## Legal Action Threatened Over Alleged 'Incitement To Hatred'

**KEVIN KIRrane**

A former member of Waterford County Council is threatening to take legal action against Fine Gael Justice Spokesperson, Deputy John Deasy, for alleged incitement to hatred.

Garry O'Halloran, a former Fine Gael County Councillor, said he would take legal action over remarks Deputy Deasy made on local radio in relation to a group of trader/travellers.

In the course of an interview on WLR FM, Deputy Deasy was asked whether he would support the use of the army in such cases where large convoys of caravans converged on a town.

Deputy Deasy said in reply

### FORMER COUNTY CLLR. THREATENS LEGAL ACTION OVER FINE GAEL JUSTICE SPOKESMAN'S REMARKS

that he would not rule out the use of the Army in certain circumstances.

But, Mr. O'Halloran, who is a member of the Southern Travellers Justice Group, said the Army had no role to play in such matters.

"It makes them appear that they are dealing with a serious subversive organisation," Mr. O'Halloran told the Irish Times.

Mr. O'Halloran is said to be taking the case under the Incitement to Hatred Act 1989.

However, speaking to the Dungarvan Leader, Deputy Deasy said he would not be retracting anything.

"It is a simple law and order issue," he said, "and the type of behaviour over the weekend simply won't be

## Council Lodge Application For Garrynagree Waste License

**KEVIN KIRrane**

Waterford County Council is to apply for a waste license for the controversial Garrynagree landfill despite confusion over the areas "imminent" designation as a Special Area of Conservation, and a possible Supreme Court appeal by an environmental group.

### Duchas Notified Co. Council Of Imminent SAC Designation Two Years Ago

A letter from Duchas - the body charged with designating Special Areas of Conservation - notified the local authority about the River Lickey's imminent change of status to an SAC two years ago.

"This being the case," Assistant Principal of Duchas, Jim Kelly stated, "you are requested not to permit any development in this vicinity that might harm the ecological integrity of this river."

However, at Monday's meeting of Waterford County Council, County Manager, Donal Connolly insisted that a "modern waste management facility" close to the River would not harm its ecology.

"We would hope that it will actually improve the water quality", he said.

Members of Lickey Concern Group attended Monday's meeting, and in a press statement expressed astonishment that the council is proceeding with an application for a waste license.

"At this point, the Group is amazed that the Council is proceeding apparently based on documents prepared by them more than two years ago, which were not exhaustive, and which did not take into account the SAC designation," the statement says.

"This all the more astonishing, given the County Council were informed by Duchas as long ago as 20th July 2001 that such a designation was imminent."

#### SUPREME COURT APPEAL

The Lickey Concern Group, which took an unsuccessful High Court case seeking a Judicial Review, said they are now considering appealing that judgement to the Supreme Court.

"Under consideration also is what course of action the Group will take in relation to the waste-license application."

The notice to apply for a Waste License was published in a national newspaper by the local authority last week. The Environmental Protection Agency (EPA), which handles the regulation of waste licenses, says the process includes a submissions and observations stage where the public can make objections.

Meanwhile, the published application is for a "Waste Management Facility,"

**Championship Replay**  
 Our Intermediate hurlers were back in Lismore on Sunday evening for the replay of our game with Cappoquin. As often happens in replays we never got going this time out and the concession of some relatively easy goals in the first half and we were always trying to catch up. The final score was Cappoquin 2-14 to our 2-8 so we now await the format of the losers group. But we are capable of playing better than we did on Sunday evening.

**Munster Final Tickets**  
 As we all know by now, the Munster final v Cork will be in Thurles on June 29th. Anyone interested in travelling is asked to give names for tickets to John Devine or Breda Clancy in plenty of time also remember that paid up members will get first call for tickets.

### Head Shave In Aid Of Our Lady's Hospital For Sick Children

On Saturday 22nd March 2003 the date it all began in West Waterford for Our Lady's Hospital For Sick Children. A phone call from Orla Russell of Lismore to Martin Cahill development executive of Crumlin, resulted in what could only be described as an excellent fund raising effort. Many members of the Fire and Rescue Service personnel agreed to take part in a sponsored head shave event in Lismore Hotel on May 16th. Members of the public including men and women also agreed to take part.

An auction and raffle held on the same night proved to be a huge success. In all the amount of money raised will exceed 20,000 euro.

Our Layd's Hospital is a national referral hospital for seriously ill children from every part of Ireland. This fund raising event as well as many more held throughout the county proves that the people of Waterford certainly are playing their part in the refurbishment of the childrens medical and research foundation Crumlin. Orla said that without the support and generosity of everybody involved this event might never have taken place. She continued: The lives of many children through out Waterford and all over the country will be saved because of your kindness.

← The top photo was taken "before" and the bottom photo was taken "after" the headshave.

### Government Decentralisation Plan On 'The Road To Nowhere' Says Senator

Dungarvan is a prime location for decentralisation, according to Senator Maurice Cummins (FG), who has demanded that the Government honour their promise to Co. Waterford and city.

"When the Tanaiste committed decentralised jobs to Ballinasloe after the closure of Square D Plant without any reference to any Government strategy or criteria, surely the same could be done for Dungarvan and Waterford who are eminently qualified and in a state of readiness for decentralisation," he said.

"Eighteen thousand civil servants have expressed an interest in taking up the option to transfer out of Dublin to locations throughout the country, but the Government seems incapable of making a decision on the matter three and a half years after they made the decentralisation pledge in December 1999," Senator Cummins added.

"The Government failure to deliver on this plan is consistent with the lack of connectivity shown in the National Development Plan, the National Spatial Strategy, and the Strategic Rail Review."

# Abbeyside Pattern On The Brink Of Collapse

KEVIN KIRRAANE

A lack of financial resources and manpower has left this year's Abbeyside Pattern teetering on the brink of collapse, it has emerged.

The Pattern, which holds the distinction of being Ireland's longest running Community Festival, will not be held this year, unless the people and businesses in the locality rally to the Committees assistance. Chairman of the Pattern Committee, Charmian O'Brien told the Dungarvan Leader.

The Pattern's change of venue from the Pond to Walton's Park in the last few years has seen an

upsurge in crowd size and in the number of participants to its many events. Ironically, however, it has also coincided with a drop in the Pattern's financial support.

At present, funding of just 700 euros has been secured – not enough to cover insurance costs of over 1,000 euros – and far from the 3,000 to 4,000 euros needed to run the festival.

"At this stage, we're half thinking why bother," Charmian said. "But, then the other half is saying don't let it die either. This year has been exceptionally hard. We're getting no funding."

One recent fundraising event resulted in a €600 loss, while church gate collections and Easter raffles have received support well short of hoped for levels. This year, the Pattern's main sponsor Murphy's Brewery is also pulling back their level of funding, although Charmian said, "they won't let us high and dry".

"...if people don't start coming forward and start offering us their help, or even a few bob, then there won't be a Pattern" she said. "There are only eight of us on the committee. And, we're not physically able to do everything necessary to provide a quality festival."

The Pattern has proven a lucrative attraction for Abbeyside, and with the fine weather in recent years it has drawn

massive crowds.

"We had fine weather. We had huge crowds. It's getting bigger and bigger. It's come on a tonne, and it's a fright now to lose it all," she said. "But, we need some kind of help."

The organisers say the Pattern Queen will still go-ahead on the 18th of July in Minnies as it is a qualifier for the Waterford Area Finals of the Rose of Tralee. But, without support the Bank Holiday weekend in August earmarked for the Pattern will be a blank space on the Abbeyside calendar.

People who are willing to join the committee or provide help and support in any way are urged to contact Pattern Chairman Charmian O'Brien on 086-845850 or Vice Chairman Miguel Garcia on 058-44658.

whose primary function would be as a "specially engineered landfill, including placement into lined discrete cells, which are capped and isolated from one another and the environment."

The landfill would operate two activities – the Disposal and Recovery of Waste. The recovery section of the notice allows for the "use of any waste principally as a fuel or other means to generate energy" – a description believed to mirror the requirements for a Thermal Treatment Plant included in the Regional Waste Management Strategy. It would also allow its use as a recycling facility.

### CONTRADICTORY MESSAGES

The River Lickeys "imminent" designation as an SAC follows on from the discovery of a rare species of shellfish. But, the decision to continue to waste license stage was contrasted by Deputy Ollie Wilkinson (FF) with the 6-8 million euro routing of the proposed Dungarvan Bypass away from the Killarney Fern. The fern is also expected to be "immi-

nently" included in an SAC.

Speaking to the Dungarvan Leader, Deputy Wilkinson said that there seems to be a major contradiction between the two.

"In the Lickey you're dealing with a wildlife species – a shellfish – a rare shellfish – and in another area you're dealing with a rare plant."

"I cannot understand how one development can go ahead, and the other can't. I fail to understand the logic of it", he said.

The issue was initially raised after Cllr. Billy Kyne (Lab) repeated his call for the Council's Executive to make its own submission to the National Roads Authority, outlining the concerns, Cllr. Kyne claims the executive privately hold about the preferred route.

"I know one local landowner who said members of the executive told him they had reservations about the route," Cllr. Kyne added.

But, Mr. Connolly denied that he had told anyone anything. He said he didn't have a particular view on the bypass and as it isn't an area he is qualified to speak on, he would not be publicly airing his views.

Deputy Wilkinson highlighted the apparent contradiction in approaches between the Lickey and the Dungarvan Bypass, and questioned how the Garrynagree landfill could proceed close to a proposed SAC but the bypass had to be routed away from another at an added cost of millions of euro.

"There is a contradiction here that needs to be cleared up", he said.

Director of Services, Denis McCarthy said no confirmation of the Rivers SAC status has been received as yet by the council. Until it is either granted or refused, he said, it is a hypothetical situation, but he is confident that even if it is granted it would not have an impact on the future of the proposed landfill.

## Legal Action Threatened

CONTINUED FROM PAGE ONE

Deputy Deasy said the issue didn't have to do with travellers, and wouldn't describe the people as travellers, but as traders, some of whom have houses in Limerick.

Mr. O'Halloran, who served as a Fine Gael County Councillor in the previous council, initiated an unsuccessful case against Cllr. John Flannery in 1999 who compared Travellers to "pedigree dogs" who preferred to lie in the sun rather than take FAS training courses.

# SUMMER CAMP

## DUNGARVAN SUMMER CAMP - An Active Alternative To Holiday Boredom

When Summer Camp opens in Dungarvan on 30th June this year, it will be their twentieth season catering for the children of Dungarvan and Mid and West Waterford. Again this year, the Sports Centre has come together with Dungarvan Credit Union to offer children and parents a solution to their holiday entertainment problems.

Over the years, the Leaders at the Dungarvan Summer Camp have learned many things from the 11,000 or so campers who have passed through their doors, their likes and dislikes, their tricks and dodges, but most of all, how to keep young children entertained through a six hour day.

For many children disenchanted with the weather, already bored with holidays, Summer Camp cannot come too soon. For parents faced with the daunting task of keeping their off-spring happy in difficult circumstances, Summer Camp is just the ticket and already, bookings are flowing in to the busy Summer Camp Office at Dungarvan Sports Centre.

In this day and age of computer gadgetry, multiple TV Channels and DVDs, the thought that children might 'make their own fun' is hardly a realistic one and inevitably children will look to parents and minders for help.

Others will feel that life should be one continuous hurling or soccer game and will only be happy when racing across grass, swimming in a pool or playing on the beach each day.

The prayers and expectations of both can be answered with a week, or more, of Summer Camp at Dungarvan Sports Centre, where children of all ages and tastes, will come together to enjoy themselves at simple, yet effective activities.

Big reductions for two or more children and repeat weeks

Catering for children aged from six to about fourteen, in their own age categories, over a hundred children will converge each week on the now legendary Summer Camp, where for five days, between ten and four o'clock, they will enjoy themselves, play safely, make friends and not notice the hours slip by.

Dungarvan Summer Camp is based on safety and simplicity, where there is a recognition that it is easy for children to enjoy life, provided they are kept safe, occupied, and motivated. At Dungarvan Sports Centre, nineteen years of practice, nineteen years of fine-tuning and nineteen years of finding out just what makes children want to come to Summer Camp at all, will decide the final programme. While the children may not know it, the attraction is activity, simplicity and security in a friendly environment.

The day usually starts with a visit to the Park Hotel Leisure Centre Pool, while at the Centre, a full programme of games is available and Leaders are free to pick the best, most suitable and entertaining for the age groups within their care. There are also art sessions, badge making and treasure hunts. Children can also look forward to the weekly barbecue and sing-song, the weekly disco and Leaders and Campers Concert each week.

Wednesday at Summer Camp is a little oasis of rest in the middle of the week, provided by a relaxing trip to Splashworld in Tramore. Lunch-time is spent in the relative quiet of Peoples Park in Waterford, where the Campers can have a quiet hour in the playground under the watchful eye of their twenty or so leaders.

Add to that the famous end of week waterfight, where children get to soak their leaders and fellow campers and it all becomes a successful recipe for a week well-spent and thoroughly enjoyed at Dungarvan Sports Centre.

The children will enjoy themselves. If you have any doubts, ask those who have attended previously and they will assure you. And anyway, there's a full, no quibble, money back guarantee for each child, but you shouldn't need to avail of it.

# €52 Million Hotel And Holiday Home Development Proposed For Clonea

KEVIN KIRKANE

Dublin based developers, Greenbirch Ltd, are proposing to develop an 80,000 square metre site at Ballinclammer in Clonea into a multi-million euro hotel and holiday home development.

The developers are planning to construct a 4/5 Star Hotel on the site, along with 166 terraced and detached houses.

The plans, which were submitted by architects, McGrane & Partners, on behalf of the Greenbirch, are for a site bordered by Bronte House on the east, and the old Railway Lines to the north of the site.

If permission is granted to proceed, the hotel would face onto the beach, and Waterford County Council owned land lying between the hotel and the beach is planned for development into a public amenity park.

The developers say the new Hotel would cost in the region of 12 million euros to construct, and claim the new facility would create around 110 full-time jobs, and a further 43 jobs on a part-time basis.

To the rear of the hotel, Kevin Gevers of McGrane & Partners said one hundred and sixty-six

"holiday homes" are proposed to be constructed at a cost they estimate of approximately 40 million euros. The houses are planned to include detached and terraced housing, and would be connected to the main sewerage scheme under construction in Ballinacourty.

### REACTION

Speaking at Monday's meeting of Waterford County Council, Director of Services, Denis McCarthy assured members that a development would not be allowed go ahead on the site until the Dungarvan and Environment's Sewerage Scheme is completed.

The site is zoned for intensive tourism uses ever since Waterford County Council passed the Land Use Study Plan last year.

Cllr. Nuala Ryan (FF) said people in the Ballinclammer area had been aware since last years decision, that the development of a hotel could be expected out of the intensive

tourism zoning.

"But, people weren't expecting to see such a high density of houses going up there", she added.

Problems with the road to the site, which Cllr. Ryan described as only suitable for "a horse and cart," would also have to be examined she said.

Mr. McCarthy said the number of houses proposed for the site did "appear to be of a high

density" at this stage, but he wanted to examine the plans in more detail before commenting in depth.

Meanwhile, Deputy Deasy (FG) questioned the number of car parking spaces provided in the plans. He said 450 spaces seemed reasonable at first viewing, but many of those included in this figure are already in place, and with the number of houses to be built, he ques-

tioned whether it is enough.

Cllr. Tom Higgins (FG) raised similar concerns, and called for the construction of a promenade to be examined as an option.

### THREE STOREY HOTEL

Meanwhile, if planning permission is granted for the proposal, the plans show that the development would see the construction of a three-storey beachfront hotel.

The plans, which are available at the offices of Waterford County Council, propose for the ground floor to include a main swimming pool with a separate and smaller children's swimming pool. Also included is a 'Thalasso Spa', sauna, and a steam-room; along with a Restaurant, Bar and a function room.

The first story would include a boardroom, syndicate room, billiard room, library, crèche, medical centre, treatment room, Spa and relaxation room, and an upstairs gym in the 12 million euro building.

The planned view from the beach of the proposed €12 million hotel at Clonea.

Typical terraced houses planned as part of the proposed development of 166 new houses in Clonea.

## RADIO HISTORY MADE BY WLR FM

WLR Fm is about to make radio history when it moves to its new home in Ardkeen next Friday. This is the first purpose built broadcasting centre in the Country since RTE built Montrose and WLR Fm is the first independent station ever to take on such a huge project.

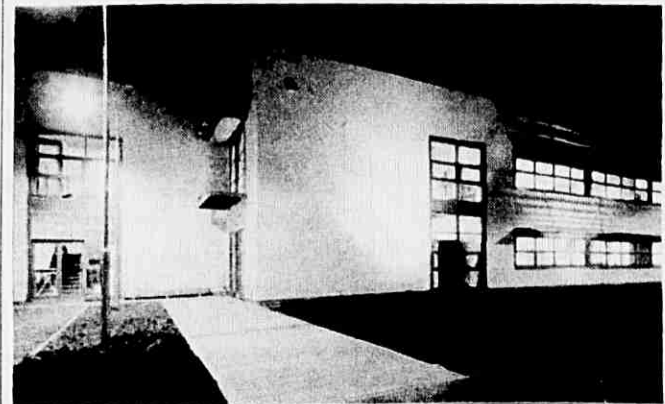

The foundation stone on the broadcasting centre was turned last September by Minister for the Environment Martin Cullen. However this was not the beginning. The planning and careful design of the structure had begun months earlier. With an investment of almost 4.5 million euro, the design had to be right.

Oliver Dempsey of 'Oliver Dempsey Architects' is responsible for designing the building and McInerney Developers took on the task of erecting the 10,000 sq ft structure. Today it boasts 9 state of the art broadcasting studios, conference rooms, office space, coffee bar, a TV edit suite and plenty of parking spaces. The parking spaces will certainly be a new luxury for staff, clients and visitors to the station.

This Friday WLR Fm and Waterford@8 move lock, stock and barrel to the new address and from July 1st the new regional youth station BEAT 104 comes on air from the same location.

Managing Director Des Whelan said 'we are all very excited about the move. The building has clearly been crafted with extreme care and many people were involved in masterminding the practical details. We are delighted with it and I know it will inject fresh energy into all of us'.

WLR Fm will commence broadcasting from Ardkeen this Saturday, June 14th.

## Kilgobinet Players Ride Again

Two years ago Kilgobinet Players staged 'A Love So Blind' by Jim Cullinane. The play was previewed in Dungarvan and ran in Manhattan, New York at the Irish Arts Centre for three nights. The company has grown in the last two years and is now associated with MR Films, the production company owned by local entrepreneur Michael Ryan.

Kilgobinet Players is headed by Hank Regan and is currently rehearsing yet another production to take to the states. This time the play is called 'What Do You Expect' and is a hilarious farce set in modern day Ireland. The cast includes Henry O'Keeffe who has won several awards for acting, the accomplished Brid Mooney Neilsen and John Stack who was recently recognised nationally on the amateur circuit for his acting ability. There are two more parts yet to be cast and Hank said they are looking for two male

actors, 20 to 30 years old who would love to be seen on and off Broadway stage.

This year they plan to go to New York in July, and anyone interested should contact the director at Hanks in Mary Street, Dungarvan. So far rehearsals are going very well and everyone involved is confident of another successful show.

The play will preview at the Community Centre in Modeligo at the end of June. Modeligo is a fantastic facility with a great stage and not too far from Dungarvan.

According to the organisers this is perfect for anyone interested in drama, a bit of craic and a week in New York city. Watch this space for updates over the coming weeks. Kilgobinet players are also interested in reading new scripts, stage or screen from local writers.

# A Celtic Dream - Musical Extravaganza For New Lismore Festival

An exciting new musical show 'A Celtic Dream' has been devised for the forthcoming Imram Festival. This show features the combined talents of some of the finest singers, musicians and dancers in Ireland. The revue includes three of our finest Sopranos Miriam Blennerhassett, Maeve Morris, Louise Harrison and one of the most exciting young Tenors Karl Scully to appear in recent years. Their material ranges from popular operatic pieces to Irish traditional music.

The dancers are the finest in the world and are all former leads with the smash hit show "Lord of the Dance/Feet of Flames." Since leaving that show they have developed an innovative new dance form, combining the rigid elements of Irish dance with much more modern styles and this fusion results in a unique style that is dynamic and modern. The Anúna dancers (all of whom are world champions) are all former dancers from Lord of the Dance. They feature no less than four lead dancers from Michael Flatley's hit show Feet

of Flames. They are all members of the Fever Feet Dance Company based in Dublin and are directed by Denise Flynn

and Derek Moran.

Bookings including credit card at 058-53803 Mon - Friday 2pm-5pm. Saturday &

Sunday 058-54975. Tickets are also available from Matt Connolly Pharmacy Main St Dungarvan.

## Minister Cullen's Bill Another Blow To Democracy

### - MANSFIELD

Speaking on the Protection of the Environment Bill 2003, Sinn Fein Spokesperson Brendan Mansfield slammed plans by the Government to introduce service charges. The West Waterford Sinn Fein spokesperson was also highly critical of provisions in the bill, which lessen the powers of local authorities.

"This is yet another Bill from Minister Cullen and yet another blow to democracy. People should remember that this is not the first bill that Minister Cullen has brought before the Dail which has sought to diminish the powers of local authorities."

"Though there are some measures contained in this Bill that are to be welcomed they are simply window dressing for the Ministers real intention of diminishing by degree the autonomy of local authorities and for his planned imposition of service charges."

Mr. Mansfield stated that he was particularly concerned that the Minister is attempting to persuade us that the imposition of service charges provided for in this bill is based on the 'polluter pays principle'.

Mr. Mansfield said that this was a dubious claim designed to distract us from the fact that the economic policies pursued by this Government along with its refusal to reform the financing of Local Government has left us with cash starved local authorities. An individual citizen is not the polluter who should be paying. It should be remembered that household waste accounts for less than 10 percent of all solid waste. There is unwillingness on the part of this Government to make the main producers of waste pay their fair share.

Mr. Mansfield was deeply critical of the Minister for absenting himself from the Dail Chamber during the debate on the premise that he had to meet with City and County Managers.

"This shows what the Minister's priorities are. He is not interested in hearing the voices of elected representatives at local level, and he's not interested in hearing the voices of the elected representatives at national level. Minister Cullen has once again demonstrated his disregard for democracy," Mr. Mansfield concluded.

# Soft fruits can be really hardy

SUCCULENT and juicy, with a delicate skin and gentle double curve, peaches, nectarines and apricots have all these things in common – so where do they differ?

The one main physical difference is that apricots are a lot smaller than peaches and nectarines.

Also, there are noticeable differences in skin texture. Nectarines are smooth and shiny, peaches are furry and apricots fall somewhere in the middle.

Apricots have been grown in Britain for the last 400 years, although not widely until the last century.

There are three main points to consider in the culture of apricots: the flowers appear in early spring – and are therefore very susceptible to frost damage; many fruits may fall if the trees are dry at the roots; and fruit set may be patchy unless the flowers are hand-pollinated because there are few pollinating insects about when the flowers open in spring.

Soils that apricots relish in have a pH a little about neutral on the alkaline side. Good drainage is essential.

The nectarine is in fact the smooth-skinned form of the melt-in-the-mouth peach.

Technically it is a mutation, or bud sport, which arose more than 2,000 years ago.

As a bush tree, the nectarine has not proved popular in Europe, as it is said to be somewhat less hardy.

Far from being tender subjects, peaches are hardy enough to succeed in the open almost anywhere except the really cold regions, such as northern Scotland.

They need no special soil requirements, but the soil must be of normal garden fertility and adequately drained.

Nectarines should be grown and cultured in the same way as peaches.

Recommended varieties of peaches include Duke of York, Peregrine and Rochester.

Varieties of nectarines that are recommended include Early

Rivers and Golden State. If you want to grow apricots choose

from Farmingdale, Moor Park or Blenheim.

Peaches: Hardy enough to succeed in the open in most areas

## THIS WEEK IN THE GARDEN

### PRUNE FLOWER SHRUBS

Any shrubs that flowered during May or early June can be pruned, but this is not to say that pruning is always necessary. Much depends on the purpose for which the shrub is being grown and the amount of space that you can spare for it.

### TAKE PINK PIPINGS

Now is the time to propagate pinks by cuttings. Select healthy looking, non-flowering shoots 10 to 13cm long and pull them out at a joint.

This is known as taking a 'piping'. Insert these pipings firmly, 5cm deep and about 10cm apart each way, in sandy soil, preferably in a frame, but failing this in a shady border outdoors and keep well watered. They should be well rooted and ready for planting out by the end of September.

### SOW FRENCH BEANS

Make a sowing of French beans in a sheltered place outdoors. Sow the seeds singly about 15 cm apart in drills 5 cm deep. An economical method is to have two drills about 23 to 30 cm apart, then an alleyway about 75 cm wide, then another couple of rows and so on.

### STOP CUTTING ASPARAGUS

It is most unwise to cut asparagus after the third week in June. Allow the plants to make foliage now so that new crowns may be formed for next year. Give the bed a small dressing of any good compound fertiliser.

### ANNUAL FUNDRAISING EVENT FOR THE SCHOOL

Live up your Friday night with a visit to the GAA Centre for the whist which kicks off at 8.15. Everybody welcome, including absolute beginners.

### ART COMPETITION

Papier Mache Local Statesmen/Women Exhibition. Entrants should get permission from the politician of their choice before starting work on their models so as to avoid any possible offence. Local should be taken to mean all of Waterford. There is no entry fee.

### SPECIAL OLYMPICS

The Torch for the Special Olympics, due to begin on June 21st is due to arrive in Waterford en route to Dublin and a number of local school girls will have an active part to play. They are Kate Dunford, Mary Roche, Clare O'Brien, Kate Hickey and Eileen O'Brien with their teacher, Mary Crowley. Thursday will be their special day when, with everyone else they welcome the torch to Waterford.

