## Grants Awarded To Local Initiatives

A number of local and countywide environment initiatives have been awarded grants under the 2002 Local Environment Partnership Fund. Announcing the grants, Minister Martin Cullen, said a total of eur6,340 will be provided in the county area and a matching fund by local authorities provides a potential total of eur12,680.

As was the practice in previous years, projects under the 2002 scheme were required to support the objectives of public information and awareness with the theme "The Environment - It's Easy to Make a Difference".

The Minister said he was particularly pleased at the grants to projects in Waterford. The Waterford projects are: Cappoquin Tidy Team "Anti Litter Poster Competition" - Poster Competition for primary

## Objection Lodged Against Cloneety Development

### KEVIN KIRrane

A local resident has lodged an objection against the development of over 70 houses, apartments and a community centre at Cloneety, Dungarvan it has emerged.

Proposed by Hollycourt Development the social and affordable housing project was granted permission by Dungarvan Town Council last week, but has already

encountered a number of setbacks.

The Co. Cork based developers, had hoped to put together the housing package with the aid of Cluid and Dungarvan Care of the Aged. But, County Manager Donal Connolly recently revealed that Cluid were now unlikely to become involved. A second social housing agency has since been contacted but their involvement

remains unconfirmed.

The housing project includes 28, three bedroom, 28, two bedroom semi-detached houses, 22 bungalows and 26 apartments with associated common areas in a two storey building, and a community centre incorporating a hall, crèche and ancillary facilities.

The Town Council also attached 39 conditions to the

# Abbeyside Singer Releases Debut CD

Lorna-Jane  
Murray

'Don't Keep Me Anchored'

Lorna-Jane Murray, from Abbeyside, is a new name on the recording scene, though no stranger to music being brought up in a household where it was to the fore. Her father, Paddy Daly, a well-known and respected musician, together with her mother Betty, always had musicians in the home as she and her sister, Sharon, were growing up.

An accomplished guitarist, she quickly developed her own style, and has been in big demand to sing at weddings and funerals over the years. Her big dream, however, was always to record her own album, and the release of her debut CD sees her well on the way to realising this dream. The self-penned title track "Don't Keep Me Anchored", accompanied by versions of "Trouble In The Fields", and "Alice Ben Bolt".

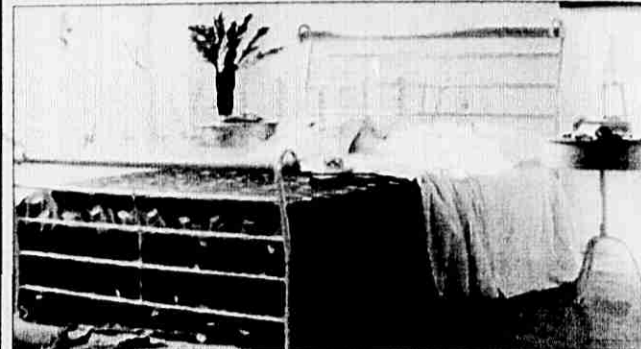

This is only the beginning of what will surely be a successful career for this talented and versatile young woman.

Life did not always seem so promising in adolescence for Lorna-Jane. She needed two operations to remove a brain tumour from her optic nerves, leaving her visually impaired. This, however, is only incidental to the young lady whose determination to live life to the full now she's her married to Conor with whom she has a two year old son, Jack.

Lorna-Jane sings with an understanding and sensitivity that flows effortlessly through every note. Her enchanting rendition of Nancy Griftith's song "Trouble In The Fields" is deeply moving and gives you one of those rare spine tingling experiences that cannot be easily found in just any recording just by any artiste.

"Don't Keep Me Anchored" was released on Saturday 12th October 2002.

## Environment Today

### DID YOU KNOW ...?

Did you know that last year in Ireland Rehab recycled 81 billion bottles, which if laid end to end would stretch from Waterford to Sydney. It's easy to make a difference.

#### Piparella - Environmental Play for Children

As part of the Local Environment Partnership Fund, Waterford County Council have funded five free performances of an environmental play for children called "Piparella". Notices have been sent to all primary schools giving details of dates and times.

#### PHOCINE DISTEMPER VIRUS (PDV) AMONG SEALS

The first case of the Phocine Distemper Virus (PDV) has been confirmed, following tissue analysis, in a seal found on the Aran Islands, County Galway.

The virus attacks the respiratory and immune system of seals and causes severely matted eyes, runny noses and pneumonia. This virus does not pose any threat to humans but cats and dogs can be affected by it.

At this time of year in particular, heavy seas can increase seal mortality and lead to a higher incidence of seals being washed ashore. Even at the best of times, seals should not be approached because they can be quite viscous and if they bite they can cause infections such as Sealer's Finger Disease.

Scientists agree that the distemper virus does not pose a threat to humans and since most dogs have been vaccinated against it, the threat to them is limited. However, the virus will cause illness in dogs that have not been vaccinated and for this reason members of the public are being asked to keep all dogs away from sick seals or carcasses.

If a member of the Public comes across sick or dying seal they should contact their local authority, who will arrange for it to be safely disposed of. Waterford County Council can be contacted on 058-22000 at any time.

The Phocine Distemper Virus represents a natural phenomenon among seals which, though obviously distressing to the public, is something which must necessarily take its course. Moreover, the

phenomenon does not represent a danger to humans. Under existing arrangements, local authorities have the responsibility for the disposal of animal carcasses, including seals.

The Department of the Environment and Local Government has been in contact with its counterparts in Northern Ireland and the UK, and it has been agreed that any information on developments in our respective waters will be shared by those authorities. Moreover, the Department has been in contact with Professor Brian Sheehan of the Veterinary College of University College, Dublin. Some weeks ago Professor Sheehan carried out a post mortem on a seal found on the Galway coast and furnished the Department with its findings, which indicated at that time that the seal in question did not have PDV.

The most recent development is that a researcher working with the Department of Zoology at University College, Galway, forwarded tissues from two seals found near Inismore, County Galway, to the Department of Agriculture in Northern Ireland. Following laboratory tests, it has been confirmed that tissues from one of these animals was found to contain PDV.

The Minister has arranged that conservation rangers, regional management and research officials of his Department will continue to monitor and advise on incidences of seal strandings and mortality on our coastline. The Department will also continue to liaise with international experts on the subject.

While it should be emphasized that there has only been one confirmed report of PDV in Irish waters to date, the Minister has asked for members of the public to be vigilant and to report any sightings of dead or unwell seals to officials of his Department (01-6472404, 01-6472408 and 01-6472410) or their local authority.

## Marie Keating Foundation Mobile Unit to Visit Cappoquin

The Marie Keating Foundation mobile unit will visit: Main St., Cappoquin, Friday 1st November, 11.00 am to 3.00 pm. This service is free to everybody, so please avail of it. Our ambition is to enlighten, not to frighten.

The Marie Keating Foundation, launched in April 2001, has been established primarily to provide Breast Cancer Information & Awareness free of charge for the general public throughout Ireland. The Foundation has set up three Mobile Units in the Eastern, Western and Southern regions of Ireland. These units travel countrywide, staffed by a registered nurse who will provide information and Awareness about breast cancer.

This is not a breast screening service.

Breast cancer is a common and serious condition. In Ireland approximately 1,700 women are diagnosed with breast cancer every year. Some 650 die from the disease annually. The risk of developing breast cancer increased with age and breast cancer is the most common killing cancer in women. Breast cancer is rare in women under thirty and occurs most frequently in later life. Men can also develop breast cancer but it is one hundred times less common than in women. The earlier a cancer is diagnosed and treated, the greater the chance of a cure.

## "Advance Reviews Of Development Plans Before Next Local Elections"

— LABOUR COUNCILLOR

Local Government in the Dungarvan area would be strengthened by initiating simultaneous reviews of the Town and County Development Plan prior to the local elections of 2004.

That's the view of Labour Councillor Fiachra Ó Céilleachair, who also argues that an intensive information and consultation campaign must accompany the next reviews. The present Waterford County Development Plan, which was adapted in 1999, is due for review after five years of operation in 2004. Cllr. Ó Céilleachair says the drafting stages of the Dungarvan Town Development Plan could also

begin during 2004.

The Dungarvan area Councillor feels that future development issues - affecting Dungarvan/Abbeyside, surrounding hinterland outside the urban boundary and other rural communities in the vicinity, should be an issue when the public select their local representatives to guide their local Government for the remainder of this decade.

Making his point, Cllr. Ó

Céilleachair remarked: "There are a range of community and infrastructural considerations that can be put into a plan, quiet apart from the various zonings or rezonings. A more vigorous process of informing and involving the public directly needs to be undertaken in relation to putting together development plans. It's often the case that the public only find out about various local implications after acceptance of a

plan - particularly when a local planning or variation issue arises."

"Subsequent to the 1999 local elections and the adoption of the Co. Development Plan, I have seen some curious positions being taken in the Dungarvan electoral area. Some of my colleagues on the local authority, in respect of the Ring/Old Parish area action plan, vehemently opposed and voted down my well known views on backing single site and small scale developments as opposed to big housing estates in rural areas. Yet, within a year, they were arguing for exactly that, when it came to consideration of the Dungarvan & Environs Landuse Study Plan. That's the kind of planning issue people would have to be consistent on in a local election situation and I look forward to such an opportunity".

# How Did The Mountains Begin?

**T**he Earth's Crust is divided into 17 huge plates called tectonic plates, which is together-rather like pieces in a jigsaw puzzle. Tectonic plates are in constant movement, because they rest on the magma underneath. These plates slide one against the other, they collide, they move apart. These movements, as well as causing earthquakes, volcanic eruptions and the Continental Drift (separation of the continents), also led to the formation of mountain chains. When two plates press one against the other, the Earth's Crust is pushed up towards the top and forms mountain chains in 'folds'. But when the Crust breaks along cracks or 'fault lines', great blocks of rock are thrown up and form mountain chains in 'blocks'.

## WHO WHAT WHEN HOW

### How is the height of a mountain measured?

To measure the height (or altitude) of a mountain, we take the surface of the sea as a point of reference. When we say, for example, that the mountain K2 is 8616 m a.s.l. (above sea level) we refer to the distance between the top of the mountain and the surface of the sea.

## WHAT IS A VALLEY?

A valley is a thin basin situated between the base of mountains. Valleys are formed by erosion (or wearing away) caused by ice and course of water. The shape of a valley depends on how is begun.

A glacier valley is formed by the slow advance of a glacier and is formed like a letter U - steep sides and a flat base.

A river valley is excavated by the course of a river or waterfall. Its shape is like a letter V - sloping sides and a narrow base.

A river valley

## FACTS AND FIGURES

The highest mountain is Everest: 8848m. Second highest is K2, with a height of 8616 m. Both are in the Himalayas. After numerous attempts, the first to reach the summit of Everest were the New Zealander Edmund Hillary and the Nepalese Sherpa Tensing in 1953.

The first man to climb Everest alone was the Italian Reinhold Messner in 1980. He was also the first mountaineer to climb all 14 mountains higher than 8000 m without oxygen cylinders - a truly remarkable achievement.

The most extensive mountain chain in the world is the Andes in South America, with a length of 7200 km.

### MOUNTAINS IN 'FOLDS'

The Himalayan Mountains were formed by a collision between the plates of India and those on which the rest of Asia rests. From a collision between Africa and Europe originated the Alps, the Apennines, the Pyrenees and the Atlas Mountains.

## Delay On Dungarvan Technical College Handover

A short delay is being anticipated on the handing over of Dungarvan Technical College, last Monday's meeting of the Vocational Education Committee heard.

CEO of the Committee, Pat Lavelle said the deadline of one month, looks likely to be delayed by two weeks.

This has arisen while the builders complete the architects snag list of possible structural problems. Additional features were given funding and their completion is also adding to the short delay.

Mr. Lavelle said that while it is important for the school to move from its present Wolf Tone Road premises to the new site on the Youghal Road, it is equally important for the building to be in the best possible shape.

He added they are currently ordering furniture and equipment for the new premises.

In Kilmacthomas, St. Declan's Students and teachers have moved into the new building but delays in the ordering process have meant staff are still receiving equipment including the occasional wrong order. Mr. Lavelle described the Departments ordering system as "un-

wieldy" and "a further delay in already lengthy and time consuming process".

However, despite the lengthy ordering system teachers and students are de-

lighted with the new building, he continued.

Reporting "good progress" on Ring's Mean Scoil San Niochlas, he said no reasons for any delay are obvious,

but experience with the other two building projects, led him to believe a short delay is likely.

He also thanked staff, who he described as committed and are "delighted to see the equipment coming in, even if it has added an extra workload".

## Unusual Callout For Helvick Head Lifeboat

Helvick Head Lifeboat faced an unusual callout, last week, when four cattle strayed onto the cliffs and unable to retreat, panicked and went into the sea where they were caught among the rocks at Old Parish.

Helvick Head Lifeboat was alerted to the plight of the animals at 5.30pm and the station's Atlantic 75 lifeboat was immediately launched.

Crewed by Páidí Breathnach, Sean Walsh, Kieran Rossiter and Shay Young, the lifeboat reached the stricken animals within minutes and quickly assessed the situation.

One of the cattle had got its head jammed between the rocks and was already dead. Páidí Breathnach and Kieran Rossiter entered the water in an attempt to save the other animals from the same fate. The lifeboat stood by while a second animal was freed and with the help of the two lifeboat men on board secured it to the lifeboat but it died a short time later. Páidí and Kieran stayed in the water and helped the remaining two animals to swim to shore where waiting helpers drove them to safety.

The animals belonged to a Ring man, who is grazing cattle in the area. When contacted he expressed his thanks to the RNLI crew.

"I want the lads to know I'm very grateful to them", he said. "Without them I would have lost all four, they did a great job".

Local farmer Peadar Nugent, who was at the scene early to offer his assistance, said it was the first time he had seen the lifeboat crew in action.

"I was very concerned for the animals, but the lifeboat men only took seconds to swing into action. They are obviously a team of well trained and fit men. It was all in a day's work to them".

This was the second task of the day for the crew of the Helvick Head Lifeboat. Earlier they were called to assist a fishing vessel when its propeller became fouled while fishing off Helvick. The lifeboat "Alice & Charles" with crewmen Páidí Breathnach, Sean Walsh and Willie Harty on board took the "Eileen Og" on tow and brought it to Helvick pier where the propeller could be freed.

Tahini and chive topping  
Juice of 1/2 lemon  
3 tablespoons tahini

Mix all the ingredients of your chosen topping together thoroughly (use a blender or food processor for the tahini and chive topping) and serve with the piping hot potatoes.

## Patatas Bravas

Preparation: 10 mins  
Cooking: 10 mins

THIS is a really fantastic quick and easy dish to serve as the nights begin to close in. Not only is it very warming on a cold night, but potatoes and parsley are a good source of vitamin C which will help keep colds at bay during the winter months. It is also suitable for vegetarians.

INGREDIENTS (Serves 4 as a side dish)

1 tablespoon groundnut oil

675g /1 1/2 lb cooked cubed potatoes  
1 onion, finely chopped  
1 teaspoon chilli powder  
2-3 tablespoons tomato purée  
1 tablespoon chopped parsley, to garnish

METHOD  
Heat the oil in a non stick frying pan and gently fry the potatoes, onion and chilli powder together for about 10 minutes or until all the vegetables are golden.  
Stir in the tomato purée and heat through.  
Serve the potatoes as a side dish, garnished with chopped parsley.

## Peanut brittle

Preparation: 1 hour

SWEET-making is often only attempted on Bonfire Night with toffee – try this instead.

INGREDIENTS  
12 oz loaf or cube sugar  
1/4 pint water  
1/2 lb golden syrup  
2 level tspns powdered glucose  
1 oz butter  
3 oz browned peanuts  
1/2 tspn lemon essence

heavy-based saucepan set over a low heat. Bring to boil and boil gently until thermometer registers 30F. Add the butter, warmed nuts (rub off skins first) and lemon essence then heat until butter is just melted. Stir in bicarbonate of soda – mixture will now froth rapidly for a few minutes. Pour it quickly on to an oiled large clean non stick baking tray. and leave to cool. When cold, break brittle into pieces. Store in an airtight container in single layers between grease proof paper.

## Health Tips from "Remedies"

### ARNICA

The healing properties of Arnica are widely known and it has been used since the 11th century. Arnica grows in the mountainous regions of central Europe, where shepherds reported that sheep and goats would eat Arnica after a fall. Even the most severely injured animal would soon be back on their feet fully recovered. The shepherds themselves then tried Arnica and, finding it helped to speed recovery from injuries, spread the word of its success.

Arnica is best known as an effective ointment for sprains and bruises, Arnica improves the local blood supply and accelerates healing. Generally the herb is now taken internally only as a homeopathic remedy, mainly after injury; mental and physical shock; after operations, visits to the dentist, childbirth, etc.; sprains and bruises; aches and pains after physical pursuits such as gardening and for rheumatism.

### QUESTION

What are the charges for private and semi-private accommodation in public hospitals?

### ANSWER

Since the 1st August, 2002 the daily rates in respect of private and semi-private accommodation are as follows:

Hospital Category	Private Accommodation	Semi-private Accommodation	Day-Care
Health Board Regional Hospitals Voluntary & Joint Board Teaching Hospitals	€301.97	€236.12	€216.83
Health Board County Hospitals Voluntary & Non-Teaching Hospitals	€250.57	€202.39	€179.89
Health Board District Hospitals	€155.79	€132.32	€115.64

These charges are additional to the public hospital statutory in-patient charge which is €36 a day (subject to a maximum of €360 i.e. 10 days in any 12 month period). If you are in two or more hospitals in the course of the year and your stay exceeds 10 days in hospital you should bring this to the attention of the last hospital you attend.

It is important to make clear to the hospital whether you are opting for public or private care. Everyone is entitled to public in-patient and out-patient services regardless of their income but subject to the statutory charges mentioned above.

There are a number of groups who do not have to pay the statutory charges including medical card holders, women receiving maternity services, children up to the age of 6 weeks, children suffering from prescribed long-term illnesses, children referred from health clinics and school examinations and people receiving treatment for long-term infectious diseases. In cases of undue hardship a Health Board may provide the service free of charge.

## MONEYMATTERS

### EFFICIENT USE OF YOUR APPLIANCES

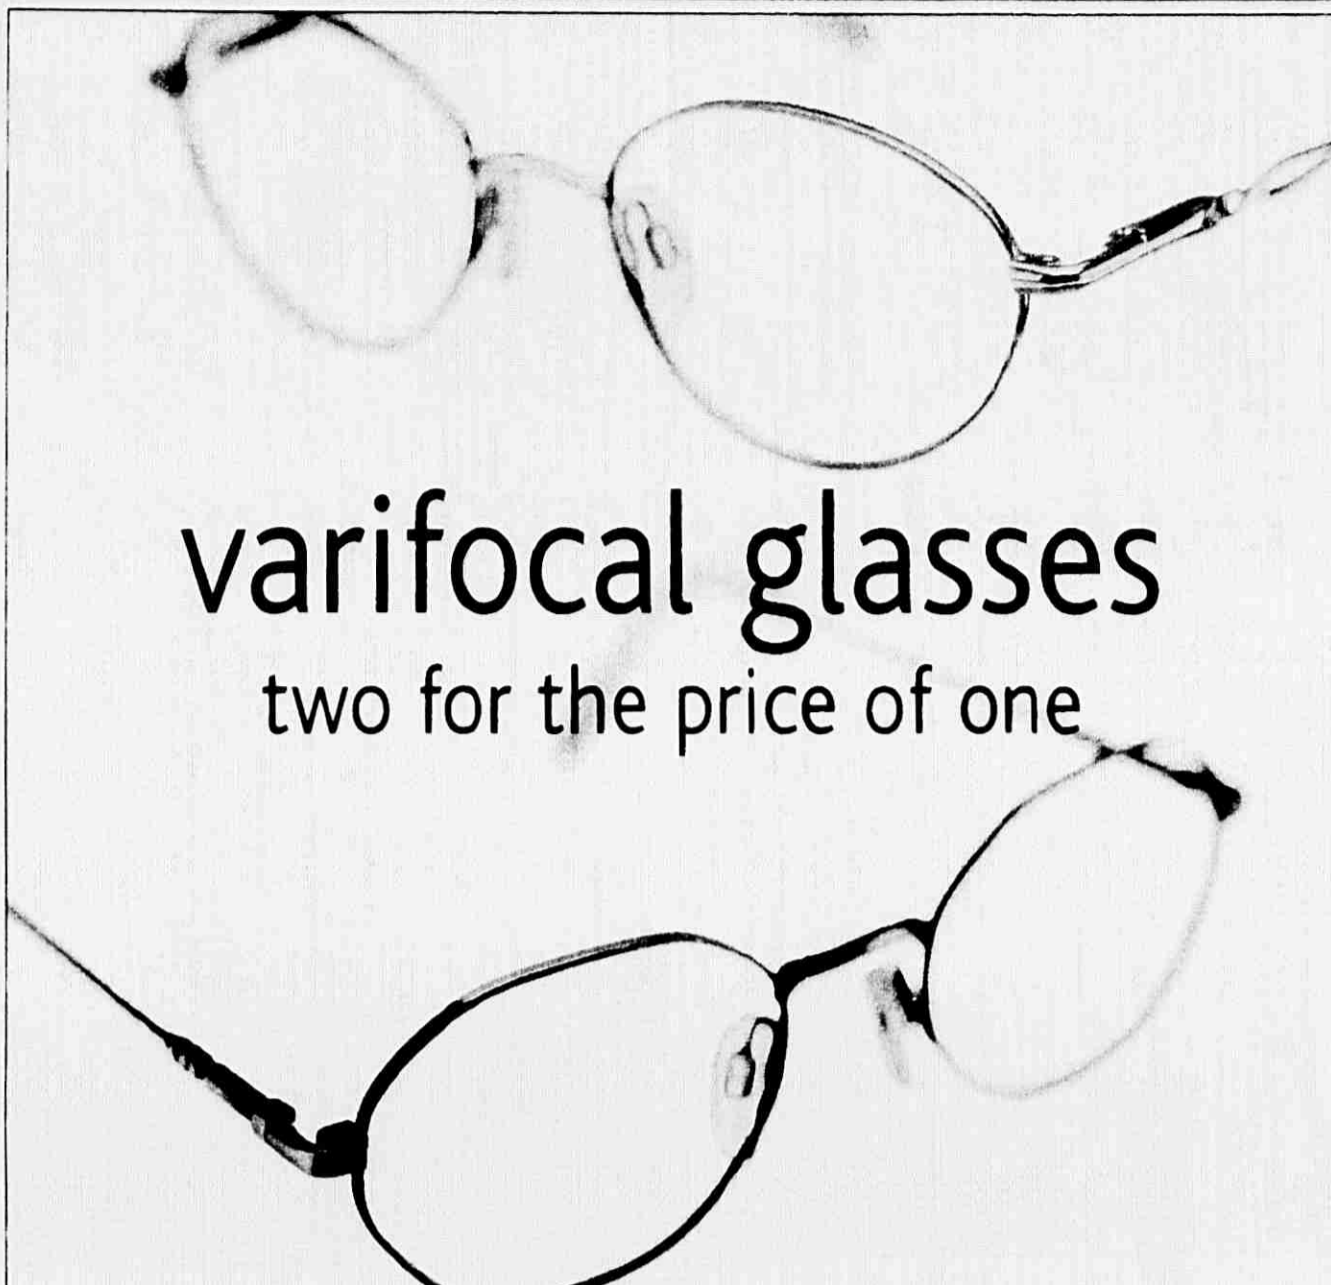

Many appliances now have an energy rating. A rating being the most efficient. These may cost a little more but the extra paid may be saved over its lifetime in energy.

If you cannot afford the A energy rating product, these money saving tips may help you reduce the running of your appliances.

- Use a low temperature for washing your clothes.
- Use a tumble dryer sparingly and separate clothes by weight, try not to over dry clothes.
- Wait for a full load before you use your washing machine, tumble dryer or dishwasher.
- Keep your freezer as full as possible (without overloading) to retain cold air better than empty air.
- Keep your fridge and freezer defrosted to ensure optimum performance.
- When using the kettle only boil the amount of water what you need.
- Match the size of the saucepan with the size of the ring.
- Use the oven sparingly. When used, try to cook more than just one item and avoid losing heat by opening the door too often.
- Turn off the oven a few minutes early as the remaining heat will finish cooking.

The above tips may seem obvious but you will be surprised at the difference they will make. It may take a while for it to show on your bills, but if you persevere you will certainly reap the rewards of the prudent use of your domestic appliances.

## New Pre-School Play Group

Cúl na Smear and Kilbrien and surrounding districts are to have a new community facility namely a pre-school play group. For several months past an ad-hoc committee has set the wheels in motion. The research and needs analysis has been completed and it is hoped to get the project off the ground in the near future..

The aims and objectives of the committee are to provide a high quality introduction to schooling for the children of the area in a stimulating environment developing their social, cultural, physical and intellectual base. Cúl na nÓg will be a safe caring and loving pre-school where children can begin to develop their full potential.

The surrounding rural area, its environment and rich cultural heritage and history will be reflected in the atmosphere of Cúl na nÓg through the medium of the English and Irish languages. For all interested in developments in our community there will be an open public meeting in Cúl na Smear Hall on Friday November 1st at 8.30pm. Please come along. Ní neart go chuir le chéile.

### WILLIAM VINCENT WALLACE (1812-1865)

William Wallace was born in Waterford on 11 March 1812. His father was a Scottish bandmaster. William himself showed a keen interest in music at a very early age. At sixteen he was organist in Thurles Cathedral. He moved to Dublin and worked as a violinist. He met and married a Miss Kelly from Blackrock and then gave up music. They emigrated to Australia, where he tried sheep farming in the bush for a time. He separated from his wife and they never met again. Wallace then explored Tasmania and New Zealand. He nearly lost his life on a whaling expedition in this area. India, Nepal, Kashmir, South America and Mexico were his next destinations. He made considerable sums of money from concerts whilst travelling in these areas.

Wallace invested his savings in piano and tobacco factories in America. However he lost heavily when these firms went bankrupt. In 1844 he married a Miss Stoepel, who was a pianist, in New York. They went to live in London in 1845. He had some success with a series of concerts. However his real success came when his opera Maritana was received with great enthusiasm at a

production in Drury Lane Theatre in 1845. He made visits to Germany and America with his production. He had even greater success with Lurline when it was performed at Covent Garden in 1860. He wrote many more operas and piano music. He retired to France in 1864 due to serious ill health. He died at the Château de Bagen in the Pyrenees on 12 October 1865. A bronze bust of him is placed on the Mall in Waterford to commemorate him.

