# Dramatic Rescue In Dungarvan Harbour

## LOCAL MAN'S BRAVERY SAVES YOUTHS LIVES

Two young boys, thought to be local, were dramatically rescued when they got into difficulty off the slipway at the Look Out in Dungarvan on Friday last. The nine - ten year olds were swimming off the slipway when they were caught in the strong current of the incoming tide.

Vincent Morrissey (47), manager at Clonea Strand

Hotel, who was on the Look Out at the time, saw the boys' predicament and without hesitation swam out and dragged them to safety, averting what could have been a fatal tragedy.

Mr. Morrissey said afterwards "There was a very strong current there with the tide filling and the next thing I knew they were being washed out and one had

gone under. I threw off my clothes, jumped off the wall and swam out to grab a hold of them. I know the sea and have been involved in sailing for years and I've never seen someone coming so close to drowning before."

We congratulate Vincent Morrissey on his brave action in helping to avert what could have been a very serious tragedy.

## DUNGARVAN BRASS BAND & CHARLIE CHAPLIN FOR HELVICK SWIM

All systems are set for the 8th Annual Dungarvan Bay Sponsored swim from

Ballinacourty to Helvick Pier which will take place at noon on Sunday next.

September 1st in aid of the Helvick Head Lifeboat Station.

The safety and enjoyment of the public are paramount to the success of this popular event. Charlie Chaplin and

his friend The Clown along with Stormy Stan the RNLI children's mascot will be in attendance on Helvick Pier in the midst of the aromas from the BBQ manned by volunteers from the Dungarvan Harbour Sailing Club, and the succulent sandwich bar run by the local Ladies Hospitality Committee with delicious cups of steaming tea, coffee and other delights.

There will be something for all ages on this great family day out, with face-painting, RNLI souvenirs and music from the Dungarvan Brass Band adding to the festive spirit on the pier.

The local Sponsored Swimmers are Clare Morrissey, Eanna Sheehan, James Twomey, Colette Enright, Eddie O'Mahony, Mel Shanley, Johnny Lynch and Marilla Keating. Joining them will be Terry Fleming and Friends from Cork Masters, and a contingent from Kilkenny Swim Club. We invite you all to participate in this worthwhile event in aid of the Helvick Head Lifeboat. Remember the RNLI is an entirely voluntary organisation comprised of a group of very dedicated men and women who are always ready to answer the call to save life at sea.

## Students Concerned Over 3rd Level Fees

-CLLR. Ó CÉILLEACHAIR

Whether or not the Minister for Education intends to re-introduce fees for third level education is an issue of concern to young people and their families throughout Co. Waterford, many of whom have only last week confirmed CAO offers.

That's according to Labour Party County Councillor Fiachra Ó Céilleachair, who has said that Minister Noel Dempsey recent comments on the subject does little to assure students as to whether or not they will be paying fees within a year. Cllr. Ó Céilleachair and the Labour Party will oppose the re-introduction of college fees, if that is what Minister Dempsey decides after his recently announced review of such issues.

Speaking on the subject, Cllr. Ó Céilleachair said: "The fees were abolished by Labour in Government in 1996, and this has given huge financial relief to thousands of students from families of PAYE workers. The timing of this revelation on fees by the Minister is irresponsible, coming as it does at a time when many students - in consultation with their

families will make life-altering decisions. They now have a cloud hanging over them, in that they are unsure whether they will have to pay fees, possibly from next year. I hope this does not put many students off pursuing a course they had previously considered, because of financial worries."

"This is nothing short of a threatened tax on third level education, designed to raise money for a Government that has made a mess of the economy. Students have already been hit by a 70% hike in college registration fees, while rents and the cost of living for students spiral out of control."

"If the Minister for Education wants to do more about ending educational disadvantage, he would do well to implement the recommendations of the recent Action Group on Access to Third Level Education. Of the over 70 recommendations in that report, very few have been acted upon by Government. He would be better employed using this report as a basis for action rather than threatening students with a tax on third level education".

### HEARNE, JOHN J. (1893-1969)

John Hearne was born in Waterford in 1893 and educated at Waterford CBS. He then went to UCD. On completion he studied for the priesthood at Maynooth. However after a few years he abandoned this and studied for the bar at King's Inns. Soon after completing these studies he was appointed assistant parliamentary draftsman. Hearne held this position between the years 1923-29. In the years 1926, 1929 and 1930 he was legal adviser to the Irish delegation at the Imperial Conferences. He gained international recognition as an authority on constitutional law. Between 1929 and 1937 he was legal adviser to the Department of External Affairs. In 1935 De Valera employed him to draft the new Constitution for the State. As recognition of his work on the Constitution, Hearne was called to the inner bar in 1939. He became high commissioner to Canada between 1937 and 1950. Between 1950 and 1960 he was U.S. ambassador. John Hearne died in 1969.

# Stand out from the crowd

*Look twice as good this summer with your free second pair of glasses from Specsavers Opticians Dungarvan*

**W**earing the right glasses can make a real difference to the way you look. When you buy new clothes, you choose them for many different reasons - price, fashion or purpose - and glasses are no different.

At Specsavers Opticians in Dungarvan there are hundreds of styles to choose from, and with the help of one of their specially trained frame stylists, you can buy a pair that makes the most of your features, and makes you stand out from the crowd.

You might want to choose a pair from the Ultralight, Ayesha or rimless ranges, a pair made from lightweight stainless steel, or one of the bright plastic frames that are so fashionable this year.

Whichever you choose, you can be sure that all have been made by top frame manufacturers around the world to give you the ultimate in affordable comfort and style.

#### Ask your frame stylist

'Did you know for instance, that if you have auburn hair, you'll look good in tortoiseshell, gold and copper styles, and if you have grey hair, you should choose light coloured metal frames?' says optician Dermot Dougan.

'Olive skins suit antique silver or gold frames, and black hair and dark skin look stunning in simple shapes and metal frames.'

Specsavers' frame stylists have a great deal of experience so they know exactly what to look for. If your face is round, they'll show you how it looks best in angular or rectangular frames, and if your face is long, how it will look balanced with wide frames and styles with a strong top line.

They will also always take the time to ensure that you have a pair of glasses that fit - adjustments may be needed at first - and that you are confident in your new look.

#### Two for one

'Glasses are now such a fashion accessory that people take much more time to make the right choice. We know how hard this choice can be, so we've made it much easier for you,' says Dermot Dougan.

With the Two for One offer, when you buy glasses from the €99 range or above, you can have a second pair with Specsavers Ultra single vision lenses absolutely free. So if you really can't decide between two pairs, you can take them both home and it won't cost you a penny more.

If you choose high fashion frames from the €179, €199 or €229 ranges as your first pair, your free second pair will be from the standard range (up to €139), or you can pay a little more and trade up to a second pair from the €179 or €199 ranges. And if you choose varifocals or bifocals, your second pair of specs will be fitted with either distance or reading lenses or you can pay extra to have them fitted with the same lenses as your first pair.\*\*

#### Better options

There are many lens options you can add to make your glasses better suited to your lifestyle and your eyecare needs.

Thin and Light lenses are up to 40% thinner and lighter than standard lenses. So if you have a strong prescription, they improve the appearance of your glasses and are much more comfortable to wear.

Alternatively, you might want an UltraClear lens option which is a scratch resistant and anti-reflective coating that reduces reflections and makes your eyes more visible.

Or with summer now upon us, why not try a coloured tint in your lenses to brighten up dull days - ask your optician about the Specsavers Colours range.

# MYTHS AND LEGENDS

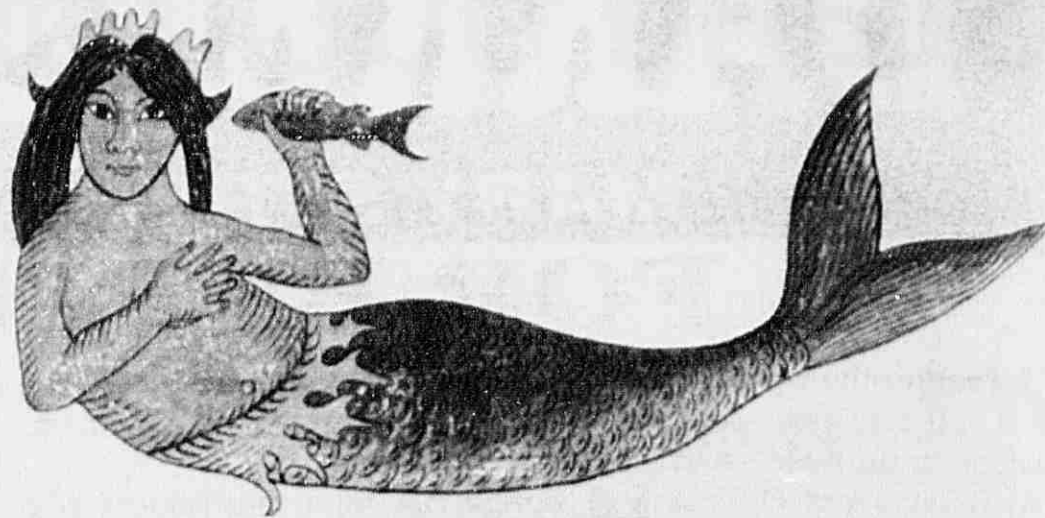

## A CUNNING TRICKSTER

The Ashanti people of West Africa have many stories of Ananse the spider. Small and seemingly powerless, she was in fact creator of the world and can outwit any animal, including the lion, python and leopard. When the Ashanti were taken as slaves to America, the legend of Ananse combined with Native American stories of the trickster Great Rabbit, and the Brer Rabbit stories were born.

## The Goddess Sedna

The sea was the source of food for the Inuit people of Greenland and northern Canada. Sedna the sea goddess was worshipped for the sea creatures she provided to eat. She was also feared in case she was offended and made the Arctic weather to harsh that hunting and fishing for bears, seals and whales became impossible.

# CREATION MYTHS

All over the world, people have tried to explain how the world began and where the first people came from. The Ancient Egyptians believed that at the dawn of time Ra, the Sun god, created the air, moisture, the earth and the sky, and that humans came from his tears. In Norse

tradition it is said that the earth was created by the mighty god Odin and his brothers from the flesh of the frost giant that they had killed. They made rocks and stones from his bones, and rivers, lakes and oceans from his blood, and people were created from logs. In Chinese

mythology, at the beginning of time there was chaos, which was shaped like an egg. From the egg came yin and yang - the opposite forces of light and dark, male and female, hot and cold - the make up the universe. Out of the egg, too, came P'an-ku, the first being, and he created

the Earth and everything in it. The aboriginal people of Australia believe that life was created in the Dreamtime - a time before time. In the Dreamtime the eternal ancestors awoke from their sleep to wander the Earth and transform plants and animals into human being, before going back to sleep.

# Labour Councillor Backs Rural Affairs Minister's View On Planning

Indications from a Government Minister that local authorities - including Waterford County Council - will be obliged to change their negative disposition to one-off houses in the countryside have been welcomed by Dungarvan Area Labour member Fiachra Ó Céilleachair.

Cllr. Ó Céilleachair was responding to last week's announcement by Rural & Community Affairs Minister, Eamon Ó Cuiv TD, that his Government will introduce legislation in October - as part of the national spatial strategy - to ease the restrictions on the building of single houses in rural areas.

Cllr. Ó Céilleachair claims Minister Ó Cuiv's initiative has added significance because it contradicts the approach of Fianna Fáil Councillors in Co. Waterford. The Minister's local party colleagues in the county, says Cllr. Ó Céilleachair, have consistently voted in favour of development and area action plans which pri-

oritise the intensive development of villages above single house or small scale developments in rural townlands outside of such places.

Commenting in advance of the promised legislation, which he feels will turn the established planning view in Co. Waterford on its head, Cllr. Ó Céilleachair said:

"There is a reasonable demand in recent times for housing and expansion in existing urban centres such as Waterford and Dungarvan and planning can work to take account of this. There are also some adjacent rural areas where the development of suburban dwellings on a large scale can be accommodated. Ballinroad on the edge of Dungarvan being a case in point. Miles out the country from the towns and cities, however, it seems we are following the English model of intensifying villages whilst at the same time placing all sorts of obstacles in the way of planning applications in the open countryside."

"In one particular parish in

a rural part of county Waterford, I have seen individual applications refused because they weren't in a recognised settlement area and didn't correspond to the restricted categorisations favoured in the relevant development plan. At the same time, just a mile away in the same parish, the County Council - with the backing of Fianna Fáil Councillors - were approving a large housing estate and zoning further patches of ground for even bigger estates because that part of the community was a recognised settlement unit according to the planners. Even an Bord Pleanála has questioned this prioritising in the more rural parts of County Waterford."

"Whilst it's important to back progress in our villages and smaller towns - and we have positive and balanced instances of it - I have seen examples of villages in rural England where the population has grown to over 8,000 people whilst the open countryside around it remains

Cllr. Fiachra Ó Céilleachair.

bare and planning is permitted for single houses in only very rare exceptions to stringent criteria. Minister Ó Cuiv is saying that such a planning imbalance need not be visited on us here, a view he has expressed to me several times. I hope that Minister Ó Cuiv, whose grandfather Eamon De Valera was a founder of Fianna Fáil, will influence his own Councillors in Co. Waterford to abandon the English model they have enthusiastically backed so far."

## Recipes

# COOKERY CORNER

## Have a 'fun do' fondue

The Swiss are well renowned for their tasty cheese fondues but over here they have been regarded as somewhat 70s. Not any more!

The humble cheese fondue is an ideal way to combine good food with a social occasion.

Follow this authentic Swiss recipe and give your friends a meal to remember.

### Ingredients:

(Serves 4)  
1 large clove of garlic  
250ml of dry white wine  
300g of Swiss Emmenthal cheese, grated  
300g of Swiss Gruyère cheese, grated  
Juice from half a lemon  
1 tbsp of cornflour  
60ml kirsch  
Pepper  
Nutmeg  
1 large white loaf cut into cubes

### Method:

Peel the garlic and rub vigorously on the inside of

the saucepan, then chop into small pieces.

Pour the wine into the saucepan and bring to the boil. Once the wine has boiled, turn heat down to simmer and add cheese and lemon juice. Stir continuously to prevent lumps from forming.

Dissolve the cornflour in the kirsch and stir until smooth – add this to the cheese mixture.

Add the chopped garlic and season with nutmeg and pepper, continue to stir until the mixture is smooth.

Transfer the mixture from the saucepan to your fondue pot. Then all you have to do is light the flame and let the fun begin!

Remember to stir the fondue mixture occasionally to keep it smooth

■ **Healthy option**  
Use mozzarella instead of one of the Swiss cheese and substitute apples, pears and grapes for half of the bread.

### CHEESE FONDUE: cooks tips

■ **Serve a dry white wine with your fondue – it will help to digest all that cheese!**

■ **Put a little kirsch in a bowl to dip your bread into – it adds flavour and a kick to your meal.**

■ **As well as dipping bread into your fondue, you could also try a vari-**

**ety of French meats and sausage (these can be found in all good supermarkets).**

**Why not try grapes as a contrast?**

■ **The best bit of the fondue is the cheese that has welded itself to the bottom of the pot. It tastes just like toasted cheese and is delicious!**

## Hot fudging it!

TRY this delicious recipe for hot fudge pudding.

### Ingredients:

(Serves 6)  
175g dried apricots  
2 500g cartons fresh custard  
600ml milk  
300g sweet bread (eg brioche)  
75g butter, softened  
Grated rind of 1 orange  
200g chopped fudge  
Caster sugar to dust

### Method:

Soak the apricots in boiling water for at least two hours. Stir together the custard and the milk.

Cut the bread into 5mm thick slices and spread thinly with the butter, then cut into quarters.

Grease a two-litre shallow ovenproof dish and pour a

thin layer of the custard to cover base.

Meanwhile, drain and roughly chop the apricots then mix with the orange rind.

Make your pudding by arranging alternate layers of bread, apricots, fudge and custard until you reach the top of the dish. Finish with a layer of custard. Then leave to soak for about an hour.

Preheat the oven to 180°C/350°F/gas mark 4.

Dust the top of the pudding with the castor sugar. Place the dish into an roasting tin and fill the tin with enough hot water to come half way up the side of the dish. Cook for one hour or until the custard has set and the top has turned a rich, brown colour.

## Mouth-watering savoury scones

HASSLE-free gourmet savoury scones – they melt in the mouth!

### Ingredients:

**Serves 8**  
450g self-raising flour  
1 x 5ml sp baking powder  
Pinch of salt  
1/2 x 5ml sp mustard powder  
2 x 15ml sp fresh chopped dill  
180g butter  
2 medium eggs, beaten  
120ml milk

### Method:

the butter.

Add the eggs and enough milk to form a soft dough. Knead lightly on a floured surface and roll to 2cm thickness.

Using a 7.5cm plain cutter, cut out eight rounds (roll trimmings again as necessary).

## Health Tips from "Remedies"

### Peppermint

There are many varieties of peppermint, which can be found all over the world.

#### Uses:

Irritable Bowel Syndrome. Indigestion.

#### How it works:

Menthol is one of the most prominent of the volatile oils found in peppermint. The plant works as a carminative, dispels wind, reducing the symptoms of nausea, colic, bloating and wind. It also relaxes muscle tension in the colon, which helps to relieve spasms.

Research has shown that peppermint is able to relieve the symptoms of the Irritable Bowel Syndrome.

Avoid peppermint if suffering from gallstones or acute liver disease.

## DUNGARVAN GOSPEL CHOIR NEWS

From very small beginnings almost one year ago Dungarvan Gospel Choir was born having been inspired by Kilkenny Gospel Choir, a group of people came together to form the Choir. In the last twelve months we have grown both in numbers and confidence and now boast a membership of forty plus.

New members are always welcome especially men. We practice every Tuesday at eight o'clock in the Ard Scoil at the primary school side.

Gospel singing dates back to the 1600's and before, emerging from the Black Slave culture. In their very oppressed and miserable world, they sang to uplift their souls and hearts. It apparently worked as it is known that slave owners bought only good singers, as this inspired the others to sing as they worked and therefore they worked even harder.

Catch Dungarvan Gospel Choir singing on Saturday 7th September at the Holy Family Church, Waterford @ 7.15pm .

Bus for Choir members at 6.15pm at St. Mary's Church, Dungarvan on Sunday 8th September at 10 o'clock Mass. For all Choir members new and old don't forget our Summer Party on Sunday 1st September at 3pm.

For further information on the party contact either Betty - 41647 or Kathleen - 43128.

## Carole Appeals For Farm Machinery for Bosnia

It is now five years or more since the end of the war in Bosnia, but like any other land devastated by conflict, life has yet to return to anything near normality.

Not alone do the people there have to come to terms with the loss of hundreds of thousands of war victims, many of them killed in massacres which are only now being discovered, but they have to try to rebuild the infrastructure deliberately wrecked in a policy of total destruction.

One such town to have suffered is Caplina, a community of about 12,000 souls, who have been trying to reconstruct their town, an almost impossible task without resources and even the most basic of tools. It was a town with a notorious concentration camp during the war, something which has left an indelible mark on the minds of the population, struggling to drag themselves back into the twenty-first century.

It was only quite recently that the land-mines were cleared so that the farmland could be worked again, but the absence of a tractor, farm machinery or hand tools has made the task almost impossible.

Sveto Boljivic is a Bosnian who came to Cork during the war as a result of the efforts of Carole Wiley, the Carrigaline woman who gathered many container loads of aid and supplies and sent them to the Mostar / Caplina area during the worst years of the

conflict. He now has an Irish passport and, as an engineer, is teaching in the Cork Institute of Technology.

He has just returned from a visit to Bosnia where he saw first hand the difficulties the people face in trying to rebuild their lives. He promised to help all he could and made contact with Carole Wiley, now a successful Financial Consultant with Acorn Life in Cork City. Together they are making an appeal to the people of the areas who helped so much during the war, for help to put the town of Caplina back on its feet and help to feed the population who see the land lying idle for the want of a tractor and tools.

"I am appealing to the many groups around Waterford and Cork who were so good during the war, to once more give a little assistance to the needy people of Bosnia," says Carole. "This is a once-off appeal, I am not looking for an on-going commitment. There must be farm implements and out of date machinery out there, which are still in good working order and which would make tilling the land a great deal easier for the people of Caplina. Perhaps those groups and individuals who were so generous in the past would hold just one modest fund-raising event to help stock and send out a container-load of implements."

Carole has also acquired a large number of beds which

she is sending to the orphanage there, which is helping to take care of some of the very many children left without parents after the war. "Parents have been forced to put their children into orphanages as they cannot afford to feed them," says Carole, a situation which is almost incredible almost within sight of the border of the wealthy EU.

After the end of the war, Carole continued for some time to send the aid which was generously donated and collected all around the country. With her loyal band of volunteers, she undertook in 1998 to finance and provide technical expertise for phase one of a sewerage

scheme in Bosanska Krupa, for which the EU provided funds for the second phase and the World Bank the third. It has since been successfully completed.

Carole now feels that she cannot turn her back on a legitimate appeal from suffering people and is confident that the farmers and other good people of Munster will respond to her appeal on their behalf.

The Bank Account number at the Bank of Ireland, Carrigaline is 40 49 71 38. Carole can be contacted in the evenings at (021) 4372670, (home); daily at (021) 4314026 (Office) or anytime on (087) 7800187.

