# Storm Of Protest As Waste Plan Approved

## Co. Manager Overturns Council's Decision

### KEVIN KIRANE

The County Manager, Donal Connolly, has overturned Waterford County Council's rejection of a contentious new Waste Management Plan, which had been defeated on a majority vote, two months ago.

The joint plan, approved by the County Managers of the six local authorities in the South East region, was rejected at the June meeting, mainly due to the inclusion of incineration.

But, under powers granted to County Managers last year, Mr. Connolly overturned that decision on Friday last, stating he was statutorily obliged to go ahead with the plans.

In a short statement released by the Public Relations company, Bance Nolan, on behalf of Waterford County Council, a

spokesman confirmed that the new waste management plan is to be implemented and distanced Mr. Connolly from responsibility.

The statement says, "...the waste legislation requires the County Manager by order to make the waste plan. Once the elected members rejected the plan, Mr. Connolly had no choice under the current legislation but to follow the procedure of making the necessary order, and he did this on Friday last (June 19th)".

The first phase will see the further development of recycling facilities in Waterford, but ultimately envisages the location of a thermal treatment (incineration) plant somewhere in the South East. As one of the key elements of the new multi-million euro strategy, incineration will be used on up to one third of all refuse, and used to generate

electricity, for upwards of 15,000 households.

No location for the plant has been identified in the report, and the proposed use of a public private partnership to run the facility, may in effect, leave the decision open to the contracted company.

The project aims to channel 50pc of waste away from landfill, divert 65pc of biodegradable and recycle 35pc of municipal waste.

### DISAPPOINTMENT OVER DECISION

However, a number of County Councillors have voiced disappointment that the democratic process has been by-passed.

The decision to grant powers to County Managers to introduce waste plans was made to prevent Councillors from refusing "to make the tough decisions", Minister for the Environment, Martin

County Manager  
Donal Connolly

Cullen, said on Monday.

But, Cllr. Nora Flynn, who voted against the plan, said that while the members of the council were aware "months ago" of the powers, Fine

# Funding For Cunnigar Protection Works

Coastal protection works on the Cunnigar in Dungarvan are now likely to go ahead, following the announcement, last week, that funding is to be provided by the Department of Communications and the Marine.

The long awaited announcement comes in the wake of fears that the Western Bay area of Dungarvan could be liable to flooding, unless protection work on the natural sea barrier is carried out.

Just short of eur200,000 has been allocated for the project, and it is believed a contractor will be got onto the site shortly, to carry out the work.

Cllr. Fiachra O Ceil-leachair, who, along with a local environmental group, "Coiste Cosanta na Coise", has been to the forefront in calling for the halting of erosion to the sandbar, welcomed the news.

He also confirmed he has received assurances from County Engineer, John O'Flynn, that once the green light was given by the Department of the Marine, a contractor would be got on site.

Given that this is now the case, no time should be wasted in tackling the most serious part of the erosion, he said, before urging for a release of further funding for what he describes as essential works, to protect an environmental amenity.

"According to the County Engineers reply to me issued

on July 17th last, the Council forwarded documentation to the Department of the Marine in early 2001, advising proposed works costing over one million euro", he said.

"The local authority expected some 75% or so of that to come from central funding. We've been waiting anxiously since, but the money allocated in recent days enables a start and I hope more is to come."

The County Engineers office also confirmed that the Council has been assessing the archaeology of the Cunnigar and meetings are taking place with Dúchas.

"The assistance of every agency is vital in ensuring that this natural sandbar across Dungarvan harbour is not destroyed through erosion at the narrow Ring landlinked end", the Udaras na Gaeltachta member said.

## Post Leaving Certificate Courses At Dungarvan Technical College

In recent years, the Post-Leaving Certificate sector has become one of the most vibrant sectors in education. The main reasons for this lies in its capacity to respond to the needs of students and of the economy. New courses are constantly being introduced or improved in order to provide students with skills in readiness for the workplace. As such, the relevance of this sector has placed it centre stage for thousands of school leavers.

Dungarvan Technical College provides a wide range of PLC courses. Over the next

few weeks, there will be a series of articles focusing on courses such as:

- Executive Secretarial Studies
- Information Processing
- Accounting Technician (IATI)
- Childcare
- Sports and Recreation
- Art, Craft and Design
- Engineering Technology and Construction Technology
- Beauty Therapy (ITEC)

These courses are one or two years in duration and are certified by the Further Education and Training Awards

Council (FETAC). FETAC guarantees the value and currency of all certificates previously issued by the National Council for Vocational Awards. All courses, except those certified by other bodies, are at level 2. Successful graduates of the Accountancy Technician course will become Members of the Institute of Accountant Technicians of Ireland.

### WHY CHOOSE A POST-LEAVING CERTIFICATE COURSE?

In the past, the primary aim of Post-Leaving Certificate course was to prepare students for the workforce. While this remains one of the main strengths of these courses, a new trend has emerged in recent years. Increasingly, students are using the FETAC qualification as a stepping stone to further education. Approximately, 2000 places are reserved on 250 courses in Institutes of Technology around the country for students who have successfully completed a relevant Post-Leaving Certificate course. This is good news for Leaving Cert. Applied students who can only access third level once they have received the FETAC (NCVA Level 2) qualification. Waterford Institute of Technology also operates a scheme whereby students who complete a relevant course received bonus points based on their PLC results. These are then added to their Leaving Cert. points, giving them an edge when competing for places at this third level college.

### NO PRESSURE FOR POINTS

Many students opt for the PLC route not only because the courses suit them but also because the pressure of points is lifted. Places are not allocated on the basis of points but applicants must be of Leaving Cert./Leaving Cert. Applied standard. Increasingly, many of those who are attending these courses are mature students who wish to retrain for the workplace. Those wishing to return to education are very welcome to apply.

### COST EFFECTIVE

Another advantage of pursuing a PLC course at Dungarvan Technical College is its cost effectiveness. There are no tuition fees and students are also eligible for maintenance grants. Therefore, whether you wish to train for the work market, or wish to use your qualification as a route to further education, it is worthwhile to consider a PLC course as an option. The benefits will not only be practical but personal. As Mr. Pat Buckley, Principal of the college states:

"Over the years, I have seen students blossom during this period of their education. They suddenly find out what they want to do and go forward in this area. Many past pupils are currently employed or are pursuing their studies at third level."

Those interested in applying to any of these courses can obtain a prospectus and application form by phoning Dungarvan Technical College at 058-41181. Completed application forms should be returned by the end of August and interviews will take place at the beginning of September.

## Senior Citizen Charged Excessively For Weekend Phone Repairs

### - CLAIMS COUNCILLOR

Kevin Kirrane

A Senior Citizen living near Tallow was left without the use of a phone from Friday morning until Monday evening, as she couldn't afford to pay the extra charges put on weekend repairs, a Fianna Fail Councillor claimed.

Cllr. James Tobin said the woman was told it would cost her €127 for Eircom workmen to be called out, as it was a weekend.

Calling on Waterford County Council to invite representatives from Eircom to a future meeting so they could voice their concerns, Cllr. Tobin added that he had no problem with the workmen themselves but with the company's policies. "Don't tell me that everyone has a mobile, because they don't", he said, "and if you ask me, it's a good thing that they don't."

Cllr. Ciarain O Rain warned that a situation where an elderly person was left without the use of a phone over the weekend "in this day and age could have very serious consequences." He said any problems like this one should have been sorted out straight away.

The council agreed to write to Eircom complaining about the weekend repair rates.

## See Ireland's Greatest Comedian in Concert in Dungarvan

### .... New Summer Show

Brendan Grace is living proof of the power of the "Bush Telegraph" or to use a more graphic term "word of mouth". Now in his 27th year as a professional comedy performer, he remains rank favourite in Ireland as the supreme king of comedy with a universal appeal to all age groups.

While other performers both in comedy and music adapt vigorous media campaigns or use outrageous tactics to gain the attention of the public, Brendan Grace had held a consistent profile of the highest order which has been built with dedication and dignity over a quarter of a century. He has survived the ultimate test - The Test of Time. His survival and subsequent accolades and achievements are summed up in his own philosophical words, "Give the People what they want". And that is exactly what Brendan does, the choice is theirs, they can sample all left out there with all the hype in the world in a variety of formats but just like the familiar and trusted products you've seen on shelves day in day out Brendan Grace fits snugly into the category of brand leader and that speaks volumes.

Although Brendan now resides in the United States with his wife Eileen and their four children and enjoys international success brought about by his association with Frank Sinatra, Brendan still tours his show around Ireland to sell out audiences and considers Ireland his first love. His sheer professionalism and distinctive presentation has made him first choice of major companies and corporation both here in Ireland and Internationally too for after dinner speaking. Brendan presents his new summer show with special guest: Bernadette Ruddy at The Park Hotel, Dungarvan on Thursday 8th August at 8pm. Tickets €20 at hotel reception. Tel: 058-42899.

## Work on Kilmac Sculpture To Begin In September

A 20 ft sculpture of forty stalks of wheat is to be erected near Mahon Bridge this September, according to County Engineer, John O'Flynn, at a recent meeting of Waterford County Council.

The sculpture which cost around €58,000 under the one per cent for art scheme, is to start development in two months time and should be finished at the end of this year.

It already caused a storm of protest because of a perceived lack of public consultation. The art piece contains 40 copper and bronze coloured wheat stalks and was commissioned to mark the development of the N-25 realignment at Kilmacthomas.

#### TIDY TOWNS JUDGING UNDERWAY

## 18 Waterford Entries in 2002 Competition

- with one new entry, Ballyduff Lower

The first round of judging is underway in the 2002 national Tidy Towns competition. A total of 706 towns and villages have entered the Tidy Towns competition this year. The Competition is once again sponsored by SuperValu supermarkets and is organised by the Department of the Environment and Local Government.

Westport, County Mayo won the Tidiest Small Town Category, while Castletown in County Laois won the Tidiest Village category just one mark behind the overall winner. Ennis in County Clare took the title of Tidiest Large Town, with Westport, County Mayo taking the overall national Tidy Towns title.

Due to the euro conversion this year the National Tidy Towns Competition overall prize money is now set at 128,680, a 4% increase on last year's 123,416 (£97,200). This is due to rounding up of over 180 prizes to even amounts, as well as increases in the value of the Islands award and the Heritage Council award. The overall National Prize has increased 2.4% from 12,697 (£10,000) to 13,000 presented by SuperValu Supermarkets, alongside a commemorative plaque and the prestige of taking the national title. This year's winners will be announced on Monday 9th September by Mr. Martin Cullen TD, Minister for the Environment and Local Government and Mr. Michael Nason, Managing Director of SuperValu Supermarkets, at a reception in Dublin Castle.

18 Waterford towns and villages are taking part in this year's competition. The County Award winner in 2001 was Stradbally on 257 marks. County award runners-up in 2001 were Lismore on 254 marks and Ardmore on 246 marks. Michael Nason of SuperValu said that he welcomed the growing interest in Tidy Towns, reflecting the tremendous benefits that participating towns and villages enjoy.

"The Tidy Towns Competition is a unique and powerful force in Ireland's social and economic development. It plays a unique role in maintaining the vitality of Irish towns and villages. Involvement in such an endeavour benefits everyone in the community in providing clean, pleasant surroundings, where people share a sense of community, confidence for the future, and pride of place.

## Council Urged To Act On Ring Speed Limit Request

A succession of recent works by Waterford County Council in the Maoil a' Chóirne area of the Ring Gaeltacht need to be complimented by the introduction of a speed limit.

Cllr. Fiachra Ó Céilleachair feels this move would ensure a safer environment for pedestrians and local residents. Cllr. Ó Céilleachair says his motion on this subject was approved by the Council's membership in early 1998 but that it remains without due application since.

Acknowledging some of the works carried out since then, Cllr. Ó Céilleachair said:

"The installation of protective rails and the operation of flashing lights outside Ring's primary school at one end of Maoil a' Chóirne, the extension of a footpath eastward of that point, the lighting and other improvements outside nearby Ionad Pobail na Rinne and the erection of warning signs on both approaches to Maoil a' Chóirne from the Dungarvan and Heilbhic side are very welcome. However, in common

with local residents, I'd still like to see Waterford County Council seek a speed limit on the main Dungarvan road in that part of Ring."

"Taking the lead down of main road into the primary school bend in Maoil a' Chóirne from Robert's Cross, one can plainly see the ongoing concentration of community activity that should merit a speed limit. The stretch of road in question features a Garda station, a winter boarding school/major summer college, a primary school, an adjacent housing scheme and 27 other individual residences, a guest-house/hostel, a community hall, a health centre, a playschool and two places of employment: a factory and television production studios. There are also significant tracts of lands zoned for further residential development by the local authority. There are hamlets around the county with far less and they have a speed limit. I have once more made written representations to the County Council on this ongoing issue and will continue to press for progress."

Treasures from the Deep – Underwater Archaeology

ONE of the most exciting forms of archaeology is looking for ancient wrecks under the sea.

A diver has two main problems to face – a lack of air and increasing pressure from the water the deeper he dives. He stays alive by using an aqualung. This provides him with air from tanks on his back. All this means that a diver can only spend a short time each day on the wreck. American George Bass invented a miniature submarine equipped with cameras that can work at great depth. And the Frenchman Jacques Cousteau built underwater villages of air-filled balloons where divers could live for several days.

Over the years many famous wrecks have been explored and countless treasures have been recovered from the ocean. The most famous underwater discovery of recent times has been the wreck of the Titanic, which sank with the loss of hundreds of lives after hitting an iceberg in mid-Atlantic in 1912.

The Caribbean Sea around the islands of the West Indies has been the world's most popular diving site for many years. In times past this was known as The Spanish Main and many Spanish galleons laden with treasure are said to have been sunk in these waters. Over the years scores of divers have made a fortune diving for sunken Spanish treasure ships.

But underwater archaeology has great dangers. Apart from those posed by pressure and lack of air, divers have been known to be attacked by sharks and other monsters of the deep.

BIRDS OF PRAY – BEAUTIFUL CREATURES NOW UNDER THREAT

EAGLES, hawks, vultures, buzzards, falcons, owls and kites are all classed as birds of prey. With the exception of vultures, all are able to catch and kill their prey and all have vision which is far superior to that of man.

Owls are able to fly silently because they have soft fringes to their feathers. They are unable to swivel their eyes but can turn their heads 180 degrees.

Nearly all owls hunt at night. They have exceptional hearing which helps them locate their prey.

Vultures rarely kill. They tend to feed off the kill of other animals and are known to gorge themselves when they find a carcass because they are unable to carry meat like other birds of prey. Their young are fed on regurgitated food.

The most common bird of prey is the kestrel which is also the smallest member of the hawk family. The kestrel has long been a common sight alongside motorways, country roads and cornfields, hovering as it seeks out its prey in the grass below.

Although it has always been the commonest hawk in the country, wildlife experts fear that the kestrel, too, is now under threat. The kestrel was made famous by Barry Hines' book – Kestrel for a Knave – and Kes, the film that was made from the book. It told the story of a small boy who raised a baby kestrel and taught it to hunt.

The Sahara is the world's largest desert

Although very hot by day and freezing by night, the inhospitable sea of sand is home to nomadic tribes like the Tuareg and the Teds. Occupying the northern third of Africa and spanning over 10 countries, the Sahara extends from the Atlantic Ocean to the Red Sea – a distance of more than 5,000 kilometres. And north to south it stretches another 2,000 miles. Although it supported lush green pastures in the fifth millennium BC, it has been recorded as a desert since ancient times.

Extreme drought, wide temperature variations and burning winds make it impossible to irrigate the land for farming. Up to two million people live on the fringes of the Sahara, but nine-tenths of its eight million square miles is unoccupied.

Egypt, Algeria, Libya, Morocco, Chad and Mali all border the Sahara desert and the famous town of Timbuktu lies on its southern edge. Inhospitable as it is, the Sahara has always offered an attraction and a challenge to man. Adventurers still try to cross the desert on foot and a famous car rally is now held across the Sahara. It has been the setting for countless adventure stories including tales of the French Foreign Legion like Beau Geste and Under Two Flags. It was the setting for famous Second World War battles between the British Eighth Army under Field Marshall Montgomery and the German Afrika Korps led by Rommel.

## A Taste of the Pacific With Marinated Fish

IN the Pacific, Tahiti is the home of raw fish, or poisson cru. Follow the recipe below for a tasty way to prepare raw fish in a traditional way.

## Ingredients:

750g boneless snapper  
1/2 red pepper, de-seeded  
1/2 green pepper, de-seeded  
1 clove garlic  
2 spring onions  
2 tomatoes, de-seeded and the liquid removed  
1/4 x 5ml sp of powdered ginger  
6 lemons  
400g can coconut cream  
Salt and pepper to taste

## Method:

Cut the fish into cubes of roughly 1cm, and place them in a medium-sized

bowl.

Squeeze the juice of the six lemons over the fish.

Toss the mixture well to make sure the fish is evenly coated, then refrigerate for at least six hours.

When the refrigeration time is up, drain off the juice.

Run the fish cubes briefly under cold water.

Place them back in the bowl, and then add the other ingredients.

They should be chopped to around the same size as the fish cubes

Add the salt and pepper to taste and then mix everything together thoroughly. Serve on a large oval dish.

**TIP:** For that finishing touch, line your dish with a variety of edible green

## Sweet and Sour Pork Tenderloin

A TANGY dish which is quick and easy to make, and tastes great.

## Ingredients:

Makes 2 servings  
2 x 15ml sp olive oil  
1 x 15ml sp tomato paste  
1 x 15ml sp minced fresh ginger root  
1 x 15ml sp soy sauce  
1 clove garlic, smashed  
1 x 15ml sp lemon juice  
1 small green pepper, cored, seeded and cut in thin strips  
2 or 3 x 15ml sp mango chutney  
1 cup pineapple chunks (fresh is best)  
800g pork tenderloin, in 1-inch cubes  
2 cups cooked rice (can use pasta)  
1 x 15ml sp flour (or more)  
Salt and pepper  
1 cup beef broth

## Method:

Heat one 15ml spoon of oil in a medium-sized nonstick skillet. Add the ginger root, garlic and green pepper and saute over a medium heat for five minutes.

Add the remaining one 15ml spoon of oil to the skillet.

Dust the pork cubes with the flour, then add those to the skillet as well. Brown the pork cubes over a high heat, turning them so that they brown evenly. Pour in the beef broth and stir up any browned bits in the skillet.

Add the tomato paste, soy sauce, lemon juice and two 15ml spoons of chutney. Stir the mixture well. Cover the skillet and simmer for 10 minutes. The mixture will thicken - remove the smashed garlic and discard. Stir in the pineapple.

Season to taste with salt and pepper. Cover and simmer for another five minutes. Serve over hot cooked rice or pasta.

## Ingredients:

Makes 30 servings  
2 drops almond essence  
1/4 cup egg whites  
3 cup ground almonds  
Rose or orange flower water  
Whole cloves  
1/2 x 5ml sp grated lemon rind, optional  
1/2 cup icing sugar, sifted  
Additional icing sugar

## Method:

Blend the ground almonds with the icing sugar measured after sifting.

Add the lightly beaten egg whites with the lemon rind if used and almond essence.

Mix to a firm dough with hands. Clean your hands and rub with a little butter to prevent dough sticking while shaping.

Break off small pieces of dough the size of a walnut and form into pear shapes.

Insert a whole clove in the top of each to resemble a stem and place upright on a buttered and floured baking sheet.

Bake in a moderately slow oven for 20 minutes at 160 degrees C (325 degrees F), covering with brown paper if tops begin to brown.

Sift two cups of icing sugar into a bowl and dip hot Amigthalota into it. If desired, a little rose or orange flower water may be brushed on to the Amigthalota before dipping into the icing sugar.

Place on a wire rack to cool. Sift the remaining sugar from bowl into base of a container and arrange the cooled almond pears upright in a single layer. Sift more sugar thickly over tops and sides, seal and store for a day or two before using.

## Fahey Re-appointed to SEHB By Minister for Health

Former Dail Deputy, Jackie Fahey is to remain on the South Eastern Health Board for the next five years under a range of new appointments made by Minister for Health, Micheal Martin.

A long serving member of the Health Board, the Dungarvan based Fianna Failer has campaigned for further improvements to the two local hospitals, whose conditions, have, in the past, come in for criticism.

"I'm delighted with this new appointment. It will allow me to continue to work for the renewal of St. Joseph's Hospital and the building of a new St. Vincent's Hospital", Mr. Fahey said.

Approval for a new hospital and the finance has been put in place for St. Vincent's recently and the board are hoping a contract with a design team will be signed shortly. St. Joseph's has also seen a lot of work carried out on it in the last few years, and Mr. Fahey is looking for the continued improvement of its facilities.

He joins two local representatives appointed by Waterford County Council to the Board, Cllr. Tom Higgins, who is also a Dungarvan based Doctor, and Ardmore Councillor, Tom Cronin. Mr. Fahey will remain on the Health Board from 2002 until 2007.

# Tourist Landmark In Disgraceful Condition

A major tourism landmark in West Waterford is in a disgraceful condition, according to Cappoquin, Cllr. Nora Flynn.

The landmark Dromana Bridge, which is one of the few Hindu-Gothic style

bridges in the country and is featured in tourist brochures for the West Waterford region, has been left to deteriorate in recent years, she said.

Travellers have also been camping nearby and have

discarded rubbish in the fields near the Bridge, Cllr. Flynn claimed.

"You'd been ashamed of your life to send anyone out there now", she said, and called for a clean up operation of the traveller sites and

for the painting of Dromana Bridge. However, County Engineer, John O'Flynn said that Ballyduff Bridge is also in need of work and the council does not have the funds for both of them at present.

Waterford County Council is bring composting to local communities with a series of sale days and compost workshops organised for the coming weeks. Local communities in Dungarvan, Tramore and Kilmacthomas will have an opportunity to learn about composting and to examine the compost bins that the Council is providing at the subsidised rate of €25.

Home composting is one of the answers to Waterford's waste management problem, because it is an environmentally friendly way of dealing with almost one third of household waste. Composting is the natural process that turns autumn leaves into soil at the end of the year. It can also turn our food and garden waste into soil that can be used in the garden. The home composting bins speed up the composting process and keep the garden clean and tidy.

The Council's home composting scheme has been in operation since 2000 and 1,300 compost bins have

been distributed to households across the county. According to Celine Horner, Environment Education Officer, "we are very happy about the number of households in the county that are now composting their food and garden waste and we hope to introduce even more people to composting with these sale days".

There are huge benefits to composting. Firstly, it also saves space in our landfills, secondly it produces a usable product that is great for the garden and third, it will save householders money because there is less to put into the wheelie bin.

Staff from the Environment Section will be on hand during the Sale Days to show what can be put into a compost bin and to show what you can expect to get out of your compost bin after a few months. We are expecting a great turn out so I would advise every one to arrive early to be sure of getting a compost bin.

The sale days that have been planned are as follows:

- Dungarvan Agricultural Show Thursday 25th July.
- Priests Road Car Park Tramore, Saturday 3rd August 10 am till stocks last!
- Rainbow Hall, Kilmacthomas, Thursday 1st August 4pm till stocks last!.

# Storm Of Protest As Waste Plan Approved

Continued from Page 1  
Gael's en-bloc opposition was not an act of renegeing on their responsibility. Instead, she said, it was a genuine unhappiness with the inclusion of incineration.

"I wouldn't be happy about the thermal treatment - incineration - part of this Waste Management plan. I think it's important that it's made certain that the amount of waste going to incineration is kept to the minimum necessary".

However, as the facility is to be run on a public-private partnership basis, and the generation of electricity will provide profits for the company involved, Cllr. Flynn said she'd still have some fears over this.

When the Waste Management Plan was discussed, she said, councillors were given to understand recycling and recovery would be the main priorities, and her one opposition to the plan were concerns over incineration, and she will continue to "be looking closely down the line at what happens".

## LINKED TO CANCER RISE

Health issues surrounding the use of incineration are also a very real cause for concern, according to Dungarvan County Councillor and Doctor, Tom Higgins.

The burning of waste produces dioxins, which could enter the food chain, endangering Ireland's clean food reputation abroad, and possibly leading to higher incidents of cancer, he claimed.

Cllr. Higgins said experts have already linked incineration to a 6% rise in cancer rates, which, added to Ireland's already growing incidents of cancer - 25 to 33% in the last 25

years - a further increase would be very significant.

"I'm very much against the incineration part of the plan. In 1999, in one of my first contributions to the council on my election, I got a promise from the County Manager in which he said that he wouldn't go against the majority of the council's wishes regarding incineration. Now, he's obviously got the statutory powers to go ahead with the plan."

Cllr. Willie MacDonnell, although voting against the plan two months ago, said that he did so under the party whip and would now be supporting the Waste Management Strategy.

"Waste must be taken somewhere", he contended, "and if we haven't got a place to put it, we could be facing a serious problem in Waste Management in the future".

All the Fianna Fail members have backed the Joint Waste Management Plan for the South East, while Fine Gael and Labour both voted en-bloc to defeat it two months ago, 11-10. The County Manager's announcement was made at the same time as his Wexford counterpart, Seamus Dooley. The members of South Tipperary, Waterford City, Kilkenny County and Carlow County voted in favour of adopting the plan.

But, Deputy Brendan Howlin (Lab) speaking on Monday said legal advice was being sought to see if the decision can be challenged.

## ABBEYSIDE SCOUT NOTES

The meeting last week was given over in its entirety to camp preparation. First on the agenda was uniform to see if all going on annual camp had in fact got a full and complete uniform. Anyone missing parts is to have a list of requirements ready for this coming meeting. Following this the three P/L's were given an outline of the camp programme to study along with their patrol members in order to give everyone some idea of what lays in store for them. Camp gear was next on the agenda as patrol boxes and tents were checked then double checked to make sure all the necessary gear was present. This aspect of camp will be checked again at this weekend's meeting and that is why the meeting will run from seven o'clock until nine o'clock as it is vital that all gear is accounted for. On finishing the meeting the leader explained that all outstanding camping fees must be paid this weekend and it is absolutely vital that the permission to camp forms are returned this Saturday night as with out these forms even if camp has been fully paid for a scout cannot attend. Camp this year takes place from the 3rd to the 10th of August. One item missing from the gear list of camp is a bicycle in good working order particularly the brakes!

# Ten More Years of Great Local Radio

The Broadcasting Commission of Ireland has awarded WLR fm the license to provide a broad based local radio service to Waterford City and County for a further ten years. At its monthly board meeting held in Galway on Monday July 15th last the Commission awarded the license to WLRfm on the strength of its written submission proposing the kind of service it will provide for the next ten years.

WLR fm's application for a continuation of its franchise was one of the most ambitious received by the Commission and hinges on WLR fm moving to a new studio complex at Ardkeen Village.

Managing Director Des Whelan says, he's "delighted that WLR fm's application was successful. The team at the station put a lot of time and effort into preparing what is really a business and programming plan for WLR fm for the next decade. We have had a tremendously successful decade on air and we hope to build on that. Work starts on WLR fm's new studio and office complex in August and we hope to commence broadcasting from next June".

