High Court Review Sought Into Multi Million Shopping Centre Go-Ahead

KEVIN KIRRANE

A local resident, Collette O'Connell, of 4, Davis Street, Dungarvan, has applied for a Judicial Review by the High Court into An Bord Pleanala's decision to grant planning permission for the construction of a multi-million euro shopping centre on a site formerly owned by Glanbia.

The application, lodged by Ms. O'Connell's solicitors, Casey & Company of Ban-

don, Co. Cork, was dated the 9th of July and was lodged with the High Court on Friday last.

The application seeks to quash An Bord Pleanala's decision in May to grant permission for the demolition of five habitable houses on O'Connell Street, and for the construction of a range of facilities including an anchor shopping store, apartments, restaurants, and a multi-screen Cineplex.

Ms. O'Connell is making the application on a number of grounds including that An Bord Pleanala's decision was made contrary to the requirements of the Planning and Development Acts 2000 to 2002.

She also contends that An Bord Pleanala's decision was contrary to the requirements of two listed Council directives, and contrary to fair procedures, and/or natural justice. Ms. O'Connell will say the respondent (An Bord Pleanala) failed to notify the National Roads Authority (NRA) of the proposal by the developers to significantly increase the volume of traffic entering onto a national road and to place a roundabout on the N25 contrary to regulations. And, that the respondent imposed a condition on the developers to pay half the cost of the roundabout without consulting with the NRA about funding the cost of the remainder.

Ms. O'Connell will also say the respondent was un-

aware of the complete planning history of the site, and accordingly a decision was made without due consideration of all the relevant facts.

She will rely as well on the grounds, that the Environmental Impact Statement was defective in that it did not deal with all the likely significant effects on the environment, and contrary to planning directives mitiga-

tion measures were not proposed.

The application to seek a judicial review is to come before the High Court on the 28th of July, and will include six sworn and lengthy exhibits, listed as exhibits A to G.

Ms. O'Connell, a mother of four young children, also made a sworn affidavit, not-

Another House Destroyed By Fire in West Waterford

Occupants of a house in West Waterford returned after a day trip to find their house gutted by fire. This is the second serious house fire in a week in the County. Three units of the fire brigade from Ardmore, Dungarvan and Cappoquin attended the fire. Fire Officers at the scene commented that rarely had they seen a house so heavily damaged by fire. The fire was brought under control but unfortunately there was little the fire brigade could save for the owners.

DUNGARVAN MAN AND BCI CHIEF EXECUTIVE APPOINTED AS NEW EPRA CHAIRPERSON

The Broadcasting Commission of Ireland (BCI) is pleased to announce the recent appointment of Michael O'Keefe, Chief Executive (BCI) to the position of Chairperson of the European Platform of Regulatory Authorities (EPRA). Mr. O'Keefe recently took up his two-year tenure and will chair the next EPRA board meeting in Düsseldorf this Friday July 11th. He replaces outgoing Chairperson,

Greger Lindberg of the Swedish Broadcasting Commission.

BCI Chairperson Conor J. Maguire said, "The Board of the BCI welcomes this announcement and congratulates Michael on his appointment. This reflects the valued contribution that he has made to the BCI over the years in what has been a great period of change and development in the Irish broadcasting sector. His contribu-

tions to EPRA over the years are well documented and this appointment gives due recognition to his efforts.

This appointment is an honour for both the Commission and Irish broadcasting and we wish him well in his capacity as EPRA Chairperson."

The European Platform of Regulatory Authorities (EPRA) was set up in April 1995 in Malta with the

aim of enabling representatives of broadcasting regulatory authorities to meet regularly in an informal way to exchange information about national and European media regulation and developments. It provides an open platform for discussion on a wide variety of relevant topics to regulators. To date, 44 regulatory authorities from 35 countries are members of EPRA.

COOKERY CORNER

Pork pot with fennel, garlic and tomatoes

Ingredients:
Serves 4
1.5kg boned, rolled and tied loin of pork, rind intact
Salt and pepper
2-3 x 15ml sp dripping
2 x 15ml sp Pernod
100ml white wine
2 large bulbs fennel, quartered
12 medium tomatoes, halved
16-plus cloves garlic, unpeeled and bruised with back of knife
2-3 bay leaves
1 or 2 sprigs thyme
Sprinkle fennel seeds
3-4 pieces lemon peel, no pith
Juice of 1 lemon
Method:
Put a cast-iron pot over a flame to become hot and preheat the oven to 300°F/150°C/gas mark 2.
Rub the pork all over with a little fat or oil. Add the dripping to the

hot-pot, allow to smoke slightly and put in the pork loin. Turn and burn the meat for several minutes until the skin turns gold. Lift on to a plate.
Tip off most of the fat and discard, pour in the Pernod and wine. Allow to bubble together, using a whisk to pick up the brown bits at the bottom of the pot. Return pork to the pot and tuck the fennel, tomatoes, garlic, bay and thyme sprigs around it. Spoon over some of the meat juices, and sprinkle with fennel seed.
Put pieces of lemon peel among the vegetables and squeeze lemon juice over everything.
Bring the pot up to a

moderate heat, put on the lid and place in the oven. Cook for 2-2 1/2 hours, turning the meat once during this time. Serve the pork carved into thick slices, with the vegetables around it, plenty of juices and plain boiled potatoes.

Mushroom and lemon salad

Preparation: 10 mins
Cooking: 6 mins

A SUPER dish for summer which is delicious when served hot or cold with your BBQ or any meal.

INGREDIENTS
(Serves 4)

- 2 garlic cloves
- 4tblsp olive oil
- 675g washed button mushrooms
- 1 shallot, finely chopped
- 1 tsp chopped fresh tarragon
- Juice of 1 lemon
- Salt
- Ground pepper

Blanch the garlic cloves, refresh in cold water and repeat. This removes the raw garlic flavour, making it less strong to taste. Thinly slice the garlic lengthways.
Heat two tblsp olive oil in a frying pan and fry the garlic and mushrooms for about five minutes until golden and tender.
Add the shallot and fry for one minute.
Add the tarragon and the juice of lemon.
Remove from heat and transfer to serving bowl.
Drizzle with remaining olive oil and check seasoning.
Serve cold.

Cinnamon cream with oranges

Preparation: 10 mins
Cooking: 10 mins

A SPICY, fruity summer dessert with rich cream.

INGREDIENTS (Serves 5-6)

- 450ml double cream
- 450 milk
- 100g caster sugar
- 1 tsp cinnamon
- 2-3 tsp powdered gelatin
- 5-6 oranges, peeled, pith removed
- 2 tblsp caster sugar
- Fresh mint to decorate

For the cinnamon cream, bring the cream, milk, sugar and cinnamon to the boil, then remove from the heat. Mix the gelatin with two to three tablespoons of water and warm gently until dissolved. Add to the cinnamon cream and mix. Divide the mixture among size one ramekins and leave in the fridge overnight to set.
Segment the oranges and place on a baking tray. Sprinkle with caster sugar and place under a very hot grill for three to four minutes until caramelised. To serve, dip the base of each ramekin in hot water and turn out putting onto a plate. Arrange the orange segments around and decorate with mint.

SEA KELP

This is well known for its positive effect on metabolism. It has a gently balancing effect on thyroid function, and provides nutrients that the body often doesn't get if the diet is full of junk foods. It cannot be taken if you are on thyroid medication or have a recognised thyroid disorder.

Kelp has the ability to bind to toxins such as heavy metals and carry them out of the body. This detoxifying effect can make you feel better and more energised, encouraging you to do a little more on the exercise front.

LIAM LYNCH COMMEMORATION

ON KNOCKMAELDOWNS ON SUNDAY JULY 27th
 On July 27th at 3pm on the slopes of the Knockmealdown mountains overlooking the villages of Newcastle and Goatensbridge and the scenic Suir Valley, General Liam Lynch Commander in Chief of Irish Republican forces will be commemorated. Lynch was fatally wounded there in April 1923. A monument worthy of such a prominent leader marks the place where he fell. The Executive of the Liam Lynch memorial have organised the 80th anniversary ceremonies. The President of the Irish Bardic Fed-

eration John J. Hassett will deliver the oration. Mr. Paddy Power will mark the bicentenary of Robert Emmett with a short tribute to his role in Irish history. Liam Lynch a native of Anglesboro County Limerick was a leading activist and military leader in the coordinated comprehensive, cultural, political and physical force movements, that forced the British Empire to call a truce and negotiate terms of settlement with the Irish people during the later half of 1921. In the Treaty that emerged and the divisions that arose, Liam Lynch emerged as a mediator. His prime objective was to preserve national unity. He pursued this role which almost alienated him from the more impetuous members, who occupied the Four Courts, an action he opposed. It is ironic that the attack on the Four Courts by Free State forces led to the Civil War, that immediately followed. Lynch was not in the Four Courts. For his counter part Ml. Collins then battling with elements within the Free State Government, the attack on the Four Courts trapped him also into a difficult position. Tragically both men of greatness, fell in their prime of life. On different sides in a conflict that both did their best to avoid. The political power seekers on both sides, much more than the military men, that created the crisis, that led to civil war and Lynch and Collins deaths. It is right that on a Mid Summer Sunday July 27th next, that people across the age spectrum will gather to proudly remember a chieftain of the Irish nation, who died defending the Irish Republic, not as an armchair General in a safe bunker, but in the front line of action. As a man of principal, motivated by patriotism and driven by his love of national freedom, Lynch died with generous words to all fellow Irish people. He was a man of faith and belief in God who had a duty to fulfil and he did it without fear or favour. Time, history and proper research into his role in the making of the new Ireland of his time, will give him due credit for his major contribution that revisionists historians and sham nationalists, conspire to prevent through their propaganda.

Booley House 2003

The Booley House begins its run on next Wednesday night July 23rd at 8.30pm in St. Michael's Hall. The organising committee has worked hard to ensure that the high standard set in previous years will continue. It has the same mix of lively tunes, haunting airs, story telling, singing and dancing.

Gerry Harrington (fiddle) and Tony Dunne (box) will once again backbone the musical entertainment. Mike Farrell (guitar) Aine Fitzpatrick (flute) and David Hyland (bodhran) complete the line up. Aine who played in the early Booley Houses is back once again and of course she is now very familiar to the area as she teaches music to the local children. Gerry Harrington and Nancy Conescu have recently released an album, which has got excellent reviews. Gerry was recently given the singular honour of doing the fiddle recital at the recent Willie Clancy School in Miltown Malbay. Ber Browne, our vocalist is with us again this year and will entertain our guests with her beautiful rendition of songs old and new.

James Lenane needs no introduction to audiences in the area and his unique style of storytelling is always well received. Our step dancers under the direction of Michael Ryan have some lovely new routines for this years Booley House and our set dancers complete the dancing line up for what promises to be another exciting and slick show. Booking for this year's show is at 058-60456 or 54975.

CHILDCARE COSTS AFFECTING FAMILIES IN DUNGARVAN AREA SAYS LABOUR COUNCILLOR

Childcare costs are continuing to undermine people's ability to participate in the workforce. That's a claim made by Dungarvan area Labour Party Councillor Fiachra O Ceilleachair.

He says his contacts with parents throughout communities in west Waterford on the issue bears out the accuracy of the Irish Congress of Trade Unions (ICTU) estimation that the average industrial working parent spends up to a quarter of their income on childcare. Cllr. O Ceilleachair says that if regions like Dungarvan and west Waterford are to prosper in productive economic terms, those influencing society must be more conscious of the need to ease what he says is a burden on many young families.

Reacting to a recent study by the Economic and Social Research Institute (ERSI) on what they have found to be soaring childcare costs, Cllr. O Ceilleachair said:

"I know women, in particular, in the localities I represent who have had to contemplate giving up their jobs and stay in the home due to the cost of childcare being a heavy expense on top of all the other cost of liv-

ing considerations. The fact that many such women may not appear on the official labour statistics when returning to the home could actually mean that the unemployment rate is higher than formally recognised among females. If it were men - rather than women - who were the principal losers due to

rising childcare costs, one'd wonder if tackling the situation might attract more urgency"

"The fact that we have a social partnership model and that local authorities - through such things as the Waterford County Childcare Initiative - are also increasing their focus on such areas allows society the poten-

tial to devote more resources to helping people out. The trade unions' request to Government for tax breaks to assist in childcare costs is something that

should be acted on from an investment point of view. Doing so would improve the quality of life of many of my constituents."

County Council Spent €30,000 On Expenses For SPC Meetings

Only One Recommendation Implemented

KEVIN KIRANE
Waterford County Council spent close to 30,000 euros in expenses for fifteen meetings of its four Strategic Policy Committees (SPCs), but only one policy has so far been implemented, according to the local authorities Annual Report for 2002.

The council's four SPC's were established to "enhance

the role of elected councillors" and to develop a partnership model at local level with all sectoral interests.

However, one of the SPC's met on just three occasions, and it's understood that just one policy recommendation - for a grants scheme for the improvement of graveyards - has been implemented by Waterford County Council so far. Three

other recommendations - all of which are bye-laws - are at the public consultation stage.

The Chairmen of the SPC's are granted an allowance, and a number of sitting councillors are on the four SPC's. The rest of the committees membership is made up of some of the members of the 150 community groups affiliated to Waterford County Council.

WHAT TO DO WITH A TOWN GARDEN

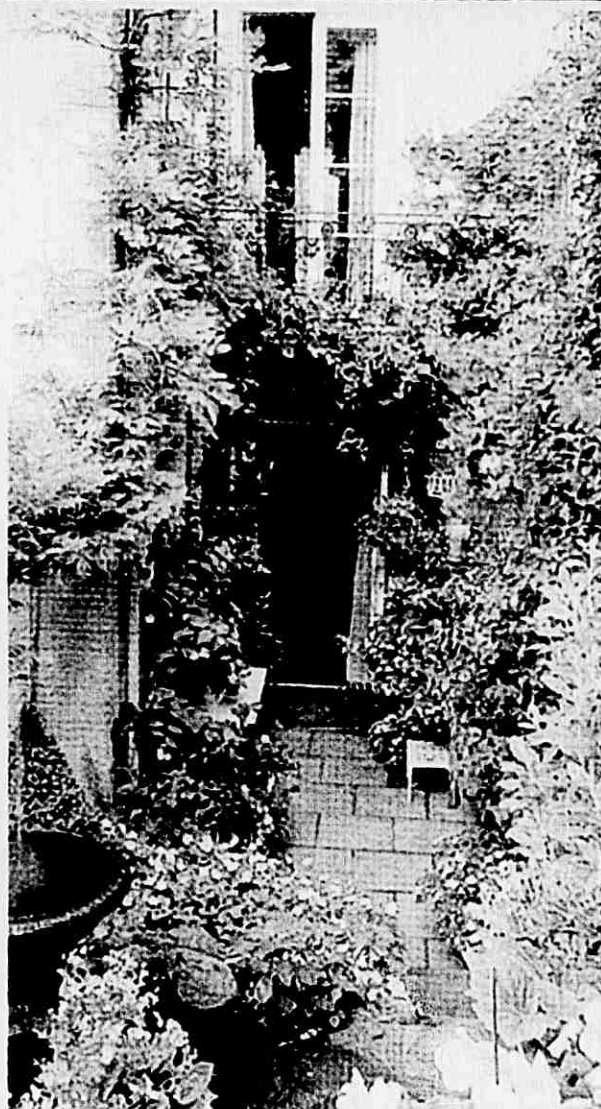

MANY people who are too lazy to make an effort in the garden say it is because it isn't big enough to do anything with - but that's no excuse! Follow these top tips on how to make a gardener's paradise out of barely enough space to swing a cat. Town gardens can be a nightmare to deal with if you don't have the right know-how. Most are small in size and mainly covered with concrete. But they do have their advantages - because they are surrounded by houses, they are sheltered from harsh wind and rain. Also, the brick walls and concrete slabs on the ground keep the earth warm, attracting many creatures and plants which thrive on that type of environment. It's all a case of picking

and choosing. A lot of plants have dwarf varieties which are more suitable for a town garden environment. And even vegetables can be grown in tiny areas if you choose the right types and species. Follow this advice for maximising the potential of an enclosed town garden.

- Trail runner beans up a trellis against a wall, both for the beans and exotic scarlet flowers.
- Sow climbing nasturtium and let it wander among your shrubs; chop the leaves and flowers and use them raw to pep up a salad.
- Train Merton Thornless, a luscious, big blackberry, along rear fences.
- Plant tomatoes, aubergines, cucumbers, peppers, courgettes and lettuce in growing bags or, for an even better display, in 10in tubs.
- Set five or six Swiss chard plants in tubs. They'll keep

the family supplied with fresh spinach from June until September.

- Grow the sugar pea or mangetout in a container. The plants look particularly good against an edging of decorative herb such as golden marjoram. Oregano Sugar Pod is a good late summer cropper.
- Fill a tub or tower pot with strawberry plants. Wild Alpine varieties such as Red Alpine give summer colour and autumn fruit.
- Use another tub or barrel to grow an early crop of potatoes. After they are harvested, you can use the compost again for a later crop of leeks or onions grown from sets.
- Pot out some herbs. Rosemary, sage, parsley, thyme, mint and chives are all attractive plants. Add a splash of blue with hyssop.

This week in the garden

Plant Madonna lilies
This is the ideal time to plant *Lilium conchidum*, the Madonna lily. It differs from almost all other lilies in making quite a lot of new growth in late summer, and it should be planted before this starts. Another peculiarity is that the bulbs grow practically on the surface. You should plant them 20cm apart and only cover them with 5cm of soil. After a while they will probably work themselves out until they show; make no attempt to cover them again. This lily prefers a sunny position and reasonably good, but not freshly manured, ground.

Lift daffodils and bulbous irises
Daffodils and narcissi, also the various bulbous irises, will now have completed their growth and may be lifted and cleaned off if they are overgrown or you need the ground for something else. Otherwise leave them undisturbed for another year. They do not gain anything by annual lifting and drying, as do tulips and hyacinths. If you do lift them, get them replanted as soon as possible and certainly before the end of Sept.

Cut back helianthemums
Sun roses tend to get rather straggly if left to their own devices, but if cut back a little each year at about this time they can be kept quite neat and tidy. You can do the work with a large pair of scissors or garden shears.

The total amount collected for the kidney Association came to 445.32 Euro last Sunday week in Kilrossanty and Fewes. Thanks to all who subscribed to this worthy cause.

Thanks
Thanks to all who subscribed to the Comeragh Development Group collection last Sunday and to the people who took it up.

ICA
Kilrossanty guild held their meeting last Monday night. It was well attended, Emily Cusack from Ballinavouga gave a short account of her recent stay in Botswana and told the guild of the poverty that exists there, she was involved in trying to educate kids from the street and give them some kind of a normal upbringing. It is hoped that some kind of fund raising will be done for this cause later on when legal items will be sorted out in the area of Botswana.

It just goes to show that poverty does really exist in some parts of the world in spite of the economic boom. Our second guest speaker was Catherine O'Brien from the Flower Shop in Main Street Dungarvan she brought along some plants and flowers and spoke about gardening in general which was very interesting, she gave tips about keeping plants for longer and healthier, she also gave prizes for the raffle. Many thanks to raffle winners were Brigid Curran Kathleen Whyte, Peg Mulhearn, Ann Phelan, Breda Crotty. The nicest flower arrangement was won by Kathleen Whyte. Tea was served by Kathleen Whyte and Mairead Coffey.

The guild are going to the Mount Congreve gardens next Wed, then on to a hotel for a meal and then on to the Glenn for some entertainment. The bus will leave at 2 o'clock from Leamybrien, names to be given to Kathleen Whyte or Christine Houlihan by the weekend see newsletter for more details.

WHICH PLANTS LIVE IN WATER

Some plants live completely under the water. Some float on the surface. Others grow in the water of ponds or on the banks of rivers and are partly covered by water. The plant Elodea (pondweed) has a long, strong underwater root which is anchored to the waterbed. The stem and the leaves, which are on the surface, are thin, so that they are able to resist the wind without being "uprooted"! The Water Lily floats on water. The floating leaves have the stomata on the upper part exposed to the air.

WATER PLANTS

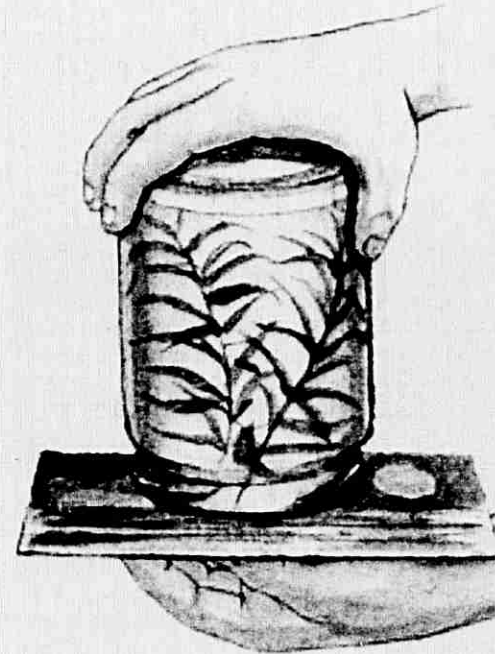

The flower of the Water Lily closes during the night and opens out at dawn. The water Chestnut has floating leaves. Its spiny fruit looks rather like the seedcase of a horse chestnut. The Water Buttercup (or Water Crowfoot) has yellow flowers and long, pointed leaves.

THE WATER LILY

This plant flourishes near pools and lakes. The Fanwort grows around Swamps. It has sausage-like flowers on a stalk which can be up to 2.5m long.

THINGS TO DO

Want to see a plant breathing underwater? Put a water-plant in a jar full of water. Place a piece of card on top, then, holding the card in place upturn the vase. Place the whole thing in a basin full of water. Slide out the cardboard carefully and put the basin and the

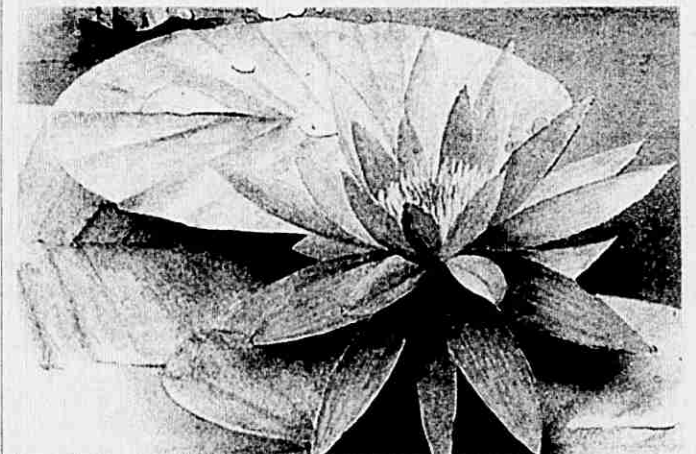

jar in full sunlight. After a while, you will see lots of bubbles in the vase. These are bubbles of oxygen produced by the plant.

FACTS AND FIGURES

There are at least 4000 species of red seaweed, 1500 species of brown seaweed and 6000 green seaweed. Some seaweeds of the Pacific Ocean grow a good 45 cm each day, reaching approx. 60m in length. Green and brown seaweeds live at depths of no more than 25m, because they need sunlight. Red seaweed can live with very little light at depths more than 100m.

WHAT ARE SEAWEEDS?

Seaweeds are very simple plant organisms, which live in the sea and in fresh water. Some seaweed are microscopic. These, together with tiny little water creatures called plankton, are food for fish. Many-celled seaweeds are anchored to the depths by a rhizoid, which is like a

small, climbing root. Some species are sprinkled with small "blisters" full of air, so they can remain upright in the water.

Red and brown seaweeds live in salt water, green seaweed mostly in fresh water.

Open Garden Sun. 20th July

IN AID OF WEST WATERFORD HOSPICE & MARIE KEATING CANCER FOUNDATION

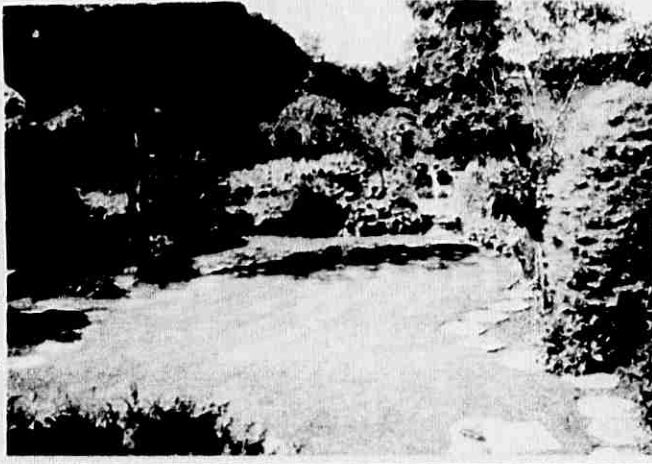

Lag n Bhfothrach "Hollow of the house ruins" is a sub division of the Townland of Knockboy in the parish of Geskinane or Toura-neena. It is just off the R. 672 nestling at the foot of the Comeraghs where it preserves a remoteness from modern noise and bustle.

Here lies the beautiful landscaped garden of Tom & Catherine Barron, Lagg, Ballinamult. The view from the garden is breathtaking and its many features including a range of trees shrubs walkways, running water, still water, gazebo and lots more.

Here on Sun 20th July the Sliabh gCua Ladies Club have organised an Open Garden Day, in aid of the above charities.

There will be light refreshments, a cake stall, flower arranging and lots more (admission euro 7).

So come and spend a relaxed afternoon in this celestial paradise, happy in the knowledge that you are supporting a worthy cause.

DUNGARVAN SHOW All Roads Lead To Cappagh

On the 31st July the 87 th running of Dungarvan Agricultural Show will be held, by kind permission, on the lands of Jim & Michael Phelan in Cappagh. The Chairman of the Show Liam Curran and his committee would like to extend their sympathy to the Phelan family on the death of their father Michael this week.

Preparations for the show are well underway and Entry forms and Schedules are available from the Show Secretary, John Dwane, "Jonmar", The Burgery, Dungarvan - Phone 058 42527/41365. Entry forms and Schedules for the Home Industries section are available from the Home Industries secretary Dina Walshe, Master McGrath, Dungarvan - Phone 058-42196.

The new venue is situated 6 miles from Dungarvan on the main Dungarvan/Cappoquin road (R672) and will be clearly sign-posted. The Field Committee headed by Hal Chavasse have been busy drawing up a Show Field Plan and all the various rings and arenas have been carefully measured and laid out.

