One Million Euro Local Authority Housing Project Set For Dungarvan

KEVIN KIRrane

Funding for a eurl million housing development near the Old Powers Brewery in Dungarvan, and the continuation of work on forty new local authority houses in the Shandon area of the town, was announced by Minister Martin Cullen, on Monday

last.

The funding of eur9.5m for this years local authority housing programme is to cover two main housing projects in Dungarvan, and has been hailed as an almost doubling of the Town Council's housing funds over last year.

The funding is to include the completion of phase one of the Shandon development, which is in the pre-tenancy stage and comprises of forty houses. Keys are also expected to be handed over to the tenants of the new homes in the near future.

The second phase is also included, with eur3.4m announced for a further 40 houses as part of one of the largest local authority housing projects ever undertaken by Dungarvan Town Council.

Meanwhile, a develop-

ment, expected to make "inroads" into Dungarvan Town Council's housing list for Senior Citizens and Single People, has been allocated eurl million by the Government.

The nineteen-house development at the former Powers Brewery, opposite Wolf Tone Road in Dungarvan, is believed to contain mostly two bedroom houses, and its location close to services is thought to be ideal for Senior Citizens.

Cllr. Michael O'Riordan, (Ind), said he was delighted,

**BAHAMIAN REPRESENTATIVE VISITS DUNGARVAN**

A welcome visitor to Dungarvan last week was Ms. Amanda Moncur, the Head of Delegation of the Special Olympics Team from The Bahamas, who will be visiting Dungarvan next year prior to their taking part in the World Games in Dublin. Ms. Moncur took the opportunity to meet the members of the Host Town Committee who have been making arrangements for the visit of the special athletes to Dungarvan next year and also view the sports facilities available in the town and district.

On Monday evening in the Civic Offices, the Mayor, Cllr. Nuala Ryan and members of the Town Council accorded her a Civic Welcome. The Mayor in her address of welcome said that she was pleased to bid her a formal, but very warm and genuine welcome amongst us.

She said the people of the town and the Members of the Council were thrilled when it was announced last November that Dungarvan would be home to the team from the Bahamas for a week of acclimatisation and familiarisation next June.

"A special Committee chaired by Cllr. O'Riordan and widely representative of the community has been making the necessary preparations," she said, "and is well advanced in that regard. I have no doubt you will be made familiar over the next few days with what has been done to date, but I am confident that the preparations will be more than adequate for the needs of all our visitors."

She said that as a Council and particularly through the medium of the Council's Sports Centre, they had always tried to be helpful to, and supportive of people with special educational needs, whether as students or

as athletes. "We welcome this further opportunity to make a contribution in the international arena," she continued, "and know that when your fellow country-people return home after the World Games, they will bring back with them only the warmest and fondest memories of Ireland and Dungarvan."

In reply, Ms. Moncur said that she had been overwhelmed by the welcome she had received, both at the Conference of Heads of Delegations in Dublin and now in their host town, Dungarvan. "From what I have seen and experienced so far," she said, "I know that our athletes and coaches will be made very welcome and will enjoy their time in Dungarvan and Dublin."

During the week she visited the sports facilities which will be available to the Bahamian team including Carriega Training Centre, St. Augustine's College, Dungarvan Sports Centre, Dungarvan Tennis Club and Finnisk Riding Centre.

Before her departure on Thursday, she met with the organisers of the Glaxo-SmithKline Road Race, the proceeds of which are being donated to the Host Town Fund. At a photocall at the GSK plant, Michael Dwyer on behalf of the company said that GSK were delighted to be associated with the fundraising effort for the Special Olympics 2003. "We hope this is just the start of a long association with the Special Olympics," he said, "and, as one of the main employers in the town, we will be pleased to help in any way we can over the next twelve months."

Cllr. Michael O'Riordan, Chairman of the Host Town Committee suitably replied

and thanked GSK and the Sports and Social Club for their exceptional generosity.

Also present from GSK were Siobhán McCarthy, Dermot Dwyer and Tony Egan.

Later, at a farewell lunch in the Park Hotel, Town Clerk Mr Brian White thanked Ms. Moncur for taking the time to visit the town and spend so much time visiting all the facilities and meeting the people preparing for next year's visit. "Together," he said, "we can make sure that the programme for next year will be a worthwhile and successful one."

Mayor of Dungarvan, Cllr. Nuala Ryan said she was sure Ms. Moncur's visit had been fruitful for both the Irish and Bahamian interests. "I hope you have enjoyed being here as much as we have enjoyed having you," she said. Amanda spoke of her experience of her first visit to Ireland and her impressions of the Irish people. She said she had thoroughly enjoyed her stay in Ireland and was glad she had come. She said it was obvious that everyone she had met was excited about next year's World Games and the visit of the Bahamians to the town.

"Dungarvan is a very warm and friendly place to be," she said. "Everything looks so healthy, fresh and green and even the cows look stress-free. I am very much looking forward to coming back here next year and I know that all our athletes and support team will enjoy their visit to Dungarvan. I hope too that the relationship between our two communities will continue far beyond the visit next year."

The work of the Host Town Committee continues in an effort to make the visit of the Bahamian Special Athletes as successful as possible.

## GAELTACHT MINISTER'S VIEWS WELCOMED BY RING/OLD PARISH REPRESENTATIVE

Assertions from the Minister responsible, that official Gaeltacht status inspires promotion, use and survival of the Irish language in small rural communities, have been welcomed by the Ring/Old Parish representative on Údarás na Gaeltachta.

Eamon Ó Cuív TD, the Minister for Community, Rural & Gaeltacht Affairs was responding to questions from Cllr. Fiachra Ó Céilleachair at

a special meeting of Údarás na Gaeltachta on Thursday July 4th, which debated recommendations from the Government's Gaeltacht Commission - which include a proposal to review the boundaries of the official Gaeltacht.

The two previous reviews of Gaeltacht boundaries had significant effect in Co. Waterford - a substantial part of Old Parish lost its Gaeltacht status in 1956 but had it restored in

1974. Cllr. Ó Céilleachair says he's encouraged by Minister Ó Cuív's stated views that the population catchment of an Irish language primary school should not be split between Gaeltacht and non Gaeltacht districts.

Addressing the meeting at Údarás na Gaeltachta's Headquarters in Na Forbacha, Galway, Cllr. Ó Céilleachair said:

"Some 50 years ago, parts

of south Kerry retained Gaeltacht status whereas the parts of west Clare were excluded. The Irish language effectively died in those east Clare communities since. No matter how secondary the language may be in south Kerry today, it survives as a living language in the community. One must look beyond mere census statistics regarding actual use of Irish within households in

the Gaeltacht. Bilingual activity and promotion of the language in public by organisations - sporting and otherwise - is an important focus. Similarly, visibility and audibility in the schools, the religious sphere and in the local industrial and commercial sector is worth examining. I believe the case is clear that official Gaeltacht status is critical to the language's survival in places like Ring and Old Parish and enables those communities to be an example and resource on a wider level. I look forward to the various Gaeltacht and Irish language agencies continuing to support the healthy Waterford Gaeltacht communities."

## Abbeyside Reference Archive Notes

A TIMELESS TREASURE IN THE OLD BORO

Last week we were delighted to receive a copy of the newly published book bearing the above title for our archive.

It would be hard to find a book with a more local flavour than that dealing with the last 30 years of Waterford Glass in Dungarvan. We wish to congratulate all involved on putting this production "on the record" and know it will prove a mine of information for researchers in the future. Abbeyside faces jump out from many pages and more readable text would be hard to find. Books dealing with industry are not plentiful as the only other we hold in the archive is "The Mighty Oak". The story of co-operative progress in Co. Waterford between 1921-1981. After being on its own for 21 years this book will now have a companion - and what a companion!

To add icing to our cake we were given an engraved Waterford Crystal Plate to mark the 30 years. When we get our glass case sorted out we will put this beautiful object on display.

This Sunday evening Eddie Cantwell will be at the Parish Office minding these two books and all the other memorabilia. Visitors will be most welcome.

KIDS' STUFF

# The Dinosaur

## WHY HAVE SOME DINOSAURS GOT FOUR LEGS AND OTHERS TWO?

The answer is simply that dinosaurs walked in the way that suited their lifestyle best. Most carnivores, for instance, walked on their hind legs because they need to keep their hands free so they could use them to catch and hold on to their prey. Other dinosaurs walked on all four legs, mainly because their enormous size and weight needed support from four "posts" underneath. Large herbivores such as Diplodocus were like this. Some dinosaurs had the option of walking either on two or four legs, depending on what they were doing at the time. They could move around slowly on all-fours, feeding on low vegetation, but when alarmed, could rear up and charge off on hind legs alone. These dinosaurs needed special hands that allowed for weight support, as well as grasping.

### DID YOU KNOW?

Tyrannosaurus Rex had surprisingly small hands in proportion to the body, with only two claws. They were too short to hold prey, but they may have been used as anchor to grip the ground when Tyrannosaurus Rex rose from resting. **Iguanodon** had hands with large thumb spikes which it used as a fearsome defensive weapon. The middle three fingers, which ended in hoof-like bones, were used exclusively for walking on and the fifth finger was flexible and used for holding food.

## The Long-Necked Monster

The Diplodocus was one of the biggest dinosaurs ever to walk the earth. Diplodocus looked extraordinary with its long neck and tail, and a head that was tiny, fitting its lifestyle perfectly. It could reach up to feed at the tops of very tall trees, like conifers, that grew at the time. Its small head allowed it to browse amongst the vegetations, where few other dinosaurs could reach. This type of feeding needed a special type of neck — one that was strong, light and flexible, in order to be raised and lowered easily. Having stripped one area bare of food, it would have ambled off with its companions in search of new feeding grounds. If Diplodocus was threatened by a meat eater, its only defence would have been its bulk, and its long, whip-like tail.

### DID YOU KNOW?

**Diplodocus** had quite narrow feet in proportion to its body weight. It would have grazed on dry, firm ground where it would browse its way through conifer forests. It would probably have been part of a herd. The Diplodocus was 86 feet long and weighted 16 tons. Giraffes are a little like the Diplodocus, reaching up with their long necks to the tree tops. However, they are unlike the dinosaur, as the giraffe can chew its food and so does not need such a large belly. The Cucas plant would have formed part of the Diplodocus diet.

## DEATH OF THE DINOSAUR

Dinosaurs vanished from the earth suddenly and why this happened it still a mystery. Around 70 million years ago the dinosaurs ruled the Earth. Yet, about five million years later, they had all died out, perhaps only in a matter of months. Scientists have put forward various theories to explain their sudden extinction, but many ignore one vital point: dinosaurs were only one of a whole range of creatures that died out at the same time, including all the swimming and flying reptiles. So any theory to explain dinosaur extinction must explain the disappearance of these groups as well. The theories are numerous; some people think small mammals ate the dinosaur eggs. This is unlikely as it would not account for the extinction of other species. Others believe that dinosaurs simply grew tired of life on Earth and died of boredom!

### DID YOU KNOW?

One theory is that dinosaurs died out because they ate new kinds of poisonous plants. A popular theory is that a massive meteorite from space collided with the Earth causing a huge steam and dust cloud which darkened the Earth for a long time, killing off the plants and the animals that fed on them. If a meteor had hit Earth the impact would have had an effect rather like that of a massive nuclear war. Dense black clouds would have cut out the sun for months. Dinosaurs may have contracted cancer. Fossils have been found with cancerous tumours in the bone.

## Recipes

# COOKERY CORNER

## Always Time For Tuna

INDULGE in a little Italian cuisine – Pennette Rigate al Tonno. Or, to put it another way, pasta with tuna fish sauce.

**Ingredients:**

(Serves 2)

225g Pennette Rigate  
1 x 15ml sp olive oil  
3 x 15ml sp freshly chopped flat-leaf parsley  
2 x 5ml sp garlic puree  
1 small red chilli, deseeded and finely chopped  
1 x 5ml sp minced root ginger  
300ml passata  
200g can tuna in oil, drained

**Method:**

Cook the Pennette Rigate according to the instructions on the packet.

Meanwhile, heat the olive oil in a frying pan and fry the garlic, chilli, ginger and two tablespoons of the parsley for one minute.

Don't forget to stir this mixture occasionally.

Add the passata and tuna to the oil, garlic, chilli, ginger and parsley mixture and cook for about three minutes. Drain the pasta when it is cooked.

Stir in the hot sauce, then sprinkle over the dish the remaining flat leaf parsley to garnish.

This dish is ideal served with a fresh, green salad and white Italian wine.

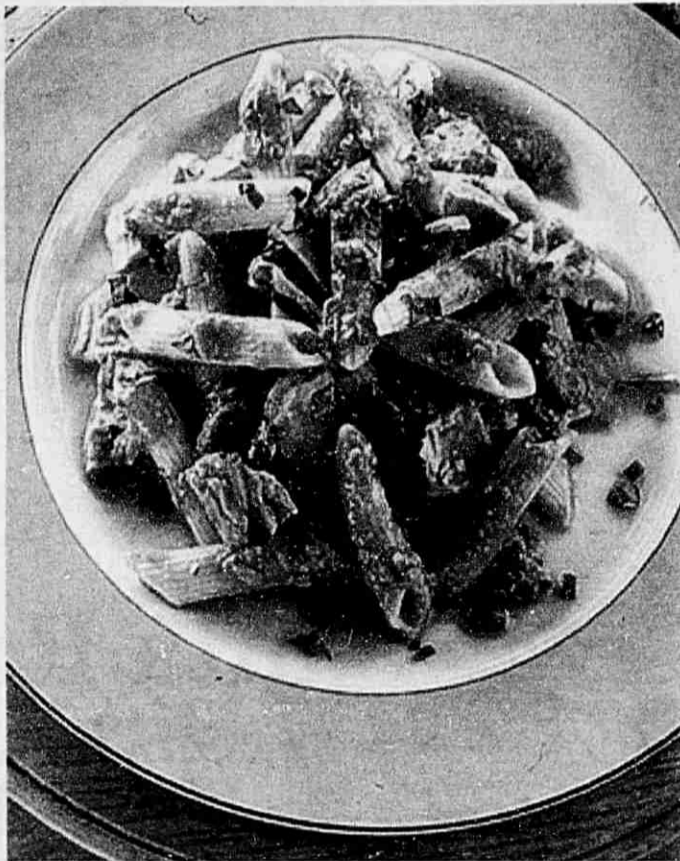

**TIP:** This dish can be served hot or cold.

It is ideal as an evening meal, and can also accompany a barbecue-type meal in the summertime.

■ Try using Cellentani pasta instead of Pennette Rigate.

■ You can cook the sauce and freeze it for later use.

■ Experiment using fresh herbs with the dish including, parsley and thyme.

**Ingredients:**

(Serves 6)

225-300g broccoli, cut into chunks  
2 eggs  
150ml double cream  
90ml milk  
Pinch of salt  
Pinch of cayenne pepper  
175g gorgonzola cheese, grated  
1 x 18-20cm cooked shortcrust pastry flan case  
Flat-leaved parsley to garnish

**Method:**

Preheat the oven to 180°C/350°F/ gas mark 4. Bring a pan of lightly salted water to the boil and cook the broccoli pieces for 4-5 minutes, or until just tender. Drain and refresh in iced

water then set aside.

Beat the eggs, then add the cream and milk and season with the salt and cayenne pepper.

Add the grated gorgonzola cheese.

Arrange the broccoli pieces in the flan case and pour the cheese mixture on top.

Bake in the oven for 35-40 minutes until set and golden.

Serve hot or cold, decorated with parsley sprigs. New potatoes are an ideal accompaniment to the meal with a leafy green salad and halved tomatoes for colour on your plate.

**TIP:** During the last five minutes of cooking you could sprinkle over extra gorgonzola cheese to give the flan an irresistible sticky finish.

If you don't have gorgonzola cheese, you could use Stilton, roquefort or mature cheddar.

## Tinkering With The Traditional

TRY this delicious low-fat moist carrot cake.

**Ingredients:**

(Serves 12)

175g dark brown, soft sugar  
2 large eggs  
120ml sunflower oil  
200g wholemeal SR flour  
1 1/2 x 5ml sp bicarbonate of soda  
3 x 15ml sp mixed spice  
grated zest of 1 orange  
200g carrots, peeled and grated  
175g sultanas

For the topping:

250g Quark (skimmed milk, soft cheese)  
20g caster sugar  
2 x 5ml sp vanilla extract  
1 x 15ml sp ground cinnamon  
Ground cinnamon for dusting

For the glaze:

Juice of half a small orange  
10ml lemon juice  
40g dark brown soft sugar

**Method:**

Whisk sugar, eggs, and oil with an electric whisk for 2-3 minutes. Sift the flour, bicarbonate of soda and the mixed spice into a bowl, tip in the bran that is left in the sieve. Stir all this together, fold in orange zest, carrots and sultanas. Pour the mixture into a parchment lined 25.5cm x 15cm x 2.5cm baking tin, bake on the centre shelf of the oven for 35-40 minutes, until springy to touch.

While the cake is cooking, mix all the topping ingredients together in a bowl until light and fluffy, cover and chill for 1-2 hours.

For the glaze, whisk together the fruit juices and sugar, then when the cake comes out of the oven, stab it with a skewer and spoon the syrup over.

Leave the cake to cool, cover with the topping, cut into 12 square and dust with cinnamon before serving.

### Homoeopathic Remedies for the World Traveller - Part 2

**Carbo veg** — Collapse, faintness with a need to be fanned. Indigestion with much incarcerated wind. Fullness, heaviness and belching with distress from the simplest food. In addition to assisting those bloated with wind Carbo veg is also of great value in food poisoning attributed to bad fish.

**Cocculus** — Jet-lag and travel sickness. The preventative dose for both being one tablet before departure and one every four hours during the journey. Seasickness primarily, but any sickness brought on by undulating movement.

**Ledum** — Bites and puncture wounds. For insect bites or injuries where the area is red or discoloured and pimply with a nettle rash like irritation, and where the affected area is soothed by cold bathing. Ledum will also continue the work of Arnica in resolving bruises.

**Nux vomica** — Overindulgence, hangovers, especially from the ill effects of rich or spicy food and alcohol. Nux vomica alleviates a variety of dietary indiscretions and is therefore a blessing to the traveller. Retching and vomiting as well as constipation are covered. # Top Girl Band To Play Davitts

Top girl band, Jade, who have featured on 2FM, RTE 1 and Today FM, and have headlined at some of the country's major venues, are to perform this week in Davitts, Dungarvan.

Jade are a live band and play without the use of backing tracks. Having won the regional final of the IMRO showcase, held in Wexford, Jade were invited to Vicar Street in Dublin to perform in the National Showcase held on the 11th May. Only eight bands are selected in the country to play at this event set up by IMRO.

They have also won the finals of the popstars competition held in Dublin in 'Innisfalls' on 27th May.

From a small village in the

South East, Jade have all deferred College to concentrate on music, and have spent the last six months writing and recording their own music.

Although only a few months back on the live circuit, they are already playing to packed houses and have created a major impact in all venues they have performed in to date.

Tracks from their demo CD are played almost every day on South East Radio, while 2FM DJ Dave Fanning heard the girls in Vicar St, and has since played them on 2FM.

As well as the four tracks on their demo the girls have since written enough songs to record an album. They perform most of these songs in their live show.

# Idle Advance Factory A Matter of Regret

Every effort is being made by Waterford County Council to attract a suitable tenant for the IDA's idle advance factory in Dungarvan, according to County Manager, Donal Connolly.

The factory was built in 1999 following the designation of the County as "litter free" by the IBAL (Irish Business Against Litter). A motivating factor in the great effort to achieve this status was the promise from IBAL to allocate some eurlm for the construction of an advance factory in what turned out to be Shandon, Dungarvan - just off the N25.

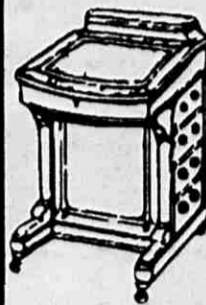

Cllr. Fiachra O Ceilleachair, who made representations on the matter, said "whereas the planning and building of that factory went

ahead as scheduled, it is a matter of some regret that three years sees no permanent occupier confirmed at this prime industrial location. It is a pity, that the communities and local authorities, who worked in partnership to bring about the reward of this facility for the county town, have not seen this prize being utilised to its full potential. I hope to see matters progressed with the IDA".

In a written reply to Cllr. O Ceilleachair, the County Manager said "I wish to assure you that every effort is being made in conjunction with IDA Ireland to attract a suitable tenant for the advance factory in Dungarvan".

# Shortlist Drawn Up For Wastewater Treatment Plant Contract

A shortlist of five companies interested in acquiring the contract to build and operate a new Wastewater Treatment Plant in Dungarvan has been drawn up, according to County Engineer, John O'Flynn.

Setting out the current position of the plant in reply to representations made by Cllr. Fiachra O Ceilleachair, Mr. O'Flynn said that the tender documents have been issued to the five prequalified consortia within the past week. The bidding process for the running of the plant has a closing date of 1st October and will take approximately two years to complete.

"Allowing for examination of tenders and receipt of the necessary approval from the Department of the Environment and Local Government, it is anticipated that construction will commence on this project in May 2003", Mr. O'Flynn states.

The project is divided into two separate contracts, he goes on to say, with the collection and delivery system under a different contract to the treatment plant.

The Department of the Environment has approved contract documents for the collection and delivery systems and all the necessary planning issues are now completed.

# INDIAN OCEAN

- The Ultimate In Indian Cuisine

Members of the staff of Dungarvan Leader enjoying a meal at the restaurant — (l. to r.) Proprietor Mark Maroof, Kevin Korrane, Anna Fahy, Billy Coleman, Kathryn Wright, Jenny Flynn with staff of the Indian Ocean.

## Kevin Korrane

With panoramic views of Dungarvan's seascape, excellent service and a broad range of Indian cuisine, it's little wonder that the Indian Ocean Tandoori restaurant has quickly established itself as one of the leaders of culinary excellence in West Waterford.

Proprietor, Mark Maroof, who hails from Kashmir in North India, opened his new restaurant on Davitts Quay just over a month ago. But, his experience in the trade, which spans ten years in Manchester and Youghal, is telling.

Offering mild to spicy foods, cooked by highly trained and experienced chefs, the Indian Ocean's obliging and friendly staff are always on hand to offer advice and help on choosing the dishes, all adding up to the ultimate Indian cuisine experience.

As an appetiser we tried the Peshwari Kebab, a delicately spiced, minced lamb dish, which, while not too filling, is the perfect taster for what's to come. The French House White Wine, Cunie Boucharde Aine, is also highly recommended, while Cobra, an Indian brewed beer, specially imported by the proprietors, is another one of the treats in store.

The main courses greatly vary, and provide a wide range of options, all helpfully explained in the extensive menus, from the siz-

One of the chefs preparing a meal at the Indian Ocean Restaurant.

zling Tandooris to beautiful Baltis, mild Pansanda to the very hot Vindaloo. Low fat options are also listed for those watching their waistlines.

We had the mild dish, Beef Kashmiri, which was cooked in creamy sauce with mixed fruit, and the Jezfrezi, a delicious meal cooked with sliced onion, green pepper, fudgeek and a touch of lemon. A selection of side-dishes of boiled rice, pilau rice and vegetable rice is also on offer, while the Tandoori breads are one of the highlights of the meal, with plain NAAN, Garlic and Peshwari included in those available.

To finish off a hugely enjoyable night at the Indian

Ocean, we tried the Tarta Fantastica, a chocolate and ice cream treat, while the Irish, French and Bailey's Coffees are the perfect way to round off the evening.

The Indian Ocean Tandoori Restaurant on Davitts Quay in Dungarvan opens everyday from 5pm - 11.30pm with Special Lunch on Thursday to Sunday between 12.30 - 2.30pm. An excellent take away and delivery service which extends 5 miles from town is also available. Those who wish to make a reservation or call the delivery service can telephone 058-48495/48549. The Indian Ocean is an experience not to be missed.

