## Feile na nDeise All Set To Attract Bumper Crowds

### KEVIN KIRRANE

Feile na nDeise is making a welcome return to Dungarvan after a brief one year absence, with a large number of visitors predicted to pack the town over the May bank holiday weekend.

Organised by a team of upwards of 200 volunteers the popular festival is expected to attract thousands of visitors to the streets, pubs and hotels of Dungarvan over the course of the festival.

Believed to be worth at least 1.9m to the local economy each year, the 2001 Feile was cancelled due to the Foot and Mouth crisis. But, with no such problems, this year, the successful start

to the tourism season, which has already seen large numbers attracted to Dungarvan for the St. Patrick's Day parade, looks set to further improve.

Hotels and other tourism related industries have already said there has been a growing interest in the weeks leading up to this year's Feile and predict an increased growth in the visitor num-

bers to the town.

Michael Burke, proprietor of Lawlors Hotel, welcomed the return of Feile na nDeise saying that its benefits are far reaching.

"There's a great buzz in the town and the streets are alive with music. There's no doubt it also brings a lot of extra people to the town and everyone gets a benefit", he said.

Mr. Burke added that each year the Feile has given the town an extra boost in the run-up to the summer season.

The event, which is widely hailed as the biggest and most popular of its kind in the country, will kick off on

# Dungarvan Museum Among World's Top Five Museums

It is quite an achievement for a small local museum to be able to compete with large museums on an international stage. At the sixth annual Museums and the Web conference (held in Boston), Dungarvan Museum's web site www.dungarvanmuseum.org was short-listed in the Best Research Site category. To make the final short list Dungarvan Museum displaced web sites from the Smithsonian Institution and Harvard among others.

Also short listed along with Dungarvan Museum's web site were: Tate Online (Tate Galleries, UK), Division of Paleontology at the American Museum of Natural History, Black Wings: African American Pioneer Aviators (American National Air And Space Museum), EH Strickland Entomological Museum (University Of Alberta)

The winner of the award in Dungarvan Museum's category was the American Museum of Natural History.

At the moment the site has over 1000 pages on local history. The site uses text, video, photographs, virtual tours and downloads to explore many topics of local historical interest (the Famine, the Moresby Disaster, King John's Castle, Waterford Men in the Great War, War Of Independence etc.). The web site allows Dungarvan Museum to function as a publishing house for local historians. Publishing on-line is a cost free method for local historians to distribute articles to a larger audience than would normally be available to them. New articles are added on a regular basis. Between 800 and 1500 different people a week consult our on-line archive on West Waterford history and over 500 people from all over the world are members of our free electronic mailing list.

The web site was constructed at no charge by Martin and William Whelan of local web site design company Deise

Design (www.deisedesign.com) as their contribution to preserving Waterford's past. The site has been constructed using a content management system called Deiseditor developed by the Deise Design web consultancy over a two-year period. This content management system allows Dungarvan Museum Staff to publish their information online quickly and easily.

According to the Museums And The Web organisation the sites short listed support research on museum collections and provide excellent resources for researchers from any discipline. They are primarily aimed at on-line databases and search engines that provide detailed information for individuals and or groups. Reviewed web sites were marked according to the following criterion:

- Ease of use for both experienced and novice researchers
- Accuracy and depth of content
- Consistency of material
- Currency of links and updates
- Extent of links and references to other related resources and sites

Dungarvan Museum Society, a voluntary non-profit organisation, was founded in 1982 to run museum. In 1999 the Museum moved to a new location at the old Town Hall in St. Augustine Street, Dungarvan, County Waterford. Dungarvan Museum is part funded by Waterford County Council.

Mr. Daly, who is a native of Abbeyside said: "Within the South East, Waterford City stood out as the right place for our

regional headquarters.

It is the commercial and industrial centre. The city sits at the heart of the greatest concentration of business activity within the region".

# MONEY MATTERS

### FAMILY INCOME SUPPLEMENT

Family Income Supplement (FIS) was introduced to help family who work but are on low pay. It is a means tested payment from the Department of Social, Community & Family Affairs. The following guidelines may help you to work out if you are entitled to this weekly supplement to your income:

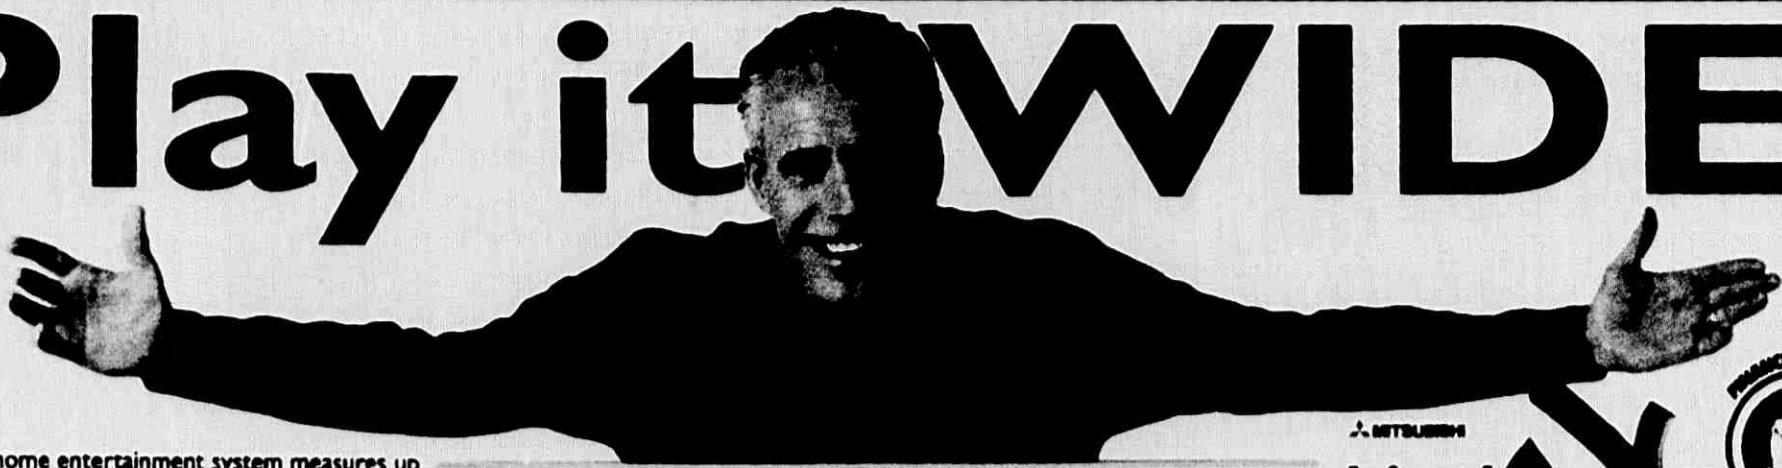

- You must be working at least 19 hours per week or 38 hours per fortnight. This cannot be a government scheme.
- The job must be expected to last for at least 3 months.
- You must be maintaining at least one child under 18 or up to 22 if in full-time education.
- If you are married or living with someone as husband and wife, hours worked by both of you must be combined.
- You must not be receiving Unemployment Benefit or Assistance or a qualified Adult Allowance.
- If you have a medical card it will not be affected.
- Your income must fall below certain limits in order to receive it. This ranges from 362 euros for a family with one child to 539 euros for a family of eight or more children.

To see if you qualify for FIS you must work out what your assessable income is i.e. gross pay minus tax, Employee PRSI, Health Contribution etc. If you have a partner you must do the same for him/her. If you fall below the income limits outlined above you will receive 60% of the difference between your income and the FIS limits. Take for example a family who have four children and a weekly income after deductions of 350 euros. Their FIS income limit is 438 euros. They will receive 60% of the difference between their income and the FIS limits i.e. difference is 88 euros x 60% = 53 euros per week FIS payment. Application forms are available from your local social welfare office, MABS or from the following: Family Income Supplement Section, Social Welfare Services Office, Ballinalee Road, Longford. Tel: 043-45211. Help in completing your FIS application form is also available at your local MABEL Office.

The Money Advice & Budgeting Service is based at Civic Offices, Davitts Quay, Dungarvan (Tel 058-44922) and provides a service throughout the West Waterford area. It is part of the national MABS Service and is free, confidential and independent. Visit our web site at: [www.mabs.ie](http://www.mabs.ie)

THE BEST PICTURE IN THE WHOLE WIDE WORLD

## Major Expenditure In Gaeltacht Area

Seamus O Domhnaill of Fianna Fail an tSean Phobail has been informed by Brendan Kenneally T.D. that a total of 43,290 Euro is to be spent on minor roads in the Gaeltacht area. The money has been allocated as follows 33,750 Euro ar Barra na Stuaic, 6,748 Euro at Baile na Mona iochtarach and 2,892 Euro at Maol 'a Choirme, An Rinn.

# JOURNEY THROUGH AFRICA

## The Lake of Stars

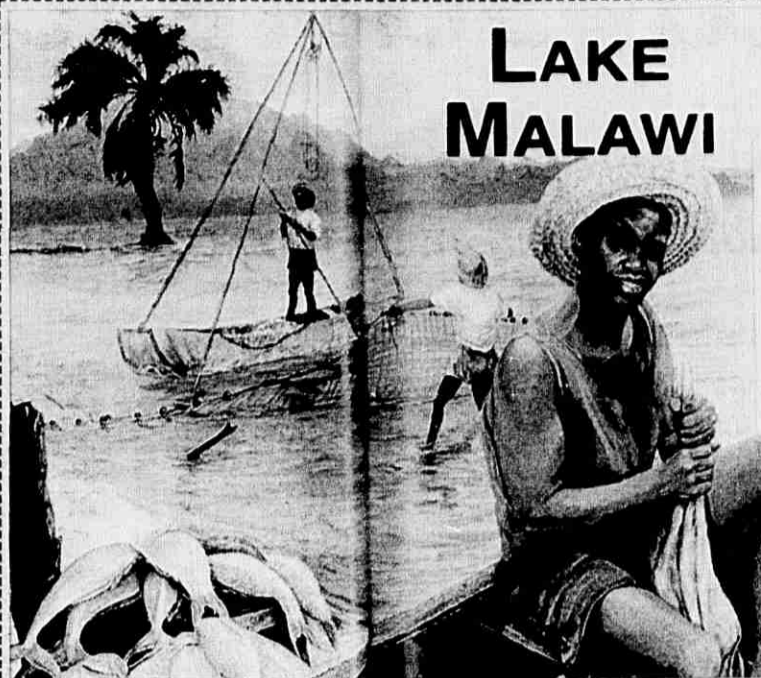

The southern part of Tanzania that we have now reached is less developed than the northern and coastal areas. The people here are among the poorest in the world and live almost entirely on what they can farm from the land and trade with others.

It is in this area that the enormous Selous Game Reserve, with its abundant wildlife and terrifying gorges, is found.

We cross one of these gorges as we pass through the reserve towards the Great Ruaha river to a close encounter with a crocodile.

We then leave the wilderness and head for the market in the town of Mbeya on our way to Malawi.

On the shores of Lake Malawi we visit a fishing community (Lake Malawi is so beautiful that the explorer Livingstone called it 'the lake of the stars').

## LAKE MALAWI

Throughout Africa many people fish in the lakes and river for extra food. The people around Lake Malawi have also taken to fishing to add fish to their diet. All along the busy lake shores you will see men mending their nets and putting into crates ready for cleaning and gutting. On the lake, boats prepare to cast their nets. Most of the fish is used for the families own needs but some is transported to town markets to sell. There are over 200 species of fish in the lake and 9 out of 10 are only found in Lake Malawi. The cichlidae fish are the most common. They are called *chambo* and *utaka* by the local Nyanja people.

## Stiegler's Gorge

The Selous Game Reserve is the biggest game reserve in the world. It is nearly three times the size of Wales! It is a wild place and has few visitors compared with other parks in the region.

It is well known for its large elephant population of around 100,000, but perhaps more famous for Stiegler's Gorge, where the Ruaha and Rufiji rivers meet.

There is a frightening cable car ride over the 100 metre wide gorge for the brave traveller — but don't look down, it is up to 120 metres deep!

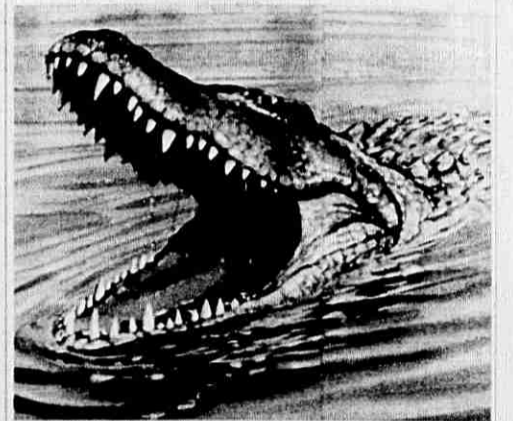

## The Great Ruaha River

Ruaha National Park was formed in 1964. It is managed by Tanzania National Parks (TANAPA) who are protecting this large patch of wilderness.

The great Ruaha river is the centre piece of the park and carves its way through the surrounding rocks, carving out the deep gorges.

It is a good place to see the crocodiles that lurk in the river, waiting for their next meal to come along — make sure it's not you!

# Forget your sunglasses

*Reactions photochromic lenses from Specsavers Opticians Dungarvan give you clear, comfortable vision in all lighting conditions.*

**REACTIONS** are photochromic lenses that **darken to give you comfort from harsh sunlight outdoors, but fade to a paler tint when you walk back indoors.**

**They are made from light-sensitive molecules that react to the sunlight, so you can leave your sunglasses behind and wear only one pair of specs.**

'Reactions lenses are ideal for most people,' says Dermot Dougan from Specsavers Opticians in Dungarvan, 'because they go as dark as sunglasses and block 100% of ultra-violet light, so your eyes are not only free from eye strain in harsh, sunny conditions, but they are also safe from harmful UV rays.'

'This means you can be confident that your eyes will be protected all day, whether you're busy in and out of shops, you're outdoors most of the time, or you only occasionally pop into the garden.'

'Many people used to have two pairs of specs that they needed to change all the time in the Summer,' says Dermot Dougan, 'but now all they need is one pair of Reactions.'

'And what's more, in their clear state, the lenses are still very effective against ultra-violet light, which can also strain your eyes. Reactions lenses can help to alleviate the discomfort sometimes associated with VDU use or TV screens. They act in the same way as a 'comfort tint' and are restful to the eyes, so they can be beneficial if you work in an office.'

### Reactions for free

Reactions photochromic lenses normally cost €62 at Specsavers Opticians in Dungarvan, but from now until 3 August, if you buy from the €95 range or above, you can have your new pair of glasses fitted with Reactions at no extra charge, making them as comfortable on your pocket as they are on your eyes.

The lenses are now made from plastic so they are lighter than glass lenses and have been improved to react quicker and go darker than ever before.

### Frame and lens choices

Reactions lenses come in the same wide choice of plastic or metal frames as Specsavers Ultra prescription lenses, and you can choose from more than 1,000 styles in the store at Dungarvan.

If you buy bifocals or varifocals, you will pay no extra to have Reactions lenses. If you wear bifocals, for instance, both segments darken and fade at the same speed, so there is no difference in colour.

Scratched lenses affect the quality of your vision and don't look very good – so Reactions have a scratch resistant hard coating that protects your lenses but doesn't

affect the way the lenses work.

Visit Specsavers Opticians today to see how much more convenient Reactions can be for you.

## Reactions photochromic lenses

**Photochromic** - Respond quickly to changing light conditions.

**Protective** - Maximum protection against ultraviolet rays: 100% UVA and UVB.

**Light** - Made of a unique lightweight plastic, they are lighter and safer than glass lenses.

**UltraTough Coating** - All lenses treated with a special coating to help protect against wear and tear.

## Reactions lenses

Reactions from Specsavers Opticians are special lenses that react to light. They darken in sunlight to give 100% UV protection and reduce the strain on your eyes. But when you're indoors, they lighten quickly so you can still see clearly.

the shortening until it's softened. Gradually add two cups of sugar, and beat until fluffy. Add the eggs and molasses, and beat well. Add half of flour mixture, then beat until combined. Stir in the remaining flour with a wooden spoon.

Using a quarter-cup ice cream scoop, shape the dough into 5cm balls. Roll the balls in the coarse sugar, then place on an ungreased cookie sheet about 6cm apart.

Bake at 350°F/175°C for 12-14 minutes or until cookies are light brown and puffed. Do not over-bake or cookies will not be chewy. Let them stand for two minutes before transferring to a wire rack. Allow to cool.

## Health Tips from "Remedies"

### Knotgrass

**USES:** Arthritis, Gout, Carpal Tunnel Syndrome.

**Description:** Knotgrass is one of the oldest traditional remedies for arthritis and general joint inflammatory conditions. It appears as a weed in many countries and is difficult to eradicate once established - like arthritis. That is because the plant has a strong root and runner system below soil level.

**HOW IT WORKS:** The active substance of Knotgrass has not yet been studied extensively. Knotgrass is known to contain silica, which can help to improve the elasticity and strength of connective tissues in the body, and particularly joints.

In addition, the plant appears to work as an anti-inflammatory agent by helping the body in the elimination of toxins.

# Power Plant Backers Win High Court Challenge

The long-awaited High Court judgement on the challenge taken against the Dungarvan Energy backed Power Plant, to be situated on part of the Glanbis site has ruled

out objections to the Integrated Pollution Control Licence issued to the plant.

A spokesperson for the Environmental Protection Agency confirmed that a judgement was handed down in agreement with the agency on issuing the IPC license for the Power Plant.

The IPC licence was vital for the Power Plant's go-ahead which had effectively been put on hold for the past 14 months.

Dungarvan Energy Ltd, a consortium of Irish businesses and Rolls Royce Power Ventures, has already spent €50m on the project, while another €35m has been set aside for the gas turbine and steam turbine/generators.

The Power Station also received planning permission from Dungarvan Town Council, along with the Integrated Pollution Control Licence, gas allocation and the "way leaves" for the electricity cables from the power station to the ESB sub-station near Radley's factory.

The company said the fund-

ing of €130m is in place for the completion of the project.

The decision should leave the path clear for the backers to begin work on the project which they say once underway, should take eighteen months to complete.

However, Dr. John O'Shea, Managing Director of the company, in correspondence to Labour Deputy Brian O'Shea, stated problems also surround the pipeline to the plant. Bord Gais are seeking a contribution of €10m from Dungarvan Energy towards the proposed pipeline from Ardinnan to Dungarvan.

However, he claims this is far above the industry norms and so far the energy company has made an unsuccessful offer of €4m.

Should the power plant get up and running, however, Dr. O'Shea claims it would generate an income for Bord Gais of €20m, while they could also net extra income from other businesses in Dungarvan and he is confident the remaining problems can be overcome.

# BUMPER FEILE WEEKEND

CONTINUED FROM PAGE ONE

Friday May 3rd and run right through to Bank Holiday Monday.

Organisers of the events say that the Feile is an opportunity to promote Dungarvan to people from all over the country and beyond.

Along with bringing the best in traditional music to the area, the organisers say that showcasing Dungarvan and the surrounding areas to tourists was one of their main aims.

The main feature - a re-enactment of the Viking Invasion - will take place in Dungarvan harbour, while a large spread of pubs and hotels will be hosting events as varied as puppetry and bucket singing to public

music sessions and seanachai storytelling.

The Viking Invasion, meanwhile, will be brought to life by the well known "Irish History Live Group" who are based in Dublin, and will conclude in the Town Square, where organisers promise "the marauding warriors will turn the town into a Viking settlement, culminating in a fierce battle against the local braves".

Just seven years since the first Feile in 1995 the festival has continued to grow and remains one of the strongest and fastest growing festivals in the country and a significant boon to businesses in Dungarvan.

# Local Author's Eighth Book Launch This Thursday

This Thursday night (May 2nd), "In Living Memory", Tom Keith's eighth book will be officially launched in the Central Library, Dungarvan by Dungarvan Songwriter and Poet, Mai O'Higgins.

Subtitled "People and Events from Dungarvan of the 1900's", the book recounts some of the memories and experiences of the fifteen people whose interviews are included in the 200 page volume.

The subjects range from a Nobel Prize winner to sporting achievement and from those who have served the town with distinction to

those who can remember life in the early part of the last century.

The book will be launched by Mai O'Higgins, perhaps Dungarvan's best known writer and composer of the town's anthem *Dungarvan My Hometown*. Mai's poetry is at least on a par with her popular hit songs and has been featured in publications and programmes all over the world.

Her own story has been recorded in another book by Tom Keith, 'Mai O'Higgins, All For A Song', which proved very popular with both the people of the town and district

as well as nationwide.

"In Living Memory" is an extremely interesting book, with a wide variety of stories, reminiscences and recollections with photos to illustrate life in one of the most turbulent centuries in our history.

The Twentieth Century represented the era of greatest change worldwide. As the world celebrated 2000 years of Christianity, it reflected on the great advances and discoveries in science, education, technology and modes of travel.

During the 1900's, hu-

mankind went from mainly horse-drawn transport to space exploration and from blood-letting to brain surgery and organ transplant. It saw the splitting of the atom and the two greatest and most destructive wars ever.

This book attempts to record some of the less dramatic details of Dungarvan in the 1900's through the memories of people who made a significant or memorable contribution to our daily lives. The launch will take place at 8 pm and all will be welcome. Light refreshments will be served.

# Easter Opera Gala a Resounding Success in Lismore

The evening of Sunday 21st April was cold and wet but that did not deter the audience that attended the Easter Opera Gala in St. Carthage's Church in Lismore. They were amply rewarded for their determination and desire to be part of a very special experience in the cultural life of Lismore. As the beginning of the concert approached, an air of expectancy and excitement began to grow within the church and on cue, Lismore Choir ably rendered the opening chorus of the night, 'The Chorus of The Hebrew Slaves' from Verdi's *Nabucco*. The guest tenor, Breffni Horgan followed with a Donizetti selection. Then it

was time to welcome the guest soprano, Cara O'Sullivan. The Master of Ceremonies, David McNerney set the scene and left the audience in no doubt as to what they could expect from this fine singer and she did not disappoint. Her 'O had I Jubal's Lyre' from Handel's *Joshua* was an inspired choice for her first offering, allowing more than a glimpse of her abilities and sensitivity to the demands of the music. The choir were privileged to join her in Mozart's *Laudate Dominum* and later in Mascagni's *East-er Hymn*, which brought the first half to a powerful close.

The content of the second half was deliberately lighter,

concentrating on favourites from Operettas like *The Land of Smiles*, *Paganini*, *The Merry Widow* and *Martha*. Breffni Horgan's 'Girls Were Made To Love and Kiss' was evidence that his roguish charm and beautiful voice are a devastating combination. Cara O'Sullivan treated the assembly to a selection of Irish pieces, including 'The Dream' from *The Bohemian Girl* and a poignant rendition of French's 'Gortnamona'. Her virtuosity was once more on display as she performed 'Vilia' and 'Hero Mine'. Inevitably, the audience showed their appreciation by giving her a standing ovation, very richly deserved. The night ended with Cara and Breffni

joining the choir in a spirited rendition of the 'Brindisi' from Verdi's *La Traviata*.

There can be little doubt from the faces of the audience and their applause that the concert was an unqualified success and a night to remember for a long time to come. For Lismore Choir, there was that great satisfaction of reaping the rewards of the hard work involved in organising the event and bringing another season to a happy conclusion.

The choir year is not over yet though - they travel to Belgium for the May Weekend and will give a concert in the Town Hall, Bruges on Saturday May 4th and will perform Haydn's *Missa Brevis Sancti Joannis de Deo* in St. Anthony's Church in Brussels on May 5th.

**F.E.T.A.C. SUCCESS**

St. John's has FETAC accredited courses at foundation level in Communications, Mathematics, Personal Effectiveness, Computer Literacy, Caring for Children, Craft/Wood, Food and Nutrition, Office Procedures, Swimming and Water Safety. Level 1 Child Development and Play. Each year the range of courses increases.

**VISITORS**  
We would like to thank Carmel Kelly who worked through a four week drug awareness programme with the leavers. These were very

informative sessions which everyone enjoyed and learnt a great deal. We would also like to thank Eddie Fitzpatrick who joined in on the final session.

# Féile na nDeise

## Most Ambitious Programme Ever

The years eagerly awaited Feile na nDeise looks likely to be one of the best ever, with the four day festival once again attracting a top line-up of musicians and providing a host of new features.

Last year, the May Bank Holiday festivities were sorely missed after Foot and Mouth claimed it as one of its many casualties. But, the Guinness Feile na nDeise has bounced back, confirming its status once again as being among the strongest and fastest growing festivals on the circuit.

This year's programme of events is by far the most ambitious taken on by the local organising committee. The original aim of the organisers was to produce a festival with a strong emphasis on traditional music, song and dance. While that is still very much the case, the festival has evolved over the years and now includes other art forms, such as street theatre, which is now one of the main attractions of feile.

Children's puppetry, storytelling and historical lectures

are to be added to Pub Music Sessions, Street Busking, Open air concerts, Ceili dancing to Shaskeen, Bucket singing, Sean Keane in concert, Sean-Nos dancing competitions, Set-dancing competitions, set dancing workshops, seanachai storytelling, Welsh Male Choir and Brush dancing.

The festival officially kicks off on Friday May 3rd at Lawlors Hotel where patron of the festival, Micheal O Muirheartaigh, will perform the official opening ceremony.

The pub music session trail also starts that night with live traditional music at each of the listed pubs around the town.

On Saturday the emphasis is on family entertainment with an open-air stage in Grattan Square from 12 noon while busking and street entertainment will add to the outdoor atmosphere.

The main highlight on Sunday is the re-enactment of the Viking Invasion, which aims to bring you back 1000 years in time to the coming of the

Vikings. The pageantry starts when Viking ships enter the harbour manned by Viking warriors in full battle dress.

A large crowd of natives will gather on the quayside and, as the ships prepare to dock, the crowd becomes increasingly hostile and all the ingredients of a major battle looms. To find out what happens, be at Davitts Quay at 2pm on Sunday May 5th.

Bringing the four-day festival to a close on Monday May 6th set dancing competitions, an open-air stage and a bucket singing competition are included on the programme of events.

For further information on this years Feile contact the Feile na nDeise Office 058-45273, the Tourist Office 058-41741 or check out their website at [www.feilenan-deise.com](http://www.feilenan-deise.com)

## Dungarvan Leader Gardening

# Getting the Best From Your Pond

TINKLING fountains look beautiful all the year round, and the sound of flowing water provides a feeling of peace and tranquillity, adding new dimension to any garden.

There is plenty of choice and advice available in the new and exciting world of ponds and pools, so be bold and imaginative and get the most out of your new feature.

However, without plants, a pond is just a bowl of water - plain and uninteresting.

In nature, there are four groups of plants which can be found in or near water. They are submerged plants, floating plants, shallow water plants and marginals.

Submerged plants oxygenate the water of the pond, which enables fish thrive.

The best-known variety of submerged plant is pond weed, commonly used in fish tanks.

Plants with floating leaves such as water lilies are called floating plants for obvious reasons.

Shallow water plants hold their leaves and flowers above the water, but actually grow in shallow areas of ponds and pools. Sedges, yellow-flag, bur-reed and water for-

get-me-not fall in to this category.

The last group consists of plants which like moist soil, but are not happy actually growing in the water. Examples of marginal plants are primulas, forget-me-not, mimulus, marsh marigolds and other waterside plants.

Aquatic plant diseases are very few, mostly affecting water lilies. Some marginals are prone to mildew, but this has little effect and can usually be ignored.

Two forms of leaf spot affect water lilies. Another disease affects the stems and rots the crown, which will eventually kill the plant.

If your plants become affected with either of these diseases, lift them from the pond or pool immediately and place them in an isolated tank. Remove and destroy the diseased leaves and treat with a fungicide. Before you return the plant to the pond, ensure the plant is rinsed thoroughly.

Fungal diseases in water lilies

**Plenty of choice:** It's best to be bold when stocking up with aquatic plants and adding a new dimension to your garden

can be prevented by making sure they are not planted too deep in the soil, placed under too much water before established or placed in an overcrowded environment.

Too few flowers and too much growth are signs of overcrowding. With most water lilies this occurs after three or four years.

Late spring or early summer is the ideal time to divide the plants. Lift them from the water and wash them off. Water lilies consist of a main root and several side branches.

