## Construction On Lismore Community School To Begin In Two Weeks

### KEVIN KIRANE

After years of delays, frustration and in some cases opposition to the project a date for the start of construction on a new community school in Lismore has finally been set for two weeks time.

In what has been hailed as huge educational development for the town the new £4.81 million school will see the amalgamation of CBS Lismore, Presentation Convent Lismore and St. Anne's in Cappoquin.

The Community School, itself, will be located on the site of the present CBS Lismore and will cater for 650 students and will be staffed by sixty teachers in a project to be constructed by McInerney Construction.

The first phase of the project will see the demolition of the Christian Brothers Pri-

mary School which has been unused since the CBS and Presentation primary schools amalgamated some time ago.

The Christian Brothers secondary school will also be eventually demolished to make way for what will eventually be a state of the art 3,481 square metre building. However while it was previously hoped that construction would be completed in time for the start of next years school year it now looks likely that the building won't be completed until 2003.

The Community Centre was first mooted 16 years ago but funding was not available at that time. Opposition was also raised to the project from some Cappoquin parents over the loss of secondary school status for the town.

However, this opposition being that the present subsidized for a number of reasons with the main reason

## Anthrax Alert Grips Kilmacthomas

### KEVIN KIRANE

An anthrax scare gripped Kilmacthomas for most of Monday morning as a suspicious substance was discovered in the post office by one of the employees.

A white powdery substance was noticed in the post box by the employee at a quarter past six as she sorted through the post for delivery and she quickly alerted the Gardai and fire services.

The powder, itself, was later discovered to have been separate from the letters, which led Gardai to suspect

it had been poured through the box between Saturday afternoon and Sunday night.

The substance has not yet been formally identified, although anthrax - which had initially been feared - was quickly ruled out by health officials who were on the scene.

All safety measures had been carried out, however, to prevent any possible risk occurring and the employee who discovered the substance was brought to Waterford Regional Hospital for tests and screening.

Emergency services suspected the chances of the substance being anthrax was slight but said they were resolved not to allow any risks to health occurring.

Rural post offices have already been declared unlikely targets for an anthrax attack in guidelines recently issued in response to the possibility of an anthrax attack in Ireland.

However, the emergency services along with specialist army personnel, were determined not to leave anything to chance

Ms. McGrath, who discovered the substance, was confined and decontaminated

## CHAMBER NOTES

Euro training workshops helping local business owners prepare their businesses for the arrival of the Euro. Dungarvan Chamber of Commerce will embark on another Practical Euro Training Workshop this Thursday November 8th at 12 noon in Lawlors Hotel. The event will be run in conjunction with the Ulster Bank, Irish Business Employers Confederation (IBEC) and the Small Firms Association (SFA).

The Euro workshops are designed to meet the practical needs of owner managers and staff of retailers and SME's, covering issues such as banking, legal, accounting, equipment, float requirements, dual pricing and

security. In addition the retail workshop will include a practical training session using "dummy" Euro notes and cash registers to give participants a more realistic feel for the challenges that will face retailers during the first few weeks of the changeover. Over one and a half hours are dedicated to this practical session which proved to be the most popular part of the evening.

The Euro workshop is open to members and non-members of the Chamber of Commerce and bookings are now being taken at the Chamber office at 058 45054. This is a very worthwhile event which is relevant to business owners and their staff alike.

# Numbers Of Caravans Staying In Sites To Be Curtailed

Deputy Austin Deasy has welcomed the Fianna Fail Parliamentary Party's unanimous agreement that the numbers of caravans that can congregate on any one area should be curtailed.

He has now asked the Minister to curtail the number of caravans that can move from one halting site to another at any given time, and that strict sanctions be imposed on Local Authorities that fail to provide the requisite number of transient sites in their areas.

He is calling as well for local authorities and health boards to take stern action against transient travellers who park illegally on public or private property and who contravene the public health acts.

"Local Authorities will have to fulfil their obligations to provide sufficient halting sites, if they have not already done so," he said "and severe penalties must be imposed on travellers who move without a license and who disobey

laws which are stringently enforced on the settled community."

The move follows the convergence on Dungarvan of a large convoy of traveller/traders in August and which caused the people of the town to "live in fear", according to the Deputy.

Legislation to impose severe penalties on local authorities who fail to provide the adequate number of halting sites, if brought about, could have implications for Waterford County Council.

Plans are already underway to set up a transient site a few miles out of Dungarvan and negotiations are believed to be on-going on the purchase of land. If these fail compulsory purchase orders may be imposed, County Manager Donal Connolly said previously.

## Success In Recruitment Drive

A great success has been achieved in our major recruitment drive recently. All clubs held their information nights on Friday the 26th of October in the respective venues, with an influx of new members attending from various clubs throughout the county. I would like to take this opportunity to thank all those who assisted in making this recruitment drive a great success. Many thanks especially to our development chairperson Moire Murphy, also to Laura Casey and Ken Murphy who have contributed to weeks of hard work for this recruitment drive to be a great success. Many thanks to all clubs who held their information nights and their contribution of club profiles and photos.

### Social Night

Following the great success of our recruitment drive a social night was held for new and existing members in the Park Hotel on Friday last 2nd of November. Performed by Seamus Long and company of the mad caps every member present were waiting in anticipation of a night never to be forgotten. The "Mad Caps" are a comedy act from Co. Wexford and they performed such acts as the Priest, Bride and Groom.

At one stage Laura was dancing with Daniel O'Donnell (just in case there is any confusion it was the man himself not Daniel from Cappoquin). Laura it might have been too much to expect his autograph as well.

The Rod Stewart and Spice Girls fans thought they were in for a real treat for the night but it wasn't to be. By the end of the show Theresa received an unexpected prize but not one of us are any the wiser what it was.

Following the show the "Mad Caps" performed a disco until the early hours. A fantastic night was enjoyed by all and will never be forgotten. A lot of work had to be done for this social night and so a sincere thanks to Moire Murphy, Michael O'Donnell and Laura Casey who contributed so much to ensure the night was a great success.

## UP COMING EVENT

On November 9th in Queally's Lounge, Bohadon, we are having a fund raising night with all proceeds going to the West Waterford Hospice Association. The night's entertainment will start at 9pm with the Drama group performing

their one act play Fledged and Flown, an election comedy in one act by Bryan Michael O'Connor, starring Alice Fitzgerald, Michael Marrinan, Brid Dunford, Jim Dee, Arm O' Sullivan and Jim O'Brien.

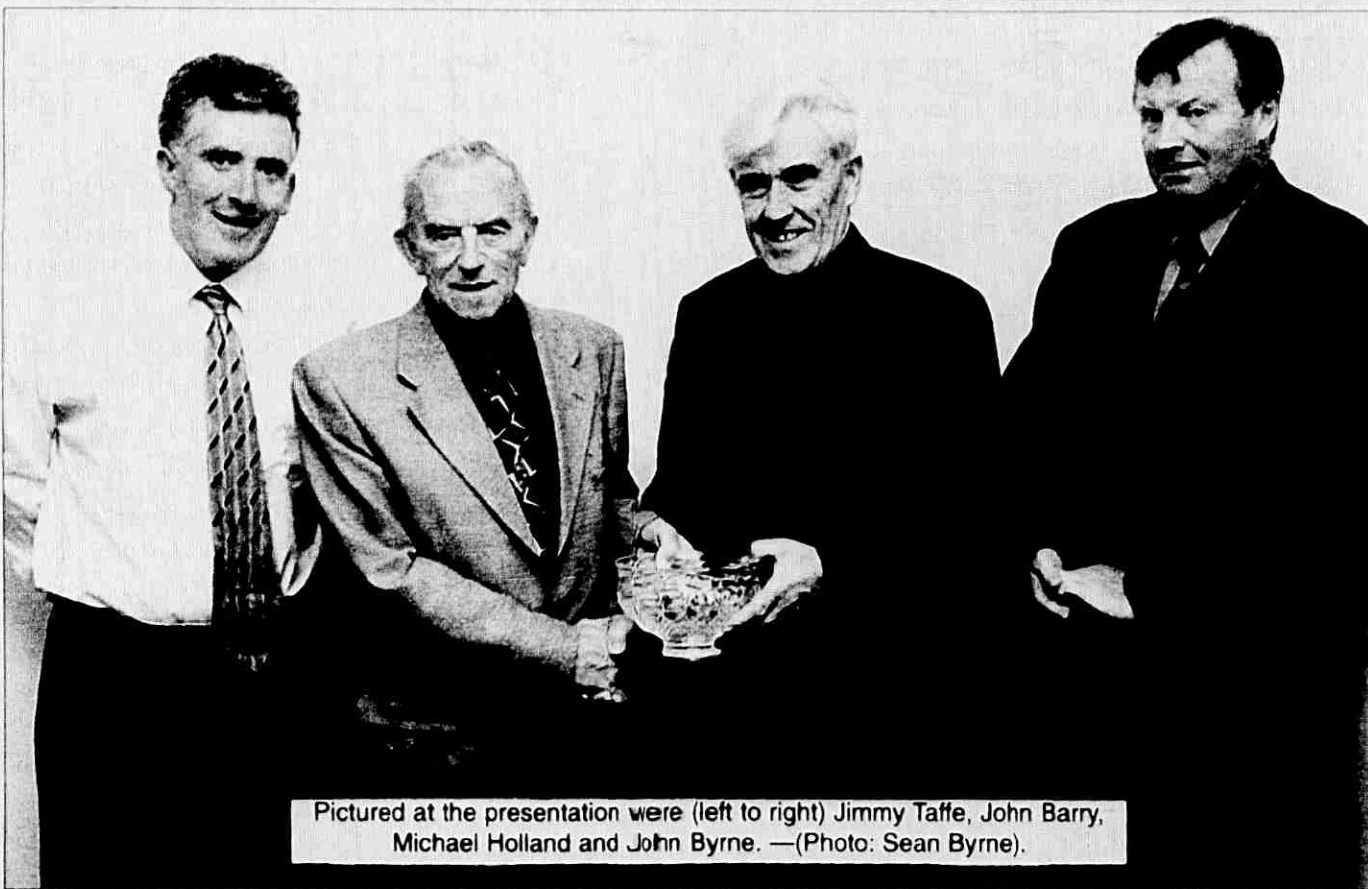

This Play is produced and directed by Gerard Dunford who has spent many nights putting the cast through their paces, our thanks to Gerard for his trojan work. Set design and construction for this production is by Maurice Walsh. The second half of the show is music, song and dancing by the ever popular

Sam O'Doherty (formerly of Mac & O). This is not Sam's first time in Bohadon and we have enjoyed many a good night with Sam before this. Your support on the night would be very much appreciated and with all proceeds going to the West Waterford Hospice Association, the money will be put to very good use helping families cope, and offering them best facilities in their homes where it is most important.

Admission on the night will be £5, a big crowd is expected so the early comers get the best seats.

## Presentation To Outgoing Chairman

The Chairpersons, on behalf of the Board of Waterford LEADER Partnership Ltd, presented two pieces of glass provided by Waterford Crystal to the Company's outgoing Chairman, Mr John Barry. Mr. Barry has chaired the Company over the last seven years, a period which has seen the Company's activities increasing from one initiative to seven initiatives, including the LEADER Programme. Mr. Barry will remain a Board Member of Waterford LEADER Partnership Ltd and his position as chairman has been taken by Mr. Paddy Gordon.

## Decision On Garrynagree Landfill Challenge May Be Known Within Month

KEVIN KIRrane

A verdict on Lickey Concern Group's High Court challenge against the siting of a dump in Garrynagree may be given before the end of November, it has emerged.

Garrynagree was seen by Waterford County Council as the best location for a county landfill, but the decision was a controversial one and was soon appealed and brought to the High Court.

The action groups bid to block the dump was heard in May but judgment has been reserved since.

A verdict is seen all the more vital for the Council

following the Environmental Protection Agency's refusal to grant a license to allow refuse to be dumped in the current Ballinamuck landfill.

The EPA's move was appealed by County Manager Donal Connolly and a verdict on this issue is pending.

Meanwhile, Mr. Connolly said the Council couldn't do anything in relation to the proposed Garrynagree landfill until the court case concluded and although he hoped a verdict would be given before now, he expected one in the next three weeks.

## Redundancy Notices Received By Crystal Workers

KEVIN KIRrane

A massive blow was issued to contract workers in Dungarvan Crystal on Wednesday last as eighty workers were issued redundancy notices which are due to take effect within a fortnight.

The workers involved are not permanent members of staff though some have been with the company for a number of years and would have hoped to gain permanent employment at the firm.

"Now we find ourselves heading for the unemployment scrap heap and to be brutally honest about it there is no guarantee in my book that we will be given a recall", one of the workers said.

Problems already surfaced within the Glass company last month when the compa-

ny announced that the plants would close for a full week in an attempt to address the imbalance between production and demand.

Management of the company also said that its Waterford and Dungarvan plants were going on a three day working week as a direct result of the September 11th terrorist attacks.

To date that measure has not been implemented but it is suggested that instead of the shortened week there may be at least one more complete one-week shut down of the two factories between now and Christmas.

This is believed to be a measure that management consider essential to safeguard the long term viability of the plant.

## QUEST TO ATTRACT INDUSTRY TO DUNGARVAN CONTINUES

Despite recent setbacks in the industrial sector throughout the county, both Waterford County Council and Dungarvan UDC have re-iterated that efforts are ongoing to attract new enterprise ventures to the county town.

In a report on the matter prepared by the local authority following a request by Dungarvan area Councillor Fiachra Céilleachair, the County Council's Director of Services Mr. Peter Carey detailed measures taken to date and confirmed that the County Enterprise Board has initiated the establishment of a working group to promote Dungarvan and west Waterford as a location for industry.

Speaking following receipt of the report, which he requested at last month's meeting of the County Council, Cllr. Ó Céilleachair said:

"The concentration to date has been on four approaches. The first concerns promotion of the yet to be occupied advance factory in the Shandon area of Dungar-

van. The second has been in the development of enterprise sites at the Shandon Business Park, all of which have been occupied. The third matter is the provision of the IDA sites at Clogherane in the town. Finally, there is the matter of the recent acquisition of land on the Youghal Road in the town - which was done in conjunction with the IDA."

"In the report I requested, I'm told that the Council is in "constant" contact with the IDA as regards efforts to attract industry to Dungarvan. I would like to see locally focused working groups involved in this process and I endorse the view of my colleague Cllr. Teresa Wright (Cathaoirleach of Dungarvan UDC) in asserting that initiatives springing from the community itself may achieve as much as dependence on the IDA."

Cllr. Ó Céilleachair says he and his Labour Party colleagues would continue to use every opportunity to push the case for Dungarvan.

# THE WAY WE LIVE: HISTORY: AMERICA

## AMERICA

On 4 July 1776, a new nation was born — the United States of America. It consisted of only 13 states. They declared independence from Britain, which had ruled them as colonies for over 150 years.

During the 19th century, the USA grew rapidly as more states joined the Union. Some were purchased from other European powers; some were conquered in wars. Some were given away in peace treaties, and others were simply taken over by pioneer farmers, who settled on uncultivated lands.

American industry and business grew rapidly after oil, coal and steel were discovered in the northwest, and valuable gold in California.

Millions of migrants arrived from Europe, hoping to make their fortunes in the 'land of the free.' By 1900, the U.S.A. was so successful that it was the richest country in the world.

### Wagon Trains

From around 1850, many families left Europe and East Asia to make a new life in America. Some settled in cities along the east coast, others trekked westwards to reach the Great Plains, the Rocky Mountains and California. Settlers travelled in 'trains' of covered wagons, pulled by oxen or horses.

During the long and dangerous journey, many died from hunger, thirst and disease, or in fights with Native Americans. Life in new western ranches, farms and mining settlements

## The Settlers and the Native Americans

When the first European settlers in the 1540s, North America was home to around 300 different Native peoples. Sometimes, Native Americans and European settlers arranged to live peacefully, side by side. They traded together, and occasionally helped one another with local information and offers of food.

But more often, there were quarrels between them, because the European settlers felt they had a God-given right to take over Native peoples lands.

As more and more settlers arrived in America from Europe and Asia, these quarrels turned into war. The Native peoples fought bravely, but settler troops and settlers had bigger, better weapons and drove most Native Americans from their homes. The last battle to defend Native peoples' land was fought in 1890 at Wounded Knee, South Dakota.

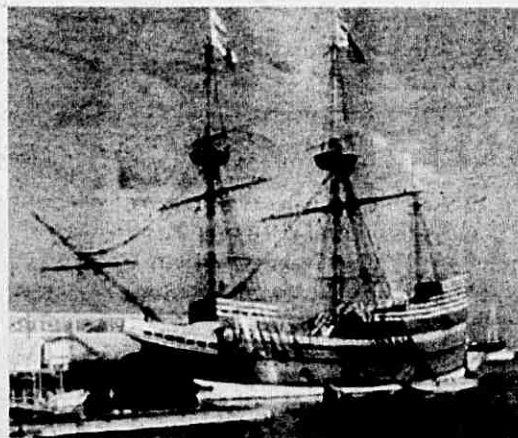

### The Railroad

Railways were vitally important in the new United States of America. By 1890, over 260,000 kilometres of track had been laid. They linked northern industrial cities and east-coast ports with the vast ranches and farmlands of the west and south.

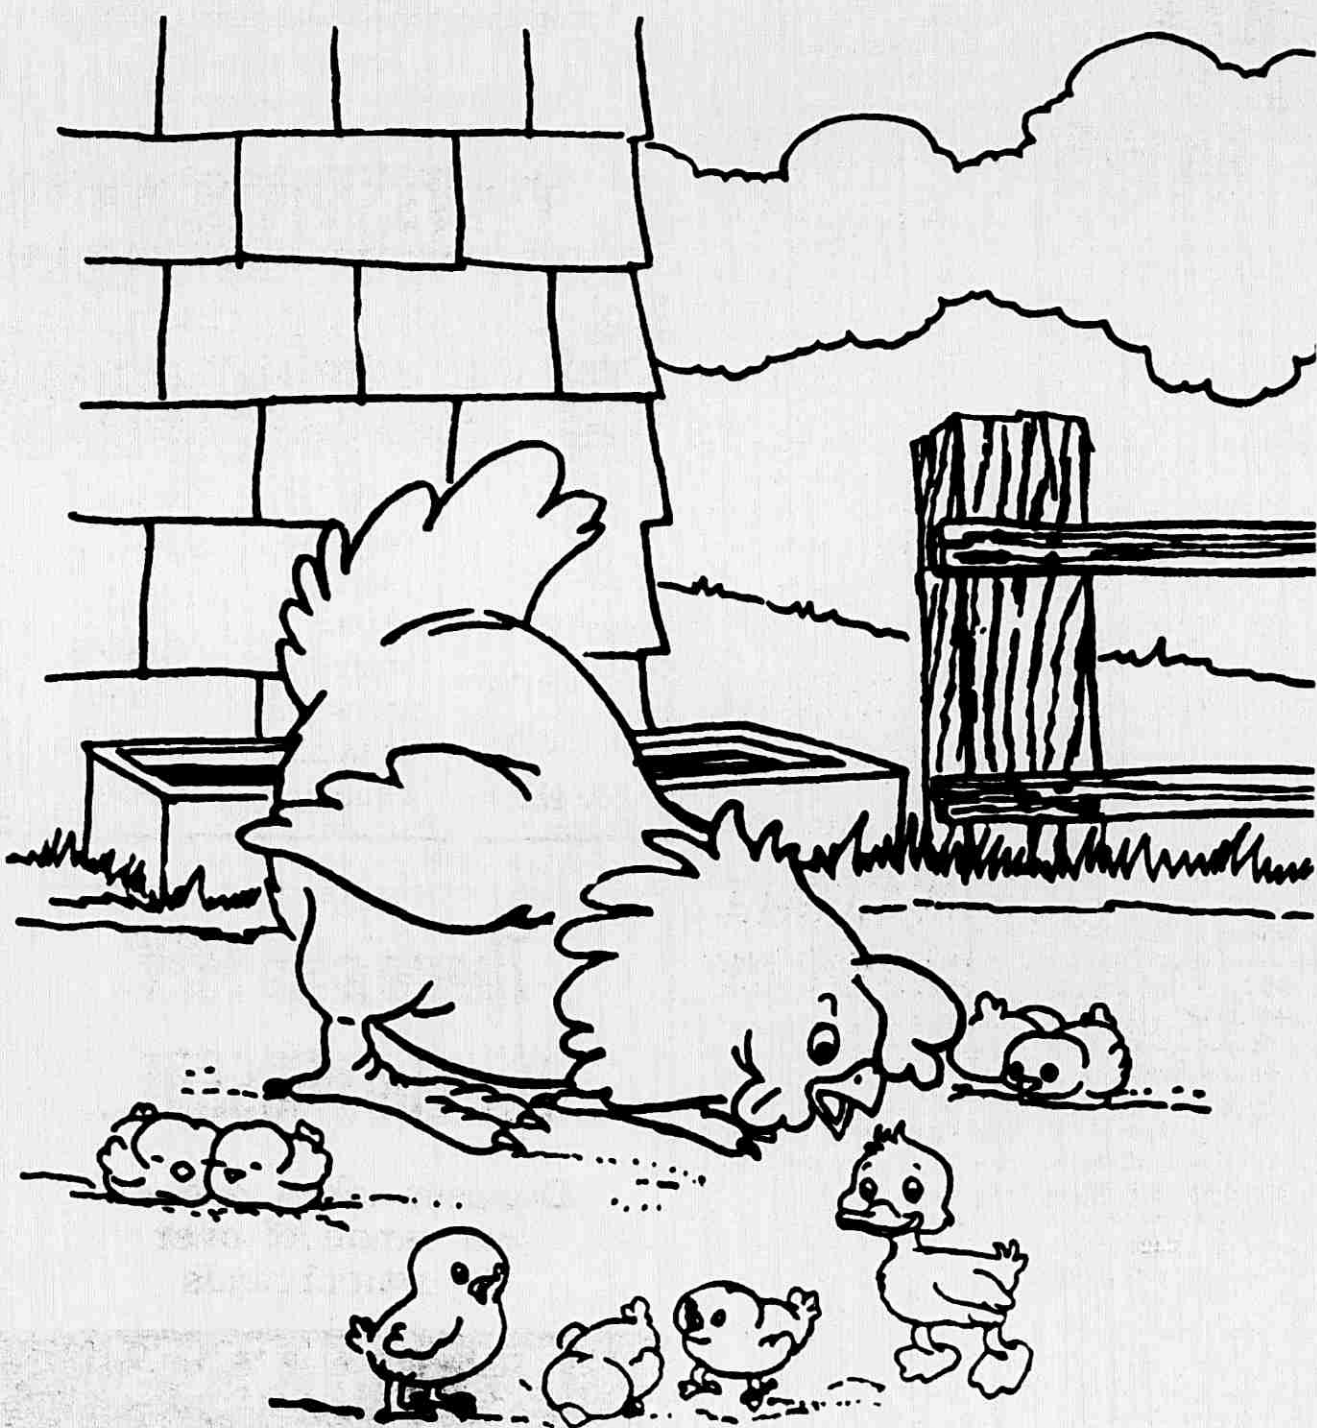

Building the railways was a great engineering achievement; lines had to be laid across mountains, deserts and swamps. In 1869, the first transcontinental railway line was completed. At a special ceremony the final sections of rail were joined together with a golden nail.

### Early Migrants

The first Europeans to settle in America sailed there in ships like the Mayflower (a replica is shown left). In the 1540s, the Spanish settled in present-day Florida and California. In the 1580s, the French and English settled in present-day Virginia.

# Tentative Selection Of Route For Dungarvan Outer By-Pass

**Kevin Kirrane** Six potential routes have been selected for the £40 million Dungarvan outer by-pass which will connect the Pike with the N25 and will, it is hoped, radically reduce traffic on the current bypass.

All the routes begin on the Youghal Road, roughly follow the route of the Military road and connect to the Pike. Two begin at Baranahire then go through Kilmurray and connect at the Master MacGrath junction. Four of the potential routes in all connect to the Dungarvan road just after the Military Road junction and go through Glidane Beag, Gorteen, then by-pass Cusham and turn onto the Pike.

A series of assessments of the routes will now take place by the Regional Design Office before a final route is eventually selected.

During this assessment the five possible routes will be put on public display in the Civic Offices in Dungarvan. At this time County Engineer John O'Flynn said anyone who has an objection can make a submission and these will be taken into account when deciding the final route.

He said that none of the six routes which will soon be put on public display are "written in stone at this stage. These will be possible feasible routes."

When the final route is eventually decided on, this will then also be displayed.

However John Butler, Senior Engineer, with the Regional Design Office said

that at this final stage only minor changes will be able to be made to the route.

Already the Regional Design Office in Tramore have undertaken a constraints study which outlined the problems with putting the route in certain areas.

Around twelve people submitted ideas of what they felt were problems with developing the road including the severing of land or listed houses in the area.

Other studies that have previously been undertaken have run into difficulties because of a long running dispute between the Department of the Environment and the IFA over the levels of compensation for land which has been cut in two by roads.

Fears have been expressed by some landowners about the bypass but the Senior Engineer said that the routes that have so far been selected were the ones least likely to affect people in the area.

Mr. O'Flynn, meanwhile, said "some farms may be severed, some routes may be hitting the edge of their property. Where there is severe severance taking place we would try and provide an underpass although sometimes that's not feasible."

As regards householders, Mr. O'Flynn said the Council would always try to avoid knocking houses.

"Inevitably it's very hard to avoid knocking some houses. We would try to minimise that or if possible not to knock any of them," he said.

"Each of the routes will be studied", Mr. O'Flynn said "and the pros and cons of each of them will be analysed and at the end of that the preferred route will be the one that has the least adverse affect on the people, environment and archaeology of the area," he said.

## Dungarvan Camera Club's Photographic Weekend

Last weekend saw Dungarvan Camera Club host it's annual photographic weekend. This consisted of a walking tour of the town followed by lunch, and then a black and white workshop with nationally acclaimed photographer Niall Foley. Niall did a talk on his chosen subject matter semi-Abstract, and showed us lots of his prize winning pictures. All that were there agreed that we have a way to go yet before we reach his standard. On Saturday evening we had our annual dinner at the Park Hotel which was attended by two members of Waterford Camera club. And after we had eaten our fill from the sumptuous menu and drank a few bottles of wine, it was home to bed for an early start in the morning.

On Sunday morning four members of the Kilkenny camera club joined us and we headed off to Cappoquin and the Glenshelane river walk. Plenty of walking and plenty of pictures later we headed off for lunch in the Brideview bar Tallow. After lunch we decided to make use of the clear weather and head for the coast for a good sun set shoot. We ended up at Goat Island Ardmore and were rewarded with a great show by the late autumn sun. After the last of the sun had set we went our separate ways. But rumour has it that certain Dungarvan members proved to be very good hosts when it came to supplying plenty of wine, song and dance, so much of it in fact that the Kilkenny four were unable to attend the following mornings activities?

Monday morning saw a few of the more active members braving the coastline for a more rugged approach to photography. (Even the chairman got his feet wet) not surprising really when you take into account his choice of footwear. (Open toed sandals, with white socks!!!)

All in all the weekend was a success for those who attended! And we look forward to viewing the results in the near future.

## Ideas For Roast Lamb

Roast lamb with cider and mustard glaze and bacon, cheese and mustard stuffing.

**Ingredients:**

- Lamb leg joint (allow 175-350g per person)
- 150ml cider
- 1 large sprig rosemary
- 2-3 cloves garlic, peeled and sliced

**Stuffing:**

- half small onion, chopped
- 75g back bacon, chopped
- 50g mushrooms, chopped
- 50g Gruyère cheese, grated
- 100g breadcrumbs
- 1 x 15ml sp wholegrain mustard
- 1 x 15ml sp fresh thyme
- Salt and black pepper

**Glaze:**

- Cider reserved from marinade
- 3 x 15ml sp honey
- 2 x 15ml sp wholegrain mustard

**Method:**

Marinate the leg of lamb in cider for one hour. Cut slits into the lamb and insert slivers of garlic and small sprigs of rosemary. Retain marinade.

Weigh the joint and calculate the cooking time. Meanwhile make the stuffing.

In a large non-stick pan dry fry the onion, bacon and mushrooms for 3-4 minutes.

Stir in the remaining stuffing ingredients and season. Shape into 6-8 balls.

