## GARDAI ISSUE WARNING ON USE OF ECSTASY

Gardai in Dungarvan have issued a warning on the use of ecstasy, after a woman in her twenties, it was alleged, consumed an ecstasy tablet, had to be rushed to hospital over the weekend.

Gardai on foot patrol found the woman lying collapsed on a pavement on Davitts Quay at around 2am on Sunday morning last.

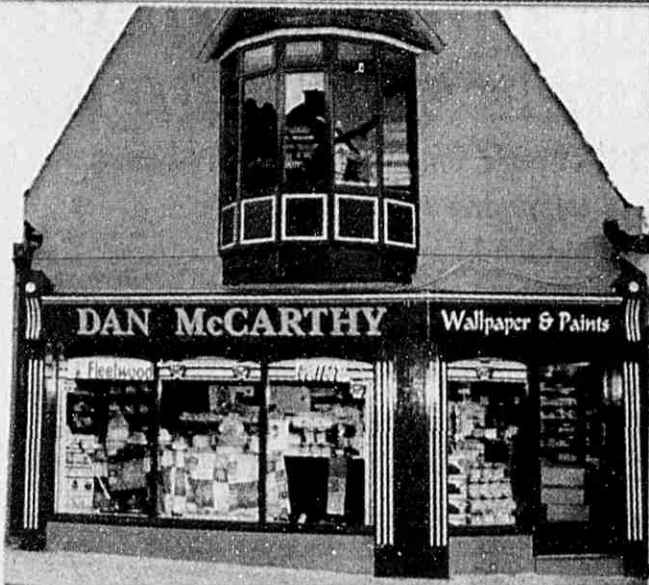

She was brought to Dungarvan Garda Station, but when there her condition deteriorated and an ambulance was called. She was taken to Waterford Regional Hospital where she was treated and later was released without admittance.

A Garda spokesperson issued a warning following the incident against the use of ecstasy tablets. He said some of the dangers resulting from the taking of the drug include organ failure and fatalities arising from the consumption of contaminated tablets.

In a separate incident, a man in his twenties was arrested at 3.20am under the Misuse of Drugs Act. He was found in possession of eur1,200 worth of ecstasy and was detained for a period at Dungarvan Garda Station. He was later released without charge.

A file has been sent to the Director of Public Prosecutions.

# COOKERY CORNER

## Spicy Chicken Kebab

THIS delicious and warming meal is best served with rice and salad.

**Preparation: 3 hours**

**Cooking: 25 mins**

**Ingredients**

(Serves 4)

- 1.5kg chicken pieces
- 2 onions, finely chopped
- 50ml oil
- 1 x 5ml sp dried thyme
- 1 bay leaf
- 1/2 x 5ml sp paprika
- freshly ground black pepper
- 4 small courgettes
- 4 small tomatoes

REMOVE skin and bone from chicken pieces, using a small sharp knife. Cut meat into 2cm pieces. Place in a bowl with onions, oil, thyme, crumbled bay leaf, paprika, salt and pepper. Wash courgettes, trim ends and cut into 1cm pieces. Add to marinade and marinate for two to three hours. Preheat grill. Drain chicken and courgettes, reserving marinade.

Peel tomatoes and cut in half, remove the seeds. Thread pieces of tomato, chicken and courgette alternately onto four skewers,

dividing ingredients evenly between them. Place on grill rack, brush liberally with marinade. Sprinkle with a little paprika.

Grill for 20 minutes or until chicken is well cooked, lowering heat to moderate after five minutes and turning skewers to cook evenly.

## Mussel in on this Moules Marinieres

THERE are several versions of this recipe for mussels but this is the easiest to prepare.

**Preparation: 30 mins**

**Cooking: 10 mins**

**Ingredients**

(Serves 4)

- 4 pints mussels
  - 1 small onion
  - 3-4 x 15ml sp dry white wine
  - 25g butter
  - 1 x 5ml sp plain flour
  - 1 x 5ml sp chopped parsley
- WASH the mussels in cold water, scrub shells and rinse to remove all grit. Pull away the beards. Discard any mussels with broken shells and any which remain open when tapped. Thoroughly butter the inside of a large saucepan. Peel and

finely chop the onion put in saucepan with wine. Place all mussels in the pan at once and cover with a lid. Cook over high heat and shake pan for three to five minutes until all the mussels have opened. Take pan from the heat and lift out the mussels, discarding any that have not opened. Remove the empty half shell from each mussel and place the other half with the mussel attached in individual soup plates. Keep hot. Cream butter and flour together and blend into the liquid in pan. Stir the sauce over a low heat until it has thickened and is boiling. Add the parsley and pour over the mussels. Serve at once.

## Marrow Casserole — firm and tasty

MARROW has such a high water content that it loses most of its flavour if steamed or cooked in water. Check out the recipe below, and serve up firm, tasty marrows on your dinner table...

**Preparation: 10 mins**

**Cooking: 30 mins**

**Ingredients**

(Serves 4-6)

- 1 young marrow
- 50 g butter
- 2 tx 15ml sp mixed fresh herbs - tarragon, mint, parsley and chives
- Salt and black pepper

**Method**

CUT the marrow into 2.5cm thick slices.

Peel and cut them into rough chunks, discarding all the seeds as you do so. Butter an oven proof dish thoroughly. Add the marrow with the remaining butter cut into small knobs and sprinkle it with the mixture of fresh, finely chopped herbs. Season with salt and freshly ground pepper. Cover the dish with a lid or foil and bake it in the centre of a preheated oven at approximately 180°C until just tender - after about 30 mins. Be careful not to overcook. Serve the marrow at once, straight from the dish.

## Health Tips from "Remedies"

### BLACK COHOSH

USES Menopausal symptoms

Black Cohosh is a member of the Buttercup family, originally used by the Native American Indians, who gave it the name 3Squaw

Root2, for its effect on normalising the female hormones. HOW IT WORKS It seems to act both directly on the tissues of the reproductive system and indirectly through the nervous system.

Black Cohosh contains several important constituents. One group of constituents acts to reduce the concentration of Lutensising Hormone, which in turn decreases the relative balance of progesterone in favour of the oestrogens. At the same time, another group has been found to act directly on oestrogen receptors.

The herb provides a natural source of salicylic acid. This accounts for some of the beneficial effects seen with painful menstruation during menopause. (Do not use Black Cohosh if allergic to Aspirin.)

# MYTHS AND LEGENDS

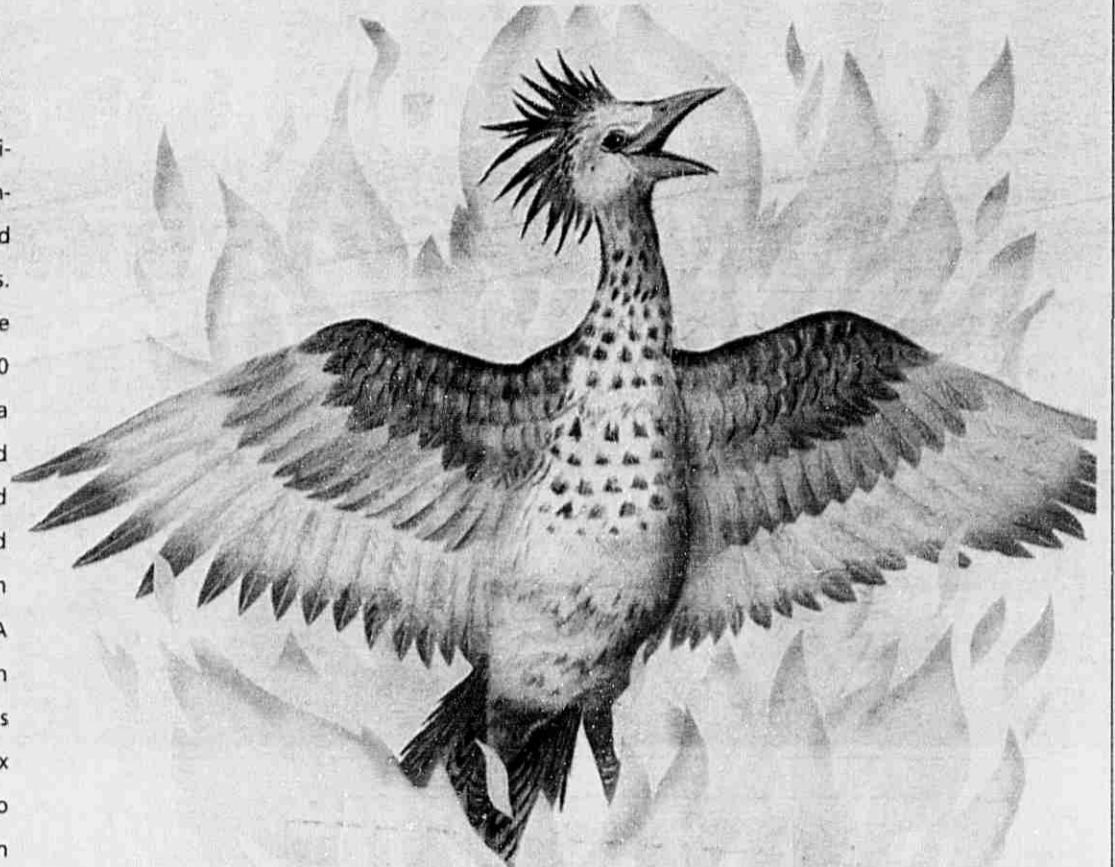

**MYTHS AND LEGENDS** are tales of god and goddesses, monsters and heroes. But they are also stories that explain the many mysteries of life, such as how life began, what happens when we die or why the sun rises at dawn and sets at dusk. As well as explaining life, myths teach the rules of life — good triumphs over evil, and weaknesses like greed or vanity are always punished. Many myths have survived for thousands of years, passed down by word of mouth, or in pictures and written words, and these shared stories bind communities together. Every culture of the world has its own myths, and although the stories they tell are very different, they often have the same themes. Legends are different from myths in that they are thought to have basis in historical fact and to tell of real people. But as they are told over the centuries, the details of the legend are exaggerated and elements of magic may be added to make the story more colourful.

**MONSTERS** — Myths are full of fabulous beasts and dreadful monsters. Dragons of all shapes and sizes appear in many mythologies. In most cultures dragons represent the forces of evil that must be overcome, but in Chinese mythology, dragons represent good fortune.

## THE PHOENIX

The Phoenix was a mythical Greek bird, with shimmering feathers of gold and bright colours. Believed by some to have a life cycle of exactly 500 years, the phoenix is a symbol of immortality and renewal. When the old phoenix reached the end of its life, it would burn itself on a funeral pyre. A young bird would then rise from the flames in its place. The young Phoenix would fly with its father to the altar of the Sun God in the Egyptian city of the Sun, which the Greeks called Heliopolis.

## Waterford Co. Council Launches New Collection Points for Household Hazardous Waste

Waterford County Council has recently installed collection points at Tramore landfill and Lismore civic amenity site for the public to drop off household hazardous waste and end-of-life electronic equipment. A third drop-off point is planned for Dungarvan in the near future.

According to Celine Horner, Environment Education Officer, at Waterford County Council "there are a

whole range of materials in households that have the potential to cause environmental pollution if they are not disposed of correctly. With these new facilities, the Council aims to divert hazardous waste from landfill and to raise awareness about the opportunities that we all have to prevent and minimise this difficult waste stream".

The first load of household hazardous waste was collected from Tramore landfill this

week by a company called AVR-Safeway Ltd. The crew collected a mixture of paints, batteries, garden chemicals, adhesives, cartridges for ink jets, faxes and photocopiers, old electronic equipment, old mobile phones, aerosols, cleaning agents, fluorescent light tubes, waste oils and old medicines. These were then transported back to the company's transfer station in Fermoy where they were sorted

and sent on for recycling or safe disposal in the UK or mainland Europe. There are various destinations for the materials, for example, fluorescent light tubes are shipped to a recovery facility in the Netherlands where 98% of the material in the tubes is reused.

The installation of these collection points for household hazardous waste is a further milestone in the Council's ground breaking recycling campaign, which has seen a 25% reduction in household waste going to landfill since November last when kerbside recycling scheme was first introduced.

The EPA's National Hazardous Waste Management Plan has recorded an increasing trend in the amount of hazardous waste generated in Ireland over the past few years. Hence, the need to counteract the trend. Because prevention is better than cure, the Council has produced a special information leaflet for householders that shows the alternatives that can be used for some of the toxic cleaning products. The information leaflet is available on the Council's Web Page [www.waterfordcoco.ie](http://www.waterfordcoco.ie)

The first batch of household hazardous waste from Waterford County Council's Collection Point at Tramore Landfill is collected for recycling and safe disposal.

### POST LEAVING CERTIFICATE COURSES AT DUNGARVAN TECHNICAL COLLEGE

## FETAC (NCVA Level II) in Art, Craft & Design

With their emphasis on practical application, continuous assessment and attention to the individual, the Post-Leaving Certificate Sector is ideally suited to pro-

grammes in art and design. Dungarvan Technical College operated one such course, which is designed to develop the technical and creative skills of students in a

great range of art disciplines. The course takes place over one year (full-time) or two years (part-time) and modules covered include: Print-making, Painting, Design and Metal craft, Drawing, Combined Materials, Graphic Design, Ceramics (Pottery), Textiles, Computer Applications, Work Experience and Jewellery Making. The course is certified by the Further Education and Training Awards Council and successful students will receive the F.E.T.A.C. (N.C.V.A. Level II) award in Art, Craft and Design.

#### PORTFOLIO PREPARATION

According to Danny Cunningham, the course co-ordinator, the course has a two-tiered structure. He explains: "This intensive and challenging course is designed to develop technical and creative skills in a great range of art disciplines. While the aim of the course is to enhance the creative talents and visual awareness of all students, it serves as an excellent preparatory course for entry into third level studies through the preparation of a portfolio".

As such, students who intend to progress to further

Art Studies will produce a portfolio to standard high enough to achieve this. To date, a number of students have accessed places at 3rd level including Aileen Griffin, who was recently offered a place at Waterford Institute of Technology. Other graduates of the course are currently pursuing courses at Crawford College of Art and Design and Limerick Institute of Technology.

#### MATURE STUDENTS

Alternatively, the course will accommodate mature students who desire to build on their interest in art and design and wish to pursue it in their leisure time. In this stream there will be great emphasis on teaching the basic elements of drawing and painting and this course is geared towards those who wish to develop their skills in this area. The course co-ordinator adds, "What the students have found about this course is that even absolute beginners can develop their skills to the extent that they surprise themselves in their project work and receive very successful results". In addition to normal classes and workshops, both courses are complemented by visiting artists who will give talks

and demonstrations. Students will also have an opportunity to visit galleries and artist's studios. It is also envisaged that all students will work towards exhibiting their work to the public at the end of the academic year, such was the success of this year's exhibition at the Old Market House

Arts Centre, Dungarvan.

Interested applicants can obtain a prospectus by telephoning Dungarvan Technical College at (058) 41184. There are no tuition fees and applicants may be eligible for a maintenance grant. Closing date for receipt of applications is 31st August 2002.

### NEW COURSE AT DUNGARVAN TECHNICAL COLLEGE

#### ENGINEERING TECHNOLOGY/CONSTRUCTION TECHNOLOGY

Due to popular demand, Dungarvan Technical College will re-introduce two courses which have run successfully in the past - Engineering Technology and Construction Technology.

These courses are aimed at students who wish to access further training, education or employment in the engineering or building construction industry. Each combines a practical foundation in Engineering or Construction with the theoretical aspects of the particular specialism. It is proposed that classes be combined for common subjects such as Communication, Maths, etc, and will operate independently for subjects relevant to their course.

Both courses are one year in duration and successful candidates will be awarded the FETAC (N.C.V.A) Level 11 award in Engineering Technology or Construction Technology.

There are no tuition fees for the course and students may be eligible for maintenance grants.

#### CAREER OPTIONS

The advantages to pursuing either course is that each enables students interested in the engineering or construction industries to access further education, training and employment within these areas.

#### EMPLOYMENT

On completion of either course, students may gain direct employment in either engineering/production companies, mechanical services industries, building/construction companies or building services industries (depending on which course they have chosen).

#### EDUCATION

Students can access Engineering courses at 3rd level by using their Post Leaving Certificate qualification through the higher Education Links Scheme. Waterford Institute of Technology gives bonus points through the 'Points Enhancement Initiative' which it operates. The Construction Technology courses in Institutes of Technology course is linked to a wide variety of mechanical and electronic engineering courses in various I.T's.

#### TRAINING

Alternatively, graduates from either course may wish to serve an apprenticeship in their particular specialism with local or national firms.

Interested applicants may obtain an application form and prospectus by telephoning 058-41184. Completed forms are to be returned by the end of August and interviews for each course will take place in early September.

## BEAUTY THERAPY COURSE

This year we are delighted to introduce a 2-year training programme in Beauty Therapy. The world of Beauty Therapy offers an endless number of exciting opportunities and a career in Beauty can be your passport to success. Beauty Therapists provide a whole range of personal care beauty treatments to a wide range of both male and female clients in a variety of facilities from local salons to Health & Fitness Clubs, Health Spas, Hotels, Leisure Complexes, Cruise Liners and Therapy Centres. Opportunities abound within the profession. Therapists can easily become self-employed, practising either in a beauty salon or on a mobile basis. Other opportunities include working as a beauty consultant for a cosmetics manufacturer or as a cosmetic sales representative - the list goes on.

The escalating awareness of seeking guidance and treatment for skin and body improvement may have been prompted into action by critical self-appraisal. Public interest is stimulated and professional help is increasingly sought. Would you like to train to be THE PROFESSIONAL? Many beauty treatments are for cosmetic reasons, such as waxing or electrolysis to remove unwanted hair, or eyelash and brow tinting for effect and appeal, or manicures and pedicures for grooming. But several treatments have gained in popularity as the "healthy body" fashion grows, such as facials and massage.

It is not always understood by the general public that such a great deal of theory has to be assimilated, and a very high level of physical endeavour expended in Beauty Therapy training if correct methods are to be used and the proper standard of expertise achieved. Wherever the body is handled, the beauty therapist requires to work with the highest standard of ethics and care and unless the student can learn to diagnose what she can and cannot do, which way the therapy should be done, how much is needed and in what way she should use apparatus involved, she cannot be confident. This Beauty Therapy training course will give that confidence.

The course syllabus and examinations are governed by ITEC (International Therapy Examination Council). ITEC is an extremely professional body with world-wide recognition, so your qualifications will open international doors for you.

## GOLDEN CELEBRATION FOR CAPPOQUIN NATIVE

One golden couple with local connections had cause for celebration recently, as they returned to the church where they were married, and marked their fifty-year wedding anniversary with a special anniversary Mass.

Sean and Ellen Brophy celebrated their golden wedding anniversary in St. Bonaventure RC Church in England before heading for a celebratory meal at the Red Lion, Hatfield surrounded by a large number of friends and family.

Ellen, who originally hails from Cappoquin, is a daughter of William O'Donoghue and the aunt of Waterford County Councillor, Nora Flynn. She worked in Dungarvan Hospital, before she left Ireland in 1948, moving to Hertfordshire, where became she a nurse in the local hospital in Welwyn Garden City.

"It is not very often people are together for fifty years", she said. "I thought it would be nice to go back to the church we were married in and give thanks."

The pair were introduced to each other by Sean's sister Rita. Their children - John, Martin, Bernard, Michael and Finola - were all born in the couple's first home in Bushey Lee.

Ellen said "We are so lucky to be together still. We have had our ups and downs but who hasn't."

She added: "I suppose the real knack is coming to terms with sorting the problems out and being back to a loving family again".

Ellen said her 76-year-old husband, a former carpenter, is very supportive of her in everything she does, including raising money for charity.

Last year Ellen raised £500 on a sponsored slim during Lent and this year she raised £336.

## TOURANEENA NOTES

### RECENT DEATH

Maurice Burke, Tinalura passed away peacefully on Sunday morning 11th August, after a very short illness

in St. Joseph's Hospital, Clonmel. Although Maurice had no immediate family his death was a shock and a loss to his brother Willy, sister Anne and his many nieces & nephews, sisters-in-law, his great friends John Power and Paddy Morrisson and the O'Grady families. However, Maurice, a keen gardener, will always be remembered, be it when the first flowers of Spring start to blossom or when the many shrubs he planted in friends and neighbours gardens continue to bloom. Maurice will be sadly missed by all who knew him. The funeral took place on Monday night in St. Mary's Parish Church, Touraneena with burial in the adjoining cemetery after requiem Mass on Tuesday morning.

Undertakers John & Pat Troy, Lismore. Mass celebrant was Fr. C. Kelleher P.P., Touraneena. May he rest in peace.

### Healing Mass

A healing Mass will be held on Thursday 22nd August in St. Mary's Church, Touraneena at 7 o'clock. This Mass will be celebrated by healing priest, Fr. Michael Walsh, Chicago, U.S.A.

## Warning On Gaeltachts Future Issued By Minister At Daonscoil in Ring

Speaking at the opening of Daonscoil na Mumhan in Ring, on Saturday last, the Minister for Community, Rural and Gaeltacht Affairs, Eamon O Cuiv, warned that the future of Gaeltachts are under threat.

"Gaeltacht communities have to make a choice", he said, "and that is to support the Irish language or to turn their backs on it and let it die".

Arising from the recommendations of Coimisiun na Gaeltachta, the Minister said that it is his intention to prepare an action plan immediately to present to the public and he will be looking for support from the public for that plan.

Minister O Cuiv continued "I recognise the responsibility of the State to the Irish language in Gaeltacht areas and to the Gaeltacht way of life. I intend to build on the work that is already being done to provide a high standard of living for the youth of the Gaeltachts."

There will be particular emphasis in this action plan, the

Minister said, on ensuring that Irish is the language of the young people in the Gaeltachts, and on the provision of the facilities to that end.

Plans include Irish language crèches, pre-schools, primary schools, and secondary schools and third level education as well as sports clubs and other pastimes and activities run through Irish.

"This doesn't only apply to 'strong' Gaeltacht areas; the same opportunities will be afforded to people living in 'weak' Gaeltacht areas. The only condition that applies to the provision of the likes of this is that the majority of the community would support this approach. Without the support of the people no effort will succeed."

The Minister said with the will of the public and with the right extra state investment that he is going to try and secure, it is possible, over twenty years, to turn the weakest Gaeltachts into strong ones.

Minister O Cuiv intends to publish details of this action

plan as soon as possible and seek the advice of the state agencies and the communities who are central to the Irish language, organisations

such as Udaras na Gaeltachta, Foras na Gaeilge, Meitheal Forbatha na Gaeltachta, TG4 and Radio na Gaeltachta.

### Leading English Choir To Perform in Lismore Cathedral

A Choir from Chester Cathedral, who have already featured in a number of live radio and Television broadcasts, is to perform in Lismore Cathedral on Thursday week, 29th of August, and are due to sing several Barbershop items as well as music from their own repertoire.

David Poulter, Organist and Director of Music at Chester Cathedral since 1997, will conduct the choir. Under his direction the Cathedral choir has undertaken a number of CD recordings and live radio and TV broadcasts. Philip Stopford, assistant organist of Chester Cathedral and an avid composer, will also accompany them at the concert in Lismore.

Most of the Choirs music dates from as far back as the 16th Century when composer, Robert Whyte, was organist of Chester Cathedral. But, at the same time, the renowned Choir is open to music that is more contemporary.

