MARY MEETS MARY JUNE 2002

Fire fighter Mary MacNamara from Lismore meets President Mary McAleese during a reception at Árus an Uachtaráin. The reception was held to honour the bravery and dedication of all fire fighters in Ireland. Mary MacNamara was selected to represent Waterford County Fire & Rescue Service. Assistant Chief Fire Officer Des O'Brien commented "The reception was held following the terrible disaster of September 11 when 323 New York Fire fighters, plus other emergency service personal lost their lives going to the aid of others. Recognition of the fire fighters was long overdue and my colleagues and I are proud to be associated with them."

Lismore Business Park Secures €200,000 Funding

A new Business Park in Lismore is set to become reality, after funding of eur200,000 was secured under Enterprise Ireland's first round of project approvals for community enterprise centres.

The project, which was put forward by Lismore Mochuda Development Company and Waterford In Business, has been in the pipeline for the past two years, and should pave the way for the construction of the first purpose built industrial facility

in Lismore for thirty years.

The funding from Enterprise Ireland, together with contributions from Mochuda and other groups, is also expected to allow for the development of five, 2,000 sq ft industrial units, along with 3,000 sq ft of office space on a site on the Mayfield Road.

Planning permission has already been granted and it is believed that the next step in the project will see Lismore Business Park Ltd seek tenders for the con-

struction of the units.

Lismore Town Councillor and Chairman of Mochuda, Bernard Leddy said the new industrial units would be a particularly welcome addition to Lismore as they are also adaptable to other uses, apart from industrial. The Business Park's future had also been subject to this vital "keystone funding" from Enterprise Ireland, he added.

Interest has already been shown in the new units, and work is underway to attract

An historic vessel, The Kathleen and May, is to visit Dungarvan Harbour next Friday, in what promises to be a spectacular occasion, and a chance to view an original three masted schooner dating from the early 1900's.

The 136 tonnes gross and almost 100 foot long vessel is to enter the outer Harbour between five and six o'clock and is then due to be escorted in by a flotilla of local vessels and arrive in the inner harbour at around seven o'clock.

The visit will be the Kathleen and May's first return to Dungarvan since the 27th of January 1953, when she

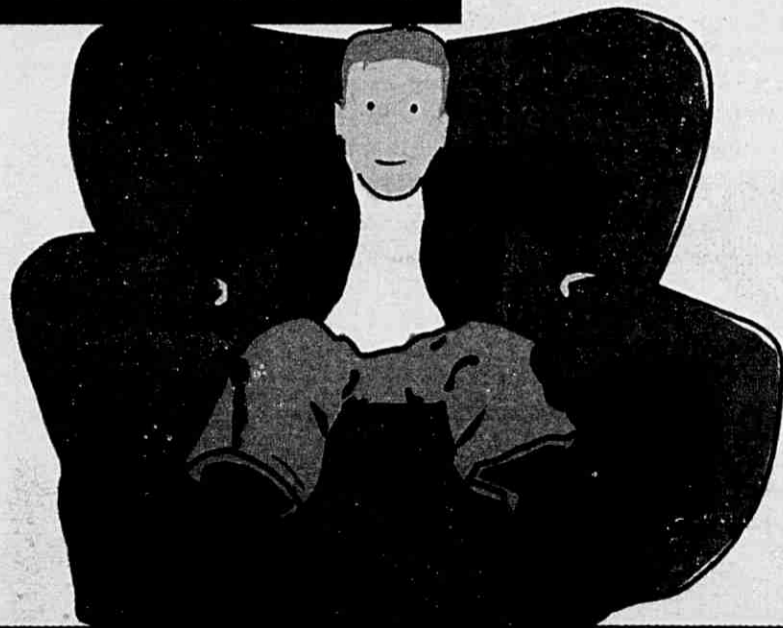

transported a 180 tonne load of anthracite from Swansea. The anthracite was destined for the former Moloneys Stores in Dungarvan, and was dug out by hand and transported off the vessel using winches.

Despite its weight, it took just eight hours to unload all the transported material, commencing the operation at 8am and finishing at 4pm that same day. She then left the harbour on January 30th.

Research carried out by Frank Shortall, who together with Tom Walsh and Michael Keane, has been instrumental in bringing the vessel to Dungarvan, found

Our "Flashback In Time" series this week we go back to 1956. The photo taken on the Iron Stairs in the front of Dungarvan C.B.S. shows Bro. Keane the Principal, presenting a watch to the late Michael Lewis to mark his never missing a day from school over a six year period. We are sure our readers will recognise most of the pupils in the photo.

Question

My uncle needs hearing aids. Can he get any help towards paying for them?

Answer

If your uncle is working and paying PRSI Class A, E, H or P then he may be eligible for assistance from the Department of Social and Family Affairs. If he has a Medical Card his Health Board will provide hearing aids free of charge.

Under the Department's Treatment Benefit Scheme the Department will pay up to half the cost of hearing aid or of repairs to a hearing aid. The maximum amount it will pay for each hearing aid is 350 euros.

To qualify for benefit your uncle must satisfy the PRSI contribution conditions of the scheme. If he satisfies the PRSI conditions when he reaches the age of 60 or age 66 he will remain qualified for life. If he is eligible for benefit under the scheme his dependent spouse is also entitled to benefit unless she qualifies in her own right. A person that qualified on their spouse's insurance record at the time of his/her death will retain his/her entitlement as long as the person remains widowed.

To claim Treatment Benefit your uncle must apply to the Department on claim form MA 1 (MA 2 for a dependent spouse)

which is available from hearing aid suppliers and from:

Treatment Benefit Section, Department of Social and Family Affairs, St. Oliver Plunkett Road, Letterkenny, Co. Donegal.

LoCall: 1890 400 400 (Ext. 4480)

The Health Boards provide Aural (Hearing) Services free of charge to Medical Card holders and to children. Children over the age of 18 in full-time education are also eligible.

Adults may be referred by an Ear, Nose and Throat Consultant or by their own doctor to a Health Board Hearing Aid Clinic. Children are generally referred to hearing aid clinics by Area Medical Officers when defects are noticed at Child Health Clinics or School Health Examinations. If a hearing aid is prescribed it will be supplied by the Health Board.

Kenneally Secures Senate Nomination

Brendan Kenneally has become Waterford's newest Senator, following his nomination by Taoiseach, Bertie Ahern, recently. The former Minister of State was one of the Taoiseach's eleven nominees.

His appointment means that two representatives from Waterford will be in the Upper House this term - Maurice Cummins (FG) secured his seat in the Labour panel during the Seanad elections three weeks ago.

Mr. Kenneally ran unsuccessfully in last May's General Election, losing out to party colleague Ollie Wilkinson. Further electoral misery followed during the Seanad elections when he polled far down the Industrial and Commercial panel, ultimately failing to capture one of the nine seats.

However, with the Taoiseach's nomination, Mr. Kenneally - a member of the Dail for 13 years - is expected to attempt the revival of his political career and use it as a launch pad to regain his seat.

MONEYMATTERS

MAKING A WILL

Do you have a will? Do you really need one? If you can answer yes to any of the following questions, the answer is a very definite yes.

1 If you have children under 18 years of age, are you concerned about their guardianship if you die unexpectedly?

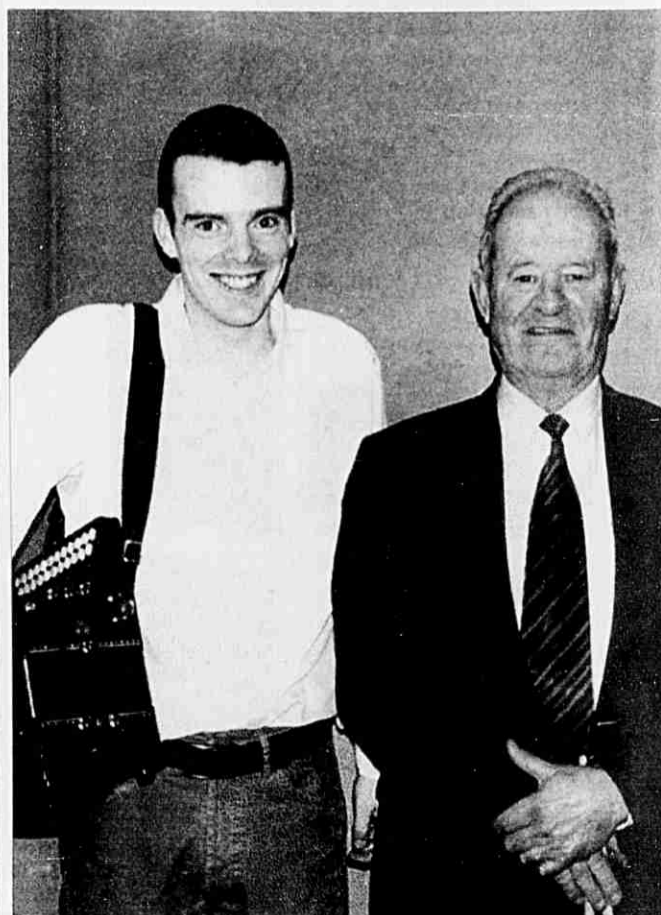

1 You have worked hard all your life for your nest egg, do you care who gets your money?

1 Is there someone in your extended family that you definitely do not want to get your house and other property?

Many people think that they need to have serious money and property to make a will. This is not true. Many families have been left in seriously financial distress because their loved one may have not made any provision for them by not making a will. Regardless of how much money or property you have, a will ensures that your personal belongings and assets will go to the family members or beneficiaries you decide on. Not making a will may lead to countless arguments and can lead to ill feeling that is carried on for years.

Remember no one plans to die, but if you die without making a will you will be subjecting those who were closest to you in life to confusion and anxiety in what is already difficult time. So decide today to visit your solicitor to make your will. You will then have peace of mind knowing that you have done your best and have sorted out your financial affairs.

The Money Advice & Budgeting Service is based at Civic Offices, Davitts Quay, Dungarvan (Tel: 058-44922) and provides a service throughout the West Waterford area. It is part of the national MABS Service and is free, confidential and independent. Visit our web site at: www.mabs.ie

Mattie Weldon Launches New Album

A new album, already taking local radio stations by storm, was officially launched in Hayes Bar, Bonmahon over the Bank Holiday weekend.

Mattie Weldon, who has recorded Deise Hurlers '98,

Stradbally in the Deise, Bonmahon by the Sea and Roadstone Worker, has seen one song from his new album, 'Keeping in Touch' already enter South East radio's chart at No.10.

Singer/Songwriter, Liam O'Neill has penned three songs on this album, along with composing 'Waltz of the Roses' for the accordion. Liam was also the maestro behind the hugely successful 'Our Hero John Doyle' from Mattie's former release 'Going Places'.

Currently working on a new song for Waterford's Hurlers (a demo is due out this week on radio), Mattie has a great interest in the fate of the Munster Champions and talks about the '98 team and how unlucky they were. However all is forgotten now with the success of the present team in bringing a Munster title back to the county after 39 years.

The special guest speaker on the launch night was Paddy Joe Ryan, Chairman of the County GAA Board

with MC Johnny Barry of Radio Kilkenny with John O'Shea of WLR and the Waterford News and Star

also present. Mattie would like to take the opportunity to thank all who have supported him in the past.

EVERYTHING YOU NEED TO KNOW ABOUT THE SOLAR SYSTEM

The solar system is a group of planets and moons that orbit around the sun. The planets are called Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto — and there are two recently discovered planets called Smiley and Karla. There are also 60 moons which orbit the planets, and thousands of lumps of rock called asteroids, which orbit the sun.

HOW WAS IT FORMED?

Scientists believe the sun and its planets formed from a cloud of gas and dust whirling around in space. The cloud was pulled together by gravity and became very thick. Most of it became the sun and the rest formed the planets, moons and asteroids.

HOW OLD IS EARTH?

The earth and the rest of the solar system are about 4 billion years old.

ARE THERE OTHER SOLAR SYSTEMS?

Our solar system is a tiny part of a galaxy called the Milky Way which contains 100 billion stars. The Milky Way is a tiny part of the Universe, which is made up of 10 billion galaxies, so it is almost certain there are more planets — although they are so far away they are hard for scientists to find, even with the strongest telescopes.

Earth is the only planet we know to have life. Its atmosphere is rich in oxygen, and there is plenty of liquid on its surface.

EVERYTHING YOU NEED TO KNOW ABOUT THE WEATHER

WHAT IS A CLIMATE?

The type of weather that a place has is called its climate. Some places are warm all year, others are cold all year — and in some areas like Ireland, the weather changes from season to season.

WHY DOES IT CHANGE FROM PLACE TO PLACE?

The hottest climates are usually in places near the Equator. Here the sun's rays are more concentrated as the sun is closer to the Earth. Because the earth is rounded it curves away from the sun, so the further north or south you go the less concentrated the rays and the colder the climate.

WHAT ELSE AFFECTS THE CLIMATE?

Places near the sea have milder climates than those inland. Ocean currents can make climates warmer or colder, while mountains tend to have colder climates than the areas around them.

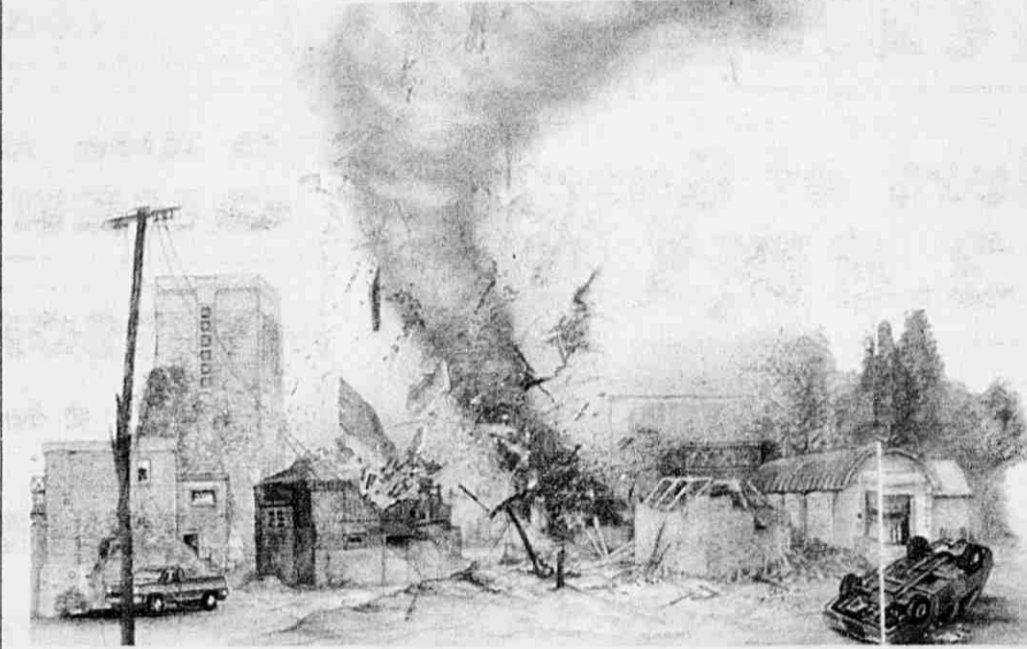

DO CITIES HAVE THEIR OWN CLIMATES?

Big cities such as London are often warmer than the areas of country around them.

This is because they are made up of concrete buildings, which absorb the heat from the sun during the day, releasing it into the atmosphere at night and keeping the overall temperature of the air warmer.

WHY DO WE HAVE SEASONS?

As the Earth moves around the sun different parts of it are tilted towards the sun at different times. The part leaning towards the sun gets more of its rays and is warmer — it is having its summer. As the Earth moves on, that part gets further away from the sun and cools down. When it is furthest away and at its coldest, it is having its winter.

Twister

A tornado can be devastating. Its swirling winds travel at up to 800 kilometres per hour. At the centre of a tornado, the air shoots upwards, and this can uproot trees and hurl cars into the air.

The air inside the tornado is very cold, and mist forms. This is why a tornado looks like a rapidly rotating cloud.

Post Leaving Certificate Courses At Dungarvan Technical College

NCVA LEVEL 11 IN SPORTS AND RECREATION STUDIES

The leisure industry is currently one of the fastest growing sectors in the world, and this is certainly true in Ireland. Sports and leisure is closely linked to the tourism industry and many new centres and activities are being developed to cater to that market. As such, many career paths now exist in this area, for those interested in sport.

Dungarvan Technical College offers a Post-Leaving Certificate course in Sports and Recreation. In operation for the last six years, this course was specifically developed in response to employment opportunities in the leisure industry. This is a one year course which contains modules in

- * Sports and Recreation Studies
- * Exercise and Fitness
- * Gaelic Football
- * Hurling
- * Health Related Fitness
- * Leisure Facility Operations
- * Health, Safety and Welfare at work
- * Computer Applications
- * First Aid

Students will also take in work placement in leisure centres and coaching.

ACCESS TO FURTHER EDUCATION

Whereas students can go directly into employment as leisure centre attendants on completion of the course, many use it as an avenue to further study through the Higher Education Links Scheme. Recreation and Leisure programmes in the Institutes of Technology in Waterford, Cork, Sligo, Tralee and Athlone are all linked to the course and many past pupils are currently studying there.

Course co-ordinator Paddy O'Keeffe comments:

"Increasingly, students who opt for this course are those who want to incorporate sport and fitness as part of their careerplan. Many of these students for recreation and leisure courses at 3rd level but were unable to achieve the points.

This qualification offers them a second chance to apply to the course of their choice, while at the same time giving them a year to concentrate on the area they most enjoy."

He points out that many of the students who have completed the course in the past have opted to continue their studies and are currently in leisure management. "Many of these students have stressed how important the Sports and Recreation course was, not only helping them to get into the programme in the first place but also during their first year studies".

QUALIFICATION IN FITNESS INSTRUCTION

Another major advantage of this course is that it can lead on to becoming a fitness instructor on completion of the National Certificate in Education and Fitness, a conversion course certified by the Physical Education Association of Ireland (P.E.A.I.).

Established in 1987, the National Certificate in Education and Fitness is now the most widely recognised health/fitness instructor qualification in the business.

The Certificate course covers the areas of

1. Resistance Training
2. Fitness Assessment
3. Programming Planning
4. Exercise to Music.

Students must achieve the FETAC (NCVA level 11 award in Sports and Recreation before they can be certified for the NCEF award.

So, if you are interested in a career in Sports and Recreation Management, fitness instruction, self employment as an aerobics/circuit training instructor, coaching or employment in outdoor pursuit centres, this course would be ideally suited to you. Interested applicants can get further details on the course by obtaining a prospectus from Dungarvan Technical College (058) 41184.

The closing date for receipt of application is the end of August 2002 and interviews will be held in September. There are no tuition fees for FETAC courses.

Course Co-ordinator Paddy O'Keeffe congratulates David Lenane, Cappoquin on gaining admission to the Recreation and Leisure Studies Course at W.I.T. as a direct result of his outstanding results on the one year course at Dungarvan Technical College.

COOKERY CORNER

A Tuscan Delight...

FEAST your eyes on this unique culinary Tuscan delight – eliche with spicy sausage and tomato sauce.

Ingredients:

- (Serves 4)
 30ml good olive oil
 225g Italian spicy pork sausages, for example Luganeghe or chorizo
 1 clove garlic, crushed
 1 onion, cut into wedges
 1 stick celery, sliced
 400g can chopped tomatoes
 15ml tomato puree
 15ml sun-dried tomato paste
 150ml white wine
 300g can broad beans, drained
 1 sprig fresh rosemary
 275g eliche (twists)
 Parmesan cheese (to garnish)
 Flat leaf of parsley (to garnish)

Method:

Start by heating the oil in a large, heavy frying pan or wok and fry the sausages for four to five minutes turning them frequently until

browned all over and cooked thoroughly. Carefully remove the sausages from the pan, remembering that they are likely to spit and that the fat can be extremely hot at this point.

Then allow the sausages to cool slightly. Then slice the sausages into diagonal pieces with a sharp knife. Next fry the garlic, onion and celery for 2-3 minutes in the same pan until golden brown and slightly soft.

Then return the sliced sausages to the pan and add the rest of the ingredients:- tomatoes, tomato puree, sun-dried tomato paste, white wine, broad beans and rosemary. Bring this mixture to the boil, then cover and simmer for 25 minutes.

Remove the rosemary safeguard and season to taste. 10 minutes before the end of cooking time, cook pasta according to pack instructions. Drain and toss with sauce.

Serve with shavings of Parmesan cheese and garnish with flat leaf parsley.

Avocado and Grapefruit Salad

A really refreshing accompaniment to almost any meal.

Ingredients:

- (Serves 4)
 2 Avocados
 2 Grapefruit
 Mayonnaise or French dressing
 Lettuce leaves

Method:

Peel the avocados and remove seeds. Peel the grapefruit free of all pith. Cut the sections of grapefruit out cleanly and slice the avocados into

segments about the same size as the grapefruit sections. Place the two fruits alternately in a row on a lettuce leaf, allowing three or four pieces of each fruit per serving.

Serve either with a little mayonnaise or a coating of French dressing. As peeled avocados darken quickly, do not prepare this too soon before serving.

A little grapefruit or lemon juice put on the cut avocado will prevent darkening for some time. Not only is this dish really refreshing, but it also looks mouth-watering when it is served.

Health Tips from "Remedies"

Homoeopathic Remedies for the World Traveller - Part 2

Carbo veg — Collapse, faintness with a need to be fanned. Indigestion with much incarcerated wind. Fullness, heaviness and belching with distress from the simplest food. In addition to assisting those bloated with wind Carbo veg is also of great value in food poisoning attributed to bad fish.

Cocculus — Jet-lag and travel sickness. The preventative dose for both being one tablet before departure and one every four hours during the journey. Seasickness primarily, but any sickness brought on by undulating movement.

Ledum — Bites and puncture wounds. For insect bites or injuries where the area is red or discoloured and pimply with a nettle rash like irritation, and where the affected area is soothed by cold bathing. Ledum will also continue the work of Arnica in resolving bruises.

Nux vomica — Overindulgence, hangovers, especially from the ill effects of rich or spicy food and alcohol. Nux vomica alleviates a variety of dietary indiscretions and is therefore a blessing to the traveller. Retching and vomiting as well as constipation are covered. Morning after headaches with intense irritability from the least cause, especially light and noise, and with a marked aversion to cold drafts.

Piltown Cross Approved NRA Funding

The dangerous Piltown Cross stretch of road towards Youghal Bridge, which has been the scene of a number of accidents in the past, has been approved funding by the National Roads Authority.

The works carried out incorporate a gateway, signing and new road markings. Additional works have also been proposed, including the realignment of the road from

Piltown Cross towards Youghal Bridge, with the Compulsory Purchase Order documents sent to the NRA last year.

However, to date, approval of the CPO documents has not been approved, effectively putting a halt on the realignment work. At present, it is not known when these will be approved and when funding to construct the new road will be made available.

Another road, this time in Grange, which has also come under close scrutiny in recent years, hasn't been allocated any funding as yet.

Although the NRA has announced their road allocations for this year, Waterford County Council received no allocation for traffic calming at Grange. But, a renewed submission for next year will be submitted in October.

Cllr. Fiachra O Ceilleachair, who has raised the matter on a number of occasions, from 1998 onwards, has expressed concern at the absence of funding for the Grange Traffic Calming measures.

"Grange is a community interface where several lesser roads feed off that section from the church down to the Creamery. Access to the local hall and school, in addition to a local shop and various residences are features of this busy stretch that have no speed impediment."

Voluntary Redundancies At Stafford Miller

Over a hundred employees took voluntary redundancy from Stafford Miller under the businesses restructuring plans.

The drug and health care company, located on the Youghal Road Industrial Estate, has been one of Dungarvan's main employers down through the years, but following the transfer of its Sensodine brand of toothpaste to a plant in Maidenhead in England the company set about putting together a redundancy package.

Part of the multi-national GlaxoSmithKline group following its acquisition of Stafford-Miller in eur1.24 billion two years ago, it is expected that the focus of the plant will now be on the denture product, Poligrip, and the positioning of the plant as a denture care facility, which, it is hoped, will provide a platform for future growth.

The Stafford Miller facility, which was formerly owned by the Block family has been located in the town since 1981 and has provided the town with high quality employment over that time. A presentation of Waterford Crystal to the 106 workers, who accepted the severance packages, was made on the night of the companies' annual leave.

HELVICK HEAD LIFEBOAT SUPPORTERS

Lifeboats

The event scheduled for Friday August 9th in celebration of the first Supporters night out for the Helvick Head RNLI Lifeboat has been postponed until mid September.

Because so many of our key people are away and there are other important summer events on land and sea scheduled for the same night, it was decided to defer to early autumn. The RNLI Fundraising Committee regret any inconvenience which might be caused and look forward to seeing everybody later in the season.

Another important date in the social calendar is Sunday September 1st when the 8th Annual Ballinacourty to Helvick RNLI Sponsored Swim will take place. The live jazz, face painting and aromatic BBQ on Helvick Pier will ensure that there will be something for everybody in this great family day out. And Stormy Stan that great lovable RNLI character will be in attendance too. Remember the lifeboat crew of dedicated men and women are always ready to volunteer their time in any kind of weather to save lives at sea. Allocation For Selection Of Outer By-Pass Route Falls Short

The allocation provided for the route selection phase of the ambitious Dungarvan Outer By-pass project has fallen "somewhat short of the amount needed", according to County Engineer, John O'Flynn.

The council received just over 300,000 towards route selection, although the project was put on public display and was open to public consultation last April.

At that time a number of feasible possible routes entered the public arena and were open to comment. At the moment, these comments

are still being evaluated.

A number of other studies and assessments are being carried out as well, including the vital areas of Environmental and Economic Assessment, Traffic Study and Site Investigation.

