## Town Council May Lose Out On Glanbia Charges

Dungarvan Town Council is to lose further power to its counterparts in Waterford County Council with the stripping of its collection of Water Charges, Cllr. Michael O'Riordan claimed.

The council's representative on the association of local authorities, said the Town Council was once in receipt of over eur300,000 from charges on the Glanbia

site. But, in two years time collection of commercial charges will fall to Waterford County Council.

Cllr. O'Riordan, who previously described the payment of Town Councillors of a salary smaller than County Councillors as a slap in the face, argued that former Environment Minister Noel Dempsey has once again attempted to downgrade the

Town Council. He called on the new Minister, Waterford man, Martin Cullen to restore these powers.

Agreeing with this assessment, Labour Councillor Paddy Power said the Town Council was already paying rates to their counterparts in the county for use of Ballinamuck landfill. He called for negotiations to be held on these rates.

County Manager, Donal Connolly, who heads up

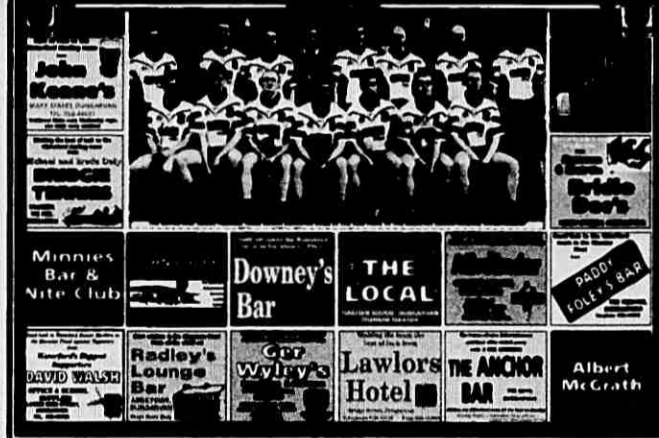

both authorities, is looking at the financial implications of the switch but said the eur300,000 from the Glanbia site will be written off as any development there is likely to be a commercial one.

"So it's unlikely that the same use of water will be necessary."

Costs will also fall, he claimed as there will be no upkeep of the facilities and no liabilities.

## Council Unable To Apply For CCTV Funding

A delay in finalising the terms for CCTV funding has once again scuppered Dungarvan Town Council's plans for the security systems installation in the short term.

Deputy John Deasy, who

has been named Fine Gael's spokesman on Justice and Law Reform, asked for clarification on where the council now stood in regard to CCTV funding.

After initially being hopeful of introducing a national

Garda scheme, the council is to now apply for funding under a community based CCTV scheme which would provide a smaller fund to buy the cameras.

## TOM TOBIN EXHIBITION

The Museum is hosting a Tom Tobin exhibition of his photographs. This exhibition will be open to the public from 12 July.

## MUSEUM OUTING

The recent trip to Cappoquin and Tourin Houses and gardens was a great success. Luckily the day remained dry and the excursion was enjoyed by all that attended.

## ON SALE

The Museum has the first of what is hoped to be a series of post cards on sale at the moment. It depicts Davitt's Quay, Dungarvan, 1903. The photo was taken by John Valentine. All proceeds of the sale go towards the upkeep of the Museum.

## DONATIONS

We are looking for old photographs or old negatives. We can make a copy and return original to owner if the owner so wishes. The condition of the photo or negative will not be a problem. For example we would be interested in any photo of the square or town streets. Please contact us at the museum.

If anyone has information on the old railway line, we would be happy to hear from you.

## THE FIVE KIRWAN BROTHERS

The second eldest of the Kirwan brothers was Rody. (See last week) Rody Kirwan. James's brother Rody, was an excellent footballer. In the course of his career he togged out for three different counties in senior inter-county competition matches. His first important success was a county championship medal won with Lismore Blackwater Ramblers football club. He was on the Waterford team that lost to Dublin in the All-Ireland final of 1898. In 1901 Rody moved to New Ross because

of business commitments. He played with that county while there, and was on the Camblin Rovers team that won the Senior County Championship. The following year he was on the Wexford county football team. Rody again moved due to business commitments.

This time he went to Castleisland, Co. Kerry. He played successfully with the Kerry football team between 1902 and 1907. By the time of his retirement from the

game he had won two All-Ireland and three Munster titles with Kerry. As well as football Rody was also an excellent oarsman. In 1902 he represented New Ross at the

International Rowing Regatta in Cork. He was also an outstanding athlete and won a total 150 Munster high jump and hurdles competitions.

The third of the Kirwan brothers died in a fever epidemic in 1898 aged 18 years.

However, even by that stage he was recognised for his pole vaulting ability and his all round athleticism.

## SUMMERTIME OPENING HOURS

## Letter To The Editor

### Dungarvan Sinn Fein

Dear Editor  
I would like to take the opportunity to congratulate the members of Waterford County Council for rejecting plans for a thermal treatment plant in the South East.

Sinn Fein has consistently voiced its opposition to unsuitable incinerator projects. The burning of waste is neither an opinion nor a solution. Incinerators create toxins and dioxins that are harmful to our health and damage the environment. Ultimately no matter how they are dressed up incinerators are polluters.

I would also like to congratulate Deputy John Deasy for pointing out that the debate was basically a charade, because the power has been taken away from councillors

to deal with waste management issues in their own county. Legislation which was passed last year gave the County Manager total control over waste management issues. Sinn Fein opposed this legislation and still opposes it, locally elected representatives should have this power, it should not lay in the hands of un-elected county and city managers.

Sinn Fein believes there are no easy solutions to waste management and that so called "quick methods" of waste disposal such as incinerators and landfills should be resisted, these methods are not solutions to our waste management crisis and if implemented would become part of the problem.

Sinn Fein believes the only solution is to reduce, reuse and recycle.

## 'Kites for Kids' To Raise EUR14,000 For Jack & Jill Children's Foundation

World of Wonder toy store, Kilrush Park, Dungarvan took to the skies last week to launch the 'Kites for Kids' initiative to raise much needed funds for the Jack & Jill Children's Foundation.

World of Wonder will sell the specially designed mini kites, and together with the other 29 World of Wonder outlets around the country, they hope to raise EUR14,000 for the charity, which helps the forgotten children of Ireland.

The Jack & Jill Children's Foundation is a registered charity which helps alleviate the very distressful suffering experienced by tiny babies born with severe developmental delay until they reach the age of 4.

The aptly named 'Kites for Kids' project will encourage children all over Ireland to fly a kite for these forgotten children. The brightly-coloured neon kites are priced at EUR4 each, and all profits will be donated to The Jack & Jill Children's Foundation.

Tom Shanley, Proprietor, World of Wonder, Kilrush Park: "We are delighted to be able to help such a worthy cause with our 'Kites for Kids' project, and hope that the funds raised will benefit the children and families affected by such devastating illness. We hope that children all over Ireland will enjoy flying our kites and know that they are helping other children that have somehow been forgotten by society."

# LIDL ARRIVES IN MIDLETON

Lidl, Europe's fastest growing retailer, will open in Middleton on the 04.07.02. The store, at Riverside Way, Middleton, will bring low cost, high quality food and non-food products to the people of Middleton and surrounds. Managed by Kevin Scott, the store will employ approx. 14 staff initially.

The German retailer operates a network of more than 4,500 discount stores in 12 European countries (Germany, France, Holland, Belgium, Italy, Spain, Portugal, Austria, Poland, the UK and Ireland). The unique combination of top quality, low priced food has been a success all around Europe.

### BRINGING DOWN GROCERY BILLS - FOREVER

Lidl has a simple philosophy: offering customers every day quality products at

the lowest possible price. To ensure low prices, Lidl saves money where it can. Using its buying power, it passes on savings directly to its customers, who can expect huge savings compared to other major supermarkets. Another key to Lidl's low prices are its low operational costs. Whilst offering a convenient and extremely clean shopping environment, Lidl stores are designed to allow a very efficient operation. No hidden charges are passed on to the customer. Lidl doesn't operate an expensive loyalty card scheme. There are no shopping baskets available, only trolleys. Only cash or laser cards are accepted. As part of its environmentally friendly company policy Lidl also recycles all its packaging where possible.

Kevin Scott, Store Manager, speaking at the announcement of this development said he 'was delighted to be part of Lidl's continued expansion in Ireland. People deserve value for money when they shop and now Lidl can offer it. Apart from everyday items you would expect like bread, milk, cereals and frozen food, we will carry a range of premium products - from selected teas to coffees to ice-creams and chilled meats. Household names like Weetabix, Bisto and Kit Kat chocolate bars are also to be found. Our fruit and vegetables will also be de-

livered to us fresh daily so customers can be assured of excellent quality', Kevin concluded.

### NO NONSENSE GUARANTEE

Lidl offers a no nonsense guarantee to their customers - a replacement or full refund if they are dissatisfied with any item in the Lidl range. Add to this Lidl's fully itemised till receipts and free parking, and it is easy to see how customers benefit from cheaper, quality items. Lidl also guarantees all its products are fresh and constantly check product sell-by dates so the customer knows the produce they bring home can be kept longer before they are consumed.

### LOW PRICED SPECIALS FOR ALL THE FAMILY

Every week Lidl runs a range of promotional specials - items that are exceptionally low in price and offer something for all the family. Typical examples include a cuddly toy for younger children or quality clothing for men and women. Customers can also expect to see an extensive range of own brand electrical equipment with higher specifications than some of

the best known household names. The selection of specials changes every Thursday and are only available whilst stocks last, so customers are advised to get to the store as soon as possible to avoid missing out.

### LIDL'S COMMITMENT TO IRELAND

The company has long term plans for its operation in Ireland. Lidl already employs c. 900 staff in Ireland. With the company planning more store openings in the immediate future - stores in other locations are already under construction - the number of employees is set to increase significantly in a very short time.

All stores in the Republic and Northern Ireland are serviced by a purpose built 300,000 sq ft distribution centre in Newbridge, Co. Kildare.

Lidl's Irish Head Office is also located in Newbridge. Lidl are already working with Irish suppliers. With the distribution centre now open Lidl is constantly increasing the number of indigenous suppliers.

As a privately owned company Lidl have a policy of not disclosing any financial information at any time.

# JOURNEY THROUGH AFRICA: SOUTH AFRICA

## THE GARDEN ROUTE

The Cape Province is said to be the most beautiful part of Africa. The main city, Cape Town, is dominated by the spectacular Table Mountain which, with its flat top, really does look like a table. The mountain is a landmark for sailors, guiding them to Cape Town's safe harbour from up to 200 kilometres away. Cape Town is often called 'the tavern of the seas.'

We approach Cape Town along the famous Garden Route and catch a train for one of the world's greatest railway journeys.

We visit the home of over 90,000 ostriches before reaching the Karoo Botanical Gardens where we can relax and reflect on our journey.

Our very last stop is South Africa's oldest city, Cape Town (founded in 1652). From here we travel to the top of Table Mountain by cable car and look over the city below. Cape Town is the home of the South African parliament. We learn about Nelson Mandela's role in building a new South Africa before we head for home

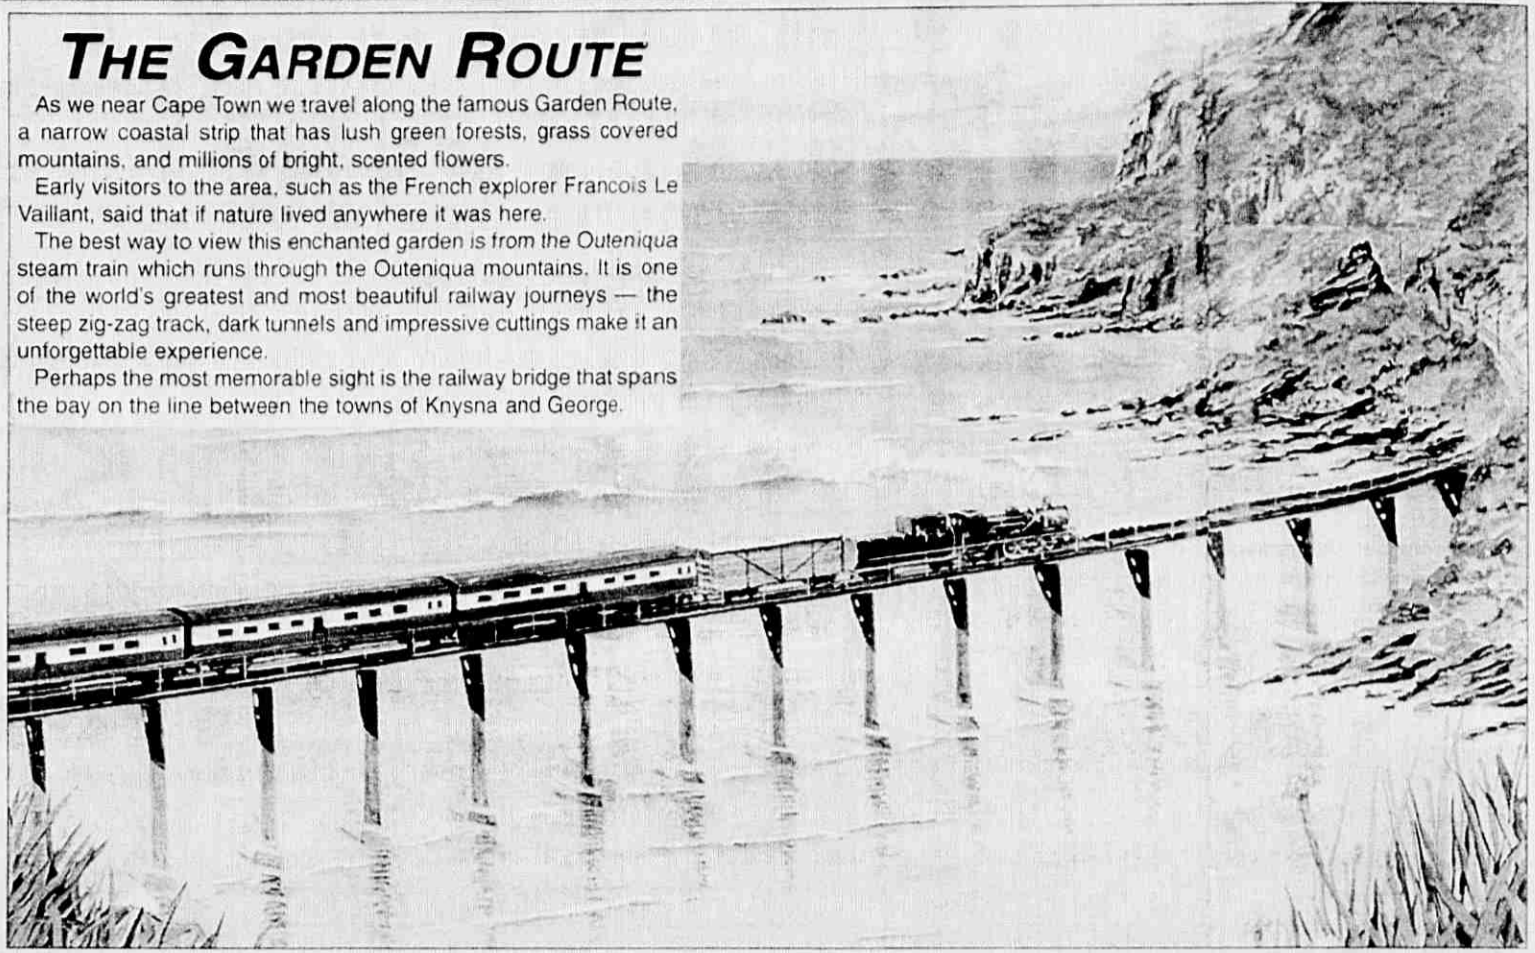

## THE GARDEN ROUTE

As we near Cape Town we travel along the famous Garden Route, a narrow coastal strip that has lush green forests, grass covered mountains, and millions of bright, scented flowers.

Early visitors to the area, such as the French explorer Francois Le Vaillant, said that if nature lived anywhere it was here.

The best way to view this enchanted garden is from the Outeniqua steam train which runs through the Outeniqua mountains. It is one of the world's greatest and most beautiful railway journeys — the steep zig-zag track, dark tunnels and impressive cuttings make it an unforgettable experience.

Perhaps the most memorable sight is the railway bridge that spans the bay on the line between the towns of Knysna and George.

area and in terms of Gaeltacht affairs, there's a great deal that needs to be done", he said following his recent appointment.

"But, obviously Bill na Gaeilge will be before the Dail in the not too distant future. But in general terms these are areas that are very

relevant to my constituents and I look forward very much to getting stuck into this portfolio", Deputy O'Shea added.

The announcement follows the appointment of Fianna Fail's Martin Cullen as Minister for the Environment &

Local Government and Fine Gael's John Deasy as spokesman on Justice & Law Reform in the past two weeks. He joins, among others, Brendan Howlin (Finance) and Pat Rabbit (Justice) on Ruairi Quinn's new shadow front bench.

Waterford will be represented at the highest level in all three main political parties in the country after a third constituency representative was appointed to the front benches. Deputy Brian O'Shea became the latest Waterford representative to be appointed to a front bench position.

Deputy O'Shea retained his position as party spokesman on Community, Rural and Gaeltacht Affairs shadowing Galway based Minister Eamon O Cuiv.

## Decentralisation To Dungarvan Still On Hold

Waterford Labour Deputy, Brian O'Shea has been informed by Finance Minister, Charlie McCreevy, in reply to a parliamentary question, that in its agreed programme for Government; "the Government has committed itself to moving forward the progressive decentralisation of Government offices and agencies taking into account the National Spatial Strategy."

Minister McCreevy adds: "Until such time as the new Government has had the opportunity to consider the many and varied aspects associated with a new programme of

decentralisation I cannot comment on the likelihood of any particular location being included in such a programme."

Deputy O'Shea stated that he finds the reply most disappointing in the context of Fianna Fail promises during the last Dail that the remainder of the Land Registry would be decentralised to Waterford and that part of the OPW would be decentralised to Dungarvan.

He restated his commitment to pursuing a fair share of decentralisation for the Waterford constituency.

## Historic 100ft Schooner To Dock In Dungarvan

A three mast, 100ft long schooner, 'The Kathleen and May' is planned to dock in Dungarvan this August, last Monday's meeting of Dungarvan Town Council heard.

The merchant ship, which was built in 1908 and was initially employed in carrying coal, china clay and cement bricks between ports in Britain and Ireland, is expected to attract large numbers of tourists to the town for its visit.

The schooner remained in active service until 1960 when it fell into disrepair and was restored first by the Duke of Edinburgh and then by the present owner Steve Clark.

It also has the distinction

of having been the last merchant schooner registered in the UK to earn her living carrying cargoes.

The schooner, which already docked in Youghal last year, is to be afforded a Civic Welcome by the Town Council when it arrives in two months time.

Proposing the welcome, Deputy Mayor, Nuala Ryan said as a maritime town, the visit of the Kathleen and May would be a real plus for the quays and the town as a whole.

"To see a three mast schooner dock in Dungarvan would be a great attraction and certainly it would create a lot of interest", Cllr. Nuala Ryan said.

Labour Cllr. Billy Kyne also backed the call for a civic welcome. He added that the Town Council should also look at giving a contribution to the ships owner as "there is obviously a great deal of upkeep and costs involved in keeping a ship like this afloat".

County Manager, Donal Connolly welcomed prospect of the visit of the historic vessel. He said Dungarvan Harbour could only be made more attractive to visitors by the visit of ships like the Kathleen and May.

He added that the council would look closely at the option of providing a contribution towards the ships upkeep.

## Dungarvan Should Adopt Code Of Practice - DILLON

### KEVIN KIRRANE

A code of directives should be put in place to ensure that set standards are maintained in the design and construction of buildings in Dungarvan, according to Cllr. Damien Dillon.

The Dungarvan based architect claimed that at present the criteria for developments are not well enough set down. This has led to harsh conditions being laid down and rigorously enforced on some developments, while in others, conditions have not been harsh enough.

Cllr. Dillon contrasted the conditions put on shopfronts in the town with the council's failure to enforce the conditions attached to granting permission for the new Credit Union building. He

claimed a walkway from Main Street into Scanlons Yard has remained closed despite these conditions.

"What happened to that entryway? For the elderly and for the disabled it would have been very convenient to walk into Scanlon's Yard from Grattan Square. Would that not be more important?" he asked.

An Taisce, who were a party to the Clancy Construction development appeal, were also criticised by the Independent Councillor as costing the country money and halting progress.

He accused the Heritage Trust of going overboard, although "not one significant piece of archaeology has ever been uncovered."

But, when building an extension onto his offices, he

claimed work was halted by An Taisce workmen who then used a jackhammer to carry out part of the excavation.

He said a code of practice was all important to ensure proper and fair measures in the planning and development process.

# DUNGARVAN TOWN COUNCIL

## SNIPPETS

BY KEVIN KIRRANE

### Development Strategy Must Create Sustainable Jobs - Cllr

A County Draft Development Strategy with the aim of improving the quality of life for the people of Co. Waterford must include job creating strategies, Cllr. Billy Kyne said.

The document presented to councillors by Director of Services Des Page was formulated after a public consultation programme on the needs of the public in Dungarvan and the county in general.

But, Labour Cllr. Billy Kyne believed that not enough job creating aims were included. He argued that the quality of life of the public wouldn't be improved without sustainable jobs, pointing to the example of the idle IDA Advance factory. Although he considered the efforts laudable, he called for the focus to be maintained on jobs and education facilities.

Cllr. Damien Dillon was also concerned about job creation. He asked whether the strategy contained a provision for the laying of a natural gas pipeline and other measures to help employment and the town's infrastructure.

He went on to criticise An Taisce, who were party to

drawing up the strategy saying often they have acted as a stumbling block to development and employment.

However, Mr. Page said that jobs were central to their plans and it was their aim to provide an environment where sustainable jobs can be created and where industries choose to locate. He believed that a structured approach was the best way forward to securing this.

Adding that the plans had been drawn up after two years research into the needs of the area, Mr. Page said the plans will see balanced development as a key to the strategy.

Town Clerk, Brian White believed the social inclusion aspect of the plan is all important, and conceded the current position in housing developments where the council acts as developer and landlord "is not good enough". He was hopeful that by working with social agencies more progressive housing developments would be created.

Cllr. Billy Kyne

### Traffic Calming In Congress Villas

A serious accident could soon occur in Congress Villas if traffic calming measures

Cllr. Lar Hart

are not put in place, Labour Cllr. Lar Hart warned.

Measures have been sought for the estate over a number of years and a petition was handed into the council by Cllr. Hart last month. But, he claimed that nothing has been done to address the situation and issued the stark message that a child could soon be badly hurt unless something is done.

"I don't think you'll find anyone up there against traffic calming measures for Congress Villas", he said.

However, County Manager, Donal Connolly found no need for the measures to be put in place and he believed the street was too narrow to justify ramps or other measures.

### "Time To Get Serious On Disabled Parking"

Able bodied drivers are parking in spaces set aside for the disabled with increasing regularity, according to Independent Cllr Damien Dillon.

The issue which has been raised consistently over a past number of meetings looks likely to continue to be of high importance to councillors in light of their adoption of the Barcelona Declaration last month. The declaration provides a framework for equality for people with disabilities.

But, Cllr. Dillon argued that not enough has been done to ensure disabled parking spaces are left free for those with disabilities and called for laws on disabled spaces to be regularly and fully enforced.

County Manager, Donal Connolly conceded that the issue was a problem and is to consider staggering the traffic wardens hours in the hope it will eradicate the problem. He admitted that there's "not much point having disabled parking spaces if we're not going to enforce them."

Cllr. Damien Dillon

### Unsatisfactory Locations For Moresby Plaque

A rethink on the proposed location of the Moresby and Gibbons Plaques was urged after it emerged that one was to be attached close to the public toilet and another placed close to the Protestant Graveyard.

Cllr. Billy Kyne asked the County Manager Donal Connolly to consider a new location for the plaques which were removed from the former Leather Factory. Describing the proposed location of the Gibbons plaques against the wall to the rear of the Town Park and the Moresby plaque beside the toilets on the quay as "not ideal focal points" he

urged for more thought on the issue.

Independent Michael O'Riordan also believed the Moresby plaque should be placed in a different location. He called for both to be put in the Town Park which he claimed has lost its appeal from 20 years ago as a "hive of activity".

Fellow Independent, Cllr. Damien Dillon described the plaques having the appearance of tombstones and asked what had happened

Cllr. Michael O'Riordan

to the sculpture which was supposed to be erected for the plaques under the one per cent for art scheme.

Originally, the council was to provide an amenity area close to the Lookout on the quay with a freestanding sculpture featuring the plaques as its centrepiece. However, the Co. Manager argued this would be a likely victim of vandalism. He said they would be safer attached to a wall, but added that new locations would be considered and brought back to councillors for discussion.

An art piece for the town, meanwhile, is still being designed but will still go ahead on its own.

# MODELIGO NOTES

## MODELIGO PATTERN

A meeting will be held on Thursday next 4th July at 9pm in the Community Centre to form a new Pattern Committee to organise events for the fast approaching Pattern Day. It is envisaged that this committee will be formed as a sub committee of the Community Centre Committee along with members of the community who would be willing to lend a helping hand. We especially welcome the parents of young children to assist in creating children's events in an effort to make this special day in our parish a memorable one for them.

We also welcome the many new members of our community to join in, as new ideas and helping hands are always welcome. Remember this is an annual event and the more people that get involved the better we can make it. I would like to take this opportunity to thank the outgoing committee for their work and commitment to the Pattern over the past number of years - though they were in few in numbers they managed to keep the Pattern alive and have given the new committee a foundation from which to build.

So please come along to this meeting even if you are not interested in becoming a committee member you may be willing to give a hand on the day itself.

## MODELIGO G.A.A. CLUB NOTES

Modeligo played Dungarvan's second string team last Saturday at the Fraher Field in the first round of the Junior Championship. Modeligo fielded without two of its most experienced players but with a lot of youth on the panel.

The early exchanges were very close with Modeligo forwards missing four or five very scorable chances early on. After twenty minutes a very harsh penalty was awarded against Modeligo which John John Ferncombe duly converted and at half time the score stood at 1-2 to 0-2 but Modeligo were not out of this game with Paudie Denn, Tom Byrnes and Johnny Byrnes all playing well. Modeligo selectors made their only good decision at half time when the evergreen Nicholas O' Donovan was removed from goal and placed at corner forward with Tom Ormonde replacing him in goal. After 15 minutes of the second half Modeligo were within three points of Dungarvan and looking like they would take victory with Nick Donovan, Tom Byrnes and Shane Reddy all combining well in the forward line and Johnny Byrnes with Padraig McCarthy lording midfield.

Dungarvan were on the back foot. At this stage of the game the Modeligo selectors decided to make this game into a challenge match and brought on four subs within ten minutes which totally unsettled the team and led to Dungarvan taking victory on a scoreline of 2-9 to 0-7 with the second goal coming from some very juvenile goal-keeping.

This was a game which Modeligo could have won but as the saying goes it was lost on the line or in this case the two lines with both non playing selectors on opposite sides of the field and only one making all the errors. The Modeligo club wish Pat Fitzgerald and Waterford the best of luck on Sunday with the whole club fully behind him and the whole panel.

Team — Nick Donovan, Padraig Denn, David O' Donovan, Richard Kiely, Gavin Foley, Walter Grady, Matthew Cashman, Johnny Byrnes, Padraig McCarthy, Michael Power, Tom Byrnes, Shane Reddy, Shane Troy, Ed Loneragan, Sean O' Neill. Subs: T. Fenton, M. Kiely, J. Buckley, N. Lynch.

## Dungarvan Leader Gardening

# Benefits of a Kitchen Garden

Over the past few years the popularity of growing herbs has increased tremendously. No doubt television cooking programmes, combined with the move towards more natural or alternative therapies for health, have contributed towards this trend.

