## Elderly Woman Victim Of €1,000 Scam

KEVIN  
KIRRAANE

An elderly woman, living in an isolated area near Lismore, lost over 1,000 euros in a scam carried out by men posing as Waterford County Council employees.

The two men, who were driving a dark coloured Passat, called to her home in Cooladalane, three miles outside Lismore, saying they had been working for the council in the area and were at a loose end. They offered to tarmac part of the woman's driveway inside the gate, and clean up around her garden.

The men told her it would cost 300 euros to do this, and that they must be paid up front in cash, which the elderly woman then did.

However, when they came back the following day, they said it was too wet to carry

out this work. Instead, they entered the house, and offered to paint a bedroom with "high quality" paint and to seal up any cracks.

Again, they asked that the 750 euros be paid in cash up front, and subsequently painted the room.

A Garda spokesperson, who visited the house, said as soon as he entered it "you could smell it was cheap paint."

The spokesperson said one of the men was in his mid-thirties and had tightly cut red hair. A similar incident in Newcastle in the days before is also being looked at as a possibly related incident, with two men with a similar car operating with the same modus operandi.

## New 30-Acre Business Park Close To Completion

KEVIN KIRRAANE

A substantial new business park close to the Youghal Road in Dungarvan is nearing completion in a develop-

ment hailed as a "tremendous addition" to the town.

The thirty-acre site close to the GlaxoSmithkline premises was acquired by Waterford County Council on behalf of the IDA some time ago, and is now hoped to aid the town's efforts in attracting new investors.

Infrastructural works and site development are being carried out on the site, including water and sewerage connections and the extension of broadband internet access to the site. Intensive landscaping of the new site, improvement to the entrance of the existing Industrial Estate and the construction of a new road are also to be completed. These works are due to be completed in late April

or May.

Deputy Ollie Wilkinson welcomed the new Business Park for the town and praised the involvement of County Manager, Donal Connolly.

"I would like to thank the County Manager for his involvement in this, and for his foresight in acquiring the site. I think this is a continuation of the great work he has carried out ever since he was appointed to his post", Deputy Wilkinson said.

The business park, which in addition to the existing industrial estate will be one of the largest in the county area, will have the added benefit of being included in the €65 million nationwide investment in fibre optic infrastructure.

"This site will be a tremendous addition to the town, and will enable Dungarvan to look to the future with renewed confidence," Deputy Wilkinson added.

Tánaiste and Minister for Trade, Enterprise and Employment, Mary Harney, also welcomed the development in the Dail recently.

In reply to a question on the IDA efforts in attracting industry to Dungarvan, Ms. Harney said, in the changing climate for inward investment, providing the right property solution, is "a critical ingredient in successfully attracting overseas industry."

Ms. Harney said she was also confident that the measures being adopted by IDA

# How Did Dinosaurs Move?

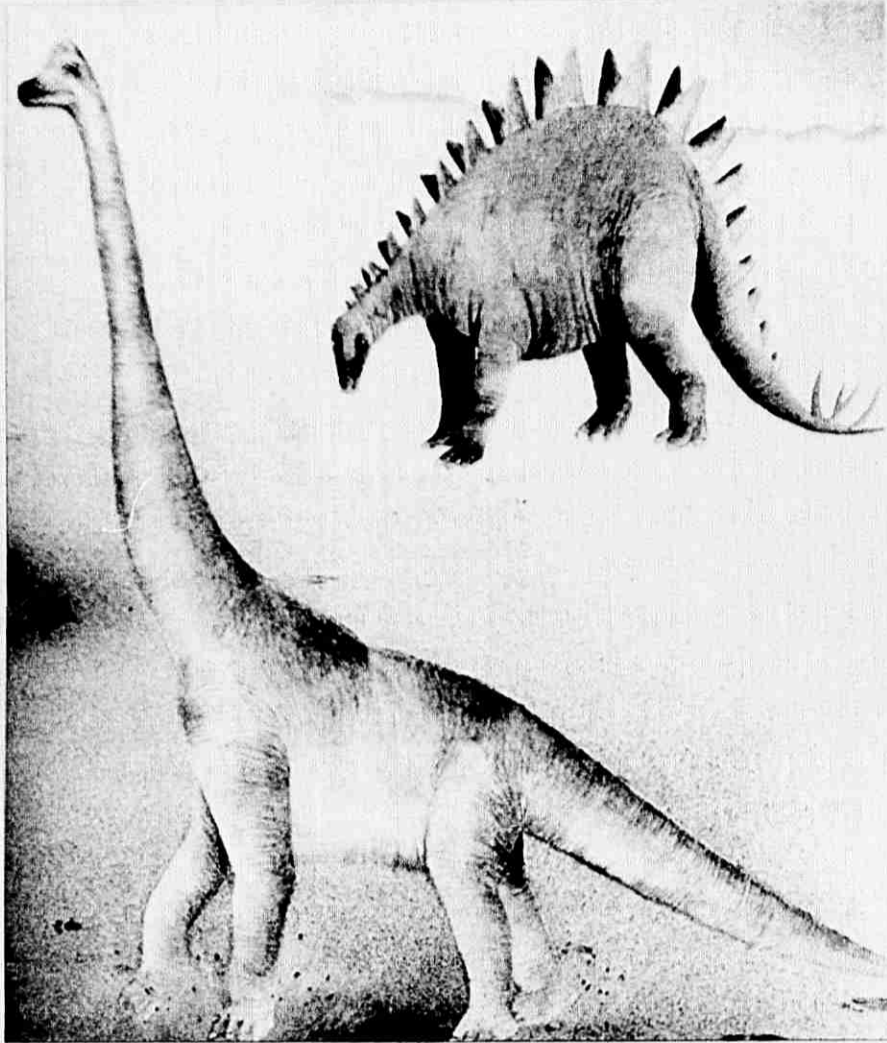

**S**low or fast, on two or four legs . . . dinosaurs walked and moved in many different ways which scientists are able to establish by examining the prints of fossils and bones of the limbs. The long tibia (shinbone) and the muscular thigh of the Velociraptor, or the long tapering legs of the Gallimimus, for example, indicate a two-legged movement. They were able to run when needed, and, like the powerful Tyrannosaurus Rex and Allosaurus, with their long and strong hind legs, they could run short distances very fast indeed. An enormous sauropod or ceratops like the Triceratops, moved very slowly, on four heavy legs and huge feet, which gave solid support for its massive, heavy body.

## How did Dinosaurs use their tails?

The long tails of many dinosaurs were very useful to them, to keep their balance as they ran, or if they needed to stand on their hind legs. It seems that the muscular tail of the Iguanodon supported the body, like the tail of a kangaroo. The deinonychus, that fast and fearsome hunter, could keep its tail outstretched behind, using it as a rudder to keep its direction in a zig-zag run. The plant-eaters used the tail according to its shape - as a whip, or as a cudgel - to defend itself against enemies.

## Some could climb . . .

Some scientists believe that the most agile dinosaurs were also able to climb trees.

## Were there marine dinosaurs?

The gigantic Plesiosaurs and Ichthyosaurs were not dinosaurs, but sea reptiles. They dominated the sea for the whole of the Jurassic and the Cretaceous Period. Ichthyosaurs were very fast swimmers and looked rather like dolphins. They had a tapered body, a thick tail and front limbs very similar to oars. Numerous fossilized remains have shown that, like dolphins, they gave birth to living young. Plesiosaurs generally had long necks, small heads and long fins for swimming.

## Some could Run

Running was the only defence for the smaller plant eaters who had to flee from predators (animals who hunted them as prey).

# WELCOME TO WALSH'S SPAR NEWLY REVAMPED STORE

SPAR O'Connell Street Dungarvan has just completed a totally new store upgrade. The store now features all that is best in modern retailing. John and Helena Walsh moved into the present shop in 1987. After looking at what was best suited to serve their customers needs, John and Helena decided that SPAR had the best offering for their customers.

Now the store has been newly extended, and refurbished throughout, Walsh's SPAR has even more to offer. A new larger hot deli counter has been put in place offering a wide range of delicious snacks from morning to night. Now you can get a great breakfast, a full hot take away dinner, and a wide variety of tasty hot snacks to suit all budgets. Helena is particularly pleased with the response to the hot dinners. The menu is changed on a regular basis and prices are unbeatable. The cold deli has also been upgraded and enlarged to offer an even better choice of delicious salads, rolls, sandwiches, cooked meats. To

tempt you even more, you can purchase a wide selection of tarts and cakes on the adjoining Patisserie counter.

SPAR's fresh food adviser Roger Carmody praised the level of hygiene standards that operate in this store. All fresh suppliers are checked by SPAR's food technologist before they can deliver to this store. Rigorous cleaning procedures and temperature checks are in operation to ensure that the customer can enjoy their food with peace of mind.

John, Helena, and all their staff have earned a friendly and helpful reputation over the years. "We know our customers and what they want" says John. "We have built a loyal customer base over the years, and we are delighted to see so many new faces coming in every day. We are always looking at ways to improve our offering to our customers. We hope they will be as pleased as we are with the new look SPAR store".

Of course the newly refurbished off licence deserves a

special mention. Surely the most popular off licence in Dungarvan, they offer a great selection of wines from around the world, a wide selection of spirits, and mountains of beer. John is happy to advise you on choosing the right wine to suit the occasion. Every week there are special offers in all the off licence departments. Whether you are having a party, a celebration or a romantic meal, you will find all you need in the off licence here.

A new addition to the store is the Lotto Quick Pick. You can top up your phone and get your newspapers and magazines in the one store. Open from 8 am to 11 pm, you can rest assured that Walsh's SPAR is open when you need it. Mark Gough, SPAR regional manager states that this store is what SPAR is all about.

## Dungarvan Camera Club

At the Dungarvan Camera Club February meeting which took place on Tuesday 4th at 8 pm in The Park Hotel there was a number of topics discussed; change of rules for the judging of the quarterly competition — prizes will now be awarded on the night and judged by an independent experienced photographer. (the theme for the next quarterly taking place in March is 'Still-life') an exhibition has been proposed for July/August, and we hope to get more guest speakers to do workshops in the coming months.

David Ind gave the first of four lessons on the different settings on a camera. David made use of a slide show to demonstrate the different uses of lens and also the affect of depth of field in a photograph. This was a valuable learning experience as David showed examples of how the same photograph changes when taken using different settings.

A field trip to Youghal was organised and took place on Sun. Feb 16th. It was an enjoyable day with a good turn out, the light was not very good for taking photographs but fine for a so-cial drink afterwards.

This year a number of new people have joined the club, we hope that they will enjoy themselves while we all try to improve our photography skills.

The Camera Club meets the 1st Tuesday of every month and the next meeting is 8 pm at The Park Hotel, Tuesday 4th March. New members always welcome.

## How to Deal With Difficult Emotions e.g. anger

The following is just a taste of the type of thing Sr. Anna Brady IBVM will speak about at the Park Hotel shortly.

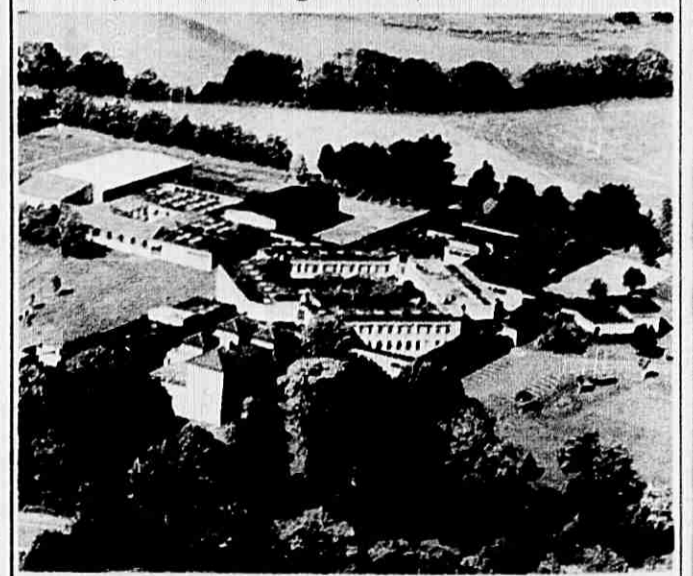

Maybe for years we find ourselves repeating the same sins every time we go to the Sacrament of Penance. Rightly we ask God in prayer to help us. Still our habits of sin often resist our best efforts to be more Christlike. Nowadays, we have helps that our ancestors did not have.

Psychology tells us that many of our sinful habits are rooted in our emotional life. For example a habit of aggressive or badly managed anger often has its roots in ones lack of self-confidence. One then easily feels under threat and so can readily go on the attack in an aggressive way. Similarly with jealousy, attention seeking and domineering behaviour. If we understand what is underlying our behaviour we are in a better position to correct it. We need to deal with the emotion underlying the behaviour.

To learn how to do this come along to Sr. Anna's talk. See St. Mary's Parish Notes in this issue for details and also posters.

# Bausch & Lomb Lenses For Lady Footballers

Photograph shows Waterford ladies football team members Deirdre Breathnach, Mary O'Donnell, Aoife Murphy, Rebecca Hallahan, Christopher Kelly, 'Aye Aye Opticians', Dungarvan, Deirdre Nagle, Sarah Hickey and Annelise Crotty, who had their contact lenses supplied by Bausch & Lomb, Waterford.

Waterford, February 21, 2003: Some members of the Waterford ladies football team begin the new season more 'focussed' than ever, thanks to Bausch & Lomb who are supplying those who need vision correction with top quality contact lenses, some of which are manufactured in the company's local plant.

The lenses are being fitted by Jean Walsh, area manager of

Eyecatchers Opticians in Waterford city and by Christopher Kelly of 'Aye Aye Opticians' in Dungarvan.

The Waterford County Ladies team had a good run last year when they won the Munster Championship and the National League but the introduction of new rules means that the coming season may prove to be a tougher challenge.

"This year will require more

focus from the team but we are hungry for a shot at the all-Ireland title, which we lost by just a point the last time we got to Croke Park," said team member, Annelise Crotty.

Bausch & Lomb's Caroline O'Brien said the lenses are designed to give good and consistent visual quality, which is a must for athletes involved in competitive sports.

Ireland, as well as the continuing commitment of the Government to regional development, will bring positive results to Dungarvan.

Meanwhile, the Tanaiste said the IDA is continuing to market and promote the 28,000 sq ft Advance Factory to outside investors.

"There have been a number of meetings this year between IDA Ireland and Waterford County Council, also involving the Waterford County Enterprise Board, concerning the marketing of the building," she said.

"Both the IDA's South East Regional Office and the IDA's Property Division based in Athlone, are involved in marketing the facility to new and existing foreign direct investment companies."

However, the Tanaiste added: "The climate for inward investment has changed significantly since the building was designed and completed in 1998."

Current foreign direct investors tend to be either Advanced Manufacturing companies in sectors such as Pharmaceuticals and Health-

care or Services."

These companies, Ms. Harney added, tend to favour purpose built developments.

"However, the IBAL facility continues to feature on the itineraries of all suitable companies and it remains an important part of the IDA South East Regions property portfolio to attract potential inward investment into Dungarvan."

There have been five site visits to the facility since January 2000, and nine site visits to Dungarvan in total during this period. The most recent of these visits, Ms. Harney said, was in September 2002, when a shared services facility visited the site.

## Elderly Woman Victim Of €1,000 Scam

### CONTINUED FROM FRONT PAGE

Gardai are said to be following a definite line of inquiry into the scam.

A spokesperson for Waterford County Council confirmed that these individuals were not employees of the County Council and, indeed, no road works were being carried out in the Lismore area at the time.

The Council's advice to anyone being approached in this manner is to ask for proof of identity. All employees are issued with ID cards. The cards, similar in size to a credit card, sport a photograph of the individual employee and the Waterford County Council crest. The cards give the employee's name and job title. If anyone is in any doubt following inspection of an ID card, they may phone the County Council direct for verification. The relevant contact number is printed on the ID card.

Waterford County Council has also confirmed that it does, on occasion, carry out private works for members of the public. However, no such works are undertaken without a written application from the individual concerned and agreement of a quotation in advance. Payment in respect of any works should only be made through official channels such as the local Revenue Collector or at an official cash point in the Civic Offices.

# COOKERY CORNER

## Pork and Camembert

**Cooking:** 15-20 minutes  
This unusual recipe with apricot sauce needs to cook at 200C, gas mark 6.

- INGREDIENTS:**  
(serves 2)  
2 x 100g British pork escalopes  
50g Camembert cheese  
1 x 15ml spoon plain flour  
Salt and black pepper  
1 egg, size 3 beaten  
50g fresh breadcrumbs  
2 x 5 ml spoon paprika.  
**Sauce:**  
4 x 15 ml apricot jam  
150ml white wine or orange juice

**Method:**  
Place escalopes on a board between two pieces of clingfilm, flatten with a rolling pin. Cut the Camembert into two even pieces and place a piece of cheese in the centre of each escalope. Fold meat around cheese. Mix flour and seasoning and use to coat pork and cheese parcel. In a bowl, mix breadcrumbs and paprika. Dip meat in the egg and coat thoroughly in breadcrumbs. Place on a baking sheet. Cook in a preheated oven for 20-25 minutes until golden. In a saucepan, combine apricot jam and

wine/orange juice. Bring to boil and simmer, uncovered, until sauce has reduced and thickened. Pour sauce over pork. Serve with new potatoes and selection of vegetables.

### Party fruit platter

**Preparation:** 20 minutes  
AN easy, no cook snack ideal for the family. The dip brings out the flavours of the juicy fresh fruits.

- INGREDIENTS:**  
(serves 6)  
2 large oranges, peeled  
1 peach, stoned and sliced  
1/2 watermelon, made into balls  
1/2 cantaloupe melon, peeled and cut into small wedges  
1/2 honeydew melon, peeled and cut into small wedges  
225g seedless green grapes  
mint sprig to decorate

**The dip:**  
100g low fat soft cheese  
300ml Greek style yoghurt  
1 tspn finely grated lime rind  
2 tblspns reduced sugar marmalade  
2 tspns crystallised ginger  
1 tspn finely grated lemon rind to decorate.

**Method:**  
Divide oranges into segments. Arrange orange segments and other prepared fruit on a large serving plate. Garnish with mint. Cover plate with cling film. Chill until required. For the dip put cheese into a mixing bowl. Beat with an electric mixer until very soft and fluffy. Beat in yoghurt, lime rind and marmalade until smooth and blended. Chop ginger and stir into mixture. Spoon dip into bowl. Cover with cling film. Chill for one hour. Garnish with lemon rind. Serve with the fruit.

## SNIPPETS

### Ard Scoil Petition For Pedestrian Crossing

Cllr. John Deasy

A petitioned request by teachers and students for a pedestrian crossing at the Ard Scoil na nDeise, was highlighted by Deputy John Deasy.

The Fine Gael Deputy said the lack of a pedestrian crossing at what is a busy road is a "bone of contention" for students and teachers alike, and said a petition has been forwarded to the Town Engineer.

However, Mr. O'Donovan said he views improved signage, and road markings warning traffic to slow down, as the better option. He also said the road is unsuitable for a crossing due to its narrowness and due to the speed ramp at the entrance gates.

Meanwhile, Cllr. Damian Dillon (Ind) questioned the use of railings around some of the roundabouts in the centre of town. In particular, he said, the railings at the top of Mary's Street were actually more a hazard than a safety feature as people are walking on the outside of the railings to cross the street to the Parish Church.

He asked about the feasibility of putting a pedestrian crossing in place there.

County Manager Donal Connolly said the railings are in place to prevent people crossing at areas where cars are turning blind.

### Lighting Failures To Be Discussed With ESB

Lighting failures and the ESB's delays in fixing the blackouts around Dungarvan are to be raised with the semi-state company it has emerged.

Cllr. Lar Hart

County Manager Donal Connolly said a meeting with the ESB would be held as "there does appear to be a delay in fixing lighting failures."

Cllr. Lar Hart (Lab) said at a meeting between the council and two representatives of the ESB held in chambers twelve months ago, the semi-state company gave a commitment that the lights would be fixed within statutory time-limit.

When the ESB fails to meet this time-limit, they are required to give a reason why they could not.

Cllr. Teresa Wright (Lab) said she agreed with Cllr. Kyne's call, at last month's meeting, for the public to phone the ESB once a light fails, and also welcomed the possibility of the council meeting with the ESB, as the council "must make our concerns known directly to them".

### Roadworks Scheme Adopted By Council

Works totalling 330,000 euros will be carried out on Dungarvan's roads and footpaths this year. The funding is made up of eur90,000 from the council itself, and Government block grants of 240,000 euros.

Areas which will be surfaced and strengthened over the next twelve months include Buttery Lane; Davitts Quay; Silversprings; the final portion of Lisfennel; an area of concrete near the Lookout; as well the public roadway at the rear of the Sports Centre and the Youth Club. In total, eur125,000 will be spent on these works.

A further 103,000 euros will be spent on footpaths with works to include Bridge Street, O'Connell Street, Mitchell Street, Parnell Street, Rices Street/ Youghal Road, Fr. Twomey's Road, Outside Stafford Miller, Sea Walk Seapark, as well as miscellaneous repairs to Pinewood, Murphy Place and Congress Villas.

A final set of works will be carried out in reshaping the entrance to Davitts Quay (6,000); improved signage and lining at Sexton Street and Strandside Junction (1,000); pedestrian crossing on the Clonea Road (10,000); Pedestrian lights at Abbeyside (10,000); Lining (10,000); and trench reinstatement (45,000).

Deputy John Deasy asked was any money available for the Bridge Street Junction, which he described as the worst junction in town. He called for a roundabout to be put in place.

Replying, Town Engineer, Dan O'Donovan said they are waiting for the outcome of the Bord Pleanala hearing into Clancy Construction's shopping centre development. Mr. O'Donovan said if the development does go ahead, there would be an increase in traffic, making traffic management measures a necessity. He also said a roundabout would be built outside the Civic Offices if the development gets underway. Cllr. Teresa Wright asked that if any money is left over at the end of the year, the council look at the Youth Centre.

# Cllr. Kyne Condemns Government's Cynical Legislative Turn Around

Cllr. Billy Kyne

Recent legislative changes to requirements on developers for providing social and affordable houses have been described as a cynical exercise made at the behest of the construction industry.

Labour Cllr. Billy Kyne made the stinging comments after it was revealed that currently no land in the town council area is now in hand for social affordable housing.

Government legislation had made it a requirement that developers provide 20% of houses built for social affordable housing, or provide land to the local authorities for that purpose.

However, changes to the rules on the withering of planning permissions means only new developments will be required to provide this.

Cllr. Kyne (Lab) said the social affordable housing aspect of the legislation had been an attempt to minimise the

emergence of ghettos, and provide better cohesion and social integration.

"It's wrong for the Government to pander to the interests of developers by turning around that legislation", he said. "At this time, when young people can't afford to buy a house I think it is the most cynical thing that the Government herald this as a response to housing needs."

He added; "Where there was potential and hope, now we do not have enough from this legislation to build one house".

Cllr. Kyne regarded the legislative change as "a bad day's work". One development, the Hermitage, will yield a return for social affordable housing. However, the number of houses being built will only provide 90,000 euros towards the cost of a house.

County Manager, Donal Connolly said the planning authority can insist on taking a site on any future developments, and breaking this down as ten per cent social affordable and ten per cent local authority.

## Compromise To Save McCarthyville Green

The "contradictory" messages the council has sent to residents in two different estates over traffic management and safety was discussed at the recent meeting of the Town Council.

Cllr. Damien Geoghegan (FG) highlighted the seemingly contradictory way the council has dealt with Pinewood and McCarthyville at a previous meeting, and questioned whether there had been any update.

Controversy was stirred in late December when the council removed part of the green in McCarthyville to form a turning point at a narrow section of the road. In Pinewood, where a similar situation exists a cul de sac has been formed from work the council has carried out.

However, Cllr. Michael O'Riordan (Ind) said the cul de sac was requested by the residents of Pinewood, and put in, in the interests of public safety.

Cllr. Geoghegan replied that the residents who contacted him, and asked that the issue be raised, were unaware of this.

"Why didn't you inform the council at the last meeting when it was raised," Cllr. Geoghegan asked.

Cllr. O'Riordan, who was Chairman of the Residents Association at the time the cul de sac was put in place, said he was unaware it had been raised, but said if the councillor wanted to ask him he could have telephoned and he would have made him aware of it.

Meanwhile, council officials have met with the residents of McCarthyville. The turning point was originally proposed as there is lack of room for the council's bin lorry to manoeuvre in a narrow section of road.

Town Engineer, Dan O'Donovan said the council has come to a compromise agreement, where if the residents bring their bins to the end of the road for collection, the green will be left in place.

Cllr. Michael O'Riordan

### Concern Over Lack Of Speech Therapy Services

Dungarvan Town Council is to write to the South Eastern Health Board about the lack of Speech Therapy available for people in Dungarvan.

Cllr. Billy Kyne (Lab) said two people - one an elderly man having endured a serious operation, and a young person - had contacted him about the lack of speech therapy.

He said the problem has got to such a stage where GP's are telling people who ask about speech therapy, to go to your local TD's about the matter.

Cllr. Paddy Power (Lab)

agreed that there is a lack of speech therapists in the county as reportedly there is meant to be 15 but instead only 5

serve the county and city.

Cllr. Damien Geoghegan (FG) said he knew of an instance where a young child was told he would be waiting months on the public waiting list, but received treatment privately in a matter of days.

"That's an unacceptable situation", Cllr. Geoghegan said.

Cllr. Paddy Power

### Mayoral Reception For Triumphant All-Ireland Champs

Mayor of Dungarvan, Cllr. Nuala Ryan paid tribute to the achievements of St. John's School, who recently emerged victorious at the All-Ireland indoor soccer finals.

Having already been crowned Munster Champions for the tournament, they competed in a round robin series of matches, finally defeating host college Limerick in the final.

Mayor Ryan said St. John's triumphed against tough competition including some of the biggest schools in the country, and added that she would like to afford them a Mayoral Reception.

## Devonshire Day At Lismore Castle Spring Gardens

A unique preview of Lismore Castle Spring Gardens will take place on Sunday 16th March 2003. The Lismore Festival Committee will host this event. The day offers visitors the opportunity to view the gardens under the expert guidance of Mr. Chris Tull, Head Gardner. Visitors will also have the opportunity to enjoy Devonshire Cream Tea in the Pugin Room at Lismore Castle (an opportunity not normally available to visitors.) The day concludes with a visit to the Lismore Heritage Centre where the award-winning audio-visual presentation on the story of Lismore Town can be enjoyed.