## Alternative Vision On Waste Strategy Required Says Labour Councillor

The introduction of a National Waste Management Authority, allied to investment in and development of a recycling infrastructure, is the alternative to over dependence on landfill and the drive towards incineration of our rubbish.

That's the view of Dungarvan area Labour Councillor Fiachra Ó Céilleachair, who says such a direction in national policy is required to alleviate what he refers to as an emerging crisis in the management of waste in Co. Waterford.

Cllr. Ó Céilleachair says the publication this week of a Report on Irish Waste Management from Peter Bacon Consultants clearly shows that reduced inward investment from expanding companies, with consequent job losses, could result from stalemate and unfavourable conditions in waste management emerging from ongoing local controversies and varied practices in how we deal with our rubbish.

The same Bacon report, according to Cllr. Ó Céilleachair, says our Government is "extraordinarily ambitious" in its targets for recycling in the light of an absence of an infrastructure to cater for it.

Arguing that there was little vision or focus to current Government strategy on waste management, Cllr. Ó Céilleachair said:

"The present landfill facilities at Kilbary in Waterford, Ballinamuck in Dungarvan and the one in Tramore are at closing point. Waterford County Council's handling of the search for a new landfill site for the county is a matter of legal dispute and may yet be proven as flawed. Although our taxes fund such local authority services in the first place, we continue with a situation whereby householders pay an extra 5 Euro in one part of Dungarvan for their wheelie bin to be collected, with their neighbours in the County Council area an extra Euro on top of that. There is also a similar difference in what it costs to have their bags of recyclables collected. In Waterford city, householders pay less than half of what it costs for their County Council counterparts for wheelie bin collection. And in the city there is no door to door collection of recyclables. Then we are told to accept a local or regional waste plan that foresees all the county's waste going to one unknown location - inclusive of an extraordinarily expensive ambition to introduce a thermal treatment infrastructure as opposed to investment in the cleaner and safer recycling system with minimum diversion to landfill on a far smaller scale than hitherto. This alternative vision needs to be put to the Environment Minister Martin Cullen and those in authority down along the way whose responsibility it is to deal with waste."

## Melleray Sports & Gala Weekend

Melleray is the place to be next weekend when the annual Sports and Gala Day will take place. This day is guaranteed to be fun-packed and promises to be a hive of activity with plenty of attractions for all the family - young and not-so-young!

The festivities commence with a fancy dress parade at 2pm. Then its down to the business of running with races for all ages including boys and girls events, adult races and novelty races, with super prize for the winners. The ever-popular Bouncy Castle returns again this year to provide much fun and enjoyment and young children can bounce to their hearts content. A very popular feature on this day is the barbecue providing tasty treats and refreshments. There will be the usual stalls with local produce, delicious cakes and bric-a-brac. A huge side attraction is the very popular spinner with lots of valuable prizes to be won. Side attractions include - tip-the-bucket, pony rides penalty kicks and much more to attract all ages. Preparations are well underway to ensure a full and varied programme of events with something for all the family.

However, the day will not conclude with the sports events as an Irish Night will take place that night at 9pm in the Cats Bar. This night will feature talent from Melleray from all ages and will include items from Scor na nOg, Scor na bPaisti and Senior Scor. Melleray had a most successful year in Scor 2002, achieving many county honours and reaching Munster final level in three events. This night promises a variety of entertainment including song and dance, recitation, novelty acts and set dancing. A most entertaining night is assured.

We also hope to feature a visit from the Munster cup to round off the days festivities - so come along and join in the action as all roads lead to Melleray Sports and Gala next weekend. Sunday August 4th.

## LETTER TO THE EDITOR

Dear Editor,

Your report that the 'Kathleen and May' will visit Dungarvan in August, prompts me to write. I first heard about the 'Kathleen and May' many years ago from my cousin, Tom Tobin, of happy memories. He told me some of its history and that I should see it as it was moored in St. Katherine's Dock by the Tower of London.

I had been a regular visitor to all the dock areas in London and knew St. Katherine's well. There were many historic boats there in a living museum and the Kathleen he said was among them.

So off I went one Sunday morning to look for the Kathleen and May. I searched everywhere but I couldn't find it. Disappointed, I made my home on foot via "Tower Bridge" and HMS Belfast, then quite by accident, I found it, for there hard by "London Bridge" in the shadow of Southwark Cathedral, in St. Mary Overie Dock was the Kathleen and May. (St. Mary Overie Dock took its name from St. Mary Overie Church, which was what Southwark Cathedral was known as in Catholic London).

I had occasion to visit the little boat many times as it was a tourist attraction and for £1.50 you could go on board and tour around. I took some 30 pictures as a souvenir and talked to the man in charge. Down in the hold, there was a strong smell of coal, but the man told me it was hemp.

One Sunday morning, however, when I made my way down Clink St., past the Clink Prison museum, I found the dock empty. Not knowing what happened to the Kathleen and May, I went over to St. Katherine's Dock and couldn't find it anywhere. It was several years later when I read a story in the 'Dungarvan Leader' that it was moored in Youghal undergoing repairs.

Now I hear the people of Dungarvan will have the honour of a visit in August. I highly commend this little boat to the people of Dungarvan and it is worthy of support from them and the Town Council.

Yours Truly,

S. O MATHUNA

## ABBEYSIDE SCOUT NOTES

The meeting on Saturday night was given over in its entirety to getting the last of the annual camp gear sorted out. Items such as fires and most importantly a store tent and main guys.

The main guys in particular gave P/L Kieran Harty quite a few headaches but in the end he sorted everything out and came up with an ingenious plan for marking tent bags etc. in order that they will not get mixed up again.

Well at least not until next years camp when at that

stage everyone will probably have forgotten what the system was!

The important pieces of information to come from the meeting included the following.

All to arrive on camp at 11am. Sat 3rd August in uniform. Camp ends on Sat 10th August at 1pm.

Bicycles should be in good order with a lock.

Sports gear such as hurleys, boots, tennis/badminton rackets etc., can be brought.

This years camp which we are attending in Mount

Melleray Scout Centre is just one of a series of camps being held nation wide all at the same time to mark the 75th anniversary of our scout movement in Ireland.

The programme has been drawn up and at this stage it is a case of arriving on site setting up camp and enjoying the fun which has been planned.

All going well, come the 10th of August the scouts will have a tale to tell, to all those who will listen of the fun and good time they had on annual camp 2002.

## Lismore Notes

### SAINT CARTHAGE'S SINGERS PREPARE FOR THE NEW SEASON

St. Carthage's Singers - the Choir-in-Residence of Lismore Cathedral - are preparing for another promising season. The choir has gone from strength to strength. Apart from singing in Lismore Cathedral they performed in St. Patrick's Cathedral and Christ Church Cathedral in Dublin, in Glenstal Abbey and, recently, in St. Mary's Abbey in Glencairn. They also sang in a number of churches in South Tipperary and East Cork where, dressed in their red choir robes, they made an impressive appearance.

Apart from this the quality of the choir improved. They started singing in the usual four parts (soprano, alto, tenor, bass), but are now successfully tackling music in eight parts (dividing themselves in two choirs) and a number of choir members sing solo when required, as recently in a performance of Mendelssohn's "Hear My Prayer".

The next step will be the addition of a small instrumental ensemble, as needed, for instance, for performing a cantata by Joh. Seb. Bach or other composers.

At present the choir has one vacancy; St. Carthage's Singers could do with an extra tenor. Potentially there is a vacancy for a bass. For female members there is a waiting list - the Choir has to remain small (maximally appr. 20 members) due to the limited number of choir stalls in Lismore Cathedral.

Despite this restriction, the Choirmaster of Lismore Cathedral, Dr. Jan Van Putten, has decided that it would be worth while to offer training opportunities to four young people who wish to develop their singing skills; one soprano, one alto, one tenor, one bass. These young people will be offered an opportunity to sing music of high quality.

What instrumentalists will be needed in the coming season? Some of the music that is planned for the rest of this year and for the first half of 2003 requires - at least - two violons, two violas, a cello (and/or double bass) and a recorder. We would also be happy to welcome an accompanist (organ/harpsichord), because at present, when the choir sings an accompanied piece, accompaniment has to be provided by either Jan Van Putten himself or the Dean of Lismore who on such occasions - as he is an excellent singer - is dearly missed in the Choir.

The Choir meets every Wednesday in Lismore Cathedral, starting in the last week of September, and sings on average in one service every month. Choir members are expected to attend all practices and all services where the choir is needed. Jan Van Putten is very positive about the loyalty of the choir. "All turn up every Wednesday and learn their music very quickly. All members are highly motivated, we have no passengers - because the choir is relatively small and a privilege to work with such a dedicated choir". The intended instrumental group will meet on different times, to be decided according to the music to be performed.

Those who are interested in joining the choir (tenor, bass, four young people as specified above) and those who would like to play in the instrumental ensemble (as well as those who want more information) can contact Jan Van Putten or Maureen Fox, Bridane Lower, Lismore, Co. Waterford, tel. 058 54416, e-mail puttenfox@eircom.net. Or contact Tanya, tel. 021 4815370, e-mail; trevor-sheehan@hotmail.com

The new music for the forthcoming season will include compositions by the Irish/English composer Stanford, who was born in Dublin on 30th September 1852, nearly 150 years ago, music for Advent and Christmas by the German composers Franz Tunder and Deitrich Buxtehude, for Lent the famous Miserere by Allegri and for Palm Sunday parts from the cantata "King of Heaven, Be Welcome" by Joh. Seb. Bach. Immediately after resuming its practices in September the Choir will discuss the possibility of singing in a Cathedral in England or Wales during a week in July 2003. If this plan can be realised, May and June 2003 will be dedicated to the musical preparation for this trip.

### ART AND DRAMA SUMMER CAMP

This years Art and Drama Summer Camp was a great hit. Children took part in acting, painting, dance, mime and much, much more. On the 5th and 7th August a mini performance will be staged based on a Disney theme. The children decided on songs and made up their own movements. There will be a dress rehearsal on the 4th August at 11 am - 5 pm. Please bring required costumes and lunch. I would like to thank all parents and friends for their support and help during the month. A special thanks also to the Lismore Dramatic Society for the hall. Thank you, Aislinn Celisse.

### LISMORE TIDY TOWNS NOTES

The judges made the following comments on last weeks visit to Lismore; Ferry Lane had litter on both sides of the street including - 5 crisp bags, chip wrapper and plastic wrappers.

The avenue approach to the cathedral was completely litter free -- well done.

South Mall had a sheet of green plastic - like a fertiliser bag and a sweet paper.

New St. was clean apart from 4 small pieces of tissue/wrappers.

Upper Main St. (hotel to Co. Co. offices) this street was very littered with 10 large pieces of litter including a pizza box, crisp bags, cig boxes, bank slip and wrappers.

Main St. (hotel to supermarket) this part of the street was clean apart from a crisp bag and a few small scraps.

Millennium Park; this park was disappointing with litter in all the grass areas including bottles and crisp bags, a particularly bad spot

## Paintings & Textile Art in The Old Market House Arts Centre

It was a very busy evening once again when two new exhibitions were launched in The Old Market House Arts Centre, Dungarvan. On Tuesday evening last (23/7/2002) Hollywood screenwriter Gabriel Walsh officially launched the new exhibitions. In a thought provoking speech Walsh reminded the audience that the evening was dedicated to the painters. He said 'We perhaps might begin to look not only at art, be it in the form of painting or otherwise, but we might even get another deeper view of each other.'

'Impressions Forever' by Henning Greite is an exhibition of paintings and some sculpture by this German who has strong ties with the area. He first came to Lismore in 1960. His parents, who ran a high school in Germany, offered their students an opportunity to visit Ireland for six months each year to learn English. Henning continues to visit West Waterford every summer & winter. A large as life character he is well known in the locality & Greite says he welcomes the opportunity for his Irish friends and neighbours to see his art work, which offers a different perspective of West Waterford & Ireland. Indeed Greite is well respected as an artist in his own country and his impressive art C.V. shows his wealth of experience.

Also showing is 'Landmarks' an exhibition of textile art by Alison O'Flynn from Abbeyside, Dungarvan. Daughter of Co. Engineer John & Kay O'Flynn. She is currently based in Kilkenny & will be exhibiting some work during Kilkenny Arts Week also. Alison specialised in embroidered textile design in the National College of Art & Design in Dublin. Her work in intricately stitched and this exhibition 'Landmarks' explores

aerial views of rural landscapes as abstract compositions, some of which feature the human figure.

This is her first solo exhibition. These exhibitions continue until Saturday 24th August 2002.

Upstairs in Seomra de Paor, is a selection of paintings by

local artists. Very popular last year especially with the passing tourist trade this is the opportunity to buy new work from a selection of artists from the region.

This display will vary over the next couple of months, so keep an eye out for new works. The Old Market

House Arts Centre is open Tuesday to Friday from 12 noon to 5pm and on Saturdays from 12noon to 6pm. Admission is free and all are welcome. If you would like further information on any of these exhibitions you can contact the Arts Centre on 058/48944.

## Cois Farrage Exhibition at Joan Clancy Gallery

Cois Farrage (By the Sea) is the latest exhibition to open at the Joan Clancy Gallery in Gaeltacht na Rinne. The group show, featuring the work of local artists it is as exciting as it is colourful.

Seven works by Michael Mulcahy display a gentleness with an underlying strength and focus upon cosmic and stellar themes and the purity, strength and fragility of the human spirit. Mulcahy is recognised as one of Ireland's top internationally renowned artists. The different visual elements of water are the theme of Blawnin Clancy's paintings. She attempts to capture its transparency, its reflective qualities, hypnotic movement and ever changing patterns in her work.

Danny Cunningham's oils are inspired by the coastline of Co. Waterford. Glenshelane by Patricia (Wishy) Martin captures the wonderful atmosphere and light on the landscape. Rayleen Clancy's getn redy 4d dicso explores the theme of youth culture and investigates issues of identity, beauty, and self-awareness.

Brid Ni Chionnfaoladh paints with acrylic on board with bold uneven brush strokes, combining local imagery in a mix of traditional realism and disciplined expressionism. Roisin Ni Chionnfaoladh has taken her stained glass to a new level by releasing it from the confines of two-dimensional windows.

Cois Farrage is well worth a visit. The gallery open daily 11 - 6 pm until August 10th is situated between Coláiste na Rinne and the Cunnigar Beach, is well sign posted. Info (086)8134597 or jclancy1@eircom.net

## MONEYMATTERS

### HOLIDAY FLIGHT PROBLEMS?

The European Parliament is due to pass new legislation this Summer in relation to compensation and assistance to air passengers in cases of denied boarding. Compensation levels are as follows:

- 750 euros for flights of less than 3,500 km
- 1,500 euros for flights of 3,500 km or more

In denied boarding, volunteers will be called on to surrender their reservations in exchange of benefits under conditions to be agreed between the passengers concerned and the carrier and tour operator. Only if insufficient volunteers come forward would operators be allowed to deny boarding.

Volunteers should then be given a choice between:

- re-imbusement of full cost of ticket for the part of the journey not made, and for parts of journey made if no longer serving any purpose
- re-routing the final destination under comparable conditions
- re-routing at a later stage

The volunteers further have a right to care while awaiting a flight, which includes:

- Free provision of meals and refreshments in reasonable relation to waiting time
- Hotel accommodation

Further information regarding your rights as a consumer regarding holiday flights are available from:

## KNOW YOUR RIGHTS

### QUESTION

I believe it is possible for a person with a disability to get a refund of VAT on certain aids he/she requires. Can you please give the details?

### ANSWER

Under the Value Added Tax (Refund of Tax) (No. 15) Order, 1981 a refund of VAT is available on certain aids and appliances bought for use by a person with a disability. The aid or appliance must be for the exclusive use of the person. Where the refund of VAT is claimed by another person, Revenue may require evidence that the aid or appliance is exclusively used by the person with a disability and is in his/her sole possession.

The relief applies to the purchase of goods which are aids and appliances designed to assist a person to overcome his/her disability in the performance of daily functions or in the exercise of a vocation. Examples of eligible goods range from eating and drinking aids designed solely for the disabled and hoists and lifters designed for invalids, to a computer required so that a person can pursue a course of education or carry out duties at work.

You can obtain claim form (VAT 61A) from:

VAT (Unregistered) Repayments Section, Revenue, Kiltrush Road, Ennis, Co. Clare

Tel: (065) 684 9000 or LoCall 1890 202 033.

It may also be downloaded from Revenue's website at [www.revenue.ie](http://www.revenue.ie),

You will have to submit the original invoices for all goods in the claim and medical evidence of a disability may be requested.

### Western Intermediate Hurling Championship

No fixture or date of our next round game at the moment.

### Minor Hurling Championship

We went down to Stradbally in our last game in Leamybrien last Wednesday. In fairness to Stradbally who also had a good number of young players, they played some very good hurling. At the start of the Minor championship we always knew it would be hard going because we have a very small number of players between 16 and 18, but fair play to all the youngsters for lining out in all the games they were requested to, and at least we had a win from the five games, and if it were not for a local GAA correspondent making rubbish comments we would have got most of our players on the age lining out, but some thought the game with Stradbally was off. This left us having to use players who are only just 13 years of age, this cannot be right because these lads have enough games on their own age group.

**Team:** Dan Dransfield, Donal McGrath, Tom Looby, Paul Barry, Conor Heffernan, Ivan McLaughlin, Paul McGrath, Stephen Kett, John Cunningham, Mark Landers, Kevin O'Rourke, Eoin Landers, Daithi Wilkinson, Cathal Wilkinson, Pat Devine.

## CAPPOQUIN/AFFANE SCHOOLBOY/ GIRL SOCCER NOTES

Our young guns were in action on Sunday last and put in a marvellous performance to come away Plate winners. A mix up in times meant we missed our first game and were put straight into the Plate against Valley Rangers. This game was a tough encounter but our strength and skill finally showed and we advanced to the final by winning by 3-0.

The final was against the very fancied Fermoy and we attacked from the outset going ahead through Lorcan Looby. We were really going well now and added a second through P.J. Curran before Fermoy pulled one back. We went 3-1 up through P.J. and looked to be coasting when Fermoy pulled out all the stops and attacked us relentlessly. The military town pulled one back and set the game up for a nailbiting finish. Fermoy hit the cross bar and went close on a number of occasions but our defence was brilliant and we hung on for an exciting victory. Team: Sonny Morrissey, Kevin Phelan, Brendan Phelan, Colin Walsh (Capt), Lorcan Looby, Conor Murray, P.J. Curran, Colin Murray, Shane Murray, Eoin Leahy, Jason Morrissey.

### U-8 LEAGUE

This team have also qualified for division 1 semi-final having finished second in the group. Their opponents are Castlebridge and it takes place on Thursday next in Valley Rangers. We leave the field at 6.00.

### U-9 CUP

This competition was held in conjunction with our Annual Fun Day and proved to be a great competition. First we played Castlebridge Celtic and won easily by 4-0 but next we took on Lismore in the semi-final. This was a tough encounter and we finally won by 2 goals to one.

The final against Fermoy was a mighty contest with neither team succeeding to score even after extra time. The cup was decided on penalties which was very exciting but unfortunately we lost 5-4.

**Team:** David Cahillane, Ross McLoughlin, Darragh Fives, David Walsh, Evan McGrath, Colin Walsh, Philip O'Rourke, Brian Crotty, Robbie Buckley.

On Monday last this team completed their league division with a 100% record which puts them into Division 1 semi-final meeting with Castlebridge Celtic. This is also on next Thursday.

### U-10 CUP

Our U-10's were very unlucky in both their cup games. First against Clashmore we lost by one goal to nil after a great performance and next played Valley Rangers and drew 1-1 only to lose on penalties.

**Team:** Colin Looby, Derek Cahill, Diarmuid Nugent, Pat Fitzgerald, Mark Fennessey, David Walsh, David Cahilane, Darren Curran, Evan McGrath, Finian Murray. This panel have one league game to play against Lismore. Victory here will see us qualify for a division 2 semi-final against Ballybridge. We hope to play Lismore before the week is out.

## BLACKWATER HOUSE GOLF SOCIETY

### BLACK WATER HOUSE GOLF SOCIETY -10

### THE HILL SOCIETY -0

This is the absolutely fantastic result that now has our society in the last four in the Star Newspaper sponsored, society championship of Ireland.

The reality is that our Galway opponents had just no answer to the high standard which our team showed and the fantastic weather conditions. The outstanding condition of Lismore Golf Club once again a credit to all the Lismore Golf Club ground staff was only matched by the stunning golf played by our team under the intense pressure of an All-Ireland quarter final. The society captain Mr. Anthony O'Riordan who was visibly beaming with the result as with all previous rounds had arrangements spot on. Thanks also to our president Mr. Edward Budden who kept the team motivated throughout the day. The team were as follows: Anthony O'Rourke and Declan Glavin, Noel Landers and Sonny Landers, Eamon Costin and Pat Morrissey, Jimmy Hornbrook and Pat Landers.

The All-Ireland final weekend will take place in Dunderm Golf Club, Co. Tipperary on Friday and Saturday the 16th and 17th of August and we wish the panel the very best of luck.

The society would like to thank the management on behalf of Lismore Golf Club. Lastly thanks to Mrs. Bernadette Glavin for her excellent catering after the match.

## Waterford Hurler is Honoured as Vodafone GAA Player of the Month for June

On Tuesday, 23 July 2002, Waterford's prize hurler, Ken McGrath, was named Vodafone GAA Player of the Month for June and was presented with his trophy by the President of the GAA, Mr. Sean McCague and Ms. Hilda Carroll, Sponsorship Manager, Vodafone, at a special lunch event in the Granville Hotel, Waterford.

Ken's extraordinary performance in the game against Tipperary helped ensure Waterford's first senior hurling championship success in almost 40 years. When the history of the Munster Hurling Final is updated a special chapter will be devoted to the 2002 decider. Central to the story will be the performance of Ken McGrath, which made him the automatic choice as the Vodafone All-Stars GAA Player of the Month for June.

Commenting at the presentation event, Hilda Carroll said: "The Vodafone Player of the Month award was established to highlight the significant contribution that individual players, through their playing skill and commitment, make to the overall promotion of Gaelic Games. Ken's superb individual performance for his county against Tipperary certainly inspired the whole team in their quest to become Munster senior hurling champions and shows that he is a clearly deserving recipient."

McGrath scored seven points from play against Tipperary in a performance that provided the inspiration for Waterford's first Munster senior championship success since 1963. One of the most respected players in hurling for the last four years, the 24 year old from Mount Sion has a strong hurling pedigree. His father Pat was a stalwart with the talented Waterford team of the early 1980's. Ken's brother Eoin also played a magnificent part in Waterford's success while another brother Roy is a member of the Waterford intermediate team.

Ken has been a major figure with Waterford for four years. His courage and bravery, as well as his artistry, were displayed earlier in the championship when he shrugged off the effects of a serious shoulder injury to make an appearance as a substitute against Cork and scored the winning point that brought them to the Munster decider.

The lunch held in Ken's honour took place at the Granville Hotel in Waterford and was attended by members of his family, representatives of Mount Sion Senior Hurling Team, representatives of Vodafone and Waterford GAA Club and County officials.

## One Million Euro Local Authority Housing Project Set For Dungarvan

### CONTINUED FROM FRONT PAGE

in particular, with the news that the Powers Brewery Development would come under the housing programme.

"The houses in the Brewery development are primarily two bed houses", he said, "which are designed to cater for senior citizens on the one hand and single people on the other".

While some previous developments didn't cater for senior citizens, he said, the new development should "make in-roads into this aspect of the housing list".

The continued funding undertaken by the council in Shandon was also welcomed, but works must also be carried out on access to the development, according to a local councillor.

Cllr. Billy Kyne said that vital work, on pedestrian and cycle access to the development, together with adequate lighting, must be carried out.

This, he added is necessary as pedestrians, often with children, will be walking long distances into the main shopping centres of Dungarvan.

