# Black Day For Crystal

## KEVIN KIRRANE

Last Thursday proved to be a black day in Waterford Crystal's long history as it was announced that two hundred and thirty-four jobs were to be cut at its plants in Kilbarry and Dungarvan.

Management at Waterford Crystal made the announcement after what union officials described as a "tense" meeting with employees and union representatives on Thursday morning. The cuts would mean around 100 contract staff in Dungarvan would be let go.

The ATGWU, who represent the bulk of Waterford Crystal's 1,600 employees, held meetings with employees on Friday and Monday morning, and union repre-

sentatives held detailed negotiations with management again on Tuesday (yesterday).

The company's cost-cutting plans were initially met with "shock and despair underlined by anger" when Management made their "proposals" on Thursday, according to the ATGWU's regional industrial organiser, Sean Kelly.

Speaking to the Dungarvan Leader, Mr. Kelly said the cuts were purely proposals

and should be treated as such until agreement is reached. He added that Waterford Crystal made profits last year, and this year, although he accepted that there has

been a downturn in confidence in the US market.

This downturn, he said, was a result of September 11, SARS, and the Iraq war, but

# Local Man Tragically Killed In Co. Kerry Traffic Accident

A local man from Dungarvan was named as being among the victims of a tragic traffic accident that oc-

curred in Co. Kerry in the early hours of Monday morning last.

Chris Walsh, 50, formerly of Cloneeey Terrace was a back seat passenger, and 35-year-old Carol Muir, 35, Castlegregory, Co. Kerry, originally from Motherwell, Scotland died following a two-vehicle collision at Tonavane, Tralee.

Another Castlegregory man is still being treated for his injuries at Tralee General Hospital.

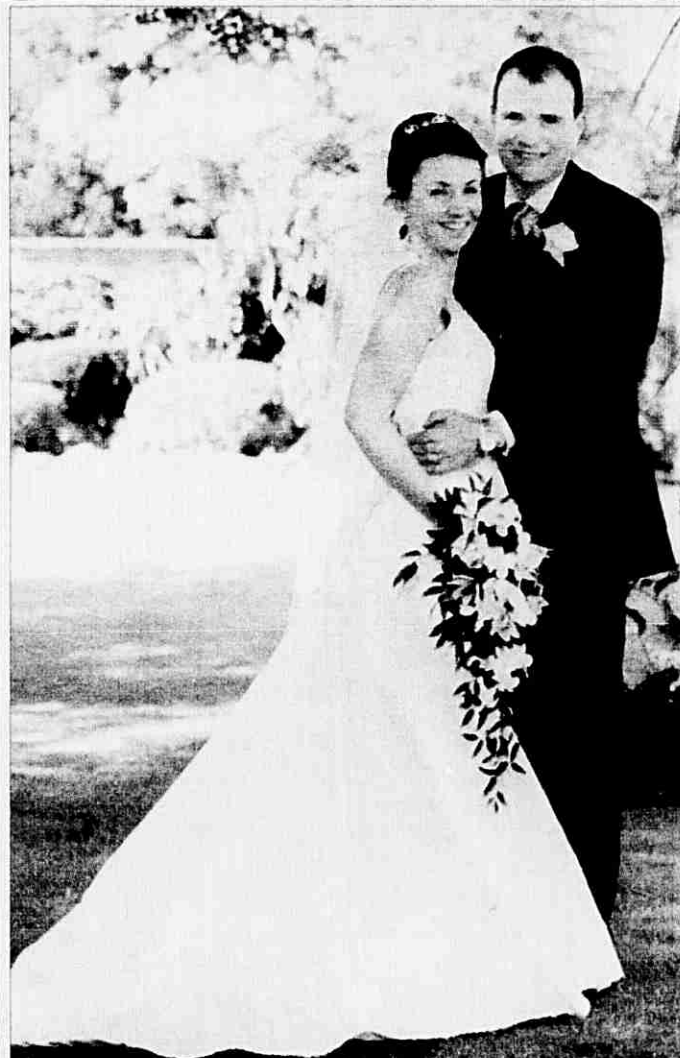

The accident occurred at around 12.20am on Monday morning last, on what a spokesperson from the Garda Press Office described as a dangerous stretch of road roughly two miles outside Tralee.

Both the deceased had formed a band called Scots Clan, based in the Castlegregory seaside area, and played regularly in pubs around Tralee. Carol was well known and liked in the Dungarvan area through her band - Carol and Geordie - who were a popular and regular fixture at the Moorings, Min-

### Sir Richard Musgrave 1757-1818

Sir Richard was the author of one of the most successful early works published on the 1798 Rebellion. He was son of Christopher Musgrave of Tourin House and Susannah Ussher of Ballintaylor House. Aged 21 Sir Richard was elected MP for the borough of Lismore. He was appointed receiver of the Customs in Dublin. In 1782 he married Deborah, daughter of Sir Henry Cavendish and soon after he was made a Baronet.

He was appointed High Sheriff of Co. Waterford in 1786. In 1794 he published "A Letter on the Present Situation of Public Affairs in London" and in 1796 "Considerations on the Present State of England and France". In 1797 the arrival of a new Catholic Bishop of Waterford Thomas Hussey, the collapse of agricultural prices and the activities of the United Irishmen in Co. Waterford alarmed Sir Richard. In the spring of 1797 Bishop Hussey published a pastoral letter criticizing Government policies towards Catholics and referring to the Church of Ireland as a "small sect" of political trimmers. Later that year

Sir Richard contacted the Government about what he perceived to be the treacherous activities of the Bishop and their impact on the peasantry. There was a drop in grain prices after the harvest in 1797, which affected the small tillage farmers in the lower Blackwater area. Farmers were unable to meet the demands and an oath-bound tithe strike began. Sir Richard stated that oaths were taken declaring loyalty to the French Convention. He also claimed that he had "written more in the public prints in 1797 & 1798 against treason

and sedition than any other individual in Ireland". Before the Rebellion was suppressed he published (under a pseudonym) attacks on people such as the Earl of Moira & the Duke of Leinster, he defended the army's role, and felt Government & Magistrates were in no way responsible for causing rebellion. Later in 1798 he published a pamphlet: - "To the Magistrates, Militia, and Yeomanry of Ireland". The following year he published: - "A Concise Account of the Material, Events and Atrocities, which occurred in the late Rebellion". His authorship was kept "a profound secret.... For I should be assassinated if it were known, as I attack with great virulence the abominations of popery". (To be continued in next week's issue).

## MONEYMATTERS

### CREDIT CARDS

Credit Cards have become a part of everyday life in Ireland. From paying for petrol, groceries, to entertainment. Paying for goods or services with your credit card may be cost effective, convenient and secure. It has become increasingly popular for Irish people to use their card when abroad. If you wish to use your credit card while on holiday, please bear the following in mind.

Obtain a PIN number for your card from your bank, which then can be used for the purpose of withdrawing cash. If your account is in credit withdrawing local currency may be cheaper than exchanging cash or buying travellers cheques. Ask about the availability of cash dispensing machines in the area you are visiting.

If you wish to shop online:

Only shop on well known sites or ones that have been personally recommended to you. Check that there are security systems in place so that you know that it is a safe environment to transmit your credit card details. Secure sites will have a padlock symbol on the bottom right hand corner. Find out the currency of payment and rate of exchange. Enquire if there are any delivery or VAT or Customs Duty applicable.

Further information about safe shopping on line available from The European Consumer Centre [www.eccdublin.ie](http://www.eccdublin.ie) Finally, whether shopping abroad when you are on holiday, or online from the comfort of your own home, beware of high interest rates that are charged for arrears on your Credit Card. Pay your balance in full at the end of each month. If you do run into debt inform your bank as soon as possible. ## Special Olympics Host Town Committees win Tower Hotel Excellence Award for June

The Tower Hotel Waterford Excellence Award for June has been presented to the four Special Olympics Host Town Committees in Waterford city and county in recognition of their huge input to the success of the 2003 Special Olympics World Summer Games.

The Bahamian team was billeted in Dungarvan in the run up to the Games; the Slovakian team stayed in Clonea-Power, Carrick-on-Suir and Rathgormack; the Filipino delegation was accommodated in Tramore while the Jamaican team and their mentors prepared in Waterford. The four locations were among 177 cities, towns and villages selected in November 2001 as official Special Olympics Host Towns.

Presenting the June award to representatives from each of the four Special Olympics Host Town Committees at a special lunch in Tower Hotel Waterford, Paul McDaid of the Tower Hotel Group said that the spirit of collective effort and volunteerism evident in the various centres where Special Olympians stayed prior to the Games was one of the most heartening aspects of the entire event.

"There was a lot of talk about spirits being raised and a new dawn breaking for Ireland during the Special Olympics but for me one of the strongest things to come out of the Games was the rebirth of community spirit in so many locations as people pulled together to ensure that no effort

would be spared to ensure a warm welcome for all of the visiting athletes, their supporters, families and coaches.

"The logistical challenge posed to so many communities by having significant numbers of people from diverse backgrounds and cultures living among them for a week or so was very considerable yet in location after location, people rose to the challenge and pulled out all the stops to make sure that their visitors would long hold fond memories of their stay. In many of the tv and radio interviews with athletes during the Games they recalled with fondness how they had been so well received in their respective Host Towns," Mr McDaid continued.

"Here in Waterford, there were four Host Towns and the city and county welcomed delegations from countries as diverse as Slovakia, Bahamas, Jamaica and the Phillipines. In each of the four locations involved, the Special Olympics Host Town Committees harnessed the tremendous goodwill that existed among their communities and created the warmest of welcomes for their visitors who were also facilitated in terms of training and leisure activities."

The award was made on the recommendation of the judging panel, consisting of Peter Doyle, Editor, Waterford News & Star; Paddy Gallagher, Editor, Waterford Today; Liz Reddy, News Editor, WLR fm; Damien Tiernan, South East Correspondent, RTE

and Kieran Walsh, Editor, The Munster Express.

The Tower Hotel Waterford Excellence Awards are designed to recognise excellence and achievement in six categories: Politics and Public Affairs; Business; Sport; Education; Arts, Culture and the Media and the Voluntary and Community sector.

In addition to the 12 monthly awards, the hotel will host an annual awards dinner at which an

overall winner will be named and the year's achievements recalled in a video presentation. The previous monthly winners in 2003 were the Minister for the Environment, Heritage & Local Government, Martin Cullen TD; Joanne Freyne, Ferrybank; the St John's Park Residents Association; the Credit Unions of Waterford and Tramore and Manchester Utd and Republic of Ireland soccer star John O'Shea.

# Black Day For Crystal

CONTINUED FROM PAGE ONE

said the equation with job losses doesn't add up.

"Osama Bin Laden, SARS, the Iraq war will be forgotten again," he said. "These are all snapshots in time, and the relationship between the euro and dollar will improve."

He said the cuts shouldn't be taken in response to short-term affects.

The company cited falling sales in the United States as the reason for cutting manufacturing costs to the tune of 18 million euros.

The measures will mean 129 temporary employees will not have their contracts renewed, and 105 voluntary redundancies will be sought from permanent staff. The company will seek the redundancies from manufacturing, management and support staff at Kilbarry and Dungarvan. A number of craft workers and semi-skilled workers are proposed to be let go along with 100 contract workers from the Dungarvan plant's 500 strong workforce.

## PAY FREEZE

A pay freeze will also be implemented, Chief Executive of Waterford Crystal, John Foley said.

The pay freeze would stop workers from receiving salary increases promised under a national pay deal – a move that would save the company eur5 million euros – and Mr. Foley warned unions he would fight for the measure, even if it meant going to the Labour Court.

Commenting on the job

cuts, Mr. Foley said: "I expect we will be able to achieve our targets through voluntary redundancies, re-deployment and a range of operational efficiency initiatives. Given these measures, combined with the power of the Waterford brand, we are poised to extract full value from future growth in our major markets."

Mr. Foley said the measures would ensure Waterford Crystal has a firm competitive platform, and the steps will allow them to compete with cheaper out-sourced products. "Currently we can source nearly 50% of the product at up to 30% less than we have been able to produce it here in our Irish plants," he claimed. "The steps we are taking today will allow us to compete, and we are committed to keeping our operations on a competitive footing."

The company is said to be set to invest 10.5 million euros to replace a tank furnace in Kilbarry - believed to guarantee that plants future for the next ten years – and reportedly a further eur5 million will be invested in other facilities.

Shop Steward at Waterford Crystal, Jimmy Kelly, described the proposed job cuts as "disgraceful".

"The AGM of this company on July 31st will announce profits for last year, yet we have this proposal coming to take jobs," he told yesterday's Irish Examiner.

## TASK FORCE NEEDED

Labour Party Deputy, Brian

O'Shea described the jobs announcement as devastating for hundreds of families in the area, and has called on the Tanaiste, Mary Harney, to establish a task force to help retrain and find jobs for the 234 employees.

"Waterford Crystal has been one of the major employers in the South East for many years," he added. "My hope is that this downsizing exercise ends soon and that the company will be able to grow again in a better economic climate."

"That is why we must ensure that those workers who were laid off today receive immediate retraining so that they can re-enter the workforce at the earliest possible opportunity."

Deputy O'Shea said he would be calling on Mary Harney to come to Waterford over the next few days to meet with company management, trade unions, and staff to discuss the way forward for Waterford Crystal, and for those who lost their jobs.

Meanwhile, commenting on the job losses, Sinn Fein spokesperson in Dungarvan, Brendan Mansfield, said they show the failure of the Government's PD led economic strategy, and the need for new thinking.

"The response of the Tanaiste and Minister for Enterprise, Trade and Employment, Mary Harney, to the daily toll of job losses is a mantra that each factory closure of workforce cut is 'devastating'. This has now become meaningless," he said.

"Workers and their families do not have to be told how grievous a blow it is to lose employment. What they want to hear from the Tanaiste and her Government colleagues is how lost jobs will be replaced and how sustainable employment will be put in place in the future."

## LOSSES

The job losses are the latest in a number of cuts at Waterford Crystal recently. In April, ninety-four mainly contract employees were let go, and last month all but 100 staff were laid off for a week as economic uncertainty caused by the Iraqi war coupled with poor exchange rates damaged the companies business in the US – the companies biggest market. The company later closed two of its plants in Stoke-on-Trent with the loss of 1,058 jobs.

Negotiations between Company Management and Unions Representatives were on-going yesterday (Tuesday), and agreement is not expected to be reached for another two to four weeks.

## Local Man Tragically Killed In County Kerry Traffic Accident

nies, Bridgie Terries, and Lord Maguire's over the winter months.

A third band member, from Northumberland, who was also in the car at the time, received serious injuries.

The trio were well known and popular in Castlegregory. They were travelling in a Volkswagen Passet when it tragically was involved in a near head on collision with a four wheel-drive jeep on a stretch of the Tralee/Dingle road at Tonevane which has been the scene of a number of accidents in the past.

The driver of the jeep and a passenger, both understood to be from the Kerry area, received minor injuries.

A Garda investigation into the crash was continuing yesterday (Tuesday).

The Dungarvan Leader wishes to express its sympathy to the family and friends and relatives of Mr. Walsh at this time.

## Cllrs. Were Paid Over €800,000 Last Year

KEVIN KIRRANE

Waterford County Council paid out over 800,000 euros to its twenty-three elected representatives last year, according to the local authorities 2002 Annual Report.

Each member of the council is paid at a statutory rate of 11,000 euros per annum by way of a representational payment – which came to a total of 260,547.61 euros for the 23 members.

The payment was made for the first time last year having been introduced under the 2001 Local Authority Act.

The initial payment, the annual report states, included a once-off amount of up to eur15,420 in respect of this entitlement which ran May 2000 to the 31st of December 2001. The total payment for representational payment in arrears totalled eur352,479.00.

In addition, Councillors receive an "Annual Allowance" which is also paid monthly in arrears. The purpose of this allowance is to reimburse Councillors for the expenses they incur in attending meetings on behalf of their constituents. Payment is based on a national scheme, and varies from Councillor to Councillor, dependant on the distance travelled from home to base.

Councillors are also entitled to claim expenses for attendance at conferences, and a further annual allowance is payable to Chairpersons of Strategic Policy Committees.

A total of eur110,486.05 was paid out to councillors as part of the Annual Allowance, eur88,901.78 paid for the Attendance at Conferences, and eur18,199.32 paid out to the Chairs of the Strategic Policy Committees. A further total of eur23,571.62 was paid in respect of the Cathaoirleach's/ Mayor's allowance for 2002.

Members of the public can obtain Waterford County Council's Annual Report for 2002 from the Civic Offices in Dungarvan.

## Driver Escapes Serious Injury After Lorry Shorted ESB Supply

KEVIN KIRRANE

The ESB are appealing to drivers of articulated vehicles to exercise due care around ESB poles and stays after an artic lorry collided with a stay, and shorted power in Dungarvan for around an hour.

A spokesperson for the ESB said the accident, which could have ended in tragic circumstances, occurred at the IDA Industrial Estate in Dungarvan, at around three o'clock on Friday afternoon.

The artic collided with a metal stay holding an ESB pole in place, and dragged the stay causing the pole to break, causing what the spokesperson said was a "dangerous electrical flash over."

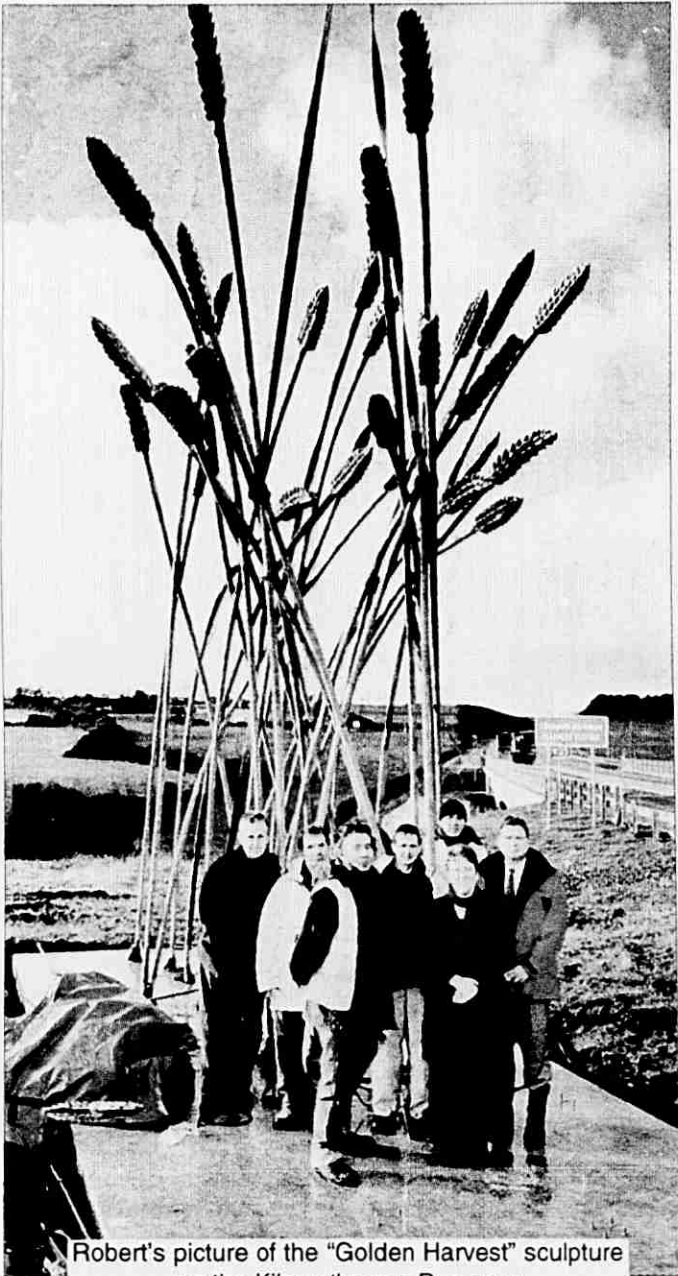

The 10,000 v/w electrical line shorted and as a result power was cut to in excess of 500 customers in the Dungarvan area. ESB crews were mobilised and power was restored within an hour.

"We would regard it as quite a dangerous situation to happen," the spokesperson said. "And we would appeal to drivers of articulated vehicles to exercise due caution around electrical lines, poles and stays. Luckily in this situation nobody was seriously injured, but as I said, it was quite a dangerous situation."

# Photographic Robert Power

An exhibition of travel photos titled "Journey" by Dungarvan based photographer Robert Power of Colligan View, Seandun, opened in the Old Market House Arts Centre, last night, Tuesday July 22nd.

The exhibition features pictures taken by Robert during his travels through Thailand, India, Nepal, Vietnam, Laos, Cambodia, Sri Lanka and Australia when he took "time out" for a years sabbatical a few years ago.

Son of Dungarvan's Mayor, Paddy Power and Judy Power, Lower King Street, Abbey-side, Robert was formerly a well known International Cyclist who represented Ireland at the Barcelona Olympics as well as in Junior and Senior World Road Race Championships, and he won National Road Race Championship titles in Juvenile, Junior and Senior during his career.

Married to Majella (nee Butler, Kilmacthomas) and with a two year old daughter, Mia, Robert grew up in a family with a great photographic tradition. His late Grandfather, Bobby Power from St. Brigids Terrace was a photographer at Nolans Chemist (later Connolly's) Main Street, and also worked in the dark-rooms processing black and white films with a one day turn around during the '30's, 40's, 50's and the early '60's.

So it was no surprise when Robert swapped the bicycle for the camera some time ago to concentrate on his photography.

His uncle Michael helped to encourage his love of the medium and also helped him to hone his skills in the dark-room.

In 2000, Robert did a City and Guilds course in photography at Waterford Regional College, and passed with a distinction.

Since then, he has been busy with the camera and one of his photos of the Golden Harvest Sculpture in Kilmacthomas received recognition in the National Media.

Robert, who has been working for some time at Noel Devereux, Mary Street, prints all

his own pictures, and all the exhibition prints were hand printed by himself. The colour photos were processed in an Ilford Dry to Dry Processor and for Black and White, Robert uses a Nova Deep Tank Handline Processor.

Over the last two years Robert has built up a solid base and has covered quite a few weddings and other sporting events in the area. For weddings he offers all the traditional shots as well as casual and candid photos both in colour and black and white.

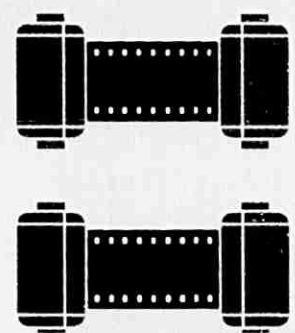

Robert is available for weddings or any other photographic work and can be contacted at Noel Devereux, Mary Street, Dungarvan on 058-41113; Home 41466; or Mobile 087-2438809. Bookings are being taken now for 2004.

The exhibition "Journey" will run until August 30th, and features 16x12 people pictures and landscapes in colour and black and white.

## Health Tips From Remedies VALERIAN

Valerian is one of the most useful relaxing nervines that is available to us. This fact is recognised by orthodox medicine as is shown in its inclusion in many pharmacopoeias as a sedative. It may be used safely to reduce tension and anxiety, over-excitability and hysterical states. It is an effective aid in insomnia, producing a natural healing sleep. Valerian can also help in migraine and rheumatic pain.

## Absence Of Government Strategy On Tackling Unemployment A Disadvantage For Those Out Of Work In West Waterford

— Says Councillor

In addition to the anticipated blow of job losses at the Waterford Crystal plant in Dungarvan, those out of work in the area will not be helped by flaws in the Government's strategy to cope with unemployment.

That's according to Dungarvan area Labour Councillor Fiachra O Ceilleachair, who says the cutting back of places on community employment schemes, the reduction in entitlement to the Back to Work Allowance, the failure to designate Dungarvan as a "hub" town under the national spatial strategy, the reluctance of the authorities to curb increases in insurance premiums and the Government's approval for price and charge rises in a range of services – so contributing to inflation – are all negatives for his constituents.

Cllr. O Ceilleachair has also expressed concern at recent comments from the Chief Executive of the IDA, Mr. Sean Dorgan, to the Dail Committee on Enterprise & Small Business, stating that the location of new industries would be focused on "hub" towns. The fact that the Government did not assign such a status to Dungarvan – in addition to the cutbacks in the budgets of the state's industrial development bodies – in Cllr. O Ceilleachair's view, increases the challenge for those working to promote the county town in terms of job creation opportunities.

Cllr. O Ceilleachair is also critical at the fall off of opportunities previously open to

Cllr. Fiachra O Ceilleachair

those out of work in the Community Employment Scheme (funding reduced by 58 million Euro this year with 5,000 places to be cut by the end of the year), the Jobs Initiative Scheme (300 places to go by the end of the year) and the Social Economy Programme (no new projects being approved in 2003). Such cutbacks will have an effect in Co. Waterford, Cllr. O Ceilleachair says. He also says it was very "shortsighted" of the Government

to have earlier this year restricted the Back to Work Allowance only to people who have been out of work for at least five years rather than one year, as had been the case.

Cllr. O Ceilleachair, through the Labour Party, will be pressing for the Government – in consultation with the social partners – to review its' strategy on unemployment as a matter of urgency.

## Cullen Announces Funding For Sewerage Schemes In Co. Waterford

KEVIN KIRrane

Funding of over €260,000 will be provided for a number of small Sewerage and Water Schemes, provided that the Local Authority or Local Interests can raise 25% of the total costs.

Making the announcement, Minister Martin Cullen said CLAR funding of €132,750 will be allocated for four small public water and sewerage schemes, and this funding will be matched by the Minister's Department on Small Public Water & Sewerage Schemes.

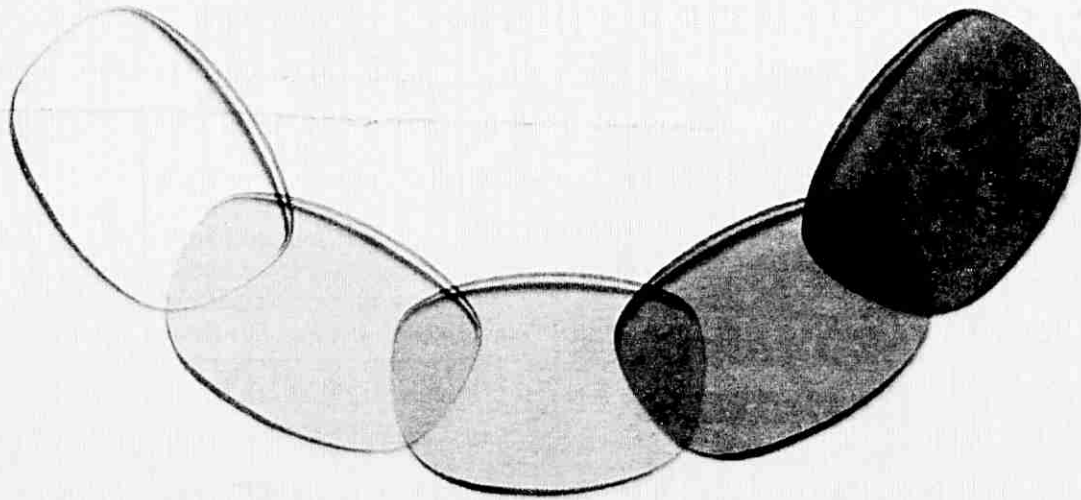

However, in line with the requirements for small public water and sewerage schemes generally, this funding is condi-

tional on the local authority or local interests contributing a quarter of the total cost. Local investment would bring the total funding for the schemes to eur354,000.