Lismore Castle Gardens are set in seven acres within the

17th century outer defensive walls and have spectacular views of the castle and the surrounding countryside.

The Lower Garden was formerly known as the Pleasure Grounds and is spectacular in the Spring Time. A number of camellia, rhododendron 's and some particularly magnificent magnolias can be found here. There has been extensive planting over the last number of years and the gardens are being constantly refined and improved. The walls surrounding the garden date from the early 18th century and have been planted with roses such as Francis E. Lester, Bobbie James, Rambling Rector to name but a few. The Lower Garden also

boasts some spectacular sculptures by well-known artists Eilis O'Connell, Anthony Gormley and Marzia Colonna.

The Upper Garden is one of the few Jacobean gardens to survive in anything like its original form. The Central Walk, which is between the herbaceous borders, is backed by yew hedges and was laid in dramatic alignment on the Pain spire of the Anglican Cathedral. The hedges provide a suitable background for the herbaceous borders as one walks towards the top terrace. Located here are some artistic works by Bridget McCrum, Simon Thomas, Emily Young and Edwin Whitney Smith.

Tickets are available from Lismore Heritage Centre and cost €20. Contact Maella or Mary 058 54975 or fax 058 53009.

## ENVIRONMENT TODAY!

### National Spring Clean 2003!

National Spring Clean is An Taisce's premier and Ireland's largest anti-litter campaign. National Spring Clean runs through the entire month of April for the last four years, the campaign attracts volunteers from Residents Associations, Tidy Towns Groups, Schools, Community Groups, Youth Groups, Environmental and Voluntary Organisations and indeed individuals who simply want to clean up their own area. This year, as usual Waterford Co Co will be supporting all registered clean ups by providing gloves and bags free of charge.

The key objectives of the National Spring Clean campaign are to:

- Heighten awareness of litter and waste issues
- Encourage clean-ups throughout the whole month of April
- Increase active participation among Youth, Business and other under-represented groups
- Promote the notion of personal responsibility for litter

The National Spring Clean campaign in 2002 proved hugely successful. In addition to a significant increase in the numbers of participants and events, the campaign received widespread coverage and support in every county in Ireland.

In short,

- Over 200,000 volunteers participated in 2,179 events nationwide
- An estimated 11,000 tonnes of litter was collected
- 77% of all Local Authorities participated in the campaign.

Everyone who registers gets Free materials. The Clean-Up Kit and Youth Pack contain all the information needed to organise a successful clean-up such as health and safety instructions, tips on gaining media coverage and writing press releases, how to make your event more interesting and also posters, competitions and games. Practical materials such as refuse sacks, litter pickers, tabards and gloves are also provided. An activity pack for uniform groups is also available.

### ENVIRONMENTAL EFFECTS OF LANDFILLING AND INCINERATION OF WASTE

On Thursday last the Health Research Board published their long awaited report into the public health and environmental

effects of landfill and thermal treatment of waste. The research was commissioned by the Department of the Environment and Local Government to provide an objective and independent analysis of information regarding the likely effects of landfill and thermal treatment (especially incineration) activities on public health and the environment.

An interdisciplinary scientific team from University College Dublin, University College Cork and Dublin Institute of Technology, Kevin Street conducted the report, "Health and Environmental Effects of Landfilling and Incineration of Waste - A Literature Review".

The major conclusion of the report is that Ireland does not have sufficient resources to carry out adequate risk assessments for proposed waste management facilities. In launching the report, Dr Ruth Barrington, CEO of the HRB, said that "the report is an important contribution to informing the public debate about the effects of two options for waste management" and she urged all those interested in the issues to read the report.

Dr Dominique Crowley, who coordinated the study team, pointed out that it was not within the scope of this report to make recommendations on waste management policy. The purpose of the report, Dr Crowley said, is to inform policy makers and the public of the technical aspects of both landfill and incineration practices in Ireland and the effects that these practices may have on the environment and human health. In this context, the report reviewed national and international literature as well as current practice and recent developments in landfill and incineration technologies.

"The evidence for a link between cancer and proximity to an incinerator is not conclusive. Further research using reliable estimates of exposure over long periods of time, is required to determine whether living near landfill sites or incinerators increase the risk of developing cancer." Re-emphasising the fact that this report is based on studies relating to older incineration technologies, Dr Crowley pointed out that new and planned incinerators will work to EU Directives which puts a greater emphasis on energy efficiency, residuals management and the reduction of natural resource consumption than was present heretofore.

## TOURANEENA RACQUETBALL NOTES

# Garvan Dunford Is National Champion

15 local players made the short journey to Fermoy last weekend to participate in the National Junior Championship and they returned home with a total of 3 gold, 2 silver and 2 bronze medals.

The cream of the crop was Garvan Dunford who participated in the Under 12 grade. He played his best racquetball ever and often came back from the dead to secure his first ever National title. In the final he found himself 13-4 down in the opening game but somehow he clawed his way back to win on a 15-14 score-line. He was then well beaten in the second game so it all depended on the deciding tiebreaker set. His desire to add his name to the list of Touraneena National winners won through in the end and he clinched a well deserved victory. There was no surprises as to who won our other 2 titles as our 2 most constant players since the formation of our club to win the respective Under 18 grades. Niamh Coffey came through to winner fifth National Junior title while Triston Hickey finished his Junior

career by clinching his sixth title. Julie Skehan was so unlucky not to win a fourth title as she was only defeating in the Under 16 final by 11-8 in the tiebreaker. Karen Cliffe was our second silver medalist in the Under 14 grade where she was defeated by Junior International Katie Walsh in the final. Our bronze medalists were Eileen Hickey in the under 16 grade and Eithne Hickey in the under 14 grade. Well done to all the rest of our players who represented our club with great pride and all of them can feel proud of their performances.

## SUPPORT

We had great support from the parents over the weekend. A special thanks to Nuala, Teresa, Barry, Seamie, Breda, Eleanor, Marie and Siobhan for helping with the transport.

Also to Ronan, Christine and Gemma who despite not having to play on the Sunday, they travelled up to lend their support to their clubmates.

## CÚL NA SMEAR & ROUNABOUT

### NEW BOOK

A new book which was recently published by Teagasc is the result of five years' detailed research by Dr. Brendan Dunford. Brendan who is youngest son of the late Thomas and Bridie Dunford of Both'a'doon has worked in The Burren area of County Clare for several years. While the book concerns the unique farming practices in The Burren, it also relates to hill-farming and the ongoing debate about overgrazing and undergrazing. It is the considered opinion that both overgrazing and undergrazing are detrimental to the biodiversity as well as the scenic value of mountains and hills.

### COMMUNITY RESIDENTS GROUP

Since the first meeting of our residents group last November we have endeavoured to pub-

lish weekly notes. There are at least fifteen voluntary groups and committees in the area. It is hoped that all these groups will form the basis of a formal community council in the near future.

With the huge involvement in these groups and clubs it is obvious that there is a wealth of concern and talent which can be harnessed for the future development of the district.

### CONGRATULATIONS

Congratulations to Michael Ryan formerly of Ballyneety who recently purchased Radleys Bar in Abbeyside. Michael who is Managing Director of Saltan Properties has always been prominent in Cill Ghobnait GAA and has supported numerous clubs and groups in the area over the years. Best of look on his new venture which is called "Diplomat."

### COMHALTAS NOTES

Anyone wishing to register as member of Craobh na gCumarach should do so by contacting any committee member. There is a free copy of the music magazine Treoir for each family four times annually. Congratulations to Tony Fitzgerald Cusheam who was recently elected as vice-chairman of Waterford Co. Board of Comhaltas. The branch will host another great concert on Saturday March 8th at 8.30 pm. in Cúl na Smear Hall. Featured this time are flute player P.J Crotty, Fiddler James Cullinan accompanied on Keyboard by Carol Talty.

## WEST WATERFORD WALK

# ABBEYSIDE TOPICS

Abbesside Scouts Visit Helvick Head Lifeboat Station — Back row (left to right): Tom McHugh, Station Chairman, Matthew Kirkham, Damien Doyle, Daniel Moroney, Jason Kirkham, Michael O'Donnell, Kieran Harty, Brian Mulvihill, Troop Leader, Alan Kelly, RNLI; middle row: Sean O Réagáin, RNLI, Michael Duff, James Wilkinson, Cearbhall Turraoin, Rory Moloney, Niall Organ, John Condon, RNLI; front: Michael Organ, Cormac O'Mahony.

## ABBEYSIDE SCOUT NOTES

Last weeks cub meeting was given over almost in its entirety to wild celebrations honouring our national cub quiz team. A party was thrown along the lines of a civic reception to honour the achievements of the team and each member was also presented with a certificate to mark the occasion. When all the goodies were eaten a couple of games were played to finish up the meeting which ended at the normal time of eight o'clock.

This weeks meeting goes ahead at the normal time of seven and will be a full uniform one. The talk among the leaders Emer, Frenchie and Muller at the moment is of organising a mystery bus trip, more details will be available over the coming weeks.

### SCOUT NEWS

Last week for the meeting the troop paid a visit to the RNLI life boat station at Helvick head (Dungarvan Bay). All arrived at eleven o'clock to be greeted by Mr. Tom McHugh who gave a brief introduction and welcome to all. Following this it was down to the boat shed where crew members John and Sean gave a talk on the life boat, its contents and crew and its role in any emergency situations that may occur off the coast. The personal protective equipment was spoken about in quite a lot of detail and this as well as the cost of the gear proved fascinating to all. Next it was up to the crew room to see a short video of the working and training involved in a life boat station again this proved fascinating and informative to all concerned. Mr. McHugh again explained in great detail the working of Helvick Head station covering the history both locally and internationally as well as giving an account of the cost involved in running what is an entirely voluntary organisation whose crews put their lives on the line each and every time they answer a distress call. He also stressed because of this risk how peoples lives could be put in danger because of false alarms. Following this informative chat the life boat put to sea in a south easterly wind which made the sea very rough. As the troop looked on from the safety of shore the crew put the boat through some manoeuvres and it was fascinating to see how in the hands of a capable and well trained crew that the boat was so responsive and manoeuvrable. A rescue at sea was also performed for the benefit of the onlookers when a crew member deliberately jumped in the stormy seas and was quickly and efficiently rescued. When the boat returned to station shortly after this the troop showed their appreciation of the skills displayed. We would like to thank Eamon Terry for setting up this visit, Tom McHugh for his lecture and also a great big thanks to the crew of the lifeboat John Condon, Sean O Reagain and helmsman Alan Kelly. This was without doubt a fascinating and informative outing for all concerned.

## COLLECTION SYSTEMS IN THE FUTURE

At present, a 2-bin collection system is in place serving all households. In a 2-bin system, dry recyclable (plastic, paper/cardboard, metal cans) are put in one bin or clear plastic sacks, the remaining (residual) waste is put in the other.

During the period 2003 - 2004 a 3 bin collection system will be put in place for commercial and industrial facilities. In a 3-bin system, the organic waste is put in a separate bin, dry recyclables in another and residual waste in the remaining bin.

Post 2008, a 3 bin system for households will be put in place in at least all urban areas having a population of more than 1,500 persons and this naturally will apply to Abbesside.

Local transfers stations will be provided as necessary to rationalise waste collection systems. Post 2008, with the introduction of 3 bin systems in urban areas, the quantity of residual waste will reduce further.

[Ref. Joint Waste Management Plan for the South East].

### PREMISES EXTENSION ON CAUSEWAY

Mr. Joseph Kelly, Kelly's Pharmacy Causeway, Abbesside has written to Mr. Brian White, Town Clerk, Dungarvan Town Council, requesting the council to sell a portion of land to the rear of the pharmacy on the Causeway. There are two areas involved, the first a 4.35m x 5.25m block directly behind the premises and the second an area to the side of the existing building.

### MCCARTHYVILLE TURNING BAY

Mr. Brian White the town Clerk advised a recent meeting of Dungarvan Town Council that officials had met residents on the ground. At the Town Council meeting Councillor Geoghegan stated that the Council were not being consistent as areas had been created in the new development at Pinewood without turning bays. The Town Engineer Mr. Dan O'Donovan agreed to examine the matter.

### PROPOSED HONOUR

At a recent meeting of the Town Council, Cllr. Ryan proposed and it was seconded by Cllr. Power that the council bestow an honour on an Abbesside man, Mr. Frank Daly who has been appointed Chief Executive of the Revenue Commissioners. Cllr. Kyne suggested that there was a need to discuss such civic honours prior to putting them into the public arena at meetings.

### WHISPERINGS FROM THE POOR MANS SEAT

Following on the article on the 'Humps and Hollows' last week I was informed by a man who represents a younger generation than your scribe that the arena was used by his peer group to drink cans of beer purchased at an off-licence.

### EUCCHARISTIC ADORATION

Fr. Jimmy Browne from the Rosminion House of Prayer, Glencomeragh, Kilsheelan will speak at all the Masses in St. Augustines Church, Abbesside this weekend on promotion of Eucharistic Adoration.

"Could you not watch one hour with me".

### AFFORDABLE HOUSES

Seven people from Abbesside will be taking up residence in the new affordable houses in Shandon this week. The houses in the recently constructed town Council Estate range in price from 113,000e to 180,000e with the local authority subsidising each house to the tune of 30,000. The loan taken out by the occupants will be at a fixed interest rate and this will enable the new families to plan their finances more easily. The demand for the 30 houses already built will hopefully enable the Town Council to build thirty more houses in the foreseeable future.

## ABBEYSIDE REFERENCE ARCHIVE

### THE PAST

Recently a lady gave us a collection of photographs of a house that was demolished in Abbesside 6 or 7 years ago. While at the moment these photographs do not hold much interest, there is no doubt their day will come in the future. We also received a postcard of Grattan Square which would date from the late fifties or early sixties. The number of cars on the Square is very small and a clock can be seen over the building now occupied by the Ulster Bank. Perhaps someone looking at the postcard may be able to supply a more definite date. This Sunday evening Seamus O'Brien will be minding the above postcard and all the other 'treasures'. All visitors welcome.

### LITTLE NELLIE

This Thursday night (27th Feb) we hold our talk and slide show on 'Little Nellie of Holy God' by John Donovan. This lecture drew a record crowd to Lawlor's Hotel for Dungarvan Museum. This week John has kindly agreed to repeat the talk and slide show for us and the people of Abbesside. It's at the School Hall, Scoil Mhuire, Abbesside at 8pm. It is a very interesting lecture not to be missed and admission is just 3e.

# RECENT DEATHS

## Late Janie McNamara

It's with sincere regret and sadness that we record the passing on 7th January of Janie McNamara (nee O' Sullivan), Inchinleamy, Ballyduff in the loving car of the staff at the Sacred Heart Unit at St. Joseph's Hospital, Dungarvan.

Predeceased by her husband Tom in 1981, Janie who had reached the grand age of 88 years was well known and held in high esteem by all who had the privilege of her acquaintance.

Born and spent all her life in Ballyduff, Janie was a hard working and industrious lady and will be remembered especially for the warmth and her great sense of humour. In her younger days she was a very active player and member of the local Ballyduff Camogie Club and always had a great love for the GAA, a grá greatly carried on by her sons Bill and Mossie and her grandchildren up to the present day. Sadly,

Janie did not enjoy the best of health in recent years but she bore her illness with dignity and courage and her passing will leave a huge void in her family to whom we extend our sincere sympathy.

Following Rosary and Prayers recited by Fr. M. Cullinan and Fr. K. Mulcahy at St. Carthage's House Mortuary, removal took place on Wednesday 7th January to St. Michael's Church, Ballyduff where they were blessed and received by Fr. M. Cullinan and followed by a vast concourse of mourners.

On Thursday requiem Mass was offered for the happy repose of Janie's soul.

Chief celebrant was Fr. M. Cullinan assisted by Fr. K. Mulcahy, Fr. D. Clancy and Fr. Leahy. The readings were read by Orla McNamara (granddaughter) and Mary O' Driscoll (daughter). Prayers of the Faithful were recited by her grandsons Brian and Stephen McNamara, while her grandchildren Liam McNamara and Fleur O' Driscoll brought the Offertory gifts to the altar.

Following requiem Mass the funeral cortege proceeded to Leitrim Cemetery, Kilworth where following prayers recited by Fr. M. Cullinan and Fr. Leahy, Janie was laid to rest beside her loving husband Tom again in the presence of a large concourse of mourners.

To her loving sons Bill and Mossie, daughter Mary, daughters-in-law Helen and Ann, son-in-law Kieran, grandchildren, relatives and many friends we extend our sincere sympathy.

Funeral arrangements were by Ryan's Funeral Directors, Lismore.

## Late John Hickey

One of nature's true gentlemen and a loyal and trusted friend and neighbour who will be sadly missed. Words that were uttered so many times in the very recent past with the passing on Saturday 8th February at his residence of John Hickey, Grange who was aged 54 years and was son of Maureen and the late Paddy who went to his eternal reward in 1999.

A native of Lissarow, John was very well known and highly respected and possessed many fine qualities when coupled with an everlasting smile and an outgoing personality made him a great favourite.

Involved in all Parish activities, nothing was too much trouble for John, as a neighbour he had few equals, as a friend he was trustworthy and very sincere. Very much family orientated, he lived for Sheila and family. A man who worked hard and gave of his best at all times, he came of farming stock and was a keen follower of horse and hounds. He was involved in the ownership of same and indeed he tasted the cup of success on many occasions. He loved his game of cards and possessed a keen sense of wit and was always in the best of form. Sadly John hadn't always enjoyed the best of good health, yet bore his cross with true Christian fervour and fortitude. John Hickey has taken his leave, his untimely departure has saddened so many, words simply are inadequate at this time. Our thoughts are with Sheila, Kevin, Owen, Karen, Ann Marie, Miriam, his mother Maureen, brothers, sisters and many other relatives to whom we extend our deepest and heartfelt sympathy.

Reposing at his residence where hundreds and hundreds visited to bade a fond farewell and to comfort his family, Fr. Guiry P.P. led us all in rosary while Fr. Cooney OSA also shared the family burden. That Sunday evening Fr. Tom Flynn P.P. (a great friend of John's) recited prayers before the removal took place to nearby Grange Church.

John was shouldered from his home the few hundred yards to Church where an overflowing congregation heard Fr. Tom Flynn conduct the funeral service assisted by Fr. O' Donnell OSA. Despite the heavy rains very many assembled for funeral Mass which was celebrated by Fr. T. Flynn with co-celebrants Fr. Moran OSA, Fr. Lucey P.P., Fr. O' Donnell OSA and Canon O' Connor P.E. The

lessons were read by Owen and Ann Marie. Prayers of the Faithful were shared by Karen (daughter), sisters-in-law Geraldine Hickey, Catherine O' Leary, Elsie Hickey, Ann Hickey, niece Marian Hickey.

The offertory gifts were brought to the altar by Orla (flag), Michael O' Brien (cards), Kenneth O' Brien (race card), Fergal O' Brien (cap), Mary (sister) wine and Maura Leahy (mother-in-law) bread.

Bart O' Leary spoke of the significance of each in John's life. A Eulogy was delivered after Holy Communion by Kevin. Music was provided by the local choir with Michael O' Brien. The pipes were played by Thomas Johnson while John's nieces Una, Maura, Sinead, Eithne, Orla sang their own personal tribute. Altar serving duties were carried out by Maeve, Patrick, Rosemary and Kate. We gathered at the graveside for final prayers and blessing as John Hickey was laid to rest. The weather was most unkind but yet one of the biggest concourses ever witnessed at Grange Cemetery braved the elements to pay their respects to John.

Chief Mourners: Wife Sheila; family Kevin and Sharon, Owen, Karen, Ann Marie and Miriam; mother Maureen, brothers Pat, Edward, Michael, Declan, sister Mary, sisters-in-law Elsie, Geraldine, Breda, Anne and Catherine; brothers-in-law Charlie, Bart and Joseph, mother-in-law Maura O' Leary and a wide circle of other relatives including nephews, nieces, relatives and many friends.

Funeral arrangements were by James Kiely and Sons, Funeral Directors.

## Late John McGregor

It is with deep regret we record the passing of John McGregor, 32 Caseyville, Dungarvan which sad event occurred on Friday 7th February.

John was well known and respected in the locality. In his youth he emigrated to England where he worked for a number of years. On his return he was employed by Waterford Co-op until his retirement in 1987. A quiet, gentle man there was nothing he enjoyed more than a good game of 45 at the late Mickey Landers pub.

He played hurling with Abbeyside and football with Kilgobnet. John loved all sports and was a keen gardener. A kind and loving husband and father, he will be sadly missed by his sorrowing wife Breda, sons, daughters, brother and

other relatives to whom we extend deep and sincere sympathy on their very sad loss.

Following rosary on Saturday evening recited by Canon O' Connor P.E. removal was from Drohan's Funeral Home to St. Mary's Parish Church where the remains were received and blessed on arrival by Canon O' Connor P.E. assisted by Fr. O' Donnell OSA in the presence of a large and representative cortege of mourners.

Following requiem Mass on Sunday morning celebrated by Canon O' Connor P.E., Fr. Cooney OSA, Fr. O' Donnell OSA, Fr. Riordan C.C., the interment took place in Abbeyside Cemetery again in the presence of a large cortege.

The lesson was read by Aidan Kennedy (son-in-law), and Julie (daughter-in-law). Appropriate hymns were rendered by Lorna Jane Daly and Denis Collins. Martin (son) thanked all for attending at the end of Mass.

The chief mourners were Breda (wife), John, Crohan, Noel and Martin (sons), Deirdre, Joan and Sheila (daughters), Aidan Kennedy, Ulf Kronberg and Vincent Murphy (sons-in-law), Gusty (brother), grandchildren, relatives and friends.

Funeral arrangements were by Tom Drohan, Funeral Directors.

## Late James Tobin

It is with great sadness we record the passing of James (Jimmy) Tobin, Ballyconner, Dungarvan which sad event occurred on Tuesday 4th February.

Jimmy was born in 1925, an only son, the oldest of three children. Both parents died when he was young and the family were raised by two un-

cles. He left school at 14 to work the farm at Ballyconner. He loved farming and being outdoors and he worked hard to develop the farm over the years.

He farmed sheep earlier in his life and always held a fondness and fascination with sheepdogs. He loved to recount many stories about the dogs he owned and worked over the years. He loved music of all kinds, in particular John McCormack. He came from a very musical family, his sisters Nellie and Bridie being beautiful singers. He reportedly was a great singer himself but instead preferred to sit back and listen rather than participate.

He married Joan Cashin, The Burgery, Dungarvan and they had four children. Following her very sad and untimely death very early in their marriage, he raised one son and three daughters on his own, though with great assistance from his beloved sister, Bridie.

He always loved his yearly outing to the Dungarvan show and enjoyed watching showjumping in particular. He loved the Volkswagen Beetle car and reckoned it was the only car for the hills. Throughout his life, he had great faith in the power of prayer and the Mass.

He overcame great illness two years ago and spent the last year and a half in Dunabney House, Dungarvan where he enjoyed great comfort and rest. He loved nothing better than the company of his four grandsons Joseph, Keith, Luke and Liam and always spoke of them with great love and pride.

He passed away last Tuesday at Waterford Regional Hospital after a brief illness. Following rosary on Thursday evening recited by Fr. Kennedy P.P. his remains were removed from Drohan's Funeral Home to Kilgobnet Church where they were received and blessed on arrival by Fr. Kennedy C.C.

The requiem Mass was celebrated by Fr. Kennedy on Friday morning. The lessons were read by Thomas Dunford (nephew) and Michael Dunford (nephew). Jimmy was laid to rest in the adjoining cemetery.

The chief mourners were Thomas (son), Catherine, Ann and Helen (daughters), Damien and Paul (sons-in-law), the Dunford family, Bohadon and the Norris family, Rathgormack.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

## Late Michael Crotty

With feelings of deep regret and sadness we write on the passing of Michael Crotty, 352 Ivydale Road, Nunhead, London and late of 17 Mitchell Street, Dungarvan which occurred on 3rd February at King's College Hospital, London.

Aged 68 years and a native of Dungarvan, Michael was son of the late Jack and Bridget Crotty and was predeceased by family members Sean, Paddy, Mary, Gerald and Gretta.

A quiet inoffensive man he loved his television viewing and a social drink with friends. He was employed for many years as a machine operator.

Funeral obsequies took place in London to The Church of St. Thomas the Apostle, Nunhead. Fr. Pat led all in prayer and celebrated the Holy Sacrifice of the Mass before Michael's remains were transferred back to Ireland on Wednesday. Reposing at The Kiely Funeral Home following prayers and rosary recited by Fr. O' Riordan C.C. the removal took place that evening to St. Mary's Parish Church pausing in prayerful tribute at 17 Mitchell Street.

On Thursday morning Fr. O' Riordan C.C. was main celebrant with Fr. O' Mahoney P.P., co-celebrant, at the funeral Mass which was a celebration of Michael's life. We extend our sympathies to all Michael's relatives at this time, his brothers Jimmy and Tommy, sisters Sr. Catherine (Kathleen), Aggie, his sister-in-law Margaret and all his other relatives including nephews and nieces.

Funeral arrangements by James Kiely and Sons, Funeral Directors.

## LATE MAURA FINN (NEE LANG)

Feelings of sincere regret and deep sorrow were expressed recently with the unexpected passing on Tuesday 11th February of Maura Finn, Ballinagoul, Ring at Waterford Regional Hospital. A native of Castlebar, Co. Mayo, and aged 79 years, Maura who took up employment in Haddens in Dungarvan

in 1948, married Kevin Finn two years later and for the next three decades plus, resided in Dublin, where Kevin worked with the Eastern Health Board. On his retirement in 1988, both decided to live in Ring near daughter Cait and son-in-law Tomas. Five years later in 1993 after a duration of illness, dimigh Kevin ar shlí na firinne. Maura was deeply interested in gardening and cooking and was held in high esteem by everybody who had the good fortune of her acquaintance.

We sympathise with Cait and Tomás (son-in-law), grandchildren Aine, Padraig, Sínead and Brian, her brothers An tAthair Máirtín P.E. agus Seán, her sisters Sr. John Irish Sisters of Charity and Eileen, her sister-in-law Brid, brother-in-law Micéal and all her other relatives at this time.