"I have made representations on this issue in the council before and I trust

they will be followed through", Cllr. Kyne said.

However, while Dungarvan has drawn down almost double the previous years funding, Waterford County Council received a rise of just eur2.2m.

The figures released by the Department of Environment and Local Government, show Waterford County Council's allocation falling behind Dungarvan by eur1.5m, while Waterford City has received a record

fund of eur30 million.

However, a spokesperson for the Department, rejected suggestions that urban areas particularly Waterford city, had received disproportionately high funding at the expense of the county.

He said if the Dungarvan and County areas are taken together, roughly eur17.7 m will be handed out for local authority housing outside Waterford City, a figure, which is an 80% increase on last year.

A number of small schemes, consisting mainly of 5 or 6 units, in Ring, Cappoquin, Ardmore, Lismore, Kill, Kilmacthomas and Stradbally, are all to benefit under this years funding, the spokesperson pointed out.

Cllr. James Tobin (FF) welcomed the funding, saying it was deeply appreciated. He said it was now hoped that the Minister would continue delivering for West Waterford and for the rural areas of the county.

## SINCERE SYMPATHY TO THE KAVANAGH FAMILY

Three weeks ago Fr. Jim Kavanagh of Ballyleen passed away in a Dublin hospital. He was the second of 12 Kavanagh children who was born in 1920 who attended Dunhill N.S. and later on went to St. Augustine's College, Dungarvan. He joined the Augustinians and was ordained a priest in 1946. Two years later he was missioned to Queensland, Australia where he worked for 40 years. Pioneering work in the diocese at the time was extremely difficult setting out lands for the building of schools, convents, etc. The Augustinians who are very much at the fore front in this work and many of them died young due to hard work. Fr. Jim was P.P. in many parishes in the diocese.

In 1989 he returned to Ireland and was once again assigned to the parish of Dubles Ferry N.Y. Subsequently he was missioned to Callan and later to Grantstown, Co. Wexford. There he was instrumental in building 13 new houses for the elderly. He had planned to build a further 11 homes but ill health forced him to leave that work to another. He then returned to the Augustinian retirement home in Dublin where he passed away about three weeks ago. All one can do is to thank God for men like Fr. Jim. Sincere sympathy to all the Kavanagh families in our locality and to his nieces and nephews. May God have mercy on his soul.

## KILL DISCO

The next Disco will take place on the 10th of August. Doors open at 8:30pm. Admission 6.50E. Hall rules strictly apply. No Alcohol.

## DEATH

It is with great sadness that we record the sad passing of Bridie Cheasty of Ballyrobin which occurred last weekend. Bridie who lived on the family farm with her brothers now deceased was in failing health over the past year or so. She was a very quiet independent person who went about her daily duties in an organised manner.

She also loved animals but her joy was always in her garden as she loved flowers and plants. During her long life her nephew Mossie came to live with her as a young boy. Today Mossie runs the family farm and he has done exceptional work as Chairman of our local Community Centre over the past few years. Bridie's remains were blessed by Fr. Kennedy P.P. on arrival. On Tuesday morning Bridie's requiem Mass took place. Again it was celebrated by Fr. Kennedy and he was assisted by Fr. Purcell, former Parish Priest of Dunhill. On this occasion the church was packed once again as many people had gathered to bid their final farewell to this fine woman. After Mass Bridie's coffin was taken to the adjoining cemetery. After prayers at the graveside she was laid to rest under a carpet of floral tributes as many people offered their sympathies with the family. Sincere sympathy to the Cheasty families on their sad loss especially Mossie, Ann and their children. May God and his angels have mercy on her soul.

## KCC

The committee of the Kill Community Centre would like to offer their sincerest sympathies to Mossie Cheasty and to his wife Ann and their families on the recent death of his Aunt Bridie. May the lord have mercy on her.

## KILL G.A.A. NOTES

**Waterford Team** — The Kill GAA club played hosts to the Waterford Senior Hurling team on Friday night last, when the entire panel held a training session on the local GAA pitch in preparation for their All Ireland semi final versus Clare in Croke Park on Sunday week 11th of August. The appearance of the Munster Champions attracted a very large attendance, and all present were impressed with the training programme, under the guidance of Justin McCarthy and his assistant Colm Bonner. The entire panel of 26 players were put through their paces, with the emphasis on teamwork, speed and skill, and all players seemed very enthusiastic and to be enjoying the session.

Despite the lack of rain in recent weeks the pitch was in excellent condition and a credit to field committee Chairman Tom Kirwan and his helpers Joe Tibbs, Paddy O'Regan, Nicky Whelan and Tommy Mooney. Coach Justin McCarthy expressed satisfaction with the playing surface, and the wide open spaces were conducive to the preparation for such an important game.

Afterwards the panel plus management etc, were served a meal in the Community Centre. This was presented by the proprietor of the Sweep Restaurant and Bar, Séamus Dunphy and also Pat Curran Foods. Local business man Brendan Gallagher sponsored the soft drinks, and the tables and hall were suitably laid out and decorated by Angela Mulcahy. The local ladies committee under the guidance of club secretary Sinead Hennessy, Hannah Power, and Theresa Keane served the food and looked after the needs of all the guests and as usual did an excellent job.

Afterwards Justin McCarthy and his players signed autographs for the very many boys and girls indeed adults, from the surrounding locality. Our thanks to Kill Community Centre for the use of their excellent facilities on this special occasion. Indeed well done to all concerned and we send our best wishes to the entire Waterford panel for the All Ireland semi final on Sunday week.

## W&SVR Heritage Railway Opens To The Public

The W&SVR Heritage Railway opens to the public for the August Bank Holiday weekend and each weekend in August. The magic of rails golden age has been brought to life at Kilmeaden, County Waterford. A heritage narrow gauge railway follows six kilometers of the abandoned Waterford - Dungarvan route, from the original station at Kilmeaden in as far as Carriganore.

Experience the beauty of the Suir Valley from an Edwardian style carriage as you take in the panoramic views of the river, rolling farmland and mountains. The track runs mostly along the picturesque banks of the River Suir offering views of the world famous Mount Congreve Gardens. This is an area rich in history and only accessible by train.

It is unforgettable journey and attractive to people of all ages. A trip on the train is the perfect way to entertain the children or while away a summers afternoon. This is an amenity for the people of the South East as well as providing yet another wonderful tourist attraction for County Waterford.

Peter Roche, Chairman of the Waterford & Suir Valley Railway Company said "It is now five years since Frank O'Donoghue invited inter-

ested parties to attend a meeting with a view to preserving some of the rich railway history of Waterford. Since then a lot of hard work and perseverance has paid off and we are delighted to have people come along and experience the journey for themselves." He continued "Saturday 3rd of August will be an important milestone for the company, however work will still continue to develop the railway further and open with better facilities and on a more full time basis early next year."

The train will run each weekend in August beginning with the August Bank Holiday weekend, operating Saturday, Sunday and Monday. There will be three trains each day at 2 pm, 3.15pm and 4.30pm. The journey is a 12km round trip and takes approximately 1 hour. Fare are very reasonably priced at 5.00 per adult, 3.00 per child. A family ticket for 2 adults and up to 3 children may be purchased at 12.00. Student and pensioners may enjoy the trip for 3.80.

The W&SVR Heritage Railway operates a special "Friends of the Waterford & Suir Valley Railway". Yearly membership is 45.00 for a family and 32.00 for an individual. Friends of the

railway will receive 25% discount off published fares.

The rolling stock includes a restored Simplex Locomotive, which originated in England and had an arduous working life in the peat industry in the North of England and Scotland. It now pulls two Edwardian style carriages travelling at 15km per hour.

W&SVR Heritage Railway is a community heritage project with charity status Ref: Chy 13857.

A volunteer crew operates the railway. The train drivers are experienced Irish Rail drivers who have passed a Driver Training Programme to work with W&SVR Heritage Railway. Volunteers also act as road stewards, station porters and ticket clerks under the Volunteer Worker Scheme.

Further information on the W&SVR Heritage Railway "Friends" membership, Voluntary Worker Scheme and train time table and fares will be available at Kilmeaden Station on days of operation. ## DAIRY FARMERS' FEED BILLS SOAR DUE TO BAD WEATHER

IFA National Dairy Committee Chairman Michael Murphy recently said that an assessment by IFA of additional feeding costs related to the current spell of appalling weather showed the dairy feed bill had soared by 20%. He added this amounted to an extra €1,800 in cost for the average dairy farmer. He added that a telephone survey by IFA had evidenced that merchant credit was building up for feed, fertiliser etc. as a result of the current dairy income crisis, and this was becoming a major problem.

He said the weather-related extra feed costs would knock about €1,800 off the average dairy farmer's 2002 income, and the effect on feeding costs of bad silage making conditions would be felt well into 2003.

"This additional blow comes on top of losses due to severe price cuts and production cost inflation in the last 18 months," Michael Murphy said.

"I estimate that the current dairy income crisis has cost the average dairy farmer about €10,000. This is eating into family living expenses, and is affecting dairy farmers' ability to service financial commitments," he said.

"Dairy farmers have taken the brunt of the current dairy crisis. In this context, it is more crucial than ever that EU dairy supports would be increased, and that June milk prices would be held," he concluded.

## SOUTHEAST ICMSA NEWS

### MAJOR RETHINK NEEDED ON INCINERATION IN SOUTH EAST

Mr. Eamon O'Rourke, Chairperson, Wexford ICMSA said: "ICMSA is totally opposed to the possible development of an incinerator in the South East given the likely impact it may have on the people in that locality and the agriculture sector". "I am very disappointed that the Wexford County Manager has approved the Regional Waste Management Plan. I was the farmer representative on the Strategic Policy Committee of Wexford County Council which recommended the rejection of the Plan as it included an incinerator proposal".

Mr. O'Rourke said: "Agriculture is of critical importance not only to the South East but Ireland in general. In 2001, a huge effort was made to protect this industry during the FMD crisis by all. Now, with the proposed development, any problems could have serious consequences for Irish agriculture given the export orientation of the industry, problems that would be very difficult to cure".

One need only look at the difficulties experienced by Belgium during its dioxin scare a number of years ago. The dioxins from an incinerator has led to disastrous results for Belgium's agriculture. ICMSA have been contacted by many local landowners who are very concerned about their future and also are very much opposed to this possible development given the possible negative impacts that may arise.

"The people of the South East must not be placed under an unacceptable risk in order to deal with Ireland's waste problems. ICMSA is opposed to this development given the likely impact it will have on the local community. Those who make these decisions will have to take account of local views and seek alternative strategies to incineration", concluded Mr. O'Rourke.

### FARM COSTS RISE TO €150M DUE TO WEATHER

A financial package is now urgently required to assist farmers affected by the bad weather as ICMSA estimate that the cost of providing extra feed has now grown to €150 million.

# Enforcers From Centre In Ireland Police EU Food Rules

By PADDY SMITH

On the very day that the EU Food and Veterinary Office at Grange, Dunsany, Co Meath, was officially opened, personnel from the office were carrying out inspections in Slovenia, Paraguay, the Slovak Republic, Greece and Cape Verde.

It's a long way from the pastoral plains of Meath to any of those countries, but the inspectors from the FVO were routinely going about their important business - that of checking that EU rules on food, live animals, plant products and other products supplied to the EU market are being complied with and, in this way, they see to it that the health of the EU consumer

is protected.

That description during his speech at the opening by David Byrne, the European Commissioner for Health and Consumer Protection, sent a bolt of realism through the proceedings. It brought it home to the dignitaries attending the function that this was a powerful centre carrying out important work on behalf of the European Commission and, ultimately, on behalf of its 390 million consumers.

The FVO has, of course, been based in Ireland since 1997 but has been "living" in various temporary premises around the Dublin city area. When the European Council Commission decided in 1993 that the part of the Commis-

sion with the unwieldy title of the Office for Veterinary and Plant Health Inspection and Control (now, mercifully, shortened to the Food and Veterinary Office) should be located in Ireland, the then Taoiseach John Bruton persuaded them to have it built on land owned by the Teagasc beef research centre at Grange. The very striking low-slung building, which was designed by the Office of Public Works and built at a cost of EUR33.5 million, will be purchased from the Irish State by the European Commission over a period of 20 years.

People from 14 nationalities (all EU member states except Luxembourg are represented) are on the staff of 150 and about 40 per cent of them have gone to live in the greater rural hinterland around the office, with the remaining 60 per cent choosing to live in Dublin. About 100 of the staff in the centre are inspectors and they travel out from there to all points on the compass and to the furthest places on the earth in their policing work.

Last year, they carried out more than 200 inspections in 52 different countries.

Commissioner Byrne, who has ultimate responsibility for the FVO, described it as an excellent example of the practical work of one of the

EU institutions. "Too often we hear talk of the European Commission as being remote, unaccountable, and so on, the sort of criticism that comes up regularly, not just in Ireland but in other parts of the EU as well," he said. "Here in Grange we have the reality, not the fiction put out by our critics. An operation run by the European Commission to enforce EU laws agreed by the Council and by the democratically elected European Parliament, with practical benefit to all of the people of the European Union.

The Taoiseach, Bertie Ahern, who performed the official opening, said Commissioner Byrne was to be congratulated for progressing the development of food safety legislation in a pioneering manner, leading to the establishment of the Food Safety Authority at the beginning of this year.

"We in Ireland know that food safety is essential both to public health and to international trade in our agricultural and food products," he said. "We now have the greatest focus we have ever had on food safety, with a top class traceability system.

"We are determined to accept nothing less than full compliance with the new rules in order to uphold consumer confidence in Irish farming as a source of high quality food," he said. "And because we recognise this is a top priority for people all over Europe, we fully support the vital enforcement work of the Food and Veterinary Office here in Grange."

## IFA SAYS LAMB PRICES ARE HARDENING WITH SCARCE SUPPLIES

Waterford IFA Sheep Committee Chairman Michael Looby said recently lamb prices have hardened driven by scarce supplies and stronger market demand. Mr Looby said factories have increased their base price up to 3.36/kg (120p/lb) with some factories paying up to 3.44/kg (123p/lb) to get suppliers.

In France Mr Looby said prices are up 20c/kg (7 p/lb) from this day last week and demand is much stronger in Brittany and on the South coast.

Mr Looby said supplies are also much tighter with the kill back almost 400,000 head to date at the factories.

# Chrysanthems — A Gardeners Joy

CHRYSANTHEMUMS can have more than their fair share of problems, but get it right and they can be one of the most rewarding plants to grow. One of the most common pests is the leaf miner. It bores tunnels within the leaf, leaving white trails and blisters. To combat the problem, remove the affected leaves and burn them. Spray the remainder of the plant with malathion. Powdery mildew can be treated with benomyl, rust with mancozeb and earwigs with gamma-HCH. If a chrysanthemum plant becomes infected with wilt disease, there is no cure. The plant must be destroyed, and chrysanthemums should never again be grown in that soil. Here are some top tips to help you grow

TAKE care: Follow the advice to make cut flowers really last.

chrysanthemums the neighbours will talk about: ■ Cut chrysanthemums back as soon as flowering has ended. This will let air and light around the base of the plant and encourage new growth. ■ A stool is the growth that you dig up and keep, from which you get the next year's plant. The best way to store it through the winter period is in a dry, airy place away from frost in boxes filled with a half-sand, half-peat mixture. They should be lifted from the ground in late October before the ground gets wet. ■ Their location should be light and sunny, shielded from strong winds, and in well-drained soil.

# Coronation Carnation

THE most popular flower to wear as a button-hole at a summer wedding is a carnation. They are popular in both the cut flower form and outdoor and greenhouse varieties. Here are some top tips for prolonging a cut-flower's life: ■ Cut at the end of a fine day when the plant is full of sugars. ■ Cut the stem diagonally — don't crush it — and stand the bloom up to its neck in water for 6-12 hours before arranging it. ■ Keep the flower in a cool place out of direct sunlight, and add a proprietary flower preservative to the water. Change the water after four or five days. ■ Keep the bloom away from ripening fruit, especially tomatoes, apples and bananas. They all give off ethylene gas, which can make carnation petals curl up within 24 hours. Perfection starts at the root. To prolong the life of a cut carnation, the plant has to be healthy before it is picked. Stopping is a method used by gardeners everywhere to encourage large bushes with lots of blooms. Here are some tips on stopping: ■ Stop young plants at a height of 9in and thereafter as necessary. The more often you stop carnation the bushier the plant. ■ To stop a plant, pinch out the stems so that you leave 5 to 7 pairs of leaves. Recommended varieties are: Greenhouse Carnations — Silvery Pink, Lilli-Anne, Harvest Moon and Raspberry Ice. Border Carnations (Pinks) — Laced Joy and Dad's Favourite. The easiest type of carnations to grow are pinks. They are tough plants that need very little attention.

TAKE care: Follow the advice to make cut flowers really last.

# THIS WEEK IN THE GARDEN

**RIPEN OFF ONIONS**  
Onions from January and March sowings will now be approaching ripeness, and you can hasten this by bending over the leaves just above the neck of each bulb.

**POT WINTER FLOWERING BEGONIAS**  
If you were able to root cuttings of winter flowering begonias in late winter, the plants should now be about ready for potting on into their flowering pots.

**CUT BACK VIOLAS AND PANSIES FOR PROPAGATION**  
It is an excellent idea to cut back a few plants of any good violas and pansies you may have with a view to encouraging basal growth which will provide cuttings next month. Scissor off the present flowering shoots to within 2.5cm of the roots. Then scatter a little fine soil mixed with sand and sifted leaf mould over the plants.

**SOW CYCLAMEN**  
It is possible to raise cyclamen from seed sown very early in the year and flower the plants the following winter, but the best results are obtained by sowing about the middle of August and keeping the seedlings growing steadily, throughout the following autumn, winter, spring and summer so they make fine big corms for flowering the following autumn and winter.

**TAKE PELARGONIUM CUTTINGS**  
You can take cuttings of both zonal and ivy-leaved bedding pelargoniums (geraniums) at any time during August. Choose shoots 10 to 13cm long that are not carrying flowers. Sever them cleanly just below a joint and insert the cuttings around the edge of well drained pots filled with sandy compost. The cuttings will root quickly if you stand them in a frame and shade them from direct sunshine, but they can also be rooted in any reasonably sheltered place indoors or out.

## CHILDCARE

Huge changes can be expected in the field of childcare in the future as the government has given a commitment to this sector by identifying it as a priority area of investment in the National Development Plan 2000 - 2006.

Childcare facilities in Ireland are changing as we slowly come into line with our European neighbours. Every parent wants what is best for their child and that includes not just formal schooling but also pre-school and creche facilities. As part of the N.D.P., it is hoped that by 2006, 85% of all childcare workers will have recognised qualification and it is here that we in the Dungarvan Technical College are playing our part. From September 2002, we will be running two childcare programmes, Level 2 and Level 3, under the auspices of FETAC.

### Childcare Level 2

In the Childcare Level 2 course, students learn a broad range of skills to specified standards, which lead to employment, further education and/or Level 3 certification. This one year course will introduce students to a general understanding and knowledge of children in the early years. Modules will include Caring for Children (0-6 years), Child Development, Early Childhood Education, Working in Childcare as well as a variety of others such as Art and Craft for Childcare. Work Experience is an integral part of the course and students will gain first hand experience by participating in work placement in a relevant childcare setting. The course is ideal for both school leavers and mature students.

### A Route to Success - Employment and/or Further Education

On successful completion of the course, students will receive a recognised qualification in the rapidly growing area of childcare and may gain employment as Preschool Assistants, Primary School Classroom assistants or in nurseries, creches, play-groups or with private families. Alternatively students may continue their studies at Institutes of Technology through the Higher Education Links Scheme. This is a scheme whereby places are reserved for those who

have completed a relevant P.L.C. course. Courses at third level which are linked to the Childcare Level 2 qualification include Social Studies courses at Waterford Institute of Technology, Athlone I.T., Sligo I.T. and St. Patrick's College, Carlow. In addition, up to 10 places will be available in the B.A. Early Childhood Studies course at University College Cork to applicants who obtain distinctions in 5 modules in the Childcare course.

### Childcare Level 3

In addition to the current Childcare Level 2 course which has been running very successfully over the last number of years, the college is delighted to announce the introduction of a new course which will commence later this year. Dungarvan Technical College was pleased to be nominated as one of a small number of schools to pilot the Childcare Level 3 Course which has just come on stream nationally. This course is designed for students who already work in the childcare sector and will be run on a part-time basis. Modules will include Social and Legal Issues in Childcare, Supervisor in Childcare, Child Development and Early Childhood Programmes and students can build up modules towards the full qualification at their own pace. This course will suit those who have a good childcare knowledge, have experience at supervisory level and are seeking to progress their own professional development. Course coordinator Antoinette O'Brien welcomes this development:

"I feel that this course will improve the status within the county and it's environs. It is a great opportunity for local facilitators to upgrade their skills and so improve the status of their profession within the wider community".

Those interested in applying to either the Childcare Level 2 or Level 3 course may obtain a prospectus and application form by phoning Dungarvan Technical College at 058 41184. Application forms should be returned by the end of August and interviews will be held in September.

# DISABILITY AWARENESS

## MOTOR NEURON DISEASE What is Motor Neuron Disease?

Motor Neuron Disease is the name given to a group of diseases in which the nerve cells (neurons) controlling the muscles that enable us to move around, speak, breathe and swallow fail to work normally. Motor neurons are the nerve cells along which the brain sends instructions, in the form of electrical impulses, to the muscles. Degeneration of the motor neurons leads to weakness and wasting of muscles. This generally occurs in arms or legs initially, some groups of muscles being affected more than others. Some people may develop weakness and wasting in the muscles supplying the face and throat, causing problems with speech and difficulty chewing and swallowing.

Motor Neuron disease is generally a steadily progressive disease, but the rate of progression can vary greatly for different people.

### What are the symptoms of Motor Neuron Disease?

The first signs of this disability are often arm and leg weakness, muscle wasting and faint muscle rippling. These symptoms occur because muscles are no longer receiving the nutrient signals

they need for growth and maintenance, a result of motor neurons dying. Motor Neuron Disease nerve degeneration may also cause muscle cramps and vague pains, or problems with speech and swallowing. Some people with the disease may lose some control over their emotional responses. They may laugh or cry much more easily than in the past. Eventually, all voluntary muscle action is affected.

How is Motor Neuron Disease diagnosed?

There is no specific test for diagnosing Motor Neuron Disease. However, several tests - including nerve conduction studies and electromyogram (EMG) - are used to measure how well and quickly the nerves are working. People showing the symptoms of this disability are usually referred to neurologists, who specialise in the nervous system. The cause of MND is unknown, although recent research has shown that around five to ten per cent of people diagnosed with MND show a definite genetic pattern.

### Treatment for Motor Neuron Disease

Motor Neuron Disease management involves physi-

cal, occupational, speech, respiratory and nutrition therapy. Exercise may help to maintain muscle strength and function, although it is recommended in moderation.

Although there is no cure for MND, recent clinical trials have shown that some drugs affect nerve

cell activity and may increase the survival time for people with ND. If you would like any further information relating to Motor Neuron disease, please contact our office. ## RECENT DEATHS

### LATE TOBIAS BURKE

It is with deep and sincere regret we record the passing of Mr. Tobias (Toby) Burke, Dounoughmore, Lisronagh, Clonmel, which sad event took place after an illness of some duration at his residence on Wednesday 10th July 2002. Deceased was member of an old established family highly respected in the farming community. A kind and thoughtful neighbour, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. A kind and loving husband and father his wife Mary and his family were his pride and joy. To them he was utterly devoted and they in turn thought the world of him. He was a true gentleman in every sense of the word. He had a great sense of fun and humour and for a number of years he attended the Fourmilewater Hurling club 45 card game at the Oriel Bar, Ballymacarbry on Friday nights, the game is the poorer for his passing. His ancestors hailed from the Ballymacarbry district and are laid to rest in the ancient cemetery of Cill Cloggin. His demise has evoked feelings of sincere regret among his family, neighbours and his many friends. Many tributes have been paid to this fine man but perhaps the finest was paid to him on Friday evening, when all walks of life were represented in the vast concourse of mourners who were present when his remains were removed from his residence to the Parish Church of Saint John the Baptist, Lisronagh where they were blessed and received by Rev. Fr. Peter Ahearne P.P. Lisronagh/Powerstown. On Saturday at noon the feast of St. Eugenius requiem Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Peter Ahearne P.P. After Mass he was laid to rest in the adjoining cemetery. Fr. Ahearne P.P. officiated at the grave side in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will long treasure. To his wife Mary, sons, daughters, sister and his many relatives we extend our sympathy.