Additionally many cosmetic preparations boast of the benefits of their herbal ingredients, so it's little wonder that many of us are keen to try our hand at growing them.

Herbs are not only deliciously aromatic but also contribute to a variety of contrasting colours and forms to any balcony, patio or garden. If space is limited, herbs can be grown in pots and as many of them hail from the Mediterranean, terra-

cotta pots are ideal. Strawberry planters are particularly suited for this purpose as you can plant a different herb in each pocket.

A herb such as mint (*Mentha spicata*) is best confined to pots as it tends to be invasive if planted directly into the garden.

As a general rule, herbs enjoy lots of sun and a free-draining soil or compost. Those with variegated foliage are quite tolerant of light shade. Pineapple mint (*Mentha suaveolens*) is one such herb and is quite happy to be situated out of the heat of the midday sun.

Varieties of the wonderfully scented lemon balm, parsley and chives are just a few of the herbs that can tolerate moist shade providing the

soil does not become waterlogged.

If herbs are to be grown in the garden it is worth giving consideration to where they will be best placed. Ideally the closer to the house the more convenient they are to use but ensure that the area is not favoured by pets.

A site specifically designed for herbs is not only relatively easy to design and construct but can be extremely attractive and aromatic.

Choose lavender (*Lavandula*) for a low, less formal hedge or select a more geometric, traditional design by planting rows of box (*Buxus sempervirens*) to enclose and separate the herbs.

Great Additions: Herbs can be grown in all sorts of arrangements.

Spaces Savers: Herbs for the kitchen garden can be grown along with flowers in pots.

## GARDENING FOR GOOD INSECTS

BUTTERFLIES and other 'good' insects like ladybirds and bees are an essential part of garden life.

These insects have a few simple needs: food, water, and shelter. Food has to be available for the adults, which sip nectar in the case of butterflies and bees, while ladybirds and wasps eat aphids and other pests.

Caterpillars are really picky about what they eat. Butterflies lay their eggs on the appropriate plants, so if you want butterflies in your garden, you will have to put up with

caterpillars munching on your plants from time to time. Some species of butterfly larvae (caterpillars) only eat one species of plant.

In winter, ladybirds hibernate in sheltered spots, such as sheds or log piles. They emerge in spring and are looking to feed upon aphids, greenfly and blackfly. These pests can do a lot of damage to delicate new buds, and therefore the ladybird really is one of the gardener's best friends.

Butterflies and bees travel from flower to flower in the garden, eat-

ing the nectar, transferring pollen from plant to plant as they go, therefore helping propagate the plants.

They are usually attracted to purple, yellow or orange-coloured blooms.

Experts have found that they like rudbeckia, joe-pye weed, aster, butterfly weed, liatris, coreopsis, purple coneflower, zinnias, hollyhocks, marigolds, nasturtiums, violets, asters, butterfly bushes and lilacs, although generally, any flower with short petals or flat tops as they are easy to land on.

## THIS WEEK IN THE GARDEN

### SOW PERENNIALS AND BIENNIALS

Most perennials and biennials if sown out of doors now will make good, sturdy plants for placing in their flowering position in the autumn. The most useful biennials are Canterbury bells and verbascons. Among the easiest to raise from seed are aquilegias, lupins, oriental poppies, hollyhocks and delphiniums. But there are many other things that you can try if you can obtain the seeds. Sow thinly in drills of 15 to 20 cm apart and cover with 0.5 to 2.5 cm of soil, according to the size of the seeds. Violas, pansies, primroses and polyanthus may also be sown outdoors, but it is preferable to choose a shady place for these.

### PLACE CHRYSANTHEMUMS IN SUMMER POSITION

Chrysanthemums grown in pots will be better in the open from now. It is a good idea to make a special standing ground for them in an out-of-the-way place. The soil should be well covered with ashes or gravel to give good drainage. The plants should be arranged in straight rows at least 75 cm apart, so you can easily move between them. Drive a stake into the ground at each end of each row, stretch a couple of wires between the pairs of stakes and attach each bamboo cane to the wires. This is the ideal method with exhibition chrysanthemums grown to a single stem. With decorative plants horizontal wires get in the way.

### THIN OUT VEGETABLE SEEDLINGS

Vegetable seedlings from April and May sowings will need thinning out.

## SYMPATHY

With deep sorrow and regret we record the death of Maurice Dalton, Killooney, Ballinamult which sad event occurred last week. Deceased was a member of a very old highly and widely connected family and was a very quiet inoffensive man who devoted his life to the welfare of his wife Peg. A kind and helpful person he was ever ready to help the less fortunate and was an outstanding neighbour. To his bereaved wife Peg, brothers-in-law, nephews, nieces, relatives and friends we tender our deep sympathy. On Wednesday evening the remains were removed from Kiely's Funeral Home to St. Mary's Church, Touraneena where following the celebrations of requiem Mass on Thursday morning, interment was made in the adjoining cemetery. The cortege on both occasions was huge and representative.

## TOURANEENA LOURDES PILGRIMAGE JUNE 2002

The pilgrims wish to state how much they enjoyed their time in Lourdes, including the various preorganised coach trips to areas to worship St. Bernadette and the Virgin Mary.

A special word of thanks to Fr. Paddy Hallinan, Aghavolimane, who arranged Mass at the Grotto by saying he would say it in Irish, as the English speaking Mass was previously arranged. He also arranged the Stations of the Cross and held personal chats and prayer meetings in our hotel. He has a great sense of humour, which was an asset during our stay.

Without John Power of Dublin and formerly of Lickoran, our pilgrimage would have been impossible as he, having worked with Aer Lingus for years, arranged our flight with Joe Walsh Tours.

Phyllis McCabe did all of the ground work, collecting our money and getting our tickets. Thanks Phyllis. Last but not least, the choir, which consisted of Touraneena and Dungarvan singers.

## KILL G.A.A CLUB Intermediate Hurling

We played Butlerstown in the Intermediate Hurling Championship in Fenor on Saturday evening last and gave our best performance to date, when winning by 1-17 to 1-09. We started well, and with the aid of the breeze we were 4 points ahead at the interval. Or back line stood up well to sustained Butlerstown pressure on the turn over, and we took some very good scores in that period for a good win. Team Manager Ger Guiry afterwards expressed satisfaction with the teams performance but said that some very difficult games lay ahead.

Team: Aidan Whelan, Brian Mooney, Liam Lennon, Fergus Whelan, Mark Hennessy, Tony O' Regan, Brendan Mooney, Anthony Kiely, Sean Michael O' Regan, Conor Ryan, John Power, Ray Hennessy, Peter Torpey (Capt.), Michael Ahearn, Fergal Torpey. Best of luck to the men in white and blue. See you there!

# DISABILITY AWARENESS

## SENSORY DISABILITIES

### Hearing Loss: What causes Hearing Loss?

There are various causes of hearing loss, it is usually a symptom of an illness, the most common cause of hearing loss is age related and this is called presbycusia. Presbycusia usually begins in mid life and is due to wear and tear, which causes deterioration of the tiny hair cells that line the fluid-filled chamber in the middle ear (cochlea). The deterioration of the hair cells interrupts the transfer of sound waves to the inner ear and to the auditory nerve.

Other causes of hearing loss include in the following:

● **Noise** - persistent exposure to loud noise can also destroy the tiny hair cells in the cochlea (Wearing ear protection in factories, can help to reduce cases).

● **Tinnitus** - Tinnitus is a noise in the ear, such as a ringing or buzzing sound, it can start for no apparent reason, but the causes are usually associated with exposure to loud noises, a buildup of wax in the ear, the use of too much aspirin, diabetes and injuries to the ear. The symptoms may come and go or be constant; Tinnitus can cause other symptoms such as dizziness, nausea, and pressure on the ear.

● **Labyrinthitis** - Labyrinthitis is usually caused by a viral infection in the vestibular nerve, the symptoms include severe vertigo, nausea, disturbances of eye movement, hearing loss.

● **Otosclerosis** - Otosclerosis is an abnormal growth of bone in the inner ear, which results in hearing loss, the symptoms are progressive hearing loss. Otosclerosis is treated with surgery, the procedure is called 'stapedectomy', and other treatment for the condition is a hearing aid.

● **Meniere's Disease** - Meniere's disease is a progressive disorder of the inner ear, which can happen in one ear or both ears, the cause of this is unknown, although it is thought to be caused by abnormal fluid action in the inner ear.

● **Otitis Media** - Otitis media is an inflammation of the middle ear, and is sometimes described as an 'ear infection', it is caused by a bacteria which travels down the Eustachian tube from the throat into the middle ear, it is usually relieved with antibiotics.

● **Earwax blockage** - This is an accumulation of wax which blocks the canal, sound waves cannot pass through the eardrum, and so hearing becomes muffled.

● **Genetics** - Medical professionals consider genetics to play a major role in sensorineural hearing loss, the most common inherited condition causing conductive hearing loss is 'otosclerosis', a degenerative disease that damages the small bones in the middle ear.

● **Rubella** - Rubella in pregnancy was the main cause of congenital deafblindness before vaccinations were made available. Other causes of hearing loss include: Diabetes, Blood vessel disorders, including high blood pressure and arteriosclerosis, Tumors or a blood clot that affects the hearing part of the brain or the auditory nerves, Trauma to the ear or a penetrating injury and lack of oxygen during birth.

# RECENT DEATHS

## LATE V. REV. CONOR DALY P.E.

Parish Priest of Ring,  
Old Parish (1982 - 1994)

Cúis bhróin dúinn go léir nuair a chualamar gur éag ar an t8ú lá Meitheamh san Ospuidéal Réigiúnach Portláirge, an t-Ath. Conchubhar O Dálaigh iar shagart paríoste an Rinn agus an Sean Phobal. Méala mór a bhás dá dhriofúir Eibhlín, dá dhreatháireacha Colm agus Breandan agus dá gcéili siúd, dá bhean tí Eibhlís Breathnach, nianna, neachtanna agus dá ghaolta uilig. Chuir bás an t-Ath O Dálaigh isteach ar Easbog Liam O Laoi, Michéal O Ruiséil Iar - Easbog agus do shagairt uilig deoise Phortláirge agus na Leasa Móire, chomh maith leis an Athair Eamon O Cuilleanáin agus le pobal na Rinne agus an t-Sean Phobail.

A native of Waterford City, aged 76 yrs, Fr. Conor Daly was ordained to the priesthood almost 52 years ago. Working for the Lord and spreading the Good News he served in the parishes of Passage, Faithlegg, Modeligo, Clonmel, Waterford City and Ring/Old Parish. He began his priestly life across the Water in Newcastle on Tyne. A man of high intelligence, he was educated at Mercy Convent, Waterford, Mount Sion CBS and later at Mount Melleray. His priestly studies took him to the Maynooth College where he acquitted himself with dis-

tingtion. A classical scholar he was an avid reader who possessed a most admirable thirst for knowledge and insight into the Word of the Lord. Although blessed with a wonderful mind and intellect he could easily communicate with his parishioners and was a great favourite with the young. A simple man he loved the simple things of life, a walk with his dog, meeting the flock and assisting and offering the healing hand of the Lord where possible. Fr. Conor will be missed, his passing has greatly saddened so many. When a scribe takes quill or pen to write the parochial history of Ring/Old Parish, Fr. Daly will be written of in deepest appreciation and with the sincere gratitude of the entire parish. Reposing at Waterford Regional Hospital Mortuary on Sunday with prayers recited by Fr. Art (hospital Chaplain) the funeral cortege left for Séipeal San Níoclás sa Rinn. Rt. Rev. Mgr. Michael Olden PP V.G. assisted by an tAth O Cuilleanáin S.P. led a full choir and clergy and overflowing church present in prayerful tribute.

The readings were shared by Brendan (brother), Liam Suipéil (Bainisteoir an Chólaiste); prayers of the faithful, Joe and Shay Daly (nephews), Pádraig Breathnach (Priomh Oide Scoil Náisiunta na Rinne) and Aine O Ceallaigh (Priomh Oide an Méan Scoil); chan Sadie Breathnach an salm agus bhí ceol ar na piopaí againn ó Caoimhin O Fear-

gahil; Garda ónora ó C.L.C.G. na Rinne agus Scoil Náisiunta na Rinne;

Is cinnte go raibh árd mheas ag muintir na Rinne agaran tAth O Dálaigh, cé go bhfuil se imithe ar shli na firinne beidh ait speisealta inár gcroíthe dó igconáí a dúirt fear agus Gaeilge breá blasta na Rinne á labhairt aige.

It was early on Monday when Fr. Daly's remains were transferred to Old Parish Church to await his funeral Mass which would be a celebration of his life. Virtually every parish in the Diocese of Waterford and Lismore was represented by clergy and laity at Fr. Daly's Concelebrated requiem Mass. Chief Celebrant was his Lordship Dr. William Lee D.D. D.C.L. In his homily which was delivered in Irish and English he spoke in glowing terms of Fr. Conor, of his immense contribution to the Diocese and of his dedication as a good shepherd tending to his sheep.

The lessons were read by Bill O'Connell (nephew-in-law) and Prionsias O Domhnaill, Priomh Oide while Prayers of the Faithful were shared by Maire Mariga (niece), Liam Daly (nephew), Marie Jo Breathnach, Francis Nugent and Caitriona Breathnach. Beautiful and much appreciated music was provided by Old Parish Church Choir with Maire Jo Breathnach, Caitriona Breathnach, Maire Ni Mhuiríosa agus Muintir Cofaigh. We thank Declan Terry for his eulogy, delivered in sincerity, it reflected the feelings of all present. Many a silent tear shed to lament the passing of a beloved sagart.

Pupils from the local National School brought the offertory gifts to the altar. Later, the staff and pupils of Scoil Náisiunta Baile Mhic Airt, under School Principal Frank O'Donnell, formed a guard-of-honour from the Church to the grave - tributes richly deserved by Fr. Daly P.E. who has left a rich spiritual presence amongst his people.

Taréis Aifreann na Marbh i Séipeal Breith na Maighdine, bhó an adhlacadh ina dhiaidh sin i Reilig an tSean Phobail. We gathered in huge numbers in the adjoining cemetery for final prayers and blessing as Fr. Conor was laid to rest beneath the sod of Old Parish.

'Ar dheis Deo go raibh a anam uasal cinéalta.

The local GAA Club in Old Parish looked after parking facilities, while the Parish Finance Committee greatly assisted with stewarding. Refreshments were provided in both Ring and Old Parish for family members and the great number of Religious.

## A TRIBUTE DELIVERED BY DECLAN TERRY AT THE FUNERAL OBSEQUIES OF FR. CONOR DALY PE.

Níl ann ach dhá bhliain o bhailfomar anso chun a iubhaile órdha a cheiliúradh leis an t-Ath. O Dálaigh. Comórath simplí a bhí ann - Aifreann anso sa seipéal agus ansan bhogamar linn síos go dtí an halla I gcóir cupán tae agus chun go mbeadh seans aige buaileadh leis na daoine. Thug sé cún-tas dúinn ar a shaoil sagartóireachta ó 1950 i leith - sa Bhreatain agus Alba, ins na paróistí eagsúla thimpeall an deoise anso go dtí go bhfuair sé a phost deireannach anso sa Sean Phobal i 1982 agus ba léir óna chaint go raibh se sona sásta anso inár measc. Is flor le rá gur beag clann sa pharóiste ná rabih teagmháil éigin acu leis I rith an ama san agus ba chuma an ocaíd - athasach, meidhreacht ar nós baiste nó pósadh no o caid brónach ar nós socraide, b'iad na tréithe ba threise a bhí igconáí le feiscint ann ná an cineáltacht, an uaisleacht agus an naofacht. Ag fágaint slán leis inniu dúinn, nil aon dabht ná gur saibhre sinn mar phobail i ndiaidh reinn an Ath. Uí Dháiligh.

It is just two years since we gathered here with Fr. Daly to celebrate his golden jubilee. It was a simple celebration in accordance with his wishes - Mass here in the Church, then down to the hall for a "little get together" as he would describe it, where he had a chance to meet people and they in turn wished him well and thanked him for all his kindness. In seipéal Na Rinne last night and again here today, we have heard Fr. Daly described as a man with a brilliant mind, a classical scholar and a widely read theologian. My limitations and ignorance prevent me from paying similar tributes, rather would I like to mention some of the other traits which endeared him to so many. His love of the simple things in life, his plainness (if such a word exists) and his ability to bond with everybody. I have no doubt that Fr. Daly would be at ease and comfortable in a roomful of theologians, discussing the loftiest principles of theology, but I am also certain that he would be equally at home among a group of giddy children on first Communion day. Indeed just a few weeks ago despite his rapidly failing health, he was here to celebrate that special day with the local children.

He was not a man to get in-

involved in or excited about trivialities. He always seemed to have a view of what he often called the bigger picture and all things were prioritised with the bigger picture always very much in mind. On the night of the golden jubilee celebration I, just like today, had the honour of paying a small tribute to Fr. Daly and in the days leading up to it, I tried to come up with something suitable to mark the occasion. My mind went back to a little story which I told and I think it is equally suitable here today.

As I have already said Fr. Daly enjoyed the simple things of life, like taking his dog for a walk and chatting with anybody who came his way. One route which he walked took him down Ballinamona past the gate of Nicholas Terry (go ndeana Dia trocaire air). On Summer evenings Nicholas would sit on a chair at his gate and chat with passers-by. A strong friendship soon developed between the old man on the seat and the man with the dog.

I know that many an interesting conversation took place over the bars of that old gate. I was coming home from work one evening and I stopped to have a word with Nicholas just as Fr. Daly was leaving the gate to continue his walk. As I rolled down the window Nicholas said, "I'll tell you one thing" he said, looking after Fr. Daly, that's one great priest and a grand man".

That I decided was the phrase I was looking for and I can think of no theory more appropriate as we pay our final tribute here today. Céad slán leat a Shagairt dhilis. Go raibh féar ghlas An tSean Phobal mar bhrat fothana os do chionn go deo agus go raibh do leaba ata tuillte go maith agat, cóirthe duit ar an dtaobh thall. You always treated us with dignity and respect.

You are now paying us the ultimate tribute by choosing your final resting place beneath the green sod of Sean Phobal where you will always be fondly remembered as "one great priest and a grand man".

## LATE MYRA FARKAS (NEE TUTTY)

It is with feelings of profound regret that we record the death of Mrs. Myra Farkas (Nee Tutty), Connecticut USA, which sad event occurred, following a long illness, on Tuesday June 18th, in Connecticut.

Myra who was 58, was daughter of the late John and Mary Tutty of 10 St. Brigid's Terrace, Dungarvan, and beloved member of a highly esteemed 'Old Boró' family.

She left Dungarvan in her teens and had been domiciled in the USA for all of 40 years. A quiet and retiring person Myra endeared herself to all she came in contact with in her native town and in the States and news of her death has been received here at home with feelings of genuine sorrow and regret.

She will be sadly missed by all her friends but more especially by her sorrowing husband Paul, son Michael Sean, daughter Lynne Marie, her two grandchildren, her brothers Tony (England), Paddy, Will and George (Dungarvan), sisters Kathleen (USA), Breda and Marion (Dungarvan), daughter-in-law Antonio, brothers-in-law, sisters-in-law, nephews, nieces and others relatives to whom we extend our deepest sympathy.

Burial took place in Connecticut following Requiem Mass.

## LATE JAMES (SHAM) SHINE

The news on Monday 17th June of the passing of James (Sham) Shine at his residence at Kilshah, Cappagh cast a cloud of gloom over the West Waterford region and beyond. A native of Drombana in the Treaty County, Sham was a great favourite and enjoyed the respect of one and all. A great neighbour, he was always ready to give a helping hand.

A man of great energy he was deeply involved in many organisations. A member of Dungarvan Show Committee, for years, he also assisted with fundraising for the Brickey Rangers in the early years when they played a 45 drive in the Ormonde Hotel. He loved going to steam rallies, fishing with rod and line off the pier of Helvick and travelling his beloved Shannon by boat.

A Limerick man through and through, he gave sterling service as a player and indeed as Chairman of South Liberties GAA. He always loved to attend the epic battles, that made the Munster Championship what it is. His attendance at All-Ireland Hurling final day was always close to the top of his agenda. Although in exile here in the Decies, he never lost touch with Limerick by reading the Limerick Leader every week.

On the employment front he travelled the length and breadth of the county as a sales representative for Powers Seeds, Kelly Sheds and John A. Wood Ltd. He loved meeting people, he was always at the mart on Mondays meeting neighbours, friends and potential customers. He knew every laneway and byroad in the county, South Tipperary and East Cork and who lives there.

Very much family orientated, he was interested and proud of his children and great grandchildren. We offer our deepest sympathy to Maireen (wife) family James, Marion, Michael and Oliver, his daughters-in-law, Geradine and Joan, son-in-law Pdraig and his grandchildren Claire, James, Joseph, Robert, Meabh, Marie, Fiona and Micheal.

Reposing at the Kiely Funeral Home where rosary and prayers were shared by Fr. P. Butler C.C. and Fr. Anthony O'Brien CC, Fermoy, the funeral cortege left on Tuesday

evening for St. James Church, Ballinameela. On Wednesday we gathered for the funeral Mass which was a celebration of Sham's life. Chief Celebrant was Rev. Fr. Ml. Hurley SJ, with Fr. Patrick Hallihan P.E., Rev. Fr. Pat Butler CC and Rev. Fr. Anthony O'Brien CC, Fermoy.

The lessons were read by Marion De Burca (daughter), Psalm was sung by Helen Colbert and Claire Shine granddaughter read the second lesson. Joseph, Fiona, James and Marie Shine with Meabh De Burca recited the prayers of the faithful. The offertory gifts were brought in procession to the altar, items of significance in the life of Sham which had spanned 82 summers. Robert Shine (Wood Chisel), Michael Shine (South Liberties Jersey), grandsons, Maeve Kirby (Book - History of GAA), grandniece, Ronan Kirby (Chalice), Enda Kirby (Wine and Water) grand-nephews. The music of Helen Colbert and that of Ballinameela choir who paid their own tribute on Tuesday evening made Sham's funeral obsequies so special. The presence of a guard of honour of both Dungarvan Show Committee and Point-to-Point Committee were further tributes richly deserved.

In the adjoining cemetery we gathered for final prayers and blessing as Sham was laid to rest. Pall bearing duties were carried out by sons Michael, James, Oliver, son-in-law Pdraig De Burca, nephews Emmet, Pat and Jim Kirby and by Ned Murphy (relative).

# LISMORE NOTES

## BUNSCOIL BHOTHAR NA NAOMH

### Ted Courtney

We were very privileged to have Ted Courtney visit the school on Friday 10th May. Ted is a highly qualified musician and is well known to viewers of the RTE programme "Open House". He went in to all classes from Junior Infants to Third class on that day. The more senior classes had the benefit of his instruction before Easter. Through the medium of music and art, Ted exposed the children to different musical genres. After arousing their interest he proceeded to teach them a song. Then they were taught to play the chime bars. Finally the lesson ended with some of the class singing the song and others accompanying them on the chime bars. The children were absolutely thrilled and very grateful to him.

### The Millennium Park

Eric Flynn (Town Clerk) invited all classes on a tour of the new Millennium Park. Eric gave a most informative guide of the park with age appropriate information. The fact that the fountain was imported from China fascinated the children. They were taken back in time when they entered the ice-house and were intrigued by its function. The park is a beautiful amenity for the children and after listening to Eric's wonderful guide they will respect it.

### Lismore Castle Gardens

First and third classes were given a guided tour of the Castle Gardens by Mr. Denis Nevin. Although from the town, many children had never visited them. The new sculptures in the garden were a source of interest and the idea of having an upper and lower garden intriguing.

### Lismore Castle

Fifth class spent some time studying local history. Part of their subject matter was Lismore Castle. Ms. Murphy arranged a tour of the Castle for them. Mr. Pennraddock was their guide. Given the fact that they had their research completed, the information given by Mr. Pennraddock was all the more meaningful. They thoroughly enjoyed their tour.

### C.A.P.E.R. Project

Both Senior Infant classes were very proud of their achievements as they finished their Shared Reading Project at the end of May. Given the name C.A.P.E.R. for short Children And Parents Enjoying Reading was a Project that lived up to its name. The forty five families involved entered into the commitment needed to make the project work with great gusto. Children and parents worked very hard each night to find the best time to sit and enjoy reading together. Many could not even wait that long to get down to work and got reading straight after school. As the project ended we calculated that each family had read a minimum of 40 books. Much more important

was the enjoyment and enthusiasm for reading generated by the project. Each child progressed at their own level and we hope that the partnership between home and school facilitated by our joint efforts have set the seeds for successful reading in the future as well as beginning the pathway to a lifetime of reading enjoyment. The class teacher would especially like to thank all the families who took the time to fill the questionnaire following the completion of the project. The information provided will further aid the organisation of more successful shared reading projects in the future.

They all performed very well in Melleray. Nancy O'Hanrahan (Solo singing), instrumental group, novelty act, quiz teams A and C, Aoife Bennett (recitation), Ballad Group B and the full set went through to the second round. This was held in Touraneena May 10th. There was a large crowd present and the Novelty Act, Aoife Bennett, the Ballad Group B and the set dancers were awarded Western Final Medals. All roads led to Kill Community Centre on Saturday 25th May for the County Final. Congratulations to our pupils in the Novelty Act who

won a county final gold medal. They gave an excellent performance on the night. Our Ballad Group B and set dancers were worthy winners of silver medals. Great credit is due to all the children who participated in Scor and to Mr. Corbett, Ms. McGrath, Mrs. McGrath and Mrs. O'Mahony who helped prepare them.

### Visit to Heritage Centre

The Lismore Heritage Centre celebrated its tenth anniversary recently. They very kindly invited all classes to a complimentary viewing of their video. The younger children in particular were exposed to the history of Lismore which they found fascinating. It was very fortunate that this visit coincided with the feast of Saint Carthage. Many thanks to the staff of the Heritage Centre.

### Book Day

As part of their reading project Senior Infants were involved in a special day long celebration of books. Various activities in class helped the children explore the many types of books that exist and the varied characters that can become friends through exploring each page. The Book Day culminated with a Book Party. Each child dressed up to become a character of their own choice and entertained their class mates as we played "Who Am I". A wide variety of characters came alive in each room with the help of some wonderful yet very simple costumes. Thanks to the teachers who provided the party goodies, the parents who helped create the costumes and the children who made the Book Day a success.

### Visit Down Town

Senior Infants were glad to have the opportunity to travel down town together on one of the few dry days in May. We first of all called to visit the Park and to explore all its treasures. Then we continued to the Library where Mrs. McGrath and Mrs. Leahy greeted us and introduced us all to the services the branch offers to the community. Some children spoke about their experiences of reading and we all enjoyed some story telling together. A Certificate was presented to each child to mark their achievement as readers and a very pleasant visit was rounded off by a small party provided for the children by the County Library Service. Many thanks to Tanya Tinnelly and Margaret Lee who helped get us there and back in one piece and Mary Barry who helped while we were in the Library. We must also thank Alice O'Donoghue at the Heritage Centre who welcomed some of us to visit and see the Book of Lismore.

### School Tour 02 Senior Infants Parsons Green

The bus came on Monday. Forty four Senior Infants went to Parsons Green. Mrs. Geary, Mrs. Kennefick and Miss Walsh went too. We went over the mountain. We saw sheep,

lambs and lovely purple flowers. First we had small lunch and went to the playground. The death slide was cool. Next we went to see all the animals. We liked the turkey and the Emu best. It rained so we had chips and sausages then. We went for a pony and trap ride and then a boat trip. We found no treasure in the island and no crocodiles caught us. We got on the bus and came home safe after a lovely day. Cathal Lee was lucky to win a prize.