WLR fm is one of Ireland's most successful local radio stations and each day 54% of all adults living in the city and county tune into the Waterford station.

**ARIES**  
Mar 21 to April 20  
Situations at home take up much of your time and delay you in your personal endeavours. A new friendship could come into your life, just when you need it most. Be ready to connect. Something someone says this week stirs up deep emotions and gives you food for thought. The coming week will provide a much longed for professional breakthrough. Telephone 1550-920-257 for a detailed update. ☎ 1550-920-257

**TAURUS**  
April 21 to May 21  
Finances are in need of careful handling, especially if you have been considering making a special purchase. Take your time and you have the chance to find a better deal. At home, go with the flow. Allow for spontaneity and don't insist on perfection in yourself and others. An error doesn't have to become a mistake until you refuse to correct it! Phone 1550-920-258 for an in depth analysis. ☎ 1550-920-258

**GEMINI**  
May 22 to Jun 21  
You are fun to know, in demand socially and should make having a good time your priority. The professional and personal will tend to link as you push forward in a positive manner. In some situation you may feel the odd one out, mainly because of differing views. Stick to your guns. There is no time like the present and in your case that is so true. For more on love and luck, phone 1550-920-259. ☎ 1550-920-259

**CANCER**  
Jun 22 to July 22  
Practical issues are your main priority right now, so much so that there is little or no time to devote to family and friends. When you have more time on your hands, rebuild bridges. It may come as a surprise this week to see how much someone is willing to put themselves out on your behalf. Make a pledge to be a tireless patron for a cause that stirs your soul. Telephone 1550-920-260 and hear more! ☎ 1550-920-260

**LEO**  
July 23 to Aug 22  
At home, even though you know your ways are best, stop trying to do everything yourself. Allow others to have more input and this will lead to greater co-operation. In all matters, emphasise teamwork. You are on the brink of a week that sees you with the time and energy you need to tackle everything on your to-do list. Professional situations bring out the best in you. Phone 1550-920-261 for more insights. ☎ 1550-920-261

**VIRGO**  
Aug 22 to Sept 22  
Certain actions may be misunderstood, especially by those who see things only from their point of view. At all costs, avoid confrontations and complications. Promote peace. You are now in a position to right certain wrongs, especially in the personal sphere. In work or business, don't be fooled by a slow pace. There are busy times ahead. For more on love and luck, work and money, phone 1550-920-262. ☎ 1550-920-262

**LIBRA**  
Sep 23 to Oct 23  
A close relationship is taking a turn for the better and romance is well starred. Delightful discoveries await you. Creating a favourable impression is something you know how to do and will prove to be your winning card. Just be sure to play fair. Pace yourself. You have so much to do and so little time. Superficial concerns take a backseat as profundity prevails. Phone 1550-920-263 for details. ☎ 1550-920-263

**SCORPIO**  
Sep 23 to Oct 23  
Enjoying a serene week? Not likely! Tempers run high as cosmic clashes come fast and furious. Friends have very strong opinions and not ones that agree with your way of thinking. You may have no choice but to accept differences when all attempts to persuade, fail. Furthering your own ends is not wrong, just as long as you are working on behalf of others too. Phone 1550-920-264 for further insights. ☎ 1550-920-264

Your high principles stand to you but may stand in the way of personal progress. You are about to realise that your influence over others is not all you believed it to be, which is why you will have to try all the harder to bring them around to your point of view. You can do this. Old reckoning breeds new disputes in the relationship arena. Make amends and move on. Phone 1550-920-265 for more on current trends. ☎ 1550-920-265

# A Little Nature In Your Garden

A great way to bring wildlife into your garden is to build a pond. No matter how small, the water will attract frogs, newts, toads and dragonflies. With a PVC or butyl rubber liner you can create your pool where koi (Japanese carp) could provide a flash of gold to the scenery. Depending on what type of garden you have, the idea can be extended to include a waterfall, a fountain, a water spout or watercourse. These options allows you to grow many plants that thrive in wet conditions. Whatever you decide, an open sunny site is best away from overhanging trees – fallen leaves can cause nasty, smelly water when they are left to decompose.

Water brings an ever changing pattern of reflections, sound and movement that is appealing in a garden. There are also many other decorative features the gardener can add for interest. Why not try feeding the birds by adding a bird table and a bird bath to your garden. Place them in sight of your window – and out of reach of cats – avoid overhanging branches or fences. You can help the bird population survive the winter with regular feeding – and keep entertained and cosy indoors while still enjoying your garden. A herb garden is an excellent feature to build, you could try an old sink for your favourite herbs but make sure there is adequate drainage so it doesn't go soggy.

If you can get hold of an old cartwheel, it's a great shape for growing a selection of herbs. Sink it into the ground slightly and put slates beneath the spokes to prevent them rotting. Similar shapes can be achieved with bricks or paving stones embedded in the ground, grass paths or low growing hedges like box. These prevent the plants from overwhelming each other. A sun dial, a small statue, and interestingly shaped pots add an extra dimension to the garden landscape but if you are more of a plant fan, then why not try a rockery? It can be rewarding to grow the delicate looking alpine plants in the comfort of your own back garden – without having to climb distant mountains to see them. And what better way to rest at the end of a hard day's gardening – sitting in your own arbour. This can be as simple as a comfy garden chair under the shade of your favourite tree. A more formal pergola or arch planted with climbing roses, honeysuckle and clematis, over a wooden or cast iron bench, set against a fence or wall, is another option. Put your feet up, enjoy the results of your hard work and smell the fragrance of those flowers.

## THIS WEEK IN THE GARDEN

- PRICK OUT PERENNIALS AND BIENNIALS**  
Perennials and biennials sown in June will be in need of pricking out into a nursery bed. This should be in an open position except for violas, pansies, primroses and polyanthus, which grow more quickly in partial shade. The ground must be well forked and reasonably rich but not recently manured with dung. Get the seedlings up as carefully as possible (if the ground is dry it is best to give it a through watering the day before you intend to move the seedlings).
- PEG DOWN STRAWBERRY RUNNERS**  
The runners of strawberries are most conveniently propagated by pegging them down into pots of compost sunk into the ground. When rooted they are easily transplanted.
- PROTECT VINES FROM MILDEW**  
Thinning of the fruits will now become general with outdoor vines. A thick mulch of well rotted manure spread over the border will help the vines a lot at this time of year. If there is the slightest sign of mildew, dust the foliage and fruits with flowers with sulphur.
- PLANT WINTER GREENS**  
Plant out all manner of winter greens as you clear the ground of early crops such as dwarf peas, early potatoes and the first sowings of turnips and salad vegetables. As far as possible, choose showery weather for this work. If July is persistently dry, push on with the planting and then water freely for a few days.
- CUT OFF FADED FLOWERS**  
From time to time during July you should examine all the flowering plants in the garden and remove any blooms or flower spikes that are so faded as to be no longer decorative. This will allow the plant to generate more growth.
- TRIM HEDGES**  
Trim evergreen hedges and topiary specimens to keep them neat and tidy in July.

**POND Pointers**

- Centre should be three feet deep to be self sustaining and not stagnant
- Leave a ledge 12 to 18 ins deep and a similar width around the edge of the pond – for shallow water plants
- Choose a liner with a 10-year guarantee
- Avoid damage from sharp stones, cover base with sand before fitting liner
- Don't trim liner until the water is in
- Water should be left a fortnight before adding fish

The course content is challenging and focused and includes subjects such as:

Business Law  
Business Management & Information Technology  
Taxation 1  
Keyboard skills

#### Admission (Year 2)

Students must pass the first five modules in Foundation Year to proceed to Admission Year. On successful completion of the course, graduates will receive the M.I.A.T.I. Diploma and will be recognised members of the Institute of Accounting Technicians of

Ireland. They will also receive FETAC certification.

**Demand for Accounting Technicians**  
On a visit to I.A.T.I. students, Ms. Gaye Sheehan, Director of the Institute of Accounting Technicians, emphasised the current demand for Accounting Technicians within the job market. Ms. Sheehan highlighted the exemptions available to those who wished to continue their studies for further professional qualifications in the following areas:

- The Institute of Chartered Accountants
- The Chartered Institute of Management Accountants
- The Institute of Certified Public Accountants
- The Institute of Chartered Secretaries and Administrators
- The Institute of Bankers in Ireland

In her address to the students, Ms. Sheehan complimented the college and staff on the success of the course, which has been running since 1989. This course has enabled past students to progress to further Accountancy qualifications and a diverse range of job opportunities within office management and administration, banking, taxation and self-employment.

Successful past students add their voice to the success of the course:

**Mary Colbert M.I.A.T.I.** — "The hardest part of all for me was getting back into the education system, as I had been out of it for some time. I was a housewife and mother of three young children going back to being a student. With the great help and support from everyone in the Dungarvan Technical College, I qualified as an Accounting Technician in 1997. I then went to work in a local company as an Accounts Assistant where I gained invaluable experience. I moved on to a multi-national company again to gain experience in a multi currency environment. At present, I am a manager of a company in the Dungarvan area. The advantage in my opinion throughout all of this was that I achieved it all without having to travel any further than Dungarvan.

I am now starting on a new path, which will hopefully see me as a qualified Accountant in one and a half years, thanks to Dungarvan Technical College which is on our very own doorstep."

**Shirley McGovern M.I.A.T.I.** — I received my M.I.A.T.I. Diploma in October 2001 and am currently employed in a local Accounting practice. The Accounting Technician course was a great foundation for my career into Accounting. I found all the subjects in the course were beneficial and relevant to the work I'm doing at the moment. I would recommend this course to anyone thinking of pursuing a career in accountancy.

**Liz O'Connor** — Trainee Accountant with FDC Accountants and Tax Consultants, Dungarvan. A very enjoyable course, the highest standard of teaching and it has certainly enabled me to change career.

**Helen Lane** - McCarthy Direct Insurance, Fermoy. — I found the Accounting Technician course a great foundation for a career in Accounting. After completing the course I was offered direct employment in the Accounting and Insurance field. I will receive my M.I.A.T.I. Diploma in October, 2002.

*Interested applicants may obtain a prospectus and application form by phoning Dungarvan Technical College at 058 - 41184. Completed forms should be returned by the end of August and interviews will be held in early September.*

## Indefensible Commercial Rates On Nurseries in Dungarvan

Nurseries and pre-schools in Dungarvan are to be charged commercial rates for the first time, in what one councillor claimed is a regressive step by Dungarvan Town Council.

Fine Gael Councillor, Damien Geoghegan, speaking at Monday night's meeting of the Town Council, said that at the same time as the Government was trying to promote the use of childcare facilities, these facilities are now being levied excessive rates.

"Sixteen hundred is being levied on commercial rates on Sesame pre-school", he said. "These people have to go around fund-raising for most of the year to fund its running costs and now they're being faced with this. It's not acceptable that this should happen."

Proposing that playschools and pre-schools are exempted from paying the commercial rate, Cllr. Geoghegan said it was an indefensible charge.

Cllr. Teresa Wright also said she had been approached by young teachers about the levy, but said she wasn't aware that it had been introduced, adding that those running pre-schools already faced significant costs for the renting of their premises.

However, Town Clerk, Brian White said the council didn't have the power to choose what businesses should be levied or not.

A new Local Government bill, he said obligated local authorities "by law to levy and collect rates on any property which is used for commercial purposes."

The Town Clerk added that in general schools are exempt from paying rates, but

private schools are not. "We'll have to look at the situation and see what we

can do to address the problem. It's really an issue for a separate item of the agenda. But we'll examine the financial implications for such a move", he said.

## CLLR. WELCOMES INITIATIVE FROM NEW DEPT. OF COMMUNITY, RURAL AND GAELTACHT AFFAIRS

The stated intention of the new Minister for Community, Rural and Gaeltacht Affairs to visit various parts of the country in the coming months and years - and to be available to meet as many community groups as possible as part of that - has been welcomed by a Labour member of Waterford County Council.

Cllr. Fiachra Ó Céilleachair was commenting on Minister Eamon Ó Cuiv TD's recent letter to Labour Spokesperson on Community, Rural and Gaeltacht Affairs - Brian O' Shea TD - in which the Minister asked to be advised of any particular community groups in the Waterford constituency interested in meeting him whilst visiting the area. Cllr. Ó Céilleachair said the initiative was a laudable one and Labour would be responding by ensuring that the new Department would be made aware of the good work being done on the ground by the wide range of organisations relevant to the Community, Rural and Gaeltacht Affairs portfolios. Cllr. Ó Céilleachair says there are opportunities to fund the ongoing work and development plans of such community groups and that wider advertisement of the functions and responsibilities of the new Department of Community, Rural and Gaeltacht Affairs would be of assistance.

Commenting on the setting up of the new Department, Cllr. Ó Céilleachair said: "This new Department has particular relevance to localised groups interested in ensuring the best for their communities. The Community portfolio is transferred over from what was part of the Department of Social, Community and Family Affairs. It is under the aegis of this unit that co-ordination and funding of community development programmes in our towns and cities is carried out, in addition to schemes relevant to rural areas. The Rural Affairs unit itself comes from the previously constructed Department of Agriculture. That unit has great potential in drawing on EU assistance for community initiatives throughout rural Ireland. I'm pleased that the Gaeltacht and Islands portfolio are related to the Community and Rural Affairs units, because the survival and ongoing development of small communities is a central concern in matters relating to Irish speaking areas of the country. I'm delighted that the Labour Party has appointed my colleague and our Waterford TD, Brian O' Shea, as Spokesperson on this very important new Department. I look forward to regular visits to the constituency by the new Minister and benefit accruing to Co. Waterford communities."

# RECENT DEATHS

## LATE ROSALEEN POWER

It is with deep regret that we record the death which occurred at the parental home of her husband John at Lickoran, Ballinamult, of Rosaleen Power, Dublin who died suddenly while attending a family celebration. Born in Longford (where her family were associated with the 'Longford Leader') she came to Dublin as a young woman where she met and married John. She had been a frequent visitor to the Sliabh gCua area for many years.

She took ill suddenly on Sunday morning, 30th June, where she was attended by her friend Olivia Condon (Butler), Dr. O'Donovan and the ambulance service from Dungarvan. Her traditional wake began in the Power home in Lickoran, Co. Waterford, where the first tears of her passing were shed. Fr. Larry Walsh, Farnane administered the last Rites and later

the long wake began in the Power home, Lickoran, where Mass for her soul was celebrated in the kitchen and later Fr. Michael Cullinan came from Knockanore to lead the family and friends and neighbours gathered in the recitation of the Rosary.

On Monday she was brought to her home in Dublin when the traditional wake continued at Arran Road with her family gathered around her to await the arrival of her son David from a visit to the USA. She was removed to her local Corpus Christi Church, Drumcondra, Dublin, on Wednesday, 3rd July, where she was received by Fr. Gerry Thredgold P.P., assisted by Fr. Tommy McCarthy, Fr. Declan Doyle, Fr. Tom Carroll, Fr. Gerry Carroll and Fr. M. O'Loughlin. Fr. Declan Doyle, Airport Chaplain, Dublin Airport, was the principal Celebrant at the concelebrated Funeral Mass on Thursday after which she was laid to rest at Dardistown cemetery near Dublin Airport.

She is deeply mourned by her husband John, her daughters Ann, Catherine (Stacey), Deirdre, John, Carol (O'Neill), David, Niamh (Walsh) and Kevin.

In his homily at her funeral Mass, Fr. Declan Doyle, after reminding the large congregation at Corpus Christi church that life is a gift from God, spoke of the full and productive manner in which Rosaleen used her life from the giving birth and introducing into the Catholic Church of her eight children and how she reared and encouraged

each of them towards good citizenship and meaningful careers, two in the teaching profession, one in hospital administration, one an archaeologist/education officer in the National Museum, and the last two qualified medical doctors one of which (Niamh) changed her career to become an airbus/airline pilot with the national airline.

Rosaleen had been active in many organisations in her parish, in her earlier years many of them children oriented but later in the Ladies Club, the Musical Society in which she took prominent roles. She was also a keen bridge player. In her spare time she was a gifted painter in oil and her paintings of local scenes hang in the homes of her family and extended families from Waterford to Donegal, but she also painted doors and windows, walls and ceilings in her family home. She was a keen gardener and was gifted with her hands, making all her children's First Communion and Confirmation dresses as well as their wedding gowns when the time came for marriage.

Fr. Doyle said that she was a faithful member of the Catholic community of the parish and in turn brought all her children into the Corpus Christi parish congregation and was a model wife and mother bringing up a family of which she was and could be proud. Rosaleen had many fine characteristics which earned her the love and the respect of many, both within her own family circle and beyond. She was a person of proven sound judgement and as a result of that both her family members and those she interfaced with in her social life whether it be as a committee member of her bridge club or otherwise usually went her way when a judgement was called for. Her value system combined what was best from the old with the better characteristics which she was quick to perceive in the younger generation and she was fiercely defensive of initiatives of young people taking a different approach to that she might have earlier taken herself.

Rosaleen was a great family person whether to her own immediate family or to her extended family she was welcoming and generous and her home was an open house not only to her own extended family but to their friends and associates. She had an unusual appreciation of the needs of young people and she also had great faith in the young. Consequently she was a magnet for not only her own family but also for nieces and nephews and also those outside the family especially when they were in any kind of trouble or in

need of a bit of help. If she had a fault it was that she found it difficult to see any shortcomings in the young people she befriended.

A lady of many parts she could host a crowd up for a match or a family gathering - a wedding or a wake with the same ease as she would prepare a family meal and this was best demonstrated on All-Ireland final day every year when family members from Waterford and Longford and Donegal would gather in Arran Road and as many as 40 or more have been known to assemble for both pre and post match sustenance and the long drawn out debate which is usually associated with such events.

It was indeed providential that she should have died in John's parental home in Lickoran, County Waterford, the home in which she and all the Power children spent many summer vacations and of which she and they have so many memories.

She was laid to rest in Dardistown Cemetery, beneath the glide-path of aircraft landing at Dublin Airport, where her doctor/pilot daughter Niamh will be able to remember her each day as she comes in to land at Dublin Airport as part of her daily work routine. May she rest in peace.

(Funeral Arrangements by Tom Drohan, Funeral Director, Dungarvan.)

## LATE TERESA ANDERSON

It is with feelings of profound regret we record the passing of Teresa Anderson, St. Bridget's Tce, Leamybrien, which sad event occurred on Thursday 27th June. Teresa was a quiet, gentle, inoffensive lady held in high esteem by all who had the pleasure of her acquaintance. She was reared in England and was predeceased by her husband only three years ago. In her later years she enjoyed the company she found in the Day Care Centre and went on all the St.

Martins outings. She was a kind and loving mother and grandmother and her family were her priority. Her passing is much regretted not only by her sorrowing family but also by her many friends. May she rest in peace.

Her remains were removed from Drohan's Funeral Home on Sunday 30th June following Rosary recited by Fr. O'Mahoney P.P. to St. Mary's Parish Church where the remains were received and blessed on arrival by Fr. O'Riordan C.C. and followed by a large cortege of mourners.

Following requiem Mass on Monday morning celebrated by Canon O'Mahoney P.P. assisted by Fr. O'Riordan C.C. interment took place in the adjoining cemetery again in the presence of a large gathering.

The lesson was read by Michael Breen and Breda Anderson, prayers of the faithful were recited by Douglas and Joelle Anderson.

The chief mourners were - Bob and Martin (sons), Sharon (daughter), Breda (daughter-in-law), Ian (son-in-law), sisters-in-law, grandchildren, nephews, nieces, relatives and friends.

(Funeral Arrangements by Tom Drohan, Funeral Director, Dungarvan)

## LATE JOHN WALL

It is with feelings of profound sadness that we record the death of John (affectionately known to one and all as Johnny) Wall of Knockroe, Colligan, which took place on Sunday 30th June at The District Hospital, Dungarvan.

Johnny came from a farming background and worked tirelessly in the interest of his children and grandchildren. He was a great husband and a devoted father and he will be sadly missed by all for his unassuming qualities and his ability to talk to both young and old in such a gentle manner.

Although in his eighties and in failing health for some time, news of his death evoked widespread sorrow in the entire community. He had

many friends and he was a wonderful neighbour, always willing to give a helping hand. To his family he came into his own as he had a great love for carpentry and it was many the time he was called upon to do the "fixing". Johnny also had a great love for the G.A.A., especially the Colligan Club and the Waterford hurlers and it was often he asked while in hospital about the Waterford team and if they would win the Munster. Ironically, it was on Munster Final day he passed away and Waterford did win the Title. A proud man he would have been.

Following rosary on Monday evening recited by Fr. Michael Kennedy, P.P. the removal of his remains took place from the Drohan Funeral Home to Colligan Church where a Guard of honour by both the Colligan and St. Patrick's Clubs welcomed him to the church. Requiem Mass on Tuesday was celebrated by Fr. M. Kennedy, P.P. assisted by Fr. C. Kelleher, P.P., Touraneena, Fr. Cooney, O.S.A.

The readings were shared by Norma Wall and Una Maher while the Prayers of the Faithful were read by Triona, Aoife & Nicola Wall, Dawn Grealish and Claire Creedon.

The Offertory Gifts were brought to the altar by John & Emma Wall, Eimear Dempsey, Michelle Maher and Louise Creedon. Christina Tobin rendered the hymns accompanied by Aideen Wall. A huge attendance gathered in the adjoining cemetery for final prayers and blessing where Johnny was laid to rest beside his beloved daughter, Joan, who predeceased him just five months ago.

Chief mourners: Nora (wife), Sean, Eamon & Michael (sons), Maureen, Kathleen, Brid & Pauline (daughters), sister, Biddy, sons-in-law, daughters-in-law, brother-in-law, sister-in-law, nephews, nieces, grandchildren and many relatives and friends.

May he rest in peace. (Funeral arrangements were by Tom Drohan, Funeral Directors, Dungarvan.)

## MR. RICHARD (DICK) LYNCH

It is with deep regret we mourn the passing of Richard (Dick) Lynch, Coolanave, Cappagh, Co. Waterford on June 27th, following a brief illness after spending five weeks in The Regional Hospital, Waterford.

Dick was very well known in the community of Cappagh where he lived for the past 70 years. A courteous man of few words he enjoyed life to the very end and liked nothing more than to spend the day with his grandchildren who live next door and his dog Shep. He was a very keen GAA supporter and never missed a Waterford hurling match, oftentimes reminding all of the great Waterford teams of yesteryear when the trip to the match in Thurles was by bicycle. A great Sportsman in his day playing Football for Finnisk Rovers and Af-fane and also pulling Tug-a-war for both the Pike team and Toureen, Dick was also very keen on dog racing. He trained the schoolboys at Kileshal School, football and hurling and brought them to a county final.

In later years Dick enjoyed visiting the Pike Pub where he often enjoyed a few pints and the occasional game of cards which often lasted longer than intended.

His remains were removed from Waterford Regional Hospital on Friday June 28th to Drohan's Funeral Home, Dungarvan and on Saturday to Ballinameela Church where he was buried in the adjoining Cemetery after 10am Mass on Sunday. The Funeral Mass was celebrated by Fr. Francis from Mount Mellerary Abbey. Readings at the Mass were read by Dick's granddaughter Sarah and by his son Francis. The Offertory procession was carried out by six of his grandchildren, Evan, Ruari, Kieran, Nicole, Mark and Richard. To his wife Marie, sons Francis, Pat and Michael, daughters-in-law Jackie, Gillian and Eileen, sister-in-law Biddy, many grandchildren, nephews, nieces, relatives and friends we extend our deepest sympathy.

Later they were to provide a similar tribute at Kill Church. V. Rev. Fr. R. ## LATE ALICE MURRAY

It is with great regret that we record the death of Alice Murray, Ballintaylor who died recently at Waterford Regional Hospital. Alice was predeceased by her husband David, sons Sean, D. J. and Jimmy, daughters Ailish and Joan, grandchildren Breda and Marie Therese.

Alice was a very popular lady and the large congregation of people present at both the removal and burial was a testament to her popularity. She spent her working life on the family farm in Ballintaylor and upon retirement came to live with her daughters. Alice had an ability to communicate with people of all ages. She enjoyed nothing better than sharing tales of bygone days, both with her children, grandchildren and great grandchildren who were a source of much joy to her. Alice kept up to date with current affairs and loved all types of sports. She was an ardent supporter of the Brickey Rangers GAA Club and the inaugural social of the club was held at Alice's and David's home in Ballintaylor.

(Full obituary next issue). (Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan)

Alice was very proud of the fact that she saw three generations of her family don both Blue and White of the county and the Black and Amber of the Brickey Rangers.

Removal was from Drohan's Funeral Home on Thursday 11th July to St. Mary's Parish Church. On arrival at the Church the remains were received and blessed by Fr. Ahearne, Canon O'Mahoney P.P., Griffen P.E., Cooney O.S.A., Fr. O'Riordan C.C.

## BRIDEVIEW UTD A.F.C. NOTES

### U-16 Cup Final Second Half Goals

#### Sink Utd

We lost our second Cup final in a ten day spell when our U-16 team went down to Kilworth Celtic. However, our lads put up a brave display despite being short a few regulars due to holidays.

Our lotto jackpot this week is a hectic one for the local leagues and indeed our own club with meetings going on all of this week.

#### Match Report U-16 Cup Final

#### Kilworth Celtic 4 Brideview Utd 1

The scoreline does not do justice to our lads who fought hard throughout this game but when chances fell to our forwards Celtic's keeper denied them with some marvellous saves.

The first chance fell to Utd after just 5 minutes but William Curley's free kick was well saved. Both defences were on top for the next 20 minutes before the game opened up and both sides upped the pace. Michael Curley was twice denied by Celtic's keeper.

At the other end Graham O'Neill brought off a terrific save after 34 mins. Again a minute later O'Neill rescued Utd. The chances were now falling to both sides.

Then in the 36th minute Celtic opened the scoring and held this lead till the break. Disaster struck Utd just one minute into the second half when the bounce of the ball deceived Utd's defence and Celtic's striker nipped in to score.

Utd did not give in. A great move by William O'Neill beat the full back but his terrific shot just went wide. William Curley was denied by a great save in the 47th minute. Utd were back in the game in the 53rd minute when Kieran Casey sent in a terrific cross and Mark O'Brien rose high to head home a great goal.

It was now end to end stuff. The crossbar rescued Utd in the 55th minute. Michael Curley's shot looked a certain goal but somehow Celtic's keeper got his hand to it. Utd did have a goal disallowed for pushing in the 60th minute.

The game was wrapped up for Celtic when they scored twice as many minutes late in the game.

Despite the results our lads played well and managers Michael Curley and Martin Sutherland can feel well pleased with the lads.

Utd; Graham O'Neill, Pádraig O'Brien, Robert Geary, Eamonn Forbes, Craig Tobin, William

O'Neill, Mark Cashman, Kieran Casey, Mark O'Brien, William Curley, Michael Curley. Res used Mark Sutherland, Aidan Daly.

#### Best Wishes and Congratulations

Yes love is certainly in the air for some of our Premier players. Another player namely Dennis Martin is tying the knot as it were on this coming Friday to Veronica Hartnett. We wish both of them a long and happy married life together and that all their troubles will be small ones with two feet so that we can sign them up.