'Ar dheis láimh Dé go raibh Máire'.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE WILLIAM STACK

William Stack (Willie), late of Main Street and Mitchel Street, 1908 - 2003. After a brief illness, Willie passed away on Monday 10th February.

Originally from Canty, where his parents settled on their return from Australia, Willie went to school in Ballinameela and the C.B.S., Dungarvan. From there he went to Maurice Flynn's Hardware Store in Main St. where he was an ex-

pert glass cutter. He spent over 30 years there before investing in a cafe also in Main St., which was very well patronised in 50's, 60's and 70's. Willie worked long and hard all his life until her retired aged 75. His lifetime companion was Peggy Finn, until her untimely death in 1986. Together they raised a family of six.

In his young days he played his hurling, football, billiards and cards in Dungarvan. His country background gave him a love of gardening and all things to do with nature. He had a wonderful command of poetry, a talent he retained right to the end, his favourite poets being Goldsmith, Gray, Pearse, Service and Byron.

His quiet and gentle manner endeared him to all he met. "The last photo taken of Willie a few weeks ago, shows him holding his youngest grandchild Lydia, who came to gladden his fading sight and the hearts of her parents, like the snowdrops that tell us winter is over, spring is here". The esteem he was held in was evident by the large crowds who attended his removal and burial. May his gentle soul rest in peace.

Following rosary recited by cousin Fr. P. Hallinan the remains were removed to St. Mary's Parish Church on Wednesday 12th February, where they were received and blessed by Fr. O'Riordan C.C. assisted by Fr. Cooney O.S.A. and Fr. Slater O.S.A. and followed by a large and representative cortege of mourners.

## LATE PADDY DWYER

It is with deepest regret that we record the passing on Sunday the 16th February 2003, of Paddy Dwyer, late of 40 Shandon Street, Dungarvan. ## LATE MARY WALSH

The local community was shocked and saddened to hear of the untimely passing of Mary Walsh on Wednesday 12th February at her residence, 3 Emmett Street, Dungarvan after a relatively short illness. Mary was daughter of the late Michael and Josephine Walsh. She was a wonderful neighbour, always ready to give a helping hand and her great sense of humour and hearty laugh will be very much missed by all who had the privilege of knowing her.

Mary commenced her employment in the Public Service working in the South Eastern Health Board in Ardkeen Hospital and later moving to Dungarvan U.D.C. and Waterford County Council. She was a popular and supportive work colleague and her presence will be missed.

An active sportsperson throughout her life, Mary was a member of the Dungarvan Badminton Club, the Cunnigar Pitch and Putt Club and the Dungarvan Golf Club where she won many awards and trophies, of which she was very proud. She enjoyed playing bridge and loved to meet and talk to her friends and neighbours at every given opportunity. Indeed her popularity was very evident in the many Guards of Honour which were reverently present during Mary's funeral procession. She was a kind, gentle and loving person and all of those whom she touched will never forget her. May she rest in peace. Following rosary recited by Canon O'Connor P.E., Mary's remains

were removed from Drohan's Funeral Home on Thursday evening, the 13th February 2003, to St. Mary's Parish Church, passing through a Guard of Honour formed by the Dungarvan Golf Club and the Dungarvan Cumann of Fianna Fail. Symbolic gifts were brought to the altar, all reminders of Mary's diverse and much loved interests and work - a deck of cards, a golf club and a road book from Waterford County Council. Prayers of the Faithful were delivered by management and staff of Waterford County Council and several touching hymns were sung by a dear school friend of Mary's - Muriel Coleman (nee Keohan).

As the Civic Offices remained closed as a mark of respect, Mary's many work colleagues gathered to form a Guard of Honour as she was taken to her final resting place in the adjoining cemetery.

To Mary's brothers David and Tom, her sister-in-law Monica, her nephews Michael, Daniel and David and her many friends we extend our deepest sympathy.

## New Photographic Club

The ad hoc group Project SMILE set up in 2002 for the purpose of forming a photographic archive and publishing a large format book of photos has been reborn as the Lismore Photographic Society (L.P.S.) - Cumann Fotografach Leasa Mhior (C.F.L.). The historic step was taken on Thursday 30th January at Lismore Hotel. The word 'historic' is used advisedly as Lismore has a long tradition of photography. Project SMILE per se is retained under L.P.S.

The new club has given itself a short constitution/bun-reacht plus an interm motto: The L.P.S. - where the past will always picture. Other motto suggestions are welcome if not slogans. The most important objective in setting up the group is to validate its own existence in order to achieve its goals. At present the group consists of an editor and four coeditors. As the group develops the editors may consist of 'ordinary' members. Meanwhile the club is being officiated to the national body. Progress reports on Project SMILE show its is progressing slowly but surely. The public (town and rural) of the parish is asked to continue to unearth photos for archiving and some for possible publication. Please! The group is now in a position to copy originals professionally and hold the copies or originals if the donors so wish (contact Evelyn Walsh, Paddy Vaughan, Johnny Ryan, Tommy Keating). Photos at all times remain the property of the owners. All now agree a photographic archive is a must for any town. A town like Millstreet in Co. Cork has over 30,000 images on file, but of course Millstreet can rely on an extremely cooperative townspeople plus willing heritage workers. On a comparative basis therefore Lismore should have about 50,000 images conserved! Clearly, a long road ahead but at least we've set out en route. One not accompanying us will be the late Dick Canning who was an observer at the inaugural meeting in 2002. Dick was fondly recalled on the inaugural night of L.P.S. We view him as our 'eye in the sky' for the future. Guimis go leir rath ar an obair.

Eugene Dennis, P.R.O. and editor Project SMILE and L.P.S.

## LISMORE MOCHUDA NATIONAL SCHOOL

THE GREEKS IN LISMORE — The photo shows Stathis Vitoratos and his daughter Eleni at Liosmor Mochuda.

Stathis Vitoratos is a teacher from Greece. He visited Liosmor Mochuda National School as part of European Education Project: "A Bird's eye View of European Freshwaters". Liosmor Mochuda N.S. is a partner in this project. For the past 3 years schools in Greece, Romania and Ireland have been following the same programme of study, its focus being rivers in the locality of each school. Our river of course, has been the majestic Blackwater. (We have studied its fish, fowl and fauna, it's water quality and the human activities along its bank. We have exchanged information, stories, artwork and photographs.) The E.U. has sanctioned and financed the programme.

Stathis did not confine himself to the project but has given an awareness of his country to the pupils of the school. We greatly enjoyed his visit and hope we are all better Euro citizens as a result.

### FIXTURES

Monday 24th to Sunday 2nd March Final Round O'Brien's Mazda Middleton Spring League

Monday 24th to Sunday 2nd March 12 Hole Stableford competition sponsored by David Walsh, Dungarvan.

Saturday 15th, Sunday 16th and Monday 17th St. Patrick's Weekend Club Classic Open 3 person team event. Entry fee 45e per team. Timesheet in operation Monday to Friday 058 54456 - Saturday and Sunday 058 54026.

It was a very cold week weather wise for the penultimate round of our O' Brien's Mazda Spring League but the heat is on as we go into our final round with the last chance to clinch a top four place to get into the top four play off. Club captain Paddy O'Leary's team remain in pole position with 406 points with club treasurer Nicky Walsh (18) being his

main man for the second time Nicky with a fine 28 points. Seamus Beecher remains in second place with 403 points. Competition runner up Anthony O'Rourke (14) being his main contributor with an excellent 30 points. There is a tie for the last two play off places at the moment with club President Willie Henry's team now being joined by club secretary Bernard Doocey's team, both two teams who look to be their main rivals for a play off place. The two teams in question being captained by Chris Whelan and Pat Bennett respectively. The winner of our Allrounder sponsored competition was club sponsor and a man in fine form of late namely Pat Moore (19) with a stupendous score of 35 points. In third place was Knockanore's Frank Corcoran (13) with 30 points only missing. The runners up spot due to the aforementioned Anthony O'Rourke's superior last 6 holes. So as we head for the final hurdle the clubs hierarchy remain the men to dethrone.

### SOUTH EAST LEAGUE

We travelled to a very windy Cobh Golf Club to take part in Round 2 of the South East League against East Cork Golf Club. In the Bruen Section once again we tried out a couple of new pairings. Albert Corcoran and Seamus Beecher played against a very strong East Cork pairing but went down 5-4. Frank Roche and John Whelan, two newcomers to this section went down 4-3. Jason Corcoran and Sean Hick-

ey turned after nine, 1 up before losing out 2-1. In the Pierce Purcell section we also turned out a couple of new pairings. Philip Walton (P.R.O.) and Michael O'Regan turning after 9 holes, 3 down managed to hold on until the 14th before going down 5-4. Anthony O'Rourke and John Kenneally were unlucky to lose our 3-4 after a good fight back. Colm Burke and Tod O'Leary a late call up were 1 down after nine but edged out their opponent by a 2-1 victory.

Next Sunday we travel to East Cork Golf Club to take on our neighbours Dungarvan G.C. Teams will be posted on locker room notice board. Please be in East Cork by 10:30am.

## AFFANE FC NOTES

# Affane Cause Major Upset

**AFFANE 3 - 3 ARDMORE (After extra time)**  
**Affane win 3 - 2 on penalties**

On Sunday last we were at home to Ardmore in the Tyre Centre Cup. We were without a number of regulars but turned in a brilliant performance to knock out one of the premier divisions top teams. The first half was a very even affair and we took the lead mid way through the half when we were awarded a penalty which Mick Browne scored. The game stayed this way until half time. Ardmore came out very strong at the start of the second half and put our defence under an awful lot of pressure and they equalised after 55 minutes. Then five minutes later they scored again and were well in command when they were awarded a penalty but our goalkeeper Kieran Veale pulled off a great save. This proved to be a turning point and we came more and more into the game although Ardmore had a shot come back off the post. Our equaliser arrived on 75 minutes after a great run by Brendan McGrath who passed three defenders to cross to Jamie McGrath who shot to the roof of the net. Both sides pressed hard for a winner and Ardmore came closest but Mike Browne made a great goal line clearance so the game finished 2 - 2 after normal time.

Ardmore started the extra time strongly and took the lead after two minutes when we failed to defend a corner. Ardmore were well on top at this stage but our defence held out. In the second period of extra time we came more into the game and equalised half way through when a long throw from Kevin Reddy was headed over the keeper by Jamie McGrath for his second goal of the game. After this both teams tried hard for a winner but we had to settle for the dreaded penalties.

Mick Browne and James Meagher both scored their penalties before we missed two but Ardmore put two wide and Shane Coughlan made a brilliant save from another so it was left to Jamie McGrath to seal our victory when he scored our final penalty.

Team: Kieran Veale, Dermot Twomey, Richard Prendergast, Mick Browne, Brian Denn, Shane Coughlan, Denis Byrne, Michael Prendergast, Jamie McGrath, Kevin Reddy and Brendan McGrath. Sub: James Meagher for Michael Prendergast

The previous Sunday, we were away to Inch in the League and were unlucky to be beaten 2-1. Paul Lacey scored early in the game but Inch scored twice before half time. In the second half we had a penalty saved and Pat Morrissey had a 20 yard rocket come back off the post.

### SYMPATHY

The club extends its sympathy to the Prendergast family, Dromrue East on their recent bereavement.

## CAPPOQUIN F.C.

# Rob's just the Job!

## CAPPOQUIN 5 BALLYDUFF 0

On Sunday last a very solid performance saw us ease our relegation worries with a comfortable home win. Carrying on from where we left off the previous week, we started at our opponents from the off with Paul Landers and Rob Wheeler all going close. But it was only a sign of things to come when on 20 mins Martin Lacey's delicate pass found Rob Wheeler just inside the box, and he finished expertly with a low left footed strike.

Number two arrived soon after when Jacko Kiely strode out of defence on a powerful run and unleashed a pile-driv-

er from all of twenty five yards to the bottom corner.

On fifty five mins. it was the "Real Dealer Wheeler" who made it three with a looping header from a Cathal Gleeson cross. Applying constant pressure the fourth arrived with Rob again doing fine work inside the area seeing his shot parried into the path of the in-rushing Cathal Gleeson to add to his tally from the previous week.

On seventy eight mins. a fine solo effort saw a well deserved goal for Paul Landers. Having rode through two tackles he rounded the on rushing keeper and slotted home for the final score of the game.

With some more performances like this it would be nice to think that we can avoid the dreaded drop. With the top teams all having to travel away to us we surely will have a big say in where the title finishes up, but on the other hand it makes our job of staying up a little touch harder. We wait with anticipation. It was nice to see "The Cat" in goal again on Sunday "hissing" at his defenders when they stepped out of line! We at the club are all grateful for "Felix" filling the void after Morro's departure.

## RACE NITE ON FRIDAY NIGHT NEXT

Well it's finally here! What promises to be a night of fun and frolics our Race Nite will be the place to be on Friday night next. Mr. Pat Landers proprietor of the Blackwater House has kindly given his premises for use as the parade ring so that all the equine animals can be viewed at close proximity!

In fact, the afore mentioned has offered his vast experience (as a former champion jockey!) to act as race steward for the night!

On a more serious note the club would like to thank Pat for all his work, not only as club sponsor, but also for all the work that he and our organising committee have put in, in making sure that everything will run smoothly on the night.

So all is left to tell ye is to have plenty of money for gambling and drinking and may all the best horses win!

Man of the Match Sunday - Rob Wheeler.

**BRIDEVIEW UNITED  
A.F.C. NOTES**

DUNGARVAN TYRE CENTRE CUP

**United Reach  
Quarter Final**

Brideview United's A team advanced to the quarter final of the Dungarvan Tyre Centre Cup on Sunday morning last. However, our Division Two side suffered a heavy defeat away to An Gaeltacht in what was the shock of the day. Our Kill team defeated Castlebridge Celtic in a thrilling 7-5 victory. Our lotto jackpot was not won on Friday last.

**RESULTS CUP 2ND ROUND**

Clashmore Ramblers 3 Brideveiw United 5

Our 4 team had to make some changes for Sunday's game, as Billy Sheehan (keeper) and Brian Henley were both missing. So in to goal went John P. Graham and on up front came Michael Keating.

United led 2-0 of the break. The first goal came from Michael Costin who scored an own goal. Michael Keating grabbed a second before the break.

Early second half goals from Stephen Pratt and John Doyle put United in a comfortable 4-0 lead. The homeside came back into the game with goals from Gerry Rourke and Brendan O'Connell. United came back and Stewart Barry ripped in to put United 5-2 in front. A late goal for Ramblers was not going to change the result and we held out to win and now go into the pot for the quarter final.

United: J.P. Grey, W. Murphy, D. Martin, J. Beecher, T. McSweeney, P.Tobin, S. Barry, J. Doyle, R. Henley, M. Keating, S. Pratt. Res used: W. Curley

**RED HOUSE LEAGUE DIVISION TWO**

**Rare Defeat  
For United**

An Gaeltacht 4 Brideview United 0

The league leaders versus the bottom club in Division Two and one would have thought that United should win but injuries to keeper Ian Farmer and centre half Pat Costigan did not help Manager Tomas McCarthy. Also missing on Sunday last was Tim Lenihan.

While these players were a big loss United created plenty of chances. The first half was scoreless but we had plenty of chances. Perhaps if we put away one then the result could have been different.

An early goal to the homeside just 3 minutes into the second half was not what United wanted and the homeside went on to add three more goals and run out surprising winners. This defeat still sees United on top but it will give hope to some of the clubs just behind United.

United: K. Walsh, R. Cronin, P. Cronin, F. Power, P. Murphy, S.F. McCarthy, M. Norris, M. Curley, C. Cunningham, W. Henley, B. Power. Res used: P. Sheehan, F. O'Gorman.

Junior Football — Tallow v Sliabh gCua. no date.

U-21 Hurling — Tallow v Ballyduff. We were told it would be played at first opportunity.

U-21 Football — Shamrocks v Stradbally. St Patricks Day was mentioned but sure that's a long way away.

Minor Hurling — Coisbhríde were originally in A grade but were reggraded to B following a very close vote.

The results of this team 2 years ago at U-16 level were such that you would seriously question the competence of any committee or individual that would expose them to humiliating defeats in A grade.

Thankfully we received support from club delegates who know what is happening at under-age level.

Minor Football — Coisbhríde play in the B section.

**PAUL O'BRIEN MAKES  
HIS SENIOR DEBUT  
FOR COUNTY**

I was delighted for young Paul. He is a terrific prospect as well as being a modest unassuming young man. Despite a limited supply of the ball up his wing he had an impressive debut. Many supporters travelled from Tallow when they heard Paul was starting. At the rate we were leaking goals I thought we might see brother Dave introduced as well. A proud day indeed for parents Ann and Liam O with two sons on the panel.

Senior Hurling — The lads play Castlelyons this Sat. at 3 00 p.m. in Tallow.

**CLUB MEETING**

A meeting of the club committee will be held this Thurs. night at 9 00 p.m. in St Patricks Hall.

**CLUB LOTTO  
JACKPOT REACHES  
RECORD HIGH**

At time of writing the lotto jackpot stands at 4,800 Euro which is I believe the highest it has ever been. Tickets available throughout local outlets.

**MOVE OVER JUSTIN**

Finn was one of 19 who completed the Foundation Level coaching course organised by the Coisbhríde club recently. Since then he was seen coming out of Sean Walsh's with a new slimline figure hugging track suit. He means business.

**DUIRT SIAD**

"His tracksuit days are pending." R O Mahony's comment on the performance of a Waterford

player on Sunday. "That'll be better than a Celtic-Rangers match."

Comment of a club delegate on the pairing of Ballinameela and the Geraldines in the Intermediate championship.

"Haven't ye a senior hurling team."

A club delegates justification for voting to put Coisbhríde in A grade at minor hurling. The mind boggles.

**UNDER-AGE  
SUMMARY**

The Coisbhríde playing season got underway last weekend with U-16 footballers and U-8 hurlers in action. On Friday night I watched the U-16 footballers in Clashmore. The work put in by their selectors was very evident and while they didn't win they played some fine football. On Sat we had 2 U-8 teams (total of 20 players) competing in the indoor blitz in Ballyduff. Again a lot of work has been done with these young lads. A total of 15 coaches will have completed the Foundation Level course with Coisbhríde and will have the opportunity to advance to Level 1 shortly. My colleague Breandain O Hartagan has a full report on club activities in the Coisbhríde notes.

**LAST WEEKS PHOTO**

The player named as Twomey was in fact N Flynn. S. Twomey was seen next to Bill Sheehan. The year I am told was 1932. Thanks Pat Joe Collins for the information.

## BALLYDUFF ADULT GAA CLUB NOTES

**Senior Hurling League** — The Senior hurlers lost out to Passage in the semi final of last years Division 2 Co. League at bitterly cold Dunhill on Saturday last. The Eastern side emerged winners by 3-10 to 1-8. We trailed at half time by 1-6 to 1-3 having played against a strong wind. John Twomey was our goalscorer on the quarter hour but the concession of two goals in a four minute spell at the start of the second half was something we never recovered from. Passage led by 3-7 to 1-4 entering the final quarter and despite points from Brendan Hannon (2), Ger Feeney (2) and Paudie Prendergast it was not enough as the winners replied with three late points.

Scores — B. Hannon 0-5, J. Twomey 1-0, G.

Feeney 0-2, P. Prendergast 0-1.

Panel; M. Leamy, A. Feeney, M. Casey, E. Molumphy, W. Hickey, M. Drislane, P. Hickey, G. Feeney, P. Prendergast, J. Twomey, B. Kearney, L. MacNamara, B. Hannon, L. Feeney, S. Feeney, C. Keane, K. We'd like to thank Fr. Enright for the Special Olympics T-shirts to raffle and a huge huge thank you to Clare O'Brien, Megan Whelan and Linda Bouskine for their help. Congratulations to Clare Doyle. The doll's name was "Polly". The "Guess the number of lollies in the Jar" was done like this. An adult counted the lollies and wrote the number down. We checked all the guesses afterwards to see who won. Congratulations to Michael Aherne. The correct number was 79. # Dungarvan Parade Set To Be A Big One

With less than a month to go to St. Patrick's Day, work continues on organising what should be the best ever St. Patrick's Day Parade in Dungarvan. This annual event, one of the best in Munster, was rescued by an interim Committee last year and it proved to be one of the best ever. There is no doubt that the people of Dungarvan and West Waterford love their annual St. Patrick's Day outing and gave it their approval and endorsement last year when it was so badly needed.

Already several new entries have indicated their wish to be part of this special day and there is news also of clubs and voluntary groups teaming up with businesses to provide elaborate floats and entries.

With the number of available bands not likely to rise this year due to their own difficul-

ties with numbers, there is a greater emphasis from the organisers on floats with an elaborate music content. "Bands all over the country are finding it difficult to find new recruits," says Parade Chairman, Jim Veale, "and we feel that if those who are planning floats at the moment would include provision for music, then it would add greatly to the Parade. We have had some very colourful and very musical entries in the past and they have been very well received by the crowd. There is no doubt that music, particularly music in the traditional style adds a huge amount to the Parade and, recognising this, the Committee is offering a special prize for the best musical float."

People will remember that the addition of a local Jazz Band in last year's parade won universal appeal and, added to the old

reliables of the Brass Band and the Pipers, they would contribute greatly to the Parade again this year.

The musical inducement comes on top of a long list of category prizes, which includes clubs, businesses, entries in Irish, traditional style, community groups, schools, pubs, etc., etc. There is a comprehensive list and each one carries a substantial cash prize. However, the fun and enjoyment are enough for most people and everyone who has taken part will tell of the special feeling there is as part of a St. Patrick's Day Parade.

This year, there will be special emphasis on Abbeyside, where every year so many people gather to see the Parade in its early stages. There will be a second reviewing stand at the Strandside junction, where there will be music and enter-

tainment before the Parade starts for the hundreds who usually gather there.

As usual, the main reviewing stand will be in Grattan Square, where a second group of musicians and dancers will entertain the pre-parade gathering and which will be the focal point for the announcement of the winners and other formalities.

Already interest is high, with entries arriving daily. Jim Veale is confident that given the good weather, there will be a massive turnout again this year.

"We were very fortunate last year that the rain stopped at 2.30, just in time for the Parade. There was a massive crowd of spectators and they were not disappointed. We are confident that everyone will rise to the occasion again in 2003, they have proved before just how important this day is in Dungarvan."

## 22nd West Waterford Drama Festival

With its 21st year now passed, any further claims to immaturity or adolescence, which West Waterford Drama Festival might have had, are now well and truly extinguished. Even during those embryonic years it had achieved the title of best Drama Festival in Ireland – a title bestowed on it by no less a body than that which represents all the drama groups who participate on the Festival Circuit. Where then can it go from there? If, however, proof was required that the Festival had arrived at adulthood, it can absolutely be found in the line-up of groups, of plays and of fringe events, which adorn this year's Festival. While, in life, there always exists, thankfully, the potential of being wrong, this writer predicts that this will be the best Festival ever.

The top-flight competition is awash with the very best. I challenge anyone to dispute the notion that Enniscorthy Drama Group, Sundrive Players (Dublin), Palace Players (Fermoy), Ballyduff Drama Group, Dundalk Theatre Workshop and Kilmeeen Drama Group (West Cork) are not in the top ten Amateur Drama Groups in the country. When these are supplemented in the Confined section by no less than Silken Thomas Players (Kildare), Brideview Players (Tallow), Skibbereen Theatre Society and Boolavogue Drama Group, then there exists the probability of two wonderful parallel competitions and splendid entertainment for the punter.

The quality of the groups is, obviously, paramount. However, the fact that they are bringing to the stage in St. Michael's Hall no less than eight excellent pieces of theatre that have not been previously seen by Ballyduff audiences adds to the

magic. American comedies, Greek tragedies and a bevy of modern Irish classics – they are all there. Friel, Behan, Sophocles, Simon and the others are master craftsmen of the theatrical pen – there isn't a mediocre work among the entries, not to mind a bad one.

The adjudicator for this year's festival is Professor Michael Patterson, from Leicester. With a significant pedigree on the British circuit, he has all the credentials to make a considerable impact on the Festival and to make a worthy contribution to our knowledge and thinking on things theatrical. Ultimately,

he will decide the winners – rest assured he will not have an easy task.

This year, there has been a major effort in re-establishing the fringe of the Festival and the wider community's participation in it. There will be workshops, exhibitions, floral displays and competitions, involving people of all ages. There has been a major investment in the Festival Club, both in physical terms and in terms of the quality of entertainment provided there – it will not alone be a Festival add-on but an intrinsic part of it – avoid it at your peril! Adulthood may

have been achieved, but with a slight allowance for some delinquency.

Over the years, the shape of this Festival has been sculpted by the collaboration of community, of sponsors, of committee, of groups, of adjudicators and, above all, of our audience – the most respected in the country. If you survive this audience's judgement, then you have, indeed, a quality piece of work. If, equally, you make genuine effort, then these efforts will be appreciated. It's an audience that craves perfection but acknowledges honesty. It's an audience that, I am sure, is so looking forward to the next few weeks. The Festival begins with the Bill Canning Memorial Bursary on Sunday, March 2nd with the competition proper beginning on Thursday, March 6th and finishing on Sunday, March 16th. Full programme can be found elsewhere in this issue. Booking has opened from Wednesday, February 26th (2-8 p.m.) at (058)60456.

### Brideview Drama's production of Dancing at Lughnasa

Last weekend saw great fun in Tallow, with the first set of performances of Brideview Drama's production of Dancing at Lughnasa. On again this Friday and Saturday, both performances were very well received by everyone who attended.

Brideview Drama was particularly pleased to see so many actors, members and friends from neighbouring drama groups. The cast did very well, overcoming first-night jitters with ease and settling into their roles comfortably. Noelle and Terry, first-timers with the group, fitted in very well.

Behind the scenes, the hard work by Emma Mangan, David Murphy, Ed Power, Moll, Mary Curley, James and Deirdre paid off handsomely. The lighting and staging are the most ambitious the group has ever attempted and were universally

hailed as a triumph. All the sponsors liked the play, as well, which is always important, of course!

Dancing at Lughnasa is a very accessible play about a family facing unavoidable change in their seemingly comfortable life. The 5 unmarried Mundy sisters have to cope with not only their own relationships, but also with a rise in unemployment and the return of the men in their lives. All the actors have good, solid roles and take every opportunity to entertain. We even had the many kids in the audiences laughing along.

