## Lismore To Lose Recycling Contract If Dungarvan Facility Goes Ahead

KEVIN KIRrane

### 2,900 TONNES OF WASTE DESTINED FOR ADVANCE FACTORY

Sam Shire's Recycling Plant in Lismore will lose its contract with Waterford County Council if the local authority is successful in its application for a waste licence for a new recycling facility in Shandon.

Sam Shire has a six monthly contract with the council, which will not be renewed if the local authority

successfully sites a new recycling facility in the 1.3 million Advance Factory in Dungarvan. The decision will effectively mean the vast majority of the 2,900 tonnes of waste currently recycled in Lismore will instead be recycled at the Dungarvan plant.

Lismore currently recycles 1,600 tonnes of domestic

waste collected from kerbside recycling, 500 tonnes of glass and 700 tonnes of commercial waste. Some of this commercial waste may be accounted for by the recycling of pallets, which Dungarvan will not handle, but the exact percentage that this accounts for has not been

publicly noted as yet.

The proposed location of the recycling facility at Shandon caused a storm of protest at a recent meeting of Dungarvan Town Council with a number of members voicing strong opposition to the move. A notice of intention to locate the facility was passed on the outgoing Mayor Nuala Ryan's (FF) casting vote, after the vote was left tied.

The application, made under the Waste Management Act 1996, seeks to develop the facility for the segregation of household waste collected across the

### CLLR. KHAN ELECTED MAYOR OF LISMORE

**KEVIN KIRrane**  
The sole Labour member, who is also the youngest public representative on Lismore Town Council, was elected the new Town Mayor

at its Annual Meeting on Monday last.

Cllr. Mark Khan replaces Cllr. John Campion (Indp) as Mayor of Lismore as the council heads into its last twelve months before the 2004 local elections.

Cllr. Khan was proposed and seconded for the post by two Fianna Fail members - Cllr. Peter Ahern and Cllr. Bernard Leddy - and unopposed, was deemed unanimously elected.

Cllr. Khan, a resident of Convent Road in Lismore, paid tribute to outgoing Mayor John Campion for the vast workload he undertook over the course of his term.

He said he made no secret of the uncertainty he felt

Lismore's new Mayor Mark Khan (on left) being congratulated by outgoing Mayor John Campion.

## Artistic Feature for St. Brigid's Well, Bóthar anTobair, Dungarvan

The public art commission for the new housing development at St. Brigid's Well, Bóthar an Tobair, Dungarvan has been awarded to Clíodhna Cussen, Dublin. Ms. Cussen is well known nationally for her work as a sculptor and has extensive experience of public art.

This work is a sculpture of a bronze figure of a child, lying on a granite rock trying to reach into a rain-filled pool where there is a stone carved with a Cros Bhríde. The entire piece will stand 1.5m (5ft) high.

The sculpture intends to convey a metaphor of succeeding generations re-engaging with the symbols of Naomh Bhríde.

The short-listed proposals were on view in The Old Market House Arts Centre, and the comments sheets indicated that the public felt that this proposal was the most popular and appropriate one.

The jury panel selected this work on the basis that it would appeal to all age groups. There is a link between the past and

present with the work. It was also chosen for its sense of movement and fun.

It will be installed before the end of the year.

## SPECIAL CHARITY NIGHTS

Two very special nights are coming up shortly. One in aid of the Haematology/Oncology Unit in Waterford Regional Hospital and another for Our Lady's Hospital for Sick Children in Crumlin. Both of these nights will take place in Lord Maguire's in Ballinroad and each will consist of a three person fun table quiz. These quizzes are being run by the same people who ran the quizzes in Minnies during the Winter. The quiz is for enjoyment purposes only and cost only €12 per table. Every cent collected will go directly to the named charity on the night.

The first quiz will be in aid of the Haematology/Oncology Unit in Waterford Regional Hospital and will take place on this Thursday night 26th June, starting at 9.00 p.m. sharp. This unit provides excellent service and is always in need of extra funding.

The quiz for Our Lady's Hospital for Sick Children will take place on 3rd July. We hope and pray that you or yours will never have any need to use the services of these establishments, unfortunately some people do, and it is only through the generosity of people subscribing to fundraising events that the support provided by the hospitals mentioned above will be improved. Thanking you in advance and hoping to see you on one or two of the nights mentioned above.

## 170 Houses Earmarked For Ballinroad Site

**Kevin Kirrane**

Youghal based company, Blackwater Homes Ltd, have lodged an application with Waterford County Council to build 170 residential units at Kilminnin North in Ballinroad.

The application, which was submitted on behalf of the developers by architects McGrane & Partners on the 30th of May, is for a 6.65-hectare site close to the Ballinroad cross roads, and across from the local public house.

McGrane & Partners, who also drew up the plans for a €52 million Hotel and Residential development at Clonea, say the plans include one hundred and seventy residential

units, a crèche and a medical centre with a gross floor area of 1,8005.84 sq metres.

If permission is granted it would see the construction of a number of different house types with the main type to include seventy-four 3/4 bedroom semi-detached houses.

A number of apartments and 'duplex's are also proposed for the site, along with sheltered housing, 'warden' flats, 'maisonettes', and community facilities.

Blackwater Homes, which lists Kevin and Kay Curtin, as its directors, are proposing to develop road access, and construct a temporary treatment plant on the site.

## Waterford County Sees Diversification Of Religion

**KEVIN KIRRANE**

Over five thousand people in Co. Waterford stated they are of no religion or a religion other than Catholic, the 2002 Census of Population results show.

Waterford County and City are listed separately on the census, and show that the County's population stands at 56,952 while Waterford City has a population of 44,594.

In the classification of religions stated on the Census forms, the County's population is made up of 51,878 Catholics; 1,584 Church of Ireland; 183 of another Christian Religion; 99

Presbyterian; 73 Muslim/Islamic; 55 Orthodox; 108 Methodist; 436 of other stated religions; 1,449 of no religion and a further 1,087 who did not state a religion.

Meanwhile, Munster's population officially now stands at 1.1 million people, of which around 53,458 are either of no religion or stated no religion on their census forms. Just short of one million of people living in Munster said they are Catholic and there are now 3,683 practising Muslims, confirming Islam's place as one of Ireland's quickest growing religions.

## Multi-Vehicle Collision Leaves Two Injured

**KEVIN KIRrane**

Two people were rushed to Waterford Regional Hospital following a multi-vehicle accident at the Pike in Dungarvan on Monday last.

The road was closed for a number of hours during the course of a clean-up operation, in which the vehicles involved in the collision, and the resultant oil spillage, were removed from the road at the Pike after the early morning accident.

A number of people suffered injuries in the accident, but their injuries were not described as serious.

A crane was brought in to remove a truck involved in the collision, and traffic diversions were in operation throughout the morning.

Gardai diverted traffic at Durrow down the Coast Road, while Waterford bound traffic from Dungarvan was diverted via Cushcam Cross.

Members of the Fire Service and Gardai were on the scene throughout the morning.

## Abbeyside Pattern's Future Secured For Another Year

**KEVIN KIRrane**

The intervention of a number of local businesses has helped secure the future of this year's Abbeyside Pattern, organisers have revealed.

Due to the recent highlighted problems and the increase of public liability costs Pattern 2003 was on the verge of being called off.

However, with the intervention and sponsorship of En-

right's Eurospar and Dwane Hire, along with other local businesses (which will be listed at a later date) the Pattern will go ahead as planned on the August Bank Holiday weekend 1st - 3rd.

The organising committee are still appealing for support, big or small, physical and financially, and helpers are also urgently needed. More details on the Pattern will be revealed at a later date.

The latest colours and prints are also available in the newly revamped Main Street premises at prices to suit every pocket.

### NEW STORE

The Belle Forme premises has been newly done up, and Brigitta is clearly proud of the end result.

Located at what, up until February of this year, was a Physiotherapy Clinic, the premises has literally been transformed. Customers will be able to avail of Belle Forme's professional fitting service in the shops modern, airy and spacious surroundings.

Belle Forme is geared towards the younger end of the market and, with this in mind, Brigitta is offering a ten per cent discount to students. There will also be huge reductions in the price of Belle Forme's trendy swimwear styles, which are available to all customers. Brigitta confirmed that the reductions are not just an opening day once-off ploy. Instead, the offers will be in place at Belle Forme for some time to come. So, check out all the latest styles on offer.

### ALL SHAPES, ALL SIZES, ALL POCKETS CATERED FOR

Together with its younger market approach, Brigitta is keen to make sure that a broadest spectrum of sizes possible are catered for.

Again, this outlook is carried through with Belle Forme's range of Maidenform bodyslayers and flexees for contour and shape. Brigitta says, this range of garments is aimed at the larger size woman, and gives a slimmer look with a comfortable feel.

Added to this broad range of fashions, Belle Forme will also provide a professional measuring service for ladies who are unsure of the proper size for them.

So, why not add style and elegance to your top drawer this summer, and call into the newly revamped Belle Forme Premises at 45 Main Street, Dungarvan.

German based supermarket chain, LIDL, have missed the deadline for lodging a planning application with Dungarvan Town Council for a proposed discount food store at Fairlane.

LIDL Ireland GmbH had two weeks to lodge an application with the local authority. However, while the planning notice was published towards the end of May, Town Council officials have confirmed that an application was not lodged within the two-week deadline, and that the notice has now withered.

LIDL were expected to apply for full planning permission to erect a discount food store and dock leveller measuring 1293.4 m (gross floor area). The store is proposed to have connection to all existing services and to include associated site development works. A new vehicular entrance car park and both free-standing and building mounted signs are also included in the proposal for a site at Fairlane.

The exact location of the site proposed is as yet unconfirmed, but is believed to be on the Clancy Construction site.

The withering of the planning notice was described as not being much of an obstacle by Town Council Officer Joe O'Flaherty, who said the discount chain can simply re-advertise the notice.

## Kathleen & May Return Scuttled By Berthing Problems

KEVIN KIRRAANE

A repeat visit to Dungarvan Harbour by the historic schooner, The Kathleen & May, has effectively been scuttled due to berthing problems.

Last summer thousands flocked to see the turn of the last century vessel cruise into the harbour, and the crew were accorded a Civic Reception by Mayor Nuala Ryan.

The local authority also made a contribution towards the running cost of the restored cargo vessel.

However, while the Kathleen & May will not be putting in a repeat performance at Dungarvan, people will be able to see the schooners arrival in Youghal between the 14th and 29th of July.

Youghal Town Clerk, Liam Ryan, who is also Secretary of the Kathleen & May Society, said that as the boat is unable to visit Dungarvan, he is inviting the Mayor of Dungarvan, Paddy Power, and members of the Town Council to attend the Youghal arrival.

He also offered Dungarvan Town Council the possibility of exclusive sponsorship of the vessel at port at a cost of 500 euros.

Dungarvan Town Council will discuss the issue of providing some contribution towards the vessels costs at a meeting of the protocol committee.

## Tanaiste Launch's Christmas Cards For Cystic Fibrosis Research

Forty years ago, patients with Cystic Fibrosis did not survive beyond their teenage years. There is no cure, but with each year, new advances in treatment push the survival rate up, and improve the quality of the individual's lives. More still needs to be done.

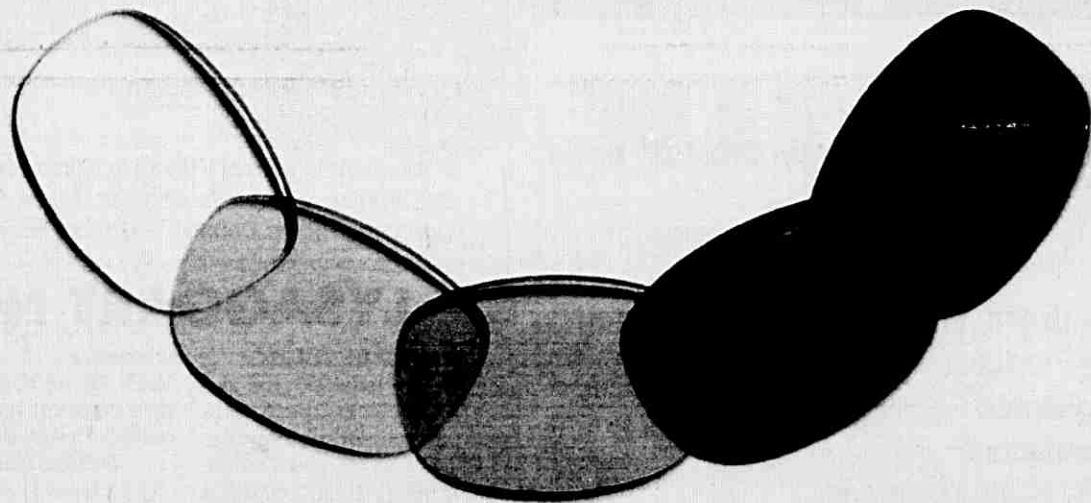

With the primary aim of raising funds for research into Cystic Fibrosis, a voluntary research trust was set up. This year they are to combine forces with Waterford Healing Arts Trust - Ireland's leading hospital arts programme - to launch a range of Greeting Cards, Christmas Cards and Corporate Blank Cards with all monies raised going directly to fund research projects.

Five renowned Irish artists, Pauline Bewick, Elizabeth Cope, Carmel Mooney, Patrick Pye and Imogen Stuart have given generously of their talent to design a card reflecting the seasonal theme of Christmas.

The Christmas Card's were officially launched by An Tanaiste, Mary Harney, on Wednesday 25th June at 12.30pm in the RHA Gallagher Gallery, Ely Place, Dublin.

Orders for the cards, can be placed with Susie Wingfield, Salterbridge, Cappoquin on 058-54952; Mary Baxter W.H.A.T. 051-874070; Waterford Healing Arts Trust 051-842664.

### Cunnigar Clean Up Great Family Day Out

The Cunnigar is a unique area of unspoilt beauty jutting into Dungarvan Bay from the Ring Peninsula. Host to a vast variety of flora, fauna and wild life, this beach has become a very popular attraction for walkers, joggers, ornithologists and people of all ages.

Coise Maisithe na Rinne in association with Waterford County Council have scheduled Saturday 19th July for the next clean up. Volunteers are invited to assemble at the Cunnigar Car Park at 2 pm, bags and pickers will be provided.

In the past this has proved to be a very popular environmental experience, and a great family day out. So we urge everybody including those who use the Cunnigar for recreation to come along and pitch in and keep our county crystal clean. Info: (086) 8134597.

## Inter Community Litter Challenge

The first two ties in the Village section quarterfinals took place last week and threw up a fascinating contest between two former winners. Here's how the ties went:

**Dunhill (82) beat Bonmahon (58)**

Dunhill was in very impressive condition again, with only very minor litter to be seen in most of the village. The hill up to the church and the car park were totally litter-free. The partly built housing estate was much improved on this visit, but is still the main source of litter in the village.

The Main Street in Bonmahon was the main let down, with lots of small piece of litter. The grassed area near the car park was in superb condition, but the car park itself had lots of small pieces of litter. And so it's Dunhill who progress to the semi-finals and the guaranteed prize money.

**Ballyduff Upper (92) beat Fenor (91)**

This was a real clash of the titans between two superb contestants and former winners. The two scores are the highest obtained in the competition so far this year. Ballyduff was vastly improved from the last visit. One small piece of cardboard and a few cigarette butts were the only litter to be seen, apart from chewing gum on the footpath near the shop. Fenor had just a little more litter on the day, and so go out of the competition. It's a pity that someone had to loose this tie, as both villages were presented to a very high standard.

This week the quarterfinals continue in the Village section, with Stradbally taking on Villierstown and Ballymacarbry taking on Aglish.

## Our Lady's Hospital for Sick Children to benefit

Out of sight, out of mind. That's one thing we can never say about Our Lady's Hospital for Sick Children in Crumlin. Anyone, who had to bring their children there, will be the first to tell you about the wonderful service provided by this hospital and how lucky we are to have such a facility in this country. Unfortunately, as with all the health service, this facility is now in urgent need of financial assistance and it is only through donations and the generosity of the Irish people that further improvements can be made. Next Thursday night there will be a fun table quiz in Lord Maguires for the benefit of the hospital. It starts at 9.00 p.m. sharp and will last for about 2 hours. As there is no costs in running these nights all monies collected will go directly to the hospital.

Last Thursday night the quiz was in aid of the Haematology/Oncology Unit in Waterford Regional Hospital and 4,200 was collected. The organisers of this event would sincerely like to thank all who donated in any way, be it spot prizes, those who gave donations, and all the people who turned up on the night. Joe Duffy of RTE got the name wrong when he christened Dungarvan.

The name should read: 'Dungarvan, the charity supporting capital of Ireland. The generosity of the people in this town will never be matched by any other place in the country.

### Dungarvan Leader Gardening

# The Garden Messenger theme for July is 'The beauty of blue'

with *Hydrangea macrophylla* 'Blaumeise', *Buddleja* and *Lavendula* species

Cool blue! Calming, peaceful and with the gift of drawing out borders to make them appear deeper and more spacious, blue is a must in any garden. Contemporary and traditional, blue has never been out of fashion. And at this time of the year, blue is there to complement the sky (some days, anyway!).

Establish plants which bear blue flowers to create a special place in the garden - somewhere for quiet reflection after a busy day or as a place to take time out before going to work in the mornings.

One of the classic blue shrubs (in more acid soils) is the *Hydrangea macrophylla*, or common hydrangea. This has become almost a signature plant of gardens in this country, and it's easy to see why. Hardy and requiring little maintenance, it delivers year after year, over a long flowering period from midsummer to late autumn. *Hydrangea macrophylla* is in fact divided into two categories. The most frequently encountered are the 'mopheads' or 'Hortensias'. These are the ones producing big,

confident, dome-shaped blooms. 'Blue Bonnet' or 'Goliath' are examples.

If you are looking for something more unusual, the 'Lacecap' hydrangeas provide an exciting alternative. The flowers of the lacecap hydrangeas are quite different from those of the mopheads. They are made up of two parts - an outer ring of showy florets and a central arrangement of small fertile flowers. *Hydrangea 'Blaumeise'* is a wonderful lacecap to look out for. Also known as 'Blue tit' or 'Blue sky' it produces exceptionally deep blue coloured flowers set against dark green leaves.

Another great choice if you're looking for blue flowering shrubs is the *buddleja*. Ideal in a border, the arching stems, tipped with clusters of flowers of varying shapes and colours (depending on species and variety) are, like the hydrangea, a classic sight in the summer garden. 'Black Knight' and 'Empire Blue' are examples of *Buddleja davidii*

bearing flowers with blue and purple hues which are very attractive to butterflies. 'Lochinch' and 'West Hill' are other examples of bluish *buddleja*.

Lavender is a shade in its own right, and fields of the plant shimmering under a hot sun are an image to take home from Mediterranean holidays. Bring some of that romance into your garden with one of the hardy lavenders grown in this country. Lavenders will bring fragrance and colour to shrub borders or rock gardens. They can also be used to form a low hedge, perhaps around a vegetable area.

Three very different shrubs, all with the potential to bring the beauty of blue into the garden. As with many shrubs, none of these require much maintenance and will thrive in most garden soils (though for best blues from your hydrangeas your soil needs to tend towards acid). Blue can be bold or it can be demure. Either way it is always the height of

# The ARASYYS . . . Inch Loss System that works

Is tying your waistband becoming a bit of a nightmare?

Tired of not being able to buy the clothes that you want to wear.

Does your weight make you feel unhappy?

Are you dreading the prospect of bearing your bod as we head into the hot summer months? If you have answered yes to one or more of the above questions we suggest that you read on, the Arasys Loss System could be the answer to your problems!

If you are the type of person who can't find enough hours in the day then obviously spending hours in the gym persecuting and killing yourself will be out of the question.

Well now we have the answer for you, read on and find out how Arasys can work for you.

Arasys is the tried, tested and effective way to lose those inches and pounds by simply lying back and letting the machine do all the work for you.

Jacinta O'Sullivan from Dungarvan has gone from a size 16 to a very comfortable size 14 in one month after completing one session of the Arasys Inch loss system. Jacinta says "I not only lost 9 inches but I also lost a stone in weight without really trying. Men and women of all ages have achieved excellent results by the Arasys system.

It couldn't have been easier, instead of pounding on a treadmill in the gym you can just lie back relax or read and let the

machine do the work for you. (one 20 minute treatment is equivalent of 400 sit ups. Jacinta says, "Instead of going on a strict diet basically all I had to do was change my eating habits."

The Arasys system works to achieve and sustain remarkable inch loss by stimulating and contracting the muscles. Jacinta concentrated on her abdominal muscles. The results achieved by Arasys are the same as those achieved as a result of using the gym, working out on the treadmill and using weights on a regular basis.

A client only requires a series of 12 20-minute treatments on alternative days to attain results that could take months to achieve by conventional exercise. On average a client can expect to lose 9 inches over-all on completion of a course and a maintenance program will ensure that the effects are long lasting.

Understanding professional staff, private treatment rooms, individual consultations and encouragement, hours to suit everyone's schedule and a relaxed friendly atmosphere in a convenient location all make the Arasys system a pleasant, effective and stress free treatment to lose those unwanted inches and pounds.

So why not call to

**Sabrina's Beauty Salon,  
Main Street Lismore Tel. 058 53862**  
and treat yourself to some serious pampering.  
Hours to suit clients needs.

"I Caroline from Lismore tried out the Arasys System in Sabrina's Beauty Salon. Finding it hard to loose the weight, I decided to give it a go. I received twelve twenty-minute sessions and haven't looked back. Overall I lost eleven and a half inches as well as a half stone in weight. Because I was doing the treatment regularly and was measured each week, I was motivated to keep up the regime. When there is some one encouraging you it make it a lot easier.

The electronic impulses of the machine works deep in the muscle and you can go as high or as low as you want. Some days I was able to go higher than other days, and on the low days which were not many I thought would slow the whole weight loss down, but it didn't, and I'm very pleased with what I have lost. I dropped from one dress size in three weeks.

So why not call in to Sabrina's. The staff are really nice and will answer what ever you need to know and yes I would do it all again."

JUNIOR PAGE **THE ANIMAL WORLD**

**What is A Rain Forest?**

Nowhere else on Earth do plants grow so vigorously as in the hot and damp regions near the Equator, in the tropical rain forests. Each one is a very complex ecosystem (or nature community). More than half the total of living organisms on Earth live in the rain forests! Here, the tallest trees grow to more than 50 metres high and their branches extend all around for tens of metres. Closer to the ground, other trees thickly woven together form the undergrowth of the forest. Between the undergrowth and the ground, climbing plants, creepers, trees and bushes often make the forest impassable.

**Life In The Trees**

Lots of mammals, which live in the rain forests, have adapted to life in the trees.

They move from one plant to another in search of food.

**HOW WHEN WHAT WHY**

**Why do some sloths have a bluish haze?**

In the thick fur of some species of sloth live colonies of blue algae, which the animal finds useful as a disguise in the forest among the leaves and the mosses. The 'micro-climate', which is created by the sloth's fur, is ideal for the growth of this algae!

