**JUNIOR PAGE**  
**HOW DOES  
 A PLANT  
 BEGIN LIFE?**

Indeed each seed, there is an embryo plant and a precious food store, ready for the first phase of the plant's life cycle. When conditions are right – when the ground is sufficiently warm and moist – the seed germinates. It sends out its main root, with other, smaller roots branching off. Then the first leaves appear. The plant is now complete and can continue to grow, feeding itself by using the sunlight.

**If There Is No Water...**

If a seed disperses into dry surroundings, it does not die. Instead the seed stays in the ground for up to a year until there is contact with water. Then it begins to germinate. Once the plant has germinated, the seed withers, because it is no longer required to feed the new plant.

**How When What Why**

When an insect lands on a flower searching for nectar, tiny grains of pollen stick to its feet or wings. So, when the insect flies to another flower, it deposits a little of this pollen on the stigma of the plant. Pollination is also carried out by the wind, or birds, like the Hummingbird.

**Things To Do**

Do you know how flowers can grow, even without soil? Put an Amaryllis bulb in a jar of water, so that the underside of the bulb is underwater. Place the jar in a shady place. Then, when the first leaves appear, put the jar in the light. You will see the bulb sending out roots and before a long flower will appear. The food necessary for the plant is in the bulb.

**How Can A Plant Reproduce Without Seeds?**

Some plants develop from bulbs or tubers – underground stems which can draw up the food necessary for new shoots. The part of the potato plant which we eat is the tuber. This tuber would have supplied food to the new shoots so that a new potato plant would grow.

Bulbs are made up of layers of leaves. These leaves protect the cells from which the new plant will develop.

Bananas do not grow from seeds. The roots of a new plant grow on a rhizome, an underground stem which grows horizontally, and nourishes the plant in the same way as a bulb or tuber.

Some plants such as strawberries produce shoots which grow sideways, called runners. On contact with the soil, these runners develop roots, giving life to a new plant. When the plant begins to grow, the runner withers and dies.

## Pattern Week-End A "The Dump" Huge Success

Chairperson Charmain O'Brien was in buoyant mood on Sunday night as this year's Pattern which was plagued by so much uncertainty during the year with the loss of sponsors etc. turned out to be one of the best Patterns ever.

As with all festivals the weather has a huge bearing on the enjoyment factor for all and this year Mediterranean weather conditions graced the weekend. The atmosphere at Strandside was excellent on Sunday night as everybody relaxed for the bank - holiday weekend.

Charmain was huge in her praise to her hard working committee and further thanked all those who helped over the weekend. She extended her appreciation to the main sponsor's Enrights Eurospar, Dwane Tool Hire and other businesses who helped out when the pattern committee most needed them. She thanked WLR and the local press for their coverage of the event. Also the Gardaí and Town Council were thanked for all their help and co-operation. Finally there was a word of appreciation to all the locals and visitors alike who supported the Pattern weekend in such huge numbers.

### Quiz to raise funds for Ballinroad Church

Ballinroad Church is two hundred years old next year. This will be celebrated by both religious and social functions, and will also see the upgrading of the public address system and the lighting in the Church. To help to defray some of the costs a fun table quiz will be held in the Gold Coast on Thursday night 7th August. Everyone is invited to take part and it costs just euro12 per table of three. If you want to come along and have no partners, don't worry, we will fix you up on the night. The quiz starts at 9.00pm, sharp and finishes about 11.10pm. It's always a great craic and we are sure that you will enjoy the night. Team scores are not posted so no one gets embarrassed.

## Abbeyside Reference Archive

### ADDITIONS

Recently a man was doing some "spring cleaning" and the archive gained many new additions from his efforts.

These ranged from two catalogues from Mealy's of Castlecomer on sales of rare books and manuscripts to three copies of AQUILA to add to the one we already had in stock.

In between was a calendar of Waterford with 13 mic photographs, one of which showed Abbeyside in 1904 and a beautiful booklet on Dungarvan produced by Dungarvan Chamber of Commerce and Industry in association with Dungarvan Urban District Council, I.D.K.A. Ireland, Waterford Enterprise Board and Waterford Development Partnership, as well as many other items.

Notice this Sunday the Archive will be closed (due to summer holidays) but will be open again at 2.30 pm on Sunday 17th August when Eddie Cantwell will take the chair.

Note — As next Tuesday is the second Tuesday of the month (12th) our committee are reminded that the monthly meeting will take place at 7pm at the normal venue.

The Murphy Place Estate was built in the year 1948. Older residents of Abbeyside will remember the open space area behind the Murphy Place houses. This area was behind the backs of the Murphy Place houses and fronted the Scouts Den.

The Fenian Place houses were constructed on this open space by the Urban Council in 1968.

The open space area was known simply by Abbeyside residents as 'The Dump'. But despite the ordinariness of its title it was an area of significant social importance for the people of Abbeyside. The surface of 'The Dump' was bereft of grass and was in fact one of hard caked mud with many a sizeable stone protruding through the surface. It was on this concrete like surface that many of the young people of Abbeyside learned the skills of hurling. Other games played in the Dump were 'pitch and toss' and 'throwing the horse shoes' as well as a game of 'Brag' or 'Poker'. Young boys also set up frames there in order to trap songbirds, which could be sold for a shilling.

Before that time the front of The Dump along Sarsfield Street contained chicken houses owned by Maggie Donnelly who was also proprietor of a shop near the Old School situated in the Pond which was demolished recently.

These chicken houses were separated from the street by a conventional clay ditch. Behind the chicken houses were a number of garden plots. One plot was owned by Mrs. Hughes who married Christy Power and they opened a shop opposite the scout's den.

At the Pond side of the Dump the houses were owned by Needhams, Michael Maher (his sister was Mona Maher who

was postmistress for many years in Sexton street) and Alice Organ. Mahers house was on the site where Cosgraves now live.

When the Murphy Place house were constructed all three of the a fore mentioned families were accommodated in the new estate. Across the road on the Scouts Den side lived Cathie Beathy, Mary Ellen Keohan and Minie Beathy. In the scouts field adjacent to 'The Den', Mary Ellen Keohan kept a pony presumably for pleasure purposes.

Older residents of Abbeyside remember the Waterford Senior Hurling team training in 'The Dump'.

### Famine and Fever

The Famine victims did not always die of starvation but of one of the fevers. There is also the fact, of course, that malnutrition debilitated a person and opened the way for mortal infection.

The population dropped in most cases due, not only to deaths but also to emigration. The population figures for 1851 should be compared to that of 1841.