# Still time for planting tulips

TULIPS come in all shapes and sizes and bring a bold splash of colour to your flower garden in spring. They can be grown with daffodils to extend the early flowering season in a mixed border. Although the time to plant daffodils has now passed, if you hurry, there is still time to plant tulips in time for spring flowering. Tulips are excellent for beds and borders and can be planted in clusters according to colour or variety to give a

bold display – or scattered randomly across a border. Location is important and, as heights can vary from a few inches to more than two feet, it is worth checking the size the tulip will grow to before planting the bulbs. **Tulip types** Tulips are classified in 15 divisions but are more conveniently grouped by their flowering season and garden use. They come in early, mid-season, late and dwarf varieties and most tulips survive well

in fertile, well-drained and humus-rich soils. Some robust cultivars persist from year to year, although many are best regarded as annual bedding plants. **Colours and cultivation** Ideally tulip plants should be lifted after flowering – then replanted until they have died down. The bulbs rarely flower well in the second year but if they are replanted in autumn, they may reach flowering size again within two years.

Dwarf tulips generally prefer open, gritty soils and full sun. Tulips include an impressive array of flower forms, from the simple upright goblets of single flowered tulips to the frilled and twisted petals of parrot tulips and the open double blooms of peony-flowered forms. They are available in most colours, except blue, from the purest white to the deepest purple – with many glorious shades of yellow, red and crimson in between. Many of the dwarf tulips also have attractively marked leaves, making a welcome addition to a spring garden even before they flower.

Varied beauty: Spring Green (above) is a pure white variety with green flanks (below) has a peony shape.

**This week in the garden**  
**Sow hardy peas** Some gardeners take culinary peas, plant them outside to mature and are very successful at it. To have any chance whatsoever you must choose a sheltered spot with well-drained soil. To improve your chances further, choose the hardiest variety of pea you can, such as Pilot Improved or Meteor. **Dig up seakale for forcing** The top growth of the plant should have died back by now and this means the ideal time has arrived to lift the roots for forcing. Dig them up carefully and cut off the side sprouts of the root bundle and leave in a sheltered position outside for planting in March. Face the central roots against a wall and cover them with sand until only the crown is visible.

# Teagasc National Dairy Conference

'Countdown to Reform' is the theme of this year's Teagasc National Dairy Conference, which will be held once again at the Gleneagle Hotel, Killarney on Thursday November 21st. With over 1300 farmers attending last year it is anticipated that this year's conference will once again be the most important Teagasc dairy event of the year.

Future farm viability will be discussed in the context of an E.U. mid term review of CAP, new environmental regulations and a new W.T.O round. The Minister for Agriculture, Mr. Joe Walsh will open the conference. His comments on the progress of the mid term review will be eagerly awaited. Future entitlements to premia will be determined by any agreement to these proposals. Perhaps the most fundamental questions are what base year will be used for future premia and secondly, is it a farmer taking land or the owner of the land, will have the right to premia?

Dairy industry views will be presented by John Maloney, Chief Executive, Glanbia and Martien Van den Hoven, Group President of Campina, a Dutch based multi-national processor.

They will discuss how we could achieve a higher milk price by concentrating on value added products. While these topics have often been discussed in the past (with little subsequent progress) the difference this time round is that value added products may represent the only way to higher milk price into the future.

Campina have led the way in developments in branding to maximize milk price. Glanbia have embarked on a similar strategy and John Moloney's assessment of prospects should be interesting.

Coping with environmental regulations at farm level will be addressed, with papers on cost effective environmental investment and on the implications and management of lower nitrogen input systems. Seán Regan, Teagasc environment specialist will outline the costs and benefits of various slurry storage options. He will comment on recent developments such as reed beds and give the pros and cons for their use in different farm situations.

Dr. James Humphreys will discuss his recent experiments at Solohead Research Station where he has examined a range

of nitrogen inputs for differing stocking rates. He will also outline how he had successfully established clover in swards without ploughing. With nitrate restrictions looming, these talks should be of major interest to intensive dairy farmers.

Dr. John Roche from Dexcel in New Zealand will present the latest findings in grassland management, which may be relevant to Ireland. Dr. Roche, a native of Kerry, is now a senior researcher in New Zealand. He has worked in research in Moorepark, Australia and New Zealand over the years and is in a strong position to give guidance to Irish dairy farmers.

Recent lessons in grassland management from Irish monitor farms, will be covered by Billy Kelleher, Dairygold Monitor Farm Co-Ordinator and Robert Shannon, monitor farmer, West Cork. Robert Shannon is this year's winner of the Teagasc Protein 350 Competition. Having reached a protein percentage of 3.6% and a yield of over 1600 gals per cow, Robert's farming system should be of interest to all.

Dr. Seamus Crosse, Moorepark and Tom O'Dwyer, Teagasc Kildalton, will outline the path ahead for dairy farmers in terms of opportunities and obstacles. With much pessimism in the air, these papers will take an objective view of where dairy farming is headed over the next six to eight years.

The Conference again this year includes an optional social programme for accompanying partners and Conference participants. Discussion groups have an opportunity to use the Conference as a central part of their annual social outing. There is the option of visiting an eighty cow, financially efficient dairy farm on the day following the conference.

Early booking is recommended to ensure a place at the Conference. The conference fee (which is tax deductible is 35 for Teagasc clients and 50 for non-clients. Booking forms are available through your local Teagasc office or phone Betty McElligott at Teagasc Tralee at (066) 7125077.

### Silage Analysis

For some, silage cutting was three weeks late while for others it took three weeks to cut. Either way early indications are that silage quality is well back. Silages appear to be lower in energy, lower in protein and as a consequence intakes will be lower. Such shortfalls in quality will have to be balanced over the Winter. In order to do this it is more critical this year than ever to get your silage analysed. If you are interested in getting it tested contact your local Teagasc office.

### Feeding Strategies

One of the rules of thumb that we often use is that to finish cattle economically you will need at least a 70DMD silage plus 5.5 kg of concentrate if the animal is to gain 1kg/day. So what if your silage quality is below this? Chances are that many silages will be <65 DMD this year. This adds significantly to costs, every 5 unit drop in DMD will have to be supplemented with an extra 1.5kg of concentrate. Over a 150 day feeding period this would amount to an extra 225 kgs of meal/head (€36) just to compensate for poor silage. Where silage quality is moderate why not consider an all concentrate 90- 100 day finishing period. Animals for example that are due to be finished in December/January could be housed and gradually built up to ad-lib concentrates over a 3 week period. Animals on this type of regime from work carried out in Grange have better killout % and lower levels of carcass fat. Performance is more predictable, it will reduce labour, interest charges and slurry requirements but more importantly it eliminates having to incorporate poor quality roughage into the finishing diet.

It is vital though that animals are built up on ad-lib meals gradually and once ad-lib, that feed is kept in front of them at all times and that they have access to some roughage in the form of straw or silage.

For animals that are not destined to be finished until March they too can be intensively finished but for the initial 50-60 days after housing they can be fed silage ad-lib only or with up to 2kg of meal. Then build up in the last 100 days to all meal.

### Straights

Where straights can be bought and handled they represent the best value. Energy feeds such as Barley, Wheat, Citrus pulp and Soya hulls and protein sources such as Distillers grains and Rapeseed currently represent good value.

### DAIRYING

#### Rules for Dry Cow Therapy

Billy Meaney, Teagasc, Moorepark advises dairy farmers to follow these rules at drying-off:

- Select cows for drying-off
- Always clean teats with cotton wool soaked in methylated spirits before infusing dry cow products
- Read label instructions – ensure product is for use in dry cows
- Infuse dry cow product – infuse all quarters
- Massage into udder
- Teat dip or spray
- Keep accurate records of drying-off and expected calving dates.

### MILK QUALITY AWARD WINNERS

Congratulations to Neil & Joan Hurley Ballyetra, Dungarvan on winning the overall Glanbia Milk Quality Award. They are the first farm from Co. Waterford to win the overall title. Neil is a member of the Profit Plus Discussion Group facilitated by Teagasc Advisor Brian Hilliard. The Hurleys now go forward as the Glanbia's entry in the Upjohn National Milk Quality Award competition.

# CLONEA MACRA NA FEIRME

The County Volleyball competition took place last week in Dungarvan. Unfortunately only three clubs competed this year, so the competition was 'short and sweet!' Dungarvan were the overall winners, followed closely by Clonea, and in third (certainly not last) place was Cappoquin. Best of luck to Dungarvan in the next round who will be representing Waterford at the Macra Rally in Kilkenny next month.

Clonea's club officers recently attended a training weekend in Trabolgan, Co. Cork, where they joined up with other officers

from Waterford, Kilkenny, Tipperary and Cork. Training was followed by a 'Seventies disco' and Karaoke which went on till the early hours!! A great night was had by all.

Upcoming events include the Farm Skills competition on Sunday 27th October, and the Welding competition on the 4th November. So, if you're between 17 and 35 years old, and interested in taking part in any of the wide range of activities we get up to here at Clonea Macra, give us a ring on Claire (087) 9909907 or Tina (086) 8570600.

**2001 BEEF MARKET**

**It Could Have Been A Lot Worse**

(BY PADDY SMITH)

The damage done by the foot-and-mouth crisis can be examined now in the colder light of day, a full year onwards. The annual report from Bord Bia records a decline of almost 40 per cent in Irish beef exports for 2001 as, one after the other, the entire beef business collapsed like a house of cards.

But the situation was not half as bad as it could have been. The Bord Bia report points out that the measures taken by the EU after the BSE crisis on the Continent towards the end of 2000 and the emergency measures introduced by the Commission, with the co-operation of the Council, as a result of foot-and-mouth, removed an estimated 28 per cent of Irish beef production. A 65 per cent increase in sales to the UK resulted in overall Irish beef exports to the EU increasing by 10 per cent last year on 2000 levels.

However, on the Continent itself, reduced consumption of beef was 13 per cent below pre-BSE levels, resulting in a decline of more than 40 per cent in Irish exports to there. Within this overall picture, exports to Holland held up well, with sales to the retail sector increasing by nearly 10 per cent. On the other hand, lower sales of home-in beef resulted in overall exports to Holland falling by more than 10 per cent. Reduced import requirements in key markets such as France, Italy and Scandinavia led to a difficult market environment for Irish beef. Overall, for the year, export volumes were 55,000 tonnes compared to 255,000 tonnes in 2000.

We also have the farm income figures for last year, just published by Teagasc in its farm management survey of nearly 1,200 farmers representing a total of 120,000 full-time and part-time farmers. For all farmers, these show an income rise of 17 per cent last year - and average incomes have exceeded the incomes of the heady days of 1995 (at least in nominal terms).

**IFA PRESIDENT WELCOMES DECISIVE NICE REFERENDUM RESULT**

IFA President, John Dillon has welcomed the decisive result of the Nice Referendum and thanked farm families for their support for a Yes vote.

Mr Dillon said the IFA had campaigned vigorously through its 935 branches for a Yes vote.

He said today's result strengthened the hand of the Government in the CAP Review negotiations in Brussels. He said changes to the CAP would be negotiated in the future but he was adamant that the present agreement must remain in place until the end of 2006 and the French Government have given a strong lead in this position.

The IFA President reiterated that the IFA intends to pursue the farm income campaign and a number of other issues directly with the Government now that the Nice Referendum has concluded.

**IFA CALLS ON DEPARTMENT TO PAY OUT RURAL WORLD PREMIUM TO ALL ELIGIBLE SHEEP FARMERS**

Waterford IFA Sheep Committee Michael Looby has called on the Department of Agriculture to immediately pay out the Rural World Premium to the many sheep farmers who did not receive it with their ewe premium last week.

Mr Looby said a large number of flock owners have been in contact with the IFA demanding their Rural World Premium payment. He said "IFA has taken the case of non-payment of Rural World Premium to the Department of Agriculture who claim the problems relate to the processing Area Aid files."

Mr Looby said the Department Area Aid Unit claim a lot of these files are now processed and payment can be made. However the Department is saying the next run of ewe premium payments will not be until November.

The Waterford IFA sheep farmers' leader said in view of the fact that the reason for non-payment relates to problems in the Department no further delays are acceptable. He called for the immediate payment of the Rural World Premium to all eligible sheep farmers.

In addition, Mr Looby called for the National Envelope of €1.22/ewe to be paid out without further delay.

# RECENT DEATHS

**Late Edmond (Ned) O'Brien**

It is with sadness that we record the death of Ned O'Brien, Mapstown, Dungarvan on Monday 21st of October. Aged 77 years, Ned passed away peacefully at home sitting on his favourite armchair.

A native of Kilrush, Ned was educated by the Presentation sisters and then in Dungarvan CBS. He joined the Gardai Síochána after leaving school. He then moved to Enniscorthy to work with the ESB and returned to Dublin to work with the County Council. Ned's love of Dungarvan however, remained too strong a pull, and he returned to work there as a community Welfare Officer with the Health Board. He worked in this position for 27 years in the parishes of Dungarvan, Old Parish and Ring, Ardmore, Seskinane, Whitechurch and Aghlish.

Ned had a keen interest in sport. He was a member of the CBS Football team and played with Dungarvan where he won a county championship medal. He loved following the Waterford teams and would think nothing of cycling to Thurles or Cork to matches during the war years.

From boyhood he enjoyed

fishing and hunting. He also had a great love of old furniture and enjoyed restoring them. In latter years, he got involved in athletics and judged many competitions both locally, nationally and internationally. His measuring tape, whistle and bar were regular features of his attire.

Reposing in the Kiely Funeral Home, rosary was led by Canon O'Connor P.E. The removal took place on Wednesday evening to St. Mary's Parish Church. On Thursday the holy sacrifice of the Mass was offered by Fr. O'Donnell OSA assisted by Canon O'Connor, Fr. Moran OSA, Fr. Feehan, Canon O'Mahoney. It was just as Ned would like - personal and brief.

Lessons were read by Frank and Michael O'Brien. Prayers of the faithful were read by Grainne Wynne, Anne Walsh, Ailish O'Brien and Kathleen Kavanagh. Music was sung beautifully by Lena Walsh and Gertie Morrissey, who made sure to include his favourite hymns. Alter service duties were carried out by Christopher and James Murphy. After Mass, Ned's remains were brought to the Parish graveyard where he was laid to rest in the presence of his family, friends and a large concourse which included Very Rev. Fr. Creed, P.E. and Rev. Fr. J. Gough OSA.

Chief Mourners: Mary (wife), Frank and Michael (sons), Ailish (daughter), Patricia (sister), Michael (brother), Evelyn and Caroline (daughters-in-law), Cathal and Claire (grandchildren), John and Michael (brothers-in-law), Terry, Kathleen (sisters-in-law), nephews, nieces, relatives and friends.

**Late Mary (Molly) Fitzgerald (nee Butler)**

We record with feelings of sadness and regret the passing on Monday October 21st of Molly Fitzgerald, Glendalligan, Leamybrien and late of Bleantis at Waterford Regional Hospital after a short duration of illness. Aged 83 years and a native of Bleantis, Molly was predeceased by her husband John in August 1992. A hardworking person all her life, Molly was a wonderful mother and grandmother and as a neighbour had few equals. She took pride in her home and had a passion for gardening. A person of high ideals, she was a honest, upright person and of exemplary character. Her likes are indeed a rarity. She possessed a deep sense of faith and attended to her religious duties with admirable fervour and devotion. She lived every day for The Lord and his Gospel message. Her passing at this time is deeply regretted by so many but especially by Martin (son), Margaret (daughter), daughter-in-law Mary, son-in-law Noel, sisters Margaret and Nellie, brothers-in-law Tom and Patsy and all her other relatives especially grandchildren Aileen, Séan, Majella, Josephine, Micéal, Noel, Regina, Catherine, Mark, Rose, Christine, her great grandchildren, nieces, nephews some who travelled long distances especially Johnny Ducey who came from London.

We extend to all our deepest sympathy on their cross of bereavement. Reposing at The Kiely Funeral Home the removal took place to St. Brigid's Church, Kilrossanty on Wednesday. Very Rev. Fr. J. Delaney P.P. led the huge concourse in prayer at funeral service.

On Thursday the Holy Sacrifice of the Mass was celebrated by Fr. Delaney P.P. with co-celebrant Rev. Fr. Michael Collender OSA, Cork. The lessons were read by Phil Carrol (niece), and neighbour Ann Barron. Prayers of the Faithful were shared by Aileen Fitzgerald and Christine Hallihan (granddaughters), Grace Hallahan (great granddaughter) and Caroline Power (grandniece). The Offertory gifts were brought in procession by Mary (daughter-in-law), Mary Power (niece), Majella Hallihan (granddaughter), Seán Fitzgerald (grandson). Beautiful music was played by Nora Walsh. We gathered for final prayers and blessing in the adjoining cemetery as Molly was laid to rest after life's labours.

**Late Terry O'Connor**

We write with feelings of sincere sympathy and regret on the passing on September 21st after a long illness that was borne with courage and bravery of Terry O'Connor, Forrest Hill, London who was a native of Murrin town Co. Wexford and was aged 60 years. Son-in-law of the late Annie and Dick McAllister, Caseyville he was husband of Ann, brother-in-law of Mary, Charlie and Richard. We extend our condolences also to his daughters Serena and Carolyn, his mother Mary, brothers Séan, Kevin, Noel, Liam, Ross, Oliver, sister Maureen and indeed his many other relatives on their loss. Terry who was employed on London Underground for forty years was an electrician by trade. A keen DIY enthusiast, he also took a deep interest in war planes.

Terry's remains were flown to Cork Airport and transferred to The Kiely Funeral Home, Dungarvan to lay in repose. On Friday afternoon in keeping with Terry's wishes the funeral cortege left for Murrin town Parish Church where his mother of advanced years, his brothers, sister, other relatives and many neighbours paid their respects.

Very Rev. Fr. Liam Jordan P.P. led all in the prayer service. Later that evening on arrival at St. Mary's Parish Church, Dungarvan, Fr. Tim O'Riordan C.C. led us in the funeral liturgy. On Saturday morning, Rev. Fr. J. Waters C.C., Bruff, was chief celebrant with co-celebrants Fr. O'Riordan C.C., Canon O'Mahoney P.P. and Fr. Bill Dunphy who shared the homily with us.

The lessons were read by Theresa O'Connor and Richard McAllister. Prayers of the faithful were recited by nieces and nephews. Beautiful music was rendered by Charlie McAllister (brother-in-law) accompanied by his daughter Aisling. His 'Going Home' was so moving as we made our way to the adjoining cemetery where following final blessing and prayers, Terry was laid to rest.

Funeral arrangements by James Kiely and Sons, Funeral Directors.

**Late Molly Power (nee Gleeson)**

With feelings of profound sadness and deep regret we write on the passing of Molly Power (nee Gleeson), Knockboy, Ballinamult on Tuesday 15th October having reached the age of 91 years.

She was born and reared in Knockboy and worked hard farming here all her life. She was a loving mother and grandmother and was held in high esteem by all who knew her. She enjoyed knitting, music, gardening and visiting her neighbours on her bike for the chat.

She was predeceased by her husband Jim some 32 years ago. She was a woman of deep faith and had great devotion to the Rosary.

Her remains were removed from her residence on Wednesday evening to Touraneena Church where her remains were received and blessed on arrival by Fr. Kelleher P.P., Touraneena, Fr. Lucey P.P., Aghlish, Fr. Aherne P.P., Powerstown and Fr. Tierney C.C., Thurles. A guard of honour was provided by the Touraneena I.C.A. to the church followed by a large cortege of mourners.

The lessons were read by her son Tom and grandchild Marie Curran. Prayers of the faithful were recited by her grandchildren Seamus Power, Patrick Curran, James Power, daughter Helen Curran and son-in-law Liam Doyle. Offertory gifts were brought by her grandchildren Jack and Willie Power. An offertory prayer was read by her daughter-in-law Nuala Power.

The Cúlainn was played on

the violin by her neighbour Seamus Whelan and appropriate music and hymns were rendered by the Touraneena choir assisted by her daughter Alice and friend Helen Scott.

The chief mourners were sons Ned and Tom, daughters Helen, Alice and Marian, daughter-in-law Nuala, sons-in-law Pat Curran and Liam Doyle, grandchildren, nieces, nephews, relatives and friends.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

**Late Josie Lynch (nee Murphy)**

It is with deep regret that we record the death of Josie Lynch (nee Murphy), Villierstown and London, which occurred in her home in London on the 4th of October in the presence of her loving family who devotedly looked after her during her brief illness.

Josie was born in Villierstown and was from a family of ten, seven girls and three boys. Times were hard when she was growing up and at a young age she joined her sister Alice in England to work there.

It was in England that she met her husband Freddie and they reared four children. Josie was a great worker and worked hard all her life to provide for her family, and they were always frequent visitors to Villierstown during the summer holidays.

Josie had great taste and was a keen decorator who took a lot of pride in her home, she was also a very caring person and came home in 1990 to look after her ill mother. She returned to England two years later after her Mam passed away, but she never forgot Villierstown and always kept in touch with her sister Mae.

Josie will be greatly missed by her son, daughters and grandchildren whom she adored.

Cremation took place in England and her ashes will be brought home to be interred with her parents in Aghlish. She is survived by her husband Freddie, son Michael, daughters Kay, Noreen and Sandra, grandchildren, sisters, brothers, relatives and friends.

"A smile that would light up her eyes,

An unselfish and caring nature and a heart of gold,

She will be lovingly remembered.

# DUNGARVAN TOWN COUNCIL

BY KEVIN KIRRANE

## SNIPPETS

### "Sinister Motives" Behind Aquaculture Study

Cllr. Michael O'Riordan

Bord lascaigh Mhara are currently preparing a Coordinated Local Aquaculture Management Systems (CLAMS) document for Dungarvan, the Town Council was informed. The CLAMS process was conceived four years ago and has been implemented in seven bays in Ireland so far and work is underway in six other bays at present. As part of the study they plan to map the future potential of Dungarvan Harbour, draw up a development plan for aquaculture in the bay, and expansion of the concept of Single Bay Management to species other than Salmon. Raising the issue, Cllr. Michael O'Riordan said the letter was sent to a member of

Abbeyside Sea Angling Club, and questioned why the Town Clerk hadn't been informed first. "Why would a semi-state body go to interested parties other than the local authority unless they have sinister motives?" he asked and added that he "wasn't one bit happy" about the lack of information. However, County Manager, Donal Connolly, said that the Fisheries Board wrote to all interested parties including the Town Council stating their objectives. He said the council is now in the process of putting together a profile of the harbour and noted that there is already an aquaculture development in place in the outer harbour. Cllr. O'Riordan replied that the reasons behind the study were still not clear and remained concerned about BIM's motives. He called for a meeting to be held with representatives of the Board.

### Two Banks Reply To Banklink Request

A letter from the Town Council to all the banks, requesting a banklink machine, received just two replies. Town Clerk, Brian White said that Allied Irish Bank turned down the request as they believed enough banklinks are provided in the town already. However, the Ulster Bank, is interested in an Abbeyside machine, and stated they would require assistance in finding a suitable building from the Town Council. Mr. White said the council would need some time to consider the situation before making any decision.

### New Developers Submit Application For Cloneeety Development

Cllr. Teresa Wright

New developers have been granted planning permission for a substantial development at Cloneeety, Dungarvan. A recent meeting of Dungarvan Town Council revealed that Hollycourt Development Ltd have been granted permission to construct 28 three bedroom semi-detached bungalows, 26 apartments and an associated common area in a two storey building and community centre. The community centre will incorporate a hall, crèche and ancillary facilities, the Town Council's planning list states. Cllr. Teresa Wright said that established housing agency, Cluid, were first put forward as the developers of the houses and was concerned that the original concept would not now go-ahead. County Manager, Donal Connolly, said Hollycourt are developing the houses, and it's hoped that at a later stage these agencies will come in. He said he has already held discussions with Care of the Aged.

### Signage Needed For Quay Car Park

Cllr. Billy Kyne

Tourists parking in the car park next to Garveys Supervalu are confused about when it is free, according to Cllr. Billy Kyne. Cllr. Kyne said he noticed tourists in utter confusion over whether they should pay when going in or at the machine near the entrance to the Supervalu itself, unaware that it is free after 6.30pm. He called on the council to provide signage in a number of languages to inform people of the times the car park is free.

### Speed Safety Measures Needed At Ard Scoil

Deputy John Deasy

New traffic safety measures are needed at the Ard Scoil secondary school, according to Deputy, John Deasy. The Dungarvan TD said he was aware a ramp was in place, but additional measures are now needed. Cllr. Billy Kyne described the ramp outside the Ard Scoil as being as large as a dam adding: "If you're thinking of building another one, don't do it like the one already there." Town Engineer, Dan O'Donovan said, at present, the council does not have any intention of putting any more ramps around the town. At a previous meeting of Waterford County Council, County Engineer, John O'Flynn revealed that the Town Council are having second thoughts about the use of ramps as a deterrent in Dungarvan.

### Dungarvan Needs To Move On Town Twinning

Cllr. Nuala Ryan

Dungarvan's Town Twinning efforts had not progressed at the time of the last Town Council meeting. Cllr. Damien Dillon said if the twinning project is allowed to stagnate along with other developments, the image of Dungarvan will not be seen in a favourable light. However, if the council moved the project along, he went on to say, it may send business people interested in investing a positive signal and ultimately help create jobs. Mayor, Nuala Ryan said she had been in contact with a representative from the French town of Saint Quay Portrieux and informed them that the council's sub-committee on twinning will examine their request further.

### Litter Laws On Election Posters Brought To Cllrs Attention

Local Authorities were reminded by the Governments Environment section of the Litter Laws regarding the distribution of election/referendum materials, and the penalties for failing to comply with these provisions. County Manager, Donal Connolly, said the laws no longer just applied to posters but to their plastic poster ties as well. The ties must be removed within the requisite seven days of the polling date. The removal of posters in the aftermath of the referendum should also include poster ties left over from previous polls, he said. Town Clerk, Brian White said previous election litter campaigns had brought hugely positive results and hoped similar results would be achieved in the future with the poster tie campaign.

### Cobble-lock Must Be Strengthened

Cllr. Lar Hart

A number of paths and roads around Dungarvan where the cobble lock has come loose will be re-enforced. Responding to a request from Cllr. Lar Hart, the County Manager Donal Connolly said a number of areas need the cobble lock strengthened and have been identified by the council. They are now hoping to carry out the work in the near future.