The news came just two years after the project was first undertaken, when the council appointed Tramore Regional Design Office to design the Dungarvan By-pass.

At that time, a brief was given to the Tramore Office of valuating the need for the new road, recommending a

route as well as handling the contentious issue of mapping the areas earmarked for compulsory purchase orders.

When the Regional Design Office eventually finishes its work on the Route Selection Phase, the "Preliminary Detailed Design" of the new by-pass will be prepared.

At this stage sufficient design of the road will have been carried out, to allow the compulsory purchase order to proceed.

"When the Route Selection Phase is completed it will then be a matter for the National Roads Authority to decide the timing of and funding for the further development of the project", Mr. O'Flynn said in reply to representations by Cllr. Fiachra O Ceilleachair.

Lismore Business Park Secures €200,000 Funding

potential tenants to the new facilities, with negotiations said to be on going with a number of companies.

Deputy Ollie Wilkinson, also welcomed the announcement, and stated that it is good to see Lismore join Cappoquin and Tallow, which have business parks up and running already.

"They're a great idea for smaller towns, because it gives people who might have an idea, a bit of space to start up their own business," he said. "And the idea is that, hopefully, in the long term, the person would expand and move on maybe to other larger premises in the area."

The Chairman of the Cappoquin Development Company, Deputy Wilkinson, has seen "first hand" the success of a similar business park in Cappoquin.

"I think it will be a decided asset to Lismore," he said "It was very beneficial in Tallow and very beneficial in Cappoquin."

The first round approval of Mochuda and Waterford In Business's joint bid, is also being hailed as a coup, as Lismore was one of just twenty-two enterprise centres awarded funding from a total of 81 proposals made throughout the country.

Making the announcement, Tanaiste Mary Harney re-

vealed that, Lismore, as a successful applicant, were able to show the "scope and capability to successfully manage such facilities" and demonstrated "efficient fund raising capabilities, the ability to identify suitable projects and ensure efficient management of a viable centre".

She added that the new funding will be used to provide the infrastructural facili-

ties needed to support "the establishment and expansion of micro enterprises, with local community participation".

"In making the final decisions," the Tanaiste added, "priority was given to supporting centres in areas of particular need, such as locations where there is a poor history of enterprise development, or where there is a lack of existing enterprise space,

with little prospect of any becoming available."

The initiative is designed to actively encourage a flow of new start up businesses throughout the regions and has already shown "a clear demonstration of the positive impact enterprise centres can make at local level." Three-thousand people in 68 other centres have gained employment through similar schemes in previous years.

Historic Three Masted Schooner To Visit Dungarvan

CONTINUED FROM FRONT PAGE

that eight dockers undertook the task - M.L. MacCarthy, F. Fallon, J. Power, R. Moylan, M. Healy, M. Daly, D. Mulcahy and M. Kenneally.

While the schooner is thought to have been a fairly regular visitor to Dungarvan up to that year, the 1953 visit proved to be her last, until this week.

The visit promises to be a unique chance to view a vessel, which became famous as the last merchant schooner registered at a homeport in the United Kingdom to earn her living at sea carrying cargoes.

Built at Connah's Quay at a cost of £2,700 as the Lizzie May, she was sold in 1908 to Martin J Fleming of Youghal and registered at Cork, where she became the Kathleen and May. Just 23 years later she was sold again, this time to Captain William Jewell of Appledore in North Devon, who was in partnership with his son Captain Tommy Jewell. Her yards, except for the foreyard, were sent down and she was fitted with a semi-diesel engine and sailed in the Irish trade.

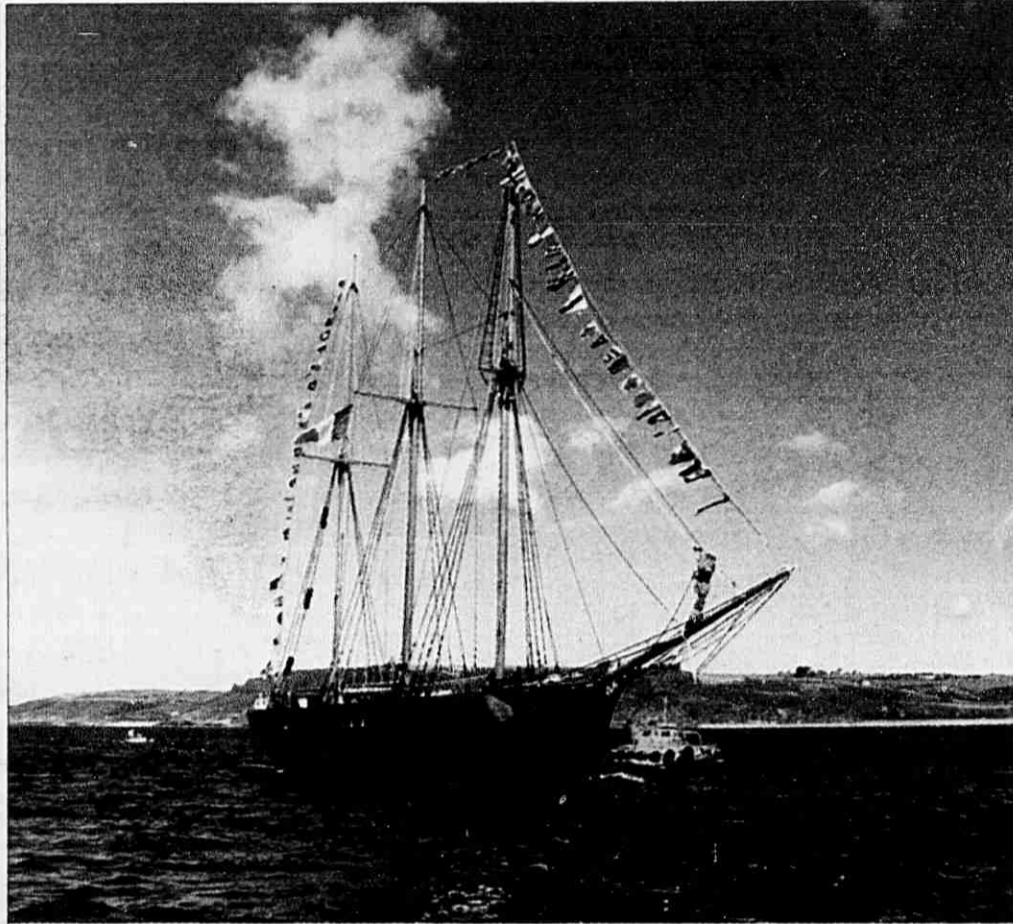

She also carried coal from Mersey to the south coast and she continued trading right through the war. A new engine was fitted, her hatches were enlarged and her masts poled off to give her "an efficient and handsome sail plan as a motor vessel with sail assist".

The commercial success of the Kathleen and May into the 1960's was said to be a remarkable phenomenon and she remained in constant employment in trades that Captain Thomas Jewell was well established in with merchants and shippers. In 1960 he retired the Kathleen and May from active service.

The present owner, Steve Clarke, found the schooner in a dilapidated condition in 1998 in Gloucester, England. He made enquires about the status of the boat, and four months later was the owner of the Kathleen and May.

"She stayed moored to the quay at Bideford whilst we explored various options including the funding of the project. The initial idea was to spend about £50,000 on restoring her to a static exhibition to attract visitors into our town."

However, he said, it soon became obvious that cosmetic renovation was not possible and it was decided to do a full structural renovation, allowing the ship to sail again.

THE KATHLEEN AND MAY SCHOONER

Practical completion of the hull was made in 2001, when she was re-launched by HRH, the Duke of Edinburgh, who was the first restorer. Due to the mammoth task of running and maintaining the vessel, a trust

fund was set up - the Kathleen and May Trust. The trust carries out vital work in keeping the historic vessel afloat, and for those interested in donating sponsorship a fundraising Jazz session will take place

at 9.30 in the Dungarvan Harbour Sailing Club.

A Civic Reception on the night of the vessel's arrival for Captain John Castle, and the crew of the Kathleen and May is also to be held by Dungarvan Town Council.

Plane Forced To Land In Ballinacourty Cornfield

A two-seater Piper Super Cub light aircraft was forced to make an emergency landing in a cornfield outside Dungarvan, after weather conditions deteriorated significantly on Thursday afternoon.

The Swiss pilot, Victor Bosshard and his wife Erica, were part of an organisation of aviation enthusiasts. As part of an event organised by the group, a convoy of twenty-seven planes took off at different times from Kerry Regional Airport on Thursday last. But, weather conditions and poor visibility forced the convoy of planes to split up. Some of the planes turned back and landed in Kerry and Shannon while others continued on to Cork Airport and Waterford Regional Airport.

The Swiss pilot, who was trying to maintain his route by following the coast along Cork and Waterford, was destined for Havordford West in Wales. But, he was forced into making an emergency landing in a cornfield in Ballinacourty near Clonea, when it was clear that weather conditions were not about to clear. Gardai in Dungarvan attended the scene throughout the day.

€259,000 To Fund New Fire Appliances

Mr. Martin Cullen, TD., Minister for the Environment and Local Government has announced that he is giving sanction to Waterford County Council to purchase a new fire appliance for its fire service. A grant of over €259,000 will be made available to the council to meet the full cost of the appliance.

Commenting on the funding, Minister Cullen said; "the provision of this funding enables Waterford County Council to continue to enhance and improve its fire services. Waterford County Council has demonstrated its commitment to the development of its fire and emergency services and as Minister with responsibility in this area, I am happy to support their efforts".

"The new appliance represents an important upgrading to the council's first response fleet with new modern appliances, something which will benefit the people of Waterford," Minister Cullen concluded.

EUROPEAN BRONZE FOR WATERFORD RIDER

Anthony Condon, Cappagh, made showjumping history for Ireland by taking the individual bronze medal at Lanakan, Belgium last weekend. Anthony, riding Mary Quinlivan's (Kanturk) Another Riot, said that to win in Europe meant everything to him. At only 15 years of age he will cherish this memory for ever. He was also fourth in the Grand Prix with his other pony Bertie Browne who is only a six year old and has a very promising future ahead of him. Congratulations to all the team who travelled to Belgium as between them they were placed in every competition except one. The team Anthony Condon (Another Riot), Mark McAuley (Alias Tom), Heather Purcell (Acapulco), Andrew Ryan (Barry's Beauty) and Mark Flynn (Poetic Girl), son of John Flynn, Park Hotel.

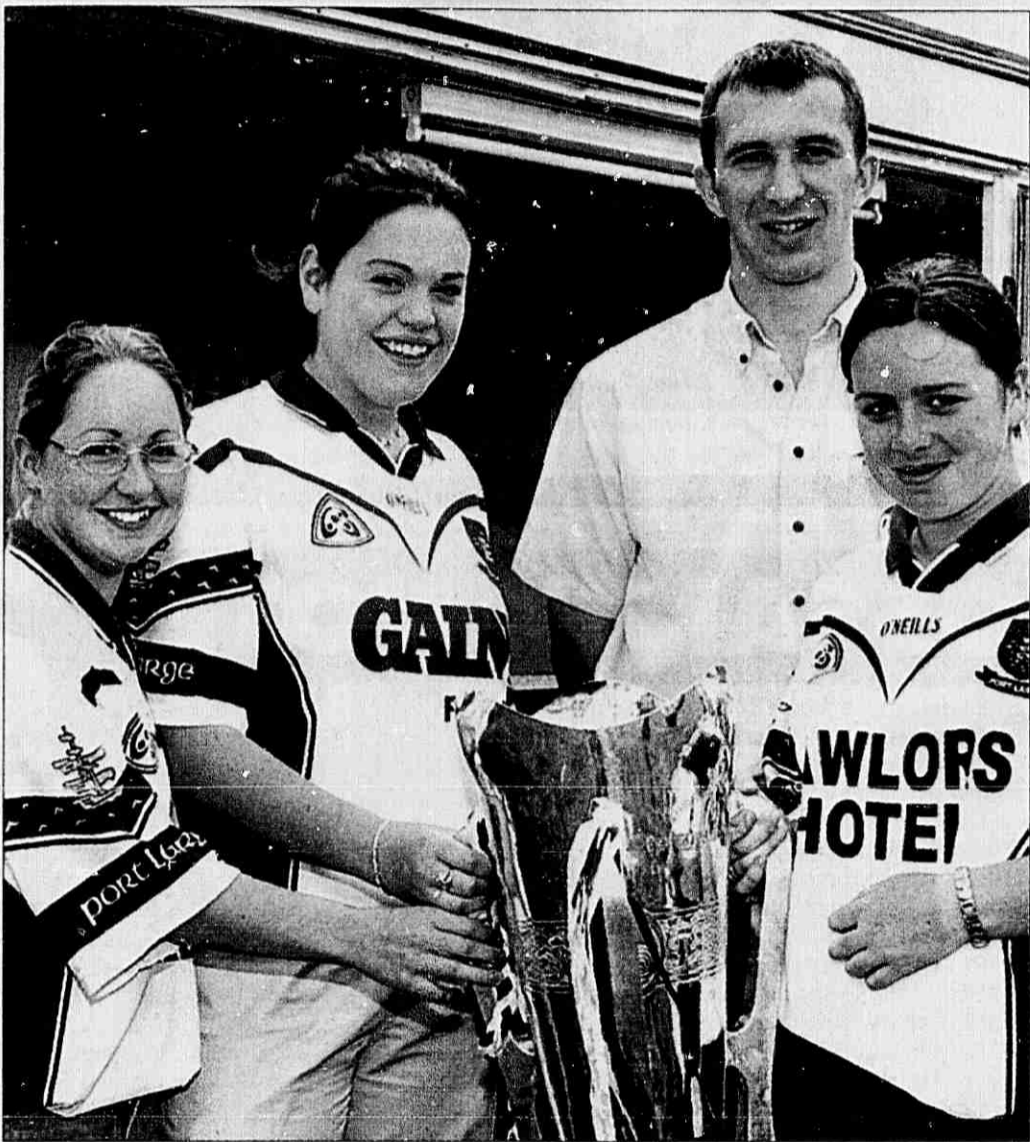

Unfortunately the Nations Cup was more of a tragedy than a fairy tale when with the team coming within one fence of winning the Bronze outright and a jump off for Silver, they ended up fourth. It has been 25 years since Waterford has had such success at European level with Francis Connors winning Silver in 1976 and Gold in 1977.

Anthony was one of the first students of Colligan Equestrian Centre so this must give great encouragement to all the young riders out there. A student at St. Augustines College, Dungarvan, Anthony has just completed his Junior Cert.

Dungarvan Leader Gardening

Houses for the Green-fingered

A GREENHOUSE to most gardeners is a private place where plants are protected and rely on the gardener for their very existence.

Results in a greenhouse depend entirely on the skill of the gardener rather than the evils of the soil types and weather in the outside world.

If you are going to buy a greenhouse to cultivate your plants, then the best advice you will get from any experienced gardener is to buy a greenhouse book on how to grow plants, what temperatures to keep them at and the pitfalls to avoid. But don't be fooled into thinking a greenhouse reduces the amount of work. Constant attention is needed at most times of the year, adjusting watering systems, allowing for ventilation and coping with temperature changes.

Do not be fooled by claims from manufacturers that greenhouses will pay for themselves within a year. A greenhouse fitted with staging will cost you £300 a year and a further £100 a year to keep the temperature at a minimum of 42°- 45°F during an average winter.

Tomatoes are a favourite crop to grow in a greenhouse, as are strawberries, turnips and potatoes.

The group classified as greenhouse plants includes Azalea, Cineraria, Cyclamen, Freesia and Primula, for starters.

Start off with easy plants and work your way up. There are no strict rules about what to grow, but try not to grow too varied a mixture.

Ask your local garden centre manager for advice on which plants to start with. As a beginner, it pays to take all the advice you can get.

GREENHOUSE effect: A gardener's skills really come into their own with one of these.

GREENHOUSES: The types to choose from

There are seven different types of greenhouse used for different purposes and locations.

- **Span Roof**

- Attractive
- Expensive
- **Lean-to**
Useful for south or west facing walls
- Usual pattern for conservatory
- Bricks store heat - fuel bill is

- reduced
- **Three-quarter span**
Light and airy
Useful for growing wall plants
- Expensive
- **Dome**
Attractive
- Stable
- Efficient light absorption
- Unsuitable for growing tall crops
- **Polytunnel**
Cheap
- Good for low-growing crops

THIS WEEK IN THE GARDEN

SOW SCHIZANTHUS FOR SPRING FLOWERING

Sow now in order to have really large schizanthus for spring decorations in the greenhouse or conservatory. Sow seeds thinly in well drained seed boxes, using a seed compost and germinate in a frame. The cooler the conditions the better.

SOW WINTER SPINACH AND SPINACH BEET

Choose a sheltered place and make a sowing of prickly-seeded spinach to stand the winter. Sow the seed thinly in drills 2.5cm deep and 30cm apart.

You can make a sowing of spinach beet now for use in winter and spring. This useful variety of beetroot is grown solely for its leaves, used as a spinach substitute.

START TO GATHER MUSHROOMS FROM OUTDOOR BEDS

If you were able to make a mushroom bed in the open in July you should examine it now for the first mushrooms. Gather the 'buttons' (young mushrooms) as they form. The bed should continue well into the autumn.

MAKE NEW STRAWBERRY PLANTATIONS

Strawberry runners pegged down early last month should have made good roots and can be severed from their parent plant. A few days later, lift them carefully and plant them in new beds. Choose a good open position and soil that has been deeply dug and well manured. Plant 30cm apart in rows 60cm apart.

Pick and summer prune apples and pears
During this month and through September you should continue to pick apples and pears as they ripen. Continue to summer prune the trees but strive to complete the work by the end of the month.

TREAT VINES

Vines, indoors and out, will be in various stages of growth. Early vines from which you have gathered the crop should be ventilated freely and sprayed with water if there is any sign of red spider on the leaves.

MUNSTER CUP FOR MODELIGO PATTERN

Our annual Pattern Day has come around again with even more to tempt you and thrill you on Thursday next, 15th August. The Opening Parade commences at 2:00pm in Modeligo Community Centre with Fancy Dress where

prizes will be awarded to the most topical and original presentation, so get your thinking hats on and get designing those outfits! The always exciting children's races follow with an open and confined section to cover all events.

Throughout the afternoon there will be a variety of side shows waiting to test your skills from a steady hand competition, pitch and putt, horse shoe throwing, ball through tyre, darts and egg throwing competition to face painting, pony rides

and name the doll just some of the events you can enjoy at the Pattern. A popular event at shows is the Spinner which will be in operation with a variety of prizes waiting to be claimed by some lucky ticket holders. Also available on site will

be a home produce stall selling lots of local goodies for you to sample and take home. For the garden enthusiasts, Glendog Nurseries will have a nursery stall at the Centre where you can pick up a few flowering ideas for adding colour

to your home and garden. A shop and chipper will be present also to keep those hunger pangs attended to! A Bouncy Castle will be there to entertain the children, big and small.

All this is only for starters, wait until you hear what is on offer for the evening programme at Modeligo Pattern! Ladies Football kicks off the evening events at 6:00pm with a match between Na Deise and St Pat's for Deckie's Lounge

Perpetual Cup, at 7:00pm the U10 Mixed match between Modeligo and Old Parish will set the scene for the Mens Football Match between the same parishes for the John Fitzgerald Memorial Perpetual Cup at 7.30pm. This event is always a great challenge and should once more prove a crowd stopper so get there early. Another event to cause friendly rivalry is the annual tug-o-war between neighbours and this year the winners will be presented with the Mary Bannon Memorial Perpetual Trophy, this show of strength is expected to begin at 8:45pm. Don't miss it! Not forgetting that through out the day an important guest will be present at the Pattern for the first time in over thirty years, The Munster Championship Cup. How could you miss such a special opportunity as this to come and see

probably the most important piece of silverware in the county at the moment, excluding the Liam McCarthy Cup, who is waiting patiently to come Deise side in September. Have your photo taken with some of the historic Waterford team

who will accompany the Cup on her visit to the Pattern, a truly special occasion.

As the evening draws to a close you can catch up with some old friends, by enjoying a chat and a dance at Deckie's Lounge as Batty and Colette entertain the masses into the night. Hopefully you will find something of interest to you in

the programme of events at Modeligo Pattern and we look forward to greeting you on Thursday next, 15th August in Modeligo Community Centre. The Annual Rosary at the Holy Well will be held on Wednesday night after the Vigil Mass, and everyone is asked to make the effort to take the short walk to the Well.

Dungarvan Celebrates Crystal Anniversary

Thirty years of creating quality world-renowned crystal products in Dungarvan, has propelled Waterford Crystal into the present position of strength it holds today, according to company CEO, John Foley.

Speaking at the Crystal's anniversary celebrations, Mr. Foley praised the workforce in Dungarvan for being at the leading edge of technological advancements, and their development of new innovative product lines.

"There are five hundred people working in this facility and in a town this size that is a major industry", he said. "It's a vibrant plant which has been at the leading edge of all technological advancements in our business over the last number of years."

The success of the facility, which first started operating in 1972, has seen it endure the turbulent times of the past and create the "magical brand called Waterford", he said before an audience of past and present employees at the Crystal plant.

"I'm really delighted for the people who've spent 30 years building this facility into the great manufacturing facility it is today. In sporting parlance, this plant has seen Waterford Crystal achieve Munster and All-Ireland goals."

Making their crystal product a household name the world over has not just benefited the company, but Dungarvan and Waterford as a whole, according to Dungarvan Town Mayor, Cllr. Nuala Ryan.

It is an industry, which has "touched the lives of almost

everyone in Dungarvan, in one way or another", she said. The contribution Waterford Crystal has made to the town economically and socially has also been considerable.

"It is sometimes all too easy to forget the contribution which industry and particularly good industry, can make to the livelihoods and lifestyles of the people. This is true, not just for those employed in the business itself, or in downstream employment, but also for the residents of the entire district", Cllr. Ryan went on to say.

This has not just stretched to the economic life of the town but it has also played a major part in the social and cultural life of the town as

well. "The countless sponsorships which have been given over the years, the crystal pieces which must be priced in millions at this stage, all contributed in a practical way to the many organisations which operate in the town and county", she added.

Former manager of the plant, Michael Holland, who successfully steered Dungarvan Crystal to the strong position it now enjoys, also spoke on the occasion, saying he hoped to be present, when, in another 20 years, the crystal workforce will gather again to celebrate a half-century in the town.

Together with John Foley, Michael Holland then unveiled a plaque to mark the

plants thirty years of success and innovation, with a blessing by the Very Rev Tony Whiting and Bishop Michael Russell taking place shortly afterwards.

Bishop Russell said that in Dungarvan Crystal, the workforce used the gifts of intelligence and creation to make their product a world-wide leader, while Rev Whiting added that harmony has been one of the hallmarks of the plant, and has given them the spirit and power to create things of beauty.

A book, documenting the 30 years plus of Waterford Crystal - Dungarvan, was then launched following a con-celebrated Mass in a marquee within the grounds of the factory.

RECENT DEATHS

LATE SR. MARY XAVIER REIDY

We learned with deep regret and sadness on Monday July 1st of the passing of Sr. Mary Xavier Reidy, Convent of Mercy and late of Clonalea, Toomevara, Co. Tipperary at Drumhills Nursing Home, Dungarvan. In failing health for some time and of advanced years, Sr. Xavier entered the Mercy Order in the early 30's. She gave sterling service re Coláiste Mhuire Secondary School and was a person of outstanding virtues and qualities who endeared herself to everybody who had the pleasure of her acquaintance. She had a great love of music and indeed many of her relatives have tasted success at the various Fleadhanna and Seisúin throughout the country. Sr. Xavier was always proud of her roots which were firmly planted in the Premier County and indeed she could converse at will about the outstanding Tipperary teams that won Munster and All-Ireland Honours. We sympathise with all her relatives and the Mercy Community on their loss.

Reposing at the Convent Chapel, Sr. Xavier's remains were brought to St. Mary's Parish Church for funeral Mass on Wednesday July 3rd. Canon O'Mahony P.P. was chief celebrant while co-celebrants were V. Rev. Fr. M. Enright P.P., V. Rev. Fr. W. J. Dee P.E., V. Rev. Fr. O'Callaghan O.S.A., Rev. Fr. D. Sator O.S.A., Rev. Fr. M. Cooney O.S.A., V. Rev. Fr. R. Doherty P.P., V. Rev. Fr. G. Power P.E.

The lessons and prayers of

the Faithful were read by nieces, grandnieces, nephews, grandnephews, while Con and Alice brought the offertory gifts to the Altar. The beautiful music of Dina Walsh, Ballymacmague made the Holy Sacrifice a real celebration of Sr. Xavier's life. In a Communion reflection, nephew Con spoke of Sr. Xavier's love of Dungarvan and of her own native county, no doubt he concluded she would be first to congratulate the Deise on their long awaited and deserved Munster Final success. In the adjoining cemetery we gathered for final prayers and blessing as Sr. Xavier was laid to rest. Nephew Michael and niece Frances shared the Old Dungarvan Oak and the Kickham masterpiece of Slievenamon which was so close to Sr. Xavier's heart with the large concourse present.

'May the sod of her adopted Dungarvan lay gently upon her'.
(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

LATE MAIREAD DE PAOR (NÍ ARTA)

The locality learned with great sadness of the passing on Thursday last August 1st of Mairead De Paor, Loskeran Upper, Old Parish. Fagann a chlann go croi bhríste, mar atá a fear céile Michael Joseph, a hiníonacha, Eibhlín, Una agus Maighréad, a mic Maidhc agus Déaglán, a dearthaíreacha Tom and Pat, a deirfiúracha Lal, Mary, Nell agus a gaolta agus cáirde uilig. Reposing at the Kiely Funeral Home the re-

moval took place on Saturday evening to Ring Church. Funeral Mass was celebrated on Sunday in Old Parish Church with the interment afterwards in the adjoining cemetery.