**ARIES**  
Mar 21 to April 20  
You are impressive, not just because of your efforts but because you take everything in your stride. This is a time for performing a juggling act. Be practical and down to earth, especially regarding business concerns. Collaborative efforts are favoured during this week when two heads are better than one. Curb the desire to criticise a loved one's behaviour. Telephone 1550 920-257 for details. ☎ 1550-920-257

**TAURUS**  
April 21 to May 21  
You are on a roll where money matters are concerned. Continue to make hay while the sun shines. Someone may try to impose upon you. Be assertive. Make important purchases after lots of careful price comparison. Your engaging personality helps you win others over this week. Mixing business with pleasure works to your advantage. A plum assignment could come your way. Telephone 1550-920-258 for further insights. ☎ 1550-920-258

**GEMINI**  
May 22 to Jun 21  
Be wary of crafty types in financial dealings. Not everyone is to be trusted. You will need to balance work and play and responsibilities may take precedence over socialising this week. That said, off-set worrying about problems with some relaxing activities. Do what you can to relieve stress. Listen to soulful music or practice meditation. Telephone 1550-920-259 for more on love and luck, work and money. ☎ 1550-920-259

**CANCER**  
Jun 22 to July 22  
A situation that arises early this week will require tact and deft handling. A few people could rub you the wrong way but do your best to avoid arguments. You will find a safe haven from the woes of the world in the company of a loved one. Too much small talk and chit-chat may prove mildly irritating. You need a deeper connection and have no time for the superficial. Telephone 1550-920-260 for more on love and luck. ☎ 1550-920-260

**LEO**  
July 23 to Aug 22  
A change of plans may prove disappointing but could ultimately favour romance. You could fall very much in love, despite your logic. So many are demanding attention now that you feel the need to be in two places at once. Despite pressures, this is a week when you make progress. When met with a new opportunity, investigate your options. Telephone 1550-920-261 for a detailed astrological assessment. ☎ 1550-920-261

**VIRGO**  
Aug 22 to Sept 22  
Be frugal in credit use or you will literally have to pay later! You will take a break from socialising this week so that you can have some time for yourself and your pet projects. You have a sense of excitement now that something is nearing completion. A heart-to-heart talk after dark will foster harmony and togetherness. Promote intimacy. Telephone 1550-920-262 if you want to know more about what is in store. ☎ 1550-920-262

**LIBRA**  
Sep 23 to Oct 23  
Take care that extra responsibilities do not cause you to withdraw into yourself. Avoid sullen behaviour. Keep lines of communication open with a loved one. You will enjoy the creative nature of this week that finds you blessed with inspirations. Make a point of saving rather than spending money. Be sceptical of big talkers with big deals. A prudent course is best in business. Telephone 1550-920-263 for details. ☎ 1550-920-263

**SCORPIO**  
Sep 23 to Oct 23  
It is one of those weeks when money could easily slip away. Small expenditures add up to a tidy sum. Control extravagant tendencies and remember when gift buying, it really is the thought that counts. Avoid being overly fearful. You don't have time to weigh every issue. Allow for spontaneity and get ready to take a risk or two. "Nothing ventured, nothing gained". Gain further celestial insights by telephoning 1550-920-264. ☎ 1550-920-264

**SAGITTARIUS**  
Nov 22 to Dec 20  
You may not get the whole truth from a tale-teller. Watch, wait and you will soon see the missing elements unfold. Avoid risking money on unsound schemes or counting on others financially. You will succeed by developing optimism for future goals and finding outlets for self-expression. Despite being quite fixed, someone is prepared to take a different viewpoint and meet you half way. Telephone 1550-920-265 for further details. ☎ 1550-920-265

**CAPRICORN**  
Dec 21 to Jan 20  
Family ties strengthen and a prodigal son will soon return to the fold. You may be asked to commit yourself to a course of action before you are ready. If you have a suspicion that, as soon as you have signed on the dotted line, the terms could change, you might be right. Trust your instincts on this one. Opportunity is the cream of time. Telephone 1550-920-266 for more on love and luck, work and money. ☎ 1550-920-266

**AQUARIUS**  
Jan 21 to Feb 19  
If you are dealing with any sort of joint undertaking, talk to your partner about it first and for once, let them have the final say. Someone you see every day, possibly at work, is keen to develop your friendship further, going out of their way to bump into you. The time is right for you to make a series of sweeping changes and aim for an altogether better long-term future. Telephone 1550-920-267 for a detailed analysis. ☎ 1550-920-267

**PISCES**  
Feb 20 to March 20  
What you have in mind may astound your friends. Variety brings out the best in you at the moment. What is life for, if you don't take risks now and again? You may have thought that an admirer was simply being pleasant but something shows that you are cared for more than you ever suspected. You are flattered by the attention but at a loss as to what to do. Telephone 1550-920-268 for more about what is in store. ☎ 1550-920-268

## Dungarvan Leader Gardening

# The Greenest Grass at Home

A GOOD lawn takes years of care and nurturing to achieve. With plenty of time and the right sort of attention, almost any garden can have a lawn fit to bowl on.

But it is far more than simply a case of weed, feed and mow. Here are a few tips on how to cope with everyday lawn problems.

**Drought**  
**Symptoms** - Yellowish brown patches develop through the lawn and in extreme cases the whole area may become discoloured. The damage usually occurs in late spring or summer. The problem is caused by dry weather and inadequate watering. Free-draining sandy soils are most at risk.

**Control** - Water regularly in the early evening providing enough water for deep penetration. To improve drought resistance feed regularly and leave cut grass on the lawn if drought conditions are forecast. Allow the grass to grow fairly long and

avoid mowing too closely.

**Cats and dogs**  
**Symptoms** - Lawns and other grassed areas are dug up, fouled or scorched with urine.

**Control** - Areas visited consistently by cats should be regularly watered and netting can also be used to protect plants and lawns. Repellent substances based on pepper-dust, naphthalene or aluminium ammonium sulphate are available but these often fail to give more than temporary protection.

**Dollar spot**  
**Symptoms** - Small straw-coloured patches appear in the autumn. At first they are small but the patches join together to form larger patches. They darken with age. The disease appears mainly in mild damp weather and is caused by the fungus *sclerotinia homeocarpa*.

**Control** - Improve soil aeration and remove thatch. Treat the area with a suitable

fungicide such as benomyl, carbendazim or thiophanate-methyl.

**Leather jackets**  
**Symptoms** - Brown patches appear in the lawn in mid-summer and maggots are sometimes visible. The problem is caused by the larvae of the crane-fly which feed on the grass roots. They are greyish-brown maggots up to 1.5 inches long.

**Control** - Soak affected areas of the lawn with water and cover with sacking or black plastic sheeting for a day to bring the leatherjackets to the surface. They can then be removed and killed. Use carbaryl against newly hatched larvae in mid-autumn. Problems are worse following a wet autumn.

**Algae and gelatinous lichens**

**Symptoms** - Slippery areas of green or greenish-black form on the surface of the lawn. The problem is caused by gelatinous lichens and

algae which are particularly common on poorly drained soils.

**Control** - Try to improve the drainage and also aerate the lawn. Prune back any trees or shrubs which overhang the area creating shaded damp sections. Apply any standard lawn care products that contain dichlorophen.

**Red thread**  
**Symptoms** - Tiny pale pink and red threads of fungus develop on small patches of grass. These later become bleached. The problem is caused by the fungus *Corticium fuciforme* which is common after heavy rain. It is also troublesome when the soil is nitrogen deficient or poorly aerated.

**Control** - Improve turf maintenance by aerating, scarifying and feeding as necessary. Fungicides should not be necessary on a well-kept lawn but where the problem is severe use benomyl, thiophanate-methyl or carbendazim.

**BOWLING GREEN** - A good lawn takes care and attention.

# Abbesside Topics

## FIRST MASS OF PATRICK J. BREEN, O. CARM AT ABBESSIDE CHURCH

Patrick Breen, son of Pat and Teresa Breen, 6 Parklane Drive, Abbesside was ordained a priest to the Order of the Carmelites on Saturday last August 24th.

His first Mass was celebrated in St. Augustines Church, Abbesside at 4:00pm on Sunday August 25th. Twenty one priests took part in the entrance procession from the back door of the church while the choir sang the hymn 'Praise to the Lord, the Almighty'. The Kyrie, Sanctus and Agnus Dei were composed by Sean O' Riada and of course were sung in Irish.

### Sermon

The sermon was delivered by Fr. Richard Byrne O. Carm, and said the occasion was one of celebration, happiness and pride, for this we should give thanks and these are words that can be forgotten and in fact are words that are heard less and less nowadays. All priests should give thanks for the gift of The Priesthood. A Priest is someone who makes a connection between Earth and Heaven and Patrick Breen has complete suitability in this respect. Patrick Breen has set up a website for the Carmelite order and this is a brilliant way for the order to make a connection between the Human and the Divine.

### Parish Priest's Address

Fr. R. Doherty welcomed everybody to the special occasion. He congratulated P.J. on behalf of the people of the parish and stated the newly ordained priest was intimately connected with the church in Abbesside when he was growing up. He was an altar server and also taught others how to serve Mass. He was chauffeur to the then Parish Priest Fr. O' Farrell and was also his financial advisor. He congratulated his parents Pat and Teresa and also extended his congratulations to his extended family. In conclusion, he stated that Patrick J. Breen, O. Carm will

be always welcome to Abbey-side Church. A very pleasant reception was held afterwards in the Park Hotel.

## PEDESTRIAN CROSSING NEAR POOR MAN'S SEAT

As children prepare to go back to school the issue of a pedestrian crossing at Abbey-side's busiest corner again becomes an issue. The town council promised a pedestrian crossing here 3 years ago and in fact it was on the agenda before the provision of a crossing of this type in the square, Dungarvan. A sum of 25,000e was passed at a meeting of the then Urban District Council and one wonders what is causing the delay in spending the money to make the junction safer and more user friendly.

Young and old, as well as schoolchildren and senior citizens have difficulty crossing the road. Many of these people with impaired vision and hearing and because of this the crossing would need to include an island in the middle of the road so that people would not have to negotiate the crossing all at once. Very often one notices older people turning back as they attempt to cross the road at this junction. At this stage the people of Abbesside are wondering if they have been forgotten as the Council have been talking about this junction for so long.

## BY PASS JUNCTION TO PINWOOD

Cllr. Michael Riordan, at a meeting of the Town Council recently, highlighted the difficulty car owners from Strand-side North and Pinwood have in gaining access to the by-pass road and it was agreed that a roundabout was necessary at the busy junction. In the light of these facts it is difficult to understand why the council are currently replacing the kerbs at the junction in question. It is obvious to one and all that this is a complete waste of public money.

## ABBESSIDE JUNIOR HURLERS FAIL TO TOURIN

This championship game took place in glorious weather conditions at the Cappoquin venue on Friday night last. Tourin fielded a very young side and are being coached by Liam O Laochra, a teacher in Youghal. Declan Enright opened the scoring with a good point for Abbesside but a minute later young Scanlon breached the Abbesside defence for a goal. Joe Walsh was prominent in general play for Abbesside during this period. Paul O' Brien pointed and Jonathan Moore did likewise from a free. Two points put Tourin in the lead. A Jonathan Moore delivery found Michael Cosgrave and he pointed. A brilliant goal after twenty minutes and another on the stroke of half time put Tourin still in control.

### The second half

Abbesside were up against it as Tourin were young and fit. They emphasised their superiority with a succession of points throughout the second half to accumulate a total of fourteen points in all. Abbesside's scores in this period came from Michael Cosgrave (two frees), Martin Lavin, Denis Byrne and Declan Enright scored our only goal.

Still a high scoring game and the players demonstrated they had a high level of skill. Final score: Tourin 3-14 Abbesside 1-11.

Abbesside: Pat Enright, David Cashin, Ger Collins, Joe Walsh, Rick Hanrahan, Jonathan Moore, Simon Hanrahan, Richie Morrissey, Martin Lavin, Luke Brennan, Paul O' Brien, Liam Briggs, Declan Enright, Michael Cosgrave, David Ferncombe.

### Under 16 Hurling

Abbesside played Mount Sion in the re-play of the County Semi Final last Sunday evening in Leamybrien at 6:00pm. Abbesside had an impressive victory over the famed city based club and the final score was: Abbesside 4-15 Mount Sion 3-5.

Both teams had much more support than was evidenced for the drawn game. Again, the standard of hurling was excellent and congratulations is due to the players and mentors for producing such an impressive display. Best wishes to all involved in the County Final.

## GOLD COAST GOLF CLUB

The President's Prize 2002 was played for last weekend. Weather conditions were excellent and the course was at it's best. Tom Considine, 17 Ashcroft, Abbesside, won third prize. Eoin Ryan, Ballyneety own the gross. The prize for 2nd gross was won by Morrie Ferncombe who lives in Seapark. Conor Moran, Friars Walk, won the prize for best visitor.

## ABBESSIDE REFERENCE ARCHIVE

### Two Ships

A few weeks ago in these notes we said we hoped to get plenty of photos and written material on the ship The Kathleen and May. Before those notes had even reached the shops a man from the opposite side of the River Colligan gave us a nice booklet on the ship published in 1972 by Ships Monthly in association with the Maritime Trust. This booklet proved a mine of information with many photographs, our favourite being the one on page eleven carrying the following caption "at Grooshaven in 1960. The last two three-masters in port together The Kathleen and May and the steel-hulled De Wadden. A year later both had finished trading".

The De Wadden was a regular visitor to Dungarvan Port in the 1950's.

This Sunday evening Emma Flynn will be minding the Maritime Section and all the other sections at the Parish Office. Visitors will be most welcome to come along and browse at leisure.

## AN OPEN LETTER TO THE PEOPLE OF ABBESSIDE

The one thing that most of you feel is lacking in Abbesside is a Community Hall. And I'm afraid that it will be still lacking in ten years time as not enough people are willing to get behind a committee to bring it about. Some of you make the excuses that you cannot work with this person or that person, or Wednesday nights don't suit you to go to meetings, or you don't like fundraising, but is that a good enough reason to deprive your sons, daughters, grandsons, granddaughters of something that should be there.

With the increased levels of crime and drug taking in our society isn't it now time that we did something to help the next generation to avoid these pitfalls. At present there is not enough support in the village to proceed with the building of a community centre in the park and the present committee are at a crossroads on whether it is worth continuing or not. On Wednesday 4th September a special E.G.M. will be held in the school hall, Abbesside at 8:00pm. and at this meeting a decision will be taken on what course of action to take.

If the decision is to abandon plans for the community hall and disband the committee, then, everyone of us will have to bear the responsibility for that decision. Every person in the parish is invited to this meeting.

*Yours truly,  
Johnny Hourigan,  
Chairman.*

## Late William Hickey

We write with deep sadness and regret on the passing on August 10th of William Hickey, Farmhill Lane, Stroud and late of Garrycloyne, Glencairn and Lismore, at Gloucester Hospital after a short duration of illness. A native of Garrycloyne, Glencairn, William was son of the late Timothy and Mai Hickey and was aged 75 years.

Like many of his generation he travelled across the Irish sea to gain employment, which saw him give sterling service in the bus service. He was also a much valued painter and decorator.

Known affectionately as Muirt, he loved to keep in touch with home through the local printed media and his annual holidays. Very much a family man, he loved his gardening and the world of poetry. Very active in church affairs, his absence will be sorely missed.

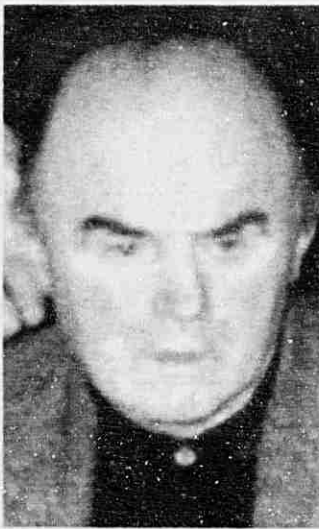

We sympathise with his wife Janet, sons James and John, daughters in law Samantha and Wendy, his brother and sisters Jim, Pat, the late Mike, Kit, Peg and Anne, his sisters and brothers-in-law, godchild Caroline, nieces, nephews, cousins & friends at home and abroad.

Funeral Mass was celebrated on Friday August 16th at the Roman Catholic Church of the Immaculate Conception, Beeches Green, with the interment afterwards in Stroud Cemetery, indeed on the actual date of William's mothers anniversary.

"My life's been full, I've savoured much, Good friends, good times, a loved ones touch, Perhaps my time seemed all too brief, Don't lengthen it now with undue grief, Lift up your heart and share with me, God wanted me now, he set me free".

Obituary by James Kiely & Sons Funeral Directors, Dungarvan.

It is with feelings of sincere regret we record the passing of Bridie (Birdie) Egan, Lismore Ave, Dungarvan which sad event occurred on Thursday 8th August 2002 at Waterford Regional Hospital following a short duration of ill health.

Birdie who was in her mid-eighties was a member of a well known and respected local family. She was the last surviving member of a family of eleven and was predeceased by her brother Joe only 13 months ago. When her mother died she resided with her father until his death in 1968, she then emigrated to England and took up employment in Middlesboro where she worked in the Cleveland Hotel, Highfield Hotel and West Lane Hospital. ## Stradbally Notes

### CLASSIC BEATLES A CLASSIC HIT!

Congratulations to the organisers of the third Annual Craic in Kilmac music festival, who once again put together a tremendous show. The sun beat down as the park filled with families (plenty of Stradbally faces on the day!) out to enjoy the barbecue and live music. The Classic Beatles were absolutely brilliant. Hailing from Dublin these four lads remained steadfastly in character, authentic accents and all, with three costume changes while blasting out a collection of Beatle numbers that the four originals would have trouble matching up to. County Councillor Ger Barron was seen smiling as he ran around all day, a sure sign that things were going well!

### FLYING UNCLES AT CLONEA

It was a case of invasion of the bugs at Clonea beach last week. Thousands of flying insects that looked like a cross between flying ants and beetles (flying uncles quipped one wit) swarmed around the Castleside of Clonea beach, landing all over cars and on the few holiday makers attempting to enjoy the sun, sand and sea. Interspersed with these hordes were larger flying insects with long black bodies and red legs, that also happened to bite. Perhaps these unidentified newcomers

are another side effect of global warming?

### BATHING WATER TEST RESULTS

Stradbally Tourism & Enterprise Group have been testing the river water and bathing area in the Sea at Stradbally Cove since early Summer to monitor increasing pollution levels from raw sewage which is discharged into the Tay river at the Cove.

Test results for the week of August 9th are as follows; River water above bridge; Faecal coliforms 21,000, Faecal Streptococci 1,700. River water below sewage discharge pipe; Faecal coliforms 6,000, Faecal Streptococci 1,700. Sea Water; Faecal Coliforms 3,700, Faecal Streptococci 200.

Test results for the week of August 16th are as follows; River water; Faecal Coliforms 1,000, Faecal Streptococci 300. Sea water; Faecal Coliforms 200, Faecal streptococci <100. Irish bathing water regulations stipulate maximum safety parameters to be sea water containing up to 1,000 Faecal coliforms and up to 300 Faecal streptococci, the safety levels for freshwater is lower.

### CLOUGH AN EIBHINN - a report from Holy Cross

The weather was nearly the spoilsport on Monday August 19th for the outdoor

Mass at Clough an Eibhinn, the rock that marks the meeting place of the parishes of Abbeyside, Kilrossanty and Stradbally. However the rain ceased in time for the mass to go ahead and full marks to all who turned up to make it worth while for the organisers who deserve great credit for doing a great job in difficult conditions. The chief celebrant was Fr. Martin Keogh from Abbeyside and was assisted by Fr. Michael Enright, Fr. Liam Cummins, Mill Hill missionary and Fr. Colin Fives Augustinian missionary both home from Cameroon and Nigeria respectively. The occasion was enhanced by the beautiful singing of the folk group from Abbey side parish led by Deirdre Collander and Tony Fitzgerald, with help from members of the Stradbally choir while Seamus Brady of Butlerstown gave an inspiring rendering of the mass rock in the glen which was much appreciated. Tom Carroll got his customary bottle of Guinness and thanks to the ladies committee who did a great job with the refreshments. The civil defence led by Denis Moynihan were kept busy along with Paddy Joe Carey and others in organising the traffic. Thanks also to Pat and Mike Fennell and their families for all their help and permission to use the land. Johnny Fennell was there as well and delighted that the weather held up!

### SYMPATHY

Sincere sympathy is extended to Jim Byrne of Ballylaneen Upper on the death of his sister Mary Maher of Cusham who was buried in Garranbane last week. The death took place in Surrey last week of Nicholas Anthony (Tony) O'Connor late of Stradbally and burial took place in Rathnew Co. Wick. A Mass on the Augustinian Friary Church in John's Lane, Dublin. Sincere sympathy is extended to his

wife Bernadette, sons Mark and Dominic, brothers and sister one of whom is Fr. Paul O'Connor, who works as a missionary in South America with the Augustinian order.

Fr. Michael Enright performed the ceremony, with Nuptial Mass and Papal Blessing. The best man was Stephen Blake and Mary Fenton was bridesmaid. The readers were Alison Blake and Shane Lannon. Dina Walsh and Terry Dalton performed music. Fr. Gregory Power was the officiating priest at the marriage of Susan Organ, KilmacThomas and Michael Mañon of Knockamore in St. Annes Church, Ballylaneen. ### WESTERN JUNIOR HURLING CHAMPIONSHIP

Our Juniors campaign came to an end at the quarter final stage in Colligan last Saturday evening, as they went down to Dungarvan on the scoreline 5-07 to 1-08. This game was closer than the scoreline suggested as the lads conceded a few rather soft goals.

Those to play well on the evening were Liam Costin, James and Martin Lacey, Brendan Scanlon, Jamie McGrath and Michael Fraher. Well done to the lads for putting in the effort all season, and who knows if we could have got all the players that were available lining out, how far the lads could have gone in this championship.

That is something we should be thinking about for next year, not just waiting till the evening of the match to pick a team. We have plenty of players for two good adult teams and it is up to our club to make sure we can get our best teams out on to the field.

Panel: John Cunningham, Conor Hefferman, Liam Costin, Shane Barry, Brendan Scanlon, James Lacey, Noel McCarthy, Michael Fraher, Martin Lacey, Pat Morrissey, Mick McCarthy, Allan Hogan, Mark Mason, John Ahearne, Liam Lacey, Jamie McGrath.

# FARMING LEADER

## WATERFORD IFA NEWS

### SUSPENDING HIS OWN DEADLINE IS ONLY FOR MINISTER ON DEADLOCKED DAIRY HERD CERTIFICATION - MURPHY

IFA National Dairy Committee Chairman Michael Murphy has called on Minister for Agriculture Joe Walsh to suspend the 31st December 2002 deadline for signature of Dairy Herd Certificates. He said that while the need for certification originated in EU legislation, the deadline had been set by the Department of Agriculture, and could be changed if the need arose - which it evidently did now.

"The onus is on the Minister to suspend the deadline, and then make sure that this scheme is run smoothly, and that every farmer has the opportunity to have his Cert signed at the same time as his next annual TB herd test," Michael Murphy said.

"The scheme is currently deadlocked, and no farmer can get a Certificate signed, due to the lack of co-operation by the vets. The Minister cannot allow the dairy industry to be held to ransom, with over 60 to 70% of TB tests already done at farm level," Michael Murphy said.

