## Health Centre In Disrepair

### Health Centre Is Now A Health Hazard - CLLR. CLAIMS

Tallow Health Centre has fallen into disrepair and is a "disgrace" and a "health hazard", according to Cllr. James Tobin, who was speaking at a recent meeting of Waterford County Council.

Putting down a notice of motion for Waterford County Council to carry out the repair work, Cllr. Tobin called for the health centre to be either closed down or repaired immediately.

Tallow Health Centre, which is run by the South Eastern Health Board, applied for

## Renewal Scheme Fails To Spark Re-Development

### HANDFUL OF APPLICATIONS FROM CAPPOQUIN AND TALLOW SUBMITTED

#### KEVIN KIRrane

A Town Renewal Scheme that promised to revitalise, restore and improve the centres of a number of towns in the area, has seen continued low participation rates, despite its nearing deadline.

Cappoquin, Tallow, Kilmacthomas and Portlaw were all put forward for the three-year tax incentive scheme. But, legal problems with the ownership, planning and title of some of the

designated areas together with the slow take up, has seen heightened criticism at its failure to spark re-development.

Aimed at towns with populations between 500 and 6,000, the residential and commercial incentives were intended to promote the various towns as commercial and social centres.

However, just a handful of restoration projects and developments, have gone

ahead. Problems have also emerged on a national basis and former Minister for Housing and Urban Renewal, Robert Molloy, extended the residential investor tax relief last year.

Cappoquin based TD Ollie Wilkinson said he was aware of great interest in the scheme but acknowledged that problems have surfaced.

However, he defended the Town Renewal Scheme, saying

# Dungarvan Brass Band News

While the weather may have been disappointing, there were some great moments during the summer - World Cup aside, and there are plenty of happy memories.....

June saw the band undertake its first joint concert with the H.F.C. Brass Band in New Ross an event which proved popular and has helped strengthen the links with our friends there. It's already been agreed to hold a repeat concert in Dungarvan in November.

Other events included performing on the "Kathleen & May" which was docked in the harbour for a couple of days. Visits to some of the local estates in Abbeyside & Dungarvan, the debut of some of the most recent beginner players at a Sunday Mass in Abbeyside, and the International Boxing Tournament at the Park Hotel. Just as everybody began to take off on their holidays a crew from "Like It, Love It Productions" visited the area to film some pieces for Pop TV an tsamhraidh on TG4 and it was a smaller than normal band which recorded a piece featured on the programme.

Among the highlights and another first for the band was a joint concert with St. George's Band (Dublin) held at the Church of St. Thomas, Dublin, which raised 807e for Dublin & Wicklow Mountain Rescue. The concert some months in planning, was very well received by the Dublin audience, and we hope to return to Dublin again for a repeat performance at some stage in the future.

We were hampered in our efforts to get outdoors on a couple of occasions, notably on the morning of the Sorptomist Car Boot Sale - just as we had we setup outdoors it began to rain down and we had to retreat inside. However, there were no complaints about the lack of sunshine after what was a scorching hot day at Heivick pier for the R.N.L.I. sponsored swim. While some of us may have been suffering from sleep deprivation having returned from the Dublin concert late on. The evening before, we had a really enjoyable afternoon in Helvick, and the refreshments and facilities laid on by the organisers were much appreciated.

We welcomed a number of visiting players during the summer including Lisa Petersheim from Germany, members of the Gretton Silver Band from the U.K., Sandra Vandewal from the Netherlands, and Christopher Fabie a percussionist originally from Chicago, now living in Ballymacarby. Meanwhile one of our own players, Neal

A section of the adult music class at practice in the Bandroom

O' Kennedy performed at the European Brass Band Championships in Brussels.

There's still plenty of activity over the next couple of weeks and months. On October 4th sections of the band will visit some of the local national schools to introduce the instruments and give a short recital. The annual primary schools table quiz nights take place on Thursday 3rd and 10th October at Ard Scoll na Deise. The Regional Band Championships are rapidly approaching on October 13th. In November

there's a joint concert with the HFC (New Ross) Band to be held in Dungarvan, and in addition to our regular events in December there's a Christmas Concert to look forward to on December 12th. At this stage we are already pencilling in events for 2003 (it's not really all that far away) and our sights are already very firmly set on retaining the National Champions title, there are also plans for a visit and link up with a brass band from the U.K.

We are also about to recommence separate music classes

for adults and Juniors. If you think you may be interested in learning to play why not come along to one of our open nights: Monday 30th September (7:00-8:00 p.m.) for adults or Tuesday 8th October (7:00-8:00 p.m.) for juniors. The classes will run on separate nights, you don't need any previous music experience and tuition is by a qualified instructor, so why not give it a go!

The Museum would be delighted to accept any new members for the forthcoming year. The next memberships will be due in October. Membership fee costs 12.70 euro per year.

### MILLENNIUM PLAQUES

The Council has recently erected some more of the millennium plaques. The Moresby plaque commemorating the bravery of the lifeboat crew that went to the rescue of the Moresby ship in 1895 is erected at the quay. Also erected is a marble wall plaque commemorating Captain William Gibbons for his bequest of £1760 for the layout of the new town park and esplanade in 1894. Captain Gibbons was born in Dungarvan around 1827. He lived in Main Street for a time and then moved to 4 Church Street. He had two daughters and a son. Gibbons spent many years at sea and wrote diaries recording his

various voyages. He eventually established a business as a corn and coal merchant in Carbery's Lane, Dungarvan. In 1885 Gibbons was elected town commissioner and was chairman in 1887. In November of that same year he published a pamphlet titled Dungarvan Town Board 1884-1887 with History & Sale of Town Hall & Buttermarket in 1884. Gibbons and his wife donated the east windows to St. Mary's Parish Church during extensive alterations in 1891. He died on 14 December 1893, aged 67 years.

### OPENING HOURS

## DUNGARVAN LIONS CLUB NOTES

Dungarvan Lions Club is planning for another busy year ahead. At the September meeting, club President, Michael Brosnan gave details of a number of forthcoming events. First up on Thursday 17th October in the Park Hotel, will be the quiz with the difference. Last year's quiz which had "Waterford Place and Faces" as the theme proved to be a most enjoyable night and no doubt this years event will be another huge success. It is hoped to have the "Homemaker of The Year" event also at a date in November. As always, the Christmas Appeal in association with WLRfm is now an established part of the festive season. Likewise, the Christmas Day Swim is a tradition itself. In speaking on these events, the club President reminded members that it is the generosity of the public which guarantees the success of all the fundraising in the West Waterford area.

The Lions Club is about "service". On a regular basis, members from the club visit the residents of St. Carthages, Lismore and Dunabbey House, Dungarvan. Other service activities include the holiday in Trabolgan, the St. John's School annual outing, and a project in the Third World. The Mass for deceased members and their families will be held in November. A new project being undertaken this year is to put together an archive of club memorabilia since the beginning of the club in 1978. If any readers have old photographs, memorabilia etc. relating to the Dungarvan Lions Club, club members would be happy to receive them from you to archive.

Alongside all of the regular activities, this year Dungarvan will be host to the Lions Regional Youth Final. There will also be an involvement with the Special Olympics Project in conjunction with the Dungarvan Host Town committee. It certainly looks like a busy year ahead for the club.

## "Healthy Mothers, Healthy Babies"

The first week in October is National Breast feeding Week in Ireland and to acknowledge this, Mother2Mother Breast feeding Support Group are hosting a talk by Barbara Boland, a Waterford based Lactation Consultant. This talk is being held in the Park Hotel on Thursday, the 3rd of October at 8.00PM. Breast feeding is a human right and with the correct information and support, any women can breast feed her child for as long as she wishes to do so. Breast milk is nature's first food for babies and contains all the nutrients necessary for the first 6 months of life, while continuing to be an important part of the child's diet for as long as the breast feeding relationship continues. Recent studies have shown that breast feeding has many benefits for both mother and baby, as well as for the environment. Here are just some of them:

- Breast milk is constantly changing in composition to meet the changing needs of the baby. It has the exact combination of proteins, fats, sugars, vitamins, minerals and enzymes needed for the human infant at various stages of his growth.
- Breast milk contains antibodies which increase the baby's resistance to infection. Breastfed babies tend to have a lower incidence of respiratory illness, ear infections, diarrhoea and vomiting.
- The stools of breastfed babies are mild smelling and breastfed babies have less nappy rash and are rarely constipated.
- Breast feeding has been linked with a lower risk of S.I.D.S. [Sudden Infant Death Syndrome]
- Speech and jaw development is enhanced.
- A recent study has shown breastfed babies to have higher IQ's than those bottlefed.
- Breast milk helps to lessen allergy problems in babies born to atopic [allergy-prone] families.
- Breast feeding helps the body to return to it's pre-pregnant state more quickly.
- Studies have shown that women who breast feed have a reduced risk of developing pre-menopausal breast cancer, ovarian cancer and osteoporosis.
- Breast feeding helps to form a close bond between mother and baby.
- Breast feeding makes night feeds and travelling with baby less complicated.
- Breast feeding saves food resources, fuel and energy. No packaging is required and there are no chemicals needed in preparation.

The talk will be of interest to anybody who is pregnant, breast feeding or interested in doing so. The topic will be "Healthy Mothers, Healthy Babies" and will cover various aspects of breast feeding both for newborn and older babies. There will be plenty of time for questions and discussion. Further information can be obtained from Mother2 Mother, the breast feeding support group in Dungarvan. They can be contacted on 086-3914269.

# Renewal Scheme Fails To Spark Re-Development

CONTINUED FROM FRONT PAGE

ing most of the problems have arisen from delays during the legal process.

"A number of problems have surfaced about planning, landownership and about title to the various areas designated."

"Other people are unhappy that there aren't more areas included. But, the scheme as outlined, is a very good scheme. I'd accept that there are problems but not with the scheme itself," Deputy Wilkinson said.

He went on to call for the deadline to be extended as "anything bordering on the legal, takes time."

In Cappoquin, twenty-three sites were recommended for the incentives and approved by an advisory body. However, up until six weeks ago, Waterford

County Council received just one application from Cappoquin with possibly two more thought to be in the pipeline.

Local Cllr. Nora Flynn also stated that the scheme hasn't taken off in Cappoquin at all and believes grants would be more effective for the restoration of old houses.

The take-up in Tallow is similarly low, according to Cllr. Willie MacDonnell.

He stated; "The Town Renewal Scheme has been a complete failure from the start. A number of people showed an interest at the beginning but only a very small number took it up".

In one instance, a business, believed to be a big employer in the town, was interested in a house on the main street, but owing to restrictions was unable to develop it. The house has remained on sale two years

later.

"It cost thousands of euro to implement this scheme but the scheme will end in failure", Cllr. MacDonnell said.

Tallow Cllr. James Tobin, agreed that "a whole lot hasn't been achieved through it."

However, he said there has been some up-take, but many more people did not forward for the tax incentives.

"There is an awful lot of people which it didn't affect. Those people who were in designated areas, not in receipt of annual taxable income, were not able to take part in the scheme," Cllr. Tobin said.

Meanwhile, Kilmacthomas and Portlaoise have announced a similarly small uptake of the offer with the deadline of July 2003 fast approaching.

## Health Centre In Disrepair

CONTINUED FROM PAGE ONE  
planning permission almost two years ago to carry out work on the building, the Fianna Fail representative said.

However, no work has ever been carried out and the building has continued to deteriorate.

"They didn't even go to the trouble of taking the notice back down off the pier. And I assume the planning notice was made twelve months ago".

"I'd go as far as to say Tallow Health Centre is a health hazard", Cllr. Tobin added.

Cllr. Tom Cronin, the council's representative on the South East Health Board, confirmed that a notice has been made for

the upgrading of the health centre.

"We're now waiting for a response", he said.

However, Cllr. Willie MacDonnell replied that the notice has been in place for almost two years.

"The grass is actually growing in the roof of the health centre now", he said.

"I would like for the board, instead of talking about the job, to do the job. This is happening all over the region and it's a disgrace that public property is in such a bad state. I expect a little more action, and a little less talk, and for us to get the job done."

## Spay & Neutering Week for Dogs

The growing dog population and the shocking statistic that 30,000 dogs are destroyed in Irish pounds each year has sparked a new national spaying initiative. In Waterford alone, Bilberry Kennels, jointly funded at a cost of eur121,000 by the County and City Council's and run by the ISPCA, recently announced that 681 dogs were impounded in 2001, with only 8 reclaimed and 21 re-homed.

Attempting to re-dress these grim statistics the Department of Environment are backing Ireland's first Spay Week at the end of this month.

Co-ordinated between animal welfare groups, individual rescue kennels and the Veterinary Ireland Companion Animal Society (VICAS), it runs from 30th September until 6th October.

Spaying uses good control; general anaesthesia and careful surgical practices performed by a veterinary surgeon.

It is also the best way to ensure your dog never has puppies and an important way of reducing the numbers of unwanted puppies needlessly euthanised.

Destruction figures are rising annually and will continue to do so unless a long term, practical solution is found. That can only be done with neutering, spaying and education for dog owners to take responsibility themselves.

There are many health benefits to having a dog neutered; breast cancer, common in the bitch, is greatly reduced and can be almost completely prevented if a bitch is neutered before coming into season.

The life threatening condition "Pyometra" is totally eliminated. There are also health benefits to neutering male dogs as well as certain behavioural problems such as excessive urine marking and roaming.

With one unspayed dog capable of producing over 4,000 puppies in just seven years, it makes a compelling argument. As do figures from the UK based, National Canine Defence League, which show a national dog pound destruction figure of 17,000 - almost half that of Ireland.

Cat owners are also urged to spay their pets. Tom cats are believed to be six times more likely to die at a younger age than neutered cats. Again, the necessity in reducing the amount of unwanted cats and the growing cats is clearly shown by the fact that in nine years one unspayed female cat, her unneutered male and all their offspring can produce over 11,606,077 cats.

"Spay Week" is an initiative to highlight the amount of dogs being needlessly destroyed and to encourage pet owners not to allow their dogs and cats breed by having them neutered.

## Eco-Tourism

The idea of eco-tourism is that people pay money to experience rare species in the wild — visit gorillas in their mountain homes, stroke whales at sea, or feed sharks on a coral reef. The tourism is carefully controlled so that it affects the wildlife as little as possible, and the money funds more wildlife conservation projects.

## Setting Up Sanctuaries

National parks, wildlife reserves and nature sanctuaries conserve some wild places. People may be allowed into certain areas, to enjoy the scenery, plants and animals, while other areas are fully protected. Such areas range from a small wood or pond to a vast area of land or sea, the size of a country. In 1994 the Southern Ocean around Antarctica was declared a huge sanctuary where the hunting of great whales and other threatened animals is now forbidden. But sanctuaries must usually be large. A single tiger needs 50 sq. km or more of forest to hunt in. And several dozen tigers are needed for a sustainable population that avoids the problems of inter-breeding among close relatives. So a small tiger reserve of a few hectares is less useful for the long term.

## GONE FOR EVER

- **1665** The dodo, a turkey-sized flightless bird from the Indian Ocean island of Mauritius.
- **About 1770** Steller's sea-cow, a huge but peaceful plant-eater of the North Pacific Arctic region, 9m long and weighing 6 tonnes.
- **1914** The passenger pigeon of North America, once so common that its flocks numbered millions.
- **1936** The thylacine (Tasmanian wolf or tiger), a dog-like marsupial suspected of attacking sheep.
- **1952** The Bali tiger, the smallest variety of the tiger species.

## Planning Restrictions Central To Consideration Of New Dungarvan Plan

-CLLR. Ó CÉILLEACHAIR

The county's rural settlement strategy will be discussed by Dungarvan area Councillors when they meet this week to consider the proposed Dungarvan Environs Landuse Study Plan.

Labour Councillor Fiachra Ó Céilleachair says concerns expressed about the local authority's continuing restrictions on single site developments in Ballinacourty and other rural town-

lands in Abbeyside and Dungarvan parishes should be addressed by the political process.

Local Fianna Fáil and Fine Gael Councillors - in Cllr. Ó Céilleachair's opinion - are to blame for restrictions reiterated in the draft of the Dungarvan Environs Study because they gave their support three years ago for the adoption of the current County Development Plan.

Chapter Four of that plan - which deals with development control and standards for the county - on page 109 commits Waterford County planners to the view that "erection of new dwellings in locations that are outside the zoned areas will be discouraged". Cllr. Ó Céilleachair points out that the County Council, beyond rare family related exceptions, has gone on to prioritise planning towards the towns, villages and settlement areas as zoned in the County Development Plan and subsequent area action plans. Cllr. Ó Céilleachair argues that this practice has made life very difficult for anyone who wants to buy, sell or use a site for housing in country areas outside of the zoned settlement areas.

Offering a critical analysis of the Dungarvan Environs Landuse Study Plan, Cllr. Ó Céilleachair said:

"There are seven parishes in the Dungarvan electoral area, each featuring rural townlands. This zoned settlement areas idea applies in parts of each parish, either through the county development plan or area action plans - of which the Dungarvan Environs Landuse Study Plan is the latest. I have not supported such plans on the

basis that there is an imbalance in relation to people who want to live in non zoned areas of rural communities. I was delighted recently to hear the Government's Rural Affairs Minister Eamon Ó Cuiv promise that the forthcoming national spatial strategy - operating within the ordinary planning process and with due regard to the merits of individual applications - would set out to address this problem. Of course there is nothing wrong with living in towns and villages and expanding and developing them, but I do believe that when it comes to housing sites outside those areas that we need to listen to people like Eamon Ó Cuiv.

Whilst anyone at any time can look for planning permission subject to the local process and an Bord Pleanála, Minister Ó Cuiv has expressed frustration at the consequences of sites in rural areas going unused due to strategic refusals - whilst at the same time people, regardless of where they work, being unable to realise an aim of living in the rural community particular to them. It remains to be seen if Waterford County Council, through its elected members, will proceed with the Dungarvan Environs Landuse Study Plan without taking on board the stated position of the Rural Affairs Minister."

### DUNGARVAN DRAMATIC CLUB

It's that time of year again for the Dungarvan Dramatic Club to pick up the reins and set yet another year in motion. Well rested from the efforts of our 60th anniversary year, the new committee has already selected a play "The Cripple of Inishmaan" by Martin McDonagh, which will be directed by Margaret Dennehy. Martin McDonagh has achieved great success as a playwright and is probably best known for his "Leenane Trilogy", "A Skull in Connemara", "The Beauty Queen of Leenane" and "The Lonesome West".

Set on a remote island off the west coast of Ireland in 1934, "The Cripple of Inishmaan" is a strange comic tale in the great tradition of Irish storytelling. As word arrives on Inishmaan that the Hollywood director Robert Flaherty is coming to the neighbouring island of Inishmore to film "Man of Aran", the one person who wants to be in the film more than anybody is young cripple "Billy", if only to break away from the bitter tedium of his daily life.

We would like to extend our deepest sympathy to the Killigrew family of Ballinamuck on the sudden death of P. J. Killigrew. Kenny has been a stalwart member of the Dungarvan Dramatic Club for years and we look forward to his input in our next production.

- 4 trimmed, sliced radishes
- 1 sliced leek

### Health Tips from "Remedies"

## Solidago

USES diuretic, improves renal function, kidney tonic. HOW IT WORKS Whilst Solidago has diuretic action, this is not the prime role of the plant. Solidago, a.k.a. Golden Rod, has been shown to have important anti-inflammatory, anti-spasmodic and antiseptic action and seems to strengthen kidney function. This makes it useful as an agent to counter inflammation and irritation of the kidneys, when infection or stones are present. The diuretic action is also useful in helping to dissolve kidney stones.

## WEST WATERFORD BRANCH LAUNCH THEIR HOME CARE SERVICE

Mayor Nuala Ryan will officially launch the new home care service on behalf of the West Waterford branch, (now in existence for over 2 and a half years) of the Alzheimers Society of Ireland, at a reception in Lawlor's Hotel, Dungarvan on Tuesday the 8th of October at 7:30pm sharp.

Speaking ahead of the launch, Mr. Liam Douglas,

Chairperson of the local branch, outlined the significance of the service "In essence the focus of the home care support service is to provide the career with much needed respite on a regular basis as possible. Our service intends to cover the personal, social needs of the client with dementia. Over the past 12 months we have

found the provision of home care support to be of immense help and relief to a great many families who are engaged in caring for a loved one with the disease"

Mr. Douglas comments follow in the wake of important findings from 2 national surveys, conducted through consumers and GP's alike. Significantly, 68% of consumers in the South east region favoured home care support in tandem with short term respite care, as the preferred method of helping people in the social management of Alzheimers Dementia. Furthermore, whilst the National prevalence figure of ignorance about the disease was found to be worryingly high at 70% (up to 6% over the past 3 years), the figures for the South East region show lack of knowledge to be below the national average at 62%. The Home Care support service will reach out to families in the West Waterford area, including areas such as Dungarvan, Abbey-side, Cappagh, Youghal, Tal-low, Lismore, Ardmore, Ring, Gliddane, Lockre Vie and Coolnasmear. Mary Waters has been appointed co-ordinator of the service. Presently 2 staff are budgeted for, however as Kate Brennan, development officer with Alzheimers Society points out, this figure is likely to increase, with the provision for at least 2 more staff catering for the likely though put and demand anticipated within the local community. Funding for the aforementioned service is kindly provided through a grant from the South Eastern Health Board, supported by the voluntary fundraising efforts of the local West Waterford branch.

## DUNGARVAN TOASTMASTERS

We held our first meeting of this season, a well-attended and lively affair, on Thursday the 12th of September. We were particularly pleased to welcome so many visitors. The meeting was presided over by our president Winston Boyle and the Toastmaster for the evening was Sadie Moynihan. There were three great speeches with lots of variety, ranging from an Icebreaker where our newest member introduced himself to the club, to an enlightening talk on the technique of Tai chi and it's benefits to an interpretive reading from "The Importance of being Earnest". The Topics session in the second half of the meeting gave everybody who wished to, a chance to air their views on a variety of topics.

If you would like to find out more about Toastmasters, why not come along to our next meeting on Thursday, September 26th, at 8.00 p.m. in The Park Hotel, Dungarvan. Our door is always open and we would love to meet you.

Five things your Mother told you that can help you become a better communicator.

1. "Look at me when I am speaking to you" - direct eye contact is essential when gauging rapport in relationships, it conveys openness and honesty and makes it easier for people to trust you.
2. "Stand up straight" - your Mother told you this because slouching made you look lazy. She was right. standing tall portrays authority and commands respect. Presence matters at all times and your body language sets the tone before a single word is said.
3. "Hold your head up" - this is a classic "Mother" rule, hold your head up and you will immediately feel and look more confident. Confidence sells and you must sell what you have to say to achieve your goals.
4. "Always use your head" - remember getting angry with your brother or sister and you would stomp around and make faces? Your mother would scold you and say "Use your head! Acting out of anger only makes things worse." If a colleague makes you angry and you act irrationally, your reputation could suffer. Your Mother didn't want you to pout and throw a tantrum. your boss wouldn't appreciate that attitude either.
5. "Wear your Sunday best" - those of you who grew up attending Sunday Mass or church services, will know what this phrase means. To be accepted as a professional, you must dress professionally. Dress for success to create a good first impression. By following Mum's five simple rules, you can improve your non-verbal communication skills and help polish your professional appearance. Your Mother's constant nagging may have been a mystery to you as a child, but heeding those reprimands will help you be more assertive in business relationships.

## Tidy Town Result - Increase In Marks, But No Honours

The Built Environment Dungarvan has many fine public buildings and on adjudication day Dungarvan and Abbeyside churches, schools, Garda Station, public library, credit union, County Council offices, museum, St. Johns Castle etc. were very well presented and reflect great credit on those involved. "The Lookout" area is maturing nicely and will be entered for this year's Waterside Award.

### Landscaping

Trees and shrubs planted in previous years are now maturing and are creating a lovely ambience in the area particularly on its approaches. Planting of the roundabouts has been very successful and they looked resplendent. Well done to all concerned. Well presented, hanging baskets and tubs, particularly in the bridge area, create a nice atmosphere and there was evidence of these being attended to on adjudication day.

The "Welcome to Dungarvan" landscaping on the Waterford Road is exceptional. Landscaping and the planting of flower beds is rapidly becoming a feature of Abbeyside/Dungarvan which is to be encouraged.

### Litter Control

The centre of Dungarvan was practically litter free on adjudication day. However, some littering was to be seen in the vicinity of the Sports Complex, the Augustinian Church and some housing estates, particularly in Abbeyside. It should be borne in mind that adjudication covers the whole area of Abbeyside/Dungarvan including housing estates and side streets and all areas therefore

need constant monitoring. In general however, there would appear to be a consciousness of a litter free environment and, in this connection all those involved are again to be congratulated.

## WALTON PARK

The mound of clay near the road, which takes away from the view in Walton park is to be removed and replaced with flower beds which will also be more colourful than the shrubs on the mound. It is wonderful to hear that the Town Council retain such interest in the existence and continued improvement of this wonderful amenity for the people of Abbeyside and Dungarvan.

## Minor Footballers Draw

Ballinacourty Minor Footballers played an exciting draw with Brickey Rangers in the Western Minor Football Final played at Fraher Field on Saturday afternoon last. Ballinacourty were six points down entering the closing stages of an exciting game and it looked as if defeat was to be their lot and with it the prospect of a Western Minor Double. However, a storming comeback brought the "Green and Whites" level as the game entered its final stages. As the final whistle approached both teams created an opportunity each to capture the cup but all in all both sides will be happy with a second bite of the cherry.

## SPECIAL OLYMPICS

The local committee under the chairmanship of Cllr. Michael O'Riordan, Pinewood, Abbeyside are working diligently preparing for the largest sporting event ever to take place in this country. Last week they received a huge boost as 10,200 Euro was raised through their participation in the Gold Coast Charity Marathon held in the picturesque Gold Coast Golf Club. Cllr. O'Riordan would like to thank the ten members of the Ladies Team who played all day and collected the sponsorship money. He would also like to thank Brendan O'Brien who dreamed up the idea. With the help of an enthusiastic committee, Brendan organised the event and the end result must have exceeded his own wildest expectations. Michael would also like to thank John McGrath, proprietor of the Golf Club, Billy Power Gold Coast G.C. and Dave Clarke, President Gold Coast G.C. for all their support. Cllr. O'Riordan also mentioned Kate Douglas, a nurse by profession who has become very involved in Special Olympics 2003. Michael assures the general public that every cent raised will be spent locally and wisely. The Special Olympics committee would be glad to hear from any organisations prepared to help by organising a benefit night for this special course. The next committee meeting will take place on Wednesday next.

## DRAFT LANDUSE STUDY PLAN

This document compiled by Waterford County Council in its Topography and Landscape Quality section mentions specific areas within the parish. The draft states - "The Coastal Zone, on the eastern flank of Dungarvan Bay includes the beach area of Cionea and the zoned area in the County Development Plan 1999 is for intensive tourist uses based on Clonea and Ballinacourty. Inland lie the village settlements of Ballinroad (satellite of Dungarvan) and Garranbane with its church and primary school."

The draft continues, "Landscape quality is the highest order with excellent contrasting features of upland, woodland, pasture, hedgerow, river valley and estuarine landscape all within a radius of 3 miles, providing high scenic and visual amenity. The environs area also contains three 18 Hole golf courses and other sporting facilities (e.g. G.A.A., Soccer and Rugby), hotels, leisure (e.g. tennis, and pitch and putt) and amenity facilities.

## LOCAL HISTORY

Last week we wrote about the vast quantities of fish caught in Dungarvan Bay. By the 1740's haddock was no longer to be found in the same numbers on the Nymph Bank which was said to be 50km from the shore and stretched from outside Dungarvan to Cape Clear.

At one time, they said, one man with a line could take 1,000 hake in a night but by 1746 only half that amount was likely to be taken. The traditional fishing method at that time was the hook - loaded line or spiller. The reason for the depletion of stocks was due, it was asserted to over-fishing when different methods of fishing were used after 1736. However, many opined that the depletion in stocks was due to divine retribution for using the surplus hake as fertiliser in the fields. There was a rational explanation for this. One time, the tide rose so high that it flooded the land and when the ebb set in, the ditches were filled with fish.

The figure for hake exports from Abbeyside/Dungarvan in 1729 was 88,100, but fell to 28,010 in 1738. The average numbers from 1724 to 1730 were 65,521 annually but from 1738 to 1744, the average fell to 39,201.

