## August Date Set For New Glanbia Planning Application

An early August date has been set for the presentation of a new planning application to Dungarvan Town Council, for a multi-million euro development on the former Glanbia site in the town.

Billy Clancy of Clancy Construction is to present the new application for a shopping complex on the 42 acre site on August 12th for a development which is ultimately expected to create in excess of 350 new jobs for

the area.

The development, which has been hailed as one of the largest in the town's history, was first mooted more than a year ago, but a series of objections from An Taisce, RGDATA and a small number of local residents led to the overturning of the original permission in January of this year.

The planning inspector laid out a number of grounds for its refusal, including a lack of adequate parking spaces and its roads layout, and it's expected that the new application will attempt to address these areas.

Cllr. Michael O'Riordan, confirming that a new appli-

cation was imminent, said he was delighted with the news coming from the Thurles based developer.

"We have waited with expectation for the last twelve months for this development to go ahead," he said. "It's one of the biggest developments in Dungarvan's history and it's go-ahead would allow us proudly look forward into the future".

Cllr. O'Riordan, who controversially called for a boycott of the shop's who were part of RGDATA's objection to the development, added that he hoped on this occasion, no objections would be made.

Karen Cunningham, daughter of Eddie and the late Geraldine Cunningham, Convent Street, Tallow and Myles Allender, son of Colin and Pat Allender, Luton, England, who were married in the Church of The Immaculate Conception, Tallow, recently. The reception was at the Walter Raleigh Hotel, Youghal.

## New Study Plan Examines Waste Recovery Sites Near Dungarvan

**KEVIN KIRRANE**

A new land use study, which allows for the zoning of a number of areas around Dungarvan and Abbeyside for houses and provides a benchmark for future development in the town, has stated that industrial and agricultural zoned areas are suitable locations for a waste recovery facility.

Denis McCarthy, Director of Services for Planning, stated in the new report that the council is actively seeking a suitable site "to enable the possible development of an industrial park based around the recycling and recovery of waste".

While, he added that a suitable site for the new centre hasn't yet been found, the "study recognises the need for such facilities and the possibility of the site being located within the study boundary". The boundary covers the area around Dungarvan from Ballinacourty to Ballymacmague.

"Areas zoned and regarded as industrial and agricultural are considered suitable locations for waste related activities", he states.

Any area identified for the facility would also have to include the basic infrastructural requirements of the

County Council under the Regional Waste Management plan, Mr. McCarthy adds.

While the regional waste plan, which envisages the disposal of one third of waste by incineration, was rejected by Waterford County Council on a majority vote, the County Manager has the power to overturn this decision.

With the local Ballinamuck landfill already reaching capacity, along with the council's decision to enter a six county agreement with other local authorities, any waste management facility

# Cappoquin - Chanat Town Twinning

One of the highlights of our recent visit to Chanat La Mouteyre was the street festival featuring Basque and Irish folk singing and Set Dancing. During the festival Esther Barron and Joe Prendergast were astonished to receive a unique honour in a ceremony performed by the assembled Confraternity of Master Bakers, (La Confrerie des Talmeliers du Bon Pain). Having recovered from their surprise they gave this account of the ceremony and its background.

The art of baking is one of the oldest crafts known to mankind and one of the most important. Bread in its many forms has been the staple diet of all civilisations whether it is tortilla, chapati or Irish soda bread, and good bread has excellent nutritional value.

On the continent the importance of bread and bakeries is very evident. Bread is eaten throughout the meal and each country has its own unique type of bread and in France there are regional varieties and delicacies. Unfortunately the situation in Ireland is quite the opposite because the majority of small local bakeries have closed down leaving only mass-produced factory bread for consumption. Indeed within a thirty mile radius of Dungarvan the number of bakeries that have closed in recent years is frightening and this trend will continue unless people actively support their local bakeries.

It was a great honour and extremely heartening for Barron's Bakery to be represented by Esther Barron and her husband Joe Prendergast at a recent Fête du Four baking festival in Cappoquin's twin town, Chanat la Mouteyre in the Auvergne region of France. The tradition in this area was for each person to make up their own loaf, then bring it to the village communal oven and bake it there. Each year the inhabitants celebrate this custom by firing up their local oven and all the bakers from the local bakeries come to help.

The oven uses the same principle as the ovens still in use in Barrons Bakery in Cappoquin. These are stone brick ovens that are fired up before the bread is baked in them, so the bread is baked on a falling heat. This type of ovens gives the bread a unique taste, flavour and crust. The oven in Chanat la Mouteyre was fired up in the old way of putting the timber into the oven setting fire to it, and thus heating the oven bricks. For Esther Barron watching these highly skilled bakers mixing and moulding the doughs and handling the oven brought back memories of her late father, Master

Esther and Joe receiving their awards in Chanat

Baker, Joe Barron, in action. It was interesting to see the shapes of bread that they made and the round baskets that the dough proved in.

On Sunday afternoon the local Guilds of bakers, wine producers, cheese makers and apple growers gathered to inaugurate new members into their guilds. Each was attired in the regalia of their craft, the bakers in robes to replicate the colour of bread and its crust. It was a total surprise when Esther and Joe were asked up on stage to join "La Confrerie des Talmeliers du Bon Pain". France is renowned for its sense of style and tradition and that held true for this ceremony.

They recited the oath of the Talmeliers

"Since it is the source of Life,  
Whether it is white or brown,  
Holy Oracles  
Have sanctified the bread  
By Saint Lazare and Saint Honore  
I promise to praise in every place  
The virtues and the qualities of the bread."

They were then invited to eat a piece of a loaf that had its top opened and expertly cut into four pieces and wash it down with local vintage. The Master of the Talmeliers then tapped them on both shoulders with a specially designed oven peel. Finally they were presented with a medal and a beautifully inscribed scroll.

Afterwards, Esther said " I feel so honoured and proud and I wish my father could have been here for this honour and recognition".

It is encouraging in these

times of high technology that France is upholding its tradition of good bread and despite very difficult times in Ireland for small bakeries, Barrons in Cappoquin are doing their utmost to maintain their tradition.

#### TOURNOI DE PETANQUE

We will be holding our second Petanque (Boules) Tournament in Twig Bog in the afternoon of Sunday 21st July. We decided not to have

the competition on Bastille Day this year in order to make this an international competition with the participation of some visitors from the Auvergne who arrived last week. Last year's winners, Aisling, Ciara and Louise should perhaps put in some practice if they are to hold on the trophy. Everybody is invited to come along and try this entertaining, traditional French family game.

## Asthma

### What is Asthma?

Asthma is a chronic inflammatory lung disease, characterized by spasms or constriction of the bronchial tubes, and secretion of thick mucus, that is activated by irritants referred to as triggers. During an asthma attack, the air passages in the lungs narrow and contract, and various types of irritants in the atmosphere can trigger this contraction response. Asthma is thought to be a result of genetic susceptibility. The chance of having an asthmatic child are thought to be six times higher if both parents have a history of asthma. Over the past few years there has been a vast increase in the cases of Asthma, especially in industrial countries.

### What are the Symptoms and signs of Asthma?

There are common triggers for asthma, and these triggers are substances or situations that set off asthma symptoms, these symptoms are as follows;

- Wheezing
- Coughing
- Shortness of Breath
- Feeling of tightness in the chest
- Persistent cough (especially at night)

The most common triggers are as follows:

- Allergens
- Weather
- Exercise
- Airborne irritants
- Respiratory infections
- Emotions and Stress

Allergies affect about 80% of children and about 50% of adults with asthma. The most common allergens are dust mites, cockroaches, mold and pollen.

The symptoms of asthma are similar to emphysema and bronchitis, so it can be difficult to get a correct diagnosis. One of the tests that are carried out to diagnose asthma is a PEFR (Peak expiratory flow rate), this involves blowing air out as hard as possible which is then recorded. Other tests include chest x-rays, and blood and allergy testing.

### Treatment and Outlook

There is no cure for asthma, but there is treatment available that alleviates the symptoms. One of the most important factors in achieving long-term control of asthma is to avoid exposure to tobacco smoke, and to minimize the effect of dust mites, animal hair and mould in the home. Medication is used to control inflammation and to relieve symptoms. The drug treatment will vary from person to person. The use of inhalers also alleviates the symptoms.

It is vital that a person with asthma takes the medication which has been prescribed by their doctor and that they avoid smoking or being near people that smoke. If you require further information regarding asthma, please contact our office. ## Why an Aardvark needs to have such a long nose

THE aardvark, also known as the ant bear, is a species of mammal found throughout Africa.

It gets its name from the Afrikaan word for "earth pig" and is a slow, large animal that many people say resembles a pig.

The aardvark is yellowish-brown, about five feet long, with a two foot tail. It weighs up to 170 lb or more than 12 stone - similar to a grown man.

It has a narrow head and a long snout, designed for getting deep into ant and termite mounds.

The aardvark's ears are large and rabbitlike and it has extremely good hearing. Its short, fat legs, partially webbed feet and long claws are ideal for burrowing and creating large dens in which it sleeps.

They are also good for tearing apart the mounds of the ants and termites which it eats with its long, sticky tongue.

## Aborigines — the original inhabitants of Australia

Aborigines lived throughout Australia long before Europeans discovered it. As long as 40,000 years ago small groups arrived by sea, probably from southeast Asia to the north coast of Australia.

Before the first European settlement of Australia, there were about 300,000 Aborigines. But today there are only 125,000-130,000 - and 70,000-80,000 of them are mixed Aboriginal and European.

In the past there were about 500 different tribal groups, each occupying a particular stretch of country and speaking a different language or dialect.

Among the best-known Aboriginal groups are the Aranda, Bidjandjajara, Gurindji, Gunwinggu, Kamilaroi, Murngin, Tiwi, Wailbri, Wurora and Yir-yoront.

They used to keep to their own territories but joined with neighbouring groups for religious gatherings and trade. They did not have permanent settlements but made small camps near watering places, building wind-breaks and huts.

Because they were mobile, they had few everyday belongings. Men carried spears and various kinds of boomerangs.

They usually went naked, but groups living in cold southern areas made and wore fur cloaks.

## The world's biggest bird can run — but it can't fly!

The ostrich is the largest living bird. It grows up to 10ft tall and weighs more than 330lb.

Although it cannot fly, the ostrich is able to take 12ft strides and to run at 30 mph for 15 minutes or more. In short bursts it may reach 43 mph when it is on the run from predators.

If cornered, it can kick dangerously with the two clawed toes on each of its long legs. It has a long neck and a small head, with large eyes and a short, flat bill.

Ostriches live in dry, open country, where they eat succulent plants, fruits, grasses and leaves as well as insects, lizards, birds and mice. They can go for long periods without water.

They commonly live in small flocks. Sometimes, due to food or water conditions, they may temporarily join to form a group of several hundred birds. The male ostrich usually makes a nest by scraping out a dent in sandy ground. All his wives (usually two or three) lay their eggs in the same nest.

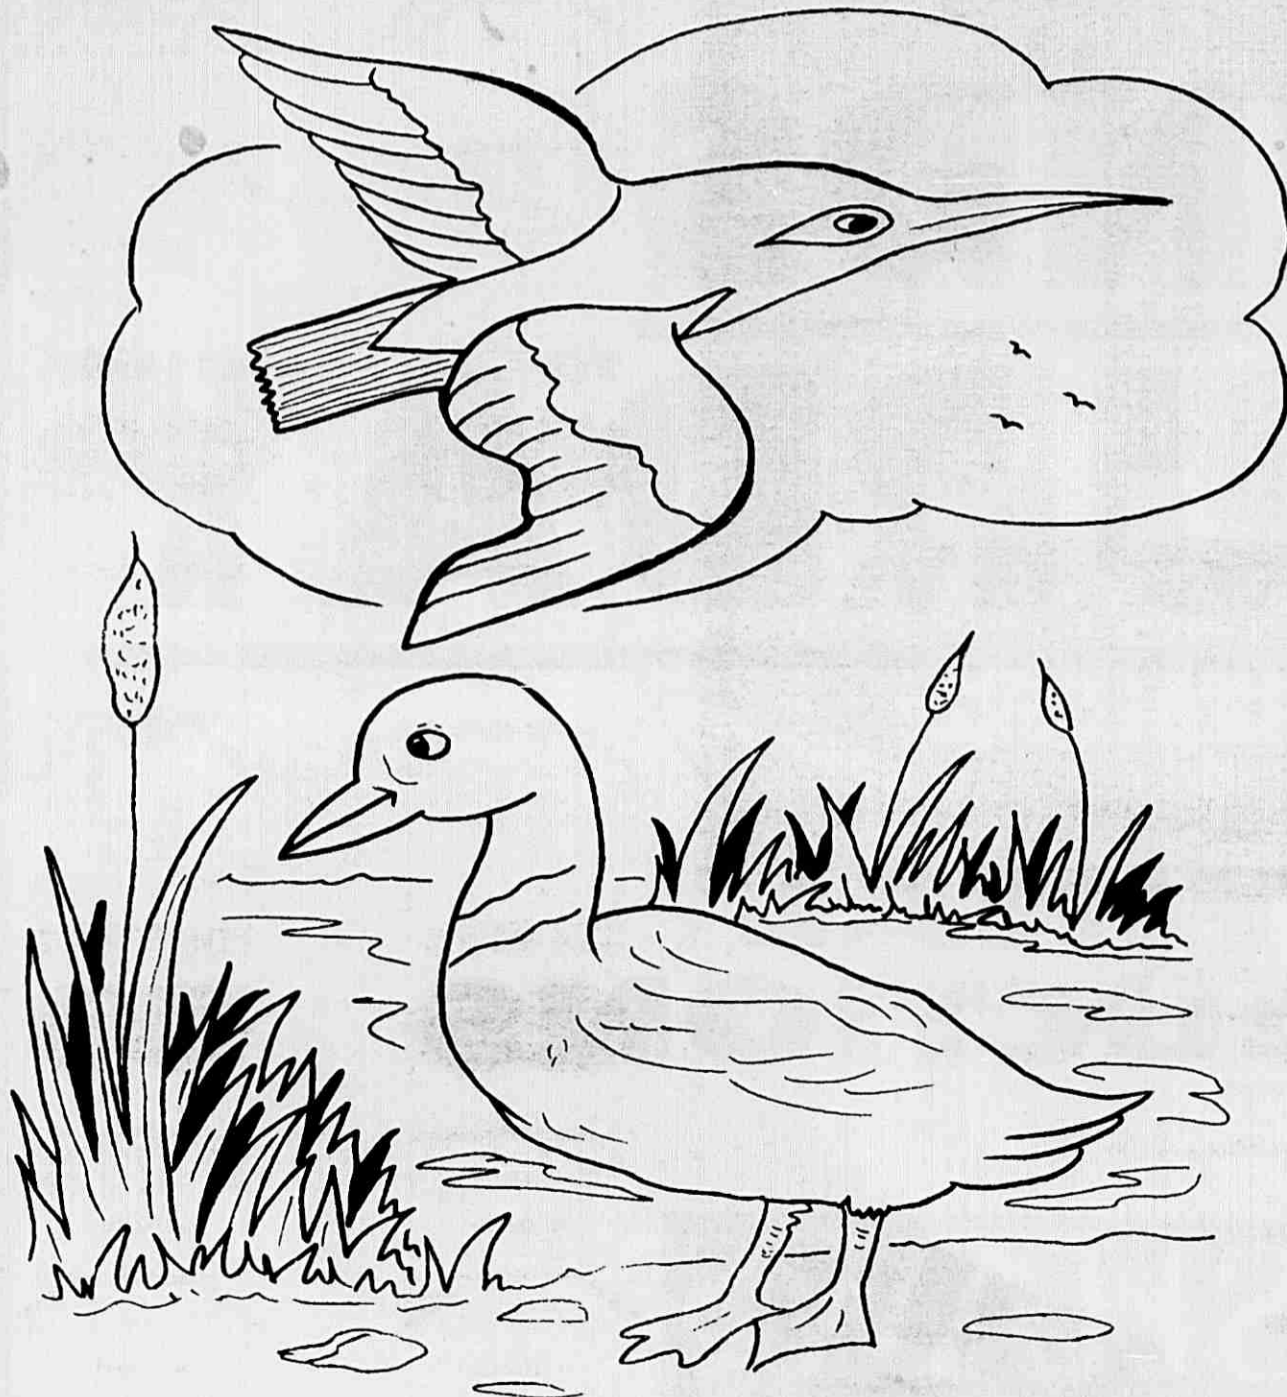

A family of females may lay from 15 to 30 eggs, but not all hatch. The eggs are larger than those of any other living bird, and each may be 6 inches long and 5 inches wide, weighing up to 3.5 lb.

The young hatch in 42 days and are able to run almost immediately. Ostriches reach full size in about 6 months and live for 30 years.

# COOKERY CORNER

## Knives not needed — it's already half-cut!

A TANGY ginger-flavoured Chinese chicken dish, aptly named Drunken Chicken, which will bring out the Oriental in you and your dinner guests.

**Ingredients:**

1 x no 6 chicken  
1 spring onion  
2 slices ginger  
2 x 5ml sp salt  
Half a cup of dry sherry or whisky

**Method:**

Cut the chicken into halves and cover it with boiling water. Bring back to the boil, then add the spring onion and ginger slices. Simmer, turning once, for 12-15 minutes. Turn the heat off and leave in the cooking liquid for a further five minutes. Remove with a slotted

spoon, drain and cool.

Cut the meat into quarters, rub with the salt and place in a bowl just large enough to hold the pieces.

Next, pour your sherry or whisky over the top.

Place in the refrigerator and marinate for at least two days, remembering to turn it at least once a day.

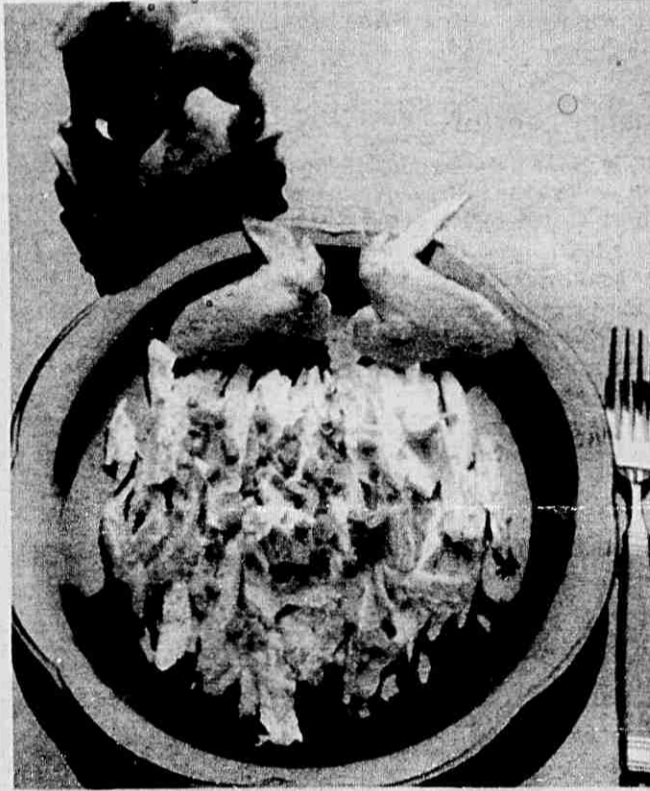

The longer you leave the meat in the marinade, the stronger the flavour will be.

When you are ready to serve the meal, remove the meat with a slotted spoon.

Chop it into bite-sized pieces and serve sprinkled with sesame seeds.

TIPS: If you prefer, shred the chicken off the bones instead of chopping it up.

If you like bourbon rather than whisky, feel free to experiment!

## Designer Burger with added chilli

DESIGNER cheeseburgers! Tasty meat patty, topped with cheese and served with salad and toasted bread.

**Ingredients:**

Serves 4  
700g lean ground beef  
1/2 x 5ml sp ground cumin  
1/3 cup finely chopped onion  
1/2 x 5ml sp oregano  
1/3 cup dry bread crumbs  
4 slices Swiss cheese  
2 x 15ml sp green chillis, seeded and finely chopped  
4 slices French bread, lightly buttered  
1 egg  
4 crisp lettuce leaves  
3/4 x 5ml sp salt  
4 large tomato slices  
1/4 x 5ml sp black pepper  
4 sweet gherkin pickles.

**Method:**

Combine the ground beef, onion, bread crumbs, chillis, egg and spices in a bowl.

Mix thoroughly. When the mixture is completely combined, divide into equal amounts for the number of servings.

Shape each portion of the mixture into a thick patty about 10cm (4 inches) in diameter.

Cook the patties on a grill until they are done to your liking. This usually takes around five or six minutes a side. Place a slice of cheese on each patty and toast the bread slices on the grill during the last few minutes.

To serve, place a toasted bread slice on each plate and top with a lettuce leaf, tomato slice and a cheese-topped patty. Garnish with a gherkin and serve open-faced to eat with a knife and fork.

## You'll all go nuts for these acorns

AN easy yet elegant butter pecan cookie shaped to resemble an acorn, and dipped in melted chocolate chips and chopped pecans.

**Ingredients:**

Makes 36 acorns  
1 cup butter, melted  
1/2 x 5ml sp baking powder  
2 1/2 cups all-purpose flour, sifted  
1 1/2 cups pecans, finely chopped  
3/4 cup brown sugar, firmly packed  
1 cup semi-sweet chocolate chips

**Method:**

Preheat the oven to 375 degrees F. In a large bowl, beat together the butter, brown sugar, half of the chopped pecans and vanilla

on medium speed until well blended. Add the flour and baking powder and mix well, using a low speed.

Shape the dough into 3cm (1 inch) balls. Slightly flatten the balls by pressing on to ungreased cookie sheets, then pinch the tops to a point to resemble acorns.

Bake in the oven for 10-12 minutes. Remove the acorns from the oven and cool them on wire racks.

In the top of a double boiler over simmering water, melt the chocolate chips, stirring until smooth. Remove from heat and keep double boiler over water.

Dip the large ends of the cooled cookies into the melted chocolate, then roll them in the chopped pecans. Cool to set the chocolate.

## Health Tips from "Remedies"

### Aloe Vera

**USES:** Healing of wounds and burns, sunburn, psoriasis.

**HOW IT WORKS:** The plant contains anthraquinone glycosides, resins and polysaccharides.

When taken internally, Aloe Vera has a cleansing effect on the body, by virtue of its action on the digestive tract. This makes it useful for a number of skin conditions, where the process of internal detoxification is deemed by Naturopath to be important. Scientific use of Aloe in wound healing was first documented in 1935. Since then, there have been a number of studies showing its effectiveness as a treatment for burns, including sunburns and other wounds even internal ones.

**POOR MANS SEAT IN DANGER** — Above is a picture of the damaged sea wall fronting the small park behind the poor man's seat. Some of the large stones making up the sea wall have dislodged for more than twelve months now. Because of high tides and stormy weather the little park will gradually be eroded and eventually the footpath underneath the poor man's seat and even the Main Road will be in danger of erosion. Cllr. Michael O'Riordan will continue to bring pressure to bear on the local authority to have the wall repaired immediately.

## NO DOGS ON BEACHES

The implementation of the 'Dog Litter Act' will be discussed at the next meeting of Waterford County Council. According to the Act no dogs will be allowed on a beach that is patrolled by lifeguards between the hours of 9am. and 9pm. This will be relevant to Clonea Beach during the summer season.

## Murphy Place Improvements

The Urban District Council promised six months ago to tarmacadem the end of Murphy Place. To date this work has not been undertaken. At this stage one wonders if the work will be completed at all before winter sets in.

**SURVEY 2002** — We had the first Ballinacourty winner this week in the person of Joan Hogan, who just pipped Ciaran O'Brien, who is also from Ballinacourty. Ann McCarthy maintains her lead in the overall placing is followed closely by Mary Rose Drummy. Special Hamper for the winner of Issue 10. Instead of the usual money prize we are putting up a hamper for the next winner.

## Ballinacourty Draw With Kilrossanty In Junior Championship

This always competitive and interesting championship game was played in Stradbally on Friday evening last. Kilrossanty were quickly into the offensive but a great block down by Michael Collins saved a certain score. Ballinacourty opened the scoring when J.P. Keoghan pointed from play. Michael Cosgrave added another from a free. In the tenth minute, Kilrossanty had their opening score, a point from 20 meters and Dale Power added another having received a pass from Veteran Pat White. Jason Donovan was harshly sent off and Ballinacourty looked to be in trouble especially when Kilrossanty took the lead with a point from play. However, they failed to press home their advantage before half time.

In the second half, Ballinacourty were awarded a close in free and Michael Cosgrave sent a pile driver to the roof of the net even though Kilrossanty had a line of five players on the goal line. Michael added a point from a long range free and Ballinacourty had signified that they were putting it up to Kilrossanty in a big way.

They responded positively and making use of the extra man, Kilrossanty piled on the pressure and five points without reply from 'Courty saw them take a two point lead with time ticking away.

'Courty dug deep and a pointed free from Michael Cosgrave and an inspirational point from play by J.P. Keoghan meant the teams must meet again to decide which of the clubs are supreme at this level.

Ballinacourty: Enda Walsh, David Cashin, Michael Collins, Joe Walsh, Liam Briggs, Simon Hanrahan, Keith Browne, James Keoghan, J.P. Keoghan, Shemo Burns, Pat O'Brien, Luke Brennan, Jason Donovan, Michael Cosgrave, Nicholas Dunne.

## Hurling Summer Camp

# New Study Plan Examines Waste Recovery Sites Near Dungarvan

Continued from Page 1  
may be used as a regional one for the South East.

Lismore's Sam Shire recycling centre has also been criticised in recent months as reaching its capacity for handling waste, while a county-wide landfill in the Lickey Valley has been cast in doubt following a High Court challenge.

However, Mr. McCarthy in the report states that once a suitable site has been identified, public consultation under the Planning and Development Act will be carried out.

Mr. Connolly said the study was carried out by Waterford County Council to address the growing industrial and residential requirements within the town since the economy's growth during the 1990's.

Carried out by consultants, Petitors, water supply, waste management and drainage have been highlighted as the main areas in need of development with their extension likely to open up new land banks for development.

Already two million euros have been allocated for plan-

ning purposes, to explore the provision of new water supply sources and the improvement of the existing water service.

Surface water drainage is a particular problem to future developments, Mr. Connolly contended, with some future developments liable to flooding.