The "Support An Athlete" organisers have nominated three athletes in whom the three parishes will have a special interest. The athlete for Faha will be Simone S. Patrick from Jamacia and will be competing in an unusual event called Bocce, which is an Italian type of lawn bowling, played in a narrow court. This should cause plenty of interest. Both Ballylaneen and Stradbally will have athletes, also from Jamaica, whose sport is volleyball. James D. Earle is sponsored by Bally and Nicholas C. Simms by Stradbally.

### Faha Bi-centennial Celebrations

The triduum leading to the feast of the Sacred Heart on June 27th will begin on Wednesday 25th at 7.30 pm. This will be conducted by Fr. Gregory Power and Fr. Enright with Fr. Michael Kennedy leading the singing. The first fundraiser will take place shortly with the 1st prize being a Gas Barbeque Char Broil valued at \* 600 which has been kindly donated by Madge and Michael Barron of Fahafealagh. There will also be three prizes of stand tickets for the Munster Hurling Final on Sunday, June 29th. Tickets are €2 each or three for €5.

The weather made an outdoor procession impossible for the boys and girls who made their first communions recently. However they were present in large numbers and sold for a short procession inside the church.

The school holidays begin in a little over three weeks and hopefully the weather will improve so they can enjoy them.

### TIDY TOWNS

The quiet army of workers are going about making Stradbally a showcase once again. We can all do our bit by making sure we do not cause litter or mess of any kind in the village and the children can show the adults the way.

### Stradbally, Ballylaneen and Faha Community Games

Attention All Athletes — The local final will take place tonight at 6.30 pm sharp, in the GAA Centre. Age 6 to U/16 welcome. \*2 per child. This is the last chance to take part this year so don't miss out.

Congrats again to all our swimmers who took part in the County Finals in Tramore last week. 8 silvers and a bronze is not a bad haul!

Congrats to our girls U/13 soccer team who won silver in the county Finals and good luck to our model-makers in the County Finals on June 28th

### CHRISTMAS CRAFT FAIR 2003 ANNOUNCED

Last week 'Stradbally Cottage Crafts' a sub-committee of the Stradbally Tourism & Enterprise Group was formed, chaired by Bridget Drohan of Ballyvoile, to spear-head the development of the very successful Annual Stradbally Christmas Craft Fair. Bookings have already been received for the Christmas Fair 2003. Last year's Fair was fully booked with 27 Exhibitors taking part, 30 more exhibitors who wanted to participate couldn't be accommodated due to lack of space, an issue that will be looked at by the new Committee. Stradbally Christmas Craft Fair will be held this year on Sunday December 7th at Stradbally GAA Club. Bookings are now being accepted, full tables cost 10 Euros, half tables 5 Euros. Booking inquiries to Bridget Drohan at 087-7973792, Shirley Kett at 051-293346 or Brigid Clancy at 051-293130. Exhibitors must create or produce the product they wish to sell at the Fair.

### CRAFT SUB-COMMITTEE

'Stradbally Cottage Crafts' will now operate as an independent sub-committee of Stradbally Tourism & Enterprise Group, devising the best route to promote Cottage Crafts and Arts in the area. Chairman Bridget Drohan is joined by Committee members Shirley Kett of Sheskin, Brigid Clancy of Sheskin and Róisín O' Shea of Carriganna, all of whom are involved in Arts and Crafts. The Committee will immediately look at the possibility of a Summer Craft Fair and ways in which to assist bringing the skill of various crafts to children in the area. Stradbally Cottage Crafts will also be looking at the possibility of linking with the new Waterford Artisan Group, taking part in the proposed open air Waterford City Food and Crafts market, participating in events such as the Celtic Festival in Morlaix France next year and helping young artisans develop their craft.

### CEOL & CRAIC FESTIVAL

Stradbally Tourism & Enterprise Group is pleased to announce that the Annual Ceol & Craic Festival will take place on the August Bank Holiday weekend. The Festival now in its 4th year, is a celebration of traditional music song and dance, led by the extraordinary talents of the Clancy family of Island Stradbally. Tomás Clancy and grand-children have been the musical core of the Festival over the last three years and have attracted high calibre musicians dancers and singers to join them in the musical events over the weekend. Full event details will be announced in the coming weeks. Accommodation inquiries and general inquiries to Róisín O' Shea Festival P.R.O. at 051-293030, or Chairman Tom Hickey at 051-293219. Once again the Festival is grant aided by the Arts Officer of Waterford County Council, Margaret Organ, and the Committee express their sincere gratitude for their assistance.

# P.R.S.A. FROM EBS . . . .

EBS Building Society recently launched its standard Personal Retirement Savings Account (PRSA). This represents EBS's first significant move into the pensions market and EBS is the only new player to have entered this market place since the Pensions Board commenced issuing approvals in February. The EBS PRSA has been designed with customers' needs in mind and in partnership with fund manager Montgomery Oppenheim the Society looks forward to playing a significant role in this new and emerging market.

In advance of launching its PRSA the Society commissioned independent research through Millward Brown IMS which revealed that six out of ten Irish people aged between 25 and 34 had no pension coverage whatsoever while more than three out of ten people in the 45-55 age bracket still have not provided for their retirement.

The research also revealed that almost half of the younger age group had no pension provision in place - either because they had never thought of it or considered themselves too young indicating that "retirement is still an area that we Irish don't like to think about." More encouraging is the fact that 67% of the 25-34 group without a pension said that they were either very likely or fairly likely to take out a pension plan at some time in

the future. A similar percentage of all 25-34 year olds stated that they would be prepared to listen to a company that tried to educate them about pensions. This recognises the need for providers to educate consumers in the whole area.

"The results of our research showed that while people were willing to listen and be educated about pensions they still have some misconceptions in relation to product choices which have existed prior to the introduction of PRSAs", said Seamus Mansfield, Manager, EBS Dungarvan. "What showed through was the need for transparency, maximum flexibility and wide degree of choice of funds. We have designed the EBS PRSA keeping this in mind."

The EBS PRSA is a new and cost effective way to plan effectively for the future. Commenting at the launch of the product Seamus continued "Personal Retirement Savings Accounts represent the easiest and most attractive way for people to ensure their financial security following retirement. The EBS PRSA offers an excellent range of features and benefits including complete flexibility, portability and attractive tax concessions. It is the first product of its kind to really put the customer in the driving seat. EBS has a long and proud tradition of putting its customers first and it is for this reason that we have designed

this new product."

The EBS PRSA empowers customers to tailor their PRSA contributions to meet their precise needs and expectations. "As one of the country's leading financial institutions, customers can rely on us to share with them all the information they'll need to make the right choices", Seamus continued. "We've got the commitment, the people and the choice of investments. Our partnership with fund managers, Montgomery Oppenheim - one of Ireland's top performing pension fund managers - means that our customers will always benefit from the most focused, experienced and consistently successful investment managers."

This flexibility is reflected through the investment choices made available for customers. "We do have a carefully devised default investment strategy available to customers for their PRSA - this will be suitable to meet most customers requirements. We also offer the option of creating your own investment strategy from the range of options - the decision is entirely up to the customer," said Seamus. "The Default Investment Strategy aims to satisfy the reasonable expectations of a typical contributor for the purposes of making savings for retirement. It is targeted to increasingly protect the capital value of the PRSA as a contributor approaches the select-

ed retirement age."

Customers may decide however to invest their contributions in their own mix of funds, these include:

- The Summit Mutual Stable Fund - a new fund designed to protect the capital balance as the customer approaches retirement

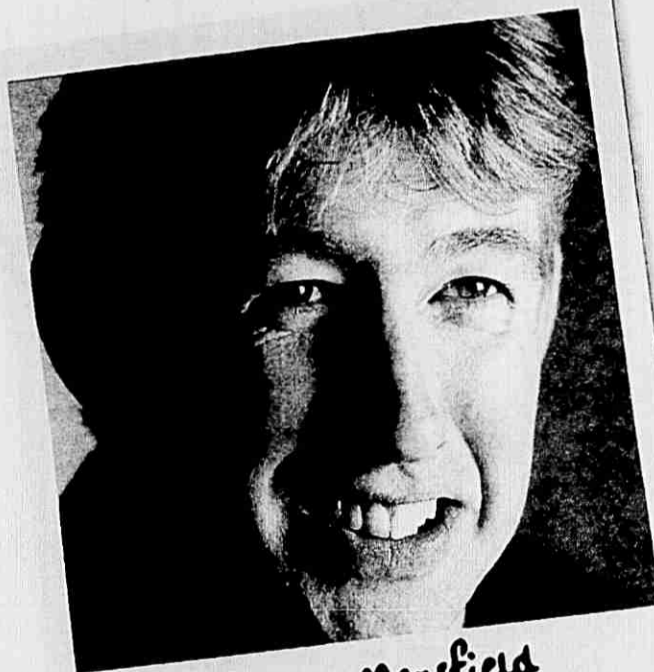

- The Summit Mutual Balanced Fund which invests in bonds and cash, which will never fall below 33%, and equities

- The Summit Mutual Global Leaders Fund offers investors the opportunity to invest in some of the world's largest companies - because of their size and market leadership, these global blue-chip companies are usually the dominant players in an increasingly competitive world;

- The Summit Mutual Growth Fund has established itself as one of the top performing managed funds - the policy is to achieve significant capital growth and that means that 100% of the funds assets may be invested in equities throughout the world's stock markets

"We are confident that with our track record as a mutual society committed to the delivery of the maximum level of benefits and excellent value to our customers that our new EBS PRSA will be the first choice of many people when it comes to making provision for their retirement". Seamus concluded.

### What Are Trees?

A tree is a plant which has a trunk protected by bark. Most trees can grow to a height of several metres. Their foliage is made up of leaves of many different shapes and sizes - Large and spreading, like the Oak, the Plane Tree and the Chestnut, needle-shaped in Conifers, such as the Pine, the fir and the cypress. Some species of trees, which we call 'evergreens' do not lose their leaves. Instead they change their foliage a little at a time in rotation. Deciduous trees lose all their leaves once each year, at the start of the coldest or driest season. Trees usually develop roots at the base of the trunk. How when what why

### What Is The Bark?

The trunks of trees are protected by bark, a dense layer of dead cells. The outermost part of the bark is cork. The bark protects the tree against insects, parasites and sharp changes in temperature. There are also distinctive patterns in the bark of each tree, and from one species to another.

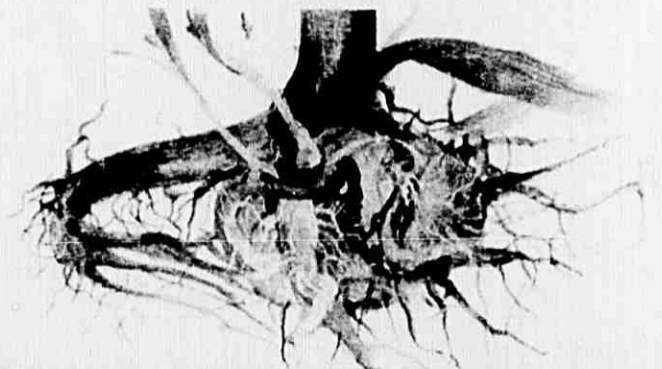

### The Conifer

The conifer is the only member of the larch family which is evergreen. Its leaves are covered with a dense covering and they are in the form of a needle to reduce evaporation and exposure to the cold to the minimum.

### Broad-Leaved Trees

Many broad-leaved trees are deciduous. Some tropical broad-leaved trees keep their leaves all the year round.

### What is the job of the roots.

The roots absorb water from the soil, storing nutrients to feed the leaves. Side roots spreading out from the main root increase absorption. Roots also keep the tree firmly in the ground.

Some roots conserve food as they grow and develop into root vegetables, such as the carrot. In some plants, the roots spread out into the water or the air. The roots of the Banyan Tree grow down from its branches, lengthening to the ground to form pillars.

### Things To Do

Each tree bark has a distinctive appearance, just like a person's fingerprint. To make a bark-rubbing, place a sheet of greaseproof or kitchen paper against part of a tree trunk where the bark can be seen clearly. Rub the paper with a wax pencil, keeping the paper flat, and you will get an 'imprint' of the bark. Do the same with other trees, then stick the rubbings on a piece of paper, with the name of the tree to which each bark-rubbing belongs.

## Outer Bypass To Cost €50 Million For 1% Traffic Reduction Per Year

Dear Sir,  
Council members expressed outrage that an extra €9 million will be needed to reroute the proposed Outer Bypass to avoid the endangered Killarney Fern.

Why all the worry about an extra €9 million, but no hassle at all about the total costs of this tremendous project? If an extra 9 million leaves members aghast, why do councillors calmly accept the total project costs which start at €50 million and go up from there?

I would urge councillors to look at the traffic figures generated by the NRA planners before this scheme advances further. I am told by the planners at Tramore House

that I am the only person who has requested current and projected road traffic figures.

What is clear is that at least 50% of the N25 traffic through Dungarvan is purely local. The Outer Bypass will start by ignoring half the problem.

If the Bypass is built, it will only reduce traffic growth at the Park Hotel roundabout by 22% in the far off year of 2025. In other words, the Outer Bypass will reduce traffic growth by 1% per year. On the other hand, if the Outer Bypass is not built, traffic numbers will slowly build from their present total of about 16,000 a day to 20,000 in a quarter of a century.

Now that's hardly an argument for spending €50 million. Couldn't that money be better spent on incentives to car poolers, local buses, day care centres close to home or work? Surely there are plenty of other ways to reduce traffic build-up by less than 1% per year over 25 years.

Might not Dungarvan be better served by a rail station tying the town to Rosslare, Waterford and Cork? The astronomical sums being thrown at the Outer Bypass might very well rebuild a huge segment of the Southern Section of the Rail system rather than a mere 13.1 Kilometre bypass of an existing bypass.

Is this a realistic option? We don't

know because the Council is pressing ahead without studying the actual costs or possible benefits of alternatives to the Outer Bypass.

Before the Council commits to this expensive, destructive and useless road, I ask that other options be properly studied. A committee report could serve as a guide to further action. This committee's terms of reference should be to examine Dungarvan's transportation possibilities, rather than just pressing blindly for a single solution that, according to the NRA's figures, won't do much to reduce traffic.

Sincerely Yours,  
Scott Simons  
Currahaha, Dungarvan.

## LATE CATHERINE MOONEY

We write with feelings of sadness and regret on the passing of Catherine Mooney, 70 Crosslands, Caddington, Bedfordshire and late of Abbey-side on Friday 23rd May at Harefield Hospital, Hill End Rd., Harefield.

Catherine was daughter of the late Mr. and Mrs. Luke O'Farrell and sister of Lu and Etta and the late Michael and Cyril. She qualified as a nurse at Dublin's Mater Hospital and following post graduate studies in Oswestry, Shropshire, continued to follow her profession in England where her husband Gerard (also from Abbeyside) was a primary school teacher. Down the years Catherine and Gerard together with their sons Brian and Eamon were regular visitors to Abbeyside.

On Thursday 29th May Catherine's remains arrived at Cork Airport and for a number of hours lay in repose at the Kiely Funeral Home. Fr. R. ceived a booklet re readings and hymns.

## LATE MICHAEL O'FARRELL

On Thursday May 15, the locality received the sad news of the passing of Michael O'Farrell, 2 New Street, Lismore, which occurred at his home,

aged just 54 years. Mike had endured an illness with great dignity and bravery, always portraying a positive outlook even when the reality was very different.

Mike was the much loved husband of Mary, a Dad to be proud of and a most loving and caring Grandad, who will be sadly missed but fondly remembered.

Well known and highly respected he served Lismore and the surrounding areas as the local milkman, who had a word (often many!) and a smile for everyone - even in the early hours of the morning! Much of Mike's working life was involved in driving, where he made many close friends and of course farming which developed his love of animals.

On Friday May 16, the removal took place from Mike's home in New Street to St. Carthage's Church, accompanied by a guard of honour provided by Tourin GAA club, where he spent his childhood and younger years hurling with the club. A second guard of honour was provided by West Waterford Autograss Club in the church grounds. This mark of respect was much appreciated.

On Saturday morning May 17, requiem Mass was celebrated by Canon Nugent along with Fr. Mulcahy P.P. Readings were by his son Brian and daughter Marie. Offertory gifts symbolising his love of sport and animals were presented by grandchildren Darragh, Cian, Damien and Alana whilst Sean, Kevin and Stephen served the Mass. Mike was then laid to rest in St. Carthage's Cemetery. On both days the high esteem in which Mike was held by all was evident in the large numbers of people present. Ar dheis De go raibh a anam Dilis.

Mike's family would like to thank everyone who helped in any way and who were there for them. Your support is greatly appreciated.

Chief mourners were as follows: His loving wife Mary, sons Sean, Denis, Brian and Michael, daughter Marie, daughters-in-law Sarah & Jacq, future daughter-in-law Trish, brother Paddy, sister Joan, aunt Alice, brother-in-law, sister-in-law, grandchildren Sean, Kevin, Stephen, Damien and Alana, Darragh, Cian, Erin and Tadhg, nephews, nieces, relatives and his many close friends.

(Funeral arrangements by John Troy, Funeral Directors, 6 New Street, Lismore).

# Inter-Community Litter Challenge 2003

Waterford County Council's Inter-community Litter Challenge for 2003 continued last week, with judging taking place in the bottom half of the 1st round of the village section. Here's how the ties went:

### Stradbally (74) beat Clashmore (65)

This victory for Stradbally was far from convincing. The areas around the church and the church car park were littered, as was the road in front of the boys' school. The green area and the streets in the centre of the village, however, were very good, apart from gum on the path in front of the shop.

Clashmore was a mixed

bag; the new housing estate was in excellent condition but the green area by the stream was badly littered. The road past the school towards Aglish was also badly littered, as was the area opposite the Catholic Church.

### Villierstown (72) beat Ardmore (57)

Villierstown was in good condition litter-wise. The road outside the school was moderately littered, but apart for that there was only minor litter in the rest of the village. The new housing estate was in particularly good condition. There is, however, a growing look of dilapidation in older parts of village.

Ardmore was let down by

the housing estate near the school, and by the area in front of the school. Throughout the village there was no evidence of an effort being made to keep the place litter free.

### Ballymacarbry (66) beat Ballyduff Lower (49)

An easy victory for Ballymacarbry, but Aglish will provide stiffer opposition in the quarterfinals. The main road in Ballymacarbry was only lightly littered, but the area around the Hall was bad. The new housing estate was in suburb condition, by far the best seen by the judges this year, but some of the green areas elsewhere in the village need more attention. Ballyduff Lower was a big disappointment, with a number of instances of severe litter-

ing. The area under the trees between the bottle banks and the school is a disgrace, and the littering in some front gardens is almost as bad.

### Aglish (83) beat Annestown (78)

This was a very good contest between two very good villages. Aglish was very good, only let down by a lack of effort on the housing estate. Annestown also looked very well in the sunshine, but litter on the approach road, gum on the footpaths and an untidy look here and there in the village gave victory to Aglish.

This week the first two quarterfinals take place in the towns section, with Cappoquin playing Kilmacthomas and Lismore playing Dunmore East.

## Church Gate Collection Dungarvan Area

The Annual Church Gate Collection for The Irish Pilgrimage Trust takes place in Dungarvan, Abbeyside, Garrahan & Ring on the week 14th & 15th.

People are asked to be generous as possible.

The Trust (I.H.C.P.T) takes young people with special needs to Lourdes at Easter time every year. This pilgrimage is slightly different from many others, which go to Lourdes, most importantly it is designed especially for the young people who participate fully in a very varied spiritual and social program during the week. The pilgrimage is divided into groups of approximately 12 young people with a similar number of adult companions, including a Group Leader, Nurse, and Chaplain. Each group is assigned to the care of one of the Trust doctors.

This is a holiday as well as a pilgrimage; each group takes in the sights perhaps a trip to Gavanie, high up in the Pyrenees, or a visit to a local market to experience the French "at home". There is even time for partying and the "craic". All the adult companions pay their own fares while the Trust covers the cost of those young people selected to travel.

The Irish Pilgrimage Trust welcomes applications from young people with:

A Physical Disability or Illness (aged 9-18 years) or, a Learning Disability (aged 11 - 21 years).

For further information on I.H.C.P.T. or for application forms please phone Marie Therese (051) 646074 or Nicola (058-45213).

## ABBEYSIDE REFERENCE ARCHIVE

### SCRAPBOOKS

Recently I was asked how many scrapbooks we had in the Archive. The honest answer is we don't know! We do know how many are on display each Sunday, they are: General - 6; Church - 4; Sport - 4; Senior citizens - 2; Maritime - 1; Pattern - 1; Railway - 1; The streets of Abbeyside - 1; Abbeyside National School - 1.

That gave us a grant total of 21 but that is by no means the end of the story as I know we have 10 more on scouting and 2 more on sport and there could be few more somewhere. So, a figure of 3 dozen would not be too far off the mark as an answer to the original question. The number keeps on growing - the question I now know is where will it all end? This Sunday evening John Shanahan will be at the Parish Office minding our 21 scrapbooks and all the other 'treasures'. Visitors will be most welcome along to browse at leisure.

## THE FISHERIES

The local port and Helvick were the centre of the fisheries on the Waterford coast. In 1839 cod and ling were sold at £21.33 a tonne - conger eels, hake, haddock and cod at £18.28 a tonne and skate, dog-fish and small shark at £14.22 a tonne. There is no reference anywhere to salmon being caught at sea or being marketed any where.

The Helvic fishermen delivered their catches to Abbeyside,

Dungarvan or to Ballinacourty. Their women brought them over the Cunnigar to Dungarvan and across the shallow water at low tide. The fish could also be delivered by boat to Ballinacourty where fish were landed in 1840 by what was then described as the Helvick fishing fleet. In 1828 Henry Villiers Stewart Esq. of Dromana built a dozen houses for the Helvick fishermen. At that time also he had a pier con-

structed for their fishing boats.

In October 1836 it was stated that from Waterford along the whole south coast the scarcity of fish was the chief complaint. However, this applied to the bay and offshore areas to which the fishing was confined. The fishermen could not operate further out to sea because of insufficient equipment and inferior boats due to poverty.

The English markets were supplied from Norway when

this could have been done conveniently from Ireland

The neglect of the coastline included tardiness in building light houses. Mine Head lighthouse was not built until 1851 and its beams reached 37 km. out to sea in clear weather. It was not until 1856 that the Ballinacourty Lighthouse was built.

## Abbeyside Scout Notes

### MEETING

The Waterford team's endeavours on the field of play last Saturday devastated the ranks of both the cub and scout sections as they were among the hundreds who travelled to see the blue and whites in action. The cub meeting had a half dozen scouts in attendance. In order to get in some practise for this Saturdays regional soccer competition a game of giant football was played. The teams had to score into a giant size goal using a giant size ball. Alex Faye proved his worth here as he stopped shot after shot in goal while for the opposition Dylan Lawless proved just as equal to the task. At the end of the meeting two books on soccer skills were awarded to the winners of the penalty shoot out- Aaron Fraher and the dribbling skills competition-Alex FAYe. All cubs are reminded to be at the den for one thirty this Saturday 14th for the regional soccer competition which begins at two o'clock. Proper gear needs to be worn with runners rather than football boots being the rule on this occasion, all are welcome to come and cheer on their team. It is expected that the competition will finish in or around four o'clock.

### SCOUT NEWS

The meeting was given over in its entirety to getting patrol gear washed and sorted out for the upcoming weekend camp and indeed annual camp. Basins of hot water were in constant use to scrub spotless the pots and pans and then an inventory of all the gear was taken. Having purchased some patrol camping gear in the last number of weeks very little gear is now needed to complete each patrol's stocks for camp. Scouts are reminded that a meeting will be held on this Thursday 12th at eight o'clock to sort out patrol tents with the Saturday night meeting beginning at the earlier time of seven o'clock which with the help of the tide and weather will be given over to water activities at the local beach, so bring your towels!

### SPECIAL OLYMPICS

On Wednesday June 18th in association with the local Abbeyside/Ballinacourty grounds an evening of Irish culture has been planned under the guidance of Billy Hickey who guarantees a good night. It is hoped to have as many scouts and cubs in full uniform in attendance at this event as possible. More news on this event later!

## ST. ANNE'S FAREWELL

After seventy years of educational service to Cappoquin and its surrounding areas, the bell of St. Anne's Post Primary School Cappoquin has rung for the last time.

Two days of celebrations marked the event. All past and present teaching staff as well as a representative sample of the Parents Council members were invited to a celebratory meal on the night of Friday May 16th in Lawlor's Hotel. Also in attendance were representatives of the Sisters of Mercy and the Department of Education. Ollie Wilkinson attended in his capacity as local TD and as a parent and member of the Board of Management. Presentations were made to Sr. de Lourdes Gogarty, Sr. Annunciata Walsh and Sr. Margaret Mary Kennedy as well as to the current teachers. Presentations were also made to Principal and Deputy Principal Orison Carlile and Billy Arrigan and special mention was made of Eily and Jer Mason, Sheila Murphy and Mary McGrath who have been stalwart supporters of St Anne's for many years. Over a beautiful meal and wonderful speeches old friends renewed acquaintance and stories of happy school days were swapped in animated conversation. Music and dancing continued into the small hours.

On the Saturday the school was open for past students to examine their old haunts and view an extensive collection of photographs of days gone by. Two classrooms were turned into a cafe for people to sit and chat over coffee and other refreshments. At twelve noon the final running of the John Treacy Mini-Marathon took place started by the noted sportsman John Treacy himself who is a past pupil of St. Anne's.

A special commemorative booklet containing lots of articles and photographs was produced to mark the event. Copies of this booklet can be bought from the school (telephone 058-54271) or from local shops.

