## Burgery Development Set For Late June Start

### KEVIN KIRRANE

An end of June target date has been set for work to start on the first phase of a multi-million residential, hotel and retail development in the Burgery, Dungarvan.

The project team behind the development are due to

have a series of meetings about the direction of the project, with an initial priority of constructing a retirement village.

The village which is to be made up of 25 single storey bungalows, 18 apartments, and a sixty-bed nursing

home, is to be tied in with the South Eastern Health Board.

News of the developments go ahead has been universally welcomed, and follows fears that the project had run into difficulties in recent weeks. Concerns had been raised for the future of the

project after it emerged that an appeal was made to An Bord Pleanála.

However, following discussions between members of the development team and the appellant a resolution to the technical detail involved in the appeal was found, and the appeal was subsequently withdrawn last week.

Cllr. Billy Kyne, who has been supportive of the development throughout the planning process confirmed that the project can now proceed.

"I always believed that the objection was to do with procedural detail that required clarification between the various parties involved. In my view it was not an objection in principal against the project."

## Official Opening Of Lismore Millennium Park

### KEVIN KIRRANE

A new focal attraction for the Heritage Town of Lismore, the town's Millennium Park, was officially opened at a ceremony on Tuesday last by Town Mayor, Davy Whelan.

The Park, which is located on Church Avenue on a one-acre site acquired by Waterford County Council on a long-term lease, was described by Mayor Whelan as a little oasis in the heart of the town.

"The Park owes its origin from a proposal first mooted by the Lismore MoChuda Development Group. This proposal was enthusiastically received by our own County Manager Donal Connolly, who made the necessary funding available to enable the project commence", he said.

"This park will add in no inconsiderable way to Lismore as a visitor attraction and to the wonderful work being done by our own Heritage Company", Mayor Whelan went on to say.

Completed at a cost of

€85,000, with €10,000 contributed towards this by the Lismore MoChuda Group, the park was designed by Area Engineer, Noel Healy and Town Clerk, Eric Flynn whose work the Town Mayor praised.

"As I look around this wonderful amenity, I am amazed at the number of features and detail that has been

Maurice Lenihan (1811-1895)

Maurice Lenihan was born in Waterford on 5 February 1811. He was educated at Saint Patrick's College, Carlow. His first job was as reporter with the Tipperary Free Press in 1831, and in 1833, he became editor of the Waterford Chronicle. Between 1841 and 1843 he was editor of the Limerick Reporter. Lenihan was friends with O'Connell, Shiel, Father Mathew, amongst other public figures. In 1844 O'Connell encouraged Lenihan to found the Tipperary Vindicator in Nenagh. Their aim was to advocate repeal and disestablishment. Five years later Lenihan bought the Limerick Reporter and amalgamated both papers under the two names. He was now living in Limerick. In 1866 he published his own work, entitled Limerick: Its History and Antiquities. Lenihan was elected Member of Royal Irish Academy in 1869 and also mayor of Limerick between 1883 and 1885. He died in Limerick on Christmas Day 1895.

## HOLY COMMUNION

On Saturday last the boys and girls of second class in Clashmore and Ballycurrane national school received their First Holy Communion in Clashmore Church. The weather was really kind to us and we enjoyed a day filled with sunshine. All looked beautiful and were excellent with each child participating in the ceremony. They were a credit to their parents and teachers. Fr. Maurice O' Gorman P.P. officiated at the ceremony and made the day very special for the children, to him and the choir, the altar servers, the sacristan, the flower arrangers, and everyone who helped in any way we say Thank you. Congratulations to the following communists:

Caoimhe Hynes, Seamus O' Neill, Eamonn Keevers, Richard Fitzgerald, Ronan Fitzgerald, Shaun Daly, Mairead Power, Kate Laffan.

Every good wish in life to each of you.

## TWINS UNITED AGAIN

A very special welcome to Kirsten Ledingham and her son Jack from New Zealand who is presently enjoying a holiday here with (proud Grandad) Tony. Kirsten joins her twin sister Jennifer who arrived earlier in the month. Hope you all have a lovely holiday.

## GO AHEAD FOR SCHOOL WARNING SIGNS

Ardmore councillor Tom Cronin has some very welcome news for Clashmore national school. Pupils and their very concerned parents and teachers this week. Following representation to Waterford County Council has been assured that amber and white lines will be painted on both sides of the approach roads, along with the familiar torched on road 'School Ahead' symbol of two children holding hands crossing the road, on the approach road to the school. It is hoped this will be done in the very near future. With a follow up of flashing amber lights in place at a later date, such developments are priority in this area before we have an accident on this very busy stretch of road.

## RECYCLING BINS IN CLASHMORE

Like all areas the people of Clashmore are well aware of the need to recycle and reduce landfill. Up to this, those wishing to deposit glass or cans in recycling bins had to travel out of the area. Now that has all changed. Recycling bins for clear and coloured glass and drink cans have been placed in an ideal site at Clashmore/Kinsalebeg GAA grounds car park in Clashmore. Cllr. Tom Cronin wishes to thank the club for making this site available for the recycling bins. This site offers ample parking and space to use the bins.

## COMMUNITY HALL

Two public meetings have been held in the Heritage Centre in Clashmore village over the past few weeks to explore the possibility of building a Community Sports Hall. Good crowds attended both meetings and the response to the idea is very positive. All are agreed that a Hall capable of holding sports such as Indoor Soccer, Indoor Hurling, Badminton, etc. as well as Irish Dancing, Plays & Drama would be a tremendous asset to the parish, particularly to our young boys & girls who really have no proper indoor facilities at the moment.

provided. The area of the Park is relatively small but the planning and the design of the park has been such that there will be something in it for everyone." Adding that the park's appeal lies in the fact that it is centrally located, but remains a "haven of tranquillity and solitude", Mayor Whelan went on to thank the council workforce

for their huge input. "The construction of the park was indeed unique in that it was constructed by the direct labour force of Waterford County Council. I would like to pay tribute to the Council workforce on their imagination, craftsmanship and indeed their ability in completing such a project, while at the same time looking after the other needs of this area", he

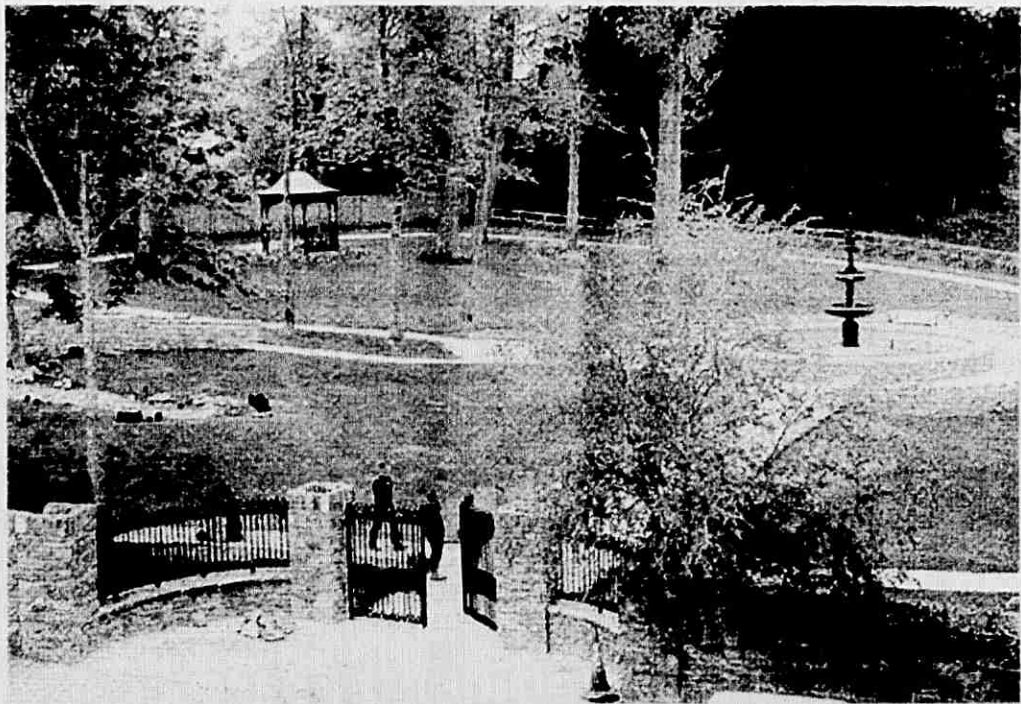

said. The central feature of the new park is a main water feature in the middle of a course. The feature is cast metal, has ornate figures on top of three bowls, forming a ripple effect into a main pool. Rings of water gushers are also provided in the pool itself along with underwater lighting. One of the most unique fea-

tures of the park is the location of an Ice House in the grounds. Following the lines of the historic structures, which have been discovered locally, the Ice House has decking, and lighting to allow the visitor to see the complexities of the building. Historically, Ice Houses, were built to store salmon caught in the local River Blackwater prior to export, and three have been found in the area.

Other features of the park are: a bridge and waterfall; a Gazebo of Victorian design and a ten foot tall Obelisk surrounded by seating and paving to commemorate the millennium.

Mayor Whelan, who was present along with other dignitaries including County Mayor Ollie Wilkinson and the Very Rev Dean William Beare, concluded the official opening by expressing the wish that the project will serve the town long into the future.

"Today we are opening a wonderful facility for the people of Lismore and surrounding area and it would be my wish that everyone who comes into this park would leave it as they found it and that this park will go on to serve the community for many generations to come."

# Burgery Development Set For Late June Start

CONTINUED FROM FRONT PAGE

He added that it was reasonable that the extra requirement looked for by the appellant was formally resolved and said the only way to do this was by raising a formal objection.

The Labour Councillor, went on to welcome the resolution and said that a development of the size of the one proposed for the Burgery would be a boost to the town after the delays surrounding the development of the Glanbia site.

The €50m development of the twenty-acre site, which would generate 250 jobs, was first proposed last October by Dan Lordan, a former Clonakilty Urban Councillor.

The lynchpin of the project, a 114-bedroom hotel, is due to begin construction before the end of the year and is also understood to have attracted the interest of an, as yet, undisclosed major hotel group.

It is also proposed for the site to be developed in two segments, with 127 low cost

starter homes for the affordable housing market included in the 133 house planning application. The low cost starter homes are all planned to be three bedroom and 900 sq metres in size.

The remaining 6 houses proposed, are single bedroom houses reserved for the elderly or the disabled, and in total, the residential aspect of the development would cover 10 acres of the site.

Also proposed in the planning application is a two storey, 8,000 sq ft neighbourhood commercial centre consisting of a grocery store, eight retail outlets, medical services and a drop in crèche.

## How Lepicol Can Help Maintain Healthy Bowels In A Comfortable, natural way

Busy, stressful lives and a diet low in fibre can often cause bloatedness, leading to irregular, sensitive bowels. This can manifest itself in long term sluggishness or looseness or even a combination of both. Lepicol contains special psyllium plant fibres in which, when added to water, form a soft gel, this can have a soothing effect on colon walls and help move unwanted matter through without straining or sudden urgency.

Keeping the bowels healthy on a day to day basis can be one of the most important steps you take to help maintain your overall health.

### CLEAN BOWELS

A good bacterial balance is important to help keep the bowels clean. That is why Lepicol contains natural FRUCTO-OLIGOSACCHARIDES (Prebiotics) which have been shown to promote a healthier colon flora and transit time, and Lactobacillus and bifidum bacteria (Probiotics).

### WHY TAKE LEPICOL?

The Lepicol formulation has been available since 1993 and it is now taken by thousands of people daily across the UK and Europe.

"Lepicol is in husk form which can be mixed with water or fruit juice".

### WHAT USERS SAY

Lepicol is excellent! The results are smooth healthy bowel movements! It's worth every penny! Mr. R. W. Northumbria. I would never be without this marvellous product. It is a really natural spring clean every day. Mr. H.C. N.Ireland.

Lepicol works wonderfully well, thank you for introducing this product and long may it continue to be successful. Mr. J. L. Dorset.

Life's wonderful since taking Lepicol. Last October I took a pot of Lepicol with me on holiday, and had the best holiday in years. It is a wonderful product. Mrs. E. P. Birmingham. I am now able to eat more normal food which I have shunned in the past. Mrs. J. D. Plymouth.

# JOURNEY THROUGH AFRICA

## The Victoria Falls

When you step off the train at Victoria Falls station you know you have arrived somewhere special. Facing you is the grand Victoria Falls Hotel, built in 1914 for the wealthy colonial settlers. The small town of Victoria Falls has grown almost entirely because of tourism.

The dramatic waterfalls and the exciting adventure sports attract tourists from all over the world. The money spent by the tourists provides an important income for local people.

Victoria Falls, one of the natural wonders of the world, is our first stop. After seeing the Zimbabwe side, you could cross the railway bridge to the Zambian side and see daring tourists doing bungee jumps 111 metres into the Zambezi Gorge below!

Back on firmer ground we visit the statue of the explorer David Livingstone, and learn how the falls were formed, before heading for adventure ourselves on the frothy white waters of the Zambezi.

## The Victoria Falls

Approaching the Victoria Falls you hear the almighty rumble of the cascading water and see plumes of spray dancing in the air, long before you arrive. It is easy to understand why the local people call the falls Mosi-oa-Tunya which means 'the smoke that thunders.' Livingstone gave them the name 'Victoria,' after Queen Victoria.

The falls stretch 1.7 kilometres across the Zambezi gorge and plunge 100 metres to the fierce water below causing a permanent mist with beautiful rainbows. The mist has provided enough moisture for a small forest to grow nearby. This forest of mahogany, ebony and fig trees is home to monkeys and small buck.

The forest and the falls are protected and lie within the boundaries of a national park. Tourists often spend several hours exploring the falls but they also get very wet from the spray! To stay dry you can always take a helicopter, aeroplane or microlight flight over the falls.

## THE ZAMBEZI RIVER

The Zambezi river is 2,700 kilometres long and flows from northern Zambia through Namibia, Botswana, Zimbabwe and Mozambique before entering the Indian Ocean.

The river is normally wide and slow, but after tumbling over the Victoria Falls into the Zambezi gorge it becomes wild and frothy as it rushes over rocks and bounces off the edges of the gorge.

These waters, known as rapids, are good for exciting outdoor sports like white-water rafting. Joining a group that has all the right equipment is the easiest and safest way to experience the rapids, which have been given such names as Big Eddy, Muncher, and Stairway to Heaven.

# ARDMORE TWINNING ASSOCIATION

On Thursday 12th April 2002 a lively group left Ardmore to visit their French neighbours in Le Pre d'Auge and Le Monceaux. After a pleasant flight from Cork they were warmly greeted by their host families. They were shown their homes and lifestyles. On Friday the ladies chose to help the

women, from whom they learned a few tips on French cooking, while the men visited the countryside. In the afternoon there was time for some shopping and visit the shrine of St. Theresa and the magnificent cathedral. In the evening the English arrived by coach and it was like meeting old friends. That

night they broke into small groups and enjoyed delicious and leisurely dinners with lots of wine and interesting conversation. The local market was the venue for Saturday morning. There, one could chose from a large selection of fruit, vegetables, meat, cheese, fish, clothes, household hardware, furni-

ture, poultry - dead or alive, and day old chicks, an amazing place. On Saturday evening everyone gathered at the village hall where a tree was planted in memory of Graham Wills, the coach driver who had passed away during the year. The hall was beautifully decorated and a great night was had by all.

On Sunday people attended Mass in the beautiful church of Le Pre d'Auge. The final hymn European de la Ixeme symphonie de Beethoven was a truly grand fianle. Some prayers, including the Lord's prayer, were read by Paddy Mac, chairman of the Ardmore twinning association. In the afternoon they visited the local manor where people dined in suitable fashion in the lovely dining room of the manor. Monday morning call all too soon and the visitor had to say goodbye to their most gracious hosts who did everything possible to make the visit to their village a most enjoyable and memorable one.

The journey to Paris was most pleasant. It's true what they say about Paris in spring - it's beautiful. Beds of pansies, forget - me - nots and tulips were everywhere. The weather was perfect and people enjoyed the sights and the shopping until their departure on Wednesday 17th April.

## Health Tips from "Remedies"

### Crataegus (Hawthorn)

**USES:** Heart tonic  
Hawthorn berries have been used for many years to improve the efficiency of the pumping action of the heart.  
**HOW IT WORKS** The precise mode of action is still unclear – although we do know that the plant doesn't contain digitalis-like compounds. Flavonoids found in Crataegus have been found to be able to improve the circulation of the heart, and to a lesser extent, the circulation of other parts of the body. Glycosides present are believed to increase the tone of the heart, improving the force of contraction whilst reducing the rate of contraction – in short, making the heart work more efficiently.

(NB – Let your doctor know if you are using Crataegus in addition to any other prescribed medication for the heart.)

# Election Countdown

With the general election countdown well and truly underway, the focus has been cast on the Waterford, which has been described

nationally as one of Ireland's most predictable constituencies.

However, with the retirement of outgoing Dungar-

van, Deputy Austin Deasy and the untimely death of the popular Workers Party candidate Martin O'Regan, the emergence of an unexpected candidate for the fourth seat is a possibility.

The results of the 1992 and 1997 polls show a strong support for Austin Deasy, with 7,723 first preferences in 1992 and 7,335 in 1997. His son, Cllr. John Deasy, is the expected recipient of the majority of this support but may have battle on his hands to retain Austin's support in the city in the face of vigorous campaigning from party colleague Maurice Cummins.

Fianna Fail Candidate Ollie Wilkinson is hoping to boost his vote over the 4,707 he achieved on his first time out. As County Mayor for the past year, Cllr. Wilkinson has raised his profile significantly and is hopeful of gaining a strong West Waterford support.

Martin Cullen is also expected to poll well after his five-year stint as Minister for State with responsibility for the OPW. The trend between 1992 and 1997 has shown growing support with 4,015 as a PD candidate in 1992 and a first preference of 5353 as a Fianna Fail member in 1997.

Brendan Kenneally's vote from 1992 to 1997 fell from 6,793 down to 5,971 but with the spread of votes going to a wider range of candidates he still polled second highest in the last general election.

Labour Deputy Brian O'Shea, meanwhile, topped the poll as part of the "Spring Tide" in 1992 but his vote fell substantially in the 1997 elections to 5271. However, he will be hopeful of gaining some of the 4139 first preferences cast for the Workers Party's Martin O'Regan.

Fourteen candidates have declared, just one more than 1997, with Sinn Fein's David Cullinane, Micheal Flynn of the PD's, Brendan McCann of the Greens and John Halligan of the Workers Party, Jimmy Kelly (Socialist Workers Party) Eddie Walsh (Independent) Declan Waters (Independent) and Conor Halpin (Independent) among those contesting the election.

For the full list of results and trends in the '92 and '97 elections see the tables.

# Minister Gives Progress Report On Two West Waterford Schools

Two West Waterford schools are included in a progress report, published recently by the Minister for Education and Science, Dr. Michael Woods, in response to a list of 112 schools deemed by the INTO to be substandard.

The plans for an amalgamated Cappoquin Convent and Boys National School have gone to tender, while the Dept. of Education is assessing an application for improved accommodation at Lismore National School.

"It is not possible to wipe out in the lifetime of one Government the cumulative deficit of generations and also deal with emerging needs for new schools and new facilities at the same time", Minister Woods said.

He went on to say the outgoing Government had grasped the nettle and increased spending on school buildings from €91.7 million in 1997 to €441 m (including PPP's).

However, the INTO criticised the progress report saying the list is "not worth the paper it is written on to many primary school buildings."

John Carr INTO General Secretary said the majority of schools listed are at initial stages of development and cannot expect their projects to advance in the near future.

"Where are the priorities out of all the schools named on the list?" he asked. "Schools are fed up with

being told they are on the list. That no longer carries weight. Schools want to know when, if ever, urgent necessary and critical work will be done on their schools."

But, Minister Woods defended the progress report, saying that many schools have received substantial funding to facilitate the building of new schools, to carry out refurbishment work and to purchase temporary accommodation.

"Records indicate that over €28m has been approved in grant-aid, mainly for those schools that have been taken off the list since 1996. In addition, each primary school receives an annual devolved grant which amounted to €3,809 plus €12.70 per pupil at an annual cost of €18m in 2001 and which has increased to €20m this year".

Fews National School in Kilmacthomas, which was highlighted as having substandard conditions at a meeting last week, has been approved grant aid for works to deal with health and safety issues as an interim measure, while the long-term accommodation needs are being assessed.

However, the INTO's John Carr said the measures taken do not match up to the delays in bringing them about.

"What does this list today tell teachers and pupils of Fews National School in Co. Waterford? Each day they

work in rooms, which a general election candidate, this week, described as 'one of the worst schools I was ever in', he said.

He said the INTO's assessment was that the list comprises examples of projects where no progress has been made and others where only minimal progress was made, adding the report will generate more heat than light among teachers.

Even though St. Marys were without some of their key players, they managed to hold Kilrossanty at bay. Outstanding performances by Paul Cummins, Deckie Veale and Jamie Burns as well as Tommy Dunphy's effort in the backline helped to secure a great victory. Keep up the good work lads.

## A Message from Ollie Wilkinson, Mayor of County Waterford

### To the people of Waterford Constituency City & County

On Friday you have the opportunity to make a difference. You can choose to make a change or to let things stay as they are. Waterford according to the press is "a boring contest - no change, same as before". Is that what you want? I do not think so. Why? Because you cannot be happy with issues like:—

- Radiotherapy in Waterford Regional Hospital
- Education - University of the South East and School extensions
- Infrastructure - Airport, Bridges and By-Pass development
- Law & Order on our streets and roads and Drug abuse troubling
- 3rd. World Immigrants

Where do I stand on these issues? Let me state my background and my position.

I am married to Bridget and we are blessed with a family of 10 children. I am not a millionaire - nor wish to be one. No one can tell me anything new about the problems of family and parenthood and living. From the cost of clothes and schoolbooks, of secondary and third level education, the worry for their safety, their health and welfare. The stress of putting together the deposit on a new home - then meeting the mortgage. My children and yours are going through it all. All families want the best for themselves and their loved ones and rightly so!!

So on these problems, this is where I stand.

- **THERAPY UNIT** - Cancer is the scourge of all our lives. Mags Kirwan's shock resignation from SECF continues to highlight this issue. The review body has

taken too long to report. It must be disbanded. Population projections for the South-East region justify siting the unit in Waterford forthwith. In any event, sick people being transported in a round trip of over 200 miles taking 7 hours at least of travel time cannot be justified on any basis.

I will move heaven and earth to deliver from a Fianna Fail Government a Radio Therapy unit in Waterford. On this I have been accused of breaking the party line. Where health is concerned there is only one line - the bottom line - save the patient! I make no threats - no empty boasts - just a straight commitment to follow this issue to the limit and to deliver this unit to Waterford. Those who know me know that what I say is what I mean.

- **EDUCATION** - Our own Institute of Technology is recognised as being in the foremost rank of excellence. But the Education Authority is attempting to "row-back" its devolved authority and restrict WIT in its natural development. But the Minister for Education may confer whatever powers he deems appropriate. This Act empowers the Minister to cut through the "red tape" and the begrudgery that would limit us. Why was it not done before this? Or demanded?

So I will ensure that the new Minister for Education in a FF Government will implement this power to finish what has been started and devolve all powers to award degrees at all levels to WIT.

- **INFRASTRUCTURE** - Clogged City streets, traffic jams, fumes and noise. Without infrastructure our City and County will stagnate, suffocate and die. The oral public hearing on the development of the second Bridge and By-Pass is actually being re-opened claiming that information received is "contradictory and unclear". This will delay everything even further. We cannot get such benefits "on other people's wounds", so as a TD and Mayor of the County I will convene a meeting of all parties (including Gracedieu residents and Butlerstown Action Groups whom I have met) with the officials of the County and City to resolve the outstanding problems and reach a compromise.

This will allow An Bord Pleanala to proceed with granting permission immediately.

- **WATERFORD AIRPORT** - Under-resourced and under-used. But Knock, Cork and Kerry airports, no problems with funding. This is scandalous. It confirms what all the Key Indicators in areas of Capital Expenditure show - that Waterford is not getting a fair share of the national cake. Again the lack of leadership and representation in this regard is appalling.

The normal procedure for a new TD is to go along with the role of back-bencher and support the party line. Well this backbencher has some other ideas. That kind of approach is not good for the Country, the TD or the Constituency represented. The days of dummies and being the gentle county must be put firmly behind us. This Constituency deserves better and it is going to get it - if you want it!

- **LAW & ORDER** - Gardai are being killed and injured in the line of duty. Public Order is in decline. Street crime, anti-social behaviour and plain blackguardism is plainly visible in every one of our cities and towns. It is drug related or excessive drinking or just a simple breakdown in respect for the rights of others.

The citizens of Waterford City & County want this criminal activity stopped. So that young and old, children and senior citizens can walk the roads and streets in safety and without fear. As TD and Mayor I will rigorously pursue that objective with the Gardai and the Minister.

- **3rd WORLD IMMIGRANTS** - I have listened to many decent minded people who are expressing a reasonable concern about this question. Many who cannot understand why other candidates are just refusing to say one word? For example, fairness in the dispersal of 3rd. World immigrants is not clear. By any standard the numbers now located in Tramore cannot be justified. Also, the policy in relation to such immigrants not working, I know of excellent talented refugees who want to work and do not want handouts. Bishop Walton Empey has called for this situation to be remedied, and I agree with him.

My position on this issue is that genuine cases of people fleeing in fear of their lives from persecution must be handled sympathetically but economic hardship is best solved within the victims' own countries. Better to help a man to sow wheat than to hand him bread. If we allow a massive inflow of 3rd. World immigrants - this State cannot sustain them! Ignoring this issue through fear of being labeled racist is not the way to solve it. It must be seen to be a problem arising from our economic success and record of charity and must be addressed fairly and squarely.

So whether it is bridges in Waterford or fishermen's licenses in Cheekpoint and Passage, whether it is the decline in employment in towns like Cappoquin and Tallow and Portlaw, social facilities in Kilmacthomas, Stradbally or Bunmahon and so many many more problems, all are important, all need positive action. That action can only be driven by balance between City & County. This Constituency can only go ahead City and County together. It must be represented equally and the way to do that is to have a Fianna Fail Government TD in both City and County. As first Mayor of the County I am also proud of my City, my birthplace. I have the Honour and Privilege to serve you as Mayor but I can increase that service by representing you in the Dail.

According to a survey the majority of senior secondary school students in Waterford city and county believe politicians to be corrupt. What a terrible indictment? I challenge that belief. With me what you see is what you get.

This is a County and City of talent and resources, quality people in every respect. The potential of Waterford has only been scratched on the surface - there is so much more to be done, so much more that we can do - if we are given a level playing pitch, a fair break of the ball and equal treatment, but also better representatives in the Dail. I have played for my County in the GAA, I have represented it as Councillor for the past 16 years, now I have the hardest match of all to play. I rely on you to give me the opportunity to score again for Waterford.

Let me represent you further in Dail Eireann.

Gabhaim mo bhuiochas dos na daoine uilig a bhi ceannasach cugham ag na dorais le linn na seachtanna seo caite. Courtesy on the doorstep made our canvassing a lot easier. Ni neart go cur le cheile.

'Se do bheatha, Ollie.

## Horoscopes with *Ali*

This week's horoscopes are provided by Ali, one of Ireland's most gifted mystics.

For a more complete reading dial the 1550 number listed beside each star sign.