Place on a baking tray and cook for the last 15-20 minutes of roasting time.

Place the glaze ingredients in a saucepan and bring to the boil, simmer uncovered for 4-5 minutes.

15-20 minutes before the end of the calculated cooking time, remove the joint from the oven and brush the glaze over all surfaces.

Roast for the remaining cooking time.

Serve the roast lamb with the stuffing, roasted apples, parsnips, potatoes and a large portion of seasonal vegetables.

**Tip:**

- To make carving easier let the joint stand for ten minutes.
- Apple juice can be substituted for cider.

**Cooking Times:** Medium - 25 minutes per 450g plus 25 minutes.  
**Well Done:** 30 minutes per 450g plus 30 minutes.

## Easy Cook, Crispy Potato Wedges

THESE oven-baked potatoes make a tasty, low fat alternative to chips or roast potatoes.

**Ingredients:**

- Serves 4
- 4 baking potatoes, about 225g each
- vegetable oil, for greasing
- 2 x 15ml sp olive oil
- pinch of salt
- black pepper

**Method:**

Clean and scrub the potatoes thoroughly. Slice each potato into eight equal sized wedges. Transfer into a large bowl.

Fill the bowl with cold water until the potatoes are covered. Leave to stand for 15 minutes.

Preheat oven to 220°C/425°F/Gas mark 7.

Lightly grease 2 baking sheets with vegetable oil.

Drain the potatoes, then dry thoroughly on sheets of kitchen paper.

Put the potatoes back into the bowl. Add olive oil, salt and pepper. Toss gently until potatoes are evenly coated.

Transfer the potatoes to prepared baking sheets. Bake for 40 minutes or until soft in centre and crisp and browned on the outside.

Swap baking sheets halfway through baking to ensure even browning.

Serve wedges with a variety of dips and sauces or as an accompaniment to a main meal.

## Original Black Forest Soufflé

THE delicious flavours of cherries and chocolate combine to make this tasty, original dessert.

**Ingredients:**

- (Serves 4)
- Knob of butter
- 50g caster sugar, plus extra for sprinkling
- 425g can pitted black cherries in syrup, drained
- 4 medium egg whites
- 8 x 5ml sp ready made custard
- 100g plain chocolate, melted
- 2-3 x 5ml sp plain chocolate, grated

**Method:**

Preheat oven to 220°C/425°F/ Gas Mark 7. Place a baking sheet in the oven to heat. With the butter,

lightly grease four 10cm ramekin dishes and sprinkle a layer of caster sugar in each.

Spoon cherries into the base of each dish. Whisk egg whites and 50g sugar until the mixture forms soft peaks - that's when the peaks start to bend over.

Mix custard with the melted chocolate. Fold one quarter of egg whites into the chocolate mixture, then fold in the remaining egg whites. Spoon mixture into ramekins until mixture comes to just below the rim and bake for 10-12 minutes.

Serve each soufflé sprinkled with grated chocolate, accompanied by vanilla, chocolate or cherry ice cream.

## Health Tips from "Remedies"

### Chelidonium

**USES:** Common warts, Verrucae.

This herb has been used traditionally for the treatment of warts. The juice of the plant is simply applied to the affected area of the skin.

**HOW IT WORKS:** Warts are caused by an infection of the skin by the human papilloma virus. This infection causes cells in the skin to multiply, giving rise to the characteristic lump seen. Verrucae are simply common warts found on the feet. Chelidonium contains alkaloids with anti-viral activity. One of these, Benzophenanthridine, has been shown to possess the ability to damage and kill wart viruses. Another, known as Chelidonine, slows down the proliferation of infected skin cells.

## Waterford Institute of Technology To Receive £12.5 Million In Capital Funding

The Minister for Health and Children, Micheál Martin TD, announced last week that the Government has approved his proposals for the implementation of a four-year pre-registration nursing degree programme next year. Minister Martin said "This new nursing degree pro-

gramme to replace the current three-year diploma programme, will put the education of nurses on a par with that of other health care professionals."

The Government has approved the Minister's proposals for a capital building and equipment programme

costing £176 million to facilitate the full integration of nursing students into the higher education sector. Thirteen higher level education institutions throughout the country will be involved in the delivery of the nursing degree programme from the start of the academic year

2002/3.

Applications for places on the programme will be made through the Central Applications Office (CAO).

"The scale of this investment in nursing education demonstrates the Government's firm commitment to the full implementation of the report of the Commission on Nursing", Minister Martin said.

Minister Martin confirmed that Waterford Institute of Technology is one of the institutions approved for the delivery of the new nursing degree programme. The Government has also sanctioned the South Eastern Health Board's proposal for the introduction of mental handicap nursing education at Waterford to coincide with the new programme. A total of 115 general, psychiatric and mental handicap nursing places will be available annually at Waterford. The Institute will have a combined nursing student population of 460 over the four years of the programme. Clinical experiences for the students will be provided in a range of hospital and other settings throughout the South Eastern Health Board area.

The Institute will receive capital grants totalling £12.5 million for the construction of purpose built facilities to accommodate nursing students.

# CLOSING DATE FOR WATERFORD SCHOOLS COMPETITION EXTENDED

The closing date for entries in the Schools Road Safety Project competition being hosted by Tom Murphy Car Sales in association with An Garda Siochana in Waterford has been extended until 16th November.

The extension has been granted at the request of the schools involved so that students could have more time to devote to the project and to the quality of their submissions.

Some 30 second level schools in Waterford City and County have agreed to enter the competition, the purpose of which is to encourage students to come forward with their own ideas as to how the road safety message could be better communicated to young people.

The event is being organised with the support of Volkswagen and WLR FM. One prize of €1,500 will be presented to the winning school.

## Remedial Clinic Urgently Seeking Volunteers

The Central Remedial Clinic's Annual Santa Bear Appeal will be running once again this year from December 3 to December 12. The clinic, which provides its services completely free of charge, is currently recruiting volunteers throughout the country to help support the campaign by selling Santa Bears in their locality.

The Appeal, sponsored by Snap Printing aims to raise over €175,000 for the Clinic and now the CRC are asking for help in raising this urgently needed money.

The public are asked to help by donating a few hours of their time to sell Santa Bears in their locality or privately to friends, family and colleagues.

You can also buy the Santa Bears which

will be available around the country, for a minimum donation of €1 and the clinic is hopeful that there will be strong support nationally for this appeal.

The Central Remedial Clinic is a national centre for the care, treatment and development of over 4,000 children and adults with physical disabilities. As the service is completely free of charge they need to raise a great deal of money to maintain the high standard of care for which the clinic is renowned.

The clinic would be delighted to hear from anyone interested in helping them during their Santa Bear Appeal on our free phone number - 1800 612 612.

## West Waterford Widows Association

### BUDGET SUBMISSION 2002

At the Council meeting of the National Association of Widows in Ireland, held at the Earl of Desmond Hotel, Tralee, a strong plea was made to the government to combat poverty by increasing the basic social welfare pension by at least €14.00 per week. They also called on the government, health boards and other caring organisations to define a system of child care, staffed by fully trained staff, that would protect children from

those who may set out to abuse them.

The Association also called for: Government funding to health boards to be increased sufficiently to allow them to provide care for older people. An increase in the living alone allowance to €10.00 per week. A substantial increase in the fuel allowance. That the injustice handed out to working widows who pay full PRSI and who only receive half benefit if she is in receipt of a full social welfare pension. They note with some concern, the statement

made by Minister Dermot Ahern, T.D., in respect to what may be expected in the 2002 Budget when he pointed out the need for a prudent budget in the context of the temporary downturn in the world and Irish economy. In the light of this somewhat pessimistic statement, we ask why not have a mini-budget in the six months to follow. We wish to point out that his present policy is not acceptable to members of our Association who are put to the pin of their collar to survive.

# Construction On Lismore Community School To Begin In Two Weeks

CONTINUED FROM FRONT PAGE

Lismore were losing potential students to larger urban centres like Dungarvan and Youghal.

Board of Management member, Cllr. Nora Flynn, said "there were some fears that we might not have a school in West Waterford at all. Students on the Affane and Villierstown side of Cappoquin went to school to Dungarvan and those pupils who would normally go to St. Anne's on the Lismore side went instead to the CBS and Presentation schools in Lismore."

These concerns, in turn, sparked a fresh call for an amalgamated school to be put in place and funding was approved earlier this year.

Although Cllr. Nora Flynn said that ideally a school would be located in Cappoquin and described the loss of St. Anne's as very sad, she said "we have to be realistic and know that children need choice of subjects and facilities. We have to put the future of the children over all other concerns."

"The ideal situation would be to have top class facilities in the Lismore and Cappoquin schools but realistically speaking a community school is the only option available," Cllr. Flynn said.

However, St. Anne's school building may have a future, Cllr. Flynn said. They are now looking at locating a VEC run adult education school in the facility. Cllr. Flynn said they did previously have a VEC school in the town and they would be very interested in once again setting in place one again. The fate of the Presentation Covent in Lismore, is however, unclear.

The Community School will be equipped to cater for 650 pupils but there will also be some additional space if there is an increase in pupils, Lismore Town Commissioner Bernard Leddy has said.

He said the development of a Community School in Lismore is very welcome as "Lismore was at the centre of educational development in Ireland for many centuries but this will be the largest development in education for the town for hundreds of years."

## ARTS AND ENTERTAINMENT AWARDS FOR W.I.F.L.O. FRINGE COMMITTEE AND THE OLD MARKET HOUSE ARTS CENTRE, DUNGARVAN

The Waterford Crystal/WLR Fm quarterly Arts and Entertainment Awards were presented on Thursday (1st November) at the Waterford Crystal Visitor Centre.

The award in the non professional category went to the Fringe Committee for the 2001 Waterford International Festival of Light Opera.

This year the fringe events covered every aspect of the arts including dance and film. Held in September of this year, the fringe events gave a new lease of life to the Light Opera Festival, providing something for everyone and using many conventional and new spaces throughout Waterford.

The Old Market House Arts Centre in Dungarvan was also recognised this

quarter. The Arts Centre was opened in April 2000 and has had an endless stream of tremendous Art Exhibitions through its doors.

The Centre gives equal opportunity to both local, national and international artists providing a great well run space and bringing art to the people of Dungarvan.

One of the most recent exhibitions was "From Past to Present". This was made up of pieces from the National Art Collection currently hanging in Government buildings around Ireland. Several pieces from the Waterford Municipal Art Collection were included.

The Arts Centre is solely funded by Waterford County Council. Margaret Fleming, County

Arts Officer and Clare Morton the recently appointed Manager of the Old Market House were presented with the Award in the Professional Category.

Recipients in both categories were delighted with the recognition attached to this award. Martin Maguire, Marketing Director at Waterford Crystal said that the company is always delighted to recognise excellence, especially at a local level.

The awards cover the period July, August and September. There will be a final announcement in January for the last quarter of 2001. The overall Arts and Entertainment Award for 2001 will be announced early in 2002.

using a special spray by the fire service and given a fresh set of clothes to replace those which may have been infected with the spores of the deadly disease.

The area around the building was cordoned off and remained shut until specialist Army personnel arrived at the Post Office shortly before ten o'clock.

The post office was then sprayed with disinfectant and by eleven o'clock that morning the all clear was given and the Post office resumed business not long afterwards.

A series of hoaxes have affected businesses in Waterford City already and three people have been convicted and sentenced to substantial jail terms in Kilkenny. This latest hoax is the first of its kind in West Waterford and given the time devoted to the issue by the emergency services a severe penalty is likely to be imposed on the culprits if apprehended. Gardai have already begun an investigation into the source of the scare.

## BALLYDUFF WALKING CLUB NEWS

Our last walk on Sunday 28th October was a most enjoyable day with over twenty walkers taking part, including some welcome new-comers from other clubs.

Having left the dense picturesque fog which surrounded "The Towers" our route took us into brilliant sunshine in Shanavoola and from there we moved on through Deerpark, Cloghaun and Monataggart. A welcome break was had at Fegarrid cross before making our descent through Coole, Glenmore and Ballysaggartmore and returning again to the Towers giving us a total distance of eight and a half miles approx.

The Irish Heart Foundation have sent us a note of thanks for taking part in, and contributing to World Heart Day. The I.H.F. newsletter with details of all World Heart Day walks will be sent to us when published later this month.

No route has yet been decided for next Sunday 11th Nov. so we will meet as usual at 1.30pm outside the Hall and probably take one of our local routes, new members are always welcome.

Our Secretary Ann Cotter is looking into the details necessary to formalise the club and we await the results of her research.

## Blue Knight At Lawlor's

## Dungarvan Leader Gardening

# Get Set For An Onion Harvest

THERE'S an old gardening tradition that says shallots should be planted on the shortest day – and harvested on the longest.

In reality, most gardeners choose March and April to plant onion and shallot sets ready to crop in late summer.

The same goes for garlic, which planted now should be ready by late August.

Sets are small, immature

bulbs in an arrested state of growth. Once planted they begin to grow again, developing quite quickly to full-size.

It is possible to grow from seed, but the process is relatively slow and inefficient – so planting sets is the most usual method.

The best soil is a medium loam, although they will do well in heavier soil so long as the drainage is good.

Soil can be prepared in the autumn by digging in manure or compost and leaving it rough for the elements to do their work.

Plants are fairly hardy and disease resistant although birds can be a problem, particularly with newly-planted bulbs – which should be protected with a plastic mesh or black cotton web.

### Growing Onions, Shallots and Garlic

#### ONIONS

Choose a well-drained, sunny position with quite good soil.

Plant the bulbs 10cm apart in rows 30cm apart, so the tips show just above the surface. You can cover them totally if there is a bird problem.

Water during dry spells but stop once the bulbs have formed and the leaves start to topple.

Onions can be ruined by poor harvesting. Harvest when the leaves are yellow and the scales of the bulbs are brown. Ease them loose with a fork, pull them and spread them out to dry before storing.

#### SHALLOTS

Soil should be medium loam or heavier with good drainage.

Plant by setting the bulbs 15cm apart in rows 30cm apart. Use a trowel to make a small hole and sit the bulb in the hollow, pushing the soil back until just the shoulders of the bulb are showing.

Guard for birds and during the summer keep the plants free from weeds – but do not hoe too close.

When clusters of bulbs have formed draw a little soil away from them to help ripening.

Lift in clumps when the leaves are yellow. Dry in clumps.

#### GARLIC

The best soil is light to medium loam, with good humus content. The site should be in full sun and can be prepared in the autumn by digging in manure or compost.

Garlic can be planted as bulbs or broken into cloves. Insert 3cm deep and 25cm apart in rows 30cm apart.

No special cultivation is needed. Keep weeds at bay and water only in exceptionally dry summers.

Lift when the leaves start to go yellow at the tips.

Tie the bulbs in bunches and hang on a sunny wall to dry. Store in a frost-proof place.

SHALLOTS: Plant now for the end of summer

## This week in the Garden

### SOW HARDY PEAS

Some gardeners take culinary peas, plant them outside to mature and are very successful at it. To have any chance what-so-ever you must choose a sheltered spot with well drained soil. To improve your chances further, choose the hardest variety of pea you can such as Pilot Improved or Meteor.

### DIG UP SEAKALE FOR FORCING

The top growth of the plant should have died back by now and this means the ideal time has arrived to lift the roots for forcing. Dig them up carefully and cut off the side sprouts of the root bundle and leave in a sheltered position outside for planting in March. Face the central roots against a wall and cover with sand until only the crown is visible.

### TURN OVER ALL FREE GROUND

By this time there should be lots of free ground for digging. Most of the garden should be attended to with a spade at this time of the year. Most of the vegetable garden should be dug over to two or even three depths of a spade.

# STRADBALLY NOTES

## HALLOWE'EN PARTY SUCCESSFUL FOR SECOND YEAR RUNNING

Enjoyed by young and old on the dance floor, there was a great party atmosphere. Well done to Carrie Mullaney who won best girl costume, Steven Drohan and Paddy Kiely who won the overall best costume. Thanks to Fr. Enright who had the hard task of judging the competition.

A few weeks ago the boys in red showed their fancy footwork on the pitch, and on Wednesday night, George Walsh and Kevin Cunningham came with cup in hand to judge the fancy footwork of the boys and girls on the dance floor. It was a very difficult decision to make as all present were trying hard to make an impression on our local heroes.

The winners were: best boy dancer Gavin Kiely, and best girl dancer Shannon Keoghan. Well done to them and thanks to the lads for their support. Also thanks to the G.A.A. club for allowing us hold the party there again. Thanks also to everyone who helped on the night: Mandy Kett, Bridget Drohan, Bernadette Condon, Sandra O'Reilly, Yvonne Wall, Jenny and Heather Finn. Special thanks to Betty O'Reilly for her contribution.

## STRADBALLY TIDY TOWNS NEWS

The awards were presented by The Minister for the Environment Noel Dempsey, Eoin McGettigan Executive Director of Super Valu and Chairman of South-East Tourism, Joe Palmer. The ceremony began with Leighlinbridge being presented with their gold medal award as Regional Winners, they having won a gold medal in the Entente Floral competition earlier in the year, a first for Ireland.

Margo Crowley, Committee Secretary, accepted the Silver Medal for Stradbally on behalf of the Committee and Sheila Corbett, Committee Treasurer, accepted The County Waterford Best Town/Village on behalf of the committee. Tessie Begley and Mai Barrett also attended on behalf of Stradbally Tidy towns. Ardmore was awarded third place.

Madden's Bar, Lismore were National winners, winning the best Shopfront award. Rathgormack were awarded The Super Valu Endeavour award for the second time. Stradbally Tidy Towns committee

At the conclusion of the awards, dinner was served to all the guests. Then followed the Carlow Co. Manager launching Richie Kavanagh's new CD "Don't throw your Litter on the Ground" with Richie performing the number for all the guests. It was suggested that this would be a number one for all tidy towns groups and councils.

## OFF TO OZ

The families, friends and relations of Robert Crowley, Glen, Stradbally and Noel Walsh, Kilrossanty, wish them both bon voyage and lots of good wishes as they set out for Australia and New Zealand this week. Farewell parties took place in Stradbally and Kilrossanty over the weekend to send them on their way. It will probably be their first Christmas away from home and Robert will be celebrating his 21st in January '02 in Australia. Both are on a farm exchange work programme.

## IRISH HEART FOUNDATION

The Irish Heart Foundation have organised another walk on the Sli route round the Ring of Ballyvooney on Sunday next 11th November, at 2.30 p.m. (weather permitting). Everyone young or old are invited to take part.

There are still some places available at the traditional music classes in Ballylaneen each Friday night at 7 p.m.

## ROOTS

From Rosaleen Garbett, Benvoy, Annewstown, Tel 051 396456 — Rosaleen would love to find photos of some of her forebears. The family tree goes like this: Sergeant John Anderson, R.I.C. and Elizabeth née Connolly, had a daughter Sarah, born 1873 in Stradbally. They lived in what is now Cashen's in Stradbally. Sarah married Pierce Power, Grouse Lodge in Garranurton on Valentine's Day 1893. Pierce was drowned while taking part in a boatrace from Ballyvooney to Stradbally in September 1895. Sarah later was remarried to William O'Mahony from Clashmore in or around 1902. She continued to live in the same house. Her eldest daughter Alice died aged 7 in 1910, Sarah herself died 1911. Her husband and the surviving children, Eileen 6, Sarah 4 (Rosaleen's mother) and John aged 2.

Friends, sponsors of children and witnesses at weddings include Forans, Caseys etc. Older inhabitants of Stradbally may have old photos of Andersons or young O'Mahony children.

Rosaleen would be very grateful for a loan of any of these for copying and for any information about the family. John Anderson was Church of Ireland and his wife Elizabeth, from Ballypeshick, near Nenagh, was Catholic. Their only son John was baptised in St. James Church and the girls were baptised in the Catholic

Church.

## GULL ISLAND

King Lonad has announced that, following deep research in the Irish Sea Scrolls, recently discovered on the island; he can now trace his ancestry to the Royal House of the O'Brien. As he is the oldest surviving member of the clan, at 103 years and two weeks, he may therefore fairly lay claim to the allegiance of the clan and demand their obedience in matters of faith.

Recognising the drift away from the true Gullible faith, he is instituting religious schools where the new clan teachers and gurus will be trained. These will be known by the ancient title of the Slurry-bawn, named from the guano deposits for which the island is known.

## EVENING CLASSES

Following on from a County Council initiative, some interest has been expressed in having evening classes here on furniture restoration, like how do you fix that kitchen chair of your grannies that has loose joints, etc? If enough people are interested, we will look into arranging it as soon as possible. Contact Brian on 051 293356.

## PIGGERY, PROCRASTINATION, POLITICS AND POLLUTION

The Environmental Impact Statement submitted must have been very seriously defective if The E.P.A. cannot make a decision without months and months of delay and many requests for further information or clarification. The E.P.A. should have declared the submission too seriously flawed to consider, right at the start. Instead, the whole country is in the European Court, with possible massive fines hanging over us. There is a time honoured legal principle that "justice delayed is justice denied". How many more years is this cloud going to hang over Stradbally. We all have lives to live and things to get on with!

## HOLY SOULS

The purple envelopes are due in with the lists of the faithful departed. There will be a special Mass in Faha, 7.30pm, November 19th and in Stradbally, November 26th, also 7.30 p.m. Please pass the word along to those who have moved away, but have loved ones buried here.

## LATE ARRIVALS

In 813 AD, the tradition has it, the tomb of St James the Apostle was found in Santiago De Compostela in Spain. Late arrivals at the funeral were Richie Power of Knockadromalea, Garvan Cummins of Ballykerogue and Davy Connors of Knock. In all fairness, they made the trip by bicycle so some lateness is excusable.

We now launch an unconfirmed rumour that one or more of the pilgrims might be available to give talks. Maybe Ryanair could open a route from Gull Island Airport to there, thus saving the tender

portions of future pilgrims anatomies from undue wear.

## MISSION ALIVE

The roll of honour continues yet further with Sr Bernadette (Foley), who served in England and Fr John Foley who served in the diocese of Waterford & Lismore; Sr Crescentia Gallagher, connected with the Gleeson family who served in Melton Mobrai as a Franciscan; Sr. Macaire Hurst, Nigeria and Ghana; Two priests from the Kett family, Australia; Br Polycarp Lenihan, connected with the Clancy family; Sr Abigail Power of Ballyvooney, related to Ann D'Arcy, Alabama; Sr Aloysius Walsh, Stradbally; Fr Matt Walsh served in the home diocese and is buried in Holy Cross Cemetery.

## STRADBALLY SHOWCASES CREATIVE TALENT

The Annual Designer/maker show organised by the County Enterprise Board took place at the weekend in Dooley's Hotel Waterford City. Once again the Stradbally Tourism and Enterprise Group sponsored and organised a booth to showcase the creative skills of Stradbally artists and craftspersons. The 'mad hatter' hats by Amy Fennell, Maria Conroy and Sandra Foley were once again in demand.

Artist Sue Burkitt showed a painting and cards and successfully promoted her work. Shirley Kett was delighted to sell her découpage pieces, and showed her skills by putting together a sample découpage on the stand, drawing a lot of onlookers. Martina Walsh's beautiful knitwork was much admired. Andrew Claxton's ceramic table-top centre-pieces were a hit, and his spalted beech table drew favourable comment.

Peg Connors almost sold out of her unique 'cuddlers'. New exhibitor to the Stradbally stand, talented artist Ed Corbett showed two excellent pencil portraits, and will be taking portrait commissions at the Stradbally Christmas craft-fair. Adjacent to the Stradbally booth was the work of local artist Róisín O'Shea, and together both stands showed that Stradbally is becoming a force to be reckoned with in the emerging arts.

## CHRISTMAS CRAFT-FAIR DEC. 2nd

Bookings have now been coming in for the annual Stradbally Christmas Craft-fair. While priority will be given to local exhibitors, time is running out and space is limited. # MELLERAY NOTES

## G.A.A.

On Saturday last, after a long and busy season we bowed out of the Junior B football championship. After playing and beating Tourin narrowly twice already this season, we knew that we would have to play to our full potential to record a win in the final of our group. On the day we never played to that potential and suffered a rather heavy defeat. Tourin were sharper and fitter and fully deserved the place in the Junior B Final. It was a long hard season which began in April with a record number of games played and the commitment given by our panel of players cannot be faulted. The new format of both the hurling and football championship has meant a lot of extra games which can only be a good thing and we look forward with confidence to next year. We have a good blend of youth and experience and this should ensure the strength of the club in the coming years. We would like to thank our many supporters who travelled to Ballyduff on Saturday last and indeed to all our games during the year, to our trainer Jim Power, our selectors and to P.J. and Dave Kiely for always having the pitch in tip-top order. The playing season has drawn to a close and from now on the club will focus its attention on the forthcoming Scor season. In recent years Scor has grown in Melleray and has achieved many honours at county level. Best of luck to all involved in Scor 2002.

## SYMPATHY

Sincere sympathy is extended to the O'Gorman family, Cooldelane on the death of Mossie O'Gorman who wore the club colours in his earlier years, R.I.P.

# RECENT DEATHS

## Late Geraldine Wickham (nee Keegan)

The very sad and sudden death of Geraldine Wickham, 'Cairbre House', Strandside North, Abbeyside, Dungarvan occurred on the 16th of October at Waterford Regional Hospital.

Geraldine was educated at Abbeyside National School and Presentation Convent Dungarvan and then went on to Carrick-on-Suir to complete a domestic science course where she graduated with honours. She then joined Aer Lingus and worked in Shannon Airport for several years.

1970 Geraldine married Lieutenant Brian Wickham and moved to Dublin where they had three children Karina, Keith and Keva. In 1981 Ger and family accompanied Brian to the Middle East where Brian was serving as a U.N. Observer in Sinai. They returned to Dunshaughlin, Co. Meath in 1983 where they lived for over twelve years. In 1995 Ger and Brian reopened Ger's family home (Cairbre House - The Old Hospital) as a B&B, previously run by her mother Máire and her grandmother Margaret Norris (nee Ó hAnnrachain). Ger's warm personality, attention to detail, culinary skills and outstanding hospitality ensured that the award winning B&B went from strength to strength.

Ger was a very talented and gifted woman with wonderful skills in crochet, knitting, tapestry and flower arranging. She was also very involved in the Choral Society in Dungarvan and later in Dunshaughlin. Her love of Irish music, song and dance and the language was nurtured over the many summers spent in Gaeltacht na Rinne. This was demonstrated by her role as founding member of Scoil Oilibhéir in Blanchardstown 1975 and her contribution to the establishment of Gaelscoil na Rithe in Dunshaughlin in 1985.

Always cheerful, Ger's vitality and energy knew no bounds and in her short life she didn't waste a minute of her time. She possessed a strong faith, a deep spirituality and a true sense of Christian values. Ger was an exemplary wife and devoted mother, she was also a truly wonderful friend on whom one could place their very life. When a good turn needed to be done, or a helping hand to be extended, people did not have to look beyond Ger. She uplifted, enriched and enhanced all who were privileged to know her and her local community has been rendered infinitely poorer for her passing.

The immense standing she enjoyed was mirrored in the hugely representative cortege which accompanied the removal of her remains from the Kiely Funeral Home to Abbeyside Parish Church on Wednesday evening 17th October. The remains were received and blessed by Fr. Martin Keogh C.C., he was assisted by Fr. Jim Mountain P.P. who delivered a most moving tribute to Ger which reflected a friendship that went back to their childhood in Dungarvan.

Chief celebrant at the Funeral Mass on Thursday 18th was Fr. Frank O'Shaughnessy O.S.A. assisted by Fr. Jim Mountain, Fr. Martin Keogh and Fr. Dick Marnell, Defence Forces Chaplain. The homily was delivered by Fr. O'Shaughnessy, whose close association and friendship with Ger, the Keegan and Wickham families was obvious to all. The bread and wine were brought to the altar by Ger's uncle Sean Norris and his wife Bernie. Music at the Mass was provided by Lorna Daly-Murray and a very personal touch was added by the Irish traditional music of Mick Daly, Rachael Cotter, Sean Fitzgerald and Frankie Shortall who performed Ger's favourite ballads and traditional airs during the Mass and finally at the graveside in St. Mary's Parish Cemetery where Ger was laid to rest.