After this weekend the production goes on tour, competing around the country in various drama festivals (wish us luck!). You can see Dancing at Lughnasa at Tallow Community Centre this Friday and Saturday (February 28 & Mar 1) at 8.15 p.m.

## BILL CANNING MEMORIAL BURSARY

This year's Bill Canning Memorial Bursary takes place in St. Michael's Hall, Ballyduff, on Sunday, March 2nd. This year's competition is confined to voice with the works emanating from light opera, operetta, musical comedy and musical theatre. There are nine competitors representing five colleges – Dublin Institute of Technology, Waterford Institute of Technology, UCC, Cork School of Music and the Gaiety School of Acting. The competitors are the cream of young Irish musical talent and so the audience can be guaranteed a brilliant evening's entertainment with pieces from shows as diverse as *The King and I* and *The Merry Widow* and from composers from Mozart to Rodgers & Hammerstein.

Just two years ago, Bill Canning was suddenly taken from us, and his departure left a void in the Community and Theatrical life of West Waterford and East Cork, which, we knew, could never be refilled. All that could be done was to ensure that his presence among us would be remembered and that his contributions would be acknowledged – a small honour for a life of creativity and sharing. Out of this desire developed the notion of a Bursary in his honour.

Bill was a true lover of the performing arts, in all their guises and believed that the community should be at the core of this activity. He also believed absolutely in high standards and, whether in the arts or in other areas of endeavour, believed that education was the great equaliser. With this in mind, it was relatively easy to develop an idea of which Bill would certainly have approved. The main intentions of the concept were that:

- West Waterford Drama Festival would host an annual prestige event as a fitting memorial to Bill
- The event would consist of a competition in the performing arts
- The event would be confined to full-time students of third-level educational institutions
- The performing art would vary from year to year
- It would be a collaboration among the Festival, commercial sponsors, state agencies and third-level colleges
- It would provide a platform for artistic excellence
- It would be a component within the Drama Festival itself

The event could never have taken place without external financial support. A more than willing major sponsor was found in the form of Tallow Area Credit Union Ltd., and with further support from the Arts Office of Waterford County Council, the concept became reality. Last year's inaugural event was confined to performers in classical music and was a splendid success. The standard was excellent and the winner, who wove his magic on the cello, was a Hungarian student, Sandor Stompf, representing the University of Limerick.

Adjudicator for this year's event is world-renowned Dr. Veronica Dunne with the total bursary to the value of 1,500. There is a reception at 7.45 p.m. with the competition beginning at 8.15 p.m. Tickets can be booked on (058)60456.

## West Waterford Children's Writing Competition

The 2003 West Waterford Children's Writing Competition has now closed and the organisers, the Tallow Writers' Group, would like to say a big thank-you to the many children who entered.

Being judged by Grace Wells, children's author and South Tipperary Literature Officer, the competition had many entries of poems and stories – some very beautifully illustrated. Prizes are sponsored by David Walsh of Dungarvan (the school equipment and stationery supplier) and we'll hold the prize-giving in his shop on Lower Main Street (we'll let everyone know when that's happening).

We'd particularly like to thank all the parents and teachers who encouraged their kids to enter, as well as Breda Geary, Mary O'Brien and Sheila O'Brien for their help in organising the competition.

The winning entries in the competition will be published in the next issue of IMAGINE magazine, out in early summer. Issue 3 of IMAGINE is out now and on sale in all sorts of shops. If you'd like to know more about the competition, writing group or IMAGINE, call 058 59121. The Group meets every second Thursday in Tallow and we welcome new members.

## KNOW YOUR RIGHTS

**QUESTION:** I believe that there has been an increase in the charges for accommodation in public hospitals. Can you please give the new rates?

**ANSWER:** You are correct. From 1st January, 2003 the charge for in-patient services in a public ward has increased by 11% from 36 to 40 Euro a day (subject to a maximum of 400 euro, ie 10 days, in any 12 months period). If you are in two or more hospitals in the course of the year and your stay exceeds 10 days in hospital you should bring this to the attention of the last hospital you attend.

Everyone is entitled to public in-patient services regardless of their income but subject to the statutory charge mentioned above. There are a number of groups who do not have to pay the statutory charge including medical card holders, women receiving maternity services, children up to the age of 6 weeks, children suffering from prescribed long-term illnesses, children referred from health clinics and school examinations and people receiving treatment for long term infectious diseases. In case of undue hardship a Health Board may provide the service free of charge.

There has also been an increase of 10% in the charges for certain categories of private and semi-private accommodation. The new daily rates, with the old rates in brackets are as follows:

Hospital Category	Private	Semi-private	Day-care
Health Board Regional Hospitals Voluntary and Joint Board Teaching Hospitals	332 (301.97)	260 (236.12)	239 (216.83)
Health Board County Hospitals Voluntary Non- Teaching Hospitals	276 (250.57)	223 (202.39)	198 (179.89)
Health Board District Hospitals	156 (155.79)	133 (133.32)	116 (115.64)

These charges are additional to the public hospital statutory in-patient charge given above.

## MONEYMATTERS

### TEACHING YOUR CHILD GOOD MONEY SKILLS

Do you scream every time you hear your kids say, "I want it, I need it, all the other kids have it". Do you wonder how you can possibly help your children understand that money does not grow on trees?

Children these days are bombarded with advertisements for everything from clothes to mobile phones to the latest trainers and parents often find it difficult to say "no" much less help their children develop financial skills that will last a lifetime. However, it is very important to remember that if children are not taught good money skills from a young age they may never pick them up.

Attitudes about money begin in the home so it is very important for parents to get their financial house in order. Children's attitudes about money are based on the things they learn. Treat your own money with respect. Small changes in your money habits such as bending down to pick up a penny or counting your change instead of stuffing it in your wallet, teach your child that even small amounts are important.

Give small children play money and let them play shopkeeper. Give children an allowance. Have a list of "little jobs" and let them earn extra by doing these "jobs". Set goals to help them learn the value of money. Let them save for a new toy or bike. As they get older let them save for College. Open their own savings account and encourage them to save a small amount each week to build up good saving habits. When children are older let them get a part-time job. They will gain work experience and start to see the connection between work and earning money. Explain in general terms the costs of running a home, buying a car, saving for an education, travel etc. By educating your children about money you can all enjoy your money more because everyone will appreciate that "it does not grow on trees" and as well as that you are setting them up with skills that will stand them in good stead throughout their adult life.

### KCK Ladies Club

At the opening meeting of 2003 on the first Monday of February Mary Fahey gave an interesting and informative talk on oral hygiene and dental care. The March meeting of the club will take place in Blackwater Garden Centre at 8pm. It is important to note that most of the centre is now under cover so the weather will have no bearing on the trip. ## Jobs For People With Disabilities

Waterford Labour Deputy Brian O'Shea wishes to state the following:-

Waterford County Council is the leader among the County and City Councils regarding employment for people with disabilities.

Waterford City Council which provided 6.80% whole-time job equivalents for people with disabilities was way out in front of the other Councils with more than twice the three per cent minimum quota on January 1st 2001.

Among the City Councils, Waterford was followed by Limerick at 5.13%, Dublin at 4.37%, Cork at 3.83% and Galway at 0.58%. Waterford County Council came 11th among the 29 County Councils at 2.72% just short of the 3% quota.

## DISABILITY AWARENESS SCHIZOPHRENIA

### What is Schizophrenia?

Schizophrenia affects approximately 1% of the population. It is a disease of the brain, and is one of the most disabling and emotionally devastating mental health disabilities. It has been misunderstood for many years, it was thought for many years that Schizophrenia meant a split personality, this is not the case, it has a biological basis, and is not caused by the persons life experiences. There is no cure for schizophrenia, but it is possible to control it with drug therapy, and people with the disability can lead productive lives.

### What are the symptoms of Schizophrenia?

Schizophrenia is characterized by a collection of distinctive and predictable symptoms, the symptoms include: Thought disorder (the inability to think clearly and logically), delusions, hallucinations (Hearing voices, that others cannot hear), behavior change (inappropriate laughter and mannerisms), concentration (vague decision making), difficulty in sleeping, lack of personal hygiene, unrealistic plans or schemes, emotional responses that may be unexpected or inconsistent.

### What causes Schizophrenia?

The causes of schizophrenia are not known, research has shown that a number of factors appear to increase the risk of developing the disability, but it is not clear how these factors relate to each other. The main causes are as follows:

- Genetic factors, but research has found that 60% of people suffering from schizophrenia have no family history of the disability.
- Chemical defect in the brain
- Viral infection
- Drug abuse
- Severe stress

### How is Schizophrenia diagnosed and treated

A diagnosis of schizophrenia can take a long time to be recognized, the symptoms may not be noticed until the illness has already advanced to the late stages of the disability. A psychiatrist usually makes the diagnosis, and second opinions are usually required. Three quarters of people with schizophrenia develop the illness between the ages of 16 and 25.

The treatment for schizophrenia includes medical treatment, behavioral therapy, psychological therapy, and social therapy. It is often necessary to treat people in hospital in cases of acute schizophrenia, and once the person leaves the hospital environment, some can go into units to help them adjust to life, these units give them independence, but there is help available when necessary.

### The outlook for people with Schizophrenia

It is important for people with schizophrenia to follow the prescribed medication, and keep in close contact with their mental health team. Although there is still no totally effective therapy for the disability, many people improve enough to lead independent and fulfilling lives. (Some people will need constant care and attention). Schizophrenia is a complex disability, a better understanding of the disease has helped to improve the lives of those with schizophrenia and the lives of their families.

# BALLYMACARBRY NEWS

## Ardfinnan Tidy Towns Annual General Meeting

There was a large attendance present at the Annual General Meeting of Ardfinnan Tidy Towns which was held recently with representations from The Community Council, Scouts and the GAA attending. All outgoing officers were returned unopposed.

Chairperson, Babs McNamara in her address thanked her fellow officers Peggy Kennedy and Pat Quinn and the committee for all their work throughout the past year. A thank you to the FAS workers and South Tipperary County Council and to all who helped in any way.

Get well wishes were extended to Very Rev. Fr. Jerry Condon P.P. for a speedy recovery and they all hope to have him back in the parish soon.

Cllr. Michael Anglim (FF) attended. He was asked to make representations to South Tipperary County Council, on work that is waiting to be carried out for years, footpaths on the Clonmel Road, repair to existing footpaths, railing at St. Finian's to be replaced, a wall from the Hill Bar up to the hill on the left.

Recent vandalism in the village was discussed. Amongst other things, signs have been damaged in the village, these signs were erected with money collected from the kind people of Ardfinnan. Is there any hope of having pride in our own place. It would be pointless carrying on with work in the Tidy Towns if this vandalism is to continue.

Marks for 2002 were 222, they received third prize in the category in the county. At present they are doing very well in their progress and with a little more help from the

community and the County Council could achieve a lot more. They are appealing to the councillors and the elected representatives to help.

## Medical Ward Opens At St. Joseph's Hospital

An exciting development took place at St. Joseph's Hospital, Clonmel on Saturday 15th February with the opening of part of phase one of the new hospital development through the occupation of a state of the art 35 bed medical ward. Twenty beds from the old St. Joseph's ward and fifteen medical beds from St. Anthony's Unit were transferred to the new area, now named Medical 3 ward. This long awaited move is the beginning of the transformation of acute hospital services in South Tipperary that will see the amalgamation of services on one site following the transfer of surgical services from Cashel to Clonmel. The successful opening of the new area is the culmination of planning and team work by the staff at St. Joseph's Hospital. The transfer of patients and the opening of the new ward went smoothly thanks to the wonderful co-operation of all staff and patients involved.

There was a sense of nostalgia from the staff of St. Joseph's ward who have left their old work environment behind in anticipation of working in the new bright, totally modern ward. St. Joseph's ward will now provide accommodation for the Coronary Care Unit and a new step down Coronary Unit. It is also planned to develop a medical assessment unit in the ward incorporating the present Treatment room. St. Anthony's Unit will be returned fully to the elderly care services.

Members of the public who wish to visit patients in the new medical ward 3 should enter from the ground floor through St. Joseph's ward and follow the signs to the lifts in the new building. Medical 3 is on the second floor.

Also celebrating her birthday was Mary Harvey, Liam Wall's mother-in-law, Liam is son of Ita.

### Late Mr. John Waters

With deep and sincere regret we pen the death of Mr. John Waters, Sir John's Tee, Carrick-On-Suir which sad event took place suddenly as he was enjoying him-self at a Social Benefit night in the Carrig Hotel. John was born on July 6th 1931 to the late Andrew and Margaret Waters, Tracey Park and was predeceased by his brother William and sister Mary O'Rourke. John had a varied working life which began as a groundsman in the Golf Club. He spent twenty years at Dowley's which included working on the Knockagow boating cargo between Waterford and Carrick. In the early seventies he took up employment on the construction of the Merck, Sharp and Dohme plant at Ballydine. John could have gained permanent employment in the factory when it opened but he preferred the outdoor life. He was an immensely strong man and many stories are told about him knocking trees and drawing the timber home on his bicycle. He was also a noted man at tug-o-war. John had a distinguished hurling career mainly with Carrick Swans, winning four Senior South Tipperary championships, a minor championship and a Dollard Cup medal. When in the mid 50's a junior team was formed in his home area of Tracey Park, he threw his lot in with them. At that time, a combination of Junior teams were able to compete in the Senior championship and thus John was a member of Na Piaraisaig, a south division side that lost to Thurles Sarsfields in the 1957 County final.

Since his hurling days, he maintained good friendship with many team mates, Theo English, Tom and Willie Wall, Sean Walsh, John O'Donovan and many others. Appropriately on the night he passed to his eternal reward, he was attending such an event and he was photographed with the McCarthy Cup which was taken to the Hotel by the Kilkenny Captain Andy Comerford. In September 1960 he married Josie Grace from Piltown and they had a family of four sons and one daughter. In March 1991, John suffered a severe stroke but his strength, courage and determination allied to the support of his wife and family helped him to lead a reasonably normal life in the intervening years. He loved walking and liked to walk on the bank of the River Suir near his old home area of Tracey Park. The funeral took place from Walshes Funeral Home, Carrick-On-Suir to the parish church of St. Nicholas where they were blessed and received by Rev. Fr. Richard Geoghegan C.C., Carrick-On-Suir/Faugheen. On the following morning, requiem Mass was celebrated for the happy repose of his eternal soul, the celebrant was Rev. Fr. Richard Geoghegan C.C. assisted by Rev. Fr. M. Farrell P.P., Tallow and a former curate Carrickbeg/Windgap. After Mass the funeral took place to St. Mary's Cemetery, Carrickbeg where he was laid to rest. To his wife Josie, sons, daughters, brothers and his many relatives we extend our sympathy. A guard of honour was provided by past team mates of the Swan and Na Piaraisaig, a large number of GAA personalities and County Board officials were present.

### Late Mr. Francis Joseph Kearney

It was with deep and sincere regret the district learned of the sudden and unexpected death of Mr. Francis (Frank) Joseph Kearney, Millfield, Ballydine and late Priorstown, Kilsheelan, Clonmel which sad event took place at his residence on Thursday 13th February. Deceased in his mid fifties, was a member of a well loved and respected County Tipperary family. A kind and loving person he was a friend of everybody, his integrity, courtesy and outgoing sincere nature commended him to young and old. He was acknowledged over the years as one of nature's gentlemen whose unassuming courtesy and outgoing sincere nature were readily appreciated by all who knew him. He was a man who never sought the limelight, but came forward if help was needed. No harsh or unkind words ever passed from his lips. He was a person who had a great interest in horse racing and over the years he attended many meetings at home and England and at a stage he owned race horses. In all his greatest past time was the game of 45 and poker. Over many years he was a regular at the Fourmilewater Hurling Game at the Oriel Bar, Ballymacarbry where he made many lasting friends, from that game on a Friday night his presence was missed. He was a kind and loving husband and to his beloved wife Gemima and the Daryan family we extend our sympathy. Many tributes have been paid to this fine type of man but perhaps the finest was paid to him on Saturday evening when all walks of life were represented in the vast concourse of mourners who were present when his remains after the rosary was recited were removed from O'Donoghue's

## Ghanian Priest Celebrates Mass in the Nire

On Sunday last, Very Rev. Fr. William, a native of Ghana and a member of the Holy Ghost Order celebrated the 10am Mass at the Parish Church of St. Helena in the Nire Valley. He spoke of his upbringing and being two years on the streets before being taken to a seminary by a friend where he studied for the Priesthood and being ordained. Life in the Missions in Africa is tough but they get along. Some times they have to walk up to twenty miles. He also spoke of the help from the Irish people.

Funeral Home, Clonmel to Gambonsfield Parish Church, Kilsheelan where they were blessed and received by Rev. Fr. William Carey P.P. Kilsheelan/Kilcash. On Sunday morning, the feast of St. Onesimus (disciple of St. Paul) the 11am Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. William Carey P.P. After Mass as an easterly breeze blew along the Suir Valley, a kind and loving man was laid to rest. Fr. Carey P.P. officiated at the grave side in the presence of another large concourse of mourners who came from many parts to pay their final respects to a Christian friend whose memory they will treasure. To his wife Jemima, brothers, sisters and his many relatives we extend our sympathy.

### Late Mrs. Anna O'Riordan

With deep and sincere regret, we pen the death of Mrs. Anna O'Riordan (nee O'Keeffe), Clonmel, Co. Tipperary and late Balintaw, Athlaca, Bruce, Co. Limerick which sad event took place at St. Joseph's Hospital, Clonmel on Tuesday 18th February. The deceased was a very estimable lady of many charming traits of character. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition made her popular with all. A lady in every sense of the word, she was highly respected by her family, neighbours and her many friends who recognised and appreciated her as a caring and extremely kind person who could be relied upon to react swiftly and without fuss to any situation in which she was needed. Of a quiet and unassuming disposition, she had a great sense of fun and humour which made her delightful company. She was possessed of a deep faith and practised her religion devoutly. She was wife of Enda O'Riordan, a man who did trojan work on the erection of the Irish Wolfhounds to the Liam Lynch monument on the Knockmealdown Mountains. She was a kind and loving wife and mother, her greatest passion in life was for her husband and children, to them she was utterly devoted and they in turn thought the world of her. Her demise has evoked feelings of sincere regret among her family, friends and neighbours. The respected and high regard in which deceased and her family are held over a wide area was truly evident by the large concourse of mourners who were present when her remains, after prayers were recited, were removed from O'Donoghue's Funeral Home, Clonmel to S.S. Peter and Paul's Parish Church, Clonmel where they were blessed and received. On Friday morning, the feast of St. Severianus (martyr), requiem Mass was celebrated for the happy repose of her gentle soul. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where a kind and loving mother was laid to rest. To her husband Enda, son, daughters, sister, brother and her many relatives, we extend our sympathy.

### Late Mr. William O'Dwyer

It is with deep regret we record the passing of Mr. William (Bill) O'Dwyer, Garronlea, New Inn, Cashel which sad event took place at his daughters residence in Cahir on Saturday 8th February, exactly years after the death of his wife.

Deceased was a member of a well loved and a highly respected family connected to the agricultural community. He was a hard working, honest and industrious man. Over the years he followed the fortunes of the GAA all his life. He had a great love of horses and he never missed the Annual Horse Show. For some time he had not enjoyed the best of health and his death, so sudden in the end, came as a shock to his family. His remains were removed from Devitt's Funeral Parlour, Cashel to the Parish Church, New Inn where they were blessed and received by Rev. Fr. John O'Connell P.P. New Inn/Knockgraffon. On Monday morning, the feast of St. Scholastica (Abbess) concelebrated Mass was celebrated for the happy repose of his immortal soul. Chief celebrant was Rev. Fr. John O'Connell P.P. assisted by Rev. Fr. Pat Burns C.C. New Inn/Knockgraffon, Rev. Fr. Sean Fogarty P.P. Clonaulty/Rossmore, Rev. Fr. Sean O'Dwyer P.P. Cahir and Rev. Fr. Michael Ryan C.C. Tipperary.

After Mass he was laid to rest in the adjoining cemetery. The hundreds of mourners who were present on both days showed the popularity and respect in which Bill was held.

To his son, daughters, brother and sister and his many relatives we extend our sympathy.

# Horoscopes with Ali

This week's horoscopes are provided by Ali, one of Ireland's most gifted mystics.

For a more complete reading dial the 1550 number listed beside each star sign.

**ARIES**  
Mar 21 to April 20

A close relationship is nourished by small and sweet day-to-day gestures. Holding hands while taking a walk. Slowing down long enough to give a hug. Gestures grow naturally from love but become habitual. How can you keep the flame burning? Whether you are dating or have grandchildren, do not stop showing affection in little ways. Telephone 1550-920-257 for a detailed astrological analysis. ☎ 1550-920-257

**TAURUS**  
April 21 to May 21

In expressing truth, keep in mind that the truth you speak is from your perspective and based on your experience. When you open yourself to hearing the truth of others from their perspective, you need to expect that some of what you thought true, isn't! In love, avoid opting for extremes and try to find a balance. Be positive in your outlook. Telephone 1550-920-258 for more on love and luck. ☎ 1550-920-258

**GEMINI**  
May 22 to Jun 21

Find out if doubts or suspicions are grounded in reality. Don't worry or wonder about it. Get answers and recognise your right to ask questions. There is no more bypassing an honest, frank discussion. Concerns may be valid but don't leap to conclusions. Someone keeps emphasising differences where you only see similarities. Both perspectives are valid. For more celestial perspectives, telephone 1550-920-259. ☎ 1550-920-259

**CANCER**  
Jun 22 to July 22

Despite understandable anxieties based on past experience, learn to risk again. See the world as a gigantic, wondrous mystery that you have to understand. Life is an adventure. Say "I want to know, feel, touch, taste and understand everything and there isn't time to do it all, so I have to do it NOW!" Value every moment. Take a moment to telephone 1550-920-260 for a detailed astrological assessment. ☎ 1550-920-260

**LEO**  
July 23 to Aug 22

The Buddhists say "We wake up as angels but fall asleep as demons because all day long we rush for security." We push, we shove because we fear or because we forget to consider what is truly essential and what truly matters. Security lies in you. YOU are your only security. Know that you can count on you and you know a lot! Know more astrologically speaking by telephone 1550-920-261 for a detailed update. ☎ 1550-920-261

**VIRGO**  
Aug 22 to Sept 22

Every time you put our hand out to someone, you run the risk of being slapped. But you also stand the chance of somebody reaching out and touching you in love. It is a chance worth taking with so much at stake. The stakes are high but expect luck in love. In work, you may have to make your own luck by creating opportunities. Use your imagination and be prepared to do things differently. Telephone 1550-920-262 for details. ☎ 1550-920-262

**LIBRA**  
Sep 23 to Oct 23

To strive for intimacy is a risk and may bring pain but the only way you are ever going to see yourself and to grow is in an intimate relationship. Avoid putting up those defence screens and stop using logic as a weapon. Get in touch with feelings. A family member feels forgotten. Make that call and make someone's day. Call 1550-920-263 and make your own day with further astrological insights. ☎ 1550-920-263

**SCORPIO**  
Sep 23 to Oct 23

Remember, romance is not and should not be found only on the big screen. To people who sigh at movies and say "How wonderful but that could never happen in real life" there should be the reply "why not?" It should and it can. Being a Scorpio, you know this! This is a time when you embrace your independence and get all the help you need. Telephone 1550-920-264 for a detailed analysis of current celestial trends. ☎ 1550-920-264

**SAGITTARIUS**  
Nov 22 to Dec 20

A special someone drifts into your life, providing belief in dreams close to your heart. A change of pace in your love life will be exhilarating. You are ready for what life offers. A cluttered environment will dampen your momentum toward a goal. Take time to organise. Recognise the impact company has on you and be selective in your connections. Telephone 1550-920-265 for a detailed astrological assessment. ☎ 1550-920-265

**CAPRICORN**  
Dec 21 to Jan 20

In love, you know your bottom line but are ever ready to give a second chance. You are more focused on the future. Revise your personal mission statement or write a new one altogether. Align yourself with friends who are motivated. Someone is waiting to see how willing you are to offer compromise. This is a test and you can pass if you want to. Want to know more? Then telephone 1550-920-266 for details. ☎ 1550-920-266

**AQUARIUS**  
Jan 21 to Feb 19

You forgive and therefore grow past the one in your life who will not forgive. A romantic relationship needs a little spark. Be spontaneous and feel free to break from set schedules. Avoid a tendency to justify all actions to others. Be yourself. There is no shortage of approaches to a problem. The important thing is that you pick one! Pick up that phone and dial 1550-920-267 for further celestial insights. ☎ 1550-920-267

**PISCES**  
Feb 20 to March 20

A friend's recommendations may prove useful but at the end of the day, you know what is best for you. The purpose of life is simply to count, to matter, to have it make some difference that you lived at all. How can you do that most? Through love. Love yourself and others and make your personal life your priority. Life is short and no-one lives forever. Telephone 1550-920-268 for a full analysis. ☎ 1550-920-268

# Divine Dahlias

Dahlias are beautiful plants which flower from July until cut down by frosts.

The dahlia has 30 species, but well over 20,000 cultivars. They have mid to dark green leaves, long, usually pinnate and toothed, but they are grown for their flowerheads and cultivated in a variety of forms.

They flower from mid-summer through to autumn, and are susceptible to the cold.

Dahlias are informally divided into types - tall growing "border" and low growing "bedding." All are good for display and cutting.

Dahlias do very well if sown in the third week of February to be put in greenhouses.

They germinate in a temperature of 13 to 15°C (55 to 60°F). Use a peat-based seed compost in clean seed boxes or trays.

Prepare the trays the day before you sow the seeds, give the soil a thorough watering and drain.

Sow the seeds thinly with soil and place a sheet of glass over each tray then cover the lot with brown paper.

Watering should be done either from a can with a fine rose or by holding the pan almost to its rim in a tub of water.

If you do not have a greenhouse, you can sow in the third week of March on a frame in a sheltered place with soil-warming cables installed.

Seeds can be sown directly in the frame or from boxes or trays. The latter makes handling easier later on.