## ABBEYSIDE SCOUT NOTES

The cub meeting saw everyone arrive on their two wheeled transport for what was certainly a strenuous meeting. An obstacle course had been laid out in the field by leaders Muller, Frenchie and Emer which was to test the cycling skills of even the best cyclists in the group. The course involved negotiating a maze, balancing for a period of time without putting a foot down, attempting to cycle through a set course and then over a large obstacle, to finish everyone had to carry two buckets filled with water 100 metres to the finish line. Frenchie timed all the cubs at under two minutes for the course and the winners overall with the following times were in third place Joe Conway with 1 min, 34 seconds, second Ray Murphy with 1 min, 30 seconds and the winner was Daniel Moroney with a time of 1 min, 25 seconds. The meeting this coming weekend is a mufti one.

The scout meeting started with presentations to the newly appointed patrol and assistant patrol leaders of certificates to mark their promotions. The leader explained how a tough job was about to be undertaken by these new appointees who would now look after the needs of all their patrols and lead them in a good and safe manner in whatever tasks they undertook in the coming year. He went on to explain how he felt all concerned including those already in positions of leadership were well capable. Test work was high on the list of priorities during the meeting as all knuckled down to the basics, as well as basic drill movements. In the coming week, drill will play a part of the meetings as the patrols compete for the drill trophy. Senior patrol leader Matthew along with patrol leader David organised a badminton doubles competition. This will begin in the coming weeks, when all concerned including those who never played the game before get some practice in. This week's meeting is a mufti one.

## ABBEYSIDE REFERENCE ARCHIVE

**Space:** Space has always been a problem with us at the Archive. Last week when a new computer system was installed at the Parish Office we found the furniture needed to be switched around. After this was done we found ourselves with extra space. It will give us room to display more items and will also give people using the Archive on Sundays more room to manoeuvre.

This Sunday evening, Emma Flynn will be at the Parish Office minding all items. Visitors will be welcome along between 2.30pm and 5.30pm.

# Dáil na nÓg

On last Saturday, in Árd Scoil na nDeise, in Dungarvan, more than 100 young people from all over County Waterford came together to take part in the first Comhairle na nÓg for the County. The purpose of the day was to provide a forum for young people to voice opinions on issues which affect them, but also to elect four delegates to Dáil na nÓg, which takes place in the Mansion House in Dublin, on October 11th. The first goal of the National Children's Strategy is: "Children will have a voice in matters which affect them and their views will be given due weight in accordance with their age and maturity". This was Waterford's first move in

making this goal a reality.

The day was organised by the County Development Board and supported by Foróige. The young people ranged in age from 9 to 17 and participated in a range of facilitated workshops during the day. Early shyness was soon replaced by a passionate eagerness – it was easy to see that these young people were absolutely committed to the communities in which they lived. They debated a range of issues in a way which indicated that County Waterford, if it can encourage these young people to stay around the place, will be in extremely good hands for the future.

The quality of debate and input, even from the youngest

of participants, was absolutely heartening and even the adults present were infected by the energy and enthusiasm of the event – a first real opportunity for young people to be a part of genuine "participative democracy". While one could see that these people had a real sense of pride in the County, they also outlined a whole range of issues, which made County Waterford less than a perfect place for young people to live, work and play.

They were extremely articulate in outlining the key problems as they saw them – drugs and alcohol, lack of community facilities, lack of places to hang out and lack of sports facilities. They outlined the lack of access to a whole range of youth services and community and sports opportunities, none more so than in rural areas. They discussed the new multicultural aspect of society in Waterford and felt that there were not enough of Awareness Programmes to counteract growing racial and ethnic prejudices. They need more Drugs Awareness Programmes – not just for themselves, but also for their parents. They indicated a major need for a review of the whole education system and the making of it more relevant to the demands of the 21st cen-

tury. They spoke of their need to have a quality environment for them and future generations to live in. They discussed their religious needs in an open and frank way. They asked why text messages were so much dearer in Ireland than in other countries. They spoke of their need to be listened to and the way they did it suggested that maybe they were right!

The County Development Board would like to thank all the people who contributed to the day, none more so than the young people themselves. Foróige, Dungarvan Youth Resource Centre, Youth Clubs and Schools around the County, Ard Scoil na nDeise, County Council catering staff, a bunch of adult volunteers and the parents who provided transport. Deputy Ollie Wilkinson, County Council Director of Services Des Page and Susan Pike from St. Patrick's College, Drumcondra all made contributions, but on this occasion they also did something more important – they listened.

The successful candidates to represent Waterford in Dail na nÓg were Neave Dennehy from Ballinacourty, David Hartery from Tramore, Shane O'Neill from Abbeyside and Sean Coughlan from Lismore. Mol an Oige!

## Skipaton Raises €40,949

The South Eastern Cancer Foundation wishes to acknowledge with sincere thanks the participants of the Skipaton who raised in total 40,949.00 euro and to the people in the south east who supported the event so generously.

Your generosity enables the Cancer Foundation to give much needed support and helps cancer patients and their families turn their fears about cancer into hope. The Drop in Centre for patients continues to develop its support programmes, complementary treatments and extended service to people living with cancer throughout the south east region.

Development of additional services are being considered. It continues to work towards building its own Holistic Drop in Centre for patients and families.

Every family is affected by cancer and will benefit from this service. The generosity of the people of the region enabling this support is a result of families throughout the region identifying with the magnitude of cancer and the unique hurdles that families face.

# New Dungarvan Tourism Guide Book and Website Launched

Dungarvan Tourism have launched a new booklet and website featuring the places of interest in Dungarvan and West Waterford. The colourful production provides listings for all the walks, trails and activities in the West Waterford area, as well as guides to the towns and helpful maps of the area. The new booklet and website are also set to provide the cohesion necessary to link up the tourism efforts for all parts of West Waterford.

Teresa O'Connor, Chairperson of Dungarvan Tourism said a lot of the information for tourists in the past had been dis-

jointed and separate brochures brought out for each destination.

"We felt we needed to look at the bigger picture and sell the whole of West Waterford".

The website and booklet will give visitors a better holiday experience, give them the information to visit places they may have overlooked, and in doing so, keep the tourists in West Waterford for longer stays.

As part of this new initiative, Dungarvan Tourism's Website,

currently around 120 pages long, will display information on entertainment events and particularly festivals, like Feile na Deise, together with all the trails and maps.

An accommodation section with secure booking facility, information on the golf courses and restaurants are available on the comprehensive website as well. Teresa O'Connor said that the web was undoubtedly the way of the future and paid tribute to Decie Designs for its layout and their invaluable work on the attractive website.

The launch of the both the new booklet and website was warmly welcomed by Mayor of Dungarvan, Cllr. Nuala Ryan. She said the booklet would attract the eye in tourist offices and "perhaps more than anything else, it adequately and clearly encloses, perhaps for the first time, between two covers, the rich range of treasures which we have in West Waterford".

Mayor Ryan also paid tribute to Dungarvan Tourism for producing the new website. "It's not just necessary, but vital, for any organisation going into the marketplace to have its own website," she said. "We have the best of talent to produce websites capable of holding their own in the international arena. I have no doubt after seeing it, that Dungarvan's Website will attract many visitors and impress everyone who visits it".

Deputy Ollie Wilkinson also said he was delighted that the booklet and website was being brought out.

"West Waterford badly needed something like this. For those of us who live here, it's only when we glance through the pages of this wonderful production, that we realise fully, what we have on our doorstep".

The guide book, was produced by Dungarvan Tourism in conjunction with Waterford Leader Partnership, while the website address is: [www.dungarvantourism.com](http://www.dungarvantourism.com).

## Dungarvan Leader Gardening

# Dream Gardens Need Planning

YOU have just moved into your beautiful new home, the living room needs a bit of work, a new bathroom is definitely on the shopping list and a little DIY wouldn't go amiss in the kitchen either. You can cope with all this - but the garden is a living nightmare.

When a garden is overgrown and all you can see is six-foot weeds and masses of plants - most people don't know where to start.

Many people make the mistake of rushing out and planting hundreds of bulbs and seeds on the first warm day of spring.

Many of these bursts of enthusiasm produce badly thought out and planned out gardens which are doomed to failure. The plants wither and the would-be gardeners become convinced that they lack some secret knowledge or inherent skill.

In most cases, a few hours of preparation would have made all the difference. It is

easy to dig up a plot and throw some plants in the ground. It is another thing to create a healthy, living garden.

Planning a new garden can be a great deal of fun. After you have cleared away all the mess and rubbish, you can start the planning process.

Don't go out and buy plants before thinking about the conditions you are going to plant in. The three main factors which affect plants are sunlight, soil composition and moisture.

Two of these factors you can influence and improve on - but with sunlight you are stuck with what you are given.

You will be able to find a plant which will thrive in every condition, from full sunlight to half sun (under a tree or where there is only sun in the morning/evening), to the darkest of shade all day. You will have to watch your plot and determine which types of plants you

need.

Next, you must determine the soil composition - the type of soil you'll be working with.

The three main ingredients of soil are sand, silt and clay. Sand has the largest particles and clay has the smallest. An ideal soil would be about 40 per cent sand, 40 per cent silt and 20 per cent clay.

The easiest way to see what type of soil you have is to take a fistful of soil and squeeze it into a ball. If it is unable to hold its shape, your soil is probably too sandy. Try to break the ball apart by pressing on it with your thumb. A good soil will break apart readily - if not, you have too much clay.

Another method is to take a few handfuls of soil and put them in a jar half filled with water. Mix the soil and water around and then let it settle overnight. The next day you will see that three distinct layers have formed: sand at the bottom, then silt and

the top a layer of clay.

Once you know what type of soil you have you will have to amend it - the best way to do this is by adding organic matter.

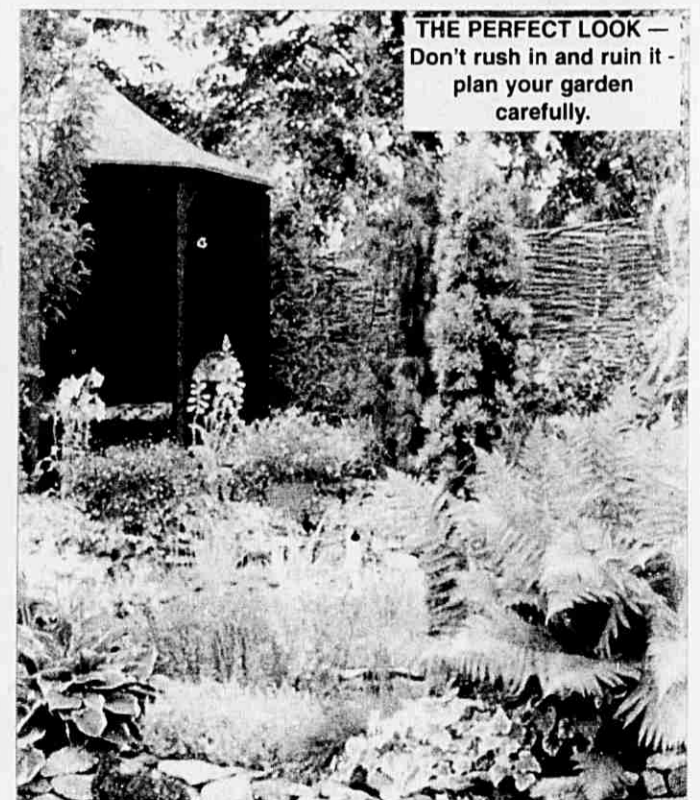

Soil which is high in sand or silt needs a combination of topsoil and peat moss or compost.

If the problem is too much clay, add peat moss or compost and some sand. Sand can help loosen clay soils and allow for proper drainage.

Moisture is obviously connected to the climate of the area you live in. But even in a small garden, there can be big differences.

If your garden is at the bottom of a hill, the soil might stay wet for long periods of time. In this situation, stick to plants that enjoy having their feet wet. If your plot is very dry, don't assume you'll be able to fix the problem by constantly watering.

Choose plants that will be happy in a dry place and

THE PERFECT LOOK - Don't rush in and ruin it - plan your garden carefully.

you'll be able to take a two-week holiday without worrying.

A little bit of forward thinking goes a long way to-

wards creating a place you can be proud to say is connected to your house - so stop putting it off and start planning your garden now.

# LISMORE TIDY TOWNS REPORT

## OVERALL DEVELOPMENTAL APPROACH

Thank you for all the information sent with the entry form and for the superb maps which made it so easy to adjudicate the centre. You are obviously taking a very methodical approach to your involvement in the competition and the development of Lismore in general, and this is to be highly commended. Your Development Plan is excellent. However, you should try to identify what you can realistically achieve within your physical and financial resources on a year by year basis. The objective is to have most items covered at the end of the 5 year period. Do not try to do everything together. This only leads to frustration. Your overall approach is indeed a very good example of what other centres should be doing and you are to be congratulated on it.

## THE BUILT ENVIRONMENT

All your main buildings were again visited this year - the Heritage Centre, Church, Library, Community Centre, and St. Carthage's Cathedral. Schools, Fire Station, Credit Union Building and, of course, your superb Heritage Park of which more later. The Garda Station looked well and public toilets are well maintained. The Public Offices on the Tallow road are in lovely condition and the Hospital and its grounds were superb. The standard of maintenance on these premises is excellent and is a credit to the various bodies which are responsible for them. Work on the Famine House was also noted and is progressing well. Most commercial premises throughout the town looked well. Some, however, looked tired and could do with refurbishment. The Lismore Hotel, situated as it is in the centre of town, is also being well maintained and the Monument is a lovely feature.

## LANDSCAPING

The Millennium Park is superb. The highest congratulations go to all concerned. It is remarkable what has been achieved in the Park over the last twelve months and must now, side by side with Lismore Castle Gardens, be one of the major attractions in the town. Great credit is due to all concerned and the Park will be entered for the Landscape Award. All landscaping sites marked on your map and mentioned in your report were visited. The display outside Lismore Hotel is indeed magnificent and is complimented greatly by the landscaping carried

out on the Cappoquin approach road, at the Grotto and its immediate surroundings, at St. Carthage's Cathedral, and indeed right throughout the town. The hanging baskets on the Millennium Park wall creates a lovely effect as indeed do window boxes, tubs of flowers and other hanging baskets presented by individual households and business premises. On adjudication day, they were a joy to behold. Well done to all concerned.

## WILDLIFE AND NATURAL AMENITIES

The sites at the Canal and the Tallow road were visited but, unfortunately, on adjudication day, wild life was not to be seen. This is not unusual particularly when the weather is bad. The interest of the Schools and the Gun Club are noted and are to be encouraged. By way of items that can be physically seen at all times, it is suggested that you might consider the provision, say in the Canal area, of feeding tables and nesting boxes for wild birds which would create a nice atmosphere and be of further attraction for visitors. Perhaps this is something that the school children could take on

## LITTER CONTROL

Lismore was practically litter free on adjudication day. Congratulations to all concerned. Minor littering was to be seen in the car park attached to the Lismore Hotel (much improved on last year) and in the Upper New Street area. This is something which needs to be monitored constantly during the adjudication period.

## TIDINESS

On adjudication day the town was presented in a very neat and tidy manner. Pallet storage was seen and your comments were noted. Hopefully this is a problem which will solve itself in due course.

## RESIDENTIAL AREAS

The new housing estates at Mountain View, Lis An Oir and Beachgrove were visited. Hopefully these will be completed by next year and will be a tremendous addition to Lismore. The building sites are naturally untidy but this has been taken into consideration when adjudicating. Most houses throughout the town looked well. Some, perhaps, could do with a coat of paint. Lismore has a number of mature housing estates, most of which were visited and were found to be in good condition with their open spaces being generally well maintained. Due to the wet weather some open spaces were slightly over-

grown and need constant cutting. Many individual residences had lovely gardens in full bloom which created a wonderful atmosphere and all concerned are again to be congratulated. Some derelict sites or closed up houses were noted but these were the exception, rather than the rule. Where derelict sites exist, you should make contact with Waterford County Council who, under the Derelict Sites Act, are empowered to take action against site owners where necessary.

## ROADS, STREETS AND BACK AREAS

Approach roads were again very well presented and street furniture has been well maintained. Road surfaces and pathways were excellent and, in this respect, great credit is due to Waterford County Council.

## GENERAL IMPRESSION

The wonderful improvements in Lismore over the past number of years are a credit to your Committee and your community and your interest in the preservation of the environment in which you live. You are fortunate to be so well endowed with many fine buildings and a

lovely rural setting which makes Lismore a joy to visit on each occasion. As mentioned last year, good planning and attention to detail can only lead to national recognition.

## SECOND ADJUDICATION (03/08/02)

The positive comments of the first adjudicator are heartily endorsed by the second.

The Lismore of the present day probably possesses a greater sense of confidence and prosperity than at any time in its varied history. Good taste and imagination go hand in hand. There is both dignity and entrepreneurial panache.

(Incidentally, there must be a huge demand for a first class coffee/tea shop in this highly visitor-motivated town; the choice at present fails short of the standard expected.)

While there are still some blemishes, these are known to the committee, and are minor. All the voluntary groups and the official bodies listed, as well as individual householders and business people, deserve the highest commendation.

## CHANGE IN AGLISH POSTAL COLLECTION ARRANGEMENTS

The alteration of postal collection times in AGLISH village in West Waterford has been welcomed by Dungarvan Area Councillor Fiachra Ó Céilleachair.

Complaints on inconvenience caused to local people due to the early collection time of 12.45 pm were highlighted by the AGLISH Development Group and featured as a major issue at a public meeting attended by local Councillors in April 30th of this year. Following this, Cllr. Ó Céilleachair made written representations to the Group Chief Executive of An

Post, Mr. John Hynes outlining local desires for a more convenient later collection.

Following a review of the collection arrangements in AGLISH, Mr. Hynes has written to Cllr. Ó Céilleachair to confirm that a later collection time of 2.45 pm is being applied to AGLISH on a trial basis. The new arrangement was introduced from the beginning of September. Cllr. Ó Céilleachair has welcomed the Group Chief Executive's written assurance that this arrangement will be made permanent if it proves successful.

# RECENT DEATHS

## Late Philip John Gibbs

We write in sadness and with regret on the passing at Waterford Regional Hospital on September 5th after a short duration of illness of John Gibbs, 'Riahteoha', 4, Seapark Avenue, Abbeyside who was a Londoner by birth and was aged 65 years.

John who resided most of his life in South Wales and was married to Bunny (nee Lowe). Employed in the glass and pharmaceutical industry all his life, on his retirement Bunny and himself returned to Abbeyside. John was mustered keen on all sports, he coached junior soccer and was very much to the fore in schoolboy football.

Naturally living as a Welsh man the oval ball was close to the heart and many a time he was part of the devoted faithful at The Arms Park. He loved Welsh Choral music especially The Blacnavon Male Voice Choir and The Morrison Orphens Choir. His home in Seapark

Avenue was his pride and joy as he relished nothing better than the outdoor challenges and delights of gardening. His beloved dog 'Gunner' was over the years his faithful friend.

Reposing at The Kiely Funeral Home where prayers and rosary were shared by Fr. O' Doherty P.P. John's remains were brought to St. Augustines Church, Abbeyside for the Funeral service on Saturday morning. Fr. Doherty P.P. was Mass celebrant with the readings by wife Bunny and Kevin Dowling. Prayers of the faithful were read by Helen Bannon while Lorraine, Tina, Bridie and Ruth brought the offertory gifts of bread and wine, portraits of John's mother Ana, a photograph of the already mentioned 'gunner' to the altar. Welsh music was played while John's coffin was draped with the Red Dragon of our near neighbours across the Irish Sea.

Fr. Doherty P.P. in his homily mentioned John was born as an Englishman, lived life as a Welshman and died as an Irishman. We gathered in the adjoining cemetery for final prayers, blessing and to bade a fond farewell to John as he was laid to rest in the soil of his adoptive Ireland.

We sympathise with wife Bunny, his brother Laurence, sisters-in-law Linda and Sue, brother-in-law Bill, his nephews Philip, Martin, Michael, Christopher, niece Lorraine and many other relatives and friends, many of whom had travelled overseas to pay their respects to one of nature's true gentlemen.

## A TRIBUTE TO THE LATE SEAN HICKEY, ENGLAND

DIED 13 JUNE 2002

Reflection

Sean was like a breath of fresh air, cheerful and honest. No favour was a struggle, he was always willing to lend a hand.

From the moment I met Sean in Cappelquin, I knew he was a genuine friend.

Over the years my family formed a special bond with Sean.

We looked forward with anticipation to his yearly visit to Cappelquin, as he did.

The phone call's on a Sunday were a joy to hear, as sure as we'd put the first bit of dinner on the fork the phone would ring, and everyone would utter the same words "That's Sean".

It's difficult to lose a friend, but deep in my heart he will live forever.

Those we love don't go away, they walk beside us every day.

May your laughter echo in heaven as it did on earth.

Silent thoughts sincere and true, from a friend who thought the world of you.

Goodbye, I will miss you my friend.

From Maria.

## St Michael's Holy Well Tubbernahulla.

The annual Mass at St. Michael's Holy Well, Tubbernahulla will be celebrated on Sat. Sept 28th at 10.30.am. Thanks to all who care for

the well and its surrounds and also to those who prepare altar and seating for the congregation. As it is our last open air Mass for the year do come and join in prayer and we will be praying especially

for the success of our parish mission Oct 20th- 27th.

### Preparation for Parish Mission

As a preparation for the mission on Oct 20-2th parishioners are invited to organise an half hour of prayer in their home before the Blessed Sacrament brought by an Eucharistic Minister. A prayer card will be supplied. If you are willing to host the prayer you are invited to ask your close neighbours, both those familiar with Church going and those maybe a little less familiar with Church. You are kindly asked that no tea or refreshments be given. This is a request from Fr. Charles Cross, Passionist Father who will lead the mission. Please contact Fr. Michael Cullinan for more details.

### Celebrate World Heart Day with Ballyduff Walking Club

Sunday next Sept. 29th is World Heart Day and the Irish Heart Foundation is encouraging everyone to come out and walk on the day. Ballyduff Walking Club will

take part by leading two flat road walks for anyone interested.

Route one, will be a light leisurely walk around "the ring" via Lyons Cross and Cloonbeg. This is a three mile walk intended as a healthy enjoyable walk for people not used to walking long distances or anyone who would like to take up walking at a leisurely pace. Walk Leader on this route will be Nora O' Sullivan. All interested, please meet Nora at St. Michael's Hall at 1.30 pm.

Route two for longer walkers and club members will be a ten mile road walk into Lismore via the main road (R666) and return via the Glencairn Road. We will have a brief rest stop in the Millennium Park in Lismore. Walk leader on this route will be Michael Flynn and again we will leave St. Michael's Hall at 1.30 pm. Collectors on both walks will have buckets so please be generous if you see our walkers, as any funds raised will go to the Irish Heart Foundation.

# BONMAHON NOTES

## NUALA IS HOME

After spending many months touring different countries such as Malaysia, Vietnam and Australia I happened to run into Nuala Kirwan by chance at the launch of the new theatre in Kill last week. Over the summer months Nuala travelled through all of these countries and her experiences were just out of this world. She has so much to report that I couldn't put it on paper. I would like to thank Nuala for her continued support of the local notes and wish her every success in the future. No doubt she will be back in the Gaelach Gorm group shortly teaching the children plays and sharing her stories of her recent travels.

## PRESTIGIOUS AWARD

Congratulations to the teachers and students of Knockmahon School who will be presented this week with a special community award for schools by the Irish Independent Newspapers. The school will receive a gold medal and 2,500e to be pumped back into their small rural school. Over the last two years, Knockmahon has grown strong in student numbers. It has new teaching staff and is a shining example to all the other schools throughout the County. School principal Gretta Whelan is so excited about the children's award is that she invited reporters from all the local newspapers to join her and her students on Wednesday next the 25th of September at 11am. Just to congratulate everyone in Knockmahon school for the marvellous work they do. Well done to everyone.

## GEALACH GORM

## STRADBALLY NOTES

### IRISH TIMES PUTS THE SPOTLIGHT ON SEWAGE POLLUTION IN STRADBALLY

-a report by Róisín O'Shea

Last Saturday The Irish Times carried a page two story by journalist Colman Cassidy entitled, 'Pollution of bathing area takes gloss off Stradbally's Gold medal'. Mr. Cassidy was alerted to the sewage problem in a series of articles carried in the local media, which detailed the problem being caused by raw sewage being discharged untreated into the Tay river at Stradbally Cove. At the last County Council meeting Local

Fianna Fáil Cllr. Tom Cunningham raised the issue, telling the Council that he was disappointed at how slow things were moving regarding the sewage scheme and asked the County Manager to push things along. Mr. Colman's article outlined the criteria for the Entente Florale competition which stated that the aim of the European-wide competition is to encourage the development of an improved environment for urban dwellers, specifically development which is environmentally and ecologically sensitive, criteria that would certainly not encompass raw untreated sewage from new housing developments being disposed of in the current environmentally destructive and unsafe manner as is happening at Stradbally.

### SIGN REMOVED DURING ENTENTE

A sign warning residents of Stradbally that water from 'Lotty's well' was unfit for human consumption erected by Waterford County Council mysteriously disappeared just prior to the judging period of The Entente Florale competition. The well has been used by people for years who believed that the water was pure, and is prominently located on the road to the Cove in front of the well-known Cove Cottage. The sign has now suddenly reappeared. "Whoever removed that sign is ethically and morally bankrupt" said Paul Walsh of Stradbally village, "it seemed to be just an exercise in denial, I doubt if anyone brought up the issue of the sewage at the Cove either".

### STRADBALLY NO WORSE THAN OTHER TOWNS

Mr. John O'Sullivan Senior

Executive engineer in the County Council's Sanitary Department is quoted in the Irish Times as emphasising that conditions in Stradbally were not that much different from other towns in Co. Waterford. A statement that would certainly be supported by residents of Ardmore, Dunmore East, and Tramore who are also dealing with sewage problems on their well-known beaches.

Mr. O'Sullivan also indicated in the Irish Times article that a preliminary report on the provision of proper sewage facilities for Stradbally and a number of other growth areas in the County was being finalised at present for the period up to 2005 prior to submission to the Department of the Environment for assessment. In fact the initial draft reports were carried out between August 2001 and November 2001 by Petit & Co. Consulting Engineers who were asked to amend those reports by Waterford County Council, almost a year later this does not appear to have taken place as the preliminary report is evidently still pending.

In a letter dated April 17th 2002 from Dónal Connolly County Manager to Tom Hickey Chairman of the Stradbally Tourism & Enterprise Group, the Manager stated the following, "The preliminary reports should be completed by the end of May 2002". The Manager also confirmed that the schemes including Stradbally had already been included in the investment programme for 2002-2004.

### ELIMINATE RISK TO HEALTH

The Irish Times concluded with an interview with Laurence O'Connor, the South Eastern Health Board's Environmental Officer based in St. Josephs Dungarvan. He confirmed that the situation at Stradbally Cove was being monitored on an ongoing basis. When asked why warning notices had been placed in the Cove, Mr. O'Connor is quoted as saying "Our brief is to eliminate the risk to public health, that is why the public notices went up". Mr. O'Connor also commented that he hoped the problem would be a temporary one, and that proper treatment facilities would be sanctioned

soon by the Department of the Environment for Stradbally. The incredible achievements of the Stradbally Tidy Towns Committee should not be overshadowed by the lack of a sewage treatment facility, but until the pollution problem at the Cove is rectified Stradbally cannot truly aspire to the mantle of being an environmentally and ecologically sensitive location.

### SEWAGE & DRINKING WATER ON AGM AGENDA

The AGM of the Stradbally Tourism & Enterprise Group has been set for October 14th at 8 p.m. in Stradbally GAA club. The Enterprise Group comprises of residents who wish to actively promote Enterprise and Development that is complimentary to the assets and environment of Stradbally and to promote Tourism and Tourism based business in the area, while protecting the environment and archaeological/historical sites of importance. Annually the Enterprise Group holds a Christmas Craft Fair to promote local enterprise and crafts, the Ceol & Craic Festival on the August Bank holiday weekend to promote traditional music and dance, takes part in the Designer/maker show in Waterford City held by the County Enterprise Board showcasing local talent, and supports the monthly Community market in the Barron hall run by a sub-committee. All are welcome to go forward for places on the Executive, the only criteria being that you live in the general area of Stradbally parish.

Nominations should be submitted to any current Executive member or to Don Sutherland at 051-293030 or Tom Hickey at 293219. The AGM agenda will include the issue of sewage pollution at Stradbally Cove, the poor quality of drinking water, and the lack of a Garda in the village.