"The IFA Dairy Committee has always held the view that, where farmers have done their homework by filling in eartag numbers in the appropriate form, and by having all legally required paperwork up to date and available for inspection on the farm, having the vet sign the Cert at the same time as he/she does the annual TB test makes most economic sense, and involves minimal additional work," he added.

"Common sense must pre-

vail. Let us not forget that, after initial teething difficulties, the scheme ran reasonably smoothly three years ago. There is absolutely no reason why it would not operate just as simply this time around," he concluded.

### IFA SUBMITS POSITION ON NITRATES DIRECTIVE TO MINISTER CULLEN

IFA President, John Dillon has submitted IFA's position on the EU Nitrates Directive to Minister for the Environment, Martin Cullen, in advance of talks with Government on the implementation of Action Programmes required under the 1991 EU Directive.

Commenting on the IFA position, Mr. Harry Gray, Waterford IFA Chairman said: "Irish farmers are committed to clean water and protecting water quality. However, if we are to achieve the central goal of the Nitrates Directive of clean water, all sectors of the economy must play their part, measured against an accurate scientific baseline of nutrient loadings, including natural background levels. Farmers cannot be expected, or required, to make any more than their fair contribution under EU and national legislation."

Mr. Gray highlighted the massive, and on-going, investment that has taken place in environmental protection on farms. He said: "Over €2 billion has been spent since 1990 on farm buildings and their associated manure storage facilities. Over this same period, grant support amounted to just €310 million, or 15% of this total.

For many farm families, any requirement to improve

or increase manure storage will threaten their economic viability. There must be greater financial support for this work than has been the case up to now."

Mr. Gray also called for a central role for Teagasc in the State's response to the requirements of the Nitrates Directive. He said: "Teagasc must be directed to adopt a central supporting role in assessing the socio-economic implications and advising individual farmers on Good Agricultural Practice."

### IFA WELCOMES NEW PLANNING REGS SUPPORTING RURAL HOUSING

Commenting on reports in Monday's (19th Aug) Irish Examiner quoting Community, Rural and Gaeltacht Affairs Minister Eamon O'Cuiv that new planning regulations are to be contained in the National Spatial Strategy, Waterford IFA Environmental Committee Chairman Gerry Murphy said: "Rural communities will welcome the opportunity for rejuvenation in new planning regulations which will lift the ban on housing in rural areas."

He said: "The blanket approach from local authorities to rural housing is unfair and has contributed to rural population decline. In particular farm families have been experiencing the brunt of this planning approach where their grown up children have been prevented from living on the home farm."

"This new approach would recognise the nature of rural community based on the town land rather than high density housing in towns and villages."

Mr Murphy said that he did

not expect new planning regulations to be carte blanche for housing generally. He said that controls would still be necessary to ensure a consistent approach to housing design, location, road safety and proper design of wastewater treatment.

### DILLON TELLS MINISTER WALSH TO DIRECT HIS OFFICIALS TO STOP THREATENING SHEEP FARMERS

IFA President John Dillon has called on the Minister for Agriculture Joe Walsh to direct his officials to stop threatening sheep farmers over their ewe premium payments and instead to get on with the job of clearing up the mess they have created over the unworkable sheep register.

Mr Dillon dismissed out of hand the threatening noises from unnamed Department of Agriculture officials saying that they had no right to make the ewe premium payment conditional on their complex and unworkable sheep register when last years simple register would suffice under the ewe premium regulation.

The IFA President said the continual denials from the Department of Agriculture regarding the problems flock owners are encountering with the complex sheep register and reconciliation system are a reflection of how far removed from reality they are in their assessment of the real situation with sheep farmers on the ground.

## SOUTHEAST ICMSA NEWS

### POSITIVE COMMENTS ON RURAL HOUSING WELCOME

Mr. Maurice Harvey, Chairperson of ICMSA's Rural Development Committee welcomed the comments by the Minister for Rural, Community & Gaeltacht Affairs, Mr. Eamon Ó Cuiv, that there will be no ban on one-off housing in the forthcoming National Spatial Strategy.

Mr. Harvey said: "This is a very positive development and is needed if we are to stimulate the regeneration of countryside areas."

Policymakers have a choice, a countryside where young families live, a vibrant countryside with a sustainable population to maintain essential services. The alternative is a countryside devoid of young people, suffering from rural depopulation and the loss of essential services.

Such a scenario must not be allowed to develop and the only solution is to allow young people to build houses in their countryside areas.

The An Taisce solution is a non-runner and will not solve the problem of rural decline which must be immediately tackled."

Planning policy, Mr. Harvey said, has a key role to play in the regeneration of rural areas. People living in rural Ireland are always bemused at the concerns expressed by so-called environmentalists about rural housing, said Mr. Harvey. Where were these people and their organisations when there was very poor housing and rural decay and derelict sites in both towns and in the countryside as part of rural Ireland.

ICMSA, Mr. Harvey said, feels that there is a compelling economic, social and regional advantage to allow rural housing to develop to meet demand consistent with all such developments meeting the strict planning laws now in place which include environmental protection measures.

Mr. Harvey said that he is looking forward to the publication of the National Spatial Strategy and said he hoped that it would introduce a policy framework for the regeneration of rural areas.

## MONEYMATTERS

### WAYS TO REDUCE YOUR SPENDING

Take a fresh look at your budget and see if you can trim some of the unnecessary expenses.

Your home is your castle but can you afford the house you have. If your castle is eating up more than 25% of your income you may need to start to make long term moving plans. Think about moving to a cheaper home. If you have adult children living at home with you make sure that they pay you realistic board and lodging.

Do not carry too much cash, it makes impulse buying easier and you will not have a record of your expenditure. Turn down the heating, maybe put on some extra layers in these cold summer evenings.

Do you need to talk on the phone so much? Try putting your watch beside the phone when you are using it. You may be surprised how many minutes you chat! If you have a mobile phone do you really need a landline at home as well?

Think about the foods that you really like. Do you have to treat yourself every week? Do you have to buy so many prepared high cost meals? Could you make something fresh and cheaper?

The biggest enemy of a clothing budget is impulse buying. Make a list of what you need and buy only from that list. Before you buy though think about all the clothes you have hanging in your wardrobe at home.

Set a budget for transport costs. Cars are now much better quality than they used to be. If you buy one that you like, take good care of it, and keep it a few years longer. When you are trying to reduce your spending try not to focus on the negative. Think of positive lifestyle changes. The key is to choose something that will make you feel better - it just takes a little willingness on your part. The benefits may not be immediately apparent but the long term gain will definitely make you feel more positive towards your budget.

A couple of my workmates are about to receive long service awards. Will they have to pay tax on the awards?

### Defeat For Tallow In Senior Hurling Championship

#### TALLOW 1-14 ROANMORE 3-10

Tallow led by a point (1-7 to 2-3) at half time in this championship clash last Sunday evening in the Fraher Field but it should have been more given their first half dominance. Two Roanmore goals against the run of play had kept them in the game and they stuck doggedly to their task to grind out a 2

point win in the 2nd half. Although Tallow were well below par on the day they still had enough chances to win the game.

And right there beside black to Grey faced  
Mountain sheep nibble at this heather heath  
On either side their tender young from the  
noon day sun will hide  
Above the pretty winding Vee where the  
many passing sightseers bide

The lengthy rolling Comeraghs farther to the right  
In early March are a gracious sight the skin and coat  
Of strong brown wiry heather dark green from the  
Whiter snow will some day soon begin to grow  
Soon to Shoundrimoct swept showery early April  
As the days grow longer the black faced horn sheep  
To the fresh cold mountain go their long tailed  
little Hungary lambs  
On shaky legs will toddle and trot until they suckle their  
Weary mother ewes there at the sunlit top

Dungarvan bay though eight miles away, can be readily,  
Seen on a bright fine day  
An industrial town it clings around a people busy a  
Country sound. The tidal bay though one time great  
Is found quite empty of merchant ships though sailing  
Yachts and boats abound  
The Cunnigar a strip of land stretching out like a giant's  
left hand  
Protecting a low lying hinterland  
The rockfaced land backed lengthy strand beyond full  
Of lightsmooth silver sand So come summer year by year  
Welcomes hosts of tourists to laze upon those cooling sands

From pretty Ring and sea kissed Helvick the Drums  
from the  
Salt blue green deep commence So on in as peaceful  
roll above the  
Meandering little Brickey by quite woodstock to green  
Dromana  
Woods so thick and dense At this point through their  
side the  
Wide Blackwater flows without any recompense  
At the foot of same are lots of game. Woodcock sharp sit  
By the bark, with luscious pheasants and speedy deer and  
Plenty mallard too hiding from the foulers aim,  
Wild geese and plump fat ducks paddle on Black  
water mucks,  
Pink salmon fine dangle on the fisherman's line while the  
Local boats oft afloat with men of note to fish far past  
The fresh small Finisk throat.

Again to the sunset west in cold October the view is best  
Grand well kept Lismore Castle in beauty stands  
Holding the wide Blackwater in its hands  
The old cathedral great is roofed within old and  
beautiful slate  
Its sword like steeple sharp and high does truly seem to,  
Pierce the royal blue sky  
In changing winter colds Christmas songs are told  
To Mount Melleray all may go to make a friend and  
lose a foe  
As the grand monks old and young swiftly move within  
the Cloister before holy Mass is sung.  
The monastery bells do toll and toll to bring Christ's  
message to the fold  
Till after Mass whether snow or ice or just a sky  
with pale moonlight  
Home from the cloister is a choice to Cappoquin and  
Ballyhane  
To Clogheen and Coolaneen by the tiny Drightdeen  
to Ballyhane  
And famed Affane all having sung the joyful  
Christmas Psalm

## BUTTERFLIES COMMUNITY PLAYGROUP

After the long summer recess, we're back in print to bring you up-to-date on what has been happening recently. To start with, interviews for the position of Playgroup Leader were held on Tuesday the 13th of August last and we are very pleased to announce that the interview panel were unanimous in their choice of candidate - Siobhán Kearney.

Siobhán is a young lady who hails from Mitchelstown and coming as she does from a large family, realised early in life that her career would be in the field of child care.

Having finished her Leaving Certificate, Siobhán completed an IPPA course in child care, and went on to gain valuable work experience in creches, day-care centres and play schools.

She has worked consistently for the past two years in a playschool in Kildonery as an assistant and to quote her own words on being offered the position, she is "delighted to be given the opportunity of working with you all and your children and becoming part of your community". We all warmly welcome you to Ballyduff Siobhán and hope you will soon feel at home here.

To afford you all the opportunity to meet with and welcome Siobhán to Ballyduff we are holding an Opening Day for parents and children on Sunday next, the 1st of September in St. Michael's Hall after Sunday Mass. Please do come along and see for yourself the beautiful furniture, toys and equipment on display for the toddlers of the playgroup.

Butterflies playgroup will reopen on Monday the 9th of September. Opening times remain unchanged :9.15am - 12.15 each morning (Monday - Thursday).

An information booklet has already been sent to all parents intending to enrol their children for this year 2002/2003. If, however, you have not received a copy by Friday the 29th of August, please phone Jean Hoffman on 058 - 60967.

We would like to take this opportunity once again to welcome Siobhán to the village of Ballyduff and to wish her every success in her new position as Playgroup Leader here. May we also take this opportunity on behalf of all the parents and committee members of Butterflies Community Playgroup to wish Paula Connolly success and best wishes in her new home in Tallow.

## Ballyduff Gala & Vintage Festival 2002

Sunday last August 25th was a day of Glorious Sunshine which shone on Ballyduff Gala

& Vintage Festival.

People turned out in large numbers to enjoy the many attractions which had something for all the family.

The Military display was a "big hit" with many people, and the army personnel in attendance were most helpful with information and exhibits. This year also saw a full scale vintage rally with over seventy exhibitors from all over the country taking part.

Archery, ferrets and kestrels along with the usual side shows kept the crowd entertained and in jovial mood.

Later in the coolness of a balmy evening another large crowd gathered for "The Beat in the Street" before the festival closing with the traditional Harvest Dance in St. Michael's Hall during which Sheila Martina O'Brien was crowned Harvest Queen 2002, having been selected from a large group of hopefuls by Miss Ireland Catriona Supple. We hope everyone enjoyed the week's activities and we look forward to seeing you all back again next year.

Tues 27th Presidents Prize to Juveniles 9.00am, Thurs 29th, Fri 30th, Sat 31st and Sun 1st Lismore Golf Club Development Classic 3 person team, any combination. 75 Euro per team (meal included). Timesheet in operation. (058) 56026.

Our Juniors started the ball rolling in the lead up to our last major confined to club members, namely our presidents prize. Back to the Juniors where we had two new

names taking the laurels in the boys, the winner being Noel Geary (30) posting an impressive 37 points for his 12 holes, being 5 points clear of Sean Hennessy (33) Sean with 32 points. Are there any girls out there to challenge the Morrissey domination? The positions held were reversed this week with Tanya (35) being the winner with 26 points and Nicola (34) the runner up with 24.5 points. And so to the big one, where we had a nice weekend weather wise with Friday being a glorious summers day, Saturday a bit overcast and Sunday back to the glorious stuff. The leading contenders after the first round were Knockanore's Frankie Roche (12), who was last week's winner, returning member Kevin Whelan (14) and country member Mossie Walsh (10). All three players carded 64's followed closely by Jason Corcoran (8) and last year's captain Tim O'Leary (15), both players with 65 strokes. One of the earlier starters on Sunday was an early contender namely John Power (14) shooting a magnificent 63 for an overall 137. Not to be outdone was committee man John Kenneally (20), also with 63 to be the clubhouse leader with 135 strokes with half the field still out on the course. After the leaders had completed 9 Holes most of them were finding it hard to get going with the exception of Kevin Whelan (14) and Mossie Walsh (10). On the back 9 Kevin had 3 sevens to put himself out of contention for the main prize. Mossie was still going well despite being unhappy with his game.

The nearer the last groups came to the finish the more it

looked like John's clubhouse lead was going to hold. Mossie Walsh (10) duly finished with the lowest score of 134 strokes, but due to him being a country member he cannot win the main prize which went to John after a long tense wait in the clubhouse, Mossie having to be content with the runners up spot after also claiming a prize in our captains prize. The gross prize went to Maurice Cahillane (7) who is hitting a bit of form lately. Maurice with 153 strokes. Third place went to Michael Motherway (17) who had a great 65 to go with his first round 71. He edged his father-in-law into fourth spot by one stroke, the man in question being John Power (14), John with 137 Strokes edging committee man and Everton fanatic Pat Bennett (10) into fifth place due to John's superior last 18 holes. Club stalwart Seamus Beecher (10) was the category A winner with 138. Assistant greenkeeper Deaglan De Paor (12) was the category B winner, also with 138. Leeds United die hard John McCarthy (15) was the man in category C with 139 and the category D winner was Mick Byrne (17). The winner of the past President's prize was committee man Shaun Moynihan (21) with 145 strokes. The best qualifier was the aforementioned Kevin Whelan (14) with his 64. Best Sunday was Soran Peterson (8) with a great 68 strokes. The winner of the guest prize was Dungarvan's John Gough (7) with a nice 70, and the veterans prize went to Fermoy's popular stalwart the ever smiling Tony O'Meara (18) Tony Carding 140 strokes. So well done to John Kenneally (20) who has won less than a handful of prizes up to press but has now landed a big one, fair play to him. Club President Tim Murphy was highly delighted with his weekend and will be dancing to the wee small hours.

This coming weekend sees our course development classic and your support will be fully appreciated as all the proceeds will go to the further enhancement of our beautiful course. The format will be a 3 person team, any combination, 2 scores to count at the fourth and thirteenth holes. The entry fee is 75 euro per team, a meal to be included. Time sheet in operation (058) 54026. My final duty this week is a happy one, it is to congratulate Pat Norris Jnr. for being the recipient

of an achievement award presented by his first club, namely Lismore Golf Club for his status as being our first ever golfer to play off scratch. Well done Pat.

## LISMORE/BALLYSAGGART COMMUNITY GAMES ALL IRELAND MEDAL FOR LISMORE

Our long puck competitor Kate Heneghan brought honours to Lismore/Ballysaggart by coming second in the All Ireland in Mosney last Saturday in the girls long puck final. She pucked the ball a distance of sixty eight metres in very strong competition. Our two walkers Kevin Houlihan and Jacinta McGrath did us proud against very strong opposition. John Owens qualified for the semi-final in the boys U.14 100m but was subsequently beaten again in very stiff competition. Thomas Rose our discus thrower also did us proud and of course Trevor Hennessy finished very high up in the marathon. Our volley ball players were very unlucky not to reach the final but showed great determination. Well done everyone, ye all represented us well and an enjoyable weekend was had by all.

Don't forget teenage disco Friday night at 9.30 p.m.

### LISMORE BRIDGE CLUB

Lismore Bridge Club commence their new season with a prize night on Wednesday next September 4th in Lismore Hotel at 7.30pm. Looking forward to seeing you all on the night.

## C.L.G. LIOS MOR G.A.A. NOTES

### Senior Football Championship

On Saturday evening last our Senior Footballers played Tramore in the Losers Group Section of the Senior Football Championship. Lismore got off to a slow start and the first point came from Dan Shanahan in the 16th minute closely followed by points from Eoin Bennett and Barney Prendergast and another two from Dan. In the second half Lismore's scoring was opened with a point from William Cunningham followed by a point from a free taken by Dave Bennett. Midway through the second half Tramore got a goal from a penalty, which with all credit to our goal keeper Peter Howard, had no chance of stopping. Lismore got a further three points from Eoin Bennett and Dan Shanahan and in the dying minutes Brendan Landers got a goal from the penalty position. Tramore proved to be the stronger side on the night and the game finished 4-10 to Tramore and 1-10 to Lismore.

Team - Peter Howard, Mike O'Sullivan, Kieran O'Gorman, Anthony Whelan, David Whelan, Barney Prendergast (0-1), Paul Prendergast, Dan Shanahan (0-5), William Cunningham (0-1), Aidan Roche, James O'Connor, David Bennett (0-1), Brendan Landers (1-0), Paul Quinn, Eoin Bennett (0-2). Subs - David Howard for Mike O'Sullivan, Craig Tobin, James Shanahan and Billy Walsh.

### C.L.G. NA NOG LIOS MOR/BAILE NA SAGGART

#### Western Minor Hurling Final

On Wednesday night last our Minor Hurlers played Abbeyside in the Western Minor Hurling Final in Fraher Field in glorious sunshine. We had an early substitution in the game with Christopher O'Keeffe coming on for Niall O'Brien who went off injured with a broken collar bone after 10 minutes play. This was a well fought out game especially in the last quarter with supporters from both sides really getting behind their teams. Great credit must be given to the boys who fought hard to bring the title back to Lismore but were very unfortunate to lose out to a very good Abbeyside team on a final scoreline of 2-9 to 2-6.

Team - Colm Bennett, Robert Lineen, Brian O'Connell, Michael Coleman, John O'Donnell, Michael Walsh, Tom O'Grady, James Shanahan, Niall O'Brien, Sean Ormonde (Captain), Alan North, Eamonn Nugent, Kevin O'Donoghue, John Heneghan and Shane Bennett. Subs - Matthew Walsh, Shane Byrne, Stephen Conway, Brendan Bennett, Brian Heneghan, Matthew Prendergast and Maurice O'Connor.

# Environment Today

**Have we seen the last of plastic bags?**  
 Since the introduction of the 15c levy on plastic shopping bags in March last there has been a 90% reduction in the provision of these bags at points of sale. This represents a significant reduction in waste generation considering that over 1.2 billion plastic bags were provided free to the public last year. The levy has generated 3.5 million in the first 4 months of the levy and it is estimated that if current trends continue over the full 12-month period, the levy will realise over 10 million. This money will be ring fenced and used for environmental projects. The levy was to be imposed on all plastic bags and the change in peoples behaviour is most apparent in supermarkets, where most people now bring their own shopping bags. Supermarkets have supplied a range of different types of reusable bags and plastic shopping bags have vanished from most check-outs. What have started to appear more regularly since the introduction of the levy are the rolls of small bags meant for fruit and veg. These are exempt from the levy but only if they are used for loose fruit and veg or for meat fish and dairy products. If these bags are filled with anything other than this then the 15c levy should be applied. Another area where there seems to me some slippage is in some clothes, books, and music shops. While many have replaced their plastic bags with paper bags some seem to be slipping back. The Minister for the Environment, Martin Cullen, has said that the one of the options for the Environment Fund is the establishment of a new Office for Environmental Enforcement.

This office will implement the various aspects of waste legislation including the enforcement of the plastic bag levy.  
**The All-Ireland Anti-Litter League**  
 Tramore is representing Co Waterford in the All-Ireland Anti-Litter League and has, along with 29 other towns, recently been assessed for the third time this year for litter. Tramore has moved up the ranks by two places and is now 11th out of the field of 29. The odds now stand at 12/1 for Tramore to win the league. This time the assessment was carried out during a weekend in July, which is a busy time for Tramore. The fact that Tramore still managed to improve on its previous score is a good achievement and reflects the extra resources that the council have directed at Tramore during the challenge. The All-Ireland Anti-Litter League is organised by Irish Business Against Litter, which is an alliance of companies that share the belief that continued economic prosperity, especially in the areas of tourism, food and direct foreign investment, is contingent on a clean, litter-free environment. According to Tom Cavanagh, the Chairman of IBAL, "Litter is more than a social and economic problem. On an individual basis, it is a quality of life issue. Litter is unhygienic and unsightly; intrusive and potentially dangerous". For more information on environmental issues, call Celine Horner, Environment Education Officer, Waterford Co. Co., Civic Offices, Dungarvan, 058 20894 or click on to [www.waterfordcoco.ie](http://www.waterfordcoco.ie)

## Cutbacks by Default?

Waterford Disability Network (P.W.D.I.) has carried out a survey into the Services provided by Community Care in the Waterford area, for people with disabilities. We contacted all the special schools in Waterford City and County and spoke to the Principals who all agreed that Services were practically non-existent. All the Principals stated that they have not had the services of a Speech Therapist for over a year; this is in schools where children are in need of Speech Therapy for their social and educational development. Other services such as Social Workers are also lacking, a few of the Principals stated that if they have an emergency in the school, and they need make contact with a Social Worker, it can be very difficult, as they only get an answering machine, and no one ever calls back. This leaves the school teachers and Principal having to cope with difficult situations, when Social Workers should be dealing with these problems. There is a long list of people waiting to be assessed by the Occupational Therapist for Disabled Housing Grants and for wheelchairs and disability aids and appliances. The Occupational Therapy Services are non-existent at present, if a person tries to contact the O/T department they are told they will have to wait indefinitely.