The day was completed by a special Mass in the parish church attended by many special guests as well as hundreds of well wishers. The celebrant was Parish Priest Fr John Kiely who was also chaplain to St Anne's under the direction of the music teacher Mary O'Brien the school choir sang the 'Mass of St. Anne' original music composed by school Principal Dr Orison Carlile. A moving address was given by Mary Fahey on behalf of the teachers and Sharon Hennessy spoke on behalf of the students. Sr Anne Marie O' Carroll of the Sisters of Mercy spoke of the good work that had been done and prayed that the wonderful ethos of St Anne's would be brought to the Community School. At the end of the Mass, poet and past pupil Tomas McCarthy delivered a final thank you to St Anne's and the Sisters of Mercy who served the town so well. After the Mass the talk continued unabated in the Parish Hall as people did not want to say goodbye to each other and they did not want to say goodbye to St Anne's.

As Mary Fahey said in her address: 'Soon the door will close forever on this theatre of learning and wisdom and goodness. Listen for the last bell which will ring out on this hallowed ground. Wait for the applause of the living and the dead. Watch as St Anne's takes the key back to God the Father in heaven and hear the words the Lord uses as He smiles and accepts. the key. "Thank you, St Anne, for taking care of my children in Cappoquin for all these years. Well done, good and faithful servant."'

Margaret Mary Kennedy and Annunciata Walshe (former principals), Mary Ryan, Mary O' Sullivan, Joan O' Sullivan (former pupils), Dr. Orison Carlile (principal), Sr. de Lourdes Gogarty (former manager).

## ANOTHER GREAT YEAR FOR LISMORE CHOIR

The curtain fell last week-end on another successful year for Lismore Choir, when they sang to a full church at the 7.30p.m. Mass in Conna, thus bringing to a close 20 years of choir activity.

They will now take a well-earned rest until September, when it will be full steam ahead again for huge activities to celebrate their Coming-of-Age; in other words, 21 years of Choral Celebrations.

The choir have been exceptionally busy for the last year again, with two major concerts, also singing in Bandon, Cappoquin and Conna, visiting the convents in Glencairn and Tallow at Christmas and participating in the Christmas Carol Service at St. Carthach's Cathedral, Lismore. The three night Christmas concerts in Lismore Castle were a great success, with wonderful guest artistes, Niamh Murray (soprano) and Michele Fleming (violin) adding greatly to the occasion.

The choir then set about preparing for their Spring Concert, which centred on Maurice Durufle's Requiem and Franz Joseph Haydn's Little Organ Mass. This concert was performed in St. Patrick's Church, Bandon to raise funds for The Special Olympics and on the following night in St. Carthach's Cathedral, Lismore. The guest on both occasions was Helen Hassett, Soprano.

### 21st Anniversary Season

The choir is really looking forward to celebrating it's 21st. Members are busy planning the musical offerings and events to mark this important milestone in its history. It is hoped that some former members may find time to join us for this special year. The Annual General Meeting was held on Wednesday 4th June in Tallow and a new committee elected to guide the choir for the 2003-2004 season.

The new chairman will be Donal Kennefick, Lismore, with Deirdre Hallahan, Aglish as Vice Chairperson. The job of secretary stayed with Noreen Hamilton, Conna and the Assistant Secretary is Caroline Sheehan, Rathgormack. The new treasurer is Bernadette White of Mitchelstown, assisted by Trish Geary of Castlelyons. The committee was completed by Michael O'Brien, Mitchelstown, Kevin Ryan (ex officio) and Travel Coordinator, Tony Hickey (Curraglass).

The first rehearsal for the new season will be on Wednesday 10th September 2003 and if you would like to join the choir for the coming season, contact any of the above names where you will be made very welcome.

## Lismore Underage Soccer

On Thursday 12th (this Thursday) we play our first league game when we travel to Ardmore for 3 fixtures - U8, U9 and U10. The first game kicks off at 7:00pm and last game at 8:30pm. We would appeal to parents to make transport available for their children. We shall meet at the school at 6:00pm. Our second round of games is Thursday week, 19th June against Ardmore.

## Lismore Camogie Club Notes

Our U12 team took to the field for the first time this year on Friday last when they took on St. Anne's in their championship.

Both teams were a bit slow to get started but once into the swing of things, Lismore dominated the game throughout and ran out winners on a scoreline of 4-1 to 0-0. This was a great display for the girls first outing. Next match v Butlerstown on Wednesday.

Our U14 team are on their

way to the Feile na nGael All Ireland finals this weekend. We leave Lismore on Thursday evening when we take on our hosts St. Munnes.

Then on Friday we play two matches, the first against old friends Castleblaney and then their hosts. Semi finals are fixed for 6:30pm Friday evening. The

parade takes place on Saturday morning in Mullingar with final being held on Saturday afternoon.

We wish the girls the best of luck for this weekend and I'm sure they will do their town and county proud. A reminder that the golden goal time is 6 minutes and 25 seconds.

### BUSY WEEKEND

Indeed it was. On the sports fields it was a hectic weekend with rugby, soccer, racing and hurling all featuring on Saturday last.

Many local soccer fans headed for Dublin where the Republic of Ireland took on Albania at Lansdowne Road. Ireland were lucky to win a poor game despite a bright start.

In Thurles Waterford won the Senior Hurling in another rather poor game. Let's hope both Ireland on tonight, Wednesday and

### IN LOVE?

Well is he I ask. One of our Premier Division players has fallen in love. Now I am still trying to find out where but I will keep you informed. Perhaps it has something to do with getting out his teeth.

### WELL DONE

To local boys Eoin Murphy, David and Paul O' Brien who all helped Waterford to a victory. No doubt David and Paul will get their chance in the future to display their skills.

### FUTURE STARS IN MITCHELSTOWN

Our U7, U8, U9 and U10's are in action in Mitchelstown on this Thursday night provided the weather is good. Boys and girls will leave the square at 6:15pm.

### COMING ALONG

As stated last week our grounds are coming along. FAS worker Ger Hogan is doing some great work down there at the moment with his painting. It's certainly brightening the place up. Over the last week or

so players and supporters alike are asking the question when will the ground be open? It's took early to say at the moment but we will keep everyone informed on these notes of our plans.

### SYMPATHY

The club extends its deepest sympathy to the Duffy family, Kilwinney on the sudden passing in Longford of Bridget. May she rest in peace.

### BIRTHDAY CORNER

Birthday greetings to Mary Pratt Snr of Woodview Park who celebrated her birthday on Sunday last. Bernard, the romantic that he is, bought a beautiful bunch of flowers. Now there is another story about these flowers but we will say no more except to say that one lad went on his bended knee on Sunday afternoon. To the girl who celebrated her 55th birthday on Monday last we say you don't look a bit of it.

### CONGRATULATIONS

To Phylis Cunningham who won 130€ at the bingo on Sunday night last. Well done Phylis.

## TALLOW FESTIVAL

It's that time of the year again when the festival committee are getting their act together. Like most other festivals around the country insurance is now a real pain for committees. Costs are rising faster than ever before and the fun and craic in organising a festival is now gone due in the main to insurance and the cost of entertainment. The Tallow festival always provided some great entertainment free of charge apart from the hall. The parade on the Sunday always drew record crowds. Now one is taking about 2,000€ plus. To be fair The Wild Geese bikers always give their time free of charge. They just took a small donation towards a charity for which the bikers did every year. Right, enough of the poor mouth. The festival will run from Thursday August 28th to Monday September 1st. Oh yes, if you have any ideas please inform anyone of the festival committee.

Now to be fair we do have one or two new ideas this year but we do want more.

## TALLOW G.A.A. CLUB NOTES

### Lotto Win for "Knock"

Congratulations to Joe Geary on his big win in the Ballysaggart G.A.A. Lotto. While not in the "Finn" league of windfall its a nice start. Knock tells me the lot is going on Kerry to win the All-Ireland. Ah well. Easy come easy go. He'd be far better off investing a few Euro in our club Lotto which now stands at nearly 7000 euro.

### Under Age Summary

Pride of place to the Coisbhríde under 14 hurlers who beat Fourmilewater in a thrilling Western Final bank holiday Monday. These lads contest a county semi-final this Saturday when they play Tramore in Leamybrien at 3.30. The U-10 squad maintained their unbeaten record with a terrific win over Tipperary team Holy Cross in the final of the Ballyduff tournament while the U-12 have won both their games to date. Best wishes to Tomas Ryan who represents Waterford in the Feile skills final. Also to Kevin Curley and Donnacadh Mulcahy who qualified for the U-13 skills finals in Waterford. The U-11 ground hurlers await a date for their county final. Our young teams are on a roll at the moment. Long may it continue. Anybody who wishes to contribute to Coisbhríde newsletter contact any committee member.

### Team Manager Injured in Action

When I saw "Lahy" limping in to Semple Stadium with the aid of a crutch I automatically thought he got the wrong end of some crusty old cow. Apparently not. The injury was sustained in the scenes of jubilation that followed the final whistle when his U-10 squad defeated Holy Cross in the final. By the way Mike the injury doesn't qualify under the G.A.A. injury scheme. Anyway well done to Lahy and co-manager John Beecher.

### Club Championship Off

Yeah - like it was ever on in the first place. I cant understand why these dates were set to begin with when everybody knew that win or lose against Limerick the club championship was not going to be played as scheduled. There's no point in saying anymore.

### Junior Hurling

#### Tulach an Iarainn 3-15 An Rinn 0-8

Tallow had a comfortable win over the Gaeltacht side in this junior hurling league match played in Tallow Friday evening. Best wishes to Stephen Pratt who sustained a facial injury in this game. As usual the field was in superb condition. We are lucky to have a great club man like Denny Cunningham looking after it.

### Well Done Barry

Well done to Barry Power who has completed his final exams in dentistry.

### Schools Final

#### Scoil Mhuire Tallow 1-3 Portlaoigh 1-2

A remarkable second half comeback saw the Scoil Mhuire lads taking this schools final by the slimmest of margins against a very strong Portlaoigh team last Thursday. The Tallow school failed to register a score in the first half and trailed 1-2 to no score at half time. A Ray Barry goal and points from brother Stevie as well as Evan Sheehan secured the day in a much improved second

half performance. Congratulations to the lads and coach Mr. Sheehan.

Foireann: Dave Hartnett, Aaron Pratt, Brian McCarthy, Thomas McGrath, Kevin O'Brien, Kevin Curley, Bob McCarthy, Stevie Barry, Thomas Daly, Evan Sheehan, Chris Sheehan, Ray Barry, Kieran Fraser, Daniel McLroy, Alan O Riordan, Seanie Barry.

### Flynn On Fire

It was far from a classic in Thurles last Saturday but we're more than happy with the win. As has been the case for a decade or more Paul Flynn was once again our saviour. Since '92 Flynn has set his own standards of excellence and carries a huge burden of expectation with him when he takes the field. It is a travesty that one of the most prolific and lethal marksmen the game has ever seen has not yet been recognised with an All-Star award. Surely this year. In three games he has scored 6-12. The quality of some of these scores was breath taking. His one handed strike from a Tony Browne line ball in the first game against Limerick resembled a forearm smash in tennis and was equal to anything the great D.J. has ever conjured up. Again last Saturday when it was most needed he came up with the goods - exquisite points from the stick of a master craftsman.

But there's another side to Flynn often not recognised. He gives of his time freely and willingly to help out with under age teams. He has obliged us without hesitation in Tallow many times and we hope to have him back before year end to present medals and do a bit of coaching with Coisbhríde.

It was a great honour for the club to have 3 players on the panel last week. James Murray has established himself as a regular on the team and young Paul O'Brien got a brief introduction to Munster championship hurling. He is worthy of serious consideration at this stage. I've no doubt Fadas day will come too, and the sooner the better.

### Tickets

I would remind members that the club has no control over the quality of tickets we receive. They pass through many hands before reaching the far west. Our runai Lindsay has the unenviable and thankless task of dispensing tickets. Make your mind up as to the amount and type of tickets you require and get your request in on time and remember the club can only give out what it gets.

### Take Down The Wire

It must have been five or six years ago I sat with Tom Doyle, peering through the wire mesh at Semple Stadium. At the time, one or both of us made mention of it on the club notes. Not a lot has changed since although one side of the ground is now wire free. The area occupied by some of the wheel chair bound spectators resembled a big cage with their view obstructed by the prison like steel railings and wire mesh. Curiously the only area in front of Ardan O Riain where the view is not obstructed by a cage is that in front of the VIP section. What purpose is it serving?

I must thank the Legend Pat Murphy for bringing the matter to my attention.

U 21 Championship - Waterford v Limerick

It should be well worth making the trip to Kilmallock Tonight (Wed) for this U21 championship game. Our own Paul O'Brien captains the team and we have 5 players in total on the panel, Paul O'Brien, Colm Geary, William Henley and the Kearney twins Aidan & Paul. Paul is carrying an injury at the moment but Aidan is a likely starter along with Paul O'Brien. Best of luck lads.

## Successful Fundraiser at O Domhnaill's

On Saturday, May 31st a very successful fundraiser was held in O' Domhnaill's Pub, for Marymount Hospice and the Simon Community. The night started off with MC' for the night Tony Coffey introducing each of the men who then left to start their transformation into women, which some might have thought an impossible task.

As the guy's left the head-shaving then commenced, admirably performed by Julie Marks. At this stage Thomas Landers, Conor O Riordan and Nick Murphy got their head shaved. Paul Marks got his head and beard shaved and Thomas Landers also got his eyebrows shaved for an extra fee as did Tony Coffey.

With this much concluded the "ladie's of the night" returned to the stage, to be interviewed once again by Tony. It must be said they gave the packed house value for their sponsorship, as they were totally unrecognisable, and were complete with names to match their image. The audience howled with laughter in the ensuing half an hour.

Following this the shaving resumed with Kieran Connery, Dermot O' Mahony Andrew Mulready getting head shaves and Tom "The Cooper" Cunningham getting, head, Moustache and one eyebrow done. The night then ended with an auction of some very valuable items from which a lot of money was raised. Some items were not auctioned as it had gotten too late and these will be held over for another night.

One of these items was a Man Utd signed Jersey which was donated to raise funds by The Waterford Man Utd supporters club. Our thanks go to the club for the Jersey.

Our thanks also go to all our other sponsors for the night of which there are too many to mention. Our thanks go to all the people who gained sponsorship for head - shaves and the dressing up. We know these events took courage to do especially the dressing up, but it was done in great spirit for two great cause's.

Our final word of thanks must go to Maura and Teresa Joyce, Helen O' Rourke and Mary Lenihan who did so much to organise the night and once again to thank everyone who contributed in any way, it was very much appreciated and will never be forgotten.

N.B. — Would the people that have sponsorship cards please return them as soon as possible.

# COOKERY CORNER

## Moussaka for cheats

A QUICK and easy recipe for a delicious spicy dish that even the most hard-nosed microwave dinner maniac could make!

**Ingredients:**

- Serves 4
- 450g lean lamb mince
- 1 onion, chopped
- 2 cloves garlic, crushed
- 400g can ratatouille
- 2 x 15ml sp tomato ketchup
- 1 x 15ml sp tomato purée
- 1 x 15ml sp fresh mixed herbs, chopped, or
- 1 x 5ml sp dried mixed herbs
- 4 pitta breads
- 2 beef tomatoes, sliced

**Method:**

In a large non-stick frying pan, dry fry the lamb mince until browned. This will take four to six minutes.

Add the chopped onion and the crushed garlic and cook for a further one or two minutes to flavour the mince.

Add to the pan the tinned ratatouille, tomato ketchup, tomato purée and chopped dried or fresh mixed herbs.

Bring the filling mixture to the boil and cover. Simmer for five to six minutes. After simmering, fill the ready pitta breads with the hot mince mixture and tomato slices.

Serve the finished moussaka with a greek salad, extra pitta bread wedges and pitted olives on the side.

TIPS: Try using baked beans instead of ratatouille.

Always make sure you dry fry mince as it is healthier – mince contains its own natural fats to cook in.

Try using the small pitta breads which can be found in

any supermarket.

They are ideal for a miniature version of the meal, a hand-held snack, or even appetisers at summer barbecues. Heat the pitta breads before trying to split them. Give them 10 seconds in the microwave and they will come apart much more easily.

## Mushroom and mint kebabs

A ZINGY yoghurt marinade adds succulence to this mushroom dish.

**Ingredients:**

- Serves 4
- KEBABS:**
- 20 large button mushrooms
- 150ml natural yoghurt
- 1 garlic clove, crushed
- Juice of 1 lemon
- 1 x 15ml sp freshly chopped mint
- 1 x 15ml sp paprika
- RICE:**
- 50g butter
- 1 x 15ml sp olive oil
- 2-3 red peppers, diced
- 450g cooked weight, American long grain rice
- Salt and pepper

**Method:**

Divide the mushrooms on to four skewers, and place in a dish. Mix the yoghurt with the garlic,

lemon juice, mint and paprika.

Pour over the mushrooms, then turn them until they are coated.

Cover the dish and refrigerate for at least two hours.

To serve, grill kebabs for six to eight minutes, turning once, until tender.

While the mushrooms are cooking, heat the butter and the olive oil in a wok or large frying pan.

Add the red peppers and cook for a few minutes until tender.

Add the rice, increasing the heat to give a stir-fry finish. Cook for a few minutes and season with salt and pepper. Serve with the kebabs, garnished with fresh mint and lemon wedges.

TIP: Try adding tomatoes, peas or even a splash of tabasco sauce to liven things up.

## Strawberry and apricot soufflé

A FRESH fruity dessert for a summer dinner party.

**Ingredients:**

- Serves 6
- 500g fresh apricots
- 125ml unsweetened apple juice
- 1 x 5ml sp orange liqueur
- 1 x 5ml sp orange zest
- Vegetable oil spray
- 6 large egg whites
- 1/4 x 5ml sp cream of tartar
- Pinch of salt
- 3/4 x 15ml sp fructose
- COULIS:**
- 350g fresh strawberries
- 2 x 15ml sp fructose
- 2 x 15ml sp unsweetened apple juice
- 2 x 5ml sp orange liqueur

**Method:**

Pre-heat the oven to 180°C/350°F /Gas Mark 4. Cook the apricots in the apple juice for about 15 minutes, until soft. Cool and purée with the liqueur and the orange zest in a

blender. Spray eight 240g soufflé dishes with the vegetable spray, taking care to coat the inside of each dish so soufflés will rise.

In the bowl of an electric mixer, combine the egg whites, cream of tartar and salt. Beat together until the whites form soft peaks. Add the fructose sugar and beat until the whites are stiff but not dry. Fold the whites into the fruit purée.

Combine all coulis ingredients in a mixer and blend until smooth. Strain through a fine sieve. Stir in orange liqueur. Spoon one 5ml spoon of strawberry coulis into the bottom of each soufflé dish.

Spoon the apricot mixture into the dishes and level with a spatula. Bake for 25-30 minutes, until risen and golden brown.

Do not open the oven during baking. Serve at once.

## Health Tips From Remedies

### Eat the Right Foods

It is so very often not how much you eat but how much of what. Large quantities of fruit and vegetables are unlikely to bring you to grief, whereas quite moderate amounts of chips and chocolate get you into trouble. If you find it difficult to organise vegetables and constantly face an unappetising bunch of mouldy leaves in your fridge, use good quality frozen vegetables instead: they are much better value nutritionally than weeks old 'fresh' veg. If you find it hard to eat fruit, blend several pieces into a smoothie.

An easy, basic rule to check whether something is going to be nutritious and good for you is to work out what it was when it fell off a tree or grew out of the ground. The longer it takes you to suss it out, the more processed and therefore less beneficial it will be. Rice is easy, rice crispies are slightly more complicated, marshmallow squares will take you about an hour to figure out.

# All is in Readiness for the Visit of The Bahamas Team

The preparations of Host Town Committees all over the country reach a crescendo this weekend, in advance of the arrival on Monday next of the various delegations from the 164 participating countries in the Special Olympics the week after.

Dungarvan is no exception and the members of the special committee under the chairmanship of Cllr. Michael O'Riordan are making the final preparations for the arrival of the team from The Bahamas, who will spend the next week in the town, relaxing and acclimatising to life in Ireland.

The Committee this week publishes its programme of events surrounding the visit and as expected, it has been kept low-key in view of the task facing the athletes and their coaches in the various arenas where the Games will be held the following week.

"We have some events where the public can come and meet our new friends from The Bahamas," says Michael O'Riordan, "but essentially the party is here to make their final preparations for the Games."

He points out that the Bahamian party will be in town regularly and will visit several areas during the course of their visit.

"The ideal opportunity for people to meet the visitors of course, will be the arrival of the Law Enforcement Torch Run on Thursday, 19th June," says Michael, "when we will have Grattan Square fully set up for the event. We expect to see several thousand people there, for as well as the arrival of the Torch on its trip from Athens to Dublin, we will also be bringing in the Bahamian Party in procession to what we expect will be a tumultuous welcome."

Already almost a thousand school-children have been committed by their teachers to form a Guard of Honour through Mary Street and Grattan Square on that Thursday morning, entertainment has been arranged from 9.45 am and by the time the Bahamians and the Torch Party arrive, the atmosphere should be electric and the people in good voice to give both a rousing welcome.

A special stage will be provided and up to forty Host Town Volunteers will join the Gardaí and Civil Defence in seeing that the major event will be memorable and goes off without a hitch.

The Dungarvan Brass Band, the Dungarvan Jazz band and the local traditional group Bealtaine will all provide music for the occasion and the two arrivals should prove to be emotional moments for all present.

Michael O'Riordan and his Host Town Committee are thrilled with the marvellous response they have received to all requests for help, not least in

the area of fundraising.

"Not having to expend energy on fundraising has left us free to make the many other arrangements necessary for this important visit," he says. "Words cannot describe the generosity of people, businesses and companies since the visit was first announced and Dungarvan and the West Waterford area can hold their heads very high in this respect."

"It is up to us now to make sure we have everything necessary in place to discharge our responsibilities, but I am confident that when the Bahamian party leaves the town on Friday morning, 20th June, they, and the people of the area, will have only the warmest memories of their stay amongst us."

All is in readiness then and with reasonable weather, the visit of the forty-seven strong party from The Bahamas should be a memorable event for everyone.

'Ritch' a great Kill GAA supporter, competes against athletes from all over the world on 'Soft Ball Throwing' and the '50 Metres Walk'. A son of former Kill half back and Waterford Centenary Footballer Acky and mother Patricia, 'Ritch' is a brother of present day Kill hurling and football forward Anton, and has two sisters Helen Lynch and Karen, the youngest of the family. They are all greatly looking forward to supporting Richard in both competitions, as well as his participation in the opening and closing ceremonies.

The Cabaret night should be a very enjoyable social occasion, with music by top group Avalon, their being no cover charge, and all proceeds for the raffle will go to the Carriglea Training Centre.

So please come along and celebrate this unique occasion for both the parish and surrounds, and give Richard Lennon a huge send off, on this, surely the highlight of his career. See you there!! Also best wishes to him from Keith, Maureen and Tom and staff at Kirwan.

### Speedy Recovery

Best wishes to Pierie Murphy of Bally headen who is a patient in WRH. Wishing him a speedy recovery. Hope to see him back on his feet soon.

### Cager Comes First

On Saturday last at Nuits corner County Antrim Eamonn Cager Flynn had one of his best outings in his racing career. After coming first in the qualifying heat of the 1000CC senior race he automatically got pole position in the next two races. This was his third pole position this year out of three meetings and six races. In the first race he came in second and in the second race he was a clear winner. Eamonn is now 24 points behind the leader after 6 races and still has 14 races remaining. Maybe we are looking at a new championship winner. In two weeks time Eamonn is out again in the 1000CC Class contesting the championship. It is a dream come true for him as he has worked his way from the lower CC grades right to the top. As motorbike racing is a very intense and tough sport we have wished Eamonn well many times in the local column and we do so for his next outing, wishing him good and safe racing. He is one to be watched in the future. Maybe Waterford can produce another Hilton Hinks.

### Welcome Home

Welcome home to Alice Hales and her husband Stuart who are presently staying in the Dunhill area. Alice is a sister to Pat and Jimmy Flynn Ballyheaden. Wishing them both a great holiday.

## KNOW YOUR RIGHTS

**QUESTION** Friends of ours recently purchased some self-assembly furniture. However, there were no instructions in English with the furniture and they were unable to assemble the furniture correctly. They have contacted the furniture shop but they are not satisfied with the response. What are they entitled to?

**ANSWER:** Following recent legislation the furniture shop is liable for the inappropriate instructions and your friends are entitled to look to have the furniture repaired or replace if appropriate, or to look for a price reduction or a refund.

Aspects of the Sale of goods and Associated Guarantees" (Directive 99/44/EC) became law in Ireland in January 2003. Its purpose is to ensure consumer protection and strengthen confidence in cross-border shopping through a common set of minimum rules. These rules are valid no matter where the good are purchased in the EU.

The directive provides consumers with additional protection to that already provided by the Sale of Goods and supply of Services Act 1980 in Ireland.

The added protection includes:

Liability of retailers for statements made on the specific characteristics of the goods

The reduction of the price of the goods as a remedy open to consumers in certain circumstances

The liability of retailers in relation to incorrect installation of goods even when the goods are installed by the consumer following inappropriate instructions

The right to a written guarantee at the time of purchase with the details on how to make a claim under the warranty, the duration of the guarantee and the territorial scope.

Your friends should inform the furniture store of the change in legislation and of their rights under the legislation.

Further information on the Directive is available from the European Consumer Centre, 13A Upper O'Connell St., Dublin 1. Tel: (01) 8090600 and the Citizens Information Centre Below.

# Melleray Challenge Walk

## -Cashel to Ardmore

Well we did it! 60 Miles later, and we're all still alive! This was a wonderful achievement for all of us - the sense of euphoria on arrival in Ardmore will remain with us for a long time to come. The amount of money raised is still unknown but it should be in excess of 1,000 euro. On that note I would like to remind all collectors that all monies collected should be lodged in the Credit Union by Friday the 13th of June.