### CONGRATULATIONS

Congratulations go to Mary Ellen O'Reilly, daughter of proud parents Tom and Catherine O'Reilly of Glen Rd. Kilmacthomas, who was conferred at U.C.C. last week graduating in History and Sociology.

### SYMPATHY

The death took place in Cape Town last week of Ken O'Brien who was well known in the Bunmahon area before he emigrated.

Sincere sympathy is extended to his sister Deirdre Casey, Coastguard road, Bunmahon, brother-in-law Tony and nephew Brian, in their bereavement. Ken is also survived by his wife and family, sister Maeve in Australia and Emer in Dublin.

### SCHOOLS-a report from Holy Cross

The primary schools are settled down once again to a new year and already the local boys and girls schools have been in action on the playing field. Last week in Kilgobinet it was one up and one down with the boys winning against Coolnamsear, but the girls not so lucky against the same school. Great credit is due to teachers Coonie Di Fusco and Mary Crowley, along with Robin Aherne who can always be relied on to help. There was also great involvement on the part of parents in providing transport for the children, and this is much appreciated.

### STRANGERS-a report from Holy Cross

Any ideas as to how best to organise a get-together of people who are new to the area would be appreciated. It is hoped to do something in the near future, but whether it should be done on an area basis or just one general gathering is the big problem. Welcoming the Stranger is the theme of this year's mission alive campaign, which ends on Mission Sunday October 20th.

### ENVELOPES-a report from Holy Cross

The weekly envelopes are being returned on a regular basis by a fair percentage of parishioners, but there is always room for improvement!

The month of October will see two extra envelopes in the box to be returned, one for October 6th which is the Autumn collection and then two weeks later the extra envelope will be for Mission Sunday.

### ENTENTE FLORALE-a report from Holy Cross

It was a lucky omen to maintain the replica of the Cove in Holy Cross Church until the good news arrived of a Gold status success. Full marks to the ladies who have looked after it since July and also the flowers and shrubs in the gardens and car park, which are still in bloom and much admired.

### DAIRYING

#### PASTURE CARE IN OCTOBER

##### ● Pasture damage at this time results in:

- Less grass next Spring and throughout the year.
- Reseeding, due to invasion by weeds and weed grasses.
- Sub-soiling or drainage due to soil compaction.
- And, ultimately, lower profits.

##### ● What are the "don'ts" of October grazing?

- Don't allow animal roam over large fields of bare pasture (very common)
- Don't allow animals walk over grazed areas to the next grazing area.
- Don't "strip" graze from the front to the back of a paddock.
- Don't graze animals while it is raining heavily or immediately afterwards.
- Don't spend more than 48 hours (ideally 24 hours) grazing any block of grass.
- Don't let animals use dirty roadways or gaps before walking into "nice" grass.
- Don't apply any more Nitrogen
- Don't graze new reseeds in wet weather
- Don't let grass covers get too strong as they take longer to graze.

##### ● What are the "do's" of October grazing?

- Do graze out areas in block (suarish), not rectangular because less walking damage is done.
- Do graze paddocks from the back, having walked over good grass at front of paddock.
- Do remove animals from fields after 3-4 hours grazing, particularly, if conditions are wettish.
- Do have several entrances to paddocks.
- Do construct permanent or temporary "spur" roads for getting cows into long or awkward fields.

##### ● New reseeds should be sprayed for seedling docks and chickweed if present.

- Essential piece of advice.
- Use Legumex Extra or Allistel
- For docks only use Legumex, Acumen, or Nintex.
- New reseeds should be grazed to thicken the sward.
- Graze at low covers, that is, more often.
- If they are particularly thin apply 20 units of N and graze again in 15-20 days.

##### ● Use calves or sheep - dry weather.

##### ● Get a soil test and apply your O's now:

- 1 to 1.5 bags 0:10:20 is all the grazing area needs.
- 2-3 bags of 0:7:30 for the silage fields.
- Good levels of P & K will promote more Autumn/Winter grass growth.

##### ● Empty out slurry tanks now:

- Fierce damage (rutting) and soil compaction is done by vacuum tankers on wettish ground
- So plan spreading carefully.
- Apply 2000 gallons per acre on silage fields, never on grazing fields.

## CLASHMORE GOES THREE STEPS CLOSER TO SUCCESS

(2001-214 marks)  
(2002-217 marks)

This year Clashmore village gained a further three points in the annual Tidy Towns Competition. A pleasing result for the small hard working committee who year after year do trojan work in preparation for this competition. Without a bigger community input it is felt no major progress will be made. Maybe next year we will have a larger volume of voluntary support - some new faces would be nice!

### Overall Development Approach

Although Clashmore is not a very big centre the recommendation is however that, in conjunction with Waterford County Council, FAS, your local Regional Tourism Authority (based in Waterford) and other interested parties, you would draw up a 3 to 5 year plan on which you would endeavour over that period to identify what environmental projects need to be undertaken over that period within your physical and financial resources. Thank you for all the information sent on the entry form and the map which was most useful on adjudication day.

### The Built Environment

The distillery continues to be the most prominent building in the village and is being well maintained. Your church and school look exceptionally well again this year and it is gratifying to read the heritage centre has now been completed. Unfortunately it seemed to be closed on adjudication day. Business premises in the village looked well and congratulations are due to all concerned.

### Landscaping

The area around the grotto and other landscaping planted in previous years is now maturing nicely and creates a nice ambience around the village. The river area in the vicinity of the distillery looks very well as did the river walk which is being very well maintained. It's open spaces are very neatly cut and the seating and picnic table greatly enhance the overall impression. Well done to all concerned. Tubs of flowers and hanging baskets, where present, looked well looked after on adjudication day. St. Machua's Well was beautifully presented.

### Wildlife And Natural Amenities

Raheen Quay was visited. While somewhat outside an adjudication area, it nevertheless represents an ideal site for a wildlife project and wild birds were to be seen on the day. In the event, this particular project needs to be sign posted and an information board provided at the

end of the walk. Closer to the village and perhaps near the river walk. It is suggested that the introduction of feeding tables and nesting boxes would attract other bird life and would create a nice atmosphere in that area.

### Litter Control

Again this year, Clashmore was practically litter free on adjudication day, obviously the activities of your litter teams are having a beneficial effect. Congratulations to all concerned.

### Tidiness

The village was presented in a very neat and tidy manner and reflects greatly the interest which your residents have in their living environment. Again a very big "well done" to all concerned.

### Residential Areas

Your comments regarding new housing estates are noted. Those that are near completion look very well and their boundary walls greatly enhance that whole area. The untidiness created by this building programme has been taken into consideration and does not militate against you. The adjudication looks forward to seeing these projects completed next year. Individual houses are being very well maintained and some had great gardens which again were in full bloom this year and looked magnificent. Again many congratulations are due to all concerned.

### Roads, Streets and Back Areas

The early part of the approach road from Youghal looks very well with a nice stonewall and some nice landscaping. In general approach roads look reasonably good but could do with some trimming. In this connection, comments made in last year's report are still applicable. Road surfaces and pathways within the village are being well maintained. In this respect, great credit is due to your County Council.

### General Impression

Clashmore again looked very well this year, but comments made last year regarding planning and attention to detail are still applicable. If you are to progress further in the competition you will need to plan on a year to year basis what you can realistically do and achieve. In this way additional marks will come to you. Your ambition should be amongst the top.

Our Under 15's travelled to An Ghaeltacht last Sunday for their first game of the season. I was very disap-

pointed with certain players not turning up when they know we need them. I just don't understand them signing up forms and then letting their mates down.

The above match was played on a lovely day, dry and sunny. We had some good football from both teams in the first half playing up the slope. We created enough chances, but only managed the one goal from Shane Marks, which left us 2-1 down at half time. The second half was a repeat to the first, even with a well taken goal from Emmett Kelly, we still came away without the result we wanted. We will have training on Friday 27th September at 6 o'clock, on the same night any Under 18's interested in training with the seniors at 7 contact PRO Len Rodgers.

To date we have some excellent stands booking their places and Christmas shoppers are assured that this year it may be possible to do all your Christmas shopping under one roof.

If you would like some space at the craft fair to sell your wares and you have not yet been contacted by a member of our committee please phone 024 96486 for further details.

## IFA EXECUTIVE MEETING -

### CHANGE OF DATE FOR YOUR DIARY

Harry Gray, Waterford IFA Co. Chairman wishes to inform Executive members that the October Waterford IFA Co. Executive meeting will be held on Tuesday, 8th October, 2002.

### DEVINE CRITICISES DEPARTMENT'S DELAY

#### IN IMPLEMENTING BADGER CONTROL PROGRAMME

Waterford IFA Animal Health Committee Chairman James Devine has strongly criticised the Department's delay in implementing its badger control programme as agreed under the Programme for Prosperity and Fairness (PPF).

Mr. Devine said "the recent report issued by Veterinary Ireland supports IFA's contention that the badger population harbours a major reservoir of TB infection and unless an effective badger control measures are put in place, TB will never be eradicated in Ireland. Various reports from the Department show TB infection levels in badgers ranging between 22% and 28%". The Chairman said "the Department's three year delay in making the wildlife unit operational is totally unacceptable as farmers are the ultimate victims of avoidable TB spread. TB in badgers is highly contagious and unless this reservoir of infection in wildlife is significantly reduced in the short to medium term, reduction of the incidence of TB in the cattle herd will never be achieved".

The IFA man said "the Department must take a much stronger approach in the measures it employs to control TB in badgers. A major cost benefit to the state and farming communities will be achieved by doing so. In addition, badger welfare will be improved if diseased animals are removed from the badger population".

Concluding, Mr. Devine said "livestock farmers have suffered major financial losses because of the Department's inability to manage the disease eradication programme properly. Unless a scientific and pragmatic approach is taken to TB control in wildlife, the disease will never be eradicated. IFA is prepared to co-operate closely with Veterinary Ireland to put pressure on the Department and to ensure that the problem of TB in wildlife is fully addressed".

### FRENCH SEEKS EXPLANATION ON SUGAR QUOTA CUT

The Chairman of IFA's Sugar Beet Section Willie French, has called on Minister for Agriculture Joe Walsh to seek an immediate explanation from the EU Commission why the amount of sugar to be declassified for this year, under WTO arrangements, will now be almost double what was signalled by the Commission in July.

Mr. French expressed amazement that the size of the tonnage now being proposed is in the region of 977,500 tonnes of sugar across the EU, when only in July the Commission was forecasting a declassification of would be 500,000 tonnes.

A decision on the final tonnage is to be taken at the Sugar Management Committee meeting in Brussels on Thursday next 19th September.

### SONNY LANDERS WINS PRESIDENT'S PRIZE

In glorious conditions in Dundrum Golf Club on Sunday last Sonny Landers was once again in the winners enclosure, capturing another 'major'. The heavily sanded golf course curtailed the scoring, but Sonny held on to win from his brother Pat on the back nine. Jimmy Hornibrook was third with just one point behind. Category one was won by Pat Morrissey, category two was won by Michael Landers, category three going to Eddie Fraher. The society president Mr. Edward Budden thanked the large crowd who played and congratulated all the winners as well as praising all who helped him throughout the year.

Due to the unavailability of members our planned outing to Waterford Golf course on Sunday next has been deferred. The new date is the 20th of October with tee times starting at 1.20 p.m. sorry for any inconvenience caused. Lastly all members take note that the societies AGM will take place on Wednesday 2nd of October at 9 p.m. sharp in the Blackwater House, hoping to see you all there.

## Cappoquin Soccer Club Notes

### Liam Fitzgerald Cup BALLYDUFF & CAPPOQUIN 1

Last Sunday we played our first competitive game of the season away to Ballyduff in the Fitzgerald Cup. We started very brightly despite missing four of our first team regulars through injury and holidays. We attacked Ballyduff from the start creating numerous chances with Paudie Landers, Pat Sullivan and Magic going close. Then midway through the first half we got the breakthrough, a fine cross from Paudie found Magic who rose highest to head against the crossbar, fortunately the ball came back out to him and he made no mistake with his second headed effort to put us 1-0 up.

We created some more good chances towards the end of the first half, through some fine work from Pat Sullivan and Martin Lacey but at half time we remained 1-0 up. Ballyduff pressed hard in the second half in search of an equaliser, but Morro in goal pulled off some fine saves and Moch and Tosh in the heart of defence dealt with everything superb. Magic and Colin Landers had a few chances later on but the score-line remained the same. The effort was good overall and we hope to have our full panel of players back playing soon.

Team: D. Morrissey, K. Casey, T. Henneby, M. Power, L. Lacey, M. Lacey, Martin Lacey, P. Sullivan, P. Landers, C. Gleeson, T. O'Donnell.

## RAILWAY ATHLETIC FC NOTES

### UNDER 15 LEAGUE

**Railway 4 Kilmac 2**  
On Monday week last our Under 15's got a deserved 3 points over a dogged visiting team to earn their first win of the season. Railway got off to the best possible start and were 3-0 up within the first 15 minutes when Paul Murray scored an excellent hat-trick.

Railway completely switched off in the second half and Kilmac scored two goals within the first 15 minutes but somehow held out and we made sure of this with 2 minutes to go, when following a brilliant run and finish from Mossie Collins.

Well done to young Keith Power who had a wonderful game for Railway.

Team - Ian Mason, Killian Denn, Paul Barry, Gearoid Coughlan, David Kett (Capt.), Jason Duhig, Mossie Collins, Keith Power, Anthony Condon, Glen Morrissey and Paul Murray.

**Youths v Division 2 Side**  
Next Sunday, our Youths B team will play a friendly against the Division 2 side in the Danes Field at 2pm.

### LOTTO REACHES A MASSIVE 5,250 EURO

The four 15 Euro consolation prize winners were - Declan Costello Cobh, Mary Allen Main St., Carmel Dalton and Conor Prendergast. Next week's draw will be held in Walsh's Hotel and the jackpot will be a very impressive 5,250 Euro, so get your tickets in folks.

### UNDER 16 LEAGUE

**Railway 3 Southend 4**  
Last Thursday night our Under 16 team went down rather unluckily to city side Southend 3-4. In a game where we had about 80% possession, it wasn't until the last 10 minutes that we realised we were in a match. Our scorers were Daniel Dransfield, Mossie Collins and Anthony Condon.

Team - Conor Molloy, Paul Barry, Shane Bennett, Derek Browne, David Kett, Mossie Collins, Paul Murray, Paul McGrath (Capt.), Jason Duhig, Daniel Dransfield and Jason Hodnett. Subs - John O'Connor for Murray (inj.), Anthony Condon for Hodnett and Ian Mason for Barry.

### MUNSTER CUP 1ST ROUND

**Railway v Bolton**  
Next Saturday we play Waterford Premier Side Bolton in the Munster Junior Cup 1st Round. After one disappointing first league display to St. Otteran's (in which a lot of our players were suffering from "food poisoning" we hope to bounce back against City side Bolton. We know that without 100% commitment and concentration we are at a hiding to nothing, so come on lads, get out there and have a go.

The match is at home in the Danes Field and your support would be extremely appreciated.

### WEDDING BELLS

Congratulations to Amanda White and club player Tom Mansfield who recently got married in Ballinameela church and later onto the Park Hotel. Thanks for a great day and best wishes for the future.

### INJURED LIST

Flynn. After a rousing chorus of 'Happy Birthday to You', Mrs. McCarthy cut the cake and thanked the club for its unexpected and generous gesture. She then honoured us with a lovely rendition of her party piece, 'Slievenamon'.

## AFFANE A.F.C. NOTES

### Liam Fitzgerald Cup 1st Round, 2nd Leg

### Affane 4 Gortroe 3

(Gortroe Win 9-6 on Aggregate)

On Sunday last we were at home to Gortroe in the first round, second leg of the Fitzgerald Cup. We had a mountain to climb after losing the first leg 6-2 in Gortroe last week.

Right from the start, we took the game to Gortroe and created a number of early chances. We took the lead after 10 minutes when a great cross from Jamie McGrath was finished to the net by James Maher. After this we completely dominated the game. Kieran O'Mahoney and Kevin Reddy both went close to adding to our lead before we scored our second goal after 25 minutes when Kieran O'Mahoney headed home a great goal after a cross from Mick Browne. We continued to dominate up to half time but had a lucky escape right on half time when Gortroe hit the crossbar.

The second half started the same way with Affane well on top, our third goal arrived after 48 minutes when Kieran O'Mahoney scored his second goal with another header after a great build up. After this we really piled forward looking for the vital fourth goal but inevitably we left gaps at the back and after 65 minutes Gortroe pulled back a goal. This knocked the wind out of our sails for a while and Gortroe took over and added a second goal on 72 minutes when they were rewarded a penalty which they scored. To the great credit to everyone on the team, we battled back and Adrian Cliffe scored his first goal for the club with a super header on 80 minutes. After this we were desperately unlucky not to get a penalty when Jamie McGrath looked to have been taken down in the box. In the very last kick of the game Gortroe broke away and added a third.

This was an excellent performance by every single player and hopefully will give us great heart for the league campaign.

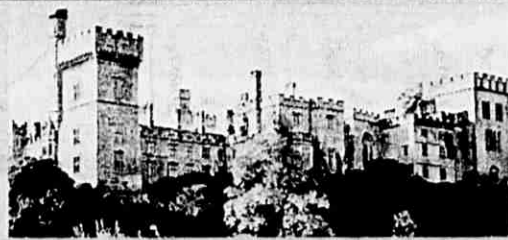

Team - Kieran Veale, Dermot Twomey, Michael Browne, Brian Denn, Richard Prendergast, Kevin Reddy, Jamie McGrath, Michael Prendergast, James Meagher, Kieran O'Mahoney, Adrian Cliffe and Denis Byrne.

## Cappoquin/Affane/Modeligo Community Games

The above club will hold its annual church gate collection at all Masses this weekend, your on-going support would be very much appreciated. We want to take this opportunity to thank you for your involvement and support in the past, and to thank all our sponsors.

# LISMORE NOTES

## Choral Evensong in Lismore Cathedral

St. Carthage's Singers will contribute musically to the Choral Evensong in Lismore Cathedral on Sunday, September 29th, 5.00p.m. It will be their first public activity after the summer holidays.

According to the church calendar 29th September is dedicated to St. Michael and All Angels. This angelic theme will be reflected in the choice of the psalm and the hymns. However, there will be a second theme in this service, the 150th anniversary of the birth of the composer Charles Villiers Stanford - he was born in Dublin on 30th September 1852. In view of this event St. Carthage's Singers will sing Stanford's Magnificat and Nunc Dimittis in B flat.

More music will be provided by two members of the choir, Tanya Schleich and Ian Fleming who will sing the anthem "Lord create in me a pure heart". One of the little sacred concertos by the German composer Heinrich Schutz. The usual prayers are sung by the Dean, the Very Revd. William Beare and the choir, they are composed by Jan van Putten, organist and choirmaster of Lismore Cathedral. All are welcome.

## Presentation Secondary School News

**Third Year Retreat** — The 3rd Year Retreat was held on Friday last. It was a very prayerful experience, some found it challenging but thought provoking and worthwhile. All liked the meditation. We thank Martina and Pat who came from Cork to work with the pupils for the day.

**The Sunday Game** — On Sunday 22nd of September, Lismore Camogie Club played against Ardkeen. It was a well contested match. Lismore started well and at half time the score was 1-4 to 0-2 to Lismore.

It was a very exciting second half with Ardkeen getting 2 goals. The Morrissey sisters Nicola and Tanya played very well in mid field, the equalising goal was scored by Lorraine Geoghegan. The final score was Lismore 1-6, Ardkeen 2-3.

**10K Fun Run** — We congratulate Susie Power, 3rd Year, who came first in the manual wheelchair section of the run which was held in Waterford Athletic grounds. A large crowd attended the race. Susie was delighted with her prize of Waterford Glass, well done Susie and best of luck in future races!!!

## C.L.G. LIOS MOR

### SENIOR HURLING CHAMPIONSHIP SEMI-FINAL

Sheer disappointment are the only words which can be used to describe the feelings of all after the Senior Hurling Final decider between Lismore and Ballygunner on Saturday evening last in Fraher Field, which took place in front of a very large crowd in glorious conditions. Lismore's scoring opened after eight minutes with an excellent goal from Dan Shanahan. We went in at half time trailing by eight points, however, when the second half opened, we put up a blistering attack and scored 1-5 in approximately 10 minutes with the goal coming from David Howard and points from Dave Bennett and Dan Shanahan. With nine minutes left to play and the crowd on tenterhooks, the teams were level on 2-8 apiece. In the dying minutes, Ballygunner came back and unfortunately for us won by the narrowest of margins. The lads must be commended on their outstanding display of hurling throughout the game and indeed throughout this

year and also for the time and commitment which they have given.

Team - Brendan Landers, Mike O'Sullivan, Dave Barry, Shane Kearney, Paul Fennessy, James O'Connor, Seamus Prendergast, Eoin Bennett, David O'Gorman, Dan Shanahan (1-4), David Howard (1-0), Paul Prendergast, William Cunningham, Sean Daly and Dave Bennett (Capt.) (0-7). Subs used - Barney Prendergast (0-1), Peter Howard, John Heneghan and Kieran O'Gorman.

### INTERMEDIATE HURLING CHAMPIONSHIP

Our Intermediate hurlers played An Rinn in the championship last Sunday in Dungarvan. Throughout the first half, it was level pegging with both teams going in at half time on a score of 0-6 points each. In the opening minutes of the second half Lismore were looking well until An Rinn got a goal which gave them great strength and they carried through to win 1-12 to 0-9.

Team - John McGrath, Rob O'Sullivan (Capt.), David

Whelan, Robert Lineen, Aidan Roche, Anthony Whelan, Mattie Prendergast, James Shanahan, Emmett Quann (0-8), Colin Kearney, Brian Leahy, Billy Walsh (0-5), Martin Ormonde, John Begley and Ollie O'Dowd (0-1). Subs used - Brian O'Connell.

### IT WAS A BUSY WEEKEND IN THE LIFE OF LISMORE GOLF CLUB

Rescheduled Keniry's of Tallow Open Qualifier was contested on Saturday in glorious sunshine and the scores certainly matched the conditions. Three players carded magnificent scores of 42 points culminating in a nail biting count back for the lads. The winner was seasoned campaigner Seamus Beecher (10) and a delighted winner he was. Seamus edging Bill Ronayne (13) into the runners up spot due to a superior last 6 holes. Bill in turn edging Paul Hickey (18) into third place due to a superior last 3 holes so it was very tight at the top. These 3 players being 3 points clear of fourth placed Brendan O'Sullivan (19) from Abbeyfeale with 39 points. Brendan the only outsider to claim a prize. The up and coming P.J. Ahearne (19) was fifth being edged out of fourth place due to Brendans superior back 9. Club President T.W. Murphy (2) won the first gross prize with an excellent 35 points, the second gross prize was won by Albert Corcoran (7) who has had a fine season, Albert with 29 points.

All the contestants were fed and watered on completion of these rounds, courtesy of Ted Keniry the competition sponsor, so well done Ted and the club would like to thank you for your efforts.

The ladies winner was Betty Joyce (22) with the best score of the day 44 points. The weather changed dramatically for our Sunday competition, very overcast with a bite in the air, it didn't stop Sean Buckley (12) from posting a great 40 points one point clear from president's prize winner John Kenneally (18), John keeping his good form going with a well worked 39 points. In the afternoon it was the climax to the juniors season as they played for the Captain's Prize, to them in the girls Gemma Tobin (43) picked a great day to come up with her first win with 19 points pipping Nicola Morrissey (33) by one point, in the boys it was the same scenario with John Ahearne (36) also coming up with his first win by the narrowest of margins from previous winner Owen Condon (30) both players with 27 points, John with a superior last 6 holes.

Lismore Golf Club would like to thank all our members who helped with the running of the juniors, who are the future of our club. Next weekend sees the Lismore GAA Golf Club Classic. The format being teams of 3 any combination 90e per team (meal included). Time Sheet in operation (058) 54047.

Set on a train en route from Paris to Frankfurt we shall experience a wonderful theatrical event. Although only two artistes take part in this play, the dialogue is enthralling and keeps one's attention to the utmost. ### Club meeting

A full committee meeting takes place this Thursday night at 9.15 in St. Patricks Hall. I'd be very surprised if we don't have a full house for this one.

### Sweeney in Line for Manager of the Year Award?

Following his teams impressive win in the final of the club games I would expect manager Tom McSweeney to be in serious contention for some award. Team captain Brian Henley and his team will receive the Jolly Tinker Trophy and their customised club wear at a special function in Lizzy Langtons on Sat Oct 5. Their is also an award for the outstanding player of the games. Should be a great night. Sween, I hear is working on his speech already. That alone will be worth hearing. Music by Rannacht. Tickets €5.

### Deise Draw

It's that time of the month again so make sure all returns are with our co-ordinator Liam Moroney in time for the draw.

### U-21 Hurling

Tallow play Ardmore in the Western semi-final in Cappoquin at 3.00 on Saturday 12 October. I saw our lads in the first round (a while ago now) against Colligan and they looked handy enough but they would need to seriously buck up if they are to have any hope of beating favourites Ardmore. Nothing short of full blooded commitment will suffice on the day.

### County Semi-Finals

Lismore staged a remarkable comeback in the second half against Munster champions Ballygunner and were desperately unlucky not to have got at least a draw. In the second game Ballyduff pushed Mt. Sion all the way and the scoreline at the end did not do their efforts justice. It was a typically spirited performance by the Village, epitomised by the remarkable Paudie Prendergast

who is still a more accomplished hurler than many of the more celebrated inter county stars on show.

### Former Club stalwart Reaches Half Century:

Best wishes to John Russell who celebrates his 50th birthday this week-end. John gave tremendous service to the club over the years, firstly as a player and latterly as a club administrator. He was one of the most efficient club secretaries we ever had. Many club members will be travelling to Cork on Sat. night to join the celebrations.

### Lady's Watch Found

A watch was found in the club dressing rooms after the recent girls football game against Clashmore. Owner of same should contact Denny Cunningham.

Talking of Denny. Have you ever seen the field in such superb shape. Denny has it groomed to perfection and many visitors have remarked on it. We are indeed fortunate to have this great clubman.

### Slan le Tinker

Their is never a dull moment when Tinker is in Town. Mike Prendergast, along with his wife Mary, daughter Maura Jean and sister Theresa arrived Fair Day for a couple of weeks vacation. Tinker donated the trophy for the club games and was at the final to present it to Basher. We send our best regards to all the family and the rest of the Tallow contingent in New York who, I know stay in touch with happenings in the club through these notes. Oh, by the way Milo, I owe you one.

### DUSHLAN na DEISE Visit of Naomh Columcille

Clar na deireadh seachtaine - programme for the week-end. Arrival at approx 3.30 Friday 4 Oct. Direct to Hurling Field for coaching session with Eamonn de Paor.

6.00 p.m. Meet with host families in St. Patricks Hall.

9.30 p.m. Table Quiz in Lizzy Langtons. Proceeds in aid of Naomh Columcille field development. Team of 4 20 euro.

### Saturday 5th:

10.30 a.m. - Coaching in field. We will have news next week on this but all going well we will have a very high profile inter county coach. Our own U-21's are welcome to attend.

12.30 - light lunch in Kearney's. (our thanks to Mick for facilitating this)

1.00 - Dushlan na Deise (Deise Challenge)

3 team round robin tournament with Shamrocks, Tallow and Naomh Columcille beginning at 1.00 and the

final fixed for 5.15. Full scheduled of games and times next week.

9.30. Ceolchoirm le Rannacht i Lizzy's. There will be a number of club presentations as well the presentation to the winners of the Dushlan na Deise tournament. We also hope to have the Munster Cup and a number of inter county players in attendance. Taille - 5 euro. Ta sar oiche geallta. Bi ann agus bi linn.

### Duirt Siad

"I was watching the golf in Mount Uniacke." Legend gets his mounts mixed up.

"There will be no investigation into your defeat Fada."

Jubilant winning manager Tom McSweeney consoles his opposite number Liam O after club final.

"He's that mean he uses both sides of the toilet paper."

Great one liner from the Tinker. (you don't expect me to say who he was talking about.)

"At 6.30 in the morning I was asleep and I felt somebody kick me in the leg. It was an officer and he asked me what my nationality was and where was my green card and I said I didn't have one. He radioed others saying "we've Irish up here up here and I need help."

Linda McHugh from Donegal, who was living and working in Boston illegally, speaking after her deportation from the U.S. along with 9 other Irish. (quote: Sunday Tribune.)