Discard the central root and keep the side branches. Each side growth is potentially a new plant.

## THIS WEEK IN THE GARDEN

### FEED, DISBUD AND POLLINATE TOMATOES

Tomatoes will be in various stages of growth by now. The earliest will have set some fruits, while later batches are just coming into flower and others from your March sowings will be ready for potting into 13cm pots. With all stages you must remove side shoots regularly. It is advisable to pollinate flowers by hand, tapping the plants or scattering pollen from flower to flower with a paintbrush. The most effective time is about midday when the sun is shining.

### MULCH FRUIT TREES

Spread a fairly thick layer of well rotten manure around fruit trees and bushes of all types. This is known as a mulch and is very valuable for three reasons:

1. - It provides the trees with much needed nourishment while in growth
2. - It helps to retain moisture in the soil
3. - It keeps down weed growth

### VINE TREATMENT

Outdoor vines will be growing freely by now and you need to regulate their growth. Reduce the number of laterals to one per spur, retaining those that are showing flower trusses. Stop them beyond the truss but before they have grown so far as to interfere with neighbouring vines or laterals from other rods.

### PLANT DAHLIA TUBERS OUTDOORS

Cover the tubers with 8cm of soil and they will be quite secure against any late frost. It will be some weeks before you see shoots appear above the ground.

### SOW CINERARIAS

Sow a few seeds if you want plants in flower by December. The seeds will want a little warmth to encourage germination so early, ordinary greenhouse temperature will be ample. Sow thinly using John Innes or a soil-less seed compost. Cover lightly with fine soil and sand and put in the shade until germination.

## Birthday Remembrance

**HALLAHAN** — Birthday Remembrance of Maureen Hallahan, 2, Emmet Street, Dungarvan, whose birthday occurs on May 1. Happy Birthday, Mam.

A mother's love is a blessing,  
A gift beyond compare,  
You only know its meaning,  
When you find she's no longer there.

So hold her in Your arms,  
dear Lord,  
Treasure her with care,  
For You have in Your possession,

A mother beyond compare.  
(From her son Gerald and grandchildren Emma and Shaun).

**HALLAHAN** — Birthday Remembrance of Maureen Hallahan, late of 2, Emmet Street, Dungarvan, whose birthday occurs on May 1.

Masses offered on Sunday, May 26 in Friary Church.

May the winds of love blow softly,  
And whisper for you to hear,  
That we your family miss you,

And wish that you were here.  
Lots of things have happened,  
Since you went away,  
Things you could have shared with us,

If God had let you stay.  
(From daughter Claire, son-in-law Tony and son John).

**HALLAHAN** — Birthday Remembrance of Maureen Hallahan, late of 2, Emmet Street, Dungarvan, whose birthday occurs on May 1.

A shadow walks beside me,  
Forever by my side,  
Always there to guide me,  
Ever since you died.

No words can tell, nor fears express,  
The love, the loss, the emptiness,

You're not just a memory or part of the past,  
You're mine to remember, as long as life lasts.

(Never forgotten by her daughter Jacinta, grandchildren Sonia, Donna, Richard and great-grandchildren Jack and Aaron).

**HALLAHAN** — Birthday Remembrance of Maureen Hallahan, 2, Emmet Street, Dungarvan, whose birthday occurs on May 1. Happy Birthday, Nan.

## INTO Issue Hard Hitting Message On Primary School Problems

With the General Election looming, the Waterford INTO branch have delivered a hard-hitting message to the main political parties on the problems that remain in primary schools across the county.

The message, which has now been circulated to all Primary School parents, teachers and Board of Management members in the county, arose out of discussions over the past few weeks between the INTO in Waterford and the main managerial body at Primary level for the Waterford/Lismore Diocese.

Among the list of concerns the INTO are calling for more money to be set aside for the Primary Schools Building Programme to provide learning support rooms, resource rooms, principal offices, secretarial offices and General purposes rooms for all schools in the area.

"At the moment", District Representative of the INTO, Declan Kelleher, said, "many schools in Waterford are working in overcrowded conditions with learning support and resource teachers often working in corridors or cloakrooms".

Another priority, he said, was the "huge shortfall of qualified primary school teachers in Waterford".

"Schools also find it impossible to find qualified substitute teachers. Although the numbers in teacher training colleges have been increased, more still needs to be done. Some of the smaller colleges of education would be able to train more teachers if they were funded by

the government," he added.

The long running concern of class sizes also features high in the Primary School-teachers organisations list of concerns. While acknowledging that improvements have been made, Mr. Kelleher stated that school class sizes remain high in comparison to other EU countries.

He said that this issue can only be dealt with by having more qualified teachers available, adding that a commitment must be given by the incoming government on this issue.

Special concern remains around Few's NS, Cappoquin Boys National School and Convent and Curraglass NS, who he stated are all on the INTO substandard list, but he said there are many other primary schools in the county where urgent building and refurbishment work must be carried out.

Meanwhile, he warned that there maybe dangers with some of the school bus fleet, saying that many of the buses in use are extremely old and need replacement. He went on to say that recent reports and surveys have pointed to a lack of seat belt usage with 3 pupils seated per 2 pupil space.

Mr. Kelleher said children stay in primary school education for a longer period than in either second or third level education, but still receives a lower level of investment.

He said the INTO are calling on parents and teachers to contact the general election candidates in the area about the issue.

# RECENT DEATHS

## LATE MICHAEL LEAHY

We pen this tribute on the passing at Waterford Regional Hospital, of Michael Leahy, Woodhouse, Ballinamult on Thursday 4th April. Michael who was a native of Coolagh Road, Abbeyside was born on 16th January 1922. A member of one of the towns best known families, Michael was an accomplished hurler in his day and was also noted for his hard work. One day while logging, his beloved horse Dolly died, which left him heartbroken and downcast, a watershed in his life that resulted in his movement to England where he took up employment. A man who relished a hard day's work, Michael to his eternal credit was a man of his word and always gave of his best to his employers who were fortunate to secure his services.

In 1948 he married May (nee Ashley). A devoted husband and loving father to Michael, David, John and Anne, he held a special place

in his heart for his grandchildren Claire, Caitlin, Laurence, Frances and Louis. Michael will be sorely missed.

We extend to all including brother Sean and his other relatives our deepest sympathy at this time.

Although a quiet man, Michael loved a chat and spoke against injustices and indeed was a champion of the underdog. A man of great courage and bravery, he rescued son John from drowning although he was a non swimmer. His son-in-law Phil Kelly was also special. Father-in-law and son-in-law had many a discussion about a variety of topics.

Eventually May and Michael decided to return to Ireland and purchased a property at Woodhouse, Ballinamult. The happiest twenty years of his life was spent among the people of Ballinamult. He enjoyed their company, cards and their music. Michael was held in high esteem and became an adopted son of the parish. Sadly the cross of ill health was thrust upon his shoulders but as was his nature he bore it with fortitude and dignity.

Predeceased by his brothers Frankie, Tommy, Gusto, Joe, sisters Maureen, Rita and Kitty, Michael lay in repose at the Kiely Funeral Home where Fr. Kelleher P.P. led all in the rosary and prayers. On Tuesday April 9th the removal took place to St. Mary's Church, Touraneena, where on Wednesday morning Mass was celebrated for the happy repose of his soul. The lessons were read by Michael (son) and Mary Butler (niece). Fr. Kelleher P.P.

spoke in glowing terms of Michael in his homily. He added "Michael loved his friends, their company and the game of cards, a pursuit that saw him win many a Christmas Turkey and Ham". Everybody in the concourse were deeply appreciative of Danny Thompson who sang so beautifully 'The Old Refrain' and 'If I Can Help Somebody'. We gathered in the adjoining cemetery for final prayers and blessing as Michael was laid to rest.

Chief mourners were wife May, sons Michael, David and John, daughter Anne, son-in-law Phil Kelly, daughters-in-law Sue, Lorraine and Marie, grandchildren Claire, Caitlin, Laurence, Frances, Louis, brother Sean (St. Thomas' Tee) and a wide circle of other relatives including sisters-in-law, brother-in-law, nephews and nieces.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## LATE EDWARD (EDDIE) FLYNN

It is with feelings of deep regret we record the death of Edward (Eddie) Flynn Lacken, Affane, on Friday 19th April 2002.

Eddie was a kind and gentle man, whose needs were few. A special person, with his family, farm and animals his pride and joy. He had a great love of The GAA and won county honours with the Blackwater Rovers in 1934.

He was born in Lacken where he farmed until he retired and was most often found checking the animals in his fields or busily working on the many tasks around the farm. His passing is much regretted. May he rest in peace.

The removal of Eddie's remains took place from Walsh's Funeral Home on Saturday evening to Affane church where they were received and blessed by Fr. Larry Walsh and Fr. John Kiely.

Following requiem Mass on Sunday afternoon, celebrated by Fr. Barron PP interment took place in the adjoining cemetery in the presence of a large gathering. The lessons were read by Tara (Flynn) Shine, and prayers of the faithful by Tri-

ona Flynn, Eric Reddy, Edward Flynn, Aidan Shine and Nora Flynn. Offertory gifts were brought by Jackie, Tracey, Erica and Tulum Reddy. Sean Duggan served the Mass and the Communion reflection was given by Danny Coughlan. Elaine Scanlon played keyboard while Noel Mason, Mary Coughlan and Rena O'Donoghue sang.

We have not lost Eddie. He will live in our hearts for the rest of our lives.

Oh! Could I travel down life's path to the time I was born,  
And see once more the fairy path, and the golden fields of corn,  
And hear the drowsy hum of bees to my tired soul bringing balm,  
As they drift among the scented trees that grow round old Affane.

# DUNGARVAN HELPS 250 PEOPLE IN SPECSAVERS CAMPAIGN

Specsavers Opticians Ireland collect 6,630 unwanted spectacles from people in Ireland for third world and developing countries.

Specsavers Opticians Ireland have announced that their month long campaign to collect unwanted spectacles from people in Ireland for use in developing and third world countries has resulted in a massive 6,630 pairs of glasses being collected. This is more than double the 2,500 pairs that Specsavers had expected to collect in the campaign, which was run with the charity Vision Aid Overseas. The Dungarvan store collected more than 250 unwanted spectacles - 100 more than the 150 that Specsavers had set as a target for each store to collect in the campaign, which was run with the charity Vision Aid Overseas from the 15th March - 15th April.

Commenting on the success of the campaign, Noeleen O'Connor, owner of the Dungarvan store, said, "We are absolutely delighted at the success of this campaign - people have been flocking to the stores to give up their glasses for such a worthy cause. By participating in this campaign, the people of Dungarvan will have made a real difference to more than 250 people's lives, helping to improve their eyesight and, at the same time, improve their quality of life."

The glasses will now be sent to Vision Aid Overseas where they will be distributed to countries as diverse as India, Uganda, and Estonia.

Vision Aid Overseas is a charity dedicated to helping people in developing countries whose lives are blighted by bad eyesight, particularly in those cases of refractive error where spectacles can help. Commenting on the Specsavers Opticians Ireland campaign, Tym Marsh, director of Vision Aid Overseas, said, "The success of the campaign with Specsavers Opticians Ireland will have a huge impact on our stock of spectacles. In addition to providing much-needed spectacles, we also recruit and fund more than 70 volunteers each year, including Specsavers Opticians employees, to go and work in developing countries. Their work, combined with the distribution of the old spectacles, will really mean a whole new lease of life for visually impaired people."

### VALLEY RANGERS 0 CAPPOQUIN 3

Our search for the holy grail ended in spectacular fashion on Sunday last, with an outstanding display from everyone involved.

The players and management knew that going to Valley's ground was going to be a battle but my God were they up for it. Not too much had to be said as each and everyone of them were determined to land that coveted league title.

From the outset we started at an electrifying pace with Lou and Charlie winning tackle after tackle down that right hand side as if their lives depended on it. We faced into a strong wind in the first half but that didn't deter our boys. Oh no, they just set about their tasks working tirelessly for each other and not giving the opposition a second in possession. With the engine room of the team of Ma and Sully dominating the middle we started to create several openings with Darragh and Magic going close. But we hadn't to wait long for the opener to arrive when a trade mark corner from Charlie found the head of Magic and he rifled it to the corner of the net. With the bit now firmly between the teeth we kept piling on the pressure but failed to add to our tally before the break.

We started into the second half as we finished the first with an even greater desire, as we knew that only 45 mins separated us from what we set out to achieve at the start of the season, and nobody was going to distract us from that. Everything that was thrown at us was dealt with superbly by our back four of Lou, Match, Micheál and Tosh. As our confidence grew so did the passing with Tosh and Darragh combining well down the left. It was from one of those moves that we went two up with Darragh executing brilliantly from just outside the box. Nearly there, we could nearly taste victory so we kept pushing for more. Magic had an effort with a chip from 40 yards that just clipped the post, that had it gone in would have been the goal of the season. Then with 5 mins remaining Darragh won a free kick on the edge of the area, decided to have a crack himself and curled an unstoppable shot in to the top corner. That cued wild celebrations on the line and when the final whistle went there was even more joyous scenes on the pitch.

A lot of hard work and effort has gone into the winning of this league, starting back as far as last July with a players meeting being held, setting out the task ahead of us. The commitment and dedication

from players and management was wonderful throughout. With us training every Wed. and Friday nights and no alcohol taken on board the night before any game we got what we richly deserved.

A special thanks has to go to the three wise men of John, Gossie and Wattle. The work that they put in either with the team or behind the scenes deserves great credit and this league was won for as much as them as for the players. Another special thanks has to go to John Maher who as groundsman, has our pitch in expert condition week after week, sometimes when other pitches aren't playable. Week in week out when these notes have gone to press different players often ask why didn't you say this or that about me, so here is a quick assessment of the squad that landed the club our first title in ten years.

Morro: The "Man Mountain" as he's known. Must be the best proverbial house on fire. As Motch says when Morro calls for a cross just turn and run for the kick out!

Liamy Lou: As tough a defender your likely ever to come across. The tougher the game the better he likes it. Another man of the match display on Sunday last.

Motch: Another member of what must be one of the meanest defences ever to win a league. Six goals conceded all season in the league. In the air there is no one to match him and on the ground he's like Baresi strolling out of defence.

Michael: Talks of retirement must surely be put on hold as there's life in the old dog yet. Brilliant performance again on Sunday. No one better at reading the game.

Tosh: First of the 3 signings made at the start of the season. Plays as an attacking full back. Also equally as comfortable at centre-half when "Motchov" is on international duty. Huge addition.

Darragh: Up front lethal. Midfield lethal. Will score from anywhere. What more can I say.

Ma: Must be player of the league if there is such a thing. Not enough phrases there to describe this player's ability. Only one of two every present this season (Michael being the other).

Charlie: Probably only uses his right foot to stand on but more than makes up for it with his left. Best passer of the ball in the team. Proved a lot of people wrong with his disciplinary record this season.

Sully: The young Wattle! What work rate this man does. Does the work of two men, up and down the pitch. You'll know you've been in a match when this fella is finished with you.

ished with you.

Magic: Our supreme goal scoring machine. What a signing. Must be a definite for the Red House League team next season. The perfect example of a goal getter and a goal creator.

Cathal: His best game ever for us on Sunday. Compliments Magic up front with his tireless work. Chips in with his share of goals as well. Great habit of being in the right place at the right time.

Paul: Midfield or up front, our little dynamo is one of our most gifted players. Like Darragh, will score from anywhere.

Banger: Another one of "that defence". Loving getting forward and can score as well. The dedication that was spoken of earlier, was shown by this man, when coming back

on to the team six weeks after a hernia operation. Super player.

Lassie: Our "Mr. Versatile" can play left back, midfield or up front. Another one who has the club running through his veins. Tough competitor who will get you goals.

Paudie: In the same mould as Liamy Lou. The tougher the better. One for the future. Has tremendous ability.

Colin: Our youngest squad member. Never misses a training session or any games. When he'll make the break through, definitely one to watch.

All in all not a bad bunch of fellas!

Bishop: One of our most accomplished defenders. Equally comfortable on either foot. Solid throughout. Another member of "that defence".

### U-14 Hurling County Feile Na Gael Final De La Salle 2-2 Cappoquin 0-4

Cappoquin took on raging hot favourites De La Salle in the County Feile Final at the Fraher Field on Friday last. Cappoquin won the toss and decided to play with the wind. Try as the lads did nothing seemed to go right in the first half and we trailed at half time 2-1 to 0-2 with points from D. J. and Paul Murray.

Facing into a strong wind in the second half it looked a real up hill task for the lads, but this is where our lads showed their true "nettle" as the saying goes "when the going gets tough, the tough get going". In general play in the second half, Cappoquin dominated the exchanges and De La Salle could only score one point from a free. Our problem was we could not breach the De La Salle defence for a goal. We had to be happy with two points from Paul Murray who gave an exhibition at centre back in the second half. Those to shine for Cappoquin were Ian Mason who was superb in goal, Joe Kett tremendous at left half back, Mark Landers when moved into full back put the shackles on the talented De La Salle full forward. Killian Denn was teak tough at left corner back and Shane O'Rourke was solid in the other corner. Olan Murray carried an injury into the game and never gave up. In midfield J. J. dominated in the second half and Shane Power hurled well throughout the game and tried very hard. Our forwards, who are very young played their hearts out and on another day could have had a goal or two. Each one of the seven forwards, Seamus and Pat Fitz, Daithi, Olan, Steven, Darragh and Finan that played all have a few seasons left playing. U-14 hurling, all in the Cappoquin/Affane Club would like to wish De La Salle the best of luck in Antrim for the All Ireland Feile na Gael.

Cappoquin panel; Ian Mason, Shane O'Rourke, Olan Murray, Killian Denn, Mark Landers, Shane Fives, Joey Kett, J. J. Devine, Shane Power, Steven Power, Paul Murray, Seamus Fitz, Finan Murray, Daithi Wilkinson, Darragh Fives, Pat Fitz, Kieran Flynn, David Cahill, Darren Curran, Colm Looby, Ivan Cliffe.

## CAPPOQUIN PLAYGROUND UPDATE

The Cappoquin Playground Committee (CPC) would like to thank everyone who has supported our efforts thus far by coming out to our events, purchasing tickets and offering donations to raise funds for this worthwhile project. Everyone agrees that a playground in the town would have a positive impact on the children and parents of the parish and would be an asset to the town.

To date we have raised approx. 4,500 euros and have received commitments from various companies and individuals for further donations. This is a great accomplishment considering the CPC was only set up in February!

Many people have inquired however as to where the playground will be going. The CPC feel that Twig Bog, part of the Chanat La Mouteyere Garden, is by far the most suitable site for the following reasons:

- There is ample car parking facilities and lighting
  - It is adjacent to the proposed site for the new Community Hall, making Twig Bog a one-stop shop for parents
  - Twig-Bog is a neutral venue in that it is not part of any housing estate and is accessible to people of a wide area.
  - The site is over-looked by the rear of many houses on Church Street and Lower Main Street thereby reducing risks of vandalism.
  - Encircling around the playground will not infringe on any view that these houses may have
  - A playground would enhance the area of the Chanat La Mouteyere Garden in that more people will use and enjoy this beautiful area of the town. Also, seating would be placed with the playground for parents etc.
  - Visitors to the town would feel free to use the playground for their children, whereas if it were in a housing estate they may feel that it was available only to its residents. This is equally true for people of surrounding areas.
- The County Council has been encouraging the CPC to choose the Barrack Street site, where the new-houses are being developed, as a preferred site. We feel however that it is not suitable for the following reasons:
- Parents may be inclined to drop children off or send them on their own instead of supervising thereby jeopardising the safety of the children.
  - Due to minimal parental supervision there will be an increase in the possibility of traffic/children accidents.
  - There are no car parking facilities
  - It would be an invasion of the resident privacy
  - It will become known as the Barrack Street Playground not a general playground for the children of the area.
  - Higher risk of vandalism due to the inability to put up high fencing.
  - There were three other sites that were looked at as well but again they are not suitable.
  - The old playground site in upper Shanbally would have no car parking facilities and the access road to too narrow.
  - The Soccer pitch site at Danes Field would be complicated as they have expressed plans for an all-weather pitch.
  - A site near the proposed new school would be too small as there will be new road developments to accommodate the school traffic.

Our children deserve the best! Young children are our future citizens. The Cappoquin Playground Committee have found through our recent fundraising events that we have tremendous support from the entire community and surrounding areas. We hope that this support will continue and that this project will come to fruition in the very near future.

Watch this space for further details on our upcoming events! And thanks again to all who have supported our efforts!

## RAILWAY ATH. F.C. NOTES

### Under 16 League - Southend 2 Railway 3

Our under 16 team collected all three points last Saturday in their last away game of the season.

Played in Southend's new pitch in what can only be described as atrocious weather conditions. Railway were the better team over the 90 mins and deserved the hard earned points. Shane Kelly had an effort on goal on 40 secs but the keeper did well to parry his efforts away. For the first 5 minutes we forced about 6 or 7 corners but with no end result.

We made 1-0 in the 7th minute when a good cross from Kelly was headed home by the intruding Pat Quinn. Noel Buckley made an excellent save in the 20th minute when he was one on one with the centre forward. Southend made it 1-1 in the 28th minute when after our defence having about 5 chances to clear, Southend's winger poked home.

Railway made it 2-1 in the 35th minute when Stephen Kett (back after his efforts with the County Minor team) struck home a shot from outside the box. The half finished soon afterwards with Railway leading 2-1.

The first 10 minutes of the second half was quiet with both defences holding firm but Southend made it 2-2 in the 62nd minute when their centre forward finished neatly from close range. McGrath put Kelly through on the 65th minute but his effort from an acute angle hammered back off the cross bar with the keeper beating all ends up, but Railway made it 3-2 in the 68th minute when the hardworking McLoughlin put Kelly through and he did well to knock it past the keeper. Southend had a few efforts before the end, but the defence Buckley, Cliffe, Brown, Power and Kett held firm to keep the city side out. The game fizzled out with Railway taking an excellent 3 points.

This was a very solid team performance from the lads and with a bit of luck at the start of the season could be in for honours now. This squad has good potential and with a few more players and some training next year, this team have a good chance in the under 17 league.

Railway; Noel Buckley, Adrian Cliffe, David Kett, Stephen Power, Derek Brown, Stephen Kett, Ivan McLoughlin, Pat Quinn (capt), Paul McGrath, Jason Hodnett, Stephen Kelly, subs Darren Hamilton and Daniel Dransfield (both used).

### World Cup Soccer Pools

Fancy yourself as a football pundit? Now you have a chance to prove your worth. From this weekend the club will have "World Cup Soccer Pools" on sale from any club member. All you have to do is predict the correct results of every match in the World Cup. You get 3 points for a correct result and 5 points for a correct scoreline and result. The person who has the most points at the end of the tournament will get the top prize. Tie entry fee is a mere 5 euro and the top 3 will get prize money.

This will be a badly needed fundraising effort for the club and we hope all players and members will take a special effort to sell. Why not keep a special interest in the World Cup and have a chance of winning!

Best of Luck — Best wishes to local man Mick McCarthy, who marries Joan Coleman this weekend. Best of luck to you both and we hope you both have years of wedding bliss.

### Lotto Jackpot Almost 7,000 Euros

Yes, our lotto jackpot is now almost 7,000 euros. We had no winner last week and there was only one match 3. The numbers drawn were 4-18-20-23. Match 3 winner: Mary Milward. Well done Mary. Our draw this Sunday night takes place in Luke McCarthy's at 7.30 sharp. Please get your ticket early.

At the moment we are a club without a home. We are however busy behind the scenes with plenty of work to be done.

For the first time in many seasons our junior teams have failed to win a trophy and it was left to our youth team to win a league title. The club is going through a rebuilding programme so hopefully the trophies will begin to come back to the club in the near future.

#### Well Done

We congratulate two of our Youth winning team namely Paul and Aidan Kearney on winning All Ireland College medals when St. Colman's, Fermoy defeated St. Kieran's. Well done lads. Two for the future no doubt.

#### U-12 League

Fermoy 3 Brideview Utd 1. Our U-12 side played their final league game in Fermoy on Thursday night last. Utd could force a three way play off if they won here but despite giving a marvellous display we lost out.

We went a goal down after 5 mins but after this our lads took the game to the home-side and pounded the Fermoy goal. We created plenty of chances and Owens and Ryan both went close.

In goal Shane Aherne pounced on everything. Our defence of Keith Hallahan, Barry Moroney, Aimee Power and Philip Cunningham kept a tight reign on Fermoy's front men.

Tireless work was done in midfield by Brian Collins, Kieran Geary, Sean Long and Donnacha Mulcahy. Up front Thomas Ryan and John Owens kept Fermoy's defence on their toes. At the break we were still a goal down after being well on top.

The second half was fast and furious with Owens and Ryan tasting the homesides keeper. However after 10 mins. of the second half we were back on level terms. Owens set up Ryan and the latters shot went in under the diving keeper.

As the game came near the end our lads began to tire and two late strikes from Fermoy sealed the league title for them. We congratulate them. We now look forward to a good Cup run and the lads will fear no one after this display.

Utd: Shane Aherne, Keith Hallahan, Barry Moroney, Philip Cunningham, Aimee Power, Brian Collins, Kieran Geary, Sean Long, Donnacha Mulcahy, John Owens, Thomas Ryan. Res all used Sean Sullivan, Kevin Curley, Dean Pratt and Joey Power.

#### Congratulations

To our club Chairman Michael Sheehan and wife Denise on the happy occasion - the birth of a bouncing baby boy. No doubt this will keep Jack in Fermoy happy.

A striker Jack no doubt. Best wishes folks from all in Brideview Utd.

#### Engagement

Love was in the air again at the weekend when Ann Doyle and Robert Sullivan announced their engagement. Best wishes to you both.

#### Married

We send best wishes to Kieran Tobin and Deirdre Martin who got married on Saturday last. Best of luck to both in the years ahead.

#### Tallow Welcome Home Week

Details of this years festival are now almost complete. An added attraction this year will be the Tallow 10k Road Race. Another new one this year will be the festival queen. This was very popular some years ago and the committee hope that it will prove to be again this year.

We are still open for new ideas so if anyone has any then contact any committee member.

On the music front we have Gina, Zero Zero, Pete Rivers, Cheers, Fatal Attraction and Bit In Japan. Again keep the ideas coming in. Also this year we have childrens races on the street and a first for Tallow, a baby competition.

#### League Champions

Yes, Cappelquin are the new league champions when they easily defeated Valley Rangers by 3-0. They last won the league in the season 91/92. Well done.

#### Field Developments

Thanks to the fine weather over the last number of weeks our ground developments are going well. By the end of May much of the work should be done. The ground will not reopen however until next year as the club are anxious to have everything right before we play on the new pitches.

#### Festival Meeting

This Thursday night at 9.00 pm in the Gym. Everyone to attend.

#### Birthday Corner

Yes to Leslie Adams who celebrated her birthday on Saturday last. We hope she enjoyed the meal. Not forgetting Thomas Sutherland who was 11 years on Tuesday last.

#### News To Hand

The girl in the mini skirt got a great reception in town on Friday last. The manufacturers of the skirt must have run short of material. The lads in the job could not keep their eyes to themselves or so I am told. One of the boys gave a great exhibition of dancing on Saturday night last.

#### Well Done

To William Curley on his success last weekend. More on this down the road as it were.

#### U-18 League Champions

Yes, lads we are not forgetting you. We should have the trophies next week and we will then organise a "small" night for you. Right boys.

#### Schoolboys Fixtures

Check with managers as Cup games could be on this week. Players will be notified.

## C.L.G Tulach an Iarainn SENIOR HURLING CHAMPIONSHIP TALLOW FACE MUNSTER CHAMPIONS

Make no mistake about it Tallow Senior Hurlers face a mammoth task in their 1st round championship game against county and Munster champions Ballygunner in the Fraher Field this Saturday evening. While the Gunners were hugely disappointing in the All-Ireland semifinal against Clarinbridge, they are still one of the best club sides in Ireland, laden with experience and bursting with talent.

Tallows form to date has been erratic mainly due to the fact that at no stage throughout their preparations have the selectors been able to field their strongest team. Most clubs operate under the same constraints and are in the same predicament as ourselves but it impacts most when you are operating a small panel to begin with. We have had glimpses of the quality of hurling this Tallow team are well capable of. Nothing short of their best form will be good enough on Saturday to take down the county champions. Maybe it's asking a lot but it's not asking too much. It's a big challenge for our lads and a good yardstick by which to judge our teams players. I don't think they will be found wanting. Your support on Saturday evening would be greatly appreciated. Our game is on at 6:15pm as far as I know but check elsewhere for confirmation.