In fact, the Cathedral has commissioned numerous pieces from present-day composers, including Paul Ledington Wright. Two of his pieces are in their repertoire: "The Water of Life" and "Christ's Blessing". And, alongside Mozart's "Ave Verum" and Parry's "I was Glad" will be Hurd's "Jonah-man Jazz".

The choir will stay for a couple of days in Dungarvan, and will rehearse in St. Mary's Church of Ireland on Wednesday 28th and Thursday 29th of August from approximately 9am.

The concert in Lismore Cathedral on 29th August commences at 8pm. Entrance is free and a collection will be held in aid of the Cathedral restoration fund.

This Thursday, Lismore Cathedral features a recital by the Dean of Lismore, William Beare, baritone, and Cathedral Organist, Jan Van Putten. The concert starts at 8pm, and again entrance is free. Waterford County Council's, Arts Grants Fund 2002, is supporting both concerts.

Congratulations to all students in the area who received exam results last week. Wishing you all the best of luck for the future and let's hope you get the course you applied for.

### PATTERN DAY

The Pattern day began with a hint of magic as the sun shone high in the sky promising a warm day for our annual parish event. The parade of fancy dress began proceedings at 2:00pm and what a spectacle it

was. The judges had a tough decision to decide between them all. The childrens races were ran off amid great shouts of laughter and encouragement from the adults on the sideline. Well done to all the children who took part and enjoyed the challenge against their friends.

The numerous sideshows were all put to the test and we know now who can shoot the ball through the tyre and who has been practising pitch and putt during the summer! The Bouncy Castle was a big hit with all the children, as was the face painting. Another big attraction for everyone was the pony rides around the field, thanks to Jimmy O'Brien for giving us his pony and cart.

The evening events began with the Ladies Football and well done to Na Deise who beat St Pat's in a great match. The U-10 match was won by Old Parish and the mens football saw victory going to The Bricks. The tug-o-war showed a sample of the strength from four areas in the parish, with the Lower Glen team coming out as the eventual winners. Well done to everyone who took part. All results from the Pattern will be posted next week.

The finale came with darkness and a big crowd descended on Deckie's to enjoy the aprè Pattern atmosphere. A great nights entertainment was provided by Batty and Collette and enjoyed by everyone into the night.

Thanks to everyone in the Pattern Committee who worked hard to get the Pattern up and running, to all the children and adults who supported the event, all the teams who provided opposition in the matches and especially to all who kindly sponsored the Pattern we appreciate your continued support. Looking forward to next year and hopefully another great Pattern Day.

# Give Your Plot A Bit Of Balance

MUCH admired by gardeners for their architectural value and long-term interest, ornamental trees and shrubs are excellent for forming the skeleton of a planting design.

In a mixed border they provide welcome solidarity and substance, balancing the softer pleasures provided by herbaceous plants.

Grouping evergreen and deciduous trees and shrubs together also allows you to create an effective display all year round. Such a display also requires relatively little maintenance as well as giving a diversity of shapes and forms.

A wide range of shrubs and ornamental trees can be grown in most gardens even if the soil is not ideal. Some of the more popular ornamentals include japonica, lilac, laurel, fuchsia, rhododendron, yucca, abelia and acacia. But many of the rarer and less popular species can help liven up a dull garden.

Shrubs and trees may be bought direct from garden

centres and nurseries. They are usually sold in containers, either root-balled or bare-root.

Shrubs on sale should be accurately labelled, healthy, undamaged and free from pests or disease. Inspect the plant before buying and select a specimen with evenly distributed branches close to ground level. Some suppliers may give a guarantee to replace the shrub if it dies in the first year provided it has been given reasonable care.

Autumn to spring is the planting season for both bare-root and root-balled shrubs. Planting in the autumn allows the root system to establish while the ground is still warm.

Planting may be carried out during mild weather in winter, but not when the ground is frozen. Roots will not grow in very cold soil and there is a risk they will be killed. The major disadvantage of planting in the spring is that top growth is likely to

develop before the roots establish, and if there is an early spell of dry weather the plants may need constant watering to survive.

The ground needs to be prepared well before planting by digging in a layer of well-rotted organic matter. Fertiliser can be added if appropriate. The hole for planting should be twice the width of the root mass. After planting water the shrub and mulch.

Newly-planted shrubs can be protected from the elements by hessian or wooden structures and an anti-transpirant spray can be applied to the leaves.

Established shrubs need watering only in periods of prolonged drought but young specimens usually need regular watering.

Most ornamental trees and shrubs benefit from regular applications of fertiliser. Mulching with well-rotted bulky manures helps the soil conserve moisture and inhibits weeds.

**STANDING out:** An ornamental tree will act as a balance to some of the softer elements of your garden

## LISMORE SOCCER NOTES

On this coming Sunday our season gets underway (check kick off time under Red House League notes) when we play the first game in the Tony Bolger Cup. A good chance for some of our younger players to stake a claim in the first eleven. Before that we have a meeting on Friday night in the Red House Bar at 9:00pm. with membership dues on the agenda and also the Red House League draw. Being discussed is a huge chance to make revenue for our club, just a small amount of effort and a little support from the local community would be very much appreciated.

### LISMORE UNDER AGE SOCCER NOTES

We are still continuing our training session on Wednesday evening lads, so keep up the interest as we are trying to arrange some more games for all teams. The under 10 team still has 2 remaining games in the league. Just trying to facilitate the two other clubs is proving very difficult. Finally on Wednesday's training session the lads will receive a note from the committee of Lismore F.C. appealing to all parents to purchase one of the Red House League draw tickets as 50% of the 30E ticket goes to the club which is priceless revenue for this newly formed un-

Draw for partners and times to be held in clubhouse at 9pm. Thurs 29th, Fri 30th, Sat 31st and Sun 1st Sept Lismore Golf Club Classic 3 person team - any combination 75 Euro per team. Time sheet in operation (058) 54026.

Our Juniors were again in action this week and after a lesson from David Hayes they all set off with high hopes. It certainly helped Owen Condon (32) who was a first time winner in the boys with 36 strokes, being 4 strokes clear of runner up Dean Pratt (32), Dean edging Barry Moroney (37) out of contention due to a superior last 6 holes both lads posting 40 strokes.

In the girls, the Morrissey girls show no signs of faltering, Nicola (37) winning this week, with 48 strokes 3 clear of Tanya (38) with 51 strokes.

After a decent week weather wise it deteriorated rapidly Friday evening and continued with gale force winds and heavy rain to cause the cancellation of the eagerly awaited Keniry's Open Qualifier on Saturday. Wouldn't you know it, the weather changed at lunch time to glorious sunshine which stayed for the rest of the day. The final has been re-scheduled for Saturday 21st September. In our curtailed weekend competition Knockanore's Frank Roche (14) was the man with an excellent 40 points, being a handy 3 points clear of runner up, Corkman Sean Desmond (16), Sean edging the smiling Sean Buckley (12) into third place due to superior last 9 holes, both players with 37 points.

This coming weekend sees our Presidents prize kindly presented by T.W. Murphy who has been as fully committed to his duties as anyone can be and deserves your full support for his weekend.

The following weekend sees our course development Club Classic. The format will be a three person team - any combination. Two scores to count at the fourth and thirteenth holes respectively. The entry fee is 75 Euro per team. Time sheet in operation for both events (058) 54026.

# RECENT DEATHS

## Margaret (Madge) Hearn (nee Allen)

It is with deep regret that we record the death of Margaret (Madge) Hearn (nee Allen) Killotteran, Butlerstown and Parklane Ave, Abbeyside and originally from Tallow, who died peacefully at Waterford Regional Hospital on Tuesday 6th August. Madge was a lady of charm and sincerity who trained as a nurse in the County & City Infirmary and also worked in Ardkeen, St. Patricks, Crumlin, Harcourt St., Stillorgan in Dublin and Kilkenny. She showed her true qualities in her work by showing compassion and care to her patients over her career.

Madge became a widow at a young age having lost her husband Jack R.I.P. after a few years of marriage. Her family meant everything to her, her daughter Cathy, son-

in-law Andrew, grandchildren Jamie, Marguerite, Freida & Evan whom she used to visit regularly.

She resided in Abbeyside for over 20 years and became very involved in many clubs and organisations. She was a member of Dungarvan I.C.A., Museum Society, Dungarvan Flower Club, Dungarvan Nurses Guild, Comeragh Bridge Club and Probus Retirement Group, where she made many wonderful friends. Rosary was recited on Tuesday evening by her family at the Dungarvan Hospital Mortuary. Her removal took place on Wednesday evening to Af-fane Church. The remains were blessed and received by Very Rev. Fr. Hubbard C.C., Very Rev. Fr. Barron P.P., Very Rev. Fr. Doherty P.P. (Abbeyside) and Very Rev. Fr. Arthure, P.E. Cappoquin.

Funeral Mass was celebrated on Thursday morning at 11am. by Very Rev. Fr. Doherty P.P. assisted by Very Rev. Fr. Hubbard and Very Rev. Fr. Carey P.P. Her grandson Jamie did the readings. Her coffin was shouldered to the adjoining cemetery by her family. To her daughter Cathy, son-in-law Andrew, grandchildren Jamie, Marguerite, Freida & Evan, sister Eily and Kathleen, sister-in-law Maureen, nephews, nieces, good friends and neighbours, we offer our deepest sympathy.

(Funeral arrangements were by Maurice J. Noonan &

Son, Funeral Directors, Cappoquin)

# STRADBALLY NOTES

## GARDEN FETE- A SUCCESS

Fortunately the bad weather let up for a day and the sun burst forth ensuring a good turn-out to the St. James' Union of Parishes Garden Fete. As usual the home baked goods were snapped up, bric a brac and toys became someone's new treasure. George Crowley had an ingenious grid contraption on a trailer with 'find the 20 euro', the bottle stall did a booming trade, plant lovers still bought in hope that the Summer would arrive, teas were served inside the school and the kids (and participating adults) thoroughly enjoyed searching for clues on the mystery trail set up by Reverend Wright. The event was a great success and thanks must go to all who assisted getting everything ready and helped on the day.

## WHIST AT THE GAA

Another Whist night rolls around this Friday night at Stradbally GAA Club. Everyone is welcome from the young to the not so

young! Come along and enjoy a good nights entertainment and be in with a chance to win lots of prizes.

## RIVER POLLUTED AT STRADBALLY COVE

Waterford County Council have erected signs on the river at Stradbally cove, on the advice of the South Eastern Health Board, warning people not to go in the river by the beach. River water tests taken by The South Eastern Health Board show that the river has very high levels of contamination primarily from sewage and it is extremely dangerous for young children to ingest the water. It appears that there is a general misunderstanding locally as to the reason why the signs have been erected, many believing that the County Council are warning of a current

in the river and continue to let their children play at the water's edge. The water is not safe to bathe in, paddle in or use to wash hands or utensils.

## SYMPATHY

Sincere sympathy is ex-

tended to Ger Cusack of Fahafeelagh on the death of his father John who won an All Ireland hurling medal with Waterford in 1948. John is also survived by his wife Maudie nee Flynn who is a member of Bally Whist Club and his brothers Phil and Paddy who are well known in the locality. The death has taken place in England of Alice Gallagher nee Power late of high street, Stradbally, and she was sister of Josie Wells, Eily Begley and Jackie Power to whom sincere sympathy is extended in their bereavement. Sincere sympathy is also extended to Liam Hogan of Knockrour and Tone Hogan of Ballyvoile on the death of their brother Tom in England.

**FAUGHEEN**- a report from Holy Cross The sun shone brightly last Friday August 18th for the annual open air mass in Faugheen church near Bunmahon. There was a large gathering of people, some for the first time, and others like John and Willie O'Meara continuing a long tradition of being present year after year. The Chief concelebrant was Fr. William Callanan assisted by Fr Brendan Crowley, Fr. Gregory Power and Fr. Michael Enright.

## THEOLOGY

Would you like to study Theology from home? In the world of the new millennium Theology is being discovered as an exciting and fascinating topic and more and more people are taking it up. This September the course on offer from The Priory Institute run by the Dominican order in Tallaght Village, Dublin is Foundations of Scripture, introducing participants to the study of the bible. The cost of the course is 350 euro including the pack, seminars and tutorial help and anyone interested is asked to contact Fr. Enright or Fr. Power as soon as possible.

## CARRAIG AN IFRINN

A final reminder of the annual Mass at Carraig an Aifrinn on next Monday August 26th at 7 pm. It is hoped that the weather will be favourable and the organising committee along with the civil defence have everything in hand to ensure the safety of all. There will be refreshments after Mass along with some musical entertainment and all are welcome.

## COVE

The cove is still on display in Holy cross church in Stradbally and will remain there until after the announcements of the winners of the Entente Florale and the Tidy Towns competition.

### Western Junior Hurling Championship Cappoquin 2-08, Ballysaggart 2-04

Cappoquin juniors played Ballysaggart last Friday and came away with a win in a good contest. Panel - John Lynch, Conor Heffernan, Liam Costin, Shane Barry,

Brendan Scanlon, James Lacey, Noel McCarthy, Steven Kett, Martin Lacey, Pat Morrissey, Steven Landers, Alan Hogan, Michael Fraher, Mick McCarthy, Mark Mason, PJ Veale, John Ahearne and Liam Lacey.

### Three to Answer

1. Who refereed this years All-Ireland Hurling Semi-Final between Clare and Waterford? 2. Who won this years All-Ireland Hurling title? 3. What club does Clare's Brian Lohan play for? Answers will appear in this section next week.

### Last Weeks Answer

1. Waterford were the only county to win the All-Ireland Minor Hurling title without scoring a point in 1929 against Meath 2. Billy Tobin (Shamrocks) was the local man that won the All-Ireland long puck competition on the

Cooley Mountains in County Louth 3. Cappoquin, Abbey-side and Dungarvan are the only three clubs from the Western Division to have had players on Waterford's only All-Ireland Senior Hurling winning teams in 1959 and 1948.

### On The Mend

At present club players Donagh Cummins, Sean Costin, Stephen Kett, Liam McLaughlin and Stephen Power are out of action recently due to injuries. We wish them all a speedy recovery and hope to see them all back playing soon enough.

### U-14 Football Western Championship (Div 1)

In the last week Affane defeated Dungarvan and drew with Stradbally in two entertaining games. This Monday August 26th, Affane make the journey to Aghlish to play St. Oliver's. Panel - David Cahill, Mickey Fenton, Daithí Wilkinson, Seamus Fitzgerald, Killian Denn, Mark Landers, Joe Kett, JJ Devine, Shane Fives, Shane Power, Paul Murray, Kieran Flynn, Steven Power, Shane O'Rourke, Derek Cahill, Ian Mason, Paudie Moore, Olan Murray, Gary Hallissy and Darren Curran.

### U-16 County Hurling Semi-Final (Div 2) Cappoquin 2-7, Ballyduff 3-6

In Lismore last Saturday evening where the pitch was in superb condition, it baffles me why there are so few games played at this venue. Cappoquin played Ballyduff for the second time in this championship. After beating the "village" earlier in a close contest, this was always going to be a close affair, and whoever got and took the breaks were going to win and this is exactly what happened in a good exciting game. Both sides gave their all and without a doubt the best man on the field was Keith Landers, who accounted for 2-5 of Cappoquin's total of 2-7. Others to play well were David Kett, Paul Murray and Shane Fives. All these lads have been tremendous all year winning seven of their eight league games and topping the table. This says a lot for this bunch taking into account that we were supposed to be in Division 3 at the start of the year, but we decided to jump up a Division and it was the right decision to make. Finally, our club would like to wish Ballyduff the best of luck in the County Final this weekend. Panel - Dan Bransfield, Shane Fives, Tim Looby, Donal McGrath, JJ Devine, Paul Murray, David Kett, John Cunningham, Paul McGrath, Gearóid Coughlan, Keith Landers, Cathal Wilkinson, Pat Devine, Paul Barry, Shane Power, Daithí Wilkinson and Glenn Morrissey.

### U-12 Football

### U-10 Semi-Final

### Managers for New Season

Managers for the season have been selected and are as follows - U-11 Micheál Walsh, U-12 Stephen Curran Asst Michael Looby, U-13 Stephen Crotty, U-14 Michael Looby, U-16 Mark Coffey. Each team will need an assistant manager so we would be grateful for volunteers to help with the teams.

### Fun Day

Our recent Fun Day was a great success, raising badly needed funds for the Juvenile Club. The U-9 Cup was played on the morning and we reached the Final only to lose out on penalties. Our U-10's were beaten by Clashmore and our U-11's played out a draw with the same opposition. The club tournament was next in which we had six teams. The eventual winners were Brian Bannons team of Padraig Moore, Daithí Wilkinson, Ray McClone, Donal McGrath and Owen Landers. This club tournament was very enjoyable and we hope to hold one again in the near future. Details at next Thursday's training. Finally we had a mixed U-14 game which was marvellous fun and indeed the girls were able to show up the boys with their definite skills!

By far the most popular event of the day were the childrens races and we ran races from toddlers to U-14, egg & spoon and sack races, married men/ ladies etc. A great day was had by all the children with both slide and castle busy all day also. Next year we intend to hold it on the same weekend ie. 3rd Sunday in July. We hope to have some adult entertainment and a few new ideas to keep it interesting.

### Congratulations

Congratulations to Brian Bannon who was on an U-15 International Trial recently and acquitted himself very well. He also attended a Nottingham Forest Trial/Coaching Session last Saturday. Exciting opportunities for Brian and the club. Well done!

### Red House League Draw

## BLACKWATER LOSE OUT IN ALL IRELAND FINALS

We beat "not men but giants" away in New Ross 6-4 in round 2, round 3 saw us white-wash Connolly from Tramore 10-0. In round 4 we tied with Paulstown 5-5 winning on the best card in Borris Golf Club. Our fifth round opponents were from Limerick, we defeated them 6-4. Lastly we beat the Hill from Galway 9-1 in round 6, the last two rounds we played in Lismore.

We would like to thank society captain Mr. Anthony O'Rourke for his trogan work done throughout the campaign. Thanks also to our president Mr. Edward Bydden who played a vital role of motivating teams out on the course throughout the year. Thanks to Pat Moore who caddied over the weekend. Thanks to Des Gibson from the Star and to the management and staff of Dundrum House and Golf Club for an absolutely fabulous weekend. Lastly thanks to all the panel who played, whose commitment to the cause and great golf play got us to the brink of being all Ireland champions.

All members should take note that the 2nd last outing of 2002 is Mr. Edward Byddens Presidents Prize to be played on the 22nd of September, ironically in Dundrum Golf Club, hope to see you all there.

A party for all members and wives to honour being 4th in Ireland will be held next Monday in the pub at 9 p.m.

After intense competition running since last February which involved 6 rounds of matches the Blackwater House Society team bid farewell to the All Ireland Society Championship sponsored by the Star Newspaper and Golf Works at the grand final stage. Four societies who were Clara from Offaly, Kilbeacanty Peterswell from Galway, Lacey's Bar from Tipperary and Blackwater House Society began intense competition at the magnificent Tipperary Golf and Country Club at Dundrum House. From the outset Lacey's Society were the Red Hot favourites having the advantage of playing at their home course. After the first days play in glorious conditions we were 9 points behind Lacey's in 3rd place. Our first days scores were as follows Pat Landers and Jimmy Hornbrook 45 points; Charlie Barry and Michael Landers 44 points; John McGrath and Edward Fraher 41 points; Declan Glavin and Anthony O'Rourke 35 points; Noel Landers and Sonny Landers 32 points. With the best five scores only counting it gave us a 209 half way total. The panel all stayed in Dundrum House Friday night and starting Saturday morning were fresh and ready for action. Unfortunately weather conditions particularly early in the day were terrible. Scores were much lower and we had to set-

tle for 4th place with a combined total of 395 points. Scores on Saturday were as follows: Declan Glavin and Pat Landers 39 pts.; John McGrath & Sonny Landers 39 pts.; Charlie Barry & Michael Landers 38 Points; Pat Morrissey & Eamon Costin 36 points; Noel Landers & Jimmy Hornbrooks 34 pts.; Anthony O'Rourke & Edward Fraher 29 pts.

Later on Saturday evening all four panels were treated to a wonderful banquet in Dundrum House. Lacey's Society received the tickets for a trip to the Algarve which was 1st prize and congratulations to them on their wonderful success. 2nd, 3rd and 4th all received the same prizes including golf bags, kareel shirts, E100 vouchers for golf works, golf balls etc. As well as that each panel member from all 4 societies received a specially commissioned medal for qualifying to the grand final. The night was topped off by the free bar ensuring a great craic was had by all.

It is only fair to highlight how fantastic an achievement it was for the Blackwater Golf Society to reach the grand final. Over 200 societies took part, made up of 3,000 golfers, our society has 25 members, the 3 other finalists had membership of over 90 people at least. In our path to the final we had a bye in round one.

## DISABILITY AWARENESS

### FRIEDREICH'S ATAXIA WHAT IS FRIEDREICH'S ATAXIA?

Friedreich's Ataxia is a slowly progressive disorder of the nervous system and muscles. This disability was named after the physician who first identified it in the early 1860's results in inability to coordinate voluntary muscle movements (ataxia). Friedreich's Ataxia is caused by degeneration of nerve tissue in the spinal cord and of nerves that extend to peripheral areas such as the arms and legs. It also affects upper and lower limbs, and the head and neck. There is also a particular loss of the sensations of touch and pressure in the arms and legs. Unlike some neurological diseases, Friedreich's Ataxia does not affect mental capacity. This disability usually appears between the ages of five and fifteen, but it can be present as early as eighteen months old. This disability is uncommon and is inherited, it affects both male and females and no race is immune to it.

#### What are the symptoms of Friedreich's Ataxia?

Some of the symptoms of Friedreich's Ataxia are weakness in the legs, unsteadiness in standing, difficulties in walking, speech disturbance, sensory impairment, and as the disability progresses some people will develop curvature of the spine (this is due to the muscle weakening and the person developing scoliosis). The most serious symptom of this disability is cardiomyopathy, when the muscles of the heart gradually weaken causing irregularities in the heart rhythm.

### What is the treatment and long-term prognosis of Friedreich's Ataxia?

Although there is no cure for this disability, many of the symptoms can be treated. Orthopaedic treatment can alleviate scoliosis (curvature of the spine), physical therapy and orthopaedic appliances can help with walking and standing. And it is important to remember that everyone with this disability is different, and the person may only have several symptoms, making a diagnosis very difficult, there is no way of knowing how fast degeneration will be. People with Friedreich's Ataxia can go on to lead full productive lives and are completely capable of studying, holding down a job and having children. If you would like further information regarding Friedreich's Ataxia, please contact this office. ## New WIT Facility Goes To Tender

Approval of tender has been secured for the new e8m Information Technology Building at Waterford Institute of Technology. Welcoming the news, Minister Martin Cullen TD said that with the appointment of a building contractor now made, the timescale for a new facility at the Cork Road campus is on track, which is "good news for the students and staff of WIT, the city of

Waterford and the economy as a whole".

"The new e8million Information Technology Building will provide state of the art facilities in information technology at WIT. It complements the new Library on campus and represents further progress at the Waterford Institute of Technology which is firmly among the very best third level educational facilities in

the country", Minister Cullen said.

"Many people in Waterford, in particular our young people, work in the IT sector, which is a highly competitive industry. Obtaining high quality skills that are recognised by industry is essential and to that end, this e8 million Government investment in Waterford is a hugely positive development", concluded Minister Cullen.

This popular family day out is a sure winner for everybody, with Stormy Stan, a Barbeque and music on Helvick pier.

Remember the RNLI is comprised of dedicated men and women who volunteer their time in all kinds of weather to save life at sea.