Geraldine is survived by her adoring and darling husband Brian, her loving children Karina, Keith and Keva, son-in-law Dave Green, her uncle Sean Norris, mother-in-law Pat Wickham, brother and sisters-in-law, many cousins and numerous friends.

Go ndeine Dia trocáire ar a h-anam dilis.

(Funeral arrangements by James Kiely and Sons, Funeral Directors, Dungarvan.)

## Late Kathleen McGrath (nee Flynn)

With deep sadness we record the passing of Kathleen McGrath (nee Flynn), 17 Boreenatra on the 24th of October at St. Joseph's Hospital, Dungarvan.

Kathleen was one of life's greatest ladies and spent her life in the service of the community as a nurse, firstly at St. Patrick's Hospital, Waterford then to Hoile's Street, Dublin followed by the Maternity Unit St. Patrick's, Waterford and for twenty eight years before her retirement at the District and St. Joseph's Hospitals, Dungarvan.

During this time she ministered with great kindness to the young, the sick and the old. 'Nurse Pat' as she was known in the general community, is remembered fondly for the hundreds of children she helped bring into this world and for the many people she nursed in their declining years. It is perhaps fitting that after all her dedicated service to St. Joseph's, she was in the care of the nurses and attendants she worked with for her final days. As a mark of respect, much appreciated by her family, she was remembered by the staff as one of their own and for the night of her passing she lay in repose in the hospital chapel.

Not enjoying the best of health for the past few years, Kathleen nevertheless maintained her home and kept it as a warm and welcoming place for the family and friends. Until they became too difficult to maintain, her garden was a sea of flowers and many will remember the wonderful perfume of roses at the front of Boreenatra which was devotedly cared for by her brother Michael. We offer our deepest sympathies to her husband Pat, son Pat, daughter Philomena, brother Michael and all her relatives at this time.

Following prayers and rosary at the hospital mortuary the removal took place on Thursday evening to St. Mary's Parish Church. Fr. O'Riordan C.C., assisted by Rev. Fr. J. Gough O.S.A. and Rev. Fr. M. Cooney O.S.A. led all present in the funeral service. On Friday morning concelebrated Mass was offered for the happy repose of her soul by Rev. Fr. O'Mahony P.P. with co-celebrants Very Rev. Fr. M. Enright P.P., Very Rev. Fr. Callaghan O.S.A., Rev. Fr. M. Cooney O.S.A., Very Rev. Fr. W. J. Dee P.E., Very Rev. Fr. W. Carey P.P., Rev. Fr. J. Power O.S.A., Rev. Fr. O'Riordan C.C.

The readings were shared by granddaughters Michelle McGrath and Megan Cullinan, Susan McGrath and Alun Cullinan both read the prayers of the faithful while

music was played and sung by Ann and Thomas Noonan. In a moving communion reflection - grand-daughter Megan Cullinan played "I'll Take You Home Again Kathleen" on the flute.

Shortly after the Requiem Mass we gathered in the adjoining cemetery to pay our final respects as Kathleen was laid to rest.

Chief mourners are Pat (husband), Pat (son), Philomena (daughter), Michael Flynn (brother), Edwina (daughter-in-law), Brian (son-in-law), Michelle, Susan, Megan, Alun, Eddie (grandchildren), Ramie and wife Pat (brother-in-law), Mary and husband Ron (sister-in-law) and a wide circle of other relatives including nephews and nieces.

(Funeral arrangements by James Kiely and Sons, Funeral Directors, Dungarvan.)

## Late Philip McGrath

It was on Saturday morning, October 27th that the locality learned with deep sadness of the passing at St. Vincent's Hospital, Dungarvan of Philip McGrath, 17 Pinewood Lawn, Abbeyside, Dungarvan, who was aged 68 years and a native of Nenagh, Co. Tipperary.

Married to Mary (nee Hennebry), Philip was employed for a period at the National Bank in Dungarvan. In 1958 he emigrated to California and took up position at the University of California in Berkeley on the outskirts of San Francisco. He worked here for a five year period and then returned to Dungarvan where he purchased the famed Mick Whelan's Bar on O'Connell Street. Philip and Mary renamed it as "The Rusty Nail".

Having had previous experience with some English friends in the management and ownership of 'The Coachman' Restaurant in the States was a great help, his premises was one of the first in town to serve pub grub and their cocktails were much appreciated by a wide clientele who patronised the premises.

On selling the business, California beckoned once again and this time Philip and Mary went into house

management in an area south of the Golden Gate City. Due to failing health, Philip returned to Ireland and to Dungarvan in October 1994 and resided at Pinewood Lawn. He loved reading, birdwatching and the many strolls that saw him frequent Helvick, Colligan and the other popular walks. We offer our sympathy to his wife Mary, Philip's brothers, sister and other relatives at this time.

Removal took place on Sunday evening from the Kiely Funeral Home to St. Augustine's Church, Abbeyside. On Monday morning the holy sacrifice of the Mass was offered for the repose of his soul by Fr. Doherty P.P. with co-celebrant Rev. Fr. D. McCarthy C.C. The lessons were read by Frank McGrath (nephew) and by Brandon Hannon (nephew-in-law). Most appropriate music was played and song by Deirdre, John and Stephen Collender. In the adjoining cemetery we gathered for final prayers and blessing as Philip was laid to rest.

Chief mourners were Mary (wife), Brendan and Oliver (brothers), Lil (sister), Donna McGrath, Nanette Hennebry and Judy Creaner (sisters-in-law), Sean Hennebry (brother-in-law) and a wide circle of other relatives including nephews and nieces.

## LISMORE BADMINTON NOTES

### "Lismore Badminton Club Takes Treble In Tourin"

Last Sunday proved to be a very exciting and most successful day for our club with Lismore members winning the Anglesy Cup, the Scanlon Cup and the Donal Barry Cup in the annual competition organised by the Tourin Badminton Club. Pride of place goes to Ian Kearney who did "The Double" winning the Anglesy (5th and 6th division) with his experienced partner Connie Dowd

and the Scanlon Cup (3rd and 4th division) with a just slightly less experienced Isabel McGrath. We had an all Lismore final in the Anglesy final with Jason and Ciara Tobin providing Ian and Connies opposition, and we also had four Lismore members in the Donal Barry final with Colin Coleman and Angela O'Hara making no mistakes this time to claim the trophy over John Pratt and Nora O'Sullivan. The closest and most exciting final was the Scanlon

Cup where Ian and Isabel met Tourin couple Eamonn Scanlon and Ciara McGrath. Pa Morrissey, Isabel McGrath and Mary Morrissey also took part in the Donal Barry. Rebecca Coleman played in the Scanlon with Paul and Linda Owens, Conor Ryan and Maria Prendergast and Craig Tobin and Tanya Morrissey all participating in the Anglesy. Craig and Tanya reached the finals before going down to Jason and Ciara. Congratulations to all our winners (especially the evergreen Connie whose name appeared on the Anglesy Cup 15 years ago) and well done to everyone who took part. Our thanks to the Tourin Club for their organisation and invitation. We had a most successful week in our mens and ladies leagues also with all seven teams that played claiming victories: Division 4 men Ian, Tony, Robbie and Tommy beat Waterford 4-0 away. Division 6 Tom, Pat, Eamonn and Paul beat Tourin 4-0 away. Division 6 Conor, Craig, Paul and Trevor beat Waterford 4-0 at home. Division 4 ladies Isabel, Helen, Mary and Yvonne beat Old Parish 4-0 at home. Division 4 Rena, Ann, Jacinta and Rebecca beat Tallow 3-1 away. Division 5 Connie, Ann, Ann and Maria beat Modeligo 4-0 at home. Division 6 Yvonne, Kathleen, Moire and Breda beat Tourin 4-0 at home. Pa division 1 and Linda division 5 had their games cancelled until a later date. Well done to all our teams. Keep up the good work.

## Lismore Soccer Notes

### Lismore 1, Brideview Utd 2

After starting superbly with a Shanahan header 25 minutes into the game with 70% of the possession we just could not extend our advantage and finally paid the ultimate sacrifice 15 minutes from time when the away side scored from some sloppy defending from a corner. Worse was yet to come when 5 minutes from time the same side found the winner. Early days in the league yet but we have to start getting a few goals and into

the habit of winning again. Lismore F.C. would like to take this opportunity to apologise to the Red House League and all its members on the recent unfortunate incident over the Oscar Traynor game, an embarrassment in our club and league so apologies once again. Finally sympathy to teammates Eoin and David Bennett and James O'Connor on their recent bereavements.

### LISMORE BRIDGE CLUB

## LISMORE COMMUNITY PLAYGROUP

Hopefully everyone survived Halloween. Our Playgroup kids brought home their spiders and pumpkins to scare everyone!

We'd like to remind parents/minders of the Healthy Lunch Policy we have. Please do not include junk food in the children's lunches ie No fizzy drinks. No sweets. No chocolate. Not only does this promote healthier eating, but some of the children do get a bit 'hyper' after these foods.

We will be having a Church Gate Collection on Saturday night, 17th November before 7.30pm mass and on Sunday 18th November before 9.30am and 11.00am masses. We do hope you

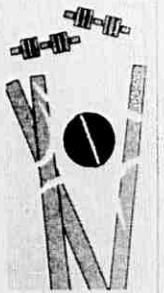

can give us some support. It will be very much appreciated.

Sadly, we said Goodbye to our Assistant Mandy Coleman. Thanks for all your help Mandy, much of it above and beyond the call of duty! Mandy was filling in for our Assistant, Caroline, who is back with us again after her maternity leave. Welcome back Caroline and congratulations on your lovely little boy.

Another reminder to parents/minders. Please, please, please label the children's coats, hats and bags.

We hope to see you the weekend of 17th and 18th of November for the Collection.

## LISMORE CRICKET NOTES

Just a few anecdotes from the world of cricket. These might give the readers the humour to carry them through these gloomy days.

My first concerns Pakistan player Farokh Engineer, then playing for Lancashire. He was asked, in view of the continued hostilities between India and Pakistan would he go back to fight for his country. "Only if the fighting reaches my village", he replied. "Then I will have to protect my wife and family". "Which village is that?"

"Altrincham", came the reply.

The sadly missed Brian Johnston of the BBC Radio 4's Test Match special was noted for his verbal gaffes on air. One of his classics was during a match between the West Indies and England, when the England batsman Peter Willey was up against fast bowler Michael Holding. "For the benefit of our listeners, the bowlers holding the batsmans Willey". Came the classic statement. Henry Bloufield another TMS commentator once stated at Headingley that he spotted a butterfly walking across the pitch. Some claim he reckoned it had a limp!

My next tale has been taken from an extract from a book by Brian Johnston. The M.C.C. were touring India, half the party were down with dysentery. Alf Gover had to leave his sick bed to make up the eleven. Alf's first few overs were uneventful, but then after his long hustling run up he shot past the crouching umpire and thundered down the pitch with the undelivered ball still in his hand, one knew something was amiss. The batsman, fearing a personal assault sprang smartly backward, but the flannelled giant sped past looking neither left or right. Past wicket keeper, slips and fine leg in a flash, he hurtled up the pavilion steps in a cloud of dust and was gone. The fine leg fielder chased after him to rescue the ball from the bowlers convulsive grasp!

There used to be a tradition in preseason matches and charity matches of bowlers giving incoming batsman one to "get off the mark". But it did not always work out. Hampshire played a charity game against Lord Porchester XI. "Butch" White the fast bowler had restrained himself admirably, bowling well pitched up military medium at all the club batsmen. When his Lordship came in the Hampshire skipper went up to Butch and said "Give him one Butch", then walked away. Butch's eyes gleamed at the welcome instruction and he paced out his usual thirty yards run. Before the Skipper could stop him he came charging in at full speed and bowled a terrifying bouncer which nearly removed his lordships head.

Attention Lismore Cricket Club members AGM at Red House on Saturday 10th November at 8 pm.

## Brideview Utd A.F.C.

### UTD WIN LOCAL DERBY

Yes Utd got back to winning ways when they came from behind to clinch all three points. Utd's victory was welcome and it was marvellous to see our new players from Ukraine. We welcome Sasha and Sergy and we hope their stay will be a successful one. Our division two team were involved in a thrilling game before going down 6-4.

### RESULTS PREMIER LEAGUE

#### Lismore 1 Brideview Utd 2

For much of this game it looked as if the homeside hold out for victory but Utd turned in a terrific second half performance and ran out winners. Utd began well and newcomer Sasha shot wide after just 10 min. William Henley had a terrific shot saved by Hornibrook after 20 minutes.

A minute later Lismore went in front. A corner kick into the box was headed home by Dan Shanahan, Utd tried hard to equalise. Sasha found Michael Keating but he was denied by another great save by Lismore's keeper. Our other newcomer Sergy was denied again by Hornibrook. At the break Lismore led 1-0. Utd upped their game in the second half and Paul O'Brien was denied by Lismore's keeper after just 51 minutes.

Keating and Henley had efforts saved before Utd got the equaliser. At this stage Lismore's defence had been under a lot of pressure and P. Grey scored the equaliser in the 81st minute from close range. Utd now went all out for the winner and it was worth waiting for. Paul O'Brien picked the ball up on the halfway line. His marvellous run took him past the full back and into the box. O'Brien's cracking shot was pushed onto the crossbar by Hornibrook but Dermot Henley ran in to head home.

This proved to be the winning goal. Brian Henley stepped into goal today and performed well but we should have Billy Sheehan back next week.

Utd: B. Henley, R. Cronin, P. Tobin, G. Beecher, S. Pratt, Sasha, Sergy, J. P. Grey, M. Keating, B. Henley, P. O'Brien. Res used: D. Henley and P. Costigan.

### RESULTS DIVISION TWO

#### Clashmore Ramblers 6, Brideview Utd 4

What a thriller this turned out to be. Utd will feel hard done by here as three times they went in front only to be pegged back each time. A penalty to Utd saw Brian Donnelly put us in front early in the game. Ramblers came back and equalised and at the break the sides were still

level at 1-1. The second half was a real ding dong affair. William Curley

restored Utd's one goal lead only for the homeside to once again equalise. Brian Donnelly tapped home Utd's third goal but Ramblers did not give up. Back they came again to bring the game level at 3-3. For the first time Ramblers went in front with minutes left and added a fifth a few minutes later. Frank Power scored for Utd to leave it 5-4 with seven minutes left Ramblers scored again to clinch the points.

Utd: G. Fitzgerald, P. Cronin, L. Murphy, M. McGrath, F. Power, P. Murphy, M. Walsh, W. Curley, B. Donnelly, J. Farmer, T. Linehan. Res: F. O'Gorman, P. Kearney.

# Tallow GAA Notes

### RULE 21

I have always interpreted rule 21 as a form of sanction similar in many ways to the sporting sanctions imposed on the corrupt apartheid regime in South Africa. In the South African situation you had a corrupt unrepresentative government which discriminate against one section of the community.

Most countries broke off sporting links with S. Africa. Not to do so they felt would confer legitimacy and acceptance of the system that prevailed. When the apartheid government eventually succumbed to world pressure and internal struggle then and only then were the sporting sanctions lifted. The situation in the 6 counties has many parallels. The R.U.C. and other armed militia like the U.D.R./R.I.R. are not considered legitimate or impartial by Nationalists. Indeed Nationalists have suffered previously at their hands.

The abolition of Rule 21 which is largely symbolic, would signal a recognition by Nationalists that these armed groups are legitimate and impartial. Have we reached that stage? That to me is the key issue for the nationalist GAA people in the 6. It angers me to hear the pious utterings of the righteous ones in the 26 counties who use rule 21 as a stick to beat the GAA. They have no understanding of the realities on the ground. For 30 years their silence was deafening while nationalists and in particular GAA people were pummelled into the ground by forces of the British Government.

Sport and politics shouldn't mix they claim indignantly. When you are stopped on a lonely country road between Pomeroy and Carrickmore with darkness approaching - marched off the bus with your minor hurling squad - some as young as 14 and stood on the side of the road by armed R.U.C. and U.D.R. units for almost an hour - that's what I call bringing politics into sport.

These young lads crime was to carry badges of identity - their hurleys. There is no doubt rule 21 will be defeated soon - it may even go on this occasion. Personally I feel Sean McCague, like his predecessor, has jumped the gun on this one. Significant changes are taking place in the 6 counties. The only changes so far in policing is that from midnight on Saturday night the R.U.C. will now be known as the Police Service for Northern Ireland just like Long Kesh became the Maze and the U.D.R. became the R.I.R.

I think Sean McCague could have bided his time until Easter but the gut feeling among GAA people in Derry and Tyrone I spoke to is that he is beholdin to Bertie to act now. I am told that our Waterford delegates will take their lead from the Northern counties - whether this meant the occupied 6 or all nine Ulster counties I could not determine. Already Armagh and Derry have voted to retain rule 21. Tyrone, always the great victorious test of GAA division up

there will follow as I believe will Antrim. The situation in Fermanagh is not as clear while Down is the most likely to vote for abolition.

Either way there will, I believe be a clear majority in the 6 for retention and Waterford must show solidarity. We do not have the right to do otherwise.

### KERRY SUPPORTERS

Knock and "Lahy" were severely traumatised after the drubbing by Meath in the championship and Councillor Tobin believes they went for counselling. Anyway the show is back on the road again and the boys headed West last Sunday week for the Kerry County Final. They received a royal welcome from Paudie and other dignitaries in Killarney and were delighted with the Gaeltacht's win. Their club chairman isn't a bit happy however as he says it would be more in their line to go to watch the Shamrocks.

### TALLOW RE-VISITED

We hope Aurelie Travel enjoyed her return in Tallow. Aurelie, from Massey near Parish has taken up a teaching post in Letterkenny for a year and spent her mid-term break with the Hartigan family.

She has a great interest in Gaelic culture and language and was very impressed with our first hurling game when she watched the U-21's in the championship. It was very "Manly" she said and Paul Kearney was the best player. We hope Aurelie will visit us again before she returns to Paris in the spring.

### CLUB MEETING

There will be an important club meeting this Thursday night at 9.30 in St. Patrick's Hall. This will be the last meeting before the A.G.M. and it is important we have a full turn out.

### RACE NIGHT

Big race night is coming up in the Corner House on Friday 16th November. More details next week.

### DUIRT SIAD

"Your best champagne, by the pint please". Aurelies reply when Finn offered to buy a drink.

"Can I have a gasket for a blue van" local character overheard in a motor factors recently.

"The notion of a member of the police force arriving for training in full uniform and armed is just too raw for many people around here to accept". O'Donovan Rossa club member Dessie Slane.

## CLLR. STRESSES IMPORTANCE OF "EQUALITY AGENDA"

A member of Waterford County Council has expressed disappointment at recent research showing that women are still paid less and hold only a fraction of senior

posts despite two decades of policies aimed at tackling inequality.

Cllr. Fiachra Ó Céilleachair says that while Government policies have had some im-

act on closing the gap between men and women, far more needs to be done. Cllr. Ó Céilleachair points out that women constitute the majority of the population in Co. Waterford, yet ongoing research carried out by the trade union movement shows that section of the population to be at a disadvantage.

Speaking on the issue, Cllr. Ó Céilleachair said:

"Research shows widespread inequality between women and men across a host of areas. Women, including those employed throughout Co. Waterford, are paid on average 15% less than men. The State has failed to meet targets of a 3 to 2 male/female ratio in the

civil service. Just 3% of managing directors are women. Only 13% of Dáil deputies are women. There is only one female County Manager out of 34 in the country."

"Among the reasons cited for persistent inequality are the disproportionate burden of household duties (including child-minding and elder care) falling on women, the persistence of so-called women's jobs and the lack of response by employers to the particular demands placed on women."

Cllr. Ó Céilleachair says the equality agenda is something those in authority need to have in mind and he would be pushing the case in Co. Waterford.

### LETTER to the EDITOR

A Cara,

I returned to Cappoquin after an absence of 38 years. I was born in Allen St. known locally as Barrack St. I wish to draw your attention to what I observed also what many local people had to say.

My own difficulties were with "Free Travel", especially between Dungarvan and Cappoquin. A service twice a day would be appreciated if it operated in both directions. This service could be operated by a mini bus.

Local people have also expressed their concern. Others have apprehensions about traffic control and management and I could see they have very good reasons, as the system at present is all in favour of the users of the N72 there is an inadequate and total disregard for other road users. I would list them as follows (a) speed limit signs, very small, poorly placed. Most traffic does not observe or obey the law. Traffic calming measures are not in place. (B) There are two very dangerous junctions for traffic entering the N72, one at St. Anne's Church, the other at the Railway Bar, traffic lights installed at both junctions properly synchronised would facilitate all road users.

Another matter which gave me food for thought was how some property in the town, Barrack St., for example, there are many buildings unoccupied, others occupied but allowed to fall into disrepair. It would improve the towns appearance for locals and tourists.

Perhaps Cappoquin some day may win the Tidy Towns Competition. I hope this letter will initiate action on some or all the above points.

I remain yours,

James McCarthy

#### Important Speaker and Seminar in Dungarvan

On Tuesday evening next November 13th in Lawlors Hotel, Dungarvan at 8.00 p.m., a very important seminar will take place which is of interest to all farmers.

**Dr. Pat Wall** will speak on Producing Safe Food from the Farm. Dr. Wall is Chief Executive of the Food Safety Authority and a Veterinary Surgeon and Medical Doctor by profession. He is a most interesting and forthright speaker, frequently interviewed on national radio, and I have no doubt that he will have very practical advice for farmers on how to ensure that food produced on farms is safe for the consumer. Co. Waterford is one of five counties where EU Nitrate levels have been breached in some bore-holes tested within the county. By the end of 2001 Waterford Co. Council is required to identify the nitrate vulnerable zones within the County and by the end of 2002 have specific plans in place to deal with the problem.

**Mr. John O'Sullivan**, Waterford, County Council will discuss the possible implications for Co. Waterford farmers of the implementation of the Nitrate Directive.

**The Waterford Good Farming Practice Award 2001** promoted by Glanbia, IFI, ICMSA & Teagasc will also be presented on the night.

All farmers and family members are welcome.

#### Dairying

##### Rules for Dry Cow Therapy

Billy Meaney, Teagasc, Moorepark advises dairy farmers to follow these rules at drying-off:

- Select cows for drying-off
- **Always** clean teats with cotton wool soaked in methylated spirits before infusing dry cow products
- **Read label instructions** – ensure product is for use in dry cows
- Infuse dry cow product – infuse all quarters
- Massage into udder
- Teat dip or spray
- **Keep accurate records** of drying-off and expected calving dates.

##### Feeding the Dry Cow

● The recommendations for nutrition and management of the dry cow are:

- To allow a 10-week dry period for heifers and 8 weeks for all other cows. If animals are in very poor condition coming towards the end of their lactation somewhat longer dry periods can be allowed.
- To attempt to dry off cows in the condition score desired for calving down (3.0 to 3.5 on the five-point scale).
- To restrict or supplement the silage, depending on its quality and the condition of the cow at drying-off, for the dry period lengths mentioned above. A dry cow mineral mix should be fed to all cows. A supplement of 12-14% crude protein is adequate with grass silage for dry cows.

#### Cattle

##### How much are Cattle worth?

Teagasc cattle budgets suggest that while most types of young and store cattle are somewhat overvalued at present, nevertheless there may be some value out there. These budgets **assume** (rather than predict) a sale price for the various categories of stock, allocate a reasonable margin, allow for costs and premia and calculate the price at which the appropriate animal needs to be bought in. Obviously, if the sale price assumption is wrong, the resulting purchase price also misses the mark, but some assumption must be made. Looked at in this way, Friesian, Hereford and Continental bullocks for winter finishing have a value of £97, £102 and £117 per 100 kgs respectively with spring price assumptions of £0.80 to £0.86 per pound. Translated into "mart speak", 500 kg stores would be worth £485, £510 and £585 per head for the three breed types to leave a margin of £56.

Continental store heifers at 430 kgs would need to be bought for £355 to leave £50 profit, while suckled weaning bulls are valued at £155 per 100 kgs for finishing as bulls, and at £144 per 100 kgs for 2 year old beef systems. £150 per 100 kgs is equivalent to £450 for a 300 kg weanling.

All of these figures are available in your Teagasc office, and prospective buyers of all types of stock really should study them.

## TAX WRITE-OFF ON QUOTA PURCHASES TO BENEFIT SMALL/MEDIUM SIZE PRODUCERS — WALSHE

IFA National Dairy Committee Chairman Pádraig Walshe said the announcement of the EU's green light allowing for the immediate implementation of the tax write-off on milk quota purchased since April 2000 vindicated his advice to farmers to go ahead and claim the tax relief. He said the measure, which will apply to all quota purchases, would benefit small and medium size producers first and foremost, as further to the reform of the milk quota regime which he was instrumental in bringing about in April 2000, new private leasing was no longer possible, and most quota transactions were now taking place through restructuring and the buying out of leases. In the last two years, small and medium size producers have purchased 88% of the quota reallocated through the 2000 and 2001 restructuring schemes, and accounted for an estimated 71% of all bought-out private leases, or 61% of the quota bought out in this way.

"I negotiated this tax relief in the Programme for Prosperity and Fairness, and had secured its inclusion in the 2001 Finance Act. I have always seen it as a vital part of the milk quota reform of April 2000, which I was instrumental in delivering. It is very much in line with the aim I pursued throughout my Chairmanship of the National Dairy Committee, namely to reduce the cost of quota for smaller active milk producers anxious to develop their enter-

prise," Pádraig Walshe said. "Going forward, this measure will be even more valuable to small and medium-size producers. Now that new private leases and sales are a thing of the past, more quota will become available through restructuring, at a decreasing price, to which priority category producers will have prime access. This tax relief will contribute to further reducing the cost to smaller producers, thereby further helping to take the chequebook out of milk quota acquisition," he said.

"With this new tax write-off, we now have a milk quota management regime which, although it can no doubt be fine-tuned further, really delivers the goods for priority category milk producers. I therefore call on the Minister to ensure that the spirit as much as the letter of the law are duly respected, to ensure that no cleverly constructed 'lease by another name' is allowed such quota out of the Restructuring scheme pool," he concluded.

## DEPARTMENT OF AGRICULTURE

### Dairy Partnerships

Minister Walsh has announced the introduction of partnership arrangements in the dairy sector. He said these arrangements will contribute to presenting farming as an attractive career, particularly for younger people. They can provide access to a viable career for younger farmers who might otherwise find it difficult to survive on a small quota. In addition, if operated well, these arrangements should enhance the profitability of milk production as well as improving the structure of the industry at production level.

The Minister also announced the introduction of a pilot scheme for the allocation of milk quota to suitably qualified farm managers. Up to ten farm managers will be allocated quota at the level of 70,000 litres, the same level as applies for new entrants. "I would hope that this pilot scheme would be seen as an incentive for committed young farm managers who wish to make their future in the sector. Their contribution in the years ahead could be very significant for the

industry," Minister Walsh said.

### Tax Concession on Restructured Milk Quota

Minister Walsh has announced that following clarification from the European Commission, the tax concessions on the purchase of milk quotas, agreed last year by the Minister for Finance, Mr Charlie McCreevy TD, would now go ahead. These taxation measures were included in the Finance Act, 2000.

He stated that this measure was a key element in the successful operation of the milk quota restructuring scheme. The restructuring scheme over the past two years had allowed for the transfer of over 80 million gallons of quota to active, committed producers, most of whom are in the small or medium size categories. The price of quota under the scheme, along with the favourable tax arrangements agreed by the Minister for Finance had made it possible for such producers to purchase additional quota at a reasonable cost.

### Payments for Control of Farm Pollution

All outstanding payments

under the National Scheme for the Control of Farm Pollution will be paid immediately. Minister Walsh said this follows extensive negotiations between his Department and the European Commission to raise the ceiling for payments under this state-aided scheme from £15 million to £30 million.

When originally negotiated with the EU Commission, this scheme anticipated making grants to some 2,000 applicants. By the time the scheme closed, however, almost 6,000 applications had been received, and the eventual total grant-aid that will be paid out to farmers is likely to reach £30 million.

### 30-Day Holding Period

Minister Walsh announced that the 30-day holding period for purchases of susceptible animals is being extended to 31 December 2001. Under this rule an animal may not be sold or supplied onward within a period of 30 days from the date of purchase unless the buyer has received an exemption which is granted only in particular circumstances and subject to conditions. Extension of the

movement controls for a further two months would provide an additional safeguard in containment and control measures for Foot and Mouth Disease. The Minister reminded farmers that FMD 9 movement permits are still required for the movement of cattle from farm to farm. He warned that the severest action would be taken against operators who attempted to flout or manipulate this requirement.