### KEARNEY TWINS WIN SECOND ALL IRELAND MEDAL

On Sunday Aidan & Paul helped St. Colman's regain the All-Ireland Colleges title, tonight (Wednesday), they line out with our County minors in the replay against Cork in Páirc Uí Caoimh and on Saturday they don the club jersey in the 1st round of the senior championship against Ballygunner. Serious demands on young players requiring special dedication. Well done lads. A word of recognition too for parents Loretta and Tom for their support of the lads and indeed their club. They are always available when asked to help out with transport, fundraising etc. Tom finds himself in a bit of a dilemma this evening however with 2 sons lining out against his beloved 'Rebel County'. There's only one County Tom - the one with the blue and white.

### JUNIOR HURLING LEAGUE

While some of the young pretenders may 'talk the talk' the "Legend" still 'walks the walk' as he proved on Sunday with a vintage performance against Kilrossanty in the Junior Hurling League. Vintage performances as well from veterans Timmy Sheehan and Johnny Geary who along with the Legend have a combined age of 120+. A dramatic late goal in the dying minutes secured the points for Tallow in Leamybrien. Unfortunately I missed the game and didn't witness this heroic comeback. I've had trouble determining who got the Tallow scores, particularly the goals. First reports to reach Tallow on Sunday evening said the Legend got 4 goals. This was later disputed. James Beecher says his free went direct to the Kilrossanty net without Murph touching it. Johnny Geary says the "Legends" goals were 'dubious', like the ones he scored against Ger Cunningham in '89. Timmy says he doesn't know about the rest but he definitely got one. I think Deirdre had a claim on one of the goals. Also, I've a feeling we haven't heard the last about this. I've contacted T.G. 4, Sky and R.T.E. to see if they had cameras at the game - this will run for a while.

Team: M. Murphy, C. Cunningham, J. Geary, D. Martin, J. Cunningham, M. McGrath, J. Henley, J. Beecher, T. Sheehan, D. Henley, W. Henley, S. Pratt, P. Murphy, T. Cunningham. Selectors: T. Doyle, J. Curley, D. Cunningham.

### "DUIRT SIAD"

'I'm 40 years of age and I'm the first man at the square' Legend is "up for it" before junior game on Sunday  
'Bitten, burned but not beaten'  
Munster banner at the Castres game  
'Take us to the Empire State building'  
Finn and the lads hire a cab on the 34th street to go to the Empire State Building (also on 34th Street by the way)

### TALLOW GAA LOTTO RESULTS

Numbers drawn 1-7-18-20. No winner. Consolation prizes: Johnny Curley, Eamonn Donnelly, Mary Feeney (Glencairn), James Cashman. Promoter Prize: Brian Henley.

### DEISE DRAW

The club had 5 winners in the April draw. 200 Euro: Ronan Cronin. 100 Euro: Mary Beecher, Shanballa. Promoters prize: 50 Euro: James Murray, 50 Euro: Mary Buckley. Congratulations to all.

## FARMING LEADER

# IFA Says Pig Supplies Scarce And Producers Should Resist Any Pull On Pig Prices

Waterford IFA National Pigs Committee representative Joseph Naughton has this week said that "producers should strongly resist any negative pressure on prices from the factories." Mr. Naughton said "the reality is the number of slaughtered pigs available in the South of Ireland have been scarce and will remain so over the next few months".

Mr. Naughton continued, "the ongoing buoyancy in the UK pig price which is now €1.61/kg compared with the Irish price of €1.31 indicates that Ireland's principal market for pigmeat, is strong". The same is true for Northern Ireland with prices of €1.38 to €1.40 available.

### IFA WELCOME 13 MILLION EURO INCOME BOOST TO MOUNTAIN AREAS

The Chairman of the Waterford IFA Hill Farming Committee James O'Grady has welcomed the agreement by the EU Commission Star Committee to increase the disadvantaged areas payments in mountain areas.

The increase in payments will be boost to farm incomes in these fragile areas with up to 26,000 farmers benefiting by an average of 500 euro per farm.

Mr O'Grady said that it was now vitally important that payments are made immediately as farmers in these areas have awaited this payment increase since last year.

The disadvantaged areas scheme is now worth 228m euro under the new area based system.

IFA will be making further proposals to ensure that farmers who are significant beneficiaries under the old headage system do not lose out when the compensation fund tapers out over the next couple of years.

The Waterford IFA pig leader said producers in Ireland have had to survive on a first quarter average of €1.27 which is 6cent/kg below break-even. Compared with an average of €1.53 in the UK and €1.39 in Denmark. In reality Mr. Naughton said producers couldn't stay in production at these price levels.

In addition, Mr. Naughton said pig supplies in the South remain tight at approximately 60,000 pigs per week and

this is despite the recent Easter holiday period. He said that while the sow market has weakened due to a weakened German market at present, to use their current pig price of €1.31/kg as a barometer for Irish prices now would be disingenuous, given their year to date average is 16.5cent/kg or €11.55 per pig ahead of Irish prices.

Mr. Naughton said producers have been anticipating a price rise for the past six

weeks as a means of achieving the €1.40 per kg for 2002, promised by the processors post-Christmas. "The re-opening of the Japanese market for Irish pigmeat is imminent with the first shipments expected to be possible from the end of May and this should provide the confidence now needed to maintain prices in the short-term and lift prices over the coming months", concluded Mr. Naughton.

## EU Milk Management Committee Decision Criticised

Mr. Jackie Cahill, Chairperson of the ICMSA Dairy Committee has criticised the decision of the EU Milk Management Committee to take no action on export refunds and internal supports at their meeting today.

"Given the current state of dairy markets, ICMSA be-

lieves that there is room for improved internal processing aids as they are now 10% per lower than in 2001. Additionally, increased export refunds would also help our competitiveness on Third Country markets. "This is an opportunity lost," said Mr. Cahill.

In conclusion Mr. Cahill said: "ICMSA will be seeking to have these issues addressed at EU level as dairy farmer margins have been hit by up to 30 per cent in comparison to last year. This cannot continue and the situation must be reversed".

## ICMSA SECURE COMMITMENTS ON SLURRY CONTRACTING

"ICMSA have secured a number of commitments regarding permit regulations for slurry contractors", said Mr. John O'Connor, Chairperson of ICMSA's Farm Services & Environment Committee following a meeting with senior officials of the Department of the Environment & Local Government.

Following to-day's meeting, the following will be exempt from requiring a permit:

1. Farmers spreading their own slurry on their own land. This was reaffirmed by the Department today.
2. Slurry contractors spreading slurry for a farmer on land used by the farmer, and
3. Contractors spreading slurry for farmers under the control of an IPC licence will not require a permit.

"This will mean that no permit will be required for the majority of a slurry contractors work. Therefore there should be no additional costs on farmers", concluded Mr. O'Connor.

### SENIOR HURLING CHAMPIONSHIP

On Sunday night last in Frasher Field our Senior Hurlers took on Stradbally in the first round of the Senior Championship. This proved to be a very hotly contested game and the first half was marred by a few unsavoury incidents. In the second half we had the introduction of Shane Kearney for Kieran O'Gorman and the ever reliable Barney Prendergast for William Cunningham. In the last quarter of the game, Lismore proved to be the more dominant side and with some excellent scoring from Dave Bennett, Sean Daly, Barney Prendergast, Dan Shanahan and David Howard, we ran out the deserving winners on a final scoreline of 3-13 to 1-10.

## LISMORE CAMOGIE NOTES

### U-16 COUNTY TEAM REACH MUNSTER FINAL

On Saturday last in Dungarvan GAA field, Waterford U-16 team took on Clare in the Munster Semi final. Conditions on the day were bad with heavy rain throughout the match. Waterford got off to a good start scoring a goal in the opening minutes. Waterford had the pressure on for most of the first half but failed to capitalise on this dominance only adding two points to their early goal. The score at half time was 1-2 to 1-0 in Waterford's favour. Clare opened the second half scoring with an early point between the teams but Waterford again pulled away scoring two points in succession. Clare who were battling hard got their reward when they scored a goal to level the match with just 10 minutes to go. Both teams were fighting hard for this victory they exchanged points. Waterford missed two goal chances before they got a point in the dying minutes to clinch victory and a place in the Munster Final. This was a great victory for the girls and the first for Waterford at underage level for quite a while. The Munster Final will be played this Saturday against Limerick in a Cork venue to be decided. We would ask everyone to support these girls on the day. Lismore representatives on the team were Tanya Morrissey, Nicola Morrissey, Niamh Ryan, Laura Buckley, Ashling O'Brien, Lorraine Geoghegan and Deirdre Walsh. We congratulate the girls on their great win and wish them the best of luck for this weekend, we are sure

they will do us proud.

Also playing at the weekend are the Waterford Junior Team. They take the field against Tipperary on Monday. We wish them the best of luck. Closer to home, our Senior team were in action at home to St. Anne's on Friday night last. This was the third game in the league and after one loss and win Lismore needed to win this one to stay in contention for the title. Unfortunately this was not to be and after a close hard fought game in which scores were hard to come by Lismore lost on a score line of 1-1 to 0-2. This team's next match was due to be played this Friday but has been cancelled due to the girls involvement in intercounty games. Our U-14 team was due to be in action in the Feile na nGael blitz last weekend but this was postponed, as players were involved in the U-16 County squad. The U-14's took to the field against Ardkeen on Monday night last hoping to get their third win of their championship campaign. This game was played in Ardkeen and was a very hard fought game but Lismore capitalised on their scoring chances and ran out winners on a scoreline of 6-2 to 2-0. This puts Lismore in a strong position for a place in the final. This team's next match is against Butlerstown on Monday.

Our U-12's are also training on Mondays and Thursdays at 6:15pm. A committee meeting will be held on this Wednesday night 1st May in Lismore Community Centre at 9:00pm, all committee members are requested to attend.

## LISMORE CRICKET

We will start off with congratulating the Munster Rugby Union team on their magnificent win against French side Castres. I am sure our rugby loving friend at the sports centre in Dungarvan (for the life of me I can't think of his name - sorry about that) is over the moon. Now that we have decided to move our practice out doors I would like to thank Pat and all the staff at the sports centre for all their assistance. We hope to be back in the autumn.

The Dennis (Essex) v Dave (Gloucestershire) county cricket match ended in honours shared draw. Both teams reached 379 in their first innings, in this rain interrupted game. Mark Alleyne (Glous) 149 no, Darren Robinson (Ess) 131, with Kim Barnett scoring 100 for Glous in his second innings, were the main highlights.

"Oh dear, I hope its not like the time we went to Dublin", Michael Hickeys comment after hearing about the plans for a preseason match in France next year. Talking of which here are a few phrases which might help. Work them out for yourselves! Le temps est affreux, Il pluet a verse, Sante!, Pouvez-parlez plus lentamene, s'il vous plait (To the umpire), Oui/Non (Going for the risky single)

Bon sang de merde (On getting run out) or Je me suis

perdu, Bourre (A few hours after the game), Merde (On getting out for a duck), J'ai mal ici (Batsman after getting clattered), J'ai perdu un plombage (Michael after forgetting to wear helmet).

Dennis Mackintosh travelled to the Mardyke last Thursday night in place of David Champion who was unavoidably detained elsewhere, it was imperative that the club was represented as it was the night for 'starring'. Dennis breathed a sigh of relief when it emerged that no division three player would be 'starred' out of playing for their club no matter how good he was. This really was music to our ears as we are pulling out all the stops to win division three this year and get into a better grade of cricket.

The club has strengthened its panel of players with the registration of two quality players, Michael Lynch and Mark Taylor. Michael a friend of Pádraig Pollard is a big hitter as the lads in the gallery at Dungarvan sports centre will testify, the ball ricocheting around the rafters like an angry wasp. He is also a very good bowler. Mark is a pace bowler and also a very correct batsman. Mark spent time with Middlesex as a youth player, so himself and the other ex-Middlesex player Skipper John can talk about old times and drive us all mad!

## PRESENTATION SECONDARY SCHOOL, LISMORE

Also note that the U-12 championship commences as this Friday evening in Leamybrien at 7pm in which our opponents are also Kilrossanty.

**U-16 Football** — The western final was played on Sunday morning in Abbeyside under atrocious weather conditions. The match ended all square, Clashmore 2-5 The Nire 2-5. It was a very even contest throughout and it took a great goal from Shane Dalton to level the match in the final minutes. Many of our players did not perform on the day and an improved display is expected for the replay which is fixed for this weekend. Best players on the day were: Colin Kelly, Patrick Kelleher, Jason Seward, Kevin Murphy and scorer in chief Shane Dalton who finishes with a tally of 1-2 from play.

## CLASHMORE LADIES FOOTBALL NOTES

# LISMORE SOCCER NOTES

On Monday evening last we entertained Gortroe in a very important league fixture which would decide the fate of both clubs to the divisions in which they would play next season. Fifteen minutes into the game and we were 1-0 up thanks to an excellent drive from Kieran O' Gorman from 18 yards out. If we thought that effort was special Ed Pollard surpassed it with probably the goal of the season beating three opponents before smashing home a cracker from 25 yards. 2-0 at half time. Early into the second half it was 3-0, 'Corney' Howard nodding home from a corner, the game died a death from there on in and further strikes from Sean Ormonde, Aidan Roche, Patrick Walsh sealed a comfortable victory for Lismore and unfortunately relegated our opponents to the first division next season. Final Score: Lismore 6 Gortroe 0.

All players, committee members and Red House League clubs who are still in possession of tickets and monies for the players benefit night in Lismore Hotel are asked to please send them back before the night to Brian Shanahan, 47 Liosanoir, Lismore, Co. Waterford. Thanking everyone for their effort for a worthy cause. Get well wishes to Keith Hornbrook and Alan Landers on their recent injuries. Hope to have you both back for Cup Final action on the 12th May. Finally sympathy to the McCarthy family on the death of Florence McCarthy, who was one of the founder members of Lismore F.C. May he rest in peace.

Could all the players and members of the club meet at the Red House bar on Friday evening next before the Benefit Night to collect tickets and money raised and also about the events coming up.

# LETTER RE: LISMORE A.F.C.

Dear Mr. Editor,

I would appreciate very much if you would include this letter in your much read paper.

It regards Lismore A.F.C. It is the oldest A.F.C. in West Waterford. It was formed in the early fifties, the nearest West Waterford clubs at the time were Kilmacthomas F.C., Portlaw F.C. and Kilmeaden F.C.

The club was formed at the local tennis pavilion. A committee of seven was elected. F.L. McCarthy, Chairman, M. Feeney, Hon. Treasurer, J. Champion Hon. Secretary and four other committee members. Late T. Bolger and M. Madden became active members. The present Chairman of the Red House League P. Pollard was also an active member.

Why I write this is I would like at this time to express my sympathy and that of the club to the relatives and friends of those pioneers, players and club members that have passed on to a new playing pitch.

"Ar dheis de agus slán"

Yours in sport,

Eamonn De Barra, Hon Secretary.

## Abbeyside Scout Notes TROOP MEETING

With our Scout leader away in the sunshine in America we had a most unusual meeting last Saturday night. He will be glad to know, yes the rain was coming down strongly when we met at 7 pm. Half of us went to Deise Design where the experts were on hand to put us through our computer paces. The other half went to the Reference Archive where the questions came thick and fast. Then at 8 pm we swapped around. We had a most enjoyable night and would like to thank William, Martin and Fintan for giving of their time.

PS We hope to win the 50 euro in the 20 questions we filled out! If not please bring back the dollars!

### GLENSHELANE

Last Saturday 70 scouts from the North Cloyne Region arrived to camp overnight at the Glen. With Brendan Lynch and Tom Holland in charge of operations they survived a very wet evening. Sunday morning saw a weather improvement and as usual this region camped to a very high standard.

### ALZHEIMERS TEA MORNING

This Thursday morning, 2nd May the Annual Alzheimer's Tea morning takes place at 10.30 am at the Scouts Den, Abbeyside. We ask for your usual support for this very worthy cause, when all monies raised will go to the local Alzheimers Unit. Scribe.

### HONOUR FOR ST. PATRICK'S DAY PARADE ORGANISERS

A Civic Reception will be held by the Urban District Council to acclaim three people who were involved in the organisation of the St. Patrick's Day Parade for 25 years.

The dedication of Oliver O'Donnell, formerly of Murphy Place, Abbeyside and now living in Caseyville; Jim Veale who lives in McCartyville Abbeyside since 1968; and Johnny Morrissey, Keating Street to making the feast day of our National Apostle a special one locally will be recognised officially by the U.D.C.

The idea of having a civic reception was proposed at a recent meeting of the council by Cllr. Michael O'Riordan and seconded by Cllr. Paddy Power, former piper with the Pipe Band. It will be timely recognition for all the hard work they put in over the years and will be well received by the community.

The date for the Civic Reception is still to be arranged.

## ABBEYSIDE PATTERN NEWS

Lynne Deegan does Abbeyside proud. Everybody in the village can feel justifiably proud of our entrant in this year's Waterford section of the Rose of Tralee. She looked absolutely stunning in a specially designed dress for the occasion. The designer of the dress was also from Abbeyside in the person of Charlotte Clancy. Lynn's dress stood out among all the contestants and it just goes to show what wonderful talent we have here in Charlotte. Well done to all concerned. Lynne was accompanied by her parents and members of the pattern committee to the ball in Waterford.

### LOCAL T.D. RETIRES

It is a well known fact that Austin Deasy our local representative to Dail Eireann has retired from politics. Austin lived in Abbeyside for many years and was a teacher in St. Augustine's College up to the time he was elected to the Dail.

Austin spoke about his career in politics on W.L.R. on Saturday last. The highlight of his career was of course his term as Minister for Agriculture in the Fine Gael/Labour Coalition led by Garret Fitzgerald.

We wish Austin every happiness in his retirement.

Golf Club. He or she must have played with the G.A.A. Club at some grade or must have been an administrator with the club. Current members are eligible to play.

Hopefully it will be an enjoyable day.

### Abbeyside Reference Archive

Last week was an unusual one at the Archive - aren't they all you may say. We sent a bill to people and instead of sending us on the cheque they wrote back looking for Another bill for the same amount. I was shopping in a local supermarket when a man told me he wanted to give me 60 euro for the Archive. This he did, he then told me it was from a man of over 90 years of age who is living in South Africa. This Sunday evening Ann Allridge will be at the Archive minding the "treasures". Visitors will be most welcome along. With regard to our shipwrecks question last week. Not alone did we get the title of the book we were looking for, we got the actual book. For the record it was Waterford and Thereabouts by Bernard Colclough and Walter O'Neill published 1993. This week we are looking for any information or photographs re Clonea Castle. If you can help we would like to hear from you any Sunday evening at The Parish Office.

### ABBEYSIDE SOCIAL COMMITTEE NOTES Survey 2002

Issue 5 on sale this week-end. Included in the questions are 'Should GAA players be paid?' and should the pubs be allowed open for all World Cup matches. There will be a meeting of all the committees involved in Minnies on Friday 4th May. At this meeting the first cheques will be handed over to the respective committees.

### ABBEYSIDE COMMUNITY CENTRE NOTES

The results for this week are not yet available as we included the Monday nights match between Bolton and Arsenal. I can tell you that if Arsenal win there will be a three way tie for first place and if Bolton win there will be an outright winner. Tommy Reynolds will hold on to the overall but his lead has been cut to a single point. All the results will be available in Minnies on Tuesday.

Soccer Pundit Winner; l to r Kieran Veale, Jimmy Lenihan, David Power, winner, Bernice Condon and Ena Power.

## ABBEYSIDE PIGEON CLUB

Tommy O'Donnell, 2 Kyne Park, Abbeyside continues a tradition of sixty years of pigeon fanciers in the locality. Committee meetings were held in the old Social Club adjacent to Scoil Mhuire, Abbeyside but since its demolition meetings are held in the Sports Centre, Dungarvan. At present the Committee is as follows PRESIDENT: Jimmy Fraher. CHAIRMAN: John Woods. SECRETARY: Paddy Power. TREASURER : Tommy O'Donnell.

Tommy informed me that the average pigeon fancier would keep up to 100 pigeons in a wooden loft measuring approximately 35 feet by 10 feet. The pigeons have to be fed and watered twice a day. Another daily job and a caring one is the cleaning of the loft.

Tommy O'Donnell, 2 Kyne Park, Abbeyside holding one of his pigeons outside the wooden pigeon loft

### Racing Season

The racing season commences on the last week - end in April and finishes in the third week in September. The first race would be approximately one of 100 miles and then the races lengthen to 150 and 180 miles and work up to 220 miles which would be a race from Ballycastle in the North of Ireland. Owners would then take the pigeons to Scotland and race them from there. On average the pigeon fancier would take part in 20 races in a season. First prize in a race in Northern Ireland would be a car and between £25,000 - £30,000 sterling in prize money.

### Breeding

This starts in January and continues until May. The young birds would be raced a distance of approximately 230 miles in their first year. The life - span of a bird is about 20 years but they stop racing after 5 years. Older birds are kept for stock (Breeders) or they are sold. Owners come looking for winning birds. The birds one sees in Trafalgar Square are wild birds but Tommy's birds are thoroughbreds.

### Start-Up

Building a loft would cost E 600 and members would help in the construction. Also members would breed birds to help the new person start and the birds in this instance would be free. It costs E 12 per week to feed the pigeons. The birds have to be trained and must be 100% fit before they can be raced. In the early stages the new fancier would have to make time for an into - car start of 20 - 30 miles say 4 times a week. Also the birds would need 1 hour every day flying around the house.

### New Premises

The lorries to take the boxes of pigeons to their racing destinations park in the open space at Quanns and there could be three lorries there at the same time. The U.D.C. have agreed to provide premises at the Sports Centre which is adjacent to Quanns so that the pigeon fanciers can store the empty boxes. A section of the Sports Centre will be altered to provide the space. This work will be done immediately after the Boxing Club extension is completed.

# Renowned Irish Violinist To Give Recital At Lismore Castle

Catherine Leonard, one of Ireland's finest musicians will give a recital at Lismore Castle on Friday May 17th. Pianist Charles Owen will accompany her. The programme will include music by Mozart, Prokofiev, Tchaikovsky, and Brahms.

Catherine has performed extensively in Europe, the USA and Australia. In January last year she performed with the National Symphony Orchestra, playing the world

premier of 'Messenger', a concerto written for her by Ian Wilson, and commissioned by RTE.

In February she travelled to Australia where she took part in the Perth International Chamber Music Festival, performing with leading musicians from around the world. 'The glorious warm-toned ribbon of sound Leonard drew from her instrument brought to mind the playing of the young

Menuhin' wrote Neville Cohn, music critic of the 'West Australian'. Catherine performed last spring with Hugh Tinney, her duo partner, for President McAleese and the Finnish President in Finlandia Hall, Helsinki.

Her BCC Radio debut was in September last at the Waterfront Hall, Belfast, partnered by Charles Owen.

Charles' concert activities are diverse and extensive, encompassing solo concerto

and chamber music appearances. He has performed at many leading halls including the Barbican, Queen Elizabeth and Symphony Hall, Birmingham.

Charles frequently plays at London's Wigmore Hall and broadcasts for Radio 3 & Classic FM, his travels have taken him to many of the world's major concert venues - Carnegie Hall, the Vienna Musikverein, Paris Louvre and St Petersburg Philhar-

monic.

The concert is being organised as part of the 10th Anniversary celebrations of Lismore's designation as a Heritage Town.

## LETTER TO THE EDITOR

### Dangerous Junction

Sir,

I am writing to you about the traffic situation on the Dungarvan bypass and in particular the junction at Shandon, which leads to the industrial estates. I believe that this is a very dangerous junction, there have been a number of minor accidents there already.

The Shandon road serves Dungarvan fire station and two industrial estates, with a large number of retail outlets. A third industrial estate is now under construction in the area. All this has led to a massive increase in the amount of traffic using this road.

Traffic coming from the Waterford direc-

tion has to stop in the middle of the bypass road waiting to enter the Shandon road, there is no relief lane at the junction. At the same time traffic leaving the Shandon road and turning right have to pull out almost onto the bypass road to get a clear view of oncoming traffic. Cars using the bypass road now speed past in both directions with barely enough room for them to get through. In this situation even a small mistake by a driver could have catastrophic consequences.

It is patently obvious that Waterford County Council needs to immediately construct a roundabout at this junction and I earnestly hope that they will not wait for a serious accident, with possible fatalities, to carry out remedial action.

Yours sincerely,

**Michelle Fennell,**  
3(3) St. Augustine's  
College.

## PISEOGS AND THE MAGICAL MONTH OF MAY

The old people warned the young that one thing they should never do was to take the whitethorn blossom into the house in the month of May, they claimed that the house where it was taken into would neither have luck or grace. It is hard to believe that the magical month of May held such sway in the lives of the Irish people.

The age old garland of piseogery ran thro the centuries like a stream of indelible old fashioned ink. In those days you had to be doggy wide about your May time activities. Marry in May rue the day, runs one popular old adage, whilst on your peril, don't limewash neither house or byre as great misfortune is inevitable. The older people wouldn't lift a brush or do a stroke of work on Mayday. Magical forces are supposed to have special powers in the night between sunset on May eve and sunrise on Mayday. The interesting link between all classes of dairy produce and the occult is borne out in a legacy of folk tales which would fill several books. Begrudgers who dabbled in the Black arts to bale out the water of their neighbours well in the direction of their own habitations, such symbolism caused both their neighbours butter and good fortune to run in their direction, while they chanted the charm, come butter, come butter, come every lump as big as the cows rump, come butter, come butter come. A hair from a cows tail or clay from her hoof were equally dangerous in the hands of churn setters, while May morning smoke from a cottage chimney could be like wise ill used by the butter happy night.

Hags, evidently the begrudgers walked backwards into their own home never taking their eyes off their neighbours smoke while they chanted, Im an deataigh sin ar

mo chuidbainne se. If the translation fails you I'm going to let you wallow in your ignorance for surely the charm and grace of Erin's Isle is wasted on the likes of you. The little people are much more likely to cross your path at this time of year. You should be on your guard for headless coaches, pucas and mermaids who wouldn't harm a hair in your head if your intentions were honourable. In old Gods time May blossom used to adorn the brides coaches and horses, and the May bush and the May pole have been used in Ancient fertility rites in these islands this long time past. My grandfathers philosophy on those matters were piseogs he used to say, don't break 'em and don't make 'em.

## THOUSANDS SIGN PETITION TO SAVE RADIO STATION

To ensure the survival of one of County Tipperary's Radio Stations, some 18,000 people have signed a petition calling on the BCI not to take away one of the existing commercial radio licences. While the campaign to save the radio has gained the support of politicians at both local and national level, BCI states that they intend to go ahead and have one commercial licence in County Tipperary from the start of 2004. It is felt that this policy will result in the closure of Tipp Mid West Radio. If there is to be one commercial licence in County Tipperary it will most likely be granted to the larger Clonmel based station Tipp FM. People in the Ballymacarbry area who are unable to receive the Clonmel based stations signal, can receive the Tipp Mid West station loud and crystal clear, the district will be the poorer if that station goes. It is difficult to understand the removal of this commercial licence, as the station is not in debt and it's listenership is up. This station provides a service that caters for older people in rural areas that no other broad-casting service offers. The BCI are an independent and impartial body, and their decision making process cannot be influenced by either ministers or politicians. This controversy blew up after the BCI announced earlier this year that they want to make a number of changes to broadcasting areas as they readvertise radio services throughout the country, most of the current licences expire in 2003/04. BCI claim that reducing the number of commercial licences from two to one in County Tipperary is the best way forward and in the best interests of listeners.