If you are unable to start dahlias in a greenhouse or heated frame, then you can do so in the third week of April on an unheated frame. Arrange close together and cover in soil. Water moder-

ately but increase supplies as growth begins. Cover the frame every night with sacks and remove them in the morning. Dahlias introduced into the greenhouse in the third week of February should start making a growth by the third week of March, so you can obtain the frost batch of cuttings.

Sever roots just above the tuber, when they are about 5cm (2in) long, leaving a tiny stump still attached. The stump will send out two or three new shoots which can be taken as cuttings.

Prepare the cuttings by trimming just below a joint, remove lower leaves and insert 2cm deep in sandy soil in a propagating case at 16 to 21°C (67-70°F). Water freely. Take cuttings as they become available. Dahlia cuttings should be potted in April, directly they are rooted. They should be potted in 8cm pots, unless you inserted them single previously in

which case no move is needed.

During early May, bedding plants in frames must be given as much ventilation as possible, but do not expose them to any frost.

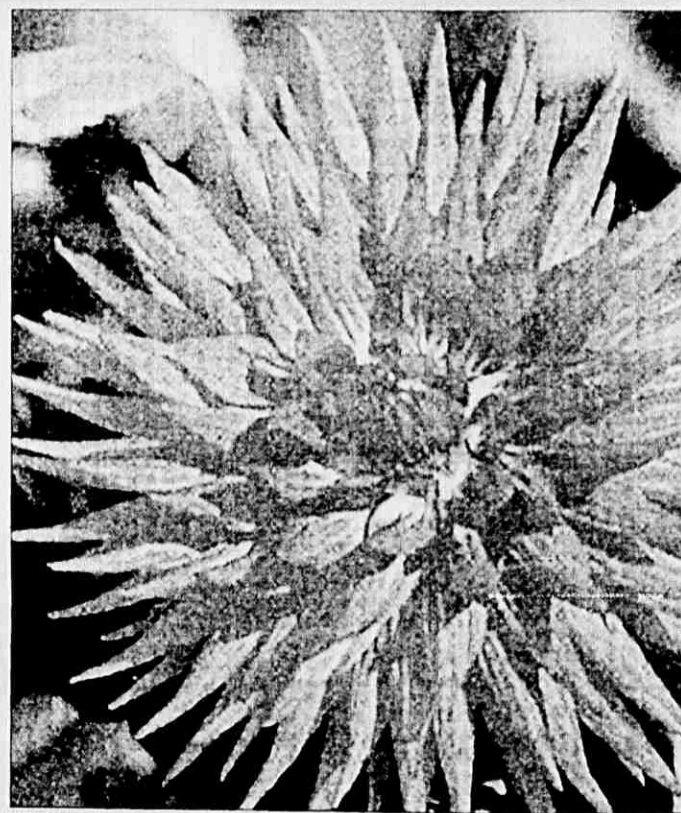

If the weather appears settled, plant out dahlias from frames or greenhouses in the first week of June. Plant with a trowel, giving the roots plenty of room and firm the soil around them. Water liberally if the soil is dry.

If for exhibition, dahlias must be thinned out in July. Good strong plants of the large flowered variety must carry three stems and no more. Remove others, keeping only the sturdiest.

If grown only for the garden they can be left to grow naturally. All will benefit from liberal soaking with weak liquid manure every few days.

Throughout July and August, remove dead flowers.

Plants that have been growing out of doors must be lifted to frost-proof quarters in October just as soon as their foliage is blackened by frost. Cut off dead growth and store for winter.

## This Week In The Garden?

### Pot annuals for the greenhouse

If you were able to sow annuals in September for flowering in the greenhouse in the spring it is now time to pot them in 13cm to 15cm pots.

### Sow broadbeans and Lettuce

Sow broad beans in boxes or pots this week - do not scatter the seeds haphazardly. If you want to have lettuces to hand very early this year plant this week.

# IN MEMORIAM

**COSTIGAN** — Twenty-fifth Anniversary — In loving memory of James Costigan, late of 15, Cathal Brugha Place, Dungarvan, who died on March 1, 1978.

Put Your arms around him,  
Lord,  
And kiss his smiling face,  
For he is very special,  
And can never be replaced.  
They say that time heals everything,  
But I can't believe it's true,  
For the ache in my heart is still the same,  
As the day I lost you.  
(Lovingly remembered by your daughter Nellie, Mary and Willie).

**COWARD** — Fifteenth Anniversary — In loving memory of my late sister Chrissie Coward, late of 6 Congress Villas, Dungarvan who died on 24th February 1988.

A day to remember, sad to recall,  
Without farewell you left us all,  
Your name is often mentioned,  
Our thoughts are with you still,  
You haven't been forgotten,  
What's more you never will.  
(Always remembered by your loving brother Locky, sister-in-law Kathleen and family).

**CROTTY** — Second Anniversary — In loving memory of our dear nephew, John Crotty, late of 16, Thomas Terrace, Dungarvan, who died on February 21, 2001.

We think of you in silence,  
And often speak your name,  
How we would love to hear your voice,  
And see you smile again.  
You may be out of sight,  
We may be world's apart,  
But you are always in our minds  
And forever in our hearts.  
(Always remembered by his loving aunts in the John Crotty family).

**GRIFFIN** — Fourth Anniversary — In loving memory of John whose anniversary occurs on March 2nd.

As the days go by and years unfold,  
Memories of you will never grow old.  
(Always remembered by Davina, Eddie and Emily).

**GRIFFIN** — Fourth Anniversary — In loving memory of my dear uncle John Griffin, late of Belleville, Cappoquin whose anniversary is on March 2nd. Masses offered.

Candles are burning for you today,  
In a little church not far away,  
As we lit them we whispered low,  
God bless you John we miss you so.  
(Never forgotten by your loving niece May and Yvette XXXX).

**GRIFFIN** — Fourth Anniversary — In loving memory of my dear brother John, late of Belleville, Cappoquin who died on March 2nd 1999.

There is a beautiful path in a wonderful land,  
Where John and God walk hand in hand,  
How lucky is God to have such a treasure,  
Look after him God forever and ever.  
(Sadly missed by your loving sister Peggy).

**HENLEY** — Fifth Anniversary — Remembering with love today a loving husband and Dad Liam, late of Currareigh South, Tallow, who died on March 2, 1998.

Our hearts are full of memories,  
We treasure them with care,  
But the way you had to leave us,  
Will always seem unfair,  
We never knew that morning,  
What sorrow the day would bring,  
When a heart of gold stopped beating,  
And we couldn't do a thing,  
A quiet thought, a silent prayer,  
For someone special in God's care.

(Dearly loved and sadly missed by his loving wife Alice, daughters Veronica, Audrey, Mary and Jackie and sons Brian and Roy).

**MAHONEY** — Second Anniversary — In loving memory of Monnie Mahoney, late of 47 Childers Estate, Dungarvan, who died on February 27, 2001, aged 26 years.

I did not see you close your eyes,  
I did not see you die,  
All I knew was that you were gone,  
Without a last goodbye.  
It was a sudden parting,  
Too bitter to forget,  
Only those who loved you,  
Are the ones who will never forget.  
(Always remembered by your aunts Kitty, Breda and family).

**MASON** — Fifteenth Anniversary — In loving memory of our dear mother Nora Mason, Shanbally Tce., Cappoquin who died on the 29th February 1988. R.I.P. Masses offered.

You were always there when we needed you,  
No task too great or small,  
With willing hands and a loving heart,  
For us you did it all.  
(Lovingly remembered by your sons and daughters at home and away).

## MONTH'S MIND MASS

LATE HELEN PHELAN

Month's Mind Mass for the late Helen Phelan, Ballyneety, Dungarvan, will take place on Friday, February 28, in Kilgobinet Church at 7.30 p.m.

**NAGLE** — Fifth Anniversary — In loving memory of my dear father, Patrick Nagle, late of 14, Cathal Brugha Place, Dungarvan and Basingstoke, England, who died on March 6, 1998. R.I.P. Anniversary Mass on Thursday March 6th in St. Mary's Parish Church at 7.30 pm.

### DAD

If I could visit heaven,  
On this my saddest day,  
Maybe for a moment,  
The pain would go away.  
I'd put my arms around you,  
And tell you words so true,  
That living life without you,  
Is so very hard to do.  
But wishing gets me nowhere,  
And loving seems in vain,  
So I will hold you close within my heart,  
Until we meet again.

(Sadly missed by your loving daughter Lorraine, sons Pat, Richard and grandson Aaron).

**POWER** — Second Anniversary — In loving memory of the late Ann Power, late of Touraneena whose anniversary occurs on the 2nd March. Anniversary Mass is on the 2nd March at 11 o'clock in St. Mary's Church, Touraneena.

Life is a beautiful memory,  
Her death is a silent grief,  
She sleeps in God's beautiful garden,  
In the sunshine of perfect peace,  
I miss her oh so much,  
But knew that God knew best,  
He let me have her for many years,  
Then gently bid her to rest.

(Sadly missed, loved always by your loving husband Tony XXX).

**POWER** — Seventeenth Anniversary — In loving memory of my dear husband Roger Power, Woodview Park, Tallow who died on 27th February, 1986.

You never miss the sunshine,  
Till the evening shadows fall,  
You never miss loved ones,  
Till they are gone beyond recall,  
So be forever with him Lord.

Hear him should he call,  
And light a star above his grave.  
When evening shadows fall,  
(Always remembered by his loving wife Pauline and family).

Nobody knew that night,  
What the morning would bring,  
A heart of gold stopped beating,  
And we could not do a thing,  
We did not say our last goodbye.

That reason now we know,  
You knew we loved you so much,  
And would not let you go,  
You taught us much, and no matter how  
Much life gets us down,  
We have to stick together and carry on,  
You fought with courage till the end,  
And told very few,  
And when we are sad and lonely,  
We visit that special place,  
You now call home,  
And place a bunch of flowers,

Sit and talk for a while,  
And if you see us crying,  
Mam forgives for we knew you  
Had to go but we miss you so much.  
(Always loved, sadly missed by your sons and daughter).

Mam a loving heart stopped beating,  
On a sad winter day,  
The gates of heaven opened wide,  
And God took you away,  
Precious people in life are few,  
That's why Mam, there's only one of you,

You taught me many things in life,  
Always good and true,  
But you never taught me how to cope,  
With the pain of losing you,  
I had a Mam in a million,  
I loved her till the end,  
I lost two precious things that day,  
My Mum and my best friend.

(I'll never forget you Mam, always loved and missed your daughter Valerie and Eddie XXX).

Take care of her Lord,  
As she takes her rest,  
She was my Nan,  
And one of the best.  
(Miss you lots — your grandson Dylan XXX).

**WOODS** — Thirteenth Anniversary — In loving memory of John Woods, late of 46 Caseyville, Dungarvan whose anniversary occurs on February 25th, 1990.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved,  
In the centre of God's garden,  
There is someone special there,  
That someone is our father,  
The best beyond compare.  
(Lovingly remembered by Tommy, Nuala and family).

## Birthday Remembrances

**MURPHY** — Birthday Remembrance of my dear mother Eileen Murphy, late of Parkdotia, Tallow whose birthday occurs on 26th February. No length of time can take away,

Our thoughts of you from day to day,  
Though absent you are always near,  
Still loved, still missed, still very dear,  
(Loved and remembered today and everyday your heart broken daughter Margaret XXXXX).

**POWER** — Birthday Remembrance of Lizzie Power, late of 20 Keating Street whose birthday occurs on February 27th.  
(Thinking of you today Mam and always your son Gerry, Kathleen and family at home and away).

## CHELTENHAM COUNTDOWN

**The Tote Cheltenham Gold Cup** — First run as a three mile flat race in 1819 the Tote Cheltenham Gold Cup as known to-day was introduced in 1924 and won by Red Splash. Sponsored by the Tote for the past 22 years only five horses have won the race more than once in its history. Of the last 21 runnings only four favourites have won and in eighty years only 11 jockeys have won the Smurfit Champion hurdle and Tote Cheltenham Gold Cup in the same year, AP McCoy being the most recent in 1997. Looks Like Trouble won the millennium running of this race and in doing so provided Irish born trainer Noel Chance with his second victory as he saddled 1997 winner Mr. Mulligan. In 2002 The Cheltenham Gold Cup went to County Kerry born rider Jim Culloty who rode Best Mate to victory for the Henrietta Knight yard. Jim Culloty went on to complete a memorable jumps season for him when capturing the Aintree Grand National on Bindaree.

**The Christies Foxhunter Steeplechase** — Billed as the "Gold Cup" for amateur riders the race was first run in 1904 and to-day is the richest and most prestigious Hunter chase of the season. Sponsored by Christies for the past 25 years Caroline Beasley who rode a number of winners in Ireland made history when winning the 1983 race with Eliogarty and in doing so became the first lady to ride a festival winner. Five horses have won the race twice and the 2000 winner Cavallero also captured the 1999 Martell Foxhunters over the Grand National Course at Aintree. The 2002 Christies Foxhunter chase went to the R Tate trained Last Option who received a dashing ride from the experienced Fiona Needham.

**Increased Prize-money At Royal Ascot** — Prize money at this years Royal Ascot fixture will show an increase of £340,000 on the 2002 figure. The total prize fund at this years festival will top the £3.8 Million mark with nineteen out of the thirty races down for decision benefiting from the increase.

**Bannow Bay Put Down** — Trainer Christy Roche lost one of the equine stars in his Curragh yard last week with the death of the very useful staying hurdler Bannow Bay. The eight year old developed complications after a routine operation and the vets were left with no option but to put the gelding to sleep. Bannow Bay won nine out of his nineteen races over jumps.

**Large Entries** — A total of 613 horses are entered for the seven handicap races at Cheltenham where leading trainer Martin Pipe accounted for 91 of the entries.

### SUNDAY RACING IN THE NORTH

Racing on a Sunday in the North of Ireland in 2004 appears a distinct possibility following moves last week to relax the gambling laws in the six counties.

### MIXED FEELINGS FOR WILLIE

Trainer Willie Mullins was not a happy camper at Clonmel last Thursday after the local stewards turned down his request to substitute Ruby Walsh who was re routed from the cancelled Warwick fixture for two of his runners on the day. Willie was not happy with the decision and intends to pursue the matter further through the Trainers association.

### RECENT MEETINGS AT

#### THURLES AND CLONMEL

Ken Whelan from Lismore enjoyed a welcome winner at Limerick last Wednesday guiding the well fancied

Camorgue to victory in the opening handicap hurdle. Shay Barry was also on the mark at the same fixture riding Carrowdown Storm to win a handicap hurdle.

Well known English winner Paul Green had a nice winner at Clonmel on Thursday as the Jim Dreaper trained Green River led all the way in the three miles Maiden Hurdle after jumping superbly throughout. The lightly raced nine year old looks certain to go on and win a three mile novice chase on soft ground.

The Carroll House gelding Mr. Babbage 5/2 to 6/4 landed some nice wagers in the concluding bumper for trainer Willie Mullins coming from well off the pace to win going away. This winner will now go on to contest the Bumper at Cheltenham and according to winning rider James Nash should not be inconvenienced by better ground conditions.

### FIRE AT PAT HUGHES YARD

A fire broke out at the Pat Hughes stable on Saturday last and one horse is believed to have perished in the fire.

### RTE FLUFF IT AGAIN

RTE's lack of knowledge and interest in horse racing was very much in evidence once again last Saturday night as Sports Editor Tony O'Donohoe repeatedly stated to the nation on the 6 o'clock news that Mick Fitzgerald rode La Landiere to victory in the Racing Post Chase at Kempton on Saturday afternoon. It was however Warren Marston who rode the winner deputising for Richard Johnston of course who opted to ride Gunther McBride in the same race.

### HENRY IN THE WARS

British jump jockey Henry Oliver was in the wars at Huntington last Saturday taking a heavy fall in a hurdle race which sidelines him for the next three weeks.

### HAVE SADDLE WILL TRAVEL

Waterford based amateur Robert Widger made the long trek north last Saturday and rode the last winner of the day at the Armagh Pint To Point fixture. All Point To Points take place on a Saturday in Northern Ireland but that may change next year when new gambling laws are introduced.

### JAPANESE INVITATION

The Ted Walsh trained Comanche Court plus British based steeple chasers Tiutchev and Flagship Uberalles have all been invited to take part in the £450,000 to the winner Nakayama Grand Jump in Japan on April 9th.

### DAVIDS LAD IN TROUBLE

Co. Meath based trainer Tony Martin was in trouble with the stewards over the running and riding of the unplaced Davids Lad in a chase last Sunday. Martin was fined Euro 1,000 while jockey Timmy Murphy incurred a seven day ban. The horse is banned from running for 42 days which effectively rules out a tilt at this years Aintree Grand National.

## CHAMPIONSHIP BATTLE CONTINUES

The Bridgie Terries sponsored 2003 Winter Championship continues this Sunday as the action returns to the Pike. Following the last event several drivers have established slight leads over their rivals but at such an early stage it is impossible to predict who will emerge victorious. The previous two rounds have seen an increase in competitiveness since last year and the amount of evenly matched cars present on the grid throughout the classes has guaranteed a spectacular battle for the Championship. The Winter Championship follows the same format as the Driver of the Year series with an award for each class. In the Winter, the class winner with the highest total of points will be presented with the Freddie Thompson Memorial Trophy in recognition of their achievement.

Drivers and spectators alike will be delighted to hear that the club has made several improvements to the facilities at the Raceway and a special mention must be given to those who contributed their time and considerable effort and who organised and carried out this important work. The Pit Area has undergone extensive work and with its capacity now doubled it will vastly improve the comfort of the drivers and mechanics. The spectator area has also received attention with resurfacing work now completed.

Club members should also take note that club membership is now overdue and must be paid at next days racing. The 2003 Winter Championship continues this Sunday 2nd March at Waterford Raceway, the Pike Dungarvan. Racing gets underway at 12.30 pm sharp. For further information contact Club Secretary Eoin Mackey at 051-384519 or Eoin611@eircom.net.

## COURSE ETIQUETTE

All members are reminded of this very important aspect of the game e.g. avoiding slow play at all times and taking into consideration that there may be faster players behind you, your position on the course should be immediately behind the group in front, not immediately in front of the group behind. Repairing of pitch/plug marks on greens is absolutely essential and the replacing of divots on tees and fairways is also very important with regard to the care of the course. Numerous visitors to our Club have been complimentary on the quality and appearance of our golf course. Please keep it this way.

## COMERAGH OIL SPONSORED WINTER LEAGUE

The stage is now set for the final of the Comeragh Oil sponsored winter league following victories for Stradbally and Fr. Twoomeys in the Semi Finals. The holders, Fr. Twoomeys had a 5/3 win over the Burgery in the first semi final thanks to good wins by Anthony Lynch, Batty Prendergast and Donie Williams. In the second semi final Stradbally were never in danger and ran out comfortable winners in the end against an under strength Bonmahon team. The final is scheduled for Saturday 8th March so the team captains have a week to decide on what strategy to adopt. Will Fr. Twoomeys put out their senior cup players Ian Prendergast and Donie Williams at the end of the field (a la Curtis Strange) or will they adopt a Sam Torrence's approach and try and post wins on the board early? The Stradbally team must be considered the underdogs but their team members have produced some good performances over the winter months. Can they cause an upset? The teams will be announced next week. In the plate competition Kilmeaden will play Seapark.

## CLUB TRACKSUIT

Most people should be aware at this stage that we are well under way with the idea of bringing out a new tracksuit. All managers and players have been informed as have parents. A closing date of April 20th has been decided as regards final payments for all those who order and no exception will be made. The reason we are taking our time with this venture is to give everyone a chance to put money away for whatever item that they order. It is open to everyone, players, managers, club officials, academy parents, coaches, kids and indeed former players. It will be fantastic to see all concerned kitted out and representing their club with pride. So come on and show us what ye are made of and get behind this worthwhile idea.

## CLUB STALWART

As part of our look back in time as regards players that went through the club over the years, its a new addition to what we have done already. This week we look at Liam Sandford. Liam over the years gave all he had and more to the Blues and passed on great information to those around him. He was part of the squad who achieved the league and cup double in Youths 1969 along with his brother Martin. From here he progressed to playing in the senior ranks where he played

premier and won the Ardagh Cup in 1974/1975. There are many other things that Liam did for the club that will live in everyone's minds and indeed he still attends matches in Kilrush to show his support.

## MANAGER PROFILE Colin Walsh/James Cooney

To date both have done sterling work with their under 11 squad and presently hold a healthy league position. We know that they will not rest until they get this squad playing to perfection. All the way through schoolboys Colin and James played together and looking back it was a good partnership. As regards management, well done lads, keep up the good work.

## CHALLENGES

Over the next few weeks we will be looking to get some challenge games for our 8-9-10 year olds from our academy to prepare them for when they finally make their league debuts. Any clubs that read our notes and would like some games on our astro-turf please contact 086-8736428.

## CLUB LOTTO

We are again trying to get behind our lotto in a big effort to keep the funds for the club healthy and this can only be achieved by hard work and good response from parents and any other people that wish to buy our tickets. You can contact any committee member or Francis O'Brien on 087-7769125.

## CLUB NOTES

As was stated the photograph as mentioned above drew favourable comments from these players and officials alike from that year and also from those that get to read the local papers each week. It is a great source of enjoyment for myself to put pen to paper and put forward our notes on a regular basis and it is great to see that all managers add their little bit of information as well. We are aiming to make these notes some of the best that people have to read and no stone will be left un-turned to get all the relevant club gossip to the readers concerned. Again if any old photo's or match statistics are in the hands of ex-players or managers we would be grateful if we could borrow them to be put to print.

## DRESSING ROOMS

Over the last few weeks I have been keeping a watchful eye on whether all managers and players alike are taking any notice of the signs that have been erected about the removal of boots before entering the dressing rooms. It must be said that most are taking notice but

## KIERAN HALAHAN

In last weeks issue we printed a photograph of the under 13/15 of 1985-1986 season and we mentioned that six of those players and Kealan O'Neill were part of the victorious All-Ireland winning youth team of 1989. However in our printing of the facts we omitted that our present premier league player Kieran Hallahan was also a member of that particular squad. So we stand corrected, sorry Kieran.

others are letting the side down by turning a blind eye. So please all, do your bit and keep the place clean.

## LAST WEEK'S TRIVIA ANSWERS

(A) Cost of 1st football was 17/- (seventeen shillings). (B) It was purchased in M. Curran's, The Square. (C) Purchased by Christy Coleman. (D) 17th January, 1948 was the year. (E) President was Michael Early, opening of new club house. (F) Chairman was Laurence Hart, August 1984.

## THIS WEEKS TRIVIA QUESTIONS - 1948

The first Old Boro side played in the Munster Junior Cup of that year losing 7-2 to rangers. The club also played in the George French Shield and league and played a number of challenge games. A question arising from this passage is where was the club's first outing against the now defunct Glenard's Club from Waterford watched by 500 people, it ended 2-2.

## PLAYER PROFILE

### Mickey Byrne, Under 11

Last year Mickey was one of the bright young players that came through from our Saturday academy. He has a very keen eye for goal and a thunderous shot which I'm sure, many keepers will testify to in years to come. He has a good manner when it comes to listening to his coaches.

## RESULTS

### Division 1B League Garda 4; Dungarvan Utd. 5

Our second team continued their superb recent form as they made it five wins out of five. A marvellous game, full of goals, saw us triumph by 5-4 with John Paul Keohan (2), John Downey, Owen Morrissey and Colin Walsh all on the scoresheet. The league leaders will be looking anxiously over their shoulders if the lads can maintain this form for the rest of the season.

**Team:** Johnny Sheehan, Billy Coleman, Owen Morrissey, Finbarr O'Rourke, John Paul Keohan, Trevor O'Mahoney, T. J. Crotty, Mark Whelan, John Downey, Nicky Dorinelly, Colin Walsh. **Res:** David Condon, Stan Cummins.

### Youth 'A' League Dungarvan Utd. v Piltown

This game was postponed as the Waterford Youths had a game v Cork A.U.L.

### Division 2 West Rathgormack 3; Dungarvan Utd. 5

Another excellent result for our third team who also hit five goals courtesy of a Ger O'Brien hat-trick and another brace from John Paul Keohan. Great credit is due to several players who after turning out for the second team on Saturday travelled again on Sunday. Well done lads.

**Team:** Alan Walsh, John Downey, Billy Coleman, Finbarr O'Rourke, Eoin Mansfield, John Paul Keohan, Mark Whelan, T. J. Crotty, Dermot Dee, Ger O'Brien, Paul McCombe.

## FIXTURES

### Division 1B League Park Rangers v Dungarvan Utd. (Saturday, 2.15 p.m.)

We make the long journey to Faithlegge on Saturday afternoon for a game against Park Rangers. A few weeks ago this fixture would have been of little significance but our recent form and points haul have given us a glimpse of catching the league leaders. Maximum points from this difficult away fixture are a necessity however.

### Youth 'A' League Dungarvan Utd. v Carrick Utd. (Sunday, 2.15 p.m.)

We welcome youth league leaders Carrick United to Kilrush Park this Sunday afternoon. Last season we beat Carrick in a play-off for the Youth 'B' League title and both clubs are well in the hunt for this season's Youth 'A' League. If we are at full strength this is a game we can certainly win.

## MUNSTER JUNIOR CUP

Our eagerly awaited Munster Junior Cup game against St. Michael's, Tipperary is expected to take place on Sunday, 16th March.

This presents us with a major problem concerning match fitness as we have no games for the next two weeks. That means just one match, a cup replay, in five weeks which is hardly ideal preparation for such a big game. Yet, the Waterford Junior League have constantly complained about problems in getting the Premier League season completed, now you know why!!!

## LOTTO

There was no winner of our lotto draw last weekend when the numbers drawn were 2, 10 and 27. Prizes of £25 went to Martin Linnane and T. J. Curran. This week's draw is for a prize of £600.

## MEETING

The management committee will hold a meeting in the clubhouse on Thursday, 27th February at 9.00 p.m.

## CLUB TRACKSUITS

Once again a reminder to all junior players wishing to purchase a club tracksuit to place your order, with cash, with your team manager in the next few weeks.

## DUNGARVAN YOUTH NOTES

Training has been changed to Thursday night at 6.00 pm. We play this weekend at home so be at training to find out the details.