This is making people with disabilities feel isolated and frustrated, and making them prisoners in their own homes in the 21st Century. There are families in the Waterford City and County area waiting to be assessed for Autistic Spectrum Disorders, these assessments are not being carried out at present because Waterford Community Care do not have the adequate services to support these children, when they are diagnosed. These families are left completely isolated, without any support and have to cope on their own. These families are in desperate need of respite care, and support, but there are only five beds in the city, with a waiting list of over 150 clients. The County has only two beds available for people with Learning Disabilities; there is only one emergency bed available between the City and the County.  
 ● St. Martins Special School - No Speech or Language Therapy, No Occupational Therapy or Social Worker.  
 ● St. John's Special School - Dungarvan - No Speech or Language Therapy, Occupational Therapy or Social Worker.  
 ● St. Joseph's School - Parnell Street, Waterford - No Speech or Language Therapy, Occupational Therapy or Social Worker.

● Spring Garden Workshop - No Speech or Language Therapy, Occupational Therapy or Social Worker.  
 ● Ballyduff Autistic Unit - No Speech or Language Therapy, Occupational Therapy or Social Worker.  
 ● Ballygunner Autistic Unit - No Speech or Language Therapy, Occupational Therapy or Social Worker.  
 It seems that job satisfaction and motivation is at all time a low in the Therapy Department of the South Eastern Health Board. Maybe the time has come take these Therapies out of the Health Board control and put them in the Department of Education or Social Community & Family Affairs, as these are Social issues rather than Medical. As a society we owe this to these children so they can reach their full potential and for older people, who need some Respect and Dignity in their lives. Waterford Disability Network have brought this situation to the attention of the Taoiseach, and his relevant Ministers, our local T.D.s and the S.E.H.B. at the beginning of June 2002, and we have not received any positive indication that this situation is going to improve in the near future.  
 Yours Sincerely,  
 Tom Power  
 Chairman of Waterford Disability Network (P.W.D.I.)

## Pretty Wedding in Kerry

The beautiful picturesque Roman Catholic Church "The Prince of Peace", Fossa, Co. Kerry was the scene of a very pretty wedding on Saturday 17th August, the Feast of Saint Liberatus. The contracting parties were Frank, only son of the late Howard and Mary Bolger, Shamballyanne, Ballymacarbry and Mona, daughter of Eileen and the late Thomas Murphy, Ardcoast West, Port-Magee, Co. Kerry. The marriage ceremony with nuptial Mass and Papal Blessing was solemnised by Very Rev. Fr. John Hussey P.P. Prior, Co. Kerry in the presence of a large number of relatives and friends of the contracting parties. The bride given away in marriage by her brother Sean was attended by her sisters Annette and Sally Murphy as bridesmaids, the best man was Tom Power, cousin of the groom, and the groomsmen were Ned Power, also a cousin of the groom. Readers of the lessons were Lorna Flynn, niece of the Groom and Breda O'Donoghue, cousin of the bride. The offertory gifts were presented by Eileen Flynn, sister of the groom, and Patricia Hurt, a friend of the bride. With the church ceremony over the entire party left for Nicks Restaurant, Killorglin, Co. Kerry where the wedding reception took place and where a most enjoyable and musical time was had by all for many hours. After Rev. Fr. John Hussey P.P. had blessed the cake the toast of the bride and bridegroom was appropriately honoured and many felicitous speeches given by many guests present. Later on in the evening as the happy couple left on their honeymoon, which is being spent in Portugal, they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years to come. The groom is a well known man in the district, he is Chairman of the Nire Parish Council, while his bride is a nurse and councillor.

## Young Portlaw Man Dies In Cycle Tragedy

A 21 year old Portlaw man died on Monday evening 19th August, when the motorbike he was driving was involved in a traffic accident on the main Carrick-On-Suir/Waterford road. John Goff from Mayfield, Portlaw, the accident occurred at 5.40pm when his Motorcycle was involved in a collision with a lorry on the Piltown by-pass at the turn off for Owing. Weather conditions at the time were poor. The close knit village of Portlaw was in deep shock as they heard the news of the sudden and tragic death of John who was well known in the area as a quiet, loving young man. He was the youngest son of Jerry and Helen Goff. He had spent the last three years serving his apprenticeship, learning his trade as a block layer and in the next three months he would have qualified. Outside of work his interests were varied, he loved motorbikes and traditional music, his favourite group were The Wolfe Tones.

On Wednesday evening his remains were removed from Walshes Funeral Home, Carrick-On-Suir to the Parish Church of the Sacred Heart, Rathgormack where they were received by Rev. Fr. Michael Curran P.P., Clonea Power/Rathgormack. On Thursday morning the feast of Saint Symphorian (Martyr) requiem Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Michael Curran P.P. After Mass he was laid to rest in the adjoining cemetery. To his parents, brother, sisters and many relatives we extend our sympathy. Ní bheidh a leichead aris ann.

## RECENT DEATHS

### Late Mr. Patrick Colbert

It is with deep and sincere regret we pen the death of Mr. Patrick (Pats) Colbert, Knockperry, Newcastle which sad event took place after an illness of long duration at St. Luke's Hospital, Clonmel on Friday 16th August, 2002. Deceased in his eighties was the last member of a well loved and respected Newcastle family, the Colberts of Knockperry.

In his early years he was employed by farmers around the district and as a farm labourer he had few equals. A quiet, inoffensive man always ready to help. For some years he had not enjoyed the best of health.

The measure of the esteem and high regard in which deceased and his family are held was clearly seen on Saturday evening when his remains after prayers and the rosary were recited, were removed from Condons Funeral Parlour, Clonmel to the Parish Church of St. Mary of Newcastle where they were blessed and received by Rev. Fr. Patrick Condon C.C., Fourmilewater/Newcastle.

On Sunday morning, the feast of St. Helena the 10am. Mass was celebrated for the happy repose of his immortal soul. The celebrant was Rev. Fr. Patrick Condon C.C.. After Mass he was laid to rest in the adjoining cemetery.

To his nephew and his many relatives, we extend our sympathy. I liontaib de go gcastar sinn.

(Undertakers O' Dwyers, Newcastle).

### Late Ms. Marcella Toomey

It was with deep and sincere regret we pen the death of Ms Marcella Toomey (nee O'Brien), Glenaleamy, Silver-springs, Clonmel which sad event took place recently at St. Theresa's Hospital, Clogheen.

Deceased a wonderful wife and mother. She inculcated a sound basic sense of values in her family of whom she was immensely proud. Forthright and direct, but never offensive, she had a great social conscience and according to Brendan, 'Cell' as he affectionately called her, was never slow to air her positive views on any subject particularly on women's issues. Warm, kind hearted and friendly, she tried to help people whenever she could, an example of that spontaneous generosity being when she invited French teenagers, who were camped in Burke Park to pitch their tents on her lawn and avail of the facilities in the house. She was involved from an early age in community work. She joined the Youth Civil Defence as a young girl and thereafter got immersed in various other organisations like the Credit Union, of which she was director, and to which she gave years of loyal and devoted service.

Daughter of James and Ellen O'Brien (nee Hennessy) Fr. Matthew Tee, Clonmel, she was one of seven children, four boys and three girls. After school days she began her working days in Cassidy's in their shop in King Street locally known as 'Clearys' where she enjoyed to chat with customers many of whom were her neighbours. She subsequently married Brendan Toomey from Barron Park. They lived in Arklow, Newcastle west and Middleton before they returned to Clonmel where they settled in Glenaleamy where they reared a family of six, five boys and a girl.

At home she became involved with the Women's Group, in the library, later joining the Ladies Club in Irish Town, she was also attached to the Grow Movement. Interested in self development, she attended a number of night classes which included flower arranging, cookery and yoga. At the time she became ill she had started to play badminton a decade or so ago. Her illness brought her in contact with the South Tipperary/Dungarvan M.S. society with whom she went on trips to Lourdes. Sadly Marcella passed to her eternal reward after some weeks in St. Theresa's Hospital, Clogheen.

Her remains were removed to S.S. Peter and Paul's Parish Church, Clonmel where they were blessed and received by Rev. Fr. P. Ahern P.P. Lisonagh/Powerstown, also present were Rev. Fr. Breen P.P., Ballingarry, Fr. O'Rourke, Fr. O'Keeffe, Gortmahon and Fr. Fagan I.C. Ferryhouse.

On the following morning requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Fr. P. Ahern P.P.

To her family we extend our sympathy. Leaba i measc na naomh go raibh aige.

Dunphy's have very successfully brought this type of entertainment into the 21st Century and have been playing to packed houses all around the South East over the past 10 years. The tastefully laid out and very comfortable surrounding in Kill community centre provides a perfect venue for the maximum enjoyment of this old style show. Joining the group on this night will be singer/songwriter "Kloe" who received a tremendous reception when she last performed in the centre. ## KILL G.A.A. NOTES

### Senior Football

We played Ardmore in the Senior Football Championship in Fraher Field, Dungarvan on Saturday evening last, and after a very disappointing performance were defeated by 2-12 to 0-11. The concession of two easy goals in the first half was our downfall and even though we tried extremely hard to pull back the lead in the second half the deficit was too great to pull back. Had we played with the same determination in the first half as we did in the second half the result might have been different, but games are won and lost over the hours performance.

Team: John Kiely, Aidan Whelan, Liam Lennon, Brendan Mooney, Mark Hennessy, Brian Mooney, Fergal Whelan, Mick Aherne, Anthony Kiely (Capt), Mark Ryan, Ray Hennessy, Peter Torpey, Fergus Torpey, John Power, Peter Kirwan. Subs: Sean Michael O' Regan, Niall Hennessy, Andrew Power, Paudie Torpey, Donal Lennon.

The August Deise Draw will be held on this Friday 30th August. All promoters please note to have their membership subscriptions to our Deise Draw Coordinator Hannah Power before Friday.

MINOR CUP FINAL LISMORE v UNIVERSITY OF LIMERICK, HARLEQUIN PARK

# Lismore Cricketers Win Minor Cup

In this summer of poor weather it was fortunate that this game could be played at all even though weather conditions were far from ideal, with a very strong and cold wind blowing from the city end throughout the day. Indeed so strong was the wind that the bails were removed from the stumps at both ends. The rain during the week meant that the artificial pitch was used instead of the prepared grass wicket. This led to an exciting game with high, scoring on both sides but a good all-round team performance with bat, ball and in the field eventually saw Lismore emerging victors by 47 runs, a comfortable margin of victory in the end but the outcome was in some doubt until the final overs.

Lismore, winning the toss and choosing to bat, got off to the worst possible start when David Champion was bowled leg stump by the first ball of the match. Tim Jackson then joined David Ind at the crease and took 6 runs off the remaining balls of the over. Jackson looking in good form, quickly reaching 111 with some delightful shots, including two 4s and it came as somewhat of a surprise when he was out, well caught at backward point by David Lynch off a delightful square cut which he just failed to keep down. Mark Taylor replaced list and with the score 18 for 2 the game was delicately poised. However, Mark quickly indicated his intentions with sonic sparkling shots, being particularly severe on anything short or over-pitched and with David Ind playing a fine supporting role blocking the better balls and putting the bad ones away, the scoring rate never dropped below 5 runs per over. After 8 overs and the score 40 for 2, UL took off their opening bowlers and having taken a look at the second string, Mark Taylor in particular set about them with a vengeance. 50 was passed, then 75 in the 14th over and when David Lynch was hit for towering 6's by Mark to bring up his 50 and the scoring rate nearing 6 per over, a large score looked in prospect. UL then brought back their opening bowler Matt Callaghan and David Ind was possibly a little unfortunate to be given out lbw to his first ball which appeared to be going down leg side. David had made a valuable 22 runs and provided an excellent foil to Mark Taylor. The score was now 98 for 3. Having hit another 4 off the fifth ball of the same over, from which he was lucky to dropped, Mark was out next ball caught at mid-off off a skier going for one big shot too many. He had made a valuable 57 in a very short time with 5 towering 6's and four 4's, he had also sapped the confidence of a number of the UL bowlers. This brought in John Ind to join Michael Lynch and at 104 for 4 the game was back in the balance again.

However, any fears of a batting collapse were quickly put aside by John Ind who hit 2 delightful 4's in his first over at the crease, one a delicate leg glance and the other his trademark late cut to the third man boundary. Michael Lynch was quickly into his stride also taking over where Mark Taylor had left off. Again he was very severe on anything loose. Particularly memorable were an effortless towering 6 which cleared the trees at mid-wicket and a straight 6 over long off from the toe of the bat. Combined with the glances and cuts of John Ind and some clever running between the wickets the scoring rate remained well over 5 per over. At 161 John Ind played yet another square cut but hesitated in setting out for a second run, no doubt feeling the exertions of the quick singles and the aches of being hit on the toe and amid ships, was run out by about 2 ft. by an accurate return to the keeper. He had scored 19. This brought in Mubbin, in good nick having made runs in his last game, and Michael Lynch reached a fine 50 before holing out for 53. He had hit two 6's and five 4's. This brought in Andrew Malcolm for the last 4 overs with the score on 196 for 6. The 37th over saw the first and only maiden over of the Lismore innings but Mubbin, after a tentative start, began to middle the ball and hit two 4's in the penultimate over of the innings. He reached 16 not out, with Andrew 5 not out for a final total of 216 for 7 at the end of the 40 overs which included eighteen 4's and seven 6's.

At tea the question was asked would 216 be enough? Surely it would, but then again UL had reached 200 for 6 in the semi-final at the same venue and 196 for 9 in the quarterfinal. A good display in the field was necessary therefore to make sure the excellent batting was not in vain. The team discussion stressed the importance of preventing the opposition from scoring boundaries and the field would be set to achieve this.

In the UL innings, Brian Power and Mubbin opened the howling and with the final ball of his opening over Brian had UL opener Lenihan caught by Tim Jackson off a poor shot to a wide ball outside the off stump. The score was 4 for 1. This brought in David Lynch, who scored 88 not out in the semi-final to join

The Lismore team which defeated University of Limerick in the recent MCU Minor Cup Final. Back Row (l. to r.) Marc Taylor, Andrew Malcolm, Mubbin, Sean Willoughby, David Champion, Tim Jackson, Brian Power, Scorer on the day - Winston Boyle. Front Row (l. to r.) Michael Hickey, John Ind, David Ind, 12th man a muddy Oliver Ind, Michael Lynch.

Mark Nestor who had scored 102 in the quarterfinal. However in his third over Brian Power bowled David Lynch leg stump for 4 with a ball that straightened. Matt Callaghan was next in and together with Nestor the total began to accumulate. The scoring was behind the required rate settling at just about 4 per over. Mubbin bowled tightly and well but with little luck his 8 overs costing just 32 runs. Tim Jackson replaced Brian Power for the 110 over and also bowled a very tight spell, his 5 overs costing a miserly 10 runs. Boundaries were few and far between and the fielding was tight with even the elder statesmen of the side showing unaccustomed athleticism. Michael Lynch replaced Mubbin at the end of his spell and also bowled tightly.

Nonetheless the score continued to mount and 110 was reached in the 25th over. The required scoring rate was now over 7 per over but UL still had some big hitters to come. The result was in the balance again. Then came what was probably the decisive moment of the game. In the 26th over bowled by Michael Lynch the batsmen went for a chancy second run to fine leg, the throw was to the wicketkeeper but a throw to the bowler might have seen a run out. Two balls later Mark Nestor cut hard but straight to Mubbin at backward point. Mubbin made a good stop but the ball ran a little away from him. The batsmen, forgetting the maxim: not to run for a mid-field, after some hesitation, set off for

a risky second run. Ever alert, Andrew Malcolm at short cover quickly collected the ball threw to the bowler Michael Lynch. Michael collected a bit wide and not risking a throw, dived full length and broke the stumps with Nestor a yard short. 108 for 3 and a new batsman in. Not big hitting South-African Jackie Du Toit but J Callaghan, who found it difficult to middle the ball. The pressure was now really on the set batsman, Matt Callaghan. David Ind had meanwhile replaced Tim Jackson at the City End. In his first over he bowled a bit short. Matt Callaghan then reached a very useful fifty but when he was on 59 David Ind, bowling a much better length, trapped him lbw with a ball that kept a bit low. 120 for 4 now with just 10 overs to go and the scoring rate was 9.7 per over. Du Toit now came in at number 6 and had to try to hit out straight away. In an inspired tactical move, Skipper David Ind replaced the now tiring Michael Lynch with a refreshed Tim Jackson at the Pavilion End. The move worked like a dream and with his third delivery Tim bowled Du Toit with a beauty that beat him for pace as much as anything. 125 for 5 now and the scoring rate of almost 11 per over, surely no way back for UL now.

Next in was another South African H. Badenhurst. The 33rd over bowled by David Ind brought double trouble for UL. Off the second ball J. Callaghan played a ball off his legs towards the long leg boundary equidistant from John Ind on the midwicket

boundary and Michael Hickey on the fine leg boundary. Horror, the ball stopped feet from the boundary edge. Given the combined ages of the fielders, approx. 110 years, would the batsman run 3 or 4 or even 5? Showing a turn of speed not seen for years, Hickey gave chase and closed in on the ball, Andrew Malcolm ran from short mid-wicket towards long leg to facilitate the relay return. The ball was thrown to Andrew, who quickly released it to wicket-keeper Sean Willoughby. Meanwhile the batsmen went for a suicidal fourth run and Callaghan was comfortably run out - 128 for 6 now. Off the last ball of the same over Pat Redmond was bowled for 1 and the score stood at 131 for 7 with just 7 overs to go.

7 runs were scored off the first 3 balls of Tim Jackson's next over but with the fourth he bowled G. Walsh for a duck and with 6 overs to go 79 runs were still required with just 2 wickets left. Tim had now taken 2 for 17 in his 7 overs. At last the result was no longer in any doubt. While the 35th over went for 7 runs this was still well behind the required rate. Brian Power replaced Tim Jackson and had only 1 run scored off his first over of the new spell. Then David Ind had the competent Badenhurst caught by Mark Taylor at mid on off the first ball of the 37th over with the score at 146 for 9 and victory was assured. Brian Power, trying to bowl gently to the youngster M Callaghan Jnr, lost his line and bowled 4 wides in the 38th over but it mattered little.

It fell to Andrew Malcolm to bowl the penultimate over and while it cost 5 runs he was a little unlucky to see an edge fly past Michael Hickey at shoulder height fielding first slip. David Champion, bowling in the slinging style of Jeff Thompson (but without the latter's speed and accuracy!) did the honours in the final over. His second and third deliveries were hit for 4's but he had his revenge taking the final UL wicket with his fourth ball. UL were all out for 169 and Lismore had won back the Cup they last held in 1997 at the same venue. Indeed Harlequin Park is a lucky ground for the club as it is their third victory in a final there in recent years - the Towns Cup last year being the third.

The match was a worthy game for a final and was played in a very sporting manner by both sides.

It came as something of a surprise that Matt Callaghan (UL) won the Man-of-the Match award for his batting and bowling as the efforts of Michael Lynch with bat and ball and Mark Taylor with the bat were the match winning performances.

Finally, the performance of Official Umpire Paddy Comerford, who operated at the bowlers end for all the 80 overs merits special mention and praise, especially given the inclement weather conditions.

AN SEAN PHOBAL 1-10  
MÁGH DHEILGE 0-09

Tá cluiche leath-cheannais an iarthair bainte amach againn tar-éis an bua seo. Bhí orainn imirt go dian chun smacht a chur am Mágh Dheilge agus bhí áthas orainn an fhéadog deireannach a chloisint ón réiteoir. Tá moladh tuille ag an fhoireann seo as a bhfuil deanta acu go dtí seo ach is casta an bothar atá romhainn fós.

This victory over Modeligo last Saturday evening brings us back into the championship proper at the Semi-Final stage. Modeligo proved difficult opposition and contested the game in their usual spirited style. Indeed it took two quick scores in the five minutes before half time, the first goal by Reamonn Turraoin, and then a point by Micheal O'Domhnaill to allow us some breathing space at the interval (1-5 to 0-04). The second half saw An Sean Phobal get the vital scores, particularly some fine points from Tadhg De Paor and we held on in a tight finish.

Scorers - T. De Paor (0-07), R. Turraoin (1-0), M O'Domhnaill (0-02), T. O'Mathuna (0-01).

### WESTERN SEMI-FINAL

#### An Sean Phobal v Dungarbhán

The Fraher Field is the venue for this most vital game for our club, on Friday evening at 7pm. We are facing a Dungarvan team who have serious aspirations about this championship and who are backboned by a number of players who have tasted senior championship glory not so very long ago. On the evidence of our most recent games we have an uphill battle and a major all round improvement will be required if we are to reach our first junior final since 1985. As always the responsibility and the opportunity lies with the players and we urge the 18 or 20 lads who will see action to give it their very all in what is certain to be an occasion where anything less than full-blooded effort will not do.

### SUPPORTERS

Ca bhfuil muinntear An tSean Phobail? This team could do with a little more support. We often read about the "lift" a team gets from their supporters so why not come along and give them that extra push. We have a small group of loyal (and vocal) fans but we could do with more. Ní neart go cur le cheile!!

## Ardmore GAA Notes

Ardmore senior footballers achieved a hard earned but fully deserved win against Kill in the first round of the losers group last Saturday in Fraher Field. Even though fielding without 5 top players, they carried the game to Kill from the start and went into a 2-5 to 0-1 lead after 15 minutes through goals from Gary North and John Conway. Seamus Prendergast suffered a finger injury before half time so with a reshuffled forward line Ardmore found it hard to come by scores in the second half but still ran out easy enough winners on a final score of 2-12 to 0-11 but will have to show further improvement if they are to progress further in this years championship when they play St. Saviours on next weekend.

## BALLINAMEELA GAA CLUB NOTES

Intermediate football championship

On Saturday evening last in Cappoquin, we played our first intermediate championship game in a number of years. Ballyduff were the opposition for this first round match. We played our opponents earlier in the year in the league final and won on that occasion. However, this was to be a reverse of that outcome as it was obvious from the throw in that Ballyduff were the better team. They led 2-4 to 1-4 at half time and despite a minor come back by our boys during the second half, Ballyduff went on to win 3-8 to 1-9. Huge improvements will have to be made if we are to progress through the losers group of this championship.

