neck in 29.08. Bearnabui Ted ran yet another good race to finish a close up third.

Favourite backers ended proceedings on a winning note as the John Lynch owned and Ian Seymour trained Scotias Grave (Pepes Dilemma-Scotias Glen) justified 6/4 favouritism with an impressive pillar to post victory in a smashing 28.86. Ritas Pier and Southlodge Louie gave chase down the back but Bearnabui Kate finished best of all to move within two and a half lengths of Scotias Grave at the winning line.

## Red Mills Breeders Sprint Final

The all important trap draw for next Saturday nights final of the Red Mills Breeders Cup Sprint Trial Stake at Waterford track is as follows.

- 1 Mountview Bianca
- 2 Barbies Bluebird
- 3 Newline Valley
- 4 Magic Spice
- 5 Philips Jewel (W)
- 6 Vigorous Flower (W)

On the basis of her semi final performance Vigorous Flower is certain to start a warm favourite but do not rule out the chance of Newline Valley drawn in trap three. This lady made a hash of her start in her semi final but warrants another chance from a middle draw in the final and is my idea of a sound each way investment.

## Dungarvan Crystal Squash & Leisure Notes

Yes, the evenings are getting darker, the sound of squash balls are pounding off the 2 courts. It only means the season has begun.

Posted on the notice board are details on the forthcoming squash and racquetball ladder. This will probably commence in the next fortnight as we may have a team tournament taking place next week. Keep checking the notice board for more details.

So much has happened since the Crystal invitation. The much delayed youth's Irish Open took place in Carlow LTC. The 'young guns' travelled and did well. A report will be done when I get all the details off Georgie - who's very busy at the moment!

Brian "Cogs" O'Connor represented his club Sutton, Dublin, in France and by all accounts had a fantastic few days in the love city of Europe.

Two of our players got mar-

ried recently - namely John Reynolds and Niamh McMahon. Congratulations to both of you and best wishes for the future from the club.

Many of our players are playing their first tournament of the season in the Munster Open being held in Cork this weekend. So as I write this, we wish Ray, Kevin, Niamh the best of luck.

Also the Crystal may be entering a team in the Cork leagues. Anybody interested and willing to travel should contact Niamh at 087 6792321.

### A NOTICE TO ALL PLAYERS

As members are up this year and courts will be fully booked, we remind all players when booking your game, be on time, it will just make it a lot easier for everyone involved.

So until next time, keep squashing.

## RING/OLD PARISH A.C. NOTES

The club had another very successful day at the County Uneven age Juvenile Cross Country championships at the Friary College on Sunday. Mark Shalloe added the U-11 title to the U-12 one he won the previous week. Ferdia O'Haoda who Mark just pipped in the U-12 race last Sunday week moved up to U-13 this week and just got the better of Conor McGrath of K.C.K. after a tremendous battle. Mark and Ferdia will go to the U-12 Munster Championships next Sunday full of confidence and both should be well up if they produce their best form. Ferdia also led his team to the gold medals with Ed Ledingham 5th, Brian Curran 6th and Eoin Brackett 8th. We also won the U-15 team prize with Stephen O'Connell having a great run to finish 2nd and Trevor Hennessey also showing improved form to claim the bronze medal. The scoring was completed by Shane Power 5th and Pádraig Healy 6th. Newcomer Shauna Curran made an excellent debut to claim the bronze medal in a very competitive girls U-11 race. Our team of Shauna, Emer Scanlan, Ann Marie Hennessey and April Ledingham were unlucky to lose out by a couple of points on team medals. Ann Marie Jordan was 3rd in the U-15 girls race with Derbhla Ni Haoda 5th, Eanna Kelly 6th, Daniel Mulcahy 7th and Sarah Kate Ledingham 10th in their respective races. All these will improve considerably with the experience of a few more races. The Junior Co. Championships were also run off. In the girls race Triona Shalloe beat sister Tracy in a sprint finish after running at a very sedate pace throughout. In the boys race Jimmy Fitzgerald was 3rd, James Ledingham 4th, Paul Stephenson 5th and Liam O Lonain 6th.

### MUNSTER CHAMPIONSHIPS

Next Sunday we are off to Kilmallock for the U-8, 10, 12, 14, 16 and 18 Munster Championships where hopefully we will have some medal winners and get a few qualified for the All Irelands. Travel arrangements will be made known at training during the week.