Go dtugadh Dia solas na bhflaitheas da anam.

(Undertakers Condons, Clonmel)

### LATER MRS. DORA COADY

With deep and sincere regret we pen the death of Mrs. Dora Coady (nee Power), Aird Mhuire, Carrick-on-Suir which sad event took place under the excellent care of Suir Mount Nursing home, Carrickbeg, Carrick-on-Suir where she had resided from over a year. In her 88th year, she was born at O'Connell St., Waterford and she never lost her deep attachment to the place of her birth. She came from a well known musical family. Her father, Jack Power was a photographer and singer and her mother, Bridget Breen a piano

teacher and organist for almost 50 years at St. Patricks Church in Waterford City. In 1938 Dora married George (Bertie) Coady and they moved to Carrick-On-Suir. Dora's husband George was a well known painter and decorator as well as a talented water colourist and writer. In the straitened circumstances of the 1940's and 50's and her husband's ill health and hospitalisation, Doras resourcefulness and meagre earnings as a musician often sustained the family. Though originally a violinist her versatile talent extended to piano and accordion also. Over the course of her life she played in Pit orchestras and dance bands, as occasional organist at all three churches in Carrick, and frequently at weddings, social events, funerals, school concerts, and countless fund raising functions of all kinds. Dora was especially proud of the fact that she played for H.M.S. Pinafore the inaugural production of the Carrick Amateur Operatic Society in 1944 and thereafter in the Pit orchestra for every show up to the 1990's by which time the Musical society was nationally renowned. Her husband George passed to his reward in 1973 and also her daughter Mai in 1988. At the removal of her remains from Walsh's Funeral Home, Carrick-on-Suir, a guard of honour was provided by Carrick Musical Society joined by musicians from Carrick, Clonmel and Cashel, to St. Nicholas Parish Church, Carrick-on-Suir where they were blessed and received by Rev. Fr. Pat Cooney P.P. and Rev. Fr. Gerry Langford C.C. On the feast of St. John of St. Fagondez requiem Mass for the happy repose of her gently soul, was celebrated by Rev. Fr. Pat Cooney P.P. and Rev. Fr. Feargus McEveney (O.F.M.) in the presence of a large congregation from far and near. After mass the funeral took place to the Franciscan Friary cemetery, Carrickbeg where the concelebrants of requiem Mass led the final prayers. She will be remembered as a fine musician, a most caring neighbour and a devoted wife and mother.

Go raibh coinnle na bhflaitheas ar Iasadh do ar feadh na sioraiochta.

(Undertakers Walshes, Carrick-on-Suir).

### SYMPATHY

Sympathy of the district is extended to Mr. Victor Haines N.T. and family, Tullamore and Galway on the death of his beloved wife Anne (nee Mannion) whose death occurred peacefully at her residence on Monday 22nd July 2002. Victor and his wife Anne resided in the Nire Valley for a number of years as he was the Principal teacher in the school in the Nire. Her remains were removed from her residence on Wednesday evening to St. Bridget's Parish Church, Mount Bolus and after requiem Mass on Thursday at noon she was laid to rest in the New cemetery.

# WEST WATERFORD BORD

## NA n-OG G.A.A. NOTES

### MEETING

A meeting of the Bord with delegates was held recently in The Park Hotel, Dungarvan. The attendance at the meeting was small but this was possibly due to the fact that there was also a large amount of Minor games as well as adult leagues games also played on the same night around West Waterford.

### POSTPONEMENTS

Clubs present were told that the calling off of games between clubs was no longer going to be tolerated. The Chairman pointed out that Clubs found guilty of having games postponed were going to be expelled from the competition and fined.

### FINES

Four clubs had been fined for their non participation in the Under 11 Ground Hurling Blitz, Abbeyside/Ballinacourty, Ardmore, Fourmilewater and Lismore. The chairman pointed out that if clubs had taken the time to phone an officer to tell them they would not have been fined. The four clubs had been fined E50. Ballyduff had given three days notice of their intention of not fielding and were therefore saved from a 50 euro fine. Abbeyside/Ballinacourty were also fined an additional 50 for not fielding in the under 12 hurling semi final against Cois Bhride.

### TOURNAMENT AND CHALLENGE GAMES

Clubs were once again told that they had to notify the Bord of every tournament they held. It would be 12-70 euro for every Tournament held and they would have to pay 25-40 euro to Munster Council if Clubs from other Munster Counties were taking part and 25-40 euro to Croke Park if Clubs were taking part from outside Munster.

### TEAM SHEETS

The Chairman pointed out that there were still a number of clubs who were not giving Referee's two team sheets before games. This is no longer going to be accepted. Clubs who fail to give referees team sheets will have to forfeit the game that no team sheets were handed up for if they won and the club could also be suspended.

### REGISTRATION

Seamus O'Brien said that the registration of players by clubs in the West was very good but that there were players playing with clubs who were not registered. Clubs who have yet to register their players were urged to do so as soon as possible.

### TIME OF GAMES

Delegates were told that at the start of the year clubs were given a list of fixtures for the year, and that on this list was the starting time for each match. Clubs reported for taking to the field late from now on are going to be fined.

### CHARTER OF REGULATIONS

Delegates were informed that the Bord would be meeting in the coming weeks to draw up a Charter of regulations. This Charter would deal with items such as transfer regulations, Championship format, League formats etc. and once completed would be posted to all clubs before the annual Convention so that it can be either accepted or rejected on the night.

### TRANSFERS

The regulations regarding transfers were brought up by delegates. The Chairman pointed out that all players over the age of 14 wanting to transfer between clubs would have to get a general transfer. Players under the age of 14 can transfer between clubs as they wish. However if a player under the age of 14 had played in a single under 14 championship game he would have to get a general transfer. Delegates were told that this rule however was changed recently and that from 2003 all players would have to get a general transfer.

### REFEREE'S

Delegates pointed out that for a number of recent games in the County under 16 Hurling Championship no official referee was in place, and that in order to get games played a member of either side playing agreed to referee the game but that this was not entirely satisfactory as it was leading to arguments between mentors on the line for any controversial decisions made.

Club delegates asked must they play a game if the Official referee did not turn up, and if they did not play can they be fined and thrown out of the Championship. The Chairman pointed out that Clubs cannot be fined or thrown out of a championship for not playing when the official referee does not show. The Chairman did ask though that if a referee did not show that every effort be made to get the game played somehow as to have to re-fix a game for any board is a nightmare. The Chairman said that he would always expect clubs up to under 14 to play if a referee failed to show, but that at under 16 he would not expect them to play. If a mentor agreeable to both sides was willing to referee an under 16 game the game should be played, but if a person not agreeable to both could not be found the game should not be played.

Delegates were quite happy with the games in the West all agreeing that Bridget Mernin was doing a very good job in trying to get referees to all Western games and that their only problem was with County Games.

### TRIALS

Delegates informed the Bord that there were trials for the different County Team taking place around the county, but that not all clubs were being informed about these trials. Delegates said that they knew of better players being overlooked than what were being selected to play for the county.

Delegates also said that there were mentors within clubs who wished to be involved in County selections and these two were been overlooked. The Chairman pointed out that up to recent years, the West and East Boards always contacted clubs regarding who they had willing to be involved in coaching and selecting divisional and county teams. The Divisional Bord also contacted Clubs regarding trials for the different teams.

Delegates were told that however in the past two or three years that this has all changed and that Coaching and games Development were now in charge of putting together selection committees and teams. Delegates asked that their views that this system is not working be made known.

### RESULTS

Clubs were asked to note that the home team was responsible for contacting the secretary after each game and this should be done as quickly as possible after the full time whistle.

### ABBEYSIDE WIN UNDER 14 TITLE

The Division One Final of the Declan Kiely Painting and Decorating Contractor under 14 Hurling Championship took place on Tuesday Night last at Fraher Field with Abbeyside and Cappoquin providing the opposition.

This game was slow getting off and once it did Abbeyside were in control for most of it. For Cappoquin it was never going to be their night. In the first half they sent two very scoreable frees from well inside the Abbeyside half of the field well wide and in the second half miss-hit two 21 metre frees and also saw another very good chance hit the upright and was cleared by the Abbeyside defence.

Abbeyside won the game 3-7 to 2-3 and after the game Bord assistant secretary presented the winning Abbeyside team with the winners trophy. Pat Prendergast of Kilrossanty was the referee.

### JUVENILE G.A.A. YEAR TO DATE.

The half way mark in the Juvenile G.A.A. is just after passing and here we see who the various winners over the past few months are. The year began with the under 16 football championship, which this year saw clubs play each other twice in the league section home and away before the top teams advanced to the knock-out stages.

In division one Ballinacourty and Kilrossanty won their way through to meet in the final. Ballinacourty were very impressive all throughout the campaign and when it came to the final they easily overcame Kilrossanty and then went on to beat De La Salle in the County Final. In division two Clashmore and The Nire needed two attempts before they could be separated in the final. Eventually, it was Clashmore who advanced to the County Final. In division three, An Gaeltacht had it all to do to beat Cois Bhride in terrible weather conditions at Ardmore before advancing to play the County Final at Walsh Park.

This years Feile Competitions were ran off in March and April. In Hurling Cappoquin beat Cois Bhride in one semi final at Cappoquin and Abbeyside beat Lismore in the second semi final also at Cappoquin. The final was also played at Cappoquin and here Cappoquin played some brilliant hurling to win the Thomas Scanlon Memorial Cup for the first time. However in the County Final Cappoquin had to give second best to De La Salle but not without giving them a real go.

In football Ballinacourty needed two attempts to beat Stradbally in the Quarter Finals, while The Nire received a walkover from Dungarvan in the second quarter finals. In the semi finals The Nire had a fine win over St. Olivers at Cappoquin and Ballinacourty received a walkover from Affane. In the final Ballinacourty were expected to be the warmest of favourites but The Nire made them fight hard all the way and in the end only five points separated the side. Ballinacourty went on to play Roanmore in the County Final but had to give second best to the city side.

In the Western Under 14 Hurling Competition Abbeyside and Cappoquin met in the Division One Final. Although the scoreboard shows that Abbeyside won by seven points, they can regard themselves lucky as had Cappoquin not miss hit four very scoreable frees, they could have won the game by two or three points. In division two it looked as if it was going to be one way traffic at Cappoquin as Dungarvan led their neighbour's Brickeys at half time by seven points, how ever there was a real turnabout in the second half as the Brickeys ran out winners in the end by seven points. In division three at Fraher Field, things between Naomh Brid and Clashmore were very close and it was only in the closing five minutes that Naomh Brid were able to pull away to record a nine point victory.

In the county competition seven of the sixteen hurling clubs in the west reached County Finals, with four others exiting at the penultimate stage of the competition. In division one Abbeyside were beaten by De La Salle, in division two St. Olivers had a victory against Dungarvan in the final, in division three Fourmilewater and Brickeys played a delayed final last night (Tuesday) and in division four Clashmore had a very narrow win against

### BALLYDUFF

In under 12 Dungarvan had a win over Lismore at Cappoquin in Division one, Cois Bhride had a seven point win against Naomh Brid in the division two final at Cappoquin and in division three Clashmore retained their title when they beat Kilrossanty in Bushy Park.

At present the latter stages of the Mick Fitzgerald Cup and Shield in under 13 hurling are being run off this weekend. In division one Cappoquin will play Lismore in Cappoquin this Saturday

at 5pm in one semi final. Dungarvan are in the other semi final but at the time of putting this report together it is unknown who they are playing as Brickeys, Abbeyside and Stradbally are all in contention. In division two Cois Bhride and Fourmilewater are in the semi finals but they will not be meeting each other. Their opponents will come from Abbeyside, Brickeys or Stradbally. If we follow her footsteps we will never go wrong. (Loved and sadly missed by your loving daughter Mary, son Paul and daughter-in-law Bernadette).

**GRANNY**  
Father in heaven, hear our prayer,

With a Granny we loved so very much. (Always remembered by your granddaughters Emma, Niamh and Sarah and grandsons Bryan, Alan, Chris, Andrew and Shane).

**HEAPHY** — Twelfth Anniversary — In loving memory of our dear father, John Heaphy, Affane, Cappoquin, who died on July 31, 1990.

**IVERS** — Fifth Anniversary — In loving memory of Bridget Ivers, late of 30, Caseyville, Dungarvan, who died on August 1, 1997.

Today we light a candle, And say a special prayer, We take a trip down memory lane, And know that you are there, This is your anniversary, You would not want a fuss, Just to be remembered, And a prayer from all of us. Time passes, memories stay, Never forgotten, especially today.

(Sadly missed today and always from Margaret, John, Aaron, Jamie, Gavin and Seán).

**JOYCE** — Eighth Anniversary — In loving memory of my dear husband, Michael Joyce, late of 74, Childers Estate, Dungarvan, who died on July 31, 1994. Masses offered.

There is no night without a dawning, No winter without a spring, And beyond death's dark horizon, Our hearts once more will sing. For those who leave us for a while, Have only gone away, Out of a restless, careworn world, Into a "brighter day." (Always remembered by his loving wife Helen and son Michael).

**JOYCE** — Eighth Anniversary — In loving memory of a dear father, Michael Joyce, late of 74, Childers Estate, Dungarvan, who died on July 31, 1994.

There never comes a moment, That I don't think of you, Or a day that passes, That your face is not in view.

And when I am sad and lonely, And everything goes wrong, I seem to hear you whisper, Cheer up and carry on. Eight lonely years without you, Are the saddest I have known, I treasure every thought of you, As I go on in life alone. (Sadly missed and always remembered by your loving son John, daughter-in-law Margaret and grandsons Aaron, Jamie, Gavin and Seán).

**JOYCE** — Eighth Anniversary — In loving memory of a dear father, Michael Joyce, late of 74, The Green, Childers Estate, Dungarvan, who died on July 31, 1994.

As long as I live I will always be glad, For a wonderful father I was lucky to have, A wonderful person with a heart of gold, His loss to me can never be told. When I am sad and lonely, And things are going wrong, I seem to hear you whisper, Cheer up and carry on, And when I see your photo, You seem to smile and say, Don't cry, I'm only sleeping, We will meet again some day.

**AFTER GLOW**  
I'd like the memory of me to be a happy one, I'd like to leave an after glow, Of smiles when life is done, I'd like to leave an echo, Whispering softly down the ways, Of happy times, and laughing times, And bright sunny days. I'd like the tears of those who grieve, To dry before the sun. Of memories that I leave when life is done.

(Always remembered — your loving son William, Carol and grandson Kevin).

(His loving parents Francis and Carmel).

**SHERIDAN** — In fond remembrance of Kathleen Sheridan, late of 22, Shandon Street, Dungarvan, whose seventh anniversary occurs on July 29.

Isn't it strange that those we need, Are those we love the best, And just the ones that God needs too, And takes them home to rest. We miss you because we love you, To us you were dearer than gold, No treasure can ever replace you, Your memory will never grow old.

(Lovingly remembered by Larry, Marian and grandchildren).

**POWER** — Sixth Anniversary — In loving memory of Moma, my dear mother, Teresa Power (née Allen), late of Campfire, Cappoquin, who died on August 3, 1996. R.I.P.

Anniversary Mass on this Sunday, August 4 in St. Mary's Church, Cappoquin, at 11.30 a.m. Moma, those last few years without you, Are the saddest I have known, I treasure every thought of you, When I am all alone. There will always be heartache, And often a silent tear, But forever precious memories, Of days when you were here. When I was young it made me cry, To think that Moma could ever die, To imagine life without her there, Always seemed to hard to bear, Well now I've grown, and know the fears, Were worthy of my childhood tears, And so to God above I pray, Keep your arms around her Lord, And give her special care, Make up for what Moma suffered, And all that seemed unfair. Your life was one of kindly deeds, A helping hand for others needs, A pleasant smile, a heart of gold, No better gift this world could hold.

God was central in your life, And that with me you shared, So wait there for me, Moma, I thank you for your love, And one day we will meet again, In God's home up above, I often sit and think of you, And all that you have done, The way you gave your time, To each and everyone. The last few weeks we spent together, Stays with me in my heart, I have those lovely memories, So we never are apart, No matter where I go, No matter what I do, I am never, never happy, Because I haven't you. May you rest in peace, dear Moma, Is now my daily prayer, I thank you Moma for everything, Your love and all your care, And I know you still watch over me, Until again we meet, I'll be happy then. Happy Anniversary, Moma. (From your loving son, Fin).

No farewells were spoken, No time to say goodbye, Our loss was oh so sudden, Only God knows why; Find the softest pillow, Lord, To rest his head upon, Put a kiss upon his cheek, And tell him who its from; Gone from us, but leaving memories, Death can never take away, Memories that will always linger, While upon this earth we stay. # IN MEMORIAM

**TUOHY** — First Anniversary — In loving memory of a dear wife, mother and grandmother, Mary Tuohy (née O'Brien), formerly of 27, Congress Villas, Dungarvan, who died on August 6, 2001. Rest in peace.

Anniversary Mass in St. Joseph's Hospital, on Sunday, August 4, at 10 a.m.

Have you ever lost someone,  
Who was everything to you,  
One you loved so very much,  
And miss her like we do.  
Have you ever had a heartache,  
Or ever felt the pain,  
Or shed those bitter tears,  
That drop like falling rain.  
If you never had that feeling,  
We pray that you never do,  
For when God takes that someone,  
He takes a part of you.  
As time goes by without you,  
mam,  
And days turn into years,  
They hold a million memories,  
And a thousand silent tears.  
Of all the gifts in life,  
However great or small,  
To have had you as a mother,

Was the greatest gift of all.  
(From your loving husband Larry, daughter Caroline, sons Bill and Michael, daughters-in-law Michelle and Kay, son-in-law Brian, grandchildren Michael, Kara, Kristian, Eóin, Caitlin, family and a large circle of friends).

Mass in St. Joseph's, Sunday, August 4, at 10 a.m. One year has passed and still we say,  
It only seems like yesterday,  
No farewells were spoken,  
No time to say goodbye,  
A heart of gold stopped beating,  
And only God knows why.  
Our hearts are full of memories,  
We treasure them with care,  
But the way you had to leave us,  
Will always seem unfair.  
(From Dinny, Helen, Patrick and Anthony O'Brien).

**TUOHY** — In loving memory of Mary Tuohy (née O'Brien), 45, Woodlands Avenue, Finchly, London and formerly of 13, Congress Villas, Dungarvan, who died August 6, 2001.

They say there is a reason,  
They say that time will heal,  
But neither time or reason,  
Will change the way we feel.  
For no one knows the heartache,  
That lies behind our smiles,  
No one knows how many times,  
We have broken down and cried.  
We want to tell you something,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to be without.  
Take care of her Lord,  
As she takes her rest,  
For she was my auntie,  
And one of the best.  
(Loved and missed everyday, your niece Mai, Pat, Aaron and Amy X X X X).

Your name is often mentioned,  
Our thoughts are with you still,  
You haven't been forgotten  
What's more you never will.  
You had a smile for everyone,  
You had a heart of gold,

As it dawns another year.  
So in heaven you rest, no worries, no pain,  
God bless you Dad till we meet again.  
So keep your arms around him, Lord,  
And give him special care,  
Make up for all he suffered,  
And all that seemed unfair.

What love in life should really have been.  
(Sadly missed by your loving wife Mary).

**WHELAN** — Third Anniversary — In loving memory of James (Jimmy) Whelan, late of Melleray Road, Cappoquin, who died on July 30, 1999. R.I.P.

I wish that I could see you,  
Dad,  
Sitting in your chair,  
I wish that I could go back home,  
And find you waiting there.  
But wishing gets me nowhere,  
And loving is in vain,  
So I just hold you in my heart,  
Until we meet again.  
(Sadly missed by your daughter Colette, son-in-law Tom, granddaughters Rachel, Samantha, Lisa and Chloe and grandsons Ian and Dylan).

These are the memories you left behind  
(From the Woods family, 47, Caseyville).

**MCCARTHY** — Sixth Anniversary — In loving memory of Fergus McCarthy, 5 Huntly Crescent, Southways, Abbey-side, whose anniversary occurs on August 4.

It does not take a special day,  
For me to think of you,  
Each Mass I hear, each prayer I say,  
Is offered up for for you.  
(From Olga, Greg and baby Fergus).

**BYRNE** — Seventh Anniversary — In loving memory of Nuala Byrne, late of Tournageeha, Ballyduff, whose anniversary occurs on August 12.

Anniversary Mass this Sunday, August 4, at 11 a.m. in St. Michael's Church, Ballyduff.

No farewell words were spoken,  
No time to say goodbye,  
You were gone before we knew it,  
And only God knows why.  
If tears could build a stairway,  
And memories a lane,  
We'd walk right up to heaven,  
And bring you home again.  
(Sadly missed by Mam, Dad, Ann and boys).

**STUART** — Eleventh Anniversary — In loving memory of Robert A. Stuart, East Main Street, Lismore, who died on August 2, 1991. R.I.P.

If just for a few more years.  
(Always remembered by his loving family.)

**IVERS** — Fth Anniversary — In loving memory of Bridget Ivers, 30, Caseyville, Dungarvan, whose anniversary is on August 1.

Your memory is precious and never grows old,  
It is locked in my heart in letters of gold,  
Your presence I miss and memories I treasure,  
Missing you always, forgetting you never.  
(Your loving son Jimmy).

**IVERS** — Fth Anniversary — In loving memory of Bridget Ivers, 30, Caseyville, Dungarvan, who died on August 1, 1997.

Many things have happened,  
Mam,  
Since you passed away,  
So much we could have talked about,  
If God had let you stay.  
Your resting place we visit,  
Flowers we place with care,  
But no one knows the heartache,  
As we turn and leave you there.

(Always thinking of you — Michael, Cora, Dáire and Róisín).

**IVERS** — Fth Anniversary — In loving memory of my mother, Bridget Ivers, 30, Caseyville, Dungarvan, who departed this life on August 1, 1997.

At night the silent stars look down,  
On a grave not far from here,  
Where sleeps the one I can't forget,  
And will always love so dear.

Beautiful thoughts of a mother so dear,  
Cherished forever with love sincere,  
Dear is your memory, sweet is your name,  
Close to my heart you will always remain.

(Always remembered by your loving son Paddy and daughter-in-law Mary).

**IVERS** — Fth Anniversary — In loving memory of my Nan, Bridget Ivers, 30, Caseyville, Dungarvan, who departed this life on August 1, 1997.

As I look upon your picture,  
Sweet memories I recall,  
Of a face so full of sunshine,  
And a smile for one and all.  
Sweet Jesus, take this message,  
To my Nan up above,  
Tell her how much I miss her,  
And give her all my love.  
(Loved always, your granddaughter Sharon and Anthony).

Gentle Jesus up above,  
Give Nannie Biddy all our love.  
(Kelsey and Shaun)

**TOBIN** — Twenty-fifth Anniversary — In loving memory of our dear mother, Margaret Tobin, late of Janeville, Tallow, who died on July 21, 1977. R.I.P. Masses offered. Sacred Heart of Jesus pray for her.

Gone is the mother we loved so dear,  
Silent the voice we long to hear,  
But in our heart your memory is kept,  
We loved you dearly to ever forget.  
(Always remembered by your loving family).