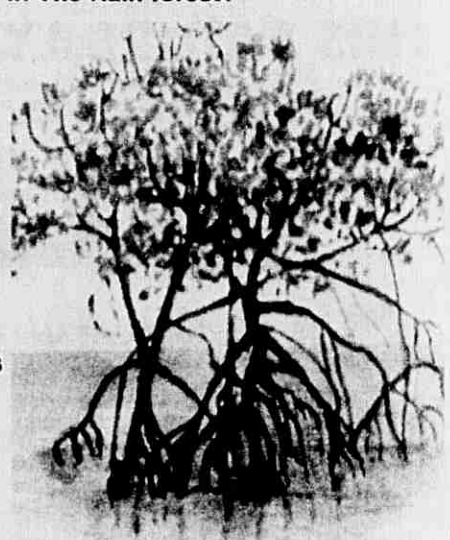

**Facts And Figures**

In the equatorial rain forest the average rainfall is 1500-1400mm every year. The temperature swings between 25°C and 35°C.

In on hectare (100sq.m) of rain forest, it is possible to find between 80 and 299 different species of plants  
 The Amazon rain forest covers a large part of the equatorial zone of South America (around 6 million square Kilometres).

**Which Plants grow in The Rain forest?**

The Mangrove grows in the water salt marshes at the mouth of rivers. Its roots descend from the branches to the water, creating wonderful arched structures, homes for tropical fish and birds.

Epiphytes are plants which grow on branches of other trees. Their roots hang free and absorb the moisture in the air.

The orchid belongs to this plant family, as well as bromeliads, which includes the pineapple.  
 In the lower layer of the rain forest we find the habitat of ferns, which give shade and humidity.

# STRADBALLY NEWS

## Parish Outing

The annual parish outing this year will be on Wednesday, July 30th visiting Old Distillery at Middleton and Blarney. Cost will be \*30 per person. The bus will be leaving Stradbally at 8.30 am. Contact Margaret Corbett 051 293116, Nellie Casey 051 294528 or Joan Corry 051 293356.

## Diaconate

St Edans Cathedral, Ferns, Co Wexford was the scene for the ordination of Jenny Crowley, Glen, Stradbally in the Diaconate of the Church of Ireland on June 24th. The ordination was carried out by the Right Reverend Peter Barrett, Bishop of Cashel and Ossory. Jenny was joined by Lynn Rogers who was also made a Deacon.

It was a joyful ceremony in the presence of a packed Cathedral. Jenny was joined by her husband Noel, her children

Ruth, Charles, Robert and Thomas as well as members of the extended Crowley and Clarke families. Present from Stradbally were Dean Billy Beare and Rev. Tony Whiting and many members of both church congregations. The first reading was by Fr. Enright.

Jenny has been appointed to serve in the auxiliary ministry in the Waterford area as she continues her preparation for ordination to the full ministry. Everyone in Stradbally is delighted to see her progress. We are also awestruck at the energy and dedication needed to take on the extra duties as well as being a wife and mother. We all wish her well in the future.

## Faha Church

The Triduum in honour of the Sacred Heart was well attended and culminated in an overflow congregation on the feastday when the blessing of graves

also took place. Full marks to the laity who played their part so well, turning out each evening. This augurs well for the preparation for the big celebration next year.

There was a great response to the fund-raising draw for the bi-centenary celebration. Thanks to all who worked so hard selling lines, making a success of the draw in a remarkably short time. Thanks also to Madge and Michael Barron, Fahafeelagh for the donation of the first prize, a gas barbecue and for the three pairs of stand tickets for the Munster Hurling final in Thurles. The winner of the barbecue was Michael Sullivan, Georgestown, Kill. The tickets were won by Paddy Harris, Currabaha, Julia Foey, Faha and Mary Fennell of Lemybrien.

## Special Olympics

There was great excitement here on Saturday evening, June 28th when the Irish Ladies Basketball Team won a Bronze medal at the summer games in Dublin. Congratulations to Martina O'Neill of Rockville, Elaine Hearne of Seafield & Nicola Carroll of Ballyvoile for their part in bringing glory to their country and to their families and coaches.

## Pilgrimage to Lourdes

Fr Gregory Power and Fr Michael Kennedy are organising a trip to Lourdes for five nights in July/August 2004. The cost will be about \* 580, depending on prices at booking time. The trip will be by air with all pilgrims staying in the one hotel. At \* 10 per week

for twelve months one will have paid the cost and collectors will accept payments on a weekly or monthly basis and you can withdraw your money anytime up to March 2004. Anyone interested should contact either priest as soon as possible.

## Stradbally / Ballylanean and Faha Community Games

# SEISIÚN RETURNS TO PARK HOTEL

Once again this year visitors to the Dungarvan area will have an opportunity to see the best of traditional entertainment with the return of Seisiún, the Summer show. Featuring a host of musicians, singers and dancers, Cúl Cheoil has been a must for visitors and locals over the past four Summers. The full range of instruments associated with Traditional Irish Music is featured. Many of the performers are multi-instrumentalists. The Harp and Uilleann Pipes are prominent and other instruments such as Concertina, Melodeon,

Fiddle, Flute, Tin-whistle, Banjo and Button Accordion ensure that all tastes are catered for. Three singers are included in the show and there are up to sixteen dancers whose dexterity ranges from the now familiar style of Riverdance to more traditional forms and also Sean-Nós, not forgetting some resounding Set-dancing. As in past years, the show is in the Park Hotel on Tuesday nights commencing at 9pm sharp. The first half of the night's entertainment lasts one hour. In the second half, which is

less formal, visitors are encouraged to participate with party pieces from their cultures and are involved in dancing some of the well known dances such as Siege of Ennis. During the interval the customary cup of tea is served.

## LAUNCH

This Wednesday Seisiún 2003 will be launched in the Park Hotel at 8.30pm. If you think you cannot make it during the formal season which commences on Tuesday July 15th do come along to this pre-view. Beidh fáilte romhat.

## BLACKWATER COMMUNITY SCHOOL LISMORE

A special thank-you to all those people who contributed so generously to our Church Gate Collection on Saturday 21st and Sunday 22nd June. Fundraising is unfortunately a necessity for our new school. We will need to spend a considerable amount of money in preparing the pitch for use in the many sporting activities which we hope to promote. As the people of West Waterford know the promotion of our national games has always been important to the secondary schools in the area. The interest, which exists in all field games, will be encouraged in Blackwater Community School.

Sports such as basketball and volleyball will be played on the outdoor courts as well as indoors. Funding for the refurbishment of the existing field will not be provided by the department of Education and Science, which makes local contributions vital.

To ensure the security of the school buildings and the safety of the students it is envisaged that security cameras will be installed. This work will need to be funded from local sources also. You may be assured that all contributions from the local community will be spent wisely and benefit the students from the West Waterford area.

### SCHOOL SHOP AND CANTEEN FACILITY

The new school is presently interviewing candidates with regards to the contract for our own shop and canteen facility. We feel this will provide a much-needed service next September for all students and staff.

## GOVERNMENT PRESSURE ON ESB AFFECTING WEST WATERFORD CONSUMERS — SAYS LABOUR COUNCILLOR

A Dungarvan area Councillor has expressed fears that the Government's decision to take nearly 40 million Euro of the 250 million Euro pre-tax profits made by the ESB last year has led to cost saving decisions by that company, such as the proposed closure of its shop in the Co. Waterford town and the likelihood of further increases in electricity charges to consumers.

Labour Councillor Fiachra O Ceilleachair says it's worth noting that the ESB last Autumn announced a significant increase in their charges for domestic users. The latest ESB Annual Report shows a 250 million Euro profit for 2002 which does not even take into account the increased revenue from that rise.

Cllr. O Ceilleachair says the

ESB could be under further pressure when the 20% annual dividend to the state reaches 33% by 2005 under a scheme introduced by Finance Minister Charlie McCreevey earlier this year. This rise, says Cllr. O Ceilleachair may force the ESB to increase their prices steadily over the coming years as they seek to replace the money taken by the government.

Cllr. O Ceilleachair says statements by local Fianna Fail Councillors in the west Waterford in response to the ESB's plans to close its Dungarvan facility should be judged against what their party colleagues are doing in government.

Further, says Cllr. O Ceilleachair, the ESB has claimed

that their huge profits are due to cost reductions. Yet, argues the Labour Councillor, the ESB has increased first-time connection charges to his constituents in west Waterford by 200 Euro and increased their average bi-monthly household bill by 12 Euro.

Cllr. O Ceilleachair says householders should see this as a

vicious cycle whereby the government takes from ESB, and ESB recoups that money from the consumer in west Waterford and then tries to close their shop in Dungarvan. This arrangement, says Cllr. O Ceilleachair represents another stealth tax on families and should be reviewed immediately.

The Science of Farming and Food

**DAIRYING**

**Reseeding**

July is the month to kick-start the reseed process on the farm. Often reseeding is carried out too late. Late reseeds are more prone to weed problems and clover (if sown) often establishes poorly. These problems can be avoided (weather permitting) by reseeding in August and not September or later. Take the opportunity to begin reseeding in late July / early August. Spray the crop of grass about 5-8 days before grazing or cutting with e.g. Roundup. After the crop is removed, the field will be ready for reseeding. Cutting is better than grazing as the paddock will have a cleaner surface to work with.

Reseeding can be carried out successfully by traditional ploughing and tilling or by shallow surface tilling with a power harrow or rototop. These minimal cultivation techniques can be used where stones are a problem or where land terrain is difficult. If considering this technique, some lime (about 1-2 tons/acre) should be spread. This is because decaying trash releases organic acids that may inhibit the grass seed germinating. Choice of variety is important. Recent research at Moorepark has shown large differences in milk production from different grass varieties. Later heading varieties produce grass of higher quality. Cows eat more of this grass and therefore produce more milk and milk of higher protein content. Later heading varieties are also easier to manage particularly in mid season.

The vast majority (75%+) of the mix should contain any of a mix of the following varieties: Portstewart, Gifford, Tyrone, Umbria, Denver, Cancan, Cornwall or Twystar. Some tetraploids can be included in the mix e.g. Navan, Millennium, Orion, Condese, Delphin, Elgon, Abercraigs, Mammout or Sarsfield. Tetraploids are more open in nature and should not make up more than 25% of the mix. The grass seed mix should contain very little tetraploid varieties if heavy land is being reseeded.

**More Milk**

We are now halfway through the milk production season. Liners need to be changed. Old liners lead to increased liner slip. Liner slips are not good for your pocket. If liners are not changed, milk yield will be reduced by 6% for the rest of the year. Somatic Cell Count (SCC) will also increase, which can lower your milk cheque.

**SUCKLERS**

**Dosing Suckler Calves**

The months of July and August are often the preferred months for dosing spring born suckler calves against stomach worms and hoose. Recent research from the UK showed an 8 kg difference in liveweight at the end of the grazing season between spring born suckled calves that were dosed in middle of the summer, compared to calves that received no treatment. This 8 kg advantage was still there the following spring when they were turned out to grass.

Apart from having a beneficial impact on liveweight, a mid summer dose to suckler calves is important also to protect them from hoose. A severe outbreak of hoose can seriously damage the lungs of the calf leading either to a poor life time performance or even death. Also, weanlings that have suffered damaged lungs are more prone to pneumonia than weanlings with healthy lungs.

**FARMS FAIL ON SAFETY**

Statistics compiled by Health and Safety Authority inspectors, following recent farm visits, provide plenty of cause for worry in relation to safety. Nearly half of the farms visited were issued with either prohibition or improvement notices.

On just four per cent of farms was there an up-to-date safety statement. In addition, 21 per cent of PTO shafts and 15 per cent of slurry facilities on the farms visited were dangerous. As a sector, agriculture cannot improve on its appalling safety record unless improvements are made and safety is taken seriously. This autumn Teagasc will run courses Dungarvan and Dunhill on "Completing the Safety Statement". To book a place, contact Teagasc at 058 41211. In the meantime, think safety and take action on issues of concern.

**Keeping your children safe**

Summer is a high-risk time for the safety of children on farms. This is because farms are a hive of activities at times, a relaxed holiday atmosphere prevails and visiting children may not be streetwise to the dangers. It is, therefore, important to be very conscious of the safety of children in summer.

**CHILDREN AT PLAY**

- Provide a safe and secure play area with swings, slides, goal-posts, etc.
- Ensure that the children are supervised at all times.
- Discuss safety with your children, you will be surprised at what they know.
- Remember that children are both inquisitive and mobile and require constant vigilance by all working on the farm.

**CHILDREN WORKING**

- Children aged 14 years or under should not be allowed to drive a tractor or other self-propelled machine.
- Children over 14 years can do so provided they have been given instruction, have the ability to operate the equipment and are supervised.
- Children of any age should not be carried on tractors unless a proper seat is provided.
- Irrespective of the task, be sure that the child has the ability and the knowledge to do the job safely.

**FARMING LEADER**

**FARM GRANT STANDARD COSTING INCREASE LONG OVERDUE -IFA**

Waterford IFA Rural Development Chairman Rosemary Kennedy has welcomed the increase in farm grant standard costings announced by the Minister for Agriculture Joe Walsh. This review is in line with the recent Partnership Agreement to review costings to ensure that farmers who apply for grant aid get support that bears a close relationship to actual costs incurred.

Mrs. Kennedy said it is vitally important that standard costings are continually updated as building materials and labour have increased by a greater amount than the general inflation rate in the economy. The standard costings will now increase by an average of 15% to 20% and will be backdated to Department of Agriculture approvals issued since 1st December 2002 for both the Farm Waste Management and Dairy Hygiene schemes.

Continuing, the Waterford IFA Rural Development Chairman said the Minister for Agriculture must now ensure that the improvements to the grant schemes agreed in the Partnership talks are in place for application by farmers on 1st

September next. Many farmers are awaiting the new schemes, which will give a grant rate of 40% on both the Dairy Hygiene

and Farm Waste Management schemes on farms who have up to 450 income units. Furthermore, the investment limits will

increase to 75,000 in the case of Farm Waste Management Scheme and 50,000 in the case of the Dairy Hygiene

**CONSUMERS SHOULD INSIST ON IRISH SALMON**

—ISGA reacts to UK salmon report

The Irish Salmon Growers' Association has recently welcomed the Food Safety Authority of Ireland's reassurance that consumers faced no threat following reports of extremely low levels of contamination from Sellafield of UK salmon in British stores.

Farmed salmon from the Republic of Ireland is reared only on the West Coast of the country and fed from sustainable fish stocks caught mainly by the Donegal fleet and is therefore in no danger of any such contamination, even at these non-threatening levels.

ISGA Executive Secretary, Richie Flynn said, "Consumers should be fully aware of the origin of all of their food, particularly fresh produce such as fish. The ISGA once again calls on the Government to introduce fully transparent labeling regulations for retail outlets to assist consumers in making an informed decision on the origin of their fish purchases."

**IFA CALLS ON FINANCIAL SERVICES REGULATOR TO INVESTIGATE FARM OVERDRAFT INTEREST RATES**

Waterford IFA Farm Business Committee Chairman, Paddy Power, has called on the newly established Financial Services Regulator to immediately investigate massive bank margins on overdraft interest rates charged to farmers and small businesses.

He said: "The recent cut in interest rates from the European Central Bank has brought euribor rates down to 2.15%, however most banks continue to charge farmers and small businesses overdraft rates of over 8%, which is almost four times the Euribor rate. This level of bank margin is totally unjustified and should be immediately slashed to more competitive rates which pass on the benefits of the current low interest rate environment to farmers."

Mr. Power confirmed that IFA has written to Liam O'Reilly, Chief Executive of the Financial Services Regulator, to demand an immediate investigation into bank margins on farmer overdrafts and action to force greater competition at this end of the lending market.

Mr. Power said that while farmers have seen greater competition in other sectors of the lending market, overdraft rates remain exorbitantly high.

**SOUTHEAST ICMSA NEWS**

**ICMSA ANALYSIS OF THE FARM COUNCIL AGREEMENT**

ICMSA analysis of the Farm Council Agreement announced indicates that enormous losses will be suffered at individual farm level, at dairy sector level and to the national economy. Mr. Pat O'Rourke President, ICMSA said that if milk price is cut by 21 percent and compensation is only offered at 59 percent, there will be enormous losses suffered by dairy farmers. In addition, Mr. O'Rourke said, that Minister Joe Walsh will have to make provision for the losses that calf and weaning producers will suffer. The slaughter premium on its own, said Mr. O'Rourke, will not be sufficient to address the losses of calf and weaning producers.

Mr. O'Rourke outlined the following:

- Annual Losses in Dairy Sector: €113m.
- Total Sector Loss 2004-2012 €860m.
- Reduction in Milk Price Supports 6.3 c/litre (22.3 p/gallon)
- Income Loss of 40,000 Gallon Dairy Farmer due to agreement €6,900.
- % Income Loss of 40,000 Gallon Dairy Farmer due to agreement 31%.

Mr. O'Rourke said, that taking account of the level of losses suffered by dairy farmers, the cut in market support, further losses due to intervention ceilings and the loss due to a drop in calf and weaning prices, dairy farmers face a cut of over 30 per cent in their incomes.

# Lismore To Lose Recycling Contract If Dungarvan Facility Goes Ahead

**CONTINUED FROM PAGE ONE**  
county under the kerbside recycling scheme.

The Sam Shire recycling facility has been a source of some controversy over its condition, and has been operating over its capacity for some time. At a previous meeting of Lismore Town Council the facility was described as being akin to a dump.

## "UNFAIR COMPARISONS"

The proposed facility at Shandon has seen a number of comparisons being drawn with the Lismore facility, and at Monday's meeting of Lismore Town Council, mem-

bers were quick to attempt to scotch any similarity between the two.

Cllr. John Campion (Ind) said the Dungarvan facility would be a fully automated clean operation, and he claimed that comparisons between the two are unfair. Director of Services, John O'Flynn said the Advance Factory has a larger floor space, and would not be recycling pallets - blamed for some of the problems encountered at Lismore.

According to a statement issued by the PR company, Bance Nolan Ltd on behalf of Waterford County Council, the principal activity at the new facility will involve

the sorting and baling of dry recyclable materials including cardboard, paper, metals, plastics and textiles.

"In addition," the statement continues, "the materials recovery facility would provide for the recycling or reclamation of organic substances through composting."

## PURCHASE OF ADVANCE FACTORY

The local authority will also purchase the factory from IBAL and franchise the operation out to a private firm. The Advance Factory is still owned by the Irish Business Against Litter (IBAL) consortium - the group which provided the facility

as a reward for the county's "Litter Free" status at a cost of 1.3 million four years ago.

Director of Services with Waterford County Council, Denis McCarthy said the proposed development at Shandon would represent a "further positive step" towards ensuring that the maximum possible amount of household and commercial waste in the county is recycled or reclaimed.

"The household recycling initiative we began in November 2001 has been very successful at diverting waste from landfill and the next logical step is for the council to develop its own recovery facility through which this waste can be recovered or reclaimed."

"The application to the Environmental Protection Agency is very much an initial step in this process but is nonetheless an important move towards building sustainable environmental practice in Co. Waterford," he said.

It is intended that Dungarvan Town and Waterford County Councils provide the project jointly, and that the building and equipment would then be leased to a private operator who will operate the facility and source markets on behalf of the two local authorities.

Dungarvan Town Council will recoup some 17,000 in rates each year from the private operator, and according to the County Manager 20 full-time positions would be created.

## RESERVATIONS REMAIN

Speaking to the Dungarvan Leader, Deputy John Deasy (FG) said he still has reservations regarding the facilities proposed location as well as increased traffic especially at the ring road, and on the manner in which it was presented to the council.

"What left a bad taste in the mouth of the councillors who voted against the proposal was the suggestion that we were being anti-recycling. We weren't," he said. "We all support recycling in this county, but we do have reservations about the location, the traffic and manner this was presented."

Referring to Co. Manager, Donal Connolly's explanation that councillors were first informed about the recycling facility at the housing committee as a "matter of courtesy," Deputy Deasy argued that it should have been a matter of obligation to explain to councillors about the facility and its implications.

He also contended that when it was raised "plans were already in motion".

# Five Historic Buoys Restored As Monuments

KEVIN KIRRAANE

A total of five historic buoys, which had been consigned to Ballinamuck dump, and were in various stages of disrepair, have been restored and placed as roadside monuments.

The idea of restoring the buoys was first publicly floated by Deputy John Deasy (FG), who cited Dungarvan's long maritime history and "the lack of monuments to show it up" as a reason why the buoys should be restored.

The buoys are believed to have been purchased around 113 years ago by the town. Deputy Deasy described the buoys as "antiquities" and suggested that they be used as monuments to the boats, which sank around the coast during the two World Wars.

Two buoys have been placed at the Strandside South roundabout, while three others will be placed at the Youghal Road.

"They look fantastic," Deputy Deasy told the Dungarvan Leader. "Five have been located around the town, and the remaining four are in the Council Yard. All of them have been taken out of the dump."

Deputy Deasy said Dungarvan has a rich maritime history, but has very few monuments to commemorate this fact.

Referring to his suggestion that they commemorate the ships lost at sea, he added that, "If people like them, and you never know with these things, then maybe we could spend a small bit of money and act on it."

# Sole Labour Cllr. Elected Mayor On Fianna Fail Proposal

**CONTINUED FROM FRONT PAGE**

when first elected to the council, but felt he had learned from the other members and is confident he will up to the job of Mayor of the town.

## AMBASSADOR FOR THE TOWN

He also called for the support of his fellow councillors during his twelve-month term, and promised represent the town to the best of his abilities.

Cllr. Khan described Lismore as a "beautiful town" filled with buildings of architectural and heritage importance.

"As Mayor of Lismore, I hope to be an ambassador for the town and the Town Council, and inform people of the attractions of Lismore," he said.

Business-wise, Cllr. Khan

continued, the town has come on an "awful lot" and he was confident that would continue provided "we continue to work together" and went on to urge for the continuation of the towns "strong" and "vibrant" community.

"Next year," he added, "the local elections will be held, and I think we must do all we can to get as many people as we can involved."

## DEPUTY MAYOR

Mayor Khan's first duty as the town's first citizen was to preside over nominations for the post of Deputy Mayor.

Again the proposer and second for the post came from two members of Fianna Fail - Cllr. Bernard Leddy and Cllr. Jimmy O' Gorman - who nominated party colleague Cllr. Peter Ahern for the post.

However, Cllr. Davy Whelan (FG) appeared to throw confusion over proceedings, when he suddenly proposed Cllr. Bernard Leddy just moments after the Fianna Fail councillor had proposed Cllr. Ahern.

Cllr. Leddy, however, making his disapproval clear, quickly rejected the nomination, telling Cllr. Whelan, "Don't even think of doing that." With the nomination apparently withdrawn, Cllr. Ahern was deemed unanimously elected.

Accepting the post, Cllr. Ahern revealed that there were slight doubts earlier in the day about his nomination.

"But, he added, "I suppose common sense prevailed".

Listing his priorities for the year ahead, he said radiotherapy would be highest on his agenda, and should be for all

politicians no matter what party they were from.

## TRIBUTES FOR OUTGOING MAYOR

The annual meeting also marked the final Mayoral duties for Cllr. John Campion (Indp). At the start of proceedings, Cllr. Campion, called for a minutes silence in honour of all those residents of Lismore who had died during the previous twelve months, and especially for the late Cllr. Dick Canning whose sad passing occurred at the start of the year.