Have a great day from all in Brideview Utd.

#### Birthday Corner

Birthday greetings to Emmet Curley who celebrated his birthday last week. Not forgetting Bidy Morrison but I am keeping her age a secret. Then Richard McNamara celebrated his birthday also last week. Then we have Triona Buckley whose birthday fell last Friday.

Not forgetting one of our star U-16 team namely Michael Curley who was 16 years old last week. What's the saying, 16 years and never been kissed. I hope so says Caroline. Right Michael.

Melissa Murphy celebrates her 12th birthday on Sunday next while Ann Buckley celebrates her birthday on Thursday. Now where will all these parties be I wonder?

#### News To Hand

I understand two young men and a young woman were so overcome by the full moon on their way over the Vee that they stopped and went sightseeing. There were so many bottles under a table at the wedding that one of the guests asked who was drinking under the table.

#### Welcome Home Festival

Some members of our committee travelled to Dungarvan on Friday night where they handed out flyers to the runners and walkers taking part in the GloxoSmithKline 5 Mile Road Race. A large number said they would be delighted to come to Tallow.

While in Dungarvan we came across two young Tallow lads, Daniel McGrath was a steward for the race while Nots Forest for Eamonn Cunningham took part in the race and did very well.

A number of girls from outside of the town have indicated that they will be taking part in the Miss Blue Jeans Competition. We have girls coming from many

parts of Cork as well as South Tipperary and Waterford so it should be a right bit of craic.

#### Hyde Park

A little bird told me that a woman from West St. is heading off to Hyde Park soon to attend a rock concert. The husband said she is really into the rock music. We hope she enjoys herself.

#### Lotto Jackpot 1,800 Euros

Last weeks numbers drawn were 5-18-20-23. We had no winner. Due to the wedding our lotto is put back till the Saturday night this weekend. The draw takes place in the Devonshire Arms at 9 pm.

#### Clubs AGM

Our AGM takes place on Wednesday (tonight), July 24th in the Devonshire Arms at 8.30 pm sharp. I should have had this in on last

weeks notes but I forgot so now I will have to take the flak. Sorry about that folks.

We would hope to see as many as possible at this meeting, especially with so much happening in the club.

#### Training

We now have our 50 kids, both boys and girls attending our training sessions in the school grounds. Well done.

#### Best Wishes

To Liam Kearney who travelled to Oslo in Norway with the Rep. of Ireland U-19 team. The Irish side kicked off their championship against Belgium on Monday last. England and Germany are also in their group. Brian Murphy from Waterford is also in the squad.

#### Congratulations

To Tina McNamara who got engaged to Johnny Whelan on Friday last.

Well we all know the result by now but what we don't know yet is the replay date.

**Home on Holidays** — Returning to the U.S. this week following a vacation at home are sisters Philomena McCarthy Stauffer and Nuala McCarthy Howe. The girls came to Boston to meet us on our tour to the U.S. at Easter. We wish them Bon Voyage and hope they enjoyed their stay.

## NEWS FROM THE TALLOW WRITERS GROUP!

Tallow Writers' Group is pleased to announce that it has been lent premises by Tallow Enterprise Group. Many thanks to all concerned, as this very welcome opportunity gives the Group the chance to have its own space for both writing and publications, and create a brand new business for Tallow and surrounding areas.

The Tallow Enterprise Centre, on Barrack Street, is now being transformed into a very comfortable suite of offices, courtesy of various donations of furniture and lots of hard work by members of the Writers' Group. Many thanks to Anthony Healy, Phil Mortimer, Helen Seignott, Mary McCarthy, Breda Geary and James Hyde for their hard work on what was one of the best weekends of the year so far!

If you have any books, writing materials or furniture you'd like to donate to the new offices, please call or drop in for a chat. Also, do you know anyone with a spare AppleMac and Quark Express software? To keep growing, we need the right equipment!

The creation of offices means that the Group can now produce its quarterly IMAGINE magazine truly professionally. The next issue is now in development and submissions are urgently needed. If you write, draw, paint, illustrate, make cartoons, scribble poetry, pen drama, or do any other form of writing, please get in touch (no matter your age or background).

Remember, IMAGINE showcases the writing skills and excellence of the people of County Waterford and the rest of Ireland. The magazine is read all around Munster, Ireland and Europe (with many subscribers also in the USA and Asia) — it's particularly important that all voices are heard, especially as IMAGINE is the only outlet in this part of Ireland open to everyone who wants to write and see themselves published. If you know any writers who are shy or need that extra bit of encouragement (no matter where they live), please let them know that we're there for them!

Also, the Writers' Group is now thinking about writing courses and activities it can mount for both its members and the general public. Waterford County Council and the Irish Writers Centre have money available for training, so we need ideas of what people would like to do. If you have a burning desire to improve your style, write children's books or fiction, develop your poetry, be great at writing song lyrics, or something else appeals, let us know! We're particularly keen to hear from people in related artistic areas, such as the local drama groups, and others who have writing as part of their activities (e.g. teenagers and school-teachers).

By the way, more and more of our members are being invited to read their work on radio. You can often hear us on Youghal Community Radio (107 FM). If you'd like to join in, please call.

Finally, the Writers' Group always has details of forthcoming literary events and current writing competitions in Ireland, the UK and elsewhere. If you'd like details of what's on and what's up, please don't hesitate to come to a meeting (every second Thursday night in Tallow — next one is 1st August), email us at [tallowwriter@eircom.net](mailto:tallowwriter@eircom.net), or call the Group's Secretary, Breda Geary, on 058 59121.

### U-14 Hurling

Our lads played the Western League Division 1 final against Abbeyside who we already defeated earlier in the season in the Western Feile championship final last Tuesday. Cappoquin never seemed to get out of the starting blocks in this game and Abbeyside ran out winners on the scoreline 3-6 to 2-3 without ever playing well. If the lads had converted the missed chances they could have very easily stolen this game from Abbeyside. On Saturday last Cappoquin travelled to Fermoy to take part in a four team tournament with Cushendall (Antrim), Bride Rovers/Castlelyons, Fermoy and ourselves. After a great days hurling the lads just failed to make the final on scoring difference. We would like to thank Fermoy for inviting us into this well run tournament.

Cappoquin panel: Ian Mason, Shane O' Rourke, Olan Murray, Killian Denn, Mark Landers, Shane Fives, Joe Kett, J.J. Devine, Shane Power, Seamus Fitzgerald, Paul Murray, Steven Power, Darragh Fives, Daithi Wilkinson, Finan Murray, Colm Looby, Kieran Flynn, David Cahill, Pat Fitzgerald and Darren Curran.

### U13 Hurling Mick Fitzgerald Cup

Our lads had two games last week defeating Cois Bhride and losing to Dungarvan by a goal 2-3 to 1-9. This Friday Cappoquin will play Fourmilewater in Ballymacarbry at 7:30pm. Trans-

port will leave the square to 6:30pm.

Panel: Derek Cahill, Colm Looby, Daithi Wilkinson, Mickey Fenton, David Leahy, Pat Fitzgerald, Olan Murray, Shane O' Rourke, Joe Kett, Shane Fives, Darren Curran, Steven Power, Finan Murray, Darragh Fives, Seamus Fitzgerald, David Cahill, Ivan Cliffe, Liam Coffey, John Cullinane.

Round 5 Tuesday July 30th (A) Darren Curran's team v (D) Derek Cahill's team. (C) Colm Looby's team v (E) Pat Fitzgerald's team. Team B has a bye.

### Minor Hurling Championship

'A tale of two refs and one team'

No ref showed for our county league game against St. Mary's in Touraneena last Tuesday but our minors turned up at the Fraher field to be met by two referees namely Pat Moore and Donal O'Murchu but no sign of the Gaelacht who were unable 'to field'. The peculiar thing about this is that we originally wanted a postponement because our U16's had played there games in a five day period. Our Intermediate hurlers were playing county league in Kirwin Park and our U14 hurlers were also playing a Western Final that night. Cappoquin will play Stradbally in Leamybrien this Wednesday at 7:30pm. Transport will leave the square at 6:30pm.

### U16 County Hurling Championship Division 2

Cappoquin had two ding dong battles last week defeating Dunhill/Fenor by two points and losing out to Roanmore by two points on the scoreline 5-8 to 3-12. We play Ballyduff this Saturday. Time to be fixed and Clonea next Wednesday July 31st in the Sportsfield at 7:30pm. So far the lads have 10 points from six games.

Panel: Shane Power, Gearoid Coughlan, Tim Looby, Shane Fives, David Kett, Paul Murray, J.J. Devine, John Cunningham,

Paul McGrath, Keith Landers, Pat Devine, Tom Curran, Paul Barry, Cathal Wilkinson, Eoin & Mark Landers, Glen Morrissey, Donal McGrath, Dan Dransfield, Olan Murray and Daithi Wilkinson.

### Cappoquin U10 and U8 Hurling Tournaments

At the Sportsfield last Saturday with the sun shining over 300 young hurlers took part in our annual U10 and U8 tournament.

In the U10 tournament Ballygunner, Dungarvan, Cois Bhride and Ballygiblin went in group A with Ballygunner topping the group putting them into the tournament final with Dungarvan runners up putting them into the plate final. In group B, there was Na Piarasigh, Cappoquin, Mt. Sion and Lismore. In this group Cappoquin lads had wins over Mt. Sion and Lismore and the game between themselves would decide who would meet Ballygunner in the tournament final or who would meet Dungarvan in the plate final. Na Piarasigh won a closely contested game by one point. Ballygunner defeated Na Piarasigh for the Paddy McCarthy cup in a good final, which was presented by Denis McCarthy. Dungarvan defeated Cappoquin in another good plate final.

In the Under 8 tournament group A consisted of Lismore, Dungarvan, Mt. Sion and Cois Bhride with Dungarvan heading the group and Lismore runners up. Group B consisted of Brickeys, Ballygunner, Cappoquin and Na Piarasigh. Cappoquin had wins over Ballygunner and Brickeys lost out to the table toppers Na Piarasigh who qualified for the tournament final with Cappoquin being runners up and qualifying for the plate final. Na Piarasigh defeated Dungarvan in the tournament final and a last minute score saw Lismore edge out Cappoquin in the plate final by a point in a thriller. The Cappoquin/Affane juvenile club would like to thank the following - the ladies who provided refreshments, the clubs who turned up on time and made for two excellent tournaments, the young refs who did a tremendous job, Cathal, 'Big Al', Pat, Dan, Eoin, Johnny 'Burger' and Rodney. Also a big thanks to 'Fran Mangan Construction' on sponsoring the medals for the U10 tournament.

Cappoquin U10 panel: Darragh Fives, David Caha-

lant, Ross McLaughlin, Andrew Martins, Philip O'Rourke, Liam O' Gorman, P.J. Curran, Brian Crotty, Evan McGrath, Patrick O'Connor, Mike Devine, Damien Murphy, Dillon O'Connor, Brian O' Donoghue, Dean Whelan.

Cappoquin U8 panel: Shane Dunne, Shane Murray, Colin Murray, Conor Murray, Denis Meaney, Eoin Leahy, Luke McLaughlin, Shane McCarthy, Killian O'Sullivan, Adam Kavanagh, Niall Fives, Jean Pierce, Joe Fitzgerald, Brian Murphy, Dan Kelleher, David O'Brien.

### All Ireland Hurling Semi Final

Anyone looking for tickets for the Waterford v Clare or Galway semi final contact Mary Coughlan (club secretary 54094) not later than this Friday July 26th.

### 'The All About Waterford GAA Quiz'

Railway Bar, Thursday August 8th is all about Waterford hurling and football past and present, questions about your county teams, your clubs, great victories and some defeats too. Entry fee 20E per team. Join the banter and the build up for Waterford's big match at Fawltys.

# Waterford Co. Council Calls For Greater Care From Householders When Sorting Their Recycling

Co Waterford's ground-breaking recycling scheme has been an unqualified success. Over the first nine months of the scheme there has been a steady increase in the amounts of recyclables collected. Mr Denis McCarthy, Director of Services for Planning and Environment with Waterford County Council, says that the Council is happy with the level of participation in the scheme, which is just shy of meeting the government's recycling targets of 35% for municipal waste.

Samshire Recycling Ltd is the Council's agent for the processing of recyclable goods collected from households, shops and businesses across the county. Approximately 150 tonnes of household recyclables are now collected and processed at their recycling factory in Lismore every month. These materials are then sold on to a range of different markets in Ireland and abroad. Plastics and metals are reprocessed into new products, shredded newspapers are reused for animal bedding, and cardboard and paper are recycled into paper and card. All of these markets have exacting requirements for pure uncontaminated raw material. However, the quality of material that Samshire Recycling can supply is dictated by the quality of material collected from households and businesses around the County.

According to Mr Graham

Staff at Samshire Recycling Ltd, Lismore, checking the quality of household recyclables.

Leake, of Samshire Recycling Ltd, there has been a decline in the quality of material in household recycling sacks over the past few months. This means that a greater amount of material is being disposed to landfill than at the beginning of the scheme. Mr Leake said "some of the recycling sacks have contained glass, which once broken destroys the usability of papers. Others have contained food waste, which means the whole load has to be dumped. Apart from the loss of recyclables this contamination also presents a danger to staff as they process the material". He added "most householders have been cooperating by washing out food containers

and this really improves working conditions for our staff".

At the start of the Recycling scheme last November, all householders were issued with a recycling calendar and a list of what is and isn't acceptable for the recycling collection. The Council is currently running an advertisement campaign in the local media that calls on the public to redouble their recycling efforts and to take care to avoid contamination of their recyclables. Mr McCarthy said "the Council's phone lines, 058 22000, are open to anyone who has queries about the recycling scheme or for first time recyclers to get involved in the scheme".

## The Science of Farming and Food

### Think Safety and Take Action

#### Public Safety:

- Ensure that there is good visibility at access points onto public roadways.
- Ensure that livestock fencing and gateways along public roadways are stock proof.
- Ensure that public roadways are kept free of hazards. Place warning signs on the road margins when farm activity is in progress. Vehicles and equipment should comply with the Road Traffic Acts.

#### Whole Crop Cereal Silage

A very informative and well attended Open day was held jointly by Teagasc and Seedtech in Kilmacow last week. Lots of information was available on managing, processing and ensiling wheat, barley, triticale, maize and peas as well as moist grain preservation through crimping, urea treatment, caustic treatment and inoculate treatment.

#### High yielding gain crops required

The crop is cut when the grain has reached a "cheesy" texture and is about 35% Dry Matter. It can then be ensiled as for conventional grass silage.

1. Whole crop silage must be produced from high yielding grain crops with good crop husbandry practices employed. There must be a high proportion of grain relative to straw in the crop.
2. The aim is to have at least 20% starch in the harvested crop.
3. Experiments carried out at Teagasc Grange showed carcass gains were 21% lower on grain whole crop wheat silage than on good quality grass silage (74% DMD) and carcass gain was 19% higher on high grain whole crop wheat silage than on good quality grass silage (74% DMD).

#### Beef Cattle

Recent experiments at Grange have shown a poorer apparent conversion of fed dry matter to carcass gain with whole crop silage than with grass silage. This is important when costing the attractiveness of the different options on a farm.

- Fermented whole crop of wheat silage fed alone or mixed with grass silage increased carcass gain. Urea treated whole crop wheat silage increased carcass gain, when mixed with grass silage but not when offered as the sole forage.
- A good crop of winter wheat should produce 5 tonnes DM per acre, compared to a two cut grass silage system producing 4.0 t DM per acre at 20% DM.
- Feeding 100% of the forage DM as whole crop cereal silage will result in a concentrate saving of 2 kg /finishing animal per day.
- One acre of whole crop wheat will feed 5 finishing cattle for 120 days on whole crop wheat silage as the sole forage.
- Whole crop cereal silage needs to be correctly balanced for the low protein (8-10%) and mineral content.
- UK data suggests that, as with maize silage, cattle fed crop cereal silage remain cleaner compared with cattle fed on grass silage.

#### Dairy Cattle

There is no Irish research data on the feeding of whole crop cereal silage to the dairy cow. Teagasc, Moorepark will begin studies on this subject in the forthcoming winter feeding programme. Studies from the UK/Denmark suggest:

- High forage intakes are achievable where whole crop cereal silage (fermented or

urea treated) is included in the forage component of the diet.

- Intake and milk production appear similar for fermented and urea-treated whole crop wheat silage.
- Both forms of whole crop cereal can support milk yields and composition comparable to that achieved with good quality grass silage but not as good as other feeds including maize silage, fodder beet and brewers grains.
- As maize silage, whole crop cereal silage made without urea addition is likely to require additional supplementation with protein-rich concentrates.
- One acre of whole crop wheat will feed 6 cows for 120 days at 50% inclusion in the forage DM.
- Based on the UK data, the decision to grow whole crop cereals for ensiling in place of grass silage should not be based on the expectation of higher milk yields or improved milk composition where adequate good grass silage can be made. Other factors, such as site suitability, production costs and forage quality should be considered. The effect on farm profitability is the ultimate decider.

# Environment Is Major Driving Force Behind CAP Review

by PADDY SMITH

It came as no surprise that the betterment of the environment was listed as one of the 10 aims of the mid-term review of the CAP when the document was eventually published earlier this month.

Although it was eighth on that list of 10, the subject actually got a strong mention in the very first aim, which states that the review proposes to focus farm supports to reward our farmers for their environmental, food safety and quality or animal welfare services. For the record, number 8 said the review would "reinforce compliance in the farmed environment, with fewer environmentally damaging incentives and more environmentally friendly services."

There are many aspects to the review that did not get much publicity in the immediate aftermath of the publication of the review document - and the environment is certainly one of the aspects that did not attract much attention, competing as it was with other more controversial aspects such as decoupling and dynamic modulation.

Although at this stage the review is short on detail (this

will be provided, we are promised, in November), it is clear that even in Ireland, with its "clean and green" image, urgent steps must be taken to safeguard and even improve the environment - and that people in agriculture should not be surprised to find themselves targeted in any efforts to do so. The recently published report of the Environment Protection Agency, Environment in Focus, 2002, put it bluntly: "Agricultural activities remain a major source of pressure on the environment, particularly as the sector has become more intensified and specialised. It is the sector where the need to balance the three dimensions of sustainable development (economy, environment and society) is most evident." The report goes on to note that gross agricultural output - one of the indicators for measuring environmental effects - decreased steadily between 1995 and 1999 and increased somewhat in 2000. It also notes on the positive side that in the late 1990s levels of fertiliser sales, emissions of greenhouse gases and pollution levels in rivers began to fall. Energy use in agricul-

ture, although constituting a small proportion of the overall energy consumption in Ireland, rose by 16 per cent between 1995 and 2000, it says.

In its review, the Commission proposes to add a new chapter to the Union's rural development regulation to encourage farmers to participate in quality assurance and certification schemes, including geographical indications and designation of origin and organic farming. There will be support for producer groups to promote these agricultural "products." The Commission says it proposes the introduction of a chapter, "Meeting Standards," to help farmers financially to adapt to demanding standards based on EU legislation in the field of the environment, food safety and animal welfare as well as implementing farm audits. It also proposes to introduce into the agri-environment chapter the possibility of offering animal welfare payments for efforts that go beyond a mandatory reference level, in line with agri-environment schemes. The rates of these aids, it says, would be increased by 10 per cent, to 85 per cent in

Objective 1 areas and 60 per cent in others.

Agenda 2000 really put the spotlight on environmental aspects of farming by putting the integration of environmental goals into practice. But, says the Commission, there remains considerable scope for further improvement.

Implementation of statutory requirements remains uneven throughout the Union, and to date little use has been made of cross-compliance mechanisms.

The focus in some cases has been on direct support rather than on promoting more environmentally friendly types of farming.

Linking direct payments to production has certainly not been about bettering the environment because, as the Commission says, the existence of headage payments can, for instance, encourage f livestock that they might not otherwise keep.

The environmental aspect of the review is of major interest because it will be one of the driving forces behind the entire review, no matter how modified the proposals are by the time they are adopted sometime next year.

# ACTION NEEDED ON CATTLE PRICES

"Immediate action is required to reverse the recent drop in beef prices of 14c/Kg. Given that the UK market is our principal market and prices have strengthened there during 2002, there is absolutely no justification for the current price cuts. The meat factories are simply taking advantage of the increased supply of cattle", said Mr. John O'Leary, Chairperson of ICMSA's Beef & Cattle Committee.

"I am calling on the meat processors to immediately reverse their price cuts. If factories don't respond immediately, ICMSA believe the Minister for Agriculture & Food should meet with meat processors and insist that they return a better price to beef farmers who cannot afford unjustified cuts," Mr. O'Leary said.

"The Minister will have to defend the position of beef farmers to ensure that the factories pay a fair price. Secondly, given the weakening dollar, the Minister must seek increased export refunds to improve the competitiveness of Irish beef on third country markets. In addition, many of our markets are still closed so a greater effort must be made to re-open them," said Mr. O'Leary.

"An Bord Bia are forecasting a reasonably positive outlook for the remainder of the year. The weaker dollar is not a factor at present given that the bulk of our trade is within the EU. There is no justification for the current price cuts, despite what the processors say and they must be reversed," concluded Mr. O'Leary.

## LISMORE CAMOGIE CLUB NOTES

Our U14 girls Camogie team played their Munster Preliminary round on Monday 8th July in Fethard, Co. Tipperary. They played a very strong and experienced Loughmore, Co. Tipperary team on the night. The following were the girls who played: Kate Heneghan, Janette Moloney, Niamh Quann, Edel Ormonde, Tricia Brodwick, Charlotte Whelan, Shelly Keane, Sandra Prendergast, Danielle Hunter, Jenny Houlihan, Sharon Moloney, Stacey O' Gorman, Christine Twomey, Gemma Tobin, Aoife Fitzgerald, Katie Prendergast.

Our Senior team take to the field on Monday night next 29th of July, to play their county final. Their opponents for this game are St. Annes. We ask everyone to go and support the girls on Monday night in Fraher field at 7:30pm. Good luck Girls.

### Hurling

On Saturday 13th our hurlers and our Volleyball team travelled to Limerick to take part in the Munster finals. We got off to a very bad start when we realised we were missing our full back Lar Byrne due to sickness. We were meeting Nenagh in the semi final. All the boys put in a brilliant effort but were not able to hold off the challenge of a very good Nenagh team. We were beaten on a score line of 2-0 to 1-0.

Team: Dean Pratt, Niall Ahearne, Sean Leahy, Michael Behegan, Shane Heaphy, Philip Bennett, Kevin Mangan, Maurice Shanahan, Raymond McGlone, Brian Bennett, Stephen Mangan, Liam Ryan.

### Volleyball

On Saturday 13th July the Lismore U16 Volleyball team travelled to Limerick University to play in the Munster Qualifiers for Mosney. After receiving a bye from Lisdoonvarna in the semi final, the girls were straight through to the Muster Final, their opponents being a strong Skibbereen team who defeated Fethard in the other semi final.

The girls had a rocky start but soon pulled up their socks to win the first set 15-11. Nicola Morrissey & Tara Dunne served superbly in the first set and Rachel Owens showed her great setting skills. The second set was much closer, but the girls showed their determination and skill to win the set 15-13 and therefore winning the game. Some excellent hitting was performed by Olivia Roche, Laura Buckley and Vanessa Cellise played and excellent setters game.

With the girls now Munster champions, Captain Olivia Roche received the shield on behalf of her team. She will now lead her team to the National finals which will take place in Mosney in late August. Congratulations to the girls.

## LISMORE CRICKET NOTES

Some catching up to be done on the cricketing news as a computer problem caused every thing to grind to a halt, oh for the days of pen and paper!. The weekend of the 13th-14th July saw us play a friendly against Dungannon Cricket Club plus a journey to Tralee to face Kerry CC in the semi final of the Minor Cup. Our game against Dungannon was a last minute arrangement as Dungannon were down to play Clonmel, bait for some reason Clonmel were unable to field a team. Some hasty phone calls between Steve Pendle and David Camplon made sure that Dungannon's weekend didn't end in disappointment. The Lismore side was made up from players from Clonmel plus others from Cork County as well as our own, despite getting beaten we all enjoyed the day. Plans are already underway to have this fixture played every season.

### Minor Cup Semi Final

#### Lismore 115 All Out Kerry 77 All Out

This result has put us in the final of the Minor Cup where we will face University of Limerick. Four players stood out for Lismore in this encounter, batsmen Tim Jackson and Marc Taylor and bowlers Brian Power David Ind and again Tim who scored 33 and took four wickets for twenty. Marc scored 26. Brian Power took three wickets for 23 and David Ind two wickets for eleven. By all accounts it was an awkward game to come to grips with as the grass on the outfield was rather long and the ground bumpy, the problem of sharing the ground with a rugby team all to evident.

### Division Three

#### Lismore 194 for 6 Middleton 104 All Out

Sunday 21st July

Losing the toss Lismore were asked to bat first and were soon into the swing of things, despite the early loss of Winston Boyle run out when the score read eight. Tim Jackson and David Ind sharing a stand of 46 before David fell to a magnificent catch on the boundary off a shot which looked a six all the way. Tim was joined by Mubbin and together they tore into the Middleton bowling sharing a stand of 104 before Mubbin trying to make room for himself was bowled for 39. South African Michael Lynch was next batsman in and this powerful hitter soon made his presence felt and the score raced along before Tim was caught, out for 79. A bit of a wobble came into the Lismore batting Andrew and Sean both failing to score. David Camplon coming in at number eight a ploy to give the Lismore tall a bit of bite gave Michael valuable support before Michael was caught on the boundary David and Ger Kennedy saw out the remaining few overs to see the innings to its conclusion.

Once again Brian Power was our most successful bowler taking 4 for 24 Michael Lynch also had a good day with the ball, containment is also the name of the game in limited overs cricket and this Michael did very well finishing on 1 for 11 off 10 overs. Young William Rotte bowled three balls of his first over and took a smart awkward caught and bowled to close the Middleton innings at 104 all out. Our division three title hopes back on track if we can follow this win with one against Harliquins next week. Come on Marc get fit soonest!

# DUNGARVAN TOWN COUNCIL SNIPPETS

## Camera's And Firearms Have Similar Conditions Under Bye-laws

Dungarvan Town Council has passed new bye-laws regulating the use of playgrounds and pre-schools after taking into consideration submissions from the public.

The council agreed at its April meeting to put the bye laws on public display and advertised and sent them to interested parties such as the Gardaí and placed them on the council's web site.

Two submissions were eventually received with one relating to skateboarding facilities. The submission argues it's unfair to ban skateboarding outright from public parks until facilities are provided for these activities.

While the council concluded that the submission makes a fair point, the council claims there's evidence of abuse of steps, ramps and railings from skateboard users elsewhere, and it would be prudent to ensure a level

of protection for the normal use and enjoyment of parks and open spaces.

Following on from the submission, however, it is proposed to replace the proposed blanket ban on skateboarding with a ban on activities that are carried out "in such a manner as to cause nuisance or annoyance to other users".

The second submission calls on the council to appoint a number of authorised officers to enforce these bye-laws and review its operation. However, the council contended, "enforcement will only be on exceptional occasions".