"The consultants have recommended these problems are addressed at the Planning Application stage", he added.

At present the council is to also examine the cost of putting in drainage on Fr. Twomey's Road, Shandon,

Strandside North and Tournore but no decision is likely before October.

Labour Councillor Billy Kyne welcomed the new strategy, which he described as "the benchmark for the future development of Dungarvan" and paid tribute to both Jim O'Mahony and County Manager, Donal Connolly for putting it in place.

The Dungarvan and Environs land use study will be on public display in the Civic Offices for four weeks from last Monday until the 9th of August.

# ESB Require Naming of Shandon Estate Before Connection

With every day Dungarvan Town Council delays naming the new Shandon housing estate, it delays the residents taking up tenancy of their homes, Town Clerk, Brian White warned members at last Monday's meeting of the local authority.

An ESB requirement that an estate must be named be-

fore it is connected for electricity has led to meetings with the new tenants, but as yet no name has been decided on.

Two suggestions for names were made to the Town Council - Sean Dun and An Coilleagain - with the final name picked required to be local and bi-lingual, accord-

ing to Mr. White.

He said "it is not possible as was the practice of old to call the houses 'New houses at Shandon' pending agreement on the estate name".

However, the elected members were concerned that whatever name they decided on the night would remain in place forever, and that proper consultation should be carried out with the new residents.

Cllr. Teresa Wright said a meeting with the residents of the 40-house estate threw up "some good names" and called for more time to discuss these with them while Cllr. Michael O'Riordan warned that difficulties could arise if either of the proposed names were used.

"The name Shandon for the estate could cause confusion as it's such a large area and to call it anything to do with the Colligan - well, the river starts near the Comeragh mountains", he said.

Arguing that an interim name should be given to the new estate, Cllr. Damien Geoghegan argued, "it's only for the ESB. We could give them a name then change it later".

However, Cllr. Billy Kyne, said the names had a connection to the local area, a meas-

ure introduced by the council to prevent "terrible names that bore no relation to the locality" with Council officials ultimately agreeing to decide the name after a meeting with the residents on Wednesday night (tonight). The Council will also hand over the keys to the resident new Shandon homes on the same night.

An art-piece or sculpture is also likely to be commissioned to mark the development of the new houses under the one per cent for art scheme, Brian White revealed.

## Dungarvan Technical College To Be Completed In August

The new Dungarvan Technical College on the Youghal Road looks set to be completed midway through August, according to the project architect, Dermot MacCabe.

Mr. MacCabe confirmed that the eur3.81m development of the new school will be finished on the 19th August, although the sports complex may take longer to be completed.

He said the sports hall is preceding on a slower schedule but will be finished soon after the projected date.

Pat Lavelle, head of the VEC, added that he was pleased with the progress to date and invited the members to visit the new school while Cllr. Billy Kyne described the news as the "coming to a conclusion of a campaign that has spanned more many years."

## Launch by County Waterford Community Forum of Strategic Plan and Funding Handbook

At the launch were seated (left to right) Cllr. John Champion, Mayor of Lismore, Cllr. Lola O'Sullivan, Co. Mayor, Cllr. Nuala Ryan, Mayor of Dungarvan and Nicola Beresford; standing: Ger Cusack, Committee Treasurer, Gabriel Foley, Chairman, Andrew Cox, Secretary and Oliver Coffey, Vice Chairman. —(Photo: Sean Byrne).

The County Waterford Community Forum on last Thursday evening in Clonea Strand Hotel, Dungarvan launched two very important and worthwhile documents – its Strategic Plan, 2002-2006 and a Funding Handbook for Community and Voluntary Groups. The honours on the evening were performed by Mayor of County Waterford, Lola O'Sullivan and by Nicola Beresford of WLRfm in front of an audience in excess of 150, an indication of the level of Community activity in the County. The launch was preceded by a funding workshop conducted by Arthur Duignan of CAFÉ and a reception composed of Waterford food and drink rounded off the evening.

### MAYOR'S ADDRESS

As Mayor of the County Waterford, it gives me great pleasure to be here this evening at the invitation of the County Waterford Community Forum to be involved with the dual launch of both the Forum's strategic plan for the next five years and its funding handbook for Community and Voluntary Groups.

From the Cork border to Waterford City and from the Tipperary border to the sea, the County of Waterford is blessed with a network of communities, the people of which pay an invaluable contribution to the quality of life for all of us. Waterford County Council fully appreciates that contribution. All the work of State, Development or Voluntary Agencies comes to nothing if it doesn't have the support of local communities. Groups come up at the coalface of local community life and know only too well the real issues that face people in the pursuit of their everyday lives. Their endeavours make our towns, our villages and our rural communities the places which we are proud to call home.

For too long, however, local communities have been in the planning and delivery of State services. The decisions were handed down and there was a "take it or leave it" mentality. Now, though, things are changing – there is a realisation, which is enshrined in national and

local policy, that local communities have a right to be involved in decisions which affect them. Local communities can now, more than ever, make a decisive input into determining their future welfare.

This whole process is, of course, very new, and will take time to successfully evolve. In forging new relationships between Community and State, mistakes will be made along the way, but ones which, with goodwill on all sides, will be always corrected. We all need to learn from one another.

It was never truer than in today's society that no man, or no woman, or no community, is an island. We can live our own individual lives, but this is best done within the scope of sharing with others – sharing fears and sharing problems but also sharing hopes and sharing solutions. Sometimes, we hear that such-and-such-a-place is a great community – what I hope is that, with the help of this Community Forum, the County will become a place which is bursting with great communities.

What the Forum does, more than anything else, is to give a strength to Communities which they could never have on their own. There can be things done which any individual community could never achieve. The pieces of work being launched here tonight are perfect examples of what communities working together can achieve. The funding handbook is a work which, I know, Community Groups, in Waterford need so badly.

The Forum is aware that many brilliant community projects never get beyond the vision stage because communities are unaware of the numerous sources of funding that are available and frequently lack the technical know-how required to access these sources.

If you want your group to be effective within your community you must be able to access the funds that are there to help get you started, keep you going or allow you to develop further along your chosen path. That is the reason why the Community Forum decided to prepare this handbook – to make it

easier for you to apply for funding by helping you with your application and letting you know to whom you can apply depending on your area of work. The Handbook, which gives information on sources of funding and advice on how to go about securing this funding will be an invaluable tool for communities.

We hope that you will find this handbook useful and that it helps you overcome the difficulties that so many of us have found with the whole area of funding applications. Our work is too vital within our communities to be hampered by a lack of funds.

On last Friday evening, we launched the County Development Board's strategy for the development of County Waterford. Within it was a recognition of the role that the Community Forum will play in the future of County Waterford.

With the launch of the Forum's own work here tonight, we must recognise that changes are occurring in the way we do business with one another. We must accept these changes and adapt to suit them and ensure that, between us all, we make our lovely County a better place for everyone.

### NICOLA BERESFORD

Nicola Beresford spoke of her own involvement in community activity and her awareness of the contributions that volunteer-led activity can make to local areas. From the time of her involvement in broadcasting with WLRfm, she has also become acutely aware of the issues and difficulties facing community groups, especially smaller ones and, even more especially, those groups representing the more marginalised in society. Regularly, they feel that they are not being listened to. Above all, she felt that the main potential of the Community Forum would be to give that strength and that voice to communities, which each of them alone could never achieve.

Compered by Eilish Corr, the evening had also a contribution from Community Forum Chairperson, Gabriel Foley and a presentation on the strategy by Treasurer, Ger Cusack

# Fuchsias, still a firm favourite

**HALF-HARDY** hybrid fuchsias are some of the most popular of all pot plants.

They can be kept indoors or outside on the patio in summer. During the winter they can be kept in a frost-free porch or conservatory.

Fuchsias are usually grown as upright bushes in individual pots but some varieties can be used as trailing plants for hanging baskets.

Colours range from pure white through cream, pink and red to crimson. All varieties have the characteristic dangling flowerheads and the outer petals are usually of a contrasting colour to the inner petals.

Fuchsias will grow happily in a sheltered sunny position and should be watered regularly and fed from early summer to early autumn.

**HARDY FUCHSIAS** (fuchsia magel-

lanica) will survive mild winters outdoors and grow to a height of 6 ft with a spread of up to 4 ft.

They should be planted in early summer and watered frequently. They produce bright crimson flowers.

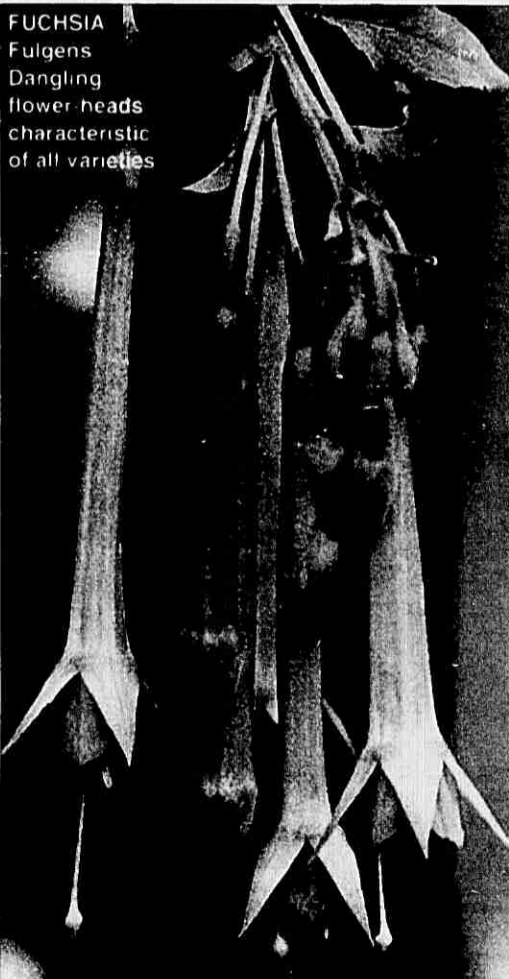

Recommended varieties include Gracilis, Versicolor, Pumila and Tom Thumb.

**TENDER FUCHSIA** (fuchsia hybrids) can be used in pots or hanging baskets.

They should be planted in early summer in a loam-based compost.

They should be well watered throughout the summer until the plants are brought indoors in the autumn to escape the frost.

Recommended varieties include Cascade (white sepals with red petals), Falling Stars (red), Swingtime (red sepals and white petals), Constellation (white), Miss California (pink), Thalia (red) and Fascination (red sepals and rose pink petals).

## THIS WEEK IN THE GARDEN

### PLANT MADONNA LILIES

This is the ideal time to plant liliun condidum, the Madonna lily. It differs from almost all other lilies in making quite a lot of new growth in late summer, and it should be planted before this starts. Another peculiarity is that the bulbs grow practically on the surface. You should plant them 20 cm apart and only cover them with 5 cm of soil. After a while they will probably work themselves out until they show; make no attempt to cover them again. This lily prefers a sunny position and reasonably good, but not freshly manured, ground.

### LIFT DAFFODILS AND BULBOUS IRISES

Daffodils and narcissi, also the various bulbous irises, will now have completed their growth and may be lifted and cleaned off if they are overgrown or you need the ground for something else. Otherwise leave them undisturbed for another year. They do not gain anything by annual lifting and drying, as do tulips and hyacinths. If you do lift them, get them replanted as soon as possible and certainly before the end of September.

### CUT BACK HELIANTHEMUMS

Sun roses tend to get rather straggly if left to their own devices, but if cut back a little each year at about this time they can be kept quite neat and tidy. You can do the work with a large pair of scissors or garden shears.

### START TO FEED CHRYSANTHEMUMS

It is a mistake to begin to feed chrysanthemums of any type too early, but you can safely start now. The more varied the feed the better. Give very small doses every five days or so mixed with plenty of water and used in place of the ordinary water. Liquid manure, made by steeping a small sack of cow, horse, or sheep droppings in a tub of water, can be varied with soot water and any good chemical fertiliser made for chrysanthemums and used as directed by the manufacturer.

### Fuchsias: taking cuttings

- Cuttings taken in late spring will produce flowers by summer.
- Choose shoots with three or four pairs of leaves and trim off just above the lowest pair
- Dip the ends in hormone rooting powder.
- Insert four or five cuttings around the edge of a 3-inch pot filled with seed compost.
- Cover with a plastic bag and keep on a warm window sill.
- The cuttings will root within two to three weeks.
- Once they are growing strongly move them into individual pots.
- When they are between four and five inches high pinch out the growing tips to encourage bushy growth.

# Concern Over F.A.I. Television Deal

Cllr. Fiachra O Ceilleachair

A motion of congratulations passed at last month's meeting of the council for Mick McCarthy has now been tinged with regret, according to a Labour councillor.

Cllr. Fiachra O Ceilleachair proposed that the local authority write a letter to the FAI to protest their sale of the rights of Ireland's Home International's to British company Sky.

He said it was of particular concern that out of the one million plus households, only 200,000 had the satellite station.

His Labour colleague, Cllr. Billy Kyne, was also concerned that the state broadcaster had lost out. Having been involved for many years in local soccer, he said it was clear that it wasn't just the FAI who were to blame.

The Government also came out badly from the deal having not provided RTE with enough resources, he said, while RTE, themselves, did equally poorly as not enough ef-

Cllr. Billy Kyne

fort was put into past coverage.

However, he was "appalled" by the decision, which he described as "indefensible", although he felt the starving of RTE's funds had ultimately "lead to the debacle" and backed the proposal to send a letter condemning the eur7.5m sell off.

Cllr. Tom Coffey (FG) said he was concerned on two counts. Firstly that selling public events to satellite broadcasters would draw more people to public houses, while the price of subscribing would prevent a large section of society from viewing the matches live.

Dungarvan based Cllr. Tom Higgins was also critical of the sell-off, which he claimed, had shown the "incompetence within the FAI". Following their decision to send home Ireland's best player from the World Cup, he said, the FAI had now thrown away the right of Irish people to watch Ireland's home matches as well.

Cllr. Tom Higgins

## Road Funds Falling Short Of Requirements

The Local Improvement Scheme came under heavy criticism from Aglish based local representative, Cllr. Paddy Kenneally, who described it as providing disproportionate funding to some areas.

The scheme, which provides assistance for the upkeep of non-public roads is divided among all the electoral areas.

Cllr. Paddy Kenneally

But, Cllr. Kenneally claimed the funds were not shared out fairly, with his own electoral area losing out. Instead, of the current system of providing the assistance to the most immediate cases, Cllr. Kenneally called for the scheme's distribution to be based on the number of representatives in each electoral area. Currently, he said, Dungarvan is "being robbed of funds".

However, there was little support for Cllr. Kenneally sentiments and no seconder for his proposal to change the distribution system.

Instead, his party colleague, Cllr. Ciaran O Riain said that the problem was due to the lack of funds being provided for the scheme.

"The roads that were assisted in the past are not being maintained", he contended.

Director of Services, John O'Flynn agreed that the money presently being allocated to the county was too small. He described an instance where one person had submitted an application for a road that would have used up the entire allocation given to the county.

## Cllr. Tobin Nominated To Sports Board

Cllr. James Tobin will represent the local authority on the Waterford Sports Partnership Board after being unanimously supported for the position.

Cllr. James Tobin

The Board was set up out of funding provided by the Irish Sports Council and is currently being set up as a limited company. The funding totalled eur150,000 and recruitment of a Sports Co-ordinator for the county is to begin soon.

According to Desmond Page, Director of Services for Community and Enterprise, the intention is to make the Sports Partnership as representative as possible.

Cllr. Billy Kyne said it was vitally important that the County Council's representative "punches his weight" to draw down the maximum funding possible for the county area. He said he has every confidence that Cllr. Tobin will do so.

## Bye-Laws On Lismore To Be Advertised

Bye-laws, which would cover parks, open spaces, playgrounds and recreational facilities in Lismore, are to go on public display.

The newly set-up Lismore Millennium Park would come under bye-laws which would prevent among other things cycling, skateboarding and roller skating/blading.

The public would also not be allowed to leave any vehicle in any park or undesignated open space, according to the draft laws. Controls on animals are strictly laid out in the draft plans while the playing of musical instruments, radio, and stereos at a level as to cause a nuisance is prohibited as is busking.

A person using a camera "for the purpose of business or with a view to gain, without the written permission of the council" would be subject to a fine, meanwhile.

Broadly similar to the Bye-laws put on display by the Dungarvan Town Council in the last few months, the Lismore plans would also prevent clubs and organisations from using undesignated open spaces, playgrounds, recreational facilities or parks "to take part in the game of football or any other game" without permission and subject to conditions. The bye-laws add that any person, club or organisation contravening this may be liable to have their playing facilities withdrawn.

## Tallow Playground Set To Become Reality

A playground for Tallow is finally set to become reality after agreement was reached with the local community on its location.

Cllr. Willie McDonnell

It had first been proposed that it would be situated in Cockpit Lane, but a new proposal to locate it at the entrance of the Woodview Park housing estate in the town has since been agreed with community groups.

Local Councillors, Willie McDonnell and James Tobin both welcomed the news, but Cllr. McDonnell pointed out that the location will still have to be advertised and a report on the submissions made by the public dealt with.

"There are playgrounds going into many towns all around the county and I'm pleased to see the County Council reacting to needs of Tallow as well", he said.

## BALLINACOURTY ZONING CAUSES CONCERN

The zoning of Ballinacourty as agricultural could prevent the further development of the area, Cllr. Tom Higgins has claimed.

The proposed zoning of the area comes under the Dungarvan Land Use study, which may have wide-ranging implications for the area's development.

However, special circumstances exist within Ballinacourty, Cllr. Tom Higgins said, as it is already an entity separate from Dungarvan.

He also feared that if it's zoned agricultural it would signal the death-knell of the local GAA club and school. He pointed out as well the people of Ballinacourty had accepted the location of a Wastewater Treatment plant in their area, but were now being prevented from building houses and businesses there.

However, the County Manager Donal Connolly said that currently it is zoned as agricultural and that status hasn't effectively been changed. He added the study will be soon advertised and put on public display.

Cllr. Tom Higgins

## Ballyvoile Strengthening Work Underway

Strengthening work on Ballyvoile cliff face has resumed after an accident involving a crane halted progress early this year.

The work is being carried out near the former summer residence of retired Dail Deputy, Austin Deasy, in an attempt to stop coastal erosion by strengthening a sea wall at the bottom of the cliff.

Health and Safety officials stopped work in January of this year when a crane used in the operation toppled over the cliff face. Plans on how the work could safely be carried out were since given to these officials.

Local Councillor, Tom Cunningham said he was delighted at the work but was disappointed by the notice given on the road closure and believed not enough advertising had been carried out.

# RECENT DEATHS

## LATE RICHARD (JEFF) KEATING

With feelings of deep sadness and regret we write on the unexpected passing of Jeff Keating of 16, Western Bay, Dungarvan in Santiago, Dominican Republic. A native of Abbeyside, aged 64 years Jeff was most popular and enjoyed the respect of the entire locality. Employed in the Leather Industry all his life, in 1957 he emigrated to England and trained as a Leather Technician. On completion of his course he took up a position with the Gorry Leather Company, some years later saw him join Irish Tanners Ltd., Portlaw. His wonderful reputation and expertise saw him in huge demand and it was no surprise when he teamed up with Stahl U.K. Ltd and later with its sister company Stahl U.S.A. This work brought him all over the world to countries like Chile, Egypt, Columbia, China, India, El Salvador and to the Dominican Republic where he spent the latter years of his life.

Apart from his work, he loved all sports and in his younger days he donned the colours of Abbeyside, although probably horse racing was his favourite pastime of all.

We sympathise with Ursula (nee Clancy) wife, son Jack, sisters Violet and Terry, brother-in-law Peter O'Boyle, sister-in-law Bernadette Power, other relatives and many dear friends and neighbours.

On Sunday morning Jeff's remains arrived at Dublin Airport and were brought to the Kiely Funeral Home. All Sunday evening and Monday many visited the home and paid their own individual respects and tributes to one whose untimely demise cast a great shadow over the local community. Fr. Mahony P.P., Mons P. Lannen P.E., Fr. Jim Griffen P.E., led us in rosary and prayers before the funeral cortege left for St. Mary's Parish Church travelling via Springmount and Fr. Toomey's Road before the prayerful pause at Western Bay. On Tuesday concelebrated Mass was offered by Fr. Jim Griffen P.E. with V. Rev. Fr. Ml. Enright P.P., Rev. Fr. T. O'Riordan C.C., Fr. O'Mahony P.P., while Fr. Slator O.S.A. also attended the funeral obsequies. The lessons were read by Pat Cullinane and son Jack shared the Psalm. The offertory gifts saw Ollie O'Neill (finished leather), Noel Grant (wine), Peter O'Brien (bread) bring the gifts to the altar. The music of Gertrude Morrissey (accompanist) and the voice of Lena Walsh made the funeral Mass a real celebration of Jeff's life. In the adjoining cemetery we gathered for final

prayers and blessing as Jeff Keating who took his leave so suddenly and so unexpectedly was laid to rest.

## LATE BRIDGET (BIDDY) BOURKE

It is with deep sadness and regret we record the passing of Bridget Bourke nee Whelan, late of Knockmeal, Ballinamult, on Monday, 1st June in the care of the matron and staff of The Cottage Nursing Home, Clonmel, in the presence of her family. Bridget was predeceased by her loving husband James, on 1st May 2001. The deceased was 79 years old and was a member of the Whelan family, Knockmeal. She had one brother Tommy, who died on 15th August 1980.

Bridget had not enjoyed the best of health for some time, but endured her illness with great spirit and determination.

Bridget was a kind and gentle woman and enjoyed the respect of one and all. A great neighbour, who was always generous and ready to give a helping hand when needed.

After her schooling, Bridget lived and worked in Thurles where she made many lifelong friends and indeed, this is where James and herself met.

James and Bridget married on St. Valentines Day, 1961 and set up home in Knockmeal in her family home. They reared a family of three daughters, Alice, Joan and Nora. Bridget had great interest in and love for all her family and took great pride in her eight grandchildren, Sarah, Claire, David, Sinead, Kevin, Jason, David and James.

Bridget took immense pride in her home and always managed to keep it spick and span. She also loved cooking, and baking in particular and always came up with "something nice" with the cup of tea for whoever should call, be they family, friends or neighbours.

Bridget was a woman of great faith and up to the end took great pride in her prayers and in particular the rosary. Her passing has left a great gap in all our lives but we will continue to cherish all the happy memories we have of our times together with her.

The measure of the high esteem and regard in which Bridget was held was clearly

indicated by the large numbers of people who came from far and near to offer sympathy to her family.

Prior to Bridget's removal from Kiely's Funeral Home to St. Mary's Church, Touraneena, her dear cousin and great friend Canon Liam McNamara, Templemore recited the rosary. On arrival, her remains were received and blessed by Rev. Connie Kelleher P.P., Touraneena.

On Wednesday morning, requiem Mass was celebrated for the happy repose of her soul by Canon Liam McNamara, assisted by Fr. Arthur and Fr. Kelleher. The liturgy of the word was read by Bridget's daughter Alice and her god-daughter Dolores O'Sullivan, Thurles. Prayers of the faithful were recited by her grandchildren Sarah O'Brien, Claire O'Brien and Kevin Sheehan. The offertory gifts and two personal items were presented at the altar by grandchildren David Whelan, David O'Brien, Kevin and Jason Sheridan. The local choir provided appropriate music and hymns.

After communion, Mona O'Brien, a dear friend recited a reflection dedicated to the memory of Bridget.

In the adjoining cemetery we gathered for the final prayers and blessing, as Bridget was laid to rest along side her dearly departed and much loved husband, James.

The chief mourners were - daughters Alice, Joan and Nora, sons-in-law Gerard O'Brien, Michael Sheehan and Michael Whelan, grandchildren and a wide circle of relatives and friends.

"Her labours are now over, may she rest in peace".

(Funeral arrangements by James Kiely & Sons Funeral Director).

## LATE PATRICK (PADDY) FOLEY

Paddy spent the last number of years of his life in the loving care of the matron and staff of St. Carthage's House, Lismore. Paddy will be sadly missed and his passing is much regretted by all. May he rest in peace.

took place in Old Affane Cemetery, Rev. Fr. Barron P.P. officiated at the graveside where Paddy was laid to rest in the family grave. May he now enjoy the reward he so richly deserves in his heavenly home where he will be reunited with his loved ones.

## LATE SEAN HICKEY

With feelings of great sadness and sorrow we record the passing of Mr. Sean Hickey, late of Farnborough, Hampshire and formerly of Barrack Street, Cappoquin which took place on June 13th at the comparatively early age of 62 and following a brief illness.

Sean emigrated to England at the tender age of 15 but he never lost his great love of Ireland and was a frequent visitor to Cappoquin over the years.

A keen follower of all sports he loved soccer more especially and he was an ardent supporter of Chelsea football club.

Predeceased by his uncles Michael (Jessie), Willie and Paddy Gallagher, Sean's burial took place in England.

Deep and sincere sympathy is extended to his sorrowing wife Maureen (England), his sister Patsy (Australia), his four children Mark, Dawn, Kim and Sean (England) and his four grandchildren, Siobhan, Shona, Shannon and Sean (England).

## I AM WITH YOU ALWAYS

To those I love and to those who love me

When I am gone, release me, let me go,

I have so many things to see and do.

You mustn't tie yourself to me in tears,

Be happy that we had so many years.

I gave you my love, you can only guess

how much you gave me happiness.

I thank you for the love you have shown,

But now it's time I travelled alone.

So grieve awhile for me, if grieve you must,

Then let your grief be comforted by trust.

It's only for a while that we must part,

So bless the memories within your heart.

I won't be far away for life goes on,

So if you need me, call, and I will come,

Though you can't see or touch me,

I'll be near;

And if you listen with your heart, you'll

hear all my love around you soft and clear.

And then when you must come this way alone,

I'll greet you with a smile and say,

"Welcome Home".

## IRISH NIGHT IN AID OF FAMINE IN AFRICA

On Monday night next July 22nd all roads lead to Clonea Hotel, Dungarvan for an Irish night in aid of famine in Africa starting at 9:00pm. The wonderful talents of traidisunta will provide music and dance. Your support for this very worthy cause is urgently needed at this time. Do you know that 15E will supply a family in famine struck southern African nations with enough grain to feed them for one month. Nations which are now facing their worst famine in decades, Malawi's Vice President recently estimated that as many 3 million of the 10 million Malawi's face the prospect of starvation. It is estimated that 1.3 million tons of food will be needed to avert disaster.