### Dairy: Building Up Grass Surplus

It is essential to build up grass surpluses in August and September. A grass surplus will provide two options: (a) extra grass for late silage for those farmers short of winter feed, and (b) extra grass for those farmers with dry land to extend the grazing season. This last option will allow farmers to claw back some of the money 'lost' so far this year. Research has shown that for every 3 hrs per day grazing in the Autumn, Spring and Autumn calvers give €1.22 and €0.96 per cow per day respectively more profit than if housed full time on silage. Weanlings would probably leave 40-62 cent / hd/day more profit by being at grass. This level of profit is surely worth looking for.

#### Grazing Acres Required

Decide on the number of grazing acres required for your herd during August-September. Use the following yardstick: 1 cow needs 0.8 acres, while one acre will feed 700kgs of cattle and one acre will feed 3 calves. Therefore, a farmer with 50 cows, 15 incalf heifers (400kgs) and 15 heifer calves requires 54 acres (approximately) to graze them for the next 2 months. Therefore, a 75 acre farmer will be able to free up 21 acres for late silage or preferably for grazing. At 6.5 tonnes/acre, this 21 acres would provide 136 tonnes of silage for the farmer who is short of silage.

For the farmer above who wants to extend his grazing season this 21 acres, if left 40 days to grow, will extend his grazing rotation for all stock in September by 11-13 days. I call this "3rd cut/graaze".

When this field is being set-up in early August for silage cutting or grazing it should get 65-75 units of nitrogen at closing-up, having topped it tightly at the same time.

#### 3rd Last Rotation

Your grazing rotation at this time of year is like trying to exit an 8-lane motorway - you must start getting into the correct lane from a good distance back. So make use of this rotation to set yourself up for next Spring's first rotation.

In the spring, most farmers now graze 6-8 paddocks before grazing the silage ground and then finish off the paddocks. Therefore, the last autumn grazing, starting on the 6-10 October and finishing on 20th November will have to have the same sequence of grazing as that for Spring. So, 6-8 paddocks will be grazed in early October and then the silage ground up the 8-10th November and then the remainder of the paddocks. Think this sequence through for this 3rd last rotation.

#### Nitrogen in August

Supposing your manager said to you that he would give you three choices of spreading 40 units/acre in August (a) 20 units after each of 2 grazings in August, (b) 40 units after the 1st grazing and none after second, or (c) 40 units after the last grazing. Which would you opt for? Definitely not (c) and research has shown that (b) would grow 10-15% more grass than (a). Try to have the grazing rotation at 25-28 days.

#### Suckler Cows

Body condition may be below normal following the difficult year and earlier weaning will provide more time to put on condition before calving. This is especially important for cows calving early next year or for first or second calvers. Condition at housing will determine condition at calving next year which has a major effect on the cows ability to go back in calf next year. Approximately 6 - 8 weeks on reasonable autumn grass will allow a dry suckler to improve condition cheaply and significantly before housing.

#### Extensification

The third date for extensification has been announced by the Department of Agriculture as Sunday 28th July 2002. Now we know the first three dates for 2002, these being 10th March, 19th May and 28th July. You should now complete the first three census counts for your farm and return your CEN 1 form to your local Department of Agriculture Offices. Considering the amounts of money involved for most farmers filling the CEN 1 form will be the best paying hours you will work all year.

#### Holidays: Have you taken a break yet?

More and more farmers realise the need to recharge the batteries. If you have young children the time to take a family break is running out as the new school year will shortly be upon us. It's amazing what a short break can do for all the family. A short midweek break could be just the answer.

#### Dates to Remember

Applications for the 2003 Suckler and Ewe National Reserve quota must be submitted before Friday 30th August 2002. Forms are available from your local Teagasc office.

## SOUTHEAST ICMSA NEWS

### DEATH OF CO WATERFORD PRESIDENT

There was widespread sadness in farming circles and indeed the wider community at the sudden death of John Cusack Moonminane Clonea Carrick-on-Suir on Sunday 11th August.

A real gentleman is how John Quigley Area Development Officer with ICMSA in the southeast region described John. At the time of his death John Cusack held the position of honorary county President in Waterford in recognition of his work over the years.

In the late 1980's early 1990's he served as county chairman. John's philosophy as county chairman was if there was a problem - arrange a meeting with the relevant people and sit down with them and find a solution to the problem. He really enjoyed helping individuals who had problems and many a time steered people to ICMSA to have their case followed through.

John won an all Ireland hurling medal with Co Waterford in the 1948 final and had a keen interest in hurling. He was a model farmer and will be sadly missed by all who knew him.

ICMSA would like to extend their sympathy to his wife Maudie, sons Ger and Sean, daughter Margaret, brothers, sister and extended family members. May he rest in peace.

### ACTION MUST BE TAKEN ON INSURANCE COSTS

"The Government must take immediate action to address the spiralling cost of insurance and the impact these increases are having on all sectors of the economy. The commitments in the Programme for Government must be introduced to cut the price of insurance", said Mr. John O'Connor, Chairperson of ICMSA's Farm Services & Environment Committee.

Mr. O'Connor said: "The increased costs in the farming sector will run to tens of millions in 2002. Not only are farmers suffering due to increases to their own insurance premiums, but they are also suffering from increases in the input supply sector and food processing sector as insurance hikes are passed on. In the food processing sector alone, insurance costs will be some 746 million higher in 2002. Such an increase is simply unacceptable and unsustainable". "The analysis has been done and the proposals have been put forward, they must now be implemented immediately to bring insurance premiums back to a reasonable level," concluded Mr. O'Connor.

### BEEF INTERVENTION SALES SHOULD BE SUSPENDED

Mr. John O'Leary, Chairperson of ICMSA's Beef & Cattle Committee said that the sales of beef from intervention should be suspended indefinitely until such time as beef prices return to a profitable level for Irish farmers.

Mr. O'Leary said: "The EU Commission are expected to release around 50,000 tonnes of beef into the market this year and this may undermine the market for Irish cattle and has and will also be used as an excuse by meat processors to cut the price of cattle.

"Farmers have seen prices plummet over the past two months and the inaction of the Minister for Agriculture & Food has been shocking. Market supports have not been improved, no new markets have been opened and no direct aid has been made available to farmers in what has been an extremely difficult year.

"The bad weather has been bad enough but the drop in the price of cattle has been the last straw".

## RURAL IRELAND THE LOSER FROM FISCHLER PLAN TO WIND DOWN AGRICULTURE

"The real agenda in Commissioner Fischler's CAP Review plan is to reduce the level of production of beef, sheepmeat and cereals in anticipation of future EU budget, Enlargement and WTO pressures. It is important to realize that if Irish agriculture is wound down, which is the objective of the "decoupling" proposal, there are serious knock-on implications for Ireland's rural economy.

IFA's analysis is that the CAP review proposals would reduce the volume of output in the sectors affected by over 20%, equivalent to €355m annually, and the income loss in the total agri-food sector would be close to €300m annually". This was stated by IFA President, John Dillon, speaking at the RDS Horse Show in Dublin today (Thursday August 8, 2002).

John Dillon said: "Lower agricultural production means a reduced demand for farm inputs and services, and less raw material for the food processing industry. At a time when rural Ireland is already under pressure, if €300m of spending power is taken out of the rural economy it will have a major impact on jobs and on the viability of our rural towns and villages. We estimate that it would mean 19,000 lost jobs in rural Ireland. John Dillon said that the

Fischler proposals are a particular attack on farmers who are trying to produce beef, lamb and grain on a committed and commercial basis. He said: "These farmers were just coming to grips with the requirements of the Agenda 2000 changes, but the Commission is now proposing the most radical of reforms to the CAP in its "decoupling" plan. It must not be forgotten that committed farmers are the mainstay of a modern Irish food industry and the main customer of the farm inputs and services sectors".

The IFA leader said that "decoupling" is an insidious plan because it may appear to some people to be positive but its purpose is to cut farm output. He said that this may be acceptable in other member states but in Ireland agriculture is still important to our rural economy. He added: "the Fischler proposals are not the end of the CAP reform agenda. The likely longer-term agenda of the Commission, in decoupling support from production, is to prepare the road for further winding down of direct payments over time".

Mr. Dillon concluded that the Agenda 2000 CAP Reform was agreed to run to the end of 2006. Such a fundamental new reform as now proposed by Commissioner Fischler is not justified by

the current market and budget situation in the EU. The Irish Government must reject the proposals on two grounds; they are not necessary, and they are bad for the Irish economy.

IFA Chief Economist Con Lucey, presenting his assessment of the potential losses from the Mid-term CAP review proposals at farm, food processing and farm input sectors said: "IFA estimates that the annual income loss at farm level would be about 150m due to a combination of output loss on suckler and sheep farms, the 20% cut in direct payments, and the cereals price cut. The likely impact of decoupling would be a 35% cut in the national suckler cow herd, a 32% cut in the national ewe flock and a 35% reduction in cereals production. The loss in terms of national agricultural output is estimated at €355 annually.

"As regards the 20% modulation, while the Commission argues that the budget savings from the direct payment cuts would be used to fund "rural development" measures, our view is that at least one-half of the loss would not be restored for three main reasons. These are (i) the "prosperity clause" contained in the Fischler proposals which could militate against Ireland, (ii) the existing high uptake of the CAP

rural development measures in this country and (iii) the extra cost to farmers in the case of some proposed new measures e.g. animal welfare and the farm audits.

"In the food processing industry, the reduction in the volume of raw material amounting to €355m at farm-gate prices would reduce value-added by about €77m annually.

"Irish farmers purchase current inputs and services from other sectors of the economy valued at €2,270m annually. This includes feed, fertilizers, veterinary services, repairs and energy. In addition, annual capital investment, mainly farm buildings and machinery, has been about €730m annually and this would fall in line with the decline in agricultural output. The lower demand for these inputs and services would reduce value-added in these sectors by an estimated €59m".

Con Lucey concluded: "Based on a total income loss in the agri-food sector of €286m and taking average earnings of about €24,000, the total number of jobs under threat would be about 19,000, including those directly affected on farms and in food processing and farm inputs (12,000) and those whose jobs are dependent on the spending power of the primary sectors (7,000)".

## Tallow Retain Senior Status

### TALLOW 2-16 STRADBALLY 1-12

Tallows Senior Hurling status is guaranteed for another year by virtue of this 7 point victory over Stradbally in a gripping championship replay in the Fraher Field on Sunday. It was not as comfortable as the scoreline might suggest however as we had some anxious moments in the face of a determined and sustained Stradbally fight back throughout the 2nd half. Tallow's first half performance was as good as I've ever seen in a long time and they hurtled well through-

out the field. Brian Henley's opening point was quickly followed by two more superb efforts from play off the stick of the elusive Paul O' Brien. A clever goal from Billy 'Beans' put us well into our stride. Our first touch was good and we had some very effective first time striking from Mark Geary in the middle of the field. Young Paul Kearney despite the close attention of his marker, demonstrated the versatile array of firepower with the next 3 points from Tallow. His first from play was exquisitely executed from a difficult angle

on the wing followed by a 65 and finished with a pointed free. Left or right his striking was impeccable. 'Bashers' second point put Tallow 1-7 to 5 points clear midway through the half. Stradbally hadn't really settled and would add just one more point before half time where Tallow raised 5 more white flags courtesy of the afore mentioned 2 Pauls. A 1-12 to 0-6 points interval lead looked comfortable but we were in for a rude awakening.

The 2nd half was a different story. It would have been almost impossible to sustain the

level and pace of performance we achieved in the opening half and the inevitable resurgence of Stradbally began early with 4 points slotted over on the trot. It took Tallow almost 20 minutes to break the ice. We had a temporary reprieve when Mark Geary pointed from distance. Stradbally tagged on a brace more to close the gap to 4 points entering the last quarter. 'Beans' stretched it to 5 but we were still very much on the back foot and sent reeling further when Stradbally goaled from a 65. Lifted by the emergence from the dugout of our Vice President, Mr. John Geary Snr, to rally the troops. Tallow responded to growing challenge. Paul Keating restored our head to 3 points to the delight and relief of the small and vociferous Tallow support. Stradbally fought it to the end and were desperately unlucky not to equalise when they shaved the upright with just a few minutes remaining. It was to be their last chance as Paul O' Brien put the game beyond doubt with first a point and then a killer goal just before the final whistle, to bring his personal tally over the hour to 1-5 from play. It was a good performance all round but I don't think anybody would mind if I singled out John Cunningham in goal for special mention. John is a great clubman. He showed great composure on Sunday and his long puck outs were very effective.

Team: John Cunningham, Colin Cunningham, David O' Brien, Denny Martin, Shane "Gleannaghlough" McCarthy, James Beecher, Will McDonnell, Mark Geary (0-1), James Murray, Brian Henley (0-2), Paul Murray, Paul O' Brien, Paul Kearney (0-7), Billy "Beans" Sheehan (1-1), Maurice O' Brien, J.P. Gray, Shane "Finn" McCarthy, Stephen Pratt, William Henley, John Murray, Mark O' Brien.

The Stradbally manager was very gracious in defeat and we appreciate his words in the dressing room after the game.

**Tallow v Roanmore**  
With the relegation monkey off our back we now face Roanmore in the next round of the championship. As far as I know we play on Sunday in the Fraher Field. If there is any change players will be informed at training. It would be nice to see a bit more support there this time. Remember you don't have to go to Croke Park to watch hurling.

**Junior Football Championship**  
Timmy's Tigers take on Kilgobnet on Saturday 31st August in Cappoquin. This is one not to miss. Timmy and Eamonn have the squad finely tuned.

was a good friend to Irish people especially Waterford lads arriving in N.Y. He gave me "the start" as they say. A great Waterford man and hurling man. It was good to see him after so many years.

My pre match entertainment was provided by one of our former club greats Noel Sheehan or "Jap" as he would be better known to those of us around the same vintage. He's a mighty character with an encyclopaedic knowledge of the game

as well as being a natural folklorist with some hilarious hurling stories. One of the stories he regaled me with, and he insists it's true, was about two neighbouring East Limerick clubs who contested a junior final some years back.

We'll call them Baile Beag and Baile Nios Lu. Apparently Din Joe, the Baile Nios Lu selector went through Baile Beag on the way to the final and happened upon a stack of pallets which had been secreted by local youngsters on the outskirts of the village to be lit that night in the event of victory. Din Joe set the stack ablaze and storming into the dressing room in Kilmallock announced to his players. "The hoors in Baile Beag are so cocky they've the bonfires lighting already lads." I assured Noel there's no way that would happen in Tallow.

**QUIRT SIAD**  
"Would the owner of the

Massey Ferguson please remove it as it is causing an obstruction." — Public announcement in Fagans Bar after the match as the locals take the mick out of the Culchies. Mind you they were happy enough to take our money.

"There is simply no excuse for some gurrer, even if he was drunk, to treat it in such a disgraceful manner."

A former Galway footballer after it was alleged that the Sam Maguire trophy was kicked up a street in Tuam. (quote: Irish Times.)

"The tide is very much in our court now." — Manchester City manager Kevin Keegan.

"I share the same birthday as my twin sister Tracy". — Manchester United player Phil Neville with another o.g.

"Please remove the cows from the front door." — Another announcement at Fagans. They must have spotted Finn in the crowd.

"I have seen to my disgust the players draw the crowds, make the money and lose their sweat at many a hard hour's game, while those gentlemen at the head of affairs take charge of the bag and jump in their cars again before the match is over-off to their hotel to count the coin made by the rank and file"

Not G.P.A. chief executive Dessie Farrell but Dungourney Hurling Club secretary, James Kelleher, writing in 1908.

"I will make one thing clear - the Gaelic Players Association is not looking to make hurling and football professional and "pay for play" is not on our agenda. We do believe, however, that players should not be out of pocket as a result of their passionate pursuit of sporting excellence." — Dessie Farrell this time.

"Meals will not served on this train as the chef did not turn up for work this morning but the trolley service will be in operation." — Announcement on the Cork train Sunday evening followed 10 minutes later by:

"Due to a technical fault the trolley service will not operate."

#### NEWS TO HAND

Up for the match (Senior Hurling Semi Final) went the three lads from Tallow. Boy, were they in good form. On Sunday morning the three Tallow lads took a bus trip around Dublin ducking (or so they thought) anyone they could see from Tallow. Anyway, my spy was keeping a close watch on them and told me they really enjoyed the bus trip. My spy did tell me that the three lads were trying to find Nelsons Pillar. I understand they really acted like tourists. The big fellow said you could go nowhere now. Oh lads, while you were all keeping an eye out for people on the ground the next time ye lot go sightseeing do not forget the restaurant on the first floor Ha! Ha!. The photo will appear next week unless I get bribed.

#### HENLEY SHINE IN GAELIC PARK

Having come across the New York Irish Emigrant dated August 5th 2002 it was interesting to see a local sportsman beaming out of the issue. The person in question is none other than Ray Henley. Ray played for Waterford (who else) when they took on Tipperary and won by 4-14 to 3-10. Our man Ray got the Man of the Match award and why not after he did score a terrific 2 goals and 9 points. Hey Basher and Justin are ye reading this. I also came across a paper called Home and Away and here again was young Ray looking out at me. It was also pointed out that Waterford were missing another great Tallow sportsman namely Stuart Barry. Stuart was of course at home on holidays and is just gone back. Also playing for Waterford was a lad called Tom Doyle. Is this the man from Woodview I ask. Did he sneak over for a game. Right Tom. Anyway its great to hear about lads from town doing well. We wish both Roy and Stuart the very best of luck. Justin was right when he said Ray was the best one of the Henleys. Right Brian (Basher) Ha! Ha!.

#### JOLLY TINKER BAR

This famous Pub appeared under Pubs and Restaurants. This pub is owned by Tallow man Mickey Prendergast. Not forgetting his charming wife Mary. Best wishes folks. What I did not know however, was that Owen Murphy's Inn in NY state could be owned by the Shamrock man and he never told me.

#### TALLOW WELCOME HOME FESTIVAL

The Tallow 10k is attracting alot of attention and it looks like a big crowd of runners will turn up in Tallow. Everyone is welcome. Miss Blue Jeans competition is also catching the eye of many of our young females. Full details next week.

# ABBEYSIDE TOPICS

## SENIOR CITIZEN HOUSING

A proposed three-house development, earmarked for senior citizens is to be located on a derelict site beside the old railway track in Murphy's Place, adjacent to Sarsfield Street. This is very welcome news for Abbeyside as they are the first senior citizens houses planned for Abbeyside since the Skehacrine Court Development. According to Cllr. Michael O'Riordan and Cllr. Billy Kynne the development of the two bedroom bungalows has the aim of removing a derelict site and at the same time providing much needed housing for senior citizens in Abbeyside. They claim the proposed development provides a unique opportunity to provide local authority housing for those tenants who have a preference to stay in the Abbeyside area.

## Jerry Mahoney's Vision

Jerry, who resides in Murphy Place, Abbeyside is Chairman of the local boxing club. Due primarily to Jerry's leadership and organisational ability the club are due to move into their own premises for the very first time in the history of the club in three weeks. The new premises in fact is an extension to the Sport's Centre at Quann's. To date, the boxing club never had security and never had a club called home. Now, it will be possible to encourage more people into the sport. At present the club caters for between fifty to sixty boxers. The new premises is a multi-purpose building and will offer facilities for those who want to engage in weight-lifting etc. We wish Jerry and all the club members all the best in the future.

## DUNGARVAN GOLF CLUB

The Presidents Prize 2002 was played for last weekend. Weather conditions were generally favourable except for Saturday morning when it was very wet and windy.

Paul O'Riordan (5), formerly of Pinewood, won the Best Gross and was the best of the local golfers. The other golfers living in the locality who won prizes were: 4th Michael Morrissey (8), Clonea; 5th Peter Carey (11), 6 Garranbane Green, Ballinroad; category O/7 Mark Fleming (5), Clonea Road, Abbeyside; category 8/12 Justin Walsh (11), Knockateamore, Abbeyside; category 13/18 Maurice Cliffe (17) The Burgery, Abbeyside; category 19/28 Denis O'Brien (21), 12 Park Lane Avenue, Abbeyside; Best Nett 1st 18 Pat Norris (9) "Bayside" Gold Coast Road, Ballinacourty; Best Nett 2nd 18 Felix Shields, 69 Murphy Place, Abbeyside;

Best Gross 1st 18 John Reynolds (1), Abbeyside; Best Guest: Dave Clarke, Gold Coast Golf Club.

## ABBEYSIDE COMMUNITY GAMES

Best of luck to the following athletes who will be representing Waterford in Mosney at the community games this weekend. Ronan Sheehan U10 200m, Michael O'Halloran U12 Long Puck, Craig Kinghorn U12 100m, Paul O'Donnell, Dermot Sheehan, Patrick Harney, Paddy Cullen and Michael Brown U17 4 x100m Relay Team.

The boys will be travelling to Mosney on Friday and competing on the Saturday and Sunday.

## WEDDING BELLS

Congratulations to Charmiane O'Brien, Chairperson of the Abbeyside Pattern Committee who will celebrate her wedding on Friday, August 30th. We wish her many years of happiness.

## Under 16 Hurling

Abbeyside played Mount Sion in the County Semi-Final last Saturday evening at Leamybrien. The game ended in a draw. The standard of hurling was excellent with the game being played at a furious pace throughout. Best wishes to the lads in the replay.

### DUNGARVAN

Last week we received a copy of the booklet "DUNGARVAN OFFICIAL GUIDE" with district map, issued with the approval of the Dungarvan Urban District Council. This booklet has a dark grey cover and was published by the Irish and Overseas Publishing Company Ltd. Dublin and was printed by The Kerryman Ltd, Tralee. There is no definite date of publication but having read the booklet it seems to come from the late 1950's. The booklet is in very good condition and does carry a large number of advertisements of that era. This Sunday evening John Shanahan will be at the Parish Office minding our latest acquisition and all the other "treasures". Visitors will be welcome along to browse at leisure. Seating is provided.

### Congratulations

We congratulate P.J. Breen who will be ordained for the order of Carmelites at a ceremony in Dublin this Saturday 24th August. We wish him all the best for the future.

## ABBEYSIDE SCOUT NOTES

### WHY I AM A LEADER

I'm not a scouting leader for the easy hours, high pay, parents gratitude, power or prestige.

I'm a leader because I want the world for your child and mine - a world they can share and help shape; a world of love and laughter, where they can show compassion.

I want them to look at the stars, a sunrise, a sunset, the work and world of man - and feel its beauty inside of themselves. I want to help them learn to finish anything they start and do it well, and to guide them to know their worth with a deeper understanding of themselves.

I want to help shape adults who have strength of character and are sensitive to the needs of others. I want them to be the best they can.

I'm giving of myself and my time. I reap rewards far beyond what I give. I receive for my children, your children, and future children, a better world.

Anyone who can teach me or show me a better way to do this job, anyone who gives of their time to help me become a better leader, and anyone who by action or deed makes the scouting programme come alive will forever have my undying gratitude.

How much is a scout leader paid, I hear you ask. My wage consists of smiles and laughter, observing a child's growing confidence and the look of personal triumph on the face of a child who has achieved more than they thought they could. I am a scouting leader because I care.

### Sympathy

We extend out sympathy to the five Duggan brothers and all their relatives on the recent death of their Aunt Biddy Sullivan, Upper Sarsfield St., Abbeyside.