## PRESENTATION TO RETIRED NURSE

A pleasant function took place on Sunday evening, 14th April at the Community Hall, Newcastle to mark the retirement of Public Health Nurse Eva Pyne who has retired from her post after twenty three years with Newcastle/Ardfinnan community, and other areas including Ballymac' and the Nire. Councillor Mattie McGrath welcomed all present which included Rev. Fr. Thomas Morrissey, Mollough, retired Parish Priest, Burncourt, Clogheen and Nurse Pyne's husband Michael and daughter Helen and many nursing colleagues of hers. Following a beautiful meal Cllr. Mattie McGrath on behalf of the community presented her with a piece of Tipperary Crystal, a pen set, a clock and a letter opener. A scroll inscribed by P. J. Cullinan and enclosed in a Silver frame was another acceptable token of appreciation. ## RECENT DEATHS

### LATE MR. JOHN WALL

It is with deep and sincere regret the district learned of the unexpected death of Mr. John Wall, Toureen West, Ballymacarbry and of London where he was domiciled for some thirty eight years. His death occurred on Tuesday 16th April in a London hospital. Deceased in his sixtieth year was a member of a well loved and respected Nire Valley family, the Mickey L. Walls of Toureen West. Deceased in his young days worked in different jobs around the district, in the early sixties he joined the local unit of C/coy 13th Batt F.C.A. It was after returning from a summer camp that he decided to go to England. In England he took up a good job with an English firm. Each year he would make the annual trip to the home land where his heart was and it was only two weeks ago he made his final trip, he even visited the local for the game of 45, a game he loved. In the fifties he was an outstanding Gaelic footballer and on Nire minor teams he was an outstanding centre half back. He was an excited Nire man when the Nire captured their first senior title in the early nineties.

John was of a family of eight, four boys and four girls. In the late sixties he married a Clonmel girl and he became a kind and loving husband. He was a kind and loving person, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was a true gentleman in every sense of the word, he was always welcome in what ever company he found himself, and his presence amongst us will be very much missed and his memory long cherished by a host of friends. Many tributes have been paid to this fine man, but perhaps the finest was paid to him on Monday evening when all walks of life were represented in the large concourse of mourners who were present when his remains draped with the Blue and Gold of the Nire were removed from Condon's Funeral Parlour, Clonmel after the rosary was recited by Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena to Saint Helena's Parish Church, Nire where they were blessed and received by Rev. Fr. Cornelius Kelleher P.P.

On Tuesday morning the feast of Saint George (martyr) requiem Mass was celebrated for the happy repose of his eternal soul, the celebrant was Rev. Fr. Cornelius Kelleher P.P., assisted by Rev. Fr. Fergus O.F.M., Clonmel. After Mass as a gentle breeze blew along the Nire Valley from the West and the sun beamed down from a clear sky, one of the Nire Valley's best loved was laid to rest at the rear of the little school house where he received his education. Fr. Kelleher P.P. with Fr. Fergus O.F.M. officiated at the graveside in the presence of another large concourse of mourners who were present to pay their final respects to a kind person whose memory they will long treasure.

To his brother Tom, sisters Mary, Nellie, Bridgid and Margaret and his many relatives we extend our sympathy.

### LATE MRS. NELL MCGONIGLE

It is with deep and sincere regret we pen the death of Mrs. Nell McGonigle (nee Bourke), Caherconlish, Co. Limerick which sad event took place on Sunday 21st April. Deceased in her fifty second year was daughter of Mary Alice and the late Paddy Bourke, Ballinacurra, Knocklong, Co. Limerick. Her mother (nee Finn) hails from Knockmeal, Ballinamult. She was a very estimable lady of many charming traits of character. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all fortunate enough to have known her. She was a kind and loving wife and mother, her husband Frank and her son Enda were her pride and joy and to them we extend our heartfelt sympathy.

On Monday evening her remains were removed from Frazer's Funeral Home, Galbally to Knocklong Parish Church where they were blessed and received. On Tuesday morning, the feast of Saint George (Martyr) requiem Mass

was celebrated for the happy repose of her gentle soul. After Mass she was laid to rest in the adjoining cemetery. To her husband Frank, son Enda, mother Mary Alice, sister Rita, Connors family, Ballinamult, Walsh family, Croughate-skin and Ballymacarbry, Kiely family, Cappoquin and her many other relatives we extend our sympathy.

### LATE MISS HELENA BUTLER S.R.N.

Profound and sincere feelings of regret were widely expressed at the news of the death of Miss Helena (Lena) Butler S.R.N., Mount Anglesby, Clogheen and formerly Deerpark, Ballymacarbry which sad event took place at Saint Theresa's Hospital, Clogheen on Tuesday 23rd April. Deceased in her early seventies was a member of a well loved and respected family, the Butler's of Deerpark. Lena was a lady of outstanding qualities who possessed and made lasting friends with ease. A charitable person who was ever so kind to knights of the road, so kind she was that she erected a gravestone at Saint Patrick's Cemetery to one such person, the late Maurice Fitzgerald, a native of Dublin. She was a person abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all. In her nursing career she spent many years nursing at Saint Joseph's Hospital where she was a favourite with the patients. Over the years she was a regular attender at the Easter commemorations as she came from a strong Republican background, her mother and her aunts were members of Cumman-Na-Ban. Two of her grand uncles were Parish Priests in the Dioceses, they were the late Rev. Fr. William Ormonde P.P., Carrickbeg/Windgap and the late Rev. Fr. Laurence Ormonde P.P., Affane/Modeligo. That her memory will be cherished was truly indicated on Wednesday evening when all walks of life were represented in the large concourse of mourners who were present when her remains after the rosary was recited were removed from the mortuary at Saint Theresa's Hospital, Clogheen to the Parish church of Saint Laurence at Fourmilewater where they were blessed and received by Rev. Fr. Edmund Tobin P.P., Fourmilewater/Newcastle.

On Thursday morning, the feast of Saint Mark (Evangelist) requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. Sean Nugent P.P., Burncourt/Clogheen, assisted by Rev. Fr. Edmund Tobin P.P. After Mass on a beautiful April day she was taken to her resting place in the family plot with her parents and her grandfather and there she was laid to rest.

Fr. Sean Nugent P.P. officiated at the graveside and Fr. Ed Tobin P.P. recited a decade of the rosary in the presence of another large concourse of mourners paying their last respects to a dear Christian friend whose memory they will long treasure.

To her brother Jimmy, sisters Hannah, Mary, Julia and Nora and her many relatives we extend our sympathy.

Go maith suaimhneas siorai aici i measc na Naomh.  
(Undertakers O'Donoghue's, Clonmel).

### LATE MRS. BRIDIE TOBIN

It is with regret we pen the unexpected death of Mrs. Bridie Tobin (nee Coffey), Renadampaun-Commons, Ballymacarbry, which sad event took place at Our Lady's Hospital, Cashel on Saturday 27th April. On Monday evening her remains were removed from her residence to the Kiely Funeral Home, Dungarvan, then at 7.30 pm her remains were removed after prayers were recited to Saint Mary's Parish Church, Touraneena.

On Tuesday morning the feast of Saint Catherine of Siena requiem Mass was celebrated and interment took place in the adjoining cemetery.

## Fifth Year Soccer Marathon

The annual Fifth Year Soccer Marathon took place on Friday, 26th April. The purpose of this event is to raise funds to send two Fifth Year students as helpers on the annual Diocesan Pilgrimage to Lourdes. This year's event was again a great success, raising in excess of the 1,000 Euro target. We would like to extend our thanks to the people of West Waterford for the tremendous support which they give us every year. We would also like to commend our Fifth Year and Transition Year students for the great effort they put into seeking sponsorship. The two students who will be going to Lourdes this year are Owen Keane from Silversprings and Mark Dalton from Lismore Avenue. As always, the marathon itself was a real test of stamina, and the winning team displayed admirable staying-power. The league section was very even, producing contests that were both competitive and entertaining. Shane Kelly's team, Kelly's Heroes, emerged as the winners of group 1, with David Hickey's Celtic in second place. In Group 2 Jason Rio's aptly named Papa Rio came first, ahead of Mark Cahill's Railway Pathetic. The two group winners subsequently triumphed in the semi-finals. In the final the skill, pace and, most of all, stamina of Shane Kelly and Mark Flynn proved too much for Papa. The two new sets of goals proved to be a great success. While the blustery conditions were unwelcome, a great day was had by all. Shane Kelly was named Player of the Tournament, while the far more prestigious Best Dressed Player award was won by Jason Rio. Well done to everyone involved, and a special word of thanks to Mr. Hughes.

## Hurling Report

Well done to our U-14 hurlers on their recent Rice Cup win. In a hard-earned victory over Youghal C.B.S. the Dungarvan team displayed commendable skill, teamwork and commitment. While this was a marvellous team performance, mention must be made of J.J. Coffey's extraordinary scoring exploits. This very promising young player contributed a remarkable 4-4 to Dungarvan's winning 4-8 total.

Well done to everyone involved and to team coach, Mr. Collins.

Team: E. Brackett (Abbeyside), C. Kearney (Brickeys) G. Dunphy, K.O'Keeffe (Dungarvan), M. O'Connor (Cois Brid / Tallow), P. Horkan (Fourmilewater), K. McCarthy (Naomh Brid), S. O'Hare (Abbeyside), Capt. J. Harrington (St. Oliver's), E. Walsh (St. Oliver's), J. J. Coffey (Naomh Brid), Conor McGrath (Brickey's), Subs Colin McGrath (Brickey's) for E. Walsh, J. O'Driscoll (Abbeyside), K. Gee (Brickey's), C. Nugent (Brickeys), J. Power (Naomh Brid), D. Curran (Brickey's), S. Flavin (St. Oliver's).

## Debating News

Our Transition Years participated in the recent T.Y. debating competition Waterford County Council. Debating against Kilmacthomas Co. Council team of Ronan Dennehy, David Hughes, Donnacha Culloo and Shane Power proposed the motion that "Incineration must be part of the solution to Ireland's waste crisis". Chaired by Cllr. Ollie Wilkinson, this debate proved to be both informative and entertaining. While Kilmacthomas won the debate, all of the young speakers performed very creditably. Cllr. Wilkinson declared that the thoroughly researched, well delivered speeches were as good as had been heard in the council chambers.

## From the Principal's Desk The Late Mrs. Eileen Keating R.I.P.

We were all very much saddened on our return after the Easter holidays to learn of the untimely passing of Mrs. Eileen Keating, mother of our 6th year student, John Paul Keating. She was, until her illness a great supporter of the

school and all its activities, while John Paul has been one of our most popular, pleasant and gentle students for the past five years. We know how close he was to his mother and can only imagine how deeply bereaved he is by her death. I had known for the past couple of years that Eileen was fighting an illness, but her courage and bravery in adversity were a wonderful example to us all. We had hoped against hope that her great spirit would help her to overcome her affliction, but sadly, it wasn't to be. She died while some of us from the school were in Dublin at the Edmund Rice Bicentenary celebrations. I am happy at least that our 6th Year fellow students of John Paul and a number of our teachers were able to attend her funeral ceremonies, to offer sympathy to her husband, Paul, John Paul and his brothers and sister and her relatives and to her extended family. I have no doubt that Eileen's deep religious faith which sustained her so well throughout her life, was a great consolation to her right to the end. We hoped against hope that she would overcome her illness. She fought against it to the end and her all too short but full and rich life had ended. All of us in the school remember her as a woman of the highest calibre and as a great friend. We extend our deepest sympathies to all who are bereaved by her death. May she have peaceful rest.

## Fr. Pat Moran - A Celebration

I was delighted to be invited by the indefatigable Greg Fives and his diligent fellow organisers to a celebration of the 25 years that Fr. Pat has spent as Principal of St. Augustine's College. It was a joyous occasion as relatives, friends, past-pupils, members of the wider Augustinian Community, luminaries from the world of the GAA and others came to pay tribute to a man who has left an indelible mark for the good on the town of Dungarvan over more than a quarter of a century. Nobody, I feel, could be more deserving of the extensive tributes that were paid to him by guests who had come from far and near. Suffice for me to say that in the education world, Fr. Pat's reputation is that of a wonderful educator and administrator, who has given his all to work with others to bring about the wonderful educational establishment in Duckspool that caters so well for the well-being of the students under his care, academically, spiritually and in their personal formation. Fr. Pat ensures that his school prepares his students for the journey through life. Furthermore, as his Deputy Principal, Mr. Oliver Broderick and others said on the night, twenty-five years as Principal of a secondary school is a rarely-emulated achievement - as somebody who has done about half that time in the position of Principal, I can certainly vouch for that.

On the night I also remembered something that the 20th Century dancer, Isadora Duncan, said eighty years ago: - "The pity is they never bring the flowers till you're dead". So, I was delighted that Fr. Pat was receiving this tribute while he is still fit, healthy and still in the neighbourhood of the prime of his life. I have known him now since the early 1970's, both as teacher and as Principal, and have always been delighted to meet him whether in our professional capacities or socially - he invariably radiates affability and good humour. And often, especially in my early years as Principal he was always only too willing to be of help to me and to give his advice and wise counsel in educational and administrative matters. For his family, his mother, his brother Jim (whom I have known since the days of our Fourmilewater and Ballybacon/Grange hurling encounters) and John (well-known to most of us as a friendly official at the local branch of the AIB) and his sisters, Nora and Mary, it was also a proud and happy occasion. Kieran O'Connor did his usual competent and enthusiastic job as presenter. All in all, a night to remember celebrating a wonderful life, with, we hope, many years of health, happiness and success to come for Fr. Pat. —(J. Ryan).

## CHARITY WALK

Alice Burke and committee would sincerely like to thank everyone for their tremendous support before and during the 11 mile charity walk that was held last Saturday. The weather held out for the first half of the walk but unfortunately it started raining with about 6 miles to go. However, all walkers and helpers were in great form and the rain didn't dampen any spirits. When we got to O'Connell Street, Helen Carey with her bagpipes, led the walkers through the town where they then gathered in Lawlor's Hotel for refreshments. We would like to thank Patricia and Gabriel Foley, who kindly offered the use of their premises when the walkers stopped for their first lot of refreshments and Tom Flynn, The Pike Service Station, who supplied tea on the second break.

Also many, many thanks to the 30 individuals who came far and near and either walked or ran the course. Also to the people who sent in donations and to the following:

Mossie Cliffe, Alice Burke, John Carroll, Kitty Cullinan, Mary O' Driscoll, Rose Lonergan and Anna Thompson (who wasn't able to participate on the day but certainly helped behind the scenes). We ask all those who took part, if they could please hand in their cards and money as soon as possible to either Alice Burke, Fr. C. Kelleher P.P., Anna Thompson or any committee member, so that the draw for sponsors and the total amount collected can be announced. Other committee members are Teresa Cliffe, Betty Condon, Kitty Cullinan, Toni Queally and Rose Lonergan. A special note of congratulations to Michael Kiely who is just 8 years old and completed the walk. Well done Michael. Michael is a son of Declan and Helen, Eagle Hill, Ballinamult.

Once again, our thanks to all.

# IN MEMORIAMS

**BOURKE** — First Anniversary — In loving memory of James (Jim) Bourke, Knockmeal, Ballinamult, whose anniversary occurs on May 1, 2002. You always had a smile to share, A laugh, a joke and time to care, Each of us in our own way, Have special thoughts of you today. Your name is often spoken, We talk about you still, You haven't been forgotten, James, You know you never will. (Sadly missed by your loving wife Bridget and family).

**CLANCY** — Second Anniversary — In loving memory of my husband Oliver, late of Gortnalaught, London and Clare, who died on May 3, 2000. I often lie awake at night, When the world is fast asleep, And think of the husband I have lost, And tears run down my cheek. I can't get over losing you, No matter how I try, I will always keep you in my heart, Until the day I die. Two lonely years without you, Are the saddest I have known, I treasure every thought of you, As I go on in life alone. (Love and miss you every day — Margaret). Another year has come and gone, And time just slips away, But you are always with us, To guide us day by day. (Loved and missed by your sons Paul and Martin). You were the centre of my world, And I miss you more each day, Life has never been the same, Since the day you passed away. (Love you always — your mother Mary).

**CUMMINS** — Third Anniversary — In loving memory of Johnny Cummins, late of Coolnagour, Dungarvan, who died on May 3, 1999. R.I.P. You always had a smile to share, A laugh and joke, and time to care, Each of us in our own way, Have special thoughts of you today. Your name is often spoken, We talk about you still, You haven't been forgotten, Johnny, You know you never will. (Always remembered by David and Margaret X X X).

**CUMMINS** — Third Anniversary — In loving memory of my dear father, John Cummins, late of Coolnagour, Dungarvan, who died on May 3, 1999. Quietly today your memory is kept, No need for words, we will never forget, When thoughts go back as they often do, We treasure the memories we have of you. (Always remembered by your daughter Ursula, son Thomas, grandchildren John, Louise, Christopher and Aaron).

**CUMMINS** — Third Anniversary — In loving memory of my dear father, John (Johnny) Cummins, late of Coolnagour, Dungarvan, who died on May 3, 1999. R.I.P. Masses offered in Lourdes. "DAD" Forgive me, Lord, if I still cry, I never wanted my Dad to die, With a broken heart I whispered low, I love you Dad and will miss you so. Death leaves a heartache no one can heal, Love leaves a memory no one can steal. You always had a smile to share, A wonderful nature, warm and true, A laugh, a joke, a pint or two, That's the way we remember you. Time passes, memories stay, Never forgotten Dad, especially today. (Always remembered, never forgotten by your daughter Noreen, son-in-law Andy and grandson Craig X X X).

**FENNELL** — Eleventh Anniversary — In loving memory of the late Walter Fennell, late of Bohadon, Dungarvan, who died on May 6, 1991. Anniversary Mass in Kilgobinet Church on Sunday, May 5, at 11 o'clock. We lost a father with a heart of gold, How much we miss him can never be told, He shared our troubles and helped us along, If we follow his footsteps, we will never go wrong. He was a father so very rare, Content in his home and always there, On earth he toiled, in heaven he rests, God bless you father, you were one of the best. We miss you from your fire-side chair, Your loving smile and gentle air, Your vacant place no one can fill, We miss you father and always will. Each time we look at your picture, You seem to smile and say, Don't be sad but courage take, And love each other for my sake. (Always remembered, never forgotten by your loving wife Bridget, sons Billy, John Joe, Jim, Tom and daughter Eileen and all grandchildren at home and away).

**GRACE** — Fourth Anniversary — In loving memory of my friend, Patricia Grace, Baile na nGall, Ring, who died on May 1st, 1998. A lot in life has altered, A lot in life is new, But the things that never alter, Are memories of you. It isn't what we write, it isn't what we say, It's how we feel inside, when we think of you today. (Always remembered — Angela, Tonya and Bryan).

**HAYES** — First Anniversary — In loving memory of Patrick Hayes, 6, St. Brigid's Terrace, Dungarvan, who died May 3, 2001. Patrick, love, I say a prayer for you each day, That God will help you on your way, To be at ease and rest in peace, As your journey was short and troubled, Your life was taken from our midst, A part of our family, one broken link, Lonely are the hearts without you, Memories are all we have to remember, You're still the baby, the son, the brother, Be near to us to comfort each other, To be born is the greatest of miracles, But to die is the saddest of sorrows. (God bless, dear brother, love always, your sister Lisa, brother-in-law Vincent, nephew David and niece Victoria).

**HAYES** — First Anniversary — In loving memory of my dear son, Patrick, late of 6, St. Brigid's Terrace, Dungarvan, who died May 3, 2001. R.I.P. Mass offered. Just a prayer from a family who loved you, Just a memory fond and true, In my heart you live forever, Because I thought the world of you. I taught you many things in life, That you would have to do, But you never taught me how to cope, With the hurt of losing you. (Always remembered by your loving Dad).

**HAYES** — First Anniversary — In loving memory of my dear brother, Patrick (Pa) Hayes, 6, St. Brigid's Terrace, Dungarvan, who died on May 3, 2001. As we sit and think of you, One by one the memories come, And when we close our eyes you're there, Not for us to feel and touch, to see, or hear, But to bring a smile to our faces, a tear to our eye, To pull on all our heartstrings and make us cry. But through our tears we recall the years we had together, And the memories we shared. They are all that we have got left now to treasure and hold dear, That, and the warmth of love we feel, whenever your presence is near, To brighten up our darkest day and help us on our way, In our hearts you shall remain, to walk with us throughout our lives, And wait until we meet again. (Sadly missed and fondly remembered, lots of love always from your sister Mary Bridget, brother-in-law Bradley, your nieces, Genna, Kirsty and Georgie and your nephew Aaron X X X X).

**HAYES** — First Anniversary — In loving memory of Patrick (Pa) Hayes, of 6, St. Brigid's Terrace, Dungarvan, who died on May 3, 2001. A day that's filled with sadness, Returns to us today, To mark the day you left us, In such a sudden way. No matter how life changes, No matter what we do, There's a special place within our hearts, That's always there for you. To where you rest we go, Is where we feel most near, To place our arms around you, And whisper "Daddy, we're here." The only thing that we know is true, Each day we think of you, God knows you've earned a rest, We think of you always, especially today, In heaven you rest, no worries, no pain, In God's own time we will meet again. (Tosh, Calvin, Dean, Deni Ra X X X X).

**HAYES** — First Anniversary — In loving memory of my brother, Patrick Hayes, late of 6, St. Brigid's Terrace, Dungarvan, who died May 3, 2001. One year ago you left us, It broke our hearts to lose you, We didn't get a chance to say goodbye, But we know you are watching over us, As each day goes by, We cannot bring the old days back, When we were all together, But silent tears and loving thoughts, Remain with us forever, But you did not go alone, For part of me went with you. (Always remembered by your loving brother Martin, sister-in-law Tricia, nieces Jade X and Katie X and nephew Conor X).

**HAYES** — First Anniversary — In loving memory of my brother, Patrick Hayes, 6, St. Brigid's Terrace, Dungarvan, who died May 3, 2001. I lost my brother I loved so dear, Every day and night I wish you were here, The memories I have will never fade, Locked in my heart they will always stay. Pa, I have no doubt that you are now safe, And forever in our hearts you will always stay. (Love always, your brother Seán, sister-in-law Jackie and Katie).

**HAYES** — First Anniversary — In loving memory of Pa Hayes, late of 6, St. Brigid's Terrace, Dungarvan, who died on May 3, 2001. When nights are long and days are few, I close my eyes and think of you, A lonely wish, the silent tear, I pray to God that you were here. (Your loving friend Catherine and Freya).

**KEATING** — In loving memory of my dear father, Tom Keating, Coolisheal, whose anniversary occurred on April 27. You were always there when we needed you, No task too great or small, With loving hands and a loving heart, For us you did it all. Your needs were simple, your wants were few, If your family was happy, so were you, A loving father with a heart of gold, These are the memories I will always hold. (Always remembered by your son Tom, daughter-in-law Betty and family).

A year ago we had to part, With the Dad we loved with all our heart, We shared some laughter and some tears, But the years we had, were great years. We keep in our hearts the love of the past, There it is planted forever to last, As time passes by, you are still by our sides, Ours was a love death can never divide. Isn't it strange that those we need,  
Are those we love the best;  
And just the ones that God needs too,  
And takes them home to rest.  
We miss you because we loved you,  
To us you were dearer than gold,  
No treasure can ever replace you,  
Your memory will never grow old.  
(Never forgotten by their loving family.)

**POWER** — First Anniversary — In loving memory of my dear wife, Alice Power, Georgestown, Kill, who died on May 3, 2001. R.I.P.

God called you home so gently,  
That only you could hear,  
And no one heard the footsteps,  
Of the angels drawing near.  
A heart of gold stopped beating,  
Two loving eyes at rest,  
God broke my heart to prove,  
He only takes the best.  
I never thought of losing you,  
And maybe that was wrong,  
You always seemed a part of me,  
And that will carry on,  
I cannot bring the old days back,  
When you and I were together,  
But memories last forever.  
(From your loving husband Thomas).

**POWER** — First Anniversary — In loving memory of our dear mother, Alice Power, Georgestown, Kill, who died on May 3, 2001. R.I.P.

We are thinking of you today, Mam,  
But that is nothing new,  
We thought about you yesterday,  
And the day before that too.  
They say that hearts don't really break,  
Oh Mam, that is not true,  
The night we lost you, Mam,  
Our hearts just broke in two.  
Your resting place we visit,  
Flowers we place with care,  
But no one knows the heartache,  
As we turn and leave you there.  
(From your sons John, Tom and Paddy).

I sat beside your bedside,  
My heart was crushed and sore,  
I did my best to the end,  
Until I could do no more.  
I'd give the world if I could say,  
I'm going to see my mother today,  
To hear her voice, to see her smile,  
To sit and talk with her awhile.  
I often lie awake at night,  
When the world has gone to sleep,  
And take a walk down memory lane,  
With tears upon my cheek.  
Look around your garden, Lord,  
Mam won't be hard to find,  
She's the one who was so special,  
So loving and so kind.  
I hide the tears when I speak your name,  
But the ache in my heart is still the same,  
Though I smile and seem carefree,  
No one misses you more than me.  
(From your loving daughter Bernadette, son-in-law Ivan and grandchildren).

In the silence of the morning,  
You had a gentle call,  
Taking the hand of Jesus,  
You quietly left us all.  
So when we are walking down the street,  
And have you on our minds,  
We are walking in your footsteps,  
Just half a step behind.  
(From your loving daughter Ann, Moira and Deirdre).

If roses grow in heaven, Lord,  
Pick a bunch for us,  
Place them in our Nanny's arms,  
And tell her they're from us.  
(From your loving grandchildren).

**O'RIORDAN** — In loving memory of Ann, late of King Street, Abbeyside, whose anniversary is at this time.  
It's only small, but means a lot,  
To tell you Ann that you are not forgot.  
(Always remembered by a friend).

**PRATT** — Fourth Anniversary — In loving memory of my dear husband, James Pratt, late of 10, New Street, Tallow, who died on May 4, 1998. R.I.P.

Some say as time goes by the heartache will subside,  
But the feelings in my heart today, are the same as the day you died,  
To all the world I'm coping,  
I'm fine when people ask,  
But if they looked inside my heart,  
They'd know it was just a mask.  
My heart still aches with sadness,  
My secret tears still flow,  
For what it meant to lose you, Jim,  
No one will ever know.  
You often used to say to me,  
You'll miss me when I'm gone,  
Dear God, it's hard to realise,  
That heartache lasts so long.  
(Loved and remembered always by your loving wife Frances).

**PRATT** — Fourth Anniversary — In loving memory of my dear Dad, James Pratt, late of 10, New Street, Tallow, who died on May 4, 1998. R.I.P.

Gone from our home that smiling face,  
The happy, cheerful ways,  
The heart that won so many friends,  
In happy bygone days.  
(Always remembered — your loving son John).

**PRATT** — Fourth Anniversary — In loving memory of my dear father, James Pratt, 10, New Street, Tallow, who died on May 4, 1998. R.I.P.

The day I lost you Dad,  
Is the day I can't forget,  
Although life goes on,  
My heart is breaking yet.  
The pain I try to live with,  
The tears I rarely show,  
The emptiness I live with,  
No one will ever know.  
(Always remembered by your son Noel, daughter-in-law Mary, grandchildren and great-grandchildren).

**PRATT** — Fourth Anniversary — In loving memory of my dear father, James Pratt, 10, New Street, Tallow, who died on May 4, 1998. R.I.P.

A sudden call from God on high,  
You had no chance to say goodbye,  
Without farewell you fell asleep,  
But memories of you I'll always keep.  
(Loved and remembered — your daughter Amanda, son-in-law Dave and grandchildren Kevin and Ross).

**PRATT** — Fourth Anniversary — In loving memory of my dear father, James Pratt, 10, New Street, Tallow, who died on May 4, 1998. R.I.P.

You were always there when I needed you,  
No task too great or small,  
With loving hands and a loving heart,  
For us you did it all.  
Your needs were simple, your wants were few,  
If your family was happy, so were you.  
A loving father with a heart of gold,  
These are the memories I will always hold.  
(Always loved and remembered — your daughter Christine, son-in-law Thomas and grandchildren Shauna and Shannen).

**PRATT** — Fourth Anniversary — In loving memory of my dear father, James Pratt, 10, New Street, Tallow, who died on May 4, 1998.

A golden heart stopped beating,  
Hard working hands at rest,  
God broke our hearts to prove,  
He only takes the best.  
They say that memories are golden,  
Well maybe that is true,  
But we never wanted memories, Dad,  
We only wanted you.  
(Always remembered, your loving daughter Linda, son-in-law Michael and grandchildren Lorraine, Karen, Michelle and Jennifer).

**PRATT** — Fourth Anniversary — In loving memory of my dear father, James Pratt, 10, New Street, Tallow, who died on May 4, 1998.