### **ARIES** Mar 21 to April 20

Smile at those who frown and take the wind out of their sails. Pamper yourself in little ways and enjoy home comforts. Through the week, you can afford to rest on your laurels. You are entering a period of plenty. Your financial situation is steadily improving and you can afford to live in the manner to which you have become accustomed. For more on what's in store, telephone 1550-920-257. ☎ 1550-920-257

### **LEO** July 23 to Aug 22

Every cloud has a silver lining. A disappointment could lead to all kinds of new opportunities if viewed from a different perspective. If others are holding you back, break out and go it alone. Time is short and there aren't enough hours in the day. Regardless of pressures, avoid working around the clock. Get adequate rest. You have a tendency to take on too much. Telephone 1550-920-261 for details. ☎ 1550-920-261

### **SAGITTARIUS** Nov 22 to Dec 20

Avoid falling into the trap of making comparisons. We are all different and none of us are perfect. Outwardly, you are giving the impression of being confident but inwardly, you are insecure. You are more than capable of dealing with a challenging situation. Finally, the pieces of a jigsaw come together, giving you the complete picture. For more on the astrological picture, phone 1550-920-265. ☎ 1550-920-265

### **TAURUS** April 21 to May 21

It may prove difficult to bridge that generation gap but at least you are prepared to try. Promote respectful dialogue and avoid being drawn into pointless confrontation. You could do with taking a stress management course, if only you had the time! Don't make the mistake of becoming overly involved in other people's problems. Telephone 1550-920-258 for an in depth astrological assessment. ☎ 1550-920-258

### **VIRGO** Aug 22 to Sept 22

Feel trapped? It is up to you to break self-made restraints. You are torn between your need for commitment and independence. Even though you can't have it both ways, you can find a balance. A meaningful conversation causes you to see things in a different light. Hard work deserves reward and an important judgement is set to go in your favour. Telephone 1550-920-262 for a detailed analysis. ☎ 1550-920-262

### **CAPRICORN** Dec 21 to Jan 20

An amazing realisation gives you food for thought but it is also important to be inspired to take action. Set realistic goals, ones that you know you are likely to achieve. Avoid burning yourself out and don't forget to get adequate sleep. You may be super, but you are not super human! Avoid pushing yourself beyond your limits. In love, you seek a meeting of minds. Telephone 1550-920-266 for details. ☎ 1550-920-266

### **GEMINI** May 22 to Jun 21

Respond to the needs of those around you. Helping others will make you less self-absorbed and put your problems into perspective. There are seven days in a week and you are quite perplexed as to where they all go. Set yourself a realistic schedule rather than continue to call for super human efforts. Someone seems set to cause pandemonium over minor matters. Telephone 1550-920-259 for details. ☎ 1550-920-259

### **LIBRA** Sep 23 to Oct 23

Romantically, despite your difficulties in expressing emotions, be sure to say how you feel. Professionally, keep a card or two up your sleeve and when the time comes, you will be ready to play your ace. Feeling left behind? This is because you have a different destination. Others recognise your intuitive powers when something you predict comes true. Telephone 1550-920-263 to hear my predictions. ☎ 1550-920-263

### **AQUARIUS** Jan 21 to Feb 19

It may be human nature to rewrite the past, but do your best to let sleeping dogs lie. Going back over old ground is barking up the wrong tree. You need to take a hard-line stance on an important issue, especially when someone tries to twist you around that little finger. Opposites attract but differing long-term goals and life styles can lead to conflict. Telephone 1550-920-267 for more on love and luck. ☎ 1550-920-267

### **CANCER** Jun 22 to July 22

A willingness to acquire new skills is required, if you are to make professional progress. Old ways may be best but there is no escaping modern technology. Recognise that no matter how hard you try, you cannot turn the tide. If you are tired of being left hanging, it is time for you to call the shots. Be assertive and act independently. Telephone 1550-920-260 for more on love and luck, work and money. ☎ 1550-920-260

### **SCORPIO** Sep 23 to Oct 23

You are working well under pressure but cannot do so indefinitely. A change of plan is necessary to avoid mounting stress levels. Let others know your plight rather than continue to maintain a brave face. You have a quick active mind and can easily be bored. You need a change of circumstance to keep your interest. An admirer is smitten. Curious to know more? Then telephone 1550-920-264 for details. ☎ 1550-920-264

### **PISCES** Feb 20 to March 20

It's a dirty job and someone's got to do it but does it have to be you? Ensure that those around you don't take your efforts for granted and are prepared to share the load. Become clear about objectives. Ever wondered what would happen if you confessed your secret longing? There is a power in the spoken word. Make magic. Name a dream and it might come true! Telephone 1550-920-268 for details. ☎ 1550-920-268

# Your Very Own Hanging Garden

HANGING baskets are popular everywhere you go, and they are as individual as the person who planted them.

So how do you go about planting a hanging basket that will survive?

The first step is to buy a basket. The size of the basket is very important. Small baskets with a diameter of 30cm or less dry out very quickly and cannot contain many plants. A 40cm basket is best for really good displays while remaining not too big or heavy to manage. Large baskets are better used in sunny places and small baskets are best used in cooler, shadier sites where they won't dry out.

The basket itself can be made from wire or plastic. Some of the plastic baskets have built-in water reservoirs which can save you a lot of hassle when it comes to watering. However, you cannot plant through the sides of these baskets so you should choose trailing plants to cover the sides.

Once you have chosen the basket it is time to think about lining it.

The traditional lining is moss, but today there are many modern alternatives made from renewable resources such as coconut fibre, wool, foam or moulded card. Whichever you choose, make sure the lining you buy fits your basket, otherwise the compost will be washed out.

After the basket has been lined, you should prepare the compost. Use a peat-based or peat-alternative compost because it is lighter than soil-based compost.

Add a controlled-release fertiliser and/or water-storing granules to the compost and mix thoroughly. Put the compost/fertiliser mixture into the lined basket, to about half-full.

If you have a wire basket, make planting holes through the liner at soil level and insert small plants through the holes.

Fill the rest of the basket with compost and plant the top. To avoid run-off and wet-head when watering, sink one or two empty flower pots in the top and water in to them.

Water the planted basket thoroughly and place in a shady position, for a least two weeks, until the plants are

**IN THE BASKET: Individual and always a pleasure to look at.**

strong. Keep the plants flowering by giving them feed every week.

After this, move the basket to your preferred position. Always think of safety when putting up a basket and bracket. Ensure both are securely fixed at a height that

is easy to reach.

In the summer, or in a sunny position, hanging baskets dry out quickly. Perforate a small polythene bag filled with ice-cubes and pop it in to the basket to melt.

## THIS WEEK IN THE GARDEN

### REMOVE SIDE SHOOTS FROM SWEET PEAS

Early sweet peas grown on the single stem system will need regular attention from now on. Remove all side shoots and tendrils. Be careful not to pinch out flowering stems by mistake; it is quite easy to tell these, as flower buds are evident even at an early stage.

### SOW RUNNER BEANS OUTDOORS

It is time to make a good sowing of runner beans in the open. Sow seeds individually or in pairs about 20cm apart in two lines 25cm apart.

If you require more than one double row, leave an alleyway of at least 2m wide between each set. Cover the seeds with 5cm of soil. If you sow the seeds in pairs and they all germinate, you will need to single the seedlings out later on.

### START TO PICK GREEN GOOSEBERRIES

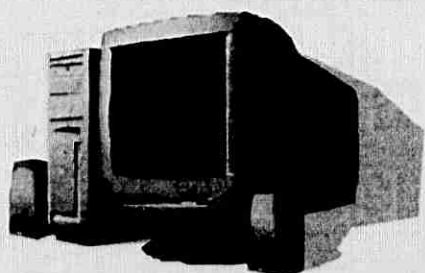

It is usually possible to get a first picking of green gooseberries at about this time.

The fruits will still be very small and immature and it would be foolish to strip the branches yet, but if you remove a few here and there where they are overcrowded it will give the remainder a chance to develop more fully – and give you the chance of gooseberry pie early!

### Plant aquatics

May is the best month of the year for planting water lilies and other aquatic plants. These may either be planted direct in soil, spread on the bottom of the pond at a depth of at least 15cm or planted in baskets or pots which are then sunk into position.

# RECENT DEATHS

## LATE THOMAS MEEHAN AND MARGARET OLIVER (NEE MEEHAN)

We write on the recent passing in Cardiff, Wales of Thomas Meehan who was a native of Ballinacourty. He served with the Merchant Navy for many years including the difficult years of World War Two. Predeceased by his sister Peggy, brothers Joe and John. Indeed Thomas' demise is all the more poignant as his daughter Margaret Oliver who aged 48 years passed away during the last days of December 2001.

Both funeral obsequies took place in St. Cadoc's Roman Catholic Church Cemetery, Cardiff. We extend to the bereaved our deepest and heartfelt sympathy on their losses.

Thomas is survived by wife Sylvia, son Gerard and daughter Maureen. While Margaret was wife of Paul Oliver and a devoted mother to daughters Anna-Lisa and Joanne.

Our condolences we also extend to the Meehan family here in Ireland and overseas. To brothers Christy, Eddie, sisters Johanna and Biddy and many other relatives our prayers and thoughts are with you.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE MONA HUGHES (NEE TERRY)

With sincere regret we write on the passing of Mona Hughes (nee Terry), 13, St. Thomas' Tce., Dungarvan on Sunday 5th May at St. Joseph's Hospital, Dungarvan where she had been hospitalised over the last two years and three months. Indeed the care of staff was greatly appreciated by all of Mona's family. A native of Dungarvan, aged 89 years, she was prede-

ceased by her husband Willie (Scotty) in 1983 and only some weeks ago by granddaughter Hilary. In her younger days Mona was employed at Hannah Boyle's or Ned Whelan's as we know it today. A woman of the old values and traditions she was a person of deep faith and was always proud to be a child of Mary. Her loyalty to her family, to her friends were her calling cards, her honesty, sincerity were other wonderful traits we associate with Mona. Indeed her demise has removed another link with our childhood as she would fondly remind one of incidents that occurred during our own tender years. May Mona now continue to influence us from the other shore. For her acquaintance and friendship we were most fortunate to enjoy same. We extend to sons Jimmy, Michael, John and Liam, daughter Eileen, sister Kathleen and indeed all her other relatives our deepest sympathy at this time.

Reposing at the Hospital Mortuary we were joined on Monday evening by Canon O'Mahony P.P. for prayers before the funeral cortege left for St. Mary's Parish Church. Canon O'Mahony P.P. was joined by V. Rev. Fr. P. Creed P.E., V. Rev. Fr. J. Gough O.S.A., V. Rev. Fr. Dee P.E. and Rev. Fr. T. O'Riordan C.C. for the funeral service.

On Tuesday Canon O'Mahony P.P. (chief celebrant) was joined by cocelebrants Fr. Slator O.S.A., Fr. Creed P.E., V. Rev. Fr. M. Kennedy P.P. (Dunhill), Rev. Fr. Jim Mountain, Fr. O'Riordan.

The lessons were read by Liam (son), grandson Keith, granddaughters Brigitta, Maeve and Marie shared the prayers of the Faithful while grandchildren Lorna, Niall and ?? brought the offertory gifts to the altar.

A beautiful music of Dina

Walsh made the Holy Sacrifice so special and a celebration of Mona's life.

The numbers present at the funeral obsequies left no one doubt to Mona's popularity and the high esteem enjoyed by the Hughes family in the local community.

The large attendance also included pupils and staff of Glenbeg N.S. with School Principal Sandra Clarke. In the adjoining cemetery we gathered for prayers and final blessing after which we laid to rest an old friend.

'Faoi bhraí Muire go raibh sí'. Chief mourners sons Jimmy, Michael, John and Liam, daughter Eileen, sister Kathleen (England), son-in-law Michael O'Mahony, daughters-in-law Mary, Breda and Mary and a wide circle of other relatives including grandchildren and great grandchildren.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE JOAN MELLIGAN

It is with feelings of profound sadness we record the passing of Joan Melligan (nee O'Sullivan) at St. Joseph's Hospital, Clonmel on Friday 3rd May after a short duration of illness.

A native of Reanadampaun, Ballinamult Joan was predeceased by her husband Walter eleven years ago. She moved to Ard na Greine, Clonmel 9 years ago to be near her daughter Beatrice, who lovingly cared for her as did her son Michael.

Joan was born in Balydonis, Kilbrittain in West Cork. She grew up on a farm with her parents, the late Michael and Catherine O'Sullivan, three sisters and four brothers. At the age of 18 years she left to begin a career as a nurse in England. Her gentle and caring nature was to the fore as she nursed through some difficult times especially during the war years, when she was posted to a hospital in Kent. While on holiday in the Ballymacarby area she first met her late husband Walter. This was to be the end of a fruitful career in England and the beginning of a long and happy married life with Walter in Reanadampaun where they farmed and brought up their six children together.

Joan was a devoted wife, mother, grandmother and sister. She took great pride in everything she did and gave of her best at all times. She loved gardening and reading and kept up to date with all world events through her daily newspaper.

On Saturday evening rosary and prayers were recited by Fr. John O'Brien and Fr. Colm O'Brien, St. Mary's Parish Church, Clonmel, at St. Joseph's Hospital. On Sunday evening her remains were taken to the Drohan Funeral Home in Dungarvan where many friends and relatives visited to pay their last respects to one of life's true ladies. Later that evening, following rosary and bidding prayers recited by Fr. Connie Kelleher P.P., Touraneena, Fr. John Delaney P.P., Kilrossanty and Fr. Donal Coakley P.P., Ladsbridge. The Readings were shared by her granddaughters Eimear Coakley and Siobhan Power. Prayers of the faithful were recited by her grandchildren Triona, Orla and Donal Coakley and by Patrick and Sinead Power. The offertory gifts symbolising things important in Joan's life were brought to the Altar by her daughters Brigid-Missal and Rosary Beads (her deep faith) Kathleen - potted plant (her lifelong love of nature), Mai - Examiner Newspaper (her Cork roots), Vera - Water and Wine (her love of the Eucharist). Beautiful and appropriate music was provided by Theresa Butler throughout the ceremony. Family and friends then gathered in the adjoining cemetery for final prayers and amid glorious sunshine Joan's remains were lowered to their final resting place. Very many beautiful floral tributes were placed on her grave.

Chief mourners son Michael, daughters Brigid, Kathleen, Vera, Beatrice and Mai, brother David (Ballydonis), sisters Sr. Mary O'Sullivan (London) and Mai (Birmingham), sons-in-law and grandchildren, nephews and niece, cousins and relatives.

Ar dheis De go raibh a nam. (Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

# RECENT DEATHS

## LATE TOMMY MacSHANE

With great sadness we express our heartfelt sympathy on the passing of Tommy

MacShane, Ballinacourty at his residence on Friday 3rd May after a short illness. A native of Belfast, aged 70 years Tommy was employed at Quigley Magnesite from 1970, to its closure. A great favourite with colleagues and management, later he established his own Hackney Service and enjoyed wide patronage from a much appreciative clientele. Former President of Abbeyside Pioneer Club he was an avid football fan with Liverpool and Celtic enjoying his loyalties and support over many years.

In his younger days he donned the Saffron and White of his native Glensmen on the intercounty scene.

Most of us always associate Tommy with his music and his wonderful voice, a God given talent he used for everyone's benefit. He sang tributes at funerals and celebrated in song with many a couple on their wedding day. A member of Dungarvan Musical and Choral Society, he also performed with St. Agnes Choral Society, Belfast. Acclaimed for his music Tommy was awarded best actor at the Waterford Light Opera International Festival as Peter Doody in 'The Arcadians'.

A simple man in so many ways, his absence and departure from our midst has left us all the poorer. To have known Tommy was much to be grateful for and to have heard and enjoyed his music was a real treat.

'Ceol na nAingeal go gelaifidh Tommy as seo amach'.

Reposing at his residence until Sunday evening, Fr. Keogh C.C. led us in prayer before the funeral cortege left for St. Augustine's Church, Abbeyside. A Guard of Honour was provided by former colleagues of Quigley Magnesite. Fr. Keogh C.C. was joined by Fr. W. J. Dee P.E. for the funeral service.

On Monday Fr. Keogh C.C. was main Mass celebrant with cocelibrants Fr. P. Moran O.S.A., Fr. M. Cooney O.S.A. (a great family friend), Rev. Fr. Ml. Collender O.S.A. and Rev. Fr. Ml. Enright P.P. The lessons were read by Pádraig, Niamh and Nicholas (family) while Prayers of the Faithful were

shared by Mary Rossiter, Betty Tutty, Caroline MacShane, Una Tempany and Ciara Langan. Ann Moloney and Barry Hannigan walked in procession with the offertory gifts. Son Pádraig moved us all in his own personal Communion Reflection and tribute to his father. The music of Gertrude Morrissey and Neil Hurley made the Holy Sacrifice so special and a celebration of Tommy's life. A sincere thank you for 'Panis Angelicus', 'How Great Thou Art', 'Nearer My God to Thee', 'Ave Maria' and a great favourite of Tommy's 'The Old Rugged Cross'.

Within yards of the historic Clogas, Tommy MacShane was laid to rest in the presence of a huge and representative concourse who had come to pay tribute to one who was so special.

Our heartfelt and deepest sympathy we extend to June (nee Langan) wife, sons Pádraig and Nicholas, daughter Niamh, daughter-in-law Caroline and Una Tempany, brothers Willie and Tony, brother-in-law Pat Langan, sisters-in-law Betty Tutty, Mary Rossiter, Mary and Denise MacShane and a wide circle of other relatives including nephews and nieces.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE ALICE J. BURKE

It is with deep and sincere regret that we record the death of Alice J. Burke (nee Maher), New Line, Abbeyside which occurred peacefully in her sleep on May 5th 2002 at St. Josephs Hospital, Dungarvan where Alice had spent her last two years, first in St. Vincent's Hospital and then in St. Endas ward where she received in both, the very best of care and comfort.

It was there in March that Alice celebrated her 90th Birthday surrounded by three generations of her family who had travelled from London, Isle of Wight, Limerick and Dublin to mark her special occasion.

A member of one of the towns best known and older families, Alice, one of nature's ladies was a wonderful mother who devoted her life to her family. She lived a quiet, inoffensive life and will be best remembered by all for her gentleness and her ready smile and her hearty laugh. Her passing will leave a great

void in the lives of all her family and she will be hugely missed.

On Monday evening, Rosary was recited at Drohan's Funeral Home by Fr. Kehoe cc. family and friends. On Tuesday evening, removal took place from Drohan's Funeral Home to Abbeyside Church where prayers were recited by Fr. Dee. A large crowd came to say their farewells to Alice. On Wednesday morning concelebrated Mass was offered by Fr. Dee P.E. and Fr. Enright P.P. The lessons and the Psalm were shared by grandchildren Nicola Drake, Neal O'Kennedy and Kevin Moroney. Prayers of the faithful were read by grandchildren Brendan Drake, Anthony Burke and Alan O'Kennedy. At the offertory, the bread and wine were brought to the altar by Anne Enright (daughter) and Gary Burke (grandson). A salute to the Blessed Sacrament was played by her grandson Neal O'Kennedy who also marked her love of music with a cornet solo as she was carried from the Church.

Throughout the service music and singing was beautifully provided by Lorna Daly Murray. A Eulogy was given by son-in-law Michael Moroney who spoke from the heart on behalf of all her family. Pallbearing duties were sadly but very proudly carried out by six of her grandsons, Gary and Anthony Burke, Ciaran Enright and Kevin Moroney, Brendan Drake and Alan O'Kennedy. She was laid to rest in Ballinroad Cemetery beside her husband Johnson.

Chief Mourners were: Daughters, Anne, Barbara, Ethnea, Emer and son Tom, sons-in-law, daughter-in-law, grandchildren and great-grandchildren. To her family, relatives and friends we extend our heartfelt sympathy. May our prayers be of comfort to all who mourn Alice's departure.

### HURLING

## ST. CARTHAGE'S MASS IN LISMORE CATHEDRAL

"St. Carthage's Mass" will be sung again next Sunday in St. Carthage's Cathedral Lismore, 11:30 am. It will be a festive service of Holy Communion on the occasion of Whit Sunday and the Mass will be sung by the St. Carthage's Singers, the Choir-in-residence of Lismore Cathedral.

The first performance of this composition by Cathedral Organist and Choirmaster Dr. Jan van Putten took place in 28th April. The acclaim was such that a number of repeat performances will follow, starting next Sunday, in order to make it possible for those who could not be present in the first occasion to hear this Mass and to sing their part - everyone will be actively involved.

On Whit Sunday the coming of the Holy Spirit, creating new energy, will be celebrated. Appropriate hymns and a psalm will be sung. Preacher is the Dean of Lismore, the Very Rev. William Beare. The choir will also sing "Come, Holy Spirit", originating from the Iona Community in Scotland and "O Holy Spirit, hear us as we pray" based on the text by Martin Luther. The tune is medieval and will be sung in a setting by the influential German composer Michael Praetorius (1571 - 1621). Jan van Putten will play organ music by two other German composers, Dietrich Buxtehude (1637 - 1707) and Hans Friedrich Micheelsen (1902 - 1973). All are welcome, next Sunday, 11:30 am.

## PRESENTATION SECONDARY SCHOOL NOTES

### Human Caterpillar

The transition year pupils from Presentation Secondary School, Lismore were among 1,925 students from all over Ireland, in the Phoenix Park who broke the record for the world's longest human caterpillar. This colour coordinated event was organised to raise 100,000 Euro in aid of the arthritis foundation. The Lismore pupils raised over 2,000 Euro by holding two discos, a table quiz and a no-uniform day etc since last September. The pupils enjoyed the day in the Phoenix Park, despite the harsh weather and having to stand for a considerable time in the park. The coordinator of this project, Mrs King and Miss Flynn accompanied the Lismore Pupils. We commend these fourth year

pupils for their generosity, stamina and organising ability.

### Interior Decorating

The transition year pupils are doing a project in Interior decorating. They commenced preparations for painting the school cookery room on last Wednesday. Mrs Toomey worked with the class on this project. It was quite an onerous task to paint this room which has such a high ceiling. Those nimble young decorators succeeded. Many hands make light work. The pupils learned the importance of preparing the surface before painting and also to choose suitable colours. Lets hope these skills will enable them to do their own home decorating.

## LISMORE SOCCER NOTES

On Sunday afternoon last our season ended in somewhat of an anti climax when we were defeated on penalties by Ardmore in the Tyre Centre Cup Final. The game really didn't rise above average in very difficult conditions with a very strong wind blowing down pitch. We defeated against the gale in the first half and although under severe pressure from the first whistle defended brilliantly with stand in goalkeeper Tom Landers deserving special mention. It was our opponents turn to defend the gale in the second half and to their credit they did so superbly, our best chance coming from Peter Howard when he crashed a excellent drive off the underside of the crossbar. Unfortunately their was nobody following in the rebound. The game really did die a death in the difficult conditions from here till the end of extra time with both defences in complete control and so on to penalty shootout. Our record in penalty shootouts this season does not read well, involved in 2 lost both, maybe it would be third time lucky. Unfortunately not, our seaside opponents held their nerve and triumphed 4-2. Congratulations to our opponents as a very strong contest. To our own lads you can be proud of your efforts all season, maybe not getting the rub of the green when we really needed it but I guess you make your own luck in this game. To Dave Landers and Joe Tobin for their efforts all season it did not go unnoticed. Thanks to one of our former members the lovable Ned Barry for his kind sentiments after he had presented the runner up trophies to our lads, thanks Ned. Now to all our younger footballers namely U8, U9, U10, the season will be starting in mid June, so we need to get you budding Beckhams together so we shall have a training session on Sunday morning next at 11:30am in the soccer field. All are welcome, that includes fathers, as this is a new venture we shall need plenty of help and cooperation to make it successful. It is the future of Lismore F.C. and the children seem to be very, very keen. Please would

parents just write down the child's date of birth on a slip of paper when coming to training on Sunday morning. For parents interested in getting involved or wanting more information ring Brian on 058 53106/086 8124746. Finally to all Red House League clubs who have not returned the tickets for the players benefit night, I would urge that they return monies and tickets as soon as possible. Thank you. Sunday 19th Captains prize to the ladies 11:30 am.

Our great spell of weather continued for most of the week in the lead up to our first major of the year namely our vice presidents prize. Firstly, our weekly qualifier sponsored by Keniry's of Tallow had to be contested. This week, and I think for the first time, it was all outsiders who qualified. Were are own men saving themselves for the weekend?. Our first qualifier this week was Joe Sheehy (18) of Mallow winning by the tightest of margins which was the last 3 holes of the front 9, his 38 points edging out Michael Kearney (16) of Fermoy. Also with 38 points our gross qualifier and no stranger to Lismore Golf Club was West Waterford's Ray Rochford (6) with an excellent 32 points. And so to our first major where the weather deteriorated slightly with a cold wind to the "Fore" for our vice presidents prize kindly presented by Mr. Willie Henry. Our winner and continuing his tremendous start of the year to claim his first major was John (Trapper) Whelan (12) with a fluent 63 strokes but only winning due to a superior back 9 holes from the still ever improving Jason Corcoran (10) whose 63 was well put together. Our gross winner was team player Chris Whelan (7) with a magnificent 3 over par 72 strokes. In third place hitting a nice run of form lately was Denis McCarthy (12) with a nice 66 but only winning due to a superior last 9 holes from the returning Brian O' Gorman (10). Brian also carding 66 to take fourth place. In fifth place and improving slowly but surely was Tallow's John Condon (14) with 67 strokes. Our category winners were Maurice Cahillane (8) with 67 Ger Mulcahy (12) with 69 Tom O' Sullivan (17) with 68 and Ronan Culloo (19) also with 68. Willie was a happy man after the presentation as he jetted away to sunnier climates. This coming weekend see's our West Waterford hospice classic which is an excellent cause to put your Euros to. It will take place on Thursday 16th, Friday 17th & Saturday 18th. Sunday sees our Captain's prize to the ladies. Time sheet in operation for classic (058 54026).

## LISMORE CAMOGIE NOTES

### FEILE NA NGAEL COUNTY TITLE BACK IN LISMORE FOR THE THIRD YEAR IN A ROW.

Our under 14 team brought the feile na nGael county title back to Lismore for the third consecutive year on Saturday last. The girls got a bye into the semi final and after a long wait they played Ardkeen, the girls gave a great display and overcame Ardkeen on a scoreline of 3-2 to 0-0. Then it was on to the Final where they faced Portlaw again the girls put in a good performance and were never in any danger of losing this one, the final score was 5-3 to 0-0. Captain Tanya Morrissey relieved the trophy the team were as follows: Kate Henegan, Janet Moloney, Niamh Quann, Charlotte Whelan, Patricia Broderick, Edel Ormonde, Sharon Moloney, Shelly Keany, Tanya Morrissey, Jenny Houlihan, Stacey O' Gorman, Christina Toomey, Gemma Tobin, Sandra Prendergast, Aisling O' Brien, Katie Prendergast, Aoife Fitzgerald, Sarah Hennessy, Danielle Hunter.

This earn the team a place in the all - Ireland finals which are taking place in Antrim, Derry, Down and Armagh on the weekend of 20-23 June.

Our U-14 team were also in action earlier in the week when they played Butlerstown at home. The girls had a very convincing win here on a scoreline of 12-4 to 0-0. This places this team on the top of the table and earns them a place in the county final.

Another county title came back to Lismore last week when our Community Games team overcame Dunhill/Fenor in the Community Games county final to earn them a place in the Munster Finals in Limerick in July.

Our senior team was also busy over the last week, on Friday night last they took on Dunhill/Fenor at home. Scores eluded both teams on the night and unfortunately Lismore went down on a score line of 1-1 to 0-1. The senior team were in action again on Sunday night when they travelled to Butlerstown for a league game. Conditions were very bad on the night but on this occasion the teams scoring touch came back and they won on a score line of 5-3 to 3-3. This team is in action again this Wednesday when they travel to take on Tramore in the league.

Both our senior and U-14 teams travelled to Ballinhassig of Cork on Friday night to return practice games. Both teams were successful on the night with some great performances on both teams.

Our Under 14 are now training hard for the Feile na nGael. Our committee are also working hard to raise money to send this team to the north which is an expensive task. To start of our fundraising we are having a strictly supervised Disco on this Friday night 17th May.

Also our girls will be going around selling Golden Goals for the Waterford v Cork Munster Senior Hurling match on the 26th May. Tickets are 2 Euro each and the closest wins 100 Euro.

A meeting for parents of the feile panel will be held on Monday 20th May 2002 at 9pm. in Lismore Community Centre. We request all parents to attend this meeting as details for the weekend away will be discussed.

## Lismore Cricket Notes

We travelled that long arduous journey to Galway, Sunday last, all nine players plus myself (who is still awaiting clearance to resume playing.) It turned out to be a disappointing visit, not a very good start for aside dedicated to getting out of division three, we were beaten rather comprehensively despite a solid gritty performance by the nine players. The weather was dry but very cold with a sharp wind.