### Minister Meets U.S. Agriculture Secretary

Minister Walsh recently met U.S. Secretary for Agriculture, Ann Veneman in Washington. The meeting covered a range of issues including the question of the resumption of Irish pigmeat exports to the U.S., the potential threat to exports of casein and milk protein concentrate to the U.S. and this week's World Trade Organisation negotiations in Doha. In relation to the WTO talks, Minister Walsh emphasised the significance of the reforms to the CAP which the EU had already implemented and in this context he highlighted the case for the retention of the Blue Box payments and the role of export refunds.

## The National Hill Farmers Association

### PROPOSAL FOR FIXED EWE PREMIUM

Ewe Premium - N.H.F.A. demanded a premium of £30 per ewe. This would bring into line with premium paid to other live stock units.

N.H.F.A. has called on all other farming organisations to come in line and look for a £30 ewe premium.

We have asked the other farming organisations to meet us on this issue, some have and more have said N.H.F.A. go their way and others go their own way.

We feel by getting all farming organisations to agree at one figure it might help the Minister to get a satisfactory ewe premium.

### BEEF LIVE STOCK UNIT 2001

Suckler cow premium live stock unit £162.70 = Ewe premium £24.65. Special beef premium live stock unit £180.00 = Ewe premium £27.27. Bull beef premium live stock unit £241.66 = Ewe premium £36.61. The average of the 3 units = Ewe premium of £27.51.

For 2001 farmers so far have only got a ewe premium of £5.64 and it now looks like the final instalment will be around £2.50. This is a loss of ewe premium of £20 in ewe or £130 live stock unit.

## BUS DRIVER RETIRES

The commencement of the school year in September saw the retirement of Noel Henley as a school bus operator/driver who had transported children to Ballyduff National School for the past twenty seven years. Noel brought children from the Inchinleamy, Toot, Black, Tobermahilla, Lyrenagloch, Mocollop, Ducarrig, Glenfernam, Gortnapeeka and Ballyhavane areas to St. Michael's School. To mark his retirement Noel recently received presentations from the parents for all the help and co-operation down the years. A special word of thanks to the organisers of the presentation and whatever words of thanks that have been expressed are not enough to cover the goodwill of all concerned. We wish Noel many years of happy retirement from his position of school bus driver/operator and thank him from providing such an efficient service for so many years.

## COMMUNITY CARE GROUP

The local community care group were invited to social evenings in Tallow and Conna, Co. Cork. More than twenty members travelled to Tallow recently for a lovely social evening. It is hoped to organise a trip to the Hazel Tree for Sunday afternoon tea dancing shortly. These evenings are from 4.00 pm until 6.00 pm and are proving very popular in many areas.

More details of this and the forthcoming annual general meeting of the local group at a later date.

## G.A.A NOTES

The U-21 footballers bowed out of the championship at the first hurdle when going down to a heavy defeat against Kilgobnet in Fraher Field on Saturday last. The club would like to thank the players who made themselves available for this game, some of very short notice. This can not be said of the players who failed to turn up without notification to the team management which is most disappointing. Some players were not available and this is understood by club officials.

The U-16 hurlers were defeated by Abbey-side in the divisional final at Cappoquin on Sunday morning last on the score of 3-4 to 0-2.

A meeting of the adult club committee will take place tonight (Wednesday) at 9.30pm in St. Michael's Hall and all members are requested to attend.

## THE LATE MICHAEL LYNCH

With great sadness we record the death of Michael Lynch, Shanacoole, Kinsalebeg. Micky was called to his eternal reward on Tuesday October 30th at Cork University Hospital following a brief illness. Micky will be dearly remembered as a quite gentle unassuming man. A gentleman to the core. His kind friendly inoffensive disposition won for him the affection and esteem of all who knew him. He was regarded as a very honest and hardworking man. In his early working years he transported milk by truck from all areas of West Waterford.

Later prior to his retirement he worked with Waterford County Council. At all times Micky was a most obliging and helpful man. Despite a mild physical disability in the final years of his life Micky bore his cross with true faith and never allowed it to take away his love of life and his enjoyment of being out doors. Most days he loved his walk along the main road and get out and about. Reposing at Murphy's Funeral Youghal, Micky's removal took place to Piltown Church on Wednesday evening following requiem Thursday. Micky was laid to rest in the adjoining cemetery.

To his devoted wife Molly his son John, his grandchildren Stephen, Alan and Geraldine his daughter in law, Geraldine, his brothers and sisters and all his loving family and friends we extend our deepest and heartfelt sympathy. Ar dheis de go raibh a nam.

### AFFANE SOCCER NOTES

Last Sunday we played at home for the third week in a row. We were home to Blackwater Rangers and what a game it turned out to be. We started very poorly with Blackwater putting us under a lot of pressure, it was only a matter of time before they scored and they got it 30 minutes into the game, it was the kind of thing to get us going. After they scored we went up field and were back on level terms 2 minutes later from the boot of James Maher.

It stayed that way until half time. We started the second half much better but again Blackwater were 2-1 up with 10 minutes gone in the second half but again we didn't drag the heads with a good run by Kevin Reddy who sent a great ball to James who made it 2-2 from close range, but again some bad defending by us let in Blackwater to make it 3-2. Again we fought back to make it 3-3 thanks to Kevin Reddy 'are you reading this Kieran'. With 5 minutes to go it was the old fella's younger brother P.J. and what a goal it was all of 30 yards, it was an unstoppable shot to make it 4-3. We held on till the finish, thank God. It's just great to see the never give up attitude and heart in the club.

Team: Shane Coughlan, Dermot Twomey, Mick Browne, Mick McCarthy, Brian Denn, Kevin Reddy, Tom McGrath, Dennis Byrne, Kevin Wilkinson, James Maher, John Crotty, Subs P.J. Veale for Tom McGrath, Brendan McGrath for Dennis Byrne, Sham McCarthy for Shane Coughlan, Mick Prendergast. Just a note to tell Kieran his place is very dodgy in the squad now, PJ played very well.

## Cappoquin/Affane G.A.A. Club Notes

### CLUB LOTTO

On Saturday 27th October at "Buttons Bar", the numbers draw out were: 9,21,24,25 and we had no jackpot winner. Our five consolation prize winners were: Maggie Connor C/o Central Bar, Tom Morrissey C/o Buttons Bar, Peggy Crotty C/o Central Bar, Tom Morrissey C/o Buttons Bar, Peggy Crotty C/o Central Bar, Phil Cuddihy, Main St, Ger Murray Kilgret. This weeks jackpot prize is £3,100 and the draw was held at Walsh's Hotel on Monday 5th November. No results will appear in this section next week.

### BLUE IS THE COLOUR

Well done and congratulations to the blues of Ardmore and Ballinameela who won the county junior hurling and football titles last Sunday. I don't know did the Ballinameela lads sing the old Chelsea football song, "Blue is the Colour Football is the Game" but by all accounts the "craic" was mighty. Well done again lads.

### U-21 WESTERN FOOTBALL CHAMPIONSHIP

#### Affane 0-17 Sliabh gCua 3-6

In this U-21 football game played in Abbeyside on Sunday last, Affane emerged as winners by a two point margin. Affane dominated this game from the throw in and led by 11 points to 3 at halftime, thanks to some well taken points from Shane Coughlan and Donal O'Rourke. However, in the second half some extremely poor defensive work allow Sliabh gCua in for the goals despite the best effort of goalkeeper, 16 year old John Cunningham. Despite strong pressure in the final five minutes from Sliabh gCua, Affane held out for a well deserved victory. This was a great team performance from all 15 players, who displayed great potential and with a little luck and further commitment could go all the way in the championship. One disappointing note from this game was the number of players who failed to turn up despite giving a commitment to do so. Surely this is no the way to treat your playing colleagues. Team: John Cunningham, Kevin Looby, Brendan Scanton (T), Brendan Scanton (A), Shane Barry, Richard Scanton, Liam McLoughlin, Duncan McCarthy, Kevin Foley, Alan Hogan, Shane Coughlan, Michael Scanton, Stephen Hogan, Donal O'Rourke, Kevin Kell.

### BENS BONANZA

## TOURIN GAA CLUB NOTES

### FOOTBALL CHAMPIONSHIP

We played Melleray in Ballyduff on Saturday last in the final of our section in the football. Going into this match, we knew that Melleray would be no pushover, having beaten us twice previously in the League. From the start we really tore into them and could have had a couple of goals in the first five minutes. Our backs who were always on top drove in plenty of good ball to the forwards and we started to take our scores. At half time we led by 1-5 to 1 goal, our goal coming from Stephen Hogan. The second half was all one way in our favour and we added another 2 goals and 3 points to Melleray's single point. This was our best display in the football this year. Jimmy was again sound in goal, making one great save in the first half. Our full back line of Benny, Fox and Tom were always safe. The halfbacks of Michael, Colm and Brendan were rock solid and played a lot of good ball into the forwards. Vinny and Dock mopped up for us in mid field giving great help to our backs. Five of our six forwards scored with Jamie and Moses giving some lovely passes. Overall a great win, with the scoreline a true reflection of our superiority.

Team: J. Collender, B. McGrath, B. Mermin, T. McGrath, M. Walsh, B. Scanton, C. Bennett, K. O'Donnell, V. Ormond, B. Leahy, K. Leahy (0-2), K. Wilkinson (0-2), D. Wilkinson (1-3), M. Scanton (0-1), J. Dalton, P. Cronin, P. Walsh, S. Hogan (2-0), C. Wilkinson, J. D. Leahy.

### FASHION SHOW

All lights are green for our Fashion Show which will be held in Lismore Hotel at 8.15 p.m. on Thursday, November 15th. We are hoping that the proceeds from this event will clear the existing debt on the Hall and this will enable the club to plough ahead with our plans to upgrade our existing facilities.

N.B. A trial run for all models will take place this Wednesday night at 8 p.m. in Tourin Hall.

## Best of Luck to Tom and Fethard

In January of last year club player Tom Mansfield was appointed football trainer with the Fethard GAA Club in Tipperary and within a short time was appointed manager of their Senior Football team. In his first year with the Tipp club the U21's won the County Championship and the seniors were runners up in the County League. This year has been more successful for Tom and his players with the U21's winning the County Championship for a second year and the senior footballers winning the South and County Leagues and on Sunday next they contest the Co. Senior Championship Final in Semple Stadium, Thurles. Having beaten the likes of Moyle Rovers and Ardinnan on the way they are looking forward to the big match. Tom has been a key member of our club hurling and football teams over the years and has also played minor and U21 football with the county and was a member of the U21 hurling panel of 92 that won the All-Ireland.

Tom is a member of the Army with the past 12 years, based in Kichham Barracks. Clonmel he has been training recruits with the past 4 years. In 1999 he completed National Cert in Exercise and Fitness through the Defence Forces Physical Culture School and Limerick University and is now the Physical Training Instructor for his barracks where he is responsible for the fitness of up to 200 personnel.

It's nice to hear of one of our club members doing well in the management side of the game for a change and we would like to wish Tom and his team the very best of luck in the final on Sunday.

# ABBEYSIDE TOPICS

## ABBEYSIDE SCOUT NOTES

Last Saturday's meeting was a full uniform meeting for all concerned and it showed up what was missing as far as uniform is concerned. Both cub and scout section need to acquire various parts of uniform in order to be up to standard. We are a uniformed organisation and so this is placed high on our list of priorities. Everyone was informed of the need to have full and correct uniform by the first meeting when we start back after the Christmas break. So hopefully Santa will be kind to those requiring uniform parts.

This week's meeting was taken up to a large extent with checking up on the progress of individual scouts as far as testwork is concerned. Testwork/merit badges are important to the scouts in particular, as when having learned from the various books, skills such as cooking, fire lighting or map reading, all of this is then put into practise when attending for example hikes, annual camp or competitions. Scouts learn their various skills in passing through the different levels of testwork known as Tracker badge, Explorer badge, Merit badges etc.

Cubs also have a test work based system very similar to the scouts but on a level suitable for that age group (8-10). Games on the night included Frenchies version of table soccer which is much too difficult to explain here as well as some relay games. Drill too was part of the meeting with both sections showing great improvement in their abilities to follow precise drill instructions i.e. left turn, about turn and forming groups. This particular skill will be put into practise on Friday the 16th of November when all sections will be attending the annual Mass for deceased members.

No scout or cub section meetings take place this Saturday night due to the overnight in Melleray scout centre for the scouts and the hike on Sunday for the cubs, so all in all a busy weekend coming up.

The senior patrol leaders were also reminded of a meeting for them this Friday night the 9th at eight thirty, a full attendance is needed.

## LOCAL HISTORY

In much of the 16th century there was a strict curb on "illegal exports". The list of illegal exports is comprehensive and was an attempt to halt the cornering of certain commodities and thus leaving the country without essential supplies. It was a century of warfare, when food was often scarce in one part of the country or the other. The commodities mentioned were wheat and all kinds of grain, beef, lard, bacon and butter, tallow (the harder and less fusible fat of animals melted and separated from the fibrous or membranous matter), wax, wool, flocks (coarse woolen cloth) tanned leather, hawks, hobbies (ponies or light horses), horses and large quantities of gold and silver coined or in bullion.

The port of Dungarvan was one of the twelve principal ports of Ireland in 1566 where George Lodge was empowered by the government to search ships, which might be carrying illegal exports. His fee was one quarter of all that he confiscated. The object was to hold these items for "our garyson and fortes" as well as for the common good of the population who could be left without these goods due to the greed of some merchants. However, the total banning of all these basic items of field and workshop was also a brake on Irish commerce.

[Ref. A History of Dungarvan Town and District by Patrick C. Power M.A., PhD. The book is available from Power's Book Shop, 36 Mary Street, Dungarvan].

## CHRISTMAS LIGHTS IN ABBEYSIDE

With the number of shopping days to Christmas decreasing rapidly thoughts turn to the erection of Christmas Lights in Abbeyside for the third year in succession. Originally the lights cost £9,000 and the erection of the lights each year involves additional expense. With the recession biting deep in the Abbeyside/Dungarvan area funds to keep the project going is going to be more difficult than ever. Dungarvan Chamber of Commerce do not wish to be involved in the erection of the lights in Abbeyside this year so the responsibility will rest with the Pattern Committee, Johnny Hourigan and Miguel Garcia. There is a lot of work involved and hopefully weather conditions will remain dry so the work can be carried out in reasonable comfort.

### MURPHY PLACE RAMPS

Within the next two weeks two ramps will be put in place in Murphy Place to reduce the speed of traffic in the estate. During the trial period the reaction from residents was positive. One of the ramps will be placed outside Mary Dixons house and the other will be erected under a set of electric light standards so they will be easily visible at night. The ramps have been constructed with plastic material so they will be movable. A special word of thanks to all involved.

### WHISPERINGS FROM THE POOR MAN'S SEAT

Local man Matt Organ is to propose at the Annual General Meeting of the Abbeyside/Ballinacourty G.A.A. Club that Abbeyside and Dungarvan amalgamate to form a senior hurling team in the twin towns. With the local colleges here in the west joining together to form a team to take part in the Harty Cup Munster Colleges competition Matt Organ's proposed can be regarded as another step in improving and raising the profile of hurling in this part of the county. It should certainly

make for a lively discussion at the Annual General Meeting. At the end of the day it will be up to the members to decide if the proposal will be carried and advanced a stage further.

### ABBEYSIDE GET-TOGETHER

The way the idea is developing it now seems that Saturday, November 17th will be another night to remember. Tickets (at £15 each) are going very well and there seems to be a great "buzz" about the function which will take place at the Park Hotel with a sit-down meal, followed by dancing.

## YOUR SCRIBE VISITS GUYANA IN SOUTH AMERICA

Pictured above is your scribe with the largest known falls in the world behind him. Kaieteur Falls has a perpendicular drop of 741 feet before it cascades a further 81 feet to the gorge below thus travelling a total distance of 822 feet. Kaieteur Falls deep in the rain forest of Guyana has a perpendicular drop five times that of Niagara Falls and twice that of Victoria from 250 feet in the dry season to 450 feet in the rainy season.

Is this a first experience for a local man (or even a Waterford person)?

Guyana also boasts Orinduik Falls which is regarded as the more 'accessible' of the two falls and could be described as a natural jacuzzi for the adventurous traveller.

## ABBEYSIDE COMMUNITY CENTRE NOTES

At this stage every house in Abbeyside should have received their questionnaires. We would ask that you please take a few minutes to fill up the questionnaires for us. Committee members will be calling to collect your completed questionnaires within the week.

All committee members are reminded that the next meeting takes place on Wednesday night the 7th November at 8.00 p.m. in Abbeyside School. Any new members are most welcome.

## Abbeyside Reference Archive

### TWO DAYS

Last Saturday and Sunday we had a break from the Archive. It was our first major break in six years so we did find it strange. We spent much of Saturday working on the Millennium Survey of Abbeyside Graveyard, while Sunday saw us at the Scout Den where we had a stall at the Girl Guides jumble sale.

We are glad to report that both days proved successful. On the Saturday we got three copies of the Millennium Survey completed. On the Sunday we had an enjoyable and remunerative day at the scout den.

We are closed on Sundays until the new year. We plan to open on January 6, 2002 with a better archive.

Note — We remind our committee that next Tuesday is the second Tuesday of the month. The meeting takes place at the usual time of 7 p.m.

## MONEYMATTERS

### BENEFITS OF BUDGETING

A budget is the most fundamental and most effective financial management tool available to anyone. Without it you cannot control your finances and your expectations will always fall short of your goals. Budgeting is about planning and planning is crucial to produce the desired end result.

If you have a budget you can organise and control your financial resources and decide in advance how your money will work for you. There are many benefits to budgeting:

It enables you to know exactly what is going on with your finances.

You can be in control of your money, instead of letting it control you.

It provides a record of all your financial transactions.

If you are married, have a family, or share money with anyone, having a budget that you all create together is a key to resolving personal differences about money handling. It is a communication tool to discuss the priorities for where your money should be spent.

It enables you to take advantage of opportunities. Knowing the exact state of your personal finances and being in control of them, allows you to take advantage of opportunities that you might otherwise miss. Have you ever to wonder again - you will know!

A budget will almost certainly produce extra money for you to do with as you wish. Hidden fees and penalty charges may not be incurred if you pay that bill on time!

### LIFTING THE SPIRITS

The person who sits and sips a cognac will never be a bore. Because the truth is that when you are thus engaged you are relaxed, calm, hassle-free (or on the way to being that way). This is a drink to calm the nerves, finish the day, sit back and let the rest of the world roll by.

As well as that cognac has the immediate suggestion of luxury. And you don't need to know much about it - there are no great vintages to be remembered, no need to "be an expert". Instead this is the drink when you can happily be a mere enthusiast. Here you will have glamour, excellence and distinction all in a glass. Cognac is the essence of brandy - the best brandies carry the name; the less interesting ones are simply labelled brandy.

You will always be told that cognac is a man's drink. You would not need to mention that to Betty Lesueur, who has brought her feminine touch to cognac by producing Camp Romain, under the Hennessy brand although this is a private distillery. Her advice is that you don't judge a cognac merely by its colour. It must be robust - and even virile. Light and impeccable are the other two words that go with it.

But in cognac all you need to know are the names of the great producers of which Hennessy is probably the

## THE WINE COLUMN

by

Sean McCann

dominant name in the business since the first Richard Hennessy of Irish Catholic emigrant stock, set up the business in 1776. The other name to conjure with is Martell, famous rivals of the Hennessys but also allies in good times - and bad. I am sure someone has written a novel about the families - certainly the subject would stand up to it. There is love, dislike (maybe even hatred) pioneering spirits, friendship, pacts, all there for the novelist to play with.

And, of course, there are some others whose products will not be passed over easily. Remy Martin for instance with its luxury Louis X111 (costs nearly £900). Hine, l'Heraud, Prunier, Frapin, these are just some of the top names in the business. Frapin owns its own vineyard, regarded by many as the greatest in the Grande Champagne region, where its growing holding covers an area more than ten times the size of other individually owned vineyards in the area. Prices begin at £26.99 and rise on to the Frapin Cognac Patrimoine at £250.00 So you can buy a bottle of cognac from about £20 - but then the price goes sky-rocketing. You can pay as much as £1,200 for the Richard Hennessy, that man who began it

all. That is the really, truly luxury end of the market. Not really the sort of impulse buy - but when a great deal is made that's the time to get out the Hennessy.

And if you cannot reach to the Richard Hennessy then you can take a choice all the way through the price range - the VS costs about £19.60; VSOP. £31.49; XO - £80 and then the recent special Paradis at £150 - if you stall there and times are good then Richard Hennessy is your only man.

### WINENOTE

The use of the word Brandy is often applied (incorrectly) to Cognac. Brandy is also distilled from grapes but Cognac means simply the best of brandies. It is made in its own special way, in a certain defined area of France. When you see the word Champagne in a Cognac connection it does not refer to the sparkling drink - it is from the French form of Latin campania or open country.

When you become a Cognac drinker this is the term you will always use. It is made by a distilling process and its production is a long, tempered and blending method. And this too is credited to an Irishman, Aeneas Coffey, who invented the still often used in its production and still carrying his name. A Hennessy and a Coffey - not a bad combination and it shows that the Irish had the Cognac business well under control.

## KNOW YOUR RIGHTS

### Question

My local shop is displaying its prices in both pounds (IR£) and euros. Sometimes the price shown in euros is wrong. What should I do?

### Answer

If you feel a price displayed in your shop has not been converted to euros correctly you should first of all bring it to the attention of the shopkeeper.

A National Code on Euro Changeover was launched last December. Suppliers of goods and services to the public who subscribe to the code or to similar codes of practice, drawn up by business organisations and approved by the Director of Consumer Affairs, commit to carrying out the changeover to the euro fairly using the six digit conversion rate (£ 1 = IR£0.787564).

To convert a pound amount to euros you divide it by the conversion rate and round the result to two decimal places i.e. to cents. Where the third figure after the decimal point is 4 or lower, the second figure after the decimal point remains unchanged (e.g. 3.174 rounds down to 3.17). Where the third figure is 5 or higher, the second figure after the decimal point is rounded up (e.g. 6.328 rounds up to 6.33).

Subscribers to the Code or similar approved code are entitled to display a logo devised by the Director of Consumer Affairs which indicates they are committed to carrying out the changeover fairly. If your local shop displays the logo and continues to display inaccurate euro prices after you have brought them to their attention, you should contact the Office of the Director of Consumer Affairs. If the shop fails to take whatever remedial action it is directed to do, the Director can withdraw the shop's entitlement to display the logo and may also publicise the decision to do so.

If your local shop does not display the logo and continues to display inaccurate euro prices, you should take your business to a shop that does display the logo. Further information is available from the Office of the Director of Consumer Affairs, 4/5 Harcourt Street, Dublin 2. ## CLONMEL NURSES TO TAKE FURTHER ACTION

Nurses of St. Joseph's Hospital, Clonmel have embarked another work to rule in protest over the return of beds to corridors. On Wednesday morning last at 11 am nurses began their second work to rule protest during the month of October. A previous eleven day work to rule had been suspended when commitments were given to the I.N.O. that beds would remain off the corridors by the South Eastern Health Board. On Tuesday evening seven beds were placed on the hospital corridors. Management have broken all agreements reached, how now can they rebuild the working relationship that was there. The nurses had no option but to embark on another work to rule, said their spokesman Don Culliton.

During the work to rule nurses will not co-operate with the placing of beds on the corridors and will not carry out administration duties. Last week plans of the South Eastern Health Board to resolve the overcrowding problem at St. Joseph's Hospital received a major setback. Nursing staff of St. Anthony's long stay geriatric ward rejected by seven votes to two proposals to use a section of the unit for acute medical care beds that could not be accommodated in St. Joseph's. The S.E.H.B. regretted that the I.N.O. had reinstated the work to rule. This is in response to additional beds on the corridors on the night of the 30th October at the hospital. The board is available at all times to discuss the matter with the I.N.O. and will continue to work to resolve the issue.

## SUSPENDED DOCTOR EMPLOYED AT CLONMEL HOSPITAL

The South Eastern Health Board has confirmed that a suspended United Kingdom Psychiatrist was employed at St. Luke's Hospital in Clonmel for over three and a half months as a locum last year. Dr. John Harding - Price also worked at St. Canice's Psychiatric Hospital in Kilkenny from the 14th August to the 5th November. He was treating patients at St. Luke's Hospital, Clonmel from 17th April until the 31st July last year to cover staff holidays. He was suspended and not allowed to practice as a Psychiatrist by the British General Medical Council a month before he took up work at Clonmel Hospital.

Some two weeks after his work at St. Canice's Hospital ended, Dr. Harding-Price received an interim suspension from the British General Medical Council. Then on the following December he was found guilty of serious professional misconduct by the same council. The British General Medical Council hearing heard complaints from three female patients, the hearing told Dr. Harding-Price that his conduct had fallen seriously below the standard which patients are entitled to expect of registered practitioners and that his standard of practice represented a risk to the public.

A spokesman for the S.E.H.B. said the doctor was employed at the two hospitals following the S.E.H.B. usual advertisement and recruitment procedures. These include checking the registration status of any other doctor who is employed by the S.E.H.B. The Irish Medical Council had registered the doctor and a copy of his registration was forwarded to the S.E.H.B. as the Doctor had the necessary registration with the Irish Medical Council he was then appointed as a locum to the two hospitals to cover leave. The S.E.H.B. had they said never received any complaints from staff or patients about the doctors work. Dr. Harding-Price is appealing his suspension by the British General Medical Council to the Privy Council.

## RECENT DEATHS

### LATE MR FRANCIS WALSH

It is with deep and sincere regret we pen the sudden passing of Mr. Francis Walsh, Ballyverra, Ardfinnan. His passing at a young age has left an air of shock and disbelief. A fine build of a man, he was a gentle person. A kind and loving husband and father, his wife and children were his pride and joy. He was an outstanding GAA man, he was a keen follower of his club and his county. He was a member of the committee of the Ballybacon/Grange Hurling Club, he was a regular collector at the entrance gates into the playing fields. He attended all club games in the company of his family, it was only two days before his death that he watched his team Ballybacon/Grange win the South Junior Hurling B Championships. When Tipperary made the breakthrough in the late eighties, Francie with his friend Billy O' Leary got two Tipp caps autographed by Bobby Ryan. Those two caps have stood the test of time and have been proudly worn ever since. Francie's cap was placed beside him, an acknowledgement by his family of how dear the game of hurling was to him.

He loved a sociable drink and chat, he loved to hear the songs being sung and on occasions he could be persuaded to give a bar, his favourite song was A Group of Young Soldiers One Night in a Camp. As a neighbour he had few equals he was of ten referred to as one of the best.

Many tributes have been paid to this fine man, but perhaps the finest was paid to him by the large concourse of mourners who attended his wake and funeral to Ballybacon Parish Church, past and present members of Ballybacon Grange Hurling Club provided a guard of honour.

On the following morning requiem Mass was celebrated for the happy repose of his gentle soul, the celebrant was Rev. Fr. Patrick Delaney a friend and neighbour of the Walsh family assisted by Rev. Fr. Pat Moran O.S.A. Dungarvan, a native of Ballybacon and Rev. Fr. Germiah Condon P.P. Ardfinnan/Ballybacon/Grange. After Mass as the October rains poured down a kind and loving man was laid to rest in the soil of his native Ballybacon in the new cemetery.

To his wife, son, daughters, brother and sisters and his many relatives we extend our sympathy.

Ni fhicimid a leicheid in ar measc aris.

### LATE MR. GEORGE SUTCLIFFE

Profound and sincere feelings of regret were widely expressed at the news of the death of Mr. Georgie Sutcliffe, Connolly Park, Clonmel which sad event occurred unexpectedly at the Mercy Hospital Cork. Deceased in his fifty third year was a member of a well loved and respected Clonmel family, his passing at such an early age has been received with shock and sadness in the town where he was so well known.