## ABBEYSIDE A.F.C. PUB LEAGUE FINAL

This years Amstel Pub League Final will take place on Sunday 1st September at 7pm. The finalists this year are Davitt's and Kirwan's of Kill who are from the mid-county area. Hence it is a real town against country confrontation with the man from Davitt's plying their skills against the more direct style of football from the more experienced campaigners from mid-county. Davitt's lined out as follows in the Semi-Final - Ian Cunningham, John Murray, Aidan Landers, John Downey, Jason O'Mahony, Paul Casey, Shane Briggs, Liam Watters, Patrick Mahon, Davy Jones, Austin O'Regan (Manager JJ Henley). Kirwans pick from the following panel - Michael Rockett, Peter Torpey, Eddie Rockett, Johnny Sullivan, Ray Hennessy, Peter Kirwan, Tony Regan, Sean Ahearn, Andy Hubbard, Leo Barry, Ger Walsh and Brian Markey.

## LOCAL HISTORY

Dungarvan almost became the first small Irish town to have a public water supply. In 1750 the Irish Parliament gave a grant of £800 to Dungarvan to bring water from the River Finisk to the town. The water was to be carried in the old roman style in aqueducts. The work began on the 7th August, 1756 and was completed on January 1st, 1758 and 488 workmen were employed on the scheme.

The water supply never reached Dungarvan. Disputes about rights of way and other legal matters put an end to this unusual and far-seeing scheme. People had to depend, as before, on the water collected in barrels from the roofs. For safe drinking water they used copious supplies from the "Springs" at Springmount which was brought in barrels each day and sold to the townspeople in the streets then and for many years.

After 1761 the landlords began to encourage farmers to practise, land-enclosure. They rented land to them, which they were to enclose with a fence and then they were free to divide it into small fields. This was widely resented by those who had use of the unfenced parklands for grazing. It resulted in the foundation of the Whiteboys in County Tipperary and this agrarian organisation soon spread to County Waterford. Fences were levelled at night. In County Waterford the Whiteboys were known as "Sive Oultagh's Society", the society of savage Sive, a female mythical personage. Oaths were forced on people to support the movement. Those who did not accept the land-enclosures condemned their descendants to being farm labourers - not always a happy state of affairs. Thus began the wild and bloody formation of Irish agriculture, which has left its mark on the Irish landscape with a patchwork pattern of fields over the countryside.

# Flashback In Time

Our "Flashback In Time" series this week takes us back to 1959, and recalls a historic event, the visit of the McCarthy Cup to Scoil Mhuire in Abbeyside. Waterford won their second All Ireland title that year, beating rivals Kilkenny in a replay. The pupils at the school were delighted with the visit and must have given a great welcome to the bearers of the trophy, well known members of the team Austin Flynn, Tom Cunningham and the late Donal Whelan, pictured at back. Also in the photo is School Principal Michael Foley and teachers Chrissie McCarthy, Mrs. Waters, Pat Veale and Nuala De Paor.

## HERLIHY'S SUPER VALU CUSTOMER WINS SUPER VALU TIDY TOWN'S COLOURING COMPETITION

# Local Girls Laura Duggan Wins Trip To EuroDisney

Laura Duggan, 4 Sexton Street Villas, Abbeyside, Dungarvan, is one of the ten national winners chosen by the SuperValu Tidy Towns Children's Colouring Competition judges, who will be jetting off to Euro Disney in Paris for a fun filled weekend on the 30th of August.

The prize was presented to Laura by Tim Foley manager of Herlihy's SuperValu, Dungarvan, who is delighted to have a national winner. Also pictured is Siobhan Duggan, mother of the winner and Amy Duggan, Laura's sister who will both be accompanying Laura to Euro Disney in Paris.

SuperValu's marketing manager, Dave Larmour says they are delighted with the overall response this year. "In

only a matter of weeks the number of entries we received ran to over 1,250,000. 157 SuperValu stores throughout the Republic of Ireland participated in the competition and in the lead up to picking the national winners over 1,500 runner-up prizes worth 26,000 euro were presented in-store. The SuperValu Tidy Towns Children's Colouring Competition has been a huge success!

We view this as an opportunity to get young people thinking about the environment and the importance of looking after it, as well as raising awareness generally about the Tidy Towns competition" said Dave Larmour.

Tim Foley would like to wish Bon Voyage from everyone at Herlihy's SuperValu and please don't forget to give our regards to Mickey Mouse.

## W&SVR Heritage Railway Enjoy Bumper Crowds

The W&SVR Heritage Railway is proving to be a fantastic success. All scheduled trips have been filled to capacity on each day of operation. So much so the timetable has been revised to allow for an extra trip each day. The railway, which opened to the public on the August Bank Holiday weekend, will operate each Saturday and Sunday until Sunday 1st September. The new schedule allows for a fourth trip each day. The new timetable is 1.45pm, 2.45pm, 3.45pm and 4.45pm.

Maria Kyte, Business Development Manager for the project is delighted with the response from the public to the project. "It is wonderful to see the reaction on the children's faces when they hear the Clickitty, Clack of the wheels and then see the train approach the station." Maria said, "The enthusiasm the volunteer crew have for the railway is evident and their efforts have been rewarded by the number of people who have gone out to experience the train journey. The spontaneous round of applause from passengers at the end of the trip says it all."

Passengers board the train at the Old Station at Kilmeaden. They then journey on 6km of narrow gauge (3ft) track in along the Suir Valley enjoying spectacular views of the River Suir, Mount Congreve Estate and across to South County Kilkenny. The train journey at 15 km an hour and takes approximately 45 minutes to return to the station.

Tickets may be purchased on the day of operation at Kilmeaden Station from 1pm onwards. They are very reasonable with prices ranging from €5.00 per adult, €3.00 per child and €12.00 for a family of 2 adults and up to 3 children. Students and Pensioners are €3.80. There are only two weekends left and they are in demand so it is advisable to come early to ensure a seat.

This particular branch of the line closed to passengers in 1967. It re-opened in 1970 to facilitate trains carrying magnesite and oil to serve the newly opened mine in Ballinacourty. This traffic lasted until 1982, however trains ran on the track up until 1987 as they sprayed the track. This is the first time paying passengers travelled this route in 25 years.

For further information Maria Kyte may be contacted on 051 311137.

### BOOK LAUNCH

## 'The Priests And Religious Of Sliabh gCua'

A book launch is not a frequent occurrence in the historic area of Sliabh gCua but this week-end after the 7.30 p.m. Mass in Touraneena Fr. Gerry Hickey OSA is coming to the Community Hall in the village to launch a book on the Priests and Religious of Sliabh gCua which is inspired by the Augustinian priest and missionary Fr. Jim Kiely who died in London in 1995 while serving as director of the Irish Chaplaincy service in England. It has a foreword by Bro. Dominic Walsh former Superior General of the Alexian Papal Congregation and no doubt Fr. Hickey who was a contemporary of Fr. Jim's will have something to add to what has already been documented. ### THE KATHLEEN & MAY

The weekend of 9-11 August saw the arrival in Dungarvan harbour of the Kathleen & May, a three mast merchant schooner. Restoration of the ship started in 1998. She was originally built at Connaught Quay on the Dee estuary in north Wales, and was built by Ferguson and Baird. She was a wooden vessel, built for the

local firm of Coppack Brothers & Co. at a cost of £2,700 and launched in 1900. She is approximately 100 feet in length, weighed 136 tonnes and was capable of transporting 250 tons.

The emblem on her stem head incorporated the shamrock, thistle, leek-leaf and rose. The original name of the ship was the Lizzie May. However this name changed to its current name in 1908 on its sale to Martin J. Fleming of Youghal. She was involved in transporting bulk cargo around the British coast.

Her first commercial voyage was under Captain Tom Hughes. Between 1908 and 1931 she operated out of Youghal under the captaincy of Joe Aherne of Youghal. She was now mostly concerned with the transportation of coal from Britain to Irish ports. Her last cargo

under sail alone was in 1931. She was then bought by Captain Tommy Jewell and his father William, of Appledore, for the sum of £700. They had an engine installed.

Her first visit to Dungarvan was in 1934 and her last in 1953 with regular visits within this period. The Kathleen & May and another ship, the Irene were the last working examples of wooden sailing ships. She carried her last cargo in September 1960, and was sold in early 1961 for £4000. She changed hands on several occasions after this, until Captain Paul Davis bought her in 1966. However he was unable to afford the repairs. In 1970 she was acquired by the Maritime Trust and restored to her former glory.

# John Treacy Launches The GoldCoast Charity Golf Marathon

On Tuesday night last in the Gold Coast, Mr. John Treacy launched the Gold Coast Charity Golf Marathon. John, who is no stranger to the marathon himself, expressed his delight at being involved in such a massive charity undertaking and he hoped that everybody in the area would lend their support to the event. In an inspiring address to the large crowd present John spoke of the importance of the various charities to benefit from the event and the need for everybody to get behind the marathon so as to make it Dungarvan's biggest ever charity event. The marathon will consist of teams of ten players playing continuously from 7.00am until they reach 1,000 Stableford points, which we expect to happen at around 7.30pm that evening. Nine teams are taking part, which is the full capacity of the golf course, and each team will represent a charity/charities. The Charities named to benefit are Special Olympics, West Waterford Hospice, Sacred Heart Centre, Lady Lane, Waterford Hospice, South Eastern Cancer Foundation, West Waterford Branch of

The Alzheimers Home Care Team, The Stroke Club, Lourdes Invalid Society, the Haematology/Oncology Unit in Waterford Regional Hospital, Our Lady's Hospital for Sick Children in Crumlin.

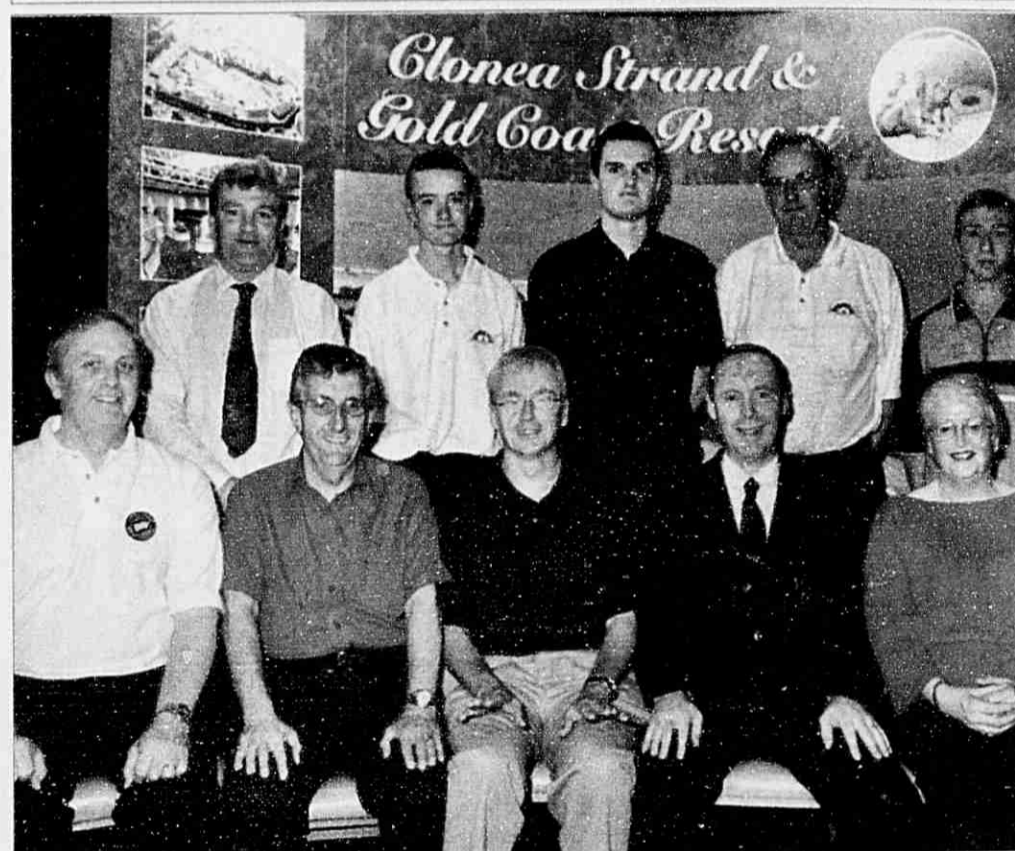

Billy Power, Captain of the Gold Coast Golf Club, said that their members were delighted to be taking part in the event and he welcomed the members of Dungarvan, and West Waterford Golf Clubs who are also taking part. Deirdre Hannigan, Lady Captain, also spoke on behalf of the ladies taking part and said that they too were delighted to be involved with the event. In the most important statement of the night she asked everybody to pray that the 11th September will be a fine day.

There is still plenty of time for you to get involved. If you can help out on the day, provide sponsorship of any sort, or just come along and cheer on the players, then we would only be too delighted to hear from you. For any further information contact Brendan O'Brien on 058-42003 or 086-8390871 or Gold Coast Golf Club.

## Park Hotel Sports Star Award

The Park Hotel Sports Star of the month for July is 15 year old Anthony Condon, Cappagh, who made showjumping history for Ireland at Lanakan, Belgium recently. Riding Mary Quinlivan's, Kanturk, Anthony captured an individual Bronze medal in the European Pony Championships, and was also fourth in the Grand Prix with his other pony Bertie Browne.

At the Dublin Horse Show last week Anthony had a second and third in the 14.2 Pony Class, at Ballsbridge. A young man with a bright future in showjumping circles.

Anthony is a student at St Augustine's College Dungarvan, has just completed his

Junior Cert. and will take up Leaving Cert. studies when the school re-opens in September. ## DANU AND FEILE NA SCOILEANNA WIN ARTS AND ENTERTAINMENT AWARDS

The second WLR Fm/Waterford Crystal Arts Entertainment awards for 2002 were announced at a recent lunch in the Waterford Crystal Visitor Centre (Wednesday 7th August). Feile na Scoileanna scooped the award for Non-Professionals while Danu took the accolade in the Professional category.

## HOLIDAY CLUBS

The European Consumer Centre (ECC) gives advice to those travelling abroad this summer who might feel tempted to join Holiday Clubs.

Holiday Clubs offer luxury holidays at knock down prices. The membership cost anywhere between E 3,000 and E 20,000 and is presented as an investment with the membership fee redeemable after the end of the contract.

Generally, holidaymakers are approached on the beach or street in Spain or Portugal. They are given a scratch card and are told they have won a free holiday or a bottle of champagne. They are then invited to a presentation to receive their prize where they are often bullied into signing a Holiday Club contract. Persuasive techniques are used such as serving alcohol and food, keeping couples apart and using children to encourage parents to sign up.

The ECC has dealt with cases where they have found the following problems have arisen after the contract has been signed: Holidays are not always available: Flights depart from the UK: Prices quoted are in Sterling.

When holidays are available they are substandard and are more expensive than those available through ordinary travel agents.

Extra charges are added to renew membership annually

No cooling-off period or cancellation clauses apply

If a consumer tries to withdraw from the contract they receive threatening letters. The company's name is not always given in the contract. It is impossible to reclaim your 'investment' when your contract is over.

If you have joined one of these holiday clubs and have been stung, the European Consumer Centre would be very interested in hearing from you! They can be contacted at: 13a Upper O'Connell Street, Dublin 1. Tel. 01-8090600, E-mail: info@ecic.ie

The Money Advice & Budgeting Service is based at Civic Offices, Davitts Quay, Dungarvan (Tel 058-44922) and provides a service throughout the West Waterford area. It is part of the national MABS Service and is free, confidential and independent.

# Local Magazine Sells Out First Issue Everywhere!

Congratulations to the people of Waterford County and Munster for making the new writing magazine IMAGINE, a sold-out success! Yes, almost every copy of the first issue of IMAGINE has now been sold. There are only a few copies remaining in shops around the County so, to get yours, you'd better hurry!

This is a wonderful compliment to the interest everyone local is giving writing, literature and the arts. Most importantly, it's a great demonstration of the self-belief that the county has in its own ability to successfully compete with national arts organisations and international publications. Many publishing companies, arts organisations, libraries, writers and individuals around the country, Europe and USA have taken subscriptions and congratulated us on IMAGINE'S production quality and interesting contents.

Tallow Writers' Group is very pleased that Issue One has been so well received, with such a high level of support and interest shown. Issue Two will be published at the start of October (venue for the launch to be announced) and we're already looking forward to a bumper issue.

As a taster, here's a bit of what you can expect: There's a great piece of fiction involving lots of messy blood, Tomás Roche continues to scratch away at the underbelly of local drama, 3 young and soon to be very famous local actresses are interviewed, and we take a close look at how the Irish language fits into the greater scheme of Irish Literature (yes, it will be controversial).

As Issue Two is also the

Christmas Issue, we've got some fantastic competitions. For example, you'll have the chance to win a personally signed copy of a book by one of the world's foremost living poets (the places we go to find these opportunities for our readers!). We'll also be featuring some excellent local photographers and review loads of new books (including a children's book soon to be published in Clonmel).

If you'd like to contribute any writing or illustrations, or

know of any local books being published, please get in touch ASAP, as the deadline for submissions is the end of this month (email: talowriter@eircom.net).

By the way, Tallow Writers' Group is also running two 8-week courses called 'On Literature' from mid-October. Looking at what makes novels and poems work well, fail dismally or try hard but never quite get there, both courses are very accessible and will be lots of fun.

You have a choice of venues: Dungarvan (starting 15 Oct.) at Clonea Strand Hotel, or Tallow (starting 17 Oct.) at Tallow Enterprise Centre, West Street. There are only 8 places left on each, so please book early. By keeping the numbers to 20 per course, we can guarantee easy learning, good chat and lots of fun. Each course costs €80 for non-members or €60 for members of the Writing Group. Call Mary McCarthy on 058 56290 and watch this newspaper for future articles telling all!

## Goatenbridge People's Lives At Risk

People's lives are put at risk every time the River Tar floods, trapping some thirty people in their homes, this is according to a protest group that are pleading with South Tipperary County Council to take some action to alleviate their plight. People living in the Curragh just outside the village of Goatenbridge expressed their concern over the delay by the County Council in dealing with this serious matter, despite a long standing assurance that this work would be carried out. When the River Tar floods people who live in this area put their lives at risk trying to drive on flooded roads, because the Council has failed to carry out any improvement work on an alternative route that would bring those residents into Goatenbridge. This road between the entrance of the Curragh and Goatenbridge floods many times in the year and residents want the County Council to take immediate action that would allow those people to use the alternative route to Goatenbridge. At present this alternative route is impassable, children cannot be brought to school and

people cannot go to work. People are forced to use the flooded road, but it is most dangerous and people have to be towed out of the flood on a regular basis. Are the Council waiting for somebody to be swept away in the river before they do something or what if some of the elderly people living in the area need urgent medical treatment when this river is in flood. A spokesperson for South Tipperary County Council, states that those residents were invited to apply for a community scheme whereby the locals would carry out some of the work on alternative routes and the Council would do the remaining work. An application had not yet been made. It was the intention of the Council to carry out work if not at the end of this year then it will definitely be done next year on this section of the road that floods. We understand the concern of the local people and we intend to do all we can to solve this problem, a council spokesman said. Ken O' Neill, a spokesman for the residents said that numerous requests had been made to

the County Council to resolve this matter over the last two years, the residents were now facing into the Autumn and Winter and would be up against the same problem. People here are very frustrated at the lack of action by the County Council, we are trapped in our homes when the river floods and nothing is being done about it. We have been very patient with the County Council and now we want to see some action, Ken O' Neill said. Some thirty people live in the Curragh area, their ages from six months to eighty years.

## Temporary Closure Of Catholic Church

Very Rev. Fr. Michael Walsh P.P., Ballylooby, Dunhill has announced the temporary closure of Dunhill Parish Church. He had received a notice earlier from C.J. Falconer, Architect, Mr David Kelly, structural engineer and Mr. Galvin of Protim who were inspecting the condition of the building. Unfortunately due to the deteriorating condition of the roog and the ceiling, plaster pieces have fallen off and slates have slipped. They have advised that the Church should be closed until the ongoing problems were dealt with in the interest of public safety. This structural deterioration was evident for some time but when temporary closure became a reality it was a shock to the parishioners. Dunhill Church was built around 1826 and it is now a preserved building. Fr. Walsh P.P. will be calling a meeting of his parishioners. The 9am. Mass on Sundays and Holidays will be celebrated in Dunhill Community Hall. Fr. Michael Walsh served as a curate in Fourmilewater/Newcastle from 1st August 1982 to 8th August 1988.

## ARE HOUSE RATES ON THE WAY BACK?

Deputy Seamus Healy, South Tipperary/North West Waterford has accused the Minister of the Environment & Local Government, Mr. Martin Cullen T.D. of proposing to introduce rates on houses in the form of refuse charges. Deputy Healy said Minister Cullen has proposed further huge increases in refuse charges on top of the already exorbitant charge of 225E. Deputy Healy claimed that it was the Minister's intention to start this new charge at 250E with a target of increasing this to 450E. This proposal is simply another tax coming as it does on the heels of recently announced cut backs and hikes in college fees and drug refund schemes. He accused the Minister of being anti democratic in his proposal to by pass local authorities and the local democratic process in the building of incinerators, landfill sites and other waste management facilities by sending them directly to An Bord Pleanala. His proposal is outrageous, undemocratic and anti environmental.

## RECENT DEATHS

### Late Mrs Joan Widdup

It is with deep and sincere regret the district learned of the death of Mrs Joan Widdup (nee Barron), Main Street, Cappoquin and formerly of Lagg, Ballinamult which sad event took place on Saturday 10th August 2002.

Deceased in her early eighties was a member of an old established family highly respected in the farming community, the Barrons of Lagg. A very estimable lady of many charming traits of character, her gentle, good humoured and obliging nature, mild manner and unassuming disposition, commended her to all. She spent much of her years in England and when she retired she with her sisters took up residence in Cappoquin. A lady in every sense of the word she was highly respected, especially by her family, friends and her neighbours who recognised and appreciated her as a caring, extremely kind person. Of a quiet and unassuming disposition she was delightful company. She was possessed of a deep faith and practised her religion devoutly. Her passing has evoked feelings of sincere regret among her family, neighbours and her many friends.

The measure of the esteem and high regard in which deceased and her family held are was clearly indicated by the representative cortege of mourners who were present on Monday evening when her remains, after prayers were recited, were removed from Walshs funeral home, Cappoquin to the parish church of Saint Mary's at Touraneena where they were blessed and received by Very Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena.

On Tuesday morning the feast of Saint Radecondes, requiem Mass was held for the happy repose of her gentle soul. The celebrant was Rev. Fr. Cornelius Kelleher P.P. After Mass she was taken to her place of rest in the family plot in the adjoining cemetery. Rev. Fr. Kelleher P.P. officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a dear Christian friend whose memory they will treasure.

To her brother, sisters and her many relatives we extend our sympathy. Go maith uoaimhneas siorai aici i measi na Naomh.

Undertakers Aidan Walsh and Sons Cappoquin.

### Late Mr Maurice Burke

Profound and sincere feelings of regret were widely expressed at the news of the unexpected death of Mr Maurice Burke, Tinalira, Ballinamult and formerly of Langanoran, Ballinamult which sad event took place at Saint Josephs Hospital, Clonmel on Sunday 11th August 2002.

Deceased in his late sixties was a member of a well loved and respected Sliabh gCua family, the Burkes of Langanoran. His death is all the more poignant as his brother Ned passed to his eternal reward last December. Maurice was truly one of nature's gentlemen possessed of a friendly, good humoured and generous disposition. For many years he was employed by the O'Grady family of Tinalira on the lime and fertiliser spreading with the farmers of the district. In the evening when days work was over he would go to the local for a chat and the news of the day and he was always welcome in whatever company he found himself.