On Saturday we arrived in Cashel at 8.30am and after a few photographs we headed off on our mammoth trek to Ardmore - the plan was to walk to Goatenbridge and then over Knocknafallia mountain and rest up for the following day, this brought us approx. to a 30 mile finishing post. We set off at a nice pace and rested after every 4-5 miles and at one stage we were sharing brunch with a number of quiet souls in a graveyard near New Inn - we really appreciated their hospitality. One thing must be said about County Tipperary (and there is no malice intended to anyone from the county) the sign posts were a little confusing not to mention frustrating - Ardfinnan was between 3 \* miles and 3 Kilometers from everywhere we were for about an hour and a half and I promise you we were moving all the time. On the plus side we were really glad we weren't going to Fethard because on

every sign post that was 13 miles away at all times, we did eventually reach Ardfinnan and rested up for about an hour and a half. I must say though that the owner of the pub we descended on was very understanding - not many would remain quiet when five strangers walk in and begin removing boots and socks and administering first aid to their feet. After feeding and watering we reluctantly left Ardfinnan and made our way towards Goatenbridge, this was a painful walk and we discussed the possibility of leaving the mountain until the following morning, the general consensus was that none of us would be psychologically able to take on the mountain the following morning and that although we were tired and blistered it would be a better idea in the long run to continue over the mountain and start on a downhill trek the following day. Half way over the mountain with a mist descending we realized that maybe it wasn't such a good idea after all as due to the mist we had to make a slight detour on the mountain top - thank god for Paddy at least he knew where we were going - John was like a nimble mountain goat the way we flew up the mountain - he said later that he had to get a momentum going or else he would come to a complete stop. Gina, PJ and Una brought up the rear of the group and needless to say the top of Knocknafallia mountain was a very welcome sight. We finished walking at 8.30 p.m. almost 12 hours after we had set off that morning, but at least now we were on home territory. Sunday proved to be a very difficult day for the entire group, Gina & PJ had ankle and knee problems, John & Paddy had mammoth blisters and Una who was by the far the best of us had a couple of minor muscles pains. The trek from Cappoquin to Keeren was the longest few miles any of us put down. We stopped in Keeren to listen to the match and for some unknown reason did not hear the final score and headed of the Geosh thinking that Waterford had won - we were absolutely delighted and it was probably the thought that Waterford had won that brought us as far as Geosh that day. Unfortunately we had to find out it was only a draw but we now have the opportunity to go to the replay. We hope that by the time this goes to press that Waterford will be taking part in the Munster Final.

Monday with only fifteen miles to go was going to be completed with sheer grit and determination. When there was a wrong turning made in Ballycurrane and a mile or two added to the journey, we kept our spirits up and slogged away. The Round Tower (our final destination) was a very welcome sight in the distance as we approached Ardmore willing our legs to take us the final couple of miles. Paddy - our navigator went steaming ahead and reached the tower before us - the rest of us due to daisy chain making and forcing our feet to go on, missed our last marker for the route and added another mile to a very long journey - we eventually arrived about half an hour after Paddy and after much hugging and congratulations sank down into the grass with intense relief - it was for all of us the most physically & mentally demanding thing we had ever undertaken but it was also one of the most enjoyable weekends we have ever spent - everyone got on really well -

Walkers: Gina Dunne - Una McCarthy - P.J. McGrath - Paddy Geoghegan - John Geoghegan

when were feeling down we cheered each other up - it was definitely a case of all for one and one for all and it was worth every step of the 60 miles - the hysterical moments - the laughter and the pain - to attain the level of friendship we did along the route and the sense of achievement we got when we arrived at the Round Tower.

Many thanks must go to our drivers Brendan Dunne, Frank McCarthy & Cara McGrath for dropping us at our commencement points and collecting us in the evenings (Brendan is still complaining about the miles he clocked up!). Thanks must also

go to Helen & Gerald McGrath in Drumroe who supplied us with much needed refreshments on Sunday morning and if the truth be told we would have been quite happy to remain in their kitchen for the rest of the weekend. Siobhan Lincoln, Ardmore & Jim Halley, Mount Melleray Scout Center for maps and advice for the route. Many thanks to all who sponsored us in this event, it was very much appreciated, once the final tally of money is known we will let you all know. PS It has been brought to our attention that St. Declan did this route in a Chariot - pity someone didn't tell us that before we walked it!

## DISABILITY AWARENESS

### ADVOCACY

The Programme for Government (June 2002) has a commitment to 'include provision for rights of assessment, provision, appeals and enforcement'. The Waterford Disability Network of PwDI, is of the view that there should be a statutory right to an independent assessment of need leading to a Statement of Need, as outlined in the Strategy for Equality.

#### Part 1- Advocacy

The legislation should provide for the right to the full range and types of advocacy for all people with disabilities and in all settings. This should be provided through an independent advocacy agency that is located under the Disability Support Service, proposed above, who will be responsible for providing advocacy, advocacy training, support and monitoring of the service. Detailed guidelines should be drawn up through Ministerial regulations within an acceptable timeframe. All stakeholders, including people with disabilities, their families and carers should be consulted in the development of the advocacy services and in the drawing up of appropriate systems and processes.

The legislation should provide people with disabilities with the right to an advocacy service as laid out in the document Advocacy - A Rights Issue (Forum of People with Disabilities, 2001). The advocacy service should:

- Include the full range and types of advocacy for individuals and organizations, including self-advocacy, peer advocacy, carer advocacy, citizen advocated and specialist advocacy for people with disabilities who may require extra support for their voices to be heard.
- Assist people to access public services, to take a complaint to a service provider and advocacy to enable people to take a case through the courts.
- Be available to people with disabilities in community, residential, hospital and prison settings and covering the full range of disabilities, including mental health and intellectual disability.

*To be continued next week:*

We provide information, support and advocacy for people with disabilities, (Physical, Sensory, Learning, Mental and Emotional Health). For further information relating to Disability issues please contact or visit:

## PRETTY WEDDING

On Friday 23rd May, the feast of St. Julia (virgin and martyr) the beautiful church of St. Joseph and St. Brigid's, Bothair na Naomh, Thurles, Co. Tipperary was the scene of a very pretty wedding. The contracting parties were John B., son of John and Mary Keane, Thurles, Co. Tipperary and Martina, eldest daughter of John and Mary O' Donnell, Ballygallane Upper, Lismore, Co. Waterford. The marriage ceremony with nuptial Mass and Papal blessing was solemnised by Rev. Fr. Joseph Walsh P.P., Thurles assisted by Rev. Fr. Eugene Baker C.C., Fermoy in the presence of a large number of the relatives and friends of the contracting parties. The bride given away in marriage by her father John looked pretty and was attended by her sister Mary Pratt as Matron of Honour and the Best Man was SAS Molumby, friend of the groom. The organist was John O' Gorman and the vocalist was John O' Connell. With the church ceremony over the entire party left for The Munster Hotel, Thurles where the wedding reception took place and where a most enjoyable and musical time was had by all for many hours. After the cake was blessed by Rev. Fr. Joseph Walsh P.P. the Toast of the Bride and Bridegroom was appropriately honoured and many felicitous speeches given by many guests present. Later in the evening the happy couple left on their honeymoon which is being spent in Spain. As they left they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years that lie ahead.

## Rathgormack Fianna Fail Cumann

## Coláiste Cois Siuire

The annual Irish Summer College which is being held in Newcastle, is fast approaching. It will take place this year from Monday 30th June to Friday 11th July each day from 10am to 3pm. The programme is a two weeks culture and activity course for boys and girls from 3rd class to Junior Cert. An insight of Coláiste Cois Siuire is that it is very much in keeping with the long cultural, musical and language heritage of the area. In the past Caislean Nua was a Breav Ghaeltacht, An Ghaeilge being the native tongue of the older generation. As in the past years the students will enjoy a variety of games, hurling, football, basketball, quizzes, as well as learning many popular Irish songs and dances, with the tin whistle taught at beginner, improved and advanced level, and from day one the students will blend into this happy atmosphere. All activities will be conducted through the medium of Irish and will be supervised at all times by qualified teachers. The Coláiste was established in 1992 and down through the years attracted an influx of stu-

dents from many counties in Ireland and indeed they were made very welcome.

There are still places available but it is advisable to enrol as soon as possible by contacting An Runai Maire Ni Mhurchu at 052 36508.

### CEMETERY MASS

The Holy Sacrifice of the Mass will be celebrated at Molough (new) cemetery on Thursday evening 26th June, the feast of St. John and Paul (martyrs) at 8pm. You are all welcome to attend.

## FOURMILEWATER HURLING CLUB

### Junior hurling Championship

Fourmilewater junior hurlers played their second match in the above championship on Friday 30th May against Brickeys in Bushy Park and came away with a fine 4 - 20 to 1 - 10 victory. This was another good performance from this team. Veteran Michael Guiry was in great form and he scored a personal tally of two goals and five points and showed that there is no substitute for talent. There is years left in Michael yet. Another man who had a great game was stand in goalkeeper Conor Ryan who made a few good saves and his puck outs were landing almost in the Brickey goalmouth showing his talent at the long puck competition. Joe Mangan was solid at full back flanked by Michael Wall and young James Gough. Michael O'Gorman had a good game at left half forward. Richard O'Keeffe was doing well at corner forward before having to retire injured. Pat Power and Tom Kelly again looked after the team selection. Martin was absent again. Rumour has it he's waiting until we turn professional before lining out but he said when he does come back he will put the two lads in their place. There is no truth to the rumour that Justin McCarthy was looking for Michael Wall's phone number last week.

Team: C. Ryan, M. Wall, J. Mangan, J. Gough, J.J. Moore, M. O'Grady, P. Lawlor, R. McCarthy, A. Lawlor, P. Walsh, J.

Wyse, M. O'Gorman, S. Lawlor, M. Guiry, D. O'Keeffe. Subs: T. O'Gorman, L. Lawlor, M. Moore, M. O'Gorman, S. Wall.

### Man of the Match: M. Guiry. Munster Championship

At the time of writing the replay between Waterford and Limerick has still to be decided but what ever the outcome we can be proud of this team. No longer are we the whipping boys of Munster hurling. I usually don't comment on officials at matches because I know it's a hard job but I honestly felt that the referee and some of the umpires weren't up to speed. Maybe the occasion got to them. Paul Flynn was flattened at one stage and play was waved on. Limerick got the third goal twenty seconds later. Such are the things that change games. Well done to the intermediate team who reached the Munster Final with "Growler" Daly in great form.

### Under Age Coaching

It is hoped to start coaching sessions around the end of June for under 8 and under 16 starting on Saturday the 21st of June and hopefully on Sunday mornings from 12 noon to 1.30 pm. For this to work we will need a lot of help as there are about eight boys and girls between the ages of six and twelve in our club and school. We have to work on these lads now as they are the future of this club and if we let them go we can hang our heads in shame. For that number we would require about six coach-

es every Sunday morning so we appeal to all adult hurlers to put their names forward. You won't have to do every Sunday morning, you will just take your turn. Also you don't have to be D.J. Carey to coach, it's just basic skills. There is a lot of hard work being done at under age at the moment but Billy Walsh can't do it all on his own so come on Seniors and Juniors, stand up and be counted. If we get our act together this club can win a County Senior title within eight to ten years.

### Under 12 Hurling

Fourmilewater under 12 hurlers lost to Brickey Rangers at Bushy Park last week with a score line of 2 - 6 to 0 - 2. Our points coming from S. Ruan and D. Fitzgerald. This was not a good performance from this team but hopefully if they keep training and concentrating on their game things will come together for them.

Team: S. Whyte, S. Lonergan, A. Condon, J. Hannigan, P. Horikin, P. Cooney, D. Fitzgerald, J. Barron, N. Morrissey, S. Ryan, N. Fraher, D. Guiry, K. Guiry, D. Ryan, I. Whyte.

Subs: D. Power, D. Mulcahy. Tony Condon has now fully recovered from the Tipperary - Clare match and is now Tipperary for the All Ireland. Stop laughing Jim!

Under 14 Hurling Fourmilewater under 14 hurlers played a cracking Western Final against Naomh Bride on Mon 2nd of June losing a very high scoring game with a score line of 6 - 4

to 6 - 2. This was a great game but heart breaking for the Fourmilewater team. The score at half time was 3 - 2 to 2 - 1 to the Tallow outfit and with three minutes to go they lead by nine points and looked set for victory but Fourmilewater made a late rally and almost sneaked it. We congratulate Naomh kBride on their victory.

Scourers: C. Guiry 3 - 0, R. Fenton 2 - 2, N. Morrissey 1 - 0.

Team: T. Walsh, S. Cooney, S. Lawlor, D. Fitzgerald, A. McGrath, J.P. Fitzgerald, E. Cooney, P. Horking, d. Guiry, J. McGrath, C. Guiry, G. Guiry, N. Morrissey, R. Fenton, S. Ryan. Subs: P. Cooney, K. Guiry, P. Horking, T. Coffey.

### LOTTO

Well done to Joe Whelan who scooped the Fourmile water lotto of euro900 on Saturday 30th May. He might split it four ways with Noel and Maurice and the ticket sales man. Well done Joe. Word has it he was embarrassed into buying the ticket by Thatcher.

Congratulations to our full forward Dec Spellman and Michelle Walsh who were married in the Nire Church recently. Declan, who is a native of Galway, always gives 110% on the field and inspires those around him. Michelle's four brothers play a "little" bit of hurling as well so hurling will be a big topic of conversation in that marriage. Here's hoping they enjoy their honeymoon in Cuba but hurry back Dec as we need you for the championship.

## RECENT DEATHS

### Late Rev. Fr. John O' Kane I.C.

It is with deep and sincere regret we record the death of Rev. Fr. John O' Kane I.C., Rosminion House of Prayers, Glencomeragh, Kilsheelan which sad event took place peacefully at Waterford Regional Hospital, Waterford on Saturday 31st May.

On Sunday evening his remains were removed from the Hospital mortuary to Rosminion House of Prayer, Glencomeragh, Kilsheelan where they were blessed and received. On Monday morning the feast of St. Anthonis, requiem Mass was celebrated for the happy repose of his gentle soul. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where he was laid to rest in the community plot. To his sister and his many relatives we extend our sympathy. Beannacht de lena anam.

### Late Mr. John Fitzpatrick

It was with deep and sincere regret we record the death of Mr. John Fitzpatrick, Davis Terrace, Clonmel which sad event took place recently at Cork University Hospital. John or Big Fitz as he was popularly known was a tower of strength in the neighbourhood looking out for those living nearby, particularly the elderly who entrusted him with the keys of their houses, which he ensured were secure whilst they were away. A familiar tall figure complete with cap, he could be seen regularly cutting their lawns and hedges as well as doing chores for them. His passing will be more severely felt by his wife Mary and his six children.

A native of Callan, Co. Kilkenny, one of seven children, five boys and two girls, John joined the Army in Clonmel in 1953 and was attached to the 13th Battalion and later to the 12th Battalion. He did overseas service in the Congo and two stints in Cyprus. In 1954 he married Mary Connolly and they resided in Barron Park rearing a family of six, four boys and two girls. In the 60's they moved to Davis Terrace around the corner from Kickham Barracks where he enjoyed promotion to the rank of N.C.O. He had a big interest in basketball a sport in which he became All Army champion. He also had a great flair for garden work for he looked after the large garden at Killalooan.

He also worked in Market Street at O'Donnell's Wool Store which at that time was a hive of activity. For his love of children he erected a net on his back wall so that he could teach basketball to his grandchildren. Seven or eight years ago John's health began to decline and he was not able to go out very much, but he still kept an eye out for his neighbours. Twelve months ago his health further deteriorated and he passed peacefully away recently in Cork University Hospital. It was indeed fitting that the Army to which he gave twenty four years of loyal service should provide him with a guard of honour and pall bearers at the Church. His coffin was draped with the Tricolour and the UN flag also had his beret and scarf atop.

His remains were removed to S.S. Peter and Pauls where they were received and blessed by Rev. Fr. Colm O' Brien C.C. S. S. Peter and Pauls. On the following morning, requiem Mass was celebrated for the happy repose of his immortal soul. The celebrant was Rev. Fr. Colm O' Brien C.C. After Mass the funeral took place to St. Patrick's Cemetery, where a kind and loving father was laid to rest.

To his wife and family we extend our sympathy. Go dtugadh Dia solas na bhflaitheas do anam.

### Late Mr. William Geary

It is with deep and sincere regret we record the death of Mr. William (Billy) Geary, Kilsheelan, Clonmel and late of Buttevant, Co. Cork which sad event took place peacefully in the tender loving care of Matron, Doctors, Nurses and staff of St. Benedicts Nursing Home, Carrick-On-Suir on Tuesday 20th May.

Billy's death has severed another GAA link with the district. He arrived in the parish from Buttevant, Co. Cork in 1941. He was not long there when the news began to spread that he was a useful exponent of the caman. This was quickly recognised when he easily slotted into the position as cornerback and with his cideo style turned many a defence into attack. When he hung up the hurley he was elected on to the committee.

On match days he was also a very reliable and trusted gate collector. When Kilsheelan sportsfield was being developed in the early 50's, Billy was always there to give a hand, in fact it could be said that in all aspects of club affairs, he was a loyal and diligent servant. It was lovely to see Bill and his wife Ciss slip across the road to Sullivan's for their nightly social drink, both linking each other when they retired from their lives toil in their well known shop.

On Thursday evening, his remains after rosary and prayers were recited, were removed from O' Donoghue's Funeral Home, Clonmel to St. Mary's Parish Church, Gambonsfield, Kilsheelan where they were blessed and received. On Friday morning, the feast of St. Julia (Virgin and Martyr) requiem Mass was celebrated for the happy repose of his eternal soul, the celebrant was Rev. Fr. William Carey P.P. Kilsheelan/Kil-cash.

After Mass he was taken to his place of rest in the adjoining cemetery. To his wife we extend our sympathy. Go dtugadh Dia solas na bhflaitheas da anam. (Undertakers O' Donoghues, Clonmel)

### THE MIRACULOUS PRAYER —

Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your favour, not mine. Amen. Say for three days, promise publication and favour will be granted. Never known to fail. With grateful thanks.— B.W.

ASK ST. CLARE for three favours, one business, two impossible. — Say nine Hail Marys for nine nights with lighted candle. Pray whether you believe or not. Publish on ninth day. Publication must be promised.

## Birthday Remembrances

**HAYES** — Birthday Remembrance of Patrick (Pa) Hayes, 6, St. Brigid's Terrace, Dungarvan whose birthday occurs about now. Mass offered.

### "DADDY"

Forgive us Lord, if we still cry, We never wanted our Daddy to die, With broken heart we whisper low, We love you Daddy and miss you so.

God called your name so gently,

But only you could hear, No one heard the footsteps, Of the angels drawing near. You left this life so suddenly, We could only wonder why, For the saddest part of all, We never said goodbye.

(Always remembered your children Tosh, Dean, Calvin and Denika XXXX).

**BUCKLEY** — Birthday remembrance of Gerard Buckley, late of Lower Glen, Modeligo and South Africa whose birthday occurs on 12th June. R.I.P.

May the winds of love blow softly,

And whisper so you will hear, That we wish a happy birthday,

To a son and brother we love so dear,

Our loving thoughts are with you, Gerard,

On this your special day,

We seldom ask for miracles,

But today just one would do,

To leave the door wide open,

And see you walking through.

(My beloved son I miss you so - love; Mom, your brothers and family).

Our hearts cannot write what our hearts want to say, Except that we love you and miss you each day,

Deep are the memories, especially today, No passing of time can take them away,

No matter how our lives may change, Or whatever we may do, We will never forget those special years,

The ones we had with you. (Always remembered by Tomás, Mary Kate and Sophie X X X).

**MOYLAN** — Thirteenth Anniversary — In loving memory of my dear grandson, Gerald, late of 43, Congress Villas, Dungarvan, who died on June 9, 1990.

We cannot stop the hands of time, Or live again the past,

But we will always love and think of you, As long as life shall last,

No matter how life changes, No matter what we do, A special place is always kept,

Within our hearts for you. (Always remembered by Nanny and Granddad X X X).

**MOYLAN** — Thirteenth Anniversary — In loving memory of my dear nephew Gerald, late of 43, Congress Villas, Dungarvan, who died on June 9, 1990.

We cannot stop the hands of time, Or live again the past,

But we will always love and think of you, As long as life shall last,

No matter how life changes, No matter what we do, A special place is always kept,

Within our hearts for you. (Always remembered by Nanny and Granddad X X X).

**MOYLAN** — Thirteenth Anniversary — In loving memory of my dear nephew Gerald, late of 43, Congress Villas, Dungarvan, who died on June 9, 1990.

In the silence of midnight, You heard a gentle call, You took the hand of God above,

And gently left us all, You passed through the gates of heaven,

God called you to his side, The pain you suffered ended,

You lost your fight with pride, Our lives go on without you,

But things are not the same, It's hard to hide the heartache,

When someone speaks your name. (Always remembered by Ursula and Danny X X X).

**MOYLAN** — Thirteenth Anniversary — In loving memory of my dear nephew Gerald, late of 43, Congress Villas, Dungarvan, who died on June 9, 1990.

A star shines on a lonely grave, Not many miles from here,

Where lies the one we dearly loved, As it dawns another year,

So watch over him, O Lord, Hear him should he call, And shine your brightest star above,

On his grave as evening shadows fall. (Always remembered by your loving aunt Mairéad, Eddie, Pat and Edward).

We think of you in silence,

How we would love to hear  
your voice,  
And see you smile again.  
You may be out of sight,

1992. Anniversary Mass on  
Saturday, June 14 at 7.30 p.m.  
in St. Carthage's Church,  
Lismore.

When thoughts go back as  
they often do,  
I treasure the memories I have  
of you,  
May the winds of love blow  
softly,  
And whisper my words for you  
to hear,  
That I will always love and  
miss you,  
And wish that you were here.  
(Loved always — Anne, Jim,  
Eithne, David and Karen).

**PHELAN** — Second  
Anniversary — In loving mem-  
ory of my dear mother, May  
Phelan, Tivoli Terrace,  
Cappoquin, who died on June  
16th, 2001.

If memories could bring us  
closer,  
We are never far apart,  
God has you in his keeping,  
We have you in our hearts,  
Call her name out softly  
Lord,  
And when she looks your  
way,  
Tell her that we love her,  
And miss her everyday.  
(Lovingly remembered by your  
daughter Brigid, grandchildren  
Shane, Rachel and Kenneth).

**POWER** — Eighteenth  
Anniversary — In loving memory  
of my Mam, Bridie Power, late of  
Congress Villas, Dungarvan who  
died on the 8th June, 1985.

Those we have loved don't go  
away,  
They walk beside us every-  
day,  
Unseen, unheard but always  
near,  
Still loved, still missed, still  
very dear.  
(Sadly missed by your daughter  
Eileen, grandchildren James  
and Jacquelin).

**POWER** — Twentieth Anniver-  
sary of a dear father, Seán Power,  
45 Childers Estate, Dungarvan,  
whose death occurred on June  
16, 1983.

We never thought of losing you,  
And maybe that was wrong,  
You always seemed a part of  
us,  
That would always carry on.  
So when the Lord called you,  
home,  
He knew what you were worth,  
For He took the greatest father,  
That ever walked this earth.  
You were always there with a  
helping hand,  
To listen, advise and under-  
stand,  
Your pleasures were simple,  
your wants were few,  
If we were happy, then so were  
you.  
We'd give the world if we could  
say,  
We're going to see our father  
today,  
To hear your voice, to see you  
smile,  
To sit and talk with you awhile.  
Forget you Seán we never will,  
For in our hearts we love you  
still,  
And always will.

(Always loved and sadly missed  
by loving family at home and  
away).

These are the memories we  
have of you.  
(Always remembered by your

We shared some laughter  
and some tears,  
But best of all, Dad, we  
shared great years,  
Your love was great, your  
heart was kind,  
What beautiful memories  
you left behind,  
So rest in peace, dear  
father,  
And thanks for all you have  
done,  
We pray that God has given  
you,  
The crown you truly won.

**TOBIN** — Sixth Anniversary —  
In loving memory of my dear  
father, Paddy Tobin, Connolly  
Row, Dungarvan, who died on  
June 14, 1997.

A loving father most sin-  
cere,  
Loved by all he knew,  
He loved us all so very  
dear,  
And we all loved him too.  
But God in His mercy will  
give me hope,  
And help me bear the  
strain,  
Of the one we cherished,  
loved and lost,  
To meet in heaven again.  
As down the road of mem-  
ories,  
We gently tread today,  
Our loving thoughts are with  
you,  
As life goes on its way.  
(Never forgotten by his loving  
daughter Kathleen, son-in-law

father, Paddy, late of 6,  
Connolly Row, Dungarvan, who  
died on June 14, 1997.

Everyone whispered softly,  
Time would ease my pain,  
But life here without you,  
Dad,  
Will never be the same.  
I laugh, I smile, I play the  
part,  
But beneath it all is a broken  
heart,  
I hide my tears,  
When I speak your name,  
But the ache in my heart,  
Will always remain.  
Will those who think of him  
today,  
A little prayer to Jesus  
say.  
(Always remembered by your  
daughter Ann, son-in-law  
Christy and family.)

Behind the gates of heaven,  
There is someone special  
there,  
A dad we loved so dearly,  
A dad who will always  
care.  
You gave us all you had to  
give,  
Gifts both big and small,  
But most of all you gave us  
love,  
The biggest gift of all.  
The tears in our eyes we can  
wipe away,  
But the pain in our hearts will  
always stay.

(Always remembered by your  
loving daughter Marie, son-in-  
law Denis, grandchildren Barry,  
Darren and Ross.)

Anniversary — In loving mem-  
ory of my dear mother, Ellen  
Whelan, late of Lyre, Mahon  
Bridge, Kilmacthomas who died  
on June 4, 1996.

A whisper on a June morn-  
ing,  
You heard a gentle call,  
You took the hand of Jesus,  
And quietly left us all,  
A golden heart stopped beat-  
ing,  
Hard working hands at  
rest,  
God broke our hearts to prove  
to us,  
He only takes the best,  
No matter how we spend our  
days,  
No matter what we do,  
There is a longing in our  
hearts,  
For yesterday and you,  
The face we loved is miss-  
ing,  
The face we loved is still,  
The mother that did so much  
for us,

ing,  
You heard a gentle call,  
You took the hand of Jesus,  
And quietly left us all,  
A golden heart stopped beat-  
ing,  
Hard working hands are  
still,  
God broke our hearts to prove  
to us,  
He only takes the best,  
God broke our hearts to prove  
to us,  
He only takes the best,  
It does not take a special  
day  
For us to think of you,  
Each Mass we hear,  
Each prayer we say,  
Is offered up for you.  
We cannot bring the old days  
back,  
When we were all togeth-  
er,  
The family chain is broken  
now,  
But memories last forever.