Cllr. Campion attended a number of functions in an official capacity, including the welcome to Lismore of Grand National winner, Monty's Pass, the departure of the Christian Brothers amongst a total of 44 functions listed throughout the year. In the course of his duties he travelled approximately 1,000 miles.

He went on to thank Lismore Town Clerk, Eric Flynn, Director of Services, John O'Flynn and Paul Clerkin, all of whom proved to be "a mine of information" on the duties and functions of the local authority.

Compared to other councillors, Cllr. Campion said Lismore Town Councillors have behaved in an exemplary manner over the past twelve months.

"You could have made my life very difficult," he said. "But you didn't."

Leading the tributes, Cllr. Peter Ahern (FF) described Cllr. Campion as an exemplary Mayor, while Cllr. Khan said Cllr. Campion would be a very hard act to follow.

# Restaurant Owner Being "Hounded" And "Hammered"

KEVIN KIRRAANE

A restaurant owner who nailed a sign for his business onto a prominent hotel in Lismore apparently without planning permission is being "harried" and "hampered", claimed one local councillor.

Speaking at Monday's meeting of Lismore Town Council, Cllr. Davy Whelan (FG) claimed that planning permission for a sign of this kind is not necessary.

Criticism of the position the sign is in was voiced by a number of Town Councillors, however, Cllr. Whelan said the council "should not be hammering this man."

"Others signs like this are going up around the place and they don't need planning permission," he said. "This man shouldn't be hounded."

However, Cllr. Peter Ahern (FF) rejected the claim that the owner was being hounded and harried, and questioned; "who in their right mind would nail a plastic sign to the side of a hotel."

# Special Athletes Return In Triumph

Upwards of a thousand people turned out in Grattan Square on Monday night to welcome home the victorious Athletes, Coaches and Administrators from the Special Olympics World Games 2003, which closed in Dublin on Sunday night.

Not appearing in the least tired from their participation in the Games followed by a late-night closing ceremony and a long journey home, the Special Olympians cheered and waved to the crowd and later danced to Tina Turner's 'Only the Best', so closely associated with the return of champions to Grattan Square.

As they marched to the podium to the rousing Special Olympics anthem, 'Never Have to Say Goodbye', they were greeted by loud and warm applause and were welcomed on to the podium by the Mayor of Dungarvan, Cllr. Paddy Power in his first public official function.

Also present to greet them were the Deputy Mayor, Cllr. Billy Kyne; Cllr. Michael O'Riordan, who is also Chairman of the Host Town Committee; Cllr. Nuala Ryan, Cllr. Teresa Wright, Co. Manager, Mr Donal Connolly, Mr. Paul Clerkin, Head of Finance, Waterford County Council, Sr. Nora Leonard, Director of Services, Carriglea Services; members of the Host Town Committee as well as many of the Host Town Volunteers.

Also among the crowd were several members of Team 2003, the volunteers who administered the Games so efficiently during last week.

Tom Keith, Dungarvan Town Council, who was MC for the evening called on Senior Team Coach, Tom Scanlon to introduce the athletes individually to the crowd. In the Motor Activities Section were: Isobel Power, Sonya O'Brien, Marie Therese Fleming, Marie Kir-

wan, Mary Kelly, Isobel Finnegan, Claire O'Donnell, Alice Flavin, Lily Patterson and Niall Costin.

Each had been awarded a Challenge Medal for the successful completion of their task.

In congratulating the athletes, he said that great credit was also due to their coaches who had invested a great deal in the training of their individual athletes.

"The relationship between athletes and coaches is very important," he said. "This is the first time ever that the Motor Activities was included in the Special Olympics and was a very emotional part of the overall programme."

He also paid tribute to the 30,000 volunteers who had facilitated the Games and the Host Town Programme, saying that everyone involved had indeed, "Shared the Feeling".

He then introduced the seven other local athletes who had represented Ireland with such distinction and with great success.

Hannah Guinna won a Silver Medal for Table-Tennis Doubles, while Richard Lennon won Silver for Softball, together with a Bronze for the 100 Metres Walk.

Kieran Coleman of the Ann Leroy Centre recorded two personal bests but, such was the high standard, he was not in the medals.

The four local members of the Basketball team, Nicola Carroll, Martina O'Neill, Jean Fenton and Elaine Hearne scored Bronze to bring the total tally to seven medals, which along with the Motor Activities successes made an impressive haul for any one town.

In his tribute to the successful athletes, Mayor of Dungarvan,

Cllr. Paddy Power said he was delighted that his first public event was the homecoming of the successful Special Olympics party. "You have done us proud in competition," he said, "the people of Dungarvan have done us proud also and I am pleased too with the contribution of the Town Council, to what was one of the biggest and most important events in the history of the town."

"I just cannot properly express my happiness at being able to welcome you home this evening. You have all been great ambassadors for your sport and your community and I salute you all."

He said he was disappointed that the Olympics were not given more extensive coverage on TV, which was sometimes confined to just a spot on the news.

He wished all of the athletes well in the future and said he felt sure that some of them at least would go on to take part in the next Olympiad in China.

County Manager, Mr. Donal Connolly associated himself with all the good wishes and complimented the Special Athletes on their successes.

"The Special Olympics is about giving one's best and enjoying the participation," he reminded the audience, "and we can truly say that the Special Olympics was one of the most uplifting sporting events we have seen for many years. The most important lesson we have

learned and the primary message which has gone out is that a great deal can be achieved by people with disability."

Sr. Nora Leonard, replying on behalf of the Olympic party and Carriglea Services thanked everyone who had contributed 'to the success we have witnessed, the athletes, their coaches and families and all the Sisters and Staff of our service'.

She thanked also the Town Council, the Host Town Committee and Volunteers, 'and the people of Dungarvan and West Waterford who have supported us so generously over the years'.

"The Special Olympics has raised an awareness of the talents and abilities of the people we are here to celebrate," she continued, "and my hope and wish for the future is that their high profile will not stop there."

Mr Paul Walsh, Manager, Anne Le Roy Centre then made a presentation on behalf of the staff of the Centre to Kieran Coleman "for his total dedication to training and his recording two personal bests at the Games".

In conclusion, Tom Keith thanked the staff of the Town Council for the work they had done in having the stage ready in time; Horgan Transport for the use of the trailer for the event; the Gardaí under Sergt. Pauline Sheehan for their work with traffic control; the Host Town Committee for their active support for the event and Brian Dillon who supplied music and PA services.

# Michael Quirke Memorial Trophy Hurling Tournament at Ballyduff

Lismore advanced to the final of the prestigious Michael Quirke Memorial Trophy Hurling Tournament at Ballyduff when they had two points to spare over Cork side Ballinhasig on Friday week last.

Lismore came out on top on the score of 1-16 to 1-14 after they led by 1-7 to 0-7 at the break. Despite both sides being short a number of regulars due to County commitments and holidays they served up a most exciting contest with never more than three points between the sides.

The second semi final takes place this coming Sunday at 12 noon when Roanmore from Waterford city take on Bride Rovers from East Cork.

The Cork side had a major success in the Intermediate championship when they defeated Mallow by a goal. This should be another exciting contest in what has been a very successful tournament organised by the Ballyduff club.

## C.L.G. Tulach an Iarainn- Tallow G.A.A. Notes

### Junior Football

We played the first round of the championship last Friday night in Cappoquin against Sliabh gCua and ran out easy winners on a scoreline of 3-18 to 0-4. Before we get too excited it has to be noted that this was Sliabh gCua's second team and credit to them to field at all with the likes of Tom Condon and Brendan Tobin being some of the younger lads. That said, it was good shooting practise for our team and scoring 3-18 from play with some lovely long range points it was well worth the journey. Our next game will probably be League against Shamrock's in Tallow.

Team: Billy Sheehan, Florrie O'Gorman, Dinnie Martin, Mark O'Brien, Terrence McSweeney, James Beecher, William Murphy (0-1), Roy Henley (0-3), Stephen Pratt (Capt. 1-2), Michael Curley (0-3), Sean Slattery (0-1), Michael Keating (0-2), William Curley (0-3), William Henley (2-3), Eric Hickey, Mark Sutherland, P.S. There is no truth in the rumour that our manager was approached by Frank Murphy.

### Under Age Summary

U-12 hurlers defeated St. Oliver's on Friday evening in Cappoquin to qualify for Western Final. The U-8's were also in action on Friday evening in a friendly game against Cappoquin. U-16 hurling training has commenced - check with Timmy Sheehan for times.

U-14 player Thomas Ryan was presented with his award for under-age hurler of the month in Waterford at a function in the Bridge Hotel, Waterford last Thursday night. Congratulations to Thomas on his award. Coisbhride Club meeting has been postponed this week to a later date. Runai will notify all members. This week is the closing date for any contributions to the club newsletter.

Prizes have now been finalised for our annual Horse Fair Day Draw. Full list of sponsors will be published in due course.

### Best Wishes

Congratulations and best wishes to Gary Aherne and Noreen O'Mahony who were wed last Friday in Fermoy.

Waterford GAA Golf Classic  
Congratulations to Colin Cunningham, Peter Henley, John Joe Henley and Clive Barry who represented the club and were outright winners of the Waterford GAA Golf Classic last weekend. The event was a huge success. Well done to Fiona McDonnell who was one of the main organisers.

Munster Final  
Maybe I'm a bad loser but I found the pre match arrogance and post game triumphalism of some Cork supporters hard to stomach. I'm beginning to think Micky Curley was right all along about the swaggering Corkonians - all they were lacking in Thurles was a Lambeg Drum. Even the Waterford Terrace on Sunday was not sacrosanct as the "Red clad hordes" had acquired tickets for this end. Some of the scenes of Cork triumphalism witnessed were aggressively in your face - unnecessarily so.

### Junior Football

Our junior footballers continue their unbeaten run. A few question marks about last weeks report however. We may have to send a neutral correspondent to the games in future to see if this goalkeeper is as good as he's telling us.

### Munster Final

The post mortems are still going on. What might have been. I just want to thank our players. This show isn't over yet and we'll be there the next day to support them. Not that Paul Flynn would ever want sympathy but I felt he was hard done by on Sunday. I just hope he gets the All-Star award he deserves this year. I'm baffled also as to how John Mullane failed to get "man of the match" award.

### Tickets

A word of thanks to our club Runai Lindsay and Cisteoir Mairead for the work they put in with the tickets. They did a superb job and to be fair most

people recognised the impossible task they had. It's one of the thankless jobs club secretaries have to do. We appreciate also the time and effort put in by our Western Board secretary and other officers with the responsibility of distributing tickets. I'm not just saying that because I had a decent ticket. I must be going soft, praising officialdom.

### More Reaction From Munster Final:

"Cork Arrogance" is a subject that keeps cropping up in conversations with people who attended the game. Desperate overcrowding in the terrace is another issue many have raised. If you took out a couple of thousand Cork supporters who had no business in there this problem would not have arisen. There has been a lot of complaints, almost everyone I spoke to, about team selection, movement of players and changes made. This has been a problem before Sunday.

#### Murphy Scores For Ireland

Local boy Kevin Murphy won a bronze medal with Ireland in the 11-a-side soccer competition. Kevin was also among the goalscorers. Yes, Kevin scored in the second half against Germany and also appeared on the T.V. so I'm sure for Kevin it was a week to remember and everyone in Tallow is proud of his achievements as well. We will hear more about Kevin in the weeks ahead.

### Surprise Parties

I love a surprise and last weekend we had two surprise parties in town in Luke McCarthys. Pauline Power who celebrated her 60th birthday on Friday last got the surprise of her life when she was taken out for a so called drink. Across the road Sean 'Goalpost Ireland' Tobin who celebrated his 50th birthday on Friday last also got a big surprise with a party in Lizzy Langtons.

### Love In The Air

All in the club send best wishes to Siobhan Tobin and Jim Flynn who are getting married on this coming Friday 4th July.

On Saturday 5th July Lorraine Cronin and Brian Donnelly are getting married. Brian played with the club for many years and Lorraine said she will have him back in the club again this season as fit if not fitter than ever before. To Siobhan, Jim, Lorraine and Brian we wish ye all the best of luck. Oh and folks we are always looking for new players. Ha! Ha!

### Great Display

Our local boys Eoin, Paul and James all played well for Waterford on Sunday last and indeed despite losing can feel proud of their display. Of course Waterford are still in the championship and their next game is Saturday July 12th. No doubt Margo and John will watch this after saying I do. Right folks!

### Putting The Feet Up

Yes, this coming Friday will see Paddy Murphy putting his feet up. Well, Paddy is retiring after really a lifetime in the job. Paddy was an employee of John McGrath, Dungarvan. A party for Paddy takes place on Friday night next in the Gold Coast.

### Congratulations

To Margaret Barry, Youghal Road who passed her final law examinations in UCC. Well done Margaret.

### Tallow Welcome Home Festival

The pressure is really on the committee as they try and come up with new acts and new ideas. If there is anyone out there with new ideas we would welcome them with open arms.

### Escorts Wanted

Yes, this year we are looking for escorts for our Miss Blue Jeans contestants. So boys, how about you! We will have more on this next weekend.

### Best Wishes

From all at United to Garry Aherne and Noreen O' Mahoney (Fermoy) who got married on Saturday. The boys said that Ulli looked very well.

## GOLF NOTES

We held our captain's prize golf outing at Cahir Golf Club last Saturday. Between holidays and weddings we were short a few regulars but still fielded 20. With the weather holding up nicely we had a mighty day on a good tough course. 1st Tom McSweeney 39 pts. 2nd Roy Henley 35 pts. 3rd Tom Joe Daly 35 pts. 4th Marty Power. 5th Sean Pratt. 6th John Joe Henley. Nearest Pin Trevor Sheehan. 1st Guest P. J. Rumbly. A specially designed hand crafted one off (collectors item) piece was presented to Gerry Crowley on behalf of the Cork contingent, but at the time of writing, Monday 30th I fear it may be a case of Return to Sender?

### Captains Prize:

The Chairman requested that I make sure to congratulate clubman Tom McSweeney on his memorable success last Saturday when he claimed the Captains Prize (that's golf by the way).

### MUNSTER FINAL

Hard luck all those involved with the County team on Sunday. Waterford put up a brave display but were very unfortunate to be overcome by a stronger Cork side in the second half. However, we would like to say a sincere well done to our own Dave Bennett who had an outstanding game.

On a different note, our esteemed Chairman was spotted in Thurles on Sunday last wearing colours not native to these parts, need we say more!!!

The Lismore panel who played on the day were as follows: Maurice Shanahan, Padraig Fitzgerald, Sean Leahy, Sean Mangan, Philip O'Keeffe, Terence Walsh, Nicholas O'Keeffe, Brendan Bennett, Daniel Devine, Daniel

Leahy, Brian Walsh, Brian Murphy, John Fenton, Chris O'Gorman, Michael Coleman and Keffe.

On a final note we would like to remind everyone that the Under 16 championship will commence on Monday 7th July.

# LISMORE DRAMATIC SOCIETY

We are very grateful to all who participated in our pageant last Saturday as part of the "Immrama" festival. Beautiful sunshine accentuated the inherent beauty of the town and looked its best for all its visitors. Americans who had rented The Castle got a tremendous surprise when two hours after their arrival, met a representative sample of the participants in the pageant "Lismore Through The Ages" in their courtyard.

Particular thanks is owed to our wardrobe crew Grainne, Tina, Liz, Joan, Frances and Aislinn

## Good Win For Lismore Cricketers

Last Saturday saw Lismore's second team gain a good victory away to Middleton in MCU Div 3, a result which blows the Div 3 title race wide open again.

Lismore welcomed back captain Brian Power after over a month out of the game with a shoulder injury, and he proceeded to win the toss. batting first, Lismore got off to a great start with Winston Boyle and Mubbin putting on 55 for the first wicket a just short of four an over. When Mubbin was out for 27, Seamus Browne and Paul Coolbear followed quickly, but then captain Brian Power and Winston Boyle put on 84 for the forth wicket. Winston was eventually out for 66 and Brian for 45. The innings closed at 189 for 6 off the forty overs, the highest score Lismore have put together so far this season.

The feeling at the tea break was that this total should be plenty against an inexperienced Middleton side, but the going was tougher than expected. The Middleton batsmen scored quickly and stayed well ahead of the required rate, but wickets fell regularly. An influential spell from John Ind (4 for 27), aided by Mubbin (3 for 21), swung thing in Lismore's favour. A run-out effected by Paul Coolbear all but sealed victory, and Middleton were all out in the 30th over for a total of 161. This result opens up the race for Div 3, and continues Brian Power's 100% record as second team captain.

# FENNESSY FAMILY HISTORY MEETING 2003

It is time to remind all our Family locally and scattered to the four corners, of the forthcoming Fennessy Family History Meeting taking place in Clonmel, Minella Hotel from 8th-10th August.

So far only one local member of the family has actually registered to attend the meeting, so here is your timely reminder to either get on the net and book via our website at [www.coastres.co.uk/ffhm.html](http://www.coastres.co.uk/ffhm.html) or contact Aine Ni Fhianusa, 3 Pinewood Drive, Hillview Waterford City who will send you out a booking form if you have not access to the internet (051) 370248 after 7.p.m.

Great interest is being shown again from our American members and we would hope that as many local Fennessys will attend this time. Great presentations are being prepared, and should not be missed, as well as a Clan Banquet on Saturday 9th.

So many Irish and local Fennessys contacted us after the last wonderful gathering in 1998 saying they didn't know about it, and did not come along.

Please do not let the opportunity pass by this time. It takes a tremendous effort to organise such an event, and we need the support of the local Fennessys to ensure that the whole clan, far and near, blood Fennessys, and Fennessys by marriage get the chance to come together for this historic event, and make it a truly memorable one.

We have at least three clan members travelling all the way from New Zealand - wouldn't it be wonderful to give them a real Cead Mile Failte in Clonmel by coming along yourself and taking part. In order to make the gathering pay for itself, it is really essential that anyone intending to come along actually registers their intention, as badges and conference material is currently being prepared and may be in short supply and unregistered attendees may be disappointed if we run out.

Watch this space over the coming weeks, when I will give information on the presentations and hopefully spur up your interest and whet your appetite to come along and join the Clan Gathering.

Ni neart go cur le cheile.

## Death of Ernie Farrell

A link with another era in the business life of Youghal town was severed with the death last week of Ernie Farrell. The Farrell family have been part and parcel of the town's business community for longer than most care to remember. In former years they were one of the towns main merchants and one of the main trading places for farmers in the west Waterford area. More recently their shop and deli is a popular shopping point on the town's main street while a change of business from merchant to bar and restaurant at the Red Store prove hugely popular for the Farrell family.

The huge attendance at the funeral over the weekend was an eloquent token of the respect and friendship in which Ernie was held. Ernie is survived by his wife Eileen and his sons and daughters to whom we tender our deepest sympathy. Ar dheis De go raibh a anam.

## The Late Dec Fitzgerald

With deep regret we record the death of Dec Fitzgerald, Coolboa, Clashmore who died on Friday last. His removal took place to Clashmore Church on Saturday evening. Following requiem Mass on Sunday, Dec was laid to rest in the adjoining cemetery.

Dec is survived by his son Pat, his brothers James, relatives and friends. Obituary later.

# Abbeyside Topics

## Special Olympian Kieran Coleman Athlete Of The Games

Grattan Square, Dungarvan witnessed a special homecoming for the local athletes who participated in the Special Olympics on Monday night last.

Although all 17 athletes performed well Abbeyside's Kieran Coleman was signalled out as local athlete of the games as a result of producing personal best performances in the 100m and 200m for which he was presented with a specially designed trophy and a water colour painting of St. Augustine's Church Abbeyside.

On the platform was the newly elected Mayor of Dungarvan Town Council who was performing his first official

function since achieving office. Also on stage were Cllr. Billy Kyne and Cllr Michael O' Riordan who had overseen all the arrangements for Dungarvan's participation in the Special

Olympics. Once again, Tom Keith of Ballinroad acted as M.C. and as usual he did an impeccable job in organising the official homecoming.

## Paddy Power's Programme As Mayor

Paddy Power, King Street, Abbeyside who has wide experience in politics is the new Mayor of Dungarvan Town

Council. He is extremely excited about being Mayor at a time when the planning permission for the Glanbia site has been granted and is hopeful that the project will go ahead as soon as possible. The creation of new jobs will be a big boost to the town and Paddy himself is looking forward to what will be an extension to the town with modern business premises and facilities.

Again, the new recycling factory which is to be located in the vacant premises in Shandon erected as a reward for being a Litter Free County is a project he would like to see come to fruition in the near future and this will be a dry industry with no water involved that could pollute the harbour.

The new Sewage Scheme has commenced and Paddy is looking forward to a clean and pollution free beach in Abbeyside which would be an amenity for the adults and children of Dungarvan and Abbeyside. Paddy remembers that his own children swam in Abbeyside Beach. On the land's End side - there is work to be done at the Cove and Paddy would like to see it restored to its former glory.

Furthermore, the development of the Quay as an amenity to the town is an issue close to his heart and the development of a Marina in the Harbour is in the pipeline and he hopes to push it through in a private/public partnership.

Paddy is delighted the Pattern is going ahead on the 3rd August and as a former Pattern Committee member he is delighted it is going ahead as it is always a wonderful occasion.

The people of Abbeyside wish Paddy Power Town Mayor every happiness and success in the coming year which is significant too as it is the year in the run in to the Town Council Elections.

## Hank Regan's First Play New York Bound

Hank Regan, whose family have deep roots in Abbeyside, wrote and produced a hilarious comedy 'What Do You Expect' which had its premier performance in Modeligo Community Centre last week and such was the success of the four night run that on the 10th., 11th. and 12th. July 2003 it will have its international premier in the Irish Arts Centre, Manhattan, 553 W 51 street, New York 10019. The curtain will open at 8.00pm. and tickets at 25 dollars each are available from Midway Travel 1800 3201 625.

'What Do You Expect' is not just a look at Modern Ireland - it is also a studied look at American society in the new millennium.

Hank has gathered together an array of experienced actors for a play which he wrote in three days and spent 2 years improving. Henry O'Keeffe as Owen Ryan, Brid Nielsen as Mary Ryan, John Stack as Luke Brady, Paul Mooney as Steven Cole and Gavin Hallahan as the Armanian all give brilliant performances.

Director Hank himself is convinced that having spent more than 30 years cutting hair ensures he has a knowledge of the psychology of people. As a barber it is not just problems you hear but all sorts of anecdotes and stories that make you laugh, cry and most of all glad to be yourself.

### LIGHTING AND SOUND

Dirk Baumann of DBL in Dungarvan has always been a tremendous support to Kilgobinet players. It is marvellous to have someone of Dirk's ability and experience to work with. He has had the contract for festivals such as The Rose of Tralee along with any major events in Waterford City and County working with Spraoi and WLR FM.

Dirk was in charge of lighting in New York for Kilgobinet players the last time round and said it was such good fun he didn't want to miss it in 2003.