He was a person who never said a harsh word about anybody. His conscientious application, unflinching good humour, courtesy, integrity and kindness were readily acknowledged by all who were indeed privileged to have made his acquaintance.

His presence amongst us will be very much missed and his memory long cherished by a host of friends as was evidenced on Monday evening by the large concourse of mourners who were present when his remains, after prayers were recit-

ed, were removed from Saint Carthages House Mortuary Lismore to the parish church of Saint Mary's, Touraneena where they were blessed and received by Very Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena.

On Tuesday, the feast of Saint Radecondes, requiem Mass for the happy repose of his immortal soul was celebrated at noon. The celebrant was Rev. Fr. Cornelius Kelleher P.P. After Mass a kind and loving man was laid to rest beneath the soil of his native Sliabh gCua in the adjoining cemetery. Fr. Kelleher officiated at the graveside in the presence of another large concourse of mourners paying their respects to a Christian friend whose memory they will long treasure.

To his family we extend our sympathy. Ni fheicimid a leithead in ar measc aris.

Undertakers Troys Lismore.

### Late Mr Thomas Gough

It was with regret the district learned of the sudden passing of Mr Thomas (Tom) Gough, Shanakill, Rathgormack and formerly of Boola, Rathgormack which sad event occurred at his residence on Wednesday 14th August 2002.

Deceased in his late sixties was a member of a well loved and respected family, the Goughs of Boola. For some time back Tom had not enjoyed the best of health, but it did not prevent him from attending functions, weddings and games. As fine a neighbour as one could find, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. A true gentleman in every sense of the word he was highly respected by his family, neighbours and his many friends, who recognised and appreciated him as a caring, extremely kind person.

He was a kind and loving husband and father, his wife Nellie and his family were his pride and joy. They were his greatest passion and to them he was utterly devoted. Of a quiet and unassuming disposition he had a great sense of fun and humour which made him delightful company. He was also a man who practised his religion devoutly.

Over the years he followed the fortunes of his native Rathgormack in the Senior Football Championship, and when the Nire won titles he was also proud as his late mother hailed from the Nire.

Many tributes have been paid to this fine man, but the finest was paid to him perhaps on Thursday evening when all walks of life were represented in the vast concourse of mourners who were present when his remains, after prayers were recited at his home by Rev. Fr. Michael Curran P.P., Clonea Power, Rathgormack, were removed from his residence to the parish church of The Sacred Heart, Rathgormack, where they were blessed and received by Rev. Fr. Michael Curran P.P.

On Friday morning, the feast of Saint Hyacinth the requiem Mass was celebrated for the happy repose of his immortal soul. Celebrant was Rev. Fr. Michael Curran P.P., assisted by Rev. Fr. William Ryan P.P., Ballybricken, Waterford. After Mass on a beautiful Autumn day a kind and loving father and husband was taken to his final resting place in the adjoining cemetery. Fr. M Curran P.P. officiated at the graveside in the presence of another large concourse of mourners who were present to pay their final respects to a Christian friend whose memory they will long treasure. Fr. William Ryan P.P. recited a decade of the rosary.

To his wife Nellie, daughters Bridget and Jenny, brother James and his many relatives we extend our sympathy.

## EU Protection Of Postal Services Urged

A Waterford County Councilor has said that the future of post offices in Ireland and postal services all across Europe should be protected.

Cllr. Fiachra Ó Céilleachair says there should be no diminution of such basic public services, which he says are essential to local community infrastructure in both urban and rural parts of County Waterford. Cllr. Ó Céilleachair said that the Government should remain vigilant about discussions taking place at European Commission level aimed at encouraging the pri-

vatation and removal of guarantees as to our postal services.

Internal Market Commissioner Frederik Bolkestein came forward with a draft Directive in May seeking such reforms, a move opposed in the European Parliament by Cllr. Ó Céilleachair's party colleague, Proinsias De Rossa MEP.

Speaking on the subject, Cllr. Ó Céilleachair said:

"Postal services are of vital importance to Ireland and to the rest of Europe. They employ 1.7 million people, carry 135 billion separate items a year, and generate a turnover of over 76 billion Euro or 1.4% of Europe's total GDP.

"The post office and the postal service is crucial to the vitality and viability of rural and sparsely and disadvantaged urban areas. They also play a major social role in the community."

"There is still the danger at EU administrative level that thinking could put all of this at risk. Everyone sees the need to modernise our postal services and to prepare them for the challenges of the information age but a more gradual opening-up is what is required in order to safeguard the jobs of thousands of postal workers in Europe and to protect and improve the quality of postal services offered in peripheral regions.

Last March, Taoiseach Bertie Ahern and other Government leaders called at the European Council for rapid liberalisation of the European postal service. One hopes that this does not mandate Commissioner Bolkestein's drive to liberalise a basic service to our detriment.

### CLG An Sean Phobail MUNSTER FINAL CD

Just as all Waterford people were justifiably proud we won the Munster Senior Hurling Final in such brilliant style last June we in An Sean Phobail are equally proud of the monologue written and performed by our own Declan Terry on the events of that historical day. Such has been the overwhelming reaction to Declan's writing that he has brought out a CD of the piece. Called "The President's Day Out" the CD is now for sale and is selling like hot cakes.

This tape is a must for all who enjoyed that emotional occasion with our first Munster Final victory for 39 years. Just as tears came to the eyes of many a Deise supporter that day Declan's piece is so wonderfully composed that I have seen the same reaction from people as they listen to his rendering over and over again.

Declan has given a life time service to GAA in An Sean Phobail having played for many years and serving in every administrative role in the Club.

He is well known for his performance in Scor and brought great pride to the Parish when he captured the All Ireland title in recitation just a few years ago. He is currently a selector with the team and is also our PRO.

Declan is too modest to write about himself so this paragraph had to be penned by others. Well done Declan. We are proud of your achievements.

**KEANE** — Ninth Anniversary — In loving memory of a loving husband and dear father Michael Keane who died 20th August 1993, Mweelnahorna, Ring.

Masses offered.  
Don't grieve for me now I'm free,  
I'm following the path God laid for me,  
I took his hand when I heard him call,  
I turned my back and left it all,  
I could not stay another day to laugh, to love you, to work or play,  
Tasks left undone must stay that way,  
I found that peace at close of day,  
If my parting has left a void,  
Then fill it with remembered joy,  
A friendship shared, a laugh, a kiss,  
Ah yes these things I too will miss but now burdened with times of sorrow.  
I wish you the sunshine of tomorrow,  
My life's been full,  
I've savoured much good friends,  
Good times, a loved one's touch,  
Perhaps my time seemed all too brief,  
Don't lengthen it now with undone grief,  
Lift up your hearts and share with me,  
For God wanted me now,  
He set me free.  
(Always remembered, always loved, never forgotten from your loving wife Margaret, daughter Mary and son Patrick).

(Always remembered by your loving son Ernest, daughter-in-law Rose and grandchildren Timothy and Emma).

**KEEGAN** — Sixteenth Anniversary — In loving memory of Ernest Keegan, Monarud, Dungarvan, who died on August 25, 1986

My heart can feel so many things  
That words could never say,  
The sadness that this day brings,  
Will never go away.  
How often Ernie I think of you,  
Wishing you were still here,  
So often I reminisce,  
And shed a silent tear.  
Time might heal the sadness,  
Like the smile that hides the pain,  
What it meant to lose you,  
Is so hard to explain.  
But special memories will hold us close,  
Until we meet again.  
(Always remembered by his loving wife Gretta).

**KEEGAN** — Sixteenth Anniversary — In loving memory of Ernest Keegan, Monarud, Dungarvan, who died August 25, 1986.

No farewells were spoken,  
No time to say goodbye,  
Our loss was oh so sudden,  
Only God knows why;  
Find the softest pillow, Lord,  
To rest his head upon,  
Put a kiss upon his cheek,  
And tell him who its from;  
Gone from us, but leaving memories,  
Death can never take away,  
Memories that will always linger,  
While upon this earth we stay.

**O'BRIEN** — Thirtieth Anniversary — In loving memory of my dear mother Mary, late of 11 Congress Villas, Dungarvan who died on 17th August 1972. R.I.P. Masses offered.

I think of you in silence,  
And often speak your name,  
All I have are memories,  
And a picture in a frame,  
You had a smile for everyone,  
You had a heart of gold,  
You left the clearest memories,  
This world could ever hold.  
I lost a mother with a heart of gold,  
How much I miss her can never be told,  
She shared our troubles and helped us along,  
If I follow her footsteps I will never go wrong.  
Softly the leaves of memories fall,  
Gently I stoop and gather them all,  
Unseen, unheard, yet always near,  
Still loved, still missed, still very dear,  
Although I smile and make no fuss,  
No one misses you more than us,  
Quietly today your memory I treasure,  
Loving you always forgetting you never.

(Sadly missed and always remembered by your loving daughter Bridget, son-in-law Liam and grandchildren Jason, Marie and Jonathan).

**O'SHEA** — Nineteenth Anniversary — In ever loving memory of our dear daughter, Sandra, who died 21st August 1983, late of Sunlawn, Affane.

The years are swiftly passing  
San,  
With a sad and deep regret,  
But the hearts that dearly loved you,  
Will never ever forget,  
And just like the sweetest rose,  
Your petals fell too soon,  
Just sixteen with your life ahead,  
For your loveliness to bloom.  
Red roses from Our Lady,  
Please give to our daughter today,  
With a spray of forget-me-nots from us,  
As we visit her grave and pray,  
Our Lady of Lourdes pray for her.  
(Deeply missed and forever loved by Mam and Dad.)

**O'SHEA** — Nineteenth Anniversary — In ever loving memory of my dear sister Sandra, late of Sunlawn, Affane, who died 21st August 1983.

Today I bring you flowers  
Sandra,  
Sprinkled with my tears,  
For you will always be a part of me,  
Despite the passing years,  
How do you put on paper,  
The feelings I have inside,  
The emptiness and loneliness,  
That you have left behind,  
Out of my life you maybe gone,  
But in my heart you still live on,  
For the laughter and joy I shared with you,  
Will stay in my heart my whole life through.  
(Forever missed and loved by your loving brother Eamonn, Colette, nephew Darragh and niece Clodagh.)

### FIRE AT KILBEG CREAMERY

A little over a week ago an out building which was used for the storage of oil accidentally caught fire at Kilbeg creamery. Fire brigade units from around the County were on site within a short time. These units fought the fire for many hours to bring it under control. This was a very dangerous job for the fire fighters as this building contained highly flammable fuel. As the firemen had managed to contain the blaze to this one particular building they had also managed to save the main structure of Kilbeg Creamery. They had done a marvellous job in protecting this old historic place. We should be very grateful for their expertise and thank them for the marvellous work they do. Well done to the fire units that attended the blaze in Kilbeg.

**Success for Waterford Competitors at  
Community Games National Finals**

The E.S.B./ Community Games National Finals began in Mosney  
on Saturday last and a large number of Waterford children trav-  
elled to compete in various events. The art and model-making  
competitions took place on Sunday and with a really high standard  
and just four prizes in each age-group we certainly enjoyed our  
share of success in both these events. In the girls U.16 art, Marion  
O'Flynn from Ballymacarbry won a bronze medal. Seamus  
Fitzgerald from Cappoquin also

won a bronze medal in the boys U.14 art. Josephine Mc.Grath  
from Clashmore finished in 4th place and received a Cert of Merit  
in the U.12 art.

In the U.10 model-making young Lawrence Whelan from Bally-  
macarbry won silver and another Ballymacarbry boy Richard Fen-  
ton received a Cert of Merit as he finished 4th in the U.14  
model-making. Well done to these girls and boys. This was a fan-  
tastic achievement as the standard of competition at the National  
Finals in every event has to be seen to be believed.

Earlier on we had some fine performances in the swimming  
pool. Shane Gavin from Tramore won his heat of the U.12 Breast-  
stroke. He went on to qualify in the semi-final and secure his place  
in the final. He was unlucky not to receive a medal in the final, but  
this was a great achievement by Shane. The Tramore girls U.13  
squad finished 2nd in their heat and they again made it through the  
semi-final and into the final. Patrick Mc. Auliffe won his heat of  
the U.16 Freestyle. Killian Walsh

finished 3rd in his heat of the U.14 Backstroke and Cathal O'-  
Conchubhair also finished 3rd in his heat of the U.16 Backstroke.  
These fine swimmers qualified these boys for their semi-finals. Again  
a great achievement.

So well done to all our competitors over the week-end and  
thanks to County and Team Managers and anybody who helped  
out to make this an enjoyable trip.

On Friday next all our athletes will be off to Mosney to compete  
in their Finals along with the Lismore girls Volleyball team and we  
wish them all well in their various events.

**RED HOUSE LEAGUE NOTES**

**New Season  
Kick-Offs On Sunday**

It is hard to believe but the new season is ready to kick off next Sunday. The first delegate meeting of the year took place on Monday night last in Lismore with three clubs absent - Castlebridge, Pinewood and Ardmore. The draw for the Tony Bolger Cup took place and there are some very interesting ties. As regards a preview of each game it would be difficult as teams will be playing their first competitive game of the season. However, taking last years form into account we will attempt to do so.

**Brideview v Blackwater**

This fixture will take place in Lismore on Sunday evening  
and Brideview should advance to the next round.

**Inch v Clashmore**

Clashmore were promoted last season while Inch had a very  
good run before some bad results ended their season. This  
could be an interesting tie and the result could be decided  
by penalties with Clashmore to win.

**Mogeely v Valley Rangers B**

The home side were relegated last season while Valley  
missed out on promotion after a play off. Valley should win  
but we are told Mogelly could be the surprise team this sea-  
son, with new faces and strong commitment. So we'll go for  
a home win.

**Affane v Accrington**

Again a close game expected but we think the home side  
might not be strong enough for the newly promoted pre-  
mier side. Accrington to win.

**Ballybridge v Kilworth**

If the north Cork side will be at full strength it is difficult to  
see the Ballybridge outfit getting a victory. A Kilworth win.

**Valley Rangers A v Castlebridge**

Both sides met twice last season at the end of the season  
with Castlebridge needing points to avoid relegation.  
Unfortunately they could not contain the Conna side and so  
dropped down to 1st division. Valley should come out on  
top this time again.

**Ardmore v Ballyduff**

This could be a very good game as Ballyduff had a good run  
to the end of last year while Ardmore just held on in the  
premier although they won the cup. Fitness could be a big  
factor here. Ardmore to win.

**Cappoquin v Gortroe**

The champions will be hot favourites here especially at  
home and it is difficult to see the visitors getting a result.  
Cappoquin to win.

**Lismore v Modeligo**

Lismore must be favourites here and will want to make up  
for last season when they lost this competition on a pen-  
alty shoot out. Lismore to win.

**THINGS WE HEARD**

In the absence of the Chairman & Vice Chairman (both on  
holidays) Tom Power chaired the delegate meeting last  
Monday night. He impressed two of the committee who  
complimented him on the speed he went through the  
agenda. This did not go unnoticed by the ex chairman who

as usual was not caught for words, when we heard him quip  
to the master butcher that age must be catching up that he  
wanted to go home to go to bed early. The ex chairman was  
missing Liam to give him backing. We know Jim you have to  
get up early every morning. After all money doesn't grow  
on trees.

**PINEWOOD RANGERS**

We were disappointed to hear after the meeting on  
Monday night that Pinewood Rangers may not be com-  
peting this season. This is a pity as we saw them play their  
last fixture last season against Kilworth and they were very  
impressive. We actually remarked with displays like that this  
season they would be strong contenders to win the 1st divi-  
sion. It will be a pity if what we have here is true especially  
for John Desmond who is a wonderful & committed club  
man. Hopefully they will be back for the league.

**REFEREES**

Jim Foley informed the meeting that a very serious situation  
has arisen with a shortage of referees for the coming sea-  
son. Only two new referees it would appear are ready to  
attend the referees seminar in Waterford this Saturday. He  
pleaded with clubs if they want weekend football, supply  
the referees otherwise there is no guarantee clubs will be  
playing every weekend.

**DELEGATE MEETING**

The next delegate meeting will be held in The Red House,  
Lismore on Monday 2nd September at 9pm. sharp. Referees  
meet at 8pm.

**FIXTURES**

**SUNDAY 25TH AUGUST**

**MANCHESTER UNITED SUPPORTERS CLUB**

**WATERFORD  
BRANCH**

Those members who trav-  
elled last weekend to the  
W.B.A. game had a tremen-  
dous time. The highlight of  
which was Honorary Presi-  
dent John O'Shea calling to  
the hotel for a drink and a  
chat and this made us very  
popular with all the other  
fans who were staying in the  
hotel. He proved how good a  
man he is as he stood in for  
photos with everyone and  
had a chat with all and

sundry. And considering he  
had only left Old Trafford  
three quarters of an hour ear-  
lier proves his commitment  
to our Club.

With "Rambo" as our guide,  
we set off on a mystery tour  
on Friday night and had a  
long night with a few ques-  
tions left unanswered 1. Who  
won the grab a granny con-  
test? 2. Who was accused of  
being from Uglyville? 3.  
What does Adidas really

mean at the door of a night-  
club? 4. Who is now better  
known as Scooby Doo?

All answers are available on  
request at the next meeting.  
The next meeting will be on  
September 6th at 8pm sharp  
in Lawlors Hotel. Anyone  
who has previously put their  
name down for the Arsenal  
game in December has got to  
be present as we have 75  
names for all our tickets and  
need to confirm hotel

arrangements as we have pro-  
visionally booked the hotel  
we used for W.B.A., which is  
a twenty minute walk from  
Old Trafford and has access  
to the tram network also. If  
you are not certain if one of  
the 75 names is yours contact  
the secretary at 086-3925677  
a.s.a.p. because it is first  
come, first served if you have  
not given your name and  
want to be put on standby list  
contact the secretary also.

## WESTERN MINOR HURLING CHAMPIONSHIP

A large contingent of supporters is required at Fraher Field this Wednesday night the 21st of August at 7pm for the Western Minor Hurling Final against Lismore/Ardmore. We would like to make a special plea to all members and supporters to come out and shout for the lads. The players and the mentors Joe Cleary, Bernard Shields and Greg Fives have all worked very hard and deserve all of our support. So please come out in numbers and shout for the village team.

## UNDER 16 COUNTY HURLING SEMI-FINAL

This was a cracking game of hurling from two very skilful and committed teams. The game ended in an amazing draw with Abbeyside scoring two goals and fifteen points to Mount Sion's four goals and nine points. A draw for two really dedicated teams was probably a fair result on the night. However the losers here were the people who stayed away. If there was a worry about hurling dying then we need not worry for surely players from both of these teams who played themselves to a standstill will see Waterford jerseys on their backs in the future. The game started at a furious pace with Mount Sion rushing into a lead with an early goal. But try as the cities boys did they could not get the better of the lads from the village as they kept plugging away with some marvellous points and teamwork. We are not sure when the replay will be but for sure these lads deserve better support so please come out the next night and vent your lungs. Remember this is a County Semi-final. The Team was as follows. Darren Ryan, Anthony Whelan, John Kindregan, Shane Donnelly, Brian Scanon, Joey Mullen, Richie Foley, Peter Phelan, Mark Gorman, John Gorman, Patrick Hurney, Tiernan Murray, Mark Ferncombe, Mark Fives and

Jason O'Brien. Substitutes used Eoin Brackett and John Cosgrave. Substitutes ready to come on and do their duty were Cian Maloney, Donnacha Enright, Brendan Walsh, Sean and Diarmuid O'Hare. The mentors on this team have done a marvellous job in preparing these lads. Bernard Gorman, Paudi Donnelly, PJ Lanigan, Jim O'Mahoney and Seamus Murray.

Under 16 County Semi-final Replay 6pm Sunday the 25th of August Leamybrien

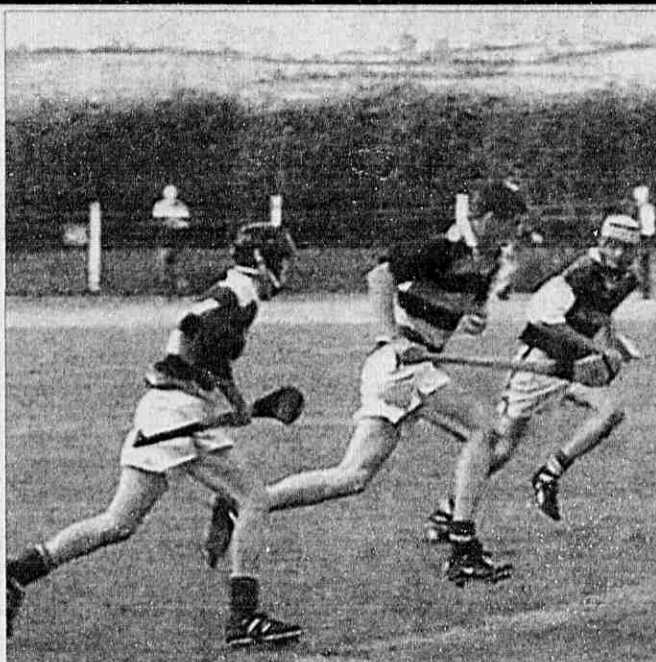

Folks this is one game not to be missed. Replay under 16 County Semi-final Sunday the 25th of August at Leamybrien. We would make a special plea to all club members to come and shout for the lads. This is going to be another cracker. Don't say on Sunday night you weren't there.

## DIVISION 3 HURLING LEAGUE

We travelled to Mollerans on Tuesday last the 13th of August to play in our last League game of the season. It was unfortunate that we left two home games slip earlier in this league as we didn't do an under strength Mollerans any favour either by beating them. This campaign saw us loose the first game to Mount Sion, Away wins against Ballygunner and the Mollerans, home wins against Ballysaggart and Ferrybank and loosing two home games to the Shamrocks and St. Saviours. The team that played in the Mollerans was as follows. Emmett Byrne, Rick Hanrahan, Jonathon Moore, Gavin Breen, John Hurney, Shane Briggs, Alan Ryan, Sean "Hiker" McGrath, Gary Hurney, Patrick Lynch, Laurence Hurney, Paul O'Brien, Michael Enright, John Foley and Cyril Bailey. Substitutes used were Seamo Burns and Liam Briggs.

## SENIOR FOOTBALL CHAMPIONSHIP

The Senior Football fixtures have finally been made and we are down to play the winners of Kilmacthomas and Rathgormack. There is

Patrick Hurney races away from the Mount Sion Cover during the under 16 County Hurling Semi-final at Leamybrien ably supported by Tiernan Murray.

no excuse now for guys not training.

## INTERMEDIATE HURLING CHAMPIONSHIP

The fixtures will come thick and fast now as we are drawn against the Shamrocks in the Intermediate Hurling Championship. The training theme applies here also we need all bodies out in the field training.

## ADULT TRAINING

## JUNIOR HURLING CHAMPIONSHIP

Our second round Junior Hurling Championship game takes place next Saturday the 24th of August at Fraher Field at 7pm against Tourin. All support for this game will be very much appreciated by players and mentors alike.

## UNDER 14 FOOTBALL

Our under 14 Footballers in their first competitive outing recorded a hard earned win over the Nire in Ballymacarberry on a score line of three goals and eight points to two goals and five points. This game was played on Tuesday night last the 13th of August. The team was as follows: Stephen Enright, Cormac Enright, Jason Healy, Donal Henley, Brendan Walsh, Eoin Brackett, Dane Tobin, John Gorman, Eoin McCullough, David Power, Sean O'Hare (Captain), Conor Moloney, Stephen Slater, Stephen Lanigan, John O'Driscoll. Both substitutes Jamie Organ and Brendan Cosgrave played very well when introduced.