The demand is now peaking in August and September, Christmas will be too late!

They depend on maize as their main food. It was introduced like the spud in Ireland and they depend on it. This year it is not growing and they have nothing to harvest now - only do like the Irish could do years ago, go out and pick the one spud they could find and that to eat.

## JULY 30TH - TRIP TO KNOCK

The Clashmore group annual trip to Knock will leave Clashmore village on July 30th at 9:00pm for the annual two day trip to Knock. A bus will leave from the Grotto travelling to Knock with an over night stay and returning the following day. ## WATERFORD - MONAGHAN WEDDING

The very beautiful, historical St. Mary's Collegiate Church which is said to have inspired Spencer to write the 'Faerie Queene' which was among its wonderful historical features the east window, which recalls some of the great names who have had a share in shaping the history of the church. Among those who's coats are depicted here are Sir Walter Raleigh, The Duke of Devonshire and many more.

This was the setting for a recent, very pretty Waterford - Monaghan wedding at which Rev. Susan Waters officiated. The bride, Keri Torney, daughter of Richard and Denise Torney, Ardsallagh, Clashmore and the bridegroom was Mark Taylor, son of Jo and Eddie Taylor, Rookery, Co. Monaghan. Family and friends joined Kerri and Mark to celebrate their marriage at Barnabrow, Shanagarry where they enjoyed the wonderful music of Art Supple and his band. # TALLOW NOTES

## BRIDEVIEW UNITED A.F.C. NOTES

### U14 Cup Final Missed Chances Prove Costly

Indeed the missed chances proved very costly for our young U14 players. The scoreline would suggest that this was a one sided game but nothing could be further from the truth. Match report further on.

### Presentation

The winner of our lotto jackpot namely Michael Kenneally from Ballyduff received his cheque of 8,320E last Saturday night. A great supporter of ours, we are delighted to see people who support our lotto week in week out get something back. Congratulations Michael and here's wishing you luck in the future. On the back of your lotto ticket over the next few months you will find the name of Walsh's Drapery and Footwear. A great supporter of all clubs in the area its important that we all support Walsh's Drapery where possible. In action in Fermoy this week were our U7, U8, U9 & U10's and all teams did well.

### Match Reports

#### U14 Cup Final

#### Ardmore 5

#### Brideview Utd 0

Looking at the scoreline here one could be forgiven for saying that this was really a one sided game. Nothing could be further from the truth. This was a game that perhaps United should have won. Our lads played with a spirit, determination and skill in the opening half was a real joy to watch. So too did Ardmore and with some real gems of goals being scored even the good sprinkling of United supporters applauded these goals.

The game was only 4 minutes old when a cross by one of Ardmore's wingers was deflected into the United net by our defenders. A terrible start for our lads but their heads did not drop. Instead they took the game to Ardmore. After just 9 minutes a great effort by Jamie Tobin saw the keeper somehow get down to score it. In the 18th minute, Hampton set up Tobin who rounded the full back only once again the keeper denied him when a goal looked certain. Eamon Forbes had a great effort from the edge of the box just shave the post while Tobin again got in behind the defence in the 27th minute and his rally was again saved at the expense of a corner.

Two minutes later a great run by Seamus Kenneally saw his cross headed against the crossbar by the intruding Forbes. At this stage one felt that maybe it would not be

our night. It was then Kenneally's turn to test Ardmore's keeper in the 30th minute when he beat the centre half but the keeper came out and once again denied United of another certain goal. As happens in games Ardmore had a rare attack and after some marvellous skill saw one of their forwards score a terrific goal. Just before the break Forbes great cross saw Tobin and Henley coming in at the back post but somehow both failed to connect. So after a hectic first half our lads went in at the break two goals down when we really should have been at least two goals in front.

Disaster struck for United when Ardmore scored their third goal 5 minutes into the second half. We again took the game to Ardmore and Murphy, Forbes, Hampton and Hickey all went close. Ardmore clinched the cup with two goals in as many minutes in the 26th & 27th minutes and at this stage there was only going to be one winner. So defeat for United but they can all hold their heads high. Conor Lane could not be faulted for any of the goals all of which were well taken. Defenders Condon, Kearney, Power and O' Neill played well against a strong Ardmore front line, midfielders Hickey, Kenneally, Forbes and Hamilton played right up to the final whistle.

Our front men of Tobin and Henley kept Ardmore's defence on their toes right throughout this game. Our reserves of Murphy, O' Grady and Fitzsimmons tried hard when introduced in the second half. To managers Frank and Sheila we say well done, not forgetting the players who put a great effort into the season. Missing from the squad due to holidays was Luke McCarthy.

United: C.Lane, E. Condon, M. Kearney, S. Power, G. O' Neill, E.Hickey, S. Kenneally, E. Forbes, G. Hampton, G. Tobin, K. Henley.

Reserves as used: B. Murphy, M. Fitzsimmons and S. O' Grady.

### Results From Fermoy

#### U7 Game: Fermoy v

#### Brideview Utd

A tremendous attacking performance by this team. Goals from Sean Barry, Robert O' Sullivan and Dec Long gave United a victory here. The only sour note here was the booking of Dec Long who took of his shirt after scoring the goal to celebrate with his fans.

### U8 Game: Fermoy v

### Brideview Utd

We were a goal down at the break but we went on to win a real cracking games 4 goals

to three.

This team loves to score goals. Real Brazilians, erratic defending but brilliant going forward. Even a Sean Ronaldino style free kick.

United: K. Frasier, S.Lucey, K.Hallahan, R. Barry, A. McCarthy, A. Curran, S.Collins, N. Curley, A. Sheehan, D. Rafferty, S. Barry.

### U9 Game: Fermoy v

### Brideview Utd

Hartnets 'Babes' continued where they left off last season. A brilliant team with a great future.

United: K. Flavin, J. Fitzgerald, B. McCarthy, A. Riordan, S. Barry, D. Hennessy & D. McCarthy.

### U10 Game: Fermoy v

### Brideview Utd

We suffered our only defeat of the night here but the team tried hard and never gave up. Outstanding here were the 'spice girls' - Amy, Jackie and Stephanie

### New Faces

Rumour has it that the club is about to get a big injection of new blood or new faces as it were on board the committee. We could have as many as nine and this will be a terrific boost to the committee. Especially with the opening

Belated Happy Birthday to James Ahern, West St. I know this should have been in last weeks. Sorry about that. Connie Henley also celebrated his birthday last week along with Jemma Clynh a big 2 years of age. Not forgetting Father Billy as well. Tina McNamara has a birthday party this week. Tina will be well Noreen said 40 but I think it is 30 years of age. Ah yes I remember it well. The Valley Rangers man namely Derry O' Leary was a big 25 years of age last Wednesday. I am told he is still looking for a girl with a bit of land. The girls were in full flight at the 21st on Saturday night last, while Mick had the fans rocking at the stag.

### News to Hand

One of our players was seen running through Woodview Park last Friday week. Nothing wrong with that but all he had on was a coat, underpants and a smile. Lets just say it was an emergency.

### Tallow G.A.A. Lotto 8/7/02

Nos drawn: 9 18 21 22. No jackpot winner. Consolation prizes: Theresa Cunningham, Irene O Keefe, Noel Tobin, Veronica Casey. Promoter: Mary Murphy. This weeks jackpot. E2700.

### Club Comes First

So it should be but is rarely the case nowadays when the glamour of county and college takes precedence. It is gratifying therefore when you see young lads making sacrifices for the pride of playing for the "humble" club.

Three of our senior players, Dave and Paul O'Brien as well as Will McDonnell had been looking forward to the Witness concert all summer. There was a 10 week gap from our last championship game and then the fixture against Stradbally is fired in at a weeks notice. To their credit the lads cancelled their trip and put the club first. Would that we had more like them.

### Welcome to Tipperary - Home of Football

The story going 'round this week is that all the old signs in Tipperary are being taken down and replaced with the above.

### U14 Hurling Tournament

Just a reminder to all the U14 lads about the Tournament in Aglish this Saturday. We thank Michael Phelan for his kind invitation into this 4 team tournament. Teams competing: St. Olivers, Coisbhride, Brickey Rangers and Glenshesk (Antrim). Leaving at 9 00 a.m. and bring a few sandwiches.

# LISMORE NOTES

## LISMORE CAMOGIE NOTES

U12 County title back in Lismore for fifth year running

Our U12 team played their county final on Saturday week last, their opposition for the final was Gaultier and the game was played in Abbeyside. This was a very close game with both teams battling hard. In the first half Lismore got two points to hold the lead at half time 0-0 0-2. The second half brought some more scores with Gaultier scoring a goal to go one point ahead but Lismore had all the pressure on and eventually the pressure paid off when Lismore scored two goals, Gaultier then got another goal putting just two points between the teams but the Lismore girls held out to

take a well deserved victory on a score line of 2-2 to 2-0. This is the fifth year in a row that the U12 trophy has come back to Lismore. Well done girls. The team was: Kate Heneghan, Aoife Hale, Charlotte Whelan, Sharon Houlihan, Mairead Coleman, Janette Maloney (Capt), Rachel Whelan, Gemma Tobin, Shona Curran, Shauna Kernan, Stacey O' Gorman, Aoife Buckley, Katie Prendergast, Caitriona McGlone, Nancy Hairahan, Erin Beare, Aoife Fitzgerald, Marie Russell, Regina Broderick and Ciara Prendergast.

Our U13 and U11 teams have been in action in seven aside tournaments over the last week. The U13 took to the field on Sunday last.

They played Butlerstown and Portlaw and won to earn themselves a place in the final where again their opponents were Butlerstown who on this occasion, got the better of the girls to win the tournament.

Team: Christina Twomey, Edel Ormonde, Sharon Moloney, Kate Heneghan, Stacey O' Gorman, Shelly Keane, Jenny Houlihan, Charlotte Whelan, Niamh Quann, Sandra Prendergast. The U11 took to the field on Saturday where they faced the same opponents. This team was stronger, much stronger and won all their games without conceding a score. Team: Erin Beare, Marie Russell, Sharon Houlihan, Caitriona McGlone,

Rachel Whelan, Shauna Kernan, Aoife Buckley, Ciara Prendergast and Regina Broderick.

Our Senior team take to the field this Wednesday night when they play the Senior Championship Semi final. The match will be played in Abbeyside at 7:30pm. Our opponents are Ardkeen who defeated us by just two points in last years county final so this is going to be a close encounter. Best of luck girls.

Our Junior team will also be taking to the field on Saturday evening. Their opponents are Portlaw.

Our church gate collection will take place this weekend 20/21st July. Your support would be appreciated.

### Re: Inter Community Litter - Results Week 4

The judges made the following comments on last weeks visit to Lismore

New St. is well maintained but did have a minor amount of litter in the vicinity of 'Cobbler's Brog' on Lower New St. and ice cream wrapper and mineral bottle in Upper New St.

Some scattered litter on West St. The Millennium Park, though serviced with bins, did have litter present just inside the entrance, under the benches and in the grass.

The avenue approaching the Cathedral is very well maintained but on close inspection did have some litter present, particularly on higher ground close to trees and wall.

Litter in green areas at Mountain View mainly constituted of cigarette boxes and sweet papers. Scattered small amounts of litter at Main St. - ice cream wrappers, mineral bottles, town guide and cigarette butts. The Heritage Town of Lismore shows a strong commitment to litter free environment, though there is room for improvement.

Work nights as usual Thursday 7pm. Meet at the Pound, Ferry Lane.

## Co. Waterford Good Farming Practice Awards 2002

At the launch of the Co. Waterford Good Farming Practice Awards 2002 on the farm of David and Nora Fitzgerald, Newtown, Modeligo were (left to right) John Moloney, Waterford Teagasc, Tom Rafter, IFI, Walter Parkinson, Glanbia, David Fitzgerald, Eamonn Halpin, ICMSA, Nora Fitzgerald, Pat Fitzgerald and in front, Patrick and Nicholas O'Donovan. —(Photo: Rory Wyley).

For the second year running IFA, Glanbia, ICMSA and Teagasc have come together to launch the Co. Waterford Good Farming Practice Awards. The objective of the awards is to promote best practice in the areas of nutrient management and farm safety by highlighting and rewarding farmers who are doing a particularly good job in this area. The awards also

lay emphasis on well kept tidy farmyards that are safe pleasant places to work and blend in well with the surrounding countryside. The awards were initiated last year against a background of increasing concern about water quality and farm safety. The sponsors felt that the awards could play a role in highlighting to farmers and to non farmers that it is possible to produce high qual-

ity food in an environmentally friendly fashion and still be a good commercial farmer.

Judging of farms nominated for awards will take place over the summer months and it is planned to present the awards at a seminar in the Autumn. The inaugural seminar last year was very well attended and the awards were presented by guest speaker Dr. Patrick Wall, Chief Exec-

utive of the Food Safety Authority. Awards will be presented to a dairy farmer and a drystock/tillage farmer. The winners will each receive a Waterford Crystal trophy and a fertilizer/feed voucher to the value of €750. Farmers interested in finding out more about the awards can so by contacting Teagasc or Glanbia or a representative from the ICMSA.

## THIRTY YEARS OF EU CONSUMER POLICY

by Paddy Smith

When the European Community was set up, there was no specific mention of consumer protection. In fact, the Treaty of Rome merely included the general provision of ensuring a better quality of life for European citizens. Only in 1968 was a consumer protection unit created within the former DG IV, now called DG Competition. And it was 1972 before an EU consumer policy, as such, became visible for the first time when, at the Paris Summit, the Heads of State and Governments endorsed five basic consumer rights. A year later - just as Ireland was joining the Community - a Consumer Consultative Committee was set up by the Commission.

Against this background, it does seem extraordinary now that primary producers such as farmers were enthusiastically catered for from the very start while the customers who bought their ware were totally ignored. (Anyone that has trouble accepting this premise should reverse the

situation and imagine what it would have been like to live in a world where CAP stood for Consumer Assistance Policy.) Commissioner David Byrne, who has responsibility for Health and Consumer Protection in the EU, recently outlined the sparse history of the Community's awareness of consumer affairs when he addressed the general assembly of BEUC, the Bureau Européen des Consommateurs, on the occasion of their 40th anniversary session in Brussels.

He told the delegates that it was 1975 before the Commission adopted its first action plan, which was followed by a number of legislative measures. From then on, the steady development of consumer policy at EU level had taken place in parallel with the progressive establishment of the internal market, he said. The Single European Act of 1987 laid down that a high level of consumer protection was required in relation to the single market proposals. In practical terms, this was put

into effect by the creation, in 1989, of an autonomous Consumer Policy Service within the Commission.

A further important step was made when the 1992 Maastricht Treaty introduced, for the first time, a proper legal basis for consumer policy. The 1997 Amsterdam Treaty reinforced this by including the principle of integrating, or mainstreaming, consumer policy into all other EU policies.

Finally, over the last decade, there had been a fundamental shift in the importance attached at both EU and national level to consumer policy. Mr Byrne said this had been as a result, in particular, of a number of negative developments affecting the health and safety of consumers that had occurred in the last few years - "and you all know which ones I mean."

In parallel, he noted, we had seen a rise in the profile of civil society movements as part of the democratic process. This increased focus on consumer issues resulted in the creation of Commissioner

Byrne's Directorate General for Health and Consumer Protection in 1999, with a reorganisation of scientific and regulatory work in this area. The Prodi Commission had put consumer interests firmly among the priorities for its term of office, he said.

But all this progress should not allow us to be complacent, he went on, because there were still many gaps in our legislative framework, along with imperfections in the way it works in practice. Different consumer protection rules applied in different Member States, with the result that EU consumers still had significantly less confidence in shopping across borders than in their own countries.

"With the possibilities opened up by the internal market and the arrival of Euro notes and coins, consumers' perspectives are changing," he said.

"Making the Single Market work for business and producers must be complemented by ensuring consumer confidence in cross-border transactions."

## IFA News

### IFA PRESIDENT ADDRESSES WATERFORD IFA COUNTY EXECUTIVE

IFA President John Dillon addressed this month's Waterford IFA Co. Executive meeting in Lawlor's Hotel, Dungarvan on Tuesday, 2nd July to over 100 Waterford farmers.

Speaking on the current milk price crisis, IFA President John Dillon said the critical issue now for dairy farmers was to hold the June milk price. "Dairy farmers have already faced income losses over 30% as a result of price cuts and increased production costs", John Dillon said. The IFA President also said, "The dreadful weather conditions of the last few months have raised feeding costs even further. With very bad silage making conditions, I have no doubt that we will have serious fodder shortages next winter, adding further costs and reducing incomes. "Dairy farmers simply cannot afford to take any further price cuts, and it is absolutely critical for them to hold the June milk price.

Mr. Dillon said "The proposals being considered by EU Agricultural Commissioner Franz Fischler as part of the mid-term review of the CAP, amount to a severe dismantling of the fundamental farm supports in the CAP and is in clear breach of the Berlin agreement in Agenda 2000.

The IFA President said the proposal to decouple of supports from production was fundamentally wrong and a grave political error by Commissioner Fischler. He said the measures being considered would be particularly damaging for the beef sector, which was such an important sector in Irish farming.

John Dillon advised consumers to look for evidence of Feile Bia Quality Assured Certificate in all hotels and restaurants when eating out within the county. He said that over 700 hotels and restaurants have now signed up and the "this certificate is the consumers independent guarantee of the availability of high quality traceable food". The IFA President also highlighted the severe weather conditions and how hard it is to get work done and that many crops are struggling due to these adverse weather conditions. Mr. Dillon also addressed the traceability of some imported feedstuffs, and he urged compounders to maximise the inclusion of quality, native Irish cereals in rations, as imported grain does not have quality assurance. Mr. Dillon also addressed the same to other imported commodities.

Mr. Dillon also spoke on other issues including the need for radical changes in the REPS scheme to ensure increased uptake and proposed a major simplification of the complex and unworkable sheep register and the introduction of a more practical system. He also highlighted the animal health concerns on farms, including TB, BSE and brucellosis and the on-farm valuation system.

The IFA President highlighted the fact that IFA members in the county are noting significant savings of up to 30% on their telephone and internet call charges from an exclusive home phone and internet call charges deal with ESAT.

The IFA/ESAT call charge is now the lowest in the market place and that this deal is designed to drive down this considerable cost to farm families and to make IFA membership even better value for money. Mr. Dillon urged farm families in the county, who have not signed up, to do so immediately. Simply call your local office for details or Free Phone 1 800 923 111 asking for IFA Group Discount deal.

In conclusion, Mr. Dillon congratulated the Waterford Senior Hurling Team on a memorable victory.

Harry Gray, Waterford IFA Chairman thanked the President for addressing the Executive and to everyone who participated.

### PROGRESS IN MEETING BETWEEN IFA AND THE TAOISEACH IN DIFFICULT YEAR FOR FARMERS

Following a meeting between IFA and the Taoiseach, Mr. Ahern and the Minister for Agriculture, Joe Walsh recently, the IFA president John Dillon said that he had impressed on the Taoiseach the seriousness of the farm income problem and obtained a number of commitments from the Government. John Dillon said: "The meeting took place against a background of an extremely difficult year for farmers, with farm income down by 15%, or when inflation is taken into account by close to 20%. Milk prices are down by 8%, purchased feed due to the bad weather will add €90 m. to costs, and crop yields are down across-the-board.

"In relation to the Mid-term review of the CAP being proposed by the EU Commission, we got a commitment from the Taoiseach that he would defend the Berlin Agenda 2000 agreement which should run to the end of 2006 and he would reject further reform of the CAP at this time.

Declan Doyle, Airport Chaplain Dublin Airport was the principal celebrant at the celebrated funeral Mass on Thursday after which she was laid to rest at Dardistown cemetery near Dublin Airport.

Rosaleen had been active in many organisations in her local area in her earlier years, many of them children oriented but later in the Ladies Club, the Musical Society in which she took prominent roles. She was also a keen bridge player. In her spare time she was a gifted painter in oil and her paintings of local scenes hang in the homes of her family and extended families from Waterford to Donegal. She was a keen gardener and was gifted with her hands, making all her children's First Communion and Confirmation dresses as well as their wedding gowns when the time came for marriage.

A lady of many parts she could host a crowd up for a match or a family gathering - a wedding or wake with the same ease as she would prepare a family meal and this was best demonstrated on All-Ireland final day every year when family members from Waterford and Longford and Donegal would gather in Arran Road and as many as 40 or more have been known to assemble for both pre and post match sustenance and the long drawn out debate which is usually associated with such events. May she rest in peace.

# CAPPOQUIN NOTES

## CAPPOQUIN/AFFANE G.A.A. CLUB NOTES

### Club Lotto

At the club lotto draw held at the 'Toby Jug' on Saturday night last the numbers drawn were 11,13,16,20. No jackpot winner. Consolation prize winners of 20€ each were: Mary Byrne, Ballylancan; Marcia O' Donoghue, Melleray Hill; Helen O' Sullivan, Dungarvan; Monica Walsh, Springfield; Jack Coffey, Melleray. This weeks draw will be held at "The Buttons Bar" on Saturday 20th July and the jackpot will be 1,600€. Get your ticket early.

### Intermediate Football Western Championship

Affane play Brickey Rangers this Friday 19th July in the Fraher Field, and a massive improvement will be needed here if the lads are to advance. To say things have not gone well on the football front at adult level this year would be an understatement. It is only a few years ago the club were competing in the senior ranks. So the players are there to mount a serious challenge whether the interest is there or not, who knows.

### Intermediate Hurling

Cappoquin played St. Mary's today Tuesday 16th July in the county league. No account of game before going to press. The draw has yet to be made to see who we meet in the winners section of the championship.

### Junior Hurling

More than likely we will play the next round of this championship within the next week. Even allowing for the fact we were short a few players in the

last round, it was great to see over twenty players line out for second string outfit in the last round against Abbeyside.

### Minor Hurling Championship

The lads play An Gaeltacht today, Tuesday 16th July in the Fraher Field at 7:30pm. No account of game before going to press. On next Wednesday 24th July Cappoquin will play Stradbally in Leamybrien at 7:30pm.

### County Duty

Well done to Donal 'Duck' O'Rourke who had a fine game in goal for Waterford U21 hurlers against Tipperary in the Munster Championship in Semple Stadium on Wednesday evening last. Donal made a string of fine saves to limit the Tipp scoring machine of Kelly, Corbett and O'Brien to only two goals which he had no chance with.

### Well Rowed

Well done to the Cappoquin Novice Four Crew who were only just beaten by the 'Garda' crew for the All Ireland championship at the National Rowing Centre of Ireland in Farnwood, Inisicara, Co. Cork. The crew consisted of club players Liam McLaughlin, Steve Landers, John Fenton, Kevin Lynch and Cox, Amy Fitzgerald. Well done again to all on the huge effort in training put in over the last year.

### Three To Answer

1) What was the year Niall Quinn won a Leinster Minor Hurling medal?

2) St. Oliver Plunkett Park is the home ground of a club that

has won the All Ireland Senior Football title. Name the Club?

3) The Bob O' Keeffe cup is presented to the winners of what competition?

Answers will appear in this section next week

### Last Weeks Answers

1) Cashel King Cormac was the club Colm Bonner played for in Tipperary.

2) Joe Condon (Erins Own) captained Waterford in 1963 when they won the Munster Senior Hurling title.

3) Shamie Hannon won Waterford Senior County title with Ballyduff in 1982 and 1987.

### U16 County Hurling Championship

In the last week we played three championship games with wins away to Ferrybank and Cois Bhride and won at home to Dunhill-Fenor. This gives us 10 points from five games.

### FUN RUN RESULTS

In spite of the poor weather our Fun Run went ahead last Friday evening. Our friends from Liverpool, helped by Trevor Massey provided the music on the Square before and during the race. Jim Joe Landers took control of the mike and kept everyone informed as the races progressed.

Our first race was the girls U-14 which was won by Orla Murphy with Niamh O'Donoghue 2nd and Karen Crotty 3rd.

The boys U-14 saw JJ Devine coming in 1st and Shane Power 2nd followed by his brother Stephen Power 3rd. The boys U-16 was won by Keith Landers, David Kett 2nd and Paul Barry 3rd.

The main race itself saw John Buckley lose his crown to Alan Hogan with John coming in a close 2nd and Paul Landers 3rd.

The 1st team was Paul Landers, Paul Barry and Liam Moore.

2nd team - Alan Hogan, Fintan Murray and Patrick Morrissey.

3rd team - Richie Scanlan, Shane Fraher and Keith Landers.

The best sponsor card trophy went to Noel O'Donoghue, with Liam Moore, Emma Morrissey and Bridie Cashman coming close.

A special guest on the night was the County Chairman Paddy Joe Ryan with the Munster Final Cup. Paddy Joe presented the trophies to the juveniles and they also had photographs taken with the cup along with a few "big juveniles"! There was a fantastic end to the night with John, Seanie and Richie joining the Liverpool lads on guitars for a session that lasted a few hours.

A word of thanks must go the Central Bar and all our sponsors for helping us run this event. The race was not as well supported as last year with a lot of players not having the good manners to inform the organisers that they could not turn up. Could these be the same people that are late paying their membership? Maybe it's time to name and shame these great club men!

### Blackwater Golf Society Notes

On Sunday we travelled to Fermoy Golf Club on our latest outing. A champagne scramble format was played with the winners being Anthony O'Rourke, Billy Arrigan and Pat Landers who played some top notch golf to hold off Eamon Costin, Bill McGraw and Noel Landers by 1 point. Tony O'Donnell, Nick Brinkwater and John McGrath third. We would like to thank the management of Fermoy Golf Club for all their help. Our next outing is Mr. Eddie Buddens President Prize in Dundrum Golf Club.

### CONGRATULATIONS

Congratulations to Karen Landers and Amy Morrissey who celebrated their 21st recently.

Congratulations to Trisha Cunningham and Brian O'Farrell who got engaged over the weekend.

### SYMPATHY

Sympathy is extended to Sr. Mary Hanley on her recent family bereavement.