If the local funding is secured Lismore Sewerage Scheme, and water schemes in Ballyeaphy, Carrignagower and Monamon will be able to go-ahead.

Minister Cullen stated; "I am delighted that this significant funding has been made available for these schemes. This is another major step for areas of population decline in Waterford. CLAR is a key initiative that will assist in further rejuvenating parts of County Waterford."

## CULLEN SHOULD MOVE ON THE RING WATER ISSUE SAYS COUNCILLOR O CEILLEACHAIR

Waterford Environment Minister Martin Cullen should move quicker to ensure that Waterford County Council can effect its planned and long promised overhaul of the Ring Gaeltacht's water supply.

That's the firm view of that locality's Udaras na Gaeltachta representative Cllr. Fiachra O Ceilleachair, who is encouraging the area's residents to write to the Minister to encourage him to act on reports submitted to his department — the latest of which was in February of this year. Cllr. O Ceilleachair claims that problems with quality and quantity of water are ongoing in Ring and that the basic quality of life in some households is being affected by the absence, poor pressure or dubious standard of public water supply.

Cllr. O Ceilleachair has repeated his prediction that frustrated local residents could end up suing the local authority due to the severe inconvenience.

Restating views on an issue he says has been a "millstone around Ring's neck" for too long, Cllr. O Ceilleachair said: "The local County Council crew, despite their best efforts in trying circumstances, cannot correct the problems that regularly arise from an old and poorly supplied system. Various patch up jobs and temporary measures have led to no significant improvement. The lack of notice about what the local authority deem to be necessary overnight cut offs of supply is also an ongoing source of annoyance."

"The County Council have described the necessary works to properly alleviate the situation, dependent on full departmental backing.

This has been so long in forthcoming that it does not reflect well on Martin Cullen. I'd urge swift action on this issue before local people put the skids under the authorities in the courts. It should not have to come to that."

### It's a funny old world..... Brendan Grace Summer Shows at Park Hotel

Well it is when it's seen through the eyes of Brendan Grace, the sanctimonious priest who knows more than he's telling: "Blessed is she who gets married in the nick of time."

The drunken parent making a speech at his daughter's wedding:

"She could have married somebody with money. She could have married someone who was working. She could have married someone who wasn't working but willing to work."

The schoolboy with the unspeakable personal habits and a fine line of in sympathy pleas. Brendan Grace is all these and more.

Each cock-eyed portrait he paints has a ring of truth that brings audiences to the point of apoplexy.

Unique he is. But Brendan's material owes more to the best traditional stand-up comics than it does to modern alternative humour. Sure, his voices are the voices of the people, but the subtleties of a nudge, a knowing wink and a throwaway line are his forte.

And there is a sincerity about his act that endears you to him. You can't help but warm to his arm-round-the-shoulder, "I'm on your side, buddy" personality. You can't but escape the thought that if you met him in a bar, he would be your friend for life. It's called charisma. And Brendan Grace oozes with it. Who does he remind you of? You pick up hints of Benny Hill and Frankie Howard, with the unashamed innuendo that takes you to the brink of vulgarity but never drops you over the edge. This is shaded with a delivery and a timing that would do justice to Bob Hope and George Burns. Then, again there is a touch of the calculated lunacy of a Groucho Marx, and over it all in the side long glance from these hooded eyes and the puff of chipmunk cheeks, you see a remarkable resemblance to a young Orson Wells.

Even so, Brendan Grace is very much his own man, a man who is genuinely funny in his own right.

Brendan Grace plays Park Hotel, Dungarvan on Thursday 7th August at 8pm.

This is the club's fourth year in a row competing in the Munster Final. We would like to thank the girls for all the hard work they have put in. Keep it up - you are doing the club proud. Thanks also to Shane for his dedication and to the parents/supporters who travelled.

**Brickey Golf Society**  
Our next outing will be held this Friday, July 25th in Mitchelstown Golf Club. Tee time from 4 to 5pm.

### Ballyduff Community Council

Ballyduff Community Council met on Tuesday night last with a good attendance given that we are now in the holiday period.

The upcoming Harvest Festival was the main topic for discussion on the evening. Seamus Daly gave a comprehensive report on preparations to date and outlined some of the main features of this year's gala weekend.

It is hoped to stage a vintage tractor run on the Saturday evening of Gala weekend, as a precursor to Sundays events. Other new features this year will be a "Miss Blue Jeans" competition and possibly a heat of the National Culchie Competition.

Another "new" this year will be a power-point presentation on display in the Sports Hall which will outline the activities of all groups in the community. To facilitate this project we need all clubs to submit some photographs to Sue Parr for scanning. These will be returned to all clubs on completion. Our next festival committee meeting will be on Thurs 24th, all are welcome to participate and bring new ideas along.

The bottle bank in the Community field is now in good use, however it appears that some users have been littering the area with cans and other litter. We appeal to all to respect this facility which we waited so long for.

## STAY DRY IN THIS WATER GARDEN!

Water features are without doubt attractive, but they can be a lot of hard work. With climate changes making us all much more water conscious, why not consider a watery pool, meandering stream or shimmering fountain that doesn't use a drop of water. Virtual water captures the feel and look of water without actually including water itself. It relies on materials and plants, such as beads, stainless steel, stones, boulders, pebbles, gravel and plastic, to create an effective illusion of the surface of a water feature. These features are incredibly easy to maintain. The occasional clean should keep them not only eye-catching, but also breath-taking. There are different concepts you could adopt for

your individual garden, including dry riverbeds, pools and wet look streams. Here are some tips on how to create a reflecting pool. This type of pond can be created by trying to mimic the appearance of water using reflective, shiny material coupled with lush green plants. For the main pond itself, use mock granite (the type sold for fireplace surrounds), or anything resilient with a shiny surface such as perspex or even stainless steel. First dig some organic matter in to the ground to improve the earth for lush planting. Next, cut your material to shape using a jigsaw. Prepare a firm level area of ground by compacting the soil. If you have small children, they are bound to be tempted on to the finished pond, so it is important the base is firm enough to cope. Cover the pond area with

mortar. You could always use black cement dye (available from builders' merchants), so the mortar isn't too obvious. Press the cut-out reflective sheet on to the prepared base, check it is level and wait for the mortar to set. Arrange the surrounding stones to give an attractive edge. Secure larger stones with a bit more mortar, and secure the marbles with fast-setting crystal clear epoxy. Plant up the surrounding area with water-suggestive plants such as creeping jenny and angel's fishing rods. You can plant ferns in the shade and remember to try to include a lot of big foliage effects. Mulch well with gravel or decorative slate chippings to keep moisture at the roots.

Virtual water: A fountain of steel spirals is reflected in a virtual pond of stainless steel. Pearly marble splashes lap the pool edge.

### This week in the garden

Feed plants in growth  
You should feed all plants that are making rapid growth as you were doing in May and June.  
Remove grass box from lawn mower  
During July and August, when the weather is hot, it is a good idea to remove the grass box from the lawn mower and let the tiny clippings fall on to the lawn. They will act as a mulch and protect roots from scorching.  
Summer-prune wisterias  
Wisterias that have filled their allotted space can be induced to flower freely year after year without making a lot of new growth by summer and winter pruning. Now is the time for the first of these operations. Shorten all side growths formed on the main branches to six leaves each.  
Summer-prune roses  
Bush and standard roses of the large flowered type need a light summer pruning now the first flush of flowers is over. Cut stems that have flowered back to about two leaves. Then give the beds a dusting of any good compound flower-garden fertiliser and hoe this in.  
Prick off and pot primulas  
Greenhouse primulas sown in mid-June will need pricking off. Return them to the frame or greenhouse after potting and shade from strong, direct sunshine.  
Sow spring cabbage  
Now is the time to make a first sowing of cabbages for use in spring and early summer.

# Ridgeway Homes Submit Further Information On 90 New Ardmore Homes

## Controversy Over Location Near Round Tower

**Kevin Kirrane**

Ridgeway Homes have submitted further information on their plans to construct ninety new houses at Farrangarrat, Ardmore, on a site some residents claim is part of a mass burial grave dating back to the siege of Ardmore Castle in the 1640's.

The proposed development is for a site of around 16 acres, which the County Wexford based developers have agreed to purchase for an undisclosed sum from Mr. Michael Ruane on condition of planning permission being secured.

The application already appears to have split the local community down the middle with a number of submissions

made for and against a development located within 150 metres of Ardmore's Round Tower.

Following Ridgeway's planning application, Waterford County Council sought further information, and this was provided last Friday.

According to Niamh Doyle of Lennon, O'Keefe, Doyle - the architectural firm who drew up the plans - the information clarified a number of outstanding issues.

### ARCHEOLOGICAL IMPORTANCE

The development has been subject to two separate appraisals by Duchas, focusing on its impact, and a complaint to Waterford County Council that Duchas had not been invited to

be involved in pre-planning talks with the developers.

In his first report, Duchas' Development Officer, Prionsias De Batuin warned against the developers routing of sewerage works to the east of the site.

He said he was opposed to "any development at all" in this eastern field, which he said held earthworks of significant archaeological importance.

In his most recent report, however, Mr. De Batuin says "development per se" would be "inappropriate" in this field, but having visited the site, "we are not opposed to the proposal for a temporary pipeline".

He said his understanding was that the temporary pipeline would lay on the surface, and no excavation works would be necessary. The pipeline would be removed once Ardmore's Sewerage Facilities are upgraded.

In the further information provided by Ridgeway, the site is said to include the provision of a temporary effluent "treatment plant", and associated site development work, and it is unclear as yet whether this complies with Duchas' second assessment of a ground level pipeline.

Speaking to the Dungarvan Leader, Ms. Doyle said the plans for the sewerage pipeline have been looked at, but further designs still have to be completed and more details need to be clarified.

### CONCERNS

The sewerage pipeline is just one of a number of concerns raised about the development. In its objection, An Taisce viewed the development as being out of scale, inappropriately located, and contrary to the proper sustainable development of Ardmore.

One local resident, meanwhile, who submitted an objection, said she was "alarmed" at the proposal, while another claimed "local knowledge" pointed to the site as being part

of a mass burial grave dating from the siege of Ardmore Castle in the wars of the 1640's. Others say the development would run contrary to its zoning for sensitive residential development.

### SUPPORT

However the development appears to have split the local community down the middle, with a number of people from the area taking the rare step at planning stage of making submissions in its favour.

According to one resident's submission, the young people of Ardmore need the development, as it would provide affordable housing. Other residents say the development would create employment opportunities for tradesmen.

A separate petition lists around 24 names of residents in the locality who are in favour, while a third individual submission in favour of the development says it would improve entry to the village, and enable young couples from the area to buy affordable homes.

### RESIDENTIAL ZONING

The housing is proposed to be located approximately 150 metres west of Ardmore's Round Tower and ecclesiastical centre. According to Duchas' most recent report, Mr. De Batuin states that he is satisfied that the amenity impact of the development can be mitigated through the use of appropriate, dense and high landscaping, especially on the Western and Southern boundaries of the development.

The development is proposed to have two entry points - one along the Southern Boundary to serve the thirty houses on the most elevated area, and a second access from the northern boundary at the road at Cleary's Cross.

Ridgeway's revised plans are available for inspection at the planning offices of Waterford County Council.

**Why Do Some Plants Have Flowers?**

Flowers contain the plant's reproductive organs which have a most important task - to generate seeds to give life to new plants. The male organs of the flower, the stamens, produce pollen, which is made up of tiny little grains of powder, usually yellow. These grains of pollen, carried by the wind, by water or by animals, become intercepted, by the pistil, the female part of the flower, and these reach the ovary. Seeds form when the pollen comes in contact with an ovule - that is, when an ovule has been fertilised.

**The Pistil**

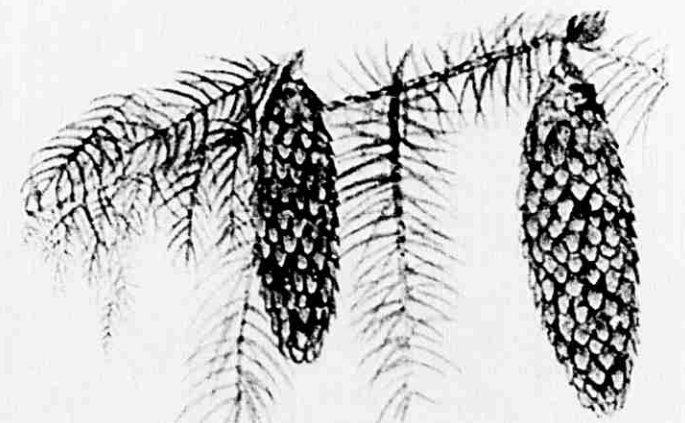

At the top of the pistil there is the stigma, a sticky swelling which catches the pollen. Below this is the style, along which the pollen descends towards the ovary at the centre of the flower.

**The Ovule**

The ovule is inside the ovary. It is here that the fertilisation takes place to begin the development of new seeds. From this moment, the ovary is transformed into a fruit.

**HOW WHEN WHAT WHY**  
**Why are flowers perfumed?**

Flowers are perfumed because their petals contain essential oils, widely used in the manufacture of perfume. The oil of the rose, violet and jasmine are the ones most widely used, for medicines and disinfectants, as well as perfume. A flower's perfume also attracts pollinating insects, such as bees and wasps. However, there are some flowers which have an unpleasant smell. For instance, the Stapelia, in order to be pollinated, attracts flies with a smell of bad meat.

**Which Are The Plants Without Flowers?**

Conifers reproduce by keeping their seeds in cones. These plants have male cones (the smaller ones) and female cones. The pine cone of the Conifer tree protects the little pines by its woody scales.

Ferns are reproduced by spores, microscopic cells which drop from the underside of the leaf. The spores germinate and develop into tiny, usually heart-shaped plants which contain the male and female cells ready to create a new plant.

Mosses reproduce by spores, too. These are contained in small capsules at the ends of stems, central tubes of the stems. Each spore can give life to a new plant.

## Inter-community Litter Challenge, 2003

Last week saw two great semi-finals taking place in the Village section. Here's how the ties went:

### Ballyduff Upper (93) beat Dunhill (92)

Ballyduff Upper squeezed through to the final with another one point victory. The whole village was in excellent condition, with only very minor litter to be seen. Dog fouling and cigarette butts very the main items of litter, but only in very minor quantities. Ballyduff has been good progress throughout the duration of the competition, and if they can keep up the good work for another two weeks then they must be in with a great chance of regaining their title.

Dunhill was also in excellent condition, and has also made good progress during the competition. The hill up to the church was again litter free, and the green area in the new housing estate looked very well. The area opposite the school where the Eircom vans park had tea bags and other litter, and this made all the difference against an opponent as strong as Ballyduff. It was an excellent campaign from Dunhill, however, and they exit the competition with a consolation prize of 250.

### Aglis (89) beat Stradbally (80)

Aglis was in good condition again, but slipped back marginally from the high standards of the previous round. Dog fouling was in evidence in the village, and there was some litter on the estate, but apart from these items the village was very well presented. It should be a cracker of a final next week as Aglish and Ballyduff Upper jointly share the highest scores awarded in the competition so far (93).

The centre of Stradbally was presented to its usual high standards, but some of the peripheral areas were lightly littered. The school, the church and the older housing estate all had minor litter, and at this stage of the competition that's all that makes the difference. And so a good campaign from Stradbally comes to an end, but it's safe to assume that they'll be there or thereabouts again next year.

The final between Ballyduff Upper and Aglish takes place during the week commencing 28th July. This week the final of the town section is being played with Lismore taking on Tallow in a local derby. Winners take a first prize of 1500, runner-up gets 500. Watch this space.

## Environment Today

### Bold Steps To Tackle Litter

Recently Minister Cullen (Minister for the Environment, Heritage & Local Government) identified new steps to tackle the litter pollution problem in the country, specifically 'problem products' including chewing gum, Bank ATM receipts and polystyrene wrappers.

### Environment Tax/Levy

Minister Cullen is in favour of the 'polluter pays' principle. This means that people who purchase or use certain products with a high ecological footprint (unsustainable impact on the environment) should pay extra for the correct disposal of the products. These products are expected to have a 5 - 10 cent levy placed on them. Monies that will be raised will be included in the Environment fund and used for environmental initiatives. Minister Cullen hopes to bring these anti-litter proposals to Cabinet in the autumn. Check out [www.environ.ie](http://www.environ.ie) for further details.

### Perfecting our Recycling Habits

Currently 29% of domestic waste in Co. Waterford is recycled. This compares with the national average of 13%. Well done Waterford! By

'Perfecting our Recycling Habits', we can achieve higher recycling rates to ensure that more recyclable materials are diverted from landfill. Here are the first 3 steps in the series.

However we can only do this with your help!

Step 1: KERBSIDE CLEAR SACKS & RECYCLING STICKER

ONLY the following items should be placed in the clear Recycling Sacks: Newspapers, cardboard, magazines, milk/orange juice cartons, 'tetrapaks' drink cans, food tins, plastic bottles, plastic containers and wrappers.

To ensure collection, a recycling sticker should be attached to your recycling sack.

Step 2: WASH & SQUASH PLASTICS

Plastic bottles that had liquids or other materials in them should be washed and

squashed prior to placing them in the recycling sack.

Step 3: FLATTEN CARDBOARD BOXES

Flatten any cardboard boxes or washed drink cartons as the more materials that fit into your kerbside recycling sack the better value for money. Remember: all recycling sacks should be clean and dry. If the materials inside get wet, they cannot be recycled.

COMPETITION FOR A MONTHS SUPPLY (8) OF RECYCLING SACKS & STICKERS

What are the first 3 steps in perfecting our recycling habits? Answers (including your name and address and contact telephone number) should be sent to the address given below within the next 7 days. Also, please state the name of the newspaper in which you read Environment Today.

# STRADBALLY NEWS

### Disability

To celebrate European year for People with Disabilities a special Mass will take place in Holy Cross Church, Stradbally on July 23rd at 6p. It is hoped that everyone will make the necessary efforts to organise transport for those who need it. The Mass is also a chance for senior citizens to meet and renew acquaintances, especially for those who for one reason or another are unable to attend Mass on a regular basis. There will be a blessing with oil during the Mass for all those who wish to avail of it. There will be a special welcome for all the local athletes who did so well at the recent Special Olympics Summer Games.

### Altar servers

During the holiday season the rota for altar servers can be upset. The arrangement is that if one is unable to attend an effort should be made to get a replacement. The current rota will stand until the schools reopen in September.

### Sympathy

Sincere sympathy is extended to Margaret Fitzgerald nee Galvin of Rockville, Stradbally on the death of her father, Billy Galvin, Carrigcastle who died in St Bridget's Hospital, Carrick-on-Suir last Sunday.

### Exposition

There is exposition in Holy Cross church every Wednesday from 10am to 1pm. There has been a favourable response but there is room for improvement all the time. The exposition will be held on Tuesday, July 29th because of the parish outing on Wednesday, but will revert to Wednesdays on the following week.

### Catholic Papers

The weekly Universe and Catholic Times will be available free for a few weeks as the publishers are anxious to increase their readership. There is also the Irish Catholic which a number of people take on a regular basis. Extra readers for this would also be welcome.

### Faha

The preferred times for the weekly Holy Hour in Faha Church is 2.30pm to 3.30pm each Friday. This is in preparation for the bi-centenary of the Church. Enda Farrell of Graun was a happy man on Sunday after the great victory of Laois footballers.

### Traditional Irish Music

It was a very successful weekend for the Clancy family of Island at the Munster Fleadh in Skibbereen, all performing at the top of their class. Indeed the experts tell us that the standard of the younger musicians was never so high. Bobby finished third with the melodeon, U15. Brendan was second with the mandolin, U1 (The mandolin belongs to another local traditional musician, Richard Dunford). Noel was also second U18 with his melodeon. Brendan and Noel have now qualified for the All-Ireland Finals. We can hear these talented musicians in O'Mahony's on Friday nights. They will also be playing at the bank holiday weekend at the Stradbally Ceól agus Craic outdoor stage in Stradbally Cove (Weather Permitting!). Their success is the fair reward for the long hours

of practice.

We are looking for some volunteers to help load, assemble and later dismantle the stage for the Ceól agus Craic. If you would like to lend a hand, don't be shy about coming forward, just contact Tom Hickey

### Whist

There will be Whist as usual on Friday evening this week starting at 8.15

### 'CEOL & CRAIC' FESTIVAL

Before you know it the Annual Stradbally Ceól & Craic Festival will be upon us once more on the August Bank Holiday weekend. Now in its fourth year the Festival has gone from strength to strength. Set up by local volunteers as a celebration of traditional music and dance the Festival has gone from modest beginnings to a good sized event in a very short period. The weekend kicks off on the Friday night (Aug. 1st) with a trad seisiún at O'Mahoney's Pub in Durrow (no cover charge). On Saturday morning Stradbally Community market sells the very best in local baked goods, produce and crafts and is open from 10.30 a.m. until noon at the Barron Hall. Saturday evening guest musicians will perform at Whelan's Pub in Stradbally village from approx. 9.30 p.m. (no cover charge).

### FAMILY FUN AT TRADBALLY

Sunday and Monday are fun days for all the family. On Sunday afternoon (2p.m. - 4p.m.) there is a free open air event taking place at Stradbally Cove with performances from Irish dancers, set dancers and sean nós dancers with an excellent line up of musicians led by Tomás Clancy and his talented family. From 6 p.m. a barbecue will be held in the courtyard at Whelan's Pub. Caroline's Café will also be open serving tea, coffee confectionary and light snacks. On Bank Holiday Monday Stradbally is the place to bring the kids, take the kids to the beach and then visit the Summer Arts and Crafts Fair at Stradbally GAA Club (1 p.m. - 5 p.m.). There will be a bouncy castle and face painting for the kids. All children must be accompanied by an adult. Summer Fair inquiries to Brigid Drohan 087-2435863.

### WANT TO TAKE PART?

If you are a musician, singer or dancer and want to take part in the 'Ceol & Craic' Festival, please contact Deirdre Clancy at 051-293243.

We welcome all ages and all levels of expertise from soloists to set dancing groups. We can promise you a cup of tea and a sandwich at the very least! If you are a non-National but think you can contribute musically with your own traditional music song or dance we would love to hear from you - as Deirdre puts it "the more the merrier."

### STRADBALLY TIDY TOWNS NEWS UPDATE

On Thursday 10th July the Stradbally Tidy towns Committee and Stradbally AFC Committee got together to organise a very pleasant social evening at O'Cuirrin's Lounge. The event was organised to pay tribute to Des Page, Manager of the County Development Board Dungarvan, who is leaving Waterford to take up a similar post in Kildare.

A presentation was made by Joe Curran, Vice Chairman of Tidy towns in thanks for the help the committee received during the preparations for the Entente Floral competition. A similar presentation was made by Liam Connors standing in for Chairman Eamon Clancy on behalf of AFC. The Stradbally

AFC committee had got valuable assistance in preparing for their project of their grounds.

The ladies of the committee prepared tea and refreshments following the speeches and presentations for all those who attended.

The Tidy Towns Officers who travelled to the Aras on Wednesday had a very enjoyable day at the President's Garden Party. After meeting the President they were treated to a tour of Aras An Uachtarán. The Stradbally group was delighted to have been able to present the President with a copy of the video of her visit to Stradbally in March of this year.

The Committee would ask that residents and visitors be aware that we are coming into the final weeks of both the Litter Challenge competition and the final judging of the Tidy Towns competition. We are pulling out all the stops to have Stradbally litter free and looking its best when the judges arrive. The Tidy Towns judging is usually between the 1st and 10th August.

On Saturday evening while Colm Bonner was being interviewed on RTE television the president of the Kill GAA Club Mr. Tommy Mooney was clearly visible in the shot. I'm sure the club will be absolutely delighted to have one of its distinguished officers appear briefly on National Television. Also in view were John Raheer and family of the Dunhill GAA Club.

### Golden Jubilee

Congratulations to local priest Fr. Michael Duggan who celebrated his Golden Jubilee over the weekend with family and friends. Fr. Michael has spent 50 years of his life as a priest and has been a great ambassador for the Catholic Church. Wishing him many many more years in his vocation.

The Science of Farming and Food

#### CALF MANAGEMENT: Keep Calves Thriving

High performance in calves at grass is hugely efficient in terms of cost of gain and impacts very positively on lifetime gain and on profitability. A deficit of just 25 kilos of liveweight in weanlings at housing will cost 30 to 40 either in extra feed costs or in lost sale value whenever the cattle are sold.

Whether in dairy beef or suckler situations there is no difficulty whatever in dropping 25 kilos or more of potential gain just through average rather than good grassland and animal management. There need not be anything obviously wrong, just small imperfections or oversights along the way.

#### Dairy Calves at Grass

A Grange trial by Gerry Keane found that calves grazed in a leader/follower situation weighed 50 kilos heavier than calves grazed in their own separate area throughout the grazing season. There was no recovery of this deficit later in life where the animals all received similar treatment. The reason for the extra gain is predominantly nutritional and relates to the quality of grass eaten as opposed to offered to calves.

Forcing calves to graze out paddocks to what would be considered normal levels for other cattle (6 cms) reduces digestibility, intake and performance. Leader/follower routines are rarely found on farms because the performance of the follower animals is reduced and that is not acceptable in either dairy cows or in growing beef cattle.

The benefits of the system to calves can be obtained by more liberal use of the topper, and possibly by utilising non pressured animals such as in calf heifers or dry cows to clean up.

It is very worthwhile putting effort into supplying bucket reared calves with a constant and liberal supply of good quality grass. They will never again put on weight as cheaply.

Well done Feb/March born male calves should weigh in excess of 250 kilos at housing.

#### Suckled Calves - Creep Graze

In mid-season, suckled calves are switching from milk to grass as the main source of nutrient. At the same time grass quality is falling off and it can be hard to maintain a supply of lush material for a cow herd. Forward creep grazing of calves is the answer. Merely lifting the wire to a suitable height and allowing calves to access the paddock in front of the cows dramatically improves the quality of material on offer. In this case the cows clean up very well and it becomes a win-win situation. This approach has the added benefit of reducing the cow-calf bond and lessening to some extent the distress suffered by calves at weaning time.