### Third and Fourth - Waterford

These two classes and their teachers left at 8.15 am and travelled to Waterford. They visited Waterford Treasures at the Granary. There were lots of exhibits to interest these classes from a historical point of view. The guides were very informative and made the tour very interesting for the children. After leaving the treasures they went to Splashworld. As they were the only children in the pool at that time they had great freedom using the slides, whirlpool etc. The wave machine was put on twice and this was much appreciated.

### First and Second Class - Cork and Fota

First and second class pupils had an early start on Monday 10th of June. They were leaving the school at 8 a.m., all full of excitement and anticipation. They watched the video of "Babe" on their way. Cork City Goal was very interesting. We got a tour of the governor's office and the prison cells in the east wing. The guides account of the lives of the prisoners was most interesting.

After leaving Cork we travelled to Fota Wildlife Park. We were very lucky with the weather. We strolled at a leisurely pace around the park. The gibbons provided great entertainment as they swung on the ropes. The sun shone down on us as we picnicked in the park and the children had great fun in the playground. The shopping was exhausting. No one wanted to come home with money. We left Fota, laden with presents and relaxed watching "Matilda" on the way home. It was a most enjoyable day.

### Fifth and Sixth Class - Shielbaggan Activity Centre

On Sunday afternoon at 4 pm in spite of the torrential rain fifth and sixth class pupils boarded the bus bound for South Wexford. They were staying over night and getting up early the following morning for a day of organised activities. They enjoyed the activities organised by Mr. Corbett, Mr. Prendergast, Ms. Murphy and Ms. O'Gorman on Sunday evening. The fun continued well on into the night but that did not deter them from getting up early Monday morning. It was a day filled with various outdoor activities. They returned home very tired but very happy.

### End of Year School Mass

The end of year Mass was in

St. Carthage's Church on Thursday 13th June at 12 pm. All the pupils attended and participated in the liturgy. Fr. Mulcahy celebrated the Mass. Students from sixth class did the first reading and sang the Psalm. A representative from second class to fifth class read prayers of the Faithful and four infants brought up the offertory gifts. Second, fourth and fifth class formed the choir and sang beautifully accompanied by Billy Hogan on the organ.

### Sports Day

All the pupils enjoyed a great day on Monday 17th June. Pupils from infants to sixth class were outside getting involved in sporting activities. They ranged from three legged race, bean bag, sack, egg and spoon and crab races. The obstacle course was great fun and even older pupils found it a challenge. Musical chairs and twisters were great favourites of the junior classes.

### New Entrants for September

On Wednesday 5th June thirty two new entrants for September were invited to visit the school. Here they were introduced to Mrs. Geary and Mrs. Killigrew. They saw their classrooms and were given an opportunity to mix with each other and hopefully ease the anxiety on September 2nd.

### Sports News Camogie News

Mini 7's The girls surrendered their western (and county) title to a determined Tallow squad. In a group which involved Knockanore and Ballyduff, Lismore and Tallow ended top of their group having beaten the other two teams and drawing with each other. They play off saw Tallow score twice to which Lismore, while playing their best, could not reply to. Tallow eventually won out in the west, once our group.

Panel; Charlotte Whelan (capt), Sharon Moloney, Stacey O'Gorman, Christina Toomey, Sandra Prendergast, Ciara O'Brien, Gemma Tobin, Aoife Fitzgerald, Katie Prendergast and Danielle Hunter.

### Schools Leagues

Our first team out was our "B" squad. While beaten comprehensively by Abbeyside, these are our players of the future and have a lot to look forward to.

Panel; Amy Coleman, Niamh Coleman, Donna Crowley, Alma Kingston, Mairead Coleman, Aoife Hale, Regina Broderick, Sharon Houlihan, Mairead O'Grady, Aoife Buckley, Caitriona McGlone, Ciara Prendergast, Marie Russell, Rachel Whelan and Shauna Kiernan.

Meanwhile our "A" squad made up for this, in beating Abbeyside. They met again in the division A final, and gave their all to bring back their first trophy of the year to the school, scoring three goals in this ground camogie competition. Back to normal rules and Tallow were the opposition in the Western Final, having won

out division B. This time the girls made no mistake. While they struggled early on, leading 0-1 to 0-0 at half time, and allowing Tallow to score an early second half goal, they dug deep and finished strongly, winning 1-3 to 1-0. The Western title was back in the school again.

Next day, Presentation Convent, Waterford were the opposition. Conceding two early goals made things difficult for the girls. While they were always in with a chance, and played their hearts out in the second half, it was not to be our day, and the county title was handed over on a 4-3 to 2-0 scoreline.

Panel; Stacey O'Gorman (Capt), Katie Heneghan, Sharon Moloney, Sandra Prendergast, Gemma Tobin, Aoife Fitzgerald, Katie Prendergast, Christina Toomey, Danielle Hunter, Ciara O'Brien, Sarah Hennessy, Jodi Walsh, Nancy O'Hanrahan, Charlotte Whelan, Caitriona McGlone.

Primary Game - Look out for Kate Heneghan and Stacey O'Gorman on Munster Final day. We wish them and all their team mates from other schools the best of luck.

Last word - Some parents were very supportive and it hasn't gone unnoticed. It makes a big difference.

### Achieving The Double

Over the school year we won the football & hurling county titles. We are the first team ever to do the county A double. In the Western football championship we beat Dungarvan convincingly 4-7 to 1-5. In the county final we had another convincing win over St. Stephens Street, De La Salle- 3-10 to 1-2.

As we entered the Blake Cup final Dungarvan were hot favourites. But we overcame them with an unexpected win of 3-9 to 1-1 This took us to Cleayboy to face Ballygunner in the county A final. The boys had pride in their Lismore jerseys and beat them 7-6 to 0-0. It was the 6th class boys last primary schools hurling match ever.

## C.L.G. TULACH AN IARAINN - TALLOW G.A.A. NOTES

### Cobhron

Tallow G.A.A. Club extends deepest sympathy to Valerie and the Loftus family Portlaw on the sad passing of Valerie's mother Esther. Ar dheis lamh De go raibh si.

### Munster Final Tickets

We wish James Murray and the Waterford team the best of luck for Sunday.

### Newlyweds

Congratulations to senior player Billy Sheehan and Eimear Ni Ghriofain who were married last Friday. Long life and happiness to you both. Go raibh fada buan sibh.

I'm told some of the almost 40s were reliving their youth on the dance floor and are still smitten by the gorgeous Gina. It was like Redbarn revisited

### Munster Club League Tallow 0 - 12 Castlelyons 1 - 12

Just a goal separated the sides at the end of this Munster Club League game in Tallow Thursday evening and on balance of play you would have to say Castlelyons deserved their win. This game was there for the taking by whoever wanted it most - Tallow didn't. Castlelyons were hungrier, sharper and more often than not first to the ball. Time was when it hurt to lose in a Tallow jersey but sadly now we seem to accept it as our lot. We were lacking in leadership and motivation. Its hard to know what needs to be done but we could start by turning out for training. Out of a panel of 26 or more the average attendance at training is no more than a dozen - usually the same dedicated core.

Tallow-0-16 Na Piar-saigh (Limerick)1-11

This was a much better performance from Tallow on Sunday evening and it was badly needed to lift morale. Na Piar-saigh had already beaten Castlelyons in this competition so this result keeps us in the hunt. Our next game is a tough assignment away to Wolf Tones.

Foireann: Martin Murphy, Denny Martin, David O'Brien, Colin Cunningham, Wm McDonnell, James Beecher, Shane (Gleanna-

glough) McCarthy, Mark Geary (0-1), Aidan Kearney (0-3), Stephen Pratt, Sean Slattery, Paul O Brie (0-2), Paul Kearney (0-7), Shane Finn McCarthy, Maurice O'Brien, Brian Henley (0-3), Wm. Henley, Mark O'Brien, John Murray, John Paul Gray.

### Junior Hurling

We play St Mary's this Friday 28th in Lismore. All players are to be at the square at 6.45. Lets hope we can emulate the Junior Footballers who decimated Na Seamroga last Sat night (match report from Timmy elsewhere).

### Tallow G.A.A. Lotto; 17/6/02

No's Drawn: 1, 11, 14, 22. No Jackpot winner. Consolation prizes. Matt Nolan, Mary Ahern c/o The Latch, James Murray, Shane Feeney. Promoter: Nuala Rohan. This weeks Jackpot E2250.

### Club Games

Brian Henley won his game against Colin Cunningham to leave his team on full points after 2 games. Manager Tom McSweeney and his team have been installed as odds on favourites already. In the 2nd match Mark Geary's team recorded their first victory with a win over James Beechers side.

### Committee Meeting

Meeting this Thursday night at 9.00 pm in St Patrick's Hall.

### Deise Development Draw

Draw takes place this Friday 28th June. Promoters please have your returns with our co-ordinator Liam Moroney by Thursday.

### Dúirt Siad:

"Cuimhnigí, gur fada chugainn anall a thainig an Ghaeilge, agus an croi mor bog Gael a ghabhas lei, agus gur foghail thar foghala agus creach thar creacha an domhain, an croi gan cor sin agus an teanga chaoin cheansa sin a scaruin linne agus lenar sliocht inar ndiaidh go deo."

Remember, the Irish tongue and the generous and tender hearted Gaelic sensibility inherent in it, have come down to us from great antiquity and it would be a depredation beyond all bearing, were that guileless soul and that gentle and civilised tongue to be lost to us and our descendants forever.

An Dochtuir Ristead de hindeberg.

### Maura is "Giant Among Fans"

Congratulations to Maura Ryan who was crowned Waterford's number one hurling fan in the Guinness "Giant

Among Fans" promotion which was held recently on WLR fm. Maura fought off stiff competition from fellow supporters to win tickets for the Munster Final plus accommodation in a top hotel. An excited Maura was delighted with her win and predicts Waterford will also beat Tipperary. Nice one Maura.

### Junior Football

Tallow 5-6 Shamrock's 0-4

Our junior team were in action against Shamrock's in the first round of the championship last Saturday night in Knockanore. Some very good performances on the night but Paul O'Brien's 3 goals and 2 points in the first half set us on our way. Two more second half goals from Shane McCarthy put the result beyond any doubt.

## Tree Planting

A cherry tree has been planted in each of the two local schools in honour of their success in the recent E.S.B. environmental awards.

## Flags

Pupils from the local flags attended the presentation of the blue flag at Bonmahon beach last Thursday by county mayor Kieran Ryan. Afterwards the mayor, councillors and officials proceeded to Knockmahon school for the hoisting of their recently awarded green flag. Once again mayor Kieran Ryan did the honours. Then the pupils did their Irish dancing. Everyone then enjoyed cakes and sandwiches provided by their parents. The teachers would like to thank all those who helped to make this such an enjoyable function.

Meanwhile Dawn McGrath rushed over to Seafield where a large group of parents and relations of pupils were waiting. The school children put on a fine show with the flag drill and dances and finished up with everyone present joining in 'The Siege of Ennis'. Both schools have now closed for the summer holidays.

**THINK SAFETY AND TAKE ACTION**

## Electrical Installations:

- Have a competent electrician examine the electrical installations on your farm and upgrade if necessary. Be familiar with the standards of electrical installation, read the ESB leaflet 'Farm Well, Farm Safely.'
- Ensure that all plugs are correctly wired and that cables are sound. Only use waterproof fittings in damp locations. All sockets should be protected by 30 milliAmp Residual Current Device (R.C.D.)
- Look out for overhead cables and observe safe clearance distances. Consult the ESB for further information.

## DAIRYING

### Grassland: Grazing techniques

Have you enough grass ahead of cows/stock? This is indicated by rotation length and/or grass cover. A short rotation, 17 days or less, indicates a potential grass shortage. Where grass is adequate, the difficulty is to utilise it with minimum wastage and poaching damage. Current weather conditions dictate that spring grazing techniques must be used. Consider some or all of the following:

- On-off grazing: Give cows/cattle access to grazing for 2-3 hours after morning milking and again after evening milking. Remove to farmyard immediately grass has been eaten. As cows do most walking damage when it is raining avoid turnout when rain is forecast and house immediately if it starts raining.
- Graze from back of paddock: To prevent poaching of grazed ground, start grazing from the back of the paddock. Prevent access to yesterdays grazed area by back-fencing.
- Several entrances: To reduce soiling of grass from roadways and gaps it would be advisable to have several access points to each paddock.
- Cow paths: These are narrow (2m wide), temporary walkways used to give cows access to the back of long, awkward paddocks.
- Allocation: This depends, but as a general rule give 0.5 acres for 40 cows for each milking. This is an area of approximately 50 metres X 50 metres (square block the best).

### Pending grass shortage

Due to late silage cutting and short grazing rotations it is very likely that grass shortages will occur during the next 2-6 weeks. Those shortages can be prevented by some or all of the following

- Nitrogen: Apply 40 units of nitrogen per acre on all of the grazing area when conditions allow. Focus particularly on drier fields on wet farms. If this action isn't taken grass shortages will be prolonged.
- Feed meal: Decide on the best strategy for your farm
- Feed silage: There are two options available. Graze uncut silage ground or feed pit/baled silage. If at all possible grazed the uncut silage crop but pre-cutting would be advised to maximise utilisation. Even zero grazing (drawing grass to animals in house) might be a cheaper option than feeding pit silage.
- Sell cattle: If planning to sell cattle in the autumn, serious consideration should be given to selling now. This will reduce grass demand.

### Recovering grass quality

Under-grazing, no topping, and little or no nitrogen has resulted in grass of poor quality being grazed. How can this be improved?

- Topping: If and when ground conditions allow, this must be a priority, but rotation length must be increased by 3-4 days.
- Pre-cutting: Best practised in dry weather. This results in high grass utilisation - re-growth will be of excellent quality. It is best to practice when heavy covers have to be grazed, but only cut down enough grass for every 24-hour period. However, only allocate grass for 12 hours.
- Rolling: Avoid this as it smears and compacts the topsoil, as well as bruising grass leaves resulting in less grass growing.
- Reseeding: Some severely damaged paddocks may need to be harrowed and grass seed sown. Do when ground conditions allow.

### Too much grass

This may arise because of housing. Before cows are back out grazing full-time, identify the strongest paddocks and remove as bales. To use up this surplus grass, no meals should be fed once cows are out full-time. This will help to recover some of the excess costs incurred during this weather crisis.

### INSTALLATION AID SCHEME CHANGES

The Department of Agriculture recently announced some important changes to the Installation Aid Scheme.

- The upper limit of 150 income units between on and off farm income has been removed. A minimum of 20 income units from farming is required with no maximum.
- The initial application (IASI) with accompanying documentation must be lodged with the Department of Agriculture within 6 months of the date of Setup. This period has been increased from 4 months.
- Farmers who were set-up in the period between 1/1/2000 and 7/5/2002 and who failed to qualify for the scheme because they exceeded the upper income limit of 150 I.U.'s may now lodge an application by 31/12/2002.
- The premium payable to eligible applicants remains at 9,523 euros.

### IMPORTANT EVENTS

- Teagasc Organic Farming Open Day:- Thursday, July 4th, 2002 - 1.00p.m. to 5.00 p.m. in Johnstown Castle.

### LISMORE CRICKET

Oh What a Great Result? Lismore 182 for 9 Middleton 56 All-out

Michael Lynch 53 and 2 for 27 Mark Taylor 49 Brian Power 5 for 19 Andrew Malcolm a hat trick 3 wickets in four balls. Yes, Lismore gave Middleton an awful trouncing in their own backyard.

Once again Dave Ind lost the toss and Lismore were asked to bat first, another dreadful start and I was thinking, here we go again. Dave and Marc had other ideas. The Dave and Marc show part two, was getting into top gear. Dave once again was anchorman with Marc going for the runs. The partnership nearly came off the rails when going for a quick single Marc tripped on his bootlace, leaving them both stranded but lucky enough they managed to get back to their respective creases. A partnership of 63 ended when Marc, deceived by a ball which stayed low was out just one run short of his 50.

Enter stage left, new signing playing in his debut game, South African Michael Lynch a big hitting batsman he reminded me of his fellow South African born Allen Lamb the way he tonked the ball all over the park. In his score of 53 he managed to hit five sixes. Four of them landing in the garden next door. John Ind and Michael Hickey got into a muddle, poor Michael getting run out within seconds of going into bat, followed by Andrew Malcolm who had dispatched the last two balls for fours John was next to go, another run out. Three wasted wickets. Mubbin had another bad day holing out for one. Sean Willoughby and Brian Power were the not out batsmen.

Middleton's batsmen were all sixed and sevens. Brian Power the first bowler to strike taking two quick wickets both caught and bowled. He went on to take another three wickets finishing on 5 for 19. An excellent spell of bowling. Michael Lynch finished on 2 for 27, not a bad days work for someone who hadn't played for a few years. Andrew took three wickets in succession in his very first over.

We wish Michael Lynch the best of luck while he is with Lismore. His tales of cricket in his native country at the after match drink had us all laughing. He had one story about Australian fast bowler Jeff Thompson who had two appeals turned down, one of LBW the other a caught behind. He wasn't best pleased. The following delivery rooted out the batsman's middle stump. "How about that?". He shouted at the Umpire, "That was bloody close".

The weather was still the main factor as our members contested the Golf as Gaelic Fourball Qualifier on Tuesday last. Competition secretary Richie Ormonde (9) partnered by local lad Marty McNamara (13) were the victors only by the tightest of margins from club president T. W. Murphy (3) and committee man Dave Murphy (11). Both teams with 6, Richie's team winning due to a superior last hole. In third place also with 6 up were the family combination of John Power (13) and Michael Motherway (18). The weather was still wet on Thursday for our Keniry's Open Qualifier. We again had three outsiders qualifying for the second time in recent times which is great to see, the main man being Doneraile Stephen McAuliff (3) with a brilliant 39 points which equates to level par golf. Waterford hurling star Dave Bennett (11) was second with 36 points, Dave playing out of Faithlegg. Our Gross qualifier was Damien Reid (9) with 24 points playing out of Craddockstown. The weekend weather was nice between the showers which there were plenty of. The very last competitor on Sunday evening was the main man namely Cal Aherne (19) with 38 points getting off to a flying start with a birdie at the first. He added another Birdie at the fourteenth. In second place Corkman Sean Desmond (16) posted a nice 37 points to gain himself a rare appearance on the leader board. Another Corkman used to the big time took third place with 35 points, namely Martin Walsh (11) but only winning from Dan Howard due to a superior back nine holes. The weekend after next sees our second major our Captains prize kindly sponsored by Paddy Ahern. There is a timesheet in operation (058) 54026.

## LISMORE CHOIR AGM

The Devonshire Arms Hotel in Tallow was the scene for Lismore Choir's AGM recently. Outgoing Chairperson, Kevin Ryan, welcomed those present and voiced the delight of all members with the year's activities and events. They included a concert in Waterford last August, competitions in Sligo, the trip to Áras an Uachtaráin to sing for Her Excellency President McAleese and our Christmas Concerts in Lismore Castle. We followed all that with a sung mass in Mitchelstown, our phenomenally successful Easter Opera Gala in Lismore and a trip abroad to sing in Bruges and Brussels. The assembly concurred that it had to rate as one of the choir's busiest years ever.

The year was considered so successful that Kevin Ryan, after healthy debate, was persuaded to remain in the chair for the coming year. Plans are afoot to organise the concerts in Lismore Castle in mid-December and also to present a concert in the spring. We hope to expand our repertoire with a work most suited to the concert location and also air pieces used during the recent Belgian tour. Our thoughts have begun to focus on 2003, when the choir will celebrate the 21st Anniversary of its founding. Already ideas are flowing and appropriate means to mark this event are being discussed. We would be delighted if former and 'resting' members could join us to sing at this time or be involved in some other way in the celebrations.

The coming year will definitely be a busy one for Lismore Choir and any potential new members, particularly men, will be very welcome indeed to share in the fun and the reward of singing well together. Rehearsals are on Wednesdays at 7.45 p.m. at the Carnegie Library building in Convent Street, Tallow, beginning on September 11th next. Contact any choir member for further details.

### ST. CARTHAGE'S SINGERS IN GLENCAIRN AND LISMORE

Sunday 30th June next will be a busy day for St. Carthage's Singers. In the morning they sing Mass in St. Mary's Abbey in Glencairn, in the afternoon they sing in a service of Holy Communion in Lismore Cathedral. On both occasions they sing St. Carthage's Mass, a composition by their Choirmaster and Cathedral organist Jan Van Putten.

All choirs love singing in Glencairn Abbey, the Sisters are welcoming, the acoustics in the church is excellent and the sheer experience of being there is very uplifting. This Sunday the community has added an extra incentive, in the past few weeks the Sisters have learnt the congregation part of St. Carthage's Mass, so next Sunday's event will be a form of real ecumenical cooperation between the Community and The Choir. Tierce, the office immediately preceding Mass, starts at 10.50 am. All are welcome to listen or, even better, to join in and to sing St. Carthage's Mass together with the Choir and the Community.

It will not be different in the Cathedral in the afternoon. Usually services of Holy Communion take place in the morning, but Dean William Beare of Lismore realises that on Sunday morning many people are tied to their own Church and, as a consequence, have no opportunity to hear or take part in Jan's Mass. Especially for them the Dean has decided to conduct a service of Holy Communion in the afternoon. It will be an act of worship, not a concert. But if you wish so, you can just come, sit and listen. The Communion motet will be Mendelssohn's well known composition "Hear My Prayer" with soloists from the Choir and Jan Van Putten will play Bach's great Prelude in e minor and Jeremiah Clarke's Trumpet Voluntary. The service in Lismore Cathedral begins at 5.00 pm.

St. Carthage's Singers will return to Glencairn Abbey on Saturday 6th July where they will take part in the Vespers and sing a short programme of choral music afterwards. Hear My Prayer by Mendelssohn, If Ye Love Me by Tallis. Exultate Deo by A Scarlati, etc. Vespers commence at 6.00 pm.

## RAILWAY ATHLETIC F.C. NOTES

### Division 2B: Ballinroad 4 Railway Athletic 2

On Saturday afternoon last, we made the short journey to take on table toppers Ballinroad and despite being short nine of our panel we put in a very creditable performance against a strong Ballinroad team.

On a very well laid out pitch we started against the breeze and it was Ballinroad who started the stronger, but they were up against a strong Railway defence in which the two full backs of Reddy and Foley were outstanding. Eventually they got the breakthrough after half an hour when their winger got in behind the defence to score from close range.

At the other end we had our moments when Cotter, Morrissey and Manahan all came close to scoring but some good goalkeeping and poor finishing prevented us from getting the equaliser. At half time we were still in it at 0-1.

The second half was only a few minutes old when a quick throw-in caught our defence napping and they scored from close range. After we picked up our game and started to pass the ball around really well.

From a Morrissey corner, Quinn rose highest and powered in a header to bring us back into it. But unfortunately, a few minutes later, a stray pass in midfield left Ballinroad back in to regain their two goal advantage.

In the 70th minute another stray pass left Ballinroad in for an easy goal but shortly afterwards some quick thinking from a free kick saw Reddy shoot an unstoppable shot to the roof of the Ballinroad net. Cotter had a great chance to further reduce the deficit but the keeper saved well and Morrissey will have nightmares about his miss with time almost up. The games finished at 4-2. At the end of the day, to be fair to the lads, a great effort was put in by everybody and the missing players will find it hard to get back on the next day.

Team: Ciaran Cullinane, Shane Reddy, Gavin Foley, Brian Quinn, Liam Costin, Derek Browne, Alan Barry, Kieran Cotter, Brian Beatty, Dean Morrissey, Bob Manahan, Sub David Sheehan for Manahan (injured).

### Fixtures

Wednesday 26th June (tonight) Div. 2B home to Park Rangers at 6.30 pm.

## Cappoquin Rowing Club Notes

The rowing season is soon coming to a close. On Saturday June the 15th we travelled to the National Rowing Centre at Farnwood Cork, to take part in the Cork city regatta. Our mens novice 4 crew were convincing winners in the event beating great crews from Garda Boat Club, St. Michael's Limerick, NUI Galway and Bantry Rowing Club.

On Sunday the day after we only had to travel up the road to our neighbouring club Fermoy and row on our own Blackwater. Our novice crew were on a high from winning the day before but when it came down to getting the job done that didn't matter also meeting most of the same crews again made them more determined to win. In the first round they beat Garda Boat Club. In the second round they beat St. Michael's Limerick, this put them into the final against Bantry, which Cappoquin won by 2 lengths.

In the senior pair event the combination of the Murray brothers Pat and Milo beat St. Michael's Limerick in the final.

Our veteran 4 crew beat tribesman Galway in the final. In the U-16 Sculls event Caroline Murray was beaten by Tribesman in the final.

On June 22nd we travelled to Athlone and decided to move our novice crew up a level and compete in the intermediate 4 event and we put up a great battle and were beaten by 2 feet to winners NUI Galway.

The biggest day on the Irish Rowing calendar is yet to come but it is getting closer because on the 13th July our novice crew made up of Liam McLaughlin, Stephen Landers, John Fenton, Kieran Lynch, Cox Amy Fitzgerald will be taking part in the Irish National Rowing Championships.

Well done to Jean Fenton and the rest of her basketball team who at the weekend qualified to represent Ireland in the Special Olympics next year.

Congratulations to soccer manager Tom Brown and Paul Murray who represented Waterford in the Kennedy Cup. Well done on winning the Kennedy Bowl.

Tributes were paid to the long serving outgoing ladies who did an excellent job over the years. On behalf of all the parents we say a big thank you to Mary O' Keffe and Ber Kelly also Mary Smiddy (who left us at the end of last year). You did a wonderful job and for those taking over, yours will be a hard act to follow. During their reign the parents association made a huge contribution to the school. ### LINES FROM PILTOWN SCHOOL

#### Thanks For The Cans!

This is a special notice to all you wonderful people and pupils who have contributed to the can recycling collection run in the school over the past number of years. We are no longer taking cans. Over the years we were very successful in the can recycling competition run by Waterford County Council and the cans and prize money contributed greatly to our school fund. Now with the locating of recycling bins for bottles and drink cans being located both in our town and in most villages and with bags of cans taking up much needed space at our school there seems no longer to be a need for our school to provide this service, so the time has come to move on but we continue to support recycling and we would like all of you who helped in our campaign to continue to recycle! Please remember a glass and drink cans recycling centre is now located at the G.A.A. pitch in Clashmore.

## THE LATE FR. JOHN KEOGH

In times of great difficulty in our church and when all seems lost it is nice to recall people like Fr. John Keogh, a man who represented all that is good in our Catholic faith. A native of Youghal town, Fr. John Keogh was a man of many talents, good humoured and witty. But most of all he was a man of immense faith, thankfully for us all it was the latter of these which won out in his life when Fr. John chose to devote his life to God by joining the Priesthood. Fr. John had a wonderful outlook in life and he brought something very special to the Church. One could almost say he was perhaps a little bit before his time, how great men with Fr. John's faith and outlook in life are needed in our church today. A great friend of the late Fr.

Michael Cleary, I think many will remember Fr. John Keogh's occasional contribution to some of the great charity shows which Fr. Cleary hosted up and down the country. (Organisations in Clashmore were among those to benefit from these shows)

But first and foremost Fr. John Keogh was a man of God and his mission in life was to bring the word of God to as many people as possible. At times his was the most difficult of tasks at one stage serving as Chaplain in Brixton Prison. He was also a well known mission preacher. He served in various parishes both in England and Ireland and his final post was as Curate in Glanmore before he was taken ill in the mid 90's.

On Sunday June 9th, Fr. John Keogh was called to his great eternal home. His funeral took place in his beloved Youghal and following requiem Mass in St. Mary's Church, Fr. John was laid to rest in North Abbey Cemetery. Peace and eternal rest to his noble soul and thanks for the great hope you brought to so many people.