### CAPPOQUIN ROWING CLUB NOTES

## CAPPOQUIN SECOND IN IRISH CHAMPIONSHIP

On Saturday, in the bright Summer sunshine, Cappoquin Rowing Club's novice four contested the Irish Championship at Farran Wood in Cork. The National Rowing Centre lies on top of the drowned valley of the Lee, which was formed back in the 1950's when the river was dammed at Inniscarra. The course has six lanes and races are run from West to East.

The Cappoquin novices were hoping to end a brilliant season of success by writing their names on the Irish trophy. A fine crowd had travelled from Cappoquin to shout them on and managed to get there early as the heats were on just after 9.00 in the morning.

18 crews from all over Ireland had entered and Cappoquin were in the third heat with two to qualify for the final. Neptune of Dublin won the first heat from Queen's University Belfast and Garda won the second heat from Trinity College Dublin. Cappoquin found themselves in a tough race as a second Garda crew and Portadown went all out to make the final. At the 1500 metre mark it was unclear which two would qualify but Liam McLaughlin and the lads answered all questions when the pressure came on and struck for the finishing line to win handsomely with the Garda just edging out Portadown.

The final took place at noon. The surface of the water was calm but the heat had increased considerably. Cappoquin were drawn in lane 4 with one Garda crew in lane 3 and the other Garda crew in lane 6 which is over on the Coachford or Aughabullogue side of the course. Races are started from stake boats to ensure no crew can gain an unfair advantage. Cappoquin like a good greyhound made a fine start; and were soon into a speedy rhythm. However, they had to battle with both their Garda rivals and it soon became obvious that the great danger lay in lane 3. This Garda crew, which had won its heat, managed to gain a length on Cappoquin and the gap was still there when the race came into the spectators view at the 1500 metre mark. The Cappoquin crowd roared on their heroes and cox, Amy Fitzgerald gave final instructions as the crew made a last desperate effort over the remaining 500 metres. Cappoquin gave it everything but the Garda boat retained its lead to deny their gallant rivals.

The extent of Cappoquin's achievement was underlined when the Garda crew left the water as they were all fine strapping men ranging from 6'1" to 6'7" in height. It appears they may have been the tallest Garda four to ever row for that club. Moreover, only the day before this crew and the other four had won the novice eight championship of Ireland for Garda.

Although the Cappoquin supporters were naturally disappointed for the home crew everyone was delighted with their great effort and how during 2002 they have succeeded in putting Cappoquin back on the Irish rowing map. Club Captain and Coach, Jim Murray and assistant Michael Landers must be congratulated for bringing on this young crew. However, it was the dedication and commitment of Liam McLaughlin (stk.), Stephen Landers, John Fenton, Kevin Lynch (bow) and Amy Fitzgerald that made all the difference. They will be rowing in the intermediate grade next year and we wish them every success.

## KNOW YOUR RIGHTS

### QUESTION

We are going to France in August. Our 16 year old son who is included on my passport is also coming with us. Should he have a separate passport?

### ANSWER

Children under 16 may have their names included on a parent's passport or they may get a separate passport, but children aged 16 and over need separate passports. If they are under 18 years of age, parental consent form, PAS M, signed by both parents or guardians is required to get a passport or to have their names included on a parent's passport.

All applications, whether or not a previous passport was held, must be accompanied by the long form of the Birth Certificate (or an Adoptive Certificate) showing the names of the parents.

Children under 18 may apply for a three-year passport (E1 2) or a standard ten-year passport (E57).

Application forms, including PAS M, are available from all Garda stations. They are also available from Post Offices showing the ServicePlus logo as they provide a 'Passport Express' service. The 'Passport Express' service costs E5.40 and guarantees receipt of a passport within 10 working days where applications are completed correctly with proper documentation.

Ordinary postal applications for people living in Clare, Cork, Kerry, Limerick, Tipperary or Waterford should be sent to the:

Passport Office, 1 a South Mall, Cork  
Tel: (021) 4272525 / 4276964 or LoCall 1890 426 900.

Applications for people living elsewhere in the State should be sent to the:

Passport Office, Molesworth Street, Dublin 2 Tel: (01) 671 1633 or LoCall 1890 426 888.

## MONEYMATTERS

### PAYBACK TIME FOR WORLD CUP TRAVEL

Are you one of the lucky ones who travelled to see Ireland play in the World Cup? Unless you were able to finance the trip without borrowing, now is the time to start repaying that loan.

If you stayed on longer than you had anticipated and therefore went over the budget, don't panic now that you are home and the reality of your overspending sets in.

If at all possible be sure to pay all your usual expenditure on time i.e. Mortgage, Rent, ESB etc. Its usually unsuccessful if you rob Peter to pay Paul so try to reduce your normal spending on entertainment, clothes, magazines, books etc. This should leave you with a little extra reserve for an increased payment on your World Cup loan.

If you have cut back on your lifestyle and still find that you cannot meet your loan repayment, have a chat with your lending institution. Early warning to your creditor that you may be running into trouble with repayments is advisable. They may be willing to re-schedule repayments. Be wary though of extending the repayment time, as this will increase your debt in the long run.

Finally, if you find that you cannot meet your usual repayments and your loan, call into our office for a chat. We will be able to advise you on budgeting options and your loan repayments.

The Money Advice & Budgeting Service is based at Civic Offices, Davitts Quay, Dungarvan (Tel: 058-44922) and provides a service throughout the West Waterford area. It is part of the national MABS Service and is free, confidential and independent. Visit our web site at: [www.mabs.ie](http://www.mabs.ie)

# St. John's School Notes

Pupils of St. John's School enjoying a fun sports day recently. Natural energy!

### CIVIC RECEPTION

Mayor of Dungarvan Urban District Council Theresa Wright afforded St. John's School a civic reception in recognition of the many achievements and successes enjoyed by the pupils this year. On Monday the 24th June, the whole school went down to the council chamber. Also present were Mr. John Deasy T.D., Mr. Brian White (Town Clerk), Mr. Tom Keith, Mr. J.D. Hally (Chairman B.O.M. St. John's), Ms. Alisha Carr County Environmental Officer and Colleague, Mrs. Ella Whelan, Mrs. Jenny Forsey, Mr. John Lawless (B.O.M.). All pupils were presented with a certificate and a badge with the town coat of arms on them. As a token of appreciation the school then presented Ms Wright with a painting - one of the many excellent pieces produced at the school year! Willie White was the artist, and his work was entitled "Dungarvan Harbour". A focal point will be found in the Civic Offices to hang the painting.

### SOCCER WORLD CUP

It was great to see all the soccer supporters shouting for Ireland in school recently. We watched the matches in school and there was great art work around the show our support. The senior pupils worked away on a World Cup Activity Book. There was plenty of discussions regarding the points and all the possible outcomes. It was nice to welcome back Mrs. Mary Conway recently. The pupils presented Mary with a wooden Candlestick they made themselves, and the Board of Management made their presentation. All richly deserved as Mary worked at St. John's as cook for many years.

### SCHOOL TOURS

We picked the best day of the year so far for our school outings, the weather was fabulous! The junior classes went to Fota Wildlife Park and had lunch in the Walter Raleigh Hotel, and had plenty of fun and laughter in the park in Youghal. The senior classes went to Dunmore Activity Centre and lunch at the Bay Cafe. We had great fun taking part in watersports. Thanks to the Lions Club for funding a great day out.

### END OF YEAR MASS

We had our end of year Mass on Tuesday 25th June, Father O'Mahony celebrated Mass in the school. The readings were read by two leavers Caroline Cunningham and Eileen O'Donnell. The prayers of the faithful were read by

Willie White, Dean O'Brien, Ciara McMyler and Dawn Lonergan. Pupils in the offertory procession were Aaron Parrish, Dylan Byrne, Kim Bray, Ian Duggan, Margaret Flynn and Andrew Hickey. After Mass we had our prize giving for the year. The junior player of the year was John Daly and the senior player of the year was Andrew Hickey. Well done to them both.

### SUMMER HOLIDAYS

After a hard years work, staff and pupils are all ready for their long summer break. Hope to see all back safe and well in September!

### WIDE RANGE OF COURSES

Students at St. John's can avail of a wide range of courses under the auspices of the Further Education and Training Awards Council (F.E.T.A.C.) The level and choice of subjects are chosen by the students in consultation with their teachers. Subjects available are:

|------------------------|------------------------|
| Communications         | Mathematics            |
| Personal Effectiveness | Computer Literacy      |
| Office Procedures      | Woodcraft/Wood turning |

In addition to these F.E.T.A.C. courses students go on work experience placements locally three times a year for three weeks from the age of sixteen to eighteen years. These placements are excellent preparation for the transition from school life to that of the workplace. Students in the leaver's class are also involved in lifestyle programmes and visitations to local offices where they learn about different services that they can access when they leave school e.g. Co. Waterford Community Based Drugs Initiative, Dungarvan Money Advice Bureau, The Adult Literacy Centre, Dungarvan and Waterford PWDL (People with Disabilities in Ireland). The promotion of good communications skills, self confidence and good self esteem is central to the choices and decisions which students helped to make at St. John's School.

## M.S. IRELAND NOTES

### NEUROLOGY SERVICE NEEDED IN SOUTH EAST SAY PEOPLE WITH MS

Members of the Dungarvan Tipperary SR Branch of the Multiple Sclerosis Society attended a meeting organised by the South East Regional Office of MS Ireland on Saturday 15th June in the Springhill Court Hotel, Kilkenny.

Representatives from Carlow, Kilkenny, Waterford and Wexford MS Branches also attended this meeting. The meeting was held in response to a request by the South Eastern Health Board to highlight priority health issues for people with MS.

Katie Hourigan, Community Worker with the MS Society, South East Regional Office, chaired the meeting.

Multiple Sclerosis (MS) is the most common disabling neurological condition of young adults, affecting more than 6,000 people in Ireland and more than 500 in the South East. MS interferes with the brain's ability to control such functions as seeing, walking, talking etc.

The high costs incurred for treatment and care, plus travel to see a neurologist in Dublin or Cork causes undue stress and fatigue for people with MS living in the South East.

After much discussion the following priority needs and issues were highlighted:

- Neurologist and full multi-disciplinary team based in the South East with links with services both community and hospital based.
- Information and advocacy
- Need for standardisation and high quality community care services throughout the South East Region
- Need for improved personal and home support services
- Respite for all levels of disability and age groups
- Medical cards on a needs basis and not means tested

All of these proposals have since been forwarded to the South Eastern Health Board for discussion.

If you require further information about MS or the services offered through MS Ireland, please contact the South East Regional Office at 056-51522 or write to MS Ireland, South East Regional Office, Nuncio Road, Off Waterford Road, Kilkenny.

You can also contact the Secretary of the Dungarvan Tipperary SR Branch at 058-46217 if you would like more information on branch activities Christine Meeke, Dungarvan Tipperary SR Branch

The photo was taken by John Valentine. All proceeds of the sale go towards the upkeep of the Museum.

### DONATIONS

We are looking for old photographs or old negatives. We can make a copy and return original to owner if the owner so wishes. The condition of the photo or negative will not be a problem. For example we would be interested in any photo of the square or town streets. Please contact us at the museum. If anyone has information on the old railway line, we would be happy to hear from you.

### TOM TOBIN EXHIBITION

The official opening of the Tom Tobin exhibition was held on Thursday night 11 July. We were delighted with the enormous turn out.

Local dignitaries and Council officials were in attendance including the Co. County Manager. Willie Fraher, Chairman of the Museum, welcomed everyone for their attendance. He then invited Nuala Ryan, Mayor of Dungarvan, to say a few words. Mai O'Higgins performed the opening ceremony. Tom's children travelled from Limerick for the event. The gathering also included a large number of his Dungarvan relatives. The exhibition is now open to the public. We hope to see large numbers visiting the exhibition. We have a number of photos on display. Some of the people in the photos are unknown to us. We hope that people will be able to identify these for us. Other photos show Dungarvan streets, shop fronts, sports events, boats and county views. All were impressed by the new spot-lights recently installed (proceeds of recent book sale).

# Education "A Costly Exercise" For Parents

The notion of free education has been described as a myth, as sending children back to school in early September is going to cost par-

ents hundreds of Euros.

That's according to Dungarvan Area Councillor Fiachra O Ceilleachair, who says that parents pockets will be feel-

ing the pinch with substantial spending on books, uniforms and so-called voluntary contributions. Cllr. Ó Céilleachair says the Department of Education is not playing an active role in ensuring affordability in the education system and is turning a blind eye to the fact that the majority of secondary schools require parents to make an annual contribution to help cover day to day expenses.

Commenting on research carried out by the Labour Party on the subject, Cllr. Ó Céilleachair said:

"Voluntary contributions can typically be 120 Euro annually at secondary and about 50 Euro at primary. The current scheme operated by the Dept. of Social and Family Affairs to assist with the cost of clothing and the Dept. of Education and Science's scheme to help needy children purchase books have been described to me as inadequate by several parents. While the grant levels recently announced by the

Minister for Social and Family Affairs represents an increase over last year's level they still do not come anywhere near to meeting the cost of sending a child to school. In addition, eligibility is effectively limited to parents in receipt of social welfare. The maximum grant available for a pupil between 12 and 22 will now be just 120 Euro, yet costs incurred by parents are far in excess of this. This is particularly so for pupils entering second level for the first time, or for those entering a new cycle i.e. post Junior Certificate. The Labour Party has estimated that when all factors

are taken into consideration - uniforms, sportswear, school books, voluntary contributions and ancillary costs - it can cost close to 800 Euro for a child entering the first year of a post primary school. This is casting doubt on the merits of supposedly free and accessible educa-

# BALLYMAC' NEWS

## "WHAT'S ANOTHER YEAR"

Rev. Fr. Sean Nugent, Parish Priest of Burncourt/Clogheen since 19th June 1997. Recently ill health made him send a letter of resignation to his Lordship Most Rev. Dr. William Lee, Bishop of Waterford and Lismore. This letter was accepted by the Bishop, when the parishioners became aware of their beloved parish priest's retiral. A signed petition was organised and signed by the parishioners and sent to his Lordship. The Bishop then asked Fr. Nugent P.P. to remain on as parish priest for another year, which he accepted to the delight of the parishioners. At last Sunday's Mass he told his congregation that he had withdrawn his resignation in spite of having acquired a house in his native Newcastle and moving his furniture to this new residence, he would stay on in Burncourt/Clogheen for another year.

This pleasant announcement got a round of applause from the congregation. Fr. Nugent ordained in 1956 takes a very deep interest in parish affairs. He is president of Fr. Sheedy's G.A.A. Club and takes an active interest in the two schools in the parish and in all parish affairs. He is especially good and kind to the elderly of the parish and visits them on a monthly basis and gives them Holy Communion.

In his youth Fr. Sean was an outstanding athlete and played hurling for Newcastle and won hurling medals in Tipperary and Waterford.

May we wish Fr. Sean many more years of work in the vineyards of the Lords. Fr. Sean served as curate in Nire/Touraneena for nine years 1970-1979.

## ANNUAL MASS AT CNOICIN AN AIFRINN

Mass is again being celebrated at Mass sites of Penal Days, Knockanaffrin (Hill of the Mass) is in the Nire Valley on the slopes of the Comeragh Mountains. Not so well-known is Cnoicin An Aifrinn (Hill of the Mass) it's on the edge of the Knockmealdowns, some three and a half miles from Newcastle Village. This site is mentioned in Canon Power's Place Names of the Decies as the name indicates Mass was celebrated on this location in Penal days.

The actual site could not be pinpointed by the oldest resident, William Morrissey, who is no longer with us, chose what appeared to be perfect setting about some 3/4 of a mile from his residence at Duna na Gaoite. It's an impressive group of rocks, apparently from the Ice Age on the bank of a little mountain stream. It was at this site in the 7th October 1972, the annual Commemoration of Penal Days began in this area when Rev. Fr. Paddy Hallinan, Auhavoulivane home on holidays from New Guinea celebrated the Mass. A large group of people from the parishes around attended as well as visitors from overseas. This event was much appreciated and has been continued to this day. The Mass this year will be celebrated on Saturday, July 27th at 2.30 p.m. the Feast of Saint Pana Lean (martyr).

O.N.E. Honour For Former Quartermaster Former Army Quartermaster Michael Haslam, Tipperary, was recently elected President of the Southern (Munster) area of the Organisation of National Ex-Servicemen and Women at their annual general meeting held in Bunratty Castle Hotel, Bunratty, Co. Clare. This is a great honour for the Tipperary Branch to hold the office of President.

## HOLY WELL MASS AT TOOR, AGLISH

The annual Mass at Saint Declan's Holy Well will be celebrated on Thursday, July 25 the Feast of Saint James (Apostle) at 12 noon) at the Holy Well at Toor, Aglish. Over the years thousands travel to this hallowed spot on the mountain for the celebration of Holy Mass. Many cures are associated with this well.

B/Coy 13th Batt. at their headquarters in Cahir, he later served with the United Nations in Cyprus, Sinai Desert and the Lebanon achieving senior commissioned officer rank, he retired from the army in March 1985.

Michael hopes that those who have completed their service will consider joining a branch of O.N.E. and continue the comradeship that existed while they were serving. The organisation encourages serving members to join the local branch at their remembrance functions. Those still serving and those serving overseas are mentioned with honour at the ceremonies and the functions afterwards.

We congratulate Michael and wish him and his organisation the very best in their endeavours for the coming years. He will hold office until 2003.

# RECENT DEATHS

## LATE MRS. BRIDGET BOURKE

It was with deep and sincere regret that the district learned of the death of Mrs. Bridget Bourke (nee Whelan), Knockmeal, Ballinamult, which sad event took place after an illness of some duration at the Cottage Hospital Nursing Home, Irishtown, Clonmel on Monday, July 1st.

Deceased was the last member of a well loved and respected Sliabh gCua family, the Whelan's of Knockmeal. A lady in every sense of the word, she was highly respected by her family, neighbours and her many friends who recognised and appreciated her as a caring, extremely kind person who could always be relied upon to act swiftly and without fuss to any situation in which she was needed.

Many years ago she fell in love with a fine type of a man from county Tipperary and they married, and to him she became a kind and loving wife and mother. After some years they were blessed with a family.

Her greatest passion in life was for her husband and her children, to them she was utterly devoted. With her husband on weekends and on Sunday nights they travelled to many lounge dances, their favourite place was Goatenbridge where they gave many hours on the dance floor. Of a quiet and unassuming disposition, she had a great sense of fun and humour which made her delightful company.

She was predeceased by her husband Jim by some fourteen months, a sad blow to her and her family.

The measure of the esteem and high regard in which deceased and her family are held was clearly indicated by the representative groups of mourners who were present when her remains, after the rosary was recited, were removed on Tuesday evening from the Kiely Funeral Home, Dungarvan to St. Mary's Parish Church, Touraneena, where they were blessed and received by Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena. On Wednesday morning, the Feast of St. Heliodorus (martyr), Requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. C. Kelleher P.P. After Mass she was laid to rest in the family plot with her husband Jim.

To her family and her many relatives we extend our sympathy. Go raibh laistin den scoith aici i measc na naomh.

(Undertakes James Kiely Funeral Directors, Dungarvan.)

## LATE MRS. NORA FITZPATRICK

With deep and sincere regret we record the sudden death recently of Mrs. Nora Fitzpatrick (nee Burke), Western Park, Clonmel, which sad event took place at her residence.

Deceased, in her eighty sixth year, had been around town during the day talking to everybody. A deeply religious person all her life, she was a regular attender of the 10 a.m. Mass each morning in St. Mary's Parish Church, Irishtown after which she looked forward to meeting with someone in the shops or on the street for a chat. As well as being a great talker, she was a good listener. She was daughter of Tom and Nora Burke from Lisronagh and was one of eight children, three boys and five girls.

In her young days she played camogie for Moyle Rovers and continued to be a loyal supporter of the club. But perhaps she will be best remembered for the period she worked in Kennedy's Grocery Shop near the Main Guard in Clonmel where she was a very popular assistant, always courteous and obliging. Often people recall how she put away the cigarettes when they were scarce during the emergency.

In 1950 she fell in love with and married Michael Fitzpatrick from Ballinamona, Ballyneil and having resided for a time in Morton Street they moved forty six years ago to Western Park where they reared their daughter Maura. Nora opened a grocery shop and her daughter remarked it was an ideal spot for the local women to gather and exchange the gossip. Michael, who continued farming, grew potatoes which she sold. He was a many very much involved with the Fine Gael Party. Though both were pioneers they enjoyed the social side of politics together and were at the Mayoral election last year when Sean Nyhan was elected. They loved attending hurling finals at Croke Park and the Spring Show. Highlights of her life were two visits to Lourdes.

Her unexpected demise has created an aching void in the hearts of her family and friends, they

are but consoled by the fact that she had a long and full life.

Her remains were removed to St. Mary's Parish Church, Irishtown, where they were blessed and received by Rev. Fr. O'Brien C.C. and Rev. Fr. Ferus O.F.M. On the following morning Requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Michael Joseph Ryan P.P., St. Mary's assisted by Rev. Fr. Matt Cunningham P.P., Ballyneil/Grangemockler, Rev. Fr. Peter Ahearn P.P., Lisronagh/Powerstown and Rev. Fr. Holmes C.C., Cashel/Rosegreen. After Mass the funeral took place to Lisronagh Cemetery where she was laid to rest in the family plot. Rev. Fr. Peter Ahearn P.P. with Rev. Fr. Michael Joseph Ryan P.P., officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a dear Christian friend.

To her husband Michael, daughter, sisters, brother and her many relatives we extend our sympathy. I liontaib de go gcastar sinn.

## LATE VERY REV. FR. MICHAEL O'DOHERTY P.P.

It is with deep regret we pen the death of Very Rev. Fr. Michael O'Doherty P.P., Tramore, Co. Waterford which sad event took place at Maypark House Nursing Home, Waterford on Sunday, July 7th 2002. In the late 1940's and early 50's he served as curate in the parishes of Nire/Touraneena and on June 29th 1986 he was appointed Parish Priest of Ardinnan/Ballybacon/Grange. He retired on the 1st July 1990. He was ordained priest in 1940 and with the ones mentioned he served in many parishes in the dioceses. Solas na soillse dana hanam.

## LATE MR. KEVIN KENNY

It was with deep regret the district learned of the death of Mr. Kevin Kenny, Antmount, Mountain Road, Clonmel, which sad event occurred peacefully at St. Joseph's Hospital, Clonmel on Monday, July 1st 2002.

Deceased was a member of a well loved and respected Old Bridge family. His father, Peter Kenny, was a well known member of the Garda Siochana in Clonmel for years. Kevin after finishing his school days went and served his apprenticeship to the electrical trade with the renowned firm of M.F. Kent, Clonmel. When the E.S.B. came to the Ballinamult area in 1954 Kevin and others from M.F. Kent did all the electrical work at the now defunct Knockmeal Creamery, Ballinamult and some two years later they did the complete job at Nire Valley Creamery and erected a generator at the Mill, Ballymacarbry. As years went by he set up his own firm in Clonmel and took on many large contracts in the electrical trade.

He was one of nature's gentlemen, of a friendly, good humoured and generous disposition. He was a kind and loving husband and father, his wife Carrie and his family were his pride and joy, to them he was utterly devoted and they in turn thought the world of him, and his demise has evoked feelings of sincere regret among his family, neighbours and his many friends.

That his memory will be cherished was truly indicated by the huge concourse of mourners who were present on Wednesday evening when his remains after the rosary was recited were removed from Condon's Funeral Parlour, Clonmel to S.S. Peter and Paul's Parish Church, Clonmel, where they were blessed and received by Very Rev. Nicholas (Canon) Power P.P. V.F., S.S. Peter and Paul's. On Thursday, the Feast of Saint Bertha (Abbess) Requiem Mass was celebrated at 1 p.m. for the happy repose of his eternal soul. After Mass his funeral took place to St. Patrick's Cemetery, Clonmel, where a kind a loving father was laid to rest.

To his wife and daughters, sisters, aunt and his many relatives we extend our sympathy.

Ni fhicimid a leithead in ar measc aris.

(Undertakes Condon's, Clonmel.)

## SYMPATHY

Sympathy of the district is extended to Mrs. Bridie Whelan, Castlereagh, Ballymacarbry on the death of her mother Mrs. Kitty Cormican (nee Sammon), Killbarron, Nenagh, Co. Tipperary, which sad event took place in the loving care of her family and staff of Bushy Park Nursing Home, Borrisokane.

On Saturday evening her remains were removed from St. Joseph's Funeral Home, Borrisokane to Killbarron Church and on Sunday after the 10 o'clock Requiem Mass the funeral took place to Killbarron old cemetery where she was laid to rest.

Leaba i measc na naomh go raibh aici.

## C.I.C.G. An tSean Phobail Notes

### JUNIOR FOOTBALL CHAMPIONSHIP

Next Saturday evening at Dungarvan's Fraher Field is last chance saloon for Sean Phobail's Footballers to say that we dissatisfied in our first round defeat by the Nire would be an understatement, and we now face a huge task in taking on Ardmore one of the best clubs in the county who have become accustomed to success in recent times. That they will be fit and well prepared is a foregone conclusion: Throw in the "local derby" ingredient and it all adds up to major test to our resolve.

What chances do we have? We will need to show a massive step up on our first round performance and to stick the pace for the full game. We cannot afford to waste scoring chances when they come because they are usually scarce as we found out to our cost against the Nire. If we play to our full potential we can certainly match Ardmore and in matching them we will be giving ourselves a fighting chance - The shocks never asked for anymore.

Ro-fhada siar ata 1949. Ta se thar am duinn aithris a dheanmah ar gaisce na bliana san. Ta se thar am d'fhir mhora An tSean Phobail a bheith i reim

## Ardmore G.A.A. Notes

### SENIOR FOOTBALL

Ardmore senior footballers left their first round championship replay game with the Nire behind them in the Fraher field last Sunday. Ardmore had several attacks in the first ten minutes but the Nire scored two points before Ardmore opened their scoring with a point and an opportunist goal from John Conway but were still behind at half time on a score of 1-4 to 1-3 for the Nire. After some switches on the forward line Ardmore seemed to up the tempo after the break with some points and a goal from a penalty from James O'Donnell to lead by 4 points with nine minutes remaining. They seemed to lose their grip on the game from then on to allow the Nire back with a reply of 4 points in as many minutes. With time almost up and extra time looming the Nire had a final break up field and a mistake by one of the Ardmore defenders allowed the Nire forward to slot over the winning point to win on a score of 1-11 to 2-7.