## Abbeyside Reference Archive

### ARDMORE - CAPPOQUIN

Some people think its only material from Abbeyside that we hold in the Archive. That is not the case as a large amount of our material comes from much further afield.

From Ardmore we have "A Walk Around Ardmore" by Siobhán Lincoln with drawings by Gay Brabazon.

"Ardmore" Memory and Story by Siobhán Lincoln "Walking the Holy Ground" by Dónal O Connor D.D.

"Declan of Ardmore" is compiled by Siobhán Lincoln, illustrated by Katie Lincoln. From "Cappoquin" we have "Gardens of Remembrance" by Tomas McCarthy. "A priest of His Time, Patrick Fogarty (1791 - 1866)" by Robert Arthur.

Cappoquin 'A Walk Through History' by Melanie O Sullivan and Kevin McCarthy.

This Sunday evening Emma Flynn will be at the parish office, Strandside South minding all the above books as well as all the office 'treasures'.

Visitors are most welcome along to browse at leisure.

## Abbeyside Scout Notes

Since our last notes the scout troop have been on a very successful weekend camp in Glenshellane. The weather for the time was excellent and as scouts were heard to say if it stays even half as good as this for annual camp in a few weeks it should be a great one. The programme involved activities such as hiking to locations nearby the campsite and top of the "to do" list was swimming! This took place in the pond half way down the track and those who brought wet suits found the value of them in more ways than one.

They say that "sharks" can not survive in fresh water but I'm sure David Hickey could prove everyone wrong on this score. The water babies in the troop showed their skills but unfortunately for some Jason included they took a leaf out of the Cabin Fever television programme's book and sank our boat, thankfully all crew were saved. One crewmember was heard to remark how much fun he had but also that he was never as cold in his life! The idea behind the camp was to test both equipment and scouts before we head off to Curragh Chase in Limerick for annual camp. Hiking proved successful, cooking proved successful in fact the whole weekend was completely successful.

The scout meeting this coming Saturday night 5th of June starts at the later time of nine o'clock and will finish at midnight. The meeting will consist of going to a local chipper and then returning to the den to view a video, don't forget the money for the chips!

### CUB NOTES

Last Saturday night the cub section finished up for the summer and will resume activities again on the second Saturday in September. All will no doubt have plenty of stories to recount of their summer escapades on return to activities then.

### ATTENTION FLAG DAYS

All scouts are reminded that for the Flag Day's collection this weekend full uniform should be worn and the Patrols are responsible for the following areas. Tiger Patrol — All Masses (including evening Mass Sat) at the Parish Church Sunday, as well as on Saturday outside Eurospar and En-rights from 11-1 and 2-4. The Wolf patrol = all Masses (including evening Mass Sat) at Abbey side church Sunday, on Saturday at the Square from 11-1 and 2-4. The Eagle patrol = all Masses at the Friary church (including evening Mass sat) Sunday, on Saturday outside both entrances of the L&N.

**OPENING HOURS**  
1.00 p.m. - 8.30 p.m.  
**TUESDAY - SUNDAY**

Based at Millstreet, Cappagh, Rallyconnection has proven to be a hit with rallying enthusiasts and Karting first-timers alike, with their focus on a combination of safety and excitement. The facility, run by Tom Kenneally, boasts the only off-road Karting circuit in Munster, and also holds the distinction of being just one of two circuits in Ireland to offer driving courses at its rally driving school. Consisting of an 840 metres circuit of loose gravel, the Karting track is one of Rallyconnections most popular features. The fact that no two corners are alike makes it a demanding and technical course, testing your driving abilities and your endurance to the extreme. Professionally designed, it features both sweeping and acute bends, and with the tendency on these bends to try too hard and thus getting the tail out on the kart, lap times are slowed considerably.

The use of all your ability, skill and determination is the name of the game on this tight and smooth circuit. If the track is wet, the extra ingredients of considerable concentration and ability are required to lap consistently. **RALLY DRIVING** Rallyconnections specially designed and constructed three kilometres long gravel 'special stage' reproduces the most testing rallying you are ever likely to experience. With loops, crests, jumps and water-splashes, the course is an ideal proving ground for both the novice rally driver to the more experienced. Added to this Rallyconnections rally driving course, which is tailored to each individuals level of ability has three skill levels. So whether you are a novice, intermediate or experienced driver, Rallyconnection concentrates on improving your rallying skills in a friendly and relaxed atmosphere. You will experience a special rally stage on a circuit

of roads designed to keep you busy behind the wheel, if you can drive quickly and safely on the loose then you can drive quickly and safely anywhere. All our instructors are current rally drivers with a wealth of competitive rallying experience between them. They have all competed at the highest level of rallying around the country in championships such as the National Forestry Championship, South East Stages and the Dunlop National Rally Championship. Your personal safety is a priority of the instructors but they will also ensure you have an exhilarating experience. **ULTIMATE EXPERIENCE** Rallyconnections is ideal for birthday parties, corporate events, family day events, Stag and Hen parties. The minimum cost for karting per session is 10 euros with each session consisting of four laps plus one free practice lap for first-timers. ● Each additional lap costs eur2.50 ● Racing is on a timed basis

## KNOW YOUR RIGHTS

**QUESTION** I understand that if someone dies his/her spouse can continue to receive his/her social welfare payment for a number of weeks afterwards. How long will the payment continue for and what should the spouse do to continue to receive the payment?

**ANSWER:** If your spouse/partner dies while getting a social welfare payment, the same rate of payment will continue for six weeks provided your late spouse/partner was getting one of the following payments and it included a payment for you: Retirement Pension, Old Age (Contributory/Non-Contributory) Pension or Pre-Retirement Allowance Unemployment Benefit/Assistance or Supplementary Welfare Allowance

Disability Benefit/Allowance, Invalidity Pension, Blind Pension, Injury Benefit or Unemployability supplement. Alternatively, if you are getting Carer's Allowance/Benefit, Retirement Pension, Old Age (Contributory/Non-Contributory) Pension or Blind Pension and your spouse was getting one of the payments listed above, you will be paid six weeks of whatever payment he/she was receiving plus your own payment. From June 2003 this six-week payment after death will be extended to most of the remaining social welfare payments such as Unemployment Benefit/Assistance and Invalidity Pension.

If you are getting a social welfare payment that included a payment for your late spouse/partner, you will continue to receive the same rate of payment for six weeks after his/her death.

The six-week payment is normally paid in a lump sum by cheque. To apply for it you should write to the section of the Department of Social and Family Affairs who issue the social welfare payment as soon as possible following the death. You should enclose the death certificate (if available) or a death notice from a newspaper and, if applicable, the payment book. Further information on bereavement is available in the new booklet entitled 'Bereavement' published jointly by Comhairle and the Department of Social and Family Affairs which is available along with other information from the Citizens Information Centre below.

## MONEYMATTERS

### TELEPHONE BILLS

Telephone bills can be a major source of worry. If you are in debt you may have to consider getting rid of your telephone altogether to cut down on your expenses. You may, however, have a number of reasons that make it essential for you to have a telephone. In this case it is important to keep it short and if at all possible make it during the cheap rate period.

People are often horrified to receive a large phone bill. There can be several reasons for this. Usually someone close to home is the cause. Teenage children love to talk on the phone to their friends. Even the babysitter may have a boyfriend abroad! Calls to mobile phones, and chat lines can also be very expensive. If you cannot control the use of your phone, you can always have the phone disconnected, and an arrangement made to get incoming calls only. If you feel that disconnection is a bit extreme, you can request an itemised bill, so that you can trace just who is making all those calls from your house! It pays not to ignore a telephone bill even if you cannot afford it. In order to recoup the money owed, legal action may be brought against you by the telephone company. If legal proceedings are brought against you, you may also have to pay legal costs. As with all creditors once you fall into arrears it is important to contact them immediately to explain your situation. You may be able to come to some arrangement with them to pay off your outstanding arrears. We were saddened to hear of the recent deaths of long standing Museum Society members Bridie Whittle and Paddy Walsh and we extend our sympathy to the relatives of both. Paddy Walsh had in the last year or two donated material to the Museum archive on the pub in Grattan Square. Below we give a brief history of Paddy Foley's pub including part of an interview Paddy Walsh gave Tom Tobin. Paddy also compiled a history of Kilnafrehan in 1999.

### Paddy Foley's, Grattan Square

Griffith's Valuation 1851 records that the house was vacant and it was owned by Charles Hudson and valued at £26. In the sale brochure for the Devonshire Estate in Dungarvan dated 1861. Paddy Foley's Pub and the adjoining 2 houses were sold in one lot. The tenants are described as the 'Reps of John Hudson'. The buildings were leased in 1824 by the 6th Duke of Devonshire to John Hudson Seneschal, for the lives of the lessee, John Hudson then aged 16 years and Alicia Hudson, then aged 10 years, eldest son and eldest daughter of the said lessee.

In 1909 Johanna Browne, widow assigned the premises to her niece Ellen Dunford (daughter of John Dunford of Kilnafrehan) in consideration of the love and affection borne by the said Johanna Browne for the said Ellen and also in consideration of the services rendered for the past 17 years. The document was witnessed by Michael Halpin, Blacksmith, Bridge Street, and Daniel O'Leary, Law Clerk. John T. Hudson sold his Dungarvan properties in 1915. The sale brochure notes that Paddy Foley paid a yearly rent of £29-10-0.

### Interview with Tom Tobin

'Paddy Foley, who made the pub famous, died in 1948, but his wife Ellen kept on the traditions with the assistance of her nephew, Paddy Walsh who became the owner in 1953. When they built the house now known as Paddy Foley's nobody would take it at a rent of £19 a year it could not be leased and for some time it appeared that it would remain vacant, at a time when all houses built by the Duke of Devonshire were being occupied.

There was a Mr Hudson who was his agent and I often heard my aunt and many other folk refer to him as the sheriff. I can remember my aunt saying that Mr. Hudson's sister lived in our house long before we came into it. At that time it was number 11. Now it is number 12 because a house further down was divided into two. As far as I can remember it was Mrs Kelly from Ballinacourty who took over my place, to set up the first public house on the corner. It is interesting to mention that at that time, one could go anywhere to set up a pub if you had a licence was attached to the person and not to a particular house. My grand-aunt, Joanna Dunford of Knockanee? moved in, agreeing to pay the high rent of £19 a year She married a man named Tom Browne, but sad to relate, he didn't live very long and the place became

widely known as Mrs Browne's pub. it was between 1911 & 1913 that the place passed from Mrs Browne to my aunt, who married Paddy Foley in 1914. It wasn't long until the place became Paddy Foley's pub. The place did a tremendous business because it was on the corner of the Square close to the Post Office, and even more important it was close to the old fish-market at the corner. It became a favourite haunt of the sea traders. We used to bottle our own whiskey at one time. I remember the label used to say from 70 to 76 proof, but you can't get it anymore. I remember Mrs Foley telling me that around 1917-1919 Paddy Foley had the best whiskey on offer at twenty two shillings a gallon and only three shillings a bottle.

One of the strange points about Paddy Foley's pub is that it is famous throughout West Waterford for the quality of its tea. We had such a good business in the tea trade that we never interfered with it and sold it straight from the chest. We did not blend here. That was done by Punch & Co. Cork. At one time we had a grocery attached to the bar, but that is gone for years now.'

## DISABILITY AWARENESS

### Mainstreaming - Part 1

The Programme for Government (June 2002) has a commitment to 'include provision for rights of assessment, provision, appeals and enforcement'. The Waterford Disability Network of PwDI, is of the view that there should be a statutory right to an independent assessment of need leading to a Statement of Need, as outlined in the Strategy for Equality.

### Mainstreaming Part 1

Mainstreaming is an important mechanism for enabling people with disabilities to participate equally in society. In A Strategy for Equality the Commission recommended that the needs of people with disabilities should be met through mainstreaming.

Meeting the needs of people with disability through mainstreaming requires that a statutory basis be given to mainstreaming in the legislation to ensure that public bodies promote equality of participation in society and the active involvement of people with disabilities in mainstream activities. Mechanisms for achieving mainstreaming include establishing equality objectives, preparing disability strategies to meet these objectives, conducting impact assessments, and ensuring participation and monitoring outcomes for people with disabilities.

In some cases mainstreaming services may be either inadequate or it may be inappropriate to provide services to people with disabilities through mainstream services. Mainstreaming should, therefore, take account of diversity within the range of people with disabilities. Mainstreaming should also operate as part of a dual approach to disability equality through positive action and allowing for the provision of individualized services.

The legislation needs to recognize that by designing services for the services for the majority of the population the effect is to inadvertently discriminate against certain groups by neglecting to recognise, respond to and plan for their particular needs and circumstances.

In order to provide a framework for mainstreaming the DCLG recommends that the legislation provide:

- A statutory basis to mainstreaming in the legislation.
- A statutory duty placed on public bodies to promote equality for people with disabilities.
- The active involvement of people with disabilities in mainstreaming activities, including the formation and implementation of laws, policies, regulations, administrative provisions and in the provision of services.

There exists much international best practice on different aspects of equality mainstreaming, including Section 75 of the Northern Ireland Act 1988, and there is substantial experience in the Department of Justice, Equality and Law Reform in the field of gender mainstreaming.

To be continued next week - Mainstreaming Part 2

We provide information, support and advocacy for people with disabilities, (Physical, Sensory, Learning, Mental and Emotional Health). For further

## Ardfinnan Student Wins Environmental Award

TV star Geri Maye presented a plaque and cheque to the principal and pupils of Ardfinnan School, the winners for Tipperary in the Munster regional finals of the ESB Environment Awareness Awards in Carrigaline Hotel, Cork recently. The schools project featured a variety of aspects to make the schools environment a happy habitat. This included planting 375 daffodil bulbs to form what pupils described as their 'Trumpets' project, the Peace Path, a

printed path linking the playground to the Butterfly patch and the magic mural in conjunction with South Tipperary Art Centre. This is the sixth year that competition has been run on a nationwide basis, since being established by St. Patrick's College in 1991. This year, almost 300 entries were received from schools all over Ireland. The winning school from the Munster final, St. Ursula's school in Waterford, goes forward to the National final

## Minister Performs Main Guard Opening

The official opening of the Main Guard, Clonmel's Clock Tower in the town centre which marked the culmination of a restoration project which began eight years ago. The opening ceremony was performed by Martin Cullen, Minister of Environment and local Government. The hoarding at the front of the building was removed last week and the finishing touches were put to the restored 328 year old building. When completed the project will have cost a total of 3.7million. Originally, the main guard stood on a market square, a wider area of O'Connell St. At the centre of the square was Market Cross, the base which can be seen in the wall of McMahons shoe shop on Sarsfield Street. The Main Guard was the administrative and judicial centre for the whole county and wide ranging legislation was passed there. At one stage, Godwin Swift was attorney general there. This building also continues some stone reused from a Cistercian building possibly the Abbey of Inisloungaught, which dated from the middle of the twelfth century. In that sense the main guard is a transitional building, bridging the mediaeval and classical periods of architecture.

## Pretty Wedding at Fourmilewater

The beautiful Roman parish church of St. Laurance at Fourmilewater was the scene of a very pretty wedding on Saturday last, 28th June, the feast of St. Ireneus (martyr), the contracting parties were Michael, son of Tony and Sarah Lavery, Grawleys Gate, County Antrim and Ann Marie, daughter of William and Alice Ryan, Graignagower, Ballymacarbry. The Bride who looked charming was given away in marriage by her father William and was attended by her neighbour and friend Mairead Ryan as bridesmaid, the Best Man was Seamus Lavery, brother of the groom, and the page boy was Caelan Ryan. After the church ceremony the entire party left for Lawlor's Hotel, Dungarvan where the wedding reception was served in excellent style. After Rev. Fr. William Ryan, P.P. had blessed the cake to toast the bride and bridegroom was appropriately honoured and felicitous speeches given by Fr. Ryan P.P. and many guests present.

A most enjoyable and musical time was had by all until the early hours. As the happy couple left, they were accorded a most congratulatory and enthusiastic send of accompanied by the best wishes of all present for a married life at unclouded happiness in the years to come. On Monday morning the happy couple set off on their honeymoon which is being spent in Italy, they will visit Rome, Sorento and Milan and other places while they are there. ## 91 Year Old Widower Survives Six Day Ordeal

A 91 year old widower survived for six days and five nights in a cornfield, was last night sitting in a hospital bed at St. Joseph's Hospital, Clonmel sipping a cup of tea, and eating a cut of toast and a boiled egg. The Gardai, civil defence and many rescue teams from many places were involved in the search for Joseph (Joe) Walsh, Caherclough, Lisronagh, Clonmel. All those were happy for finding what they feared would be a tragic loss, the mild weather played a part, no frost or rain at night, and the super instincts of a dog called Holly, this man would not have survived. Sgt. Kevin Bowen, Clonmel Garda Station said he could not believe what he saw, grown men crying when they saw him alive. So many people teamed together for the search. Farmers left crops standing in the fields, and people from the whole area were out looking for this man. I was in the next field said Sgt. Bowen when we got a call that 'Holly' handled by Noel Murphy had located him. My heart leapt. It's nothing short of a miracle that this man survived six days and five nights with no food or no water. He was a bit disorientated and dehydrated but was otherwise fine. The first question he asked was the dogs name. K9, a voluntary operation based in Midleton, Co. Cork, their front man and Holly, the dogs trainer, Mick McCarthy said it took the dog a Labrador/Collie cross just 10 minutes to find the missing man who suffers from Alzheimer's disease. It's the eighth time that the dog Holly was called on a search operation, and it was the first time someone was recovered alive.

## 200,000 Visitors Booked Up For The Fleadh

Over 200,000 people from all over the world have already booked their accommodation for Fleadh Cheoil na hEireann to be held in Clonmel this August. The organising committee for Fleadh Cheoil have sent out an urgent plea to householders in Clonmel and surrounding areas to put their dwellings at their disposal, so that demands for accommodation can be met. The committee require another seventy five houses to meet the list of names they have taken at the moment. The search is not only for houses but single rooms, double rooms, caravans and mobile homes. Hotels, bed and breakfasts and apartments are all completely booked up in Clonmel, with the Fleadh accommodation office having to book accommodation for people in Waterford, Kilkenny, Dungarvan and villages like Ballymacarbry, Ballyporeen, Clogheen, Ardfinnan and many other places. They expect another 100,000 to book that is the reason that houses are urgently needed. Householders in or around Clonmel can earn up to €600 per week.

## Late Mr. Charles Boland

It is with regret we pen the death of Mr. Charles (Charlie) Boland, Thorny Bridge, Clonmel. Charlie has been ill for a number of years but bore this huge cross with an abundance of courage and faith. It must have been made a little easier for him with the constant care and love of his wonderful wife Eileen and family.

Charlie was president of Moyle Rovers GAA club and in the years before his illness struck he dedicated much of his time and worked hard to build the club into what it is today. Even through his illness he never lost interest in club activities and was very proud of all their achievement.

The esteem in which Charlie and his family are held by all the community and beyond was evident by the huge concourse of mourners who attended the removal of his remains on Sunday evening to St. John the Baptist Parish Church, Powerstown where they were blessed and received by Very Rev. Fr. Peter Ahearn P.P. Powerstown/Lisronagh. On Monday morning, the feast of St. Elheldreda (Abbess) requiem Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Peter Ahearn P.P. After Mass a kind and loving person was laid to rest in the adjoining cemetery.

To his wife, sons, daughters, brothers and his many relatives we extend our sympathy.

Mass in St. Mary's Parish Church on Monday, July 7 at 9.30 a.m.

A laugh, a joke and time to care,  
Kind friends who think of Nora today,  
A little prayer to Jesus say.  
(From your loving friend Nuala).

**BUCKLEY** — Seventeenth Anniversary — In loving memory of John Buckley, late of Church Street, Cappoquin, who died on July 2, 1986.

A silent grief that's in our heart,  
No human eye can trace,  
For many a broken heart is hid,  
Beneath a smiling face.

And when everything goes wrong,  
I seem to hear you whisper,  
Cheer up and carry on,

Don't cry, I'm only sleeping,  
And we'll meet again some day.

IF I KNEW

If I knew it would be the last time,

That I'd see you fall asleep,  
I would tuck you up more tightly,

And pray the Lord, your soul to keep.

If I knew it was the last time,  
I'd hear you voice, whisper words of love to me,

I would video tape each word,

So I could play them back day after day,

If I knew it would be the last time,

That I'd see you walk out the door,

If I knew it would be the last drive,

We would take together,  
I would have prayed the miles turn into years,

Tomorrow is not promised to anyone,

Young or old alike,  
Someday we will meet again,

Where sorrow is unknown,  
Then I'll put my arms around you,

And whisper Mattie, I love you so.

(Sadly missed, forever Nell XXX).

**REDDY** — Second Anniversary — In loving memory of Mattie Reddy, late of Lower Glen, Modeligo, who died on the 4th July 2001. R.I.P.

Because you were a Dad to me,

Was cause enough for pride,  
No one could ever equal,  
No matter how they tried,  
Our hands cannot write,  
What our hearts want to say,  
We will love you forever,  
And miss you everyday.

(Loved and remembered, Michael, Siobhan and Gavin).

**REDDY** — Second Anniversary — In loving memory of my dear father Mattie, late of Lower Glen, Modeligo who died on July 4th 2001. R.I.P. Mass offered.

Everyone whispered softly,  
Time would ease my pain,  
But life here without you, Dad,  
Will never be the same,  
I laugh, I smile, I play the part,  
But beneath it all is a broken heart,

I hide my tears, when I speak your name,

But the ache in my heart will always remain.

(Sadly missed by your son Eric, Tracey, Erica and Tholom).

**REDDY** — Second Anniversary — In loving memory of Mattie Reddy, late of Lower Glen, Modeligo, who died on July 4th 2001. R.I.P.

You have crossed the flowing river,

To the shores of evergreen,

We would dearly love to see you, Dad,

But the rivers flow between,

Away on a beautiful hillside,

Free from sorrow and pain,  
Some day we will go to meet you,

And find you waiting there,  
We will know your voice among the crowd,

And your loving smile of old,

And our hands will meet on God's own street,

And never more unfold.

(Never forgotten love Kenneth, Dolores, Rian, Niamh and Darragh).

And each one would be true,

You left so many memories,

To me you were so dear,  
No matter when I needed you,

I always found you near,  
The home you left is lonely now,

And I am lonely too,  
Those left behind are good and kind,

**PRAYER TO THE VIRGIN MARY** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Mother, I place this cause in your hands (3 times). Thank you for your mercy towards me and mine. Amen. This prayer must be said three days and after that the request will be granted. The prayer must be published. Daniel.

**ST. MARTHA** — I resort to thee and to thy petition and faith. I offer up to thee this light which I shall burn every Tuesday for nine Tuesdays. Comfort me in all my difficulties through the great favour thou didst enjoy when Our Saviour lodged in thy house. Intercede for my family that we may always be provided for in all our necessities. I ask three, St. Martha, to overcome the dragon which thou didst cast at thy feet. One Our Father and three Hail Marys and a lighted candle every Tuesday and the above prayer made known with the intentions of spreading devotion to St. Martha. This miraculous saint grants everything before the Tuesdays are ended, no matter how difficult. — N.O.D.