## GET WELL WISHES TIM

Great to hear the very popular Tim Power, Old Parish, is now home from Hospital and making a good recovery following his recent accident.

## BABY GIRL

Warmest congratulations to Ballycurrane family, Orla (nee Baker) and Christy Faherty on the birth of their little baby daughter on Monday last, a most welcome sister for Colm and Grainne.

## SYMPATHY

The people of Clashmore and Kinsalebeg wish to be associated with the many fine and fitting tributes paid to the Late Sham Shine, Cappagh who was taken to his eternal reward last week following an illness. A most unassuming and likeable gentleman, Sham retired some years ago as Agri Lime representative. Over the years his career took Sham to almost every farmyard in the country and further afield.

Wherever he went he was loved and respected and he made many life long friends. The West Waterford community has lost something very special but it is at home among his family the loss is greatest. Our school principal here in Clashmore, Geraldine Shine is of course daughter-in-law of Sham. To her and all of you his family, we tender our deepest sympathy. Ar dheis De go raibh a anam.

### THIS WEEKS FIXTURES

#### Intermediate Hurling Championship

Clashmore v Cappoquin in Fraher Field on Saturday at 6.30 pm.

Minor Hurling Clashmore v Cappoquin in Bushy Park on this Wednesday at 7.30 pm.

### LAST WEEKS RESULTS

Intermediate Football Championship Clashmore 2-10 Brickey's 1-8. Junior Football Championship Clashmore 1-19 Affane 0-2.

Our Intermediate Footballers travelled to Fraher Field more in hope than confidence to take on favourites Brickey Rangers in the first round last Saturday night. With the loss of a number of key players due to injury and immigration we took the field with a very young team. The Brickey's ran us ragged for the first fifteen minutes and raced in to a four point lead. Tiger then opened our account with a point from a free. We then hit three points on the trot and enjoyed a purple patch at this stage. Half time score Clashmore 0-7 Brickey's 0-6.

In the second half Clashmore completely dominated and goals from Tiger from a penalty and Paudie from play put the game out of reach. We conceded a goal from a penalty in the last minute.

Best for Clashmore were Barry Dunne, Brian Murray, Paudie O'Rourke, Mark Power and man of the match Mike Fenton.

Team; D. Hickey, B. Dunne, P. Connery, K. Connery, P. Dee, P. Allen, B. Murray, M. Power, P. Hynes 0-1, P. O'Rourke 1-1, Roger Ryan 0-1, B. O'Neill 1-3, G. O'Rourke, M. Fenton 0-3, P. Lombard, subs J. Collins 0-1 for P. Hynes injured.

Our junior footballers travelled to Bushy Park on Sunday night to take on Affane in the Championship. In what can only be described as a mismatch this game was over after five minutes as we were totally on top. Half time score Clashmore 0-8 Affane 0-1.

The second half was the same story and we added a further 1-11 to our scoreline. Final score Clashmore 1-19 Affane 0-2.

Team; Peter Fitzgerald, Nick Beresford, Noel McGrath, William Collins, Eoin O'Riordan, Aidan O'Rourke 0-1, Kevin Dunne, Michael Maher 0-2, Jim Flavin 0-1, Sean Fleming 0-5, Ger Ryan 1-3, Eoin Walsh 0-2, Pat Collins, Martin Lynch and Chris Coughlan 0-3. Best for Clashmore were N. McGrath, A. O'Rourke, S. Fleming, G. Ryan and C. Coughlan. Subs Tom Dee, Mike Hynes, Eoin Power, Gillian O'Keffe, Jonathan Flavin, Andrew Mulready and John Dee.

### Munster Final

Best wishes to the Waterford Senior hurlers in the Munster Final on Sunday. With a full house in Cork let's hope on Sunday we come away with a win. With tickets very scarce a lot of fans will be disappointed and one wonders is Pairc Ui Chaoimh big enough anymore to hold a Waterford v Tipperary game. The allocation of stand tickets to each club was rather pitiful. A win on Sunday would see us through to the All Ireland Semi Final and defeat would see us to the Quarter Final with all the qualifiers.

## ANGER AS MINISTER DAVERN IS DROPPED

South Tipperary/North West Waterford's seat at Government was taken away this last week with the removal of Noel Davern as Minister of State at the Department of Agriculture and Food. The Clonmel based T.D. was a victim of Taoiseach Bertie Ahearn's reshuffle of Junior Ministers and sees him exit the department after five years in the job. Davern's Fianna Fail organisation in South Tipperary/North West Waterford are angry at his sacking and disappointed that the Taoiseach failed to act on strong representations made to him to keep the TD in his ministerial post. There was also surprise and disappointment this week that Tom Hayes T.D. Fine Gael Poll Topper in the General Election had been overlooked by new Fine Gael leader Enda Kenny in the selection of his front bench. He was tipped to be spokesman on agriculture.

## NURSES ARRIVE IN THE SOUTH EAST FROM THE PHILIPPINES

A group of sixteen nurses from the Phillipines will soon be taking up duty in hospitals in the South East hving arrived in Ireland last weekend. The nurses are part of a recruitment strategy to address the nursing vacancies in the region that were identified earlier this year. The nurses will be employed on a fixed term, two year contract. On Monday 17th June they commenced one week orientation and induction programme in Waterford Regional Hospital and will then commence their mandatory Irish Nursing Board Adaptation Programme in the hospital. The nurses are living locally and are looking forward to settling into the local community and working within the South Eastern Health Board. All were trying to acclimatise to the disappointing Irish summer weather and some were already searching the shops for gloves and hats. On completion of their seven weeks in Waterford Regional Hospital, the nurses will be deployed to Wexford General Hospital, Saint Patrick's Hospital, Thomastown, and Saint Luke's Hospital, Kilkenny, with some remaining in Waterford Regional Hospital.

## ANTI INCINERATOR GROUP FINED BY WATERFORD COUNTY COUNCIL

South Tipperary Anti-Incinerator Campaign has been stung with a litter fine from Waterford County Council. The group has received a letter informing them of the offences in the Ballymacarbry area. At a fine of 156 euro per offence the total fine total is 2750 euros. According to Anti-Incinerator, Chairman Seamus Hayes, the group put up some signs, which they thought were quite discrete, but the group 'have been told they are in contravention of some litter act'. He added that the group is hard pressed to raise the funds to take on local government, the planning authorities in relation to this campaign and now we are being fined money like this from the County Council. Mr. Hayes claimed, that while the group will not however be able to send a cheque by return of post because of the campaign costs he added "we do intend paying the fine". He said he hoped that the people in Waterford understand the organisations position and that the group does not mean to cause offence to anybody" we just need to get the message across.

## LATE MRS. MARY CARROLL

It is with deep and sincere regret we record the death of Mrs. Mary Carroll, Main Street, Ardfinnan, Co. Tipperary which sad event took place recently. Mary who conducted her own grocery business for many years, was ever so popular with the locals and the passers by, who classed her as a very kind person. For some time she had not enjoyed the best of health and recently passed to her eternal reward at her home in the loving care of her family. Her late husband Patrick Carroll N.T. was principal teacher at Newcastle N.S. for some years before being appointed Principal teacher at Ardfinnan N.S.

On Wednesday evening her remains were removed to the Holy Family Parish Church, Ardfinnan where they were blessed and received by Rev. Fr. Gerry Condon P.P., Ardfinnan/Ballybacon/Grange. On Thursday morning the feast of Saint Norbert (Martyr) requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. Condon P.P. After Mass the funeral took place to Saint Finians Cemetery, Ardfinnan where she was laid to rest in the family plot with her husband Patrick who predeceased her.

To her sons and daughters and her many relatives we extend our sympathy.

Go raibh loistin den scoith aici i measc na Naomh.

## LATE MRS. ESTHER LOFTUS

It was with deep and sincere regret the district learned of the death of Mrs. Esther Loftus (nee Kiely), Carrick Road, Portlaw, Co. Waterford and formerly of Curtiswood, Ballymacarbry which sad event took place at the Regional Hospital, Waterford on Sunday 16th June. Deceased in her late seventies was a member of a well loved and respected Ballymacarbry family, the Kiely's of Curtiswood. She was a lady of outstanding qualities who possessed a wonderful warm personality and made friends with ease. At an early age she left her native district of Ballymacarbry to take up service with a family in the Portlaw area. After some years there she fell in love with a building contractor Edward Joe Loftus from Ballina, Co. Mayo and on the first of June 1955 she became his loving wife and later she become a mother to a son and three daughters. Both her and her husband were a kind and loving pair of parents. Their children were their pride and joy and to them they were utterly devoted. She with her husband Joseph made many trips to Ballymacarbry over the years to visit her parents graves at Fourmilewater cemetery. She was of a quiet and unassuming disposition.

She had a great sense of fun and humour which made her delightful company and her passing has evoked feelings of sincere regret among her family, neighbours and her many friends. Many tributes have been paid to this fine lady but perhaps the finest was paid to her on Tuesday evening when all walks of life were represented in the vast concourse of mourners who were present when her remains were removed from her residence to Saint Patrick's Parish Church, Portlaw where they were blessed and received by Rev. Fr. Michael O'Byrne P.P., Ballyduff Lr./Portlaw.

On Wednesday morning, the feast of Saint Juliana requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Michael O'Byrne P.P. After Mass a kind and loving wife and mother was laid to rest in the adjoining cemetery. Fr. O'Byrne P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a dear Christian friend whose memory they will long treasure.

To her husband, son, daughters, brother, sisters and many relatives we extend our sympathy.

Go maith suiamhneas siorai aici i measc na Naomh. (Undertakers Coffey's, Portlaw).

## SYMPATHY

Sympathy of the district is extended to Mrs. Cait O'Keefe, Curtiswood and to Mrs. Ann Moore, Kilcreggane on the recent death of their uncle Sean Foley, 24 Avondale Road, Highfield Park, Galway and late of Ballinacourty, Dungarvan.

Beannacht de lena anam.

## LATE MR. LIAM RYAN

It is with deep and sincere regret we pen the death of Mr. Liam Ryan, Knockalisheen, Ballymacarbry which sad event took place at St. Joseph's Hospital, Clonmel on Saturday 22nd June. On Sunday evening his remains were removed from Condon's Funeral Parlour, Clonmel to St. Laurence's Parish Church, Fourmilewater. After requiem Mass on Monday interment took place in the adjoining cemetery.

## GOLDEN TENOR HONOURED IN HIS NATIVE TOWN

Ireland's Golden Tenor Frank Patterson was honoured in his native town Clonmel, when a life size bronze statue was unveiled in his memory. The statue was a collaborative venture between American and Irish admirers of the internationally popular singer. The unveiling of the US sculpted statue on a marble plinth provided by Clonmel Borough Council on Sunday 16th June was an emotional moment for his wife Eily, son Eanan and his beloved mother Mai. Unveiling the statue, Alderman Sean Nyhan Mayor of Clonmel remarked that while Frank achieved international stardom he never forgot his roots in Clonmel. As an ardent admirer of his great talent, this memorial to his life fulfils a lifelong ambition of mine. I am happy that the unique prestige in which he was held is being recorded in his native Clonmel to respect and remember. His wife Eily remarked that Frank would probably have been embarrassed to have a statue erected in his honour, but she said it would be worthwhile if it inspired future generations to arise and follow their dreams. Joining the Patterson family at the moving ceremony in the town's civic centre in the Borstal Car Park was a large gathering of Frank's American friends, who provided funding for the statue. They included Jerry McKenna from Texas, who first suggested the idea in a letter to Clonmel Borough Council in 2000. The American visitors said that Clonmel had done itself proud by organising the weekend series of events to commemorate the life of one of the towns greatest sons.

# MUNSTER SENIOR HURLING FINAL IN PAIRC UI CAOIMH NEXT SUNDAY

## Waterford Face All-Ireland Champions In Intriguing Contest

**It is a day of decision for us as we take on mighty Tipperary who are bang in form after their powerful display against Limerick three weeks ago. But we will have no excuse if we are beaten as we are going into battle here with all our forces and a very well prepared team.**

Four weeks ago we defeated the very strongly fancied Cork in Thurles and in the reasonable expectation that we have improved another 10% in the meantime, we must travel to Cork determined and expecting to win.

After Tipperary demolished Limerick in the second semi-final they were installed as the hottest of favourites to retain their Munster title and quoted by Powers Bookmaker at 2/1 to retain their All-Ireland crown while Waterford were put on offer at 12/1.

The message here is that those who assessed Tipperary's form and standards before deciding on the odds, must certainly have overrated a poor Limerick team. Such odds would not have been available two weeks earlier if the assessment had been based on the Tipperary performance against Clare. Eoin Kelly's 12 points shot Tipperary's profile into the clouds and I do not believe that will be repeated. I'm sure it will be one of the situations that will be given close attention by the Waterford selectors.

Tipperary must feel that they do not need to improve on their performance against Limerick to be able to beat Waterford. Some judges will say that Tipperary cannot improve on their game against Limerick. Immediately after that match Limerick were first and quick to concede that their display on the day was one of their worst in a long time. Neutrals at the game and those watching on television found agreement in the claim that Limerick tried all the wrong tactics and when they were found to be unsuccessful, nothing on the sideline was done to change them. Even Eamon Creegan admitted this.

Only a couple of points (1-18 to 2-13) separated the teams at the end of the Clare game and this after goalkeeper Brendan Cummins brought off two wonder saves, one from Nial Gilligan and the other showed his quick reaction to a deflection off full back Phil Maher's legs.

Here I am not making case to downgrade Tipperary's profile but I am saying that all their many qualities were seen in

Hurling giants Ken McGrath, Waterford, left, and Thomas Dunne, Tipperary, right, with Michael O'Faolain, from Dungarvan, pictured launching the nationwide 2002 Guinness "Giant Among Fans" promotion. Michael fought off stiff competition from hurling supporters from other counties when he was crowned Ireland's number 1 hurling supporter last year in the Guinness Storehouse the night before the All-Ireland Hurling Final.

Brendan Moran / SPORTSFILE

**JUSTIN MCCARTHY HAS MADE NO SECRET OF HIS BELIEF THAT WATERFORD WILL IMPROVE SUFFICIENTLY ON THEIR DISPLAY AGAINST CORK, TO MEET THE CHALLENGE FACING THEM IN PAIRC UI CAOIMH**

the Clare match rather than in the Limerick semi-final.

We know and realise that we are matched with the very worthy Munster and All-Ireland champions but we must not get overawed by their high profile. Tipperary will certainly be difficult to beat but they are not invincible.

Both Ken McGrath and Brian Greene who are now fully fit were only brought on as substitutes against Cork in the semi-final and Ken McGrath was then far from being near to full fitness. Now all the players on the panel are fully fit, tuned to the last and eager for the contest of their lives.

In the 1998 semi-final when Waterford

defeated Tipperary on a 0-21 to 2-12 scoreline in Pairc Ui Caoimh they travelled up as the outsiders. Gone from that team are Sean Cullinane, Stephen Framp-ton, Billy O'Sullivan, Anthony Kirwan and Brendan Landers and the team has undergone some reshaping. Tipperary in the meantime have a whole new team in the field and incidentally, Colm Bonner who was replaced in that game, is now with Waterford as a selector. In fact it was as a substitute replacement for Colm Bonner that Brian O'Meara was introduced to the Tipperary side. O'Meara was man-of-the match against Limerick three weeks ago

# MUNSTER SENIOR HURLING FINAL IN PAIRC UI CAOIMH NEXT SUNDAY

## Tipperary At Full Strength

Inside sources have stated that Tipperary with all their forces available, will show little or any change from the side which represented them in their two championship games so far this year.

Twelve of the team have Munster and All-Ireland medals. Brendan Cummins in goal, Tom Costello, Philip Maher (full back), Donncha Fahy, Eamon Corcoran, David Kennedy at centre half back, and Paul Kelly will likely form their defence. There are rumours of a switch involving Tommy Dunne (team captain and man of the match in last year's All-Ireland final) and Conor Gleeson. Noel Morris who made his very successful debut against Clare this year will partner one or other at centre field. In attack we may see a reshaping of the section but it seems likely that the outstanding sharpshooter Eoin Kelly (who scored 12 points against Limerick), will play at right corner forward, John O'Brien and Eoin O'Neill may complete the full line with Brian O'Meara (man of the match against Limerick), Lar Corbett, Liam Cahill, Seamus Butler,

Michael Ryan, etc. being considered for the other placings.

## TIPPERARY'S RECORD

The Premier county have won the Munster senior hurling championship on 36 occasions while Waterford's total of wins is just 5 (1938, 1948, 1957, 1959 and 1963). In the past half century, our counties have met in the Munster final on 4 occasions and Tipperary have won 3 of these. 1958 Tipp. 4-12 Waterford 1-5; 1962 Tipp. 5-14 Waterford 2-3; 1989 Tipp. 0-26 Waterford 2-8. The exception was in 1963 when we defeated them by 0-11 to 0-8. Of course in earlier rounds before the finals, we did have some sweet victories like 1958 at Cork Athletic Grounds when we led them by 8-2 to no score at halftime.

Our most recent victory has already been referred to and this was the semi-final four years ago in Cork and after which we went on to lose to Kilkenny in the All-Ireland semi-final after the Clare Munster final debacle.

But all records are water under the bridge as far as the present and future are concerned and what counts now is what will happen at Pairc Ui Caoimh on Sunday afternoon.

## WATERFORD CONFIDENCE GROWING

Although our performance and our victory over a very fancied Cork team in the semi-final in Thurles on May 26th was downgraded in some quarters when it was stated that the match was a bit sub-standard. We like to look at it in a different light and treat it as a hard earned and well deserved victory over a strong Cork 15 who were very unlucky to lose to Kilkenny by a single point in the national league final two weeks earlier.

Since the semi-final, things have been working out well for Waterford and training is reported to be going "superbly" well. A game against a full strength Wexford team in Wexford Park two weeks ago indicated that the players are retaining their form.

Ken McGrath who is playing a leading role in all our games so far and who missed half of the Cork match is fully fit and so is Brian Greene who was not considered fit enough to play the full 70 minutes in the semi-final.

Their inclusion from the start against Tipperary will result in some reshaping of the team and a couple of the semi-final starters must sit on the subs bench when the teams parade in Pairc Ui Caoimh.

## NO WATERFORD TEAM

Once again it is the old story of the team not being available to the media until around midweek.

It took several telephone calls over the weekend before I was told that the team was not being released until Tuesday (last) night.

We had expected and we thought that it was not too much to ask that the team to play in the Munster senior hurling final would be available on Monday for preview. It is most disappointing, but not wishing to rock the boat in the lead up to this vital match, I will reserve comment on the decision.

There have been rumours about who is being dropped but in the absence of official information we can only write about the speculation surrounding the selection.

The rumours have Brian Greene at corner back and if this happens, it will involve a reshaping of the defence. Stephen Brennar who continues to prove himself a top class keeper will be in goal. Most speculators had expected the defence who began and ended without change against Cork to be given a vote of confidence. The threat of Eoin Kelly in

the Tipperary attack is obviously causing concerns among the selectors. James Murray started rather shakily against Cork but steadied after ten minutes and played brilliantly. Tom Feeney playing in the fullback position for the first time in championship acquitted himself very well as did Brian Flannery in the left corner. Team captain Fergal Hartley played a commanding role at centre half back and got splendid back up from Peter Queally and Eoin Murphy, making a successful championship debut. This section of the team may well be retained intact.

At centrefield Tony Browne can again be partnered by Dave Bennett. Browne in form can prove a vital cog in the wheel. Bennett (many were surprised to see him replaced against Cork) can also be fitted in the attack as he lies in third spot on the scoring chart in Waterford this year.

The matter of positioning Brian Greene now comes into question and I wonder if Queally will be played at centre field and Greene placed in the halfback line in his accustomed position.

This would leave Dave Bennett available for inclusion in attack where we have 9 or 10 players for the 6 positions. Two of the six will be Paul Flynn and Ken McGrath, match winners if in form on the day. Andy Moloney has yet to satisfy everyone that he is adequate for the centre forward spot. If the selectors feel that he is then it will likely be Ken McGrath, Andy Moloney and Paul Flynn forming the half forward line. This will leave Seamus Prendergast to fill the full forward berth, John Mullane, Eoin Kelly,

Dan Shannahan, Eoin McGrath, Dave Bennett and Michael White up for selection for the remaining berths.

The line out will likely give us all much food for thought when it is announced today.

## THE RESULT?

It looks to be as good a panel as we have had together for a long time. All our players are fit and fully determined to mount a mighty challenge to Tipperary who are undoubtedly a splendid hurling outfit, very worthy Munster and All-Ireland champions and will be difficult to overcome. They are the raging hot favourites with the bookmakers and the public. But having said that, I feel that their form against a poor Limerick team gave them something of a misleading profile.

I honestly believe that we are in here with a good chance and if all our players hit form, we can win.

## TICKETS

The demand for tickets is as great as it was in 1998 and because the number available is less because of the venue, there may be disappointments.

## TEAM SHOP

A shop selling county emblems like scarves, caps, ribbons, flags, key rings, etc. is open in a number of centres. Here in Dungarvan the shop is situated on Grattan Square and is open from 10 a.m. to 5 p.m. each day.

The proceeds are in aid of the training fund.

## LOCAL HISTORY

In 1659 a census of sorts was held throughout Ireland by the Cromwellian regime. It was not detailed, as modern censuses are.

For example, it gives the number of Irish surnames in each barony but not the actual names of individuals, except the names of those with a title to property. This census appears to have been taken for taxation purposes.

The surnames in "Deaces" Barony, later the Baronies of Deices within and Decies without where Dungarvan is in a central position, are not the surnames of the native merchants. The population of the barony was given as 3,703 of whom 129 were English, about 4%, one of the three lowest in the county.

The population of Dungarvan town is given as 213 of which 35 were English. This is about 16%.

"Dungarvan Towne and halfe plowland thereunto belonging" are now under the names of Francis Vaughan gentleman, John Dalton gentleman, Richard Williams gentleman, Thomas Swann gentleman and Michael Hore, merchant. So in spite of the plantation there was one of the Hore's still in a position of influence in town.

In Abbeyside James Oldfield gentleman, is noted as holding the title of "the Abbeyside", probably Captain James Oldfield who leased the towerhouse in Abbeyside with the lands at and around the old friary and towerhouse. There were 44 people on this land, only three of which were English, presumably Oldfield, his wife and child.

## DAMAGE TO RAILINGS AT WALTON PARK

We are delighted to report that the timber railings broken by vandals recently have been repaired. Congratulations are due to those who organised and completed the work.

## UNUSUAL VISITORS

Last week the incoming tide brought in hundreds of jellyfish who were to be seen along the shoreline from the footpath on the causeway. Weather lore people tell us that it is the sign of exceptionally warm weather to come. It is the best part of thirty-five years since the writer encountered large numbers of jellyfish along Abbeyside Beach.

## ABBEYSIDE SCOUT NOTES

For an in-depth report on last weeks cub meeting we go to our special correspondent Charlie Tweet. Yes indeed last Saturday a major conflict broke out here in the Abbeyside scout den between two opposing factions. Onlookers could not believe their eyes as they watched on in amusement as both sides with weapons drawn began an hour long conflict which saw many casualties on both sides. The red team under the leadership of Frenchie and Sandra took a hammering from the blue team led by Muller and Emer. Large calibre weapons such as those used by Barry McCullough and Joe Conway proved to be quite ineffective against the smaller weaponry of the likes of Aaron Fraher and Colm Kindregen who because of their size proved more manoeuvrable in the conflict. The weaponry used, both large and small calibre water pistols caused devastation on both sides with innocent onlookers Daniel Moroney and scout Patrick Fennell who were both unarmed receiving serious wounds to all parts of the body, thankfully none proved fatal. The fighting only ended after peace talks came about and this in turn led to both sides putting down their weapons and slugging it out on the field of play in a game of slippery soccer which saw leaders Emer and Sandra having a good washing before heading out to their usual Saturday night rendezvous.

### SCOUT MEETING

The scouts had decided to call a truce before coming to the den, however scouts David Hickey and Cearbail Turrain came fully armed and were not happy with the terms of the agreement brokered. A fight soon ensued between these two on one side and the pacifists who would have been happy to sit the meeting out in the smugness of their dry clothes on the other hand. The first casualties were Kieran Harty and Matthew Kirkham who seemed to have a severe aversion to water. One by one the rest of the scouts fell to the sure fire shooting of the anti-agreement side. Once hostilities had finished scout test work broke out followed by a short game of soccer. To finish up all were reminded of the forth coming Flag day and this coming weekends meeting.

### ATTENTION

Both the cub and scout section will be joining together this Saturday morning at eleven thirty in the Mahon falls area for a joint hike which will finish at four in the afternoon. All are reminded to bring that which was written on their notices. This event will be the last event/meeting for the cub section for this year, until all head back to school in September.

### Junior Football Championship

The first half of the first round junior football championship game v The Nire played at the Dungarvan club grounds last Saturday evening was keenly contested with the Sean Phobail boys matching a very strong and experienced Nire team in every aspect. Our backs were solid and were first to the ball and midfield was supplying good ball to the forwards who took some good scores. We were reasonably happy with the half time lead of 0-07 to 0-03 with the scores coming from Tomas Curran (3), Michael O'Donnell (2) and Raymond Terry and Maidhc De Paor one each. On the changeover, however, winning possession became more difficult, scoring chances became fewer and we began to lose man to man battles which we were winning in the first half.

The end result was that the Nire got the vital scores while we failed to take the few chances that came our way and could only manage one further point from Michael O'Donnell. The most ardent 'Shocks' supporter would find it hard to begrudge The Nire their two points win on the score 0-10 to 0-08.

This game highlighted a number of points: 1. The manner in which we faded in the second half shows that we are not fit enough to last a full game. 2. Our first half display proved that if fully fit we would be a match for anybody. 3. Some individual displays proved that Tony Hamilton and Michael Hogan know how to get players fit and prepared. So now the losers group gives us a second chance to get back on the winning trail. A major effort will be needed and we can look forward to the return of Pádraig, Timothy, Eamonn and Fitzie. Respond to Tony and Michael lads, they can only do so much. You all know the story about getting a horse to water...!

### Loyal Supporter

It was good to see Tim Power back supporting An Sean Phobail last Saturday following an accident obtained at work recently. Nior chaill riamh and fhear an Mhisnigh!

### Under Age League

These leagues are proving a great success and tension is mounting with some crucial matches still to be played. Remember the time - Tuesday and Thursday at 6:30pm. More details of the matches, teams, etc, next week.

### Munster Hurling Final

It is expected a good number of supporters will travel from the parish to Pairc Uí Chaoimh on Sunday. We wish the team the very best of luck. Let's hope the result gives us reason to dance with joy, on second thoughts Timothy, it might be better just to clap hands!!!

## GERALDINES GAA CLUB NOTES

### LOTTO

There was one winner of our Lotto Jackpot. The lucky winner was Richie Rohan, c/o Cards. The numbers drawn were 11, 19 and 24. The winners of 15 euro were Tony Morrissey Villierstown and Paul and Maggie c/o The Village Inn. Next weeks jackpot will be worth 350 euro.

### JUNIOR FOOTBALL

Our Junior footballers were the first team into championship action last Friday night. We recorded a hard fought victory over a determined Brickeys side. On a night where conditions were not suited to fast open football we took our scores well and defended brilliantly. The final score was Geraldines 0-8 Brickeys 0-7. Players to perform well on the night were Noel Downing, Anthony Walsh and Stevie Keane.

### MUNSTER FINAL TICKETS

Anyone requiring tickets for the same are asked to give their names to D.Tobin before Wednesday night. Bearing in mind the limited amount of stand tickets we received anyone with their name not in before Wednesday night may not receive a stand ticket.