Son of George and Biddy Sutcliffe at Oliver Plunkett Terrace, he was one of a family of eight four boys and four girls. One of his happiest recollections was of his time in the Clonmel Boys Pipe Band and from them he never lost interest in the bag pipes. Another fond memory was going around to the country halls with his dad showing films. Cars were his chief delight and nothing gave him more pleasure than helping his father in the workshop before heading off to school. With visions to become a chef, he was encouraged to attend the Technical School following which he took up an apprenticeship with the ESB in the early 60's, later he gave a stint with Dan O' Mahoney repairing lawn mowers and chain saws. Georgie was gifted with his hands, he could turn his hand to plumbing, carpentry, painting and decorating.

In 1968 he married Bernie Reel from South View, they reared three girls and a boy. Georgie and his wife Bernie wistfully recalled the dancing at Ned Brownes, Kilmahan and Lattans bridge Bar Clonmel. His father passed to his reward just six years ago. One of his prize possessions was his fish tank and he was always on the look out for some new exotic specimens.

His remains were removed to St. Mary's Parish Church Irishtown where they were blessed and received by Rev. Fr. Bobby Power C.C. St. Mary's.

On the following morning requiem Mass was celebrated for the happy repose of his immortal soul the celebrant was Rev. Fr. Bobby Power C.C. assisted by Rev. Fr. Partholan O' Leary P.P. St. Olivers after Mass the funeral took place to St. Patrick's Cemetery, Clonmel where he was laid to rest Fr. Bobby Power C.C. officiated at the grave side.

To his wife, son, daughter, mother, brothers, sister and his many relatives we extend our sympathy.

Ta siochain agus suainmheas bainte amach aige.

## HAIRY CHEST COMPETITION

The hairy chest competition on Saturday night last in Dunfords Bar was a fantastic success and great fun from beginning to end. The brave contestants really strutted their stuff and were as follows John Fraher, Eamonn Power, Brian Whelan, Alan Shone, Michael Lonergan, John Grady (Foggy), Tom Morrissey and Mike. As

usual there could be only one winner and that was John Fraher who travelled all the way from Dublin, John has been a dedicated and loyal Sliabh gCua supporter down through the years and is always a welcome visitor to his native Parish. All the contestants were great fun and the audience really got into the spirit of things with many people asking for more nights like this. So we think

we will have to come up with another novel idea and this time we will be asking the ladies to compete, great fun. A big thank you to the adjudicators Monica Fitzgerald and Mary McCormick who travelled from Lismore and were really great with the contestants. Thanks also to Mossie Cliffe who was M.C. for the night also the ticket sellers, Betty and Kitty.

## BEST WISHES

Mary Dunford has been one of our local publicans in Touraneena for many years but has decided to take a well earned break and to lease her premises. We would like to wish Mary all the best and take this opportunity to thank Mary for all the great nights that were had while she was in charge. Thankfully Mary will not be moving from the area, so we will still be able to enjoy her good company. We would also like to wish Michael Lonergan and Donnagh who is taking over from Mary the best of luck in his new venture.

Once again this year all proceeds from the tournament will go to Cystic Fibrosis, anyone who wishes to make a contribution can give it to Anthony Sheehan, Mickey J. O'Ryan, David Lonergan, Maurice Cliffe or Brendan Tobin.

On behalf of the committee we would like to wish Mary Dunford a happy retirement and thank her for all her help over the last five years and wish the best of luck to Michael John and Donnagh.

## CAPTAIN JACK O'MARA TOURANEENA FIANNA FAIL CUMANN

The above cumann wish to sympathise with the Cotter family on the recent death of Danny Cotter. Danny was a member of the Cumann for many decades. He was an outstanding member who always put Fianna Fail first. He was an outstanding man for canvassing for elections which he enjoyed very much.

He was always on hand to be at the church gates for the annual collection. He would never miss the A.G.M. of the Cumann and was a very interesting person at the meetings and would always have difficult questions for the politicians. He served at different positions of the Cumann and at time of his death he was joint Life President. His loss to our Cumann is too great to imagine. Danny we all looked up to you, may the soil of Sliabh gCua rest on your gentle soul forever.

Danny's Months Mind Mass takes place this Friday night, November 9th at 8.00 p.m.

## TIR NA n-OG TOURANEENA OPEN

The Touraneena Open has been very kindly sponsored by the local Tir na n-Og Playschool and the club are very grateful to Bernie for this. The event takes place this weekend in the Community Centre and it will involve some of the top players in the country. The mens qualifying rounds will be held on the Saturday with the ladies on Sunday morning. Both finals will be played on Sunday afternoon.

Competing will be the National Senior Open Champion for the last 11 consecutive years Noel O'Callaghan of the O'Loughlinn club in Kilkenny. When on top of his game, he is virtually unbeatable at National level and if you haven't seen him in competitive action yet, you should come along over the weekend. All our younger players should come along to see those players participating as they would learn a lot from watching them play.

## EANNA POWER IS MUNSTER CHAMPION

The Munster Championship for under 11, 13 and 15 girls and under 11 and 13 boys were held in Templederry, Co. Tipperary last Saturday. Many of our players were participating in these championships for the first time and they can all feel proud of their performances.

Pride of place went to Eanna Power who captured the under 11 boys title beating his club mate Sean Dalton in the final. JJ Coffey was unlucky not to clinch the under 13 title, only losing the final 11-9 in the tiebreaker against Pdraig White of Rossmore. Niamh Coffey also came close to taking the under 15 title but just lost out to Templederry's Michelle Hogan, 11-9 in the final tiebreaker.

The top four in each group qualified for the National Finals which will be held in Fethard on the 24th and 25th of November.

Sincere sympathy is expressed to the family, relatives and friends of the late Margaret Nugent, Scart and Monatouke, who went to her eternal reward recently. May she rest in peace.

## MODELIGO SOCCER

We crossed the border into Conna on what was a freezing Sunday morning last to take on Valley Rangers second string side. It proved to be a real ding-dong affair against a side, like ourselves, who are struggling to keep up with the pace of this year's division three. The only goal of the game came early on when our defence was caught napping and their number nine slipped in to score.

We have yet to register a win this season. The way we stand at the moment after five games is, we have won none, drawn one and lost four. However there is no doubt but we are improving gradually with every game, and a few more performances like the one on Sunday won't do us any harm. We are host to Blackwater Rangers on Sunday morning next, kick off 11.30am.

Team: Roy Ware, Ed Byrne, Johnny O'Byrne, James Power, Seanie Kearns, John Flynn, Graham Nagle, James Condon, Walter O'Grady, J. P. Ryan, Shane Troy. Subs: D. O'Donovan, O. Riordan, P. Doherty, T. Fenton.

## MISSION ALIVE - A LOCAL PERSPECTIVE

Modeligo priests who worked in New Orleans and the State of Louisiana at the beginning of the last century were: Fr. Richard Power, Carrigawn, Sleady, Fr. Thomas J. Fitzgerald, Glen, and Fr. Patrick B. Walsh, Farnane. Also serving in the area were Fr. John F. X. Walsh, Modeligo, Fr. C. Beston, Aglish and Fr. Joseph Hanrahan from Cahir. All six studied in Mt. Melleray and in St. John's College, Waterford.

All men took on their administrations with great enthusiasm and worked hard to establish a religious society that continues to flourish, in spite of the commercial inroads which divest. Fr Power was made Parish Priest of St. Michael's Church, New Orleans in 1903 and suffered an untimely death at the age of 40 years in 1912. Fr Thomas Fitzgerald, a brave, courageous young Priest who walked into the line of fire to administer the Last Sacraments to dying men, after a crazed local had shot several people in an attack.

He died in 1910 at the age of 35 years, the youngest ever Parish Priest to die at his post. As there was a surplus of Priests in the Waterford diocese when Fr Patrick Walsh was ordained in 1901, so he was sent on loan to Liverpool diocese where he spent a few years. Then he joined Fr Power in Louisiana in 1910, where he served at many posts. He was appointed Pastor of St Rita's parish in 1921 where he remained until he died in 1938.

## NEW BOOK LAUNCH

About to be launched on the market is a factual, historical book that tells the story of many of our local historical sites and places, and the significant part they once played in bygone days.

If you want an account of the Battle of Affane, the story behind Murdering Glen, Sliabh gCua, the influence of the Confederate War, and many more interesting stories about the area, then they are all contained in "The O'Brien's of Deise" written by Frank O'Brien, Graigue, Modeligo. The book will be launched on Wednesday, 28th November, in the Park Hotel, by Stephen Collins, Editor, Irish Times. Everyone is invited to attend and discover more fascinating facts about our locality.

## SLIABH gCUA LADIES

The ladies group held a very successful coffee morning in the community centre recently. They would like to thank all those who supported this worthy cause. The proceeds of £311.00 were donated to the Waterford Hospice and Home Care.

At our November meeting Maria Moore did a demonstration and facial on Oriflame Make-up. Betty who is no stranger to modeling was our volunteer for the facial, it was very enjoyable and interesting, it was a pity Betty had to go home to bed, she looked very nice. Thanks to Maria for doing the demonstration.

In December we hope to have a demonstration on some Christmas goodies etc. So ladies come along and enjoy the Christmas spirit. New members and new ideas are always welcome. In the new year we hope to have a meeting about starting a Drama group, more about this in the coming weeks.

## UNDER 11 FOOTBALL

Naomh Brid will play an U.11 football tournament in Cappoquin on Saturday at 11 a.m. All players to be in Cappoquin in good time as it is intended to run off the tournament as quickly as possible.

## TOURANEENA RACQUETS COLUMN

### EOIN KEARNS WINS A THRILLER

The local racquetball leagues are now in full swing and already we've had some upset with some of the top seeds falling at the first hurdle. The game of the week was in section 2 of Division 6 between two lads making their first appearances in the leagues. Aidan Condon and Eoin Kearns fought it out score for score right to the end of a thrilling tie breaker encounter. Eoin took the honours in the opening game by the closest possible margin on a 15-14 scoreline. Aidan then fought back by taking the second game on an identical scoreline. The tie-breaker was again extremely close but in the end it was Eoin that just edged it on an 11-7 scoreline.

Three games were played in section 1 of division 6. Owen Barron opened his account with at 15-1, 15-4 victory over Kevin Gleeson. Gemma Cliffe chalked up her first victory by defeating Elana Condon, 15-2, 15-3 while Caoimhe McGrath had to overcome a very determined display from Conor Skehan to edge victory on an 8-15, 15-8, 11-9 scoreline. There was one game played in division 5 in which John Barron proved victorious over Ronan Dunford on a 15-5, 14-15, 11-5 scoreline.

Division 4 threw up some major surprises none more so than the debut performance of Pdraig Moore in section 1. In his opening match he faced the top seed Eanna Power but that didn't bother him as he fought his way to a 15-8, 15-14 victory. He then became the first player to guarantee themselves a place in the semi final, thanks to a 7-15, 15-5, 11-7 victory over James Power. In section 2, Sean Dalton was the favourite to top the group but Diarmuid Walsh had different ideas. Diarmuid pulled out all the stops to record victory on a 15-14, 15-2 scoreline. Sean overcame the challenge of John Power earlier in the week on a 15-7, 15-12 scoreline. The final match in this section is between Diarmuid and John and this will decide the eventual semi finalists.

Helen Shanahan proved victorious in the only game played in division 2. She had a 15-9, 15-7 victory over JJ Coffey.

## BADMINTON TRAINING

### HENRY CROWLEY Ballinroad, Dungarvan

The wife Anne and sons Henry and Raymond and extended family of the late Henry Crowley wish to thank most sincerely all those who sympathised with them on their recent sad bereavement; all those who attended rosary, removal and funeral Mass and burial in such large numbers and those who travelled long distances to be with us. Those who sent Mass cards, letters and cards of support, enrolments and floral tributes; those who telephoned and called to our home. We greatly appreciate the kindness shown by our relatives, neighbours and friends. A special word of thanks to Dr. Maurice O'Sullivan, the medical and nursing staff of Waterford Regional Hospital, Nurse Kitty O'Keefe and the Hospice Nurses. Thanks also to Fr. Keogh, Fr. Doherty and all visiting clergy; Drohan Undertakers and gravediggers, chapel woman and altar boy.

The holy sacrifice of the Mass will be offered for your intentions.

Though absent you are always near,  
Still loved, still missed, still very dear.

### DANNY COTTER Tinalira, Ballinamult

Alice, Jimmy, Paula and the relatives of the late Danny Cotter wish to convey through this notice their sincerest thanks to all who shared their recent sad loss. Hallahan, P.E. To the matron and staff of St. Joseph's Hospital, Clonmel our thanks. To Fianna Fáil for their tribute. Thanks to the Touraneena Parish Choir; to Parish Stewards for their assistance and parking arrangements; to the Ladies Club for their catering. ## NOVENA

**THE MIRACULOUS PRAYER**  
— Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your favour, not mine. Amen. (Say for three days, promise publication and favour will be granted.). Never known to fail. With grateful thanks.—M.S.

### KIERAN MCCARTHY Alice Springs, Australia, formerly of Strandside South, Abbeyside

A special word of thanks to Rev. Fr. Richard Doherty, P.P., who said the Mass in Abbeyside Church.

We trust that this acknowledgment will be accepted by all as a token of our appreciation and gratitude. The holy sacrifice of the Mass will be offered for all your intentions.

The wife and family of the late Owen Geary wish to thank all those who sympathised with them in their recent bereavement; those who attended rosary, removal, Requiem Mass and burial; those who sent Mass cards, enrolments, letters of sympathy and floral tributes and those who travelled long distances to be with us. Thanks also to neighbours and friends who helped in so many ways. Our sincere thanks to the matron and staff of Waterford Regional Hospital and the nurses who visited Owen at home; to Dr. Lordan and also Dr. Donovan for his kindness and help over many years. ### SAKHEE REMAINS IN TRAINING

The Jay Robbins trained Tiznow is also expected to remain in training next year.

### LISS A PAORAIGH SHINES AT NAVAN

The Mrs N Flynn owned and John Kiely trained Liss A Paoraigh enjoyed a great win at Navan last Saturday with the Dungarvan mare getting the better of the odds on favourite Limestone Lad in the featured £37,500 Lismullen Hurdle. Ridden by Charlie Swan the Dungarvan mare was brought with a well timed challenge to win out by a length and a half. The winners long term aim is the Stayers Hurdle at Cheltenham. # IN MEMORIAMs

**BARRY** — In loving memory of Eileen Barry, late of 36, Congress Villas, Dungarvan, whose anniversary occurs at this time.

### MOTHER

My life goes on without you,  
Mum,  
But things are not the same,  
It's hard to hide the  
heartache,  
When someone speaks your  
name.  
If memories keep us together,  
Then we are never far apart,  
For you are always in my  
mind,  
And forever in my heart.  
As long as I live I will always  
be glad,  
For a wonderful Mum I was  
lucky to have.  
A wonderful person with a  
heart of gold,  
The loss to me can never be  
told,  
(From your loving daughter  
Ann, son-in-law Billy and all  
the Monahan family).

**BARRY** — In loving memory of Eileen Barry, late of 36, Congress Villas, Dungarvan, whose anniversary occurs at this time.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
For you are always on my  
mind,  
And forever in my heart.  
As long as I live,  
I will always be glad,  
I was lucky to have.

(From your loving daughter  
Phyllis, son-in-law Tony and all  
the Leeds family, London, and  
son Bill, daughter-in-law Sheila  
and all the Barry family,  
London).

get.  
Happy memories are for-

Of days when we were all  
together,  
Each of us in our own way,  
Have special thoughts of you  
today,  
So rest in peace, my dear one,  
And thanks for all that you

My mother was special, so

Without her to love it's just  
not the same,  
So always stay beside me,  
It helps to know you are  
there,  
And I still love and miss you,

You are gone but I still care.

The splendour of the land  
To which our loved are  
Called from you and me  
We'd understand.  
Perhaps if we could hear  
The welcome they receive  
From old familiar voices  
All so dear  
We would not grieve.  
Perhaps if we could know  
The reason why they went  
We'd smile - and wipe away  
The tears that flow  
We'd wait content.

We had no time for good-  
byes,  
You were gone and only the  
Lord knows why,  
Life goes on without you,  
Though times are not the  
same,  
It's hard to hide the  
heartache,  
When someone speaks your  
name.

died on November 10, 1998.

God chose to take my  
mother,  
He wanted one so fine,  
Oh God above, please tell  
me  
Why it had to be mine.  
To know her was to love  
her,  
Her kind and loving smile,  
To have her as my mother,  
Made everything worthwhile,  
No length of time will heal my  
grief,  
My love for you is far too  
deep,  
With broken heart I whisper  
low,  
God bless you, Mam, I miss  
you so.

(Love from your son Maurice

On a quiet and peaceful  
spot,  
Where the one we love lies  
sleeping,  
And will never be forgot.  
Your life was love and  
labour,  
Your love for your family  
true,  
You did your best for all of

But neither time nor reason,  
Will change the way I feel.

No one knows how many times,  
I've broken down and cried.  
We want to tell you something,

# Ardmore G.A.A. Notes

## JUNIOR HURLING CHAMPIONS

All Ardmoreans took D'Unbelievables advice, had dinner on Sunday morning and took a run at the day as we headed for a 1.15 start in Waterford. Even Fr.Reid got in the mood and wished us well and got us out early. Since this present crop of players have started to come of age, many felt that it was only a matter of time before they would earn promotion to Intermediate ranks. Notwithstanding, our hearts were in our mouths as Sunday's final approached with Mikie suspended and Richie ruled out and a huge doubt over Johnny. We spare a thought for them and long term casualty David O'Reilly. I have been writing about the importance of squad depth all year and the importance of good subs. All the subs will be disappointed not to have played, but they all played a hugely important part and now share the rewards and the celebrations. Faced with the prospect of replacing key defenders, the selectors sprang a few surprises with Damien at centre back and young Niall O'Brien making his debut at wing forward, both of whom earned their spurs with outstanding displays in the recent under 21 game. James was confidence personified in goal and Austin, as usual was all over his man, Declan stamped his class throughout and Patrick completed an outstanding full back line. Damien was again a tower of strength and Niall was all over the place and deserved his score as well and Maurice ensured that Richie and Mikie weren't even missed. Again, we conceded only three points from play and the quality of defence continues to improve. Wayne and Cathal dominated the mid-field exchanges throughout. Philip, Johnny, hampered by injury and Niall O' caught a real handful in the Fenor half back line. Johnny and Philip got vital scores and Niall was much more effective inside and was unlucky not to mark his debut with a goal, late in the game. We went nearly a half an hour with only one point from a free and we wondered would they ever make a change, when eventually it came, it worked. Pat Hallahan was on fire in the early stages but suffered from lack of supply, Seamus really opened up when moved out and Billy too made a big difference outside. Eoin Foley came into the game in the heat of exchanges and played his part too.

Our other subs were: Declan O'Donnell, Noel Quinn, Nicky Keating, Ciaran Foley, Conor O'Connor, Maurice O'Connor, Eamon Power, John Conway, Patrick Prendergast, Adrian O'Donnell and Luke Cunningham and would whoever sends in the list of players, please remember to include him. Shane Dower and Anthony Ahearne played earlier in the campaign.

Congratulations to team manager Tadgh Murphy and his selectors Pat Prendergast, John Power, Declan Hennessy and John Hennessy. This was a memorable climax to an unforgettable campaign and we'll relish and enjoy it for years to come.

## THE CELEBRATIONS

The victorious panel arrived in the village in convoy after the customary Prawn Cocktail and toast at Kiely's Cross, to the blaring of hooters and claxons. The village was

lined with well wishers as even Bus Eireann had to wait their turn.

This ritual is a very important part of the day and the younger supporters really enjoy it. The party then adjourned to The Round Tower Hotel, where Aidan and Co. served beautiful and badly needed meal, which was enjoyed by all. Then one or two drinks and we were ready to play the whole match again - on video. Wonderful atmosphere and craic as the youngsters howled and the ould lads remember other days and savoured this one as well.

The going was tough and Tommie Sullivan would probably have called for a few scrums. Some slipped away early, but that process continued until about 10.00 am Monday, when the group began to assemble again for the traditional and greatly appreciated trip to the schools with the Cup. The rush for the Examiner to read Johnny Murphy's colourful match report.

## NOT FINISHED YET

Our willing band of players still have an amount of unfinished business to attend to, with two under 21 titles to defend. So our celebrations will quickly finish and we'll get down to business again. No less than 11 of the team that finished on Sunday are under 21, three of them minors, and five of the subs are still eligible as well.

So it's back to basics for everyone, because I know that a few clubs are queuing up to knock us off our pedestal. In football, Ballinacourty, fresh from almost defeating Rathcormack in the Senior semi-final, have their eyes firmly set on this title and Stradbally, The Nire and St.Olivers all have designs on it as well. In hurling we meet Olivers next (possibly this Saturday) and Tallow, Stradbally or Abbeyside, await the winners. So, it's important to keep our feet on the ground and it's also important for the elder minors such as David Power, Derek Cronin, Anthony Troy and Kevin O'Mahony to join Alan North, Seamus Flavin, Stephen Conway and Mike Flavin on the panel. Hopefully, David O'Reilly and Richie will soon be ok, as well.

## THOSE FLAGS AND BANNERS

Pardon the pun, but it's 'hats off' to all those wonderful supporters who hung out flags, banners etc, in support of the team. The parish was awash with blue and white and it evoked great support for the players and mentors. Some, especially Caroline, John and Mike, went to extraordinary lengths and the result was wonderful. On top of that, the huge crowd who travelled to Walsh Park was probably our biggest support ever.

Well done and thanks to all. It made a huge difference and it gave everybody a great sense of pride. It also gave the right answer to the sick be-grudger who daubed a couple of the banners. Keep your colours out and continue to travel in hordes to support the under 21s, as they strive for more gold.

The wonderful feeling of a united parish, where young and old were all playing there part and rubbing shoulders will linger and add to the quality that makes Ardmore and Grange unique.

They came out all fired up for the second half, however both sides were equally matched until the last quarter, when the Brickeys took control and played some excellent hurling to run out with a five point victory. Much to the delight of all present. Final score Brickeys 1-8, St. Olivers 1-3. Our opponents for the Western Final are as yet not known.

## JIM POWER TOURNAMENT

Our Waterford under-14 footballers failed to regain this tournament which they won for the first time last year at the Kilmacthomas GAA grounds on Saturday last. However they did have some consolation when they defeated Clare in the losers final.

Waterford's opening game was against Tipperary, the Deise boys started very slowly and after 6 minutes were trailing the premier county by 1-3 to no score. However, before half time points by Declan Barron, Kevin Moran and Brian Barron saw the half time score read 1-5 to 0-3.

In the second half Tipperary were the more hungrier and with Waterford playing without any real passion, the winners added 4 points to their tally to give the final score Tipperary 1-9 Waterford 0-7.

## PLATE FINAL Waterford 1-12 Clare 0-7

In the losers final Waterford played much better football much to the satisfaction of team mentors John Sheehan, Michelle Power and Declan Barron. In this game the Waterford defence was much tighter and their ability to find their colleagues with good passes proved vital to this victory. Some excellent

long range points from our half forward line all added up to making this a well deserved victory.

## JIM POWER FINAL Limerick 1-7 Tipperary 1-4

In the Jim Power final it was Limerick who were the outright winners in a game that served up some very exciting football. The Treaty boys were full value for their 3 points victory.

Waterford team - Kenneth Byrnes, Conor Hayes, Chris Boland, Emmet Kelly, Stephen O'Connell, Stephen Jacob, Brian Keane, John O'Gorman, Brian Bannon, Stephen Power, Kevin Moran, Andrew Murphy, Richie Foley, Jason O'Brien, Declan Barron, Mark Scanlon, Paddy O'Donnell, John Cummins, Gary Dunphy, David Greene, John Ryan, Jason Phelan, John O'Connor, Mark Ferncombe.

## COUNTY CONVENTION

The County Bord Na nOg Convention this year will take place in Lawlors Hotel on the 4th of December. Nominations and motions to be with County Secretary Al Fitzgerald on or before the 13th of November. Outgoing Bord officials are Chairman Seamus Quirke, Secretary Al Fitzgerald, Treasurer Joe Cleary, P.R.O. John O'Leary.

## BALLINAMEELA GAA NOTES

# County Champions

History was made in the Fraher Field, Dungarvan on Sunday last when we captured the Junior County Championship in emphatic style against Ferrybank.

No one could have guessed how the game went considering that we were lucky to earn ourselves a replay in the first place. That crucial last minute free kick two weeks ago proved to be our springboard for success as it gave us a chance to change our tactics and our team and enter the replay with the right frame of mind to overcome our sticky opponents.

We got off to a bad start when Ferrybank opened the scoring with a 21 yard free kick which was stuck between the posts. This was, however, the catalyst for what was to come as we turned the screw and upped our game.

John Stack narrowly missed a goal as he saw his effort hit the post and side netting. James Maher was threatening to do damage as he darted wisely on the wing. Eventually our break came when Eoghan Walsh was fouled on the 21 yard line and he slotted the free over himself. We had the loins share of possession but found it very hard to convert this to scores and indeed the final score of the 1st half came again from a sweetly struck Eoghan Walsh free.

With the half time scores at 0-2 to 0-1 it looked like a very tense affair that could go either way. On the restart we picked up where we left off, dominating the play from the off. Benny Fitzgerald put in one of the best performances by a junior footballer in a long time and with Aidan Ahearne beside him we were assured of winning midfield.

It was now just a matter of our forwards getting the scores that would win us the match. This started to come to fruition when Eamonn Walsh who played brilliantly throughout this championship, notched up a point after a fine run. Seven minutes later Eoghan Walsh again hit the target but this time from play when he gathered a quick free kick from John Stack and punished Ferrybank with a point.

A mild Ferrybank revival was snuffed out time after time by our outstanding half back line who broke down most of their attacks. Eoghan took a short free kick to James "Sacker" Maher who then fed John Stack and he curled in a point from a tight angle. We were now 0-5 to 0-1 up and really in the driving seat. Aidan Aherne capped a fine performance with another point from play. Matt Fogarty entered the

fray for "Ghandi" who picked up yet another medal for his efforts over the last 20 years. Terry McCarthy replaced Darren Mulcahy whose performances throughout the year got us this far. With five minutes to go Eoghan settled the affair with his second point from play to leave the score at 0-7 to 0-1.

This was indeed the final score of the game. Benny Fitzgerald had to come off with a shoulder injury and was replaced by young Cyril Stack who went straight to his berth at corner forward. All I can say is that it took Benny who took blow after blow and came back for more and more each time.

The final whistle blew and the celebrations began. The scoreboard read 0-7 to 0-1 and we were the champions.

The fact that we kept them to one point from a free after 5 minutes is a massive testament to our backs who never gave them an inch. Led by centre back Ken McGrath they were superb. Our full back Pat Barron put on a show which defies his age and either side of him were two men of the match nominees in Mike Walsh and

Padraic Scanlon. Ken McGrath walked up the steps and raised that cup so long awaited by us after it was presented to him by County Chairman Paddy Joe Ryan amid scenes of celebration. It was a great day for our parish and we can now play where we always felt we belonged - in the intermediate football championship.

Well done to all involved and a huge thank you to our supporters who came from everywhere to cheer us on. Finally we have given them something they will remember for a long time.

A special mention must go out to the older of the Eamonn Walsh's because, having played in goal in this championship against Old Parish he will pick up another junior county medal to add to the one he got 23 years ago. I would just like to say well done to our trainer Aidan Ahearne who has put in a tremendous effort for Ballinameela over the last few years. The same goes to our selectors Lar Looby, Jack Walsh and Eamonn Walsh who got it right on the day. To our captain, I say thanks for being a true leader both in matches and training and it is only fitting

that such a committed player raised the cup for us on Sunday.

Thanks to all those who travelled from different counties every week to make training and especially to Padraic Scanlon who had to come back from Wales to play in the final both times. It is this commitment that has us where we are now.

Thanks again to everyone who contributed through the year and these efforts have given the blue side of our parish something we can all remember and treasure for many years to come.

The Team lined out as follows: Jason McGrath, Mike Walsh, Pat Barron, Padraic Scanlon, Tom Power, Ken McGrath (C), Robbie McCarthy, Aidan Ahearne 0-1, Benny Fitzgerald, James "Sacker" Maher, Eamonn Walsh 0-1, Eoghan Walsh 0-4, Darren Mulcahy, "Ghandi" O'Brien, John Stack 0-1. Subs: Matt Fogarty for Ghandi, Terry McCarthy for Darren and Cyril Stack for Benny Fitzgerald, Cian Walsh, Charlie Horsom, Dave Ahearne, Donnacha Culloo and not forgetting Willie O'Brien who was injured on Sunday.