The team and mentors would like to pay a special tribute to their lone supporter young Bill from Thurles who has been with the team all

summer. The next game in this competition is on this Wednesday night the 21st of August at 6pm in our own pitch. This game is against St. Olivers and the club would like to say how grateful we are to St. Olivers for changing this game to a 6pm start to allow the lads to support our Minor Hurlers who play in the Western Final in Fraher Field at 7pm

## UNDER 14 LADIES FOOTBALL TRAINING

The training for the county final will continue on Tuesday the 20th of August in Abbeyside at 6pm.

# CLASHMORE G.A.A. JUVENILE NOTES

## UNDER-14 FOOTBALL

We defeated Cois Brid in our final game of the championship with the final score of Clashmore 2-10 Cois Brid 1-3. In our second game we were defeated by Brickeys on a scoreline of Clashmore 2-6 Brickeys 5-10.

Despite a very good start we faded in the second half and Brickeys ran out easy winners at the finish. However, we were short three key players for this game and with a full panel to select from we should do much better next time.

## UNDER-13 HURLING

The final of the Walsh Cup U13 hurling competition v An Gaeltacht takes place on this Thursday evening in Fraher Field at 6:30pm. With both sides recording easy victories in their semi final games the final should be a close fought contest. Your support would be appreciated.

## UNDER-12 FOOTBALL

The U12 football championship has commenced and we easily won our first two games with victories over St. Olivers and Stradbally. The two remaining games are difficult arrangements against Dungarvan and The Nire. We are also invited to participate in the Kilmurray U11 football tournament which takes place on Saturday 21st August.

Richie "Cossie" Cosgrave sports his new haircut at the under 16 Hurling County Final at Leamybrien. Also in the picture Denis Byrne thinks its hilarious while Thomas cashin gets passionate.

# C.L.G. COIS BHRIDE

## U12 FOOTBALL

Our U12 footballers travelled to Kilgobnet last Friday night to play the home team. The Cois Bhride lads played a nice brand of football and led all the way and ran out winners on a scoreline of 2-9 to 1-1. Next game on August 23rd v An Gaeltacht in Tallow at 7:30pm. There will not be any training this week as the summer camp is on in Tallow all week.

## INTERMEDIATE HURLING

It was make or break for our Intermediate Hurlers last Saturday evening when we travelled to Cappoquin to play The Shamrocks. With this game only been arranged since last Monday we were unfortunate to have some players away on holidays and also suffered the indignity of having others incredibly opting for the personal reasons. However, we still had an enthusiastic and committed group of players to choose from. The Shamrocks were first to register on the scoreboard with three points and after this we hit two wides. We were getting plenty of opportunities in the forward line and one such attack resulted in a twenty one metre free where Alan Harty had the audacity to successfully go for goal and bring us to parity. A further point put us in front but it was shortlived as The Shamrocks registered a goal of their own. They went on a scoring spree for which we had no match and by half time we were trailing by 1-3 to 1-9. We needed to get the second half off to a good start but unfortunately the reverse actually happened. Three unanswered points looked to seal our fate even at this early stage. We staged some bit of a revival mid-way through the half when we sent over some fine points. A marvellous save from The Shamrocks' goalie denied Alan Harty but the same player minutes later was to see his shot rattle the net and with just eight minutes remaining we had narrowed the deficit to a single goal. Tension and excitement was now at fever pitch as we went in pursuit of victory. However, some blatant and unnecessary fouling in our back line and the punishment from the resulting frees swayed the pendulum back in The Shamrocks favour and at the final whistle we were left trailing on a 2-10 to 1-18 scoreline.

This, our second defeat in the competition puts paid to our participation in Intermediate Hurling for this year. These defeats are of major disappointment as a lot of time and effort had been put in, but it just goes to show how far off we actually are of making any inroads on the Waterford hurling scene. Team - Paul Ahearne, Michael McLoughlin, Bobby Lyons, Conor Murphy, Pat Sullivan, Trevor Galvin, Jason Mahoney, Shane Hayes, Pat Veale, Seamus Cunningham, Eoin Cunningham, Micky Power, Alan Harty, Martin Power and Kieran Curran.

## SENIOR FOOTBALL LEAGUE

On Tuesday night last at Clogherane we defeated The Brickeys in our penultimate game of the Senior Football League. Our position at the moment in the league stands at three victories, two draws and two defeats and with our final game due to be played last night, Tuesday against De la Salle, it remains to be seen whether we have done enough to progress to the later stages of the league.

## JUNIOR HURLING

Last Friday night at The Fraher Field we secured victory over Stradbally in the losers group of The Junior Hurling Championship on the scoreline of 2-10 to 2-2. We now progress out of the losers group, however our next round opponents are not yet known. This was a good team performance and with every game we play in this Championship we seem to be improving and hopefully a trend which we can continue.

## FUN DAY

The clubs annual Fun Day which was due to take place on Sunday the 25th August will instead now take place on Sunday the 1st of September. # Coaching Scheme News

**BALLYDUFF UPPER CAMP** — Coaches Shane Hickey and Barry Prendergast with Waterford hurler Seamus Prendergast when he paid a welcome visit to Ballyduff GAA pitch. The visits of the County hurlers to the camp was always the highlight and of course Munster Cup.

**CRACKER AT CROKER**

What a game of hurling in Croke Park last Sunday between Tipperary and Kilkenny. This was one of the great games of hurling played at speed and skill. Brian Cody proved his decision to bring back the 'King' who had retired or threatened to retire more often than Frank Sinatra was a master move, as it took a few moments of DJ magic to decide this game as both teams were so evenly matched. What an All Ireland Final it should be and believe me the Banner defence will be surely tested.

**SUMMER CAMPS TAKING PLACE THIS WEEK**

Summer Camps are taking place this week in Cois Brid and Ballyduff Lr. So far this year's camps have been great fun and very safe with no injuries or accidents thanks mainly to strict supervision and every child wearing helmets.

The last camp of the season will take place at Bushy Park for the Brickeys on Monday 26th August until 28th August and then it will be back to school for everyone.

# ARDMORE G.A.A. NOTES

**SENIOR COUNTY HURLING**

Waterford senior hurlers were brought down to earth on last Sunday week in the All-Ireland semi-final in Croke Park by a tough tenacious Clare team. Waterford were rampant in the first fifteen minutes as they ran in six points without reply and even at that they failed to put away several more points and one or two goals to leave Clare claw their way back as they brought Waterford down to their own level with points and a vital goal to lead by one point at the interval.

Waterford at that stage were making mistakes and the writing was on the wall for them but even at that Justin and his mentors lined out the team in the second half as they had finished at end of the first half. It took them until ten minutes from the end to make substitutes, which at that late stage was too late to make any impres-

sion on Clare as Waterford were a beaten team. Another factor in their performance was the failure of the Waterford stars to perform on the day. Even our own Seamus Prendergast got no run on the forty yard mark as neither himself nor Ken McGrath were making any impression on their opponents. All we can say at this stage is beg la eile ag na paoirig.

**CLUB NEWS**

The reopening of the dressing rooms and the gym have been postponed until October as work is not yet completed and at a recent meeting it was decided to complete collection from people who pledged money to finish the building.

A very successful and enjoyable football camp was held in the field last week as up to 160 children availed of the coaching by our own coaches.

**LADIES FOOTBALL**

Congratulations to Waterford ladies football team on a very impressive perform-

ance in the Munster final last Sunday week against Cork. Mary O'Donnell gave her usual top class performance as well as scoring two very vital points to win by four points.

**INTERMEDIATE HURLERS**

Ardmore's intermediate hurlers played their first round championship game last Sunday night in Fraher Field. They came up against a very resilient Ring fifteen who matched them score for score for fifty minutes as they seemed to handle the ball better than Ardmore who were somewhat rusty and got longer deliveries out of defence but one moment of inspiration from Seamus Prendergast who scored a fantastic goal and further points to leave Ardmore winners at the end of the game on a score of 1-11 to 1-5. Ardmore will have to improve when they play Cappoquin in the second round in the next few weeks.

# SHAMROCKS G.A.A. CLUB NOTES

**WESTERN INTERMEDIATE HURLING CHAMPIONSHIP Shamrocks 1-18 Dungarvan 2-10**

Played at Cappoquin on last Saturday night in ideal conditions, this was a fine display of hurling by both teams. In the first half the score was 1-9 to 1-3 in our favour with a brilliant goal from Pat Murphy and in the second half scores were more evenly got until the final 10 minutes when our lads pulled away and were well worth their 5 point win. A feature of the game was a brilliant display from our county player Eoin Murphy.

Team: L. Murphy, T. Goulding, M. Ryan, B. Hegan, K. Murphy, J. O'Donovan, John Baldwin, L. Dalton, E. Murphy, D. Casey, K. O'Keeffe, P. Murphy, Jas Baldwin, P. Tobin.

Subs: J. Murphy for B. Hogan (injured).

**INTERMEDIATE FOOTBALL WESTERN CHAMPIONSHIP**

Shamrocks v Brickey Rangers will be played in Cappoquin on Sunday September 1st Throw in at 1:45pm. All panel members take note for training.

On last Saturday night at the Shamrock Inn, Knockanore, the numbers drawn were: 1,2,3,15. There was no jackpot winner. 15E consolation prizes were won by Esther Power, John O'Donovan, Caoimhe Casey, Bertie Hickey, Elaine Coady. In next Saturday nights draw the jackpot will be 3,250E and tickets at 1.50E each can be had from the usual promoters.

# FULL PROGRAMME OF MATCHES

It is the biggest weekend programme of the present season and might be described as a 'fall out' from our continued intercounty activity.

It is a sort of 'catching up' operation and all going according to plan the programme will advance the championships in several grades and given fine weather and no obstacles the push to meet the deadlines, can be met.

## S/F/C.

All three games scheduled for the weekend are losers group games.

### Rathgormack v Kilmacthomas

This game is fixed for Walsh Park on Saturday and while Kilmacthomas who are the 2001 county intermediate champions, will 'put it up' to the hot favourites, it will be a surprise if championship contenders, Rathgormack go out at this stage.

It is a fact of life that some of the Rathgormack players are reaching the veteran stage, but they are nevertheless a strong challenging team, by our standards.

### Lismore v Tramore

This is the first game on a double header programme at Fraher field on Saturday.

Tramore who are a football orientated club will be strongly fancied to beat the western challengers.

The clubs are meeting for

their first time ever in senior football.

Lismore pushed Ballinacourty to the limit in the first round, but in view of Ballinacourty's subsequent display against Dungarvan, Lismore would appear to have a lot of improvement to make up before being considered serious challengers.

### Ardmore v Kill

This is the feature game on the double header and it should prove to be more en-

tertaining that the curtain raiser.

But at the same time, there will be considerable surprise around the county if Ardmore are beaten at this stage. Their splendid form of last season, with their two displays against Nire this time round must put them in here as firm favourites. Kill lost by a single point to Dungarvan in round one and while this was a good contest, Kill's display was hardly good enough to have their standards equated with that of Ardmore.

Rathgormack, Ardmore and Tramore are my choice for the weekend...

## S.H.C.

The three matches down for decision are losers group games with the losers becoming redundant until next year.

### Ballyduff East v De La Salle

De La Salle, with Stephen Brennar and John Mullane will be strongly fancied to win this all eastern clash at Walsh Park on Sunday.

By reaching the county semi-final last year, De La Salle showed that they are an improving senior team and should go close enough to reaching the last four this year.

Ballyduff won decisively against Passage last Saturday, but the opposition were weak and unable to stay the pace in the closing quarter. De La Salle should survive this test in Walsh Park.

### Ballyduff v Portlaw

A rather lucky goal got Portlaw over Fourmilewater last Saturday, but I expect it will require a big improvement on their part if they are to overcome Ballyduff here in the feature game at Fraher field on Sunday evening. Things did not go too well for Ballyduff last year when they were overpowered by Mount Sion. The outlook looks better now with a number of their younger players beginning to fit well into the side and giving support to Tom Feeney, Paudie Prendergast and company. A win for the western team is predicted.

### Tallow v Roanmore

Tallow had two points to spare over Roanmore (1-11 to 2-5) in a splendid contest here in Fraher field last season, and I expect the Bridesiders to do even better now that they have begun to play their best hurling. They gave a fine display of very skilful hurling against Stradbally last Sunday and I feel that a repeat of this will be adequate to finish off the challengers from the city, whose day has not yet come. Roanmore's juvenile promotional campaign will pay off in a few years from now.

**G.A.A. NOTES**

**PORTLAW SURVIVE IN TIGHT GAME**

**Portlaw 1-8 Fourmilewater 0-8**

This was a very tight game all the way with the match progressing on a score for score basis and reaching half-time with an 0-4 to 0-4 scoreline.

Just before the break for halftime, Portlaw's centre forward, Edmond Rockett was dismissed from the game, leaving the eastern side with a second half handicap.

**SECOND HALF**

This was no less competitive with each team again scoring 4 points, but a Freddy Kelly goal just on the 40th. minute put the pressure back on Fourmilewater and while they clipped over a couple of points before the end they never came to terms with the only major score of the game, Freddy Kelly's 40th. minute goal. Kelly's contribution to Portlaw's victory was massive by any standards as he contributed 1-7 of their total of 1-8.

Scorers; Portlaw; F. Kelly 1-07; A. Kirwan 0-1; Fourmilewater; J. Walsh 0-5; S. Walsh 0-2; D. Spellman 0-1.

Portlaw. N. Kelly, P. Nolan, G. O'Brien, G. Walsh, B. Laffin, P. Duggan, A. Kirwan, E. Galvin, K. Reide, J. Hartley, E. Rockett, H. Maher, M. Power, J. Laffin, F. Kelly; subs. D. Long, M. Hartley.

Fourmilewater; T. Doocey, R. Rice, A. Ryan, D. Wall, J. Moore, I. Walsh, L. Walsh, S. Cuddy, B. Wall, M. Walsh, S. Walsh, T. Flynn, J. Walsh, D. Spellman, P. Halpin. Sub, P. Walsh. Referee T. Sullivan, Cappoquin;

**Ballyduff East 2-17 Passage 1-12.**

This all eastern tie was much more competitive than the final scoreline indicates and it was only in the closing stages that the 2000 intermediate champions, Ballyduff east consolidated their hard earned victory with two rapid goals scored by Shane Larkin;

Scorers, Ballyduff East. J. Cuddihy 0-8; S. Larkin 2-1; J. Kennedy, J. O'Leary and T. Cooper 0-2 each D. Van Veen, N. Power 0-1 each;

Passage; A. Brett 0-6; J. Hanrahan 1-0; B. Walsh 0-2; S. Cullinane, J. Connors 0-1 each. Referee M. Wadding, Roanmore;

**I.H.C. Shamrocks 1-18 Dungarvan 2-10**

This intermediate game turned into a splendid contest at Cappoquin on Saturday evening. Shamrocks held an 8 points lead at halftime but Dungarvan came well into the game in the second half.

The concession of frees proved costly for Dungarvan as on the night, Eoin Murphy was in brilliant form and on target with every free. The intercounty man made a huge contribution to the Knockanore victory.

**Kilkenny 1-20 Tipperary 1-16;**

What a thriller this was at Croke Park before 53,000 in the second semi-final on Sunday last.

It was undoubtedly one of the best hurling games played anywhere in recent times and understandably, speculation as to how Waterford would have fared against the winners, had we beaten Clare, was rife around the county on Sunday night. The answer to this is that now we will never know.

**MINOR HURLING FINAL**

On this, Wednesday evening, Abbeyside and Lismore will battle it out for the divisional minor hurling title at Fraher field.

This championship started out with three teams but because of the surprise withdrawal of Cois Bride only two remain to make it the smallest championship on record.

In view of this there has to be a serious review of the minor hurling championship for next year and all board members will have to agree to a restructuring of the A and B, minor championships. Two weeks ago, Abbeyside scored a late and rather lucky victory over the Lismore/Ballysaggart/Ardmore group team and whether or not they can compound their victory by winning again to night, is something that we will have to wait and see.

**DESERVING WIN FOR TALLOW**

**S.H.C. Tallow 2-16 Stradbally 1-12**

This was a splendid contest played from start to finish with championship fervour and while Tallow ran out deserving winners the scoreboard does less than justice to Stradbally who fought a game battle right up to the finish.

Tallow's second goal came in the 61st. minute.

All the matches between these clubs in recent times have been splendid contests and this was better than the games that have gone before.

The first half saw Tallow dominate and Stradbally unlucky not to have scored more.

The second half was different with Stradbally coming very much into the game. With three minutes of normal time remaining only 2 points separated the teams (1-14 to 1-12)

Stradbally are now out of the championship and Tallow

will play Roanmore on Sunday next.

Brian Henley opened with a Tallow point in the 2nd minute and Paul O'Brien followed up with a further two white flags. Trevor pointed a Stradbally free and Billy Sheehan had Tallow's first goal within another minute. County team panelist Michael Walsh had the first of his two first half points for Stradbally. But Tallow continued to dominate for the remainder of the half and with splendid scores by Paul O'Brien, Paul Kearney, Paul Murray and Brian Henley they were 1-12 to 0-6 ahead at halftime

**TOOK CONTROL**

Stradbally got to grips with the game from the throw in and immediately took control. Two early points by Sean Coffey and a further two by Trevor Curran put the pressure on Tallow who had

to wait until the 16th minute for their opening second half score, a splendid Mark Geary point.

With the contest moving to a finish, Stradbally had a goal per Sean Coffey which reduced their deficit to a mere two points. But Tallow never wilted and held the challengers scoreless for the remaining minutes while adding a further 1-2 to their total. The late goal was scored by Paul O'Brien.

Scorers; Tallow; P. O'Brien, 1-5; P. Kearney 0-7; B. Sheehan 1-1; B. Henley 0-02; M. Geary 0-1; Stradbally; J. Coffey 1-2; T. Curran 0-5; M. Walsh 0-3; N. Curran 0-2;

Tallow; J. Cunningham, D. Martin, D. O'Brien, C. Cunningham, W. McDonnell, J. Beecher, S. McCarthy, M. Geary, J. Murray, B. Henley, P. Murray, P. O'Brien, M. O'Brien, B. Sheehan, P.

**I.H.C. DRAWS**

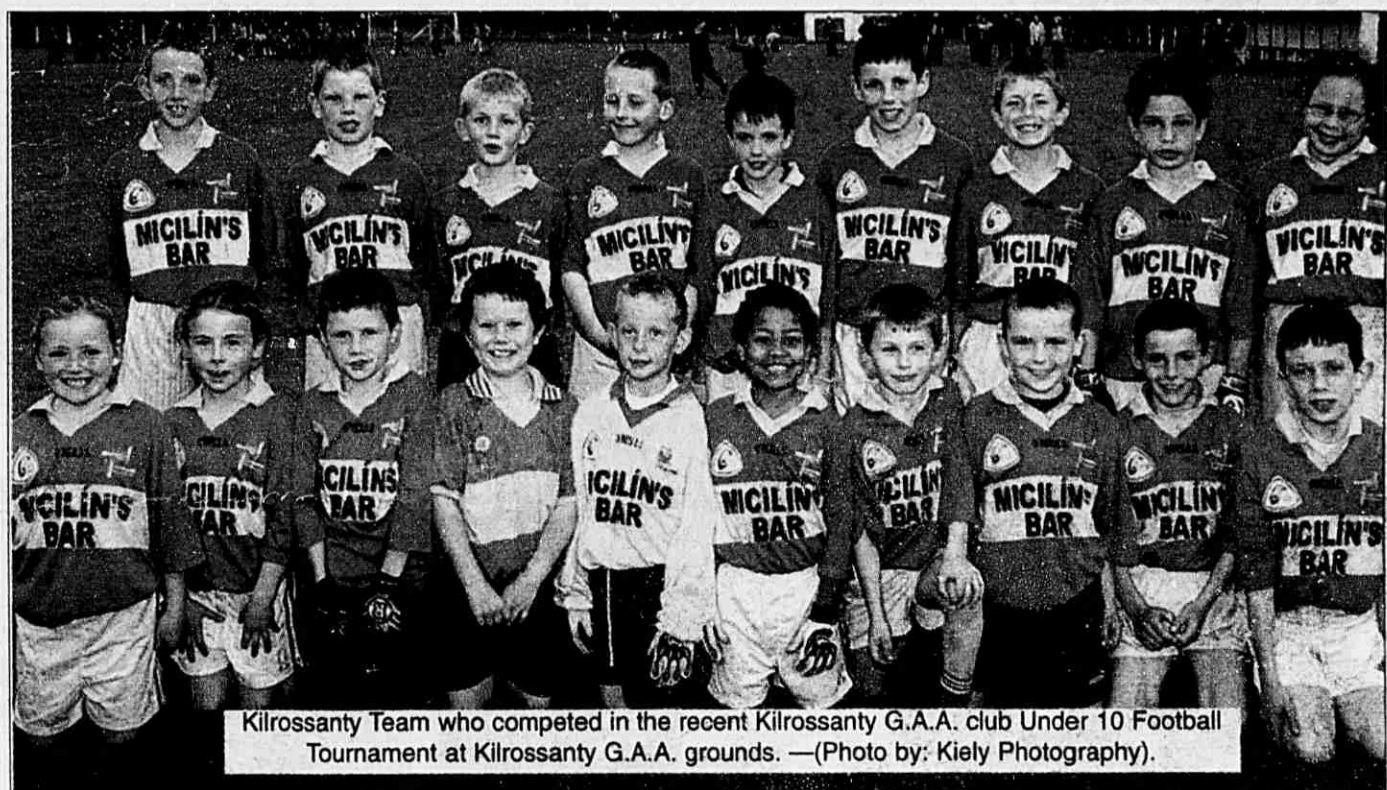

Following the game in Fraher field on Sunday evening the following intermediate hurling draws were made.

Ardmore v Cappoquin; St. Mary's v Ballysaggart; Abbeyside v Shamrocks;

**LOSERS GROUP**

Colligan v Ring; Clashmore v Lismore

The three winners of the top group will be joined by the ultimate winner of the losers group for the semi-finals

# Old Parish Win Local Derby At Ardmore

**J.F.C. - Old Parish 2-10 Ring 1-6**

This eagerly awaited junior football tie was played on Saturday evening last. A game which saw brother against brother, nephew versus uncle and cousins take on cousins. To most observers, Old Parish were red hot favourites and would win by a sizeable margin, but Ring hadn't read the script. Played before a large crowd the game itself was tense, scrappy and chances were missed a plenty by both sides.

Old Parish led at the break by 0-6 to 0-2. Points for Old

Parish were scored by Timmy Power (0-2), Raymond Power (00-2), Michael Dower (0-2), while Shane Kelly got Ring's brace of scores. On the resumption, Ring introduced sub Mattie Moloney while quick points by Tommy McGrath, Shay Kelly and Noel Murphy reduced the deficit to a single point. However a solo run which saw Shay Harty deliver to Dathai Conduin which the latter hammered to the net giving Old Parish a four points lead. Ironically both Shay and Dathai had donned the blue and gold of Ring in the past. Super sub Matty Moloney fisted the ball to the net within three minutes, for Ring to ensure a grandstand finish. Fitness and youth were now the deciding factors as Old Parish scored points from Raymond Terry, Fitzgerald, Dower, Moloney and Power. Another goal from Dathai Condon gave them breathing space while Ring had scores from O'Murchu, Kelly and Murray.