### Council Will Push For Decentralised Dept

Cllr. Damien Dillon

County Manager, Donal Connolly, said the Town Council will have to push for one key project from the Government - a decentralised Government department. Responding to a question from Cllr. Damien Dillon about the RAPID programme, the Co. Manager said the main positive impact the Town Council will be looking for remains decentralisation. With the Glanbia site, (the likely destination for a department), now firmly back on track, and a decision on decentralisation still hanging in the balance, the Co. Manager said he remains hopeful that progress can be made. The criteria for a department is to be a gateway town or city, and while Waterford City is seen as the gateway for the south-east region, Mr. Connolly said as the county town, Dungarvan is a realistic bidder. A decentralised department, it is believed, would vastly increase the spending power in Dungarvan and would be a huge boost to the retail, housing and building sectors. "It is the one major positive impact we will really have to push for from the Government", he added.

### LIFE-TIME ACHIEVEMENT EVENING

Too often we celebrate and appreciate the achievements of a talented individual long after they have left this life, not so in the case of renowned local musician Tomás Clancy from Island Stradbally, whose lifetime contribution to Irish Music is being honoured on Saturday November 2nd at Stradbally G.A.A. Club. Tomás' passion and gift for traditional music has been passed on to his talented grand-children who will join him on the night, along with other musicians from near and far who would like to join in this celebration. R.T.E. presenter Ciarán Mac Mathúna

wished Tomás well on last Sunday's show on radio 1, regretting that he himself will be unable to attend. The evening will begin with Mass in Holy Cross church Stradbally at 7.30p.m. with contributions from several musicians, then the 'Craic' will begin in Stradbally GAA club at 8 p.m. with local dancers adding to the occasion. Everyone is welcome on the night, including any musicians. Call Deirdre Clancy at 051-293243 for further information. If Stradbally wins on the day it will be a double celebration!

## Dungarvan Lions Club Notes

The past few weeks are a very busy time for the members of the club. The Table Quiz, which was the first major fundraising event for this term, turned out to be an overwhelming success. This was sponsored by Garvey's Super Valu and held in the Park Hotel on 17th October. Eventual winner was the team of Garvan Cummins and Maurice and Stephen Wade. In his message of thanks at the close of the night's entertainment, Club President Michael Brosnan thanked all those who helped with sponsorship and all who came along on the night. There was a special word of thanks to Nicola Beresford WLR FM for her service to the Dungarvan club over the years. While the Lions Club locally is generally associated with the Christmas Hamper Appeal and services in

the community, Lionism nationally also has an emphasis on supporting young people in their voluntary work. With this in mind, earlier this year the local club organised a local Youth Award Project. The aim of this award is to acknowledge the positive contributions which young people make to their schools and which was held in the Park Hotel on 25th October. Gathered on the night was a large group of parents, teachers, members of the local Lions Club and of course many of the young people themselves. A resume of the work of each of the young people who participated in the award scheme was given and what surprised all present is the extent of the

marvellous work which often goes unnoticed. Major Nualla Ryan presented certificates to representatives of each group of participants and in her address she spoke for all present when she thanked the young people for their commitment to a myriad of voluntary efforts. Not alone is this good work having its effects in the locality but is bearing fruit in places like Eritrea, Budapest and Belarus. The overall winner of the Youth Award 2002 was Stephen Cass (St. Augustine's College) for his long term commitment and work for the Belarussian Orphanage Project. The most enjoyable event was appropriate concluded with presentations to Stephen by Mayor Ryan and Club President Michael Brosnan. A number of events are in the planning stages for the club. Already details are being put in place for the WLR FM/Lions Annual Appeal.

This week however, club members are focusing on the annual Mass for deceased members and friends of the club. Please note that this year, the Mass will be celebrated in Carriglea Training Centre (Carriglea) at 7:30pm on Thursday 31st October.

## SLLABH gCUA LADIES CLUB

Sliabh gCua Ladies Club will hold their monthly meeting on Tuesday 5th November at 8:00pm. There will be a cookery demonstration of winter soups. Numbers and deposits for the Christmas party will be taken on the night. We hope the Ladies who attended the Marie Keating Breast Cancer Awareness Unit found it helpful and informative. We will continue our copper collection for this worthy cause.

## MODELIGO NOTES

E15 Winners: Pakie Landers, Graiguemore; Margaret Grace, Touraneena; Mike Walsh, Farnane; Ned Walsh, Farnane and Alice Burke, Touraneena.

### CHOIR

We encourage everyone, men and women, young and mature, to do come along and join us. Your parish choir needs you!

### DEVOTIONS

Vigil Mass on Thursday night is for 1st November, the Feast of All Saints. Friday is also the First Friday. The old tradition of lighting candles for the Holy

Souls on 2nd November is still carried out in most places. Devotions to Our Lady of Lourdes and exposition of the Blessed Sacrament can be observed all day on Saturday to Mass time. All are welcome.

### HALLOWE'EN

It's that time of the year again when things go bump in the night! Masks, toffee apples, barn brack with the ring, snap apple, pumpkins, scary costumes and ghost stories are all the traditional happenings on Hallowe'en. There is an increasing trend to copy the American way of celebrating this pagan festival with 'trick or treating' around the neighbourhood. Do make sure an adult accompanies young people on their adventures. Have a happy and safe holiday.

## Dungarvan Dramatic Society

Now, that "that time of year" is almost upon us. Children may be forgiven for thinking that the Town Hall has somehow become a branch of Santa's workshop what with all the mysterious sounds coming from this building for the last week. The people responsible for these noises are not 'Santa's little helpers' but are Ger Dennehy and Ray Bradford who are working just as hard as the above mentioned to get the set ready for 'The Cripple of Inishmaan' by Martin McDonagh. On Sunday 17th of November a shop, a cinema a currack and a hotel room in America will be transported from this Town Hall to the function room of The Park Hotel which will be transformed into the Island of Inishmaan for the week of the 18th to the 21st of November. The play humorously depicts the life of Inishmaan Islanders in 1930's Ireland. The following exert introduces us to the central characters two 'Aunties', Kate and Eileen as they share their thoughts on their nephew's love prospects:

Eileen — Poor Billy'll never be getting kissed. Unless it was be a blind girl.

Kate — A blind girl or backward girl.

Eileen — Or Jim Finnegan's daughter

Kate — She'd kiss anything

Eileen — She'd kiss a blind donkey

Kate — She'd kiss a bald donkey. And she'd still probably draw the line at Billy. Poor Billy.

Eileen — A shame too.

Kate — A shame too, because Billy does have a sweet face if ignore the rest of him.

Eileen — Well he doesn't really

Kate — He has a bit of a sweet face

Eileen — Well he doesn't really, Kate

Kate — Or his eyes, I'm saying. They're nice enough

Eileen — Not being cruel to Billy but you'd see nicer eyes on a goat. If he had a nice personality you'd say all well and good, but all Billy has is he goes around staring at cows.

## Mc Mahon & Cooney Concert Tour

As part of a unique tour of traditional music venues two of the most outstanding names of Irish music will play at Cúl na Smear Hall on Saturday 9th November at 8.30pm. For more than thirty years Tony McMahon has been to the forefront of Traditional Irish Music. His tour of Mid and Eastern Europe with Barney McKenna of the Dubliners in the mid sixties and his contribution as a founder member of

the Bothy Band are legends among Trad. followers. In the 1970s he achieved national prominence as host / presenter of his own TV show on RTE. Since then he has devised and produced five pioneering radio and TV traditional music series. The passion and vibrancy of his accordion playing has made him one of the foremost performers over the past forty years. Commencing with his album 'Paddy in the Smoke' in 1967 to his most recent 'McMahon from Clare' his music has been available on eight records.

The other half of this dynamic duo is Australia born guitarist Steve Cooney. His grandfather emigrated from Clonmel and Steve first came to the land of his ancestors in 1980. For the past twenty years he has made a huge impact on the music scene especially as part of the renowned duo "Begley and Cooney" with West Kerry Box player Seamus Begley. Like Mc Mahon, Cooney is outspoken on many aspects of the Irish music scene. We look forward to a mighty night with the rock and world music influences of Cooney mixed with the ancient Clare music of McMahon. Tickets available from Ben O'Neills or from any member of Craobh na gCumarach Comhaltas branch.

Pictured above is Tony McMahon who will appear in concert with Steve Cooney at Cúl na Smear Hall on Sat. Nov. 9th at 8.30 p.m.

### Sympathy - The Late William Lineen, Owbeg.

A deep sense of gloom was cast over the Lismore area when the news came through of the death of William Lineen, Owbeg, Lismore. Willie Bob, as he was affectionately known to his countless number of relations and friends, was a very successful owner and breeder of many greyhounds and also an outstanding bowler in his day. He was also a long serving member Point to Point Committee and of the Lismore Ploughing Association. It would be fair to say that out of all these sports, that his most outstanding achievements were on the Gaelic fields throughout the county. He was a prominent member of the Lismore teams of the fifties and sixties, winning honours in the Junior Hurling and Western Championship in 1957 an Intermediate hurling in 1969. One of the great midfielders of his time, his outstanding performances gained him the recognition of the County Hurling selectors and he made several league appearances during the fifties. He was also a great footballer and when football wasn't

played in his local club, he threw in his lot with Ballyduff. He maintained his interest in GAA and during the mid-nineties he was a senior hurling selector with his beloved Black and Amber. He will be sadly missed by all those who knew him most especially his wife Angela, his daughters Ann-Marie and Claire, his son Robert and his sisters and many relations. To these we extend our sincere sympathy. Ar dhíes De go raibh a h-anam dilis.

## "MANY YOUNG MEN OF TWENTY" IN LISMORE THIS WEEKEND

This weekend sees the opening in the Courthouse Theatre, Lismore of John B. Keane's much acclaimed play "Many Young Men Of Twenty", presented by Lismore Dramatic Society. The play is a mixture of comedy, song, dance and music and is a great night's entertainment for young and old alike and this new production under the direction of James Lenane promises to be one of the highlights in this years drama calender.

This play still remains one of the all time favourite's with drama lovers, from far and wide and certainly large audiences are expected for the seven performances between November 1st to November 10th. The play tells of rural Ireland in the late 1950's giving a wonderfully witty and sometimes vivid description of the hardships which led to the mass emigration of that time. Following on from last years wonderful success with 'Sive' which drew large audiences to the Courthouse Theatre, patrons will no doubt be in for a really drama treat from the pen of the legendary John B. Keane. The cast is mixture of experience and some new talent. Peg Finnerty is played by Mandy Coleman, Kevin Roche is Maurice Browne, Danger Mullaly is played by James Lenane, James Bennett and Una Walsh are Tom and Seelie Hannigan, the owners of the public house. Michael O' Brien is Da Wheen and Joan Bolger plays his wife Maynan. The gypsy woman is played by Margaret Madden, Billy Devine plays the local TD, while Damien Pollard plays his son Johnny. Other members of his cast include Grainne Flynn and James Hyde. Special guest artist is Danny Keane from "The Booley House" who plays Micky and Therese Keane is cast as his sister Mary. The play is directed by James Lenane with set design by Ken Madden. The opening night is the 1st November and as part of the launch patrons are invited to our cheese and wine reception on that night. Performance dates: November 1st to 3rd and November 7th to 10th at 8:15pm in the Courthouse Theatre, Lismore. So come along and enjoy a wonderful night's entertainment!

On Monday the intermediate Final took place in Kill, two great teams locked horns on the pitch each hoping for victory. On the final whistle Clonea emerged victorious by two points. It could be said that the untimely death of Mick White had a big effect on the Dunhill team and supporters. A minutes silence was observed before the game, as everyone stood to attention and faced the tricolour flying at half mast, but this team will be back and be up with the best. Well done everyone.

# Ballyduff Notes

Enda Ormonde and Frances Foley rehearsing for this weekend's Ballyduff production of "Eclipsed"

## BALLYDUFF DRAMA

Presents

### Eclipsed

"Eclipsed" is a social document as well as a powerful dramatic piece and its subject matter is timeless – how society treats its unwanted members, those who have behaved differently. The play picks away at a scab to reveal the awful reality beneath the hypocrisies that were spread across Irish Society not too many years ago. "Eclipsed" concentrates on the lives of the 'imprisoned' women, those fallen women who broke the rules of society and the sexual morals of the time, of their incarceration in the "penitent" laundries and their struggle for a little freedom and their longing to see their children again. For these young girls and women, the laundries were at once their refuge and their prison. Separated from their children they lived a spartan and loveless existence.

The Magdalene was ironically called after the prostitute Mary the Magdalene who serves her Jesus loyally and was rewarded with his forgiveness and love. No such rewards existed for the penitents in this play by Patricia Burke-Brogan. Ms. Brogan paints a canvas filled with vivid portraits that reveal the full tragedy not only of the penitents but also of the emotional price paid by their children and keepers.

The Magdalene Laundries continued to thrive into the 1970's, when Irish society finally said "no". While the unjust situation prevailing in the harsh world of the convent ends too late to bring light into the eclipsed lives of the 'socially immoral' (as they were called at the time) there are also sufficient moments of countervailing humour and warmth.

Nellie Nora (Frances Foley), Cathy (Louise Howard), Mandy (Kate Canning) and Brigid (Enda Ormonde) emerge as strongly differentiated personalities despite the look-alike dull brown washerwoman dresses they all wear. While the lighter scenes are skilfully crafted to provide warmth and humanity, the play ultimately derives its strength from the more painful confrontations.

The play is directed by Ger Canning, who hopes to tell it as it was, though she says it is difficult to remain impartial on this subject. It gives her a sour feeling from having studied a piece of Irish history that people rarely talk about and a slice of Irish culture many would rather not remember.

This is a story about women; it is a story about judgment and is a story about Ireland. It is for any one with compassion in their hearts and the condition of women in their minds. Eclipsed contains a great dramatic force and a cry of horror for a life that slips away without a chance of being lived.

Shed a tear and share a smile at this production in Ballyduff on October 31st, November 1st and 2nd. Spare a thought for the 30,000 Irish women who passed through the Magdalene Laundries. Do not miss the compelling performance. Book now on 058/60456.

Chrissie had been in ill health these past few years. She sadly missed her husband Tomas who predeceased her on 21st March 2001. Chrissie was a native of Modeligo, aged 53. ## BRIDEVIEW UNITED A.F.C. NOTES

### Poor Result In Clonmel

The Red House League team went down in Clonmel to The South Tipperary League in the Oscar Traynor Cup. United had three players on the panel and all played in the game. Our U16 team shared the points with An Gaeltacht on Saturday. Our Lotto jackpot was not won last week.

### Winner Alright

Yes, the winner of our lotto jackpot of 3,600e the previous week was Sonny Conroy of Woodview Park. Sonny plays our lotto every week and it finally paid off. So make sure you play our lotto every week.

### Result U16 League An Gaeltacht 3 Brideview Utd 3

Despite the poor weather both sides served up a real

thriller and shared the points at the end. We took the lead through Mark Sutherland early in the first half. The homeside were back on level term 10 minutes later but Michael Curley restored our one goal lead before the break. The second half saw both sides go flat out to win the game. The homeside grabbed an equaliser and then 5 minutes later took the lead for the first time.

Again our lads lifted themselves and Michael Curley had the game level again for the third time. Time ran out for both clubs to get the winner, so both sides had to settle for a point a piece.

United: C. Lane, S. McCarthy, E. Hickey, S. Power, G. O' Neill, L. McCarthy, P. Smith, M. Curley, D. Hennessey, M. Sutherland, K.

Casey.

Subs: J. Tobin, J. Hampton, K. Henley, B. Murphy, P. O' Brien.

### Oscar Traynor Cup

The Red House League team suffered a heavy defeat at the hands of South Tipperary on Sunday afternoon last. I'm sure it was a real learning exercise for the league. John P. Grey, E. Murphy and Ian Farmer all took part. Manager Liam Fraser and Paddy Pollard were a disappointed by the defeat. However, when one considers that the homeside had six junior internationals on view it took some of the disappointment away.

Last weeks numbers 2,6,9 and 13. No winner. Match 3 winners Mick Meaney and Francis Tobin, Woodview

Park. Draw this Friday night in The Corner House at 10pm.

## LUKIE'S BAR

### DARTS

On Friday night last we played the semi final of the West Waterford League Cup. After a shaky start we finished up 3-1 at the interval. Morrissey's then took control with some great darts being thrown and earned themselves a 4-3 lead in the first to five match. Both teams threw high scores and finishes with a couple of 180's being thrown and several 140's, our own Toss Hartigan threw one of the maximums. It was left to the last doubles and we needed to win to bring it to a sudden death play off and Bernard Pratt finished the second leg with a 107 checkout to give us victory. So it was down to sudden death between Anthony Cockwell and Finbarr McGuire. We took a one-leg advantage through Finbarr but Anthony pulled it back all square and after a very exciting last leg of darts Morrissey's finally took the spoils amid very jubilant scenes. We wish them the best of luck in the final and they will be hard to stop in any of the competitions this season. Special thanks should go to the lads from the Red House who marked and called the games and to Mike O' Leary for the sandwiches and cocktail sausages. We won't have a game now for two weeks when the league campaign starts.

## WEST WATERFORD BORD NA N-OG NOTES

### Convention

As already mentioned a number of times over the past few weeks in these notes, the Western Bord na n-Og Convention will take place on Friday November 15th at 8pm in Lawlors.

The closing date for receipt of nominations and motions has passed with the following been the nominations received for positions on the Bord for the next twelve months, Chairman: Eddie O'Shea (Cappoquin/Affane), Vice Chairman: Paddy Foley (Ardmore), Secretary: Thomas Keane (Naomh Brid), Assistant Secretary: Bridget Mernin (St. Olivers), Treasurer: Jimmy McCarthy (Melleray/Glen Rovers), Assistant Treasure: Paddy O'Grady (Nire), Register: Seamus O'Brien (Abbeyside/Ballinacourty) and P.R.O. Thomas Keane (Naomh Brid).

No motions were submitted for debate at convention.

### County Convention

All clubs will by now have received information letting them know that the County Bord na nOg Convention will take place on Tuesday December 3rd in Lawlors Hotel at 8pm. Clubs are to have motions and nominations in with County Secretary Al Fitzgerald by November 13th.

### Semi Final Ends in a Draw

The second division two semi final of the Cappoquin Chickens under 16 hurling Championship was played at Tourin on Saturday afternoon last between Ballyduff and St. Olivers. The game ended in a draw, 1-9 each and so the teams will have to meet again this weekend.

The game will go ahead on Sunday as Geraldines are playing the County Junior Hurling Final on Saturday against Fenor as the curtain raiser to the Senior Football Final replay between Nire and Stradbally in Fraher Field. The game is likely to go ahead early Sunday afternoon with Lismore or Cappoquin the likely venues. The winners will play Kilrossanty in the final.

### Division One Final

The Division One final of the Cappoquin Chickens Under 16 hurling championship between Abbeyside and Dungarvan which was fixed for this weekend has been put back one week and will now be played on Sunday November 10th someplace in the Dungarvan area. A venue has to be confirmed. It is hoped to have the division two finals played at the same ground.

### Division Three

In division three of the Cappoquin Chickens Under 16 Hurling Championship, the last league game will be played this Sunday morning when Naomh Brid and Fourmilewater play in Modeligo at 11am. If Fourmilewater were to win or draw this game they would go straight to the Western Final as group winners and Naomh Brid and An Gaeltacht would meet in the semi final.

If Naomh Brid were to be Fourmilewater, then three clubs An Gaeltacht, Fourmilewater and Naomh Brid would all tie on four points each. Rather than have the three teams play off again to see who would go straight to the Western Final, the three teams would be put into a hat and the first team pulled out would go straight to the Western Final and the other two teams would play each other in the semi final. The semi final of this competition would be played on the weekend of November 9th and 10th with the Western Final one week later.

### Under 13 Hurling Final.

The division two final of the under 13 hurling Competition between Cois Bhríde and Fourmilewater was due to be played on Monday last in Lismore at 4pm. A number of the Cois Bhríde players had gone across to Liverpool over the weekend to see the Reds beat Spurs on Saturday. At lunch time on Sunday a phone call came through to let the Bord know that due to the weather conditions the ferry from Liverpool to Dublin was stranded in Liverpool and it was not known when it would sail. If the ferry failed to leave Liverpool on time to have the players back on time the likelihood is that the final was postponed and would be refixed for Sunday next and played at the same venue as the St. Olivers and Ballyduff relay in the under 16 Championship.

### County Finals

The county finals of the under 14 football championships which were due to take place last weekend failed to take place and it now hoped to get them played on November 9th.

## CLASHMORE RAMBLERS

East Cork/West Waterford Schoolboys League - Our Under 12's and Under 16's played Valley Rangers on Monday October 28th.

The Under 12's won 6-0. For a change we were able to play some soccer this weekend, the above lads were really on top for most of the game. They played some good attacking football and with goals from the following - Michael Cunningham 3 and one each from Brian O'Halloran, David Byrne and Aidan Trihy. With all the lads playing their part we had a very good win.

## Under 16's Clashmore Ramblers 2 Valley Rangers 5

The above result was not a fair reflection of the game. We did not deserve to lose. With a couple of off side goals and some missed easy chances from our lads. We should have finished with a better result than this, a fantastic goal from Patrick Kelleher and a penalty from Cillian O'Keefe were our scores. Would all our players please note that home and away they must be changed and on the field ten minutes before kick off time.

## CLASHMORE KINSALEBEG G.A.A. NOTES

Lotto - No winner of lotto draw held on Monday 21st. Numbers drawn were 2,6,15 and 18. 15e to each of the following: Pamela Whelan, Kinsalebeg; John Veale, Clashmore; Eileen Dower, Creggs; Brendan O'Connell, Modeligo and John Veale, Ballyheeny. Results of draw held on Monday 28th for a jackpot of 3,280e will be in next weeks notes.

Deise Draw - We had no winner in last Friday night's draw which was held in Tallow.

Intermediate Football Final Ends All Square - Clashmore 0-8 An Rinn 0-8 - A draw was probably a just reward for both teams after a hard fought encounter at the Fraher Field last Sunday. Clashmore played with a strong wind in the first half and started quite well. We had points from

Stephen and Mike Fenton in the first four minutes. We had two further scored by the 15th minute from the same two players. After this we lost our way for a while and allowed An Rinn back into the game. Only for some brilliant play from our defenders we would have been in trouble as An Rinn had two goal chances before the break. Half time score: Clashmore 0-6 An Rinn 0-4.

Facing the breeze in the second half, things looked amonias for us, but fair play to all the lads, they really worked hard in the final 30 minutes. We were limited to two scored in this half. We missed a couple of good chances near the end but An Rinn also had a great chance just before Tyler blew for full time. Over the hour we were the better team but some awkward shooting cost us dearly. We shot 13 wides to An Rinn's 6.

Team: Declan Hickey, Barry Dunne, Pádraig Connery, Kieran Connery, Pat Lombard, Paudie Allen, Philip Dee, Karl O'Keefe (capt), Brian Murray, Stephen Barron (0-4), Pat Hynes, Roger Ryan (0-1), Gerry O'Rourke, Mike Fenton (0-3) and Brian O'Neill.

Subs used: Mark Power for Gerry, Jamie Ledingham for Pat Hynes and Paudie O'Rourke for Paudie. All injured. The replay takes place next Sunday in the Fraher Field with a 2:00pm throw in. Once again I would ask all our supporters to come out in force and cheer on the lads.

## GERALDINES GAA CLUB NOTES

Lotto Result - There was one winner of our Lotto Jackpot worth 450 euro. The lucky winner was Michael Cullinan Dromana. The numbers drawn were 4, 8 and 9. The following were the lucky winners of 15 euro. Leonard Crotty c/o Glass, Jack Motherway Youghal. Next weeks Jackpot will be 300 euro.

County Final - The throw in time for the Junior Hurling County Final is at 1.15pm. This match takes place on Saturday at the Fraher Field. Hopefully this time the match will go ahead as scheduled.

Training - Training takes place this week on Wednesday and Friday nights at 7.30pm. It is hoped to have our new floodlights fully operational in time for these sessions. Our training ground now stands as one of the best in the county and is a great testament to the amount of work being put in the background by people in the club. Work which often goes unnoticed by the players. We have gone in the space of a few years from having no grounds of our own, up to now where we have a full size training field, training pitch complete with floodlights and dressing rooms. It is a facility of which we all can be rightly proud of.

Junior B Hurling - Our Junior B Hurlers were thrown out of the Championship after not being able to field. The fact that we were asked to play this game the day before our Junior County Final with the possibility of some of our players being involved in the two games would seem to have gone unnoticed by the Western Board.

# Objection Lodged Against Cloneety Development

CONTINUED FROM FRONT PAGE

developments go-ahead, which they hoped would alleviate the local residents concerns.

However, the appeal, lodged by a Cloneety resident on Wednesday last, has cited 14 grounds for his objection.

Included in the extensive appeal, is the pedestrian access, which, according to the objector, was established for the residents of Cloneety Terrace only.

"This passageway was never made a public roadway by the Local Authority..." it states, adding that the passageway "will undoubtedly create a 'rat-run' between the development proposed and the public roadway."

"The passageway will become a location for vandalism, unsocial behaviour activity and culminate in the creation of nuisance by way of abandoned refuse", it contends.

It also states that there is a total failure to provide safe boundaries and will result in trespass. It contends that the development would be "injurious to amenity in the area" and that the access would result in a traffic hazard and states that it would reduce the value of the appellants property.

Reacting to the news, Cllr. Damien Geoghegan said the objection did not come as a surprise but that the concerns of the residents had been taken on board.

"While it's not surprising that an objection has been lodged it has to be borne in mind that permission has been granted with 39 conditions attached, which should alleviate any concerns that local residents may have."

"I think it is important that when granting permissions that the legitimate concerns of people in the locality are taken on board, and I believe the council has done so," Cllr. Geoghegan said.

However, Cllr. Michael O'Riordan is critical of the developers, saying that without the involvement of Cluid, they may not go ahead with the original application. He said different plans for another social housing agency, or private housing could be envisaged in a move similar to the sale of the Burgery land in lots.

"They cleared all the hurdles with the good will of the council. Now they're saying that they mightn't be in a position to go-ahead with it."

"I think we have to look at our planning laws to see if there some clause we can put in to stop this from happening," Cllr. O'Riordan said.

Town Clerk, Brian White, speaking yesterday, said changes to the proposed development would require the developers to re-submit a planning application.