A thousand words won't bring you back,  
I know because I have tried,  
And neither will a million tears,  
I know because I have cried.  
The precious years will not come back,  
That we both shared together,  
But the love and joy you gave to us,  
Will stay with us forever.  
(Sadly missed by your daughter Rosemarie, son-in-law Pascal, grandchildren Jason and Damien).

**PRESCOD** — In loving memory of Mary and Harry Prescod, Fermoy, whose anniversaries occur at this time.

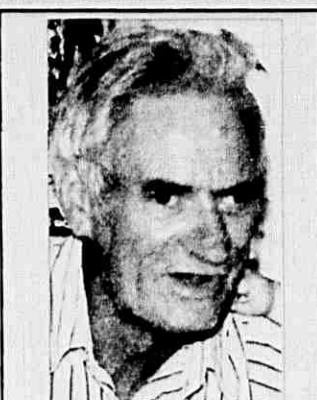

Death leaves a heartache no one can heal,  
Love leaves a memory no one can steal,  
No words we write will ever say,  
How much we miss you day by day.  
(Sadly missed by their son Pascal, daughter-in-law Rosemarie and grandchildren Jason and Damien).

**TERRY** — Twenty-first Anniversary — In loving memory of Josephine Terry, late of 58, Cathal Brugha Place, Dungarvan, who died on May 3, 1981.

Will those who think of her today,  
A little prayer to Jesus say.  
(Always remembered by Maura, Ann, Josephine and Francis).

**TERRY** — Twenty-first Anniversary — In ever-loving memory of my dear mother, Josephine Terry, who died May 3, 1981, late of Cathal Brugha Place, Dungarvan. Our Lady of Lourdes pray for her.

Candles are burning for you today,  
As I enter the church for you to pray,  
And as I light them, I thank God above,  
For giving me a mother who gave me so much love.  
Please call her name out softly, Lord,  
And when she looks your way,  
Tell her how much I miss her,  
On this her special day.  
(Forever loved and missed by your loving daughter Mary, son-in-law Eddie, grandson Eamonn and family).

**GALLAGHER** — Ninth Anniversary — In loving memory of Michael (Jessie) Gallagher, late of Barrack Street, Cappoquin, who died on May 1, 1993. Masses offered.

Time slips by, life goes on,  
But from our hearts you are never gone,  
Every day in some small way,  
Thoughts of you come our way.  
(Always remembered by the Hickey family and Peggy Corbett).

**GRACE** — Fourth Anniversary — In loving memory of Patricia Grace, late of Ballinagoul, Ring, who died on May 1, 1998.

A mother's love is a blessing,  
A gift beyond compare,  
You only know its meaning,  
When you find she's no longer there.

Treasure her with care,  
For you have in your possession.  
A mother beyond compare.

Because you are in heaven above,  
Please be our guardian angel,  
And watch over us with love.

# Cois Bhride G.A.A. Notes

## U-16 FOOTBALL CHAMPIONSHIP

Our U-16 footballers played the western final last Sunday in Ardmore v An Gaeltacht. In conditions that weren't conducive to playing any kind of good flowing football both teams must be complimented on the way they took the adverse weather conditions in their stride. With a near gale force wind to our backs, Cois Bhride got off to a great start with a well taken goal by Eamon Forbes after a couple of minutes. An Gaeltacht responded with a point but points from Eamon & Paul Forbes pushed Cois Bhride in front and the lads were playing some good open football. An Gaeltacht came back at us however and scored 3 good points against the wind and were it not for some great saves by goal keeper Kevin Walshe & full back Brian Harnedy we might have been in some trouble.

Michael Curley got another point before half time for Cois Bhride but unfortunately this was to be our last score of the game. We went into half time leading by a point which did not seem

enough of a lead given the gale force wind which we were playing with in the first half. From the throw in the physically stronger An Gaeltacht took advantages of the wind and held our lads in their own half for most of the second half but our backs did well to hold out for so long even though at times it seemed as if the wind favoured us as An Gaeltacht took a while to come to terms with it, kicking at least 10 wides in succession.

When we did get up the field with some good movements we just could not get the score that might spur us on to victory, it was in fact An Gaeltacht who got the score after 15 minutes in the second half that was to see them find their range from here on in. Even though we got a penalty with five minutes to go, four points down and playing well there seemed to be hope again but unfortunately, Michael Curley put the ball just wide of the post and our chance was gone.

Even though we didn't win the final everybody involved with this team must be congratulated for the immense effort that has gone into

training and matches. I think this team played 12 matches and only lost two including the final. Well done to all the players and especially coach Don Casey & fellow selectors Billy O'Keeffe & Finn McCarthy. They tell me that Finn was only in it for the meal after the final but I don't believe that. Panel: Kevin Walshe, Brian Harnedy, Michael Sinott, Kevin Henley, Stephen Power, Owen Ahern, Michael Curley, Peter O'Connor, James Hampton, Eamon Forbes, Eric Hickey, Luke McCarthy, Paul Forbes, Alan Giles, Richie Rohan, Ciarán Herlihy, Pádraig O'Brien, Eoin Condon, Vincent Hickey, Aidan Daly and Mark Sutherland.

## U-14 HURLING

Our game v Abbeyside was called off last week as it was clashing with our minors game v Cork. We did however have a practice game against St. Catherine's which we won though we were missing some of our national school players as they had too many games on that week. It seems a shame that the powers that be want clubs to encourage our young lads to play our

games and then when we go to get teams out there seems to be a glut of games all in a couple of weeks. I don't have the answer just now but I am sure organisation & Coordination should be a major factor. Our next U 14 game is on Thursday 2nd May v Cappoquin in Tallow at 7pm. The county section will be fielding in the following week on Monday 6th May v Clonea and for the next six weeks every Monday (County) & Wednesday (West).

## BER RYAN MEMORIAL TOURNAMENT

Once again we have been invited to take part in this tournament in Lismore on Saturday 4th May. It is a great thrill for me personally to see our lads in this tournament as Ber was a good friend of mine growing up. I know she loved our games and came from a very strong G.A.A. family in Tallow.

## U-12 HURLING

Our U-12 Hurlers are down to play Clashmore in Clashmore at 7pm, Friday May 3rd.

## THEY HAVE DONE IT

No, I am not talking about Croke Park being opened on the S.R.C. looking outside the park or Mary Harney during Bertie Bowl. No, it's something much closer to home. Its congratulations to Paul & Aidan Kearney and J.E. Kelly who last Sunday won back to back All Ireland titles in the colleges final with St. Colemans on the narrowest of margins. It is great to see our small club being so well represented on such a big stage and acquitting themselves so well. Not alone did Paul & Aidan play for St. Coleman's on Sunday but they also played Minor with Waterford v Cork in Walshe Park in the drawn game and will field again on Wednesday in the replay in Paire ui Caoimh and if that is not enough they will be involved in Tallows S.H.C. game v Ballygunner on Saturday evening in Dungarvan. I often wonder where these lads get their energy let alone the commitment to stay playing such a hectic schedule. May be the powers that be should come to West Waterford or any other division in the county where small clubs have to amalgamate to keep our games going rather than looking at dividing up bigger urban clubs. To some of us S.R.C. means Scant Recognition of Commitment.

Best of luck to Tallow Senior hurlers who take on Ballygunner in the S.H.C. on Saturday evening.

Any U-14 footballers interested in training for the county team should contact club runai Finn McCarthy as there are Saturday morning coaching sessions ongoing. Our next meeting is on Thursday 2nd May in Tallow at 9pm.

# Coaching Scheme Notes

**WHITECHURCH N.S.** — A group of boys from sixth class focus on improving the "Jab-Lift" at last weeks coaching visit to this well organised National School in Ballinameela last week.

## YOUNG PROSPECTS SEEN LAST WEEK

**TOURANEENA N.S., Emma Gleeson, 11 years old, Rang 5** — Emma lives in Clonegogaile, Ballinamult. She is a tall active girl who like most sports and really enjoys the hurling sessions. She is a very pleasant girl who tries hard at everything she does. At last Mondays visit she was very impressive. She has been at some of Waterfords hurling games and her favourite hurler is Ken McGrath.

**MODELIGO N.S., Patrick O'Donovan, 11 years old, Rang 5** — Patrick is one of the lucky boys who is on the Primary Game Panel and has his big day in Semple Stadium on May 26th next before Waterford Senior hurlers play Cork, in the Primary Schools game v's Cork. He is an excellent hurler with good hands and a lovely strike from both sides. He lives in Carrigainn, Modeligo and he comes from a well-known sporting family in the area. He plays both codes for his school and club and his favourite hurler is Ken McGrath.

**BALLYMACARBRY N.S., Patrick Horkan, 10 years old, 4th Class** — Patrick is a very lively lad who has made good progress at the basic skills of furling over the past year. He lives in Graig na Gour. His Dad is from Mayo and his Mum is from Ballymac. Patrick was born in London and moved to Ireland two years ago. Likes most sports and he looked a good future prospect in the school field last Tuesday. Plays U-11's and his favourite hurler is Ken McGrath.

## MINI SEVENS AT ABBEYSIDE

St. Joseph's N.S. and Tallow N.S. were winners last Tuesday. A better balanced Dungarvan school beat the Thomas Ryan inspired Tallow School by the minimum margin. In Camogie, Tallow N.S. just survived against a gallant Fews N.S.

## PRIMARY GAME

Did you know only one player from each school is allowed in the Primary School team when they play Cork on 26th May. This would favour Corks tips as they would have stronger hurling schools than Waterford.

## MUNSTER MINOR HURLING CHAMPIONSHIP WATERFORD 0-12 CORK 0-12

Waterford had a draw with the rebels last Wednesday. As we wrote last week, Cork do not like Walsh Park. Now they are back home and confident. Waterford can win this game tonight, Wednesday, if everyone from the goalie to hurley carriers believes we can. Good luck lads.

## NEXT WEEKS COACHING PROGRAMME

Tuesday 7th Knockanore N.S., Wednesday May 8th Cappoquin Boys N.S., Thursday May 9th Clonea N.S., Friday May 10th Ballymacarbry N.S.

# Dungarvan G.A.A. Club Notes

## INTERMEDIATE HURLING LEAGUE

On Monday night last at Clogherane we were comprehensively beaten by Dunhill in what was our second outing of the Intermediate Hurling League. This was without doubt a most disappointing display and if we intend to make any inroads in the intermediate grade a major improvement is required to bridge the gulping standard that was evident between the two teams on Monday night last. Hopefully now we can pick ourselves up from this defeat and get our league campaign back on track.

## JUNIOR FOOTBALL

This Saturday night the 4th of May we play Ballyduff in our first game in the junior football league. This game takes place in Ballyduff and has a 7pm start.

## U-21 FOOTBALL

On Monday afternoon next the 6th May at Leamybrien we play Kilrossanty in the second round of the U-21 Football Championship. Having defeated Kilgobinet side in the first round, hopefully we can now progress even further in this competition and overcome what is sure to be a strong Kilrossanty Challenge. This game gets underway at 2:30 pm.

## RACE NIGHT

Tomorrow night, Thursday the 2nd of May, our race night takes place at the Parish Bar. A committee was set up a couple of months back to organise this event and trojan work has gone into making sure that it will be an enjoyable night for everyone. Response to the venture has been terrific and we would like to thank all those who have contributed in any way. So why not come along tomorrow night for what is bound to be a great nights craic and entertainment, and who knows maybe even win a few Euro.

## DEISE DEVELOPMENT DRAW

April's Deise Development Draw took place on Friday night last courtesy of the Shamrocks club. We had just one winner, Eddie Lenihan being the lucky recipient of 200 Euro. Once again we would like to thank all our very generous subscribers for their continued and loyal support of the draw. As ever it is very much appreciated, as the Deise Draw is a major fundraiser for the club.

## WATERFORD MINOR HURLING

Waterford minor hurling deservedly earned themselves a draw on Wednesday night last against Cork in the

first round of the Munster Minor Hurling Championship and can count themselves a little unfortunate not to have come away with a victory against the rebels. The replay takes place tonight Wednesday at Paire ui Caoimh, and we wish Club Player Shane Hayes who is selected to play at centre back, and all his team mates the very best of luck.

## SPEEDY RECOVERY

Our very valuable first aid lady Mary O'Donoghue required some first aid herself recently when she sustained a nasty hand injury. We wish many a speedy recovery and hope to see her back on the line again soon.

## MINI SEVENS

Our congratulations go to the lads in St. Joseph's who were successful in the western final of the Primary schools mini sevens competition.

They defeated Tallow N.S. in a thrilling final last week on a 4-2 to 4-1 scoreline. Hopefully they can go on to capture county honours this week when they contest the county final. The panel is David Moore, Tony Walsh, Neil Fitzgerald, Kenneth Moore, Karl Duggan, David Brophy, Cormac Curran, Sean Duggan, Luke Egan and Daniel Sheridan.

The next Committee meeting will be held in the Parish Hall on Thursday the 2nd of May 2002 at 8pm.

## UNDER-16 WESTERN FOOTBALL FINAL

Congratulations to our under 16 Footballers who on Sunday last at Cappoquin in very inclement weather and heavy conditions underfoot recorded a well deserved victory over Kilrossanty in the Western U16 Football Final. The early exchanges were very tense for both sides, with players finding it hard to settle. After 10 minutes Kilrossanty were awarded a penalty, which our keeper Declan Byrne saved superbly. This seemed to settle our players into their rhythm as we led by 2 points to 1 point playing with a strong wind. We added a further 3 points without reply. We played some excellent football up to halftime adding a further 1 goal and 6 points to Kilrossanty's 1 point leaving the half time score at 1 goal and 10 points to 2 points. Kilrossanty came out in the second half and scored 3 points without us replying. We were now playing into the very strong wind but soon mastered our passing and our movement off of the ball improved. The scoring of 2 goals by Ballinacourty really put the game beyond Kilrossanty. We were now playing some very good disciplined football and added another 2 goals and 3 points to run out deserving winners. It was a credit to both teams that this game was played in a very sporting manner despite the conditions. The Panel was as follows Declan Byrne, Cian Moloney, John Kindregan, Tiarnan Murray, Richie Foley, Joey Mullen (Captain), Shane Donnelly, Mark Fives, Patrick Hurney, Jason O'Brien, Mark Gorman,

Peter Phelan, Shane Delahunty, John Gorman, Brian Scanlon, Mark Ferncombe, Diarmuid O'Hare, John Cosgrave, Jason Reynolds, Seamus O'Donnell and Donnacha Enright. Scorers were as follows; Brian Scanlon 2 goals and one point, Patrick Hurney 2 goals, Peter Phelan 1 goal and 4 points, Mark Gorman 4 points, Mark Fives 2 points, Jason O'Brien 1 point and John Gorman 1 point. It was great to see the lads who were injured, Anthony Whelan and Darrell Ryan coming along to support the Team, hopefully they will be both fit for the County Final. Well done to all the lads and to the mentors Bernard O'Gorman, Jim O'Mahoney, Seamus Murray and Paudi Donnelly. We wish them all the very best in the County Final.

## U21 FOOTBALL CHAMPIONSHIP

Our under 21 Football Team play Clashmore in Fraher Field next Friday night at 7pm the 3rd of May in the under 21 Football Championship. We wish the lads and mentors the very best of luck. Mentors are Pat Moore, Neil Moore and Noel Fleming.

## COUNTY SENIOR HURLING LEAGUE

We traveled to Ballygunner last Saturday night to play them in the division three Hurling League and were delighted to come away with a brace of points. The game was played in atrocious conditions and great credit is due to both teams for serving up a complete hour of Hurling. Mind you given the rain that fell the Ballygunner pitch was still in excellent condition and this as well as their facilities would be the envy of many a Club. As always we got a warm welcome and we were obviously delighted with the win. The selectors were very pleased with the turn out, the commitment

and particularly the discipline shown in very difficult weather conditions. Each man who played gave 100%. None more so than Michael Fives who played an excellent first half at midfield and scored a spectacular goal, which helped us on our way. This was a good Team effort and gives us four points out of a possible six having been beaten by Mount Sion in our first outing. Training and fitness are paramount at this level so we would urge all players to continue to show for training. The panel who played was as follows: Michael Fives, John Phelan, Emmett Byrne, Sean "Hiker" McGrath, Cyril "The Nenagh" Bailey, Raymond Cliffe, Mick Collins, James Keohane, Gavin Breen, Alan "Chunky" Ryan, Shane Briggs, John Foley, Laurence Hurney, John Hurney, Richie Morrissey. The Substitutes that traveled on the night and were probably delighted not to get a run given the conditions were Pat Enright, Brian Hayes, Brendan Mansfield, Denis Byrne, David Cashin, Patrick Lynch and Joe Walsh. Both sides went out to hurl but the referee Dessie O'Leary did an excellent job in very difficult circumstances. Training continues at 7pm on Tuesday and Friday nights. Remember selector contact numbers are as follows in case you cannot make training. Michael Cosgrave at 087-7682068 or 058-45797, Mike Briggs at 087-6993827 or 051-331319 or 058-45101, Alan Ryan at 087-7995144 or last but not least Tom Whelan 058-45434.

## U14 LADIES FOOTBALL TEAM

Our U14 team got their season off to a winning start with 1 goal and 4 points to a one goal 1 and 3 points win over the Ard Scoil in a recent friendly. Having built up a good lead in the first half

playing with a strong wind, the girls showed great determination in holding a strong Ard Scoil team in the second half. We wish Sarah Kiely a speedy recovery after being injured early in the match. Thanks to Mary Ashe for her help in arranging the match.

## U12 LADIES FOOTBALL TEAM

The under 12 panel had a very good friendly against Dungarvan last Saturday in very wet conditions. Well done to Bernie Kirwan and Rita and Kevin Preston for organising the matches on the day and our excellent referee Angeline Kiely.

## U14 & U12 LADIES FOOTBALL TRAINING

# 4th Rice Cup Win For Dungarvan C.B.S.

## DUNGARVAN CBS 7-10 CASHEL COMMUNITY SCHOOL 2-4

Dungarvan completed their section of the Rice Cup with full points, ahead of Cashel, Youghal, Midleton and Lismore, with a sparkling performance against Cashel Community School at Dungarvan club grounds last Friday. Dungarvan won the toss and played with the gale and took full advantage of the elements to lead by 6-10 to 0-0 at half time. Dungarvan took a firm grip of the game at midfield where the Abbeyside pair of Sean O'Hare and Eoin Brackett were in outstanding form and gave great supply of the ball to the forwards, who took full advantage to put the game beyond Cashel's reach by the break.

Dungarvan defended very well in the 2nd half and it was only in the final 15 minutes that Cashel began to make any headway when they scored 2-3.

Best for Dungarvan were Ger Dunphy at full back, Conor McGrath in defence in the 2nd half, Sean O'Hare, Eoin Brackett at midfield and John Harrington, Colin McGrath, Edward Walsh and Conor McGrath in attack.

Dungarvan CBS are now at the quarter final stage of this All Ireland competition and will be playing against either Thurles or Nenagh and will once again need to hit top form to have a chance of progressing.

Scorers Sean O'Hare (1-6) 1-5 frees, Edward Walsh 2-1, Colin McGrath 2-1, Conor McGrath 2-0, John Harrington 0-1, Evan Morrissey 0-1.

## LADIES FOOTBALL NEWS

# Waterford Continue Winning Sequence

**WATERFORD 5-8 MEATH 1-9**  
Waterford continued their winning sequence against Meath at Fraher Field. In under age and adult grade the Leinster side have never beaten Waterford and they never looked like winning this league encounter.

Considering the weather the Fraher Field was in very good condition and Waterford were a much improved side from the previous week. They won the toss and the line out showed 6 changes from the side that went under to Dublin. In came Natalie O'Connor Ciara Prendergast, Elaine Power in defence and Deirdre Nagle, Cleona O'Keeffe and Aoife Murphy in attack.

Perhaps the most significant switch of all was Mary O'Donnell moving to midfield where she controlled the game. Waterford en-

joyed the use of a strong breeze in the opening half and started slowly looking as if they lacked a bit of confidence. Mary O'Rourke landed a 32nd minute point and then Deirdre Nagle's drive was tipped over the bar by Meath keeper Lisa Donnelly.

Waterford were enjoying plenty of possession but weren't putting it on the scoreboard and Deirdre Nagle's second point left them 0-3 to 0-0 ahead after 15 minutes, a poor return from the possession they enjoyed.

Suddenly they clicked into gear and Cleona O'Keeffe

put Mary O'Rourke in for goal. Within 2 minutes they added a second goal, another O'Keeffe pass saw Aoife Murphy's drive parried by keeper Donnelly but she couldn't prevent it crossing the line. Waterford's wing back Elaine Power was having a fine game and although Meath's dangerous forward Jackie Shield moved to centre forward she didn't get any change out of Annelisa Crotty.

Mary O'Rourke put Waterford 10 points in front before wing forward Eimear Carroll opened Meath's account with a 22nd minute pointed free. Rebecca Hallahan kicked a great long range point and three minutes later she got on the end of a great Mary O'Donnell pass and hammered home a third goal. O'Donnell added a

point before Meath's Jackie Shield's cancelled this out and Waterford led 3-6 to 0-2 at the interval.

Meath needed a good start to the second half but it was Waterford who got it, Geraldine O'Ryan and Aoife Murphy linked up to find Rebecca Hallahan who duly crashed home the second goal.

Meath to their credit fought back and hit a good patch scoring 1-6 without reply, the goal a deflected effort from a lobbing free, Jackie Shields pointed 3 frees, Eimear Carroll and Grainne Nulty also added points.

Marie Hogan came on for Waterford and Julie Torpey broke upfield to shoot a point. By then Waterford had regained the initiative and it was no surprise when Mary O'Donnell got inside the Meath defence and placed her shot into the bottom left corner of the net. Keeper Nuala Hearne pulled off 2 great saves and Waterford ran out comfortable winners.

In fairness this was a big improvement, there was plenty of commitment, they played a decent brand of football and the strength of the panel was underlined. Next up is a quarter final in 2 weeks, possibly away to Clare. Waterford, Tipp division 1B, Dublin, Laois and Tyrone also qualify from 1A.

Waterford; N. Hearn, N. O'Connor, C. Prendergast, O. Butler, J. Torpey 0-1, A. Crotty, E. Power, M. O'Donnell 1-1, D. Breathnach, R. Hallahan 2-2, C. O'Keeffe, A. Murphy 1-0, D. Nagle 0-2, G. O'Ryan, M. O'Rourke 1-2, Sub Marie Hogan.

All of Waterford's scores came from play.

Last Friday night the April Draw was held at Knockanore and the main prize of 12000 Euro went to the Boys N.S. in Cappoquin. We congratulate them on their fine win. We had two modest winners of 100Euro each with Dave Cotter and Michael Hutchinson being the lucky ones. For those who are not yet in the Draw, tickets can be got from any Club member or from our Co-ordinator, Maurice Phelan.

## SENIOR HURLING

Our Senior Championship game against Tallow was postponed to next Sat. 4th May at 6.00 pm. in Fraher Field, Dungarvan. Our lads have been training hard for the past few weeks and are looking forward to the defence of our County Title. We expect to be in a position to field a full side on Sat. next and hope to see our loyal supporters out in strength at the Dungarvan venue.

## INTERMEDIATE HURLING

Last Sat evening at Jas.McGinn Park we played hosts to Abbeyside in the County League. However, we did not acquit ourselves

as well as we can and allowed our opponents a lot of freedom throughout the pitch. This is our first defeat in this League and we need to show more commitment if we hope to progress further. In the Championship, we meet Ferrybank next Sun. with a 7.00pm. start in Walsh Park. Hopefully, all of this Intermediate panel will be at the training sessions during the present week. Again, we look forward to seeing plenty of support at Walsh Park on Sun. evening.

## MINOR HURLING

With the County Minor team playing Cork in a Munster Championship replay in Cork on this Wed. 1st.May the local Minor Champi-

onship games have been postponed. We had three of our Minor team involved with the County panel in the drawn game last week and we wish them well in the replay. Our representatives are Damien Clifford, Tommy Power and Shane O'Sullivan. A win in this grade of hurling would give the County a good boost in advance of the Senior Championship game on 25th May.

## MEMBERSHIP FEES

Once again we take this opportunity to remind Club members that Michael Carroll is keen to receive membership fees from all those members who may have forgotten to pay him up to now.

## G.A.A. NOTES

WEEKEND  
FIXTURES

Refixed Senior Hurling Championships At Fraher Field  
The two deferred senior hurling championship matches involving Ballyduff (west) versus Ballyduff (east) and the Tallow/Ballygunner first round games will be played during the coming weeks at Fraher Field.

Also, over the coming weekend we have the under 21 football semi-finals in both grades. These have been re-arranged since their publication last week, at the request of the county GAC. This was to facilitate the county senior selectors who are preparing their side to play Clare in the Munster championships at Fraher Field on May 12th.

## WEDNESDAY REPLAY AT CORK

On Wednesday all roads will lead to Cork for the replay of the minor hurling championship first round at Pairc Ui Caoimh.

A full round of the club minor hurling championships in the "B" grade in the West was fixed for this Wednesday evening, but because of the replay in Cork, they have been deferred and will go back to the end of the schedule.

## UNDER-21 GAMES

Ballinacourty v. Clashmore — This will be played at Fraher Field on Friday evening and should be a close contest if each team plays to form. Clashmore had the advantage of a first round match which they won convincingly while Ballinacourty, who received a bye, have not been in action since last year.

Ballinacourty are minor county champions and may use a couple of the players, but minors rarely make an impact in the under 21 grade.

It will be a close tie, with Ballinacourty probably getting the better of things near the finish.

Nire v. Ardmore At Colligan — These clubs are certainly getting to know each other with so many meetings over the past year or so.

How the sides will fare against each other in this grade is anyone's guess, but my feeling is that having fared so very well at underage level in recent years, Ardmore might have what it takes to win through here.

## UNDER-21 "B" CHAMPIONSHIP

An Gaeltacht v. Shamrocks — This tie has been brought forward to Sunday and it will be played at THE Ardmore venue. The Gaeltacht team had a good first round victory but they may find the going a bit tough here against the stronger Shamrocks/Tallow combination.

Dungarvan v. Kilrossanty At Stradbally — Both clubs have won their first rounds senior championship ties and whether this indicates a change in their luck or an improvement in form in the higher grade is something we will have to wait and see.

This can be a splendid contest and may attract a crowd to the Stradbally venue as it will be the only match here on the Monday bank holiday. It is a tie that can go either way.

Great Display  
By Mt. Sion

## MOUNT SION 4-21, PASSAGE 2-6

A lot of people with hurling interests seem convinced that Mount Sion will end up county champions when the championship ends in September. After this display on Friday, that opinion was well strengthened and even at this early stage they look to be on course to achieve their 2002 ambition. They led by 2-9 to 1-3 at halftime and when top scorer Sean Ryan scored his third goal on the turn-over, the game as a contest was all over.

The game was featured by a tremendous performance of skilled hurling by Ken McGrath who was seen to be in top form.

Brian Green, playing very well at centre back in his first championship game for Mount Sion since his return from exile in the U.S.A., was carried off injured early in the second half and his colleague on the county panel, Michael White, also retired injured.

Retired county full back, Sean Cullinane made a mighty effort to stem the Mount Sion onslaught, but all to no avail.

Waterford Minor  
Hurlers In Exciting  
Draw With CorkWATERFORD 0-12  
CORK 0-12

A splendid display of skill and courage enabled this rather unfancied Waterford minor team to fight back and win a draw with Cork in the first round of the Munster minor hurling championship at Waksh Park on Wednesday evening last. Cork are the reigning All Ireland minor champions, but had an almost new team on the field. Nevertheless, they were hotly tipped to win here and to maintain their winning record against Waterford.

It went to the last few seconds before we drew, but in truth Waterford were a bit unlucky not to have won with the final point going over when it might just as well have gone under the crossbar.

A crowd of approximately 2000, with Waterford supporters in the majority, enjoyed the excitement to the full and as a result it is now expected that a big number

will travel in support to Pairc Ui Caoimh tonight (Wednesday) for the replay.

It was disappointing that WLR. did not give intermittent reports of the progress of the game. Hopefully this will be rectified tonight.