Winning the toss Lismore elected to bat, with openers David Campion and Winston Boyle getting off to a solid start. Some sloppy fielding (or was it freezing hands?) saw Winston dropped three times before eventually getting out for 12. David Campion had settled down well and looked as though he was in for a big score, but a mix up with David Ind led him to run out from a direct hit at the stumps. Worse was to follow, David Ind found himself run out by father John. Yet another direct hit at the stumps. This brought John and Michael Hickey together and just as we thought a solid partnership was in the offering, John was bowled by what he described as 'The only in swinger that bowler bowled all day'. Andrew Malcolm and Michael kept the score inching along helped by some pretty awful wicket keeping and fielding.

Michael was bowled as was Brian Power. Brian was frozen

with the cold and was completely out of sorts, in fact he had a wretched day both on and off the field of play. Andrew kept plugging away, his best innings ever, with good back up from young William Rotte who made three good runs in the face of some hostile bowling from Galways Jaffri. After the departure of William, Sean Willoughby was left stranded on a 0 not out. A feast of extras, 36 in all brought the Lismore score to 106 all out.

The Galway openers got off to a flyer. Asleem clubbing poor Brian for 10 in his first over. The other opener Faisal had reached ten before Dave Ind had him trapped LBW. John Ind came on in place of Brian Power who had been clobbered for 18 in two overs and made the breakthrough taking three fairly quick wickets, and for a time it looked like we were in with a shout but Aleem was still there although he was finding it hard to come to terms with Johns bowling, his score was mounting. He finally succumbed to Andrew, thanks to a well taken catch by David Campion. Asleem had made 70. As a contest the match was over but it must be recorded that the Lismore bowlers had not given away any extras nor Sean any byes in fact Sean was very unlucky not to have a couple of stumpings to his credit.

I was very impressed with the Galway set up, a nice kept

ground with a compact pavilion with modern showers and superb teas at the break. I was doing the scores for both teams but had to retire to the warmth of my car to continue. I was that cold it was at that stage the wife of the Galway captain took pity on me and kept me supplied with steaming cups of hot tea. The journey home was a nightmare it had started to rain and the traffic was heavy and Brian was feeling unwell. The Ennis Road in Limerick was a standstill, how the good people of that city put up with that is beyond me, the traffic lights should be turned off and the junctions put under Garda control when traffic is that heavy.

We reached the other side of Limerick, Brian was feeling rotten and Dennis was getting ratty, Dave was trying to calm things. Driving over the Vee Brian's condition worsened, a fast diversion to Dave's parents house to stop any in car incident was called for, it didn't improve the humour of John sitting down with tea and sandwiches having made a fast escape from Galway while Dennis was made wait for the Lismore score book!. William must have foreseen all of this and made a sharp exit in another car.

Lismore 106 all out. A. Malcolm 28  
Galway 108 for 6  
John Ind 3 for 22, Andrew Malcolm 2 for 22.

## AN APPEAL ON BEHALF OF THE APOSTOLIC SOCIETY FOR NEW MEMBERS

Apostolic Work Society is a Voluntary Organisation made up of lay people who in different ways provide help for those who live in the underdeveloped nations of the world. It began in Belfast in 1923 to help supply material and financial help for priests and missionaries working in poor countries. Almost 80 years later apostolic work continues to receive and respond to numerous appeals for such missionaries whose work is still so necessary today, these missionaries work among the poorest of the poor.

Here in the diocese of Wa-

terford and Lismore our aims are to share in this missionary apostolate of the Church by supplying material and financial assistance to areas of the world where the Church is not fully established. We help in many ways, both seen and unseen. The visible contribution can be seen by the work of our hands e.g. sewing, knitting, we raise money through coffee mornings and sales of work. Also from Flag days, Church Gate Collections and donations. Our financial contributions include help for education of native clergy, transport for missionaries, building and furnishing churches, training of catechists, education of street children and much more.

The many missionary orders constantly appeal for us for help. The money goes directly to the area where it is most needed - to those who work on the ground with the people in need, nobody can spend your donation more effectively than the experts that have given their lifetime of dedication and service and who understand the culture of the country where he or she works. By being a member of apostolic society either active or honorary member you touch so many lives through your work or contributions and you are helping priests and missionaries as they preach the gospel to people in foreign lands.

## HOW CAN YOU HELP

Start a branch in your own area or join a local branch. Subscribe by becoming an honorary member or through fundraising efforts.

"Missionaries give by going, apostolic workers go by giving".

A short video detailing the broad range of work undertaken by the Apostolic Society is available to any group on request, in addition, our members would be willing to visit any group and give an informal talk about the work of the society.

For further information please contact Nancy at (052) 22215 or Joan at (052) 22143. You are invited to visit the Apostolic work display on May 28-30 at the Library in Clonmel.

# LABOUR POLICY ON SCHOOLS PRAISED BY WATERFORD CANDIDATE

Primary and secondary schools throughout Waterford county and city stand to benefit if the Labour Party is elected to Government during 2002.

That's according to their general election candidate Brian O'Shea who has welcomed his Party's stated commitment that the state should meet the full running costs of schools in addition to a programme of investment.

Brian O'Shea feels the onus should not be on teachers, parents and students - as is the case with many schools in Waterford city and county - to fundraise in order to meet shortfalls arising as to the provision of facilities and equipment. Brian O'Shea also says a programme to develop primary and secondary school buildings must be in place, underpinned by a transparent system of prioritisation in distributing resources for that purpose.

Expanding on the Labour view on the subject, Brian O'Shea said:

"A recent Irish National Teachers Organisation (INTO) report suggested that many primary schools have inadequate toilet or washing facilities, inadequate heating systems and problems with drinking water, worn doors and windows and insufficient - or even dangerous - conditions in the playground. Claims of Celtic Tiger prosperity delivering a better education system, or indeed notions of good government, are undermined by the publication of such information. Labour's policy on an issue fundamental to so many parents is a sensible one."

We would like to thank Shamrocks for facilitating us by changing the game to Saturday from Friday and also for refreshments after the game. On Sunday morning we played Dungarvan at home in the junior league, and we were on the end of a 3-10 to 3-5 scoreline. But well done to all who fielded out.

# Tallow Notes

## C.L.G. TULACH AN IARAINN

### Sraith Iomana Sinsear - Roinn 2. Snr. Hurling League

#### Tallow 0-5 Ballyduff 0-5

What can you say about this one. Torrential wind and rain from start to finish rendered this league fixture against Ballyduff on Sunday evening almost meaningless as a hurling contest. The scoreline tells its own story. Despite the atrocious overhead conditions there were some decent passages of play both sides struggled to put up scores. Tallow led by 4 points (3 from Paul Kearney, 1 from Billy Beans Sheehan) to 3 at half time adding just one more to Ballyduff's 2 in the second half. Nobody complained when John Michael Kelly brought this endurance test to a closure with the teams level at 5 points a piece. For toting out alone in these conditions both sets of players deserved to take something out of the game and a draw was a fair result. Foreiann: Martin Murphy, John Feeney, Dave "Fada" O'Brien, Colin Cunningham, Shane "Glenaglough" McCarthy, James Beecher, Wm. McDonnell, Mark Geary, Paul Murray, Paul O'Brien, Brian Henley, Stephen Pratt, Paul Kearney, Billy "Beans" Sheehan, Joe Murray, John Cunningham, Mark O'Brien, Mossy McGrath.

#### Club Internal League

I can tell you that a panel of 48 (not including Johnny Geary who will have a roving role as a sub for everybody) has been drawn up. Teams are picked, managers and coaches are appointed and we will have full details of this exciting internal club competition in the weeks ahead.

#### Junior Hurling League Tallow 3-5 Colligan 2-4

Our junior hurling team recorded their 2nd victory in as many outings with a 4 point win over Colligan in Tallow Sunday morning.

Having played with a strong wind Tallow trailed by a point at the interval (2-2 to 2-1). Two goals (1 a penalty) from J.P. Grey and a pointed free from Billy "Beans" Sheehan kept us just about in the hunt throughout the first half. Colligan were a point to the good and started the 2nd half with the wind at their backs. It looked ominous for Tallow.

Ours is a finely tuned outfit however and rose gallantly to the challenge. The Tallow forwards, Joe Murray in particular, were winning possession and using it to better effect. Mark O'Brien, Wm. Henley, the Legend and John Cunningham all had good points from play. For the 2nd week running there is a bit of controversy surrounding our goal which I attributed to Joe Murray (who deserved it for his performance). Others inform me the Legend got the final touch but I remain doubtful. Colligan managed just 2 points in reply thanks to our resolute defence and industrious mid-

field where James Henley worked tirelessly.

Our next game is a tough assignment against Fourmilewater in Ballymacarby. Friday May 24th as far as I know.

Foireann: M. Murphy, F.O. Gorman, M. McGrath, T. McSweeney, J. Feeney, J. Beecher, S. Pratt, J. Henley, B. Sheehan, Wm. Henley, J.P. Grey, J. Cunningham, P. Murphy, J. Murray, M. O'Brien.

The field was in superb condition thanks to the work of Denny Cunningham.

Great to see Seany Sheehan making a return to the games. He was at our game last week against Ballygunner and again on Sunday to watch the Juniors.

#### Dúirt Siad

"I'm a short man but I've got a big jeep" - The long and the short of it from Finn.

"It was worth coming to see J.P.'s legs alone" - Our runai Lindsay, obviously glad to see J.P. back.

"Murphy doesn't need any lessons from Klinsmann" - Micky disputes the penalty (from which J.P. goaled) awarded to the Legend.

"You'll make up something anyway" - Jacker getting on my case again.

"I'm not even in the first 48" - Johnny Geary, unhappy at not being included in the panel drawn up for the club internal league.

#### Birthday Wishes

Two special ladies, whose families have given and continue to give tremendous service to this club, celebrate their birthdays this week.

The club sends best wishes to Mrs. Sheila McGrath, Dunmoon who will be 90 on Wednesday.

Happy birthday also to Mrs. Eily Hartigan New St., who is 80 on the same day.

#### Junior Football

We play Dungarvan this Sunday in Tallow at 11.30.

Note to Selectors and Relevant Club Officers:

I'm not getting match reports, notification of fixtures etc as requested on numerous occasions. These notes are the medium through which we keep our supporters informed. They are entitled to be kept informed. If I'm not told I can't tell them. I've brought this matter up at meetings and mentioned it on our notes before but appear to be wasting my time. It's called communication.

#### Point of View:

If there's somebody out there, and I know there is, who has a problem with the way these notes are presented, he has a number of options. Assuming he's a member, or at least a genuine club supporter he can:

A: attend a meeting and voice his opinion in a democratic fashion

B: tell me directly.

C: do the job himself.

D: shut up. (or preferably all of the above)

Hooked

I'm half way through Justin

McCarthy's book entitled "Hooked" and would highly recommend it. McCarthy's almost fanatical devotion to the national game spills forth from every page. Coincidentally he is gone to Antrim this week with the Waterford team. He is revered in Antrim and why wouldn't he be. I have heard the men from the Glens speak about him. In 1970, just a year after his horrific accident in which his leg was broken in three places, (he was never the same player after) he got the call from the north. Like Ned Power, Liam Griffin and too few others he answered the cry for help and travelled to the 6 counties which at the time had erupted into civil strife and war. He would do so many times in the years ahead at considerable personal danger. They haven't forgotten him for it.

There is much more to this book than his time in Antrim coaching. Well worth a read.

## WATERFORD CAN GIVE THE BEST SERVICE

A Tipperary coroner has claimed last week that transferring post mortem facilities to the Regional Hospital Waterford would give the best service to the public. Speaking recently Paul Morris, Coroner claimed that a recent audit of Post Mortem facilities in South Tipperary, Kilkenny and Wexford showed them to be deficient. He added that all of them without exception were found not to come up to the standard required under the health and safety. Moreover, he added, imagine the uproar if a mortuary assistant died as a result of being exposed to some avoidable infection because the autopsy suite in South Tipperary was not up to the standard required. However, Seamus Healy T.D. South Tipperary claimed that such a service could be provided by Saint Joseph's Hospital, Clonmel.

## HOSPITAL STAFF MAN CALLS IT A DAY

After thirty one years service with the South Eastern Health Board Con Keane from the staff of Our Lady's Hospital, Cashel has called it a day. A native of Cashel Con began work at Saint Patrick's Hospital but moved from there across the road to Our Lady's Hospital, Cashel. Con spent a good part of his life in England, some twelve years in all. At a function in "Kearney's Castle" Hotel, Cashel to celebrate his retirement a large crowd attended from all sections of the hospitals in a fitting tribute to the popularity of the man. He impressed all present with his retirement speech and he expressed his delight in being healthy enough to enjoy his retirement. Unfortunately some people who retired were not as lucky as he was, and he said that the saddest day in his life was when Cashel lost its hospital.

## LEGENDARY BAND LEADER HONOURED

Clonmel paid a tribute to one of its greatest musical sons, Mick Delahunty last Sunday with the naming of a square in Clonmel after him and the launch of his first CD album on the 10th Anniversary of his death. In a day of tributes, a plaque honouring the man they called King of the Ballroom, Mister Music and the Maestro was unveiled in the newly named Mick Delahunty square by Ald Sean Nyhan. Later that evening some six hundred people attended a concert of music in the Minella Hotel, Clonmel.

At the function the Delahunty family presented a specially inscribed Saxophone in his memory to Banna Chluainn Meala's Donny Carroll. Among the proud family members present to witness the historic occasion were his brothers Jackie (82) and Paddy (78) and his sons Michael and Brian and his daughter Mary. The nearby Band Hall was officially opened by Mick in the late 1980's.

## RECENT DEATHS

### LATE MRS. JOAN MELLIGAN S.R.N.

It was with deep and sincere regret the district received the news of the death of Mrs. Joan Melligan (nee O'Sullivan) SRN, Renadampaun-Commons, Ballymacarbry and Ard Na Greine, Clonmel which sad event took place at Saint Joseph's Hospital, Clonmel after an illness of some duration on Sunday 5th May.

Deceased in her ninety second year was a member of a well loved and respected County Cork family, the O'Sullivans of Ballydurras, Bandon. Joan grew up in that part of the country and after her secondary schooling, she went to England to train as a nurse. One of her comrade nurses was a girl from Graignagower, Ballymacarbry, Mary Barron who qualified with her.

After some years Mary returned to the home land to marry a farmer and some years after Joan decided to pay a visit to her dear friend, it was on that visit that she fell in love with another farmer from the district, Walter Melligan and after being friends for some time they married and she began life in Renadampaun-Commons as a farmers wife. It was a change from Nursing in a large hospital in England. After some years she and her husband Walter were blessed with a family of six, one boy and five girls, a hand full in a rural home, no electricity, no piped water, no central heating, none of the present day amenities. She thrived in her work as a loving wife and mother. She was a lady in every sense of the word, she was highly respected by her husband and family and her neighbours who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to react swiftly and without fuss to any situation in which she was needed. Being a nurse was to her an advantage for when any of her family were ill, she was there to treat them. Of a quiet and unassuming disposition she had a great sense of fun and humour which made her delightful company. She was an extremely private person. A woman possessed of a deep faith, she practised her religion devoutly and rarely missed Mass at the Parish Church at Touraneena where she had to travel some three and a half miles.

Some eleven years ago her beloved husband passed to his eternal reward, and then with most of her family gone away, she with her son took up residence in Clonmel where she had everything in life. Still she often said she would prefer the quiet country life to the town. For some time back she had not enjoyed the best of health and after a short period in hospital she passed to her eternal reward. The measure of the esteem and high regard in which deceased and her family are held was clearly indicated by the representative groups of mourners, many from Cork and other parts of the country who were present on Sunday evening when her remains after the rosary were recited by Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena were removed from Drohan's Funeral Home, Dungarvan to St. Mary's Parish Church, Touraneena where they were blessed and received by Rev. Kelleher P.P. Also present were Rev. Fr. Nolaig O'Sullivan (nephew), Paris and Rev. Fr. Paddy Hallinan, retired Australian Mission.

On Monday at noon, the feast of Saint John Before the Latin Gate requiem Mass was celebrated for the happy repose of her gentle soul. The chief celebrant was Rev. Fr. Nolaig O'Sullivan, Irish College, Paris (nephew), assisted by Rev. Fr. John Delaney P.P., Kilrossanty/Fews, Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena and Rev. Fr. Coakley P.P., a family friend.

After Mass on a beautiful sunny May day with a mild breeze from the North East she was taken to her place of rest and there she was laid beside her husband Walter who predeceased her by some eleven years. Fr. Nolaig O'Sullivan (nephew) with the other priests officiated at the graveside in the presence of another large concourse of mourners paying their last respects to a dear Christian friend whose memory they will long cherish. Fr. Kelleher P.P. recited a decade of the rosary in Irish.

To her son Michael, daughters Brigid, Vera, Beatrice, Kathleen and Mai, her brother, sisters and her many relatives we extend our sympathy on their loss.

### LATE MR. DAVID FRAHER

Profound and sincere feelings of regret were widely expressed at the news of the death of Mr. Daniel (Dan) Fraher, Kilbrien Lower, Ballinamult which sad event took place at Saint Joseph's Hospital, Dungarvan on Friday 3rd May after an illness of some duration. Deceased was a member of a well loved and respected family, the Willie Fraher's of Scart. A kind and loving man of outstanding qualities he possessed a wonderful warm personality and made friends with ease. Anybody who ever called to his home were made feel truly welcome, as he was a caring neigh-

bour abounding in Christian charity who made an immediate and lasting impression by virtue of his courteous and easy going nature which endeared him to all. A kind and loving husband and father, his good wife Nellie and his family were his pride and joy, and he was utterly devoted to them. Dan was a man highly respected by his family, neighbours and his many friends who recognised and appreciated him as a caring extremely kind person who could always be relied upon to help if help was needed. No harsh or unkind words ever passed from his lips. He was a regular visitor to Ballymacarbry on the Sunday evening where over a drink he met and chatted to the locals. He was a person who was always welcome in whatever company he found himself in and the district is the poorer at his passing.

Many tributes have been paid to this fine man, but perhaps the finest was paid to him on Saturday evening when all walks of life were represented in the large concourse of mourners who were present when his remains after the rosary was recited were removed from Drohan's Funeral Home, Dungarvan to Saint Patrick's Parish Church, Kilbrien where they were blessed and received by Rev. Fr. Michael Kennedy P.P., Colligan/Kilgobnet/Kilbrien.

On Sunday at noon, the feast of Saint Pius V requiem Mass was celebrated for the happy repose of his eternal soul, Rev. Fr. Michael Kennedy P.P., assisted by Rev. Fr. Francis Lloyd C.C., St. Paul's, Lisduagan.

After Mass on a beautiful May day he was laid to rest with his parents (who predeceased him) in the family plot at the entrance to St. Patrick's Church where he had worshipped the Lord over the years. Fr. Kennedy P.P. and Fr. Lloyd C.C. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will long treasure. Fr. Kennedy P.P. recited a decade of the rosary.

To his wife Nellie and family, brothers and many relatives we extend our sympathy.

### LATE MR. WILLIAM O'BRIEN

With deep regret we pen the death of Mr. William O'Brien, Ard na Greine, Clonmel which sad event took place recently at Saint Joseph's Hospital, Clonmel. Deceased was noted for his wise cracks and wonderful sense of humour. He possessed that lovely knack of being able to raise people's spirits by his jocose and encouraging comments. Son of John and Mary O'Brien, Ard na Greine he was one of a family of six, four boys and two girls. He joined the army during the emergency and was stationed for a time on Valentia Island and in Killarney. It was during his stay in Tralee that he met his wife Mary Conroy and after some years in Kerry he returned to Clonmel, there he was attached to the 13th Battalion at Kichham Barracks and there he became a member of the Army Pipe Band. He was a fine, strong soldier which made him the obvious choice for the Big Base Drum which he carried with ease. In the 60's he did a tour of duty in the Congo but being a family man he would not volunteer for further service abroad. Promoted to the rank of Sergeant he had the distinction of winning the All Army Gustav competition at the Curragh in 1965. He retired from the Army after 23 years service. He then went on to Sales, travelling the length and breadth of the country. Later he opened his own shop in Mitchel Street in the 70's, in more recent times he was involved with the Rehab Pools which took him all over the town.

The passing of his wife Mary in 1992 came as a sad blow to him, as they had been so happy and devoted to each other. He began each day of his retirement with 9.30 am Mass at the Church of the Resurrection. After Mass he would travel to Marlfield Lake which was a source of solace. Just six months ago his health began to fail and following some time in the Regional Hospital Waterford and after two weeks in St. Joseph's Hospital, Clonmel he passed away at the age of seventy eight years. His remains were removed to the Church of Resurrection, Clonmel where they were blessed and received by Rev. Fr. Brian Power C.C., S.S. Peter & Paul's. Also present were Rev. Fr. Parthlon O'Leary P.P., St. Oliver's and Rev. Fr. Tom Coffey C.C., St. Oliver's. The coffin was draped with the Tricolour and the U.N. Flag. A lone piper played a lament of the graveside in Saint Patrick's Cemetery, Clonmel as he was being laid to rest with his wife Mary who predeceased him by some ten years.

To his sons and daughters, his brother and sister and his many relatives we extend our sympathy.

### County League Cappoquin 0-14 De La Salle 0-12

I did not get to this game but from all accounts it was a cracker on a fine evening last Friday in Cleaboy. Both sides concentrated on playing pure hurling with hardly any stoppage in the game. At half time the city lads led 9 points to six points.

In the second half Martin "Motch" Power took the game by the scruff of the neck and ended up with a personal tally of nine points. Donal "Duck" O'Rourke made a couple of point blank saves to deny De La Salle victory. The half back line of "The Breeze", "Boogie" and "Bugs" put in a mighty display to thwart anything that De La Salle threw at them. Overall this was a very good team performance from all accounts.

Team: Donal O'Rourke, Seamus McCarthy, Tom Mansfield, P. Coffey, Martin Lacey, Sean Costin, Donnagh Cummins, Kevin Foley, John Buckley, Shane Coughlan, Martin Power, Paul Landers, Jamie McGrath, Kenny Mason, Damien McCarthy, Subs Paul Lacey, Anthony McCarthy, Stephen Kett, John Cunningham, Fintan Murray.

### Minor Hurling

Last Wednesday our lads travelled to play the Brickey's in Clashmore. At the start of the year it was discussed whether we would field in this grade due to the lack of numbers, but in fairness to the lads they put in a spirited performance against a good Brickey Rangers outfit losing on the scoreline 4-17 to 1-11.

Best for Cappoquin were Keith Landers, Tim Looby, John Cunningham, Paul McGrath, Ivan McLaughlin, Conor Heffernan and Kevin O'Rourke.

Our next fixture is today Wednesday 15th May against

Colligan in Dungarvan at 7.00 pm. Transport leaves the Square at 6.00 pm.

### Western Junior Football League

This Sunday May 19th Affane play their first game in the Junior Football League where they play Old Parish in the Sportsfield at 11.30 am in Round 2. On Friday May 26th the lads take on Stradbally in Round 3 at the Sportsfield. Our round 1 game with Kilgobnet which was postponed will be refixed.

### Western Junior Hurling League

The lads travelled to Kirwan Park, Touraneena on Sunday last where the weather was treacherous. This was a game where the strong wind dictated play. Our lads led at half time, 7 points to a goal but failed to score in the second half as the gale got stronger. Whoever was mad enough to stand out and watch this game under the conditions had the privilege to see the goal of the season from one of the St. Mary's men, who doubled on the ball 50 metres out on the touchline and went all the way to the roof of the net, which left our keeper Fintan stranded. I do not know had divine intervention something to do with it or not because I reckon it would be a hell of a job for it to happen again but who knows. The final score was St. Mary's 2-6 Cappoquin 0-7.

Well done to all those who made the effort to line out on such a bad evening and put in a good display.

Team: Fintan Murray, Shane Barry, Sean McCarthy, Brian McCarthy, Gary Morrissey, Kevin Looby, James Lacey, Steven Kett, James McGrath, John Cunningham, Shane Fraher, James Mason, John O'Connor, Brian Murray, Benny Cunningham.

Next Junior Hurling League match is against Dungarvan in Clogherane on Friday June 2nd.

Anyone looking for tickets for the above match contact Mary Coughlan at 058 54094. First preference goes to paid up club members.

### U-14 Hurling

Philip O'Rourke, Mike Devine, Colm Looby, Patrick O'Connor, Ross McLaughlin, Shane O'Rourke, Darren Curran, Pat Fitzgerald, Darren Curran, Derek Cahill, Finan Murray, Evan McGrath, Liam Coffey, Ray Hallissey, Vinney Burns.

### U-11 Hurling Town and Country League

Cappoquin played Lismore and Cois Bhride last week and had wins over both sides. Today (Wednesday) the lads play Abbeyside. The final of the Town and Country League is fixed for the Fraher Field this Saturday at 6.00 pm with either Cappoquin or Lismore meeting Dungarvan in the final. A win or a draw with Abbeyside would put Cappoquin through.

Panel: Ray Hallissey, Liam O'Gorman, Colm Looby, Mike Devine, Ross McLaughlin, Darragh Fives, Patrick O'Connor, Finan Murray, Derek Cahill, Pat Fitzgerald, Brian Crotty, Philip O'Rourke, David Murphy, Darran Curran, P. ## VISIT TO CHANAT LA MOUTEYRE FOR THE FETE DU FOUR

Sixteen people travelled to our Twin Town, Chanat, for this memorable visit to a unique area, writes Helen McGrath, where we stayed with lovely, warm and friendly people. Our limited French and their limited English was an inconsequential barrier as we communicated very well though we resorted at times to sign language or the dictionary.

It is impossible to pick out 'highlights' from the very varied programme. The whole weekend was a highlight from the very high-tech, impressive 'Vulcania' centre for the study of volcanology to the traditional local Baking Festival where it seemed enough apple tarts and brioches to feed the population of the Auvergne were baked in an ancient brick oven remarkably similar to the one used by Barron's Bakery.

We also visited the impressive Puy de Dôme with its Roman temple ruins, highest point of the Chaîne des Puys range of over eighty volcanoes - we had been assured at Vulcania that the last eruption had occurred over 7,000 years ago and the next was not imminent!

We were treated to a guided tour of the Museum of Cutlery in the quaint medieval town of Thiers. This town is to cutlery what Waterford is to crystal and the similarity is very clear when one bears in mind that neither place has any obvious advantage such as availability of raw material and that their success is based on the skills of their master-craftsmen passed on through generations.

The warmth of our welcome by the people of Chanat is shown by the efforts that they made to arrange the visits to Vulcania and Thiers. Vulcania has only just opened to the public and is booked out for months to come, the Museum in Thiers is closed every Monday at this time of year but our hosts' persistence gained us entrance to and extensive tours of both.

We also witnessed the French Presidential Election at first hand when we visited the polling station to see their method of voting. Many Chanaois who had not voted in the first round because they worked or studied away from home had made a special effort to return home for the weekend in order to vote; they were determined not to allow apathy determine the outcome a second time. In Chanat the result was announced within half an hour of the poll closing and showed Jacques Chirac had over 90% support.

On our part we performed set dances and introduced our hosts to 'The Siege of Ennis' and 'Shoe the Donkey' as well as singing a few Irish favourites. Aine Ní Fhiannusa's singing was a huge hit with the Chanaois and with the Basque Folk group who were delighted to have her join them at the open air concert on Sunday. We also took with us the 'raw material' which enabled us to serve up more than 200 Irish Coffees to the public at the concert.

Throughout the weekend we enjoyed marvellous hospitality in the homes of our host families where warm bonds of friendship were built up whilst they treated us to many wonderful meals taken in the leisurely French style and, naturally, much wine and even champagne. They must have been left exhausted after providing such a very full programme covering four days. Merci beaucoup to Jacqueline Queyriaux, President of the Chanat Twinning Committee and her team for all their work and to Keith Dransfield for his organisation of the trip.

You can see more about the Twinning, including photographs, on the Internet by following the Town Twinning links at both [www.cappoquin.org](http://www.cappoquin.org) or [www.Cappoquin.net](http://www.Cappoquin.net)

## Cappoquin Karate Club

The club travelled to Cork on Sunday last to compete in a competition hosted by the Ballyphehane Club. We were well represented by the Aghlish contingent with Laura Glavin (1st) and Niamh Halley (2nd) pulling off a one two in the girls freestyle, and not to be outdone Michael Heaphy (1st) and Gary Hurney (2nd) pulled off the same feat in the boys freestyle. Shauna Hurley, Jamie Glavin, Eoin O'Connell and Terance Robson also performed very well and a very special thanks to the parent who took the time to take the competitors along on Sunday. P.S. on Wednesday 22nd May the club will be holding a grading and training under Ray Payne, details to follow.