# Dungarvan Man Remanded In Custody

A twenty-two year old unemployed labourer appeared in custody before a special sitting of Dungarvan District Court last Monday on four indictable charges.

Finbarr Power, 27 Childers Estate, Dungarvan, was remanded in continuing custody by Judge James McNulty to a sitting of Youghal District Court next Friday.

Power is charged on three counts of assault causing harm and one under section 6 of the Firearms and Offensive Weapons Act.

Evidence of arrest, charge and caution was given by Sgt. Paul O'Driscoll and Detective Garda Ray Dunne, and an application for bail by the accused's solicitor, Kieran O'Connell was strongly opposed by Inspector Tom O'Grady.

Judge McNulty said he was refusing bail because of the gravity of the charges, and Power was remanded in custody to Cork Prison, until his next court appearance on Friday.

**NIRE 2-11**

## CLASSIC FINAL SEES BOTH SIDES HAVE ANOTHER CHANCE FOR COUNTY GLORY

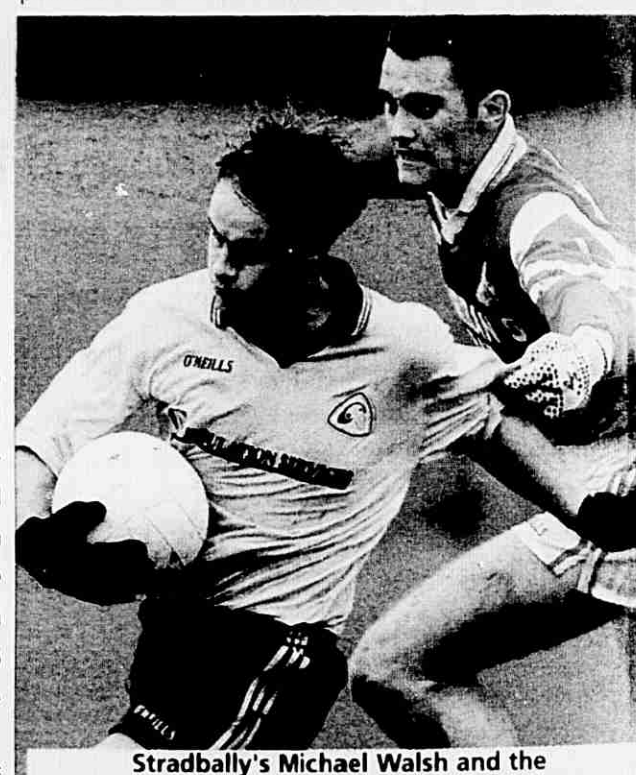

Champions Stradbally and challengers Nire must meet again next Saturday to decide who will lift the Conway Cup and be crowned Waterford Senior Football Champions for 2002. The teams played out a thrilling draw at Fraher Field last Saturday before a disappointing attendance in a game that ebbed and flowed with both sides gaining supremacy at different stages of the game, in fact, it was the best County Senior Football Final in Waterford for many a long day as both sides strove majestically for victory.

the second half turned of the restart and when what was a four points Connie Power goaled in deficit 3 minutes before the 33rd minute with the half time into a four point help of a deflection off a advantage. Aidan Ryan defender. Nire led 2-7 to 2-6 pointed within a minute 4. Pat Walsh stretched

Stradbally's Michael Walsh and the Nire's Brian Wall.

The Reds made the more impressive scoring start 1-1 in the opening 8 minutes with the 19th minute when Power converted a free. It was a lead when he fisted a John Crotty that only lasted 3 minutes as centre to the net. Nire waited 10 minutes for their opening score, a Connie Power point from a free. Power went on to be his sides top scorer converting 2-5 of their total. Stradbally led by 1-2 to 0-2 at the end of a fiercely competitive but sporting opening quarter before Nire drew level in the 18th minute when Power had his first foal following a pass from Brian

Stradbally's Michael Walsh and the Nire's John Moore.

The Nire senior football panel who played a thrilling draw with Stradbally last Saturday.

their lead still further a minute later with a fine point. Stradbally substitute Trevor Curran had the title holders right back in the game in the 34th minute when he scored a great goal giving Nire keeper MI. Doocey no chance. Niall Curran converted a free for the Reds and it was all square before Ger Power saw a goal bound shot come back off an upright on the three quarter hour.

Brian Wall and Niall Curran (free) exchanged points with Walls' effort an excellent score from 30 metres out. Nire had a glorious goal chance in the 52nd minute but Pat Walshs effort went agonisingly across the face of the goal and wide after great work by Shane Walsh. Stradbally regained the lead with 6 minutes of natural time remaining as the scores began to dry up. Fittingly, Connie Power sent over a Nire point 2 minutes into injury time to give his side a deserved draw and a replay at

the same venue next Saturday at 2.45pm. Unfortunately what was a very sporting contest was marred by a sideline melee in the closing minutes which saw players, substitutes, mentors and officials involved and took some time before referee John MI. Kelly who handled the game well brought things under control.

**Scorers** - Stradbally: N. Curran, M. Walsh and S. Curran (0-6), M. Walsh (1-1), Cunningham. Subs - T. Curran G. Power (1-0), T. Curran (1-0) for L. Walsh and D. Doyle for and T. Costelloe (0-1). Nire: C. Power (2-5), S. Walsh (0-2), P. Walsh (0-2), A. Ryan (0-1) and B. Wall (0-1). **Stradbally** - K. Cunningham, L. Walsh, J. Halpin, T. Walsh, E. Cummins, O. Costelloe, K. Coffey, G. Power, J. ## WATERFORD MAN DIES IN TRAFFIC ACCIDENT

## NOVEMBER - THE MONTH OF THE HOLY SOULS

Every November, everyone of us remember in a special way all our loved ones who have passed to their reward. The churches will celebrate special Masses and Novenas to pray for the dead. We all hand in the dead list to our churches, and those of us who are away try to send back the list. We remember our dead in the hope that people will in turn remember and pray for us when we pass on from this world.

## FEAST OF ALL SAINTS FRIDAY NOV. 1st

The church pays, day by day, a special dedication to some one of the holy men and women who have helped to establish it by their blood, develop it by their labours, or edify it by their virtues. But, in addition to those whom the church honours by special designation, or has inscribed in her calendar, how many martyrs are there whose names are not recorded, how many humble virgins and holy penitents, how many just and holy anchorites or young children snatched away in their innocence, how many Christians who have died in grace whose merits are known only to God, and who are themselves known only in heaven. Now should we forget those who remember us in their intercessions. Besides, are they not our brothers, our ancestors, friends and fellow Christians with whom we have lived in daily companionship - in other words our own family, yes, it is one family, and our place is marked out in this home of eternal light and eternal love. Let us have a solicitude to render ourselves worthy of "that chaste generation, so beautiful amid the glory where it dwells".

## PINEWOOD RANGERS FOOTBALL CLUB

Pinewood Rangers Football Club will host the second Superdraw for the Red House League on Saturday evening 2nd November at the Oriel Bar/Lounge, Ballymacarbry. The club would like to thank all those people who supported us and we look forward to seeing you all on the night. The club were delighted to have had one local winner in the first draw.

## NIRE OWNER WINS AT YOUGHAL TRACK

Nire greyhound owner Roger McCarthy, Knockaun/Brandau, Ballymacarbry, had an outstanding win at Youghal track on Friday night last when his dog Guys Black got the best time of the night, 29.50.

## FEAST OF ALL SOULS SAT. NOV. 2nd

The church teaches us that the souls of the just who have left this world soiled with the stain of venial sin remain for a time in a place of expiation, where they suffer such punishment as may be due to their offences. It is a matter of faith that these suffering souls are relieved by the intercession of the Saints in heaven and by the prayers of the faithful upon earth. To pray for the dead is, then, both an act of charity and of pity. We read in Holy Scripture, "It is a holy and wholesome thought to pray for the dead that they may be loosed from their sins". And when our Lord inspired Saint Adilo, Abbot of Cluny towards the close of the tenth century, to establish in his order a general commemoration of all the faithful departed, it was soon adopted by the whole western church and has been continued increasingly to our day. Let us then ever bear in mind the dead and offer up our prayers for them. By showing this mercy to the suffering souls in purgatory, we shall be particularly entitled to be treated with mercy at our departure from this world, and to share more abundantly in the general suffrages of the church, continuously offered for all who have slept in Christ.

## SENIOR FOOTBALL FINAL ENDS IN DRAW

At Fraher Field, Dungarvan on Saturday last Nire and Stradbally ended all square and must meet again on next Saturday 2nd November at 2.45pm. The half time score was Stradbally 2-4 Nire 1-6 and the full time score was Stradbally 3-8 Nire 2-11. Both teams served up an entertaining game.

## AN NAOINRA

Newcastle Construction Ltd. are working very diligently towards having the new Naoinra ready for January 2003. All work is on schedule and this new building will open with 33 pre school children, 5 babies and 9 toddlers on the roll books. This project is one of the fastest to be built in Ireland, since its commencement in May last and is the only full day care facility in the Cahir DED. Staff, committee and parents are all looking forward to the opening day which is fast approaching.

## RECENT DEATHS

### LATE MS. MOLLY POWER

Profound and sincere feelings of regret were widely expressed at the news of the death of Mrs. Molly Power (nee Gleeson), Knockboy, Ballinamult which sad event took place at her residence on Tuesday 15th October 2002. Deceased in her early nineties she was the last member of a well loved and respected Sliabh gCua family, the Gleesons of Knockboy. She was niece of the late Very Rev. Fr. John Gleeson P.P., Aghlish/Ballinameela/Mount Stuart.

Born when the last century was just ten years old, in her life she saw many changes in the Parish and the district - two World Wars, the Civil War and the Economic War, the birth and death of many people in the Parish and also of many school pals. She was a lady in every sense of the word and she was highly respected by her family, neighbours and her many friends who recognised and appreciated her as a caring and extremely kind person. In her young days, she attended the local dance hall at the Half Way where she enjoyed many a dance and it was there she met her future husband Jim Power whom after some time she married and became a kind and loving wife and mother. She was a person deeply interested in dress making and knit wear. She was also very interested in gardening and shrubs, she loved all things. She was a woman possessed of a deep faith and practised her religion devoutly, she used to visit Knockboy graveyard with her parents on a regular basis. Her greatest passion in life was for her husband and children to whom she was utterly devoted and who in turn thought the world of her.

On the 11th of September 1970, her beloved husband passed to his eternal reward. Since then she made the most of life, and it was only last February that her older sister Kitty passed to her reward. Many tributes have been paid to this fine lady but perhaps the finest was paid to her when all walks of life were represented in the large concourse of mourners who were present when her remains were removed on Wednesday evening from her residence to the Parish Church of Saint Marys, Touraneena where they were blessed and received by Very Rev. Fr. Cornelius Kelleher P.P. Nire/Touraneena. Also present were Very Rev. Fr. Peter Ahearn P.P. Lisronagh/Powerstown (a former neighbour). On Thursday morning, the feast of Saint Hedwige requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Very Rev. Fr. Cornelius Kelleher P.P. assisted by Very Rev. Fr. Francis Lloyd C.C. St. Pauls, Lisduggan, Waterford. After Mass as the sun shone on an Autumn day, she was taken to her place of rest in the adjoining cemetery. Fr. F. Lloyd C.C. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a dear Christian friend whose memory they will long treasure. To her sons, daughters and her many relatives we extend our sympathy. Ni bheidh a leithead aris ann.

## SURVEY 2002

All good things come to an end at some time and so it happens with this year's survey 2002. The final issue of the survey, as it is presently run, is now on sale and all completed entries must be returned by 4th November. The top twenty prizes for the overall will be presented in Minnies on Thursday 21st November at 8:45 p.m. We would like to say thanks to everybody who purchased the sheets, to all who sold the sheets, and to the Abbeyside Senior Citizens, the Abbeyside Archives and the Abbeyside Pattern for getting involved.

Between now and Christmas there will be a few specials. On November 6th there will be a new, once off, survey to help with the purchase of a new wide screen television for Dun Abbey. This is being run in conjunction with the table quiz in Minnies which is being held on this Thursday night 31st October 2002. Entries to this survey must be returned by 24th November 2002.

## LOCAL AQUACULTURE MANAGEMENT SYSTEMS C.L.A.M.S.

Last week we wrote that Bord Iascaigh Mhara intend to carry out a development and management plan for aquaculture in the bay but had not contacted the Harbour Master requesting permission to carry out a survey of the local harbour.

As distinct from National Aquaculture policy and development programmes, the concept of C.L.A.M.S. focused at the local bay level. It involves the formations of a local C.L.A.M.S. group, in order to formulate an aquaculture development plan for the bay while incorporating and extending the successful concepts of single bay management to all farmed species. The following are some of the tangible outputs that will be produced by C.L.A.M.S. - 1) Integration of a series of codes of practice for current aquaculture operations and translation of those National codes to the specific circumstances of each bay 2) Expansion of the concept of Single Bay Management to species other than salmon 3) A development plan for aquaculture in the bay 4) Information on other activities in the bay 5) A local and national communication network with "bottom up" and "top down" dialogue capacity. What C.L.A.M.S. is not - It is not a licensing or regulatory process. It will never be used to grant a license. C.L.A.M.S. is not a policing mechanism for compliance with license conditions. Consultation - Meetings will be held with various parties who may not be in favour of aquaculture development. Though their comments will be heard, it is not going to be the policy to address all of their concerns in C.L.A.M.S.. It must be stressed that one of the main purposes of C.L.A.M.S. is to provide a framework for the development of the industry and not a document that lists all objections to it.

## TREATMENT PLANT AT BALLINACOURTY

Foul drainage from Dungarvan and Abbeyside will be pumped from the proposed pumping station at Shandon to the new Waste-water Treatment Plant at Ballinacourty. The new treatment plant, due to commence construction in 2003, will provide better quality effluent discharge to receiving waters at the outfall off Ballinacourty point. Work on the new Treatment Plant will be completed in 2004. (Ref. Dungarvan Environs Draft Landuse Study Plan - Waterford County Council).

## FOUL DRAINAGE

The consultants for the Dungarvan and Environs Sewerage Scheme (E.G. Pettit & Co.) have reviewed and reassessed the adequacy of the proposed Dungarvan and Environs Drainage Scheme in the light of the additional land bank areas identified. The up to date plan to the scheme for foul drainage and surface water drainage are as follows - Catchment - Strandside North Areas Included - Knockateamore Comments - New sewers are required to service this area. Catchment - Touranore/St. Augustines Areas Included - Touranore, Burgery and Duckspool Comments - New sewer to be constructed from N25 Road junction to pumping station at Duckspool. Surface water from future development can discharge to the bay via an existing drainage channel and outfall. Modification to the channel will be required. Run off rates will have to be restricted with attenuation measures provided.

## PARLIAMENTARY REPRESENTATION

In 1728, the very few Catholics who had the right to elect members of parliament lost it. It was 1793 before what was called "forty shilling free holders" were allowed to vote. There were tenants who had land for he term of their lives and were not entitled to pass on the freehold to their heirs. For most of the 18th Century, the members of Parliament represented only the Protestants and only a small minority elected them. The franchise was quite restricted and the only interests represented were property and privilege and in this respect it was no different in England, Wales or in Scotland. Furthermore, the Protestant parliament in Dublin had little independence but was subject to the English Parliament and the members of the government in Dublin were appointed in London. The members of Parliament that were elected for the borough of Dungarvan in 1715 were Colonel Barry of Rathgormack, Co. Cork once again and Robert Carew, Esq. of Snowhill, Co. Kilkenny both from outside the county. In this election some Catholics had a vote for the last time for many decades to come. However, both men died while they were still members and were succeeded by Redmond Barry Esq. and James Barry Esq., men from outside Dungarvan who lived in Co. Cork. (Ref. A History Of Dungarvan Town and District by Patrick C. Power M.A., PhD).

## ABBEYSIDE SCOUT NOTES

The cub meeting last week was run on a theme of, what else but, 'Halloween'. Frenchie and Muller had a number of traditional games set up such as snap apple and bobbing for apples as well as roll the peanut and apple as well as some variations on these. All concerned enjoyed the games tremendously and because so many apples were eaten the local doctors should not have to call to any house in the village for quite a while to come. At the end of the meeting the cubs were given a notice to bring home regarding this weekends meeting which will be held in Melleray scout centre beginning at seven and finishing at nine thirty. The cubs should have their neckerchief as well as a soft drink with them and their usual subs.

Scout news  
The scout meeting was held in Clonea last week, no, not the beach but rather the bowling alley. In what has become an annual fixture for the troop three lanes were booked for an hour and the skills or otherwise of all were put on display. Best for the older scouts were Kieran Harty while Sean Power and Michael Organ showed how it's done with class. The younger scouts put on a great display with Neil Organ, Rhys Mitchell and Cearbhaile O' Turraoin putting on a display that would not have been out of place in a professional bowling league (slight exaggeration). The hour of bowling passed all too quickly and at the end all agreed that it was a very worth while event to attend once again.

This weekend sees the first weekend camp of the new scouting year being held in Melleray scout centre. The weekend begins at seven on Friday night and will finish at two thirty on Sunday. A number of exciting activities are planned with the P/Ls and A/P/Ls very involved in the programme planning over the weekend. The last time the troop were in Melleray was for annual camp during the summer. This time around things should be slightly different as all meals will be cooked for the scouts and no one will be camping under the stars.

### SYMPATHY

We extend our sympathy to the Butler Family on the recent death of Joan. Joan was a good neighbour and was most supportive of Scouting all her life. Her association with the troop went back to it's very foundations.

## What A Night . . . !

Conscription is back in Abbeyside. Betty sacked more people from her team last week and forced new people to join in and still didn't get it right. How could she, when she thought that a cat had nine lives. Wasn't Sean lucky? This coming week there will be a personal battle between the two, each will have their own teams and I have no doubt that there'll be some side betting on the result. Well done to Pat Burke's team on winning and well done to the 21 teams for braving the elements and coming out to support the Guide Dogs for the Blind.

This week it is the turn of Dun Abbey and all the money raised will be going to-

wards the purchase of a wide screen television for the unit in town. It is a worthy cause and it behoves us all to help out in any way we can. The price of a table is just €12 and you are assured of a great night's craic. So come along to Minnies on Thursday night and show everyone that your heart is in the right place. Michael was heard singing the old number 'Dedicated follower of fashion' after being one of the few people to get the question on 'hot pants' right. It was wishful more thinking by all the male teams when they answered 'minis'.

Please note that the starting time is 9:00p.m.

## SALLYBROOK FLOODING

Last week's torrential rain and gale force winds caused flooding on the roadway fronting Sallybrook Housing Estate. The road was passable for traffic that moved slowly through the floodwaters. When the estate was built holding tanks were put down to hold tidewater at high tide. Obviously the tanks were not capable of holding rain and high tidewater in the terrible weather conditions that prevailed last week. The planned sewerage scheme to Ballinacourty will solve problems like last weeks rare flooding as surface water will be directed to a higher point than is the case with the holding tanks. Hence there is a remedy for the Sallybrook problem and the construction work necessary will commence early in the year 2003.

## ABBEYSIDE REFERENCE ARCHIVE

Yes, it's that time of year again. Our local Abbeyside Christmas Cards will be in the shops next week. This is our third year getting involved in this fund raiser and we trust we will once again get your support. We would like to thank Martin Whelan, Deise Design, and Frank Nugent, Centra, New Line, both of whom said yes when we asked for their help (without twisting their arms). The Archive will be closed for the month of November and December but that doesn't mean we won't be beaver away in the background. We plan to open on the 5th of January 2003 with a better Archive.

## BONMAHON NOTES

### DEATH

During the week we record the sad passing of Eileen Torpey of Boatstrand. Eileen was a lovely person who lived her life quietly at her little house in Boatstrand. She was a great neighbour and friend. She also looked after and nursed her mother for many years up to the time of her death. She will be sadly missed by all whom she came in contact with. Her remains were taken from Ard na Farraige nursing home, Tramore on Sunday evening and taken to Kill church where she was received and blessed by Fr.Callihan. A large crowd of mourners had gathered for her funeral. On Monday morning her funeral Mass took place in Kill once again a large crowd attended the ceremonies. After Mass she was taken to the adjoining cemetery where she was laid to rest under a carpet of floral tributes. May God and his angels have mercy on her soul. Sincere sympathy to all Eileen's family and friends on their sad loss.

### CONGRATULATIONS

To Mary O' Rourke, Bonmahon and to Michael Barrett, Waterford who announced their engagement last week. Best wishes to you both.

### HAPPY BIRTHDAY

To Lisa Power of Ballinarid who celebrated her birthday with family and friends in Dun-

phy's bar last Friday night. Best of luck to you for the future.

### NEW NEIGHBOURS

Best wishes to Paddy and Rosemary O' Donoghue who have taken up residence in their new home at Sea Scapes, Bonmahon. They have moved into the first of four of the luxury homes being built there. Best of luck to you both for the future.

### FLOODING

Once again after a terrible week of rain and storms, flooding was visible in all areas in Bonmahon, especially around Seafield and the bridge in Ballylaneen. Lots of rubble and stones were carried out onto roadways making driving dangerous and causing severe damage to drains and roadways. For a time the road between Bally and Bonmahon was blocked by a 3ft flood at Carrick castle. Let's hope we've seen the last of this terrible weather.

### SURFERS TAKE ADVANTAGE OF BAD WEATHER

On Sunday morning many wind surfers made their way to the beach in Bonmahon to take advantage of the ideal conditions that were created by the bad weather. As many as 20 surfers were visible on the water front at 10am. It was nice to see them do their thing. Well done to all, make sure not to block the slip way entering the beach.

# IN MEMORIAM

**KEOHAN** — First Anniversary — In loving memory of my dear husband Michael Keohan, late of 1 Fenian Place, Abbeyside who died on 3rd November 2001. Anniversary Mass in St. Mary's Parish Church at 10 am on Sunday 3rd November. Those of you who have a husband, Love him while you may, I only wish with all my heart, That mine was here today, I don't tell people anymore, Just what you meant to me, Instead I cry my tears alone, When no one else can see. You often used to say to me, You'll miss me when I'm gone, Believe me, Michael, I never knew, That heartaches last so long, When I am sad and lonely, And everything goes wrong, I seem to hear you whisper, Cheer up and carry on, So please look around your garden, Lord, For a gentleman with a smile, For that's my wonderful husband, He must stand out a mile. (Loved and remembered - your loving wife Jean and grandchildren at home and away).

**KEOHAN** — First Anniversary — In loving memory of our dear father, Michael Keohan, 1 Fenian Place, Abbeyside whose anniversary occurs on 3rd November. November comes with great regret, It brings back the day we'll never forget, And when good times we do recall, That's when we miss you most of all, Time may pass and fade away, But silent thoughts and memories stay, No length of time can take away, Our thoughts of you today and always. (Loved and remembered your sons John, Paddy and Billy).

**KEOHAN** — First Anniversary — In loving memory of our dear father, Michael Keohan, 1 Fenian Place, Abbeyside whose anniversary occurs on 3rd November. Forever in our hearts you will stay, Loved and remembered, Especially today, Quietly today your memory we treasure, Loving you always, Forgetting you never.

(Sadly missed by your loving son Tim and granddaughter Lauren).

**KEOHAN** — First Anniversary — In loving memory of my loving father, Michael Keohan, 1 Fenian Place, Abbeyside whose anniversary occurs on 3rd November. God looked around his garden, And found an empty place, He then looked down upon the earth, And saw your tired face, He put his arms around you, And lifted you to rest, God's garden must be beautiful, He always takes the best, He knew that you were suffering, He knew you were in pain, He knew that you would never,

Get well on earth again, He saw the road was getting rough, And hills were hard to climb, So he closed your weary eyelids, And whispered "It's time to go". (Love you always your loving daughter Sinead).

**KEOHAN** — First Anniversary — In loving memory of a dear Dad, Michael Keohan, 1 Fenian Place, Abbeyside whose anniversary occurs on 3rd November. A whisper on a November night, You heard a gentle call, You took the hand of Jesus, And quietly left us all, Remembering you is easy, Things you said, songs you sang, They bring a smile, sometimes a tear, But always a wish that you were here, We do it every day, We love and miss you very much, All in our own special way, We never asked for miracles God, But today just one will do, To have our front door open wide And see my father walk through. All my love Dad, (Sadly missed by your loving son Jimmy, Susan, Deane and Jenna XXX).

**KEOHAN** — First Anniversary — In loving memory of my dear father, Michael Keohan, 1 Fenian Place, Abbeyside whose anniversary occurs on 3rd November. Remembering you is easy Dad, I do it every day, Missing you is heartache, That never goes away, I had something special, That money could not buy, I had a special Dad and friend, But I had to say goodbye, If heaven had a number, I would call you on the phone, And say I love and miss you, Can you please come home. The happy hours we once enjoyed, How sweet their memory still, Your death has left a vacant place, This world can never fill, May you always walk in sunshine, Gods love around you flow, For the happiness you gave me, No one will ever know, It broke my heart to lose you Dad, But you did not go alone, For part of me went with you, The day God called you home. (Loved always your loving daughter Mary).

A date that's filled with sadness, Is here with me today, To mark the time you left me, Dad, In such a painful way, To me you were so special, What more is there to say, I only wish with all my heart, That you were here today, When you lose someone, The hurt is hard to hide, But when you lose your 'Dad' No one knows the heartache, Of what your parting cost, But God in all his glory, Has gained what I have lost, One year has passed since that sad day, You closed your eyes, And passed away, You left so quietly, Without a fuss, And broke the hearts of all of us. (Sadly missed by your loving daughter Martina and Mark).

## TOURANEENA RACQUETBALL CLUB NOTES

### FOUR MUNSTER CHAMPIONS

Six provincial titles were up for grabs at the Junior Munster uneven championships last Saturday, which were held in Fermoy, Co. Cork. A healthy entry of 64 players entered into the various grades from under 11 up to under 17.

It was decided not to hold the under 15 and 17 girls grades on the day so these will be played in Touraneena within the next two weeks. In the under 11 boys grades, Garvan Dunford produced some brilliant racquetball en route to claiming his first ever provincial title. In his opening game he faced his local clubmate Francis Condon in what turned out to be a very entertaining game. Francis only recently began playing the game and he is progressing along at a nice pace. He produced a very encouraging display but on the day, Garvan's extra experience in the game was the vital aspect as he progressed on an 11-4, 11-6 scoreline.