In the latter year there were 8,625 people (3,989 males and 4,636 females) in the town which fell to 6,311 (846 males and 3,465 females) in 1851. This was a drop of 28%, the largest in all the urban areas of the County Waterford. This fall in population took place in the main town. However in the Abbeyside part of the town there was only a drop of 7 people in the population figures between 1841 and 1851.

The surprising discovery is that there was an increase of 3.9% in the population of the rural portion of the Dungarvan and Abbeyside areas. The population in this rural area in 1841 was 4,696 and this rose to

4,883 in 1851. It is not clear why this happened but there must have been more food available there among the farmers and their workers. It is true, of course, that the unhygienic nature of much of urban households then was a major cause of the spread of infection. However, the stability and increase in the rural population around Dungarvan were not reflected in the rest of rural County Waterford.

## Social Event Of The Year

# Teagasc

The Science of Farming and Food

## Sheep

### Lamb Growth

After weaning lamb growth on good grass (8-9cms) varies from about 150g/day on sheep grazed pastures to about 200g/day on after grass - ie. 1.0 to 1.4 kg/week. On grass shorter than 8-9cms gains will be substantially reduced.

When will all your lambs be sold? Will unsold lambs reduce pasture availability to the ewes during mating?

	Lamb weight 1st August (kg)		
	35	37	39
Weeks to finish (43kg)			
-- Grass only	8	7	4
-- Grass + 500 g meal/day	4-5	3-4	2-3
Total meal requirement (kg)	15	12	8

Where lambs are not already accustomed to meal feeding, the finishing period will be prolonged by a further 7-10 days --- the time taken to build up to 500g/day.

● Ensure sufficient grass (8-9cms). Make the most of after-grass, high clover pastures and pastures not grazed by lambs pre-weaning.

● The response to meal feeding is about 5kg meal/kg liveweight gain and is higher where there is short grass

● Energy ingredients are more important than protein

● Supplementing the ration with minerals/vitamins will negate the need to give oral mineral drenches.

### Selecting Lambs

As in most years there are some complaint concerning the wide variability in lamb slaughter weights ---not alone between producers but also within the supplies of individuals. This need not be so. By operating a good drafting procedure it is possible to have over 90% of lambs falling within a specific weight range.

(1) Along with price know the factory weight range and penalties.

(2) Estimate likely KO% --- Unweaned lambs 48%

--- Weaned lambs on grass - early summer 45%

--- Weaned lambs on grass - late summer 43%

--- Lambs fed meals 1-2 units higher

(3) Target top half of acceptable carcass weight range say 18 - 21 kg. Average carcass weight is then 19.5 kg

(4) Average liveweight is then 19.5 divided by 45% for early summer lambs which is 43 kg

(5) To limit carcass weight range to a 3 kg Spread (18 - 21 kg) the liveweight range should be no more than the 3 kg multiplied by 1.33 or just 4 kg. Lambs should be selected within the range 43kg ± 2kg or 41 to 45 kg liveweight.

In practice lambs should also be handled to ensure adequate finish. Select female lambs 1.5 - 2 kg lighter.

### Forestry

#### Summer work on your plantation

Many people believe that summer time is a period of relaxation for forest owners. This is not the case in reality. The summer months, though busy for most farmers is an important period for farm forest owners for numerous reasons.

1. **Shaping:** It is important for forest owners of broadleaves to ensure that appropriate shaping of their crops is undertaken at the right times. Although shaping can be undertaken in mid winter, the optimum period for shaping of Ash, Sycamore and Beech is in fact July and August. (Oak is still best shaped in mid winter). The main aim is to ensure that the crop has approximately 60% high quality and straight stemmed, grade 1 and 2 trees that could make the final crop. The age at which trees should be shaped varies depending on species, but in general, trees between 3-4 years should be shaped to remove any forks that may be present to ensure a single leader. Heavy side branches, over half the thickness of the main stem should also be removed. Ideally, no more than 30-40% of the growing area should be removed, so that the tree makes a rapid recovery and seals all open cuts preventing infections.

2. **Foliar analysis of broadleaves:** Where the owner suspects that the trees are growing poorly, now is the time to take foliar analysis, by collecting growing leaves and getting these analysed at a forest laboratory. If there are any nutritional problems, appropriate applications of fertilisers can be applied.

3. **Vegetation Control:** Though much of the growing season has passed, wet conditions have prevented many forest owners from undertaking appropriate vegetation control by spraying. Now is the time to ensure all work in undertaken, so that young seedling in particular will not be smothered by the heavy grasses and weeds. Furthermore, as this vegetation starts to die back, its weight will simply bend or break the forest seedling, reducing crop viability. Manual or chemical control may be necessary, and by simply walking your plantation, you will be able to inform your forest manager of this need.

### Important Event

**Dairy Farmers' Open Day:** An open day for Teagasc dairy clients will be held in **Kildalton College** on **Thursday August 7th at 1.30 pm**. The topics which will be discussed are; autumn grassland management, responding to Fischler, beef on dairy farms, replacements and achieving a higher milk price.

# FARMING LEADER

## ICMSA SEEKS GUARENTEED IRISH ASSURANCES FROM SUPPLIERS OF FEILE BIA OUTLETS

New arrangements on sourcing Irish beef under the Feile Bia label must be put in place. Denis Carroll, Chairperson, Kerry ICMSA said that legally binding contracts must be demanded by Feile Bia hotels and restaurants from their suppliers. This is in a bid to identify rogue traders of beef who are selling imported beef as Irish produce and conning both farmers and consumers according to Mr Carroll.

"I am particularly pleased that already representatives of the Irish Hotels Federation have reacted very positively to our proposals that beef suppliers to Feile Bia outlets will have to give legally binding supply contracts verifying that the beef is Irish. ICMSA has sought these changes with Bord Bia who are responsible for the operation of Feile Bia at national level. I am convinced that if this system is put in place the abuse of the present system will be eradicated," said Mr Carroll.

## ICMSA TO MEET WITH DEPARTMENT OF FINANCE ON VAT REBATE FOR FARMERS

"The Department of Finance must undertake a review of the VAT rebate to farmers, with a view to increasing the level of rebate in Budget 2004". This was stated by Mr. Mike Doody, Chairperson of ICMSA's Taxation Committee.

"I have been in contact with the Department of Finance with regard to arranging a meeting on this issue. ICMSA believes that the current VAT rebate of 4.3 per cent is too low given the decline in the price of agricultural outputs and the accompanying rise in input prices since March 2001 when this rate became operational. The increase in the VAT rate from 12.5 per cent to 13.5 per cent in Budget 2003 should also be taken into account", said Mr. Doody.