"As President George Bush said "When I was young and irresponsible, I was young and irresponsible."

Solicitor, defending two students caught in flagrante in Croke Park. (quote: Irish Times)

"Don't take any mistakes. We're not here for the craic!". An emotional Seamus Mallon before the game.

Justin McCarthy to Coach Tyrone Visitors

Waterford Bainisteoir Justin McCarthy will conduct a coaching session with the Naomh Columcille club during their visit to Tallow next weekend. More details next week.

### Orange Order Prevails

What a glorious day for the boys from the County Armagh. From Cullylann to Cullaville and on the Crossmaghen, spare a thought for poor Lahy, Knock and the "all warrior" Dick. It was a long lonely road back for the three lads. Lahy is taking it bad - won't even take my calls and I am only looking to console him. There's always next year lads - sorry I'm repeating myself - I think I said that last year.

## BRIDEVIEW UNITED AFC NOTES

### LIAM FITZGERALD CUP HAT TRICK FOR GREY

United had an easy victory over Valley B in Leonna on Sunday morning last, United should now advance to the Quarter-Finals.

On Saturday last our Under 16 team went down to Cappoquin by the odd goal in three. Our Under 12 team travelled to Ballymacoda to take on the local side but also no referee turned dup. It has to be said that last Saturday for the most part was a disaster for school-boys football and while I would be the last to be critical of anyone the committee did fall down in a big way on Saturday last and that applies to club and referees and this will have to be brought to a head sooner rather than later.

Now that I have got that off my chest, our lotto jackpot was not won.

### Results - Fitzgerald Cup Valley Rangers B 1 Brideview United 6

As the scoreline suggests, this proved to be an easy game for United. We took the lead after just 5 minutes when a Brian Henley corner was headed on by Denis Martin and Paul O'Brien shot home from close range. William Curley and Michael Keating both went close but United's second goal did not come until the 35th minute when Martin headed home from close range. It was all United now and 2 minutes later John P Grey got the first of his hat trick when he scored direct from a free kick. After 44 minutes Grey had his second and United's fourth when he scored from the penalty spot after Curley was brought down. At the break, United lead 4-0. We stretched our lead still further in the 55th minute when a Paul O'Brien cross was headed home by Keating. Rangers got a goal back in the 67th minute, but United rounded off the scoring when Grey struck in the 87th minute, this result should see the lads into the Quarter-Finals.

### Under 16 League Cappoquin 2 Brideview United 1

Michael Curley scored a terrific first half goal to give United a 1-0 lead at the break. While we had plenty of chances in the second half we just could not finish them to the net. The homeside however, did take their chances and scored twice in the second half to run out winners. Our lads are capable of playing much better and we hope they can put this defeat behind them.

United - K. Walsh, S. Power, S. McCarthy, P. O'Brien, K. Kearney, G. O'Neill, S. Kenneally, M. Sutherland, M. Curley, K. Casey and D. Hennessy. Reserves - G. Tobin, P. Smith, L. McCarthy, K. Henley and G. Hampton.

# TOURANEENA NOTES

## TOURANEENA GRAVEYARD

Over the past few years there has been great work done in the graveyard at Touraneena. Paths have been put down which make it much easier to access the various family plots and this is very much appreciated by the Parish. This job was enabled by the trojan work of Alice Burke and her fund raising committee. FAS keeps the graveyard in terrific condition by their cutting of the grass at regular intervals and thanks to Michael Power and his men we have one of the best kept cemeteries in the county. But there are two areas in which we can improve. Firstly, we can do a bit more to clean our headstones and paint our railings. Much has been done but more to do. Secondly the people of the area have been asked to peg out their plots in the graveyard so as to ascertain what ground maybe available or may not be available for burial ground. It is the intention of the parish committee to mark out areas in the new and old burial grounds which will be available for new plots to be taken. This available ground will be soon marked out with distinctive markings.

## KNOW YOUR RIGHTS

### QUESTION

A friend of mine, who spent part of his childhood in care, heard that the Department of Health and Children have set up a project to help people, who were in care as children, to access the records which the Department holds on them. How can he access his records?

### ANSWER

Among the records the Department holds, are records relating to institutions and to children who were in the care of the institutions. In order to establish what precisely these records contain a project called Access to Institutional and Related Records (AIRR) was setup in July 2002 to index these records. This project will identify files relating to such institutions and also relating to nursing, fostering, boarding out and hiring of children. Once these are identified they will be indexed in electronic format.

Applications for details of personal information held should be addressed to Freedom of Information Unit, Floor 2, Hawkins House, Dublin 2.

In order to process requests for records under the AIRR project, the Department needs as many relevant details as possible relating to the period in care together with full name and date of birth. Proof of identity may be required.

As soon as possible after receipt of a request, an initial search will be carried out under the requester's name. The Department will inform the requester if any relevant personal records are located. Records located during the AIRR project may be released directly to the requester or through an advocacy agency.

If you have already applied to the Department under the Freedom of Information Act for records, your details have already been added to the AIRR project search list and there is no need to reapply.

## MONEYMATTERS

### PLANNING YOUR WEDDING?

If you intend getting married in the near future, now is the time to talk about money. Most couples pay for their own wedding, so be sure you know exactly what funds you have available to spend. Setting up a budget together in the beginning will save any disputes about spending.

Decide what your spending limit will be and try if at all possible try not to exceed it. Divide up your budget into Invitations, Ceremony, Flowers, Clothes, Photographer, Reception, Honeymoon etc. Think about what your dream wedding would be like and then come back down to earth and look at your bank balance to see what you can afford. You can however have some of what you would really like if you shop around.

Try not to get too carried away with having a theme colour, wedding guests rarely notice if the accessories such as wedding invitations, envelopes etc. match. Consider printing your own invitations. If you or a friend is artistic ask them to do the work on the invitations as a gift and print them yourself!

For the wedding flowers, don't go for too many exotic coloured flowers, as this adds to the cost. Few enough people will see your bouquet up close, so some extra greenery here or there will not be noticed.

Depending on the design of the dress, shop around for off the peg dress styles or seasonal sales on material. If you are getting the dress made, remember the more intricate the design the dearer the dressmaker's fee.

Don't be embarrassed when asking about gifts. Many people now have a home already set up so do not need household items as gifts. Cash gifts are always welcome which will help defray wedding day costs. Alternatively if you are planning a honeymoon abroad, a travel gift voucher is a very acceptable gift. Finally, remember while your wedding is a very special day in your life, plan it in an affordable way. You should be able to enjoy your early married life with your partner. Debt and loan repayments for an expensive wedding could very easily lead to arguments. Budgeting the day within your means will lead to no financial regrets.

### Not Feeling Too Good

To Ackie Lennon of Carriegen to wish you a speedy recovery from your health problems and hope to see you out and about soon from all your friends in Kill and the GAA club.

### Hedge Rows

While driving around the locality over the past week one could not but notice the

vast improvements on all our ditches and hedge rows. With most farmers and landowners, the silage is saved and so is the harvest so now they are turning their attention to their boundaries and great credit to all those who have trimmed up their fences. Its a pleasure to drive in the areas that have been cut. Local man Anthony Murphy of Dunhill is doing a fine job. Let everyone keep up the good work.

### Gers Party

Congratulations to Ger Taylor who celebrated his 30th birthday last Thursday night. Music on the night was by Black Velvet and food was provided for all at the gathering. Ger was surrounded by all his family and friends to celebrate this occasion. It was a memorable night for all. Wishing you many, many more birthdays.

Are your children budding young writers wanting to win great prizes for their stories or poems?

The 2003 West Waterford Children's Writing Competition is now on! For full details, see the next issue of IMAGINE (out 10 October), talk to teachers or visit your local library. Sponsored once again by David Walsh Office, School & Computer Supplies of Dungarvan, the competition gives writers aged between 6 and 12 the chance to see themselves in print, be

publicly recognised and claim prizes worth many Euros. All they have to do is write a poem of less than 30 lines or a story of less than 600 words. The choice of subject is theirs! The tone can be funny, dramatic, angry, excited or anything, and written in any style they want. All the entry has to be is neatly typed (or written) and legible.

Tallow Writers' Group is very pleased that Grace Wells, children's author, has agreed to judge the competi-

tion. Grace is Literary Officer for South Tipperary Arts Centre, Clonmel, and has just published her new book 'Gyr Falcon' with O'Brien Press. She's very keen to be part of the competition and is looking forward to reading all the entries. The competition closes 31 January 2003, so the more entries the better! Kids can send as many entries as they like and it's all completely free! By the way, the Tallow Writers' Group is also doing more than just children's writing and

IMAGINE Magazine. It starts a new series of workshops on appreciating literature in October.

'On Literature' is your chance to get to grips with why novels work, what makes you read a book, and how to know instantly why you do or don't like something. You can attend the Dungarvan workshops, starting 15 October for 8 weeks, or come to the Tallow workshops, from 17 October (also for 8 weeks). Each costs a mere ?80.00 (discount for members). Call Mary McCarthy on 058-56290 for booking as there are only a few places left!

## Letter to the Editor

The Editor, Dungarvan Leader  
A chara,

I was one of those who appealed to An Bord Pleanála in relation to the granting by Dungarvan Urban Council of planning permission for the development of a shopping centre in the former Glanbia site. I wish to state at the outset that I am fully in favour of the idea of developing shopping facilities, and particularly a major supermarket, on this site. I have no vested interest in relation to the development, apart from my concern that the site should be developed in a manner which will respect the town's existing architectural heritage and which will integrate the site with the rest of the town centre.

It is important to point out that the planning permission was overturned by An Bord Pleanála because it was contrary to the urban council's own development proposals for the site. Those urban councillors who have been complaining about the planning appeal should appreciate that they themselves unanimously adopted the town Development Plan which contains these proposals.

It is also important to point out that An Bord Pleanála's decision was not a close-run thing, as some have tried to make out. In the Planning Inspector's report on the appeal, he concluded that the proposed development only fully met two of the sixteen criteria for the development of the site set out in the Development Plan. It partly met four others and failed to meet the remaining ten. Overall, the inspector found that the proposed development was essentially suburban in nature and inappropriate to a town centre location.

He also found that the development would create a traffic hazard which would endanger public safety (especially that of pedestrians).

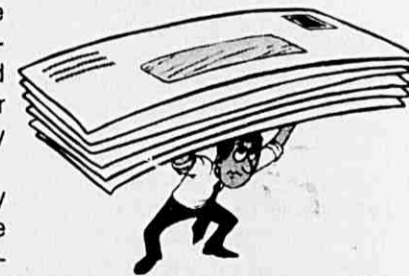

One might reasonably ask how come the council gave permission to a proposal which was so much in violation of the town's own development plan.

Many observers have voiced concern that Dunne's Stores might pull out of their proposed involvement in the development if there are further lengthy delays in getting the project under way. Again, it is important to point out that Dunne's Stores are involved in this development for their own benefit, not for the benefit of the people of Dungarvan as such. Whether or not they decide to locate in Dungarvan will be based purely on commercial considerations, and not on any irritation based on planning delays which are the norm for any major shopping development in this country. With all the residential development that is going on in Dungarvan at the moment, it seems likely that the commercial outlook for a major supermarket will, if anything, improve in the coming years.

Is mise, le meas,

## DISABILITY AWARENESS

### Leukemia

#### What is Leukemia?

Leukemia is a form of cancer; it is cancer of the blood cells. The blood is made up of a fluid called plasma, and three types of cells and each of these cells has a special function. **White blood cells** help the body fight diseases and infections; the **red blood cells** carry oxygen from the lungs to the body's tissues and take carbon dioxide from the tissues back to the lungs. The red blood cells give the blood its colour. **Platelets** help form clots that control bleeding.

Blood cells are formed in the bone marrow (the soft centre of bones), new blood cells are called blasts, some blasts stay in the marrow to mature, some travel to other parts of the body to mature. Normally blood cells are produced in a controlled way as the body needs them, this process keeps the body healthy. When leukemia develops, the body produces large numbers of abnormal blood cells, in most types of leukemia the abnormal cells are white blood cells. The leukemia cells usually look different from normal blood cells and they do not function properly.

#### Types of Leukemia:

There are four main forms of Leukemia, these are as follows:

**Acute lymphocytic leukemia** (which is common in young children, although it can also affect adults).

**Acute myeloid leukemia** (occurs in both adults and children).

**Chronic lymphocytic leukemia** (usually affects adults over the age of 55, although it can affect young adults).

**Chronic myeloid leukemia** (which occurs mainly in adults).

Hairy cell leukemia is an uncommon type of chronic leukemia.

In Acute leukemia the abnormal blood cells are blasts that remain very immature and cannot carry out their normal functions, the number of blasts increases rapidly and the disease gets worse very quickly. In Chronic leukemia, some blast cells are present, but in general these cells are more mature and can carry out some of their normal functions. So Chronic leukemia is usually a gradual process.

#### What are the symptoms of Leukemia?

Leukemia cells are abnormal cells that cannot do what normal blood cells do. They cannot help the body fight infections. For this reason, people with leukemia often get infections and have fevers. Some of the most common signs and symptoms of leukemia are as follows:

- Fever, chills and other flu-like symptoms
- Weakness and fatigue
- Frequent infections
- Swollen or tender lymph nodes, liver or spleen
- Easy bleeding and bruising
- Bone and joint pain
- Swollen or bleeding gums

#### Diagnosis of leukemia

Blood tests are used to diagnose leukemia, although blood tests may reveal that a person has leukemia, they may not show what type of leukemia it is. Further tests include examination of a sample of bone marrow by a haematologist, oncologist or pathologist.

#### Treatment

Treatment for leukemia is complex, and it varies with the type of leukemia and is different for everyone. Treatment is planned around the individuals needs. Treatments include medication, Chemotherapy, Radiation therapy, Biological therapy and Bone marrow transplant.

#### What the future holds

Researchers are finding better ways to treat leukemia, and the chances of recovery keep improving every day, and once treatment and recovery have taken place, most people will go on and lead a full productive life.

# Aglish Tidy Towns Report

### OVERALL DEVELOPMENTAL APPROACH

Thank you indeed for all the information sent with the entry form and for the map which was most useful on adjudication day. Your comments regarding the 3/5 year plan have been noted. This should be done in conjunction with Waterford County Council, FAS and your other partners and should identify what you can do over the period within your physical and financial resources. A tremendous amount has already been done and a very high mark has been achieved by the village. However if further progress is to be made it calls for planning and attention to detail.

### THE BUILT ENVIRONMENT

Your freshly painted Church, School, Glanbia premises, Garda Station, Hall and Post Office looked extremely well on adjudication day. Commercial premises in the village also looked well on adjudication day and are obviously being well maintained. Congratulations to all concerned. Your stone walls continue to be a feature of the village which, together with the Cemetery and the Grotto, are also being well maintained. The comment made by the second Adjudicator last year regarding corrugated roofs still applies.

### LANDSCAPING

All sites mentioned on your map were visited. In particular the area around the Church was noted and looks resplendent as did the river area. As last year, flowers on walls, in window boxes and hanging baskets create a lovely atmosphere in the village.

### WILDLIFE & NATURAL AMENITIES

While your comments under this heading are noted, the feeling is that you should consult the Tidy Towns handbook as to what is expected from such an initiative. For example, it might be interesting if initially you were to provide feeding tables and nesting boxes-for birds in the river area or in the School grounds. Perhaps it is a project which school children could get interested in. In any event, consult the Tidy Towns handbook and if necessary the Wildlife Officer of Duchas who will be only too glad to help. In the meantime, you will receive the same mark as last year under this heading.

### LITTER CONTROL

Aglish was practically litter-free on adjudication day. This is a great achievement and many congratulations are due to all concerned. It will be necessary, however, to keep monitoring this aspect of the competition over the adjudication period.

### TIDY TOWNS 2002

### TIDINESS

The village was again presented in a neat and tidy manner. However, open storage does not enhance one end of the village.

### RESIDENTIAL AREAS

Private residences in the village are being very well maintained. Some had lovely gardens in full bloom on adjudication day which were a joy to behold. This is obviously an important part of the competition for you and reflects greatly the desire by your residents to have a pleasant living environment.

### ROADS, STREETS AND BACK AREAS

Approach roads were well presented and verges showed evidence of trimming. Road surfaces and pathways are very good and the new footpaths were admired. This reflects well on your County Council.

### GENERAL IMPRESSION

You have maintained a very good standard again this year and there is obviously great co-operation between your Committee, public bodies and local residents for your

efforts. Planning and attention to detail will get you further marks in the competition. The Adjudicator looks forward to returning to Agish again next year to report further progress. In the meantime keep up the good work.

### SECOND ADJUDICATION (3-8-2002)

On second adjudication day litter control was as effective as before, but summer weed growth (encouraged by wet weather) was not coped with here as well as in other villages at the top end of the competition. Ragweed was prevalent in the agricultural property alongside the fine river amenity. The helpful suggestion of the first adjudicator regarding planning- and attention to detail' should be seriously considered.

It will be very interesting to read the schoolchildren's findings on the history of the burial ground. This admirable type of ancillary activity can not fail to create an interest in the locality and its environment for the next generation. Best wishes for this and for all your other activities.

## NURSE RETIRES

Congratulations and best wishes to Reena McDonnell who retired from the District Hospital, Dungarvan from her husband Pat, children Annette, Liam & Brian. Reena is the daughter of the late Paddy and Maura Spratt, R.I.P., Coolcormack, sister of Bernie, Pat, Justin, Bill, Michael, Jim and Joan and her twin sister Carmel in Australia and sister Anne in the Phillipines.

## News

### Shabby Treatment of Old Age Pensioners

Same thirteen old age pensioners residing at Saint Martins Place, Ballymacarbry have been treated in a shabby manner by Waterford County Council. Some two and a half years ago, they were promised street lighting by the County Engineer Mr. John O'Flynn and the news was conveyed to those people by local County Councillor Ciaran O'Ryan (FF) and

it was also published on the "Dungarvan Leader" of that period. The news was that the lights to be erected were stored in the Glanbia Yard at Ballymacarbry and would be erected in the near future. Some time ago, those lights were erected in another part of the village where there was plenty of lights already. Those pensioners at their ages, expect to be treated a

little better, promises to them are no good. Now with the coming of winter and the long dark nights we appeal to the County Council and it's Engineers and County Councillors to again have a look at the situation here at Saint Martins Place or are those pensioners forgotten about.

### Nire Valley Gun Club Duck Derby

In summer-like weather in the Nire Valley on Sunday last, there was a large crowd present for the annual Duck Derby, which took place below La Bartes Bridge on the Nire River. The prize winners were - 1st Maurice Halpin, Clogheen, Ballymacarbry, 2nd Tom Loneragan, Clonmel and 3rd Wayne Ryan, Curtiswood. After the Duck Derby, beautiful tea and sandwiches were enjoyed by all present.

### Dog Helps Farmer To Survive Hay Bale Ordeal

John Griffin Knockperry, Newcastle survived being trapped under hay bales at his farmyard. He was removing some young cats from his hay barn when he became trapped by a fall of bales. When his sheep dog found his master trapped he began to burrow his way towards his master which gave him air to breathe. On the following day, a friend called to the house and saw the sheep dog behaving in a strange manner running backwards and forwards towards the hay barn and there he discovered the farmer buried beneath the bales. He called in some neighbours and with their help they freed the farmer. He was taken to Our Lady's Hospital, Cashel where he was suffering from shock. On enquiries at the hospital, they expect to discharge him in a few days. He may thank his best friend, the dog for saving his life.

### Pretty Wedding

The beautiful picturesque Roman Catholic Parish Church of Saint Mary's, Schull, Co. Cork was the scene of a very pretty wedding on Saturday 7th September, the feast of Saint Claud. The contracting parties were Daniel, the youngest son of Dan and Ann Marie Desmond, Deerpark, Ballymacarbry and Lucinda, daughter of Etta and the late Patrick McCarthy, Station House, Schull, Co. Cork.

The marriage ceremony with nuptial Mass and Papal blessing was solemnised by Rev. Fr. Raga Mallebinnv, India. Also co celebrating were Rev. Fr. Michael Nolan P.P. Schull and Rev. Fr. Brian Cool, U.S.A. in the presence of the relatives and friends of the contracting parties.

The bride was given away in marriage by her brother James McCarthy. She looked charming and was attended by her friend Mary Walsh as bridesmaid, the best man was Patrick Desmond, brother of the groom and the flower girls were Chloe and Rebecca Davies, nieces of the groom.

With the church ceremonies over, the entire party left for the Golf Club, Cooskeen where the wedding reception took place and where a most enjoyable and musical time was had by all for many hours. After Rev. Fr. Raja Mallebinnv had blessed the cake, the toast of bride and bridegroom was appropriately honoured and felicitous speeches were given by many present. Later in the evening, the happy couple left on their honeymoon, which is being spent on the beautiful Island of Malta. As they left, they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years to come.

The groom is a member of a well loved and respected Ballymacarbry family while the bride comes from a fine West Cork family.

## RECENT DEATHS

### LATE MR. PATRICK O'SULLIVAN

Profound and sincere feelings of regret were widely expressed with the news of the deeply regretted death of Mr. Patrick (Paddy) O'Sullivan, Russeltown, Kilmanahan, Clonmel which occurred after an illness of some duration borne with true Christian fortitude, which sad event took place at his residence on Saturday 14th September 2002.

Deceased in his late sixties, Patrick was a member of a well loved and respected County Waterford family and formerly of Lisvernane, Glen-Of-Aherlow, Co. Tipperary. He operated a Crane Hire business, "Tipperary Crane Hire" at his home at Russeltown, where he was on a twenty four hour service for 25 or 45 tonne capacity Telescopic Cranes. At this work, he was a very skilled operator at churches, steeples, spires and tall chimneys.

In the seventies, he married a local girl, Kitty Connolly and he became a kind and loving husband and father. His wife Kitty, and his son Eoin were his pride and joy and to them he was utterly devoted. He was a man who was always welcome in whatever company he found himself and he never spoke ill of anybody. He was an outstanding neighbour, always offering the hand of help. His passing at an early age has evoked feelings of sincere regret among his family, neighbours and his many friends.

Many tributes have been paid to this fine gentleman, but perhaps the finest was paid to him on Monday evening by the huge crowds that attended the removal of his remains. After prayers and rosary were recited by Rev. Fr. Bobby Power C.C., Saint Mary's Clonmel, the remains were removed from O'Donoghues Funeral Home, Clonmel to the Parish Church of Saint Laurence at Four-Mile-Water where they were blessed and received by Rev. Fr. Edmund Tobin P.P. Four-Mile-Water Newcastle.

On Tuesday morning, the feast of Saint Lambert (Martyr), requiem Mass was celebrated for the happy repose of his gentle soul. The celebrant was Rev. Fr. Edmund Tobin P.P. assisted by Rev. Fr. Michael Walsh P.P. Ballylooby/Duhill, Rev. Fr. Bobby Power C.C. Saint Mary's Clonmel, Rev. Fr. Michael O'Byrne P.P. Ballyduff Lr./Portlaw and also another Priest from the deceased's parish. After Mass on a beautiful Autumn day, as an easterly breeze blew across the parish, he was taken to his place of rest in the adjoining cemetery and there he was laid to rest beneath the soil of Four-Mile-Water. May it rest lightly on his grave.

Rev. Fr. Edmund Tobin P.P. officiated at the graveside with the other clergy in the presence of another huge concourse of mourners who came to pay their final respects to a Christian friend whose memory they will treasure. Rev. Fr. Michael Walsh P.P. recited a decade of the rosary.

To his wife Kitty, son Eoin, brother Joe, sister Sr. Joachim and his many relatives we extend our deepest sympathy.

Craobh an ti ar lar grasca agus trocaire ar a hanam uasal.

(Undertakers O'Donoghues, Clonmel.)

### LATE MRS. MAURA MAHER

It was with deep and sincere regret the district learned of the death of Mrs. Maura Maher (nee O'Brien), Tournaraheen, Cappoquin which sad event took place at the Regional Hospital, Waterford on Saturday 7th September 2002.

Deceased in her eightieth year, she was a member of a well loved and respected

Mount Melleray family. She was a kind and loving person with a heart of gold and her door was always open for anybody who wanted to visit, let it be family or a neighbour. Sadly, just one year ago, her home was destroyed by fire, but thanks to her good neighbours and friends who got together, her home was rebuilt. While that work was taking place, she resided with her sister Norah in Newcastle. To Cappoquin, she was no stranger - on the Friday doing her shopping, on a Saturday evening at Mass and then on the Sunday night the game of 45 in the hall where she would meet her friends and discuss the topics of the week and enjoy her cigarette. She was possessed of a kind, generous and unassuming nature and in her travels made hosts of friends.

The regret felt at her passing was demonstrated in no uncertain manner by the large and representative concourse of mourners who were present when her remains, after prayers were recited, were removed from Walsh's Funeral Home, Cappoquin to the Parish Church, Cappoquin where they were blessed and received by Very Rev. Fr. Robert Arthur P.E. Cappoquin assisted by Rev. Fr. Francis, Mount Melleray Abbey and Very Rev. Fr. Paddy Hallinan, retired Australian Missions.

On Monday morning, the feast of Saint Omer, requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Robert Arthur P.E. Cappoquin, assisted by Rev. Fr. Bobby Power C.C., St. Mary's, Clonmel and Rev. Fr. Francis, Mount Melleray Abbey. After Mass the funeral took place to the Ancient Burial Church at Newcastle where she was laid to rest in the family plot. Rev. Fr. Bobby Power C.C. officiated at the grave side, assisted by Rev. Fr. ## SNIPPETS

### CCTV Unlikely For Dungarvan Before 2004

The installation of a Closed Circuit Television system in Dungarvan is unlikely before 2004. Town Clerk, Brian White revealed that the council had hoped to apply for the provision of a community CCTV system. However, when the details of the scheme were announced, it was found unsuitable for the proposed location of Grattan Square.

The Community Scheme does not provide a link to Garda monitoring and "was not the type of scheme we had initially hoped for," Mr. White said.

The Town Council is now to apply for a Garda monitored and Department of Justice backed CCTV scheme. The scheme is funded on a fifty percent Department of Justice and fifty percent Community basis.

Mr. White said a commitment has been given that the Town Council will provide half of the community funding aspect, providing the Chamber of Commerce provided the other fifty percent.

However, he went on to say it's unlikely that the Department of Justice would respond positively before 2004.

Cllr. Damien Geoghegan described as "crazy" the fact Dungarvan couldn't go ahead even if they paid the full cost of the scheme themselves.

Mr. White replied that a CCTV system would have implications for the Garda and agreements would have to be reached on the monitoring of the system and staffing with the Department of Justice and so its backing was vital for the proper use of the Town Centre system.

### Banklink Machine Needed In Abbeyside

Cllr. Damien Geoghegan

Dungarvan Town Council is to write to all the banks in the hope of having a bank link machine installed in Abbeyside. Proposing the measure, Cllr. Damien Geoghegan said it was something the council should explore. At present, there are four bank links all around the square in Dungarvan, which is not ideal for people living in Abbeyside.

### John O'Shea Nominated For Person Of The Year Award

Dungarvan Town Council's nomination for this year's Person of the Year award is the Waterford born, Irish International and Manchester United defender, John O'Shea. John O'Shea has strong links with Dungarvan's Manchester Utd supporters club and this year has begun to establish himself as a first team member in both club and county. He was put forward for the honour by Cllr. Damien Geoghegan.

### Measures Urged To Stop Illegal Parking On Quay

A range of measures, including the marking of double yellow lines, were proposed to rid Davitts Quay of illegal parking.

Cllr. Lar Hart said cars are constantly parking the whole way down the quay and urged that strong action be taken to stop it from happening.

"If the laws aren't implemented on this, it makes a joke of it all", he said.

Cllr. Michael O'Riordan said now was the perfect time to take some action as the tourist season was over.

Labour Cllr. Paddy Power said the problems were occurring mainly after the traffic wardens were off duty and so the laws were difficult to enforce. The Gardai don't appear to enforce them at night either, he added.

Town Clerk, Brian White, agreed the problems with parking mainly occurred late at night when the wardens are off duty. He said he had written to the Gardai about enforcing the law on parking. However, he said the 'no parking at any time' signs on the quay don't appear to act as a deterrent.

Problems with implementing parking laws, without double yellow lines in place was also questioned by Cllr. Hart. He asked whether someone could be prosecuted if the lines weren't in place.

Mr. White said he wouldn't like to second guess any judge but was satisfied the by-laws on this matter are enforceable in court.