Having been proposed by Cllr. Michael O'Riordan and seconded by Cllr. Lar Hart the bye-laws include parts which may be hard to police including strict controls over the use of cameras.

Coming under a section on trading, the new laws state

"no person shall in any park or open space use any type of camera for the purpose of business or with a view to a gain, without the permission of the council and subject to terms and conditions of such permission."

Almost the same terms of use are afforded for firearms, airguns, crossbows, catapults and any other weapons which are also prohibited "save with the written permission of the council" with the caveat that they must be "for an approved competition and subject to terms and conditions of such permission".

Games and athletics are also under strict control with no club or organisation permitted to organise or take part in a game of football or any other game save in parks and open spaces set aside for it.

A person who contravenes a provision of the bye-laws will be guilty of an offence

**Cllr. Michael O'Riordan**  
and liable on summary conviction of a fine not exceeding eur1,200. If the activity continues after conviction the person shall be guilty of a further offence and liable to a fine not exceeding eur120 per day.

## BAHAMIAN DELEGATE WELCOMED BY TOWN COUNCIL

Dungarvan Town Council greeted a delegate from the Bahamian Special Olympics team, Amanda Moncur, after the recent meeting of the authority.

Dungarvan will be hosting the Bahamas next year as part of an acclimatisation process before the Special Olympic Games, themselves, take place in Dublin.

Ms. Moncur said she was thrilled to be in Ireland, and was looking forward to bringing the Special Olympic team here.

The Bahamian team have not been selected as of yet although the first part of the process has already taken place and is expected to be finished in August.

She said it was especially appropriate that Dungarvan would be hosting the team as both have a special link with the sea.

"I would also like to thank the town of Dungarvan for opting to enter the host town programme as in my experience the host towns are often the highlight of the entire event for those taking part", she said.

"I also have a link myself with Ireland. My great grandmother came from Cork and I'm proud of my Irish heritage and I'm happy to be home."

## Problems With Parking On Davitts Quay

Plans to prevent car parking on Davitts Quay are being ignored, according to a Labour Councillor at last weeks meeting.

Cllr. Lar Hart said that plans were originally in place to prevent cars parking on the quay but at present people are parking "bumper to bumper".

"It's a shame that we can't do something to stop this from happening", he added.

County Manager, Donal Connolly replied that it was all a matter of enforcement and the council was currently in negotiations with the wardens about staggering their hours "as it is happening more later in the evening."

However, Cllr. Billy Kyne argued that people parking on the Quay should not be hit too hard on their first time as it is the height of the tourist season "and the shops down there mightn't be too happy".

Cllr. Damien Geoghegan (FG) said he had received a letter from an American lady who said, "she couldn't believe that so much money was spent on the quay but parking was still allowed".

**Cllr. Lar Hart**

## Serious Accident Could Happen Outside Crystal Factory

A serious accident could occur outside the entrance of Dungarvan Crystal unless some traffic measures are put in place, Cllr. Nuala Ryan has claimed.

At lunchtime, she said, employees are being collected outside the factory and blocking the view of those leaving the car park.

Cllr. Ryan warned that those leaving were forced to drive out onto the road blind and she was afraid that a serious accident could occur unless something was done.

Suggesting the introduction of double yellow lines outside the walls of the car park, she called on the council to hold discussions with the company.

The County Manager, Donal Connolly agreed to hold discussions and said, "it is something we'll look at in the future".

## Malfunctions At L&N Car Park

The barriers at the entrance to the L&N car park are malfunctioning due to people physically lifting them up to allow entry for their cars, according to Town Clerk Brian White.

On foot of a query about the situation at the car park from Cllr. Damien Geoghegan, the Town Clerk said the council had received a number of complaints about the barriers malfunctioning.

Confirming that they "weren't working as hoped", he said that the engineer had looked at the situation and found a number of problems were occurring there.

After a meeting with the owners of the supermarket it was found that some of the problems had happened when the public put in their tickets upside down, jamming the system while others were physically lifting the barriers.

Mr. White said this has all resulted in the ticket dispensing machines issuing notices saying the car parks were full "when in fact the car park is half empty".

Other problems have arisen when people had received tickets but drove out while the barrier was up following the exit of the car in front of them, Mr. White said.

The situation is currently being looked at, he added.

## MONEYMATTERS

### Teach Your Child to Manage their Own Money

The spending habits of children are being watched by some of the world's largest corporations. Why is this so? Firstly, the children of today will be the consumers of tomorrow. Secondly, this group of the population has the largest amount of disposable income. As the economy continues its strong growth rate and incomes continue to rise, parents are giving their children more money to spend. If your child gets weekly pocket money or for example cash birthday gifts, it can be an invaluable lesson to teach them how to make the best use of it. Letting your child participate in your own budgeting, will help them learn basic financial concepts when they are young. For example - If you are going to make a large purchase and want to shop around for comparative prices, it is a good idea to let your child do some of the research work with you. If you do this consistently they will begin to learn these skills. If this is not done these same children may fall victim to believing that money is an ever present item, even without forward planning.

- As soon as your child begins to understand the importance of money, explain the purpose of it i.e. you need it for groceries, car, clothes, toys etc.

It may be a good idea to give your child money to give to the cashier at the checkout when out shopping. Ask the cashier to hand the change to your child. (If your child is old enough, have them count the change received).

- Play money games with your children at home.

- Teach them the purpose of writing a cheque and where the money comes from. Older children could also open their own Cashsave Account and be shown how to use it.

- Open a saving account at your local Credit Union. Bring your child with you when doing this and explain how the Credit Union works.

- Spend some time watching TV ad's with your children. You may be surprised to see how many of them encourage them to spend or (ask you to spend) money.

- Teach the child how to use credit cards responsibly. Many children believe that credit cards are a way to get 'free' money and so must be helped to understand that the bill must be paid. There are many advertisements that encourage a credit card payment as a very easy method of paying. However the goods still have to be paid for at the end of the day. Show them the receipts when you purchase something, and when the Statement comes show them the corresponding amount on it. This will allow them to make the mental leap from buying the goods in store and seeing the credit card bill at the end of the month.

## KNOW YOUR RIGHTS

### QUESTION

I am working but I find it difficult to get to work due to my disability. Is there a grant available to help me buy a car?

### ANSWER

There is a Motorised Transport Grant available from the Health Board towards the conversion or purchase of an adapted car.

To be eligible for the grant you must have a disability such that you need to make adaptations to a motor vehicle in order to be able to drive it and the motor vehicle must be essential in order for you to make a living. You must be physically and mentally capable of driving and you must hold a full driving licence.

In certain circumstances someone else may be approved to drive for the person with a disability where he/she is not physically or mentally capable of driving. Sometimes the grant may be made to a self-employed person or to a person who has not already taken up employment but would be able to do so if transport difficulties were overcome. On occasion a grant may be made to someone living in a very isolated area even though they may not be in employment.

You apply to your local Health Board for the grant and you must satisfy a means test. The maximum amount of the grant is €4,370.

Further information on entitlements for disabled drivers as well as information on entitlements in general is available in the latest edition of Comhaire's publication "Entitlements for People with Disabilities". Copies are available along with other information from the Citizens Information Centre below.

## JIMMY ROONEY

### APPRECIATION

Ta Seamus O Rúana imithe uainn ar sli na firinne. Go ndeine Dia agus Deuglan Naofa Trocaire ar a anam uasal.

Jimmy Rooney Publican, Farmer, Fisherman, Hackney owner and sportsman took his leave of us and his beloved Ardmore recently.

Yes indeed Jimmy was many things to many people but I will try in this little tribute to confine myself to the man that was Jimmy Rooney the G.A.A. enthusiast. Born in Ardmore in 1910 when football was the only game played in the parish Jimmy took his place alongside players such as Mickie Ryan, Richie Troy, Pierre Foley, Mick Carlton, Mickie Fitzgerald, Henry Reilly etc. when the club was reformed in 1927. And though Jimmy was a fine footballer, hurling would have been his first love when he played on a very fine Ardmore in the late 30's and 40's with players like Mickie Power, Tom and Michael Harty, Danny Rourke, John Carey, John Clancy, Jim Norris etc.. In the early 50's when the club disbanded our players went to neighbouring clubs and a public meeting was held on Sept 30th 1957 to re-form the club. Even though we didn't have 100% support we got going again and Jimmy who was one of the founding members gave us a playing field in Dysert free of charge - a wonderful gesture indeed and when the field was tilled in 1962 he gave us a field in Monea before we moved to Willie Hennessys field in Ardo.

With the passing of Jimmy only three of the founder members remain - Paddy Fahey, Ballinamona, Rev. Wm. Phelan P.E., Dungarvan who was our first Chairman and Pdraig O Foghlu who was our first runai.

In our first championship game in 1958 we had to get assistance of two Knockanore players, one was our full back Garry Moloney R.I.P. who in an effort to protect his goalie knocked Mick Carlton complete with ball into the net for a Kilgobnet goal. Even though some thought it was an accident there was a question of having to walk home so our Sagart Og had to take the boys back to Cnoc an Oir and he got lost as he was trying to get back for the rosary. We didn't have any rosary that evening and some people thought that Jimmy should have said it as he had played a little part in the story. Jimmy's two sons Jim and Noel gave great service to the club. Jim who was a hurler before his time in Ardmore played in all grades of hurling and football for Waterford having perfected his hurling skills in St. Kieran's College, Kilkenny. He has also been a great club benefactor.

Noel who was also a gifted hurler gave great service to Ardmore and Waterford before transferring to Cork where he played alongside the great Justin McCarthy when he assisted Passage.

Jimmy remained a true blue to the end and was fully convinced that Waterford would beat Tipperary and we are sure that he was very close to the action in Pairc Uí Caoimh - such a man was Jimmy Rooney. Away from the real action I can recall binding the sheafs as Jimmy cleared the headlands with a scythe before the arrival of the reaper and binder.

On another occasion we had a go at making a knee stack. It kept going up and up as we didn't have the knack of drawing it in as Jimmy would say. The funny part of the joke was that I had to get a ladder to get him down.

I can remember Jimmy fishing a salmon season on crutches having got a kick in training from a Curragh man in wellingtons. It was thought that he had something in the boots.

Slán go foil Jimmy many people will miss the enlightened chats at the Storm Wall. You always got it straight from Jimmy and you could either lump it or leave it but it was always given with honesty and sincerity. Such a man was our great friend Jimmy Rooney who always made a special case for the people from across the strand agus bfeidir go raibh an ceart agat Jimmy.

Ardmore has indeed lost a great character and a true player. —(P.O.F.)

# Why We Should Vote For The Nice Treaty

**-Cllr. Damien Dillon**

Having spoken to a number of people over a period of time and from what we read in the papers, it seems to be a generally held view that the reason for the last rejection of Nice was because:-

1. We, the electorate, thought the politicians were "trying to pull a fast one".
2. We thought this because we were not given clear and sufficient information, only legalistic gobbledeygook, which even some of the politicians, by their own admission, could not understand.
3. We were not in favour of losing our neutrality.
4. We thought that we would lose out and be a net contributor, rather than a recipient of structural funding.
5. There was the notion that there would be a diminution of our status, through loss of MEPs and commissioners.

On our recent trip to the EU parliament, it was made very clear that everybody there wants Nice, including our own Pat Cox, the President, Gerard Collins MEP, Brian Crowley MEP and Niall Andrews MEP. All were absolutely adamant that we should join. Why would these experienced politicians wish to hoodwink us or for what reason? Of all of the people we met I have to say that Brian Crowley gave the most clear and succinct outline of what it was all about and I have asked him to publish his views, in the manner which he informed us. And I would respectfully suggest to all the parties who are pro-Nice, to publish material that we can all understand, without having to consult a barrister for interpretation and of course we should expect the "no lobby" to do similar.

There are articles in most papers regularly, but they do not give us the nuts and bolts or a logical or rational reason for joining or not joining.

For example would somebody set out in a 'yes column' and a 'no column' the reasons why we should not join, just for some of us ordinary people.

In relation to the questions that I posed at the start of the article, items 1 and 2. I believe our politicians have 'no axe to grind', other than what they perceive as being good for the country and to our benefit in the long term.

Regarding the Neutrality issue, this has been dealt with, by way of a written agreement between Ireland and each of the other states to the effect that our neutral stance, in the event of war, still stands. The cynics argue that this is not worth the paper that it is written on, but I would not mind going to court with this as an agreement or contract! The (selfish) or business question is, what will it benefit us? The answers are full of complexities but the perceived wisdom is that we are better to expand our economic and political sphere of influence rather than allow one of the others powers get in first. My own simple view is that, I hope that anyone who will join our 'club' would have something to 'bring to the party'. And I feel assured that the Germans, French or British will be giving away largess without reciprocation.

Finally, there will be some diminution of our position when the expansion takes place. I have been given to understand that we may lose one of our two commissioners and three of the fifteen MEP's. But at the end of the day, we are looking at a larger club. We, the Irish nation, are held up as being the model of success. We shall, also, (by voting YES) have made new friends and won influence with our new partners and with our existing fellow members who gave us the original Celtic Tiger in the first instance.

# Bridie Dee's Win Traditional Irish Music Pub of the Year Award

Traditional Irish Music Pub of the Year Award 2002, in association with Irish Music Bars and the Irish Pub Guide has been won by Bridie Dee's, 18 Mary St, Dungarvan.

As you know, no trip to Ireland is complete without visiting a good pub and listening to traditional Irish music, and pubs that play traditional Irish music are one of the first places a tourist wants to visit on arrival in Ireland. It certainly gets the heart racing. You can see some of Ireland's best musicians and hear songs dating back over a hundred years.

As the largest pub guide on the Internet, www.irishpubguides.com, we receive a steady stream of e-mails from people inquiring about traditional Irish music bars and recommending traditional Irish music pubs which they have particularly enjoyed visiting. Over the last two years many visitors to our website asked us the same question: "Why is there no definitive Irish Music Pub website?" ...well not anymore.

In March of this year the Irish Pub Guide (www.irishpubguides.com) the top-ranking website receiving over a

million hits a year and ranked number one by all major search engines launched the Traditional Irish Music Pub Award and Website in recognition of the best traditional music bars in Ireland.

www.irishmusicbars.com is an exciting new website for award-winning traditional music pubs and bars. The website is designed to be an unrivalled web directory of first rate traditional music bars, with up-to-date information on festivals, sessions, ballads both within Ireland and in Irish communities throughout the world. The Traditional Irish Music Pub of the Year Award and Website highlights the best and most popular venues across the whole of Ireland, places with a great crowd, atmosphere, music and craic where strangers feel welcome and enjoy the delights of a good nights entertainment.

Co. Waterford is one of the most popular destinations in Ireland and Bridie Dee's is, according to the many nominations we received, one of the county's most popular traditional Irish music pubs.

**SELECTION PROCESS**  
We are grateful for receiving so much positive feed-

back from visitors as to their favourite Irish Music Bars. Bridie Dee's was recommended by visitors to our award winning websites. Each bar on our website has gone through a two-stage sifting process. First of all many people contact us about the pubs they have visited. This brings us to the acid test, before inclusion as a main entry each place is visited by a representative of Irish Music Bars before it can be presented with the

Traditional Irish Music Pub of the Year. Bridie Dee's met all our criteria and is a great ambassador for the county.

All credit must go to Eamon Martin and the staff of Bridie Dee's for providing first rate traditional Irish music in pleasant, down-to-earth surroundings.

Mooneys Bar, An Rinn also received a traditional Irish Music Award for 2002 with both local pubs proving popular with German and French tourists.

## P.M. CENTRALISATION - PUBLIC FIRST TO BE INFORMED

The South Eastern Health Board has postponed a vote on the centralisation of post mortem services to the Regional Hospital, Waterford to permit the public to first be informed of the reasons for the move. At a lengthy debate on the subject at last Thursday's meeting of the Board, it was agreed to fully inform the public of the reason why all post mortem services will now be located

in Waterford. Cllr. Tom Ambrose, Clonmel stated that the centralisation of post mortem services was a touchy subject with all of the members, especially from the view of those who lived further away. They had, he said been left in no doubt about the problems of those related to the deceased and their fears about what might happen when a loved one was removed for same.

"We should", he said, "have a very full statement on the reasons for this recommendation. The points of view being put forward by the Coroners should be relayed and explained". He said he knew the South Tipperary Coroner was in favour of Centralisation. He also felt that the view of the Gardai should be strongly presented. People, he said, had a view that the services they had were good enough and they found it difficult to understand why it required a state of the art morgue. He also voiced the fears of undertakers. It was agreed to adjourn the matter until September when everybody would have been fully informed of the reasons for the centralisation.

## RECENT DEATHS

### LATE MR. CHRISTOPHER LONERGAN

It is with deep and sincere regret we pen the death of Mr. Christopher (Christie) Lonergan, Bianconi Drive, Clonmel at the untimely age of fifty six. His passing has come as a devastating blow to his wife and his close knit family. His unexpected passing was all the more poignant by the fact that he had been working up to the day before he died and was looking forward to an Autumn holiday in the sun with his wife but the Lord had other plans.

After his wife and family his big interest in life was coursing, and he often laughed about how as a boy he used to trail after the bigger fellows who would duly send him home. But eventually he achieved his hearts desire, he went up and down the country collecting hares. From them days till the day he died he would always take his holidays in the end of January to coincide with the Coursing Festival.

Son of Ned and Mary Lonergan of Abbey Road, Clonmel, he was one of seven children, four boys and three girls. A keen football follower he was an ardent supporter of Clonmel Town having played himself in his younger years for Anfield United.

In 1969 he married Phyllis Condon, he often recalled the great occasion when all the guests of the wedding backed the winner of the Grand National "Highland Wedding". Christie, a hard working man spent over a decade with Clonmel Foods before joining the staff of Showerings where he worked for a quarter of a century up till his death. Noted everywhere for his good humour and happy go lucky nature on his time off he liked to stroll down the quay and visit the cemetery and of course he would have a flutter on the horses, and as his wife remarked that despite all the studying of form he did not have too many winners.

His remains were removed from Condon's Funeral Parlour, Clonmel to Saint Oliver's Parish Church, Clonmel where they were blessed and received by Rev. Fr. Christopher McCormack C.C. and Rev. Fr. Partholan O'Leary P.P. A guard of honour was provided by the Coursing Club. On the following morning requiem Mass was celebrated for the happy repose of his immortal soul.

After Mass the funeral took place to Saint Patrick's Cemetery, Clonmel where he was laid to rest.

To his wife, son, daughters, brothers, sisters and his many relatives we extend our sympathy.

Ni fhicimid a leithead in ar measc aris.

### LATE MR. MICHAEL GUIRY

It was with deep and sincere regret the district learned of the deeply regretted death which occurred after a long illness borne with true Christian fortitude at Saint Joseph's Hospital, Clonmel on Tuesday 16th July of Mr. Michael (Mick) Guiry, Boolabrien Lower, Ballymacarbry, Clonmel.

Deceased in his late fifties was a member of a well loved and respected Fourmilewater family, the Guiry's of Boolbrien. When Mick was in his teens

his father John passed to his eternal reward leaving the charge of a farm and its stock to a young boy, his sisters and his mother.

In his early years he took up employment felling timber and removing it to the road side. At this job he was a trojan worker, for he had the gift of how to do it. When a days work was over he would visit the local for a drink and a chat and to discuss the topics of the district.

In 1970 he married and became a kind and loving husband and father to six daughters. His greatest passion in life was for his wife and children. As a neighbour he had few equals, he was always ready to help those in need. He never spoke ill of anybody or he never sought the lime-light or the riches of the world, but he possessed a wealth that many can never buy, he was a genial, compassionate, humble man. Some six years ago his health began to give him trouble and he spent some two years in the Regional Hospital, Cork where he made a recovery.

After returning home one could meet him with as himself used to say 'his four wheel drive', on it he used to visit his neighbour for a chat and to pass the time. Some months ago he was again hospitalised in Saint Joseph's Hospital, Clonmel where despite all the care on Tuesday morning he passed to his eternal reward and his demise has evoked feelings of sincere regret among his family, neighbours and his many friends.

Many tributes have been paid to this fine man but perhaps the finest was paid to him on Wednesday as he lay in repose at his residence by the large concourse of people who paid a visit.

On Wednesday evening his remains after the rosary was recited by Rev. Fr. Patrick Condon C.C., Fourmilewater/Newcastle were removed from Condon's Funeral Parlour, Clonmel to the Parish Church of Saint Laurence of Fourmilewater where they were blessed and received by Rev. Fr. Patrick Condon C.C., assisted by Rev. Fr. Paddy Hallinan, Aughavoullivane retired Australian Mission.

On Thursday at noon, the feast of Saint Camillus of Lellis requiem Mass was celebrated for the happy repose of his immortal soul. The celebrant was Rev. Fr. Patrick Condon C.C., assisted by Rev. Fr. Patrick Delaney, Ballybacon, Rev. Fr. Paddy Hallinan, Aughavoullivane retired Australian Missions, Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena and Rev. Fr. Gerry Condon P.P., Ardfinnan/Ballybacon/Grange. After Mass his remains were taken to his resting place by his six daughters and on a beautiful July day he was laid to rest in the family plot in the adjoining cemetery. Fr. Patrick Condon C.C. with the other clergy officiated at the graveside in the presence of yet another immense concourse of mourners, testifying to the esteem and high regard in which deceased and his family are held. Family, neighbours and many friends wept openly as they mourned the demise of a Christian friend. Fr. Hallinan recited a decade of the rosary.

To his wife Mai, daughters, sisters and many relatives we extend our sympathy.

Go dtugadh Dia solas na bhflaithneas da anam.

## Flies in Your Compost Bin

With the slight improvement in the weather, there seem to be an increase in the number of flies in the Civic Offices Compost Bin. These are fruit flies and are attracted to fruit and vegetable waste, particularly during warmer weather. Keeping your food waste covered at all times will help control them. You could use a good layer of damp shredded paper on top of the bin, tucked right up against the sides of the bin (replace regularly). Alternatively a layer of soil will also do the trick. Because they don't like to bury to lay eggs this cover should keep them away.

## Compost Bin Sales Day

Composting is a great way of getting rid of all your kitchen and garden waste in an environmentally friendly way. After a few months, all your fruit, veg and garden scraps will have rotted down into compost that can then be used in the garden. The Council is selling compost bins, which would normally retail at €60, at the subsidised price of €25.

If you have never composted before and you would like to learn more about it why not come along to one of the upcoming sale days.

Staff from the Environment Section will be on hand during the Sale Days to show what can be put into a compost bin and to show what you can expect to get out of your compost bin after a few months. We are expecting a great turn out so I would advise every one to arrive early to be sure of getting a compost bin.

The sale days that have been planned are as follows:

- Dungarvan Agricultural Show Thursday 25th July.
- Priests Road Car Park Tramore, Saturday 3rd August 10 am till stocks last!
- Rainbow Hall, Kilmacthomas, Thursday 1st August 4pm till stocks last!

## DUNGARVAN - TIPPERARY SOUTH MS NOTES

Our mobile home at Clonea has been beautified by the addition of hanging baskets and tubs of flowers. We are indebted to John Walsh for supplying them and putting them in place. They make a lovely show and add to the appearance of the mobile home. Thank you, John.

Next Sunday, August 4th, all roads lead to Clonmel Arms Hotel, Clonmel where Abbaesque is appearing. The proceeds are in aid of Dungarvan - Tipperary South branch of Multiple Sclerosis. We hope to have a really big crowd - Clonmel is not that far away.

# DISABILITY AWARENESS

## Emphysema What is Emphysema?

Emphysema (also known as Chronic Obstructive Pulmonary Disease or COPD) is a group of lung diseases that are characterized by a reduced ability of the lungs to oxygenate the blood. Emphysema and chronic bronchitis generally occur together. Emphysema usually develops over a long period of time; the small air sacs within the lungs (alveoli) are gradually destroyed, usually by cigarette smoke.

As a result of this, the surface area necessary to exchange oxygen and carbon dioxide becomes inadequate, and patients become more and more short of breath. Chronic bronchitis refers to an ongoing inflammation of the lining of the lungs breathing tubes (bronchi) caused by bacterial infection and, usually, smoke irritation. As the inflammation progresses, the bronchi fill with mucus and grow narrower, hindering the flow of air. This results in a chronic cough, as the body attempts to rid itself of the excess mucus that is irritating the lungs.

## What causes emphysema?

The main causes of emphysema are cigarette smoking; it is also the main cause of chronic bronchitis. Other causes include environmental pollution and occupational exposures, and there is one form of emphysema due to a genetically linked enzyme deficiency (alpha-1-antitrypsin). It has been proved by scientific research that the normal lung has a remarkable balance between two classes of chemicals with opposing action. The elastic fibers in the lung allow the lungs to expand and contract. When the chemical balance is altered, the lungs lose the ability to protect themselves against the destruction of these elastic fibers. This is what happens in emphysema.

## Treatment for emphysema:

There is no cure for emphysema, but the treatment available to patients is to provide relief of symptoms and prevent

progression of the disease. Some of the treatment available includes the following:

- To stop smoking
- Environmental Control - exposure to air pollution, dust, and secondhand smoke should be avoided where ever possible
- Bronchodilating Medications - these medications relax the air passages in the lungs, they lead to improved breathing
- Anti-inflammatory Medications - since emphysema involves a chronic inflammation of the lung tissue, medication is used to reduce lung irritation

Supplemental Oxygen - this is prescribed if the patient cannot maintain acceptable oxygen levels on their own, the supplemental oxygen will help to assist their breathing

New advances in the treatment of emphysema include surgery called lung reduction surgery, which is a surgical procedure, which involves the removal of diseased and damaged regions of the lungs so that the normal tissue can function better.

Maintaining overall good health habits, which include proper nutrition, adequate sleep and regular exercise will help to build up stamina and resistance to infections. If you require any further information regarding emphysema, please contact our office. # IN MEMORIAMS

**CONDON** — Eleventh Anniversary — In loving memory of my dear Mam, Nora Condon, Parkdota, Tallow, who died on July 23, 1991. R.I.P.

Quietly today your memory is kept,

No need for words, we will never forget,

As thoughts go back as they often do,

We treasure the memories we have of you.

(Always remembered by your loving son Jim, grandchildren and greatgrandchildren).

**DUGGAN** — Third Anniversary — In loving memory of William Duggan, 18, Shandon Street, Dungarvan, which occurred on July 21.

God came and stood beside your bed.

He took your hand and gently said,

You've suffered enough, more than you can stand,

You'll come with me to a better land.

You had a smile for everyone,

You had a heart of gold,

You left the sweetest memories,

The world could ever hold.

(From his loving niece Noreen, Eddie and family and Tom)

**FOLEY (née Moloney)** — First Anniversary — In loving memory of my sister, Sheila, late of 32, O'Connell Street, Dungarvan, who died on July 30, 2001. R.I.P.

One year has passed and still we say,

It only seems like yesterday, No farewells were spoken,

No time to say goodbye, A heart of gold stopped beating,

And only God knows why. Our hearts are full of memories,

We treasure them with care,

But the way you had to leave us,

Will always seem unfair.

(Sadly missed by your sister Ann, Jack, Bryan and Carol).