The "Show Day" is part of a long tradition in Dungarvan and over the years Dungarvan Show has gained a great reputation attracting exhibitors from all over Munster and Leinster. We are particularly indebted to our existing Sponsors who continue to support our Show and to our new Sponsors whose contribution we greatly value.

This year the Show will boast many attractions which will appeal to all and which include the following:- Dog Show, Junior and Adult Art Competitions, Junior Handwriting Competitions, Bonny Baby Show, Prize for the Most Appropriately Dressed Lady and a Kiddies Corner which will include a Bouncing Castle. There will also be a large Trade Stand Display and Catering and Bar facilities. WLR will also be in attendance doing an outside broadcast which always adds to the atmosphere in the Show field.

In the more traditional sections of our Agricultural show the following are the main attractions.

Horse Section: All the usual

Hunter, Young Horse, Broodmare and Pony classes are scheduled. The Riding Horse section includes a class for Amateur Rider and members of Riding Clubs. There will also be a Side-Saddle Class which is interesting to watch, the Thoroughbred Broodmare Class is very popular and once again the Beeches Stud have presented nominations to Bach and Dr. Massinni. The Observer Cup traditionally holds pride of place in the Half-Bred Broodmare section. The Pony Showing Ring will be very busy with classes for ponies and riders of all heights and ages!

Cattle Section: Showing Cattle in Dungarvan has long been a tradition and this year the Super Cow Friesian class is expected to attract the usual entry of top-class cows. Other Cattle Breeds on show include Herefords, Simmentals, Charolais, Aberdeen Angus, Blonde D'Aquitaine, and Limousin.

Sheep Section: The Sheep entries in Dungarvan Show have always been good and as usual the Boolattin Cup will be keenly contested. In all there are 10 classes for sheep which include two classes where the sheep may be exhibited by Children.

Home Industries: A visit to the Home Industries tent is an absolute must. Increased spon-

sorship has led to an increase in entries. The array of Flowers, Vegetables, Home Baking, Preserves is wonderful as is the display of Hand crafts, Needlework and Knitwear.

Showjumping: Co. Waterford enjoys a reputation for producing top-class showjumpers and this year there are three jumping arenas catering for all grades of Pony and Horse including the Amateur Rider, Prize money is excellent and a number of riders currently competing in the International circuit are attending. Indeed three riders with local connections, Anthony and Claire Condon from Cappagh and Mark Flynn from Kilkenny will present Ireland in the European Pony Championships in Necarne Castle, Co. Fermanagh. These three are regular competitors in the International Pony Showjumping circuit and we wish them every success.

Macra na Feirme Efficiency Tasks Final.

Macra Clubs from throughout the county will attend on Show Day. Competitions include Tractor Driving, Lady Driver Competition, Sports Obstacle Course and the very popular Tug of War and Woodchopper Challenge competitions.

Growing Fears Over Gaeltacht's Future Status

KEVIN KIRRANE

Fears for An Rinn's designation as a Gaeltacht are mounting due to a growing number of housing developments in the area, and the perceived danger to its status from a possible influx of non-Irish speakers.

Concerns first arose following Eamon O Cuiv's recommendation in 2000 that areas with a population of less than ten per cent speaking Irish on a daily basis would no longer be designated as a Gaeltacht.

This led to further worries over claims that the zoning for housing had been increased per acre in an amended Action Area Plan for Ring-Helvick-Old Parish – which was adopted by Waterford County Council in 2001.

At the time, some residents said the zoning would allow housing estates to be formed where they never existed before.

In the plan, environmental planners – CAAS said the area is not in any immediate danger of losing its designation, but warns against over-development.

It goes on to state that, "large-scale development to accommodate non-Irish speakers could result in the loss of

CLAIMS THAT ZONING FOR GAELTACHT HOUSING WAS INCREASED

Gaeltacht designation."

The controversy over the Action Area Plan arose following claims that zoning for housing per acre had been increased from the original recommendation made by the plans architects – CAAS Environmental Services Ltd.

INAPPROPRIATE TO COMMENT ON ZONING CLAIMS

Speaking to the Dungarvan Leader, Helen O'Keeffe of CAAS, said it would be "inappropriate" for her to disclose the zoning originally recommended by her environmental planners.

Describing the original zoning as part of a discussion draft, she said: "The public representatives made the decision that the zoning in the draft should not go into the public domain at that time. So it would be inappropriate for me to comment on it now."

Council officials and the elected representatives examined the discussion drafts, and Ms. O'Keeffe said she believed

that it was entirely fair for the final say on the zoning to lay with the public representatives.

However, according to one local resident who contacted the Dungarvan Leader following the publication of a series of photographs detailing development of housing in the area, the original action plan was supported by the vast majority of people living in a rural Gaeltacht area.

The local resident contends that an amendment to the action plan, which he claims increased residential zoning effectively "diluted" the entire document; "and the results can be seen in the photographs with numerous private housing estates in progress at present in the rezoned areas."

INCREASED POPULATION

According to the 2002 Census, the Ring Gaeltacht has seen an increase in population of 91 people between 1996 and 2002. However, this period does not fully take into the account the impact of the Action Area Plan, which is understood

New Roundabout Announced For Coolagh Road

KEVIN KIRRANE

A new roundabout is to be sited on the Waterford – Dungarvan road at the entrance to Abbeyside at Coolagh Road it has emerged.

The project was announced following extensive lobbying by Cllr. Michael O'Riordan (Indp) to the National Roads Authority for both the roundabout at Strandside South and a new roundabout at the Coolagh

Road.

"In February I had a meeting with members of the National Roads Authority, and I put the case to them to put a roundabout at that junction," he said.

"That junction is very busy and dangerous, and they agreed to send down someone to have a look at it."

"Last week, they announced they would make money available for the project to go ahead," he added.

Speaking to the Dungarvan Leader, Cllr. O'Riordan said he was delighted with the news.

"It makes the whole area safe," he said. "If you're going from Abbeyside to Waterford you had to cross a busy junction which has a heavy flow of traffic coming in both directions."

"People at times get irritated with having to wait there, and just take a chance in getting across," he added.

Revised Costs Submitted For New Ardmore Fire Station

KEVIN KIRRANE

Waterford County Council has submitted a revised cost plan and contract documents for a new fire station at Ardmore to the Department of Environment.

Minister of State, Mr. Gallagher, who was replying to a Dail question tabled by Deputy John Deasy (FG), said the project is at present under consideration for advancement to construction stage under the Fire Services Capital Programme.

Cllr. Michael O'Riordan

fying the High Court that she and her planning consultant, Peter Sweetman, made submissions to Dungarvan Town Council, and lodged an appeal to the local authorities decision to grant permission for the development to proceed in January of 2003.

Ms. O'Connell had previously made an appeal against Dungarvan Town Council's decision to grant permission to Clancy Construction's initial plans for the site in 2000. That first appeal resulted in a protracted review of the plans by An Bord Pleanala, lasting almost twelve months and including an oral hearing before the Board finally overturned planning permission.

Clancy Construction, Dungarvan Town Council, Shane Houlihan, and two prior objectors to the multi-million euro shopping centre – An Taisce and Proinnsias Breathnach – are listed as notice parties to the application.

Speaking to the Dungarvan Leader, Cllr. Billy Kyne (Lab) said he accepted the right of an individual to

challenge a project but said the determined onslaught to the development is difficult to understand.

"As a Town Councillor, I have discussed this briefly with the County Manager, and suffice to say, I'm appalled that the process that we all thought had been completed, is now being subject to further challenge. But at least on this occasion work on the site continues," he said.

"I have continuously said that I accept the right of people to use whatever process they can to get their point of view across. But, at this stage, I must continue to repeat, that the determined onslaught on this development, by the objector, is very difficult to understand."

"Hopefully," Cllr. Kyne added, "this latest challenge will go the way of the other ones, and Dungarvan can get back to developing a site that lost over three hundred jobs and try to create future jobs, security and employment in the town. That is my goal. I sometimes wonder what is the goal of the objector."

The application for a Judicial Review will be heard in the High Court at 11am on the 28th of July.

An Bord Pleanala Ruled Against Council In 47% Of Appeals

KEVIN KIRRANE

An Bord Pleanala has ruled against Waterford County Council's planning decisions in the case of almost half the appeals that have come before them, while there has also been a growth in the percentage of the councils planning decisions which have been appealed.

According to the local authorities annual report, 7.9% of the council's decisions to either grant or refuse planning permission have been appealed to An Bord Pleanala – a rise of 1.7% from 2001.

Of these appeals, almost half have successfully overturned Waterford County Council's original decision – a drastic doubling from 2001 when only a quarter of appeals resulted in the council's decision being overturned.

Drugs Seized By Gardai In Dungarvan

Gardai seized a quantity of drugs with a street value of 2,000 euros in Dungarvan on Wednesday last.

A man in his twenties was arrested in the Shandon area of the town at around 6.30pm and a quantity of drugs was seized.

The man was taken to Dungarvan Garda Station, and was later released. A file has been sent to the Director of Public Prosecutions.

TILLAGE: Maize

Maize crops are quite variable with the early sown crops under plastic cover being 'waist high on the first of July', exceeding the traditional benchmark of 'knee high' for that date. Mid April to early May sown crops without plastic cover have very little between them in growth stage as the April sowings were subjected to a prolonged period of wet weather until early May. Weed control has been less than satisfactory in many situations, the primary reason being that post emergence weed control was a considerable period of time after planting so as not to put any further stress on the maize crop. Consequently weeds were at an advanced stage with a subsequent drop off in the level of control achieved. Scutch levels have been increasing in maize fields and realistically the most effective method of control is treatment with glyphosate 2-3 weeks pre ploughing.

SETASIDE MANAGEMENT

- (i) Green cover must be cut at least once during from the 16th July to 15th August 2003 to a height of 10 cm (4 inches) or less. The cuttings must be left on the land and turning or baling of the cuttings is not permitted.
- (ii) Grass cover established on setaside land and treated with herbicides to reduce herbage production must have the treated herbage, including any re-growth, topped and managed in accordance with the conditions specified in relation to green cover at (i) above.
- (iii) Ploughing of setaside land is permitted from 16 July to prepare land for sowing of crops for harvesting not earlier than 15 May 2004.

GRAIN ASSURANCE

The Irish Grain Assurance Scheme (IGAS) has established minimum standards for growing, handling, storage and transport of grain. This aims to ensure that grain produced and processed by members of the Scheme meets these standards. Assured ingredients are an essential link in the traceability chain and allow positive promotion of native grain and enhance the image of the Irish grain sector. Non assured grain will have limited markets. More of the grain markets, and especially exports to the North, either in bulk or as compound feeds must be 'Assured Grain'.

Annual membership costs 45 + VAT for up to 100 ha of arable crops and 90 + VAT for over 100 ha of arable crops. Application forms are available from all participating merchants or from Irish Grain Assurance Scheme, PO Box 7, Athy, Co. Kildare.

On average there was a slightly higher percentage of the herd milking in May 2003 versus the same month last year (92% v 94%). Average milk yield fell by 0.3 litres/cow relative to average yield in April (1.2% drop)
- Less concentrates were fed per cow in May compared to last year. One farmer fed no concentrates during May while feeding levels ranged from 0.4 to 3 kg per cow per day.
- Fertilizer usage was similar to last year.
- Average milk price (despite the increase in milk protein content) is below the average price for May 2002 by 0.4 c/litre (1.43 ppg).

Teagasc Glanbia Monitor Farms Update June 2003

Table 1: May Summary - 2003 v 2002

All figures in Table 1 are taken from Teagasc Dairy Herd Monitor and are representative of 12 spring milk Monitor Farms. All figures refer to the month of May.

Σ Milk protein content was increased relative to last year by an average of 0.05%. This increase continued into June (see below). However average milk protein content fell in mid June, but still remained ahead of last year. Average and pre-grazing covers have tended to be higher than necessary on the Monitor Farms during June. This has led to extended rotations and a decline in grass quality.

Table 2: Average weekly milk protein results (12 Monitor Farms)

SUPERMARKET LAMB PRICES - PART OF CONSUMER RIP OFF - IFA

In a survey of retail lamb prices in the main supermarket groups, the Irish Farmers' Association has found that supermarkets are taking margins as high as 100% on retail over wholesale prices.

Waterford IFA Sheep Committee Chairman Michael Looby has said this survey proves that the pricing practices of the powerful supermarket groups are totally unacceptable and geared at achieving the maximum possible margin for themselves.

"It also proves that the powerful supermarkets have jumped on the consumer price rip off that is now so apparent across so many sectors in Ireland".

Mr. Looby said the high price, high profit practices of the supermarkets was turning off consumers in the consumption of a natural high quality meat such as lamb.

Mr. Looby pointed out that farmers are currently receiving 3.64/kg carcass weight for lamb from the meat factories. The factories slaughter and

process the carcass and lamb cuts for sale to the supermarkets. He said typical wholesale prices charged by the factories to the supermarkets are 10.00/kg for loin chops, 5.00/kg for legs. Based on the IFA survey, supermarkets are charging consumers over double the wholesale price, with an average loin chop price of 19.50/kg and an average lamb leg price of 11.20/kg.

Mr. Looby said this is an extraordinarily high price mark up, and even taking account of the retail trim, waste and packaging, cannot be justified. He said clearly the supermarkets are into taking as much as they can get off consumers for lamb

meat sales.

The Waterford IFA Sheep farmer's leader said the excessively high prices being charged by the supermarkets are damaging lamb consumption among consumers. He said the supermarkets could well afford to sell lamb at retail prices of at least 30% lower and still make a very good margin. Mr. Looby said, "lower retail prices would seriously boost consumption and benefit both consumers and producers".

The IFA lamb price survey was carried out on June 30th and July 1st at 13 locations across the country from the West, the Midlands and the Dublin area.

€141 MILLION BANK RIP-OFF OF FARMERS

Dutch farmers have access to credit at less than half the cost paid by Irish farmers. European Central Bank figures show business interest rates at 3.3 per cent in Holland compared to 7.7 per cent in Ireland.

Mr. Pat O'Rourke, President of the ICMSA said that this is official confirmation of a massive and unbelievable rip-off of farmers and business generally by Irish banks. The European Central Bank figures are in agreement with similar figures released by Eurostat, the official agency for statistics within the EU.

"It is unbelievable that this wide gap in interest rates is allowed to operate despite the introduction of the Euro. What is our Central Bank of Ireland doing? The Central Bank of Ireland is represented on the Board of the European Central Bank at the highest level. What are the Government Departments doing about this? It would seem that the Competition Authority is more concerned to abolish the Groceries Order than to do the real business of bringing real competition to bear in Irish markets generally," said Mr O'Rourke.

ICMSA has formally written to the Central Bank to urge them to take action on these unsustainable interest rates being charged by Irish banks. In the meantime ICMSA advice to farmers is to shop around and that lower rates are available from banks than the normal rates automatically applied by banks.

RECENT DEATHS

LATE JOHN CROTTY

We learned with very sincere regret and sadness of the passing on Saturday, 14th July at Waterford Regional Hospital of John Crotty, 10, Shandon St., Dungarvan who hadn't enjoyed the best of good health for sometime.

Aged 65 years, son of the late John and Margaret Crotty, John worked for some years in England on construction sites and also at the local Glue Factory. He enjoyed great popularity and his many outstanding qualities endeared him to one and all.

A member of highly respected local family, John loved his wager on the horses and was a life long fan of boxing. In his younger days he donned the gloves and singlet and won many an exciting encounter. His trophies and medals bear testimony to his boxing skills.

Sadly John is the first of a family of 9 (6 girls and 3 boys) to take his leave of us. He was a character who had a great wit and sense of humour, who will be sorely missed.

Lying in repose at the Kiely Funeral Home the removal took place to St. Mary's Parish

Church on Monday where Canon O'Connor P.E. was joined by Canon O'Mahony P.P. and Fr. O'Riordan C.C. for the funeral service. On Tuesday morning Canon O'Mahony P.P. was Mass celebrant, with the interment afterwards in the adjoining cemetery.

The lessons were read by son Sean Crotty and Brendan Coward. Prayers of the Faithful were shared by Cantelle Crotty, Adam Crotty, Karen Crotty, Dion Crotty and Marie Shead. The offertory gifts were brought to the altar by sisters Pearl and Mary (bread and wine), sister Eileen (hat) and walking stick (Anne, sister).

The music of Lorna Jayne Murray ensured that the Holy Sacrifice of the Mass was a real celebration of John's life. In the presence of a huge concourse John was laid to rest in the adjoining cemetery.

We sympathise with his sons Paul, David and Sean, daughters Mickey, Tracy and Kelly, brothers Willie and Joseph, sisters Mary, Pearl, Kathleen, Breda, Ann and Eileen and a wide circle of very many relatives and numerous friends.

Born in Coolboa, Clashmore in 1912, he commenced work in Kenure's Clashmore at an early age and from there he went to the Strand Garage, Youghal. In the early 40's like many of his era Dec emigrated to England and secured a job in Ford's of Dagenham. Later he worked at Beston's Garage, Clashmore and Moloney's Garage, Dungarvan until his return to Ford's again. He spent the latter years of his working life in Youghal Carpets.

Pre-deceased by his wife Ellen in 1966, Dec returned to live in his native Coolboa, Clashmore and spent some time with his son Pat in Parklane Drive, Abbeyside before going to St. Joseph's Hospital, Dungarvan where he was lovingly cared for by nurses and staff for the last 5 years.

Late of O'Connell St, Dungarvan, who died on July 2nd.

Margaret Barron was born and brought up in Dungarvan, her parents were Hannah and James Barron. She had one brother Tom, and the family had a tobacconist shop in O'Connell Street.

The family moved from Dungarvan, Tom to London and his wife Mary Halley and Margaret to Crosshaven, Co. Cork. Following his death of her parents Margaret lived happily enjoying the sea views of Crosshaven and regular visits from her brother Tom, niece Anne Marie and nephew Gerard until her recent ill health. A broken hip meant that Margaret could no longer live along so she resided at Heatherside Hospital, Mallow for the last 3 years of her life.

Margaret was popular with all at Heatherside and will be missed by her family and friends. Three months ago she was delighted by the news of the birth of her first Grand nephew, a lovely baby boy, Thomas James Barron, born to Gerard and his wife Sophie in London. It is a comfort to us that she died peacefully, in a caring environment and knowing about the new family arrival.

Rev. Fr. Cooney OSA offered the funeral Mass and officiated at the graveside. The lessons were read by Anne Marie (niece).

RECENT DEATHS

LATE PETER MOLONEY

Feelings of regret and sadness were evoked in the locality with the passing on June 19th at Waterford Regional Hospital of Peter Moloney.

Only weeks earlier Peter and family mourned the passing of Bridgid (nee Dalton), a wife and mother.

Born in 1914 at Crough, Colligan, Peter gave sterling service to Dungarvan Leathers from 1943 to his retirement in 1979. A great favourite with both colleagues and management, he always tended to his duties in an exemplary manner. His work was his vocation in life, his many outstanding qualities endeared him to everybody who had the pleasure of his acquaintance. He was gifted with his hands, whether hanging a door or building a wall for a neighbour, family member or friend, everything was done to perfection.

Although residing in The Old Boro for next to fifty years, he was always proud of his Colligan roots.

He had a deep interest in sport and was one of the leading lights in the foundation of the Colligan Rockies. He wielded many a caman on behalf of the black and amber. When it came to football he was a cornerstone in many a good Kilgobnet outfit. Winning a Western title in 1946 he gave an outstanding display in the County final which was played the following year of '47. Kilgobnet weren't successful and Peter rejoiced only last November when the green and whites captured that exclusive football title. He was one of the best and a model sportsman. He always followed the fortunes of Portlairge and that of Colligan and Kilgobnet.

He watched horse racing closely and took a great sense of pride in the showjumping exploits of his grandchildren Aimee and Peter. A wonderful conversationalist, he could recall incidents, characters from yester year without difficulty. He loved to discuss and debate politics and enjoyed the company of his neighbours.

One can easily visualise Peter with pipe in mouth at the Look-out gazing out to the sea and probably thinking about the major changes on the landscape, modern developments and how life itself has evolved. Peter Moloney in essence was a simple man who liked neither fuss nor pomp, who greatly valued the simple things of life, his love of nature, the country side but especially the area

where he breathed his first. To have known Peter is much to be grateful for, sadly as time rolls by many of the people we knew as children have moved off the stage of life; but thankfully they have left us a rich legacy of values and aspirations.

Reposing at The Kiely Funeral Home, Rev. Fr. N. O' Mahoney P.P. led us in the Rosary and Prayer before the funeral cortege left for Kilgobnet Church.

A guard of honour of Kilgobnet GAA and the green and white flag which draped Peter's coffin were tributes richly deserved. Fr. Kiely P.P. assisted by Fr. Ed Cullinan P.P., Fr. D. Slator OSA, Fr. Jimmy Browne (Rosminian Fathers) led all present in the funeral service. Fr. John Kelly P.P. with co-celebrant Fr. W. Meehan P.P. and Fr. Michael Kennedy P.P. offered the Holy Sacrifice of the Mass for the repose of Peter's gentle soul. The lessons were read by Cliódhna Walsh and Gráinne Enright, Helen O'Shea, Geraldine Kelly, Onra O'Sullivan and Anthony Walsh recited Prayers of the Faithful. Peter Moloney, Aimee Moloney, Cliódhna Walsh, Cormac Enright, Louise Moloney, William Walsh, Margaret Enright and Hannah Foley brought the offertory gifts - a flag, a hammer and nail, horse shoe, wild flowers, wedding photo (married to Bridgid for 50 years), pipe, hurley and sliothar and water and wine to the altar in procession.

Near neighbour Jerry Dalton accompanied by Dinah Walsh gave us the much appreciated music.

Gathering in the adjoining cemetery for final prayer and blessing, one of nature's true gentleman Peter Moloney was laid to rest. As the coffin was being lowered greens from the nearby Colligan Woods was placed in the grave in final tribute.

Our deepest sympathies we extend to Helen and John (daughter and son), daughter-in-law Louise, son-in-law William Walsh, his much loved and beloved grandchildren, Siún, Cliódhna, Peter, Aimee, Shane and Mark, his sisters Nellie Whelan and Biddy Condon, brother John Moloney, his nieces, nephews, relatives and friends.

Very many beautiful floral tributes were placed on Peter's grave, a man who loved times past, relating about the forge and the horse racing skills of his people but yet kept abreast of happenings and developments.

'May he rest in peace after life's labours'

Funeral arrangements were by James Kiely and Sons, Funeral Directors, Dungarvan.

Late Rose Cullinane (nee Gittins)

We write on the passing of Rose Cullinane (nee Gittins), Abbeyside and England on the 20th April aged 67 years. Her passing is deeply regretted by her husband John, sons Brian and Kieran, her grandchildren, brothers, sisters and other relatives, we extend to all our sincerest sympathies.

Cremation took place in

Guildford. Funeral Mass will take place this Saturday July 19th at 10:00am in St. Augustine's Church, Abbeyside with the interment of cremated remains in Kilgobnet Cemetery immediately afterwards.

Funeral arrangements were by James Kiely and Sons, Funeral Directors.

LATE PATRICK (PADDY) POWER

It is with great sorrow we record the death of Patrick (Paddy) Power, late of Dublin and Glenciam, Tallow on June 26th at the Mater Hospital, Dublin following a brief but bravely borne illness.

Born in Lismore in 1931, one of a family of nine, at an early age like so many otherS, went to England for employment. In 1963 he returned with his wife Kathleen to Glenciam. He worked for a time in Fortwilliam Estate and then Lismore Castle farm. Paddy and Kathleen were proud parents of 5 children, but sadly in October 1981 Kathleen lost her battle with cancer. Paddy continued to rear his family and with that chore complete he left Glenciam and took up residence in Dublin. Paddy was fortunate in the autumn of his life to meet a new partner, Annie, with whom he shared 3 happy years until his illness in March. Paddy loved his frequent visits to Cappoquin to see his grandchildren and discuss the 'good old days' over a pint of Guinness or two. He is survived by Annie, his sons John, Tom, P.J., Dave and daughter Martina, daughters-in-law, grandchildren, brothers, sisters, nephews, nieces, relatives and friends.

A fitting tribute in that on his final journey his lifelong friend Paddy Russell travelled from England to walk those final steps together.

Removal took place on Friday evening from Walsh's Funeral Home where prayers were recited by Rev. Fr. R. Arthure P.E., a large crowd attended. His remains were removed to St. Carthage's Church, Lismore and were received and blessed by Rev. K. Mulcahy P.P. on arrival.

Funeral Mass was on Saturday morning celebrated by Rev. Michael Farrell P.P. Tallow, assisted by Rev. Fr. K. Mulcahy P.P.

During Mass readings and

prayers of the faithful were read by his family. A lovely selection of hymns were sung by Libby Flynn, as her beautiful voice echoed throughout the church as she sung Ave Maria and I'm Going Home as his coffin left the church for the cemetery.

Burial took place in the St. Carthage's cemetery. Rev. Fr. Michael Farrell P.P., officiated at the graveside where Paddy was laid to rest. A huge crowd gathered to bid farewell to one of natures true gentlemen.

Ar dheis De go raibh a anam dhilis.

The chief mourners were his wife Annie, sons John, Tom, PJ and Dave, daughter Martina, grandchildren, sisters, brothers, sister-in-law, brothers-in-law, daughters-in-law, nephews, nieces, relatives and a large circle of friends.

Funeral arrangements were by Aidan Walsh and Sons, Funeral Directors, Dungarvan.

ABBEYSIDE TOPICS

Local Special Olympic Committee Win Award

We are delighted to report that the Special Olympic Committee for this area under the Chairmanship of Independent Councillor Cllr. Michael O'Riordan, Pinewood Estate, Abbeyside have been selected as joint winners of the Tower Hotels Community Award.

This recognition is the result of the huge enjoyment experienced by the team and their mentors from the Bahamas who spent a week acclimatising in Abbeyside and Dungarvan before moving on to the Special Olympic Competition in Dublin.

The award will be presented on Friday 18th July and invited to attend are Cllr. O'Riordan and one committee member.

This recognition ensures that the local Special Olympic

Committee will go forward to the banquet at the end of the year when the Annual Awards will be presented.

Cllr. O'Riordan will be accepting the monthly award on behalf of all the members of the Special Olympic Committee.

Congratulations to all concerned.

Saturday Mass at Clonea

Holiday makers, campers and local residents in the Clonea area will be pleased to know that Mass will be celebrated every Saturday evening in Clonea Strand Hotel at 6.00pm.

The celebration of the weekly Mass during July and August has attracted large numbers since the innovation was introduced some years ago.