# Colligan Woods Riding Club

The Horse Shoe Diaries  
Remember the Elvis song- "Do you ever have one of those days?" Well, I've certainly had one of those days, just recently in fact. Forgive me if I sound somewhat bemused, but if you experienced what I did, courtesy of Colligan Woods Riding Club, you'd appreciate where I'm coming from. It all started with a general run of the mill meeting. Fine I thought, in, get a few dates and events sorted, then out again. But no. Could it be that simple? We're talking Colligan Woods here and I should have known better. I've often heard of a parallel universe but this was first hand experience. During the course of organising our schedule for the next few months, discussions somehow went off on a tangent to the Autumn weekend away. This led to tales of times past and that's where the real out of body experience begins.

Babs regaled the assembled members, or rather, those of us within ear shot, with tales of the weekend we spent at Lake Tour, and the fantastic beach rides. So, what's the problem I hear you ask? Well the problem is, having entertained us with her hair raising adventures, she then turned round and said "Hang on, what am I saying? I wasn't there", I'm sorry, but this just does not compute, I mean, how do you have total recall of something that never happened?

But no, readers, my sorry tale doesn't end here. A little later in proceedings, having just recovered my composure, Babs inquired why we didn't organise another hack like we'd had the previous fortnight, in Villierstown or Aglish. Mine was not the only bemused face let me tell you. The Aglish / Villierstown hack the previous fortnight turned out to be the Christmas fun ride, in the Nire Valley. All right, maybe I'm nit picking here, what's a few miles and a few weekends between friends! The unfortunate thing was that this set the tone for the entire meeting.

I heaved a sigh of relief when discussion turned to the Viking Leagues. A nice sensible topic with Tom McCauliffe, our resident expert, available to impart details to any interested new members.

I should of course have recalled that as Tom was informed that the meeting was starting at 8:30pm, we couldn't expect to see him before 9:30pm. Still, everything was going well and Kevin did an excellent job giving a run down on the various disciplines involved. That was until he hit the bit about dismounting and boxing the horse. Not very complicated I hear you say. Don't you believe it. A bright eyed and bushy tailed Roisin was straight in there. We are talking Roisin of Houdini horse fame.

I have witnessed, with my own eyes, Roisin loading a large horse in your average horse-box. You know the type, rear loader, with small passen-

ger front door. I have also witnessed, with these same eyes, one very large horse manage to squeeze its way through the passenger door while the rear door was being closed. Now do you see where I'm coming from. Yes, got it in one. We then had the lengthy discussion with regard to additional points for unboxing a horse without any human assistance. And does the sorry tale stop here? Oh no, not on your Nellie.

Still to come was Eibhlin's contribution, not quite a shaggy dog story, rather a shaggy sheep story. I believe, on the night, it was suggested that Eibhlin was seeking "sheep" thrills. It is just beyond me to go into this one. Suffice it to say that the extremely large "Lady Epona" was adopted by a sheep on a recent hack. Legend has it that rather than going baa baa this particular sheep was slavishly following the horse going maa, maa Let me just say, in conclusion, Francis had the right idea. As soon as he heard about the meeting a sudden business trip overseas cropped up. Good call Francis, must remember that one the next time. By the end of the night, in the words of the old classic I was feeling "Bewitched, bothered and bewildered".

On a more positive note, the meeting did produce some results. The next events in our social calendar are as follows: 24th February, Dressage instruction with Tim Van Der

Knapp, 24th March Showjumping with Michael Buckley, 28th April Showjumping with Michael Buckley. All these events take place at the Equestrian Centre.

Places are limited so please book well in advance.

A number of shows are coming up in the region, details as follows: 9th March: Warrington; 23rd March: Woodstown; 6th April: Thomastown and of course our own show on Sunday 13th April. Advance notice to all members - we are hosting the Regional Qualifier for the Farmers' Journal team competition, on 8th June, so get Jumping if you want to be considered for selection.

Monday 10th February saw a contingent partake in the first of this year's organised events. Dressage instruction with Jos Hanrahan. Jos, with infinite patience, took two separate groups through their paces. Both new and seasoned recruits were showing the strain after what were very taxing and concentrated exercises.

We're delighted to report that by the end of the night every single horse, green and experienced, was using the correct canter lead. Best on the night were Donna and" DLS Golden Gift". A "Mattie" nomination has been duly noted. On behalf of the Club, I would like to extend our sincere thanks to Jos for her unstinting efforts on our behalf. Jos is a very talented horsewoman and has always

shown herself willing to give the benefit of her experience to our members. We hope you will agree to come again soon Jos.

Finally, a few snippets to end this week's report. I've been very remissive not introducing you to the new committee so here goes:

Chairman: Kevin Roche, Secretary: Donna Coady; Treasurer: Eibhlin Power; PRO: Babs Coady (God help us all!). Do you recall the horse "Mr. Frisk" didn't he win the Grand National or some equivalent race at one time?

Well next time you see Babs, check with her about "Mr. Frisk" inviting her up to see his etchings. Best wishes to Donna for a speedy recovery from her recent bout of "Foot and Mouth" disease. Why has Des taken to watching the vintage TV show "Ever Decreasing Circles?" And finally, Joanna has asked me to ensure that all members are aware of their obligations under EU regulations. Persons keeping stabled horses will shortly be obliged to provide in-stable stimulation, such as stable balls, floor balls, etc.

The purpose of this legislation is to promote the mental well being of stabled animals. Top marks to John Moloney, Colligan Equestrian Centre who has already commenced a stable enhancement programme with a view to having the necessary enhancements in place before the end of March.

## Adult Scor Notes

A large crowd attended the Western Final of Adult Scor in St Declans Hall, Ardmore last Saturday night the 22nd of February.

On the night the audience watched some top class talent from many different parishes throughout West Waterford. It was disappointing on the night that some clubs had to pull out at the late stage in the competition but this did not take from

what was a very enjoyable night.

A big Thank You must go to the Ardmore Club for hosting the final. They had the venue in top condition and there is no doubt we will be returning there in years to come.

Thanks must go to the MC on the night, Mr Paddy Fitzgerald who had us all on our toes backstage. Also our judges from Waterford and Cork must

be complimented for their contribution on the night.

So now we move on to the County Final which will be held this coming Sunday night in Touraneena at 7 pm sharp. This should be a great nights entertainment for all the family to enjoy and here's hoping we can put forward top class performers to represent us in the Provincial Finals as Waterford Champions.

# MINNIES SQUASH NOTES

## O'BRIEN HOLDS ALLROUNDER TOP SPOT

The Allrounder first round came to a close the weekend of February 14th where I'm delighted to report that after a late scramble for courts, most if not nearly all fixtures were fulfilled. At the top of the tree in Division One, the major news is despite losing 10-9 in the fifth set to his brother Paul, Pat O'Brien retained the number one position as the clubs top player. A boost for the former Ireland 'A' player and holder of three Munster and one All Ireland Senior Squash team titles and current number one in this years Division two Munster team. Pat has been working extra hard the last few weeks and his speed and agility around the court has improved no end since so it will take a major challenge to knock him off his perch by the other guys in Division One of the Allrounder Ladder although I'm sure newcomer to that Division, the hard working and consistent Richard Mahoney may have a thing to say about that. Another major mover up the rankings is Kevin Tutty. His three 3-0 wins in Ladder One sees him surge up to Number eight in the rankings, while Maurice Walsh proved that he can still be the 'Bottle' as he takes his place at Number four in Division one after three very fine wins in Division two. The latest top twelve rankings as we head into round two are: 1 Pat Tobin, 2 Paul O'Brien, 3 Richard O'Mahoney, 4 Maurice Walsh, 5 Evan Walsh, 6 Michael Hurley, 7 Vincent Tutty, 8 Kevin Tutty, 9 Dermot O'Neill, 10 Pat Curran, 11 Toby Bedel, 12 J.J. Henley.

**Allrounder Scoreboard**  
Listed below are a section of scores from the various divisions. Div one: Paul O'Brien 3 Pat O'Brien 2; Pat O'Brien 3 Evan Walsh 0; Paul O'Brien 3 Ray Moore 0; Pat O'Brien 3 Ray Moore 0; Pat O'Brien 3 Evan Walsh 2.

Div. Two: Maurice Walsh 3 Vincent Tutty 0; Maurice Walsh 3 Michael Hurley 0;

Vincent Tutty 3 Michael Hurley 2; Maurice Walsh 3 John Reynolds 2.

Div. Three: Dermot O'Neill 3 Pat Cullen 2.

Div. Four: Toby Bedel 3 J.J. Henley 3; Toby Bedel 3 Dick Brady 1.

Div. Five: Ray Haesy 3 Jim Harty 2; Kevin Tutty 3 Michael Tutty 0; Kevin Tutty 3 Ray Haesy 0; Ray Haesy 3 Michael Tutty 1; Kevin Tutty 3 Jim Harty 0.

Div. Six: Paul Breen 3 Tommy Lynch 0; Trevor Walsh 3 Paul Breen 2.

Div. Seven: Karl O'Doherty 3 Walter Drohan 0.

Div. Eight: Liam Moore 3 Brendan Kent 0; Bonnie Mills 3 Gus Moynihan 0; Liam Moore 3 Gus Moynihan 0; Liam Moore 3 Bonnie Mills 0; Brendan Kent 3 Sean Walsh 0; Liam Moore 3 Dean Walsh 0; Sean Walsh 3 Gus Moynihan 0; Bonnie Mills 3 Brendan Kent 1.

Div. Nine: Mark Cahill 3 Dane Tobin 0; Niamh Briggs 3 Michael Briggs 0; Mark Cahill 3 Niamh Briggs 0; Niamh Briggs 3 Dane Tobin 0; Niamh Briggs 3 Christine Prunty 0.

Following on from the above we now have seven divisions of four who must play each other on Friday night 7th March. Division One: Pat O'Brien, Paul O'Brien, Richard O'Mahoney, Maurice Walsh.

Division Two: Evan Walsh, Michael Henley, Vincent Tutty, Kevin Tutty.

Division Three: Dermot O'Neill, Pat Cullen, Toby Bedel, J.J. Henley.

Division Four: Dick Barry, Ray Haesy, Jim Harty, Paul O'Brien.

Division Five: Michael Tutty, Joanne O'Neill, Trevor Walsh, Karl O'Doherty.

Division Six: Walter Drohan, Liam Moore, Brendan Kent, Mark Cahill.

Division Seven: Gus Moynihan, Niamh Briggs, Christine Prunty, Sean Walsh.

Paul O'Brien's Team Win Keane's

The final of the M.J. Keane tournament took place on Thursday night last when Paul O'Brien's team triumphed over

John Reynolds team. It was a strange night with John Reynolds unable to play following an injury in the Munster Leagues and for Paul's team Liam Moore unavailable due to a back and thumb injury. It was a three match final; this became a two match final and the Fives had to play the previous weekend, with Laurence Hurney beating Luke Brennan 3-0. So first on were the twos, Maurice Walsh and Kevin Tutty. Maurice took a very long opener 10-8. He then took the second 9-3. Kevin responded reeling off the next two 9-4, 9-2 but in the decider the 'Bottle' shone through as he clinched it 9-4. Number three, Joanne O'Neill put the icing on the cake with a very dominant display in her best performance for a very long time as she cruised to a 3-0 win over Ray Haesy. Very special thanks to Pat and Paul for the sandwiches which were enjoyed by all afterwards.

Munster league team home next Tuesday to the Orchard. Please come along and support the lads. Check the noticeboard for details of our next tournament. Pat O'Brien and Paul Breen are currently negotiating on this point.

# Dungarvan G.A.A. Notes

## UNDER-16 FOOTBALL

We got our under-16 football championship campaign off to a start last Sunday morning at the club grounds, coming off the wrong side of a 1-8 to 1-5 scoreline against St. Olivers.

With blustery conditions making it difficult for both teams to play attractive football, it certainly took a while for both teams to settle down. Dungarvan began to dominate at mid-field, however, we failed to turn this possession into scores. Then midway through the first half a St. Olivers break up field resulted in a goal against the run of play. This seemed to spur Dungarvan into action with James Ducey, now playing at centre forward, picking off a nice point for the Blues, following some excellent play from midfielder Brian Bannon.

Coming up to half time, Dungarvan began to press forward with Brian Bannon scoring 2 points in succession, to bring the sides level going in at half time.

On the turnover St. Olivers now playing with the wind began to press home the advantage picking off 4 points without reply. However full forward Brian Foley scored a nice point closely followed by a point by Wayne Flynn, who had a good game throughout, playing at left half forward. Dungarvan at this stage wouldn't give in and kept pressing forward in search of a goal which finally came off the boot of Sean Naisbett. It was all to play for at this stage, however time eventually ran out for the blues.

With a bit more accurate shooting, especially in the first half, it was a game which we certainly could have won. It was particularly heartening to see the team effort and commitment from the entire panel.

The team was follows — James Corcoran, Finbarr Sexton, James Ducey, Matthew Kirkham, Barry Moore, Christy Troy, Kieran Wall, Brian Bannon, Shane Whelan, Chris Daly, Michael, Murphy, Wayne

Flynn, Sean Naisbett, Brian Foley, Christian Cowming, Darren Sheehan and Michael O'Shea.

## GAELIC SCHOLARSHIPS

It has been announced by the County Board that interviews for the Gaelic Scholarships will take place at Lawlors Hotel on Saturday, March 15 at 2 p.m. Candidates must be between the ages of 12 and 18 years and be a fully paid-up member of the club. Successful candidates will attend the course at Colaiste Na Rinne from July 23rd to August 14th.

## SENIOR FOOTBALL

The draw for the senior football championship which was made recently had pitted us against Kill. This is the third year in a row that we have been drawn to play Kill in the opening round. So we certainly know what to expect challenge-wise from the Eastern club.

## JUVENILE COMMITTEE MEETING

A meeting of the juvenile committee will be held on this Thursday, Feb. 27th at 8 p.m. at the clubhouse. In the event of being unable to attend, apologise to juvenile secretary.

## CONGRATULATIONS

Many congratulations from all in the club to Peter and Mary Ferncombe who celebrated their 40th wedding anniversary last week.

Congratulations also to Pat O'Sullivan and Joanne Duggan who announced their engagement recently.

## CONDOLENCES

Deepest sympathy is extended to the Burke family on the recent death of Mrs. Nan Burke, St. Brigid's Terrace. Also to Mrs. Duggan on the recent death of Jimmy Duggan, Shandon Street. Ar dheis De go raibh siad.

## SAQ COURSE

The SAQ course took place in Lawlor's Hotel on Saturday last. About 18 people attended the course, three from ladies football, Brendan Gallagher, Edel Kirwan and Mary O'Donnell. The rest were different clubs. Jim Kiely gave the course. Over all the course was very enlightening. Lots of new ideas for mentors and new methods of training and stretching. A special thanks to George Young who organised the course and thanks to all who attended. Jim also did a session with the senior girls on Saturday evening in the Friary and the feed back was very positive from our seniors.

## Waterford Community Games Notes

Our last County Board Meeting was attended by about half our areas. All team lists were not in on the night so it was decided that the draws would not take place until our next meeting. New events this year include U.15 indoor soccer for girls and boys and also U.11 mixed tag rugby. The tag rugby will take place at the Special Activities Weekend in May and 3 teams from each Province will qualify for the National Finals in August.

A Development Seminar will be held in the Mallow Park Hotel on Saturday March 8th. The morning session will focus on the promotion of the Project Competition, "Our World, Your World". The afternoon session will deal with Community Games at area and County level. It would be good to see as many areas as possible attend. The seminar begins at 10.30am and lunch will be provided for all delegates. Our next County Meeting will be held in Lawlor's Hotel on Tuesday March 11th at 8pm.

A new hurling team under the name of An Gaeltacht will compete in Intermediate and Junior Hurling. This will see An Sean Phobail and An Rinn come together in what must be good news to those who are

committed to hurling in both parishes. Guimid gach rath ar na bfeachtas seo agus beimid ag suil le torthaí maithe ar an bpairc.

### LEAGUE SEMI FINAL

Our long awaited league semi final clash v Clashmore finally took place last Friday (February 14th) in Clashmore. The grass glistened in a frosty coat under the magnificent lighting setup that Clashmore now boast as the teams took the field. Our die hard supporters (they were easily counted) huddled for shelter in what was a 'first' for our club i.e. playing under lights. Our players warmed to the task however and gave a very spirited performance to

run our worthy winner on a score of 3-7 to 1-8. We now look forward to the final of this competition where our opponents will be Stradbally.

### SCOR

The Western final of Scor 2003 was held in Ardmore last Saturday and An Sean Phobail qualified for the County Final in three events - solo singing, where Brain Cole proudly represented us for the first time, recitation, where PJ Mahoney performed in his own inimitable style and question time where Francis Nugent, Peter Kiely and last minute sub Michael Kiely did the business as they have often done in the past. They now go forward to

the County final which will be held in Touraneena next Sunday with a 7:30pm start. So why not go along and support them, remember they are representing you and your parish. Go n-eiri adh libh go leir.

### LOTTO

Congratulations to Kay Burke, An Rinn on scooping 5,230e in our club. Well done Kay. So you see, it is worth your while to buy a lotto ticket. Talk to any committee member and they will do the rest. Mention of draws reminds me that the Deise Development Draw is about to kick off again. If you would like to join or would like more details just ask any committee member.

### FOOTBALL LEAGUE

#### 2002 DIVISION 1

#### PLAY-OFF

#### Ardmore 1-12

#### Stradbally 0-5

Playing with depleted sides Ardmore and Stradbally served up an entertaining game on Saturday last. This game was treated more or less by both sides as a pipe opener. It gave the respective selectors a chance to look at some of the younger players who are upcoming. None the less there was some good scores and good passages of football with the homieside coming out on top.

### SCOR

Scor officer John Supple with the help of Bernie Stillwell had the hall, stage, etc, everything at the ready for the Western Senior Scor last Weekend. While competitors were scarce in some events never the less the large crowd enjoyed some very good entertainment. Ardmore acts to go forward to the County final in Touraneena on Sunday next 7pm are Ballad group, solo singing and novelty act. All involved were very appreciative of the support they had and look forward to more of the same for the County Final.

### UNDER-16 FOOTBALL CHAMPIONSHIP

#### Ardmore 4-5

#### Kilrossanty 1-6

The U16 Football side got their campaign off to a winning start on Sunday afternoon last when they overcame Kilrossanty in a fine sporting encounter. With just 15 players available, manager Declan Barron had very few options but all of the lads responded well with a great second half showing.

Ardmore trailed by 1-8 to 1-1 at half time with Denis Flanagan scoring the goal from the penalty spot. A brace of second half goals from Darragh Harty and a superbly finish from the hard working Pádraig Healy saw the home side get on top. All 15 players played well but special mention to Cormac Nugent who was superb in goal, while Declan Reilly was a tower of strength at centre back. Up front the Mahoney twins worked very hard, but

### LADIES FOOTBALL NOTES

# Valuable League Points For Waterford

## WATERFORD 3-7 MEATH 2-6

Waterford scored a good victory over Meath in Dunsany last Sunday afternoon and collected a valuable brace of league points. Recovering from a 5 point deficit after 28 minutes they were the better side for the remainder of the game and fully deserved the win.

Meath got off to a good start. Jackie Shields and Mary O'Rourke swapped points and then Waterford conceded a penalty which seemed a bit harsh and Shields, an international soccer player, drilled the ball just inside the post for the perfect penalty. Two further points left Waterford in trouble. A quick break put Aoife Murphy through and she shot just inside the post for a crucial goal. Mary O'Rourke, Martina O'Ryan and Deirdre Nagle shot points to leave Waterford 1-4 to 1-3 ahead at the break.

Meath equalised within seconds of the restart but Aoife Murphy and Martina O'Ryan both pointed frees to nudge Waterford in front again. Mary O'Rourke chipped the keeper to leave Waterford 5 points ahead but Meath struck back and a collision in the Waterford goal mouth led to the referee firstly award a free out but then to change his mind and give Meath a second penalty. Again Shields held her nerve and Meath were right back in contention. Just a single point separated the teams with 7 minutes remaining but Waterford struck again and Martina O'Ryan finished expertly to secure the points.

Mary O'Donnell and Julia Torpey were outstanding for Waterford but the rest of the team also did their bit and the defending was much better than the last game. Likewise, the attack was much livelier and they could have won by more. It's a while since Waterford scored 3 goals in a game, there are more difficult games to come but this performance with a few players absent, was encouraging.

Waterford: Mary Hayes, Donna Frost, Deirdre O'Rourke, Natalie O'Connor, Elaine Power, Deirdre Breathnach, Julie Torpey, Mary O'Donnell, Annelisa Crotty, Linda Wall, Cliona O'Keefe, Deirdre Nagle 0-1, Aoife Murphy 1-2, Mary O'Rourke 1-2, Martina O'Ryan 1-2. Subs: Fiona O'Reilly, Michelle McGrath and Charlotte Raher.

Waterford v Dublin

Waterford are away to Dublin next Sunday.

## Comiserations

To Waterford Senior Hurlers who were beaten by All Ireland Champions Kilkenny in the 1st round of the National League at Walsh Park on Sunday last. It was a severe blow to Waterford when they had to field without seven of their regular players and to add to their misfortune, were reduced to 14 men when Brain Flannery was sent to the line early in the second half. After that Kilkenny were on top. But our congratulations must go to our own representative, Eoin Murphy who gave a splendid performance, and who seems to be improving all the time.

## Championship Fixtures

In the Intermediate Hurling Championship we will be meeting An Rinn in the 1st round, and in the Intermediate Football we will have Colligan as opponents.

# CAMOGIE NEWS

## NATIONAL HURLING LEAGUE 2003

The first round of the National Camogie League last weekend signalled the start of inter county competitions for 2003. Waterford was due to host Tyrone on Sunday last but the northern team failed to field a team and this resulted in the home team receiving a walkover. Not the start in terms of playing that the Deise girls wanted. This week Waterford will be travelling to Cavan and will be followed by further away games against Wicklow and Carlow over the coming weeks and a home game against Louth completing their league programme.

The aim of the senior squad is to qualify for the league semi finals by winning their group. Although robbed of an opportunity of a competitive game at the weekend Waterford will be looking to take full points from their encounter with Cavan which had a comfortable in their first league game with Louth. Lets hope we will be reporting a win next week for our girls, which would set them up nicely for the remainder of the campaign.

By the end of this series of Senior National League games the Minor panel (under 16) will be in action in the Munster Championship A semi final where they await the outcome of the Cork v Limerick first round game. This game is fixed for April 19th with the Championship A final on May 3rd, which happens to coincide with the date for the Waterford v Clare Munster Championship B final.

The draws for the county championships for under 12 and under 14 league as well as the Junior Senior League will be with the clubs by now and these will be ratified at the next county board meeting in Dunhill on March 3rd. We would ask all clubs to attend as their input, as representatives of their clubs players, is vital to the smooth running of the upcoming competitions.

Teams for Under 12 and Under 14 — Ardkeen, Butlerstown, Cappoquin, Gaultier, Lismore, Portlaw, Roanmore, St. Annes, Tallow and Tramore.

Teams for Junior/Senior League — Ardkeen, Butlerstown, Cappoquin, Gaultier, Lismore, Portlaw, St. Annes, Tallow and Tramore.

Selectors: Mike Leahy, Eamonn Lonergan, Lena McCarthy.

### U8, U9, U10 Rural Development Indoor Hurling

This committee has given the following dates for U8, U9 and U10 Indoor Hurling competitions to be held at Ballyduff Hall.

U8 Saturday 22nd February, U9 Saturday 1st March, U10 Saturday March 8th.

U8 - 7-a-side, 8 minutes a game.

Selectors: Gerard Beecher, John Beecher and Tomas Roche.

U9 - 6-a-side - 10 minutes a game.

Selectors: Kieran Aherne, Ann Buckley and Ollie O'Farrell.

U10 - 5-a-side - 10 minutes a game.

Selectors: John Beecher and Michael Leahy.

### Minor Football B

Cois Bhride will play in the Minor B Grade this year involving five other teams - St. Olivers, Stradbally, Affane, An Gaeltacht and Ballyduff. Each team will play five games each.

Selectors: Liam Aherne, Finn McCarthy, Terence McCarthy.

### Minor 'B' Hurling

Cois Bhride will also play in the B grade in the minor hurling for the coming year in a similar situation to the footballers against Ardmore, Fourmilewater, Brickeys and Cappoquin.

Selectors: Colin Cunningham, John Beecher and Liam Aherne.

These latter two gradings were announced at a meeting of the Western Board on Thursday night last and even though the club had furnished the Board with our disastrous results from the U16 Western and County games two years ago, amazingly it was recommended by the Board that Cois Bhride play in the Minor 'A' grade in hurling this year.

After our club delegate objected to this and made a proposal that Cois Bhride play in 'B' grade this year it was put to a vote which Cois Bhride won by a very, very narrow margin with some abstentions.

### U16 Football

Cois Bhride U16 footballers travelled to Clashmore on Friday night last to get our playing season off to a start.

Cois Bhride played against the wind in the first half and had most of the play but found it hard to get scores. After a good save from Kevin Henley in goal, we had the majority of possession but our forwards just couldn't get on the scoreboard.

It was Clashmore who got the scores against the run of play and they went in at half time winning by 2-3 to 0-0.

Cois Bhride came out in the second half and again played some very good football but with succession of narrow wides, hitting the post and a point blank save, luck was not on our side.

Cois Bhride got three points in the second half to Clashmore's one goal and the score at the final whistle was 3-3 to 0-3.

With a bit of luck this could have been a different result.

### County Debut

Well done to Paul O'Brien who made his debut in the County Senior colours against Kilkenny on Sunday last.

Even though Waterford were well beaten the general consensus was that Paul is definitely a star for the future.

Paul's youngest brother and Cois Bhride player Mark also lined out for Waterford minors and acquitted himself very well.

### Field Officers

Now that the playing season is beginning, don't forget to book the field for training in Tallow with Dinny Cunningham and Billy O'Keefe in Knockanore.

### Meeting

Our next meeting is on Thursday 6th March at 8:30pm

Team: Kevin Henley, Tom Feeney, Kenneth Hennessy, Jason Aherne, Jamie Tobin, Stephen Power, Michael Smith, Eamon Forbes, Shane Harnedy, Eric Hickey, Colin Savage, Kieran Geary, James Hampton, Eoin Condon, Vincent Hickey, Marcus Fitzsimmons, John Smith, Mark Smith, Cathal Herlihy, Gerard Heffernan, Sean Casey, Donnacha Mulcahy.