(Full obituary next issue).
(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

LATE JAMES (HAL) HALLAHAN

The West Waterford region learned on Wednesday July 17th of the passing of James Hallahan, Aghlish at Waterford Regional Hospital. Aged 72 years, a native of Aghlish, Hal as he was affectionately known was son of the late James and Ellen Hallahan (nee Kirk). Of farming stock, Hall was a man of great energy who was extremely hardworking. His farmwork was his true vocation and he attended to his duties with admirable dedication. He was a GAA man through and through with the fortunes of his beloved Geraldine's GAA to the forefront of his thoughts. He was a legend on the Sportsfield, a born leader who made the no. 6 jersey his own. His powerhouse displays turned many an epic battle in favour of the Aghlishmen. A true sportsman who will be sorely missed, we sympathise with brothers Michael and Billy, sister Eileen, brother-in-law Thomas Godsil, sister-in-law Kay Hallahan, his nephews and nieces on their cross of bereavement.

Reposing at the Kiely Funeral Home where following rosary and prayers recited by V. Rev. Fr. Lucey P.P., the removal took place to Aghlish Church. Hal's coffin which had the Geraldine centre half's jersey placed on it was carried the hundred or so yards by teammates and was flanked by a huge guard of honour from his beloved Geraldines Club in tribute. Fr. Lucey P.P. was joined by V. Rev. Fr. P. Fitzgerald P.P. for the funeral service.

On Friday morning Fr. Lucey P.P. was joined by cocelebrants Fr. Butler C.C., V. Rev. Fr. J. Kiely P.P. and Fr. Barry O'Flynn, Inch in offering the Holy Sacrifice of the Mass for the re-

pose of Hal's soul.

The lessons were read by Evelyn Godsil (niece) and Sr. Nora Hickey (cousin) while Gavin Hallahan shared the prayers of the Faithful. The offertory procession saw Billy and Eileen (brother and sister), Sr. Loreto Hickey and Bridget Hickey (cousins), bring the gifts to the Altar in procession.

A huge and truly representative gathering was present for the funeral obsequies in the adjoining cemetery as Hal was laid to rest.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

LATE JIMMY FRAHER

With deep regret we pen the passing of Jimmy Fraher of Ballinroad, Dungarvan which sad event took place at his residence on Friday 26th July.

Aged 79 years Jimmy was a native of Leigh, Ring although having been married to Mary Morrissey of Ballinacourty for nigh on fifty four years and raised a family of seven children and lived in Ballinroad for all of that time he still had a great 'grá' for an 'Rinn go deo' as he liked to refer to it.

He started work as a young man in Dungarvan Leather Factory and spent forty odd happy years there until his retirement in 1982. He struck up some great friendships while there and many of his old working colleagues remained loyal friends up to the time of his death.

Jimmy was a staunch trade unionist and a firm believer in fair-play for everyone. In his younger days Jimmy played various roles in amateur drama productions, both in Ring and Ballinroad which he thoroughly enjoyed and admired the books and plays of the late John B. Keane.

He was a lover of all things Irish, he could still chat to his many friends from Ring in the native tongue - he loved to listen to Irish music and passed many happy hours listening to Ann Mulqueen's traditional music programme on WLR fm but his greatest love was to be part of a sing-song. Here Jimmy would be the life and soul of the party, he would be in his glory belting out the words whether it was "Patsy Fagan" or "The Galway

Shawl" he gave it his all. He won many trophies over the years in talent competitions, his last seisúin was at the Lyre Heritage Centre in Mahonbridge on 9th July 2002.

Jimmy was a keen GAA supporter and followed with pride the progress of his sons Michael, John RIP, Jimmy and David over the years. He was an avid supporter of An Rinn but had a soft spot for the 'Green and Gold' of Kiltrossanty. He was delighted to see Waterford winning the Munster Final but heartbroken that he was not able to attend the match.

He was caretaker and gravedigger at Ballinroad cemetery for forty-eight years and was never found wanting when it came to sharing respect for the dead and their families.

Jimmy was a wonderful husband and father. He loved the simple things in life and was at one with nature. He loved the outdoor life - tending to his animals when he had them, cutting turf and walking with his dog and often spoke of the wonders of nature over the different seasons of the year.

He always enjoyed the annual trip to Tallow Horse Fair with his friend Hiker and many tales have been told of those days and maybe many are best left untold.

Removal was from his residence on Sunday evening 28th July. His coffin was shouldered the short distance to St. Laurence's Church by his sons Michael, Jim and David and his grandsons Damien, Michael, Paudie, Ricky, John and Kenny, sons-in-law Patsy and Willie and friend Hiker McGrath.

His remains were received by Fr. Doherty P.P., assisted by Fr. Keogh C.C., Fr. Colendar O.S.A., Fr. Geoghegan C.C., Fr. P. Ahearne P.P., Fr. P. Butler C.C. attended by a huge concourse of mourners.

Following concelebrated Mass on Monday morning celebrated by Fr. Doherty P.P., assisted by Fr. Keogh C.C., Fr. O'Mahoney P.P., Fr. M. Enright P.P. and Fr. Delaney P.P. burial took place in the adjoining cemetery. Fr.

Doherty P.P. assisted by Fr. Keogh officiated at the graveside in the presence of probably the biggest concourse of mourners ever seen in Ballinroad.

Readings were done by his grandchildren Aisling Fraher, Colin Landers, Colette Fraher. Prayers of the Faithful were by grandchildren Sharon Fraher, Michelle Fraher, Colin Landers, Jimmy Fraher, Coley Landers. Offertory gifts symbolising various aspects of Jimmy's life were brought to the Altar by Fergal Fraher (grandson) - Bread and Wine, Laura Griffin (granddaughter) - Piece of Leather, Karen Landers (granddaughter) - Graveyard Book, Suzie Keane (granddaughter) - Fiddle, Kerry Fraher (granddaughter) - sod from Ring, Brian Griffin (grandson) Motorbike Helmet, Jessica Fraher (great granddaughter) biscuits. His son Michael paid a heart wrenching tribute to his Dad.

Appropriate music and hymns were provided by Christina Tobin, Ned Keane sang Jimmy's favourite song 'The Road by the River', while Paddy O'Brien sang that great hit of his 'Never Grow Old'.

Ni bheid a leitheid ann aris.

Chief mourners were Mary (wife), Michael, Jim, David (sons), Mary Landers, Ber Keane, Breda Griffin (daughters), Mary O'Shea (sister), grandchildren, great grandchildren, sisters-in-law, brother-in-law, sons-in-law, daughters-in-law, nephew, nieces, relatives and many friends.

(Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

We record with regret the death of Joseph Leahy, formerly of Coolagh Road, Abbeyside, which occurred in the Isle of Wight on June 2nd.

MUCKING IN - IRISH GARDENERS GET COMPOSTING

A survey of visitors to the recent Garden Heaven Show in Dublin, has revealed that 79% of gardeners compost their organic kitchen and garden waste. The survey also revealed that the majority of people are using compost bins purchased from their local authority to recycle their waste.

The Irish Peatland Conservation Council (IPCC) conducted the survey as part of their Peat-free Garden Campaign. IPCC's Conservation Officer, Noreen Mc Loughlin states that "the outcome of the Garden Heaven Show survey is very encouraging, as it demonstrates that the public are becoming more conscious of the waste that they generate. This seems to be especially true for gardeners."

IPCC hope that the increasing number of people composting their organic waste, will mean a significant reduction in the use of moss peat in the garden. Home-made compost is a far superior gardening product to peat - and its free! Garden compost improves the ability of the soil to retain water, it can be used as a mulch to cut down on weeding and it can be added to the soil to improve structure. Peat has been used by gardeners for soil improving and mulching for years. "It has been a tragic waste and has caused immense damage to our wild boglands", says Noreen McLoughlin.

Compost bins can be purchased at a subsidised rate from local authorities. Once a household starts to compost, they will quickly see the effect on the amount of rubbish in the dustbin - a reminder that they are making a substantial contribution to wildlife survival. It's easy to get started - just collect 1 bucket of fresh weeds, 1 bucket of shrub clippings or prunings, 1 bucket of dead heads, 2 buckets of grass clippings and 1 bucket of kitchen scraps. Mix well, place it in the bin and in 6 months time you will have wonderful garden compost to use.

A fact sheet on the Peat-free Garden Campaign is available from the IPCC, 119 Capel St., Dublin 1, (01) 8722384, or visit the website at www.ipcc.ie.

Waterford County Council can supply you with a compost bin for the subsidised price of 25 (the recommended retail price is 60). Call 058- 20894 for details.

GRANTS FOR ANTI-LITTER AWARENESS INITIATIVES

The Inter Community Litter Challenge is evidence of the difference a community can make to improve the appearance of our towns and villages. However, clean ups alone cannot eradicate litter pollution. Public education and awareness raising are vital to the attacking the problem at source.

To aid the work of local communities grants totaling 4,000 are available to fund up to 70% of the overall cost of education and awareness initiatives against litter. The balance is to be met by sponsorship or local contribution. If your organisation or group would like to avail of these grants please send a brief description of the project and a breakdown of the project costs to: The Litter Control Office, Waterford County Council, Dungarvan Co Waterford. The closing date for receipt of applications is Friday 23rd of August.

The second part of our open week got under way with the Pat Moore transport V par competition on Monday and Tuesday. The weather was overcast and dull on Monday and glorious on Tuesday where there was a big field of players in evidence. Our winner was Maurice Cahillane (8) with an excellent 5up but only winning due to a superior last 9 holes from the Islands John Terry (15) also with 5 up. Another visitor took third place, Doneraile's Colum Horgan (2) with 1 up. And so to our Keniry's of Tallow Open qualifier which was only two qualifying days left before the final on Saturday 17th August. The qualifiers this week were Tallow's George Peet (15) with a nice 38 points. The runner up was Freddie Cummins (13) with 22pts. Friday saw our Open ladies and gents 9 hole competition sponsored by Kevin Walsh Izu Izu, get under way on a terrible day

weather wise with a steady fall of rain all day and was carried over to the Bank Holiday Monday where in contrast the weather was glorious. The ladies winner was Betty Joyce (22) with 22pts and the mens winner was Ronan Whelan (10) playing out of Abbeyleix, Ronan carding 22pts. For placings see results section. The filling to this sandwich was the Mari Mina Pharmacy, Lismore Open 18 Hole Stroke competition. The winners with a magnificent 63 was Youghal's Declan Galvin (11), followed closely by our own Brian O' Gorman (9) with an excellent 64. Brian edging out club treasurer Nicky Walsh (18) due to superior last 8 holes. Nicky also posting 64. Our gross winner was the vastly experienced Albert Corcoran (8) with 74 strokes. So all in all it was a very successful Open Week for Lismore Golf Club. It is on the saddest of notes we have to finish this week. Our young assistant green keeper, Deaglan De Paor's mother passed away on Friday just gone. Lismore Golf Club would like to convey our deepest sympathy to Deaglan and his family and our thoughts will be with them as they go through their mourning.

LISMORE DRAMATIC SOCIETY

We are delighted to announce that we are presenting J.B.Keane's "Many Young Men Of Twenty" in early November. After last years massive success with "Sive" we know that there is a massive interest in this brilliant playwright's work. We will be starting rehearsals in early September, so if interested please indicate your willingness to participate by giving your name to Yvonne Murphy (Sec.), James Lenane (producer) or any committee member.

LISMORE CAMOGIE NOTES

The club have had a busy couple of weeks. Firstly our Juniors took to the field when they took on Portlaw in the first round of the championship. This match was played in Abbeyside and after a hard fought battle by both teams Portlaw ran out eventual winners on a scoreline of 4-2 to 2-3. This is the first time since camogie changed to 15 aside that Lismore fielded a Junior team. Next it was the Senior team who played in their County Final on Monday night last in Fraher Field where their opponents were St. Annes. Both teams started nervously, Lismore opened the scoring with a point from a free with St. Annes equalising a few minutes later. About ten minutes into the game St. Annes scored a goal and another one followed shortly afterwards leaving 6 points between the teams. The teams exchanged points but St. Annes held their two goal lead going into half time. The second half saw Lismore fight hard to close the two goal lead and held St. Annes to just one point in the second half but unfortunately the vital scores proved illusive despite the pressure put on the oppositions backline. St. Annes went home with the cup after winning on a scoreline of 2-7 to 1-4.

Lismore Panel: Mary Murphy, Anne Marie O' Gorman, Sinead Bennett, Karen Brennock, Sinead Murphy, Mary Pratt, Niamh Ryan, Caitriona Ormonde (Capt.), Liz Fleming, Laura Buckley, Nicola Morrissey, Tanya Morrissey, Ciara Tobin, Emma Dunne, Aisling O' Brien, Caroline Ormonde, Lorraine Geoghan, Diane Keane, Roseanne Leddy, Mairead Landers, Ber O' Keeffe, Deirdre Walsh.

Our Under 14 team take to the field this Wednesday night 7th August when they take on Ardkeen in their County Final. This match will be played in Dungarvan GAA pitch at 7:30pm. Come along and support the girls in their bid to bring the third U14 county title back to Lismore.

The Under 16 championship also gets underway next week.

On the weekend of the 16th of August we are also hosting Portaferry of Co. Down's U14 team. This club was our excellent hosts on two occasions when we took part in the Feile na nGael All Ireland finals in 2000 and back in June of this year. So we are sure Lismore will give them a very warm welcome.

LISMORE SOCCER NOTES

On Saturday evening last in conjunction with the Lismore Festival a Lismore outfit of Golden Oldies over 35's played our friends and rivals Brideview F.C. in a light hearted charity game for which proceeds went to St. Carthages Nursing Home. Over 300E was collected between players, the crowd, and the generous Brideview F.C. club. Brideview led at the break through a Pat Murphy volley midway through the first half and the away side doubled their lead 5 minutes into the second half when Tommy Pratt sidefooted home from close range. However, this seemed to spur on the homeside and in a five minute spell got back to level scores, the first from the ever agile Neill Twomey from the penalty spot and the equaliser from Brian Shanahan after the Brideview goalkeeper Joe Tobin (new position) made a complete botch of his clearance. 2-2 the final score an so to penalties to decide this very prestigious event. (Referee Paddy Pollards decision). The final tally on the penalties could not be obtained as the Ref lost count in the confusion that followed. The game was deemed a draw.

A big thank you again to Brideview F.C., to Paddy Pollard for this decisive decisions with the whistle especially when sending off Brideviews Leonard Fraser (who sneaked back on 2 minutes after his dismissal), to the Red House bar for the after match refreshments, to Dave Landers for his organisation of the game and to the Golden Oldies team for their time and effort.

Team: Kevin Ryan, Dave & Billy Landers, Denis O' Donnell, Pat Fitzgerald, John Ryan, Spider Barry, Brendan Prendergast, Donal Landers, John Dunne, Niall Twomey, Brian Shanahan.

On Friday evening next in the Red House Bar at 9:00pm. there is a important meeting of players, committee members and any new or interested persons wanting to get involved in the club at senior or under age level. I would urge for a big attendance.

Ashling Scanlan/Lourdes Fund Raised 6433.04 Euro

Earlier this year Ashling Scanlan, a fourth class pupil at Ballycurrane National School was diagnosed with a serious illness. Almost instantly some people in this community felt a strong desire and the need to help this lovely little girl make a full recovery. Following a brief meeting of a small group of people it was decided to send

Ashling to Lourdes. So began The Ashling Scanlan/Lourdes funds. Over the weeks that followed Maura, Asumpta and Pat received an overwhelming response and a total of 6433.04 Euro was raised (with money still coming in, - any late money received will be donated to the hospital fund through the various fund raising efforts. AS the amount collected far exceeded the amount required, it was then decided to donate the excess money to The Hospital Funds where Ashling is presently receiving the treatment. On Saturday night July 27th a cheque presentation took place in the Old Still Clashmore and the committee presented Ashling with a cheque for 1000 Euro for Crumlin Hospital and a cheque for 3433.04 Euro for the Mercy Hospital Fund. The remaining 2000 Euro is being held on account for Ashling to be used to send her to Lourdes as soon as she is able to travel. The committee informs us the total credits would fill this entire page and still some would be omitted so we on behalf of everyone who made it possible to raise this fantastic amount of money. Best wishes to Ashling, we wish her a full and speedy recovery.

Season Ends

Once again the salmon drift net fishing has come to an end for another year, despite the relatively short season, we hope to keep this beautiful traditional craft alive for many generations to come. Drift net fishing on the River Blackwater is one of our great inheritances. Skills and knowledge have been handed down through many generations. There is not a more beautiful sight in all the world than to watch these boats at work on a calm day on the river. Our fishermen need our constant support to prevent the complete elimination of this most ancient of crafts by Government and EU Rulings.

LETTER TO THE EDITOR

I read with interest comments attributed to County Councillor Tom Higgins in a recent edition of the Dungarvan Leader. He expressed concerns that the failure of the new Dungarvan & Environs Study Plan to rezone areas of Ballinacourty as residential would adversely affect the development of the area. While Councillor Higgins is obviously entitled to his views I feel he has to be challenged on some of the assertions he makes. Some of the comments attributed to him only muddy the water on what should be a reasoned debate on how Ballinacourty, Ballinroad, Clonea and Garranbane should develop over the next five years.

He reportedly said that failure to, rezone as residential, areas of Ballinacourty might sound the death knell for the local GAA club and school. The local club for the record is Abbeyside / Ballinacourty whose

grounds are located in Abbeyside and while it has many members from Ballinacourty, the area's zoning is largely irrelevant to the club's future development.

As regards the local school Garranbane is if anything I would think struggling to cope with the already increased population of the Ballinroad area that under the new draft proposals will increase further.

The Dungarvan & Environs Study Plan is available for inspection in the Planning Office in Dungarvan. It shows that the rezoning of additional land around Ballinroad will make it the main population centre for the Ballinacourty / Ballinroad / Clonea / Garranbane area. This from a planning point of view makes sense as Ballinroad is an already established hub with supermarket, pub, church, parish hall, offices and leisure facilities catering for soccer, rugby and tennis.

The plan also shows that Clonea is envisaged as being a major tourist destination with large areas of land radiating from it zoned for Tourism Development. The future development of this area will provide the Planning Authorities with major challenges in the years to come when the need to develop will have to be sensitively balanced with the need to preserve the existing attraction of the area particularly the coastline that is to be designated 'visually vulnerable'.

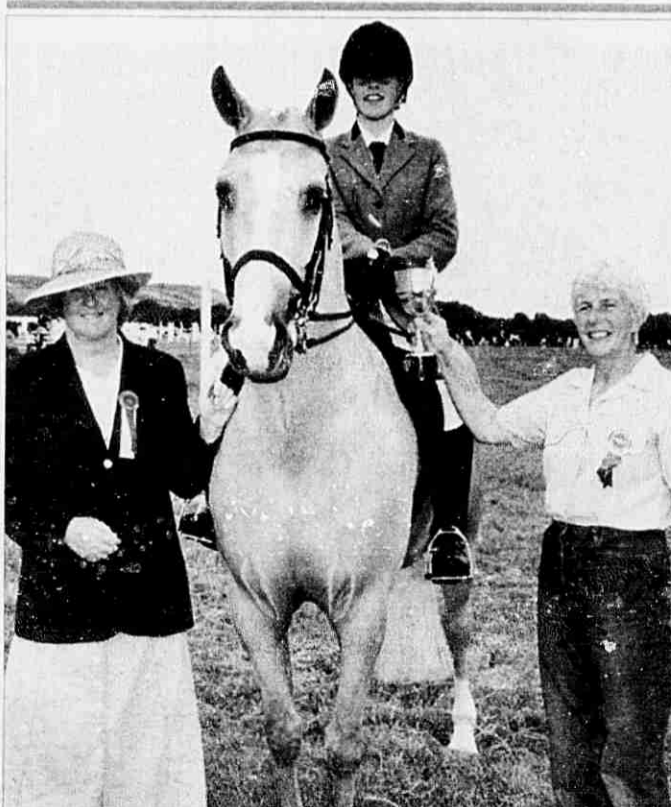

Councillor Higgins expressed concerns about the future development of business in Ballinacourty if no land is rezoned residential. There are effectively only two main business occupations in Ballinacourty i.e. tourism and farming and both are well catered for under the proposals. Ballinacourty has always been an agricultural area and the importance of this activity is reflected in the fact that most of the townland will continue to be zoned agricultural. This zoning complements the adjoining Tourism zoning as the reason that most people visit Ballinacourty and Clonea is because of its relatively unspoilt rural nature. There is no logical reason to rezone land in Ballinacourty as residential as it is almost entirely devoid of residential services e.g. shops, church, school etc or for that matter any recognized population centre. There is currently and will continue to be plenty of scope for 'one-off' houses for local people under agricultural zoning as is evidenced by the substantial

number of houses that have been built there in the last decade. I can see no evidence however of a need for the housing estates that residential zoning would imply i.e. estates of between 10 and 15 houses per acre (including 10% social housing & 10% affordable housing) complete with suburban roads, footpaths and street lighting.

I disagree with the contention that Ballinacourty exists as a separate entity. It is part of the community that includes Ballinroad, Garranbane and Clonea in the hinterland of Dungarvan. The rezoning of land in Ballinacourty as residential would do nothing to enhance that community but rather encourage an uneconomical provision of suburban services for a commuting population in a rural area that is miles distant from the nearest town centre. Residential zoning would in my view copper-fasten Ballinacourty's main role into the future as a dormitory suburb of Dungarvan. Is that what the people of Ballinacourty, Dungarvan or our many tourist visitors want?

I am sure there are many view divergent to my own and it is up to every individual who feels strongly on the issue to follow one of two courses - let their Councillor know their views or write to the Planning Department in Dungarvan and make a submission. In that way everyone can have a say in how our community develops.

Yours sincerely

Six of these were presented to the surrounding parishes, and one was also given to the Museum at a presentation after the Mass.

It is presently on display.

We will be very proud to add this to our display of local treasures an wish to express our gratitude to the workers of Dungarvan Crystal for their generosity, and congratulate them for their achievements in showing that the talents and skills in West Waterford are second to none. The Science of Farming and Food GRASSLAND MANAGEMENT

Re-Seeding

It is important that 10% of grassland is re-seeded each year in order to maintain output and quality. Grazing ground will not need to be re-seeded as often as silage ground but if there is severe poaching or there was less than 50% ryegrass in March-May period output will suffer.

Advantages of Re-Seeding

Grazing Situation

- More Grass Growth
- Rapid Regrowth
- Longer Growing season
- Higher palatability/Digestibility

Silage Situation

- Higher grass quality (6+ units D.M.D.)
- Easier to preserve (higher sugar content)
- Faster recovery
- Consistently higher yields

Minimum Cultivation

Re-seeding through minimal cultivation is now very common and very successful. It eliminates the need for ploughing which is especially important on stoney ground.

• Select sward with low production due to low quantities of perennial ryegrass or poaching damage over the last number of years.

• Spray with a glyphosate-based herbicide when the old vegetation is at least 6-8 cm high

• Graze tightly, or cut off the vegetation five to seven days later. Alternatively, close the area proposed for re-seeding for silage, and spray seven to ten days before harvesting.

• Apply ground limestone and fertiliser as recommended by a soil test. Where the minimal till system is used, a minimum of 3.5 tonnes lime/ha should be applied prior to cultivation.

• Cultivate the top 6-8 cm of the soil with a suitable cultivator (e.g. power harrow or spike rotavator) to a fine tilt. Alternatively one-pass machines are available to cultivate and sow.

• Roll the seedbed prior to sowing to prevent seed being buried too deep into the cultivated ground.

• Broadcast the grass-seed mixture at the rate of 31-34 kgs/ha and roll again to consolidate the seedbed.

• Have the re-seeding completed by early September. For successful establishment of clover, re-seeding must be completed by mid-August.

• Control any problem weeds as soon as possible.

• Graze down to 6cm with young stock during early establishment

• Grazing is better than cutting in the year following sowing.

Re-seeding costs at least 220 per acre (545 per ha.) It is therefore very important that it is properly planned and carried out to ensure success and maximum benefit.

CATTLE

Autumn Grass

It is important following the difficult year to ensure a good supply of quality autumn grass to take advantage of below average animal performance to date and to extend grazing for as long as possible to delay start of indoor feeding.

Poorly grazed fields up to now may need to be topped to remove dead material and ensure a better quality re-growth. Building up grass cover from August can be achieved by increasing rotation length with introduction of aftergrass, nitrogen use and sale of cattle.

Nitrogen & Phosphate

Given the difficult year to date and delayed silage / hay cutting the response to nitrogen should be better than normal as conditions improve. Best response will be achieved in fields cut for hay or silage and where there is a fair amount of perennial ryegrass. The application of some phosphate will help boost root development which is particularly important on soils that have suffered from waterlogging and / or compaction. Pasture sward can be used to

IFA CHAIRMAN HIGHLIGHTS CURRENT FARMING PROBLEMS AT DUNGARVAN SHOW

Speaking recently at the Dungarvan Show, Harry Gray, Waterford IFA Chairman spoke on the current income crisis.

He said: "we need to anticipate income problems that will arise from the current bad weather, both immediately, and in the medium term with higher feeding costs next winter as a result of poor fodder conservation. Farmers who fear they may experience cash-flow problems as a result of this combination of factors should contact representatives from the Waterford IFA Co. Executive or their Agricultural

Adviser.

He confirmed that lending institutions have given IFA strong assurances that there will be flexibility allowed in debt repayments, with the possibility of additional working capital or loan restructuring on a case-by-case basis.