**IVERS** — Fifth Anniversary — In loving memory of a wonderful mother, Bridget Ivers, late of 30, Caseyville, Dungarvan, who departed this life on August 1, 1997.

Anniversary Mass on Sunday, August 4, at 11 o'clock, in the Friary Church.

They say it's a beautiful journey,  
From the old world to the new,  
Some day I'll make that journey,  
On the stairway that leads to you.  
And when I reach that garden,  
Where all is free from pain,  
I'll put my arms around you,  
Mam,  
And we'll never part again.  
Father in heaven, hear my prayer,  
Look after Mam with loving care,  
Be a good shepherd, don't leave her alone,  
For this is her fifth year away from home.  
(Always in my thoughts — your loving daughter Josie.)

Our sincere thanks to all who attended prayers, removal, funeral Mass and burial; to those who sent Mass cards, letters of sympathy, floral tributes, called to or telephoned the house and those who travelled long distances to be with us. A special word of thanks to Dr. Murphy and nurses who attended to Cathryn during her illness; also the priests who attended the funeral and burial.

Perhaps you sent a lovely card,  
Or sat quietly in a chair,  
Perhaps you sent a funeral spray,  
If so, we saw it there,  
Perhaps you spoke the kindest words,  
As any friend could say,  
Perhaps you were not there at all,  
Just thought of us that day.  
Whatever you did to console our hearts,  
We thank you  
So very much, whatever the part.

As it would be impossible to thank everyone individually, we trust this acknowledgment will be accepted by all. In grateful appreciation the holy sacrifice of the Mass will be offered for your intentions.

# Coaching Scheme Notes

**TWO WATERFORD HURLING STARS** — Former star Daithi Foran and present star Paul Flynn in Portlaw last week. Daithi is putting a lot back into the game coaching juveniles in the club who have a very nice U-11 team. He was in the camp every morning with spare helmets and hurleys for anyone who didn't have one which was marvellous. Paul visited us on Tuesday and was in brilliant form and he went down a bomb with children and parents.

Last weeks hurling camps were held in Portlaw, Clonea, Ballydurn, Newtown and Roanmore. The "Buzz" and excitement was brilliant in all the camps. In Portlaw Jackie Whelan, Mary O'Donoghue and Daithi Foran were a great help to us and we had our usual grand camp with many girls enrolled. Paul Flynn was our visitor and he was at his brilliant best with the children. In Clonea Ken McGrath paid a welcome visit. The visits of our own Deise stars and the Cup is making a tremendous impact on everyone and we hope it will inspire many of them to keep hurling and play for Waterford.

## U-15 DEVELOPMENT SQUAD

The members of this squad had training sessions last Saturday morning in Dungarvan and Waterford. Both seasons had big turn outs showing great enthusiasm and interest. On Saturday morning next the full panel, East and West will meet at Fraher Field at 10.45 am. On Saturday week August 10th this panel of 24 players will travel to St. Finbarr's ground in Cork city to play in a four team inter-county tournament and will also play in the Carrigdown Tournament at a later date. This is all part of the preparation over several years to try to get the best pool of players for future minor teams.

## ALL IRELAND QUARTER FINALS

For 65 minutes Antrim were as good as Tipp. Lack of experience and some hurried shooting cost the Northern boys deadly Dinny Cahill's long journey to train them was all worthwhile. Tipp are still there and will be hard to dethrone.

## FALSE PROSPECTS

Two Tipp men told me in Cork the day we relieved them of their Munster crown that this was the best Tipp team they had seen and David Kennedy and Colin Gleeson were better than Tony Wall and Liam Deveney. This was before the throw-in that historic day, at half time I asked them were they mad.

## SO ITS CLARE

Clare showed there is life after Loughnane in the Banner with a marvellous second half display and what a battle it will be on August the 11th.

## ANNUAL HOLIDAYS

Coaches two weeks holidays will commence on August 1st. Camps will recommence on 21-23 in Ballyduff Lower and Brickey's 26-28 August.

Our long awaited visit from the Antrim club, Glenshesk, finally happened on the weekend of July 19th. It was a wonderful occasion for all concerned and proved a most enjoyable and memorable weekend. A full report will appear in next weeks edition. However, it is essential at this point to thank all of those who helped in any way to make this weekend such a success. Special praise must be given to Michael Phelan who was the driving force behind the whole event, and without whose planning and organisation, this visit might not have happened. Well done.

## SENIOR FOOTBALL CHAMPIONSHIP

On Sunday evening last at the Fraher Field we played neighbours Ballinacourty in the quarter finals of the Senior Football Championship. Having played each other only two weeks ago in the league, which on that occasion Ballinacourty were victorious by two points, this game was also anticipated as being a close affair. This is what it exactly turned out to be with the result in the balance right up until the final whistle. Ballinacourty opened the scoring with a point on 5 minutes before Seamus Cunningham scored his first point of the night soon after. This was soon followed by a Pe-Pe Ferncombe point from a free before Alan Harty going straight through on goal was tackled and brought down inside the box, for which we were awarded a penalty. However our penalty kick was saved by the Ballinacourty keeper and the ball was cleared away. Our heads didn't drop however and Seamus Cunningham added a fine point from play shortly after. But we were to be dealt a double body blow minutes later, when after some confusion among backs, Ballinacourty rattled the back of our net twice in the space of 4 minutes. We now saw ourselves in the position of being 4 points down after all our hard work. These were two softly conceded goals and we now looked to be in real trouble. Once again however, we lifted our heads and upped the play and when Alan Harty sent the ball to the Ballinacourty net ten minutes before half time we were right back in contention. Seamus Cunningham added a further point to his tally before Ballinacourty responded with a point of their own to leave the half time scoreline 1-4 to 2-2. Just the minimum between the teams.

There was a bit more urgency about our play at the start of the second half as we rattled over 4 unanswered points, two from Seamus Cunningham and two from Pe Pe Ferncombe. Just when we looked to have given ourselves some breakthning space and had a three point lead, Ballinacourty once again wiped that lead out by adding a further goal to their tally, to leave the sides level. Two fine points from hardworking full forward Seamus Cunningham once again put us back in front and this lead was extended further when Nicky Donnelly found the range with a fine point, to give us a three point cushion. Midfielder Pat Veale scored our last point of the game with time almost up before Ballinacourty tried in earnest for that equalising goal but our defence who had recently kept all attacks to a minimum in the second half, stood strong and refused to be beaten. Soon after Referee Tim Byrne blew the final whistle to see us victorious on the scoreline of 1-12 to 3-3. This is a victory that sees us reach our first county semi final since 1997. While this was a marvellous victory and every player gave their all, there is still a lot of work to be done and this will only be achieved if all players put in the effort between here and the semi final. There is now something to aim for.

Team: David Morrissey, Dermot Dee, Darren Lyons, Michael McLoughlin, Jason Mahony, Kieran Curran, Trevor Galvin, Eoin Cunningham, Pat Veale, John Paul Donnelly, Paul Power, Nicky Donnelly, Alan Harty, Seamus Cunningham, Pe-Pe Ferncombe. Subs: Kieran Curran, Derek Lyons, Pat Sullivan.

## JUNIOR FOOTBALL CHAMPIONSHIP

On Saturday night last at Bushy Park we had a comprehensive victory over Clashmore in the third round of the Junior football championship. This was a game that we stamped our authority on right from the outset and some fine scores from Alan Simms, Diarmuid Keating, David Burke, Joey

Nolan and Colin Cunningham (whose personal tally was 1-2) helped seal a deserving victory. While our forwards worked well together so also did our midfield pairing of Derek Truman and Richard Ferncombe, while our backs were solid in defence, keeping any Clashmore attacks to a minimum. This victory now sees us progress to the next round of the championship and hopefully we can continue our winning ways in this competition.

Team: Dane Power, Eddie Fitzpatrick, Ger Cusack, Barry Power, Shane Hayes, Damien Power, Derek Truman, Richard Ferncombe, Alan Simms, Diarmuid Keating, Joey Nolan, Colin Cunningham, David Burke, John John Ferncombe. Subs used: Trevor O' Mahony, Dermot O' Callaghan.

but were eager and enthusiastic if not anything on their first appearance. Our first game was against Lismore where we put in a terrific effort but went under on a two point margin. One highlight was a marvellous point from a sideline cut from Cathal Curran. Our second game was against our fellow parishioners and host club Brickey Rangers. The concession of some soft goals put paid to any hope we had of success as defeat again was our lot. In our third game we played Cappoquin an unfortunately we succumbed to another defeat. This meant our participation had now ended in the tournament and time to head home. But we can take heart from our efforts and with a few more games under our belts a big improvement will come.

Panel: Conor Mulcahy, Nigel O' Riordan, Sean Murray, Craig Barry, Cathal Curran, Richard Walsh, Damien Coward, Frank Duggan, Brendan Dwyer, Conor Sheridan, Sean Hyslop, Patrick Houlihan, Tomas Harty, Luke Rio.

Our thanks to the Brickey club for their invitation and for the refreshments provided and to those who provided transport to and from the venue on the day.

Having been messed around somewhat in the last couple of weeks our U16 hurlers now face a fairly busy schedule this week. We were due to play the Brickeys last Monday 29th July and are due to travel to Ballygunner next Monday 5th August. There are also two further games against Mount Sion and De La Salle to be played. Having drawn our last game against Lismore any victory would enhance our chances of progressing to the semi finals. And this is within their capabilities as they are a talented group of

players.

**Football Championships** — Both the U14 and the U12 football championships are due to start this weekend. Our U14's are due to play Ballinacourty while our U12's are up against Stradbally. Already doubts exist over the possibility of these games taking place as many families are on holidays and strains put on teams and mentors alike.

**Underage Training** — Saturday morning sessions will continue at 11:00am. and on Wednesday evenings at 6:30pm. for our young hurlers while on Tuesday evenings at 6:30pm. training continues for our footballers. As this is holiday time for most families and friends or relations staying with the lads would be made most welcome at the field.

**U13 Hurling** — Cois Brid travelled to Clogherane last Friday evening to play us in our second game in the U13 hurling. In what was a beautiful summer evening we put in one of our better nights as anything we did seemed to come off. Some marvellous point scoring set us on the road to victory and try as the Cois Brid lads did they just couldn't penetrate our tight backline as we ran out worthy winners.

Panel: Derek Barry, Killian Dwyer, Killian O' Keeffe, Trevor Crotty, Paudi Kiely, Karl Duggan, Adam Sheridan, Neil Fitzgerald, Kenneth Moore, David Brophy, Michael Walsh, Barry Hamilton, Gavin Crotty, Cormac Curran, David Moore, Cian O' Shea, Sean Duggan.

There is still an outstanding game against Fourmilewater to be played before we complete our campaign and to see if we progress to the semi finals of the competition which are due to take place this weekend.

# Waterford Advance To Munster Final

**WATERFORD 3-13 KERRY 1-16**

Waterford edged out Kerry in a thrilling Munster Senior Semi Final at Fitzgerald Stadium, Killarney last Sunday afternoon and qualified for their 16th consecutive Munster Final with a 3 point victory over Kerry. This was a tremendous game of football between 2 fine teams and the crucial winning goal came 7 minutes into injury time.

Conditions were difficult, heavy rain made the pitch very slippery and a resurgent Kerry clearly fancied their chances. In the first minutes dangerous full forward Geraldine O'Shea kicked the Kingdom's opening point but Mary O'Rourke replied quickly and centre forward Martina O'Ryan added 2 further Waterford points.

It was obvious that this game was going to go down to the wire, Kerry's forward line looked very dangerous, they played with 2 in the inside line but Waterford kept the extra defenders back to deny O'Shea and Sarah O'Connor the space they hoped for. O'Shea and Rebecca Hallahan swapped points before Waterford keeper Nuala Hearn produced a fantastic save to deny O'Connor in the 10th minute.

Indeed Hallahan's point came from the only scorable free that Waterford got in the entire game despite the fact that Mary O'Rourke was fouled continuously.

With Deirdre Breathnach outstanding at midfield, O'Rourke took a pass from Martina O'Ryan and drilled the posts and a minute later the very impressive Elaine Power and Julie Torpey combined and O'Rourke duly kicked Waterford's 6th point. Sarah O'Connor and Geraldine O'Ryan swapped points and then Casey, O'Driscoll and O'Shea both hit the target and Waterford led 0-7 to 0-5 after 18 minutes.

Waterford upped a gear as Breathnach pointed and then Fiona O'Reilly stole in behind the Kerry defence and sidefooted the ball to the net but Kerry's reply was decisive, a brace of O'Shea points and another from Casey O'Driscoll. Geraldine O'Ryan took a pass from Julie Torpey and pointed to give Waterford a 1-9 to 0-8 interval lead with the prospect of a thrilling second half to come.

On the resumption O'Connor quickly pointed a Kerry free but suddenly Waterford took over with Breathnach and Mary O'Donnell dominating at midfield and Olivia Butler outstanding in defence. Geraldine O'Ryan and Mary O'Rourke both pointed and the Geraldine O'Ryan won a high ball and fed Deirdre Breathnach and the Old Parish midfielder hit an unstoppable shot into the far corner of the net and Kerry were on the ropes.

Then came a critical moment, Waterford centre back Annelisa Crotty took a heavy challenge, the referee allowed play to continue and O'Shea drove inches over the bar. Play was then held up for 8 minutes whilst Crotty was treated and subsequently stretchered off.

Kerry began to dominate, a goal seemed inevitable and it duly arrived in the 51st minute courtesy of O'Shea. Casey O'Driscoll shot a Kerry point but Waterford replied when Cleona O'Keefe put Mary O'Rourke through. The last 10 minutes belonged to Kerry as O'Shea (2), Patricia Dennehy and Sarah O'Connor pointed to reduce the deficit to a single point.

In the 6th minute of added time O'Shea kicked the equalising point and Waterford were in desperate trouble. A Kerry victory seemed inevitable but there was one last twist in the tale. Waterford won the kick out and quickly moved the ball downfield to Marie Hogan. Hogan held the ball up and then transferred it to Aoife Murphy who danced around the keeper and buried it in the net to stun the Kerry supporters. One more minute before the whistle and Waterford were victorious.

Despite improvement needed in some areas this was a very good Waterford performance. Every single player gave 100%. Nuala Ahearn did very well in goal, Donna Frost, Ciara Prendergast and Olivia Butler made sure that goal chances were scarce. The half line of Julie Torpey, Annalisa Crotty and Elaine Power halted Kerry on many occasions. The midfield pair of Deirdre Breathnach and Mary O'Donnell had their best performance yet as a pair.

Up front Mary O'Rourke and Geraldine O'Ryan were excellent and got good support from Rebecca Hallahan, Martina O'Ryan, Deirdre Nagle and Fiona O'Reilly. The 3 subs Cleona O'Keefe, Aoife Murphy and Marie Hogan all made a significant contribution.

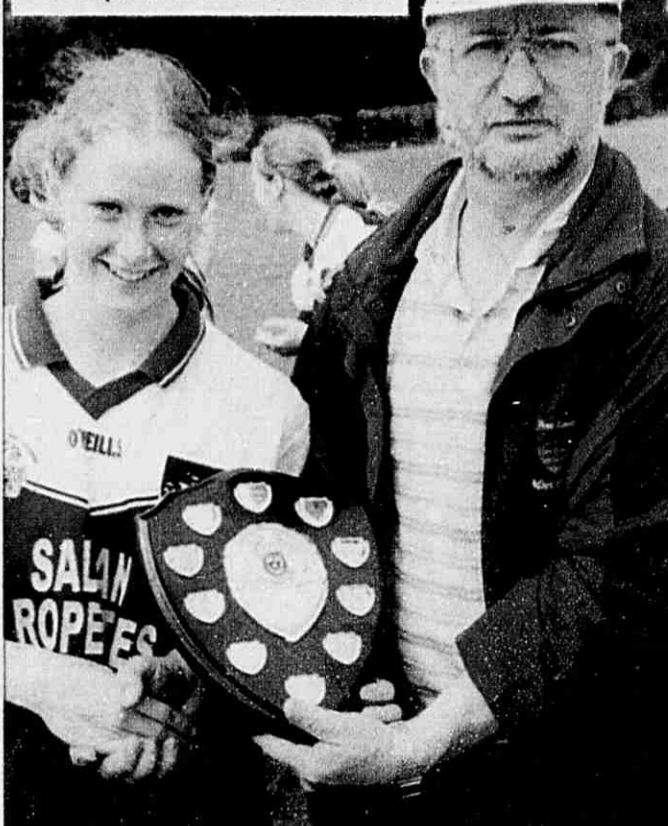

Next up are Cork at Emly on Saturday week. Cork beat Clare 3-14 to 2-12 in the other semi final and deserve respect.

Waterford; N. Hearn, D. Frost, C. Prendergast, O. Butler, J. Torpey, A. Crotty, E. Power, M. O'Donnell, D. Breathnach 1-1, R. Hallahan 0-1, M. O'Ryan 0-2, F. O'Reilly 1-1, D. Nagle, G. O'Ryan 0-3, M. O'Rourke 0-3, Sub C. O'Keefe, A. Murphy 1-0, M. Horgan.

## Waterford Ladies Football Notes

**MUNSTER COACHES TOURNAMENT**

Congratulations to our under 14 ladies who won the Munster coaches tournament last week at Salo head on the Limerick Tipperary borders. This tournament was the brainchild of Michelle Power and Brendan Gallagher and commenced two years ago. The cup was sponsored by Herlihy's Supervalu, Dungarvan and medals by Ger Wyley Sports Shop. Clare were the first to win this tournament and was not played for last year due to the foot and mouth disease. As Waterford under 14 ladies were knocked out in the semi-final stages of the Munster championship they were eligible to play in the tournament so were Tipperary and Limerick. Once again Waterford and Clare ended up in the final but Waterford took the cup back on this occasion by a very decisive victory. Team manager Johnny Kirwan was delighted for his team as they had worked hard at training since last January he also thanked his wife Nora and selectors Noel Faherty and Peter Jordan as well as the support he got from John Frewen for their help with the team. Waterford's win in the tournament meant that they also get the Munster shield as runners

up in the under 14 championship. Team list as follows: Orla Hickey, Genna White, Kerry Dunphy, Amy Martin, Julie Kirwan, Eibhlis Cooney, Niamh Kavanagh, Caoimhe Tipperary, Louise Ryan, Michelle Allen, Stacey Whelan, Lynn-Marie Grant, Catherine Power, Aishling O'Brien, Clodagh McGovern, Amy Jordan, Lenore Kirwan, Olive Hogan, Brid Whelan, Gillian Moore, Michelle O'Gorman, Eithne Skehan, Aoife Nagle, Katie Kirwan, Gillian McGrath, Laura Power, Edel Wilson, Katie Power, Mairead Wall, Mary Ryan and Claire Halpin.

## Cois Bhride Notes

**U-8 HURLING BLITZ**

Our U-8 hurlers took part last week in the Cappoquin U-8 hurling blitz. Cois Bhride were in group B and were up against very strong opposition in Dungarvan, Mount Sion and Lismore. It is great to see the young lads playing at this level and enjoying this great game of hurling. While we didn't win any of our games the lads acquitted themselves well.

**MINOR FIXTURES**

**UNDER 16 HURLING NOTES**

**Cois Bhride 1-8 Clonea 1-8**

In our fourth game of the county league we made the long trip to Clonea. After 60 minutes of drama and excitement both teams finished level on 1-8 each. This is a game which we thought we had won with only 3 minutes remaining we were 2 points up but the home team never gave up and finished with 2 very late points. During the match two of our lads picked up very bad injuries. Both Tom Feeney and Richie Rohan were having great games in defence before having to be taken off. After being taken to hospital we found out Richie's hand was broken and Tom also broke a finger and had to have his nail put back in place. We wish them both a speedy recovery.

Also we would like to thank Georgina and mother Curley for looking after both of the lads and for Mickey, Flor and James for driving on the night. Team: Kevin Henley, Alan Giles, Brian Harnedy, Tom Feeney, Richie Rohan, Owen Ahern, Pdraig O'Brien, Peter O'Connor, Eamon Forbes, Colin Savage, Luke McCarthy, Ken Kearney, Paul Forbes, Michael Curley, Mark Sutherland. Subs all used: Vincent Hickey, Aidan Daly, Shane Harnedy and Jamie Tobin.

**Ferrybank 4-9 Cois Bhride 3-9**

After a long journey our brave U-16's went down by a goal to a strong and determined Ferrybank outfit. Trailing at half time 2-5 to 1-5, Cois Bhride showed great heart and good hurling but were unable to break down the Ferrybank rearguard. Thanks to our driver Lorena, Flor and Finn. Team: K. Henley, J. Tobin, E. Aherane, P. Forbes, S. Harnedy, B. Harnedy, P. O'Brien, E. Hickey, P. O'Connor, L. McCarthy, F. Forbes, K. Kearney, M. Sutherland, M. Curley, V. Hickey. Subs: C. Savage, E. # BALLINAMEELA GAA CLUB NOTES

**FOOTBALL LEAGUE**

We travelled to Touraneena on Tuesday last to play Sliabh gCua in our second last league game. This game had importance for both clubs as a win would keep us in the hunt for promotion and a win for our opponents would keep them out of relegation. This made for a very competitive game, which was played at championship pace. Sliabh gCua played with the wind in the first half and it take them long to settle as they

opened a four point lead early on. A James Maher goal brought us back into the game and by the time the half time whistle we were only trailing by three points.

We had cut this margin to just one point with only two minutes of the second half played but from here on in we seemed to lose our shape and direction Sliabh gCua took a grip on the game which we couldn't break they eventually ran out six point winners.

**NEW ARRIVAL**

Congratulations to John and Bernie Walsh on the birth of a baby boy, surely another Walsh to wear the blue and white of Ballinameela in years to come.

**JUNIOR HURLING CHAMPIONSHIP**

We play Tallow in the second round of the junior hurling championship on Friday evening next. This will be a tough assignment as Tallow are a strong hurling club.

# Champions Stradbally Score Facile Win Over Kilrossanty

## STRADBALLY 0-14 KILROSSANTY 0-4

The dismissal of wing back, Brian Lannon in the 12th minute of this rather disappointing second round of the winners section was a factor in weakening Kilrossanty's challenge to the champions, but it cannot by any means be claimed to have cost them the game because Stradbally were caught in top form and played the better football over the hour.

The early sending off was a shock for the Comeragh team and a surprise to the attendance and the feeling was that the referee over-reacted to the foul and the punishment was in no way proportionate to the offence. It meant that Kilrossanty, who are now in the losers section, were short a player for 50 minutes of the game.

As a contest, it was far better than the score indicates and although fighting a losing battle, the Comeragh side never called surrender. True to tradition, they fought to

the finish.

But the game belonged to Stradbally, who were decidedly the better side and while they may not have looked like champions here, they are nevertheless going to be very difficult to beat.

Kilrossanty move into the losers section and may be able to make sufficient improvement to return for another 'go'.

### PLAY

John Coffey, Paddy Doyle and Nial Curran had points on the board before Kilrossanty opened their account with a pointed free by Tom Kiely in the 20th minute. In the meantime Brian Lannon had been red carded.

Trevor and Nial Curran (2) had points before Kilrossanty recorded their first from play which was a Tom Kiely score in the 31st minute. Within another minute Trevor Curran made it six points for the champions and 0-2 for the challengers when halftime was called.

### SECOND HALF

This half began in similar fashion as the first half with Stradbally in control and points by Nial Curran (3) and Trevor Curran sent them into an 0-10 to 0-2 lead in the 41st. minute. By now the contest was decided.

Points by Jacko Kiely and midfielder Roger Power were to be their final scores of the match as they did not register another for the remaining 16 minutes. In the meantime Stradbally added a further 4 points to give them a composed and very deserving win.

Scorers — **Stradbally:** N. Curran 0-5, T. Curran 0-3, M. Walsh 0-2, P. Doyle, N. Cusack, S. Cunningham. J. Coffey 0-1 each; **Kilrossanty:** T. Kiely, 0-2, R. Power 0-1, J. Kiely 0-1.