Amenity Walk Clean Up

The Town Council last week cleared up the rubbish that had been dumped on the railway walk. The Mayor of Dungarvan Cllr. Paddy Power is very pleased with this development and stated that it was a good strong action by acting Town Clerk Joe Flaherty. The newly elected Mayor is delighted someone is doing something about the walkway. He has been promised that the grass will be cut on the embankments this week.

When the clean-up job is completed the residents of the area and users of the short-cut are hoping that the teenagers who gather there for drinking parties combined with loud music from their portable radio-cassette recorders will cease to use the location as a meeting point.

The lighting along this section of the railway walk is adequate.

Senior Citizens' Outing

The Annual summer Outing will take place on Thursday 31st July. Because the majority prefer a short bus trip, it has been decided that Tramore which has proven to be a very popular venue on a few occasions will again be the destination this summer. The meal and entertainment will be provided at the Gold Coast and the all in cost for the day will be euro12.00.

A special welcome is extended to 'new citizens' who have come to reside in the Parish. It will help them to become integrated and make friends.

Those intending to travel are asked to get in touch with Committee Members. The buses will leave the Pond and Ballinroad at 1.30pm. and 1.00pm. respectively.

Successful Quiz For Ballinroad A.F.C.

The Lord Maguires Pub in Ballinroad was the venue for a very successful Quiz on Thursday night last the 10th July the proceeds of which improved the coffers of Ballinroad Juvenile Soccer Club to the extent of euro905.

The fun table quiz was the last of five special nights in Lord Maguires and among the beneficiaries apart from the soccer club were the Haematology/Oncology Unit in Waterford Regional Hospital and Our Lady's Hospital for Sick Children in Crumlin. In all euro11,760 was raised over the five nights.

Whisperings From The poor Man's Seat

Everybody agrees that the placing of the buoys in the centre of the roundabout was a brilliant idea and the Council should be encouraged to repeat the idea in other suitable locations. A former ship's captain took the time to inform us that the official colour for the Lateral Buoys on the Strandside Roundabout is Green. This means that all ships should leave the buoy on the starboard side.

The three buoys would be controlled by the IALI (International Association Lighthouse Authorities).

On an Cardinal Buoy the top would be painted black and the bottom painted yellow. On an Cardinal Buoy the top is yellow and the bottom black. On an E Cardinal Buoy the colour on the top and bottom would be black and the middle yellow. A W Cardinal Buoy would be coloured the reverse of the E buoy.

GAA Summer Camps in Abbeyside

The County Hurling Summer Camp for boys and girls between the ages of five and fourteen took place at the well-located Abbeyside/Ballinacourty Grounds on Monday, Tuesday and Wednesday the 7th, 8th, and 9th July.

The coaches were Michelle Power, Sean Cleary, Jimmy Moore, Pat Moore Jr.

And Sheila Cleary. They provided three enjoyment filled days of skills drills, hurling blitzes, fun games and skill competitions.

The four-day County Football Summer Camp will take place on Monday to Thursday the 28th to the 31st July.

There is no pre-booking required and the fee will be collected on the first morning of camp. Further information is available from Ann Hogan Tel. 058-43518.

Club Summer Camps

(1) July 14th 15th, 16th.

(2) July 21st 22nd 23rd.

Both camps will commence at 10.15am and finish at 1.30pm-players to bring hurleys and helmets and be togged out. Drinks and a light snack should also be provided.

One participant in the camp Greg Mangan said it was brilliant and he loves his coach Sean Cleary. Michael O'Donnell expressed the same sentiments.

Jack Dee expressed the view that he loves hurling and the camp was very good.

Eoghan Bergin stated the camp was excellent as he loves hurling and being with his friends.

ABBEYSIDE SCOUT NOTES

The scout meeting of Saturday last, included games of soccer penalties, badminton and a soccer game. Part of the meeting also covered some aspects of annual camp.

Parental permission to camp forms were handed out to the individual scouts who will be attending camp. These forms must be handed in to the scout leader this coming Saturday (19th July) fully completed and signed in the appropriate place, also any outstanding camp fees must be paid in full.

The annual camp is the highlight of any scout troops year and this year will be no exception as the old 45th Waterford, travel to Curragh Chase in County Limerick a place we have become familiar with over the past number of years. Activities planned for the week include visits to Killaloe national scout water activity centre, the aquadome-Tralee and Limerick city itself for "the purchasing of presents for home" among other things.

Within striking distance of the campsite there are also places of interest such as museums, swimming pool, hiking areas etc. Reports reaching the leader tell of camp beds and in some cases individual camping tents being secured by some scouts who like their home comforts, this is known as camping in style, and why not, goodbye to the days of hard ship!!

The scout meeting takes place this Saturday at two thirty at the den and from there all will travel by car (which each patrol should have arranged) to Tramore to enjoy the sight until six o'clock. Neckerchiefs must be worn.

Abbeyside Reference Archive

A Treasure

Last week we got a present of a nice book for the archive. It's "Strattens' Dublin, Cork and South of Ireland" published by Stratten and Stratten, London 1892.

It's a beautiful old book in good condition and runs to about 330 pages. Abbeyside doesn't get a mention but Dungarvan is represented by Merrick & Ruddell, Irish Woolen Hall, Dungarvan and William Lawlor, Family Grocer, Tea and Wine Importer, O'Connell Street, Dungarvan.

While R. and F. Keane, Cappoquin Foundry, Co. Waterford have a full page devoted to their wares.

Another Iron Founder well represented is Benjamin Graham who supplied the lovely cast iron street names for Dungarvan and also the bollards on the Quay, some of which still bear his name and year of manufacture.

All in all this book is a most valuable addition to your archive and we thank the donor for thinking of us.

This Sunday evening Ann Allridge will be at the Parish Office minding the above book and all the other treasures.

OUR LOCALITY IN 1845

In those times the horse was the centre of transport on land. There were 8 blacksmiths in the town and one in Abbeyside as well as 4 saddlers, one tanner, 7 wheelwrights, 4 rope-makers but there was not one coach-maker in the town then.

In 1846 there were 2 spirit dealers and 48 public houses in Dungarvan and 6 public houses in Abbeyside. The importance of barrels for beer, spirits and other occupations is reflected in the number of coopers - 13 who were all living in the town.

The buttercrane was at the end of the Main Street at the Old Market house, which was under the supervision of Beresford Boate Esq. of Tourmore. Here the farmers sold their butter, of course, Boate did not attend at the crane but employed some men to do so, while he kept most of the money charged and paid the men as little as possible.

There were three local butter merchants and an agent for Donnell & Appleby, an out of town butter merchant. This testifies to the importance of the dairy business in the farms in the surrounding countryside.

TALLOW G.A.A. LOTTO (Supported by Kearneys Restaurant)

7/7/03 — Jackpot 7,500. Nos. Drawn: 6, 8, 14, 15. No jackpot winner. Consolation Prizes: Mary O'Brien (B'noe), John Lyons, Lily McCarthy, Kathleen McCarthy, Kathleen Hogan. Promoter: Martin Sheehan.

24/7/03 — Jackpot 7,650. Results next week.

UNDER-AGE SUMMARY

Busy week for Cois Bhride on the playing fields with 4 teams in action. Minor footballers are playing some good football and were again unlucky to lose on Wed. night. They have one game remaining which for some strange reason will not be played until August. The u13 hurlers played Four-milewater Fri. evening. Low scoring game here with our lads edging it by 1-1 to 0-1. They have a tough test at home (Tallow) to Lismore on Friday evening. Team of the week must be the u16 hurlers who beat Passage by 3 points in a splendid contest in Knockanore, again on Fri. They face a long trip to Tramore on Mon(past) in their next game and will be in for a battle. The u12 final against Ballyduff has been rescheduled for this Thursday evening in Cappoquin. Unfortunately we had to pull our u14 lads out of the Cloyne tournament this Sat. because of Waterford's game. More is the pity as this is a quality tournament. We have been invited by St. Oliver's to enter an u15 team in their tournament on July 26th. Our u8 squad played in the Briceys tournament last Sat. and are in action again this Sat. in Cappoquin, as are the u10 lads. (See Cois Bhride Notes for full details).

STRANGE INTERPRETATION

I think Mr. Callanan has missed the point completely. His interpretation of what I wrote after the Munster Final was strange to say the least. I did not take issue with the fact that Cork supporters living in Waterford would in all likelihood be getting their tickets from sources in Waterford which would be in the section of stand or terrace designated for Waterford supporters. This "cross colouring" is normal. Many of our club supporters, members and indeed committee members are Cork supporters. We enjoy the banter with them and of course they are as much entitled to a ticket through our club distribution as a supporter of Waterford or any other county. My point, which the writer distorted, or at best misinterpreted, was that the concentration of Cork supporters (practically a third) in the Waterford terrace could not be explained by the normal process of "cross colouring" I refer to above.

On the face of it, it would appear that the demand for tickets in Cork was such that the county received a sizeable allocation from the Waterford terrace. In fact tickets for the Waterford terrace were on general sale at

Pairc Ui Rinn the week before the game while clubs in Waterford were clamouring for tickets. This is what I took issue with when I said "they had no business in there".

Incidentally could I, as somebody who was born and lived for ten years in Cork, also point out that county of choice doesn't automatically equate to county of birth as stated by Mr. Callanan.

As we are on about tickets could I bring something to the attention of all our Cork friends in the area which may be of interest to them. Coisbhride juvenile G.A.A. club are offering some very attractive prizes in their annual draw, tickets for which will be on sale shortly. First prize is Two All-Ireland tickets + overnight stay for two in the Burlington. If Mr. Callanan wins them (and I hope Cork make the final) I'd be delighted to present them to him myself. Second prize is two All-Ireland football tickets + accommodation as well. There are numerous other cash prizes and vouchers also, sponsored by local business. Probably the most sought after prize of all will be "Two Bags of Spuds" sponsored by the benevolent Finn McCarthy.

TICKETS

They will be scarce. Waterford has solid hard-core support of around 15,000. Wexford equal so. Nolan Park holds 30,000 at the very maximum (I think the official capacity is 28,500). You don't need to be a mathematician to see we could have problems. The county may not receive its allocation until Monday or possibly Tuesday and will be lucky to get 12,000 or so. The club will most likely distribute on Thursday night

but you need to check this. We will be lucky to get half of what we need. Supporters were very understanding of our predicament before the Munster Final and I'm sure will be again. The pity is it was all avoidable and our supporters, club and divisional officers shouldn't have been put through the wringer again.

JUNIOR FOOTBALL

Our game against Shamrocks was called off Thursday night. Will be rescheduled.

UNDER-21 HURLING CHAMPIONSHIP

I'm not sure what has been decided here but Tallow always want to play the game.

SENIOR HURLING

Our lads played Sarsfields in a challenge on Sunday evening.

SENIOR HURLING LEAGUE

We play Portlaw this Friday in Tallow in our final league match. A win here might yet see us qualify for the play-offs.

BEST WISHES

Best wishes to former player John Joe Henley and Georgina Simms who get married this Friday in Dungarvan.

BOOKING THE FIELD

Selectors are responsible for booking the field. Most juvenile fixtures are known well in advance so make sure you contact Denny to book your spot. Despite several appeals we have an ongoing problem with litter and vandalism in the field. We have an open door policy with the field, allowing free access at all times. We want to keep it that way so we would ask whoever is causing that problem to give it up.

U-13 HURLING

There may be a change of time or venue. Please check with selectors.

BRIDEVIEW UTD A.F.C. NOTES

Tallow Welcome Home Festival Plenty of Entertainment In Store

Yes plans are now at an advanced stage for the running of the local festival which begins on Thursday August 28th. Mr. Festival himself was upbeat about the festival when I spoke to him last weekend, even though Ulli tried to side track him.

It should be a very entertaining weekend, added Power. We have a few new ideas this year but we also have some of our usual acts especially those that have been a success for us down through the years.

Our Miss Blue Jeans was a great success last year and we are adding to that this year by introducing escorts for the girls. This should prove very popular for the girls and Emma and Ailsh were delighted when they heard this or so I am told. There will be plenty of activity for kids as well with our popular mini World Cup and this year a new soccer show will be brought with the kids. Our quiz will take place on Thursday night with Karaoke on the Monday night. Bands like Finnegan's Wake, Gina and the Champions, Fatal Attraction and Cheers are just some of the groups playing for the festival. Our popular Beat On The Street goes ahead on the Saturday night.

The usual parade will go ahead on the Sunday and this has always proved popular. We also have a disco face painting,

crazy golf, spin the wheel and of course the Volkswagon Beetle Show takes place on the Sunday. It promises to be a hectic weekend stated Power.

LOTTO JACKPOT €2,100

Last weeks numbers 10-1 1-12-13. No joking folks and young Paddy Martin drew the balls. Match 3 winners, B. Hennessey and Ml. Kenneally. Draw this week in Luke McCarthy's. So please get your tickets early.

FESTIVAL DRAW

Because of rising costs the festival committee will run a draw leading up to the festival to help with the costs. The first prize will be two tickets to the Rep. of Ireland game versus Russia. These tickets will go on sale in early August.

SOLD OUT, SOLD OUT

All tickets for the Rep. of Ireland's next home game versus Russia are now gone. So please folks no phone calls. Also sold out are all tickets for Ireland's away game in Switzerland.

SYMPATHY

The club extends its deepest sympathy to the Daly family, Killeagh on the sad passing of Mary Peddar. May she rest in peace.

Sympathy also to the Lonergan family, Curraglass on the sad passing of Dan. May he rest in peace.

NEWS TO HAND

One high ranking GAA official was seen signing his auto-

graph for Arsenal's Tony Adams in Lismore on Saturday evening last. Ahem Ahem! I also I also heard that a young local boy was very anxious to meet a girl on Saturday night last. Rumour has it that a committee member has been locked out and is now living in a tent. Well Holy God, I spotted (I have the time now) a young man leading a nice girl for a walk down towards the bridge. I did say to the girl to be careful.

NEWS FROM KIRWANS

On Sunday evening from 4-6 Sheamus Murphy will celebrate his 21st Birthday Party.

Congratulations to the pub team who beat Keatings of Kilmacthomas and will now play Keanes of Dungarvan next Wednesday in the quarter final. Well done lads.

VINTAGE RALLY

On Sunday last a spectacular event took place which added colour and excitement to our village. The Dungarvan vintage rally club stopped off in Kill after traveling from Tramore. Their was great excitement around the village as locals and many other visitors to the area viewed these beautiful ma-

chines. Makes and model T Ford to Citroen, RollsRoyce, Vauxhall, Fiat, Mercedes, Triumph, Prinz, BMW, Hainkle and BMC Austin. Each car beautifully restored, structually and mechanically. While the vehicles were being viewed their owners stopped off for some light refreshments at Kirwans and Dunphys. An open air trad session was in full swing for the unusual influx of visitors. Congratulations to the organisers of the rally and maybe sometime in the near future they will visit us again.

SHAME SHAME SHAME

On the person/persons who made a hoax call to the local fire brigade in Kilmacthomas last weekend, bringing it on a wild goose chase to our local fast food chipper in Kill which is run by Ger Taylor, claiming that it was on fire. Ger himself was disgusted with what had happened and hoped that the person/persons that made the call could be brought to justice. While the fire brigade were in Kill a genuine call for their services could have been great-

ly delayed and lives may have been put in danger. This is a very serious matter and is being investigated at present by the Gardai. Apologies are in order to the fire brigade service in Kilmac as we say thanks to them for the great work they do throughout our community.

Good Man Anthony

On ISaturday evening last a young man from Knockhaun, Annewtown found euro50 belonging to a local woman. After finding out that her euro50 was recovered the local woman placed a reward in an envelope for this honest young man, which he can collect at the chipper in Kill where he found the money.

NEW BABY

Congratulations to Denise and Adrian Kirwan on the recent birth of a baby girl. Wishing you all the best.

WEDDING

Congratulations to Joe (Jossie) Power and Tara Boland who were married last Friday at Newtown Church. Wishing them long life and happiness at their home in Kilmylon.

Inter-Community Litter Challenge 2003

Competition hotted up last week with the semi-finals of the Towns section taking place. Here's how the ties went.

Lismore (83) beat Kilmacthomas (64)

This was a very good performance from Kilmacthomas but Lismore proved much too strong and ran out easy winners on the day. The Main Street in Lismore was in very good condition, but there was some dog fouling in evidence. The South Mall and the area around the church was totally litter free. The Parks Road Estate was immaculate, and beautifully presented. The park was much improved on the last visit, but there was some litter in the stream. The Hotel car park still seems to be causing a problem, however, and was the most littered part of town. But overall it's hard to see anyone coming between Lismore and the €1500 first prize.

Kilmacthomas was hugely improved on the last visit, and came close to doubling their score from the previous round. General litter was reduced everywhere, and it was clear that a huge effort was being made. So Kilmacthomas exits this years competition with a consolation prize of €250, but if they get themselves organised a little earlier next year they could well find themselves amongst the big prize money.

Tallow (52) beat Dungarvan (41)

A victory for Tallow but they are down over ten points from the previous round. This is the first time this year that a town has gone backwards from one round to the next. No one area of the town was particularly bad, but there was general litter in all areas. Tallow will have to try to regain the high standards displayed earlier in the competition if they are to have any hope in the final in Lismore.

Dungarvan was improved on the previous round, with Main Street in particular only lightly littered. Some areas were still badly littered, however, such as the green area around the bandstand, Childer's Estate and the car park at Scanlon's Yard.

The final between Lismore and Tallow takes place during the week commencing 21st July. This week the semi-finals of the village section are being played with Dunhill taking on Ballyduff Upper and Stradbally playing Aghlish.

U-21 HURLING WESTERN FINAL

"Patch" Seals Victory For Cappoquin in Closely Fought Final

CAPPOQUIN 2-9 BRICKEY RANGERS 1-8

At Emmet Park, Colligan on Sunday last Cappoquin and Brickey Rangers provided the crowd with a thrilling game. Michael Scanlan opened the scoring for Cappoquin in the second minute from a free. The Brickey's were not long replying. Scanlan scored two further points before the Brickey Rangers scored again. Paul Landers made it four points to two in the 25th minute. A few minutes later Brickey's corner forward Nugent who was causing havoc in the Cappoquin defence cut inside for a good goal to put the Brickey's ahead for the first time but just before half time Keith Landers squared things up to leave the score Cappoquin 0-5 Brickey's 1-2.

For the start of the second half Cappoquin's manager "Motch" reshuffled his defence by moving Brendan Scanlon to right half back, the teak tough Kevin Looby to right corner back and young Paul Murray to left corner back. These were astute switches and proved to be match winning moves. Brickey's were first to score in the second half. Jamie McGrath soon replied. Brickey's struck over a free in the 40th minute. Mike Scanlan (free) and Keith Landers pointed from play to put Cappoquin ahead, the Brickey Rangers levelled to leave the score with 48 minutes gone Cappoquin 0-8 Brickey's 1-5 and the game was finely balanced. Two minutes later Cappoquin got the break they needed with the ball breaking loose in the square. Mick Scanlan was on hand to flick it into the net, but the Brickey's were far from done and thundered back into the game scoring three points without reply to level the game by the 57th minute, and were looking good for a win. The Cappoquin midfield who had played well early on seemed to be somewhat tir-

ing, but our defence was performing heroics especially the "full line" of Landers, Looby and Murray who had the "thou shalt not pass" sign up. In the 58th minute as the Brickey's threw the kitchen sink at Cappoquin disaster struck for them as their centre half back who had now moved up beyond midfield and was, fortunately for Cappoquin out of position, a good ball was cleared out of the Cappoquin defence which found Mike-Scanlan 55 metres out from goal. "Loitering with intent" who made a great run and laid off a pin point hand pass to Donal "Patch" O'Keefe, twenty metres out, who rifled a "bullet" to the Brickey net to leave the score Cappoquin 2-8 Brickey's 1-8. This score could not have come at a better time to seal the issue, and Scanlan added another point with almost the last puck of the game.

This was a committed effort from all the lads and even though we somehow seemed to tire towards the end of the game, the side showed great character and resilience to come through in the end. In what was a good overall team performance those who really stood out were "Duck" in goal, the Looby brothers, Tim and Kevin, Steven Landers and Brendan Scanlan in defence. Up front Mick Scanlan with a personnel tally of 1-5 and Keith Landers were superb.

This was Cappoquin's first U-21 hurling divisional title since 1980, when the red and blacks captained by Kevin McCarthy, captured Western Division 1 and County Titles by defeating Tallow in Lismore and Roanmore in the Fraher Field.

After the game Western Board Chairman Paddy Walsh presented the Michael Quirke Cup to Cappoquin's victorious captain Brendan "Skill" Scanlan amidst great scenes of celebration.

Team and Subs: Donal O'Rourke, Brendan Scanlan, Steven Landers, Shane Barry, Kevin Looby, Brendan Scanlan, Tim Looby, Michael Fraher, Donal O'Keefe 1-0, Keith Landers 0-2, Mike Scanlan 1-5, Alan Hogan, Jamie McGrath 0-1, Johnny "Burger" Cunningham, Paul Landers 0-1. Subs Paul Murray (used), Kevin O'Rourke (used), Cathal Wilkinson, Paul Barry, Dan Dransfield, J. J. Devine, Pat Devine.

Fennessy Family Gathering

Further to last weeks information on the Fennessy Family Clan Gathering in Clonmel, Minella Hotel 8th to 10th August - I give this week a flavour of the content of the talks which will be presented by the various delegates. Further investigation into the Gaelic origins of the Fennessy name has been undertaken by some of our most experienced historians, and this should prove an interesting sequel to the opening lecture of the last gathering which was compiled by Richard M Fennessy and Aine Ni Fhianusa. Other detailed accounts of several families' lives and difficulties during the 19th Century and an analysis of our coat of arms. Details of other talks are on their way to me and more information in next weeks edition. Don't forget that the Fennessy name has many variations in the spelling so, Finnessy, Fennessey, Finisy or O'Fiannusa you are part of the clan and are welcome to join us. I would also ask any of the local Fennessy clan to spread the news amongst their own families who may be scattered throughout Ireland or further afield and who may have a keen interest in attending the conference.

Another highlight of the conference will be the Clan Banquet on Saturday night so get your name in there soon. Booking forms can be obtained from the website www.coastres.co.uk/ffhm.html or by contacting Aine Ni Fhianusa, 3 Pinewood Drive, Hillview, Waterford City as soon as possible. Lismore Camogie Notes

Congratulations to Waterford U16 team on their brilliant win over Kildare in the All Ireland semi final on Sunday. The girls gave a great display and defeated Kildare on a scoreline of 5-11 to 2-7 to earn themselves a place in the All Ireland final against Armagh. This is a great achievement for the girls and Lismore are proud to be well represented on the team by Laura Buckley (capt), Tanya Morrissey, Aisling O'Brien, Trisha Broderick, Kate Heneghan, Jenny Houlihan and Shelly Keane.

Our Senior team will play their County final on Sunday, time and venue to be decided. Their opponents for the final is St. Anne's. This will be a difficult match as St. Anne's are reigning champions and have already beaten Lismore in the league this year, but as everyone knows county final day is a different story so let's see lots of support for the girls on Sunday.

Finally the winner of the golden goal competition was Trish Fives. Well done Trish.

Saturday was "qualifying day" for Junior Cup in Ballykiste. Not a good day. Tough luck to our Junior Cup team who would have needed to be in the top two places to qualify for matchplay. Perhaps the GUI will return to straight match play next year? Our club matchplay championships are well underway with the next round due to be completed on Monday 14th July-results next week. In the Tuesday Bacon Chris Whelan was again in the winners enclosure and at his present rate of progress he will be participating off scratch in the near future. Multiple winners to date also include Anthony O'Rourke & Billy Arrigan. In Junior Golf well

done to Gemma Tobin on her second win in two weeks.

Lismore Soccer Notes

On last Tuesday evening our AGM took place. A very healthy attendance was present. Officer stayed very much the same, Chairman Brian Shanahan, Secretary Joe Tobin, Joint Treasurers Keith Hornibrook and Eoin Donohoe.

We discussed the season just passed with fond memories of a few disappointments, having felt we could have also won the Tyre Centre Cup but for the powers that be depriving the real cup specialists that opportunity.

We look forward to the coming season with a great anticipation having assembled probably one of Lismore F.C. squads.

Another major plus for the club is the development of our underage teams with some excellent work being done at U8, U9, U10 and U13. Keep up the good work and well done to the u8 side who recently won the East Cork West Waterford A League.

Finally, it's that time of year again, Red House League Draw. We cannot emphasise how hugely important this draw is to the club, so players, officials, parents, please support generously the clubs efforts in this outstanding draw.

Lismore Cricketers Hit Form

On Sun 6th July Lismore travelled to UCC and enjoyed a good victory over the students in MCU Division 2. Lismore won the toss and batted first. After the early loss of David Ind, Winston Boyle (39) and Mark Taylor (37) soon started to accumulate the runs. After further good contribution from Ray Bryan and John Ind, Michael Lynch (38) came in to swing the bat, only getting out in the slog in the last over. The innings closed at 189 for 8 off the 45 overs. It was good to see Lismore using the full allocation of overs, and good to see the top order making solid contributions.

UCC briefly looked as though they might make a game of it, but after the opening bat was run out by a sharp piece of fielding by Ray Bryan the students never really looked to be at the races. Michael Lynch produced a lovely spell of 8 overs, 1 for 6, and the students were all out for 112. Andrew Malcolm and Mubbin took 3 wickets each, and Ray Bryan and Sean Willoughby affected another run out.

On Saturday last Lismore played host to a side brought over from England by Lord Burlington, grandson of the Duke of Devonshire. The side included former Arsenal and England centre-half Tony Adams. Lismore won a good-natured game after hitting a total of 179 for 6, with good contributions from Mubbin (44*), David Ind (40) and all the top order. It was the third game in a row where Lismore posted a total nearer 200 than 150. The visitors were bowled out for 158 (Tony Adams 1) with Mubbin taking 4 for 6. More importantly, everyone enjoyed a good day's cricket in the sunshine.

The following day was a more serious affair when Harlequins came to Lismore in MCU Division 2. Lismore found themselves fielding first and soon Brian Power and Mubbin had reduced the visitors to 10 for 4. Change bowlers David Ind and Andrew Malcolm kept up the good work and the Corkmen slumped to 34 for 7, before some good batting from the tail brought the total to 91 all out. Mubbin and Brian Power both finished with 3 wickets, Andrew Malcolm and David Ind with 2 each. Lismore then had 45 over to get to 92, which on paper looked straightforward. However, after openers Winston Boyle and David Ind had put on 20 for the first wicket there was a mini-collapse, and the home side found themselves 33 for 5, with Ray Bryan 1 not out. He and David Campion stopped the rot and put on 22 for the sixth wicket before David Campion was bowled. 37 still needed and four wickets left. A magnificent partnership between Ray Bryan (26*) and Brian Power (10*) saw Lismore home with plenty of over to spare.