The Waterford IFA Chairman said that the unusually wet weather over the last 8 weeks has delayed silage harvesting and quality has deteriorated as a consequence. Maize crops are also badly affected and many crops are unlikely to reach 50% to 60% of their yield potential. Whole crop wheat or barley is a viable alternative and will provide a high quality, high energy density feed, which can be used to supplement poor quality silage and reduce feed concentrate requirements by up to 50%, thus achieving major cost savings.

Mr. Gray also presented IFA'S Sponsorship of prizes to the Farm Family Committee, and in conclusion, thanked farmers for coming out in numbers to support this truly great show.

CALLS ON CO-OPS TO HOLD JULY MILK PRICE IN SERIES OF MILK PRICE MEETINGS

President John Dillon today recently announced that the IFA would be running a series of four milk price meetings starting next week in advance of the August co-op board meetings which are to decide on July milk prices.

"Farmers have taken a huge cut in their family incomes, and as the first signs of recovery on the internal EU market for feed-quality SMP are showing, co-ops must help farmers cope with an extremely difficult year by holding milk prices for the month of July," the IFA leader said.

Announcing the details of the meetings currently being organised by the National Dairy Committee, Chairman Michael Murphy said the venues and dates would be as follows:

- Wed 7th August, 8.30 pm Springhill Hotel, Kilkenny
- Thur 8th August, 8.30 pm Royal Hotel, Roscommon
- Mon 12th August, 8.30 pm Mallow Park Hotel, Mallow, Co. Cork

Michael Murphy urged all dairy farmers to attend the meetings en masse. "The Dairy Income Crisis of 2002 has not gone away. Although most of the peak milk has now been produced, the cost-price squeeze has cost the average dairy farmer 10,000 this year. This is a huge income loss, one which will not only affect the ability of the farm business to meet financial commitments, but also bite into the living expenses of the family," he said.

"Farmers have taken the brunt of the pain due to the downturn in dairy markets, but now that the early signs of recovery in EU commodity prices are starting to show, it is absolutely critical that co-ops would share some of that pain and hold July milk prices," he concluded.

GRAIN GROWERS PROTEST AT INDUSTRY FORUM

DILLON SAYS PRICES ARE €20/T BELOW COST OF PRODUCTION

IFA President John Dillon has accused two of the main grain importers R & H Hall, which is owned by IAWS, and Comex McKinnon of conspiring with some of the major feed compounders to force down the price of native Irish grain by €20 per tonne this harvest, which will put cereal growers out of business.

The President said "R & H Hall and Comex McKinnon are effectively acting as an extended arm of the major feed compound mills, sourcing cheap grain, whether it is native or imported. In the past 12 months, they have imported over 500,000 tonnes of grain".

Mr. Dillon was addressing an IFA protest by grain growers at a meeting in Dublin of the Cereals Association of Ireland Pre Harvest Forum, which includes all major players in the Irish grain industry.

"Irish grain prices are being sacrificed so that these companies can capture a higher share of the valuable protein feed market. Imported grain is being brought into the country at critical times, deliberately closing off market outlets for native Irish grain, with the objective of driving down prices to native growers".

Mr. Dillon said "grain farmers and merchants are being forced to discount their prices substantially if they want to move dried grain. The major compounders and importers are acting in unison and are abusing their dominant position in the marketplace. The result is that farmers are being forced to sell grain at a price substantially below the cost of production. Independent surveys have shown that it costs in the region of €95 to €105 to produce a tonne of wheat and €100 to €105 to produce barley excluding depreciation and the cost of conacre".

Concluding, the President said "the trade's effort to set a price of €82.50 per tonne for green barley will force many cereal growers out of business as up to 40% of the land being farmed is conacre. IFA will not stand idly by and watch an important native industry go down the tubes, enabling major corporations to hold Irish farmers to ransom over animal feed prices. If cereal farmers are forced out of business, this will have major ramifications for the pig and poultry industry and lead to its rapid demise".

Dairy Farmers Offered A 50% Discount On Tickets To The Kerrygold Horse Show

7-11 AUGUST

All registered dairy farmers

can avail of a 50% discount on adult or family tickets to the 2002 Kerrygold Horse Show which takes place from 7-11 August 2002.

The Irish Dairy Board - principal sponsor of the Show, has, in association with the Royal Dublin Society, made over 27,000 discounted tickets available to registered dairy farmers through their dairy coops and companies.

This is the 14th year in which this discount has been offered. Ticket purchases from the agriculture community have been strong to date, and there are still plenty more tickets available for dairy farmers to buy.

The discount offers excellent savings to dairy farmers for a great day out. They can purchase a general adult admission to the Show for 5.50 euros (usually 11.00 euros). A family ticket, for two adults and up to four children costs them 14.00 euros (usually 28.00 euros).

"This is an excellent sponsorship leveraging initiative from the Irish Dairy Board linking their Kerrygold Horse Show Director.

There are plenty of things for dairy farmers to see and do at the 2002 Kerrygold Horse Show. Exciting jumping competitions on the Simmons Court and Main Arenas, including the Kerrygold Nations' Cup. Showing Classes, Dressage Displays, Trade Vehicle Turnouts and the All-Ireland Horse Shoe Pitching Championship in the Rings. Plus entertainment on the Band Lawn from noon daily, the

prestigious RDS Art & Craft Competition Exhibition, over 250 trade stands and plenty of restaurants and bars to relax in.

ICMSA Welcomes Slurry Spreading Extension Date

"Following on from our request yesterday, ICMSA welcomes the decision of the Minister for Agriculture and Food, Mr. Joe Walsh T.D., to again extend the date for spreading slurry under the old REPS scheme," said Mr. John O'Connor, Chairperson of ICMSA's Farm Services & Environment Committee.

"The Minister had delivered on his commitment to review the situation. This decision will provide all farmers participating in the old REPS Scheme an opportunity to spread their slurry and catch up on the back-log of work due to the exceptional weather conditions," concluded Mr. O'Connor.

BRIDEVIEW UNITED A.F.C. NOTES

Charity Game - Penalty Shoot Out Win For Lismore

United's golden oldies went down to neighbours Lismore on Saturday evening last. The game was played in Lismore in aid of St Carthage's House. We had some guest players playing for us namely Billy Corr, Joe Hartnett, Tommy Pratt and Joe and Kevin Tobin. United went in front after just four minutes when Pat Murphy opened the scoring and we held this lead until the break. We increased our lead five minutes into the second half thanks to Tommy Pratt. Lismore came back into the game when they scored from the penalty shot and equalised two minutes later. We had plenty of craic during the second half with referee sending off Lenard Fraser when he questioned the referee's decision. The red card was certainly big enough. The game ended 2-2 so we went to a penalty shoot out. Lismore won 10-6. United's panel - Kevin and Joe Tobin, Frank Power, Jimmy Sheehan, Joe Hartnett, James McCarthy, Lenard Fraser, Tommy Pratt, Donie O'Brien, Billy Corr, Timmy "Justin" Sheehan, "Hacker" Mc Carthy, "Speedy" Hogan, Tommy "Gazza" Pratt.

The posters advertising the festival will be out on display next week.

Birthday Corner

Committee members Terence McSweeney and Stephen Pratt celebrate birthdays this week. Not forgetting our Premier keeper Billy Sheehan whose birthday fell on Friday last. Billy and Terence were 26 years of age. All the forty year olds had a great party which was standing room only.

Thanks

Just to say thank you to all

the lads for turning up for the golden oldies game in Lismore. Well done lads.

News to Hand

The Dubliner in a certain public house would want to get his managers name right at least. The honeymooners came back on Saturday night last. It was hard to get one of our committee out of bed on Friday morning last and he made very little noise going in home after the party.

C.L.G. Tulach an Iarainn-Tallow G.A.A. Notes U-21 Hurling Championship Comfortable Win For Tallow

Tallow 2-20 Colligan 2-5

Colligan stayed well in contention throughout the first half of this u21 championship clash in Cappoquin on Bank Holiday Monday and were only 2 points in arrears at half time but proved no match for the slicker hurling of Tallow who controlled the second half and won with some ease in the end by 15 points.

The old maxim about the half back line being the spring board of success certainly proved true on this occasion with almost all Tallows attacks emanating from this area where Will McDonnell and the O'Brien brothers Dave and Mark didnt put a foot wrong all day. The third O'Brien brother Paul seems to have his own telepathy going with Paul Kearney and the interchanges between them were a delight to watch. They had a combined score of 1-14. Dan O'Neill was very effective at centre forward contributing 3 points from play with William Henley (1-2) and Padraig Tobin (0-1) our other scorers.

There are certainly tougher tests ahead for this squad but this was a positive beginning and with Shane "Finn" and the injured Aidan Kearney to come on to the team they can improve.

Panel: Sean O'Neill, John Feeney, Tom Goulding, Michael Keating, Will McDonnell, Dave O'Brien, Mark O'Brien, Paul Murray, Tom Donovan, Paul Kearney, Dan O'Neill, John Kelly, Paul O'Brien, William Henley, Padraig Tobin, Conor Goulding, John Anthony Kelly, Nat Smith, Mossie McGrath.

P.S. How can I put this without offending you Magoo. Ive seen the grass shorter.

Lets Fly The Flag — An official from a visiting club remarked to me during the week that he was a little disappointed that there wasn't more blue and white on show around the town. I told Kevin Tobin I wouldn't mention his name but I have to agree with him. We can do better than this. Lets nail our colours to the mast and hoist the flag of the Deise. Sean Walsh has a wonderful display of hats, flags etc. and we always urge our supporters to shop local.

Tickets for semi-final — The club has received its ticket allocation and they will be given out at 9.00 p.m. on Wed night in St. Patricks hall. With the increased capacity of Croke Park there will be no problem with tickets this time. If you have not yet booked your ticket the club may still be able to help out if you contact Fiona McDonnell or any committee member as soon as possible.

Allez Les Bleus — We know only too well the dangers the men from the Banner County present. There will be no complacency. It won't be easy. We've never known it any other way. I think we're ready for this one. Bring it on, an Clar. Ta se in am buaileadh Baire. An Deise Abu.

Not in The Plans — There is a gaping hole where a section of the wall has been taken out at the field but I can assure you it's not part of our development plan. In time we will have a new entrance but not just here and not just yet..The matter is being pursued.

Junior Footballers advance — Junior footballers had a good win over Ballinacourty last week. Match report from Timmy elsewhere.

Tallow G.A.A. Lotto. 29-07-02 — No's drawn 3-9-15-18. No jackpot winner. consolation prizes: Liam O'Keefe, Bernie Murphy, Wm. McDonnell, Anne Doyle. Promoter: Paul Hickey.

Junior Football

Tallow 4-8 Abbeyside 2-6

This championship match was played in Tallow last Tuesday night with both teams serving up some good football. Tallow were the first to settle and had the best of the play in the first 10 minutes. During this period we stoll only manage done score, a goal from Camel. From here to halftime Abbeyside took control scoring 1-4 without reply. A point from a free by Michael Keating left us three points down at half time. Tallow got a great start to the second half when Fada won the throw in and the long ball found William Henley who finished to the net. This was the start of Tallows best spell and scored 3-6 without reply to leave us 4-7 to 1-4 ahead with 10 minutes remaining. To give credit to Abbeyside they battled to the end and scored 1-2 but Tom Bear scored the last point of the game to see Tallow through to the next round. Scorers for Tallow, William Henley 1-2, Michael Keating 1-1, Paul O'Brien 1-1, Dermie 0-2, Basher 0-1, Bear 0-1. Our Junior Hurlers took on Colligan at the Fraher Field on Friday last. "Slasher" opened the scoring in the first few minutes from a pointer 20 metre free. Cappoquin led for the rest of the game with Colligan trying hard to come back. Best for Cappoquin were Liam Costin, Conor Heffernan, Martin/James Lacey, Noel McCarthy, Brendan Scanlon, Stephen Kett and Stephen Landers in a good and calm performance.

U-21 Western Hurling Semi-Final Cappoquin 0-10, Ardmore 1-10

This was always going to be a tough assignment against the title holders. Adding to that we went into the game short the services of Liam McLoughlin. Liam sustained a broken finger in the Colligan game and Kevin Foley still living the American dream but leaving that aside, this was a game we left behind us where our lads squandered too many scoring chances after dominating long periods of possession. Cappoquin had some fine individual performances from Donal O'Rourke, Kevin Looby, Shane Coughlan, both Brendan Scanlons, Keith Landers, Mike Scanlon and Steven Landers, before retiring injured. U-16 Hurling County Championship

We played our final game in the league section against Clonea in the sports field on Monday last and had a convincing win. YOUGHAL TO CAPPOQUIN

MARATHON ROW

The Cappoquin Rowing Club sponsored row from Youghal to Cappoquin took place on Sunday 4th August. A large crowd gathered on the foreshore at Ardshallagh to witness the launch of the three boats. First on the water was the oldest boat in the fleet the C.O. Stanley which wore lightly her 41 years. Her crew were equally venerable and included "veterans" from the 1960s, 1970s and 1980s. However, Colm Looby, her young cox, helped to bring down the average age somewhat. Although, it was early afternoon, the day was dark and with the trees and tangled vegetation still dripping after a morning's rain and the high humidity it felt more like the tropics than Ireland.

The C.O. Stanley was quickly followed by the Dan Murray which contained the Cappoquin and Clonmel four in training for the World Masters in the Czech Republic next month. It was coxed by Paul Murray. Finally, Amy Fitzgerald took out the Nicholas Stanley, which included the current "young" rowing squad. Poor Liam McLaughlin had to withdraw as he had sustained a hand injury while playing hurling but he was still there to land support. Caroline Murray showed that she had fully recovered from her leg injury when she took her place in this boat.

Although the row was not a race the C.O. Stanley set off at a good pace so those taking part did not have the privilege of admiring Molana Abbey and the newly restored Ballynatray House. However, those in the three speed boats, which accompanied the rowers could take their time over the scenery. Similarly, the supporters in cars managed to cheer on the boats, from the network of quays, on the Clashmore

side of the river.

Although rain was a constant on the whole journey, the river was like a pond and the coxes made sure full advantage was taken of the filling tide. The boats secured a great cheer when they reached the Villierstown quay and this helped revive those, whose limbs were beginning to ache. They received a great reception when the three boats reached the Boathouse and home having taken 1 hour and 40 minutes to complete the 16 miles. Everyone then tucked into a picnic lunch and refreshments. However, Paul McGrath, had still work to do, as no sooner was he out of the Nicholas Stanley than he was putting the Clonmel intermediate four through their paces. This crew who are competing in the Irish championship next week at Blessington lake have been facilitated by the Cappoquin Club during their build-up. Paul's reputation as a trainer was gained during his great work with Cappoquin's successful novice four. So all in all a very enjoyable day and great credit is due to all who took part and particularly to all of the generous sponsors.

The crew were - In the C.O. Stanley: Dan Wade (Bow), Paul Nugent, David Foley, Jerry Moore, Jimmy O'Brien, Jim Murray, Denis Murray, Eugene McLaughlin (Stroke), Colm Looby (Cox)

In the Nicholas Stanley: Alan Dalton (Bow), Caroline Murray, John Fenton, James Murray, Tomas O'Grady, Kevin Lynch, Stephen Landers, Paul McGrath (Stroke), Amy Fitzgerald (Cox)

In the Dan Murray: Seamus Conway (Bow), Andy Ryan, Pat Murray, Milo Murray (Stroke), Paul Murray (Cox)

TALLOW WRITER'S GROUP

Have you ever wondered why certain writers win the Nobel Prize for Literature, while other authors never manage to write more than one book? Why is it that some books have everyone ecstatic and excited, but other books disappear without trace?

The Tallow Writers' Group is very pleased to announce that's it starting an excellent new short course called "On Literature". To be run over 8 weeks from mid-October, this is your chance to find out what makes a novel tick, why some books go on to become classics and why others should never have been published in the first place.

Each week (Thursday night) Anthony Healy, Chair of the Writers' Group, will help you understand the structure, purpose and aims of literature. This will not be a high-falutin' academic course where everyone sits around spouting deconstructionism (whatever that is!), but an accessible and fun weekly meeting exploring how to better appreciate what you read. Laughter, chat and enjoyment are key aims!

At the moment, we need to find out the levels of interest for a course in Tallow and one in Dungarvan. Please call Mary McCarthy on 058 56290 and let her know which venue you'd prefer. Each group will be no more than 20 people, so that everyone has a chance to chat and work together. Therefore, places are limited!

A small fee will be charged for the courses, to cover venue hire, refreshments and incidentals (amount to be finalised). All you'll need to bring are a pen, pad of paper and a real interest in what you read. Don't worry if you've never done this before, most of the members of the Tallow Writers' Group haven't either!

Lastly, we're pleased to welcome all the new members who have joined the Group recently. Big hello's to Mary, Sean, Phyllis, Charlie, Paula and Pauline. We're very impressed with Sean, who at the tender age of 14 recently stood up and read one of his stories. Since the rest of the Group are people all at least twice his age, it took real bravery to read so well for 20 minutes!

Tallow Writers' Group meets every second Thursday in Tallow at Tallow Enterprise Centre, Nora Herlihy House, West Street. Call Breda Geary, Secretary, for further details (058 59121). And remember, we need submissions for the next issue of IMAGINE, the County's quarterly writing magazine, by the end of August - all ages, interests and styles welcome!

BRILLIANT SUNSHINE GRACES PATTERN SUNDAY

Chairperson Charmain O'Brien was asked for her comments at approximately 6.00pm on Sunday evening. A broad smile lit up her face and she described it as being a fabulous day. She admitted being a bit scared when she woke up and looked out the window on Sunday morning. At that stage weather conditions did not look too good for the day. However, at approximately 3.15pm the sun broke through the clouds and shone brilliantly for the rest of the day. Charmain extended a huge thank you to her hard working committee and further thanked all those who helped on the day. She also thanked all the people for turning up in such huge numbers.

Fancy Dress Parade

As usual the Sunday programme commenced with the Fancy Dress and the starting point was "The Moresby Buoy Park"! There were thirty-one entrants which was the largest number for many many years and shows the modern pattern is going from strength to strength. Results: Most Colourful Category - 1st The Little Fairies, 2nd Miss Hawaii, 3rd The Crazy Fairies. Most Comical Category - 1st The Tobin Sisters, 2nd The Men in Black, 3rd Jack Bob The Builder. Most Topical Category - 1st Soldiers Promoting Peace, 2nd This Years Summer / Last Years Summer 3rd A Lot Done / More to do. Most Original Category - 1st Pattern Queen 2016-2018, 2nd Practice Rua, 3rd Harry Potter.

Charmain presented the prizes and thanked especially the parents who dressed up the children for the Fancy Dress. The event was very well organised and attracted a huge number of spectators.

Side Shows

The official opening took place at Walton Park and in attendance were acting Mayor Paddy Power, and councillors Michael O'Riordan and Billy Kynne. Fr. Doherty P.P. gave his blessing to the Pattern. The Pattern Queen 2002 Miriam Hickey also spoke and on completion of the formalities the afternoon's fun began. There were Bouncy Castles and sports events for the children. The Tug-O-War proved a big attraction. The competitive edge to "Tossing the Sheaf" kept the spectators enthralled. There was a Car Wheel Changing competition, Clothes Pegging, Foot-

ball Skills, Bonny Baby competition and Set Dancing with Sliabh gCua as well as Live Music on stage.

Tip The Bucket

In these sophisticated times it was brilliant to see the huge number of spectators stay on until 7.00pm before John "Hiker" McGrath and Michael Collins, two Abbeyside/Ballinacourty G.A.A. legends were declared winners. All the participants received a round of applause and there was continuous laughter throughout the competition.

Late Evening Competitions
The largest crowds even watched The Bar Person's Race and The Stretcher Race.

The winner of the Bar Person's Race was Kevin Mulcahy, second was Trevor Walsh and in third place was Aaron Donovan. In The Stretcher Race "The Lord McGuires" Ballinroad completed the course in seven minutes while "The Village Inn" took seven minutes 28 seconds and finally Radleys completed the course in seven minutes 35 seconds.

Music

This was central to the weekend's festivities and there were three platforms - one at the Poor Man's Seat, one opposite Minnies Bar and another in Walton Park. The Craic agus Ceoil from 7-9pm on Sunday with Nicky Power, Christy O'Neill and

Bobby Gardener was fantastic. The music from Bealtaine, The Schnukes, Rocky Racoons and Baidin provided tremendous atmosphere over the weekend.

Conclusion

The erection of the Christmas Lights around Walton Park and the Poor Man's Seat was a brilliant idea and contributed greatly to the party atmosphere. Lots of bunting, including the Black and Red of St. Augustine, also erected in Walton Park was very colourful. This year's pattern will go down in history as the best ever and Chairperson Charmain O'Brien and her hardworking committee can feel justifiably proud of their efforts this year.

PUBS LEAGUE AT STUCCO LANE

The semi finals took place before a good attendance on Wednesday evening last July 31st. at 6:30pm. Keane's C who had just been very impressive in the early rounds took on Davitt's. Keane's looked to be on their way when Aidan Landers took down Tommy Wade at the edge of the box and the penalty was duly converted. In the second half, Davitt's applied the pressure and were rewarded when a free from way out taken by Aidan Landers was headed home. Keane's C regained the lead within a minute but a goal from a header produced a surprise result with Davitt's

qualifying for the final.

Davitt's: Ian Cunningham, John Murray, Aidan Landers, John Downey, Jason O'Mahoney, Paul Casey, Shane Briggs, Liam Watters, Patrick Mahon, Davy Jones, Austin O'Regan (Manager: J.J. Henley)

Keane's C: Declan Hickey, Joe Nolan, Mickey Power, Derek Lyons, Tony Halpin, Clive Crotty, Bernie Crotty, Pat Morrissey, Tommy Wade.

Kirwans 2 Shandon Arms 0
This game commenced at 7:45pm and at half time neither side had managed to score. Shortly after the resumption of play, Andy Hubbard goaled for Kirwans.

When the Shandon Arms keeper was slow to clear number eight Sean Ahern nipped in to side foot goal number 2. Shandon Arms claimed a penalty for a hand ball in the area by Ray Hennessey. Play on said Waterford legend Johnny Matthews. Your reporter, however, thought it was a definite penalty as the incident happened directly opposite my position on the sideline.

Kirwan's deserved their victory and will be tough opposition for Davitt's in the final. This game will now take place on Friday week as the referee's are on strike this week.

Kirwan's: Michael Rockett, Peter Torpey, Eddie Rockett, Johnny Sullivan, Ray Hennessey, Peter Kirwan, Tony Regan, Sean Ahearn, Andy Hubbard, Leo Barry, Ger Walsh, Brian Markey.

Shandon Arms: Michael Donnelly, Willie Coward, Billy Coleman, Dave McCarthy, Barney Landers, J.P. Healy, John Paul Donnelly, Anselm Hayes, Paul Prendergast, Aidan Dillon.

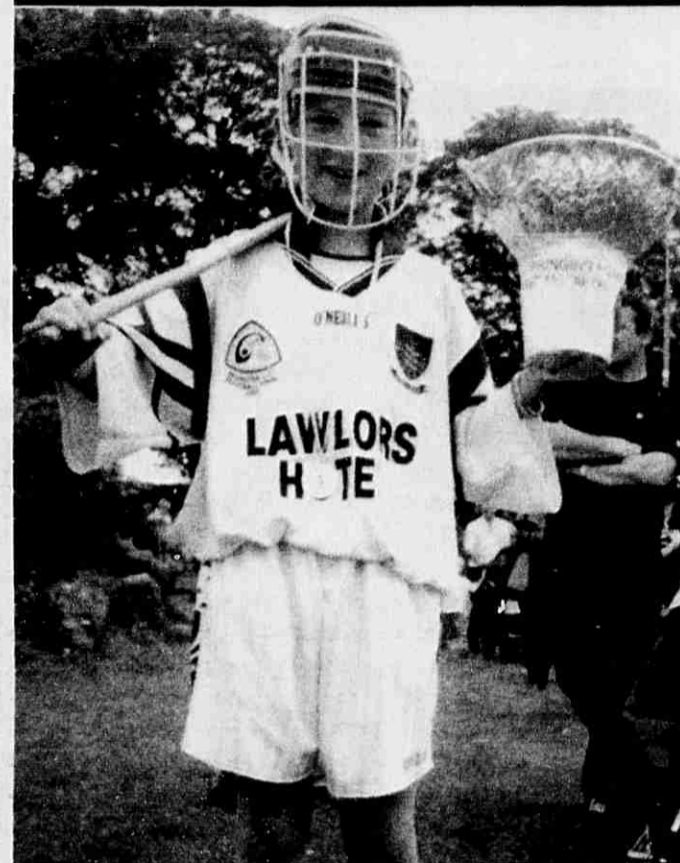

LOCAL HISTORY

The fertilising of tillage ground was agricultural development that was introduced by the planters from England. In the local district and along the coast 'triskar' was used. This was simply seaweed but it also could mean a compost made of withered grass, weed, straw and even mud from the rivers. Marl, a clay containing carbonate of lime, which is an invaluable fertiliser, was also used where it could be quarried.

Smith stated that one sixteenth of the land was cultivated in the county, yet the amount of corn produced was more than was needed by the people. Much butter was made but little cheese. This ancient Irish word for cheese was still used then - mulchan. Sailors going on long voyages, especially to the fishing grounds of Newfoundland, brought mulchan with them because butter could not remain fresh on the long voyage but the rough cheese could.