Another measure, proposed by Cllr. Damien Dillon, called for someone to be put on the quays to let people know of the close proximity of two car parks, a measure concurred with by Cllr. Billy Kyne.

The Town Clerk replied that the publicity side will be tried out in conjunction with making the signs more visible to the public. Staggering the traffic wardens hours and Garda enforcement must also be looked at, he said.

### Bandstand Repair Before Christmas

The roof of the Bandstand in the Town Park should be repaired before Christmas, according to Town Engineer, Dan O'Donovan. The supports are sound, he said but a copper roof will have to be put in place at a cost of eur19,000, Mr. O'Donovan told the members. Cllr. Lar Hart, who has consistently lobbied for the repairs, welcomed the news, saying it was unfortunate that it was left in such a state. Cllr. Michael O'Riordan also welcomed the announcement saying it was "better late than never".

Cllr. Damien Dillon

### Council Calls For Shortfall In Waste Revenue To Be Addressed

Cllr. Lar Hart

Dungarvan Town Council's shortfall of eur45,404 in income from its refuse collections needs to be addressed at the next estimates meeting. Town Clerk, Brian White, reviewing the council's Annual Financial statement, said the introduction of recycling caused the local authority a substantial loss in revenue and a rise in expenses.

Mr. White added that a number of factors including the increased number of people recycling and the resulting fall in the number of ordinary collections taking place had caused the shortfall in income from refuse collections.

Last year, the Council raised the cost of its ordinary collections by one euro to this year's charge of 4 euros, and adopted the recycling charge of 3 euros.

However, a number of elected representatives are likely to provide stern opposition if any substantial increase is proposed at the estimates meeting.

Labour Cllrs Lar Hart and Paddy Power warned that if the elected members passed an increase in the charges to recyclables, it could have negative implications for recycling itself.

Cllr. Power said, if the cost of recycling is raised, the end result would see people putting their recyclables back into the ordinary collections.

A shortfall in the waste disposal charges was one of a number of heavy expenditures the council incurred during 2001. Others included a rise in insurance claims and an additional increase in insurance premiums to eur30,000. Appeals to planning applications also saw significant costs while the authority paid out eur3,000 arising from a High Court case. Other expenses leading to the Town Council's over-expenditure of eur279,691 were higher staff and pension costs, extra costs in dealing with homelessness, and expenditure on roads and public lighting.

Cllr. Paddy Power

### French Town Calls For Twinning With Dungarvan

The seaside resort of St. Quay Portrieux in France has contacted the Town Council, and requested to be twinned with Dungarvan. Portrieux is very similar to Dungarvan, according to their representative, Gerard Lambotte.

He said Portrieux was already discussed with their council and Dungarvan "naturally emerged because of our cultural Celtic link and our geographical proximity". St. Quay also offers a wide range of amenities and is among the most famous tourist destinations in northern Brittany and Cotes d'Armor.

It has 4,000 inhabitants, swelling to 20,000 in the summer, is the 1st harbour for sea scallop, fifth fishing port in France, has 5.5km of sandy beaches, unique deep harbour (1500 places) in northern Brittany and has a casino.

"Our purpose regarding the twinning with Dungarvan would be based on a cultural and an economic exchange developed in a friendly partnership", Mr. Lambotte said.

A Celtic Christmas Festival in St. Quay Portrieux has been planned in the town and a ship race between Portrieux, Wales and Ireland is in the pipeline for 2003.

Mr. Lambotte requested that the twinning be set up before the end of this month.

Town Clerk, Brian White said that Dungarvan as a County Town, needs to be twinned with a town of equal stature and will have to be an advantage to tourism.

Cllr. Lar Hart requested that the Council sub-committee should look into the prospect of twinning with St. Quay Portrieux.

Cllr. Michael O'Riordan said the council should look seriously at the opportunity as most other towns have been twinned. He also called on the council to make their minds up soon and to put some money aside for the purpose.

### Exemption of Rates on Childcare Premises

Cllr. Damien Geoghegan put down a notice of motion calling on the Town Council to exempt Childcare Premises from being levied rates.

This is the first year the council is charging the rates, the Fine Gael councillor said. He questioned why, at a time when the Government was providing incentives for more child places they were now being hit with high rates.

He also said exempting the facilities wouldn't hit the council hard financially.

Cllr. Teresa Wright agreed with the notice saying that community groups use the childcare facilities as community crèches as there are no purpose built community childcare facilities as yet.

Town Clerk, Brian White said some of the rates the premises would have to pay "would frighten you".

However, the total loss to the council was only eur6,500 and Dungarvan would also be the first council to make the rates exempt. He said it is something they would be looking seriously at. While the cost is not great, he added, it could erode the council's rate base.

Cllr. Lar Hart said the exemption would be an employment creating measure. He said if at any time the council wished to re-instate the rates they could look at the matter again.

## MODELIGO NOTES

### LOTTO

Still no winner of the jackpot, which means there is 600 Euro there for the taking on Saturday night. Last weeks numbers were, 3, 4 and 22, but which three will be the lucky ones this week? Your guess is as good as mine! Choose well! 15 Euro winners: Mary and Pablo, Clashmore; Anne Phelan, Cappagh; Mrs Kathleen Kiely, Scart; Mai Donnelly, Dungarvan; Nora Meskil, Cappoquin.

### AIDAN O'SULLIVAN FUNDRAISER

Last Friday night we had the Community Centre packed to the rafters for a variety performance event, and we thank each and everyone who came along and supported this worthy fundraiser. From dancing, singing, story telling, traditional music to mirth and merriment of the highest order. Mingling with the crowd also were a few distinguished guests who added to the occasion also. The reason behind the event was to raise funds for a young lad back in Cork, Aidan O'Sullivan, who got seriously injured while attending football training and as a result is confined to a wheelchair. Just one of those unfortunate things that can happen so easily but turned out so badly for Aidan. A trust fund has been set up by Ardigole and Douglas GAA clubs to help defray some of the medical and general expenses that will be faced by Aidan and his family for the future. We thank everyone who contributed so generously on the night and appeal to anyone who wishes to make a donation to contact Ned Ryan straight away. The fund will remain open for the next few months but the sooner you make your contribution the sooner it will go to help Aidan O'Sullivan.

### WEDDING BELLS

Congratulations to Pat Foran, Eaglehill and Ann Tattan, Cork, who were married recently. Wishing you both health and happiness for the future.

### GET WELL

Wishing a speedy recovery to all parishioners who are feeling unwell at present.

## C.L.G. AN tSEAN PHOBAIL

### WESTERN JUNIOR FOOTBALL FINAL

On next Saturday September 28th at Fraher Field, An Sean Phobail footballers will contest their first Western final since 1985 when they face strong favourites, Kilgobnet in what is sure to be a huge occasion for this team. Having lost to the Nire in the first round, they have fought back via the losers group and now they stand within one hour of capturing a title the club last held in 1976.

Bhiomar thuas seal agus thios seal I rith ann chomortais seo. D'imriomar go maith agus go dona agus braitheann toradh an cluiche seo ar an Sathairn ar ce acu den da sli a imreimid ar an la. Caithfimid a bheith dirithe ar ar ndualgaisi o thosadh deireadh mar diolfaimid go daor as aon lag-iarracht aon ait ar fud na pairce.

That Kilgobnet are favourites is a true reflection of both teams campaigns, a fact which was highlighted in the respective semi-finals where we struggled against Dungarvan's second string while Kilgobnet easily disposed of Tallow's best. Games are won and lost on the day, however and if we show the right approach and attitude we will certainly have a 'real go' at lifting the crown. Our cause will not be helped by a spate of injuries which will rule out a number of players, including Dec French and Martin Curran, two links with 1985 whose experience would have proved invaluable to younger colleagues. It is vital that all who are chosen put in the effort in what is certain to demand stamina, concentration and discipline from start to finish.

The match is timed for 3:00pm. so we appeal to our supporters to come along and encourage the lads on this special day. Bhi cail riamh ar mhuintear An tSean Phobail sa t-sli a thiocaidis le cheile nuair a bhi obair le deanamh. Ta meigheal mor uainn ar an Sathairn!!!

### 1985

Our last appearance in the final back in 1985 ended in defeat to Colligan. The Sean Phobail team on that occasion was: M. O'Donnell, M. Terry, S. Woods, M. 'Bud' Hourigan, M. Power, D. French, C. O'Neill, M. Hogan, T. Hogan, B. Gavin, T. Organ, A. Lally, N. Gavin, M. McNamara, D. Terry. (subs who played M. Curran and T. O'Mahoney)

# IN MEMORIAMs

**BLAKEMORE** — Second Anniversary. Precious memories of a loving wife and mother Christine Blakemore, (nee Walsh), Youghal Rd. and Worcestershire, England, who died on 30th September 2000. R.I.P. Anniversary Masses offered on Monday Sept. 30th 10 am at St. Joseph's Hospital Chapel and also on Saturday 12th October at 7.30 pm in St. Mary's Parish Church.

No length of time can take away,  
Our thoughts of you from day to day,  
Time slips by and life goes on,  
But from our hearts you are never gone,  
And as each day dawns and starts anew,  
And as each day ends, we think of you,  
And in between, no matter of where,  
Deep in our hearts you are always there.

(Lovingly remembered and sadly missed by your husband Charlie and family at home and in England).

**BROWNE** — First Anniversary — In loving memory of Bridie Browne, late of 16 Church Street whose anniversary occurs on 29th Sept. Mass will be celebrated in St. Mary's Parish Church, Dungarvan on Saturday evening 7.30 pm.

You gave us everything you had, Mum,  
Your time, your love, your care,  
You never asked for anything,  
And you were always there.  
Your life was lived unselfishly,  
With your gentle, loving ways,  
No verse can say, no flowers repay,  
The wonderful Mum I lost that day.  
(Sadly missed by your loving daughter Caroline X X X.)

**KING** — Third Anniversary of a dear mother and grandmother, Phyllis King, late of Ring, whose anniversary occurs on September 30, and birthday remembrance occurs on October 1.

Anniversary Mass on Sunday, September 29, at 10 a.m. in Old Parish Church.

Sometimes it seems a lifetime now,  
Sometimes only a day,  
But deep down within our hearts,  
You are never far away.  
How dearly we loved you and prayed you'd live,  
But God just beckoned and we had to give,  
For no one knows our heartache,  
That lies behind our smiles,  
No one knows how many times,  
We have broken down and cried,  
We want to tell you something, Mum,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to live without.  
(Happy Birthday Mum, with all our love — your daughter Jenny and son-in-law Ramon X X X.)

## NANNY

Little hearts still love you,  
Little hearts still care,  
Little hearts still wonder,  
Why our Nanny isn't there.  
The time we had together,  
Nan,  
Means more than you can know,  
For we will never forget you,  
Our love will always grow  
(Loving you always — Davina and Tim).

**KING** — Third Anniversary of a dear wife and mother, Phyllis King, late of Ring, whose anniversary occurs on September 30, and birthday remembrance occurs on October 1.

Anniversary Mass on Sunday, September 29, at 10 a.m. in Old Parish Church.  
Your memory is precious and will never grow old,  
It is locked in my heart in letters of gold,  
Your presence I miss and memories I treasure,  
A day to remember, sad to recall,  
Without farewell you left us all,  
Your name is often mentioned,  
Our thoughts are with you still,  
You haven't been forgotten,  
What's more you never will.

(Sadly missed by your loving husband Brendan X X X.)

**KING** — Third Anniversary of a dear mother and friend, Phyllis King, late of Ring, whose anniversary occurs on September 30, and birthday remembrance occurs on October 1.

Anniversary Mass on Sunday, September 29, at 10 a.m. in Old Parish Church.

We lost a mother with a heart of gold,  
How much we miss her can never be told,  
She shared our troubles and helped us along,  
If we follow her footsteps we will never go wrong,  
The angels sang amazing grace,  
The Lord came down and touched your face,  
Then he whispered soft and low,  
Come with me Phyllis, it's time to go.  
I did not see you close your eyes,  
Perhaps it's just as well,  
For I never could have said goodbye,  
To a mother I loved so well.

When I am sad and lonely,  
And things are going wrong,  
I seem to hear you whisper,  
Cheer up and carry on,  
and when I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping,  
We'll meet again some day.  
(Sadly missed by your loving daughter Fiona and son-in-law Tom X X X.)

**NORRIS** — Third Anniversary — In loving memory of our son, Nigel, late of Englishtown, Stradbally, who died on September 26, 1999, aged 18 years.

Perhaps if we could see  
The splendour of the land  
To which our loved are  
Called from you and me.  
We'd understand,  
Perhaps if we could hear,  
The welcome they receive  
From old familiar voices  
All so dear  
We would not grieve.  
Perhaps if we could know  
The reason why they went  
We'd smile — and wipe away  
The tears that flow  
We'd wait on time.  
(Always loved and missed by Dad, Mam, sister Aisling and brother Michael.)

# MARIE KEATING FOUNDATION MOBILE UNIT TO VISIT WATERFORD

The Marie Keating Foundation, launched in April 2001 has been established to provide breast cancer information and awareness for the general public throughout Ireland. The Foundation has set up three mobile units in the Eastern, Western and Southern Regions of Ireland. These units will travel countrywide, staffed by a registered nurse who will provide information and awareness about breast cancer. (This is not a breast screening service).

Breast cancer is a common and serious condition. In Ireland approximately 1,700 women are diagnosed with breast cancer every year. Some 650 die from the disease annually. The risk of developing breast cancer increases with age and breast cancer is the most common killing cancer in women. Breast cancer is rare in women under thirty and occurs most frequently in late life. Men can also develop breast cancer but it is one hundred times less common than in women. The earlier a cancer is diagnosed and treated, the greater the chance of a cure.

The Marie Keating Foundation mobile units will visit: Outside the Community Centre, Touraneena, Ballinamult, Co. Waterford, Thursday 3rd October, 6:30pm to 9:30pm.

This service is free to everybody, so please avail of it.

.....Our ambition is to enlighten, not to frighten.

## WEST WATERFORD BORD NA N-OG NOTES

# Play Offs Required To See Who Advances To Play Nire in Under-14 Football Division One Semi Final

With one game to go in the league section of the league section of the Lawlors Hotel Under 14 Football Championship it is possible that four teams could all finish level on points for the one remaining place in the division one semi final of this competition.

Ballinacourty with nine games played and with full points have topped the table and so have advanced to this years final and still has Dungarvan to play tonight, (Wednesday) in Abbeyside at 6.30pm.

Nire with their ten games played have finished the league in second place with a total of 14 points. In joint third with all their games played are Affane, Saint Oliver's and Stradbally who all have seven points and finally at the time of putting this report together propping up the table is Dungarvan with five points. If Dungarvan were to beat Ballinacourty tonight they two would join the other three clubs on seven points.

No fixture could be made for the play-offs until the outcome of the Ballinacourty/Dungarvan game is known. If Dungarvan were to win the four sides would be put into a hat and then be drawn out to play two games with the two winners advancing to play a quarter final with the winners of the quarter final advancing to play the Nire in the semi final.

If Dungarvan fails to beat Ballinacourty, then the three sides on seven points advance to play a series of play-offs. One of the three sides would be drawn out to get a bye into a

quarter final game with the other two sides playing off with the winner advancing to play the team that got the bye in the quarter final, with the winner of this game advancing to play Nire in the semi final.

All these extra games mean that the division one Western Final will not go ahead as planned. However the Bord should still meet its County Final date, as when the original fixture list went out there was a two week gap between the Western Final and the County Final and since then we have learnt that the County Final date has been put back one week.

In division two, Clashmore and Brickeys have finished level on ten points each out of a possible twelve and after they had met on Saturday morning last in Clashmore rather than have to go to a play-off game to see who advanced to the final and who played Cois Bhride in the semi finals, the two sides tossed, with Brickeys winning the toss, so Clashmore now play Cois Bhride in the Semi Final this Saturday.

In division three, Ardmore have topped the group and so

advanced to the Western Final. An Gaeltacht and Ballyduff meet in the semi final this weekend.

## CONVENTION

This years Annual Convention will take place in Lawlors Hotel in Dungarvan on Friday November 15 at 8-pm. All clubs will be written to asking for nominations and motions which should be returned to the secretary by the date given.

## TROPHY'S.

Any club that has under 14 football or under 16 hurling from Western Championships last year and who have not yet returned them are asked to do so by the weekend.

## UNDER 16 HURLING.

Because of the play-offs needed in the under 14 football championship in division one, some under 16 hurling games may have to be moved around so that we will be ready for the county finals.

## RESULTS.

Clubs are reminded to forward their results after each game so that they can be included in the Bord's weekly notes in the Dungarvan Leader and so that they can be announced on W.L.R.

# Dungarvan G.A.A. Notes

## SENIOR FOOTBALL

This Sunday afternoon the 29th of September, at the Fraher Field we take on The Nire in the Semi-Final of the Senior Football Championship. Let nobody be mistaken the task that was ahead of us will be a fairly difficult one.

Our path to the Semi-Final has been in stark contrast to the Nire's. Our opening game was against Kill where we manager to scrape home by the minimum again.

Our second round opponents were Ballinacourty where again we just about scraped home. Their subsequent capitulation to other Semi-Finalists Rathgormack does not seem to auger well for our chance but you never can tell how things will happen on a given day.

Indeed local bookmaker Eamon Cummins has us

priced at 12/1 to win the competition outright, while the Nire are 6/4 favourites. They say bookmakers seldom get it wrong but look at Armagh last Sunday.

Our previous encounters with the Nire have always been fairly tight and competitive and if we play to the best of our abilities in what will be a relatively young and enthusiastic group of players, maybe a surprise could be on the cards. We will certainly give it one hell of an effort and we wish Eoin and his team the very best of luck.

We would ask all our supporters to come along on Sunday afternoon to give the lads lots of support. This game gets underway at 2.00pm.

## UNDER 21 HURLING

Having won our first round game in the Under 21 Hurling Championship almost two months ago it now seems

likely that our next game in this competition will not be until the Bank Holiday weekend in October. Our opponents in the next round will be An Gaeltacht or Stradbally.

## DEISE DEVELOPMENT DRAW

This month's Deise Draw takes place on this Friday night, the 27th of September courtesy of the Tramore Club. As always, we wish all our subscribers the very best of luck in the draw and once again thank you all for your continued support of the draw.

## WEDDING BELLS

Congratulations to Patricia Beresford and Paolo Ranaldi who exchanged wedding vows on Friday afternoon last at St. Mary's Parish Church. We wish Patricia and Paolo a very happy and healthy life together.

# Abbeyside/Ballinacourty G.A.A. Notes

## COMMITTEE MEETING REMINDER

All committee members are reminded that the next meeting takes place at the Parish Hall at 8pm on Thursday the 3rd of October.

## WESTERN MINOR FOOTBALL FINAL

This was a terrific game of Football played by two very committed and skilful teams last Saturday the 21st of September. The Brickeys who played very well looked to have the game sown up at one stage when they were 5 points up in the game. But in fairness to the Courty lads they never gave up and came back to score two goals. One of these from a penalty coolly scored by Declan Fives and Sean Cleary scored the other from play. With the Fraher field looking great and the weather glorious both teams did not disappoint as they gave a marvellous display of football, which saw the game deservedly, finish in a draw. The score was Ballinacourty 2 goals and 7 points to the Brickeys 1 goal and 10 points. So now its back to the drawing board for both to see who can carry western hopes into the County Final. Our lads dug deep and it's a credit to them that they can keep the bandwagon on the road as they face into the Minor Hurling County Final next weekend.

All of the panel and their mentors Joe Cleary, Greg Fives and Bernard Shields deserve great credit

The team was as follows; Declan Byrne, Seamus Shields, Seamus Lavin, Rian McGrath, Michael Browne, Simon Hanrahan, John Kindregan, Patrick Lynch, Patrick Hurney, Mark Gorman, Sean Cleary, Joey Mullen, David Ferncombe, Decky Fives and Mark

Fives. Peter Phelan came on as a second half substitute. Others awaiting the call from the line were Eoin Enright, Stephen Power, Anthony Burke, Willie Morrissey, Thomas Cashin, Eddie Casey, Tiarnan Murray and Sean Byrne. Scorers were as follows: Declan Fives 1 goal and 3 points, Sean Cleary 1 goal and 1 point, David Ferncombe, Mark Gorman and Peter Phelan 1 point each.

## COUNTY MINOR HURLING FINAL

Next Saturday is the big day for our lads who go into the Minor Hurling County Final after their heroics of the Western Football Final of last Saturday. This is surely a big step for our lads and it will be difficult, as Ballygunner is a highly rated team. However our lads are capable of pulling off the big one in Fraher Field next Sunday the 29th of September at 6pm. We would ask all supporters of the club to turn out and support this excellent bunch of lads.

## INTERMEDIATE HURLING

We play Ring in the next round of the Intermediate Hurling Championship at Fraher Field on the Saturday the 5th of October. Training continues at 6.30pm On Tuesdays and Thursdays.

## UNDER 8'S AND UNDER 10'S HURLING BLITZ AT ABBEYSIDE

The Club Grounds were a hive of activity last Saturday morning the 21st of September when we hosted under 8 and under 10 Hurling tournaments sponsored by David Walsh Office School & Computer Supplies. Blessed with brilliant sunshine, conditions were ideal for hurling. A special thanks to our sponsor David and to our referees on the day Michael Fives, Jimmy Beresford, Ger

Collins and Billy Hickey. We wish Eoin Regan who picked up an injury a speedy recovery.

Our under 8's hurlers played Brickey Rangers, St. Olivers and Naomh Brid and finished the day having won one, drawn one, lost one and scored one. The goal was scored by Jack Mullaney. Naomh Brid were outright winners with wins over St. Olivers and Abbeyside and a draw against Brickey Rangers.

Our panel was as follows: Fiona Morrissey, Eimear Fennell, Megan Hurley, Kevin Walsh, Jack Mullaney, Eoin Bergin, Brian Looby, Gavin Browne, Greg Mangan, David Sweeney, Patrick Collins, Jason Nagle, Aidan Moloney, Michael Maher, Robert Mulligan, Sean Daly, Stephen O'Connor, Shane O'Gorman, Lee Mulhearn and Stephen Fehilly.

Our under 10's hurlers played Colligan, Brickey rangers and Cappoquin. After some very good hurling & close games, the overall winners were Cappoquin who won on goal difference from Abbeyside.

Our panel of players were: Colm Whyte, Colm Kindregan, Stephen O'Connor, Cathal Deery, Jack Leahy, Barry McCullough, Evan Collins, Ross Dunford, Michael Walsh, Stephen Flynn, David Collins, Liam Beresford, Philip Cashin, Killian Kiely, Michael O'Donnell, Ray Murphy, Ronan Sheehan, Darragh O'Riordan, Sorcha Hurley, Eoin Young, Alan Fitzgerald, Eoin Regan, Malachy Flynn and Joe Conway.

The previous week we travelled to Waterford to take part in the annual Roanmore ground-hurling tournament. On this occasion we finished as runners up to Roanmore in our group.

After the games a photographer was on hand to photograph all of the participating teams and our U8's and U9's came be seen on the Internet on [www.mcconnellbros.ie](http://www.mcconnellbros.ie). Well done to Roanmore on a very novel idea.

This brings our outdoor activities to a close for this year. Many thanks to all those who helped in any way throughout the summer by helping at training sessions, providing transport to matches and washing jer-

seys, etc. Our coaches can now have a well-earned rest and maybe even a lie in on Saturday mornings before resuming indoor activities in a few weeks time.

The Old Parish team was (back row, left to right): Gerry Tobin, John Dower, Paul Nugent, Christy O'Neill, Kevin Nugent, Sean "Woody" Woods, Lar Fennell, Mossie McNamara, Michael Hogan, Conor French, John Terry; front: Michael "Buddy" Hourigan, Brian Gavin, Peter Kiely, Shay French, Tony Butler, Declan French (capt.), Michael Terry, Declan Gavin, Declan Terry, Seamus Cunningham, Tom Hogan.

## COACHING SCHEME NOTES

### YOUNG PROSPECTS SPOTTED LAST WEEK

**Steven O'Connor, Scoil Mhuire Ran na Mainstreach, 8 yrs old** — Steven O'Connor, Rang 3. Steven is a strongly built boy who is gaining his confidence with every session. He is a well behaved lad who enjoys the coaching. Played in Roanmore Tournament last Saturday week, when Abbeyside won three games beating two Kilkenny teams and Butlerstown. Steven lives in Friars Walk, Abbeyside and his dad is well-known GAA commentator Kieran O'Connor. He attends all Waterford Senior Hurling Games and his favourite hurler is Ken McGrath who he says should get an All-Star.

**Danny O'Brien, Ballycurrane NS, 10 yrs old, Rang 5** — Danny lives in Mongela, Aghlish and he comes from a well-known sporting family in that area. His dad has given loyal service to Ballinameela in hurling and football and his Nan Fiona is sister of former Waterford hurler Pat Curran, who played many a fine game for Waterford Fado Fado. Danny is making excellent progress in hurling and he is a very pleasant boy whose favourite hurler is John Mullane from Decies.

### UNDER 11 COUNTY SENIOR HURLING FINAL

Ballygunners and Mount Sion will meet in this year's County Senior Hurling Final. The Gunners had a narrow victory over Lisimore after a Lazarus-like second half performance by the Western lads who deserved better and paid dearly for some poor free taking. Ballyduff showed scant regard for the much vaunted mastery team who failed to sparkle against the battlers

from the far west who matched them for the hour with veteran Paudie Prendergast and John Twomey outstanding.

### GOLF

Believe it or not thirty thousand people turned up in Kilkenny to see the Worlds greatest golfer Tiger Woods. Many of them from West Waterford. When one of them asked the great man for his autograph last Thursday morning, Tiger said "Who won the Minor B Hurling, was it the

Brickeys or Clashmore?"

### WELL DONE

Well done to Armagh on their fantastic victory and to Derry Minors also.

### NEXT WEEK'S PROGRAMME

Monday 30th September - Cappoquin Boys/Cappoquin convent, Tuesday 1st October - Tallow NS, Wednesday 2nd October - Secondary Schools, Thursday 3rd October - Scoil Bothar Na Naomh and Friday 4th October - St. Josephs NS

Bushy Park last June, two lads from Tallow NS and Ballyduff NS leaving the field after playing their primary schools Final in which Tallow won after a great game of hurling.

# Programme Of Top Class Fare At Fraher Field

WESTERN JUNIOR FINALS ON SATURDAY

## Senior Football Semi Finals On Sunday

No one could ask for more and with four clubs due to suffer dismissal from the championships and the four winners going on to do battle for county final glory, the eight clubs involved are playing for mighty big stakes.

This does not take into account the intermediate hurling tie between Ardmore and Cappoquin and which is also scheduled for Fraher field on Saturday afternoon. For Ardmore and Cappoquin, this is their last chance of an adult championship title this year and such a thought is sure to intensify this contest. Ardmore are the reigning junior hurling champions, having defeated Fenor by 0-17 to 0-12 in a hectic final here at Walsh Park last year.

The Minor hurling county final between Abbeyside from the west and Eastern champions, Ballygunner is another game that will attract huge interest when played after the two football semi-finals on Sunday evening.

### Stradbally v Rathgormack

As the hope of having the senior football played in Fraher field this year rests on the outcome of this most attractive tie, people in this division will be wishing for a Stradbally victory over Rathgormack.

I suppose one could be for-

given for describing this as the more attractive of the two. Mainly because of the fact that when they clashed in the county final last year, it took two meetings to resolve the issue before Stradbally were crowned county football champions for their tenth time.

2002 is in many ways a golden jubilee year for the Cove club since it marks seventy years of football involvement since they took their very first county title the junior football title of 1932.

Last year they met in the first round when Rathgormack scored an impressive 1-11 to 1-7 victory. The atrocious weather conditions ruined the county final which saw the sides tied together on a 0-4 scoreline each. In the replay Stradbally became county champions after winning decisively on a 1-13 to 2-4 score in better weather;

This year Stradbally are unbeaten and they as well as Rathgormack qualified by defeating Kilrossanty. Both had impressive victories against the Comeragh club. Both clubs free likely to be represented by the same line outs as represented them last year.

Stradbally will have Kevin Cunningham in goal with Emmett Cummins, John Halpin, Tom Walsh, Kevin Coffey, Oliver Costello and Lar Walsh in defence. George Walsh and John

Ahearne will be their mid-field pair and in attack players like Trevor and Nial Curran, Ger Power, John Coffey, Michael Walsh, Liam O'Brien, Stephen and Eoin Cunningham, Nial Cusack, Kieran Kirwan, etc. etc. will be available for selection.