### JUNIOR HURLING CHAMPIONSHIP

We will play Ballysaggart in the Junior Hurling championship this coming Friday. Great effort and enthusiasm will be required as we are to secure our first win in hurling of recent times.

### GET WELL WISHES

Best wishes to Tom Ahearne who has spent a recent spell in hospital. Also,

Brendan Fitzgerald who broke a thumb during a recent hurling clash. We wish you both speedy recoveries.

### SYMPATHY

Deepest sympathy is extended to the Killigrew family on the untimely passing of P.J. P.J. was a former player with Ballinameela. We also extend our sympathies to the Shine family on the death of Sham. Ar dheis De go raibh siad.

**WESTERN MINOR HURLING FINAL**

**Superb Display Sees Minors Capture Western Title**

**ABBEYSIDE 2-9 LISMORE 2-6**

Pride of place this week definitely goes to our victorious Minor Hurling Team who defeated a Lismore/Ballysaggart/Ardmore Combination in the Western Minor Hurling final at Fraher Field.

This was a marvellous occasion and each player played their part in this super victory. They now qualify to play Ballygunner in the County Final. Captain Rian McGrath received the David Walsh Office Supplies sponsored Cup from Western Board Chairman Paddy Walsh. Rian made an outstanding speech and thanked all of those who were involved with their preparation.

The team and their mentors Joe Cleary, Greg Fives and Bernard Shields deserve great credit for this superb win. Each lad who played did everyone in Abbeyside and Ballinacourty proud. The lads will have their work cut out now preparing for a very good Ballygunner side who saw off the challenge of Clonea in the Eastern Final.

This is only our 7th Western Minor Hurling title and it was a hard fought win. It is going to be a special occa-

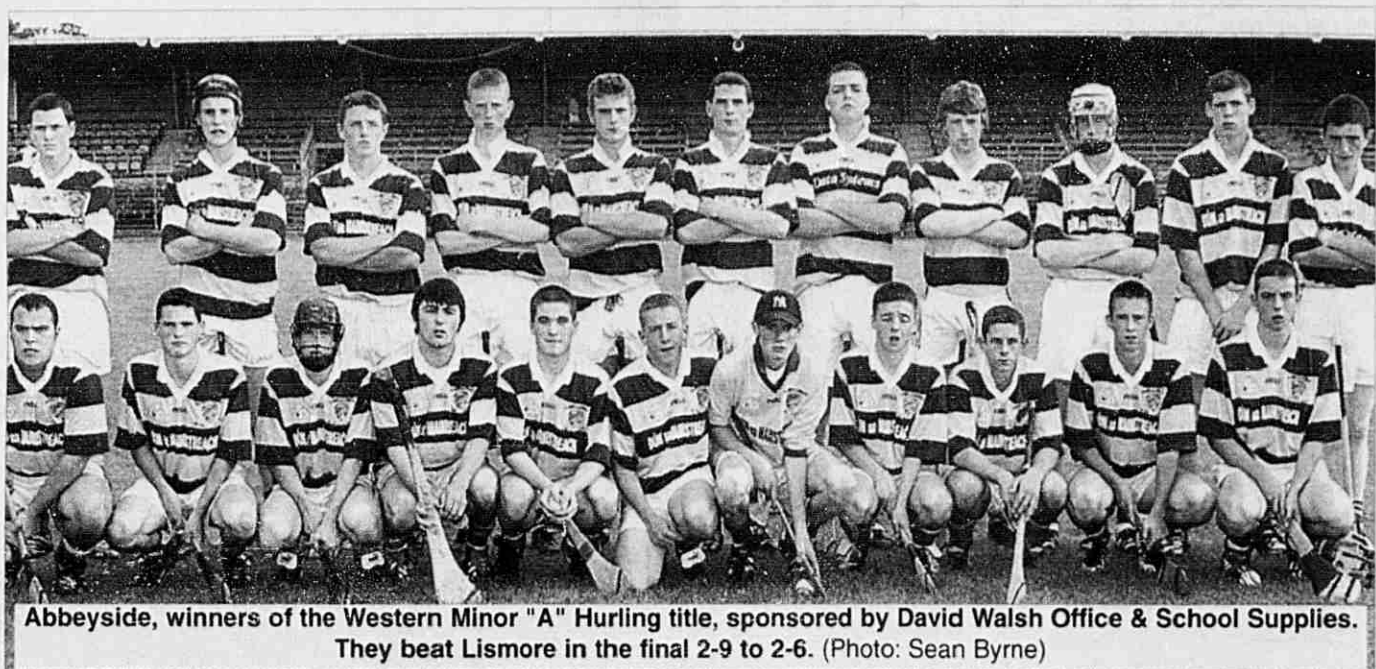

sion to see our boys run out before the County Senior Final.

The team that won the Western title was as follows: Mark Fives, Seamus Shields, Joey Mullen, Rian McGrath (Captain), Simon Hanrahan, John Kindregan, Seamus Lavin, Patrick Lynch, Sean Cleary, Michael Brown, Thomas Cashin, Patrick Hurney, Mark Gorman, Declan Fives and Eoin Enright.

Substitutes who came on and contributed to the victory were Stephen Power, David "Guicky" Ferncombe and Peter Phelan. Also on the line were Sean Byrne, Conor Moran, Eddie Casey, Anthony Burke and Willie Morrissey.

Well done to all the lads involved. Western Minor Hurling Medals are a rare commodity indeed

Special thanks must be passed on to our supporters who turned in numbers to shout for the lads.

## UNDER 16 COUNTY SEMI-FINAL

Well we asked people not to miss this replay against Mount Sion, as the drawn game was a cracker. Fair play to all our supporters who turned up as the crowd from both sides was a lot larger than last week. Those who turned up particularly from our own club were treated to another fine game of hurling but this time we came out on top on a scoreline of four goals and fifteen points to three goals and five points.

We now qualify for the County Final against another fine team in De-La-Salle. This game was played at an enormous pace and fair play to the lads they really worked their socks off. The team went into this game missing Brian Scanlon who was away on holidays and John Gorman who is injured.

The two lads who came in Eoin Brackett at corner back and John Cosgrave at corner forward did their team and themselves proud. Unfortunately Semi-finals are only a means to an end nothing has been won yet. This is a pity as both teams served up some great talent and two marvellous games.

The team was as follows Daryl Ryan, Eoin Brackett, John Kindregan, Shane Donnelly, Anthony Whelan, Joey Mullen, Richie Foley, Peter Phelan, Mark Gorman, Tienan Murray, Patrick Hurney, Jason O'Brien, Mark Ferncombe, Mark Fives and John Cosgrave. Substitutes were Donnacha Enright, Sean and Diarmuid O'Hare, Brendan Walsh, David Hickey, Cian Maloney and John Gorman. Tugged even though he was injured. We wish John a speedy recovery. The mentors of this team Bernard Gorman, Pat Joe Lanigan, Paudi Donnelly and Seamus Murray have done a marvellous job in preparing the lads so we would ask all club supporters to turn out for the County Final.

Keep your ear to the ground for the date of this, as these lads deserve all our support.

## SENIOR FOOTBALL CHAMPIONSHIP

Folks we play Rathgormack in the Senior Football Championship next Sunday the 1st of September at 7pm at Fraher Field. We would make a very special plea to all Ballinacourty supporters to come out and shout for the lads.

## ADULT TRAINING

Now that the fixtures are made we need all Senior Football players as well as Intermediate Hurlers training for the Championship. Training continues on Tuesday's and Wednesday's at 7 p.m.

## JUNIOR HURLING CHAMPIONSHIP

We unfortunately went down to Tourin in the Junior Hurling Championship at Cappoquinn last Saturday night the 24th of August. We

have no complaints as no matter how hard the lads tried a very good Tourin Team beat us.

All our lads who played their hearts out but on the night we could have no complaints and we wish Tourin well in their championship campaign. They play a really good brand of hurling.

The selectors were delighted with the turn out we had for this game. Twenty-three players showed which was excellent. In normal circumstances when you score one goal and eleven points in a junior championship you would expect to come away with the spoils however Tourin out scored us and that was that.

We actually scored some really great points from play but unfortunately could not sustain the rate of scoring.

The Team was as follows Pat Enright, David Cashin, Ger Collins, Joe Walsh, Rick Hanrahan, Jonathon Moore, Simon Hanrahan, Richie Morrissey, Martin Lavin, Luke Brennan, Paul O'Brien, Liam Briggs, Declan Enright, Michael Cosgrave and David "Guicky" Ferncombe. Substitutes used Brendan Mansfield, Keith Brown, Denis Byrne, Brian Byrne and Sean Kiely. Also on the bench were Aonghus Murray, Pat O'Brien and Conor Clancy.

## UNDER 14 FOOTBALL

Our under 14 Football Team had another fine win over a well organised St. Olivers side in a high scoring Championship match. This game was played in the Burgery on Wednesday the 21st of August.

At the final whistle the score was Ballinacourty three goals and twelve points to St. Olivers 11 points. Stephen Enright in goal had a fine game catching several high balls under the cross bar that could have been goals.

The full back line of Donal Henley, Jason Healy and John O'Driscoll did very well in closing off the path to goal and Jason's kick outs were lengthy and great plus to the whole team. In the half back line Alan Tobin, Eoin Brackett and Brendan Walsh also did very well. All three attacked whenever possible and both Brendan and Eoin kicked several long-range points.

Both lads at midfielders worked very hard with Sean O'Hehir playing Captains part a long with his partner Eoin McCullough both of them added to the scoring tally. The half-forward line of David Power, James O'Mahoney and Conor Foley combined well with all three involved in the scoring and also setting up some good scores.

The full forward line of Jamie Ryan, Craig O'Connor and Richie Ryan though small in stature all three worked extremely hard and

Ballinacourty under-12 football team which has qualified for the knock out stages of the under 12 Football Championships.

scored a couple of goals and points between them. Substitutes Jamie Organ, Brendan Cosgrave, Conor Maloney, Patrick Bergin were all introduced and played their part in this victory. John Gorman even though he was injured and not able to play showed a good attitude by his presence and we hope to see him back in the action very soon.

We would like to say a special thanks to St. Olivers for changing the game to 6pm to allow our players, mentors and supporters get to Fraher Filed for the Western Minor Hurling Final to support our lad against Lismore.

## UNDER 12 FOOTBALL

Following wins over Naomh Brid, Affane and a hard fought win over the Brickeys on Monday evening the 26th of August at the Burgery.

The score in the Brickeys match was unbelievable 7 goals and 5 points to 5 goals and 6 points. We are through now to the knock out stages of the under 12 Championships.

Training continues this Thursday evening at 6pm.

The team that played against the Brickeys was as follows Sean Fehily, Damian Dee, Jim DeFusco, Diarmuid Hanley, Conor Dwyer, Tom Hanrahan, Hughie O'Mahoney, Craig Kinghorn, Conor Maloney, Kevin Duhig, Conor Hickey, John Power, Shane O'Donovan, Michael O'Halloran and Mark O'Connor. Substitutes Shane Whelan, Patrick Lanigan and Alan Akehurst. The mentors involved in this team who have done a marvellous job are Pakey Hurney, Billy Hickey and Eddie O'Halloran.

## UNDER 14 LADIES FOOTBALL BLITZ

Abbeyside/Ballinacourty ladies U14 team had a great win over visitors Bray Emmetts in the final of the U14 played in the Burgery on Saturday last. After a good win over St Patrick's in the first

round the Abbeyside girls were held to a draw by near neighbours Dungarvan on a score of 0-7 to 2-1. Dungarvan lead by captain Aoife Nagle took the game to Abbeyside from the very start and were leading by 2 points with a few minutes to go, however two very good points by the Abbeyside forwards gave Abbeyside a deserved draw.

The third round match against Bray Emmetts was a thrilling match, with the Bray midfield playing particularly well. However the excellent work rate of the Abbeyside team and in particular Kate O'Neill, Sarah Kiely, Fiona Herlihy and Alice Sweeney was enough to give Abbeyside victory by a single point.

The Final was a re-run of the third round match between Abbeyside Ballinacourty and Bray Emmetts. This was probably the most competitive match played by the girls this year and it was a real test of this talented team. Every member of the panel raised their game and deserved their win on the day. A special word to the U12's Aoife Donnelly, Amy Tobin and Roisin Preston who had their first taste of U14 football.

The Ladies Committee would like to thank the men's club and Bernard Shields for providing the pitches and facilities.

Blitz Panel; Kate O'Neill, Fiona Herlihy, Bronagh Donovan, Roisin O'Neill, Ciara Donnelly, Sharon Kenneally, Sarah Preston, Roisin Briggs, Amy Tobin, Aoife Donnelly, Eadaoin Ashe, Jenny Preston, Alice Sweeney, Clodagh McGovern, Sarah Jordan, Aimee Jordan, Sarah Kiely and Roisin Preston.

## UNDER 14 LADIES FOOTBALL FINAL

The Ladies U 14 team take on Na Deise in the County U14 'B' Final next Saturday, 31st August at 1.30 p.m. in Fraher field at 1.30pm. Please

come out and support this great bunch of ladies.

## GROUND IMPROVEMENTS AT THE BURGERY

The club has just embarked on a 3-year project, which involves sanding the main pitch with the help of a grant from the Munster Council. A big thanks is due to the FAS lads Miguel Garcia, Noel Fleming, Fran Hyslop and particularly our own John Moloney from Teagasc who has overall responsibility for the project. John captained our under 16 team in 1971 and went on to win County Under 21 and three senior medals. The club also acknowledges Bernard Shields, Mathew Hogan and Joe Cleary who made the correct representations to ensure

we received the Munster Council grant.

## JUNIOR HURLING

Last Saturday evening our Junior hurlers travelled out to Colligan to play Cappoquin in the losers group section. Both teams were evenly balanced in the opening exchanges and midway through the half the scoreline reflected this evenness as we tied at 3 points a piece. We then stretched into a two point lead before a Damon Flynn goal gave us an interval lead of 1-5 to 0-5. Cappoquin staged a recovery at the start of the second half and began to get a grip on the game. Luckily a fine goal from Pa Cummins stopped them in their tracks and again gave us some breathing space. A further goal from Johnny Lynch mid way through the half finally put paid to the stern Cappoquin challenge. The closing stages saw us finish the better and further goals enhanced our position and by the full time whistle we ran out winners on a 5-9 to 1-8 scoreline. We now move on to the semi final sage where we will meet one of the junior teams proper.

Panel: Dane Power, Shane O' Brien, Eddie Fitzpatrick, John Keohan, Justin Houlihan, Eamonn Morrissey, Mossie Joyce, Damon Flynn (1-0), Kieran Curran, Johnny Lynch (1-1), Billy Conway (0-2), Jonathan Regan (1-3), Pa Cummins (2-10), Brendan Wright, John Joe Henley (0-2), Eoin Sheridan, John O' Donnell, Shane Tutty, Peter Queally.

## JUNIOR FOOTBALL CHAMPIONSHIP

This Saturday night the 31st of August we play Old Parish in the Western Semi Final of the Junior Football Championship. Old Parish have been performing impressively in their campaign to date and chances of an upset here are stacked against us. However, we do possess fine footballers who on the day can perform with the best. Hopefully this will be a day we will be at our best and perform credibly. This game takes place at the Fraher Field and has a 7:00pm start.

## FUN DAY

## UNDER-12 FOOTBALL

Last Friday evening Clashmore visited Clogherane in our final game of the league section in the U12 football championship.

With both teams undefeated so far in the championship, victory for either team would see them progress to the semi finals. It was the Clashmore lads who got off to the better start with a point from their first attack. After having missed some scoring chances we finally levelled up the scoring.

The teams exchanged further points as the game was very evenly and delicately balanced. Things did turn in our favour mid way through the half when Mikey Burns goaled and from there on we were in the driving seat and led at half time by 1-4 to 0-4.

The second half opened brightly for us as we sent over some fine points. A goal from Cormac Curran looked to have sealed our victory but going into the last five minutes the Clashmore lads responded in fine fashion. Two successive goals brought them back into the game as they finished strongly.

Thankfully the final whistle arrived soon after and we had held out for a 2-8 to 2-4 victory. We now qualify for the semi final where we will meet the second placed team in the other group and is due to be played in two weeks time.

Panel: Sean Duggan, David Moore, Tony Walsh, Daniel Sheridan, Luke Egan, Cormac Curran, Kenneth Moore, Neil Fitzgerald, Liam Ryan, Adam Sheridan, David Brophy, Colm Cur-

ran, Mikey Burns, Raymond Tobin, Shaun Donnelly, Craig Kiely, David Crotty, Mark Fitzgerald, Craig Flynn, John Geary, Sean Ryan, Mark O' Keeffe, David Houlihan, Kevin Sheehan.

## G.A.A. NOTES

## BY "COMMENTATOR"

## Senior Football Championship

### Kilrossanty v Tramore

Tramore played well against Lismore last week and if they are as good as this here and if Kilrossanty are as poor as they were when losing to Stradbally last month, the seaside club will surely emerge winners. It is difficult to imagine that Kilrossanty defeated Rathgormack in the first round of this championship. They are fighting for survival here so when the chips are really down they might well play like they did when the championship started.

This game is at Walsh Park on Saturday.

### Ardmore v St. Saviours

This game is at Fraher field on Saturday evening and I see it as a match that can go to the wire.

St. Saviours invariably play well in Dungarvan even though they do not always win here. I thought them a bit unlucky to have lost to Rathgormack by 5 points here last Summer.

Ardmore were fortunate in have a 2 goal cushion at the break against Kill as outsiders Kill matched score for score in the second half. I see Ardmore finding it difficult enough to survive here.

## Intermediate Football Championships

At the moment a total of nine clubs remain in contention for the above championship in the west and all going well over the coming weekend, this number will be reduced to five when the four listed matches are played.

### At Cappoquin

A double header at Cappoquin on Sunday next will see Brickey Rangers and Shamrocks in action in the semi-final of the losers group at 1-45 p.m. I believe that the betting on this one would see both teams with an even chance.

In the second game, which is a winners section game, Ballyduff and Geraldines will meet at 3 p.m.

Both these sides had victories in the hurling championships on Sunday, so the matter of fitness will not pose a problem for either team.

Geraldines will likely start slight favourites.

### At Fraher Field

An attractive intermediate football double header is also scheduled to take place here on Saturday evening.

Emmetts will play Ballinameela in the opening tie at 5-45 p.m. and Ballinameela will be fancied to advance from this confrontation.

In the second game, Sliabh gCua will meet Clashmore in what is expected to be a splendid contest.

Clashmore will be favourites here as they are regarded as being among the strong contenders for the divisional title this year.

Ring are the club with the bye and will watch the proceedings with particular interest over the weekend.

## Minor Football Semi-Finals

On this Wednesday evening Ballinacourty who are the reigning divisional and county champions, will line out against Kilrossanty in the first of the two semi-finals at Fraher field. In the other semi-final, Brickey Rangers will play Ardmore at Fraher field on Saturday week, Sept. 7th.

This means that all going well the divisional board will be ready for the final well on time.

## Minor Football "B"

A very exciting draw between Ballyduff and An Gaeltacht (2-12 each) threw a small spanner in the works but it is not going to hold up anything as the other semi-final involving, St. Olivers and Kilgobnet is not scheduled to be decided until Saturday week, September 7th. at Fraher field at 2 p.m. This championship will also finish in good time.

## SENIOR HURLING DRAW

The draw for the semi-final of the losers group was made on Sunday night at Fraher field after the second game there.

Ballyduff East, who defeated De La Salle will meet Roanmore who ousted Tallow on Sunday evening.

These clubs will meet in the losers semi-final at Walsh Park on Sunday evening and the winners will play Ballyduff West for a place in the county semi-final.

The three other qualifiers are Ballygunner, Mount Sion and Lismore.

The actual draw for the semi-final pairings will be of tremendous interest to supporters in the west as if Lismore or Ballyduff west ( the only remaining teams from this division ) do not survive to the county final, the big decider, due to be played in Dungarvan this year, will be played at Walsh Park. So up here we have a vested interest in the next stage of this our premier championship.

## Relegation Play Offs

The three teams involved are Tallow, Portlaw and De La Salle. One of the trio will play in the intermediate championships next year.

## MINOR HURLING FINALS

Both divisional minor hurling finals were played on Wednesday evening of last week and resulted in victories for Abbeyside in the west and Ballygunner in the east.

The way is now clear for the county final and this is planned as a curtain raiser to either the intermediate or junior hurling county final. It will probably be played as a curtain riser to whichever is ready first.

## ABBEYSIDE HOLD OUT

### Abbeyside 2-9 Lismore 2-6

This game was a thriller that went down to the wire before a result was achieved between two very committed teams.

The pitch at Fraher Field was immaculate, the evening was fine and sunny and conditions generally were ideal for hurling. At the break, Abbeyside led by 1-5 to 1-4.

In the second half, Abbeyside went into a five points lead but were brought back when Lismore reduced the gap to a single score.

Abbeyside held out under very severe late pressure and were very relieved when the final whistle sounded.

Abbeyside last won this title in 1998.

After the final, Western Board chairman Paddy Walsh presented the cup to Abbeyside captain, Rian McGrath, (grandson of former Dungarvan footballer and county referee Billy McGrath).

## SURPRISE WIN FOR 'GUNNERS

### Ballygunner 4-18 Clonea 2-6

Ballygunner, who shocked De La Salle when defeating them by a single point in the eastern semi-final, scored another surprise last Wednesday in Walsh Park when defeating last years county champions, Clonea by a huge score. Clonea did not have all the personnel who won them the title last year, but they were still regarded as strong challengers and proved this by reaching the divisional final.

## Junior Hurling Results

There was splendid fare in all the junior hurling championship games played over the weekend, even though one or two have been achieved rather easily.

### Tourin 3-14 Abbeyside 1-11

Many of the 25 points scored here were top class scores. Tourin played their best hurling for quite a while and their standard is certainly improving.

Against such worthy opponents, Abbeyside did well to stay so close

### Dungarvan 5-7 Cappoquin 1-8

Dungarvan are doing well in this championship and were on top in this game all the way. Cappoquin's failure to break through a very solid Dungarvan defence was the deciding factor in the game.

### Kilgobnet 2-11 Brickey Rangers 0-6

Two first half goals by Kevin Walsh helped Kilgobnet to 2-8 to 0-3 halftime lead. They were fortunate to have such a lead as they fell away considerably as Brickeys came well into the contest in the second half when each side had just three points to their credit.