"The Government has provided a commitment in the Sustaining Progress Agreement, to provide full transparency to ICMSA, with regard to the data and methodology used in the calculation for the VAT flat rate rebate due to farmers not registered for VAT", continued Mr. Doody.

"The Department have indicated to me that they will arrange a meeting on this issue with ICMSA as soon as possible. The relevant officials from the Revenue Commissioners and the Central Statistics Office, who have an important role in preparing the relevant data in respect of the scheme will also be in attendance"

Concluding, Mr. Doody said that he was encouraged by the Department of Finance's movement on this issue and reiterated ICMSA's commitment to strive to increase the rate of VAT rebate and reducing the VAT rates in Budget 2004.

## IFA NEWS

### IFA TO DNA TEST HOTEL AND RESTAURANT BEEF AND LAMB TO ESTABLISH ORIGIN AND REASSURE CONSUMERS

Waterford IFA Livestock Chairman, Tom Leahy has announced that IFA is to undertake a programme of random testing on the origin of beef being offered to Irish consumers and tourists in hotels, restaurants and catering establishments.

Commencing immediately and continuing over the coming months IFA will take random samples from these establishments and have them DNA tested for origin with IdentiGEN laboratories, a Trinity College based company specialising in genetic identification. Mr. Leahy said IFA met with IdentiGEN in Dublin this week and put in place the arrangements for this testing programme. He said the results of the IFA tests will be published in the interests of full transparency.

Mr. Leahy said the testing programme will include a programme in County Kerry where there is particular concern among local beef and lamb producers about the level of imported product being used by the large tourist sector in the county.

The Waterford IFA Livestock Chairman said Kerry IFA met with the Irish Hotels Federation in Killarney recently to highlight its concerns about the level of imports and the resistance among some outlets in the county to supporting An Bord Bia's Feile Bia initiative supporting quality Irish food.

"We will be seeking a commitment from tourist industry representatives that they fully support Irish produce and IFA will be seeking to work with the Irish hotel and restaurant sector to ensure that Irish consumers and tourists know what they are eating and are offered the best of Irish beef when they dine out."

Mr. Leahy said Irish consumers and tourists must be guaranteed full traceability and transparency on the beef they are being offered and he again called on the Minister for Agriculture, Mr. Joe Walsh to introduce legislation on the labelling of non EU beef imports into Ireland.

Mr. Leahy said the latest CSO

data for 2002 shows a trebling of Brazilian beef imports to 3,908 tonnes into Ireland over the last three years. He said in 2001, over 8,800 tonnes of non-EU beef was imported into Ireland, representing 13.4% of our entire domestic market and equivalent to 52 million beef meals or one million meals per week.

## BEEF FARMING - FACING THE FUTURE

### IFA AND KEPAK TO HOLD NATIONWIDE MEETINGS

IFA's National Livestock Committee Chairman Derek Deane has announced a series of five major livestock farmers meetings to be held in conjunction with Kepak across the country. The meetings are entitled "Beef Farming - Facing the Future" and will focus on beef production following the Fischler CAP Reform Agreement.

Inviting all farmers to attend, Derek Deane said "this is an important opportunity for farmers to get the very latest details from IFA on the Fischler CAP Reform Agreement and how it will impact on their farming future in livestock". "In addition", he said, "the meetings will be addressed by a Teagasc Livestock Specialist on financial performance and costs post Fischler".

The IFA Livestock leader said a speaker from Kepak will make a presentation on the opportunities for Irish beef in European markets.

Derek Deane said the meetings will be held in the , and the Bloomfield House Hotel, Mullingar, Co. Westmeath on Wednesday August 6th. The following week, meetings will be held in the Ardboyne Hotel, Navan, Co. Meath on Tuesday August 12th and the Vienna Woods Hotel, Cork on Wednesday August 13th. Finally on Tuesday August 19th, the IFA/Kepak Meeting will be held in Hayden's Hotel, Ballinasloe, Co. Galway. All meetings will commence at 8.30pm sharp.

Mr. Deane said the recent Fischler CAP Reform Agreement was the most fundamental change in the history of the CAP and will radically change the future for livestock farmers. "These meetings organized by IFA and Kepak provide farmers with the opportunity to analyse in detail the new and changing production and marketing environment pertaining in the future".

Again, Mr. Deane invited all livestock farmers to make sure they attend one of the meetings.

# RECENT DEATHS

## LATE WILLIAM GALVIN

It is with feelings of sincere regret we record the passing of William Galvin, Carrigeastle, Kilmacthomas on Sunday 20th July.

William was a popular member of the local community. Born and reared in Shanakill, Ballylaneen, he spent a number of years in the Irish Army and later worked at Flahavans Mills. He was a true and loyal supporter of the G.A.A. especially Bonmahon. He was a wonderful husband, father and grandfather and his passing leaves a void that will not easily be filled. May he rest in peace.

His remains were removed from Drohan's Funeral Home on Monday evening to Ballylaneen Church where they were received and blessed on arrival by Fr. Power P.E. assisted by Fr. Enright P.P. and followed by a large cortege.

Following requiem Mass on Tuesday morning, celebrated by Fr. Power P.E. assisted by Fr. Enright P.P. interment took place in the adjoining cemetery again in the presence of a large gathering.

## LATE CHRIS WALSH

The locality learned with great shock of the unexpected death of Chris Walsh, 7 Cloneety Villas and Gosport, England at the all too early age of 51 years.

Chris was one of sixteen children, born to the late Jim and Birdie Walsh. He was educated at the Convent of Mercy and C.B.S. He emigrated to England in 1970 where he met and married Sarah and they resided in Gosport for over 20 years. He returned home 2 years ago. A builder by trade, he could put his hand to anything. He had a great impact on all who had the pleasure of his acquaintance.

He had a great love of Irish

music and last year formed a band with his brother Jeddy, brother-in-law Henry and nephew Jason called Dirty Butter Band. He then met up with Geordie and the late Carol who took him on his journey of song to Castlegregory, Co. Kerry, a town of untold beauty and warmth, there they formed the band known as South Clan. Chris played the Bodhrán, the bones and spoons and he had the voice of an angel. During his time in England he worked for Gracelands. His passing is much regretted. May he rest in peace.

Following rosary on Wednesday evening his remains were removed from Drohan's Funeral Home to St. Mary's Parish Church where they were received and blessed by Canon O' Connor assisted by Canon O' Mahoney, Fr. O' Riordan C.C. and Fr. Cooney OSA C.C. and followed by a large cortege.