Fermoy's Jack Hutchings was his opponent in the semifinal. Again Garvan played very well and in doing so qualified for the final against Kilnamartyra's Shane Dineen. After losing the opening game, it looked like Garvan was heading for defeat when he found himself 8-2 down in the second but somehow he pulled it out of the fire, won the game and then he won the tiebreaker. We also had 4 other players participating in this grade. Aidan Condon played very well in his game but lost out to the eventual finalist, Shane Dineen by a narrow margin. Dermot Tobin continues to show great improvement in the game and he did so again at the weekend only to lose out to Fermoy's Jack Hutchings.

8 year old Conor Skehan is progressing with every game and he is a super prospect for the future. A left handed player that gives it everything in every game and if he keeps playing and training over the coming years he is sure to bring home many provincial and national medals.

On Saturday he faced Fermoy's Sean Conron. As per usual, he gave it everything but just lost out in the end. Eoin Kearns then met Sean Conron in the quarter finals. Again, Eoin is only 8 years old and he again is an outstanding prospect. On the day, his efforts to win the game just fell narrowly short but he was the player only who really impressed everybody including the coaches from the other clubs. His ability to read the ball and his general court awareness and cleverness was brilliant for a player so young. Like Conor, if he stay progressing at this pace, they will be 2 outstanding players in 3 years time when they will be actually on the age to play in this grade.

Karen Cliffe made a triumphant return to the game and she did it in style when claiming the Girls under 8 grade. In her opening game, she defeated Cork's Karen Buckley without conceding a score. She then met last years under 12 national champion, Eimear Shanahan from Templederry, Co. Tipperary in the semi final. Again,

Karen gave a top class performance here and qualified for the final against Laura Young also from Templederry. At this stage, Karen wasn't going to be denied her title and she clinched it on an 11-4 to 11-2 scoreline.

Eithne Skeehan also participated in this grade. Eithne has also been showing considerable progress in recent weeks and she can feel proud of her performance on Saturday despite losing out to Templederry's Laura Young. Our third title was won by Seamus Power in the Under 15 boys grade. The 7 times National Junior champion hadn't played in the last few championships, but he simply took up from when he left off and worked through the field with considerable ease. Stephen Dennehy, Martin O' Connor and Chris Carey all suffered similar fate as Séamus picked them off one by one before Fermoy's David Conron suffered an 11-2 to 11-0 defeat in the final encounter. J

Jonathan Hennebery also competed in this grade for the first time but was defeated by Chris Carey from Fermoy in the opening round. There was no surprise that Tirston Hickey added the under 17 title to his never ending list of achievements. In the semi final he defeated Patrick O'Connor and then he saw off the challenge of National under 18 silver medalist Gearóid Dinneen in impressive fashion in the final.

James Cliffe also played in this grade but was very unlucky to lose to Patrick O'Connor as he played very well. Caoimhe McGrath won her first provincial medal when claiming the silver in the under 11 girls grade. She overcame the challenge of her clubmate Emma Condon in the semi final before losing out to Fermoy's Emma O' Hagan in the final. Gemma Cliffe was without doubt the unluckiest player of the weekend. In her semi final against Emma O' Hagan, she won the opening game 11-1 before losing out in the next two on 11-10 scorelines in each of them. Kendra Hickey also lost out in her game in what was her first time representing the club. Like the rest of the girls, she is improving with every game and seems to be enjoying at the same time.

We had boys competing in the under 13 grade which was eventually won by Ruairi O' Hangan of the Fermoy club. In the end we had 2 players in Eanna Power and Sean Dalton qualify for the semi finals but both were to lose out to their respective opponents. John Barron and James Power won their opening matches losing out in the quarter finals. Will Condon, Kieran Power and Ronan Dunford all performed well but lost out in their opening round. The top 4 players in each grade have now qualified for the National finals which will be played in Arklow in the 9th and 10th of November.

The club would like to thank everybody who helped out in anyway on Saturday last. Many parents took the time to help out with the travel arrangements and we are very grateful for this. A special thanks to Niamh Coffey, Helen Shanahan, James Cliffe, Triston Hickey

and Seamus Power for helping out with our younger players on the day.

### TOURANEENA OPEN

The second annual Touraneena Open will be held this coming weekend and it will give the local players the chance to see some of the country's elite players in action. The men's event will take place on the Saturday while the ladies will be on the Sunday. We encourage all our younger players to come along and see these players in action as they will learn a great pile from doing so. Games will begin around 10:00am on each of the mornings.

### 79 AND GROWING

The response to the local racquetball leagues which are being sponsored by Pat Keane Painter and Decorator is unreal. Two more players have been added to the original 77 entries this week. Tony Condon is added to section 'C' where he will renew acquaintances with the likes of Seanie Kearns, Pat Hearn and Declan Kiely. Keith O' Gallogley from Youghal have also contacted us about playing in the league and he will be given a grade next week. If anybody else is inter-

ested in playing just contact Pat Keane at 087 6380649 and every effort will be made to accommodate them. To join, it cost 10e for adults (5e for membership and 5e for entry fee) or 6e for under 18's.

### CODE OF ETHICS FOR CHILDREN

At a meeting of the racquetball committee last week, it was decided to implement and enforce the code of ethics for children in sport set out by the Irish Sports Council with immediate effect. The main aspects of this is the supervision of children while at coaching and tournaments. It's the clubs priority to provide a safe and friendly environment for children to play and enjoy their sport. Changes are being made for our coaching nights on Wednesday and Thursday nights where players will be given a specific half hour for their training and parents of the children will have to help out during this time. The maximum amount of children per half hour will be 8. The children's officer for the Racquetball Association of Ireland is Oliver Moran from Castlebar and the possibility of bringing him down for a meeting of the club committee and the parents of children was also discussed.

## TOURANEENA BADMINTON CLUB NOTES

### COUNTY LEAGUES

It is a mixed week regarding results in the county men's and ladies leagues for the local club. Our first ladies team were due to play Waterford in their opening encounter but the match was cancelled. Our second ladies team had an impressive 3-1 victory over Tourin in their away fixture. Lily McGrath teamed up with Bernie Foley to win the first game while the combination of Sarah Gleeson and Pauline Cliffe made it 2-0 with victory in the second. Their only defeat of the night came in the third game where the Tourin girls overcame the challenge of Bernie and Pauline while Lily and Sarah wrapped up the night with victory in the fourth. Their next match is away to Dunmore. 16 year old Niamh Coffey produced some excellent badminton while helping our third team to a share of the spoils in their home game against Lismore. In the opening game she teamed up with her aunt Grainne Hallihan to recorded victory while in the third game the mixture of youth and experience in Niamh and Theresa Butler also ruled supreme and it clinched an overall 2-2 draw. Waterford are to be their opponents in the next round. Our first mens team played their second match of the campaign with a home encounter against Waterford. They were having no luck on the night, losing out on all 4 matches. Our second team suffered a similar fate when facing Modeligo in their opening

match in the local hall. It must be said that the games were very close with 2 of the them having to be decided with a tie breaker set. Our third team consist of 3 excellent talents for the future. J.J. Coffey, Seamus Power and Triston Hickey all performed well in their away fixture to Modeligo. Seamus Power and Pat Keane recorded victory in the opening game before J.J. and Tirston were to lose out in the second. This was their only loss of the night as the combination of Triston and Pat and then Seamus and J.J. both recorded victories to secure a 3-1 victory.

### JUNIOR COACHING

Juniors are reminded that coaching continues every Tuesday night in the Community Centre between 7:00pm and 9:00pm.

## Na Deise Ladies Football Notes

The Junior (B) county final has been cancelled against for the second time on Friday night last, October 25, due to ground conditions. A date for the final has to be arranged.

Our under-16 'B' side are due to play the losers of Ardmore v. Clashmore on Wednesday, October 30th in Modeligo at 4 p.m. Under-12 and 13 Blitz coming up shortly.

# CONOR FRENCH ELECTRICAL LEAGUE

## PERSONAL BESTS FOR MARK CUMMINGS, KATE VEALE, STACEY LYONS AND CLAIRE MEEHAN

Round 4 of the "Conor French Electrical" sponsored Juvenile Cross Country League was run off at the Friary College on Friday evening in difficult conditions, in total contrast to what we encountered on the previous week. Of the 46 who ran on Friday only 4 managed to beat their previous best times. Mark Cummings improved by an impressive 27 seconds. With the regular training and new spikes, Mark is making steady progress and maybe some day will emulate his famous uncle Junior Cummings. Kate Veale only moved up to the 2000 metre lap a few weeks ago and this week knocked a whopping 50 seconds off her best time. Kate is following in her mothers footsteps. Brid won some big road races in the nineteen eighties. The other two to run personal bests on Friday were Stacey Lyons and Claire Meehan, who both come from families with strong links with athletics in the Dungarvan area.

## TEAM RACE WIDE OPEN

After last week it looked as if Michelle McCarthy team had the team race sewn up but her team mates let her down badly this week by failing to turn up and as a result, the league is thrown wide open. Going into the final week Mark Shalloe's team hold a 5 point lead over David McCarthy's team with Lorraine McCarthy team only 2 points further back. Michelle's team are still in with a shout if she could get them all to turn up on the final evening. There will be no league this week due to the mid term break, but we will be back on Friday the 8th of November for the conclusion of a most successful league.

# ST. DECLANS COLLEGE SPORTS ROUND-UP

## UNDER 15 BOYS FOOTBALL

St. Declans Community College, Kilmacthomas v Ballincollig Community School - venue Castlemartyr.

Our Under 15 boys football teams travelled to Castlemartyr to play Ballincollig Community School in nothing short of dreadful conditions. Added to this was the fact that no referee turned up. Due to a clash of fixtures in the school we were also missing some of our key players. Unfortunately our boys were not able mentally or physically to overcome these setbacks. Silly defensive mistakes allowed Ballincollig to take some early scores. As the conditions got worse so did the standard of play. Frustration got the upper hand on the abundance of skill and concentration of our boys. Niall Cronin and Niall Kennedy, who were both playing fantastic games got injured. The final score resulted in a victory for Ballincollig 4-11 to 2-4.

Panel - N. Cronin, R. Ahearne, L. Casey, D. Mooney, A. Doyle, P. Casey, Tom Prendergast, D. Veale, M. Morahan, E. Cummins, N. Kennedy, T. Casey, C. Foley, Jason Burns (C) and D. Prendergast. Subs - T. Kiely, C. Lawlor, B. Power and S. Aheame.

## MUNSTER COLLEGES UNDER 18 FOOTBALL

St. Declans 4-8  
Coláiste Phiarsaigh (Cork) 2-9

St. Declans came out on top after a titanic struggle against a very good Cork side in a game played at Ballyduff. The Kilmac side played second fiddle for most of the first half and were outplayed for long periods. It took an opportunist goal by Joe Veale to keep the Kilmac side in touch at half time on a scoreline of 0-7 to 1-3 in favour of the Cork team. Within a few minutes of the restart St. Declans appeared buried as the Cork side added 1-2 without reply to their half time score. However, a number of team switches and a change to a more direct game paid dividends as Kilmac dominated the remainder of the game. S. Prendergast dominated from centre back and K. Millea played a captains part at mid field, kicking three successive points to draw St. Declans level. Further points followed by goals per M. Whelan and C. Mulhall made the game secure. St. Declans who will have to improve considerably on this performance, were best served by S. Prendergast, M. Prendergast, K. Millea, D. Kennedy and J. Veale.

St. Declans - M. Veale, G. Conlon, M. Whelan, D.

## F.A.I'S UNDER 18 MUNSTER CUP

Mount Sion 2 St. Declans 5  
The Under 18 team recorded a fine 5-2 win over Mount Sion in dreadful weather conditions at Tycor last Thursday. The game was played in a continuous downpour and both teams deserve great credit for producing a fine game. St. Declans opened the scoring in the 17th minute when Stephen Grant headed home a Lee Butler cross at the far post. However, Mount Sion hit

back and were level just four minutes later with an excellent goal. Joey Veale restored the St. Declans lead in the 23rd minute with a glancing header following a Lee Butler corner. It was 3-1 in the 31st minute when a long kick by Stephen Prendergast put Joey Veale through and he out paced the Mount Sion defence to make it 3-1. Some poor defensive play allowed the home side in to reduce the deficit to 2-3 at half time. The second half saw Mount Sion open brightly and they looked the more likely team to score but gradually St. Declans clawed their way back into the game and Kevin Millea made it 4-2 in the 66th minute following a neat passing move. In the final minute Gary Morahan made it 5-2 when he finished off Stephen Grants cross. St. Declans - Stephen Prendergast, Mark Whelan, Brian O'Connell, Danny Kennedy, Frank Galvin, Lee Butler, Stephen Grant, Michael Donnelly, Gary Morahan, Kevin Millea and Joey Veale. Reserves - Mark Weldon (used), Michael Cullinane (used), Johnny Power, Greg Barry and Gerard Fitzgerald.

# DUNGARVAN G.A.A. CLUB NOTES

## FOOTBALL LEAGUE DIVISION ONE

On Saturday afternoon last we travelled to Tallow to take on the Brideside club in the Lawlor's Hotel Football League Division One. Having arrived at the venue on time, and with a referee ready to do the honours, we found ourselves in the unusual position of having no opposition to pit our skills against. At the time of penning these notes, the club is seeking clarification regard-

ing the consequences of what occurred on Saturday last.

Deise Development Draw The second last Deise Development Draw in the current series took place on Friday night last in Tallow. This is the last draw for which payment is due as it has been decided that the final draw, to be held in November, will be free to those who have already subscribed to this excellent draw. Regrettably, lady luck deserted us on this occasion, as we had no winner on Friday

night last, however the club did win €100 promoter's prize, which will be raffled among our promoters. The Deise Development Draw is due to recommence in March 2003.

### TRIVIA

Name the first player to score in a competitive game at our club grounds at Clogherane. Answer next week.

### CONDOLENCES

From all in Dungarvan GAA club we wish to convey our deepest sympathies to

Mary O'Brien and family on the recent death of Edmond (Ned) O'Brien, Mapstown, Dungarvan. Ned O'Brien played for Dungarvan for many years and starred on the 1945 Senior Football Championship Winning team against Stradbally.

We would also like to convey our sympathy to the family of the late Mick White from Dunhill. His many friends and acquaintances in the club were very saddened to hear of his death.

## FROM THE ARCHIVES . . .

This week we take a trip down memory lane and revisit one of Dungarvan's finest ever under-age victories. The year is 1964 and the occasion is the Under-16 County Hurling final where we faced the mighty Mount Sion in the decider. The following report on the match is taken from the local press as reported on September 5th of that year.

# Mount Sion Mastered In Classic Final

**DUNGARVAN 4-7  
MOUNT SION 1-1**

Those who stayed away from the Fraher field on Sunday last missed the hurling treat of the current championship year. Dungarvan fielding one of the most complete teams I have seen for many a year annexed the county juvenile title at the expense of Mount Sion after as splendid a decider as one could wish to see. It was a game that, despite the scoring disparity, had everything. It abounded in thrills for every minute of the sixty, and one could only marvel at times at the standard of the fare served up.

This was a decider par excellence, in which the brilliance of these Old Boro' under sixteen's manifested itself spectacularly. For the occasion the sun shone gloriously, and the hurling certainly matched the conditions under which the thrill-consuming battle was waged.

Lest the scoreline might deceptively tend to suggest that this was an unequal and one-sided affair, I hurriedly wish to emphasise that nothing could be further from the truth. Mt. Sion, in keeping with the club's great tradition, sent out a formidable side in quest of highest honours—a side that would have beaten any other opposition in the county on Sunday. But Dungarvan just weren't "any other opposition," and the monastery boys failed to a well high perfect hurling combination.

### WITHOUT A FLAW

This was an old Boro' side without a flaw. They played a brand of hurling more mature than their years, and team trainer Bro. Looney must have felt mighty proud of his charges as he watched them carve out their superb victory. Yet, strangely enough, it was not until playing against a second-half breeze, that Dungarvan really asserted their undisputed authority. Throughout the opening half they dictated matters territorially, but the attack somehow failed to translate that advantage into scores, and their interval lead of 0-5 to 0-1 was far from a secure one. In fact the monastery forwards looked the more dangerous sextet in their somewhat sporadic raids, and thrice came within inches of notching what would have been morale-boosting goals for them.

But to my mind the real turning point of this game came within seconds of the half-time whistle. With the blues leading by four points, 'Sion attacked and a full-blooded drive by midfielder John Goulding was magnificently saved by star goalkeeper Michael Donnelly. That save was worth travelling many a mile to see, and it deprived 'Sion of a goal that would have been an invaluable asset to them in the second half.

### AT THEIR VERY BEST

On the changeover, Dungarvan played hurling at it's very best. Their defence tightened up considerably, the midfielders assumed complete control, and the attack combined to knife its way past the 'Sion defence for well-taken scores. The monastery boys, to their credit, never gave up trying, but their cause was a lost one against a side that was now rampantly striding to victory.

### THE SCORING

The game was only four minutes old when Francis Woods opened Dungarvan's account with a point. The blues then seemed to get well on top and a succession of minors by Sean Daly, Sean Flynn, Noel Rooney and Sean Franklin (free) gave them a deserved five point advantage. But towards the close of

the half, Mount Sion came much more into the picture and reduced their deficit with a point from a free. Then came that wonderful save by Donnelly in the Dungarvan goal, and the blues turned over still four points to the good. Just as in the opening half, Francis Woods had Dungarvan's first score of the second moiety—a point from over forty yards range. Then between the 4th and 20th minutes 'Sion's net fell four times, and the title was assured of a resting place in the Old Boro. Sean Franklin had the first, and six minutes later the same player cracked home another. In the 17th minute Woods raised the green flag, and Franklin completed the quartet of major scores in the 20th minute.

Five minutes from time the loser notched their only goal—and a good one it was, but Dungarvan finished with a flourish and scorer-in-chief Sean Franklin completed their tally when pointing in effortless fashion.

### SUPERB GOALKEEPER

For the blues, Michael Donnelly gave a memorable exhibition between the posts. During the hour he brought off a few miraculous saves, and without doubt this is a youngster destined for the top in his net-minding profession.

The full backs were resolute in the extreme and gave Donnelly the proverbial acre of ground to work in. Murphy in particular looked the complete fullback, and his corner men, Johnny Egan and Thomas Dwyer never gave ground.

The half-line of Sean Daly, Timmy Healy and Michael Norris was an unbeatable one. Healy, in the number six berth, made defensive hurling look easy, whilst the long-striking Daly and the sure and stylish Norris backed him up to the hilt.

Dungarvan were on top for most of the hour at midfield. Hereabouts the highly skilled hurling of Tony Carlton and the industry of a tireless Kevin Fleming was too much for Mount Sion, and consequently the Old Boro forwards enjoyed a liberal supply of the ball.

### NOTCHED 3-2

But if it did take the men up front some time to settle down to their best, they did lead the monastery defence a merry dance in the second half. Sean Franklin, top scorer with 3-2 to his credit, was the real hero, and many of his score were taken with an ease that must have baffled the opposition. Francis Woods at right-half was another prolific scorer that left his mark on this game, and Sean Flynn completed a dangerous half-line.

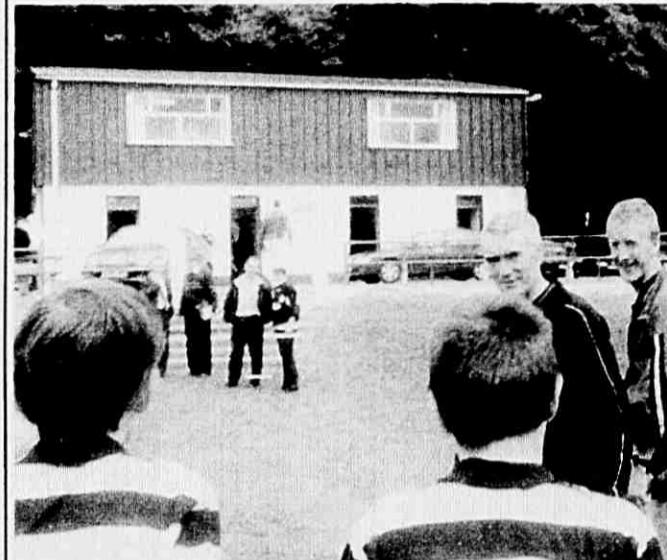

The full forward trio got little scope from a tough monastery inner-line of defence. However, Joe Walsh, Noel Rooney and Gerry Crowley played worthy parts in victory.

Mount Sion, having trounced all eastern opposition, lived up to all expectations, but simply had to concede best to a superior side. They battled right up to the end, however, and contributed largely to making this the classic it undoubtedly was.

Their stars were goalkeeper Pat O'Grady, defenders Wyse, Kelly and Kinsella; midfielder Fitzpatrick and forwards Pender, Bolger and Frisby.

**DUNGARVAN** — Ml. Donnelly, J Egan, S Murphy, T Dwyer, S Daly, T Healy, M Norris, K Fleming, T Carlton, F Woods, S Franklin, S Flynn, J Walsh, N Rooney, G Crowley. Subs: D Flynn for Daly. Selectors: Mossie McGrath and Tom Tobin. Team trainer: Bro. Looney.

**OLD PARISH LADIES FOOTBALL NOTES**

# Old Parish Ladies Win All Ireland Junior 7-A-Side Championship

At 4.30am Old Parish Ladies headed for Dublin via Waterford to pick up the Tramore girls on route. All were very quite on the trip, some slept for most of the journey until they reached Bewley's for breakfast. Still not fully awake when reaching Naomh Mearnóg, our first match and kick off was against Cappawhite at 10.30am. As soon as the ball was thrown in everyone seemed to kick into gear. Round 1 - was a very competitive game and at the final whistle, we narrowly beat Cappawhite by a single point 3-1 to 2-3. Round 2 - was with Dr. Crokes which we won by a 6 point margin 2-8 to 2-2. Round 3 - Old Parish defeated Sylvesters 5-1 to 3-2. Round 4 - Old Parish defeated Newport 2-4 to 1-2. Things were starting to boil as we were heading for the Semi-Final against Monaghan in Round 5. Old Parish ended the stronger on the day. It was total commitment and blood and guts that got them to the final Old Parish 5-7, Thyholand (Monaghan) 1-3. Sinead was even amazed with herself when she cracked 2 balls into the net within 2 minutes of

starting. Round 6 - Old Parish competed against a strongly favoured side Athgarvan (Kildare), who had previously won this event. On the day, Old Parish were up for the game and they played out of their skins. They fought tooth and nail for every ball as they were not going to miss this opportunity of their first All Ireland title. When the fat lady sang, it was Old Parish 2-10 to Athgarvan (Kildare) 1-3. Throughout the Championship, there was some fantastic individual displays. Our keeper Fiona was like Schmeichel in goal, Lisa and Beibhinn held the back line like a brick wall, Ealga and Mary O' at centre field taking control while Michelle (Capt) and Noreen played up front. Interchanging of the 12 panel players brought on players like Angeline, Sinead, Edel, Eibhlish and Anna.

Panel - Fiona Kiely, Lisa Prendergast, Beibhinn Nielsen, Mary O'Donnell, Ealga Hayes, Michelle Power (Capt & Trainer), Noreen O'Donnell, Angeline Kiely, Sinead Whelan, Edel Power, Eibhlish Harty and Hannah Whelan. Mentors -

Marcella Kiely and George Young. First Aid/Physios - Eileen O'Donnell and Mary Prendergast. Video/Camera Crew - Sinead Kiely and Eibhlish who recorded every minute of the games and commented from the side lines!! It was home to John Paul's for the celebrations to Mattie and Ann. Many thanks to all who prepared food on the night and to Ann O'Donnell for her sausage making and cooking. Rumour has it that she has an invite to Germany to compete in the sausage making festival!! Not much celebrations for Lisa as she was rushed away within minutes of the final whistle to the airport on her holidays to Turkey by our good friend and past player Eibhin O'Connor. Eibhin was playing in one of the other groups. To our driver John Daly for looking after us for the weekend and the company of the Tramore team Matta and Terry, Julie Ann French who has done some fantastic work in the background. Congratulations to Clashmore on winning the Intermediate 7-a-side.

## KILGOBINET GAA NOTES

### JUNIOR FOOTBALL COUNTY FINAL

After a 15 year wait we contest the football final on Sunday next in Walsh Park, Waterford. The club has not played in Walsh Park since they beat Ballygunner in the hurling final of 1961 all of 41 years ago. Five weeks ago, we captured the Western Final which is too long to wait as our opponents St. Mollersans played two weeks ago. We have prepared well, never the less, and despite having a couple of injuries we are ready for this one and hopefully we can capture our first ever football County title. We have been defeated in 3 finals in the past, the most recent in 1985.

We will be looking to players like Jimmy White in goal, Chris Lyons, Brian Dunford, Vincent Lynch, Peter Lynch, Pat Morgan, Alan Fitzgerald, John Byrne in the back line, the two Kevin Walshs or Mark Radley at centre field, up front Raymond and Brendan Lynch, Michael Flynn, Paul Radley, Thomas and Dermot O'Brien, Keane, Jim or Michael Walsh could see action. So whatever team starts we wish the lads all the best and we call on all our loyal supporters to travel to Waterford with the green and white colours and roar on the lads.

### CONGRATULATIONS

Congratulations to Patrick Flynn and Rita Fraher who were married in Kilgobinet Church recently.

## CLUB COMMITTEE MEETING

A Reminder to all Club Committee Members that the next Committee meeting will take place at the Parish Hall next Thursday night the 31st of October at 8pm.

Minor Football County Final  
Our Minor Footballers finally get to play their County Final next Saturday the 2nd of November at Walsh Park at 12pm. Yes folks this is taking place at midday against a well-fancied Gaultier team. Although this is a strange time to be playing a premier county final the players and mentors have to get on with it. We would ask all supporters to come out and support this great bunch of lads and their mentors Joe Cleary, Greg Fives and Bernard Shields. We wish them the very best and hope as many supporters as possible will come out and shout for this mighty minor team.

## UNDER 21 HURLING CHAMPIONSHIP

Just as you would think that we should be heading into GAA hibernation for the winter, ours and other clubs under 21 hurlers arrive at the peak of their under 21 career to play the hurling Championship. Particularly for those who are on the age this is basically an insult.

For both teams who turned out in atrocious conditions last Saturday in Ring it is once again a testament to the commitment of the clubs, mentors and players that they would field with the GAA's greater good in mind. A game, which is best, displayed in summer and with the age group that has the spectre of being something special is reduced to a bit part in the GAA calendar. A huge amount of these lads are away in college or involved in apprenticeships during the year and ironically are home during the summer and yet it seems we cannot organise a championship which can show off the best of our under 21 talent.