If it is desired to further increase calf performance by concentrate feeding, a trough in the forward creep area is a cheaper, more controlled and more efficient means of supplementation than the more commonly used creep feeder, where control is impossible and intake varies from calf to calf.

#### Parasite Control

Internal parasites are the other big factor in calf performance. With bucket reared calves a good routine is essential. It can be 3-weekly dosing, an avermectin programme or a bolus, done properly all are effective. Cost differences are more associated with convenience than efficacy.

#### Shop around for value.

From July on hoose becomes a big issue. Hoose is less predictable than stomach worm, constant vigilance and prompt treatment are the best remedy.

Suckled calves are less exposed to stomach worm than are dairy bred animals and require less dosing. They should get a dose in July if not already treated. The hoose approach is the same as for dairy calves, watch carefully and treat quickly. In suckled weanlings hoose can lead to or be confused with virus pneumonia, if there is no response to a treatment call the vet.

#### DAIRYING: Autumn grazing:

To lengthen the grazing rotation in Autumn, extra grazing will have to be brought in on the 10th September.

- To do this the "3rd Cut Silage for Grazing" will need to have been closed up 42 days before 10th September.
- That means 25-29th July.
- The 2nd cut silage should be taken by this date and fertilised with 60-70 units of nitrogen.

-Depending on stocking rate, 15-20% of the farm should be treated this way.

- If a 2nd cut is not being taken, then this area of ground should be topped very tightly and get 50-60 units of N on the 25th-29th July.

#### Cost Savings:

These are needed to counteract the lower milk price.

- Plan to have grass for grazing in Nov/Dec (dry land) so that you need no silage or slurry storage for 2 months.
- No meals to cows -Unless very high yielding herd.
- No meals to calves -A little, to small ones.
- Opt for cheap doses for calves -Yellow or white.
- If stocking rate isn't too high, reduce nitrogen per round by 20-25%.
- Spread nitrogen once per month on the whole paddock ground.
- Don't cut any 2nd cut if you have enough silage.
- Graze it. -Saves a lot of money.
- Use night rate electricity.

## EU PROPOSALS ON ANIMAL TRANSPORT DETRIMENTAL TO IRELAND —Deane

### IFA Convenes Meeting of Live Exporters

IFA National Livestock Committee Chairman Derek Deane said today (Wednesday) the proposed rules on the Transport of Live animals from EU Commissioner David Byrne will prove to be very detrimental to the important live export trade from Ireland to Europe. He said new stricter rules

would be extremely damaging to Ireland and will severely restrict our access to the EU single market for live cattle.

IFA have called a meeting of live exporters for Friday to discuss the new rules and to plan Ireland's strategy to defend the live export trade. Mr. Deane said Commissioner

Byrne has not taken account of the scientific data and facts relating to animal transport and welfare in these new proposals. "They seem to be based on the arguments put forward by the animal rights lobbyists to restrict or limit the live trade based on perception and emotion rather than on real scientific facts relating to animal transport and welfare."

The IFA Livestock leader said the proposal to abolish staging posts and restrict transport to a maximum of nine hours followed by an eleven hour rest period with another nine hours travel and so on, makes no sense from an animal welfare perspective.

Mr. Deane said the proposals to insist that animals remain on the trucks for the entire journey including the resting period combined with much higher stocking densities will make the entire roll on/roll off transport operation from Ireland to Continental Europe financially unviable. "In other words, these proposals will put the roll on/roll off live export trade between Ireland and Europe out of business".

Mr. Deane said Teagasc in Grange, Co. Meath have pioneered major scientific work on animal welfare and transport, which proves that the transport of animals over long distances has no adverse affect on animal welfare based on scientific measurements. In additional Teagasc concluded that there was no animal welfare advantage in transport animals at a higher stocking density from the current level.

Mr. Deane said the live export trade plays a crucial role in terms of price competition and market outlets for the Irish beef and livestock sector. He said with Irish cattle prices consistently at the lower end of the EU price league, price competition provided by the live export trade is essential to livestock farmers.

In conclusion, Mr. Deane said account will have to be taken of the sound scientific analysis carried out by Teagasc as well as Ireland's unique peripheral location in any recommendations on animal transport. He said Irish farmers must have guaranteed access to the EU single market for live cattle.

### DILLON TELLS TRADE COMMISSIONER THAT EU MUST GO ON OFFENSIVE AGAINST US SUBSIDIES IN WTO TALKS IN SEPTEMBER

IFA President, John Dillon was among a number of farm leaders that met with EU Trade Commissioner Pascal Lamy in Brussels on Friday. Mr Dillon said he had impressed on the Commissioner that the EU cannot go beyond the CAP Reform decisions in the WTO negotiations in Cancun, Mexico in September.

He said he had warned the Commissioner that European farmers would not pay twice following the cuts in the CAP Reform agreement in Luxembourg.

Mr Dillon called on the European Commission to send a strong message to the US and the other WTO countries that the EU had gone to the limits in CAP Reform and not a euro more would be conceded at the Mexican ministerial meeting.

He said he had also called on

Commissioner Lamy to demand that the US put its full farm subsidy budget on the table including its export support loans.

Mr Dillon said for 20 years the Americans have castigated and tried to undermine the Common Agricultural Policy at every opportunity. He said from now on Europe must go on the offensive and pursue all American subsidies.

Mr Dillon also warned against the risk of agriculture being sold out to big business and multinational food companies in the negotiations. He said there could be no question of trading agriculture for industry and services in the negotiations. He said agriculture was essential for the survival of rural Europe but there was a real danger that the interests of big business would be put first by EU governments.

# RECENT DEATHS

## Late Kevin D'Arcy

The locality woke up on July 2nd to the sad news of the passing of Kevin D'Arcy, 5 The Grove, Abbeyside and late of Urlingford, Co. Kilkenny at Waterford Regional Hospital. Only days earlier he had returned from holidaying in Canada, hence his untimely passing cast a gloom over the locality. Aged 81 years and a native of Urlingford, Co. Kilkenny, Kevin was predeceased by his wife Nan in 1977. A wonderful businessman who introduced the concept of a supermarket to the town, Kevin was a man of great energy and vision. For close on twelve years he managed a shop at Shandon Street. He loved his crosswords and snooker and was for many years a cornerstone in the Vintners Association. He gave generously when it came to sponsorship. A leading light in golfing circles, he was a former Captain of Dungarvan Golf Club and was a founder member of Junior Alliance.

He gave sterling service as

barman at the men's club in Abbeyside. An excellent conversationalist, his outgoing personality and his many fine qualities endeared him to one and all. We sympathise with his sons Tom and Kevin, daughters Ann and Phil, sons-in-law Paddy Murphy and Rob Siroishka, daughter-in-law Breda, brother Sean and sister Betty, his nephews, nieces, relatives and many friends.

Reposing at the Kiely Funeral Home where following prayers shared by Fr. Doherty P.P., the removal took place to St. Mary's Parish Church, Fr. Doherty P.P. was assisted by Canon O'Mahony P.P. and V. Rev. Fr. Tom Flynn P.P. His golfing friends provided a much appreciated Guard of Honour. On Monday Fr. Doherty P.P. celebrated the holy sacrifice of the Mass at which son Tom and grandson-in-law Richie Walsh read the lessons.

Prayers of the faithful were recited by Ciara and Deborah Murphy (granddaughters), Kevin (son), Andrea Walsh (granddaughter) and Phil Siroishka (daughter).

The offertory gifts of a golf club, dictionary, water and wine were brought to the altar by Andrea, Eoin and Abbie (grandchildren). After Holy Communion, son-in-law Rob and granddaughter Abbie shared moving and very personal eulogies. It was obvious Kevin D'Arcy meant so much to his family, a loving father and a grandfather who was so special to his beloved grandchildren and great grandchild.

Music was played and sung by Lorna Murray (nee Daly), afterwards the interment followed in St. Laurence's Cemetery, Ballinroad in the presence of a huge concourse which also

included his grandchildren Andrea, Deborah, Ciara, Eoin, Ross, Abbie, MacKenzie and great grandchild Hannah Walsh. (Funeral arrangements by James Kiely & Sons Funeral Directors).

### TRIBUTE

#### By Rob Siroiska

Well Granddad, I prayed that this time of your passing would not have happened but now I have to try and express how you enlightened our lives in best way that I can and I only have a moment to do it in! An impossible task for anybody.

Who is Kevin to me?

Kevin is the father of Tom, Anne, Kevin and my wife Phil, granddad to Andrea, Ross, Deborah, Ciara, Eoin and my two children Abbie and MacKenzie.

Great granddad to Hannah, father-in-law to Paddy, Rob and Breda. He is my friend, my father-in-law, he is family.

What is a father, father-in-law, granddad, great granddad. "Well judging by you granddad".

A father, father-in-law, granddad, great granddad is a mentor, leader, someone to hug, someone who listens, a man who shows respect and one who has earned dignity. Characteristics you got all A's in.

This leads me to the question? How do you fill the shoes of such a great mentor, leader, someone who gave out great hugs, someone who I wanted to listen to, the one who showed respect, the one who earned dignity.

The man you are Granddad Is it your upbringing that develops these characteristics? Is it something you searched for the answers to? Maybe - your love for life and family that you displayed everyday.

And well judging by you Kevin.

The only answer I could guess of right now is that all the above are the answers and a good man must try harder everyday to be better and must undoubtedly make it look effortlessly without once complaining.

Like you did Dad Over the few but fantastic years that I got to know Kevin, he brought Ireland and its people to Canada every time he visited, his generosity, his humbleness - his love for potatoes, which had me running to the store every two days and the kindness he spoke of his family and you his friends.

Who wouldn't want to be around a man like this?

There was such a way about this man that I know his spirit will live on for a long time and so dad, granddad, great granddad, Kevin a few ways we will be able to remember you are:

Your brilliant blue eyes that sparkled and your smile as you strolled into the airport after a 22 hour journey. How excited you got to unpack gifts for all and then sit there and tell us how well everyone was doing. You were the only man who I know that bowed before a T-shot! I know you said it was your hips and that one leg was 2 inches shorter than the other but I knew it was for the love of the game.

Every time we tickle our children and hear them laugh, we will remember how you laughed when we tickled you.

Your favourite TV show like Law & Order along with all the game shows.

We will remember how you and David on your last couple of years of golf together did what you could to get out for a game. Even if it meant teeing off from the next closest tee box after the last hole. Sunday dinner at Anne's House, your love for life and family, the fierce competitor you are and last but not least we will remember you for being the best father, father-in-law, granddad, great granddad, that you could be, and for that we all thank you.

On behalf of us all good night, God bless and say hi to grandma Nan. We all love you.

## Late Jerry Dee

It was on Thursday, 10th July, 2003, that Jerry Dee, Clogherane, Springmount, Dungarvan, passed away. He had just completed his daily walk during which he had paused now and then to chat with neighbours and friends as was his habit. He collapsed just outside his home suddenly and passed away without any suffering or pain. It was not widely known that Jerry had borne his final illness for ten years without complaint.

His last years were truly content and he fulfilled lifelong ambitions of travelling in Italy and France with his constant companion, his wife Mary of 41 years. He has left behind an emotional void that can never be filled. However, for his family and friends he has left behind a golden treasury of warm and happy memories, old school friends, rivals in the swimming club, members of Dungarvan Pipe Band of which he was co-founder, former customers, strangers who benefited from his acts of kindness and all who came in contact with him will each have their own special memories of Jerry to recall and cherish. He will be truly missed. May he rest in peace.

His remains were removed from Drohan's Funeral Home on Friday, 11th July, 2003 to St. Mary's Parish Church where they were received and blessed on arrival by Fr. Matt Cooney O.S.A. C.C., W.J. Dee (brother), Canon O'Mahony P.P., Pat Fitzgerald P.P., Fr. Doherty P.P., Fr. Creed P.E., Fr. Slater O.S.A., Fr. O'Callaghan O.S.A. and Fr. O'Riordan C.C. and followed by a large and representative cortege of mourners.

Following requiem mass on Saturday, 12th July, 2003 celebrated by Fr. Matt Cooney O.S.A., Fr. W.J. Dee (brother),

Fr. Hickey O.S.A., Canon O'Mahony P.P., Fr. Doherty P.P., Fr. Creed P.E., Fr. Lucey, Canon D. O'Dwyer, Fr. O'Callaghan O.S.A. and Fr. D. Slater O.S.A. Interment took place in the Old Church Yard cemetery. The mortal remains of Jerry lie in the grave, his memory in our hearts and his immortal soul at the right hand of God as befits a true believer and gentle christian man.

The lesson was read by Thomas O'Mahony and Bernard (son). Prayers of the faithful were recited by John Fitzgerald, Liam Giblin, Marie Curran and Tomas O'Mahony. Offertory gifts were brought by Ronan and Garvan Dunford (grandson). Church hymns by Dina Walsh.

The chief mourners were: Mary (wife), Bernard (son), Lisa (daughter), Ronan and Garvan (grandsons), family and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan).

## Late Mai Power

It is with feelings of profound regret we record the passing of Mai Power, Gortnadiha, Ring which sad event occurred on Saturday, 12th July, 2003 at Woodlock Nursing Home, Portlaw.

Mai, who was well known in the area, was held in high esteem by all who had the pleasure of her acquaintance. During her life she spent some time teaching in Dublin, Ferrybank and the Presentation Convent, Dungarvan. She was a keen gardener and spent many happy hours tending her garden. Her passing is much regretted. May she rest in peace.

Following rosary on Sunday evening removal was from Woodlock Nursing Home, Portlaw to Ring Church where the remains were received and blessed on arrival by Canon O'Connor P.E. and followed by a large cortege of mourners.

Following requiem mass on Monday morning celebrated by Canon O'Connor P.E. interment took place in the adjoining cemetery again in the presence of a large gathering.

Offertory gifts were brought to the altar by (great-grand-niece) Catherine Murray and (great-grandnephew) Kieran Murray - Flowers and a book; Mairead (niece) - Chalice and David (nephew) - host.

The chief mourners were: Mairead Murray (niece), David and George Clarke (nephews), grandnephews, grandnieces, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Director, Dungarvan).

## Late Rose Cullinane (nee Gittens)

The sad news of Rose's death, on Easter Sunday morning, April 20th in Surrey, England came as a great shock to her family and many friends. Indeed many people here in Dungarvan and Abbeyside also deeply regretted Rose's untimely passing. Rose formerly from Abbeyside and her husband Sean had just moved to Surrey only five weeks previously, having resided in Tramore for about seven years, their move to Surrey was to be their final one.

Rose was a wonderful neighbour and quietly performed many charitable works. Multi-talented her knitting skills were greatly adored while she excelled at crochet, embroidery and donated many of her pieces for local sales of work. She was always ready to assist in the care of family members and spent so many occasions in Abbeyside taking care of older family members.

Rose and Sean spent forty six years of married life together and raised three sons Brian, John and Kieran. They together with Phil, Sharon, Michelle and her six grandchildren will miss Rose dearly. We sympathise with all and with members of the Cullinane family who reside locally on their cross of bereavement. Rose was cremated in Guildford, Surrey on May 8th. A funeral Mass was celebrated last Saturday in Abbeyside Church by Fr. Doherty P.P. in celebration of and in thanksgiving for Roses life.

The lessons were read by Kim while Megan, Emma and Jamie shared the prayers of the faithful. Son Brian delivered a moving eulogy while Megan played a much appreciated music tribute. After the holy sacrifice a graveside service was held in Kilgobnet cemetery where following prayers and floral blessing Rose was interred in the newly renovated family plot. Very many beautiful floral tributes were placed on the grave.

In our thoughts also is Rose's brother Billy (Canada), step-brother Alan, stepsister Breda (both resident in England). The Cullinane family are held in the highest of esteem and enjoy the respect of the entire local community Sean and Rose travelled extensively and have set up home in various locations, we pray that the sod of Kilgobnet will rest greatly upon Rose after life's labours. 'Home is the Sailor, Home from the Sea'.

## ABBESSIDE TOPICS

# Abbesside Writer's Success In The U.S.A.

It is always good to read about the success of a local person and perhaps more so when it happens away from home. When we read the accolades and praise which were "showered" on 26 year old Kealan Patrick Burke from Abbesside who emigrated to the USA only two years ago, we were delighted to hear of his rapid rise to literary fame.

Patrick's amazing success has been praised by some of America's best-known authors and this has helped his confidence and increased the public demand for his writings. Thomas F. Monteleone author of "Blood of the Lamb" and many other best sellers/films etc., wrote that "Burke's talent breaks out in every paragraph," and coming from such an eminent writer the Abbessider could not possibly have been given better commendation.

He is son of Margaret and Albert Burke and grandson of Liam and Brenda Meehan, Murphy Place. He is married to Jennifer Lane Shicks and they live in Ohio with their son, Tyler.

## Aisling Ahearne Elected Pattern Queen

The big event of the weekend in Abbesside was the election of the Pattern Queen in Minnie's Nightclub on Saturday night. The winner Aisling Ahearne representing Bridgie Terries received a first prize of euro 250 and will go on to contest the area finals of the Rose of Tralee.

9.30pm. Some supporters arrive and locate themselves in the best seats. The judges Aine O'Riordan, Dan Murphy and Rachel Kiely are present and spend some time chatting with members of the committee.

9.45pm. Some Disco Music is played as spectators and sup-

porters continue to arrive.

10.00pm. Chairperson of the Pattern Committee Charmian O'Brien welcomed everybody and hoped all would enjoy themselves. She sincerely asked for quietness while the contestants were being interviewed. Music was provided by Batt Prendergast and Collette as the Pattern Committee Members rolled out the red carpet and provided the finishing touches to the seating arrangements.

10.15 pm. M.C. for the night Michael Wright (The Mad Hatter) took charge of proceedings and interviewed the following girls in turn:

Patricia O'Brien (The Local); Jenna Organ (Powers Logistics); Siobhan Veale (Sports Centre); Aisling Ahearne (Bridgie Terries); Julie Fitzgerald (Minnie's); Niamh Briggs (The Park Hotel); Jenny Henley (Enrights Eurospar); Lorna Ferncombe (Yahoo Fashions).

11.00pm. Disco Music was provided and the supporters took to the floor and danced to their hearts content. Members of the Pattern Committee sold raffle tickets.

11.45pm. M. C. Michael Wright came back on stage and conducted the raffle for the many sponsored prizes.

11.55pm. Charmian O'Brien took the microphone and thanked everybody who had helped to make the event a success i.e. Michael Wright, The Judges, the band, sponsors and finally the Roses themselves and their escorts. She also thanked the members of the Pattern Committee for their support and the work they put in. She outlined the format of The Pattern Festival which would take place on the weekend of the 2nd, 3rd, and 4th. August.

12.00 Last years winner of the

area final of the Rose of Tralee spoke and stated that she had enjoyed her year. Each of the contestants were presented with a piece of Waterford Crystal.

12.05. Conor Ryan was voted Best Escort.

12.06 Niamh Briggs (The Park Hotel) was picked as runner-up and received her prize.

12.08. Amid great suspense Aisling Ahearne

(Bridgie Terries) was announced the winner and the atmosphere was electric as she received her crown. The Disc Jockey played 'Congratulations' and almost everyone present joined in the singing.

12.25 Photographs were taken and following that the young people danced and sang into the early hours.

### COOLAGH ROAD ROUNDABOUT

The National Roads Authority have agreed to make money available for a roundabout at this busy junction following extensive lobbying by independent councillor Cllr. Michael O'Riordan, Pinewood Estate, Abbesside.

### New Line Road A Racetrack.

Pedestrians who travel this road estimate that some cars travel at speeds of seventy and eighty miles per hour. Motorcycles travel even faster. Many people complain about this carelessness but they are not blaming the Gardai who cannot be everywhere. These people are adamant that action must be taken quickly to put an end to this recklessness before people are killed. The laying of ramps may be a worthwhile step.

### Special Olympics Committee Meet

A meeting of this very active group of people took place last Wednesday night. It was agreed to pay all the bills accumulated as quickly as possible.

At the time of going to press a total of euro 31,000 had been raised by the group. Brenda Cooper SouthEast regional organiser for the Special Olympics praised Dungarvan and Abbesside for the incredible effort they had put in to ensure the team and officials from the Bahamas enjoyed their stay acclimatising in the area.

It is true to say that the committee of twenty and 92 volunteers have gained valuable experience and expertise during the past year and one wonders if there is another niche in the community where this valuable asset could be put to further use.

Is it possible that other suitable projects could be found whereby the energy that has been tapped into could be channelled in another direction to the benefit of the community at large.

### THE FAMINE

In 1846 Famine Relief Committees were formed in every Parish in Ireland. Their function was to collect subscriptions to which the Central Relief Committee in Dublin Castle added approximately a similar amount. Then work was provided and the labourers paid anything from six pence a day for a young fellow to ten pence for a seasoned worker. With this they bought yellow meal or "Peel's brimstone", as it was nicknamed after the British Prime Minister, Sir Robert Peel.

There was no free food for people until the situation became desperate in early 1847.

On 26th March 1847 a committee in Abbesside sent in a report, signed by Beresford Boate Esq. of Tournore, concerning £40 received from subscribers.

He stated that the population of the area was 4,000. On the 19th. December 1846 the "soup relief" that was provided for 1,500 was now given to a much larger number 'lately'. There were only three subscribers. The Quaker Committee granted £25 and a relief committee at 16 Sackville Street, Dublin, gave £15. The central relief committee then added £30.

## Abbesside Scout Notes

The scout meeting last Saturday was held in sunny and slightly showery Tramore. As a change of venue just before annual camp it was decided to head to Tramore to spend a couple of hours and a small amount of euro. As the sun was shining this also gave a tanning base to those who will be travelling on annual camp this coming weekend. Upon arrival each patrol went their separate ways in search of fun and laughter. Cearbhail particularly enjoyed the bouncy castles and playgrounds while Philip Cahin was into the more adventurous plume ride, (mind you no one had the guts or was it the euro's to try the giant spinning wheel). Philip Cashin enjoyed his very own variation of a treasure hunt and indeed he found quite a lot. Ray Murphy and Cormac O'Mahoney came home with quite a lot of prizes for all at home, I'm sure their mothers were delighted with them. Michael Duff and Jason Kirkham seemed more interested in food all the time than the amusements.

Attention This weeks meeting which is for those attending annual camp only, takes place at eight o'clock on Friday night until nine or nine thirty. At the meeting camp gear will be put out for loading on the camp van. Any (and there are some) outstanding camp fees and permission to camp forms must be handed in at this meeting. Permission to camp forms are absolutely essential- no forms must be handed in at this meeting. Permission to camp forms are absolutely essential - no form means no camp! Annual camp begins this year when the troop leave the den at eleven thirty on Sunday the 27<sup>th</sup> of July and ends on Sunday the 31<sup>st</sup> of August when all will arrive home shortly after lunch time. It has been brought to our attention that on the camping gear list a bicycle is listed as part of the camp items, this is a mistake, as bicycles will not be needed on camp!

Friday night's meeting will be last official meeting of the scout year and once camp is over no meeting will take place until the second Saturday in September, see you all then. Any new intending members for either the cubs or the scouts should attend then; the cub age is 8, while for the scouts it is 10 1/2 Also best of luck to S/P/L Matthew Kirkham who has a job interview in the coming weeks.

# CAPPOQUIN NOTES

## CAPPOQUIN CUB SCOUTS NOTES

The cub scouts year came to an end last weekend with a very successful summer camp which was held in Kilkully. Once again our leaders Susan, Sinead, Sharon and Paddy did a first class job. The cubs left the den at 4:30pm on Friday. On arrival at Kilkully they had games, a hike and campfire. As usual this did not tire out certain cubs so the laughing and chatting went on for the night. On Saturday after breakfast there were more games of football and rugby. After lunch the ever popular water fight took place plus other games. After tea the cubs tidied up and packed some gear and got ready for the party and campfire. The trophies for cub of the year and patrol of the year were presented. Shane McCarthy was cub of the year and his patrol consisting of Shane, Luke McLaughlin, Dan Kelleher, Christopher Cavanagh and Daniel Bray. Well done lads. On Sunday morning we headed for Fota where everyone seemed to enjoy talking to the animals. At 6:00pm we arrived back at the den where Kerry and Seamus had been very busy preparing a wonderful bar-b-que for the cubs and members of their families. Before I finish some people have to be thanked. The cubs and their leaders, Peter Allen for the use of his bus, Seamus and Kerry, Billy O' Donoghue who donated sausages for the camp, Fintan and Alice for the sausages for the bar-b-que, Danny and Nora Flynn for the minerals, Olive and Eamonn Cliffe for the mince and of course Roger McLaughlin for making the burgers and Kevin who brought the gear and equipment to and from the camp for us. Also the parents who never fail to support us. Thank you all for your generous support throughout the year.

## CONGRATULATIONS

Congratulations to Margo Hennebray, Shanbally and John Pratt of Tallow who got married recently.  
Congratulations to Finol Cummins, Main St., Cappoquin and Roger Roynayne, Villierstown who got married at the weekend.

## RAILWAY ATHLETIC F.C.

### PLAYERS MEETING

This Friday (July 25th) we will be holding a players meeting for the upcoming season in 8-pm. All youth and junior players and any intending players who would like to join up are requested to attend.

Any fresh ideas would be greatly appreciated as we hope to get this club on the up again.

### JUNIOR MANAGERS

Division 1A- Brian Whelan takes over as first team manager and we wish him the best of luck. Whelan was a player with us in the mid 90's and came back again last year. If he does half as good as he did as a player we won't do too badly. Hopefully he will get the necessary commitment from the lads.

Division 2- Garry Morrissey and Liam Costin for the 3rd year on the trot take control of our 2nd team. Guggs and Garry always give an honest 100% so hopefully the lads will give them the support they deserve. This side got to the cup final last season so with a full side training who knows what can be achieved!

### MEMBERSHIP

It has come to the knowledge of the committee that some players have not paid any membership in the last few seasons. This year you won't be allowed to kick a ball competitively without paying your way. This year we also have membership cards, so have a membership card when you pay up. The price of membership is youths: €15 and juniors €25

### FAI JUNIOR CUP

A very interesting rule change comes into order this season, as all Premier Division Clubs will not enter this great competition until the 3rd round similar to FA cup in England. This will give 1st division clubs like ourselves a better chance of progressing in Europe's biggest cup competition in which over 800 clubs enter. Definitely a positive rule change!

### UNDERAGE TRAINING

Martin Reddy has recently begun training all our young hopefuls again. Training goes ahead from 6-7 every Thursday and all are welcome. Some players last year really began to make some serious progress and hope to continue.

All new boys and girls are always welcome for an hour's football and enjoyment!

### WEDDING BELLS

Heartiest congratulations to Brian Donnelly and Lorraine Cronin who recently got married. "Beano" has been a junior player for us for the past 2 seasons and we wish you both the best for the future.