**FOLEY (née Moloney)** — First Anniversary — In loving memory of Sheila, late of 32, O'Connell Street, Dungarvan, who died on July 30, 2001.

Remembering you is easy, We do it every day,

Missing you is the heartache,

That will never go away.

(Always remembered by her brother Michael, Bernie, niece Maria, Tom and grandnieces Michelle and Clodagh).

**FOLEY** — Treasured memories of my dear sister, Sheila Foley

**FOLEY (née Moloney)** — First Anniversary — In loving memory of my daughter Sheila, late of 32, O'Connell Street, Dungarvan, who died on July 30, 2001. R.I.P.

Anniversary Mass for Sheila on Saturday, July 27, at 7.30 p.m. in Touraneena Church.

Memories are like leaves of gold,

They never tarnish or grow old,

No more tomorrows for us to share,

But yesterday's memories will always be there,

No words can say, or tears express,

The love, the loss, the emptiness.

(Sadly missed by your mother, Mollie).

And a million silent tears. You showed us love and kindness,

With a love few families share.

Someday we will meet again, Where sorrow is unknown,

We will fold our arms around you,

The cheerful, happy ways, Lonely is the home without her,

If we could have her back again.

In dreams we see her smiling face,

And kiss her tender brow, But in our aching hearts we know,

# ABBEYSIDE TOPICS

Pictured above and below is Ardmore and Waterford star forward Seamus Prendergast, visiting Abbeyside/Ballinacourty GAA Hurling Summer Camp with the Munster Cup.

## BALLINACOURTY JUNIORS TRIUMPH IN RE-PLAY

Ballinacourty travelled to Stradbally on Saturday evening last to do battle with Kilrossanty as a result of the drawn encounter a week earlier. And a battle it was as both teams contested every ball right to the end. That 'Courty won by a point was a source of satisfaction to players, mentors and supporters alike but Kilrossanty could justifiably argue that they at least deserved another draw.

Michael Cosgrave opened the scoring when he pointed a free but Stephen Prendergast replies for Kilrossanty also from a dead ball situation. The play flowed from end to end but a number of frees

were missed on both sides. Eventually Stephen Prendergast extended Kilrossanty's lead from play. David Ferncombe received from Michael Collins and he pointed. A player from each team were sent off as both sides tried to win the physical stakes. Michael Cosgrave's second point gave Ballinacourty the lead at half time.

### PENALTY CONTROVERSY

On the resumption, Stephen Prendergast pointed a free and when Richard Cotter replied for Kilrossanty also from a dead ball situation. The play flowed from end to end but a number of frees

were missed on both sides. Connor. 'Courty won a penalty when the opposition goalkeeper made a dangerous tackle of the incoming Michael Cosgrave who however found the back of the net. The goal should have been allowed as well as booking the keeper.

When the penalty was missed there was no advantage to the green and white.

Michael Cosgrave and Dayle Power exchanged points. Again Michael Cosgrave broke through and was grounded inside the area. 'Penalty' we shouted. The referee waved play on. A point by Liam Briggs meant that Kilrossanty had just a

one point lead.

Ballinacourty won another penalty and Gerry O' Connor's kick hit the upright and rebounded into his hands. As a number of defenders and the keeper converged on him he slipped the ball low along the ground to the back of the net. With the time ticking away, Kilrossanty pressed forward and scored a great point from long range.

In the lengthy periods of time added on the Ballinacourty backs defended stoutly but the entire team were delighted to hear the full time whistle.

Final score: Ballinacourty 1-6 Kilrossanty 1-5.

The day will consist of 108 golfers playing golf from 7:00am through to about 8:00pm and most of the golfers taking part will be local players. Players from the three local clubs have indicated their willingness to take part in what should be a great day for the golfers and more importantly for the charities. ### LOCAL PLAYER RECOGNISED

Abbeyside soccer club under age star Willie John Kiely who resides in Pinewood took part in the Ireland under 15 squad trials recently. He acquitted himself very well scoring twice and was taken down in the area for a penalty.

Further recognition for Willie is the fact that he was a guest for a week of the Everton Premiership soccer club.

## FINAL TRIUMPH OF THE NEW ORDER

In 1688 the Catholic King James 11 fled from England to France and was replaced by Mary, James' daughter and William Of Orange, her husband, both Protestants.

It was a blow to those of the last of the Irish gentry who had not been restored to their lands after the restoration. They decided to support James in his struggle to recover his throne and restore the old order in some fashion.

The Dungarvan area was untouched by the war. However, in the early winter of 1690 part of a Danish regiment was stationed at Dungarvan.

When Limerick surrendered in 1691, the Irish officers and men could return to their homes without further penalty or else join another army. That meant fighting against the English armed forces on the European mainland. To keep them out of Ireland they were indicated and outlawed. Among these were John Fitzgerald of Clonea; Thomas Fitzgerald of Woodhouse, Stradbally; Col. John Hore of Shandon; Richard Nugent of Cloncoskeran; Terence Bryan (O'Brien) of Comeragh and Peter Anthony of Garrahanane.

# DUNGARVAN GAA CLUB NOTES

## Senior Football Championship

This Sunday evening the 28th of July at the Fraher Field we play neighbours Ballinacourty in the second round of the Senior Football Championship. Having struggled at times to best Kill in the first round, a major improvement will be needed here if we are to progress further in the championship. However, some improved form in our league campaign was encouraging and if we play to our full potential this match could be a close and exciting encounter. In what is a relatively young and inexperienced team, this game is many players first real test of championship football, and hopefully they can acquit themselves well. We wish all the panel the very best of luck. We also ask all our supporters to come along on Sunday evening next and give the lads plenty of encouragement. This game gets underway at 7:30pm.

## Senior Football League

In our latest game of the Senior Football League we had 5 points to spare over Clashmore at Clogherane on Tuesday night last. As this was only our second win so far in the league and with only one game remaining it is now unlikely that we will qualify for the latter stages of the league.

## Intermediate Hurling

On Thursday night last at Clogherane we played Fourmilewater in our last game of the Intermediate Hurling League. Fourmilewater, however, proved too strong and showed the difference in standard between Senior and Intermediate grade. What was also evident from this game is the improvement necessary from us if we wish to compete successfully with the Senior clubs. In the next round of the Intermediate championship we are drawn against the Shamrocks but as yet no date had been set for this game.

## Tourin GAA Notes

### CHALLENGE GAME

We have accepted a hurling challenge game against Youghal for next Friday evening July 26th in Youghal at 7.30pm. Travelling arrangements will be organised at training during the week.

### TRAINING

We are having quite a good turnout at our weekly training sessions. Still we are a small club and require everyone where possible to turn up. I would ask those that are not training to please make the effort.

### CHAMPIONSHIP

We do not yet know who our opponents in the next round of the Junior A hurling will be. But, to be prepared we will be playing a challenge game every week.

### FIELD DAY

Date not yet finalised. Will advertise when the date is decided on.

## Junior Football Championship

On Saturday night last at Bushy Park we recorded a good win over the Geraldines in the second round of the Junior Football Championship. We got off to a great start with a couple of early goals which set us on the road to a good victory. We now progress to the next round where we play Clashmore.

Team: Dane Power, Eamon Morrissey, Shane Hayes, Ger Cusack, Dermot Dee, Damien Power, Richard Ferncombe, Derek Truman, Alan Simms, Barry Power, Mark Coles, Trevor O' Mahony, John John Ferncombe, David Burke.

Subs: Michael Sullivan, Mossie Joyce, Colin Cunningham, Kealin Flynn.

## Minor Hurling

At half time we led 4pts to 1pt against Fourmilewater at the Bushy Park venue. Shortly after the break Fourmilewater were level and then goaled to send them into the lead. At this stage our challenge seemed to be disintegrating but somehow the team clawed their way back into the game. At full time the sides were level at 1-9 a piece.

Team: Dane Power, Tony Sheridan, Stephen Kiely, John Cass, Eddie Fitzpatrick, Shane Hayes, John Paul Tutty, John O' Donnell, Nicky Donnelly, Brian Bannon, Ricky Tobin, Jamie Nagle, Justin Houlihan, Joe McGovern, Jonathan Regan, Tom Stack, Darren Hamilton, Christopher Troy, Shane Whelan, Padraig Cullen, Alan Tobin, Emmett Mullally, James Dalton.

Our next and final game in this championship is vital. A win over St. Oliver's is necessary if we are to qualify for the knock out stages. The game will be played on this Wednesday July 24th, at Bushy Park. Throw in 7:30pm.

## Minor Football

Our U18 footballers got off to a good start in this game and led 2pts to no score after fifteen minutes. However, a Brickey Rangers goal was the crucial score of the half and our opponents led at the break 1-3 to 0-2. In the second half a Dungarvan goal left only 2pts between the teams but Brickey Rangers regained the initiative and won on the scoreline 2-9 to 1-4.

Team: Noel Buckley, John Stack, Stephen Kirby, John Cass, Eddie Fitzpatrick, Jonathan Shaw, John Paul Tutty, Shane Hayes, Barry Power, John O' Keeffe, Nicky Donnelly, T.J. Crotty, Jonathan Regan, Dane Power, Kealan Flynn, Alan Tobin, Brain Cliffe.

Our last game in the series will be against Kilrossanty on July 31st at the Stradbally venue.

## Deise Development Draw

This month's Deise Development Draw takes place this Friday night the 26th of July courtesy of the Clonea-Power club. We wish all our subscribers the very best of luck in the draw, and hopefully this month we can produce some winners. As always many thanks to all our subscribers for your support of the draw.

## Referee

Club committee member Jackie Murphy had been appointed referee for the ladies Munster Senior Football semi final between Clare and Cork which takes place in Killarney on Sunday afternoon next. We wish Jackie the very best of luck and are confident that she will do a splendid job.

## Golf Classic

Our Golf Classic ran until Sunday night so the club notes had already been submitted before I had all the prizewinners and details of the presentation. I will have full details on the Classic next week.

## U8 Hurling

Last Saturday morning our U8 hurlers headed off to Cappoquin to participate in the host clubs tournament. As this was their first venture in a competitive event needless to say they were excited and keen to do well. Our first game was against Cois Brid and after a tight game we managed to emerge victorious. Our second game was against Lismore and once again we came away with a win. On our third and final game we played Mount Sion knowing that a win would guarantee a place in the final. That was the incentive we needed as we went on to beat

Mount Sion and a final place against Na Piarasigh. Unfortunately the Cork lads proved too strong for us and we went under on a 3 goals to 1 scoreline despite the tremendous effort we put in. Indeed great credit goes to the lads for a great days hurling.

Panel: Darragh Fitzgerald, Glen Power, Rian Crotty, Conor Regan, Cathal Curran, Gavin Power, Ryan Donnelly, Lee Hyslop, Timothy McGrath, Denis Kirwan, Mark Power.

## U10 Hurling

Our U10 hurlers were also in Cappoquin last Saturday morning as an U10 tournament was also taking place in conjunction with the U8 one. Our opening game was against Ballygiblin of Cork. Despite a sluggish start we went on the eventually overcome the Cork lads challenge. Our second game was against Ballygunner where we didn't play as well as we are capable of doing and hence the reason for a one goal defeat to the Gunners who incidentally went on to win the competition. Our third game was against Cois Brid with the winners guaranteed a place in the plate final. We managed a win and in the plate final we played Cappoquin. We got off to a great start and maintained our advantage right to the final whistle to win the plate again which we also managed to achieve last year.

Panel: Darren Duggan, Brendan McCarthy, Nigel O'Rourke, Craig Barry, Luke Egan, Eric Duggan, Colm Curran, Sean Ryan, Ian Sheehan, Adam Kelly, Richard Walsh, Damien Coward, Shane Hickey, Michael McGrath, Michael Power.

Our thanks to Cappoquin for the invitation to both tournaments and to those who provided transport to the venue and home again in what was quite a long day.

## Cois Bhríde C.L.G. Portlairge

### ST. OLIVER'S U-14 HURLING TOURNAMENT

Our under 14 hurlers finished off their season for this year by taking part in the St. Oliver's U-14 Hurling Tournament on Saturday last. This was a very enjoyable day out with some great hurling served up by the four teams involved, Cois Bhríde, St. Oliver's, Brickey's, Glenshesk (Antrim). It was a beautiful day in sun drenched Aglish and thanks to the marvellous organisation by Michael Phelan everything went like clockwork. Cois Bhríde unfortunately didn't get to the final where the host club St. Oliver's beat Glenshesk of Antrim after extra time in a thrilling game. I would like to thank the organisers for inviting Cois Bhríde to play in this tournament. Thanks also to parents who helped out on the day Sheila and Frank, Maura, Margaret and Tommy Feeney.

I would like to say well done also to this U-14 panel of players who all through the Western and County campaign this year gave a 100% commitment to the club. They played some awesome hurling throughout, some times against all the odds.

They trained and played all their games without question and were a credit to club and parents. I would also like to thank all the parents who helped during the year driving to matches etc. Well done to everyone concerned.

Panel Sean Lawlor, Oran Fitzsimons, Jason Aherne, Diarmuid Aherne, Keith Hallahan, Shane Harnedy, John Smith, Stephen Power, Cathal Herlihy, Tomas Ryan, Ken Kearney, Martin O'Connor, Shane Feeney, Kieran Geary, Damien Prescod, Shane Barry, Mark Smith, Barry Moroney, Donnacha Mulcahy, Joey Power, Shane Aherne, Bob McCarthy, Gerard Heffernan and our mascot Tom Daly.

### MINOR HURLING

Our minor hurlers took on Lismore last Tuesday in Lismore. Cois Bhríde got off to a very bad start with three goals in the first 10 minutes being conceded. When we eventually settled down in the second half and started to play hurling we out scored Lismore.

### U-10 BLITZ CAPPOQUIN

Cois Bhríde U-10 hurlers played 3 games in the Cappoquin organised blitz on Saturday last. Again this was a very enjoyable day out for all concerned. Our opponents were Ballygunner who beat Cois Bhríde in the first game, in the second game against Ballygiblin we had a very convincing win but we lost to a very strong Dungarvan side in the third game.

Team; E. Roche, Aaron Pratt, Roy Barry, Edward Lonergan, Joe Leahy, Brian McCarthy, Dean Hennessey, Evan Sheehan, Stephen Barry, Alan O'Riordan, Shane Roche, K. Fraher.

Well done to mentors Eamonn and Rachel.

### BEST WISHES

Best wishes to John Geary (Snr) who is currently in hospital. John is one of the great hurling followers around these parts. A speedy recovery also to two of our U-16 hurling team who were injured last week, Tom Feeney and Richie Rohan. The two lads picked up nasty hand injuries in the game and are both strapped up but knowing these two tough lads they will be back swinging the camán soon.

### COIS BHRÍDE UNDER 16 HURLERS

#### Cois Bhríde 2-4 Cappoquin 1-11

In our second game of the under 16 County League Cappoquin were the visitors to Tallow. With both teams unbeaten in the league a real cracker was to be ensured. Both teams didn't leave their supporters down and on six times during the game the sides were level. But with Cappoquin taking some fine points and Cois Bhríde finding it hard to break down their outstanding defence they ran out winners with four points to spare. Cois Bhríde; Kevin Henley, Tom Feeney, Brian Harnedy, Paul Forbes, Pádraig O'Brien, Owen Ahern, Alan Giles, Eric Hickey, Eamonn Forbes, Peter O'Connor, Mark Sutherland, Michael Curley, James Hampton. Subs all used. Aidan Daly, Richie Rohan, Vincent Hickey and Jamie Tobin.

Both Jamie and Alan picked up injuries during the game and we wish them both a speedy recovery.

#### Cois Bhríde 3-11 Passage 3-4

Passage made the long trip to Tallow to play us in our third match of the under 16 County League. After beating Portlaoise and losing to Cappoquin a win here was vital to keep us in the running for honours. After a bad first half where we conceded 3-3 our lads got their act together and ran out winners by seven points. It was good to see we got our points total into double figures for the first time this year. Team; Kevin Henley, Tom Feeney, Brian Harnedy, Paul Forbes, Richie Rohan, Owen Ahern, Pádraig O'Brien, Eamonn Forbes, Peter O'Connor, Colin Savage, Luke McCarthy, Ken Kearney, Aidan Daly, Michael Curley, Mark Sutherland, Sub used Michael Smith.

## DIG DEEP, AIM HIGH

### WATERFORD'S HURLING SONG NOW ON SALE

Last Friday saw the release of Waterford's latest hurling song "Dig Deep, Aim High" recorded locally at Bedroom Studio, Waterford's newest recording outlet. Written by John Hayes, Music by David Hayes and engineered and sung by Richie Hayes with guest musicians Michael Coughlan on guitar and Tommy Keating on tin whistle and flute.

After getting much air play on WLR the reaction has been very positive with demand for it all over the City and County. With proceeds from the sale of the CD going to the Waterford's Hurlers Players Fund, it's a great way to support and get behind the team on the road to Croke Park. After their historic win over Tipperary in Cork, Waterford's wait to be Munster Champions was over after a 39 year absence, so the song is a tribute to Waterford hurlers past and present.

Packaged as a souvenir CD including the team photo, this is a must for everyone young and old. Available from most music stores in both Waterford and Dungarvan and in official GAA shops from Friday at just €5. The CD was officially launched at Sinnotts Music Store, Michael Street, Waterford on Friday last.

## MUNSTER FINAL MEMORIES 2002

By FINTAN WALSH

On the thirteenth of June two thousand and two,  
To Pairc Uí Chaoimh Cork, the crowds travelled to,  
For the Munster Hurling Final a great sporting day,  
With Tipperary and Waterford the teams on display.

Tipp has thirty six titles won to Waterford's five,  
But this year Waterford hopes were very much alive,  
'Twas thirty nine years since they last won the crown,  
Would this be their day could they hurl Tipp down.

Over forty thousand people were there for the game,  
From all over the Deise in their thousands they came,  
The President of Ireland was among the large crowd,  
She met with both teams, they all shook her hand.

The parade of the teams made a great atmosphere,  
With the fans waving flags the throw in was near,  
The whistle then sounded, the crowd roared and roared,  
Urging on their own stars that they all adored.

Paul Flynn had the first score, he pointed a free,  
Tipperary soon replied their forwards sent over three,  
The All Ireland champions were now in top gear,  
In another few minutes they went four points clear.

But the Waterford boys kept on chasing the ball,  
Sending over two points as they gave it their by all,  
Tipp responded again with two more o'er the bar,  
Again Waterford replies with one more from afar.

In the sixteenth minute came a twenty metre free,  
Up stepped Paul Flynn, the crowd waited to see,  
He lifted the ball and like a rocket it went,  
To the back of the net, the sliothar was sent.

Approaching half time Waterford were two points in front,  
Then a twenty metre free they had to confront,  
Tipp's Eoin Kelly took the shot, a goal he did score,  
At half time Tipperary were a point to the fore.

The second half began of this ding dong affair,  
Each side scored four points, both still very much there,  
Waterford added two more but Tipp kept in the hunt,  
Benny Dunne scored a goal, they went back in front.

Waterford came back with three points on the trot,  
But Dunne struck again with another fine shot,  
The game was a cracker, the scores now the same,  
Entering the last quarter who would now win the game.

A long range Waterford free goalie Brenner did take,  
As the Tipperary backs faced it, one made a mistake,  
Tony Browne got the ball then picked out his spot,  
He rattled the net with a bullet like shot.

All the Waterford forwards now started to roll,  
With points from all angles they took over control,  
Into Injury time they had gone eight points clear,  
The ref looked at his watch, the end was near.

As the final whistle sounded 'twas a wonderful sight,  
Many Waterford fans stood there, just crying with delight,  
After thirty nine years the Munster final was won,  
What a wonderful job this great team had done.

Captain Fergal Hartley then was called to the stand,  
He came back down with the cup in his hand,  
All of the team then ran 'round the ground,  
With the cup on high to a deafening sound.

'Twas a memorable day for all who were there,  
Especially for the players who served up such fare,  
Manager Justin McCarthy on his own "Banks of the Lee",  
Was a proud man indeed, this great victory to see.

To the whole group involved with this fabulous team,  
A big thank you to all for fulfilling a dream,  
After forty three years can the second dream come throu',  
A third All Ireland title for the white and the blue.

COACHING  
SCHEME NOTES

## LAST WEEKS CAMPS

Last weeks camps were held in Lismore and Ballyduff upper. Jimmy O' Gorman and Sean Prendergast looked after us in Lismore where the camp was smaller than previous years with lot of younger children attending, which is always nice to see. In Ballyduff, Gretta Kearney, John Jackson and David Flynn ran the show and we had a great crowd.

## VISITORS

Waterford's Seamus Prendergast visited both camps and he was a great hit with everyone. In Ballyduff on Thursday Waterford Team selector Seamus Hannon arrived with the Munster Cup to the delight of everyone and many parents turned up on this historic occasion. Many of these parents weren't on this planet the last time this cup was in the county.

On Friday 4th, we went to Modeligo pitch to give a coaching session to a group of Antrim children who were down as guests of St. Olivers club. They were joined by a group of lads and girls from St. Olivers and we had a very lively session with everyone interested in improving the basic skills. On Saturday morning, it was back to Aglish to watch a marvellous U14 4 team tournament when St. Olivers, The Brickeys, Cois Brid and the lads from North Antrim, Glenshek. Each team played 3 games each. In the Div 1 final Glenshek drew with Waterford Div 2 champions in a thriller. Div 2 final saw the Brickeys beat Cois Brid. All the games were keenly contested with barley a puck of the ball between each team. Well done to St. Olivers for organising a fine tournament making the Antrim people so welcome in the Deise County.

## U15 HURLING SQUAD

All players who were on last years Tony Forristal and Johnny Walsh U14 teams, plus lads who missed out for any reason are asked to be at the Fraher Field on Saturday morning next July 27th. This team will be travelling to Cork shortly for the Carrigdoun & Cork Examiner inter annual tournaments.

## NEXT WEEKS PROGRAMMES

Summer Hurling camp in St. Olivers. Venue Aglish GAA pitch 29,30, 31st July.

Former Waterford senior hurling star, Seamie Hannon, who is a senior hurling selector, brought the Munster S.H. Cup to his home camp last week in Ballyduff Upper. Many parents turned up to see it and it certainly made the day for everyone. Seamie gave a great talk to all the children and they enjoyed it.

## MINOR HURLING:

## Lismore v. Abbeyside

This is the only match listed for the 'A' minor hurling championship in which only three teams will participate. This is being played on a 'home and away' basis and this evenings match will be played in Abbeyside. Last week, Lismore defeated Cois Bríd on a score of 7-7 to 1-11.

## LATE ALICE MURRAY

Our very sincere sympathy is extended to the Murray family of Ballintaylor on the death of their mother the late Mrs. Alice Murray. The Murray family involvement with the Brickey Rangers is there almost since the foundation of the club. She was mother of Mairead, Eileen and Kay and their brother Patsy. To those and to her sister Josie, we offer our sympathy.

## JIM HALLAHAN R.I.P.

Geraldines J.F. Western Champions 1954 — (back row, left to right): T. Fenton, M. Doocey, G. Carty, B. Scanlon, M. Bailey, P. Ronayne, T. Ahearne, P. Hallahan, P. Morrissey, B. Hallahan, T. Crowley, W. Begley, M. Hallahan, B. Ronayne, Fr. D. Slattery, N. Mernin, P. Kenneally, V. Freeman, J. Hallahan, L. Lee, N. Power; front: D. Barry, T. Brien, J. Lewis, T. Connell, J. Kiely (capt.), T. Mernin, M. Keating, J. Osborne, T. Riordan, J. McGrath.

"Hal" as he was very popularly known, was truly one of the 'greats' in the Geraldine's club and there was understandable mourning among his very many friends, not only in the club, but throughout the mid west Waterford area when news of his death became known last week.

Jim played a leading role in the formation of the club, played a major part in the winning of hurling and football championships with the club and after retiring as a player his association with the Geraldines remained as solid as it was in his playing days.

He was a hurler from his boyhood days and when there was no club in the village, himself, Paddy Kenneally, the late Mick Keating and Johnnie O'Brien (father of well known singer Paddy O'Brien), all played with St. Patricks, Knockanore (now Shamrocks) and helped them win their first championship in 1947. The problems associated with travelling to Knockanore and returning across the Blackwater gave them the idea of having a team in their own parish. In 1950, the Geraldines was formed with Patrick Morrissey as chairman.

Playing at centre half back in hurling he proved himself to be a leader as well as a splendid hurler. He helped Geraldines to win the junior football championship in 1955 and the junior hurling in 1956. He played a role on the intermediate team which lost to De La Salle in the county final in 1965. Jim also played in the senior football final against Kill in 1965 and had played intercounty junior and intermediate football and hurling for the county.

He was a wonderful conversationalist who would never tire of talking about great club games and the great players like Tom "Stylo" O'Riordan, the clubs renowned goalkeeper Johnnie O'Grady, Paddy Kenneally, Bunny Ronayne and many others. These and very many others were present in the guard of honour when he was being laid to rest. Old players from clubs from all over west Waterford were also present to pay their final respects.

"Hal" will always be remembered as one of the legends of the Geraldines Club, and deservedly so.

To his brothers Mike and Billy and sister Eileen we offer our deepest sympathy.

## Super Mac's Awards

The under 14 Super Mac's Player of the Match took place on Saturday evening last in Super Mac's. Paul O' Brien of Super Mac's said

that they were once again delighted to be involved with sponsoring the County under 14 hurling championships. Others present at the Awards night were County Bord P.R.O. Paddy Dunphy, Urban Development Coach Joey Carton, Primary School Representative Brid Cleary, Waterford GAA Supporters Club, Dublin representative Ann Ryan.

The following players received the Player of the Match awards:

## Division 1

Craig Moloney, De La Salle

He received his award for an outstanding performance at full forward in the County Final. He scored two very good goals and his ability to bring other players in to the game was very significant. Craig is under age again next year for the under 14 Hurling

championship.

John O' Gorman,  
Abbeyside

Although John was on the losing team he never gave up. He scored a top class goal in the final. Playing at centre half forward his ability to take on his opposition defence made him the player of the match for Abbeyside.

## Division 2

Stephen Kenefick,  
St. Olivers

Stephen gave a wonderful display of wing forward play in this final. His first touches on the ball were a delight to watch. A lovely striker, his contribution in the game was the main reason why St. Oliver's took the title.

David Moore,  
Dungarvan

He received his award for a top class performance between the posts. While not their regular keeper he made

many fine saves during this final and continued to find his own players with well placed clearances.

## Division 3

Shane Kearney,  
Ballyduff Upper

Ballyduff won this game in dramatic fashion losing by a point with one minute to go. It was Shane who cracked home a last minute goal, his second of the game to give the title to Ballyduff Upper. An all round top class display made him the Ballyduff Upper player of the match.

Brian O' Halloran,  
Clashmore

Received his award for a classy display at wing forward. A super goal after halftime and some wonderful solo runs through his opponent's defence were a treat to watch during this game. He is a player with a great future.

## Senior Football Fixtures Resume

The GAC has decided to proceed with as many games as possible in the senior championship and last week they named 5 matches (3 in football and 2 in hurling) that will take place within the next three weeks.

The three football ties will be played on the coming weekend and the two hurling games two weeks later.