WATERFORD WEDNESDAY JUNE 4TH

## Crackator Colm In Top Form

The showcase event on this the first meeting in June was the final of the South East Garden Show Tri Distance stake over the 550 yard trip kindly sponsored by the Modern Home and Building Exhibition. The fast starting Rusty Jack led early on from Citizen Earl with the eventual winner Crackator Colm (Toms The Best-Crackator Blue) 3/1 lying a close third down the back stretch. Turning on the style down the back the Colin Wilbourne owned Crackator Colm powered his way to the front on the fence and this strong running sort was never in any subsequent danger cruising to a three and a quarter lengths success over a running on Droopys Cheetah who got the better of a late tussle with Rusty Jack to take the runner up spot. The winning time was a fast 30.29.

The money came late for the Mick Cronin trained Future Rumble (Smooth Rumble-Stepps Time) in the opening contest and taking advantage of his rails draw this 4/6 favourite headed the pack rounding the first turn to race on for a two and a half lengths victory over the always prominent Damaged Toy in 29.95.

The Hearne family from Kilmacthomas sent out two well backed winner as litter sisters Sara Tip 2/1 and Saucy Pen 5/2 both produced eye catching early paced performances to capture their respective contests. In a 300 yard dash Abandon Hope got off to a flyer from trap two but a slow starting Sara Tip produced a smashing dash of early pace up the rails to drive into the lead on the fence before running out a length and three quarter winner over a running on Droopys Prost in a smart 16.51.

The Emily Hearne owned Saucy Pen made maximum use of her early pace in the tenth race shooting clear of King Wonder and with the latter unable to make any impression on the leader Saucy Pen kept going in fine style up front to record a three and a half lengths victory over King Wonder in a fast 29.18. Both winners are members of the October 2001 litter by Staplers Jo and Seafeld Lemon.

In the third race Lakefield Jack led to the third corner where he was soon taken on and passed by Mustang Pearl and this daughter of Smooth Rumble and Deenview Pearl lengthened her stride nicely for County Tipperary owners Stephen Bourke and Alison Coxon to open her account by two and a half lengths over Lakefield Jack in 29.60.

Displaying a fine burst of early dash Gerry Kielys home bred Airmount Tina (Doyougetit-Airmount Jessica) 2/1 appeared well on course to register an easy trap to line victory in the fourth contest going clear of Mondeo Man but the latter made rapid late headway only to go down by a short head to Airmount Tina in 29.66.

County Cork based trainer Liam O'Callaghan also left this meeting with a double courtesy of Tullawaddy (Tullamore -Moment Of Magic) 5/4 in a 300 yard sprint while Getaway Harp (Frisby Full-Wise Plan) justified 4/6 favouritism in a six bend marathon. Running for the Mystery Syndicate Tullawaddy took a stride or two to find his feet in the fifth contest but he was in full flight after twenty yards to cruise into the lead on the outside before streaking clear for a length and a half

victory over Redchapperallady in a pleasing 16.50.

With a sub 40.00 run on her book at Youghal the Hideaway Syndicate owned Getaway Harp appeared leniently treated for her assignment in the ninth event and while she overtook the front running Greenview Bonus out of the third bend Getaway Harp had to be at her strongest in the closing stages to defeat the always well placed Determined Pet by two lengths in 41.84.

A wide running Ramble Liza attempted to make every post a winning one in the sixth event but the leader gave way at the third bend to Slaneyside Neddy. The latter looked sure to score when leading into the home stretch but the Patrick Reddy owned Get Him Ready (Prince Of Tinrah-Fearless Gale) 5/1 came with a storming late run to grab the lead virtually on the winning line for a short head success in 29.81. The winner was leaning in on the runner up close to the winning line and the stewards duly impounded the winners card.

Phils Flyer the well backed 4/6 favourite made a gallant effort to lead all the way in the seventh contest and all appeared well for favourite backers as Phils Flyer raced into a clear lead over Vespouchi and Jenny Bay. The James Begley owned and Harry Seery trained Jenny Bay (Larkhill Jo-Rising Spark) 3/1 began her run from the halfway mark and eating into the leaders advantage Jenny Bay stayed on stoutly up the home stretch to record a three quarters of a length win over Phils Flyer with a fast finishing Vespouchi just behind in third. Time 29.55.

WATERFORD SATURDAY JUNE 7TH 2003

## Scotias Prince Hit Top Form

Dominating this ten race fixture were the semi finals of the Sanyo Commercial Refrigeration 28.80 stake. In the first semi final the early paced Jewels Rocket set off in front to make every yard of the running and opening up a handy lead over Beaming Heart and Riverside Hope the leader looked all set to score. In a gripping finish however the Gerry Kiely trained Airmount Liz (Larkhill Jo-Airmount Jessica) 2/1 came with a storming late charge from the rear of the field to snatch the lead virtually on the winning line for a neck victory over Jewels Rocket in 28.99.

A neck was also the winning margin in the second semi final with the John Lynch and Una Sheehan owned and Ian Seymour trained Scotias Prince (Mountleader Peer-Scotias Glen) 5/2 winning out in 28.81. Milltown Buddy set a hot pace early pace to lead from Scotias Prince. Blanco Passion was knocked over at the first bend as Scotias Prince closed right up on Milltown Buddy running down to the third bend. Shooting into the lead Scotias Prince quickly hit the front and did well to hold the late run of Orema Tex. The early faller Blanco Passion rejoined the race off the home turn but thankfully she did not interfere with any of the runners.

Fenor owner Dick Cullinane was on the mark in the first race of the night as his 3/1 shot Lynwood Leader (New Line Quest-Pleasant Memory) 3/1 came back a second time to post his second race victory in 29.88. The winner surrendered his early lead to Bea Knows Girl on the back stretch but he renewed his challenge in the closing stages to get back up close home for a length win over Bea Knows Girl.

County Wexford trainer Harry Seery sent out the easy winner of the second contest as the Audrey Downer

owned Belindas Therapy (Staplers Jo-Murmon Monica) 4/5 posted a cosy 29.51 success.

Racing into an early lead Belindas Therapy did well to shut the door in front of a challenging Supa Furry running down to the third bend before galloping clear for an easy five and a quarter lengths victory over Bawndaw John with the unlucky Supa Furry just behind in third.

Sineads Ashling broke in front in a two bend sprint but nearing the first bend Ballyrobin Duke mounted his challenge. Both leaders came in contact at that pint however and lost valuable ground in the process.

A slow starting Its Awesome (Roanokee-Battstreet Linda) shot into the lead on the fence and Aidan Roche's charge had little difficulty in beating Ballyrobin Duke by two lengths in 16.46.

Track newcomer Ellie Jah (Mustang Jack-Muts Dancer) opened her account for County Kerry owner Eileen Sullivan in 30.06. Banana Bar led for three quarters of the trip but in a rousing finish Ellie Jah came out on top by half a length from a running on Blockin Call.

The Alison Coxon owned and Sean Bourke trained Black Shiraz (Toolibuk-Last Flight UK) came from behind to justify 4/6 favouritism in the fifth race. The early paced but wide running Tomsolagh Hill gave the winner plenty to think about throughout this race but hugging the rails Black Shiraz cruised into a fourth bend lead to motor into the lead before beating Tomsolagh Hill by two lengths in a career best 29.05.

A fast starting Starwood Katie ran out a clear winner of a 550 yard race but it was obvious from the stands that the traps opened way too late. It was a number of minutes before a stewards inquiry was called and a number of Tote punters had thrown away their tickets while at least one bookmaker had paid out on the race. The race was subsequently declared void and we should look at introducing an announcement such as winner alright so as to avoid confusion in the future.

The John Fitzgerald and Phil Gough owned Sparta Tom a May 99 son of Toms The Best and Tinrah Princess put some younger rivals firmly in their place with an all the way 28.96 victory in the ninth race. Breaking in front and dashing straight for the rails Sparta Tom always looked comfortable up front and despite a fine effort from the runner up Augusta Hero Sparta Tom was full value for his four lengths victory. The winner started off his career in Waterford winning an unraced stake back in 2000 and has scored in every year since.

In the final race of the night the Jessica Smith owned and Roy Ellis trained Know The Girl (He Knows-Upwardly Mobile) 7/4 bounded into a first bend lead as McCarthys Boy ran off the turn hampering a number of the runners in the process with Sues Lady taking a crashing fall. as Know The Girl scampered clear down the back from McCarthys Boy and Smart Stone and with this order of running remaining unchanged Know The Girl ran out a two lengths winner over McCarthy's Boy. Time 29.19.

# RED HOUSE LEAGUE NOTES

With the season now all over for a few months, we will take a look back at the performances of each team in the tree divisions. We start with the Premier. Lismore finished top of the table as champions of The Red House League. Lismore took over as leaders on the 22nd of December and held this lead to the end. We saw Lismore in November when Ballyduff hammered them at the Castle Farm grounds by 5 goals to nil.

All was to change the following month and from then to the end lost just one game away to Accrington. They played as champions should - consistency - which enabled them to stay on top even though everything hinged on the last day. Their display against Cappoquin that day was champion style football.

We must congratulate Joe & Dave for guiding Lismore to this championship.

Valley Rgs once again finished runners up. One has to ask what have they to do to get over the final hurdle to lift the championship? They took 4 points off Lismore and still finished 2 pts behind them.

Valley Rgs after defeating Bride View in the 1/4 final of the Tyre Centre Cup were favourites to win the Cup but fell at the penultimate stage to Mogeely, on a 3 gls to 5 gls defeat. When they led by 3gls to 2gls early in the 2nd half with a strong wind behind them, this writer could not see them losing. But how wrong we were. Mogeely just would not let up and they deservedly won by playing the more direct football. Valley also lost out at the semi final stage on penalties to Ballyduff in Conna. However with a young side Valley's time is only around the corner.

When one considers that Bride View had to play all their games away from home it is a great credit to Mick Sheehan and his team that they were challenging right up to the very last game. However the Premier side did not finish the season empty handed when they won the Tony Bolger cup defeating neighbours Ballyduff by 2 gls to 1gl after extra time in Lismore.

In fourth place Ardmore were

6 points behind the winners. Unfortunately they were not able to field at full strength every Sunday, and this did not help them. At full strength it is acknowledged by everyone in the league they would be very strong contenders to be champions most seasons.

The seaisiders lost their three opening league games, but came back into the reckoning by winning 4 games on the trot and actually became joint leaders with Lismore even though they had more games played than the Cathedral town side in early March, but losing a total of 5 games proved much too costly.

Cappoquin, as reigning Champions, were always going to find it difficult to repeat the previous season's feat of losing just one game. They lost games in Nov/Dec that with a little luck they may have collected points, but they learned that it is very difficult to retain a title than to win one. With work about to commence on their ground, as the league's home ground, next season the pressure of champions will be off

and we know that Walter and Gossie will have their side charged up and ready to win the title back. Accrington newly promoted, got off to the proverbial flier with 6 pts out of a possible 9 pts after 3 games, and yet they had to battle to the last game to stay in the Premier. Survive they did and the experience gained should stand to them next year.

Ballyduff, relegated on the last game after a good start lost too many games in the 2nd half of the league, a total of six consecutive losses, which saw them plummet down the league table.

They did however reach two cup finals. In the Bolger Cup they were defeated in extra time by Bride View and in The Liam Fitzgerald Cup Final after a 3 gls each draw with Gortroe, lost out on a penalty shoot out. Ballyduff must be strong contenders to come straight back to the Premier next season. Kilworth did not find the going easy, especially being promoted as champions of the 1st Div. While they got off to a good start their season slipped away,

missing too many players for important games and ended up winning just one game and losing eleven. They now have a chance to regroup and challenge for promotion again next season. Next week we will look at 1st Division teams and how they fared.

Annual General Meeting  
Just to remind all clubs the Annual General Meeting will be held on Monday night 14th July at The Red House Lismore.

Lansdowne Road - The Boys in Green.

By the time those notes appear in print hopefully Ireland will have defeated Georgia, and gone top of Group 10 in the Euro

pean Championship.

We were delighted to see so many at the game on Saturday last against Albania, from our league.

To this long time Ireland follow the atmosphere on Saturday last was the best yet. While we often Knock the FAI, we must praise them for last Saturday. New C.E.O of the FAI Fran Rooney had Lansdowne in a sea of green with all supporters waving their "green cards." While the game may not have been great, at least Ireland got 3 pts.

So hopefully another 3 pts this Wednesday and we can start booking for Portugal next Summer.

### JIMMY BRUEN SHIELD

On Saturday and Sunday last West Waterford Golf and Country Club was delighted to play host to the East Munster qualifying section of the Jimmy Bruen Shield. Teams from Dungarvan, Gold Coast, Carrick-on-Suir, Faithlegg, Lismore, Waterford Castle, Tramore, Youghal, West Waterford and Dunmore East played stroke format on the Saturday with the two top teams West Waterford and Youghal going forward to play matchplay on Sunday morning. Our own team under the watchful eye of joint managers Noel Conway and Jimmy Murphy had prepared very well for the competition, playing various trials and challenge matches and both managers were very hopeful of a successful outcome especially with home advantage. After the excitement of the previous evening watching Waterford Hurlers triumph over Limerick, Little did we

know what a tremendous battle was in store. Both teams teed off at 10am and from the outset the quality of golf was befitting of any final. At 2pm the match was as close as is possible, with 2 matches a piece and the final pairing teeing up on the 18th all square. On the green it looked as if West Waterford had the upperhand but Youghal holed a great saving putt to bring the match down to the 19th. Ray Spratt took out his driver and split the fairway with a tremendous drive to put Youghal under pressure and eventually it was left to Michael Purcell with 2 putts to win to leave his first putt stone dead and secure a great victory. We would like to take this opportunity to thank Youghal for a most sporting contest and on behalf of team managers Noel and Jimmy to thank all the panelists for their efforts and to wish them well in the next stage.

Tee off is at 4.00 p.m. Thomas Larkin and Conor Clancy are leaving no stone unturned in their quest for victory. The team will be announced later in the week and we know at this stage that there will be a change as John Hallinan is not available on Thursday. The Captain and all the members would like to wish the team all the best on Thursday.

## JIMMY BRUEN

On Saturday last the GoldCoast played in the first round of the Jimmy Bruen at West Waterford. The club was represented by the

following players: Tom Considine and Michael Kavanagh, Thomas Larkin and Paudie Morrissey, Brian O'Connor and Michael Ferncombe, Ian Pericho and Tom White, Kieran Cullinan and Roddy Healy. As the results started to come in, it looked like it would be Youghal or the GoldCoast that would join West Waterford in the next round. The GoldCoast were in the clubhouse with 338 and Youghal needed to come in with an 83 or better in their last card to secure second place. Unfortunately for the GoldCoast Youghal's last card was an 82, thus eliminating the GoldCoast from this year's Jimmy Bruen Shield. All our players gave of their best and the club can be proud of the effort of the entire panel.

## WEST WATERFORD

As always we got a great welcome to West Waterford for the Bruen. We would like to thank them for their co-operation in arranging trial matches and most importantly we would like to congratulate them on a great victory on Sunday and wish them all the best in the next round.

## HALF YEAR REPORT

Now that we are in the month of June, we are just gone past the half way mark in the Juvenile GAA Year in West Waterford. So far the year has gone well, with some very close championships fought out, and there is the prospect that there will be some very good championships to come in the weeks and months between now and the middle to late October.

## UNDER 16 FOOTBALL

This years under 16 football championship was a real cracker with very little between most of the teams. In fact there was so little between the teams that there was a number of play-offs required to decide who played in what semi-final and even then a replay was needed to decide one play-off game.

At the first delegate meeting of the year when gradings are agreed upon it was felt by delegates that there was little between 11 of the top twelve teams in the division with the odd man out being Ballinacourty who were judged to be that bit better than the rest.

It was decided to place the teams in two groups of six giving each team a minimum of five games. After all five rounds of games were played it has been agreed that the top two teams in each group would contest the division one semi finals.

In group one Ballinacourty topped the table with full points from their five games. Brickey's and Stradbally tied for joint second spot with six points each. A play-off was required to see which of the teams would play the division one and two semi finals. The game finished in a win for 14 man Brickey's at Fraher Field, which meant that Brickey's contested the division one semi final and Stradbally the division two semi final.

For the second division two semi final spot from group "A" a play-off was required between Affane and Clashmore in Aghlish. The game ended in a draw and so the teams had to revisit the Geraldine's Club grounds to see who would contest the division two semi final. It was Clashmore who came through to claim the semi final spot.

In group two St. Oliver's topped the group with maximum points. They were followed on eighty points by Ardmore, Dungarvan, Kilrossanty, Naomh Brid and Nire all finished level on three points each.

To see which two of them would advance to contest the division two semi finals against Clashmore and Stradbally, two knockout play-offs were required. At Bushy Park Kilrossanty and Naomh Brid played out a very entertaining game where the result was in doubt right up to the end. However on the sound of the full time whistle, it was Kilrossanty who were in front. Dungarvan and Nire contested the second

game which was played in Lismore. This was an equally entertaining game where victory went to Dungarvan.

In division three was only three teams in the competition. The sides had to play each other twice so that teams had the chance to play a number of competitive games before they were expected to play in the knockout stages of the championship.

Ballyduff and An Gaeltacht both finished in joint top spot with six points each. Lismore were the third team in the division.

In the division one semi finals, Ballinacourty had a very big win over Ardmore at Cappoquin in the first of the first of the semis. The second semi final also at Cappoquin was a very entertaining contest between neighbours Brickey's and St. Oliver's. The Ballinacourty/Villierstown/Aghlish based side would have been expected to win this game as they came through their group unbeaten and had also contested the division one final of the under 14 football championship two years previous. However Brickey's who had been improving as the year passed were in fine form on the night of the semi finals and fully deserved their victory.

In division two, Kilrossanty were narrowly defeated by Kilrossanty in the one of the semi finals at Cappoquin, while in the second final Stradbally had a very good win over Dungarvan at Leamybrien.

In division three as Lismore had conceded their last two games in the league section of the competition to Ballyduff and An Gaeltacht, there was no semi final.

The first of the finals played this year was the division three final between Ballyduff and An Gaeltacht in Cappoquin. This was a highly entertaining game which Ballyduff deservedly won.

The second semi final to be played was the division one final between Brickey's and Ballinacourty at Aghlish. This was a game which Ballinacourty were expected to win with each. The scoreline would show that Ballinacourty won it comfortably but were made fight all the way. At the break Ballinacourty had a very splendour lead. Shortly after the restart, Brickey's received a massive blow when two of their backs accidentally ran into each other resulting in a clash of heads and as a consequence both players had to be removed from the field of play.

The last of the finals to be played was the division two final between Clashmore and Stradbally in Ardmore. The scoreline would just like in the division one suggest one way traffic, but it was only in the final quarter of the game that Stradbally pulled away.

The three divisional winners recently contested the county finals in Walsh Park. In Division one, Ballinacourty came back to earn a draw against De

La Salle. In division two, Stradbally were defeated by Gaultier, while in Division three Ballyduff just like Ballinacourty kicked a late score to earn a draw against Portlaw/St. Molleran's.

The replays are fixed for Friday 4 July in Leamybrien.

## FEILE COMPETITIONS

In the Thomas Scanlon Cup (Feile Hurling) Cappoquin had a very comfortable win against Stradbally in the quarter finals. In the first of the semi finals, Lismore had a victory over Dungarvan in Cappoquin and in the second semi final also in Cappoquin the home side had a victory over Abbeyside.

The final saw the meeting of near neighbours and rivals Cappoquin and Lismore at Tourin. Lismore on the night were the better team side and deserved their victory. Lismore took on De La Salle in the County Final recently but had to give second best to the city side.

In football, Ballinacourty had a win over Clashmore in the quarter final of the Peil Og (Feile Football) competition. In the semi final Ballinacourty received a walkover from Brickey's while in the second semi final Nire had a win over Dungarvan.

The final was played at Fraher Field. At the break it looked as if the contest was all over as Ballinacourty were coasting to victory. However in the second half Nire came out all guns blazing and at key moments had all the luck in the world. On the night Nire were winners but when they contested the County Final against De La Salle at Kilmacthomas, they just like Lismore in the hurling had to give second best to the city side.

In the hurling skills competition, seven competitors took place in the Western Final at Cappoquin. The three that advanced to the County Final were Cormac Curran (Dungarvan), Olan Murray (Cappoquin/Affane) and Thomas Ryan (Cois Bhride). The county final was held at the end of May at the Mount Sion Club grounds in Waterford. Thomas Ryan came through to win the competition and so will go forward to represent Waterford in Cusack Park in Mullingar later this month. We wish Thomas the very best of luck in the National Finals.

## INTER-DIVISIONAL HURLING

The West Waterford under 16 hurling team contested this years under 16 hurling inter-divisional competition in Carrigtwohill on Easter Monday. Under the guidance of Jim Nagle (Dungarvan) and Pat Fitzgerald (Lismore/Ballysaggart), the team were beaten by Cork side Carraigdoun in their first game while in their second game against South Tipperary the team were winning but then some poor refereeing decisions went against the side. The game was won by South Tipperary.

## UNDER 14 HURLING

This years division one under 14 hurling championship was

run out on a knockout basis while division two and three were played on a league basis. In division one in the quarter final game Lismore had a very big win over Stradbally. In the semi finals Dungarvan had a three point win over Cappoquin and Lismore had a very big win against an understrength Abbeyside team. The final was a cracker that went right to the wire. The boys from the Old Boro came through to win by a narrow margin.

In division two, Fourmilewater And Cois Bhride tied in joint top spot. In a draw to see who went straight to the final Fourmilewater came out of the hat. Cois Bhride had a win over Brickey's in the semi final at Tallow and in the final last week in Lismore, in a game that could have went either way, Cois Bhride came out on top by two points. The result of the game was in doubt right to the finish and even at the full time whistle there was those who felt that the game had finished closer than it did.

In division three, St. Patrick's topped the table with full points. Ballyduff had a big win over Kilrossanty in the semi final. In the final at Lismore, Ballyduff came out on top between two evenly match sides. The scoreline showed that Ballyduff won the game with a bit of spare. However the main difference between the sides was a player with a bright future, Shane Kearney who played at centre forward for Ballyduff.

## UNDER 12

The Under 12 hurling competition was due to come to a finish last weekend, but as there was a number of back games to be played it is likely that the league section of the competition will run for another week. As no results from last weekend are available at the time when these notes are being put together, we can only guess who will advance to the final and semi finals. In Division one the winner of the Lismore and Dungarvan game would be straight through to the Western final with the losers in the semi final where they would play the winners of the Abbeyside/Cappoquin game. In Division two it looks like as if St. Pat's, Kilrossanty and Clashmore would be contesting the knockout stages, however Fourmilewater and Brickeys have an outside chance of reaching the knockout stages. Division three was meant to have seven sides, which were split into two games. However, Abbeyside were forced to pull out their second team which just left six teams. The withdrawal of Abbeyside 'B' left two groups of three with the top two teams contesting the semi finals. In one group Cois Bhride have reached one of the semi finals. They will be joined by the winner of the Ardmore/Stradbally game. In the other group no game has yet been played, so it's all to play for between Ballyduff, St. Oliver's and An Gaeltacht. All games in this section will be played by this

weekend.

## RESULTS

It is important that clubs send the results of their games as soon as possible after the games. Each club should appoint someone to forward the results. This person should be a reliable person maybe a club chairman, secretary, PRO or a selector. Most clubs are very good to phone through their results but unfortunately there is a small number who do not forward their results.

## REFEREES

Last Wednesday night clubs had the opportunity of helping the various Bords out by supplying some new referees to help ease the work load on the existing referees. Of the 17 juvenile clubs in West Waterford, just two clubs were represented.

Pat Moore will be arranging dates for the course to begin. All clubs will be issued with these dates and hopefully by that time clubs will have had more success in trying to recruit people to become referees, especially those that do not supply any referee to the bords.

# Waterford Ladies Football

Our last county board meetin took place on the 27th of May. On opening this meetin our chairman announced the sad passing of the Ardmore Grange delegat Noel Faherty. On coming to the meeting we had learned of the untimely death of Noel which came as a shock to all of us. The Chairman announced that he couldn't have cancelled the meeting due to the timing but instead all delegates stood in silent prayer and the meeting was cancelled for 5 mins.

Noel was a great ambassador for ladies football. Over the many years that he was involved he became a selector with Johnny Kirwans squad at under 14, under 16 and juniors. He was always very helpful and he was never afraid to put his hand in his own pocket when the need arose. He also had charge of his own club in ARdmore Grange for many years as well. Chairman and delegates send their deepest sympathies to Noel's family and friends on their great loss. He will always be remembered and respected by ladies football.

## SEMI FINALS

Dungarvan v St Olivers and Clashmore v Old Parish will contest the under 16B Semi Finals. Ballymac and Kilrossanty will contest the under 16 A final.

Na Deise announced that they will not be fielding any junior team this year. The under 12 competition will be discussed at the next meeting. Training times for minors and senior ladies Friday night 7-30 and Sunday mornings at 10 am. Contact Michael Ryan for further details.

## FLAG DAY

Our annual flag day was discussed at the last meeting. A permit is now being organised for this years fundraiser. Elenor Hickey will have full details and times for the next meeting.

## REGISTRATION

Registrations of all clubs should now be complete. Any club who may not have paid their registration fees would urgently want to do so and contact Marian Cliff immediately with players list and money. Once again it is important to emphasise that all players pay their own membership fee to their own clubs

## NEXT COUNTY BOARD MEETING

Will take place on the 16th of June in Lawlors Hotel. Starting at 9pm sharp.