Overall a draw again would have been a fair result but Ardmore seemed to lose their concentration coming up to the end of the game when it was most needed, as they will have to do it the hard way through the losers group.

### MINOR FOOTBALL

Ardmore's minor football team had a well-merited win over Clashmore on last Tuesday night in Ring on a score of 2-11 to 0-10. It was only in the last quarter that Ardmore pulled away with some late scores. It was the second win for Ardmore over Clashmore in as many weeks in under age football.

aris. Cuirimis chuige go crogal!

I made reference last week to the western junior final of 1965 which to my knowledge is the last championship meeting between the clubs. The first game was played on Nov. 25th and ended all square - An Sean Phobail 1-3 Ardmore 0-6. An abiding memory from this game is long range free from Harry O'Donnell coming back off the crossbar just at the final whistle. The replay took place on Dec 5th with the "Shocks" being victorious on the score 2-2 to 0-3.

The Sean Phobail team was P.J. Morrissey, M. Mahoney, P. Morrissey, D. Terry, D. Murphy, J. Dower, M. Terry, P. Flavin, M. J. Power, H O'Donnell, J. Leahy, P. Langan, T. Hallahan, T. Curran, M. Wade. Subs: J. Cummins, J. Mansfield.

I cannot recall the Ardmore lineup but there are a few memories. The great Mossie Hallahan lined out in goal having starred with the "Shocks" in '49. Paro Keevers had a great game at centre back while Mattie Cronin was to assist An Sean Phobail just two years later to win the intermediate title. Now that is your little dose of nostalgia for this week!

## Modeligo GAA Notes

Modeligo G.A.A. club received a walkover last weekend from Affane in the Junior Football Championship and move on to the next round where we will play local rivals Touraneena. ## Dungarvan Utd. Schoolboys Round-Up

### Under 10 Mini League vs. Kilmac

On this Thursday last, after escaping the downpour, we headed for Alaska Park in Kilmac to take on a strong home side. Kilmac made their intentions clear by attacking straight from the off. After five minutes, they took the lead through the centre half who finished from close range with the aid of a deflection. Soon after, they went two up when, again, the centre back set up their lively striker. At this stage, Kilmac was a deserving leader, and at half-time, a disappointed Dungarvan outfit trooped off the field. With a little encouragement and advice, they returned to the pitch in a better way, and it showed when Ryan Norris pulled one back with a fine finish. Kilmac answered back with another two goals to really put it up to the blues. At times, the play was end to end, with Dungarvan playing a lot

better than the scoreline suggested. Colm Curran went upfield to score following great play down the flanks by Eoin Healy. Dungarvan put some great passages of play together, but they couldn't find a way past the solid home defence. Near the end, Kilmac added two more to finish the game.

From this panel, at least six will join others of last year's 'Under 11' squad who are still eligible to participate in that league this year, and they are eagerly looking forward to the action. From the rest, seven will still be under 10 next year, and the remaining eight have years before seeing competitive league action. All in all, things are looking good for schoolboy's football in the club; and hopefully, a strong base can be made for the future. A big 'thank you' must go to Paddy Daly, Jimmy Healy, Adrian Kelly, and Robert Ansell for providing transport on the night, and to anyone else who attended.

The teams were: David Houlihan, Ryan Delaney, Darren Duggan, Adam Kelly, Eoin Healy, Eric Duggan, Colm Curran, Brendan McCarthy, Michael Ameligo, Craig Barry, Cormac Coleman, Brendan Daly, Sean Ryan, Ryan Norris, and Stephen Daly.

### Fixtures:

Our last fixture of the summer league will take place this week we hope on Thursday; so, why not come along and see what fun will be offered? Railway will be our opponents, and hopefully we'll wind things up with a win.

### Player Profiles

Darren Duggan came to Kilrush just as the Saturday training was taking off, and he slotted in smoothly; to date, he has played very well in games.

Eoin Healy is slight in build but, when in full flight, a sight to watch! He has very good close control, and is well able to pick out anyone with his pinpoint crosses.

### Coaches Meetings

The last 'Saturday Coaching' meeting was cancelled due to the weather, but re-scheduled for the following Monday. We hope to finalise the management set-up at the 'League Coaches' meeting during the week, and this will allow all concerned to share the workload. If anyone else thinks they can help in any small way, please don't be shy, and contact Edwin Egan at 086 873 6428, or Francis O'Brien at 087 776 9125.

### Birthday Wishes

"Happy Birthday" to Edwin Healy (from our 'Under 11') and Jamie Culnan (from our 'Under 16' panel).

## EAST CORK /WEST WATERFORD SCHOOLBOY LEAGUE

### U14 CUP FINAL

#### Ardmore 5 Brideview Utd 0

On Friday evening last the U14 cup final took place. In the first half it was Brideview who made all the running but could not take their chances in front of goal where as Ardmore were not as wasteful and took full advantage of every chance that came their way. In the second half the pattern took the same way as the first with Ardmore taking their chances. Even though the score suggests a one sided game it was far from it as Bride View put up a brave effort and did not get the reward for it.

### UNDER 9 CUP

On Sunday next July 21st the U9 cup competition will take place in Cappoquin. The starting time is 11:30am. so all teams please be there for 11:15am. sharp. On the following Sunday July 28th the U8 and U10 competition will take place in Fermoy.

# IN MEMORIAMS

**BURKE** — Fourth Anniversary — In loving memory of Jim Burke, late of 15, St. Brigids Terrace, Dungarvan, who died on July 19, 1998. R.I.P. On whose soul dear Jesus have mercy.

A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years.  
(Always remembered by your loving wife Nan, son Eugene, daughters Theresa, Eileen and Maria.)

**CAREY** — Third Anniversary — Treasured memories of a wonderful husband, Patsy Carey, Coumglan, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you  
As life goes on its way.  
Time may heal the heartaches,  
Like the smile that hides the tears,  
But happy memories keep you close,  
Despite the passing years.  
(Sadly missed by your loving wife, Mamie.)

**CAREY** — Third Anniversary — In loving memory of a dear Dad and Grandad, Patsy Carey, Coumglan, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

You left us with precious memories, Dad,  
Your love is always our guide,  
Although we cannot see you,  
You are always by our sides.  
(Sadly missed by your son Michael, daughter-in-law Mamie, granddaughter Nuala and grandson Patrick.)

**CAREY** — Third Anniversary — In loving memory of my dear Grandad, Patsy Carey, Coumglan, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

We will never forget you,  
We won't even try,  
Just miss you more, Grandad,  
As the years go by.  
(Sadly missed by your granddaughter Noreen and husband Pat.)

**CONDON** — Eleventh Anniversary — In loving memory of Nora Condon, Parkdota, Tallow, who died on July 23, 1991. R.I.P. Masses offered.

Time goes by and life goes on,  
But from our hearts you are never gone,  
No need for words, except to say,  
You are loved and thought of every day.  
(Remembered always by Margaret and family.)

**DALY** — Second Anniversary — In loving memory of a loving Dad and Grandad, Philip (Phil) Daly, 1 St. Patrick's Crescent, Dungarvan and also late of Clogheen, Co. Tipperary, who died on July 16, 2000.

**WHAT IS A FATHER**  
There is no one quite like a father,  
All the whole world through,  
For helping and for sharing,  
And for taking care of you.  
For knowing how to mend things,  
A broken toy or heart,  
For being your most special friend,  
Right from the very start.  
For talks and funny stories,  
And secrets that you share,  
For that warm all over feeling,  
Of just knowing that he is there.  
There is no one like a father,  
For being fine and dear,  
And he ought to have a special day,  
Each day all through the year.  
Wishing you happiness and thanking you for being a wonderful father.  
(Love and miss you always — your loving daughter Tracy, son-in-law Alf and granddaughter Katie X X X.)

**DALY** — Second Anniversary — In loving memory of my dear father, Philip (Phil) Daly, late of Clogheen, Co. Tipperary and 1, St. Patrick's Crescent, Dungarvan, who died on July 16, 2000. R.I.P.

There's a new world somewhere,  
They call the promised land,  
And I'll be there some day,  
If you will hold my hand.  
I still need you here beside me,  
No matter what I do,  
For I know I'll never find another you.  
It's a long, long journey,  
So stay by my side,  
When I walk through the storm,  
You'll be my guide.  
If they gave me a fortune,  
My pleasure would be small,  
I could lose it all tomorrow,  
And never mind at all.  
But when I lost you, Phil, I didn't know what to do,  
For I knew I would never find another you.  
Miss you so much, Phil.  
(Love always, your daughter Chris, grandsons Philip, Daniel and Anthony X X X X.)

(Love always, your daughter Chris, grandsons Philip, Daniel and Anthony X X X X.)

**DALY** — Second Anniversary — In loving memory of Philip (Phil) Daly, late of 1, St. Patrick's Crescent, Dungarvan, a native of Clogheen, Co. Tipperary, who died July 16, 2000.

Anniversary Mass in Colligan Church, Saturday, July 20, at 7.30 p.m.

Softly in the evening, you heard a gentle call,  
You took the hand God offered you and quietly left us all.

The day you left us Phil,  
Our hearts just broke in two,  
The smallest part is still with us,

And the biggest part with you.  
For the rest of our lives we will miss you, Phil,

Our secret tears still flow,  
Oh how we really loved you,  
No one will ever know.

We miss your smile, your joking ways,  
We miss the things you used to say,  
And when old times we do recall,  
It's then we miss you most of all.

You were always there when we needed you,  
No task too great or small,  
With loving heart and willing hands,  
For us you did it all.

Look around your garden, Lord,  
And when he turns and smiles,  
Put your arms around him,  
And hold him for a while.

Will those who think of him today,  
A little prayer to Jesus say,  
On his soul sweet Jesus have mercy.

(Sadly missed by your loving wife Threasa, son John-Michael, daughter-in-law Tina and grandsons in Cork.)

**DALY** — Second Anniversary — In loving memory of a wonderful father, Phil Daly, late of 1, St. Patrick's Crescent, Dungarvan, who died July 16, 2000.

You were always there when I needed you,  
No task too great or small,  
With a loving heart and willing hands,  
For us you did it all.

You taught me many things in life,  
What to do when things go wrong,  
But I wish you would have taught me,  
What to do when you were gone.

You left us as you loved us,  
Quiet and without a fuss,  
And on that day you went away,  
You took a part of us.  
If I could visit heaven,  
On this heartbreaking day,  
I'd wrap my arms around you, Phil,  
And bring you back to stay.

And if I had the world to give,  
I'd give it all and more,  
To see the father I miss so much,  
Come walking through my door.

(So very sadly missed every day — your daughter Trisha and Christopher.)

**GRANDAD**  
You played with us when we were small,  
Watch over us now as we grow tall.  
(Love from Vicky, Sarah and Tina X X X X.)

**DELANEY** — First Anniversary — In loving memory of my son, Paddy Joe Delaney, Cathal Brugha Place, Dungarvan, who died on July 16, 2001.

I hold you close within my heart,  
And there you shall remain,  
No walk with me throughout my life,  
Until we meet again.

So rest in peace, dear loved one,  
And thanks for all you've done,  
I pray that God has given you,  
The crown you've truly won.  
(Sadly missed — your loving mother Maimie.)

**DUNPHY** — Third Anniversary — In loving memory of Theresa, late of Currabaha, Kilgobinet, who died on July 19, 1999. R.I.P.

Little did we know that day,  
Was to be your last farewell.

A father is a special gift,  
One you think will stay,  
You never dream the day will come,  
That he will pass away.  
Now in heaven above he rests,  
God bless you Dad, you were one of the best.  
(From his son David, daughter Louise and grandchild Clodagh)

**DALY** — Second Anniversary — In loving memory of a loving father, Philip (Phil) Daly, 1, St. Patrick's Crescent, Dungarvan, and also of Clogheen, Co. Tipperary, who died July 16, 2000.

No need for words, we will never forget.  
As thoughts go back as they often do,  
We treasure the memories we have of you.

(Always remembered by his loving son Arthur, Corinne, Vicky, Shane and Roisín.)

**DAYNES** — Tenth Anniversary — In loving memory of my dear friend, Peggy, late of Ballyduff Upper, who died on July 19, 1992. May her gentle soul rest in peace.

Place your arms around Peggy, Lord,

For she was a very special friend,  
and can never be replaced.  
Dear is your memory, Peggy,  
Sweet is your name,  
Close to my heart,  
You will always remain.  
Dear friends who'll think of Peggy today,  
A little prayer to Jesus say.  
(You will never be forgotten Peggy by your loving friend, Molly.)

**FLEMYN** — Eighth Anniversary — In loving memory of my beloved brother, Noel, late of 24, Byrneville, Dungarvan, who died on July 18, 1994. R.I.P.

The angels sang Amazing Grace,  
The Lord came down and touched your face,  
Then he whispered soft and low,  
Come with me Noel, it's time to go.  
I did not see you close your eyes,  
Perhaps it's just as well,  
For I never could have said goodbye,  
To a brother I loved so well.  
When I am sad and lonely,  
And things are going wrong,  
I seem to hear you whisper,  
Cheer up and carry on,  
And when I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping,  
We'll meet again some day.  
(Always remembered by your sister Marie and family.)

**FLEMYN** — Eighth Anniversary — In loving memory of my beloved brother, Noel, late of 24, Byrneville, Dungarvan, who died on July 18, 1994. R.I.P.

The angels sang Amazing Grace,  
The Lord came down and touched your face,  
Then he whispered soft and low,  
Come with me Noel, it's time to go.  
I did not see you close your eyes,  
Perhaps it's just as well,  
For I never could have said goodbye,  
To a brother I loved so well.  
When I am sad and lonely,  
And things are going wrong,  
I seem to hear you whisper,  
Cheer up and carry on,  
And when I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping,  
We'll meet again some day.

Anniversary Mass in St. Mary's Parish Church, Touraneena on Saturday, July 20, at 4 p.m. All welcome. In the rising of the sun, and in its going down, In the blowing of the wind, and in the chill of winter, We remember Mam. In the opening of buds and in the rebirth of spring, In the blueness of the sky and in the warmth of summer, We remember Mam. In the rustling of leaves and in the beauty of autumn, In the beginning of the year and when it ends, We remember Mam. When we are weary and in need of strength, When we are lost and sick at heart, We remember Mam. When we have joys and we yearn to share, We remember Mam. So long as we live, Mam too shall live, For she is now a part of us, As we remember Mam. (Always remembered and sadly missed by her husband Michael and loving family Breeda, Michael Jr., Louise-Ann, Patrick, Eugene, Laurence, Seán, Rudy, Fiona, Eric, Jovita, Conor, Sinéad, Jackie and Jennifer.)

One year ago today, You said your last farewell, I still can't believe you left us, I can't believe you're gone. In my mind I hear you whistle, I still can hear your tunes, I am sure you must be out there, You can't be far away. The swallows have come back again, I've seen them fly around, I am sure they wonder where you are, Since you are not about. **RAHER** — First Anniversary — In loving memory of Mary Raher, late of Hunthill, Tallow, who died on July 19, 2001.

Gone from our home that smiling face, The cheerful, happy ways, Lonely is the home without her, Life to us is not the same, All the world would be like heaven, If we could have her back again. In dreams we see her smiling face, And kiss her tender brow, But in our aching hearts we know, We have no mother now. The voice is now silent, the heart now cold, The smile and welcome that met us of old, We miss her and mourn her in sorrow unseen, And dwell on the memory of days that have been.

### MARY BARRY (née Fitzgibbons) Ballyheaffy, Araglin

It was with great sadness to her family, relatives and friends that the death of our mother, Mary Barry took place on June 15, at the age of 88 years. Mary had lived at her home in Ballyheaffy with her son Tom and his wife Margaret and family until three years ago when, because of ill-health, she was lovingly looked after by Chris Broderick and her staff at Strawhall Nursing Home, Fermoy. Mary was a devoted mother and grandmother to her 24 grandchildren and 5 great-grandchildren, all of whom were special to her. She took great pride in their achievements. She cherished the time when she had all her family together for various events. Her spirit will live on in the memories she has left with her family.

We, her family, wish to express our sincere appreciation for the sympathy and support extended to us by so many of her friends and neighbours. A special thank you to Fr. Cullinan, Ballyduff and Fr. Pat Barry, Conna; also Ryans Funeral Home, Lismore. Thanks to all who sent Mass cards and floral tributes.

We trust that this acknowledgment will be accepted by all in grateful appreciation. The holy sacrifice of the Mass has been offered for your intentions. May she rest in peace.

**Month's Mind Mass** will be in St. Michael's church, Ballyduff on Sunday, July 21, at 11 a.m.

## Birthday Remembrances

**POWER** — In loving memory of Ann Power, late of Touraneena, whose 55th birthday occurs July 20.

Memories are something no one else can steal, Death is a heartache that no one else can heal, Some may forget you, now that you are gone, But I'll remember, no matter how long. Happy memories keep forever.

Of all the days we were together. (Never forgotten by your loving husband Tony).

Have you ever lost a mother, Or ever felt the pain, Or ever shed the bitter tears, That drop like falling rain.

If you've never had that feeling, We pray you never do,

For when we lost our mother, Our hearts just broke in two. There is a corner in our hearts,

We visit every day, It's a special place for you, Mam,

And there you'll always stay. (Always loved, never forgotten — sadly missed by your loving sons and daughters).

Those of you who have a mam, Love her while you may, I only wish with all my heart, That mine was here today. I don't tell people any-

more, Just what you mean to me, Instead I cry my tears alone, When no one else can see.

You often used to say to me, You'll miss me when I'm gone, Believe me Mam, I never knew,

That heartaches last so long. So happy birthday Mam.

(From your loving daughter Valerie, Eddie and your grandson Dylan X X X X)

**POWER** — Birthday Remembrance of a dear wife and mother, Alice Power, late of Georgestown, Kill, whose birthday occurs on July 16.

As we remember you on your birthday, Alice, Our eyes fill with tears, Because we know you will not be there,

To celebrate yet another year. But we hope your day is happy,

In heaven up above, And on this special day, We send you all our love.

Happy Birthday, Alice. (Loved and missed by your husband Thomas and sons and daughters).

## NOVENAS

**PRAYER TO ST. JUDE** (never fails) — O glorious St. Jude, apostle and martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, powerful intercessor for all who invoke you. Special patron in time of need, to thee do I come with my earnest request (mention request) and beg of you to whom God has given such great favour to help me now in my urgent need (mention request). I will never forget the graces and favours you have obtained for me and I will do my utmost to spread devotion to you. Amen. (St. Jude, pray for me and for all who honour thee and invoke thine aid). Repeat three times). Publication promised.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — M.C.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted.

## St. Olivers GAA Notes

### UNDER 10 FOOTBALL TOURNAMENT

The final of the under 10 football tournament was held in Kilrossanty on Thursday, 11th. The final result of the series saw Kilrossanty as overall winners, with St. Olivers coming in third overall. This tournament was excellent in encouraging our young football players and we would like to thank all clubs who participated in making it so successful. Many thanks also to the Kilrossanty club for their hospitality on Thursday and to the parents, without whose help and co-operation, such a venture would never succeed.

### UNDER 8 FOOTBALL

The final of the under 8 Football took place in Clashmore on Monday, 8th. of July. Again this series was a great success. Ballinacourty were outright winners, with St. Olivers again filling the third spot. Again, many thanks to all concerned, who made this tournament an enjoyable one for our players.

### MINOR

St. Olivers minor football team continued on their winning ways on Tuesday, 9th. of July, with a comprehensive victory over Naomh Brld. The final score was, St. Olivers 2-13, Naomh Brld 0-3. Referee on the night was P. Fitzgerald.

On Tuesday, 16th. we face Ballyduff in hurling at the Cappoquin pitch, and on Wednesday, 24th. of July, Dungarvan, in Bushy Park.

All players would do well to note that in the last match, seven players failed in the colour scheme. This is not good enough, the team strip should be worn with pride. Please make an effort to improve this.

### UNDER 16 HURLING

Our under 16 team had a wonderful victory against Sacred Heart/St. Saviours on Monday, July 8th. The final score here was St. Olivers 6-7, Sacred Heart/St. Saviours 1-2. Referee: M. Condon.

This week St. Olivers have a bye, while on Monday 22/07/02, we take on Ballyduff/Butlerstown in Aghlish.

Yet again, the need to improve the colour scheme must be commented on here. A big improvement is expected lads.

### UNDER 13 HURLING

St. Olivers scored a comprehensive victory over Bohadon on Friday, 12th. of July.

### ANTRIM TRIP

Our visitors from Antrim arrive on Thursday night, July 18th. We hope that this spell of fine weather will continue for their visit. On Sunday night, July 21st. the club will host a farewell meal for our guests in the Community Centre in Villierstown at 9.30pm. We would like to extend an invitation to all our club members and their parents to attend this event, which we hope will be a most enjoyable farewell party.

## Coaching Scheme Notes

**DUNGARVAN HURLING CAMP** — Waterford star James Murray with four young lads from the Dungarvan area at last week's camp. The visit to the camps of these hurling stars and the Munster Cup is the real lift for these young children and they love shaking hands and getting autographs from their heroes.

### SUMMER CAMPS

Last weeks hurling camps were held in Dungarvan, Abbeyside and Stradbally. In Dungarvan we had our usual big crowd. Club chairman Paddy Fitzgerald had everything in tip top order and the grass was trimmed like Wimbledon. Paddy and Ray Kirby were a great help to us and did the supervising at lunch time which is most important. Tallow and Waterford hurler James Murray was our visitor and Jim Dee made sure the Munster Cup arrived.

On Wednesday we opened in Abbeyside and the usual crowd turned up and Noel Fleming made us very welcome. Waterford hurlers Seamus Prendergast arrived with the cup in the morning and team Captain Fergal Hartley did the same at lunchtime.

Also on Wednesday we opened in Stradbally where Robin Ahern did a marvellous job in the weeks leading up to the camp date grooming things. Breda Kiely stayed with us all day, every day and did the supervising at lunchtime and also ran the shop. Ballydurn's Peter Queally was a most welcome visitor at 1:30pm. and Waterford S.H. team secretary Jim Dee brought the cup down from Abbeyside. As you can see

coaches were really stretched on Wednesday.

In Dungarvan we had Shane Hickey, Shane Hayes, Elizabeth Fleming and Leonie O'Brien. In Abbeyside we had Ciara Murphy, Eoin Enright, Barry Prendergast and Leonie O'Brien. In Stradbally we had Miceal Power and Peter Power, all of these have completed Foundation level hurling courses over the past few years and are qualified to coach at this level while Ciara and Leonie are National School teachers and are well used to looking after children.

The camps are going really well and the feed back from kids, clubs and parents has been brilliant. Every child who enrolls in the camps get a free small kit plus a raffle for a pair of socks in the club colours plus many other small prizes.

While camps are intended to be mainly fun & enjoyment and care free days. Strict disciplines prevails at all times with the emphasis on learning the basic skills a priority. Thankfully we haven't had any injuries so far despite so many very young children with hurleys in their hands.

### NEXT WEEKS PROGRAMME FOR SUMMER CAMPS

July 22nd, 23rd, 23th - Portlaw  
July 24th - Ballydurn.

## DUNGARVAN G.A.A. NOTES

### SENIOR FOOTBALL LEAGUE

On Tuesday night last at Abbeyside we played Ballinacourty in our 4th game of the Senior Football League. This game turned out to be an entertaining and lively affair with the teams close throughout. However, Ballinacourty finished the stronger and had two points to spare when the final whistle blew, with the score ending 0-9 to 0-11. There are however signs of improvement in our play but some if our loose passing and wild kicking at times, would have proved very costly if this had been a championship game and is something which will have to be improved on. Our next game in the league takes place on Tuesday night next against The Brickeys. This game takes place at Clogherane and has a 7:30pm start.

### JUNIOR FOOTBALL

This Saturday the 20th of July we play the Geraldines in the second round of the Junior Football Championship. Hopefully we can continue our winning ways in this competition and progress to the next round. This game takes place in Bushy Park and has a 7:30pm throw in.

### DUNGARVAN JUVENILE NOTES

**Cappoquin Tournament** — Our U8's and U10's will be taking part in the Cappoquin tournament, which will be taking place this coming Saturday at 11am.

**Under-11** — Our U11's played in the ground Hurling County Final last Saturday in the Fraher Field. We were defending our title going into this game and although the lads played to the best of their ability, Mount Sion were just a little too strong for them in the end. This was a great game of ground hurling and well done to all the selectors on getting the lads to the final.

**Under-13** — Our next game in this competition takes place this Friday night in Cappoquin. The time must be arranged so check before travelling.

**Under-14** — Training is continuing for football and our first game in this competition will take place on August 1st against Abbeyside at home.

## BALLYGUNNER NOTES

### MINORS

As reported in last week's sports columns our Minor team had a great game of hurling recently when they were narrowly defeated by De La Salle. This match did wonders for this well drilled team and it showed when we faced Cnoc Sion last week.

In a very entertaining game, expertly refereed by Michael Wadding, our lads showed that the training sessions are paying off. The sliotar was delivered from the backs to midfield and from midfield to the forwards at the right height and at a very fast pace. We started well and succeeded in going ahead early on in the game to see us leading at half-time 2-4 to 0-2.

Again, in the second half, good teamwork was evident with some of the younger members like Robert O'Keeffe, Shane O'Sullivan and Tommy Power coming to the fore and getting some very nice scores. We finished strongly on the winning scoreline of 3-9 to 0-5.

Team: J. Dooley, Ml. Kearney, W. Hutchinson, J. Kearney, P. Carroll, P. Hogan, A. Jackman, S. O'Sullivan, P. Murphy, Ml. Power, G. O'Connor, A. Ryan, D. Clifford, T. Power, R. O'Keeffe, Sub; R. Finnegan for

A. Ryan. It is expected that this team will again meet De La Salle in the semi-final in mid August. In the meantime, training continues.

### JUNIORS

As Football games are being played at the present time, our Junior team are awaiting the resumption of the Junior Hurling League. As we have received a W.O. in the Championship against Ferrybank, we are awaiting results from other games to see who our next opponents will be in the Championship.

### INTERMEDIATE

A game which was postponed because of the bad weather earlier in the season, will now take place on this Tues. 16th July against Shamrocks at Knockanore @ 8pm.

This team will also be playing in the Championship on next Sat 20th July against De La Salle @ Cnoc Sion grounds @ 5pm.