On the opposition line up, Rathgormack will have regular keeper, Pat Fahy in goal with Michael Donie, and Dan Crotty, Ger Power, Noel Murray and Denis Hassett in defence. Victor O'Shea, following a splendid display after being called on as a substitute in their last match, may be selected to partner Richie Power at midfield.

Up front Martin Power, Joe and Vinny Murray Frannie Halpin, Eoin Clifford, Edmond Hogan, Paddy Crotty, Paul Power, Declan Power, Brendan Crotty, etc. will be among the players selected for the forward division.

Stradbally, as champions will be favourites to win, but Rathgormack will have benefited from two recent outings and may prove good enough to atone for their unexpected defeat last year in the county final.

### Nire v Dungarvan

The Nire who were county champions two years ago (2000) and who won their first ever title at the expense of the then county champions, Dungarvan ten years ago, will start favourites here.

Last year after accounting for Clashmore in the first round, they entered the three and a half match saga with Ardmore and then the Nire, champions in the previous season made their exit form the championships.

Dungarvan lost to Kill and were then defeated by Kilrossanty. This year Dungarvan defeated Ballinacourty by 1-12 to 3-3 after beating Kill by a point in the first round, 2-9 to 2-8.

The Nire qualified by scoring a decisive 1-17 to 1-4 victory over St. Saviours here last month. In this tie, the Nire were very impressive and looked an improved team since losing to Ard-

more.

On the basis of the two club's most recent records, the Nire will be entitled to favouritism. With players of the calibre of Connie Power, who scored nine points against Saviours, also they have very experienced performers in Michael Byrne, John Moore, Brian Wall, David Ryan the Walsh members, Ian, Ger, Michael, Shane, Lar, Justin M. Doocey, etc., so the job of dislodging them from the championship at this stage will not be easy for Dungarvan who now have but a sprinkling of the great team who took three titles ten years ago.

The Blues will have such players as David Morrissey who is the goalkeeper, Darren Lyons, Michael McLoughlin, Dermot Dee, Jason Mahony, Kieran Curran, Eoin and Seamus Cunningham, Pat Veale, Nicky and John Paul Donnelly, Trevor Galvin, P.P. Ferncombe, Bobby Lyons, Derek Lyons, Alan Harty, etc.

It is about 5 years since Dungarvan last played in a final and I know that despite the high profile of their opponents, they mean to make it to that stage again. A victory for Dungarvan would give an overdue 'lift' to the club. In fact if they were to win the county title this year it would arouse interest in football around the area, something which is badly needed. Dungarvan are the outsiders but they won't let this rating stop them from giving it their all

### THE SATURDAY PROGRAMME

The Western Board Junior Finals. J/F. Kilgobnet v Seana Phobal J/H. Geraldines v Tourin & Ardmore v Cappoquin Inter. Hurling.

This very attractive programme will see the crowds flocking to Fraher field for what promises to be an evening of delightful entertainment. All four clubs have big support and it is expected that for their first time, the Western Board will fill the stand. There will be a great atmosphere about the place.

JUNIOR FOOTBALL WESTERN FINAL

## Kilgobnet v. Old Parish

I do not know which of the two finals at Fraher Field on Saturday is entitled to be given the profile of the 'feature game' but for some unknown reason there appears to be more of a buzz about the football final than there is about the hurling decider. Being football strongholds in the traditional style must have something to do with the high expectations of the battle between the Seana Phobal club and Kilgobnet. Both are very popular clubs and I know that the neutral people in the crowd here on Saturday will be divided about which side they will want to win.

Old Parish whose catchment area is quite restricted, have not won a football title since 1979. The team incidentally was captained by Michael Hogan who is now the Seana Phobal coach. They next qualified for A final in the early eighties but were defeated then by the Emmetts.

They have now come here by the back door but at the same time they have won more matches than the club has done at any time in the past. They lost to the Nire in the first round but an amazing transformation in the team saw them win their other engagements in the style of champions. I saw them beat Ardmore, Ring, Modeligo, The Brickeys and Dungarvan and was honestly surprised at the improvement in their standards. Also, I was delighted at the change because only a couple of years ago things were at an all time low in the club. This is a welcome change for a club who have braved all the obstacles that have threatened their survival.

Players helping them to win the title will include goalkeeper Aidan Power, full back M. J. Keating, Shay Harty (the W/L/R. man) centre field men Thomas O'Mahony and Michael Dower, Timothy and Raymond Power, Raymond Terry, Tony Hamilton, (he played centrefield on the three successful Dungarvan county title winning teams a decade or so ago and is now the team trainer.

Coming here in the role of outsiders, the Old Parish team will be under no great pressure and will bring an enthusiasm and freshness to their challenge and who knows what benefits may result from this.

Kilgobnet have come through the championship undefeated up to this stage and will probably be looked upon as favourites. En route to the final they have taken care of challenges from clubs like Sliabh gCua, Nire and Tallow and over the season their panel of players have undergone no fewer than 100 training sessions. They will field a tremendously fit team.

Kilgobnet impressed in a challenge with Moyle Rovers last week and on the same day as Old Parish played Cloyne (Cork).

Kilgobnet won their last Western title back in 1987 but lost to Ferrybank in the county final.

Amazingly Kilgobnet have lost the last ten western finals that they have played in (football and hurling) I don't know if this is because the freeze on the big occasion, or for some other reason that even themselves cannot explain. This time round, Kilgobnet are trained by David Kiely, who incidentally spent a couple of terms as trainer out in Old Parish many years ago.

Leading their challenge for the title here on Saturday will be Jimmy White in goal, Wicklow born Chris Lyons, Vincent, Peter Brendan (recovering from a broken leg) and Raymond Lynch, Paul and Mark Radley, Kevin Walsh, Coolnasmear, Pat Morgan, etc. Brian Dunford and Ricky Keane are both doubtful because of injury.

It is a final and in finals strange things sometimes happen, but in the expectation that the game will experience nothing strange or extraordinary, I give the vote to Kilgobnet to win.

MINOR HURLING COUNTY FINAL

## ABBEYSIDE v. BALLYGUNNER

This clash is timed for 6 p.m. and will follow the two football semi-finals at Fraher field. Meeting for their first time ever in this grade the clubs will renew rivalry which has built up at the lower age grades.

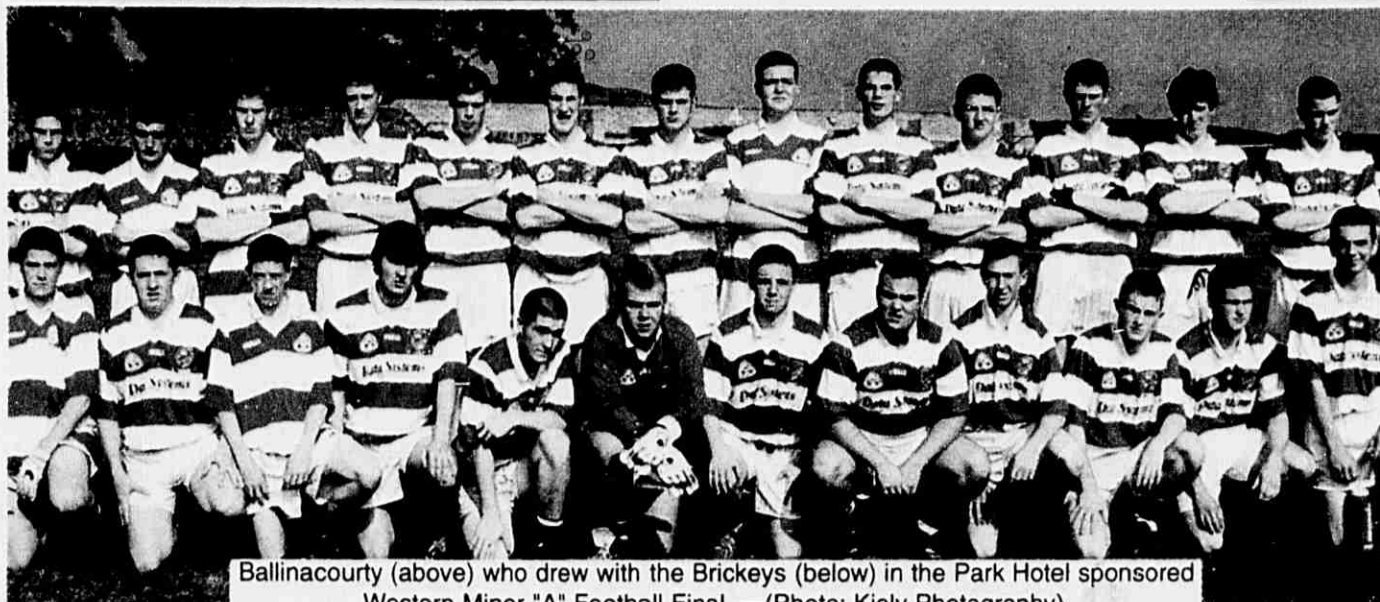

Abbeyside came through in the west after defeating Cois Bride and Lismore in the preliminaries and then Lismore again in the divisional final

Ballygunner on the other and played a total of seven matches winning all in decisive fashion. Their all conquering campaign included victories over Mount Sion, De La Salle, Portlaw/Mollerans, Erins Own and the reigning county champions, Clonea in the eastern final. This list of successes gives them quite a profile and an entitlement to the tag of favourites in this final test. At the same time, Abbeyside if reproducing their western final form will be there with a shout as well. It will be a splendid game of minor hurling and a game not to be missed.

**MINOR FOOTBALL FINAL**

**Brickeys & Ballinacourty Finish Level In Thriller**

**Brickey Rangers 1-10 Ballinacourty 2-7**

At a stage in the second half when Brickey Rangers leading by six points and having the breeze in their favour were well on course to make that long overdue and richly deserved western minor "A" football title added to the other championships which have been won by the club over the years.

But then it became rather agonising for them to have to put the victory 'on hold' as it were because of Ballinacourty's storming finish during which they forced a draw and the need for a replay to decide the issue.

It was a match in which both clubs wasted chances and seldom did we see so many near misses in a game of football.

It is worthy of mention that last year, Ballinacourty were county "A" champions and Brickey Rangers were the "B" county minor football champions. It was remarkable then that the same clubs should meet this time round in the western final.

At halftime, Brickeys led by 1-5 to 0-4 their goal having been scored by Trevor Moore just before the break.

In the second half Ballinacourty fell into six points in arrears but came back very strongly in the final ten minutes after a penalty score by Declan Fives and a later goal by Sean Cleary who took a rebound and kicked to the net.

Both sides missed winning chances, so in the overall a draw was a fair result.

**TEAM SHEET**

The distribution of a team sheet by the Brickey Rangers club was a novel idea and something which was appreciated by patrons.

**Mt. Sion Survive Strong Ballyduff Challenge**

**MOUNT SION 4-8  
BALLYDUFF 2-8**

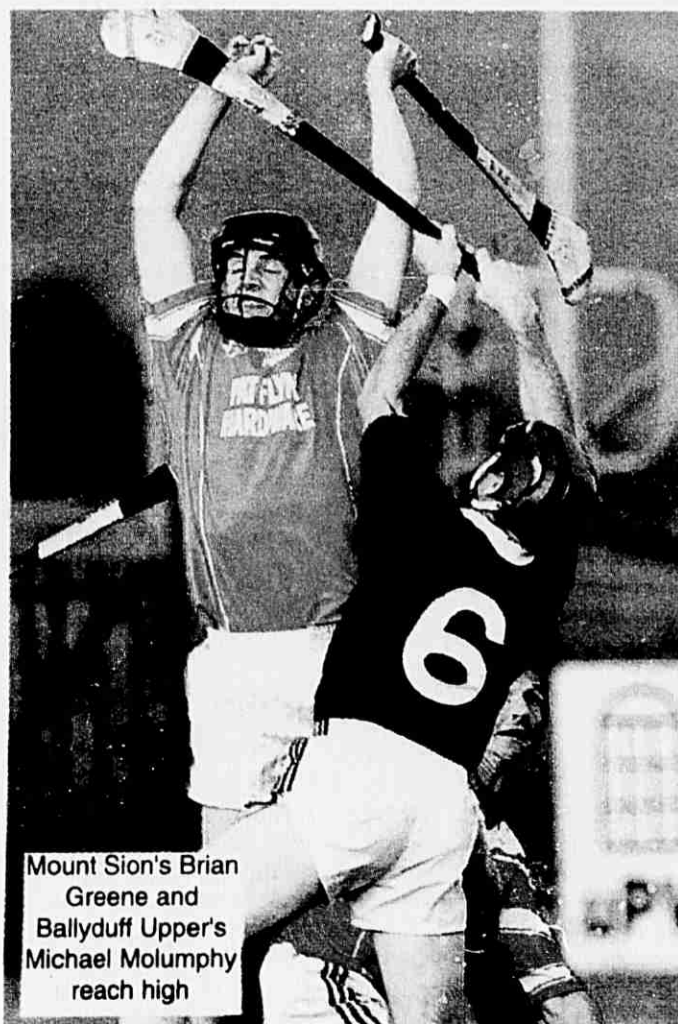

It did not match the standard of the first game but it nevertheless produced many exciting moments and with just a single point (0-9 to 1-5) separating them at the break both sides were left

with it all to play for in the second half.

However Mount Sion's 4 second half goals proved to be too much of a handicap for the challengers, Ballyduff whose fierce determination

Ballyduff Upper who put in a tremendous performance against Mount Sion in the senior hurling championship semi-final at Fraher Field last Saturday evening. —(Photos by: Kiely Photography).

Mount Sion's Brian Greene and Ballyduff Upper's Michael Molumphy reach high

kept the hot favourites under pressure all the way to the finish.

**Play**

Eoin Kelly and Michael White had points in the opening minutes and Michael Leamy brought off a super save to deny Mount Sion a certain goal.

Then in the 10th. minute Michael Molumphy rocked the Sion net with an unstoppable goal to give Ballyduff a one point lead that was turned into 2 points when John Twomey sent over from play in the 11th. minute. Shortly after county full back Tom Feeney was introduced. The roving Ken McGrath hit over 5 points in succession without reply before John

Meaney and Paudie Prendergast exchanged points, leaving the score at 0-8 to 1-3 by the 26th minute.

Ballyduff added points by Paudie Prendergast and Brendan Hannon to leave them just one adrift at the break.

**SECOND HALF**

John Meaney's early goal gave a boost to Mount Sion and when Barry Browne added another in the 38th. minute Mount Sion looked to be building up a winning score. In between these goals, Tom Feeney hit a great point for Ballyduff. But the challengers never gave up and splendid combined play involving Tom Feeney, Michael Molumphy, John

Twomey and Paudie Prendergast saw the western team draw to within 4 points of Mount Sion with under 10 minutes left to play. Twomey hit some great scores from play as did Feeney and Michael Molumphy's second goal proved that there's more than a spark left in the challengers.

Ballyduff were still there with a chance on full time but an injury time goal by substitute Sean Ryan left Mount Sion breathing easy when the last whistle went.

Scorers: Mount Sion — K. McGrath 0-7; B. Browne 2-0; J. Meaney 1-1, S. Ryan 1-0; E. Kelly 0-2, M. White, M. Frisby 0-1 each; Ballyduff — M. Molumphy 2-0, J. Twomey

0-4, P. Prendergast 0-3, T. Feeney 0-2, B. Hannon 0-2, L. McNamara 0-1

Mount Sion — P. Flynn, J. O'Meara, A. Kirwan, B. Flannery, K. O'Neill, B. Greene, R. McGrath, T. Browne, E. McGrath, E. Kelly, K. McGrath, J. Meaney, M. White, P. Hammond, M. Frisby. Subs played. B. Browne, S. Ryan, J. Cleere.

S.H. SEMI FINALS YIELD NO SURPRISES AT FRAHER FIELD

# Agonising Defeat For Unlucky Lismore

## Ballygunner and Mount Sion Survive

Lismore, narrowly defeated by Ballygunner in the SH semi-final at Fraher Field. —(Photos by Kiely Photography).

**BALLYGUNNER 2-13  
LISMORE 2-12**

What an awful tragedy that this exciting county semi-final did not end in a draw and giving the western challengers Lismore the chance to prove that they are at least as good as the Munster and county club champions Ballygunner who were just 'blessed' with luck in surviving here on Saturday evening. On the field Lismore were every bit as good as the champions but their tremendous second half display will mean little by way of consolation to them. Hitting 14 wides (as against 10 for Ballygunner) and then failing by just a single point puts their hard luck in perspective.

Lismore had huge support in the 3500 crowd most neutrals as well as giving their affinity to the underdogs, might be said to have a vested interest in the outcome since a win for Lismore would guarantee us the county final in Fraher field.

But the winning margin does not matter in the record

books and the Munster and county champions Ballygunner will now go through to defend their title against arch rivals, Mount Sion in the county final at Walsh Park on next Sunday week.

It was a beautiful evening in the bright sunshine at Fraher field and with such a big gathering, there was a great atmosphere about the grounds.

**PLAY**

Mick Mahony opened with an early point for the Gunners and within a minute Brendan Landers was called upon to bring off a super save from Alan Ahearne. Billy O'Sullivan added a point before Dan Shanahan's 8th. minute goal put Lismore into a one point lead. Dave Bennett from play made it two, Paul Flynn and Dan Shanahan exchanged points before Alan Ahearne scored Ballygunners 4th. Landers made another brilliant save from Billy O'Sullivan who was proving to be Lismore's tormentor in chief Andy Moloney and Dave Bennett exchanged points. After this,

Lismore hit their worst patch of the game and remained scoreless for the remaining 10 minutes.

Ballygunner had a 25th minute goal by Billy O'Sullivan (who is captain again this year) and the same player added a second in the 29th minute.

They went in at half time leading by 2-8 to 1-3 and the game as a contest looked to be over.

**SECOND HALF**

Amazingly Lismore from an 8 points deficit went into a one point lead when they scored seven times without reply from Ballygunner in the opening nine minutes. In the first minute Dave Bennett hit a point and in the second David Howard blew in a great goal. Three points on the trot by Dave Bennett and one from an in form Dan Shanahan brought the sides level before Brendan Prendergast set off the alarm bells in the Ballygunner camp when pointing Lismore into the lead for the first time in the 42nd minute. The transformation aroused the crowd and the excitement could be felt all over the stand.

Bennett extended the lead to 2 points and it remained that way after Paul Flynn and Dan Shanahan exchanged scores. Lismore 2-12 Ballygunner 2-10 with 9 minutes

of normal time remaining.

Unfortunately Lismore were not to score again despite having chances narrowly missed by Dave Bennett and Sean Daly in the closing minutes.

Ballygunner with points (2) from Paul Power and one from Tom Fives were a white flag ahead when the whistle blew.

**Scorers:** Ballygunner — B. O'Sullivan 2-1, P. Flynn 0-4, A. Moloney 0-2, P. Foley 0-2, P. Power 0-2 A. Ahearne and T. Fives 0-1 each. Lismore — D. Shanahan 1-4, D. Bennett 0-7, D. Howard 1-0, B. Prendergast 0-1.

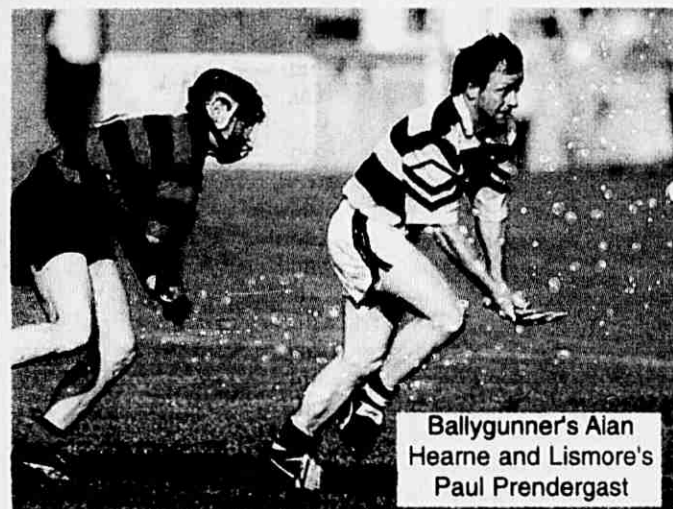

**Ballygunner** — R. Whitty, N. O'Donnell, A. Kirwan, R. O'Sullivan C. Kehoe, F. Hartley, S. Frampton, T. Fives, A. Moloney, M. Mahony, A. Ahearne, P. Flynn, B. O'Sullivan, P. Foley, D. O'Sullivan; Subs played G. Cullinane, P. Power, M. Mahony;

# Minor Championships Completed

Despite all the hiccups during the summer months when holidays, examinations and many other reasons caused deferment of the minor programme, the competitions have now been completed in reasonable time and the western board are ready for county finals in all four grades.

Last week both the "B" minor football and hurling champions were decided at Fraher field.

On Tuesday evening, An Gaeltacht scored a deserved victory over St. Olivers on a 3-9 to 1-6 scoreline.

The first half of this game was splendidly contested and at the end of which An Gaeltacht led by 3-5 to 1-5. In the second half the winners added a further 4 points while Saint Olivers raised only single white flag.

Robbie Whelan was the referee.

## MINOR HURLING "B" FINAL

### Brickey Rangers 1-10 Clashmore 0-4

The Brickey Rangers team slipped into the final by surprisingly defeating last year's divisional and county champions, Ballyduff three weeks ago, but their fine display here proved that it was no fluke as from the start they were on top of their game. At halftime the scoreboard read, Brickeys 1-4 Clashmore 0-4.

At the end of the second half Clashmore had failed to add another score but it certainly was not for want of trying and a solid Brickey defence helped by a few lucky breaks were responsible for this.

At the conclusion of the final, Carthach Shalloe made a bit of Brickey History when accepting the Trophy from Western Board chairman, Paddy Walsh. The referee was Donal O'Murchu, An Rinn.

The minor hurling is completed and the minor football replay is due to be played in a couple of week's time.

## JUNIOR HURLING FINAL INTRIGUING CLASH BETWEEN GERALDINES AND TOURIN

This game promises to be a splendid contest between strong contenders for the Western title here at Fraher field on Saturday.

It is seldom that the divisional board are in a position to play both junior finals on the same programme and patrons of both codes will relish the prospect of seeing this exciting clash after the football final.

Tourin are in the role of challengers in that most of their hurling activity has been in the 'B' grade for some years.

They last won the junior proper back in 1977 when they went on to beat Rathgormack in the final.

Things have been going well for them this season and they have impressed against such clubs as Stradbally, Ballyduff, Abbeyside and Dungarvan, whom they defeated in a splendid semi-final game three weeks ago.

With such very promising talent as Darragh Wilkinson, Michael Leahy, Colin Bennett (goal), Kevin Wilkinson, Brendan and Michael Scanlon,

Michael Walsh and company, they must be there with a chance if all their players strike their best form.

Geraldines must be one of the most unlucky teams in this championships over the years. Imagine playing in four western finals and losing all by a single point?

They were in their last final in 1998 and lost again.

Things appear to be going well for them this year and they were seen to very good effect in their matches against Ballinameela and particularly against Kilgobnet in the western semi-final.

They must be given the tag of favourites and if players like Ger and Pat Donovan, fullback, "Lowry" Maher, Alan Ronan, Michael Murray, Doncha Tobin, etc. perform to the best of their ability, they make the overdue breakthrough this year.

# Park Hotel Sports Star Of The Month

The Park Hotel Sports Star of the month for August is Eoin Ryan Captain of St Augustine's College Golf team. It was third time lucky for St Augustine's, as they won the All-Ireland Schools final in splendid fashion at Royal Tara Golf Club. In the semi-final the Dungarvan boys defeated Balla Secondary School Mayo 3.5 to 1.5, with Eoin securing the crucial match at the 19th. And in the final St Augustine's emerged triumphant in a tremendous tussle against St Paul's, Raheny, Dublin.

Eoin whose handicap is out of the Gold Coast and also a member of Dungarvan G C, gave his team a brilliant start, being four under par in winning 8/6, and point number two came from West Waterford's Seamus Power. David Troy, Gold Coast, recovered from losing a three holes lead to win the 17th with a birdie and the Green All-Ireland pennant was on its way to Dungarvan. Backing up the above were Dungarvan's Paul Curran and Willie Morrissey, Gold Coast.

Eoin who plays off (1), is a member of the Irish Boy's Elite

squad, and is currently being coached by David Hayes Dungarvan, played for Ireland against Wales in April of this year, winning all his three matches. He also captained St Augustine's when they won the Waterford School Boy's Golf Championship, Tom Healy Memorial Shield, Devereux Cup, and Munster Schools Shield when he beat one of Ireland's best young golfers, Cian McNamara, with a birdie on the 21st at Charleville G. C. A talented young man with a great future ahead of him and worthy winner of the Park Hotel Sports Star award for August.

Also included are (from left) Justin Spratt, Youth Officer West Waterford G.C., Donal Williams, team coach, Liam Fitzgerald, Captain Dungarvan G.C., Pat Murphy, G.U.I. Munster and Dave Clarke, President Gold Coast G.C.

## MODELIGO AND TOURANEENA NOTES

### UNDER 16 QUARTER FINAL

On Friday night last our Under 16 girls took on Ardmore in the County Quarter Final. Na Deise were out in the field very early and were really looking forward to this match. Na Deise started very brightly and got a couple of good points. With 15 minutes gone in the game, Na Deise led by 2-3 to Ardmore's 0-1. Into the second half things didn't change very much. Ardmore couldn't get going at all and Na Deise controlled the game right from the start. They also added a

few more goals and points. It is going to get a lot harder in the next game so everyone will have to be on their toes. Na Deise ran out easy winners in this game, so well done to all the girls.

Team - Bridget Dalton, Fiona Gleeson, Jenny Buckley, Katie Duggan, Eileen Hickey, Lisa Dunn, Aisling O'Rourke, Margarita McCarthy, Sarah Walsh, Helen Walsh, Tara Skehan, Michelle Walsh, Linda Foley, Eithne Skehan and Niamh O'Donovan. Subs - Megan Cliffe, Nollaig Hennessy and Maeve Fenton.

### U-12 CHAMPIONSHIP ARDMORE V NA DEISE

Our Under 12's travelled to Ardmore on Sunday to take on Ardmore in the third round of the championship and what an excellent performance they gave. For at least 15 to 20 minutes there wasn't a score in the game until Ardmore's mid fielder kicked a hopeful ball up field, the ball bounced in front of the goal and went over the keepers head and into the goal. They got another goal 2 minutes later and also a few points. Na Deise got a goal and a point before half time and trailed by 5

points at the break. Na Deise started the second half very well and got 2 good points. Ardmore won the game, but what a spirited display by the young Na Deise girls. Well done to each and every one of them.

Team - S. Casey, R. Walsh, E. Geary, A. Casey, P. Kiely, S. Walsh, L. Kiely, S. Kiely, C. Lawlor, K. Buckley, J. Power, C. Ryan, K. Hickey, A. Leahy and A. McCarthy.

Subs - Q. McGrath, N. Walsh and M. Barron. Thanks to all the parents that came along and to Breda Skehan for her help as well.

## UNDER-14 MATCH REPORT

# Four Goals For Christy Power

## BALLINROAD 5 PILTOWN 0

Ballinroad played their first Under 14 game of the new season last week at home to Piltown and came away with a 5 nil win. We got our first goal after 12 minutes when Christy Power out paced the Piltown defence to finish well from a tight angle. Ballinroad were well on top at this stage and went three up at half time, with two more goals from Christy Power to complete a first half hat trick.

In the second half Ballinroad got two more goals from David Power to give us a great start to the season. This was a good display by all the team, from the goalkeeper Keith Collins, our back four of William Raher, Jonathan O'Sullivan, Eoin Bracket and John Gorman who was rock solid at centre half.

In midfield Ciaran Mitchell had his best game so far. New player Colin McGrath was very strong in the middle of midfield with Conor Foley and John Walsh up front. David Pender linked up well with team captain Christy Power and these two always looked like scoring more goals. Christy Power continued where he left off last year with four goals. His fourth goal was the pick of the lot. Our subs Michael Geary, Donal Henley, James Mahoney and Kirk Fraser all played their part when brought on.

Our next match is away to Villa in Waterford. Bus leaves the hall at 10:30am on Saturday morning, all players are to be there on time.

Well done to Waterford Under 12's on winning the All Ireland last weekend in Meath. The keeper is Christopher Casey from Stradbally. Dungarvan also had a few players on the squad. They beat Donegal in the final 3-1.