### Geraldines 4-13 Ballinameela 2-6

As was predicted the Geraldines win here was quite comprehensive, but the state of play at halftime showed Ballinameela to be in a very strong challenging position trailing by just a single point- 0-9 to 1-5 the goal having been scored by Decky Glavin for Ballinameela.

The second half saw Geraldines hit top form and assert their authority on the game and come off winners by a 13 points margin.

# NO INVESTIGATION

The announcement that G.A.C. in Croke Park were going to investigate an alleged incident which took place towards the end of the Waterford/Clare semi-final, has been given widespread media attention.

Much of the reporting on the issue is very misleading. It was, for instance reported that the Clare county board asked for the investigation into the incident which resulted in Gerry Quinn suffering a serious hand injury.

The facts are as follows. At a meeting of the Clare County Board on the Tuesday evening following the semi-final, the chairman Fr. McNamara stated that Clare were not seeking an investigation and did not intend in getting involved in a witch hunt on the matter. They had no communication with Croke Park on the issue whatsoever. Croke Park confirmed that Clare County Board had made no contact on the matter.

It was also confirmed that the referee Pat O'Connor did not see the alleged incident nor did any of his four umpires or linesmen. The referee did report that it was brought to his attention that it had happened. R.T.E. confirmed that any of their seven cameras had not picked up whatever was supposed to have happened.

On Wednesday evening of last week the chairman and secretary of the county board attended a meeting in Croke Park relating to the matter, but whatever discussions did take place, were not conclusive.

# DIFFICULT FOR ARDMORE

S.F.C. ARDMORE 2-12 KILL 0-11

Ardmore who beat Kill in the SFC at Fraher Field on Saturday evening last. —(Photo by Kiely Photography)

Ardmore who have been pencilled in as strong contenders for the title found it difficult enough to shake off the challenge from a very spirited Kill side here at Fraher field on Saturday evening. The goals that won the match on the scoreboard came within a two minute period. For the second goal, Kill defence was caught off guard.

In the 13th. minute Gary North found the net after a pass from full forward John

Conway and two minutes later Conway found himself in the right place at the right time to fist a crossing ball to the net passed the helpless John Kiely.

Effectively these were the scores that sent Ardmore into the next round.

At halftime they led by 2-7 to 0-5

**2nd. half**

Throughout this period it was even-Stephen with county player Ray Hennessey proving to be a tormentor to

the Ardmore defence and shooting some great points. In the end, Ardmore were deserving winners, but not by a long shot,

Scorers; Ardmore; G. North 1-1, J. Conway 1-1, J. O'Donnell 0-3, B. Harty 0-2, A. North, R. Hennessey, C. Hennessey, J. Hennessey P. Hallahan all 0-1 each;

Referee Pat Walsh, Nire.

As the score indicates, the goals made all the difference between the teams in this losers group game of the senior football championship. Lismore were the last remaining club with a chance of bringing off the elusive senior hurling and football double and it did seem at halftime that the western club might just about make it to the next round when trailing by 1-5 to 0-5 having played against the stiff breeze.

Tramore's goal came in the 6th. minute when Mark Power, receiving from Leo Quilty shot to the Lismore net giving the 'keeper Peter Howard no chance.

Lismore's chances of recovering received a set back when Leo Quilty scored a from a penalty to leave the tally at 2-8 to 0-7 in the 47th. minute. Quilty had another goal in the 50 th. minute and their fourth major was kicked home by Mark Power in the 57th. minute.

Lismore who contested the game right up to the final

whistle, had a consolation goal in time added on when Brendan Landers scored from a penalty;

Scorers; Tramore L. Quilty 2-2, M. Power 2-2, B.Power 0-2, G. Dunphy, M. O'Donoghue, T. Whelan, R. Hale 0-1 each. Lismore; D. Shanahan 0-5, B. Landers 1-0, E. Bennett 0-2, B. Prendergast, J. O'Connor, .D. Bennett 0-1 each.

## All-Ireland Hurling Final Tickets

When we read or write on this topic, we automatically think of what might have been. Time (they say) is a great healer and now as the anguish of defeat by Clare begins to slowly dissipate we tend to become a little more non-chalant and set our hopes in the future. We are the champions of Munster and if we are good enough we will go one better next year.

For now the immediate problem for hurling supporters is getting ones hands on a ticket for the final in which we should have been involved.

With Croke Park now at maximum capacity (79,000 approximately ), all county allocations are increased, but when this comes down to the individual clubs the increase will be minimal.

In the west the tickets will be issued to club secretaries next week and there will definitely be no allocation to members of the public who find themselves unable to get a ticket from their local club.

# Tallow Suffer Surprise Defeat By Roanmore

S.H.C. - ROANMORE 3-10 TALLOW 1-14

Tallow who narrowly lost to Roanmore in the SHC last Sunday —(Photo by Kiely Photography).

Last summer Roanmore went back to the city disappointed at having lost to Tallow by just a brace of points and returning here on Sunday to the scene of that defeat they succeeded in reversing the result and here again the margin was just 2 points.

But here lady luck was on the side of Roanmore and the sunshine helped in the score which was perceived as being the winning one. Philip Murphy, the corner forward

shot was struck from 40 yards and Tallow keeper, usually totally reliable was temporarily blinded by the sun and allowed the ball to drop back into the net.

Full forward Antone Lannon had his best game in the club colours when adding a total of 1-6 of Roanmore's tally.

Tallow will regret having conceded so very many frees in defence as in all this accounted for 1-5 against them. Still it was a cracking

match with fortunes changing continuously and it was delightfully entertaining all the way.

Scorers.: Roanmore; A. Lannon 1-6, D. Byrne 1-1, P. Murphy 1-0, L. O'Neill 0-2, M. Creed 0-1;

Tallow; M. O'Brien 1-1, P. Kearney 0-3, J. Murray 0-3, P. Murray 0-3, B. Sheehan and J.P. Grey 0-1 each;

## NEXT WEEKEND

A full programme of senior football and divisional matches will be played over the coming weekend. By a full programme is meant, all possible games.

There are three senior football ties and if results are obtained in all these then the draw for the concluding stages of the losers group can be made

S.F.C. Ballinacourty v Rathgormack at Fraher Field.

This game is scheduled for Sunday evening and is unlikely to create any great excitement outside the area of both clubs.

The teams met in the championship last year in the county semi-final when Rathgormack won on a 2-10 to 1-7 scoreline after a much keener contest than the final score indicates.

Ballinacourty's wayward shooting proved very costly and might even have cost them the game.

Their recent display against Dungarvan showed them to have taken a step backwards. Against Lismore in the first round, they were also very poor even though playing well enough to survive.

Ballinacourty will have to field without Gary and Laurence Hurney as well as John Phelan and John Foley all of whom are in the U.S.A.

Even at full strength, Ballinacourty would be very hard pushed to beat Rathgormack as the local club seems to be making no progress at the big ball game Rathgormack showed a return to their best form when defeating Kilmacthomas at Walsh Park on Sunday evening last and with Martin Power back in action and showing fair form, they will be hot favourites to win here.

### Junior Football Championship

Splendid progress has been made in running this championship which has now been brought to the semi-final stage.

On Saturday last Old Parish recorded yet another well deserved victory when defeating Modeligo in the losers group final at the Dungarvan club grounds. Traditionally known as "The Shocks" the Old Parish club have been enjoying their very best season in a long time and they are now pitted against Dungarvan whom they will play in the divisional semi-final at Fraher field on Friday evening.

In the other semi-final Kilgobnet who have been 'motoring' very well so far this season, will meet Tallow in Cappoquin.

Out of what are being predicted as two very tight matches, will emerge the divisional finalists.

So all going well, the board will be in a position to fix the final at the end of this week.

### JUNIOR HURLING CHAMPIONSHIP

Progress of a similar kind can be reported in this championship.

Dungarvan with a decisive victory over Cappoquin, (5-7 to 1-8) won out the losers group on Saturday and are now through to the semi-final. Also Tourin who had a nine points win (3-14 to 1-11) over Abbeyside at Cappoquin on Saturday evening, are through to the semi-final.

Geraldines victory over neighbours Ballinameela on Sunday won them a place in the same stage of the championship and Kilgobnet's win against Brickey Rangers won them the final place in the K/O stages of this splendidly contested competition.

# Ballyduff Survive Strong Portlaw Challenge

S.H.C. - BALLYDUFF 0-17 PORTLAW 3-5

Without intercounty full back, Tom Feeney, the western team had to rearrange their defence who conceded three goals in a game that saw some splendid hurling, particularly in the second half after Ballyduff had shaken themselves into action after an indifferent first half.

Early goals by Freddie Kelly and Hugh Maher, gave a shock to Ballyduff when were not fully recovered at halftime when being led by 2-2 to 0-6.

### 2nd. Half

The first fifteen minutes belonged to Ballyduff who scored seven times (all points) without reply from a shaken Portlaw.

Another Hugh Maher goal brought the eastern team back to life and encouraged them to pile on the pressure.

Ballyduff, to their credit withstood the onslaught and

survived for a deserved win by a three points margin.

Scorers, Ballyduff; B. Hannon, 0-3, S. Molumphy, 0-4, L. Feeney and L. McNamara J. Twomey 0-2 each. M. Molumphy, D. Hannon P. Prendergast 0-1 each.

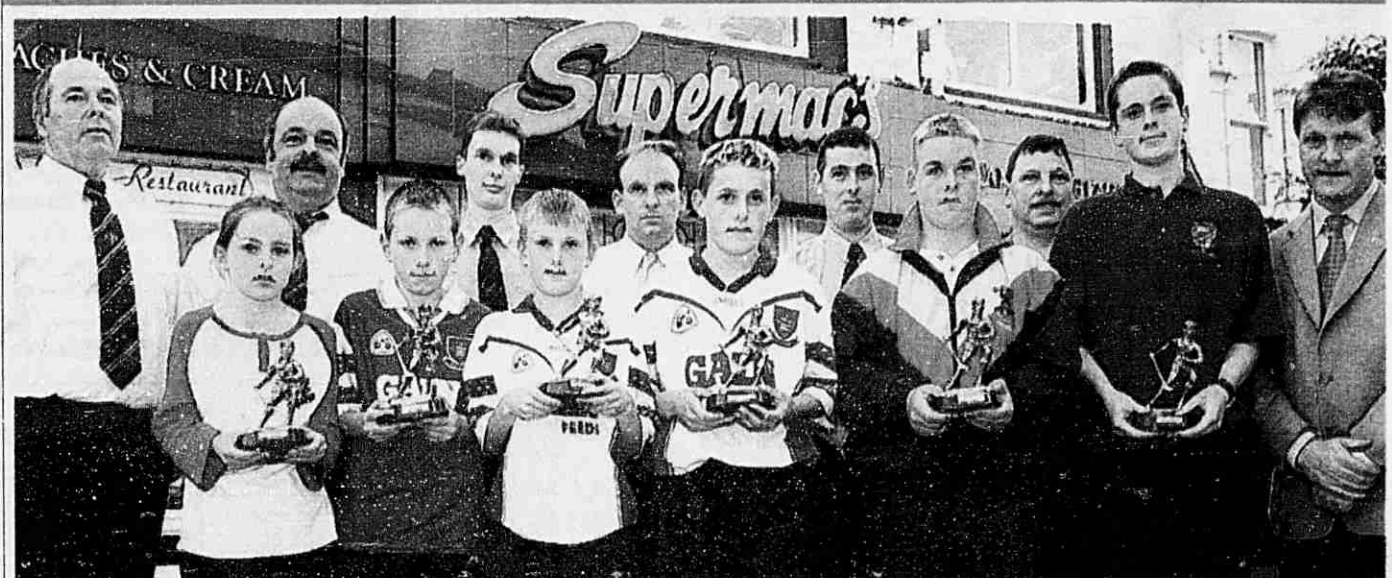

Portlaw; H. Maher 2-0. F. Kelly 1-0, A. Kirwan 0-3, R. Reide and D. Long 0-1 apiece.

Conan Watt had a great win with 82 points from Mick White with 77 points and Tom Considine in third place with 76 points. Eoin Ryan took Best Gross with 65 points from Morrie Ferncombe with 64 points. In what was the highest scoring competition this summer, with the qualifying score for the second day being made at 12 points.

The Qualifying Round on Friday and Saturday saw Tom Considine (9) take an early lead with a very credible 42 pts. However Conan Watt, returning to golf after a very successful summer playing with the Waterford senior hurling team and playing of 9 returned a very impressive 44 points. This was a fabulous round as Conan started double bogey, bogey to be followed by three birdies on the 9th, 10th and 11th and a hat full of pars.

The high scoring on the Friday spurred on the top players for Saturday with Thomas Larkin (10) returning the highest first round score of 45 points. Toms round included birdies on the 3rd, 6th, 10th and 16th. Second best score on Saturday was made by Morrie Ferncombe (5) with 43 points,

with 23 points on the front nine and posting the best gross score for the weekend. And yes, the ever present White's were in the leading pack, with Mick returning a very steady 39 points and Tom had 37 points.

With Conan playing very steady golf and scoring 38 points on the Sunday to take the title with a total of 82 points, the real competition was for the minor places. Mick White (18) took second place with another steady round of golf for a total of 77 points from Tom Considine (9) in third place with 76 points.

# DUNGARVAN UNITED A.F.C. NOTES

## PREMIER NEWS

The Premier team travelled to New Ross Celtic on Saturday and were beaten 4-2. Mark Crotty and Mark Hyslop were our goalscorers, in a game that saw us concede some very sloppy goals. On Monday night we travelled to Tramore to play Waterford United. A much improved performance saw us win 5-4 on penalties following a 1-1 draw. Micheal Downey scored our goal and successful spot-kicks by Brendan Landers, John Power, Mark Hyslop, Mark Crotty and Micheal Downey coupled with a fine save by Niall Barry from Waterford's fifth penalty saw us advance to the tournament final on Friday at 6.45 p.m.

## NEW MANAGERS

John W. Power and Eoin Mansfield have been appointed joint managers of the club's third team, while Mickey Donnelly has been appointed coach. All three bring a wealth of experience to the job and we wish them every success in their new roles.

## GARY BURKE TOURNAMENT

This competition was due to kick-off last Thursday, but the late withdrawal of Railway Athletic meant a walkover for Mooncoin into the final.

On Friday night our second team were beaten 1-3 by Ballinroad with Killian Lyons notching our goal. The final took place on Sunday night with Mooncoin emerging easy winners by 6-0.

Following the game at a reception for both teams in the clubhouse, Michael Veale on behalf of the friends of Gary Burke presented beautiful medals to both squads while club chairman Stan Cummins thanked everyone who helped in the organisation and running of the tournament.

The big kick-off will take place on the weekend of 13th/14th September and among the new innovations to be put in place is a fixture list for the entire season.

## LOTTO

The numbers drawn last week were 2, 11 and 30. There was no winner. Prizes of €25 went to Joanie McGrath and Rosie Crotty. This week's draw for a prize of €4,400 takes place in The Enterprise bar on Sunday night.

The Waterford GAA Supporters Club, Dublin Under 16 Hurling County Finals took place at Fraher Field on Saturday last, with wins for Ballyduff Upper, Kilrossanty and An Ghaeltacht.

#### Division 2

Ballyduff Upper 2-8, Roanmore 0-9. A goal by Ballyduff's Patrick Kearney midway through the first half in this game set up victory

for Ballyduff in this game. The winners led at half time by 1-7 to 6 pts after some good long points by Jamie Kearney, Kearney and Roanmore's best player on view, Colm Burke exchanged points early in the second half. Roanmore piled on the pressure in the closing 10 minutes and if it were not for a succession of top class saves by the Red's goal keeper, Adrian Power, the result may have been different. With 2 minutes remaining in this final Ballyduff's second goal by Bernard Flynn sealed victory for the Western Boys. Referee - Robbie Whelan.

#### Division 3

Kilrossanty 1-13, St. Oliver's 1-3. Kilrossanty gave a polished display in this final and had little trouble in beating St. Oliver's. Kilrossanty led at half time by 10 pts to 2 pts thanks to some superb point scoring by man of the match Michael Kirwan, Stephen Prendergast and Joey Veale. Oliver's 2 pts came from the stick of full forward Danny O'Keeffe. Oliver's best period in this game was in the opening 10 minutes of the second half when they added a goal and a point to leave just 4 pts between the sides, but a Michael Veale goal and a point each from Stephen Prendergast and David Prendergast was enough to give Kilrossanty a deserved victory.

Referee - Maurice Condon

#### Division 4

An Ghaeltacht 4-6, Naomh Bríd 2-3. An Ghaeltacht proved to be the masters in this Division 4 Final. Three first half points by Pádraig Ó Mhurchú and two points from Michael Ó Toibín and one from Brian Ó Hourigan, gave the winners a six point to one lead at half time. The Naomh Bríd opening score came from JJ Coffey. The

winners continued to dominate the second half. Three goals by Pádraig Ó Mhurchú and one by Ciarán Ó Manacháin gave them a lead that Naomh Bríd would never pull back. However, they never have up. JJ Coffey and Tommy Buckley added a goal each, but it was not enough to danger victory for the winners.

Referee - Pat Prendergast

### MODELIGO & TOURANEENA NOTES

## Deckie Walsh Memorial Tournament Na Deise Win Gripping Final Against St. Pats

What a great match there was in Modeligo on Thursday night last when Na Déise Juniors took on St Pats in The Deckie Walsh Tournament. Both teams started very well - Na Déise opened the scoring with a great point from Breda Morrissey. A couple of minutes later Helen Walsh added another point. Na Déise could have scored a couple of more points but just missed the target. St Pats hit back with a few points of their own. This was a great game of football, St Pats put a lovely move together and Anna Dunford scored a great goal. St Pats led at half time by 1-5 to 7 points. In the second half both teams exchanged scores and with both teams playing good football it was difficult to see who would end up victorious but Na Déise had a little bit in reserve and when Marian Troy, Angie Walsh and Tara Skehan combined to give a lovely pass to Julie Skehan she

made no mistake with a left footed drive to the corner of the net. Mags McCarthy and Megan Cliffe were just brilliant all through the game, but in fairness everyone was brilliant on the night. Na Déise 1-12 to 1-8. Team - Bridget Dalton, Sarah Walsh, Sandy Walsh, Mary Kiely, Michelle Walsh, Angie Walsh, Jenny Buckley, Olivia Condon, Marian Troy, Mags McCarthy, Julie Skehan, Megan Cliffe, Helen Walsh, Breda Morrissey and Tara Skehan and Sub - Linda Foley.

#### U-16 Championship

Na Déise travelled to Tallow last Monday night for their first match in the U-16 Girls Championship. It was a very greasy surface and it took some time for the girls to get used to the slippery ball. It was a poor game of football to say the least. Na Déise dominated the game and scored some lovely points. The away team had a

good lead at half time. In the second half Na Déise kept Tallow under a lot of pressure. It wasn't long before they got another few points. Never did I see a game so one sided as this one was. To their credit Tallow never gave up trying, but they came up against a very strong Na Déise team. It was just one of those nights when all the girls were on top of their game. Na Déise ran out worthy winners. Team - Bridget Dalton, Eileen Hickey, Sarah Walsh, Katie Dugan, Michelle Walsh, Jenny Buckley, Niamh O'Donovan, Mags McCarthy, Julie Skehan, Megan Cliffe, Tara Skehan, Linda Foley, Helen Walsh, Eithne Skehan, Nollaig Hennessy. Subs - Maeve Fenton, Lisa Dunne and Aisling O'Rourke. Don't forget we have training every Monday in Touraneena and Wednesday in Modeligo. Times - U-12 & U-14 at 6.30pm and U-16, Junior &

# TONY FORRISTAL TOURNAMENT

## FESTIVAL OF HURLING

The annual Tony Forristal Tournament is upon us once again and this week-end 18 county teams plus the hurling folk from around the country will assemble in Waterford city for this wonderful Festival of Under-14 Inter-County hurling. The tournament celebrates its 21st year as it commemorates the memory of the late Tony Forristal and Sonny Walsh.

A feast of top class entertainment and excitement awaits, free of charge, those who come along to attend, commencing at 11.00 am on Saturday. A total of 25 inter-county games will take place on this Saturday, at four city venues, involving the cream of Ireland's hurling youth. The two finals will be played at Walsh Park on Sunday.

Sponsored by Waterford Crystal, the event is organised locally by a small band of Waterford people. This

Festival of Hurling has made a massive contribution over the years, to the development and promotion of under-age hurling in 20 of our counties across the land. Both Tony Forristal and Sonny Walsh would be extremely proud of what has happened over the years since '82. I am sure that the hurling people of Waterford will turn out once again in large numbers, to enjoy the natural skills and talents of our youth, the next generation of hurlers, and perhaps pick out a star or two of the future. It was here at this competition in Waterford over the years that most of our present-day county hurling stars commenced their inter-county career.

## COACHING SCHEME NOTES

### COACHING IN THE GLENS OF ANTRIM

This photo was taken in Carey Faughs GAA pitch near Ballycastle in North Antrim last week where we spent a few days on holidays. The picture shows Seamus Bailey, Glenshek juvenile club chairman and coach. During this three days coaching every boy and some girls from the combined parishes of Glenshek and Armoyn from 5 years to 16 years were brought to the pitch at different times and we had great fun and enjoyment and excellent coaching. The passion they have for hurling up there was unbelievable from 74 year old Pat McVeigh, who has missed just one All Ireland hurling final in fifty years down to 5 year old and 7 year old Sean & Patrick McBride, was infectious. Each session from early Tuesday till late Thursday evening got bigger and bigger with the parents staying for the sessions. I have never seen anything like it. The standard was very good in this newly formed juvenile club and with people like Seamus Bailey, Colette McVeigh, Gerry Byrne, Pauline McBride and many more it will get better. They hold fond memories of their visit to St. Olivers in Aglish where we met first. We both enjoyed our stay up there, the northern hospitality knows no bounds and hope our hurling sessions were of some benefit to hurling friends up North. They will be reading the Dungarvan Leader this week. **Summer Camps** Last weeks camps at Cois Bhride and Ballyduff Lr. were very well attended and all the children enjoyed themselves. In Tallow Dinny Cunningham was the main man and looked after everything. I was in Ballycastle for a few days on a hurling holiday and missed out in Cois Bhride and

Ballyduff Lr. Shane Hayes, Shane Hickey, Eoin Enright and Michael Power coached in camps with great help from genuine club men and women. A sincere thank you to Eleanor Hickey, Vincent Hayes and of course Dinny Cunningham who provided transport when the coaches were in a slight problem for transport.