This is a great pity. Last Saturday Ballyduff Upper and ourselves went out to play hurling in absolutely horrible conditions, which consisted of driving wind and a cold incessant rain. Really conducive to great hurling. To be fair to all concerned the Pitch in Ring was in excellent shape; very few pitches would have taken the game.

The Referee also helped as he did a very good job under very difficult conditions. Both teams and the referee deserve great credit and the supporters were very appreciative of the new stand in Ring as the rain and wind lashed across the field. Our own mentors Pakey Hurney and Neil "Lowra" Moore did a massive job in getting so many players out. Ballyduff Upper started well playing with the wind and we found ourselves a goal and a point in arrears before we knew we were in the game. But fair play to the lads their work rate was amazing and John Hurney

who not for the first time in the Ring pitch scored a DJ Carey type goal to keep us in the hunt in the first half.

Playing into the wind in the first half Decky Fives scored two great points from frees and Seamo Burns added two great points from play to go with "DJ" Hurney's goal. One of the features in the second half with the wind was Pat Enright's puck outs, which were putting huge pressure on the Ballyduff backline. With the second half still young both John Hurney and Decky Fives hit over two great frees to push us slightly ahead.

Then on a fifty yard run John "DJ" Hurney struck again with a superb goal and points followed from Patrick Lynch, Keith Brown and two from Liam Briggs. Ballyduff continued to battle hard which deservedly produced another goal and a point until Captain Seamo Burns who worked his backside off all day scored the goal, which finally clinched the game. The man who showed incredible resilience on the day was Garvin McCarthy who covered for three blood injuries.

This meant every time one of the lads got hurt Garvin was called on to the pitch. Once is maybe fine, twice is a wind up but incredibly Garvin covered for Ciaran Shields, Martin Lavin and John Hurney who all received facial cuts. On a day when a Polar Bear won't stick his nose out Garvin was in the fray four times given he also started, other lads would have run home a lot earlier. As was said earlier both teams deserved great credit turning out and attempting to play on a day not suitable for hurling.

The team was as follows: - Pat Enright, Simon Hanrahan, Rick Hanrahan, Seamus Lavin, David Cashin, Shane Briggs, Martin Lavin, John Hurney, Sean Kiely, Seamo Burns (Captain), Garvan McCarthy, Keith Brown, Patrick Lynch, Ciaran Shields and Declan Fives. Substitutes used: - Denis Byrnes and Liam Briggs. Substitutes awaiting the call Michael Cosgrave, David McGrath, Diarmuid "Dee Dee" Molloy, Enda Walsh, Gary Burke and Mark Fives. Well done to the all of the lads who turned out and to Pakey Hurney and Neil "Lowra" Moore for pulling all of this together.

The lads have now qualified to play Fourmilewater in the Western semi-final to be played whenever

The Nire are finished in the Senior Football Championship. We would also be remitting in thanking the supporters who turned out on the day. The usual crew, including Joe "Crowe" Riordan and Son. (Talk about starting early). Noel Fleming, Greg and Michael Fives, the Hurney lads Laurence and Gary, Michael "Mattie" Hanrahan, John Paul Mills with his new Nokia Mobile come Radio which kept us all apprised of the County Football Final, John "Fifi" Phelan and the great Tony

Mansfield who arrived from his reporting capacity at the County football Final at half time in this game to add his considerable vocal support. At the end of the day this is what club support is all about.

## UNDER 16 WESTERN HURLING FINAL

Our under 16 Hurlers will play Dungarvan in the Western Hurling Final on Sunday the 10th of November the day after our under 14 Football County Final. The venue and time have yet to be announced. So all those supporters who have followed this team please watch out for the time and the place as all support will be gratefully accepted.

## UNDER 14 FOOTBALL

There was major disappointment at what was to be the final training session for this crew of under 14 youngsters and their mentors on Wednesday the 23rd of October. A phone call was received from a scout that had travelled to Waterford to see the Eastern Football Final to say that the game had been postponed once again. This obviously meant that the County Final, which was fixed for Saturday the 26th of October, could not now go ahead. The County Final date was officially sent to all clubs early in the season, so really there is no excuse for the Eastern Board as N'Og not having their Championship completed on time. Fair play to the Western Board as N'Og. They had their finals played two weeks before the County Final date. The date we have now been given for this County Final is Saturday the 9th of November. All we can now ask from these lads is to maintain the commitment to training. These lads have put in a huge amount of work up to now. This Championship is as important to these youngsters as it is to senior adults and should be treated as such.

## SAQ FOUNDATION COURSE

A Speed Agility and Quickness (SAQ) foundation level Course will take place on the 16th of November at Lawlors Hotel. This course will help all coaches to introduce this technique to their training courses and is now recognised by most team sports as an essential ingredient in training teams. This course costs 60 euro per head and anyone interested should contact George Young or Peter Jordan. For further information you can also surf the net on <http://www.saqireland.net/>

## REMINDERS "CLUB NOTICE BOARD"

Club Bingo takes places every Sunday night at 8.30pm at the CBS Hall Dungarvan. All bookings for the use of the Field should be made through Bernard Shields the Club Secretary on 058-41467. ## ARDMORE GAA NOTES

### GREAT DAY HAD BY ALL

On Sunday last our new facilities were unveiled to the public and judging by the favourable reaction they received we hope they will be another success for the club. A superb day was had by all with Canon Daniel O'Connor performing the official opening in front of a fine gathering which included Public Representatives, Munster Council Officials, County and Western Board Officials and FAS Officials as well as invited guests and members of the public from Ardmore, Grange and surrounding areas. Many former players also made the journey and they were all full of admiration for the progress made by the club.

The Field Development Committee who brought the project to completion was very happy at the end of the day and they will now hope that the Gymnasium, which was on display, will attract the members who were suitably impressed last Sunday.

Membership details will be available shortly but an introductory offer will be available as the committee will be working out times of opening as well as availability as the facility, which will have selected opening times for Ladies and Gents. Those wishing to join should give their names to Noel Conway as soon as possible so that a schedule can be worked out to suit the needs of everyone.

Following the speeches and the opening the Ladies produces a superb cheese and wine reception which was enjoyed by all. The juvenile club had an Under 10 tournament where many new stars were on display as they had a win over St. Pats in a tournament sponsored by Matt Faherty Coach Hire. After the underage match the 2002 Phelan Cup Final took place between Ardmore and Rathgormack and here again things went our way as the lads turned in a fine performance to win by 3-10 to 2-9. Two second half goals from Pat Hallahan put the seal on a fine win with John Conway chipping in with a fine first half goal and two points for good measure. James O'Donnell hit seven points as well to complete a great day for the club who fielded without any of our Under 21 players although Wayne Hennessy and Conor O'Connor were introduced near the end. Our side was - D Lenane, S Prendergast, M Hennessy, A Ahearne, M Supple, A O'Donnell, J Hennessy, S Prendergast, J O'Donnell, C Hennessy, J O'Neill, N Keating, J Conway and P Hallahan. Subs used - E Power, W Hennessy and C O'Connor.

The day was rounded off by an evening in Paddy Maes where a most successful day was brought to a close.

## UNDER 21 COUNTY FINAL

All roads will lead to Walsh Park on Sunday next as our Under 21 footballers look to capture this particular title for the third year in a row. Rathgormack, last years beaten finalists again provide the opposition in what should be another excellent game. The throw in is at 1.15pm.

## COIS BHRIDE NOTES

### UNDER 16 HURLING REVIEW

We played a total of 17 games during the year, competed in the county league and played 1B games in this section. In the Western Championship we played 3 games and 3 in the Cappelquin organised tournament. The rest were made up with friendlies. Although no honours were won on the field we still had a fine year playing wise as we were able to give our panel of 24 players a good number of games each during the year. I would like to take this opportunity to thank all our drivers throughout the year and to Georgina for doing the first aid. I would also like to thank the players for giving such a good effort and it's great to see the young lads enjoying themselves. It proves that if you give the time and effort the players will respond. I would urge the lads to stick playing hurling and football and not give up sport like so many of our youths today. I would also urge any player who is called for trial over the Winter months for Waterford either at Under 16 or Minor to go to the trials. I would like to thank Colin, Seamus and Kieran for supplying me with this review and also for their co operation during the year supplying me with match reports and so on. It was decided at the start of the year that one of the selectors from each team would let the PRO know of results but unfortunately this did not always happen.

### Get Well

I know I speak for each and every club member and parent in wishing our genial and hard working secretary Roger Casey a very speedy return to full health. Roger has been hospitalised for the last three weeks and I am glad to report that he is slowly but surely on the road to recovery and is looking forward to returning to his duties both as secretary and with the Waterford Senior hurling team, who incidentally wish him full recovery to health. All are looking forward to the well deserved holiday in Morocco and the Munster Championship games against Kerry and Limerick in the Semi-Final.

# Three County Finals In Walsh Park

County Board officers are keeping their fingers crossed that all three finals scheduled for the city venue over the coming weekend will not be effected by the weather;

This will be the first time in the history of the G.A.A. in this county that five county finals will take place on the same weekend.

## J.F. FINAL

### Kilgobnet v St. Mollerans

This is the feature game on the programme at Walsh Park and it is fair to say that it is the big match of the weekend at the city venue.

Kilgobnet have yet to win this county title, having suffered three major disappointments at the final stages.

Their last appearance in a county final was back in 1987 when after defeating Stradbally in a great Western final, they lost to today's opponents neighbours, Clonea.

This year, Kilgobnet have undergone more serious training than ever before and coach David Kiely's charges are fit and ready to take on the Eastern champions with a fair degree of confidence.

In fact confidence, or lack of it, has been their big problem in all their major assignments over the years, be it Western or County finals. They did have a reputation for "freezing" on big occasions. They have now been conditioned mentally to overcome this drawback and are going to take the field fully convinced that they are the superior team in this contest.

The team is likely to line out as it did when defeating Old Parish in the Western final, with Jim White in goal behind defenders, Chris Lyons, Brian Dunford, Vinny Lynch, Michael Flynn, Peter Lynch and Pat Morgan.

At midfield Mark Radley and Kevin Lynch (Kilgobnet) will

play a lead role in the battle for the title and up front, Paul Radley, Brendan Lynch, Raymond Lynch, Thomas O'Brien, Kevin Walsh, (Coolnasmear) and Dermot O'Brien will all be mindful of the fact that there are 15 substitutes sitting on the bench and awaiting the call to replace the players who are perceived to be the weakest links.

Not a lot is known about St. Mollerans who represent the Carrickbeg Area of the east, but they had no great problems in winning out in their division, so they will mount quite a challenge.

For Kilgobnet this is "D" day and the chance might not come for a long time again. A victory for them would be a popular result and the entire West will be rooting for them. I believe that they will make it this time.

## UNDER 21 FOOTBALL COUNTY FINAL

### Ardmore v Rathgormack At Walsh Park

Ardmore club who are still reaping the fruits of the colossal promotional work done at underage level over the past dozen years or so, will start slight favourites to beat eastern champions, Rathgormack in this attractive final at Walsh Park on Sunday next.

This curtain raiser to the junior football final will see Ardmore retain the title won over the past two years.

They are the holders, having defeated Tramore this year, in last year's county final.

More interestingly is the fact that they beat next Sunday's opponents Rathgormack in the 2000 county final. That was a great contest that produced some spectacular football. It was played to a nail-biting fin-

ish before the western champions Ardmore emerged winners by a single point (1-12 to 2-8).

Last year Rathgormack lost the minor football county final after a replay with Ballinacourty and quite a number of that panel will be in action for the eastern champions here on Sunday.

It will undoubtedly be another cracker of a match, but Ardmore should achieve that elusive three in a row.

## MINOR FOOTBALL FINAL Ballinacourty v Gaultier

This county final is fixed for Walsh Park and will be played on Saturday.

Ballinacourty are bidding for their 13th title in the grade and Gaultier are seeking their 5th.

Ballinacourty are the reigning county champions, having defeated Rathgormack in a replay last year, but have since shed a number of that team because of the age problem.

It is likely that they will be

represented by the side named on the county final programme for the day of the abandonment due to bad weather. This will show Declan Byrne, Seamus Shields, Simon Hanrahan, Rian McGrath, John Kindregan, Seamus Lavin, Joey Mullen, Patrick Lynch, Patrick Hurmey, Peter Phelan, Mark O'Gorman, Mark Fives, David Ferncombe, Declan Fives, Sean Cleary.

Gaultier who have won this title on no fewer than three occasions in the past decade are the very worthy champions of the eastern division. With the Ballygunner minor hurling panel of players available for selection, they are certain to mount a very strong challenge here. They must feel that bit happier about their prospects, now that the final is back in Walsh Park. It had been switched to Dungarvan at their request because the original Saturday fixture did not suit them

## UNDER 21 HURLING

# Decisive Win For Abbeyside

### ABBEYSIDE 3-11 BALLYDUFF 3-3

Because of the unavailability of the Cappoquin ground, this quarter final game was moved to Ring where it ended in a decisive win for Abbeyside.

They will now play Fourmilewater in the semi-final. It had been hoped that this game would go ahead on next weekend, but because of the involvement of Abbeyside and the Nire in championships on this weekend, the game will be deferred.

Tallow who are in the final will play the winners and that game will conclude the Western Boards "A" championships.

# Junior Hurling Final

### GERALDINES V FENOR

This was another fixture to fall victim to the atrocious weather of Sunday October 20th. and it is now fixed for Saturday next and at the earlier time of 1-15 p.m.

Fenor, playing in their third county junior final in a row may still start favourites but the news that Ger Donovan who was on the injured list when the final was first scheduled, is now available and this will strengthen the case for a western victory.

Down in Fenor they are saying that it is now or never with them and a member whom I know and have spoken to, said that it is going to be 'now'.

I would like to see the Geraldines score a long overdue win in this grade, but my opinion is that unless that show improvement on their form during the divisional campaign, this may not happen.

## MICK WHITE R.I.P.

The very popular Mick, was a great G.A.A. man and sportsman. In G.A.A. circles there were few who did not know him. Although he played hurling for very many years with his Dunhill, he was known far and wide as a football man.

He played in the code with club and county until maturity forced him to hang up his boots after he had played in a junior final at the ripe old age of 55 years but then he took to being a county selector and in this role he was respected as a good judge of talent. Mick White had the rare distinction of being the only man in this county to have won county championships in junior hurling and football, intermediate hurling and football as well as senior hurling and football.

For a very long time he was a member of Coisde na Peil and will be remembered here for his worthwhile contributions to the many campaigns for the improvement of the game in the county.

Needless to mention there was a very large attendance of G.A.A. people at his funeral and burial and as a mark of respect the Tricolour was flown at half mast at all venues over the weekend. At the funeral Mass county board chairman Paddy Joe Ryan paid him an appropriate tribute.

To his wife, Mary, daughters Ann and Mary and sons Michael, Thomas and John we offer our deepest sympathy.

**G.A.A. NOTES**

**BY "COMMENTATOR"**

**SENIOR FOOTBALL REPLAY**

**Another Thriller Anticipated At Fraher Field**

County champions Stradbally and the Nire each of whom had earlier survived in replays this year will come back to Dungarvan wondering what change of tactics or team placings will be required to make the little bit of difference in deciding the destiny of the 2002 county senior football championship and which club will play the Limerick champions a week or two later.

Saturday matches are not all too popular with the public, but there are the exceptions. This is an exception and I feel certain that the attendance will prove this to be so.

In replays and especially where the drawn contest has been of a high standard, it is difficult to write with any degree of confidence about the prospects of the contestants.

I had predicted a win for Stradbally on last Saturday and while I may still be right, I now believe that the gap in standards between the teams is approaching zero.

Yes it is wiser in this instance to write that either side can win. If it is another splendid match, football will also be a winner.

**Lismore Win Div. One Of Town And Country League**

Pictured above are the Lismore and Dungarvan teams who contested the Town and Country Div. One League final on Sunday morning last in the Fraher Field. Lismore were victorious on the scoreline 0-7 to 0-3.

Below is Pat Grant, Co. Youth Officer presenting the Town & Country League Div.1 cup to Lismore's captain, Steven O'Keeffe. Also included is Pat Moore, Co. Coaching & Games Dev Committee. (Photos by Sean Byrne)

**S.R.C. REPORT AT SPECIAL CONGRESS**

Only about 15 of the 52 motions proposed by the Strategic Review Committee were approved which meant that the end result of the two and a half year deliberations by the special committee set up by Sean MacAigue, President and headed by former President Peter Quinn, were more or less as predicted.

A few of the remainder were withdrawn, but the majority were defeated.

**SUCCESSFUL MOTIONS**

All officers of county boards (except county administrator) will have to vacate their positions after a five year term. This will apply five years from now.

Players at under 16 level are to be forbidden to play more than one grade above their age group;

All underage club competitions up to minor age, be played to a conclusion. Extra time will be played if necessary in finals.

A two month's closed season is to be introduced and intercounty team panels are to be officially increased to 30.

A motion passed also will give more au-

thority to umpires and linesmen to highlight incidents not observed by the referee, but the referee will remain the boss.

**MOTIONS DEFEATED**

The motion to have county chairmen replace the Central Council representative in each county was heavily defeated.

The motion to abolish intercounty competitions at under 16 level ( and under ) including Tony Forrestal and Sonny Walsh Tournaments was well beaten. A proposal to reduce football intercounty teams to 13 players was defeated and a motion to allow six substitutes and they be able to interchange unrecorded, was also beaten.

I think it is fair to say that the mood of Congress was very anti the proposals and all this was reflected in Peter Quinn's expression of disappointment after Congress.

Waterford delegation led by Western Board chairman Paddy Walsh included Western secretary, Anthony Walsh, Jimmy O'Gorman, Pat Moore, Youth delegate, Cormack Beadon and Seamus O'Brien. I will write on this topic later on.

G.A.A. NOTES

# Exciting Intermediate Football Final Ends All Square

**RING 0-8  
CLASHMORE 0-8**

The final whistle at Fraher field on Sunday afternoon ended the agony for both camps as in the dying moments of this enjoyable contest each had chances of winning and losing the match.

Very few in the crowd (gate 1325 euro) would disagree with the submission that a draw was a very fair result and that neither side deserved to lose.

A case might be made that Clashmore who had almost twice as many wides as Ring, were the unlucky side, but I know that others will view this statistic in a different light.

Now they must meet again and those wishing to enjoy another splendid contest could do worse than visiting Fraher field for the replay at 2 p.m. on Sunday afternoon.

Early on Sunday morning officers of the board inspected Fraher field and wisely declared it playable.

## PLAY

A very strong wind favoured Clashmore in the first half and within two minutes Stephen Barron pointed them into a lead that was doubled a couple of minutes later when Mike Fenton kicked over a good score from play.

Several minutes passed before there was any kind of an attack by Ring but when

there was, they looked dangerous. A forward was fouled and Eugene Curran opened their account with a point. Two minutes later in the 11th. minute Seamie McGrath, who was a late replacement for Darragh O'Connor in the right corner, brought the teams level for the first of the three occasions.

Mike Fenton from play and Stephen Barron from a free brought Clashmore's tally to 4 points and this figure jumped to six points when Roger Ryan and Stephen Barron had points in the 17th. and 21st. minutes.

In the 28th. and 30th minutes Ring hit back with points by Eugene Curran and Mike Flaherty to leave the halftime score at 0-6 to 0-4 in favour of Clashmore.

## SECOND HALF

Three minutes into this period, Eugene Curran narrowed the gap to a single point but Stephen Barron brought back one for Clashmore. The fight to get level battled on and after a couple of fruitless attacks Liam Lenane and Eugene Curran

Ring who drew with Clashmore 8pts apiece in the Western Final of the Radley Engineering sponsored intermediate football championship. (Photo: Sean Byrne)

got the scores that made the scoreboard read 0-7 each in the 46th minute.

After what was one of the best movements of combined play by Clashmore, Mike Fenton kicked Clashmore into a point lead in the 49th minute. Eight minutes of scoreless play followed which each side (but more particularly Ring) wasted chances. With just three min-

utes of play remaining, Ring were awarded a free and Eugene Curran made no mistake in converting the equaliser. Play continued for 5 minutes with a few near misses and a couple of bad misses before full time ended this enjoyable contest.

Both defences played very well and both goalkeepers Tomas O Caodhla for Ring and Declan Hickey for

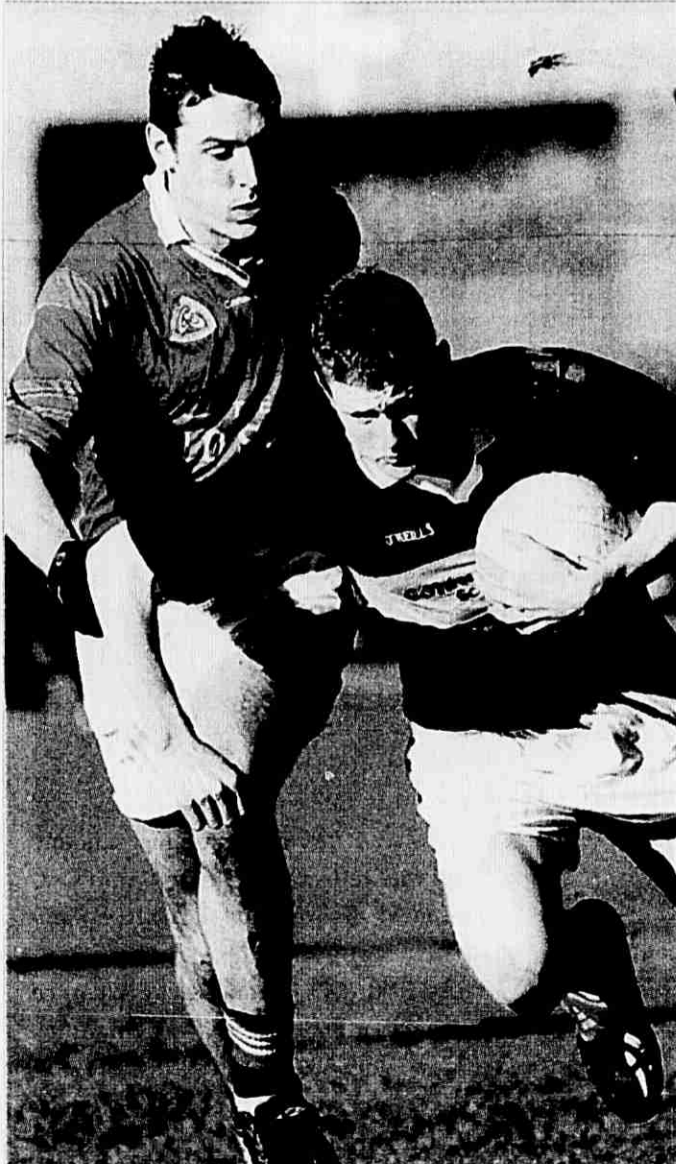

Clashmore played very well also.

Scorers; Ring; E. Curran 0-5, M. Flaherty 0-1, L. Lenane 0-1, S. McCraith 0-1; Clashmore S. Barron 0-4, M. Fenton 0-3, R. Ryan 0-1;

## WESTERN BOARD MEETING

There was a small attendance at this final open board meeting last week. This is a regular feature of meetings when most of the clubs are gone out of the championship. Paddy Walsh, chairman presided

**Funding** — Applications for funding were before the meeting and Western Bord na nOg received a grant of 700 euro to help them defray their running costs.

**Referees Reports** — With nothing arising, the majority of the reports were approved without discussion. J. Byrne Modeligo was suspended for 12 weeks, having received a red card in his last match.

**Championships** — Secretary Anthony Walsh reported on championship progress and said that the overall situation was very satisfactory, there was a problem with the "B" championships, due to withdrawals.

Donnacha Tobin, Geraldines applied to have Geraldines restored to the "B" championship. He gave reasons why they were unable to field against Kilgobnet on the day before they were due to play the junior county final.

Tony Coffey proposed that this matter be considered by the officer board (this was done subsequently and the decision was unchanged).

The chairman complimented the clubs on their cooperation in getting the championships completed and wished all the champions well in the various county finals.

The secretary gave details of the divisional convention and closing dates for nominations, motions, etc. It was agreed to play out the "b" championships on a knock-out basis.

## Our Review Committee Report

While the high powered S.C.R committee in Croke Park have been working on the proposals for the special congress which took place over the weekend, the special committee set up here by our county board have been putting the finishing touches to their report which was finalised over the past week and is now ready for presentation to the County Board at their final meeting of the year and which will take place in three weeks time.

Because of a number of the personnel involved, there are expectations that the report will recommend a few radical changes. These proposals will be looked forward to with interest.

I feel sure that a lot of the proposals will have to do with the running of the championships and other competitions within the county.

It will be interesting to see if the proposals will be more successful than the national S. C.R. report.

## WEST WATERFORD GOLF AND COUNTRY CLUB NOTES

### OPEN QUALIFIER (kindly Sponsored By Fáilte House (Grand Final))

The Grand Final of The Fáilte House Open took place on Bank Holiday Monday 28th October, having been deferred from Sunday 20th October, owing to the extremely inclement weather. Competition was fierce as all qualifiers tried their up most to lift the coveted title of Grand Final winner of 2002, which of course carries with it a five year exemption from qualifying in future Open Qualifiers. This weekly competition generates huge interest from year to year, with this year's event being the most successful to date. The Open Qualifier is a keystone of the golfing calendar at West Waterford Golf and Country Club, and has been sponsored since its inception by Barclay Chemicals. This year we had a new sponsor in the form of Fáilte House ([www.failtehouse.com](http://www.failtehouse.com)) who are delighted to be associated with the vent, and we are extremely grateful for their most generous support. There were special prizes this year of 1 night's bed and breakfast accommodation and a days golf and 2 persons for both the leading gross and nett qualifiers.

## RED HOUSE LEAGUE NEWS

### OSCAR TRAYNOR CUP

# Poor Showing By Red House League

T.S.D.L. 6  
RED HOUSE LEAGUE 0

Unfortunately, the scoreline tells the tale and yes it is true, the Red House League concealed six goals in Clonmel last Sunday. Missing just two of the original squad - Paul Quinn and Shane Kearney, both out through injury - manager Liam Fraser selected what we all regarded as the best eleven to represent our league. But little did we know how strong the opposition would be. The Tipperary Southern District League had a team comprising Internationals at Junior level, Under 21 Interprovincials and former Waterford United star Aaron Moroney who lined out at centre forward and his experience was a thorn in the side of the Red House defence.