## CAPPOQUIN F.C. NOTES

Yes Folks its that time of year again where players will dust down their boots and get ready again for the fort-coming season. This Thursday night, 24th July we will set the wheels in motion by holding our A.G.M. in the Blackwater House at 9.00pm. Sharp. All players, officers and Management are asked to attend to discuss both on and off the field activities. It is of paramount importance that everyone attends as a lot of important issues are up for discussion. Hope to see you all there.

## KATHLEEN AND MAY RETURNS TO YOUGHAL

The popularity and fame the magnificently restored Schooner 'Kathleen and May' continues to broaden as she made her third visit to her beloved Youghal. On Sunday evening, July 13th a very emotional and jovial crowd awaited the Schooner all along the coast line, awaiting that breath taking moment of her first sighting on the horizon and they were not disappointed. Gracefully she sailed in to the bay, to take up her post on Nealon's Quay where she continues to welcome huge crowds on board daily.

The continued annual return of this much loved Schooner depends solely on the generosity of public and private support. Fund raising is already underway for the 2004 visit and the 'Kathleen and May' committee would welcome any support to enable them to meet their October deadline when the contract for 2004 must be signed.

## FENNESSY CLAN GATHERING

The countdown is almost on for the gathering of the clan in Clonmel 8th -10th August in the Minella Hotel. Last week I mentioned some of the subject matter for the conference material, and it promises to be interesting and enlightening to all present. I mention this week some of the Fennessy websites which have been set up to help clan members keep in touch with their roots. Deirdre Fennessy of Chicago has set up a wonderful website called simply www.fennessy.com. Why not visit this and our own site www.coastres.co.uk/ffhm.html for the latest bulletin in preparation for the meeting.

Don't forget if you wish to attend, please register asap with Aine Ni Fhiannusa, 3 Pinewood Drive, Hillview Waterford City or you may be disappointed if conference badges, printed material or banquet tickets are not available if you just turn up on the day.

We look forward to a lively gathering of the clan, and we hope that the musical talent of the Fennessys will not go untested during the course of the evenings either.

## CLASHMORE RAMBLERS EAST CORK - WEST WATERFORD SCHOOLBOY'S LEAGUE

I have received the following letter this week, which I have been asked to publish. Reluctantly I do so. Over the last few years, Len Rodgers has regularly contributed some excellent match reports to this column and I like many others I appreciate the wonderful work done by Len, over a number of years, for school boy's soccer in this area.

On numerous occasions he organised training, arranged games and transporting players to matches almost single-handed. We are all aware that Len is no schoolboy and while many of his age are off playing golf and let parents get on child rearing - Len's deep passion for the sport and his interest in getting young players playing the game has kept him going. Despite his constant appeal for adult and parental help and support, it has, fallen on deaf ears, resulting in Len having to take the following harsh decision.

"This is a letter I never thought I would write but after last years disappointing season I have no other choice. We played most of our matches with only 9 or 10 players and one match when a bus was ordered only 4 players turned up. So I have decided to call it a day and retire. I am sorry to take this decision because I really enjoyed the last few years with the soccer teams.

## ON THE MEND

Great to hear little Michael Kelly, Monatrea is now home from hospital and well on the road to recovery following injuries, which he sustained in an accident recently.

Continued good wishes to Michael from all his family, friends and classmates at Kinsalebeg National School.

Before I sign off I would like to thank Mary O'Halloran, Gemma O'Connor, and John Kelly for all their help over the last few years."

## TFR RACING

David Coughlan from the village of Clashmore in West Waterford has been involved in roaddracing for the past number of years and is a 'whiz kid' on his 1000cc and 600cc.

This weekend is his next race in Kells where many of his family and friends will be there to support him and look forward to the 'buzz'. As this sport is quiet expensive TFR Racing will hold a Barbecue in the Elephants bar, Aglish on Sunday 3rd of August from 5pm to 9pm. Live music followed by DJ. Tickets 10e per person. All are welcome. Great craic guaranteed with a fantastic prize to the lucky winner of a 'Mini Motor'. Your support would be greatly appreciated.

Best of luck Dave from your family and friends.

# Francis O'Halloran - Graduate and Award Winner

The very talented and most unassuming Clashmore architect Francis O'Halloran was back at his desk at the offices of Architects, Coughlan, DeKeyser and Associates in Washington Street on Monday last after an absence of two years. Francis had taken time out to further his Architecture studies at the University of Kent. Francis, a member of the Royal Institute of British Architects, completed a two year student programme at the Kent Institute of Art and Design and

graduated with a Bachelor of Architecture with honours.

Proud parents Phyllis and Tom O'Halloran travelled to Kent for Francis' graduation on June 24th. It was an exceptionally proud moment for Francis and his parents when following the award of his degree, Francis was the recipient of two special awards for excellence. Francis was awarded the Holt and Wotton Prize 2003 (this prize was awarded to the B Arch student for the visual presentation) and

the RIBA student award in recognition of the excellence of his 2003 presentation.

Francis is now rated among the top architects in this country. His wonderful ideas and talents will allow him to design and plan many of our high profile public and private projects in the future, no doubt we will be hearing much more of him in the years to come. Congratulations Francis and every success for the future in your chosen profession.

## Defeat for Lismore Cricketers

Last Sunday Lismore travelled to Tralee to take on County Kerry in MCU Division 2 and narrowly lost a low scoring game. The Kerry men won the toss and put Lismore in to bat. With the artificial wicket playing erratically and the grass up to six inches long, scoring runs was not going to be easy. Lismore got off to a bad start with four of the top five making ducks. Opening bat David Ind batted well, however, and made 43 hard-earned runs. After a contribution from the tail Lismore struggled to 89 for 9 off their 45 overs. In the conditions this was not a bad total, but many felt that it was 15 or 20 too few.

Opening bowlers David Ind and Mubbin bowled tightly and restricted the Kerry batters to 1 an over for the first ten overs, but without getting a breakthrough. Kerry were looking comfortable at 57 for 1 in the twenty-fourth over when things began to happen. There was a run out, then Brian Power and Mubbin took 2 quick wickets each, to put Kerry on 72 for 6, and it looked like Lismore could be in with a shout. Kerry had staggered to 81 for 6 when Will Rotte came on to bowl and tied the batters in knots. His first over was a wicket maiden, putting more pressure on the batsmen. However, cool batting from the tail saw Kerry home in the forty-first over with three wicket to spare, leaving Lismore to reflect on what another twenty runs on their total might have done.

Next weekend is a big one for Lismore's chances in Division 2, with two games taking place. On Saturday Lismore travel to Cork to play Harlequins, while on Sunday Limerick come to Lismore.

### HARD LUCK

As we are all aware Waterford were unfortunate to be beaten by Wexford on Saturday evening. We would like to send our commiserations to the Waterford panel but most especially to our own Dave and Dan who throughout the whole campaign have done the club proud. We would also like to say "hard luck" to the Waterford Intermediate Panel who lost out to Cork in the Munster Final on Wednesday night last in treacherous conditions in Cashel. Lismore had a strong representation on the panel with the involvement of David Howard, Brendan Landers, James O'Connor, Sean Daly, Mike O'Sullivan, Shane Kearney and Eoin Bennett and Jimmy O'Gorman on the sideline. It's a tribute to the club to see so many of our players involved with the county. However, we now look forward to the start of the county championship over the next few weeks where we will see the lads back in the black and amber of Lismore.

### COMMITTEE MEETING

A committee meeting will take place this Thursday night (24th July) in the Community Centre at 8.30 p.m. All committee members are asked to attend.

### LOTTO

The numbers drawn in Monday night's lotto are 13, 17, 24. There was no winner of the €850 jackpot. Next week's jackpot will be €1000.

The €15 winners were as follows: Bridie Lenihan, Parks Road, Dinny Buckley, Parks Road, Mary Bransfield, East Main Street Tom Murphy, New Street.

# TALLOW NOTES

## BRIDEVIEW UNITED A.F.C.

### NO CHANGE IN MANAGERS

Last seasons managers namely Michael Sheehan (Premier Division) and Tomas McCarthy (Division Two) were given a vote of confidence at the recent AGM as both were re-elected for next season.

Michael Sheehan's squad won the Tony Bolger cup and were third in their league being involved right down to the final league game.

Tomas McCarthy's team won promotion to Division One and were beaten in a playoff to see who went up as champions. When one takes into account that both teams played all their games away from home then both teams did very well. Both managers are picking their respective squads at the moment. We understand we may have some new faces playing for the clubs junior teams.

### MEMBERSHIP

Membership for the club this season is 10e, schoolboys 5e.

### SCHOOLBOY MANAGERS

Interested then get your name into Liam Ahearn immediately.

### LOTTO JACKPOT 2,250E

Last weeks numbers were 5-12-16-22. No winners. Match 3

winner: Donna Buckley, Valerie Power, Tom Cunningham, Mary Cutley, Convent St. Nuala Tobin, Terry Navin, James Condon. Well done folks. Draw this Friday night in the Corner House.

### BIRTHDAY CORNER

Ah, how could I forget. One of the clubs top players Michael Curley Junior celebrated his 17th birthday and yes, lads he has never been kissed. Well, his mother says so. Also celebrating her birthday is Triona Buckley. Hope you had a good weekend. Last Wednesday saw Donna Buckley celebrating her birthday. Also birthday greetings to Ann Buckley, Woodview Park and Melissa Murphy. Melissa was a big 13 years of age.

### NEWS TO HAND

One of the lads came back early from his walk and met a young man from Convent St. 'Where are you going' said the man back from his walk. 'To the shop' replied the Convent St. man. 'Will we go for one' said the man coming from his walk. 'I suppose' said the Convent St. man (and a smile on his face). 'It would be better than going to the shop'. Off headed the two smiling boys!

Now I wonder what time they finished up as this was only 4pm on Saturday evening last. A little bird told me that the Chapel Street man came home from the wedding with the wrong coat. I will say no more Ha! Ha!

### SCHOOLBOYS/GIRLS

Training for U7 - U10's on this Thursday night at 7:30pm in the schoolfield.

### FESTIVAL MEETING

This Thursday night at 8:30pm sharp in the Gym.

### CLUB MEETING

This Thursday night at 9:00pm in the Gym.

### THE VEINLESS CLUB

Veins, veins and more veins! It seems to be getting very popular at the moment. A big number of locals have gotten out their veins, the latest being Dick Tobin. Francis is doing a great job looking after him. The girl going in is bit nervous. Not to worry said myself and Dick, you will not feel a thing. Right Dick!

### CONGRATULATIONS

To John Joe Henley and Georgina Simms who got married last Friday. I heard you spoke well Liam. Ahem! Ahem! Best wishes to you both for the future.

### JUNIOR FOOTBALL

We played Shamrocks twice over the weekend and while we lost the league game on Friday night we had a comprehensive win (6-15 to 0-2) in the championship on Sunday evening in Ballyduff. Well done to Timmy and the lads (See his report elsewhere in the notes)

### UNDER AGE SUMMARY

Our U12 hurlers won their Divisional final against Ballyduff on Sunday afternoon in a close contest. Congratulations to team and selectors on winning another title for Cois Bhride. U16 hurlers have full points from their first 2 games and played Dungarvan on Monday evening in Knockanore (no result at time of writing). The U8's and U10's

competed in Cappoquin last Saturday. Kenneth Kearney, Shane Harnedy and Jason Aherne are all training with the County U15 development squad, Eamon Forbes with the U16's and Thomas Egan, Shane Feeny and Cathal Herlihy with the U14's. There may be a change in our minor fixture this week. Check with selectors. U13's were well beaten by Lismore who have inflicted heavy defeats on most teams. Grouping teams does not work and they needed to be graded from the start. Nobody with the interest of kids at heart can take away satisfaction from humiliating other teams by putting up big scores. The St. Olivers U15 tournament has been deferred for the moment.

### COBHRÓN

The club extends deepest sympathy to the Ryan family, Cockpit Lane on the sad death of Frank O' Meara, Mullinahone. Ar dheis lamh Dé go raibh sé.

Team, Billy Sheehan, Terrence McSweeney, David O'Brien (1-1), Mark O'Brien, William Murphy (0-2), James Beecher, Roy Henley (0-1), Brian Henley, Stephen Pratt, Paul O'Brien (1-1), William Henley (1-1), Michael Keating (0-1), Michael Curley (2-1), John Paul Grey (1-5), William Curley (0-2), Mark Sutherland, James Hampton, Eric Hickey, Florrie O'Gorman, William McDonnell, Shane McCarthy.

## Tadhg Gaelach Ó Súilleabháin Weekend A Great Success

Pictured at the official opening of Tionól an tSamhraidh, 2003 are, back l. to r.: Neil O'Flaherty, WIT; Fr. Pádraig J. Daly, OSA; Máire Seosaimhín Breathnach, Oifigeach Gaeilge, WCC; Margaret Organ, Arts Officer, WCC; Seosamh Mac Donncha, PF Foras na Gaeilge; and Dr. Kieran Byrne, Stiúrthóir WIT. Front, l. to r.: Cllr. Paddy Power, Méara Dhún Garbhán; Sr. Déaglan de Paor, Dónal Ó Conghaile, Bainisteoir an Chontae agus Úna Nic Einrí. —(Photo: Seán Byrne).

D'éirigh go hiontach leis an gcéad Tionól an tSamhraidh, ar an dtéama "Tadhg Gaelach Ó Súilleabháin - A Chráifeacht agus a Dhaonnacht" (Spirituality and Humanity), an deireadh seachtaine seo caite 11-13ú Iúil. The delegates, who travelled to Dungarvan from all over the country, took part in a very interesting and entertaining weekend of lectures, discussion and exhibitions in the Civic Offices and in the Old Market House Arts Centre.

The official opening on Friday night was performed by Seosamh Mac Donncha, Príomhfhéidehmeannach Fhoras na Gaeilge, and former President of An Cumann Lúthchleas Gael. Dúirt an tUasal Mac Donncha go raibh sé an-shásta bheith i láthair chun a leithéid d'ócáid a sheoladh and he was particularly pleased that two prominent organisations in the region such as Comhairle Contae Phort Láirge and WIT were taking such practical and important steps to promote the Irish language and culture.

Both Bainisteoir an Chontae, Dónal Ó Conghaile agus Stiúrthóir WIT, An Dr. Ciarán Ó Broin, outlined the commitment of their respective organisations to Tionól an tSamhraidh, agus ghabh siad buíochas le gach éinne a bhí i láthair agus le gach éinne a chabhraigh le reachtáil an Tionóil.

The opening talk of the weekend was given by Úna Nic Einrí, a lecturer in Mary Immaculate College, Limerick, a labhair ar an gCúlra Sóisialta agus Creidimh a bhain leis an saol inar mhair Tadhg Gaelach. Following Úna's very interesting and knowledgeable talk, the large crowd of delegates and invited guests enjoyed some refreshments in the Civic Offices, le ceol ó cheoltóirí traidisiúnta áitiúla.

Saturday's events took place in the Old Market House Arts Centre, agus b'é Pádraig J. Daly OSA, ó Dhún Garbhán ó dhúchas, a thug an chéad chaint uaidh - aistriúcháin Bhéarla a d'fhoilsigh sé féin ar rionnt de

dhánta spioradálta Thadhg Ghaelaigh. An tSr. Déaglan de Paor, a native of Ardmore who is currently researching a PhD on Tadhg Gaelach, gave the second talk of the day - mionscrúdú ar dhuan dá chuid: Duain Déaglain. Tar éis lóin bhí deis ag na toscairí cuairt a thabhairt ar Leabharlann Dhún Garbhán, to view two exhibitions specially created for the weekend - an exhibition of manuscripts relating to Tadhg Gaelach's work on loan from St. John's College, and a photographic exhibition on Gaeltacht na Rinne, compiled by Willie Fraher of Dungarvan Museum. Both of these fascinating exhibitions are still on display in the Library for a limited period. Tar éis lóin, thug Liam Ó Murchú, Léachtóir Sinsireach in Ollscoil na hÉireann, Corcaigh caint uaidh ar an gCúlra Liteartha a bhain le réimse Thadhg Ghaelaigh. Liam's very interesting talk was followed by a lively questions and answers session with all four guest speakers as a panel.

Events came to a close on Sunday morning, when delegates took a trip to Baile Uí Láithnín, an áit ina bhfuil Tadhg Gaelach Ó Súilleabháin curtha. Tar éis Aifrin dhátheangach sa séipéal áitiúil, le cóir álainn a chan go speisialta don ócáid, delegates visited Tadhg Gaelach's grave, where Sr. Déaglan de Paor read one of his most famous poems, Duain Chroí Íosa, and laid a wreath on the grave. Host for the morning, Fr. Gregory de Paor gave some very interesting history relating to Tadhg Gaelach's association with Ballylanean and those present retired to the local Community Centre, áit ar chuir muintir na háite bia blasta agus sólaistí álainne ar fáil do lucht an Tionóil.

Tús maith leath na hoibre mar a deirtear, and this was certainly the case as regards the inaugural Tionól an tSamhraidh, which was a great success. Waterford County Council and WIT now hope to build on this success, and tá an obair ag tosú cheana féin do Thionól na bliana seo chugainn.

## KILMACTHOMAS CHILDREN IN ART PROJECT

Pupils from both the Convent and Boys National Schools in Kilmacthomas, were the most recent participants in Waterford County Council's Art Tutor in Schools Scheme. The artist, Grace O Meara worked with the boys and girls for the last school term on a visual arts project.

The young people chose to take the town of Kilmacthomas

and it's environs as their project. Many youngsters could be seen around town taking photographs of the town's buildings and of the local people. They then drew their pictures from these photographs and scaled them up into 3D panels. Both schools now have a series of wonderful, colourful panels made of a variety of materials reflecting the people and places as the chil-

dren saw them. Arts Officer, Margaret Organ complimented all the pupils on their hard work and said that the Arts Office were pleased to be able to fund such projects in schools all around the County. The public will also have a chance to see an exhibition of the work as it will be on show in the Old Market House Arts Centre, Dungarvan from 2nd Sept. - 4th Oct.

## Hassett To Speak at Liam Lynch Commemoration

On next Sunday 27th July at 3pm on the slopes of the Knockmealdown mountains overlooking the villages of Newcastle and Goatenbridge and the scenic Suir Valley, General Liam Lynch Commander in Chief of Irish Republican forces will be commemorated. Lynch was fatally wounded on

that mountain side in April 1923. A monument worthy of such a prominent leader marks the place where he fell. The Executive of the Liam Lynch Memorial have organised the 80th Anniversary ceremonies. The President of the Irish Bardic Federation John J. Hassett will deliver the oration. Mr.

Patrick Power will mark the bicentenary of Robert Emmett with a short tribute to his role in Irish History. Liam Lynch a native of Angelsboro, Co. Limerick was a leading activist and military leader in the co-ordinated comprehensive, cultural, political and physical force movements, that forced the British Empire to call a truce and negotiate terms of settlement with the Irish people during the later half of 1921. In the Treaty that emerged and the divisions that arose, Liam Lynch emerged as a mediator. His prime objective B.I. was to preserve National Unity. He pursued this role which almost alienated him from the more impetuous members, who occupied the Four Courts an action he opposed. It is ironic that the attack on the Four Courts by Free State forces led to the Civil War, that immediately followed. Lynch was not in the Four Courts, for his counterpart Michael Collins, then battling with elements within the Free State Government, the attack on the Four Courts trapped him also into a difficult position. Tragically both men of greatness, fell in their prime of life, on different sides in a conflict that both did their best to avoid. The political power seekers on both sides, much more than the military men, created the crisis, that led to Civil War and Lynch and Collins deaths. It is right that on a mid summer Sunday, 27th July next that people across the age spectrum will gather to proudly remember a chieftain of the Irish Nation, who died defending the Irish Republic, not as an armchair General in a safe bunker, but in the front line of action. As a man of principle, motivated by patriotism and driven by his love of National Freedom, Lynch died with generous words to all fellow Irish people. He was a man of faith and belief in God who had a duty to fulfil and he did it without fear or favour. Time, history and proper research into his role in the making of the new Ireland of his time, will give him due credit for his major contribution that revisionists conspire to prevent through their propaganda.

Well known politician and Medical Councillor Dr. Sean McCarthy (FF) was elected Chairman of South Tipperary County Council for the coming year. Dr. McCarthy has previously served South Tipperary/North West Waterford as Minister for State For Science and Technology, and T.D. and as Chairman of Cashel Urban District Council on a number of occasions, and is a member of the Fianna Fail party, was elected to the position of Chairman at last Friday's meeting of South Tipperary County Council. Dr. McCarthy succeeds Councillor Michael Fitzgerald (FG). It is the first time that he has been elected to the chair of South Tipperary County Council since he was first returned to the County Council 25 years ago.

During the past week engineers from Waterford County Council visited the scene and got 'slow' signs erected. Drivers on this part of the road travel too fast, so we appeal to them to slow down before some life is lost.

### LATE MR. PATRICK KEARNEY

It is with deep and sincere regret we pen the sudden death of Mr. Patrick (Paddy) Kearney, Collins Avenue, Carrick-on-Suir and late of Toureen East, Ballymacarbry, Clonmel which sad event took place on Tuesday, 8th July. Deceased in his 65th year was a member of a well loved and respected Nire Valley family, the Kearneys of Toureen. The oldest of a family of eight, seven boys and one girl, at an early age he took up employment at the Convent in Carrick-on-Suir and there he remained for a number of years. He then took up employment with the Urban Council in Carrick-on-Suir where he was an outstanding worker and was a great favourite with management and fellow workers. Many years ago he married and became a kind and loving husband and father and to his wife and family he was utterly devoted. Even though he resided in Carrick-on-Suir, his occasional visit to the Nire Valley was on when he had the chance. Paddy, as he was better known to his many friends and acquaintances was a very popular person. His conscientious application, unfailing good humour, courtesy, integrity and kindness were readily acknowledged by all who were privileged to have made his acquaintance. His presence amongst us will be much missed. On Sunday evening his remains were removed from Walshes Funeral Home, Carrick-on-Suir after the prayers and rosary were recited, to the Parish Church of St. Nicholas, Carrick-on-Suir where they were blessed and received by Rev. Fr. Patrick Cooney P.P., Carrick-on-Suir, Faugheen. On Monday morning, the feast of St. Bonaventure, requiem Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Pat Cooney P.P. After Mass the funeral took place to St. Mary's Cemetery, Carrickbeg where on a beautiful July day he was laid to rest in the adjoining cemetery. To his wife and family, brothers, sister and his many relatives we extend our sympathy.

Ag Criost an siol, ag Criost an fomhair, in iothlainn de go dtugtar sinn.

(Undertakers Walshes, Carrick-on-Suir)

### SYMPATHY

Sympathy of the district is extended to Mrs. Winifred Hickey, N.T. Ballymacarbry National School and Bawnfaun, Kilmanahan on the death of her mother Amy Gallagher (nee Taylor), St. Judes, Powerstown Road, Clonmel. On Thursday evening, her remains were removed from Fennessy's Funeral Home, Clonmel to S.S. Peter and Paul's Parish Church, Clonmel. On Friday, the feast of St. John Gaulbert, a member of the Benedictine Order, requiem Mass was celebrated at 1pm for the happy repose of her gentle soul. After Mass the funeral took place to St. Patrick's Cemetery where she was laid to rest. To her family, brothers and her many relatives we extend our sympathy.

## Shanavine Church

Shanavine is the ancient parish church of the Parish of Kiltegan or Kiltgan. It is named after Egan or Agan, one of the immediate disciples of St. Patrick. This would date the establishment of the first Church on this site from the 5th Century A.D. Some experts, however, claim that the Church is named from a holy person called Tagan who was one of the seven companions of St. Fiach of Sletty. The church and parish were the subject of an ecclesiastical dispute and court case in 1260 when Archbishop McCarvill of Cashel, claimed that Kiltegan belonged to Cashel Diocese and not to Waterford. The ecclesiastical courts found in favour of Waterford. In the papal taxation lists of 1290 and 1302, the church is called Kiltaga and the benefice was valued at £3 per year on which a papal tax of 6 shillings per year was levied.

In 1588 the records show that Kiltegan was a prebend in the Diocese of Waterford and the prebendary in that year was Walter Daton, a clergyman. The tithes were held by the Bishop of Waterford. The vicar in 1588 was Rev. Roger McGrath. These were all clergy in the reformed church. The catholic or papist priest was Rev. Gorman. The registration of priests lists of 1704 show that Rev. William Bourke was parish priest of Kiltegan. He was aged 57 years and lived at Kilmore near Lisronagh. He had been ordained in 1670 by Archbishop Burgatt of Cashel at Lissine (near Moyne) about three miles north east of Thurles. (Bishop Burgatt spent some time in hiding there). Kiltegan parish was incorporated into the joint parishes of Powerstown/Lisronagh early in the 18th Century. The name Shanavine comes from the old Irish Seana bheinn or Seana bhoinn, which means the Old Steeple or the Old Gable.

To get to this cemetery one has to go through the farm yard of the late Michael Hallinan, who was a native of Aughavoulin, Ballinamult. A family from Curtiswood, Ballymacarbry the Keatings, well known school teachers are laid to rest there. The last of them to be buried there was William Keating, N.T., he died on 22nd April 1929.

## Pretty Waterford-Cavan Wedding

The beautiful Parish Church of St. Laurence at Fourmilewater was the scene of a very pretty wedding on Saturday 12th July, the feast of St. John Gaulbert, a member of the Benedictine Order. The contracting parties were Eddie, son of Eoin and Consipta Smith, Cavan and Aoife, daughter of Michael and Anne Danagher, 'Villa Marie', Ballymacarbry Lower, Clonmel. The marriage ceremony with Nuptial Mass and Papal blessing was solemnised by Very Rev. Fr. Edmund Tobin P.P., Fourmilewater/Newcastle assisted by Very Rev. Fr. Noel Boylan P.P., Cavan in the presence of a large number of the relatives and friends of the contracting parties. The Bridegroom given away in marriage by her father Michael looked beautiful and was attended by her sister Ciara Reilly as matron of honour, the best man was Keith Smith, brother of the groom. The readers were Marion and Ciara Smith and the prayers of the faithful were read by Neil Danagher, and the singers were Maggie Danagher and Barney Reilly. With the Church ceremonies over the entire party left for the Park Hotel, Dungarvan where a most enjoyable and musical time was had by all for several hours.

After Rev. Fr. Noel Boylan P.P. had blessed the cake, the toast to the bride and bridegroom was appropriately honoured and felicitous speeches given by Rev. Fr. Boylan P.P. and many other guests. Later in the evening as the happy couple left on their honeymoon which is being spent in Barbados they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years to come. The Bride comes from a fine, well loved and respected family, her father a native of Roscommon was a well known Coillte official in the district for many years. He is also Chairman of Fourmilewater Hurling Club. The Groom comes from fine Breffini stock.