Following requiem Mass on Thursday morning celebrated by Canon O' Connor assisted by Fr. O' Callaghan OSA and Fr. O' Riordan C.C., interment took place in the adjoining cemetery again in the presence of a large gathering.

The lesson was read by brother Jeddy and sister Noelle. Offeratory gifts were brought by PJ (son) and Maire (daughter) Bodhrán and drum, Dale (son) Irish flag, Kris (son) bones, Tammy (daughter) hat, Ita (sister) glasses, Kevin Darcy (friend) Waterford flag, Denis Ferrit, Kerry scarf, Ricki Curtis CD Irish Music, Sarah (wife) wine, Betty (sister) bread.

Nicky Power played the Culin on the tin whistle at the graveside.

Chief mourners: Sarah (wife), Dale, Kris and PJ (sons), Tammy and Maire (daughters), brothers, sisters, father-in-law Bill, mother-in-law Sarah, brothers-in-law, sisters-in-law, aunts, uncles, nephews, nieces, grand nephews, grand nieces, cousins and a large circle of friends at home and abroad.

His son Kris recited this poem at the end of Mass:

'My Father,  
My best friend,  
A wisdom word teacher,  
Never pusher, nor preacher,  
As I carry my name,  
I carry yours too,  
An internal flame  
That will always rain  
Echo's of laughter  
Spoons and drums,  
Sitting on mountains in the sun,  
Many hearts you would lift,  
A divine spirit with a musical gift,  
Head of shields  
Or old plastic bags,  
To be your son and friend,  
Of this I'm glad.  
The gory man in his van,  
Clans of children would  
clamber to hold your hand.  
A heartfelt goodbye to my old man'.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

## LATE MAUREEN MOLONEY

It was on Wednesday, July 10th that the locality learned with great sadness and regret of the passing at Waterford Regional Hospital of Maureen Moloney, Lisfennel, after a brief illness. Predeceased by her brother Jimmy in the recent past and by her life long friend Gusto O'Brien four years ago, Maureen's demise is the end of that generation. She was well known and highly respected and had many outstanding qualities that endeared her to everybody. She was most fortunate to have such loyal and true friends and wonderful neighbours.

In her younger days she was employed by the Heaphy family, Ballinacourty as a cook. She had many interests, she loved to watch all sports on television with a great love of Gaelic games. She tended to her gardening religiously and loved to go for a short drive with a friend or neighbour. Every Sunday she attended the 9 o'clock Mass in the Friary. A kind, considerate and generous person, Maureen was a gentle person who will be greatly missed. We sympathise with her relatives including brother-in-law Donal Murphy, her many neighbours and friends who were wonderful and much appreciated by Maureen. Special thanks to Mary Morrissey who always kept in touch, to the Kiely family, Lisfennel and Stradbally, Jimmy and Brid Johnson, Margaret and Michael Quilty, Mary Crotty, the Hannigan family, Ballinacourty, Elaine Power, O'Connell St., Catherine and Tony Dunphy, Kilossera and Mary and Nicholas Og Mac Craith and Sheila Breathnach for all their kindness and thoughtfulness to Maureen over

many many years. Reposing at the Kiely Funeral Home, the removal took place to Modeligo Church on Saturday where V. Rev. Fr. Ml. Barron P.P. led all in prayer. Rev. Fr. The interment followed in the adjoining cemetery with pall bearing duties performed by Paddy Hannigan, Nicholas Og, Jim Johnson, Michael Quilty, Peter Crotty, John Kiely. Beautiful floral tributes from close friends and neighbours were placed on Maureen's resting place. I liontaibh De go gcastar sinn le ceile aris. ### DEATHS

Deepest sympathy is extended to Maura Lennon, Leamybrien on the death of her father Larry Coffey, Lisard who died last week. Sympathy also to his wife Biddy Coffey and his two sons Michael and Paddy, grandchildren, daughters-in-law, son-in-law and all his other relatives. Burial took place in Ballylaneen Cemetery. May he rest in peace.

The death also occurred at Wooklick Nursing home, Portlaw of Paddy Lynch, Touranore, Dungarvan, editor of the Dungarvan Observer. He was in his eighties. Paddy played football for Kilrossanty and was on the teams of 49 to 52, four in a row winning teams. He is survived by his daughters, son, brother and sister to whom deepest sympathy is offered on their sad loss. Burial took place in Ballinroad cemetery. Kilrossanty GAA members carried the coffin for a distance to the church on Thursday evening last and also formed a guard of honour. Kilrossanty Chairman Tony Coffey spoke about Paddy and his footballing days with Kilrossanty after the burial. His coffin was draped with the Kilrossanty flag. May he rest in peace.

The death took place last Monday of William Power of Ballykilmurray and Ballagoula. William bore his illness with patience and fought to the end. Farming was his way of life and up to few weeks ago was out in the land. He loved country music and travelled weekly with his wife Dolores to venues around the county and other counties to enjoy the dancing.

He got involved with the hall fund raising last year. His remains were removed from the house to Kilrossanty church where they were blessed and received by Fr. Delaney P.P. assisted by Fr. N. ### ALL HANDS ON DECK.

Yes it's all hands on deck for the field on Saturday August 16th. There is a lot of work to be done before the new season starts.

The managers are busy signing players at the moment and I understand we will see some new faces in Utd shirts this season. Indeed new players are always welcome at Utd.

### SENIOR HURLING CHAMPIONSHIP

It looks like the real thing this time. Cappoquin has been confirmed as venue for our championship clash with De La Salle on Sun. August 17th at 7 15 p.m. Referee for the game will be Pat Moore. Such as been De La Salle's dominance of under-age hurling for almost a decade now that you feel a breakthrough at senior level is almost inevitable. They have threatened for some time and I'm convinced it will come to pass but hopefully not this year at our expense. Tallow are well aware of the challenge they face and I believe there will be very little in this game either way.

We would encourage people to make the short trip to Cappoquin to support the lads. If only half of those locally who sought tickets for the Munster Final made the effort it would make for a good crowd.

### WEDDING ANNIVERSARY

Congratulations to Tommy and Margaret Feeney who celebrated 16 years of marriage last week-end. Also Tom and Lorretta Kearney who also celebrated their wedding anniversary. Lorretta bought a new bed to mark the occasion and warned me not to put it on the notes.

## Disability Awareness Accessibility Part 2

The Programme for Government (June 2002) has a commitment to 'include provision for rights of assessment, provision, appeals and enforcement'. The Waterford Disability Network of PwDI, is of the view that there should be a statutory right to an independent assessment of need leading to a Statement of Need, as outlined in the Strategy for Equality.