### UNDER-21 FOOTBALL

On Saturday afternoon last at Leamybrien we were defeated by Stradbally in the first round of the U-21 football championship. Stradbally were the much fitter side and had obviously prepared well for this game, while it was quite obvious that our fitness skills were not good enough for this standard of football.

### UNDER-21 HURLING

This Saturday afternoon at the Fraher Field we play Colligan in the Western semi-final of the U-21 hurling championship. Having played so well against Ballyduff in the first round let's hope that we can keep up the good standard of hurling and progress to the western final. This game has a 2.30 pm start.

### UNDER-16 HURLING

Last Sunday morning at Clogherane we defeated Colligan on the scoreline of 1-6 to 1-12 which means that we now qualify for the U-16 Western Hurling semi-final. ron were effective in the half forward line.

We now play Fourmilewater in the western semi-final. This game takes place this Sunday morning at the Fraher Field and has an 11.30 am start.

The winners of this game will then go on to play the Brickeys in the Western Semi-Final.

Team: J. Hallahan, S. Whelan, C. Troy, J. Cass, S. Kirby, J. P. Tutty, D. Hamilton, J. Nagle, P. Cullinan, M. O'Mahony, B. Bannon, M. Murphy, E. Mullally, D. O'Brien, J. P. Regan. Sub: A. Duggan. # Ballymac' Just Lose Out In Thriller

DONOUGHMORE (CORK) 2-8  
BALLYMACARBRY 1-9

Amid scenes of tremendous excitement Donoughmore won the Munster Senior Club title for the first time when they edged out Ballymacarbry in a thrilling game played in beautiful conditions in Ardfinnan last Sunday week. Beaten in the last four finals all by Ballymacarbry they just about deserved to take the spoils, but had to fight all the way.

Ballymac suffered a severe blow when Martina O'Ryan was ruled out with a heavy dose of flu and they also lost Maria Crotty through injury and the loss of the two key players was to prove crucial.

They went out with four under 16 players, 6 minors players and they came within a whisker of pulling it off. Donoughmore got off to a great start, Ruth Ann Buckley, Juliet Murphy and Louise Murphy kicked 3 points inside the opening 6 minutes and Ballymac seemed in dire trouble.

However, the midfielders Anna Lisa Crotty and Caitriona Casey gradually got on top, Fiona Crotty pointed, Geraldine O'Ryan, Anna Lisa Crotty and Marie Crotty all found the range and Ballymac led 0-4 to 0-3 after 12 minutes. The game was played at a frantic pace and by the 20th minute Donoughmore were back in front with a point by Ashling O'Connor and a Lynn Dunlea goal. Siobhan O'Ryan was having a blinder at centre back, Marie Crotty pointed a free and wing back Linda Wall raced up field to shoot a great point before dangerous corner forward Ruth Anne Buckley pointed to give Donoughmore a 1-5 to 0-6 interval lead.

Ballymac began the second half with Rebecca Hallahan (just back from the US) and Cleona Walsh on as substitutes and within a minute they were in the lead as a great move put Fiona Crotty in and she cracked home a great goal.

Anna Lisa Crotty and the impressive Clare Ryan tacked on two points to give the Waterford Champions a 3 point lead. Back came Donoughmore a Ballymac move broke down and they moved the ball quickly up the field and Ruth Ann Buckley drove it to the net to level the scores. Marie Hannigan joined the fray and there followed 15 scoreless minutes. Fiona Crotty was unlucky to see her effort come back off the post. Noirin and Paula Walsh filed several Donoughmore attack before the Cork champions got their noses in front with 5 minutes left when Buckley added a point.

Team captain Mary O'Connor shot another, Rebecca Hallahan reduced the deficit with a pointed free before wing forward Ashling Barrett closed the scoring in the 4th minute of injury time to seal a famous victory.

Donoughmore just about deserved their victory, they were fitter and physically stronger and had fine performers in Edel O'Sullivan, Ann Brennan, Juliet Martin, Helena Kelleher and match winner Ruth Ann Buckley. For Ballymac Paula and Norma Walsh, Siobhan O'Ryan in defence Anna Lisa Crotty and Caitriona Casey in midfield and Michelle McGrath had their moments but the usual fluency was missing. Aine Ryan made a couple of fine saves.

Ballymac — Aine Ryan, Elaine Hickey, Noirin Walsh, Paula Walsh, Linda Wall 0-1, Siobhan Ryan, Michelle Ryan, Anna Lisa Crotty 0-2, Caitriona Casey, Maria Ryan, Clare Ryan 0-1, Fiona Crotty 1-1, Michelle McGrath, Geraldine O'Ryan 0-1, Marie Crotty 0-2. Subs: Rebecca Hallahan 0-1 Ciara Walsh and Marie Hannigan.

# Coaching Scheme Notes

**Ardmore N.S.** — Boys and girls enjoying a coaching visit on the hard court pitch at the back of the school at a recent visit. No doubt all of these children enjoyed last Sunday's junior hurling victory. It's not so very long ago that the same junior hurling team were learning the basic skills of hurling in Ardmore and Grange National Schools as young boys.

## GOOD START FOR JUSTIN MCCARTHY AND WATERFORD SENIOR HURLERS

Waterford hurled well in Walsh Park against Clare last Sunday to give Seamie Hannon, Colm Bonnar and team manager Justin McCarthy a good start to what we hope will be a long and fruitful journey over the next couple of years.

## COUNTY JUNIOR HURLING FINAL

Ardmore fired over 17 points in their victory over Fenor to take the cup back to the west and proved once again county finals can be won without scoring goals. This is a fine hurling team and they will live up next year's West Intermediate championship.

## JUNIOR FOOTBALL COUNTY FINAL

Ballinameela made no mis-

take second time round at Fraher Field when they beat Ferrybank on a score of 0-7 to 0-1 and have no doubt they will hold their own in next year's intermediate championship.

## MINOR FOOTBALLERS VISIT SCHOOLS

Fresh from our exciting win in the county minor football final the western and county trophies were paraded to the schools in our parish. The newly crowned champions stepped proud as they visited their "Alma Mater" at the St. Augustine's College where the many players and panel members were warmly welcomed by the teachers, staff and students alike. Our association with "The Friary" has reaped benefits to our club over a long number of years and in turn many of our club players are and have been to the fore in many of the very successful "Friary Teams".

Abbeyside N.S. Principal Mr. Finbarr Keohane and his staff afforded us a very sincere warm welcome. Finbarr and indeed the entire staff have always been supportive in the promotion of our games. There was a special mention of Mr. Tom Walsh who had helped Stradbally to their senior win. Twenty members of our panel had come through Abbeyside N.S. and as always the young pupils were very enthusiastic as they hailed their heroes. Our visit to Garranbane N.S. was again a warm and sincere welcome as school Principal Mr. Don Shiel and his staff and pupils showed their appreciation of the young champions as they cheered and applauded the entire panel and of course special mention for Rick, Simon and Chris. At Scoil Garbhán, Deaglain agus Daithi were pride of place as again the

entire panel came in for the warmest of praise from an Priomh-Ioda Siobhan Aghas and the entire teaching staff and pupils. The visits to the schools is always a special occasion after county final success. Noel Fleming, Pat Moore and team manager Pakie Hurney reflected the clubs appreciation of work being done in all the schools and were loud in their praise for that work and the positive impact it has on our club. The minor players and panel members present were impressive ambassadors of the club and were clearly delighted to give the young pupils a flavour of what it's like to win a championship final.

## VIDEO OF COUNTY FINAL

There's a video available of both the drawn and replay county finals. Price £5 to order contact Pakie Hurney or Pat Moore.

## DEISE DRAW

We had two winners in the October draw. Congratulations to £500 voucher winner Justin O'Brien - sold by Pa McGovern and £100 voucher winner John Cosgrave - sold by Mike Briggs.

## INTERNAL DEISE DRAW

The following draw members win £20 each: Sean Byrne, Joe Flynn, Mel Shanley, MI Cosgrave (Ballycoe), Mary Fitzgerald, Don Mulcahy, Denis O'Donovan, Brian Cosgrave, Sean (Hiker) and Eleanor McGrath and Noel Fleming.

## U-21 HURLING

Our first game in this championship takes place in

Leamybrien on Saturday next at 2.30 pm. versus Stradbally. Huge effort required from every player if we hope to win this one. Leaving "Euro Spar" at 1.30 pm for this game.

## U-16 HURLING

A long season was brought to a satisfactory conclusion by this group of young hurlers, at Cappoquin on Sunday morning last, when they beat Ballyduff Upper in the Western Final of the Grade A Championship.

In ideal overhead conditions, but the ground was very sticky, this was never going to be a classic, our lads gave a very gutsy and workman like performance to take the cup. Darrell Ryan in goal, made two vital saves and gave a sound performance overall. The full back line of Stephen Power, John Kindregan and Michael Browne were rock solid and got in some vital tackles. In front of them, Joey Mullen, until he retired with a hand injury in the second half, Patrick Lynch at centre back, and Patrick Hurney were the launching pad for many of our attacks. At centre field Peter Phelan and Mark Gorman worked tirelessly, Mark Fives, Simon Hanrahan (Capt) and Brian Scanlon were very effective and kept the ball moving to the inside line of Tiernan Murray, Seamus Shields and Eoin Enright, who all played very well and scored our three goals between them. The subs who came on and all played their part in this fine win were, Shane Donnelly, Richard Phelan, David

Reynolds, John Cosgrave, Kevin Brady and Eddie Casey can feel a bit unlucky although he played his part in games during the season. Three others unavoidably absent last Sunday but were very much involved all season were Cian Moloney, Ronan Fleming and Anthony Whelan. The final score in this game was Abbeyside 3-5 Ballyduff 0-3.

One minutes silence was observed before the game as a mark of respect for the late Michael Keohan, Fenian Place who in his playing days hurled with this club and his sons still play, also for the late Mrs. Mary O'Neill aunt of Michael Hanrahan whose son Simon captained the team. A satisfying end then to a long season in which this group played a total of 21 games between hurling and football. Well done to all concerned.

## CLUB MEETING

A meeting on club affairs will be held in the parish offices at 8.00 pm Thursday next week November 15th. All committee members must attend.

## SYMPATHY

The club extends its sincere sympathy to Mrs. Gene Keating and family, John, Jimmy, Chris, Paddy, Michael, Oliver, Timmy, Billy, Mary, Martina and Sinead on the death of Michael Keohan of 1 Fenian Place, Abbeyside. Also to the Hanrahan family on the death of Mrs. Mary O'Neill (Nee Hanrahan) a native of Ballinacorthy, aunt of Michael, Richard and Laurence. Ar Dheis De Go Raibh Siad.

JUNIOR FOOTBALL COUNTY FINAL REPLAY

# Ballinameela Make No Mistake At Second Attempt

Ballinameela 0-7 Ferrybank 0-1

Ballinameela, who last won the County Junior football final in 1978, were deserving of their victory here in the replay, as over the sixty minutes they were the better team. But having regard to the big number of missed goal chances that went astray on Ferrybank, the six points winning margin was a bit flattering.

Ballinameela controlled the first ten minutes of the match but were unable to score, due in some measure to the resolve of the Ferrybank defence.

Then Ferrybank made a couple of raids and in the 10th minute Colm O'Neill kicked over from a free for what was to be their last as well as their first score of the final. They continued to press Ballinameela for some minutes before the Western champions opened their account with a pointed free by Eoghan Walsh in the 14th minute.

The next few minutes were featured by near misses on both sides and a really outstanding save by Ferrybank keeper John Cummins. Jason McGrath also made a number of splendid saves throughout the game and thwarted the efforts of Ferrybank for goals on a couple of occasions in the second half.

In the 20th minute Eoghan Walsh pointed his second free to end the scoring for this half and leaving the state of play at 0-2 to 0-1 in favour of Ballinameela, all three scores coming from frees.

**SECOND HALF**

Although Ferrybank did not score in this half, they did lose out on more goal scoring chances than Ballinameela and twice hit both the crossbar and upright. Luck certainly was not on their side.

In the 9th minute Ballinameela had a point from play per Eamon Walsh and

another (also from play in the 41st), scored by Eoghan Walsh.

John Stack from play in the 47th and another great score from play by Aidan Ahearne in the 57th minute left the winners 5 points clear, but Ferrybank never surrendered and kept on fighting all the way to the finish. Eoghan Walsh had the final say with a 59th minute point to leave the final tally at 0-7 to 0-1.

Two Ferrybank players who had played in the drawn final two weeks previously, Edward Daly and Pat Heffernan did not travel.

What can only be described as a very misleading team sheet was issued to all patrons entering the ground.

**PRESENTATION**

The Thomas Power Cup was presented to Ballinameela team captain, Ken McGrath by county board chairman P. S. O Riain.

There seemed to be some confusion about the starting time as Ballinameela were out on the field at 2.20 p.m. for a 3 p.m. start.

**Ballinameela** — J. McGrath, M. Walsh, P. Barron, P. Scanlon, T. Power, K. McGrath, R. McCarthy, A. Ahearne, B. Fitzgerald, Eoghan Walsh, Eamon Walsh, J. Maher, D. Muleahy, G. O'Brien, J. Stack. Subs played: T. McCarthy, M. Fogarty, C. Stack.

COUNTY JUNIOR HURLING CHAMPIONSHIP

# Ardmore Are Worthy Champions After Thrilling Final Against Fenor

Ardmore who defeated Fenor 0-17 to 0-12 in the Cuntj Junior Hurling Championship Final at Walsh Park.

It was the first hurling game of the 2001 winter but it was played in delightful sunshine and a moderate climate, thus making the setting very satisfactory for the big crowd who turned up at Walsh Park. And all the way they were treated to a thrilling game with supporters of both teams being kept on their toes until the dying moments when the Western

champions, Ardmore, stamped their authority on the decider to take their second title in the grade in 22 years.

Back in 1978 when they last won the championship, Fenor were again their opponents and having won the junior football county final already, Fenor were favourites. That result was of little consequence here since

## ARDMORE 0-17 FENOR 0-12

all players were performing in their first final and meeting for their first time.

Ardmore who had 'taken the West in style' had the better of the opening 20 minutes when their intercounty star, Seamus Prendergast

(who was to contribute just more than half of their total score), accounted for 5 of their 0-8 to 0-2 lead. Fenor were still playing well, but were not being rewarded for their efforts, because of the impregnable nature of the rock solid Ardmore defence. Ardmore had to field without their normal full back Michael Supple and the injured Richie Hennessy, but the adjusted line out worked very well for their astute selectors.

By halftime Fenor had come more into the game and were trailing by just 3 points on a score of 0-9 to 0-6.

### SECOND HALF

An early Fenor resurgence sounded the alarm bells in the Ardmore camp as the Eastern champions fought their way back into strong contention following three David Burns points without reply. They were level after only five minutes and then Fenor hit the front with a Stephen Burns point in the 39th minute. It was now 0-10 to 0-9 in favour of Fenor who looked to be on course for a surprise win.

Philip Beausang, operating

on the right wing sent over the equalising point in the 45th minute and they were back in front again when midfielder Cathal Hennessy pointed 4 minutes later.

Excitement was now at its highest point as Fenor battled in vain against the solid Ardmore defence who remained unyielding. Three points separated them and a goal would have brought Fenor on terms, but late points by Seamus Prendergast and Nial Hennessy sealed a very sweet and hard earned victory for Ardmore

Minor Football Round  
Robin Again

But with a difference this time round!

At their meeting last week the Munster Council decided on a motion from Waterford to play the minor football championship on a round robin involving all six counties next year. The top four will play off on a knock out arrangement with an open draw.

This will mean that all counties will play a minimum of five matches before the knock-out stage is reached. It will commence in March and run into April.

Locally, there is sure to be concern about how all this will impact on the start of the championships, if as expected an effort will be made next year to get our underage championships underway in the March/April period.

## RULE 21

The motion to abolish it is top of the agenda in all counties at the moment and with no intercounty activity to steal the attention, clubs as well as individuals are debating the pro's and con's of the matter which will be decided one way or another at City West Hotel on Saturday, November 17th at the special Congress.

When the issue was debated at the special congress called by Joe MacDonagh three years ago, most, or nearly all the counties in the Republic showed support for the six northern counties by deciding to vote their way. This resulted in the defeat of the motion.

Taking the same line on this occasion, counties will be seen to be 'opting out' and failing to 'stand up and be counted' as it were.

Circumstances have changed and in very many counties the mood has changed and a more favourable attitude towards the RUC is influenced by the acceptance of the Patton Report and the decision to take on Catholics in the force. It is known that very many Catholics intend to apply including people who are members of GAA clubs at the present time. If the rule remains, these players will not be legal to play Gaelic games.

## WESTERN CONVENTION

Tomorrow (Thursday) is the final date for the acceptance of nominations and motions for the Western Convention which is due to take place on Thursday, December 6th in Modeligo Community Centre.

Although there are rumours, there is no definite news about contests as yet. But perhaps when the nominations are submitted, we will have an indication of 'how the wind is blowing.' There are likely to be motions about the running and timing of the championships and while convention cannot make decisions in this regard, the motions will reveal the thinking behind them.

## County Convention

Nomination papers are now in the hands of county secretaries and these, along with any motions for consideration, must be back with the county secretary by November 18th. Clubs will have an additional name to consider this time round, since a county vice-chairman must be elected in accordance with Rule 59 passed at the Galway Congress two years ago. The county convention will take place at Lawlor's on Saturday, December 8th at 6.30 p.m.

## STRATEGIC REVIEW COMMITTEE

The names of the following people will be recommended to the November meeting of the county committee to examine all aspects of the GAA in Waterford as a result of discussions which have taken place at county committee level recently:

Seamus Mac Grainne, county secretary, Anthony Walsh and Denis Hanrahan, divisional board secretaries, John O'Leary, County Development Officer, Timmy O'Keefe, Liam Moroney, Seamus Quirke, chairman County Bord na n-Og, Theresa Power, Kilmacthomas, Eddie O'Shea and Catherine Twohig. The final recommendations of this body should be available for consideration by the county committee by autumn next year.

## Ken McGrath An All-Star Nominee

Like last year, Ken McGrath is our one and only nominee for an All Star this year. Offaly and ourselves received one each out of the 50 nominations. All Ireland champions, Tipperary received a massive 14, with Kilkenny and Galway each having eight. John Mullane would likely have been in contention if he did not have to retire injured against Limerick.

Interest in the selection is beginning to moderate and I'm sure that many of the good players who missed out will not lose any sleep over it.

# Fourmilewater and Dunhill Clash In IH Co. Final At Walsh Park On Sunday

It is the last big game of the season and the last adult championship tie here in Waterford for 2001. With nothing else that could be considered a counter attraction fixed for the county, there should be a large attendance present for the throw in.

The result will see either Fourmilewater or the Colm Bonner led Dunhill back in senior ranks and replacing Shamrocks in 2002.

Fourmilewater, who won this championship in 1979, 1989 and 1999, will probably start slight favourites. Dunhill who came back down to intermediate in 1998, have never yet won the intermediate championship, which was introduced here in Waterford in 1970.

In the Eastern championship Dunhill were quite impressive but in the divisional final against Ballydurn they only looked an average team when winning by 1-9 to 1-3 in a poor game.

Nevertheless they are a seasoned outfit and a number of their players, including Colm Bonner and John McDonald (former Wexford hurler), have good intercounty experience. Players like Paul Murray, David Power, Ciaran Watts, Owen and Wayne Murphy, Nial Dunphy (who is their top scorer), Vinny Comerford and company, have been around and playing the game at top level in the county for quite a while. Beating them will certainly not be easy.

Fourmilewater had a rough

enough ride through the West and had to survive two drawn matches before getting to the divisional decide against Colligan. In their initial game they came from behind to draw with Dungarvan and looked a beaten side in the replay before again coming from behind to win. In their meeting with Abbeyside they reversed the result of last year's divisional final before meeting neighbours St. Marys. This was also a draw and after winning the replay, they qualified for their final engagement, a match with Colligan.

This was a good standard game and Fourmilewater, helped by an early goal, managed to stay in front until the final whistle, winning by five points.

Their lineout is unlikely to show much change from the Western final side and will have Eoin Wall in goal again. Aidan Ryan will be full back and will be flanked by John Moore on his right and Justin Walsh on the left. Ian Walsh will stand between Rory Rice and Liam Walsh in the half-back line while Pat Walsh and Brian Wall, who have been partners on many occasions this year, will again perform in the middle of the field.

Martin Walsh, Ger Walsh and Tom Flynn will very likely form the half forward line and inside, the Ballymac' club will look to Shane Walsh, Seamus Cuddy and Michael Guiry (top scorer in the championship so far) to win the scores that will have

them in front at the finish.

## THE RESULT?

Dunhill, as far as we are concerned, are something of an unknown quantity, so they certainly cannot be taken for

granted. In my opinion the Western champions have what it will take to beat Dunhill if they perform to the standards displayed in their best contests here in the West.

## Saturday's Programme of Under-21 Hurling Championships

Four matches in the above championship will take the Western under 21 hurling championships a step closer to the finish if results are obtained in all four venues.

## U/21 'B' Dungarvan v. Colligan At Fraher Field

This will certainly be one of the better matches in the 'B' championship and each side, after a good first round victory, will be confident of winning.

Dungarvan in their initial match defeated Ballyduff and Colligan scored against Cappoquin. A close game and not easy to call. It is a semi-final.

## Gaeltacht v. Brickeys

This is also a semi-final and will be played in Clashmore. In round one, Brickey Rangers defeated St. Marys and An Gaeltacht beat Clashmore. On form so far the odds here would seem to favour the Brickeys.

## Under 21 'A' Hurling

## Abbeyside v Stradbally At Leamybrien

This first round match was delayed because of Stradbally's involvement at senior football level. Many of the Stradbally players will have played senior championship already this year and on Saturday last they looked tremendously fit when accounting for Dungarvan in under 21 football at Leamybrien.

Abbeyside will field the majority of the team which played in the minor county final three years ago. Those players, many of whom played intermediate already this year, have been out of action for several weeks. Another game that can go to the 'wire' and is certainly not easy to call.

## Ardmore v. St. Olivers

With Ardmore on the crest of a wave at the moment and having accounted for Lismore in the first round, the new junior county champions must be the hot favourites to beat St. Olivers who have not yet played a match in the championship, they having received a bye in the first round.

**G.A.A. NOTES**

**Intermediate Hurling All Ireland Final**

It began way back in June and finished up here in Fraher Field with a match involving Cork and Wexford, who some months previously met in the minor hurling quarter final at the same venue. It was played on the October bank holiday and surprisingly attracted a very big crowd.

As a contest it was disappointing and Cork experienced little difficulty in winning their 108 All Ireland championship.

The under 21 All Ireland 'B' hurling final involving Carlow and Kerry was also fixed as a curtain raiser and was to be refereed by Pat Moore. Because of concern about the state of the ground this game was played elsewhere on Saturday.

To have the pitch in good shape a small number of groundsmen worked all out from an early hour on Monday and all credit to them for having it in a very satisfactory condition and playable.

A match programme on sale for the final was the object of very severe criticism because of the number of inaccuracies included. For instance the Carlow panel of substitutes were listed as the Cork subs.

The county board have been at pains in pointing out that this was not a Waterford publication and was supplied to the board by the firm who hold the franchise for all match programmes.

**CARD WINNERS**

**LOTTO WINNERS**

**COUNTY FINAL DAY**

All roads lead to Walsh Park next Sunday for intermediate hurling county final. This is our first adult final since 1989 when we beat Erin's Own at Walsh Park.

This year, in a very tough Western championship we beat Dungarvan, Abbeyside, St. Marys, and Colligan in a good Western final. Our opponents in the final are Dunhill who are favourites since they start of the championship.

We have trained hard over the past few months and if we play to our full potential we can bring home the title. We would appeal to our supporters to travel to Walsh Park. Throw-in is at 2.30 p.m.

**SYMPATHY**

**Con Crowley R.I.P.**

Con was a very well known figure in GAA circles over a long number of years since the Bandon born garda came to live in the county, following his appointment to the Garda station in Cappagh.

He played many roles in the affairs of the Association here in Waterford, but his greatest claim to fame was when captaining the Waterford senior football team who defeated Kerry in the Munster championship in Walsh Park in 1957. He later captained the county in their defeat by Cork in the Munster final.

His first allegiance was to Finnisk Rovers when he played junior football with them before coming to Dungarvan to play senior football with the club. He played junior hurling with Brickey Rangers and subsequently won senior football championship medals with Mount Sion and was captain of the club in 1956 when they won the title.

Con was also a very well known referee, having refereed a number of senior football county finals. He refereed at intercounty level also.

He was a leading player on the group who organised the Centenary celebrations in 1984.

He was always a very popular figure and a thorough gentleman. May he rest in peace.

**Michael Keoghan R.I.P.**

Our very sincere sympathy is extended to the Keohan family of Fenian Place, Abbeyside on the death of Michael who died on Saturday after a prolonged illness.

Michael was a former Abbeyside minor footballer and hurler and played junior football for a number of years with Kilgobnet Club. Ar dheis Dé go raibh a anam.

**BY "COMMENTATOR"**

**Under 21 Football Results**

**Stradbally 2-13  
Dungarvan 0-6**

This was quite a comprehensive win for Stradbally who may now feel that they are on course for a football double. With several senior county medalists on board and fit from a succession of outings, including Munster club, Stradbally were hotly fancied to win this and they were never in serious danger of not winning.

**Gaeltacht 3-7  
Shamrocks 0-7**

Having defeated Kilrossanty in round one, Shamrocks had hoped to do better here against a side who had a first round bye. On the day the Gaeltacht team, who are showing continuous improvement over the years at underage, were the better team and are now in the Western final against Kilgobnet or Affane.

**Kilgobnet 4-13  
Ballyduff 1-1**

At half time Kilgobnet were well on top and led by 2-8 to 1-1. In the second half there was only one team in it and Ballyduff, failing to score, were left longing for the final whistle and leaving Kilgobnet the easiest of winners.

**Affane 0-17  
Sliabh gCua 3-6**

This was a very welcome return to winning form by Affane who have had to endure more than their share of near misses in recent times. At half time they led by 0-11 to 0-3 and were rather lucky to hold out under pressure in the splendidly contested second half.

**JF 'B' Replay  
Ballinwillin 3-8  
Melleray Rovers 1-1**

It is unusual to find that one side is so superior in a replay, but such was the case here when Ballinwillin were in total control for most of the hour in what was otherwise a

very entertaining game. The winners play Ballysaggart in the final.

**Ballygunner Win East  
Under 21 Hurling 'B'  
Final**

Although nine points separated the teams in the end, this was a well contested and

fairly exciting Eastern final. The result gives senior county champions, Ballygunner the chance of a county double.

They will meet their Western counterparts in about three weeks time in the county final in Walsh Park.

# STRADBALLY GAA NOTES

UNDER-21 FOOTBALL  
Stradbally 2-13 Dungarvan 0-06

The reds outplayed Dungarvan in this under-21A encounter in Lemybrien last Saturday afternoon but it was not until the second half that our dominance showed through. With twenty minutes elapsed on the clock the score read three points each with our points coming from Ger Power and a brace from Alan Darcy. Darcy then set up Michael Walsh for a point which shot us into the lead with Denis Doyle further extending the lead. Eoin Cunningham made no mistake with a penalty rebound with a fine goal and Walsh sailed over a free on the stroke of half time. Half time score Stradbally 1-06, Dungarvan 0-04.

The second half continued in the same vein as the end of the second half with the Taysiders reaching 2-11 before Dungarvan had registered another score. Cunningham amassed a further 1-02 with Ger Power scoring two and Walsh another. Dungarvan's final two points were matched by Aherne and Walsh points. Our second match will be probably on Saturday week with our first round in hurling this Saturday against Abbeyside.

## REARCROSS 0 DUNGARVAN 5

Dungarvan travelled to the village of Rearcross on the Tipperary/Limerick border and returned home with a place in the fourth round draw thanks to an emphatic win. From the moment that Joe Nolan opened the scoring in the 15th minute with a powerful header following a Mark Crotty corner kick the result had a sense of inevitability about it and the Blues never looked in danger of not progressing.