### U8 Hurling

Our U8 hurlers had two teams taking part in the R.D.C. U8 Hurling tournament in Ballyduff on Saturday last.

They played a total of 10 games between them and while neither team came away with any silverware they played very well on the day.

The other teams involved were Lismore, Ballyduff, Cappoquin and Dungarvan who were the eventual winners.

### U8 Hurling Tournament

Cois Bhride A 2 v Cois Bhride B 2 Robert Beecher 2; Noel Condon 2

Cois Bhride B 0 v Lismore 2

Cois Bhride A 2 v Cappoquin 0 Steffan Tobin 1; Paul O'Mahoney 1

Cois Bhride A 1 v Ballyduff 2 Robert Beecher 1

Cois Bhride B 0 v Ballyduff 2

Cois Bhride A 2 v Lismore 1 Robert Beecher 2

Cois Bhride B 1 v Dungarvan 5 Mike O'Neill 1

Cois Bhride A 1 v Dungarvan 3 Robert Beecher 1

Cois Bhride B 3 v Cappoquin 1 Jack O'Donoghue 1; Adam Crawford 1; William Hogan 1.

Team A: Christopher Hartnett, Robert Beecher, Paul O'Mahoney, Steffan Tobin, Colm Roche, Liam Smith, Colm Roche, Liam Smith, Holly McGrath, David Beecher, Lee McElroy, Tom Allen.

Team B: Mike O'Neill, Michael Tobin, Nathan Cantwell, Adam Crawford, Jack O'Donoghue, Jake Beecher, Noel Condon, William Hogan, Jordan Farmer, John Luke McGrath.

### Foundation Course

On Thursday night last Cois Bhride had almost 20 people taking the football skills section of the Foundation course, this included some members of both the Senior clubs.

Once again Pat Moore was giving the course and everybody who was there had a very enjoyable time as well as learning a bit.

The hurling skills section will be on again in Kilwatermoy hall on Thursday night from 7pm to 10pm.

## Western Championship Draws

Paddy Walsh, chairman presided at last week's meeting of the Divisional board at which the draws for all the championships were made. Both the intermediate hurling and football championships will be played, again on a knock-out basis with a losers group.

Tony Mansfield, Abbeyside/ Ballinacourty proposed that the hurling be played on a league basis as had been requested at Convention. He said that the lack of games at this level for players held back standards and it was no wonder that Dungarvan and Abbeyside clubs were unable to have players on county teams, etc.

The proposal for the league style championship was voted on and defeated on a 12/8 vote.

### INTERMEDIATE HURLING DRAW

Ballysaggart v Cappoquin, (preliminary round); Colligan v Geraldines; St. Marys v Dungarvan; Lismore v Ballysaggart/Cappoquin; Abbeyside v Clashmore; Shamrocks v Ring.

### UNDER 21 "B"

Clashmore a bye; Brickey Rangers v An Gaeltacht; Colligan v Cappoquin; Stradbally v St. Marys/Modeligo.

### MINOR HURLING

Cois Brid had been included in the line-up for the minor championship "A" but an objection from the club to have them graded in the "B" championship was successful and leaving only 5 teams, Abbeyside, Lismore, Dungarvan Gaels Ballyduff and St. Patricks to play in the championship on a league basis;

### NEW GROUPINGS

Hurlers from Old Parish will play with An Rinn in junior hurling. Modeligo will join with St. Marys, Colligan and Kilgobnet in underage. Dungarvan and Kilrossanty are together in minor hurling as Dungarvan Gaels and Kilrossanty under 21 hurlers have also joined with Dungarvan as an under 21 group team.

Ardmore who joined forces with Lismore/Ballysaggart in minor last year, have this year opted to 'go it alone' in the grade.

The chairman announced that the under 21 football championships would be played over the St. Patrick's Day weekend.

## Glanbia Sponsorship Launch

Glanbia PLC announces a new 3 year sponsorship for the Waterford hurling teams. Pictured with the new kit and leisure wear at the launch in Dungarvan were (left to right): Denis Herlihy, Area Manager Glanbia, Colm Bonner, Paddy Joe Ryan, Chairman Co.GAA Board, Tom Corcoran, Chairman Glanbia PLC, Dan Shanahan, Justin McCarthy, Manager Waterford Senior Hurlers, Seamus Prendergast and Seamie Hannon. —(Photo: Sean Byrne).

Last week, Glanbia launched two major sponsorship deals.

First on Monday at Croke Park the firm launched their sponsorship with the Special Olympics committee and speaking at this event, Tom Corcoran, chairman of Glanbia said "This is an exciting development for Glanbia- it is the first time that we have supported a major cause in such a comprehensive way. It underpins our commitment to supporting our community and in particular, lending our name and resources to assist those with special needs".

On Wednesday night of last

week at a Lawlors Hotel function, Tom Corcoran announced a new three-year sponsorship deal with both Waterford and Kilkenny. The Glanbia chairman stated that the deal in both cases were performance related and includes both Provincial and All-Ireland championships as well as the national league and spoke how pleased Glanbia were to be associated with the two hurling counties for another three years. The sponsorship applies to all grades, senior to minor in hurling. Paddy Joe Ryan on behalf of the county board thanked the firm for their

very generous support which was very well appreciated by the G.A.A. members throughout our county. He said that Portlárige would again wear the "Gain Feeds" brand Logo and hopefully they will carry it all the way to the All Ireland this time round.

On the night and at the function were the members of the senior hurling panel who each received an Azzuri kit bag, each kit bag containing a very generous supply of all the kit required for training, including Track Suits, Fleece Jackets, Windsheet Jackets socks, togs, etc and

each player will receive 2 pair of boots. (when we compare this outfitting with the Ladies football panel who won 4 All Ireland finals and were issued with just one track suit apiece, you begin to wonder.)

John Molloy, speaking on behalf of Azzuri said his firm were delighted to come on board as kit sponsors and being a Waterford based firm, it was only right that Waterford should be first among the selected group of counties to receive their sponsorship. I understand that the value of the sponsorship here is 13,500 euro.

## An Gaeltacht Club Lead The Way

In recent times there has been a marked influx of ladies into the administration side of the G.A.A. and this welcome development is quite noticeable here in Waterford. I noted that there were 8 or 9 female delegates at this month's county board meeting. Many clubs have now enrolled ladies on to club committees.

But an Gaeltacht club have gone that little bit further and have set a new record by having all three officership posts, Cathaoirleach, runai

and cisdeoir filled by ladies.

I know that the three ladies in question, Cait Ni hAodha, Ailisia Ui Ronain and Seosaimhin Ui Chuirrin will take on this challenge and make a success of it.

I think it is a pity that many more of the fair sex do not 'come on board' to help brighten up club life and while they may lack the toughness of their male counterparts, they more than make up for in the efficient way they run their affairs.

## Get Well Wishes

His legion of friends throughout the county and way beyond are delighted to learn that popular Lismore official and Munster Council representative Jimmy O'Gorman is making splendid progress to full health following his recent stay in hospital.

His colleagues will be pleased to know that in a matter of weeks Jimmy will be back in harness and ready to share all the many board problems which faces the administration at this time of the season.

## The Betting Odds

Published by Stanley Racing on Saturday, the betting odds on the All Ireland title, have changed slightly. Kilkenny are strongly fancied to retain their All Ireland crown.

McCarthy Cup; 6/4. Kilkenny; 4/1 Tipperary. 6/1 Galway. 8/1 Cork. 9/1 Clare, 10/1 Limerick and Waterford. Wexford and Offaly are not quoted.

NATIONAL HURLING LEAGUE

# Depleted Waterford Well Beaten By Kilkenny

KILKENNY 2-11  
WATERFORD 0-2

Not being endowed with an abundance of hurling talent as is the case with Kilkenny, Waterford short eight of the team which played in the All Ireland semi-final last year, could hardly be expected to match the All Ireland champions Kilkenny, who with eleven of the side who won the McCarthy Cup were caught firing on all cylinders at Walsh Park on Sunday.

The game had been given a great build-up, the day was absolutely ideal for the game and therefore it was not surprising that a huge crowd turned up in anticipation of a splendid contest.

The match programme told that Waterford would have to field without six of the regular team, but before the start, when it was announced that centre back, Tony Browne and wing forward All Star, Eoin Kelly would be missing our slight hopes of starting

the league with a win, were well and truly dashed.

Already, Paul Flynn (our biggest loss in my opinion), Fergal Hartley, Brien Greene, John Mullane, Seamus Prendergast and Michael White were missing from the line out, all for genuine reasons.

In the circumstances an eleven points defeat was not surprising. The difference was Kilkenny's ability to score goals. We had just two chances of goals over the 70 minutes but lacked the power to finish the efforts.

It was a game that was decided by goals - substitute John Hoyne in the 12th minute, Dermot Mackey in the 24th minute, D.J. Carey in the 37th minute and Eddie Brennan in the 45th. The two second half goals were killer blows as for 31 of the 35 second half minutes Kilkenny raised just two white flags from play. But

there could be no disputing the fact that the All Ireland champions were the masters and fully deserving of their victory. The loss of Brien Flannery who received a red card after 12 minutes of the second half was another blow to the home county. Kilkenny used the extra man between the full and half back line to splendid effect.

Kilkenny showed just one change from their published line with John Hoyne replacing Brian McEvoy

PLAY

Waterford had first use of the breeze but it was Kilkenny who opened the scoring when D.J. Carey flicked in a ball that was deflected over for a point by Stephen Brennan in the 2nd minute. Young Paul O'Brien making a satisfactory big match debut, sent inches wide in the 3rd minute and Kilkenny had their second score in the 4th when Dermot Mackey hit over from play. Thirty minutes later Dan Shannahan opened Waterford's account and after another half minute, Pat Fitzgerald had the sides level.

Then for the first time in the game Waterford went in front when Brien Phelan sent over the fifth score of the match in the 7th minute. Several Waterford players were playing in changed positions and we were enjoying more of the play than Kilkenny.

Henry Shefflin equalised from a free and another free, converted by Dave Bennett sent Waterford back into the lead in the 11th minute.

A clear run at our defence left John Hoyne free to blast home the first of Kilkenny's 4 goals, in the 12th minute. Then followed two splendid Waterford points. Ken McGrath in the 13th and Dave Bennett. The sides were level once again.

Henry Shefflin and Eddie Brennan had points before Mackey had the visitors second goal in the 28th minute. Points by Dave Bennett (2) and Ken McGrath left Waterford with 0-9 and Kilkenny enjoying a 2 points lead with 2-5.

SECOND HALF

The gap was reduced to a single point when Pat Fitzgerald sent over within a minute of the restart. But Shefflin pointed a free and D.J. Carey after receiving from Shefflin had Kilkenny's 3rd goal just on the 38th minute. Ken McGrath, receiving from brother Eoin

sent over a 'beauty' in the 40th minute and we were still in touch. But back came Kilkenny and another killer blow in the shape of an Eddie Brennan goal to stretch the lead to 7 points.

Ken McGrath pointed Waterford's final score of the game when Awarded a free in the 67th minute. D. J. Carey had Kilkenny's first point from play of the second half in the 68th minute and three further points gave the visitors an eleven points winning margin to make them deserving winners, but flattered by the margin of victory.

Scorers; Kilkenny; D. Mackey 1-2, D.J. Carey 1-2, E. Brennan 1-1, H. Shefflin 0-4, J. Hoyne 1-0. D. Lyng, 0-1. B. Dowling 0-1. Waterford D. Bennett 0-4, K. McGrath 0-4, P. Fitzgerald 0-2, D. Shannahan 0-1. B. Phelan 0-1.

Waterford: S. Brenner, A. Kirwan, T. Feeney, B. Flannery, E. Murphy, P. Queally, J. Murray, M. Walsh, E. McGrath, D. Shanahan, P. Fitzgerald, D. Bennett, B. Phelan, K. McGrath, P. O'Brien. Sub. C. Watt for Phelan.

Kilkenny; J. McGarry, T. Walsh, A. Cummins, P. Larkin, R. Mullally, P. Barry, J.J. Delaney, D. Lyng, S. Dowling, J. Hoyne, H. Shefflin, M. Comerford, D. Mackey, E. Brennan, D.J. Carey. Subs. A. Geoghegan for S. Dowling, B. Dowling

for E. Brennan.

COMMENT

With more than half our Munster final team missing, something of a mismatch was to be expected so from the start we had a mountain to climb. Michael Walsh and Paul O'Brien both under 21 players, did emerge as players who will make it on to our first fifteen.

We now face Laois, Dublin, Galway and Clare and it seems as if we will have to defeat three of those if we are to qualify for the lucrative knock out stages. We play Laois away on Sunday week.

Everything will now depend on our full panel being available and all players giving it their best shot. Wearing the mantle of Munster cham-

pions means nothing when you start the next competition, in fact it can be a handicap as the opponents get added satisfaction of knocking the 'lofty'.

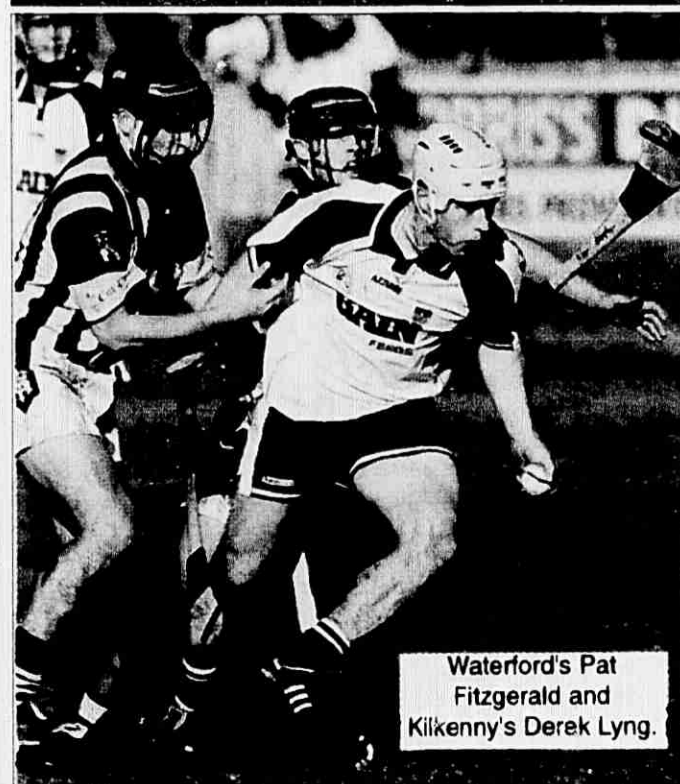

Our next home game will be against Dublin at Fraher field on Sunday March 16th.

MINUTES SILENCE

Before the National anthem was played, the crowd in excess of 10,000 stood in silence for a minute as a tribute to the late Larry Quinn who laboured for the promotion of underage hurling for over 40 years, to Johnnie Dunne who was a regular gateman at Walsh Park and to the memory of the late Batty Foley who was a member of the county senior hurling panel in the 1959 All Ireland.

## Waterford Play Hosts to Derry At Fraher Field On Sunday

This is round 4 of the football league and Waterford, fielding at full strength will attempt to register their second home win of the competition by defeating the northern county who will

travel overnight for the game.

This certainly is not going to be easy following Derry's defeat of other stronger counties.

The home side will be

without John Coffey, (sent off against Longford) and Andy Hubbard, also sent off in the same match may also be unavailable. The line out if available, will be published hereunder.

## Minor Footballers Play Cork At Dungarvan

This game is on Saturday next at Fraher field and it is the opening match in the Round Robin Munster minor football championship.

Two seasons ago we were in with 'a shout' until the closing stages, but last year

injuries cost us dearly and we fared very poorly throughout the competition.

The only match in which we showed promise was the first round against Cork at Fermoy when the contest ended in a draw. There will

be many changes on the Waterford side and those in touch with the camp are not over enthusiastic about our prospects even though this year we have most of our matches at home.

I understand that Cork have requested a postponement of the game. It is unlikely that this will be agreed to. To start messing around with the scheduled programme of inter-county matches at this stage would be most unfair to the Divisional boards who are presently in the process of counting the days that are going to be available to them when they plan their championships.

This, incidentally, will be the very first championship match of 2003.

### U.8 INDOOR HURLING

Last Saturday the annual indoor U.8 hurling blitz took place in the Friary College. Our lads were busy preparing in recent weeks with challenge games against Lismore, Abbey-

side and Ballyduff. Six clubs took part in the blitz with teams of seven aside. The teams were divided into two groups of three with the top two in each group contesting the semi-finals. We defeated Kilrossanty in our first game before losing our second to St. Olivers. This meant we finished second in our group. We then went on to play the other group winners by 2 goals to 0. St. Olivers defeated Naomh Bríd in the other semi final. The final between ourselves and St. Olivers was a repeat of an earlier group game and what a contest it proved to be with our lads winning by two goals to one. Afterwards our players were presented with their medals. Well done to all.

## WEEKLY SPINS

Last Saturday morning the group headed off on the last of the training trips for the members preparing for the Canaries. Despite the windy conditions we went up Colligan and on to Clonmel with a mixture of tail and cross winds to help us on our way. At Clonmel we headed to Carrick on Suir where we battled against severe wind all the way to Carrick. After a short stop in Carrick (and visiting some local tourist attractions!!) we proceeded through Carrigbeg and onto Kilmacthomas and then onto the main Waterford road where thankfully we had a tail wind behind us all the way to Dungarvan. In all 67 miles were cycled at an average of approx 15mph which was well stewarded by Francis. Taking part last Saturday were Paddy Murphy, Eddie Moore, Kevin Forde, Philip Clery, Padraic de Burca, Brett Lynam and Francis Barry.

## Malin to Mine Head Trip

A meeting was held in the Park Hotel on Saturday last and the green light was given to this great expedition. This trip will commence on Friday May 30th with an early morning start in Dungarvan. The cyclists will begin on a bus trip to Malin head, which will take the best part of 8 hours. Once we have arrived at Malin head it is time to tog off and get on those bikes. There is a 56 mile cycle to be completed on that evening before resting for the night in Omagh. On Saturday May 31st we set off from Omagh on a 120 mile cycle through Enniskillen, alongside Lough Erne onto Clones. From Clones onto Cavan, and past Lough Sheelin and Lough Gowna onto Edgeworthstown. From there we pass Lough Owel and onto Mullingar for the second nights rest. On Sunday June 1st we head off on a 75 mile trip from Mullingar to Tyrellpass, Tullamore, Portlaoise, and onto Kilkenny. We will stay in Kilkenny on the third night. Day 4 consists of a 75 mile trip from Kilkenny to Clonmel, Ballyricarby, Millsteet, Clashmore, Kinsalebeg, Ardmore, Mine Head and then onto Dungarvan.

Costs for the bus and the accommodation will be between 250 euro to 300 euro, depending on the final number of people. We need to confirm bookings as soon as possible due to the difficulty in getting accommodation. Accommodation is scarce because we are clashing with the special Olympics. To secure your place on this trip you need to give your name before March 15th as well as a deposit of 150 euro. Bookings will not be confirmed without deposits.

WATERFORD WEDNESDAY FEBRUARY 19TH

## Saunters Hop Raced To Victory

The feature events on this ten race card were the first round heats of a confined 29.70 stake kindly sponsored by the Draper Family who divide their time between kennels in Co Tipperary and Sheffield in the north of England.

In heat one Yvonne's Beauty 6/4 to 4/6 was backed to the exclusion of everything else and the jolly appeared well on her way to victory as her early pace from trap one carried her into a clear lead over the reserve Redmondstown Jo. Running for County Wexford owner Brendan Fortune 3/1 chance Redmondstown Jo (Staplers Jo-Hawthorn Kim) however gradually reeled in the long time leader and putting his best foot forward in the closing stages Redmondstown Jo finished with a flourish to outstay Yvonne's Beauty by two and a half lengths in 29.36 a career best effort from the winner.

Despite a moderate start in heat two Applestown Pride the 5/4 favourite managed to slip into the lead at the first when a prominent Eamons Hope moved out at the turn. Headford Jackie trained locally by Jude Hennessy went in hot pursuit of the leader and knuckling down to the task in hand Headford Jackie (Mustang Jack-Frightful Flier) 3/1 produced a late surge on the wide outside to pounce close home for a head success over Applestown Pride in 29.67.

Better known as a two bend sprinter the early paced Vigilant Rue made a gallant effort to make every post a winning one in heat three leading early on from Seriously Good. Dessies Return moved into second place halfway down the back stretch and this well backed 4/5 favourite joined issue with Vigilant Rue over the final two bends. This pair had a great battle all the way to the winning line with the Old Friends Are Best Syndicate owned and Gerry Kiely handled Dessies Return finding that bit extra close home to land the spoils by three quarters of a length in 29.31. The winner is a March 2001 son of Toms The Best and Airmount Uranus.

Queen Of Pearls made a positive start from trap four in heat four but the Ann Callanan owned Bandicoot Roll (Split The Bill-Crash Bandicoot) 3/1 to 1/1 displayed the better turn of early pace to race into a handy lead over Nialls Fancy. The leader appeared all set for an easy win at this point but a slow starting Good Speed was noted doing all her best work in the closing stages and her flying finish carried her to within half a length of Bandicoot Roll at the winning line in 29.39.

In the only novice contest down for decision the Paul Kiely trained and the Incredible Ten Syndicate owned Powerblade 6/4 to 2/1 set off in front from the outset leading early on from King Of Ferns and while the 6/4 favourite Crehana Secret overcame early crowding to produce a spirited finish Powerblade (Droopys Merson-Arbor Toff) was not slowing down up front much to the delight of his owners opening his account at the first time of asking by five lengths in 29.48.

Sineads Ashling came away in front in a 300 yard dash and while the leader held a two lengths advantage on the run to the first of two bends she drifted wide on the home turn as the Bill Marlin owned 4/1 shot Scallywag Hero (Jamaican Hero-Ballybrazil) forged into the lead and despite a late run from Cherio Punt and a renewed effort by Sineads Ashling "Scallywag" held firm to triumph by a head over Sineads Ashling in 16.73.

Land And Stars 1/1 was the punters choice in the third

but the favourite lost an amount of ground at the start stumbling after a moderate break. The Alice Lorrie Reed owned and Roy Ellis trained Okee Royal (Roanokee-Pinnacle) 2/1 trapped smartly from trap five and this fellow was soon in the clear from Skined. The favourite Land And Stars moved into second spot down the back and despite a flying finish failed by a rapidly diminishing three quarters of a length to overhaul Okee Royal in 29.80.

Atlanta Sporty 1/1 showed good early speed in the fourth event powering clear of Grange Judge (Whitefort Judge-Winlessanying) 4/1 but the latter owned by Richard Rossiter stayed on the stronger from the fourth bend home to triumph by three quarters of a length in 29.68.

In the ninth race Cloncunny Lady held the call up front to the penultimate but with the leader dropping out of contention at that point the Tony Kinsella owned Fairbrook Penny (Mountleader Peer-Sadlers Surprise) 4/1 struck the front and staying on nicely "Fairbrook" crossed the winning line with four and a half lengths to spare over a hampered Vinnies Boy in 29.89.

The final race of the session produced the fastest time over the standard trip as the Catherine Kearn's owned Shunters Hop (Some Gamble-Walls First) 5/2 ran riot over the opposition in a red hot 29.18.

Darting into the lead from trap five the rails seeking Shunters Hop son had his rivals on the stretch and lengthening his stride the leader drew clear for a cosy six and three quarter lengths victory over the always prominent Winnies Crown

WATERFORD SATURDAY FEBRUARY 22ND

## Tyrur Bello Displayed His Class

Mount Sion School staged a ten race benefit meeting in Kilcohan Park last Saturday night. The feature events on the card were the semi finals of the Bill Marlin sponsored Scallywag Marathon event over the demanding 730 yard distance.

Talent Lass (Eyeman-Pacific Talent) the 2/1 on favourite gave her supporters a real fright on the first qualifier literally walking out of trap one as Ballybray Sady led early on from Frisby Crackers. A determined Talent Lass weaved her way through the pack however and getting every yard of the trip this Matt Ryan owned bitch stayed on stoutly at the death to beat Ballybray Sady by a length and three quarters in 41.28.

In the second semi final Frisky Fun (Prince Of Tinrah-Franks Garden) 6/4 pinched a first bend advantage from Express George to cruise onto a four lengths lead over market rival Black Hawk Down. Staying wide Black Hawk Down came with a late run in the closing stages but failed by a short head to overhaul a gallant Frisky Fun in 41.17.

Racing opened with a 4/1 winner as the always prominent Greenview Lark (Larkhill Jo-Greenview Dream) came from behind the front running Fan Tan to beat Im Shattered by a head in 29.77. The winner is owned by PJ Jennings and Tom Donohoe from Enniscorthy.

A much improved Jazz Free (He Knows-Upwardly Mobile) the 6/4 favourite produced an excellent trap to line winning performance to capture the second race in a best ever 28.88. Owned by Roy Ellis Jazz Free cut loose early on from Eden Storm and while Magniers Flash stayed on strongly in the closing stages Jazz Free fully deserved his length victory.

In the third race Squad Member 5/4 to 4/6 was backed as if defeat was out of the question but supporters of this dog never really got a run for their money as he was denied rac-

ing room leaving traps. The John Byrne owned and bred Dryland Cindy (Frisby Flashing-Dryland Lucy) 3/1 wasn't hanging around at the break as she cruised into the lead from Top Catcher. It proved all so easy for "Dryland" from that point on as she crossed the winning line with five lengths to spare over Top Catcher in a n excellent 28.82.

In a four runner marathon market rivals Skilful Sabena 5/4 and Jungle Rumble 1/1 had this contest to themselves from a long way out. Jungle Rumble led around the opening two turns but after a slow start Skilful Sabena struck the front passing the stand for the first time. In a race that went all the way to the wire the Dermot Kane owned Jungle Rumble (Smooth Rumble-Ladyofthemanor) dug deep in the closing stages to hit the front virtually on the winning line for a half a length win in 41.16.

Despite a sluggish start in the fifth over 550 yards Savana Rock the 5/4 favourite displayed a nice dash of early pace to lead out of the first turn. The Benny Fox owned Determined Jack (Jamaican Hero-Slight Problem) 4/1 moved into the leaders slipstream on the run to the second last bend and sneaking up the inside of "Savana" off the home turn the well named Determined Jack slipped into the lead to run out a two lengths winner over Savana Rock in 30.10.