## PLAY

From the way in which the match developed, it was obvious that the Waterford plan was to take the game to Cork from the word go and the early success of the plan yielded four early scores that saw the home team lead by 0-4 to 0-1 after only 11 minutes. Cork recovered from the early shock and held Waterford scoreless for the next 20 minutes. The solidarity of the Waterford defence during the many Cork sorties was a major factor in keeping us in touch up to halftime when we trailed by 0-6 to 0-4.

## SECOND HALF

With both sides improving their game, the match developed into a rip-roaring contest which brought them level on no less than five oc-

casions. Right half back Kenny Stafford, who was magnificent by any standards, shot three great points from play and from frees and Cork's corner forward Richard Butler performed a like feat to the delight of the Cork contingent. The game was still level and in the balance with just a couple of minutes remaining when full forward Brendan Barry pointed for Cork from a free. It looked all up for Waterford then until substitute Bobby Landers pointed the score referred to above to 'square' the game and win a replay.

Eamon Walsh at full back was found to be in splendid form as were the three half-backs, Kenny Stafford, Shane Hayes and Aidan Kearney. Stephen Kavanagh and Liam Lawlor did well at centre field while Paul Kearney who scored 4 good points and John Heneghan were prominent in attack.

Overall it was a very good result for Waterford and while we realise the magnitude of

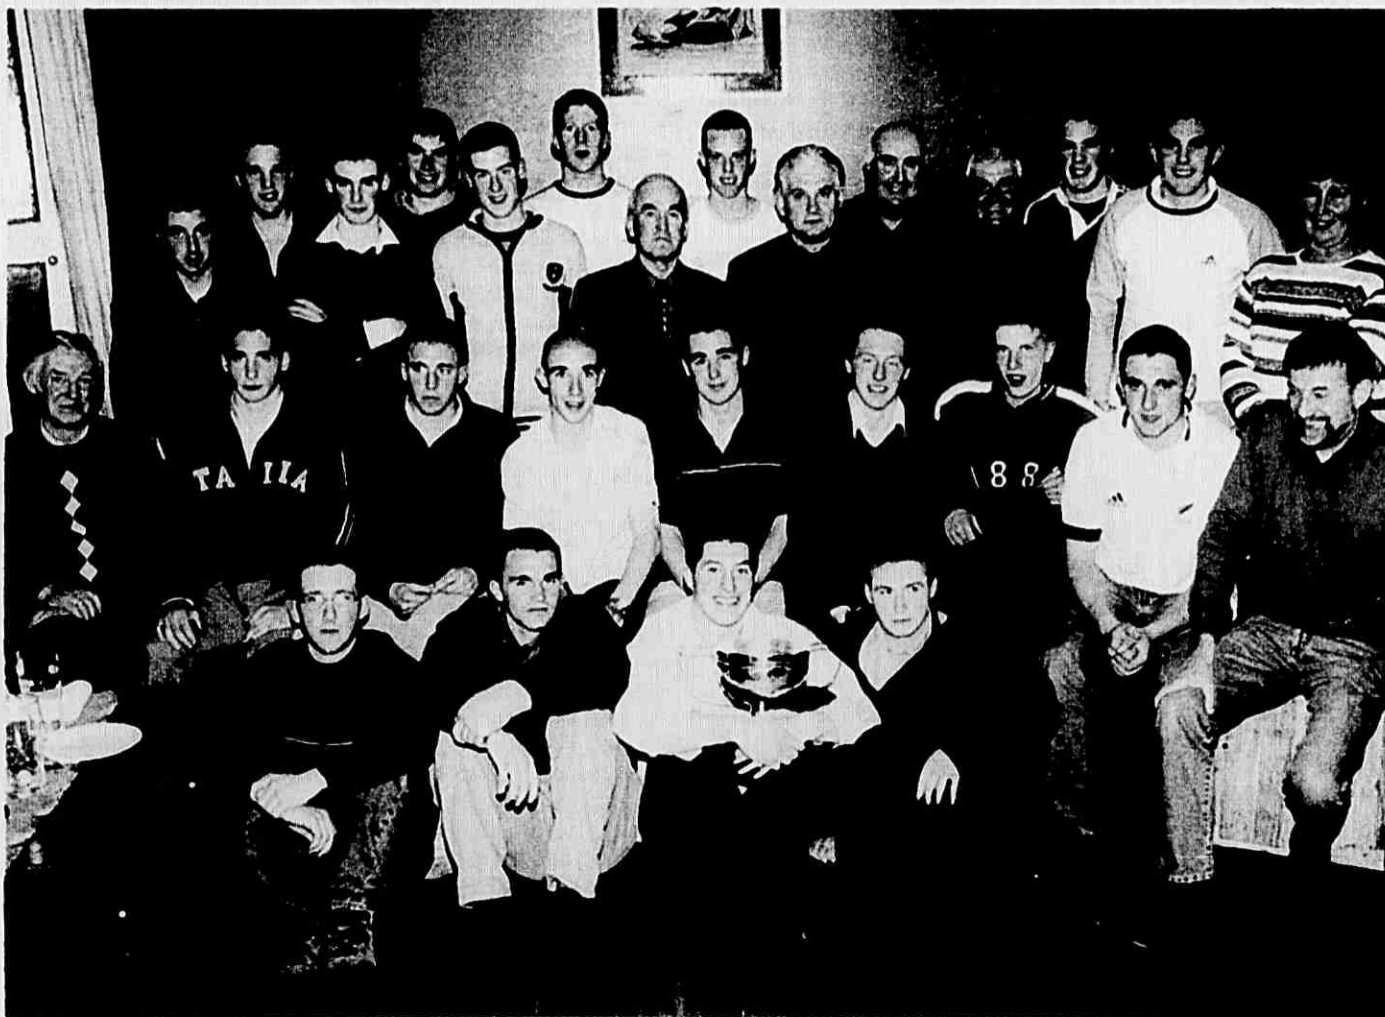

the task facing them when the go into the lion's den tonight, this young team must give us hope for the future.

Scorers — Waterford: K. Stafford 0-4, P. Kearney 0-4, B. Landers 0-2, S. Kavanagh and J. Quirke 0-1 each; Cork: M. Naughton 0-3, B. Barry 0-3, R. Butler 0-3, B. Ring, S. O'Sullivan and G. O'Loughlin 0-1 each.

Waterford — S. Kelly, M. Whelan, E. Walsh, M. Doherty, K. Stafford, S. Hayes, A. Kearney, S. Kavanagh, L. Lawlor, P. Kearney, T. Kearney S. Molumphy, D. Clifford, J. Quirke, J. Heneghan. Subs. T. Power, M. Barden, B. Landers, I. Flynn.

G.A.A. NOTES

BY "COMMENTATOR"

# No Shocks In Senior Hurling Championship First Rounds

And there were no surprises in the four matches played over the weekend. For all four the weather was unsuitable and in some cases it was terrible.

As the scores indicate, we had close and onesided games, Mount Sion having a run-away match with rank outsiders, Passage.

Roanmore edged their way home in a photo finish at Walsh Park, De La Salle came from far behind to catch Fourmilewater on the line for a dead heat and the last match of the four saw Lismore emerge winners against Stradbally in a contest with several unfriendly exchanges.

**LISMORE 3-13  
STRADBALLY 1-10**

It was tenacious hurling and there were quite a few stoppages while tempers were cooled and yellow cards waved, as the hot favourites Lismore had to make a mighty effort to shake off the challenge of their very determined opponents, Stradbally.

A very strong wind made good hurling difficult and that explains why there was not a lot of good hurling in the game. But just the same it was enjoyable, chiefly because the result was in doubt until going into the final ten minutes when only 3 points separated the teams. Facing the strong wind in the second half, Stradbally seemed to run out of steam in the final seven or eight minutes. Lismore, regarded as being one of the top three contenders, are now over the first hurdle, but this was not a perform-

ance that will enhance their prospects of being number one when it is all over. They can, and I am sure that they will improve.

As championship contenders, Stradbally can be rated among the top six but they must examine the folly or the wisdom of keeping up a battle to win both senior championships. The odds against them achieving something that happens only about once or twice in a century, are very long.

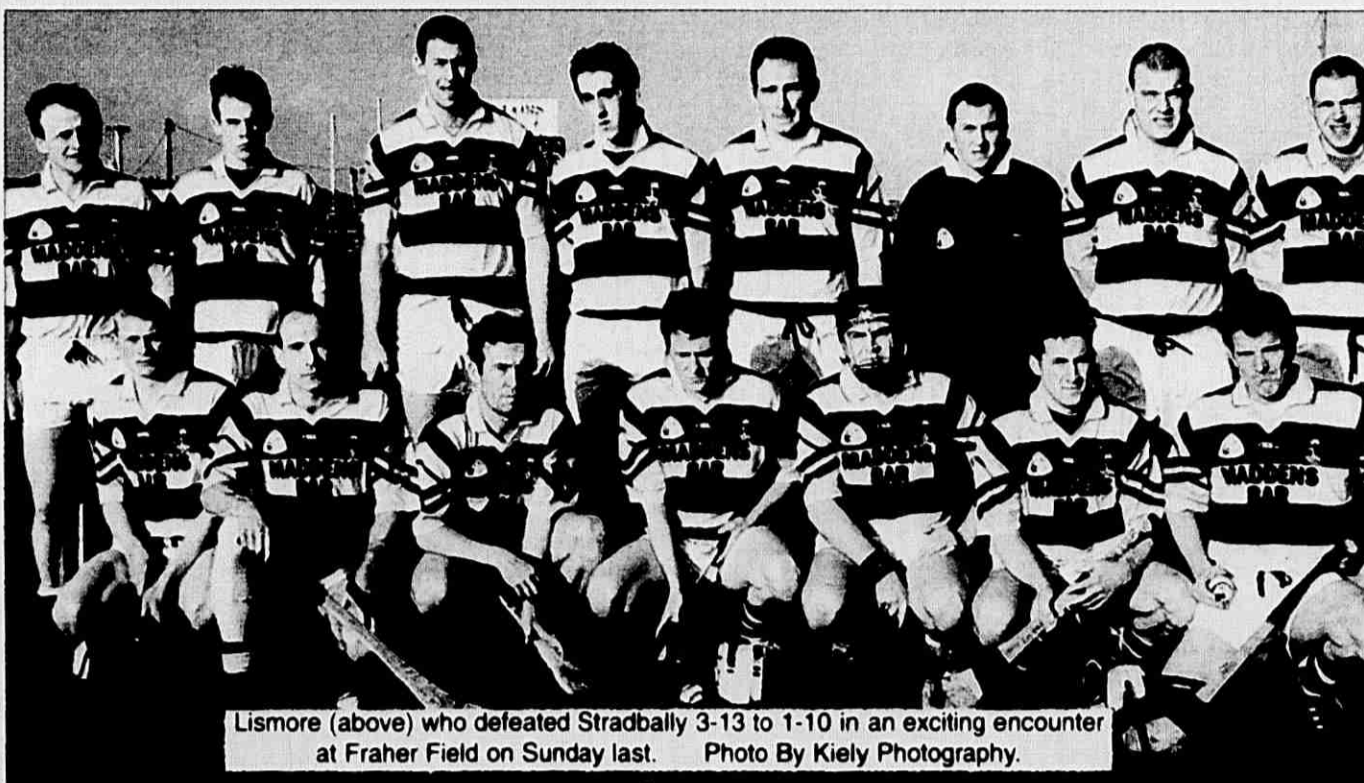

**PLAY**

Lismore had a 'whirlwind' start against the wind and after Dave Bennett pointed a free in the first minute, John Heneghan and Dan Shanahan added farther minors before Dave shot home the first goal of the match in the 6th minute. Six points up in six minutes against the wind should have knocked the will to fight out of the challengers, but it didn't.

Nial Curran pointed a Stradbally free in the 8th minute. John Heneghan had Lismore's second goal in the 11th minute to make it 2-4 to 0-1. Three points on the trot by Trevor Curran made it 2-4 to 0-4 with Stradbally beginning to get a grip on the game. Trevor Curran and John Heneghan exchanged points before Curran rifled over a further three points to leave the halftime score at 2-5 to 0-8 in favour of Lismore.

**SECOND HALF**

John Heneghan pointed in the 32st minute for Lismore but was followed by an immediate Stradbally attack which yielded a splendid

goal by Denis Doyle to bring the challengers within a single point of the favourites.

Dan Shanahan shot over a point and Stephen Cunningham brought one back for Stradbally. Following this the score that seemed to kill off the challenge came in the form of a goal by Sean Daly who was now beginning to make his presence felt in the game.

With 12 minutes remaining, Trevor Curran shot Stradbally's final point. They continued to press but to no avail as Lismore added on scores per Barney Prendergast (2), Dave Howard and Dave Bennett (2) to give the favourites a hard earned but deserved victory.

Scorers — Lismore: D. Bennett 1-5, J. Heneghan 1-3, S. Daly 1-0, S. Prendergast 0-2, D. Shanahan 0-2, D. Howard 0-1; Stradbally: T. Curran 0-8, D. Doyle 1-0, N. Curran and S. Cunningham 0-1 each.

**Fourmilewater 0-10  
De La Salle 0-10**

Played in atrocious conditions at Fraher Field on Saturday evening when a rain storm made underfoot conditions almost impossible to play on, De La Salle came

from 0-1 to 0-8 behind to win a lucky draw with the outsiders, Fourmilewater, in round one of the S.H.C.

It was a game in which the influence of the weather was reflected in the scoring pattern. In the first half, Fourmilewater (last year's intermediate champions) scored 0-8 as against 0-1 for De La Salle. The second half saw the trend of play change round for the city side to score 0-9 as against 0-2 for Fourmilewater.

John Mullane for De La Salle with a late equalising point, brought his total for the game to 4 points and share top spot with team mate Brian Phelan, also on the county panel, and Fourmilewater's Shane Walsh.

The general consensus was that it would have been a pity to see either side lose on the night that was in it. They must now replay at the same venue.

Realistically it is a contest to find who proceeds through the winners section and who

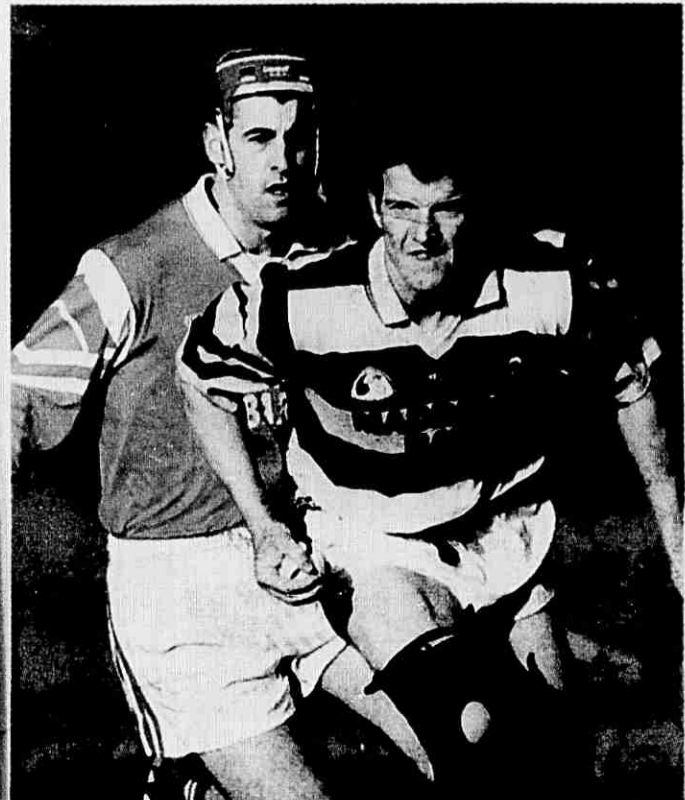

becomes a fellow traveller with the losers group. It is long odds against either club winning the title.

Scorers — Fourmilewater: S. Walsh 0-4, D. Spelman 0-3, L. Walsh, P. Walsh and T. Flynn 0-1 each; De La Salle: J. Mullane 0-2, B. Phelan 0-4, A. Kelly, D. McGrath 0-1 each.

Fourmilewater — E. Wall, R. Rice, A. Ryan, J. Walsh, J. Moore, I. Walsh, L. Walsh, P. Walsh, S. Cuddy, M. Walsh, G. Walsh, T. Flynn, S. Walsh, D. Spelman, E. O'Sullivan.

De La Salle — S. Brennar, S. O'Donovan, E. Dunphy, L. Casey, R. Farrell, D. Walsh, J. Walsh, A. Kelly, M. Moore, T. Partridge, F. O'Brien, B. Phelan, J. Mullane, L. Lawlor, M. Hayes. Substitute. D. McGrath, E. Power, K. Cushen; Ref. J.M. Kelly, Shamrocks.

**G.A.A. NOTES**

**BY "COMMENTATOR"**

**MINOR REPLAY**

The 'Evening Echo' on Thursday devoted almost two full pages to the drawn match at Walsh Park on the previous evening and the two writers did not seem one bit happy about the Cork teams performance. There were suggestions as to what should be done about improving minor hurling standards in Cork city, etc. There was genuine admiration for Waterford's display and particularly their defence, but the message which came across to the Cork minors was that they just must not lose the replay.

To beat Cork in Cork after a replay on our home territory is not going to be easy, but the confidence gained by our lads can mean a measure of improvement in our game up in the lion's den tonight. It is going to be difficult but not impossible.

**Western Club Leagues**

The weatherman gave an ugly welcome to the start of the Western Board leagues and despite all the planning, most of the fixtures scheduled for last weekend were washed out. A very well prepared schedule of matches in all three divisions have been circulated to all clubs and the football and hurling is organised on an alternating basis on weekends.

Next the football league commences and every club who entered will be engaged. Clubs will be required to release players who are needed for intercounty duty.

Division 1 Football, all on Saturdays 7.15 p.m. The first named team has home venue advantage — Stradbally v. Seana Phobal and Kilgobnet v. Affane.

Division 2 — Kilrossanty v. Modeligo and Ardmore v. Kilgobnet "B".

Division 2, "B" — (Saturday), 7.15 p.m.; Emmetts v. Brickeys and Ballinacourty v. Nire.

Division 3 — Sliabh gCua v. Nire "B" and Melleray v. Ballysaggart.

Minor hurling replay v. Cork In Paire Ui Caoimh tonight (Wednesday).

**Senior Hurling Championship**

**Ballyduff West v. Ballyduff East**

This game is scheduled for Fraher Field on this Thursday evening. It will be a contest in which the more experienced western team will be hoping to survive against their more youthful opponents who were the county intermediate champions two years ago and who seem to be making satisfactory progress with improving their standards.

I give the eastern club a big chance here.

**ALL-IRELAND ODDS**

Paddy Power Bookmakers have published the betting odds for the All Ireland as follows: 2/1 Kilkenny, 4/1 Cork, 11/2 Tipperary, 8/1 Limerick, 11/1 Clare, 11/2 Galway, 20/1 Waterford, 20/1 Offaly, 25/1 Wexford and you can name your own odds for the others.

**SENIOR FOOTBALL CHAMPIONSHIP**

**Kilrossanty Beat Favourites Rathgormack**

**KILROSSANTY 1-8 RATHGORMACK 0-8**

This deserved victory will prove to be a boost for the Comeragh club, who have not fared all that well over the past few years. Having fallen into arrears by double scores, 0-8 to 0-4 after 13 minutes of the second half, they showed character and great resilience in fighting back to take the lead and win.

A sideline ball kicked in from about 40 metres by Roger Power in the 51st minute was fisted to the Rathgormack net by Dermot Kiely for the only goal of the game and a score which turned out to be the decider in the end. It was unusual to see Rathgormack being held scoreless for the last 18 minutes of the game.

The game was a surprise fixture and was not listed on the Western papers.

**SCORING**

Rathgormack played with the strong breeze and had three early points from play before Kilrossanty settled. Vinny Murray opened in the 3rd. minute and this score was followed by two points kicked over by Frannie Halpin in the 9th. and 12th. minutes.

Corner forward Tom Kiely kicked over frees for Kilrossanty in the 14th and 18th. minutes and followed up with a splendid point from play in the 20th. minute to bring the scores level. The challengers were now defending splendidly with county full back Michael Fitzgerald in top form.

Roger Power kicked over a high point to give Kilrossanty the lead in the 22nd minute, but Rathgormack hit back for a 30th minute point by Joe Murray and in time added on, Eoin Clifford converted a '45' metre free to give them a narrow lead at the break 0-5 to 0-4 for Kilrossanty.

**SECOND HALF**

Facing into the strong breeze, Rathgormack repeated their early first half performance and again had three early points to leave them four points clear: 0-8 to 0-4 by the 13th minute. But amazingly they were not to score again during the game despite several attacking movements and a few near misses.

The last quarter saw Kil-

rossanty stage the fight back from double scores down to the losers group at this early stage of the championship.

Ed. Hogan had their first two and Victor O'Shea their third and final point before Kilrossanty took over.

Colin Dee, playing one of his best matches for Kilrossanty had their opening score which was a nice one from play in the 47th minute. Dermot and Tom Kiely added two more and brought Kilrossanty within a point of the leaders. Then came the Roger Power/Dermot Kiely goal in the 51st minute (1-7 to 0-8) and Colin Dee's second point in the 24th minute ended the scoring and Rathgormack's chance of victory.

Scorers: Kilrossanty — D. Kiely 1-3, T. Kiely 0-4, C. Dee 0-2, R. Power 0-1; Rathgormack — F. Halpin 0-2, E.

Hogan 0-2, V. Murray, V. O'Shea, J. Murray, E. Clifford 0-1 each.

Kilrossanty — A. Kirwan, J. Kirwan, M. Fitzgerald, P. Hayes, B. Lannon, M. Kiely, J. Veale, R. Power, B. Prendergast, K. Doyle, K. Keating, C. Dee, B. Kirwan, D. Kiely, T. Kiely, Sub. Jacko

Kiely.

Rathgormack — P. Fahy, M. Crotty, G. Power, D. Crotty, Dan Crotty, N. Murray, D. Hassett, R. Power, V. O'Shea, E. Hogan, V. Murray, J. Murray, F. Halpin, E. Clifford, P. Crotty, Sub. P. Power.

Referee: Pat "Tyler" Walsh.

**Senior Hurling Championship**

**TALLOW v. BALLYGUNNER**

This tie has a 6 p.m. start at Fraher Field on Saturday. It will be the first outing for the county champions since they went out of the All Ireland club championships at the semi-final stage.

Tallow have a young team with a lot of potential and lots of skill but Ballygunner, being aware of this, will take no chances and go all out from the start.

The champions should survive after a stern test.

## RESULTS

### Division 2A League Dungarvan United v Ballyduff

The Division 2A team received a walkover from Ballyduff who were unable to field a team on Sunday morning.

### Division 2B League

#### Railway Athletic 1; Dungarvan United 4

A fantastic 4-1 away win over near neighbours Railway Athletic kept the Division 2B team on course for league honours. A hat-trick by Nicky Donnelly and an O.G. by a Railway player saw us run out convincing winners. On Tuesday night this side entertained Kilmacthomas (result next week).

### Youth 'B' League

#### Bolton v Dungarvan United

This game did not go ahead despite both teams being on the pitch and ready to play as the appointed referee failed to turn up. This is not good enough from the referees society as we went to the trouble and expense of travelling to Waterford only to have to turn around and return home and will now have to travel at a future date.

### F.A.I. JUNIOR CUP

St. Michael's advanced to the F.A.I. Junior Cup final last Sunday with a 2-1 win over Ballynanty (Limerick). This is their second appearance in the final in the past three years and given that Peakevilla also reached the semi-final stage it shows the quality of clubs and standards in our F.A.I. Junior Cup region, of Waterford / Tipperary.

## FIXTURES

### Premier (Ardagh) Cup Bohemians v Dungarvan United

This game has already fallen victim to the weather twice so hopefully it will go ahead this weekend. At the moment the game is scheduled for Sunday but may be changed to Saturday.

### Division 2 (Infirmary) Cup

#### Crusaders v Dungarvan United (Sunday at 2.15 p.m.) Dungarvan United v Ballinroad (Tuesday at 6.30 p.m.)

The Division 2B team face a vital eight days that could make or break their season. Last Tuesday, 30th April they played Kilmacthomas in a league game and this Sunday they travel to Whitfield for a cup game against Crusaders where both teams will be looking for a place in the quarter finals. Then on Tuesday, 7th May they entertain league leaders Ballinroad at Kilrush Park in a game that could have a huge bearing on the destination of the league title.

### Youth 'B' League

Our youth team remain well in contention for league honours and their next game is at home to Bolton on Friday, 10th May at 6.30 p.m.

### VANDALISM RAISES ITS UGLY HEAD

After months of hard work by Dungarvan United Soccer Club to install their state of the art astro pitches its only taken a few weeks for some mindless morans to vandalise part of the project.

On Wednesday night last approximately 50 meters of steel cable was cut and stolen. This cable was a vital part of the dividing net that gave it stability on the ground. The astro pitches have been used for the last month by all sections of the community boys and girls from 5 years to more mature. So whoever did this crime will almost certainly know someone who used the facility. In an effort to prevent any other such occurrence the club will install security cameras, which is an added expense that the club could do without. They are also offering a reward of 500 to anyone who can provide information to the Gardai that would result in a conviction for this crime.

### JOHN O'KEEFFE

Congratulations to John O'Keeffe and the Waterford under 15 team that won the under 15 Inter-County Munster title in Cork recently. John is a very dedicated player who has made great progress under the guidance of Edwin Egan and our other coaches. With the proper attitude and commitment he can go on to win many more honours. We wish John and Waterford the best of luck when they go on to contest the All-Ireland series.

### TABLE QUIZ

A most successful table quiz was held in the clubhouse last Thursday night. There was 18 tables and everyone in attendance had a very enjoyable evening.

### UNDER 14 LEAGUE Abbeyside v Dungarvan Saturday, April 27th

## Blues Unlucky In Local Derby

Once again in the space of a couple of weeks we travelled to the home of Abbeyside to take on a solid under 14 unit. Of recent games at this level the home side had much the better of results, running up comfortable victories on a few occasions. It was felt by the players that it was about time that they try and break the spell that hung over them. And indeed they started in a very determined fashion, with Andrew Murphy putting the Blues ahead after 12 minutes with a fine finish following a great ball winning tackle from Finbarr Sexton. From here Dungarvan dictated the play only to let the home side back in after 20 minutes when the referee awarded them a very, very harsh penalty which was slotted away. From here the home side briefly raised their tails to add a second when their striker headed home from 6 yards. This failed to stop the Blues from having a go time after time. And they clearly relished it, when they went forward to put pressure on a creaky home defence. Alas time was not on the Blues side to grab an equaliser in a game where they clearly dominated for long periods.

Team: J. Corcoran, F. Sexton, K. Wall, R. Barton, C.R. Power, S. O'Hare, A. Murphy, S. Whelan, A. Norris, B. Foley, M. Murphy.  
Reserves: W. Flynn for A. Norris, B. O'Shea for K. Wall.

### UNDER 15 LEAGUE

#### Villa (B) v Dungarvan - Monday, 22nd April

For our last league game of the season we travelled the N25 to take on one of our bogey teams in the under 15 league. In reality we needed a win to finish as runners-up and things started brightly as the Blues created four clear chances in the opening attacks. The home side settled down to catch Dungarvan with a classic sucker punch when they scored on the break. From here the Blues became very scrappy, and Villa added a second to totally stun the Blues. Five minutes before the interval Villa added a third when some slack defending allowed them to slot away an easy chance. What was to happen in the second half was fairytale stuff. Within minutes of being introduced Ian Duggan, he coolly scored with a low drive from 12 yards. Soon after J. O'Keeffe converted a penalty after he was felled in the area. Andrew Murphy got in on the act to put us level, when he scored his first after 55 minutes. Villa took their turn to be stunned, as they completely lost their shape. J. Shaw added number 4 soon after, which was followed by Andrew Murphy's second and our fifth. Almost on full time Brian Foley added our sixth with a fine finish from 10 yards. Normally it is the team that gets the praise but on this occasion an individual gets

the vote. John O'Keeffe single handedly dragged us back into this game in the second half with his dogged persistence and skill down the left.

The team was: J. Reynolds, B. Scanlon, R. Barton, C. R. Power, J. P. Tutty, A. Murphy, J. Shaw, S. Whelan, J. O'Keeffe, M. O'Mahony, J. Cullinan, J. Regan, I. Duggan, B. Foley, K. Wall, M. Flynn.