Visitors in Cois Bhride, James Murray was our inter county player visitor and in Ballyduff Lr. Peter Queally paid a welcome visit. The cup arrived in Tallow but failed to make an appearance in the east. The Brickeys camp is finishing today (Wednesday) and this is the end of this years camps, the co-operation from all the clubs was first class and we all had great fun and enjoyment.

### Busy Week Ahead

At the weekend, August 31st, three Waterford panels will be involved in U14 Tony Forristal, U15 Carrigdown tournament and U16 Nenagh Co/op. This puts a lot of work on Bord na Nog officers organising buses, etc. and also on team mentors but no doubt they will run smoothly.

### County U16 Finals

Congratulations to Ballyduff Upper, Kilrossanty and An Gaeltacht who won County finals and to Abbeyside who beat Mount Sion in Leamybrien on Sunday evening to join their minor hurlers in a second County Final appearance for village hurlers.

### Photo Quiz

We have a great response to our quiz with most getting the correct answer. The closing date for entry is next Friday August 30th. The winners will receive a juvenile Waterford jersey.

## Ballyduff Juvenile GAA Notes

### U 10 John Daly Tournament

Last Saturday as part of the Ballyduff Gala Festival the Juvenile club hosted the Annual John Daly Tournament. Four teams participated this year including Ballygiblin, Ballyhooley, Castlelyons and Ballyduff. Each team had three games with the two best teams in the final. Ballyduff and Castlelyons played the final but Castlelyons proved too strong for our team and they were presented with the John Daly Cup by Seamus Daly. The runners up got medals. Thanks to all the teams for coming and well done to all the boys and girls who played in the tournament.

### U 16 County Final

Congratulations to the U 16 hurlers who beat Roanmore in the Division 2 County Final sponsored by the Waterford G.A.A. Supporters Club Dublin in Fraher Field last Saturday 24th. August. Ballyduff got off to a very good start and they led 1-7 to 0-5 at half time after some good performances from our boys. It was a much tighter game in the second half with our defenders having to work hard to withstand the pressure from the Roanmore forwards. Final score Ballyduff 2-9 Roanmore 0-8. Chairman of County Bord na nOg Seamus Quirke presented the cup to the Captain Kieran Keane.

Adrian Power was awarded Man of the Match for the Ballyduff team. Adrian will get his award at a function in a few weeks time.

Scorers for Ballyduff were; Jamie Kearney 0-9 points, Pa Kearney 1-0 and Bernard Flynn 1-0.

Panel; Adrian Power, Kevin Moroney, Seamus Kenneally, Michael Ahern, Shane Hannon, David Casey, Kieran Keane, Seamus Hannon, Gerry O Donovan, Mark Feeney, Jamie Kearney, Pa Kearney, Shane Kearney, Courtney Canning, Eoghan Geary, Bernard Flynn, Aidan Casey, Ian Kenneally and William Drislane.

Well done to the mentors Tom Molumphy, Edward Molumphy, Mike Hannon and Mike Kearney on a job well done. The team stopped off at the Cornerstone in Cappoquin for burgers and chips on the way home and the club would like to thank them for facilitating us. Thanks to Pat Flynn who drove the lads on their victory parade around the village Saturday night.

## RED HOUSE LEAGUE ROUND-UP

# New Season Kicks Off

Last Sunday saw the start of another new season in The Red House League with the first round of The Tony Bolger Cup taking place. Last year's finalists Valley Rangers A and Lismore both won their opening games. Ballybridge run riot.

### VALLEY RANGERS A 3 CASTLEBRIDGE CELTIC 1

At the end of last season Castlebridge met Valley twice in the space of ten days and could not beat the Conna side on either occasion. At the start of this season the result was the same. Gordon Bryan gave the home side the lead in the first half with Christopher Hegarty equalising in the second half. But goals from Colin Hogan and Bryan again gave Valley a well deserved victory and as holders of this trophy will not relinquish it too easily.

### LISMORE 1 MODELIGO 0

Last year's Bolger Cup runners up Lismore faced a youthful Modeligo side in Lismore, and the visitors made the Premier League side battle all the way. There was no score at the end of 90 minutes play and Mark Landers scored early in the first period of extra time. Lismore will be glad to have this game out of the way. Modeligo showed they will be challenging strongly to get to the 1st division and with Vince O'Donovan at the helm this old club will have plenty of motivation.

### ARDMORE 0 BALLYDUFF 1

With just 10 minutes remaining the ever reliable James Scanlon missed a penalty and Ballyduff must have thought their chance was gone. But as neither side scored in normal time extra time brought a goal - courtesy of Denis Twomey for Ballyduff. This was a game that could have gone either way, and the home side will not be happy losing their first home game, after just avoiding relegation last season.

### INCH 3 CLASHMORE 0

Inch had a fairly comfortable win at home with Clashmore disappointing on the day. Trevor Murphy opened the scoring in the 1st half from the penalty spot and the game as a contest was over halfway through the 2nd half when goals from Paul Ryan and Jimmy Foley killed this game as a contest.

### MOGEELY 1 VALLEY RANGERS B 1 (VALLEY WIN ON PENALTIES)

Probably the best game of the day. Played before a large attendance both sides gave their all. Tony Barrett opened the scoring for the home side before the visitors equalised. The game went to extra time and still no change. Then the dreaded penalties with Valley coming out on top by 5 penalties to 4. Regardless of the result this was a cracker of a game and a pity there had to be a winner or loser.

### BALLYBRIDGE 6 KILWORTH 1

This was a game the home side were in control of and new manager Paddy O'Shea will be delighted with this display. The home side led by 2 goals to nil at the break and the second half was a stroll in the Ballymacoda sunshine.

The north Cork side were understrength and will not be happy with this display. Ballybridge scorers were Micheál Rohan with a hat trick, Colin Whistler and Eddie O'Brien.

We will expect more from Kilworth in the season ahead especially with so many regulars missing last Sunday.

### BRIDE VIEW 5 BLACKWATER RANGERS 2

Played on Monday night last in Lismore, this game produced 4 goals in the opening 45 minutes, but the scoring dried up in the sec-

ond half. Paul O'Brien scored the Tallow side's goals then brought this game to extra time. Paudie Tobin restored the Brideview lead in the first period of extra time and goals by Michael Keating and Mark O'Brien wrapped up an emphatic win for the Brideview outfit.

### NEXT DELEGATE MEETING

The next delegate meeting of The Red House League will take place this Monday 2nd September at 9pm in The Red House, Lismore. Referees meet at 8pm. It is important that all clubs be present.

### THINGS WE HEARD

It is just amazing what one can hear especially with the mobile phone. We heard the ex-chairman rang he who holds the purse strings and asked him where he was, to be told he was staying outside the Bank of Ireland in Tralee. Just imagine, of all the places the Bank!! The vice-chairman was in Killarney and Dingle. What has Kerry got - Fungi, and the postman we are told enjoyed himself immensely, now what about the Master Butcher? Maybe he needs the Kerry air. Apparently he was very upset when word got out he was too tired to stay out too late at the last delegate meeting. In fact he has threatened to sue the editor of this paper. I wonder did Liam ever have problems like that when he was P.R.O., and I'm only helping out! The Master Butcher is very ungracious, admittedly age is catching up, and it has been said that himself and the ex-chairman are the elder lemons of the league. Maybe we can send both to Kerry to view Fungi - pity The Rose Of Tralee is over!!

### NEW P.R.O.

It is hoped that the new P.R.O. of the league will commence his notes in 3/4 weeks time. Until then, club secretaries and P.R.O.'s please ring in your result before 5pm on each Sunday for the next 3 weeks to Anthony Kenneally whose phone number is 086 - 8843739. Thanks to everyone who helped out with the results and reports of last Sunday's games.

### BOLGER CUP DRAW 2ND ROUND & PLATE

## RAILWAY ATHLETIC FC NOTES

### THANKS DUNGARVAN

Last Sunday evening our Under 16's played a friendly match against Dungarvan United. The lads played well enough for their first match this year, but its obvious that we will still need a good bit of training before the start of the year. We also played 4 Under 17's so this was a useful runout for all involved. Incidentally Dungarvan won 2-1 with Daniel Dransfield scoring our goal near the end. A big thank you to Dungarvan and Edwin for this useful match.

## KEVIN CUSACK WINS AUGUST MONTHLY MEDAL

The 18 Holes Singles Stroke on Sunday for the monthly medal kindly sponsored by Mansfield E.B.S. was won by Kevin Cusack playing of 5 with a superb 64 nett. Kevin, one of the finest strikers of the ball and who puts in endless hours of practice, reaped a rich reward with professional like scoring to spread-eagle a huge field on his way to a famous victory. Kevin covered the front nine in 35 shots with birdies on the 3rd and 8th complimented by 6 pars and his only concession to the course came on the 2nd. Kevin continued in a very rich vein of form on the back nine with a plethora of birdies on the 11th, 13th and 17th to be back in an amazing 34 shots. Kevin has always been admired for his outstanding golfing qualities and abilities and the Club salutes him for such a wonderful exhibition of golf. In second place we had Jim Prendergast playing off 12 with a 68 nett. Jim had 10 pars in a highly consistent round of golf and must now surely be favourite for the upcoming lefthanders competition. The gross was won by Michael Morrissey (fresh from his heroics in the Presidents Prize) who was round in 76 shots. Michael covered the back nine in a very respectable 35 shots.

Michael continued to play very consistent golf on the back nine where he added 6 pars for 20pts. Michael, who proudly hails from Kerry, was on top form just like the Kerry footballers on Sunday. A single figure handicap beckons for this enormously talented golfer in the very near future. In second place playing

## LADY BELLE SINGLES REACHES QUARTER FINAL STAGE

The Club Singles kindly sponsored by Maeve and Pat Morrissey of the 'Lady Belle' is now entering the quarter final stage. In the first quarter final Michael O'Connor (7) is awaiting the winner of John Norris 11 and Peter Carey (11). Michael will be favourite to advance from this tie. The second quarter final pits the sponsor Pat Morrissey (10) against the Vice Captain Eugene Slater (9). In a tie that promises real quality by two fabulous matchplay golfers slight preference is given to Eugene. The third quarter final sees Alan Butler (17) up against 'evergreen' John Moloney (7). John is a great battler but may find the concession of shots to Alan a bridge too far to cross. The last quarter final stage pits Noel Brennan (11) against Mark Fleming (4). This will be an absorbing contest between two golfers at the top of their form and after a titanic struggle Noel gets the nod.

## GER WYLEY SPORTS/NIKE SUMMER SERIES

# Record Breaking Summer Series Comes To An End

Starting last April with the Marine climb the ten race Ger Wyley Sports/ Nike summer series of races hosted by West Waterford AC finished last weekend with yet again a record entry for the Ardmore five, over the ten race series.

Each and every one of the ten races saw record entries. This fact speaks volumes for the sponsorship we received and the amount of hard work the committee put in over the summer period, with the combination of these three this series is now regarded as one of the best series of races in the country and speaking at the presentation of the overall prizes at Ardmore last week Ger Wyley spoke on behalf of Wyley Sports and Nike, saying both he and Nike were delighted with the series and both are willing to continue their commitment to the series for 2003.

This news was very welcome by all present and West Waterford AC are delighted that both these top sponsors are willing to come on board again with this major sponsorship to our series for next year. I must take this opportunity

to thank some people whom without it would not have been possible to have such a successful series. Firstly of course, to all the participating athletes who travelled from near and far, to all on our committee, to Mary Rose, Nora, Noel, John and Jenny, to Michael our ever reliable p.a. man and Fintan for his expert commentary on all the races. To all our individual race organisers and sponsors, thanks to the Gardaí and all the stewards at all the different races, to Paul who was present with his Bowerman Van and never missed one race, to our local papers and radio, and Rory whose expert photos brought the series to life in the papers each week and last but by no means least to Dermot who had the pain staking job of looking after the series positions after each race and a super job he did too and finally to all who helped in any way a big thank you.

### RACE SPONSORS

Of course as well as our overall sponsors of the series Ger Wyley Sports/Nike each of the ten races had individual sponsors and we are indebted to them for their continued support. Helen and Christy O'Neill of the Marine Bar for the Marine Climb, Waterford Crystal for the Waterford to Tramore race, Pat Hennessey van hire for the Butlers town 10k, Declan Kiely painter and decorator the Touraneena 5k, Joe Salmon of The Old Still, Clashmore 5, Mooneys Pub for Ras Na Rinne, Glaxosmithkline for the Dungarvan 5, Bank of Ireland and International Print for Ballymacarby 5 and finally the Ryan family and Paddy Macs for Ardmore 5. To all of these and anyone who sponsored individual prizes many thanks.

### PETER DUGGAN A CLASS APART

Peter Duggan from St. Joseph's Kilkenny was the convincing overall winner of this years series with a total of ten points, having won the Marine Climb and Ras Na Rinne. He also recorded second place in Butlerstown, Clashmore, Ballymac and Ardmore, a truly great achievement for the popular Kilkenny man. Second overall in the series went to Wexford man Ted Flannely who incidentally is a son to the great hurler of yesteryear Mick Flannely, Ted finished on a total of 17 points with Clonmels Tom Walsh third on 33 points, first West Waterford man in this years series was Martin Mc Carthy who was 6th with 56 points with Trevor Mason 8th on 73 points. There was also a top ten placing for Mark Langford with 81 points. There was also 6 individual category winners in the following divisions under 40 div 1, Noel Curtin of Youghal with 92 points, div 2 Vincent Tutty had just 3 points to spare over Emmet Malone of United Striders and div 3 was tighter still with Darren Mason winning with 509 points, only one point ahead of fellow club man Davy Casey on 510. Moving on to the over 40 men div 1 went to the ever present Gerry Cantwell with 100 points, div 2 was won by Joe Ryan Waterford AC with 318 points and div 3 went to master tactician Michael Deegan with 491 points. Well done to all.

### CORINNA OUTSTANDING

Local West Waterford athlete Corinna Walsh proved that she is back to her best after a resounding win in the ladies section of this years series with individual wins in Clashmore 5, Ardmore 5

and Ras Na Rinne and 3 seconds recorded in Touraneena, Dromana, and Glaxosmithkline giving her a total of just 9 points. 5 points clear of another West Waterford lady Joanne Jackman who had a total of 14 points with Kathleen O'Brien of Ballynoe third 22 points Sarah Hanratty and Edel Walsh were 4th and 5th with 31 and 32 points. There were also some great battles in the divisions for the ladies with Hilliary Collins Coolquill AC winning div 1 with 37 points she had the narrowest of margins just 1 point to spare over Breda Hayes of Youghal AC. The last three divisions saw success for three West Waterford athletes. The div 2 winner was Elaine Brennock with 78 points, Siobhan O'Mahoney won the 3rd division with 95 points and current club champion Geraldine O'Connor won div 4 with 151 points. Well done to all the ladies who participated.

## NINE COMPLETE TEN

There was a total of nine athletes who completed all ten races in this years series and they were all West Waterford club members. For the record they were Davy Casey, Michael Deegan, Liam Sandford, Seamus O Droma, Ray Murray, Liam Moore, Dan Dineen, Vincent Tutty and Siobhan O'Mahoney. A total of 105 athletes completed 6 or more races and each received a 25 Euro voucher for doing so. All in all the whole event was a tremendous success and all await next year and a bigger and better summer series.

## Tallow 10K

All the preparations are in place for the up coming Tallow 10 k on this Saturday evening at 7.15pm.

The race is being held in conjunction with the Tallow home coming festival which is being held in the West Waterford town, the race is hopefully going to be an annual event on the calendar for the festival from here on and there will also be children's sports as the road race is in progress. A live band will also be on stage in the town, so a great night can be assured. The prize categories are as follows for the race - 1st 3 men, 1st 3 women, 1st man over 40, 45, and 50 plus, 1st junior, and 1st local. The ladies vets are over 35, 40 and 45, 1st junior and again 1st local. The race is being sponsored very kindly by Blackwater Homes and we ask all our club athletes if possible to come along and support the efforts of our friends in Tallow who are making a big effort with this venture. The course has been measured by Jones counter so it is a full 10 k measured course.

## Sympathy

West Waterford AC extends it's sincere sympathy to the Cullinan family Ring, on the death of Mrs. Eileen Cullinan which occurred during the week, may she rest in peace.

## National Half Marathon

Those athletes travelling to the national half-marathon on Sunday next please take note that the race is starting at 11am sharp and to get to the race you go to Carlow town and at the post office you take a left hand turn to Tolerton which is where the race starts, it will be well signposted from Carlow. Best of luck to all our teams.

# Ballycotton 5 Mile Road Race

The fourth and final race in the Ballycotton series was held last Thursday evening when the Ballycotton five took place. There was a big field of 212 finishers and as usual our good friends at Ballycotton Running Promotions put on a top class event, the race itself was won by Noel Berkley D.S.D. in a time of 24.39 with William Harty K.C.K. second in 25.36. William went on to win the series overall, his brother Philip finished the race in 9th place in 27.17.

This was a disappointing run for Philip as he was in third place for most of the race but at the halfway mark he picked up a nasty injury and battled hard to make the finish line but in doing so he secured second place in the overall standings, however, the injury ruled him out of the finals of the Mazda track and field leagues on Sunday where he was down to run in the 1500

metres and the 5000 metres.

Philip was very disappointed with having to pull out of the finals and is never found wanting when it comes to running championships for his club. We wish him a speedy recovery to full fitness.

Martin McCarthy finished 29th in a time of 29.06 but was just edged out by Neilis Ahnerne Midleton A.C for 3rd master Over 40 in the series, but he picked up a top 50 finisher T-shirt. Tony O Mahoney was unlucky to be 51st overall with the much sought after top 50 T-shirt just outside his grasp by one place. He ran very well again to be timed at 33.10 in 89th place. Siobhan O Mahoney was placed 201st in a time of 45.30, she finished a creditable 18th lady overall.

Well done to all four who kept the long tradition with West Waterford AC and Ballycotton alive.

## Waterford Camogie Junior Championship Final

### PORTLAW 2-11 TRAMORE 2-8

The ladies of Portlaw and Tramore took centre stage at Walsh Park last evening in the Waterford Camogie Junior Final serving up a performance that had those fortunate enough to be there calling for more. Portlaw having started as slight favourites over an injury hit Tramore emerged as winners on a three point margin having survived a rousing second half comeback by the seaiders with many neutrals feeling them unfortunate not to gain at least a share of the spoils. Having opened the scoring with an early free, Tramore were rocked by Portlaw's response and after a first half full of skill and an

exhibition of score taking by both sides, Portlaw led at the break by 2 goals and 6 points to Tramore's 0 goals and 5 points. Despite playing into the wind in the second period Tramore led by Kate Marie Hearne drove forward and with six minutes to go were just one point in arrears. Indeed they could count themselves unfortunate with the Portlaw goal keeper making a stunning save turning a goal bound shot over for a point. Both teams thrilled the crowd with a level of skill and fitness that was a joy to watch. As said before some of the point taking would have graced any team at any level.

With Portlaw back in Camogie after a short absence they

proved last night that they are here to stay and both themselves and Tramore will have many of the big guns at Senior level looking nervously over their shoulders. Best for Portlaw were Emma Galvin, Mary Ann Morrissey, Jane Hickey, Michelle O' Donoghue and Anita Duggan, overall a very sound team performance. For Tramore, as usual the mercurial Kate Marie Hearne was a true leader ably assisted by Patrice Clancy, Janet Burns and the Guiry sisters. Of particular note was the performance of the diminutive goalkeeper Leanne Clancy who whilst still playing in Under 12 grade gave a masterclass, being coolness personified at this higher level.

## TRAMORE JACKPOT

The jackpot pool of Euro 2,663 on the final day of the Tramore Racing Festival was not won and is carried forward to the next meeting at the seaside venue which is penciled in for Wednesday November 27th.

## EXACTA DIVIDENDS

Did you know that the average Tote Exacta dividend pays 137/1. To invest in a Exacta wager simply choose which horses you think will come home first and second in the correct order. Tote Ireland offer Exacta betting on all races with 3 or more runners.

## TRAMORE AWARDS

The Sporting Press Clonmel kindly sponsored the leading Jockey and Trainer awards at the recent August Festival of racing at Tramore. For the second year in a row Paul Carberry captured the riders title while his guvnor Noel Meade was the leading trainer at the meeting.

## WINTER COMEBACK DATE FOR JOE

Joe Tizzard who suffered serious neck and back injuries in a fall earlier this year hopes to be back race riding by November next. Norman Williamson returned from injury at Ballinrobe last Sunday but drew a blank at the western venue. He has some nice mounts though lined up at this week's festival meeting at Tralee and hopefully he will be amongst the winners.

## CHANGE OF HEART BY NIGEL

Aintree Grand National winning trainer Nigel Twiston Davies has decided to continue training for this coming jumps season at least. After Bindari scored last April at Liverpool the winning trainer had hinted of his intention of packing in training but I reckon that Liverpool victory provided Twiston Davies with the incentive to keep going for another couple of years.

## IRISH HANDICAP RATINGS

The handicap ratings for all Irish races now appear on the racecourse cards in all weight for age races, the rating is the current handicap rating on all the Turf Club Handicap files at the time of declaration. In all handicap races the rating which appears is the rating which applies at the time of entry including any penalties which may apply since that time.

## JAMIE TOPS

The Ebor meeting at York last week produced some splendid racing and Tipperary born rider Jamie Spencer was the leading rider at the three day Festival.

## DID YOU KNOW

Did you know that the popular Kilbeggan Racecourse in County Westmeath has never raced under Flat rules of racing. The venue stages National Hunt racing throughout the summer months and large attendances are a familiar sight at the venue.

When our old friend Bandari produced a

battling performance to triumph at York last week he provided Northern England based trainer Mark Johnston with his ninth consecutive century of winners.

## FEY MACHA SCORES

Tramore trainer Paul Roche has placed the Gerry Hally owned Fey Macha to good effect this summer and the Waterford mare struck gold once again in a Mares Novice Hurdle at Kilbeggan last Friday night staying on strongly under a determined ride from in form rider Keith Hadden to collar the long time leader and hot favourite Gli Gli. Fey Macha is a fine strapping mare and I look forward to her maybe jumping fences possibly next year where she should turn into a fine staying novice chaser throughout the summer months.