### Accessibility Part 2 Information Accessibility

The legislation should include:

- The provision of all information, for example, paper based, web based, telephone based, e-Govt products and services available to the public in accessible formats and language that is appropriate and readily understood by disabled users, including mainstream and specific services, therapeutic interventions, rehabilitation, impairment, advocacy, needs assessment etc. This should include information in a variety of different formats including, ISL and Braille.

- Information on conditions, treatments, prognosis and available services.

- Reference to and build upon the provisions for disability access laid out in the Communications Regulations Act 2001, and World Wide Web Consortium's Web Access Initiative Guidelines.

- A provision that publishers should make information accessible to individuals for their personal use without infringing copyright laws. Sanctions should be specified where access is not granted and for abusing information made accessible in this way.

### Public Procurement and Tendering

All public bodies should be required to purchase only accessible goods, services and information technology products and services. This should include accessible venues for meetings and conferences and a refusal to award contracts to bodies that discriminate against people with disabilities. There should also be an obligation to re-tender in the absence of a tender being received from an accessible body, with an emphasis placed on awarding contracts to the body most willing to become accessible or by requiring the implementation of accessibility.

### Physical Accessibility

Public and private bodies providing services to the public, including the following, should be required to be fully accessible, within specified time-frames:

- Access to transport (air, sea, road and rail)
- Access to public buildings and public services
- Access to private services provided to the public
- Access to the built and external environment

Consideration should be given to accessibility requirements in licensing criteria regarding transport, public houses and hotels and to incentives (financial or fiscal) that can be provided to support accessibility.

### Voting

The legislation should include access to civic and political structures and mechanisms, including electoral systems so that all people with disabilities, including people in institutional settings, can be supported to vote.

Communications accessibility  
The legislation should include specific language and communications provisions and supports for people with disabilities, including people with learning disabilities, people who are deaf or hard of hearing, people who are deaf-blind, and people who are blind or visually impaired etc.

There should be recognition of the unique linguistic and cultural identity of deaf people. This means recognizing Irish Sign Language (ISL) as the

first language of deaf people and the rights of deaf people to receive services through ISL, and via lip speakers, note takers and speed text operators. This includes consideration to the recognition of ISL as an official language of the State so that it gains parity of recognition and treatment to spoken Irish (this could be achieved through a proposal in the legislation for a Constitutional amendment).

We provide information, support and advocacy for people with disabilities. (Physical, Sensory, Learning, Mental and Emotional Health). For further information relating to Disability issues please contact or visit:

## CUL NA SMEAR & ROUNDABOUT

### Ladies Club

The KCK Ladies Club recently made a very enjoyable trip to Niall William's garden in Midleton. Considering it was only established in 1996, the maturity of this 2 acre site shows what can be achieved in such a short space of time. On the way home all in attendance stopped off for a meal in Tides Restaurant in Youghal. Many members also attended the open day at Barrons of Lagg, the proceeds of which were in aid of West Waterford Hospice and The Marie Keating Foundation for Breast Cancer awareness. With a view to their winter programme the ladies club have recently purchased a new cooker for Cul na Smear Hall. The next meeting will be on the first Monday in October.

### Comhaltas News

Members of Na Cumaraigh Comhaltas were successful in the competitions at Fleadh Cheoil na Mumhan in Skibbereen. Congratulations to Colleen Fahey, Noel and Brendan Clancy, Evan Morrissey, Emer Fahey and Kevin O'Farrell who will compete at Fleadh Cheoil na hEireann in Clonmel. Well done to Sean O'Farrell who was 3rd in U18 fiddle and to Bobby Clancy and Deirdre Fahey who were 3rd in U15 and U12 Melodeon respectively. Cul Cheoil the Summer Show which features the excellent talents of local singers dancers and musicians was recently praised in an article in the Irish Independent. The writer stated "the Seisiun is so fabulous it makes the hair stand on the back of your head". Why not come along and experience it yourself any Tuesday during August at 9pm in the Park Hotel.

### Good Football

It was great to see so many parishioners making up the large attendance at Leamybrien recently for the game between An Coiligen agus Cill Ghobnait. Both teams played great football with only a goal separating them at the finish. For the younger players the annual Football Summer Camp at the Cill Ghobnait venue was a huge success with over 60 in attendance. This week the Hurling Camp for St. Pats/Naomh Brid takes place in Touraneena.

Cul na nOg: The first ever Summer Camp organised by the committee of Cul na nOg, the local pre-school was a very enjoyable experience for the children involved. The first week which was confined to 3 - 6 year olds and the second week confined to 6 - 12 year olds, were equally well attended. Well done to all the volunteers, Michelle Maher, Suzanne Keane, Colleen and Mairead Fahey, Marian Ryan and Lindsay Tester and to the leaders Angela Byrne and Charmian O'Brian. Best of luck to Charmian who is leaving to take up a new position. Advertisements for a new staff member have been placed in local papers.

## SIR RICHARD MUSGRAVE 1757-1818 (CONTINUED FROM PREVIOUS WEEK 25/07/03)

By mid July 1798 people were aware that Musgrave was gathering information for a history of the Rebellion. He was supported by several Church of Ireland Bishops, and was given access to court-martial reports and county-assize indictments. In the spring of

1801 the book was published as: "Memoirs of the different Rebellions in Ireland from the Arrival of the English with a Particular Detail of that which broke out on the 23 May 1798; the History of the Conspiracy which preceded it, and the Characters of the Principal actors in it." It was priced at £1-7-6 and according to Musgrave the 1,250 copies were sold out in 2 months. A second edition was produced later in the year. A third and cheaper edition appeared in 1802. Musgrave made some changes and additions to the second and third editions. David Dickson in a forward to a new edition of Musgrave's memoirs published in 1995 described the authors agenda: "The insurrection of 1798 had been in essence a Papist Rebellion aided of course by Protestant dupes and Presbyterian republicans ... Musgrave's message in its sectarian outspokenness was too astrigent for many Protestants and it is essential to recognise that his work became the political bible for a party, not for the whole Protestant Community. The Irish administration seeking to maintain a delicate détente with the Catholic Bishops, Musgrave's charge of profound Catholic complicity in the rebellion and his unqualified defence of loyalist excesses were politically unwelcome. As a result the retiring Lord Lieutenant, Marques Cornwallis, demanded that Musgrave's dedication to him (which had appeared in the first edition) be removed. He thought the book "tended to revive the dreadful animosities which have so long distracted this county". While Musgrave's memoirs are undoubtedly biased it is now recognised by historians as an important source for the study of the period. It was ironic that Sir Richard's nephew and heir to the barony joined the Catholic Association in 1826 and became MP for Co. Waterford in the 1830's. Sir Richard did not get on with his wife Deborah and she decided it was time to end the marriage when one night while he was having a nightmare he cried out "You infernal papist rebel!" and tried to choke her to death!