### JUNIOR HURLING

Our Junior hurlers are in action this Friday night when we take on Ardmore in the Junior Hurling Championship. The match takes place in the Fraher Field at 7.30 pm.

### UNDER 12 HURLERS

Our U12 hurlers had an eventful schedule just recently. On Friday evening the 14th June we travelled up to Cappoquin to play Lismore in the Western final and with both teams out on the field the non appearance of a referee due to a slight mix up on the Bord's behalf left both teams with no option but the travel home bitterly disappointed. Fortunately the game was arranged for Monday 17th June and thankfully everything was in order for the match to commence. In our last meeting with Lismore at Clogherane a few months back we were defeated by a late winning point so we were really keen to avenge that defeat. We got off to an excellent start and some sustained pressure on the Lismore goal resulted and in three 65's which were expertly sent over by Cormac Curran. We were hurling well and needed to press home further this dominance on the scoreboard. Our two midfielders Kenneth Moore and Tony Walsh were working like beavers and were sending in plenty of ball to our forward line. Our half forward line of David Brophy, Sean Duggan and Liam Ryan again kept the ball moving inwards where the inside trio of Craig Flynn, Cormac and Colm Curran always looked threatening and dangerous. Indeed midway through the half Colm was unfortunate to see his shot rebound back off the post and cleared to safety. The Lismore lads, as is customary were soon to respond and shot over two points one of which was the result of a quick thinking free taker who spotted his teammate loose and he duly sent the ball between the posts. Fortunately a great point from David Brophy was an instant response. Our goal mouth was now under siege, a human barrier in the shape of David Moore in goal, was unrelenting and he brought off some marvellous saves to keep us in front. Within sight of half time Lismore sent over another point to leave the score at 0-4 to 0-3 at the interval. Aided by the breeze in the second half Lismore were soon to be level and shortly afterwards were dramatically to take the lead. We were now trailing by a point on a 0-4 to 0-5 scoreline and we looked in grave danger of being overwhelmed. It was then that our backs began to tighten up led by Neil

Alan and Niamh Harty presenting the Richie Harty Shield to the Fourmilewater captain

Fitzgerald at centreback, who was meriting his recent selection as hurler of the year in St. Joseph's, as he put in a masterful show. He was helped considerably by his two flankers Luke Egan and Adam Sheridan. The full back trio of Craig Kiely, Daniel Sheridan and David Crotty were making sure that no goal was going to be scored without having to work very hard to get it as they were marking tight and in fairly mean mood. Given the soft conditions a goal was going to decide this match and it came with just on five minutes to go. Thankfully it fell to us as Colm Curran was to get revenge for his first half post misfortune as he was hand to send the ball to the Lismore net. His chance was created by John Geary who performed well on his introduction as his bustling style disorientated the Lismore back line. We were now back in front on a 1-4 to 0-5 scoreline. Soon after a marvellous point from Cormac Curran finally put paid to stern Lismore challenge as we ran out winners on a 1-5 to 0-5 scoreline.

Afterwards Bord Chairman Eddie O'Shea, who apologised for Friday's mishap and for the inconvenience caused to all those involved, presented the shield to Captain Cormac Curran. The journey home was slightly noisier than usual and if you heard some chanting, singing or hooting cars in the The Spring, Villas and town area that Monday evening you now have the reason. Many thanks to our supporters who travelled to support the lads and lets hope that's a trend that can be maintained as previous other finals has seen just the bare mentors and parents association. Our thanks also to the staff at the Shamrock Restaurant who catered for us excellently on our late arrival home.

Panel: David Moore, Craig Kiely, Daniel Sheridan, David Crotty, Luke Egan,

Neil Fitzgerald, Adam Sheridan, Kenneth Moore, Tony Walsh, Liam Ryan, Sean Duggan, David Brophy, Craig Flynn, Cormac Curran, Colm Curran, John Geary, Kevin Sheehan, Peter Marriott, Derek McGrath, Darragh Power, Shaun Crotty.

### BRIDIN NI CHRISOIR TOURNAMENT

Our annual tournament takes place this coming Saturday beginning at 11am at our club grounds. Once again we hope that club members would come out and support this tournament.

### UNDER14

Our U14's will have played the county semi final against Cois Bhride last Monday night and hopefully we will have gotten a win here.

### RICHIE HARTY TOURNAMENT

This inaugural Tournament took place last Saturday in the club grounds. Despite one club not turning up a good day was had by all and what a fitting tribute to a man who dedicated a lot of his free time to the club. The invited teams Fourmilewater and An Gaeltacht battled it out against our own U14 team. In the end it was a close encounter with Fourmilewater being the winners

of the Richie Harty Shield. Niamh and Alan Harty were on hand to present to present the Shield to the captain of the Fourmilewater team. Dungarvan were the runners up. We would like to thank the Harty's for presenting the club with this shield and hopefully this tournament will gain in strength every year. We would also like to thank all those who helped with the catering on the day and also all those who came to support the tournament.

### UNDER16

Our county campaign begins on the 1st of July against our neighbours Abbeyside. This game will be in the Abbeyside grounds with a throw in time of 7:30pm. We would like to wish Jim and his selectors all the best in this campaign.

Last Sunday morning the club hosted Na Fianna from Dublin where they played a challenge against our U16 hurlers. This was a useful workout for the lads before the championship begins. We would like to thank the families who put up some of these lads from Dublin. The juvenile club would like to wish the Senior hurlers good luck for the big match against Tipperary on Sunday.

## OLIVE O'CALLAGHAN & JOAN CLANCY GALLERY

Sirens, an exhibition of new paintings by Olive O'Callaghan is currently showing in the Joan Clancy Gallery in the Ring Gaeltacht.

Opened by the affable Damien Dillon architect of the Gallery, he said "It's a great compliment that Olive O'Callaghan should travel from London and present her work this evening. There is also, recognition that the area is becoming known as a centre of excellence in many creative disciplines. Olive graduated with an Honours BA Degree Fine Art from NCAD in 1994, no mean achievement, as they just do not hand these out on a plate. She also graduated with an MA in Fine Art from Winchester School of Art. She is a visiting lecturer to Limerick School of Art & Design and has been short listed for the IDA Branson Memorial Bequest Award in Somerset. She exhibits her work in Barcelona, UK, Ireland and Tokyo.

"You have all browsed the fine work here this evening and we compliment Olive on it's quality. Mere platitudes though are not sufficient, as art is not financially rewarding generally. So in purchasing a painting you are supporting the whole concept of art, and money you spend will help keep Olive, Joan and myself in jobs".

Addressing the assembled gathering at midsummer Joan Clancy welcomed all

present, thanked Udaras na Gaeltachta and Professors Nielsen and Ui Fhaolain for their help and said how pleased she was to have Olive's work for sale. Waterford County Manager Donal Connolly also expressed his praise and appreciation of the artist's work, and complimented Joan on her courage and vision.

Dúirt Joan Clancy "A dhaoine uaisle, ba maith liom a rá go bhfuil fáilte roimh go léir anseo anocht. Seo é an dara taispeantais anseo sa Dánlann agus tá me an-shasta go bhfuil an chaidéan chomh háird. Ba mhaith liom buíochas a gabhail le Olive O'Callaghan, le hUdaras na Gaeltachta, le Professors Nielsen agus Ui Fhaolain agus an taitire Damien Dillon atá anseo chun an Taispeantais a oscailt go hoifigiúil".

Sirens runs until July 6th at the Joan Clancy Gallery, Mullinahorna, Ring. Open daily 11 - 6 pm. Situated between Coláiste na Rinne and the Cunnigar Beach, it is well signposted. (086) 8134597 jclancy1@eircom.net.

# IN MEMORIAM

**BARRY** — Second Anniversary — In loving memory of my dear husband Tom Barry, late of Bewley, Cappoquin, who died on June 27, 2000. R.I.P.

Anniversary Mass in St. James' Church, Ballinameela at 7.30 p.m. on Saturday, June 29th.

There never comes a moment

That I don't think of you  
Or a day that passes,  
That your face is not in view  
And when I am sad and lonely

And everything goes wrong  
I seem to hear you whisper  
Cheer up and carry on  
Two lonely years without you  
Are the saddest I have known

I treasure every thought of you

As I go on in life alone.  
(Sadly missed by your loving wife Phil and son Colin.)

**BARRY** — Second Anniversary — In loving memory of my dear father, Tom Barry, late of Bewley, Cappoquin, who died on June 27th 2000. R.I.P.

### DAD

To have you for a father  
Was cause enough for pride  
No one could ever equal  
No matter how they tried  
Our hands cannot write  
What our hearts want to say  
We will love you forever  
And miss you every day.

(Always remembered and very much missed by your daughter Pauline, son-in-law Brendan and grandchildren Lyndsey, Donna and Owen.) (l)

**BARRY** — Second Anniversary — In loving memory of my dear father, Tom Barry, late of Bewley, Cappoquin, who died on June 27th 2000. R.I.P.

Two years since you have gone Dad  
To a place where God knows best  
Where all his favourite people go

When they have earned their rest  
And if its earned by being kind hearted loyal and true  
Then no one else in Heaven

Dad  
Could stand in front of you.

(Sadly missed by your daughter Nuala, son-in-law James and grandchildren Jessie, Kirsty and Katie.) (l)

**BARRY** — Second Anniversary — In loving memory of my dear father, Tom Barry, Bewley, Cappoquin, who died on June 27, 2000. R.I.P.

Behind the gates of heaven,  
There is someone special there,

A dad we loved so dearly,  
A dad who will always care.  
You gave us all you had to give,

Gifts both big and small,  
But most of all you gave us love,

The biggest gift of all.  
The tears in our eyes we can wipe away,

But the pain in our hearts will always stay.

(Always remembered — loving son David, daughter-in-law Brenda and grandchildren Eden, Jake and Isaac.) (l)

And days turn into years,  
They hold a thousand memories,

And a million silent tears,  
You showed us love and kindness,

You showed us how to care,  
You bound us all together,  
With a love few families share,

Someday we will meet again,  
Where sorrow is unknown,  
We will fold our arms around you,

And tell you we've come home,  
May the God of love be with you, Dad,

And grant you eternal rest.

## APPRECIATION MAURICE DALTON 1910-2002

We deeply regret the passing of Maurice Dalton one of our most senior members of the community. Our deepest sympathy is extended to his wife Peg and the Dalton and Coffey families.

Maurice was a very sociable person and had great interest in everything that went on in the community. Maurice's great interest was in GAA and he was a

prominent member of the 1936 team that won the junior county final. He was a brilliant goal keeper and played for many years. He also played for the county senior team, which was an almost impossible to jump from junior to play senior in those days.

His interest was revitalised again especially in the 70's when his nephew John Dalton started playing for the club.

He was also very involved in the fife and drum band, now long gone, but was a great social interest in those years.

Maurice was also a great dancer. Besides Maurice and Peg being outstanding ballroom dancers they were also great set dancers. They were in the winning All - Ireland set-dancing team of 1972, when they brought the whole parish alive.

In the latter years of his life, he loved playing cards. Maurice was a very out-going person and loved conversation, song and craic. He loved telling jokes of the colourful variety, even up to the very end. Ar dheis De go raibh a anam.

## U-12 HURLING

# Modeligo and Touraneena Ladies GAA

## BRILLIANT DISPLAY BY NA DEISE U-14 GIRLS

Na Deise v Ardmore  
This was truly the best performance that these U-14 girls from Na Deise have given since the start of the championship with goals and points very well taken. Right from the start the home side went on the attack and they scored a goal and a few points, everybody all over the field seem to click on the night. The visitors were never left get into the game and at half time. Ardmore knew they would have to up their game a lot more in the second half, but like the first half Na Deise were in no mood to hang around and got a few quick scores and this game was all but over. Na Deise eventually ran out worthy winners and if this form keeps up it will be very hard to stop them.

Team: Niamh O'Donovan, Katie Duggan, Helen Walsh, Eimear O'Connell, Maeve Fenton, Ethine Skeehan, Megan Cliffe, Magerita McCarthy, Shauna Walsh, Clara Lawlor, Emma Hennessy, Emma Geary, Nolaigh, Sinead Kiely, Clodagh Ryan, Patricia Kiely, Jenny Power, Katie Buckley.

Don't forget training Monday 24th U-12 and 14 5pm to 7pm also on Wednesday 6.30pm to 7.30 for U-12 and 7.45pm till 9.30pm for U-14 and U-16. Thanks to everybody for helping out at the match. There is a Summer Camp coming up in August please keep a lookout for that in the coming weeks.

# Ballinameela G.A.A. Club Notes

## INTERMEDIATE FOOTBALL CHAMPIONSHIP

On Saturday evening last in Cappoquin, we played our first intermediate championship game in a number of years. Ballyduff were the opposition for this first round match. We played our opponents earlier in the year in the league final and won on that occasion. However, this was to be the reverse of that outcome as it was obvious from the throw in that Ballyduff were the better team. They led 2-4 to 1-4 at half time and despite a minor come back by our boys during the second half, Ballyduff went on to win 3-8 to 1-9. Huge improvements will have to be made if we are to progress through the losers group of this championship.

## JUNIOR HURLING CHAMPIONSHIP

We will play Ballysaggart in the Junior Hurling championship at 7.30 pm in Cappoquin this coming Friday. Great effort and enthusiasm will be required if we are to secure our first win in hurling of recent times.

## GET WELL WISHES

Best wishes to Tom Ahearne who has spent a recent spell in hospital. Also, Brendan Fitzgerald who broke a thumb during a recent hurling clash. We wish you both a speedy recovery.

## SYMPATHY

Deepest sympathy is extended to the Killigrew family on the untimely passing of PJ. PJ was a former player with Ballinameela. We also extend our sympathies to the Shine family on the death of Sham. Ar dheis De go raibh siad.

Sponsorship cards have already been given out to all club members in the local primary schools. They will be available at training for our older members. We encourage all club members to fill in at least one card and to walk on the night. You might also urge your family members and friends to walk as well. Extra cards are available from Bridget Mernin or Jean Walsh. Refreshments will be provided on the night for all walkers.

## Antrim Trip

Plans are well under way for the forthcoming visit of the Glenshesk club in Antrim. Michael Phelan, and his hard working committee of parents, has a full agenda organised for our visitors. They will stay with families in the locality and will be

brought to visit some of Waterford's main tourist attractions, Waterford Glass, Tramore etc. On the Friday the young players from both clubs will have two extensive coaching sessions, hurling in the morning and football in the afternoon. More details of this visit will be available later, but already the third weekend in July is shaping up to be action packed for all concerned, be they locals or visitors.

## Sympathy

The club wishes to express its sympathy to the Shine family, Killishal on the recent death of Mr. James (Sham) Shine.

# COACHING SCHEME NOTES

## U-12 Hurling Final Roinn A

Dungarvan and Lismore served up a fine game of hurling in Cappoquin. Both teams served up a feast of hurling on a soggy pitch with the Blues just getting there at the end. Lismore had taken the Blake Cup in schools hurling a few weeks earlier with many of the same players involved so this was a morale boosting victory for Dungarvan.

## U-14 Roinn B Championship

FMW and Brickey's have reached the Co. Final with good victories over Naomh Brid and Tramore respectively in what is a good competition. In Roinn A U-14 Abbeyside have the Co. Final and Western Finals to play against DLS and Cappoquin.

## U-12 Development Squads

These sessions have been taking place over the past few weeks. The last session will take place in Lismore GAA pitch on Friday next at 5.30 pm. An all county Blitz will be held on July 13th with teams from Far West, Dungarvan, Mid County East and the city. A panel of forty four will be picked and trained together for 4/5 years where it is hoped a decent minor team will emerge. This years minor hurling team had been through the same routine so you can see a

good minor team doesn't fall off the back of a lorry.

## Summer Camps

The following are the date for hurling camps 2002 July 1-3 Clashmore, July 3-5 Cappoquin, July 8-10 Dungarvan 10-12 Abbeyside 10-12 Stradbally, July 15-17 Lismore 17-19 Ballyduff Upper, July 22-24 Portlaw, July 29-31 St. Oliver's, August 19-21 Cois Brid, Aug 21-23 Ballyduff Lower. Aug 26-28 Brickey's.

Clubs are reminded to have a gates and dressing rooms open at 9.45 am each morning and provide supervision during lunch break. Any club members who are at a lose end be welcome to help the coaches.

## Pairc Ui Caoimh Here We Come

Thousands will flock to Cork on Sunday to cheer on the lads against Tipp. A mighty task faces us but remember no team is unbeatable. Expectations are sky high in Tipp and we'll see how they carry the favourites tag. The bookies got it wrong when we played Cork and gave generous odds of 3/1 Waterford and the odds are around the same this time round. Best of luck lads we are under no pressure, win, lose or draw we will be hurling into August.

## Ballyduff Juvenile G.A.A. Club Notes

### U 10 Hurling

On Sunday 23rd. June the Juvenile Club held the Division 3 section of the Annual U 10 Festival of Hurling. This division was divided into two groups. Group A Ballyduff, Brickeys, Colligan and Fourmilewater. Group B St. Oliver's, Abbeyside, Naomh Brid and St. Marys Kill. In group A because of the absence of Fourmilewater each team had two games with Colligan coming out on top. In group B each team had three games with St. Oliver's coming out on top here.

St. Oliver's and Colligan played an exciting final. After the game John Jackson presented the captain of the winning St. Oliver's team with the John Jackson Perpetual Shield. He also presented medals to both teams. Chairman of the Juvenile Club David Flynn thanked all the teams for participating and everybody who helped.

Thanks to John Jackson for sponsoring the Shield and medals for Division 3. Thanks also to the referees and umpires and everyone who helped on the day.

Michael Phelan speaking on behalf of his own club St. Oliver's and runners up Colligan thanked the Ballyduff club for their hospitality. The organising committee hope to have dates for Div 1& 2 of this Tournament in the next few weeks.

### U 14 Hurling

The U 14 hurlers played An Gaeltacht in the Division 4 County Semi Final last Wednesday night in Clashmore. Ballyduff played well and were deserving winners. The county final is scheduled for Saturday 6th. July in Fraher Field against Clashmore.

More on this next week.

## BUSHY PARK A FEW WEEKS AGO - HAPPY BOYS FROM LISMORE

Boys from Scoil Bothar Na Naomh celebrate their Bro. Blake Roinn A schools final victory over St. Joseph's, Dungarvan. These lads had two more days of celebration to come. Just a few days after this picture was taken they travelled to Waterford and swept aside Eastern champions Ballygunner in the Co. Schools Final on a score of 7-9 to 0-0. After this game I spoke to a city hurling man and he agreed with me that this was a good team but queried as to how would they do against schools from the counties? My answer was they would hold their own against any team in Munster. Well on Saturday last Scoil Bothar Na Naomh took part in the Bro. Rice Blitz in Mt. Sion which included school teams from Thurles, Tipp, North Mon, Cork, Callan, Kilkenny, Carrick-On-Suir, Tipp, Mt. Sion, Waterford, Ennis, Clare and duly won this prestigious competition. This is a major boost for schools hurling in the Deise. In the final Lismore beat Ennis CBS on a score of 1-5 to 0-0. When you consider Lismore were short five of their panel due to holidays, injuries, etc. this was a tremendous victory. Pdraig Prendergast who won't be ten years old until November got the goal in the final. Well done lads and to their coach Sean Prendergast N.T. who is giving every minute of his spare time coaching in this school.

## INTERMEDIATE HURLING CHAMPIONSHIP

Last Friday evening we played our neighbours Abbeyside in the first round of the Intermediate Hurling Championship at the Fraher Field. Recent good performances in the league hinted at a reasonable showing but given our defeat to the same opposition last year we played more with hope than expectation of a win. Certainly the first few minutes were a bit scary as Abbeyside ran riot and raced into a four point to nil lead. A few scoring opportunities did arise before we did eventually score courtesy of the Cunningham brothers. These scores settled us somewhat and some tightening up in the back line stemmed the Abbeyside scoring spree. Midfielder Pat Veale sent over some fine long range frees before we received a real tonic. A long delivery was sent into full forward Alan Harty who snapped it cleanly and sent an unstoppable shot to the Abbeyside net. This set us up for an interval lead on a 1-5 to 0-1 scoreline. The opening of the second half was almost a replica of the opening period in first when the Abbeyside forward again went on a 7 point scoring spree. They again went back into the lead and once again we were chasing the game. Despite the best efforts of Jason Mahoney and Pat Sullivan our backs were under severe pressure. Numerous midfield partnerships didn't quite gain the upper hand in that sector and with little supply to our forward line it was hard to see us making any inroads on their lead. As the game petered out an Abbeyside goal further compounded our misery. However we did stage a late rally when Mickey Power, who was by far our most effective forward, goaled from a 20 meter free, which left just two points between us with seconds remaining. We did get another chance when straight from the puck out Mickey Power again snapped it up and went on a surging run straight through the Abbeyside defence. Unfortunately his shot on goal failed to match his determined run as it trickled harmlessly wide. The game finished on the puck out and we went under on a 2-8 to 1-13 scoreline.

Despite this defeat we still get another chance to redeem ourselves as such is the format of the championship. Needless to say that our next game will again prove difficult to win but if we can improve somewhat it mightn't be a task beyond us.

Team: Paul Ahearne, Ger Cusack, Bobby Lyons, Michael McLoughlin, Pat Sullivan, Ciaran Curran, Jason Mahoney, Pat Veale, Derek Truman, Mickey Power, Trevor Galvin, Eoin Cunningham, Seamus Cunningham, Alan Harty, Graham Nagle.

## JUNIOR FOOTBALL CHAMPIONSHIP

On Sunday afternoon last at the Fraher Field we defeated Modeligo in the first round of the Junior Football. A championship, on the scoreline of 2-9 to 0-7. This game remained close throughout and it wasn't until the final ten minutes that we managed to pull away from Modeligo and secure victory, with some fine points and a rather fortuitous goal from forward Dermot O' Callaghan (although he might disagree). This victory now sees us progress to the second round of the championship and hopefully further progress.

## SENIOR FOOTBALL LEAGUE

With only one league game played since the beginning of the Senior Football league back in March, this week we find ourselves in the position of playing three games in the space of five days. On Tuesday the 25th of June which was last night, we played Kill - 1 will have the result of this game next week. Tomorrow night, Thursday the 26th of June we play Clashmore at Clogherane. This game gets underway at 7:30pm. On this Saturday night the 29th of June we are away to John Mitchells.

Again this game gets underway at 7:30pm. There is no doubt that we do need to get some matches under our belts in preparation for our second round championship match against Ballinacourty, which no date has been set for yet. We also need to pick up some valuable league points from these matches if we have aspirations in progressing to the latter stages of the league. Once again we would ask any players who are unable to attend football training to please inform the selectors beforehand.

## JUNIOR HURLING CHAMPIONSHIP

This Friday night the 28th of June we play the Brickeys in the first round of the Junior Hurling championship. Hopefully we can carry our good form in the league through to the championship and hopefully progress to the second round. This game takes place in Abbeyside and has a 7:30pm start.

## MINOR HURLING

Tonight Wednesday the 25th of June we play Naomh Brid in the Minor Hurling Championship which is run on a league basis. We wish all the Waterford panel and background team the very best of luck on Sunday afternoon next and hope that they are successful on their quest to be Munster Champions, it is certainly no less than they deserve.

## BRICKEY RANGERS JUVENILE NOTES

**U14 Hurling** — What an exciting ten days it was for the Brickey U14 hurling team, as they took the honours by defeating Dungarvan to win the U14 Western Championship, and defeating Tramore in the semi final of the U14 County championship to earn their place in the final.

The final of the Western

championship was held in Cappoquin on Monday 10th June where our opponents were Dungarvan. This was always going to be a thrilling encounter and it proved to be just that. Dungarvan took an early lead by scoring 2-1 in the first ten minutes, however when our lads realised they were in the game they pulled on all their energy and hurling skills to serve up a thriller. They began to dominate in many areas and gradually got themselves back into the game to come out with a seven point win. To be seven points down and to win by seven points is a marvellous achievement and shows that there is a great spirit within this team. Congratulations to all on your well deserved win here.

Final score: Brickeys 3-7 Dungarvan 2-3

The semi final of the county championship took place in Ballydurin on Thursday 20th June where our opponents were Tramore. This was a very close game with both sides giving their all. However, in the second half our lads got the upper hand and took control of the game. We had a good win here on a scoreline of Brickeys 7-6 Tramore 1-6. We now go on to play Fourmilewater in the final, which is fixed for July 6th, Good luck in the final. A word of thanks to the team, to trainers Pat and Maurice and first aid officer Treas for all the time they put in, and also to our wonderful band of supporters who have travelled to all the games. Your support is greatly appreciated.

Panel: Kieran Gee, Dara Shalloe, Cian Kearney, Trevor Whelan, Conor Nugent, Alan Curran, Mark Cummins, Conor McGrath, Christopher Power, David Curran, Mark Shalloe, Stephen McCarthy, Shane Kearney, Colin McGrath, Gavin Flynn, Ciaran Lane, Philip Spratt, Niamh McGrath, Philip Walsh, Raymond McCarthy, Liam Hansbury.

## U-11 Ground Hurling Blitz

— We travelled to Modeligo on Saturday morning last to take part in the ground hurling blitz. We played three teams, Naomh Brid, Stradbally and An Gaeltacht. We drew the first game against Naomh Brid and had very convincing wins against Stradbally and An Gaeltacht which ensured our place in the final. This game was very close and could have gone either way but unfortunately not ours. Naomh Brid won the final. Well done to all the teams and good luck to Naomh Brid in the next stage.

Panel: John Morrissey, James Murphy, Barry O'Halloran, Curtis McCarthy, Sam Keogh, Aidan Walsh, Philip Walsh, Christopher Murphy, Colin Hayes, George Cummins and Diarmuid Tobin.

**Hurling Training** — Training for all children U10 will take place each Tuesday at 6:30pm.

## BRICKEY LADIES FOOTBALL NOTES

**Waterford Senior County Ladies** — Will be in action next Saturday June 29th at Cusack Park, Ennis at 4pm. This is the league final and their op-

ponents are the ladies from Mayo. We wish our county team well in the final and especially our club players: Aoife Murphy, Sarah Hickey, Ciara Prendergast. As a lot of hard work has gone into the preparation of the team, your support on the day will be more than welcome. Please show your support for the ladies as success on Saturday may be an omen for the Waterford hurlers on Sunday. Remember Ennis next Saturday June 29th at 4pm. Be there!

**Training** — Continues for underage in Leamybrien under Johnny Kirwan & Tom Behan. In Bushy Park Sarah & Katie are in charge.

**World Championship** — This competition will be starting shortly as training for all team members is essential. There is no point putting a team forward if the players do not show commitment to training, so please contact your trainer.

# SHAMROCKS G.A.A. CLUB NOTES

## JUNIOR FOOTBALL WESTERN CHAMPIONSHIP

In the 1st round at Knockanore on last Saturday evening our 2nd team were well beaten by neighbours Tallow, and full marks to our young team who did their best against a superior outfit. A number of our players were unavailable for various reasons, and if they had been played it could make a difference with the result, although Tallow had their last team on the field. We congratulate them on their victory.

## CLUB LOTTO

In last Saturday nights draw at the Shamrock Inn, Knockanore, the numbers drawn were 7,12,13,14 and there was no jackpot winner. Consolation prize of 15E each were won by: Margaret Daly, Turcullen; Mary McGrath, Kilbeg; Kieran Murphy, Burgess; Joan Leahy, Monang; Bessie Buckley, Strancally. G.A.A. NOTES

# CO. BOARD MEETING

P. J. Ryan, chairman presided at last week's meeting of the senior board which was held at Lawlor's Hotel, Dungarvan.

**LEAGUE CHANGES**

Correspondence from Croke Park informed the delegates that it is proposed to make a structural change in the hurling league format for 2003.