Rearcross found it very difficult to deal with the succession of quality crosses as Dungarvan dominate the proceedings and the visitors were given a great chance to double their lead in the 39th minute when Micheál Downey was taken down in the area, but the keeper save Damien Power's spot kick at the expense of a corner. Once again Rearcross failed to deal with Crotty's corner kick and centre half Alan Landers scored his first ever premier goal with a blistering drive from 20 yards. Just before half-time Niall Barry saved well from a Rearcross free-kick to leave the half-time scoreline at 0-2.

Any hopes of a Rearcross recovery were dashed in the first eight minutes of the second half. Micheál Downey made it 3-0 in the 50th minute with a good finish from a tight angle and then John Power cleverly chipped the home keeper after being set up by Joe Nolan in the 53rd minute.

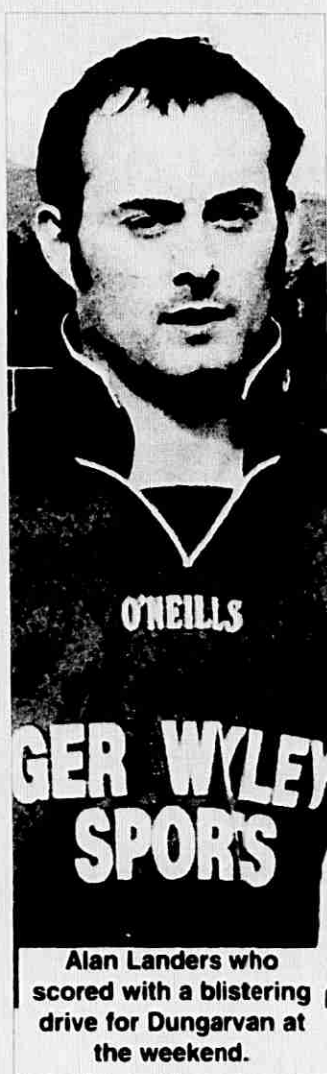

Crotty, Nolan and Power

were completely dominant in midfield and but for some excellent saves by the Rearcross keeper and some poor finishing, Dungarvan could have added to their tally.

Substituted Gary Keane, Tommy Butler and Mark Hyslop were all introduced in the last half hour as Dungarvan's squad shows signs of getting back to full strength and all three acquitted themselves well. J. P. Donnelly completed the scoring when a Micheál Downey header put him through in the 84th minute.

While delighted at scoring five goals away from home, Dungarvan will be just as happy to keep their second successive clean sheet thanks to the good work of Niall Barry and his fellow defenders.

Dungarvan: Niall Barry, J. P. Donnelly, Aidan Landers, Alan Landers, Kevin Walsh, Pepe Ferncombe, Joe Nolan, Damien Power, Mark Crotty, John Power, Micheál Downey.

**Alan Landers who scored with a blistering drive for Dungarvan at the weekend.**

Res: Gary Keane for Pepe Ferncombe (60 mins.); Tommy Butler for John Power (60 mins.); Mark Hyslop for Kevin Walsh (71 mins.); Nicky Donnelly, Kealan O'Neill.

## RAILWAY 0 DUNGARVAN 3

On Saturday last we travelled to Cappoquin to play Railway. The game started very brightly for Dungarvan when a neat couple of passes released Wayne Flynn down the right and he crossed in the ball to Aaron Norris who hit a great shot only for the keeper to save.

Railway put the pressure on us for the next few minutes but our defence stood strong.

Then Dungarvan got the goal they needed a great shot by Aaron Norris only to be pushed away by the keeper and Shane Whelan was there to belt it home. Our midfield pair of S. Whelan and S. O'Hehir were having a fantastic game. Railway were given a corner just on the stroke of half time but again our defence dealt with it.

Second half resumed and for a few minutes chances were limited. A great run by

A. Norris down the left who passed the ball to W. Flynn and he crossed it in only for a defender to mis-hit and M. Murphy was there to drill it into the top corner. With only 10 minutes remaining Railway started to push more forward but got caught on the break when a great ball by A. Norris released B. Foley who took on the last man and he placed it in the top corner.

A great game and a well deserved win for the blues. Final score 3-0 to Dungarvan.

Team: J. Corcoran, F. Sexton, C. R. Power, K. Wall, R. Barton, W. Flynn, S. O'Hehir, S. Whelan, A. Norris, B. Foley and M. Murphy.

Div. 2B League: Dungarvan 0; Ferrybank 5.

## FIXTURES

Sunday, 11th November, Munster Junior Cup: Dungarvan v Ferrybank 11.00 a.m.

The premier team recorded an excellent away win in the FAI Junior Cup when they defeated Rearcross by 5-0 thanks to goals from Joe Nolan, Alan Landers, Micheál Downey, John Power and J. P. Donnelly.

The Div. 2B team had a real off day at home to Ferrybank when they were beaten 5-0. However, the lads still have six points from three games and are well capable of bouncing back from this reversal.

## THIS WEEKEND

We are in action in the Munster Junior Cup when we entertain Div. 1A league leaders Ferrybank at Kilrush Park. The 'Mock' Reid manager side have been playing excellent football to date and with our own side also in a rich vein of form a cracking contest is in store.

## SEAVIEW CELTIC DRAW

We had one winner in the second Seaview Celtic draw: John Donnelly scooped sixth prize, a Waterford Crystal voucher.

## ASTRO-TURF PITCHES

This weekend saw more progress on our new astro-turf pitches with a lot of the electrical work necessary for the new floodlighting system being put in place. Both Thomas Duggan and Stan Cummins have put in a huge amount of work over the past few weeks on this massive project. Also this week they will travel to Dublin along with J. D. O'Shea to view new portakabin dressingrooms which are used by a number of clubs based in the capital. It is hoped to have hour of these in place, complete with showers, when the astro-turf pitches open in December.

## YANKEE DOODLE

Last week saw the longest running lotto draw in the area come to an end, when the last ever Yankee Doodle draw was held. Our new Dungarvan United Lotto draw commences next week and the various sellers will be contacting all our players, supporters, etc. The draw will involve choosing three numbers between 1 and 30.

With an outlay of around £250,000 over the next eighteen months we need to put a lot of work into raising finance and anyone interested in selling these new lotto tickets can contact Stan Cummins, J. D. O'Shea or any committee member. The numbers for the final Yankee Doodle draw were 22 and 69 and there was no winner.

## SPONSORSHIP

Sponsorship is vital to every club and ours is no exception. Without it we simply could not survive. The club would like to express our appreciation to the following local businesses for their generosity. Ger Wyley Sports, set of jerseys for premier team. Tom Power, set of shorts/socks for premier team. Noel Cummins Bookmaker, set of jerseys for youth team.

Also thanks to the Maid of Erin Bar in Tipperary Town which provided a free pre-match meal for all our players and supporters en route to Rearcross last Sunday. As always we would ask our players to support those businesses who provide sponsorship for the club.

## SYMPATHY

Sincere sympathy is extended to the Earley family, several of whom are involved in our club, on the recent death of John Earley, RIP. Also to the family of the late Michael Keohan, Abbeyside, RIP. Sympathy is also extended to the Cummins family on the death of Paddy Cummins, RIP.

## FAI JUNIOR CUP DRAW

The draw for the 4th round of the FAI Junior Cup was held in Carrick-on-Suir last Monday night. We were handed an extremely tough draw away to Peake Villa who reached the quarter-final last season. This game is fixed for Sunday, 25th November.

## Ballinroad 6

We played table toppers Ballinroad last Saturday morning in Stradbally and went down on a scoreline of 6-3. We had come back to 3-2 but then our visitors pulled away. Our scorers came from another Patrick Queally strike, who seems to score a goal in each game, Shane Aherne who scored a truly brilliant goal after a great solo run and Damian Kiely who scored a great strikers goal, being in the right place at the right time.

Many thanks to Ballinroad who allowed us to change the match from the previous Saturday when we would not have been able to put out a team due to Stradbally Senior footballers playing in Limerick in the first round of Munster.

## RED HOUSE LEAGUE ROUND-UP

# "Brideview Win Local Derby"

The local derby between Lismore and Brideview Utd took place in Lismore on Sunday morning. The pitch was in excellent condition and Utd came from behind to clinch victory. Ballyduff went down at home.

### PREMIER LEAGUE RESULTS

#### Lismore 1

#### Brideview Utd 2

Utd came from behind here and clinched full points with a goal late in the game. Utd fielded two new players from Ukraine and both did well for them. Both sides had chances early in the game. Sasha had a fine effort just outside the post after 10 min William Henley had a great shot in the 20th min. but Keith Hornibrook brought off an excellent save. A minute later Lismore opened the scoring. A corner kick saw Dan Shanahan rise above Utd's defence and headed the homeside in front. Brideview should have been back on level terms after 36mins when Sasha sent a terrific pass to Michael Keating. Keating was in but somehow Hornibrook got down well to save the shot. Sergy was in after 37 min but again Hornibrook got down to save. At the break Lismore led 1-0. Utd got on top in the second half Paul O' Brien, Michael Keating and Dermot Henley all went close before John P. Grey equalised from close range in the 81st min. The winner came after 86 min when Dermot Henley headed home and great work by Paul O' Brien. A good win here for Utd.

#### Ballyduff 1 Gortroe 2

Ballyduff put up a terrific performance at home before going down to East Cork side Gortroe on Sunday morning last. Gortroe took the lead midway through the first half and held this lead till the break. The homeside piled on the pressure in the second half and Pa Molumphy grabbed an equaliser. At this stage it looked as if the homeside would go on to win. The visitors had other ideas however and it was Gortroe who scored the all important third goal and so ran out winners.

#### Castlebridge Celtic 1 Cappoquin 2

Both of these clubs are going well. Last week Cappoquin had a good win over current league holders Brideview while Celtic have also got some good away wins to date. Cappoquin caught Celtic on the hop. They were 2-0 up after just 5 minutes and Celtic were fighting an uphill battle after this. Darren Sheehan gave Celtic hope when he scored in the 47th min but Cappoquin held out for victory.

### DIVISION ONE

#### Accrington Celtic 2 Ballybridge Utd 1

For the second time this season Celtic have defeated Utd by the odd goal. On Sunday last Celtic proved that bit stronger than their East Cork visitors. Goals from Alan and Sean Carey saw the homeside grab full points here.

#### Inch 2

#### Araglen Celtic 0

After their good win on Sunday last Celtic were hoping to carry on from where they left off but it was not to be. The players of Inch really lifted themselves for this one and goals from Heffernan and Joyce saw off the challenge of Araglen. Best for Inch were Dave Coleman, Paudie O' Mahoney, Paul Ryan and Bernard McDermott.

#### Kilworth Celtic 2 Mogeely 1

Two first half goals clinched the points here for the homeside. The target men were Fergal Fitzgerald and Brian Gill. Mogeely did pull a goal back late in the game from the penalty spot.

#### Pinewood Rangers v An Gaeltacht.

This game was called off.

### DIVISION TWO

## "Goals Galore In This Division"

#### Clashmore Ramblers 6 Brideview Utd 4

What a cracker of a game this was with ten goals being scored. Three times in this game Utd led but Ramblers came back each time. Brian O' Neill grabbed a hat trick here for Ramblers. Other sharp shooters were Roger Ryan, Derek Cronin and Ger Ryan. Utd's hit men were Brian Donnelly 2, William Curley 1 and Frank Power 1.

#### Valley Rangers 1 Modeligo 0

A first half goal from Ted O' Leary was enough to secure full points in what overall was a poor game. This was Modeligo's second defeat in as many weeks and they will need to hit their true form quickly if they are to climb up the league table.

#### Affane 4

#### Blackwater Rangers 3

Another thriller here in Affane and seven goals to keep the fans on their toes right

### RED HOUSE PREVIEWS

# "Plenty Of Local Derbies"

This coming Sunday sees no shortage of local derbies in both division one and division two.

#### DIVISION ONE

**Kilworth v Accrington Celtic** — This Kilworth local derby is sure to attract the fans on Sunday morning. Accrington have been having a good season despite losing out in the Tony Bolger Plate Final. Kilworth will be up for this game on Sunday and very little separates the sides. The points may be shared here.

**An Gaeltacht v Inch** — Inch will be hoping to grab all three points here and help them move up the league. An Gaeltacht are having their problems this season but I'm sure they will be anxious to get back to winning ways.

**Mogeely v Ballybridge Utd** — This all East Cork clash should attract a good size crowd to Mogeely on Sunday morning. If both sides can produce their best football then we could have a real thriller here. Goals are hard to come by for Mogeely and they will be hoping Jake O' Shea has his shooting boots on. Utd will be going for a win here and they may just shade it.

#### DIVISION TWO

**Clashmore Ramblers v Affane** — Ramblers are blowing hot and cold this season. In some games goals have been a problem but despite this Ramblers are in with a real chance of promotion. Their visitors are doing well and like Ramblers could win promotion. Affane will look to Reddy, McGrath and Maher to clinch full points from this game.

**Modeligo v Blackwater Rangers** — Two teams still waiting for their season to come alive. A win here for either side would be a big boost. They may have to settle for a draw.

**Valley Rangers v Brideview Utd** — This local derby could go either way - a win for either side would lift them up the table. Derry is thinking about a home win but I'm sure Ian will be going for victory here. Little between these sides and we go for a draw.

## OSCAR TRAYNOR CUP

The Red House League team travel to Cahir in County Tipperary on Sunday and will be hoping to do much better than in their last game against Cork.

Manager Paddy Pollard and his assistant Liam Fraser are sticking with the players who faced Cork. Pollard stated that they were pleased with the display against Cork. We were a little unlucky to go in 1-0 down continued Pollard, while we conceded two late goals we feel this was caused by a lack of concentration and perhaps tiredness as well. Apart from that we held our own. It was a pity that we did not score and we should have stated Pollard.

The other thing to remember here is that this is only our second season in this competition so we are still learning. We know we have another tough game on Sunday against South Tipperary.

Like ourselves they went down in their opening game away to the Waterford Junior League. However Waterford are favourites to come out of this group. If we can raise our game on Sunday then we should do well stated Pollard. We will be taking this competition more seriously next season continued Pollard. By that I mean that we hope to have a Manager in place for next season before Christmas. We also hope that the squad will be able to train together and develop a team spirit both on and off the field.

Lets hope the weather is on our side for Sunday

**Red House League Panel** — Keith Hornibrook, Michael Shanahan, David Whelan, Brendan Landers, Alan Landers, John P. Grey (capt), Eoin Murphy, Michael Keating, Brendan Hannon, Shane Fitzgerald, Sean Twomey, Colin Hogan, Terence Rumley, Gordan Bryan, Martin Lacey, Leonard Byrne, Paul Landers, Peter Howard.

### DOUBTFUL

Sean Twomey picked up an injury in Valley Rangers F.A.I. Junior Cup game on Sunday last and is now doubtful for Sunday.

### STATOIL F.A.I. JUNIOR CUP

## Heavy Defeat For Valley Rangers

#### ROCK ROVERS 7 VALLEY RANGERS 1

For some reason or other Valley Rangers never got into this game. To be fair Rock Rovers played some terrific football and never gave Rangers time to settle on the ball. The game as a contest was over at the break as Rovers led 3-0. They increased this lead to 5-0 midway through the second half, Rangers only goal came from the penalty spot in the 82nd min scored by Billy Carr Snr. The homeside finished the stronger and added two more before the final whistle came much to the relief of Rangers players and supporters alike. Derry O' Leary could not explain why Rangers never really got going. I suppose we can now concentrate on the Munster Junior Cup and of course the league. Ah, yes Derry was back to himself again.

### BALLINROAD 6 STRADBALLY 3

Last Saturday we travelled to Stradbally and came away with a very good win. After 5 minutes a great through ball from Conor Moloney found Paul Whyte and he opened the scoring to make it one nil to us. Ballinroad came more into the game after this and a good tackle by David Morrissey found Paul Walsh who made it 2-nil to Ballinroad after 17 minutes. A minute later, Ballinroad scored their third goal when Conor Moloney

received a through ball from James Coade. With 5 minutes to go before half-time, Stradbally made it 3-2. After the resumption, Ballinroad went ahead with two great goals within 7 minutes when first Paul Whyte scored a great goal and then Paul Walsh was taken down by the Stradbally goal-keeper and Conor Moloney duly planted the penalty to make it 5-2 for Ballinroad. Stradbally pulled one goal back to make it 5-3 with 6 minutes to go. Almost immediately, Ballinroad replied with a well taken goal by Paul Walsh to make it 6-3. At this stage, Ballinroad introduced their three subs and held on to win and gain a very valuable 3 points to move within 3 points of league leaders Seaview.

Team: Alan Akehurst, David Morrissey, Kevin Burke, Jim de Fusco, Tom Hanrahan, Paul Whyte, Paul Walsh, Michael O'Halloran, James Coade, Conor Moloney, Maria Delahunty. Subs: Mark O'Connor, Eoin Dunford, Diarmuid Henley (all used).

## UNDER 12 S.F.A.I. CUP BALLINROAD 2 PARK RANGERS 0 (after extra time)

On Bank Holiday Monday last we played Park Rangers at home in the S.F.A.I. Cup in what turned out to be a very entertaining game. The match was evenly contested throughout. Half way through the first half Ballinroad started to get on top. Our defence was very solid and our midfield were supplying good ball to our two strikers Conor Moloney

and Alan Shiel who were causing all sorts of problems for the Rangers defence. Conor Moloney was most unlucky to see a shot come back off the crossbar. We created several more good chances before half time but we could not make the breakthrough. In the second half we were a bit sluggish and we gave Rangers too much room and Stephen Enright was called on to make a couple of fine saves. It was still end to end stuff with both sides trying to make the break through. Ten minutes from time Paul White was brought on and his pace made a big difference but it ended 0-0 at full time.

So it was into extra time and Ballinroad certainly got the upper hand as they contested every ball and were a lot more determined. They got their reward after 5 minutes when a fine cross from Paul White was met with a super header from Conor Moloney. That goal gave Ballinroad a lot of confidence and were creating a lot of chances with Richie Ryan coming close soon afterwards. In the second period of extra time we got the insurance goal when Paul White ran on to a well placed ball to score a fine goal. This was a good team performance from Ballinroad so well done to the lads and we now face Villa at home in the next round.

Panel: Stephen Enright, Colin Ryan, Danny Flynn, Donal Henley, Kevin Delahunty, Jamie Collender, Cpt. Jamie Ryan, Tom Hanrahan, Richie Ryan, Alan Shiel, Conor Moloney, Paul

White, Patrick Quinlan, Kevin Duhig and Robert Phelan.

## BRADLEY WOOD LEAGUE CUP 1ST ROUND

# Waterford Advance To Next Round Of Cup

### WATERFORD UTD 2 KILKENNY CITY 1

The two teams started well and there were some great passes. In the second minute Eric Bradley slid in and won the ball. He rounded the keeper and hit a shot but there was a defender there who cleared it.

In the fourth minute Kilkenny won their first corner but they messed it up. Dempsey, for Waterford got it and passed it to Eric Bradley. Eric ran from the midfield line and cut in between a defender and hit a shot from just outside the box. The keeper got a hand to it but there was too much power on the shot and it went into the goal.

In the sixth minute Kilkenny had just taken tip-off but they lost it. The ball was swung in and it went to the far post where Barry Wood got his leg to it and put it in the net. Now it was 2-0 just after 6 minutes. Waterford were off to a dream start.

About ten minutes later Dempsey got a free but he hit the wall. In the eighteenth minute Kilkenny won their second corner but Waterford cleared it easily. The ball was passed to Dempsey who ran from the midfield line and hit a shot and won a corner out of it. In the thirty second minute Darrell Mooney for Kilkenny ran through Waterford's defence and scored. It was now 2-1.

On the forty third minute a free kick was floated into the box and Paul Leahy headed it off the post and wide. In the second half Waterford went on the attack and crossed it but it was too close to the keeper. In the fifty fourth minute Bradley ran from thirty yards but just put it wide.

In the sixteenth minute Kilkenny made their first substitution. Two minutes later they got their first yellow card. A minute later the same player got a red card. Four minutes later after another four minutes Kilkenny made their last two substitutions. In the seventy third minute Dempsey hit a free and the keeper put it out. In the eighty second minute Joe Watson came on for Eric Bradley. Next minute Kilkenny got another yellow card. Near the end of the match Dempsey had the ball and Joe Watson made a great run ahead of him. He passed it to Joe who hit a very powerful shot but the keeper was equal to it.

The match finished 2-1 and my man of the match was Brendan Rea.

Next home game versus Finn Harps kick off at 7.30 R.S.C. Friday 9th. With both Finn Harps and Drogheda United drawing this weekend and blues next two games via Harps and Drogheda wins in both games would see the blues at the top of the Eircom League. So come along and support them.

Ballinroad Under 14's who recorded a 3-1 win against Hibs recently, with manager Marty Foley.

# Ballyrafter Riding Club Notes

Since last going to press our club has been quite busy mainly in the training and social areas.

We have just completed a series of three lessons with Anne at the Ballyrafter Centre and we all found these lessons most enjoyable and indeed beneficial, as we were all quite rusty after the summer recess. The final night of this series of lessons was Thurs 1 November and in keeping with tradition. We had a Halloween get together which was thoroughly enjoyed by all the members.

We hope to have a further series of three lessons over the next three Thursday nights, namely 8th, 15th and 22nd November, so book early with Francesca Kelly 05853148 to avoid disappointment.

On Monday 26th November we are having a social get together at the Marine Bar, Dungarvan and our our AGM will be held in Ballyrafter House Hotel, Lisimore on Thursday 29th November. New members welcome.

Also make a note in your diary. Our annual Christmas get together will be held in Ballyrafter House hotel on Saturday 22nd December. Great night assured with music by Mozart.

Congratulations to the following members on their recent successes: Killian Phelan on Coolbell Rebel who was placed 3rd in Milistreet in the amateur on Saturday last. To Melody Williams who is leading the Primary League at Waterford Riding club league in the Lake Tour Stables at present. To Jennie Hill who is going well in the Ballyrafter League.

Best of luck to our assistant treasurer Mary Ronayne on her forthcoming marriage. Finally our regional AGM will be held in the Rochestown Park Hotel in Cork on 20th November and as many members as possible from our club should attend.

The National AGM of AIRC will be held in the Killishin Hotel Port Laois on Saturday 1st December.

# Waterford Raceway At The Pike

Last Sunday was the final round of the Summer Championship and it proved to be a very entertaining day's racing. It was a fund-raising day for Thomas Sullivan from Limerick. Thomas, son of Paddy, chairman of the Limerick Hot Rod Club, needs an operation in America, so all the clubs rallied round and all proceeds of the day went towards the fund. All the trophies for the day were sponsored by the drivers. We wish Thomas a speedy recovery.

Veronica Tobin is yet again the over-all driver of the year. This is Veronica's second year in succession to win this much sought after prize. She had to battle to the final race and held off some very strong competition before she made that cup her own. Well done Veronica!

During the past week the front straight of the track was asphalted by South East Tarmacadam Ltd. and it turned out to be a wonderful job. It made the pace much faster and smoother than before, with some great moments of racing on view.

## WEST WATERFORD ATHLETIC CLUB

# Philip Harty & West Waterford Win Munster Titles

▼ Pictured below is a group of runners from Waterford who competed in the Munster Championships at the Friary College last weekend. Included are runners from West Waterford A.C., K.C.K. and Waterford A.C.

Our club runner Philip Harty left under age competition on a high note at St. Augustine's College, Abbeyside last Sunday when he won the combined U-23 and Novice race in the Munster Cross Country Championships from an entry of ninety runners who were representing the provinces six counties.

It was a most successful outing for the club at all levels as we won the ladies novice and the mens U-23 club titles and we were second in the mens novice and ladies U-23 team events, being the only club to figure in the winning results in all four categories.

Philip and his brother William dominated the mens race from the outset in the best traditions of Waterford Athletics and it was refreshing and heartening to see these fine two runners speed around the excellently appointed St. Augustine's course, showing the large attendance that they are running very well at the moment. The only issue to be described was which one of them would win and on the day it was totally appropriate that older brother Philip would take the honours and at the same time inform everybody that he is back to the best form of his career to date.

The efforts of the Waterford County Board under the Chairmanship of Timmy Foley, in getting our athletes to run in this fixture, was very successful and it showed that when the will and the organisation is there, even though we are a small county with a small selection we can match the best and we have the talent to do so.

Twenty Waterford men and six ladies ran in the championships and well done to each and everyone of them for their efforts on the day.

### LADIES WIN

Our ladies novice team were our first winners of the day when they had an exciting three points victory over St. Garvan's of Clare 75pts to 78pts with Midleton third on 93pts. Our U-23 ladies were second to the Clare team in both the club and county events. In addition to Muriel Cummins (KCK) who was Waterford's leading scorer in 6th place (11.39), our six successful ladies were Joanne Jackman 12th (11.56), Triona Shalloe 21st (12.27), Ann Marie Jordan 26th (12.53), Alice Fitzgerald 27th (13.02), Michelle Healy 42nd (15.47) distance 3km.

### U-23 CLUB WIN

The performance of our athletes last Sunday was very encouraging with James Ledingham 15th (23.38), Paul Stephenson 28th (24.17), Trevor Hennessey 70th (27.12) and Shane Power 75th (27.41) backing up our winner Philip Harty (21.58) determinedly to win the club title on 62 pts from Ennis Track 73pts and Marian A.C. 76pts. The county team finished a very close second to Clare 51pts to 56pts with William Harty

(21.59) and Dermot Cummins (KCK) (24.22) and Shane Power, Paul Grant and Brian Swaby (Waterford A.C.) showing that there is much young talent in the county to be optimistic for the future. Distance 7km.

### NOVICE RACE

With both Philip and William Harty ineligible for the novice grade, success at both club and county level was always going to be hard to come by. However, our club team of James Ledingham, Paul Stephenson, Mark Jackman 38th (24.43) and Connie Kelleher 45th (25.04) were second to Marian A.C. Ennis 59pts to 105 pts with Dundrum A.C. Tipperary third on 106pts. Our other club runners were Charlie Foley 50th (25.26), Joe Gough 59th (25.45), Michael Wade 72nd (27.22), Conor Murray 73rd (27.22) and Mark Vespa 77th (28.00), Eric O' Sullivan 78th (28.20) and James McGuire 84th (30.31) both of Waterford A.C. also competed.

The Waterford county team of Shane Power, James Ledingham, Paul Stephenson, Dermot Cummins, Paul Grant and Mark Jackman were third on 119pts behind Clare 62pts and Tipperary 79pts. Distance 7 km.

Time keeper for all events was Noel O' Doherty.

Pictured above is our Ladies Under-23 and Novice teams who competed in the Munster Championships last weekend at St. Augustine's College. Our Under-23 team finished 2nd and our Novice team won the Munster championship in that event.

## THIRTY YEARS AGO THIS WEEK

### "St. Nicholas A.C. Ring Win Munster Novice Title"

History was made at Limerick on Sunday last (November 7th 1971) when the athletes of St. Nicholas A.C. Ring won the Munster Novice Club Cross Country Championship for the first time.

This was a great achievement on the part of the athletes concerned and no praise is too high for Jimmy Costin, John Harty, Ray Treacy and Seamus Drummy who were the scoring four and not forgetting Paddy Kelly and Jimmy Walsh who were also members of the team.

This is the teams first year running together and there is an ideal blend of youth and experience. Sundays triumph was the culmination of many years of endeavour for Jimmy Costin and John Harty.

These two have been the backbone of the club for many years and although they both had many successes at club level in Water-

ford they had to wait until Sunday last to really prove their worth outside the county. This they did in no uncertain manner and they are now the proud possessors of Munster gold medals as a reward for their perseverance.

The other two scoring members of the team, Ray Treacy and Seamus Drummy had already tasted success at Munster and All-Ireland level while they were juveniles but Sunday was also a breakthrough for them to higher ranks. Both have matured and are running well at senior level and no doubt will be improving as time goes on.

This win has opened the way for other Waterford clubs to emulate the feat of St. Nicholas A.C. and ensure that Waterford will be a force to be reckoned with from now on. The talent is there and all that is needed is more spirit and dedication.