### SENIORS

Our Senior panel of players have been training hard in the knowledge that our next Championship game will certainly not happen before Waterford's All-Ireland Semi-final game on 11th Aug. We have an outstanding League fixture

versus Roanmore to play, and at the time of writing it is likely to be played at Roanmore's pitch on Tues. 23rd. July, but this has yet to be confirmed.

### DEISE DRAW

We had a few winners in the June Draw; 200Euro to Patricia Walsh; 100Euro each to Fiona Marsh and Helen Murphy. Congratulations Ladies!

### FIXTURE FOR MCGINN PARK

Would all Team Managers and Coaches please note the pitch is needed on this Friday evening, 19th July @ 7.30pm for J.H.C., De La Salle Vs. Tramore.

### INTERMEDIATE MUNSTER FINAL

We take this opportunity to wish the Waterford Intermediate team the best of luck on Wed night at Pairc Ui Chaoimh when they face Tipperary in the Munster Final. As Greg Fives said on radio recently, if these guys can perform to 25% of the Senior team's wonderful achievement then we should have another Munster Championship in the County! Our own Alan Kirwan will be Captaining the team and also on the panel are Niall O'Donnell, Colin Kehoe, Billy O'Sullivan and Stephen Frampton.

# West Waterford G.A.A. Notes

### UNDER 11 GROUND HURLING COUNTY FINALS

The under 11 Ground Hurling County Finals were played at Fraher Field on Saturday morning last. The morning's programme began with the division three meeting of Kilrossanty and Sacred Heart. Victory went to Kilrossanty on a 2-1 to 0-0 scoreline.

The main game of the morning was the division one final between Dungarvan and Mount Sion. The Mount Sion team proved much to strong in this game winning on a 4-1 to 0-1 scoreline. The final game of the morning was the division two meeting of Naomh Brid and Passage. Passage with a much bigger physically built team proved to be to strong for Naomh Brid winning 6-0 to 0-1.

Congratulations to the three winners, Kilrossanty, Mount Sion and Passage. We commiserate with the three defeated teams, Sacred Heart, Dungarvan and Naomh Brid and hope that their day for winning County Finals is not very far away.

Fraher Field on Saturday morning looked fabulous which is due in no small part to Tommy Drummy who had the pitch like a carpet for the under 11's on their big day, while Al Fitzgerald, Joe Cleary and John O'Leary of the County Bord ensured that the morning's competition ran off very smoothly. The referee for all three games was a man fast finding a reputation for himself as a very good official, Maurice Condon from Clashmore.

### UNDER 14 COUNTY FINALS

The County Supermacs under 14 hurling finals were held at Fraher Field the weekend before last. The division four final between Ballyduff and Clashmore was the first game of the day and resulted in a 2-7 to 2-5 win for Ballyduff.

The division one final was between De La Salle and Abbeyside. In recent years De La Salle have been the team that has been winning more top grade underage County Finals than anybody, and they continued in their winning ways in this game with a decisive 5-9 to 1-6 win.

The division two final was between Dungarvan and St. Olivers. Going on the two previous meeting between the sides in championship action this year Dungarvan would have been the fancied team, but the lads from the Ballinameela/Villierstown/Aglis area were not going to let the boys from the Old Boro have it so easy and in the end victory went

to the St. Olivers lads on a 4-3 to 3-2 scoreline.

### MICK FITZGERALD CUP AND SHIELD

Round two of the Mick Fitzgerald Cup and Shield takes place this Friday evening. Division's one and two will be decided after the group series of games are played off. In group 'A' Cappoquin are at home to Dungarvan and Cois Bhride are at home to Fourmilewater. In group 'B' Lismore have home advantage to Abbeyside and Stradbally have home advantage to Brickeys.

In division three Naomh Brid are at home to Kilrossanty in section 'A' and An Gaeltacht have a free week following the withdrawal of Ardmore from the competition. In Group 'B' Clashmore are home to St. Olivers and Ballyduff are at home to Colligan.

### WESTERN FINAL

The Division One Western Final of the Declan Kiely Painting and Decorating Contractor under 14 hurling Championship was fixed for Fraher Field last night.

Abbeyside and Cappoquin provided the opposition and hopefully for next weeks notes we will have a report on the game.

### UNDER 16

On Monday night the next round of the Waterford Supporters Club under 16 hurling championship takes place at venues right around the county.

In division one Brickeys play Mount Sion at Bushy Park, Dungarvan play De La Salle at the Dungarvan Club Grounds, Abbeyside play Lismore in Abbeyside and Ballygunner have a bye.

## WATERFORD LADIES FOOTBALL NEWS

# Minor Ladies Win Munster Title In Style

### WATERFORD 1-16 CLARE 0-5

Waterford duly won their 9th Munster Minor title since 1991 at Emly last Wednesday evening when they proved far too strong for a fancied Clare side who had defeated Tipperary in the Semi-final.

From the first whistle Waterford played some delightful football and although Clare had a reasonable amount of possession their inability to take scores was a crucial factor.

In contrast Waterford had no such problems, indeed 7 different players got on the scoresheet and the attack looked a threat every time they got possession. Aoife Murphy pointed inside the first minute, Marion Ryan soon added another. Clare began with an extra defender although they were playing with the wind in the first half. They conceded the initiative to Waterford with Aileen Barron playing the free role to perfection and the Waterford attack enjoying plenty of possession.

Deirdre Breathnach scored the third point in the tenth minute and while Clare won possession in attack they didn't have the support to cause problems. By the end of the first quarter Elaine Power had come to terms with Clare's centre forward Una Downes, wing back Michelle Ryan and Elaga Hayes were also dominant and Clare were in serious trouble.

In attack Mary O'Rourke caused them many problems, she pointed in the twelfth minute and Tracy Gallagher and Ealga Hayes, up in the attack, added two

more. Aoife Murphy edged Waterford 0-7 to 0-0 in front by the 25 minute before Waterford put together the best move of the game.

Deirdre Breathnach's long ball found Mary O'Rourke and O'Rourke's pin point accurate pass put Tracy Gallagher through and she cracked home a great goal to the top left hand corner of the net. Within seconds, she added a point and Waterford led 1-8 to 0-0 at the interval.

To Clare's credit, they never gave up and began the second half well with three consecutive points from Maria O'Donnell, Marie Considine and Orla Keane. But, just as the Clare supporters started to make a bit of a din, Tracy Gallagher pointed. Keane replied for Clare and Waterford keeper Mary Hayes made two good saves before normal service resumed with Deirdre Breathnach, Marion Ryan and Mary O'Rourke landing points.

Ryan and O'Rourke (twice) put Waterford out of sight 1-15 to 0-4 after 52 minutes, Mary Foley and Clare Conna forward Helen Quinn swapping points as Waterford eased up.

Substitute Marie came on in the 35th minute and made a considerable impression. It's difficult to find fault with any aspect of Waterford's performance. They

play fast confident football and moved the ball far too quickly for a sluggish Clare side.

Keeper Mary Hayes proved the world of difference and restricted the for-

wards to few chances, mid-field was adequate and the attack showed flashes of what they are capable of. Waterford have improved in every game so far and if they can raise it another

10% they are in with a real chance in the semi-finals.

**Waterford** — Mary Hayes, Marie Power, Natalie O'Conner, Aileen Barron, Michelle Regan, Elaine Power (capt), Ealga Hayes (0-1), Deirdre Breathnach (0-2), Lisa Palmer, Marion Foley (0-1), Niamh Briggs, Mary O'Rourke (0-4). Substitutes Marie Hayes, Evelyn O'Brien, Charlotte Rahe, Karen Kelly and Pauline Cunningham.

## Waterford Ladies Football Notes

### MUNSTER TITLE

Another Munster Title for the minor ladies. Oh what a display of football in Emly last Wednesday when our minors took on Clare in the Munster Final. Our minors dominated this game from beginning to end as they finished on a score line of 1-16 to 0-5. A deserving win for our girls as they have trained hard over the year to prepare for this competition. They will now go on to play Monaghan in Birr next Saturday the 20th of July in the All Ireland semi final. Please try and support them in their quest for another All Ireland victory. Congratulations to their mentors Michael Ryan and Bridget Grant.

Kieran O'Connor, Ballinacourty, John Morrissey, Kilrossanty, Eamon O Mairtin (sponsor of Under-10 shield), Micheal Phelan, St. Olivers, Connie Walsh (sponsor of Under-8 shield), Tim Burke, Clashmore, Fintan Murray, Affane, Jim McGrath, Brickcys.

## West Waterford Town & Country Under Age Football Tournaments

The final series of games in these highly successful under 8 and under 10 tournaments were held this week in Clashmore and Kilrossanty respectively — when the sun decided to shine.

These inaugural tournaments were run through the combined efforts of the six participating clubs ie Brick-

cys, Ballinacourty, Kilrossanty, St. Olivers, Affane and Clashmore whose primary aim was the raising of standards at these levels and also the fun and entertainment value for more than 200 children, their parents and families and clubs.

Each club ran an under eight or an under ten tournament with each team playing

two league style matches before playing in an a,b or c final; this determined by their final league position. Points were then allocated on a sliding scale from six downwards. These were then totalled to give a final winner on the third night.

Ballinacourty have the honour of being the first winners of the Walsh plaque

very kindly sponsored by Bobby and Connie Walsh of Mt. Odell for the under 8's.

Kilrossanty, likewise have the honour of being the first u10 holders of the Bridie Dee plaque, kindly sponsored by Eamonn O Mairtin with the medals here kindly sponsored by John Kiely of Kilrossanty.

The six clubs are indeed very grateful to these generous sponsors and for their interest in the promotion of underage football in West Waterford.

One of the most pleasing aspects of the whole experiment was the hospitality shown, not alone to all the teams but to everybody present at each of the venues. The welcome cup of tea and sandwiches added a social aspect to the entertainment and a special word of thanks is due to the many people who were involved in any way. It was definitely worthwhile.

A final word of thanks to all the referees and club personnel for all the unseen work that has to take place to ensure the success of any undertaking. A meeting of the representatives of the six clubs will take place in the near future to discuss the success of the competition and to hopefully make initial plans for next year.

## Clashmore GAA Juvenile Notes

**U8 Football** — The last of the under eight football blitzes was held under ideal conditions in Clashmore on Monday evening last.

The event was a great success with some excellent games. Clashmore accounted for themselves very well and improved with each game played.

After the games medals and refreshments were presented to each of the participating teams. Thanks to everyone who helped with the organisation especially the ladies who looked after the catering.

Thanks to Marguerite Burke, referees Liam O'Rourke and Jason Seward and to Billy Walsh and Michael Phelan who put a lot of work into the running of the overall event.

**U13 Hurling** — We defeated Ballyduff in the first game of the Fitzgibbon Cup tournament. Our lads were on top throughout the game especially Ciarain Burke, Kieran Power, Michael Cummins, Brain O'Halloran and Alan Seward. ## WEEKEND FIXTURES

Because of the Munster IH final in Cork this evening, the programme of minor hurling games that would normally be played on Wednesday evenings, was brought forward to last evening, Tuesday.

One minor football tie which was deferred, Dungarvan v. Brickey Rangers, will take place on Thursday evening at Fraher Field.

### INTERMEDIATE FOOTBALL LOSERS GROUP

Brickeys v. Affane — Brickey Rangers, who were defeated by Clashmore in the first round and Affane who lost to Sliabh gCua at the same stage, will clash in the 'losers group' at Fraher Field on Friday evening at 7.30 p.m.

This is a 'death or glory' sit-

uation as the losers here are out for the remainder of the season, so an all out effort can be expected from both sides. Brickey Rangers will start slight favourites.

### JUNIOR FOOTBALL

A programme of five matches is listed and all will take place on Saturday evening.

Double Header — At Fraher Field, Kilgobnet will be expected to beat Stradbally's second team in the opening game and this will be followed by the Old Parish versus Ardmore tie.

A win for Old Parish would be a popular result, since the club field just one team. Ardmore though, will be difficult to beat here.

### OTHER GAMES

Geraldines and Dungarvan will both be represented by

their second teams when they clash at Bushy Park and the same situation will apply with Ballinacourty and Kilrossanty when they meet again in Stradbally for the replay of their 1-6 to 0-8 drawn match.

Ring and Emmetts will be in opposition at the Abbey-side grounds in their J.F. tie on Saturday evening..

### Under 21 Hurling Semi-Final

# Waterford Go Out To Tipperary In Thurles

TIPPERARY 2-14 WATERFORD 1-11

With an attendance of less than 6,000 and no early goals to ignite the game, this under 21 semi-final lacked atmosphere in Semple Stadium on Wednesday evening last and it was not until the goals came late in the second half that the interest of the crowd was fully aroused.

The fact that the game went for 55 minutes before the first goal, the sides having been parted on a 0-8 to 0-5 scoreline at the break, was to some extent a tribute to both goalkeepers.

Damien Young was called upon a bit more often than Waterford's keeper David O'Rourke, who brought off a few splendid saves and could not be blamed for Corbett's 55th minute goal or the second two minutes later when Corbett supplied Drislane.

The game, scheduled in some of the media for 7.45, got underway at 7.30, with the result a large portion of the attendance arrived late and complained.

Waterford, playing into the light breeze, lost an early chance when Eoin Kelly sent wide from a free. This was

the first of seven first half Waterford wides and Tipperary had a similar number. Eoin Kelly did emerge as our top scorer with 9 points to his credit (7 from frees) and certainly could not be blamed for our defeat. His namesake on the Tipperary team contributed 0-6 (4 frees) and missed a big number from placed balls.

At halftime the score at 0-8 to 0-5 looked to be in our favour but Tipperary's sharper hurling was keeping them ahead.

O'Rourke in goal, David O'Brien, Shane Kearney, Denis Coffey, Declan Prendergast and John O'Leary battled bravely to contain the almost continuous Tipperary attack and were successful until Corbett's 55th minute breakthrough.

Eoin Brislane and Stephen Mason were making life difficult for Stephen Barron and Michael Walsh in the middle of the field. John Mullane and Eoin Kelly, who, between them, had 1-10 of our 1-11 score, were the best of the forwards, with Frisby and John Hartley also making a

mighty effort to bridge the scoring gap. The switching of Sean Ryan and John Hartley seemed to come too late to make an impression on the game. Time was running out when John Mullane struck our only goal, but nevertheless it was a 'beauty'.

Scorers — Tipperary: L. Corbett 1-1, D. Brislane 1-1, E. Kelly 0-6, E. Ryan 0-3, M. Butler 0-2, D. Shelly 0-1; Waterford: J. Mullane 1-1, E. Kelly 0-9. (0-7 frees), S. Barron 0-1.

Tipperary — D. Young, M. Maher, P. Curran, D. Gleeson, T. Kind, J. Devane, D. Fitzgerald, E. Brislane, S. Mason, D. Shelly, P. Buckley, L. Corbett, E. Kelly, M. Butler, E. Ryan. Subs played: S. Maher, C. Houlihan, D. McGrath, G. Butler.

Waterford — D. O'Rourke, D. Coffey, D. O'Brien, S. Kearney, I. Power, D. Prendergast, J. O'Leary, S. Barron, M. Walsh, E. Kelly, J. Hartley, M. Frisby, J. Mullane, S. Ryan, S. Wall. Subs played: R. Connery, E. Galvin, R. Hennessy.

Referee: Denis Richardson, Limerick. Attendance 5,772.

## Waterford Will Play Galway Or Clare In Semi-Final

Following the weekend results and the draw for the quarter finals on Sunday night, it is now certain that Waterford will play either Clare or Galway in the All Ireland semi-final on August 11th, in Croke Park.

Tipperary will beat Antrim in their quarter final match and will play Kilkenny in the other semi-final on the following Sunday, August 18th.

The other county team news is that Fergal Hartley who was carried off injured in the Antrim match, is not seriously injured and James Murray who is presently out with a 'hamstring' injury is also expected to be fit in good time.

# Intermediate Hurlers Try For Munster Title In Paire Uí Caoimh

## Waterford v. Tipperary Tonight At 7.30 p.m.

Waterford have played in all seventeen provincial championships since it was first introduced and our only reward so far has been to reach the Munster final back in 1965 only to be defeated by Cork at Fraher Field.

This evening in Cork will mark our fifth meeting with Tipperary, we having lost the first four.

This championship, which is the 'Cinderella' of all Munster hurling championships, began in 1961 and after 12 seasons it was abandoned in favour of the provincial junior hurling championship. Then, after an interval of 25 years it was reintroduced and continued to be dominated by Cork and Tipperary who have so far won 13 of the 17 between them.

Cork have 7, Tipperary have 6, Limerick 2, Kerry and Galway have 1 each.

Over the years we have been beaten by all the other counties including Kerry and Galway who were playing in

the Munster championship in the early sixties.

In recent years, because of our perceived poor rating in the hurling stakes, we have been allowed play our second best and while we still made no impression in that championship, there are indications that a change is about to take place. This will be our last season enjoying the privilege of fielding our second best. So here this evening it is a matter of winning or forgetting about ever winning the "Sweet Afton Cup" at least for many years to come.

Fielding our strongest available team, we must be in with a good chance of scoring a double against Tipperary. They have taken the game very seriously and refused to agree to a Waterford proposal to toss for Thurles or Walsh Park for venue.

As will be seen from the selected team, there are major changes from the team which defeated Crk by 3-16 to 2-13 in the semi-final in Thurles.

Several of the original side had to cry off for a variety of reasons, notably Sean Daly who sustained a fracture of the ankle in a challenge game against Cork's under 21 team. Also Roy McGrath, Stephen Cunningham and Colin Kehoe, who are reported to be injured also.

Into the team comes Stephen Frampton. (If Fergal Hartley injury in the Munster final had been more serious, a replacement of Stephen Frampton's quality would have been needed, hence the rumours that we might see him back on the senior panel before the semi-final). Conal Watt, from the senior panel, is also on the team as well as Billy O'Sullivan, who captained Ballygunner in the Munster Club championship this year.

### PROSPECTS?

With such a line-up of experienced talent — all of whom have played at inter-county level before, we must expect to do well, even though, Tipperary, having

disposed of Clare and Limerick on the way to the final, will be difficult to overcome.

## SENIOR HURLING CHAMPIONSHIP

# Tallow and Stradbally Finish Level In Exciting Tie At Fraher Field

As far as I can recall, the same caption was used to describe the first round meeting between these sides in last year's championship.

The news that Tallow would be forced to field without inter-county player James Murray gave rise to the expectation that here Stradbally would manage a narrow victory as they did when meeting Tallow in a replay last year. A 61st minute point by top scorer Paul Kearney for Tallow, prevented this

from happening and resulted in both teams being given a second chance as was the case last year. It was a very fair result as a win for either in the circumstances and given the effort put in by both teams, would be described as a travesty of justice.

### PLAY

Points by Trevor Curran and Ger Power gave Stradbally an early lead and the Cove team, who were forced to play without the injured Stephen Cunningham, looked to be settling in very well at this stage.

A point by Shane (Finn) McCarthy, followed by another from Sean Slattery brought the teams level by 7th minute. Trevor Curran and Paul Kearney exchanged points and again Paul Kearney and Michael Walsh had points to keep the game on an even keel.

In the 20th minute Paul Kearney pointed and five minutes later when the ball was being moved around the Stradbally goal area, it was Paul Kearney again who did the damage when kicking the ball to the net to put Tallow 4 points clear. Another white flag was raised by Tallow per Paul Kearney and Stradbally looked as if they might be in some trouble going into the break when Denis Doyle shot the ball to the Tallow net for a rescuing goal, to leave the state of play at 1-6 to 1-4 in favour of Tallow at halftime.

### SECOND HALF

Within a couple of minutes Stradbally substitute Conor Coffey found the Tallow net to give them back the lead. Nial Curran added a

point. Paul Kearney and John Ahearne exchanged points before Paul O'Brien had a Tallow goal to restore them the lead in the 44th minute. Two points by Michael Walsh and one by Paul Kearney kept them level again in the 51st minute.

With 5 minutes remaining Nial Curran goaled for Stradbally to give them the lead but scores by Kearney and Paul O'Brien brought the teams level by the 56th minute. Two minutes later Nial Curran looked to have sent over a winning score for Stradbally, but a rescuing point by Paul Kearney seconds before the final whistle sent this very enjoyable contest to a replay.

A total of 12 players shared in the scoring and this is above average. Tallow: P. Kearney 1-8, P. O'Brien 1-1, S. Slattery, D. O'Brien, S. McCarthy 0-1 each; Stradbally: N. Curran 1-3, C. Coffey 1-0, D. Doyle 1-0, M. Walsh 0-3, T. Curran, G. Power, J. Hearne 0-1 each.

Tallow — M. Murphy, M. Martin, D. O'Brien, C. Cunningham, W. McDonnell, J. Beecher, S. McCarthy, M. Geary, A. Kearney, B. Henley, S. (Finn) McCarthy, P. O'Brien, M. O'Brien, S. Slattery, P. Kearney. Sub played: B. Sheehan.

Stradbally — L. O'Brien, D. Power, J. Halpin, O. Costello, J. Coffey, T. Costello, E. Clancy, J. Hearne, M. Walsh, A. Darcy, G. Power, T. Curran, O. Cunningham, N. Curran, D. Doyle. Sub: C. Coffey.

# Waterford Defeat Spirited Antrim Side In S.H. Tournament

**WATERFORD 1-20 ANTRIM 2-10**

It was exhibition stuff — a "stroll in the sun" game and while there was nothing at stake, the crowd of about 2,000 loved it and at the end they showed their appreciation of both teams with deserved applause.

Waterford, the Munster champions won, as was expected, but Antrim's hurling was that bit more purposeful. I suppose a win over the new Munster champions would lift their profile somewhat and win them some support going into the All Ireland quarter finals.

Waterford fielded without James Murray, Seamus Prendergast and Peter Queally because all three had championship engagements at the weekend and also Eoin McGrath who is ill.

The attendance was under expectations, obviously because thousands of supporters were not anxious to travel from the cite side of the county on a Saturday evening to see a game with nothing really at stake.

#### PLAY

Waterford shot several wides but without a single score while Antrim notched 1-3 by the 17th minute. Ken McGrath opened for the home team and he had another

white flag raised in the 19th. minute. The Antrim goal had been scored by Brian MacFall in the 17th minute.

A great run by John Mullane saw him find the net to bring Waterford back into contention in the 23rd. minute. Ken McGrath, Andy Moloney and Dave Bennett (4) scores helped Waterford to a 1-10 to 1-5 halftime lead.

#### SECOND HALF

A Liam Watson goal in the opening minute brought life back into the game but McGrath and Bennett replied with points. In the 10th minute centre half back, Fergal Hartley was lifted off with an injury but after the game it was found to be not so serious.

From here to the finish there were plenty of good scores and some good hurling in a very sporting match that ended with a 10 points victory for Waterford.

**Scorers** — Waterford: D.Bennett 0-10, K. McGrath 0-4, J. Mullane 1-0, P. Flynn 0-2, E. Kelly 0-2, A. Moloney, D. Shanahan, 0-1 each; Antrim: L. Watson 1-2, B. MacFall 1-1, C. Herron 0-2, J. Boyle, C. McGurkin, S.

Delargy D. McCauley, A. Mort 0-1 each.

**Waterford.** — S. Brennar, B. Flannery, T. Feeney, B. Greene, E. Murphy, F. Hartley, J. O'Connor, T. Browne, A. Moloney, D. Shanahan, K. McGrath, D. Bennett, M. White, E. Kelly, J. Mullane. Subs played: P. Flynn, D. Prendergast.

**Antrim** — D. Quinn, M. Kettle, M. MacCambridge C. Hamill, K. McKeegan, C. Herron, J. Connolly, C. Cunningham, J. Boyle, C. McGuirk, L. Richmond, L. Watson, P. Richmond, B. McFall. Subs played: S. Delargy, A. Mort, D. MacCauley. Referee: Pat Moore, Abbeyside.

This game was organised

to mark the official opening of the new stand at Pairc Uí Shiochain, An Rinn and this ceremony took place earlier in the evening at their grounds where the county chairman, P. S. Riain paid tribute to the club and commended them for the development which had taken place in a short space of time. They are the first club in the county to have such a stand and this will prove a great facility for patrons, especially during bad weather, as was pointed out by the club Cathaoirleach, Irial Mac Murchú.

The club produced a nice match programme for the occasion.

## COUNTY BOARD MEETING

The regular monthly meeting of the county committee has been deferred to Monday, July 29th.. Normally the July meeting does go late because no meetings are held in August. The next meeting after this will be held on the day after the All-Ireland Hurling final — unless!!

The meeting in two weeks time will give delegates their last chance to formulate motions concerning the Strategic Review Committee Report which goes before a special Congress in October

## Late, Late Point Gives Victory To Nire Over Ardmore

**NIRE 1-11 ARDMORE 2-7**

This was their fifth meeting in two years and like the previous four, it was a tight, splendidly contested contest which remained in the balance right up to the last minute.

This time it was the Nire's turn to enjoy that bit of luck which made all the difference and it came in the dying seconds when late, late substitute Joe Walsh kicked over the winner that broke the 'duck' and sent the Nire to the winners section and Ardmore into the losers group. Their inclusion in that group will cause shudders among the other beaten first rounders.

Meetings between these teams have always attracted a good attendance and this was the case at sunny Fraher Field on Sunday and it was a 'break' for those who spent the fine afternoon watching the 'box'.

#### PLAY

The game was tight in the early stages and scoring was slow. Aidan Ryan opened with a Nire point in the 6th minute and Connie Power pointed a free in the 12th minute. Ardmore had not scored by the 16th. minute, but then a goal by full forward John Conway, more or less made up for lost time. Seamus Prendergast added a point 2 minutes later and John Conway kicked over 2 points to give Ardmore a 4 points advantage by the 27th minute, but they did not score further for the remainder of this half while the Nire added a goal per Pat Walsh and points by Martin Walsh and Connie Power to give then a slender 1-4 to 1-3 lead at halftime.

#### SECOND HALF

Connie Power had an early point and John Hennessy replied with a similar score. Five minutes later Hennessy was brought down in the 'square' and James O'Donnell kicked home the resultant penalty to put Ardmore back into the lead in the 40th. minute. O'Donnell had a point from a '45', Ger Walsh and Seamus Prendergast exchanged points and Nial Hennessy kicked Ardmore into a 4 points lead in the 50th. minute, but this turned out to be their final score of the game.