# KNOW YOUR RIGHTS

**QUESTION**

I hope to start a course next September. Could you please tell me who is eligible for the Back to Education Allowance?

**ANSWER**

The Back to Education Allowance (BTEA) is paid by the Department of Social, and Family Affairs (DSFA) to unemployed people, lone parents and people with disabilities who wish to do approved second or third level courses of education. To be eligible for the allowance you must be:

Aged 21 or over (24 or over for a postgraduate course) and for the previous 6 months have been receiving a social welfare payment such as Unemployment Assistance/Benefit or One-Parent Family Payment.

Aged 18 or over and for the previous 6 months have been receiving a disability payment such as Disability Allowance or Invalidity Pension (receiving a disability Benefit for 3 years)

Aged 18 to 20, out of formal education for 2 years and for the previous 6 months have been receiving One-Parent Family Payment or Unemployment Assistance/Benefit.

An adult dependant of someone who is eligible may qualify if a Qualified Adult Allowance is in payment. Periods spent on employment schemes, training courses and in prison may count towards the 6-month qualifying period. Courses you can attend include full-time second level courses certified by the Department of Education and Science (DES) or approved by the Further Education and Training Awards Council (FETAC), such as the Leaving Certificate or a Post Leaving Certificate course, and full-time third level courses approved by DES for its maintenance grant schemes or courses which have Higher Education and Training Awards Council (HETAC) recognition.

When you have been accepted for a course you should apply to DSFA for the allowance on Form BTE 1. You will be paid the allowance instead of your social welfare payment at a rate equivalent to the maximum of your current social welfare payment. If you were previously getting an unemployment payment, the BTEA will not be paid during the summer period between academic years. Those who had been receiving other payments will continue to receive the BTEA during the summer.

## Free Transport To Be Provided For Cappoquin Pupils

KEVIN KIRRANE

Pupils who formerly attended St. Anne's Secondary School in Cappoquin and are now educated at Lismore's Blackwater Community School are to receive free transport for the duration of their education, it has been announced.

Free transport was announced following a number of meetings between Deputy Ollie Wilkinson (FF) and the Minister of State at the Department of Education and Science, Sile de Valera.

Ms. De Valera confirmed in a letter to Deputy Wilkinson, that "existing Cappoquin pupils who were not paying school transport, and who would otherwise not have been eligible for transport to Cappoquin Post-Primary School will receive free school transport to Blackwater Community School for the duration of their education there."

However, for all new pupils to the new amalgamated school, the normal terms of the School Transport Scheme will apply.

The CEO of County Waterford Vocational Educational Community, Mr. Paddy Lavelle, has been notified of the position, Ms De Valera said.

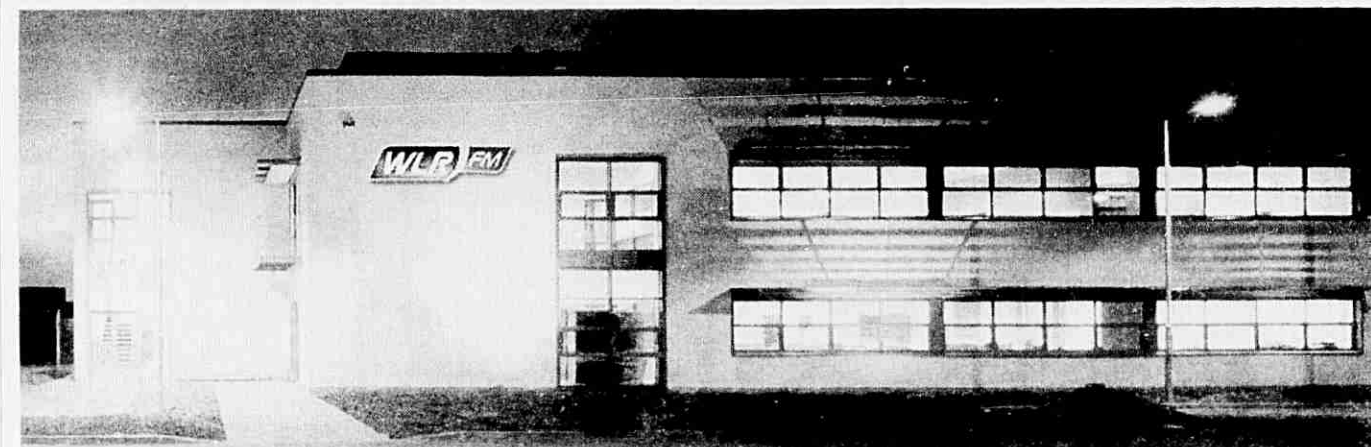

Welcoming the announcement, Deputy Wilkinson said he was delighted that the issue has now been satisfactorily resolved.

The issue has been a source of concern for parents of children who had attended Cappoquin's St. Anne's School, and now attend the amalgamated Blackwater Community School.

# RED HOUSE LEAGUE

**RED HOUSE  
LEAGUE A.G.M.  
14TH JULY 2003  
MFA AND CLUBS –  
WELCOME**

The past season has been the longest in the history of the league and the committee have been very busy keeping the show running as smoothly as possible and planning for the future. We had many high points during the year but we also ran into a few problems, which we eventually ironed but not without a lot of time and energy.

When elected chairman last year, the top two items on my "wish list" were the training of coaches for our league and the setting up of a ladies soccer league. I believed then, and still do now, that we cannot improve our standard of soccer without qualified coaches. I am happy to report that we now have three qualified coaches who, I hope, will continue their training to a higher level. At our first delegates meeting we will discuss the setting up of a system to get them coaching your players.

The ladies soccer is well underway at this stage with our teams competing in a league with teams from the south Tipperary region and although the teams they are competing with have been formed for several years now they are giving an excellent account of themselves. The committee that was formed to oversee the ladies league is chaired by Luke O'Brien, a past member of this

committee. Congratulations to Luke and all concerned.

The East Cork – West Waterford Schoolboys League, sponsored by The Immokily People, under their Chairman Michael Looby are doing marvelous work with the underage teams and it is a huge commitment too for the mentors as there is supervision, training and transport involved. I would like to compliment all involved in this work and ask you, the present junior players, to get involved with your underage teams and help share the workload. These young players of today will be the back bone of your junior club tomorrow!!

We are all very proud of our Oscar Traynor team under the management of Liam Frazer, Joe Tobin with the help of Paddy Pollard. The finalists in the cup were the Limerick league and south Tipperary league, both of whom were in our qualifying group; and while South Tipp defeated us 5-0 on the day it was a much closer contest with Limerick, they overcame us 2-1. With the first match of the cup set for mid-September, it is important that training gets underway shortly but I'll leave that with our managers to deal with.

Having seen most of our teams in action during the past season I would like to complement all on your dress code, gone are the days of odd coloured socks and togs. A prime example of this neatness was the Dungarvan Tyre Centre Cup final where some of the supporters were seen to be wearing their team's colours

also. I would urge more teams to get relatives and friends to come out and support you, especially if you get to the final stages of a competition. It would be great to see more families come out and support our players. Modeligo F.C. provided their grounds for our two home games and the refreshments were looked after by members of the ladies committee. My thanks to all concerned.

This year, for the first time, our press coverage was greatly enhanced by the photographs, which appeared on a weekly basis. My thanks to Mary Pratt for commitment for the season.

Once again our Super Draw was very successful as you saw in the treasurer's report. How the profit from the draw is to be distributed will be on the agenda at our first Delegates meeting. As you are aware we require funding for our under 18 teams and we must build up a fund for our future under 21 teams.

I would like to congratulate all the team who collected honours in our cup competition and our league divisions. The narrow margins the competitions were won by, some by play-offs, shows how competitive our teams are becoming. With several of them training over the season the future for the Red House League looks good. With our coaches getting involved with the clubs this coming season, I expect to see all clubs doing training, however little for some.

On the negative side our main problem was the abuse to referee's and the referee's themselves being unhappy with some of our decisions which culminated in the getting 'blue flu' as someone called it. The situation has been resolved but both parties, i.e. referees and league committee, have to ensure that they keep their side of the agreement and indeed the clubs have their part to play too.

A clubs committee is responsible for the actions of its players and I am asking all managers and mentors on the line to lead by example by both deed and word and to instruct your players in proper, decent behaviour and sportsmanship to each other, their opponent and to the referee. We have, in the past season, suspended a player for eight years and imposed other long suspensions and heavy fines to clubs and players abusing referee's and while I'm in this chair the disciplinary committee have my full backing to do whatever is necessary, within the rules, to stamp out abuse on our pitches.

I must stress at this stage that most clubs have their house completely in order and I'm very pleased to be able to say that.

I would like to wish Leonard Frazer a happy retirement from refereeing. Len was one of our top refs and we are going to miss him but we may see him back in a different capacity, we shall wait and see.

The committee at the top here are as dedicated a bunch of men that you could hope to work with. The amount of time

and energy that they spend on behalf of the league; your behalf, is amazing. I am not going through them individually tonight but they all have my gratitude for their unselfish attitude to attending meetings, some of them at very short notice. On top of that, Paddy Pollard is our leagued representative at Munster Council Meetings, we are all very proud of Paddy's achievements. A big thank you is deserving of Ray Frazer and Tom Kenneally for volunteering to manage our under 18 team. We all wish them well in their first season.

I would also like to take this opportunity to thank all of our sponsors, without whom we would not have any trophies to present at the end of the year. Michael O'Leary from the Red House Bar, where we are tonight, is our sponsor for the leagues Three Divisions Colm Nagle, Dungarvan Tyre Centre Cup, and finally Murphys, who came on board last February, and who will sponsor our Oscar Traynor Team.

Thank you for your attention and I wish you all good fortune if you search for honors for the coming season.

## RED HOUSE LEAGUE ANNUAL GENERAL MEETING

As briefly reported in last week's edition the Annual General Meeting of the league was held at the Red House Bar on Monday, 14th July.

Michael McBride, Chairman presided and welcomed everyone including Mr. Peter Harrington, Vice Chairman MFA and Mr. Gerard Delaney, Secretary Munster Football Association. We published secretary Michael O'Neill's report last week in which he outlined the year's activities of the league. We agree with Michael when he said it was one of the most exciting league finishes ever especially when the three divisions went down to the very last game.

Pat Casey presented his treasurers report and a very comprehensive report it was. The report showed how the cost of running and managing the league has risen over the years a 1 our league would be on par with leagues of our size throughout the Country. This was Pat's last report as he retired from the committee.

Chairman Michael McBride thanked Pat for all his for all his work in the past nine years, especially with the League's Super Draw which this season will be the seventh. As draw co-ordinator Pat managed all aspects of the draw and as the accounts showed last year's draw was the very best financially.

Michael then made a presentation of a Blarney Crystal Table Lamp to Pat.

Pat suitably replied and thanked everyone for all their help since he became treasurer. Chairman McBride then presented his report. (See report)

Gerard Delaney secretary of the MFA complimented the league on their management throughout the year. Ger said Pat Casey's report was very comprehensive and it is a pity to lose him, but hopefully he might in years to come, rejoin the committee. Ger said Michael O'Neill's report was very detailed and well presented. Peter Harrington, Vice Chairman Munster F.A. in complimenting the league stated the committee was a very dedicated one and is quite easy to see how the league is well managed.

Peter then took the chair for the election of Chairman. Michael McBride outgoing was re-elected unopposed. Michael's first function was to oversee the election of a new committee for the new season. The outgoing committee of Liam Fraser, Paddy Pollard, Tom Power, Jim Foley, Anthony Kenneally and Michael O'Neill was elected en bloc. Also elected from proposals on the night were Noel Heaphy, Lismore and Ben Mangan, Pinewood Rangers. The officers will be elected from the committee at the first committee meeting in the next week. There were some rule changes which were passed by the meeting. When it came to other business the Chairman told all present that Glen View has re-applied for admission to the league after a 2 years absence and as there were no objections, Glen View will play in Division 2 next season.

A discussion on the U17 and youth of leagues took place, with Liam Fraser informing the meeting that we will be entering a Youth Inter League team this season for the first time ever, as well as the Oscar Traynor team. The meeting then concluded and lasted just under 2 hours.

**JOYCE** — Ninth Anniversary — In loving memory of a dear father Michael Joyce, late of 74 Childers Estate, Dungarvan and Clashmore, who died on July 31st 1994.

After Glow  
I'd like the memory of me to be a happy one,  
I like to leave an after glow of smiles when life is done,  
I'd like to leave an echo whispering softly down the ways,  
Of happy times, and laughing times, and bright sunny days,  
I'd like the tears of those who grieve, to dry before the sun,  
Of memories that I leave when life is done.  
(Always remembered your loving son William, Carol and grandson Kevin.)

**JOYCE** — Ninth Anniversary — In loving memory of my dear husband Michael Joyce, late of 74 Childers Estate, Dungarvan and Clashmore, who died on 31st July 1994. Anniversary Mass in Clashmore, Sunday July 27th at 11 a.m.

The angels sang Amazing Grace,  
The Lord came down and touched your face,  
Then he whispered soft and low,  
Come with me Michael, it's time to go,  
We did not see you close your eyes,  
Perhaps it's just as well,  
For we never could have said goodbye,  
To a husband and Dad we loved so well,  
When we are sad and lonely,  
And things are going wrong,  
We seem to whisper cheer up and carry on,  
And when we see your photo,  
You seem to smile and say,  
Don't cry, I am only sleeping,  
We'll meet again some day.  
(Always remembered by his loving wife Helen and son Michael.)

**JOYCE** — Ninth Anniversary — In loving memory of a dear father Michael Joyce, late of 74 Childers Estate, Dungarvan and Clashmore, who died on July 31st 1994.

As long as I live I will always be glad  
For a wonderful father I was lucky to have,  
A wonderful person with a heart of gold,  
His loss to me can never be told,  
When I am sad and lonely, and things are going wrong,  
I seem to hear you whisper, cheer up and carry on,  
And when I see your photo,  
You seem to smile and say,  
Don't cry I am only sleeping,  
We will meet again some day.  
(Always remembered your loving daughter Mary, Matt and granddaughters Natasha, Clodagh and Aoife.)

**JOYCE** — Ninth Anniversary — In loving memory of Michael Joyce, late of 74 Childers Estate, Dungarvan who died on July 31st, 1994. R.I.P.

A star shines on a lonely grave,  
Not very far from here,  
There lies the one we dearly loved,  
As it dawns another year,  
Fresh flowers and leaves may wither,  
Each evening the sun will set,  
But we who loved and lost you,  
Will never once forget.  
(Dearly loved and sadly missed by your loving son John, daughter-in-law Margaret and grandsons Aaron, Jamie, Gavin and Seán.)

**MILLEA** — Twelfth Anniversary — In sad and loving memory of Ellen Milea, Shanbally Terrace, Cappoquin, who died on July 23, 1991.

As time goes by without you,  
And days turn into years,  
They hold a thousand memories,  
And a million silent tears,  
You showed us love and kindness,  
You showed us how to care,  
You bound us all together,  
With a love few families share,  
Someday we will meet again,  
Where sorrow is unknown,  
We will fold our arms around you,  
And tell you we've come home,  
May the God of love be with you, Dad,  
And grant you eternal rest.

**ORGAN** — Eighteenth and Seventeenth Anniversary — In loving memory of my dear mother Molly Organ, late of 73 Murphy Place, whose anniversary occurs at this time and my brother Michael Organ, late of 15 McCarthyville whose anniversary occurs July 23. R.I.P. Masses offered.

If I could have just one wish,  
Here's what I would say,  
I'd ask to have my Mam back,  
Just like the good old days,  
I never ask for miracles,  
But today one would do,  
To have my front door open,  
And to see my Mam walk through.

God must have thought you special,  
To take you the way He did,  
They say He only takes the best,  
And this He surely did,  
Look around Your garden,  
Lord,  
For an angel with a smile,  
He won't be hard to recognise,  
He must stand out a mile.

(Lovingly remembered by your sons and daughters and families.)

Anniversary Mass will be held in the Friary Church on Sunday, July 27th at 11 a.m.  
Like falling leaves the years go by,  
But memories of you will never die,  
Sunshine passes, shadows fall,  
But memories of you outlast them all,  
In the centre of God's garden,  
There is someone special there,  
That someone is our mother,  
The best beyond compare,  
Will those who think of her today,  
A little prayer to Jesus say.  
(Always loved and remembered by your daughter Rita.)

Nothing can dim the face we love,  
The memory of your smile,  
The countless things you said and did,  
To make our lives worthwhile,  
Missed in the morning of every day,  
Missed in the evening as night slips away,  
Missed in a thousand and one little things,  
Around every corner a memory clings,  
Precious memories, tears unseen,  
Wishing your absence was only a dream.  
(Loved and remembered always by Marie and Ian.)

Away in the beautiful land,  
with God,  
In a valley of peace so fair,  
Some day, some time, dear mother,  
We will find you waiting there,  
We will know your voice in the heavenly crowd,  
And your steps on the streets of gold,  
And the same sweet smile on your face,  
We knew in the days of old,  
Your memory is our greatest treasure,  
Deep in our heart you will live forever.

That others cannot see  
They are mine to keep forever  
From which I will never part  
I hold them very close to me  
Locked within my heart  
In Heaven one day I'll find you  
And all this hurt will go  
I'll put my arms around you  
And say I've missed you so.

Around every corner a memory clings  
A mother, a friend, a grandmother too,  
We all thought the world of you,  
Of all the gifts in life,  
However big and small,  
To have you as my mother,  
Was the greatest gift of all.  
(Lovingly remembered and missed your daughter Anne and Bob, Lisa, Stacey, Jason, Reece, Tony and Cameron.)

## STRADBALLY AFC NOTES

### STRADBALLY LOTTO

The second draw of our newly launched lotto took place last Sunday evening in Curran's Bar in Stradbally. We had no jackpot winner. The numbers being 1, 7, 9, 10. There was three consolation prizes of 20 euro each which went to Paula Barry, Sheila Wall and Paddy Flynn. Next draw takes place on Sunday the 3rd August in Durrrow Pub. Please support. Jackpot will be 1200 euro. Tickets at 2 euro each or 5 euro for three entries.

Profits from this draw will be used solely for the new development of sporting and recreational facilities in Stradbally. We are looking for more sellers especially from players and hopefully parents of underage players. It is you that will benefit. Please contact Garvan at 086-8351233.

### SINCERE SYMPATHY

Our club would like to extend its sincerest sympathies to the O'Brien family. Michael O'Brien passed to his eternal reward last weekend.

Michael (Mickie) was an highly intelligent and articulate gentleman who was deeply involved in the community through his interests in farming, quizzes, school board of management, cards etc. His family have been involved in our club for many years.

May he rest in peace.

### SNIPPETS

Nice to see Waterford United moving back to second place in the Premier League after a great win over Cork City last Friday evening. Next match is away to Shamrock Rovers on the 1st of August.

Commiserations to the Waterford hurlers last Saturday evening and especially to our own Michael Walsh but a great sporting occasion with a Waterford connection took place in Croke Park last Sunday with Laois winning the Leinster Final after over fifty years.

Both main sponsors of the Laois team are Waterford companies QK Meats and Azzurri and what about Michael Lawlor who is related to a football dynasty from Ballyvoile.

Great to see so many from the area involved in the Samba Camp in Dungarvan. Hopefully we will have a number of Ronaldo's come next month at training.

# Modeligo F.C. Notes

The Annual General Meeting of Modeligo Soccer club was held recently in Modeligo Community Centre. Overall it was a poorly attended and quite affair. The new officers for the year are as follows: Chairman: Mike Hourigan; Treasurer: David O' Donovan; Secretary: Shane Troy; P.R.O.: Sean O' Neill.

It was great to hear that our inspirational manager Vince O' Donovan is staying on for at least another year. It was agreed by all present that the players will be brought together before the season starts. The players have to realise that we are now playing Division One football and the commitment has to be 100% again, as it was last year.

At the recent Red House League A.G.M we were allocated our tickets for the year. We hope that everyone in the parish and the surrounding areas will help us and buy some. The funds in the club are practically nil and the more support we get the better off we will be.

It is a Modeligo club for Modeligo parish run by Modeligo people, so please help your local club when the sellers come around.

As the Chairman of the Red House League stated at the A.G.M. we have one of the best, if not the best facilities in the league. It was in fact the show pitch of the league hosting two Oscar Traynor matches and a cup final. As well as that we have two of the top officials in the league. We had four players play for the Red House League Oscar Traynor cup side and have two members on the Under 18 Inter League Red House League squad.

It is a club the people should be proud to have and let's hope we get the right support for the coming year.

**BOXING NEWS****Ireland v. Canada**

The President of the I.A.B.A. Mr. Dominic O'Rourke and the Kildare County Board hosted this fantastic two tournament event, the first on Friday night the 11th of July at the G.A.A. Centre, Athy and the second was a dinner show on Sunday the 13th at Tougher's Naas.

Dungarvan's Jeremy O'Mahony was selected for both shows. On the first show he stepped up age and weight to take on light heavy Mike Reid, Canadian silver medallist.

The opening round was a bad round for Jeremy, he started off very slow and left Reid dominate, but in the second he came out fighting and pushed Reid back winning the round. The third round was very close with a lot of inside fighting which suited Reid as he was very good with upper cuts and hooks as indeed were all the Canadians. They seemed to prefer to box at close quarters. Mike Reid won on a points decision.

Jeremy's next fight was on Sunday and this time at middleweight, a weight which he is much stronger at. He took on Canadian Youths Champion Chad Bigras. This contest was full of tension as Bigras had boasted earlier in the dressing room that he was going to stop Jeremy, words he would regret saying! Bigras came under fierce pressure from Jeremy and had to fight his way back you could tell there was no love lost between both boxers and the referee had his work cut out as both of them are over six feet tall and were not holding back or pulling punches. Jeremy went on to win the contest which will go down well on his record book. Incidentally both

Dungarvan's Killian Walsh (on left) and Jeremy O'Mahony with Mike Reid of Canada

boys shook hands before the show was over and departed the best of friends. They were even talking about a rematch but this in Canada.

Another well known Dungarvan boxer to make a come back after an absence of nearly Ten years was Killian Walsh. Killian coaches the local club and was forced to give up boxing after a serious car accident the same year that he won an all Ireland military title for the second time. He is training away quietly preparing for the Dungarvan club's annual tournament in the Park Hotel on the 7th of September against an

English Team. It's on this tournament that he was hoping to make his come back, but when an opportunity arose to box on the Irish team against Canada he jumped at it. He boxed Mike Reid the light heavyweight who beat Jeremy O'Mahony on the Friday night, and what a fight it was Killian stood toe to toe with this very strong Canadian for an action packed contest. Killian's fitness was called into question in the last round which probably cost him the bout, none the less he still got a massive response from the packed audience at Tougher's. Have no doubt Kil-

lian will be 100% fit for the Park Hotel and have no doubt he will win!!

Last but by no means least and boxing out of Dungarvan was Alan O'Callaghan He represented the local club at the National Juvenile Championships this year and lost out by only one point. This time he took on Paul May, Alan was only offered the bout that morning, luckily enough he was also training for the Park Hotel show and was fit to box, Alan dominated the opening round, but a very strong May fought his way back and managed to win on a majority decision.

**Dungarvan Cycling Club****Joe Fitzgerald... An Appreciation**

It is my privilege to attempt to summarise the profound influence Joe Fitzgerald has had on the members of Dungarvan Credit Union Cycling Club, and thus on the club itself. Joe was a very keen leisure cyclist, but it was his inspirational leadership on and off the road, which helped in no small way to direct the affairs of our club. He served on committee with us for several years, and did so much work in the background. He served also on Munster Council and at national level with the Irish Cycling Federation, and was an organiser extraordinaire. We are also very grateful to Joe for his passion to drive on any lagging souls to perform beyond the call of duty for a sport we love, as Joe undertook gladly so many of the tasks associated with running cycling events, be it a leisure event, a competitive event or even his ambition to involve greater numbers of beginners in recreational cycling.

Joe's love of cycling, com-

bined with his business acumen and contacts led him down the road of major fund-raising events for various local and national charities, initially around Youghal where he worked, and latterly with our club. The great fun we had on several MS Cycle fundraisers was second only to the funds raised for this very worthy cause. Joe was also instrumental in bringing on board Cappagh Hospital in Dublin for our 1999 trip to Donegal.

My abiding memories of Joe are during this four-day trip from Mizen Head in Cork to Malin Head in Donegal. It was Joe who solo-cycled 20 miles back from Galway towards Ennis to assist a fellow cyclist in difficulties. It was Joe who attended with a fellow cyclist for medical treatment in Tuam. It was Joe who drove the support van back from Donegal, having successfully completed our 400-mile journey. It was Joe who watched over things, and made it his business to have things right. But above all, Joe was able to sit back after a tough day in the saddle and

enjoy the company of club-mates. Our celebration of his 54th birthday on this trip in June 1999 was very special.

We had been aware of Joe's illness from the beginning, and on many occasions we stopped in at Lackaroe on a spin around Youghal Bridge. He was always

most welcoming, and eager to keep up with the latest club events. He had talked about getting back on the bike again, but unfortunately this never came about for dear Joe. The wheels have stopped turning, but the memories linger. Thank you, Joe.

**EAST MUNSTER IRISH SENIOR CUP :**

The south Eastern section of the Senior Cup was held this year in Dungarvan Golf Club. The course was in superb condition with the heavy rain on Friday having little effect on the course, which was playing long and tough. Dungarvan's team did themselves proud and could not be faulted for effort or preparation. Team managers Tom melody Jnr, David Hayes and Donal Considine left no stone unturned in their preparation and our best efforts were just not good enough to beat a strong West Waterford team who came so close to beating the favorites Tramore who went on to win the tournament. The senior cup panel would also like to thank all the supporters who came to watch on the day.

David Buckley wins Ulster Bank Open Singles: Up and coming golfer David Buckley won last Thursdays Ulster Bank open singles with an impressive 42 pts. The bulk of David scoring was done on the back 9 which he covered in one under par for a massive 24 pts. David who plays off (11) has been playing superb golf of late, it was a close call however as visitor Robert Wheeler (10) from Ross on Wye golf club also returned 42 pts to claim second prize. David Briden from the Gold Coast claimed the gross prize with a 3 under par round. The Ulster Bank Open Singles Stableford is run every Thursday and visitors are very welcome to come and enjoy our championship course.

### VICE PRESIDENTS PRIZE.

Played in glorious sunshine and near perfect conditions, the Vice Presidents prize was a huge success and the huge entry was a great tribute to the very popular Vice President, Kieran Cullinan. Kiki's contribution to the club has always been outstanding, never missing any matches concerning teams from the club, always willing to help out with any events, one of the main organisers of the Golf Marathon and a good representative for any golf club to have. It is easy to see why such a huge entry was received for his prize. The course was in its usual immaculate condition and with the favourable conditions; this led to some great golf being played. Four players scored 43 pts, Dermot Ahearn being the unlucky one not to receive a prize, and a number of 42 pts were scored as well. A good day all-round.