## New York Marathon

Well done to our two club runners James Veale and Davy Foley who completed the New York Marathon last Sunday. James finished 1317th in 3.15.14, 10k (44.57), 1/2 marathon (1.35.20), 20 mls (2.26.39), pace per mile = 7.27. Davy finished 19128th in 5.03.31, 10 k (67.24), 1/2 marathon (2.17.03), 20 mls (3.40.38), pace per mile = 11.35. Full results available at [www.nycmarathon.org](http://www.nycmarathon.org)

## ROBERT WADE IN THE USA

Son of club runner Michael Wade, Robert has been making steady progress at Loyola University, Chicago since he went there on an athletic scholarship last August. On September 6th he was named "Horizon League Runner of the Week" at the University. On September 22nd he finished 14th in the mini 8k cross country race in a time of 24.38, helping his team to finish second out of fourteen teams. On October 5th he finished 13th in the Notre Dame 8k in 24.56 in a higher class race and in an all American pre championship event in Greenville he was his University's leading runner when finishing 50th in 25.21. His team finished 15th out of 36 teams. Robert may be home for the National Junior Championships in Abbeyside on November 25th. His progress throughout the year can be monitored at <http://www.loyolaramblers.com/sports/track/releases>.

# WEST WATERFORD ATHLETIC CLUB

## 22ND ANNUAL DUBLIN MARATHON

# Connie Kelleher Wins Paddy Joe Delaney Memorial Shield

Fifteen club runners took part in the Addidas Dublin Marathon on Bank Holiday Monday October 29th. Runners finishing times in a marathon are like children at Christmas time, some get what they're looking for and some don't.

Our own runners experienced these variations on the day but the most important fact is that we are proud of them all for representing us so well in our club colours which drew much favourable comment as they made their way around the 26.2 mile route.

The inaugural winner of the Paddy Joe Delaney Memorial Shield for our first West Waterford runner to finish was Connie Kelleher who was timed at 2 hrs 55mins 25 secs. A native of Kilmacow, Millstreet, Co.

Pictured above is Connie Kelleher being presented with the Paddy Joe Delaney Shield for being the first West Waterford runner to finish in last week's Dublin City Marathon from Tim Foley, Chairman West Waterford AC. Connie will hold the shield until March when it will be presented to the first W.W.A.C. runner in the Ballycotton 10. Also included are other athletic officials.

## WEDDING BELLS

Congratulations to local runner Kieran Maher and Rowena Duggan who were married last Saturday. Long life, health and happiness to you both. Kieran is a former winner of the Marine Climb, Ras na Rinne, The Michael C. Nagle Cross Country and the Brickey Race.

## WEST WATERFORD V KILMACOW THIS SUNDAY

Club runners are reminded that the away leg of our cross country match versus St. Senan's, Kilmacow takes place this Sunday November 11th at 1.30pm. We hold a 56pts to 103pts lead going into this race. All available athletes are requested to support the Kilmacow race which will be held over a distance of 5 miles.

Cork the birthplace of the legendary Thady Quill, Connie proved to be a very popular winner. He is a loyal club man without question, a fact he proved again just six days after the marathon when he lined out for the club in the Munster Novice Cross Country Championship last Sunday where he won a Munster silver medal with our novice team.

Connie's marathon C.V. makes very interesting reading. Up to 1988 he had run a number of marathons with a best time of 2hrs 44mins. Connie didn't run a marathon for thirteen years up to London 2000 and this year he has run three marathons. He ran London in 2hrs 59mins, Dungarvan in 3hrs 04mins and now

Dublin in 2hrs 55mins. His preparations for Dublin included one run of 19 miles, three half marathon races and no run longer than thirteen miles. Connie ran the second half of his marathon nine seconds faster than the first.

Approaching his fiftieth birthday next month he was eighth in the O-45 category and less than a minute behind the winner of the O-50 grade.

An entry of fifteen runners from the club in Dublin was very good considering so many of our members ran in the National Marathon in town last May. Special mention to Richard Power and Terri Gough for running their first marathon and to Michael Wade (3.13.37) and

Don Sheil (4.44.01) for recording best marathon times. Welcome home to Liam Flynn who came from Chicago to run.

Our full results stating finishing time, place in category and both half marathon times are as follows:

Connie Kelleher 2.55.25, 8th over 45 1.27.48 1.27.37. Liam Flynn 3.00.20 34th over 40 1.28.13 1.32.07. Michael Wade 3.13.37 66th over 40 1.36.47 1.36.51. ## ALL ROUNDER WINTER LEAGUE

# CONOR FRENCH ELECTRICAL LEAGUE

The very successful juvenile cross country league sponsored by Conor French concluded in the Friary College on Friday evening.

When all the points were totted up after 6 weeks of competition team "C" of Pádraig Healy, Aoife Nagle, Aisling O'Connell, Vivian Fitzgerald and Una Power had 27 points to spare over team "B" comprising of Trevor Hennessey, Niamh O' Riordan, Eileen O'Connell, Tracy Shalloe and David Collins.

Ground conditions on Friday were improved from the previous week and as a result 8 new personal bests were recorded. Trevor Hennessey and Mark Shalloe had a great race all the way round and as a result both recorded best times of 7.11 and 7.12 respectively. Derbhla Ni Haoda and David Collins both ran a time of 9.10 and for both it was a 10 second improvement. The others who lowered their times were Niamh O' Riordan, Vivian Fitzgerald, Ciara Scanlon and Teresa Curran.

The individual winners from the league were fastest: Boy U-12 Mark Shalloe, boy over 12 Shane Power, girl U-12 Michelle McCarthy, Girl O-12 Triona Shalloe. Most consistent girl Sarah Flavin, boy Eanna O' Ceallaigh. Most improved from previous years girl Ciara Harty, boy Ferdia O' Haoda. Most improved this year girl Catherine Murray, boy Tom Hennessey.

As can be seen from the results a total of twenty athletes will receive prizes and this would not be possible without the generous sponsorship we receive from Conor French for which we are very grateful. Conor will be present on Friday evening the 9th of November to present the prizes. On that evening we will run a handicap race when everyone will be competing off the best times they recorded over the six weeks.

We are also indebted to St. Augustine's for the use of their excellent facilities and to Noel O' Doherty and Mary Ashe who did the time keeping every week.

Times recorded Friday 26th October: Trevor Hennessey 7.11, Mark Shalloe 7.12, Ferdia O' Haoda 7.26, Pádraig Healy 7.50, Triona Shalloe 7.59, Sarah Flavin 8.04, Lorraine McCarthy 8.18, Emer Scanlon 8.24, Michelle McCarthy 8.49, Eadaoin Ashe 8.57, Aoife Nagle 9.02, Eileen O'Connell 9.08, Derbhla Ni Haoda 9.10, David Collins 9.10, Eanna O' Ceallaigh 9.37, Darragh O' Riordan 9.38, Ann Marie Hennessey 9.47, Natalie Tobin 9.50, Tracy Shalloe 9.53, Colleen Hayes 10.04, Teresa Curran 10.08, Tina O' Leary 10.12, Kate Kiely 10.21, Ciara Scanlon 10.31, Ciara Harty 10.41, Elaine Curran 10.50, Tom Hennessey 11.01, Zoe Scanlon 11.31, Cliona Ashe 13.28, Aisling Hourigan 14.00, Marie Duffy 14.01.

# GREYHOUND NEWS

BY MARK PHILLIPS

WATERFORD TUESDAY OCTOBER 30TH 2001

## Caseyville Jack In A Hurry

The final meeting for the month of October was confined to the graded variety of Greyhound. For a novice the Finbarr Finn and Teresa Carr owned Texas Tess (Thorgil Tex-Now Go) the 6/4 favourite ran a race full of promise to capture the opening event in 29.51. Out with the washing early on as Dry Eye made the long break for home Texas Tess weaved her way through the field to eventually outstay Sailaway Gem by three and a half lengths in 29.51.

The second novice contest saw the James Young owned Crinkle Moon (He Knows-Maries Secret) 2/1 make a positive start from trap three to motor into a handy lead over Anubis and while the latter stuck to the task in hand Crinkle Moon kept on well for his length win in 29.47.

The Mairead McGrath owned Clash Gordon (Trade Official -Thats Dolly) 2/1 made a winning sprint debut in the third showing his rivals a clean pair of heels from trap two for a well deserved two and three quarter lengths win over Abbeycourty Babs in 16.96.

Affane Hunter (Toms The Best-Natalies Ranger) owned by Eamon and Karol Uniacke was the punters choice at 4/5 in the fourth and with this early paced favourite having shaken off the early challenge of Saltee Nell the West Waterford entry stayed on well to record a three lengths victory over a running on Rumble Daisy in 29.47.

Only four runners went to traps for the fifth and despite a late rush of money for Greenview Crazy 6/4 it was the Kathleen Cronin owned and Eddie Wade trained Kannan (Staplers Jo-Tullylost Abbey) 2/1 who absolutely hacked up in 29.93. Bumping the early leader Squeeze Play on the first bend Kannan quickly put the issue beyond doubt galloping clear for a twelve and a half lengths win over a hampered Squeeze Play.

Deep Cherry (Deep Decision-Black Cherry) 3/1 owned by Sheila Horgan appeared well on his way to registering his first victory having beaten off the back stretch challenge of Lightning Lou in the sixth but the Dick Cullinane owned Dunhill Donna (Powerful Flash-Lisnakill Donna) 5/1 really motored in the closing stages to force a share of the spoils in 29.49.

The seventh event was run off over the six bend trip of 730 yards. Looking Smashing and Melbourne Lady enjoyed a stint in the lead early on but at the business end of matters the Sean Jennings owned Roan Queen (Roanokee-Kerwex Queen) the 7/1 outsider came storming through the field to beat Looking Smashing by three and three quarter lengths in 41.78.

All present wanted to back Lemon Post in the eight and while some punters were on at 4/5 this Kathleen Lennon hot pot was placed into trap one as the 1/2 favourite. After twenty yards there was only going to be one result as Lemon Post (Staplers Jo-Farloe Post) basically outclassed and outpaced the opposition breezing in seven and a quarter lengths clear of Crinkle Star in a speedy 16.46.

Favourite backers were on a roll at this point and track newcomer Caseyville Jack (Toms The Best-Natalies Ranger) the red hot 4/6 favourite cruised to a 29.25 victory for Dungarvan owner Michael Woods in the ninth. Showing good early speed Caseyville Jack was never in any danger of losing this contest bolting in eight lengths clear of Pavilion Vicky.

The concluding 550 yard contest produced a very im-

pressive winner in the shape of the George Roche owned Peters Champion this well backed son of He Knows and Metric Jewel 6/4 romping to a cosy 30.45 success. The fast starting Peters Champion had this race in the bag a long way from home coasting to a five lengths victory over the evens favourite Scintillas Lilac who was filling the runner up spot for the third time in her three outings over this circuit.

WATERFORD SATURDAY NOVEMBER 3RD 2001

## Late Late Show By Rebel Watcher

A good sized attendance at Kilcohan Park saw the Barry Cullinane owned and Paul Hennessy trained Rebel Watcher (Leemount Watcher-Just Queenie) the even money favourite run unbeaten through the Dave Maltby Baker sponsored Savana Kennels Open Puppy Stake confined to 2000 whelps with another sub 29.00 run in the £1,500 to the winner decider last Saturday night. The favourite ran in third spot down the back as Sparta Liz headed her full brother Sparta Rolo but in a driving finish Rebel Watcher came through on the wide outside to land the spoils by half a length in 28.74. Judging by the strong finish of the winner a longer trip beckons for this lightly raced sort.

Impressive semi final winner Goat Island was the evens favourite to capture the Waterford Masters Trial stake and while he disputed the lead down the back with Dawlish Jack it was the latter who found himself in the driving seat off the home turn. The pack began to close off the final bend however and with 6/1 chance Fly Quest (Top Honcho-Fly Venue) finishing like a train for the Autumn Kennels Syndicate this Killian Power trained runner lifted and landed to triumph by three lengths over "Dawlish" in 29.01. The trio on this race paid a whopping £609.

County Tipperary trainer Sean Burke and local trainer Peter Brady both recorded nice priced doubles at this fixture. Both of Sean Burkes winners were for patron Eileen Gleeson whose Three Spirals (He Knows-Pony Nikita) 4/6 and Spiral Mover (Roanokee-Spiral Tina) 2/1 captured their respective contests. In the opening 525 Bigwood Tyson had the opposition on the stretch from an early stage but recovering well from a tardy start Three Spirals made rapid late headway to get up close home for an exciting length win over Bigwood Tyson in 28.99.

Spiral Mover had it somewhat easier in the ninth grabbing a second bend lead from Catsrock Stam easing his way clear of Beirns Mick for an cosy five and a half lengths win in 29.41.

Locally based handler Peter Brady recorded a marathon training double courtesy of David Kielys Rockys Radebe (Summerhill Swift-Magical Line) 4/1 and Mary Whittles Hotmilkandpepper (Boyne Walk-I Love Lucy) 6/4. Rockys Radebe success in a semi final of a marathon stake is easily described as he powered clear from trap four for a clear cut nine lengths win over Imagine Lass in 41.55.

In a graded marathon Hotmilkandpepper tracked the early leaders of Belmullet Anne and Ashwood Mandy before staying on strongly up the home stretch for a two and three quarter lengths victory over Belmullet Anne in 41.87.

In a graded sprint the Ian Seymour owned Blakeney (Pepes Dilemma-Scotias Glen) 2/1 stayed on best in the closing stages to edge out the always prominent His Chum by three quarters of a length in 16.77.

The first semi final of the Manor Farm 29.40 stake had its fair share of talking points. As early as the first bend Best Wink took a heavy fall as Spring Trio made the best of his way home. Spring Trio picked up a bad injury however just beyond the half way mark and pulled up as a closing Killotteran Sue cannoned into the stricken Spring Trio. This inci-

dent left the John Darcy and Shem O Donnell owned Break Away Smart (Mustang Jack-Spinning Sun) 5/2 a free run in to post a somewhat fortunate five and a quarter lengths win over Dinan Smoke in 29.16.

In the second semi final the John Dermody owned and Leslie Hunter trained Osprey (Deenside Equity-Fahee Lantern) 7/4 to 4/5 was backed as if defeat was out of the question and showing sound early pace the jolly opened up a substantial lead over Swell Lady. The latter was not going down without a fight however and she rattled home only to go down by three quarters of a length to the favourite in 29.12.

While Rockys Radebe proved successful in the second semi final of the Smurfit Marathon event the first qualifier produced a pillar to post victory for the Phillip Heffernan owned and Desna Hattemore trained Sometime Now (Fifthofnovember-Lisnak Barbie) this 2/1 chance making all the running for a two lengths win over the always prominent Jamie Artic Wind in 41.32.

Well known Dungarvan owner/breeder Christy Gee sent out the very easy winner of the ninth contest as the fast starting early paced Scintillas Byron (Come On Ranger-Scintillas Glow) 2/1 made no mistake from a middle draw with a no nonsense trap to line five and a half lengths win over Beirns Mick in 29.41.

## Sunday, November 11th

There is no racing scheduled for Kilcohan Park on next Saturday night but all roads lead to the local greyhound venue on Sunday night for the 2001 running of the £15,000 to the winner Tom Kearns Waterford Masters invitational race which is the richest prize for a one off race in the country. The first of ten top class races are underway at 7.30 pm and the following are some important trap draws.

## Live Radio Broadcast

Waterford Local Radio (95.1 and 97.5 FM) will broadcast live from the track on Sunday night next.

# Cunnigar Pitch And Putt Notes

## LOTTO

Numbers drawn: 2,9,27,30 no winner. The following won £20 each: Olga McCarthy, Tricia Hayes and Eddie Lenihan. Next weeks jackpot £1,000.

## LADIES COMPETITION

The ladies turned up in good numbers once more last Wednesday for their weekly tournament with the honours going this time to Carmel Crotty in the nett and Patricia O'Regan in the gross. It's great to see Heather Wright back playing again. Heather served the club in many capacities down the years. Don't forget the tee off time for this event is 10.30 am every Wednesday.

## TURKEY TOURNAMENT

The cold winds of Winter finally arrived for the latest turkey competition on Sunday. A sizable entry took part with a couple of familiar faces missing who were away on club duty. This time we had one of the most

unforgiving competitions in the format of a Scotch Four-some with no room whatsoever for mistakes. With all this in mind the two winning scores were incredible.

In the nett former school-mates Philip Duggan and Eddie Lenihan teamed up to win with a massive 83 1/2. In the gross club registrar Thomas Maher and David Buckley joined forces to win in style with a whopping 18 under.

Well done to all and be sure to have the names in by 2.00 pm Saturday when the draw takes place. Next Sunday tee off time at the usual time of 9.45 am to 10.30 am. Don't be late or you won't get a game.

## ANNUAL SOCIAL

A reminder once again to anyone wishing to obtain tickets for our annual social on Saturday December the 1st they can now be purchased from any member of the committee. A great night is assured.

Pictured above are Philip Duggan and Thomas Maher pictured after a recent win.

# "Brilliant Performance From William Harty To Take 2nd Place In The Munster U-23 Cross Country Championships"

The Munster Cross Country Championships for novice and u-23 men and women were held in St. Augustine's College on Sunday last in summer like weather conditions. There was a brilliant performance from the Harty brothers William and Philip in the U-23 Championships as shortly after the start they both sprinted to the front and with every stride they opened a gap of about 150 metres on their rivals and from there on they ran shoulder to shoulder.

In the end it was Philip who took the U-23 title edging William into second place by the narrowest of margins. In the womens U-23 Championships we had a brilliant performance from Muriel Cummins to finish in 4th place and led the Waterford team to second team prize.

It is great to see Muriel back in the sport and running so well. We also had brilliant running from Dermot Cummins who finished 22nd in the novice race and was a scoring member of the Waterford team that took second place in Inter County contest. Dermot also finished 16th place in the U-23 championships and was the third scoring member of the Waterford

team that took the bronze medals.

The county B juvenile cross championship were also held on Sunday and were poorly supported by the clubs. In the boys U-8 John Halley had a great win. In the girls U-9 Aisling Fehilly and Sinead O'Grady had a fine performance to finish in third and fourth places. Debbie Kirwan took third place in the girls U-10. Sean Fehilly had a good win in the boys U-10. And Rachel Walsh had a fine win in the girls U-12 and good running from Michaela O'Grady in fifth place. Pad Kinneads had a great win in the boys U-12 with Aidan Halley second and Craig Kinghorn in third place. And fine running from Conor Nugent to win the Boys U-14 race. The club held its annual general meeting a few weeks ago and there was a lazy attendance. The outgoing Chairman Stephen Morrissey reported on a very successful year of the club, at cross country we won many county, provincial and national titles. In track and field it was a very good year again with our athletes winning the best overall club in the county and should be in the shake up for the best club in Munster with

William and Claire setting new Munster records in their chosen events. It was also a great year at National level at track and field with club athletes winning many medals with the highlight being the girls under-17 taking the 4 x 100 relay title. The team was Edel Morrissey, Elley Walsh, Caroline Walsh and Claire O'Sullivan.

Next we had the election of officers for the next year to run the club and we elected a new chairman to steer the ship on course for the next twelve months.

President — Rev. Fr. Doherty P.P.; Chairman — Richie Browne; Vice-Chairman — Jeffery Halley; Secretary — Michael Flynn; Competition Secretary — John Harty; Treasurer — Michael McCarthy; Committee — Stephen Morrissey, Nora Kirwan, Rose McCarthy, Mary McGrath, Helen Harty, Mary Ann McCarthy, Lar Flavin, Eddie O'Grady, Brenda Cummins, Marian Walsh.

The best of luck to all club athletes competing in the uneven age juvenile cross country championships which will be held in Carrig na Bhfear Cork on Sunday next for girls and boys U-9,11,13,15,17. The club will have 40 athletes competing

William Harty who finished 2nd in the U-23 cross country championship last weekend

starting 1.00pm. The club fund raising draw will take place on Saturday December 15th in Lawlors Hotel at 8 pm. It costs a lot to run a successful club over the year. I appeal to all supporters out there to support this worthy cause - it is the children you support. Once again I would like to thank all the business people for their support with cash and vouchers for the draw. Full list will be published later book of 6 tickets £5.

## COUNTY B CHAMPIONSHIPS

The juvenile county B championships attracted a very disappointing entry to St. Augustine's College on Sunday. We had three individual winners with Ciara Scanlon, Derbhla Ni Haoda and Jim Curran all being first past the line in their respective races. Also showing up well were Jim's twin brother Tom who ran him very close in the U-9 race. Newcomer Michael French ran well to finish 2nd in the U-8 race and Rosin Jordan running in her first championships showed great determination when finishing 2nd U-9. Rosin is a sister of Ann Marie and both are daughters of Tom Jordan who was one of the top track and road runners in the country in the late seventies and early eighties so they will not be found wanting in pedigree and I am sure Tom will take them along gently over the next few years as no one knows better what is needed to succeed in this sport than Tom.

## FULL RESULTS

Girls U-8 1st Ciara Scanlon. Boys U-8 2nd Michael French 5th Tom Hennessey. Girls U-9 1st Derbhla Ni Haoda 2nd Rosin Jordan. Boys U-9 1st Jim Curran 2nd Tom Curran 3rd Eanna O Ceallaigh 4th Daniel Mulcahy. Girls U-10 2nd April Ledingham. Girls U-12 3rd Emer Scanlon 5th Sarah Kate Ledingham 7th Ann Marie Hennessey.

## FERRYBANK OPEN C.C.

Ferrybank A.C. held their annual cross country meeting on bank holiday Monday and they got a fine entry of athletes from several counties. Two of our athletes had fine wins. Ferdia O Haoda won the U-12 race and Paul Stephenson was successful in the U-16 race. There were prizes for the first twelve in each age group.

## PRIZEWINNERS FROM FERRYBANK

Girls U-9 7th Derbhla Ni Haoda. Boys U-9 5th Tom Curran 6th Jim Curran. Girls U-11 6th Shona Curran 11th Emer Scanlon. Boys U-12 1st Ferdia O Haoda. Girls U-16 4th Ann Maire Jordan. Boys U-16 1st Paul Stephenson. Junior Girls 2nd Triona Shalloe. Junior Boys 2nd James Ledingham.

## MUNSTER CHAMPIONSHIPS

On next Sunday the 11th of November the U-9 to U-17 Munster championships are being held in Carrig na Bfearr County Cork with a 1.00 start. The best of luck to all club athletes who will be competing and striving to qualify for the All-Irelands which are being held in Rostrevor County Down on Sunday the 9th December.

## DUNGARVAN ATHLETIC CLUB

### SUCCESSFUL DAY AT FERRYBANK SPORTS

Several of our own athletes made the trip to Ferrybank Open cross country on the Bank Holiday Monday. Michelle McCarthy was back on form again and had a great win in the girls under 10. Zoe Scanlon finished 6th in the under 8 and Ciara Harty was also among the prize winners finishing 9th in the under 16's as did Lorraine McCarthy in the under 13. We also had three athletes who finished just outside the main prize in 3rd - Darragh O'Riordan u8. Niamh O'Riordan under 11 and Colleen Hayes under 12.

Unluckiest of all was Ashlee Keohan who was up with the leaders in the under 13 race when the leading group were sent on the wrong course. She made a great effort to get back into the prizes but finished just outside the prizes in 14th.

### COUNTY B CHAMPIONSHIPS

The under 10 team of Cliona Hyslop 1, Elaine Curran 4, Teresa Curran 5 and Marie Duffy 6 also took 1st team.

In the under 10 race April Duff finished 2nd while in the under 9 Zoe Scanlon was 5th and Aisling Hannigan 6th. In the under 14 race Aisling O'Connell finished 2nd.

## BONMAHON NOTES

### 21st Birthday

Congratulations to Finbarr O'Rourke son of Noel and Maureen O'Rourke Coast-Guard Road Bonmahon who will be 21 next week. Wishing you all the best for the future Finbarr.

### New Baby

Congratulations to Marie Power daughter of Tom and Alice Power CoastGuard Road who gave birth to a baby girl last week. Wishing you both the best of luck for the future.

### Sea Scapes Looking Well

Congratulations to Timmy Whelan of Ballinsisla on the construction of four beautiful houses namely sea scapes just outside Bonmahon. This development is now taking shape and will surely enhance the local area. Four houses in all are being built on this site so Bonmahon

will have four new neighbours. If there was more development like this in the immediate area it would surely be an added welcome to our village. Well done to Timmy.

### A Baby Boy

Congratulations to David and Joanne Lenihan of boat-strand on your recent birth of a baby boy. Wishing you lots of luck for the future.

### Halloween (omblish)

This is one tradition which will never die. On Wednesday night last in the Bonmahon locality many young children could be seen trick and treating around our highways and by ways - also known as going out on the omblish. Just one of the old traditions handed down to us over generations - a good bit of simple fun. Well done to all those children who took part.

### Dogs Going Missing

Over the past week or so dogs in our locality as well as Kill and Dunhill areas have been reportedly going missing. So if you have a valuable animal make sure it is locked up at all times and on a lead when going for walks. And be vigilant of any suspicious movement if you are aware of any suspicious vehicles in our area do not hesitate to call the local gardai.

### Celebrating his 70th Birthday

Congratulations to Vincent Mooney who will celebrate his 70th birthday next week (sure you're just a young lad). Wishing you all the best for the future.

### News from Hayes Bar

Well done to Chris Kiely and James Dineen who were winners of last Friday's darts competition.

# Old Market House Arts Centre

Pictured at the launch of the 'Painting Friends' exhibition in The Old Market House Arts Centre, Dungarvan were Clare Morton/Centre Manager, Glynnis Trinder/Artist, Mgt. Fleming, Arts Officer, Cllr. Ollie Wilkinson, Donal Connolly, Co. Manager, Wishy Martin and Maggie Blackley, Exhibiting Artists.

'Painting Friends' opened on Thursday night 25.10.01, in the Old Market House Arts Centre, Dungarvan with a capacity crowd in attendance. It is an exhibition of 45 Paintings and Sculpture pieces by local artists Wishy Martin, John Cullinan, Glynnis Trinder and Maggie Blackley. Wishy Martin well known to people in the Lismore and Cappoquin area exhibits landscapes and portraits in particular her works Good Companions and Lovena are beautiful, sensitive portraits. Glynnis Trinder says that she is often intrigued with capturing a mood, essence or a situation rather than capturing the likeness of someone and this is evident in paintings like Daffodils, Preparation 1 & 2 or Harvest 1 & 2. Talking of Harvests, Harvest Headland is an interesting landscape painted by John Cullinan from Tramore - all reds and pinks and yet so earthy. His painting ranges from portraits, life-studies to still-life and landscapes. He is also a picture framer and woodturner. Maggie Blackley's sculptural pieces tie in beautifully with the exhibition and give it an added interest of three-dimensional artwork. Her sculptures are figurative with the exception of Bird, her largest piece carved in Irish Limestone. Like the other artists she is exhibiting quite a range from the Buddha-like Grey Madonna in Soapstone

Wishy Martin, Rita O'Connell & Anne Patrick at the launch of the painting friends exhibition in The Old Market House Arts Centre, Dungarvan.

Cllr. Damien Dillon, Dungarvan U.D.C. and Joan Clancy, Ring at the launch of the painting friends exhibition in The Old Market House Arts Centre, Dungarvan.

to beautiful nudes, cast in bronze. With its variety and local connections, the exhibition at the Old Market House Arts Centre in Dungarvan is a must-see and it continues until November 17th. The Arts Centre is open from 1.30 to 5pm Tuesday to Friday and from 12 noon to 6 pm on Saturday. Admission is free.

## DUNGARVAN MUSEUM NOTES

Richard Edward Brenan (1846-1917) He was born in Dungarvan where his father Edward was Postmaster. It was Edward who discovered the remains of mammoth at Shandon Caves. A large bone rescued by him is now on display in the Collin's Barrack museum in Dublin. Richard Edward succeeded his father as Postmaster. He lived over the Post Office in Grattan Square (now Curran's Furniture Store) where he also ran a printing business and station-

ary shop. In 1869 he founded the first cycling club in Ireland - 'The Dungarvan Ramblers C.C.' In that year the first cycle race for a challenge cup was run by the club and was won by Brenan. The cup is on display in the museum. Brenan published a monthly journal - 'The Dungarvan Monthly Illustrated Journal'. He was also an enthusiastic photographer and the museum has over 400 of his glass negative plates in the archive. He is buried near the entrance to St. Mary's Parish

Church. An Cumann Cuimhne Saighdiuri an Chlead Chogaidh Dhombhanda is unveiling a plaque to the Waterford men and women who served in the Great War. This will take place in St. Cartage's Cathedral, Lismore at 8.30 pm on Friday 9th November.