### MUNSTER MEDAL

Congratulations to John O'Keeffe on winning a medal with the Waterford under 15 development squad in the Munster final. He played a big part in their semi-final win over Limerick, but he saved his best for the final, when he scored Waterford's second goal in a two nil win over the hot favourites Cork. From here they advance to an All-Ireland semi-final tie. Also well done to Keith Landers of Railway, who along with John did his bit for the County.

### KENNEDY CUP UNDER 12 DEVELOPMENT

On Thursday last the under 12 squad paid a visit to Kilrush to take part in a training stint on our new astro-turf. Under the guidance of Eoin Turbitt they all enjoyed a good workout. Karl Duggan, Corey Wall, Gavin Crotty, Michael Walsh, Barry Hamilton, from our club were part of the training session.

### SATURDAY TRAINING

Again last Saturday the academy training had to be cancelled due to the weather taking a turn for the worst. Although a few hardy souls turned up to train, they had to be sent away. Training will take place again next week on Saturday at 2.00 p.m. until 3.30 p.m. It will cost €1 and it is open to both boys

and girls from 6-10 years old. So come along and enjoy our wonderful facilities. Also any parent that wishes to help out with training can do so on the day. The following can provide any information as regards the Saturday Academy: Francis O'Brien 087-7769125, Edwin Egan 086-8736428, Thomas Sexton 087-6204954.

### LADIES UNDER 16

### FIXTURES

Saturday, 18th May - Ferrybank v Dungarvan Under 14 at 11.45 p.m.

Saturday, 25th May - Dungarvan v Ferrybank Under 14 at 11.45 p.m.

## Dungarvan Youth Notes

It was very disappointing to travel to Bolton on Friday night last to find Bolton ready for action and no referee present. The only good thing to come out of the trip was a trip to McDonalds which was right up Rio's street. We won't tell Abrakebabra!

Training on tonight Wednesday at 7 pm sharp so let's keep making the effort.

Moran has always been most helpful to our association and we wish them many, many more years as head of the Friary School. ## FEILE NA nGAEL FINAL

De La Salle earned the right to be Waterford's representatives in this years Feile Na Gael under 14 Hurling Festival, which will take place in Antrim in June.

At Fraher Field on Friday evening last they defeated Cappoquin on a scoreline of 2-2 to 0-3. Cappoquin enjoyed a fair measure of the play in this keenly contested final but their failure to pick off their scores from some good chances was to cost them victory. De La Salle started brightly. Justin English opened their account after 3 minutes with a point. Cappoquin's Daithi Wilkinson had the sides level 12 minutes later. Despite playing against a strong breeze De La Salle piled on the pressure. Jamie Coll got their first goal in the 17th minute when he finished to the net after a goalmouth scramble. One minute later De La Salle's team captain Kevin Deegan got his sides second goal. Paul Murray got the final score of the opening half with a long range point to leave the half time score 2-1 to 0-2 in favour of the winners. Strong Cappoquin pressure contained their opponents to one single point in the second half which was scored by full forward Craig Moloney. Stephen Power got Cappoquin's last and only score, when he directed his sides 35 metre free over the bar. Final score De La Salle 2-2 Cappoquin 0-3.

## INTERMEDIATE HURLING

There was a sense of disappointment in the dressing room in Fenor on Saturday evening when our Hurling Championship game with St. Saviours was called off at the last minute. However, referee Tim O'Byrne explained that there was no alternative as there was surface water on the pitch, after the very heavy rain. The game will probably be played in a few weeks. We play Colligan in the league in Kill on Friday week 10th May.

## CONGRATULATIONS

Well done to Kill hurler Andrew Power, Ballyvadden who won fourth prize of a thousand euro in last Friday nights Deise Draw. Here's hoping for further good fortune for our members in the future and perhaps the first prize of twelve thousand euro will come our way.

# WATERFORD CAMOGIE NOTES

## WATERFORD 1-6 CLARE 2-2

Waterford minor camogie players created their own piece of history on Saturday last when qualifying for the county's first Munster underage final defeating a fancied Clare outfit on a 1-6 to 2-2 scoreline. Played in driving wind and rain both teams served up a first class match giving the sparse crowd plenty to shout about.

With the wind advantage in the first half, Waterford took the game to their opponents and having gone close on a number of occasions finally took the lead after 6 minutes when Ciara Phelan took ad-

vantage of a goal mouth melee to drive the ball to the Clare net. This was followed shortly afterwards by points from Roisin Heylin and again Ciara Phelan. With Ciara coming more into the game and Waterford having to defend stoutly the home forwards were guilty of a number of easy misses when going for goal when points were there for the taking. They were made to pay in the 29th minute of the half when a rare mix-up in the Waterford defence allowed Clare through to score a goal leaving the half time Waterford score 1-2 Clare 1-0.

With the elements in their favour Clare started the sec-

ond half period in whirlwind fashion putting the Waterford defence under constant pressure and were rewarded after seven minutes when pointing from 30 yards. Waterford gradually regained the initiative and were rewarded with Aine Lyng pointing twice with classic scores on the run from 40 yards. Waterford were guilty of missed chances and were made to pay after 20 minutes when Clare again scored a scramble goal to leave the sides level. Moments later Ciara Phelan restored the home sides lead only for Clare to strike back immediately with a similar

score. With time running out and extra time seeming likely Ciara Phelan gained possession 25 yards out making no mistake to restore Waterford's one point lead. While the scorers will undoubtedly gain the headlines this was a resolute team performance with every girl a star and contributing to this memorable victory. Waterford must now face Limerick on Saturday next in Charleville, Cork in the Munster decider.

Waterford's junior's are busy finalising their preparations for their Munster semi-final clash with All Ireland Champions Tipperary on Monday next.

# Stradbally GAA Notes

## SENIOR HURLING

Last Sun. evening we played Lismore in the first round of the Championship. We played with a strong breeze in the first half, and despite a poor start, we improved immensely to be just three points behind at the break. Score Stradbally 9-8 Lismore 2-5. On the turnover we played much better and at one stage we came within one point of Lismore. However Lismores experience told in the end and they ran our fairly comprehensive winners on a scoreline of Stradbally 1-10 Lismore 3-13.

BY MARK PHILLIPS

## JOCKEY'S IN THE WAR

A number of riders picked up injuries last week. Champion Hurdle winning jockey Dean Gallagher was shifted to Leeds Hospital after suffering a neck injury following a chase fall at Wetherby. Norman Williamson was unlucky to break a leg on the opening day of the Punchestown Festival when the normally safe jumper Camden West gave the Co Cork born rider a crashing fall.

## WICKED CRACK RETIRES

Liam Queallys Wicked Crack is off to stud after finishing a remote fifth in the Heineken Cup at Punchestown. The daughter of Kings Ride was not herself for her Punchestown outing and is better judged on some of her winter efforts. She should make up into a nice brood mare.

## PUNCHESTOWN FESTIVAL

The Waterford owned and trained Ballyhampshire Boy ran an excellent race on the opening day of the festival. Producing a brilliant display of jumping Ballyhampshire Boy made a lot of the running in the Champion Novice Hurdle and Fairyhouse winner Scottish Memories had to work hard for his length and a half victory over "Ballyhampshire". If jumping fences with the same fluency as he jumps his hurdles Ballyhampshire Boy is certainly an exciting novice chase prospect who appears to act on any type of ground.

Florida Pearl on good ground and on a flat course is almost unbeatable up to three miles and he displayed his class on day two running away with the Heineken Gold Cup.

Like A Butterfly was a market drifter in the Champion Novice Hurdle and the mare after having every chance faded in the straight as Davenport Millennium appreciating the good ground powered clear for an easy success over Thari.

Dungarvan trainer John Kiely ran The Biker in the Bumper and this five year old ran a pleasing race to finish third of seventeen to Supreme Developer. The Biker is going the right way and is certainly an exciting prospect to look forward to when sent over hurdles..

Risk Of Thunder rattled off his seventh La Touche victory over the banks on Thursday and this thirteen year old will now enjoy a well earned retirement. If staying sound Moscow Flyer looks the one to beat in next years two mile Grade 1 races on both sides of the Irish sea as he produced an impressive performance in the Grade One novice chase. Winning his thirteenth race Limestone Lad under Paul Carberry looked as good as ever leading all the way in the three miles stayers hurdle. Young Abbesside rider Ian Power was on the mark guiding Lights And Music to victory in a Novice chase.

## THIS WEEKS FIXTURES

Thursday — Redcar, Southwell, Brighton.

Friday — Wexford 5.15, Musselburgh, Bangor, Folkestone, Sedgfield, Newmarket.

Saturday — Limerick 2.30, Haydock, Hereford, Hexham, Newmarket, Thirsk, Uttoxeter.

Sunday — Gowran Pk, 2.15, Navan 2.30

## LAST RACE OUTING

The thirteen year old Go Ballistic ran his last ever race when finishing unplaced in last Saturday's Attheraces Gold Cup at Sandown.

## TON UP PAUL

When Paul Carberry partnered his hundredth winner at Punchestown during the week he joined Charlie Swan as being the only other Irish jump jockey to ride one hundred winners in any one season. The County Meath jockey looks nailed on to capture his first leading rider title in this country when the season draws to a close next month.

## NO LUCK FOR MICK

Mick Kinane failed in his appeal last Friday to overturn the seven day riding ban issued by the Newmarket for his ride on Sahara Desert and so he must sit out next weeks Kentucky Derby and will miss out on riding at Newmarket. For his trouble Kinane also lost his £400 Sterling appeal fee.

## GUINEAS MEETING

Its Sagitta Guineas time this coming week-end where the Channel Four cameras cover racing on Friday, Saturday and Sunday. The 2000 Guineas is on Saturday and expect a great battle here between Hawkwing and King Of Happiness with hopefully the Aidan O'Brien trained Hawkwing coming out on top.

## WEXFORD ON FRIDAY

Wexford stage their first evening meeting of the year on Friday. There is a mixed card for patrons to enjoy while there is also a jackpot rollover of just under 11,000 Euro. The first race is set to go off at 5.15 and please leave in plenty of time as race goers can expect traffic delays in Waterford City and New Ross. The Culdee was a very easy winner at Clonmel over two miles last Sunday and if saddled once again by trainer Francie Flood could well prove the banker of the meeting with young Tom Queally expected to take the mount once again.

## GOWRAN PARK ON SUNDAY

Gowran Park also stage a mixed card on Sunday afternoon where the jackpot is boosted by a carryover of 2,825 Euro.

## POINT TO POINT FIXTURES

Saturday May 4th — Kilmoganny Foxhounds, Clonmel Racecourse, 2pm

Sunday May 5th — Muskerry Foxhounds, Dromohane, Mallow, Co Cork. 2pm

Monday May 6th — Muskerry Foxhounds, (Dawstown) Blarney, Co Cork. 2pm

## KENTUCKY DERBY ON RTE 2

RTE Network Two intend screening the Kentucky Derby live on next Saturday night with the half hour programme getting under way at 10.45pm.

## FOUR FOR DAVY

The televising of Racing from Sandown Park and the Heineken Cup Semi Final involving Munster com-

bined with the final day of the Punchestown racing Festival did little to boost the attendance at last Saturday's re arranged Waterford Point to Point fixture at Knockeen, Butlerstown. Davy Russell the East Cork rider was in fine form though at this fixture partnering the final four winners on the card.

## CLONMEL LAST SUNDAY

Heavy showers made for soft ground at Clonmel Races last Sunday where County Waterford apprentices Gordon Power and Tom Queally were among the winners. Gordon rode a long priced double in the opening two races on Biddy Blackhurst and Shoeless Joe both winners trained by his Curragh based gunvor Jim O Gorman.

Cappagh youngster Tom Queally had the mount on the well fancied The Culdee in the two mile flat race and this 7/4 favourite won as he liked and could well run up a sequence of victories off his current handicap mark.

Ballyduff Upper trainer PC O'Connor was on the mark in the Hunter Chase as his Pretty Young Thing caused a mild upset with a runaway victory under Mark Grant obliging at odds of 12/1.

## TOM RUDD RETIRES

National Hunt jockey Tom Rudd has decided to call it a day. Tom rode over one hundred and fifty winners in his career including Irish National and Galway Plate victories. It appears retirement was on his mind over the past couple of months probably after losing the ride on Knife Edge at Cheltenham when the horses trainer Michael O'Brien criticized the jockey for the ride he gave the gelding when the horse won at Naas. I would hate to ride a loser for the same Mr O'Brien. Knife Edge fell at Punchestown last week when behind the leaders. Owner JP McManus paid big money for this horse and must surely be losing patience with his investment at this stage. Perhaps a change of scenery might do the trick for Knife Edge and JP could do worse than send him over to John Joe O'Neill at Jackdaws Castle.

## VINNIES WINNER

The feature race at Sedgfield last Saturday was the Fosters Durham Handicap Chase with victory going to the Brian Ellison trained Fatealkhair the top weight being given a very polished ride by Vinnie Keane from Portlaw.

## PAUL TURNS PRO

Young jump jockey Paul Robson turned professional at Perth in the West of Scotland during the week and duly rode his first winner in the paid ranks last Saturday at Sedgfield.

## BOUNCE BACK FOR TONY

Tony McCoy rounded off the season in fine style at Sandown last Saturday when he produced 14/1 shot Bounce Back with a well timed run to outgun stable mate Dark Stranger in the closing stages of the Attheraces Gold Cup formerly known as the Whitbread. The first two home were trained by Martin Pipe and the runner up the enigmatic Dark Stranger who definitely has his own thoughts on racing was ridden by visiting Irish conditional jockey Danny Howard who is attached to the Arthur Moore yard.

## Cappoquin Are Crowned Premier Champions

### VALLEY RANGERS 0 CAPPOQUIN 3

Cappoquin bridged a ten year gap on Sunday last when they took the Premier League title. They needed a point away to their only remaining challengers Valley Rangers, to annex their second championship.

Their sense of purpose was evident early on as we viewed their intense warm up fifteen minutes before kick off. The game itself mirrored their season as they were out of the starting blocks quickly playing football as it should be played. With some lovely passing movements and intense tackling. Early pressure was rewarded when Cathal Gleeson won a corner in the 15th minute. Charlie Barry floated in a left corner and Tony O'Donnell rose majestically to head Cappoquin into the lead.

Valley were not about to give up without a fight and turned the heat up after this, but were unable to break down the Cappoquin defence which was marshalled by the experienced Micheál Walsh. Cappoquin continued to string the passes to-

gether and held possession for long periods and the remainder of the half played out without any further goals.

The second half was more of the same as the visitors piled on the pressure and grew in confidence.

On the 65th minute Cappoquin's centre back Martin Power broke out of defence and squared a beautiful ball to Darragh Wilkinson who volleyed to the net for a magnificent goal. The remainder of the game was played at a hectic pace with Valley coming close on a few occasions but Cappoquin had one more act to play and with two minutes remaining Wilkinson was felled 25 metres out. Opting to take it himself he struck a marvellous shot straight to the top corner, and the champagne came out. The day and the season belonged to Cappoquin. The final whistle was greeted with great scenes of excitement of joy as the champagne Cork's flew.

Chairman Paddy Pollard was generous in his praise of Cappoquin not just today but all season. "This comprehen-

sive championship win was won with a dedication and a professional approach that more of our clubs could do well to emulate", he said.

"If our league is to progress we need more clubs willing to make the sacrifice to social life etc. that was evident from Cappoquin all season". Today they played marvellous football and it was a great advert for our league" he continued.

Referee Maurice Condon joined in the fun after as he went about trying to track down the player that un-

corked the champagne bottle. Apparently the cork hit the referee. "I'm going to red card this", he was heard to say. The Cappoquin camp denied all knowledge of the incident as they closed ranks.

On a more serious note Cappoquin will be presented with the league trophy next Sunday after their home game against Ardmore. This will be a humdinger of a game as Ardmore attempt to avoid relegation. Cappoquin will want to party in style with a victory.

## Lismore Crush Gortroe

### LISMORE 6 GORTROE 0

Lismore had their first win in four games when they easily defeated an understrength Gortroe side in Lismore on Monday night last. This defeat will have Gortroe looking for a miracle to stay in the Premier League next season.

Goals by K. O'Gorman and Edward Pollard had Lismore leading 2-0 at the break. In the second half goals from Dave Howard, Aidan Roche, Sean Ormonde and Patrick Walsh lifts Lismore to 3rd place in the league table.

### LIAM FITZGERALD CUP SEMI FINALS

(SPONSORED BY DUNGARVAN INSURANCE LTD)

#### Cappoquin v Gortroe

Unless they have been celebrating too much (which is a real possibility). Cappoquin should win here. They have had little difficulty beating Gortroe three times already this season. They are keen to add to their league victory by retaining this trophy. Cappoquin to win.

#### Clashmore v Valley Rangers

Valley will find it difficult to rally the troops after their disappointment last week but they now have an opportunity to salvage something from the season. Clashmore will be up for this one and are no bad side. I predict an upset here, Clashmore to win.

### PREMIER LEAGUE

#### Cappoquin v Ardmore

Cappoquin will be in a party mood here as they are being presented with the trophy after this game. The game is vital for Ardmore as they simply must win to avoid relegation. Their meeting in the Cup went to penalties a few weeks back so there is nothing between the sides. Cappoquin will not want to spoil the party and they will not relax now. However Ardmore under pressure can beat anyone. Ardmore to win.

#### Valley v Castlebridge

Unbelievable as it may be Valley need points to be mathematically safe from relegation and Castlebridge are fighting for their lives. I think Castlebridge can upset the odds. Away win.

WITH THE LEADER SOCCER ROUND-UP

# Waterford Branch Manchester United Supporters Club

So we drew with the Germans of Leverkusen, defended poorly at times but hopefully by the time people read these notes we will be in the final. Everyone enjoyed the game not least the lucky few who had tickets and travelled. The atmosphere in the ground was nothing short of electric. Joe, Damien and Fintan tried a new hotel and by all accounts it was more like Fawltly Towers with Julian Clary as the night porter.

Kevin and John played safe and booked with the phone and somewhere recommended, not by the internet unlucky Damien.

There will be a general meeting on this Friday to return Hotel money from the Villa trip so if you travelled please be in attendance at 8 pm sharp in Lawlor's Hotel. This will be followed by a committee meeting.

Any member interested in joining the committee must apply in writing to Kevin Moore, 92 Childers Estate, Dungarvan, Co. Waterford before the end of the current season. To do so you must be in the club for the last three consecutive seasons. Anyone who wants to find out more about the club just phone the secretary at 086 3925677 and he will be happy to oblige.

## DECLAN KIELY PAINTING AND DECORATING TOURANEENA 5 K ROAD RACE

The 7th annual Touraneena 5k Road Race is being held on Bank Holiday Monday 3rd June. The race is the fourth of the Ger Wyley/Nike Summer Road Racing Series and is being sponsored for the second consecutive year by Declan Kiely Painting and Decorating Contractor. The race will cater for athletes and walkers of all standards. The walkers will get under way at 7:15 pm from the Sliabh gCua Community Centre while the athletes will commence from the back entrance to the grave yard at 7:30 pm.

The event is organised by the West Waterford Athletic club and the Touraneena Racquetball club. Every effort is being made to make this the biggest and best event in the race's life span. The entry fee is 5 euro for adults and 3 euro for under 16's. All participants will be treated to strawberries and ice cream at the post race presentations. Last year there was a special hot-spot prize for the 70th athlete over the 1.2 mile line and this year a guaranteed 50 euro hot-spot prize will also be on offer but it may not be for the 70th to cross the line.

The overall prizes are 100 euro, 50 euro, 25 euro for the first 3 men and women respectively. There will also be a crystal prize for the first finisher in each of the following groups: under 15, 20, 25, 30, 35, 40, 45, 50, 55, 60. There is also a crystal prize for the first local to finish and the first local Junior racquetball player (male and female). For the walkers there will be a special draw for sports vouchers. We encourage and welcome everyone to participate.

This year we will have an Inter-Firm's league which is been organised by the Racquetball club. The response to this has been amazing so far and it promises to be a massive event. To sponsor a team costs 20 euro and already the support from the business people and individuals from the locality and surrounding areas has been brilliant. The racquetball club will organise the athletes and walkers for the teams if the sponsor so wishes. For your 20 euro, you will sponsor a team, get your name printed on the list in the Dungarvan Leader every week leading up to the race and you will also get an advertisement in the race programme. If you want to sponsor a team just contact any of the following; Pat Dalton 058 47244, Eleanor Hickey 058 47313, Niamh Coffey 058 47211, Laurence McCarthy 058 47374 or Pat Keane at 087 6380649.

## Michael Roche Carpets Spring Series

The eighth annual Michael Roche Carpets Spring Series came to a conclusion with the fourth and final race in this year's series the Dungarvan 10k recently. The other three races in the series were the Colligan Cup, the Dungarvan Crystal 10k and the Tipperary Crystal Ballyduff 5 miles. Competition was

very keen in all of the divisions with a total of 32 athletes receiving prizes at the presentation, which took place at the Parrish Bar recently. Beginning with the mens the following were the category winners:

Under 30: Trevor Mason, James McGuire, Benny Flynn and Eamonn Crotty.

The Waterford Crystal sponsored Paddy Flanagan road race takes place this coming Saturday evening. This race is race number two in the Ger Wyley/Nike Summer Series and always proves to be one of the more popular of the ten race programme over the summer months. There are some

changes being made to this year's race, the entries will be taken at the Waterford Regional Sports Centre on the Cork road from 6.30 p.m. with the race getting under way at 7.30. ## Sligo 5K Road Race

THE third annual 'Streets of Sligo' 5k road race, in association with Sligo Weekender, takes place in Sligo Town on Saturday, May 11th.

Winner of the senior men's category in 2001 was well-known runner Greg Luke, a member of the Dublin Civil Service Club, while Mayo AC's established athlete, Ann Lennon, won the senior women's section. Indeed, Luke and Lennon retained the titles they had taken in 2000.

The swiftest participants in this year's 'Streets of Sligo 5k' may seek to break the winning times set last year, as race-winner Luke clocked a time of 16:02; Lennon completed the distance in 17:14.

This event also incorporates a walk along the same route, which begins at 7 p.m.

Commencing at 7.15 p.m. from Institute of Technology, Sligo, registration begins at 5.30 p.m. onwards in IT Sligo's Aula Maxima. Entry fee is 7 euro for adults

and 5 euro for walkers.

Light refreshments will be available at the finish line, with prizes for the top finishers in the 5k road race. Categories include senior men, senior women and veterans (male and female). Junior athletes are also encouraged to take part.

Four vouchers - each worth 50 euro - will be raffled amongst all the runners who don't win a prize. Everyone who completes the walk could win one of three food hampers in a special raffle.

Next month's popular event is being promoted by Sligo Weekender, the Sligo County Board of the Athletics Association of Ireland, Sligo Sport & Recreation Partnership, Sligo VEC, North Western Health Board and the Diabetes Federation of Ireland.

The Diabetes Federation of Ireland are involved for the first time, and will use the event to raise much needed funds.

## Youghal A.C. Best Club In East Cork

Youghal Athletic Club took the overall honours after Day 2 of the CMP sponsored East Cork Track & Field Championships at the CBS Grounds in Middleton on Sunday last. On a day of high winds and heavy hail showers Carrignavar Athletic Club, the holders of the Willie Harte Perpetual Trophy, had to settle for second place in the competition with Carrigtwohill Athletic Club taking third place.

For Youghal it was the culmination of a great year, having already won the Overall Trophy as the best Cross Country Club and the committee and athletes in Youghal can take great pride in their magnificent achievements. It was the second time in three years that they were winners having finished runners-up to Carrignavar by a single point last year.

A special word of thanks to CMP Dairy for their continued support of athletics in East Cork and especially to Barry Hill. Sponsorship is so important in sport today and I would ask all our athletes to support our sponsors CMP Dairy whenever possible.

I would like to thank the hard-working officers of the East Cork Board Chairman, Dan McCarthy, Secretary Maureen O'Connell and Treasurer William O'Mahoney for the dedication they have given over the last thirty years. We look forward to our next championship event which will be East Cork Cross Country in September.

year on Sunday 20th October, a week in advance of the Bank Holiday weekend, as this was found to be unsuitable for many qualifiers in previous years. Many thanks to the sponsors Failte House ([www.failtehouse.com](http://www.failtehouse.com)).

Don't forget to have your money in by May 8th for the National Strokeplay qualifying round which will be held in Ashgrove.

## COUNTY TRIALS

The County trials are continuing to go well for Jason Hackett who hit 13 gross and Mark McCarthy who scored 11 with Mike Daly also doing well on 8 under. All of this means we could have good representation on the County team for the first time.

## BAUMANN'S TOURNAMENT

Gale force winds and squally showers greeted the good number of players who took part in last Sunday's 36 hole single Strokeplay competition which was kindly sponsored by Baumann's Jewellers. The unseasonal weather took its toll on a lot of the players; some of whom opted out after one round. Those who braved the elements and played on were rewarded with first Nett going to Tommy Lenihan on 98 who seems to be hitting a bit of form lately. Adrian O'Shea who is playing regularly again got 2nd nett on 99. Mike Daly won the Gross on 107 which was a good score in the conditions with Thomas Maher doing well to get second on 110. The club would like to thank Baumann's for their continued sponsorship.

## BRIDIE DEE'S TOURNAMENT

We are asking for an upsurge in numbers for next Sunday's Fourball Stableford competition kindly sponsored by Bridie Dee's. The course at the moment is quite superb and with good competitions nearly every weekend there is no excuse for the recent fall off in numbers. Next Sunday's tee off will be between 9.45 am to 10.30 am. Names for the draw to be in the Clubhouse by 2 pm next Saturday.

— Shout Fore.

## SUPERB WEEK-END FOR DERMOT WALSH WINNER OF THE MCCARTHY CUP BY THREE STROKES

Golfing conditions were extremely difficult on Saturday and Sunday but that did not deter Dermot, playing off a handicap of six from producing back to back wins over both days. In tenth he was head and shoulders above anybody else in a week end he will savor. In extremely windy conditions, Dermot played brilliant golf in the McCarthy cup and was just one over par after nine holes and his only bogey was on the par 4th 6th. A back nine of 41 shots ensured that he spread-eagled the field on a day many players took early shower after the 11th. Donal Williams (3) was just 2 over after 9 and he continued to play excellent golf after the turnover. A feature of that 9 was a birdie on the Par 4 15th. John Reynolds (2) won his second gross of the week-end with a 79 gross and this player is consistency itself over a long period.

## DERMOT WALSH WINS V PAR ON SATURDAY

This is a competition format we do not play very often, but it is interesting and good fun. Dermot (7) won 3 up but this score did not look on the cards after the first 9 when pars on the 2nd, 4th, 7th and 8th were offset by losses on 1,3,5 and 9 with one hole — the 6th drawn. Things did not look too good following a bogie on the 10th but back-to-back birdies on the 11th & 12th and a brilliant birdie on the final hole produced the score of 3 up. Tom Quinlan (12) was also level after nine and wins on 12, 14, & 17 and a loss on 15 meant he finished up 2 up and this score guaranteed second place in the competition. John Reynolds (2) won the gross and the feature of his round were birdies on the 8th and 9th and a superb eagle three on the par five 18th. Michael Flynn (5) won third prize with a score of -1

## WELL DONE DAVID

We send our congratulations to our club professional David Hayes who did us proud at the Irish P.G.A championship in Westport last weekend. In horrendous conditions David shot rounds of 71, 82, 71 for the shortened 54 hole competition, proving that he was up there with the best of them. Well done.

## WATERFORD TUESDAY 23rd APRIL DARKIES PRINCE RAN A CRACKER

The James Moore owned Darkies Prince (Vintage Prince-More Air Darkie) did the layers a major turn in the seventh race on this all graded card obliging at odds of 4/1 on his way to a fastest of night victory in an excellent 28.93. Marshalls Creek 2/1, Ducky Tex 11/10, Druids Rebellino 5/1 and Bawndaw Josie 5/2 all attracted support but having his second race Darkies Pride did well to shade the first bend from Marshalls Creek. Turning on the style down the back Darkies Prince eased his way clear of the pack coming home three and three quarter lengths clear of a running on Druids Rebellino.

Kielys Girl was backed into evens favouritism in the opening novice race but while Taghmon Slippy broke in front it was the Harry Boyle owned Boher Sue (Top Honcho-True Commet) 6/4 who took control of matters rounding the opening bend to shoot clear for an easy five lengths success over Dinan Breeze in 29.56.