### FIXTURES:

It was good to see so many club members present to watch the proceedings.

### NEWS BITS.

The Senior Alliance would like to welcome Tony Dunford to their ranks, one of our esteemed golfers is looking for a road map to show him the road from Dungarvan to Youghal and Paudie is hoping to recover the bit of a car he lost in Cahir Park last week and the wall came down but it took a mighty struggle.

Condolences:

The Club would like to offer it's deepest sympathy to Paul O'Riordan on the bereavement of his father.

### CHARITY GOLF MARATHON

Last year on September 11th, saw the first GoldCoast Charity Golf Marathon. To everyone involved it was probably the most enjoyable day's golf they ever participated in and while many were feeling the strain at the end of the day, there was that wonderful feeling of having taken part and being involved in raising the massive amount of 60,580.00 for various charities.

We are planning to run the Marathon again this year, on the same date, and the next meeting will be on Tuesday night 29th at 8.00p.m.

Anyone interested in helping with the Marathon, either playing, stewarding, catering, or donating, can contact Brendan O'Brien on 086-8390871 or any team captain. The team captains for this year are Tom Considine, Nicholas Fitzgerald, Kieran Cullinan, Tony Dunford, Mark Lenihan and Thomas Larkin. Teams are filling up nicely and it is hoped to be able to announce the full list in the next two weeks. Next week we will announce the charities to benefit.

# DUNGARVAN G.A.A. CLUB NOTES

## U8 AND U10 HURLERS IN CAPPOQUIN TOURNAMENTS

**U8 Hurlers** — Congratulations to our U8 hurlers who followed up their win in the Brickey tournament with victory in the Cappoquin U8 tournament last Saturday 19th July. Dungarvan were in Group 1 with St. Olivers, Cois Brid and Clonea Power while Cappoquin, Brickeys, Lismore and St. Pat's were in Group 2. Dungarvan won their three group matches to qualify for the final against the Brickey Rangers. The boys led from the start and held on to win 2-2 to 0-5. After the final the Cornerstone Cup was presented to Dungarvan goalkeeper and Captain Gavin Power and every member of the panel received their winners medals. Our U8 panel in Cappoquin were Gavin Power, Joseph Allen, Timothy McGrath, Rian Crotty, Kevin Daly, Patrick Curran, Darragh Lyons, Shane Duggan, Tyrone Duggan, Ciaran Dee, Denis McGrath, Dylan Crotty, Mark Power.

**U10 Hurlers in Cappoquin Tournament** — Congratulations to our U10 hurlers who completed an excellent double by winning the U10 tournament in Cappoquin last Saturday morning. Dungarvan were in group 1 with St. Olivers, Cappoquin and Brickey's while St. Pat's, Cois Brid, Clonea Power and Lismore were in Group 2.

Dungarvan won their three group matches to qualify for the final of the tournament against a very strong St. Pat's team. The game was very close and exciting with St. Pat's leading at half time by 2 points to 1 point. The crucial score of the second half came when

Cathal Curran's well struck free found the St. Pat's net to give Dungarvan the lead for the first time. St. Pat's replied with a point but in a tension packed finish Dungarvan held on to win by the narrowest of margins. After the final the Paddy McCarthy cup was presented to Dungarvan Captain Richard Walsh who thanked St. Pat's for a great game of hurling.

Our U10 panel in Cappoquin was Ryan Donnelly, Conor Sheridan, Tomas Harty, Sean Murray, Richard Walsh, Craig Barry, Cathal Curran, Kieran O' Neill, Frank Duggan, Damien Coward, Lee Hyslop, Patrick Houlihan, Conor Mulcahy, Conor Regan, Glenn Power, Cormac Coleman, Sean Hyslop.

Our thanks to Cappoquin for their invitation to their annual tournaments and for their hospitality throughout the day. Our thanks to the parents who provided transport and stayed to support the teams.

Well done to our U8 and U10 hurlers.

## UNDER 16 HURLING

Our under 16s played their second round game in the county league on Monday night last against Cois Brid. Coming off the back of a poor performance against Portlaw/Mollerans we needed to raise our game considerably and while we didn't get the result we wanted, our standard of play and more importantly our level of commitment and discipline was much improved.

In a scintillating game that saw the ball in the back of the net no fewer than ten times, the boys ran out losers by five points on a score line of 5 - 11 to 5 - 6.

Trailing by 1 - 8 to 1 - 3 at half time, with Wayne Flynn scoring a fortuitous goal from a long distance free, the lads, instead of throwing in the towel, put in a tremendous effort in the second half and with only a puck of a ball between the teams with a couple of minutes to go, the game could have gone either way.

Despite loosing, the selectors can take a lot of heart from this performance and it was particularly encouraging to see so many lads turning up - 23 in total.

In a game where everyone gave his all there were some special performances worth mentioning from the likes of Michael Murphy at centre back who played most of the match with a nose injury, Shane Whelan and Wayne Flynn at Centre field who worked tirelessly throughout the game, Kieran Wall at right half forward and

Brian Bannon who was outstanding at centre forward making several penetrating runs through the Cois Brid defence.

Our next match in this competition is Thursday night the 24th July in our club grounds at 7.30 p.m. and we would ask people to come out and support the lads.

Team: Gavin Crotty, Killian O Dwyer, Barry Moore, Sean Nesbit, Stephen Barry, Michael Murphy, Barry O Shea, Wayne Flynn, Shane Whelan, Kieran Wall, Brian Bannon, Michael O Shea, James Ducey, Michael Walsh and Darren Sheehan.

Subs: Donal Cregan, Kevin Kiely, Karl Duggan, Trevor Crotty, Shane Tobin, Finbar Sexton, Tony O'Donoghoe, Michael Ryan.

## C.L.G. COIS BHRIDE G.A.A NOTES

### UNDER-12 HURLING WESTERN FINAL Cois Bhride 5-4 Ballyduff 3-3

Cois Bhride U12 hurlers won their second U12 hurling western title in a row last Sunday afternoon in Lismore when they had 7 points to spare over Ballyduff after a very close match. The scoreline doesn't do justice to a gallant Ballyduff side who pushed us all the way. Cois Bhride took the lead with a goal from Eoin Roche but Ballyduff fought back and led by 2-2 to 1-1 at half time. However, our lad's upped their game in the second half, and goals from Stevie Barry (2) plus Dean Hennessey and Eoin Roche plus a couple of excellent points from Ray Barry in a thrilling finish sealed the win. Afterwards Jimmy McGrath of the Western Board na nOg presented the shield to captain Kevin O' Brien who played a captain's part at centre back.

## Abbeyside Ballinacourty G.A.A. Notes

### JUNIOR FOOTBALL CHAMPIONSHIP

We played the second round of the Western championship on Sunday night last where we took on Old Parish in Ring. We were short some of the 'Old Brigade' due to holidays and injury, however some of our younger players stepped into the breach to play very well on the night. Despite playing with a strong wind and the hill in the first half we only led 1-01 to 0-2 at half time and things didn't look great for the second half. Yet, in the second half the team played some good football into the wind to run out winners on a score of 3-08 to 0-09.

Team: P. Enright, L. Briggs, K. Browne, D. Cashin, P. Phelan, J.P. Keohane, J. Kindregan, J. Keohane, S. McGrath, M. Fives, S. Hanrahan, M. Fives, S. Kiely, P. O'Brien, P. Hurney. Subs: J. Mullen for P. O'Brien, C. Shields for J. Keohane.

### MINOR FOOTBALL

On Friday last we played Clashmore in Bushy Park in the third round of the Western Championship. Again the lads played very well throughout to win on a scoreline of 0-13 to 0-4.

Team: D. Byrne, S. Power, J. Kindregan, S. Shields, J. Mullins, S. Hanrahan, T. Murray, P. Lynch, P. Phelan, M. Gorman, M. Fives, J. Gorman, D. Ryan, P. Hurney, B. Scanlon.

## Tourin GAA Notes

### TRAINING

Continues to be at 7.30pm. every Tuesday and Thursday nights. Very good turnouts at these sessions. But the usual suspects are still not turning up. It's a pity that they think so little of their teammates.

### CHALLENGE GAMES

Our game against Ballysagart due to be played last Friday night had to be called off due to weather conditions. We will arrange one for this weekend you will be notified at training

### CHAMPIONSHIP

No dates still available. Now that our all Ireland dreams are over- we should be back on championship duty shortly. I will publish dates of games when I receive them.

### SPONSORED RUN

Goes ahead on Sunday, Aug. 3rd. I would ask all players to make an effort to fill their sponsorship cards. It's financially hard to run a club nowadays. So all monies will be gratefully received

### BON VOYAGE

To Johnny Barry and family on their return home to the States. Hope ye enjoyed your holidays. It was nice to see you down at the training sessions.

### DISCIPLINE

We played Tallow in a challenge game recently. The game was very beneficial to us - it always is when you play Tallow. However, the behaviour of two of our players on the field was not good enough for this club. It is a situation that cannot and must not be allowed happen again from any player wearing the Tourin jersey.

# Remembering Other Days

Our photograph for our Remembering Other Days feature this week takes us back to the year 1950. Featured are the John Mitchels hurling team, Dungarvan, founded in 1949 and the picture was taken prior to a game in Lismore GAA field on April 26th. Photo shows: back row (l. to r.) Chris Cummins, Mickey Butler, Pat Veale, Pa Tutty, Jimmy McCarthy, Michael O'Brien, Nickey O'Connor, Mattie Fitzgerald, Paddy O'Flynn, James Murray, Willie O'Sullivan, John Fitzgerald, Billy McGlynn, Jimmy Veale; middle row: Tom Attridge, Paddy Kirby, Tommy Sheehan, Donal Whelan; front row: Peter O'Brien, Alo Butler, John Harris, Kevin Finn, Ned Veale, Joe Murray, Mickey Hurley.

## FOURMILEWATER HURLING CLUB

### UNDER-13S

FMW played Tallow in Tallow recently and in a very low scoring game lost by 1:02 to 0:02. This is a game we should have won. We now go into division two of the c/ship so we have plenty of games left yet.

Team: K Guiry, P Horkan, A McGrath, J McCrath, J P Fitzgerald, P Fitzgerald, K A Condon, S Whyte, J Fenton, T Walsh, D O'Donnell, T Coffee, D Mulcahy, O Connolly, P Cooney, E Cooney, S Ryan

### UNDER-16S

The U/16s played their first game in the c/ships last Tuesday against Stradbally away. They came away with a win on a score line of 2:07 to 0:06. The score at half time was 1:02 to 0:06. This was a great start to a campaign where we will have to play five games. Shane Gleeson has a good game at mid field and the full back line of Shane Lawlor, Dave O Gorman and Pat Ryan also doing very well. In the half back line Leonard English tried hard with Paul Horkan solid at center half back. Craig Guiry had a great game at center forward. James

Ryan was a two-goal hero at full forward. Our next match is against Clashmore

Team: T Walsh, S Lawlor, D O'Gorman, P Ryan, L English, P Horkan, S Byrne, D Coffee, S Gleeson, T McCarthy, C Huiry, S Huiry, M Walsh, J Ruan, S Carney, Sub J Doocey

### UNDER-21S

The County Board ruled out our appeal in respect of the under 21 semi final against Tallow. They felt that the Western Board might look again at the facts and reinstate us, however the Western Board voted again to expel us from the competition which of course they are entitled to do and we have to accept his ruling. The real loser here is the game of hurling and there are those who would feel we were made scapegoats of. On the night the match was due to be played we would have had to use u/14 players to make up a team (which we would not be allowed to do anyhow) as it was exam time. In fairness to Tallow they never wanted to reach the final this way and at all times wanted the game played. At the end of the day

games should be decided on the playing pitch. Still there's no point in dwelling on it and we wish Tallow the best of luck in the final.

### SENIOR HURLING LEAGUE.

FMW 0:20  
MOUNT SION 4:07.

We traveled down to Mount Sion in Waterford city to play the champions in the league and came away with a one point win. This is victory was against what was effectively the champion's second team. Manager Mike Guiry was reasonably happy but still feels a greater effort is needed. Attitudes will have to be right if we are to make progress later this year when we line out against Ballyduff Lower. All the team tried hard here. Brian Wall was top scorer with a personal total of 0:08. Ian Walsh was another player to show well.

The facilities at Mount Sonia are first class. They really have a fabulous set up there. We would like to thank them for re arranging this game which should have been played earlier

in the year but wasn't due to a mistake on our part.

Team: T Doocey, S McGrath, A Ryan, J Walsh, R McCarthy, I Walsh, L. Walsh, A O'Gorman, D Spellman, T Flynn, B Wall, G Walsh, P Wall, D Ryan, P Walsh, Subs L Lawlor A Lawlor, R Rice.

### BON VOYAGE

Bon Voyage to our goalkeeper Tom Doocey who is off to New York for the summer. Tom is a great clubman and here's hoping he has a ball there. I suppose this will ruin his chances of making the county panel but as Tom would say himself "That's Justin's loss"

### GET WELL SOON

Here's wishing a speedy recovery to Johnny Halligan of Fourmilewater who was hospitalized recently. Johnny is a big Waterford and FMW supporter. I love meeting Johnny as he is never in any doubt to the outcome of matches when Waterford are playing even if I am. His best moment to date was the 2002 Munster final against Tipp.

So get well soon Johnny as we all need a bit of reassuring

and we have a long year ahead yet.

### QUESTION 6

What two FMW players played U21 Shinty Internationals for Ireland against Scotland? One in 1994, the other a few years before. So we have International players in the club

### ANSWERS NEXT WEEK

### WATERFORD V WEXFORD

No luck on Saturday night. In the end we were beaten by a better team and we have no excuses. Again we lost a six point lead in the first half which no team can afford to do in Championship Hurling. The Wexford players seemed to adapt better to the slippery conditions and veteran Larry Murphy played one of his best games for the Yellowbellys. They will be a very hard team to beat.

We have to be positive here as it's the only way we can improve. Eoin Murphy played very well as did James Murray and Declan Prendergast. Some of our big names didn't play well but it was good to see an improvement in Ken McGrath's game. John Mullane was unfortunate to have problems with

a contact lens. Paul Flynn did his best and now that his Inter-County season is at an end, he should be in the shake up for an All-Star. There was massive support for the Deise on Saturday and the supporters never gave up. Now it's on to the local Club Championship and hopefully whoever wins it can go on to Munster and All-Ireland honours.

### FOURMILEWATER V BALLYDUFF LOWER.

Hopefully this game will be played this weekend. The fixture was originally scheduled for early May but was continually put off due to Inter-County action. Fourmilewater have played a lot of games so far but have yet to have their full squad to pick from. This team has the ability to go a long way in the Championship but it's down to attitude on the towards what is a vital game for the club. We would appreciate more support for the team. It's very encouraging for the players to see local faces present at the venue. Check elsewhere in this paper for details of start time and venue.

### DISAPPOINTING WEEKEND FOR WATERFORD

Last weekend was a rather disappointing weekend for GAA followers in Waterford. The County Senior hurlers were beaten as we all know against Wexford on Saturday evening in the third round of the All Ireland qualifiers at Nolan Park. On Wednesday evening our County Intermediate hurling team were beaten in the Munster Final for the second year in a row. Last year it was Tipperary who emerged victors in Cork and on Wednesday night it was Cork who were crowned provincial champions at Leahy Park in Cashel.

On Saturday afternoon last, the County under 16 footballers were defeated in the Munster Shield Final at Askeaton against Tipperary. Waterford lead at the break but by the time the full time whistle was blown, we had to settle for second best, going down 3-6 to 1-6 to the Premier County.

The Waterford panel of players is as follows, John Gorman, Diarmuid O'Hehir, Richie Foley, Jason O'Brien, Mark Ferncombe, Willie John Kiely, Brendan Walsh (all Ballinacourty), Pdraig Healy, Brian Keane, Declan Barron (all Ardmore), Brian Phelan, Steven O'Connell, Mark Scanton, Aidan Browne (all St. Olivers), Fintan Walsh, Steven Raher, Conor Hayes (all Kilrossanty), Evan Morrissey (Nire), John Kirwan, John O'Mahony, Michael Halpin (all Rathgormack), David Collins (Gaultier), Christy Power, Andrew Murphy, Johnny Cooney (all Brickeys), Brian Bannon (Dun-

garvan), Emmett Kelly (Clashmore), Cormac Tierney (Ferrybank). This year's team mentor's are Declan Barron (Ardmore) and Sean Cleary (Ballinacourty).

Waterford now have just one team left in the championships this year. Our remaining team in championship action are our under 21 footballers who face Cork at Walsh Park at the end of the month.

Our ladies teams will also be trying to keep the county flags flying for another while. The Minor 'B' Camogie team are in All All-Ireland Final against Armagh on August 3rd and the County senior ladies football team are in a Munster Final against Kerry. The very best of luck is wished to all three of these teams.

Congratulations to the De La Salle under 14 team on making it an All-Ireland Double recently. The team travelled recently to take part in the finals of Feile Peil na nOg competition and came home winners of their division. In their final they beat Eire Og from Carlow. The overall winners of this year's Feile Peil na nOg were Dublin side Kilmacud Crokes who were making their debut in the competition. In the division on final they beat Castlebar from Mayo.

### SYMPATHY

Sympathy is extended to the Phelan family from Cappagh on the death of Michael Phelan last week. Michael's son also called Michael is well known in GAA circles. He is heavily involved with the different Primary School teams and is also involved with the St. Olivers Club.

## Gaelic Games Coaching Corner

### WATERFORD SENIOR HURLERS

No joy at Nowlan Park last Saturday as we failed to overcome a very strong and determined Wexford side. Our lack of consistency proved fatal once more and we were never really in it in the second half. Wexford battled hard and ran out winners in the end. Have no doubt but this Waterford Team will be back.

### INTERMEDIATE HURLERS

Hard luck to the Intermediates who lost out to Cork in the Munster Final last Wednesday.

### UNDER-16 FOOTBALLERS

The u/16s lost out in the plate final against Tipperary in Askeaton last Saturday. It was a great game of Football and could have gone anyway. Well done to all the panel of Players and their Management.

### CLASHMORE ARE UNDER 12 CHAMPIONS

Clashmore and St. Patrick's reached the division two final of the Declan Kiely Painting and Decorating Contractor under 12 hurling final at Cappoquin last Sunday. From the off it looked as if the game was going to end in a draw as the two sides seemed very evenly matched. The feelings of those at the game proved right with the game ending on a scoreline of Clashmore 2-2, St. Patrick's 1-5.

The two sides replayed at Bushy Park on Thursday night last. From the off Clashmore were well on top. Brian O'Halloran in centre field was brilliant. He won every thing. From his attacks he either scored or got others into good positions to score. At the break Clashmore were 2-6 to 0-1 in front.

Clashmore continued in the second half where they left off. Brian O'Halloran continued to have a field day in centre field. St. Patrick's did battle hard in the second but were never going to win the game. St. Patrick's had good performances from Patrick Walsh at centre back and in goal, nine years old Eoin Kearns had a great game. He could not be faulted for any of the goals that went past him. He is one to look out for in the future.

The final score in the game was 4-11 to 1-3. After the game Western Bord na nOg Secretary Thomas Keane presented the winner's trophy to the winning Clashmore captain Brian O'Halloran.

### BALLYDUFF v COIS BHRIDE

The division three final of the Declan Kiely Painting and Decorating Contractor Under 12 Hurling Competition fixed for July 13 were called off at 48 hours notice when Ballyduff found that they were unable to field a team for the final. The game was re-fixed for last Thursday evening in Cappoquin but at a the eleventh hour the game had to be called off as the Cappoquin field was deemed unplayable following nearly 48 hours' continuous

heavy rain. The game was re-fixed for Sunday evening last in Lismore.

### DIVISION ONE FINAL

The division one final of the Declan Kiely Painting and Decorating Contractor under 12 hurling competition was played in Cappoquin last night between Cappoquin and Dungarvan. In the semi final Cappoquin had a one point win over Lismore at Ballyduff recently.

The draws for the semi finals will not be known until the results of the last round of league games are known. The semi finals of division two will go ahead this weekend.

In division three, Clashmore and St. Olivers will meet in one of the semi finals with Stradbally and An Gaeltacht meeting in the second semi final. The division three semi finals will take place this weekend in the Dungarvan area.

In the two years that Feile na nGael was here every school received a visit from the then president of the Gaelic Athletic Association, Jack Boothman, or one of his

predecessors visited every school in the county as well as some of the top hurlers in the country.

### UNDER-12 HURLING

Well done to our U12 hurlers who had a great victory over St. Patrick's in the Division 2 Western final which was played in Bushy Park on Thursday evening last. We continued to press home the advantage in the second half and finished easy winners on a scoreline of Clashmore 4-11 St. Patrick's 1-2. After the game the Bord na nOg secretary Thomas Keane presented the cup to our captain Brian O'Halloran. Thanks to all who helped out with the training of the team especially trainers Liam O'Rourke, Michael Byrne, Patsy Collins and Donal O'Connor. # Waterford Lose U-16 Plate Final To Tipp.

**WATERFORD 1-6 TIPPERARY 3-5**  
 This Under-16 Munster Championship plate final played at Askeaton in Limerick on Saturday morning last was a very disappointing result from a Waterford point of view as this was a game when few things went right for this side who worked very hard to get here.

Waterford played with a strong wind in the first half and while they had built up a five point lead by half time thanks in the main to some fine scoring by Michael Halpin who hit 1-2, Jason O'Brien 0-2 and John O'Gorman 0-1 they should have been much further in front as a number of opportunities were wasted with two goal chances also being missed. Waterford led by 1-5 to 0-3 at half time but given the strength of the wind it did not appear to be enough. Tipperary however were finding it difficult to penetrate the Waterford defence and with just twelve minutes left Waterford were still a goal to the good. Disaster then struck in the shape of an injury to goalkeeper Brian Keane and while he played on for a few minutes he was forced to give in as Tipperary scored an equalising goal. His deputy Steven Raher took over as Waterford also introduced Diarmud O'Hehir into midfield. Waterford then missed a glorious opportunity to go back in front when Jason O'Brien was put through but the Ballinacourty player failed to hit the target with only the keeper to beat and a great opportunity

was lost. Had he scored Waterford may well have won. It was Tipperary however who regrouped and they scored a goal with three minutes remaining to go back in front again. Waterford to their credit never gave up and Declan Barron pointed a free before setting up Brian Bannon for a final shot on goal that was again missed. In injury time Tipperary added a third goal to give them a win that on the day they just about deserved as they took the chances that came their way while Waterford did not. It is a hard lesson but one we hope that will be well learned for the years ahead as this is a very dedicated bunch of young footballers who if they are kept together have the ability to improve.

The team management would like to place on record our thanks to all of the players and indeed to the parents who drove them to training and practice games. Also to Bord na nOg for providing them with lovely tops and while defeat was their lot on Saturday last the whole panel can feel well pleased at being the first team from Waterford to reach the Plate Final.

Waterford: Brian Keane, John Kirwan, Brian Phelan, John Cooney, Fintan Walsh, Conor Hayes, David Kett, John O'Gorman, Steven O'Connell, Mark Ferncombe Captain, Andrew Murphy, Brian Bannon, Michael Halpin, Jason O'Brien, Declan Barron, Steven Raher, Diarmud O'Hehir, Aidan Browne, Mark Scallion, John O'Mahony, Christy Power, Pdraig Healy, Richie Foley. Also part of the panel but unavailable on Saturday last were David Collins, Cormac Tierney, Emmett Kelly and Evan Morrissey.

**G.A.A. NOTES**

**TASK FORCE TO LOOK AT CLUB SCENE**

It is now being realised that the intense intercounty programme is leaving the club scene in a sorry state and it is good to see that measures to address the problem are in hand. At least this is what the Special Task Force which was last week set up by the President, Sean Kelly, are hoping to achieve.

Because the club scene has to be ignored in many counties who 'close shop' while the county teams are still engaged, there is concern at the highest level and the special Task Force headed by Pdraigh Duffy are asked and expected to have firm proposals ready for decision by Congress in Killarney next April.

Here entering the final ten days of July we have still not started the senior hurling championship and have played only one round of the senior football. Many other counties find themselves faced with a similar plight.

It is a situation that cannot continue if clubs are to survive.

The non-stop intercounty activity, which commences in January (McGrath Cup) is doing untold harm to the club scene and one way of easing the problem might be to commence the national leagues in October and have 3/4 games played in hurling and football before the winter break. This would certainly ease some of the pressure in the new year.

Every county in the association will look forward with interest to the recommendations of this committee.

**Monnie McGuire R.I.P.**

A big man in every sense of the word but more so in the days of Kilrossanty dominance in the senior football championships, when with his brother Dick, he contributed enormously to the Comeragh club's rise to football fame. A member of their famous four in a row team, Monnie also played football while serving in the army during the Emergency. He once told me that while in the army he was more in demand as a hurler.

His recent death brought back many memories to those of his many admirers who are still around. To the surviving members of his family we offer our deepest sympathy.

**Facts from Saturday's Game**

**STEWARDED**

It is not a topic that I normally refer to, but because of the magnificent way the game here at Nowlan Park was stewarded on Saturday I feel obliged to commend the Kilkenny County Board on their outstanding organisation in this regard.

The board decided that in order to do the job properly, they would allow no games in any grade to be played on Saturday. Each of their 40 clubs were notified to send 10 stewards. 372 turned up. The majority were around the stadium but a big number were outside and did not see a minute of the game. And it was all voluntary. I was given this information by a top county board officer who was on duty outside the field and saw only the last 8 minutes of the match. Many people were surprised at seeing Eddie Keher in the role of stewarding at the venue. Well done Kilkenny.

**ATTENDANCE**

It was about 24,800. The venue had been given clearance for 30,000 but about 6,000 tickets, mostly terrace, were returned. Waterford sent back 2,300.

**QUARTER FINAL DRAW**

Waterford would appear to have lost out on having a Croke Park date in the quarter final against Antrim on Sunday next.

The draw has Wexford playing Antrim and Tipperary meeting Offaly.

If Wexford survive and they likely will, they will play Cork in the semi-final. If Waterford were in the same situation, they would meet Kilkenny in the semi-final.

If Tipperary win on Sunday they will meet Kilkenny.

**G.A.A. OPEN DAY**

The County Development committee are holding an "Open Day" for all clubs in the county on Saturday next commencing at 11 a.m. at the Park Hotel. The object of the decision is to provide clubs with information on club physical development and pitch development and maintenance.

Guest speakers will attend and there will be a question and answer session before moving on to Fraher field where over 20 exhibitors have been invited to provide displays and demonstrations. All clubs have been advised to send 2 representatives. Refreshments will be provided and the business will finish at 2 p.m.