As the cycle has to be completed in accordance with Central Council decision in order that counties can avail of the home games that were away games last season, the counties in the sections will remain the same. But this time round, three counties from each section (instead of 2 as was the case this season), will qualify from each section and after they have played each other, the top two will meet in the final. There will be no semi-finals.

This is for next year only as the new format with bigger divisions is scheduled to commence in the following year. It is thought that with three teams qualifying from a section instead of two, it will make the league far more competitive.

**THE DRUGS CONTROVERSY**

This got quite an airing when a report was given of the events leading up to the

refusal by two players to comply initially with the procedures

The chairman stated that the county secretary had forwarded a report to Croke Park on the matter and that we had received a caution about our failure to comply with the directives in the first instance.

When the Central Council delegate reported on a meeting of the Council on the previous Saturday, he said that a very serious view was being taken of the matter and Waterford players will have to cooperate and comply in the same way that the players in the other 31 counties are doing.

**RUNNING OF CLUB LEAGUES**

Clashmore delegate Timmy O'Keeffe spoke in a very critical tone about the manner in which the club leagues were being run and about the failure to publish results in the media. He said what was happening was a disgrace.

Paddy Dunphy, County PRO, took serious issue with the complaint as did the county secretary, Seamus Grant. They each pointed out that a full schedule of games in both codes with dates, venues, etc. had been sent to every club early in the year and the total blame for what-

ever failures there were, were the fault of the clubs. Paddy Dunphy and Seamus Grant said the clubs were agreeing between themselves to postpone matches and were not informing the board. They also said that the divisional board programmes understandably affected the league schedules.

The county secretary announced that clubs who fail to play on the dates appointed in future, would face the full penalty.

**REPORTS**

When the report of the football selectors was read and the players and mentors thanked for their efforts and complimented on their improved performances, the matter of the reappointment of Denis Walsh, coach/manager and Sean Guiry was briefly discussed before Greg Fives, chairman of Cois na Peil reminded the meeting that the manager and selector were appointed for a period of two years and also were given the right to choose another selector. This was then agreed.

**FINANCE**

County Treasurer, Tony Morrissey told the meeting that because of the abnormal outgoing, our accounts are in an overdraft situation and at this stage the early rounds of the championships are not attracting large crowds. Coun-

ty teams in training are the main cause of the financial situation. The county chairman said the board are now depending on the success of the annual golf classic which is scheduled for the next weekend (eve of the Munster final). He appealed to all clubs to give the event their total support

**TICKETS**

Delegates were informed that there has to be a considerable reduction in tickets being allocated because the venue (Paire Ui Caoimh) has an 8,000 less capacity than Thurles where we played our last final in 1998.

When clubs were collecting their tickets in the west on Thursday evening last, they were informed by the secretary, Anthony Walsh that if they had surplus tickets that they will be required to return them by Wednesday (tonight) between 9 p.m. and 10 p.m. in order that the surplus can be made available to members of the public on Thursday evening (tomorrow).

**ALL-IRELAND TICKETS**

In the Central Council report it was announced that Croke Park will be at full capacity for the All-Ireland finals this year (79,500) and that all counties will receive a 15% increase. Schools will be given a 20% increase.

## FIXTURES

Two very attractive first round intermediate hurling championship games are listed on a double bill at Fraher Field on Saturday evening next and the programme is the biggest event of the season so far as the divisional board are concerned and should attract a very good attendance.

**Colligan v St. Marys**

This is rightly listed as the feature game on the programme because it is very much a local derby between rival clubs. Colligan with a number of top class players will start favourites and while they will be expected to advance through the winners section, a shock result cannot be ruled out.

**Clashmore v Cappoquin**

This game will provide the curtain raiser and the result will be a little bit more difficult to forecast. Going on last season's form I suppose Clashmore can be given the tag of favourites. Their drawn game with Abbeyside exposed good form on their part and if they can repeat this they may prove too strong for Cappoquin, who although playing good hurling over recent seasons seem to be making no progress.

**Junior Hurling Championships**

Five of the nine first round matches in the "A" junior hurling championships are listed with the three of the remainder going ahead on the following weekend.

**Geraldines v Ardmore**

This is set for Fraher Field on Friday evening when a victory for Geraldines looks reasonably certain.

Ardmore are playing in the intermediate championships and will have to field their second team here. Over the past few seasons, these clubs have clashed, with each fielding their best and on all these occasions there was very little between them.

**Brickeys v Dungarvan**

It will be played in Abbeyside where the Brickey Rangers will field their strongest team against Dungarvan's second string. Football is first choice with the Brickeys but they nevertheless have quite a number of useful hurlers to test their neighbours. It could be a close one but Dungarvan must be given preference in any preview.

**Ballinameela v Ballysaggart**

This will be played in Cappoquin with Ballysaggart fielding their second best side

Ballinameela with a number of good young players should be strong enough to survive this initial test.

**Tourin v Stradbally**

This is a Saturday evening fixture and will be played at Cappoquin at 7.30 p.m. Stradbally will have a number of players from their senior panel who will be available but I doubt if this will strengthen their challenge sufficiently to overcome Tourin who have a number of skilful young players fitted in with their more experienced members. Tourin might just survive.

**St. Marys v Tallow**

Both these clubs will field their second string players for this tie which is scheduled for Lismore on Saturday evening. Second string players appear to be more plentiful in Tallow and on this basis I give them a vote of confidence.

**Intermediate Final In Cork**

The Munster Council last week fixed the provincial intermediate hurling final involving Waterford and Tipperary for Paire Ui Caoimh

This venue would not be the choice of either set of selectors as the venue is unlikely to have a right atmosphere for such a match between outside counties. Waterford had proposed to toss a coin for Thurles or Walsh Park, but this was not acceptable. The game will be played on July 17th.

## West Waterford Bord na nOg Notes

### WINS FOR DUNGARVAN, NAOMH BRID AND KILROSSANTY IN U-11 GROUND HURLING BLITZ

In ideal weather conditions last Saturday morning at three different venues, the divisional Bord ran off its annual ground hurling blitz which for the second year in a row was run off as an under 11 competition.

From the reports received from the three venues it would appear the standard of ground striking from the young children was very good, excellent in some cases and it might be a good idea that if more of these style tournaments were run off it would help improve the standard of underage hurling in the county.

Division one was run off in Cappoquin with three clubs taking part, Cappoquin, Cois Bhride and Dungarvan. Dungarvan

and Cois Bhride reached the final which Dungarvan won on a 3-0 to 1-0 scoreline. The final was refereed by Dungarvan's Chris Meehan.

Division two was run off in Modeligo with four clubs taking part. Naomh Brid, Brickey's, An Ghaeltacht and Stradbally. Naomh Brid and Brickey's reached the final which was won by Naomh Brid 2-2 to 1-0. Naomh Brides scores came from Patrick Walsh 1-2 and Donal O'Donnell 1-0. Brickey's score came from Colm Hayes. The referee in the Division two final was John Condon from An Ghaeltacht.

The Division three competition took place at Bushy Park with Clashmore, Kilrossanty, St. Oliver's and Colligan taking part. Kilrossanty and Clashmore reached the final which was

refereed by Johnny Landers of the Colligan/Kilgobinet club. Victory in this game went to Kilrossanty winning 1-0 to 0-0.

On behalf of the Bord I would like to thank the three host clubs for having the fields in top class condition, to those that oversaw the smooth running of the competition the clubs that took part and most of all those that refereed the games. It would be nice to see some of those who refereed on Saturday last coming forward to volunteer to referee more games as the pool of referees available to the Bord is stretched to the limits.

**UNDER 12**

The remaining two under 12 hurling finals will be played this weekend. In Division two Cois Bhride will play either Fourmilewater or

Naomh Bird and in division three Clashmore will play Kilrossanty.

**BEST OF LUCK**

We wish the best of luck to the Waterford Senior Hurling team in the Munster final on Sunday next in Cork against Tipperary.

## Fourmilewater Hurling Club Notes

**UNDER 14 COUNTY SEMI FINALS**

On Monday 24th June Fourmilewater played Naomh Brid in Fraher Field. Fourmilewater won the toss and played with the wind. Naomh Brid replied with 3 pts. Naomh Brid added 2 more goals and 2 pts. Fourmilewater scored 3 more points before Shane Gleeson got a goal before half time.

Half time score Naomh Brid 3-2 Fourmilewater 1-6. After half time Naomh Brid took control of the game and with 11 minutes to go led 5-4 to 1-6. Then Rd. Fenton scored 2 points from frees. Declan Coffey scored 2 long range frees. Michael Walsh scored 1-2 from play and Fourmilewater were back in the game. In the last 5 minutes Darren Guiry, James Ryan, Rd. Fenton added 3 goals to win a tremendous game. Fourmilewater 5-12 Naomh Brid 6-5.

This was a tremendous win as the whole team never gave up and played until the final whistle.

Team; Thomas Walsh, J. P. Fitzgerald, Steven Byrne, James McGrath, Alan McGrath, Paul Horkan, Leonard English, Declan Coffey (2 pts), Shane Gleeson (1-0), Rd. Fenton (1-5), Craig Guiry 0-1, Evan Morrissey 0-2, Michael Walsh (1-2), James Ryan (1-0), Darren Guiry (1-0).

## Exciting First Round Tie At Fraher Field

### ABBEYSIDE 1-13 DUNGARVAN 2-8

This was exciting stuff all the way with local rivalry bringing out the very best in both teams on the evening. There was a big local attendance.

The standard of hurling was satisfactory for the grade and I'm sure that names were noted by the county intermediate hurling selectors who were present in the stand.

On balance there was very little between the teams and in the end a puck of the ball separated the teams.

**PLAY**

Abbeyside had early points by John Hurney, Michael Enright and Cyril Bailey (2) before Dungarvan opened their account with a Seamus Cunningham point in the 13th minute. A minute later Eoin Cunningham added a point and in the 16th minute a goal by Alan Harty saw Dungarvan go into the lead, 1-2 to 0-4. A brace of points by Pat Veale was answered with points (2) by John Foley to leave the halfway tally at 1-4 to 0-6 in favour of Dungarvan.

**SECOND HALF**

James Keohan playing a stormer had a 32nd. minute Abbeyside point before Alan Harty and John Foley exchanged scores that kept the

game level. At this point Abbeyside began to edge in front after two splendid points by Gary Hurney. Harty and Foley exchanged points again and in the next five minutes Alan Harty and Gary Hurney did likewise (0-12 to 1-7).

Excitement was intense at this point and when Michael Enright pointed for Abbeyside to put them 3 clear in the 58th minute it looked as if they were heading for victory. Nicky Power hit a great score for Dungarvan but a

minute later Laurence Hurney sent the ball to the net for an Abbeyside goal (1-13 to 1-8). It looked beyond doubt at this stage but a 20 metre free awarded to Dungarvan in the 61st. minute saw Nicky Power blast the ball to the net to leave a mere 2 points between the teams. Another Dungarvan attack was repelled and then the final whistle brought the game to an end.

## MINOR HURLING CHAMPIONSHIPS

The minor "B" hurling championships resume on this Wednesday evening and clubs are asked to note changes that have been announced.

Also on this Wednesday evening the three club minor "A" hurling championship will commence with a game between Abbeyside and Cois Bride at Tallow. As only three clubs are involved in this competition, it is being

played on a home and away cycle. Lismore are the third team involved.

**"B" Matches**

All games are at 7.30 p.m. In section A, Ballyduff should prove too strong for Kilrossanty at Cappoquin and Fourmilewater are likely to account for St. Olivers at the Cappoquin venue.

At the Abbeyside venue, Naomh Brid will be outsiders in their tie with Dungarvan.

In section B, Colligan will be expected to beat An Gaeltacht at Fraher Field, and the Stradbally/Brickey Rangers game at Dungarvan club grounds should finish in favour of Stradbally. This game has an 8 p.m. start.

Cappoquin and Clashmore will battle it out for the points at Bushy Park and here Cappoquin must be favourites.

**INTERMEDIATE FOOTBALL CHAMPIONSHIP**

## CLASHMORE OVERCOME BRICKEY RANGERS CHALLENGE

### Clashmore 2-10 Brickey Rangers 1-8

In the early stages of this very competitive first round intermediate football tie at Fraher field on Saturday evening, it seemed as if Brickey Rangers were going to score a shock victory, they having gone 4 points up without reply by the 10th minute.

Tony Fitzgerald (2), Cormac Shalloe (2) were on target before Brian O'Neill opened for the favorites, Clashmore in the 12th minute. Pat Hynes made it 2 for Clashmore before Cormac Shalloe had point number 5 for the Brickeys who were not to score again until the 11th minute of the second half. Paudie O'Rourke, Ben O'Neill, Michael Fenton and Rod Ryan had Clashmore points to bring their halftime total to 0-7 ahead of Brickeys who had 0-5.

Second Half In a ten minute spell Clashmore added 1-2, the goal coming from a penalty kick by Ben O'Neill in the 38th minute. He and Michael Fenton had had kicked over the points.

Tony Fitzgerald kicked over a point from a free for the Brickeys but two minutes later Paudie O'Rourke kicked Clashmore's second goal to put Clashmore in a very safe situation at the three quarter stage (2-9 to 0-6).

Pat Lombard had the winners final point while Mark Nugent and Kieran O'Brien had Brickey points before Tony Fitzgerald kicked the game's second penalty almost on the call of time.

Clashmore — D. Hickey, B. Dunne, P. Connery, K. Connery, P. Dee, P. Allen, B. Murray, M. Power, P. Hynes, P. O'Rourke, R. Ryan, B. O'Neill, G. O'Rourke, M. Fenton, P. Lombard.

Brickey Rangers — D. Hickey, D. Cooney, J. Sheehan, A. Murphy, G. Walsh, E. Morrissey, R. Halpin, J. Cooney, J. Byrne, P. Halpin, E. Casey, F. Nugent, C. Shalloe, T. Fitzgerald, T. Halpin. Subs played, K. O'Brien, M. Nugent

Referee Pat Moore, Ballinacourty.

**OTHER RESULTS**

Sliabh gCua were caught in top form and proved superior to the Affane challenge in their intermediate football tie on Saturday evening. The Touraneena side won decisively on a 1-13 to 1-4 scoreline.

**Ring 1-9 Emmetts 3-2**

This was a close call for the hot favourites from an Gaeltacht in this very closely fought intermediate football tie at Bushy Park on Friday evening.

**IFC: Ballyduff 3-8 Ballinameela 1-9**

Played at Cappoquin, this was a close enough contest with Ballyduff, who led by 2-5 to 1-4 at the break, proving the better side in the finish.

**JUNIOR FOOTBALL RESULTS**

All the matches on this programme were played. Dungarvan had a deserved win over Modeligo.

Kilgobnet had no problem in accounting for Sliabh gCua's second team.

The Nire were lucky to score a 2 points victory over Old Parish at Colligan.

Kilrossanty had a big win over Emmetts, and in an amazing game at Fraher Field on Sunday evening, Ballinacourty came from 8 points behind to score a 3 points win over Ardmore.

## More Vandalism

Two weeks ago Walsh Park which is undergoing expensive development, suffered massive destruction by a gang of mindless vandals.

At the present, the Gardai have no idea of the identity of gang who had caused thousands of euro worth of damage, but investigations are continuing. There is evidence that a drinking party had taken place on the grounds before they went on the rampage.

Several months ago we wrote about the vandalism when the shop was robbed and badly damaged to the tune of a couple of thousand euro.

## UNDER 10 MINI SUMMER LEAGUE

### Dungarvan v Ballinroad (A)

The second local derby between both the A and B sides took place last Friday night in Kilrush Park. Considering all the games that were played during the year, the pitch looked in great nick. Ballinroad took the game to the Blues and were unlucky not to take the lead following good approach play. However Dungarvan refused to panic, and with Eric Duggan working hard they also were unfortunate not to go into the lead. Half-time came and a well earned rest was appreciated by all the players. On the turnover the Blues flew out of the traps with Michael Daly scoring two goals in a matter of minutes. Ballinroad replied with a well taken goal, only for Eric Duggan to pop up and score. Michael Daly rounded off the scoring with his third.

Team: M. O'Keeffe, Colm Curran, David Houlihan, Eoin Healy, Sean Ryan, Darren Duggan, Michael Daly and Eric Duggan.

### Dungarvan v Ballinroad (B)

Right from the start a physically stronger Ballinroad outfit went about their business. They scored early to put the Blues under pressure and they quickly added a second following a good move, combined with slack defending. Ryan Norris and Brendan Daly tried hard up front to open the visitors defence. Craig Barry, Cormac Coleman defended stoutly as did Bobby Ansell. T. J. White was busy as usual along with Gavin Power. Ballinroad added two more to end the game strongly.

Team: Stephen Daly, Cormac Coleman, Bobby Ansell, Gavin Power, Ryan Norris, Brendan

Daly, Craig Barry, T. J. White. Also a big thank you goes to Ian Duggan, Christopher Daly and Finbarr Sexton who both helped out on the night.

### FIXTURES

turns in August. This is a great sign and obviously word has got around about the first class facilities that is available, times for the academy meeting will be announced once all have been contacted. However, in the meantime anyone who wants to get involved every Saturday can contact Francis O'Brien on 087-7769125, Edwin Egan on 087-8736428.

## PLAYER PROFILES

### Craig Barry

Has turned up every time to games and put everything he has into playing the game that he loves very much. He is the nephew of John Walsh Junior, who won an F.A.I. Youth Cup medal a few years ago.

### Eric Duggan

From an early age Eric has kicked a ball around Kilrush and always attended training with great enthusiasm. He has bundles of skill and a mean eye for goal. Hopefully, he will turn out to be a player to watch in the future.

# DUNGARVAN UNITED A.F.C. NOTES

## RESULTS

Division 2B League  
Dungarvan United 5; Railway 0

Our Division 2B team maintained their title challenge at Kilrush Park on Monday night with a comprehensive 5-0 win over Railway. Goals from Mickey Donnelly (2), Laurence Hurney, Tony Fitzgerald and Johnny O'Donnell secured the three points that saw us go level with Ballinroad at the top of the table.

## FIXTURES

Premier League

Portlaw v Dungarvan United (Tuesday at 6.30 p.m.)

The Premier team finished their campaign last night when they travelled to The Paddock for a league game that meant much more to Portlaw than to us. (Result next week).

Division 2B League

Dungarvan United v Ballinroad (Thursday at 6.30 p.m.)

A local derby and a title decider takes place in Kilrush Park on Thursday night when we meet Ballinroad. Both clubs are level at the top of the table and the winners will surely go on to become champions. In the league game at Ballinroad earlier this season the points were shared following a 0-0 draw and another close, tense contest is expected this time. We would appeal to all our members, players and supporters to come out and support the lads on Thursday night.

## NEW FORMAT FOR INTER-FIRMS SOCCER

This years competition will be run as a 5-a-side tournament and will take place on Dungarvan's UTD's state of the art all weather 5-a-side Astro pitches.

Who will be the first firm to lift the Dwyer Shield and be crowned the first 5-a-side Inter-Firms Champions? Now is the time to get your team together. Five players plus two subs.

Further information next week, entry forms, rules and dates etc. or contact Thomas Duggan on 087-9745454.

## STUDENT SUMMER JOB SCHEME

The club still has places available on this scheme for third level students. Anyone interested can contact Thomas Duggan on 087-9745454.

## KENNEDY CUP

Well done to the Waterford Kennedy Cup squad who won the shield competition in Limerick last week. Waterford were knocked out of the cup by Athlone who scored a late penalty but showed great character to bounce back and win the shield competition.

While we had no representative on the squad other local clubs, Railway, Ballinroad and Abbeyside had players, coaches and managers on duty in Limerick.

## LOTTO

There was no winner of the lotto draw last weekend when the numbers drawn were 22, 24 and 27. Prizes of €25 went to Helen O'Sullivan and Eleanor Ahearn.

## East Cork/West Waterford Schoolboys League

Last week our U-13 League side were in Limerick playing in the Kennedy Cup. We played a total of seven games and the results were as follows: Waterford 3 v E.C./W.W. 0, Athlone 2 v E.C./W.W. 1, Midlands 4 v E.C./W.W. 3, N.E.C. 0 v E.C./W.W. 4, N. Dublin 3 v E.C./W.W. 0, W. Cork 4 v E.C./W.W. 2, N. Tipp 1 v E.C./W.W. 5.

So as you can see there was plenty of goalmouth action in all games. Well done to Tom Clancy, Joe Hastnett and their 20 players who put in a great effort. We would also like to say a big thank you to those who stayed with us in looking after the boys during the week.

## CUP MATCHES

There are still some outstanding Cup matches to be played. It is hoped that clubs will play them shortly. U-8, 9, 10.

It has come to our notice that these league matches are falling behind. It is hoped to have these leagues finished by the end of July.

## WILLIE JOHN KIELY TOP SCORER IN KENNEDY CUP

Willie John Kiely, Pinewood Lawn, Abbeyside made his mark on the famed Kennedy Cup notching 9 goals for the Waterford U13 team and playing a major part in the teams advance to annex the Kennedy Bowl in fine style. Willie kicked off the tournament in fine style making one and scoring one in a 3-0 victory over the Irwin schoolboy league. In the next match a brilliant hat trick from the youngster put West Midlands to the sword while he was the Waterford scorer in the defeat 2-1 by Athlone. In the fifth match Willie notched his second hat trick of the tournament against Roscommon to seal their place in the final. In the final they beat Dundalk 2-0 with Willie John sealing the victory with a fine goal. Willie plays his club soccer for Abbeyside for whom he scored 67 goals this season and won U13 and U15 league medals.

## Massive Entry for Pub League

A total of 38 teams are entered for this years competition which kicks off on July 1st. More details and match reports next week.

**FIXTURE**

We play Mooncoin away tomorrow evening at 6.30 pm in the semi-final of the 3rd Division Cup. All players to be in Mooncoin by 6.00 pm. Last Sunday morning we played away to Hibs of Waterford in our final league match. With a much-weakened team we were defeated by five goals to one.

**SUMMER JUNIOR LEAGUE SOCCER**

With the National League reverting to summer soccer it is inevitable in the long run that all soccer including Junior League played in this country will also revert to summer soccer. The idea is that it is felt the weather in the summer is better and drier than the winter. Don't know about that one.

**WORLD CUP PREDICTIONS**

The winner of our World Cup Competitions is Stephen Curran who made a late gallop surging to the top. The following are the final results. 32 pts - S Curran, 31 pts - B O'Donnell, E Cummins, 30 pts - B Curran, E Clancy, N Power, 29 pts - Y Van Janson, O Lawlor, 28 pts - T McGrath, M Kett, M Curran, R Hickey, P Fennell, 27 pts - K Gough, M Curran, J McGrath, G Walsh, S Cunningham, J Torpey, B Lawlor, M Malone, 26 pts - J Curran, K Cunningham, E Burke, W Rees, K Kirwan, G Cummins, A Stone, 25 pts - M Kett, G Collins, P Lawlor, 23 pts - J Gough, P Leonard, D Kett, 22 pts - C Murray, P Kett, M Kiely, D Doyle, R Browne, 21 pts - S Cunningham, T Walsh, 20 pts - T Costelloe, 19 pts - P Clancy.

## TOMMY TREACY MONTHS MIND

Folks a reminder to all Club Members and friends of Tommy that his Months Mind will take this Friday the 28th of June in Ballinroad Church at 7.30pm.

## MUNSTER FINAL TICKETS

All roads lead to Cork next Sunday for the Munster Final. But it is important to point out to all club members that the club has done its level best to cater for everyone. Unfortunately we did not get as many stand tickets as we requested. So this means that some people are going to be disappointed that they may not get exactly what they asked for. This is completely outside of the clubs control so we are asking that people understand that we cannot fulfil the requirements of all our members. The tickets will be distributed as fairly and evenly as is humanly possible. So we would ask all our members to understand that this situation is not of the clubs making.

## INTERMEDIATE HURLING CHAMPIONSHIP

This was a cracking game and even though we were certainly not firing on all cylinders we still came out with a two-point advantage. This was a very encouraging display for all involved as the character of the lads was tested when they went behind twice. Even when we lost Damien Cliffe to a nasty ankle injury just after half time everyone dug deep and stepped up a gear. John Paul Keohane stepped into the breach at centre back and continued to play out of his skin. John Hurney moved to Mid-Field and Paul Veale came into the action. As you would expect in a local derby both teams gave it their all fairly and no quarter was asked for or given. Afterwards the dressing room resembled emergency ward seven with Damien Cliffe and Shane Briggs carted off to Hospital. Five others will also see the treatment table this week. Brian Hayes who had a tremendous game at corner back had to come off also with a leg injury in the second half and Eoin "Moggy" Murray ably filled his place. John Foley, Alan Ryan, James and John Paul Keohane will all keep Carrie Foley busy this week. This truly was a team effort. It's a long time since we won a championship match without the great Sean "Hiker" McGrath as he was away on holidays and missed the match by just 2 days. But Hiker managed to call before the game to wish the lads the very best of luck. This was a great victory for the whole panel who put in a huge

amount of work in training and it showed. Considering we were also missing John Phelan and Michael Fives who are away in the USA also called to wish the lads the very best. Emmett "Mixer" Byrnes on goal earned his corn by saving us several times with brilliant saves particularly in the second half. Cyril "The Nenagh" Bailey had an impressive championship debut for us and is very definitely a welcome addition to our Team and our Club. Gavin Breen very definitely played a captains part where the youthful Michael Collins ably assisted him. Before the game in the dressing room the team remembered Tommy Treacy who is no doubt looking down on us smiling through his pipe smoke. The team was as follows: Emmett Byrne, Brian Hayes, Mick Collins, Gavin Breen (Captain), James Keohane, Damien Cliffe, Alan Ryan, John Paul Keohane, Shane Briggs, John Hurney, Laurence Hurney, John Foley, Michael Enright, Gary Hurney, Cyril Bailey. Substitutes used Paul Veale, Seamo Burns and Eoin Murray. Richie Morrissey came on as a blood substitute for Shane Briggs half way through the second half. Richie was out of the traps and on the pitch in a blink of an eye. Substitutes not used, Brendan Mansfield, David Cashin, Sean Kiely, Denis Byrne, Pat Enright, Diarmuid Molloy, Patrick Lynch, Jason Donovan, Joe Walsh and Aonghus Murray. We wish all our injured lads a quick and speedy recovery. Incidentally John Michael Kelly did an excellent job in the middle of the park. The crack was mighty afterwards and thanks again to the O'Brien's in Minnies for feeding the lads and everyone else who turned up. This Minnies diet is certainly working.

## ADULT TRAINING

Adult training resumes on Tuesday night at 7 pm. Senior Football League.

We play Tramore on Thursday the 27th of June in the Senior Football League. All able bodies are requested to be at Minnies ready to leave at 6 pm sharp.