Our Under 10's are travel-ing to Limerick to partici-pate in the Final of the tournament this coming Sat-urday.

**UNDER 13**

Our Under 14's have fin-ished their football campaign for this year. We played The Nire twice in the last week and were beaten.

We now have club gear bags for sale. The large bags are 15 Euro each and the smaller bags are 10 Euro each.

The Juvenile Club would like to wish the Senior Foot-ballers all the best for their County Semi-Final against The Nire this coming Sun-day.

## Stradbally A.F.C. Notes

**SEAVIEW DRAW**

The first draw of the Seav-iew Draw takes place in Stradbally on the 12th of Oc-tober. Tickets will be slightly cheaper than last year at 25 euro (£19.69). For every ticket we sell we will receive half i.e. 12.50 euro but with the money earmarked from the FAI for development, that 12.50 euro will become 62.50 euro. Therefore every ticket we sell for just 25 euro will become 62.50 euro in-come to us.

Therefore it is extremely important this year that all players make a massive ef-fort in selling these. We would also appeal to parents of underage players to sell tickets to relatives, friends

and work colleagues and also we have others who sell tick-ets on our behalf. At the end of the day you will be pro-viding a sporting facility for this area within two years which will be used by many future generations.

Please help us to help all of us. By the way prizes include cars, furniture, cash, jew-ellery etc. If we sold 500 tickets which is not a mas-sive target we will receive 6250 euro. This in turn will become 31250 euro. It's def-initely something to work to-wards. Lets all work together and reap the re-wards. We are low on brochures at the moment so if anyone has spare ones please get them back to us.

**RESULT**

**Stradbally 0 Waterford Crystal 4**

We got well trimmed by Waterford Crystal last Satur-day afternoon. Playing against a side which would look more suited to 1st Divi-sion football, we held them for the first 30 minutes. The visitors scored two goals in each the first and second half. Our next fixture is away to Piltown on Sunday the 6th of October.

**UNDERAGE SOCCER**

Congrats to our goalkeeper Christopher Casey who won an All-Ireland medal repre-senting the Waterford Under-12 League in the All-Ireland finals last weekend. Water-ford had won the Munster Final back in June. Christo-pher guarded the Waterford goal in the semi-final 2-0 win over Dundalk and the 3-1 final win over Donegal. Well done Kiko.

**REGISTRATION & MEMBERSHIP**

Registration forms have been given to most players and must be returned with the membership fee as soon as possible. Forms must be signed by the player and also a parent/guardian. We have only half the forms sent into the League at this stage. For insurance purposes all forms should be in by now. All forms must be in by this weekend. The League have brought in a fine of 5 euro per player per match for each match played while unregis-tered.

## "Super House Draw Deadline Extended"

Waterford, Ireland; In January 2002 Waterford United Football Club launched its most ambitious fundraiser ever, in the form of a 'Super House Draw' in Faithlegg Water-ford, on the grounds of Faithlegg's Championship Golf Course.

Due to recent unprecedented demand the organising committee felt it prudent to further extend the draw for one month until Wednesday 30th October, 2002. In par-ticular, increased interest countrywide and overseas has prompted this decision, in order to facilitate the adminis-tration of the draw. This is fully compliant with the legal requirements related to this draw.

# RED HOUSE LEAGUE NOTES (ROUND UP)

FITZGERALD CUP - SPONSORED BY DUNGARVAN INSURANCES LTD

1ST ROUND - 1ST LEG

## Big Wins For Brideview And Castlebridge

In the five first round 1st leg games on Sunday last, Brideview Utd and Castlebridge Celtic had big away wins. Another club to get away victories were Cappoquin while Lismore and Inch held out for home wins but only just. Next week we should have some very exciting return legs especially in Modeligo, Ballymacoda and Cappoquin.

### VALLEY RANGERS 'B' 1 BRIDEVIEW UTD 6

United made the short trip to Conna on Sunday morning last and ran out easy winners over Valley B. First half goals from Paul O' Brien, Denis Martin, John P. Grey free kick and Grey again from the penalty spot now United go in at the break with the game wrapped up. United stretched their lead 10 minutes into the second half when Michael Keating headed home. The Tallow side relaxed a bit after this and Ranges ripped in to score thanks to Patrick Riordan. United finished the stronger and Grey grabbed his hat trick in the 87th minute and the Tallow side must now be firm favourites to advance to the quarter finals.

### LISMORE 1 MODELIGO 0

Lismore found the going tough against Modeligo on Sunday morning. It was almost a repeat of when these sides met in The Tony Bolger Cup. At the break the sides were scoreless despite the homeside having most of the play. The sec-

ond half was a repeat of the first with the homeside having most of the play. It took Lismore along time to find the net and the winning goal coming in the final 10 minutes. The return fixture here looks wide open for next Sunday.

### INCH 2 BALLYBRIDGE UTD 1

This local derby was tough but at all times a sporting game. Both sets of defenders were on top and gave little away. The only goal of the first half went to the homeside when Paul Ryan struck for them. The second half saw play swing from end to end. A penalty to the homeside early in the second half saw them stretch their lead when Declan Fogarty shot home the spot kick. Ballybridge came back into the game when they scored from another penalty kick. United tried hard to get back on level terms but Inch's defence stood firm. Next week's return game should be a real thriller.

### BALLYDUFF 0 CAPPOQUIN 1

The defenders of both teams here were well on top with chances few and far between. The visitors scored the vital goal here and no doubt they will be happy with the result.

### CLASHMORE RAMBLERS 1 CASTLEBRIDGE CELTIC 4

Celtic will feel they have secured a quarter final place by virtue of this good away win in Clashmore on Sunday last. Ramblers were seldom in this game and its hard to see them upsetting the Cork side.

FITZGERALD CUP - 1ST ROUND 2ND LEG

## Gortroe, Mogelly & Valley Advance

Three clubs are now into the quarter final of the Liam Fitzgerald. They are Gortroe, Mogelly and Valley Rangers 'A' did enough on Sunday last to secure their places.

Indeed East Cork side Mogelly had a big away win as indeed had Rangers while Gortroe had enough done from the previous week.

### Blackwater Rangers 0 Valley Rangers 'A' 3

Valley carried a 4-0 lead into this game from their first leg meeting and they were seldom troubled in this 2nd leg game despite Blackwater having home advantage. Valley Ranges will look forward to the draw for the quarter final which will be made on Monday night next.

### Accrington Celtic 0 Mogelly 6

The scoreline says it all here. Celtic were short some regulars but Mogelly were always in the driving seat.

### Affane 4 Gortroe 3

A real thriller here in Affane on Sunday morning last. Down 6-2 from the first leg the homeside were fired up for this leg. First half goals from James Maher and Kieran O' Mahoney saw the homeside lead 2-0 at the break. Gortroe to their credit fought back and pulled a goal back. Maher restored Affane's two goal lead but the East Cork side scored a second Adrian Cliffe scored for the homeside to leave the score 4-2 in Affane's favour. However, Gortroe rounded off the scoring in this highly entertaining game and book a place in the quarter final.

S W E I O V I E P R E P

### Valley Rangers B v Brideview United

With United leading 6-1 from the first leg they should continue their run and so advance to the quarter finals. Due to holidays United will be short some regulars for Sundays game but they should still prove too strong for Rangers second string.

### Ballybridge United v Inch

This East Cork local derby should be one of the games of the day. Last week in Inch both sides served up a real thriller and we expect more of the same on Sunday. Inch hold a slender one goal lead but will it be enough. A scoreless draw would suit Inch here.

### Cappoquin v Ballyduff

This all West Waterford game is still wide open. The homeside carry a one goal advantage going into this game. The visitors will look to Corcaran, Twomey and Molumphy to prize open a strong Cappoquin defence. The homeside will look to Mason, Morrissey and Moore to keep them on track for a semi final place.

### Castlebridge Celtic v Clashmore Ramblers

The Castlelyons club namely Castlebridge Celtic are hot favourites to advance to the quarter finals. They hold a 4-1 advantage and its hard to see them loosing this kind of lead so we tip Celtic to advance.

### Modeligo v Lismore

This game looks to be wide open as Lismore hold a slender one goal lead as they head to Modeligo. Games between these sides are usually close affairs. On form we should expect Lismore to advance and it would be a real shock if Modeligo were to defeat their visitors.

However, there are still some tickets left but clubs if you require more than get in touch with Pat. The first of these draws takes place in Ballymacoda on October 12th. ## MUNSTER JUNIOR CUP DATE

Clubs entered for the above please note that games take place on October 6th.

## Congratulations

Milo Corcoran, President of the FAI was given the responsibility of under age football with UEFA. We congratulate him and wish Milo well.

## YOUTHS LEAGUE

All clubs interested in Youths Football are asked to attend The Red House on Monday October 7th at 8:30pm sharp. It is hoped to begin this league in Mid October. However, its vital for all clubs to attend the above meeting. It is proposed to run this league on Saturday afternoons.

## Oscar Traynor Cup

The league committee hope to announce the managers of this team next week. Many behind the scenes meetings have been on going over the last two weeks. The committee realise that its preparation is not the best they are looking to the future. New Chairman Michael McBride is anxious to improve preparations regarding The Oscar Traynor Cup team. McBride is hoping that managers willing to take on the job for two seasons, get a commitment from a panel of players as well as training that the team could do well. We all hope that McBride can bring this about.

## WELL WEAR

To Pat Casey we say well wear as he now drives a silver model. The boss (Mary) tells me she is happy with it. Ha! Ha!

## PREMIER LEAGUE MATCH REPORT

# Dungarvan Rue Missed Chances!

## HIBERNIANS 1 DUNGARVAN UTD. 1

For the third successive season this League encounter at Kennedy Park ended all square and in a game that could have finished 4-4, a point each was a fair outcome.

Dungarvan opened in scintillating fashion and should have

been three up within eight minutes. A 20 yard effort by Kevin Walsh in the second minute beat Arrigan but hit the underside of the bar; Michéal Downey reached the rebound but his effort also hit the Hibs. crossbar. In the sixth minute Downey's pace took him clear but his shot went wide. After

10 minutes Mark Crotty got into the area but his pull-back just missed Nicky Donnelly. Walsh, Nolan, Crotty and Keane were completely dominating the midfield exchanges. A goal for the visitors looked inevitable but when it came on the half hour, it was at the other end. Referee Purcell adjudged Hyslop's challenge to be illegal and Kennedy converted the spot-kick. This incident transformed the game and Hibs. took complete control. Niall Barry produced two fine saves and the crossbar also came to Dungarvan's rescue as Hibs. pressed for a second.

At the interval Dungarvan regrouped and were back on level terms within seven minutes of the resumption. Joe Nolan's defence-splitting pass put Downey clear and this time he coolly slotted the ball past Arrigan. This goal restored confidence and Downey, Donnelly and Keane all brought saves from Arrigan. However, Hibs. held firm and in the last 20 minutes they looked the more likely winners as they regained the initiative. However, the Blues' defence of John Power, Aidan Landers, Killian Lyons and Brendan Landers held firm and the contest finished level at 1-1.

Dungarvan:- Niall Barry, John Power, Aidan Landers, Mark Hyslop, Brendan Landers, Mark Crotty, Joe Nolan, Kevin Walsh, Gary Keane, Michéal Downey, Nicky Donnelly. Res. Killian Lyons for Mark Hyslop (inj.) (55 mins.); Clive Crotty for Kevin Walsh (75 mins.); Rob Wheeler for Nicky Donnelly (79 mins.); Alan Landers, Kealan O'Neill.

## Dungarvan United Youth Notes

We will have a very important training session on Thursday night at 7pm. All players are requested to be there as we have a big Cup match this weekend.

All players are also reminded that their Club dues are now outstanding and must be paid A.S.A.P. 15e. All Youth fixtures for the coming season will be charged at 3e both home and away, so lets make a big effort to stay in line with all other club teams.

# Dungarvan United A.F.C.

## RESULTS

### Premier League

#### Hibernians 1 Dungarvan Utd. 1

The Premier team will view this as two points dropped but had to come from behind to grab a share of the spoils. Michéal Downey scored our equaliser in the 57th minute.

### Division 2 West

#### Kilmactomas 5 Dungarvan Utd. 2

A bad start for our Division 2 West team who suffered a heavy defeat at the hands of Kilmactomas. Paddy Walsh and Ger O'Brien scored our brace of goals.

## FIXTURES

### Munster Junior Cup First Round

#### Johnville -v- Dungarvan Utd. (Sunday at 11.00 a.m.)

The Premier team face a tough assignment next Sunday when they travel to Curran Park for a Munster Junior Cup clash with Johnville. The city side have opened their League campaign with two wins out of two, while we have secured just one point from six. It will take an excellent performance if we are to remain in this competition.

### Munster Youth Cup First Round

#### Hibernians -v- Dungarvan Utd. (Sunday at 2.15 p.m.)

Our Youth team have also been drawn away from home in the Provincial Cup Competition but will travel to Kennedy Park, full of confidence, after winning their opening league game by 9-1. A repeat performance should see us advance to the next round.

## WLR FM

Well done to our local radio station who have introduced a Junior Soccer Preview section to their Saturday Sports Programme which runs from 12.00 noon to 2.00 p.m. Junior soccer has been badly neglected by the Station in the past and this is a welcome new innovation.

## MEMBERSHIP AND REGISTRATION

Several players still owe their membership and registration money and are asked to please pay it as soon as possible. To enter and register, one squad of players costs in the region of €500. With Club membership costing just €6 this season, all players should now have their full fee of €25 paid.

## SEAVIEW CELTIC DRAW

The first of these draws will take place shortly. Ticket holders are asked to please settle up with our draw co-ordinator, J.D. O'Shea this week.

## WATERFORD UNDER-12'S

Well done to the Waterford Schoolboy League Under-12 squad on their magnificent achievement last Sunday in winning the Under-12 All-Ireland Inter-League Competition. They beat Dundalk Schoolboy League 2-0 in the Semi-Final before accounting for Donegal Schoolboy League 3-1 in the Final.

We had seven players involved in the squad, namely Gavin Crotty, who scored in both games; Michael Walsh, Barry Hamilton, Corey Wall, Karl Duggan, Paudie Kiely and Derek Barry. Also Mickey Wall was a member of the coaching staff and this excellent win and fine representation is a testament to the superb work being done by all the schoolboy managers and coaches in the Club.

Other local clubs, Stradbally and Kilmactomas, were also represented, while Railway's Tom Browne is the Waterford Schoolboy League Coaching Development Officer.

## LOTTO REACHES €5,000

There was no winner of last week's lotto when the numbers drawn were 3, 21 and 29. The jackpot has now reached €5,000, so make sure you are in this week's draw. Prizes of €25 went to Rosie Crotty and Gary Power.

# Dungarvan United Schoolboys Notes

## KENNEDY CUP UNDER-12 DEVELOPMENT

A very special mention must go to six of the present Under-13 Dungarvan United squad who played their part in Waterford's victory over Donegal in the All-Ireland Final, score 3-1. Gavin Crotty was among the scorers. They also defeated Dundalk in the Semi-Final. Through the hard work of Eoin Tubritt they ended the long haul with a fantastic win. Also, a mention must go to previous Club managers who helped nurture the talent that they had at their disposal and to the parents of the boys who put in many miles in bringing the lads to training. The following were the boys who took part:- Karl Duggan, Michael Walsh, Gavin Crotty, Paudie Kiely, Barry Hamilton, Corey Wall and Derek Barry, who was part of the original panel but had to withdraw due to injury. On behalf of the Club, well done.

## Dungarvan -v- Tramore Under-15 on Saturday, 21st September at 2.30 p.m.

Going on games played against the Seasiders last year, the Blues went into this game with an air of optimism. On a glorious sunny day at Kilrush Park, everything was to play for, especially for Dungarvan, who sought to avoid their third defeat of the season.

The visitors struck first when they seized on a defensive lapse on eight minutes and it looked, even at this early stage, that the floodgates might open. Full credit must go to a patched-up Blues outfit and, in particular, Sean Hamilton who almost equalised with a daisy-cutter, which went narrowly wide. Play swung both ways with chances falling to both strikeforces which went astray. Close on half-time Tramore could have stretched their lead but for fine goal-keeping by J. Corcoran 10 mins.

Into the second half the visitors did get their reward for their hard work when they scored with a fine strike from outside the box. From here the Blues tried hard with Wayne Flynn coming close with a free kick off the crossbar. With ten minutes to go, Tramore sealed the points with a well-taken third.

Team:- J. Corcoran, R. Barton, C.R. Power, K. Wall, W. Flynn, B. Hourigan, C. Troy, S. Whelan, M. Murphy, S. Hamilton, S. Waters.

## UNDER 11'S

Last Wednesday we travelled to Waterford Crystal and suffered a heavy defeat to a very strong and physical Crystal side. We did manage to score twice, both coming from Mikey Byrne. This was a bad experience for the young blues side, but one that they can only learn from.

On Monday night last we entertained Bohs at Kilrush park. Both sides contributed to a super match with both goal keepers in unbelievable form. After the break, Dungarvan looked the more likely to score. The breakthrough came with fifteen minutes remaining when following one of Philip Walsh's excellent corners - Bohs failed to clear and Eric Duggan hooked the ball into the roof of the net. With five minutes to go

Dungarvan increased their lead through Kenny Moore's excellent finish. Just on the stroke of full time, Bohs pulled on back as a consolation. A feature of this game was an outstanding display by skipper and goal keeper Colm Curran. Final score Dungarvan United 2, Bohs 1.

Team - C. Curran (Capt.), C. Flynn, D. Sheridan, P. Walsh, A. Kelly, M. Byrne, E. Healy, C. Hayes, K. Moore, E. Duggan and D. Duggan. Subs - B. Ansell, R. Delaney, I. Sheehan, D. Houlihan, M. O'Keeffe, B. McCarthy, A. Landy, S. Ryan, J. Coward and S. Marriot.

Training Mondays 5.00pm - 6.15pm.

Next match Saturday 5th October v Carrick (Home), kick off 10.30am.

A big thank you to all the parents for their support - it was great to see it!

Also lads, don't forget your birth certs!

## SATURDAY ACADEMY TRAINING

It is a perfect time to sample the fantastic facilities available and hopefully produce the footballers for the future of football in Dungarvan. So, if anyone out there feels that they have something to offer, please don't hesitate to contact Francis O'Brien (087) 7769125 or Edwin Egan (086) 8736428.

# West Waterford A.C. Beginners League

### JOIN THE JOGGERS

The place to be last Wednesday evening and indeed the next three Wednesday evenings is the Friary College where the Autumn beginners league is taking place. With an entry of almost 100 walkers, joggers, runners, speed merchants etc., etc. the numbers were well up on last year and over the next couple of weeks the numbers will grow even further.

It was great to see so many new comers to the league as well as all the old faces back after the summer break and all looks good now for the up coming winter league which gets under way next month, more details on this in the coming weeks. With the fading light we would ask those coming along to the Friary to please try and be started at least by 6:30 p.m. if at all possible, and do bring along a friend or three, and introduce them to a better life style. You will be amazed how great you will feel fitness wise and health wise in just a few weeks and once you take that first step you will never look back, so leave work early, leave the sink, get in a baby sitter, skip the hovering what ever it takes see you tonight at the Friary between 6 p.m. and 6:30 p.m.

The entry is just two euro and remember it doesn't matter how fast or slow you are, you do what you can at your own pace.

### EILEEN MOORE OFF TO A FLIER

Eileen Moore got her autumn training off to a good start last Wednesday evening when she recorded the fastest time over the one lap circuit when she clocked a great time of 9.32, closely followed by Paula Nu-

gent 10.04 and Niamh Briggs ran 11.03 and wouldn't even wait for her father Mick. There was good performances also from Jane Fraher and her cousin Leonie O' Brien who enjoyed herself so much that she might even bring along Davy next week. All in all a total of 15 completed the one mile course and we hope to see them all back tonight, Wednesday.

### THE YOUNG GUNS SHINE

As the saying goes you can't beat a bit of youth and that seemed to be the case with the two lap run as the first three fastest times recorded were by West Waterford AC Juvenile members with Jimmy Fitzgerald leading the way with a fine time of 14.33 which is great running by any standards, second fastest was a very promising young girl who has been progressing nicely over the last few months and is eagerly looking forward to the up coming cross country season namely Deirdre Duff 15.36, and third fastest was Pdraig Healy 15.44 another young boy who loves competing whether its race walking, track and field or cross country he gives his all, there was also good performances from John Hurney and that an Alan Ryan. What a talent, if only? Patrick Enright was just one second behind Alan and will have a score to settle this week.

Ray Moore proved he is in good shape for the upcoming squash season completing the two laps with ease and great to see Deirdre Travers back after, a long lay off from athletics, she is running as well as ever, 27 in total completed the two lap course.

### FORTY FIVE TRY FOUR LAP COURSE

A total of 45 had a go at the four lap course last Wednesday evening and West Waterfords and Irish international Joe Gough showed why he is one of the best vets in the country with a brilliant time recorded of 29.33. Young Gary Nugent had the second fastest time on the night with 30.36 and the ever improving Johnnie O' Connor recorded 31.13 just one second ahead of Mark Vespa, at the end of the day some are there to record fast times as can be seen above but some are there also to try and complete the course in one piece. One group who were taking it in their stride been led out by Nicola Dee along with Joanne Dunford, Michael O'Callahan and Martin Houlihan they were really battling hard to stay in contention with the two former national medal holders as they went by at speed, but Pdraig De Burca wasn't having any of it and took the two at his ease in the finishing straight. There was a big contingent of first timers last week and some notable performances were recorded by Alan Curran, Brian Beatty, Leonie Mulcahy, Diane Behan and not to be outdone by his sister Damien Travers ran very well. Next round tonight Wednesday starting at 6 p.m. come along and bring an enemy.

## CORK TO COBH NEXT SUNDAY

One of the oldest road races down south is on this coming Sunday September 29th, the Cork to Cobh 15 miler. West Waterford AC have a large group of athletes travelling to this race as it is ideal for all those who are training for the upcoming Dublin City marathon. Speaking of this race, it brings back treasured memories to 1984 at that time this race was always held in the month of April and on this particular year as the athletes faced the starter in Cork it was a freezing cold day and snow covered the ground. I from the comfort of a car watched and followed the leaders as the race made its way towards Cobh over treacherous under foot conditions. On that day what to me was one of the finest road race performances ever, by a Waterford athlete, our own Tony Ryan put in a tremendous gutsy front running performances to beat a very fancy home hero in Donie Walsh of Leevale AC. Tony's winning time of 1.17.45 was well clear of Donie's recorded time of 1.18.40 this was for the Corkonians, a surprise win by the Dungarvan athlete in having their local international beaten on his own door step but it was no surprise to us. We all knew Tony at that time was an athlete of immense talent and it was performances like that day in Cobh that live in the memory when we talk of great performances, and there are many other great performances and memories of the man when he was at his best in the seventies and eighties at cross country and on the road. It is a career that shortly we will delve into more at a latter date and bring you the whole story of Dungarvan's finest, anyway back to the present for a while, details for the race on Sunday can be had from Kevin Cummins at 021-4292509, watch our for the early starting time of 9:30am. and the weather man says there will be no snow, best of luck to all.

## ALLROUNDER WINTER LEAGUE

Yes, it's on again this year, the famous All Rounder winter league, a sub committee has been formed and are at present working away behind the scenes and putting everything in place for what is going to be the biggest and best winter league to date, starting dates, etc, are been finalised and all details of this years league will be revealed in a few weeks time. If anyone has any views to air about the league please don't hesitate to contact either Martin Veale or Albert McGrath who are heading up the sub committee.

## CONGRATULATIONS

The club extends its congratulations to Neil and Joan Hurley and family on winning the overall Glanbia quality milk supplier award for 2002, they recently received their award from Liam Aylward TD, Minister of the State at the Department of Agriculture and Food. The Hurley family were very involved with athletics in the early years in Dungarvan and indeed Neil was on the very first committee that formed St. Mary's AC he also had a distinguished running career himself and has always taken an interest in athletics happening locally.

Congrats also to local runner Eimer Connery who played in the Kilkenny team who won the All Ireland Junior Camogie final last weekend. Kilkenny beat Cork in the final and Eimer says that it was the winter league that helped in no small way to keep her fit over the winter months, and she was in the peak of fitness when the championship started, well done Eimer from all at West Waterford.

Finally this week best wishes to Ballymac 5 race organiser Frank Bolger and Maria Murphy, from Kerry who were wed recently. We wish them every success for their future happiness.

The game got off to a good start. With both sides having chances to take the lead, but at half time it was still level with no score. In the second half the pace of the game increased and the chance came at both ends with goal line clearances at both ends the only goal came after 75 minutes when the Lismore forwards scrambled the ball to the back of the net.

## GOLD COAST CHARITY MARATHON

The organisers of the Charity Golf Marathon would sincerely like to thank all the players who took part in this historic event. We would also like to thank all the helpers, catering staff, stewards and scorekeepers. Without your co-operation the event would not have been such an outstanding success.

We would also like to express our appreciation to everybody who made donations, to those who supplied food on the day and to the sponsors of the medals for the event. We would also like to say thanks to John McGrath for making available the Gold Coast leisure centre to the golfers after the marathon.

On Friday night last all the charities were presented with cheques. It was a night that will be remembered for a very long time by the huge crowd present. Next week we will give an account of the amount of monies presented to each of the charities. Suffice to say at this time that the money collected exceeded by far everyone's expectations.

Medals were presented on the night to Tom White's team, the first team to reach 1000 points and to Michael Power, who achieved a hole in one at the eight hole. A full report on the nights proceedings will be in next weeks notes. Anyone with money outstanding should hand it into the kiosk as soon as possible.

## Dungarvan Sea Angling Club Notes

On Sunday the 15th, we held the last 2 competitions to clear our programme for 2002. Irish Ferries and Eurospar's four boats took part in the event and we had a good number of Anglers from Kilkenny and New Ross.

Fishing was good with a very good variety although the conger were scarce. Prizes were nicely spread with the visitors scoring well.

As most anglers are aware by now we are facing into an uncertain future, with new regulations being introduced by the Department of Marine. These rules come into force from October 1st next and set very rigorous standards for all angling boats. It

is difficult to see where suitable boats are going to materialise. Assuming that they are available, there will surely be cost implications, plenty there to think about before next season.

For the Irish Ferries competition, we picked random pairs and the results are as follows -

**Irish Ferries** — 1st Richie Walsh & Tom Walsh Jr. 440 pts (Kilkenny); 2nd Mark Rylands & Pat Gahan 380 pts (New Ross); 3rd Andrew Rylands & Milo Burke 370 pts; 4th Keith Burke & Ralph Ahern (Clonmel); Skippers Prize went to Richie Walsh 320 pts.

**Euro Spar Abbeyside** — 1st Richie Walsh 38 pts, 2nd Mark Rylands 290 pts, 3rd

Milo Burke 210 pts, 4th Keith Burke 190 6 variety, 5th Jimmy Malone New Ross 200 pts, Pat Buckley 190 pts, 7th Jerry Keohane 180 pts, 8th Com Lane 180 pts, 9th Tony Mangoang, New Ross 170 pts and 10th Tom Walsh 160 pts.

**Juvenile** — 1st Fionn O'Corraion and 2nd Andrew Rylands

### CONGRATULATIONS

Stradbally GAA are absolutely delighted to congratulate the Tidy Towns committee upon the superb achievement of the gold medal in the 2002 Entente Florale competition, in addition to the very strong showing in the national tidy towns competition. It is a standard that the entire community of Stradbally should feel proud about.

### SENIOR FOOTBALL CHAMPIONSHIP SEMI-FINAL

All roads will lead to Fraher Field next Sunday at 3.30 pm when we take on Rathgormack. Best of luck to the lads who I'm sure will put in a mighty effort to win this one.

### DANCING CLASSES

These will resume on this Wednesday night at 8.30. Hopefully this will be as successful as last year and maybe we could see a few more men get involved.

### PATTERN WEEK-END

There were some great antics in the club last week-end. On Sunday night we held a hairy chest competition. We had a fine array of men displaying their

hairy chests (or not so hairy in some cases) The eventual winner after much deliberations by the judges was "Scholar" alias Anthony Morrissey.

Monday night we had the annual club Mass which was very well attended. Thanks to Fr. Enright for a very nice sermon. Refreshments were enjoyed by all afterwards and thanks to Margaret Cunningham and the ladies committee for providing same.

Later on that evening we had a waltzing competition with some excellent music provided by "Teddy Barry" This competition was won by John Power (Kill) and Kitty Gough. Thanks to the two pretty ladies from Dunhill who judged for us.