A favourite food was a mixture of oats and butter or oats and cheese for sailors, a diet that had been the food of the medieval Irish warrior. However, potatoes were rapidly becoming the principal food crop around Dungarvan as they were everywhere else in Ireland. The situation of the land by the seaside ensured early crops of new potatoes above all in Ballinacourty. (Ref: A history of Dungarvan, town and district by Patrick C. Power M.A., PhD)

Hurling Fever

Orla Power, 21 Sarsfield Street, Abbeyside, was entry number 31 in the Fancy Dress Parade held in conjunction with Abbeyside Pattern 2002. The entry portrayed "A Waterford hurler bring home 'The McCarthy Cup'".

OPINIONS ON WATERFORD'S CHANCES

Tucky Organ thinks Waterford are going to do it. Their hurling against Tipperary was first class and they will improve in certain areas in the All Ireland semi final. Tucky was confident from the beginning of the year that this was going to be our year. He has always followed the county and will continue to do so through thick and thin alone with Bernard Shields, Matthew Hogan and Liam Morrissey. We will all be remembering Tommy Tracey R.I.P. who always attended Waterford's inter-county games. Tucky's mates Christy Costigan and Johnny Wall attend every game no matter what the conditions. Tucky himself would die for his club, Abbeyside and he is sure everyone in the county wish Justin and his players the best on Sunday next in their efforts to bring home more silverware to the county this year.

Greg Fives, The Burgery, who is a former Waterford Senior Hurling selector sounds a note of caution as we will not know until Sunday whether the extra matches will benefit Clare. He points to Galway's poor performance against Kerry in the Football Quarter final on Sunday last as the Kingdom certainly seemed to benefit from the extra back door games.

Brendan O'Brien, Clash, Ballinacourty maintains that Waterford will have to produce the same quality of hurling as they did against Tipperary if they are to qualify for the All Ireland final.

Your scribes forecast: Waterford to win by 2 points on Sunday. However, the All Ireland final itself is another matter.

THE 18TH

No we are not on golf this week! What we got for the Archive last week was the 18th edition of the parish news in book form, with the title in gold lettering on the spine.

In a way it marked the end of an era as it is the last one to be 10 1/2 x 7 1/2 inches as we had a major size change with the first issue this year.

The next copy we get will be much larger on the bookshelf. Whether it will retain the light blue colour on the cover remains to be seen. The parish news has come a long way from its first issue at Christmas 1983. We wish it well for the future.

This Sunday evening Sarah Mullarkey will be minding this book and all the other treasures at the Parish Office.

DEPARTING OF LORETO NUNS

Mayors tribute to Departure nuns, the Mayor of Clonmel Cllr. Niall Dennehy (FF) said that it was with heartfelt sense of sadness that the people of the town were bidding farewell to the Loreto nuns. "Since coming to Clonmel in 1881, the same year that the Town Hall was built, the Loreto nuns had given unselfishly, willingly and lovingly of their talent to promote the education and well being of the students in Clonmel", he said.

They had sought to cherish the unique individuality of each pupil, and at the same time cultivate a sense of community. The nuns succeeded in teaching children self respect and respect for others, and gave them a positive attitude to themselves to prepare them for life. They helped the children to develop and realise their potential, academically, psychologically and emotionally.

The Mayor said that he was delighted to see the new Loreto School being constructed with Sister Bridie as Principal, and that this would ensure that the legacy of the Loreto Order would live on. The order had been so instrumental in bringing this country forward, not just economically and academically, but through personal and social development of students, through sports and the preparation for life programmes.

RECENT DEATHS

LATE MISS MARY FLYNN

It is with deep and sincere regret we record the death of Miss Mary Flynn, Crough, Goatenbridge which sad event took place at Saint Joseph's Hospital, Clonmel on Saturday 20th July. Mary the oldest person in Goatenbridge, was in her eighty eighth year of her life and the last surviving member of her immediate family. A kind and popular figure in the Lane for many years, but in recent times due to failing eyesight Mary felt more comfortable within her home surroundings. Mary was visited regularly by her many kind neighbours and friends, and she remained interested in all that was happening around her.

If any person from any corner of the world was trying to trace relatives locally, Mary was the person. She had a complete knowledge of the local area and its inhabitants. She had a gift of remembering family lines. During her working life it began at Tommy Walshes, Roheen, Catherine Coughlan Lodge, the Meskill family, Frehans. She was always a loyal and devoted servant to her employers and was always a dedicated worker. Many tributes have been paid to this loyal servant, but perhaps the finest was paid to her on Sunday evening by the large concourse of mourners who were present when her remains after the rosary was recited were removed from Saint Theresa's Hospital Mortuary, Clogheen to the Parish Church of Saint Mary of Ballybacon where they were blessed and received by Rev. Fr. Gerry Condon P.P., Ardfinnan/Ballybacon/Grange.

On Monday morning, the feast of Saint Mary Magdalen requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. Gerry Condon P.P. After Mass the funeral took place to the old church yard Ballybacon where a kind and loving person was laid to rest. The sad thing about Mary's passing and the death of those of Mary's age in the area is the fact that a lot of their knowledge is never written down and as a result much of our history dies with them.

To her relatives and friends we tender our sympathy.
Ni bheidh a leithead aris ann.

LATE MRS. BRIDGET SALLY

With deep regret we pen the death which occurred last week of Mrs. Bridgid (Biddy) Sally, Cadamstown, May Valley, Co. Kildare and late Newcastle, Clonmel. Bridgid was the last surviving member of the Conway family of Curraheen, Newcastle and she was predeceased by her sisters Ellen (Wrenn), Clonmel. Margaret in America and her brothers Jack (Newcastle), Tommy and Michael, Clonmel. Biddy who had reached a fine old age was widow of the late Garda Sylvester Sally who was stationed at Newcastle Garda Station in the late 30's.

To her family we extend our sympathy.

SOUTHEAST ICMSA NEWS

ICMSA WELCOMES SLURRY SPREADING EXTENSION DATE

"Following on from our request, ICMSA welcomes the decision of the Minister for Agriculture and Food, Mr. Joe Walsh T.D., to again extend the date for spreading slurry under the old REPS scheme", said Mr. John O'Connor, Chairperson of ICMSA's Farm Services & Environment Committee.

"The Minister has delivered on his commitment to review the situation. This decision will provide all farmers participating in the old REPS scheme an opportunity to spread their slurry and catch up on the back-log of work due to the exceptional weather conditions," concluded Mr. O'Connor.

MID-TERM REVIEW WILL FURTHER DEplete SHEEP SECTOR

"The fact that the Ewe National Reserve now stands at 500,000 ewe quota clearly highlights the current problems in the sheep sector and the need for action to address the issues which have resulted in declining sheep farmer and sheep numbers", said Mr. Dermot Moynihan, Chairperson of ICMSA's Sheep Committee.

"The Mid-Term Review of CAP will do nothing to address the problems in the Sheep Sector. It is absurd that a Sheepmeat Reform was agreed last October with a new fixed ewe premium introduced and now, less than one year later, the EU Commission are proposing a totally new system of payment for sheep farmers with a 20 per cent cut", said Mr. Moynihan.

It is impossible for sheep farmers to plan with this uncertainty. While the reform of last autumn had many weak points, the new system proposed for sheep farmers is definitely worse. It will result in a further reduction in sheep numbers and farmers, and will cut sheep farmers direct supports by 20 per cent.

"The Minister for Agriculture & Food, Mr. Joe Walsh, TD, must fully protect the interests of the sheep sector at negotiations on the Mid-Term Review. The result must be an improved system of support and an improved income position," Mr. Moynihan concluded.

MULCAHY — First Anniversary — In loving memory of our dear mother Margaret Mulcahy, 7 New Street, Tallow, Co. Waterford.

Softly in the morning you heard a gentle call, You took the hand God offered you and quietly left us all.

The day you left us Mam Our hearts just broke in two, The smallest part is still with us, And the biggest part with you, For the rest of our lives we will miss you Mam, Our secret tears still flow, Oh how we really loved you, No one will ever know, We miss your smile, your joking ways,

We miss the things you used to say, And when old times we do recall, It's then we miss you most of all, You were always there when we needed you, No task too great or small, With loving heart and willing hands, For us you did it all.

Look around your garden Lord, And when she turns and smiles, Put your arms around her, And hold her for a while. Will those who think of him today, A little prayer to Jesus say. On his soul sweet Jesus have on her.

(Always remembered by your loving daughter Betty, son-in-law Billy, grandchildren and great grandchildren).

MULCAHY — First Anniversary — In loving memory of our dear mother, Margaret Mulcahy, 7 New Street, Tallow, Co. Waterford.

You brought us up so lovingly, With so much love and care, You set a fine example, And you were always there. If we were asked one question, Why we thought the world of you, We could give a million answers,

And each one would be true. Gone from the home is that smiling face, The cheerful happy ways, The heart that won so many friends, In those bygone happy days. Lonely is the home without you, Life to us is not the same, All the world would be like heaven, If we could have you back again.

Thank you Mam for those years we shared, The love you gave and the way you cared, You left a place no one can fill, We miss you now and always will. "Loved and remembered always."

(Your loving daughter Helen, son-in-law Dennis and granddaughter Jennifer).

MULCAHY — First Anniversary — In loving memory of our dear Nan, Margaret Mulcahy, 7 New Street, Tallow, Co. Waterford

A shadow walks beside us, Forever by our side, Always there to guide us, Since the day you died. It's hard to hide the sadness, But it's something we must do,

Because we were so privileged, To have a Nan like you. Your painful days are over, Your restless nights have passed, You gently closed your eyes dear Nan, To give you peace at last. Keep your arms around Nan, dear Lord, And give her special care, Make up for what she suffered, And all that seemed unfair. "Always remembered, never forgotten."

(Granddaughter Lisa, grandson-in-law David, grandchildren Farrah and Shaun).

MULCAHY — First Anniversary — In loving memory of Margaret Mulcahy, New Street, Tallow.

On this day I light a candle, And say a special prayer, I take a trip down memory lane, And know that you'll be there. My heart is full of memories, Nan,

With pride I speak your name, Though life goes on without you,

It will never be the same. Call her name out softly, Lord, and when she looks your way, Tell Nan that we love her, and miss her every day.

(Love and miss you always, your grandson Ian, Carmel and Amy).

O'RIORDAN — Sixth Anniversary — In loving memory of my dear father, Paddy O'Riordan, late of Keating Street, Dungarvan, who died on August 6, 1996.

A day to remember, sad to recall, Without farewell you left us all, Your name is often mentioned, Our thoughts are with you still, You haven't been forgotten What's more you never will. (Your son John, Angela, Shona and Dylan).

JUNIOR FOOTBALL CHAMPIONSHIP

Our Junior Football Team bowed out of the Championship after four games. If courage was to be the catchword for any team then this bunch of lads deserved that accolade as courageous only tells some of the story. Having been one goal and nine points to three points down in the first game against Ardmore they sensationally pulled this game out of the bag. Then in the second game they played Kilrossanty and eked out a marvellous draw when they were reduced to 14 men early in the game. In the replay against Kilrossanty when all seemed to be lost with 5 minutes left and two points down

this bunch of lads came out of Stradbally with a one point win. Unfortunately the haemorrhage to the Senior Team was too much for any Team as they fielded against Tallow last Tuesday night the 30th of July in Tallow there were eight changes from the first day against Ardmore. No Team can sustain that level of change but through to form the lads that played last Tuesday night gave everything and ran themselves into the ground. The final score line was Four Goals and Seven Points to Two Goals and Six points. The pace of the game was amazing for Junior Football and it was in this area that try as we might we did not have the legs to keep going against a very fit Tallow side. Two more Minors were blooded and both played very well. Sean Cleary started corner back and Sean Byrne came on wing forward in the second half. Unfortunately Pat Moore was good enough to turn up but did not get a run. Chief scorer was Gerry O'Connor with two goals and a point, other scorers were Michael "The Poacher" Cosgrave two points, Liam Briggs one point, Luke Brennan one point and Alan Ryan one point. The

Team was as follows Enda Walsh, Sean Cleary, Ger Collins, Joe Walsh, David Cashin, Michael Collins, Denis Byrne, Pat O'Brien, Liam Briggs, Keith Brown, Gerry O'Connor, Luke Brennan, Alan Ryan, Pat Enright and Michael Cosgrave. Substitutes used Aonghus Murray, Eamon Cashin and Sean Byrnes. Substitute not used Pat Moore. We are grateful to Tallow for re-arranging this fixture. The original date for this was Saturday the 27th of July, which was the night before the Senior Football Championship game. For the record we used thirty-one players during this campaign so there really is no reason why we should not have healthy numbers training which is not the case. The players used were as follows Enda Walsh, Sean Cleary, Ger and Michael Collins, Joe Walsh, Rick and Simon Hanrahan, David and Eamon Cashin, Denis and Sean Byrne, James and John Paul Keohane, Conor Barrett, David Ferncombe, Jonathon Moore, Pat O'Brien, Liam Briggs, Seamus Lavin, Nickey Dwane, Seamo Burns, Jason Donovan (Captain), Keith Brown, Gerry O'Con-

Don O'Connor, John Corgrave, Michael Cosgrace and Pat Enright Glanbia Laboratory staff pictured here with the Munster senior hurling cup.

nor, Luke Brennan, Eoin Murray, Seanie Kiely, Alan Ryan, Pat Enright, Michael Cosgrave and Aonghus Murray.

LANGAN CUP

We had a mighty run out against Dunhill last Saturday night the 3rd of August in the Langan Cup in Intermediate Hurling. We are very grateful once again for Dunhill's support in this competition and the hurling from both sides was very good indeed. This game is played every pattern weekend. The Langan Cup is sponsored by the Langan family and was presented to the club sixteen years ago in memory of Paddy Langan. Paddy was a long time Chairman of the Club and was also the first Chairman of the Abbeyside pattern Committee. Paddy's daughters Mary Rossiter and Betty Tutty presented the Cup to the winning Captain Gavin Breen. Tom Whelan our Vice-Chairman introduced the proceedings and gave a short but impressive speech. The cup was presented in the Village Inn and food was served to both teams and visitors alike. The crack was great and both Mary and Betty talked about their father's love for the club and the GAA. Being the first Chairman of the Pattern Committee its fitting that this game is played on the Pattern weekend. The ladies spoke of their mother who hand washed two sets of jerseys that always seemed to be hanging on the line. The second set was to ensure the team had a fresh jersey at half time.

The team that lined out against Dunhill was as follows Emmett Byrne, David Cashin, Brian Hayes, Gavin Breen, Alan Ryan, John Paul Keohane, Shane Briggs, Sean "Hiker" McGrath, John Hurney, Gary Hurney, Laurence Hurney, Paul O'Brien, Michael Enright, Jonathon Moore and Cyril Bailey. Substitutes used were as follows Liam Briggs, Rick Hanrahan. Substitutes not used Joe Walsh, Keith Brown, Pat Enright, Denis Byrne and Aonghus Murray. The Intermediate Selectors would like to offer thanks to Pakey Hurney for refereeing the game and it must be said did an excellent

job.

INTERMEDIATE HURLING

We play the Mollerans in our final game of the Division Three League next Tuesday night the 13th of August at 7.30 away. All players please note we will be leaving from Minnies at 6.15pm.

ADULT TRAINING

Adult training continues on Tuesdays and Thursdays at 7.30pm with training or a game on the weekends.

MINOR HURLING CHAMPIONSHIP

Our Minor Hurlers take on Cois Bride in the Minor Championship this Wednesday the 7th of August. This is a hard working set of lads and deserves all our support so please come out and encourage the lads. This game is in our own field and takes place at 7pm.

UNDER 8 HURLING

Our Under 8 panel had their first competitive outing this year, last Saturday, when invited to take part in the Michael Kiely Memorial Cup Hurling Blitz hosted by the Naomh Brid Club. We travelled to the Touraneena venue with a somewhat under strength panel as we were without the services of a number of key players due to holidays. The policy in our Club at this level is concentrated on coaching the basic skills of hurling and in particular ground hurling, with striking from the hand introduced at under 10. However, this blitz was not confined to ground hurling therefore it was a big step up in class for our young players. We played three games in all against Lismore A, Ballygiblin and St. Olivers. After a lacklustre start in our opening game we improved considerably in our subsequent games, playing particularly well against St. Olivers by sticking to what we know best - ground hurling. Our participation did not go beyond the group stages on this occasion and we returned home beaten but unbowed. Many thanks to Naomh Brid for the invitation to participate and for their hospitality. Our panel was Kevin Walsh, David Sweeney, Stephen O'Connor, Jason

Nagle, Robert Mulligan, Jack Mullaney, Aidan Moloney, Greg Mangan, Michael Maher, Brian Looby, Eimear Fennell, Sean Daly and Gavin Browne.

LADIES FOOTBALL

Under 14 Ladies Football Training will take place this Friday the 9th of August at 6pm.

COMPETITION WINNER

Our Juvenile Club ran a marvellous competition for two tickets for the All-Ireland Semi-final and overnight accommodation in the Alexander Hotel in Dublin. The lucky winner was Ross Dunford of Kilgobnet. The juvenile club would like to thank everyone who supported this draw.

HOME ON HOLIDAYS

It is marvellous to see Father Colin Fives back in the village on his annual pilgrimage home. We hear that Colin picked up an illness and spent some time in hospital but is out and about again. Colin never misses a game when he is home and we hope he has a well-deserved rest. Also home on holidays is Kevin Mulvihill. Kevin won many honours at underage level and was on the minor double winning side in 1976, while he was also involved in the senior panels in 1979 & 81.

ALL IRELAND SEMI-FINAL.

We wish Justin McCarthy and the Waterford Hurlers continued success next Sunday against Clare.

St. Olivers/Glenshesk Reunion 2002

Little did we think when we went to Antrim to a ground hurling tournament over two years ago that we would still be reaping the benefits of that weekend. Well, from Thursday July 18th to Monday 22nd last we saw that sport can add so much more to all our lives and the lives of our communities. The visit of Glenshesk from Northeast Antrim has come and gone in a flash: the weekend has passed so suddenly into history you might wonder if it happened at all. From the arrival of the bus into Aglish on Thursday evening, time seemed suspended as we moved from day to day until Monday morning when the spell was broken and ordinary living resumed. Thirty-two excited children and eighteen tired and slightly apprehensive adults alighted from the bus to a hearty welcome from the youth of the club proudly decked out in their county colours. Everyone sat down to a wonderful and welcome meal and already the ice was broken.

Tom Browne, Chairperson of St. Oliver's Club, in a short address, welcomed our visitors and hoped that they would enjoy themselves over the coming days. Seamus Bailey, Glenshesk's chairman suitably replied. A hush descended on the hall when Ger Flavin stood up to match the pairs to their host families — initial tension on all sides, eyes making contact and then laughter and claps as strangers suddenly responded to friendly faces.

Michael O Hehir, the Antrim bus driver (who later played more than his part in ensuring a wonderful weekend) took the adults and extra children to Flynn's Guesthouse in Cappoquin with instructions to be in Modeligo Community Centre at 10.30 the following morning. This change from Aglish was due as a mark of respect to Jim (Hal) Hallahan R.I.P. whose funeral coincided with the visit.

Friday morning saw Modeligo C.C. bathed in sunshine and it was here that upwards of fifty young adults awaited the coaching skills of Peter Power. Were they impressed? Was he impressed? "Yes" to both questions so much so that they would love him to travel to Antrim. Will he go? I have no doubt. After a welcome lunch break Michelle Power ably assisted by Pat Moore and Eamon Walsh introduced the Glenshesk club to the game of football. The club has no football team so this was a new experience, which they thoroughly enjoyed. Maybe Michelle will be responsible for the Club promoting the game of football as well.

Many thanks to Peter and Michelle for their total support and willingness to help out when this project was first mooted. A special thanks to Pat Moore for his involvement with the planning of the whole weekend. Thanks too to Ned Ryan and John O'Shea for ensuring that everything was in order in Modeligo at such short notice.

That night we all descended on Youghal; firstly to Perks Amusement Centre and then across the road to "the Dogs" where Johnny McGrath had arranged our entry. Many thanks, Johnny. It was a very enjoyable night for everyone. Saturday was the big day. Weather-wise it was a brilliant day. The Good Lord surely smiled on us and what we were doing. The tournament was meant to be the highlight of the trip but it ended up being much more than that. A puck of the ball just separated most of the games with all the players giving everything. The beautiful day was energy sapping but they didn't mind. Well done lads and lassies and many thanks for the enjoyment you gave to everyone.

The A Final finished in a draw as St. Olivers and Glenshesk fought tooth and nail to gain the upper hand with our Antrim friends showing from a very early stage

that they weren't coming down just for a nice break. They impressed everybody with their skills and their striking from the hand was especially eye-catching. Extra time was played to decide who would get the medals with the home team just edging out their gallant rivals in the last few minutes.

Brickeys and Cois Bhríde contested the B Final in another exciting game with the honours resting with the Black and Amber in the end. Peter Power presented the medals having given wonderful words of encouragement to all present and he complimented the Glenshesk team in particular on their fabulous display. He also noted that he had no doubt that all of us had seen future Waterford and Antrim hurling stars such as the standard of the hurling on show by the four teams.

Tom Browne thanked the referees Maurice Condon, Raymond Conery and Pat Moore and he too joined with Peter in his words of praise for all the young hurlers on view. A special thanks to Liam Mulcahy-Cois Bhríde and Pat Morrissey-Brickeys for having their teams in Aglish before 10 a.m. They said they would and we are indebted to them for that as it ensured that the rest of the day went according to schedule.

Following the matches it was straight to the transport to get to Waterford for the day's final tour of the Crystal factory. It made us feel very proud to have one of the three top tourist attractions in the country to show off to our visitors.

We then headed for Tramore's Splashworld where the knocks and bruises of the day were forgotten and washed away. Back to Dungarvan then for food, which was very welcome after a long day. Sunday was meant to be a relaxing day and it was but with a difference. Many of us, and locals alike were introduced to the lure of the water at beautiful Villierstown Quay. No wonder that the Blackwater is referred to as the Irish Rhine: on Sunday it was breathtaking. A very special thanks to the boat owners who made their valuable crafts available to take us out on the water and give us some hair-raising moments.

Back to Aglish then where the younger Antrim and Olivers hurlers played a friendly match before an appreciative attendance. Then, probably the biggest mistake of the weekend when the Antrim adults took on the Waterford adults in another "friendly" with the younger audience shouting encouragement this time. The older limbs and muscles still have to recover! To Villierstown Church where the final event of the weekend took place. Following a fine buffet supper, the full attendance was treated to some top class entertainment provided by Martin Curran and friends, Modeligo Set Dancers, Amy Morrissey and Clashmore figure dancers. Michael O Hehir kept the Antrim flag flying with some beautiful songs and one of their young ladies accompanied the musicians on the flute.

The formal end to the evening came with Chairperson Tom Browne thanking the host families for their efforts over the weekend and complimenting Glenshesk again on their fine display in the tournament saying that their standard of hurling was on equal terms with Waterford.

We were delighted to have founder member, Fr.P. Fitzgerald P.P. in attendance and he spoke as only he can saying how delighted he was to be invited to this wonderful occasion. He complimented St. Olivers Club on its efforts and Glenshesk Club on what it is doing to keep our National games alive and well in Antrim. He also complimented Glenshesk on how lucky the club was to have a young chairperson of the capabilities of Seamus Bailey. He then presented each of the Glenshesk team members

with a memento of the weekend.

Seamus Bailey, in his well-delivered address was fulsome in his praise of the wonderful weekend that they had enjoyed and he thanked everyone for their generosity. He admitted that they were disappointed to lose out on the medals in the extra time but they too were delighted with the efforts of their own team. He wished Waterford the very best in the All-Ireland semi-final and posed the possibility that perhaps Antrim and Waterford might still make it to the final. He then presented a lovely statuette to the captain of the St. Oliver's team, Brian Phelan.

He concluded by presenting a specially commissioned wooden trophy to the club as a memento of their visit. This most beautiful work of art will be treasured, as it will enshrine forever memories of an unforgettable weekend. Tom Browne, in return presented a Waterford Crystal hurley which was very much admired and appreciated.

Monday morning came all too quickly and following a final battery from the cameras, it was all over bar the final shouts of "Up Waterford" and "Up Antrim" left ringing in our ears. A huge "thank you" must go to all who helped out in any way to ensure that the weekend was a success. Only those who were involved will know the hours that went into preparing the two fields. Likewise the time involved in all the different catering sessions made for a huge commitment. All these activities were carried out with a will and in a manner which showed that people were enjoying themselves and more than happy to "do their bit".

The final word must go to our visitors. They came to enjoy themselves and they did. Their players were a credit to their families and club, willingly taking part in whatever was planned. They will be welcome visitors to West Waterford in the years ahead.

JUNIOR HURLING

On Friday night last at Abbeyside we defeated Clashmore in the losers group of the Junior Hurling Championship. This win now sees us progress to meet Stradbally on the next round. However no date of venue had been set for this match yet.

U-21 HURLING

As we were playing the Brickeys on Monday afternoon last in the first round of the U-21 Hurling Championship, the notes would have already been submitted so we will have a full report on this match next week. Hopefully we will have secured a win as there is no losers group in the U-21 Championship, it is run on a knockout basis.

All roads lead to Croke Park this weekend as the Waterford Hurlers take on Clare in the All Ireland Semi-Final. As many of our members are travelling to the match we wish you all safe journeys and a most enjoyable weekend, on what is sure to be a marvellous occasion. Indeed watching Waterford playing in the new magnificently developed Croke Park is going to be some thrill and the whole county in there to support them. It's great to see the flags and bunting out around the town especially the residents of Thomas Tce. and St Martins who have made a magnificent effort. To Justin and his panel we would like to wish them every success and keep our Hurling Romance going until September. Up The Deise!