# Author Captures Dungarvan Of The 1960's

WRITES RÓISÍN O'SHEA

On Thursday night, May 2nd, Dungarvan author Tom Keith launched his eighth book entitled 'In Living Memory', at the Central Library, Dungarvan.

Dignitaries and well-known Dungarvan faces attended. Mayor Teresa Wright formally thanked Tom for all the help he has given this year, especially in his role as supervisor at the Sports Centre, and congratulated him on his eighth publication. She praised his initiative stepping forward immediately to offer alternative accommodation when the Youth Centre burnt down. County Manager Dónal Connolly said that he was delighted to be associated with the launch and joined with the Mayor in congratulating him, "this is an excellent publication, one which will be an excellent read for everyone" he said.

Dungarvan songwriter and poet Mai O' Higgins officially launched the book, thanking Tom Keith for such an honour. "My association with Tom started back in 1990 after the St. Patrick's day parade. 'In Living Memory' captures the mood of the 1960's in Dungarvan. It is rich in parts and is a piece of history that is worth preserving. I congratulate Tom and I

feel that this will not be his last book. I recommend this book to everyone, it will give hours of satisfaction".

Tom Keith thanked everyone especially the 15 people who either agreed to be interviewed or wrote their own contributions. The 15 people the book is built around are Gertie Morrissey renowned organist, Captain 'Paddy' Rheinisch, Seán Casey (cable t.v.), Eileen O'Flynn, Joan Bailey, Peter Crotty the Iron man of boxing, Michael Ryan manager of Waterford lady's football team, the late Colonel Chevass, Michael Duggan, the singing and whistling Paddy O'Brien, Michael and Rita Landers, decathlon athlete Dan McGrath, and Professor Walton. "Thank you to many people, those here and friends, not least my wife Carmel whom this book is at last dedicated to" said Mr. Keith.

Having probably not included everyone who had a story to tell the author quipped that at least it guaranteed a second book. He thanked Dónal Brady of the Dungarvan Library, including staff Richie, Anne and Evelyn for the tremendous

assistance that they had given him and the wonderful reception on the night. Also present were Fr. Moran, Cathy Connolly wife of the County Manager, Nora Fahey, Aine Rior-dain and Anne Granville of the Feile Na Deise Committee and the one and only author and 'Bachelor in trouble' Seán Murphy.

'In Living memory', now on sale, contains a wide variety of stories, reminiscences, and recollections, with photos to illustrate life in one of the most turbulent centuries in our history.

Pictured at the launch of "In Living Memory" a book of reminiscence about Dungarvan and area by fifteen contributors are from left, Mai O'Higgins, Dungarvan poet and songwriter, Tom Keith, author and Cllr. Teresa Wright, Mayor of Dungarvan. (Rory Wyley)

### EDMUND RICE BICENTENNIAL CELEBRATIONS

The school was very well represented at the recent celebrations of mark the bicentenary of the founding of the Christian Brothers. Friends of the brothers turned up in huge numbers to virtually fill the R.D.S. in Ballsbridge, Dublin. Many will have seen the event live on RTE television, and, while there were a small number of protesters outside

the venue, it was still a very happy and celebratory occasion, honouring the massive work in Ireland and in 34 other countries throughout the world done by the Irish Christian Brothers for the poor and the deprived in times and places where the Celtic Tiger or any other metaphorical tiger was only a pipe dream. Both Cardinal Connell and Br. Darryl Barclay acknowledged that the good had also been tarnished by some hurtful behaviour on the part of the minority in the order, but the overarching view was of colossal achievement in the spiritual and educational fields right down from Edmund Rice's own time. Everything was splendidly organised down to the last detail - the prayers, the readings and the music. On a beautiful sun filled spring day, it was good that the sacrifices of so many brothers who gave their lives so that the deprived and the less fortunate could be educated into fulfilling, productive and meaningful lives.

Our own Bishop Lee in whose diocese the order was founded was also present to honour the occasion. I am grateful to those associated with our school who made the long journey on Sunday to represent us. Our students Donal Creegan, Matthew Kirkham, Brian Blake, Barry Moore, Maurice Dunford, Peter Cummins, Aaron Norris, Tom Hayes, John David O'Connell, Shane Tobin and Kieran Harty, our deputy Principal Mr. John Murphy, Mrs. Geraldine Flynn from our teaching staff, Mrs. Patricia Stam from our Parents Council, Mr. Pat McGrath, past pupil and former member of the board of management, and Mrs. Nellie McGrath, Parent along with yours truly, attended as befitting the Christian Brothers third foundation after Mount Sion and Carriek on Suir. They provided the most pleasant and light hearted company for the day.

All in all, a day to remember and I'm delighted that we were part of it. —(J. Ryan).

## Busy Programme for Comhaltas Musicians

On the last weekend in May Craobh na gCumarach will run a bus to Ennis for the Fleadh Nua where once again Cul Cheoil have been invited to provide entertainment on the Gig Rig.

This is quite an achievement as there are many other groups throughout the country not selected to appear at this prestigious event. Congratulations to Kevin O'Farrell who has been invited to give a solo performance at the Aos Og concert in Ennis. Kevin who is only 13 years old has won several All-Ireland titles will enjoy this experience, especially working with professional producers during the two day rehearsal.

### EXAM CENTRE

Once again Halla Cúl na Smear is the venue for the Summer Music Exams on the 15th & 16th of May. The examiner is Paddy Ryan from Roscommon who was the examiner at first exams a couple of years ago.

Preparations are in full swing for the county Fleadh Cheoil which is hosted by Craobh na gCumarach in Toor an Fhiona from the 17th to 19th May.

## LOCAL HISTORY - THE CONFEDERATE WAR

In October 1641 the Gaelic Irish of Ulster revolted against the English government and drove out what settlers they could. In the remainder of Ireland there was no response until Spring when the Catholic landowners decided to rebel against the government. The Catholic landed gentry rebelled en masse. At this stage they all feared for their lands. Richard Butler of Kilcash, brother of the Earl of Ormond and a fervent Catholic, captured Clonmel, Fethard and Carrick-On-Suir.

Richard Butler then marched on Dungarvan, the nearest available port, where the Lord President of Munster had appointed Lieutenant Rossington to be governor of the castle. Already the castle was full of refugees, the English settlers and their families from town and countryside who had fled within its walls for safety.

The rebels had no equipment to besiege it. Then a plan was concocted to offer the ladders of the town for safe keeping in the castle and when they were being delivered, the bearers blocked the open gates. Assaultants then rushed in and took the castle. Among those who had refuge there were Mrs. Bolt, wife of the Protestant vicar; Henry Davis, a Chandler and his wife; William Farmer, an innkeeper and a Mrs. Churton. These English names prove that the plantation and colonisation of the town were already progressing.

The new governor of the castle was John Butler from outside Carrick-On-Suir. Sometime afterwards a small cargo of gunpowder arrived in Dungarvan with some assault cannon in a ship that had been sent to France for the purpose. The port became very important to the rebels who wished to keep in touch with the European mainland. On the south coast of Ireland, Waterford and Dungarvan were the only ports that served the needs of those in arms in Counties Cork, Tipperary and Kilkenny. The ports of Youghal, Cork and Kinsale were never in rebel hands.

## CAUSEWAY TENNIS CLUB

Work is in progress on the new tennis courts in Walton Park, Abbeyside.

The picture above shows Charlie Gott and Gary Horgan (in jacket) busy at work on the perimeter railing for the new amenity. The contract for the new courts was awarded to Synthi Green, Sports Surfaces Ltd., Cork.

## ANOTHER BOOK BY TOM KEITH

Tom Keith, "Sacre Coeur", Ballinroad, Dungarvan, Co. Waterford has published his eighth book title 'In Living Memory'.

It is a compilation of articles by people from Dungarvan and surrounding areas and deals with life in the twentieth century relating to the particular interests of these people.

Two residents of Abbeyside contribute articles - Eileen O'Flynn and Seamus O'Brien both of whom dwell in Murphy Place, Abbeyside.

Eileen O'Flynn Remembers Her Life and outlines Tales of the Railway in Dungarvan.

Seamus O'Brien contributes a chapter on the GAA in Waterford and in the 20th Century.

The 20th Century represented the era of greatest change worldwide. During the 1900's humankind went from mainly horse-drawn transport to space exploration and from blood-letting to brain surgery and organ transplant. It saw the splitting of the atom and the two greatest and most destructive wars ever.

Tom Keith's new book attempts to record some of the less dramatic details of the area in the 1900's through the memories of people who made a significant or memorable contribution to our daily lives.

Other books by the same author include: 1 Carole Wiley, An Everyday Housewife. 2 The Christian Brothers in Dungarvan. 3 Hours of Gladness. 4 Mai O'Higgins, All For A Song. 5 Basketball, The Dungarvan Experience (With Danny Thompson). 6 The Colours Blue and White. 7 Deise 2000, The Millennium Experience.

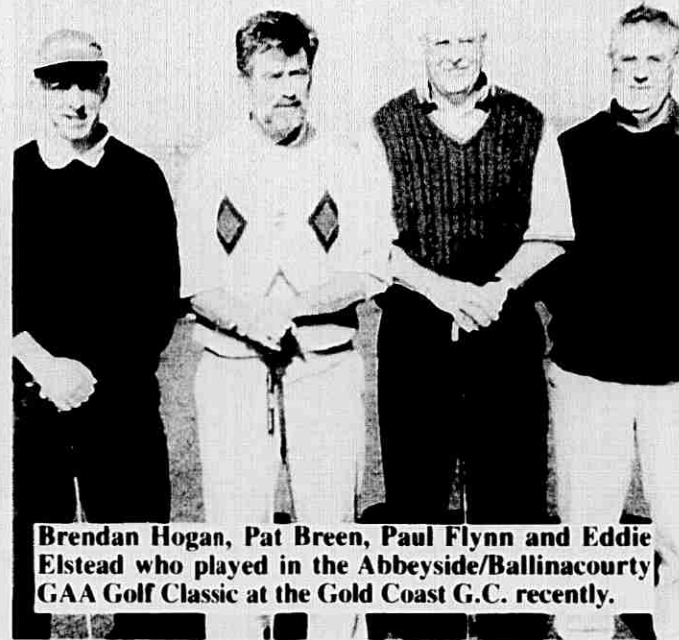

'In Living Memory' was printed by Litho Press, Middleton, Co. Cork and costs 10 euro.

## Abbeyside Reference Archive PHOTOGRAPHS

A few weeks ago a man gave us some photographs. What was special about them was that they were taken many years ago. One showed a football match at the Gaelic Field while the goal had no crossbar but two posts on the outside to record the points. Another was taken in the interior of Dungarvan Post Office when it was located on the square. While the third showed a family in their pony and trap. He also gave us a copy of the registration of the ship "The Harvey", which had strong connections with the local port. This Sunday evening Fintan Strain will be at the Parish Office minding the above and all the other 'treasures'.

Brendan Hogan, Pat Breen, Paul Flynn and Eddie Elstead who played in the Abbeyside/Ballinacourty GAA Golf Classic at the Gold Coast G.C. recently.

## ABBEYSIDE SCOUT NOTES

### THE BIRD

The Old Crow is a cantankerous, opinionated bird but I think we might allow him an occasional squawk, don't you? After all, we don't have to agree with everything, or anything, he says.

### If you want my opinion

From where I'm sitting in this blasted oak tree it looks as if far too much is being demanded of your run-o'-the-mill Troop Scout Leader. Week in, week out, he is expected to provide, for a company of boys of mixed ability, an interesting, amusing, adventurous programme of progressive training, capable of being implemented with limited resources of money, material and technical expertise. It's as if you asked a bird like me to fly like an eagle, swim like a duck, sing like a canary, all at the same time.

If you want my opinion (many people don't) what your Movement is suffering from is a bad case of technological malnutrition in the Troop night programme, brought on by a kind of Vitamin C deficiency in the official syllabus of training - C being the co-ordinate for technical matter which can easily be translated into lively, creative activity of the sort referred to above. No doubt this will be attended to in the fullness of time. Meanwhile, chaps who don't share the Troop Scouter's problem should stop accusing him of running 'unimaginative' programmes.

### THIS WEEKS QUOTE

'Our youth now love luxury. They have bad manners. Contempt for authority. They contradict their parents, chatter before company, gobble up their food and tyrannize their teachers.' - PLATO (427-347 B.C.)

### THANKS

We say thanks to all who helped to make the recent Alzheimers Tea Morning held at the Scouts Den such an outstanding success. This year 600 Euro was raised from what proved to be an enjoyable tea break. We know that the money raised will be put to very good use and we say thanks for your support. - Scribe.

# WILLOW BROOK TALLOW

## Stunning Detached and Semi-Detached Houses

Willow Brook is an exciting new development, offering a convenient location, with affordable prices and spacious homes. Providing three-bedroom semi-detached and four bedroom detached houses, this Blackwater Homes development is ideal for those fed up with suburbia, out of reach houses prices and traffic gridlock.

Located in the beautiful West Waterford town of Tallow on the banks of the River Bride, it uniquely offers the perfect mix of both rural and urban worlds. A busy town in a rural setting, all facilities and services are close at hand, but with a quality of life that is synonymous with the countryside.

### NATURAL AMENITIES

Set among the breathtaking scenery of West

Waterford, and on the border of County Cork, a host of natural amenities are on offer.

Anglers are spoilt for choice in the area, with the impressive River Bride attracting visitors from around the globe, while the equally renowned River Blackwater is only five minutes away.

Golfers are equally well served, with a choice of 8 top quality courses all within a 20 minute drive. Children are certainly not forgotten with hurling, football and soccer just some of the activities on offer in the well organised local clubs, while schools in the area are in equal measure renowned and respected throughout the county.

However, it's the short commuting distances

which are the real attraction for people on the treadmill of today's hectic lifestyle - Cork city is only 30 minutes away while the towns of Fermoy, Middleton, Youghal and Dungarvan are just 20 minutes away or less.

### COMPLETED TO HIGHEST STANDARDS

All houses in Willow Brook will be completed to an exceptionally high standard and will include a Homebond 10 year structural guarantee to offer the house buyer peace of mind.

Each house will have

oil fired central heating as standard along with PVC windows and external doors. Both the three bedroom semi-detached and four bedroom detached houses will be insulated to the best standards, wired for an intruder alarm and have teak staircases and regency internal doors.

The main bedroom of the houses, are en-suite and include an electric shower, while all houses also feature a spacious kitchen/dining area, living room and hall. The detached houses also offer a utility room along with an extra bedroom.

Externally, householders can look forward to an impressive landscaped front garden and a spacious rear garden with timber panel rear boundary fencing and a tarmac driveway. All houses will also have a dry dash external finish.

Meanwhile, the three bedroom semi-detached

houses have a generous floor area of 925 sq ft while the four bed detached houses, have an impressive floor area of 1,087 sq ft.

The houses are marketed at an affordable price, and the costs to potential house buyers are further mitigated by the offer of an allowance for interior painting (€1900), a fitted kitchen (€1270), a fitted fireplace (€510) and quality sanitary ware (€850).

### AFFORDABLE HOUSE PRICES

The Blackwater Homes Development, which consists of 53 houses, in a well-designed space, is the perfect opportunity for first time buyers. While house prices have spiralled in large urban conclaves, prices in more rural based towns have remained affordable.

Willow Brook is an example of this with prices in this new development ranging from €107,290 for a 3 bed semi-detached, up to €125,025 for a four bed detached home.

Sherry Fitzgerald Hennessy, property advisers on the Blackwater Homes Development will secure a home for you with a deposit of only €4,000.

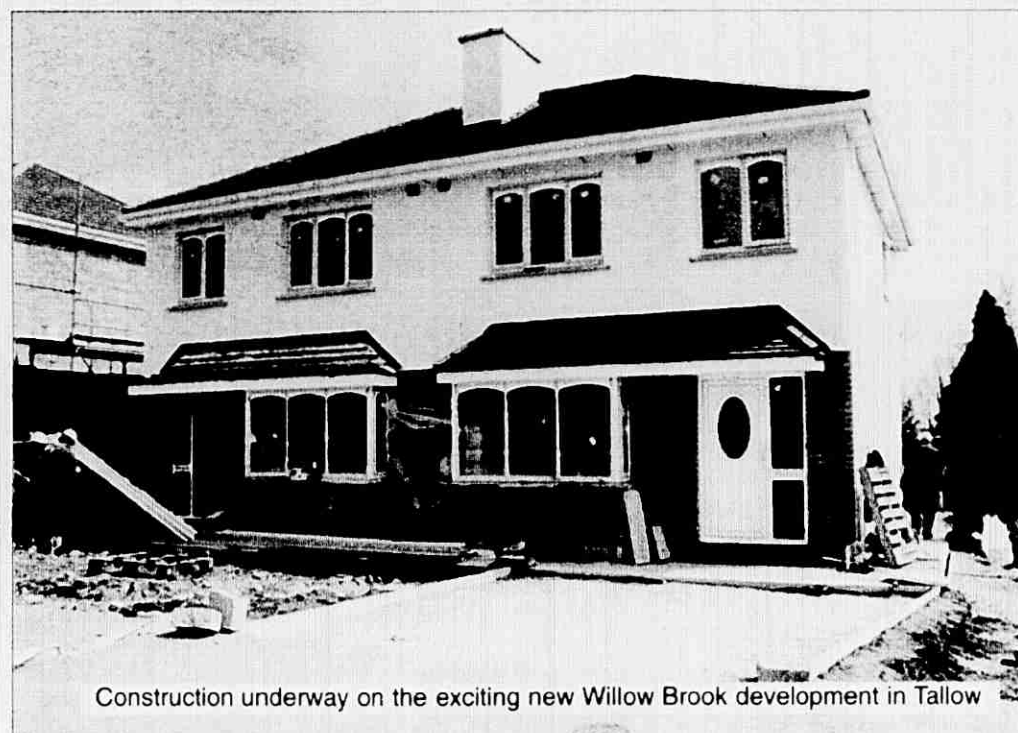

The Willow Brook Show House opens on Sunday 19th from 1-5pm with WLRfm Roadcaster on site.

These houses with their combination of attractive location, affordable prices and design have already created a huge interest from the public throughout the county. Such has been the interest in fact, that just one detached house remains on the market and twenty-six semi-detached houses, so potential buyers will need to show their interest soon, before a unique opportunity passes them by.

In short, Willow Brook offers beautifully designed houses at very affordable prices, making your dream home, closer than you thought!

FITZGERALD CUP FINAL SPONSORED BY DUNGARVAN INSURANCES LTD

# Exciting Cup Final In Prospect

This Saturday night in Lismore the final of the Liam Fitzgerald Cup kindly sponsored by Dungarvan Insurances Ltd takes place between Cappoquin and Valley Rangers with a 6.45 pm kick off. Last year both sides met in the final with the cornerstone side coming out on top.

This will be their fourth meeting this season with Cappoquin completing a league double - home and away wins - and Valley winning the Munster Junior Cup round in Conna.

Since then Cappoquin have been crowned league champions and as holders of this Cup will not want to relinquish it. Maybe forced to field without some of their championship side Cappoquin will be favourites to retain the Cup. In the semi final they got a rare fright when Gortroe held them to a scoreless draw and the league champions getting through on penalties.

Valley Rangers on the other hand had an easier semi final defeating Clashmore by 3 goals to nil. It is all to play for then and Cappoquin should have the Lacey brothers, Power, Sullivan etc to inspire them, while Valley will depend on Sean Twomey, the Corrs, Bryan and Hogan to help them add to the Bolger Cup they won last October. It would be a wonderful achievement to win both the Bolger and Fitzgerald Cups in the one season, honouring two who have given so much to the Red House League. On current form it has to be Cappoquin.

In the Premier Division, by the time these notes appear both Valley and Castlebridge will have played a vital relegation game which effects Castlebridge and Ardmore. This game takes place in Castlelyons on Wednesday 15th May.

On Wednesday 22nd May, Lismore play Valley at the Castlefarm Grounds. This should determine the runners up spot in the Red House League.

## St. Olivers Ladies Football News

**JUNIOR FOOTBALL RESULTS**

On Sunday last we played our 4th round of the championship against Stadbally in Stradbally. A win was vital for us to stay in the running of the championship. We opened the match with a point from Ashling O'Brien, but the weather made scoring chances

difficult for both sides. After a tough first half we lead with a score line of 2-2 to 1-2.

Once again we started the second half strongly with points from Ashling O'Brien and Ann Kiely. We proved to be the stonger team in the second half as we came away with a well deserved win.

Scores by: Ashling O'Brien 1-5, Sara Flavin 1-0 and Ann Kiely 0-1.

**TRAINING**

There will be junior training this Friday at 7:30, also all players please bring Membership fee.

**Hurling League**  
We received another walkover from Ardmore in the League last Saturday night. While the players were disappointed not to have played a match, this result now means we have qualified for the knockout stages of the League.

# Abbeyside/Ballinacourty G.A.A. Notes

## U-16 COUNTY FOOTBALL FINAL

Pride of place this week falls very definitely with our under 16 Footballers who against all of the odds pulled out a great win against a far bigger De La Salle Team in Walsh Park last Saturday. Well done to Captain Joey Mullen and his merry band of Footballers. Also to Bernard Gorman, Jim O'Mahoney, Paudi Donnelly and Seamus Murray on doing an excellent job in preparing this team. All in the Club are extremely proud of this team. There is an interesting connection with the 1965 under 16 team, which lost to Kilmac-thomas in the County Final. Tom Whelan and Seamus Murray had come in from Ring to play with Abbeyside as Ring did not have enough lads to run an under 16 team at that time. Both had sons on last Saturdays winning Team and both lads played outstanding. Anthony Whelan and Tiernan Murray were the lads in question. Now both houses can show off those elusive under 16 County Medals.

## THE GAME

Our U-16 Footballers won the County Football Final on Saturday last with a fantastic display of football defeating a gallant De La Salle team. The match was played in near perfect conditions in Walsh Park. De La Salle opened the scoring with a point and Ballinacourty hit back immediately with a goal from Jason O'Brien. De La Salle added a further point. Both teams settled into a good pattern of football, with some excellent passing and movement off of the ball. Ballinacourty scored another goal from a fine solo run of 65 meters by Mark Gorman. De La Salle then added 3 points without reply. Ballinacourty then surged forward to add 1 point from Patrick Hurney who was outstanding at midfield. This was followed by a goal from Peter Phelan. This left the half time score at 3-1 to 0-5. The second half began as frantically as the first half had finished. De La Salle came back strongly scoring 1-5 to go a point ahead. They continued to pile the pressure on our back line where John Kindregan was outstanding, with the determination of Cian Moloney, Shane Donnelly, Joey Mullen, Tiernan Murray and Anthony Whelan and some brilliant goal keeping from Declan Byrne they stood firm and weathered the storm. With 8 minutes to go the score-line was 3-3 to 1-10. All credit to the Ballinacourty boys as they showed great character. Mark Gorman scored a point from a free to level the game. This seemed to be the catalyst with which the Ballinacourty boys raised their game yet again. A fine point from a difficult angle again by Mark Gorman, who was outstanding in the forwards, giving Ballinacourty the lead. Almost immediately a fine pass from Shane Delahunty resulted in Peter Phelan finding the net for the second time in the match. The forward line all worked hard for one another, with Shane Delahunty, Mark Fives, Brian Scanlan, John Gorman, Peter

Phelan, Jason O'Brien and Mark Gorman creating some great play. John Gorman added 1-1 and Ballinacourty supporters had barely recovered from these when Brian Scanlan chipped the ball over the De La Salle keeper for the final score of the game.

Final Score was Ballinacourty 6-7 to De La Salles 1-10.

This was a superb game of Football and great credit must go to both teams for the sporting manner in which the game was played. Panel was as follows. Declan Byrne, Cian Moloney, John Kindregan, Tiernan Murray, Anthony Whelan, Joey Mullen (Captain), Shane Donnelly, Patrick Hurney (0-0) Mark Fives, Peter Phelan (2-0), Mark Gorman (1-4), Jason O'Brien (1-0), Shane Delahunty, John Gorman (1-0), Brian Scanlan (1-0), Mark Ferncombe, Darryl Ryan, John Cosgrave, Diarmuid O'Hare, Seamus O'Donnell, Donnacha Enright, Jason Reynolds, Richie Foley, Sean O'Hare.

U-16 County Football Sponsorship and Supporters.

Special words of thanks are due to the following that generously gave us

sponsorship and they are Celtic Hygiene & Pest Control, Les Delahunty and Jack O'Hare. Last but by no means least thank you to all the supporters who travelled to support the lads it meant a great deal to them.

## SENIOR FOOTBALL LEAGUE GAME

We play our great rivals Dungarvan next Saturday night the 18th of May at Abbeyside in the Division Two Senior Football League. All players are asked to make themselves available as we are trying to keep up the momentum in this League. It is all our wishes that we do our best to regain a spot in Division 1 of the League. This game is timed for 7.30 pm.

## JUNIOR FOOTBALL LEAGUE

This fixture is against the Brickets out in the Brickets at 11.30am on Sunday morning the 19th of May. We had a poor turn out for the last Junior Football match so we are making a special appeal to all those eligible for this game to please make themselves available and get out of bed on Sunday morning. The weather forecast is great for Sunday so there is no point in hanging a round in bed.

## DIVISION 3 HURLING LEAGUE

A marvellous turn out against Ferrybank saw us take the two points, which now gives us 6 points from a possible 8. This win was based on hard work and a lot of commitment. Ferrybank are always a great team to play against as the hurling is fast and no quarter is asked for or given. These are the type of games we need to continue to improve our hurling and with the Championship looming on the 21st of June this was a welcome treat. Training has slackened off a bit so we need more commitment from lads that are a round during the week. With the Leaving Certificate about to start and College exam time we need the lads who are available to train. It's not fair on a small band of committed players to

Ballinacourty who defeated De La Salle in the Ger Wyley Sports sponsored Under-16 Division 1 Football Co. Final at Walsh Park. (Photo by Kiely Photography)

be pushing all of the time. However well done to all those who played last Friday night and fair play to Ferrybank for coming to Abbeyside. Friday evenings can be hit and miss when so many lads are in college or working away these days. We did not use our full compliment of Substitutes as we were also out on Saturday evening playing Junior "A" hurling. The team for this game was as follows. Michael Enright, Michael Fives, Mick Collins, Emmett Byrne, James & John Paul Keohane, Brendan Mansfield, Gavin Breen, John Foley, Laurence & John Hurney, Sean "Hiker" McGrath, Sean Kiely, Alan Ryan and Damien Cliffe. Substitutes used Brian Hayes, Paul Veale, Seamo Burns and David Cashin. The lads who were also on the line were as follows Joe Walsh, Denis Byrne, Eoin "Moggy" Murray, Aonghus Murray, David "Guicky" Ferncombe and Pat Enright. Remember training continues at 7 pm on Tuesday and Friday night. Remember selector contact numbers are as follows in case you cannot make training. Michael Cosgrave at 087-7682068 or 058-45797, Mike Briggs at 087-6993827 or 051-331319 or 058-45101, Alan Ryan at 087-7995144 or last but not least Tom Whelan 058-45434.

## JUNIOR HURLING LEAGUE

This win against Kilgobnet last Saturday night in the Junior "A" hurling league was a great turn up for the books as we had lost our first game to Clashmore. The spirit that was shown by all the lads who turned out was excellent. Particularly when you consider that Alan Ryan and Brendan Mansfield had played a full game each the night before against Ferrybank. Seanie Kiely played the first half. Also Paul Veale and David Cashin had come on as substitutes in the same game so this made this win special for a hard working team. We must make a special mention also for Paul Veale who came off injured after an accidental clash and to David "Guicky" Ferncombe who also got injured. Both had to be dragged off of the field as neither wanted to leave the team down. We wish them both a speedy recovery. On the night we came away with a two-point victory. We were helped on our way by a great goal from Michael Cosgrave who lined out at full forward. Ger

Collins continues to defy scientific reasoning considering he couldn't walk on Thursday and yet turned out Saturday night to play a stormer at full back. Who needs to go to Lourdes just drink the stuff Ger Collins drinks and you can do anything. Pat Enright was marvellous on goal and his puck outs were a feature of this game, which took huge pressure off of our midfield and half back line. The team that played was as follows. Pat Enright, Brendan Mansfield, Ger Collins, Denis Byrne, Joe Walsh, Eoin Murray, David Cashin, Alan Ryan, Patrick Lynch, Paul Veale, Richie Morrissey, Luke Brennan, David "Guicky" Ferncombe, Michael Cosgrave and Sean Kiely (welcome back Seanie). Substitutes used. Jason Donovan, Brian Byrnes. Lads that travelled but unfortunately did not get a run were John Paul Mills, Declan Enright and Richie Cosgrave.