The three football games are matches in the winners section and if results are obtained in all three, then three clubs will be ready to play in the semi-finals. The fourth semi-finalist will come from the losers group in which all the defeated first round winners are standing.

### ST. SAVIOURS V. NIRE

This tie will be decided at Fraher Field on Thursday evening when the Nire will likely take the field as favourites to win.

Their two close games with Ardmore will help the Nire very considerably and if they produce the form which saw them score a one point victory over their new rivals, Ardmore two weeks ago, they should win.

St. Saviours, with a number

of very talented players, have been one of the unlucky teams in recent years. Last year, they accounted for Tramore in the first round, but failed against Rathgormack in their next match. They also defeated Kilmacthomas this year.

With county goalkeeper Paul Houlihan (who has been quite impressive in all his matches this season) and Emmett Doherty and the Corcorans, etc., the city team will put up a brave show here, but I doubt if it will prove sufficient to get them through what is sure to be a tough test.

This match will be played at Fraher Field on Thursday of this week.

### STRADBALLY V. KILROSSANTY

Because of their history of titanic battles on the football field, clashes between these clubs in the senior championship, invariably excite the interest of supporters with the result that their meetings attract good crowds.

Here Stradbally will take the field as county champions and hoping to defend their title, but their rating and

present profile will add spice to the challenge from a Kilrossanty point of view. Beating the county champions when old rivals, Stradbally are the holders, will be something special for the Comeragh club.

Because of bad weather conditions, Stradbally had their first round match with Tramore deferred but when played it saw the champions through to the next round and given a date with Kilrossanty in this knockout section of the competition.

Kilrossanty scored a surprise victory over Rathgormack in the first round this year (1-8 to 0-8) and then took on the only group team in the championships, Sarsfield and scored an impressive win here also.

As the losers here go out until next year, it should be a mighty battle for survival. It will go down to the wire, but hopefully it will not finish in a draw. I have a notion that Kilrossanty are going to win here and if they play as well as they did against Rathgormack, this can certainly happen.

This game has been

brought forward from Sunday to Saturday.

### BALLINACOURTY V. DUNGARVAN

This is the lone match fixed for Sunday evening and it will attract a big local following. When they met two years ago there was some controversy about the result in that a penalty goal was not credited to Dungarvan after the goal umpire remained adamant that the ball was kicked wide.

Last year Ballinacourty reached the semi-final and were beaten by Rathgormack while Dungarvan lost to Kill and Kilrossanty.

This year both clubs met the same opponents as last year. Dungarvan defeated Kill (who had beaten them the previous season) and Ballinacourty defeated Lismore for the second season running, only difference being that this time round, they were lucky to survive by a couple of points.

While I do not believe that either of these teams are going to win the championship, this contest should be interesting and exciting.

## Minor Hurling Championship Resumes

With the minor hurling "B" championship now nearing completion, we find ourselves back at round one which was deferred because of weather conditions.

All five matches are listed for this Wednesday evening and are timed for 7.30 p.m. Fourmilewater will not be in action since their listed opponents, Kilrossanty have conceded a walk-over.

St. Olivers v. Dungarvan — This will be a fair contest between evenly matched teams. The game is fixed for Bushy Park.

Naomh Brid v. Ballyduff — Ballyduff will be hot favourites to win this tie which is scheduled for Cappoquin.

Colligan v. Clashmore — Form would indicate a win for Colligan, but Clashmore have quite a number of useful players, so winning will not be easy for Colligan at Fraher Field.

### OTHER GAMES

Stradbally are scheduled to meet Cappoquin at Abbey-side, but there have been rumours about Cappoquin having withdrawn from the championship;

Gaeltacht will find it very difficult to beat Brickey Rangers who have a number of good players on board at the present and will do well in both minor championships.

## Fund Raising Press Release

A special Press conference dealing with fund raising for the All Ireland semi-final and which was directed at businesses, firms and friends of Waterford hurling throughout the county, was held at the Granville Hotel on Friday night last. The subsequent press release stated "Munster senior hurling champions, Waterford are currently in training for the All Ireland semi-final in which they will meet either Clare or Galway on Sunday August 11th next.

The bridging of a 39 year gap in winning the prestigious Provincial title for the 6th time in our history represented a magnificent achievement in which all Waterford people took great pride.

Needless to relate, every effort is being made to ensure that the good work commenced in Munster can be carried on at national level. All this entails considerable expense and the County Committee are appealing to all businesses and friends of Waterford hurling to help them financially in pursuit of this laudable objective. The monies raised will go towards the training fund set up for that purpose and all contributions will be suitably acknowledged.

A special select committee headed by County PRO. Paddy Dunphy, has been put in place to supervise and monitor this fund-raising venture and it also includes Divisional Board officials along with representatives of the business community of city and county.

"Unity of purpose can bring about the desired result."

The shops which are selling emblems of all shapes and sizes are working separate but for the same purpose.

The latest addition to their stock of mementos is a CD with the motto: "Dig Deep- Aim High" and is a tribute to Waterford hurlers past and present. It is on sale for 5 euro.

## Under-15 Football Development Squad

Clubs please note that the following players are requested to attend training at Old Parish GAA pitch on Friday, July 26 at 7 p.m. sharp:

Ardmore — Brian Keane, Declan Barron, Denis Flanagan, Paddy O'Donnell, Pdraig Healy.

# WATERFORD DISAPPOINT IN MUNSTER INTERMEDIATE FINAL

TIPPERARY 4-8  
WATERFORD 2-7

Three Tipperary goals rattled home against the Waterford defence in a matter of 4 minutes just near the end of the third quarter spelt the end of the Deise dream of winning our first ever provincial title in the intermediate hurling grade.

It was a disappointing result for the 2000 or so Waterford supporters who travelled to Pairc Ui Caoimh for the game and the fact that we were never once on level terms with Tipperary on the scoreboard, gave the contest a lack of atmosphere from our point of view since there was little to cheer for.

All through the first half, the defence looked uneasy, but splendid goalkeeping by Philly Flynn kept us in touch and at halftime we were lucky to be just a couple points adrift (1-4 to 1-2). Our goal was scored by Michael Molumphy who was one of the few forwards to make an impression in the game.

## SECOND HALF

With a slight breeze in our favour we were a little bit hopeful of getting into the game in a more meaningful way and when substitute Brian Phelan (who also made an im-

pression when introduced), slotted over a nice point to reduce the deficit to just a single point, the Waterford supporters got behind the team.

We did not get any closer however and when the Tipperary 4 minute onslaught yielded three goals, the game was all over as a contest. All three Tipperary inside forwards, Ger McGuire, Dan Hackett and Simon Everard had goals to their credit. Their other goal scorer was John Teehan.

Our second goal was scored by Michael Molumphy and we had some nice scores by Brian Phelan (3) and Michael Walsh.

Waterford played their best hurling in the closing ten minutes and were it not for the Tipperary 4 minute blitz, we could possibly have snatched victory.

But, in the over-all, Tipperary were the better and sharper side and deserved their victory which brings them level with Cork on 7 Munster titles won to-date.

Too many of the Waterford players failed to live up to expectations on the night, whereas Tipperary had very few weak links.

Tipperary — F. Horgan, B. Gaynor, M. Peters, G. Griffin, K. Hogan, E. Morrissey, C. Everard, S. Maher (0-1), J. Teehan (1-1), B. Hogan (0-3), B. Stritch, B. Buckley, G. McGuire (1-2), D. Hackett (1-0), S. Everard (1-1). Subs: M. Keeshan and P. Morrissey.

## Jim Landers Off The Air

The very familiar voice of Jim Landers is unlikely to be heard by GAA supporters on the airways again following the shock news on Monday of last week then the popular broadcaster and GAA correspondent had parted company with WLR.

The news of Jim Joe's sudden and unexpected parting with the station caused disappointment throughout the county and particularly in the west of the county, where followers had listened with interest to his brief previews and reviews of club championship matches in all grades from Fraher Field, etc.. Having spent a lifetime of involvement with Gaelic games as a player, referee (at all levels) and working in the administrative side of things, he had top class knowledge of what the GAA is all about and this was very much in evidence during his broadcasting over his 13 years with the station.

The members of the Press working in Fraher Field will miss his presence in the press-box, as he was a most helpful and co-operative person who was always willing to stand in when circumstances made it impossible for a member to be present.

We are all glad to hear that his severance with the station will not mean his parting with the GAA.

## JUNIOR FOOTBALL CHAMPIONSHIP

# Deserving Win For High Scoring Old Parish

OLD PARISH 4-20 ARDMORE 1-8

Never before in their long and proud history have an Old Parish team put 24 scores on a board (2-11 in the first half and 2-9 in the second half) and very few of them were from frees. Not only was the victory very well deserved, but every single score was achieved through a measure of skill and some were really splendid efforts.

They took the field unsure of what lay in store for them, because Ardmore, even though with a limited panel of players, had quite a number of experienced players who at some time had played in all grades from minor to senior.

The Seana Phobal team attacked from the start and had early points per Thomas Curran and D. De Paor and were 4 points to the good before P. Gallagher had the opener for Ardmore. Encouraged by this Ardmore kept on pressing and had 2 further points by the 9th. minute. It was 0-7 to 0-5 after 17 minutes and Ardmore were not to score again in this half while Old Parish added a further 2-4. The goals came in the 24th. and 25th. minutes and were executed by Raymond Terry and David Condon and left them 12 points clear at half time: 2-11 to 0-5.

## SECOND HALF

Michael O'Donnell and Michael O'Dower had early points for Old Parish but Der O'Donnell hit back with points to keep Ardmore in touch. But goals by David Condon in the 46th minute and by T. Leahy in the 50th put the game well out of reach of Ardmore, who, nevertheless, kept on battling away against all the odds.

Seamus Veale had Ardmore's only goal in the 55th minute and while it was a splendid effort, it was too late to make an impact on the game which saw the Old Parish team a whacking 21 points in front at the final whistle.

It was a very free flowing and sporting match with only three or four wides in the overall and very few fouls. It was nice to watch.

Old Parish — A. Power, E. Power, M. J. Keating, P. Keating, N. De Paor, S. Harty, S. Wade, T. Mahony, T. Curran, D. De Paor, P. Mahony, M. Dower, M. O'Donnell, R. Terry, D. Condon. Subs played: R. Power, J. Fitzgerald, J. Leahy T. Leahy, M. Curran.

Ardmore — T. Power, S. Conway, P. Prendergast, C. Foley, D. Cronin, P. Gallagher, A. O'Donnell, S. Flavin, W. Mansfield, D. O'Donnell, S. Veale, M. Flavin, T. Keane, N. Quinn, L. Cunningham.

Referee: Pat Moore, Ballinacourty.

## ONE-SIDED AFFAIR

Dungarvan 5-11 Geraldines 1-3

This very one sided junior football second string game was played at Bushy Park and ended in a facile victory for Dungarvan as the score shows.

At half time the winners led by 5-7 to 0-1 and even at that stage the issue was beyond doubt.

Referee Pat Walsh, Nire

## GOOD DISPLAY BY KILGOBNET

Kilgobnet 2-15, Stradbally 1-9

This was a good display by a well prepared Kilgobnet outfit and on this form they will take some beating this year. Stradbally played well in scoring 1-9 and might have fared better against any other side remaining in the championship.

## BRICKEYS ON TOP IN SECOND HALF

Brickey Rangers 1-15, Affane 0-6

It was 0-4 each at halftime and at this stage it looked as if it could go either way, but a more spirited second half display allowed Brickeys to get on top and remain in control for most of the half.

## RING SLIGHTLY BETTER

Ring 1-11, Emmetts 0-9

There was not a lot between the teams in this tie where both were fielding their second teams. Ring were slightly the better side and just about deserved to win.

## DENNY GOLD MEDAL 2B LEAGUE PLAY-OFF

# Dungarvan Capture League Title

VICTORIOUS DUNGARVAN TEAM

## Comfortable Win Over Ballinroad

Ozier Park was the venue for the play-off in the Division 2B league when Dungarvan United and Ballinroad went head to head. Played in glorious sunshine last Sunday afternoon, Dungarvan went home with the trophy following a comprehensive victory. In their two league meetings prior to the league showpiece both finished in draws. It was a case of what might have been for Ballinroad. Beaten by Mooncoin in the cup semi-final and also defeated by Dungarvan in a league play-off, they have nothing to show for a good season as far as they are concerned.

On the other hand Dungarvan will be delighted with their success and they now can look forward to bigger and better times ahead for the west Waterford club.

Unbelievably, it was Ballinroad who had the first attempt on goal and they maybe should have taken the lead, only to be denied by the crossbar. Only one minute of the game had been played when Kevin Lonergan played the ball in for Danny Hickey but his right-footed shot from 16 yards came crashing back off the woodwork with Dungarvan keeper beaten. The ball then fell to Seamus Veale but the resulting shot went inches wide of the target.

Dungarvan then had a glorious chance to open the scoring. In the 2nd minute of the match, David Hickey's cross from the left found Michael Donnelly, he raced into the penalty area but his shot on the run from 14 yards whistled narrowly wide of the target. The opening goal of the game arrived in the 4th minute of the match and

### Dungarvan 7 Ballinroad 1

from this moment Dungarvan never looked back and in the end they scored a magnificent seven goals.

A brilliant ball from the right from Laurence Hurney was met at the back post by the unmarked David Hickey and his acute angled drive from 12 yards found the bottom corner of the net. This spurred Dungarvan on and they were denied a second goal by some fantastic goal-keeping from the Ballinroad netminder Pat Flynn. Ballinroad had a golden opportunity to equalise in the 18th minute of the match. A corner from the right taken by Danny Hickey met the unmarked Kevin Lonergan but his close range shot sailed inches over the crossbar with the Dungarvan keeper Mark McCarthy beaten.

Two minutes later, Dungarvan went two goals in front and it was a case of what might have been for Ballinroad. A long ball from midfield from Michael Donnelly was not properly dealt with by Ballinroad defender Maurice Tobin. He left in Nicky Donnelly and his left-footed effort from 14 yards gave Ballinroad keeper Flynn no chance whatsoever. Ballinroad tried in vain to grab a goal back and they went very close to doing so in the 27th minute of the encounter. Jacko Kiely played a pass to midfielder Hickey but his 25-yard right-footed shot on the run went narrowly wide of the upright.

Dungarvan made it three nil in the 31st minute of the contest. David Hickey played a brilliant ball out wide for Tony Fitzgerald, he

cut into the penalty area and his cracking shot from an acute angle found the bottom left hand corner of the net giving Flynn no chance in the Ballinroad goal. Things were not going according to plan for Ballinroad and one minute later they conceded yet another goal. This goal was probably the best goal of the match but it has to be said that some poor defending cost Ballinroad dearly. Michael Donnelly received the ball in the heart of midfield, he played the ball out wide for David Hickey. His cross from the left found Laurence Hurney, he played the ball in for Nicky Donnelly and from the edge of the penalty area his right-footed shot flew into the back of the net.

Five minutes before the half time interval Dungarvan made it five nil and by this stage the game was more or less over. Nicky Donnelly scored his hat trick in a first half dominated by Dungarvan. David Hickey was once again involved in the action. This time he played the ball in for Donnelly and his right-footed shot from 20 yards gave Ballinroad keeper Pat Flynn no chance at all. The small attendance at the old Waterford venue were somewhat surprised by this score line as many thought this would be a game to remember but it wasn't to be.

The second period of the match took the same pattern of the first half. Ten minutes of the half had been played when Ballinroad scored a consolation goal. Danny Hickey, who was probably Ballinroad's best player, played the ball in for Paddy

Walsh. There was a suspicion of offside but Ian Paul kept his flag down and Walsh slotted the ball home from 14 yards giving the Dungarvan goalkeeper no chance. Lifted by that goal Ballinroad had a golden chance to score their second goal of the match in the 61st minute and if they had only god knows what would have happened.

Danny Hickey was once again involved in the action playing the ball in for Jacko Kiely but his shot from 16 yards went narrowly wide of the target. However, Dungarvan went down the other end of Ozier Park and scored to put the game beyond any doubt. It proved to be Nicky Donnelly's fourth goal of the game.

A cross from the right from Michael Donnelly was met by his namesake and tucked the ball home underneath the body of Pat Flynn to put the seal on a brilliant day for the youngster who has also been a member of the Dungarvan premier outfit. Dungarvan put the icing on the cake in the 80th minute when they scored their seventh goal of the game. John O'Donnell played the ball in for David Hickey and Hickey rounded off a man of the match performance when he found the net from 14 yards.

After the game Tom Power, Chairman of the Waterford Junior League presented the 2B-league trophy to the victorious Dungarvan captain John Kyne. It has been a brilliant year for county Waterford clubs as they have dominated the league with so far Southend the only city team to win a local junior (excluding youths) competition.

Our annual Golf Classic takes place in the Gold Coast Golf Club from this Thursday 25th, Friday 26th and Saturday 27th July. ## LADIES FOOTBALL

# Waterford v. Kerry

AT FITZGERALD STADIUM, KILLARNEY  
ON SUNDAY AT 3.30 PM

Waterford and Kerry clash in the Munster Senior Semi Final in Killarney next Sunday as part of a double header with Cork and Clare meeting on the other semi final at 2 pm. It promised to be a good afternoon's football as Munster is very much a level playing field these days.

This is the first championship game between Waterford and Kerry since 1997, the Kingdom slipped a little but in the intervening years but recent form suggested that Kerry are on the up and recently they were unlucky to lose to Mayo in the league semi final. In the league quarter final they scored a good win over a Dublin side that had beaten Waterford in Leamybrien last April.

The only survivors from Kerry's last title winning side in 1993 is Geraldine O'Shea, the other former international soccer player O'Shea is a class forward and they can also call on Sarah O'Connor, Casey O'Driscoll, daughter of former Kerry player Ger, and Kate Kennelly and the quartet of speedy forwards will stretch the Waterford defence.

Kerry have been in the doldrums for some time, they haven't contested a Munster Senior Final since 1995 when they lost 2-12 to 3-7 to Waterford in a thriller, in fact they played in 22 consecutive finals between 1974 and '95 whilst Waterford have appeared in the last 15 finals winning on 9 occasions. Kerry will see Fitzgerald Stadium as worth a couple of points.

This is a much changed Waterford side since the last All Ireland success in 1998. In the League Final last month Olivia Butler, Martina and Geraldine O'Ryan, Deirdre Nagle, Julie Torpey, Annelisa Crotty, Rebecca Hallahan, Mary O'Donnell played whilst Angie Walsh and Sarah Hickey were amongst the substitutes. Nuala Hearn,

Donna Frost, Ciara Prendergast, Elaine Power, Deirdre Breathnach, Linda Wall, Aoife Murphy, Fiona O'Reilly, Mary O'Rourke, Cleona O'Keefe, Marie Hogan, Mary and Ealga Hayes, Michelle and Marian Ryan and Natalie O'Connor have emerged from successful under age team to challenge for places and consequently competition for those places is intense.

Waterford enjoyed a good league campaign defeating Laois in the opening game in Feb. got a walk over from Cork, narrowly defeated Tyrone, lost to Dublin, hammered Meath before defeating Clare, Monaghan and Mayo on the knockout stages. At times they have played very well and if they can add consistency to their game then Waterford are a match for anybody.

Kerry will move the ball quickly, their youthful side have plenty of ability and enthusiasm. This Waterford have been warned. The Decies girls if they perform on the day can win this match and victory in Killarney would be a big step on the road to greater things.

### DEFEAT IN BIRR Monaghan 4-12 Waterford 3-11

Waterford's bid to win 3 All Ireland Minor titles came unstuck in Birr last Saturday afternoon when Monaghan was a thrilling game with a late surge. Waterford were very disappointed, they never played to their potential and lost a game they should have won.

They got off to the best possible start and led by 8 points after 6 minutes with goals by Niamh Briggs and Mary O'Rourke whilst Deirdre Breathnach and Elaine Power kicked points. Monaghan opened their account with a 14th minute pointed free by Ciara McGuinness and seconds later Waterford keeper Mary Hayes pulled off the first of 3

great saves. When Deirdre Breathnach scored a truly brilliant 3rd Waterford goal after 18 minutes, defeat looked impossible but slowly and surely Monaghan were improving, their pace forwards were seriously troubling the Waterford defence. McGuinness and Therese McNally pointed for Monaghan in a purple patch that saw them score a further 1-3, the goal by McGuinness. Aoife Murphy and Tracey Gallagher (2) shot Waterford points for a 3-5 to 1-6 interval lead that didn't look secure against the wind in the 2nd half.

That's exactly how it proved to be and by the 43rd minute the scores were level. Monaghan's 2nd goal was scored by Slaney, Murray, impressive substitute Evelyn O'Brien and Mary O'Rourke (2) put Waterford 3 points up with 16 minutes to go but a very shaky Waterford defence allowed Orla Callen in for the equalising goal.

Monaghan were then awarded a penalty but McGuinness shot wide and Waterford regained the lead with a Tracey Gallagher point. Again the Waterford defence was ripped apart, this time Sinead McCooney was the goal scorer and further points from midfielder Kathy

McManus sealed victory.

Looking back very few Waterford players played to their potential. Mary Hayes in goal, Deirdre Breathnach in the first half, Mary Foley in the 2nd half and substitute Evelyn O'Brien showed glimpses of what they are capable of. Waterford suffered from having no competitive game in Munster and ran into a very good Monaghan side. Nevertheless they put in a mighty effort, perhaps the success of the last couple of years took the edge off them, after all this team also won the U-14 All Ireland 4 years ago. No doubt they will recover and become better players if they heed the lesson learned last Saturday.

Waterford; M. Hayes, M. Power, N. O'Connor, A. Barron, M. Ryan, E. Power 0-1, E. Hayes, D. Breathnach 1-1, L. Palmer, M. Ryan, A. Murphy 0-1, M. Foley, T. Gallagher 0-3, N. Briggs 1-1, M. O'Rourke 1-3 Subs M. Hogan and E. O'Brien 0-1.

# ABBEYSIDE/BALLINACOURTY GAA NOTES

## Committee Meeting Reminder

All committee members are reminded that the next committee meeting will take place next Thursday the 25th of July at our Club grounds at 8.30pm.

## Senior Football Championship

We play Dungarvan next Sunday night the 28th of July in Fraher Field at 6.45pm. This has the makings of being another classic as local Derby's always bring the best out of each team. We wish the very best to the players and the mentors and ask all loyal Ballinacourty supporters to come out and shout for the lads.

## Division Three Hurling County League.

Our Intermediate Hurlers lost to St. Saviours of Waterford City last Tuesday night the 16th of July in our own pitch. The scoreline was 1 goal and 15 points to 2 goals and 15 points. This a game which we could have won but full credit to St. Saviours they stuck to their task and came away with the result. We showed quite a few changes due to various reasons but this gives the selectors a chance to try out new faces and different lads in different positions. The selectors keep encouraging all players to train regularly and games like this gives everyone an opportunity and the selectors a chance to see how lads play at a very good level and see how these same players perform. It also shows from a team perspective the commitment, which is required particularly from the lads who are away working. It was marvellous to see Gavin Breen travel from Cork; Laurence Hurney rushed from working in Middleton and Michael Enright coming from Kildare. We also lost three players due to injury during the game, Sean "Hiker" McGrath with a muscle strain and Gavin Breen adding once again to his facial features and Seamo Burns with a nasty ankle injury after coming on as a substitute. We wish them all speedy recoveries. It was great to see Paul Breen, Denis Byrne and Keith Brown get their chance to play at this level. The team was as follows; Emmett Byrne, Paul Breen, Michael Collins, Gavin Breen, Rick Hanrahan, Jonathan Moore, Denis Byrne, Sean "Hiker" McGrath, John Foley, Paul Veale, John Hurney, Keith Brown, Cyril Bailey, Gary Hurney and Michael Enright. Substitutes used: Seamo Burns, Laurence Hurney, Patrick Lynch & Declan Fives. Substitutes not used Ger Collins, Luke Brennan.

## Junior Football Championship

If courage was the order of the day last week when we drew with Kilrossanty in the first game, well courage was available in even more bundles. It was a display that brought out of every player a sheer will to win. When on Saturday night last the 20th of July our lads finally came though on a scoreline of 1 goal and 6 points to 1 goal and 5 points. This was definitely the stuff of heart attacks for Ballinacourty players and supporters and heartbreak for Kilrossanty. This game was played at Stradbally and with both teams reduced to 14 it looked like Kilrossanty would march on in the second half

when they motored into a 3-point lead. But like last week the Ballinacourty spirit once again came to the fore when the deficit was reduced to one point compliments of a point by Michael "The Poacher" Cosgrave (who had missed an earlier penalty) and a point from a Volley by Liam Briggs after a rebound. Then with 2 minutes left on the clock Gerry O'Connor stepped up and calmly slotted a penalty against the cross bar and even more calmly caught the rebounding ball, rounded the Goal Keeper to kick the ball to the back of the Kilrossanty net to leave "Courty" two points up. Then the nerves jangled as Kilrossanty came back up the field and scored a point to leave the minimum. Then in injury time even more drama when Kilrossanty were awarded a free out on the left 50 meters from goal. Up stood the Referee John Michael Kelly who told the unfortunate Kilrossanty player that this would have to be scored direct as this was the last kick of the game. The rest is history as they say, as there was a collective sigh of relief from the entire Ballinacourty contingent as we witnessed the ball sail wide and the final whistle sounded. We now move on to meet Tallow in the next round. All players and substitutes that came on gave everything but it must be recorded that no one gave more for the cause than John Paul Keohane who ran himself into the ground and must have covered every inch of grass in Stradbally. Before the game Michael Collins was nominated as captain in the absence of Jason Donovan. Our heroes that started were; Enda Walsh, David Cashin, Michael Collins, Joe Walsh, Rick Hanrahan, Simon Hanrahan, Keith Brown, John Paul Keohane, Liam Briggs, Pat O'Brien, Conor Barrett, David Ferncombe, Jonathan Moore and Michael Cosgrave. Substitutes that came in and made their mark were Luke Brennan, Seamus Lavin and Gerry O'Connor. Substitutes not used Nickey Dwane, Sean Cleary, Pat Enright, Denis Byrne, and Diarmuid Molloy.

## Minor Hurling Championship

Our Minor Hurlers take to the field against Lismore in the Championship next Wednesday the 24th of July at 7.30pm. This game is being played in our own grounds and we are asking all Club Supporters to come out and shout for our lads. This is a hard working crew so they deserve all of our support.

## Under 16 County Hurling Championship

Our Abbeyside under 16 Hurlers played De La Salle in the County Championship on Monday last the 15th of July at De-La-Salle. This was a very good game of hurling as both teams battled hard. The first half began tentatively as both teams tried hard to get the first score. Mark Gorman opened Abbeyside's account with a point and this was followed by points from Tiernan Murray, Peter Phelan and Mark Gorman added a further 0-2. De La Salle then struck back with a goal and a point, to leave the half time score at 6 points to 1 goal and 1 point. The second half opened

with a point from Patrick Hurney. De-La-Salle stuck to their task and during this half put severe pressure on our backs who stood firm. A fine point from Mark Fives mid way through the half left the score 8 points to 1 goal and 4 points. Then the lads struck and two goals, one from Patrick Hurney and other from Jason O'Brien gave us a great cushion, but true to form De-La-Salle kept going and added another goal. The final score was; Abbeyside 2-14 De La Salle 2-6 Scorers; Mark Gorman 0-6, Patrick Hurney 1-1, Jason O'Brien 1-0, Tiernan Murray 0-3, Mark Fives 0-2, John Gorman 0-1 and Peter Phelan 0-1.