Nire had Connie Power points in the 51st and 52nd minutes, Brian Wall and substitute Tom Flynn had points to leave the game level at 1-10 to 2-7 in the 60th minute before another substitute, Joe Walsh had the winning point. A total of 13 players scored.

**Scorers** — Nire: C. Power 0-5, P. Walsh 1-0, J. Walsh, B. Wall, A. Ryan, T. Flynn, M. Walsh, G. Walsh 0-1 each; Ardmore: J. Conway 1-2, J. O'Donnell 1-1, S. Prendergast 0-2, N. Hennessy, J. Hennessy 0-1 each.

# Abbeyside / Ballinacourty GAA Notes

## SENIOR FOOTBALL LEAGUE GAME

On Tuesday Night last the 9th of July in our own field we played our great and nearest rivals in the Division Two Senior Football League. We were missing a couple of lads but to be fair to Dungarvan so were they. We were lucky in the end to maintain our unbeaten record on a score line of 11 points to 9. It goes without saying that we are still somewhat off of championship pace but the win was born from sheer hard graft and every lad who played gave of their best. More of this spirit will surely take us through some hard battles.

The team that played on the night was as follows. Declan Enright, Gavin Breen, Michael Collins, John Organ, Rick Hanrahan, Laurence Hurney, James Keohane, Shane Briggs, Sean "Hiker" McGrath, Willie Fennell, John Foley, Patrick Lynch, Michael

Enright, Karl Power and Conor Barrett. Subs used were Pat O'Brien and Minor Simon Hanrahan who made a very impressive Senior Football Debut. Substitutes not used were Enda Walsh, David Cashin, Joe Walsh, Nickey Dwane, Denis Byrne, Seanie Kiely and Seamus Lavin.

Once again the O'Brien's of Minnies fame fed the lads.

## INTERMEDIATE HURLING CHALLENGE

We had an excellent run out against Ballygunner in an Intermediate Hurling Challenge last Thursday the 11th of July. They promised to come visit us when we were last down with them in the League. Through to their word they came up and a good game of hurling was played.

The team lined out as follows. Emmett "Mixer" Byrne, Brendan Mansfield, Jonathon Moore, Aonghus Murray, Joe Walsh, James Keohane, Rick

Pictured above are the Ballinacourty Under-8 football team who were the first winners of the Walsh Plaque in the Town and Country Tournaments.

Hanrahan, John Paul Keohane, Gary Hurney, Paul Veale, John Foley, David Cashin, Pat O'Brien, Paul Breen and Cyril Bailey. Substitutes used were Simon Hanrahan (a minor making another debut for the intermediate hurling team), Keith Brown, Pat Enright and Denis Byrne. Minnies once again put food on for both teams for which we are as always grateful.

## JUNIOR FOOTBALL CHAMPIONSHIP

Pride of place this week very definitely goes to our "Junior A" Footballers who were playing their second game of their Championship campaign. Down to 14 men early in the game when one of our boys was given the nod for an early shower. With their backs to the wall they battle to a standstill to pull a draw when they looked like they were dead and buried with five minutes to go as they found themselves two points down. But they showed enormous courage to get out of Stradbally on a scoreline of 1 goal and 5 points to Kilrossanty's 8 points.

With the goal scored in typical fashion by the great poacher Michael "Sheehy" Cosgrave who duly despatched the ball to the net from a 21-yard free and through a five-man wall. John Paul Keohane scored the drawing point at the death having received a side line pass from Liam Briggs when everybody thought he was going to do a Maurice Fitzgerald from far out on the right touch line.

This was a tremendous game of football played from end to end by both sides. Enda Walsh was his usual steady self on goal, fronted by the Michael "The Rock" Collins who made several of his trademark runs through the middle. Simon Hanrahan who made his Senior League Football debut

and his Intermediate Hurling debut in the same week had an enormous game at centre back. David Cashin had an excellent game until he had to leave the game with a suspected broken nose was ably replaced by the lively Aonghus Murray. As always the Keohane brothers James and John Paul covered every inch of blade on the pitch. Pat O'Brien one of the clubs sponsors had an inspired game at centre forward while along side him Luke Brennan worked tirelessly.

The inside forward line of Michael Cosgrave and Nicky Dwane had to work their hearts out with only the two of them to make in roads. Joe Walsh and Keith Brown did a powerful amount of work in defence. Seamo Burns must have thought he'd die with the amount of running he had to do. Pat Enright did his bit when Nicky Dwane finally ran out of steam in the full forward line.

The team for the record was as follows. Enda Walsh, David Cashin, Michael Collins, Joe Walsh, Keith Brown, Simon Hanrahan, Liam Briggs, James and John Paul Keohane, Seamo Burns, Pat O'Brien, Luke Brennan, Jason Donovan (Captain), Nicky Dwane, Michael Cosgrave, Aonghus Murray and Pat Enright.

It was a night where we were happy to get out of Stradbally with the draw and all returned to Minnies to be fed again.

## JUNIOR FOOTBALL CHAMPIONSHIP REPLAY

The replay of the "Junior A" Football Championship takes place this Saturday night the 20th of July at Stradbally against Kilrossanty at 7.30pm. We would ask all those stay at home supporters to please come out and support this team. After last week they deserve it.

We play Clashmore at home next Tuesday night the 23rd of July in our own field in the Senior Football League.

## UNDER-10 FOOTBALLERS

Our U-10 footballers travelled to Lemybrien on Thursday night for the final series of games in the tournament. Having played the Brickeys and Kilrossanty we reached the B final against Affane. Our players improved greatly in both skill and attitude throughout the tournament. Many of our players are showing great promise for the future.

Our panel was: Ronan Sheehan, Cathal Deery, Liam Beresford, Philip Cashin, Fiona Morrissey, David Collins, Evan Collins, Stephen O'Connor, Michael O'Donnell, Ray Murphy, Eoin Young, Killian Kiely, Barry Henley, Jason Nagle, Jonathan Nagle, Malachy Flynn, Eoin Bergin, Anthony Fennell, Louie O'Mahoney, Sorcha Hurley, Tom Aird, Ross Dunford, Barry McCullough, Colm Kindregan, Colm White, Colm O'Hare, Michael Walsh, Gearoid Morrissey, Greg Manggan, Alan Fitzgerald, Jack Leahy.

Photograph shows Michael Foley who is son of long time Club Members John Senior and Margaret. Also brother to John who Plays Senior Football and Intermediate Hurling, Mary who won a Munster Minor Football Medal with the Waterford Ladies Minor Football Team last week and is also brother to Richie who plays on the U16 Football and Hurling Team. Michael has made his own sporting way by winning two gold medals and a bronze medal in the National Special Olympics Final. Very unfortunate not to make the National Olypmics Squad but everyone is still extremely proud of Michaels achievements. Michael won his golds in relay and free-style swimming and won his bronze in the breaststroke. Michael is one of the clubs biggest supporters and in recent times is at training and games more than some of our players. Michael can be seen regularly involved with the current selectors and is not shy in expressing his view about who should play where. This has been a fantastic achievement for Michael himself, his family, his parish and we are delighted to be associated with such a committed sportsman. We wish Michael further success in his sporting endeavours".

**RAILWAY ATHLETIC F.C. NOTES**

# Busy Times For Railway's U-10's

**UNDER 10 LEAGUE****RAILWAY ATH 3-1 BALLINROAD**

Ballinroad were the visitors to the Danes field for the Under 10 beginners league. Our lads turned in some fine performances and in the three games we won two and lost one. In the opening game our first team put in a fine display and came out winners by three goals to one. We played very well throughout but Ballinroad never gave up and kept battling right to the very end. This was a very tight game and at half time the scores were level at one goal each. Shane O' Rourke put us ahead after a fine pass from John Longan but Ballinroad drew level just before half time. In the second half Railway upped the pace and Keith Power added a second five minutes into the half. Then the goal of the game came, great work by Hallisey and Cahill sent Byrnes away. He pulled his pass back and Shiner sent an unstoppable shot into the top corner for a great goal. Try as they might Ballinroad couldn't find a way past our defence and when they did they found Terence Robinson in amazing form in the Railway goal. So it ended Railway 3-1 Ballinroad.

Team: Terence Robinson, Ray Hallisey, David Cahill, Jenny McCarthy, Craig O' Shea, Keith Power, Vinnie Byrne, Shane O' Rourke, John Longan. Res: Luke McLaughlin, Damien Murphy.

**RAILWAY ATH 7 - 2 BALLINROAD**

Our second team put up the performance of the night when they beat Ballinroad by seven goals to two in another well contested game. These young lads are turning into a very fine team and will be looking forward to the beginning of the league in September. Right from the start Railway put Ballinroad on the back foot and after five minutes we took the lead. Good work by Gary Hurley and Jamie Glavin set up Shane McGovern and Macca gave the keeper no chance with a fine finish. Soon after we were two up. This time McGovern became provider when his fine run and cross was blasted home by Jamie Glavin. Railway were well on top at this stage and it was no surprise when we went three up. Liam O' Gorman's fine run set up Glavin and his shot took a deflection and landed at the feet of Dean Whelan who side footed home from close range. Ballinroad never gave up and hit us on the break a couple of times. Just before half time they pulled two quick goals back so in the second half it was going to be all to play for.

Just after half time we got our fourth goal. Great work by little Jason O' Keeffe set up Kieran Maher for a shot on goal. The Ballinroad keeper could only get a hand to it and it fell to Jamie Glavin who slotted home well. Five minutes later and Glavin had his hat-trick. Great work out of defence by Killian O' Sullivan and James Ryan sent Kieran Lynch away down the right. His pass found Hurley who squared to Glavin. Jamie beat two defenders and then blasted a great goal past a helpless Ballinroad keeper. Jamie added his fourth right at the end and in between Shane McGovern had another goal for Railway to see them home by seven goals to two. (Just at the start of the second half Railway brought on young David Longan. David has been at nearly all our games this season and just loves to get a game. When he came on he made a couple of useful tackles and passed a lot of ball. Not bad when you consider David is only five years of age)

Team: Patrick O' Connor, Killian O' Sullivan, James Ryan, Dean Whelan, Shane McGovern, Gary Hurley, Liam O' Gor-

man, Jason O' Keeffe, Jamie Glavin. Subs: Kieran Lynch, Kieran Maher, David Longan.

**RAILWAY ATH 1 - 3 BALLINROAD**

In our third game a very young but gallant Railway side took on a much bigger Ballinroad side. Ballinroad were the much better side in this game and fully deserved their win. Railway to be fair worked hard all the way through and never gave up. Ballinroad took the lead midway through the half. Their midfielder made a fine run through and sent a fine shot past O' Connor to the Railway goal. This seemed to gee our lads up somewhat and they started to have a right go at Ballinroad. Just before half time disaster struck when Ballinroad caught us on the break and made it 2-0. Railway pulled a goal back right at the start of the second half. Good work by Shane McCarthy and Kayleigh Reddy set up Shane Dunne and young Dunne finished to the back of the net for a good goal. Right at the end, Ballinroad got their third and that was how the game finished Railway 1-3 Ballinroad.

Team: Patrick O' Connor, Melissa Cahill, Ciara Power, Damien O' Donoghue, Shane McCarthy, Adam Kavanagh, Richard Power, Shane Dunne, Kayleigh Reddy, Samantha Reddy, Michelle O' Connor, James Power, Liam McLaughlin, Ciarán Kelly.

**FERRYBANK U10 TOURNAMENT**

We travelled to Ferrybank and put in a couple of fine displays to reach the quarter finals of the tournament. In total we had four games, three in the group stages and then in the quarter finals. Bohs A were somewhat lucky to beat us.

Game one was against St. Paul's B. This was a very enjoyable game of soccer and we put in an excellent performance to win by two goals to nil. Jamie Glavin put us one up after six minutes and we stretched our lead to two right on half time when James Ryan scored with a fine shot. Try as they might St. Paul's couldn't pass our resolute defence of Killian O' Sullivan, James Ryan and Liam O' Gorman. With Shane McGovern and Gary Hurley running things in Midfield and Jamie Glavin (who had a great tournament) working very hard. Railway held on for three points and so to game two against a very strong physical Tramore side.

We put up a very good performance in the first half against an excellent Tramore side who went on to top the group. We opened the scoring when great work by Sullivan and Hurley set up Glavin and he sent a fine shot low into the bottom corner for a fine goal. Then disaster as right on half time after all our fine work and defending we conceded a very soft goal. Poor marking in defence left is their midfielder for a goal.

In the second half Tramore really upped their game and added five more goals against us. But to our lads credit they never gave up and battled right to the end. Our third game was like a cup final, we played Bohs A who only needed a draw to go through where as we needed to win. We started well and had Bohs under a lot of pressure. We defended well and took the lead after five minutes. Great work by Killian and Liam in defence sent the ball out to James whose pass found Gary Hurley. Gary's pass put Jamie away and he slid the ball past the Bohs keeper for a great goal. Bohs came back at us and Dean Whelan in the Railway goal had to make two quick saves to keep us in the game.

Half time came with Bohs on top and Railway needing to reorganise. It was a different Railway side that took the field in the second half. The lads knew that they had to work their socks off to reach the quarter finals and this is

what they done. They hunted in packs and never let Bohs settle. We got our just rewards midway through the half when Jamie Glavin got his second of the game and fourth of the tournament. This goal was all his own making. He picked the ball up in his own half and beat four Bohs players before coolly slotting the ball home for a fine individual goal. Try as they might Bohs couldn't get back into the game and we held on to advance to the quarter finals. In the quarter finals we were drawn against Bohs A team.

This was going to be a difficult task for our lads but to their credit they took the game to Bohs. Bohs however pinned us back for long periods and only for some fine goalkeeping by Dean Whelan and great defending by Killian, James and Liam, we could have been a few down inside the opening minutes. We should have taken the lead after eight minutes when Gary Hurley left the Bohs defence in his wake only to see his effort flash narrowly wide. Just before half time Bohs took the lead. A free kick from Twenty yards flew past a stranded Whelan to put Bohs one up. Try as we might we couldn't get back into the game and near the end Bohs finished us off with a second goal. Our lads can feel very proud of their efforts because this Bohs team went all the way to the final where they lost out to the host on penalties.

Team: Dean Whelan, Killian O' Sullivan, James Ryan, Liam O' Gorman, Shane McGovern, Gary Hurley, Jamie Glavin, Kieran Maher, Kieran Lynch, Jason O' Keeffe.

**MCDONALD'S**

After the game we all headed for McDonald's for a bite to eat and an ice cream before we headed home. The lads soon forgot their disappointment of loosing and a great craic was had by all on the bus home.

**HELP NEEDED**

If anyone out there who has a child playing or just interested in soccer would like to get involved and help with these kids please feel free to come along as all the help we can get would be greatly appreciated. If you are interested please contact Martin Reddy 52983 or Tom Browne 54769 or Conor Prendergast 54010. Thank You

**UNDER 4-7**

Don't forget every Saturday morning we have our kiddies academy from 10:30 to 11:30. Any boys or girls are more than welcome to come along and enjoy the fun and games and even have a chance to win a few lollipops.

**BIRTHDAY CELEBRATIONS**

Congratulations to first team player David "Lilly" Lenane, who celebrated his 21st birthday over the weekend. Also birthday wishes to second team players Brian Donnelly who celebrated his 24th birthday (or that's what he says) also over the weekend.

**PRE SEASON TRAINING**

Pre-season training for all junior players commences this Sunday at 4 p.m. It is hoped that every junior player will make himself available, as the commitment level will have to be upped by 200% from last year. If we have a good pre-season and start both leagues well, interest is generated and anything is possible. Both sides have ability, but ability wins nothing without hard work and effort. All new interested players are more than welcome.

**UNDERAGE TRAINING**

Training for underage (under-15 to Under-17) continues this Friday at 8 p.m. Also all new players are more than welcome.

**CLUB LOTTO REACHES €3,900**

## PUB LEAGUE SNIPPETS

### "Conor Fitzgerald Scores From Halfway Line"

Conor Fitzgerald scored a brilliant goal from the halfway line in Tommy Powers defeat by the Lady Belle. Conor claims to have meant it.

Prominent G.A.A. star John O'Driscoll lined out for the Village Inn. John, who represented Cork at senior football and Ireland in the series v. Australia back in the late 80's, was a revelation in a midfield role.

Deckie Hourigan was at his best when shouting the lads on and had the crowd in stitches with his various witticisms and gags.

Pat Morrissey the senior citizen of the cup showed no ill effects as he led the Keatings (B) defence a merry dance. Pat and Owen are the only father and son combination, to our knowledge, to compete in the tournament.

## TEAM OF THE WEEK

Bomber Condon (Mooneys)

J. D. Casey (Local) Olan Casey (Tommy Powers) B. Kirwan (Crottys)

Jim T. Kelly (Minnies) Ml. Hogan (John Pauls)

## ANNUAL PLAYERS OF THE YEAR AWARDS

The awards take place at Minnies Bar on Monday, July 29th. The medals for our victorious under-13 and under-15 league teams will be presented by a special guest and, of course, our under-12, 13, 14, 17, Div. 4 and Div. 1 players of the year awards.

## IRELAND UNDER-15 SQUAD

Club player Willie John Kiely took part in the Ireland Under-15 squad trials on Saturday last. He acquitted himself very well scoring twice and being taken down for a penalty. Willie headed to Everton on Monday last as a guest of their club for a week. Well done Willie and the best of luck.

# Flashback In Time

The recent exploits of the Irish team in the World Cup prompts us to publish the above photo in our "Flashback In Time" Series. It shows local man Sev Baumann pictured in company with the great Brazilian player Pele prior to the 1974 final in Munich. In centre of the photograph is Paddy O'Driscoll of the F.A.I. and on the right is John Jarvis of the F.A.I. Pele had just signed a contract with Pepsi and Sev, who was the only person in the hotel with a camera, was asked to photograph the event, which he did. Next to Sev in the photo is an official from Malta.

# RED HOUSE LEAGUE NOTES

The Annual General Meeting of the Red House League takes place this Monday night 22nd July in The Red House, Lismore with an 8:30pm sharp starting time. As per rule all clubs can have two delegates present for voting purposes. Where voting on any item or issue arises any clubs with outstanding fees not paid to the league before the A.G.M. will not be allowed to vote. So Clubs please take heed. Contact Pat Casey before the weekend. The league will once again review another successful season and considering the bad weather in February/March all games were played as planned before the end of May. The U18 league, thanks to Liam Fraser, was an outstanding success and the future at this level is very promising. History will be made on Monday night when after 30 years and since the founding of the league in 1972 present Chairman Paddy Pollard steps down and will be replaced by Vice Chairman Michael McBride who will then hold the post for the next three years. Paddy stays on the committee and will represent the league at Munster level and he will continue to represent Munster at FAI Junior Level. It is hoped that there will be some new faces on the league management committee this coming season and of course the committee is the ideal platform for those who wish to improve the league especially with various rules and fixtures. Many suggestions

were made towards the end of last season, so let us hope to hear them at committee level next season. Remember the time 8:30pm sharp. Be there!!!

## MUNSTER JUNIOR CUP & F.A.I. JUNIOR CUP

League secretary Michael O' Neill has application forms for both the FAI and Munster junior cup competitions. Clubs wishing to enter one or both of those competitions can collect the forms from Michael at the AGM on Monday night. Likewise clubs wishing to enter the Munster Youth Cup competition can have their forms collected from Liam Fraser on Monday night next.

## SUPER DRAW

The 6th Co - operative Super Draw organised by the Red House League will be launched at the AGM on Monday night next. Draw coordinator Pat Casey had told us it is the best draw, prize wise, of any of the six draws to date.

There are two cars - A Nissan Micra and a Yaris, as the two top prizes.

There are holidays, weekends away, sporting fixtures, household items, DIY, you name it this draw has got it. Pat told us there are prizes to suit everyone - young and old, and of course the clubs are the big beneficiaries from the sale of tickets.

In this present day the cost of travelling and insurance to clubs has become astronomical and for clubs and organisations to survive they need all the financial resources available to them. The Super

Draw to most clubs is the main financial source of income so with attractive prizes, the sale of tickets should help all clubs to stay out of the 'Red'.

The draw will be launched at the conclusion of the AGM.

## REFEREES

No, we're not going to write anymore on this subject. Next season will see a new PRO and hopefully he/she will not have to mention the lack of referees in the weekly notes and all the other seasons also. Fixture secretary Jim Foley could be dubbed a magician

for managing to play games every weekend as he has been with such a limited panel of referees to select from. Credit must also be given to the referees who have helped out by doubling up on Sunday games at the last moment - to ensure the games were played. How long can this go on for? Clubs please take note. As we wrote two weeks ago, Lenny Fraser is only waiting to hear from clubs and he will organise a referees course. Just remember coming the the AGM on Monday next. No referees - No games - end of story!

# Manchester United Supporters Club

## WATERFORD BRANCH

We have now received our fixtures for next season namely West Brom on August 17th, Arsenal on December 7th and Liverpool on April 5th next year. As every Man. U. fan knows you will not get fixtures to top these and we have been allocated extra tickets for the Arsenal fixture in December.

Any members interested in travelling to the Arsenal fixture should contact the secretary a.s.a.p. at 086 3925677 to avoid the scramble. If there is enough interest in travelling by coach and ferry we will run the coach but only if the numbers are sufficient will this be possible.

If there are any United fans interested in joining the club you need only contact the secretary on the above number for full details.

We have set up a club savings scheme to offset the cost of these trips. If you would like to avail of this scheme make it your business to be at the next meeting on August 9th in Lawlors Hotel at 8 p.m. The meeting will also allow members to check out the hotel we propose to use on our trips this season.

# DUNGARVAN GOLF CLUB NOTES

## DONAL VERLING WINS FESTIVAL TROPHY

The 18 hole Singles Stroke off the blue markers for the Festival Trophy kindly sponsored by Waterford Crystal was won by Donal Verling playing off (12) with a 68 nett. Donal, Tremendous clubman who gives very generously up his time, had a great start reaching the turn in 44 shots. Donal came to life on the back nine which he covered in level par highlighted by a great birdie on the 13th complimented by 7 pars. The sustained applause that greeted Donal's win shows the high esteem with which he is held within the club. In second place also with a 68 nett we had Derek Lyons playing off (10) Derek, a crucial member of Dungarvan's G.A.A club's three in a row in the 90's, played very consistent golf played very consistent golf with halves of 39. # Ballyrafter Riding Club News

A busy few weeks have just passed, despite the inclement weather and still more summer fun to come. Sunday 30th June was the day of the Munster Final when Waterford were victorious. Some riding club members decided, however, to forgo the pleasures of the hurling match to attend various events.

Killoteran Riding Club, which is based near Waterford, held a very successful day filled with competitions. Martina McGrath on Coolbell Moss won the Primary Showjumping competition and the pair were sixth in the Primary Dressage. Frances Condon competed by Bob the Cob in Advanced Primary Showjumping and was placed second. Donna Lister rode the same horse, Bob the Cob in the Intermediate Showjumping and again she was placed second.

Jennie Hill travelled to Glengarriffe to compete on the incomparable Morgan. They were unfortunate to be outside the prizes, which may have been due to the soft ground, which sources indicate was not to Morgan's liking.

Last Saturday, the Ballyrafter Centre held a training show which was well supported and provides a much needed "practice" for all riders. Following this, Sunday had lots to offer and the weather held up so that the various events could be enjoyed.

Killian Phelan and Coolbell Rebel and Tom Hyland and Moll Hyland competed in the amateur event at Clonmel Show. Tom reached the jump-off but was unplaced, while Killian brought home a rosette for second place.

There was also a One Day Event at Beechcrest to which Donna Lister and Martina McGrath travelled. Martina and Coolbell Moss went well but were not placed. Donna rode Coolregan Cinderella and was placed 8th which was a good result with a young inexperienced horse. Coolregan Arabian Night jumped out of competition.

Members are reminded that a schedule of events for July and August has been prepared and all members should have received a copy by now. If not or if there are any queries or questions, contact Caroline Queally (Secretary) or Francesca Kelly (Competition Secretary).

There is also a night out for Kathy Lynch on Monday 5th August.

There is a club night out at Greyhound Track in Cork next Saturday night. For details contact Gina O'Brien. There is also a night out for Kathy Lynch on Monday 5th August. Members are also reminded that a bus will be travelling to the R.D.S. to see our team compete there. Contact Caroline Queally to book bus and accommodation.

## MARATHON TRAINING SCHEDULES

Many of our athletes are starting their training for the Dublin City Marathon at present, and some have asked to print the schedules used for the national marathon last year. Best of look with the training and you will reap the reward when you cross that finish line in Dublin next October.

### SCHEDULE 1

This marathon schedule is a basic 'get-you around schedule' for first time marathon runners with the longest runs being two 18 mile and one 20 mile run. It is most important to get these long runs in. There are two rest days in this schedule each week and it is also very important to take these days off in order to prevent injury. If you want, on the Tuesday rest day, you could go for a cycle or maybe an hour in the gym. but do not run on the treadmill, maybe some light weights or 15 minutes on the rowing machine.

Week	Sun.	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.	Total
1	5	4	Rest	4	5	5	Rest	23

### SCHEDULE 2

This schedule is designed with a sub 3.30 marathon in mind. As you will see, there is an easy week every couple of weeks. These easy weeks should be strictly adhered to, as they will prevent injury and give your body a break from the high mileage. It is also most important to take the Saturday rest day, as this will help prepare you for the long, run on Sunday.

Week	Sun.	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.	Total
1	8	5	5	7	6	5	Rest	36

17	Sunday - Marathon							

### SCHEDULE 3

This schedule is a sub 3-hour schedule and builds up to 60 miles per week, with a long run on Sunday, building up to a 15 mile run on Thursday. The long run on Thursday should be over a hilly course to build up strength - ideally Colligan Wood could be used. The 8-tmile run on Tuesday should be run on at an up-tempo pace, maybe 70 to 75% effort. Again, most important, the rest day on Saturday to prepare for the long run on Sunday.