## WATERFORD V CORK IN THURLES

On the morning of the Waterford versus Cork Game we are playing Cashel King Cormacs in a Hurling Challenge in Cashel. This is serious challenge so we are asking all Hurlers to make themselves available, as this will only be 3 weeks before our Championship game. It is our intention to run a bus so anyone who fancies a bus ride to Thurles and also get to support the hurlers in Cashel in the process get your name in now. The match is timed for 11 am. There will obviously be a limited number of spaces and the cost per head will be notified in due course. This Bus will return to Abbeyside by 9.30 pm so families, girlfriends etc are welcome.

## CO. FOOTBALL DUTY

We had three Senior Footballers involved last weekend. Shane Briggs and John "Fifi" Phelan with the County Senior Football Team who went down to Clare in the first round of the Munster Senior Football Championship. John Hurney played corner back in the Waterford Junior Football Team that played against Clare in the Munster Junior Football Championship. Unfortunately the Juniors also lost to Clare.

## THE PRIMARY GAME

Well done to Conor Moloney and Stephen Slater who played for the Waterford Football Team in the Primary game at Fraher Field last Sunday before the Senior Championship Game against Clare.

## FOOTBALL MANAGER AND HURLING MANAGER GET THE BRUSH

With all the excitement of winning on Friday night against Ferrybank it would true to say that the great "Mixer" Byrnes was on a high. This is a man who on Friday night could have walked on water. The gauntlet was thrown down in Minnies on the Pool table. The great "Mixer" was teamed up with Paddy "The Professor" Keohane. The challengers were Michael Cosgrave the Football Manager and Mike Briggs the Hurling Manager. Well like a whirlwind the "Mixer" dazzled everyone with his footwork and speed a round the table whereby all balls were sunk by Mixer and the Professor. Then it was left to Briggs to sink one ball to avoid the brush but alas due to a combination of circumstances he failed to sink a ball and was even kind enough to leave the black strategically placed for our heroes to give the brush to both managers. As Cosgrave groaned with the shame of it "Mixer" was heard to say "Briggs you must be the worst Pool Player ever" and there is no arguing with that. Briggs's misspent youth was not spent in pool halls and that's for sure.

## SONG OF THE WEEK.

This week we honor Ger Collins with a rendition of "Two Wheels on my Wagon

and I'm still rolling along". One leg wobbling and one leg bandaged and Collins gives a John Wayne type performance up in Kilgobnet in the Junior Hurling League last Saturday. When asked in the dressing room afterwards how he was feeling Wayne, I mean Collins said, "I feel much better now".

## CONDOLENCES

Our sympathies this week are to Gary Burke and the Burke family on the death of Gary's Grandmother.

# BIRTHDAY REMEMBRANCES

**KEOHAN** — Birthday Remembrance of my dear husband and loving father, Michael Keohan, Fenian Place, Abbeyside, whose birthday occurs May 16.

Sometimes only a day,  
But deep down within our hearts,

You'll never be far away.  
How dearly we loved you  
and prayed that you'd live,

But Jesus just beckoned  
and we had to give,  
For no one knows the heartache,

That lies beneath our smile,  
No one knows how many times,  
We've broken down and cried.

We want to tell you,  
Michael,  
So there won't be any doubt,

You're so wonderful to think of,  
But so hard to live without.

(From your loving wife Jean, sons John, Paddy, Billy and grandchildren).

**KEOHAN** — Birthday Remembrance of my dear father, Michael Keohan, Fenian Place, Abbeyside.

I lost a dad with a heart of gold,  
How much I miss him can never be told,

He shared my troubles and he helped me along,  
If I follow his footsteps I will never go wrong.

I miss you from your kitchen chair,  
Your loving smile and gentle air,

Your vacant place no one can fill,  
I miss you dad and always will.

He was a father so very rare,  
Content in his home and always there,

On earth he toiled, in heaven he rests,  
God bless you, Daddy, you were one of the best.

(From your loving daughter Sinéad).

**KEOHAN** — Birthday Remembrance of Michael Keohan, late of 1, Fenian Place, Abbeyside, which occurs on May 16.

Will those who think of him today,  
A little prayer to Jesus say.

(Sadly missed by his son Ollie, Sinéad and Shannon).

**KEOHAN** — Birthday Remembrance of Michael Keohan, Fenian Place, Abbeyside, whose birthday occurs on May 16.

You always had a smile to share,  
A laugh, a joke and time to care,

Each of us in our own way,  
Have special thoughts of you today.

Your name is often spoken,  
We talk about you still,  
You haven't been forgotten,  
Dad,

You know you never will.  
(Sadly missed by your loving son Timmy and granddaughter Lauren).

**KEOHAN** — Birthday Remembrance of Michael Keohan, Fenian Place, Abbeyside, whose birthday occurs on May 16.

They say God has mysterious ways,  
And this is very true,  
Little did we realise, Dad,  
What he had in mind for you.

We did not fully understand,  
How sick you really were,  
But he knew how you suffered,

And the pain you had to bear.  
For he ended all your suffering,  
As he gently closed your eyes,

And took you in his loving care,  
Back home to paradise.  
You often said we would miss you,

Your words they have come true,  
I lost the best and dearest dad,  
The day that I lost you.  
Happy Birthday Dad.

(Your loving daughter Mary).

**GRANDAD**

Deep in my memory, forever in my thoughts,  
Happy Birthday Grandad.  
(Your loving grandson Patrick and granddaughter Kerri).

**KEOHAN** — Birthday Remembrance of Michael Keohan, on May 16, first birthday away from home, late of 1, Fenian Place, Abbeyside.

Go to your garden, Lord,  
We know that's where Grandad will be,  
Resting in an easy chair,  
Beneath a shady tree.

Whisper gently to him,  
A message from below,  
Wish Grandad a happy birthday,  
And tell him how much we love and miss him so.

Please God, look in your garden,  
Where all your angels play,  
Pick him up, kiss his cheek,  
And softly say Michael and Jessica love you.

(Happy birthday grandad — from your loving grandchildren Michael and Jessica).

**KEOHAN** — Birthday Remembrance of Michael Keohan, on May 16, first birthday away from home, late of 1, Fenian Place, Abbeyside.

Today is your birthday, Dad,  
You would not want a fuss,

Just to be remembered,  
And prayed for by all of us.

The happy hours we once enjoyed,  
How sweet their memories still,  
But death has left a vacant place,

This world can never fill,  
May the wind of love blow softly,  
And whisper for you to hear,

Happy birthday, Dad,  
How we wish you were still here,  
No cards to send, no presents to give,

Just our love Dad as long as we live.  
(Miss and love you Dad, from your loving son Jimmy, Susan, Deane and Jenna).

**KEOHAN** — Birthday Remembrance of Michael Keohan, late of 1, Fenian Place, Abbeyside, on May 16.

The time has passed since we have parted, Dad,  
My heart still yearns for you,  
I watched you battle till the end,  
There was nothing I could do.

I sat beside your beside,  
And watched you fade away,  
I prayed and prayed to God above,  
That he would let you stay.

But no, God came and took your hand,  
And whispered from pain you are now free,  
You'll be with me in paradise,  
How happy you will be.

Happy birthday, Dad,  
You're never far from my thoughts and prayers.  
(Love you always — Martina, Mark and grandchildren Abigail and Mark Jnr.)

**KEOHAN** — Birthday Remembrance of Michael Keohan, of 1, Fenian Place, Abbeyside, whose birthday occurs on May 16.

A father is a special gift,  
One you think will stay,  
You never dream the day will come,  
That he will pass away.

Now in heaven above he rests,  
God bless you Dad, you were one of the best.  
(From his loving son Michael, Annemarie and family).

**POWELL** — Birthday Remembrance of Margaret Powell (née Delany (née Riordan), late of 7, Lios Mór Avenue, Dungarvan, whose birthday occurs on May 15.

A golden heart stopped beating,  
Hard working hands at rest,  
God broke our hearts to prove,  
He only takes the best.

They say that memories are golden,  
Well, maybe that is true,  
But we never wanted memories, Mam,  
We only wanted you.

(Always remembered by your loving daughter Mary Teresa, son-in-law Tony and grandchildren and great-grandchildren X X X X).

**POWELL** — Birthday Remembrance of my dear grandmother, Margaret Powell (née Delaney), late of 7, Lios Mór Avenue, Dungarvan, whose birthday occurs on May 14.

There is a lady in heaven,  
So precious and so rare,  
That lady is our Nan,  
The best beyond compare.

So meet us in our dreams,  
Nan,  
And talk to us once more,  
Ease the everlasting pain,

That makes us feel so sore.  
I know you walk beside me,  
Nan,  
And when our lives are through,

I pray that God will take our hands,  
And lead us straight to you.  
Happy Birthday.  
(From your loving granddaughter Kelly, Rachel, grandson Jason, great-granddaughter Crystal X X X).

**POWELL** — Birthday Remembrance of Margaret Powell (née Delany), late of 7, Lios Mór Avenue, Dungarvan, whose birthday occurs on May 14.

They say it's a beautiful journey,  
From the old world to the new,  
Some day I'll make that journey,  
On the stairway that leads to you.

And when I reach that garden,  
Where all is free from pain,  
I'll put my arms around you, Mam,  
And we'll never part again.

Father in heaven hear our prayer,  
Look after Mum with loving care,  
And wish her a happy birthday,  
(From your loving daughter Margaret, son-in-law Denis, grandchildren Desmond, Caroline, Jane X X X).

**WALL** — In memory of Joe Wall, Cathal Brugha Place, Dungarvan, whose birthday occurs around this time.

Birthday wishes we can't say,  
Well done to you on this day,  
Memories are clear and dear of you,  
Now and all year through.

Although you passed a year ago,  
The sadness of each day no one can know,  
Our family link is broken,  
Nothing is the same,

With God's help our links will join again.  
Will those who think of Joe today,  
A little prayer to Jesus say.

(Love always Joe — Mam and Dad).

**WALL** — In memory of Joe Wall, Cathal Brugha Place, Dungarvan, whose birthday occurs around this time.

A lot in life has altered,  
A lot in life is new,  
But the things that never alter,  
Are memories of you.

It isn't what we write, it isn't what we say,  
It's how we feel inside,  
when we think of you today.  
(Always remembered by Monica, Joanne, Matthew and Gary).

**WALL** — In memory of Joe Wall, Cathal Brugha Place, Dungarvan, whose birthday occurs around this time.

Twelve months ago you were here,  
Full of happiness and cheer,  
Now twelve months that you've been gone,  
It's been a hard struggle to carry on.

Now I can only hope this greeting you can hear,  
Memories and thoughts of you are clear,  
Warm, welcome and always dear.  
Those you love don't go away,

They walk beside us every day,  
Unseen, unheard, but very near,  
Loved, remembered, always here,  
Will those who think of Joe today,  
A little prayer to Jesus say.

(Love always Joe, from your sister Tina, Peter, Michelle, Colin, Darren, Dale).

**EARLEY** — Birthday Remembrance of John Earley, Boreenatra, Dungarvan, which occurs on May 20.

It's your first birthday away from home, John,  
And I don't know where to start,  
You are my brother, and I love you,  
From the bottom of my heart.

The saddest day of all was the way we had to part,  
To your grave I often wander,  
I picture your face so dear,  
In silence I stand, wiping away my tears,  
For a brother I loved so dear.  
The flowers I place on your grave,  
Will wither and decay,  
But the love I buried with you,  
Will never fade away.  
(Happy Birthday John — from your loving sister Mary and brother-in-law Brian).

If roses grow in heaven,  
Lord,  
Pick some for us,  
And give them to our Uncle John,  
With all our love.

### MAM AND DAD

When I was young it made me cry,  
To think my Dad and Mam could die,  
To imagine life without them there,  
Always seemed so hard to bear.  
Well know I've grown and known the fears,  
Were worthy of my childhood tears,  
I miss them more than words could say,  
And so to God alone I pray,  
If I'm to be born again once more,  
Please give me the Mam and Dad I had before.  
(Forever in my thoughts and prayers, from your daughter Mary X X X X).

### GRANDAD AND GRANDMA

We will always have our memories,  
Of special times we shared,  
The way you used to love us,  
The way you always cared.  
We just want to remind you,  
You will never be forgotten,  
You are always in our heart,  
So on this your anniversary,  
As we walk down memory lane,  
We are wishing with all our hearts,  
We could have those times again.

Tell him that I love him,  
And miss him every day.

But God in His mercy will give me hope,

And help me bear the strain,  
Of the one we cherished,  
loved and lost,

To meet in heaven again.

**O'SHEA** — Sixth Anniversary — In loving memory of my dear husband, Willie O'Shea, late of Wolfe Tone House, Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P.

Anniversary Mass at St. Joseph's Hospital on Friday, May 17, at 10 a.m. Six years have passed since we parted, Willie, My heart still yearns for you, I watched you battle to the end, There was nothing I could do. I stood around your bedside, And watched you fade away, I prayed and prayed to God above, That he would let you stay. Behind the gates of heaven, There is someone special there, A husband I loved so dearly, A husband who will always care. You gave me all you had to give, Gifts both big and small, But most of all you gave me love, The biggest gift of all. The tears in my eyes I can wipe away, But the pain in my heart will always stay. I lost my life's companion, A life linked with my own, And day by day I pray for you, And I walk through life alone. The house you left is lonely now, And I am lonely too, Those left behind are good and kind, But none replaces you. To me you were so special, What more is there to say, Except I wish with all my heart, That you were here today. (Always remembered and never forgotten — your loving wife Pearl.)

**O'SHEA** — Sixth Anniversary — In loving memory of my dear brother Willie O'Shea, late of Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P. **O'SHEA** — Sixth Anniversary — In loving memory of my dear father, Willie O'Shea, late of Wolfe Tone House, Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P.

God saw you getting weary, A cure was not to be, He put His arms around you, And whispered come to me. So keep your arms around him, Lord, And give him special care, Make up for all he suffered, And all that seemed unfair. A thousand words won't bring you back, We know because we've tried, Neither will a million tears, We know because we've cried. Sometimes we think we're dreaming, We cannot believe it is true, That we can all go on living, Now that we no longer have you.

(Always remembered and never forgotten — your loving son John, Breda, Cian and baby Pius William.)

**O'SHEA** — Sixth Anniversary — In loving memory of my dear father, Willie O'Shea, late of Wolfe Tone House, Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P.

God chose to take my father, He wanted one so fine, Oh God above, please tell me, Why it had to be mine. To know him was to love him, His kind and loving smile, To have him as my father, Made everything worthwhile. No length of time will heal my grief, My love for you is far too deep, With broken heart I whisper low, God bless you, Dad, I miss you so.

(Always remembered and never forgotten — your loving daughter Mags, Willie, Nicola and Liam.)

Look around Your garden, Lord, For an angel with a smile, He won't be hard to recognise, He must stand out a mile. So put Your arms around him, Lord, And kiss his smiling face, For he is very special, And can never be replaced. (Always lovingly remembered — his grand-niece Jessica.)

**O'SHEA** — Sixth Anniversary — In loving memory of my dear father, Willie O'Shea, late of Wolfe Tone House, Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P.

God came and stood beside your bed, He took your hand and gently said, You've suffered enough, more than you can stand, You'll come with me to a better land. You had a smile for everyone, You had a heart of gold, You left the sweetest memories, The world could ever hold. I was proud to be your daughter, I thought the world of you, To me you were someone special, You know I always loved you. If I could visit heaven, On this my saddest day, Maybe for a moment, The pain would go away. I would put my arms around you, Dad, And say these words so true, My life has been so empty, Since the day I lost you.

(Always loved, remembered and never forgotten — your loving daughter Caroline, Eddie, Barry, Dean, Joshua and Jade.)

The blow was hard, the shock severe, To part with you we loved so dear, Our loss is great, we'll not complain, But trust in God to meet again. We shared some laughter and some tears, But best of all, Dad, we shared great years, Your love was great, your heart was kind, What beautiful memories you left behind. So rest in peace, dear father, And thanks for all you have done, We pray that God has given you, The crown you've truly won. (Always remembered and never forgotten — your loving son Adrian, Tracy, Kirk, Kyle and Jessica Lee and baby A.J.)

**O'SHEA** — Sixth Anniversary — In loving memory of my dear brother, Willie O'Shea, late of Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P. We cannot bring the old days back, Your smile we cannot see, But we treasure the memories, Of days that used to be. Thank you Willie for the years we shared, The love you gave and the way you cared, You left a place so hard to fill, We miss you Willie and always will.

(Never forgotten by his loving sister Mary and family.)

**O'SHEA** — Sixth Anniversary — In loving memory of my dear father, Willie O'Shea, late of Wolfe Tone House, Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P.

He was a father so very rare, When we needed him he was always there, He shared our troubles, joys and tears, Thank you Dad for those wonderful years. Forgive us Lord if we still weep, For a father we loved and could not keep, Perhaps one day you will tell us why, You broke our hearts and let us die. If I could have just one wish, Here's what I would say, I'd ask to have my Dad back, Just like the good old days. I never ask for miracles, But today one would do, To have my front door open, And to see my Dad walk through.

(Always remembered and never forgotten — your loving son Thomas, Jackie, Amy, Dawn, Tamara, Lauren and Lucy.)

**O'SHEA** — Sixth Anniversary — In loving memory of my dear father, Willie O'Shea, late of Wolfe Tone House, Wolfe Tone Road, Dungarvan, who died on May 17, 1996. R.I.P.

Nothing can dim the face we love, The memory of your smile, The countless things you said and did, To make our lives worthwhile. Missed in the morning of every day, Missed in the evening as night slips away, Missed in a thousand and one little things, Around every corner a memory clings, Precious memories, tears unseen, Wishing your absence was only a dream. Precious things are very few, That's why there was only one of you, Precious memories are all I have, Of a Mam I loved with all my heart. Memories have such lovely ways, Of bringing back our yesterdays, As you were you will always be, Very special in my memory. Will those who think of him today, A little prayer to Jesu say, (Always loved, remembered and never forgotten — your loving daughter Michelle and Kiki.)

O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — J.

## CONOR MCGRATH WINS FEILE SKILLS COMPETITION

The Western Feile Skills competition was held in Cappoquin last Friday evening. Seven competitors took part with victory going to Conor McGrath from the Brickeys. Adrian Power from Ballyduff finished second and Wayne Flynn from Dungarvan finished third. All three go on to contest the county final which will take place this Sunday morning in Fraher field at 11 am.

The officers of the Bord would like to thank the Cappoquin/Affane Club for allowing us run off the competition at their ground and to a very obliging Bernard Gorman who helped out with the smooth running of the competition on the night.

## CLASHMORE v NIRE

The under 16 football Division Two final replay between Clashmore and Nire took place recently. Having drawn 2-5 each a week earlier at the Abbeyside/Ballinacourty Club Grounds it was expected that this game would have been equally as close. However Clashmore were going to have none of it and ran out convincing winners.

## FEILE FINAL

The Western Feile Football Final between Ballinacourty and Nire took place recently. This was an exciting game which resulted in a 2-6 to 2-1 'Courty win. Two nights later Ballinacourty took on Roanmore in the County Final in Walsh Park but Lady Luck was not on the side of Ballinacourty as the city side ran out convincing winners and in doing so won the right to represent Waterford in this years Feile competition which takes place in early July.

## SPONSORSHIP

The officers of Bord na nOg Thiar would like to thank Declan Kiely for his generous sponsorship of this years under 12 and 14 hurling competitions.

## MEETING

An important Club Delegates meeting will take place in Lawlors Hotel on Tuesday May 21 at 8 pm.

The meeting has to deal mainly with the large amount of unauthorised tournament and challenge games being played by clubs within West Waterford. All clubs can have two delegates at the meeting.

## SCOR NA BPAISTI

Rule Four of the official G.A.A. Rule book states that the Association (i.e. the clubs), shall actively support the Irish language, traditional music, song and dance as well as all other aspects of

Irish culture.

Last Friday evening a large crowd gathered at the Sliabh gCua Community Centre in Touraneena from Ballyduff and Clashmore on the Cork border, to Melleray and Touraneena on the Tipperary border, to Stradbally on the Divisional border and from all the various clubs in between to lend support to the primary school children that had advanced to the Western Final of the Scor na bPáistí final having qualified from the earlier heats at Ballinroad and Melleray.

Many will argue that Scor is no longer as strong as it was in years gone by, but anybody that was present in Touraneena or at the earlier rounds at Melleray or Ballinroad all testify that in West Waterford we have a large amount of young talented entertainers coming through.

For four hours on Friday evening the large crowd gave tremendous support to the young boys and girls that were performing on stage. At quarter past eleven when Paddy Fitzgerald mounted the stage to announce the various groups that were advancing to the county final which takes place in Kill on May 25, the tension was reaching boiling point. As the various groups were called onto the stage to collect their medals the roof was nearly lifted off the building.

In figure dancing those picked out to contest the County Final were Brickeys, Modeligo and Old Parish, with the same three clubs advancing in the solo singing competition. In instrumental music Stradbally, Colligan and Sliabh gCua all advanced to compete in Kill. In the recitation Melleray, Old Parish and Lismore all contest the County Final and in the Ballad Group competition Melleray, Lismore and Clashmore all advanced to the next round of the competition.

In the second half of the show, the question time, novelty act and Set dancing competitions took place. In the end, it was Brickeys, Melleray and Dungarvan who advanced, in the novelty act Lismore, Melleray and Old Parish will all be travelling to Kill and in the set dancing competition Modeligo, Lismore and Brickeys all will be contesting the county final.

In addition to the above clubs all travelling to Kill there will also be some extra clubs from the west contesting the County Finals in some events as the competition does not seem to be as

strong in the East of the County and the organisers would seem to like to have six teams competing in all competitions.

The best of luck is wished to all who are contesting the County Finals.

## COUNTY UNDER-16 FINALS

Two of the three Under 16 Football County Finals were held in Walsh Park on Saturday last. In division three An Gaeltacht had an 0-17 to 0-5 win against Kilmacthomas and in division one Ballinacourty had a 6-7 to 1-10 win against De La Salle.

The division two final failed to take place as the competition in the east is still not complete. We wish Clashmore the best of luck whenever the game is played.

## UNDER-14 HURLING

The Declan Kiely Painting and Decorating Contractor under 14 hurling Western Competition is hotting up. In division three, Naomh Brid have won all four of their games and will contest this years final. Naomh Brid will face either Ardmore or Clashmore who meet in the semi final.

In division two the competition is split into two groups. Brickeys with their three games won have topped group 'B'. In the semi final Brickeys will face the winners of An Gaeltacht or Fourmilewater who have yet to play. Dungarvan have won Group 'A' and in the semi final they will play the winners of St. Olivers and Ballyduff who meet in Aglish on Thursday evening at 6.30 pm.

In division one things are not going as smoothly as some clubs are reluctant to play their games on the dates given. Cois Bhride have played two games and won then both against Cappoquin and Lismore. Cois Bhride have yet to play Abbeyside and if victory goes to the Tallow/Knockanore based side then they shall contest the western final.

## UNDER-12 HURLING

In the Declan Painting and Decorating Contractor under 12 hurling competition two rounds of games have been played. At the time of putting these notes together on Saturday evening very little of the results from Friday evenings games have been forwarded to the secretary.

This week the following games are down for decision. Naomh Brid v Brickeys, Cappoquin v Abbeyside, St. Oliver's v Dungarvan, Cois Bhride v Lismore, An Gaeltacht v Clashmore, Colligan v Bal-

lyduff, Kilrossanty v Ardmore. All games are down for 7 pm on Friday evening with the first named team having home advantage.

Clubs are asked to please forward results as soon as is possible.

## PRIMARY GAME

In between the Junior and Senior football games in Fraher Field on Sunday 17 young boys from various primary schools around Waterford city and County got to play in an exceptional game against Clare. Although beaten by two points the Waterford team played some good football.

The Waterford panel of players was Roy Power (St. Stephen's), Kevin Burns (Dunhill), Stephen O'Keeffe (Lismore), Conor Whelan (Glor na Mara), Dean Murphy (Portlaw), Tommy Prendergast (Fews), Ferdia O hAodha (Ring), Tomas Casey (Kill), Conor Moloney (Garranbane), Kieran Geary (Knockanore), Kieran Power (Kinsalebeg), Paul Farrelly (Butlerstown), Stephen Slator (Abbeyside), Shane Kearney (Carriglea), Owen Kenny (Ballyduff) and Shane Ahearne (Tallow).

## UNDER 16'S BOW OUT

On Saturday last the 4th May in Fermoy, the U-16's fielded against Kerry in the Munster Championship semi-final. This was a fantastic game of football in which everyone gave 120%. Even though Waterford dominated the game for the first 20 minutes and led by a score of 1-4. Kerry soon clawed their way back into the game before half time and were leading by one point at the half time whistle. In the second half Kerry managed to take some vital scores which pushed them ahead. Waterford's luck was not with them this day as the ball bounced between the crossbar and the line at least four times. Waterford should have been well ahead if the ball had went over and on the final whistle Kerry had beaten us by 11 points. This was a disappointing day for the girls as it was their only chance to reach the Munster. The team list as follows: Marian Hogan, Edel Kirwan, Michelle McGrath, Eva Lacey, Ruth Kirwan (Comeragh Rangers), Charlotte Raheer, Emma Gallagher, Lynn Marie Grant (St. Annes), Lisa Palmer and Rachel Wall (Tramore), Sarah Walsh, Eileen Hickey and Tara Skeehan (Na Deise), Orla Kearney, Marie Hannigan, Laura Whelan, Jackie McGrath, Louise Ryan and capt. Michelle McGrath (Ballymacarbry), Beibheann Nelson, Clodagh Managhan and Hannah Whelan (Old Parish), Aine O' Sullivan (St. Pats), Stephanie O' Connor (Abbeyside), Evelyn O' Brien (Ardmore/Grange), Aisling O' Donnell (Clashmore). Each one of these girls have trained since last January and have given full commitment to this team. Their a credit to their club and to Anthony Raheer who was a selector and Brendan Gallagher who managed the team.

## U-14'S

Next Saturday the 18th will see our U-14's out against Kerry in the Munster semi finals. Possible venue will be Fermoy. Please check this before travelling with Johnny Kirwan. Also we would like to ask everyone to make an effort and support the girls. Best wishes to Johnny and his mentors and of course the girls.

## MARY WALSH MEMORIAL

On Monday last the Mary Walsh memorial took place in Modeligo Community field. This was not as supported as other years, maybe we got our dates wrong as a lot of football was played that particular weekend. Never the less all those who took part had a great day. Congratulations to Old Parish who took the trophy this year and to St. Pats who took the shield. A special word of thanks to Jimmy O' Rouke who organised the event and to Bernie, Eleanor and Nell for their help indoors.

## TROPHIES TO BE RETURNED

Our next county board meeting is on Monday the 20th at 9:00pm in Lawlors Hotel. All clubs holding trophies in their possession MUST have them back on this date.

## SOME RESULTS

Congratulations to NaDeise who beat St. Olivers 2-7 to 1-7 in Junior B. There are just some of the results over the last week.

## TRAINING

## NEXT COUNTY BOARD MEETING

## HURLING LEAGUE

Our Intermediate hurlers travelled to Stradbally last Saturday evening to play the host club in their third match in the Hurling League. Unfortunately we were no match for them despite putting in a good first half performance. We failed somewhat in the second half and Stradbally ran out easy winners. The result certainly confirms the gulf in standards that exists between the Intermediate and Senior grades and the enormous amount of work that is needed if we are to try and narrow that gap.

## U-21 FOOTBALL

Our U-21 footballers were in action in the semi final of the Division 2 Western Championship on the Bank Holiday Monday in Stradbally against a youthful Kilrossanty outfit, in what was a very entertaining game and the issue in doubt right to the final whistle. The main difference between the teams was our ability to score goals with Kilrossanty settling for points. Those winning goals came from Nicky Donnelly and substitute T. J. Crotty which set us up for a winning 2-9 to 0-13 scoreline.