These victories mean that Lismore have now won four on the trot and most players are now hitting form. This form will be put to the test next weekend when Lismore have a tricky away assignment against Kerry.

Cost Of Promenade For Clonea Prohibitive

The cost of a promenade for Clonea is prohibitive and it is a project unlikely to be advanced for the next thirty years, according to County Engineer, John O'Flynn in answer to a request from Cllr. Tom Higgins (FG).

Cllr. Tom Higgins

The request arose following a debate on the realignment of the road from the Coast Road at Clonea Cross to Clonea Hotel. The realignment, eventually approved by members of the council will avoid housing in the area, Mr. O'Flynn said, but will require a compulsory purchase order being drawn up for the purchase of land in the area.

Cllr. Higgins said the realignment seemed like a reaction to the application for a new hotel in the area – a claim refuted by Mr. O'Flynn – and called for free parking to be provided at Clonea through the construction of a promenade.

He also claimed there was no access to the beach for the disabled and the elderly, and that if someone "dropped dead" on the beach, ambulances had no access to it.

Mr. O'Flynn replied that a promenade would cost somewhere between eur5 and 10 million, and is a project unlikely to happen for the next thirty years.

He also said the realignment would be limited, and they would be staying as close as possible to the existing road. The move to realign the road has "for years" been urged by the Gardai, he said. The Gardai, he added, have been concerned about road access for emergency vehicles.

Cllr. Nuala Ryan (FF) welcomed the realignment, describing the road as it is, as very narrow.

Human Safety A Priority Over Wildlife

The discrepancy between human safety and the welfare of nesting birds was debated when it was claimed the growth of hedges on rural roads would result in traffic accidents.

Cllr. Tom Higgins

Raising the issue, Cllr. Willie MacDonnell (FG) said road signs were being blocked by growth, and some roads, which were ten metres wide, had closed to seven metres with the growth of hedges.

Landowners are prohibited from cutting their hedges during the nesting season, and at its recent meeting, Waterford County Council decided to call on the Department of Environment to allow roadside hedges to be cut back.

Cllr. Nora Flynn (FG) appealed for the measure to be taken, having highlighted the danger to human life. While saying she loved birds, she said human safety sudden be taken as the priority and called for the "ridiculous" regulation to be removed.

County Engineer, John O'Flynn said he agreed with the views of the councillors, but warned that the council would be prosecuted if it cut hedges during the period of April to the end of August.

€58,000 "Golden" Harvest Sculpture Turning Green

A 20 ft sculpture, Golden Harvest, which was officially unveiled last November, is already looking shoddy and in need of a lick of paint, according to local councillor, Tom Cunningham (FF).

The sculpture cost in the region of €58,000 under the one per cent for art scheme, and was commissioned to mark the development of the N-25 realignment at Kilmactomas.

However, according to Cllr. Cunningham, the sculpture, which depicts individual strands of wheat, "is in need of a lick of paint" and joked that "a bit manure" may help make it look a bit healthier.

Cllr. Cunningham said it looked nothing like it did when it was first installed near Mahon Bridge, and the golden sheafs appear to have turned green.

Replying, County Manager, Donal Connolly said the golden sheafs were made of copper, and in a similar way to other art features and copper-roofed churches, it had turned green, as a result of the weather.

However, Mr. Connolly said this process was "part of the artists concept".

"His concept was that it would be like the surrounding golden fields turning green."

Clearly unimpressed by the concept, Cllr. Cunningham – a Stradbally based farmer – said that he had "never seen anything go like that in a field."

Insurance Increase And Overspending Sinks Council Deeper Into The Red

Waterford County Council's increasing insurance bill and overspending on projects, particularly on roads, has left the local authority with a deficit of just over a million euros.

According to the draft Annual Financial Statement 2002, drawn up by Chief Financial Officer, Paul Clerkin, the accounts show a deficit of over 350,000 euros on day to day operations, and with the transfer to reserves to finance capital projects of eur711, 908 this brings the overall deficit to eur1.062 million.

There was also an increase of eur709, 000 in monies owed to the Council at year end, which leaves a net deficit for the year of eur353, 000, the report says.

"This deficit occurred on Local Road Upkeep, Water Supply Maintenance – where a number of serious breaks occurred – an increase in call-outs for the Fire Service and significant increases in insurance premiums," he said.

Mr. Clerkin said while the deficit looked extremely serious, it did not take into account the monies owed to Waterford County Council, which would substantially reduce the deficit, and give a truer picture of the local authorities financial position.

He also said insurance costs, which began to spiral two years ago, had not, as he had expected come down, and the local authorities premiums remain high.

Proposal To Introduce Legislation For 40% Female Local Election Candidates

Waterford County Council is to write to the Department of the Environment and Local Government to call for the introduction of legislation so that 40% of nominees standing at local elections are female.

The notice of motion was made following a recommendation made at a previous meeting of the council by Dr. Anne Marie McGauran of the NDP Gender Reform.

Cllr. Mary Green (FG) making a detailed proposal said Dr. McGauran's presentation to the council was sidetracked in the media by some of the comments made at the meeting.

However, comments apparently made by Cllr. Green on WLR FM prior to the meeting, angered some of the members when she said some of the members were inarticulate. Cllr. James Tobin (FF) called for the remarks to be withdrawn.

The issue was made all the more contentious through the fact that Fianna Fail had already held its selection convention at which Cllr. Nuala Ryan – the party's only female representative failed to be nominated. Cllr. Pat Daly (FF) pointed out that the party couldn't hold the convention again to adhere to the proposal.

Mayor Ciaran O Riain (FF) said there are no barriers to women putting their names forward but they did not do so.

"It's up to women themselves, to put their names forward or not," he said.

Cllr. Nuala Ryan (FF), however, said that as she knew well, putting your name forward did not guarantee selection.

Due to the tenure of some of the speeches made, there was confusion over whether there was an amendment opposing the proposal. Cllr. Green went so far as to call for a roll-call vote while other councillors on the opposition benches called for a show of hands, only for Cllr. Pat Daly (FF) to point out that no one had tabled an amendment. The proposal was eventually passed unanimously, and will see the County Council write to Minister Martin Cullen (FF) to introduce the 40% legislation.

Tallow Cllr Warns Of Litter Crisis

Cllr. James Tobin

In excess of two-hundred households in areas around Tallow and the Nire have lost their waste collection service after a private waste collector ceased his collections. One local councillor, said people in the area had put out their rubbish, and the dogs in the area had a "field day."

Cllr. James Tobin (FF) said that after the June 30 closure of Ballinamuck landfill the private collector had ceased operating, and called on the council to subsidise the collectors costs in taking the rubbish to Tramore. Without, a service, he warned of a serious litter problem in many rural areas of West Waterford.

The collector applied for a waste permit to Kilkenny County Council, but was refused. According to Mayor Ciaran O Riain (FF), an official with Waterford County Council said if the man appealed he would probably be successful – a hypothesis Cllr. O Riain described as pie in the sky. The appeal had allowed the collector to continue until the closure of Dungarvan landfill.

He said the collector had collected in areas where the council had never done, and appealed for the council to come to his assistance and those of his customers.

Director of Services, Denis McCarthy said the council has bought a small waste truck to access the areas where the larger truck was unable to access, and said 500 new customers were taken on, but to provide a viable service 1000 customers were necessary. They are due to advertise this service in the local newspapers, and are hopeful of a good response.

Golf Classic In aid of The Jonah Project SCHOOL FOR CHILDREN WITH AUTISM

The Jonah Project was set up in september 2002 by parents of children with Autism. The teaching method used is based on SNAP (Special Needs Adapted Programme) an individualised programme set out for each child's individual needs. The programme provides intensive one-to-one tuition for each child Monday to Friday from 9.30a.m. - 3.30p.m. and is open throughout the year with a two week break in July and again at Christmas time. The Programme was set up and devised by South African Lady Annalies van Riswijk who has extensive experience in the field and who continuously monitors the programme. As the project is not Government funded fundraising is a constant requirement. To assist with fundraising a Golf Classic is being held in Dungarvan Golf Club on Friday 25th July. The format of the Classic is a 4 person team any combination. Entry fee is 100.00 euro per team or sponsorship of a tee for 50.00 euro. KNOW YOUR RIGHTS

QUESTION

I hope to start a course next September. Could you please tell me who is eligible for the Back to Education Allowance?

ANSWER

The Back to Education Allowance (BTEA) is paid by the Department of Social, and Family Affairs (DSFA) to unemployed people, lone parents and people with disabilities who wish to do approved second or third level courses of education. To be eligible for the allowance you must be:

Aged 21 or over (24 or over for a postgraduate course) and for the previous 6 months have been receiving a social welfare payment such as Unemployment Assistance/Benefit or One-Parent Family Payment.

Aged 18 or over and for the previous 6 months have been receiving a disability payment such as Disability Allowance or Invalidity Pension (receiving a disability Benefit for 3 years)

Aged 18 to 20, out of formal education for 2 years and for the previous 6 months have been receiving One-Parent Family Payment or Unemployment Assistance/Benefit.

An adult dependant of someone who is eligible may qualify if a Qualified Adult Allowance is in payment. Periods spent on employment schemes, training courses and in prison may count towards the 6-month qualifying period.

Courses you can attend include full-time second level courses certified by the Department of Education and Science (DES) or approved by the Further Education and Training Awards Council (FETAC), such as the Leaving Certificate or a Post Leaving Certificate course, and full-time third level courses approved by DES for its maintenance grant schemes or courses which have Higher Education and Training Awards Council (HETAC) recognition.

When you have been accepted for a course you should apply to DSFA for the allowance on Form BTE 1. You will be paid the allowance instead of your social welfare payment at a rate equivalent to the maximum of your current social welfare payment. If you were previously getting an unemployment payment, the BTEA will not be paid during the summer period between academic years. Those who had been receiving other payments will continue to receive the BTEA during the summer. Further information is available from the Citizens Information Centre below.

MONEYMATTERS

ECONOMISE AT HOME

There are many ways we can economise in the home each day. Start by doing one or two things and you will find it becomes second nature after a while. You will also discover that by economising you have more disposable income at the end of the week. Here are a few tips to get you started:

Save empty plastic food containers for storing leftovers & freezer use.

Don't buy expensive gifts. Give exotic homegrown plants or bake a cake.

Wash and reuse foil wrap.

Save 'Junk Mail' reply envelopes for filing receipts, recipes etc.

Take your lunch to work/school.

If you are not going to shop, leave your credit cards at home.

Look for bargains at discount stores.

Start your children earning money at an early age. Encourage them to make a contribution to the household bills and to save for themselves.

Check your monthly bills closely.

Buy things out of season for big savings.

Restrict between meal snacks to inexpensive and healthy in season fruit and vegetables, raisins etc.

Buy non-perishable goods in bulk when they are on "Special Offer" Cook double quantities of casseroles/buns/cakes and freeze one for later.

Trade things you don't want with friends/neighbours/relatives.

Save and re-use plastic sandwich bags.

By making a few changes as outlined above you will not only be saving money but also helping the environment.

Anti Litter Awareness Grants

The closing date for applications is Friday 18 July at 4.30pm.

The projects should seek to promote greater public awareness and education in relation to litter. If and where possible, projects should have a particular focus on voluntary initiatives by community and environmental groups and on involving schools and young people in anti-litter action.

Dungarvan Landfill Closure

On Monday, 30 June 2003, Dungarvan landfill closed after over 30 years in operation. Rubbish previously taken at Dungarvan landfill will now be transported to Tramore landfill for disposal. Restoration works have commenced on this site (capping the landfill with topsoil and clay and later with impermeable liners) and it is planned to make this a recreational area.

DISABILITY AWARENESS

Mainstreaming - Part 2

The Programme for Government (June 2002) has a commitment to 'include provision for rights of assessment, provision, appeals and enforcement'. The Waterford Disability Network of PwDI (People with Disabilities in Ireland) is of the view that there should be a statutory right to an independent assessment of need leading to a Statement of Need, as outlined in the Strategy for Equality.

Mainstreaming Part 2:

The Disability legislation should be implemented both through mainstreaming mechanisms and a statutory duty on public bodies to disability proof and promote equality for people with disabilities. This should cover all policies, plans and programmes of public bodies and would also include:

Σ Government Department and Statutory Agency Strategy Statements, Business Plans and Customer Action Plans required under the Public Service Management Act 1987. This should include monitoring and reporting requirements.

- Annual Reports of the Controller and Auditor-General
- Health Board Service Plans and Annual Reports
- Local government and City and County Development Board Strategies and Annual Reports
- Public procurement procedures and tendering, service agreements and contracts between public bodies and other providers, including Annual Reports of providers.

In addition, each public body should, as part of their overall strategy statement, develop a disability strategy for complying with the legislation and produce an annual progress report on progress in implementing the disability strategy. It is recommended that these annual progress reports will be submitted to the Equality Authority who will have the power to require public bodies to take action to comply with their obligations under disability legislation.

National Action Plans on Social Inclusion, which the Government has to submit to the EU every three years, should include a national strategy for complying with the disability legislation and a progress report on the status of implementation of the disability legislation.

In order to promote good practice a system of disability monitoring and disability awards for services provided by public and private bodies, voluntary and non-statutory agencies should also be introduced. This should be undertaken by the NDA as provided for in the National Disability Authority Act, 2000.

It is important that the legislation also specifies that positive action or individualized provision is still possible and may be necessary in order to equalize opportunities and participation. To be continued next week - Accessibility Part 1

Late Mrs. Kathleen McMahon

It is with deep and sincere regret we pen the death of Mrs. Kathleen McMahon (nee Fitzpatrick), Abbey Road, Clonmel which sad event took place at Melview Nursing Home, Clonmel. Described by her children as a person with a 'heart of gold', she was a woman who devoted herself entirely to their welfare, cooking and knitting and looking after them in so many ways, her passing coming as a devastating blow to them.

She was daughter of Patrick and Mary Fitzpatrick. She was one of seven children, five girls and two boys. Her father was a warden in the Borstel, Clonmel and they resided for a while in one of the houses provided for prison officers in Emmett Street. Kathleen was only thirteen when her father died in 1941 leaving her mother the job to bring up a young family on her own. Like other members of the Fitzgerald family, she was obliged to start work in her early teens in order to keep the wolf from the door. Working in many places, including the Pram factor, Ferry House and others, her good nature was much in evidence then as she frequently brought young lads from the school out for the day to her home for a meal.

In the late forties, she married Billy McMahon who was serving in Kickham Barracks at the time, and they initially lived with her mother in Cashel Road before they moved to a newly built housing estate at Abbey Road. They reared a family of twelve, seven boys and five girls. Recalling their childhood the family have happy recollection of walking up to the Holy Year Cross with their parents and the many picnics they had at Cary's Castle and in Russelstown. And with so many mouths to feed she was continuously cooking and baking, her delicious apple tarts barely out of the oven when they were devoured. Noted for her knitting skills, she was particularly adept in making Aran sweaters and cardigans which were always in demand.

Most of the Fitzpatrick family had moved to Bolton in England with just Kathleen and her sister Ron remaining in Clonmel. Some fifteen years ago her brother Tony returned from England to look after their mother who lived in Collins Row, Old Bridge. Sadly Billy passed to his reward in 2002, having just two years previously had a wonderful fiftieth wedding anniversary celebration at Allens, Irishtown with Kathleen surrounded by all her family.

For the past five years Kathleen's health has been declining, but she never complained smiling and joking. Admitted to St. Joseph's Hospital she spent eight weeks there before being transferred to Melview Nursing Home, Clonmel where she died peacefully two weeks later with her family by her side.

Her remains were removed to St. Mary's Parish church, Irishtown where they were blessed and received by Rev. Fr. O' Brien C.C. On the following morning requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. O' Brien C.C. Her remains were shouldered from the church by her seven sons.

The funeral took place to St. Patrick's Cemetery, Clonmel where a kind and loving mother was laid to rest in the family plot. Fr. O' Brien C.C. officiated at the grave side. To her family we extend our sympathy.

Leaba i measc na Naomh go raibh aici.

Late Mr. Michael Trihy

It was with deep and sincere regret the district learned of the death of Mr. Michael Trihy, Knockalisheen Upper, Ballymacarbry, Clonmel which sad event occurred at the Padre Pio Nursing Home, Holy Cross, Co. Tipperary on Friday 4th July. Deceased in his seventy eight year was a member of a well loved and respected family the John Trihy's of Knockalisheen.

He was the person who looked after the farm since his father passed to his reward some thirty eighth years ago. He went each day to the Nire Valley Creamery with his milk. A quiet,

inoffensive man, he was always ready to lend a hand if it was needed. He was a devout Catholic, he rarely missed Mass or any Church function at St. Laurences Parish Church, Fourmilewater. He was brother of William Trihy, Building Contractor. For some years back Michael had not enjoyed the best of health, but kept the best side out, he retired to a Nursing Home some years ago.

Many tributes have been paid to this kind man, but perhaps the finest was paid to him on Saturday evening when his remains were removed after prayers were recited from Condon's Funeral Parlour, Clonmel to St. Laurences Parish Church, Fourmilewater where they were blessed and received by Rev. Fr. Edmund Tobin P.P., Fourmilewater/Newcastle.

On Sunday morning, the feast of St. Palladius (Apostle of the Scots) the 11am Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Edmund Tobin, P.P.

The lessons were read by his three nieces, and the prayers of the faithful were recited by his three nephews and another niece. Before his remains left the church a homily was given by his nearest neighbour Councillor Kieran O' Ryan MCC. He spoke of Michael as a kind and loving neighbour, a devout Catholic and a person from the village who cannot be replaced.

After Mass the funeral left for the ancient burial ground at Knockboy where he was laid to rest in the family plot with his parents John and Johanna and his sisters Norah and Kitty. Rev. Fr. Cornelius Kelleher P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will long cherish.

To his brother William, nieces, nephews and his many relatives we extend our sympathy.

Go raibh loistin den scoith aige I measc na Naomh.

(Undertakers Condon's, Clonmel)

Late Mr. Patrick Kearney

It is with deep and sincere regret we record the sudden death of Mr. Patrick (Paddy) Kearney, Carrick-On-Suir and formerly of Toureen East, Ballymacarbry which sad event took place at his residence on Tuesday 8th July.

On Sunday evening, his remains were removed from Walsh's Funeral Home, Carrick-On-Suir to the Parish Church of St. Nicholas, Carrick-On-Suir.

Requiem Mass on Monday, funeral to St. Mary's Cemetery, Carrickbeg where he was laid to rest. (Full obituary next issue)

Late Mr. Martin Walsh

It is with deep and sincere regret we record the death of Mr. Martin Walsh, Clonmoyle, Rathgormack, Co. Waterford which sad event took place at the Regional Hospital, Waterford on Tuesday 10th June.

Martin was born into farming and spent his life time at the job in which he excelled and he also had a keen interest in sport.

On Thursday evening, his remains were removed from Walshes Funeral Home, Carrick-On-Suir to the Parish Church of the Sacred Heart Rathgormack where they were blessed and received by Rev. Fr. Michael Curran P.P. Clonea Power/Rathgormack. On Friday morning the feast of St. Anthony of Padua, requiem Mass was celebrated for the happy repose of his gentle soul.

The celebrant was Rev. Fr. Michael Curran P.P. assisted by Rev. Fr. Michael Cullinan P.P. Ballyduff Upper.

After Mass he was laid to rest in the family plot in the adjoining cemetery.

Fr. Curran P.P. and Fr. Cullinan officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a dear friend whose memory they will long treasure. To his brothers, sisters and his many relatives we extend our sympathy.

Industrial Dispute at Ronans Settled

The long running industrial dispute at Ronans Tannery, Dudley's Mills, Coleville Road, Clonmel has been settled. An overwhelming majority of the work force voted to end their dispute and accept the redundancy terms on offer. On Wednesday last the workers voted by secret ballot to accept the package on offer from Ronans to end the fourteen week dispute. Out of a total of fifty four workers, one voted against, seven abstained and the remainder voted in favour of accepting the deal which involved two weeks pay per year of service and a hand shake. The Tannery Premises was vacated immediately after the vote was taken. Under the deal workers who have not availed of the redundancy package immediately have reserved the right to wait and see if work is available for them at the plant and can process their claim for redundancy at a later stage if they wish to.

Cemetery Masses

In beautiful weather Mass was celebrated at the Ancient Churchyard at Cill Seaghain on Tuesday evening, the feast of St. Elizabeth of Portugal. The con-celebrated Mass was celebrated by Rev. Fr. Edmund Tobin, P.P. Fourmilewater/Newcastle and Rev. Fr. Maurice O' Gorman P.P. Clashmore/Piltown, a native of the parish. There was a large attendance present, some beautiful hymns were rendered by the Fourmilewater Church Choir, the Mass was served by Thomas and Mairead Walsh. At the end of the ceremonies Fr. Tobin P.P., thanked the people for coming to celebrate Mass with him. He also thanked Fr. O' Gorman P.P. for attending, the Waterford County Council and its supervisor Paddy (Tyler) Walsh for cleaning of the cemetery and Sean Condon of Clonmel for the amplification. The Mass at Kilronan Ancient Church on Wednesday evening was not celebrated at this old church owing to the inclement weather, it was celebrated instead at St. Laurences Parish Church, Fourmilewater where there was a large number of people present. The Mass was celebrated by Rev. Fr. Patrick Condon, C.C., Fourmilewater/Newcastle. On Thursday evening, the feast of The Seven Brothers and St. Felicitas, their mother, Mass was celebrated at Bennetts Ancient Church. The Mass was celebrated by Rev. Fr. Edmund Tobin P.P. assisted by Rev. Fr. Patrick Hallinan, Aughavoulivane, retired Australian mission. There was a large attendance present in beautiful weather. Some beautiful hymns were rendered by Fourmilewater Church choir, again Fr. RED HOUSE LEAGUE**Oscar Traynor Cup
No Squad Picked Yet**

The managers of The Oscar Traynor cup team had hoped to have a panel of players picked at this stage but due to holidays this has not now been possible.

While the managers met on Monday night last they did not pick a squad. One of the managers Joe Tobin did tell this PRO that they are not sure what players will be available to them for this competition.

The players coming into the squad from East Cork should not have problems but because here in Waterford the senior hurling championship is going to run very late we have at this stage no clue as to what players will be available.

What ever panel will be picked at the start stated Tobin will be the panel that will see out all the fixtures. All managers are agreed on that added Tobin. We should have a better idea come the middle of August stated Tobin so we have agreed to leave the picking of the panel till then.

Last season, continued Tobin, did see some new young players emerge and come to the notice of the managers so it is possible that some new faces will be in the upcoming squad. Last seasons compassion was used by us as a stepping stone to this season. We looked at a lot of players last season and were pleased with the performances. To be fair the lads improved as the competition progressed stated Tobin.

I suppose what pleased us most was that the two finalists came from our group. If we can improve further this season then we will be well pleased.

At the moment stated Tobin, we have plan A and plan B but we need to pick the right one. This is why we are not picking the panel just yet. Not for getting that this is also holiday season added Tobin.

U18 Inter League Squad

This squad are taking a break at the moment and will not come together again until last August. A full panel of players will be announced around the middle of August.

GAA Notes****U10 HURLING**

Our U10 hurlers completed their participation in the Waterford City League last Saturday. Having been in action for the last five weeks our lads have had plenty of hurling and their improvement has been noticeable over the weeks, where they were guaranteed three games each Saturday against a variety of opposition. Our thanks to all the lost clubs for their welcome to all the lost clubs for

their welcome and hospitality.

PANEL

Colm Kindregan, Barry McCullagh, Kevin Walsh, Stephen O'Connor, Evan Collins, David Collins, Barry Henley, Eoghan Regan, Eoin Young, Anthony Fennell, Fiona Morrissey, Sorcha Hurley, Michael Walsh, Malachy Flynn, Darragh O'Riordan, Greg Mangin, Loughaigh O'Maloney, Killian Kiely.

**Ardmore GAA
Notes****S.F. LEAGUE
Ardmore 1-14
Ballinacourty 0-7**

Ardmore had a bit to spare over Ballinacourty last week in the league both sides were short but it was still a worthwhile exercise as both sides gave it everything Wayne Hennessy at midfield gave us the edge and only for two fine saves by Damien Lenane in goal it would have been a lot closer.

HURLING QUALIFIER

Best of luck again to Seamus & Declan in the S.H. Qualifier against Wexford on this Saturday. I cant say I agree with the venue because

of its capacity but none the less I am confident that Waterford will win, this game and we can look forward to another day out.

IN MEMORIAM

BURKE — Fifth Anniversary — In loving memory of Jim Burke, late of 15, St. Brigid's Terrace, Dungarvan, who died on July 19, 1998. R.I.P. On whose soul dear Jesus have mercy.
A bouquet of beautiful memories,
Sprayed with a million tears,
Wishing God could have spared you,
If just for a few more years.
(Always remembered by your loving son Eugene, daughters Theresa, Eileen and Maria, daughter-in-law, sons-in-law and families).

CAREY — Fourth Anniversary — Treasured memories of a wonderful husband, Patsy Carey, Coumglan, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

As down the road of memories,
We gently tread today,
Our loving thoughts are with you,
As life goes on its way,
Time may heal the heartaches,
Like the smile that hides the tears,
But happy memories keep you close,
Despite the passing years.
(Sadly missed by your loving wife Mamie).

CAREY — Fourth Anniversary — In loving memory of a dear Dad and Granddad, Patsy Carey, Coumglan, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

You left us with precious memories Dad,
Your love is always our guide,
Although we cannot see you,
You are always by our side.
(Sadly missed by your son Michael, daughter-in-law Mamie, granddaughter Nuala and grandson Patrick).

CAREY — Fourth Anniversary — In loving memory of my dear granddad, Patsy Carey, Coumglan, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

We will never forget you,
We won't even try,
Just miss you more, Granddad,
As the years go by.
(Sadly missed by your granddaughter Noreen and husband Pat).

WHAT IS A FATHER
There is no one quite like a father,
All the whole world through,
For helping and for sharing,
And for taking care of you,
For knowing how to mend things,
A broken toy or heart,
For being your most special friend,
Right from the very start,
For talks and funny stories,
And secrets that you share,
For that warm all over feeling,
Of just knowing that he is there,
There is no one like a father,
For being fine and dear,
And he ought to have a special day,
Each day all through the year,
Wishing you happiness and thanking you for being a wonderful father.