Next Saturday August 10th our senior ladies take on Cork in the Munster Senior

Championship Final. The venue is Emily in Co Tipperary. Throw in is at 6pm. We ask each and everyone of you to make the effort to support our ladies on this great occasion. No doubt a lot of you will be supporting our hurlers in Croke Park on Sunday, so why not make it a weekend of "doubles" for Waterford.

On the Saturday before the Munster Hurling Final our ladies won the All Ireland League Final which set the scene for the men on Sunday to win their Munster title after 39 years. So all going well, if and when our ladies defeat Cork on Saturday next, it will be an omen for our County hurlers to win their match against Clare.

We ask you to support our club players namely - Aoife Murphy, Ciara Prendergast, Deirdre Nagle and Sarah Hickey.

Good luck to all the team and bring the title to Waterford.

Kilgobinet G.A.A. Club Notes

JUNIOR FOOTBALL

After some very poor performances in the football league, we are progressing nicely in the championship. After beating Sliabh-Gua in the first round, we faced Stradbally second - strings and after good all round performance we came out on

top. Next up was the Nire who were faring their chances this year, they came out all guns blazing and were well on top in the first half, leading 6 points to 3.

In the second half we started to win at centre field where the 2 Kevins were outstanding, we eventually got on top and won. We now await Tallow in the semi-final who defeated Ballinacourty last week. So a big effort is needed if we are to progress to the final. Keep up the good work lads.

JUNIOR HURLING

We have yet to play a game in this years championship after receiving a walk over in the first round and a bye in the second round we now await the Brickeys. Both 'B' teams are also waiting for their championship games.

BEST OF LUCK

The club would like to wish the Waterford hurlers all the best on Sunday next.

CONGRATULATIONS

Congratulations to Marie White and Tony Condon (Nire) who were married last weekend.

SYMPATHY

The club would like to extend their sympathies to the Fraher family Ballinroad on the death of Jimmy - a life long supporter of the club.

Shamrocks G.A.A. Club Notes

CLUB LOTTO

On Last Saturday night at the Shamrock Inn, Knockanore the numbers drawn were: 6,9,17,24 and there was no jackpot winner. 15 euro prizes were won by Michael Parker, Ollie Murphy, Michael Greenslade, Caoimhe Casey and Maureen Gosden. In next Saturday night's draw, the jackpot will be 3000 euro and tickets can be got at 1.50 euro from the usual promoters.

BEST WISHES

On Sunday next at the new Croke Park, the Deise hurlers will be hoping to add the scalp of Clare to those of Cork and Tipperary, and so

qualify for their 1st All Ireland final since 1963. Having seen Clare beat Galway on last Sunday week, we know that our task will not be an easy one, but if we show the same determination and hurling skill as in the Munster Championship then we know that we will be on our way to that elusive final.

We offer our best wishes to all concerned with the team. All the players, Justin McCarthy, and his selectors, and special wishes to our Eoin Murphy, as it will be a great honour for a small club like ours to have a player in the All Ireland series. We know that our parish will be a lone-

ly place on next Sunday, as almost everybody will be Croker bound and will be looking forward to celebrations on Sunday night.

DEISE DEVELOPMENT DRAW

In the July draw held at Clonea, we had one winner. Dan Long, Youghal won 100 euro. Congratulations to Dan.

CLUB MEETING

There will be an important meeting of the club on this Wednesday night, at the Shamrock Inn, following which tickets will be given out for Sundays All Ireland Semi-Final. Meeting at 9pm.

LADIES FOOTBALL NOTES

Exciting Munster Final In Prospect

Waterford v Cork at Emly on Saturday at 6:30pm.

Next Saturday evening, Waterford and Cork clash in the Munster Senior final at Emly, a repeat of the 1999 final at Fraher Field which Waterford won. This was Cork's 7th Senior Final appearance and they have yet to win the title.

Football is on the up in Cork, they have begun to dominate on the under age grades and success seems inevitable.

This is a very good side with half a dozen minor and their semi final defeat of Clare was both comprehensive and decisive. They recovered from a bad start to score an impressive 3-14 to 2-14 victory over last years champions.

In the 1999 final they were well defeated, 6-12 to 2-8 but they have improved dramatically since. Cork have 3 times as many registered players as Waterford and consequently when they have prepared properly area a match for anybody. In the last 2 years Droughmore and Rockban have won both the All Ireland Senior and Intermediate club championship to give them a solid base to build from.

Their defence is built around Regina Curtain and Karen O'Sullivan, Valerie Mulcahy and Angela Walsh are a good midfield pair, whilst Amy O'Shea, Ashling O'Connor and Gemma Lucey are a talented trio attack. In addition Geraldine O'Flynn is a very good free taker, and given the chance will punish Waterford.

Waterford had a very close call in Fitzgerald's Stadium

last Sunday week when a goal in the 7th minute of injury time by Aoife Murphy sealed a 3 point victory. It was to be said that Waterford led by 9 points when Annelise Crotty went off injured and Kerry put in a storming finish.

Waterford won't meet a better forward line than Kerry and they survived that test in Killarney and to win such a tough tight game will be good for confidence. Also the league final was another close finish in a 3 point defeat of Mayo and they also defeated Clare and Monaghan in the knock out stages of the league.

Waterford lost their 7 year unbeaten run at the hands of Clare in last years Munster Final and field 9 members of that team and only 5 players, Nuala Ahearn, Donna Frost, Olivia Butler, Deirdre Breathnach and Martina O'Ryan play in the same position. Ciara Prendergast is now at full back, Annelise Crotty wearing the Number 6 jersey, Elaine Power from full to wing back.

Mary O'Donnell comes out of midfield, Fiona O'Reilly moves from wing back to wing forward, Mary O'Rourke is now at full forward, whilst Rebecca Hallahan, Cliona O'Keeffe and Geraldine Ryan all come into the attack.

It's a team well capable of winning year they would be well advised to take nothing for granted. They played some great football last week, particularly in the 10 minutes after half time, but will need to do this for 60 minute effort type of performance should lift the 10th Munster Senior crown in 11 years.

Last years champions Laois crashed out of the title race last Sunday week, well beaten by Dublin. Monaghan defeated Tyrone in the Ulster Final to set up a semi final clash with the Munster champions on Saturday 7th September in Portlaoise.

This Sunday the remaining semi final places will be filled when Mayo play Roscommon in the Connaught final.

C.L.C.G. AN tSEAN PHOBAIL

JUNIOR FOOTBALL CHAMPIONSHIP An Sean Phobail 2-16 Rodaithe na Bride 0-4

Don dara seachtain i ndiaidh a cheile bhi bua mor ag An Sean Phobail ach ais nilimid sasta le gach gne den bhfuireann seo agus ta saoine ann a chreideann go nochtotar iochtanna nuair a chuirfear nios mo bru orainn. Biodh san mar ata, bhi cuid mhaith den imirt go deas neata agus ba cumasach mar a togadh na scoranna.

For the second week in a row An Sean Phobail recorded a big win in the Junior football championship with this victory over Brickeys at Ardmore on Saturday evening. This latest results, welcome though it is, should not mask some problems in the team, and there is still a strongly held view that the 'big guns' would still put us to the sword with relative ease. Be that as it may, the scoring rate was again impressive, with some excellent points being scored by a number of players, particularly P. O Mathuna and D. de Paor. The two goals were also the products of fast combined movements with the ball doing the work and being finished off well by M. Dobhar

in the first half and M.O Domhnaill in the second half.

Let the players and those in charge now concentrate on eliminating as many faults as possible, improve fitness levels, team spirit, work rate etc. Remember: Ni neart go cur le cheile!!

Scorers: P.O Mathuna 0-8, M. Dobhar 1-1, M. O Domhnaill 1-0, D. de Paor 0-3, R. Turraoin, T. O Mathuna, T. de Paor, D. O Conduin, 0-1 each. An Fuireann: A. de Paor, S.Uada, M. Caitinn, E. de Paor, S. WATERFORD TAKE ON CLARE Titanic Battle In Croke Park On

THE WATERFORD SENIOR HURLING PANEL WHO FACE CLARE IN SUNDAY'S ALL IRELAND SENIOR HURLING CHAMPIONSHIP SEMI FINAL.

After five weeks of anxious waiting since winning the Munster championship, the count-down has begun and now with just days to go, the entire county are keeping their fingers crossed that the team will again rise to the occasion and win a place in the first All Ireland since 1963.

For us, winning would fulfil a double purpose in that it would also spell very sweet revenge for the results of our two meetings with the Banner county in 1998. Because of our recent record against Clare, most Waterford supporters would have preferred to have Galway as our opponents, as I wrote last week, but I understand that the panel are looking at the situation in a different light and are looking forward to the challenge and the opportunity of making a satisfactory adjustment in the record books as far as ourselves and Clare are concerned.

As the count down continues and the speculation about our prospects increases we look forward to the announcement of the line-out which will be named from the 20 -players who played in the Munster final, but which might see a few positional changes.

As might be expected in a situation such as ours at the moment, rumours about players will abound and in most cases these are untrue. Most relate to players fitness and form. I have heard a few such rumours about certain members of the panel showing improved form and selectors hinting that so and so will replace so and so.

If there are to be a change, or changes they are not likely to come about as a result of the challenge games or training stints that the team has been involved in since they

recommended training after the provincial final, because these type of activities and the form of players in them, are very unlikely to influence the experienced selectors.

We played Antrim in a tournament in Fraher field and this was nothing more than a stroll in the sun, but nevertheless a useful exercise. We had the full panel training in Croke Park and last week a challenge game against Munster under 21 champions Limerick that was splendidly contested before we came off winners on a 1-16 to 1-15 scoreline.

In my opinion the form displayed on these occasions, mean very little as far as the form of players are concerned.

Nothing counts like the championship and in the end it will all boil down to what happens on the day and how each team and each player performs during the 70 minutes of battle in Croke Park

GOOD RELATIONS

Clare's role in the awful things which happened in the replay of the 1998 Munster final made them unpopular with Waterford people everywhere but it was soon forgotten by the remainder of the counties.

Now a declaration by the Waterford county board chairman, P. S. O'Riain has put an end to any poor feelings that might have existed in our case when he said that what happened between the counties in 1998, is now past

history and relations between the counties are excellent. This is the way that it should be and we all hope that it will remain so.

OUR RECORD SINCE THEN

After that extraordinary Munster final Waterford went on to shock Galway in the All Ireland quarter final on the following Sunday and the magnitude of our first ever visit to Croke Park with that panel of players, left us in a state of overconfidence when we faced old rivals, Kilkenny in the semi-final. Here we fell down on the job and left the game behind us and to put the matter into perspective the result was an embarrassment, even though losing by just a single point.

Last year, Waterford hurled Limerick 'into the ground' and then for some extraordinary reason, we surrendered an eleven points lead and were knocked flat out of the Munster championship to the almost of our supporters in Cork.

JUSTIN MCCARTHY MAKES CHANGES

Having spent some months 'feeling his way' through the national league, Justin McCarthy whose impeccable track record at intercounty level as a player and coach, helped to bring about change by his different style of coaching. Adopting a policy of improving the skill aspect of team preparation, rather than the physical, he seemed to win the confidence of the panel at the crucial time before the commencement of the championships and he was given a fair amount of credit for our victory over his beloved county, Cork in the semi-final at Thurles. It was thought that the tactical aspect of the game, from a Waterford point of view, was a major factor in beating favourites, Cork by 1-16 to 1-15.

Then came the Munster final against Munster and All Ireland champions Tipperary whose rating in the public mind was to a great extent reflected in the bookmakers odds of 1/4 as against 4/1 on Waterford.

A Year Of Shocks & More To Come?

In a season that so far, has thrown up more than the normal quota of shocks and surprises, the unexpected victory of Waterford in the Munster final will be viewed by some as being no less a surprise than the unexpected emergence of Clare as strong challengers for another All Ireland title. The arrival of the Banner county on the scene at such a late stage has opened up the speculation about a second very popular county having a chance of glory, come September 8th.

IN ALL IRELAND SEMI-FINAL Prospect At Sunday Next

**20,000
WATERFORD
FANS TO MAKE
THE JOURNEY TO
CROKE PARK**

Whatever the result of next Sunday's match, that display by Waterford in the Munster final when they beat the champions and raging hot favourites, Tipperary by 2-23 to 3-12 and were able to afford the luxury of 17 wides will be recalled for very many years to come as a magnificent achievement by a group of players, none of whom were born when we won our 1963 title.

That was the game where the heroics of a defence under pressure and splendid scoring performances by Ken McGrath, Paul Flynn, John Mullane, Tony Browne, Eoin McGrath, Eoin Kelly, Seamus Prendergast and company, put Waterford into the All Ireland series as strong contenders.

It was the kind of result which embarrassed some sections of the media and left a few journalists with 'egg' on their faces until more surprises took place.

Clare began to cause a stir when accounting for beaten Leinster finalists, Wexford in a qualifying game before entering the equation in a mighty way after defeating favourites, Galway in a splendidly contested quarter final two weeks ago. The displays of players like Colin Lynch, Sean McMahon, Brian Logan, Frank Lohan, John Reddin, Jamsie O'Connor, Ollie Baker (when introduced as a sub.) might have been heartwarming for the Clare supporters, but not so for us as we already have the experience of knowing what these Banner men can do when put to the test.

REMEMBER '98

In 1998 when we drew with Clare and failed by only a whisker when Paul Flynn's late, late free went inches wide we fielded 10 of the team who are playing today. Gone are Brendan Landers, Sean Cullinane, Stephen Frampton, Billy O'Sullivan and Anthony Kirwan while Clare, also have ten or eleven of their team.

ALL IRELAND MEDALS

The Banner county will field a team which will include 11 All Ireland medal winners while our line out have none but as someone recently pointed out, all our panel have 2002 Munster championship trophies, which Clare do not have.

WATERFORD LINE-OUT

At the time of writing (Monday morning) I do not have the line-out which I believe was named after training on Sunday, but the expectations are that the starting 15 will probably be the same as for the Munster final.

Dave Bennett, who is the team's third highest scorer over the

PATHS TO THE SEMI-FINAL

WATERFORD	1-16	CORK	1-15
WATERFORD	2-23	TIPPERARY	3-12
CLARE	2-13	TIPPERARY	1-19
CLARE	3-15	WEXFORD	3-7
CLARE	1-16	GALWAY	1-15

season and who was called on in the final, may make to the first 15, but I for one would not like to name the man he will replace.

Stephen Brennar will be in goal and no one will dispute that the De La Salle man's record this year, entitles him to the position.

Tom Feeney who delighted everyone with his bursts out of defence with the ball at crucial stages of the final against Tipperary will be at full back.

Brian Flannery and Brian Greene may again be named as corner men. The two Mount Sion defenders did all that was expected of them against Tipp and can be given a vote of confidence. Greene held his very highly rated marker Eoin Kelly to a single point from play and I don't know who could have done better. Kelly might have supplied Benny Dunne with an amount of ball, but this was because he was being so well 'policed' that he could not score himself.

Our half backline will very likely be Fergal Hartley in the centre with the team captain being flanked by Peter Queally and Eoin Murphy. Having done a first class job in the provincial final this trio will be given a vote of confidence.

James Murray was surprisingly played as Tony Browne's midfield partner against Tipperary and after a slow beginning, he played brilliantly in helping his partner Tony who gave a super display and a repeat of his best form.

There is certain to be switches in attack and what the placings will be, is anyone's guess. Ken McGrath, whose fit-

ness was of concern before the Munster final gave a real 'man of the match' display and with sharpshooter Paul Flynn (a big player in all our matches so far) young Eoin Kelly, Eoin McGrath, John Mullane and Seamus Prendergast - all of whom acquitted themselves with distinction against the reigning Munster and All Ireland champions five weeks ago, are the likely sextet, but who knows as players like Dave Bennett, Andy Moloney, Michael White, Dan Shanahan, Pat Fitzgerald, James O'Connor (defence) who are all waiting in the wings, may be included on the first 15. Justin McCarthy with Seamie Hannon and Colm Bonner seem to have a policy of naming a team and then having seen the published line-out of the opposition, making pre-match switches to suit the circumstances.

THE CLARE LINE OUT

They are certain to stick with the panel who defeated Wexford and Galway. Waterford management team will have studied the video and be given a clear picture of what to expect from players like Brian Lohan (the 6 feet three inches Wolf Tones player who is all body and muscle and a fitness fanatic who never drank or smoked), Sean McMahon, from Dorabarefield who is a centre back who does not stand on ceremony. Coin Lynch, whom we know very well and who scored Clare's match winner against a shocked Galway, James O'Connor, another Dorabarefield man of hurling fame, Nial Gilligan, who scored the goal from the quick free for the score that brought the Banner men back into the game against the Tribesmen, Tony Carmody, Alan Markham, etc. etc. are a group of eager and very talented players many of whom have the muscle to match their skills and now having 'the bit between their teeth' their display on Sunday will amount to a mighty challenge for Waterford.

They have had two top class matches, against Wexford and Galway and with the latter having been on the new sod in Croke Park that will feel that they are ready and fully geared to banish the Munster champions.

THE RESULT ?

Both counties will see it's a game loaded with possibilities and a big bonus for the victors.

In the Munster final Waterford pressed all the right buttons and took over control from the All Ireland champions in the manner of giant killers and if this form can be repeated, then we are in the semi-final with a splendid chance. They have the fight of their hurling careers in their hands and a chance that might not come again for a very long time. Maybe for some of our players it is 'now or never'

At the same time I do not believe that we have anything more than a 50/50 chance. It is a 'two-horse' race and in these circumstances, things can go right or go wrong, depending on the breaks and that little bit of luck which is always of the utmost importance

COUNTY TEAM SNIPPETS

"THE PRESIDENTS DAY OUT"

It is known that Her Excellency, Mary MacAleese was a very interested guest at the Munster Hurling final in Cork and according to a very reliable source, she sat beside a man from the Comeraghs who briefed her on the story of Waterford hurling.

A light hearted monologue describing the dialogue between Mary and your man is produced by well known All Ireland Scor champion Declan Terry from An tSeana Chobal and will be on sale around the county on Friday.

The 8 minute monologue is delightfully funny and will also be a lovely keepsake of your great day out in Cork.

G.A.A. SHOPS

The shops set up to sell emblems of all shapes and sizes have done a tremendous trade and all the profits will be devoted to the team training fund.

TICKETS

It now looks certain that Waterford will have massive support in the New Croke Park on Sunday as all the outlets have reported record sales.

The better tickets were available from clubs who confined sales to holders of membership cards. This is as it should be as these are more entitled to the facility than the 'once off' supporters.

It is reckoned that we might have in the region of 18,000 White & Blue supporters up there.

The facility of a 'family' ticket is a welcome innovation and the large quota of these

which we received were snapped up.

A family ticket costs 80 euro and caters for two adults and 2 children. The cost of all adult tickets is 35 euro for the semi-final. It will cost more if we go the distance.

FUND RAISING

The drive for funds to help defray the huge cost of training, was given generous support. As well as the 'money' end of the matter, the response gave a fair idea of the huge amount of goodwill that exists in the county for the team.

NEW STRIP

The new strip (with the same colours of course) were issued to the panel at training this week. These are supplied by the county team sponsors, Glanbia. Training was in Fraher field on Tuesday evening and the final session is scheduled for Walsh Park on tomorrow, Thursday.

G.A.A. NOTES

BY "COMMENTATOR"

Cork And The Six Subs

This is one controversy that is finding it difficult to burn itself out and despite the media attention being given to the abnormal number of top class games at the weekends, some journalists are still hanging on to the Cork affair and the Munster Council decision in the matter.

Cork county board obviously found a flaw in the new blood rule which has a related effect on the substitution rule and in their submissions, they used the 'flaw' as a kind of escape hatch to get them out of trouble. No blame to Cork. Every other county in Ireland would have done likewise if caught in that situation. That includes Waterford, who discussed the affair in detail and in a very critical tone following Jimmy O'Gorman's Munster Council report to the board meeting last week. Surprisingly delegates spent quite some time debating a matter which is not of concern to them. Jimmy O'Gorman was critical of the GAC. (Croke Park) for not dealing with the matter. The GAA rule, in the opinion of most of the people to whom I have spoken, makes it very clear that this should have been the responsibility of the GAC and not the Munster Council.

Here is what the rule (87 (b).states " The GAC shall be responsible for all arrangements (excluding the appointment of referees) and control of games under the jurisdiction of Central Council and any matters arising from same and for disciplinary matters arising from senior Provincial championship games". Was it then a case of the buck being passed downwards?

Western Board Meeting

Paddy Walsh, chairman presided At last week's full meeting of the western board.

DRAWS J.F.C.

Winners section, Kilgobnet v Tallow; Losers section; Old Parish v Ring, winners v Modeligo, Dungarvan will play winners of losers group

DISCIPLINE

Dealing with referee reports and imposing penalties on reported offenders, was the main business of the meeting and for some unknown reason, the number being dealt with was a records for the board.

In many of the cases members were suspended for abusing referees while others were for red-card offences.

SUSPENSIONS

With an all time record number of members up for suspension for a variety of offences and indiscretions including the abuse of referees, etc., most of the meeting was taken up with disciplinary matters. Some of the reports were disputed but in the end every report was adopted and appropriate suspensions imposed in accordance with general rule.

A total of 15 members in all were given penalties (which is a record for any board in this county since the GAA was formed)

The chairman issued a strong warning to all clubs and declared that in all cases, referees will be protected.

With such a record number on trial, someone wittingly remarked that it was more like a session at the Old Bailey, than a western board meeting.

The referees concerned were commended for living up to their responsibilities .

Back row (left to right): Brendan McCarthy, Michael McGrath, Adam Kelly, Eric Duggan, Luke Egan (captain), Colm Curran, Sean Ryan, Ian Sheehan; front: Craig Barry, Shane Hickey, Richard Walsh, Darren Duggan, Damien Coward, Nigel O'Riordan, Michael Power.

County Board Meeting

P. J. Ryan chairman presided at the poorly attended July meeting of the county committee 1st week.

MUNSTER CUP

It was on display for the first time in 40 years (or maybe it was the first time ever ?

CONGRATULATIONS

The correspondence item on the agenda included letters of congratulations from all over the country and county. Even county boards such as Longford and others who had passed votes of congratulations were in touch to tell of their delight at our achievement. The Green Party were one of the first to communicate their delight at our victory. The huge number of congratulatory messages received, indicated the popularity of the result.

MATCH REPORT

Justin McCarthy's report on the Munster final was listened to with interest and it was nice to hear that everything in the camp is well. It was the encouraging type of report that indicated confidence in the panel with regard to our prospects for next Sunday.

MUNSTER COUNCIL REPORT

In his report, Jimmy O'Gorman told delegates why the decision to allow Cork continue as Munster football champions, was reached and he said the GAC shirked their responsibility in the matter.

He proposed that when the county selectors for 2003 are in place, that the matter of having 'home and away' agreements with all Munster counties. He said at the pres-

ent, the situation is unsatisfactory and proving costly to Waterford.

CHAMPIONSHIPS

The chairman told delegates that because the senior championships are expected to run late, it was decided to play the minor county championships in conjunction with the junior and intermediate county finals in September, if possible;

MATCH TICKETS

It was announced that tickets for the semi-final will be available for everyone who intends travelling to Croke Park. It was expected that the tickets would be available for clubs by the weekend and

later on to the general public. The chairman proposed that in the event of Waterford reaching the All Ireland final, that the county would agree to swap their football tickets for hurling All Ireland tickets.

Tom Browne opposed the suggestion, saying that some members of his club (Ballinameela) went regularly to the football final and they would be seeking tickets. As there was no further opposition, the proposal was carried.

JIM LANDERS

The matter of Jim Landers parting company with WLR was raised by Tom Browne

who was very critical of the decision.

Paying tribute to Jim Joe, he said that he had given wonderful service to the GAA in the county and did a lot for the publicity of the games during his 13 years as a commentator.

FUND RAISING

The chairman announced details of the special training fund set up to help with the expenses of the All Ireland Semi final. Because of the huge expense involved a lot of money was needed, but thankfully the businesses, firms and members of the public were responding generously.

Results In Brief

M.F.C.

Ballinacourty were in Ardmore for their final match in the league section of this championship and here the reigning champions won with more than a bit to spare on a 2-10 to 0-5 scoreline.

F.C. "B"

Kilrossanty had a bit to spare against Dungarvan as the score of 2-13 to 0-6 indicates and St. Olivers had plenty to spare with a 2-17 to 1-1 score against Stradbally in their tie.

At Cappoquin, Ballyduff scored 1-16 to give them a substantial win over Naomh Brid who had 1-4 to their credit at the end of the match.

Junior Hurling Championships

BRICKEY RANGERS 1-11 FOURMILEWATER 1-9

This was a very competitive game game and Brickeys who were favourites to win, were a little fortunate to stay in front long enough against Fourmilewater's second team.

DUNGARVAN 2-7 CLASHMORE 0-5

This was more decisive and Dungarvan were in control all the way against a side who, though beaten, never gave up trying.

TOURIN 1-9 BALLYDUFF 0-4

This was a well deserved win for Tourin even though it took them quite a while to establish control. Ballyduff were represented by their second side.

PROGRESS

Apart from the intermediate hurling and football championship, the western board are making worthwhile progress with their competitions .

A few players who have county team involvement, Seamus Prendergast and Eoin Murphy are holding up the intermediate championships and while this can result in problems later on, it may yet be worth it all in the end.

TOURIN G.A.A. NOTES

JUNIOR HURLING CHAMPIONSHIP

Tourin 1-9 Ballyduff 1-4

At the Cappoquin sports-field on Saturday evening last, we defeated Ballyduff by 1-9 to 1-4 to qualify for the next round of the Junior Hurling championship where we will play Abbey-side. We started well in this game and put some good scores on the board, we led at half time by 1-6 to 0-2. We only scored 3 points in the second half. This would not be good enough against Abbey-side. Nevertheless a win is a win. The time and place to improve on our weaknesses is at training on every Tuesday and Thursday evenings at 7:30pm. I would ask the few that still find it hard to find the field to make the effort and train. You are part of a panel. do you not think that you owe it to the rest of your team mates.