Team: Dan Power, John O'Donnell, Keith Radley, Ricky Tobin, Damien Power, John Veale, Eddie Fitzpatrick, Pat Veale, Sean Walsh, Justin Houlihan, Paul Power, Barry Power, Nicky Donnelly, Seamus Cunningham, John Lynch.

We now progress to the Western Final where our opponents will be An Ghaeltacht.

## SENIOR FOOTBALL LEAGUE

This Saturday night the 18th May we play Ballinacourty in Abbeyside in what will be our second game in the Senior Football League. Ballinacourty will no doubt prove very strong opposition and a major effort will be required if we hope to gain two league points from this game. This match gets underway at 7.30 pm.

## JUNIOR HURLING

We secured victory over Ballysaggart on Sunday morning last in our first game of the Junior Hurling League. We have progressed well in the Junior Hurling League and championship over the last couple of years so hopefully this year we can maintain that good run and progress well in the competition.

## JUNIOR FOOTBALL

This Friday night the 17th May we play Tallow in the first round of the Junior Football League. This game takes place at Clogherane and has a 7.30 pm start.

## WATERFORD FOOTBALLERS

Hard luck to the Waterford Senior and Junior Footballers who were both defeated by Clare in the Munster Football Championship. Both teams acquitted themselves admirably and the progress and improvement that has been made by the footballers was very much evident. Club player Paul Power was introduced as a substitute in the Junior match and as always acquitted himself well.

## MATCH TICKETS

Any club members wanting tickets for the Munster Semi Final on Sunday week between Waterford and Cork must have their names into club Secretary Kieran Curran before this Saturday the 18th May.

## SPEEDY RECOVERY

It's great to see club player Shane Hayes out and about again after his recent stay in hospital. We once again wish Shane a speedy recovery to full health.

## DUNGARVAN JUVENILE HURLING & FOOTBALL NOTES

### TOWN AND COUNTRY

Our U-11's have qualified to play in the final of the Town and Country League having beaten our near rivals Abbeyside last Wednesday evening. The final of this will take place in the Fraher Field on the 18th May at 6 pm sharp. We would like to see as many people as possible to come along and support the lads on the night. The panel included Shane Crotty, Michael Daly, Tomas Cleary, Jimmy Harty, Eric Duggan, Luke Egan, Brendan McCarthy, Kenneth Moore, Colm Curran, Craig Flynn, Daniel Sheridan, Adam Kelly, David Houlihan, Brian Donovan, Darren Duggan, Mark O'Keefe, Sean Ryan, Ian Sheehan and Shane Hickey.

**U-12 HURLING CHAMPIONSHIP** — The U-12's went to Tallow last Friday night to play Cois Bride and had a comprehensive win over this team. We had a very good performance from a number of our players and many good points were scored. The panel was as follows: David Moore, Adam Sheridan, Daniel Sheridan, Craig Kiely, Derek McGrath, Sean Crotty, Peter Marriott, Darragh Power and Sean Donnelly.

The next match in this championship is against St. Oliver's, which will be played in Aghlish at 6.30 pm.

**U-14 HURLING** — Our first game in the county championship was played against St. Oliver's in Aghlish last Monday evening. It was evident that the many training sessions that had been put in was now showing. The game was quick and fast and there was some good ground hurling played. Going in at half time we were two points up and it was all to play for. St. Oliver's wanted to win this game too and as it was nearing the end of the game St. Oliver's were awarded a controversial goal to put them ahead. Dungarvan did not give up and Darren Sheehan got the equalising point just as the ref blew for full time.

Our next game was played last Thursday evening against Fourmilewater in Ballymacarbry. This was for qualification for the Western Semi Finals. There were good performances throughout the game starting with the goal keeper Derek

Barry, Karl Duggan, Michael Walsh who scored a terrific goal and Gavin Crotty. The final score was 2-4 to 6 points. The panel for both games was as follows:

Derek Barry, Killian O'Dwyer, Killian O'Keefe, Neill Fitzgerald, Karl Duggan, Sean Nesbitt, Michael O'Shea, Wayne Flynn, Darren Sheehan, Michael Walsh, Shane Tobin, Gavin Crotty, Cormac Curran, Barry Hamilton, David Moore, Trevor Crotty, Michael Ryan, David Brophy and Tony O'Donoghue.

The next game will be Monday night the 20th May we will be playing Passage also at home at 7.30 pm.

We would also like to congratulate Wayne Flynn on qualifying for the County Final of the Feile Skills. These will take place in the Fraher Field on Sunday the 19th May at 11 am.

We will also have three of our U-13's taking part in the AIB hurling skills on Saturday the 18th May in the Fraher Field at 2 pm. We would like to wish them the best of luck with this competition.

## MINOR HURLING CHAMPIONSHIP

### Ballyduff 2-9 Dungarvan 0-13

Played at the Cappoquin venue on last Wednesday evening this was a great effort by our minor hurling squad. In ideal conditions both sides served up a great game with some marvellous point scoring being a feature.

Ballyduff were first to settle and put some points on the board. However during the first half Dungarvan had a number of goal opportunities but perhaps through a lack of experience and understanding it wasn't to be. The score at half time was Ballyduff 1-6 Dungarvan 0-3.

On the resumption Dungarvan showed commitment and togetherness and dominated much of the half. Two points in arrears with ten minutes remaining our boys were dealt a heavy blow with a second Ballyduff goal. The team responded again and bought the lead down to two points. The momentum was now very much with Dungarvan but we were unable to get that vital goal to win the game.

Panel: Dane Power, Tony Sheridan, Stephen Kirby, John Cass, John Paul Tutty, Eddie Fitzpatrick, Tom Stack, Nicky Donnelly, John O'Donnell, Brian Bannon, Ricky Tobin, Jamie Nagle, Justin Houlihan, Danny O'Brien, Jonathan Regan, Christopher Troy, Pdraig Cullen, Kealan Flynn, Jamie Hallahan, Joe McGovern, Darren Hamilton, James Dalton and Shane Whelan.

Our second game in the series will be against Kilrossanty. This game will be played at the Stradbally venue on this Wednesday May 15th with a 7.15 pm throw in.

There will be a juvenile committee meeting on Tuesday the 21st May at 8 pm in the Club house. It is vital that all committee members attend this meeting.

# Coaching Scheme Notes

**SUMMER HURLING CAMPS THE BEGINNING 1992** — Lismore 10 Yrs Ago; Ned Power, Colm Bannon, Mc Darra, Denis Walsh, Peter Power, Pat Curran, Peter Power Jnr and Paudie Power. This coaching crew certainly carried some "big hitters" as you can see Denis Walsh was a top Cork dual player at the time and made a welcome visit to the camp. He is now the Waterford S.F. Manager. Paudie Power is from Killeagh and coached at the camps in '92.

## YOUNG PROSPECTS SEEN LAST WEEK

### Whitechurch N/S David Phelan, 12 Yrs

**Old, Rang 6** — David is a big strong boy with good basic skill. A powerful striker of the ball from both sides. He is always well behaved and mannered at the coaching sessions. His Dad Micéal was an outstanding goalie with Cappoquin and Waterford S.H. in his day and his uncle Mce. Geary was a teak tough corner back with Ballyduff Upper in his hurling days. David will have his big day in Thurles on May 26th on the Waterford Primary School team v's Cork. His ambition is to play S.H. for the county. The seventeen boys on the Primary panel now have their foot on the first swing of the ladder. Favourite hurler Tommy Dunne.

### Clonea N.S. Jimmy William, Rang 3, 9

**Yrs Old** — Jimmy lives in Hackellstown near Portlaw. He is a very lively well behaved boy who is making good progress at hurling. This school has turned out several inter county players over the years and Mr. Brunnock and his staff are very well organised on coaching visits. Jimmy was born in England and came to Ireland four years ago. He loves sports and played indoor hurling through the winter.

## BUSY TIMES

Over the past weeks children have been very busy playing many games. With school

games, U-12 championship, U-11 Town and Country League, U-14 and U-16 Championships and Primary Game teams. This often puts great strain on mentors who often look after more than one club team.

## THIS YEARS SUMMER HURLING CAMP DATES

July 1-3 Clashmore; July 3-5 Cappoquin; July 8-10 Dungarvan; July 10-12 Abbeyside; July 15-17 Lismore; July 17-19 Ballyduff Upper; July 22-24 Portlaw; July 24-26 Stradbally; 24-26 July Clonea Power; July 29-31 St. Oliver's; August 19-21 Cois Brid; Aug 21-23 Ballyduff Lower; Aug 26-28 Brickey Rangers.

The camps are three days duration and are printed on school coaching calendar which are in each school. Application/enrolment forms will be in schools and clubs shortly. Waterford and Clare Primary School teams provided excellent entertainment in the football game at Fraher Field last Sunday.

## MEETING

A committee meeting will be held on Tuesday, May 21st. at 9pm in Aghlish.

## MINOR HURLING

Our first round match of the minor hurling championship took place on Wednesday, 8th. of May in Abbeyside. Here we took on Kilrossanty and our team put up an outstanding performance to win 4-17 to 1-6. This proved a thrilling encounter with the two "old timers" of the team, Ger and Eamonn, in fine form. Ger scored 3-8 from play, while Eamonn defended valiantly. However this was no two man affair, the whole team played as a unit, with John Corkery scoring 1-4, Colin Landers adding 0-3, Mark Scanlan 0-1, Eamonn Walsh 0-1. The team

was a credit to their trainers and we can only look forward to more exciting hurling from this group as the championship progresses. Referee on the night was Maurice Condon.

Team: Edmond O'Donovan, David Mernin, Gary Ronayne, Michael Irwin, Stephen Fitzgerald, Eamonn Walsh, Cian Walsh, Ger O'Donovan, Eamonn Glavin, Wayne Daly, John Corkery, James O'Brien, Jamie Landers, Colin Landers, Mark Scanlan. Sub. David Ahern on for Jamie Landers.

Our next match is on Wednesday, May 15th. in Colligan at 7.15pm, where we take on Naomh Bríd.

## TOWN AND COUNTRY

Our under 11 hurling team was beaten by Clashmore in

their final game of this competition.

## UNDER 12 HURLING

The next match in this competition will be on Friday week against Dungarvan.

## UNDER 14 HURLING

This group is very busy at the moment with two games last week in the Western Championship and a game on Monday night, May 13th. against Passage East in the County Championship. Last week's games resulted in a draw in Tuesday night against Dungarvan, and a comfortable victory on Thursday night against Stradbally. The final score in that game was St. Oliver's 5-4, Stradbally 2-5. Well done to all the team and best of

## Co. Board Meeting

The monthly meeting of the county board is scheduled for Monday evening next at Lawlor's Hotel. All senior clubs are sure to be present to witness the draws for the second rounds of the senior hurling and football championships and the draws for the losers' groups.

Sarsfield Group team, which is an amalgamation of Balinameela and Geraldines in football, and who were given a first round bye, will await with particular interest to see who their first opponents in the championship will be.

There will be the usual reports from county selectors, the various sub committees and councils and there will be a report from Coisde Gnotha.

## Referees On Intercounty Duty

Three Waterford referees were on duty outside the county last week. Michael Wadding handled the National hurling league between Cork and Kilkenny in Thurles; Pat Moore was referee for the Cork v. Clare minor hurling semi-final (also in Thurles) and John M. Kelly handled the other minor hurling semi-final in Limerick.

Incidentally, Cork won decisively against Clare and Tipperary just edged Limerick out. That makes the Waterford hard luck story all the more disappointing.

## COUNTY BOARD LEAGUES

A full round of football league matches in all divisions is scheduled for the coming weekend. The county hurling leagues have now been suspended until the last Tuesday of the month.

In the West, the leagues in all divisions switch back to football with matches again listed for every club.

## NO CHAMPIONSHIPS

Because of the upcoming Munster hurling championship tie against Cork, next weekend will be free from championship action here in the west, as well as on a county board level, but league matches under both boards will proceed.

## Senior Hurling Championship Replay

The replay of the only drawn senior hurling championship game between Fourmilewater and De La Salle has been re-fixed for Fraher Field on Thursday, May 30th.

Munster Championship  
Situation

After last Sunday's results, three of our four county football teams have gone out of the championships. Our senior footballers were also defeated but will play in the "qualifier" next month.

Three of the four hurling county teams are still waiting to play their first round matches. All three panels are actively engaged in playing trial and challenge matches.

On Sunday last the senior hurling panel travelled to

Antrim for the weekend and had a match with Antrim. Waterford won on a scoreline of 3-23 to 1-17 in what was described as a splendid exercise, with our forwards in smashing shooting form.

An application to be allowed play a challenge match in Thurles before the championship match with Cork on Sunday week was at first rejected but subsequently allowed. So on tomorrow, Thursday evening Waterford

will travel to Semple Stadium to play Dublin in what should be a useful workout.

Last Wednesday at Fraher Field the seniors played our intermediate selection in a challenge game which ended in a win for the seniors, 2-19 to 2-11.

Three very prominent players, Sean Cullinane, Brendan Landers and Stephen Framp-ton have retired. All three played in the first round against Limerick last year.

On this (Wednesday) evening the intermediate team will play Mount Sion at the Mount Sion grounds in a

further trial and they will have a final try out against Limerick on Saturday next.

It is hoped (and expected) that both the senior and intermediate selectors will name their championship teams to play Cork on Sunday next after training.

I hope that the 'injuries' excuse will not again be used as a reason for delaying the selection.

Our under 21 hurlers who play their first championship match against Tipperary in Thurles on July 10th, had an outing against Limerick on Saturday last and were de-

## Munster Hurling Championship

Ten days from now, Waterford and Cork will be battling it out for a place in the Munster final when they meet in Semple Stadium (Sunday, May 26th). A replay date is given for the following Saturday at the same venue should that be necessary. A full preview will appear in next week's issue.

The white heat of the Munster hurling championship will be set alight at Pairc Ui Caoimh on next Sunday

when All Ireland champions Tipperary attempt to defend their provincial title against the Banner county in what the experts are predicting will be a memorable contest.

## TICKETS

This is designated as a ticket match and this county has obtained a small quota that are available from county treasurer, Tony Morrissey and must be taken up by Thursday.

Clubs are being asked to

note that the Waterford/Cork match in Thurles on Sunday week will be a ticket match and clubs wishing to order tickets for the game should submit their requirements well in advance to ensure that a realistic order can be forwarded to Munster Council.

## PROTEST?

This is the date on which the rebel organisation, the GPA, are scheduled to begin their protest in the campaign for payment of 127 euro per

week. I don't know if the meeting between the GPA and Sean MacCague with Liam Mulvihill, which was due to take place on Monday of this week, will affect the issue, one way or another. My guess is that there will be no relenting by the GAA representatives. Their stand on amateurism has been made very clear. The matter is likely to be discussed by Central Council at their meeting on Saturday next.

## MUNSTER SENIOR FOOTBALL CHAMPIONSHIP

# Missed Chances Costly For Battling Waterford

CLARE 3-9 WATERFORD 2-8

Over the 70 minutes, Clare were the better team and deserving of their 4 points victory, but full credit to Waterford for battling bravely and keeping their chances alive until the dying moments of an enjoyable first round on the championships.

Clare's centre half back, Donal O'Sullivan and their number 8, Brian Considine in the middle of the field, were the big thorns in the side of Waterford and their contribution made a big impact on the result.

And Waterford did not match the experience of a number of the visiting team and this was obvious up front where movements were prevented from taking shape by the Clare tactics, but Waterford did try hard all the way and took some good scores. They also wasted some good scoring chances and several of their 12 wides should have raised white flags.

Even though conceding 3 goals, our defence was the strongest element of the team. Clare's first goal by David Russell in the 15th minute came seconds after Waterford should have been awarded a free out of defence, but in the overall, Waterford could have no complaint about referee Eddie Whelan's handling of the match.

After the game, Waterford manager Denis Walsh expressed himself pleased with the team's performance and the commitment shown, but was naturally disappointed with the result.

Waterford, although now out of the Munster championship, will play in the "Qualifier" round on June 9th against a county (still to be named) and who were also knocked out in the first round.

## PLAY

Waterford had wind advantage in the first half and were 2 points up when Ray Hennessy (6th minute) and Connie Power (9th minute) pointed. David Russell's goal came to open Clare's account in the 15th minute and the visitors had to wait until the 17th minute before raising their first white flag.

Michael Walsh had a Waterford point in the 16th minute and we did not score again until 15 minutes later. In between Stephen Hickey had a super goal and Paul Hehir had a Clare point.

Waterford had the final three points of the half per Connie Power and a great score by Conal Watt to leave us 2 points in arrears at the break: Clare 2-2 Waterford 0-6.

## SECOND HALF

Clare attacked from the throw-in and points by Stephen Hickey and Paul Hehir increased their lead to 4 points in a matter of minutes.

Conal Watt had a Waterford point and after Shane Walsh was fouled going through, a penalty was awarded and corner forward Michael Walsh made no mistake in shooting to the Clare net in the 43rd minute. The sides were now level and both teams had it all to play for.

Paul Hehir had a point for the visitors and a Clare attack came to naught when Paul Houlihan in the Waterford goal brought off a wonder save.

Hehir scored again, this time from a '45' metre free.

Clare were awarded a penalty in the 56th minute when Denis Lyne was fouled and Michael Mullen duly converted to give the visitors their third goal.

In the closing 10 minutes Waterford exerted great pressure scoring a point by Shane Walsh in the 61st minute and the same player having a very well taken goal after a pass from Conal Watt in the 69th minute. Hickey and O'Driscoll had the final say on the scoreboard and both were points from play to give the Banner county a 4 points victory.

**Scorers** — Clare: P. Hehir 0-4, S. Hickey 1-1, C. Mullen 1-0, D. Russell 1-0, M. O'Shea 0-2, D. O'Driscoll 0-2, B. Considine 0-1; Waterford: M. Walsh 1-1, S. Walsh 1-0, C. Power 0-4, C. Watt 0-2, R. Hennessy 0-1.

**Clare** — F. McGuire, P. Gallagher, N. Hawes, D. Lyne, M. O'Connell, D. O'Sullivan, P. Smyth, B. Considine, G. Quinlan, D. O'Driscoll, D. Russell, S. Hickey, C. Mullen, P. Hehir, M. O'Shea. Subs: D. Ryan, M. Dwyer, P. Dwyer.

**Waterford** — P. Houlihan, M. Crotty, M. Fitzgerald, B. Wall, T. Dunphy, M. Ahearne, J. Hearne, D. Kirwan, R. Power, C. Power, C. Watt, L. Dalton, M. Walsh, S. Walsh, R. Hennessy. Subs: S. Briggs, E. Walsh.

Referee: Eddie Whelan, Laois.

## CLARE FM RADIO

A full 70 minute commentary on the game was brought to Clare listeners at home and they also had interviews after the game.

One of the staff with the commentary team in the Press Box told us that it is regular policy of Clare Fm. to broadcast all home and away championship and

league football and hurling matches.

## JERSEYS SWAPPED

I noted that Waterford, in defiance of county board policy, exchanged jerseys with Clare immediately after the match.

Waterford have a policy of allowing an exchange of jerseys at a stage when the team play their final game in the championship.

Apart from the replacement

cost (about 700 euro) and apart from board policy, I cannot understand why a player would want to exchange the jersey of his own county for that of another county. It sounds stupid to me.

## LIAM DALTON

Few people have given better service to the county footballers in recent times than Shamrocks Liam Dalton. He is the last link with a Water-

ford senior football championship winning team. Liam played at centre field against Tipperary back in 1988 when we defeated them here at Fraher Field. We have not won a first round since.

This willing servant of the county footballers is also a very popular player as seen on Sunday when he was given a huge cheer when replaced towards the end of the game.

## MUNSTER JUNIOR FOOTBALL CHAMPIONSHIP

## No Luck Against Clare

It ended in double defeat after both sides had flattered for a time and faded out again after Clare regrouped in the closing stages of both games.

In the junior game, the standard was poor and as this applied to both teams, winning was not all too difficult and a bit of luck might have made a difference.

Clare took their chances better and seemed to show a greater eagerness for the game and therefore deserved to win.

**MUNSTER JUNIOR FOOTBALL CHAMPIONSHIP**  
Clare 0-12  
Waterford 1-6

Playing against a strong breeze, Waterford set up a very early attack and within 20 seconds Billy Harty had

the ball in the Clare net. A tremendous start. There followed three Waterford wides and a Tony Kirwan point in the 8th minute, with wind assisted Clare still scoreless until the 17th minute. This was a James Keane point and was followed with another from the boot of Brian Cunningham in the 20th minute.

Kevin Walsh had Waterford's second point in the 26th minute and within 60 seconds full forward Gerry Kelly brought one back for the visitors.

Points by Dermot Russell and James Keane had the sides level at 1-2 to 0-5 at halftime. All 8 scores were from play.

## SECOND HALF

Bobby Power and Kieran Browne swapped points on the turn over and when Gerry

Kelly pointed a Clare free in the 38th minute the visitors were in front for the first time in the match. Now playing into the wind, Clare were on top against Waterford who looked to be tiring. Points by Seamus Madigan and Ciaran Brown stretched their lead to 3 points. Waterford, however, did hit back and scores by Sean Wall and Billy Harty reduced the gap to a single point by the 45th minute (1-5 to 0-9). Russell pointed for Clare before Bobby Power had our final point in the 49th minute.

Clare added 2 further points to give them a 3 points winning margin.

The refereeing of the game by A. J. Cronin, Cork was simply awful. No one could understand why he allowed foul after foul on both sides

to go unpunished.

**Scorers** — Clare: G. Kelly 0-4, D. Russell 0-2, C. Browne 0-2, J. Keane 0-2, S. Madigan and P. Foley 0-1 each; Waterford: B. Harty 1-1; B. Power 0-2, K. Walsh, J. Wall and T. Kirwan 0-1 each.

Referee: A. J. Cronin, Cork.  
Waterford — A. Kirwan, J. Hurney R. Power, O. Casey, K. Whelan, M. Kiely, A. Hubbard, A. Ahearne, C. Keane, E. Walsh, T. Kirwan, J. Power, S. Wall, K. Walsh, B. Harty. Subs played: Bobby Power, Derek Wyse, Paul Power.

Clare — L. Griffin, N. Nagle, T. Kerins, B. Troy, M. Carmody, P. Foley, K. Clohessy, D. Russell, P. Gibbons, B. Cunningham, P. J. Hynes, C. Browne, A. Kelly, G. Kelly, J. Keane. Subs played: R. Malone, P. Hynes.

# Minor Hurling - Round 2

All second round matches in the "B" minor hurling championship will be played this Wednesday evening. The championship will then close until after the summer examinations.

Last week a full round was played and here were results in all cases. In the six matches played a total of 24 goals and 120 points made the programme interesting.

The individual results is something that may be kept under observation by the fixtures committee who will note any obvious inequality in standards with a view to future grading at underage.

Kilrossanty, who were decisively beaten by St. Olivers in round one, will play Dungarvan who were very narrowly beaten by Ballyduff last week. This will be played in Stradbally and a win for Dungarvan is the likely result.

Ballyduff will meet Fourmilewater in Cappoquin. They both won last week, but

Fourmilewater looked the more impressive and will start favourites.

Naomh Brid, who were defeated last week, will travel to Colligan, as will St. Olivers for their second round tie and if last week's form is a guide, the Olivers will bring their total of points to four.

Colligan and Cappoquin will meet in Fraher Field in a tie that is very likely to end in favour of Colligan who were in sparkling form against Stradbally last week.

Clashmore and the Brickey Rangers will meet in Ring for their second round. Both won last week and between them scored nine goals and twenty four points. If each side can play as well again, this will be a cracker of a match.

Stradbally and An Gaeltacht will be on duty in Abbeyside. The Gaeltacht team were defeated last week but were far more impressive than Stradbally who were very well beaten by Colligan.

## WATERFORD COLLEGES SENIOR (A) HURLING FINAL

# Fine Win For Friary

ST. AUGUSTINES 3-9 DUNGARVAN CBS 1-3

St. Augustines proved the stronger side and turned in a fine performance to capture the Waterford Colleges A hurling title against old rivals Dungarvan CBS at the Fraher Field, Dungarvan last Wednesday. The CBS got off to a great start and led by 1-1 to 0-0 after fifteen minutes. Two goals in five minutes from Declan Fives from the 15th to 20th minutes and another from John Hurney in the 25th minute put the Friary in a commanding position to lead by 3-4 to 1-2 at half time. The CBS fought hard to get back into the game but could make little headway against a Friary defence in which centre back Eamon Walsh and goalkeeper Patrick

Enright were outstanding. Brendan Hickey scored a good point for the CBS in the 46th minute to narrow the gap to 3-5 to 1-3. The CBS missed two good goal chances and the Friary added four points without reply in the final six minutes. Others to impress for St. Augustines were Michael Walsh at corner back Niall O'Brien at mid-field.

Best for CBS most of whom will be underage again next year were Brian Scanlon, John Morrissey, Brian McCarthy, Mark Flynn, Christopher Morrissey and Shane Kelly.

St. Augustines scorers were Declan Fives 2-2, John Hurney 1-1, Eamon Walsh 0-2, D. Ferncombe 0-2, Pat Walsh 0-1, S. Kett 0-1. Scorers for Dungarvan were Shane Kelly 1-0, Christopher Morrissey 0-2, Brendan Hickey 0-1.

# Primary Schools GAA

THE PRIMARY GAME Waterford 0-2 Clare 0-4

Both teams served up a feast of football and the way they moved the ball up and down the field was a joy to behold. Also the buzz from the stand when the young players displayed special skills was a great lift to all those on the pitch.

Clare opened the scoring after 3 minutes when Finbarr Murrhly pointed a '45. The same player extended their lead from play a minute later. Sean Collins lofted one over to give Clare a three point lead at half time.

Tomas Casey raised Waterford's hopes with a great point. However, Anthony Fahy moved upfield and his point ensured Waterford's task would be a difficult one.

The Waterford players tried hard but found it difficult to score as Clare crowded the defence. Conor Moloney scored a lovely point following a nice passing movement involving Ferdia O'hAodha and Kieran Geary. When referee Pat Moore blew the final whistle Clare were deserving winners.

**DUNGARVAN TYRE CENTRE CUP FINAL**

# Ardmore 'Tops' From 'The Spot'

**ARDMORE 0 LISMORE 0** (after extra time)  
ARDMORE WIN 3 - 2 ON PENALTIES

On Sunday afternoon last at a well prepared Ballyduff pitch Ardmore and Lismore played out a scoreless draw in the final of the Dungarvan Tyre Centre Cup but the seaisiders won the penalty shoot out by 3 goals to 2 goals.

Playing with a very strong wind in the opening half Ardmore brought the play to Lismore. The Lismore back four dealt with the Ardmore onslaught and the Cathedral side did not have their first shot on goal until 22 minutes when a Dave Howard shot from 20 yards was brilliantly saved by Paddy Gallagher.

In the second half it was Lismore's turn to do the at-

tacking with the wind to their backs. William Cunningham saw a header go the wrong side of the posts while he had two other opportunities go either side of the goal. At the other end a free kick from James O'Donnell with goal written all over it, was brilliantly saved by Tom Landers at the expense of a corner. From the resultant corner, the keeper had to finger tip the cross over the bar

for another flag kick.

As time ticked by the game needed someone from either side to slow the game down and control the passes, as both sides were finding it difficult to string more than two passes together. At the end of ninety minutes extra time failed to have a result and the dreaded penalties took over.

Lismore missed their first two, Ardmore scored both, then Lismore scored, Ardmore missed, Lismore scored, Ardmore scored. Nailbiting at this stage, Lismore missed - Ardmore win.

As Cup finals have gone this was not a great final.

The wind did not help either side and made ball control very difficult.

Paddy Gallagher had a very safe pair of hands in the Ardmore goal. In front of him he had Michael Supple and Maurice Hennebry both outstanding, at midfield Anthony Ahearne showed all his experience alongside Pat Cashman and James O'Donnell who played a captain's part.

For Lismore, Tom Landers had a good game making some very important saves, in front Pat Reaney was soundness personified as was Whelan and Landers.

Cunningham had the best

chances but could not find the net while Aidan Roche came up against an inform Maurice Hennessy.