## WATERFORD U 14 LADIES FOOTBALL Waterford 1-15 Limerick 2-6

Waterford Ladies marched into the U 14 Munster Provincial Final at the end of June with a sparkling 1-15 to 2-6 win over Limerick in Tipperary on Saturday last. The waterford girls dominated the opening quarter of this match with the half-backs in dominant form. The Waterford girls made excellent use of the steady supply of good balls from the backs and went 1-6 in front before Limerick opened their score with a goal. Waterford went into the interval 1-6 to 1-2 in front.

Limerick started the second half in determined fashion with their excellent midfielders driving at the Waterford defence. However this Waterford team showed its real character when Limerick got to within 3 points of Waterford. In the last 10 minutes the Waterford girls found another higher gear to score a further 3 points without reply

The strenght in depth of U 14 football in Waterford can be judged in that all the girls on the panel have played a part in our success this year. The girls deserve every plaudit for the hard work and commitment they have shown since starting training in January.

Johnny Kirwan and the team mentors, would like to thank the parents and supporters who travelled to Tipperary to support the team and particularly to those parents who provided transport for the day. A special word to Louise Prendegast who sustained a wrist injury during the match and we look forward to Louise making a speedy recovery.

The Munster final will take place on Saturday the 28th June at a venue to be decided against All - Ireland Champions Cork. Cork beat Kerry by 8-10 to 4-4 in the second semi-final. This will be the girls most difficult challenge to date, a challenge they are well capable of meeting and overcoming as we definitely have not seen the best from this talented bunch of girls.

Team A Jordan (Abbeyside/Ballinacourty), N McGrath (Kilrossanty), M O'Gorman (Ballymacarbry), M O'Grady (Killrossanty), K Kirwan (Kilrossanty), J Kirwan (Killrossanty), G McGrath (St Olivers), K Feeney (Ballyduff), K Dunphy (St Annes), R Manahan (Old Parish) (0-1), L Kirwan (kilrossanty) (0-7), M Wall (Ballymacarbry) (0-2), J Bust (Kilrossanty) (1-2) L Prendegast (Ballymacarbry) (0-1) S Curran (St Olivers) (0-1), Subs: S Ryan (Ballymacarbry) (0-1) for L Prendegast, B O'Donovan (Abbeyside/Ballinacourty) for K Feeney, L Kirwan (Comeragh Rangers) for R Manahan.

## Ballinameela G.A.A. Club Notes

### LEAGUES

After a break of a couple of weeks we were back in action in the county football league on Tuesday last against Newtown. We had suffered a heavy defeat in our last outing an needed a win here to keep our chances of promotion alive. Newtown were short a number of players and this much weakened their side. Despite this we found it hard to get into our stride and we did not play the kind of football which we are capable of. We ran out easy winners but there is a lot of improvement needed for championship.

We played Clashmore in the western hurling league on Thursday evening last. We were short a number of players due to work and county duty but on a very wet and miserable evening the players we had turned in a very committed performance. There is no doubt a lot of improvement is need but with a full side we should be a test for any team in our grade. On Sunday morning last we played league leaders Kilgobnet. It was obvious from this game that our opponents have a lot of work put in already this year, as their first touch was very good and they seemed to be able to find their men with ease. Having said all that we did show an improvement from the Clashmore game but our lack of scoring forwards again was our downfall.

Our focus now turns back to football as we have the first round of championship in two weeks time. Players must now take on the responsibility themselves to put in an effort at training if we are going to have any hope of winning this game.

### COUNTY DUTY

Eoghan and Eamon Walsh were both with the county senior footballers on Sunday last when they took on All-Ireland Champions Armagh. Despite the final scoreline Waterford stayed with their opponents for most of this game and it wasn't until the ref made the silly decision of sending off a Waterford player that Armagh pulled away. It must have been a major disappointment to the Waterford team to see the stand in Walsh park 90% full of Armagh supporters especially when they new at least 15000 Waterford people travelled to Thurles the night before.

## LADIES FOOTBALL MUNSTER 2-11 ULSTER 2-4

Munster required the inter provincial trophy after seven years with an impressive victory over Ulster in Mullingar last Sunday afternoon and claimed the Provinces 14th title in the process. With eight Waterford players in the starting line they fully deserved victory after a powerful first half display.

The series saw 4 games of 30 minutes duration on the Saturday and Munster recorded victories over Leinster, Connaught and Ulster.

The final on the Sunday was between the top two sides and resulted in another clash with Ulster. A vintage move in the 2nd minute ended with Mary O'Rourke crashing home a goal. Patricia Donnelly twice, O'Rourke and the outstanding Mary O'Donnell soon added points and Munster were champions.

# DUNGARVAN GAA CLUB NOTES

## U-11 HURLING TOWN AND COUNTRY LEAGUE

Our U-11 hurlers were defeated by Middleton last Wednesday evening in an excellent game of hurling played in Middleton GAA grounds. The boys played Abbeyside on Thursday evening at a wind and rain swept Clogherane. Dungarvan were leading well at half time but conditions deteriorated in the second half and the referee wisely called a halt to proceedings and allowed both teams return to the shelter of the dressing rooms.

Our U-11 panel is Darren Duggan, Sean Murray, Craig Barry, Daniel McCarthy, Cathal Curran, Luke Egan, Ian Sheehan, Richard Walsh, Conor Sheridan, Eric Duggan, Sean Ryan, Adam Kelly, Colm Curran, Frank Duggan, Damien Coward, Ryan Donnelly, Michael McGrath, Shane Hickey, Johnny Barry, Nigel O'Riordan, Michael Power, Luke Rio.

## U-12 HURLING WESTERN CHAMPIONSHIP

Our U-12 hurlers played Lismore in the third round of the U-12 championship at the club grounds last Friday evening. Dungarvan led at half time 1-2 to 0-1 having played with the aid of the breeze. The second half was tough and competitive with both sides giving their all right to the final whistle.

Our boys played with great determination against the wind to secure victory 4-3 to 1-3. Our U-12 hurlers have qualified for the final of the Bord na nOg U-12 championship which will be played on the 21st June. We wish the team the best of luck in the final.

Our U-12 panel is Shaun Crotty, Craig Shead, Daniel Sheridan, Tomas Cleary, Eric Duggan, Luke Egan, Eoin Healy, Sean Ryan, Kenneth Moore, Craig Flynn, Colm Curran, Michael Byrne, Darren Duggan, Timmy Hart, David Houlihan, Jamie Coward, Adam Kelly, Shane Hickey, Brendan McCarthy, Ian Sheehan.

## U-13 HURLING SKILLS WINNER

Congratulations to David Moore, Hillview Drive, who won the West Waterford U-13 hurling skills competition last Wednesday evening in Cappoquin. David received a beautiful trophy - a deserved reward for his excellent skills. Neil Fitzgerald, Kilrush, finished fourth in the competition. Both boys will represent the club in the county finals which will be held in Mt. Sion on Wednesday 18th June. We wish David and Neil the best of luck.

## U-14 HURLING COUNTY CHAMPIONSHIP

Our U-14 hurlers will meet Lismore in the semi final of this

years county championship next Friday evening in Cappoquin GAA grounds. We wish the team and their mentors the best of luck and we hope they can make it through to the County Final.

## U-14 HURLING INTER-COUNTY TOURNAMENT

Our U-14 hurlers travelled to Cork recently to play in an inter-county hurling tournament organised by Mayfield GAA Club.

Dungarvan recorded wins over St. Finbarr's and Bishopstown and were defeated by Clare champions, Clonlara who were the eventual winners of the tournament.

## BEST WISHES

Best wishes for a speedy recovery to Killian O'Keeffe captain of our U-14 hurling team who was injured during the tournament in Cork. We hope to see him back in action soon.

## PRIMARY GAMES 2003

Congratulations to the Waterford Primary Schools team who defeated Limerick Primary Schools in Thurles on Sunday week last.

Kenneth Moore, Caseyville represented St. Joseph's Primary School with distinction. He played at midfield and his excellent sideline cuts were a feature of the game. Well done Kenneth!

# Stradbally GAA Notes

## SENIOR FOOTBALL

We recorded our third win in the league on Tuesday night when we had 5 points to spare over Ballinacourty.

Final score — Stradbally 4 05 Ballinacourty 2 06

**LATE DICK FITZGERALD**  
Last week brought the sad news of the passing of Dick Fitzgerald Ballinaslisla Bonmahon. Dick was a former player and won a Junior Football Championship with Stradbally in 1932. He kept a keen interest always.

Dick and his brother-in-law Paddy Hurley, played centre field in the 1932 team which brought the first championship success to the club.

Although injury kept him out of the five in a row team, he became involved in the club and was responsible for many great players from the Bonmahon area wearing the red jersey.

He served the club well, as a player and administrator for many years and his family presented a set of jerseys to the club in the thirties. The club extends its deepest sympathy to the Fitzgerald family and his many friends.

The 1932 winning Junior team is as follows T Wall, J Connors, J Power captain, J Whelan, J Corbett B Kirwan, D Kiely D Fitzgerald, P Hurley P Kiely, T Corbett, P Kirwan, T Keane, M Halpin, J Cummins.

## MUNSTER HURLING CHAMPIONSHIP

Waterford qualified for the Munster Final for the second year in a row following a hard earned win over Limerick on Saturday. This game never reached the excitement of the drawn game but a win is what was most important. Cork will be the opponents in the final after they had an impressive win over Clare on Sunday. Well done to Michael Walsh who came on as a second half Sub.

# FOURMILEWATER HURLING CLUB

## UNDER 11 HURLING

Fourmilewater Under 11 hurlers played two more games recently in the league. The first was played in Bushy Park against Brickeys and ended in a 5-2 to 2-4 victory for Fourmilewater. The score at half time was 2-0 to 0-2 in favour of the away team with both with goals coming from David Fitzgerald. Fourmilewater took control in the second half goals from David Fitzgerald, David Ryan and Jamie Barron and points from Shane Millfield and it ended in an easy victory for the homeside with young Lawrence Whelan having a good game. This is a very good team and they are getting better as every game is played. They still have a great chance in this competition.

## UNDER 12 HURLING

At the moment we are out of this competition due to being unable to fulfil our match with Tallow due to exam commitments, but we are not giving up hope yet. Here's hoping we can get back into it and decide it with a sliothior.

## LOTTO

We appeal to everybody to make an extra effort to support our club lotto as the price of equipment is frightening. It's one of the few ways we have of raising money and with all the underage activities going on at the moment, hurleys and balls need replacing fairly often, so come on folks, buy that ticket.

## MUNSTER CHAMPIONSHIP HURLING

Well, here we go again. Another Munster final. The match on Saturday wasn't as exciting as the first one but it was every bit as nerve racking. The important thing is that the match was won. Paul Flynn was once again brilliant. He is having a great year and will take stopping. Eoin Murphy made a good come back. And let's hope that Tony Browne and Andy Moloney recover from their injuries. There was another fine crowd in Thurles again even though it was too late. I really hate when matches are held late especially the 4:15 pm ones on Sunday. I know it is to facilitate the showing of the two matches on TV and I have no problem with that but what would be wrong with having the first match at 2pm instead of 2:30 pm then the second match could still be played at 3:30 pm. Anyway here's a message for Donal O' Grady and Cork. It took us 39 years to regain the Willie Walsh trophy and we're not giving it back. Up Waterford!!

## UNDER 13 AIB SKILLS COMPETITION

The above skills competition was held in Cappoquin and Fourmilewater's qualifiers were Darren Guiry, Alan McGrath and James McGrath. All three showed good levels of skill and did the club proud. This is a very worthwhile competition and it's something we must put more time and effort into in the future.

## DEISE DRAW

The June Deise Draw will take place in Kilmacthomas on Friday 27th June. This is a great draw with the main prize of 12,000e up for grabs. If you're not in you can't win.

## WATERFORD UNDER 21

Waterford Under 21 hurlers play Limerick in Kilmallock tonight, Wednesday in the Munster Championship. This is a big task for our team but hurling is strong in Waterford at the moment and it should reflect well here.

## UNDER 14

Fourmilewater had a fine victory last Friday evening in this competition over St. Mary's in Bushy Park. The final score was 2-12 to 0-2.

# Brickey Rangers G.A.A. Club

## BRICKEY MINI LOTTO

The lotto draw was held in Tommy Powers bar on Thursday last. Numbers drawn were 2-10-12. There was no jackpot winner. 20e winners: Maureen O' Donoghue, Martin Walsh, Richard Halpin, Pat Tutty. This weeks draw will be held in Bridie Dee's bar and the jackpot will be 1,650e. Tickets just

1.50e available from any promoter.

## CONGRATULATIONS

To Kay and John O'Connell on the birth of a baby boy recently.

## BEST WISHES

To all our local athletes competing in the Special Olympics in the coming weeks, also a big welcome to all our visitors from the Bahamas.

## AIB CHAMPION SKILL AWARDS

The Western Finals of this Skills Competition went ahead last Wednesday in Cappoquin. Seven clubs took part and it was great to see three girls from the Lismore club taking part. On the night scores were evenly matched and there was a play off for first, second and third. Eventually Finnan Murray was the overall winner. Ten now go through to the County Final in Mount Sion on Wednesday 18th of June. Thank you to all those who helped out on the night.

## MACDONALDS CATCH AND KICK SKILLS COMPETITION:

The County finals of this competition took place on Thursday 29th of May in Abbeyside. Twenty Five schools took part. On the day only one point separated first and second. St. Stephens De Le Salle Waterford were victorious and now go on to represent the County in Croke Park. We congratulate Adam Heaslip and

Eoin Madigan and wish them the best of luck on June 14th. To all the Schools who participated well done.

## SENIOR HURLERS

Well done to the Waterford Senior Hurlers on reaching the Munster Final with their narrow defeat of Limerick in the replay last Saturday. They now go on to play Cork on June 29th what a game this promises to be.

# ABBEYSIDE/BALLINACOURTY G.A.A. CLUB NOTES

## BRIDGE HOTEL SPORTS STAR AWARD

Belated congratulations to Mark Ferncombe on winning this prestigious award for the month of May. Mark won this reward for his magnificent display in the County U16 football final versus De La Salle. A member of a family who are steeped in GAA, Mark is also of course a grandson of the late Seamus O Brennaín who was a great servant of the club. Once again well done to Mark and apologies for not recognising this honour sooner.

## SENIOR FOOTBALL LEAGUE

On Tuesday last we travelled to Stradbally with only 6 of our championship team available. However, the young players who filled the breach on the night gave a great account of themselves against the back to back county champions eventually losing on a score of 4-05 to 2-07. Our cause was not helped by the fact that our manager had to referee the game as the appointed official failed to turn up. Also the support for the team on the night was most disappointing and we would appeal to our supporters to support all our teams.

Team: E. Walsh, J. Mullen, J.

Phelan, K. Browne, J. Kindregan, L. Hurney, S. Hanrahan, M. Fives, M. Lavan, M. Fives, J. Moore, R. McCarthy, S. Kiely, I. Kiely, P. Hurney. Sub: D. Cashin.

## JUNIOR HURLING

On Friday last we were due to play Tourin travelling to Tourin we were greeted with a deserted field as due to a mix up somewhere, Tourin believed that the game was due to take place on Monday.

## INTERMEDIATE HURLING

Best wishes to John Foley and the team who begin their championship campaign on Sunday in Ardmore against Clashmore. Our cause has not been helped by injuries to some players, so all support would be greatly appreciated in Ardmore on Sunday for a game which goes ahead at 2:00pm.

## COUNTY SENIOR FOOTBALL TEAM

Well done to Gary Hurney and Shane Briggs who were on the Waterford team on Sunday last against Armagh, whilst John Hurney made his senior championship debut here.

## COUNTY U21 HURLING

Best wishes to John Hurney who is on the Waterford panel for the game against reigning All Ireland champions Limerick on this Wed. night in Kil-

mallock.

## SPECIAL OLYMPICS

Don't forget that on next Wednesday evening, the 18th we will be hosting a group of athletes/helpers from the Bahamas in the club grounds. Everybody is very welcome to attend this function and as always any help on the evening would be greatly appreciated.

## TICKETS FOR MUNSTER FINAL

Anybody who requires tickets for this game must have their order with the club secretary, Bernard Shields by Friday June 20th.

## CAPTAINS PRIZE

Well done to Pajoe Lannigan on his victory in the Captain's prize in Dungarvan Golf club.

## CITY LEAGUE

On this Sat. we travel to De La Salle for the first round of games. This is our first time entering this competition and hopefully this will provide us with a number of top quality games.

## UNDER-8 FOOTBALL

In recent weeks we had a slight hitch with our club e-mail which meant that I couldn't access these notes. Hopefully this has now been sorted out and we will have regular updates on this group.

The second round of the U8 football blitzes was hosted by

the Brickey Rangers at Bushy Park last Thursday in ideal weather. In our opening game against near neighbours Kilrossanty we recorded a good win despite a lot of missed scoring opportunities. The second game we reversed the result of two weeks ago coming from behind to beat St. Olivers thus securing a place in the A final against the Brickeys. However on this occasion we had to settle for second place on the night but there was a marked improvement on our performances from the first round blitz.

Our panel of players was Brian Looby, Sean Daly, Robert Mulligan, Ronan Campbell, Stephen Fehily, William Quinn, David Sheehan, Aidan Moloney, Jack Mullaney, Lee Cummins, Lee Mulhearn, Eimear Fennell, Simon Lawrence, Patrick Collins, Martin Colivet, Sean Kiely and Cian Dwyer.

The final blitz in the 2003 series is scheduled to take place at our club grounds on 11th June. We have received first class hospitality in Kilrossanty and Bushy Park in recent weeks so we hope our catering committee i.e. parents of the U8 panel, will return the compliment next week. We'll be in touch.

# CLG COIS BHRIDE

## UNDER-12 HURLING

Cois Bhride U12 hurlers travelled to Ardmore last week and had another successful outing. Cois Bhride were well on top and were comfortable winners in the end.

## UNDER-10 FESTIVAL OF HURLING

Cois Bhride U10 hurlers were in action for the 2nd Saturday in a row when they contested the final stages of the Festival of Hurling in Ballyduff. St. Mary's of Clonmel were the opponents in the semi final, after a very close and hard fought game Cois Bhride were ahead at the final whistle. Holy-cross were our opponents in the final and again this was a tough contest but the Cois Bhride lads played some lovely hurling and were worthy winners of the final. Well done to all concerned - players, selectors, parents and Ballyduff for the invite.

Team: Sean Barry, Ray Barry, Ed Lonergan, Joe Leahy, Shane Roche, Kieran Fraser, Keegan O'Farrell, Paudie Aherne, Tomas O'Neill, Stephen Lucey, David Rafferty, Robert O'Sullivan, Robbie Beecher, Billy Buckley.

Scorers on the day were Joe Leahy (0-1), Shane Roche (1-1), Paudie Aherne (1-0), Kieran Fraser (1-0), Ed Lonergan (1-0). Well done to panel, selectors and drivers.

## PRIMARY GAME

Congratulations to Kevin O'Brien who had an outstanding game in Thurles in the Primary game.

lished Cois Bhride newsletter.

## UNDER-14 HURLING WESTERN FINAL WIN

Cois Bhride U14 hurlers played Fourmilewater in the Western final in Lismore last week. These two evenly matched teams served up a feast of hurling on the night. Our lads started well with the defenders working very tightly they kept the opposing forwards at bay. With our mid fielders winning the contest here there was a good supply into our forwards who duly responded with goals from Tomas Ryan and Barry Moroney. When Tomas Ryan tacked on two more points and was unlucky not to score more Cois Bhride were in control. Fourmilewater had different ideas however and they hit a purple patch before half time leaving Cois Bhride leading by just 2 points at the short whistle. On the resumption Cois Bhride picked up the pace again and once more they pulled away and seemed to be coasting but with time ticking down Fourmilewater stuck 2 in the net and narrowly missed another to make this a tension packed final few minutes but the lads held on and Cois Bhride team, selectors and supporters were glad to hear the final whistle when again we only had 2 points to spare. This was a good all round team display of determination, skill and discipline. This team had a great campaign this year having played a lot of games and put in good preparation before the season started and now have one trophy won and will contest the U14 County Championship

semi final this Saturday 14th v Tramore in Leamybrien at 3:30pm.

So get out there and give them your support.

Team: Sean O'Sullivan, Aaron Pratt, Bob McCarthy, Diarmuid Aherne, Kevin O'Brien, Keith McCarthy, Diarmuid Aherne, Philip Cunningham, Shane Feeney, Ger Heffernan, Kevin Curley, Kieran Geary, Donnachadh Mulcahy, Tomas Ryan, Barry Moroney, Mark Smith, Evan Sheehan, Michael Lucey, Joey Power, Tom Daly, Sean Casey, Oran Fitzsimmons, Ross Livingstone.

Scorers: T. Ryan 2-3; Barry Moroney 2-0, Kevin Curley 1-0, Kieran Geary 1-0, Shane Feeney 0-1.

## UNDER-14 SKILLS

Best of luck to Tomas Ryan who will represent Cois Bhride and Waterford in the Feile skills All Ireland in Cusack Park, Mullingar on Friday next 13th of June.

## UNDER-13 SKILLS

In the U13 skills competition held in Cappoquin last Thursday night Donnachadh Mulcahy and Kevin Curley qualified while Diarmuid Ahearne narrowly missed out.

## BALL ALLEY

Loretto tells me that the ball alley is going well and with the summer holidays coming up we hope to see more activity here.

## SUMMER CAMPS

Cois Bhride summer camps will go ahead again this summer with the football in August and hurling in July.

## SELECTORS

The selectors for the U13 hurling this year are Johnny Geary, Liam O'Brien and Tomas Roche.

## UNDER-16 HURLING

Training for the U16 hurling will commence soon and the selectors will be in touch with exact details.

## CROKE PARK TRIP

On Wednesday 18th June,

Cois Bhride will once again take the 6th class pupils from Tallow and Knockanore N.S. on a trip to Croke Park. This outing, organised by Frank Roche, was a great success last year and was enjoyed by everyone who went, young and old. The bus leaves Tallow at 8:30am and Knockanore at 9:00am to Waterford train station arriving in Houston at 1:35pm and on to headquarters for 2:30pm where they will also visit the museum.

## UNDER-14 HURLING TOURNAMENT

Cois Bhride U14 hurlers have been invited to take part in a hurling tournament organised by the Shamrocks club on the 21st of June. The tournament is part of the 50th anniversary celebrations of the Shamrocks hurling and football club.

## TICKETS

Any paid up club members looking for tickets for the Munster final should contact Runai Maureen Roche 058 56687.

With the playing season now well under way it's great to see so many of our players getting on with the job in hand which is playing our games. Of course this would not happen without good organisation beforehand by a hard working committee. At the start of the year ever before a ball was struck Cois Bhride officers drew up a panel of selectors for every team that we put out. These selectors give up their free time to get teams prepared and a lot of effort goes into this. To ensure the club keeps going in the right direction our full co operation and help made their job as easy as possible.

## MUNSTER FINAL

Congratulations to the Waterford Senior Hurling team who qualified for the Munster Hurling final by beating Limerick on Saturday last. Our opponents are near neighbours Cork so it should be a cracker.

## SHAMROCKS G.A.A. CLUB NOTES

### Intermediate Hurling Western Championship

At Ardmore on last Sunday evening, we had Ring as opponents in the 1st round and after a good spirited display of hurling we emerged winners on the score Shamrocks 1-13 Ring 1-3.

Team: L. Murphy, T. Hickey, M. Ryan, B. Hogan, L. Dalton, John O'Donovan, J. Baldwin, D. Casey, Tom O'Donovan, G. Nagle, D. O'Neill, E. Murphy, K. O'Keefe, S. Murphy, P. Tobin. Subs used: T. Baldwin, K. Murphy, P. Murphy, J. Murphy.

### Congratulations

To Waterford Senior Hurlers on their victory over Limerick in the replay of the Munster semi final at Thurles on last Saturday evening and we now look forward to a final meeting against old rival Cork in 3 weeks time. We were delighted to see Eoin Murphy back on the team again after injury, and giving a sound display. On Sunday evening he lined out for us against Ring and was our principal scorer in that game.

### Jubilee Celebrations

On this Friday and Saturday a golf classic will take place at Lismore Golf Club. This classic will be open to ladies and gents, with teams of 3 taking part. The entrance fee per team will be 120e, including a meal. We look forward to an excellent weekend of sport.

# Ardmore Grange Ladies Football Notes

May 27th was a very sad day for the Ardmore/Grange Ladies Football club when we heard of the untimely death of our chairman Noel Faherty. Ar Dheis Dé go raibh sé. Our club members showed how much love and respect they had for Noel when they donned the blue and white jersey and showed up in large numbers to form a guard of honour when Noel's remains arrived from Drohan's funeral home to Ardmore Church.

Noel was a great ambassador for Ladies football, and was not only our Chairman but the backbone of the club. He was on the ball in every sense of the word as a mentor for club and County, as well as organising and supervising youth discos which were held in Ardmore hall. Noel could be even seen on Saturday mornings helping to put back the art which had to be removed to allow the disco to be held.

He worked tirelessly for the club, even from his hospital bed Noel was on the phone inquiring and advising about the running of the club. Bingo is still ongoing thanks to our beloved Noel and his loyal club members.

His greatest hour of achievement was the victory in the under 14 All-Ireland Final in 1998 when four of our girls were involved in the County. He transported many a girl to County training and represented us brilliantly at County Board meetings. He was never afraid or slow to give his opinion whether as a delegate or as a selector.

Noel had a great passion for ladies football both at club and County level, and his one wish would be for success and victory. The best tribute we could pay Noel now is for our club to go from strength to strength and all our players both past and present to come together and win a title or two for the Ardmore/Grange club.

Ladies football at both club and County level will be all the poorer for the loss of Noel Faherty. Go raibh maith agat Noel agus slán leat. To his family and friends we send our deepest sympathy.