## JUNIOR FOOTBALL CHAMPIONSHIP

We had what can only be described as a Lazarus type recovery during our Junior Football Championship match played at Fraher Field last Sunday night the 23rd of June. We played Ardmore whom to be fair to them started in spectacular fashion and raced into a 1 goal and 9 points to 3 point's lead playing with a fresh breeze. But the lads galvanised themselves and began to chip away at the Ardmore Lead. We were fortunate enough when substitute Liam Briggs

did a bing-bing ricochet rabbit job and the ball ended up in the Ardmore net. A major feature of this game for us was the work rate of the two Keohane Brothers John Paul and James fresh from their exploits on Friday night contributing who between them put in an amazing amount of work at Mid-field. The selectors also moved Mick Collins another one of our Friday night heroes to centre back and this had the effect of steadying the ship. Nicky Dwan arrived for the game carrying an injury and bravely took his place on the edge of the square. Keith Brown started at wing forward and scored three points. With the Leaving Certificate over lads we haven't seen for quite awhile came out of the woodwork. Rick Hanrahan and Patrick Enright both came on and contributed handsomely to this victory. Seamus "Sham" Sheehan also came on to play very well. Goalkeeper Enda Walsh arrived with one boot and kept us in the game especially when we needed it most. Seamo Burns and Eoin "Moggy" Murray more heroes from Friday gave they're all and there is no doubt about it but Seamo definitely slept well on Sunday night after he gave everything for the second half. This team can go a long way if we can get some training in. The Team was as follows: Enda Walsh, Aonghus Murray, Mick Collins, Joe Walsh, David Cashin, Eoin Murray, Denis Byrne, John Paul and James Keohane, Keith Brown, Seamo Burns, Seanie Kiely, Jason Donovan, Nicky Dwan, Michael Cosgrave. Substitutes not used, Paudi Shields, Diarmuid Molloy and John Paul Mills fresh from his travels in France.

## MINOR HURLING CHAMPIONSHIP

## MINOR FOOTBALL CHAMPIONSHIP

The same bunch of lads turns out for the Minor Football Championship on Wednesday the 3rd of July against Clashmore at Bushy Park. Please come out and support your minor team. This game is timed for a 7.30pm throw in.

Junior Hurling Championship

## UNDER 16 FOOTBALL

Last weekend the club co-

hosted a team from Na Fian-na, Dublin. They arrived on Saturday and played a sporting and enjoyable game of football, despite some very heavy showers. On Saturday evening the boys were taken to the Clonea hotel for a bowling competition and great craic was had by all. The boys stayed with various families and by all accounts their behaviour was impeccable. The way in which they conducted themselves was a credit to themselves and their parents, their mentors and their club. On Sunday morning they played Dungarvan in a hurling match. At the time of going to print the lads will have been away against Ballygunner in the under 16 hurling championship on Monday the 24th of June. We hope they will have done us all proud again. On Monday 1st July we play Dungarvan at home throw in at 7.30pm.

## UNDER 16 COUNTY DUTY.

The county under 16 Footballers played a challenge game against Kildare and we had five players representing the club they were, Declan Byrne, John Kindregan, Mark Gorman, Patrick Hurney and Peter Phelan. Well done to the lads involved.

## UNDER 14 HURLING

On Wednesday the 12th of June at the Fraher Field, Dungarvan we overcame a very good Lismore Team. This was in the County Hurling Division "A" Semi-final. This Team has been making steady progress all year and fully deserve to be in the County Final. This game will be played in the Fraher Field on Saturday the 6th of July. Our opponents are not yet known but it will either be Roanmore or De La Salle. Keep this date in mind as these lads and their hard working mentors deserve big support on the day. The panel of players that did duty on Wednesday night was as follows. Stephen Enright, Dane Tobin, Adam Crowe (Captain), Brendan Walsh, Donal Henley, Eoin Brackett, Alan Tobin, Sean O'Hare, James O'Mahoney, James Phelan, David Shanley, Cormac Enright, Alan Shields, John Gorman, Stevie Lanigan, Craig O'Connor, Eoin McCullagh, Richie Ryan, Jamie Ryan, Brendan Cosgrave, Jamie Organ, Patrick Bergin, Kenneth Kelleher. Also the selectors would like to thank Neil Moore, Aonghus Murray and Bernard Gorman for officiating on the day. This is one of the reasons why we need all the support on County Final day, as referees do not always bring their own officials.

## MICHAEL FOLEY AND JAMES PHELAN.

Congratulations to the very popular Michael Foley who

won 2 Gold Medals in the Special Olympics Competition held over the weekend. Michael is a son of the well-known John Foley senior, Brother to John and Richie who plays with the club and Mary who was with the Waterford Ladies Junior Footballers in Doon over the weekend. Well done Michael you are a credit your whole parish.

Also congratulations to James Phelan who finished runner-up in the All-Ireland under 14 Handball Skills competition. James is a current member of our under 14 hurling panel.

## UNDER 12 LADIES FOOTBALL

The Abbesside/Ballinacourty U-12 Ladies football team had their first real competitive match against a very strong Kilrossanty team. The first half was hectic with Abbesside going into the narrowest of leads thanks to goals from Zoe Scanlon, Sarah O'Brien and Claudine Fraher and staunch defending provided by Aine Browne, Ciara Wadding and Louise O'Neill. The second half was a time for experiment with 8 subs going on to gain some match experience, unfortunately Kilrossanty gained the upper hand by the end of the game. The whole team gave everything and will only get better with more match practice. A special mention to our midfielders Niamh Looby and Aoife Donnelly who where tremendous. The team was as follows. Jennifer Preston, Louise O'Neill, Ciara Wadding, Aine Browne, Lisa Mangan, Sinead Reynolds, Eimear Collins, Aoife Donnelly, Niamh Looby, Laura Flynn, Eadaoin Regan, Brid Power, Sarah O'Brien, Zoe Scanlon, Claudine Fraher, Orla Power, Ashling Fehilly, Roisin Caulfield, Roisin Preston, Grainne Dwyer, Elaine Duff, Ashling Kirwin and Haley Akenhurst. Thanks to Peter Jordan who refereed the match, Johnny and Nora Kirwin for bringing their team down and Bernard Shields for the use of the pitch.

## UNDER 8'S GO ONE BETTER

Following their recent good form our under 8 Footballers went one better last Friday at the Tourin venue in the football blitz hosted by Affane. In our opening game a physically stronger Kilrossanty side reversed the result of the previous blitz beating us by a goal. To their credit our young players picked themselves up and played much better in the second game against St. Olivers and won a hard-earned victory. The other game in the group resulted in a win for St. Olivers which meant that all sides had two points but we progressed to

the A Final by virtue of our greater scoring rate.

Our opponents in the final were Affane who also won the "A" final in the earlier blitz in Aghlish. This was to be our toughest test to date. Affane went into an early lead and at half time led by 0-2 to 0-1. In the second half we piled on the pressure but every attack was thwarted by excellent defending by the Affane backs or we kicked narrowly wide. Somehow we seemed to have lost our scoring touch. While at the other end our backs defended their goal stoutly. With only minutes remaining Michael Maher scored an excellent long-range point to level the scores. Not content with a draw Abbesside continued to attack the Affane goal and won a '45' and with only seconds remaining Jason Nagle's kick went all the way to the back of the net via the upright. Tremendous cheers from the Abbey side players and supporters greeted the referee's final whistle.

Our panel of players all of whom contributed enormously to a very fine performance was Eoin Bergin, Patrick Collins, Sean Daly, Eimear Fennell, Brian Looby, Michael Maher, Aidan Moloney, Fiona Morrissey, Jack Mullaney, Robert Mulligan, Jason Nagle, Stephen O'Connor and Kevin Walsh.

The final blitz in this series will be held in a few weeks time, all players will be notified.

# DUNGARVAN GOLF CLUB NOTES

## TOM MELODY WINS JUNIOR SCRATCH CUP

The Junior Scratch Cup kindly sponsored by Waterford Crystal and played for over 36 holes was won by local star Tom Melody Jr with a fine gross of 152. Tom, Kerry foods employee in Co. Wicklow played highly consistent golf with two rounds of 76 gross. Tom, no doubt inspired by his cousin John Dowling winning last year, was joint leader after the first 18 holes along with Dermot Walsh, Don Morriarty (Youghal) and James Howell (Mallow) father of our Secretary/Manager Irene Howell. In the afternoon Tom had halves of 36 and 40 with birdies on the 1st, 13th & 18th to record a famous victory and keep the cup at home. Tom's win was greeted with warm applause at the presentation of prizes in the clubhouse. In second place we had long hitting local Dermot Walsh with 155 gross piping Don Morriarty (Youghal) on a count-back. Michael O'Connor (West Waterford) playing off (9) won 1st nett with 141. It was also nice to see Paul Flynn, Paul Curran and John Gough in the prizes. The Club would like to thank Waterford crystal for the very generous sponsorship.

## ABBEYFEALE VISITOR WINS INTERNATIONAL SCRATCH CUP

The intermediate Scratch Cup played for on Saturday resulted in a win for Abbeyfeale visitor Brendan Lenihan playing off (13) with 82 gross. Brendan went to the turn in 43 shots having parred the 3rd, 4th, 5th, 6th & 8th. Brendan played superb golf on the back 9 which he covered in 39 shots with a great birdie on the 12th complimented by pars on the 10th, 13th, 14th and 18th. His score was a fine effort over a long course in tricky conditions. In second place we had last years popular Captain Michael Brackett who plays off (12) with a fine 83 gross. Michael, who took an early shower last week following his exit from the Club fourball, bounced back to fine form with halves of 40 and 43. Michael started very well with 5 straight pars.

## MICHAEL TWOMEY WINS MINOR SCRATCH CUP

The 18 hole singles Stroke for the minor scratch cup played for on Saturday resulted in a hugely popular success for Strandside area league member Michael Twomey. Michael, hugely popular Bank Manager in Lisimore until his retirement, certainly got his figures right with a fine 88 gross to win by two shots. Michael laid the foundations for his winning score on the front nine which he covered in a very impressive 41 shots, shooting 6 good pars. Michael's win was well received by fellow club members, especially his friend and mentor Fr. R. Doherty. In second place with 90 gross playing off (21)

was Tom Kirby. Tom had a fine back 9 of 43 shots.

## PAUL CURRAN WINS THE ULSTER BANK SINGLES

The 18 hole Open Singles, kindly sponsored by Ulster Bank, and played for on Thursday, was won by Paul Curran playing off (7) with a fine score of 40 pts. Paul, prolific winner recently and on a crusade to play off scratch, has 19 pts on the front nine with a birdie start. Paul went two shots better on the back 9 with a birdie on the 12th & then 6 straight pars. This likable clubman with invincible form of late and more wins from him in the future are a certainty. In a day when youth was very much to the fore we had in second place, also with 40 pts Brian Morrissey off (16) Brian played very consistent golf with 20 pts on each 9. The gross was won by John Reynolds with a fine score of 35 pts.

# DEISE ARCHERY CLUB NOTES

Last weekend, June 22nd/23rd, saw the inaugural club championships for the Deise Archery Club. Despite the bad weather forecast, we were very lucky to miss the worst of it and enjoy two good days of shooting. Saturday saw a few bleary eyes, and maybe sore heads, meeting early in the morning ready to do battle for the honour of holding the title of club champion in their particular class. Splitting up into our groups we headed off into the woods for the first round hoping to do well. At lunch time there was plenty of chatter about scores obtained and opportunities missed, arrows lost and repairs to be made, and what we hoped to do in the afternoon. With lunch eaten and rest taken, we set off again in our new groups ready to have another go all aiming to improve our scores and take a commanding lead over our rivals. Some did, some didn't, but most were in with a good chance, if only we could get that good round!

Sunday morning bright and early again, we met again on our second course prepared for another go. Again the weather smiled on us and the morning threw up some interesting results for the three quarters point in the championships with two or three favourites in each class beginning to show. With a bit of ducking in and out of the showers, we had lunch and a good long break before heading out again for the last, and for some, vital round hoping to do better than the other guy (or gal) and take home the trophy. With all the results in and collated (thanks to Kevin for his hard work) the club chairman, John O'Rourke presented the winners with their trophies and medals before we repaired to Deckies Bar for a well-deserved pint or two.

The results are; Gents Long bow and overall points: Kevin Power, runner up: Carl Geoghan. Gents Flatbow, Jeddy Walsh; runner up: John O'Rourke. Gents Recurve: Don Bradley; runner up: Mike Dee. Ladies Long bow: Michelle Geoghan. Ladies Recurve: Ger Swayne. Cubs: Ciara Mulcahy. Juniors: Sam Brittain.

Well done to all the shooters, especially the winners, and a special thank you to the course setters, Jeddy, Jason and their assistants, who made the two courses very interesting and fun to shoot. Thanks go to Michael as well for spending the two days with us and taking some fabulous photographs for the club.

Now that our own championships are over we can turn our thoughts to the Irish Traditional Field Archery Society national championships which will be held at the D.A.C. courses over the August bank holiday weekend held last year at The Warriors of Queen Maeve club in Longford, this years event promises to be an interesting challenge for us with 80 to 100 archers taking part, and two members of our own club defending their own national titles. Approximately 70% of these arches will be travelling to the area, not only from Longford and other clubs in Ireland, but also England and as far as far afield as Holland, so we hope to entertain them well. If last years event is anything to go by a very good time will be had by all!

As you can imagine, putting up this number of people and their families for the weekend will be a bit of a problem so the club would ask that if any owners of B&B's self catering accommodation have space available that weekend would they please contact the club. This can be done through Kevin at 058 68184 or by contacting any member of the club.

Finally, a note about the club A.G.M., yes the club is a year old! The A.G.M. will be held at the sailing club at 8pm on Saturday July 8th by kind permission of the Commodore. Would all members please make sure they attend, we can celebrate the birthday of the club in the bar afterwards!

All members are reminded of this very important aspect of the game e.g. avoiding slow play at all times and taking into consideration that there may be faster players behind you, your position on the course should be immediately behind the group in front, not immediately in front of the group behind. Reporting of

pitch/plug marks on greens is absolutely essential and the replacing of divots on tees and fairways is also very important with regard to the care of the course. Numerous visitors to our club have been complimentary of the quality and appearance of our golf course, please keep it this way.

## BEST WISHES

## K.C.K. ATHLETIC CLUB NOTES

## BRILLIANT DOUBLE FOR CONOR McGRATH

The Munster track and field championships were held in Cork on Saturday and Sunday last. We had a small number of athletes competing, nine in all and all did their club proud.

Conor McGrath had a brilliant double with his first medal coming in the triple jump with a brilliant win and a new P.B. with 10 metres 46 centimetres. Conor took his second medal in the high jump, jumping 1 metre 59 centimetres. And brilliant jumping from Kevin Harty to finish in second place and a new P.B. of 1 metre 56 centimetres.

In the boys under 15 100 and 200m Owen Walsh had a brilliant weekend. In the 100m Owen won his semi-final and in the final it was a great battle between Owen and another Waterford athlete Garry Dunphy, St. Pauls.

Both boys fought it out to the line with Gary taking the title by a whisker with Owen in second place in a new P.B. of 11.94 seconds.

In the 200m Owen again won his semi-final. In the final it was a 1-2-3 for Waterford. Gary again took the title but what a fright he got from Owen who pushed him all the way to the line and another P.B. of 24.47 seconds.

Eoin Beglin from Ferrybank took third place. To round off a great day for those under 15 boys they took second place in the 4 x 100 relay, the team was Kevin Harty, Conor McGrath, Pdraig Casey, Kevin Harty, Owen Walsh and Conor Nugent.

In the boys under 19 Michael Flynn had a great weekend taking second place in the high jump with 1 metre 70 centimetres and went on to take third place in the 400m hurdles. Brian Hallihan boys under 16 competing in his first Munster championship had fine performances finishing sixth in the 1500 metres and qualified for the national final in the 3000 metres by finishing in fourth place.

Kieran Harty another new comer having his first championships competed with distinction in the shot putt and discus and is one to watch for the future. K.C.K. athletic club are now inviting new members to the club so come along to Dungarvan Rugby Club on Wednesday or Friday evenings at 7.30pm or Kilmacthomas Soccer Club grounds on Tuesday or Thursday evenings at 2.30pm.

### Waterford v. Mayo In National League Final CUSACK PARK, ENNIS, SATURDAY 4.30 P.M.

Waterford and Mayo clash in the National League final at Cusack Park in Ennis on Saturday afternoon at 4.30 p.m. This is a repeat of the 1995 League final which Waterford won after a replay.

Neither county can call themselves league specialists. Waterford have just three league titles to their credit, whilst Mayo have been crowned champions on just two occasions. However on the three occasions that Waterford have won the title they have also won the All-Ireland, so victory on Saturday would be a welcome boost and perhaps a good omen.

Mayo brought off the double in 2000 but lost both titles last year, especially that memorable All-Ireland final to a last second Laois point. They still have a good number of that team available but they also have a sprinkling of new players. They were stung by last year's failure and the fact that Wa-

terford are the opposition will add a lot of spice to the occasion.

Cora Staunton is still their leading scorer by a distance and any Waterford indiscretions will be severely punished. She is a very good free-taker from distances of up to 45 metres and Waterford must very definitely refrain from conceding scoreable frees. The Heffernan sisters are also major contributors to Mayo's success over the years. Christina, in particular, runs the field and if she isn't marked tightly, she will cause considerable problems.

Full back Helena Loman, who missed most of last year's campaign, is also back in action and when you throw in Claire Egan, Yvonne Byrne and Emma Mullen, it adds up to a formidable combination and it will take a good Waterford performance for the full 60 minutes to claim the cup.

However, this Waterford team are capable of doing

just that. They have been playing well of late and were particularly impressive against Monaghan four weeks ago. It's fair to say that they have their strongest panel in a long time and while that in itself isn't any guarantee of success, it's a great starting point.

As many of the players weren't available for selection last time out and while there is still a few injuries the vast majority are now available. The line out 4 weeks ago didn't do their chances of places in the starting 15 any harm, in fact it was difficult to find fault with any of Waterford's performance on that occasion.

Thus the problem of picking the team from a strong panel is a welcome headache. Several Waterford players have been playing very well none more so than Mary O'Donnell who has added much more consistency to her game and on her day is probably one of the best footballers in the country.

Nuala Hearn will guard the net, Ciara Prendergast has settled on well at full back, Donna Frost, Olivia Butler, Annelisa Crotty, Julie Torpey and Elaine Power formed a solid defensive line last time out. O'Donnell teamed up with her club colleague Deirdre Breathnach whilst Rebecca Hallahan, Fiona O'Reilly, Linda Wall, Geraldine O'Ryan, Deirdre Nagle and Aoife Murp

hy proved too good for Monaghan. Also in contention are Natalie O'Connor, Angie Walsh, Mary O'Rourke, Marian Ryan, Martina O'Ryan etc. A couple of other players are recovering from injury but definitely Waterford have the ability to land the title.

Waterford will be all out to reverse the recent trend between the sides and Mayo will be battling to restore their supremacy of 2 years ago. It promises to be an intriguing clash and Waterford playing to potential should just about get there.

WEST WATERFORD ATHLETIC CLUB NOTES

# Ras Na Rinne Won By Peter Duggan

The 2002 running of Ras na Rinne from Colaiste na Rinne to the end of the Cunnigar and back was an outstanding success. In all 111 runners completed the testing course and all thoroughly enjoyed what is a unique event in local athletic circles. It was a spectacular sight to see the large field spread out across the strand on what thankfully turned out to be a fine evening. First home this year in a time

of 32.06 was Peter Duggan from St. Joseph's. In second place was the first over 40 runner Tom Walsh in a time of 32.51 and in third place and second in the senior race was Jason O'Connor of Slaney Olympic in a time of 33.02. was the 3rd senior in a time of 33.38. First in the over 45 category was Pat O'Sullivan of Slaney Olympic with Martin Sandford of West Waterford AC winning the over 50 prize in a time of 37.35. Dan's wellies incidentally were eminently suitable for the tough underfoot conditions found on the course. The Nike team were on duty again giving athletes a chance to try out their various shoe models in a race situation - one can only imagine what they thought when they saw the state of the shoes returned to them after Friday night's race.

Youghal AC in a time of 47.28. First over 45 was Helene Hayes of West Waterford AC in 51.51 and first in the over 50 category was Kathleen O'Brien of Ballynoe in a time of 41.49. First local beginner was Paudie Breathnach.

**WEST WATERFORD ATHLETIC CLUB NOTES**

**West Waterford Win 17 medals At Munster Juvenile Track & Field Championships**

The two days of the Munster Track and Field Championships which were held in Cork over last weekend last proved a 'Happy Hunting Ground' for the West Waterford Juvenile Track and Field team.

On Saturday WWAC athletes picked up 4 medals with James Leddingham first off the mark with an excellent win over 400m in the U19 age group.

Edel Morrissey competed in the Girls U18 Shot Putt and finished in silver medal position a position she duplicated in the Girls U18 300m — and excellent day's work by any standards.

The Girls U19 400m featured Caroline Walsh who finished in 2nd place securing a Munster Silver medal.

In addition to our medalists on day one we also had three athletes who qualified for the All Ireland Championships with 4th places — they were as follows Lorraine Hennessey in the Girls U-16 2000m Walk, Ashling O'Connor in the Girls U-15 2000m Walk and Eoin

Meehan in the Boys U-16 Triple Jump.

On Sunday Ellie Walsh was first off the mark with an excellent win in the U18 Triple Jump where West Waterford also secured the bronze medal thanks to a great jump by Tracey Shalloe.

James Leddingham was first across the line in the Boys U19 800m completing his double over the weekend.

Well done also to Una Power who was the silver medalist in the U-16 High Jump.

In the U18 Boys 3000m WWAC had two medalists with Paul Stephenson in 2nd place and Gary Nugent in bronze medal position — well done to both lads.

In the Girls U18 200m it was gold medal time again with Edel Morrissey scoring a fantastic victory. In the Girls U19 version of the same event Caroline Walsh won the bronze medal.

Pádraig Healy no doubt benefiting from the coaching of Jamie Costin won the Boys U-16 3000m walk. Dermot Cum-

mins meanwhile qualified for the All Ireland Championships with excellent fourth places in the U19 High Jump and the U19 800m. Looking at the Boys middle distance results one can see the strength of the club in middle distance events with James Leddingham, Dermot Cummins, Paul Stephenson, Gary Nugent and add David McCarthy missing through injury this weekend — the prospects look bright.

Eidin Ashe also qualified for the All Ireland in the U-15 discus with a laudable fourth place.

Finally pride of place to our Girls U19 4 x 400m relay team who won the gold medal in that event. The relays are always a dramatic finale to a track and field meet and it was fantastic on this occasion to see our team of Ellie Walsh, Edel Morrissey, Tracey Shalloe and Caroline Walsh do so well.

Well done to all who competed over the two days and a big thank you again to our coaches and mentors for such a successful weekend.

**Carriglea Athletes Strike Gold At National Games**

Last Wednesday June 19th President Mary McAleese officially opened the Special Olympic 2002 National Games in Parnell Park. Over 2000 athletes representing the four provinces including Northern Ireland were in action in twenty sports at a variety of venues in the Dublin area. The National games come around once every four years and are used to pick Irish Teams for the World Games. As Ireland hosts the 2003 World Special Olympics (the first country outside the U.S.A to do so) with the opening ceremony taking place in Croke Park on June 21st 2003, this years National Games held an added significance.

Carriglea had 29 athletes on the Munster team, participating in five different sports. Swimming, athletics, basketball, table tennis and motor activities. Each and everyone of these athletes adhered rigidly to the Special Olympic oath "Let me win, but if I cannot win, let me be brave in the attempt".

Four Carriglea players were members of the Munster Female Basketball team which won Gold in very convincing fashion, by remaining unbeaten throughout the event. They were Martina O'Neill, Nicola Carroll, Jean Fenton and Elaine Hearne. The huge amount of training and preparation put in paid handsome dividends with a high level of fitness, skill and teamwork being demonstrated throughout the three days of the event.

In the swimming pool all three of our swimmers took gold in their respective events. Kerrie Horgan was one of a small elite group of athletes to win three Gold medals at this years games - 50m freestyle, 50m backstroke and 4 x 50m relay. Michael Foley won double gold in the 100m freestyle and 4 x 25m relay, while Denise O'Keeffe took Gold in the 25m armband event.

The weather over the five days was generally quite good which was very important for all those involved in the athletics event. Here again, all athletes performed with distinction. Donna Power gave an awesome display of power packed walking to comprehensively win Gold in the 800m walk with a technically faultless display and followed this up by taking a second Gold medal in the shot putt. Judy Flynn (50m walk and Tennis Ball Throw) and Richard Lennon (100m walk and softball) both won two gold medals each. Claire Browne won Gold in the shot Putt and took bronze in the 100m run, while Ann Flaherty took Gold in the 25m dash. Mary McGrath got silver medals in both the long jump and the 50m walk, while Bridie Feeney won the Gold medal in tennis ball throw event.

Mossie O'Donovan who has been involved

in Special Olympics for over 20 years deservedly won Gold in the softball throw and later added silver in the 50m walk. Kieran Coleman and David Tobin were both members of the Munster 4 x 100m relay team that won Gold in a very exciting final, with Kieran also taking Gold in the 200m dash and bronze in the 100m. David also took silver in both the 400m and shot putt. The eleventh member of the athletic team Michael Keating performed brilliantly to win Gold in the softball throw and took bronze in the 25m walk. All Special Olympic events are divided according to ability, gender and age.

Table tennis players Hannah Guina and Esther Power performed admirably in their singles event with Hannah taking the silver medal while Esther finished fourth out of the eight athletes participating.

Friday June 21st may have been the longest day of the year and while our nine Motor Activities athletes and their coaches had an early start and late finish a fantastic and most memorable day was had by all. This was the first time the event was held at the National Games. It is a demonstration sport for lower ability athletes, which was held in Belfield on the U.C.D. campus. Nial Costin lit the flame at the opening ceremony while his brother Jamie, a Sydney Olympian Walker in 2000 presented the awards of participation medals to all the athletes involved. The other athletes were: Sonya O'Brien, Isobel Power, Marie Therese Fleming, Isobel Finnigan, Claire O'Donnell, Lilly Patterson, Mary Kelly and Marie Kirwan.

In total Carriglea Athletes amassed 24 Gold medals, 7 Silver medals and 4 Bronze medals. It was great to see so many parents, family members and friends come all the way to Dublin to support the athletes at the various venues throughout the week. All athletes who won Gold medals at these games plus the Motor activity Athletes are eligible to go forward for selection on the Irish Team for next years World Special Olympics 2003. Gaining selection on this team will be very difficult as Ireland is only allocated a certain quota of places as there are 160 other countries participating. Random selection procedures will be used.

All the athletes had a wonderful time with early starts and late finishes being the order of the day over the course of the five days. Sportingly and socially the games were a great success, with athletes and coaches returning home safely on Sunday evening totally exhausted, but all the better for the wonderful and worthwhile experience.

Well done to everybody involved

## ASCOT UPDATE

The Aidan O'Brien trained Rock Of Gibraltar posted his fifth Group One victory capturing the St James Palace Stakes on the opening day of the Royal Ascot meeting. Well back in the early stages the odds on Rock Of Gibraltar produced a great burst of finishing pace for rider Michael Kinane in the closing stages to relegate his stable companion Landseer to the runner up spot.

Irish jockey's dominated the week with Mick Kinane, Richard Hughes and Johnny Murtagh all to the fore during this meeting which attracted huge crowds.

Indeed Johnny Murtagh was aboard the Mark Johnston trained Royal Rebel who in a cracking Gold Cup touched off our fancy of the week Vinnie Roe. There was a sting in the tail for Murtagh however after this victory as he was handed a four day ban for overuse of the whip on the winner. It must be said however that had Johnny Murtagh not hit Royal Rebel he would not have won. Murtagh was furious with the ban as was Frankie Dettori who also got four days unwanted holidays as both jockeys must now miss out on the prestigious Budweiser Derby meeting at the Curragh.

While Vinnie Roe was beaten trainer Dermot Weld did not leave this meeting empty handed as after a far from trouble free run Pat Smullen got the best out of Irristible Jewel to capture the Ribblesdale Stakes.

The Willie Mullins trained Holy Orders nearly gave seven pound claimer Davy Condon a dream start to his career in the Duke Of Edinburgh Handicap but after being forced to come wide young Condon was just touched off by the Richard Hughes partnered Thundering Surf.