Having only her sixth race outing the Shay O Connor owned and Perry Aylward trained Happy Moments (Larkhill Jo-Jungle Crisis) 4/1 took on and beat some classy four benders in the open 500 yard race. Happy Moments did well to survive a rough ride around the opening turn as Bettystown made the long break for home. Keeping to the outside over the final two bends Bettystown gave way to the strong running Happy Moments and railing economically Happy Moments went on to score by a length in 27.46.

The class of the PJ Fahy owned and Paul Hennessy trained Tyrur Bello told in the open 550 as this generously price 5/4 chance posted an easy 30.03 victory. Ironmerchant made a gallant effort to lead all the way but Tyrur Bello (Spiral Nikita-Locnamon Lady) cruised into the lead on the rails near the third bend to race on for a two lengths win.

Dungarvan owner Ann Tobin combined with her trainer Bernie Connolly to send out Colligan Queen (Knockeevan Star-Just Queenie) to a fluent 29.08 winning performance in the final race of the night. In pole position throughout the fleet footed Colligan Queen never looked likely to lose out seeing off the back stretch challenge of Atlanta Eddie before defeating a running on Stately Lord by a length.

## FINAL OF GSK WINTER LEAGUE

In one of the most nerve racking finals ever in the Gold Coast, played in excellent conditions, all the players had to sit back and watch as it all boiled down to a sudden death playoff. John Hallinan overcame Bryan Keohan at the 17th, Jimmy Whelan beat David O'Connor on the 18th, Dermot Ahearne overcame Johnny Burns 3 and 2, Pat McManus won against John Fitzgerald on the 19th, Liam O'Brien won on the 18th against Michael Whelan, John Quinn beat Brian Gaynor 2 up, Jerry Murphy overcame Patsy Walsh, while Richie O'Gorman beat Tom White on the 19th, John McGrath beat Tommy Power 4 and 3, Kieran Cullinan's match went to the 18th where Pat Crowley claimed victory, John White and Brian O'Connor had a great battle with John winning on the 16th. Michael Ferncombe beat John Queally in the last match out.

This left the result at Dungarvan 6, Dunhill B 6. Each team then had to nominate a player to play sudden death. Dungarvan named Michael Ferncombe and Dunhill B named John White. Both players parred the first and Michael Ferncombe holed a great putt to half the second. On the third hole Michael Ferncombe appeared to be in the driving seat being on the green in two, but who would bet against John White. From an almost impossible position under the trees, he played away from the green, then played on in three and sank the putt to half the hole to Michael's birdie. On the fourth extra hole Michael's tee shot just missed the green while John's tee shot landed about six feet from the pin. Michael chipped his shot to within a few feet of the flag, but it was all over when John sank his putt for a second birdie in a row. As John's mother said there is no loser in this match, she had a hug for Kiki, and she made the comment that sport won out on the day.

Well done to Tom White and Dunhill B on a tremendous victory. Also well done to Kieran Cullinan and the Dungarvan team, who contributed so much to the final.

Draw and timesheet for GSK Winter League top four playoff.

## RED HOUSE LEAGUE ROUND-UP

### RED HOUSE LEAGUE/ SCHOOLBOYS

— MATCH OF THE DAY —  
MUNSTER CUP UNDER-16

# Marvellous Display From Schoolboys

**EAST CORK/WEST WATERFORD 0  
CORK SCHOOLBOYS 3**

The result here does not do justice to a really terrific display from the local boys. After giving away an early goal the local lads settled down and were unlucky not to be back on level terms before conceding a second goal midway through the second half.

The local league struck first after just 3 minutes when John O'Donovan had a shot saved. At the other end in the 4 minute Conor Hurley saved well from Corks Tom O'Flynn.

The opening goal came after just 8 minutes when Greg Twomey sent in a great cross and Wayne McBride ran in to volley home from close range. This was not what our league wanted but our lads put this behind them.

Greg Twomey shot wide for the visitors after 13 minutes. Shane O'Donovan had a great shot for our league well saved by the Cork keeper.

Hurley denied Cork winger Shane Scanlon after 17 minutes. Then came a terrific chance for our lads when Brian Keane had a great shot which had goal written all over it but somehow the full back got back to clear it off the line. In the 21st minute at the other end Dan O'Riordan cleared off the line.

A great move by our lads began with Dwayne Bernard whose pass found Shane Troy. Troy's cross found Patrick O'Neill who volleyed a great shot but the keeper got down well to save.

In the 33rd min O'Neill was in again but his shot just went over. At the break Cork led by that early goal.

Our keeper Hurley was called into action in the very first minute of the second half. Then our lads upped their game. Bernard had a great shot saved in the 48th minute. In the 57th minute Denis Flanagan (who had come on) beat the full back and his low effort looked a certain goal but Corks keeper got down well to save.

The visitors second goal came in the 58th minute. This came really against the run of play. Three minutes later a mix up in our defence left in Cork for a soft third goal. Cork finished the stronger and overall deserved their victory.

Our league manager Joe Hartnett and Declan Barron can feel real proud of the lads who performed very well and can hold their heads up high.

**EAST CORK / WEST WATERFORD** C. Curley, P. Cotter, K. Ryan, B. Keane, D. O'Riordan, S. O'Donovan, G. O'Donovan, D. Bernard, P. O'Neill, S. Troy, R. Hartigan.

**CORK:** S. Bermingham, A. O'Donovan, D. Hackett, P. O'Brien, D. O'Connell, K. Caulfield, G. Twomey, W. McBride, D. Varion, T. O'Flynn, S. Scanlon, **Res:** P. Lucey, D. Newman, A. Coleman, C. Byrd, O. Twomey all used, T. O'Shea, G. O'Callaghan, S. Steward, G. Lane.

Pictured above are the Gaeltacht soccer squad who defeated league leader Brideview (B) by 4 goals to nil last Sunday. This was An Gaeltacht's second win of the season and the Brideview camp will not be happy with this result.

### DUNGARVAN TYRE CENTRE CUP RESULTS

# Affane Shock Ardmore in Penalty Shoot Out

**Araglen Win Also  
With Penalties**

Last Sunday saw the second round of the Dungarvan Tyre Centre Cup take place. As usual there were shocks with holders Ardmore knocked out by almost relegated Affane in a penalty shoot out, Jimmy McGrath the hero here scoring twice and scoring the all important winner in the shoot out.

Last years beaten finalists Lismore had their game with Blackwater Rangers abandoned in the 2nd half of extra time, with Lismore having 4 players red carded.

**Affane 3, Ardmore 3 (AET)  
Affane Win 3-2 on Penalties**

This was a real cracker of a cup tie with the seaisiders as holders hot favourites to advance. Affane took the game to Ardmore and scored with a Ml. Browne penalty. John Conway equalised before Anthony Ahearn had the holders in the lead once again just before the break. The homeside equalised through Jamie McGrath in the 2nd half and this was the score at full time.

In extra time Conway and McGrath swooped goals to give us the penalty shoot out.

A wonderful result for Affane here especially as it looks as they are going to be relegated to the 2nd division. A very bad result for Ardmore which follows on their league defeat the previous week against Lismore. So on consecutive Sundays their league and cup aspirations have disappeared.

**Lismore 1, Blackwater Rangers 1 (Abandoned)**

This was a very competitive cup game on Sunday afternoon with cup specialists Lismore finding it very difficult to overcome a resilient Blackwater Rangers who had Rhiney Walsh, Franny Cotter, David

Cullinane in fine form. Scoreless at half time Lismore upped their tempo in the 2nd half and it came as no surprise with "Popeye" Whelan scored with 20 minutes remaining. In the last 10 minutes the visitors equalised through Cullinane from a corner kick when he headed through a crowded goalmouth unmarked. At this stage Lismore were reduced to 10 men and midway through the 1st period of extra time had a second player red carded. Right on the stroke of half time in extra time they had two more players shown the red card. So at the start of the final 10 minutes Lismore were reduced to seven players. Within a few minutes of play referee Maurice Condon found it necessary to abandon the game.

This was a very disappointing finish to a very good game of football, but there comes a time when a referee can take no more abuse and we now await the league managements decision when they receive and study the referees report.

**CLASHMORE 3  
BRIDEVIEW 5**

At one stage of this game the visitors led by 4 goals to nil. An o.g. had the visitors in the lead and Ml. Keating had the second and this was the half time score. In the second half goals from Stephen Pratt, John Doyle and Stuart Barry for Brideview with Jerry O'Rourke, Brendan O'Connell and Pat Leonard scoring for the home side. Clashmore had their chances but overall the better side won on the day. Clashmore now have the Bolger Cup on Sunday to salvage something from a poor season.

**Ballybridge 3, Kilworth 1**  
Kilworths dismal season con-

tinued in Ballymacoda on Sunday morning. Aidan Ryan scored after 30 minutes for the home side before the visitors equalised on 40 minutes. In the 2nd half Ml. Rohan and Keith O'Driscoll scored for the winners. Kilworth tried hard and the home keeper was called on to make three very good saves and the North Cork side now depend on The Bolger Cup on Sunday.

**Pinewood Rangers 2,  
Araglen 2 (AET)**

**Araglen win 5-4 on Penalties**  
Another cracking cup tie here as we predicted. Ml. Guiry and Ml. Wall scored for the homeside while Ml. Browne and an o.g. cancelled out those scores for the visitors. In the penalty shoot out after extra time Araglen came out on top by 5 goals

to 4.  
**Valley Rangers 1, Inch 0**  
This local derby had plenty of good attacking football. Sean Twomey gave the homeside the lead in the first half and in the 2nd half Inch attacked no stop in search of the equaliser and both keepers were tested in these final 45 minutes, and Valley held on to have their name in the 1/4 finals once again.

**Modeligo 2 Mogeely 4**

The visitors led here at half time by 4 goals to 1 goal, Forrest Daly with 2 goals, Paul Sprite and Philip Ansboro were the goalscorers for Mogeely with Walter O'Grady scoring for the home side. In the 2nd half Graham Nagle had a home goal but it was not to be and the Cork side now go into the draw for the next round.

## LEAGUE GAMES

### CAPPOQUIN 5 BALLYDUFF 0

Cappoquin completed the league double over the village on consecutive Sundays scoring a total of 7 goals and conceding none in the process.

Robert Wheeler 2 goals, Paul Landers, Cathal Gleeson and Jacko Kiely were the Cappoquin scorers.

This result sees Cappoquin move away from the bottom of the table and it now appears as if Kilworth are definitely relegated. The battle now appears to be Gortroe, Accrington and Ballyduff as Cappoquin have games in hand.

### AN GAELTACHT 4 BRIDEVIEW 0

A real shock result this. The Tallow side were very under-strength but this was a good display from the Gaeltacht side. Tim Power had 2 goals, Walter Mansfield and Liam Grace scored the goals which lifts them off the bottom rung of the league and even through they have games in hand their best prospect will be a mid table finish.

Not a good result for the Tallow outfit who will be bitterly disappointed.

## Delegate Meeting

The delegate meeting of the Red House League will take place next Monday night, March 3rd in the Red House, Lismore at 9 p.m.

Referees meet at 8 p.m. The draw for the 1/4 finals of the Dungarvan Tyre Centre will take place at the delegate meeting.

## Referees

All interested in becoming referees are reminded that a beginners course will take place this Thursday night, February 27th in Lawlors Hotel at 7 p.m. With such a shortage of referees in the league at present it is hoped to have at least 10 to 15 new recruits from our league.

Getting around to games every Sunday in the three divisions this writer is amazed that there are not more new referees about to take the whistle as all the experts appear to be standing on the touch lines. We have noticed in the last few months that the amount of abuse towards referees from players and spectators is heading towards an unacceptable level and clubs and players must realise without the men in the middle there will be no league. Let us hope when the new recruits come on stream in the next few weeks they will not be subjected to any abuse.

## PREVIEWS PREVIEWS PREVIEWS

### TONY BOLGER PLATE SEMI FINAL

## Ramblers May Advance

Kilworth Celtic v. Clashmore Ramblers

This Tony Bolger Plate semi final has already been cancelled three times due to the weather so hopefully the game will get the green light for Sunday.

Both clubs are having a poor season. Kilworth Celtic are bottom of the premier division. Last season they won promotion from division one and now it looks as if they are heading back down again this season. However this semi final may lift them for Sunday's game and a place in the final.

Likewise Clashmore Ramblers who also won promotion from Div. Two last season could just about avoid the drop back down this season, can they lift their game and keep their season alive.

On both clubs' form to date it's almost impossible to say who will advance but perhaps Celtic may just shade it.

### RED HOUSE LEAGUE PREMIER DIVISION

## Lismore Face Valley Rangers

Match of the day takes place this coming Sunday when two title contenders Lismore and Valley Rangers come face to face in Lismore.

This has all the ingredients of being a real thriller and could very well decide the title contest. At the moment two points separate the sides. Lismore have the two point advantage but can they hold on to it. Both clubs have quality players and after Sunday's game they will just have two games each left so games are running out fast for the losers here.

Lismore will hope that all players will strike top form on Sunday. They will look to Michael Shanahan to keep a clean sheet on Sunday. It's a strong Lismore back four with Landers, Whelan, Prendergast and Ormond all in top form. Midfield will be a vital area for them. They will hope that Howard, Cunningham, Walsh will get an advantage here for

them.

They will look to Bennett, Donoghue, Hegarty, Tobin and Henahan to keep Rangers defenders busy. The first eleven should come from that panel.

Rangers have some quality players also. Players like keeper John Rumley will be hoping to keep a clean sheet. A tough back four of Jim Lane, Niall Riordan, Brendan Hickey and John Ronayne should keep Lismore's front men at bay. Again midfielders Shane Kearney, Billy Carr, Gordan Bryan and Padraig Noonan will prove a handful.

Up front could see Colin Hogan and Der Caples looking to hit the net. Other players who could figure are Sean Twomey, David Farrell, Aidan Hogan and Pat Kenneally, all fighting for places.

So plenty to play for and it should prove to be a real thriller.

### Cappoquin v. Brideview Utd.

This is a game vital to both sides. For Utd. the points would help them to keep in touch with Lismore and Valley Rangers. It's important that players like Pratt, Martin and Murphy will strike top form.

Cappoquin have moved away from the bottom and should be safe. However they will be hoping to collect full points and push them up the table

### PREVIEWS DIVISION ONE

## Pressure On Araglen Snd Inch

Yes indeed it is as both clubs are chasing the league title. Just three points separate the clubs.

**Ballybridge Utd. v. Araglen**  
Utd. are in the bottom half of the table and have been blowing hot and cold this season. Araglen are in fine form and have a game in hand over the other three contenders. On form we give the North Cork side the vote.

### Castlebridge Celtic v. Inch

Celtic are having a poor season by their standards. To be fair they have lost some players from last season and it's taking its toll. Inch are going well and could be involved in the hunt for the league title. They have picked up some great points in

the last few weeks and they should collect full points again on Sunday.

### PREVIEWS DIVISION 2

## Modeligo To Win At Home

### Modeligo v. Mogeely

Both clubs are level on points so this is a real chance for one of them to move into third place. The sides met in the cup last week and Mogeely ran out winners.

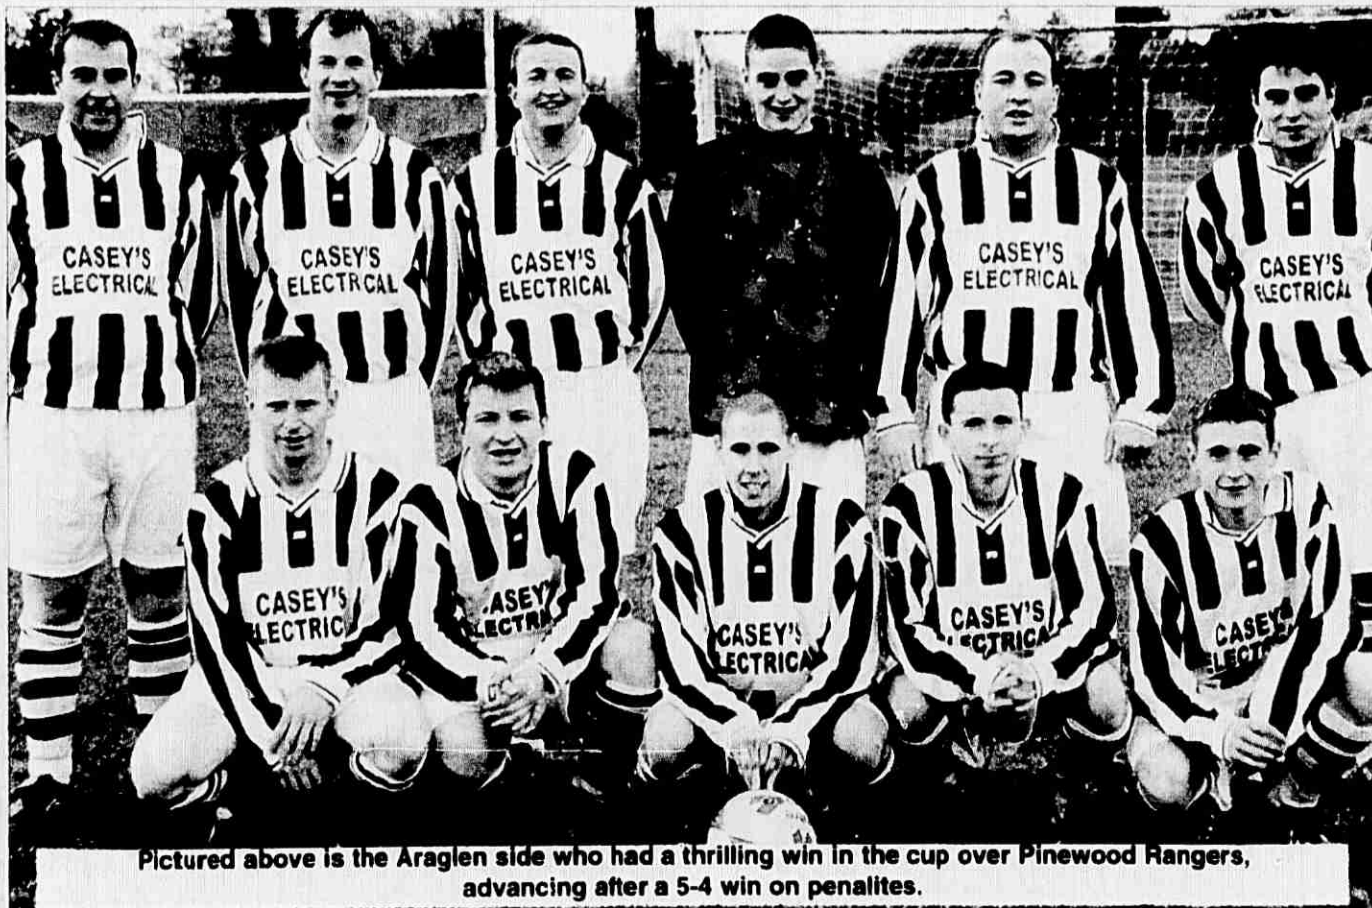

Modeligo have two games in hand on the top two clubs, they should clinch the points here.

### An Gaeltacht v. Bally Celtic

The homeside had a big win over league leaders Brideview Utd. last week in what was the shock result of the day. Bally Celtic are now bottom of the table two points behind An Gaeltacht. The homeside could grab another three on Sunday.

### Blackwater Rangers v. Valley Rangers

This should be a real thriller on Sunday. Valley have a chance of closing the gap on leaders Brideview. Blackwater are having a good run and will be anxious to continue that run. A draw may be on the cards here.

Pictured above is the Araglen side who had a thrilling win in the cup over Pinewood Rangers, advancing after a 5-4 win on penalties.

### UNDER-18 LEAGUE

## Victories For Araglen And Kilworth

Araglen and Kilworth Celtic had good wins in the U.18 league last Sunday. There is a long way to go and it's early days yet. Very little separates the clubs. Results : Ballyduff 1, Kilworth Celtic 4; Araglen 2, Gortroe 1.

### INTER LEAGUE

The first get together of the U.18 inter league panel takes place in Inch on Sunday afternoon next. All clubs will be informed during this week. The reaction from players has been very good and positive to date. Manager Ray Fraser and his assistant Tom Kenneally are pleased to date with the response. All players are to attend the Inch soccer pitch on Sunday next at 3.15 sharp. Interesting times ahead.

## MICHAEL ROCHE CARPETS SPRING SERIES

# Mark Langford & Corinna Walsh Have A Spring In Their Step

The 11th annual Michael Roche Carpets Spring Series reached the halfway stage at the recent very successful Waterford Crystal 10k. Over one hundred runners entered the series and the mens section, in particular, is proving to be a thrilling four way contest between Mark Langford the current leader and running extremely well at present and Trevor Mason, Larry Kennedy and the new 45 year old Gerry Cantwell. There is only a few points separating all four runners and competition should be really keen over the next two races before this year's Spring Series champion will be known.

In the ladies section Corinna Walsh leads by a small margin from Norma Wall but they will have to be on their toes when Muriel Cummins (Metro A.C.) and Adele Walsh (St. Senan's) return for the remainder shorter distance races.

The beginners sections haven't attracted as many runners as the class of 2002 who graduated at last year's mystery tour but there is a good Waterford City based duel between Pat Giles and Brendan Aspel and Paudie Crotty (West Waterford) developing in the mens section while Irene Hennebry is the girl to beat in the ladies division.

## JASON MORAN FOR IRELAND

Congratulations to Jason Moran on his brilliant debut for the Irish under 21 rugby team two weeks ago against Scotland, a game which Ireland won. This was Jason's first game in the Irish shirt. He also played last Friday with the same team against Italy in Rome and they again came out winners. Jason is a student in U.C.D. and is playing his rugby also with the college team, he seems to be following in the footsteps of his father Brendan who also played rugby at the highest level. Brendan is a valued member of West Waterford AC and is one of the country's top sprinters at Masters level. Well done to both father and son.

Who knows down the road Brendan may talk Jason into having a go at the track?

## COPY-TYPE SECRETARIAL SERVICES SPONSOR COLLIGAN RUNNING LEAGUE

You've enjoyed the Winter League, don't go out to grass go out to Colligan for the Colligan Spring League, (that's what the logo says). Our annual hill running league in Colligan Wood for the Veale family perpetual shield in preparation for the Marine Climb will be starting on Wednesday the 19th and 26th of March, Wednesday 2nd April and Friday 11th April. This year we have a new sponsor on board Copy-Type Secretarial Services, 63 Main St., Dungarvan and we would like to thank proprietor Geraldine Curran for her kind gesture to the club in sponsoring this event, and to our previous sponsors the Wall family a big thank you for your support and help in all club activities in the past.

The run each evening will start from 6 p.m. before the clock changes and from 7 p.m. after, with a nightly entry fee of 2 euro. All will be catered for with three different choices, a five miler for regulars, three miler for improvers and for beginners we will have two laps of the road-wood circuit on the flat. The league will run on a handicap system, don't let it stop after the winter league when your only getting into your stride. Come along to Colligan and join in the fun whilst at the same time you become fitter and healthier.

## BALLYCOTTON 10

The Paddy Joe Delaney Memorial Shield for the first West Waterford runner home in the Ballycotton 10 will be presented in the Goalpost Bar Shanagarry on Sunday week 9th March, (remember last year all those lovely sandwiches, teas and pints etc well more of the same this year). Con Kelleher is the present holder of this shield which he won as the first club athlete last October to finish the Dublin City Marathon. Can he make it a double; or could it be a Cantwell or even a Mason, McCarthy maybe, it just might be you, who knows, because it definitely won't be me.

## CIRCUIT TRAINING

Circuit training has now resumed for all West Waterford athletes at St. Augustine's College every Wednesday night with top club coach Br Pat Lennon. Starting each night at 8 p.m. and finishing at 10 p.m. All are welcome to come along.

## SOCIAL

There are some tickets still available from Corinna Walsh for our social on 15th March at the Park Hotel and they are priced at 20 Euro each. This will be a cracker of a do, so come along and enjoy what will be a great night for our club.

## SYMPATHY

All at West Waterford A.C. extends sincere sympathy to club athlete Diane Behan on the death last weekend of her father Batty Foley, Portlaw and with all the Foley family we sympathise at this sad time.

The untimely death also took place last week of one of the county's top coaches over many years Donal O'Keeffe D.L.S. He was also for many years county treasurer and was up until his death a life president of the Waterford county board. May they both rest in peace.

## Strength And Speed For The Summer Series

The Summer Series may seem a long way off but now is the time to prepare for same which should see you improve your times from last year's series.

Taking part in the upcoming Colligan Hill Series should help in the strength department especially for the Marine Race while strength also brings increased speed in its own way.

Most of our runners have not been introduced to any form of speed training and the club hopes to rectify this throughout the year by organising a weekly Wednesday night session which should prove both enjoyable and beneficial. This will start when the Colligan series concludes and previous non participation in this type of training will be taken into account. The provisional starting date is Wednesday, April 16th and continuing every Wednesday thereafter.

# The Country Store

A commitment to top quality locally grown and sourced produce has helped the Country Store, Mitchell Street, Dungarvan to maintain its position as one of the leading fruit and vegetable suppliers in West Waterford.

Established over twenty years ago, it has developed and expanded both its range of produce and customer services throughout that time.

Danny Barry first opened the Country Store in Dungarvan and the reputation and tradition he built for quality produce at the store was sustained under Michael Sheehan. Now, under new management this policy is set to continue.

Conor Lannen took over

the running of the Country Store in early December of last year. And, together with continuing on the stores proud tradition, he promises to develop new services and produce ranges for the stores growing customer base.

In particular, he says he intends to expand the Country Stores organic section and continue to improve its range of gluten-free produce.

"It's something I want to develop over the next while," he says.

It already supplies all types of fruit and vegetables, and offers free delivery of its fresh and pre-packed produce to customers in Dungarvan town six days a

week. They also stock composting for gardening.

Conor adds: "If there's something a customer wants and we don't have it in the store, we'll order it for them."

### GIFT HAMPERS

In what is perhaps a unique initiative for a fruit and vegetable store, the Country Store also stocks gift hampers for every occasion. These can be ordered in store or as with it all its produce can be ordered over the telephone.

Each hamper is made up on the day to the customer's requirements and makes the perfect gift for every special occasion.