## ARDMORE/GRANGE v COMERAGH RANGERS

The Under 14 B championship got under way last Monday night in the Ardmore pitch. Our opponents on the night were Comeragh Rangers. We were lucky the night was fine with little or no wind. Having withstood a pile of pressure from the opposition in the first few minutes of the game our girls settled very well for the first game of the Season. We took some lovely scores and were looking good going into the second half of the match.

Our girls gave it their all and with just a little more match practice and fitness we should do very well in the championship. Comeragh Rangers came out on top in this encounter, but we look forward to meeting them again. Thanks to Mary O'Rourke for refereeing the match and doing an excellent job.

The panel were as follows:

Clodagh Cronin, Anne-Marie Barron, Mary Lenane, Denise Conway, Josephine Fitzgerald, Mary Smith, Aisling Foley, Katy Troy, Colleen Hurley, Aisling Hurley, Michelle Cronin, Maeve Hickey, Kate Glavin, Bridget Lenane, Grainne Keating, Elaine O'Mahony, Grainne Byrne, and last but by no means least Marian Flavin.

Congratulations to the Waterford Senior hurlers on winning the Munster semi final against Limerick which of course included the Prendergast brothers Seamus & Declan. Well done lads.

Training continues every Wednesday night at 7 o'clock for U14's minor and juniors. Still a few outstanding registration fees to be paid.

# Shamrocks Easy Winners

I.H.C.  
Shamrocks 1-13  
An Rinn 1-3.

Shamrocks, as expected, ran out easy winners in this Western Intermediate Hurling Championship tie played before a big crowd in Ardmore on Sunday evening.

The game was of the rough, uncompromising variety, although the standard left a lot to

be desired.

The appearance of county star Eoin Murphy who only 24 hours previously had assisted Waterford to a place in the Munster final, was a tremendous boost to the Knockanore side. Murphy provided much inspiration and amassed a great

personal tally of eight points. Other scorers for Shamrocks were S. Murphy 1-0, P. Tobin, D. Casey, T. Donovan D. O'Neill, T. Baldwin 0-1 each.

Eugene Curran 1-2 and L. De Gras 0-1 replied for the Gaeltacht side. Shamrocks led by 0-8 to 1-1 at the break.

Players to shine for Shamrocks included John O'Donovan, Dan Casey, Sean Murphy, Liam Dalton and Tom O'Donovan.

Ring were best served by Liam De Gras, Sean O h Artaigh, Eugene and Liam Curran Noel and Cillin O'Murchu.

This was a well deserved victory for Shamrocks who prepared well for what is their centenary year. An Rinn have plenty of scope for improvement.

Teams; Shamrocks; Liam Murphy, Tom Hickey, Mike Ryan, Barry Hogan, John Baldwin, John O'Donovan, Dan Casey, Graham Nagle, Dan O'Neill, Eoin Murphy, Ciaran O'Keefe, Sean Murphy, Padraig Tobin.

An Rinn; P. O' Cathain, S. O hArtaigh, L. O'Muiri, G. Breathnach, N. O'Murchu, L. O'Curraon, L. De Gras, E. O' Curraon, C. O' Murchu, C. O' Conchubhair, S. Mac Craith, R. O'Turraoin, T. Breathnach, D. Breathnach, A. O'Ceallaigh.

Referee Pat Walsh, Fourmilewater.

## Other Intermediate Games

The other three intermediate hurling championship games as

scheduled also took place on Sunday.

## St. Marys 1-11 Dungarvan 1-11

This was an unexpected result as the St. Marys team were understrength due to examinations and injuries. A request for a postponement was not granted.

The game produced a splendid contest with a draw being a fair result. The clubs will now have to meet again to decide which team goes to the winners or losers group.

## Colligan 1-13 Geraldines 0-13

Not a bad result for the Aghlish team who were playing their first match in this championship following their promotion after winning the county junior championship last year.

Colligan played well too and are satisfied that they can improve.

## Cappoquin 2-14 Ballysaggart 2-8

This was the replay of the exciting drawn first round game and Cappoquin showing improvement ran out deserving winners by 6 points.

The standard on both sides was good and this was an enjoyable contest.

Cappoquin will now meet neighbours Lismore but the game may have to wait until Lismore have played their first round of the senior championships.

## Under 21 Hurlers Play Limerick

Our county under 21 hurling squad will travel to Kilmallock on this Wednesday evening to take on Limerick who are entering their fourth season as unbeaten Munster and All Ireland under 21 hurling champions in the first round of this championship.

Since winning the All Ireland eleven years ago we have made little progress in this grade, even though we had our share of near misses. Two seasons ago we defeated Tipperary before losing to Cork and last year in Thurles we lost to Tipperary (2-14 to 2-11) after a great contest.

This year the selection committee have again scoured the county for talent and have put in a lot of training, playing several challenge matches even though their campaign had a late start.

Not having played in Kilmallock before the members of the panel were hoping for a trial run there last week, but Limerick county board could not accommodate on the night on which they intended travelling.

The team, published over the weekend includes several of last years team and looks a strong side and on reading it, supporters will feel reasonably confident of winning. Limerick's outstanding player Andrew Shaughnessy who missed the senior game on Saturday, is a likely absentee because of the leaving certificate examinations.

## Waterford Team

Ian Regan (Mount Sion)

Shane Kearney (Lismore) Willie Kiely (Colligan) Denis Coffey (St. Marys);

Mark Mears (Clonea) Aidan Kearney (Tallow) Kenny Stafford (Mount Sion)

Michael Frisby (Mount Sion) Michael Walsh (Stradbally)

Eoin Kelly (Mount Sion) Eddie Rockett (Portlaw) Christy Morrissey (Clonea)

Paul O'Brien (Tallow) Sean Ryan (Mount Sion) Shane Walsh (Fourmilewater)

Subs. D. O'Rourke, Cappoquin; I. Power, Mount Sion; G. Quinlan, Roanmore; B. Raggett, St. Mollersans; E. Galvin, Portlaw, J. Wall, Colligan; W. Henley, Tallow; R. Connery, St. Olivers; J. Hurney, Abbeyside; T. Kearney, De La Salle; P. Veale, Dungarvan; P. McGrath, Mount Sion; L. O'Donnell, De La Salle; L. O'Neill, Roanmore; C. Geary, Tallow; Paul Kearney, Tallow is on the injured list and not available for selection.

The selectors are, Eddie Cunningham, Peter Power and John Quinn, Mount Sion.

## SENIOR HURLING CHAMPIONSHIPS

A full round of matches were fixed for the coming weekend, but as the Munster Final is but two weeks off and the county panel have a number of injury problems, it is now very likely that these fixtures will be deferred until July.

## County Board Meeting

Because of the many pressures relating to intercounty matters including the distribution of tickets, etc. it was decided to defer the June meeting to next Monday night, June 16th. There will be no meeting in August because of holidays, etc. etc.

The agenda will include information on the financial state of the county board, a report on the championships and leagues and the S.R.C. report will be discussed.

## Cork On The Double

Waterford will now play Cork in senior and intermediate hurling, but not on the same programme. Cork defeated Tipperary in the intermediate hurling semi-final on Sunday and will play Waterford in the Munster final, probably at Thurles on July 16th or 17th

## Under 21 Football v Clare In Walsh Park

This is fixed for Wednesday evening of next week. Last year, Clare were also our opponents and the game was decided at the Ennis grounds. Waterford played very well, but conceded two goals very much against the run of play and came home beaten on a scoreline of 2-12 to 0-12. The team will be selected in time for publication in next week's issue.

## Intermediate Hurling

The Western board had hoped that Sunday next would see the first rounds of this championship completed, but because Lismore will not have played in the senior championship, their intermediate team will be unable to field out against Cappoquin/Ballysaggart.

## Abbeyside v Clashmore

This game will go ahead at Ardmore at 2 pm on Sunday and while Abbeyside will be fancied to advance, Clashmore with a fair sprinkling of fair good hurlers will be no push-over.

Last season, Abbeyside reached the divisional final and giving their poorest display for a long time, went under to Ardmore who won the divisional and county honours.

## GERALDINES G.A.A CLUB NOTES

**Lotto Result:** There was no winner of our Lotto Jackpot worth 650 euro. The numbers drawn were 5, 12 and 23. The following were the winners of 20 euro. Steven O'Donovan, Dungarvan; Frank Keating c/o Cards, Tony McCoy, Villierstown; Ann Cotter, Cappoquin; Mary Longan, Keereen. Next weeks Jackpot will be 800 euro.

**Intermediate Hurling:** This was a game we could and should have won but a combination of conceding too many frees and not taking our scoring chances resulted in a three point defeat. However if we can learn from the mistakes made in this game then it wont have been a complete waste. Final score was Colligan 1 - 13, Geraldines 0 - 13.

**Intermediate Football:** We are down to play Ballinameela in the first round of this competition on Sunday the 21st of June. This match takes place in Cappoquin at 2pm.

**Munster Final Tickets:** Anyone interested in getting tickets for the Munster Final please contact Donnacha Tobin as soon as possible as tickets will be given out on a first come first served basis.

**Congratulations:** Congratulations to Pat O'Donovan and Honor Meagher who recently announced their engagement. We wish them both a long and happy life together.

## Underage Concession

Under 12 players who have commenced playing at under 16 level and under 14 players who have started at minor level may continue to assist their clubs while the teams in which they playing, are still in the 2003 championships. This concession applies to championship only.

Congress imposed limitations on underage grades in April last when the juvenile championships in most counties were already underway.

## TASK FORCE

The President, Sean Kelly has announced that within the next few weeks he will appoint a Task Force to examine the championship structures.

This is obviously in response to the expressed feelings of counties that they are unhappy with the present structure. Having to play senior intercounty championships on three successive weeks could not possibly be regarded as being satisfactory. The proposals of the committee will likely be put to Congress in Killarney next year.

The running of the national leagues is a matter, too, that needs to be looked at. The decision to play them both within the calendar year is now working to the satisfaction of all counties.

Any system which has a national league final played just one week before the commencement of the All Ireland championships must be unsatisfactory. Reverting to the old system and playing a couple of rounds of the league in October/November would certainly help in this regard.

## New Players Committee

The Players Advisory Group which was set up by the retired President, Sean Mac Caigne ended their term at Congress and a new group to replace them will be named soon. In this instance, the members will be elected rather than being appointed, the elections will probably take place within the next few weeks. They will have a representative on the Central Council.

## FRAHER FIELD

Club officials and individuals collecting tickets at Fraher field on Thursday and Friday last were able to examine the scale of drainage work carried out over the past five weeks and very few of these were not surprised that a programme of work of this magnitude could be achieved in such a short time. The contractors have gone from the venue for the past three weeks and the ground is now in tip-top condition and having been 'rested' for 8/10 weeks will reopen for matches, probably in mid August.

The cost involved (approximately 57,000 euro) will be borne by the county and divisional boards with a generous grant from the Munster Council.

A similar type drainage development will be undertaken at Walsh Park commencing in October/September next.

## SYMPATHY

Jim Hennessey, Irish Language and cultural officer was very recently bereaved through the death of his brother Christy Hennessey in Waterford city.

Also the family of Jim Hurley former Kilgobnet and St Garvan's hurler. Jim played at corner back on the Kilgobnet junior hurling team which won them the county title back in 1962. To the families of each we offer our sincere sympathy.

# Waterford Well Beaten by All-Ireland Champions Armagh

## Action From Walsh Park

Waterford's Connie Power beats Armagh's Kieran McGeeney.

### FULL STRENGTH AND DETERMINED ARMAGH TAKE NOTHING FOR GRANTED Armagh 2-21 Waterford 0-8

Armagh who won their first ever All Ireland football final when defeating mighty Kerry in a memorable game in Croke Park in September last, came to Walsh Park on Sunday fully determined to get back into a winning vein following their shock defeat by Tyrone in the Ulster championship five weeks ago. Although meeting a county with a very poor football record, they came here at full strength and determined to take nothing for granted in their bid to get back into contention in the campaign to retain the Sam McGuire Cup.

Their supporters also came down in strength and it was estimated that their followers outnumbered Waterford by about two to one in the 3000 attendance.

#### GREETING

On entry to the pitch, the Northern champions were given a tremendous greeting by

the crowd and were saluted by the Waterford players in acknowledgement of their overdue rise to football fame last year. The Armagh players responded appropriately.

Taking an overview of the game, one could say that the gap in standards was clearly illustrated in the final scoreline. This was to be expected when the All Ireland champions were pitted against a side who are finding it difficult to get off the bottom rung of the football ladder.

In spite of the different standards, Waterford played some good football and fought courageously for the 70 minutes of the game which was enjoyed by the crowd many of whom saw several All stars, like Oisín and company in action for the first time.

#### PLAY

At the end of the first quarter Waterford trailed by just a single point (0-4 to 0-3) and the visiting champions, feeling their way so to speak, were finding it difficult to stamp their authority on the match.

Mark Power had opened for Waterford and our third point, judged to be one of the best in the game came from the boot of Gary Hurney who was to contribute half our total.

By halftime Waterford were 5 points behind, 0-11 to 0-6 and this was not too bad against the All Ireland champions in football.

#### SECOND HALF

It was not too long before Armagh stamped their superiority on the game and having asserted themselves sent in the points and goals in fairly rapid succession to win a handsome victory over Waterford who, though well beaten, chased every ball and never gave up the hunt.

The home team finished without Andy Hubbard who picked up a couple of yellows and a red card, giving away a penalty which resulted in a goal for the winners after Oisín Mc-

Conville gave P. Houlihan no chance in the Waterford goal.

Scorers; Armagh. O. McConville 1-7, S. McDonnell, 1-4, D. Marden 0-3, P. McKeever 0-3, A. O'Rourke, B. O'Hagan, P. Loughrain, P. McEntee 0-1 each

Waterford. G. Hurney 0-4, C. Power 0-2, M. Power and K. O'Keeffe 0-1 each.

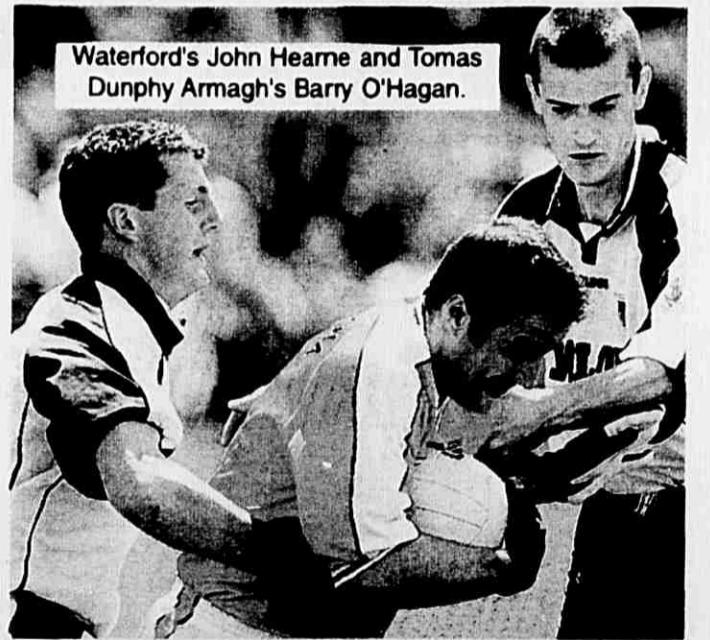

Armagh; P. Hearty, A. Mallon, J. McNulty, F. Bellow, A. O'Rourke, K. McGreenary, A. McCann, P. Loughrain, P. McGrana, D. Marsden, B. O'Hagan, O. McConville, S. McDonnell, R. Clarke, T. McEntee.

Waterford; P. Houlihan, M. Crotty, G. Hayes, J. O'Reilly, E. Rockett, T. Dunphy, S. Briggs, K. O'Keeffe, A. Hubbard, G. Hurney, C. Power, J. Coffey, J. Hurney, J. Hennessey, M. Power. Subs played. W. Hennessey, L. Hayes, J. Hurney, K. Coffey, E. Walsh.

## MUNSTER SENIOR HURLING SEMI FINAL REPLAY

# Waterford Survive In Very Tight Contest

Waterford team and panel members who defeated Limerick in the Munster senior hurling semi-final replay at Thurles on Saturday evening last.

The standard was not nearly as good as on the previous Sunday at Semple Stadium in Thurles, but the tension, and excitement were every bit as intense as the teams battled to win a place in the Munster final against Clare/Cork on the last Sunday in June.

In a nail biting and nerve wrecking finish the crowd of almost 29,000 held their breath while the ebb and flow of the game moved perilously in both directions before referee Dicky Murphy whistled the game to a finish at a quarter to eight.

In a match that will require much analysing before the line out for the Munster final is decided and I know that the video of the replay will be studied and analysed before the management team settle on the team which will line out to defend our title is decided.

#### Paul Flynn The Star

The input of man-of-the-match, Paul Flynn into this replay is something that will shine out in the records for as long as interest in hurling remains. His overall contribution

of 1-7 on Saturday added to the 3-3 on the previous Sunday is something that must surely win him an All star this time round. Perhaps the Ballygunner man's under pressure, equalising point from 110 yards in the drawn match against Limerick will be named as the outstanding score of the 2003 championships.

#### A Different Game

Those who believed that the replay would not match the drawn game in any respect, certainly got it right and from an early stage it was obvious that it was going to be a tight closely marked contest. The ball moved less freely and there was a lot of 'bunching' by players, obviously bent on restricting the movement of the opposition. This made it less exciting as a spectacle and so incomparable with the drawn game that there were, in some quarters, a down grading of the team's capabilities.

This is no harm at all as it will help in bringing our supporters back to earth in the run up to the Munster final against Cork in Thurles on June 29th.

## Waterford 1-12 Limerick 0-13

#### The Game

Both teams made changes from the previous day, with Limerick dropping five of the side which started in the drawn match.

Waterford made two changes, bringing on Peter Queally and Eoin Murphy for Seamus Prendergast and Alan Kirwan.

Each team showed positional switches and when the game started neither team looked like what was published on the match programme.

Waterford lost its shape completely with changes all over. Ken McGrath was placed at full forward and Andy Moloney moved to right half forward and Eoin Kelly taking over at centre forward.

There was a change at mid-field where Tony Browne was partnered by Peter Queally who was moved from the halfback line. There were switches too in the defence.

As on the previous day, Waterford played against the

breeze.

Limerick were first to score when Conor Fitzgerald pointed a free. A minute later Eoin McGrath pointed from play before Eoin Foley and Brian Begley brought their total to 3 points, both from play. Dave Bennett hit over from a free and then sent wide from another free. Paul Flynn from his first effort sent wide. Tony Browne who had been playing well was injured and substituted by Seamus Prendergast. Eoin Kelly sent wide from what was a very scoreable position.

Ciaran Carey who was recently described as 'probably the most popular player to ever wear the Limerick jersey' substituted Clement Smith and was given a huge greeting. Paul Flynn's free brought the teams level in the 17th minute.

Then Waterford hit the front for the first time when Paul Flynn caught an Eoin Kelly sideline cut and rounded his marker for a smashing score that proved to be the only goal of the match in the 23rd minute. The next three minutes saw Paul Flynn and Eoin Foley exchange points from play and in the next 4 minutes Dave Bennett and Pat Kirby exchanged scores from frees. Eoin Foley in the 34th, and Paul Flynn in the 37th, minutes had scores from placed balls to leave the halftime tally at 1-6 to 0-6 in favour of Waterford.

#### Second half

In the opening minute John Mullane sent wide. Paul Flynn 6th minute, Brian Begley 8th minute and Eoin Foley 9th minute had points to leave just 2 points between the sides.

Michael Walsh replaced Dave Bennett and Dan Shanahan came on for Andy Moloney. Shortly after his entry Dan Shanahan received a ball from

Paul Flynn which he sent over from a rather difficult angle.

Two points from Flynn and one from Conor Fitzgerald left Waterford 4 points clear (1-10 to 0-9) in the 20th minute. But Limerick were not prepared to let go and a splendid Ciaran Carey point reduced the gap to three points again in the 22nd minute. Dan Shanahan sent wide and Eoin McGrath replaced Peter Queally, Conor Fitzgerald and Paul Flynn exchanged points with Eoin McGrath and Conor Fitzgerald doing likewise in the 34th and 37th minutes.

Fitzgerald with a 38th minute point had the final say with a point that left a 2 points gap when referee Dicky Murphy blew full time to the relief of thousands of breathless Waterford supporters

#### Wides

The tally here was 14 wides for Limerick and 13 for Waterford. Looked at in another way,

we had the same number of wides as scores and Limerick had more wides than scores. It was the first time in championship or league this year that Ken McGrath failed to get his name on the scoreboard. Twelve of the 25 points in the match were scored from frees (six each)

Scorers; Waterford P. Flynn 1-7, D. Bennett 0-2, E. Kelly, D. Shanahan, E. McGrath 0-1 each. Limerick C. Fitzgerald 0-6, E. Foley 0-3, B. Begley 0-2, P. Kirby, C. Carey 0-1 each.

Waterford: S. Brennar, B. Greene, T. Feeney, E. Murphy, D. Prendergast, F. Hartley, J. Murray T. Browne, P. Queally, A. Moloney, E. Kelly, D. Bennett, J. Mullane K. McGrath, P. Flynn. Subs. S. Prendergast for T. Browne, M. Walsh for D. Bennett, D. Shanahan for A. Moloney E. McGrath for P. Queally, P. O'Brien for J. Mullane.

## WATERFORD BRANCH

### President Visits Branch

Club President John O'Shea visited the branch a couple of weeks ago and a fabulous night was had by all. No one left without an autograph and photographs were optional.

We must once again compliment John on his willingness to give so freely of his time and energy.

He was welcomed to Lawlor's by Mr. Michael Burke, owner and Pat Grant Snr. our Chairman. When he entered the hall he was met with deafening applause. Pat gave a short speech followed by John and he spoke of 'the honour of playing for Man United and that he hoped it

would be a regular jaunt to Dungarvan to meet our members every close season".

He was quick to acknowledge our branch gave him his first accolade last season in making him President and the rest as they say is now history.

#### MEETING

There will be a committee meeting on this Friday night at 7.30 sharp to be followed by a general meeting. All members who have photographs to collect are asked to attend and all photos are priced at 12.50 euro.

Section D. Winners AIB Bank (Karl O'Doherty) Runners up G.S.K.

Well done to all the teams who participated this year. We hope to have a few new members as a result of this competition. We will be running Fun Nights through the summer so watch this space for more information.

## WEST WATERFORD ATHLETIC CLUB NOTES

# Munster Senior Track And Field Championships

### P.B. FOR JAMIE COSTIN

At the Munster Track and Field Championships which were held in Cork last Sunday West Waterford athletes were among the medals with some outstanding individual performances the order of the day. In the 1 k walk West Waterford's Olympian Jamie Costin once again proved why he is one of the country's outstanding elite athletes in this event, taking the title in an incredible fast time of 40.52 setting himself a new P.B. by exactly 1 minute. Jamie is in top shape at present in a year when the I.A.A.F. World Championships are being held in Paris from August 23-31, where he will be competing in his favorite event the 50k which this year he also recorded a P.B. when reaching the "A" qualifying time in Naumburg in April covering the 50k in 3.53.58. He presently is at home and giving his training regime 100%, we wish him well with his final preparations for Paris.

### ROCKET IS BACK

Another West Waterford athlete made a triumphant return to competition at the championships, when hammer thrower Donny Rockett who hadn't competed for over 12 months proved that he is as good as the best when he recorded a fine gold medal winning performance in his chosen event. It's great to see Donny and Stephen Dunne (who was 4th in the Javelin) competing for their club again last weekend these boys will be a huge asset to the club for the upcoming Mazda Leagues next month. Keep up the good work.

### LIAM HOULIHAN ANOTHER GOLD

Liam Houlihan kept the clubs great tradition in the pole vault going at last Sunday's championships when he won gold. Coached by Br. Patrick Lennon, he is improving greatly this year at this very technical event. Michael Murray also travelled with the team to Cork but he didn't compete as he is presently nursing an injury, but he will be in back in full health for the leagues next month.

# 1st Annual Kilmac' Mid-Summer 10k Race

The first annual Kilmac mid-summer 10k road race and 5k walk/run will be held on this coming Sunday June 15th with a 3 p.m. starting time. All proceeds from the run will go to the local Juvenile G.A.A. club and the event committee includes members of West Waterford AC Pat Hennessey, Nicola and Michael Dee and Jenny Kirwan, so it is hoped that as many of our club members as possible will go down and support our fellow club members in their efforts in organising this race.

Entry fee will be 8 Euro and a T-shirt will be presented to each

finisher. Their will be individual prizes for 1, 2 and 3 male and female in both the 10k and the 5k and their will be three team categories 1st athletic club, 1st G.A.A. club and 1st Pub team with three persons to score on each team. In addition on the day there will be plenty of spots drawn among all finishers. The course takes in two laps of the village and entries will be taken at the G.A.A. Centre in Kilmac where changing and shower facilities are also provided. Presentation of prizes and refreshments will be provided at Kirwans Bar after the race. See you there!

Group of West Waterford athletes ready for the off on their long Sunday morning run in preparation for AAI National Half Marathon Championships which is being held in Dungarvan on Sunday, August 31st next.

## CLUB CONSITUTION

Much work has been going on behind the scenes over the last couple of months on the structure of the club and many proposals and changes are being looked into by the sub committee headed up by John White. Part of this committee's brief was the drawing up of a club constitution which is now ready after much hard work by the group. A special club meeting will be held in the near future to hopefully ratify this constitution. Anyone who would like to have a read of this important document will have the chance to do so by clicking onto the club web site at [www.WestWaterfordAthletics.org](http://www.WestWaterfordAthletics.org) and they may submit any changes they think should be made for consideration by the sub committee. We will keep everyone informed about the e.g.m. shortly.

## RAS NA RINNE

# Waterford Raceway

Sunday 25th May saw the Waterford Club host the first All-Ireland Qualifier for the 2003 Final. The Qualifier commanded one of the largest attendances in recent memory and exceeded all previous meetings this year. Drivers from across the country made the journey to Dungarvan to light up the Raceway with some fantastic displays of speed and control and with approximately 150 cars on show the crowd were kept entertained all day long.