### STRADBALLY LADIES FOOTBALL CLUB

**Under Age** — Our U-10s have been very busy over the last two weeks playing a number of tournament games.

**Ballymacarbry Blitz** — On Sat. 14th and 21st we took part in this tournament which was being played over three days.

Stradbally 5-3 Abbeyside 0-0 — In our first game we were well on top through out and recorded our first win.

Ballymac 2-4 Stradbally 0-1 — In this game we never got to grips with the Ballymac girls and were well beaten.

Stradbally 5-9 Comeragh Rangers 2-0 — This was a great start to day two of this competition with our girls

starting to show their ability.

Stradbally 3-3 Kilrossanty 2-0 — A hard earned win against a good Kilrossanty team in what was a real championship atmosphere.

Stradbally 3-6 Abbeyside 0-0 — In our second meeting we once again proved too strong for Abbeyside

Ballymac 2-1 Stradbally 0-0 — Once again Ballymac had the edge on our girls but this was a much better performance, even though we failed to raise a flag we missed some great chances.

### STRADBALLY PATTERN TOURNAMENT

On Sunday 15th we played on our own tournament with Mt. Sion and Gaultier also taking part. Large crowds were present to see three exciting games

Stradbally 5-4 Gaultier 0-0 — We were well on top in this game against a young Gaultier team and ran out easy winners

Stradbally 1-2 Mt Sion 0-0 — This was a hard fought game with Mt. Sion really putting it up to our girls

Mt Sion 1-4 Gaultier 1-1 — In the last game of the day Mt. Sion came out on top in a great game with a late goal sealing victory.

After the final game all the players received refreshments which were sponsored by Whelans Bar and we would like to thank John and Caroline for their sponsorship. Also special thanks to Edel Curran for her impression of the men in black. Well done Edel.

The full U-10 team and panel are Gillian Ahearne (capt), Claire Condon, Marian Clancy, Clare O'Brien, Sarah Heffernan, Emily Connors, Megan Whelan,

Wendy O Moruchu, Megan Roche, Sarah Fitzgerald, Nicola Fennell, Eileen O'Brien, Samantha Condon, Aoife O'Keefe, Lisa Condon, Cara Mullaney, Kim Power, Tanya Kett, Claire Crowley, Ailish Pollack, Maria Connors, Siobhain Navin.

### SCHOOLS CHAMPIONSHIP Coolnasmear 4-8

#### Stradbally Girls School 0-0

On Wed 18th the girls played their first game in this competition for a number of years. In what was a baptism of fire which is mostly 4th and 5th class girls came up against a very strong Coolnasmear team. However the local girls tried hard to the end and no doubt will have better days ahead.

Team — C. Condon, M. Clancy, S. Heffernan, S. Condon, G. Ahearne, E. Connors, O. Whelan, (capt.) M. Roche, N. Fennell. Subs — C. Kiely, M. Whelan, A. Cunningham, K. Dunford, C. O'Brien, T. Kett, M. Connors.

### JUNIOR B

**Stradbally v St Olivers** — Sun 29th our Junior team play St Olivers in the championship semi-final in Abbeyside at 11 o'clock. After a long lay off from championship action its going to take a determined effort against St Olivers who beat us in the league section earlier in the year. Hopefully we can rise to the challenge and advance to the County Final in two weeks time. Lets make it a winning start to a big day for Stradbally with plenty of support for our ladies in Abbeyside.

"From the Archives" by Tomas P O Floinn will recommence next week.

## TOURIN G.A.A. NOTES

### WESTERN JUNIOR A HURLING FINAL

On Saturday evening next at 4.30pm at the Fraher Field Dungarvan, we play Geraldines in the Western Junior "A" Hurling Final. We go into the game as rank outsiders - no surprise - given Geraldines tremendous record in the Grade over the years. But there is a proud tradition in our club and we will not be in any way overawed by the task facing us. If anything it will give us a greater incentive to win.

It has been 25 years since we last played in the Junior "A" Western Hurling Final. Too long.

We have trained long and hard for this day under the guidance and direction of our coach Liam O Laocha, played many challenge games, defeated 4 teams to get this far and the commitment from each and every player has been 100%.

We do not want to wait any longer to win this title and with every player giving their all - we will not have to. We have great supporters in our club, so come out in force on Saturday and bring your friends. Cheer the lads on and they will respond by bringing the cup home.

# Dungarvan Rugby Club Notes

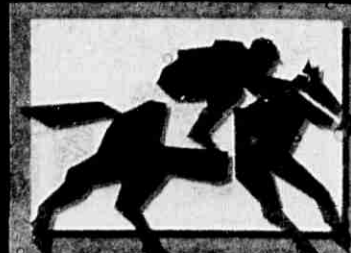

Our season kicked off on Sunday last in the Munster Challenge cup. We had the tough assignment of Limerick side Presentation away. After a tough eighty minutes we went down on a scoreline of 32-25. Although we were defeated, improvement continued in the scrums, lineouts and back play with James Hodgkins (big money import), Ian Walsh and Eoin Cunningham having big games. Bonzie kicked week, and if a few moves had gone our way we could have got a result.

Anyway our main objective this year is the league, we take on Newcastle West, away on Sunday week and we will be aiming for a result here. Underage continues every Saturday morning at 10:30am. also youths on Tuesdays and Fridays. Best wishes from everybody at the club to Dermot Kiely and his bride, Aoife who tie the knot on Friday. A tumble drier wouldn't dry him out after all the parties. Keeping you posted - P.R.O. R.U.G.

# HORSE RACING NEWS

BY MARK  
PHILLIPS

## CHELTENHAM UPDATE

I know we are still only in the month of September but a recent brochure from Cheltenham racecourse reminds us that the National Hunt season is only around the corner. For the record all races run at Cheltenham this coming season will be worth at least £15,000 Sterling. In all racing at the famous Cotswold venue will take place over sixteen days. The festival in 2003 will take place on Tuesday, Wednesday and Thursday March 11th, 12th and 13th. Racing each day at the festival will start at 2pm with prize money of over £2 Million sterling. All three days at the festival are all ticket and advance booking is essential.

## TURF CLUB INITIATIVES

The Irish Turf Club recently announced a number of new initiatives for horse racing in this country.

1/ To raise the minimum riding weight on the Flat to 7st 12 Lbs. A new minimum riding weight will also be introduced for National Hunt racing.

2/ A new balloting system will be introduced to ensure that horses with better form will be allowed to run ahead of horses with only moderate form.

3/ Harmonisation of rules in England and Ireland in relation to interference rules.

4/ Drug testing of flat riders will be introduced and testing of National Hunt jockeys will follow shortly afterwards.

5/ All racecourses in Ireland will receive a visit from Turf Club officials and until such time that all recommendations are acted upon the racecourse involved will not receive a license to race.

6/ Horses will be allowed wear Sheepskin Cheek straps towards the end of this year.

7/ The rule book will be rewritten over the next six months.

8/ The Turf Club will introduce text messaging to give details on the results of inspections at tracks.

9/ Racecourse safety will be reviewed at all tracks and some tracks will have their safety limit on runners reduced.

10/ Charity races. Riders over the age of 55 will not be allowed compete in such races and all other competing riders must attend a RACE course for one day.

11/ Results of stewards inquiries will be announced over the public address system in an attempt to keep the general public better informed of such inquiries.

12/ Testing of horses in training at various training establishments by Turf Club Officers.

13/ Non Runners. The Turf Club now have the right to visit trainers yards on the day of racing too validate the excuse of trainers for non runners.

14/ An ongoing review of racing will take place on the Laytown races.

## DUNDALK PLANS

Plans were unveiled during the week for the new Horse Racing and Greyhound Stadium for Dundalk. The current horse racing site is set for a Euro 12 Million investment which will house both Horse Racing and Greyhound racing in the same location with the greyhound track situated on the inside of the horse racing track. The greyhound track is expected to be up and running in late 2003 while horse racing is set to return

to the County Louth. venue in 2004.

## EOIN'S WINNER

One new trainer who is doing quiet well with a small number of runners is Eoin Doyle who trains six horses just outside Mooncoin. His black and amber colours were carried to victory during the week at Gowran Park by Northern Mill a horse who wasn't winning out of turn having been placed on numerous occasions over timber. Northern Mill won hard held and loves fast ground. Listowel is sure to ride fast this week and Northern Mill should run well if saddled at the popular County Kerry track.

## CLONMEL UPDATE

The current firm ground took its toll entry wise on Clonmel track last Thursday when a small crowd turned up at the meeting. The John Hackett owned and John O'Shea trained Majestic Mariner ran out a surprise but deserving 10/1 winner of the handicap hurdle. Normally this horse races from the front but on this occasion an in form Shay Barry held up the eleven year old and these tactics paid off as Majestic Mariner stayed on stoutly to beat Peruge. The was a good performance considering the gelding was just over a badly bruised foot.

Top class jump jockey Barry Geraghty will not look back with fond memories of the novice chase. He was aboard the well fancied Ballyconnel from the Dermot Weld yard and this ex Point To Pointer never touched a twig over the three mile trip. After jumping the last full of running Ballyconnel veered to his left and Barry Geraghty was caught napping and duly fell out the side door much to the dismay of all present. Manacured took full advantage of the favourites misfortune and galloped into the lead for a lucky victory.

The Roche family from Tramore celebrated after the concluding bumper as their runner Artic Force made much of the running for a well deserved victory. The winner is owned by Mrs Ann Roche, trained by her son Paul and ridden by her other son David.

In a long overdue move Clonmel track have now re sited their "fence from hell" in the home straight. The fence in question, the second last has now been moved a lot closer to the home turn where the ground is more even on the landing side unlike previous years where the ground dropped away and chasers especially those of the novice variety found it difficult to get their landing gear out. The fence jumped really well last week and lets hope this continues throughout the winter months.

## CLONMEL JACKPOT

The Jackpot Pool of Euro1,600 wasn't won last week and is now carried forward to the meeting on Friday November 1st.

## WELL DONE RICHARD

Our congratulations go to 16 year old Richard Kiely from Dungarvan who rode his first ever winner at Fairyhouse last week partnering the Pat Flynn trained Marko Jadeo to victory. This was an all Waterford victory as the winner is owned by Kevin Sheridan from Waterford City and is trained by Pat Flynn in Rathgormack. Trainer Flynn went on to complete a

double as Cepangie landed some nice wagers taking a flat handicap under Timmy Houlihan.

## INJURED AT CLONMEL

Two jockeys in the wars at Clonmel were Philip Carberry and Robert Power who were both involved in a nasty incident at the second last hurdle. Philip broke a collar bone while Robert Power dislocated a wrist.

Amateur JD Moore is out of action until the New Year. He dislocated his shoulder at Cork and was operated on a couple of weeks back.

## OH RICHARD

Irish jockey Richard Hughes lost the plot at Yarmouth last week when he lashed out during a race at fellow Irish rider Shane Kelly. As a result Richard picked up a seven day suspension and has little or no hope of overhauling Kieran Fallon in the riders championship.

## THIS WEEKS FIXTURES

Thursday — Listowel 2.05, Perth, Goodwood, Pontefract  
Friday — Listowel 2.05, Ascot, Haydock  
Saturday — Listowel 1.55, Fairyhouse 2.15, Haydock, Market Rasen, Ascot, Plumpton  
Sunday — Listowel 2.15, Punchestown 2.30

## PANORAMA PROGRAMME

The BBC announced during the week that the Panorama programme on Horse Racing will now be screened on Sunday October 6th. Anybody remotely interested in horse racing should not miss out on this programme as I believe some startling revelations will emerge on the Sport Of Kings

The last programme on racing was Kenyon Confronts and as a result of their participation in that programme trainers Ferdy Murphy, David Wintle and Jamie Osborne are due to pay a visit to the Jockey Club in Portman Square to answer charges of bringing Racing into disrepute.

## POINT TO POINT

Point To Point racing makes a welcome return next Sunday where the Ormond Foxhounds stage a fixture at Southpark, Ballingarry, Roscrea, County Tipperary with the first race set to go off at 2.30pm.

## LIBERMAN SOLD

Dual Irish bumper winner Liberman has been purchased by well known English owner David Johnson and will leave the Goresbridge stables of Paddy Mullins for the Martin Pipe yard.

## FLYNN YARD ON FIRE

County Waterford trainer Pat Flynn has struck a rich vein of form in the last couple of weeks and he sent out three winners at Down Royal last Saturday. All three were ridden by Johnny Murtagh who later went on to complete a four timer at the venue. Gordon Power gave Sunny Afternoon a cheeky ride to capture a seven furlong handicap while back down south at Cork racecourse in Mallow Tom Queally partnered Gotarapofahames to victory for trainer Noel Glynn. Blue Corrig captured the Goffs Autumn Bonus race for Tramore owner R Forrester and the fitting of blinkers for this grey son of Danay has certainly worked the oracle for this gelding.

## DUNGARVAN GOLF CLUB NOTES

# Ann Maher's Stylish Win In Captains Prize

The Lady Captains Prize kindly presented by Carmel O'Brien was played for on Sunday over 27 holes. On a day of brilliant sunshine with little or no breeze and a course in impeccable condition, the stage was set for great scoring and so it proved. The enforced change of format from the traditional 36 hole stroke competition played on two consecutive days to 27 holes in one day was magnificently drafted and executed by our dynamic lady captain. One could only be proud of her attention to detail, the artistic display of prizes, her attractive floral arrangements in the clubhouse, the setting up of three 'polling booth' style tables to take the entries, the enlisting of capable and competent gentlemen to attend to the scoring and results all ensured the smooth running of the entire day. From 8.00 a.m onwards the clubhouse was a hive of activity as the radiant Lady Captain greeted all 88 competitors.

## THE FIRST 18

The first real story to break around 1.00 p.m was the fact that Breda McCarthy playing off (5) had returned an outstanding 73 gross to post a clubhouse lead of 68 nett. Breda was out in 38 and back in a hugely impressive 35 shots. In a tremendous exhibition of golf she had a plethora of birdies (six in all). Following closely we had Maeve Morrissey playing off (15) with a 69 nett. Maeve laid the foundations for her fine round on the 1st 9, which she covered in 40 shots with birdies on the 1st & 3rd and she added a third birdie on the 17th. The highlight of the morning then unfolded, as news of the defending champion Ann Maher echoed round the course. Ann, playing off (17) had halves of 40 for 80 gross and a highly impressive 63 nett and a five stroke margin after 18 holes. Ann tremendously long off the tee and possessing a deft touch around the greens had birdies on the 1st, 12th & 17th complimented by 8 pars. Other scores of note after 18 were Rose Prendergast, Ruth Byrne, Phil Donnelly and Moyra Baumann all of whom were on 70 nett.

## THE LAST 9

So onto the afternoon, and the qualifiers played a further 9 holes. Would anyone challenge Ann Mahers lead? The first person to do so was last years Captain Ruth Byrne who added a 34 nett to her opening 70 to post a fine Clubhouse target. As play entered the final stages, Ruth's score was holding up. The nearest anyone came to it was Moyra Bauman who added a 34 nett to her 70 for a cumulative score of 104. All was about to change as the last threeball of Ann Maher Breda McCarthy and Maeve Morrissey came up the last. Breda McCarthy continued to play outstanding golf adding a 39 for a 106.5 total and comfortably claiming the gross prize. Well done to a highly popular golfer. Maeve Morrissey ended with a highly creditable 106.5 to win the category A section. Ann Maher playing with great self belief, tremendous length off the tee and reading the greens superbly well, added a 32 nett to claim her second Captains prize. Ann's win off a much lower handicap this year was an outstanding achievement.

## THE PRESENTATION OF PRIZES

The presentation of prizes took place in a packed clubhouse at 8.30 p.m. Bertha O'Connor was a lively witty competent MC. In introducing the Lady Captain, Bertha spoke about her diligent hardworking straight talking endeavors during her year of Captaining. The Lady Captain then spoke and paid a moving tribute to her late mother. She then introduced her husband P.J children Frank and Noreen, Sister Breda and Mother in Law Nora. In a hilarious discourse she rapped our Men's Captain over the knuckles for being late. She thanked many people for their help and in particular Tom Melody. Our men's captain Liam Fitzgerald then spoke and said that it was a pleasure to work with Carmel throughout the year of Captaining. The president Tom Coffey thanked Carmel for her straight talking no nonsense approach to committee work. Then Bertha called out the winners and each in turn came up for their prize. The biggest cheer of the night was reserved for third place Moyra Baumann, who in her acceptance speech said even though she was 'knackered' after 27 holes the Kerry team (Carmel is from Killarney) were more knackered! Finally Ann Maher was announced as the winner and she got a tremendous and well-deserved ovation. The night was rounded off with a great singsong and music organised by Ann Power.

## CONNOR O'BRIEN WINS MONTHLY MEDAL

The 18 hole stroke competition on Saturday featuring the September Monthly Medal kindly sponsored by Mansfield EBS resulted in a win for Connor O'Brien playing off (13) with a 67 nett. Connor, prominent member of the Stradbally area league team and prolific winner last year, went to the turn in 42 shots having parred the 2nd, 4th, 5th and 9th. Connor upped his game considerably on the back 9 which he covered in an impressive 38 shots helped greatly by birdies on the 12th & 18th. It is great to see such a fine golfer returning to top form. In second place playing off (12) with a 68 nett we had David Regan. David played consistent golf with halves of 40 with a birdie start. The gross was won by Eoin Ryan (fresh from his all Ireland success) with a great 70 gross. Eoin started like Tiger Woods with birdies on the 1st, 2nd, 3rd & 5th in a great exhibition of golf.

## JOHN MORONEY WINS ULSTER BANK OPEN

The 18 hole singles Stableford on Thursday kindly sponsored by Ulster bank was won by John Moroney playing off (7) with 41 pts. John, a fine all-round sports man and fiercely competitive, had 20 pts on the front nine and went one better on the back 9 to record a hugely popular win. In second place we had Tom Conway (fresh from his great win in the Autumn open week) playing off (10) with 40 pts. Tom played highly consistent golf with halves of 20 pts. The gross was won by another man very much in form in the person of Donie Williams with a level par round.

## ST. AUGUSTINES COLLEGE DUNGARVAN

Last Sunday week at the conclusion of open week, a very pleasant function was held at Dungarvan Golf Club, where the St. Augustine's all Ireland winning school team was honored. The Captain Mr. Liam Fitzgerald began the evening by welcoming the team and stated how proud and delighted the club was of the performance of the team. He then called on the school principal Fr. P. Moran O.S.A., who after thanking the club for honoring the team introduced each member of the team individually and said something about each of the players. As they were introduced, the Captain presented them with a Waterford Crystal memento to mark the occasion. Donal Williams (coach) then said a few words congratulating the players on their win & thanking the club for their presentations. He also thanked the Junior Officers Pat Stack & Pat Norris whose work had contributed greatly to the win. He mentioned the work also of Pat Murphy, GUI, & the work he had done with the lads down through the years & anyone who contributed financially & otherwise to the occasion. The lessons & advice of David Hayes (Pro at Dungarvan Golf Club) down through the years was also acknowledged as playing dividends in the teams. The support for golf in the school and the organizational skills of Fr. Moran was also noted. Surely with junior golf in such a healthy state the future of golf in the area with the 3 clubs is very bright.

WATERFORD TUESDAY, SEPTEMBER 16TH

## Croghan Felix In Top Form

The honour of recording the fastest time of the session on this ten race card fell to the Patrick Kinsella owned Croghan Felix (Larkhill Jo-Croghan Dancer) this 2/1 shot producing an impressive front running performance to capture the sixth event in an excellent 28.77. Wasting no time on leaving traps Croghan Felix was in complete control at the head of affairs throughout and it came as no surprise to see the Model County dog race on to a five and a half lengths victory over Shinacock Hills.

Another winner to catch the eye was the David Kelly and Vic Roche owned Tex Kelly (Thorgil Tex-Atlanta Jane) this 2/1 chance foiling a gamble on Narabane Flash 1/1 in a speedy 29.14. For a dog having his first race the May 2001 whelp Tex Kelly came away running from trap five and despite the constant presence of Black Weather the strong running Tex Kelly saw the trip out to the limit to score a shade cosily by two and a half lengths.

The opening novice race of the night fell to the Gerry Kiely owned Airmount Trudy (Smooth Rumble-Airmount Swallow) this 2/1 shot after first bend crowding coming from behind the front running Star Of Rio to shed her maiden tag by half a length in 29.95.

The well supported Honey Rumble (Smooth Rumble-Gemmas Spark) 1/1 captured a novice sprint for local owners Davy and Michael Power in 16.67. The fast starting winner was past by Binsted Gismo near the first bend but when the latter ran very wide on the bend Honey Rumble took the shortest route home to come through for a three lengths success.

In the fourth contest Top Mythos carried the favourites tag of even money and showing good early pace the favourite led around the first corner from Darbystown Trail. The favourite however failed to shake off the determined challenge of Darbystown Trail and knuckling down to the task in hand Tom Barron's home bred Darbystown Trail (Justright Melody-Garas Trail) 2/1 produced a big finish up the home stretch to gain the upper hand on the run to the winning line and score by a length and a half in a smart 29.20.

It was back to two bends for the fifth contest and while Barbies Bluebird made a flying start from trap one the leader had no answer to the powerful late thrust of Ben Bill 9/4 Anna Hearn's fawn son of Droopys Fintan and Seafield Lemon finishing with a flourish to win out by a length in 16.66.

The layers enjoyed the best of the exchanges with the punters in the two semi finals of the Midweek Graded stake. In the opening semi final Vintage Betty (Vintage Prince-Cartman Candy) 4/1 made a quick exit from trap five to lead from Lissakyle Queen and with this order of running remaining unchanged for the duration of this qualifier Willie Mongeys Vintage Betty kept going all the way to the winning line to score by a length and a half in a career best time of 29.39.

Having only his third race outing in the second semi final Michael Doyle's Monbeg Weapon (He Knows-Laurdella Risk) showed improved form to come from behind and post a 29.28 victory at the rewarding odds of 6/1. Knockane Phantom and Wind Sweeper displayed all the early pace in this qualifier but in the latter half of this contest it was Monbeg Weapon who brought his stamina into play staying on stoutly to defeat Knockane Phantom by a length and three quarters with Foxy Man just behind in third.

In the first of two 550 yard contests The Imokilly Syndicate owned Villiers Gent (Thorgil Tex-Bellingham Rosi) 9/2 packed too much early pace for his five rivals skipping clear for an all the way three and a half lengths victory over Hunts Tracie who came from behind Springview Cindy to claim the runner up spot. The winning time was 30.80.

In the tenth race Graigue Gale scampered into an early lead over Nine Mile Rover but running down to the penultimate turn Bondi Storm 2/1 closed right up on Graigue Gale.

The G Holland owned Bondi Storm (Pepes Dilemma-One For Tarbert) 2/1 appeared to make contact with Graigue Gale causing the leader to lose ground. In a mad dash for the line Bondi Storm came out on top by half a length in 30.91.

SATURDAY SEPT 21ST

## Society Princess Came Back From The Dead

There was very little to complain about the fare on offer at Kilcohan Park last Saturday as a huge crowd enjoyed the final of the Sasha Confined 28.80 stake plus the eight first round heats of the 2002 Aer Rianta, Cork Airport, Munster Oaks. If I was asked to nominate the performance of the year the Cork bitch Society Princess would certainly be on my short list as the David Mahony owned and Liam Callaghan trained Society Princess (Mountleader Peer-Westmead Slick) ran the race of her life to pull the Sasha Confined 28.80 final out of the fire. After two eye catching early paced performances Society Princess was reported to be carrying a slight injury going into last Saturday nights Euro 2,400 to the winner event and she was available at 4/5 at the off. For once the jolly mistimed her break and was then carried over to the rails from her trap five starting point by the rails seeking Davids Ranger. At the first bend Fund Manager and Interloper were involved in early crowding as Dysert Orchid sprinted into a handy lead. Society Princess still had a mountain to climb down the back stretch but remaining glued to the rails she finished like a train to outstay the Dysert Orchid by half a length in 28.84. The eight first round heats of the 2002 Aer Rianta Cork Airport Munster Oaks produced some top class racing with all eight heat winners dipping under the 29.00 mark. It would be a brave person to nominate the likely winner of this prestigious event after last Saturday nights first round heats.

**Heat 1** — Victory here went to the early paced Riochs Lady (Come On Ranger-Trionas Pride) this 2/1 shot making every yard of the running for Kilkenny owners Marie Malone and Breda Morton and trainer Derek Kehoe. Motoring into a cosy lead down the back stretch Riochs Lady had to be at her very best in the closing stages to withstand the late finish of both Dillrock Dot and Lotto Princess with Riochs Lady proving a head to good for the former in 28.71.

**Heat 2** — Ambitious Star displayed good early pace in this qualifier to lead to the second bend before giving best to Woodville Lady. The latter however had no answer to the fast finish of Michael O'Regan's Pearl Of Wisdom this daughter of Split The Bill and Eastpark Mist eating up the ground in the closing stages at odds of 9/2 to run out a deserved length winner over Woodville Lady in a smashing 28.65.

**Heat 3** — Its Awesome and Priceless Style were the two big guns in this heat and they duly dominated from the outset. The early pace of Its Awesome 5/4 saw her motor into an early lead over Priceless Style 6/4 but the latter a good winner over the 575 yard trip at Cork really powered home over the final two bends to race on for a two lengths victory over Its Awesome in 28.86. The winner an August 2000 daughter of Top Honcho and Blonde Returns runs in the ownership of Kathleen Murphy and is trained in Gowran by Paul Hennessy.

**Heat 4** — Believe it or believe it not but a coursing bred bitch produced the fastest return of the night as Tom Walsh's Bettys Beauty (Hilltown-Bettys Jewel) 3/1 raced to an impressive pillar to post 28.53 victory. Packing too much early dash for her rivals Bettys Beauty opened up a handy back stretch lead over Longvalley Dame and Confident Chick and despite a late flourish by Confident Chick Bettys Beauty was full value for length victory.

**Heat 5** — Local trainer Paul Kiely was on the mark here as the Roy Shorter owned Princely Lady (Staplers Jo-That's My Lady) 3/1 overcame a lengthy lay off to post a hard earned 28.88 success. Snazzy Girl showed in front to the opening turn but she moved into lane two at that point losing ground and hampering a prominent Senahel Ridge in the process. Once she got a sniff of a gap on the fence Princely Lady was in front in a matter of strides to lead from Oldcastle Rosie and Claudies Pet. Digging deep Princely Lady was not giving in without a fight and battle

she did winning out by two and a half lengths from Oldcastle Rosie with Senahel Ridge coming back from the dead to take her place in the draw for the second round. The winners time was 28.88.

**Heat 6** — This qualifier was an absolute thriller. Having shaken off the determined back stretch challenge of Gerards Choice the well backed and early paced Cool Honey 6/4 looked all over the winner but the Helen Taaffe owned and Dolores Ruth trained Unsinkable Jools (Prince Of Tinrah-First Dollar) lived up to her name coming with a great rattle and securing a split between Gerards Choice and Cool Honey off the home turn "Jools" stormed home to post a minimum distance win over Cool Honey in 28.72.

**Heat 7** — The layers were cheering after this qualifier with victory going to the 8/1 outsider Comet Flight (Sonic Flight-Tuttles Comet) this Lawrence Nicholson owned black gaining a hard earned but well merited 28.70 victory. After a far from fluent start Glencora the 6/4 favourite appeared to have this heat in the bag as she glided past the early leader Native Moth at the second bend. Comet Flight had other ideas however as she knuckled down to the task in hand and producing a big finish Comet Flight finished at a fair rate of knots to beat Glencora by a length and a half.

**Heat 8** — Course and distance winner Castleboro Katie a member of that great litter by Roanokee and Batstreet Linda sent the punters home happy after a deserved 29.60 victory. Owned by Breda McCabe and John Murphy and trained just outside Wexford Town by Nick Turner Castleboro Katie 1/1 cruised by Kilmeaden Jenny out of the second bend and had plenty in reserve thereafter to run out a comfortable three lengths winner over the well backed Moher Girl 1/1 in 28.69. The only graded race down for decision over the 550 yard trip found favour with the punters as Peter Brady's Desert Charm (Spiral Nikita-Proper Club) the 5/4 favourite coasted past the early leader Broadacres Jack out of the second turn before making the best of his way home for a length victory over a running on Top Mist in 30.22.

The new restaurant and bars were packed to capacity on Saturday night and a large crowd stayed behind to enjoy the music of Joe Mac and his band from Cork.