**Stradbally** — K. Cunningham, L. Walsh, J. Halpin, J. Walsh, E. Clancy, O. Costello, T. Costello, J. Hearne, G. Walsh, N. Cusack, G. Power, J. Coffey, N. Curran, M. Walsh, T. Curran. Subs. P.

Doyle for T. Curran, S. Cunningham for E. Clancy.

**Kilrossanty** — A. Kirwan, J. Kirwan, B. Mulhearn, P. Hayes, B. Lannon, M. Fitzgerald, S. Veale, R. Power, B. Prendergast, M. Kiely, K. Lonergan, C. Keating, K. Doyle, J. Kiely, T. Kiely. Subs. C. Dee for K. Lonergan, D. Kiely for T. Kiely

## SENIOR FOOTBALL CHAMPIONSHIP

# The Nire Record Facile Victory Over St. Saviours

## Nire 1-17 St. Saviours 1-4

This was a game of contrasting styles with the outsiders, St. Saviours performing in the now old fashioned "catch and kick" brand of football that was nice to look at but totally unrewarding against a side who are so experienced in the modern style of 'passing and running'.

Leading by 0-8 to 1-2 at halftime, the Nire, even at this stage, looked to be on course for a decisive victory and that was how things worked out when they widened the gap to a whopping 13 points in the end.

### "POWERFUL CONNIE"

A personal contribution of 9 points (almost half their total) by sharpshooting centre half forward Connie Power as well as being one of the features of this enjoyable, if one-sided game, made a major impact on the outcome. Some of the scores were kicked over from difficult positions.

But in the overall, this was a team victory achieved not just by the 7 players who shared in the scoring for the team, but for every player wearing their colours.

By contrast, St. Saviours were a poor team and suffered to an extent because of their aimless shooting. Two pointed frees and a converted penalty by Leo Douglas was the total reward for their first 30 minutes of play and one of their two second half points was also from a free kick.

Tom Flynn was the scorer of the Nire's only goal and this came in the second half when the winners were playing with total confidence.

Scorers — Nire: C. Power 0-10, T. Flynn 1-1, S. Walsh, 0-2, B. Wall 0-2, M. Walsh, J. Walsh and L. Lawlor 0-1 each; St. Saviours: L. Douglas 1-1, E. Doherty 0-2, D. Wyse 0-1.

**Nire** — M. Doocey, Justin Walsh, I. Walsh, M. Byrne, J. Moore, D. Ryan, D. Wall, A. Ryan, B. Wall, T. Flynn, C. Power, G. Walsh, L. Walsh, M. Walsh, S. Walsh. Subs: Joe Walsh for S. Walsh, D. Spellman for J. Walsh, L. Lawlor for T. Flynn.

**St. Saviours** — P. Houlihan, T. Wyse, D. Webster, K. Murphy, B. Power, M. Corcoran, I. Stenson, M. O'Brien, J. Cleary, T. Higgins, J. P. Jacob, L. Douglas, E. Doherty, A. Jacob, J. Wyse. Subs: E. Hartery for Douglas and D. Walt for T. Higgins.

Referee Donal O Murchú, An Rinn

## Minor Hurling Situation

Following last week's results the position in the 'B' championship shows that in one section, Ballyduff and St. Olivers have qualified for the knockout stages, while in the other section there is a three way play-off between Clashmore, Brickey Rangers and Colligan for two places. When this is resolved the way will be clear for the playing of the two semi-finals.

## Waterford v. Clare In The All Ireland Semi-Final

A random survey carried out over the past number of weeks seemed to read that Waterford supporters would have preferred to meet Galway rather than Clare in the semi-final on next Sunday week.

Our record against Galway over the past years is much better than our record against Clare whom we have not beaten for about ten years. (I will have the statistics next week).

Needless to mention, every puck of the ball was watched with avid interest by thousands of Waterford people and a video of the game will be examined again and again by the selectors and the panelists over the next eight or nine days.

The public reaction to Clare's display will help us in so far as it will help to dissipate the growing overconfidence in Waterford's prospects of winning the semi-final. It has brought more than a few people back down to earth and this is a welcome development.

Clare, with nine of their players having already won All Ireland medals, have their All Ireland winning odds slashed from 20/1 a few weeks ago down to 5/2 by the bookmakers.

### MUSCLE AND SKILL

These combined attributes and a super Colin Lynch point with time running out, won the Banner men the right to play us in the semi-final and while we should have little worries on the 'skill' aspect of the game, the 'muscle' aspect will keep us worried for the next ten days.

**G.A.A. NOTES**

**BY "COMMENTATOR"**

**JUNIOR FOOTBALL CHAMPIONSHIP**

**KILGOBNET 0-12 NIRE 0-7**

Free taking of the highest standard by midfielder Kevin Walsh was a distinctive feature of this entertaining junior football championship tie which saw Kilgobnet take complete control in the second half, following a poor first half display.

The Nire played some splendid football in the first 30 minutes and looked to be on course for a decisive win after leading by 0-6 to 0-3 at the break.

The 'break' obviously helped Kilgobnet to 'gather' themselves and to assert their authority on the game from the start of the second half.

The fact that they added nine scores to their first half tally as against a solitary point for the Nire, will give a fair idea of how Kilgobnet were able to turn the game around in their favour.

**MINOR HURLING CHAMPIONSHIP**

Last week the fifth and final rounds of the minor "B" hurling championships were played and resulted as follows:

St. Olivers and Dungarvan played a very exciting draw on a score of 3-7 to 1-13.

At Cappoquin, Ballyduff had a facile win over Naomh Brid on a 5-17 to 0-1 scoreline.

Colligan 1-11, Clashmore 1-8 — This splendid contest was played at Fraher Field.

Stradbally were far superior to Cappoquin, who did field despite a rumour that they would not.

Brickeys 3-11, An Gaeltacht 3-3 — This was the final outcome of a match that was a better contest than the score might suggest.

**MINOR HURLING "A"**

**ABBEYSIDE 3-11 LISMORE 4-7**

This was a rip-roaring contest between two splendidly matched sides. It was a game that 'went down to the wire' after some exciting passages of very good hurling. The group team of Lismore/Ballysaggart/Ardmore looked to have the game won until Abbeyside goaled in the last minute.

**JUNIOR FOOTBALL CHAMPIONSHIP RESULTS**

**Old Parish 2-16 Brickey Rangers 1-4**

Another splendid performance by the Old Parish team, who were once again in top scoring form when defeating the Brickey junior team by a 15 points margin.

Their forwards certainly know where the goal posts are, they having notched a total of 6-36 in two matches played within a week.

**Dungarvan 1-10 Clashmore 0-4**

Dungarvan continued on their winning way and scored a decisive win over Clashmore here. Both clubs were represented by their second best squads.

**Modeligo 3-12 Sliabh gCua 1-7**

A good and a well deserved win for Modeligo and a result that will restore confidence to the side for their next match. Sliabh gCua were represented by their second team while Modeligo played their club team.

Pictured above is Fergal Hartley, Waterford Hurling Captain with participants of the Abbeyside/Ballinacourty G.A.A. Summer Camp. Fergal spent time talking to the young players during his visit to the camp.

**NEW BYE LAW BOOK**

The new bye-law book, which was recently published, was issued to all clubs at Monday night's meeting of the senior board. This is the first thorough updating of bye laws and regulations for 17 years.

Several of the old bye laws and regulations have been cancelled because they were in conflict with rule changes over the years.

For the first time ever the bye laws and regulations are printed in different sections of the booklet and this will prove helpful to clubs and officials.

**SENIOR FOOTBALL CHAMPIONSHIP**

**Dungarvan Win Local Derby**

**DUNGARVAN 1-12 BALLINACOURTY 3-3**

There is no disputing the fact that Dungarvan were deserving winners of this football tie between the neighbours and any other result would have been a travesty of justice over an hour's football that saw Ballinacourty in a wasteful mood on too many occasions.

Dungarvan played the more direct football and as the scoreline indicates, their shooting was far more accurate than that of their opponents.

Most people at the game were agreed that Ballinacourty have not played as poorly for a long time.

Dungarvan had golden goal opportunities in the opening five or six minutes of the match — first when a penalty kick by Peter Ferncombe was brilliantly saved by Ballinacourty goalkeeper Declan Enright and then a 'rasper' of a shot by Seamus Cunningham (who contributed a total of 7 points to his side's tally) hit the crossbar before going over for a point. Then Ballinacourty took over and rapid fire goals by Gary Hurney

and Michael Enright put them in front. An Alan Harty goal about six minutes from the end of the half saw the sides in close touch on a 2-2 to 1-4 scoreline in favour of Ballinacourty at the break.

**SECOND HALF**

Seamus Cunningham and Peter Ferncombe had points to put Dungarvan ahead before Ballinacourty, to the dismay of their supporters, hit their worst patch of the game when, after being in control of the game for about ten minutes and given many opportunities for attempting to score, faded and were held scoreless for about the next 20 minutes.

In the meantime Dungarvan kept picking off points and were three in front when Gary Hurney had his second goal of the game to leave the teams level with under 10 minutes remaining.

Ballinacourty's only other score came from a Gary Hurney free while Seamus Cunningham, Pat Veale and Nicky Donnelly kicked over the winning points to put the Blues deservedly into the

semi-final.

Scorers — Dungarvan: S. Cunningham 0-7, A. Harty 1-0, P. Ferncombe 0-2, N. Donnelly, J.P. Donnelly and P. Veale 0-1 each; Ballinacourty: G. Hurney 2-1, D. Ferncombe and P. Lynch 0-1 each;

**Dungarvan** — D. Morrissey, D. Dee, D. Lyons, M. McLoughlin, C. Curran, T. Galvin, J. O'Mahony, P. Veale, E. Cunningham, N. Donnelly, N. Power, J. P. Donnelly, P. Ferncombe, S. Cunningham A. Harty. Subs. K. Curran for C. Curran, D. Lyons for A. Harty;

**Ballinacourty** — D. Enright, R. Hanrahan, J. Moore, P. Hayes, J. P. Keohane, L. Hurney, S. Briggs, J. McGrath, D. Hayes, P. Lynch, G. Hurney, J. Hurney, M. Enright, J. Foley, D. Ferncombe. Subs. S. Hanrahan for J. McGrath, K. Power for P. Lynch, C. Barrett for P. Hayes, S. Lavin for S. Briggs.

Referee: Tim Byrne, Erin's Own.

**CHAMPIONSHIP SITUATION**

The Nire, Stradbally and Dungarvan who won the three matches played last week, are now through to the semi-finals.

St. Saviours, Kilrossanty and Ballinacourty are the three losers in the winners section and will meet the three winners in the next round of the losers group which consists of the six first round losers, Kill, Lismore, Ardmore, Tramore, Rathgormack and Kilmac-thomas.

This means that all twelve club teams are still standing in the championships in early August

## G.A.A. NEWS BY COMMENTATOR

# Under 21 Hurling Championship Begins

All going well, Monday next, August bank holiday, will see the completion of all the first rounds of the under 21 hurling championships in this division. There are double headers at Cappoquin and Fraher Field as follows:

### FRAHER FIELD GAMES

At 2 p.m. the programme opens with a meeting between Cappoquin and Ardmore, who are the reigning champions and former county champions.

Strange to record, Ardmore were unable to field a minor hurling team this season and had to amalgamate with Lismore and Ballysaggart.

Cappoquin were also reported as having problems in fielding a minor hurling team. With Declan Prendergast still eligible and with a few more from last year, I suppose Ardmore can be given the tag of favourites.

### FOURMILEWATER V. LISMORE

This is the second match and is billed as the feature game on the programme. I expect that Lismore will be the stronger and will be expected to advance.

### AT CAPPOQUIN

The opening match here will be Ballyduff versus St. Olivers. Ballyduff are more limited in numbers than the group team St. Olivers. We can predict a win for the saints.

### TALLOW V. COLLIGAN

This is the feature game and will be expected to provide very good hurling.

Tallow will have the assistance of Shamrocks underage players and likewise, Colligan can pick from Kilgobnet. This is a game that can go either way, but my choice is Tallow.

Abbeyside have a bye and will meet the winners of the Ballyduff/St. Olivers match.

### UNDER 2 "B" HURLING

Only two matches are fixed, as Clashmore and St. Marys each have a bye.

### AT ABBEYSIDE

Here, Dungarvan will be fancied to defeat Brickey Rangers. At Leamybrien

Stradbally clash with An Gaeltacht and here a win for the former is expected.

This championship in both grades is knockout, so all clubs will be given just one bite of the cherry.

## WESTERN BOARD MEETING

A full meeting of the Western board will take place at Lawlor's Hotel on tomorrow, Thursday evening at 7.30 p.m.

There are quite a number of referees reports to be dealt with and quite a number of players who have been "red carded" over the past several weeks have been notified to attend.

Championship and league progress will also be discussed.

## JUNIOR HURLING CHAMPIONSHIP

Reasonable progress is being made with this, the biggest of the board's adult championships and over the next week or so more progress will be achieved if all the listed matches produce results.

On Friday evening next, Dungarvan will play Clashmore in Ring and the winners will play Stradbally on a date to be fixed.

Cappoquin will play Colligan, also on Friday, and this will be in the Fraher Field. The winners here will meet Ballysaggart.

Cappoquin is the venue for Ballinameela and Tallow on Friday and the winners of this tie will face Geraldines.

### SATURDAY MATCHES

At Fraher Field, Fourmilewater will play Brickey Rangers with the winners drawn against Kilgobnet.

Tourin will play Ballyduff at Cappoquin with the winner's taking on Abbeyside.

### SYMPATHY

#### JIMMY FRAHER R.I.P.

Jimmy first saw the light of day in the Ring Gaeltacht and brought his love of the games and all forms of Irish culture with him to the parish of Abbeyside. Living in Ballinroad with his wife Mary and family, his love of the games never waned and the contribution of all his family to the local clubs in hurling and football was immense.

He was a man who loved speaking the "cúpla focail" and never lost his love for the Irish language.

The massive turnout for his funeral and burial gave testimony of his wide popularity.

To his wife, Mary and family we offer our sincere sympathy. Ar dheis Dé go raibh a anam.

### COMMITTEE MEETING REMINDER

All committee members are reminded that the next committee meeting will take place next Wednesday, 31st July at our Club grounds at 8.30pm.

### SENIOR FOOTBALL CHAMPIONSHIP

On Sunday night last we played Dungarvan in the Senior Football Championship at Fraher Field. With a place in the semi-finals at stake it was Dungarvan that came away with the spoils on a scoreline of one goal and twelve points to three goals and three points.

It would be true to say that we did not play up to scratch and on the day Dungarvan deserved their victory. There is no point in moaning about guys gone to the USA or injuries etc. We have to play the cards we are dealt. The place to deal with this loss is out on the training ground and the selectors are asking all players to dig deep and show what our Club spirit means to all of us. We can lie down on this or we can come back stronger.

When we look at the loser's group it will not be easy to come through this but never the less if we have all players committing to training then we can turn this loss a round. The positive aspect of this season is that we have now blooded five minors into the senior set up. Declan Fives and Patrick Lynch made their debut in the first round against Lismore. Against Dungarvan on Sunday night David "Guicky" Ferncombe started, kicked a point and was involved in two of the goals we scored. Not a bad innings for one so young. Patrick Lynch scored a point. Simon Hanrahan and Seamus Lavin came in for the injured Sean "Hiker" McGrath and Shane Briggs.

It was also great to see Rick Hanrahan also make the starting fifteen after his heroics

last year with our successful minor team. John Hurney is also produce of last year's minor team.

The point here is that this team is young with a huge future in front of it. It's time for some of our older lads to show leadership and ensure that we begin to work harder out in the training field. The positives can only be harnessed if we accept defeat on the chin and work hard for each other.

Declan Enright saved an early penalty, Gary Hurney scored two goals and Michael Enright scored the other goal. The selectors and club are very much appreciative of Derek Hayes efforts who came back to play for his team and unfortunately picked up an injury.

The team was as follows: Declan Enright, Rick Hanrahan, Jonathan Moore, Brian Hayes, John Paul Keohane, Laurence Hurney, Shane Briggs, Sean "Hiker" McGrath, Derek Hayes, John Hurney, Gary Hurney, Patrick Lynch, David "Guicky" Ferncombe, John Foley and Michael Enright. Substitutes used: Simon Hanrahan, Conor Barrett, Karl Power and Seamus Lavin. Substitutes not used: John Organ, Denis Byrne, and Keith Brown. We wish a speedy recovery to Hiker, Derek and Shane. We need everybody back fit for the next day.

### LANGAN CUP

It is expected that we will be playing intermediate hurling next Saturday evening, 3rd of August in our own club grounds in the Langan Cup. All hurlers are requested to make themselves available for this. Training resumes next Thursday, 1st of August at 7.30pm. Remember lads we

get from games exactly what we put in on the training ground.

### MINOR HURLING CHAMPIONSHIP

Our minors had a fine win against Lismore/Ardmore last Wednesday night, 24th of July in the Minor Hurling Championship at home. The lads showed great courage and won it at the death with a last gasp goal scored by under sixteen Patrick Hurney who had come on as a substitute.

There is quite a bit to go in this campaign yet so we wish the players and mentors Joe Cleary, Greg Fives and Bernard Shields the very best of luck in their Championship endeavours.

### UNDER 16 HURLING CHAMPIONSHIP

Our under sixteen hurlers had a win at home last Thursday night, 25th of July against the Brickeys at home.

Abbeyside U9 hurlers were invited to the Brickey Rangers tournament on Saturday last in Bushy Park. We were in a group which included St. Olivers, Ballygiblin & Naomh Brid and after the league games we headed the group which sent us into the semifinal.

We were now pitted against Cappoquin, but despite a tremendous effort from everyone we couldn't break down their sturdy defence and had to settle for second best. Our thanks to Brickeys for their invitation and their hospitality on the day.

A pair of tremendous semi-finals are in prospect as Keane's C and Davitts clash and in the second game Kirwan's and Shandon Arms clash.

Keane's C many peoples favourites are a depleted bunch missing Killian Lyons and Craig Cowming with Owen Morrissey doubtful. Davitts with Aidan Landers and young Gaeltacht hot shot Paddy Mahon will leave no stone unturned in their bid for glory. Verdict: Keane's C.

In the second game Shandon Arms and Kirwan's serve up a treat and no doubt it will be a great encounter. Coward, Coleman and Landers have been stars to date but one feels the Barry's and Eddie Rockett will have too much for them. Verdict: Kirwan's.

## RED HOUSE LEAGUE ANNUAL GENERAL MEETING

# End Of Era — Start Of New One

The Annual General Meeting of the Red House League took place in the Red House, Lismore on Monday 22nd July, with a very large attendance of club delegates present. In fact there was only one club (Modeligo) absent on the night.

Chairman Paddy Pollard welcomed everyone with a very special welcome for the Chairman of the Munster Football Association Mr. Tom Lewis.

Secretary Ml. O'Neill gave a very comprehensive report of the past season, while Treasurer Pat Casey's very detailed report explained to all the delegates the cost of running a league and how costs have risen in the past number of years. Pat also produced the balance sheet from the fifth cooperative super draw, and the various amounts of grants which have been paid out to the clubs. Pat's reports were adopted and he was complimented on such excellent work.

We then had the address of Chairman Paddy Pollard who was stepping down after 30 years in the chair. In a wide ranging address outlining the league since its foundation, the Chairman spoke of the progress that has been made (see separate report) and concluded his report quoting Liam Fraser at a recent function - when the league started in 1972 there were 60 players - today 30 years later there are 1800 registered players.

Tom Lewis, Chairman of the MFA spoke and congratulated the league on how well organised and managed everything is. He complimented secretary Ml. O'Neill on his comprehensive report and Treasurer Pat Casey for his report. As leagues go, player registration is very cheap in one league and the cost of weekend football is minimal compared to other leagues throughout the country. He said to continue with the Oscar Traynor competition because it does take a few years to make the breakthrough and when he saw the Red House play South Tipperary last October he was impressed. He finished by wishing Paddy Pollard the very best and said the league is well represented at meetings in Cork by Paddy. Tommy concluded also saying Paddy was elected to the FAI after just one season in Munster and the Red House League is now known nationally.

The election of Chairman then took place with Ml. McBride being elected unopposed. The committee was elected en bloc with Anthony Kenneally (Inch) also elected. So a historic night finished with a new Chairman elected in 30 years and we wish Michael the very best in the next three years.

At a committee meeting held on last Monday night the following officers were elected —

Chairman — Ml. McBride; Vice-Chairman — Liam Fraser; Secretary — Ml. O'Neill; Asst. Secretary — Paddy Pollard; Treasurer — Pat Casey; Fixtures Secretary — Jim Foley; Disciplinary Committee — Tom Power, Jim Foley, Anthony Kenneally; Under-18 League — Liam Fraser and Paddy Pollard; Delegate to Munster — Paddy Pollard.

### SECRETARY'S REPORT 2001-02

The season gone by has been another successful one for the Red House League. We had 20 clubs involved. Brideview and Valley Rangers had 2 teams each, so that gave us 8 teams in the Premier Division, 8 teams in Division 1 and 6 teams in Division 2.

As usual we kicked off with the Tony Bolger Cup, with 20 teams taking part. This competition was ran on a knockout basis with the losers of the first round going into a runners up group where they played off for a plate. In the final of the Cup Valley Rangers beat Lismore on penalties, and in the plate final Gortroe beat Accrington Celtic.

Next played was our league and after many great games Cappoquin were victorious in the premier division with Valley Rangers runners up, and Castlebridge and Gortroe relegated to the 1st division. Kilworth won the 1st division with Accrington runners up and both were promoted to the Premier Division and An Ghaeltacht and Mogeely were relegated to the 2nd division. Clashmore won the 2nd division with Affane runners up after a play-off with Valley B, and both were promoted to the 1st division.

During the league we also fitted in the Dungarvan Tyre Cen-

tre Cup which was won by Ardmore after they beat Lismore in the final on penalties. Our final competition of the season was the Liam Fitzgerald Cup, which was won by Cappoquin after beating Valley in the final, making it a seasonal double for the Cappoquin Club.

During the season we had a number of teams enter the Munster Junior Cup and also the FAI Junior Cup. Valley Rangers progressed to the open draw in the Munster Junior Cup. For the second year running we entered the Oscar Traynor Cup. In the first round we played Cork and after a fine game we were beaten by 2-0, Cork going all the way to the semi final. Next we played South Tipp and Waterford and were well beaten in both games.

During the season we also ran an under 18 League and Cup which was run by Liam Fraser. Great credit must go to Liam for taking this on. Off the field it was a busy year for the committee. During the season we lost our PRO and thanks to others we kept going to the end of the season. Paddy Pollard was reelected to the MFA Council for the second year running. I would like to express my sincere thanks to all the club secretaries who cooperated fully at all times, also Ger Delaney of Munster. Not forgetting our own committee members, who were always helpful, especially Paddy Pollard and Michael McBride, who pointed me in the right direction during my first year as secretary.

The super draw was also a great success this year with now nearly every club in the league having been allocated grants. Congratulations to Cappoquin on having received a substantial grant from the FAI during the year, hopefully the first of many for our clubs. Wishing all the clubs, players, committees, referees and supporters the very best in the 2002-03 season.

### CHAIRMAN'S ADDRESS

Delegates and distinguished guest, I originally intended speaking tonight of the 30 years I have spent as Chairman of the Red House League since its birth in 1972, but I do not want to bore anyone by repeating what I said a few weeks back in Ballyrafter House Hotel at the surprise party organised by the committee. Our secretary has outlined in his report the events of the past season, a season that saw as much activity off the field as on it.