(Love and miss you always — your loving daughter Tracy, son-in-law Alf and granddaughter Katie XXX).

DALY — Third Anniversary — In loving memory of my dear father Phil Daly, 1, St. Patrick's Crescent, Dungarvan who died on the 16th July 2000. May he rest in peace.

The angels sang Amazing Grace,
The Lord came down and touched your face,
Come with me he said it's time to go,
Just slip away quietly before anyone knows,
So there was no chance to say farewell,
To a father I loved more than words can tell,
All I got was a call to say,
You had left this world,
You had passed away,
The days were hard, the nights were long,
And now I find that you were gone,
Somedays it's hard to carry on,
The void your parting has left,
No one could ever fill,
I loved you dearly in this life,
In your death I love you still.
(Never forgetting you, my father, my friend, love Trisha and Christopher).

GRANDAD
Little Angels up above,
Bring to Grandad all our love.
(From Vicky, Sarah, Tirna and baby Shonagh XXXX).

DALY — Third Anniversary — In loving memory of my wonderful father, Philip (Phil) Daly, late of 1 St. Patrick's Crescent, Dungarvan and Clogheen, Co. Tipperary who left us on July 16th 2000. R.I.P.

It was a sad July day,
I stood by an open grave,
I watched them lower the Dad I loved,
I tried so hard to be brave,
I knew I could not awaken,
Your silent remains in the clay,
So I laid my heart down beside you,
And sadly walked away.
The next time that I meet you, Phil,
Will be at heaven's door,
You will be there to meet me,
And I will cry no more.
I'll put my arms around you,
And kiss your smiling face,
Only then will my broken heart,
Fall gently into place.
Will those who think of Phil today,
A little prayer to Jesus say,
Rest in peace, Phil.

(Love and miss you always — your daughter Chris and grandsons Philip, Daniel and Anthony X X X).

God called your name so softly,
That only you could hear,

You left me so suddenly,
I could only wonder why,
But the saddest part of all,
Was we never said goodbye,
Will those who think of Phil today,
A little prayer to Jesus say.
(Sadly missed by your wife Theresa XXX).

Then he whispered soft and low,
Come with me Noel, it's time to go,
I did not see you close your eyes,
Perhaps it's just as well,
For I never could have said goodbye,
To a brother I loved so well,
When I am sad and lonely,
And things are going wrong,

LATE ANN FALLON (NÉE LUCAS) ENGLAND

With regret we record the death of Ann Fallon (nee Lucas), which occurred on June 15th in England after a short illness. She was a member of a well known Dungarvan family. She is survived by her daughter Karen, sons Gary and Anthony, sister Nellie, brothers Paul and John, sisters-in-law, cousins and grandchildren. Mass will be offered on Sunday 20th July in St. Joseph's Hospital at 10 am. Special thanks to those who sent Mass cards, floral tributes and those who contributed to Cancer Research. A special thanks to her friends in the Letchworth Irish Association and all her friends who helped Ann through her illness.
It was a sudden parting,
Too bitter to forget,
Those who loved you dearly,
Are the ones who can't forget,
We often sit and think of you,
And think of how you died,
To think you could not say goodbye,
Before you closed your eyes,
Your life was one of kindly deeds,
A helping hand for others needs,
Sincere and true in heart and mind,
Beautiful memories left behind,
The blow was hard, the shock severe,
To part with one we loved so dear,
Our loss is great, we'll not complain,
But trust in God to meet again,
Two tired eyes are sleeping,
Two willing hands are still,
The one who worked so hard for us,
Is resting at God's will,
Our family chain is broken,
Nothing seems the same,
But as God calls us one by one,
The links shall join again.

NOVENAS

NOVENA TO SACRED HEART — Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your prayer, not mine. Amen. Say this prayer for three days, promise publication and favour will be granted. Never known to fail — M.W.

POWER — Birthday Remembrance of Alice Power, Georgestown, Kill, whose birthday occurs at this time.
Your life was one of kindly deeds,
A helping hand for others needs,
Sincere and true in heart and mind,
Beautiful memories left behind.
The blow was hard, the shock severe,
To part with one we loved so dear,
Our loss is great, we'll not complain,
But trust in God to meet again.
Two tired eyes are sleeping,
Two willing hands are still,
The one who worked so hard for us,
Is resting at God's will,
Our family chain is broken,
Nothing seems the same,
But as God calls us one by one,
The links shall join again.
(From your loving husband Thomas, sons, daughter and grandchildren).

WATERFORD WEDNESDAY JULY 9TH

Good Grain In The Money

Local trainer Jude Hennessy who trains within shouting of Kilcohan Park was the man in form at this midweek fixture sending out two well supported winners and a runner up. The first of his victories arrived courtesy of the Michael O'Donoghue owned Down To Monica (Citizen Rascal-Rascal Dochas) in a 300 yard sprint. Down To Monica the 6/4 favourite raced on the outside of Derwent Rover and Redchapparal Lady rounding the first bend and holding his position the favourite kicked clear up the home stretch to beat track newcomer Derwent Rover by a length in 16.53.

The second leg of a training double for Jude Hennessy came in the fourth contest when the bargain sales purchase Poker Pat (Split The Bill-Star Cash) 5/4 simply trounced the opposition for owner John McGrath in a smart 29.09. This well related winner bombed away from trap six and was never in any subsequent danger cruising to an eight and a half lengths success over the always prominent Southlodge Run.

Betting wise the opening novice race was a non event but it produced a very easy winner in the shape of the Richard Ryan owned and Tony Ryan trained Logloss Lady (Mustang Jack-Franks Girl) this market drifter 1/1 out to 6/4 streaking into an early lead over Kilbunny Jet before racing on to a comfortable thirteen lengths victory in a healthy 29.25.

Despite an early stumble in the second event the James O'Connor owned Bright Petal (Droopys Woods-Ferbane Spiral) the evens favourite secured a nice rails run around the opening two bends to gallop clear for a cosy three lengths victory over a running on Mulls Hobby who came from the rear of the field to fill the runner up spot. Time 29.72.

In a graded two bender Jovial Bar made a good start from trap four but the leader was taken on by Derwent Storm 5/1 on the run to the first bend. Poking up the inside of the of Jovial Bar the Philip Woodworth owned and Mary Buggy trained Derwent Storm (Staplers Jo-Dessies Pride) was soon at the head of affairs to win out by two lengths from Jovial Bar in a brisk 16.30.

County Wexford owner Betty Byrne sent out the 3/1 winner of the sixth event with victory going to 3/1 shot Byrne Back (He Knows-Bea Nukes Girl). Bengal Brigids held a narrow lead rounding the opening two bends but she was clipped from behind as Byrne Back made the best of his way home from trap two. After losing her place early on Coral Swift made rapid late headway up the home stretch but Byrne Back dug deep to triumph by a neck in 29.53.

The early paced Rebeccas Mustang made a brave attempt to lead all the way in the seventh and while "Rebeccas" held a narrow lead going into the final bend the Ryan Gleeson owned Monamolin Swank (Lassa Java-Winetavern Fly) 3/1 finished full of running up the rails to go well clear on the run home eventually crossing the winning line three and three quarter lengths clear of Rebeccas Mustang in a best ever 29.15.

The eight contest on the card was the final of the Colin Wilbourne sponsored Ballylooby Confined 29.70 stake. Impressive semi final winner Hillbilly Robert was sent off the 5/4 favourite but he was badly crowded on the run up and failed to figure in the shake up. Poaching a slender lead off the second bend from

Penny Well the Joe Graham owned Good Grain (Top Honcho-Madam Alright) 3/1 turned on the power on down the back stretch to shoot clear for an eye catching nine lengths defeat of Ballybrazil Hero in a speedy 28.94.

Despite the fact that he is well on his way to his fifth birthday the Bernadette Drennan owned Parkhill Eclipse (Right Move UK-Parkill Aussie) 4/1 caused a mild upset taking a six bend marathon in 41.63. Gliding by the early leader Cyclamen Rose nearing the third bend Parkill Eclipse appeared all set for an easy victory but the well supported Vinnies Choice who after losing her place early on finished with a flourish only to go down by a rapidly diminishing half a length.

In the final race of the night the Phillip Coleman owned Tomsolagh Hill (Pepes Dilemma -Spa Hill Kelly) 3/1 produced a fine burst of early pace from trap two to make every post a winning one in a career best 28.90. Headford Jackie gave chase throughout but there was no catching the strong running Tomsolagh Hill who bounded clear to record a clear cut three lengths victory.

WATERFORD SATURDAY JULY 12

Daring Prince On Derby Trail

County Tipperary trainer Frances O'Donnell got two runners through to last Saturday nights Paddy Power Derby Trial Stake Final and while her own The Other Master was sent off the warm 4/7 favourite it was her other finalist 4/1 chance Daring Prince (Vintage Prince-Seskin Daisy) owned in Portlaw by Jimmy Maguire who made every yard of the running from trap four to win out in 30.10. While The Other Master fluffed his start Daring Prince broke smartly to lead early on from Scotias Prince and a slow starting Heathfield Hope. The Other Master made a gallant effort to pick off the opposition and while he was really motoring up the home stretch he had no chance of catching Daring Prince who stayed on well to score by two lengths from the favourite.

Sprint specialist Ballalley Mick (Mustang Jack-Sprite Sands) 4/6 did not get off to the best of starts in the opening two bend dash but displaying nice early pace he went to the front at the first bend gliding by a fast starting Dessies Joy. Despite a second bend bump with a prominent Marshals Music John Stacks Ballalley Mick kicked on again to win out by a length and a half over Ballyrobin Duke in a smart 16.30.

The Hole In One Syndicate owned and Jimmy Frisby trained Augusta Hero 4/6 made plenty use of his early pace in the second event to lead all the way in 29.15. Easing his way into an early lead Augusta Hero (Jamaican Hero-Itakit) was closely attended to by Mays Speedy but the winner kept going at full speed to defeat Mays Speedy by three quarters of a length. Aglish Maeve caught the eye running on strongly in the closing stages to fill third spot.

In a 300 yard sprint Sineads Ashling led for the first thirty yards but the Liam O'Donoghue owned and Liam O'Callaghan trained Fox Hill (Come On Ranger-Palatine Joy) 5/4 produced the superior dash of early pace to take control of matters at the first bend before racing on for a length and a quarter victory over Ben Bill in 16.32

The Frances O'Donnell trained Hotdigidydawg (Prince Of Tinrah-Blissful Mindy) made little of his 7/1 starting price in the fourth over 550 yards scoring at his leisure in 30.21. Owned by the Nieces and Nephews Syndicate Hotdigidydawg had his rivals on the stretch from an early stage breezing in three lengths clear of Bishops Paddy

who came from behind Tycoon Brazil to claim the runner up spot. Incidentally the winner is a full brother to Waterford Local Radio's charity greyhound Hound Of Music.

Trap six also housed the winner of a 500 yard contest as the Phil Gough and John Fitzgerald owned Valentina (Roanoke-Sparta Glory) 2/1 made every post a winning one in a brisk 27.52. Displaying plenty of tenacity to corner in front Valentina formerly known as Sparta Liz maintained a strong gallop up front to run out a clear cut five lengths winner over the always well placed Hilldun Harry.

Races six and seven were semi finals of the Bulmers 550 yard stake. In the first semi final Ballyhooly Piper made a disastrous start from trap six. Up front Gepetto held the call by two lengths over Croker Girl but in a driving finish the Eamon O'Connor owned Croker Girl (Frisby Full-Kilcaroon Trix) 3/1 stayed on strongly to land the spoils by a short head. In 30.16.

The Liam Walsh owned and Mick Cronin handled Lorenzo (Powerful Flash-Ciabatta) 6/4 produced a battling display to capture the second semi final in 30.13. Doing very well to move over to the rails from trap four on the run up Lorenzo did well to make the first bend in front of a challenging Coolalta Jet. The latter attempted to drive up the inside of Lorenzo at the third bend but a determined Lorenzo quickly blocked off that route before galloping clear for a four lengths success over Coolalta Jet.

Local owner Frank McCarthy has shown great patience with his pacey dog McCarthys Boy (Mustang Jack-Franks Girl) and his faith was rewarded on Saturday night as 4/1 chance McCarthys Boy obliged at the thirteenth time of asking capturing a 500 yard race in 27.74. Leading throughout from Sober Pride a wide running McCarthys Boy kept up a strong gallop to defeat Sober Pride by two lengths. In the final race at this well supported benefit meeting in aid of Johnville FC and the Shy Project the Billy Roche owned Marshals Hill (Staplers Jo-Marshals Image) 6/1 swept by the early leader Bekindas Therapy on the back stretch and seeing the trip out to the limit a strong running Marshals Hill went on to triumph by a length and a half over Ballintrane Jack in a fast 28.81. This four year old winner was running in his fiftieth race and was winning for the eleventh time.

RACING CHANGE

To avoid clashing with the hurling championship match between Waterford and Wexford no racing will take place in Kilcohan Park, Waterford on Saturday night next July 19th. The card has been moved to Friday night July 18th with the first of ten races off at 7.50pm.

POST RACE ENTERTAINMENT

Chris Doran provides the post race entertainment this coming Saturday Night.

HORSE RACING SNIPPETS

SAY AGAIN WINS

Some weeks back we advised readers to keep an eye out for the Paul Nolan trained Say Again as we nominated him as a sure fire winner of a novice chase. Well the horse tuned up for his next outing over jumps when scoring on the level at Roscommon last week. Say Again will now head straight to Galway where he is entered in the Galway Hurdle which he won last year while he is also engaged in a novice chase. My guess is that connections will opt for the novice chase route.

GALWAY BOOST

Did you know that race week at Galway is worth in the region of sixty million Euro to the local economy.

SILENT NATIVE SCORES

Roscommon is a fair spin from Tramore but the Roche brothers Paul and David made the trek worthwhile when scoring over hurdles last week with the versatile Silent Native.

STEVE DROWNE

Steve Drowne is one of the most underrated flat riders in the UK and he displayed his talent at Newmarket's July meeting booting home five winners which saw him end the week as the leading rider.

THIS WEEKS FIXTURE LIST

WEXFORD PROBLEMS

Wexford racecourse became the latest racecourse to encounter ground problems and they were forced to drop their advertised chases from last Friday nights card. This is a disappointing development and Wexford had to divide the hurdle events to stage a seven race card.

DANNY ON THE MEND

Waterford City born rider Danny Grant has not enjoyed the luckiest of seasons and the three pound claimer underwent a further operation on a his damaged knee last week. While its touch and go whether or not Danny is fit enough to ride at Galway he should certainly be fighting fit for the Tramore August Festival.

COOLMORE PURCHASE TOP SPRINTER

Crack Australian sprinter Choisir has been sold to Coolmore stud. After yet another excellent performance filling the runner up spot in the July Cup behind the much improved Oasis Dream. The Coolmore outfit stepped in to purchase the son of Danehill Dancer and he will be retired to stud. The plan is to alternate Choisir between Ireland

and Australia and the colt is expected to command a fee in the region of Euro 20,000.

MICKS FIRST WINNER

Michael Phillips one of our top amateur jockeys in years gone by had his first winner as a trainer when the K E Power ridden Family Affair 100/30 romped to victory in a mares maiden hurdle at Wexford last Friday night. Michael Phillips rode many a point to point winner for well known show jumper turned horse trainer turned Greyhound Bookmaker Tommy Wade.

BALDOYLE PLANS

Baldoyle in County Dublin ceased as a racecourse a number of years ago but it was only last week that plans were announced to build over 2,500 houses on the 100 acre site.

FAIRYTALE ENDING TO DARLEY OAKS

Trainers Paddy Mullins and Dessie McDonagh are more used to saddling winners at Cheltenham rather than at the Curragh but that all changed for the better last Sunday as Vintage Tipple under Frankie Dettori credited senior County Kilkenny trainer Paddy Mullins with the Darley Sponsored Irish Oaks while Dessie McDonagh who trains in County Meath captured the five furlong Rockingham sprint handicap with Assigh Lady under apprentice Billy Lee. Paddy Mullins has always held a high opinion of Vintage Tipple who was a bargain buy at 16,000 Guineas and she confirmed that rating making sound late headway to collar the long time leader Lanresse inside the final furlong. The 6/4 favourite Yesterday could only finish in fourth place. I would not subscribe to the view that the Aidan O'Brien trained favourite did not stay as Mick Kinane gave her plenty to do and she was doing all her best work in the closing stages. Eighty four year old Paddy Mullins was winning his first ever classic although he did taste victory in the Group One Champion Stakes with Hurry Harriet.

The attendance on the day was a couple of hundred over 9,000 while Sheamus Heffernan had a mixed afternoon riding a winner but then incurring a three day ban for careless riding.

MUNSTER COMMUNITY GAMES FINALS

The Community Games Munster Finals took place at the University of Limerick grounds on Saturday last in ideal weather conditions. Waterford enjoyed great success indeed with three teams qualifying for the National Finals which will take place in Mosney next month.

Kilmacthomas girls u.15 soccer team having beaten Monaleen of Limerick 7-0 in the quarter finals played in Fermoy earlier in the week were drawn against the Tipperary representatives, Moycarney in the semi-finals on Saturday morning and the girls emerged winners here with a 3-0 scoreline, two goals coming from Kerry Dunphy and one from Alice Moore. Then on to the final in the afternoon against Abbeydorney of Kerry who looked very strong in their semi-final against Shannon. The Kilmacthomas girls, well prepared by their coach, Sean Foley were ready to give it their best and so they did. Great team effort from all the girls and goals from Julia Kirwan and Lynn Marie Grant saw the Kilmacthomas side emerge as most convincing and worthy Munster winners.

Panel— Laura Corcoran, Sarah Leahy, Siobhan O'Reilly, Kate Kirwan, Julia Kirwan, Valerie Bagge, Lynn Marie Grant, Lennie Kirwan, Alice Moore, Kerry Dunphy, Sarah Corcoran, Claire Hassett, Nora Hassett, Miriam Power, Carrie Kirwan and Dorothy Carroll.

Ballymacarby boys U.15 indoor soccer team beat the Clare representatives Tulla 6-1 in their semi-final. Goals coming from Shane Gleeson (3) Richard Fenton (2) and Paul O'Connor (1). Then came the final against Kilmallock of Limerick. Great play from all the boys and a goal from Darren Guiry was enough to give them a well deserved win.

Panel— Shane Gleeson, Richard Fenton, Paul O'Connor, Thomas Horkan, Craig Guiry, Darren Guiry and Alan Loneragan.

Tramore girls U.16 Volleyball team under coach Ann Henneby proved themselves worthy winners of the Tom Butler Trophy having come through in fine style, beating the Limerick side Abbeyfeale in the semi-final and Fethard of Tipperary in the final. Great team work from all the girls in both games and they well deserved their victory.

We wish all the teams well at the National Finals and no doubt they will do us proud.

Well done also to Butlerstown boys U.13 basketball team of Gary Fitzgerald, Brendan Cullinane, Christopher McGill, David Walsh, David O'Neill, Michael Chan, and Emmet O'Shea with coach Susan McGill who beat New Inn of Tipperary in the quarter final and went on to beat Crusheen of Clare in the semi-final. They were beaten in the final by Castleisland.

So a very successful day for the County and thanks to all the teams, coaches and parents from all the areas that travelled to the Games.

This year's Inter County team is almost completed so far it looks like the team being headed by John Carroll, Tommy Walsh, Kevin Kirby, Billy Aspel and either Paul Meghian or Stephan Costello. There is only 1 shot separating the last position with one trial left.

Last year on September 11th, saw the first GoldCoast Charity Golf Marathon. We are planning to run the Marathon again this year, on the same date, and the first meeting will be on Tuesday night 15th at 9.00p.m.

ABBEYSIDE A.F.C. NEWS

Amstel Pub League Down To The Wire

The tournament heads to the last eight and the fine weather continues to draw the crowds to Stucco Lane to witness the excitement on offer.

Hayes Win Bruising Encounter

HAYES 1 CRUISCIN LAN 0

Hayes triumphed in a game of two sendings off and littered with incident a plenty. In a game of extreme intensity, it was always likely to be an only goal to decide it and it was no surprise that the goal by Chris Kiely of Hayes would settle the encounter.

A short freekick at the edge of the box was eventually squared to Kiely who slotted home from close range. A feature of the game was the goalkeeping of Jimmy O' Brien from An Cruiscin Lan as he almost single-handedly kept the men from Villerstown in with a shout.

Keanes Mean On Dooceys

KEANES B 2 DOOCEYS A 1

Keanes B for many the favourites to win the tournament outright survived a major scare from Dooceys A, pride of Ballymacarbry in a superb game at sunny Stucco Lane.

Keanes B got off to the best possible start when Tommy Butler converted an early penalty on only 3 minutes when one of the Dooceys players infringed in the box. Dooceys set about a furious assault on the Keanes citadel and it was no surprise when John Mullins scored a beauty chipping the Keanes keeper from 16 yards. Still the Nire men pressed and only for some great defending by Abbey-side men Lyons and Keohan kept the ever dangerous Power at bay.

Keanes stole the victory when on 26 minutes Fran McGovern scored from close range to guide Keanes through.

Shay Harty Steals It For Anchor

FOLEYS 0 ANCHOR 1

A last gap goal by Shay Harty was the difference between the sides when Anchor overcame tournament legends Paddy Foley's in a brilliant game. Foley's manager Michael 'Rainieri' Elsted had his troops in great fettle with the slimline O' Callaghan particularly catching the eye. However, Ray 'Brian Kerr' O' Brien won the tactical battle and when Anchor soaked up the pressure for 59 minutes it was Harty who cut through the Foley's defence and curled a beauty to the top corner to keep the Anchor afloat.

Elephant Crashes Out!

DOOCEYS B 2 ELEPHANT 0

Doocey's B continued their march to the final of the tournament with a comprehensive win over Elephant. Goals by John Mullins and Connie Power sealed the victory for Dooceys over a gallant Elephant combination who badly missed the vocal encouragement of Mary Curran.

Dingers Delight - Local In 7th Heaven

LOCAL 7 PARRISH 1

A superb goal from Tom 'Dinger' Kenneally set the seal on a magnificent (seven!) performance by Local over a gallant and spirited Parrish side.

Kenneally the heartbeat of this side was the proverbial workhouse in the midfielder area as he ran the game for the time he was on the pitch. The Robert Fleck lookalike was no disappointment as he chased, harried and covered every blade of grass for a Local team who look every inch title contenders. Even some horrendous shooting by John Ferncombe failed to sour a notable victory as Kevin Walsh virtually carried the 8 men to victory. Dinger, however, had the Lismore scouts at the game licking their boys with anticipation at the acquisition of this star striker.

RED HOUSE LEAGUE NOTES

Last weekend was Annual General Meeting weekend with Red House League on Monday night and the FAI on Saturday.

RED HOUSE LEAGUE A.G.M.

The Annual General Meeting of the Red House League was held last Monday night at the Red House, Lismore. There were 4 clubs absent, Blackwater Rangers, Mogeely, Gortroe and Valley Rangers.

Michael McBride, Chairman of Red House League welcomed everyone to the meeting including Peter Herrington, Vice Chairman Munster Football Association and Ger Delaney, Secretary M.F.A.

Michael O' Neill gave a detailed account of the past season (see report)

Treasurer Pat Casey presented his final treasurers report as he steps down from the post after nine years. After his report was adopted the Chairman made a presentation of a Blarney Crystal table lamp to Pat in recognition of the tremendous work he has done for the league.

Pat suitably replied. Chairman Michael McBride then presented his report (next weeks edition)

Ger Delaney, secretary of Munster addressed the meeting and said how impressed he was with the secretary's and treasurers reports. He stated Pat Casey's report was very comprehensive and it was a pity to lose such a good treasurer. Peter Harrington as Vice Chairman of Munster complimented the league and how efficient the committee were.

He then took the chair for the election of Chairman. Michael McBride was re-elected unopposed. The rest of the committee were re-elected en bloc and two new members were elected on to the committee, notably Noel Hegarty, Lismore and Ben Mangan, Pinewood Rangers and the meeting closed after a good meeting lasting just under 2 hours.

SUPER DRAW LAUNCHED

The 7th Annual Super Draw of the Red House League was launched after the AGM on Monday night last. We shall deal with the prizes etc in our notes next week.

FOLLOWING THE BLUES

Waterford Utd suffered another heavy defeat last Friday night when defeated by 5 goals to 1 goal in Dalymount Park by Bohemians. This Friday night at the RSC Waterford will entertain Cork City. To stop the slide down the table a win is a must for the Blues. See you there!!

F.A.I. ANNUAL GENERAL MEETING

The Annual General Meeting of the FAI took place in Galway on Saturday last. The Red House League was represented by Paddy Pollard.

One of the shortest and quietest meetings in present times the most note worthy item to emerge was unity and harmony amongst all section within the FAI and this was reflected with not one voice of disapproval when the blue print for the management structure of the FAI was introduced.

This was the kernel of the infamous Genesis report which reduced the size of the Board of Management from the present 22 to the proposed 10.

This proposal was accepted 100%. Everyone in football knows change had to come as it was quite evident to everyone that the past number of years have proved that football at the Schoolboy and Junior level is better managed than that at Senior level, be it international or national level.

When we spoke with the league delegate he told us that at long last the grass roots are having a vital say and as this will be reviewed again at the end of two years changes can again be made if the new system is not working to everyone's satisfac-

tion. So at long last the now infamous Genesis report is starting to take shape and will not be allowed gather dust like so many previous reports and those of us so deeply involved in Junior football should see the benefits before the two years are complete.

RED HOUSE LEAGUE A.G.M.

14TH JULY 2003

Secretary's Report 2002-2003

The season gone by has been another successful one for the Red House League. We had 21 clubs involved, Brideview and Valley Rangers had two teams each, so that gave us 8 teams in the Premier Division, 8 teams in Division 1 and 7 teams in Division 2.

As usual, we kicked off with the Tony Bolger Cup with 19 teams taking part in this competition. It was run on a knockout basis with the losers of the first round going into a runners up group where they played off for a plate. In the final of the cup, Brideview beat Ballyduff after extra time and in the plate final, Castlebridge beat Clashmore. The Fitzgerald Cup was started early this season with a view to giving teams more cup soccer before the leagues started. This competition was played on a home and away basis. Away goals counted in the event of a draw after two legs, if level after the two legs, penalties decided. This competition was won by Gortroe who beat Ballyduff after a penalty shoot out.