Musgrave died at his house in Holles Street, Dublin on 7 April 1818.

Two goals for Lismore either side of half time were the decisive scores in this encounter. The concession of too many frees was also to prove our undoing. We did mount a spirited second half challenge but the Lismore outfit remained in control. Full time scoreline: Lismore 4-12 Dungarvan Gaels 1-4

Abbeyside and Lismore will

not meet in the Western Minor Hurling final. Our last game with St. Pat's is of academic interest. This game will take place on Wednesday August 6th at the Abbeyside venue. Throw in at 7:30pm.

## Kilgobinet GAA Club Notes

### INTERMEDIATE FOOTBALL

We were beaten in our Intermediate football first round replay by Colligan in Lemybrien last weekend. Despite getting off to a good start with a goal and a point in the first 10 minutes we didn't keep up the same tempo and ended up losing in the end. We now play the Geraldines in the losers group on a future date. The last time we played them in the football championship was in the Junior Western-final in 1983.

### JUNIOR FOOTBALL CHAMPIONSHIP

We won the replay in Colligan against Clashmore. Having

led all the way we just held out to win by 1 point in this hard fought replay on a score line of 2-8 to 1-3. Our goals came from Tomas Fahey and Niall Hammond. We got a bye in the next round so we don't know when we will be playing again in this Championship.

Junior Football League  
We defeated Kilrossanty in the Junior Football league in Bohadon on Sunday night last, if we win our last game against the Nire we will qualify for the semi-final of the league.

We still have no dates for the Junior A or B hurling Championship, it's already August and no hurling played yet!

## Shamrocks GAA Club Notes

### TOURNAMENT AT KNOCKANORE INTERMEDIATE HURLING

On last Sat evening, Shamrocks and Ballysaggart met in the Johnny McGrath memorial cup game, and served up a good game in ideal weather conditions. Victory went to Shamrocks on the score of 1-11 to 0-6 for Ballysaggart.

The cup was presented to Liam Walton (Capt) by Gerard McGrath, and a valuable set of trophies in memory of the late Seamas Murphy former Shamrocks star were presented to the winners John Murphy. A reception was held for both teams at the Shamrock Inn after the game.

### CLUB LOTTO RESULTS

In last Sat night's draw at the Shamrock Inn the numbers drawn were - 3 - 11 - 13 - 22, and there was no jackpot winner, 15euro consolation prize were won by - Dan O'Neill Crossery, Michael Aherne, Boston, Margaret Geary, Moorhill, Jason Coady, Shamrock inn, Treasa Wilde, Killenagh, Angela Floyd, Killenagh.

## BALLINAMEELA GAA CLUB

# Presentation To Community Centre Committee

On Thursday the 10th of July last, John Walsh, the club treasurer, presented a cheque to the value of 30,000 euro to Eamon Feehan, the treasurer of the ballinameela community center committee, as a donation to their fund for the building of a community center and the development of a sports field.

The club members should feel very proud that we have been able to make such a large contribution for this exciting new development within our community. This must be considered one of the clubs most important off the field achievements considering that six years ago there was only a few hundred pounds in the clubs coffers. It was decided at that time that a concerted effort would have

to be made to raise funds within the club.

11 farming members of the club raised a bullock each and this money was put into a special fund. Club members sold extra deise draw tickets and this money was also put into this fund and then last year when news of this new development came about it was decided that all club members would make an extra donation to bulk up this fund.

Many past members also made generous contributions to our cause and this all culminated in the presentation of the cheque on Thursday week last. It would be amiss of me now not to thank all those who have contributed in any way to the raising of this money and we will all have

just reward when this project will be finished next year when there will be facilities available to all members of the community to match any others within the county.

### FOOTBALL LEAGUE

We played Sliabh gCua in the football league on Thursday evening of last week. The wet evening made it difficult for either team to play good football but the fair should have been a bit better than what was offered on the night. Both sides were short players and it was the free taking of John Stack which was the difference between the sides. We ran out winners on a 7 points to 2 scoreline.

### SYMPATHY

We extend our sympathy to the Phelan family on the death of Micheal Phelan.

## GERALDINES GAA CLUB NOTES

### LOTTO RESULT

There was no winner of our Lotto Jackpot worth 1850 euro. The numbers drawn were 6, 9 and 14. The following were the winners of 20 euro: Carmel Davis, Aglish; Martin Colbert, Aglish; Michael Kiely, Villierstown; Peg Cunningham, Clashmore; Eddie Colbert, Aglish.

Next week's Jackpot will be 2000 euro and the draw will take place in the Cruiscin Lan on Friday night.

### LEAGUE FIXTURE

We are due to play De la Salle in the County Hurling League on Wednesday night at 7.30pm. This match will take place in Leamybrien. This is our final match in the County Hurling League and if we win we are in with a chance of making the play-offs.

### CHAMPIONSHIP DRAWS

The draws for the Hurling and Football Championship have been made. In the football we have been drawn against Kilgobnet. This match will take place on Sunday evening although as of yet the exact time and venue are not yet known.

Please check the Western Board Fixture list elsewhere in this paper for details.

# IN MEMORIAM

**BURKE** — First Anniversary — In loving memory of Maurice Burke, Tinalira, Ballinamult, who died on August 11, 2002.

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,  
Are the ones who can't forget.  
We often sit and think of you,  
And think of how you died,  
To think you could not say goodbye.  
Before you closed your eyes.  
(Always remembered, never forgotten by Dermot, Catherine and Ciara Cliffe).

**BURKE** — First Anniversary — In loving memory of our dear friend, Maurice Burke, Tinalira, Ballinamult, who died on August 11, 2002, aged 72 years.

We hold you close within our hearts,  
And there you shall remain,  
To walk with us throughout our lives,  
Until we meet again.  
So rest in peace dear loved one,  
And thanks for all you've done,  
We pray that God has given you,  
The crown you've truly won.  
(Always remembered and never forgotten, from John, Carmel, Martin and Shane O'Grady, Tinalira).

**BREEN** — Fourteenth Anniversary — In loving memory of our dear father, Patrick J. Breen, late of Ballyrandle, Dungarvan.

Out of our lives you may be gone,  
But in our hearts you still live on,  
Those who think of him today,  
A little prayer to Jesus say.  
(Always remembered by your loving family at home and abroad).

**COLEMAN** — Second Anniversary — In loving memory of my dear mother, Nan Coleman, late of Ballygalane, Lismore, who died on August 8, 2001.