## West Waterford Autograss Ltd

### ANNUAL GENERAL MEETING

On Sunday October 21st at 2 pm sharp, West Waterford Autograss are holding their AGM In Roses West End Bar, Lismore. It is often perceived that clubs are run from behind closed doors by a group of dictators, this is not the case and especially not in West Waterford where everything happens out in the open. So to all present members if their is anything on your minds that you think would improve the club or its racing please come along and let us know. This makes things easier for us all later on. Also to anybody who thinks they have something to offer the club and would like to join please come along also. Even though the clubs main aim is to promote Autograss racing, there are many other interests within the club. Also with over 100 members it is a great opportunity to meet people in a friendly and social atmosphere. So lets see all the members and potential members in Roses West End Bar on this Sunday October 21st at 2 pm.

### SUNDAY SEPTEMBER 30TH

West Waterford held their final days racing of the 2001 year. With the

weather having been bad the previous week the club were fortunate that Sunday just stayed dry. With the track in as good as condition as it was all year the smoothness was to suit the minis in class 1 with Willie Houlihan taking the narrow win from Paul O'Donnell with the first of the Fiats in 3rd with Lee O'Donovan. Class 2 was full of surprises with Corks Fergus Tanner winning from WW123 Pádraig O'Gorman. Martin Fitzgerald continued his good form in 3rd. Mike Whelan realised his potential at last and won Class 3 from Trevor Cusack. So often this year Mark Nugent and Vincent Meagher have so often been joined on the track that this time they decided to share 3rd. Class 5 saw Paddy Nugent win from Mark Collins with the ever improving Mark Linehan in third, Mark Cusack continued to impress in Class 6 with another win this time from Martin O'Mahony. The Kelly brothers again headed Class 7 with Johnny winning and Dermot 2nd. Mark Kelly used his new special to good effect to win Class 8 from Martin Browne. John Delaney took his first win in Class 9 from our newest member Ger Barry in the Ex-Danny O'

Rourke special. Jimmy Fuller won Class 10 from the flying Niall Smith. Again we had two grids of juniors, with Alan Houlihan winning the A final form Jason O'Brien and Sean O'Sullivan. The B final went the way of Shane Houlihan with Owen Murphy 2nd and Jamie Condon 3rd in an evergreen 127.

The ladies also had a massive grid with Corks Sarah Sinnott 1st from Bridget Fuller with Anna Shannon and Alice Prendergast sharing third. With some fabulous racing and some new cars on show it turned out to be a brilliant day. This was to prove a fitting end to 2001 and hopefully the footstep of the best year ever in 2002. Lismore Hotel were the kind sponsors of this brilliant event.

### REMAINING EVENTS

There still are two important events left this year with the AGM on this Sunday at 2 pm in Roses West End Bar, Lismore. Don't forget! Also left is the Annual Dinner Dance and the presentation of the driver of the year awards, on in Lismore Hotel on November 23rd. Tickets will be available from all club members.

## Waterford Hot Rod Club

Last Sunday saw another well attended race day at the Pike track. Having had a wet start to the morning the rain held off well for the afternoon but the wet track surface made for slippery conditions for the earlier races and saw some thrills and spills in the first juniors race.

This was the penultimate round of the Driver of the Year championship and with just one round left to go on there are still some class titles down to last race meeting. Racing was kindly sponsored by Karl Baumann Crash Repairs in Dungarvan.

The results were as follows; Championship races

Class 1, 1st 473 Willie Houlihan, 2nd 374 P. J. O'Sullivan, 3rd 77 Alan O'Shea. Class 2 1st 196 Pat Browne, 2nd 327 Jimmy Browne, 3rd 393 Kenneth Walsh. Class 3, 1st 190 Jamie Cusack, 2nd 188 Alan Kinsella, 3rd 53 Geoff McCarthy. Class 4, 1st 440 Owen Mulcahy, 2nd 19 Willie Bumster, 3rd 122 Gerard O'Connor. Class 5 1st 173 James Flynn, 2nd 9 John O'Connor, 3rd 368 Ray Darcy. Class 6 1st 593 Donal Linehan, 2nd 19 Mike Moore, 3rd 184 Tom Kenneally. Ladies 1, 2, 3, 1st 189 Veronica Tobin, 2nd 30 Sandra Clancy, 3rd 374 Bernie O'Callaghan. Ladies 4, 5, 6, 1st 596 Mary Moore, 2nd 19 Geraldine Bumster. ## Meeting Arranged On Future Of Multi-Million Power Plant

### Unemployment Issues Discussed With Tanaiste

By Kevin Kirrane

A meeting will take place between County Manager, Donal Connolly and Dungarvan Energy Ltd on Tuesday next where a definite time-frame for construction of the gas-fired power plant as well as the energy companies current difficulties will be discussed.