Next up was our leagues and after many great games we had the closest finishes for many years in all three divisions. Lismore were victorious in the Premier League with Valley Rangers runners up, Ballyduff and Kilworth being relegated to the 1st Division. Pinewood won the 1st Division after a play off against Gortroe and both teams were promoted to the Premier League with Afane and Castlebridge being relegated to Division 2. Modeligo won the 2nd Division after a play off with Brideview B which went to penalties to decide it. Both teams were promoted to the 1st Division. During the league, we also ran The Dungarvan Tyre Centre Cup which was won by Araglen after they beat Mogeely in the final.

During the season, we had a number of teams entered in the Munster Junior Cup. This gave the clubs great experience to compete against clubs outside the leagues. We also competed in the Oscar Traynor Cup being drawn against South Tipperary, The Limerick League and The Desmond League. Both South Tipperary and The Limerick League reached the final of this competition. When you think that Limerick only beat us 2-1, it shows we can compete at this level.

We introduced Ladies soccer for the first time this year and have set up with South Tipperary to form a league. Great credit to Liam Frazer and Michael McBride here. Off the field, it was a very busy year for the committee who put in an enormous amount of work during the season. Paddy Pollard was once again re-elected to the Munster Football Association Council for the 3rd year in a row. I would like to express my sincere thanks to all the club secretaries who co-operated fully at all times. Also Ger Delaney of the M.F.A. and not forgetting our own committee members who were always so helpful. It's a pleasure to work with them. Our Super Draw was also a success this year with great credit going to our Treasurer Pat Casey who almost single handedly runs this draw every year.

In conclusion, I would like to wish all the clubs, players, committees, referees and supporters the very best in the 2003-2004 season. — Michael O' Neill

Dungarvan G.A.A. Notes

U8 HURLERS WIN BRICKEY TOURNAMENT

Congratulations to our Under 8 Hurlers who were victorious in the Brickey Rangers U8 Hurling Tournament 2003 last Saturday 12th July in Bushy Park GAA grounds.

Lismore, St. Pat's, Ballyduff and St. Olivers were in Group 1 while Dungarvan, Brickey's, Cois Brid and Fermoy were in Group 2.

Dungarvan were unbeaten in their three group matches and qualified for the semi final of the tournament against Lismore. After a close and exciting game Dungarvan won by the narrowest of margins 2-1 to 2-0 to reach the final of the tournament against the host club Brickeys.

Brickeys opened the scoring with an early point. Dungarvan captain Rian Crotty equalised with a well-taken free. However, Brickeys scored two more points to leave the score 0-3 to 0-1 in their favour at half time.

Dungarvan produced a great effort in the second half and a brace of goals from Patrick Curran helped to secure victory in an excellent game of hurling. The final score Dungarvan 2-1 Brickeys 0-4.

The boys played very well throughout the tournament with Gavin Power's goalkeeping very impressive.

Our defenders Timothy McGrath, Joseph Allen, Mark Power and team Captain Rian Crotty were very solid and made many fine clearances.

At midfield Darragh Lyons, Christopher Fraher, Shane Duggan and Tyrone Duggan played very well and were busy in all their matches.

Our forwards Kevin Daly, Patrick Curran, Ciaran Dee, Denis McGrath and Dylan Crotty were sharp in front of goal and got the vital scores.

Many thanks to everyone who supported the flag day which was held last weekend in aid of the Juvenile club. A delighted Waterford under-16 camogie panel who defeated Kildare last Sunday and advance to the All Ireland Final.

ALL IRELAND UNDER 16 B CAMOGIE SEMI-FINAL

One Step Away From History

WATERFORD 5-11 KILDARE 2-7
On Sunday evening last Waterford and Kildare served up a thriller to all present at Walsh Park. Indeed many agreed that the first half was as exciting a contest as they had witnessed all year in any sporting discipline. Both sides traded scores, blocked, tackled and ran for all their worth.

It is fair to say that the final score did not do Kildare justice but a rock solid Waterford defence conceded only one point in the second moeity and ensured The Déise girls reached the Championship decider.

Waterford registered their first score in the second minute, a fine point from full forward Áine Lyng. Kildare's reply was swift with Susan O'Carroll raising a white flag. From the resultant puck out goalkeeper Aisling O'Brien found Emma Hannon who fielded brilliantly passed to Lyng who coolly slipped over her second point. In the eighth minute Ciara Mooney pointed for Kildare and this was quickly followed by a Susan Carroll goal for The Lilywhites.

However the Waterford forwards were keeping the play well spread out with corner forwards Áine Breatnach and Kate Heneghan maintaining their po-

sitions and leaving space for the half forwards to exploit. Full forward Áine Lyng capitalised on this space in the ninth minute to register her first goal and followed up straight away with an opportunist point to nudge Waterford ahead by a point.

The Waterford midfield pairing of Charlotte Raher and Jenny Simpson were just shading over their opponents, Mary Murtagh and Siobhán Hurley providing the forwards with good quality possession. Indeed one of the features of the home team's play was their

excellent use of the sliothár, finding teammates with clever handpasses or incisive strikes into space. In the twelfth minute Róisín Heylin struck for a truly brilliant goal. But again Kildare attacked and Louise Keatley pointed, this was cancelled out immediately by a Lyng point from a free. Play again moved to the opposite end and Mooney added another Kildare point, followed by a Serena Donnelly point to leave two points between the teams.

It is only fair to highlight the efforts of both defences at this point as one might get the impression the attackers were having it all their own way. This was not the case. For Waterford centre back, Tanya Morrissey was giving a towering performance and her deft flicks when opponents thought they were free were a joy to behold. Either side of her captain Laura Buckley and Róisín Delahunty asserted themselves as the half wore on. The full back line of Patricia Broderick,

Orla Heffernan and Vicky Gaffney had their hands full coping with the darting runs of Susan O'Carroll. However they stuck to their task, never panicked and finished the half in control. The last line of defence, Aisling O'Brien was outstanding. She is coolness personified under a dropping ball and her use of the sliothár from puckouts gave her team a huge advantage.

Lyng and Keating exchanged points in the nineteenth minute, a minute later Emma Hannon struck for the first of her points to restore Waterford's four point lead. Indeed Emma was pulling the strings from the pivotal position of centre forward, linking well with Susan

Finn on the right side of the attack. The lead was cut to one point when Kildare's most potent forward Susan O'Carroll struck for her second goal in the twenty second minute of the half.

Six minutes elapsed before another score was registered, tribute to tough tackling and committed defending rather than any thought that the forwards decided to rest up! In the twenty eight minute Róisín Heylin broke free with a mazy solo run and pointed, two minutes later Áine Lyng scored her second goal. Kildare were eager at this stage for the break but before the whistle sounded Heylin added a further point. This left the half time score Waterford 3-8 Kildare 2-6. Both sets of supporters were glad of an opportunity to catch their breath and allow their heartbeat return to normal, or somewhere near normal at least.

If the forwards had the better of the first 30 minutes the second half belonged to the backs, the Waterford defence in particular. The pressure was relentless but from keeper O'Brien out the determination was obvious, they were not going to

concede. Kildare withdrew a corner forward out the field leaving corner back Vicky Gaffney to patrol the area in front of full back Orla Heffernan. This she did with a measure of maturity beyond her years, moving quickly to repel attacks and eliminate danger.

Ninety seconds after the restart Róisín Heylin struck for her second goal, another brilliant shot on the run. Emma Hannon pointed on 35 minutes to put nine points between the teams. Kildare's hopes were raised with Carol Nolan point. The Waterford attack was freshened up with the introduction of Emma Tallon, Martina Cashin, Jenny Houlihan and Aimee O'Sullivan. Their momentum was now relentless and on the 47th minute full forward Áine Lyng completed her hat-trick with a stunning strike and put the game beyond Kildare. Lyng and Hannon added two further points to leave the final scoreline - Waterford 5-11 Kildare 2-7.

Great credit to both teams for a wonderful sporting occasion, giving the referee a trouble free evening apart from keeping track of the scores and staying up with the pace of the play.

The All-Ireland Final is set for Sunday August 3rd against Armagh who accounted for Roscommon on Sunday in Athleague.

WATERFORD: Aisling O'Brien, Patricia Broderick, Orla Heffernan, Vicky Gaffney, Laura Buckley (Capt), Tanya Morrissey, Róisín Delahunty, Charlotte Marie Raher, Jenny Simpson, Susan Finn, Emma Hannon, Róisín Heylin, Áine Breatnach, Áine Lyng, Kate Hengan, Claire Hartery, Patricia Jackman, Alice Moore, Jenny Houlihan, Shelly Keane, Martina Cashin, Aimee O'Sullivan, Emma Tallon, Margot Heffernan, Louise O'Dowda, Ciara Kehoe.

Juvenile G.A.A. News From The Deise County

LAST OF UNDER 14 HURLING COUNTY FINALS TAKE PLACE THIS MONDAY

The last of the Supermacs County Under 14 Hurling Semi Finals take place this Monday evening in Walsh Park. However before this there is the matter of playing the second of the semi finals. Several attempts to play the Ballygunner/De La Salle semi final has been made, but on each occasion the game has failed to take place for a number of reasons.

The game has now been fixed for 11-30 this Saturday morning in Walsh Park. Lismore awaits the winners. The county final will take place on Monday evening also at Walsh Park. It is hard to see any other winner of this competition other than De La Salle. The city side was crowned Division two Feile na nGael champions in Westmeath. Going on this they have to be the warmest of favourites to add the county title to their Eastern Feile Championship, County Feile Championship, National Feile Championship and Eastern Championship titles already won this year.

TONY FORRESTAL/ SONY WALSH COMPETITION

The draw for the Tony Forrestal/Sony Walsh Competitions was made recently. In the Tony Forrestal Competition Waterford were placed in group C along with Clare and Galway. There was disappointment for the Waterford B squad when it was learnt that they could not be included in the SoNny Walsh competition as Down requested to be in the competition. Efforts were made to get other counties into the competition to make up enough teams for Waterford to put in a B team. Unfortunately these efforts failed to yield anything and so it looks that Waterford will only have one team in this year's competition.

UNDER 12 HURLING

The finals of this years Declan Kiely Painting and Decorating Contractor under 12 hurling competitions are taking place over the next few days. On Sunday morning last St. Patrick's and Clashmore clashed in the division two final at Cappoquin. The game ended in a 1-5 to 2-2 draw. The replay will go ahead on Thursday evening at 7.30pm. It is hoped to play the game in Bushy Park.

Ballyduff and Cois Bhríde were due to have met in the division three final on Sunday morning last, but on Friday evening the game was called off as Ballyduff found that they were unable to field a team. Cois Bhríde agreed to a postponement of the game and it has now been fixed for this Thursday evening in Cappoquin at 7.30. Cois Bhríde have to be considered the warmest of favourites for this game. They have a very strong team and would not have been out of place in a division or two higher.

In division one, the semi final between Cappoquin and Lismore was eventually played on Monday evening in Ballyduff.

This was expected to be a very close game. Lismore were possibly the slightest of favourites to win. Dungarvan awaits the winners in the final. The final will take place on Tuesday at a venue to be confirmed.

UNDER 13 HURLING

The last round of the under 13 hurling competition will go ahead this weekend. It looks as if Lismore and Dungarvan will play the division one final for the Mick Fitzgerald Cup. In division two, four clubs from six, Abbeyside, Brickeys, Cappoquin, Cois Bhríde, Fourmilewater and St. Patrick's will qualify for the semi finals. In division three, Clashmore, Stradbally, St. Olivers and An Gaeltacht will play the semi finals. As no league games are due to be played in division three this weekend, the semi finals are likely to be played. Ardmore, Ballyduff and Kilrossanty have all withdrawn from the competition.

MUNSTER FINAL

The best of luck is wished to the Waterford Intermediate Hurling Team in tonight's Munster final against Cork in Fermoy. The seniors are also wished the best of luck in Saturday's All-Ireland series third round qualifier against Wexford in Nolan park.

UNDER 12 AND 14 FOOTBALL

The Western under 12 and 14 football competitions will be beginning very shortly. The under 12's start on August 1st with the under 14's starting on August 11th. In next week's notes a full fixture list will be given.

CITY LEAGUES

The division two final of the city Under 11 Hurling League took place recently in Sliverue between two South Kilkenny sides, Mooncoin and Kilmacow. A crowd of about 200 saw this game which was won by Mooncoin on a scoreline of 4-4 to 2-2. However the game was much closer than the score line suggests as it was only in the final few minutes that Mooncoin started to pull away.

C.L.G. COIS BHRÍDE

We travelled to Bushy Park last Saturday morning for a seven a side U8 blitz. We managed to get to the semi final of the shield but were pipped at the post by St. Pat's on a scoreline of 2-2 to 3-1. Thanks again to Pat Morrissey for the invitation to this very well organised tournament.

Team: C. Hartnett, M. Condon, M. Tobin, R. Beecher, M. Cantwell, P. Mahoney, M. O' Neill, A Craford, J. O' Donoghue, L. McElroy, J. Beecher, D. Beecher, W. Hogan.

On Saturday next, the 19th July our U8 and U10 teams are taking part in tournaments in Cappoquin. Because of the Waterford match that evening the tournaments are starting at 10am so we're meeting at the square at 9:20am. Training as usual on Friday at 6:30pm.

U-16 Hurling - Cois Bhríde U16 Hurlers played Passage in their first competitive meeting in Knockanore last week. Cois Bhríde were 3-3 to 0-4 points down after 15 minutes but they hit a purple patch before half time and scored 2-5 without reply. Cois Bhríde got the 2nd half off to a good start with a point just after the break. Passage however fought back and scored 4 unanswered points until Cois Bhríde got the 3rd goal in the dying minutes leaving the score line 3-10 to 3-7 in favour of Cois Bhríde.

U-14 Hurling - Due to Waterford playing this Saturday Cois Bhríde U14 hurlers have pulled out of the Mossie Cahill tournament.

U-13 Hurling - Cois Bhríde played Fourmilewater in the U13 hurling championship on Friday night last in Tallow. Following a slow start Cois Bhríde settled and played some good hurling but found it hard to get on the home board. Chris Sheehan was our only scorer on the night notching up Cois Bhríde's total of 1-1. While we won this game an improvement will be needed to beat Lismore this Friday. This game is at home at 7:30pm.

Team: Tom McGrath, Allan Riordan, Brian McCarthy, Tom Daly, Keith Hallahan, Sean Sullivan, Kevin Curley, Evan Sheehan, Owen Roche, Dean Hennessy, Chris Sheehan, Owen Murphy, Diarmuid Aherne, Kieran Frazer, Paul O' Connor.

Summer Camps - This years summer camps with take place from 21st to 23rd July. Hurling in Knockanore 18th to 21st August. Football will be in Tallow. For more information contact runai Maureen Roche.

The best of luck to Waterford Senior hurlers on Saturday especially the local lads on the panel.

LADIES FOOTBALL

Waterford Advance To Munster Final

WATERFORD 2-18 CORK 2-6

Waterford breezed into the Munster Senior Ladies Football final for the 17th consecutive season and it would be a brave person that would bet against them capturing the 11th title on the evidence of their demolition of both Kerry and Cork in the last 2 weeks. More importantly they have also qualified for the All Ireland quarter finals on Saturday 30th August.

This is a team progressing nicely on this occasion it was Cork who got the whirlwind start but Waterford recovered to hit the front on 12 minutes and were subsequently never in any danger, shooting a magnificent tally of 2-18. In the first attack of note in the 4th minute, Cork's corner forward Susan Power availed of a defensive angle to shoot the opening goal, a real tonic for the youthful 'Rebels'.

Two minutes later Aine Wall pointed a 35 metre free but Cork threatened again and Waterford keeper Sarah Hickey pulled off a magnificent point blank save 3 minutes later. Aine Wall landed another point before Waterford were awarded a penalty in the 12th minute which Aoife Murphy expertly converted. Cork's livewire attacker Breige Corkery paid the price for pulling Waterford defender Annalisa Crotty upfield on the 15th when Crotty shot a great point, although Corkery cancelled it out on 17 minutes as Waterford led 1-3 to 1-1.

Mary O'Donnell was turning in another magnificent performance at midfield and Mary O'Rourke twice availed of good possession to shoot points. Valerie Mulcahy replied for Cork but Waterford finished the half very strongly. A half a dozen good passes put Aoife Murphy through and she bagged their second goal. Martina O'Ryan pointed, Rebecca Hallahan landed another great long range effort before Annalisa Crotty again raced upfield to score a beauty and Waterford led 2-8 to 1-2 at the interval.

That second quarter saw Waterford's defence really come to terms with the Cork attack. Waterford took up where they left off in the second half as Mary O'Donnell cut through the defence and pointed and Mary O'Rourke and Julie Torpey put the reigning champions 11 points to the good after 39 minutes. Breige Corkery did get one back for Cork but within 30 seconds Linda Wall set up Aoife Murphy and she drilled the posts. Mary O'Rourke tacked on another before Cork struck for their second goal in the 44th minute and again Susan Power was the scorer to reduce the deficit to 9 points.

Waterford, as they had done all day, upped a gear and Martina O'Ryan's pass saw Julie Torpey run 50 metres and kick a great point. Cork to their credit never gave up and youthful Geraldine O'Flynn shot a great point but Waterford went straight downfield and Aine Wall's piledriver skimmed the cross bar. Deirdre Breathnach, Deirdre Nagle, Michelle McGrath and Michelle Ryan came on for Waterford and by now they were on a roll.

A Cork point by Mary O'Connor was quickly cancelled by Aoife Murphy, Mary O'Donnell and Martina O'Ryan added 2 more. Before Breige Corkery closed the scoring with a Cork point in the 5th minute of injury time and Waterford ran out easy winners.

It was widely expected that the speedy Cork forwards would trouble the Waterford defence and they did for a time but their inability to shoot points proved costly. It has to be said that the Deise backs marked tightly and didn't give much away.

For the second consecutive week keeper Sarah Hickey proved her worth and the full back line of Donna Frost, Deirdre O'Rourke and Natalie O'Connor is getting better with each game. Wing backs Annalisa Crotty and Julie Torpey as well as doing their defensive duties shot 2 points each. Centre back Elaine Power returned in another good performance.

Mary O'Donnell was majestic and got good support from Cliona O'Keefe. The attack didn't have the movement of the previous week yet, 2-18 is a great tally. Rebecca Hallahan, Martina O'Ryan, Aine Wall and Mary O'Rourke got the scores. Aoife Murphy scored a fine tally of 2-2 and Linda Wall again played well.

The 4 substitutes proved there is plenty of competition for places and no player should take their position for granted. Next up is the Munster Senior Final on Monday the 4th of August and next week Cork and Kerry, grateful for a second chance granted by the Round Robin system meet and the winners will meet Waterford in the final.

The 4 provincial winners meet the 4 provincial losers in the quarter final on Saturday the 30th of August and Waterford will be anxious to retain their provincial title which may give them a slightly easier draw in the quarter finals.

Waterford: Sarah Hickey, Donna Frost, Deirdre O'Rourke, Natalie O'Connor, Annalisa Crotty 0-2, Elaine Power, Julie Torpey 0-2, Mary O'Donnell 0-2, Cliona O'Keefe, Linda Wall, Rebecca Hallahan 0-1, Martin O'Ryan 0-2, Aine Wall 0-3, Aoife Murphy 2-2, Mary O'Rourke 0-4. Subs: Deirdre Breathnach, Deirdre Nagle, Michelle McGrath, Michelle Ryan.

KILL G.A.A. CLUB NOTES

Man of the Moment

Must be Richard Lannon, Kill who got a silver and bronze medal at this years Special Olympics in Dublin. On the Tuesday Rich picked up a silver in the soft ball, and he was only 7cm away from gold and then on Friday he took the bronze in the 100m walk. On Tuesday evening before we played Geraldines in the league, Rich as usual walked in to the dressing room before the game and got a rousing round of applause from players and selectors alike. Underneath his jumper were those medals jangling, Rich, too modest to show them off, but after urgings from the lads he started to wear them proudly on the outside. Well done Rich, you did everyone proud!

County Hurling League

In our penultimate game of the league we played the Geraldines last Tuesday night, 1st July on our home turf. Not since the 1994 Junior Hurling County final had we crossed the hurleys with our western counterparts and like that occasion this was a ding dong battle. The Geraldines made the better start, but once Kill started playing direct hurling we came more into the game and at half time it was honours even. A feature of the first half was some brilliant play by Brian Mooney. The second half saw the play see-saw from one end to the other with scores tit for tat and the lads thought they had the game won when Ducks scored a fine point but the Aglish outfit are dogged and from the puck out they grabbed an equaliser with second left. Final score 0-13 each.

Team: A. Whelan, A. Kirwan, Brian Mooney, Brendan Mooney, Paudie Torpey, M. Hennessy 0-1, F. Whelan, D. Casey, A. Kiely, Peter Torpey, A. Lannon 0-8, M. Aherne 0-1, S. O' Regan, R. Hennessy 0-2, N. Mulcahy. Sub: L. Lannon.

Two nights later we were in action again with the final match of the years league. St. Mary's Touraneena were the opposition, Kill was the venue again and unlike two nights earlier conditions were livelier with the sliothar dryer and travelling better on the good surface. Playing much better than against the Geraldines we started well with a few early goals from some great combined play by backs, midfielders and forwards alike. By half time, we led by eight points and looked in command, but we fell asleep midway through the second half as St. Mary's threw everything at us. However, we weathered the storm and held on to win by 3-12 to 1-13. The team was: A. Whelan, A. Power, A. Kirwan, Brendan Mooney, M. Hennessy, Brian Mooney, Paudie Torpey, F. Whelan, D. Casey, A. Kiely 1-3, A. Lannon 105, Peter Torpey, S. O' Regan, M. Ahearne 0-2, R. Hennessy 1-2. Sub: L. Lannon.

And so we finished with seven points in this years league with 3 wins, a draw and 3 losses which will hardly bring us into the play offs. Yet, well done to all those who put in an effort here.

Spare A Thought

Four our trainer Ger Guiry and selectors Martin Kennedy and Paddy Regan who are trying to juggle hurling and football each week not knowing when our next championship match will be and whether it will be hurling or football. As everyone knows our county senior hurling team are holding up the whole show so hopefully they will until September 14th but the prospect of playing no championship matches in the two best months of the year (June and July) remains a strong possibility and somehow this can't be right! Roll on the wet November Sunday's.

U8 Hurling

Last Saturday we held our annual U8 hurling tournament. Eight clubs took part divided into two groups of four - Lisamore, St. Pat's, Ballyduff and

St. Olivers were in group one and Brickeys, Dungarvan, Fermoy and Cois Brid were in group two. We drew with Dungarvan in our first game and we defeated Fermoy and Cois Brid in our second and third games. We finished top of our group on score differences from Dungarvan in second place. We then went on to play the second placed team from the other group in the cup semi final who were St. Olivers. The early exchanges were close but we eventually pulled away to claim our place in the final. Dungarvan defeated Lismore in the other cup semi final, so the final was a repeat of the first game. We started well and led by two points to no score at half time. On the restart Dungarvan scored two quick goals and went on to win on a final score of Dungarvan 2-1 Brickeys 0-4.

Panel of players: Joseph McGeoc, Conor Morrissey, Cormac Curran, Stephen Ahern, Jack O' Donnell, Kevin McCarthy, Diarmuid O' Keeffe, Conor Carty, Sean Whelan, Paul Drohan, Cormac Barry.

Afterwards the winners and runners up received their medals and Fermoy received bronze medals for defeating St. Pat's in the shield final. A special word of thanks to everyone who made the day a success to the caterers for all the tea and sandwiches, the groundsman for having the field in perfect condition, the referees and anyone else who helped out.

BRICKEY RANGES LADIES FOOTBALL NOTES

Pei na Calini

Training is in progress at the moment for our young players through out the county for this competition. All roads lead to Cashel next Wednesday week to support our county team, who have a lot of players from our juvenile club playing. Final selection of girls will be made this week, so we hope to see Katie Murphy, Aine Lynch, taking to the field.

Senior Ladies News

Last Saturday July 12th was a memorable day by date for some people, but for our Senior Ladies it was all systems go when they took on the Cork Senior ladies. Played in glorious sunshine at Paric Ui Rinn in Cork the ladies meant business from the throw in. Even though Cork opened the score within minutes with a point, our lone 'Brickey Lady' on the team cancelled this point.

Coolness personified Aoife Murphy placed the ball for a penalty shot and blasted the ball to the back of the net. From here in, it was Waterford all the way. Cork tried to cancel our scores but the girls never gave in. Within minutes of the penalty shot, Aoife Murphy was in for her second goal of the day. She took a flying pass from Mary O' Rourke and again, no mistake she blasted it to the roof of the net. Our senior ladies appear much keener and have the appetite for the attacking football this year.

Training is going well under Michael Ryan and Bridget Grant and Olivia Butler. Thursday night the ladies train in Bushy Park and so far this might be an omen for success

as they have won both games on the following Saturdays. Our next outing is to Walsh Park this Saturday coming to take on Clare. We all know the Senior hurlers are playing this day, but why not support both teams. Nowlan park is only up the road and our ladies match is at 2pm. Come on our and show your support. The final score

last Saturday was Waterford 2-18 Cork 2-06. Of this final score Aoife Murphy contributed 2-5. She had a superb game through out.

It was nice to see 4 make supporters from the Brickey Rangers football team so we hope to see more of them in the weeks to come.

Saturday: Waterford v Clare.

Waterford U-16 Footballers Reach Plate Final In Limerick

On Saturday last the Munster U16 Football Championship was hosted by Limerick Bord na nOg at venues around Limerick. Waterford was based at the Croagh venue where they were paired with North Kerry in the opening game. The Deise boys battled hard but they had no luck on the day with Kerry winning by a rather flattering 3-10 to 1-3 scoreline that did less than justice to the Waterford effort as the Waterford side should have added at least two further goals while there was a very dubious penalty awarded to Kerry early in the game when the sides were level. The attacker was given the free after he had pulled the ball from the Waterford defender and then went down for the penalty, which was given. These things happen in matches however and you have to live with them. Waterford should have goaled themselves but Jason O'Brien saw his effort go outside the post while David Collins also had another effort brilliantly saved by the Kerry goalkeeper. Waterford were playing against the strong breeze and trailed by 2-5 to 0-1 at half time with Mark Ferncombe getting the Waterford point.

The lads took the game to Kerry in the second half with Andrew Murphy and Mark Ferncombe landing points while David Collins shot a great goal as Waterford more than matched Kerry and indeed if they had any bit of luck in the first half they would have been much closer to Kerry. Waterford then lost influential midfielder John Gorman through illness and Kerry again took over any they ran out deserving if rather flattering winners in the end as they added a further 1-5 in the closing quarter as Waterford decided to rest a number of players with the second game in mind. In the other games South Kerry were much too strong for Tipperary winning by 1-18 to 0-2 while Cork City defeated Clare. This left Cork and Kerry in the semi finals where Kerry easily won both games as both Cork City

and County were eliminated.