## PAT'S OBJECTIVE ACHIEVED

Pat Eddery equaled Lester Piggott's record of riding 4,493 victories at Ascot and for good measure he moved on to the 4,494 mark at Windsor last Friday night. Only the great Gordon Richards has ridden more winners. He rode a magnificent 4,870 winners an astonishing number by any standard. Pat Eddery is now aged 50 and while he is riding as good as ever it's a tall order to expect him to ride another 400 winners.

## BRITISH POINT TO POINT SCENE

While the Irish Point To Point Championship went all the way to the wire the same situation occurred in Britain with Evan Williams edging out former champion Julian Pritchard.

## PANORAMA VIEW

The BBC's Panorama series will screen a programme on British Horse Racing in the not too distant future and is certain to bring some leading racing issues out into the public domain. This follows hot on the heels of the Kenyon Confronts program screened some weeks back. British Jockey Club spokesman John Maxse is certainly in for a torrid time in the next couple of months.

## PROFITABLE WEEKEND FOR TOM

It was good to see young Tom Queally from Cappagh among the winners over the weekend. He made the long trek up to Down Royal on Saturday and but was well rewarded guiding 12/1 shot Balapour to victory for colourful County Monaghan trainer Pat O'Brady in the featured Ulster Harp Lager Derby. It was back to Gowran Park in County Kilkenny on Sunday where young Tom gave the John Mulhern trained All The Colours 6/1 a confident ride to take one of the flat handicaps.

Gary Hutchinson from Tramore was also among the winners at Gowran as he was seen to good effect on the Paul Nolan handled Mise Rafturai in the Esso Three Rivers Oil handicap hurdle. Rathgormac trainer Pat Flynn sent out Precious Lover to capture the second flat race on the card.

## JOHNNY TOPS AT ASCOT

Rider Johnny Murtagh captured the prestigious leading rider title at Royal Ascot beating fellow Irishman Richard Hughes in the process.

## FOUR FOR McCOY PIPE PARTNERSHIP

Top jump jockey Tony McCoy was in sparkling form at Newton Abbott last Saturday night capturing four races for his boss Martin Pipe. Trainer Pipe has made several attempts in the past to go through the card at one of his local tracks in the south of England and one of these days he will surely achieve this milestone especially with Tony McCoy in his corner.

## RYANAIR BOSS SPLASHES OUT

Michael O'Leary the boss of no frills airline Ryanair may not be everybody's cup of tea but in the past couple of months has expanded his bloodstock empire. He recently forked out a record €300,000 for an untrained National Hunt horse. This animal is bred in the purple however being a half brother to this years Cheltenham Gold Cup winner Best Maite.

## POPULAR PAINTINGS

When John Magnier spends money its usually on race-horses but he is reputed to have spent upwards of £4.5 Million pounds Sterling on paintings the majority of which have a horsey theme.

O'MAHONY CYCLES & NURSERY SUMMER SERIES WEEK EIGHT

## Ray Dwyer Second Again

Week Eight of this year's Summer Series was held last Wednesday evening, June 19th, in ideal weather conditions from Kiltrush. A fast and furious pace to Ballylemon ensured that Ray Dwyer's group was never in danger of being caught by the scratch group, and they finished over a minute up at the finish. Strong riding by both our under 15's, Shane Power and Eoin Whyte, ensures that they will be in top condition for the All-Ireland Championships in two weeks. The seven-man bunch sprint on Ballinamuck was won at the line by veteran Bobby Power with Ray Dwyer on his wheel. It is fair to say that Ray has been the most consistently strong finisher over the past six weeks, and he will be determined to hang on to his eleven point lead as we head to the final two events in this competition. Our thanks once again to Cyril Healy and Michael White for their stewarding.

### WHITECHURCH TONIGHT

Tonight, June 26th meet at Kiltrush for our final race around Whitechurch. First rider off at 7 pm sharp. All others will depart individually, based on their previous fastest circuit time. Absolutely no exceptions. The final positions for this competition will be decided, and announced with next week's notes, and prizes will be given when we meet in Park Hotel after the final night on our Summer Series on July 17th.

### WICKLOW 200K AFTERMATH

Job done, and done well it must be said. Where do we go from here? All cyclists returned safely, recovered well during the week; some got out on Tuesday and Wednesday just to loosen out, and indeed some competed on Kilmolash in mid-week. It is hoped that we will continue our regular Saturday routes throughout the rest of the summer, although the mileage will return to more realistic levels.

There is a nice review of the event on the web at <http://homepage.circom.net/~thevets/2002w200diary.htm>.

### SATURDAY SPIN

Last Saturday, June 22nd, our regular spin brought us along a novel route not cycled recently. Our group of seven cycled to Kilmac, along the Newtown road to Carroll's Cross. Here we departed left to Portlaw, and negotiated the tricky descent to the town, and headed on to Carrick. From there we had a lovely cycle home via Mahon Bridge. The weather on the day was lovely save for one heavy shower near the finish. Participating were: Pádraig de Burca, Ivan Power (recovering from last weekend in Wicklow), Marc Flavin, Eddie Moore, Ray Dwyer, John Flynn (recovering from jet-lag) and Paddy Power. We were joined in Kilmac by our Waterford city members Pat Scanlan and Declan Long who had telephoned ahead and were aware of our route. They stayed with us until our return to Leamybrien and continued back to Waterford to pick up Fr. John Treacy, and anticipated completing a century in preparation for the Ring of Kerry Charity Tour in two weeks time. Our total was 52 miles in 2h 57 min. Average 18 mph.

### NEXT SATURDAY

June 29th: Waterford, Tramore for a spin on the bumpers. Some of the Ring of Kerry gang may want to add

more miles at the end of this one.

July 6th: Mahon Bridge, Rathgormack, KILLSHEELIN, Clonmel.

Ivan Power, Tony Murray, Kevin Forde and Philip Cleary, pictured in Terenure prior to the Wicklow 200.

Eamon Phelan finished strong on Kilmolash last week, with a little help from his mentor Eddie Moore.

# COMMUNITY GAMES NOTES

The County Athletics Finals will take place this Saturday at Waterford Regional Sports Centre beginning with the very colourful parade of areas at 12 noon. The best turned out area on the day will receive a nice trophy as will the area with the best overall results. Athletes from 20 areas of the county will be competing so it should indeed be a very enjoyable day.

### CLAY-MODELLING

Waterford will be represented by 2 Ballymacarbry boys at the National Finals of the Model-Making which will take place in Mosney in August. Best of luck to Richard Fenton and Lawrence Whelan.

### LAUNCH OF MUNSTER GAMES

The annual launch of the Munster Games took place in the Kilmurray Lodge Hotel,

Limerick on Monday night. The E.S.B. main sponsors of the Games were represented by Kevin Horgan. The Sports Director at the University of Limerick (venue for the games) David Mahedy was also present.

National Games President Michael O'Brien and National P.R.O. Noirin Doyle were also in attendance.

The Waterford contingent to travel on the night were Peggy Reynolds, Bernie Fleming, David Reynolds, Tom Kearney, Stephen Morrissey and Thomas Hassett. The Munster Finals will take place on July 13 in Limerick.

All in Community Games wish the best of luck to our Waterford hurlers as they take on Cork in the Munster Final on Sunday. I am sure some of this team are past competitors in Community Games themselves.

# WATERFORD HOT ROD CLUB

The 2nd round of the Championship took place at the Raceway on Sunday 9th June amidst yet more mixed weather conditions. Scrutiny was conducted under glorious sunshine but as Class 1 was called to the grid the dark clouds, which had threatened to deliver rain earlier in the day, did exactly that, the subsequent downpour making for eventful racing. Ladies (4,5,6) — Geraldine Bumster 19.

The overall position is still wide open at this early stage in the contest with just 4 points separating the top 4 drivers. A full update on championship standings will be published in next weeks edition.

With the summer supposedly upon us the All Ireland qualifiers have begun with the first taking place last Sunday, hosted by the East Cork Club. The meeting was held in Bartlemy in East Cork and was on grass.

Class 1 saw Jerry Tobin's return to form in his faithful Fiat 127 with an explosive drive from the back of the grid to claim victory over the Fiat Unos of Eoin Mackey and Kevin Healy. Kerryman David Hallinan has left Class 1 to pursue a class 2 carrier in a 1200 cc Opel Corsa and brought his car home ahead of the green Starlet of Jimmy Browne and the Fiesta of Ned Hannon. Charlie McNamara came in behind the Nova of Kenny Tracey and the Toyota of Willie Russell in Class 3. The Class 4 race was won by Pat O' Sullivan, followed by Jerry O' Sullivan and the ever consistent Willie Bumster. Waterford driver Jason Ryan has moved up to Class 5 and put in a superb display to win in his newly prepared car. Mike Meade, James O' Rourke and Declan Browne took the honours in Class 6 with the ladies race won by Breda Healy, followed by Ellen Sugrue and Waterford driver Mary Moore in third. The next qualifier will be held in Limerick on July 14th, followed by the junior qualifier in Buttevant on July 21st. The next days racing at the Pike track will be on July 7th and will see the Waterford Hot Rod Club celebrate it's 21st anniversary of racing. To mark the occasion there will be Waterford Crystal trophies for the class winners of a separate celebratory one day championship to be held on the day. This will also be a counting round of the Driver of the Year championship. Racing will get under way at 12:30 sharp.

WATERFORD TUESDAY JUNE 18TH 2002

## Southlodge Dotty Made No Mistake

The feature events on this eleven race program were the semi finals of the Pat Duggan and Kevin Ayres Sponsored Bumper 29.80 stake plus the semi finals of the Richard Walsh, Bookmaker Open 730 Yard marathon. The two semi finals of the 29.80 stake saw both market leaders coming up trumps for the punters. Impressive first round winner Southlodge Dotty (Raging Prince-California Dot) owned by Denis Hattemore was sent off the 4/6 hot pot in the first semi final and despite a moderate start the favorite kept her composure over the opening two bends before gliding past the front running Gallows Sheba at the halfway mark. Once in front the strong running Southlodge Dotty was not going to be denied motoring on for a clear cut nine and a quarter lengths win in a smashing 28.91.

Cottage King broke in front in the second qualifier but moving out to the middle of the track from his trap one starting position Cottage King was joined down the back by Last Quest and Arboys Knows. Driving into the lead up the rails the James O'Shea owned and Jimmy Scully trained Arboys Knows (He Knows-Tycoon Lady) 3/1 to 6/4 quickly asserted his superiority to race clear for a four and a half lengths victory over a running on Aero Express in 29.49.

The results however went in favour of the layers in the Open 730 yard event with both favourites biting the dust. Boasting an excellent card the Liam O'Callaghan trained Lastpenny Lady was a warm order at 4/6 in the first semi final but she made a far from fluent start from trap six. Ruthalan made a positive start from a middle draw but after leading to the third bend the leader gave way to Lastpenny Lady who was now in full flight. The favourite appeared home and hosed at this point but after drifting wide into the home stretch she was collared close home by the Keith Freer owned Faranroy Maid 6/1 this October 99 daughter of Autumn Blaze and Horton Maid running her best ever race over this trip to win out by a short head in 40.98.

The second semi final also produced a gripping finish. The local stayer Ballintrane Gold made the long break for home from trap four but she gave way to Dalcash Cathy (Split The Bill-Dalcash Visa) 4/1 at the fourth bend. Owned by Michael Meade and trained by Brian Madigan Dalcash Cathy favoured a wide course into the home stretch and was forced to pull out all the stops close home to withstand the renewed challenge of Ballintrane gold who went down by the minimum distance in a fast 40.71.

County Laois owner Jim Morrissey sent out the winner of the only novice contest with Always Buy Ten (Thorgil Tex-Loughdan Pet) 2/1 winning with plenty to spare in 29.91. It took some time for the penny to drop with the always prominent Always Buy Ten but she was striding on nicely at the finish to beat a hampered Skeard King by twelve lengths.

It was back to two bends for the second contest and it produced a very easy winner in the Sharp Shooters Syndicate owned and Ian Seymour trained Fear No Factor (Spiral Nikita-Droopys Lilian) 3/1 who won comfortably in a career best 16.35. When the winners nearest challenger Magic Spice stayed wide on the bends the fast starting Fear No Factor encountered little difficulty in obliging by five and a quarter lengths.

Badly impeded on her previous outing Jimmy Frisby's Moonroe Query (Arrigle Phantom-Ruths Buddy) 2/1 wasn't hanging around in the third contest leading all the way in 29.61. In pole position through Moonroe Query enjoyed a trouble free run up front bolting in all of ten lengths clear of Aegean Flame.

The John Gorey owned and Lester Power trained Straws Best (Toms The Best-Up The Oris) landed some tidy wagers in the fourth arriving late on the scene to shed her maiden tag in 29.43. For a long period in this race Winnies Crown looked the likely winner stretching into a three lengths lead but bidding her time Straws Best gradually wore down the leader to pounce close home for a narrow victory. A slow starting Nire Nikita caught the eye in this contest staying on well into third spot after a slow start.

The fifth contest a 300 yard dash saw State Secret and Magic Flash dispute the lead to the first bend where State Secret kept wide and in a tight finish the Edmund Halpin and Pat O'Shea owned Magic Flash (Spiral Nikita-Magic Flash) 4/1 held at bay the late challenge of Jumbos Ivy who went down by half a length in 17.35.

The money came from Clondara Babe in the sixth and she went to traps as the 4/6 favourite. From a slow break the favourite displayed plenty of early dash but she left a gap on her inside rounding the opening two bends. The Raymond Beasley owned Jerpoint Tinrah (Prince Of Tinrah) 3/1 quickly shot up the inside of the favourite moving into a three lengths lead down the back stretch. Try as she might Clondara Babe was unable to peg back Jerpoint Tinrah who stayed on well for a two and a half lengths success in a fast 29.24.

For a fifteen months old bitch Money For Jam (Powerful Flash-Cry Rocky) ran a cracking good race for young County Wexford owners Michael Roche and Andrew Delahunty taking the seventh contest in 29.45. This March 01 whelp didn't go unbacked either as she ended up the 5/4 favourite. Rosegarland Tan and Doves Charm headed the pack on the run to the first bend but with just one race outing under her belt Money For Jam railed like an old hand to strike the front on the rails. It was plain sailing for the favourite from that point on as he went on to beat Jerpoint Annie by two and a quarter lengths. Incidentally the connections of stud Dog Powerful Flash the sire of the last winner are sponsoring an unraced stake at this venue during the month of July.

WATERFORD SATURDAY JUNE 22ND 2002

## A Royal Performance From Prince Cushie

The feature events on last Saturday nights ten race card were the four first round heats of the Murphy Family Waterford Fireplaces Confined 41.60 Marathon event.

Having his first run over the distance the John Murphy owned and Peter Brady trained Prince Cushie (Vintage Prince-Cushie Amazing) 2/1 set a very high standard in heat one with an impressive pillar to post 40.59 victory. Leading out of the first bend from Tokio Rhythm who also ran well for a first timer in a marathon Prince Cushie maintained a steady gallop at the head of affairs to run out an impressive three and three quarter lengths winner over Tokio Rhythm.

Heat two went to the wide running The Other Member (Fifthofnovember-The Other Joy) 2/1 who won a shade comfortably in 41.26. Taking over in the lead at the third corner from the early leader Beauty Wonder the Matt O'Donnell and Frances O'Donnell trained fawn kept going well in the lead to win out by two and a half lengths from a running on Break Away Smart who met early traffic problems before taking the runner spot.

The Darrell Cass Kennedy owned Narabane Dancer (Upper Spark-Romantic Sunset) 3/1 led all the way from trap one to capture heat three in 41.37. The wide running Toss Joy and Folly Lotto attempted to get on terms with Narabane Dancer but the leader kept going in fine style to defeat a running on Bartlemy Rd Sue.

Enniscorthy marathon stake winner In A Cooperone was all the rage in heat four and the Cait Turner owned 5/4 favourite duly did the business in a creditable 40.77. Hy Brazil Blue set the early gallop but relishing her rails draw I'm A Cooperone cruised into a third bend lead. Recovering

well from a disastrous start Mountaylor Glory went in pursuit of the winner but increasing her lead with every stroke In A Cooperone won going away by eight lengths.

The E Ching owned Truleigh Heather (Truleigh His-Charlevile Gold) produced a career best performance to take the first graded race in an eye catching 29.05. Kellsboro Lucy broke in front but Truleigh Heather 5/2 cornered in front to motor clear for a well deserved four lengths success.

The second event produced an exciting finish. When lans Prince ran wide off the first bend hampering Tree Tops Hotel and Mexican Jack we were basically down to three runners. Not Good Enough made the long break for home ahead of Dunmain Jo and while Dunmain Jo hit the front over the closing two bends the Laurence Rowe and Diarmuid Anglim owned Clearmor Queen (Chart King-Cushie Terri) 5/1 came with a well timed challenge on the wide outside to pounce close home for a short head victory over Dunmain Jo in 29.27. lans Prince damaged a hock in this race and is unlikely to race again.

A 300 yard sprint went to 6/1 outsider Rugged Ranger (Come On Ranger-South Lodge Lady). Owned by the Second Generation Syndicate and trained by Niall Dunne Rugged Ranger packed to much early dash for a fast starting Bally Dean to shoot clear for a length win over Bally Dean with a slow starting 5/4 favourite Hes Brandy back in third. The winning time was a fast 16.35.

The camera was called upon to sort out the principals in a tightly graded fourth contest. Seafield Fagin (Droopys Fintan-Seafield Fagin) 4/1 made the long break for home ahead of Shergar Star but the leader looked in trouble as Big Pockets cruised up to join issue at the penultimate turn. Seafield Fagin was not going to go down without a battle however and boxing on the Bonmahon black prevailed by the minimum distance in 29.21.

Back To Harry was sent off the 6/4 favourite in the fifth but after a moderate start the favourite failed to get in a blow at the principals. Those principals included the Slip Syndicate owned and Mick Cronin trained Water Bank (Frisby Flashing-Ciabatta) 2/1 this early paced sort sticking to the business in hand to beat a fast finishing Thandis Mikki by three quarters of a length in a best ever 27.97.

The final contest of the night was decided over the 550 yard trip. There was very little in it on the run to the first bend where Lightning Cover took over in the lead from the rails seeking Cooly Merson. Owned by Ger Healy and trained by Damain Quigley Cooly Merson 2/1 drove up the inside of Lightning Cover midway down the back stretch and lengthening his stride the popular Cooly Merson who never runs a bad race came home five and a quarter lengths clear of Lightning Cover in a sweet 29.97.

There was some unscheduled post race entertainment when a male stalker ran the length of the home stretch. The stalker was rumoured to be an English visitor obviously frustrated at England being knocked out of the World Cup although one prominent local owner/trainer suggested that the stalker was sent back from England for fighting and was having a clearance trial after racing.

## WEST WATERFORD AUTOGRASS LTD.

## All-Ireland Autograss

## Series

On this Saturday and Sunday June 29th and 30th the All-Ireland Autograss Series returns to Ballysaggart, Lismore after an absence of a year. Last year the Series had to be cancelled due to the foot and mouth disease but it has bounced back this year and after 2 very good first rounds hosted by the Cork and Foyle clubs the Series is now set for a big showdown as it reach's the half way point. Along with the All-Ireland Series this is also a counting round for the 2002 West Waterford Autograss "Driver of the Year" Championship that has proved very successful this year.

This event not only brings Drivers from the Cork and Carlow clubs but also from Northern Ireland, England, Wales and now for the first time ever the Isle of Wight, as with any event of this size it takes a lot of organising and the Club is delighted to have Lismore Hotel to come on board as main sponsor. Racing on each of the 2 days will start at 12 noon so don't forget the place to be this weekend is Ballysaggart, Lismore.

## EVENT PREVIEW

Here is a look at the top 3 in each class after the first 2 rounds plus a few drivers who will be out to make a good impression.

**Class 1:** West Waterford's Willie Houlihan WW73 leads the series and is followed by WW10 Martin Feeney in 2nd and Co. Down driver Francie Dolan DA43 in 3rd. They will all have to be on top form as overseas driver PHD226 Paul Pierce will be hoping to make his trip worthwhile. Others to watch out for will be CK32 Gary Shannon, CK416 Lee O'Donovan, CK47 Donal Fennessy, WW555 Jason Cunningham, WW100 Daniel Lawless and WW132 Tara Meehan.

**Class 2:** The Co. Down drivers have dominated this Class so far this year with DA49 David Leckey leading the way followed by DA30 Howard Cochrane and DA4 Evan Wylie in joint 2nd and DA52 Barry Pedlow in 3rd. They will find it difficult to keep up these results over the weekend with drivers such as WW105 Michael Barry, WW 3 John Cashel, WW220 Ronan O'Donnell, CK30 Fergus Tanner and CK28 Stephen O'Donovan to name just a few of this extremely large class that are all capable of winning.

**Class 3:** Cork's Paul Cusack CK123 leads this one from his brother Trevor CK125 with DA111 Kenny Halliday in a close third. They will have to put up with the close attentions of drivers like WW55 Vincent Meagher, WW156 Mike Whelan and WW82 Paddy Houlihan. The pick of the overseas drivers on this occasion would have to be the very successful 59 Manfred Kampchulte.

**Class 5:** Pat O'Driscoll CK9 moved to this class this year and is using his vast experience to good use and leads this class from the joint 2nd place of WW473 Alan Houlihan and CK124 Mark Linehan. Alan was a junior last year and has been very good on his first year in this class. 3rd is WW53 Paddy Nugent. Others to watch here are WW200 Mike Masterson and CK4 Mark Collins, but the big treat this weekend could be the drivers from England and Wales with such drivers as CM40 Louise Jones, CM41 Malcolm Herbert, CM9 Hew Davis and NS112 Derek John just a few of who will be making the trip.

**Class 6:** Former Down junior Jason McCammon DA222 is making good use of his Nova to head this class but is followed closely by WW115 Danny Buckley in 2nd and DA10

Robert Phoenix in 3rd. The Cork club should put up most of the opposition with the likes of CK12 Mark Cusack, CK33 Martin O'Mahony and CK34 Jerry Shannon.

**Class 7:** WW40 Dermot Kelly leads this the super car class from DA333 Brian Beattie and in 3rd place DA6 Mervyn Heaslip. The main opposition should come from the likes of CK2 Gerry McCarthy, WW140 Johnny Kelly, WW996 Eamonn Sheehy and Carlow's Noel Hutton CW18. Top overseas driver will possible be Isle of Wight resident Bruce Burge R104.

**Class 8:** Colin Byrnes CK3 leads this the first of the special classes from one of Foyle's top drivers FA1 David Doherty with WW318 Martin Browne in 3rd place. CK21 Mark Pinfield will be looking to continue with his good look, other drivers in with a major shut should be WW450 Chris Beehan returning after his big roll, Richie Nugent IK26, who only returned to race here a couple of months ago and top visiting driver should be TA19 Alun Thomas.

**Class 9:** CK69 Richard Davis leads the most popular special class from WW44 Danny O'Rourke and WW998 Patrick Sheehy in joint 2nd. All these are followed by WW81 Gerry Kelly and CW7 Sean Fox both holding down 3rd place. Sean comes from Cavan and races with the Carlow club along with his friend Alan Cox CW72 who should also be a top contender. Others in with a shut should be CK370 Paul O'Connor, WW7 Gerard Barry, and WW52 Michael Carey along with Foyle driver FA62 Jim Lyons.

**Class 10:** DA24 Davie Robinson in his awesome twin bike engined special heads this class from the V8 of FA2 Damien Coyle and the new boy to class 10 WW5 Mark Nugent. Waterford's WW32 Neill Smith and WW74 Jimmy Fuller.

**Ladies:** At present the Waterford Ladies seem to have the upper hand with WW10 Noelle Feeney 1st from WW115 Bridget Fuller and WW40 Yvonne Houlihan joint 2nd. Unfortunately Yvonne is sick at the moment and the club would like to wish her well and a speedy recovery. 3rd is the special of WW317 Louise Browne. As we have seen with the driver of the year championship there are many other Ladies capable of winning. CK4 Sarah Sinnott, CK34 Anna Shannon, DA10 Lorna Edgar, WW78 Eileen Cashel and WW132 Margaret Meehan to name just a few.

**Juniors:** CK41 Jason O'Brien leads from DA14 Lee Wylie and top Lady junior DA224 Hayley Robinson in 3rd place. Again with such a large entry it is impossible to pick a winner so again here are just a few that catches the eye. Top UK juniors CM0 Craig Kampchulte and TA0 Gareth Thomas, Corks CK45 Owen Murphy and our own WW14 Kieran Hegarty, WW58 Ricky Houlihan, WW73 Stephen Houlihan and WW75 Shelly Keane.

## 600,000 Euro Turnover For Cavan's June International Performance

A record turnover and number sold contributed to the success of the recent two day International Performance sale on the 12th & 13th June at Cavan Equestrian Centre.

In total 181 lots were sold and the excellent prices contributed to a sale turnover of 600,000 euro. Horses accounted for a turnover of 450,000 with 132 sold in total while ponies accounted for the remaining 150,000 in turnover with 49 sold.

Many new clients from abroad as well as strong purchases from existing Irish and foreign clients has ensured that many of the lots will find new homes in Ireland, UK, mainland Europe as well as further afield.

As always the next International Performance Sale at Cavan Horse Marketing Centre, which will be held on the 1st and 2nd August, will provide purchasers with an opportunity to view and bid on a range of proven and potential Irish sports horses and ponies suitable for showjumping, eventing, hunting, dressage and pleasure riding. ## CLG NA RINNE

### IDIRMHEÁNACH

Bhí Cluiche Sraithe Peile againn Dé Luain agus bhumar ar Na Gearaltaigh 2-12 go 0-7. Bhí laidín óg nua againn i lár na páirce a bhí ag imirt dúinn don chéad uair agus d'imir sé ar fheabhas. . . fáilte romhat Mikey. Bhí an-cluiche ag Éanna, Séamas, Eamonn, an dhá Liam agus Peaidí freisin. D'imríomar go maith in aghaidh na gaoithe sa chéad leath agus bhíomar 1-3 go 0-5 chun cinn ag an briseadh, an cúl ag teacht ó Liam Ó Lonáin. Bhí tréimhse sa dara leath go rabhamar inár gcodladh ach tar-éis cul iontach ó fear na gCeathrú Rua - chonaic sé an cúl báire as a líne agus chuir sé an pheil sa "top corner" as 40 méadair - ní raibh aon amhras faoin toradh. Bhí ar a laghad ochtar in easnamh a bheidh ar fáil don geraobh i gcoinne An Chuileagáin i Bushy Park Dé hAoine ag 7.30in. Dá bhrí sin, ba thaispeántas maith go leoir é seo agus beidh alán smaoinemh le déanamh ag Pat, Kevin agus Seán.

An Rinn: Tomás Ó Cadhla, Pádraigh Ó hArtaigh, Darach Breathnach, Éanna de Faoite (captaen), Séamas Ó Lonáin (0-1), Eamonn Ó Crotaigh (0-4), Seán Ó hArtaigh, Tomás Breathnach, Mikey Ó Flatharta (1-2), Liam de Grás (0-1), Donie Ó Murchadha, Liam Ó Lonáin (1-1), Daragh Ó Conchúir, Eugene Ó Cuirrín (0-1es), Peaidí Ó Catháin (0-2), Ionadaithe: Noel Ó Murchadha, Shane Ó Ceallaigh, Cathal Ó hUallacháin, Maidhe Ó Drócháin, Liam Breathnach.

Bhí Séamas Ó hAodha sa seomra feistis roimhré ag maoinh. Tuigim gur fear aclaí, bríomhar é, ach níl aon gá don chaint sin agus duine ag iarraidh a aigne a dhírú ar an gcluiche . . .

### SEOISEAR

Tá an chraobh seoisear ag tosnú Dé Sathairn agus táimid ag imirt An tSráidbhhaile i Léim Uí Bhriain ag 7.30in.