ALL IRELAND SEMI FINAL

All roads lead to Croke Park next Sunday for the semi final game against Clare. I would like to wish all involved the very best of luck on Sunday. You are a better team than Clare - no better place to prove it than in Croke Park.

SYMPATHY

Sincere sympathy is expressed to the family of the late Mrs. Helen O' Shea, Townspark, Lismore on her recent death.

Cois Bhride G.A.A. Notes

UNDER 16 HURLING

Cois Bhride 2-2, Dunhill 0-12.

A win here was vital to put us back in the running for qualifying for the knockout stages of the County League. But we came up against a team on the night who had a lot more hunger and were a lot sharper. At the end there was only 4 points between the teams but what is bad from our point of view is that Dunhill got 12 scores on the board to our 4. We are now relying on other results to see if we can still go through.

Team - Kevin Henley, Jamie Tobin, Brian Harnedy, Michael Smith, Padraig O'Brien, Owen Ahern, Shane Harnedy, Eamonn Forbes, Peter O Connor, Ken Kearney, Luke Mulcahy, Eric Hickey, Owen Condon, Paul Forbes, Michael Curley.

COACHING SCHEME NOTES

SEMPLE STADIUM JULY 1992 HAPPY DAYS

Team captain Tony Browne is shouldered after Waterford beat Clare in the Munster U21 final. Everyone in this picture is now ten years older and wiser. There are two current Waterford Senior Hurlers in this photo. Can you name them.

Answers on a post card please and send it to Peter Power, Kilgobnet, Dungarvan. Closing date August 21st. Prize: Waterford jersey to suit U14 players.

HURLING CAMPS

Last weeks camp was held in the new Aglish pitch for St. Olivers juvenile club. A very enthusiastic group of boys and girls turned out. Mrs Scanon, Mrs Ronayne and Michael were a great help and Aglish club chairman Paddy Corkerry paid a welcome visit. The highlight of the week was when County team secretary Jim Dee arrived with the cup on Wednesday. Jim and Patricia Walsh made sure it arrived in Aglish to the delight of everyone.

CROKE PARK HERE WE COME

A huge crowd of Deise men, women and children will converge in the capital next Sunday to cheer on our hurlers. The news from the Banner is they are confident of beating Waterford. Have no doubt they will provide tough opposition. But if our lads can repeat the Munster Final form. I don't think we'll lose. The bookies have the odds something like this: Waterford 8/11 Clare

6/5 but make no mistake about it this is an even money battle. We are now 70 mins from an All Ireland hurling final. Best of luck lads.

HOLIDAY TIME

We are on holidays at present and camp will resume on in Cois Brid on Monday 19th, 20th & 21st August; Ballyduff Lower on Wednesday 21st, 22nd & 23rd August; Brickeys on Monday 26th, 27th & 28th August.

Schedule for bus: Norris Corner, Waterford: 9:00am; John Foleys campus garage Dungarvan; 9:40am; Lismore monument 10:05am; Tallow square: 10:20am.

Dungarvan G.A.A. Club Notes

UNDER 16 HURLING

A win was required to remain in this championship. With the advantage of playing with the fall in the pitch in the second half, Ballygunners six point lead at the break did not appear unsurmountable. A goal shortly after the resumption, raised our hopes. However, the "Gunners" response was clinical while our boys had no answer to the oppositions strong hurling. Final score Ballygunner 2-15, Dungarvan 2-5

Team - Jamie Hallahan, Shane Whelan, Christopher Troy, John Cass, Michael Murphy, John Paul Tutty, Darren Hamilton, Brian Bannon, Jamie Nagle, James Cullinane, Pádraig Cullen, James Dalton, Wayne Flynn, Emmet Mulcahy, Jonathan Regan, Joe McGovern, Barry O'Shea, Alan Tobin, Shane Tobin, Stephen Barry.

DUNGARVAN LADIES G.A.A. FOOTBALL NOTES

The under-12 side had a comprehensive victory over Gaultier last Thursday night.

The committee would like to remind all our under-16 players to report for training next Monday night as the championship is commencing.

JAMIE COSTIN COMPETES ON THURSDAY MORNING

West Waterford's international ace walker Jamie Costin competes in the 50k at the European Athletics Championships in Munich this Thursday morning with a 9pm. start. This is yet another milestone in the Ballycreen mans career having previously competed at the Sydney Olympics in the same event. Jamie is now in terrific shape after a year of total commitment and dedication to training with this race in mind and his coach and friend Pierce O' Callaghan says Jamie learned a great deal from Sydney and is a much stronger athlete physically and mentally and his preparation for the upcoming event couldn't have been better. He is the only Irish man to break the magic four hour barrier for the 50 k and during the year at the Dublin grand prix he also made the A Qualifying mark for the 20k. This was a huge achievement by Jamie taking four minutes off his personal best for the distance. The two events in Munich are only two days apart and it would be impossible for him to compete in the two races so he is opting for the 50k event. Jamie will be well supported on Thursday as both his Mam and Dad are travelling to Munich for the championship and all his many friends will be thinking of him and lending their prayers and moral support for all the success he deserves, but what ever the outcome we are proud to have such a dedicated and genuine athlete in our club and all at West Waterford are indeed proud of his achievements thus far in his illustrious career but I have no doubt much much more is to come starting from this Thursday at 9 am. Roll on Munich, Roll on Athens, roll on Beijing.

Smurfit Foursomes

The Munster semi final and final of the Smurfit Foursomes took place at Roscrea Golf Club on Tuesday last. Commiserations to team captain Justin and the panel of players namely Michael Gee, Andrew Murphy, David Hickey, Seamus Power, Sean Fleming and John Dunphy in the Munster Final. They defeated Killarney in the semi final in the morning but they had to give best to a strong selection from Douglas Golf Club.

Munster Youths

Our Youths team of Sean Fleming, Seamus Power,

Mark Shanahan and John Dunphy contested the Munster Final of the youths competition in Mallow Golf Club on Thursday last. To say that the standard of golf was good would be a gross understatement as both West Waterford and Douglas put on a superb display. To single out any individuals would again be unfair but as an example of the standard of play on the day, one player from West Waterford had 2 level par rounds while a member of the Douglas team was 4 under par for the second round and of course this was from the back stakes. Following a titanic struggle, West Waterford had to give best to an excellent Douglas team but even so congratulations are the order of the day for all the panelists and team manager Justin Spratt for reaching the final and for putting up such an excellent display in defeat.

Scramble - Presentation of Prizes

The August Scramble and presentation of all outstanding prizes will take place on Friday 9th August. The prizes for the Scramble are being very kindly sponsored by Colin Glasswell.

Timesheets for the lessons are now posted on the noticeboard in the hallway and the lessons commence at 6:30pm on each evening.

Remember: Players with their names on the Timesheet have priority on the 1st tee.

Course Etiquette

All members are reminded of this very important aspect of the game e.g. avoiding slow play at all times and taking into consideration that there may be faster players behind you, your position on the course should be immediately behind the group in front, not immediately in front of the group behind. Repairing of pitch/plug marks on greens is absolutely essential and the replacing of divots on tees and fairways is also very important with regard to the care of the course. Numerous visitors to our Club have been complimentary on the quality and appearance of our golf course, please keep it this way.

RED HOUSE LEAGUE

NEW SEASON TO KICK OFF

The first delegate meeting of the new season will be held in The Red House Lismore on Monday night 19th August at 9pm sharp. Chairman Michael McBride has asked us through these notes to convey to all clubs that the committee met last week and have decided that the first round of The Bolger Cup will commence on 25th August with the 2nd and 1st round of The Bolger Plate taking place on Sunday 1st September. What is very important for clubs to note Michael told us that The Liam Fitzgerald Cup will kick off weekending 8th September. The first round will be played on a home and away basis with the 2nd round and further rounds played on a knock out basis as per normal cup games. The chairman is emphasising very strongly through these notes - and clubs please take note that clubs that have not their application forms entered will not be allowed enter any of these competitions. Michael told us that the committee feel very strong on this as a rule. At the time of writing only twelve clubs have their application forms with the committee. To facilitate the other clubs - application forms must be with Pat Casey or Michael O'Neill by Friday 16th August. No application forms will be accepted at the delegate meeting on the 19th August. So clubs please take heed of the warning. This is a new venture by the league in having both the The Bolger Cup, Bolger Plate and Fitzgerald Cup playing alongside each other and importantly it will give clubs the opportunity to "blood" some young players before the league kicks off in late October/November. The final of The Tony Bolger Cup/Plate sponsored by the Dungarvan Leader will take place on Monday 28th October.

It is hoped to play the Liam Fitzgerald Cup Final - sponsored by Dungarvan Insurances Ltd - as near to the October Bank Holiday as possible. Clubs are reminded that their Public Liability Insurance policies must be produced at the delegate meeting on 19th August. No team will be allowed play their home games unless they have their Public Liability Insurance up to date. We would also like to quote the ex-chairman Paddy Pollard in his farewell address at the AGM - "It is imperative in this day and age that all players have a Personal Accident Insurance scheme". We echo those sentiments here and hope that players see the necessity of having their

own accident insurance before a ball is kicked in the new season.

CLASHMORE CELEBRATE

On Sunday night last Clashmore received their 2nd Division winning trophies at a get together in The Old Still Clashmore. Last years Chairman Paddy Pollard was on hand to present the trophies, and while congratulating on their success last season said the coming season will take a lot of effort and consulting to gain promotion to the Premier. Liam Troy on behalf of Clashmore.

CHARITY GAME IN LISMORE

On last Saturday night Lismore Over 55's player Bride View Over 35's in St. Carthages House. This was a most enjoyable game, played in the true spirit of enjoyment and under the "old rules" - posting back to keeper etc. All added to the enjoyment and confusion. The large crowd present saw many players who gave years of service to The Red House league. Lismore stars of the past Donal and Dave Landers, Johnny Dunne, Neal Twomey, Denis O'Donnell, The Ryan brothers, Pat Fitzgerald, Billy Landers, all who wore the Lismore jersey through the years with distinction. For Bride View we saw Donie O'Brien, Lenny Fraser, Kevin and Joe Tobin, Timmy "Justin" Sheehan, "Hacker" McCarthy, "Speedy" Hogan, Tommy "Gazza" Pratt, all looking a young "35". While the speed and pace of old days were missing the skill factor was very evident as was the conduct of all players - bar one who was red carded but after pleading with the officials was allowed back. Apparently the red card was not carried by the referee as it was too large and had to be produced by the Chairman of the Red House League Michael McBride when the referee required it. Fixture secretary Jim Foley was very impressed by the referee and player in question to re-enact the sending off as he wished to photograph the occasion and produce the evidence at a future meeting. Needless to say the score was of no consequence but by our count the game ended 2 goals each - a draw. We then had the "dreaded" penalty shoot out. Some players showed their skill from the spot kicks, others showed why they were never allowed take penalty kicks in their day. The referee lost complete control at this stage with

the scoring and when he sought the help of the 4th official he discovered Liam forgot to bring a "ball frame". The best decision at this stage was to retire for the social evening which everyone enjoyed. We would ask the organisers Joe and Liam to have another fixture soon as everyone enjoyed the fun and the craic and most importantly it was an occasion for the players to get together and at the same time raise some money for a charity.

BIRTHDAY GREETINGS

It is not very often we get an opportunity to wish birthday greetings through those notes, but last weekend we were invited to Andrea Kearns 21st. Andrea is one of our ex PRO's, Sean Kearns daughter and was always most helpful to club secretaries when they required results on Sunday nights. While we met many of the party we were delighted to see Derry all the way from Valley Rangers. Now Derry tell us how were you at Andrea's party. Tongues will be wagging. Wait until Liam hears this. The Bride View notes will be interesting.

Another birthday celebration took place last Monday, when referee Paul Marks hit the half century! When we spoke with Paul he was decked out in the Dubs jersey looking forward to Dublin/Donegal in Croke Park. Paul will be happy that his beloved Dubs have got another chance. Paul informed us he will be back whistling at the start of the season.

REFEREES

With the season just two weeks away we are still awaiting to hear from clubs re - their referees. Chairman Michael McBride asked us to mention this long standing item once again this week. Michael is quite emphasising that clubs without referees will when on Sundays there is a referee shortage will not have a game. As we wrote here a few weeks ago the FAI have now sanctioned club referees when there are not enough referees to officiate at league games on a Sunday. So once again clubs have been warned that Jim Foley can no longer turn magician on Sundays. So please have your clubs referee's names at the next delegate meeting on 19th August.

BEST OF LUCK

All of us in The Red House League wish the best of luck to Waterford on Sunday next in Croke Park where they play Clare in the All Ireland Hurling

DUNGARVAN RUGBY CLUB NOTES

The Dungarvan Rugby Club Golf Classic was played on Wednesday, Thursday and Friday last at Dungarvan Golf Club. It was a great success. Mick Galway, Alan Quinlan and John Lacey of Munster and Ireland played on Wednesday. They enjoyed the day immensely, afterwards they visited Ballyrandle for a chat with all the up and coming young stars of the future. They gave a few tips on how to make it to the top, they signed balls, jerseys, backs, arms and autographs.

Roughly fifty teams took part in the Golf Classic and again it proved to be the biggest fundraiser the club has. We hope everyone realises the effort that Johnny Lynch puts into this event as he organises it virtually single handedly. So thanks again to Johnny. Also we would like to thank all our sponsors and especially A-

WEST WATERFORD ATHLETICS CLUB NOTES

West Waterford Athletic Club Are Runners Up In Second Round of Mazda League

West Waterford Athletic Club turned in an excellent performance at the second round of the Mazda League that was held in Tullamore on Sunday last. Their achievement in finishing second to Clonliffe Harriers almost certainly propels the club into the league final for the second year in succession. The overall scores on the day were:

1. Clonliffe Harriers 137 points
2. West Waterford Athletic Club 132 points.
3. Donore Harriers 116 points.
4. Tullamore Harriers 115 points.
5. Leevale AC 109 points.

The other pool competition on the day was in Santry Stadium and W.W.A.C. await the scores there to see our final position. We came into this round in 5th place so the likelihood is that our second place on Sunday will improve our overall standing.

Points on the day were awarded as follows. 1st - 9 points. 2nd - 7 points. 3rd - 6 points and so on. Our athletes on the day were as follows.

Padraig Collins finished 5th in the 100m and also ran a leg of the 4 x 100m relay where W.W.A.C. finished 5th.

Nicholas Walsh ran in the 200m

where he finished in 5th place and again ran in the 4 x 100m relay.

James Ledingham secured 4th place in the 400m in top class field and ran in the 4 x 400m relay where W.W.A.C. were placed 5th and the 4 x 100m relay where the club again placed 5th.

Dermot Cummins had a great day in Tullamore with an excellent win in the 800m. He took up the running early in the race and was never headed - digging deep in the home straight to hold off all challengers for a fine finishing time of 1.59.5 which was incidentally his first time under 2 minutes for the two lap race. Dermot also ran in the 4 x 400m relay.

Philip Harty again did great work running in both the 1500m and the 5000m where he secured a 2nd place and a 3rd place respectively his 5000m time being 15.40.

Paul Stephenson ran an excellent 3000m steeplechase finishing in 3rd place and also ran a leg of the 4 x 400m relay.

Timmy Foley made his debut in the 3000m walk and finished the event in second place with a new respect for our regular walker Jamie Costin who is

away in Munich at the moment for the European Championships.

Liam Houlihan was one of our most valuable competitors on the day. He finished in second place in the 110m hurdles, won the Pole Vault and the High Jump (1.8m) and also ran a leg of the 4 x 100m relay. His personal points total for the day was 25 which is a great achievement.

Equally valuable was Michael Murray who provided us with two excellent wins in the Triple Jump and the Long Jump.

Gerry Collins finished in 4th place in the shot putt and Stephen Dunne had two seconds in the discus and in the javelin.

Padraig Scanlon also had an excellent day finishing second in the Hammer Competition and matching that position in the 56lb weight for distance.

Finally Joe Gough ran the second leg of the 4 x 400m relay where he recorded 56 seconds. Joe also drove the bus on the day for which we are all very grateful.

So in closing congratulations to all who competed on an excellent day's results.

Ladies Team Finish Fourth Overall In Mazda League Round 2

Our ladies team were also in action in the Mazda League on Sunday last and secured fourth place in a very competitive Division One Match.

Maria Conroy was the star for the club on the day with two excellent wins in the Hammer and the discus.

Sharon Lawless also had a great day with a win in the 1500m Walk.

Edel Morrissey fresh from international duty finished in 4th place in the 800m.

Triona Shalloe ran in the 3000m and finished in 5th place.

Ellie Walsh ran in the 400m hurdles and finished in 3rd place. She also competed in the triple jump where she secured a valuable 2nd place.

Finally the 4 x 400m relay team finished in 4th place - the team consisting of Edel Morrissey, Kate O'Brien, Ellie Walsh and Sharon Lawless.

The team was in 10th place coming into the second round of the competition with the top 8 teams to go through to the final. It will be touch and go whether or not W.W.A.C. make it to the final but certainly the athletes who made the trip to Tullamore on Sunday last could not be faulted for effort. Well done to all concerned.

Edel Morrissey Competes In Celtic International

West Waterford's Edel Morrissey was a member of the successful Ireland team who won the overall award at the Celtic International on Saturday last at Tullamore. Edel competed on the U17 4 x 300m relay team that finished in second place. Another W.W.A.C. connection was the fact that John McGrath was one of the team managers. Well done to both members who have done the club proud.

BALLYRAFTER CENTRE LISMORE

2-Day Event Proves Very Successful

The Annual Two Day Summer Horse Show at The Ballyrafter Centre, Lismore proved to be a popular mid-week venue once again with the featured Ladies Championship now in its fifth year a resounding success. Lady riders travelled from all over the country and the final line up included riders from Tipperary, Cork, Limerick and Wicklow.

The youngest competitor in the class 16 year old Joan Widger youngest of the Clonmel family, added her name to the already illustrious list of Ladies Champions. Helen Connors took the inaugural title in 1998, then in '99 it stayed in Waterford with Diane Beecher, before it went to Kilkenny twice Marie Moloney from Warrington and Marion Hughes who took last years contest.

21 from the initial list went into the second round and despite a now substantial course 15 went through against the clock. The first half of the draw did not prove very lucky as one fence down marred some very good times most unfortunate of all Michelle Ryan on "Kincara" 39.93 proving quickest. However things fell nicely into place in the second half as first Mary Byrne from Kilbride in Wicklow with "Ballycapple Diamond Imp" went clear in 51.63 and then Joan Greene set a very good clear in what now looked to be a safe option with Loretta Enright's "Lookout Cliff" in 45.84. However Clonmel rider Jenny Lalor with her mother's big chestnut "Euro Blade" ate up the ground and left nothing to chance to take a good lead in 44.26. Jennifer Bond who has to travel long journey's to most shows living in Skibbereen in West Cork made the three hour drive worthwhile eventually taking fifth in 51.12 with Eamonn Wycherley's "Regal Spring". Then Corinne Hyde and "Awbeg Duchess" a mare she purchased here during the Spring League had a great ride on the first half of the course and looked up on time but a little caution to the last proved expensive as 44.81 left her fractions behind. Now things were proving difficult and Jenny must have been breathing easier but last to go Joan Widger on the brilliant "The Tinker Train" a similar age to her combined their experience expertly to fly round the course in 40.99 and take the coveted title of Ladies Champion 2002.

The following 1.30m class with the men well rested after the Ladies event was equally spectacular. 7 went through to the timed round and Francis Connors set the pace on "Teddy Taste" in 42.28. Diane Beecher winner of two Grand Prix already this season with Noel Kavanagh's spectacular stallion "Polanski" used his power to forge ahead in 40.44 but Shane Breen fresh from his successful trip abroad brought out Fergus O'Neill's "Molua Lady" for the shortest of short head winners in 40.42. Emer Murphy moved into third with the consistent "Lionell 8" in 41.40.

The Cavan Classic qualifiers the previous day were also hotly contested and qualifying places were hard to come by. Shane Breen made sure of his qualifying places in the 5 year olds as he led from the front with Tullamore owner Martin Coffey's "Oldtown Katie" by "Clover Fields" in 35.93 and for good measure he moved Aidan Carroll's "Quick Clover" into runner-up spot in 36.60. Third went to the already qualified "Kiltorcan Clover" owned by Joe O'Connell and ridden by Eddie Moloney and the remaining qualifying places went to Steven Smith, Stevie Keane and Ian Cliffe.

The qualifying round of the 6 & 7 Year Old Cavan Classic went to Joe O'Connell's "Ardragh Renkum" ridden by Eddie Moloney in 38.53 and Shane again got two through for Austin Broderick this time "Iman D'Occagnes" and "Ballypatrick Rebel". Seamus Hayes brought the very consistent "Dicksgrove Gypsy" into third for John O'Sullivan and Richie Moloney took the other qualifying place with "Picobello Star".

Ballyrafter Riding Club Notes

Since last going to press, our club continues to be a hive of activity and the main focus at the moment is on our Dublin team who are in training for the R.D.S.

Caroline Queally our super efficient secretary is quite active in the amateur circuit. Herself and Barracree Crystal had a super fast time in the jump off at Waterford show and were so unlucky that a pole hit the ground, which put her just outside the prizes.

Eileen Gee has been clocking up the red rosettes at O'Gorman's in Cahir and both herself and Chestnut Dream are well ready for the R.D.S.

Killian Phelan and Coolbell Rebel are, as usual well up in the winning stakes; Killian had a 1st at Clonmel Show and was placed 2nd in the amateur at Ballinhassig Gymkhana. Luck was not with them at Dungarvan Show but, thankfully both are well and in training for the R.D.S.

Tom O'Riordan is on a roll at the moment on Coolbell Moss; at the recent inter club day in Killotteran Tom was placed 1st on Coolbell Moss and received a beautiful Waterford Crystal bowl and indeed Martina McGrath our club chairperson was also placed 1st in the advanced primary on the day on Coolbell Moss, so well done. Tom also had a super win at the amateur in Dungarvan show but he was not yet over the roll and again won the amateur at Waterford show, so Tom is well in training for Dublin.

Tom Hyland, another of our amateur dishes continues to clock up successes, Tom was 5th in the amateur at Dungarvan Show and 3rd at the recent Waterford show on his own Sheanbeg Lass. Tom is our reserve open rider for the R.D.S.

Our other reserve rider for the R.D.S. namely Fran Mangan has not competed for some time and we are looking forward to seeing Fran back again in the not too distant future.

Two of our members namely Martina McGrath and Melody Williams competed in the showing class at Dungarvan Show. Martina was placed 3rd and Melody was placed 4th so well done.

Frances Condon and Donna Lister travelled to the national showjumping championships recently but both were, unfortunately, just outside the prizes.

Francesca Kelly, who is our hardworking competitions secretary and Donna Lister travelled to the one day event at Ballindennisk on Sunday last, Donna was 4th in the Ad. Primary Section and Francesca was 4th in the Ad. Intermediate Section, again well done.

Three of our dressage competitors are travelling to south west on Sunday next in an effort to qualify for the national dressage finals at Kilcooney Abbey in September, good luck to Maria Hennessy, Cathy Lynch and Claire Connell on the day.

Our inter club day is on Monday next, bank holiday Monday so all hands on deck as we expect a big turnout.

On Monday night next, following our inter club day, we are having a shoiree in the Marine Bar; this is to wish our good member Cathy Lynch the very best on her forthcoming marriage to Andrew Casey. Congratulations also to Helen Harty on the birth of her new baby and indeed to any of our members where congratulations are in order.

Supporters for the R.D.S. please note bus travelling up on the Saturday morning, book early with our secretary, Caroline as places are limited Tel 058.47204; Accommodation (only the best) in Jurys, Ballsbridge on the Saturday evening; dinner at Rolys, Ballsbridge, bus returning on Sunday evening, a great weekend assured.

Barbeque at Bleach House, by kind permission of Mary and Andy on the weekend of 24th August, again a great night assured.

Autumn league will commence on Thursday 5th September for 4 weeks finals on 26th September; all grades; super prizes.

Date for A.G.M. 10th October; awards will be presented at A.G.M.

Enjoy the remainder of the season.

HORSE RACING NOTES

BY MARK PHILLIPS

GALWAY RACING FESTIVAL

The week long Galway racing festival produced some tremendous fare. Huge crowds thronged the enclosures but alas the results went in favour of the layers. County Limerick based trainer Michael Hourigan enjoyed a profitable week taking the featured Galway Plate with Rockholm Boy who was given a polished ride by young up and coming National Hunt rider Keith Hadnett. Just under 39,000 people crammed the enclosures at Balybrit for "Plate" day.

The County Wexford yard of Paul Nolan also enjoyed a big win courtesy of the Tramore winner Say Again who beat off a succession of well fancied challengers to take the Galway Hurdle under a strong drive from John Cullen. The winning Model County trainer revealed after racing that he was forced to give up a promising hurling career having picked up a bad knee injury.

One horse who ran well during the latter end of the week was the Val O'Brien trained Half Barell. Out of form for a long period Half Barrell stayed on really well in the closing stages of a handicap chase. This horse has run well in the past at Tramore and he is one to keep an eye on in any of the upcoming staying chases at the seaside venue.

The Joseph Murphy trained Really is surely going to win a race of some sort in the near future. She ran well on Friday night at Galway finishing a close up fourth having been denied racing room at a vital stage of the race. She could turn up at Tramore and is one filly to keep on your short list although I am still convinced that a pair of blinkers would not go astray on this animal.