**NOVENA TO SACRED HEART** — Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your prayer, not mine. Amen. Say this prayer for three days, promise publication and favour will be granted. Never known to fail — N.O.D.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — A. M.

**FOOTBALL SUMMER CAMP**  
Please note that this year's football camp takes place in Aglish from the 7th to the 10th of July. The times are 10am to 2.30pm and the age range is from 5 to 15 years of age. It is essential that all children who attend the camp are paid up members of the club. However if non-members wish to attend, a fee of €2 will be taken up on the first day to cover them from an insurance point of view. This levy is totally separate from the cost of the camp. Pre-booking is not required as fees for the camp will be collected on the first morning of camp. A packed lunch is essential for all participants, who should remember to bring plenty of drinks as the weather should be fine. Also, if the sun is shining, make sure your children wear sun-cream to prevent burning.

Kenefick and Brian Phelan and to Gavin Kenefick who did a wonderful job on the lining machine late into Friday night. Thanks too, to all the other young players who acted as umpires and linesmen. **SENIOR HURLERS**  
Disappointment at Semple Stadium Thurles last Sunday as Waterford failed to retain their Munster title. Too many missed chances and lack of consistency proved to be our downfall and Cork capitalised. We now look forward to the qualifiers and an All-Ireland quarterfinal in two weeks time.  
**WATERFORD U21 FOOTBALLERS VERSUS CLARE**  
This was a game that Waterford should have and could have won. Level at full time and level again in extra time. One feels it was one we left behind in Walsh Park last Wednesday. It's now onto Ennis for the replay and we wish them the best of luck.  
**LADIES FOOTBALL**  
Hard luck to the Waterford U14's in the Munster Final last Saturday as they were beaten by a very impressive Cork side. Well done to the management on getting them so far.  
**BEST OF LUCK**  
Best of luck to the minors who play Cork this Wednesday evening. We wish the best of luck to the Seniors and Juniors as they kick off their Munster Championship Campaign next Saturday in Walsh Park against Kerry. # The Ballyrafter Centre, Lismore

Tremendous rivalry and great competitive finals were the key factor of the Summer Showjumping League Finals held at The Ballyrafter Centre, Lismore last week. The Horse Finals saw two Clonmel riders Patricia Lalor and Margaret Widger who had just returned from Germany, on the winning stand. Sean Kelly won for the Cork side in the 1-20m and two Young Riders scored well in open competition Niamh Hennessy, Cappagh winning the super 1-10m final and Richie O'Hara won the 1-00m final for last years winning owner Thomas Kearns. The Pony Finals produced a great treble by Stradbally rider Tom Hearne and Thurles girl Lynne Ryan had a very popular double, a feat emulated by Peter Moloney, Colligan. Niamh Hennessy's younger brother Sean won in 128's and Sarah Halley, Waterford won the 148CD.

Competition opened on Thursday morning and Patricia Lalor got a tremendous start to the day with Dr. Molly Owens "Rocket Science" seeming to use propelled fuel to win the 0-90cms in 33.37 from the leading horse "Lord Windermere" owned and ridden by Dungarvan rider Michelle Griffin who got 36.61. A close third in 37.40 was Tim Joe O'Donovan's "Carrigroe Imp" by "Master Imp" ridden by Clonakilty based Derry Kingston who had all three of his rides in the line-up. 15 horses went into the jump-off of the 1-00m final but it was Richie O'Hara, Portlaw who got 37.37 with well known stallion owner Thomas Kearns, "River Gold" by "Kildalton Gold" to head the line. Patricia Lalor was there again, this time with the 17.3hh mare "Lisheen Suir View" showing amazing agility in 38.44 and Pauline Dahill, Glencairn took third with Barry Hogan's "Kilwinny Duchess" who has now been scanned in foal.

Ten took on the clock in the 1-10m final and normally known more on the eventing circuit Olivia Holohan, Fethard set the target here with her superb "Booalagh Belle" but Sean Kelly, Watergrasshill immediately went one up with "Lucky Emerald" in 49.27 and then going at the end of the draw Niamh Hennessy and William Nugent's five-year-old "Chapel Rose" by "Temple Clover" flew everything in 45.90 to win well. Sean Kelly very quickly changed to "Kelly's Gold Mist" and this great mare provided his top winning prize in the 1-20m ahead of Margaret Widger with "Kilmoylan Warrior" and fellow Clonmel girl Claire Morris on "Rossinan Jack". Margaret then achieved her revenge in the 1-30 final when reversing places with Sean and "Gold Mist" and Ian Cliffe who had Phyllis McCabe's "Knock-aun Lady".

On Friday evening the 128 D Final set the form with a great jump-off from these small novices. 7 jumped off and it was a battle between Sean Hennessy on P.J. Veale's "Coolnacreena Princess" who stopped on 38.57 and after a great effort Lynne Ryan went second on "Master Otto" in

38.62. Christopher Joyce, Killeagh deputised for cousin Patrick on "Kilcreene Venus" and went third with the joint leading pony. Hollie Dunford placed sixth in both D & CD with her leading pony the four-year-old "Knockroe Steel Lady".

The battle continued in the 128CD Final but this time Lynne Ryan knew what was required and drawn first put on pressure in 36.19. Sean had a brave attack but 36.97 meant he had to take the blue this time around. From Cappoquin Colin Fives took the next three places with his ponies in super form. Lynne Ryan now on song also took the 128ABC with the leading pony "Tullibard's Bungi" from Dungarvan girl Rachel Walsh and "Uisneagh Mist".

Peter Moloney had two great rides on his aunt's Frances Condon's consistent "Rob The Cob" to win both 138 novice finals. It was not without tough competition though. Araglen lad Seamus Condon in the D Final put real pressure with "Scailig Hally Bop" getting within 3 tenths of Peter's time and from Middleton Edel Kelly was just one second away in third with "Shaft's Little Dancer". Niamh Barry, Knockraha had the leading pony "Ashford Star". From Dunmore East Stephanie Higgins set the target in the CD Final with "Silver League" in 32.19 and Seamus again got close with his leading pony "Scailig Hally Bop" in 34.74 but Peter and "Rob the Cob" had the benefit of the draw, flew the last fence at an amazing angle to win in 31.25.

Tom Hearne started on his winning role in the 148D with "Latchstone Bobby" clear in 37.80 which only Cappagh rider Kevin Kiely got close to in 38.97 on the four-year-old "Rock On Rockall" and Sarah Halley took third on "Charlie Swift". However Sarah was only warming up as she produced a fantastic turn of foot in the 148CD final "Charlie" living up to his name to swiftly circuit 35.99 and win from Sheila Finn with Tim Beecher's "Loughnatousa Sean" in 38.65 and Amanda Kelly on another four-year-old "Shaft's Cherokee Dance" finished third. Tom Hearne took both leading trophies with Tom McAuliffe's "Miss Whisper".

The two Open Finals went to Tom Hearne but he had to work hardest in the 138ABC. From Waterford Hayley Lenihan and her leading pony "Hayley's Dream" had set 42.62 but after a superb round Reece St. John, Thurles and "Liberty Jess" looked overall winners in 40.56 but a rider in form is hard to beat and Tom steered Frank O'Connell's "Crystal Dream" round in 39.10 to take his second title. His father's very promising "Master Benji" provided the winning power in the 148 ABC which he won ahead of Dunmore East girl Emma Chedgy and her improving "Darrow Barney". From Ring, Rose Mary Clancy was a worthy third with "King Casper" having only just moved up the grade during this League.

Showjumping continues at

Ballyrafter with the Lion League currently running on Saturdays for both ponies and horses and the Goresbridge 3 year-old Lunging Championship qualifier takes place on Wednesday evening July 23rd.

# Colligan Woods Riding Club

**THE HORSE SHOE DIARIES**

It's a good sign for any club if there's been too much going on to write any notes for a couple of weeks and that's just what happened with us. Saturday 7th and Sunday 8th June, saw virtually every club member, plus family and friends, pitching in to organise and run the Regional Qualifier for the AIRC Team Jumping competition. The first task of Saturday was to transport jumps from Colligan Equestrian Centre to the venue. At this point, I must take time out to give a big vote of thanks to John and Louise Moloney for entrusting us with practically the entire contents of the Equestrian Centre. They stinted on nothing, from standards, poles and planks down to cups and water trays. John and Louise even went to the trouble of acquiring some very impressive sentry boxes from Tony and Nancy Condon, which really gave a touch of class to the wall. There was a great festive atmosphere as everyone pitched in to set up a real championship course, under the expert eye of our course builder, Noel Phelan. Once the course was in place, the talents of our horticultural experts, Noreen, Una and Aine came into play. All those years in the W.I. flower arranging classes paid dividends. Even Missy, Una's dog, played her part in this operation. The fact that the poor rhododendrons didn't stay the course is neither here nor there! The entire Starling family turned out to help and I must say that their contribution was outstanding. The best turned out award, on the day, went to Babs Coady. Attired in full chaps, camouflage jacket and baseball hat, complete with cheroot to add that little extra je ne sais quoi to the ensemble, she resembled more GI Jane,

than anything else. All she needed was the armelite.

On Sunday, everyone was on site at 9.00a.m. for a 10.00a.m. start. The show kicked off 15 minutes late, but within the first hour we were right back on schedule and I'm glad to report that the show ran like clockwork. This was due, in no small measure, to the effort and thought put in by Donna and Kevin, who had roped off separate warm-up and practice arenas as well as the pocket, times. Lesley, Una, Des and Kevin O'Brien are to be particularly commended for the excellence of their organisational skills and efficiency. On course, Noel Phelan and his able assistant Joe Murphy oversaw proceedings while Chris and Francis were ever available to rebuild as required.

Poor Chris toiled all day despite having pleurisy. This was above and beyond the call of duty.

Later in the day, Francis joined forces with Catherine to sell raffle tickets. If either of them ever considers a career change into the area of sales and marketing the club will certainly provide references. The other heroes of the day were our judges Aileen O'Connor, ably assisted by Angela Lynch and the Civil Defence volunteers who provided medical cover throughout the day.

We were represented on the day by two teams. The Reds comprised, Donna Coady and "DLS Golden Gift", Kevin Roche and "Zabriska", Aine Cummins and "Millie" and team captain Louise Moloney on "CEC Mystery". Louise is a glutton for punishment to be back at this level of competition having just had a new addition to the family at Christmas. The Blues comprised Rachel Raheer and "Sheldon", Blanche starling and "Taz", Aine Cummins on "Lucy" and team captain Donna Coady on "Benji". Each one of our riders and horses was a star on the day. I have to say there were some emotional moments (and I'm not talking about the Watercork syndicate horse) as we spectators jumped every jump with each and every competitor. Little "Benji" was the star of the show jumping

two clinical clear rounds. There were evident lumps in throats when Donna was heard, at the biggest fence on the course, to yell "Big one Benj". Needless to say "Benj" obliged and cleared a fence as big as himself. What a little trooper. Louise was unfortunate to have to pull out of her second round when she detected a problem with "Mystery" but, as with all our members, and a sign of a true horsewoman, she put her horse's welfare before any gain or glory. We couldn't have been prouder of her if she had won against the clock. The eventual outright winners were Warrington, the only team to be on zero faults after the second round. We wish them all the best at the RDS and can assure them of our unstinting support. Despite a long and tiring day, the clean up operation was tackled with gusto. Again, every available member, including our competitors, pitched in. Aine's HGV licence came into its own as she raced around the course in record time, with Kevin's truck, while we re-loaded all our equipment. I would also remind members that the entire event is on candid camera. Colin Smith, bless his cotton socks, spent the entire day sitting on the roof of the judges box with a camcorder acting as official photographer, cameraman and video ref. Finally, I would again like to extend sincere thanks, on behalf of the club to Jimmy and Jerry O'Brien for the use of their field. Their contribution to the amateur equestrian sport is appreciated not only by local amateur riders but also by every club in the Southeast Region. Without their generous gesture, this prestigious event would have been very difficult to organise.

Now that our big event for the season is out of the way, attention has shifted to our Primary riders.

We are currently running a series of jumping training nights at Colligan Equestrian Centre. Two Lessons have already taken place and these lessons are set to continue for the next couple of Monday nights. Again, thanks to Louise and John for making their facilities available. It is heartening to see our Primary riders take up the challenge to get into the swing of things. Already in action are Ann, Angela, Lesley, Una, Babs, Catherine and Eileen. Babs is apparently already regretting her bravado and has left the country to avoid further training. Don't worry Babs, we'll hold over the competitions to facilitate you before I finish a word of commendation to local horsewoman Therese White who is currently helping out with the Special Olympics. Therese is working as a volunteer and has two horses, "Morgan" and "Flash" competing.

And finally, for any interested members, Clonmel Horse Sanctuary is having a sponsored ride on July 13th. Sponsorship cards are available from Tack & Things, Shandon, Dungarvan.

## HORSE RACING SNIPPETS

BY MARK PHILLIPS

### PAT EDDERY TO RETIRE

Irish born flat jockey Pat Eddery caught the racing world off guard at Windsor races last Monday night where he announced his retirement at the end of the current flat campaign. 51 year old Eddery has three Epsom Derby's to his name plus four "Arcs" in France. Pat who was eleven times champion jockey in the UK intends managing a horse racing syndicate next year.

### MR DINOS RESTS

An impressive winner of the top staying race at Ascot Mr Dinos trained by Paul Cole will not race again until the Autumn. Mr Dinos returned home with sore shins after Ascot and his trainer intends preparing his charge for a campaign of Autumn racing in France.

### DECISION REVERSED

As expected the Kevin Prendergast trained Rapid Ransom was reinstated as the winner of a flat race at Roscommon as the Curragh trainer appealed against the decision of the local stewards to demote his filly from first place.

### TRALEE UNCERTAINTY

The future of horse racing at Ballybeggan Park, Tralee is in doubt as the track is losing money. As those of you who frequent the venue the track is quiet central to the town of Tralee and no doubt would fetch a healthy sum if sold for development. The Irish Cup Coursing event was also run at this venue for the past couple of years but that will now revert back to Limerick next year.

### BAD BREAK FOR TED

Irish born jockey Ted Durcan faces a spell on the sidelines having broken a wrist at Carlisle last week. Ted has not enjoyed much luck with injuries in the past couple of years having just come back earlier this year after breaking a leg in Dubai.

### NEW RACECOURSE

A new racecourse is planned for Chelmsford in the UK in the next couple of years. Should the venture go ahead it will be the first new racecourse in Britain for over 75 years. Taunton was the last racecourse to open its doors back in 1927.

### THIS WEEKS IRISH FIXTURES

Thursday — Bellewstown 5.30 pm

Friday — Bellewstown 5.30 pm,  
Limerick 5.45 pm

Saturday — Limerick 5.45 pm,  
Leopardstown 5.45 pm

### PONY RACING

Our congratulations are extended to Cappagh County Waterford youngster Declan Queally Jnr. who recently helped himself to two winners at the Castleisland Horse and Pony racing fixture.

### THE PAST WEEK

Slieverue trainer Eoin Griffin has his runners in top form at present and he was in the winners enclosure at Tipperary on

Thursday night as his Patrizzi captured a novice hurdle event under Barry Geraghty.

The John Codd trained Ira Hayes finally got his jumping together for owner John Brennan and Shay Barry capturing a novice chase at Tipperary. The good ground may well be the key to this winners improved style of jumping.

### AGA KHAN DOMINATES

#### IRISH DERBY

Last Sunday's Irish Derby at The Curragh attracted an attendance in excess of 31,000 and they were treated to a thrilling finish in the showcase event of the afternoon as Johnny Murtagh brought the John Oxx trained Almshar 4/1 with a well timed challenge to outstay the impressive French Derby winner Dalakhani both horses owned by the Aga Khan who is a great supporter of the bloodstock industry in this country and France. Once again the Aidan O'Brien team of runners failed to sparkle and our each way fancy Powerscourt was the first horse beaten in the home straight. One should remember that every time a Balydoyle horse fails to deliver in a Group race it wipes millions off their potential stud value.

### GOWRAN PROBLEMS

Having viewed the horrific falls of the two riders at Gowran Park last week it came as no surprise that the remainder of the card was called off. Having seen a number of incidents at Irish race meetings in the last couple of years the only conclusion I come to is that there are a number of Clerks of courses employed by the Irish Turf Club who are not up to scratch and unless something is done in the near future a major incident is bound to happen. One point that annoys me however is that the fact that the stewards take no action at meetings until such time as the jockeys lodge a complaint. To illustrate my point had the jockeys at Gowran not complained to the acting stewards on the day were the officials going to press ahead with the fixture even through jockeys lives could well have been in danger.

### GO RACING

This enjoyable racing program continues on TV3 at half past ten on Friday nights with a repeat going out at 10am on Saturday mornings.

### SUSPENDED JOCKEYS

After taking the four mile Summer Grand National at Uttoxeter over the weekend Roscrea born rider Rodi Greene was hit with a three day ban for overuse of his whip while Fergal Lynch was incurred a seven day ban for losing third place on a Sir Michael Stoute trained horse at Doncaster. Fergal dropped his hands in the closing stages and now faces an unwanted holiday which includes the July meeting at Newmarket.

## Ballyduff Walking Club

On Saturday next July 5th the annual George Harney walk across the Comeraghs will take place. Any members wishing to take part should contact Dungarvan walking club for information.

Our next club walk will be on Sunday next July 6th. We will meet at 1.00 pm sharp outside St. Michael's Hall for a car pool to Youghal. Our walk will be in Claycastle Youghal, a circuit of 8 miles with walk leader Dick Wade.

## COMMUNITY GAMES MODEL-MAKING

Well done to Ailis Pollock and Declan Leonard both from the Stradbally area who have qualified in the clay-modelling and will now go on to represent Waterford at the National Finals which will be held in Mosney next month. Good luck to you both.

## RED HOUSE LEAGUE NOTES

# Annual General Meeting

As we have written here for the past few weeks, the Annual General Meeting of The Red House League will take place on Monday 14th July in The Red House, Lismore with an 8:30pm start. Needless to say it is imperative that all clubs are represented on the night. We can now confirm for certain that the league will be losing one of their committee members due to other commitments, and his position will have to be filled.

When we spoke to League Chairman, Michael McBride during last week he told us the league will be asking the clubs for at least two if not three members to come on the committee. The league, Michael informed us has been growing steadily in the past number of years and the workload for the present committee is too much. A couple of extra hands would lighten the load the Chairman concluded. We agree with Michael and also as we write last week, two thirds of the present PRO team are also retiring, Liam and Paddy who agreed with Anthony to make up the team that compile

those notes every week, handed in 'their notice' to the league at the last committee meeting. Both agreed when they spoke to us last weekend that time was their problem, as everyone knows being a PRO is a time consuming job and weekends are totally tied up in the league with reports and previews to meet a schedule.

Even if we say so ourselves, we must compliment the three scribes on a job well done. Both Liam and Paddy will stay on the committee if elected at the Annual General Meeting.

Liam along with Lismore's Joe Tobin is joint manager of the Oscar Traynor league team and Liam is also organiser of the youth side of the league, while Paddy is the league's representative on the Munster council and also represents Munster at the FAI Junior Council League, Chairman Michael McBride when speaking of the post of PRO of the league said there has to be someone in a club interested in writing league notes. Let us hope so. So clubs, ye have all been warned.

# FAI Junior Cup

As we wrote last week next seasons Statoi sponsored FAI Junior Cup will kick off in September, probably Sunday 21st September. For the first time ever teams in the 1st and 2nd division will be allowed play in the prestigious cup competition in the 1st and 2nd round and in the 3rd round will be joined by Premier teams. Last season just over 650 teams kicked off in this the biggest cup competition in Europe. So one can see with the new rule how big a competition it is going to be starting in September. Speaking to some clubs last week one league will be represented. For the past number of years, Valley Rangers and Brideview have been the pace setters and both have had good cup runs at different times. Both have seen the improvements in these players by playing against superior sides, teams that have held their own, such as Pike Rovers, St. Michael's or the present cup holders Fairview Rangers of Limerick with many senior league sides.

Fairview Rangers have set a standard that all junior sides would like to attain and as this writer has seen them on a number of occasions would regard them as the pace setters for all Junior Clubs in Ireland.

Many of their players play with Limerick in the Oscar Traynor Cup and as everyone knows Limerick just defeated our league by one goal last February. So on that perspective any of our team should look forward to playing in the Junior Cup this coming season. Application forms will be with the league secretary Michael O' Neill shortly.

## SUPER DRAW

Last weekend we met treasurer Pat Casey and after much questions he gave us a quick brief for this years Red House League Super Draw. This will be the seventh draw organised by the league and from what we saw the prizes are the best yet. There is a large cash 1st prize the opening month, with a car the incentive the final night. Sporting wise there is a grand prix trip, a premiership trip, International rugby, Cheltenham racing, washing machines, dishwashers, computers, a cruise, weekends away and many more. Indeed it looks to be a fantastic draw. The draw will be launched at the AGM on July 14th and as all clubs know they will receive a minimum of 50% from the sale of tickets.

## Best Wishes

Best wishes to 1/3 of the PRO team Liam Fraser who is currently laid up, but should be back with the post in 2 weeks time. With so much time on his hands at present, Liam will have plenty of notes written for the week leading up to the AGM. When we visited him over the weekend, he was receiving plenty of nursing from Sheila.

Sheila take it easy, he might get too used to the sofa and we might not see him at on more meetings.

## Munster Junior Cup

League secretary Michael O' Neill will have application forms for the Munster Junior Cup at the AGM on July 14th. Hopefully many of our sides will compete in the Munster Cup competition.

# Final League Table

As promised last week we publish the final league table of season 2002/03. All clubs can see where they finished and how they fared since the start of the league last September. As we have written it was the best season yet with the three divisions going down to the final game and with the 1st and 2nd Division play offs were the order of the day. During the year there were some very good games and the odd game that failed to do justice to the league. Some clubs are leading by example while others are to quote a colleague "clubs in name only". Clubs have to realise that expecting players to 'tog off' on the side of the road is long gone. We are now in the 21st Century where players have to be treated with respect and if we haven't got some place where players can come in from the winter elements and expect to dress themselves in dry conditions then we have no business expecting home games. The sooner clubs realise this the better. To quote Pat Fenton in an interview "many clubs just aren't up to standard and they have to be prepared to face change or face expulsion". I am sure the Shelbourne managers comments are sure to anger many of the Eircom league outfits, but even at our league level clubs must be prepared for change. We cannot allow the league to standstill and make sure clubs with a positive approach and outlook will not be held back. To conclude, clubs must go forward because the league of today is not the league of 10-15 years ago, and a more professional approach is now needed at all strands of the league.

**ABBEYSIDE A.F.C. NOTES**

**AMSTEL ABBEYSIDE AFC PUB LEAGUE**

# Goals Galore At Amstel Pub League

A glut of goals marked the opening week of this years league. 45 goals rained past the respective keepers as forwards enjoyed the splendid weather and pristine surface at Dogleaf Park.

## Dooceys Too Juicy For Village Boys

**DOOCEYS 4 VILLAGE INN 1**

Despite a virtuoso performance by Declan Enright in the Village Inn goal, Doocey's advanced. An early goal by Kenny Young got the Villagers off to a good start but Doocey's overall strength told and goals from Dick O' Keeffe on 3 minutes, Brian Wall on 23 and 38 minutes and on 49 minutes from John Mullins sealed the tie for the Ballymac men.