**Co. Board Meeting**

The county committee will meet on Monday evening next for the July meeting. It was deferred until the last Monday because there will be no board meeting during August because it is the holiday month.

## SENIOR HURLING QUALIFIER AT NOWLAN PARK

# Rampant Wexford Push Waterford Out Of The Title Race

**Wexford 1-20  
Waterford 0-18**

Waterford beaten by Wexford 1-20 to 0-18 in the All-Ireland qualifier in Nowlan Park, Kilkenny. —(Photos: Sean Byrne).

For Waterford hurlers the show is well and truly over for yet another year as Wexford hurlers came thundering back from a six points first half deficit to win a place in the All Ireland quarter finals with five points to spare and win deservedly in this qualifier match at the Kilkenny venue.

Having led the Leinster side a merry dance for 25 minutes and not flattered by a six points lead at this point, everything seemed to go awry as Wexford were allowed back into the game and draw level with Jacobs' point in the 35th. minute. The introduction of substitute Larry Murphy

at full forward and the switching of Paul Codd out to centre half forward were the moves that were to prove the killer blows to Waterford who for some reason did not seem capable of coping with this unexpected development.

We led by a single point at halftime but the advantage lasted for less than a minute into the second half and only once did we lead in the second half after Dan Shanahan's 21st. minute point had us 0-15 to 1-11 in front before Paul Codd equalised in under 60 seconds.

We began well and seemed to play copybook hurling for 25

minutes. We certainly did have the measure of Wexford and might not have been flattered if our six points lead had been doubled.

But when things began to go wrong, very few players come out of the game with their reputations unruffled.

For some inexplicable reason we allowed our game to follow the pattern of the last four championship clashes where we raced into a healthy lead and then allowed ourselves to be caught and understandably, supporters have been asking why this situation continues to bedevil the county.

This game on Saturday showed that Wexford had more 'bottle' than Waterford and towards the finish they certainly played with more passion than we did. That was why they deserved to win.

#### What Now?

It looks sure that a few of the players will retire from inter-county duty and that when training resumes for the 2004 championship, several new faces will be seen on our line up. We will have to depend on the upcoming club championships to yield some new prospects. There will be vacancies in defence, midfield and in attack.

#### Manager

The situation about Justin McCarthy is unsure now that his two year term is completed. He did tell one journalist on Saturday evening that with

hurling in his blood, he will be involved in hurling next year. Justin didn't say where or with whom.

#### The Game

John Mullane who was forced to retire with an eye injury midway through the second half contributed 5 points from play and was a continuous threat to the Wexford defence, had our opening score in the first minute and Michael Jacob levelled for Wexford two minutes later.

Ken McGrath showing improvement on his last two games put Waterford back into the lead with a point from play in the 6th minute and Paul Flynn, who had a relatively quiet 70 minutes increased our lead from a free in the 7th minute. Paul Codd from a free and Eoin Murphy from play exchanged scores. Ken McGrath had the second of his 5 points in the 16th minute and the All-Star was back with another good score in the 18th minute. Adrian Fenlon raised a white flag for Wexford before John Mullane hit back with successive points in the 20th and 23rd minutes (0-8 to 0-3). Mullane supplied McGrath for our 9th point and the Deise were really flying at this stage with the crowd shouting them on.

The Wexford player who was subsequently awarded the "man of the match" trophy was still sitting in the dugout and at this point when Larry Murphy was introduced the direction of the

game began to change. He came in at full forward and released Paul Codd for centre half forward on Fergal Hartley. Codd sent over three points in succession within a three minute strike. Then to help shatter our confidence Rory Jacob shot the only goal of the game after a defensive blunder almost on half time. It was level at 1-6 to 0-9 when Dave Bennett pointed to give us a narrow one point lead, 0-10 to 1-6 at the break.

#### Second Half

Paul Codd pointed two frees to give Wexford the lead within 3 minutes of the restart. Rory Jacob pointed from play and a splendid point from play by John Mullane in the 6th minute was cancelled out by an equally fine Larry Murphy point in the 8th minute of this half.

Ken McGrath and Michael Jordan exchanged points before points by Paul Flynn (free) and John Mullane brought the teams level in the 13th minute.

A free by Paul Flynn from 110 yards was wide but a Dan Shanahan point in the 21st. minute gave us the lead again. Codd brought them level in the 22nd minute and Michael Jacobs 23rd minute score gave the Leinster team the lead that they were to retain and build on and eventually run out deserving winners at the finish.

The introduction of Larry Murphy, the switching of Paul Codd to centre forward and the contribution of Rory Jacob

were match winning factors for Wexford.

The loss of John Mullane who missed the remaining 24 minutes of the game after suffering an eye injury was undoubtedly a factor in our defeat.

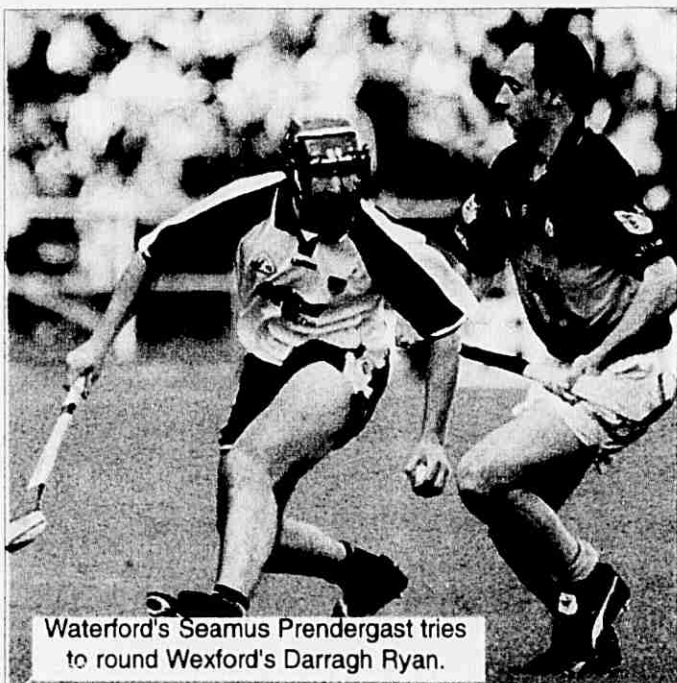

Also of course the fact that quite a number of our men played below form and for the last 20 minutes or so we looked leaderless on the field and the people on our sideline were not working any wonders.

**Scorers:** Wexford — P. Codd 0-8, R. Jacob 1-3, L. Murphy 0-2, M. Jordan 0-2, M. Fenlon 0-1, D. Stamp 0-1, T. Mahon 0-1. Waterford — K. McGrath 0-5, J. Mullane 0-5, P. Flynn 0-2, E. Murphy 0-2, M. Walsh, D. Bennett and D. Shanahan 0-1 each.

# Intermediate Hurlers Defeated In Munster Final In Cashel

Cork 2-12  
Waterford 0-11

Waterford Intermediate Hurling team who lost to Cork in the Munster final at Cashel, 2-12 to 1-11, on Thursday evening last. —(Photo: Sean Byrne).

Played in atrocious weather conditions at the Cashel venue on Wednesday evening of last week, this game suffered as a spectacle because of the continuous rain and the slippery underfoot conditions.

Forced to play with 14 men for 55 minutes when corner back Shane Kearney was sent off after 9 minutes, Waterford were left with a near impossible task but they played very courageously and faced the challenge with determination and guts.

Although beaten, this display was better than their performance against Limerick and supporters will now continue to speculate on what the outcome would be if we had a full team for the 64 minutes.

Just 4 points in arrears at half-time, we were only 4 points behind also with less than that many minutes remaining.

#### Conditions

They could not have been worse and given a fine evening, and had Waterford been at full

strength for the hour, it would have been a top class contest. As it was, it was a game played with passion and determination by both sides.

#### Play

Jonathan O'Connor (2), S. Hayes and J. Quinlan put Cork into an early 4 points lead and by halftime their total was 0-7 as against 0-3 for Waterford who had all three scores by Sean Daly.

#### Second half

With 5 forwards trying to

cope with 6 strong defenders Waterford were not finding it easy to get scores on the board, but nevertheless only 3 points separated the teams at the three quarter stage.

However Diarmuid O'Riordan's 52nd. minute goal was the killer blow and left Waterford with a mountain to climb. Still they battled on courageously and can feel proud of the challenge that they mounted against the odds.

Scorers: Cork — J. O'

Callaghan 0-7, B. Coleman 1-2, D. O'Riordan 1-1, J. Quinlan and S. Hayes 0-1 each; Waterford — S. Daly 0-5, B. Phelan 0-2, A. Kirwan, D. Howard, J. O'Connor and E. Bennett 0-1 each.

Outstanding for Waterford were Sean Cullinane, James O'Connor, Brian Phelan (when moved to defence), Brendan Landers, Kenny Stafford and Sean Daly.

Cork — M. Coleman, M. Prout, J. O'Brien, B. Murphy, J.

Hughes, B. Lombard, K. Hartnet, B. O'Connor, J. Barrett, J. O'Callaghan, B. Coleman, S. Hayes, V. Morrissey, D. O'Riordan, J. Quinlan. Subs: D. Maher and D. Fitzgerald.

Waterford — B. Landers, N. O'Donnell, S. Cullinane, S. Kearney, K. Stafford, J. O'Connor, C. Kehoe, R. McGrath, A. Kirwan, N. Power, D. Howard, B. Phelan, T. Reid, S. Daly, T. Kirwan. Subs played: G. Hurney, C. Watt, N. Dunphy.

## Western Board Meeting

Paddy Fitzgerald, Chairman presided at last week's meeting of the Divisional Board which was attended by about half the clubs in the west. Referees reports were dealt with and an update on the championships was given by secretary Anthony Walsh.

### Under 21 Hurling Championship

Fourmilewater club pleaded to have their dismissal from the championship reconsidered. Michael Danagher, having explained that when a postponement was refused, the club appealed to the GAC without success. Paddy Halpin told the meeting that it was impossible for them to field because of examinations. The Chairman stated that the case had been given two hearings and the officers were not recommending that the matter be reconsidered.

Paddy Fitzgerald felt that the under 21 championships should be played before the summer examinations commence.

The chairman said that with the intercounty minor football being played on a round robin basis and our club minor championships being played, it was far from easy to have the under 21 championships played early.

### Refereeing

Liam Moroney spoke about the refereeing problems in the county and said it was disappointing that the recruiting drive was having little success.

### Draws

The draws for the losers groups in the intermediate hurling and football championships were made and resulted as follows. Intermediate Hurling: Ballysaggart versus Geraldines; An Rinn v Clashmore; Dungarvan v Cappoquin or Lismore;

### INTERMEDIATE FOOTBALL

Shamrocks v Ballyduff or Lismore;  
Sliabh gCua v Affane;  
Geraldines v Emmetts/Kilgobnet.

### MINOR FOOTBALL CHANGED.

Because of the Waterford/Cork under 21 football Munster semi final at Walsh Park on Wednesday of next week, the next rounds of the minor football championship have been changed to August 1st.

## J.F.C. REPLAY

# EMMETTS SHADE REPLAY

EMMETTS 1-11 KILGOBNET 1-8

The eagerly awaited replay between near neighbours and arch rivals, Emmetts and Kilgobnet was played before a large crowd in Leamybrien on Sunday evening last.

The exchanges were tough and uncompromising and there was exciting fare between the sides who were evenly matched.

A Kevin Dwane major after a minute saw Kilgobnet race into an early lead. Points were exchanged, although Kilgobnet were guilty of some mixed chances, which in essence cost them dearly in the end.

On 15 minutes Willie Kiely goaled for Emmetts. Kilgobnet led by 1-6 to 1-5 at half-time and this was seen as a poor return for their dominance. The free taking of Johnnie Wall was the main difference in the second half. The Emmetts showed their seasoned experience and were the hungrier on the day and therefore ran out deserving winners.

Pat and John Dunford, John Flynn, John Wall, Sean Dempsey and Willie Kiely all shone for the Emmetts. Alan Fitzgerald, Chris Lyons, Brian Dunford, Peter Lynch and Kevin Walsh were the best for last years junior champions.

Scorers: Emmetts: J. Wall 0-6, W. Kiely 1-2, K. Casey 0-2, P. Flynn 0-1.

Kilgobnet: K. Dwane 1-0, K. Walsh 0-4, B. Lynch 0-2, T. O'Brien 0-1.

Emmetts — J. D. Casey, W. Drohan, P. Dunford, S. Ryan, J. Flynn, J. Dunford, J. Morrissey, A. Walsh, S. Dempsey, R. Kirwan, J. Wall, M. Flynn, K. Casey, W. Kiely, P. Flynn. Subs: B. Hickey for A. Walsh (injured).

Kilgobnet — J. White, C. Lyons, B. Dunford, A. Fitzgerald, D. O'Brien, P. Lynch, V. Lynch, M. Radley, T. O'Brien, B. Lynch, K. Walsh, M. Flynn, P. Radley, K. Dwane, R. Lynch. Referee Tommy O'Sullivan, Cappoquin/Affane.

## Senior Hurling Championship

The GAC have decided to commence the senior hurling club championships here on the weekend of next week.

It is understandable that a break be given to the intercounty players after a long six months of training with the county panel. Holidays can be a problem with some clubs who may have to field below strength.

### Minor Hurling Championships Resume

Round 3 of the A and B championships will be played this Wednesday evening.

At Bushy Park, western champions Abbeyside will take on St. Patricks and Lismore will meet Ballyduff in Cappoquin.

In the "B" championship Ardmore will play the Brickeys in Ring and Cois Brid will meet Cappoquin in Lismore.

All matches have a 7-30 p.m. start.

## J.F.C. RESULTS

A feature of the junior football championships played over the weekend was the big gap in standards and the one sidedness of some games.

### Tallow 2-16 Shamrocks 0-2

A very big gap in standards in this one which was played in Ballyduff and decided even before half-time.

### An Rinn 0-14 Geraldines 1-2

Another match that was over as a contest long before the final whistle was sounded.

### Ballinacourty 3-7 Old Parish 0-6

Sadly this result saw Old Parish go out for the season. Ballinacourty with a mixture of young and seasoned players had too much power for the Seana Phobal team, who must have been expecting to win following their great run in the championship last year.

### Clashmore 2-12 Sliabh gCua 0-3

Another game that never developed as a contest. Clashmore with an abundance of young players were on top all the way.

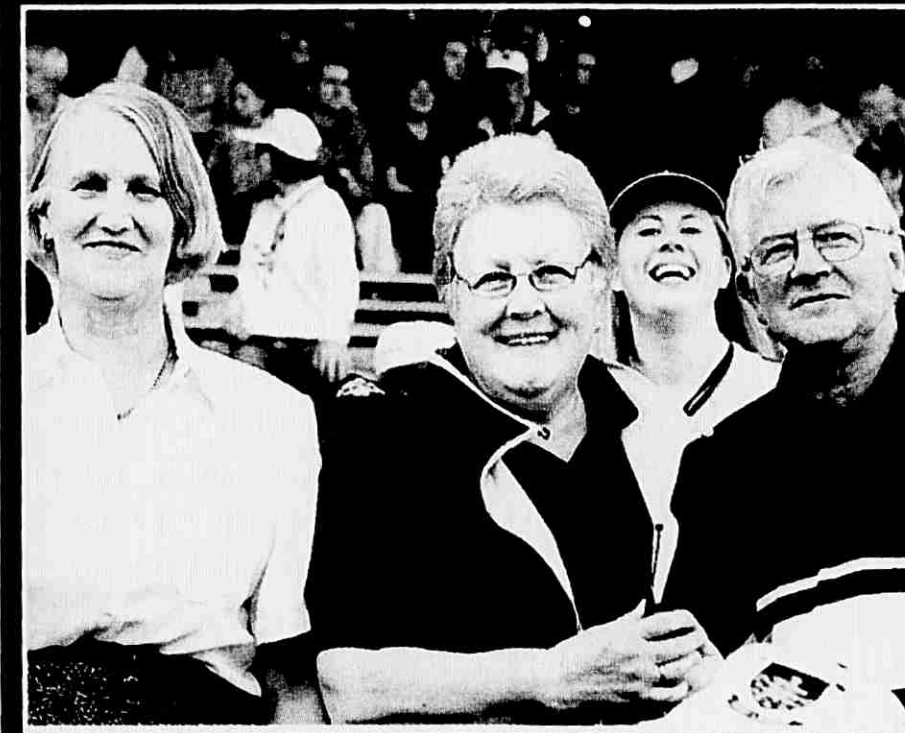

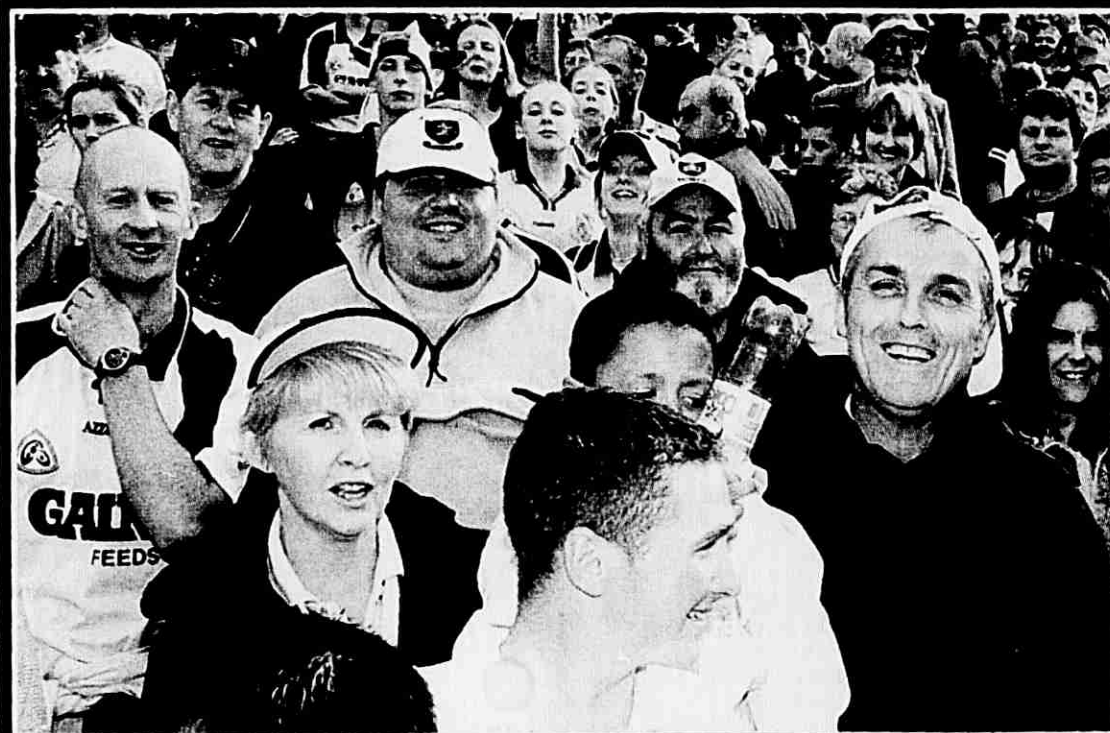

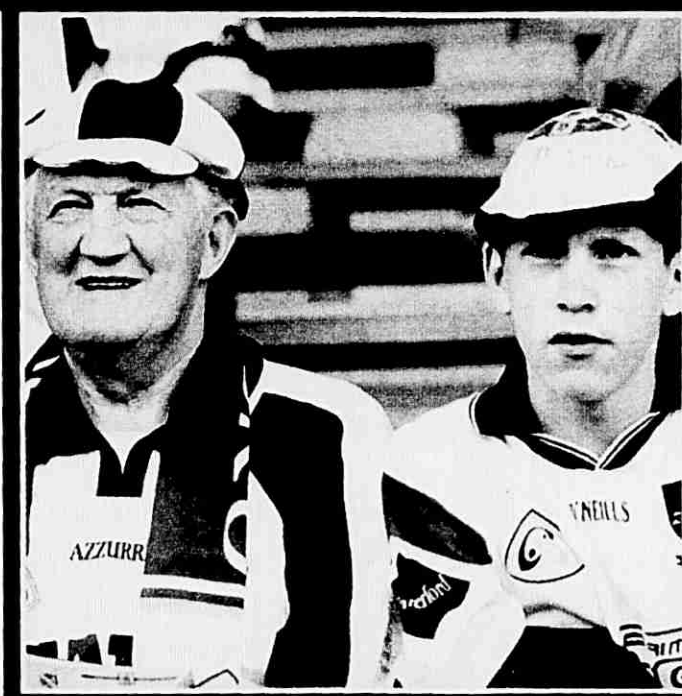

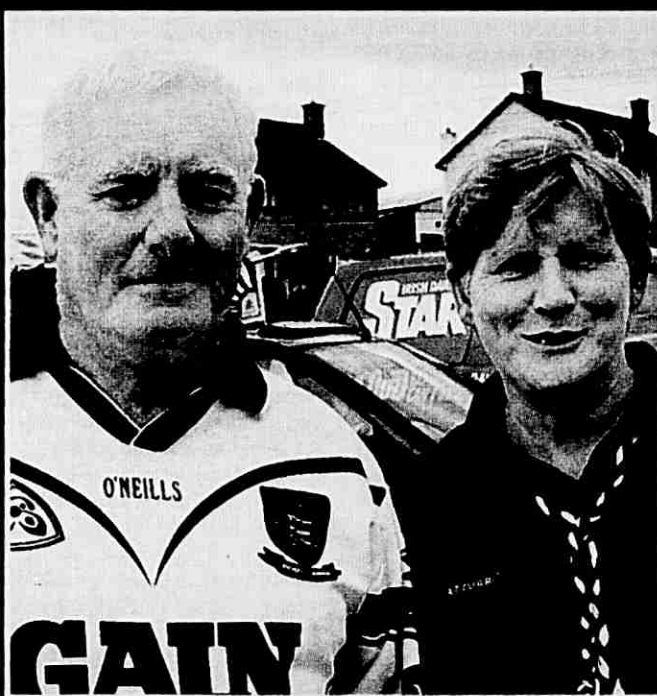

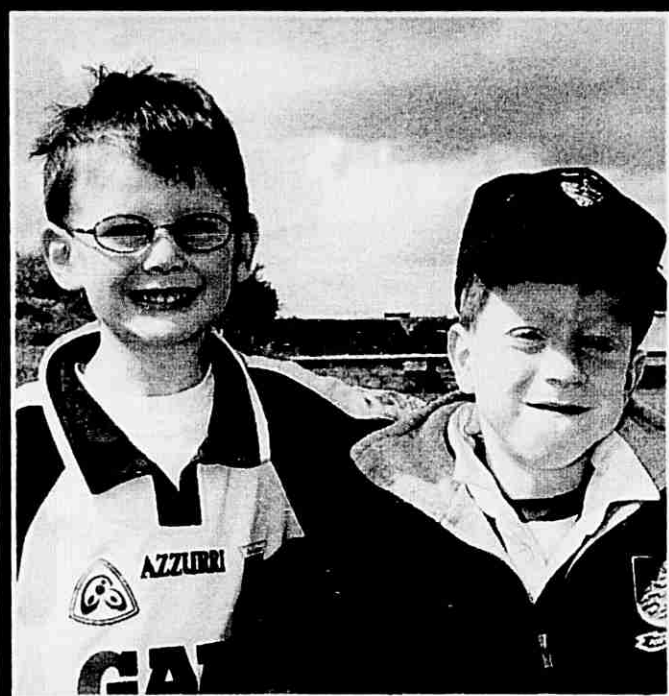

### Brickeys 3-9 Modeligo 1-10

This was a splendidly contested replay that saw Modeligo go down after a splendid contest.

RACE 8 GER WYLEY/NIKE SUMMERS SERIES.

# Huge Entry For GlaxoSmithkline 5

ALL PROCEEDS TO FRIENDS OF ST JOSEPH'S ALZIMERS UNIT

The annual GlaxoSmithkline 5 mile road race saw one of the largest fields ever for this race last Friday evening. Despite the bad weather conditions with very heavy rain falling throughout the race, however, this did not deter the large turn out of runners and walkers who participated and in doing so helped in no small way with the large amount of money presented to the local hospital St Joseph's who were the charity recipients of this years race. The race itself saw the Harty brothers share the pace up front throughout the race, until Philip broke clear to win in a time of 25.36 from William who finished in 25.43 with Peter Duggan making him battle all the way for that second spot with just one second separating the two at the line, Peter recorded 25.44. The ever improving Martin Drake (new

sponsor and all) was fourth in a very good 26.50 with Damien Cummins fifth in a time of 27.14. The masters categories saw some good competition for the top honors with Larry Kennedy taking the over 40 in a time of 27.45 with second place going to Declan Mc Carthy in 28.4. Declan is formerly from the Kilbrien area but is now living in Derry and is running and very involved in coaching etc., with that famous northern club Sparta a.c. Third place was won by Martin McCarthy with another fine run in 29.11. The over forty five section was won by Pat Sullivan in 29.19 from Gerry Cantwell second 29.38 and Colin Lyons third in 30.07. The over 50 went to Joe Gough who proved he can also do the business on the road running a very fine time of 30.52. Alan Everett took the

over 55 prize in 35.08 and the over 60 category was won by Tim Sherman 49.44.

**SUPERB LADIES RACE**  
Sinead Cummins went very close to breaking the thirty minute barrier when she ran 30.03 to win the ladies race. A very interesting fact too is that Sinead recorded exactly the same time last year as this year 30.03. In second place was Jackie Carty 31.25 with Joanne Jackman again improving her time to come home third in 31.36. Mary Sheehan was fourth in 32.40 and Adele Walsh was fifth in a time of 32.27. Ann Cronin won the ladies over 40 in 37.29 and Ann Moroney won the over 45 in 45.28. The over fifty title this year went to Kathleen O'Brien 35.06.

It's good to have so many ladies on the local running scene at present and there are seven or eight of them running at a very high standard with the result that we have had some interesting races over the course of the series and hopefully this trend will continue.

The three junior prizes were won by Peter Fennell, Mark McConnell 34.12 (p.b.) and John Harty 38.39.

**G.S.K.EMPLOYEES**  
As previous years their was a race category especially for the employees of G.S.K. and as always their was some keen competition among them. For the second year Martin McCarthy took the honors in a time of 29.11 finishing in 19th place, second was Eoin O Riordan 30.32, third was Maurice Foley 32.48 with Damien Cliffe next in 33.59, Toby Bedell took the final fifth spot in 34.41. The ladies race was a much tighter race with all six ladies finishing within thirteen place of each other. First home was Marie Cahill 42.31 second was Laura Hogan 43.45 with Aishling O'Shea third in 43.51. Next came Dorothy Cassells 44.01 and Rachel Landers was next in 45.36 the final place went to Martina Ryan 45.37. Well done to all, yea can hold your heads up high in the canteen on Monday.