Waterford based winners were few and far between during the week. David Casey gave Donadino a good ride to win on Friday while Gary Hutchinson was seen to good effect on the Michael O Connor trained Right n Royal this 16/1 outsider causing a major shock.

In the Galway Blazers Handicap Chase on the Saturday John Morrison's Crimson Flower tried to make all the running in the handicap hurdle only giving way in the latter stages to Ivehadit.

JOHANNESBURG RETIRES

It has not come as a major surprise to hear that the Aidan O'Brien trained Johannesburg has been retired from racing. Brilliant as an unbeaten two year old winning six Group One races but a flop as a three year old best sums up this colts career. It happens though with these colts as they frequently do not train on as three year

olds. Johannesburg will now be shipped out to Ashford Stud in Kentucky where he will stand alongside his father Hennessy. It should be pointed out that the great Mill Reef is the only other horse to have won six Group One victories in a row.

DID YOU KNOW

Did you know that Michael (MJ) O'Brien who trains in County Kildare was the leading jump jockey in the USA back in the 1970's before a terrible fall left him paralyzed in 1974. The wheelchair bound trainer then returned to his native land to become a top class trainer of National Hunt horses. His brother Leo remained on in the Sates however and trained that good colt Four Starsallstars.

MELBOURNE CUP ENTRIES

This years Melbourne Cup is penciled in for November 5th. There are 32 overseas entries for Australia's top race and they include the Jim Sheridan owned and Dermot Weld trained Vinnie Roe. Dermot captured this race in the past with the Michael Smurfit owned and Mick Kinane partnered Vintage Crop.

2003 FIXTURE LIST

Horse Racing Ireland recently announced their fixture list for 2003. In all there will be three hundred and four meetings in the year up on the 2002 figure of two hundred and eighty four. The additional twenty fixtures will be spread over fifteen different tracks.

SIX IN A ROW FOR THE "ROCK"

Awesome is the best word to describe Rock Of Gibraltar's sixth consecutive Group One victory in the Sussex stakes at Glorious Goodwood last week. Given a supremely confident ride by Mick Kinane Rock Of Gibraltar cut down his rivals with authority to win going away.

BANDARI IMPRESSED

Our English Derby hope Bandari may have flopped at Epsom but he bounced back at Goodwood last week taking the Ladbroke Prestige Stakes in impressive fashion. In hindsight Bandari's effort at Epsom is best ignored. He missed the kick that day and was always struggling thereafter. This colt likes to race up with the pace and could well turn out a St Leger horse while a tilt at the Arc in Paris is also a possibility at the end of the season.

THIS WEEKS FIXTURES

Thursday — Sligo 2.30, Haydock, Brighton, Chepstow
Friday — Kilbeggan 5.30, Haydock, Newmarket, Worcester, Lingfield,

Wolverhappton, Sedgefield
Saturday — Wexford 2.30, Haydock, Redcar, Newmarket, Stratford, Ascot
Sunday — The Curragh 2.30, Redcar, Leicester, Ascot.

ALL WEATHER TRACK

Horse Racing Ireland announced during the week that no existing track in the Republic will house the proposed new all weather track. Should a new track be built and that is the intention it will be on a completely new site. This is a strange decision as surely a course like Fairyhouse with their upgraded facilities could accommodate an all weather circuit on the inside of the current grass track.

EXCELLENT TV COVERAGE

I thought that RTE gave excellent coverage to this years Galway races. There is a different production company in charge of racing coverage and it showed during the week. Surely though Brian Gleeson is under utilized on this programme. He looked uncomfortable interviewing punters in the ring and his time would be better served interviewing trainers before each race. One of the few trainers to be interviewed during the week in advance of a race was Michael Hourigan and he gave the whole nation a winner stating that he was very sweet on the chance of his own horse Lantern Lodge in the long distance hurdle and this horse duly romped to a very easy victory. I am sick though listening to RTE moaning and looking for an increase in license fees. They should look at cutting internal costs before looking to burden even further the beleaguered tax payers. Take for example Tony O'Hehir commentating on all of the races. While Tony is an excellent commentator there is no need to use him when they could easily take Dessie Scahill's course commentary which is second to none. Don't get me wrong I have nothing against Tony O'Hehir who by the way is an excellent journalist but I just get the feeling listening to him that commentating on horse racing is something of a chore.

PAT'S CLAIM REDUCED

Amateur jockey Pat (PG) Murphy who is attached to the County Kilkenny yard of Tony Mullins had his claim reduced to five pounds after guiding Penny Farthing to victory at Galway on Friday night. This was victory number 15 for Pat.

HENRY'S BAD BREAK

Jump jockey Henry Oliver had the misfortune to break his leg at Worcester last Saturday and he faces a spell on the sidelines for up to three months.

SPONSORED CHARITY CYCLE

Our club charity event for this year takes place on Saturday, August 24th in aid of two local charity organisations, West Waterford Hospice and the South East Cancer Foundation, both of whom offer care services for cancer sufferers and their families. Sponsorship cards have gone out to all club members this week, and you are earnestly requested to raise funds from among friends and family for this event. Each member has been given two ten-line cards to fill, or perhaps fill one and give the other to anyone who is interested in cycling the event.

On Saturday 24th please meet at 10:45 at the Park Hotel for an 11:00 am start from the Square. There are three routes to select from, Cappoquin and back 20 miles, Lismore and back 30 miles, or Fermoy and back 60 miles. Newcomers very welcome to join with us for a day of good fun. Sponsorship cards are available from O'Mahoney Cycles & Nursery, Abbeyside, or from Justin (43422) and Kevin (43333).

Refreshments will be available en route.

WEEKEND AND MID-WEEK SPINS

Spins in recent weeks have been well supported, but given the fact that members have been away on holidays numbers have been down.

We hope to swing back into gear over the coming weeks until the end of September. Usual starting times on Saturdays and Sundays, but please note that the Monday and Wednesday evening spins will return to 6:30 pm, to avail of daylight. Tonight: 6:30, Lismore, right to Ballyduff, via "The Towers". Hopefully the fog will have lifted. Routes for Monday evening spins are negotiable.

"MOTHER-OF-ALL-SPINS", AUGUST 17TH

Next Saturday August 10th we will hold an 80 mile spin in preparation for our marathon 150-mile one-day cycle to Kinsale and back on the following Saturday August 17th. Incidentally, as a consolation, some say it's only 140 miles. The route for August 10th will allow members to cycle 30 miles, 50 miles or the full 80 miles. Dungarvan, Carrick, Waterford, New Ross and back. Shorter routes available...turn at Mahon Bridge, or top of Carrick to Kilmac, or stick in for the full monty.

On the following Saturday, to date we have eight cyclists who will venture to Kinsale at the ungodly hour of 7:30 am, arriving for lunch, and cycling back through the afternoon. Best of luck! Spaces available. This spin has been deferred from the original August 10th date, and we apologise for any inconvenience. Some members think it should be deferred indefinitely... The route will be Youghal, Killeagh, Castlemartyr, Middleton, Cork, Kinsale. Good main road, no hills, why not have a go? Bring at least four bananas, plus lunch-money.

FRANCE

Two of our members are enjoying continental leisure touring, one in northern France and the other in the Pyrenees. We look forward to hearing the stories when they return.

CANARIES 2003

A meeting of those interested in cycling in the Canaries in Spring 2003 will take place tomorrow night, August 8th in the Park Hotel at 8 pm sharp. Please be in attendance or pass on your interest to ensure that numbers can be calculated, and plans made. This event was, for many, the highlight of this year, and the number of participants who are definite of returning again for 2003 is a sure sign that this is a trip worth considering. Training will commence on January 1st.

Dungarvan Golf Club Notes

LIKE FATHER, LIKE SON!

What an open Week end we had. The Open 18 hole Singles Stableford played for on Saturday and Sunday 3rd & 4th and kindly sponsored by Dungarvan Lighting & Gifts ensured a great week end of golf, despite the unsettled conditions. The weather was kind on Saturday and 218 players teed off. With rain on Sunday morning numbers were down a little, but the event was a resounding success. The Hanrahan family were particularly pleased with the result with Dad Michael seeing a magnificent winning 44 points. But this scarcely upstaged Tom who had won the juvenile cup on Friday. Tom carried his score from Wednesdays round to finish with an enviable 88 pts. Michael's 44 pts (off 9) had birdies at 2,11,12 & 15 and no dreaded double bogeys. In second place we had John O'Keeffe (16) also with 44 pts. The gross was won by a very impressive 39 pts gross

from Tom Melody Jnr (4) Club members and visitors alike were very loud in their praise of our new colourful scorecard, kindly sponsored by the Sweep garage, Kilmeaden.

MUSKERRY VISITOR WINS ULSTER BANK SINGLES

The 18 hole Singles Stableford played for on Thursday 1st of August and kindly sponsored by Ulster Bank was won by Ger Kirby (10) from Muskerry Golf Club with 43 pts. In second place we had clubman David Walsh playing off (12) with a score of 42 pts. The gross was won by John Reynolds (1) with 36pts gross.

J.B.CARR TROPHY

Pride of place this week goes to our gallant JB Carr team which was narrowly beaten in the Munster Quarter-final by the home side at Cahir Park on

Mon. 29th July. Player/manager Tom Melody (Snr) was fulsome in his praise of the five pairs who travelled to play foursomes against a strong Cahir team. John Hogan, Tom Phelan, Michael Kelleher, Jackie Fahey, Jack Elstead, Fr. Richard Doherty, Fr. Jim Curran, Cyril Power, Tom Melody and Tom Ward found the course in top condition and the weather balmy. With two winning pairs in the clubhouse, they eagerly anticipated a home semi-final clash against Charleville; but it was not to be. Well done to all concerned, and better luck next year.

PRESIDENTS PRIZE

Look out for the timesheet for this year's President's Prize, to be played for on the weekend of 16th -18th August. Our popular President, Tom

Coffey, says he is keenly looking forward to the event, and to presenting the prize to one of his multitude of friends in the club.

GOLF RULES

The Mens club committee are very pleased with the reaction to their efforts on the rules of golf. The questions posed on the locker room notice board are raising awareness that we are obliged to know the rules. For example may I repair spike marks on the green? May I lift my ball to identify it in a hazard? Look out for further questions.

WATERFORD TUESDAY JULY 30TH

Harry's Winning Double

Local owner Harry Boyle and his wife Margaret were a happy couple leaving Kilcohan Park last Tuesday night as both their runners from their Blenheim based kennels enjoyed well deserved victories. Biddy Bawn (Staplers Jo-Bid You Joy) 2/1 opened her account in emphatic fashion capturing the third contest in 29.63. Trapping smartly from trap two Biddy Bawn was never in any danger of losing this contest opening up a significant lead on the back stretch over Flagalley Emily eventually winning out by seven and a half lengths.

The previous winners kennel mate Boher Jill (Top Honcho-True Commet) 5/2 also took a flyer from a middle draw in the sixth to complete a double for the Boyle kennels. Aghadown Ellie did her best to upstage the winner having bumped Boher Jill rounding the first bend but knuckling down to the task in hand Boher Jill dug deep in the closing stages to post her initial victory by a length and a quarter in 29.40.

Kilmacthomas owner Rosemarie Walsh-Power enjoyed her first ever winner as Autumn Trapper (Fly Fright-Trapper Girl) came from behind to capture the first race in 29.63. The once raced Gallows Sarah showed good early and made a gallant effort to lead all the way but making his debut Autumn Trapper stayed on well up the home stretch to score by half a length.

In a graded sprint the James Young owned Crinkle Moon (He Knows-Marias Secret) 5/1 made a positive start from trap three and leaving first bend crowding well behind Crinkle Moon raced on for a five and a half lengths win over Honeycomb Oak in 16.63.

The coursing bred Mardine Pam (Hilltown-Larchvill Pam) 3/1 ran out an impressive winner of the fourth contest for New Ross owner John Cullinane. Showing good early pace to the first bend where the winner moved out off the turn hampering the 5/4 favourite Gorgeous Jewel. Quickly back on an even keel Mardine Pam quickly opened up a healthy lead and while she coursed the mechanical lure around the final bend. Mardine Pam skipped clear to triumph by five and three quarter lengths. The winning owner reported after racing that the winners dam is now in pup to Droopys Kewell.

Clonmel owners Paddy Flannery and Phil Lonergan sent out the 6/4 winner of the fifth race as Couldentgiveahoot (Joans Turbo-Fleetwood Falcon) 6/4 came through the field to oblige in 29.47. Mottee Babe cut an early dash to the third bend but making eye catching late headway Couldentgiveahoot finished with a rattle to outstay Mottee Babe by three lengths.

Races seven and eight were semi finals of the Hotshow Ben Confined Unraced Stake. The Peter and Desna Hattemore owned Harlenas Dancer (Come On Ranger-Pres To Lisnak) was backed down from 4/1 to 7/4 in the first semi final and after a rough race the favourite duly obliged in 29.67. Noan Ranger made a smart start from trap one but Harlenas Dancer joined issue down the back and with the leading pair coming in contact on more than one occasion Scotias Prince closed right up on the leaders over the final two bends only to lose ground when running out of racing room. The principals came

close once again up the home stretch with Harlenas Dancer getting home by a neck from the dead heaters Noan Ranger and Captain Corelli. The stewards were not happy with the winners style of running and he was duly suspended.

The second semi final produced a shock 8/1 winner as the Gary Ince owned and Patricia O'Neill trained Gaynors Jet (Toms The Best-Any Chewing Gum) ran a cracker upsetting calculations in the process by beating the warm 4/5 favourite Bestofthebest. Outpacing the favourite around the first bend Gaynors Jet made the long break for home. The favourite steered a wide course down the back and despite a fast finish by Bestofthebest Gaynors Jet never wilted to triumph by a length in a red hot 28.71.

Snazzy Girl a September 2000 daughter of Split The Bill and Hare Storm ran away with the ninth contest for County Wexford owner Denis O Donohoe. Recovering well from a moderate break Snazzy Girl quickly raced to the front ahead of Hilldun Ted and increasing her lead with every stride Snazzy Girl cruised to an eight lengths win over a running on Press Play in a smart 28.89.

In the final race of the night Lonesome Irene set the early pace from Arrow Rogue but at the business end of the contest the Joseph Doyle owned and Peter Hattemore trained Rossmore Spirit (Prince Of Tinrah-First Dollar) 3/1 came from third spot on the back stretch to win going away by four lengths over Arrow Rogue 1/1 in 41.63.

WATERFORD SATURDAY AUGUST 3RD

Record Run By Kilmacar Joker

A narrow loser of a Paddy Power .Com Irish Derby trial stake over this course and distance when giving best to Prince Cushie on July 20th the Nora Healy owned Kilmacar Joker (Roanokee-Helah Lady) made amends in no uncertain fashion last Saturday night as this March 2000 whelp smashed the 550 yard track record with an eye catching 29.72 winning return. 4/1 shot Kilmacar Joker made the best possible start from trap six outpacing Cooly Merson to the first bend. Piling on the pressure down the back stretch Kilmacar Joker was never in any danger of defeat coasting to a five lengths success over Cooly Merson in a new record time.

Pride of place on last Saturday nights ten race card were the semi finals of the Peter Hennessy sponsored Sadlers Surprise Charity Open Marathon stake. Metric Tiger (Smooth Rumble-Metric Melba) looked a class act in the first semi final but this 5/4 favourite gave his supporters some heart stopping moments before coming good in 40.63. Showing in front from the break Metric Tiger lost his prominent early position and dropped back to fourth place as Sparta Dick disputed the lead with Spahill Prince with Motabeg Dingo just behind in third spot. Running his best ever race Sparta Dick made a bold bid for outright honors but Metric Tiger produced his by now customary late charge which carried the Model County runner to a length success over Sparta Dick.

The second semi final the weaker of the two semi finals cut up somewhat as only four runners went to traps. Motoring into a clear lead over From A Friend Belmullet Anne appeared assured of victory but she got very tired on the closing stages as Tom Walsh's Regal Honey (Lemon Trooper-Bettys Image) 5/2 came with late challenge to run out a three

lengths winner over From A Friend in 41.24.

The opening contest was a quite betting affair with victory going to the Mrs A Johnston owned and Patricia O'Neill trained Heathfield Hope (Crack Off-Gan On Misty) this 2/1 shot winning comfortable in 29.13. Relishing his outside draw Heathfield Hope took over in the lead rounding the second bend from the pace setting Raywee Chloe and making the best of his way home Heathfield Hope came home two lengths clear of Easy Customer.

Having lost his form of late the Gerry Kiely owned and bred Airmount Knows (He Knows-Airmount Uranus) 5/2 bounced back to form with a 16.21 sprint victory. Breaking in front of Frontera Airmount Knows held a clear lead throughout crossing the winning line with three lengths to spare over Frontera.

In a competitive looking fourth race over the standard trip the heavily backed That Don't Count (Spiral Nikita-Nire Queen) ran out a well deserved winner for Abbesside owner Catherine Kiely. City Flyer held the early call but recovering well after a slow start That Dont Count joined issue with City Flyer on the back stretch. Easing his way into the lead That Dont Count quickly established a winning advantage powering clear for a two and three quarter lengths victory over City Flyer in a fast 28.90.

The Kate Crehan owned Mystery Madness (Top Honcho-Boraderra Doll) 3/1 produced a gutsy display of front running to land the fourth contest in 29.06. Taking control of matters early on Mystery Madness was tested to the limit by the persistent Official Minnie but sticking to the task in hand Mystery Madness deservedly held out by half a length.

The much improved Derwent Driver a winner of a sprint the previous Saturday night turned his attention to the 500 yard trip with the desired result scoring in 27.34. Owned by Phillip Woodworth and trained by Mary Buggy the well housed Derwent Driver powered up to the first bend to lead from Miss Ellen and while Rebeccas Rebel took up the challenge down the back stretch Derwent Driver was gone beyond recall coasting to a six lengths win.

County Tipperary based trainer Peter Hattemore is winning plenty of races for his metropolitan owners and owner Nicky Curran made the journey worthwhile last Saturday night as his Davids Ranger (Come On Ranger-Tullig Mint0 3/1 came from behind to capture the sixth race over the 500 yard distance in 27.47. The early paced Premiere Game held a narrow lead over Fear No Factor but producing a well timed challenge up the inside running rail Davids Ranger came through in the closing stages to outstay Premiere Game by half a length.

The ninth race a 550 yard contest went the way of the Marie Byrne owned Dysert Orchid this well bred daughter of Top Honcho and Droopys Fancy storming home in 30.40. Sent off at a price of 3/1 Dysert Orchid tracked beautifully around the first bend on the rails as the fast starting Lightening Cover kept wide on the run up. Finding herself all alone up front Dysert Orchid encountered little difficulty in dishing out a two and a half lengths beating to a running on Active Spy.

Causeway Tennis Club Notes

The Junior Open has begun. The Under 10 Round Robin was held on Sunday 28th July. The standard was very high with some fabulous tennis being played by players of such a young age. There are definitely some budding Andre Agassies and Stefie Grafs around! The finals were fantastic with Fergus Rooney from Waterford winning the boy's singles and Sean O' Sullivan also from Waterford coming a commendable second. The girls final was also of the highest standards with Hannahmay Morrissey from Cashel winning and Anne O' Riordan from Tramore coming second. We will definitely be seeing a lot more of these players in the coming years. Well done to all who took part and hope to see ye all again soon.

The main tournament started on Monday 29th July. With nearly 100 games scheduled this is no easy task for tournament director Siobhan who will keep things running smoothly. If you want to see some brilliant tennis come along to the Club any day between 10:00am. and 6:00pm. Finals will be held on Saturday 3rd August with first match starting at 11:30am.

Once the Junior Open is over there will be supervision in the Tennis Club

every day with fun tournament every afternoon. The Permanent TSB Summer League final was held on Friday 14th June with results as follows - Winners: Joe Bergin; Siobhan Ni Mhurchu; Eddie Kiely and Elaine Hickey.

Runners up: Denis O' Donovan; Bridget O' Shea; Karen Brennan and Jim Kiersey.

Many thanks to Permanent TSB for their sponsorship of this event.

The Veterans Weekend Tournament will start on Friday 23rd August until Sunday 25th August. This is a hugely enjoyable weekend with many veterans travel-

ling from far afield. There will be a barbecue and music on the Saturday night so the more the merrier! There are many members out there who do not realise that they are eligible to play this tournament - now is the chance to show us what you can do!!

Scoil Mhuire Cleans Up In "Ariel Science Of Cleaning" Competition

Scoil Mhuire in Abbeyside, Dungarvan is one of only 50 schools across the UK and Ireland chosen to win a prize in the "Ariel Science of Cleaning" competition. An outstanding entry compiled by pupils from the 6th class has gained them two complete sets of sports kits, for a boys and girls team at the school.

The competition was run as part of the "Ariel Stains & Science Schools Programme" a science education program aligned with the Curriculum Guidelines and released earlier this year to thousands of schools across the country. Aimed at 9 to 11 year olds, it is designed to put practical resources into the classroom and help pupils and their families discover how science affects everyday lives.

During lessons, as well as through experiments and homework assignments, the pupils learned how to design the ideal washing tablet to achieve the best cleaning results. The children were asked to present their findings in an interesting and creative way and their competition entry consisted of some excellent giant posters.

Mr. Finbarr Keohan, head teacher of Scoil Mhuire said "The Ariel Stains & Science programme has provided a valuable free teaching resource for the school. It applies science to everyday life and involves the family at home which we like to encourage.

Mrs. Collette O'Mahoney, 6th class teacher at Scoil Mhuire added "Science can be fun and exciting for children if taught in the right way and the pupils had a wonderful time doing the experiments and gathering data. They really enjoyed taking part in the competition and are thrilled that their efforts have been rewarded by winning this superb prize for the school."

A TRIBUTE TO FR. O'DOHERTY R.I.P.

All too quickly the years have gone,
Since you came into our midst,
You taught us to travel the long straight road,
And not to fear the mist.
You were gentle and kind with all of us,
A shepherd supreme to young and old.
The Lord, he knew what he was doing,
When he called you to his fold.
We will go along to the Little Church,
Then feel lonely for a while,
But we'll kneel and pray to do Gods will,
And remember you with a smile.

MELLERAY NOTES

SPORTS AND GALA DAY

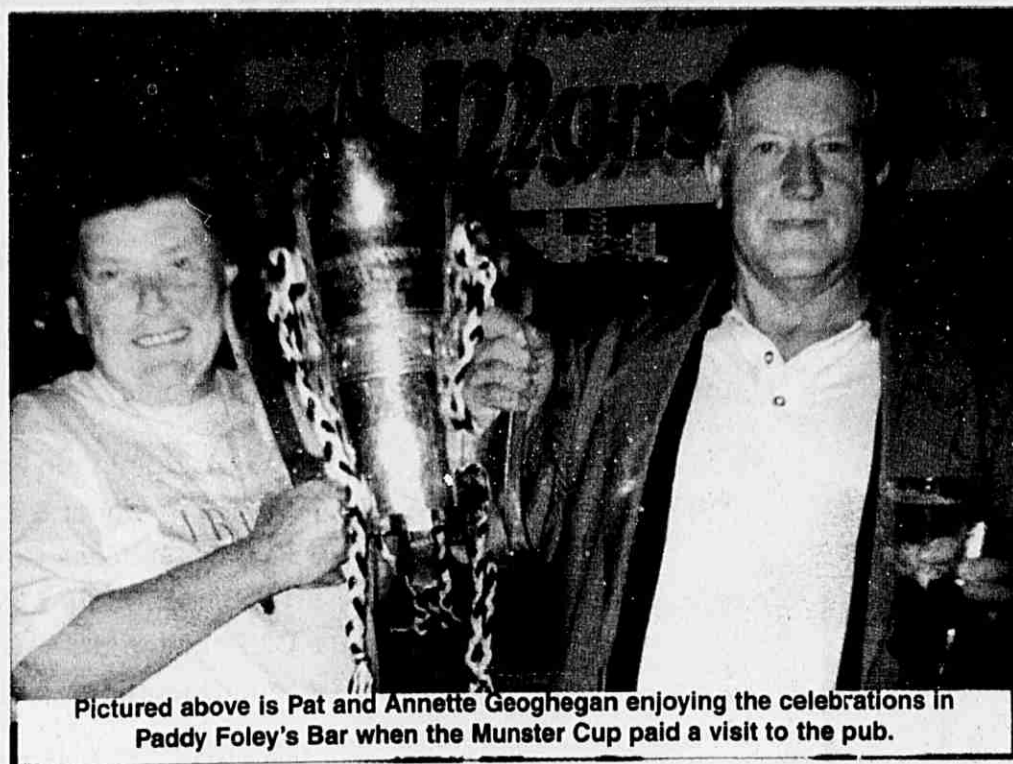

Unfortunately this event did not come to pass due to very wet weather conditions. However it is hoped that the sports and gala day will take place as soon as possible.

SUCCESSFUL IRISH NIGHT

All was not lost on Sunday last as the Irish Night went ahead as planned and was yet again a great success. Items from Scor na nOg and Scor na bpaisti featured and provided much entertainment and laughter for the audience. The highlight of the night was the County Treasurer Tony Morrissey and Jim Dee. Paddy Joe Ryan spoke of the success of the Waterford hurlers this year and encouraged all present to attend next Sunday's game. His words were echoed by Ollie Wilkinson T.D.. A sincere thank you to our invited guests for attending the Irish night and for bringing the Munster Cup to Melleray. The club wishes every success to the Waterford team in the All Ireland on Sunday next. Tickets for the match will be available on Wednesday night in St. Mary's hall between 9:00pm and 10:00pm.