Highlight of the final minutes was a top drawer double reflex save from Aodhan De Paor in the Old Parish goal. In the remaining minutes Old Parish held on and were flattered by the scoreline. Their overall fitness and teamwork just about shaded the victory and displays from Shay Harty, The Powers, Michael Dower O'Donnell, Pdraigh Moloney and Eamon Power were eye catching.

Ring certainly gave it their best shot and many who

fielded for the club tasted the cup of success back in the 90's. They were not overawed and the displays from young guns, Shay Kelly, Noel O Murchu, Cathal Houlihan augurs well for their future. Tommy McGrath, Joe Harty, Nioclas Og, Michael Hayes, Mac Darra all gave of their very best.

A workman like victory for the "Shocks" which sees them Advance to meet Mod-eligo in the losers group final this Saturday at Bushy Park. Tremendous credit is due to Ring's second string who showed great commitment and despite 'the years' put it up to their neighbours. Old Parish move on and will improve and others with title aspirations will do well to watch out.

Old Parish; A. De Paor, P. Keating, M. Keating, S. Wade, D. French, J. Harty, E. Power, T. Mahony, M. Dower, T. Power, P. Mahony, R. Power, M. O'Donnell, R. Terry, D. Condon.

Ring; C. Houlihan N. Kelly, MacDarra, N. O'Murchu, C. Houlihan, J. Harty, E. MacCraith, S. Kelly, G. Breathnach, D. Condon, T. McGrath, C. Murray, J. Rior-dan, M. Hayes, Nioclas Og, Referee Pat Casey;

## SEAN TOBIN R.I.P.

Seanin was a traditionalist in every sense of the word and not only was he an integral part of the lore and legend of the Colligan Rockies story, but he was loved and respected by G/A.A. people everywhere in west Waterford and beyond.

Many years ago when he was awarded the Jack Furlong Trophy for outstanding service to the association in the county, he was described as a "Blue Blood" Irishman and a G.A.A. personality of the highest order.

In his playing days he was an accomplished footballer and hurler with his clubs, Colligan Rockies & Emmetts and was a part of their double victories in the very early sixties. He was a club selector for many years, he held the position of club chairman and in retirement the honour of Life President was conferred on him by the club members.

His love of and interest in all aspects of Irish Culture was very well known and until recent years he never missed attending the annual Fleadh Ceoil, regardless of where it was held.

He was a great socialiser and loved the chat about games and his store of 'yarns' about events. etc. etc. made him delightful company.

His brothers, Jimmy, Paddy, R.I.P. and Dick were all playing members who lined out with Seanin in years past.

Needless to mention, at his funeral and burial he was given the traditional style send off with members of clubs from all over joining with his Colligan/Emmetts club mates in paying their final respects.

Ar dheis De go raibh a anam.

## JOHN CUSACK R.I.P.

John who was the Waterford full back on the history making breakthrough in 1948 when we won our first ever senior hurling All Ireland was watching the Waterford versus Clare semi-final on television when he suddenly passed away at his home in Clonea on Sunday August 11th. last.

He died during the haltime interval and was no doubt hoping that the county would recover to gain the verdict against Clare in the second half.

John Cusack had a very long playing career with his club Clonea with whom he won county honours and with the county. Having achieved the highest honour that the game of hurling can offer in 1948, he continued to wear the county colours for many years afterwards. In the famous championship game at Fermoy in 1956 he played corner back on the team which lost to Cork and he also played again in the 1957 league.

His love of the game and interest in the county team's progress continued up to the hour of his rather sudden death.

G.A.A. players and officials from all over the county attended his funeral and burial at Clonea on Tuesday August 12th.

May he rest in peace.

## St. Augustine's Golfers Reach All-Ireland Finals

Golfers from St. Augustine's College, Dungarvan have again reached the All-Ireland of the Golfing Union of Ireland schools golf competition for the third time since 1998. The finals will be played at Royal Tara Golf Club, Co. Meath on August 27th. These players, from the three local clubs have done brilliantly to get this far. The first qualifying competition was held at Mitchelstown G.C. last May. This was a strokeplay qualifier with some commentators saying that this is most difficult as you have schools from all over Munster at four venues with just one winner to come through at each venue. At Mitchelstown over 28 schools took part with the winner going on to the Munster semi-finals. This was a great achievement to come through this section as it contained favourites Dungarvan C.B.S.

The team for this stage was Eoin Ryan, Seamus Power, Michael Flavin and David Troy. Then it was off to Charleville for the Munster Finals. Here the team was pitted against hot favourites Crescent Community School, Limerick who had a very strong team containing two 'boys internationals' (Ireland Stroke play schools champions). Also handicap wise, they would have lower handicaps than the Dungarvan team. This proved to be the key match. Early on it wasn't looking good for the St. Augustine's team as they were down in all five matches. But the Limerick team hadn't reckoned on the character and 'never say die' spirit of the Waterford lads, whom they beat in the final last year. Seamus Power won the first match in beating Vinnie O'Dowd, a Munster Interprovincial 4 & 3. Next Paul

Curran came up against a form player R. McDonnell losing 5 & 4, but Willie Morrissey kept the Friary in front with a 4 & 2 victory over B. Keating. Then David Troy lost a very close match on the 18th hole, so it was down to the wire with Eoin and Cian. Eoin was 3 down early on but fought back bravely to clinch a place in the All-Irelands, with a birdie on the 21st hole. This was a notable victory for Eoin as his opponent is one of the country's promising young golfers, spending 2 weeks with Nick Faldo in California earlier in the year. Most recently he won the British Boys Junior Championship.

In the other semi-final, St. Brendan's, Killarney beat CBC, Cork. The final was a one sided affair with the Dungarvan team having a total handicap of 26, against 48 for the Killarney team, even though the match was played off scratch. The Dungarvan lads clinched a place in the All-Ireland Finals at Royal Tara G.C., with all the players winning their matches. So the team are now looking forward to the finals and with some encouragement and support from everyone and are looking forward to doing well. The team have already travelled up and played the venue which is a tree lined parkland course. They will travel up for another practice round shortly as the players and team management are eager to put in a good performance and bring the Green Pennant to Dungarvan.

Team — Eoin Ryan (Dungarvan and Gold Coast); Seamus Power (West Waterford); David Troy (Gold Coast); Willie Morrissey (Dungarvan & Gold Coast); Paul Curran (Dungarvan).

## GER WYLEY/NIKE SUMMER SERIES

# Ardmore 5 Veronica Ryan Memorial Cup

There was a fitting end to this years Ger Wyley/Nike summer series in Ardmore last Friday evening where the 10th race was completed in the 2002 summer race programme hosted by West Waterford AC.

The winner over the five mile course was Ted Flannelly, United Striders, Wexford who now proudly gets his name inscribed on the Veronica Ryan Memorial Cup, which was donated by the Ryan family in memory of the late Veronica Ryan who was a much loved teacher in the local primary school in Ardmore, before her untimely passing some four years ago. The winning time was 26.07 with Peter Duggan, St. Josephs, Kilkenny, second in 27.02 and fresh back from the British AAA young David McCarthy, West Waterford AC had a super run to claim third place in 27.32, proving after all that there is some up and coming talent out there for the future. The winner of the junior race was local boy Sean Stillwell running with K.C.K. in a time of 28.38, giving him a top ten finishing place, another fine performance from Sean.

### CORINNA AGAIN

Corrina Walsh, West Waterford once again stamped her

authority on the ladies race when she led from the gun and at the finishing line was a clear winner in a time of 33.13, nearly two minutes ahead of the second lady Edel Walsh 35.11, with third spot going to Youghal's Louise Murphy 36.46. There was also a walk held in conjunction with last Friday's race and thirty took part. The following were the winners of spot prizes - Rita Catty, Claire O'Donnell and Marie Morley. Well done to all who participated.

### ZODIAC SIGNS

Another fun element to the Ardmore race each year is the Zodiac signs competition, where each athlete runs for the honour of being the winner of his or her star sign. This creates some good duels among the runners too. Following are the list of winners from this years race: Aries - Neilie Hall and Hilda Power, Taurus - Frank Hayes and Ann Marie Jordan, Gemini - John Kent and Siobhan O'Mahony, Cancer - Carey

They're Off — The start of the Ardmore 5 Mile Road Race, the last in the Ger Wyley/Nike Summer Road Race Series. (Rory Wyley)

and Hiliery Collins. Aquarius - Jason O'Connor and Ann Marie Hickey, Pisces - Jack Duggan and Breda Hayes.

### PRESENTATION AT PADDY MACS

After the race the presentation of prizes took place in Paddy Macs lounge and we would like to thank the management and staff of Paddy Macs for their kind hospitality and sponsorship, and to all who laid on a fine spread for all the hungry athletes. It was much appreciated.

A special thanks to West Waterford club man Michael Hennessy, Ardmore who did a fine job as race director for the event and had everything running smoothly on the night. To the Healy family without whom the race wouldn't have been possible to run. To the local Gardai a big thank you and to all the stewards around the course, time keepers and those looking after the entries and results.

Thanks to the people of Ardmore once again for the hospitality and support when the race is being held in your beautiful village every year. And last but by no means least to Tony, Mary, Sean, Liam and Eamon Ryan for the race sponsorship and support by being present on the night to distribute the prizes to the winners.

Full series report in next week's notes.

## ON YER BIKE

What a talent he is, whether it's organising races, running races, cycling or even coaching hurling this man is one to be reckoned with. I speak of course of our own Finbarr Kelly, who I passed while I was driving to the race in Ardmore last Friday evening. He was on his new racer cycling to Ardmore. Further more he got off the bike, ran the race in a good time of 32.45, got back on the rothar and cycled back home to Dungarvan again. Low and behold I went to The Fraher Field Sunday evening to watch Ring and Ardmore in an intermediate hurling match and who do you think was trainer for the Ring team, yes Finbarr, I told you he was a talented man.

### TRACK AND FIELD NEWS

## Men Qualify For Mazda League Final

### LADIES FIRST RESERVE TEAM

On Sunday next our mens track and field team will compete against the top clubs in Ireland in Tullamore for the Mazda Trophy.

The top eight teams from the two qualifying rounds compete on Sunday and we are in third position with 260 points behind Dublin City Harriers on 275 points and Clonliffe Harriers on 270 points. Our Munster rivals Leevale of Cork are in 8th place with 228 points. However, on Sunday next we start with zero points as do all clubs. We will need our strongest team possible if we are to hold our position and finish in the top three.

The Ladies team were very unfortunate to finish in 9th place just one point out of the final eight with 113 points, the leading club, Navan having 128 points. If any of the top eight teams cannot compete then we will be called upon for Sunday.

The following are the mens team for next Sunday: Michael Murray, Danny Rockett, Ronan Curran, Stephen Dunne, Liam Houlihan, Padraig Cullen, Joe Geoff, James Ledingham, Dermot Cummins, Brendan Moran, Rob Fanning, Philip Harty, Nicholas Walsh, Jamie Costin, Kevin Healy, Shane Scanlon, Padraig Scanlon.

### EVERYONE LEAVES FROM THE SQUARE AT 8:00AM.

On Saturday last our track and field Captain Michael Murray competed at an English Competition, the G.R.E. cup final. He competed for

Windsor A.C. of which he is a member. He competed in the Triple Jump and finished 5th with the best leap of this season. His club finished 4th overall. This competition is equivalent to our league final with clubs from England, Scotland, Wales and Northern Ireland competing. Well done Michael.

## NEW JOB FOR CHRIS

Well known English flat rider Chris Rutter was appointed this week by the UK Jockey Club to the position of Stewards Secretary. Thirty Nine year old Rutter has just under 500 world wide winners under his belt will take up his new position at the end of the current flat campaign.

## HOLD THAT TIGER

The Aidan O'Brien trained two year old Hold That Tiger who proved such a disappointment in the recent Phoenix Stakes at the Curragh was found to be in respiratory distress after that race and this surely accounts for this colts lack lustre display.

## ONE ONE ONE

Former leading female rider now turned trainer Joanna Morgan has a grand old flat campaigner in the shape of the eight year old One One One. Running in his 71st race at the Curragh last week and digging deep when it mattered most One One One posted his first Group One success by the minimum distance from the English challenger Bahamian Pirate. The American bred One One One has now finished in the money on thirty five occasions.

## IRISH JOCKS DEFEAT AUSSIES

Our congratulations go to the four man Irish National Hunt riders team of Danny Howard, Jimmy Mansell, Sean McDermott and Mark Madden who took on their Aussie counterparts in their own back yard down under and beat them with something to spare. It was interesting to hear that one of the Aussie team members Perry Thomas was banned from riding by the local Adelaide stewards as he was reported to have been "intoxicated" when working horses at the track earlier in the day.

## TRAMORE UPDATE

Day one of the Four day racing Festival was a complete disappointment for the seven or so thousand race goers in attendance and the Irish Turf Club who basically take over the running of the meeting from the Tramore executive have a lot of questions to answer. The layout of the track was wrong from the outset. From the public's vantage point in the main stand it was clear that six greyhounds could not race around the first bend without colliding never mind sixteen racehorses going at a speed of up to thirty miles an hour. The inevitable pile up happened in the opening contest with three horses coming down resulting in Larry Hurlley from Tramore breaking his collarbone. Despite moving the running rail for the second race more horses came down on the downhill run to the dip and a similar accident occurred in the third contest. The Turf Club stewards were quite happy to leave racing continue and the horses came into the parade ring for the fourth race. It was only when a number of the senior jockeys protested that the Stewards woke up to the fact that the track was unsafe and a serious accident was in the offing. The meeting was then called off but punters were not refunded their admission price as the mandatory three races were run off. True the track was slippery after overnight rain but the layout of the track left no room for horses to maneuver around the turn past the stand. This meeting should have been called off after the first race and it will be interesting to see if any Turf Club inquiry follows. The Turf Club are hardly

going to hold an inquiry though into themselves. The three races run off were a farce as the vast majority of the riders showed no interest in winning a race. Their objective for the afternoon was to get around in one piece. The ride that Etak received in the flat contest was disappointing to say the least. He was a furlong behind going down the back stretch but was only beaten six lengths at the winning line. On reflection however his young pilot must have been terrified riding around in this race having seen the horses come down in the opening hurdle race. This meeting was transmitted live throughout Ireland and the UK and presenters on the British produced Racing Channel expressed their amazement as to how racing was allowed continue after the second race.

**Day Two** — It was a transformed racecourse on Friday. The sun shone brightly and after some work on the first bend where the running rail was totally changed in its layout racing went ahead under glorious conditions where happily everything went off without any problems and the track rode perfectly. Thomastown born but Windgap based owner trainer Seamus O'Farrell combined with his young son James to take the opening Amateur Hurdle courtesy of Cork bumper winner Take A Drop this 5/1 chance racing up with the pace throughout staying on strongly in the closing stages to defeat Rosslare Express by four lengths.

The Jack Of Trumps Racing Club are certainly knocking a lot of fun out of their runners. Their entry in the Mean Fiddler Handicap Chase Celio 10/1 to 6/1 was given an enterprising ride by Paul Moloney to make every yard of the running for a fluent victory crediting County Wicklow trainer Prunella Dobbs with her first ever success as a trainer.

There was a tremendous finish to the Curran Foods Handicap as the Waterford owned, trained and ridden Ticker came with a tremendous late rattle to snatch victory on the line from the Tom Carroll owned and Henry De Bromhead trained Mirs Style who did not enjoy the clearest of passages in the closing stages. The winner Ticker is owned by Track Director Eamon Griffin and well known local businessman Kevin Sheridan, is trained outside Tramore by Paul Roche and was partnered by young Gordon Power from Ballymacaw.

Curragh trainer Dermot Weld was not present to see his 7/1 chance Lines Of Battle make every yard of the running in the Anglo Irish Bank Maiden for apprentice Pat Cosgrove beating Any News who found precious little for rider Davy Condon in the closing stages.

Colin Magnier was a top class amateur a number of years back and nowadays only trains a couple of horses for family members in County Meath. He was on the mark in the concluding bumper as experienced amateur Phillip Dempsey guided 10/1 outsider Sonnerschien to victory over Theflyingcannister.

A disappointment for punters however at this and the subsequent meetings was the failure of the Turf Club to provide starting stalls especially for the One Mile One Furlong races where its vital to get off to a reasonable start.

**Day Three** — Despite overnight drizzle the track rode exceptionally well for the third day of the annual festival. Curragh based trainer Mick Halford sent out

Dariole 11/2 to capture the Richard Power Bookmakers Handicap Hurdle for the second year in a row as the AP Lane partnered six year old held at bay the late run of Link Hill by a head.

Cappagh County Waterford rider Tom Queally posted a nice win on 10/1 outsider Jug Of Punch in a Smithwicks maiden as the Timothy Doyle trained runner scored with something to spare over Celtic Blaze.

The Paul Carberry ridden Fnan ran on strongly in the closing stages of the Killone Estates Chase to outstay the front running top weight Monitor by two lengths.

Dungarvan based trainer David Kiely who does really well with a small string of horses sent out the 6/1 winner of the Bausch and Lomb Maiden race as the Seamie Heffernan partnered Silk Leader came through smoothly in the closing stages to defeat Storm Quest.

**Day Four** — The sun shone brightly for the final day of the festival and not for the first time the punters found winners hard to come by. County Meath trainer Noel Meade and his stable jockey Paul Carberry enjoyed a successful meeting and they captured the opening three year old maiden hurdle as Mivec 7/2 came back a second time to deny Coral Son by a neck.

Gregorian under a determined ride from Barry Cash ran away with the Novice chase guiding the Philip Rothwell trained runner to a very easy win over DB My Son.

The Mullins clan dominated the featured Waterford Crystal Noel Griffin Memorial Handicap as the Tony Mullins trained The Baltimore Man under Tramore rider Gary Hutchinson got the better of the Willie Mullins trained Czar Of The Peace. Indeed the Paddy Mullins trained Bob What held a narrow lead running down into the dip in this two mile flat race before unshipping his pilot Timmy Houlihan.

The Vivian Kennedy trained Lichen was the only horse to win twice at the festival and his well supported son of Lycius came with a powerful late run in the concluding handicap to beat the Henry De Bromhead handled Send Him On.

In summary while the opening day was a disaster in which many questions require an answer the following three days of the meeting were an outstanding success.

## WORLDWIDE BAN FOR GARY CARTER

Well known English rider Gary Carter has received a year long worldwide ban from riding for making insufficient effort aboard a horse in a race in Singapore. By all accounts the popular rider was hard done by and it comes as no surprise to hear that he intends appealing the ban.

## SWORDS MCNALLY GRAND PRIX 6 laps of a 12 mile circuit

On what can only be described as a difficult course, the Swords McNally GP was run on a reasonably fine day last Sunday. 70 miles of a hilly circuit starting at the village of Ballyboughal, up over the Nags Head, down into the Naul and over "the three sisters" before winding its way back into the village. This is a race where generally only 40% of the riders finish the race. On this occasion only 70 or so riders took to the start line and perhaps 25 finished. After a steady first mile of racing things started to hot up on the first climb of the day, the attacks started on the ascent to the Nags head, this is where the first few riders lost contact and the splits started to appear. After the first lap a group was up the road, there were two small groups of chasers between them and the main field. After three hours the situation remained the same but by this time a large number of riders had had enough and retired. Over all victory went to P. Moriarty (Dublin Skip) followed home by Simon Whelan (McNally Swords). Henry Crowley, Dungarvan Credit Union Cycling Club, received 3rd place in the B category, rounding off the week nicely for him after finishing 5th in race in Swords on the previous Wednesday.

## NEWCOMERS

In the past few months, several newcomers have joined our ranks, and we wish them well. We hope that you enjoy your time with us. Are there any more newcomers out there? If you would like to get fit and enjoy the fine (!!!) summer evenings, please consider joining us for spins on Mondays, Wednesdays, Saturdays and Sundays. We will welcome you aboard, give you an application form, and set you on your way. All you need is a bicycle in good condition and a bit of determination. Why not join our Saturday or Sunday spins for 5, 10 or 15 miles before turning back directly or by another route? We are pleased to see that on recent spins, some members have decided to take the short route option. This is the way cycling should be. Don't be caught in a group that does not cater for your needs. If you want to cycle a shorter distance, join with the longer group to start off and "split" when you want. So, now's your chance. # DUNGARVAN GOLF CLUB NOTES

## PAT FAHY WINS THRILLING PRESIDENTS PRIZE

The Presidents Prize kindly presented by Tom Coffey was played for over the weekend. A large number of players took part in the competition for this most sought after prize and with playing being off the blue markers, keen competition and excellent golf were anticipated.

### Friday: Day 1 belongs to Carey & Fahy

Brilliant sunshine with temperatures in their low twenties with a nice breeze made the weather conditions very conducive to good scoring on Friday. And so it was as first, Peter Carey off (11) and then Pat Fahy off (14) returned excellent scores of 41pts. Peter a prominent county council employee, had a wonderful front 9 of 23 pts, highlighted by a marvellous birdie on the 2nd. Pat, surely one of the most consistent golfers in the majors over the last 2 years, having played in the last three ball on two previous occasions, played very consistent golf with halves of 20 & 21 points. Pat had 10 pars in a fine exhibition of golf.

### Saturday Day 2, Michael 'Doggy' Power is Prominent.

We woke up on Saturday morning to driving rain and gale force winds and those hardy golfers who braved the elements are to be saluted. By noon the day had transformed and conditions improved dramatically. The best score was that of Michael Power playing off (15) with 40 pts. The Kilmac-thomas man who wore the St. Mitchell's Jersey with distinction had 21 pts on the front 9 and 19pts on the back. Michael had a birdie to start off with complimented by 7 pars. Other golfers very much in contention on Saturday night having scored 39 pts were Cyril Power, Mattie Noonan, Pat Norris & Thomas O'Grady. The talk on Saturday night was 'would Fahy's experience of playing in the last three ball help him prevail, would Carey spring a surprise or could Michael Power sustain his challenge and beat the 2 of them or would someone come from off the pace? Sunday and the answers to these questions were eagerly anticipated.

### Great Battle for the Gross

Leading the way in the fight for the for the gross prize was the defending presidents prize winner Mark Fleming, with 32 pts. Following closely behind in 2nd place we had the favourite John Reynolds with 31 pts. Others in with a chance on 30 pts were Donie Williams, Pat Norris & Tom Melody Jr.

### Day 3 Sunday Pat Fahy has his finest hour.

The weather on Sunday was bright and great golf was anticipated. The first real story to break was that of Michael Morrissey who was round in a great score of level par off (8) for 44 pts. Michael had 20 pts on the front 9 but went 4 better on the back when, playing like a professional, he birdied the 12th, 17th & 18th. Michaels cumulative score of 76 pts was to set a fine clubhouse target. This score stood up for all of 4 hours until Matty Noonan playing in the second last three ball came in with 38pts to take the clubhouse lead. Excitement was now mounting as it became clear that Michael Power needed a birdie on the last to win and Pat Fahy needed a par. To Michaels eternal credit he gave himself a great chance of a birdie, putting his third shot 2.5 metres from the hole. However amid deafening silence he missed the putt and so had to settle for a gallant third place. Meanwhile, Pat Fahy put his third shot about 4 metres from the hole. His first putt just missed and when he tapped in he got a generous round of applause to signify his great win.

### The Gross

Never in the history of the club has the gross been so competitively contested. Paul O'Riordan, lying outside the top 4 overnight had a tremendous round of 34 gross to snatch a famous victory. Paul had the 18th to thank for his win as he had an exquisite eagle here. In second place also with 63 gross was John Deasy. John had birdies on the 1st, 12th and 18th in a fine exhibition of golf.