After the game Paddy Pollard, Chairman Red House League thanked both teams for a sporting display, and thanked Philip O'Flynn, Dungarvan Tyre Centre for his continued sponsorship and the Chairman presented the referee and his assistants with mementos of the occasion. Philip O'Flynn then presented his Cup to James O'Donnell, Ardmore captain who suitably replied.

Teams; Ardmore P. Gallagher, A. O'Donnell, M. Supple, M. Hennessy, J. O'

Donnell, J. Hennessy, J. Lenane, P. Cashman, A. Ahearne, A. Gallagher, K. Flavin, Sub; S. Veale for Lenane, D. O'Donnell not used.

Lismore; T. Landers, D. Whelan, P. Reaney, P. Howard, A. Landers, D. Howard, O. Bennett, A. Roche, W. Cunningham, Sean Ormonde, M. Ormonde. Subs: B. Landers and E. Pollard used. Also K. O'Gorman, P. Walsh, J. Dalton, C. Tobin.

Referee W. Collins. Assistants L. Fraser and T. Griffin.

Finally on behalf of the league a very sincere thanks to Ballyduff Community and Ballyduff F.C. for the use of their ground and facilities. A very special thanks to Brendan Bolger and James Scanlon. The league appreciates the work of you both.

And so the curtain comes down on another Tyre Centre Cup campaign which commenced last January. We had the highs and lows, the ecstasy and the disappointment and of course the dreaded penalties, which can generate more excitement than the preceding 110 mins of football. At the end of the day there can be only one winner, and the Cup for the third time in its history will stay in Ardmore until the draw is made again next January 2003. Not too long to wait is it?

# Dungarvan United A.F.C. Notes

## RESULTS

### Division 2A League

#### Dungarvan Utd. -v- Rathgormack

We received the three points from this fixture as Rathgormack have withdrawn from the League.

### Division 2B League

#### Dungarvan Utd. -v- Ballinroad - Postponed

#### Dungarvan Utd. 4 Crusaders 2

The vital top of the table game, scheduled for last Wednesday night against Ballinroad, did not go ahead as, once again, there was no referee available.

The Division 2B team remained in the hunt for League honours with a fine 4-2 win over Crusaders on Sunday morning, thanks to goals from Laurence Hurney (2), Nicky Donnelly and Mickey Donnelly. It was also revenge for the previous week's defeat in the Division 2 Cup for J.D. and Billy's squad.

### Youth 'B' League

#### Dungarvan Utd. 1, Bolton 2

#### Dungarvan Utd. -v- Hibs. Postponed

Our youth team suffered a big setback in their quest for League honours when they lost at home to Bolton. We scored through Nicky Donnelly but Bolton hit back to take the three points.

Any chances of putting this poor result behind us on Sunday went when the scheduled game against Hibs. was called off.

## FIXTURES

### Premier

Our Premier team have no game this weekend and are next in action on Wednesday, 22nd May at home to Portlaw.

### Division 2A League

#### Dungarvan Utd. -v- De La Salle (Saturday at 2.15 p.m.)

#### Mooncoin -v- Dungarvan Utd.

#### (Wednesday, 22nd May at 6.30 p.m.)

Stan and Foggy's team face two very important games in the next week. They will be expected to defeat De La Salle in Kilrush Park, having already beaten them earlier in the season, but face a very stern task when they travel to fellow Title contenders, Mooncoin, next Wednesday. The Co. Kilkenny outfit won recently in Kilrush Park and it will take an excellent performance to get anything from this game.

### Division 2B League

#### Johnville -v- Dungarvan Utd. (Wednesday at 6.30 p.m.)

#### Dungarvan Utd. -v- Tycor (Sunday at 11.00 a.m.)

With J.D. O'Shea away, Billy Coleman will take up the reins as manager for these two vital games. Along with Ballinroad and Ferrybank, we are still well in contention for the Division 2B Title, but with games in hand, we must collect maximum points from a trip to Johnville tonight (Wednesday) and a home game on Sunday against Tycor.

### Youth 'B' League

#### Dungarvan Utd. -v- Ballinroad (Friday at 6.30 p.m.)

Following last week's defeat, our youth team will need to bounce back in this local derby on Friday evening if they are to stay in contention for the League title. Having already beaten Ballinroad, Kevin Moore and Kevin Hayes will be confident of the three points if they are at full strength.

## CUP SEMI-FINALS

Once again the Waterford Junior League have taken the absurd decision of not staging the Cup Semi-Finals in Ozier Park. Last season the delays caused by the Foot and Mouth scare were given as an excuse but, again this season, there will be no trip to Ozier for a Semi-Final. One wonders why does every Club have to pay a levy for the upkeep of the ground when they get so little opportunity of actually playing there. Yet, you will see several pub league and factory league games played on the pitch during the summer. Last season we reached two Semi-Finals and had more advantage in the Premier Cup Semi-Final but had to travel to Park Rangers for the Division 3 Cup Semi-Final. This season we will have to travel to Coolnamuck for the Premier Cup Semi-Final against Carrick.

## LOTTO

There was no winner of our lotto draw last weekend when the numbers drawn were 10, 11 and 30. Prizes of €25 went to Mary Jo Lynch and Stephen Cliffe.

## PREMIER LEAGUE MATCH REPORT

# Battling Blues Earn A Deserved Point

## HIBERNIANS 2 DUNGARVAN UTD. 2

Dungarvan turned in a battling performance in Kennedy Park last Sunday to return home with a fully deserved point. Dungarvan had to play for 86 minutes with only ten men when skipper, Aidan Landers was somewhat harshly shown the red card by referee, John Purcell in the 4th minute, the first of several strange decisions made by the man in black.

Despite playing with ten men, it was the Blues who took the lead in the 12th minute when Micheal Downey latched onto a Joe Nolan pass and ran 40 yards before scoring with a low shot into the far corner. It took Hibs. just seven minutes to restore parity but the equaliser came in controversial circumstances. It appeared that at least two Hibs. attackers were off-side but play was allowed to continue and Phelan duly scored.

Dungarvan worked overtime to keep themselves in the game against opponents who are involved in a very tight relegation battle and despite Hibs. enjoying plenty of possession, they could find no way past a splendid back three of Alan Landers, Kevin Walsh and J.P. Donnelly.

Early in the second half Gary Keane set off on a superb run that saw him beat four players,

but his well struck shot went narrowly over the bar. Within 60 seconds Hibs. were ahead when Kennedy was given time and space to turn and fire low past Niall Barry from 15 yards.

Hibs. had a great chance to secure the points in the 67th minute when they were awarded a penalty but, once again, Niall Barry proved his worth to the team with a superb save from Pat McCarthy's spot kick - his second penalty save in four games.

With Damien Power, Joe Nolan, John Power and Pepe Ferncombe all doing very well in the midfield sector, an equaliser was always a possibility and it duly arrived after 72 minutes. Nolan found new signing Rob Wheeler, who made an impressive debut, and he did very well to get to the end line and pick out John Power, who scored with an excellent finish to cap off a very

good move.

In the 78th minute Hibs. were reduced to ten men when McCarthy was red-carded for a head-butt at Kevin Walsh. With numerical parity restored, Dungarvan looked the more likely winners and they almost snatched victory five minutes from time, but Downey's well struck shot hit the post.

Dungarvan:- Niall Barry, John Power, Aidan Landers, Alan Landers, Kevin Walsh, J.P. Donnelly, Joe Nolan, Damien Power, Gary Keane, Micheal Downey, Rob Wheeler. Res.: Pepe Ferncombe for Gary Keane (inj. 73 mins.).

Referee, Mr. John Purcell.

## Dungarvan Youth Notes

We played Bolton on Friday last and for the first time this season we were found wanting in terms of effort. Nicky Donnelly scored as we went down badly 2-1. We lost the chance to set the record straight as our match on Sunday versus Hibs was cancelled as they could not field a team. This Friday we entertain Ballinroad at home and we will need a vast improvement on last Friday if we are to get anything from this local derby. The return fixture was a very close encounter which could have gone either way and we were fortunate to win. All players are requested to be at the club at 6.00 sharp and unlike last week please contact either Manager if you will not be there. Kevin Moore at 086-3925677 or Kevin Hayes at 086-8973168.

# Dungarvan United Schoolboys Notes

Once again last weekend was a blank one for our under 14 team as the fixture against Villa was cancelled and has been re-arranged for this Thursday night at 6.15 p.m.

## FIXTURES UNDER 14

Villa v Dungarvan on Thursday, 16th May at 6.15 p.m. This Thursday we will travel to Connors Park to take on a very strong Villa outfit, who under the guidance of Ray Moran are in pole position to claim league honours once again this year. Hopefully the Blues will go and claim a major scalp and at the same time show that they are more than capable of playing some good football.

Ferrybank v Dungarvan on Saturday, 18th May at 11.45 a.m. Once again we will be on our travels in search of victory against a very strong side. Traditionally the Blues have held their own against the home side and with some hard work they could come away with at least a share of the spoils.

Dungarvan v Ferrybank on Saturday, 25th May at 11.45 a.m. This is the return fixture of the previous week.

## SATURDAY ACADEMY TRAINING

Under the brilliant sunshine last Saturday we had an excellent turnout once again considering that a majority of the children were receiving their first holy communion. Michael Murphy, Richard Barton, Christopher Daly, Johnathan Shaw, Shane Whelan, Georgie Hamilton were the coaches for the day and each and every one of them can be proud of the effort that they are putting in each Saturday. All the children are settling in very well and are willing to listen and learn to the advice and skills being

shown to them. The academy will stop for a summer break at the start of June and will re-open in July. More information will be available in the next two weeks. Also thanks to James Corcoran who helped out with the keepers.

## UNDER 10 LEAGUE

This Wednesday the under 10 team that has been picked from the Saturday training will begin the start of their mini league when they travel to our near neighbours Ballinroad. This idea for a mini league is a very good one, as it will help all the club coaches see the progress that the players are making. The managers of the team are Johnathan Shaw, Shane Whelan who will be making their debut in the world of management.

## UNDER 10 FIXTURES

Wednesday, 15th May - Ballinroad v Dungarvan at 7.15 p.m. Wednesday, 22nd May - Dungarvan v Seaview at 7.15 p.m. Wednesday, 4th June - Dungarvan v Kilmac at 7.15 p.m. Wednesday, 11th June - Railway v Dungarvan at 7.15 p.m. Wednesday, 18th June - Dungarvan v Ballinroad at 7.15 p.m. Wednesday, 25th June - Seaview v Dungarvan at 7.15 p.m. Wednesday, 11th July - Kilmac v Dungarvan at 7.15 p.m. Wednesday, 18th July - Dungarvan v Railway at 7.15 p.m.

These are the complete fixtures for the under 10 team, and if anyone is interested in coming to watch or to help out, they are more than welcome. Further information on the Saturday. Training or the under 10 squads is available from the following - Francis O'Brien 087-7769125, Thomas Sexton 087-6204954, Edwin Egan 087-8736428.

## Manchester United Supporters Club

The closing date has now passed for applications for next years committee and we have received a good number of applications so hopefully all members and intending members will be present in Lawlors Hotel on Friday June 7th at 8pm sharp.

A lot of people have expressed an interest in joining the club so lets hope they all turn up on the night. Trips for next season are already in the early stages of planning so numbers will determine the cost of travel.

United ended up trophy less this year but the last time this happened they returned the following season to do the treble. I think we will settle for that now.

A large crowd attended the game versus Arsenal in the Parrish and through the club notes Johnny Lynch and his staff would like to thank everyone for their support. As these will be the last notes of the current season the committee would like to thank all our sponsors during the year i.e. Christmas draw and hope for your continued support. The staff at Lawlors Hotel for their help with organising our meetings and the Dungarvan Leader for printing our notes and various photographs throughout the season.

We hope to see a large attendance at the A.G.M. on June 7th and we look forward to next season with optimism. Come on the Reds!

# LeT Systems To Sponsor Local Rider In FBD Milk Ras

Local company LeT systems, based at Bridge House, are sponsoring local cyclist Pat Kenealy in this years FBD Milk Ras. This years race gets underway in Dublin on Sunday next May 19th. The race has attracted the biggest foreign entry ever for this the 50th running of the event. Teams from England, Wales, Scotland, Isle of Man, Japan, France, Denmark, South Africa, Germany, USA, Canada, Nigeria and Poland will take on Irelands best in the 8 day event, which covers over 730 miles. A stage of the race starts in Dungarvan on Friday May 25th at 12 noon from the square.

This year isn't LeT systems first involvement in the race. Last year they sponsored a local team in the race of which Pat Kenealy was a member. This year he is riding on the UCD team where each team member gets their own sponsorship. LeT systems are a great example of a local company helping local sports people.

# Touraneena Racquets Notes

## MASSIVE SUPPORT FROM LOCAL BUSINESS PEOPLE

With only one month to go to the 7th annual Touraneena 5km Road Race, preparations are well under way and the support the race is getting from the business people from the locality and surrounding areas is amazing. Local painter and decorator, Declan Kiely is sponsoring the main event for the second consecutive year.

Along with this there is massive support for the new Inter Firms League. Teams are flooding in during the last few weeks and it looks like this year's event will be the biggest in its seven year life span. We would ask all our players and supporters to support all our sponsors whenever possible. To sponsor a team costs just 20 euro.

## LOCAL RACQUETBALL FINALS

The local racquetball Spring leagues have proved to be a massive success with 60 plus players participating in 9 different divisions. The division 2 final was played in the week gone by and it proved to be a game of very high quality. Beaten finalist in the winter league, Helen Shanahan took on Mairead Hickey who had beaten the reigning champion, Niamh Coffey in the semi final. En route to the final, Mairead overcame the challenges of J.J. and Niamh Coffey, while Helen defeated Eileen Hickey, Moire Quinlan and Julie Skehan. Helen drew first blood in the final winning the first game 15-9. She then found herself 10-2 up in the second but Mairead fought back well and soon it was 12-11 to Helen. After a few excellent rallies, it was Helen that produced them last few vital scores to take the title on a 15-11 scoreline.

The division 1 final was between Niamh Coffey and Aidan McGrath. Niamh defeated Mairead Hickey, Quentin Hickey and Helen Shanahan en route to the final while Aidan overcame the challenges of Denis Coffey, Helen Shanahan and Quentin Hickey. In the final, Aidan made no mistakes and he took it right from the start and in the end he had a comprehensive 15-2,15-2 victory.

## PRESENTATION OF PRIZES

The presentation of prizes for all 9 divisions will be held on Friday 24th of May. All the players who participate in the tournament are asked to attend this night. The runners up will receive a collared club polo shirt also in the club colours. The combined value of the prizes is nearly 600 Euro so they are of the highest quality. All will be welcome to attend.

## Ladies Football News

# WATERFORD v. CLARE AT ENNIS ON SATURDAY

The competitive season begins in earnest next Saturday evening at 7 p.m. when Waterford travel to Clare for a potentially tricky quarter final clash in the National League. Clare are the reigning league and Munster champions and their title goes on the line.

Clare defeated Waterford twice last year, the only occasions they have beaten Waterford so the Decies girls will be very anxious to turn the tables and return to winning ways. Clare didn't have an impressive league campaign to date, they finished 4th in their group behind Monaghan, Mayo and Kerry but were short a number of players and expect to have a stronger panel available on Saturday.

They will be without the services of their powerful full forward Eithne Morrissey who has emigrated to Australia. Morrissey proved a real thorn in Waterford's side last year. Nevertheless on home soil they will fancy their chances and have top class footballers in Edel Arthan, Tammy Hehir, Noelle Commyn, Marie Kelleher and Aoife Healy.

Waterford finished top of their group with victories over Laois, Cork, Tyrone and Meath. The only blemish was a home defeat at the hands of Dublin. Six changes followed and a much better performance against Meath last time out will have built confidence but in truth Clare are a much stronger outfit than Meath and Waterford will have to up a gear to qualify for the semi final.

Practically the entire panel are in contention for places, the only absentee is Martina O'Ryan who broke a bone in her hand against Tyrone. She has resumed light training and should be back in contention in a few weeks. Waterford had 9 players, Nuala Hearn, Donna Frost, Olivia Butler, Julie Torpey, Mary O'Donnell, Rebecca Hallahan, Linda Wall, Deirdre Nagle and Sarah Hickey on duty with Munster in the interprovincial series last weekend and 4 tough competitive games over 2 days will have done them a lot of good.

This is the first real test for Waterford 200. There no second chance from now on, but Waterford are well capable of winning provided they per-

form on the day. The other quarter final pairings are Kerry home to Dublin, Tyrone home to Mayo and Laois at home to Tyrone.

## U-16 DEFEATED BY KERRY

Waterford went under to Kerry in the Munster Semi Final on a scoreline of 2-18 to 1-10 but the scoreline doesn't do justice to a gallant effort, Waterford led 1-4 to 0-0 after 10 minutes, they hit the crossbar on 3 occasions and also hit a post as well as missing 2 guilt edged chances. With 10 minutes to go there was just 2 points between the team but Kerry, inspired by outstanding full forward Casey O'Driscoll, daughter of 1975 All Ireland medal winner Ger, pulled away in the closing stages. They subsequently went under to Cork by a 3 point margin in the Munster Final.

## U-14 V KERRY

This Saturday the under 14 team play Kerry in the Munster Semi Final at a half way venue, last time out they defeated Tipperary at the Fraher Field and also scored a good victory over Clare and they are in with a real chance.

# WATERFORD HOT ROD CLUB

Summer is here once again which heralds the start of the 2002 Driver of the Year Championship. The format has changed slightly this year with drivers now able to score points in two races instead of just one as in previous years. This change is aimed at promoting a more open championship and ensuring closer competition for the Driver of the Year trophy. The brighter and warmer summer season always attracts a greater number of competitors than the Winter series so spectators can expect to see the grids for each class grow in the coming weeks. The championship incorporates nine classes this year, broken down as follows:

Class 1 — Cars in this class are limited to 1000cc and must display a white roof colour. Fiat Unos form the majority of the field, their high revving 903cc engines perfectly suited to hard driving. Road legal tyres are allowed only.

Class 2 — Limited to 1200cc pushrod engines, the grid for this class consists of rear-wheel drive Toyota Starlets and Ford Fiestas along with Opel Kadetts and Corsas. Class 2 cars have a blue roof and race on road tyres only.

Class 3 — An extremely

popular class with both drivers and spectators alike, class 3 is open to any car up to 1300cc. Front wheel drive Toyota Starlets dominate the field, their 12 valve engines proving to be a match for the rapid Opel and Fiat 1300s. Displaying a yellow roof colour, this class is also restricted to road legal tyres.

Class 4 — 1400cc is the limit in this growing class which was created two years ago to cater for the wide range of 1.4 litre engines now available. 16 valve units are allowed as are the use of racing tyres. Class 4 hot-rods have a red roof.

Class 5 — 1600cc engines provide the entertainment in this class, Toyota, Honda, Fiat and Volkswagen being the most popular choices. A tremendously quick class which also runs on racing tyres, class 5 hot-rods have a green roof colour.

Class 6 — The fastest class in hot-rod racing with engine size limited to 3.5 litres. There are no restrictions placed on tuning, space frame cars are eligible and turbochargers are also permitted. Ford 2.0 litre and 2.8 litre V6 engines provide the necessary speed for many drivers, the powerful Opel

and Peugeot units also being widely used. A black roof decorates all class 6 cars.

## LADIES

The ladies races are split into two separate championships based on engine capacity. Ladies driving class 1, 2 or 3 hot-rods compete against each other with lady drivers in class 4, 5 or 6 cars forming the second championship.

Junior — Drivers in the junior class range in age from 14 years to 17 years, with class 1 and class 2 spec cars the only cars permitted to race in this very popular and ever expanding formula. It provides a safe opportunity for young hopefuls to savour the fun and experience the thrills of fast, clean competitive driving and has already produced several drivers who are now achieving success in the main hot-rod classes.

The 2002 Driver of the Year Championship begins this coming Sunday 12th May at Waterford Raceway, The Pike, Dungarvan.

Scrutiny closes at 12 noon with first race starting at 12.30 sharp.

For any further information required contact: Club Secretary: Veronica Tobin at 058 43263.

## JOE MURPHY'S TEAM WIN GLANBIA CLASSIC

The Glanbia Sponsored Club Classic played for over the weekend was won by Joe Murphy's team. A record number of teams entered this classic and this was due to the motivational and hard working efforts of Kieran O'Connor the driving force before this Glanbia venture. The winning team was Joe Murphy (Past Captain of Youghal Golf Club) playing off 5, Olan Coleman Youghal (12) Michael Brackett (Club Captain last year playing off 12 and T. O'Leary Youghal (16). With two to count on the front nine they had 46 pts with five birdies on the 3rd, 5th, 8th and 9th. With three to count on the next six they had 42 pts with further birdies on the 12th, 14th and 15th. With all four to count on the last 3 they had 23 pts with Joe leading by example with a great birdie on the 18th. The win was well received as people acknowledged the great Clubmen they have been down through the years and a particular word of congratulations goes to our own Michael Brackett on his long awaited return to the winners enclosure. In second place we had E. Slater (9) M. McNamara (16) PJ Lanigan (16) Pat Power (20) with 110 pts. The breakdown for this team was 43, 41 and 26. In third place we had Pat Phelan (11) Tony Keaver (13) Tom Phelan (16) and Noel Hackett (18) also with 110 pts, the breakdown being 44, 46 and 20. This Classic was a tremendous success and the Club wishes to thank all the teams that took part, those who sponsored tees and greens and above all Kieran O'Connor and Glanbia for a most beautiful and generous array of prizes.

## LADY BELLE CLUB SINGLES

The second round of the Club singles kindly sponsored by Pat and Maeve Morrissey of the 'Lady Belle' is due to commence on May 17th. There are many outstanding ties the primary of which are: Michael Flynn v Tony Brady, Mark Fleming v Liam Carroll, Anthony Lynch v Billy Queally, Nicholas Norris v Mick Leacy. The defending champion Jack Elstead could hardly have asked for a more difficult match which sees him come up against a very much in form Noel Brennan fresh from his great win in the Vice Captain's Prize last week. All in all some great golf to look forward to.

## FOURBALL CHAMPIONS CRASH OUT

The Club Fourball for the O'Connell Cup provided some first round shocks the main one being the defeat of the defending champions Patsy Horsom and Michael Leacy by George Hamilton and Anselm Hayes. In a game of real quality the winners were only 4 over gross when they won the match on the 17th green. Tony Brady and John Gough also had a great win against Sean Wade and Jimmy Wemyss. The defining moment in this match occurred on the 16th green. Here Tony was forced with a downhill one footer with a left to right break but with coolness personified he made the putt and went on to achieve a famous victory. Some second round ties that stand out are: Tom Burke/Tony Keane v Tom O'Grady/M. Drummy. George Hamilton/A. Hayes v Des Cleary/T. Keever. J Gough/T. Brady v J. Walsh/Pat Cunningham. v. Hayes/T. Dungarvan edged ahead again following a good performance by Maurice Cliffe to win 3 and 2 against Pat A. Power. Parity was restored when Patrick Power Jnr beat Denis O'Brien 2 and 1 in a close encounter. Noel Hackett continued his recent good form with a 5 and 4 win over Michael Cass while Brendan Cullinan levelled the match with a 3 and 2 victory over Pat Cunningham. A play off was needed between Felix Shields and Pat Power to separate the teams and Felix sank a great putt on the 20th to see Dungarvan through by the narrowest of margins. Finally, Dungarvan would like to thank West Waterford Golf and Country Club for their hospitality and particularly the staff for the wonderful meal provided after the match.

## A.A.I. NATIONAL BELFAST CITY MARATHON

# Locals Do Very Well In Belfast Marathon

Pictured are back row (l. to r.)  
Connie Kelleher, Eoin Fitzgerald,  
Johnny Clarke and Brian Collins.  
Front - Trevor Mason, James  
Veale and George Tutty

The Belfast City Marathon was held last Monday the 6th of May and this year the race incorporated the Irish and Munster Marathon Championship. We will all remember last year when this race was held here in Dungarvan when the host club West Waterford had thirty six athletes complete the course.

This year we were represented by a seven man team who made the long journey up north to compete for their club. They were Connie Kelleher, Trevor Mason, Eoin Fitzgerald, George Tutty, Johnny Clarke, Brian Collins and James Veale, all athletes were very pleased with their performances considering that the day was very warm.

First man home was Trevor Mason in a time of 2.44 finishing in a very creditable 16th place. This was another great display by the ever consistent Trevor who is one of our top road runners at present, his performance was good enough to give him a silver individual at Munster level behind Cathal O'Connell of Cork who was 6th in 2.26. Next came Connie Kelleher in a time of 3.04 in 90th place, this gave him gold in the over 50 category at Munster level. This again was a tremendous performance from Connie when you consider he ran the London marathon only three weeks previous

breaking 3 hours in the process and only decided on Thursday to go to Belfast, an iron man.

Indeed, third West Waterford man was James Veale in 103rd place in a time of 3.07 another fine run, incidentally he ran the same time twelve months ago when the race was held in Dungarvan. He also won an individual Munster medal taking silver in the over 40 category behind Michael Moore of Tipperary. Trevor, Connie and James also brought national honours to the club when they took silver team medals behind Foyle Valley with last years winners Raheny Shamrocks in the bronze place, they also won the gold Munster team title.

West Waterford's next an to finish was Brian Collins 274th in a time of 3.34. This was the army man's second marathon and he was more than pleased to knock a substantial amount of time off his first marathon last year in Dungarvan. It was also evident to see that Brian was probably the freshest of all the team after the race which

proved how well prepared he was for the event. Fourth team member to finish was George Tutty in 4.01 placed 513th, another fine performance if you consider George lost over 2 weeks training at a very crucial time in his preparations through sickness and almost wasn't going at all but through determination saw him run one of his best ever races. George also looked after the hotel and travel arrangements for the weekend, a job well done all round.

Next athlete was our debutante Eoin Fitzgerald in 519th place in a time of 4.02, a super effort first time out. Eoin was very proud of his run and was a short time after the race talking of his next marathon and the amount of time he reckoned he could take off. He certainly passed his introduction to marathon running with flying colours. Next man on our team was the big man himself Johnny Clarke, 682th in 4.21. Another fine performance by Johnny who gave great support to Eoin in his preparations for the race as they did a lot of their training together. As usual he took the race in a cool manner and never becomes anxious about the task ahead. He was full of support and good advice to us all before the race started so all in all it was another good day of marathon running for the club, and all the medals will be presented to the members at a later date.

The national marathon championship will be held next year in conjunction with the Dublin City Marathon October 2003.

## Ger Wyley/Nike Summer Series

### Race 3 — Butlerstown 10k

This coming Saturday night, May 18th at 7.30 p.m., race 3 in this year's Summer Series takes place with the very popular Butlerstown 10k and 5k fun run. Organised every year by Pat Hennessey, Kilmeaden, each year it attracts one of the largest fields over the summer series. All proceeds of the race go to the Alzheimers Association in Waterford. Now in it's 22nd year, it is run over a two lap course with sign on at the Butlerstown G.A.A. Centre. There will be the usual individual prizes and there will also be category team prizes. All are welcome to the Holy Cross Bar for teas and sandwiches where the prizes will be awarded after the race.

## Track And Field News

The first fixture of the track and field season took place last Sunday in the Regional Sports Centre in Waterford with day one of the county championships, day two on Sunday next.

The Munster junior and under 23 championships will be held in Castleisland on Sunday, May 26th with the Munster schools on the previous Saturday in Cork and the All Ireland schools on the following Saturday in Tullamore. It is for each athlete to decide if they wish to compete. Entries to be forwarded immediately.

On Sunday, June 2nd the masters and senior Munster championships will be held in Waterford. All eligible athletes are expected to make themselves available. Last year we lost by one point to Cork club Leevale for the Munster track and field club of the year. So let's hope for better commitment this year and that our Masters can also do the business by securing their trophy.

Any queries and entries for junior and senior competitions please contact Nora Healy at (058) 46240 or 086-8354027 and for masters competition please contact Joe Gough at 086-8354027.

Once you represent the Club in any race anywhere it counts as 1 point. It is difficult to know where members are running over the coming months, so if you do compete remember to contact James with the results which he will add to your tally of races.