Dungarvan Energy Ltd, an

Irish business consortium, which includes Rolls Royce Power Ventures, was due to begin construction of the country's first gas-fired power station this month.

However, although the £80 million power plant was granted planning permission last year, a High Court appeal by a local resident has delayed this

date.

One of the instigators of the meeting with Dungarvan Energy, Cllr. Billy Kyne has said that "to advance Dungarvan and respond to the recent job losses across West Waterford, the Government must fully investigate the potential of the Dungarvan Energy project, and work with all the players to bring it to a successful conclusion."

There have been some doubts about the ability of Dungarvan Energy Ltd to connect with the national grid because of what they have described as the unrealistic cost on the link by Bord Gais.

This delay and uncertainty, Cllr. Kyne said was unhelpful and counterproductive. "The dividend from natural gas for Dungarvan is obvious," he said "and is in my view attainable."

The go-ahead of the Power Plant, Cllr. Kyne said is of vital importance, as despite Century Homes and Microbrush, Waterford Foods has not been effectively replaced. Along with this, the IDA has failed to introduce an industry in Dungarvan since 1985, he said.

This failure was highlighted to Tanaiste Mary Harney during a twenty minute meeting with Dungarvan Urban Councillors on Friday last, by Cllr. Michael O'Riordan.

"There are currently 922 signing on in Dungarvan", he told the Tanaiste "there will be another 104 laid off by Stafford Miller bringing unemployment in the town to almost 1,100 out of a population of 7,000. This

rate of unemployment is unacceptable by any standards".

A possible tenant for the Advance factory was also discussed and speaking later to the Dungarvan Leader, the Tanaiste said "a lot of possible tenants have come and looked at the Advance Factory but they haven't invested."

However, she said it is difficult to attract outside investors to the advance factory as they are not inclined to set up in smaller towns. "But I am optimistic that we will get a tenant for the factory. It has just taken longer than we would have wished", she said.

The possible tenants she has in mind are engineering and technology firms, which she hopes will locate on the IDA site "in the not too distant future".

The Tanaiste also advised the Urban Council to invite Enterprise Ireland to a future meeting and Cllr. O'Riordan said that this is likely to happen in November when it is hoped some advances are made.

This meeting as well as the setting up of a Work Group, which would involve all sections of the community, should happen along with the foundation of a FAS training centre in the town, according to the Chairperson of the Urban Council Cllr. Teresa Wright.

"I've been working with FAS for the past few years", she said "and I believe they would be interested in coming to Dungarvan and having an on-going training centre here".

## No Stradbally Crime Spree Despite Loss Of Garda Station Says Chief Supt.

By Kevin Kirrane

Fears that Stradbally has been neglected by An Garda Síochána following the loss of a Garda Sergeant in the town appear to be unfounded, according to the Chief Superintendent John O'Halloran.

The issue originally came to a head earlier this year when the resident Garda Sergeant in Stradbally retired and was not replaced, but when contacted by Deputy Austin Deasy, the Chief Superintendent said that there has been no noticeable increase in crime in the area.

The Chief Superintendent said that the situation in Stradbally has been monitored over the past few months by Superintendent Howard but no increase in vandalism or crime was found.

"The area is receiving attention from Gardai in Kilmacthomas under Sergeant O' Sullivan, in Kill under Garda Halpin and particularly by Garda Sweeney in Leamybrien, who has specific responsibility for the area", he said.

Chief Superintendent John O'Halloran also said that Superintendent Howard has ongoing contact with local people in Stradbally.

"I am satisfied that the Garda service in Stradbally is adequate at the present time", he said "and indeed it is probably getting more attention now than in the past because of the involvement of so many members from adjoining areas."