## Under 14 Hurling

Our under 14 Division One Hurlers brought the curtain down on a very satisfactory season on Tuesday evening last the 16th of July. The lads had a hard earned but well deserved victory over a well prepared Cappoquin Team at Fraher Field in the Western Hurling Final. This particular panel of players has been together since March the 1st this year and have played a total of 18 games consisting of 4 practice games and 14 competitive games. They also had almost 40 training sessions and despite having lost the Western final of the Feile to Cappoquin and the County Final to a very good De-la-Salle Team in the Championship these lads rallied well to take the Western Hurling Title. This Western Championship win was very important to all concerned. Since this championship was introduced in 1970 we have won it now on 8 occasions. It is also important for us to thank our sponsors who are Data Systems Computers and Thomas Walsh and Sons, Builders. The panel for all of these games consisted of 25 players and everyone of them showed great commitment and nearly all of them played some part in various games and at various different times in each of the competitions. The team that played the final last week was as follows; Stephen Enright in goal made a couple of great saves and his clearances and puck outs were very lengthy indeed. Full back and Captain Adam Crowe led by example and was outstanding all year long. In the right corner back position Dane Tobin kept a tight reign on his man and also contributed some lengthy clearances. Left Corner back and solid as a rock was Brendan Walsh. Our two wing backs Donal Henley and John O'Driscoll are very stylish hurlers and neither put a foot wrong. At Centre back we had Eoin Brackett who made that position his own over the campaign and hurled very well through out. The Midfielders of Sean O'Hare and James O'Mahoney were on top all through and crisp first time hurling gave our forwards a good supply of ball. In the half forward line Cormac Enright, David Shanley and James Phelan kept the ball moving into the full forward line and worked hard to stop their half backs from launching attacks. Our full forward line of Stephen Lanigan, John Gorman (rotating between full forward and centre forward) and Alan

Tobin won a lot of possession and made good use of it. John Gorman was our scorer in chief in the match as in all of our other games. John deservedly won the man-of-the-match award in the County Final. The substitutes that came on in the Western Final were Eoin McCullough, Alan Shiel and Craig O'Connor. All three played a major part in this victory. As did the other panel members which are Jamie Ryan, Richie Ryan, Brendan Cosgrave, Stephen Slater, Patrick Bergin, Jamie Organ and Kenneth Kelleher. The Cup was presented to Captain Adam Crowe in the stand by Western Board Na nOg Chairman Eddie O'Shea amid great scenes of cheering the whole panel, parents and the men who master minded this years campaign who were Kevin Tobin, Johnny Burns and Joe Power. Training is now already in progress for the Under 14 Football Championship. So we wish all of those involved in this hard working under 14 set-up continued success and we wish them well in their endeavours for Football Glory.

## John Gorman Man of the Match

On Saturday evening last the Bord nOg County Board and sponsors Supermacs held a function to present the Man of the Match awards to the players who played in the U-14 County Hurling final. Each team was awarded a Man of the Match and the player chosen for Abbeyside was John Gorman. The evening began with John O'Leary from the County Board welcoming everyone and thanking Paul O'Brien of Supermacs for his generous sponsorship of the event, this in fact is Supermacs third year of sponsorship. A small citation of why the player was chosen was read out and the each player was presented with a beautiful trophy. After the presentations there were plenty of Supermacs refreshments. A very enjoyable evening was had by all. Congratulations John on your award. This was the second man of the match award brought into

the Gorman household as Mark John's older brother had previously won this award. So it's a case of anything you can do Mark! Says John. A hearty congratulations to John for this well deserved award.

## Under 8 Football

The final U-8 football blitz of the series scheduled for Clashmore on Thursday 4th July was postponed due to the inclement weather but was rearranged at short notice for Monday 8th. As a result we were forced to line out without the services of Brian Looby and Michael Maher both of who had contributed enormously to our previous matches.

Our first game of the evening was against Brickey Rangers who we had not met in the competition to date. Thanks to some early scores we settled into this game quickly, played very good passing football and recorded a good win. Our next opponents were Kilrossanty who were the only team to beat us in the previous rounds. However, confidence was high following our earlier victory and with a very good work rate from every player we secured a deserved victory. Our two wins in the group games secured a place in the 'A' Final against Affane. Incidentally both teams shared the lead on 10pts going into Monday's blitz; therefore this was going to be a very hotly contested final.

Once again a couple of early scores helped settle the team and we went into half time with a slight advantage. As expected, on the resumption Affane threw everything they had at us but our backs remained firm and received great support from our mid-field duo. The improvement in Ballinacourty's play from previous nights was noticeable, particularly their passing and positional play. But for some wayward shooting Affane could have narrowed the gap however Ballinacourty continued to pick off scores on the counter attack to become the first winners of this tournament. On the basis of the performances of these young players the future of Ballinacourty football looks bright.

Following the game Bobby Walsh, Brickey Rangers presented the Walsh Shield to Ballinacourty Captain, Fiona Morrissey to the applause of our travelling supporters. Tim Bourke, Chairman of Clashmore Juvenile Committee presented medals to each member of the panel, along with some well-earned refreshments. The panel over the three nights was Eoin Bergin, Gavin Browne, Patrick Collins, Sean Daly, Eimear Fennell, Brian Looby, Greg Mangan, Michael Maher, Aidan Moloney, Fiona Morrissey, Jack Mullaney, Robert Mulligan, Jason Nagle, Stephen O'Connor, David Sweeney and Kevin Walsh. These children behaved themselves in exemplary fashion throughout the competition and are a credit to their parents and their team mentors Raymond Moloney, Larry O'Connor, Joe Bergin and Ger Collins. Many thanks to the parents who travelled to the matches and provided transport, your support is greatly appreciated.

## Defence Force All-Ireland Hurling Competition.

Well done to James and John Paul Keohane who's Brigade won the Defence Force Hurling Championship last week in Athlone. Both players played a significant part in this victory and the Club and their friends would like to offer many congratulations.

## County Duty

Some of our Club members had a disappointing week on the county front. Greg Fives Intermediate Team went down to Tipperary in the Munster in Cork and Shane Briggs was a substitute on this team. Mary Foley and Niamh Briggs played for the Waterford Ladies Minor Football Team that lost to Monaghan in the All-Ireland Minor Ladies semi-final at Birr County Offaly. We would like to offer our sincere best wishes to all four as a huge amount of work was put into both teams.

## All-Ireland Semi-final tickets

All Club members please note that tickets for the All-Ireland semi-final must be ordered from our club Secretary Bernard Shields by the 28th of July. Get your orders in early. Bernard's number is 058-41467.

## Birthdays

A marvellous night was had in Minnies last Saturday night the 20th of July 2002 for Denis Byrne who celebrated his 21st Birthday party. Denis is an extremely popular clubman and the turn out in Minnies proved this. Cyril "the Nenagh" Bailey also celebrated his birthday last week. Cyril returned to Nenagh to celebrate his birthday with his friends sporting a magnificent cake produced by the Enright's of Eurospar who are also Tipperary folks. The brave Cyril returned to Nenagh to watch Toomevara beat his own team in the Senior Hurling County Championship. What harm said Cyril at least we have the birthday party with his friends to come that evening and he also had this magnificent cake to unveil for all his friends. At last they were his friends until the cake was revealed as alas, the cake was adorned with a photograph of Tommy Dunne. The same Tommy Dunne from Toomevara who was instrumental in putting Cyril's Nenagh Team to the sword. It seems the cake was cut with some vigour. We think Cyril will check the cake before next year's birthday celebrations.

## ABBEYSIDE A.F.C. NOTES

# HOLDERS CRASH OUT TO MIGHTY ARMS

## Shandon Arms 0 Kiely's 0

A splendid game played with fire and passion entertained the crowds at sunny Dogleaf Park on Thursday night last. Early pressure was exerted by Kiely's the holders with Matty Kiely particularly to the fore. But Billy Coleman and Willie Coward were excellent in repelling the Kiely attacks.

Shandon Arms began to gain control through Prendergast and Crotty but the Kiely's defensive trio of Kirwan, Dee and Hayes were unmovable in their positions. After great saves by Dermot Kiely for Kiely's and John P. Healy for Shandon Arms stalemate ensued as the teams turned over at half time 0-0.

Into the second half and a Gizzy Crotty freekick was fumbled by Dermot Kiely but Aidan Dillon stroked the ball wide with the goal gaping. Kiely's struck back and a thunderous effort by Kevin Lonergan shook the underside of the bar with Healy beaten all ends up. Martin Troy's fierce follow up just clearing the bar. Final score 0-0 and it was the Shandon Arms who went through 5-4 on penalties.

Man of the Match - Willie Coward.

## ANCHOR SINK MICILINS

### Micilins 0, Anchor 5

An unfortunate own goal by Barry Pender just before half-time gave Anchor a deserved lead. Throughout the first half they peppered the Micilins goal with an array of shots. Micilins too had some chances but were thwarted by Terry Whelan in the Anchor goal.

Into the second half and after 16 minutes Ross Power combined with Shay Harty who drove home past the despairing dive of Micilins custodian.

Anchor made the game safe when another own goal was conceded by Micilins. Up to that however only the brilliance of Whelan in the Anchor goal denied P. J. Houlihan and Ricky Cotter on two occasions. Anchor went 4-0 up when Ray O'Brien found Shay Harty who volleyed sweetly home. A minute later it was 5 when John Moroney slipped the ball home from close range.

Man of the Match - Ross Power.

## OTHER NEWS

Radley's crashed 3-0 to dark horses Davitt's with Paddy Mahon on top form. The Local went down 3-0 to Village Inn, Aghlish in a shock result. Village Inn, Aghlish will be hard to beat.

## VETERANS COMBINE FOR KEANES!

### Keanes C 2 Doocey's 0

Veteran striker Tommy Wade sent Keanes into the lead when he capitalised on a dreadful error to strike a great goal. Pat Morrissey added a second to seal the tie for the favourites for this years competition.

Man of the Match - Tommy Wade.

## VILLAGE INN FALL TO KILL MACHINE

### Village Inn (Abbeyside) 0 Kirwan's 1

A terrible error by a Village Inn defender let in Kirwan's for a hard earned victory. The

Abbeyside men dominated proceedings but just couldn't find a way past a stern Kirwan's rearguard. Leo Barry scored the Kirwan's goal when a Village defender chose to dally was dispossessed and Barry went on to slot home.

Man of the Match - Leo Barry.

## U-17 CUP QUARTER FINAL

### Abbeyside 3 Tramore 2

Abbeyside qualified for the last four of this competition with a great win over Tramore at sunny Dogleaf Park on Sunday morning last. Goals by Liam Sheehan (2) and Patrick Hurney sent fancied Tramore on their way. Tramore's physical style failed to faze the Abbeyside youngsters and the home-sters should have increased their tally on several occasions. They now go forward to meet Piltown in the last 4 on Wednesday.

## AWARDS NIGHT

Our underage and adult awards take place on Thursday 25th July at 9.00 pm at Minnies, Abbeyside. All are welcome. The U-13 and U-15 league title Cups will be presented by Pat

Kelly Secretary Waterford Schoolboy League. A number of special presentations will also be made on the night.

## BEST OF LUCK

To the lovely Diana Morrissey who represents the club in the Pattern Queen next week. A big contingent from the club are sure to be there to shout her on. No doubt win, lose or draw Diana will do us proud! Diana's father Michael is a very good looking man and if there ever was a Pattern King he'd be a big favourite for it!

# BALLYDUFF NOTES

## BALLYDUFF TIDY TOWNS

Ballyduff are progressing reasonably well in this years inter-village litter challenge. While we are a few points down we will still keep the pressure on and encourage old and young alike to keep the village litter free.

Unfortunately we also had some not-so-good news during the week. The long awaited and recently promised painting of the Bridge is not now going to take place. The funds allocated by Waterford County Council for the project do not come near what the overall cost will be, therefore the project has again been shelved, much to the disappointment of our small but active group.

We are also disappointed to report that all our rose bushes on the Lismore road have been taken, some last week-end and the remainder on Tuesday night last. This petty behaviour is of particular disappointment to Shirley Flynn and Marian Frewen who spent two days of their time cleaning and planting all the beds. Our planting is funded by the entire community who subscribe generously to our annual collection.

This years collection will be on Sunday next July 28th. And we appeal again for your support in helping to keep our village looking as good as possible.

## BALLYDUFF COMMUNITY COUNCIL

The upcoming Gala Festival provided the principal discussion points at July monthly meeting of Ballyduff Community Council.

Preparations are well under way for our annual event and festival chairperson Seamus Daly appealed to all Community Council members to help out on the week. Sponsorship letters were approved and have now been sent to all our usual sponsors who have been generous to us over the years. This year we intend publishing a festival programme which will include advertising for all our sponsors.

A festival sub-committee meeting will be held during the coming week, and all members will be notified as soon as possible.

Many questions from the floor centred on the status of the Sports Hall and Pat Kenny stated that a meeting is to be held this Thursday night with the Hall Management committee. As the Community Sports Hall is a critical part of our Gala Day, it is hoped that all outstanding matters will be resolved quickly.

Our community games qualifiers are in training for the All Ireland finals to be held in Mosney in August. We wish them all well in their pursuits and we also thank Tom Kearney and his team for all the work they do with the youth.

Three council members

Susan Parr, Tim Cogan and Michael Flynn have now completed web site maintenance training and hopefully will soon begin updating our community web site. In addition our over fifty-fives have nearly complete their Leader Funded training and have progressed to email and surfing the net. We would like to thank everyone for taking part and hope they have benefited from the experience.

Before closing the meeting, votes of sympathy were expressed to the relatives of the following people who passed away recently. John Geary, Britway; Michael Donovan, Araglen; Mary Barry, Ballyheaphy; Kit Healy, Kilmurray; Hannah O'Keeffe, Kilmurray; Mrs. Bancroft, U.S.A., & part-time village resident.

# MODELIGO NOTES

## MODELIGO PATTERN

Modeligo Pattern committee held their A.G.M last Tuesday night. At the meeting the following officers were elected; Chairman: Johnny Byrne's; Secretary: Shane Reddy; Treasurer: Siobhan Troy; P.R.O.: Ber Burke. The following were elected onto the committee: Nick Donovan, Tomas Curran, Deckie Walsh, Ed Lonergan, Carmel O' Neill, John Foley & Paddy O' Donnell.

There were a number of important decisions to be made on the night and after a lot of discussion the following format for the Pattern was decided on: Start time 2:00pm. on Thursday 15th August beginning with fancy dress competition with 2 categories, followed by underage athletics with several sideshows including pitch & putt, penalty kicking, horse

shoe throwing, pony rides, name the doll and many more with a special attraction of a bouncy castle for the kids. It was also decided on the night that the committee would look for sponsorship for each sideshow, as it is hoped to give cash prizes for the winners which should make things a bit more interesting.

With a flower sale and cake sale also on the day of the Pattern, match that evening, there will be something for everyone.

The committee have also got sponsored a Waterford jersey and Waterford polo shirt which are being raffled on cards at 2 euro per line which can be obtained at Deckie's and The Welcome Inn which will be in aid of raising funds to purchase medals and trophies for the athletics on the day. We ask everyone to please support this draw.

## RACE 8 GER WYLEY/NIKE SUMMER SERIES

# GLAXOSMITHKLINE 5

### ALL PROCEEDS TO SPECIAL OLYMPICS

The annual Glaxo SmithKline 5 mile road race saw the largest field so far this year in our summer series with a total of 167 runners and over 70 walkers taking part on a glorious summers evening last Friday. The race has got under way by Dungarvan Town Mayor Cllr. Nuala Ryan also on hand was Cllr. Michael O'Riordan who is chairperson of the local Dungarvan Special Olympic host town committee, and after the event a very substantial cheque was handed over by Glaxo SmithKline for the Special Olympic fund. The race itself saw the two Harty brothers Philip and William once again showing their awesome talent when from the gun they both shoulder to shoulder opened up a big gap on the chasing group before one mile was completed, this

they held to the finish and came through the finishing line in procession with Philip taking the honour by one second from William 25.41 and 25.42, third place went to Ted Flannelly United Striders Wexford 26.00 with Peter Duggan, St. Joseph's, Kilkenny fourth in 26.42, and fifth place went to Eric Meade East Cork in 26.48, there was four different counties represented in the top five placings, first man over forty was Tom Walsh of Clonmel with Larry Kennedy, Waterford second in 28.14 and Gerry Cantwell third 29.29. Pat Sullivan Slaney Olympic took the over 45 in 28.25 with Neilus Ahearne second 29.02 and Colin Lyons third 30.34. First over 50 Con Kelleher West Waterford, over 55 Tom Fitzgerald West Waterford and over 60 Mick Neville, Tullamore with Triona Shalloe West Waterford first junior.

### SINEAD CUMMINS WINS LADIES RACE

Sinead Cummins St. Joseph's, Kilkenny was an easy winner of the ladies section when winning in a very good time of 30.03 giving her a finishing place of 26th overall but there was yet again a battle royal for second place when West Waterford A.C. members Corinna Walsh and Joanne Jackman were together for the duration of the whole race when in the last 200 metres Corinna pulled away to win by just four seconds from Joanne for the third time in as many races, these two ladies are improving with every race hopefully will be the back

bone of a very good West Waterford Cross Country ladies team over the winter months, the fourth spot went to Kathleen O'Brien in 34.26 and Sarah Hanratty took fifth in 36.58, the vets ladies went to over 40 Kathleen Moran and over 50 to Hillary Collins 37.06.

### G.S.K. EMPLOYEES

There were a special and always an interesting race category especially for the employees of Glaxo SmithKline and as always there was some keen competition among them. Martin McCarthy took the honours here in an excellent time of 28.29 giving him a placing of 15th overall with race director Michael Dwyer next in 30.45, Michael as race director forfeited his prize and it went to next man who was Eoin O'Riordan 31.18, fourth place was Paul Casey with Maurice Foley 5th.

The ladies also keenly contested the G.S.K. race with

Linda Bradfield taking first place from Dorothy Cassells who was just one place ahead of Laura Hogan with Tracy Kiely also only one place ahead of Rachel Landers so as you can see some very keenly contested racing indeed. I wonder what the talk will be around the canteen on Monday.

### THANK YOU

The organisers of the race Glaxo SmithKline would like to thank all who supported the race and the employees and management alike were delighted to hand over a substantial cheque to help the local host town of Dungarvan in their fund raising efforts for next years Special Olympics when the town will be hosting the Bahamas Olympic team, this race very quickly is becoming the blue ribbon event of our racing calendar and the race committee of G.S.M. can be well proud of their efforts in organising a top class event which is as well organised as any event around the country, to all the stewards, time keepers, recorders, the local Gardai, Dungarvan Crystal Sports Centre, Dungarvan Soccer Club, Ger Wyley Sports and Nike for their overall sponsorship of the series, and to anyone who helped in any way a big thank you. ## TRACK AND FIELD NEWS

On last weekend 13th - 14th July the National Senior Track and Field competition were held in Morton Stadium Santry and we were represented by three athletes.

Jamie Costin who took the silver medal in the 10k walk in a time of 42.10 and who is now off to Munich for the European Championship.

On the day not competing to his best was our pole vaulter Liam Houlihan who took the bronze medal. Liam was well short in his vault of what he is capable of. However on his first year at senior level this is no mean achievement to take the bronze medal and shows the talent of this lad. He was competing against the cream of Ireland in this event. Congratulations Liam. Philip Harty competed in this 10 am and finished 6th. Philip was still recovering from a very hard race the week before and at this championship all the athletes abroad are competing as they are home on holiday. As always Philip gave of his best and well done.

As we go to press no details of the 2nd round of the Mazda League are available. However the 4th of August is the date and a bus will leave for the venue on that morning. All athletes please make yourself available on that date, as our place in the final is at stake.

## MASTERS TRACK AND FIELD

The Masters National Track and Field Championships will be held on Saturday 10th August in Tullamore Harriers Stadium. The masters categories are from male over 40 to medal over 75 with competition for every five years e.g. O-45, O-50, O-55 to O-75.

The female categories start at O-35, O-40, O-45, O-50, O-55, O-60.

Members of the West Waterford u-18 and u-19 relay squad at the All-Ireland Championships in Tullamore last weekend. Left to right: Caroline Walsh, Claire O'Sullivan, Ellie Walsh, Edel Morrissey, Kate O'Brien and Triona Shalloe.

## SUPERB PERFORMANCES FROM RELAY TEAMS

On Sunday at the national championships West Waterford once again were to the fore in the relay events, starting the afternoon off were our under 19 4 x 400 metres girls team who ran very well to take bronze with Edel Morrissey, Ellie Walsh, Tracey Shalloe and Caroline Walsh making up the team, a short time later our under 19 4 x 100 metres team were in action with Edel, Ellie, Caroline and Claire O'Sullivan who even with a bad knee injury wasn't going to leave her team mates down and ran her 100 metre leg superbly to get in the Silver medal spot, next up came our under 18 4 x 100 team and they were unlucky not to get in among the medals when finishing in 4th place with Kate O'Brien part of this team along with Edel, Ellie, Caroline and Claire O'Sullivan who even with a bad knee injury wasn't going

to leave her team mates down and ran her 100 metre leg superbly to get in the Silver medal spot, next up came our under 18 4 x 100 team and they were unlucky not to get in among the medals when finishing in 4th place with Kate O'Brien part of this team along with Edel, Ellie and Claire.

The clubs last race of the day was the newly formed under 13 girls 4 x 100 metre relay team and what a dream day it was to be for these young ladies, with a large entry there were heats ran off, and we ran just OK. Our heat to finish third and to qualify for the final, we were the fourth fastest in the heats to qualify, but these young girls have a real never say die attitude, and they knew they could do better, when the final came half an hour later they were to prove themselves to be among the

best in the country. Starting the first leg was Julia Buest who got us off to a good start handing over to Meida Duff who held her position well changing over to Niamh McCarthy who made up some good ground on the bend to hand over to our final girl Eimear Scanlan who ran a superb final leg dipping at the line to take the bronze medal from a highly fancied Ferrybank team, and the delight was clear to be seen when the four girls along with Niamh O'Riordan who made up the full squad were presented with their medals.

The national record with stood since 1978 was broke by the winners of this relay, so a great weekend for all the young athletes and for the club, and have no doubt there is great talent in West Waterford and there will be more great days to come.

## WEST WATERFORD JUVENILE NOTES

### Gold Medal For Shane Power

It was a very busy week for our juvenile members, last Wednesday we held our last club training session before our summer break. On Thursday evening we had the second leg of our triangular match with Youghal and Clonmel at the Friary grounds, then on Saturday and Sunday we were in Tullamore at the all Ireland Lucozade Sport A.A.I. National track and field championships, and our newly formed club saw its first gold medal winner at a national juvenile event, when on Saturday in the boys under 13 high jump Shane Power surprised the field to take the gold medal considering he qualified in third place at the Munsters, this was a brilliant achievement for young Shane and I have no mistake there is lots more to come from this young man who has been jumping for only a short time. There was also a great performance on Saturday from Mark Shalloe when he ran a terrific race to take silver in the boys under 13 600 metres, while Ciara Scanlon jumped very well to take the bronze medal in the girls under 9 long jump, there were also good performances from Meide Duff 5th in the high jump girls under 13 and Eimear Scanlon 5th in the under 13 sprint.

## K.C.K ATHLETIC CLUB NOTES

### National Sprint Title for Claire Morrissey

The first round of the All Ireland Juvenile Track and Field championships were held in Tullamore on Saturday and Sunday last for girls and boys 9 to 13 age groups.

Our first medal came from Conor Morrissey in the Long Jump Boys under 10. Connor had a brilliant performance to take the bronze medal in his first attempt from seventeen competitors. Conor started off his first jump with three metres 14 centimetres and he improved each jump and had a personal best performance in his final jump with 3 metres 65 centimetres. We had another bronze medal in the Boys under 12 ball throw from Sean Fehily. Sean had a brilliant performance with 39 metres 55 centimetres. The competition was won with 42 metres 22 centimetres. In the Girls under 11 60 meters and again what a class act she is, Claire finished second in her heat and produced a brilliant performance in the final to take the Gold medal. In the Girls Under 13 80 metres Brenda Doherty again showed what a fine young prospect she is. Brenda won her heat and in the final with a very talented line up, Brenda had a brilliant performance to take the silver medal and only lost the Gold medal on the line by 100th of a second. In the Girls under 13 high jump we had some fine jumping from Niamh McGrath who was unlucky not to have made the medals. In the Girls under 13 hurdles, Lenora Kirwan had another fine performance to finish second in her heat and another fine performance in the final to tie for the third place position which went to a photo finish but it did not go Lenora's way. Even so it was a fine performance.

Our relay teams missed out on the medals. Our under 12 Girls were very unlucky no to have made the final. There were three heats with two to qualify and the two fastest losers. The Girls lost out by 200th of a second of making the final. The team was Claire Morrissey, Lisa Keane Elaine Flavin and Shauna Kelly.

Our under 13 Boys team had a fine performance in their heat but did not make the final. The team was Edward Walsh, Seam Browne, Shane Kearney and Craig Kinghorn. Our under 15 boys team made the final and were unlucky to miss out on the medals as they finished in fourth place in a very tight finish. The team was Conor McGrath, Padraig Casey, Kevin Harty and Eoin Walsh. The best of luck to all club athletes competing in the All Ireland track and field championships which will be held in Tullamore on Saturday and Sunday next for girls and boys 14 to 19 age groups.

Well done to the Harty brothers for a great 1st and 2nd in the Dungarvan road race on Friday night last.

### GOLD COAST G.C TO HOST MONSTER CHARITY MARATHON

We all remember September 11th last year for all the wrong reasons, but this year September 11th should prove to be a real red letter day in the history of local charity events. It is on that day that the Gold Coast Golf Club will host a monster charity fund raising marathon golf competition. It is hoped to raise in excess of 5,000 for up to ten different charities on the day. Nine teams will take part, each team consisting of ten players and two reserves, and their aim will be to achieve the target of 1,000 stableford points. This will mean that each team will play over three rounds of continuous golf, starting at 7.00 a.m. and finishing at about 8.00 p.m. that evening.

The organising committee are now in full swing and would welcome any offers from people who can help on the day, play in one of the teams, sponsor in any way,

caddy for some of the players, assist with the on course catering, etc. If you would like to be associated in any way contact Brendan on 086-8390871. It will definitely be one of the biggest days this year and you are more than welcome to be a part of it. Over the next few weeks we will profile the different teams and charities involved.