The results of Sundays racing went in favour of several club members who managed to fend off the challenges provided by the visiting drivers. Class 1 went to Willie Houlihan in both races while Class 2 went to Paddy Sinnott and Willie Bumster. Class 3 was as popular as ever and was split into two groups as a result. Charlie McNamara and Jason Ryan took the victories in the first round with Charlie repeating the feat later in the day.

It was on Class 4 however that the attention was focused as two extremely quick drivers were drawn together on the grid. The incredibly fast Toyota of Cork man John Shanahan was pitted against the equally rapid Fiesta of Brendan O' Leary. Powered by Honda and Rover engines the two cars remained nose to tail and at times door to door as they hurtled around the track. It was Shanahan who emerged victorious in the end as his Toyota held off the orange car of O' Leary.

Class 5 went to the Starlet of Shane Crowley in the first heat with the screaming Honda of John Roche taking the win in the second round. James O' Rourke took Class 6 with the Volkswagen of Brian Whelan clinching victory in the following race. The Ladies races went to Niamh O' Callaghan in class 1&2 with Ellen Sugrue the winner in class 3&4.

The junior class was introduced almost five years ago to cater for the demand of the younger generation throughout all the clubs and since its inception it has expanded into an extremely large class with bumper grids at every event. The qualifier saw thirty-seven junior drivers play a part in the proceedings and contrary to popular belief they successfully completed a total of 90 laps without any incident or accident, showing up the senior drivers. Split three ways to ensure fair competition the winners in each junior heat were David Curran, Steve Bumster and Richard Hamey.

**WATERFORD SCHOOLS MEDAL WINNERS** — Back from left: Sarah Preston (javelin), Lorraine McCarthy (1500m), Niamh Kennedy (high jump), Ciara Mulcahy (javelin), Niamh O'Donovan (100m), Una Powe (high jump). ## WEST WATERFORD JUVENILE ATHLETIC CLUB NOTES

# All Ireland Schools Titles For David McCarthy & Sarah Keane

On Saturday last all roads led to Tullamore for the highlight of the schools athletics calendar the Kit Kat All Ireland Schools. Athletes gathered from the four corners of Ireland all to compete for their prestigious title. Competition was keen as only the top three from each province go forward to contest for the All Ireland title. The sun shone on the day and Tullamore Harriers track was decked out in its finest to greet the athletes. Competition got under way at 9am and finished the relay at 6:15pm. Four of the local schools were represented at this event: Ardscoil na nDéise, St. Augustine's, CBS and St. John's. There were two West Waterford winners David McCarthy ran a well judged tactical race in the Junior Boys 1,500m and stayed with the race leader until 250m to go when he kicked into another gear to win the race completely. The surprise of the day was Sarah Keane's (St. Augustine's) gold medal. Sarah who has improved with every entry finished 4th in Munster and was lucky to make it through to the All Ireland finals. She showed she was well able for this standard of competition and a personal best performance saw her take the gold medal. Earlier in the day Sarah took a bronze in the Pole Vault and in the same event Lorraine Walsh took a silver medal.

## FIRST ALL IRELAND MEDAL FOR DONNA NAGLE

In one of the first events of the day, the Junior girls Hammer, Donna Nagle (Ardscoil) added over 5 metres to her best throw to take her first ever All

Ireland medal when she finished in third position. Others to come close to medals in the day were Diarmuid O Foghlú (4th in the Junior boys pole vault), Eadaoin Ashe (4th in the Junior girls discus), James Ledingham (5th in the Senior boys 1,500m), Fiona Herlihy (8th in the Junior girls walk). Well done to all who competed on the day.

Next weekend a small number of our younger athletes make the trip to Castle Island for the Munster 9-14 championships. With over 1,300 athletes entered over the two days competition will be keen. Well done to club members Shona Curran, Eimear Scanon, Julia Buest and Elma Nugent who are members of the U14 Ladies football team which beat Limerick last weekend in the Munster semi final, also to Mark Shalloe who got a great goal in Thurles in the Primary game.

On Monday June 2nd our juvenile athletes travelled to Mitchelstown to take part in the Fanahan McSweeney sports. Although only a small number of athletes were there, we came away with a good number of medals and were narrowly defeated for the over all trophy.

Boys: 100m U11: Michael Tutty 1st; U13: Alan Landy 3rd; U10 300m: David Early 1st; U13 High Jump: Alan Landy Joint 3rd.

Girls: 100m U11: Lisa Houlihan 2nd; U14: Emer Scanon 2nd; Lorraine McCarthy 3rd; U16: Deirdre Duff 3rd; U17: Sarah O' Brien 2nd; Senior Women: Sarah O' Brien 1st; U11 300m: Lisa Houlihan 1st; U14 600m: Lorraine McCarthy 1st; U16 900m: Deirdre Duff 1st; Senior Women: Sarah O' Brien 2nd; U16 900: Deirdre Duff 1st; U11 Ball Throw: Zoe Scanon 1st; U15 High Jump:

Midie Duff 3rd; Senior Women shot Sarah O' Brien 2nd.

We had five teams in the relay and these turned out to be very exciting. In the boys U10 David Early, David Sweeney, Ronan O' Neill and Jason Nagle did some great running to win this event by a big margin over the other teams. We also had gold medals in the girls U14 relay: Lorraine McCarthy, Ciara Dwyer, Julia Buest, Emer Scanon. The mixed team of Alan Landy, Mark Early, Kayleigh Fraher and Muriel Moore in the U14 worked well together to finish

3rd place. The U10 team of Kate Veale, Martha Cosgrave, Ciara Scanon and Aisling Fox were unlucky not to be in the medal position, finishing in fourth place after great running by Aisling in the final leg of the race. The U12 girls team also finished in 4th place: Zoe Scanon, April Duff, Lisa Houlihan, Amy Duggan.

It wasn't just the young athletes who took part in sprints during the day. Well done to the two "Mums" who ran a great race in the 100m and looked after the younger athletes on the day.

# Cappoquin Camogie Club News

Well done to our Under 14's who did us proud even though they were not placed in the League.

Our first three matches against Portlaw, Tramore & Dunhill were played in deplorable weather & pitch conditions but despite this the girls played exceptionally well and were only beaten by one or two goals on each occasion. In the matches against Portlaw & Tramore they were the better team but unfortunately Lady Luck wasn't shining in our direction.

On Saturday the 17th we travelled to Tallow at 9.30 in the morning - needless to say this early start was a bit of a shock to the girls as most of them would be usually still tucked up in bed at that time on a Saturday morning. But it was well worth the early start as at long last they emerged the winners on the day - on the following Tuesday the 20th they again emerged the victors against St Saviours. Well done to all the girls concerned.

Camogie training will be suspended for the moment due to exams - training will recommence on Tuesday the 24th June at 6.15 pm for all ages. A club blitz and some challenge matches for both the U12 & U16's will be organised once we get back in the swing of things so keep practising in the meantime.

ABBEYSIDE AFC NOTES — DIV. FOUR CUP FINAL

# Village Victory Again!

## ABBEYSIDE 3 PORTLAW 0

The broadest smile at rain-lashed Ozier Park on Thursday last belonged to Abbeyside manager Jim Mulhearn as his bunch of players annexed the Div 4 cup in emphatic fashion over the hotly fancied Portlaw. Jim who has endured an up and down season galvanised his troops for the cup run and received his just rewards with his first piece of silverware as a manager. For Abbeyside the mercurial David Ferncombe, tireless Liam Shanley and the imperious Trevor Walsh starred but the immense contribution of the entire squad made for a stunning victory. Having seen the lads overcome mighty Villa on their own patch, (on a night you wouldn't out a milk bottle) in the quarter final the character required was no doubt in abundance and coming away with Michael Morrissey, the only other supporter on the night it was with great confidence in the lads. The night of the cup final was different as a large number of well wishers swelled the crowd and throughout the lads were roared on in partisan fashion.

Abbeyside began and ripped into Portlaw and Steve Drummey went close while Charlie McCarthy tested the keeper with a swerving drive. On 16

minutes the reds took the lead when Billy Keoghan soared to power home Drummey's corner and the the Portlaw keeper grasping the air. Playing into the teeth of a gale the reds continued to attack and Portlaw were stretched time and again by Sheehan and Drummey. However only the vigilance of Walsh in the reds goal prevented a certain goal after a defensive slip by the Abbeyside rearguard. Michael Leahy was having a blinder in the middle and his tireless running created lots of space for Shanley and Drummey.

Into the second half and after a melee S. Drummey and a Portlaw player were despatched to the line. Steven was particularly unlucky at this decision but his loss was taken on by the entire team whose workrate doubled. On 66 minutes David Ferncombe picked up the ball 40 yards out jinked past a couple of defenders and let fly from full 25 yards out. The ball fizzed through the air to the top corner for a wonderful goal. Scenes of jubilation followed and when Charlie stroked home from 12 yards after excellent work again by Ferncombe the name of Abbeyside was on the cup. Abbeyside had other great performances from Billy Keo-

han, Charlie, the Jordan Bros, Sheehan, Drummey and when called upon Jim Mulhearn, Mark Cahill and John Lenihan.

This was the third honour to come to the club in 3 weeks as the div 4 cup was added to the U-15 Wolfson Cup and the U-16 league. Add this to the Div. 1 sides double runner up in League and Cup and it makes

for an amazing season all round for the club. The next few weeks will see the start of the Pub League and the player of the year awards.

Watch these notes for details.

### WELL DONE

To Mattie Moloney and Steven Drummey on their u-16 league win, a reward for excellent work throughout the season. To Jim Mulhearn on his fine managerial feat in guiding the lads to the cup and to Joe O'Riordan and Michael Morrissey for the historic victory in the Wolfson cup. The same duo managed the Div. 1 Team to the Div 1 cup final and runners up in the league. Not to forget the immense contribution made by John Kenneally over the season to the Div. 1 team. To all our managers and everyone who has helped out over the season we say a sincere thank you!!

### TEAM MANAGERS MEETING

A team managers meeting and review of the season will take place on Monday night next at 7.00pm. A date and venue to be announced.

## ABBEYSIDE A.F.C. U-16 NOTES

# Village Secure Second Title In 2 Years

## ABBEYSIDE 3 TRAMORE 2

This game was the League decider winners win the league. We were trailing Tramore by 2 points going into the game and what a performance from the lads which saw them clinch their second league title on the trot. We started the better team creating a couple of chances but to no avail. Then with 10 mins gone a great ball over the top by Moloney put Sheehan through and what a finish it was lobbing the keeper from 30 yards. We then let Tramore attack for a short period and that proved costly with them scoring. From then on we woke up knowing we couldn't lose or the league was lost. The back four of Maher, Moloney, Cahill and Morrissey were solid as usual with Moloney winning every ball. Flynn on the right was causing all sorts of trouble for their full backs. O'Donnell on the left was also causing mayhem with his pace. Hourigan and Murray were excellent in midfield breaking down attacks from Tramore. With 2 mins remaining in the first half. A good ball by Maher found Flynn. Flynn delivered a beauty to the far post and who was there only Kiely to power a header across the keeper into the net. So 2-1 half time.

The second half started with us attacking

from the whistle. Chances came to Kiely and Sheehan but were narrowly missed. We were dominant for the first 20 minutes and then we conceded a corner. This is where their tall no 6 was left unmarked and he headed into the top corner giving Byrne no chance. Indeed Byrne made some crucial saves just after their goal. This seemed to wake us up again. Inspiring substitutions by Moloney and Drummey seemed to lift the lads with Delahunty and Ryan being introduced and both had an instant effect on the game.

With 8 mins remaining a great run by Sheehan who ran all of 60 yards ended with a cross for the incoming Flynn and he struck a beauty from all of 18 yards straight into the top corner. What celebrations were seen by players, management and supporters. So another title coming back to the village.

Congratulations to every member of the squad and to managers M. Moloney and S. Drummey. All the hard work paid off after all lads, and were looking forward to next season already.

# LISMORE CRICKET NEWS

Lismore crashed out of the MCU Junior Cup between the showers at the Castle Farm grounds last Sunday, losing to UCC after all the hard work seemed to be done. An excellent display in the field was negated by a poor show with the bat, and the students won by 18 runs.

Lismore won the toss and elected to field. The Corkmen got off to a steady start, but soon Brian Power (2 for 28) was among the wickets. As wickets fell, so too did the run rate. Andrew Malcolm produced a magnificent spell of 9 overs, 1 for 15, and in tandem with Mike Lynch (2 for 17), was able to keep the scoring rate to less than two an over. Mubbin (3 for 12) and Dave Ind (1 for 11) polished off the tail. It was an accomplished performance in the field by Lismore, the only blemish being the concession of 31 extras. These extras would come back to haunt Lismore later in the day. The Lismore batters needed 93 to win off 45

overs, at a rate of just over 2 an over. Occupation of the crease was all that was required, and the openers set about doing that, comfortably picking off two an over. Then the top order collectively lost its head. Gerard Kennedy was run out, Mark Taylor and Dave Ind hit soft catches into the air and Mike Lynch was bowled swinging across a straight one. Brian Power and Andrew Malcolm were then out off successive deliveries to leave Lismore reeling on 33 for 6. John Ind batted well for his 18 not out, but no one could stay with him. The only resistance in the tail came from Mubbin, who hit 18, and Lismore were skittled out for 74 to give the students a victory they scarcely expected.

Next weekend sees Lismore play two home games. On Saturday Cork Harlequins travel to the Castle Farm grounds in Division 3, while on Sunday Clonmel come to Lismore in Division 2.

# WEST WATERFORD PRIMARY SCHOOLS SPORTS

On Wednesday evening last the finals of the West Waterford primary schools sports took place in St. Augustine's college Dungarvan in front of a record crowd. The standard of the competitors and the tremendous organisation of the event make it the highlight of the year for many primary school pupils. Over 35 schools entered the event this year and the qualifying rounds were held over two evenings with over 2,000 competitors. On the first evening of the 6th of May the small schools brought a record crowd for the event and it was very efficiently organised. This was followed on the 8th of May by the bigger schools with increased numbers than previous years and as competitive as ever. The finals on Wednesday night last the 28th May was a brilliant organisation success for the West Waterford Athletic Club as a very capable team of officials lead by Nora Healy produced an evening of great competition from the gate people, car park stewards, assembly area people, track stewards, starters finish line officials and public announcers one could but not have been impressed by the smooth running of the event.

While everyone did not get a medal the real winners were the athletes who gave it there all in the hope of success. This event has been the starting block for many an athlete who have gone on to represent their club and county on the world stage. West Waterford's Jamie Costin started his athletic career with the primary school sports representing Baile Mac Airt many years ago and went on to represent the club and country at the Sydney 2000 Olympic games and has already qualified for the next Olympic Games in Athens 2004. Many others have got their first taste of athletics at the West Waterford primary schools sports over the last 19 years and have subsequently gone on to represent their country around the world.

Many thanks must go to the teachers who cooperated by organising individual school qualifying rounds and who looked after their school athletes on the night. It was very hard this year to find suitable nights due to poor weather conditions thus resulting in the final being postponed on two occasions.

All thanks must go to Nuala Ryan Chairperson of Dungarvan UDC who turned up to present medals, as Nuala had other engagements on that night. Our thanks also to Jamie Costin and Joe Gough who helped with the Medal presentations. It was great for the young athletes to see the present day stars on their big night. We wish Joe the best of luck in the World Championships in South America next month and Jamie the best of luck in his world championships in Paris in August. Michael Drummy represented David Walsh whose business supported the fixture.

While the sprints finals and the middle distance races were thrilling the relays proved as usual to be the icing on the cake. As the excitement and the noise levels soared it became clear to all just how much it meant to each school to get among the medals.

Once again a special thanks to Brother Patrick for the manor in which he had everything organ-

ised. The St. Augustine's College venue proves to be one of the best assets to sport in the county and thanks must go to the Augustine community for the same.

Nora Healy work in organising the primary school sports for the past few years has been phenomenal. The club is deeply in debt to Nora for the effort that she puts into the event each year. Thanks also to Sandra Clancy for typing the programme, which is a great memento of the event for the children and parents. As a result of this year's event it is great to see so many new faces at training. New members are always welcome to the Friary grounds on Wed & Fri at 6.30.

## RED HOUSE LEAGUE NOTES

LADIES SOCCER

# It's The BIG Kick Off

How time flies. The boys are finished but now it's the big kick off for the girls.

On Saturday evening, An Gaeltacht and Ballybridge Utd will play their first league games. Both clubs are at home and what an occasion it should be for both clubs. The Red House League have joined up with the Tipperary and District League this season to get the ladies into action.

Luke O'Brien from An Gaeltacht club is now Chairman of this League and is anxious to get it up and running. O'Brien is happy enough with the way things are going. Off the field we are going well. The leagues have set up a good committee and a lot of hard work has been done off the field stated O'Brien. However, I'm sure that both our clubs down here are really looking forward to kicking off. Both clubs were lucky that their first games kick off at home. It's hoped that clubs will have games almost every week and a cup competition will round off the season. Let's hope for fine weather on Saturday added O'Brien and what I have seen so far in training we have some very talented girls around and a fine day would help them to display their talents.

In East Cork Ballybridge Utd have been training hard over the last few weeks. Claire O' Driscoll is happy with the girls. We have all the girls present at our training sessions and that shows their interest in it.

Now the girls are looking forward to next weekends opening game and hopefully we can do our club proud. No doubt Clonmel will be a very strong team. However, we are looking forward to their visit added O' Driscoll.

## BIG GAME IN DUBLIN

Can Ireland progress in The European championship? Tonight against Georgia could tell us something as nothing other than a victory will do. An improvement on Albania's performance is needed. Let's hope we get the right result.

Pictured above is the local St. John's soccer squad who won the All Ireland Special Schools Soccer Final in Buckley Park recently. Also included is manager Ann Kirwan and coaches George Hamilont and Colin Walsh.

## ALL IRELAND SPECIAL SCHOOLS FINAL

# Superb Win For Local St. John's School

ST. JOHN'S (DUNGARVAN) 5

ST. LASERIAN'S (CARLOW) 4

## REMARKABLE TREBLE ACHIEVED BY ST. JOHN'S SOCCER SQUAD

St. John's Special School, Dungarvan travelled to the neutral venue of Buckley Park in Kilkenny to take on St. Laserian's, Carlow in the All-Ireland 'B' Special Schools Final.

St. John's were already Munster Champions, and Indoor U-18 All-Ireland Champions so they went into the game with great confidence. In splendid conditions for football, it was the Carlow side that made the breakthrough after only two minutes with their striker shooting to the net from close range. This seemed to wake up the blues of St. John's, and they began to dominate possession - passing the ball around very well, with young Eric Duggan always looking a threat up-front.

In the 17th minute after some great work from Shane Power on the right, Eric Duggan broke into the penalty area and calmly slotted the ball past the Carlow keeper to give St. John's a deserved equaliser.

St. John's, now in the ascendancy, kept up the pressure and on 23 minutes went in front, when Ian Duggan passed to cousin Eric, who flicked up the ball to himself, and volleyed high into the left top corner from the edge of the box for a spectacular goal!!

The game was being contested very evenly now with both sides creating chances. In the 32nd minute St. Laserian's

drew level when their big striker headed home from a good corner kick following some poor marking. This left the side's level at the break.

Into the second half now, and both sides were going for it, creating chance after chance in an end-to-end game.

St. John's restored their lead on 44 minutes when Ian Duggan's powerful shot evaded the Carlow keeper and sailed into the roof of the net. This lead didn't last very long because on 50 minutes the Carlow No. 11 completed his hat-trick shooting past the helpless Sean Stillwell in the goal giving him no chance.

It was still all to play for now, with 20 minutes remaining. In the 56th minute Eric Duggan, causing havoc all through the game for the Carlow defence, was fouled about 35 yards from goal. Up stepped Henry Morrissey and from the resultant free kick his shot sailed into the roof of the net for a super goal to give St. John's a 4-3 lead. St. John's were now in control and

went in search of another goal to make the game safe.

It finally came following a goalmouth scramble, when the Carlow keeper was adjudged to have fouled St. John's defender Willie White. The referee, with no hesitation, pointed to the spot, and captain Henry Morrissey coolly converted low to the keeper's left to give St. John's a 5-3 lead with 8 minutes remaining.

St. John's now with their two-goal cushion defended with their lives from attack to defence with stillwell commanding in goal. Brendan Glavin, Willie White, Michael and Henry Morrissey defended stoutly, midfielders Ian Duggan, John Daly, Shane Power and Eric Duggan all worked tirelessly and front men Dean O'Brien and Bryan O'Regan closed down any attacks.

With constant pressure the Carlow side pulled back a consolation goal with 2 minutes remaining. This gave St. John's a nervous last few minutes but they held on through a long pe-

riod of injury-time to record another marvellous victory!

This secured the final instalment of a soccer treble having already won the All-Ireland Indoor, Munster U-18 and now the All-Ireland Special Schools final.

Great praise is due to the lads for their commitment and hard work throughout the year especially for such a small panel of players to achieve such success.

Team: Sean Stillwell (Ardmore), Brendan Glavin (Clashmore), Willie White (Tallow), Henry Morrissey Capt (Abbeyside), Michael Morrissey (Abbeyside) Ian Duggan, Eric Duggan, John Daly (All Dungarvan) Sean O'Brian (Villierstown), Bryan O'Regan (Youghal).

Manager: Mrs Anna Kirwan!!  
Coaches: Colin, George Hamilton.

A big thank you to the Park Hotel for providing the marvellous celebratory lunch, appreciated by everyone!

## JOCKEY BANNED AND TRAINER FINED

There was an unusual sequence of events at Gowran Park last week after jockey Johnny Murtagh gave the John Oxx trained Miss Honorine the full treatment to capture the featured Victor McCalmont Memorial Stakes. The stewards on the day were not impressed however and they duly slapped a two day ban on Johnny Murtagh for over-use of the whip and when the stewards heard that the jockey was riding to the trainers instructions they fined John Oxx. It appears that Miss Honorine is a lazy individual and requires a lot of persuading. The general consensus on the day was that had Johnny Murtagh not been so vigorous the filly would not have won.

## CLONMEL UPDATE

The weather turned somewhat nasty for this fixture. After missing an engagement at Tramore the previous Saturday the Austin Leahy trained Dusseldorf was sent off the 2/1 favourite to capture a handicap flat race but after having every chance in the home straight it was the favourites stable mate Bluebell Line who came with a late surge under a determined Tom Queally to get up close home. ## 20th Anniversary For

**DAVID WALSH***Office And School Supplies*

This year, David Walsh Office and School Supplies celebrates its 20th Anniversary, and is marking the milestone by further developing a customer service that has been the popular shop's trademark since it first opened at its familiar base at Lower Main Street, Dungarvan.

For the past two decades, David Walsh has supplied parents and children with all their back to school needs; business people with stationery and office equipment; and all with a vast range of quality merchandise unmatched in the rest of County Waterford.

"Customers can view our catalogue which has access to over 18,000 items, and next day delivery, depending on availability," David

Walsh says.

"We have a 98% order fill rate for overnight orders," he continues. "We supply quality service and products to all sorts of businesses, from the home office to the big office multi-national companies."

This comprehensive service is evident again in their school supplies. For many years, parents of children from pre-school age to leaving certificate, have been able to get all their books, stationery and other needs.

**CONVENIENT**

Always striving to provide a service as convenient to parents and children as possible, David Walsh has also set up "in-school" shops in areas, which are several miles from Dungarvan.

"We set up a shop in a school," David explains,

"and instead of customers having to travel long distances into Dungarvan, they can get their books from the shop in their local school. It's a lot more convenient and saves time and travel."

Customers can also benefit from a schools savings scheme at what for many, has become an expensive time of year.

"We maintain the theory," David says, "that if we look after the children in school with a quality, convenient service, then they will return to us again later on for their office needs."

**LAUNCH OF WEBSITE**

This year sees a continuation of that comprehensive and customer orientated service. Soon, customers will be able to log onto David Walsh's new website, designed

Staff member Nichola Houlihan pictured with some of the office supplies in stock

by award winning computer programmers and

Abbeyside based company - Deise Design.

The Website will be [www.davidwalshdungarvan.com](http://www.davidwalshdungarvan.com) and the site is expected to be up and running in the next three weeks.

The website will allow customers to order their schoolbooks on-line. Once, children receive their booklist, customers can, with a click of a mouse, order all their school books.

"With the new service, people will be able to order the books they want, and then they can either collect them from the shop, or they can be delivered to their home. Whatever they require," David Walsh says. "From pre-school to leaving certificate everything is covered," he adds.

David also advises that customers come early as most of the schoolbooks are already in stock.

# Continuing To Provide Top Quality Equipment With Top Quality Service

## LOWER MAIN STREET DUNGARVAN

### RANGE OF OFFICE EQUIPMENT

David Walsh's has a full and comprehensive range of office equipment suitable for all types of business. From comfortable office chairs, filing cabinets, desks and other large office equipment to biros and paperclip, David Walsh's covers the full gambit of office equipment.

Distance is also no object when delivering equipment, and in the past they have delivered all over Dungarvan and

County Waterford, to as far afield as Limerick and Cork.

The range David Walsh carries continues to broaden with every year, and since relocating the shop from Mitchell Street in 1988, it has proven a mainstay in the life of almost every business in the town and well beyond.

However, the shop has also given a lot back to the community, especially in terms of sponsorship of local events, and their dedication to events they believe in

and are committed to, is emphasised by the fact that they provide sponsorship year after year to the same organisations.

### ALL YOU NEED

So whether you are looking for paperclips, stationary, ink cartridges, computer CDs, discs, calculators, quality print paper, or com-

puter work stations, David Walsh can supply it, from the simplest to the most advanced equipment on the market.

If you can't find what you're looking for, either David, Michael, Mary Rose or Nicola Houlihan will be happy to help - all adding up to a first-class customer service.