Thank you Mam for those years we shared,  
The love you gave and the way you cared,  
You left a place no one can fill,  
I miss you now and always will.  
(From your loving son Jim).

**COLEMAN** — Second Anniversary — In loving memory of my dear mother, Nan Coleman, late of Ballygalane, Lismore, who died on August 8, 2001.

This is your anniversary,  
You would not want a fuss,  
Just to be remembered,  
And a prayer from all of us.  
Those we love don't go away,  
They walk beside us every day,  
Will those who think of Mam today,  
A little prayer to Jesus say.  
(Always loved and sadly missed, from your loving daughter and son-in-law John).

**COLEMAN** — Second Anniversary — In loving memory of our dear Nanny, Nan Coleman, late of Ballygalane, Lismore, who died on August 8, 2001.

Memories we keep, one by one,  
Things you have said,  
Things you have done,  
They bring a smile and often a tear,  
But always a wish that you were here,  
Both of us in our own little way,  
Have special thoughts of you today.  
(Sadly missed and loved always — your loving grandsons Shaun and Ronan).

**COSTIN** — Twentieth Anniversary — In loving memory of my dear mother, Margaret, Helvick, Ring, who died on 12th August 1983.

(Always remembered by her loving son John and daughter-in-law Kay).  
May she rest in peace.

**COWMING** — Twenty Fourth Anniversary — In loving memory of our dear father Maurice (Harry) Cowming, late of London and Abbeyside who died on August 7, 1979.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,  
That someone is our father,  
The best beyond compare.  
(Always remembered by Ellie, Chris and family, London).

**COWMING** — Twenty-fourth Anniversary — In loving memory of our dear father Maurice (Harry) Cowming, late of London and Abbeyside who died on August 7th, 1979.

Lots of things have happened dad,  
Since you went away,  
Things you could have shared with us,  
If God had let you stay.  
Our lives have changed in many ways,  
Since we were all together,  
But our love for you will never change,  
It will stay with us forever.

(Never forgotten by Maurice, Doreen and family, Cork).

**COWMING** — Twenty-fourth Anniversary — In loving memory of Maurice (Harry) Cowming, late of Abbeyside and London and whose anniversary occurs on August 7th.

Along the road to yesterday,  
That leads us straight to you,  
Are memories of happy days,  
Together we once knew.  
The blow was hard, the shock severe,  
To part with one we loved so dear,  
Our loss is great, we'll not complain,  
But trust in God to meet again.  
(Always remembered by your son Michael and Anne).

**COYNE** — Fourth Anniversary — In loving memory of a dear brother, Seamie Coyne, Clashmore, Co. Waterford, who died on August 3, 1999.

Quietly today your memory is kept,  
No need for words, we will never forget,  
As thoughts go back as they often do,  
We treasure the memories we have of you.  
(Lovingly remembered by your sister Maureen, brother-in-law Maurice, nephews Kevin and Peter, niece Linda).

You always had a smile to share,  
Time to give and time to care,  
Someone to talk to, kind and true,  
One in a million, that was you.

(Always remembered by your sister Cathy, brother-in-law Paul, nephews Shane and Brian, nieces Julie, Clare, Michelle, Kyle).

**EGAN** — First Anniversary — In ever loving memory of my beloved mother Birdie, late of 12 Lios Mor Ave., who died on the 8th August 1992.

"MAM"  
I lost a mother with a heart of gold,  
How much I miss her can never be told,  
She shared my troubles and helped me along,  
If I follow her footsteps I'll never go wrong,  
I miss you from your fireside chair,  
Your loving smile and gentle air,  
Your vacant place no one can fill,  
I miss you Mam and always will,  
I'm lost without you Mam,  
And I'll never for the rest of my life forget you, or stop loving you.  
You were a wonderful mother all my life, so rest in peace dear Mam.

(Your ever loving daughter Dolly, grandson John, great grandson Joseph, great granddaughter Megan, granddaughter-in-law Susan (San Francisco).  
God bless you Mam XXXXX).

**EGAN** — First Anniversary — In loving memory of my dear aunt Birdie, late of 12 Lios Mór Ave., Dungarvan who died on 8th August 2002. Anniversary Mass on Sunday 10th August in St. Joseph's Hospital Church.

As long as I live I will always be glad,  
For a wonderful aunt I was lucky to have,  
A wonderful person with a heart of gold,  
Her loss to me can never be told,  
When I am sad and lonely and things are going wrong,  
I seem to hear you whisper,  
Cheer up and carry on,  
And when I see your photo,  
You seem to smile and say,  
Don't cry I am only sleeping,  
We will meet again someday,  
Will those who think of her today,

A little prayer to Jesus say.  
(Loved and always remembered by Breda, Paddy and family).

**EARLEY** — Twelfth Anniversary — In loving memory of my dear father, John Earley, late of Boreenatra, Dungarvan, who died on August 5, 1991. Mass offered.

Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,  
That someone is our father,  
The best beyond compare.

(Never forgotten by his loving daughter Mary, son-in-law Brian and grandchildren Darren, Kevin, Ian and Conor).

**HOUILIHAN** — Eighth Anniversary — In loving memory of Seán Houlihan, late of Feddans, Rathgormack, who died on August 5, 1995.

Forgive me, Lord, if today I weep,  
For a Dad I loved and I could not keep,  
Perhaps some day you'll tell my why,  
You broke my heart and let him die.  
I know you are in heaven, Dad,  
The only place of rest,  
For you were always good to me,  
And the good alone are blessed.  
If roses grow in heaven, Lord,  
Please pick a bunch for me,  
Place them in my Dad's hands,  
And tell him there from me.  
(Sadly missed by your daughter Mary, son-in-law Donal and your grandson Richard).

A mother is a special gift, one you think will stay,  
You never think the day will come,  
When she will go away,  
And when that mome comes,  
And you have to say goodbye,  
The pain just overwhelms you, and all you do is cry,  
I wish that I could see you Mam, sitting in your chair,  
I wish that I could go back home and find you sitting there,  
Those of you, who have a mother,  
Love her while you may,  
I only wish with all my heart,  
That mine was here today.  
(Always loved and remembered your loving daughter Helen and grandchildren Ian, Lisa and Jennifer).

**MULCAHY** — Second Anniversary — In loving memory of my mother Margaret Mulcahy, late of 7 New St., Tallow who died on 9th August 2001.