The crafty lefthander continued to play well on the back 9 to add 19 pts to his score and finish with great honor as runner up. The gross was won by Kevin Cussack (no doubt inspired by Peter's win the previous week) with a highly impressive score of 35 pts. Kevin had birdies on the 4th, 15th & 17th in a fine round of golf. On the 16th they had 2 birdies for 7 pts. Tremendous scoring by four popular golfers and it was no surprise that they spread eagled a large field. ## IRISH RACING

### AWARDS

The Irish National Hunt awards were presented last week in Adare in County Limerick and the following is a list of the winners.

Hall of Fame - Tony Sweeney  
 Personality of the Year - Jim Culloty  
 Distinguished Service Award - Tom Costelloe  
 Stable Staff Award - Noel Meades Yard  
 Leading Jockey - Paul Carberry  
 Champion Owner - JP McManus  
 Leading Trainer - Noel Meade  
 Leading Lady Rider - Caroline Hutchinson  
 Leading Amateur - Philip Fenton  
 Leading Trainer of Mares - Michael Hourigan  
 Leading Claiming - Rider JJ Mansell.

### THREE UP FOR JIM

When Margurta credited Coolcullen County Carlow trainer Jim Bolger with a shock 33/1 victory in this years Darley Oaks it was the third Oaks victory for the County Wexford born trainer. Back in 1983 Give Thanks (Declan Gillespie) captured an Irish Oaks while Christy Roche steered 50/1 outsider Jet Ski Lady to victory in the 1992 Epsom Oaks. Trainer Bolger who has trained horses for the last twenty five years paid £33,000 to Airlie Stud for his latest Oaks winner as a yearling.

### 2003 SATURDAY EVENING MEETINGS

Naas, Wexford, Limerick and Leopardstown have been nominated to stage Saturday evening race fixtures in 2003. The Wexford meeting could have implications for Greyhound Racing in Kilcohan Park, Waterford as four of the layers in Kilcohan Park also hold a bookmakers license to stand at Horse Race meetings.

### TRAINERS RESIGNATIONS

Judging by recent events off the track there was not universal agreement among the trainers in supporting the latest Saturday evening race meeting at Leopardstown. As a result of the meeting going ahead well known trainers Michael Grassick and Declan Gillespie have resigned from their positions on the I.R.T.A. (Irish Racehorse Trainers Association) council while County Limerick based trainer Austin Leahy has withdrawn outright his membership of the Association.

### JOCKEY TURNED GREYHOUND

#### TRAINER

Did you know that well known County Wexford based Greyhound trainer Nick Turner once held an amateurs jockey license and worked for Lambourn trainer Charlie Nelson before returning to this country and setting up a successful Greyhound training establishment on the outskirts of Wexford Town. Nicks latest claim to fame arrived in Shelbourne Park last Saturday night when he sent out Lifes Ambition to capture the Sporting Press Irish Oaks.

### FRENCH BLINKERS

The site of horses running in sheepskin cheek pieces otherwise known as French Blinkers is becoming quite a regular occurrence on British race tracks but trainers are banned from using these type of blinkers in this country. This will all change later on this year as the stewards of the Turf Club aim to lift this ban in Ireland.

### BLINKERS MIGHT TO THE TRICK

Having watched a horse called Etak run in his last couple of races in Ireland I am convinced that this animal would benefit from a pair of blinkers. Having run well over a variety of distances this fellow appears reluctant to put his head in front so nobody has anything to lose and everything to gain by fitting him with a pair of blinkers.

## BALANCING THE BOOKS

I sometimes wonder how the Coolmore training establishment balance their books. Take their recent maiden winner at The Curragh for example Van Nistleroy. The son of Storm Cat cost a cool million \$6.4 Million while the Curragh race was a Euro20,000 event and the winner certainly didn't look anything out of the ordinary.

### DECLAN TAKES OVER

With North Of England based trainer Les Eyre set to retire in the next month or so his assistant Dublin born Declan Carroll is to renew his trainers license and plans to train a thirty strong string from just outside York.

### PLENTY OF SUCCESS

Waterford trainers enjoyed plenty of success last week. Jockey Gordon Power rode the Jim Gorman trained Quick Date to victory at Killarney on Tuesday night while in the very next race the Michael Ryan owned and David Kiely trained Dyrick Daybreak ran out a shock 33/1 winner. Tom Queally finished second in this race on the well fancied Really but this filly did nothing to help her young rider in the closing stages and a pair of blinkers surely beckons for this lady in her next race outing. On the Wednesday of the Killarney summer festival meeting Danny Grant gave the Pat Flynn trained Miss Moore a strong drive to beat Tom Queally on Camillas Estate while Gary Hutchinson from Tramore was successful aboard the Paul Nolan trained Mise Rafturai in the featured Murphys Stout Handicap Hurdle. The Robert Dooly owned and John Kiely trained Kilbride King beat a big field in the apprentice handicap at Leopardstown where rising young jockey Davy Condon produced this seven year old son of Shalford with a perfectly timed run. Waterford City born Danny Grant and his boss Pat Flynn combined to capture the Dawn Milk Run Handicap with the consistent Miss Lauren Dee on the final day of the Killarney festival.

### RACE FIXTURES

**Thursday** Tipperary 5.30, Bath, Sandown, Sedgfield, Doncaster, Hamilton.

**Friday** Cork 5.30, Thirsk, Newmarket, Wolverhampton, Ascot, Chepstow, Salisbury.

**Saturday** The Curragh 2.30, Newcastle, Redcar, Nottingham, Stratford, Ascot.

**Sunday** Wexford 3.00, Newmarket, Ascot, Pontefract, Newton Abbott.

### DORANS PRIDE RETIRED

Dorans Pride has run his last ever race and is now officialy in retirement having won twenty nine races for his trainer Michael Hourigan.

### NEXT YEAR FOR MILAN

The Aidan O'Brien trained Milan will not race again this year but the St Leger winner will race in 2003 as a five year old.

### NORMAN AND SEAMUS RETURN HOME

National Hunt followers in this country will see a lot more of jockey's Norman Williamson and Seamus Durack this coming winter. Norman is moving back to Ireland to live on the Curragh while Seamus will spend his time riding in both Britain and Ireland this year. Norman Williamson is still recovering from an injury sustained on the opening day of the Punchestown festival but he is hopeful of returning to action in early September. Seamus Durack intends riding at the upcoming Galway Festival.

### NASHWAN DIES

1989 Epsom Derby winner Nashwan is dead at the age of sixteen. He was put down last Friday night after complications set in after an operation on a right hind leg.

SENIOR GROSS WINNER — (from left) Francis McCarthy, Mark McCarthy and Willie Buckley

INTER. GROSS WINNER — Philip Duggan

### COLIN HOULIHAN IS MUNSTER M/PLAY CHAMPION

Sunday the 21st of July proved to be a red letter day for young Colin Houlihan when he became Munster Junior Matchplay Champion for the first time beating an excellent opponent in John Donovan from Bruff 2 & 1. This was a great achievement for Colin who also won the Munster S/Play as a juvenile. The chances of winning seemed highly unlikely in the semi-final when Colin trailed his opponent by 7 holes after playing the first 18 but remarkably turned things around to make Sundays final, which was held in Deerpark Killarney. Well done Colin who now joins an ever growing list of players who have brought great honour to the club. Well done also to Adrian O'Shea in the Inter and Mark McCarthy and John Carroll in the senior who all acquitted themselves well.

#### LOTTO

Numbers drawn were 2-4-13-15. No winner with the following winning 20 euros each Mike Donovan, N. Halpin and Jimmy Cockwell. Next weeks jackpot 500 euros.

#### WINNERS IN CORKBEG

Well done to Willie Browne who insured that Wexford would have some luck this year when he won the junior nett at the recent Corkbeg Open, and to Mike Daly who won the Senior Gross.

#### JUVENILES

A reminder to parents that this is a good time for intending juvenile members to join up with the holiday season upon us there are plenty tournaments and outings to look forward to.

#### LADIES

The ladies numbers are increasing every week which is really great to see and they are now playing Wednesday mornings and Thursday nights and Win insures us that they also have a few outings coming up.

#### HERLIHY'S FOURBALL V PAR

A beautiful Sunday morning saw a good entry for the fourball V Par kindly sponsored by Herlihy's Supervalu. In the nett Jimmy Cockwell and Pat Keating ran away from the field with an excellent score of + 25. In the gross Anthony Landers responded to his partner Francis McCarthy who surely had his finest hour both dovetailing well to hit a great score of 14 under. Many thanks to the Herlihy's for their continued sponsorship.

#### PADDY FOLEY'S SCRATCH CUP

Next Sunday the 28th the club scratch cup takes place which is kindly sponsored by Paddy Foley's Bar. We are expecting a big turnout for a 36 hole strokeplay with the top 12 and ties to qualify for an 18 hole play off. Tee off at the usual time of 9.45 am to 10.30am.

## NEW COURTS

By the time you read this all our new and refurbished courts should be up and running. Thanks to everyone for your patience while this work was going on. It was not an easy task for everyone involved in this project considering the weather condi-

tions over the past few months but it will be worth it in the end!

## LEAGUES

After being 2-0 up Mallow made a huge comeback and levelled it at two all. It was then down to super mixed doubles and the Causeway had a good win of six games to three. The Michael Cup ladies team played Mallow in their Semi Final on Sunday 21st against Douglas. Again our teams were level at two all but unfortunately after a very tough super mixed doubles, Douglas won out on the day to a scoreline of 6-4. ## JUNIOR FOOTBALL CHAMPIONSHIP

# Kilgobnet Still on Course

## Kilgobnet 2-15 Stradbally 1-7

One of the hot fancies for this years Western title remain on course after a facile victory over Stradbally, a game which was played on Saturday evening at Fraher Field.

Feature of the contest was the marksmanship of Paul Radley who notched up 10 points of the green and white total. Tomas O'Brien 0-1, Michael Flynn 0-2, Dermot O'Brien 1-0, Raymond Lynch 1-2 were others to find the scoring range.

To their eternal credit Stradbally had excellent performances in Tom & Richard Gough, Tommy Kiely, Pdraig Doyle and Eamon Clancy. Kilgobnet will improve from this outing but are far from the finished article.

Their game with The Nire this Friday at 7:30pm. in Fraher Field will be a major obstacle and indeed the Ballymacarbry outfit will pose a major treat.

# C.L.C.G. AN tSEAN PHOBAIL

## JUNIOR FOOTBALL CHAMPIONSHIP An Sean Phobail 4-20 Ard Mor 1-8

Bhi bua mor ag peileadoiri An tSean Phobail ag an deireadh seachtaine. Ba shasuil an toradh e ach beidh orainn feabhasu go mor chum go mbeadh aon seans agiann an comortas seo a bhuaichaint.

For the opening twenty minutes of this Junior football championship game played at Fraher field last Saturday evening the exchanges were keenly contested. Then the 'Shocks' struck two quick goals, the first from full forward Raymond Terry and the second from corner forward David Condon and these scores ended the game as a contest as we went in at the interval leading by 2-11 to 0-5.

Few could complain with a score of 4-20 but the reality is that we will have to show a vast improvement if we are to entertain any hopes of landing that long awaited county title.

Let us give credit however, to all the players for a job well done. There were some fine displays throughout the

field but the 'man of the match' tag must go to David Condon who scored 2-3 and was very involved all through the game. Well done David, but you could practice the cartwheel a little bit more!!

Scorers: D. Condon 2-3, T. Curran 0-5, M.O' Donnell 0-3, R. Terry 1-0, A. Leahy 1-0, D. De Paor, P.Mahony, T.Power 0-2 each, M. Dower 0-1.

The Referee: Well done to Pat Moore (one of the best in the game) for his usual fair and firm handling of the game. Still it cannot be easy, even for a ref. of the calibre of Pat Moore, to keep on top of everything without any linesmen.

Special Meeting Tionolfar cruinniu speisialta in Halla Naomh Colmain, ar an cheadoin seo, 24/07/02 8:00pm, chun cursai peile fe10 agus fe12 a phle. Iarrtar ar tuismitheoiri go bhfuil paisti acu ins na h-aois grupanna seo a bheith i lathair.

A very important meeting will be held in the hall on Wednesday July 24th at 8pm. to discuss the U10 and U12 age groups. There are quite a few players in these groups and it is proposed to organise leagues or perhaps games with a view to involvement under the umbrella of An Gaeltacht. There is no need for us to stress here the importance of sport in the education and overall development of our children in the modern world, so we appeal to all parents who have children in these age groups to come along to the meeting. You will get an opportunity to air your views and maybe get involved - Many heads make light work!

## IN HOSPITAL

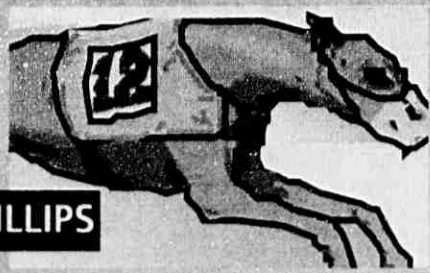

The club wished a speedy recovery to Tomas Curran who is presently in hospital. Tomas had a fine game at midfield at the weekend scoring five points. Get well soon Tomas. Everybody wants you out of that hospital as quickly as possible (particularly the nurses in the ward!!)

## NEXT GAME

As these notes are being penned there is talk of another championship game v Brickeys this coming weekend. Cock your ear to W.L.R. for more information.

Waterford Tuesday July 16th

## Shock But Deserved Win For Condonstown Rio

The highlight of last Tuesday nights card in Kilcohan Park was the final of the Up The Deise Unraced Stake. The Euro 900 to the winner event produced a shock but deserved win for 10/1 outsider Condonstown Rio (Rio Riccardo-Jamies Cue). Breaking smartly from trap four the Mary Condon owned Condonstown Rio headed straight for the rails to motor into an early lead. The odds on favourite Monagea Flyer was badly hampered at the first bend and it was left to Local Dandy to give chase to the leader. Showing no signs of weakening Condonstown Rio maintained a steady gallop up front to run out a four and a quarter lengths winner over Local Dandy in 29.10 a fastest ever run by the winner.

Racing opened with two races confined to novice greyhounds. The money poured on Black Pal in the opening race but after having every chance of victory the favourite tired in the closing stages. The early paced Eden Storm made a bold effort to lead all the way but with the winning line in sight Eden Storm was collared close home by a fast finishing Eddies My Name (Plasterscene Gem-Raceaway Tina) this 5/2 chance posting a short head success for owner Alan Endwhistle and trainer Stephen Whipp in 29.31.

The Leo Dunphy owned Kates Vintage (Vintage Prince-Lunasa) did not go unbacked making all of the running in the second race in 29.49. Breaking in front and displaying good early pace Kates Vintage 2/1 showed the way early on to a green running Oh Magoo and holding on to her lead throughout the strong running Kates Vintage came home three and a half lengths clear of Suirview Baby who came from behind Oh Magoo to claim the runner up spot.

Portlaoise based trainer John O Mahoney sent out the John Barker owned Killinane King (Thorgil Tex-Lovely Amy) 2/1 to an easy sprint victory in a useful 16.49. Coming away smartly from trap four Killinane King held the call throughout from Gebrselassie eventually scoring by two lengths.

It was back to 500 yards for the fourth event where the Carmel Kearns owned Fun Bobby (Treasury Tag-First Drive) scored a clear cut 27.59 victory. Shaking off the early challenge of Symphonic Scroll Fun Bobby 2/1 stretched clear of Lady Roan before accounting for a fast finishing Crehana Star by an easy seven lengths margin.

Crinkle Beauty (He Knows-Marias Secret) 5/2 put some better fancied opponents in their place capturing the fifth race with ease in 29.20. Having her first race outing since October 2001 Crinkle Beauty showed plenty of early pace to take control of matters early on. Find The Cup gave chase down the back stretch but Crinkle Beauty was never in any danger of losing out breezing in nine lengths clear of Amber Lady. The winner is owned by James Young from Enniscorthy.

Hurdle racing made a welcome return to this venue with two such races on this ten race card. The highly consistent Lough Honcho (Top Honcho-Maltese Beauty) was the punters choice at 4/5 in the sixth and Jack Molloy's dog duly lived up to expectations with a hard earned but fully deserved 29.65 victory. In the firing line throughout Lough Honcho was tested to the limit by Switchtoplanb and when Sober Pride took a crashing fall on the back stretch Lough Honcho stayed on strongly in the closing stages to beat Switchtoplanb by two lengths.

Sober Decision was installed as the 4/5 hot pot in the second hurdle contest but he did his cause no good with a poor start from trap two. Hilldun Pat made a positive start from trap one but lost ground at the first bend steering a wide course. The J O Craddock owned Boherash King (He Knows-Boherash Cait) 2/1 pinched an early lead on the rails at this point and the Tom Lynch dog galloped clear for a three lengths victory over a staying on Sober Decision in 29.59.

Narabane Dancer went to traps as the evens favourite in a six bend marathon but forfeited early ground when missing her break. Lads Night Out led for three bends before Belmullet Anne (Super Hoffman-Desert Eileen) 5/2 struck the front for owner M Geraghty and trainer John O Connor. In a one sided contest from there on in Belmullet Anne kicked on for an easy five lengths victory over Express George in 41.17.

We were still over six bends for the final race of the night except this time it was over 790 yards. Metric Tiger the 4/5 favourite broke in front from trap five but it was Cooladine Burra who produced the better turn of early speed to strike the front on the rails. Cooladine Burra led to the second last bend but coming wide into the home stretch "Cooladine" gave way to Metric Tiger (Smooth Rumble-Metric Melba) and the Larry Byrne owned and John Kavanagh trained runner went on to triumph by two and a half lengths from a running on Sudden Moment in 44.10.

Waterford Saturday July 20th

## Storming Late Run By Prince Cushie

The right to represent Waterford track in this years Paddy Power.com Irish Greyhound Derby was decided in thrilling fashion in Kilcohan Park last Saturday night as the Sean Murphy owned and Peter Brady trained Prince Cushie (Vintage Prince-Cushie Amazing) 5/2 came with a storming late run to win out in 30.21. Kilmacar Joker the uneasy 9/4 favourite made a brave effort to lead all the way but coming wide into the home straight Kilmacar Joker gave away an amount of ground as Prince Cushie produced one final effort to snatch a last gasp victory and score by the minimum distance.

Bonmahon owner Mick Ahern was present to see his lightly raced Magniers Flash (Liffy Mills-Europa Flash) 3/1 open his account in emphatic fashion taking the first race over 550 yards in 30.46. The early pace of Magniers Flash steered him clear of early crowding as Heathfield Hope moved out off the first turn and enjoying his trouble free romp up front Magniers Flash came home five lengths clear of Heathfield Hope.

The Carrick based Sharp Shooters Syndicate and trainer Ian Seymour combined to capture the second race with the early paced Fear No Factor (Spiral Nikita-Droopys Lillian) this 3/1 chance taking this 500 yard contest in 27.84. Showing sound early pace Fear No Factor led at the first bend and when Rugged Ranger struck into the fast starting Farranrory Tiger Fear No Factor galloped clear to register a six and a quarter lengths defeat of Hyde Park Ace.

Litter sisters Kellsboro Pest and Kellsboro Lucy did life long greyhound owner Walter Walsh proud as both daughters of Spiral Nikita and Proud Roslea captured their contests in convincing fashion. Kellsboro Pest 3/1 was first into action in the third event and while she was led early on by Savana Predator "Pest" drove up on the inside of the leader at the entrance to the back stretch. The well backed Southlodge Beau 6/4 outpaced the leaders down to the third bend but when "Southlodge" appeared to pick up an injury at the penultimate turn Kellsboro Pest struck the front once again to run out a length and a quarter winner over Carlow Picture in 30.51.

Kellsboro Lucy 5/2 enjoyed a far easier passage in the fifth race making all of the running from trap two for a clear cut five and a half lengths win over a hampered Mystery Madness in 29.18 a fastest ever return by the winner.

Having her first official outing over the track the Clarissa Bohan owned and Timothy O Riordan trained Stepside Rose (Top Honcho-Step And Go) 4/6 clocked 30.24 when capturing the fourth race over 550 yards. Gallows Hal went up well to the first bend but kept wide as Stepside Rose nipped into the lead on the fence. Once in front Stepside Rose was not going to be denied running out a length and a half winner over Active Spy who did well to take the runner up spot from Gallows Hal.

Locally based trainer Mick Cronin does very well with some shrewd purchases and Pouchers Pal (Arrigle Buddy-Come Home Denise) 4/5 was yet another winner for the kennel capturing the sixth contest in impressive fashion. Barbies Bluebird showed in front from the break but producing the better turn of early pace Pouchers Pal was soon at the head of affairs. Striding out well on the back stretch Pouchers Pal galloped clear for a four and a quarter lengths win over Gaynors Flame in a speedy 28.81.

Tramore trainer Lester Power is certainly getting a sweet tune out of the November 2000 whelp Blokade Tex (Thorgil Tex-Mona Lisa UK) and this 3/1 shot posted back to back victories clocking 29.06 for UK owner Mozzam Ali in the seventh event. In a race that is easily described Blokade Tex outpaced his rivals from the outset leading throughout from Mill Vale who tasted defeat by three and a quarter lengths.

The much improved Harlenas Tom (Come On Ranger-Pres To Lisnak) 2/1 owned by Peter and Desna Hattemore displayed his current well being capturing the ninth race in a fast 28.88. The winner did not have matters all his own way as Good Tyne matched strides with the leader to near the third bend but forging into the lead Harlenas Tom came home two and a half lengths clear of a hampered Active Nikita.

The concluding 730 yard marathon saw the John Fitzgerald and Phil Gough owned Sparta Dick (Toms The Best-Sparta Mary) 1/1 come from well back to land the spoils in 41.15. Well adrift early on as Tokio Rhythm led from Folly Lotto Sparta Dick gradually reeled in the leaders and while From A Friend hit the front at the second last bend Sparta Dick made rapid late headway to outstay From A Friend by three and a half lengths.

## O'MAHONY CYCLES & NURSERY SUMMER SERIES WEEK TWELVE

# STYLISH WIN FOR RAY DWYER

The final event of our twelve week Summer Series took place last Wednesday evening, July 17th, from Kilrush, with a total of twenty five riders starting. Four groups were started, with a time-gap of nine minutes from first to last. From the outset it became clear that the winner would emerge from either Ray Dwyer's group, comprising Eamon Phelan, Vincent Tutty, Martin Veale, Paddy Power, Justin Coonan, John Flynn and Anthony Dwyer, or the scratch group containing a host of Carrick riders and Mark Flavin, Pat Kenealy, Shane Power and Eoin Whyte. At Cappoquin the lead was

down to 3:50 and following a tough stretch across Kilmolash to the Welcome Inn a very strong group ride ensured that Ray's group still maintained a ninety-second lead. Both groups gave it all from here in, and at Master McGrath it was clear that the group behind were gaining fast, but would be unable to bridge the gap. Shane Power attacked at the bottom of Ballinamuck and stretched out a fifty-metre gap, but faltered as the bunch followed. In what was a very exciting finish, Ray Dwyer attacked with 500 metres to go and crossed the line a bike-length ahead of Andrew McHale, to take the honours on the

night, and indeed the overall Kilmolash Series. Following his two previous second place finishes, this proved to be a very hard-won victory for this very popular sportsman.

### TOUR DE FRANCE

Cycling's major event of the year heads towards Paris having completed many of the major stages in the Pyrenees and the French Alps. Eurosport continues to broadcast intensive daily coverage of this fantastic spectacle, with our own Sean Kelly in the commentator's hot seat. At the moment three-time winner Lance Armstrong is in a commanding position with four days to go.

### MARATHON SPIN

Five club members are arranging a marathon 150-mile spin on Saturday August 10th. Route: either Kinsale and back, or Wexford and back (depending on wind direction), with a lunch stop en route. Start time 8 am. Anyone else interested? Estimated return time 7 pm.

### COMERAGH 100 & CLONMEL TOUR

Leisure cyclists please note that this year's Comeragh 100km event, hosted by Carrick Touring Club will take place on Sunday, August 11th. Sign-on will be at Sean Kelly Square. Also, on the following Sunday, August 18th, Clonmel CC will host the Dr. O'Regan0 Challenge, again over 100km. Telephone details are in your handbook.

### WEEKEND AWAY ???

The club committee are

anxious to determine if there is interest from members in the club in participating in an overnight stay in either Kinsale or Dunmore East for Saturday night September 28th. Please contact Justin at 43422.

### CLUB CHARITY EVENT 2002

This year the club intends organising a charity cycle for Saturday August 24th. All club members will be circulated with a sponsorship card within the next two weeks, and you are asked to do your very best to raise funds for two nominated charities, West Waterford Hospice and the South Eastern Cancer Foundation. The cycle on the day will cater for all abilities with three designated distances to suit: (a) Dungarvan to Cappoquin and back, (b) Dungarvan to Lismore and back, and finally (c) Dungarvan to Fermoy and back. All groups depart from the Square, Dungarvan at 11 am. More details in the coming weeks. Most of us are aware of someone, family, neighbours or friends who develop cancer and this is our opportunity as a local club to do something to help, so please make a determined effort to support this fund-raiser, and have an enjoyable cycle as well.

### CLUB SPINS

Now that our Club Competitions are over for the season, it's time once again to reorganise our regular club spins. Our touring spin continues every Saturday at 9:30am from Kilrush, while

our faster club spin is catered for every Sunday morning at same time from the Square. Furthermore, Mondays and Wednesdays at 7 pm from Kilrush will set the scene for an enjoyable "controlled" spin. Please join in. Please arrive at Kilrush not later than 7 pm, so that the spins can leave exactly on time. If you are late...just catch up. Wednesday night's spin will be a nominated route, tonight, July 24th to Lismore, top of Tallow, Ballyduff and home. All cyclists to stay together until Cappagh Post Office on the return home. Race is on from there for any willing souls. Stronger cyclists are asked to respect this controlled spin, and set a pace that the group can follow.

### BEGINNERS

Any newcomers out there? Why not come along for 5, 10 or 15 miles before turning back directly or by another route. Meet at John Foley's at 9:30am every Saturday. Sunday spins leave from the Square at the same time. Evening spins leave Kilrush at 7 pm on Mondays and Wednesdays.

### EMAIL

Weekly cycling notes are currently being delivered to about a dozen members who have supplied email addresses on their application forms. If you have an email address and you wish to be added to our e-mailing list, please email dungarvanc@eircom.net. In addition all club notes are now available on our website at homepage.eircom.net/~dungarvanc

## LISMORE SOCCER NOTES

On this Friday evening at 9:00pm, we shall have our A.G.M. all players & members are asked to attend in the Red House Bar. 9:00pm sharp.  
**Underage Soccer**  
Last Friday evening we welcomed Ardmore to the Castle Farm grounds although the re-

sults did not go our way. We can see a major improvement every game. Keep it up lads. On Sunday morning our Under 9 team although exceptionally young participated in the Cappoquin Soccer blitz. We received a walkover in the first round then played a very fan-

ciated host team next and gave them a real fright, going down by 2-0. A super effort. Our next match was the plate semi final, however we found our opponents Ballybridge a little to physically strong losing again 2-0. Another gallant effort considering the club is

only together about 5 or 6 weeks. We are doing very, very well lads and don't get disheartened, we can only go one way and that is up. Finally thanks to Michael Looby and Cappoquin F.C. for their invitation last weekend. Excellent tournament.