Week	Sun.	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.	Total

## JAMIE COSTIN TAKES SILVER

Jamie Costin was well pleased with his performance last Saturday at the National Track and Field Championships which were held in Morton Stadium, Dublin. Competing in the 10k walk Jamie clocked a pleasing time of 42.10 to take the silver medal, behind Robbie Heffernan who set a new Irish record of 38.47 taking 10 seconds off the old mark. The bronze medal went to Colin Griffin who walked 42.50. This distance of course is well short of the gruelling 50k, which probably will be Jamie's chosen distance at the upcoming European championships in Munich on August 8th next, Jamie has also achieved the qualifying time for the 20k, but his training over the last few months was geared towards the marathon 50k event but later on in the season he has been named on the three man Irish team who will compete over 20k at the

World Cup in Tourin on 12th October... Jamie will be training in Ireland for the coming week before heading to Salzburg in Austria for two weeks warm weather training before heading to Munich. It is a great honour for our club to have such a talented international in our midst and we are all very proud of his achievements and commitment to his own training, and it has to be said his involvement over the last few months since the Juvenile club was formed as unknown to many he has a group training in the Friary College every Wednesday evening passing on his expertise to the upcoming future race walkers in West Waterford, this is much appreciated by the athletes involved and by the club as a whole knowing how precious his time is with his own training taking up much of his day, it is good to see such a highly regarded international putting in such

commitment at the grass roots level, but as he modestly says himself this is where it began for us all. Best of luck Jamie we will all be rooting for ye.

**WORLD RECORDS.**

On day one of the national championships a new world record was recorded in the ladies 5000metre walk when Gillian O'Sullivan of Killaney smashed the world best by 11 seconds and her own Irish record by a staggering 48 seconds in a breath taking performance, the record previously was held by Australian Kerry Saxby Juanna and set way back in 1996. Another world record was to go on the same day as Ireland's Terry McHugh won his 19th consecutive national javeline title. Last year the four time Olympian equated the feat of New Zealand triple jumper Dave Norris by stretching his unbeaten sequence of victories since 1984 to 18.

## THE FRIENDS OF WEST WATERFORD PEPETUAL CUP

We have reached over the halfway mark in this club competition and the league table is taking some shape, there is a tie at the top at present with Seamus O'Donnell and Siobhan O Mahoney both on 28 races, but there is still a long way to go and there are many athletes well in the hunt. Remember, you get one point every time you represent the club. Keep up the good work, we will show the revised table again in a couple of weeks time, this table is taken up to 9th July 2002.

## ON THE ROAD

West Waterford athletes were busy over the last week taking in some road races around the south. On Wednesday evening 10th we had four at the Dunderum 5 mile race, Philip Harty, Con Kelleher, Siobhan O'Mahoney, and Norma Wall, and the following night (Friday) Siobhan once again kept the flag flying as the sole club representative at the Corkbeg 5 in Midleton. Well done, but remember everyone else out there, all these races are clocking up points in our club person of the year, so if you if you compete at any race the onus is on you to let us know, and you will get the relevant points accordingly.

## TONY MADE A COSTLY ERROR

Talented flat jockey Tony Culhane will not forget last week in a hurry. He went to Pontefract with the prospect of riding at least one winner in the shape of the Barry Hills trained True Courage. Going clear into the home straight Culhane could afford the luxury of patting his mount down the neck but low and behold True Courage took this as a sign that his days work was over and started to shorten his stride. We all know what happened next as True Courage was relegated to the runner up spot close home. For dropping his hands Tony Culhane was banned for twenty one days and there are many who consider this punishment to soft. Trainer Barry Hills was interviewed by Channel 4 at Newmarket and despite recuperating from a throat operation he was livid with Tony Culhane and in so many words stated that the jockey would never ride for him again. Tony Culhane was interviewed himself by Alstair Down at Newmarket on Thursday and one could see that he was visibly shaken by the abuse he had received since his error. I think he like Johnny Murtagh and Paul Carberry have learned from their recent errors but no doubt some other rider will commit a similar mistake before the end of the season.

Did you ever ask yourself why do jockey's ease up their mounts in the closing stages of a race. Most will tell you that it is to prevent the handicapper from giving you a major hike in the weights for your next handicap outing. While the handicapper is no fool and can ascertain for himself how much a horse has in the tank there is a certain amount of truth with regard to the dreaded handicap mark. Take for example the following issue brought to my attention by frustrated connections of a horse that ran lately on an Irish track. The horse as a three year old ran about five times but never finished in the frame and was well beaten in every outing. Given a rating of 38 by the handicapper the horse ran as a four year old in a twenty runner maiden some time back and given every chance by her claiming rider the horse finished sixth of twenty beaten about six lengths and what does the handicapper do he gives the horse a massive hike in the ratings from 38 up to 60. Its no wonder that owners and trainers are forced to stop horses so that the handicapper refrains from upping them in the weights. Maybe the next time that these television programmes such as Kenyon Confronts and Panorama criticise owners and trainers they

should do more research into why these people are forced into such action.

## CONTROVERSIAL NEWMARKET

The July meeting at Newmarket was a huge success but there were some funny goings on during the week. While the Tony Culhane incident at Pontefract received its fair share of air time what Pat Eddery was up to aboard the Brian Meehan trained Twilight Blues in the July Sprint Cup on Thursday I will never know. The stalls opened and Twilight Blues came out at a walk as the jockey forgot to take the blindfold off the poor unfortunate horse. To me this was another disgraceful incident and those who backed this horse basically got no run for their money.

What about the controversy after the Bunbury Cup when Mine and Capricho dead heated after a thrilling finish. There was utter confusion after the race when the Clerk Of The Scales objected to the winner. But it was a dead heat wasn't it. It appears that trainer Jon Akehurst left the weight cloth out of the saddle and his horse carried nine pounds less than he should have. This meant automatic disqualification and trainer Akehurst was hit with a €1,500 fine.

## EQUINE REQUIREMENTS

This week saw the enforced retirements of two useful racehorses on both sides of the Atlantic. The Mick Channon trained Queens Logic has been plagued by injury this year. The Cheveley Park Stakes winner suffered from lameness and lately she failed to respond to treatment for a virus leaving connections with no other choice but to miss out on last Sunday's Irish Oaks.

Over in the USA crack five year old sprinter Caller One has run his last ever race having fractured a bone in his right foreleg in a workout at Belmont Park, New York.

## SALES TOPPER FOR EOIN

Emerging young trainer Eoin Griffin from Slieverue will in about a months time take charge of the ex John Oxx trained Mirpour. The Turtle Island gelding is the horse that Johnny Murtagh failed to ride out at Naas and was caught close home when he ought to have won by a wide margin. Mirpour topped the Newmarket July sales for 115,000 guineas and will embark on a hurdling campaign although a return to the level has not been ruled out.

## HORSE RACING FIXTURES

Wednesday — Leopardstown 6.30, Killarney 5.45, Catterick, Sedgefield, Worcester Kempton, Yarmouth, Lingfield.

Thursday — Killarney 2.30, Hamilton, Doncaster, Leicester, Epsom, Uttoxeter.

Friday — Kilbeggan 6.00 Carlisle, Hamilton, Pontefract, Newmarket, Newbury, Southwell.

Saturday — Leopardstown 2.30, Market Rasen, Newmarket, Warwick, Haydock, Ripon, Newbury, Lingfield, Wolverhampton.

Sunday — Tipperary 2.30

## NAVAN FLOODS

It's a long time since I witnessed a trainer tying up the tail of his horse before a flat race in the month of July but that's exactly what Dungarvan trainer John Kiely was forced to do such were the wet conditions at Naas last Thursday. It all came good though for the trainers well supported Leos Shiul this Good Thyme mare making practically every yard of the running under Fran Berry to beat the favourite Lily Beth. This meeting was curtailed to just four races so bad was the rain and in the opening sprint Tom Queally brought in The Gods with a well timed challenge to win going away at the finish.

## NO CHANGE

The British Jockey Club have no intention of increasing the penalty on riders who drop their hands in the closing stages of a race. The current penalty for such an incident is a 21 days ban.

## POOR TONY

Tony Culhane has probably gone through the worst week of his life. As well as messing up at Pontefract one of his mounts at Newmarket Armangac enjoyed no luck in running and was unlucky to finish in third spot. Tony then went to Hamilton on Friday night where he was unseated after the winning line. The track doctor then stood him down for five days and he missed out on a winning ride at York on Saturday afternoon.

## OAKS SHOCKER

Aidan O'Brien was confidently expected to lift the first Irish Oaks run under the Darley sponsorship last Sunday at the Curragh but after having every chance in the closing stages the odds on Quarter Moon was run out of it close home by the fast finishing Margarola who was retuned at odds of 33/1. This was a real family affair the winner being owned by Jackie Bolger her husband Jim training the filly and son in law Kevin Manning taking the winning mount.

**WEST WATERFORD AUTOGRASS LTD.**

# Another Little Bit Of History

**ALL-IRELAND AUTOGRASS SERIES**

On Saturday and Sunday June 29th and 30th, West Waterford held the Lismore Hotel sponsored round 3 of the All-Ireland Autograss Series at their track in Ballysaggart, Lismore. This was to prove the most successful round of the series ever to be held creating its own little bit of history along the way with 120 cars and about 140 drivers at the event. Also it was the first time that a total of 12 clubs were represented at an autograss event anywhere in Ireland. Unfortunately the weather tried its best to upset proceedings but even in the trying conditions the drivers put on a show that was to be of a first class order.

**Class 1** — The overseas visitors were to have the best of runs here with victory going to PHD226 Paul Pearce, second place was to go to another one of our overseas drivers who travelled all the way from Leeds and made the trip worthwhile it was WR998 Steve Waddington. WW555 Jason Cunningham upheld local honours to come home in third place and keep up his recent good form.

**Class 2** — The Down club were to dominate this class on the results, but all could have been different but for a pile up in the final which was to eliminate 3 of the West Waterford cars. Put lets not take from these top Northern drivers on a very impressive performance. Taking the win on what was the start of a brilliant weekend for him it was DA30 Howard Cochrane. In second place it was DA52 Barry Pedlow followed in third by DA49 David Leckey.

**Class 3** — This was to have probably the best final of the weekend. Through out the weekend Welch driver S9 Manfred Kampshulte and CK123 Paul Cusack had looked very impressive in their heats and everybody was waiting for them to come head to head in the final. As Manfred sped away into the lead it was WW156 Michael Whelan who was to give chase but gave it up on the last lap to the hard charging Paul Cusack, so the result was to read 1st Manfred, 2nd Paul and 3rd Michael.

**Class 4** — This was one class that the result was going to be full of overseas drivers as they filled the full entry list. But the competitive nature of these cars and close racing they ended up being just 2 finishers. It could have been worse because on Saturday evening WR60 Martin Knowles looked doubtful following a big accident but after a lot of work Saturday night he made the grid on Sunday morning and got rewarded by taking the victory followed home by CM9 Huw Davis.

**Class 5** — Another class to be dominated by the overseas drivers. CM41 Malcolm Herbert took the victory from NS112 Derek John with in 3rd place and top front wheel drive car CM40 Louise Jones.

**Class 6** — Two years ago he was top Junior now he is top of class 6, DA222 Jason McCammon held on for a superb win from DA10 Robert Phoenix and Foyle driver FA62 Jim Lyons.

**Class 7** — The Kelly brother's were again the dominating force here with WW140 Johnny taking the win from WW40 Dermot in third place it was DA333 Brian Beattie.

**Class 8** — Following one of the quickest races ever seen at this track, the first heat on Saturday was something amazing and even if the rest of the weather didn't suit these there was still some very exciting racing. Welch driver TA19 Alun Thomas was to take the victory from Corks top driver CK3 Colin

Byrne with in third place NS55 Geoff Berrisford.

**Class 9** — CK69 Richard Davis worked very hard over the weekend and took victory from CW7 Sean Cox who was upholding Carlow honours and causing a few surprises. WW40 Danny O Rourke rounded off a good weekend with a fine third place.

**Class 10** — Former Class 7 champion DA24 Dave Robinson won this one but was put under a lot of pressure on Sunday by WW74 Jimmy Fuller. This effort by Jimmy was not to be enough as he eventually finished 3rd behind WW32 Niall Smith.

**Ladies** — The Ladies had a familiar look at the front with WW132 Margaret Meehan taking the win from WW10 Noelle Feeney. In 3rd place using a class 8 special it was visiting driver NS55 Clare Cockerill.

**Junior A** — With 4 grids of juniors it was decided to split them into an A and B group after the heats. In this one TAO Gareth Thomas took the win from CK41 Jason O Brien who is in fine form of late and upstaged all his peers at the last round of the British Autograss Series and became the first driver from the Southern Ireland Autograss League to reach a final. In 3rd it was CM0 Craig Kampshulte.

**Junior B** — With the point system that is used in the All-Ireland Series it is possible that if the racing is close you will end up with a position being shared on the results sheet. With this in mind we see how close junior racing is at present in the following results. WW58 Ricky Houlihan had a clear victory after being unfortunate not to make the A final. In joint second it was WW90 Jamie Condon and CK45 Owen Murphy. In third their was 4 drivers all tied on equal points. First of these was top lady DA224 Haley Robinson then we had DA14 Lee Wylie, WW132 Jamie Condon and WW78 Kenneth Cashel.

**WINNERS**

Following the demise of the original Lismore Hotel cup this was the first time to see the new Lismore Hotel cup on offer. As the race got under way everybody had their own favourites but it was Howard Cochrane DA30 in his class 2 who was first to break and as the laps counted down there was going to be no catching him. So as Howard went on to take one of the most popular wins of the weekend S9 Manfred Kampshulte took his class 3 home in 2nd from the class 8 of CK3 Colin Byrne.

**CONSOLATION**

Willie Houlihan WW73 got the jump on the rest of the field here and held on for the win from the class 8 of Donal O'Brien who has adapted very quickly to this class, in third was the very hard trying WW555 Jason Cunningham.

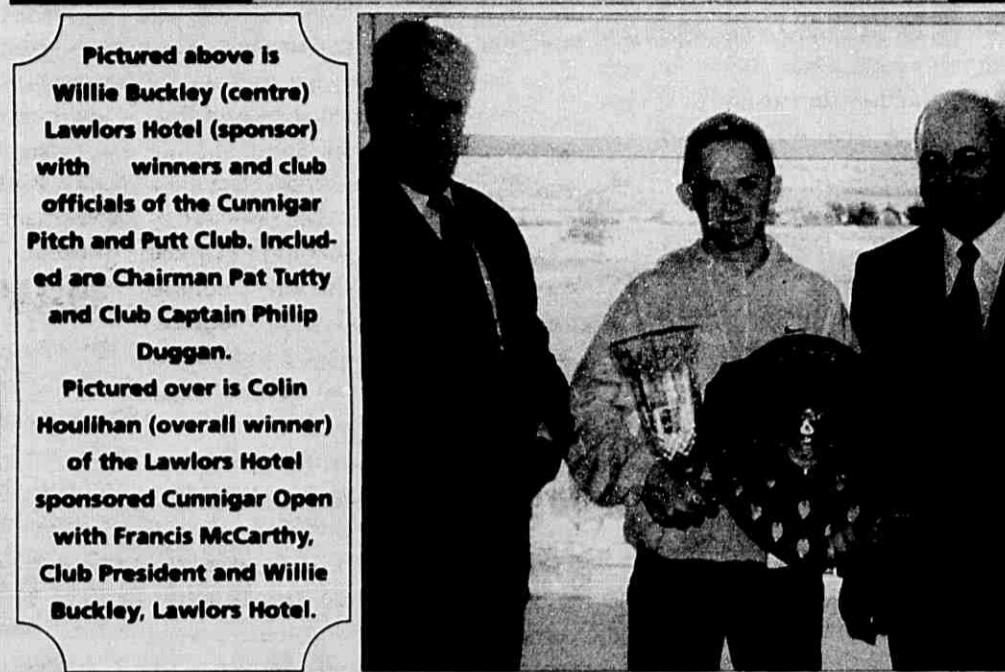

**BEST TURNED OUT CARS**

The visitor's award went to the fabulous looking Class 10 of DA24 Davie Robinson. The club award went to the Class 1A Opel Corsa of Lady driver Alice Prendergast WW01.

**ARAGLIN SUNDAY JULY 28TH.**

West Waterford Autograss now head for the unique surroundings of the Araglin sports grounds as part of the Carnival Festivities. The club really looks forward to this event because it is a chance for every one to enjoy a festival atmosphere and some of the fastest racing to be seen as everybody gets their cars and specials wound up over the long straights that are unique to Araglin. So look forward to seeing everybody in Araglin on Sunday July 28th.

# COMMUNITY GAMES MUNSTER FINALS

The E.S.B./Community Games Munster Finals took place at the University of Limerick on Saturday last. We had a number of Waterford teams competing but pride of place went to the Lismore / Ballysaggart girls U.16 volleyball team who were worthy winners on the day. They now go forward to the National Finals to be held in Mosney in August and hopefully more success will be in store for them there.  
The girls indoor-soccer team from Ballyduff had a great game against Limerick in the semi-final and were just beaten by a goal scored in the last minutes of the game.  
The Cappoquin/Affane/ Modeligo boys indoor-soccer team had a fantastic game also only to be beaten in extra time by Tipperary.  
So many fine team performances were enjoyed in the brilliant sunshine at the University of Limerick which has some of the finest sporting facilities in Europe. Special guest on the day was top world-class athlete Paula Radcliffe who proved very popular indeed with the young competitors.

WATERFORD TUESDAY JULY 9TH 2002

## Harlenas Tom Impressed

With the racing surface running on the fast side it came as no surprise to find all ten winners carding career best performances. My sympathy though to the owners of the beaten greyhounds who could struggle to win a race in the future.

The card itself featured the semi finals of the Up The Deise Unraced stake and just to set the record straight this event is not sponsored by Tipperary based control steward Jim O'Donnell. An unlucky loser of his first round heat the Catherine Tuohy owned and Declan Byrne trained Monagea Flyer (Lassa Java-Windgap Chick) made no mistake in the first semi final winning easily albeit at the restrictive odds of 1/3. Motoring into an early lead over Highpath Cracker Monagea Flyer turned on the power in the closing stages to motor clear for a five and a half lengths victory over Range Raider in 29.05.

Local Dandy (Frisby Full-Lone Sady) owned by Richard Leahy justified odds of 6/4 in the second qualifier posting a narrow 29.64 victory. Pushed all the way by Johns Doll Local Dandy kept finding that bit extra when challenged by the runner up to win out by half a length.

In the only novice race down for decision the Martin Delahunty owned Katelyns Friend (Deep Decision-Fagans Cloister) 2/1 held the call throughout from trap one to register an easy two and a half lengths win over Jumbos Fly in 29.68.

A 300 yard sprint went the way of the Linda Taylor owned and D. Dickson trained Sailaway Gem this April 00 daughter of Prince Of Tinrah and Ballarue Bluey starting smartly from trap five then seeing off the early challenge of Greenane Euro before sprinting clear for a four and a half lengths win over a staying on Trevors Best in a useful 16.50 at the rewarding odds of 3/1.

Lonesome Irene was dispatched as the 6/4 favourite to open her account in the third and although running a pleasing race she found one to good for her on this occasion as John Duggan's home bred Pure Popsi (Blue Murlen UK-Pure Penny) 4/1 took over in the lead on the run to the opening bend leading early on from Up Monica before proving three lengths too fast for a running on Lonesome Irene in a best ever 29.16.

In the fourth event Glenstown Sailor made a brave attempt to make every post a winning one from a middle draw but with the leader tiring over the final two bends John Walsh's Wee Phantom (Prince Of Tinrah-Ballybrazil) 3/1 began to close right up on the leader. Staying on the stronger in the closing stages Wee Phantom raced on to a length and a half success over Crinkle Magic. Time 29.75.

Doctor Tinrah a full sister to the previous winner posted her second victory in the fifth contest for owner Dick Dunphy and Perry Aylward in a fast 28.85. Heading the market at 4/6 Doctor Tinrah broke smartly from a favourable inside draw to take a narrow lead over the opening two bends from Marfield Kate. A winner over six bends Doctor Tinrah was in pole position from here on in as she began to increase her advantage. At the winning line the favourite had four and three quarter lengths to spare over Marfield Kate.

Despite drifting in the market in the sixth contest from an opening show of 4/5 out to 6/4 something must have been amiss with Nire Nikita as she ran a lifeless race trailing at the rear throughout. Prince Wonder (Powerful Flash-Bright Wonder) 3/1 was in the firing line from the outset and when his closest rival Tour Boy ran wide between the third and fourth bends the Bernard Flynn owned Prince Wonder stayed on well to beat the always prominent Tokio Rover by half a length in 29.37.

In the ninth race Emmet St Girl was a warm order at 4/6 and while she held every chance of winning out she drifted wide off the fourth bend hampering a challenging Heathfield Hope and as a result of this incident the India Walsh owned Kielys Girl (Spiral Nikita-Mops Spark) 4/1 nipped in for an opportunist 29.53 success.

The final race of the night produced a very impressive winner in the shape of the Peter and Desna Hattemore owned Harlenas Tom (Come On Ranger-Pres To Lisnak) this 5/4 favourite outpacing his rivals in every department stretching into a handy lead from his rails draw. In splendid isolation up front the leader cruised to a six and three quarter lengths win over Blokade Beauty in an eye catching time of 28.81.

WATERFORD SATURDAY JULY 13TH

## Minglers Honcho Ran The Race Of His Life

Before a bet was struck at Kilcohan Park last Saturday there was universal agreement between a number of the tracks seasoned punters that this was one of the trickiest cards of the year and this assumption was proved correct as only two clear favourites both of whom were returned odds against obliged on the ten race card. If further evidence was required then the final of the Euro 1,500 to the winner Well Wishers Confined 29.30 final was confirmation in itself with victory going to the 5/1 outsider Minglers Honcho (Top Honcho-Minglers Mist) owned and bred locally by James Moore. Make no mistake about it this was no fluke victory by the winner as he bombed away from trap five to lead all the way in a smashing 28.56. Knockeevan Major was poor value at 4/7 and when he was caught flat footed at the start Minglers Honcho made the long break for home ahead of Active Nikita. The latter did all in his power to reel in the leader but Minglers Honcho was having none of it as he galloped clear to a deserved five and three quarter success over Active Nikita.

Local trainer Patricia O'Neill does very well with greyhounds running in the ownership of UK Greyhound promoter Gary Ince and this combination struck in the opening 525 as 2/1 chance Pamelas Lady (Lassa Java-Minor Lady) did well to race up the inside of Ballybrazil Jet at the first bend and despite a good effort by Ballybrazil Jet Pamelas Lady kept on well in the closing stages to score by two lengths in 29.36.

In a wide open 300 yard sprint Bally Dean on the rails showed up well on the run to the first of two bends but accelerating at the right time Good Tyne (Droopys Fintan-Seafield Lemon) 5/2 hit the front with ease to sprint clear for a well deserved two lengths win over Bally Dean in an

eye catching 16.23.

The first of two winners for Tramore trainer Lester Power arrived in the third event as the Mozzam Ali owned Blokade Tex justified 6/4 favoritism with a no nonsense 29.12 front running success. The November 2000 son of Thorgil Tex and Mona Lisa UK painted a pretty picture as he drove up the inside of Spy Catch and a wide moving Pure Priceless at the first bend. Dictating matters thereafter Blokade Tex encountered little difficulty in beating the always prominent Spy Catch by four lengths. Lester Power had to sit it out until the final race of the night before completing his double as the Waterford Syndicate owned Folly Lotto (Vintage Prince-More Air Blackie) 3/1 made every post a winning one in a 730 yard marathon. Sleepy Emma was sent off the evens favourite here but she did not have much of an opportunity to display her pace as she was hemmed in the middle of the pack. Cutting loose on the run to the first bend Folly Lotto quickly established a handy lead over the chasing pack and despite a late run by Arrow Rogue Folly Lotto held firm to score by two lengths in 41.16.

In the fourth event the Liam Walsh owned and Jimmy Scully trained Zero One (Frisby Flashing-Ciabatta) 5/2 posted his second race victory from just three race outings carding a sprightly 28.68 win. Taking on far more experienced rivals Zero One was quickly into his stride from trap four to lead from Sorrento Flyer and Cill Dubh Gypsy. Sorrento Flyer loomed up menacingly at the third bend but failed to secure a run up the inside of a railing Zero One. With Sorrento Flyer now out of contention Zero One kicked again to run out a two and a half lengths winner over a fast finishing Cill Dubh Gypsy.

Lester Power wasn't the only trainer to register a double as Desna Hattemore bagged a quick fire fifth and sixth race brace courtesy of Shergar Star (Prince Of Tinrah-Lisnak Linda) 4/1 and Peer Border (Mountleader Peer-Tara Bay Mist) 2/1. Despite a fast start by Shergar Star he was pushed all the way by Kinda Well who disputed the lead throughout before going down to the John Graham Campbell owned Shergar Star by a neck in 28.77.

The John Sheperd owned Peer Border disputed the lead with Lightning Cover to the third bend in the sixth race where Lightning Cover began to tire. Peer Border was left in front at this point but was forced to pull out all the stops to hold the flying late challenge of Lemon Suspect who went down by half a length.

Judging by last Saturday nights semi finals of the 2002 Paddy Power.com Irish Greyhound Derby Trial Stake this years local final is going to take some winning. In the first semi final Captain Mackey and Tassas Star were prominent to the opening turn where the pair collided on the crown of the bend. Tassas Star came off worst and dropped back to third spot. Captain Mackey eased his way into a four lengths lead over Fly Quest but eating into that lead the Autumn Syndicate owned and Killian Power trained Fly Quest (Top Honcho-Fly Venue) 5/2 gradually wore down the front running Captain Mackey and timing his run to perfection Fly Quest struck right on the line to post a short head win in 30.37.

On the odd occasion it pays to miss your break and the Nora Healy owned Kilmacar Joker (Roanokee-Helah Lady) 4/1 benefited from such an error capturing the second semi final in 29.98. By mistiming his start the winner missed Tex Book who drove for the rails from his trap five draw. Leading out of the first bend Kilmacar Joker appeared all set for an easy win but Break Away Smart made sound late progress only to go down by a length.

The Trap draw for next Saturday nights final of the Derby Trial Stake is as follows.

- |   |                 |
|---|-----------------|
| 1 | Kilmacar Joker  |
| 2 | Fly Quest       |
| 3 | Captain Mackey  |
| 4 | Tassas Star     |
| 5 | Prince Cushie   |
| 6 | Breakaway Smart |
- Selection — Kilmacar Joker  
Dangers — Fly Quest, Captain Mackey