Played on a surface which dried out after the rain of Saturday, the home side took just 14 minutes to register their first goal which came from the penalty spot. The second goal came on 23 minutes after a cross from the wing was side footed to the bet by Alan Coady.

For the next 20 minutes to the half time whistle, the Red House League has their best period and should have pulled a goal back, but lack of conviction and a strong home defence denied the visitors a goal.

Ten minutes into the second half a terrible mix up in the defence gave the Tipperary team a gift of a third goal. Other goals came in the 21st, 23rd and 43rd minutes of the second half.

Injuries to goalie Morrissey and JP Grey early in the game did not help but sub goalie Ian Farmer made some good saves.

Some players held their reputation in tact - centre half Paul O'Driscoll, Leonard Byrne when moved back to the back four. "Pop-eye" Whelan had an outstanding second half, Billy Carr (Jnr) when introduced to mid field, but overall a display best forgotten and hopefully a big improvement for he next game.

Team - David Morrissey, David Whelan, B. McDermott, P. O'Driscoll, A. Landers, D. Howard, JP Grey, E. Murphy, M. Lacey (Capt), L. Byrne and T. O'Donnell. Subs - T. Molumphy (not used), Billy Carr, B. Hannon, C. Hogan, S. Ormonde, I. Farmer (all used). In the other game in our group The Desmond League were beaten at home by The Limerick League 3 goals to 1. Our next game is on Sunday 1st December when we play The Desmond League at Modeligo.

#### AFTER MATCH COMMENTS

After the game we got the following comments - Manager Liam Fraser said he was disappointed as he expected a better display from his team, after all Liam said those players are the top players in our league, but it is quite obvious we are far behind in standards if we wish to compete with teams of the calibre of The TSDL. League Chairman Michael McBride said one of his ambitions as Chairman is to introduce coaching into the leagues. Michael told us for us to compete at this level a coach is a must and he would like all clubs to have their own which would be a benefit to all the underage teams. Paddy Pollard, assistant to Liam Fraser on the day said he was bitterly disappointed with the display. He did tell us having seen so many Junior Cup games in other leagues he knew we were up against it, but felt we would have done better. Secretary Michael O'Neill told us the opposition was just too strong and unfortunately the gap in standards will have to be overcome. Tom Lewis, Chairman of the Munster Football Association and Secretary of The TSDL told us this was the strongest Tipperary team in three years and the ambition is to go on to the Final stages, especially to win the Oscar Traynor Cup again. He told us it took the TSDL many years of trying before they finally broke through and his advice to The Red House League is to keep trying as the experience will eventually pay off. It could take five or six years but it will happen.

## PREVIEWS

#### Brideview v Ballyduff

Both sides have had totally different starts to the season. The visitors have lost both their opening games and both to newly promoted Kilworth and Accrington Celtic. Brideview on the other hand, have collected full points. On this Sunday the home side should have the advantage although in past clashes there was never very much between the sides. Brideview to win.

#### Valley Rangers v Lismore

Definitely match of the day. The Conna side have made the league title their goal this year, and to prove their point withdrew from The FAI and Munster Junior Cups competitions this season. They have 4 points from their two league games so for which Lismore struggled for long periods against Ardmore before winning easily by 3 goals to nil. Never much between the teams, but home advantage might win our at the end of 90 minutes. Valley to win.

#### Accrington v Kilworth

Could rival as match of the day. Both sides have recorded their first wins in their premier-ship - both against Ballyduff. Last season Kilworth held the upper hand winning the 1st Division with Accrington runners up. A difficult game to forecast but we think Kilworth just might shade it, although ad raw will not surprise us. Kilworth to win.

#### Clashmore v Pinewood Rangers

Both sides might be affected by players playing GAA over the weekend but we think the home side will still be too strong. Clashmore to win.

#### Araglen v Ballybridge

We were impressed with Araglen a few weeks back even though losing to Clashmore but they have a young side and home advantage might

prove the winner. Araglen to win.

#### Castlebridge v Gortroe

Both sides relegated last season and will want to get back into the Premier Division this season. This could be a high scoring encounter. Gortroe are playing strong attacking football and the signing of Paul O'Driscoll has really strengthened them. Castlebridge on the other hand will not want to drop points at home but we give our vote to Gortroe.

#### Affane v Inch

Inch could be the team at the end of the season that all others will have to catch for promotion. WE have seen Inch already this season and have impressed us. Affane newly promoted will have to find their feet in a higher division. Inch to win.

#### Mogeely v Brideview

The home side already through to the 2nd Round of the Munster Junior Cup against St. Otterans will want to collect full points on Sunday against a Tallow side who scored five against Valley Rangers B who weeks ago. Form says a home win but they can not take Brideview for granted with Tony Barrett in such goal scoring form. A home win is on the cards.

#### An Ghaeltacht v Bally Celtic

We hope to take in this game on Sunday morning to see Bally Celtic make their league debut. However, the home side must start as favourites but it will be interesting to see the Ballysaggart outfit and it is possible they could cause a surprise. But the experience of the Ghaeltacht should ensure a home win.

#### Modeligo v Valley Rangers

The home side had a good win in Mogeely and should prove too strong for the Conna outfit. A home win in a high scoring game.

## THINGS WE HEAR!

What a weekend! We had so much we haven't time to put it on the paper. But rest assure we will be back next week, and it does give us an opportunity to investigate the complaint of the threatening behaviour with a, could there be a resignation?

## DELEGATE MEETING

Delegate meeting this Monday in Red House at 9.00pm.

# DUNGARVAN UNITED A.F.C. NOTES

## POSTPONEMENTS

Given the very wet weather we had last weekend the Waterford Senior League took the decision to cancel all league games last weekend.

## F.A.I. YOUTH CUP Piltown 1 Dungarvan United 2

All F.A.I. Cup games were to go ahead as scheduled and our youth team travelled to Piltown where they recorded an excellent 2-1 win.

## FIXTURES F.A.I. Junior Cup (3rd Round)

### Kilmacow v Dungarvan United (Saturday 2.00 p.m.)

We face a tricky away tie in the F.A.I. Junior Cup next Saturday when we travel to first division side Kilmacow. It will take a huge improvement on our last performance, against Boins, if we are to remain in this prestigious competition against a team who play an excellent brand of football.

Goalkeeper Niall Barry will miss the game due to business commitments but with everyone else fit and available we are more than capable of getting a result but only with the right attitude. This game kicks off at 2.00 p.m.

### Division 2 West

### Seaview Celtic v Dungarvan United (Sunday 2.15 p.m.)

Our third team face a very difficult game next Sunday when they travel to Anestown. Seaview have an excellent home record particularly in cup competitions where they have accounted for a number of Premier teams. However, managers J.W. Power and Eoin Mansfield have some very talented players and are well capable of causing a surprise in this game.

### GAME IN R.S.C.

The Waterford Junior League have secured the use of the Waterford R.S.C. for staging the "game of the week". We will play our Premier League fixture with Portlaw there on Thursday, 14th November at 8.00 p.m.

### RACE NIGHT

Our Race Night takes place in The Parrish on Thursday, 7th November. This fundraising venture will begin at 9.00 p.m. and we would appeal to every player in the club and the parents of all schoolboy players to turn up on the night and support this event as all the money raised will go towards improving our facilities at Kilrush Park.

Support of the Seaview Celtic draw by our players was not as good as one would expect and we are hoping for a much better response to this venture.

Horses are on sale at 10 each and anyone who might consider sponsoring a race can contact J.D. O'Shea on 086-8255748.

### LOTTO

Numbers drawn 9-11-27. No winner. EUR 25 winners: Nicky Roche c/o Enterprise, Tom O'Leary. Jackpot next week EUR 650 draw is in Bean a Leanna

## DUNGARVAN YOUTH NOTES SFAI CUP

# "Blues Through, Just!"

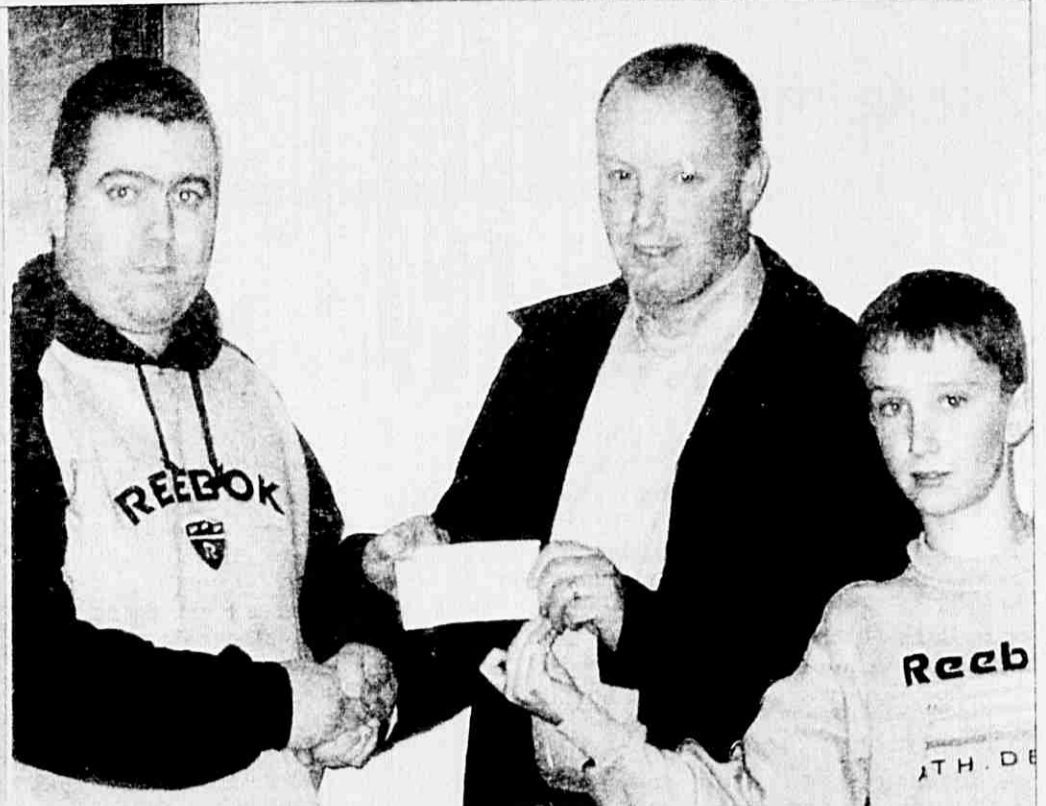

## DUNGARVAN 2 PILTOWN 1

This was a strange performance by the young blues. As soon as the whistle went we were at it like tigers and playing well. After a dominant start we found the net through David Condon and Shane Kelly and should have been coasting.

But as soon as we went 2-0 up we went into our shells and really allowed Piltown take control in every area of the pitch. They scored from a well worked move down their right. Then their centre forward was up ended in the area out the presence of the impressive Trevor Moore was enough to make him miss. Indeed only for some great saves during the whole game by Trevor the result could have been so different.

So on to the next round and we really will need to step up on this performance if we hope to progress any further in this competition. On a somewhat sour note we would be obliged if players missing for a game would contact any of the managers with plenty of notice so replacement can be made i.e. draft in some Under 16's so as not to be left short at the last minute, we deserve better lads! P.S. thanks to our travelling support on the day, much appreciated.

## Dungarvan United's Massive Lotto Jackpot Is Won

# DUNGARVAN UNITED SCHOOLBOYS ROUND-UP

## DUBLIN CITY MARATHON

As was mentioned last week, former Schoolboy Manager, Michael "Dixie" Deegan participated in the Dublin City Marathon on Bank Holiday Monday and he is raising funds for the schoolboys section of the Club, which is greatly appreciated. Well done Dixie and thank you very much. Also, another former Manager, Liam Sandford took his place in the line-up in Dublin.

## SCHOOLBOY MATCHES

Over the weekend all games that were down for decision were called off due to the forecasted bad weather. Hopefully next weekend will be a little bit better in order for all games to be completed.

## SPONSOR CARDS

As requested last week, will all those who took a sponsor card for Dixie's Marathon Run, could they please return the card and its contents this week.

## KENNEDY CUP TRIALS

A number of lads recently took part in the Under-13 Development Trials and those who were picked to go through to the next Trials were Paudie Kiely, Gavin Crotty, and Carl Duggan. Well done lads and we hope all of you are selected for the final squad.

## PENALTY SHOOT-OUT

Last weekend, at half-time, during the Waterford United/Finn Harps game, Trevor Crotty and Kenneth Moore took part in a penalty shoot-out in what can only be described as monsoon-type weather. Although they both narrowly failed to win, it is a credit to them for taking part in such dreadful conditions. Also, credit must go to both teams for their efforts to play football on the night, not forgetting all the kids who were ball boys during the game.

## SCHOOL TOUR

At the time of writing these notes, some of our under-15/16 players are off enjoying themselves with the C.B.S. Dungarvan yearly school tour. Hopefully, all of the boys will enjoy the experience and come back home safe and sound.

## SATURDAY ACADEMY

Again last Saturday we had an excellent turnout of over 50 kids at our regular sessions. The afternoon was a good fresh one, although it was brisk, the kids revelled in the skills that were being shown to them. Even at this stage, it is clearly evident that the natural ability is showing through with the kids. Michael Curran, Christopher Daly, Finbarr Sexton, Francis Fraher, Wayne Flynn all coped very well with the 8 to 10 year olds. While Ian Duggan, Brian Scanlon, Martin Davis, Fran Terry put the younger kids through their paces on the other side. All in all it was a good session that ended just in time as the rain started to fall. The coaches who attend these sessions are all doing very well and we hope to see more new faces stepping forward to offer their services. Anyone wishing to help can contact Francis O'Brien at (087) 7769125 or they can turn up on the day. Cost per child £1.

# DUNGARVAN GOLF CLUB NOTES

## Michael Brackett Returns To Top Form

The 18 Holes Open Singles Stableford on Sunday was won by Michael Brackett playing off (12) with 39pts. On a day of high winds and soft underfoot conditions Michael's score was indeed a fine effort. Michael, highly popular Captain in 2000/2001 played very consistent golf with halves of 18 and 21. Michael had 10 pars and signed off in style with a birdie on the 18th. Michael, a tremendously hard working Committee man over the last three years proved to be a very popular winner and I suppose what is seldom is wonderful. In second place playing off 11 we had P.J. Kindregan with 35pts. P.J. a fine striker of the ball had halves of 18 and 17.

Vincent Hayes and Denis Fitzgerald win Open Fourball

The 18 Holes Open Fourball played for on Saturday was won by Vincent Hayes playing off (8) and Denis Fitzgerald Youghal playing off (22) with a tremendous score of 48pts. Vincent, former treasurer of the Club, and Denis, brother of popular Clubman Pat, dovetailed very well to have 22pts on the front nine with 7 pars. They upped their performance hugely on the back nine adding a highly impressive 26pts to their total with Denis contributing three four pointers courtesy of birdies on the 12th, 15th, and 16th and the wily Vincent himself finishing the job in style by signing off with a birdie on the 18th. In second place we had the renowned formidable partnership of Cyril Power (13) and Eamonn Spratt (7) with 47pts. These two fine players had 22pts in the front nine. They also had a great back nine of 25pts shooting one under gross for their nine. Paul O' Riordan off (5) and Paul Breen (9) won the gross prize. They had birdies on the 1st, 5th, 6th, 12th, 13th, 16th and 18th in a tremendous exhibition of golf.

### Gold Coast Golf Club loses one of its great members

Last Thursday evening an air of disbelief fell over Gold Coast Golf Club as the sad news of the sudden death of one of our most popular members, Mick White began to break.

Mick who had excelled in the fields of athletics and G.A.A sports, was surprisingly only a relative newcomer to golf having taken it up at the end of the 1990's.

But this did not deter him from competing at a very competitive level and securing many successes along the way. In the year gone by alone, he was a member of the team that won the South East League and the South East High Handicap tournament, he was a member of the Pierce Purcell team for the last couple of years and won the minor scratch cup during the summer for the second time. Most golfers would have been happy with that but not Mick for this year he went on to claim 2002 Golfer Of The Year title.

It was indeed very fitting that our Captain Billy Power carried this trophy at his funeral as Mick wasn't due to be presented with this accolade until the End of Year Social in December.

The crowds that turned out for his funeral were indeed, a testament to the esteem that Mick was held in our club, it was indeed an honour for Gold Coast Golf Club to be part of the funeral procession to honour such a great family and club man.

On behalf of Gold Coast Golf Club, may we extend our sympathies to his wife Mary, sons John and Tom White and family on their bereavement and sad loss.

May we also extend our sympathies to Tom

Walsh on the death of his sister recently.

### Gold Coast Cup - Singles Matchplay Final

Well done to Ian Pericho on winning the Gold Coast Cup in a thrilling final which saw him beat John White on the 18th hole. Both will be presented with their prizes at the End Of Year Social in December.

Just a note to remind everyone that your G.U.I Cards are available in the kiosk. For anyone interested in "surfing the net", this card allows you to check your handicap and look at your handicap register for the year on your computer. The cards will also be used for playing open competitions away from home where clubs will be able to verify your handicap details from the web. Its very user friendly and straight forward to use.

As an extra feature, we have registered with a website [www.howdidido.co.uk](http://www.howdidido.co.uk) which allows you to check the results of our competitions, the course analysis etc, handicap, fixtures and any club notes we wish to publish. Members are encouraged to have a look at this and let us have your comments.

Please also let us have your email, so we can gather a database and distribute results and notes etc.

### On-Going Course improvements

Members will see 2 new bunkers on the right hand side of the 3rd fairway, 2 new bunkers on the left at the approach to the 10th green and a new greenside bunker on the 12th hole. Please note that all disturbed areas are G.U.R. The areas inside the roped off area at the corner at the third hole is OOB.

Members are also requested not to bring trolleys inside yellow stakes at greens.

Winter rules are came in last Saturday with dropping on fairways and play as you lie in roughs.

# West Waterford Men Win 14 Medals At Countys

The county men's and ladies senior and masters 60th Waterford cross country championships were held at St. Augustine's college last Sunday week in bad weather conditions. The championships again this year were held in conjunction with the West Waterford promoted Century homes 5. West Waterford's athletes both men and ladies had a very successful day at these championships with the men taking home 14 medals in total. We were second and third in the senior men's team event, with Waterford AC taking the first spot for the second year in succession. West Waterford's silver winning team were Garry Nugent, Paul Stephenson, Joe Gough and Mark Vespa. The bronze medal winning team consisted of Gerry Cantwell, Michael Dwyer, Conor Murray and Johnny O'Connor.

Our masters men brought home a total of six medals with Joe Gough winning gold in the over 45 and Tony Shalloe took the silver medal, Anthony Dwyer won bronze in this category. Paul Keating is running well again and he won gold in the over 50 category, Gerry Cantwell was second in the over 40 with Michael Wade third.

## CLEAN SWEEP FOR WEST WATERFORD LADIES

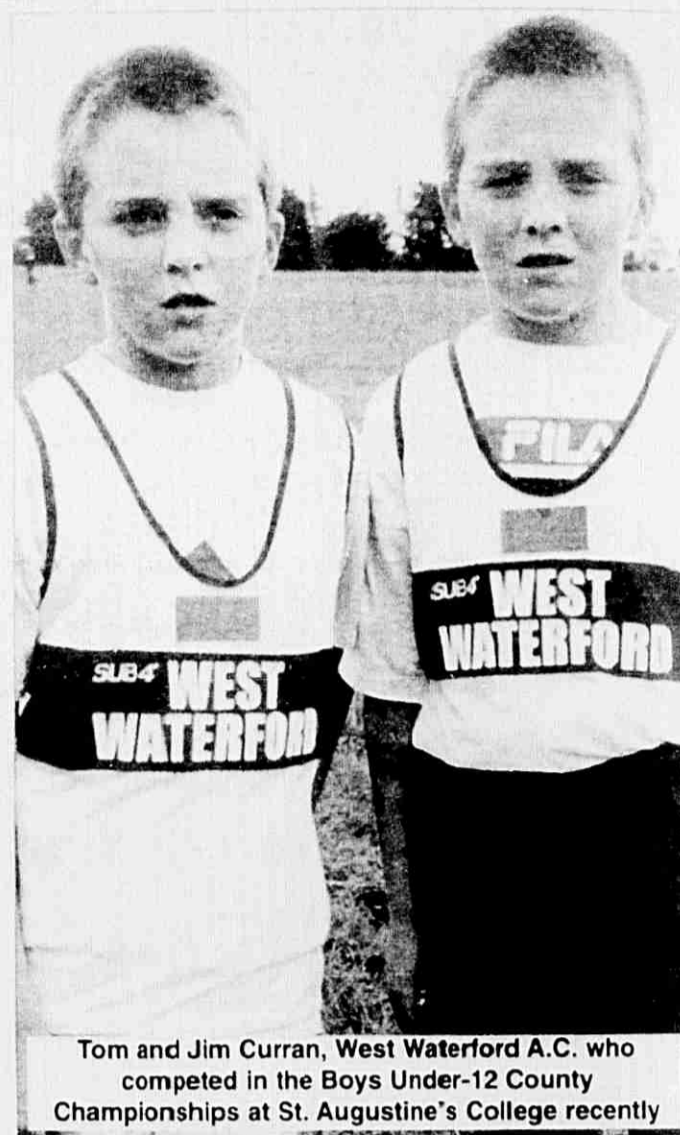

Our ladies had it all their own way at the championships this year winning all categories, star of the show in cross country terms this season is Dianne Behan who this past four weeks has won the county novice, intermediate and now the senior ladies title to emanate the feat of Joanne Jackman last year, Diane is only back running a short while. After a promising start in athletics at juvenile level she didn't participate in the sport for a number of years but is now back running with some months and is quickly returning to full fitness and is running superbly well, we at West Waterford AC are delighted to have her as part of our club. Second place and in the silver medal position was last years winner Joanne Jackman and third the bronze position was another West Waterford athlete Corinna Walsh with these three ladies and the other team members we have the bases for a very good ladies club so keep up the good work girls. The winning ladies team consisted of the three ladies mentioned above and second team were also West Waterford AC the scoring members were Ann Marie Jordan Tracey Shalloe and Terri Gough and only ladies vets prize was won by Terri Gough in the over 50 category.

## LATE MICK WHITE

# Regretted Death Of Dunhill Athletic Personality

All his friends in the athletic scene in Waterford were saddened to hear of the sudden death of the very popular Mick White in his native and beloved Dunhill last Thursday. Mick was one of the pioneers of athletics in Waterford from the late 1940's to the early 1960's and he won individual and team senior County cross country championship medals in those years. He represented his club at county board level and his dedication to the sport and to his native Dunhill was always foremost in his involvement in athletics.

Mick was a guest of our club at the Waterford Senior Cross Country championship last year as he had won the event forty years previously. He was the race starter and in form true to the man he helped put down the course flags prior the the race. The club presented Mick with a shield listing all Dunhill winners of the Waterford championship.

In GAA circles it is reputed that the Dunhill man as the only player to win Waterford Junior, Intermediate and Senior hurling and football championship medals. West Waterford AC extends its sincere sympathy to the White family on their very sad loss. The club were represented at the funeral ceremonies last weekend. A true gentleman, Mick White will always be mentioned when the story of athletics in Waterford recalled. May he rest in peace.

# FRIENDS OF WEST WATERFORD AC CUP

The friends of West Waterford member of the year cup is heading into its final phase with just two months to go, at present it looks like Siobhan O'Mahoney is the lady in the driving seat. Siobhan who put in a huge effort this year looks a likely winner at this stage but there are a few members who could pull back the deficit and are within striking distance, but the safe money would have to be on the Abbeyside woman at this stage. The following table is up to and including 21-10-02.

## PASSING OF CLUB PRESIDENT

It is with sadness and deep regret this week that we record the passing of our honorary club President Mr Ned O' Brien, Mapstown. Ned who was the first president of our club who was very well known in athletics circles all over the country and beyond, his expertise was called upon at track meets the length and breath of the country and he was up until a short time ago still judging competitions, whether it was County, Munster or all-Ireland competition.

He judged and officiated at all levels of the sport, his expertise was in the very technical throwing events hammer, discus etc. there was no better than Ned to officiate or to give his expert advice when called upon. A couple of years ago he was honoured by the schools athletic association when he received that organisations highest award the Tailteann ideal merit award for his contribution to school athletics.

This award he was most proud of and it was fitting for his contribution to schools athletics which was immense. Ned and his wife Mary and family have always travelled together and they sometimes left their home in Dungarvan at some unearthly hour to travel up to Belfield or some such place where they would be first to arrive, they would then proceed to set up stall get out the tea and by the time the last person would have arrived the O'Brien's would have made sure all would start the days proceeding's with a nice hot cuppa, before commencement of any competition.

One person recalled one day travelling to a sports and discovering they had forgot

their flask when someone in the back of the car remarked sure not to worry the O'Brien's will be there when we arrive, so we will not go hungry. This typified the nature of the family, in his younger days Ned was a good footballer and won a county senior medal with Dungarvan, but without doubt some of his proudest moments were when his three children competed. As a father, coach and mentor to Frank, Michael and Ailish he took great pride in what they achieved and he helped in no small way to bring all three to the top of their chosen sports where they represented their county, province and country winning medals in all these grades and set throw records which to this day still stand.

He followed our club with great interest and it was only a few months ago that his son Frank represented West Waterford AC in Tullamore at the finals of the premier division of the All Ireland Mazda leagues where the club achieved its highest finishing position ever, 4th place, this, Ned must have been well proud of. As a mark of respect the club members formed a guard of honour at the removal of his remains last Wednesday evening from the Kiely funeral home to St. Mary's parish church.

All at West Waterford extend their deepest sympathy to Ned's wife Mary sons Frank, Michael and daughter Ailish and to all his extended family. The throwing circles of Ireland will never be the same without the figure of Ned O' Brien whose memory will be cherished by those whom he met in life. May he rest in peace.

West Waterford Under-16 girls team, county champions 2002.

## Start Of Winter Road Running League

Tonight's the night we have all been waiting for, the first night of the Allrounder sports winter league. Remember tonight will be a registration night and after that we will have a get to know the course jog, which is especially geared towards new corners to the league.

The following Wednesday the league proper will start. Remember no bib no run.

But every one is more than welcome to come along and join the fun, and at the same time get fitter and healthier this winter.