## DRUG TESTING

The Irish Turf Club plan to introduce Drug Testing for flat jockeys in Ireland sometime in 2003. Perhaps though as well as testing the riders they might also consider testing some of their own officials given some of their past performances at various tracks throughout the country.

## FIRST FLAT VICTORY

While Tramore born jockey Gary Hutchinson has ridden plenty of winners over jumps The Baltimore Man provided young Gary with his first flat victory when racing to victory on the level at the final day of the Tramore Racing festival.

## TIMMY IS FINE

It was good to learn during the week that young Kerry born apprentice Timmy Houlihan was only shaken and sore after taking a horrible looking fall from Bob What when going well in the lead in a flat contest on the fourth day at Tramore.

## BUSY WEEKEND FOR MAGNIER CLAN

Last weekend was a busy one for the Magnier family from County Tipperary. While Van Nistleroy was in winning action at the Curragh his owner John Magnier was preparing for his daughters wedding reception where she was about to marry well known trainer David Wachman. The wedding itself is reputed to have cost John Magnier up to Euro 4 Million.

John Magnier is one of the major shareholders in Coolmore Stud and the Stud suffered two major losses in recent weeks. Coolmore paid Euro 12 Million for potential champions of the turf Tasmanian Tiger and Diaghilev but both horses never reached their true potential. It appears that both thoroughbreds were recently gelded and were sold on to race in Hong Kong at a fraction of their purchase price.

# Greyhound Community Support Their Own

In the summer of 1997 Steve Seymour was working in Holland and during a lunch hour one day he and a few friends decided to take a swim in a nearby lake a swim that would change his life in the worst possible way for a twenty four year old man.

He dived into the water and the way he hit the water was like hitting a brick wall, he didn't even hit the bottom it was just the way he entered the water. His friends pulled him from the lake and he was rushed to hospital

where his parents Ian and Brenda Seymour found out within twenty four hours that he had broken his neck and would be paralysed from the chest down.

Four weeks later he was airlifted to the Mater Hospital in Dublin and then on to the Rehabilitation Hospital in Dun Laoighaire where Steve spent six months trying to readjust his life. He then came home to near Carrick On Suir where his parents and brother Nick tried to come to terms with everything.

The Seymours live in a remote part of South Tipperary and Steve had to rely on his friends coming to see him or Ian or Brenda had to take him to his friends which was a painful experience for Steve because although he is paralysed he is in pain all of the time where the live nerves endings meet the useless ones.

Steve did regain the use of his triceps to a certain degree and is able to use his arms and wrists but cannot use his fingers which is a double cruel blow.

He spends a lot of time on the computer which he was very adept at before the accident and has special "Tools" to enable him to type while he also has a roller ball mouse which enables him to play most computer games.

Steve spends a lot of his time in Belgium with his brother Nick where he has some sort of quality of life compared to the remoteness of the countryside where the Seymours live outside Carrick On Suir.

Steve would like to get a motorized trike which would give him some sort of independence and wouldn't look so obvious as an electrical wheelchair, he has been advised that the hand controls could be converted so that he would be able to get full use from it apparently the company has adapted models to suit certain disability. These trikes can go 11 m.p.h and can tackle rough terrain so they would be suitable for secondary roads here in Ireland.

To this end friends of the Seymour family who are mostly drawn from the Greyhound community are keen to lend whatever help they can and to that end a race meeting has been arranged for Waterford Greyhound Stadium on Wednesday October 9th and anybody who would like to nominate a greyhound at this fixture are invited to give in their name at the racing office in Kilcohan Park. The cost of a nomination is Euro 10.

Sponsored nominator prizes are on offer to the winning nominator in each race.

Underage team manager Peter Roche thanked all those who had contributed to the running of activities at schoolboy level and requested support from some of the more established junior team members.

## DUNGARVAN CREDIT UNION CYCLING CLUB

### Sponsored Cycle

On Saturday last, 24th August, 40 club cyclists took part in the clubs charity cycle in aid of two local charities namely: West Waterford Hospice and The South Eastern Cancer Foundation. After a photo call in the Square the group headed off towards Cappoquin. At Cappoquin a few cyclists turned back to Dungarvan to complete the 20 mile route. The majority of the group however, continued on to Fermoy. At Fermoy, the group stopped for food and refreshments. The sandwiches definitely hit the spot as the journey from Fermoy to Dungarvan was done at a very lively pace. Well done to all who completed the cycle, regardless of which distance was cycled. A special word of thanks to our catering team of Kevin and Orla Forde. Also thanks to Philip for providing back up service.

### Sponsorship Cards

Please, if at all possible, have all money collected and returned by this Friday, August 30th. Please return the money with the cards in an envelope and drop in to either Wyleys Footwear, O'Connell Street or O'Mahoney Cycles, Abbeyside. Once again the club would like to thank everyone who took part and also everyone who sponsored the cyclists.

### Weekday Spins

Spins continue every Monday and Wednesday evening. Assemble at John Foleys, at 6.30pm.

## WATERFORD ATHLETES EXCEL AT COMMUNITY GAMES FINALS

The National Community Games Athletics Finals took place in Mosney over the past week-end and many of our young competitors enjoyed tremendous success in their various events. Gold medals were won by Sinead Lohan, Tramore in the U. 8-60m sprint. Kalya Sheehan, SS. Joseph and Benildus in the U.14 hurdles and Catherine Grant also from SS. Joseph and Benildus in the U.17 Javelin. The U.14 girls relay team from the Sacred Heart area put a fitting finish to the evening when they also took the gold medals after a fine run. The team consisted of Mairead Murphy, Mairead Deevy, Mary O'Connor, Grainne Quinn and Hayley Murphy. It was the 2nd. medal of the Finals for Mairead Murphy as she also won silver in the Shot Putt. For Hayley Murphy it was also her second medal, having taken bronze in the U.14 sprint earlier in the day.

Kate Heneghan from Lismore kept the flag flying for the west of the County as she won silver in the Long Puck. Daragh Foley from Ferrybank made sure the girls didn't steal all the lime-light, as he went on to win silver in the U.16 High Jump. Another young athlete to receive a medal was Anne O'Shea from SS. Joseph and Benildus who won bronze in the U. 8-80m sprint. Well done to all our medal winners. It was a fantastic achievement by you all.

We had more great performances from some of our athletes who made the Finals but were unlucky to miss out on the medals there. Ciara Cronin, Ferrybank actually won her heat of the U-1500m race. Another Ferrybank athlete to make the Finals was Ciaran Burke, also John Francis of Dunhill/Fenor, Aoife Mc.Cormack, Kilmacthomas and SS. Joseph and Benildus U.12 boys relay team.

Those who qualified out of their heats included Craig Kinghorn and Ronan Sheehan, Abbeyside. John Owens, Lismore. Edel Morrissey and Lennie Kirwan, Kilmacthomas.

Holly Deegan, Sacred Heart. Amy Ryan, Tramore and Eoin Beglin. SS. Joseph and Benildus. Also relays from Sacred Heart(mixed), Ballyduff, Abbeyside, Kilmacthomas and both boys relays from SS. Joseph and Benildus. Very well done to you all and to all who competed and gave it their best over the week-end. The fact of even representing your County at the Finals is in itself an achievement. Thanks to County and Team Managers for all their help over both week-ends of the National Finals.

The undoubted highlight of last weekend was the President's Prize for 2002 kindly presented by Mr. Billy Nugent. The format was 18 hole Stableford played off the white markers. As everyone within the club knows Billy is a staunch and hard working club member, and has done trojan work in attempting to carry out numerous club duties following the untimely departure of our late captain Mossie, and I am sure this was a telling factor in the huge entry for this prestigious prize. We thank you for a wonderful day's golf and of course the craic!

# GREYHOUND NEWS

BY MARK PHILLIPS

WATERFORD TUESDAY AUGUST 20TH

## Solid As A Rock Was Savana

The two semi finals of the Maurice Jackson sponsored Waterford Heating and Plumbing Unraced stake were run off at this fixture. Impressive first round winner Windgap Kevin was an uneasy 5/4 favourite in the first semi final and while he lost ground at the start he also found traffic problems around the first bend. Meanwhile the fast starting Elbony Jairzinho (Spiral Nikita-Elbony Violet) 3/1 owned by Holly Duce made his bid for glory on the rails and this strong running black shot clear of Frisky Fun before staying on strongly for a comfortable five and a half lengths win over Frisky Fun in a smart 28.75.

The Richard Ryan owned Nice Jo (Staplers Jo-Field Jewel) justified odds of 6/4 in the second qualifier producing a smooth all the way 28.84 victory. Nice Jo showed plenty of early speed to lead around the first bend from Forest Jasper and in a one sided contest Nice Jo galloped clear for an easy six lengths victory over Forest Jasper in a career best time.

In the opening graded contest In The Flow was the punters choice at 6/4 but this greyhound looked an unhappy camper when she was unable to get to the rails on the run up. Local trainer Jude Hennessy does well with bargain purchases at the sales and his latest acquisition Jewel Leader (Mountleader Peer-Free Dreams) 3/1 quickly hit the front from trap two to post a trap to line 29.55 victory at the expense of the always well placed Gerysman.

In a 300 yard sprint the coursing bred Simons Cove (Colina Guscio-Moonveen Sally)3/1 trained by Bernard Mackey for the Knockapoo Syndicate displayed plenty of early dash up the inside rail leading early on from Taghmon Dan before running out a two lengths winner over Fahee Spiral in 16.66.

There followed three heats of the Glanbia sponsored Gain Confined 29.80 event. Attykitt Robin was a warm order at evens in heat one but after moving into a prominent early position the favourite checked at the first bend and dropped back through the field. The Michael Duce owned Elbony Ecstasy (Frisby Flashing-Elbony Bluebell) 4/1 made no mistake from trap two powering up to the first bend to corner in front of Gimli. Gimli never gave up the chase in second spot but Elbony Ecstasy was not slowing down up front scoring in the end by a length and a half in 29.02.

Heat two saw the Kevin Baker owned and Dave Maltby Baker handled Savana Rock 5/2 run riot over the opposition in a splendid 28.66. Lough Sheeba tried to go with the early paced Savana Rock early on but Savana Rock was too strong and increased his lead if anything running right away in the closing stages for an eye catching five and a quarter lengths win over a running on Galway Man. The winner is a certainly a good advertisement for young stud dog Fly right while the dam of this September 2000 whelp is Trapper Grand.

Trying the standard trip for the first time in a long while the M C Nierobsisz owned Gold Hurricane (Minnies Phantom-Columcille Moth) who is better known as a sprinter came from behind to land heat three in 29.15. Tinlough Jake led to the first bend from Shunters Fame but moving over to the rails from his trap six draw Gold Hurricane 5/1 quickly hit the front on the fence. Tinlough Jake tried his best to get back on terms but Gold Hurricane stuck to the task in hand to score by a length.

The fifth contest over two bends was a race of changing

fortunes. Ayr Rose led to the opening turn but ran very wide at that point. Roughyeds Lass the 4/6 favourite held every chance of victory turning into the home straight but tracking cleverly the Rose Doherty owned Runga Lady (Shanless Slippy-Molly Mo) 4/1 came through to land the spoils by three quarters of a length in 16.56.

In a 730 yard marathon Hawkies Forest galloped into what looked like a winning lead but the leader tired dramatically in the closing stages as the Luke and Tomas Fitzgerald owned Tisiky Jill (Mustang Jack-Lukes Honey) 2/1 worked her way through the pack

and staying on strongly Tisiky Jill finished well to shed her maiden tag by two and three quarter lengths over Hawkies Forest in 41.91.

In the final race of the night over 550 yards Scallywag Peter set off to make every post a winning one and while he was five lengths clear of Firies Drewd down the back stretch the whole complexion of this contest altered in the closing stages with the Christopher English owned Nine Mile Rover (Mountleader Peer-Tarn Bay Mist) 6/1 finishing like a train up the rails to score by a head over Firies Drewd with the long time leader Scallywag Peter just behind in third. Time 30.62.

WATERFORD SATURDAY AUGUST 24TH 2002

## Thrilling Win For Active Nikita

All eyes at last Saturday nights fixture at a well attended Kilcohan Park were firmly focused on the Waterford Crystal Open 550 yard stake. The favourite to take the Euro 7,500 first prize was Simply Supreme but this even money chance failed to clear the fast starting Active Nikita on the run to the all important first turn. Harlenas Tom was also hampered over the first two bends while Prince Cushie and Drive On Lass were bowled over at the first turn. Tinrah Jack who broke slowly from trap two moved smoothly into contention down the back stretch motoring into a narrow lead over Active Nikita. Simply Supreme tried to come through on the inside of the leaders over the final two bends but again his path was blocked. In a tremendous finish the Michelle Foley owned Active Nikita (Spiral Nikita-Active Lynx) 9/2 dug deep on the run to the winning line to hold the renewed challenge of Simply Supreme by three quarters of a length with Tinrah Jack just a short head away in third. Time 30.05.

A competitive card also contained the semi finals of the Boola Power Memorial confined 41.50 marathon stake which is kindly sponsored by friends and family of the late Boola Power.

Active Spy a full brother to "Crystal" winner Active Nikita let the family down in the first semi final of the marathon. Having sailed close to the wind in his last couple of races Active Nikita over stepped the mark on this occasion as he continually hampered the 4/6 favourite Southlodge Dotty (Raging Prince-California Dot). Owned by Denis Hattemore Southlodge Dotty somehow managed to shake off the unwanted attentions of Active Spy in the closing stages to win out by two lengths in 41.90. It came as no surprise to find that the stewards suspended Active Spy from further duty. The second semi final saw the Anne Flanagan owned Knockenduff Hill (Droopys Merson-Naughty Nellie) come in from the reserves to win out in 41.76. Knockenduff Hill 2/1 came out best after a second bend barging match with the fast starting Marions Flyer and while Shellys Star joined issue down the back stretch Knockenduff Hill kicked again to score by half a length from the staying on Marions Flyer.

Favourite backers made a good start to proceedings with the well bred and market leader Rossa Blue ( Top Honcho-

Merry Bluebell) 1/1 coming out on top in 29.24. Showing good early speed from an inside draw Rossa Blue was pushed all the way by Hammermill but the PJ and P Maguire owned and Bernard Gould trained Rossa Blue kept finding that bit extra to triumph by half a length.

Bettystown was the 7/4 favourite in a competitive sprint but although running well the favourite gave best to the fast starting Cousin Jack (Come On Ranger-Come On Dot) this John Finn owned and Bernie Connolly trained runner making a swift exit from trap one and despite the best efforts of Bettystown Cousin Jack battled on for a length victory in a useful 16.36.

The Peter and Desna Hattemore owned Harlenas Ranger (Come ON ranger-Pres To Lisnak) 5/1 deservedly got off the mark with a hard fought but thoroughly deserved 29.38 victory in the third contest. With the winner slowly into his stride a fast starting Crinkle Beauty made the long break for home from Rhys Fancy and despite losing ground at the entrance to the back stretch Harlenas Ranger went in hot pursuit of the leader. Gradually reeling in Crinkle Beauty Harlenas Ranger sprinted into the lead over the final two bends to race on for a two lengths win.

Races four and five were five fifty yard contests. The fourth contest is easily described as the James Lynch owned and Jimmy Scully trained Kilcash Rumble (Smooth Rumble-Meala Fantasy) 5/2 outpaced and outclassed the opposition with a pillar to post four and a quarter lengths win over Bawndaw Josie who got the better of the rails seeking Kilcash Lad for the runner up spot. Time 30.33.

The fifth race produced a narrow victory for the Bernard Guiry owned Downing Slippy (Sodas Slippy-Gambling Judy) this 9/4 shot posting a narrow but deserved 30.31 victory. Belmullet Anne was first to break the line but Downing Slippy drove into the first bend to take over in the lead. Downing Slippy opened up a significant back stretch lead and while the pack were closing rapidly over the final two bends Downing Slippy boxed on for a three quarters of a length win over Belmullet Anne with Regal Honey a promising third.

It was back to 500 yards for the sixth race. With Farranrory Tiger breaking slowly Sir Chris the evens favourite appeared well on his way to victory. Sir Chris the evens favourite though allowed Cavcourt Glory a run though on his inside between the opening two bends as the whole complexion of the race changed at that point. The Maria Malone and Brenda Morton owned Riochs Lady (come On Ranger-Trionas Pride) 4/1 tracked cleverly at the third bend driving into the lead on the fence and this Derek Kehoe trained runner did well in the closing stages to hold the late charge of Farranrory Tiger who tasted defeat by half a length in 27.56.

Having run well in a number of races without actually winning it all came right on the night for the Brian Brown and Jack Power owned Not Good Enough (Shanless Slippy-Commet Hill) this Seamus Hennessy trained runner posting a trap to line 30.38 success in this 550 yard race. Breaking in front Not Good Enough 5/2 was pushed all the way by Magniers Flash but knuckling down to the task in hand Not Good Enough stayed on stoutly for a deserved two and a quarter lengths victory in 30.38.

## SUPER SUNDAY.

This Sunday September 1st sees the penultimate round of the 2002 West Waterford Autograss Driver of the Year Championship, having seen the championship grow over the years to its present state now where it is common to have between 80 and 90 drivers at all rounds, it has meant that this is the closest championship yet. Also this Sunday drivers have the added incentive that there

are 2 memorial trophies up for grabs. For the Men and Ladies, they have the chance to win the Nicky Hannigan Perpetual Cup and for the Juniors the Sheila Oakham Perpetual Shield.

Following all the travelling, that has been done by the drivers since the club last raced in Ballsaggart it is now time to come back and put on a show that will do justice to the Trophies that are on offer this weekend. All this should mean that every body both spectators and drivers are in for a very special Sunday, a day which should see Autograss racing at club level reach to new heights.

### SO WHO WILL WIN!

This will be very hard to know as classes become more and more competitive and because of the weekend that is in it the winner could come from anywhere. From class 1, Willie Houlihan is in top form but he will have to adjust to a new car this time out as son Stephen done a bit of unrepairable damage to the car at a recent Carlow race meeting. Others going good here are Tara Meehan, Jason Cunningham and Michael O Leary. Class 2 will see national qualifiers Stephen O Donovan and Mike Barry lead the way but will have tough competition from Johnny Fuller, Seamas Mills and Pdraig O Gorman. Class 3 also sees two national qualifiers in action the Cusack brothers from Mallow, Paul and Trevor other contenders here are Michael Whelan and Vincent Meagher.

Class 5 is also hard to call also, Paddy

Nugent and Mark Linehan were the representatives at the nationals and will hoping to get back on track but they will have to watch out for the ever present Mark Collins and Alan Houlihan. Danny Buckley and James Ahern have been having good battles lately in Class 6 but could come under pressure from national qualifier Martin O Mahoney and Mark Cusack should also be back in action. Class 7 has been dominated by the Kelly brothers this, Dermot and Johnny are the usual drivers but even when Mike has deputised, he too has proved to be a winner, fresh from there nationals outing Eamonn Sheehy and Gerry McCarthy should also be contenders. Class 8 is becoming very fast and competitive with a number of drivers capable of winning, Colin Byrne, Mark Pinfield, Donal O Brien and fresh from his cup win in Carlow Martin Browne, will all be the main men to watch. Class 9 has seen Paul O Connor go quickest of late but will have to watch out for the likes of Patrick Sheehy, Danny Buckley, Richard Davis and for this weekend Henry McGrath. Class 10 should see 3 main contenders, Mark Nugent, Niall Smith and Jimmy Fuller.

In the Ladies, Margaret Meehan fresh from her cup win in Carlow will be one of the favourites along with Noelle Feeney, Alice Prendergast, Annette Keane and top Ladies specials driver Louise Browne. The Juniors will also be very competitive with top Cork drivers Jason O Brien and Owen Murphy looking for good results but will

have to contend with the likes of Kenneth Cashel, Stephen Houlihan, Ricky Houlihan and top lady juniors Shelly Keane and Jenny Houlihan.

With every body having their own favourites it really adds up to a very good weekend so don't forget to come along and watch this the Super Sunday in Autograss racing. That's Sunday September 1st in Ballsaggart, Lismore, with first race at 1.30pm sharp

The open air boxing at the Oyster Festival in Ring recently was a great success. Carrick On Suir B.C. and Dungarvan B.C. put on some good bouts also some local lads got in to give it a go and some of them showed a lot of promise, hopefully we'll get some new members from the Ring area. There was even a guest appearance from Batman and Skippy, unfortunately Batman got disqualified for fouling.

## Cunnigar Pitch & Putt Notes

### Club Matchplay

The first round of the club matchplay takes place this week with the first round due to finish on Thursday the 29th. This tournament is kindly sponsored by club chairman Pat Tutty.

### Youghal Outing

A big turnout of the local players went to Youghal last Wednesday night to play what turned out to be a very enjoyable game with the local club. Amongst the winners were Mary Donnelly, Mary O' Neill, Cathleen Crotty, Frankie Wright and Mike Daly, afterwards everyone enjoyed a great social night together.

### Called For Trials

Congratulations to John Carroll who was recently called up to trials for the Irish International team. John will be among a panel of 24 players of which the best 10 will be picked.

### Scratch Cup

The Indian Summer prevailed last Sunday for what turned out to be a record breaking Scratch Cup for the club. In total 110 cards were played and we would like to thank all the Clubs from far and near who supported us. Great scores were recorded in the morning which led to a very competitive play off. John Carroll who hit 17 under in the morning added another 6 in the play off to come home once again the winner in the style that we have become accustomed to. Thomas Maher rallied late to gain second. Colin Houlihan came third. Mark McCarthy, fourth, J. Hackett, fifth and Thomas Walsh (Waterford Crystal) sixth. This was a great achievement to have five club players in the top six. The team event was also won by Cunnigar which featured John

Carroll, Mark McCarthy and Jason Hackett. The junior prize was won by James Mulqueen from the Parteen club in Limerick. The inter prize went to Adrian O' Shea who hit 10 under, indeed Adrian and Colin Houlihan now joining senior ranks. The ladies 0-9 went to regular winners Josie Coughlan from Ashgrove and the ladies 10-18 went to recent junior All Ireland winner June Walsh from Ashgrove. Well done on behalf of the club to all the winners and many thanks to our generous sponsors Shanley engineering and Comeragh Oil with out whom this would not have been possible.

### Lotto

Numbers drawn 4-16-22-30. No winner with the following winning 20E each: Michael Power; Tony O' Riordan and Jessica Gough. Next week's jackpot 1,000E.