We had a special meeting of all the clubs here on the 21st February last to discuss the proposed application for grant aid from the government. Two clubs asked us to support them in their application - Cappoquin F.C. and Brideview United. After a vote Cappoquin was the selected club and the Leagues backing no doubt helped, when on Good Friday the Cappoquin club was notified that they would be receiving 25,000 euro of a grant. The Cappoquin venue will now be used by the league as our home ground for our Inter League games.

In congratulating Cappoquin it would be remiss of me not to thank Brideview for all the help this league has received from them through the years.

Many clubs are making the effort to improve their grounds and facilities. As I have said here on numerous occasions the day of toging out on the side of the road is long gone.

In this the 21st Century there should be no reason why players cannot have proper facilities in which to change and as this is my last night as Chairman I will say for the last time that often quoted - clubs in name only.

There are only a few, and if any of them need help or assistance please talk to the committee. We were able to complete our season almost on time considering the bad weather after Christmas. Also, around March, our fixture secretary, Jim Foley, had to relinquish his position due to business commitments and I helped out to the end of the season. I must thank all the clubs

for their cooperation, the Chairman of the referees, Lenny Fraser and his referees who were more than helpful to me with fixture changes and evening games when ever called upon. We lost Sean Kearns as PRO in September and Liam Fraser took over until February and Ml. Looby held the post until the end of the season. To all three sincere thanks.

I must say a special thanks to our local press - Colm Nagle of the Dungarvan Leader, Liam Howard of the Avondhu and finally the Imokilly People.

Tonight we launch our 6th Confined Super Draw. Since its inception clubs have benefited financially, be it from their own sale of tickets or form grants paid out from the draw grants.

The financial costs of managing a club - no matter how small - have risen dramatically in the past few years. The income from the draws go a long way to easing that burden, and speaking of costs I cannot emphasise strongly enough the importance of players having a personal accident insurance to cover them against injury while playing each weekend. In this day it is a necessity. I cannot leave the draw without saying a very special thanks on behalf of the entire league to draw coordinator Pat Casey for the amount of time and effort he devotes to the draws and I'm very doubtful if they would be as successful as they are without his input, and I also have to mention his committee of ladies who help him at the draw venues. Thanks to all. We as a league are very fortunate to have such wonderful sponsors - Ml. O'Leary, Red House, Philip Flynn Dungarvan Tyre Centre, Colm Nagle and the Dungarvan Leader, Mel Shanley and Dungarvan Insurances Ltd. Without their sponsorship this league would find the financial costs practically impossible to function.

To all four many thanks.

I have to mention the underage and compliment them and their very hardworking committee or the time they give to organising so many underage games every weekend. As I have said many times they are the future Red House League.

I wish to thank Liam Fraser for his organising of the Youth League and Cup competitions and the manner all games were completed through good planning and cooperation by the clubs competing. In the 30 years I have spent in the Chair I have got to know all the delegates. We did not always see eye to eye at meetings and when I made a decision you did not agree with I was always thinking of the future of this league and as I always said when we went out the door after a meeting, whatever was said inside always stayed there and the friends I have made through this league are life long.

There have been many different faces on the committee in the 30 years. The present committee are excellent and the amount of time and dedication they give has to be seen and I am very confident that this league is in very good hands and I wish Ml. McBride the very best. Looking back to the start when Tony Bolger and myself started off this league with four teams the goal was to have games on a regular basis. Through the years those goals changed with each passing season - increase the league to 2 divisions, to 3 divisions, became associate members of Waterford but with our own autonomy, and then to become a fully fledged league of our own, and finally my own personal goal, enter our league in the Oscar Traynor and in time who knows what will be achieved.

I would like to thank my colleagues in Munster and I will continue to represent this league to the best of my ability at Munster Council and I can assure I will not let this league down in any way when I represent Munster at FAI Junior Council, and I hope to have many happy years with you all and I'll be still seen on Sunday mornings P.G. at some of your grounds.

Finally I cannot let this occasion pass without thanking the committee and all those clubs who turned up in Ballyrafter on Saturday 18th May for the surprise party. It was a wonderful night for me and I thank all of you who made presentations to me. I can assure you that they will be treasured as will the memories of the evening. I won't be allowed forget it anyway as Pat Casey presented me with a video of the occasion.

Many speeches were made that night, but one sentence Liam Fraser said sticks with me as I never thought of it and I'll finish with that sentence now — This league started with just sixty players and tonight there are with adults and schoolboys 1800 registered. Thank you all. Slán and go raibh a mile a maith gaibh go leir.

## GOLD COAST CHARITY MARATHON GATHERING MOMENTUM

We all remember September 11th last year for all the wrong reasons, but this year September 11th should prove to be a real red letter day in the history of local charity events. It is on that day that the Gold Coast Golf Club will host a monster charity fund raising marathon golf competition. It is hoped to raise in excess of €5,000 for up to ten different charities on the day. Nine teams will take part, each team consisting of ten players and two reserves, and their aim will be to achieve the target of 1,000 Stableford points. This will mean that each team will play over three rounds of continuous golf, starting at 7.00 a.m. and finishing at about 8.00 p.m. that evening.

The organising committee are now in full swing and would welcome any offers from people who can help on the day, play in one of the teams, sponsor in any way, caddy for some of the play-

ers, assist with the on course catering, etc. If you would like to be associated in any way contact Brendan on 086-8390871. It will definitely be one of the biggest days this year and you are more than welcome to be a part of it. Over the next few weeks we will profile the different teams and charities involved

## JUVENILE NOTES

Juvenile Open 23rd July sponsored by Anglo Irish

Bank - David Troy produced a fantastic round of 2 under par off the white tees to win this competition with a score of 43pts off a handicap of 5. This was a remarkable round played in very blustery conditions. With the wind straight into the players for the most part, the back nine took a major toll on many potential winners. A total of 94 from 11 different clubs took part. Local players did very well, taking the first two places and the gross prizes.

1st David Troy (5) (Gold Coast) 43pts. 2nd Michael Buckley (20) (Dungarvan) 41pts. 3rd Aidan Sliney (20) (Youghal) 40pts. 4th Brian Foley (18) (Gold Coast) 40pts. 5th Chris Murray (19) (Tramore) 39pts. 6th David

Buckley (16) (Dungarvan) 39pts. 1st Gross Darren Hamilton (14) (Dungarvan) 27pts. 2nd Gross Kevin Stack (7) (Dungarvan) 27pts. High Handicap Dermot O Sullivan (24) (Youghal) 36pts.

Juvenile Coaching - David Hayes P.G.A. will be giving lessons next Tuesday 6th August next for experienced players at 6.00pm and 7.00 pm for beginners.

The second session for beginners took place on last Monday night. It is important for beginners to attend all sessions as learning a pre shot routine alone will not suffice. The dates will be shown in the Golf Notes and on the Juvenile Notice Board.

### PADDY FOLEY'S SCRATCH CUP

A good entry took part in the Paddy Foley's sponsored Club Scratch Cup last Sunday morning. Played to a backdrop of very unseasonal weather with squally showers all morning some of the scoring was of the highest order. Best Junior gross was won by John Keating who is starting to play well again after an absence from the game. Inter Gross was won by the consistent Anthony Landers who is now only a shot away from the Senior grade. In the 18 hole play off Mike Daly went out with a 2 shot lead over Darren Hamilton but Darren who was playing in his first adult event added a fantastic 9 under to his 8 to win the overall on 17 under. Leonard Duggan who has been quiet of late sneaked into second place with 14 under when Mike bogeyed the 18th. This turned out to be a really good competition and well done to all and especially young Darren who won first time out of Juvenile. Many thanks to Paddy Foley's Bar for their generous sponsorship.

## DERMOT WALSH WINS P.I. POWER CUP

The 18 hole Stroke Competition played for on Sunday off the Blue markers for the P.I. Power cup was won by Dermot Walsh playing off (4) with a fantastic score of 67 Nett. Dermot's golf was a replica of his effort on Thursday as once again he opened with a birdie followed by 8 pars to be out in 35 shots. Dermot, ultra consistent all year and really deserving of this fine prize, was level par for the back nine finishing in style with a birdie on the 18th. Dermot's success was hugely popular amongst the members. In second place we had John Cartwright playing off (17) with a 69 nett. John, popular Captain in 1989 was out in 45 and back in 41. It is nice to see this fine clubman returning to form. The gross was won by Paul O'Riordan who was round in 76 shots.

## MAURICE CLIFF RETURNS TO TOP FORM

The 18 hole Stroke on Saturday for the July Monthly Medal kindly sponsored by Mansfields EBS was won by Maurice Cliff playing off (19) with a 66 nett. Maurice, highly popular Waterford Crystal employee, played highly consistent golf with halves of 42 & 43. The highlight of his round was a birdie four on the 12th. Maurice, one of the finest strikers of the ball around and always eager to help others improve their game, proved to be a very popular winner. In second place playing off (14) we had Gerard Lafford with a 67 nett. Gerard went out in 43 but came thundering back with a great score of 38 shots with birdies on the 12th & 18th. The gross was once again won by Donie Williams, who was round in 73 shots.

## BALLYKISTEENS JOHN O'DWYER SHOOT'S GREAT SCORE

The 18 hole Singles Stableford on Thursday, kindly sponsored by Ulster Bank was won by John O'Dwyer (16) Ballykisteen with a marvellous score of 45 pts. John played some of his best golf ever as he went to the turn for 22 pts and went better on the back 9 to amass a winning score of 45 pts which represents a 63 nett and in the process spread eagled a huge field. In second place with 42 pts off (5) we had Dermot Walsh. Dermot in my opinion the most consistent golfer in the club this year, had a great front 9 of 22 pts with a birdie start complimented by 8 straight pars. Dermot was level par for the back 9 highlighted by a fine birdie on the 13th. The gross was won by Donie Williams with 37 pts which, like Dermot represents a 71 gross which is great golf.

### O'CONNELL CUP REACHES QUALIFIER FINAL STAGE

The Club Fourball for the Dr. Pat O'Connell Trophy has now reached the quarter final stage and we are left with some mouth watering ties over the next couple of weeks. The top half of the draw sees twice former winners Cyril Power & Eamonn Spratt up against Dermot & Justin Walsh. In a tie of real quality the Walshes are tipped to advance. The second match sees Tom Quinlan & Michael Corkery against Pat & Kevin Stack. In a tie sure to produce fireworks the Stacks should prevail. The third quarter final sees John & John Jnr Lynch versus Mark & David Fleming. This to me is the tie up of the round which I'm sure will throw up many birdies with the Lynch's tipped to just succeed. In the last match we see Michael Flynn and David Walsh against Pat & Brian Morrissey. This has the makings of a fascinating tie and if David Walsh can forget about the Waterford

Hurlers for a few hours I think that they could advance to the semi final. Four wonderful ties involving some of our finest golfers and the best of luck to all of them.

# WEST WATERFORD ATHLETICS NEWS

## West Waterford A.C. Do Well In Portlaw 4

The Portlaw 4 mile Road Race was held last Monday evening and there was a field of 67 athletes who were taking part, the race this year was held in aid of the special Olympics and a good amount of money was presented after the race to the local committee of the Special Olympics.

The race itself saw a home town win for local man Robert Wade. Robert is presently at home in Portlaw on holidays from Loyola University in the USA where he has successfully completed the first year of his athletics scholarship, his winning time of 1944 was well clear of the second placed man Matt Flannelly United Striders Wexford 21.09 with Mike Eaton in third spot 21.38. Mike is from Boston and is also on scholarship in Loyola with Robert and he is enjoying a little break in Ireland before both men resume their studies and training next month.

Sinead Cummins St. Joseph's won the ladies race in 23.30 and second place saw a great battle once again between West Waterford team mates Corinna Walsh and Joanne Jackman with just five seconds separating the two at the line. Corinna had the upper hand over Joanne on this occasion.

West Waterford had a double in the Junior race with Triona Shalloe taking the girls and Paul Stephenson winning the boys titles, well done to all who participated and to club man Michael Wade who was involved in the organisation of this very successful event.

## CHURCHTOWN SOUTH 5

Race three in the Ballycotton series was held last Thursday evening in The East Cork village of Churchtown South, it was a beautiful summers evening and it brought out the runners in large numbers with 200 finishers in total. The race was won by the self proclaimed king of the Road Noel Berkley D.S.D. but he was made to fight all the way by the Harty brothers Philip and William. On the night the Dubliner proved too strong for his younger challengers and came home alone in a time of 25.16 with William taking second in 25.41 and Philip third 26.04. West Waterford was once again well represented as these races always seem to draw a good contingent from our club, the following were the times and placings of our club athletes.

3rd Philip Harty 26.04, 29th Martin McCarthy 28.53, 36th Gerry Cantwell 29.25, 48th Joe Kelly 30.39, 54th Con Kelleher 31.10, 73rd Jason Drummy 32.27, 74th Tony O'Mahoney 32.35, 170th Norma Wall 40.50, 177th Siobhan O'Mahoney 42.52.

## GER WYLEY/NIKE SUMMER SERIES

RACE NO.9.

## Ballymacarby 5 Mile Road Race

The annual Ballymac 5 mile race will be held this coming bank holiday weekend on Monday 5th 7.30 pm. This is race nine in the ten race Ger Wyley/Nike summer road race series and things are hotting up at the top of the overall standings in the series with just one race remaining after this one, that is the Ardmore, 5 on August the 16th. Race organisers in Ballymac, Frank Bolger and Francis Connolly have been busy over the last couple of weeks getting the race organised and as every year it will be a great event bringing big numbers to the beautiful Nire Valley.

The race also has new sponsors this year in the Bank of Ireland and Irish International Print and all proceeds from the night will go to the Nire Parish Council fund, a very worthy local cause. There will be a big local involvement in this years event as Sponsorship cards are being filled by the local people around the community, with the walk getting underway at 7 pm with a fee of 5 euro for any one who hasn't a Sponsorship card.

Also at seven there will be a juvenile race over two miles for boys and girls with prizes for the first six boys and first six girls. In addition there will be prizes for the first five locals, the entry fee for this is 3 euro. The main event of the evening the five mile Road Race gets under way at 7.30 pm, with prizes for the first 5 men, first two over 40, 45, 50, 55, 60, and first five locals, the women's prizes are first five plus first two over 35, 40, 50, and first three locals. All finishers will receive a race T-shirt and entry is 7 euro. The prize presentation will take place in Dooceys Bar after the race, so whether you are walking, jogging, or racing come along to Ballymac on Monday evening and enjoy a good fun night out.

## Waterford Crystal 30 Years Old

As we go to print I have just been handed by "uncle Albert" a copy of the book which has been published to commemorate Waterford Crystals 30th year in Dungarvan. And it has to be said a fantastic publication it is too, with the history of the crystal operation in our town over that period, full of brilliant photographs, facts and figures and great insights to the employees and the work they carry out much of it written by the workers themselves.

To say that West Waterford AC and the now defunct Dungarvan A.C. were and are associated with the factory would be an understatement to say the least as the back bone of both clubs came from within the employees of the factory. In the earlier years they even had their own club who went all over the country running in the business houses races and they won many honour, for Waterford Crystal in doing so.

When our club hosted the national marathon last year the Crystal were first up with their help and put up some magnificent prizes for the overall winners which are still talked about in the athletics fraternity.

The local factory holds its own race every year over a 10k course around the town which is part of West Waterford's spring league, as a matter of fact some of the towns finest athletes came from and still are working in the Crystal factory. Browsing through the photos some interesting stats come to light e.g. "Michael Callaghan" works in the tank what ever that is". Finbarr Kelly and Gerry Cantwell are Rheintour. I knew there was something German about these two. Ray Burke is sand blasting and lives in Clonea. Liam Dwyer is semi skilled, while Pat Earley is on the solid line, some of our ladies are packing while Michael Cooney is Clerical, Michael Hennessey and Mossie Quinn are on the batch or is it botched, and Gerry O'Connor is autocutting, sounds a handy number, not forgetting the cutting cutters Seamus Drummy, John Whelan, Anthony Dwyer, Pat Dunford, while wife Ann sends back the badly cut pieces by Pat to be done again. Colin Lyons, Michael Drummy, the list goes on. There are many good friends to our club in Waterford Crystal both management and employees. Even though not all runners themselves they come to our aid to help when called upon and we thank them for their efforts over the years. All that is left to be said is go and get the book, it is terrific and to the committee who published it and organised all the celebrations last week you can all take a bow for your efforts - they were top class.

PS page 89 tells us that the one and only Seamus O'Droma is one of only five original cutters who started in 1970 and is still working at the plant and you know they say a good wine matures with age!!

## Vets Track And Field

The following are entered for the Master Nationals in Tullamore on Saturday, August 10 — Brendan Moran, Over-45 100 and 200 metres; Joe Gough, Over-45 400 and 800 metres; Con Kelleher, Over-50 1500 and 5000 metres. It will be Brendan's first race over 45 and Joe Gough's last nationals over 45.

The photo above was taken in Italy '98 as part of the Irish team in the 4 x 400 European Replays.

## Edel Morrissey On Irish Team

On Sunday evening last in Tullamore the Irish team for the Celtic International was announced and included on the team in the 4 x 300 metre relay is West Waterford's Edel Morrissey. Along with that good news also comes the news that committee member John McGrath is to be team manager for the event. All at the club wish both Edel and John a successful weekend.

## PHOENIX CHAMPION STAKES

This years running of the 6 furlong Independent/Waterford Wedgwood Group One 2 Year old Champion Stakes on August 11th next will now be run at the Curragh as the sprint track at Leopardstown is temporarily out of action.

## AUSTRALIAN VISITORS

The Irish Jump Jockeys visit to Australia takes place on August 11th and the Irish team this year comprises of Danny Howard, Jimmy Mansell, Sean McDermott and Mark Madden.

## TRAINERS TO RETIRE

Findon based National Hunt trainer Josh Gifford is set to retire next year when he will hand over the reigns to his son Nick. Josh was a top class jump jockey before turning his attention to training where he sent out some class chasers from his yard. He had charge of the injury prone Aldaniti who scored that memorable UK Grand National victory under Bob Champion who himself had beaten off a serious illness.

Royal trainer Ian Balding is also set to retire at the end of the current flat season as he to will hand over the training duties to his son Andrew. Ian Balding trained some top class horses for American owner Paul Mellon including the great Mill Reef. Ian Balding's daughter Claire is a well known racing presenter with the BBC.

## TIMMY TO SERVE JAIL SENTENCE

Twenty Seven year old Kilcullen born jockey Timmy Murphy was in court in England last week where he faced charges of indecently assaulting an Air Hostess and being drunk on a return flight from Tokyo to Heathrow Airport in London. He pleaded guilty to both charges and was sentenced by the presiding judge to serve a nine months jail sentence. The judge also informed Murphy that he must remain on the sex offenders list for the next five years. At the trial it emerged that Murphy had drink related problems going back over a number of years. Fellow riders Mick Fitzgerald and Dean Gallagher plus Michael Caulfield and trainer Mark Pitman all spoke in favour of Murphy at last weeks trial.

## THIS WEEKS FIXTURE LIST

Thursday — Galway 1.50, Goodwood, Sedgfield, Stratford.

Friday — Galway 5.00, Bangor, Goodwood, Thirsk, Newmarket, Nottingham,

Saturday — Galway 2.30, Doncaster, Newmarket, Goodwood, Thirsk, Worcester.

Sunday — Galway 2.30

## TIPPERARY TRACK

Having seen a number of races run at Tipperary track in the last couple of weeks the layout of the of track left a lot to be desired with a number of horses having to check at various parts of each race and there was also a couple of horses came down on the flat.

Once the again the racing officials escaped censure but a serious accident could have occurred.

A bumper horse that caught my eye at a recent meeting was the John Kiely trained Mill Vale. This debutante partnered by experienced amateur Davy Russell was traveling well in the middle of the pack down the back stretch but he stumbled badly and lost an amount of ground. When his chance of victory had gone Davy wasn't to hard on his mount and he ran on to fill third spot. This looks a staying chaser in the making but should be capable of winning a bumper in excess of two miles on a stiff track.

## NEW ROSS WINNER

Young apprentice jockey Michael Doyle who comes from a show jumping background in New Ross recently rode two winners in America. Last year the twenty one year old rode for Ian Balding in England and he came oh so close to winning the Cesarawitch on outsider Padua.

## US TARGET FOR CENTURY CITY

The former Aidan O'Brien trained Century City is set to continue his career in the USA under the care of Saratoga based trainer Beau Greely.

## UNDER A CLOUD

Trainer David Elsworth reports that a number of horses in his yard are under a cloud and he only has a limited number of runners at glorious Goodwood.

## GALWAY RACES

There is some great racing at Galway this week. Oaks winning trainer Jim Bolger has his horses in tip top form while Dermot Weld can always be relied upon to send out winners from his Curragh yard. The featured Galway Plate and Hurdle are wide open affairs but I cannot for the life of me see how you could fancy Kilcass Castle to win the Galway Plate. He has yet to win a chase is a moderate jumper and has stamina limitations. If Aidan O'Brien can get this fellow over the line in front it certainly will be the training performance of the year.

## AHMED SALMAN DIES

Well known owner Ahmed Salman died last week at the age of forty three from a suspected heart attack. His well known silks of green and white stripes were carried to victory all over the globe.

## POINT TO POINT SEASON

This years Irish Point To Point season is set to get underway on September 28th.

## THREE YEAR OLD BUMPERS

The English Jockey Club are to consider the running of Bumpers confined to three year old in the final quarter of the year. This makes a lot of sense as come Jan 1st each year horses are one year older. They propose to run these bumper races over a mile and a half.

## TONY MCCOY TOPS

Ace jump jockey Tony McCoy became the second most winning National Hunt jockey in England last Sunday riding the long odds on Polar Champ to victory at Newton Abbot which brought him on to the 1,678 winner mark which is one winner ahead of Peter Scudamore. Tony McCoy's next objective is to better the 1,699 record held by Richard Dunwoody.

## MISTY WEXFORD

The weather was very misty at Wexford last Sunday where Waterford jockeys Larry Hurley and Shay Barry rode a winner apiece on the all National Hunt card. Larry Hurley from Tramore had the mount on the consistent Cochis Run in the opening hurdle and this 8/1 shot battled on well in the closing stages for a well deserved victory. Shay Barry received a timely boost for the Galway racing festival as the Dunhill man was seen at his strongest in the closing stages of the three mile chase driving the Cecil Ross trained An Bonan Bui to a hard earned victory over Goodnight Mike.

## GOLAN STRIKES

The prestigious King George V1 and Queen Elizabeth Diamond Stakes went to the long time absent Golan from the Sir Michael Stoute yard. Bidding his time on Golan Kieran Fallon produced this 11/2 shot with a well timed effort to get the better of Nayef. A surprise fact about this race was he fact that Aidan O'Brien failed to run any of his charges in this Group One event.

# Waterford Handball News

For the last few weeks the 60 X 30 Championship has been played with Waterford taking two titles. Seamus Lavan won the Minor Singles Title. This was Waterford's first in this grade of 60 X 30. Declan Mulcahy & Bro. Spring, O.S.A. retained their Diamond A Title.

In the Minor Championship Seamus Lavan proved to be the best player in Munster. This year we had an open draw. In Round 1 Seamus beat Stephen Shanahan of Limerick on the score 14-21, 21-6, 21-13. They were very hard fought games. It takes some time to get used to 60 x 30 having come out of the 40 X 20 court. Seamus however showed that he was well capable of doing this. In the Semi-final he beat Cork's Joseph O'Keefe, who was last year's Munster Champion in the 17 Singles and was expected to win this year's as well. Seamus had other ideas and put on another good display. The Cork player won the first game on the score of 21-15. In the second game Seamus stepped up his pace and won comfortably 21-6. The final game was score for score until 15 aces all. It was now or never. Seamus seemed to be coping well with the pace of the game and ran Joseph around the alley. With the Cork player tiring Seamus hit hard and low with the result the Cork player could not return serves. Seamus made the few aces needed to win on a score of 21-17 to reach the final.