## BABY BOY

Congratulations to club member Darren Mason and his wife Bernie on the birth of a baby boy recently, health and happiness to all.

## FULL OF BRAINS

Some may wonder how it is that runners are also very brainy people, well I have found the answer. A recent Japanese study appears to have produced the strongest support yet for the theory that running is as good for your mind as it is for your body. In the study, scientist Kisou Kubota put seven healthy people on a running programme that had them exercise for thirty minutes three times a week, over a period of twelve weeks, before and after the twelve weeks, his subjects took a variety of intelligence tests.

The runner's scores on the tests improved significantly after the twelve weeks training period, what's more, when the subjects stopped running, and their intelligence scores plummeted. In other words to remain smart you have to keep running.

## Elbony Socrates Caused A Mild Upset

There was a first prize of Euro 1,200 and trophy on offer for the winner of the Gain Unraced stake the feature event on this ten race card. While he was still suffering from a bout of the canine cough Late Late Show's half brother Tirlough Arnie was installed as the evens favourite to capture the novice final. On leaving trap three however the favourite was denied racing room thus ending his chance of winning this event. The early pace of Have A Session saw this fellow build a useful early lead but as this final wore on Elbony Socrates (Spiral Nikita-Elbony Violet) 5/1 began to close on the leader together with Cu Cara Kate. With the leader tiring in the closing stages the Holly Dore owned Elbony Socrates finished with a rattle up the home stretch to outstay Have A Session by a length on a career best 29.07.

Also down for decision were the three first round heats of the Simply Supreme confined 29.90 stake kindly sponsored by Charlie Nolan, Carlow. The first four home in each heat qualified for the semi final stages of this competition.

Heat 1.

Favourite backers made a bright start to this event rowing in with the Louise Hogan owned Louises Smile (Spiral Nikita-Mops Spark) and this 1/2 shot duly came up trumps for all concerned in 29.27. On his debut a green running Louises Smile was knocked about when seeking the rails but benefiting from that experience Louises Smile tucked in behind the early leader Shocking Dream. Switching his challenge inside Louises Smile eased his way into the lead midway on the back stretch to make the best of his way home for a three lengths victory over Shocking Dream.

Heat 2. The early paced Moving Sweetly skipped clear of the pack early on and this 6/4 favourite appeared well on course to record her first victory. The Cokers Syndicate owned and E Murphy trained Jo Nell (Mr Pickwick-Oldcastle Lady) 4/1 had other ideas however and making eye catching late headway Jo Nell came through close home to short head Moving Sweetly in 29.30.

Heat 3. The Gary Phillips owned Savana Razor (Rio Ricardo-Starrie Plough) 6/4 provided trainer Dave Maltby Baker who is recovering from back surgery with a welcome tonic taking this qualifier in 29.70. Despite a far from fluent start Savana Razor cut through the pack to take the lead from Jos Daughter at the entrance to the back straight. Once in front Savana Razor was not going to be denied as he cruised to a three lengths success over Southlodge Bee.

The opening graded contest is easily described as the Bernard Fox owned and bred Full Of Patches (Powerful Flash-Sarabs Troll) 5/2 made the best possible start to race into a clear lead over Toumpane Cola and Rosegarland Toss. After a slow start from trap two Truleigh Sirius was noted making some sound late headway and while he did well to fill the runner up spot Truleigh Sirius was still four and a half lengths in arrears of Full Of Patches at the winning line. Time 29.50.

Market drifter Airmount Trudy (Smooth Rumble-Airmount Swallow) made it two victories from as many outings capturing the second race at odds of 5/2 in 29.46. Quickly into her stride to lead from Lissadell Jenny the Gerry Kiely owned Airmount Trudy was never in any danger of defeat breezing in a distance clear of Dan Tadhgs Gate.

Fiddown owner Betty Loftus owner sent out the very easy sprint winner as her Vigilant Rue a Sept 2000 son of Arrigle Phantom and Stormaway Jane won as he liked in 16.57. With the winner taking some time to move into top gear a fast starting Ayr Rose stayed very wide on the bends as Vigilant Rue coasted into the lead to motor on for a deserved five and a half lengths win.

5/2 chance Ballarue Jenny (Mustang Jack-Wexford Minx) showed no ill effects from a four months lay off by making all the

running in the fourth contest to shed her maiden tag in a smart 29.26. Tai Chi Melody was sent off the 5/4 favourite but this lady only ever had a rear view of the fast starting Ballarue Jenny who maintained a strong gallop up front to win out by two lengths. The final two races of the night went for "export" to the neighbouring Model County.

In the night contest Shaunus Prince and Tyford Lass dominated from the outset with the Joseph Redmond owned Shaunus Prince (Prince Of Tinrah-Peters Dog) 2/1 holding the renewed challenge of the early leader Tyford Lass by a head in 29.28 a career best run by the winner.

Half a tail proved no handicap to the Michael Gordon owned No Tail Told (Roanoke-Youre The One) this 7/4 favourite making all of the running to capture a 730 yard marathon in 41.11. The winner beat off the early challenge of a wide running The Other Member and still had plenty in reserve in the closing stages as Saltee Fleur hauled herself into contention only to taste defeat by two and a quarter lengths.

## Three Nights Racing

Next week will see three nights racing at Waterford track on Wednesday, Saturday and Sunday. Racing on Wednesday and Saturday will get underway at 7.50 pm while racing on Sunday night is at the earlier time of 7.30pm.

Saturday October 26th 2002

## Rummy Lad Romped To Victory

The final of the Westside Business Park 2002 Waterford Masters Trial Stake carried a winners prize last Saturday night of Euro 600 not more importantly it also entitled the winner to run in next Sunday nights Masters event worth a cool Euro 20,000 to the eventual winner. The Trial Stake final appeared to rest between Rummy Lad and Saratoga Honcho and they duly filled the first two places home. The Sheila Dowling owned and Dolores Ruth trained Rummy Lad (Come On Ranger-Redwood Sara) the 4/5 favourite made maximum use of his rails draw and early pace to edge into a narrow lead over Saratoga Honcho and while the latter gave of his best the strong running Rummy Lad drew clear over the final two bends to triumph by four and a half lengths in a fast 28.85 on a track that must have been .40 slow given the torrential downpours and driving wind during the evening.

The card also featured three first round heats of the Winthrop Engineering Stake. In Heat one the Jim Tracey owned and Gerry Kiely trained Crokers King (Lassa Java-Knockmoylan Rose) landed some tasty wagers having been backed in from 3/1 to a starting price of 6/4. Packing plenty of early pace Crokers King cornered in front of Ironmerchant and while the latter pushed Crokers King all the way "Crokers" held firm to triumph by a length in 29.85.

Heat two saw the Dave Partington owned and Ian Seymour trained Sadlers Best (Rio Riccardo-James Cue) 5/2 post a runaway 29.60 victory. While her remaining three rivals were sorting themselves out Sadlers Best was gone clear from trap four for an eye catching seven lengths win over a slow starting and wide running Lethal Legend.

Owner trainer Ian Seymour was also on the mark in heat three this time with his own runner Longest Day 2/1 this June 2000 black and white daughter of Vintage Prince and Free Dreams powering clear from trap six to open up a handy lead over the chasing pack and despite coming wide into the home stretch Longest Day posted a comfortable nine lengths win over Top Breeze in 29.60.

In the first of ten races Extrovert Lad was sent off the red hot 4/7 favourite but it was the Richard Walsh owned Diamond Moss (Trade Official-Diamond Cook) 5/2 who took control of matters early on to win out in 30.07. Shading the first bend from Extrovert Lad Diamond Moss made the long break for home crossing the winning line with two and a quarter lengths to spare over a running

on Dawlish Rocket.

The ageless Ballybrazil Jet (Lassa Java-Tycoon Lady) returned to winning ways in the second contest for owners Ann and Milo Lavery. Unfancied at odds of 4/1 the Nicky Grace trained Ballybrazil Jet did well to make the first bend from an unfavourable trap five starting position but make he did to lead from Hampton Spring Flip A Dime together with the favourite Scallywag Suzie made some stealthy late headway but Ballybrazil Jet dug deep on the run home to beat Flip A Dime by a head in 30.14.

Coming in from the reserves the Irene Clifford owned and Killian Power trained Autumn Smashed (Top Honcho-Fly Smasher) 2/1 came from off the pace to capture the third contest in 29.64. Gimli led early on from Honeycomb Oak but bringing her stamina into play in the closing stages Autumn Smashed made eye catching late headway to outstay a wide running Gimli by two lengths.

Young Danny Gallagher from Mullinahone was present to see his dog Dawlish Phil (Frisby Full-Bonmahon Deb) 3/1 come from off the pace to capture the fourth contest over the 550 yard trip in 31.28. Forest Jasper showed in front early on but he soon gave way to Cooland Lass. In a driving finish however Dawlish Phil produced a nice turn of finishing pace to defeat Cooland Lass by a head.

In a competitive looking fifth event Sparta Tom was sent off the 6/4 favourite but he met his match in the Dick Dunphy owned and Perry Aylward trained Dunkitt (Prince Of Tinrah-Ballybrazil) this 3/1 shot sticking like glue to Sparta Tom and while it was all to play for in the closing stages Dunkitt pulled out all the stops to score by three quarters of a length in 29.43.

In the final race of the night over 550 yards Carrow Rumble and Cooly Merson shared favouritism at 7/4 but in the first forty yards the joint favourites collided with each other ending any chance of victory. The Marie Corcoran owned and Phil Gough trained Tinrah Jack (Mustang Jack-Brookside Minnie) 5/1 quickly took control of the race and sprinting clear down the back stretch Tinrah Jack basically won unchallenged by four and a half lengths from Interloper in 31.19.

# HORSE RACING NEWS

BY MARK PHILLIPS

## FRANKIE RETURNS TO ITALY

Frankie Dettori returned to the country of his birth last week but it was not the most rewarding of trips. He was at San Siro in Milan to ride in a number of Group races but all he ended up with at the end of the day was a three day suspension. Frankie was involved in an incident early on in the juvenile race with three horses coming to grief and two jockeys ending up in hospital. While he wasn't entirely to blame the local stewards decided that he contributed to the accident.

## THE QUEEN FOR DUBAI

Recent Naas winner Queens Colours has probably run her last as trainer John Oxx indicated that her owner Sheikh Mohammed intends to send his Rainbow Quest filly to stud in Dubai.

## WILLIE TRAVELS NORTH

Two of the leading National Hunt stars in the Willie Mullins yard namely Florida Pearl and Davenport Millennium are on course to run at the big jumping festival in Down Royal in early November.

## AIDAN IN THE HIGH COURT

Trainer Aidan O'Brien was granted permission by the High Court to challenge South Tipperary County Council's decision to grant planning permission for an incinerator near his famous Ballydoyle Stables.

## APPEALS DISMISSED

Jockey Johnny Murtagh had his appeal dismissed against the recent two day suspension but taking his good record into account the Stewards of the Turf Club shortened the suspension to just one day.

Trainer John Oxx had his appeal dismissed against the decision of the Listowel stewards not to award the Patsy Byrne sponsored flat race to his Millstreet. Personally I am of the opinion that Millstreet's rider Johnny Murtagh got the tactics all wrong on the day in a three horse race.

## DERMOT'S BAN

The ten year ban on former Irish born jockey / trainer Dermot Browne imposed

by the British racing authorities came to an end last Sunday but given Browne's recent comments on the Panorama programme the ban maybe extended. Dermot Browne will find out for sure next month when he appears before the British Jockey Club on November 21st next.

## THIS WEEK'S IRISH FIXTURES

Friday — Clonmel 1.15  
Saturday — Panchestown, 1.15  
Sunday — Navan 1.15

## CLONMEL ON FRIDAY

Clonmel stage a mixed card on Friday afternoon next where the feature event of the afternoon is the Jimmy Hayes Bookmaker EBF Captain Christy Beginners Chase of Euro 15,000 over two and a half miles. After the recent rains the going will ride on the soft side of yielding.

## MEDIA PUZZLE SCORES DOWN

Trainer Dermot Weld received a nice pre Melbourne Cup boost when his Media Puzzle smashed the 12 furlong record at Geelong last week. As a result of this victory Media Puzzle has gone up seven pounds for the Melbourne Cup on November 6th.

## LE SAUVIGNON

Keep an eye out for a horse during the winter called Le Sauvignon. He will campaign out of the Paul Nichols yard and as his name suggests he is French owned. This eight year old was a prolific winner over Hurdles in France and is sure to run well in some of the bigger races over flights in the UK.

## TIMMY MURPHY RELEASED

Jockey Timmy Murphy who served three of the six months jail sentence after his antics aboard a flight from Japan to England earlier this year was released from prison last week and intends to apply to the British Racing Authorities for his license to ride this winter.

## IRISH POINT TO POINT FIXTURES

Sunday November 3rd. West Waterford Foxhounds, Boulta, Co Waterford.

## NATIONAL HUNT RIDERS CHAMPIONSHIP

Cashman bookmakers bet as follows on the Irish National Hunt jockeys Championship.

4/6 Paul Carberry  
7/4 Ruby Walsh  
6/1 Barry Geraghty

## MIXED LUCK FOR AIDAN O'BRIEN

County Tipperary trainer Aidan O'Brien will look back on last week-end's racing with mixed feelings. In the afternoon at Doncaster he saddled two impressive winners in the shape of Miguel Cervantes and Brian Boru in the featured Racing Post trophy. He himself was in Chicago for the Breeders Cup meeting where he had high hopes of at least three victories. His luck was out though in the \$3 Million Breeders Cup as his Landseer stumbled badly in the home stretch and this incident impeded Rock Of Gibraltar who was making his bid for glory from the rear of the field. Despite trouble in running Rock Of Gibraltar did well to fill the runner up spot behind the French trained winner Domedriver.

Unfortunately Landseer was not so lucky as he was put down after this race.

There was better luck for the Balydoyle outfit later on in the evening as High Chaparral came good to win his race but Hawk Wing proved a major disappointment in his race.

## JOHN'S WINNER

Waterford based horse race owner John Brennan had an unexpected winner in a Leopardstown Two Year old maiden last Saturday when the Willie Mullins trained Silk Screen 16/1 opening his account under a late drive from Davy Condon who is surely the apprentice find of the season.

## JOHN MULHERN TO APPEAL

Trainer John Mulhern is to appeal the Euro 5,000 fine recently imposed by the Turf Club for not allowing his yard to be inspected by one of the Turf Club's veterinary officers.

# DUNGARVAN RUGBY CLUB NOTES

## DUNGARVAN 17 KILLARNEY 8

Dungarvan came out on top after a tough battle with Killarney at Ballyrandle. Playing in windy conditions, Dungarvan opted to play with the wind in the first half. We expected Killarney to be one of the weaker teams in the Division, after they were comprehensively beaten last week by Newcastle West, but they came up here with all guns blazing. They had a very strong pack and put our front eight under tremendous pressure for the first twenty minutes. James Hodgkins came off injured after twenty minutes and in came Eddie Lonergan, Dungarvan most improved player of the year, making a good run and setting up a ball, it was lashed wide. A great run by Seamus Cunningham was well finished by Ian Walsh in the corner. However, things looked good Dungarvan as Killarney pushed over for a try with ten minutes to go in the first half. With the teams level, Killarney went ahead when they were awarded a penalty, which they duly converted. Dungarvan were awarded a penalty five yards from the Killarney line which was well take by the pack with Paddy Walsh getting the ball to ground for a badly needed score. Bonzi added the two points from the conversion. Dungarvan going in at half time leading 12-3, but facing an uphill struggle against a strong wind in the second half.

Dungarvan played courageously in the second half and sustained enormous pressure from the Killarney pack, but kept them out. With ten minutes to go, Dungarvan sealed victory after Bonzi broke from his own 22, making eighty yards before he was stopped. The ball was again glashed wide through the Cunninghams to Dermot Fahy in the corner.

This was a very entertaining game enjoyed by a good crowd who gave great support to the team. Dungarvan had 28 players toggled off and our strength on the bench proved decisive in the later stages of the game. Struggling in the scrums at first, Dungarvan pack finally got the better of Killarney and were able to get set up our talented backs for three very good tries. Dungarvan won all their own line out balls and 50% of their oppositions. Some great tackling by Jackson Kiely, Eddie Connors, Bonzi and Ian Walsh kept us in it at crucial times. On the downside, a lot of good ball was wasted after being set up well by the pack. We did not use the wind in the first half but we are improving with every game. It was great to kick off our first home game with a win, so well done lads. Next week its Galbally away in the league.

## UNDER 16'S

The Under 16 squad played Waterpark on Sunday morning. Unfortunately, Dungarvan were down to 14 men after 5 minutes with hooker Eddie Moore having to go off injured. A very well drilled Waterpark squad pushed home this advantage and ran in a couple of tries. Stephen McGrath put Dungarvan on the score sheet with a well taken penalty. Dungarvan battled but had to give best to an experienced Waterpark 15. Next Sunday its Dungarvan v Clonmel at 11.00am. The team lined out as follows: Shane O'Neill, Shane Tobin, David McGrath, David Hickey, Seamus O'Donnell, Stephen Moroney, Alan Deegan, Kieran Morrissey, Odhran Molloy, Eddie Moore, Tony O'Donoghue, Maurice Dunford, Michael Brennock, Richard Lenane and Stephen McGrath. Training next Saturday 10.30am to 12.30am.

# Waterford And District Annual Coursing Meeting

## Sunday and Monday October 27th and 28th NEW INN WAS A STAR

Despite the inclement weather over the holiday weekend Waterford and District Coursing Club weathered the storm to complete their 79th Annual Meeting at Clonegam just outside the village of Portlaw. The going was certainly on the testing side but the competing greyhounds and hares appeared to cope well with the heavy underfoot conditions.

Despite the storms of Saturday night the weather on the first day stayed reasonably fine but windy with only the odd shower falling during the three hour session. From the outset the Michael Henneby Memorial Oaks Trial Stake for the Bryan Cunningham Cup looked a competitive event although the betting market spoke in favour of Coolree Rasset who was backed in from 6/1 to 6/4 before coursing with Bookmaker Michael Meade. The vast majority of the fancied runners on day one made it through to the second day.

The weather was on its best behaviour for Monday. It remained dry and the wind dissipated from the opening day. A

number of the more fancied runners failed to take their place on day two with the gambled on Coolree Rasset a notable absentee from the top half of the Oaks Trial Stake together with Hanky Hunter. Rio Terrano was withdrawn from the Reserve Derby Trial Stake.

Davenport received a bye in the first semi final of the Oaks Trial Stake and she enjoyed a handy straight run up to the top of the field. Subtle Dinger and New Inn Star progressed to meet in the second semi final. The strong running New Inn Star took control early on and was not extended to take the opening turn by three lengths.

In the final itself the Sean O'Donnell trained and No Comment Syndicate owned New Inn Star a powerfully built fawn daughter of Johns Gang and Mustang USA was a raging hot favourite to defeat the Dick Dunphy owned Davenport (Droopys Ruben-Rio Snowy) and while the first hare went upfield uncoursed New Inn Star left slips like a scalded cat and Davenport was always struggling thereafter to make up the lost ground. At the turn New Inn Star was four lengths to the good. The finalists were then

made to work for two more turns before the course concluded.

Any luck that was going over the weekend certainly went in favour of From Now On in the Reserve Derby Trial Stake. Liam Corcoran and Eddie Quilty's charge battled on well in his semi final buckle to get the better of a gallant Live At Dawn who went down by half a length. This semi final went all the way down to the wire in a straight run up. In the second semi final a fast starting Aghadoe Court was always in pole position ahead of a slow starting Get It Together and while the loser gave of his best Aghadoe Court stayed on strongly up the hill to triumph by a length.

In the final itself the Tony Harney owned and Billy and Marie Roche handled Aghadoe Court (Tullamore-Just Surprised) was the punters choice and having been slipped on a second hare all appeared well as Aghadoe Court forged into a three lengths lead. Disaster struck though on meeting the rising ground as Aghadoe Court slowed right up in obvious distress having picked up a possible wrist injury. This paved the way for the Moon-

coin black From Now On to strike the front and thus he did taking the all important opening points by two lengths. The winning Corcoran kennels are really flying at the moment as they were also on the mark with Jumbos Larch who won the Walter Cahill Memorial Cup at the recent Crohane and Killenaule fixture.

Having won an Oaks Trial Stake at Ardpatrick last year and then showing plenty of early pace up Powerstown before being eliminated in unfortunate circumstances the County Limerick entry Cullane Wendy was always going to have a say in the destination of honours in the Larry Molloy Memorial Bitch Stake. In the top half of the draw Abbeycourt Bans displayed plenty of coursing pace to eliminate Christines Folly in the first semi final. There was very little in it in the first fifty yards but as the course wore on Abbeycourt Bans gained the upper hand. She had two lengths to spare where it mattered.

but a tricky hare gave the semi finalists plenty to think about after the first turn before seeking the safety of the escape having participated in a sound working trial.

The second semi final was a thrilling affair with Cullane Wendy and Tequila Rose providing the crowd with some exciting coursing. It was nip and tuck on the level but on meeting the rising ground Cullane Wendy eased her way into a narrow lead which extended to a length at the top of the field.

The final itself was extremely close throughout. Owned by M/s Keating and Sheehan Cullane Wendy (Snipefield Glory-Cullane Nancy) motored into a narrow lead and while Jim Kiely's Abbeycourt Bans (Hilltown-Drumroe Brass) stayed on stoutly throughout to push Cullane Wendy all the way the latter enjoyed a just up decision where it mattered.

The track bred dogs were out in force for the Whistlers Inn and Glenstown Kennels Working Members Stake. The final was contested by Brian O'Regan's Bad Girl (Mr Pickwick-Perrys Blue) and Pete Fitzgerald's Catsrock Regatta (Droopys Merson-Catsrock Breeze). We were forced to wait for the third hare before this final was run off. Catsrock Regatta sailed into a narrow early lead which she held all the way up to top of the field to score by half a length from a

determined loser.

Former top class Premiership soccer player Vinnie Jones nowadays makes a name for himself in films was represented by Smoking Kennels in the Reserve Derby Trial Stake but unless this dog improves dramatically during the season he will not represent Vinnie at Clonmel come February.

**TOURANEENA NOTES**

**FASHION SHOW**

The fashion show held in Touraneena Community Centre last Friday night was a resounding success. All the models both male and female, did a tremendous job and performed like true professionals. We would sincerely like to thank all the models especially the three priests who modelled: Fr. Kelliher P.P., Touraneena, Fr. Condon, Newcastle and Fr. Meade, Cahir. All the models gave up their free time and put in a lot of effort in order to promote the fashion show, which was for a worthy cause. The models were assisted on stage by MC. Micháel O' Faoláin and compere, Ann Marie Norris. As per norm, both were outstanding and helped to make the night a great success.

We would also like to thank the following who contributed to the success of the night: Declan Fitzpatrick who donated the cheese, all the people who sent in donations in the form of money or wine, etc, David Lonergan, Patrick Power and Seamus Skehan who collected the money at the door, Micháel, Mossie and John who con-

structed the ramp for the models, all ticket sellers, Dirk Baumann who supplied the lights and music, Anna Thompson who was the photographer for the night, Rose, Alice, Betty, Teresa, Kitty and Toni for all their hard work both prior and on the night, Alice Marian Phelan, Portlaw for all her work and to all the people who helped the models backstage and Mossie for facilitating in the car park. Last but not least, we would like to thank the stores who provided the clothes for the models. These stores put in a lot of hard work and without whom we could not have had such a fantastic night. All the fabulous clothes that were displayed are available at the following stores: Mary Lee Fashions, Dungarvan, Yahoo, Dungarvan, Tony Connolly Menswear, Clonmel and Silver Lining, Clonmel. Once again, thanks to all who contributed.

There will be a fundraising night in Dunne's Bar, Touraneena on Wednesday 6th November in aid of the Senior Citizens Christmas Party. Music and sing song. Please support this worthy cause.

**Congratulations**

Congratulations to Annette Raheer, daughter of Anthony and Charlotte Raheer who graduated in the Mary Immaculate College in Limerick last Friday. Annette is studying primary teaching. Best of luck to her.

**A Tribute To Mick White**

On Thursday evening there was trouble in heaven when God and Jesus were having a discussion about different things, one of them being that they needed a new team leader to keep all the other souls on the right track, they needed someone with a kind heart, a friendly face, should be able to advise, a team leader in all areas and it was decided there was only one person that would fit the description, he was a man of great faith, he was a team leader, always willing to help where needed, he was a first class sportsman as well as being a good husband, father and grandfather and a great advisor. They were speaking of Mick White, Ardnahoe, Dunhill. He was one who had all these qualities, so two hours before Mick was taken to heaven God sent his clouds like never before to wash the road to heaven for Mick and at approximately at 6.00pm on Thursday evening he called his faithful servant. Now Mick has gone to God and is in one of the highest places in heaven. We know in ladies football and camogie that we have lost a great and new supporter, but God knows best. May God and his angels have mercy on his soul. St. Anne's would like to send their deepest sympathies to Mary White and family at this sad time.

## DECKIE'S DARTS NOTES

Last Wednesday night we played Lindsey's in the League Cup semi final in Morrisey's. We went down 5-3 to a very good Lindsey's team. First up was Ann McCarthy against a very good Jerry Scanlon and lost 2-0. Next up was Tom O' Brien, Tom played very good darts winning 2-1 against another very good player in Paddy Corcoran. Our third player up was Thomas Corcoran against Pakie Flynn. This was a very good game with Thomas winning 2-1. Our first double was Tom O' Brien and Thomas Corcoran they lost 2-1 to a good double in Paddy Corcoran and Jerry Scanlon. So our next single up was Owen O' Neil v Billy Casey. Owen struggled through this game but still won 2-1. Our next player up was Deckie Walsh, himself against another good player in Owen Corcoran. This was another great game with Deckie going down 2-1. Our next player was Liam Dalton v the great James Scanlon. Liam put up a great fight before going down 2-0, so it was up to our last double in Owen O' Neill and Liam Cahill v James Scanlon and Owen Corcoran to keep the game alive but were beat-

en 2-0 by another very good double. We would like to wish Lindsey's the best of luck in the final. We had a very enjoyable night and a great craic with the lads from Lindsey's. We would like to thank Morrisey's for holding the game and for the food. Very much appreciated. A special word of thanks to Mike Coffey for marking all the games, a dedicated clubman. Well done Mike. Our subs on the night were Shelly Walsh, Mike O' Neill and Shane Reddy.