### The Presentation of Prizes

The Captain Liam Fitzgerald was the highly efficient M.C in a packed Clubhouse at 10.30 p.m. He spoke about the great sportsman Tom Coffey and revealed in particular his exploits as Irish Go Cart champion in 1969 and his horsemanship at Killosera. He also (with great help from head caterer Josephine) spoke of Tom's fine education in Modeligo National School. The lady Captain Carmel O'Brien was then invited to speak and she was fulsome in her praise of Tom and in particular his great trait of getting people together and his great business acumen. The great man himself then spoke and thanked his wife and family for their support and various people in the club that helped him in the last 2 years. The lady Captain then presented the prizes to the Ladies and the winner Joanne O'Neill got a mighty sustained round of applause. Liam then announced the winners of the presidents prize and one by one they came up for their prizes. One of the biggest

cheers of the night was reserved for that of Michael 'Doggy' Power. Michael did not let his supporters down as he entertained us greatly for five minutes in his acceptance speech. Mattie Noonan who finished second spoke of his delight and surprise with his good golf at the week end. Finally, Liam announced the winner Pat Fahy. He got a warm sustained round of applause and people were delighted to see Pat finally come good on the big stage. Pat spoke eloquently of the state of the course and thanked Tom Coffey for the beautiful array of prizes and said it was a special moment for him as his proud parents were present. Josephine and the ladies committee are to be congratulated for the beautiful food supplied after the presentation. And Jimmy Mansfield (phoenix band) played superbly and a great dance sing song rounded off a memorable night.

### Postscript: Tom Coffey The Man

Tom Coffey has many fine attributes. Wherever Tom seems to go a crowd gathers around him. His positive, cheerful and ambitious disposition always seems to rub off on the people he encounters. His warm, genuine and wholesome welcome has been a tremendous asset to Dungarvan Golf Club. His diplomatic common sense business brain has ensured that great advances have been made to the club. Finally, his contribution as president over the last two years has been highly positive, enormous and epitomises the remarkable character of the man. On behalf of our Captain's Liam & Carmel and indeed the entire golfing community of Dungarvan Golf Club, I would like to say a great thank you to Tom.

Joanne studied computer science in queens and is at present employed with the IT firm 'LET' in Dungarvan. What is remarkable about Joanne's win is that she has been playing golf only 18 months. In her acceptance speech she spoke of what a great club Dungarvan is and paid a tribute to the Ladies Club for their warm and sincere welcome to her. WATERFORD TUESDAY AUGUST 13

## Eye Catching Debut By Windgap Kevin

An above quality midweek card featured the semi finals of the Phelans Shoes 29.20 stake (Sponsor The Phelan Family, Georges Court, Waterford.) plus the three first round heats of the Waterford Plumbing and Heating Unraced Stake (Sponsor Maurice Jackson). Racing commenced with the unraced event and favourite backers made the best possible start to proceedings rowing in with the John Fitzgerald and Phil Gough owned Sparta Cleo (Droopys Vieri-Sparta Glory) and while this 5/4 favourite trailed Harlenas Queen and Forest Jasper down to the third bend she knuckled down to the task in hand and using the rails to good advantage Sparta Cleo finished strongly to outpace Harlenas Queen by two and a half lengths in 29.25.

The Eileen Skehan owned and Declan Byrne trained Windgap Kevin (Lassa Java-Windgap Chick) 6/4 made an eye catching debut in heat two obliging in a red hot 28.81. The early paced winner did not have matters all his own way however as he had to battle hard to shake off the early challenge of a determined Nice Jo. Easing his way into the lead halfway down the back stretch the long striding Windgap Kevin gradually asserted his superiority to race on for a two and a half lengths win over Nice Jo.

The punters lost out in the battle with the bookmakers in heat three which saw the downfall of the heavily supported evens favourite Solskjaer who was badly baulked leaving traps and just as he was back on an even keel near the first bend he suffered further interference. With the jolly out of contention Alan Carroll's coursing bred Dillrock Maryan (Hilltown-Cushie Flair) 4/1 displayed plenty of early pace and despite drifting wide on the run up Dillrock Maryan forged into an early lead over Newcastle Time and while Elbony Jairzinho caught the eye making sound late progress Dillrock Maryan proved full value for her two and three-quarter length win over "Elbony" in 29.29.

Mooncoin owners Leo Dunphy and Joe Hanlon had the layers running for cover after the fourth graded contest with the heavily supported Powdunhan (Mountleader Peer-Whitefort Jude) 6/4 to absolutely hacking up in 29.46. Having only his second race outing Powdunhan was quickly into his stride to lead on the run up. In a one sided contest the favourite was never in any danger of losing out and with his supporters already forming an orderly queue to collect their winnings Powdunhan crossed the winning line with ten and a half lengths to spare over a running on Forest Dragon.

A winner at Enniscorthy track on his previous outing the Robert O'Brien owned Prince Ian 5/4 stepped up on that performance capturing the fifth contest with relative ease in a fast 29.27. Breaking in front from trap three Prince Ian (Prince Of Tinrah-Murlens Pearl)

was in complete command throughout sprinting clear of Avoca before running out a nine and three quarter lengths winner over Aegean Flame.

The public just love hurdle races and once again the hurdle event on this card provided us with a thrilling contest with victory going to the Jimmy O'Connor and John Doheny owned and Paddy O Connor trained Sober Decision (Deep Decision-Garryglass Tune) this 5/4 favourite posting a last gasp victory in 29.82. The winner looked booked for third spot throughout as Hilldun Pet and Express Jo were engaged in a titanic struggle up front. With the principals clashing off the final turn and again over the final hurdle Sober Decision put in a breathtaking leap over the final jump to seal a heart

stopping victory by one and a quarter lengths over Hilldun Pat.

In the first semi final of the Phelans Shoes 29.20 stake Cavcourt Glory carried the favourites tag at 7/4 but after a slow start from trap six the favourite hauled himself into contention near the first bend but he failed to clear the slow starting but early paced Sparta Leo and with the favourite dropping back into third spot down the back stretch 10/1 outsider Minglers Prime went after the front running Sparta Leo. Owned by James Moore Minglers Prime (He Knows-Minglers Magic) gradually closed on the leader and striking the front on the rails over the final two bends Minglers Prime lengthened his stride to draw clear up the home stretch for a four and a quarter lengths win over Sparta Leo in a career best 28.95.

Cousin Jack was well fancied at 6/4 to capture the second qualifier but after having every chance when motoring into a two lengths lead on the back stretch he failed to hold the late run of Fitzzy Star who scored in 29.43. Owned by Oliver Flynn and trained by Gerry Kiely Fitzzy Star (Lassa Java-Knockmoylan Rose) did well to move into contention after a poor start and getting every yard of the standard trip Fitzzy Star 4/1 stayed on stoutly for a well deserved length and a quarter win over Cousin Jack.

The photo finish camera was called upon to decide the outcome to the final two graded races of the session. It was hard to keep up with the action in the ninth race and while Drumboy Prince the evens favourite led down the back stretch there was a blanket finish to this contest with the MP Taylor and K Crew owned and Matthew Scurry trained Graigue Gale (Super Hoffman-Caherline Sonia) 4/1 finishing with a flourish to short head Thandis Mikki who led into the home stretch but lost ground when staying wide.

The winning time was 29.46.

In the final race of the night the Matthew Olden owned Rebeccas Rebel (Deep Decision-Rebeccas Charm) 4/1 made maximum use of his early pace to lead all the way in 29.26. Racing into an early lead Rebeccas Rebel looked in trouble as Official Minnie cruised up behind the leader turning into the home stretch. A determined Rebeccas Rebel was not going to be denied though as he stuck his head out in the dying strides to triumph by the minimum distance.

WATERFORD SATURDAY AUGUST 17TH

## Sparta Leo In Top Form

The in form kennel of local owner trainer Phil Gough continued its good run in Kilcohan Park last Saturday night as the John Fitzgerald owned Sparta Leo (Roanokee-Peppermint Lady) 7/2 ran the proverbial blinder to capture the featured Phelans Shoes confined 29.20 stake in a smashing 28.91. Eden Storm showed in front from the break with Sparta Leo in close attendance running up to the first bend. Striking the front on the back stretch Sparta Leo could not afford any errors with Eden Storm sticking to the leader but galloping on Sparta Leo stayed on well to record a length win over Eden Storm with a running on Mustang Venus the same distance away in third.

The much traveled Simply Supreme (Beaming Supreme-Aries Rose) re discovered his best form in the first semi final of the Waterford Crystal Open 550 yard event winning a shade cosily in a fast 29.84 justifying his position at the head of the market. Simply Supreme 4/6 made maximum use of his rails draw to snatch the lead around the opening bends from the fast starting Side Impact. Making the long break for home Simply Supreme lived up to his name romping to a three and three quarter lengths success over a running on Tinrah Jack.

Harlenas Tom (Come On Ranger-Pres To Lisnak) is in cracking good order at present and this Desna and Peter Hattemore owned dog was full value for his 30.11 second semi final victory. After taking his first round heat in impressive fashion Harlenas Tom was generously priced at 4/1 while a

poorly drawn Ballyveelish Jo was the surprise market leader at 6/4. It was all Harlenas Tom however as he sprinted into an early lead over Prince Cushie and Kilmacar Joker and while the latter did close right up on the leader over the final two bends Harlenas Tom kicked again to run out a deserved length winner over a fast finishing Active Nikita with Prince Cushie a neck further behind in third.

In the opening graded contest McCarthys Girl (Spiral Nikita-Evelyns Girl) 5/2 shed her maiden tag at the fourth time of asking for owner Frank McCarthy coming from behind the fast starting Vocal Point to run out a four and a half lengths winner over a strong finishing Dawlish Rocket who was in last spot at the opening turn. The winning time was a career best 29.10.

The classy Sir Chris (Deenside Dean-What Kate Did) trained by Edwin Iddon for Chris Iddon ran riot over the opposition to land a two bend dash in a sweet 16.07. Sent off as the evens favourite Sir Chris took a couple of strides to find his rhythm but he was quickly on terms with a fast starting Miracle Maximus. Forcing the early leader to go wide at the opening turn Sir Chris quickly raced clear to win out by an easy eight and three quarter lengths from Airmount Knows.

Showing no ill effects from a five month lay off the Jack and Keith Molloy owned Shanakey (Come On Ranger-Saucy Choice) made no mistake with a fine early paced performance to capture the third race in 29.20. Mist My Babe was quickly into her stride from trap two but lost early ground when moving over to the outside on the run to the first bend. Shanakey 3/1 displayed plenty of early pace to glide into an early lead over the chasing pack. Runga Ranger came out of that pack but despite his best efforts he failed by half a length to collar a gallant Shanakey.

Out of form for some time an ease in grade was just what the doctor ordered for the Thomas Foley owned Active River (Doyougetit-Active Lynx) in the fourth event and this fast starting 6/4 favourite made no mistake with a 29.06 trap to line winning performance. Boherash King was all of six lengths in arrears of the winner on the back stretch and despite his fast finish Active River went on to score by two and a quarter lengths.

Graigue Fern (He Knows-Milltown Violet) 5/2 to 6/4 owned by Ronnie Cooke and trained by Tom Lynch was the best backed runner in the fifth contest over the 550 yard trip and the jolly duly did the business in 30.49. Graigue Fern poached a first bend lead from Knockenduff Hill and when the latter lost his place Graigue Fern scampered into a clear lead over a tightly grouped pack. Knockenduff Hill came back for more in the closing stages but Graigue Fern was gone beyond recall holding on by a length at the line.

A 730 yard graded six bender went to the Mick Cronin trained evens favourite Aghadown Ellie (Frisby Full-Aghadown Panther) in 41.27. The favourite was slow to leave trap two but with early crowding taking place the jolly got a dream run through on the rails to motor into a huge lead over the wide running pair of Fosseway Blue and Louises Jet. Recovering well from the early crowding Doves Chaser made eye catching late headway but failed to catch the favourite by two lengths.

The concluding 500 yard contest produced a deserved 4/1 winner as the Keith Freer owned Farranrory Tiger (Lenson Lad-Farranrory Pat) spread-eagled a decent field going clear from the break leading early on from Rebeccas Rock before running out a two and a half lengths winner over Desert Charm in a good 27.25.

## 6TH ROUND OF CHAMPIONSHIP

A surprisingly bright afternoon played host to the 6th round of the 2002 Heffernan Transport Driver of the Year Championship on Sunday last. The favourable weather ensured a large attendance of competitors from the various clubs with drivers travelling from Wexford, Cork and Limerick in an attempt to improve their standing in the Championship.

The opening race of the day saw PJ O' Sullivan take Class 1 honours followed closely by Graham McNamara and Kevin Healy, all driving Fiat Unos. Darren Coady coasted to an easy victory in Class 2 in the yellow Kadett, the Opel proving to be both quick and reliable. Due to the frequently high numbers of Class 3 cars, safety precautions necessitated the splitting of the class into two separate races. The first race saw the Toyota of Jason Ryan take the win, with the similar Starlets of Jer O'Brien and Jim O' Cronin crossing the line in 2nd and 3rd. The subsequent Class 3 race was won by Kevin Hourigan with Kenny Treacy and Charlie McNamara enjoying a superb battle for 2nd and 3rd.

Darren McNamara managed to fend off leading championship contender James O'Shea to take the Class 4 prize. 3rd position was occupied by Mike Moore, the red Corsa marking its return to the Raceway after a short absence. With safety the primary concern at the Pike, the large amount of cars in the Junior class left the organisers with no option but to divide the field. Keith Cronin claimed the victory ahead of the Fiesta of Damian Power and the Uno of All-Ireland champion Stephen Grant in the first race while Niamh O'Callaghan won the second race followed by Waterford drivers Pat Curran and Martin Lenane. Class 5 was an all Honda affair with the Civics of John Roche, David Hurley and Trevor O'Brien coming home 1st, 2nd and 3rd. Class 6 went to Kevin Roche in the Honda Prelude engined Starlet, the Golf Gti of Tony Whelan finished 2nd with the V6 powered car of Donal Shanahan in 3rd. Mary Moore took the Ladies race in comfortable fashion, Sandra Clancy added to her impressive points total with 2nd, while Geraldine Bumster brought her lovely orange Corsa home in 3rd.

With only 2 rounds of the Championship remaining, the competition for points is gaining in importance as each race goes by. The Class Championships are in many cases separated by the narrowest of margins and drivers in contention will need to ensure that their cars are capable of maintaining the pace for the final two rounds.

The Waterford club will be back racing at the Pike Dungarvan in a few weeks time, the exact date will be confirmed in the next week and will be published in this column and on Aertel page 503. That meeting will be the annual cup event where perpetual cups are presented to the winners in each class on the day.

Everything went just right from start to finish with the course in great order embellished all the more by a beautiful summer's day and a host of glittering prizes on offer. The scoring did justice to the occasion with the majority of players hitting top form and after the 18 hole play off it was John Keating who came out on top holding off the challenge of those behind with a great score of 129 a nett. Darren Hamilton claimed second nett on 132, Colin Houlihan was third in the nett with Jason Hackett in 4th, Tommy Lenihan 5th and Frankie Wright 6th. The gross prize went all the way to the wire with John Carroll and Mark McCarthy finishing on 141 after the 18 hole play off. It took another 3 hole play off before John won the day from a gallant opponent in Mark. Jimmy Cockwell came third in the gross with Anthony Landers 4th, Thomas Maher 5th and Willie Browne in 6th. This was a great day for all concerned and a real highlight for Philip himself who is always to the fore front in promoting our club.

### ST. DECLAN'S BIG RESULT

Congratulations to St. Declan's Community College, Kilmac on their recent exam results. A spokesman for the college said that their exam results were 100% better than the previous year and on another note we are all looking forward to new and great things when the new extension will open in the school shortly. Well done everyone.

### ST. MARY'S UNDER 13

Congratulations to the St. Mary's under 13 boys who

played Kilmacow in Walsh Park last Saturday morning. By all accounts this was a super game of hurling and the match ended in a draw. Both teams will have to do it again. Let's hope St. Mary's will bring back the silver.

### BONMAHON FOR PINTS

Over the past number of weeks, visitors to our area from all over the county have stated that the hospitality in the public houses at Bonmahon knows no bounds, with wonderful entertainment at Hayses in a friendly atmosphere and the best pint in the County being served by Kirwans, sure you couldn't pass it.

So before the summer season ends why not come along and visit along the copper coast trail.

## Ballygunner G.A.A. Notes

### MINORS:

Last Tuesday evening our Minor team played De La Salle in the Eastern Division semi-final at Walsh Park. The sides had met some weeks previously in the League section of the competition with victory going to our opponents.

However our lads were determined to redress the balance on this occasion and had trained hard in the meantime. De La Salle started well and we found ourselves five points behind after eight minutes.

Then the team spirit seemed to kick in and our forwards picked off some delightful scores to see us go in at half-time leading 1-5 to 0-6.

De La Salle came out a very determined side in the second half and we witnessed some excellent hurling from both sides for the next thirty minutes.

With Tommy Power and Shane O'Sullivan playing very well in midfield and Wayne Hutchinson and Paul Hogan doing excellently in defence we took the game to the opposition to see us slightly ahead with just a few minutes to go. A ball from a "65" went through our defence and left Goalkeeper James Dooley unsighted to end up in our net and leave the sides level going in to injury time.

The puck out came down the field to our wing forward, Johnny Kearney who picked off a beautiful point to see us win on a 2-12 to 3-8 scoreline.

This was one of the best games of under-age hurling seen in Walsh Park for some time and credit is due to both teams and to Michael Wadding who did a great job of refereeing in keeping play flowing. We now meet Clonea (Power) in the Eastern Final on this Wed. 21st Aug. at 6.45 pm in Portlaw pitch. All Club members are asked to come along and give support to our Minor team.

### INTERMEDIATE:

Last Saturday we played Clonea in the Intermediate Championship at Portlaw. Going in to this game Clonea would have been favourites. However, we got off to a good start with points from Barry Mullane, Sean Lyons and Declan Keher (free). Further points from Adrian Cullinan and Jim O'Keefe and a goal from D. Keher left us in the lead at half time, 1-6 to 1-2.

In the second half Clonea mounted a strong challenge but our experienced back line withstood the pressure and we grew in confidence as the game progressed. With good displays from B. Mullane, D. Keher, Derek Troy and David White we ended the game winners on the 2-13 to 2-9 scoreline.

We now play St. Mollerans and at the time of sending these notes to the newspaper we believe the game may take place this Fri. 23rd Aug. at Portlaw at 6.45 pm. We ask supporters to keep in touch with Club officials during the next few days.

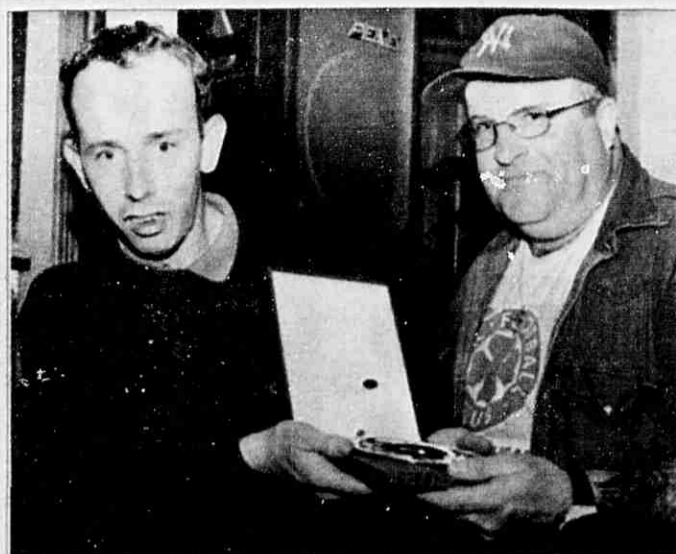

### DEPARTURE:

As mentioned in last week's notes Niall Warren is taking up a teaching post in Dubai and as a result, two very nice presentations were made to him following Saturday's Intermediate win. The parents of our Juvenile players gave him a beautiful "Clash of the Ash" statuette in appreciation of his coaching with the under age players.

The Club Chairman, Pat O'Sullivan presented Niall with an inscribed watch and paid tribute to his and his family's contribution to Ballygunner Hurling Club since its foundation in 1954. Niall suitably replied and an enjoyable night was had by all!

### DEISE DRAW:

In congratulating John Pierce on his big win last week, we omitted to mention that Paddy "Lefter" Troy was also a winner in the July Draw, being the recipient of 100 Euro. Congratulations Paddy!

John McGovern, presents Kieran Coleman, Special Olympian, with an appreciation award from Abbeyside Schoolboys A.F.C.

Michael Morrissey, presents Special Olympian Michael Foley with an appreciation award from Abbeyside Schoolboys A.F.C.

# Top Leaving Results

**CONTINUED FROM FRONT PAGE**  
 them to pursue third level courses or indeed one of the nine Post Leaving Certificate courses run in our own college.

parents and teachers for their help, and commitment, during the year, and the students for their attention to their studies", he said.

Despite the national trend of female students outscoring their male counterparts in the

point's race, Dungarvan's only all-boys school, the Christian Brothers, also said they were delighted with the results.

Principal, Jim Ryan said, "there were superb results among our honours level students, including one student getting a maximum 600 points. A large percentage of them, have the points needed for their chosen third level course".

The less academic students also did very well, he said, with virtually all of them getting the minimum traditional five passes.

Mr. Ryan added that "their lives are now ahead of them and I wish them every success in the future. Congratulations to them, and to their teachers, who worked hard to help them achieve so much."

In Abbesside's St. Augustine's College "good solid results" were reported with one student receiving 7 A's, according to Principal, Fr. Patrick Moran.

He said most students seem to have secured enough points for their chosen subjects, and he was especially pleased with the results in the Science subjects.

This years papers in Biology, Physics, Maths and Chemistry had the usual good sprinkling of A's and B's, Fr. Moran added.

He was also happy with the results in English, Geography, Economics, Art and Music and all the subjects taken by the St. Augustine's College students.

"However, one shouldn't always judge the exams success on merely the quality of a result", Fr. Moran said. "Sometimes it's more correct to judge the pupils result by the effort put in by students and teachers."

In this, he paid particular tribute to Shane Fitzgerald, saying: "One could not be more proud of Shane Fitzgerald's result, his results are a

tribute to himself, his subject teachers and his exam scribe."

Good results were also achieved in the Ard Scoil na Deise, with Principal Margaret O'Brien saying she was delighted with the outcome.

"The overall performance was very good, all across the board", she said.

Indeed, one Ard Scoil student, Niamh Hallissey of Ballycoe, Dungarvan, achieved the remarkable feat of attaining seven A1's and one A2, in a year widely regarded as having some of the toughest papers in recent years.

The Ard Scoil Principal said she was thrilled for the student who received just one A1 short of the country's highest marked Leaving Cert pupil, while nearly all the students passed their exams.

Lismore's Presentation Convent Secondary School was also delighted with the results achieved by their students.

Principal, Anne Fitzgerald said: "As in previous years our students preformed well above the national average. I hope the girls will now be offered the 3rd level or PLC course of their choice."

She said it is the schools policy to encourage their students to pursue third level courses before entering employment and she wished them every success in the future.

Meanwhile, the focus for most students has already shifted to yesterday's (Tuesday's) first round of college offers. Most students preformed well despite some very difficult papers and the distraction of the World Cup during the sitting of the exams. For those who didn't receive the results they had hoped for, the message from all schools, is that a whole range of options still remain open to them, including the possibility of doing a repeat year, PLC courses, apprenticeships and direct employment in a still strong economy.