## Keanes Not Keen Enough For 'Kilmactastic' Keatings

**KEANES A 1 KEATINGS 3**

Niall Barry was a major thorn in the side of a gallant Keanes A side as the former holders advanced to the next round. Despite John Keohans fabulous header, Keating's steamrolled their way to victory and it was no surprise when Nigel Griffin and Pa Reilly gave them a 3-1 lead. Stalwart Dermot Dee had a chance from the penalty spot but Mulhearnes save was excellent.

## "John Pauls Out To Holders In Classic"

**KIRWANS 2 JOHN PAULS 1**

In one of the best ever contests witnessed at Dogleaf, Kirwans the holders dug deep to overcome John Paul's. A tense opening saw Tim Power's 25 yard effort tipped over by Fergus Bolger in the Kirwans goal.

Three minutes later Jason Donovan fired just over from 30 yards for Sean Phobal. However, on 30 minutes the game changed as direct from the 2nd half kick off, Sean Hearne latched onto a Halligan pass to force home.

On came Nobby Drummey for JP's and he

immediately made an impact when he latched onto a corner to head powerfully home from 12 yards. Stunned Kirwans were on the ropes and Timmy Power had a shot hacked off the line with Bolger beaten.

On 50 minutes however, Ray Hennessy picked the ball up 35 yards out, hit it low and hard and to the bottom corner. Back came John Paul's and the outstanding Timmy Power had a great shot just wide of the post. An excellent game with Luke O'Brien, Michael Hogan, Tim Power, Aidan Power and Nobby Drummey outstanding for John Pauls.

## Dunnes Done By Maguire Fire

**LORD MAGUIRES 1 DUNNES 0**

A penalty miss and several good chances blown meant the end of Dunnes hopes in a tense encounter. John Dunphy was the guilty one with the penalty miss (perhaps he should have used a putter). Tobin got the only goal for Lord Maguires firing home in the late stages. Best for Dunnes Paudie Morrissey and Willie Morrissey.

# DUNGARVAN GOLF NOTES

### OPEN FORTNIGHT STARTS IN STYLE

Our open Fortnight got off to a great start on Friday last with the Ardmore Hygiene sponsored 3 person scramble. The scoring was as hot as the weather as the winning team of Kevin Cusack, Jim Harty and Pat Phelan returned a fantastic 12 under gross for a 57 \_ nett, beating the extended Prendergast family of Ian, Jim & Rose who returned a 58 nett. The excellent scoring continued into the weekend 's competition which was an 18 hole stableford sponsored by main Ford dealers Sheridan's of Waterford. Nick O'Riordan playing off (5) from East Cork Golf Club shot a fantastic 68 gross to return a nett 45 points. Nick birdied holes 1,5,14,15 & 18, his only blemish being a bogey on the 6th. The runners up place went to K.Collins of Fermoy Golf Club also playing off (5) Handicap, who went round in level par for 41 nett points. The gross went to our own Ian Prendergast (2) who shot a 2 under par 70 for 38 gross points.

The timesheets for the remainder of the Open Fortnight are now posted so members are advised to book early as to ensure their place.

# West Waterford Golf And Country Club Notes

## WATERFORD GAA COUNTY BOARD TRAINING FUND GOLF CLASSIC

The Waterford GAA Co. Board Training Fund Golf Classic took place on Thursday, Friday and Saturday last. Support for the Golf Classic was huge to say the least and the fact that the Munster Final against Cork was on the following day was the icing on the cake. In excess of 100 teams participated and there is no doubt the Classics success was due in no small part to Justin Spratt and the remainder of the committee who put in an absolutely huge effort to ensure as many teams as possible took part. The presentation of prizes took place before a packed clubhouse on Saturday night and needless to say the main topic of conversation was the outcome of the match the following day of course!!!

### SEAMUS POWER SHINES IN CORK

The Irish Youths Amateur Open Championship took place in Cork from Thursday 26th to Friday 27th and our own young Seamus Power was flying the flag for West Waterford. The field included 7 internationals and considering also the fact that the age limit in this prestigious tournament is 21, Seamus at the tender age of 16 put up a super performance. He was in contention all the way through and entering the final 18 holes on Friday afternoon he was lying in second place even allowing for 5 penalty strokes incurred during the course of his third round. Seamus put together a very commendable last round of 75 and eventually finished in 4th place on his own, a truly remarkable performance for his age and experience. We offer Seamus our heartiest congratulations on behalf of everyone at West Waterford and we wish him well in all the prestigious junior and youth events in which he will be participating during the remainder of the summer. Without wishing to jump the gun or place any undue pressure on the young shoulders of Seamus it would be fair to say that if he continues to progress as he has so far, he may yet follow Alan Harty and represent his country.

## GAVIN CROTTY

Although over the years we have had numerous representatives on Kennedy Cup duty from the club Gavin is our only recent winner of the trophy. It is a tribute to Gavin, his parents Tony and Kathleen, the Waterford management and club coaches that we can stand back and admire this victory. Maybe it won't sink in just yet for Gav but in time it will. When asked how his week went he described it as "the best week of his life". Also not forgetting any coaches from the past that were involved at some stage in doing their bit and we endeavour to re-emerge as a force in schoolboys football in time to come.

## CLUB SNIPPETS

# Waterford's Victorious Kennedy Cup Campaign . . !

## KENNEDY CUP TRIBUTES

Following many months of hard work by the management team consisting of Tom Browne, Marty Foley where many hours of blood, sweat and tears finally ended when the tournament kicked off in the third week of June. When going in to this years competition Waterford set themselves a goal of trying to finish top of their group and after that they would take each other game individually. In the first game their opponents were North Tipperary and a dream start was achieved when Paul Carey from Southend struck after two minutes. On 25 minutes it was 2-0 with Karl Fitzgerald from Villa getting in on the act. South Tipp. Made it 2-1 but the Blues managed two more goals from Prendergast and Carey which saw them home.

## NEXT UP WAS KILDARE

And another great start was had when a Carey penalty gave them the lead, on 12 minutes it was 2-0 and four mins into the second half they wrapped up the game when they grabbed their 3rd.

## GAME 3

Was against Donegal and an early goal from our own Gavin Crotty who put away a superb effort which would prove the only goal of the game.

## QUARTER FINAL

Quarter Final stage was Waterford v Sligo/Leitrim. After a quiet start against a strong side the Blues settled on 19 mins with Gavin scoring the opener.

Following a Carey free kick on 38 mins. Carey added a second and right on full time Clive Prendergast finished with Waterford's 3rd.

## SEMI FINAL

Waterford v Cork - With hopes high the Blues got off to a bad start when they fell behind

after two minutes. When they got over the shock they rallied when Gavin Crotty went close on 20 minutes. He was not to be denied when on 26 minutes he slotted home - game on.

In a closely contested second half the Blues had the better of the play but the breakthrough didn't come during normal or extra time.

Penalties followed and after a tense shootout they emerged winners by 4-2 on penalties.

## IN THE FINAL

It was Kerry who stood in the way of final victory. Some may say it was a surprise that they beat Dublin 2-1 in the other semi final, but believe me things in Kerry are blooming and it may not be long before they break through.

So to the action. In the fantastic setting of the Limerick College bowl with conditions perfect and with tremendous support they set out confident. Gavin set up Clive Prendergast for the opener early on. On 12 minutes Micko Casey was equal to the Kerry penalty taker with a great save.

From here the Blues were the stronger team in all areas of the pitch and the insurance strike came with time ticking on when Paul Carey netted. Joyous scenes followed at the final whistle. Well done to all concerned and people should remember this all started last November 3rd.

Team - Christopher Casey (Stradbally), B. Skelton (Crystal), P. Kennedy (Bohs), M. Casey (Crystal), T. Moore (Bohs), D. Kennedy (Bohs), P. Carey (Southend), K. Fitzgerald (Villa), Clive Prendergast (Southend), Gavin Crotty (Dungarvan), M. Higgins (Tramore). Subs K. Purcell (Bohs). Rest of panel: C. Clancy (Crystal), L. Jaques (Bohs), P. Brennan (Crystal), C. Kelly (Bohs), D. Walsh (Carrick), G. Roche (Crystal), E. Barret (Bohs), F. McDonald (Villa).

# Juvenile G.A.A News From The Deise County

## THE PLAYING OF UNAUTHORISED CHALLENGE GAMES HAS TO STOP BEFORE SOMETHING HAPPENS

It appears that the pleas of Bord Officers are falling on deaf ears. In the western end of the county over the past few years there at every single delegate meeting there was a plea made to club delegates to stop playing unauthorised challenge games. It now appears that either the delegates are not listening to the Bord Officers, or they are not bringing the pleas back to their club meetings or else if they are, club selectors are not listening to their club officers.

Within the past two weeks the majority of the clubs in west Waterford have engaged in tournament and challenge games where no permission to play the games were obtained. For clubs that organises such games there could be serious consequences if a Bord was to act according to the GAA rulebook. The rulebook states that players who take part in an unauthorised game can be suspended for a number of weeks.

More importantly though is the rule about a player or players who may pick up an injury while playing in an unauthorised tournament or challenge game. If a player was to pick up a serious injury during an unauthorised game the GAA insurance will not cover that game. This would mean that a player who may be entitled to compensation following an injury in such a game could look elsewhere for the money he may be entitled to.

The first people the player would be entitled to get money from are the officers of the club

that organised the game. If compensation could not be got from the officers then the player would be entitled to work down along the line through committee members nad club selectors until he can get the compensation that he would be entitled to.

To get challenge games and tournaments authorised is very simple. Where the teams taking part in games are from the same division the divisional Bord must be informed in writing. Where the teams taking part are from different divisions but in the same county, the county Bord must be informed. If teams are from the same province as the club organising the game their provincial council must be informed, and if teams taking part are from a different province the Central Council must be informed. The only details needed are to name the teams taking part, where the game is being played as well as where and when the game is being played.

For challenge games there is no fee involved to get permission. However for tournaments, where teams are from the same county the fee is euro 12-70 and where teams are from outside the county the fee is euro 25-40. The fee is only payable on, to the highest body.

## PLAYER OF THE MONTH

Congratulations to Thomas Ryan from the Cois Bhride club on being selected as the Bridge Hotel Juvenile Player of the Month for June. June 2003 is going to be a memorable year for Thomas for a long time to come. Thomas travelled to Mullingar to take part in the Feile na nGael skills competition. Out of a possible fifty six

points in the final Thomas collected a total of fifty three points. The monthly award was presented on Thursday night last in the Bridge Hotel.

## COUNTY UNDER 14 FINALS

Three of the four finals of the under 14 hurling championships which are sponsored by Supermacs took place over the weekend at Walsh Park and Cappoquin. On Saturday afternoon Dunhill/Fenor had a 4-12 to 1-3 win over Clashmore in the division Three Final. The referee for this game was Brian Power. This was followed by the meeting of Tramore and Passage in the division two final. This was an all east affair between two local sides, Passage and Tramore. As expected Passage ran out victors on the score line of 2-14 to 1-5. The referee for the division two final was Robert Grace.

On Monday evening Ballyduff and St. Patrick's clashed in the division four finals. The division four final was refereed by Donal O Murchu. It is hoped that a report on these games will appear in next week's notes.

The date for the division one final has been fixed as July 21 in Walsh Park. After beating Dungarvan in the semi final some weeks back, Lismore are safely in the final. Their opponents will be either De La Salle or Ballygunner. The semi final between the two city sides has been much postponed over the past few weeks. The County Executive meet last week and set the semi final date as Saturday July 19 in Walsh Park.

## PRIMARY GAME

At the time of putting these notes together on Sunday morning the result of the Primary School Game between Waterford and Cork is not known. The result of the game is not important. The important thing is that there are a number of young people getting to witness what it is like to play at a big venue on a big day.

The Waterford primary game panel for Sunday last was as follows, Cormac O'Driscoll (Ferrybank NS), Eoin Connors (passage NS), Fergus Lohan (Gaelscoil Tramhoir), Sean O Cuirrin S.N. Na Rinne), John Dee (Portlaw NS), Finan Murray (Bunscoil Bhothar NA Naomh), Kevin Mangan (Bunscoil Bhothar NA Naomh), Tony Walsh (St Josephs NS), Martin De Paor (Ballyduff NS), Eoin Burke (Crehana NS Shane O'Rourke (Bunscoil Gleann Sidheain), Jamie Troy (Modeligo NS), Luke Scurry (Newtown NS), John Francis (Dunhill NS), Martin O'Neill (St. Paul's NS), Gary Brambrick (Ballygunner NS) and Jamie Flavin (Ballyduff NS). The team mentors were Larry Gough (Mount Sion) and Brother Martin (De La Salle). The team coach was Fergus Ryan.

This year Waterford played three games in the Primary game in hurling and one in ladies football. This meant that 51 young primary school boys got to play their counterparts from Kerry, Limerick and Cork, and that 17 primary school girls got to play against their counterparts from Kerry. We hope that for many of these it will be not be their last big day in the Wa-

terford jersey on big championship days.

## UNDER 12 HURLING

The division two and three semi finals of the under 12 hurling competition in the west of the county which are sponsored by Declan Kiely Painting and Decorating Contractor took place over the weekend. In division three Ballyduff and Ardmore met in Aglish on Friday evening and on the same evening the other division three semi final took place in Cappoquin between Cois Bhride and St. Olivers.

At Aglish, Ballyduff ran out winners against Ardmore on a 5-3 to 1-1 scoreline, while in Cappoquin Cois Bhride had a 6-2 to 0-1 win over St. Olivers. The final will likely go ahead this Sunday in either Cappoquin or Lismore, between Cois Bhride and Ballyduff. Cois Bhride will be the warmest of favourites for this game. Many agree that they were put into the wrong division at the grading meeting earlier this year. However Ballyduff will not be making it easy for them, and they will be hoping to continue what is a good year playing in the lower juvenile grades.

## UNDER 16 FOOTBALL REPLAY

The replays of the Division one and three under 16 football championship finals are due to go ahead this Friday evening in Lemybrien. The division one final sees the meeting of Ballinacourty and De La Salle. When these two sides met in Walsh Park on May 17 Ballinacourty's Martin Ferncombe kicked a late goal to earn his side a replay. The replay is expected to be just as close with Ballinacourty maybe the slightest of favourites. The game has an 8-00pm start with Kilrossanty's Pat Prendergast in charge.

The division three final is between Ballyduff Upper and Portlaw/St Mollerans. Ballyduff have one of the smallest picks to choce from at this age level as they have to include an eleven year old in their panel. On May 17, Ballyduff kicked a long-range point to earn a second bite of the apple. Portlaw/St.Mollerans would be expected to win here but Ballyduff will not be making it easy for them. This game is timed for 6-30pm with Robbie Whelan of Kilrossanty in charge.

In the event of one or both finals again ending in stalemate after 60 minutes two extra periods of ten minutes will be played.

## UNDER 13 HURLING

The under 13 hurling competition in the west of the county begins this coming weekend. Games will be played over two nights. Games will be played on Thursday and Friday nights depending on who is in the under 12 finals and due to the involvement of Ballinacourty and Ballyduff in the under 16 football replays on Friday evening.

The top teams are split into two groups with the top team in each section qualifying for the division one final. It would be the shock of the year if the division one final for the Mick Fitzgerald cup was not between Dungarvan and Lismore. The next two teams in each group will play the division two semi-

finals. Fourmilewater, St. Patrick's Brickeys, Cois Bhride, Abbeyside and Cappoquin will be the main clubs expected to fight it out for the division two title.

Division three is split into two groups with two teams from each group going forward to the semi finals. Kilrossanty and Clashmore are the teams expected to reach the final in this division.

This weeks fixtures in the higher grades see the meetings of Brickeys and Cois Bhride in Bushy Park, Fourmilewater play Lismore in Ballymacarbry6 and Dungarvan play St. Patrick's in Dungarvan. In division three An Gaeltacht play Ballyduff in Ring Kilrossanty play St. Olivers in Lemybrien and Ardmore play Clashmore in Ardmore. On Friday night last in Abbeyside, Cappoquin who brought their game forward a week due to a build up of fixtures over the next few weeks, recorded a good win over Abbeyside.

**LADIES FOOTBALL — MUNSTER SENIOR CHAMPIONSHIP****Waterford v Kerry****WALSH PARK ON SATURDAY AT 2 PM.**

Waterford and Kerry renew their great rivalry at Walsh Park on Saturday afternoon in the 1st round of the Munster Senior championship. This rivalry began in earnest in 1987 and although Kerry went through a lean period during the second half of the 90's they are very much back in business. The Kingdom's great run came to an end in the 1993 All Ireland final, their 10th title in 12 years, and it's hard to credit that in the intervening 10 years they haven't won a championship match. But the signs are that the Famine is very much over. Last April they contested the league final, losing to Laois by just a single point in a game

they could easily have won.

The last championship match between Waterford and Kerry took place last year in Killarney and Waterford got out by the skin of their teeth with a later late injury time goal by Aoife Murphy, another Munster title, the 10th in 12 years, followed with a victory over Cork, but the Decies girls went under to Monaghan by a single point in the All Ireland semi final.

This years league form doesn't lend so much optimism, but the championship is a different kettle of fish and Waterford have prepared well. The downside is lack of competitive games since late March but hopefully a number of recent

challenges will bring match fitness. This team has a nice blend of youth and experience. Several members of the side are All Ireland senior medal winners whilst the remainder have featured in Under 14, Under 16 and Minor successes and if they get together they will take a bit of beating.

Kerry have a very lovely attack with Patricia Dennehy, Casey O'Driscoll, Caroline Kelly and Geraldine O'Shea along with Sarah O'Connor and Jackie Ronane in defence. They also have a very capable goalkeeper in Andrea O'Donoghue and hopes are high that this particular Kerry side will emerge from the doldrum of the last decade.

Waterford too have their share of match winners given a good supply of the ball. The defence has been playing well, Donna Frost, Deirdre O'Rourke, Annalisa Crotty, Elaine Power and Julie Torpey are very capable defenders and whilst they will have their hands full with the Kingdom attack, should they contain them it will put Waterford in a strong position.

Elsewhere Waterford can call on Mary O'Donnell, Martina O'Ryan, Rebecca Wall and Mary O'Rourke, Aine Wall and Aoife Murphy and with several other players fighting for the remaining positions it agars well for the team.

This championship is being run on a round robin basis with games against Cork and Clare in the following two weeks with the top team contesting this Munster final. Victory over Kerry would provide a great start and put Waterford in a very strong position but there is sure to be a few anxious moments before Saturday's tie is decided.

**REMARKS BY PRESIDENT McALEESE ON CUMANN NA MBUNSCOL**

There is a proverb which says 'those who drink the water should remember with gratitude those who dug the well'. Year after year, we gather in Croke Park, those of us who can get tickets, for the great All Ireland finals and there we relish that great showcase of our native games.

But we should remember where it begins. We go back to the well-diggers, to Cumann na mBunscol and it's seven thousand teachers who from sheer love of our culture and passion for our sporting heritage, volunteer their time, skill and enthusiasm to introduce over 100,000 pupils, not just to the football, camogie, hurling, handball and

rounders but to who they are and who they might become.

For many young boys and girls that introduction changes their lives. It tells them that our heritage is an unselfish one founded on generosity of spirit, of giving without counting the cost. It tells them that our sporting heritage values the talent of each human being and thinks them so special that busy teachers with a million things to be busy with make it their business to develop that talent and help it to shine.

**KNOW YOUR GAME**

A player is taking a free puck. He lifts the ball but fails to hit it. Can he lift it again?

Answer: No. He must strike it on the ground or allow another player to play it.

**WATERFORD LADIES FOOTBALL****MARY WALSH MEMORIAL BLITZ**

The Mary Walsh memorial blitz will take place on the last weekend in July the 26th.

**LADIES FOOTBALL GOES TO WALSH PARK NEXT SATURDAY**

To open up the championship of Junior and Senior ladies football cailini og will play Tipperary at 1pm. Following this the Seniors will play Kerry at 2pm and finally at 3:30pm our Junior team will also take on Kerry in the championship. Your support would be greatly appreciated.

**BIRTHDAY GREETINGS**

Congratulations to Jimmy Kirwan, Waterford's no 1 supporter who celebrated his birthday last Friday night with friends in the Marine bar.

**PRESENTED WITH GEAR BAGS**

The Under 14 team were presented with gear bags on Friday night last at the Dungarvan playing pitch. Our PRO Brendan Gallagher of B. Gallagher Furniture presented Johnny Kirwan and his team with 32 gear bags to mark their entry to the Munster final against Cork. Brendan congratulated the team on their success to date. He also thanked Johnny and all his mentors for the trojan work they had done with this young team since early January.

**NEXT COUNTY BOARD MEETING**

The next County Board meeting will take place on the 21st of July. All clubs are asked to attend. The meeting will start at 9pm in Lawlor's Hotel.

**UNDER 14 LADIES FOOTBALL Waterford 2-3 Cork 7-12**

Waterford Ladies great run in the Munster U14 Championship came to an end on Saturday last in Killmallock when All Ireland champions Cork won their fourth consecutive Munster final. Cork got off to a flying start, scoring 2-2 in the first ten minutes of the match. The Waterford girls responded well to this early setback and they put in an excellent performance for the remainder of the first half, restricting the much vaunted Cork forwards to only 5 points. Waterford went into the interval 0-1 to 2-7 in arrears.

Waterford came out in the second half in determined mood and for the first ten minutes of the second half the Waterford girls took the game to Cork scoring 2-2 to Cork's 1-1. However, the depth of talent in this Cork team enabled them to push the game to a higher level, with Cork coming out comfortable winners by the final whistle.

This has been a great year for the young girls who have represented their county magnificently and hopefully they will go on to bring greater honours to their county in the coming years.

Johnny Kirwan and the team mentors would especially like to thank Waterford County Board and in particular Michael Ryan (Chairman) and George Young (Development Officer) for their support. A special word of thanks to the dedicated parents of the girls who provided marvellous help and support to the team over the last six months.

Team: A. Jordan (Abbesside/Ballinacourty), E. Scanlon (St. Olivers), G. McGrath (St. Olivers), M. O'Grady (Kilrossanty), K. Kirwan (Kilrossanty), J. Kirwan (Kilrossanty 1-0), N. McGrath (Kilrossanty), K. Feeney (Ballyduff), K. Dunphy (St. Anne's), J. Buest (Kilrossanty 1-0), L. Kirwan (Kilrossanty 0-3), M. Wall (Ballymacarby), R. Manahan (Old Parish), M. O'Gorman (Ballymacarby), S. Curran (St. Olivers).

Subs: B. O'Donovan (Abbesside/Ballinacourty) for R. Manahan, S. Kiely (Abbesside/Ballinacourty) for M. O'Grady, Gillian Frewen (Ballyduff) for K. Feeney, L. Power (Comeragh Rangers) for J. Buest.

**CAILINI OGA**

The Cailini Oga play their first match in this years championship against Tipperary next Saturday 5th July in Walsh Park.