The plate semi final saw Waterford having to face Limerick who were 3-7 to 3-8 losers to Cork County in their opening game. Waterford had played Cork County in preparation for this game so the boys knew that a big effort would be required. Waterford introduced some new faces for the second game also with Diarmud O'Hehir coming in at midfield to partner Steven O'Connell while Johnny Cooney came in at corner back with Brian Keane reverting to goalkeeper. Richie Foley came on at wingback with Christy Power coming into the attack. Waterford again opened well with Jason O'Brien again having no luck as he again saw his effort beat the keeper and go wide. Undeterred however Waterford who saw Limerick take the lead kept on playing good football with points from Ferncombe and Murphy had them back in front. A great move then saw David Collins again find the net as Waterford grew in confidence. By half time Waterford courtesy of a second goal from Andrew Murphy had built up a five-point lead as they led by 2-5 to 1-3 interval lead when playing with the strong breeze. We wondered would this be enough as Limerick threw everything into attack but great defending by John Kirwan, Johnny Cooney, Fintan Walsh, Conor Hayes, Richie Foley, and the outstanding Brian Phelan saw Waterford give little away as Brian Keane was in excellent form behind them in goal. Disaster then struck for Waterford as wing back Richie Foley was sent off for a second yellow card offence just five minutes into the second half and a minute later Johnny Cooney was to follow him with a leg injury. David Kett who had played very well against Kerry was brought on at corner back while Michael Halpin who had been introduced to the attack was draughted back into the half backline as just Jason O'Brien and David Collins were left up front.

Waterford were now battling

for everything as Limerick closed the gap but they could not get in for a goal. Waterford then received a great boost when another sweeping move saw David Collins again find the net as the half time lead was extended as Waterford now led by 3-5 to 1-5 with just fifteen minutes left. Limerick still came forward and this time the scored a goal to bring them right back into contention. Another point followed and it looked as if Waterford were going to be overhauled. Waterford then introduced fresh legs with Padraig Healy and John O'Mahony coming into the attack with Brian Bannon moving to midfield and these changes again settled things as Brian Bannon hit over a massive point which gave the Waterford boys renewed hope as they fought tooth and nail for every ball. Steven O'Connell who was to cover every blade of grass was magnificent while his St Olivers clubmate Brian Phelan won some great ball as Waterford were holding on. Jason O'Brien almost extended their lead but the Limerick goalkeeper saved well to deny the Waterford full forward who was working very hard. With five minutes to go however he at last got the reward his effort deserved when he finished to the net and while Limerick did get a last minute goal it came too late as Waterford held on for a fully merited win that puts them into the plate final for the very first time. Tipperary will provide the opposition here in a game that will be played in Askeaton on Saturday next. Waterford are managed by Declan Barron from Ardmore with Sean Cleary from Abbeyside/Ballinacourty as his assistant while Joe Cleary represents Bord na nOg on the selection committee.

The Waterford panel is Cormac Tierney, Ferrybank, Emmett Kelly, Clashmore, Brian Bannon, Dungarvan, Christy Power, Andrew Murphy and Johnny Cooney, Brickey Rangers, David Collins, Gaultier, John Kirwan, John O'Mahony and Michael Halpin.

Rathgormack, Evan Morrissey, Nire, Fintan Walsh, Steven Raheer and Conor Hayes, Killrossanty, Mark Scanlon, Aidan Browne, Brian Phelan and Steven O'Connell, St Olivers, John Gorman, Diarmud O'Hehir, Richie Foley, Jason O'Brien, and Mark Ferncombe Abbeyside, Padraig Healy, Brian Keane Ardmore, Declan Barron Ardmore and Willie John Kiely and Brendan Walsh Abbeyside are also on the panel but were unable to travel last Saturday. All players will again be travelling on this Saturday leaving Lawlor's Hotel at 8 am. Training continues this Thursday in the Friary College at 7-45pm.

SHC QUALIFIER IN NOLAN PARK

First Championship Meeting of Waterford and Wexford

This will be the first time in history that the runners-up in Munster and Leinster will have met in the All-Ireland senior hurling championship and it is expected that the meeting of Wexford and neighbours Waterford who will clash for their first time ever in championship, will attract a full house to the Kilkenny venue on the coming Saturday evening.

There are complaints about the game not being fixed for Thurles for accommodation reasons because Nolan Park in comparison to Semple; Stadium has a minus 20,000 capacity and as a consequence the scramble for tickets will continue all this week.

The attendance will not compare with the 53,000 Munster final or the 48,000 Leinster final but it certainly will be big enough to fill the Kilkenny city venue.

For both counties this a "death or glory" event as defeat will end the losers interest in the championship until 2004. This will ensure a fight to a finish and a rip roaring contest.

Wexford defeated Offaly rather decisively in the Leinster semi-final and although decisively beaten by the All Ireland champions, Kilkenny in their provincial final, Wexford were in the game with a big chance with 9 minutes remaining and had been level with Kilkenny at the break.

In our meetings in the national league there has never been more than a score or two between our counties and it is not likely to be much different here. The Wexford county secretary Michael Kinsella stated on Friday evening last that Wexford will be at full strength and the few minor injuries picked up in the Leinster final will not keep and of the regulars off the team.

I have not heard of any injuries serious enough to keep any of the Waterford panel from being ready and available but at the same time I won't be surprised if the naming of the team is delayed. 'pending fitness tests on a couple of players' And anyway, we have now come to the stage when supporters will not believe the line out to be correct when published.

Trying to speculate on the line out, as I have written before, is just a guessing game. I would feel more confident about being able to name the Wexford team, than about

guessing of our own team.

Waterford must have been one of the counties which Association President Sean Kelly had in mind when criticising the practice of naming bogus teams, recently.

Our Line Out ?

Selectors have a difficult job to do and having worked with the panel for months on end they must know their players better than us but the people 'on the ditch' do not always agree that the best players are selected or used during a game. Having Dan Shannahan and Brian Flannery sitting it out for the 70 minutes of the Munster final, puzzled many supporters as did some of the switches made during the match.

How many of the 20 players used in the final will be selected on the first 15 and how the team will be shaped for the Wexford game on Saturday evening, is anyone's guess.

Stephen Brennar will be the keeper and the defence will have Tom Feeney Brian Greene, James Murray, Fergal Hartley (substituted during the Munster final) Eoin Murphy and Declan Prendergast, but any of these can be omitted in favour of Brian Flannery.

Tony Browne who was substituted by Peter Queally in the final, will be back and can have Queally as his partner. At the same time, Eoin Kelly (also substituted), Ken McGrath who played a lot of the ball but the six which he hit goalwards all went wide and for the second time in years the All Star failed to get his name on the scoreboard) and Dave Bennett who seemed to have been playing well in the middle until moved during the provincial final.

John Mullane who was our top scorer with 3-1 and made a major impact had his profile tarnished somewhat with his ugly two-finger gesture to the Cork supporters but subsequently apologised. He will be in attack as will Paul Flynn who was so successfully 'policed' but still managed to score 4 times and supplied Mullane for his third goal is another certain starter. His 2 yellows and a red card meant only his suspension from the remainder of the game. Andy Moloney also was substituted in the final and his place is now likely to be taken by Seamus Prendergast who came on late in the Munster final. Dave Bennett, if not at

NAIL-BITING CONTEST IN PROSPECT

midfield, maybe Dan Shannahan, Ken and Eoin McGrath if either is not named at midfield may also be named in our attack.

Having deliberated on the line out the selectors will name their team on Wednesday and it will be published on Thursday. On this occasion they may show a change of policy and publish the correct placings.

Wexford will name their team to the media on Wednesday and according to a source close to the team, they are likely to name the same team which played in the Leinster final against Kilkenny.

Seven of the team are holders of All Ireland senior championship medals won in 1996. A number are approaching the veteran stage.

Long time goalkeeper Damien Fitzhenry who has won

every honour in the game and is an All Star in his 30th year. he has made 31 appearances since he made his championship debut against Dublin in 1993. During that time, playing in goal he has scored a total of 4-1 (3 penalties and one free)

Colm Kehoe is a sound defender, has won medals in every grade and is now 31 years old. David O'Connor, the Wexford full back although only 22, is also medal laden and one of the great 'discoveries' on the panel.

Other defenders, Keith Rossitor (19), Darren Stamp, Declan Ruth (27) and Liam Dunne (who is in his 36th year) are medal laden and experienced players.

Others that will help the Wexford cause on Saturday are Adrian Fenlon (30 who will play at midfield, Paul Codd, the

team captain and who is the county's top scorer having notched 3-59 from league and championship already this year., Rory Jacob, Barry Lambert, Darragh Ryan. etc.

The Result?

The public perception of the contest is that Waterford got the opposition that they had hoped for in the draw. In other words the view of our supporters is that we have a better chance of defeating Wexford, than we would have had, if the draw had thrown up, Tipperary, Galway, etc.

My own opinion is that a lot will depend on the line out and the sideline strategy. I believe that the movement of players from one position to another during the game, undermines their confidence and therefore there should be as little of this as possible.

I believe that we have the potential to beat Wexford and I expect that we will beat them if everything goes right for us. If we lose it will be a disappointment and a setback for us.

Tickets;

It is not anticipated that the attendance will be over 30,000 and therefore the ticket problem will not be as great as it was for the Munster final (when the talk about stand tickets overshadowed the talk about the game). The national average at 'qualifier' matches is 20,000

It was recently announced that over a 2 year period, a total of 3.7 million was collected from the sale of tickets by Website and Ticket Master. These tickets are made available through these outlets after counties demands are met and satisfied. They do not apply to All Ireland finals.

WEEKEND FIXTURES

**Intermediate Football Repla
Emmetts v Kilgobnet
At Leambrien**

This very attractive football fixture is scheduled for the Leamybrien venue on Sunday evening next at 7 p.m. and it being the only championship match programmed for Sunday, it is sure to attract a good attendance.

In the drawn match the game was close all the way and an 0-9 each final score was a fair result.

It was the baptism of fire for the new junior county champions, Kilgobnet and now the first round experience may help their confidence here.

Who ever wins it is sure to be another good and exciting contest.

**Modelligo v. Brickeys
at Dungarvan Grounds**

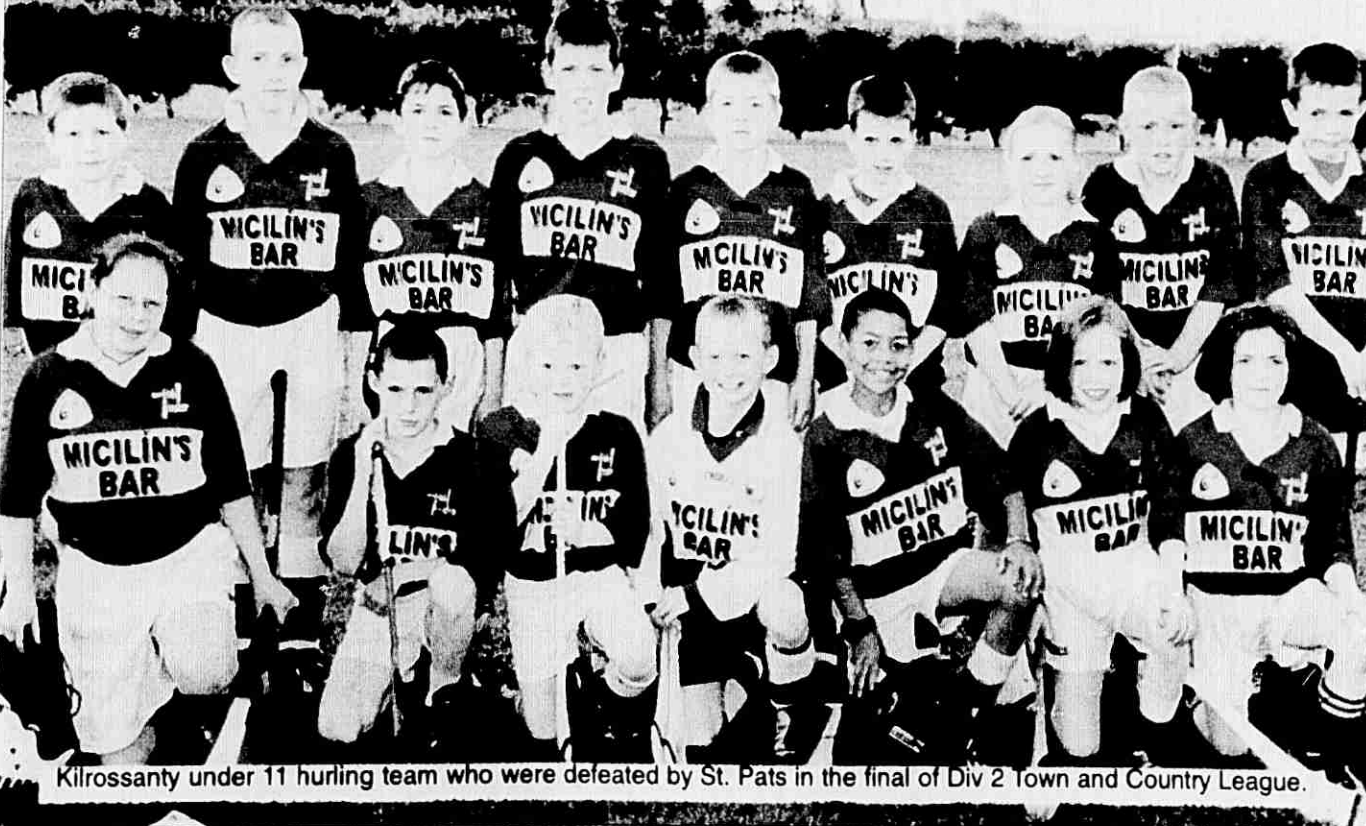

This junior football tie is fixed for the Dungarvan club grounds on Friday evening. Modelligo, fielding their first fifteen must be fancied here as the Brickey Rangers will be represented by their second string.

U.16 HURLING

On Monday last we travelled to De La Salle for our first game in the county championship. On the night we were defeated by four points, despite being level with a minute to go. This was a very encouraging performance by the team and one which we can hopefully improve on.

MUNSTER INTERMEDIATE FINAL

Best wishes to Greg Fives and Gary Hurney for Wednesday nights Munster Final versus Cork in Cashel.

U.13 HURLING

We took on St. Patricks last Friday in the second game of the Western Championship. After a very competitive game we were narrowly defeated and this ends our involvement in the championship.

SUMMER CAMPS

Last week we hosted the County Board Hurling Camp and this proved to be very successful throughout the three days. This week and next week we are hosting our own hurling camps, whilst in the last week of July we will be hosting the County Football Camps. Our thanks to Michelle Power and her team for the efficient running of the camp.

SENIOR FOOTBALL

We played Ardmore in the County League on Thursday last. We seemed to take far too long to get into the game and allowed our opponents to build up a large lead. However, in the second half we upped our performance considerably and managed to play some very good football at times. Final score Ardmore 1-14, Ballinacourty 0-07.

Team: A. Landers, L. Briggs, J. Phelan, D. Cashin, B. Hayse, G. Breen, S. Lavan, P. Lynch, G. Hurney, M. Lavan, J. Moore, W. Fennell, S. Kiley, I. Kiely, D. Fives, subs L. Hurney and S. Hanrahan.

FLAG DAY

Our annual Flag Day collection goes ahead this Friday, Saturday and Sunday. This is one of our main fundraisers for the Juvenile Club so we would appeal for your generous support.

G.A.A. NOTES

BY "COMMENTATOR"

PERSONAL ACCIDENT SCHEME

Although the latest figures published show that the numbers have increased from 18,000 to 20,000 in the Scheme, the situation is still considered to be very unsatisfactory and a further and final appeal is made to all counties to encourage players to avail of the additional benefits that are on offer in the scheme.

Here in Waterford only 18 of the 52 clubs are joined in the scheme. Only 8 are in West Waterford.

Of the 32 counties we are by far the lowest. The figures for Munster are - Cork 3,512; Tipperary 808; Kerry 746; Limerick 524; Clare 214; Waterford 113.

Club Championships

The senior and many of the divisional championships are still 'on hold' as we continue in the All Ireland senior hurling series. If we win on Saturday in Nolan Park we will be in action again two weeks later so there will be no activity on the home front before August

The intermediate hurling and under 21 football versus Cork at the end of the month in Walsh Park are also causing problems with the senior fixtures.

The Western board met on Monday night to make the draws for their second rounds, but many of the divisional matches cannot be played until after the senior clubs have played their first rounds, so there is a 'knock-on' effect resulting from our intercounty programme.

PETER QUINN UNHAPPY

Former G/A.A. President Peter Quinn, who was the official who spearheaded the massive redevelopment of Croke Park Stadium and also who, in retirement, chaired the Strategic Review Committee, has caused quite a stir in high places by complaining about the quality of the people in top positions in the Association.

In a documentary published over the weekend, the former Boss is quoted as saying "I do not believe that the ordinary people of the association in general should be happy with the existing structures, because the G/A.A. is weak, too weak and extremely weak at the highest level."

He further said "When it comes to Ard Comhairle and the management Committee level, no one with a background in business could be satisfied with how things are progressing"

Being very disappointed with the rejection of a number of the proposals in the SCR, he is known to have been particularly annoyed that the structures of Management and Central Council were not changed as proposed and also on the limitation of service at practically all levels.

Central Council decided that the 5 year limit would not apply to their members or to members of the provincial councils. On taking up office, Sean Kelly expressed his disagreement with this and it will now be interesting to see if he will do something about it.

RESULTS

While the big championship games remain 'on hold' a number of the lower profile matches are going ahead, but because of the scale of intercounty activity all over, the local programme is suffering in the matter of publicity. Yet they are of no less important to the people who play and manage them.

UNDER 21 HURLING

The Western Board have recently disqualified Fourmilewater from the under 21 hurling 'A' championship, because of their failure to field for the fixture against Tallow on the appointed date.

This situation leaves just Tallow, (the champions) and Abbeyside in the competition.

**UNDER/21 'B' FINAL
Cappoquin 2-9 Brickey Rangers 1-8**

Played at Colligan before a big crowd, this final turned out to be a splendid contest, played with great earnestness and going very close to the finish before a decision was reached. Near the finish the teams were locked together

The result was a welcome one for Cappoquin club who have not enjoyed the best of luck in recent times

BRICKEY RANGERS

Certainly one of the busiest clubs over the past week.

In the junior football championship we saw them lose to Kilgobnet, also by 4 points and on the same scoreline (2-9 to 1-8) as was the case in the under 21 final.

Then in the junior hurling championship their name cropped up again, this time on a happier note which showed than defeating An Rinn by 1-19 to 1-5.

They had a minor football engagement with Ballinacourty and here came off second best.

J/H/C Colligan 3-4 Kilrossanty 1-9

As the scoreline shows, this exciting first round went all the way to the final whistle before a decision was reached. By all accounts, Kilrossanty had most of the play and were unlucky to lose.

MUNSTER INTERMEDIATE HURLING FINAL AT CASHEL

CORK FAVOURITES TO BEAT WATERFORD

Although Cork have had the advantage of two championship games and are represented by a very strong selection, Waterford are seen to have a good chance of taking our first ever title in this grade when the counties clash in Cashel this Wednesday evening.

Waterford will have nine of the team which lost to Tipperary in the Munster final in Cork last year and the selectors will field 12 of the team which defeated Limerick in the semi final in Thurles last month. There are a few positional changes.

We are permitted to field our second best and this allows the management team to play players who have recently played at senior intercounty and club level.

Cork do not enjoy the same privilege and because of this, most supporters will reckon

that we should defeat Cork, as a defeat for us in the circumstances would expose a serious gap in club hurling standards.

Cork will go all out to achieve the double against Waterford.

Hopefully Waterford will be well represented in Cashel this evening and that every encouragement will be given to the panel of players who have trained well for the challenge.

My view of the game against Limerick in the first round, was that we were lucky to win and that here we will need to play better hurling and not waste too many chances. Limerick lost to Waterford because the lost too many chances against Waterford.

Reading the line out, readers will recognise all the players who have worn the county jersey at senior level.

WEST WATERFORD ATHLETICS NOTES

GER WYLEY/NIKE SUMMER SERIES

A Look At The League Tables After Seven Races

This year's series is well and truly taking shape with seven of the ten race program now complete. In the Men's top division William Hart has a big advantage going into the remaining races with a total of four races ran and 4 points recorded but to date he has only four races completed. In second place is Peter Duggan, St. Joseph's with fifteen points and he has all seven races completed. Third is Pat Heffernan of Fethard on twenty six points having ran six races followed by Noel Curtin, Youghal on 29 points and the first West Waterford athlete to show is Mark Langford in fifth place with thirty seven points. Johnny O'Connor also from West Waterford is in ninth place with sixty four points followed by Gerry Cantwell in tenth place with eighty points.

UNDER 40 DIVISIONS

In division one of the under forty's Adrian Linehan is leading with ninety-four points after his four races with United Striders John Kent second on one hundred and eight points, with Joe Kelly third with one hundred and eighteen points. Division two sees Emmet Malone on 205 points from West Waterford's Paddy Street with two hundred and thirty three points. He holds a slender lead over third placed athlete Davy Skerries who to date has two hundred and thirty six points.

OVER 40

The over forty division one is very tight at the top with Ray Power, Waterford leading on ninety one points from Colin Lyons on ninety two points and St. Senans P. J. Irish third on one hundred and twenty five points. Division two

men's over 40 has West Waterford's Eamon Phelan in the lead on two hundred and forty points but Eamonn will not be participating in any more of the league due to an operation on an old injury from his rugby days. This could leave the door open for Youghal's Kevin Curtin (sponsor of the Blackwater Homes National Half Marathon) who is second on two hundred and fifty points with Alan Everett third with two hundred and seventy one points. Ardmore's Michael Hennessey leads the division three with three hundred and forty eight points from Tramore's Michael Flynn on three hundred and seventy points.

VERY CLOSE LADIES DIVISIONS

Jackie Carty, Kilmore leads the way in the overall division

of the ladies series. Having ran all seven races Jackie has a four point lead over West Waterford's Joanne Jackman who is on fourteen points with Adele Walsh St Senans close behind in third place with seventeen points. Fourth and fifth placings are filled by two West Waterford athletes Diane Behan with nineteen points is fourth and Corinna Walsh is fifth with twenty two points.

The division one has Ballynoes Kathleen O'Brien leading on thirty four points from Youghal's Breda Hayes on thirty five points. Norma Wall cant be ruled out here either she is third at present with thirty eight points. Helen Doyle, Kilmore leads division two with forty seven points from Laura Hogan on sixty one points. Aine Kavanagh also has sixty one points in this division. Anne Whelan leads division three with seventy six points from Siobhan O'Mahony eighty one points and Sheilanne Phelan is third with eighty nine points.

So as you see from the various division below plenty of switching and changing still to come with many athletes still having to complete the required six races.

We will have an updated table before the final race in Ardmore where the divisions will have a more realistic reading of how things will pan out at the final race.

Eamon Phelan can now take that long recovery period after his upcoming knee operation with the knowledge that his dream of breaking the 32 minutes for 5 miles has become a reality. On last Friday evening he and a couple of his West Waterford team mates came to together at a Flappers Race meeting (bet you don't know what that is), to help Eamon to finally realise his dream of breaking the 32 minute barrier for 5 miles and he did it in style running 31.27 on next Friday nights Glaxo-SmithKline 5 course. Those who came along to help and support Eamon in his effort were Donal Looby (who equalled his own p.b. of 31.55). Alban O'Donoghue, Ray Burke, Martin Sandford, Paul O'Gorman, Anthony Dwyer and Colin Lyons plus there was a big back up crew on the night. Well done to you Eamon, you can now take that couple of months of a break in the knowledge that you have done the business as there are many still out there who have yet to prove their worth.

FLAPPER MEETING P.B. FOR EAMON

Ray McConnell Runs 100k

West Waterford's only ultra distance runner Ray McConnell was in action last weekend in Edinburgh, Scotland at the British 100k championships. A total of 36 athletes started the race with seven not making it to the finish line.

Ray was well pleased with his performance, he passed the 50k mark in a time of 4.03.54 and completed the 100k in a time of 8.58.20. He was placed 15th overall. Well done Ray. The race was won by Dennis Warmsley in 7.05.12.

RACE 8 GER WYLEY/NIKE SUMMER SERIES 4TH ANNUAL GLAXOSMITHKLINE 5 MILE RACE ON THIS FRIDAY

Jamie Costin Wins His First 20k National Title

West Waterford's international race walker Jamie Costin, fresh from his 5 minute and 50 second 1,600 metre race walk win two weeks ago at the Cork City Sports was competing again last Saturday at the Waterford Crystal race walking Grand Prix held in the Phoenix Park. This race incorporated the national 20k Championship of Ireland and Jamie came through to take his first national 20k title after winning the silver medal in this event on no less than five previous occasions.

The 20k distance which is well short of his speciality event the 50k, a distance which Jamie holds the Irish record for, this is also the distance he will compete in at the upcoming World Championships in Paris next month. Nevertheless in a top class International field he finished a very good sixth overall and first Irish

man to capture that gold medal over this distance which has eluded him for so long.

This race will sharpen him up as he heads over seas for a couple of weeks warm weather training for Paris. The race was won by Italy's 1995 world 20k champion Michele Didoni in 1.21.44

WEST WATERFORD ATHLETE OF YEAR

Michael Deegan Heads The Posse

We have now reached over the half way mark in this year's athlete of the year competition for the friends of West Waterford Perpetual Cup, and at this stage of the competition the league table is starting to take shape with the main contenders to the fore. At the top of the pile with a slender lead of just one point we have Michael Deegan with 30 races to his credit closely followed by Norma Wall on 29, we then have two athletes on 27 a piece Con Kelleher and Ann Dunford, and Vincent Tutty closely following on 26. But there are many others still in close contention and over the remaining

couple of months a clearer picture will emerge. The competition will run until the last day of December, so many more races still have to be completed before one of these athletes will have the right to have their name inscribed on the cup for 2003.

Remember it's up to every individual to let Siobhan O'Mahony know if they run an event outside of one of our own events, and for championship races you get a bonus point. Keep up the work rate - we will update the table in about five or six weeks. Table up to and including Sunday 13-07-03 —

WEST WATERFORD JUVENILE ATHLETICS NOTES

All Ireland Title For Zoe Scanlon

LISA HOULIHAN
West Waterford A.C. silver medalist in the girls Under-11 60 metres at the All Ireland Juvenile Championships in Tullamore last Sunday.