Patrick Keating accepting a cheque for €3,000 on behalf of the Friends of St. Joseph's Hospital from Siobhan McCarthy, GlaxoSmithkline. The cheque was the proceeds from the GlaxoSmithkline 5 mile road race. Included are Michael Dwyer, G.S.K. Race Director, Cian, Cormac and Michéal Dwyer. (Rory Wyley)

## TRIUMPHANT RETURN FOR JOE GOUGH

Our world silver medallist made the long journey home last Wednesday morning from the World Masters Track and Field Championships in South America. When he arrived in Shannon a bus of full of his family members, work colleagues from Waterford and members of his club West Waterford made the trip to welcome him back to Ireland and Joe was overwhelmed that so many came all the way to Shannon to meet him. On arrival in Dungarvan the entourage went to the Park Hotel for some light refreshments and there were many well wishers present to welcome Joe back. Joe thanked all those present for their support and Noel Power, Chairman of the Waterford County Board spoke congratulating Joe for bringing a world championship medal back to the county. John McGrath spoke on behalf of West Waterford A.C. and said how proud all at the club were of Joe's achievements. On Friday evening after the five mile race in Dungarvan, the club made a presentation to Joe on behalf of all its members, and Joe spoke of his achievements and what an inspiration it was for him to be part of such a great club. He thanked all those who helped in any way. After this we made the raffle and the tickets were drawn out by another visitor to Dungarvan for the evening Joe Rafferty of Nikelreland. The first prize of a piece of Waterford Crystal went to Kevin Sheehan, Knockmeal, Ballinamult; 2nd prize, a hamper donated by Ailish Gough, was won by Eugene Burke, 15 Russhden Close, Southways Abbeyside and lucky for Cormac O'Mahony Abbeyside he won both third and fourth prizes A weekend away donated by the Park Hotel and a bottle of Brandy donated by Richard Gough. Thanks to all who bought tickets and thanks to all who donated the prizes.

## MUNSTER TITLE FOR MARTIN SANDFORD

Congratulations to West Waterford athlete Martin Sandford on winning the golden masters Munster handball final last week, (the other sport that his not bad at). This was a great win for Martin as he was up against a very good opponent in Billy McCarthy of Tipperary who also had home advantage. Billy was also the current holder of the title beating Martin last year in the final, this made the victory for Martin this year that bit sweeter. Martin, without hesitation, admits that the running played a big part in his success as the game was played on a very hot and sticky night and by the third set the Dungarvan man was in top flight, but his opponent was definitely caught for fitness in the conditions. Martin joined forces with another of our members John Joe Wright in the final of the doubles but they went down in this one by a narrow margin. Keep up the good work boyz.

## A LIVING LEGEND

A living legend of Irish athletics, Terry McHugh is still currently one of Ireland's top athletes - at the end of 2002 he was one of only four Irish male athletes in the top 50 in his event in the IAAF World Ranking system. He has thrown the javelin in four consecutive Olympics starting in Seoul in 1988, and also added a couple of Winter Olympic appearances for good measure. In 1993 he was a finalist at the World Championships in Stuttgart finishing 10th, and the following year in Helsinki he contended for a European medal, eventually finishing 7th in a final filled with most of the best javelin throwers in the world. In 2002 he booked himself a place in the Guinness Book of Records as he set a world record for most consecutive national titles when he won his 19th National javelin title in a row in Morton Stadium on the 13th of July.

**WEST WATERFORD JUVENILE ATHLETIC NOTES**

# Four All Ireland Titles For West Waterford Athletes

West Waterford athletics were once again to the fore at the National athletics championships in Tullamore and none more so than Mark Shalloe on Saturday. Running with a confidence that belies his years, Mark Shalloe took the 1500m title Under 14 in a time of 4.38.6. He sat comfortably in third place for most of the race and then at the bell took command and went into a lead that stretched all the way home to the finishing line. On Sunday he lined up for the 800m and again showed how much his speed has improved this year by winning in a time of 2.16.4. This was a great achievement by Mark and a testament to the work being done by his father Tony who is middle distance coach at West Waterford.

**ANOTHER NATIONAL TITLE FOR DAVID MCCARTHY**

While the West Waterford contingent were still recovering from the excitement of Mark's win, David McCarthy was on the line for the boys U16 1500m. This was again a tactical race with the leading three tightly bunched for the first three laps. At 200m David upped the pace and took the

lead and with every stride stamped his dominance on the race to win comfortably to make it a memorable day for West Waterford's young athlete.

**LORRAINE MCCARTHY AND DEIRDRE DUFF SHOW MUCH IMPROVED FORM**

In the girls U14 Lorraine McCarthy was unlucky not to make it into the medals. For most of the race Lorraine was in fourth place close on the shoulders of the 2nd and 3rd placed runners. At 300m she moved into 2nd place and made a bold bid for a medal but the others struck back coming off the top bend and Lorraine had to settle for fourth. However,

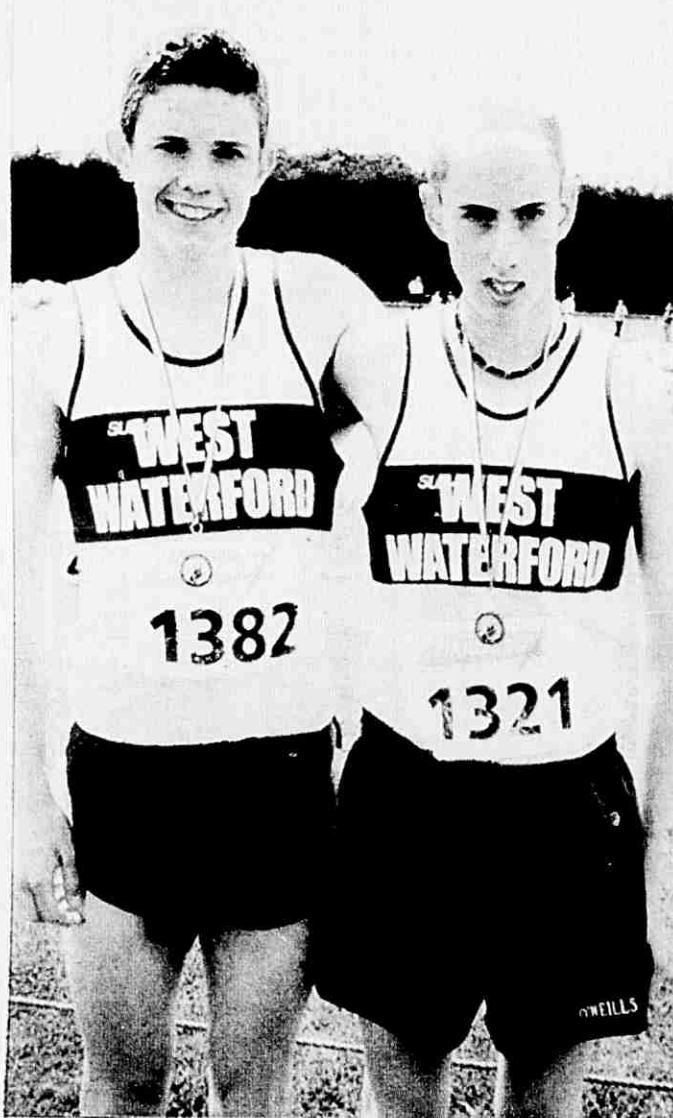

her time of 5.07.3 was her best run of the season. In the girls U16 Deirdre Duff also showed that she is back to her best form staying with the leaders for much of the race. At the bell she was in third place but was over taken on the back straight and came home fifth in a time of 5.12.8.

**FIRST ALL IRELAND TITLE FOR MARK BANNON**

On Sunday Mark Bannon was on the track early as the Pole Vault started at 9:30am. However, Mark was not put off by the early start and equalled his best jump of 2.60 to take his first ever Irish title. Later in the day Diarmuid O Foghlu took a third place in the boys U16 event.

**GOOD RUN FOR FERDIA**

Ferdia O hAodha is more known for his exploits on the Cross Country field but Satur-

day he competed in the U15 1500m. A bad start saw him trail the field in the first lap but he made his way through the field to eventually finish in 5th place.

In the girls U16 event Eadaoin Ashe made it into the final 8 of the competition to finish in seventh place. Earlier in the day Colleen Hayes had competed in the Hammer competition and on Sunday we also had Shane Power competing in the High Jump.

Well done to all. Next week a small number of our athletes travel to the All Ireland B Championships in Tullamore. This will be the last competition of the season and we will be taking a break from training until September.

Well done to all who competed for the club this season and we look forward to seeing you all back for the Cross Country.

# National Titles For Conor McGrath & Sean Stilwell

It was another brilliant weekend for K.C.K. Athletic Club at the All Ireland Juvenile Track and Field Championships held in Tullamore on Saturday and Sunday last.

Conor McGrath had another super performance to take his first National title in the Boys Under 16 High Jump when he cleared 1 meter 70 centimetres and as winner Conor made the Irish team for the Celtic International Track and Field championship which will be held in the Mary Peters Track in Belfast on Sunday August 3rd. Another club athlete to gain an International vest. Well done Conor, all in KCK wish you the best of luck in Belfast. Conor's sister Niamh also took an All Ireland medal competing in the Long Jump with a fine clearance of 4 meters 53 centimetres to take bronze medal. In the Boys under 17 1500 meters steeple chase Sean Stilwell had a super performance to take the gold medal and his first national title. Sean went to the starting line with twelve of the best steeple chasers in Ireland from the four province's. From the start Sean stayed close to the front with a lap to go made his move and opened up a gap which he held on to and had about 25 meters to spare at the finish in a very good time of 4 minutes 52-69 seconds.

In the Girls under 14 sprint, Brenda Doherty had another brilliant weekend taking home two championship medals. Brenda won her heat of the 80 meters and finished second in the final to take the silver medal.

On Sunday Brenda competed in the 200m and again won her heat. In the final she finished in third place losing the silver medal by the narrowest of margins and had to settle for bronze. Brenda is a fine young talent and I'm sure her best performances will come over the next couple of years. In the Boys under 15 250 meter hurdles we had another young man collecting his first national track and field medal, Padraig Casey finished second in his heat of the 250 meters hurdles and went on to take third place in the final.

Kevin Harty and Eoin Walsh did not have the best of weekends. Kevin has a nightmare weekend as nothing went right for him in his events, high jump, long jump and triple jump as he finished out of the medals in all three. Eoin Walsh finished third in his heat of the 100 meters with only two going through to the final.

In the 200 metres he made the final and finished in fifth place. Eoin was carrying an injury in the finals which did not help. The best of luck to club athletes competing in the All Ireland combined events in Tullamore on Sunday next - Conor, Kevin, Eoin, Padraig and Niamh.

Congratulations to Niamh Coffey and Triston Hickey on their super performances in the European Racquetball Championships. Triston did a little bit of athletics with KCK Athletic Club in his youth. Well done both Niamh and Triston.

# Kill GAA Notes

## County Football League:

Last Tuesday night 8th July our senior footballers recorded their first win in this year's league when they defeated under-strength Dungarvan side. Played in glorious sunshine at the Old Boro venue, Kill were slow to get going but when they did they kicked some great points to lead at half - time by five points. The second half was more of the same but our inability to kill off the opposition meant Dungarvan were never out of it, but with Ducks and Anthony in great form we always had enough in reserve to win. Final score 2-13 to 0-11. The team: J Kiely, A Power, Brian Mooney, Brendan Mooney, Paudie Torpey, M Ahearne 0-1, Peter Torpey, M Hennessy 1-0, D Casey 0-2, N Hennessy, A Kiely, R Hennessy 0-4, S O'Regan, A Whelan, A Lennon 1-6. Sub: N Mulcahy, D Power.

We have one more match in the league against Tramore, where we need a win to have any hope of avoiding relegation. There is no fixture for this match yet.

WATERFORD WEDNESDAY JULY 16TH

## Winter Going In Kilcohan Park

Prolonged spells of heavy rain made the going very testing at this midweek fixture and it deteriorated further throughout the night. This meeting was a benefit night for John Mitchells GAA club and the track also played host to the visiting children from Vasilivichy in Belarus.

In the first of ten graded races a fast starting and rails seeking Whistlers Blaze made a brave effort to lead all the way shooting into a handy early lead but in a gripping finish the Autumn Syndicate owned and Killian Power trained Autumn Realm (Airmount Rover-Fly Tess) 3/1 stayed on strongly up the home stretch to get up close home for a three quarters of a length victory in 30.14.

Whistlers Gift broke smartly in the second novice event but the Michael O'Connor owned Whitefort Henry (Whitefort Judge-How They Like) 2/1 produced the superior dash of early foot to strike the front on the rails. Coming back for more in the closing stages Whistlers Gift pushed the favourite all the way with the Wexford dog Whitefort Henry gamely holding out by threequarters of a length in 30.35.

The Tina Finn owned Genuine Onyx (Carlton Bale-Glenstown Damsel) 3/1 to 2/1 was well supported to capture a 300 yard dash and taking a flyer from trap four Genuine Onyx never gave his supporters any cause for concern breezing in four and a half lengths clear of Bien Henri in a useful 16.79.

Less than half a length separated the first three home over the standard trip in the fourth event. Pure Pablo 1/1 and Supa Furry 2/1 engaged in a battle royal up front and while a wide running Parkill Wolf joined in the action over the final two bends the Supa Furry Syndicate owned and Gerry Kiely trained Supa Furry (Airmount Rover-More Special) stayed on best to beat Pure Pablo and a fast finishing Parkill Wolf by two short heads in 30.22.

It was back to two bends for the fifth contest which saw the Niall Reville owned and Paul Coady trained Nialls Flyer (Powerful Flash-Crory Dale) 3/1 exit trap five at a fair rate of knots and tracking well on the fence Nialls Fancy was always travelling like a winner up front and while Daligan was noted doing all his best work in the closing stages Nialls Fancy won a shade cosily by a length in 16.76.

Kilkenny Live was sent off the warm 6/4 favourite to capture the sixth event but he was badly hampered on the run to the first bend by a rails seeking Peahill Best. Taking full advantage of the situation the John Duggan owned Pure Puzzle (Blue Merlin UK-Pure Princess) 3/1 powered up to the first bend to scoot into a narrow lead over Corach Blue. As this race progressed however Pure Puzzle went

further in front and staying on well in the testing conditions the Glenmore bitch came home five and three quarter lengths clear of Corach Blue in 30.56.

County Kilkenny owner Ber Drennan sent out the very easy winner of the seventh contest with Parkill Tiger (Larkhill Jo-Parkill Aussie) 3/1 posting a comfortable 30.82 victory. Parkill Tiger proved too sprightly for his rivals early on and while Larkspur Lucky moved into second place on the back stretch the lightly raced Parkill Tiger was not extended to record a four lengths win over Larkspur Lucky with a staying on Rumble Said That just behind in third.

Goodnight Vienna and Thatswhatisay disputed the lead the length of the back stretch in the eight race and while the former held a narrow lead up the home stretch the Benny Fox owned Determined Teddy (Powerful Flash-Stun and Amaze) 5/2 who recovered well from first bend crowding finished with a flourish up the rails to land the spoils by half a length from Goodnight Vienna. Time 30.49.

Three Bells was sent off the 6/4 favourite in the ninth event but after a bright start the favourite allowed Truleigh Benji a run up her inside at the opening turn. Meanwhile the Mick O'Donoghue owned and Jude Hennessy trained Down To Monica (Citizen Rascal-Duchas Mor) 3/1 sprinted into the lead on the wide outside and while Truleigh Benji gave of his best in second place Down To Monica battled on tenaciously for her length and a half win in 30.38.

In the final race of the night the Kevin Kennedy owned 4/5 favourite Smart Stone (Thorgil Tex-Stone Rose) showed that he can win from behind as well as from the front on a track that was close to a second slow for the final quarter of the card. The fast starting Airmount Tina stormed clear of Lounge Act but biding his time and cutting every corner a determined Smart Stone stayed on strongly up the rails to come through for a game half a length win over Airmount Tina in 30.34.

FRIDAY JULY 18TH

## Cider Money For Gepetto

On the eve of the Waterford versus Wexford Championship hurling match former Waterford senior hurling net minder Jimmy Power from Portlaw sent out the winner of the Euro 2,000 Bulmers 550 yard stake as the Eddie Quilty and Niall Diggins owned Gepetto (Top Honcho-Kilcaroon Trix) 4/1 picked a good night to shed his maiden tag in a pleasing 30.30. Racing up with the pace throughout a determined Gepetto got the better of a tight duel with Croker Girl and while Gepetto was joined rounding the third bend by both Croker Girl and a slow stating Coolalta Jet Gepetto battled on tenaciously for a thoroughly deserved length victory over Coolalta Jet. The favourite for this final was Lorenzo but after a slow start he did not enjoy the clearest of runs throughout.

In the opening graded event a well bred Seskin April (Roanoke-Seskin Claire) 2/1 moved to the outside from her trap one starting position but her early pace carried the

Desmond Deveraux and Justin Kenny owned runner clear of Hildun Breeze and while the latter did his best to reel in the leader Seskin April kept on in fine style for a two and three quarter lengths victory in a best ever 29.48.

In a 300 yard sprint Lassie Is Back and Bengal Shadow cut out the early running but producing a nice burst of early pace the Andrew Hepburn owned and Peter Brady trained Gardean Blackie (Larkhill Jo-Sylvies Choice) 3/1 to 2/1 recovered well from a slow start to dart into the lead on the fence to race on for a two and a quarter lengths win over Lassie Black in 16.69.

Running his best race for quiet some time the Martin Beirne owned Beirns Mick (Thorgil Tex-Knockanore Lady) 3/1 took a flyer from trap two in the third race and while Nice As Pie gave chase throughout Beirns Mick strode on nicely for an easy five lengths victory over Nice As Pie in 29.26.

Owner Benny Fox has his kennel of runners in top form at present and his 3/1 shot Full Of Patches (Powerful Flash-Sarahs Troll) 3/1 made every post a winning one in the fourth contest in 30.45 for the 550 yard trip. At the head of affairs from the outset Full Of Patches increased his lead as Grange Judge found early traffic problems and while Orlas Luck was doing all her best work in the closing stages Full Of Patches proved a hard nut to crack winning out by one and a quarter lengths.

In the fifth race the Eugene and Francis Dempsey owned Whitewood Salem (Whitewood Hudini-Gap Closed) caused a mild upset coming back a second time to capture the fifth contest in 29.42 at the rewarding odds of 6/1. Touch Me Not held a narrow lead to the second bend before giving way to Whitewood Salem. Byme Back struck the front near the third bend on the wide outside but Whitewood Salem renewed her challenge in the home stretch to get back up for a length and a half victory over a fast finishing Fear The Reaper.

More and more Wexford owned trackers are creeping on to the racing strength and track newcomer Marwood Sally an August 2001 daughter of Smooth Rumble and Initial Success rewarded Ennisworthy owner Teresa Codd with a trap to line 29.35 win in the sixth race. Leading early on Marwood Sally surrendered her lead to the early paced Horseshoe Rum but coming back for more in the closing stages Marwood Sally battled back in fine style to regain the lead and score by two and a half lengths.

In a competitive seventh race the early paced Heathfield Hope cut out the early running from Captain Mackey and while the latter led into the home stretch the Finbarr O'Regan owned Interloper (Mountleader Peer-Alias Stage) 7/4 came from someway off the pace to pounce close home for a length and a quarter victory in a fastest of night 29.01.

The Barrett Sisters Syndicate and trainer Patricia O'Neill combined to capture a six bend marathon with the well backed Beauty's Flyer (Smooth Rumble-Mosney Flyer) 3/1 to 2/1. Led to halfway down the back stretch by Erics Good Thing Beautys Flyer sprinted into the lead on the rails before drawing well clear for a cosy five lengths victory over Erics Good Thing in 41.34.

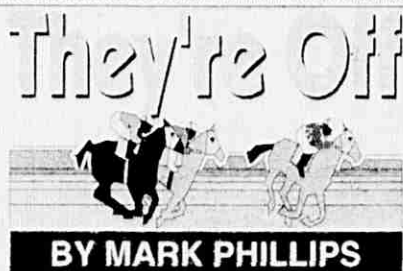

Favourite backers ended proceedings on a high note with victory going to the evens favourite Call Me Jasper (Honcho Classic-Droopys Teresa) in 29.13. A recent winner at Clonmel a strong running Call Me Jasper eased his way past the front running Mays Speedy on the back stretch and staying on nicely Call Me Jasper owned by Martina Murphy and trained by Andrew Fisher crossed the winning line with three lengths to spare over Mays Speedy.

### POST RACE ENTERTAINMENT

Fairground provide the post race entertainment on Saturday night.

# HORSE RACING SNIPPETS

### LUCKY OWNER

This year's Irish Oaks winner Vintage Tipple is owned by Cork based Pat O Donovan. Pat had two horses in training last year. Vintage Tipple was one while the other was Liberman. Pat refused Euro 3 Million for Vintage Tipple as he is keen to breed from his own fillies but after winning a bumper with Liberman the Corkonian parted with the gelding selling him to well known English owner David Johnson who has all of his jumpers in training with Martin Pipe. Liberman went on to win the Festival bumper at Cheltenham and provided Tony McCoy with his only winner at the three day meeting.

### HIGH CHAPARRAL RETURNS

The Aidan O'Brien trained High Chaparral is on the comeback trail and did a nice piece of work for a mile after racing under Mick Kinane on Darley Oaks day. High Chaparral may appear in August but at this stage his trainer is preparing his charge for an Autumn campaign.

### DESSIE'S MAJOR WIN

When Assigh Lady scored on Oaks day at the Curragh it provided trainer Dessie McDonagh with his biggest flat victory in thirty one years of training. Dessie's son Declan is of course first jockey to the Kevin Prendergast yard.

### GROUP ONE MEMORIES

Prior to the Curragh victory of Vintage Tipple the only other Group One winner from the Goresbridge yard of Paddy Mullins was the filly Hury Harriet who beat the great French mare Allez France in the English Champion Stakes.

### TRALEE SHAREHOLDERS MEET

A meeting of the shareholders of Tralee race track is scheduled in early August and the fate of Ballybeggan Park as a horse track and coursing venue will be decided at that meeting. Early indications suggest that by a narrow majority racing will continue at the venue for the foreseeable future.

### DID YOU KNOW

Did you know that Paddy Mullins saddled his first ever winner at Punchestown back in 1953.

### BAD TRAVELER

Oaks winner Vintage Tipple is not the best of travelers and tends to get worked up en route to meetings. This reduces the fillies choice of engagements and her next outing is likely to be the Bord Bia Champion Stakes at Leopardstown.

### POOR RECORD

Did you know that after the recent defeat of Yesterday in the Darley Oaks County Tipperary trainer Aidan O'Brien is still awaiting his first winner in that Group One event.

### SOUND BREEDING

Edmond Loder is the proud breeder of Oaks Heroine Vintage Tipple and the Irish classic winner is from the same family of Melbourne Cup winner Vintage Crop.

### A.P. ON THE MEND

Top jump rider Tony McCoy is on the bend after breaking his right arm in June and he is hopeful of resuming race riding in about a fortnights time.

### THIS WEEKS IRISH FIXTURE LIST

Thursday — Limerick 6pm

Friday — Cork 6pm

Saturday — Wexford 5.30,

Leopardstown 5.45 pm

### PADDY POWER IN THE PINK

The Thomas Pink group have pulled out of

their sponsorship of the November National Hunt meeting at Cheltenham but the good news is that they are replaced by the Paddy Power Bookmaking organisation.

### PETER BUCHANAN MOVES

One of Northern Ireland's top amateur pilots Peter Buchanan is moving across the water to join the Durham stable of Howard Johnson. Peter claims a valuable seven pounds and plans for the time being to retain his amateur status.

### ALAN JOINS PHILIP

Claiming rider Alan Donoghue is now retained as number one jockey to young up and coming trainer Philip Rothwell.

### SEAMS BAD BREAK

Jockey Sean McDermott did not enjoy the best of luck at Bellewstown last Tuesday. Sean had a bad fall early on at the meeting and had the misfortune to break his arm. He then missed out on a winning ride aboard the John O'hea trained Loan Man in the Novice Chase as Shay Barry came in for a lucky spare mount.

### VAN NISTELROY RETIRES

Van Nistelroy the horse that is, has run his last race after picking up an injury and the worlds costliest yearling of 2001 will now stand at stud in New Zealand. The son of Storm Cat cost a whopping \$6.4 million as a yearling and won three races as a two year old in this country but never won as a three year old.

### T.V. RACING

Friday — Ascot BBC 2 2pm

### KILLARNEY WINNERS

The Killarney mid summer festival of racing proved a lucrative one for Waterford based owners, trainers and jockeys. While we drew a blank on the first day the Tom Treacy owned and Paul Roche trained Bridge Hotel 6/1 returned after a lay off to capture the opening Long Distance Hurdle on Tuesday. Shay Barry came in for a spare ride in the novice chase and duly did the business aboard 9/1 chance Loan Man while Tramore's Dick Forestal run of success continued in the concluding flat race as Blue Corrig obliged under Declan McDonagh.

On day three Henry De Bromhead made a significant booking in Ruby Walsh aboard Curfew Tolls for the Handicap Chase and this 9/2 shot proved an easy winner over Friendly Conflict.

Tramore trainer Paul Roche was back in the winners enclosure on day four as Doc Morrissey who appears to be getting better with age ran out a narrow winner of a handicap hurdle. Flat rider Tom Queally also got on the score sheet courtesy of Kennys Pet.

### MICHAEL'S WINNER

Liverpool's Michael Owen is not just a top class footballer as he is also a successful racehorse owner and Treble Heights carried his colours to victory at Newmarket last Saturday.

### TRAGIC OUTCOME TO CHASE

There was a tragic outcome to a race at Killarney last week as the David Broad trained Prince What A Mess posted a rare chase victory under Barry Cash but the twelve year old dropped dead shortly after the winning line before the track announcer could call the result. As he crossed the winning line in front however Prince What A Mess was declared the winner.

# Waterford Raceway

Tom Murray, President of Waterford Hot-Rod Club passed away on June 30th at Waterford Regional Hospital following a brief illness. Tom had been associated with Hot-Rod racing for nearly thirty years and was one of the founding members of the Waterford Club over twenty years ago. He was the inaugural President of the club and remained in this office until his passing.

Tom Murray also raced for a considerable period of time in his distinctive orange Beetle, a tradition upheld by his son Mike and currently by his grandson David. After his retirement from competition he became known for his role as the Start/Finish Marshall at the Pike Track in Dungarvan. Respected and recognised as an ambassador for the sport throughout the country. He will be sadly missed by all at the Pike, especially when the club resumes racing on Sunday next 27th July.