All in all it was a hugely successful day for the juvenile sec-

# HORSE RACING

BY MARK PHILLIPS

## TAX ISSUE

The vast majority of High Street bookmakers are currently displaying signs in their racing offices stating that as and from May 1st betting tax was reduced from 5% to 3%. I am afraid however your friendly bookmaker is being economical with the truth. You see the real fact is that Minister For Finance Charlie McCrevey T.D. reduced the betting tax from 5% to 2%, but the Bookmakers themselves then decided to load on an extra 1% to subsidise the costs of the relaying of racing information/returns from the UK into the Irish offices. Whatever about the small independent offices the larger chains who make huge profits could surely absorb the 1%. Charlie McCrevey is reported to be very annoyed with the bookmakers and some people are of the opinion that it is illegal for the bookmakers to charge 3% when the law of the land now states that the Tax payable in offices is only 2%. My guess is that we haven't heard the last of this subject. If any bookmaker in the locality is only charging the 2% then we would love to hear from them.

## EX JOCKEY LEAVES SUBSTANTIAL WILL

Former successful jockey turned trainer Georgie Wells who sent out Kings Sprite to win an Irish Grand National left nearly 4.8 Million in his will. He died in December 2000 after suffering a stroke.

## BEST EVER FOR JOHN JOE

County Cork born John Joe O'Neill who now days trains out of the famous Jackdaws Castle racing establishment situated close to Cheltenham has enjoyed his best ever season sending out 113 winners.

## IRISH RACING BACK ON TV

With the Racing Channel now only able to screen races from ten British tracks they are now showing live as many Irish meetings as possible which is great for those of us who enjoy the local Flat and National Hunt scene.

## MILAN PULLED UP

Trainer Aidan O'Brien suffered a setback at the Bank Holiday Monday meeting at The Curragh when his Classic winning stayer Milan was pulled up lame in the Group Two Athasi Stakes which went to the second favourite Ribellino this Kevin Prendergast filly producing a workmanlike performance getting the better of Milan's stable mate Shoal Creek. Milan is under veterinary care at the moment and it could be some time before an announcement is made whether or not this horse will ever race again.

## FORMER TRAINER DIES

Former well known British trainer Peter Calver died last week at the age of 68. A Scot by birth Calver qualified as a Vet funding his college fees by punting at Point To Point meetings. He paid £186 for the unbroken Highland Wedding who later went on to taste victory in an Aintree Grand National. Peter Calver in fact rode Highland Wedding to six Point To Point victories before selling the horse at a significant profit to trainer Toby Balding. As a trainer Calver kept more quality than quantity and enjoyed plenty of success on the level with such horses as Madracó, Eradicate and his grand old campaigner Perryston View who was his

final ever winner at Doncaster.

## SEATTLE SLEW DIES

Seattle Slew the only horse ever to win the American Triple Crown passed away in his sleep recently at the ripe old age of 28. He was also a big hit at stud and sired the winners of 102 stake races. He died twenty five years to the day he captured the prestigious Kentucky Derby.

## HAWKWING PRICE

For those of you who like trading at odds on Cashman Bookmakers are offering odds of 1/3 about Hawkwing finishing in front of Rock Of Gibraltar should the two colts meet in the Irish 2000 Guineas. All bets are void should either horse fail to run in the race.

## THE QUEEN FOR THE CURRAGH

The Mick Channon trained Queens Logic is over her problems of last week where she was a late withdrawal from the 1,000 Guineas at Newmarket and having pleased her trainer in a midweek work out is now on course for a tilt at the Irish 1,000 Guineas at the Curragh.

## A DEPRESSED HORSE

The following notice appeared in the Irish Racing Calendar after the running of the Adare Novice Hurdle at Limerick. "The Turf Club Veterinary officer reported the stewards that Watts Hill trained by Mr. P. Hughes was depressed post race. Samples were taken for analysis". That's the first time that I ever heard of a horse being depressed after a race. I can only assume that the report should read that this unfortunate animal was distressed after the race and it was the punters who backed Watts Hill were depressed.

## PENNYMAID SCORES FOR PAT

Ballyduff Upper trainer Pat O'Connor who does really well with his small string sent out the winner of the prestigious Gowla Breeders Mares race at Tipperary last Thursday night as Davy Russell brought 3/1 shot Pennymaid with a well timed run to overhaul Howaypet and score by two and a half lengths. The distance of this race nearly found out the winner and being a daughter of Husyan the winning pointer will appreciate a stiffer trip when launched over hurdles or fences. Pennymaid who hails from the same family as the very useful Cab On Target was trained by rider Eoin Gallagher to win two Point To Points before joining the Pat O'Connor yard. Eoin incidentally is making a good recovery from injury and is hopeful of returning to the fold in August.

## NICE ONE KEN

Lismore pilot Ken Whelan enjoyed a welcome winner as did the winning trainer Homer Scott when John James scored over hurdles at Naas. Ken also shares an interest in greyhounds with his dad Davy and both were visitors to Kilcohan Park recently.

## CORK REPORT

Waterford trained horses occupied the first two places home in the handicap chase at a sun drenched Cork last Friday night. The Declan Queally Darkarrow led for a long way in this two mile contest but was unable to hold the late challenge of the Henry De Bromhead trained and Mark Grant partnered No Such Thing who finished with a flourish to triumph by two and a half lengths. The blinkered Darkarrow should pick up a

chase off his present mark and appears well suited to a galloping circuit such as Cork. He may find the likes of Tramore and Wexford though to tight for his style of running.

## CORK EYE CATCHER

There is a novice chase coming the way of Rough Gamble. Jumping really well at Cork recently this well backed 5/2 shot had the misfortune to crash out at the first fence in the straight and provided that this error has not affected his confidence he should be winning soon over fences.

## ANOTHER PRENDERGAST

Patrick Prendergast a son of trainer Paddy Prendergast is to set up training on the Curragh.

Young Patrick will campaign his runners under the name. PJ Prendergast while his father will continue to train under the name of Patrick Prendergast. Young PJ's uncle Kevin is also a top class trainer in his own right.

## POINT TO POINT FIXTURES

Sunday May 19th — Westmeath Foxhounds, Castle-Geoghegan, Mullingar, Co Westmeath, 2 pm

United Foxhounds, Hightown, Bartlemy, Co Cork, 2pm

## A FIRST FOR TOM

Congratulations are extended to Ballyduff Upper amateur rider Tom Feeney who rode his first ever winner at the Muskerry Foxhounds Point To Point fixture at Dawstown last week. Tom was aboard Gaelsgeoir in the 4 and 5 year old maiden race and this Jim Bolger bred gelding accounted for Shuffling Pals by four lengths.

## THIS WEEKS FIXTURES

Saturday — Downpatrick, 2.30, Thirsk, Bangor, Nottingham, Newbury, Hamilton.

Sunday — Navan, 2.30, Clonmel 2.15.

## MIXED WEEKEND FOR BALYDOYLE

Last week-end was a mixed one for trainer Aidan O'Brien and his team. On the plus side they scooped the French 2000 Guineas with 11/2 shot Landseer but on the debit side they lost last years Champion sprinter Mozart through sickness on Sunday morning while on Sunday afternoon High Chaparral struggled to beat second rate opposition in the Derinstown Stud Derby Trial.

## WATERFORD RACING

### FRATERNITY DO WELL

The opening day of the Killarney three day meeting saw Waterford owned and trained horses do very well. West Waterford owner Michael Ryan saw his colours carried to victory by both Dalian Dawn 3/1 and Patsy Veale 16/1. David Kiely trained Dalian Dawn while John Queally had charge of Patsy Veale who was partnered to victory by Shay Barry from Dunhill. Ken Whelan from Lismore steered Take The Lot to victory in the Handicap Chase.

Tramore trainer Paul Roche sent out the well backed Steel Band to finish in second spot in the opening maiden hurdle and this horse will surely open his account before too long.

In the senior section the best was definitely kept till last when Mike Daly in a welter of excitement became

county champion for the first time beating no less a player than John Carroll in a thrilling nine hole play off. Both players finished level after 36 holes on 98 each. WATERFORD TUESDAY MAY 7TH 2002

## Impressive Run By Farloe Whisper

Topping the menu of racing on this midweek card were the two semi finals of the Waterford Business Machines Unraced 525 stake. For the second week in a row the punters rowed in with Joes Leigh in the first semi final but it was the Jimmy Frisby owned Moonroe Scooby (Arrigle Phantom-Popalong Miss) 7/4 who led all the way in 29.32. Joes Leigh ran a close second throughout and despite a stumble early on down the back stretch Joes Leigh did well to move within a half a length of the strong running Moonroe Scooby who stayed on well to win his second race on the trot.

The second semi final produced an impressive winner in the shape of the Desmond Loughery owned and G Calvert trained Farloe Whisper (Mountleader Peer-Farloe Post) this 5/4 favourite coming home alone in an excellent 29.03. Destroying her field for early pace Farloe Whisper had this race in the bag a long way from home cruising to a seven and three quarter lengths win over Tinrah Jack who got the better of Sorrento Flyer for the runner up spot.

In the first of ten races confined to first timers Clash Beret 3/1 and Aglish Margo 6/4 had the race to themselves a long way from home and in a tight finish young Richard McGrath's Clash Beret (Smooth Rumble-Easter Bonnet) 3/1 came out on top by the narrowest of margins in 30.16.

In the first semi final of a Graded Unraced event Fitzzy Star was sent off the evens favourite but a slow start saw the jolly with too much leeway to make up. In complete contrast the Eileen Skehan owned and Declan Byrne trained Cooland Lass (Lassa Java-Windgap Chick) 5/2 made a swift exit from trap three to lead all the way for a cosy five and three quarter lengths win over Pearl Prince in 29.34.

In the second qualifier Threerocks Star showed sound early pace from trap six and dispensing with the early challenge of Honey Lion the leader appeared well on his way to victory but finishing full of running the Terry Sullivan owned Goldmember (Droopys Merson-Minnies Colleen) 2/1 could afford the luxury of running into the leaders hindquarters between the final two bend before storming home on the wide outside for a length and a half success in a red hot 29.14.

The Eoin Darcy owned and Killian Power trained Aero Express (Bonus Prince-Fly Venue) justified odds of 1/1 taking the fourth contest with considerable ease in 29.93.

Clash Sassy cut out the early running from Miss Tiny but the well bred Aero Express put in her best work in the closing stages going clear up the home straight for a five and three quarter lengths win over Clash Sassy.

The fifth race saw Jumbos Ivy shoot clear from the break but the leader gave way to 6/1 outsider Raywee Magpie (Super Hoffman-Roan Judy) nearing the penultimate bend. After early traffic problems Doctor Tinrah came home well up the rails but failed by a short head to collar John Whelan's Raywee Magpie with Jumbos

Ivy staying on again into third spot a further head in arrears of the runner up. Time 29.86.

An ease in grade was just what the doctor ordered for the Goodguys Syndicate owned Hammermill (Lassa Java-Get Up Fox) and this Patricia O'Neill trained ran tracker posted a pillar to post 29.30 victory in the sixth. Available at 9/4 Hammermill packed to much early pace for his opponents leading early on from the early paced You Muppet and while Denekas Dream stayed on well in the closing stages Hammermill stuck to the task in hand to triumph by two lengths.

The Sean O'Loughlin owned Dinan Tiny (Larkhill Jo-Dinan Wonder) 5/1 proved a big hit with the bookmakers capturing the ninth race in a splendid 29.07. There was some serious bets struck about Rico 2/1 and Perrys Jungle and while the latter was badly hampered throughout Rico only ever had a rear view of Dinan Tiny who powered clear from trap two for an all the way six and a half lengths victory over Rico.

For good measure County Kilkenny owner Sean O'Loughlin also captured the final race of the night with 2/1 shot Dinan Little (Lenson Lad-Dinan Wonder) this October 99 whelp coming from behind the front running Boher Breeze to triumph by two and a half lengths in 29.43.

WATERFORD SATURDAY MAY 9TH

## Tinrah Jack Caused An Upset

Topping last Saturday nights Benefit meeting in aid of Portlaw GAA Club was the final of the Waterford Business Machines Unraced stake sponsored by local businessman Nicky Quinlan. Moonroe Scooby was an absentee in trap four with his place going to Pappas Prince. The only unbeaten finalist Farloe Whisper was sent off the 9/10 favourite but the jolly was none to clever at the break and involved in first bend crowding the favourite was never in a winning position thereafter. 8/1 outsider Pappas Prince made the long break for home showing good early pace with 6/1 shot Tinrah Jack moving into second spot down the back stretch. Gradually reeling in the leader the Marie Corcoran owned and Phil Gough trained Tinrah Jack (Mustang Jack-Brookside Minnie) finished powerfully up the inside to strike the front up the home stretch and score by two and a quarter lengths from Pappas Prince in a best ever 28.88.

The two semi finals of the Martin Fortune, Bokmaker, 500 yard event saw two winning favourites oblige with the first of these producing a new track record as Saratoga Honcho flew around in 27.36. Producing a fine burst of early pace Saratoga Honcho (Top Honcho-Jungle Crisis) 1/3 led from Derwent Driver but increasing the tempo down the back stretch the Saratoga Syndicate owned and Perry Aylward trained Saratoga Honcho drew well clear for an excellent eight lengths victory over Derwent Driver in a new track record.

In the second semi final the Albert Draper owned and Lester Power trained Magna Replay (Vintage Prince-I Knew) was a raging hot favourite at \_ and turning the first bend in front of Frontera the favourite was never in any subsequent danger coming home three and a quarter lengths clear of Bettystown who recovered well from first bend crowding. Time 27.47.

Despite drifting in the market for the opening contest the Thomas O'Donoghue owned and Mick Cronin trained Glide-

away Babe (Prince Of Tinrah-Glideaway Sue) 5/2 came good in 29.23. After a good buckle with the 6/4 favourite Kingsmeadow May Glideaway Babe reached the winning line with a short head to spare over Kingsmeadow May.

The second event also produced a winning favourite as Ducky Tex (Thorgil Tex-Ballymarket Lass) 1/1 made every post a winning one in 29.37. Outpacing his rivals early on the James O'Connor trained Ducky Tex was strongly challenged by April Express over the final two bends but digging deep Ducky Tex stayed on well close home to win out by three quarters of a length.

Gold Hurricane was installed as the 6/4 favourite in a two bend dash but after missing the break the favourite ran into the leaders at the first bend. Those leaders included Greenane E Mail and Dillrock Denis and it was Alan Carrolls home bred Dillrock Denis (Staplers Jo-Dillrock Denis) 2/1 who produced the superior finish to forge clear for a three and a half lengths victory over Greenane E Mail in a fast 16.45. The winner was following up on a sprint victory over his local Enniscorthy circuit the previous Thursday night.

Races four and five were decided over the 550 yard trip. Pamelas Lady (Lasa Java-Minor Lady) 2/1 ran out a gutsy winner of the fourth race in 30.72. After taking a hefty bump at the first bend from a challenging Connollys Flyer the Gary Ince owned and Patricia O'Neill trained Pamelas Lady was forced to come from behind Drop Out Again on the back stretch before obliging by a half a length in 30.72.

In the fifth contest the Sean O'Loughlin owned and Paul Coady trained Portlaw Man (Shanless Slippy-Commet Hill) the well supported 5/4 favourite posted an impressive trap to line 30.42 victory. Exiting trap two at a fair rate of knots Portlaw Man had his rivals in trouble a long way from home leading down the back from the close running pair of Killeagh Jack and Mystery Unsolved before defeating the latter by a length and three quarters.

Kinda Swell who was placed in an English Oaks final caused a mild upset in the ninth race this Ian Seymour trained greyhound whizzing around in a fast 28.87. Cyprus Oasis broke in front from trap three but showing plenty of early pace from trap two Kinda Swell (Summerhill Gift - Molly and Me) dashed into the lead around the opening two bends and maintaining a strong gallop up front Kinda Swell cruised to a deserved five lengths victory over Cyprus Oasis. The winner runs in the ownership of M/S Johnson, Crouch and Howard.

Local trainer Bill Marlin sent out the runaway winner of the concluding 730 yard marathon as the Suzie Maher owned Scallywag Suzie (Smooth Rumble-Safe Keeping) the 6/4 favourite ran riot over the opposition in 41.21. Matt The Brat was first to break the line but striking the front off the third bend Scallywag Suzie motored clear of the pack for an easy eight lengths victory over Busy Decision.

# ST. DECLAN'S COMMUNITY COLLEGE NOTES

## ANOTHER MUNSTER TITLE FOR ST. DECLANS

On Thursday 9th last the Junior ladies travelled in force to Cashes to take on Colaiste Mhuire, Ennis in the Junior 'B' Munster Final. We got off to a blistering start when Edel Curran got three points before Ennis ever knew the ball was thrown in! Lynn-Marie Grant and Emma Gallagher ruled in mid-field with their blistering speed and deadly skill. A combination of points from both these players as well as Emma Wall and a beautiful goal from Caoimhe Downey gave us a 4 point lead at half time. Scores were swapped between both teams until the last 10 minutes. Ennis made some strong attacks and only for our outstanding goalkeeper Niamh Foley, St. Declan's may not have had such a good result! When the final whistle eventually went we emerged winners by just two points. All credit to Ennis,

they put up a fantastic fight to the end. But praise has to go to Edel Curran who scored 7 points and Niamh Foley who was solid as a rock in goal. Well done girls. Enjoy the celebrations!

Team: N. Foley, A. McGrath, K. Dunphy, E. Kirwan (c), M. O'Donoghue, L. Dunphy, J. Kirwan, L.M. Grant (2), E. Gallagher (3), C. Downey (1-2), S. Crowley, K. Kirwan, C. Halpin, E. Wall (1), E. Curran, D. Carroll, A. Moore, K. Power, A. Sutton, J. Whyte, N. O'Connell, M. Torpey, T. Weldon, A. Whelan, K. Hayes.

## ALL IRELAND INTER SCHOOLS SHOW-JUMPING

St. Declan's equestrian team were on the road again last Saturday May 4th in Enniscorthy showgrounds. An early start for all our riders walking the course at 8am and not to mention the time our dedicated team were up preparing the ponies!

First to go for St. Declan's was second year student Ellen Kirwan.

We were team no.8 out of 84 teams. Ellen rode two excellent rounds getting two clear rounds on the experienced Ballyvadd Lady. Ellen has competed in every school competition held since first year and is a huge asset to St. Declan's team and this Sunday takes part in Wallslough in another Inter Schools event. Next to go for St. Declans was Bryan Hallihan another second year student riding "Millie". This was Bryan's first appearance in any form of competition on horseback and was very impressive considering. In both rounds Bryan had just one stop, riding the rest of the course superbly and will be a huge addition to our team in future years. Our last rider to go was third year student Caolan Walsh on Bobby. Caolan again for the third year got two clear rounds.

Overall we did very well but did not make it to the jump-off. A great day by all riders and well organised considering that over 360 riders took part and every school from all over Ireland was well represented. I would especially like to thank the parents of the riders for the transport and help on the day for our team.

## EAST MUNSTER GIRLS TRACK AND FIELD

Three of our girls qualified for the Munsters which will be held in Cork on the 25th May. Edel Morrissey again came home with another three medals - 2 gold in the 100m & 300m and bronze in the shot put. Julia Kirwan came second in the 800m which was a great result, the 1500m being her best distance at which she won gold the previous week. Twin sister Kate Kirwan finished third the previous week in the 1500m, finishing very strongly. Claire Halpin was very unlucky to get beaten on the line in the 100m final.

## APPEAL FUND

Ross Houlihan, 6th year student, has stoutly pledged to participate in the National Children's Hospitals sponsored walk in Hungary, (£3,000 is the minimum which Ross aims to raise). This walk will commence on September 7th and finish on Sept 13th. Ross is to be lauded for pursuing this cause. The National Children's Hospital is very much dependant on voluntary support to help to help fund new projects and services to complement existing programmes of care. Ross welcomes any help or assistance which you may like to offer him with his fundraising.

## END OF YEAR MASS

This last week reminds us that the academic year is quickly coming to a close. The 6th year end of year Mass took place in the local church with celebrant Fr. Crowley. It was a sincere, dignified positive service. The students participated with dedication. Well done. Much praise is due to their industrious religious teachers, Ms. Kennedy, Mrs. O'Connor, Mrs. Hartery and Mr. Carroll.

## ENTERPRISE FINALS

Best of luck to two of our students Michael and Paul Flynn. They are representing St. Declans in the National finals of the Young Entrepreneur Scheme with their project "Get Slated". Also to Orla Walsh and Siobhan Maher in the Junior Final with their project "The Cloth Bag Company". Much work, effort and time has gone into these projects. Many thanks are due to Mrs. Mitchell the students' teacher.

## O'MAHONY CYCLES & NURSERY SUMMER SERIES Week Two

### Eddie Moore Grabs His Chance

Eddie Moore captured the honours last Wednesday night as he came from behind to take a well-deserved victory on Week Two of the O'Mahony Cycles & Nursery Summer Series. From the outset Group One, comprising Eddie, Francis Barry, Seamus Connolly, Dave Salmon, Brian Guiry, Jim Meehan, Jason Drummy, and Alan Landers worked so well together that they succeeded in holding off the three chasing groups, and finished together 50 seconds ahead. On the final bend it was all to play for, but in the end Eddie Moore's consistent cycling since early January paid off as he took the sprint to the line, followed by Francis Barry, just a wheel behind. Following his victory, Eddie stated "The chance was there, and I took it." Newcomer Jason Drummy showed great promise, pipping Jim Meehan at the post. Reports from the various groups on the night indicate a marvelous night of hard competition, with each rider working together for their respective groups, concluding with a large bunch finish as Groups Two, Three and Four came together at Kilmurray.

Results: 1st: Eddie Moore (21 miles in 55:37); 2 Francis Barry, 3 Jason Drummy, 4 Jim Meehan, 5 Alan Landers, 6 Brian Guiry, 7 Brian Truman, 8 Eoin Whyte, 9 Ray Dwyer, 10 Robert Power. All others finished within 10 seconds. There was a total of 39 cyclists on the road last week, and in such circumstances we thank everyone for their care and attention on the road. Finally, our double act, Martina and Moyra, decided to cycle the Whitechurch route, as in previous week, and will be very encouraged to know that their times were cut by 3:36 and 3:11 respectively. These ladies will be a handful when the group returns to Whitechurch in two weeks.

Tonight, May 15th, you are asked to make your way as you please to Cappoquin GAA Field, arriving not later than 6:45 for sign-on. It is our intention to start promptly at 7pm. Beginner cyclists will depart at 7pm sharp, followed by others according to ability, with the strongest riders starting last. Tonight's event is an individual time-trial from Cappoquin to Kilrush, measuring 10 miles.

## YOU MUST OBEY THE RULES OF THE ROAD

### DUNGARVAN CREDIT UNION LEISURE TOUR

Our leisure tour for 2002 will take place on next Sunday May 19th. Sign-on will be at the Park Hotel from 9:15 onwards, the entry fee is €8, and the spin will roll out at 10am. We are very grateful to the Flynn Family at the Park Hotel, who have put their facilities (including showers) at our disposal. We will be using our familiar route of recent years along the coast road to Bunmahon, Kill, Kilmeaden, and heading back through the village prior to turning north to Carrick, and home via Mahon Bridge and Leamybrien. Total distance 60 miles. The tour will be opened up as a race for any participants who wish from Leamybrien as far as the outskirts of Abbeyside at the Burgery. Once again there will be a 15-mile and a 30-mile option on the day. Refreshments will be served at approx 30 miles, and again at the Park Hotel upon return. This tour was very highly commended last year, primarily because we succeeded in our aim to control the pace to about 16 mph. Many of the regular Munster cyclists who participate in these tours have complained that some clubs allow their Club Tour to develop into a race, and we are happy to inform

people that this will not happen. Remember the date...next Sunday May 19th, 10am, Park Hotel.

## CLUB RIDER FOR FBD MILK RAS

This year's FBD Milk Ras gets underway on Sunday next May 19th. The race has attracted the biggest foreign entry ever for this the 50th running of the event. Teams from 12 countries around the world will take part in the 8-day 740-mile race around Ireland. Local club rider Pat Kenealy will be one of the 195 starters in Dublin on Sunday. Local company LeT Systems is sponsoring him for the event. He has trained very hard all winter for the event and should be in peak condition to enable him to complete it. This year he is riding on the UCD team from Dublin.

Other local riders taking part are Mark Power (Tipperary), Thomas Hogan (Cork) and Rory Wyley (Southend). A stage of the race starts in Dungarvan on Friday May 25th at 12noon from the Square. Best of luck to all the lads taking part and don't forget to turn up on the 25th to see them off on Stage 6.

## NEXT MONDAY

Monday May 20th from John Foley's, Kilrush for a 6.30 pm start. Don't forget that newcomers are welcome on all these evening spins. You may cycle for 5, 10, 15 or 20 miles, and turn back when you've had enough. Many cyclists who start off like this soon develop enough fitness to go a little further week-by-week. Start small, and take your time.

## WICKLOW 200K

June 16th is the date, and application forms are currently available. Forms must be returned by June 4th, and there is no entry on the line as in previous years. In addition, to celebrate this the 20th Wicklow 200k, every participant will receive a commemorative racing jersey, as well as a gold medal. Overnight accommodation has been booked already by several members; remember you need to sort this out yourself. We will arrange a "tactics meeting" in Dublin on the Saturday night. A venue will be announced nearer the date. Just make sure you continue to get in your long spins until about ten days prior to the event. Contact 44361 for application forms, or get one on the website.

## SATURDAY SPINNERS

Another marvelous Saturday morning in the saddle, as we started our journey to Cahir. Fresh on the heels of last week's spin to Castlemartyr, this week we headed to the Golden Vale. Heading off into a stiff wind to Ballymac we were met at the top of Collihan by John Clarke, the man who cycles every day. John sat in with us until we headed left at Kilmanahan towards Knocklofty, at which point one member expressed a preference to head on to Ardfinnan, Clogheen and back home over the Vee. Such was everyone's excitement on hearing mention of the Vee, that all agreed it was the right route for the day. It was very heartening to see such agreement, and we thank Ivan for asking us to avoid Cahir. Some stopped in Clogheen to get some Lucozade Sport and other such magic bottles to help on the long climb to Beal Lough. As it happened, the right people made their way to the front, and controlled the climb, making it very comfortable for the entire group. However, on the descent to Lismore, the group did split, as the pace was very fast. We regrouped at Lismore, and had a lovely steady spin home. On their bikes today were Philip Cleary, Padraig de Burca, Eddie Moore, John Flynn, Tony Elsted, Vincent Feeney, Kevin Forde, Ray Dwyer, Liam Lynch, Ivan Power, Eamon Phelan, Anthony Dwyer, John Clarke and Paddy Power

## ROUTES FOR SATURDAY SPINS

May 18th Mystery Spin? Approx 40-50 miles, with a shorter 15-20 mile route. We have no designated route this week. There will be plenty opportunity for everyone to shout your preferred route. This spin is slightly shorter than usual, because our Club Tour (for cyclists throughout Munster) will be held on the following morning.

May 25th: Carrick Clonmel. One of our favourites. Some of the Wicklow 200 riders have planned to add a longer loop with this spin. Join them if you like, or stick with the sane bunch.

June 1st: Rathgormack, Kilsheelin June 8th: Waterford, Tramore

## ONE TO WATCH

From last week's issue of "Cycling Weekly", Britain's top cycling magazine: Rory Wyley (Sdeals.com) was one of the many young Irishmen inspired by Sean Kelly. He joined Kelly's club, Carrick Wheelers, and raced "a wee bit". But in 1989 he moved to England and switched to marathon running until stress fractures forced him to quit. He returned to cycling in 1999 and quickly made up for lost time. In the following year he rode the FBD Milk Ras and found it a "real eye-opener" but still managed to finish. Last year he returned to the RAS and was placed 41st overall. This season looks like being his best so far. At Easter, he rode the Tour of the Border in Northumberland because he had never been there and "fancied a look around". Consistent riding - his lowest stage placing was eighth - earned him second place overall, 34 seconds down on the winner. "I was up there every day...I enjoyed it", said the 34-year-old who believes he is improving with age. He also enjoyed the Archer Grand Prix "Finishing 13th might not sound like much, but it was the first time I was in the thick of things in a Premier Calendar Race", said Wyley, who was in the 11-man group that sprinted for third place. Wyley is an accountant with Southern Electric at Maidenhead and training is built around his ride to work. Next on his list is the Tour de la Manche in Normandy (last weekend), followed in late May by his third tilt at the Ras.