Silver for Lisa Houlihan Bronze for boys U-10 relays Gold in U-11 ball throw

Tullamore was the venue last weekend for the first of three weekends of All Ireland competition. Last weekend it was the turn of the 9-13 year olds. First into action was Zoe Scanlon in the ball throw U11. In the Munster championships Zoe finished 4th with only a metre separating the first four. Zoe has been training hard since the Munster championships and this showed on Sunday last when she improved her performance by 5 metres to take first place in the All Ireland U11 ball throw with a throw of 35m 20cm.

PHOTO FINISH FOR UNDER-11 60M.

Lisa Houlihan was next in action in the 60m sprint. She went into the event as Munster champion and duly won her heat in 9.06. The final was a very close affair with only 3 tenths of a second separating the first three. A photo finish was called on to determine the placings and Lisa was awarded second. Later in the day she also competed in the long jump U10.

U10 BOYS IN MUNSTER CLEAN SWEEP OF RELAY

Our Under 10 quartet of Colin Dunford, David Early, Ronan O' Neill and Jason Nagle qualified for the All Ireland by finishing third in the Munster Event. Since then improved baton changing has improved their

times considerably. On Sunday they took a second place in their heat and qualify for the final in a time of 31.34. Improving on that in the final they ran 31.17 to take the bronze medal. Indeed such is the standard in Munster that all three medals winning teams were from Munster.

UNDER-14 GIRLS TAKE 5TH IN FINAL

On Saturday our U14 girls competed in their relay event. A good run in the heats saw them win their heat and approach the final full of confidence. However, things did not go as well for them in the final and they had to settle for 5th place.

ALL IRELAND 14-19 CHAMPIONSHIPS

We will have a large contingent of athletes travelling to Tuallmore next weekend for these championships. We wish them all the best of luck.

END OF SEASON ON WEDNESDAY

Next Wednesday to conclude a very successful track season we will have a triangular match with Youghal A.C. and Clonmel A.C. It will be held on the track in Waterford. A bus will leave Esso, Youghal Road and Danny's Abbeyside at 6pm. All members are welcome on the night. Antoinette is busy polishing the cup and we hope to have it back in West Waterford again this year.

K.C.K ATHLETIC CLUB NOTES

We had four athletes at the All Ireland championships in Tullamore last weekend, and all four performed brilliantly. Christopher Whelan was first into action in the boys Under 13 shot putt and event he only took up a couple of months ago. Christopher competed in the Munster championships a couple of weeks ago and finished in fourth place losing the bronze medal by a couple of centimetres.

On Sunday last Christopher made up for that defeat with a brilliant performance to take second place and his first All Ireland medal when he threw 10 metres and 2 centimetres, a personal best. The event was won by Kevin Grace, D.M.P. Wexford with 11 metres 85 centimetres and third place went to Simon Halland, Causey A.C., the recent Munster championship with 9 metres 90 centimetres.

Another new member to the club Steffie Power who took up athletics last May. She finished fourth in the recent Munster Championships. On Sunday she won her first All Ireland medal. There was two heats, Steffie won her heat which was the fastest of the two as the two fastest losers came from her heat to qualify for the final. In the final Steffie had another brilliant run to finish in third place.

In the girls U13 hurdles Shona Kelly had a fine performance to make the final and in the final finished in sixth place. Lisa Keane had a fine performance and was a bit unlucky not to have made the final.

We had the girls U12 and boys U16 relay teams entered for last weekend but because of injury both teams had to pull out. Claire Morrissey picked up a shoulder injury in a local school sports event which put an end to her weekend. Eoin Walsh picked up an injury and on advice did not run as he has two events this coming weekend at the All Ireland championships for girls and boys U14 to U19 which will be held in Tullamore, starting on Saturday morning at 9:30 am.

So the best of luck to Niamh, Brenda, Conor, Kevin, Eoin, Sean, Padraig in the quest for the National honours.

WEST WATERFORD ATHLETICS NOTES

World Silver Medal For Joe Gough

In the words of Frank Greally (editor of the Irish Runner magazine) "competing for ones country at the highest level of an athletics competition be it European, Olympic or World Games is to enter into a theatre of dreams." It is every athletes dream to some day compete for ones country at international level and wear your country's singlet and maybe even win a medal - it is the ultimate goal for many. Well that dream became a reality last weekend for one such dreamer, West Waterford's Joe Gough at the World Masters Athletic Championships, which were held over 1000 miles south of Florida in Carolina, Puerto Rico in Southern America. Joe entered that theatre and came out smiling with his and West Waterford's first major championship medal, a world silver in the over 50 Masters 800 metres, rounding off Joe's finest year in his long athletics career.

Joe's involvement in athletics stretches back over four decades, when like so many others he started competing at about age eleven, training in the company of greats like John Tracey and Tony Ryan at the Friary grounds in Dungarvan, which was situated out at the Spring. Then after a period Joe got very interested in boxing as the local club was quite strong in the town at that time. He recalls his first bout in the Theatre Royal in Waterford, a fight

which he won. Indeed Joe went on to become an All-Ireland Junior boxing champion. At this time in his career Joe was a member of the Garda Siochana, but decided to leave the force in 1980 and he became a Youth Development Officer in Waterford City, (a post he still fills) at the tender age of 35 he renewed his interest in athletics.

At that time the marathon craze was in full swing, and everyone wanted to run one, so Joe like all the other thousands

of us decided to give it a go, he recorded a time of three hours and 53 minutes, not setting the world alight you will agree. Joe then became interested in track running and at vets level (over 35) he competed at the Munster Championships. He ran the 800 metres and finished third taking the bronze medal. This was a historical day in an unusual way, as from that date in 1988 until the present he was never beaten over the 800 metres distance. Concentrating on the

track Joe continued to progress competing at national and international level up until 1998 when an injury to his big toe threatened his running career. On professional examination Joe was told that he had osteoarthritis in the joint caused by wear and tear. Against the wishes of his doctor Joe went and had the toe operated on, inserting two screws into the joint, he has never looked back!

Following the injury it took Joe many months to regain full fitness both physically and mentally, but this recuperation time gave him time to reflect and he resumed his athletics with a whole new outlook, preparing much better for competition taking proper time to rest, looking after his diet better etc, etc.

His dedication, time effort and persistence has certainly paid off as this year at Munster level he won the 1,500 metres indoors at Nenagh and followed this with a brilliant treble at national level when he won the indoors 200, 400 and 800 titles. He subsequently went on to win the Scottish and British 800 metres indoors and

in the early hours of Sunday, March 9th last in San Sebastian, Spain he was crowned the European 800 metres champion beating the very fancied current European champion Perez Diaz and the European outdoor champion French man Yvoz Levasseur in the final. Joe's winning time was 2.07.89.

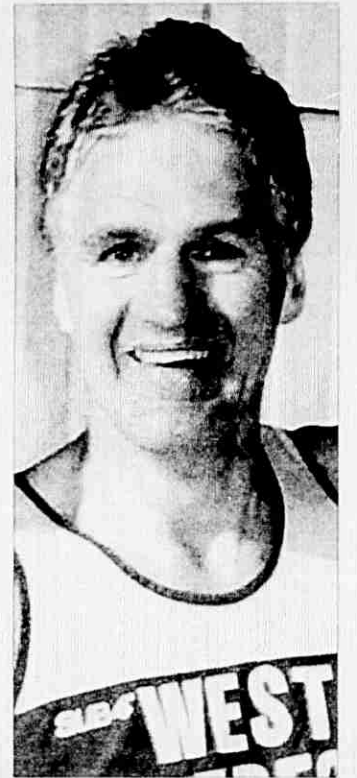

Following this excellent achievement Joe was honored by receiving the Park Hotel Sports Star of the Month for March and was also honoured by receiving the Imokilly People Sports Star Award. His form continued to improve after the Europeans and he recorded victories in the outdoors 800 metres at the Munster and Leinster Championships. Then the opportunity arose for Joe to compete in the British Masters outdoor championships in Derby in June. Again the Dungarvan man proved too strong for the best in Britain and he recorded another famous victory.

There was one more agenda on Joe's mind that was a crack at the World 800 metres championships in Puerto Rico, and with the help of the committee and his fellow club members at West Waterford his work colleagues in Waterford, the members of his own family and all his many well wishers and friends, a fund was set up to help Joe with the costs involved in travelling to South America for the championships and the response was terrific, to say the least.

Joe headed off to the Worlds a week in advance of his competition to acclimatise to the very hot and humid conditions in that part of the world. Joe's trip did not go too smoothly either as his bags went missing with all his gear and running shoes in them, but luckily enough within two days they were delivered to his hotel room.

Joe found conditions in Puerto Rico very humid and he certainly needed the week to find his feet and get used to the very hot weather there. Joe's heat was down for decision on Saturday 5th July, he ran in heat two taking a great second place in a time of 2.09.01 with Kevin Archer of Great Britain winning the heat in 2.07.86. As both Archer and Joe recorded two fastest times in the heats they got automatic entry into the final without having to run the semis. This meant Joe would be that little bit fresher going into the final on Sunday.

The final saw seven different countries represented. England, Ireland, Columbia, Portugal, Germany, Canada and Spain, and after a fast opening lap Carlos Loaiza of Columbia took the lead with 100 to go. Gough found himself slightly

boxed in on the bend with Cabral of Portugal and Archer of Britain (who won Joe's heat), making their move on the outside of Joe and had to come around in the second lane and put the pedal to the metal, passing Archer and Cabral as all four sprinted for the line, fortunately for the Columbian the line came soon enough to hold on for gold, with Gough taking a famous silver from Cabral bronze. The full results were as follows.

1st Carlos Loaiza Columbia 2.06.51; 2nd Joe Gough Ireland 2.06.81; 3rd Carlos Cabral Portugal 2.07.66; 4th Kevin Archer Great Britain 2.08.61; 5th Brian McKay Great Britain 2.09.15; 6th Rolf Buettner Germany 2.09.82; 7th Gordan Valiant Canada 2.10.62; 8th Santiago Cano Spain 2.13.88.

Speaking to Joe after the event he was overwhelmed by the support he received from all quarters, and had much praise for his coaches in preparing him for the worlds, Dick Murphy of St Paul's, Hugh Parnell of Leevale A.C. Both men helped prepare his training program for the biggest test of his career and Derek Parker a senior coach from Glasgow who helped prepare Joe mentally for the challenge. But of course the hard work that Joe himself puts into his chosen sport is an example to all sports people. He now has his just rewards for all those long sessions on the track and all those lonely miles logged over many years. All involved in sport in general in Waterford are proud to once again salute another fine sporting achievement by a Waterford man.

DRAW TO TAKE PLACE ON FRIDAY NIGHT

The fund raising draw for the Joe Gough fund will take place this Friday night after the GlaxoSmithKline 5-road race. All monies and tickets are to be handed in on or before Friday night.

TOURANEENA RACQUETBALL CLUB NEWS

Touraneena Duo Are Champions Of Europe

Two of the Waterford's finest young athletes travelled to Zootmeer in Holland last week to represent Ireland in the European Racquetball Championships. Seventeen year olds Niamh Coffey and Triston Hickey were part of the 10 strong Irish team that went and defeated Europe's best and brought home both the senior men's and ladies team titles.

Going into the event, the mens team were the reigning champion thanks to their victory in Castlebar in 2001. This was Triston's first time representing his country at senior level and was the youngest member of the men's team. He is a six times National underage champion and he had also represented Ireland at junior level when playing in the World Junior Championships in Los Angeles in 1999. He was joined on the team by Anthony Butler (Clones), Stephen O'Loan (Belfast), Jimmy Gannon (Arklow) and Liam Hughes from Fermoy who is a grand son of James and Bridget McNamara from Tallow.

Their opening match was against the pre-tournament favourites, Germany. The Irish set themselves up well for overall honours when they recorded a 2-1 victory. Next up were their near neighbours England and again the Irish team were well on top winning out on a 3-0 scoreline. Belgium were next to bite the bullet on a similar scoreline which meant their 2-1 victory over the highly fancied Dutch team on their home turf secured the title for the boys in green for the second consecutive time.

The ladies team were quietly confident going out with what looked like a pretty good line-up on paper. Niamh probably became the youngest female ever to represent Ireland at racquetball and she was joined by former WIT student Elma Gibney from Meath, Tipperary duo Joan Kennedy (Dolla) and Helen Shanahan (Templederry) and Arklow's Susan Neary. After defeating the Dutch team in the semi-final, they faced the German's in the final encounter. With the scores drawn level at 1 game each, the pressure of winning the title was landed firmly on the shoulders of Niamh and Elma in the final game. Here we had the National under 18 and 21 championships respectively and following an outstanding performance, the double was achieved and both titles were heading home to the Emerald Isle.

Again Niamh was making her debut at senior International level but like Triston she travelled to Los Angeles in 1998 as a Junior International player. Niamh is a 5 times National Junior Champion but she can overtake Triston's

haul next season as she still has two more attempts to add to her impressive list in the upcoming under 17 and 18 age-group.

The Ladies Doubles Championships proved to be an unlucky one for Niamh and her partner Helen Shanahan. In all their matches they came to within a whisker of recording victory but it just wasn't to be as they lost out on some very narrow scorelines. On the plus side from an Irish point of view, the overall title was won by Elma Gibney and Susan Neary while the combination of Joan Kennedy and Carol Lynch (Belfast) took the bronze medals.

Next up was the individual singles. Niamh played her teammate Elma Gibney in the quarter final in what proved to be an outstanding game. Earlier in the season, the players came head to head in the National under 21 final and Elma recorded an 11-8 victory in the deciding tiebreaker. This time however on the bigger stage it was Niamh that ruled supreme on a replica scoreline. This moved her into the last 4 in Europe, which is an unreal achievement at such a young age. Here she met our National number 1, Joan Kennedy. It proved to be one of them games when things wouldn't go to plan for Niamh. On another day, Niamh could well have been challenging for the top European honour but it just wasn't to be. Full marks to her opponent Joan however, after securing the victory she went on to defeat Germany's Yvonne Kortez in the final.

Triston put up a brave performance in the men's singles and was just piped by his teammate Anthony Butler on an 11-9 scoreline in the tiebreaker. In the under 18 singles grade, Triston put together a few awesome performances to qualify for the final. His opponent was Michael Haverly from Castlebar who won through on the other side of the draw. It was the strangest game of the tournament. Triston lost the first game 15-14 and then went on to win the second 15-0 to set up a deciding tiebreaker decider. It was score for score right to the end but unluckily for Triston it was Michael that got the all-important winner. Triston's game was hampered by a shoulder injury but this does not take one bit from Michael's victory because on the day it was richly deserved.

The medal haul didn't stop here however for Triston. He partnered Liam Hughes in the Men's doubles grade and again reached the grand finale. After overcoming their Dutch opponents in the quarterfinals they faced the favourites from Germany in the semi. This duo included the six times European champion, Joachim Loof. The Irish duo were simply

European champions Niamh Coffey & Triston Hickey

awesome as they brushed aside their opponents with considerable ease. A scoreline of 15-6, 15-9 tells its own story. A Dutch pairing including Pascal Malta stood in their way of top honours. Despite giving it their all, it wasn't to be and they were beaten in straight games.

It meant that Triston brought his medal haul to 3 and Niamh took 2, which is simply an outstanding achievement. Both players have put in a lot of dedicated effort into the game since the formation of the club in 1997 and now they have received their just reward. Over the coming years they are both capable of dominating the senior National game and they can go on to achieve even higher honours at International level. Everybody associated with the Touraneena Racquetball club would like to congratulate both players on their outstanding performances and achievements and also wish them the very best in the future.

Overall the Irish contingent dominated the Championships winning a total of 7 gold, 4 silver and 6 bronze medals.

During the week the people working in the Sports department of WLR gave us terrific coverage that kept everybody in touch with happenings out there. For this we would like to thank them very much. Also we are grateful to both Paul Collins and Michael McMullen at Today Fm for the coverage they gave us. Thanks also to all the local papers for their coverage in the weeks leading up to the tournament. A special thanks to the Dungarvan branch of Waterford Crystal and to Christy Slattery of Latteragh Crafts for sponsoring the prizes for our fund-raising draw.

Thanks also to the people who bought the tickets and anybody who helped out in any way.

BANK OF IRELAND FINAL

This Friday night, July 18th sees the final of the Bank of Ireland team squash event when the teams of Ray Moore and Brian Foley do battle. The clash of the captains looks interesting with Ray, one of the longest serving and most experienced players who still plays on the circuit taking on the most improved player of the season young Brian Foley. Brian who travels to many tournaments all around the country with much success starred for Munster and reached the fringes of the national team at his age group, so it looks like a close match to call. At two Centre supervisor and racquetball legend Paddy Walsh takes on Kevin

Tutty. Kevin was another one on the Minnies division five team who finished as Munster runner-up, the jury is also out on this one. Can the crafty lefthander Walsh handle the bullet shots of Tutty or will Kevin be distracted by his new abode at Estuary Heights. The third match sees the relatively inexperienced John Byrne against Jason Hackett, here John will be hoping all his sparring with Brian Foley can stand to him against Jason who has put in a lot of effort in the gym over the past few weeks. All in all it proves to be a very exciting end to the season, special thanks go to our loyal and valued sponsors the Bank of Ireland, without them it would not have been possible to hold the event. Kick off Friday

night at 7.00 p.m. ALLROUNDER SUCCESS FOR MOORE

The very successful All-rounder Ladder League kindly sponsored by Pearse Moloney, The Allrounder Sports Shop, Grattan Square recently came to a close in one of the closest finishes for years. Ray Moore emerged victorious by the very narrowest of margins, one point from Nicky Keane with Brian Foley trailing in third place. With one point being awarded per set won, it's remarkable that one point (one set) should be the winning margin. The top ten placings were 1st Ray Moore 18 pts.; 2nd Nicky Keane 17 pts.; 3rd Brian Foley 12 pts.; 4th Paddy

Walsh; 5th Jason Hackett; 6th Jim Harty and Kevin Tutty; 8th Ger Kelly; 9th Dave Power and 10th Dermot O'Neill.

Special thanks to Pearse Moloney from The Allrounder for his very generous and continued sponsorship of squash and in particular The All-rounder Ladder League.

OTHER CRYSTAL NEWS

Despite the improved weather of late the gym is very busy with the weights and machines getting plenty of use, the soccer pitch is seeing plenty of use with many people running around its perimeter prior or as part of their gym programme. Gym instructor Pat Butler has been busy making out individ-

ual programmes for members and is always on hand to offer advice.

The sunbed is very heavily booked as many people tune up their bodies for their holidays abroad.

Equally as busy if not busier than the squash at the moment is the racquetball with the big ball constantly heard hammering the wall. The Hyslop brothers Hubie and Alfie along with Aidan O'Connor, Michael Hurney and Danny Whelan can be seen doing their stuff while it's great to see Nipper Hurley back in action again after his recent injury setback.

Snooker is very high on the agenda at the club, a snooker club has been formed with Sean Byrne at the helm, Bob

Winters also deserves great credit for his hard work in getting the club off the ground. The two tables have been re clothed and are now on a par with the crucible or so they tell me, if you're interested in joining and playing snooker on top tables you can enquire at the Centre for details.

The Centre is still the "point central" for the running world as the joggers and serious runners start and finish at the Centre every Monday, Wednesday and Friday. This Friday the club will be hopping busy as the annual G.S.K. 5 Miles Race and Charity Walk leaves from the Centre at 7 p.m., so if you are feeling like some fresh air and would like to support a worthy cause come along Friday night.

Stradbally Notes

Munster Fleadh Ceol

Munster Fleadh Ceol takes place this weekend in Skibbereen. Best wishes to Marian and Bobby Clancy + Brendan and Noel Clancy who are representing Waterford. Indeed Brendan "Fiddle" and Noel "Box" are just back from the William Clancy Summer School of Music in Miltown Malbay. Also best wishes to the O'Farrell and Fahy families who are also representing Waterford at the Fleadh and we hope to see and hear you all during the Ceol agus Craic Weekend in August here.

Well done to a local fisherman who foiled an attempt to vandalise the Waterford Co.Co. notices at Stradbally Cove. These notices are a warning of sewage pollution in the River Tay and a way of keeping people out of danger. It should also be known that doctors along the coast to Tramore are advising parents not to allow their children to swim in certain areas because of these pollution problems.

Also well done to the Council for resisting overtures to have

ANNUAL LIFEGUARDS MASS

Last Sunday at mid-day the annual lifeguards mass took place. Fr. Tom Rogers was the celebrant it was a beautiful sunny Sunday for the occasion and as many as 80 people attended the mass. One of the lifeguards sang her version of 'I Will Raise Him Up' and not only is she a lifeguard but she has a beautiful voice. Fr Rogers before starting the mass remembered all who have lost their lives tragically around our seas especially in Bonmahon. His prayer was for the lifeguards who tirelessly look after our beaches every Sunday. He thanked them for their contribution to society. The lifeguards dropped a wreath at Ballydwan cove at 2 o'clock on Sunday marking the anniversary of former Junior lifeguard John Collins of Bonmahon.

these signs removed.

Sympathy

Thanks to the long hard work of the Tidy Towns Committee the village looked its best for the sad departure of Michael O'Brien of Brenan Cross. There was great shock when the news broke of his sudden death on Friday. He had been at KilmacThomas a short time before and had just returned to his former homestead in Rathnaskillogue which he loved so much and it was there he died.

Sincere sympathy is extended to his wife Mai, nee Casey, daughter Angela, sons Michael and Dermot, sister Margaret Sadlier, Buttevant, Co Cork, Brothers Willie, Knockrour and Jimmy, Bristol who travelled here for the funeral, daughters -in-law Pearl and Denise and grandchildren Megan and Barry. The remains were removed to Stradbally Church on Saturday evening and were received and blessed by Fr. Michael Enright and Fr. Gregory Power. Requiem Mass on Sunday July 13th July was concelebrated by Fr Enright and Fr Lucy, a native of the parish. The readers were Angela and Dermot O'Brien while the prayers for the faithful were shared by Breda and Michael.

Eoin and Jim, nephews of the deceased. The gifts were brought to the altar by Pearl and Denise, daughters-in-law. After communion, Willie's nephew, Liam O'Brien from Chicago, gave an eloquent eulogy.

The music and singing was by the Weldon family. The altar servers were Katie and Clare O'Brien, Anthony Hogan and Stephen Drohan.

Michael was predeceased by his parents, William and Bridget, sister Kathleen and brother Sean. He will be sadly missed by his family and by his many friends who knew him from his interests in farming, school management, bridge, progressive drives and quiz competitions.

Disability

A reminder that the Special Mass for European Year for Disabilities will take place on Wednesday, July 23rd at 6 pm in Holy Cross Church. The Mass is also intended to gather together the senior citizens of the parish as many as possible are being contacted at present but all are welcome to come along. There will be no morning mass that day but there will be Exposition from 10 am to 1 pm on that day.

HYGIENE AWARD FOR NUGENT'S CENTRA ABBEYSIDE

The National Hygiene Mark was presented to Nugent's Centra, Abbeyside Dungarvan, at a reception last month in Kinnity Castle, Birr, Co. Offaly. Excellence Ireland named the Centra store among the country's cleanest food industry businesses. The Hygiene Mark; Ireland's premier award for hygiene, was presented to Nugent's Centra by Sean Conlan, Chief Executive of Excellence Ireland and Martin Higgins, Chief Executive of the Food

Safety Promotions Board. Systematic Hygiene Controls

Frank Nugent paid tribute to his staff for their consistent application of the strict food safety and hygiene controls operated in the store.

"This Hygiene Mark is the official recognition of the first-class standards of food safety and hygiene operated in the store and is an important signal to our customers. While it is an honour to receive such recognition, we would maintain that this level of hygiene standards should almost be mandatory in the retail sector, rather than an exceptional award."

Congratulating Nugent's Centra on their win, Michael Nason, Managing Director of Musgrave SuperValu-Centra said: "We are incredibly proud of the entire Centra team in Dungarvan, who are testament to the fact that anyone can achieve their goal, if they are committed enough. The fact that Centra stores consistently receive more hygiene awards than any other supermarket group is clear indication that we take hygiene standards very seriously. Food safety, hygiene and safety at work cannot be taken for granted in the food sector and the health and safety of our customers and employees is paramount."

Centra is a nationwide chain of 325 independently owned stores. The group, which largely comprises family-run businesses, has established a reputation among consumers for excellent hygiene standards and holds more National Hygiene Mark certificates than all other supermarket groups in Ireland combined.

'Ski's The Limit' For Rollerskiing World Record Holder In Dungarvan

Kevin Kirrane

Canadian professional cross-country skier, and holder of the 1995 Guinness World Record for Rollerskiing, Phil Shaw, visited Dungarvan on Monday last as part of his round Britain and Ireland bid to raise awareness about the harmful affects of tobacco.

Phil, started off his journey two months ago in Edinburgh using roller skis with cross-country binds and poles. The ski's, are the same as those used on snow with one major modification - wheels, similar to those used on roller blades, are connected to the base.

The rollerski's are slower and take a lot more energy to use than rollerblades, Phil told the Dungarvan Leader on Monday last.

Despite this, he travels up to 40 kilometres on an average day, and using the same equipment completed a mammoth 4,000kms trip from Vancouver to Halifax in Canada in aid of the Arthritis Society.

Arriving in Dungarvan just after 1 o'clock on Monday week last, before setting off again for Cork City the following morning, he has already spread his "Smoke Less, Exercise More" message on the Gerry Ryan show, and in a number of national media outlets.

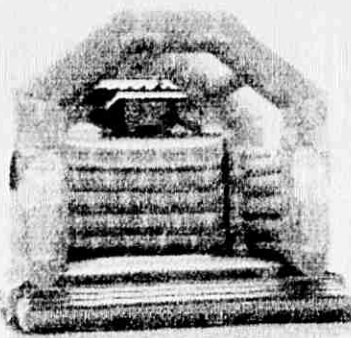

Travelling down the east coast of Ireland, Phil, started his round Ireland bid in Belfast and travelled down the east coast before arriving in Dungarvan, and spending Monday night, at the Park Hotel.

"I always go on the secondary roads," he said. "And where I can't, I use the cycle lanes and the hard shoulders."

But, not trusting the road between Waterford and Dungarvan, he used more conventional transport into town, but vowed to "make up for it by doing 30-40 miles around Dungarvan."

Sponsored by V2 Rollerski's and a number of other sports companies, the professional Skier, left Dungarvan, on Tuesday morning, bound for Cork.