**C.L.G. COIS BHRIDE****PLAYER OF THE MONTH**

Following on his victory in the All Ireland hurling skills Thomas Ryan won the under age hurler of the month award in the Bridge Hotel, Waterford last Thursday evening. The trophy was presented by the manager of the Bridge Hotel who sponsored the award. Well done to Thomas who thoroughly deserved to win this award. Also in attendance on the night were Bord na nOg PRO John O'Leary and treasurer Joe Cleary. Chairman of Cois Bhríde, committee member Loretta Kearney and the Ryan family.

**CLUB MEETING**

The next club meeting has been put back to July 17th due to the staging of Knockanore fete.

**U12 HURLING DIVISION 3 WESTERN SEMI FINAL Cois Bhríde 6-2 St. Olivers 0-1**

Our U12 hurlers qualified for the Western final with a hard earned win over a handy St. Olivers team in Cappoquin on Friday night last. Scores were hard to come by in the opening half as St. Olivers put it up to

our lads, and only the heroics of goalie Seanie Barry and sterling defending by Aaron Pratt and Brian McCarthy kept us on even terms. Once the opening score, a goal from a long delivery by Evan Sheehan, went in however, we grew in confidence and went in 2-2 to nil at half time. St. Olivers continued to put pressure on but could find no way past a very solid defence. Some nice goals from Dean Hennessy and Alan O'Riordan and Shane Roche put a somewhat flattering look to the scoreline. We will be playing Ballyduff in the Western final on a date yet to be arranged.

Panel: Seanie Barry, A. Pratt, B. McCarthy, T. McGrath, K. O'Brien, P. O'Connor, E. Sheehan, T. Daly, D. Hennessy, S. Barry, Stevie Barry, E. Roche, S. Roche, A. O'Riordan, D. Hartnett, D. McElroy, P. Ahearn, S. Lucey, T. O'Neill, K. O'Farrell.

**U8 HURLING**

On Friday evening last we travelled to Cappoquin for a friendly. All the lads hurled very well, keeping a clean sheet at the back and getting some delightful scores up front. Over the next few weeks Cap-

poquin will be travelling to Tallow with U7 and U9 teams. Other games are also being arranged for the Summer months. Training continues this Friday evening at 6:30pm in Tallow and Saturday morning at 11:00am in Knockanore.

The team on the night: Chris Hartnett, William Hogan, Michael Tobin, Mikey O'Neill,

Alan Cantwell, Robbie Beecher, Stefan Tobin (1-0), Colin Roche (0-1), Adam Crawford (1-0), Jake Beecher (1-0), Sean Curley, David Beecher (1-0).

Subs all used: Tom Allen, Andrew O'Riordan, Lee McElroy, John Luke McGrath.

Thanks to Cappoquin for the great evening. We're looking forward to returning the favour.

**SHAMROCKS G.A.A. CLUB NOTES****JUNIOR FOOTBALL WESTERN CHAMPIONSHIP Shamrocks 1-13 Geraldines 1-5**

Played at Cappoquin on last Saturday evening, this was a fine display from our young players and looks good for the future.

**MUNSTER FINAL**

Commiserations to Waterford who were beaten by neighbours, Cork, after a classic at Semple Stadium on Sunday. This was a game which could have gone anyway but missed chances by our forwards were costly, and Cork with late points sealed the result.

**CLUB LOTTO**

In Saturday nights draw the numbers drawn were 7-17-18-20 and there was no jackpot winner. 15e consolation prizes were won by: Eileen Kelly, Killenagh; P.M.D.L., Strancally; Alan Kelly Coolbeggan; Mary Murray, Dunmoon; Liam Aherne, Ballyphilip. In the next draw on Monday night July 7th the jackpot will be 2,125e and tickets 1.50e can be got from the usual promoters.

# Minor Football To Resume

On this Wednesday evening, a full round of minor football championship games will be played throughout the western division.

In the top division the first rounds will take place and for the lower division it will be round 3.

## Division A.

### Ardmore v Brickeys

This is scheduled for the Ring venue and here it is likely that the Brickeys will prove to be

the stronger team.

### Ballinacourty v Clashmore.

This will be the third occasion on which these clubs have clashed in championship this year and in the two matches played, Ballinacourty/Abbeyside have come out on top. Ballinacourty are the reigning divisional and county champions and will be favourites to win here in Bushy Park this evening.

### Nire v Dungarvan

This will be played at the Coligan venue and while Dungarvan will be no push-over, the Nire who have been trying so unsuccessfully over the past few years, are the likely winners.

### Kilrossanty v Naomh Brid.

Kilrossanty would appear to be the favourites here at the Abbeyside venue.

### M.F. 'B'.

Two rounds of this championship have already been played and as far as the majority of the clubs are concerned, the standard is most disappointing.

### Ballyduff v An Gaeltacht.

These are the two best teams so far and one or other of them is likely to win the championship.

In the first round Ballyduff scored 4-11 against Naomh Brid and An Gaeltacht notched up 4-17 against Affane. This should be the game of the championship. It will be played in Ardmore.

### OTHER GAMES

Affane should account for St. Olivers at Clashmore and Stradbally will be fancied to beat Cois Brid at Cappoquin

### Junior Hurling championship

It is planned to begin the junior hurling championship over the coming weekend, but because of certain circumstances, it is not possible to play all the first rounds.

Tourin will try to open their account against Shamrock's second string when they clash as Lismore at 2 p.m. on Sunday. I expect Tourin to be successful.

Ring will have their second string in the field when they play Brickey Rangers who are likely to come out on top at Abbeyside.

Ballinameela will be expected to defeat Ballysaggart who will be represented with their second team at Cappoquin.

All games have a 2 p.m. start.

## Junior Football Results

The Western Board got through their full programme of J/F matches last weekend, but had two draws. There were no big surprises and there were a few one sided games.

### Old Parish 3-10 An Rinn 0-1

This was the most one sided match of the championship so far but remember the Ring club were fielding their second string.

### Tallow 3-16 Sliabh gCua 0-3

Tallow at full strength and playing all out had no bother in accounting for Sliabh gCua's second team

### Other Games

Ballinacourty managed a 4 points and hard earned win over the Nire (2-5 to 1-4) and Ardmore also had a 4 points win against Emmetts.

Kilgobnet and Clashmore each scored 3-6 for a fair result and a draw and the same was the case between Modeligo 3-7 and Brickey Rangers 2-10.

Kilrossanty had a deserved 5 points win against Stradbally 0-13 to 0-8.

## NEWS ITEMS

The July county board meeting is deferred until the last Monday night of the month.

This is because there will be no meeting of the board in August due to holidays.

The Fraher field is coming along splendidly and may open sooner than expected. Attendances at games will not be the same if the venue is not available for our big matches.

The Munster intermediate hurling game versus Cork has now officially been fixed for Cashel and will be played on Wednesday July 16th.

Waterford tried to have the game played in Clonmel and Cork opted for Thurles.

## UNDER 21 FOOTBALL COUNTY FINALS

Both the under 21 county football finals will go ahead at Cappoquin as planned on next Saturday.

All going well these will be the first of the 14 county championships under the auspices of the county board to be completed.

## Ballinacourty versus Gaultier

With the reigning county champions, Ardmore gone out of contention, a new name will be inscribed on the cup this year.

Gaultier who are the very worthy eastern champions will take on Ballinacourty whose epic contest with the Nire, was one of the outstanding divisional matches played so far this year.

Since that game Ballinacourty have 'lost' one of their outstanding players Ricky Hanrahan who is presently in the U.S.A. and his absence will be a big blow to the western club's prospects.

Ballinacourty last won the under 21 football five years ago and on that occasion, Gaultier, also were their opponents.

According to my information, they are pretty good and have won the eastern divisional championship very decisively. The Cappoquin venue may prove an advantage to Ballinacourty.

## Under-21 "B" Final Kilgobnet v Ferrybank

These clubs have never met in championship in any grade so they can know very little about each other.

Kilgobnet have played well and are undefeated in this division so they can be fancied to keep the title (won by An Gaeltacht last year) in the Division.

## PADDY SARSFIELD R.I.P.

He was a quiet and a very modest man and knowing him, as every patron of Walsh Park did know him, you found that not very many around in the City of his beloved Waterford could match the service which he gave to the G.A.A. over his lifetime.

He filled many roles as a committee member of Walsh Park and could boast of having served for 40 years in tending to the needs of our prime county ground, Walsh Park.

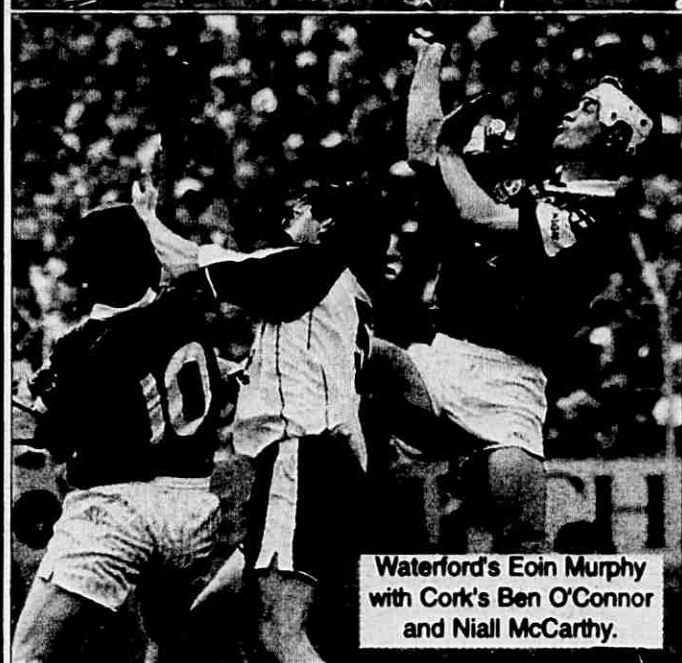

A splendid Irish speaker who always liked to converse in the language and seldom moved out without the 'Fainne'

There was a splendid turn out of G.A.A. people at his funeral and burial in Waterford last week.

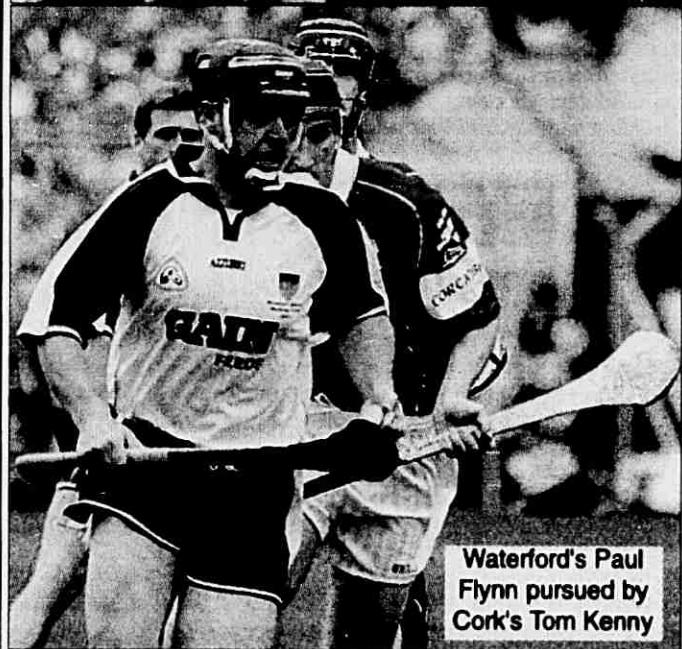

To his wife and family we offer our deepest sympathy. Ar dheis Dé go raibh a anam.

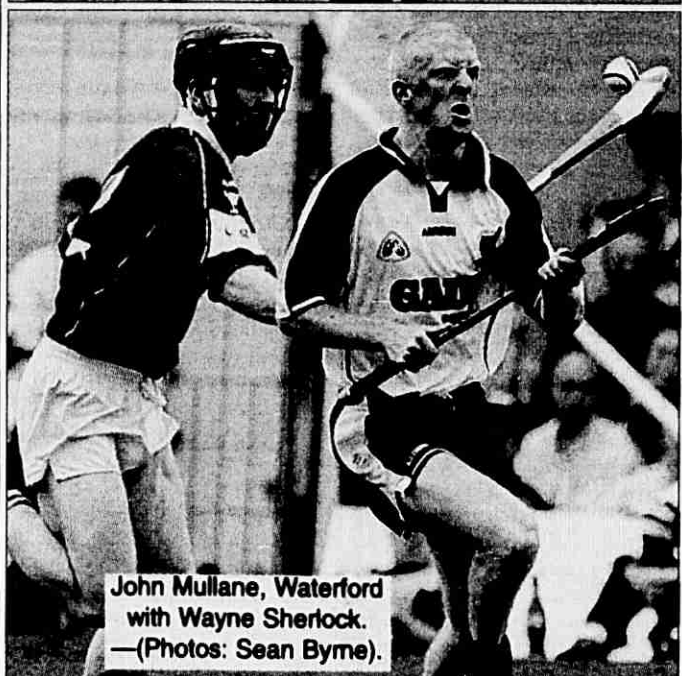

Tom Feeney, Waterford and Alan Brown, Cork contest a high ball while Waterford's James Murray and Cork's Setanta O hAilpin awaits the outcome.

Waterford's Eoin Murphy with Cork's Ben O'Connor and Niall McCarthy.

## BALLYDUFF G.A.A.

### BALLYDUFF UNDER 14 NARROWLY DEFEATED

Ballyduff traveled to Cappoquin last Monday to play St. Pats in a County Final. Ballyduff were narrowly defeated. All the team played well with an early goal from Ian Kenneally. Then to even the match St.Pats came back and scored a quick goal. Further scores from Shane Kearney and Ian Kenneally sent them in eight points up at half time.

Second half brought out a very strong St.Pats team and within 15 minutes the sides were level. Ballyduff kept the pressure on but found it hard to get the scores. A lovely point near the end from Katie Hannon saw the team go down by only two points.

Congratulations to Denis Drislane on being selected as player of the match for Ballyduff.

### UNDER 16 FOOTBALL COUNTY FINAL REPLAY

The under 16 will play the replay of the County final on Friday the 4 of July. We would like to send our best wishes to them. Support would be greatly appreciated. This game will be played in Leamybrine.

Well done to Adrian Power and Aidan Casey on winning the under 16 school collages.

The under 12 are into a Western final date yet to be set.

### MINOR FOOTBALL FIXTURES

MUNSTER SENIOR HURLING FINAL

Cork 3-16 Waterford 3-12

# Waterford Surrender Munster Title To Cork

Waterford senior hurlers who lost their Munster title to Cork 3-16 to 3-12. —(Photo: Sean Byrne).

## First Half Supremacy By Deise Not Enough

The disappointment on the faces of the thousands of Waterford supporters who left Semple Stadium on Sunday with bowed heads told the story of what happened in this much vaunted Munster hurling final where Waterford after a splendid first half, were forced to surrender their title to the pre match favourites, Cork.

Starting in brilliant fashion and enjoying a seven points lead (1-8 to 1-1) after 20 minutes, prospects of winning first time back to back provincial titles looked good. In the first 18 minutes 5 Waterford players had shared in the scoring and in the next 11 minutes Cork failed to register a single score.

Our 7 points lead was reduced to 5 by halftime because we had fluked a couple of splendid scoring chances and also because we allowed Cork forwards that little bit of freedom that they needed.

The game was really lost to Waterford in the opening 12 minutes of the second half when their forwards shot six points without reply from Waterford to change a 5 points deficit into a single point lead.

We did hit back and John Mullane's second goal after being set up by Paul Flynn in the 14th. minute restored our lead but Cork levelled again and a poorly taken sideline cut by Tony Brown led to Cork's second goal. Joe Deane's 23rd minute goal in this half was the killer blow and the one that sent us to the losers dressing room....

### ATMOSPHERE

There was a real Munster

final atmosphere about historic Semple Stadium as the 53,000 crowd of decorated rival supporters crowded into the grounds

Down on the pitch there was understandable tension in the puck-about and the 'huddles'. Thirteen Cork players pulled up their stockings when lining up for the parade, as did Andy Moloney and the referee got the final underway a minute before time.

As expected there were several positional changes on the Waterford team with Dave Bennett moving out to partner Tony Browne at midfield, Eoin McGrath moving into Bennetts place, Paul Flynn starting as full forward, etc.

### PLAY

Waterford won the toss and played with the strong breeze. Within a minute Eoin Kelly had Waterford on the scoreboard with a point from play. Dave Bennett followed with a pointed free in the 3rd. minute. Paul Flynn received a nasty head injury and was replaced by Peter Queally as a blood substitute and returned with a bandaged forehead later.

Much against the run of play at this stage, Sentanta O'Hailpin shot for a goal which was a temporary setback for Waterford and the much vaunted Cork attacker's only score of the game. Mullane pointed from play in the

7th. minute and the De La Salle ace had a brilliant goal in the 8th. minute. Play was now flowing nicely in our favour and scores by Eoin McGrath, Dave Bennett (2) and Paul

Flynn (2) had us 1-8 to 1-1 in front by the 20th. minute.

John Gardiner pointed or Cork and in the 28th. minute Waterford had their first wide of the match. Two points from Joe Deane and one from Tony Browne ended the first half scoring to leave the state of play at 1-9 to 1-4 in our favour.

### SECOND HALF

Joe Deane pointed, Ken McGrath sent wide from a free and Cork responded with 5 further unanswered points. This whirlwind start to the second half, virtually won the final for Cork. Having taken the initiative their confidence was restored and after this we failed to control their momentum.

Mullane's 14th. minute goal put us back in the lead but we missed scores before our next score came in the 21st. minute and this also was from the stick of John Mullane.

After this we missed points and Cork were more accurate. Joe Deane's 23rd. minute goal put Cork 3 points in front and from here on we failed to close the gap which was extended to 4 points after a line ball was signalled in the wrong direction and converted by Ben O'Connor.

### VERDICT

On the day, Cork deserved their victory and for them it was all the sweeter coming in the wake of their early season 'strike' which was unique in the history of the G.A.A.

For Waterford many things began to go wrong after the closing stages of the first half. The lapse of concentration in the first 10 minutes of the second half and the failure of a

number of their top players to play up to form on the day.

Ken McGrath of whom very much was expected never really came into the game and for the second time in succession he failed to register a single score. I had Ken down for 5 or 6 wides.

Eoin Kelly after opening well failed to get into the game and Andy Moloney

did not avail of the chances which came his way and did not record a score.

Tony Browne got the better of his marker for long spells but obviously because of his ankle injury was effected by his lack of training.

Dave Bennett made a fair contribution (4) points but has played better. The defence generally played well, given the enormous pressure that was mounted on them in the second half, but there were mistakes made and a few costly misdirected clearances, and Tom Feeney achieved some great clearances Declan Prendergast had a good game and James Murray hit some splendid balls out of defence. Stephen Brennar was caught for Cork's first goal but could hardly be blamed for the others.

As I have commented on occasions before our positional changing and choppings making the team lose their shape and I believe that this does not help the confidence of players. I thought too that Dan Shanahan might have been introduced and could have been worth a couple of points.

### THE QUALIFIER?

Our hopes will now lie in progression through the 'Qualifier' and we will not know until Sunday night who our opponents will be on the following Saturday or where the game will be played. This is a fault with the system as it gives counties in hurling as well as football too little time to get organised.

The counties involved here are Limerick, Tipperary, Galway, Offaly, Waterford and Wexford/Kilkenny losers. We cannot be drawn against Limerick and we are hoping not to be drawn against Tipperary.

### Comment

The disappointment of losing is always greater when one feels that we could have won this final. We certainly did have our chances but we had mistakes on the field and on the line. Maybe we will learn from it all.

Scorers; Cork: J. Deane 1-4, A. Browne 1-1, B. O'Connor 0-4, J. Gardiner 0-4, S. O'Hailpin, 1-0, N. McCarthy 0-2, T. Kenny 0-1.

Waterford: J. Mullane 3-1, D. Bennett 0-4, P. Flynn 0-4, E. Kelly, E. McGrath and T. Browne 0-1 each.

Cork: D. Cusack, W. Sherlock, P. Mulcahy, D. O'Sullivan, T. Kenny, R. Curran, S. O'G. O'Hailpin, J. Gardiner, M. O'Connell, B. O'Connor, N. McCarthy, T. McCarthy, S. O'Hailpin, J. Deane, A. Browne.

Subs. M. Prendergast for D. O'Sullivan, J. O'Connor for M. O'Connell.

Waterford: S. Brennar, B. Greene, T. Feeney, J. Murray, E. Murphy, F. Hartley, D. Prendergast, T. Browner D. Ben-

nett, E. Kelly, K. McGrath, A. Moloney, J. Mullane, P. Flynn, E. McGrath. Subs. S. Prendergast, for A. Moloney, P. O'Brien for E. Kelly, P. Queally for T. Browne, A. Kirwan for F. Hartley, M. Walsh for E. McGrath.

Referee P. O'Connor, Limerick.

### MAN OF THE MATCH

Tom Kenny, Cork's right half-back was accorded the man-of-the-match award. The Grenagh club man gave a splendid performance all through and strange to say, he as the only Cork player on Sunday who had won an All Ireland medal.

Nine of the Cork team had senior All Ireland medals.

From a Waterford point of view John Mullane was outstandingly our man of the match and had we won he would have been the hero of the final.

### THE ATTENDANCE

The official attendance was 52,833. This was 12,557 greater than the official attendance at the final in Cork last year when it was 40,276.

This surely highlights the question of tickets and makes us wonder why the Munster Council gave us a smaller allocation this year?

The Council should be asked to explain why.

### PAUL FLYNN.

His early head injury probably affected his overall display but he did manage 4 points. Being sent off near the finish after 2 yellow and a red card will not mean a suspension and he will be available for the Qualifier game on Saturday week.

# Unlucky Waterford Held To A Draw Against Lucky Clare

**WATERFORD 2-11  
CLARE 2-11**

Waterford U21 Footballers who drew with Clare 2-11 apiece after extra time in the first round of the Munster Championship at Walsh Park.

It took all of 90 minutes to get the above score on the board in a contest, which saw the visiting Clare side stage successful last-gasp efforts on two occasions to prevent Waterford from

recording a well deserved victory on the night.

The game itself was over 3 minutes into injury time when man of the match Alan Clohessey, rattled the Waterford net

with an unstoppable shot from around 30 yards out. The whistle was overdue when the goal brought the Banner county from 3 points in arrears to parity with Waterford who certainly had wasted far more scoring chances than the visitors.

That score sent the match into extra time and rather amazingly Waterford were again enjoying a narrow lead when, again in time added on, the same Clohessey kicked over from a close in free to level the match and bring the replay to a Clare venue, probably on Wednesday evening of next week. Overall Waterford were the better side but from our point of view the standard was not hectic as a few of our players did not play to their potential. Hopefully they will have learned from the experience and go one better when they travel into Banner territory on this Wednesday evening for the replay. The county selectors Pat Nugent and Johnnie Hennessey had been hoping for a longer break than just a week as we do have a couple of injuries.

#### PLAY

Points scored by each of the three full forwards Liam O'Lionain, Shane Walsh and Billy Harty in the space of 6 minutes gave Waterford a brilliant start. Shane Walsh added another great point in the 8th. minute and Clare did not open their account until the 10th. minute when corner forward Eoin Curtin pointed a free.