6/4 shot Miss Ellen (He Knows-Miss Seskin) made a winning debut for owner Kevin O Sullivan and trainer Declan Byrne in the second race leading all the way in a pleasing 29.36. Leasing out of traps Miss Ellen was never in any subsequent danger holding at bay the challenge of Tail Black who tasted defeat by a length and three quarters.

The winner of a graded sprint Whole Truth (Toms The Best-Huggies Cry) did not go un backed obliging in 16.86. Denekas Dancer and Clondara Babe contested the early running up front but the Three Liars Syndicate owned and T Lawton trained Whole Truth 6/4 drove up the inside of this pair between the opening two bends to race on for a half a length win over a slightly unlucky in running Clondara Babe.

Only four runners went to traps for the fifth race and half the population of Enniscorthy and the surrounding areas were present to back the Deirdre Byrne owned Lifes Serene. This well bred daughter of Vintage Prince and Serene Lady went off as the favourite and starting well the favourite dominated from the outset cruising to an eight lengths victory over Lisheenoona Lad in a best ever 29.37.

Last Quest 6/4 to 4/6 was the best supported runner in the fifth and while the favourite matched strides with Atlanta Sue (Prince Of Tinrah-Glideaway Sue) to the penultimate turn it was at this point that the Seamus Hennessy and Seamus Phelan owned Atlanta Sue asserted her superiority this 3/1 shot staying on strongly to defeat the favourite by three and a half lengths in 29.74.

The sixth contest over 300 yards saw the Rose Doherty owned Runga Ranger (Come On Ranger-Come On Dot) 6/4 make a positive break from trap four to make every post a winning one dishing out a three and three quarter lengths beating to Capel Lass in a fast 16.38.

It was back to the standard trip for the eight race in which the punters rowed in with 6/4 shot Eyes A Beat-in. A number of the runners including the favourite were denied racing room early on as the greyhound drawn in trap five Tex Book darted in for the rails in the first fifty yards. The Stephen Motherway owned Light Travel (Spiral Nikita-Travelling Light) 3/1 avoided the early trouble however and cornering in front the Dungarvan entry was never going to lose out thereafter proving a length and a half to good for Eyes A Beat-in in 29.50.

The Catherine Redmond trained Bigwood Tyson (Powerful Flash-Lakeland Lucy) 6/4 made maximum use of his early pace to post a well deserved 29.04 trap to line victory in the ninth race. The vastly experienced Bigwood Tyson broke like a bullet to lead from Market Flight and Brykat Chantelle and while the latter was noted doing her best work in the closing stages the tightly railing Bigwood Tyson went on to triumph by two lengths.

The six runners had six bends to contend with in the concluding marathon and taking over in the lead off the first turn the Desna Hattemore trained Southlodge Candy (Come On Ranger-South Lodge Lady) the 6/4 joint favourite with Sawmill King duly ran riot over the opposition leading early on from Ballytinrah before inflicting an eleven lengths defeat on Sawmill King in 41.70.

## WATERFORD SATURDAY APRIL 27th DORAS CHARM EXCELLED

Last Saturday nights well attended benefit meeting in aid of Newbawn School featured the local qualifier of the Red Mills Breeders Trial stake over the testing six bend trip of 730 yards. Dundalk track maybe closed awaiting a new stadium but Greyhound owners in County Louth still continue to race their Greyhounds around the country. One such owner is Thomas McLoughlin and his two recent ventures to Waterford yielded two victories for his good staying bitch Doras Charm (Doras Champ-Miss Clone). Contesting the final of the Red Mills Breeders Cup Trial Stake Doras Charm the 5/4 favourite glided by the front running Fill Me In out of the third bend. Once in front this lady was not going to be denied and despite a strong finish by Ballintrane Gold Doras

Charm held firm to score by two and a half lengths in a fast 40.86.

The often placed Minglers Honcho (Top Honcho-Minglers Mist) owned by James Moore got off the mark in clear cut fashion taking the opening contest at odds of 6/4 in a swift 29.34. Shooting clear of the back on the run up Minglers Honcho was in pole position throughout cruising to an easy seven lengths victory over Tokio Rhythm.

Painter Profile (Nuke Painter-Gemmas Spark) ran out a 4/1 winner for Gorey owner Deirdre Byrne in the second event leading all the way in 29.76. Well in command at the halfway point Painter Profile was forced to shake off the unwanted attention of Frisky Fancy in the closing stages with just a short head separating the pair at the winning line in favour of Painter Profile. The runner up was promptly banned from further race activity by the stewards.

A winner of a 550 yard stake the previous week Blazing Nikita (Spiral Nikita-Rhincrew Chick) 3/1 displayed her versatility by switching back to two bends with the desired result scoring in 16.87. I am sure though winning owner Kevin Barry will agree that his good money spinner was a little fortunate to collect on this occasion as she trailed the field when the whole complexion of the race altered at the first bend. Ranch Crisis who was in front at that point hit the deck after losing his footing. While the chasing pack were forced to check Blazing Nikita raced through the field to win out by two lengths from Dillrock Denis in 16.87.

Former Waterford Inter County Hurling net minder Jimmy Power struck in the fourth event as he sent out the relatively inexperienced Calamity Jean (Top Honcho-Quare Season) 6/4 to victory for UK owner Clifford Briggs. Lough Honcho and Calamity Jean broke in unison and despite her lack of race outings Calamity Jean was clever enough to duck back in for the rails at the entrance to the back stretch as Lough Honcho moved off the turn. A great buckle ensued between this pair with Calamity Jean proving the stronger in the closing stages by a length in 29.46.

In the fifth contest Rossa Blue 3/1 and Zip 6/4 dominated proceedings from the outset. Using his rails draw the Patrick J and Pat Maguire owned Rossa Blue (Top Honcho-Merry Bluebell) turned the first bend in front and despite the constant presence of Zip the Bernard Gould handled Rossa Blue kept on in fine style to win out by half a length. The well bred winner is a half brother to last years Aer Rianta Munster Oaks winner Bluebell Queen.

Narabane Dancer 6/4 was the choice of the punters in the fifth race but a slow start hindered this ladies chance of outright victory. Pine Gift the early leader gave way to Walter Walsh's Kellsboro Pest (Spiral Nikita-Proud Roslea) 3/1 on the back stretch and just as the leader appeared all set for an easy win Narabane Dancer finished with a flourish only to go down by half a length to Kellsboro Pest who was posting back to back victories in a career best 29.48.

In a competitive seventh race Dunkitt broke in front from trap two but on reaching the opening turn the leader was badly impeded by the rails seeking On Stage Jim. Owned by Colette and Paula Hoban 4/1 shot On Stage Jim (Mountleader Peer-Alias Stage) forged four lengths clear down the back stretch from the chasing pack. A poorly drawn Farloe Style (T6) was noted putting in his best work in the closing stages but his late rally failed by a short head to overhaul On Stage Jim who scored in 29.54.

Favourite backers chose the right one in the ninth contest with victory going to the Gerard Healy owned and Damain Quigley trained Cooly Merson (Droopys Merson-Cooly Promise) who justified odds of 5/4 in a fast 28.99. Driving into the first bend Cooly Merson did well to head a challenging Captain Mackey over the opening two bends. The strong running Cooly Merson continued to lead for the duration of this contest and despite a fine staying effort by the slow starting Mars Nikita Cooly Merson went on to score by two lengths.

The "bumper" was decided over six bends which saw the Bill Doyle owned Sudden Moment (Metric Prince-Citiquen) come from the next parish to score in 41.74. Rhiannas Rebel cut an early dash over the 5/4 favourite Peter Come On and Sparta Dick but Sudden Moment caught this trio off guard with a flying finish up the fence which carried the Model County entry to a two lengths win over Sparta Dick.

## ST. DECLAN'S COMMUNITY COLLEGE NOTES

SCHOOLGIRLS SOCCER:  
UNDER 13 MUNSTER CUP FINAL

# ST. DECLANS v. COLAISTE ENNIS

St. Declan's took on defending champions Colaiste Ennis on Friday afternoon last in Ozier Park to decide the U/13 Munster Cup Champions of 2002. Ozier Park was in splendid condition, testament to the great work that grounds man Tom Murphy puts in. It was a fitting venue for an occasion such as this.

In a competitive and entertaining game, it was the challengers St. Declan's who were the better side throughout, and were thoroughly deserving winners at the final whistle.

From the very early stages of the opening half, St. Declan's seemed to be getting the upper hand. The central midfield pairing of Alice Moore and Amy McGrath were dictating things in midfield, and linked up well with Rebecca Power and the left wing and Caoimhe Downey on the right. Kerry Dunphy and Dorothy Carroll both worked tirelessly up front to create openings, and came close to scoring on numerous occasions. It was impressive goalkeeping and some timely tacklers, most notably by Irish Schools U/15 Captain Lillian O'Brien, which kept St. Declan's at bay. Colaiste Ennis themselves regularly had the ball in the St. Declan's half but could not dent the rock-solid defence of Lynn-Marie Grant, Siobhan O'Reilly, Julia Kirwan and Claire Hartley. Laura Corcoran, the St. Declan's keeper, dealt confidently with speculative long balls from midfield by Colaiste Ennis.

The Ennis team came out all guns firing in the second half. Lillian O'Brien was moved up front and within two minutes they had their one and only real chance of scoring, with O'Brien's effort going just over the bar. This was the wake-up call the St. Declan's needed, and for the remainder of the second half they played some delightful football.

Caoimhe Downey was having a 'blinder'. Her pace and skill, and the quality of her crosses into the box, were all causing havoc for the Ennis defence. Kerry Dunphy was also having her best spell in the match. Her link-up play, especially with the industrious Dorothy Carroll, was excellent, and her accurate shooting was a constant threat. It was one of these shots by Kerry Dunphy that gave St. Declan's the lead mid way through the half. The goalkeeper failed to hold the ball and it crossed the line before it could be secured. The game opened up more after that. St. Declan's were moving the ball more quickly, and the one and two-touch football played at this time was marvellous to watch. The silky skills of Alice Moore caught the eye on many occasions, and her dribbling and distribution were of the highest standard. Her team mate in midfield, Amy McGrath, was a tower of strength. Amy's abili-

ty to break up opposing play and provide effective ball distribution was invaluable. Kate Kirwan, Sarah Leahy and Sarah Corcoran all came on during the second half and continued the good work of those they replaced.

The St. Declan's defence reigned supreme in the second half, so much so that after the first five minutes of the half, keeper Laura Corcoran didn't touch the ball. The central defensive pair of Lynn-Marie Grant and Siobhan O'Reilly was outstanding. Nothing got by them, and when either of them ventured forward they linked up really well and with their team mates, Julia Kirwan excelled at left back, effectively snuffing out any threats by Ennis down that wing. At right back, Claire Hartley, and later Sarah Leahy, were more than a match for their opposite number.

At the final whistle, St. Declan's had achieved a memorable victory. It was a victory based on a great team performance, and a great team spirit. They have now qualified for the All-Ireland Semi-final, and will take on the Connaught Champions within the next two weeks. With continued commitment, and a bit of luck, they have a sporting chance of becoming the first St. Declan's team in the schools history to contest an All-Ireland Final.

Panel: L. Corcoran, C. Hartley, S. O'Reilly, L.M. Grant, J. Kirwan, C. Downey, A. Moore, A. McGrath, R. Power, K. Dunphy, D. Carroll, K. Kirwan, S. Leahy, S. Corcoran, M. Power, K. Power, P. Dee.

### JOEY VEALE

Congratulations to Joey Veale and the Waterford U-15 Soccer team who won the U-15 Inter-County Munster title in Cork recently. A fourth year student Joey is an excellent player who has a very bright future in the game. It capped a remarkable few days for Joey who also picked up an U-18 Munster Cup winners medal as a member of the St. Declan's school team.

### MACBETH

Our 5th year students travelled to Theatre Royal in Waterford last Friday to watch the Crooked House Theatre Company, Waterford production of 'Macbeth'. This company has an acknowledged reputation for its productions. The students remarked on some novel features. It was however, enjoyed by all.

### SEACHTAIN NA GAELIGE

St. Declan's once again were positive participants in this competition and earned themselves 2nd place overall in the county. The week added energy, and spirit to the Irish experience. This can only be a positive asset for the students.

Mark Prendergast of 5th year won the overall 'Best Essay' during this week of 'Seachtain na Gaeilge'. Well done!

### NEXT MONDAY

Monday May 6th from John Foley's, and every Monday thereafter, from Kilrush for a 6.30 pm start. Route: Lismore direction and back. Last Wednesday evening's Kilmolash spin passed off uneventfully, having survived the threat of heavy rain. There was a large group once again, and a lovely evening's cycling was had by one and all. Having completed four consecutive spins on this route, it has been lovely to see the increase in numbers from week to week, and many of our cyclists are now much fitter as a result. So, let's keep it going every Monday night through the summer. The route may vary slightly from week to week. Liam Lynch's strong pace was noted, despite this his first group spin of the year. Lots of solo training around Ardmore, no doubt.

### SATURDAY SPINNERS

Last Saturday's spin was made up as we went along, and despite threatening bad weather, the group had a lovely morning until about 5 miles from home, having discovered new territory beyond Tallow, uphill via Carrigeen, and along Kilcoran and Shean, before returning to familiar roads near Ballyduff. On the road were Philip Cleary, Kevin Forde, Tony Elsted, Eddie Moore, John Flynn, Ivan Power, Justin Coonan and Pdraig de Burca.

### SATURDAY SPINS FOR NEXT FOUR WEEKS

May 4th: Tallow, Killeagh, Youghal. 65 miles. It's probably a year or more since you've cycled this lovely route through Dungourney and Mogeely. Enjoy the rolling hills of East Cork. Don't forget that anyone who would like to cycle for 10, 15 or 20 miles can come along with us, and divert anywhere along the route. Lots of options: Cappelquin, Lismore, or further on.

May 11th Ballymacarbery, Kilmanahan, Knocklofty, Cahir (coffee). Return via Clonmel. 65 miles.

May 18th Mystery Spin.

Approx 40-50 miles, with a shorter 20-30 mile route. We have no designated route this week. There will be plenty opportunity for everyone to shout your preferred route. This spin is slightly shorter than usual, because our Club Tour (for cyclists throughout Munster) will be held on the following morning.

May 25th Carrick Clonmel. One of our favourites.

We are still taking suggestions for further leisure spin routes. Contact Kevin Forde, Philip Cleary or Eddie Moore.

### TOUR OF TIPPERARY

Four club members Eddie Moore, Pdraig de Burca, Ivan Power and Pat Scanlan made the journey to Clonmel last Sunday morning to take part in the Tour of Tipperary, hosted by Clonmel Cycling Club. These Club Tours bring together many leisure cyclists from most Munster clubs, including Carrick, Fermoy, Cork, Limerick, Kanturk, Lee Strand, Duhallow, Tralee, Banteer, Killarney, Kilorglin, Ennis, and Kenmare. The organization of this event was first class, and food and beverages were provided at the half-way point and upon our return to Clonmel. Unfortunately, the weather on the day was atrocious. We had sleety showers throughout the 60-mile event, and to add to the difficulties on the bike the strong winds gusted continuously throughout. This amounted to a really tough day in the saddle. The pace was set at about 17.5 average, and with 8 miles to go, the event was opened up as a mini-race. Pride of place on this occasion went to Eddie as he was the first Dungarvan man back to base to grab the doughnuts.

If you would be interested in participating in any other Club Leisure Tours it may be possible to organize a group to cycle together. Tours to think about would include: Limerick May 26th, Carrick on the June weekend (50 miles on Saturday, 75 on Sunday and 50 on Monday), Fermoy June 30th, Carrick August 11th, Clonmel again August 18th, Carrick September 15th, and of course our own tour on May 19th. Check in your Cycling Ireland handbook to see if there are any others that look interesting. Perhaps we could pick two or three, and space them out over the summer. Sunday mornings, usually 10am. Refreshments and showers provided. Munster Cycling Federation is providing gold, silver and bronze medals for cyclists who participate in 10, 7 and 5 events respectively.

Meanwhile, back on home ground a solid group headed off around Ballyduff on their usual Sunday morning spin. Included were Tony Elsted,

Francis Barry, Seamus Connolly, Vincent Feeney, Henry Crowley, Mark Flavin and Paddy Power. Wind conditions were equally tough around West Waterford, but blew the riders home with a strong tailwind.

### DUNGARVAN CREDIT UNION LEISURE TOUR

Our leisure tour for 2002 will take place on Sunday May 19th. Sign-on will be at the Park Hotel from 9:15 onwards, and the spin will roll out at 10am. We are very grateful to the Flynn Family at the Park Hotel, who have put their facilities (including showers) at our disposal. We will be using our familiar route of recent years along the coast road to Bunmahon, Kill, Kilmeaden, and heading back through the village prior to turning north to Carrick, and home via Mahon Bridge and Leamybrien. Total distance 60 miles. Once again there will be a 15-mile and a 30-mile option on the day. Refreshments will be served at approx 30 miles, and again at the Park Hotel upon return. This tour was very highly commended last year, primarily because we succeeded in our aim to keep the pace to between 15 and 16 mph. Many of the regular Munster cyclists who participate in these tours have complained that some clubs allow their Club Tour to develop into a race, and we are happy to inform people that this will not happen. Remember the date...Sunday May 19th, 10am, Park Hotel

### RING OF KERRY CHARITY TOUR

Do you fancy cycling the famous Ring of Kerry this summer? This event is being organized for Saturday July 6th commencing at 8am. It is a charity tour, and cyclists are asked to raise funds or make a contribution on the day. It is an "ultra" event, similar to the Wicklow 200k, and is for cyclists who have long endurance capabilities. There will be a shortened route for other participants on the day. Full details of the route, the specified charity and application details will be available from the organisers in the Kingdom within the next few weeks. Dungarvan Credit Union cycling club is arranging an overnight stay in Killarney on that weekend for cyclists and partners. Most likely, we will travel to Killarney on Friday night, and stay on for a social activities night on Saturday 6th upon completion of the event. Suggestions welcome. Contact any committee member. A few of our club stalwarts have participated in this event in recent years, and lived to tell the tale.

### RACING NEWS

Pride of place this week goes to our talented Under-

16 rider Eoin Whyte from Youghal. Competing in this category as an under-15 is a difficult task, but in Clonmel last week, young Eoin displayed his strength and talent as he finished in second place just a wheel behind the winner. Well done Eoin.

Elsewhere...An action packed weekend of racing took place in Stamullen, Co. Meath over the weekend of April 20-21st. The racing got under way on Saturday afternoon with the Brendan Carroll memorial. The race was held over 6 laps of a tough 5-mile circuit. Included in the 60 starters were two of Ireland's pro riders, Ciaran Power and David O'Loughlin along with Dungarvan Credit Union rider Pat Kenealy. The break went clear on the first lap and included the 2 pro riders. Half way through another small group moved clear of the bunch also. The race was won by Ciaran Power with Pat Kenealy coming home 16th.

The following day 7 races were held in the village catering for all categories. The Joey White

memorial was held over 6 laps of a 12-mile circuit that included a long steep climb on each lap. The circuit is to be used later in the year for the National Championships. A lot of the countries top rid-

ers took part, keen to race on the championship circuit. Dungarvan was again represented by Pat Kenealy. A break went clear on the first lap but it wasn't until the second lap that the 2 pros in the race made their moves and went clear, only Paul Griffen from Tralee could go with them. Behind, the race split under the pressure of the chase and all the climbing. Heading out on the last lap Pat Kenealy was well placed in the second group after the break but last time up the main climb the pace proved too much and he drifted back to the remains of the bunch. Ciaran Power won again to record a fine double. Pat Kenealy came in just behind the bunch doing well to finish such a tough race where less than half the field finished. This kind of racing is just right as he prepares for the FBD Milk Ras next month.

Also in action on Sunday in the Dungarvan Credit Union colours was Henry Crowley. The Pat Howard memorial was held over 4 laps of the same circuit. The race more or less stayed together until the end except for a small group that opened a gap coming into the finish. The race was won by Paudie O'Brien from Kanturk, while Henry Crowley finished safely in the main bunch.

## THE BALLYRAFTER CENTRE LTD. LISMORE

As expected the Spring Showjumping League Finals at the Ballyrafter Centre, Lismore provided a rare opportunity to see a host of stars in action. The Finals were once more a wonderful spectacle and despite the two-year break caused by FMD last year were straight back on form and not for a long time has so much promising talent been on view, both human and equine.

Every class was without exception a thriller and these coveted titles were fought out over the week-end in spectacular fashion. In the end the scene-stealers were Shane Breen taking the River Action Restaurant 5 Year Old and then the 1.30m Finals and one of the main highlights was watching Robert Splaine relegate his son Robbie to second place in the fascinating Cork Tack Room 1.20m Championship. Brothers Tholm and Stevie Keane had no rivalry in their household as they took a Final each, Stevie winning the superb Dungarvan Observer Starters Final and Tholm took the Kedrah House Stud 4 year-old Championship with Ronan Tynan's "Bootylicious". Jacinta Power returned to successfully defend her 2000 Sports Riders title and John Dunford kept the local riders to the fore in the Leisure Rider Final. Danish girl Andrea Masson, based in Kilkenny added an international touch when winning the 1.00m final and Richie Moloney who had been sponsored on his trip to the Spanish Sunshine Tour by Red Mills earlier in the year very appropriately won the feature €1,000 Red Mills 1.10m Championship.

Sunday's sunshine brought its own magic to the occasion and from the outset these championships promised compulsive viewing. 63 horses went to post for the Red Mills showdown with half this number successfully jumping the colourful and demanding course, including a shark in the water tray. However for the third round jump-off this was reduced to a more manageable 15. From fifth draw Richie Moloney rode his brother Eddie's "Jumbo Flight" with perfect judgement and 37.42 proved unbeatable. Robert Splaine came closest with Ronan Murphy's "Cavalier" mare "Royale Girl" in 39.86 and Eddie Moloney himself rode Joe O'Connell's Kiltorcan Rennie" into third in 40.37.

## BALLYDUFF WALKING CLUB

On Friday 19th of April Ballyduff Walking Club headed for Allihies on the Beara Peninsula for our long awaited week-end break.

Twenty three walkers in total travelled to West Cork by car, making various stops enroute in such places as Beal Na Blath, Glengarriff, and also at the select Adrigole craft shop where some pricey purchases were made!!

Even though the weather was not in our favour, spirits were high and boots were ready, with all determined to enjoy the Holiday.

On Saturday we did a sixteen mile walk which consisted of road and rough terrain, taking us in a circuitous route via Crow Head, Dursey and Garnish Point. Afterwards we enjoyed a wonderful meal and social evening locally.

Sunday, we took the ferry from Castletownbere to Bear Island where we did a six mile walk around the historic island. Some of the group, being of a mild disposition, cut this route short and returned to the local village of Rerrin. Meanwhile a core group of stalwarts, worthy of any polar expedition trav-

elled on braving the ferocious Atlantic conditions and lunched together, huddled in an abandoned Martello Tower overlooking the Western reaches of this outcrop of civilisation.

We would like to say a special word of thanks to Paddy Crowley who acted as guide for the weekend, Ann and Katie who organised the trip, and also those who did most of the Kitchen Duty for breakfasts, Jacqui, Jim, Marian, Dick and Fr. Cullinan.

Next walk will be Sunday next May 5th, when weather permitting we will go to the Knockmealdowns. Boots are essential for this walk, meeting at Ballyrafter at 1 pm.

## SYMPATHY

Sincere sympathy is extended to Eileen Casey, Toor, Ballyduff on the death of her mother Eileen Hegarty, Ballynoe and to Justin Flynn, Glencairn on the death of her father Florence McCarthy, Lismore. May they rest in peace.

## BALLYDUFF COMMUNITY GAMES

## BALLYDUFF ADULT GAA CLUB NOTES

The Senior hurlers will play Ballyduff Lower in the opening round of the championship on this Thursday night in Fraher Field, Dungarvan at 7.00 pm. This is a very important game for the club having been involved in a relegation battle last season to retain senior status. Victory on Thursday night would ease all those worries as well as securing a place in the championship quarter finals. The players have put in a big effort under team trainer Mossy Casey and his fellow selectors, Seamie Daly and Dave Barry. The team have played two league games winning both and also played a number of challenge games. We wish the team the best of luck. The next Senior Hurling league game is away

to Tallow on Saturday May 11th. The minor hurlers open their championship campaign on Wednesday next, May 8th when they play Dungarvan in Cappoquin at 7.00 pm. While on the following Wednesday they play Fourmilewater at the same venue.

Congratulations to Stephen Molumphy on winning an All-Ireland Colleges S.H. medal with St. Colman's, Fermoy (his second) on Sunday last and to Mairead Finn on winning an All-Ireland Colleges Camogie medal with Loretto, Fermoy recently. The Adult Footballers will open their divisional league campaign on this Saturday evening when they host Dungarvan in the field at 7.15 pm.

The Junior hurlers will open their league campaign at home to Tourin on Sunday May 12th at 11.30 am while they entertain Geraldine's on Friday May 31st at 7.30 pm. The other team in the group is Ardmore.

Congratulations to Tom Feeney on being awarded the TG4 Man of the Match award in the recent Waterford/Clare National Hurling league tie. Stephen Molumphy played on the Waterford Minor Hurling team which drew with Cork on Wednesday night last in Walsh Park. The club would

like to extend sympathy to Eileen Casey, Ml. Horgan, Tim Cogan, Bidy Quirke and Justine Flynn on recent family bereavements.

The numbers drawn in last Tuesday nights lotto draw were 2-4-27. There was no winner of the 4,300 jackpot. The 30 euro prizewinners were Casey Brothers, Ballygally, Glencairn; Lorraine Flynn, Aglish, Glencairn and Gerome Feeney, Garrynagoul, Ballyduff. Next weeks lotto draw on Tuesday night in Lindsey's Bar at 10.00 pm.

## BUTTERFLIES PLAYGROUP

It is almost that time of year again when the summer holidays are looming on the horizon and thoughts of long sunny days stretching endlessly before us capture our imaginations and gladden our hearts. It is also that time, as we approach the end of our very first year when we turn our attention to our toddlers in Butterflies Community Playgroup. A year, which we are delighted to report, has been a remarkable success to date. Happily, some of our younger butterflies will be returning to us in September next, however the older butterflies will be spreading their little wings in June and moving across the bridge to St. Michael's National School. They will be leaving the kind and capable hands of Paula Connolly only to be embraced by the equally kind

and capable hands of Maura O'Keefe. We have enjoyed their company enormously and on behalf of Paul and all committee members we would like to take this opportunity to wish them well in their first year of "big school". In order to build upon the successes of this year and provide the same excellent service for the year September 2002 - June 2003 we are now actively planning our projections for that period. Should you wish to enroll your child next September or if you know of someone who is interested in doing so, please contact Jean Hoffman (058-60967) before the 31st May 2002 as a correct estimate of numbers is vital at this stage for the continued success and proper planning of Butterflies Community Playgroup. We look forward to hearing from you and trust we can count on your continued support. Back again in June with further up-dates.

Back again in June with further up-dates.

## BALLYDUFF FOROIGE NOTES

On Sunday morning all members and leaders took part in an environmentally friendly fund raising "litter pick up" walk. The members and leaders walked all entry roads to end from the village picking up litter on their way. On behalf of the Foroige Club I would like to thank everybody for taking part on such a wet and cold day, and for all the people who sponsored us. Well done everybody!

### CHRYSALIS CREATIONS

Is the name of the company the artists Ruth Aherne and Maeve Tumulty are involved with. Ruth is a local girl from Rathquague and the eldest daughter of Mick and Margaret Ahearne. On viewing some of their paintings which can be seen on the walls of the Grand Hotel, Tramore, one could only say that this duo will certainly make a great name for themselves. It is nice to see young people having a go themselves. This pair will create you Mosaics, Murals, Textiles, Paint Effects, Sign Writing, Original writing and Sculpture as well as commercial and domestic and by the way heights are no bother to them as I have seen them myself climb 2 piece ladders. Maeve can be contacted on 087-9056925 and Ruth can be contacted on 087-2942281. If you have any of the above work to be done why not give the girls a call as they are only starting out. Remember their work can be seen on the exterior frontage of the Grand Hotel, Tramore. Well done girls.