In the other side of the draw Tristan Hickey received a bye into the Semi final. Clare's Niall O'Neill beat Kerry in the first round and with a game under his belt would have expected to beat Tristan. It was, however, no contest as Tristan outfoxed and out ran Niall to win on the score of 21-7-21-8. And so Tristan reached the final. So for the first time ever we had an All-Waterford Munster final.

The final was played in Clonmel on Thursday July 18th. Before a big crowd of spectators - all Tipperary, no Waterford supporters - Seamus and Tristan put on a great show. They played a mixture of 60x30 and 40 x 20 styles which surprised the crowd. There was no great pressure on Seamus or Tristan as it was going to be Waterford's title, which resulted in two great games of handball. Seamus had more experience in the 60 x 30 than Tristan and it proved so in the games. Seamus won on the score 21-17, 21-6.

Congratulations to Seamus on his win and to Tristan on making it an all Waterford final.

In the Diamond A Final Declan Mulcahy & Bro. Spring, O.S.A. played Tipperary in the Final. It was played in Thurles on Wednesday night last. With younger players coming through one would expect them to take over, but this is not the case. Declan's experience has won him a number of titles and again on Wednesday last his serves alone would have won a game. In the first game Declan showed how to serve a ball low and into the corner - can't be returned. He made up to 14 aces in a row to take the pressure off his partner and helped him to play his part. They won this game 21-6. In the second game the Tipperary players got into the act and put on their own style of play. They looked as if they were going to run away with this game when they built up a lead of 17 aces to 6. Again Declan took over and we now had a game to enjoy. Ace after ace they came back until it was 17-15. Could the Waterford players take it? They still fought but could not make it, so it ended 21-18 for Tipperary.

In the third game Tipperary got off to a good start taking a five nil lead. Then Waterford took over and from there to the last ace proved the better players winning on the score 21-9.

Congratulations to Declan and Bro. Spring, O.S.A.. We wish all the very best to Seamus, Declan & Bro. Spring in the games ahead.

In the Golden Masters A Singles & Doubles, John Joe Wright & Martin Sandford played some great handball but had to concede to better players from Tipperary this year. They lost out in the Semi-finals in the Singles and in the final in the Doubles. Tony O'Mahony and Jim O'Rourke bowed out at the Semi-final stage in the Golden Masters B Doubles. Mossy Butler did likewise in the Emerald Masters.

The Munster Under 21 Singles & Doubles starts in a few weeks time, we are looking to the likes of Philip Butler, Kenny Keane, Rick Hanrahan, Eoghan Moloney, Stephen Cass and Barry McAndrew, to bring Waterford more titles. These are the future of Waterford handball.

The Juvenile Grades, 12-17, Singles & Doubles will also be played during the second two weeks of August. We play Limerick in the first round.

Best of luck to the Waterford Hurlers in the All-Ireland Semi-final from all the Handball players. We have shown the lead, and we hope that they will follow.

# Dungarvan Rugby Club Notes

On Wednesday night last we had a meeting in the Clubhouse on the subject that everybody hates "yes, fundraising". As you know the club is going through a transition period at the moment. That is upwards, as let's face it when your at the bottom, it's either quit or improve, well we didn't quit. Top of the agenda is our underage, now with all age groups from under tens right up to under twenty's being catered for. It takes a lot of work, also buses and equipment have to be paid for. We would also like to invite anybody who has any interest in helping out with underage this year to get in touch with Jimmy Morrissey, help would be greatly appreciated and as they say "No experience necessary".

We have made the bold move of hiring a coach this year, and let's face it, it's what has to be done nowadays in order to progress. This also has to be funded, and last but not least the old dressing rooms, they're on their last legs, something will have to be done soon. We are applying for grant aid to help out here also. Oh yes did I forget insurance, now another big expense.

We know it's always the same old faithfuls who get hit at fundraising time and we are going to do our best to try and avoid these faithful few who put their hands in their pockets time and time again.

We are offering a new ten year membership 2002 to finance rugby development. Members will receive a special ten year membership card. Their names will be highlighted for aiding rugby development on a special framed inscription mounted in the Clubhouse. This is aimed at those who do not already hold life membership from the eighties. Members have use of all club facilities and are eligible for all International and Munster tickets etc (this of course is subject to demand). Draw takes place where demand is greater than supply).

Ten year membership will cost 400 euros. It can be paid in a lump sum or by Direct Debit over forty weeks. Ten euro a week (two and a half pints). So we are appealing to all rugby lovers to give us a helping hand. Middleton, Clonakilty and Youghal have all come from the lower divisions why not Dungarvan. Hopefully some day we'll be watching senior rugby from the clubhouse in Ballyrandle, keep you posted. — PRO - R.U.G.

## K.C.K. ATHLETIC CLUB NEWS

# Brilliant Weekend For Kirwan, McGrath and Walsh

The national track and field championships for girls and boys under 14 to 19 were held in Tullamore last Saturday and Sunday. The club had six athletes qualified for the finals and all competed brilliantly. In the girls Under 14 1,500m Julia Kirwan had a brilliant performance to take third place and the bronze medal. This was one of Julia's best ever runs and a bronze medal she richly deserves. Conor McGrath took home two All Ireland medals over the weekend. Conor took his first medals in the boys under 15 high jump with a brilliant performance to finish in joint second place with a jump of 1 metre 60 centimetres. And not forgetting Kevin Harty also in the boys under 15 high jump to be edged out of bronze medal on count back. Well done boys and it is great to have two such talented jumpers in the club. Conor was not finished as on the second day he took the bronze medal in the triple jump with 10 meters 17 centimetres in another brilliant performance. In the sprints we had another double medal

winner. In the boys under 15 100 meters Owen Walsh produced the goods with his best ever performance to take the Silver medal in a very good time of 12.52 seconds. Owen also had his best ever runs over 200 meters to take third place in the final in a very good time of 24.80 seconds. Owen has made progress this season and the future looks bright for him. Our under 14 100 meter runner Pdraig Casey must have been the unluckiest competition to miss out on a medal as he finished fourth in the narrowest of margins in a very good time of 2 minutes 18.82 seconds.

Our final competition of the weekend Sean Stillwell who was competing in the 3000 meters had a very good performance but finished well out of the medals. It is Pdraig and Sean's first year in athletics and it was a wonderful achievement for both

of them to make it through to the national finals. The next big event for both boys will be the national community games finals in Mosney where Pdraig will compete

in the boys 12,000 metres marathon. On the same weekend K.C.K. Athletic Club will take seven club athletes to Scotland for the Scottish Juvenile track and

From there they visited the fabulous new dressing rooms where they made their deliberations with the Tidy Towns Committee. WATERFORD TUESDAY JULY 23RD

## Best of the best Impressed

Seven graded races plus the three first round heats of the Hotshow Ben unraced Stake made for some interesting fare at this midweek fixture. The Unraced event kindly sponsored by the Draper family from New Inn in County Tipperary was confined to September 2002 or later whelps. The opening heat was full of incident. Caladh Ghualaim broke in front but heading for the rails he was bundled out of contention by a wide running Harlenas Dancer at the first bend. The well backed Captain Corelli 4/6 was then left in command down the back stretch but the favourite had no answer to the late run of the Nicholas Walsh owned and Jimmy Scully trained Noan Ranger (Come On Ranger-Cloncunny Flyer) this 3/1 chance steaming home to win out by two and a half lengths in 29.56.

The Tony Sutton owned Coolroe Dean (Arrigle Phantom-Coolroe Fly) justified evens favouritism in heat two taking over in the lead at the halfway mark from the front running Gallows Day eventually running out a clear cut four and three quarter lengths winner over Flip A Dime in 29.54.

The concluding qualifier produced the fastest return of the night with the Michael Flynn owned Bestofthebest (Toms The Best-Some Dispatch) running riot over the opposition with an impressive piece of front running to score in a speedy 28.85. Quickly into his stride Bestofthebest led by a length at the first bend from Mustang Venus and showing no signs of coming back to his field the 4/6 favourite went on to score going away by four and three quarter lengths.

Now in the capable hands of rookie trainer Eugene Coady the Yellow Syndicate owned Go The Judge (Trade Official-Market Flame) 5/2 opened his account with the minimum of fuss taking a graded sprint in 16.81. Coming away in front the early paced Go The Judge encountered little difficulty in beating the far more experienced Greenview Crazy by two lengths.

The lightly raced Aegean Flame (Minnies Phantom-Columcille Moth) the 5/4 favourite ran a game race for owner MC Nierobisz taking the fifth event in 30.23. Well placed at the first bend Aegean Flame was carried wide by Denekas Dancer and Aegean Flame dropped back to fourth spot on the back stretch. Battling back Aegean Flame regained the lead over the final two bends to motor on for a two and a half lengths victory over Denekas Dancer. The winner would surely have broken 30.00 with a clear run.

6/4 chance Anajojo (Droopys Merson-Speedy Ivy) posted back to back sprint victories for Carrick On Suir owner Michael Ryan capturing the sixth event in 16.74. Led early on by Fagans Cruiser and Highpath Cracker Anajojo produced a nice turn of early pace to motor into a first bend lead on the fence before proving two and a half lengths to good for Fagans Cruiser.

After a number of placed efforts it all came right for the Thomas Coffey owned Kilmeaden Jenny this September 2000 son of Droopys Merson and Ardera

Jenny running away with the seventh event in 29.50. Going clear early on from Doves Charm Kilmeaden Jenny 3/1 was never going to lose this contest coming home eight and three quarter lengths clear of Pampero.

Track newcomer City Flyer (Mr Pickwick-Charming Hill) 5/2 scored his second race win for owners Michael Lambe and Louis Riordan this M Kelly trained runner seeing off a determined challenge of Chevelar King in 29.39. This pair were well clear of everything else throughout with City Flyer finishing the stronger to win out by a length and a half.

It was back to six bends for the ninth race where most of the runners were trying this trip for the very first time. Crinkle Doris went into an early lead but Vancouver Bill was within striking distance throughout. With the leader coming wide into the home stretch the Brendan Rogers owned and Steve Whipp trained Vancouver Bill (Smooth Rumble-Lady Arrancourt) 2/1 seized the opportunity to come through on the rails to score by a neck in 41.67.

The early pace of the John Fitzgerald owned and Phil Gough trained Sparta Leo (Roanoke-Peppermint Lady) enabled this evens favourite to build a healthy lead over the opposition in the final race of the night and while Official Minnie made significant late headway Sparta Leo stuck to the task in hand and forcing Official Minnie to change sides up the home stretch Sparta Leo went on to score by half a length in 29.30.

WATERFORD SATURDAY, JULY 27TH

## Derwent Pride In Top Form

That grand old lady of greyhound racing Derwent Pride (Spiral Nikita-Dessies Pride) showed all present in Kilkohan Park last Saturday night that she is as good if not better than ever by capturing the eight race in a smashing 28.50. Owned by Barbara Woodworth and trained throughout her career by Mary Buggy August 98 whelp Derwent Pride trapped smartly from trap three to lead from Premiere Game. Having shaken off the back stretch challenge of Premiere Game Derwent Pride had plenty left in the tank crossing the winning line with three lengths in hand over a fast finishing Active Nikita. The winners card now reads as follows.

|              |    |
|--------------|----|
| Races Run    | 68 |
| Placed First | 28 |
| Second Place | 13 |
| Third Place  | 6  |

Trainer Mary Buggy sent out a sprint winner earlier on in the night as Derwent Driver (Droopys Merson-Lovely Sian) 3/1 was a rare two bend winner from trap six this Phillip Woodworth owned dog flashing clear from the outside to easily account for Gold Hurricane by five and a quarter lengths in a fast 16.35.

Track newcomer Ironmerchant (Top Honcho-Jungle Crisis) ran out a well backed winner of the first race scoring comfortably in 29.00. Breaking in front the Prestbury Park Syndicate owned and Perry Aylward trained Ironmerchant had his rivals on the stretch from the outset easing

his way into a handy lead over Taghmon Slippy. After a slow start Windgap Dixie ran on strongly in the closing stages but Ironmerchant was home and hosed at that stage scoring by two and a quarter lengths.

The Patrick Lyng owned and Lester Power handled Straws Tom (Toms The Best-Up The Oris) 2/1 got back to winning ways in a 550 yard contest producing a polished 30.28 victory. After a far from fluent start Straws Tom packed to much early pace for his rivals rounding the first bend ahead of Pamelas Lady and with the latter unable to make any ground on the winner Straws Tom galloped clear for a cosy six and a half lengths win in 30.29.

The lightly raced Pure Priceless (Blue Murlen UK-Pure Penny) 3/1 ran out a comfortable winner of the fourth contest in a career best 28.83. Honchos Panther was sent off the 6/4 favourite but he found himself the meat in the sandwich between Camogie Player and Truleigh Benji on the run to the opening turn. Sprinting clear down the back Pure Priceless had this race in the bag a long way out winning out by four and a quarter lengths from Honchos Panther. This home bred winner is owned by John Duggan from Glenmore.

The fifth race was a close run affair throughout with the Patrick Murphy owned and Ruth Mary Jones trained Corner Imp (Mustang Jack-Seskin Claire) 7/4 prevailing in 28.92. The fast starting winner and Interloper dominated this event from the outset with Corner Imp holding a slender advantage throughout eventually scoring by a neck in a pleasing 29.02.

Only five runners went to traps for the sixth event where the Denis Winters owned and Bill Marlin trained Jackie Half Shot (Split The Bill-Mrs Chin) 2/1 ran out a very comfortable winner in a career best 28.69. The winner a Cork sales purchase by the winning trainer did well to corner in front of Downing Slippy and Disildo and getting every yard of the standard trip Jackie Half Shot raced on to an easy five and three quarter lengths success over a slow starting but fast finishing Regal Honey.

Stepping up in distance after capturing a 500 yard race the Carmel Kearns owned Fun Bobby (Treasury Tag-First Drive) 4/1 easily accounted for his rivals in the seventh event winning out in 29.03. Producing plenty of early boot from trap six Fun Bobby cornered in front of Beirns Mick to race clear down the back stretch. After a rough ride to the first bend Active Sky produced a strong finish but sticking to the task Fun Bobby was full value for his three and a half lengths victory over Active Spy.

With sound winning form lines on his book at both Shelbourne Park and Kilkenny Glosa Rebel was installed the 5/4 favourite in the ninth over 500 yards but despite running a good race the jolly was forced to settle for the runner up spot with victory on this occasion going to the Sharp Shooters Syndicate owned and Ian Seymour trained Fear No Factor. Available at odds of 4/1 Fear No Factor (Spiral Nikita-Droopys Lilian) worked hard early on to turn the first bend in front of the favourite and Davids Ranger. Glosa Rebel took some time to break free of Davids Ranger however as Fear No Factor galloped clear for a length win over Glosa Rebel in a good 27.49.

Having impressed from an inside draw the previous Saturday night the Gerry Ivory owned and Mick Cronin trained Pouchers Pal (Arrigle Buddy-Come Home Denise) displayed his versatility from trap six coming from behind to score in a splendid 28.52.

Led in the early stages by Peer Border the winner moved into the leaders slipstream on the run to the second last bend and driving up the inside of Peer Border Pouchers Pal eased his way clear to win out by five and three quarter lengths.

# DRIVERS PREPARE FOR ALL-IRELAND FINALS

With the Qualifiers now completed and the cars rebuilt and strengthened, the country's Hot-Rod drivers once again prepare themselves for the forthcoming Bank Holiday weekend and the staging of the All-Ireland Hot-Rod Finals 2002. An annual event traditionally held on the first Sunday of August, the All-Ireland this year moves to the southwest with racing organised and hosted by the Kerry Hot-Rod Club.

As always, the Waterford Club will be strongly represented at the Finals with drivers from the club competing in each of the 8 classes. Class 1 sees the potent force of Alan O' Shea, Jerry Tobin, Willie Houlihan and Eoin Mackey on the grid while Class 2 plays host to the experience of Seamus Anderson whose rear-wheel drive Starlet should prove extremely difficult to beat. The endless number of Class 3 drivers makes it impossible to list them all, Alan Kinsella and Kenny Treacy are but two of the many competitors who will take their place on the grid in August. Willie Bumster remains the most formidable class 4 challenger in his 16 valve Toyota with Jason Ryan and Brendan Dee assuming the Class 5 gauntlet in their respective cars. Class 6 has Tommy Kiely making a return in his Opel powered Starlet, the presence of the ever sideways Paul Mulahy also ensuring strong competition from the Waterford Club.

The Ladies final will see 2001 runner up Veronica Tobin hoping to improve on last years result with Geraldine Bumster and Mary Moore also looking for a good finish. The amount of Junior drivers competing this year even surpasses that of class 3, the Junior Qualifier producing well in excess of 60

names on the entry list on Sunday last. Stephen Grant in car 175 is the leading Waterford contender to take the All-Ireland title followed closely by Kevin Hickey, Stephen Bumster and the remainder of the vast field of young drivers.

The action returns to the Raceway at the Pike on of Aug. 18 with Round 5 of the Driver of the Year Championship.

## BRIDEVIEW UTD A.F.C. NOTES

### No Change At The Top

Brideview Utd held their AGM at the Devonshire Arms on Wednesday evening last. While the players were few those present felt the club can grow over the next few years.

The outgoing Chairman Michael Sheehan welcomed everyone to the meeting. Sec. Dominic Power gave a detailed report of this past season. Dominic's report was praised by those present.

Then it was the turn of Treasurer David Doyle and like Dominic's this was another excellent report which detailed all the clubs income and expenses for the year.

The club are very lucky to have two young men like Dominic Power and David Doyle who can produce such excellent reports.

The Chairman Michael Sheehan then spoke and thanked everyone for their efforts during the past season. Mick also thanked the managers of all the teams as without them we would have no teams. At the moment we are a club without a home but we should be back in our own grounds in 12 months and this will prove to be a great boost for the club.

Following on from this came the election of officers. Full list at end of notes.

During any other business items like finance, pitch for coming season, players, number of teams, Youth football, coaching and membership were all debated.

It is hoped to have a players meeting within the next two weeks and all players will be notified. Any new players wishing to come on board this year will be more than welcome.

What was pleasing from the committees point of view was the new people who joined the committee and there are more to come. All very welcome.

**Officers for New Season**  
President; Tom McCarthy, Chairman Michael Sheehan. Vice Chairman Michael Delaney. Sec; Dominic Power. Treasurer David Power. PRO Liam Fraser. Membership Officer Tomas McCarthy. Committee William Curley, Liam Aherne, Mickey Curley, Pat Costigan, Pat McGrath, Ian Farmer.

**Lotto Jackpot 1950 Euros**

Last weeks numbers were 6-13-16-21. No winner. Match 3 winners Damien Meade and Mrs. Cronin. Next weeks draw takes place on Friday night in the Corner House at 10 pm.

**News to Hand**  
We had plenty of news to

hand at the wedding. The tall fellow did well in his duties and is still heading West. We were also introduced to the new boy. However they are only friends or so she said. The two boys arrived back on Saturday morning all spruced up even if they did look tired. I spotted your man going home from the party at 7.45 am. I suppose the cows milked themselves.

#### Tallow Welcome Home Festival

We are glad to report that the festival programme is now complete and it should really be a very exciting weekend. We can also announce some major new sponsors which have come on board.

Blackwater Homes will now sponsor the Tallow 10k while Miss Blue Jeans will be sponsored by Wrangler Jeans. We welcome both of these two companies on board.

Now for something new for our young boys and girls or should I say young Mr. and Miss Blue Jeans. Yes, before the main competition we are going to run a competition for boys and girls between the ages of 8/10 years of age.

To apply just give your name to either Dominic Power or Liam Fraser. We will be confining this to just 5 boys and 5 girls.

#### Well Done

To Liam Kearney who played so well with the Republic of Ireland U-19 team. Liam set up two of our goals in the game versus England and received great reviews in the daily papers.

#### Schoolboy Football

It was a very busy week for our young boys and girls. On Saturday last we travelled to Conna with our U-6, 7, 8, 9 and U-10's. We won all games except for the U-10 game. However at this age it's all about playing. We thank the parents who drove the lads and lassies here.

#### U-8 Cup Final Penalty Shoot Out Defeat For Utd

Our U-8 team got through to the Cup final on Sunday last in Fermoy. We defeated Ballybridge Utd in the semi final thanks to a goal from Ashleigh Sheehan.

We played Ardmore in the final and the game ended 0-0. In a dramatic penalty shoot out we lost 6-5.

Utd; Sean Barry, Stephen Lucey, Shane Roche, Billy Buckley, Paudie Aherne, Ashleigh Sheehan. Res used Robert Sullivan and Ciara O'Halloran.

#### Inter Community Litter Challenge

While we began here by leading the league table we fell away over the last few weeks. However with a bit of luck we may finish in third place.

#### Club Meeting

This Wednesday evening, July 31st in Gym at 9 pm.

#### Festival Meeting

This Thursday evening in the Gym at 9.00 pm.

#### Charity Match

Over 35's versus Lismore in Lismore on this coming Saturday night at 7.30 pm. Players please confirm that you are available to Liam Fraser.

#### Congratulations

To Mary Pratt Jnr of 33 Woodview Park who passed her exams and got the good news on Monday last. Mother Mary Snr was thrilled but said it was a pity about the blue jeans.

#### Birthday Corner

Birthday greetings to Brian Power who celebrated his birthday last Friday.

#### Best of Luck

To Mossy McGrath who took off to Templemore on Monday last to join the Gardaí. We wish him well in his future career.

## TALLOW WELCOME HOME FESTIVAL

#### Re Sponsorship

Just a short note to say that all letters for sponsorship for this years festival have currently been sent out. If however at this stage you have not received a request and would like to help please send any donation to the Secretary of the Tallow Welcome Home Festival before the 5th of August. Last years festival was a great success and hopefully we can build on that this year. Heineken are the main sponsors along with the publicans of the town, the fireworks display was kindly funded by all the business people, and councillors etc in the locality and the Tallow Area Credit Union as usual sponsored the fancy dress competition. At this point it would be very remiss of me not to thank them all on behalf of the committee and the people of Tallow for their continued support over the years. We need their support this year more than ever as insurance for this years festival has gone through the roof and almost stopped the festival from happening at all.

## C.L.G. TULACH AN IARAINN - TALLOW GAA NOTES

#### Junior Hurling

At time of writing we are down to play Ballinameela in Cappoquin at 7.30p.m. on this Friday 2nd of August.

#### U-21 Hurling Championship

Tallow play Colligan in the U-21 hurling championship in Cappoquin at 3 15 on Bank Holiday Monday. This one was kind of sprung on us as it usually doesn't get underway until around Christmas.

#### Comhghairdeas

Congratulations to senior player Denis Martin and Veronica Hartnett who wed last Friday. Long life and happiness to you both from all in the club.

#### Field Development

Work is progressing very well on the new pitch and we are well within budget thanks to the prudent management of Field Development Chairman Liam Moroney and club chairman John McDonnell who are putting a lot of time and effort into getting it right. All going well, and it has so far, we will have a top class full size 2nd pitch when we finish. The best professional advice available to us recommends that the ground should be given a chance to settle over winter before completion in the Spring.

## THANKS FOR THE BIN

The Clashmore Tidy Towns and Enterprise Group wish to express their sincere thanks to the Kinsalebeg Macra na Feirme who have sponsored and donated a street bin to Clashmore village. Macra have been a great friend to Clashmore village and in the past donated some of the trees that are planted in and around the village. Sadly this latest donation will be one of their final as the club have now ceased due to lack of interest and membership. How ironic this should happen now when so many young people complain of having nothing to do and no place to go. Macra has provided some great times in drama, sport, quizzes, social outings and much more for its members over the years with most of its members not coming from a farming background.

### HAPPY 21ST BARRY

Our congratulations to popular Clashmore GAA players and trainer of some of our under age teams, Barry Dunne, Clashmore who celebrated his 21st birthday last weekend. To mark the occasion Barry enjoyed a celebration at The Old Still with family and friends on Friday night. A business student at W.I.T. we wish Barry all the best for the future.