Alan Clohessey scored from a '45' and from play and Billy Harty responded with a point from a free and the same player supplied Shane Walsh a minute

later for a shot at goal. This score gave Waterford a 1-5 to 0-3 halftime lead

#### Second Half

Within a minute of the restart a Clare substitute skipped through the Waterford defence for a Clare goal. Darragh Kelly followed up with a good point and the home side looked to be in trouble. But relief came in the 34th. minute when Liam O'Lionain kicked in our second goal. Points by Clohessey and Curtin narrowed the gap to just two points.

Michael Walsh, introduced as a second half substitute pointed in the 40th. minute and after a scoreless 15 minutes and at this point Waterford midfielder John Gurney was sent off having received a second yellow card. Clohessey and Waterford's Sean Dempsey exchanged points. It was now the 61st. minute and the game looked safe to the enthusiastic Waterford support in the stand. The game was heading into the 4th. minute of time added on when man of the match Alan Clohessey, shot to the net for a most painful equaliser that brought the match to extra time (new playing rule for under-age).

#### EXTRA TIME

The two 10 minute periods of extra time saw Waterford in front after almost 22 minutes when a dubious free was awarded to Clare and sharp shooter Alan Clohessey made no mistake in winning his side a second bite of the cherry for their second time on the evening.

## U.9 HURLERS WIN ST. OLIVERS TOURNAMENT

Pride of place this week goes to our U.9 hurlers who won the St. Olivers U.9 Hurling tournament last Saturday, June 28th in Aglish GAA grounds.

St. Olivers, St. Pats, Abbeyside and Cois Bhride were the teams in group 1 while Dungarvan, Cappoquin, Brickeys and Youghal were in group 2.

The boys were unbeaten in their three group matches and qualified for the semi final of the tournament against the host club St. Olivers. Dungarvan played very well in their fourth game of the day and won convincingly to reach the final of the tournament against St. Pats.

Both teams were unbeaten throughout the tournament and the final proved to be an excellent contest. St. Pats led 1.0 to 0.0 at half time. However Dungarvan produced a great effort in the second half to overcome their opponent in an exciting finish to an excellent tournament. The final score was Dungarvan 2.1, St. Patrick's 2.0.

The boys played very well all through the tournament with goalkeeper Gavin Power in brilliant form between the posts.

Our defenders Dennis Kirwan, Rian Crotty, Timothy McGrath and Darragh Fitzgerald were solid and dependable and improved with every game.

At midfield Cathal Curran, Glen Power and Wayne Ducey played great hurling and they worked tirelessly in all their matches.

Our forwards Lee Hyslop, Ryan Donnelly, Kevin Daly and Henry Ryan were very lively throughout the tournament and got the vital scores to secure victory.

After the final the chairman of St. Olivers Juvenile Club, Tom Browne presented the winners shield to Dungarvan captain Cathal Curran and the winners medals to every member of the Dungarvan team. He praised the high standard of hurling and thanked all eight clubs for taking part in the tournament.

The U.9 panel in Aglish was Gavin Power, Dennis Kirwan, Rian Crotty, Timothy McGrath, Cathal Curran, Glen Power, Wayne Ducey, Lee Hyslop, Ryan Donnelly, Kevin Daly, Henry Ryan, Darragh Fitzgerald.

## WEST WATERFORD ATHLETICS NEWS

# Dungarvan Leader Dromana 5

## FOR THE MICHAEL C. NAGLE MEMORIAL TROPHY

The annual Dromana 5 mile road race takes place this coming Friday evening the 4th July and the race has an 8 p.m. starting time. As last year, the race will start in Villierstown making its way through the Dromana drive to the finish in Cappoquin. All at West Waterford are delighted to announce that the race will again this year, as last year, be sponsored by the Dungarvan Leader and we thank Colm, Linda and all the staff at the leader for their continued support of this prestigious race.

The winner of the race will of course have the pleasure of having his name inscribed on the magnificent Michael C. Nagle Memorial Trophy which the Nagle family presented to the club for this race in honour of their late father Michael, who not alone was editor of the newspaper for many years, but also was an athlete of international standing on the track.

There is a slight change to the finish of this years race, taking into consideration the volume of traffic in the town, the race organisers Trevor Mason, Silvia and Ray McConnell and their team have changed the finish line from the previous finish outside the Central Bar. We will now instead go straight up to Barron's Bakery to finish and the race will not take in the lap up through the town. Of course this also means the start will also be slightly altered in Villierstown. This change

is for safety reasons only and will help with the smooth running of the race.

### CASH BONUS

There will be a big array of prizes on offer for Friday nights race. First 10 senior men, first 3 mens teams of four, outside individual prize winners, first 5 ladies and first ladies team with 4 outside individual prize winners also. There will also be a substantial cash bonus to the first man and first woman to break the course records. The mens record was set by no other than John Treacy and stands at 23.49 and the ladies record is held by Mary Sheehan and it is 29.08. In addition to all of these prizes on offer there will be plenty of spots for down the field runners and these along with all the other presentations for the race will take place in the Central Bar, Cappoquin, by kind permission of Danny and Nora Flynn. Teas, sandwiches and the odd piece of chicken will be available to all after the race in the Central too. This race every year always attracts a large amount of walkers, so if you wish to come along and walk the walk you will be made most welcome also. Everything is ready for another great night of athletics and our juvenile club will have an open juvenile sports at the Cappoquin G.A.A. club grounds as the road race is in progress. All are welcome for a great nights sport and fun in Cappoquin. See you there!

## JOE & BRENDAN TO RUN IN WORLD GAMES

Next weekend is a red letter day once again for West Waterford athletic club when two of our athletes compete in the World Masters track and field masters championships, which are being held in Carolina, Puerto Rico in South America. The championships will run from July 1st through to 13th.

Talking to both men before their departure last weekend they both are looking forward to the challenge of the next week or so when they will compete against the best in the world at their chosen distances. Brendan will compete in both the 100 metres and the 200 metres over 45, his heats start on Friday 4th July with the 100 and the 200 are on Sunday 6th July. Joe will com-

pete in the over 50 800 metres, his heat will take place on Saturday 5th July with the semi finals on the following day and all going well he will run the final on Tuesday 8th.

Joe is ranked 20th in the world going into these championships, but what a season he has had so far with a list of victories over the last few months, including Munster 1,500 metres indoors 1st, National 800, 400 and 200 metres indoors 1st in all three, Scottish 800 metres indoors 1st, British 800 metre indoor 1st, Munster 800 metres outdoors 1st, Leinster 800 metres outdoors 1st, British 800 metres outdoors 1st, and of course he is the reigning European 800 metres indoors champion.

Joe has only one more goal and that is to reach the final of the 800 metres in these world championships. His training has gone superbly well over the last 6 months with this race in mind, and as he says himself its all now in the lap of the gods.

Both men will, of course, have to run in extremely hot conditions as well as the very strong opposition at these championships where temperatures can reach over 35 degrees with humidity around 75% at this time of year. We wish both athletes the very best and how exciting the prospect that maybe, just maybe we might have a world track medallist in our club come next week.

## SHANAGARRY 5

# Johnny O'Connor Leads The Pack

Race two in this years Ballycotton series was held last Thursday evening in the village of Shanagarry. On an evening which saw heavy rain fall it did not deter the very big field of 220 athletes competing, which incidentally was up on last years entry of 204. The race was won very comfortably by D.S.D. athlete Noel Berkley in a time of 24.34. Berkley was a clear 1 minute and 2 seconds ahead of the second placed man Cathal O'Connell of St. Finbarrs 25.36. West Waterford's first athlete to cross the finish line was the high flying Johnny O'Connor in a time of 28.51 which gave him 25th overall finishing position, Ray McConnell was third over 50 in a time of 30.52 and Ann Dunford was among the prize winners for the ladies when she finished 2 over 35 in a good time of 38.02. There was a couple of athletes recorded P.B.s. on the night, and none more notable than that of Norma Wall's who ran 35.22, the sub 35 is looming Norma keep up the training. Young Mark McConnell who was running one of his first road races recorded a very fast 34.56.

Watch out Ray? Another very notable performance was had by Tony O'Mahony who finished the 5 mile course in 32.29. Mick Verling again proved that the speed training is paying dividends for all of Tony's cronies as his time of 32.56 was another fine performance.

## ATHLETE OF THE YEAR

We have now reached the half way stage in our athlete of the year competition and Siobhan O'Mahony who is looking after the organising of this event tells me a clear pattern is emerging in the overall standings. Over the next six months we will see some keen competition among our members as they strive to have the right to be called club athlete of the year for 2003. Of course the winner will receive the beautiful friends of West Waterford Perpetual Cup plus a prize. Due to space restrictions this week we will hold the overall standings table until next weeks issue of this paper.

On Sunday while many of us were in Thurles he again made the trip to Cork and was rewarded with another impressive win in the 800m.

### ANOTHER TITLE FOR DAVID MCCARTHY

In the boys U16 race, David McCarthy added the 1,500m to the cross country title he won earlier in the year. This race started as a slow tactical race and learning from past experience David kept a path open for himself to race to a very good finish.

### POLE VAULT DOUBLE

Mark Bannon and Lorraine Walsh made it a double for West Waterford in the U15 pole vaults. Lorraine dominated the girls event and was a comfortable winner. Mark had his best day out this season improving his personal best to 2.60m and recording the highest jump on the day.

### 3 SILVER AND 6 BRONZE MEDALS

On Saturday there were silver medals for Eadaoin Ashe in the U16 discus and Aisling O'Connell in the U16 walk. On Sunday Shane Power collected a silver medal in the High Jump when he cleared 1.35. Tracey Shalloe U19 Triple Jump, Colleen Hayes U14 Hammer and U14 Discus.

Under 14 girls take relay silver. The relay events always provide an exciting climax to any sports meeting and last Sunday was no exception. In the final the West Waterford quartet of Julia Buest, Lorraine McCarthy, Ciara Dwyer and Eimear Scanlon gave it their all and in a very close finish were edged into 2nd place by the All Ireland champions Dooneen with Ferrybank in 3rd place.

We had several other athletes who finished just outside the medals in 4th position. Ferdia O' hAoda U14 1500m, Ludwig Buest U16 Hammer, Sara Kate Ledingham U15 Walk, Donna Nagle U15 Hammer and Diarmuid O' Foghlu U16 3000, while Mide Duff made it through to the last 8 in the U14 Long jump as did Lorraine McCarthy in the U14 200m.

## Blackstone Viper With Venom

Fresh from his victory over the highly rated Ten Men the previous Sunday night at Kilkenny the Brendan Long owned and Tom Leahy trained Blackstone Viper (Staplers Jo-Blackstone Lucky) added to his winnings taking the Euro 1,600 to the winner Horgans Delicatessen Supplies Mitchelstown stake the feature event on this midweek card. The well fancied Onedin Palace was an absentee through injury as a fast starting Blackstone Viper made the best possible start from trap four to lead on the run up. Im The Biz produced his by now customary dash of early pace but he came off worst after a first bend bump with Blackstone Viper. A strong running Wilcox Figo pushed Blackstone Viper all the way down the back stretch but a determined favourite dug deep when it mattered most to land this final by half a length in a fast 29.05.

In the first of nine graded races the Niamh Hearne owned Fourth Offer 5/2 moved out on the run up from trap one but this August 2001 daughter of Rathroon Ranger and Fourth Opinion led throughout to defeat a hampered Hoggies Dream by five and three quarter lengths in 30.61.

Despite the fact that she was taking on more experienced race opposition in a graded sprint the Vic Roche and Willie Ryan owned Lassie Is Back (Knockeevan Star-Villiers Flash) 4/6 made a pleasing debut from trap two showing her rivals a clean pair of heels coasting to a three lengths win over Bosco Dot Yom in 16.93.

In a second two bend dash Uifaile Rebel, Johns Junction and Snap Fade were right bang in contention rounding the first turn but keeping wide and out of trouble the Brian Barry owned and Ian Seymour trained Snap Fade (Mustang Jack-Honky Tonk Gal) 3/1 quickened the tempo close home to beat Johns Junction by a head in 16.66.

The Kevin Kennedy owned Smart Stone (Thorgil Tex-Stone Rose) 2/1 ran out a most convincing winner of the fourth event in 29.49. Making maximum use of his early pace Smart Stone had this contest in safe keeping a long way from home and while a rails seeking Skeard Rover got the better of Star Prince for the minor placings the runner up finished all of ten and a half lengths in arrears of Smart Stone.

Track newcomer Jovial Bar (Staplers Jo-Marquee Bar) 2/1 ran out a clear cut winner of a graded sprint for Ballynoe owner William O'Connell this March 2001 whelp dashing into an early lead before coming home two lengths clear of Queen Of Pearls in a decent 16.47.

Goodnight Vienna the evens favourite scampered into a narrow lead over Hilldun Breeze in the sixth contest but at the business end of this race the Nicola Kane and Paul Cummins owned and Peter Hattemore trained Nicknola (Knockeevan Star-Ringlestown Lass) 3/1 finished full of running to come through for a half a length win over Goodnight Vienna in a best ever 29.65.

In a competitive seventh race Giglis Storm took an absolute flyer from trap four to motor into a clear lead over Greenview Bonus (Bonus Prince-Greenview Beauty) but the latter running for County Wexford owner Eamon Furlong gradually reeled in the leader and in an exciting fin-

ish 3/1 shot Greenview Bonus stayed on strongly up the rails to shed her maiden tag by half a length in 29.54.

Gaulsmills based owner Benny Fox is churning out the winners at Waterford and Enniscorthy at a healthy rate and his 5/2 shot Determined Irish (Powerful Flash-Fergies Flavour) after a slow start in the ninth tracked beautifully rounding the first bend to strike the front on the rails. All of the Fox owned dogs stay on well and Determined Irish is no exception as he galloped on to a four lengths win over a wide running Dropped In Boher in a career best time of 29.23.

An unlucky loser last time out the James Phelan owned Jays Devil (Powerful Flash-Fahee Lantern) 5/4 made no mistake in the final race of the night posting her third race win from just four race outings. Sprinting clear from trap two the strong running Jays Devil had this race in the bag a long way out leading early on from Borodale Tiger before beating a running on King Wonder by three and a quarter lengths in a fast 29.16.

WATERFORD SATURDAY JUNE 28

## Interloper Deserved His Win

All eyes at this benefit meeting in aid of Glenmore GAA Club were firmly focused on the final of the Peter Cronin sponsored Dairyland Cuisine Stake which carried a first prize of Euro 2,000 in which Lemon Dynasty and Interloper shared favouritism at 6/4 Despite an unfavourable trap five draw Interloper did well to move into a challenging position despite a rough ride around the first bend as a fast starting McCarthys Boy made the long break for home up front. Southlodge Major joined the leader rounding the third bend on the outside while Interloper tried for a run up the rails. Saving valuable ground on the fence Interloper (Mountleader Peer-Alias Stage-Franks Girl) dashed into the lead and staying on strongly he drew clear up the home stretch for a cosy three and a half lengths win over Southlodge Major in a best of night 28.96. The winner is owned by Jenkinstown, County Kilkenny based Finbarr O'Regan and this victory was his first sweepstake success having been involved with greyhounds for over twenty years.

The opening contest also went to Kilkenny as the Frank Cleere owned Kilkenny Bid (Droopys Vierli-Slipaway Judy) 5/2 displayed plenty of dash from trap four to go clear of Lakefield Jack and keeping up the gallop up front Kilkenny Kid came home four lengths clear of the hampered Giglis Stranger in 29.66.

The Carrick On Suir owned Hole In One Syndicate are knocking some great fun out of their runners and trainer Jimmy Frisby produced 4/1 shot Sineads Ashling (Come On Ranger-Sineads Ivy) in top form to capture a competitive two bend dash in 16.46. Taking a flyer from trap four Sineads Ashling was never in any danger of losing out breezing in a length and a half clear of Binsted Gismo who got the better of Ballyrobin Duke for the runner up spot.

Long time greyhound owner Johnny Walsh sent out the 8/1 winner of the third race as his Winnies Crown (Prince Of Tinrah-Ballybrazil) made practically every yard of the running to post her first race win in 29.33. Tokio Delight was just behind the winner at the first bend but Winnies Crown opened up on the back stretch to shoot clear for a facile five and a quarter lengths win over Vespouchi.

Impressive Enniscorthy sprint winner Shaunas Prince was a

warm order at 6/4 to land the fourth event but while he was always close to the leaders it was track newcomer Aegean Sand 5/2 who cut out the early running from Prestige Shauna. The winner owned by Maria Neurobisz came very wide into the home stretch and while Shaunas Prince threatened for a couple of strides Aegean Sand kicked again to beat a fast finishing Able Queen by a length in 29.48. The winner is a March 2001 son of Droopys Merson and Columcille Moth.

Races five and six were semi finals of the Murphys SEAT Confined 29.40 Stake. In the first semi final the Audrey Power owned and Harry Seery trained Belindas Therapy (Staplers Jo-Murmont Monica) 4/1 dipped well under the qualifying mark with an impressive no nonsense 29.08 front running victory. Showing good early pace Belindas Therapy cornered in front of Hubba Hubba and making the best of her way home Belindas Therapy proved a length to good for a staying on Kielys Girl with Resttm putting in his usual dash of late pace to finish a close up third.

The second semi final was a messy affair with Sheeraghs Psycho causing havoc at the first bend when moving wide. The MMS Syndicate owned and Christy Coady trained When You Like (Come On Ranger-Strong Minnie) 6/4 cut back inside the first bend crowding to gallop clear for an easy three lengths win over a slow starting Locnamon Lord in 29.43.

In the seventh contest Augusta Hero produced his customary dash of early pace to lead to the first bend where he received a slight bump on the hind quarters from a challenging Ballintrane Jack. Augusta Hero led down the back from Ballintrane Jack and Sparta Tom but in an exciting finish a rails seeking Savana Snowstorm (Some Gamble-Kevit Blaze) 6/1 owned by Kevin Baker and trained by Dave Maltby Baker stayed on really well up the inside to come through close home for a nail biting half a length victory over Augusta Hero in 29.12.

In a six bend marathon Beirns Mick flew from trap one to lead from Full Of Patches but with the leader tiring over the final two bends the Andrew Weldon and Michael Casey owned Bonmahon Breeze (Judicial Pride-Dranoel Breeze) 4/1 stayed on best to beat the always prominent Full Of Patches by a length and three quarters in 41.87.

A wide running Spinner Honcho made a brave attempt to lead all the way in the concluding 550 leading early on from Determined Pet but coming very wide into the home stretch the leader lost valuable ground as the Benny Fox owned Determined Pet (Jamaican Hero-Slight Problem) 5/4 dashed into the lead to record a three lengths victory over Spinner Honcho in 30.64.

# Dungarvan Hill Walking Club News

Earlier in June, over 30 club members had a very enjoyable weekend in Wicklow. Based in a hostel in Rathdrum, we were ideally located for walks in Glendalough and Glenmalure. On Saturday morning Jack lead the B walkers to the Spink and Derrybawn Ridge while Marg. took the C walkers on a less taxing walk in the same area.

Later there was time to watch Waterford's win over Limerick on TV or, for some "non-Waterfordians" a trip to Avondale etc.

We regrouped in Jacobs Well for some fine food and entertainment including a birthday celebration for Jim.

On Sunday morning our group linked up with Harry and Carmel from the local walking club and set out for the beautiful Glenmalure Valley in brilliant sunshine. This was a tough walk with the descent trickier than the climbing but all enjoyed the challenge and agreed it was well worth the effort and in spite of a changed weather pattern.

Back at the car park (& pub) it was time to "refresh" and head for home.

There was general agreement that it was a wonderful trip and that Marg, who had organized it, deserved special mention. The clubs best wishes go to her and Tony and to other members including our Chairperson Jacqueline who are currently on holiday.

Back at base, final preparation is being put in place for the George Harney Memorial Walk, which is the clubs fund raising venture for local causes. As already published, the walk takes place on Saturday 5th July and anyone interested in walking, sponsoring or helping in any way can get more information from M. J. Powers Bookshop (058 42617) email mpower@cablesurf.com or from any committee member.

### SYMPATHY

Finally the club extends sympathy to member Rita Moore on the recent death of her uncle Peter.

# KitKat Munster Champion Sets New Record

In a month of sporting highlights it sometimes happens that an achievement of historic importance goes unnoticed. Such an achievement was the 1500m race in the KitKat Munster Schools track/field Championship on May 24th last. The successful athlete was St. Augustine's College athlete David McCarthy of Skeheens, Ballymacarby. David of course is no stranger to success. His achievements in Cross Country at National and International level have marked him out as an outstanding juvenile athlete.

David broke one of the three longest standing records in Munster Schools Track/field in the junior boys 1500m with a time of 4m 16.71s. The previous record dates back to 1974. His time marks him out as a future talent.

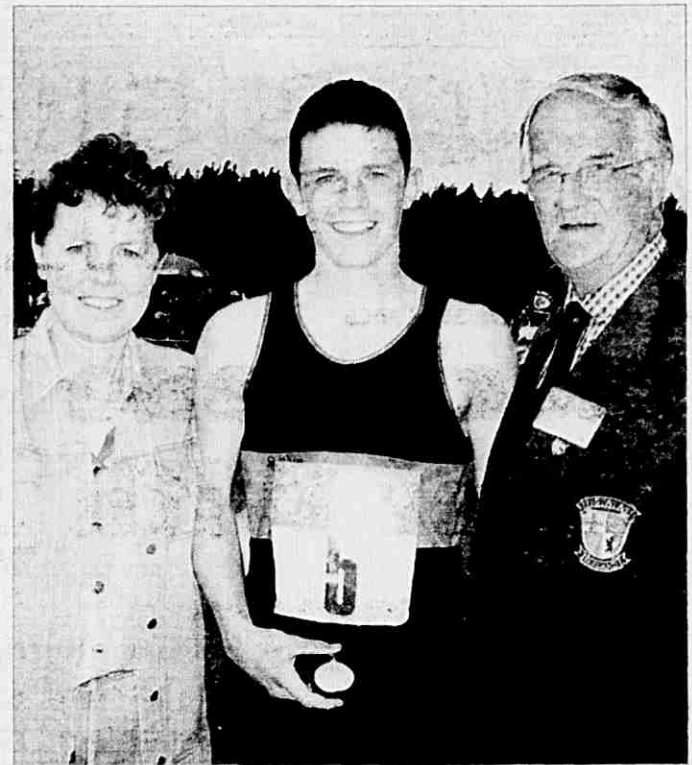

David went on to win the 1500m at the KitKat All Ireland in Tullamore on May 31st. In the KitKat Tailteann Games (Interprovincials), David has been selected on the Munster team to run in the 800m. The other St. Augustine's College Athletes to be selected on this team are Susie and Sally Lonergan, Lorraine Walsh, and Diarmuid O Foghlu in Pole Vault, Padraig Healy in Race walking. St. Augustine's College medal winners at the KitKat All Ireland were:

David McCarthy Gold in 1500m Junior Boys

Sarah Keane Gold in Triple Jump and Bronze in Pole Vault, Junior Girls