I wish I could see you Mam, sitting in your chair,  
And I could go back home and find you sitting there,  
Your gentle nature and kindly ways,  
Leave golden memories of bygone days,  
If tears could build a stairway, and memories were a lane,  
I would find my way to walk to you, and bring you home again,  
Life is so much different now, than I thought it would be,  
All because God wanted you, just as much as me,  
It's hard to face tomorrow, when someone we love is gone,  
It's harder still to realise that, life just goes on.

(Sadly missed by your loving daughter Mary, son-in-law Paddy, grandsons Paul, Pat, Michael and Terry, granddaughter Sandra).

### LATE KATHLEEN O'DRISCOLL

We learned early on Thursday last, July 31st of the passing of Kathleen O'Driscoll at St. Joseph's Hospital where she was cared for for the past seventeen years.

Predeceased by her husband John, Kathleen's passing is deeply regretted by her son Augustine to whom we extend our deepest sympathy. Kathleen was a real character and was extremely well known.

A jovial personality with wonderful sense of humour, she was a great favourite.

Reposing at St. Joseph's Hospital Chapel on Thursday evening the removal took place on Friday morning to St. Mary's Parish Church for funeral Mass which was celebrated at 11 o'clock by Canon O'Mahony P.P. The interment followed afterwards in the adjoining cemetery.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

### LATE BRIDIE WHITTLE

In the obituary of the late Bridie Whittle, Clonea Lower and formerly of Priorsknock, Waterford, published last week, a number of names of the chief mourners submitted in the report were omitted by error. This is greatly regretted.

The full list should properly read:

Chief Mourners included Robin Bowe, Limerick; Katherine Hogan, Mooncoin; Patricia Bowe, Waterford; Valerie Bowe, Dublin; Mary Bowe, Waterford; Lily Bowe, France; Gregory Heylin, Dublin; Pauline Beglin, Waterford; Liam Heylin, Cork and a wide circle of relatives and friends. The only niece absent was Margaret Bowe, now resident in Australia.

## CLUB LOTTO

In recent weeks our club lotto has grown compared to other times. Hopefully that will stay that way for the foreseeable future. Anyone who wishes to purchase a lotto ticket can do so by contacting Francis O'Brien at 087-7769125 or J. D. O'Shea at 086-8255748.

## TRAINING

Some teams have been back training with at least two weeks with some new faces appearing this year. Whilst other teams within the club are almost ready to go. Some challenge games will take place in the upcoming weeks to help the teams prepare for the new season. Anyone interested in joining the schoolboys or adult teams will be able to do so by watching out for the training times.

Team: U-16 Tuesday 6.45 pm. Youths Monday 6.45 pm.

## GROUNDSMAN

Again this year a lot of unseen work has been done around the club by club members in an effort to have everything in order for next season. No more so than our groundsman, Jimmy Healy who manages against all odds to have both pitches in perfect order. In truth we must be the envy of a lot of clubs!! In having two pitches to use and without Jimmy we would be lost. Thanks Jim.

## NEW MEMBERS

At the start of every season a call is put out by most clubs for help at every level of their club. And it tends to fall on deaf ears, which is the same in our club. But thankfully some new faces have injected new enthusiasm which is great to see. Martin Davis, Mike Curran, Paul Landy, Damien Dixon, Eoin Simms, David Walsh. Are some of those whose help will be greatly appreciated. Anyone else who wishes to help can do so by contacting Francis O'Brien at 087-7769125.

## SCHOOLBOYS AND COACHES

U-11 Eoin Simms and David Walsh. U-12 Colin Walsh and James Cooney. U-14 Anslam Hayes and Michael O'Connor. U-15 Noel Hackett and Brian Wall. U-16 Michael Curran and Paul Landy. Youths Kevin Moore and Michael Donnelly.

## CHALLENGE GAMES

As all managers in the club should know at this stage that the main pitch is still closed up and the 2nd pitch in the glass field is available for use, so anyone wishing to use it must contact club Secretary J. D. O'Shea at 086-8255748 to use it.

## ASTRO TURF

Summer time is normally a quiet time as regards bookings on the Astro-Turf so why not take the opportunity to make use of it.

For factory bookings or birthday parties, anyone wishing to use it can do so by contacting Francis O'Brien at 087-7769125.

## NEW VEHICLE

Word has reached us that a certain committee member has recently purchased a new "Love Bug" vehicle. All we can say on the matter is that we prefer our tractor, alright Damo.

## SATURDAY ACADEMY

Has changed to Monday evenings at 6.30 pm so as not to clash with other sports. It is great to see all the kids buzzing about with the football. Things are moving along well at the moment but things will certainly get better with time. Some of these lads will go forward to league football in September so at this stage they are well prepared. Anyone wishing to bring out their child to training can do so by contacting Edwin Egan at 087-6489251.

## DUNGARVAN UTD A.F.C. LOTTO

The numbers of this weeks lotto were 20-26-27 and there was no winner of the jackpot.

Winners of the 25 euro were Michael Wright & Dinny Dalton. Jackpot next week 2900 euro and will be held in John Keanes.

## Dungarvan Youth Notes

Training on tonight Wednesday at 7pm. sharp any of last seasons panel still underage and those interested in playing for the current Youth Cup holders be there on the night.

Due to holidays and work commitments we had to cancel our fixture versus Clonmel Town but hopefully we can have a team for Thursday night (tomorrow) to travel to Clonmel. If you cannot make training but can travel to the match contact 086 3925677. It is proposed to leave the club at 5.30 sharp if we are to travel.

It is nice to hear local rivals Abbeyside will be in the 'A' league this year and we can look forward to at least two local derbies with the old enemy.

## MANCHESTER UNITED SUPPORTERS CLUB

### Waterford Branch Successful Meeting

We had a very successful meeting on Friday night last when there were a large number of new members signing up. All monies for the Bolton trip was passed over and a lot of happy faces were seen when they received their match tickets.

### Blackburn Nov 22nd

Even before the season has started the interest in travelling to our guaranteed fixtures is just amazing. This our second fixture is almost full and not surprising, as we will be lucky enough to meet Roy Keane at this match.

If interested contact the secretary as there are only a few spaces left.

### Community (Charity) Shield

The wait is over and it all gets under way this Sunday versus Arsenal when I doubt if much charity will be shown on the field. The club flag will once again fly proudly in John Keane's for the coming season where a few great matches were witnessed last season. Indeed plans are well in advance for a fantastic prize for regular visitors to John Keane's for Man U matches.

### 10th Anniversary

We have received a new date for our 10th Anniversary it is the 28th October this year word from Old Trafford is that it will definitely go ahead on this date. So dust off the suits and prepare for a wonderful night of entertainment.

## Ballyduff Soccer Notes

We held our AGM on Wednesday the 30th July last.

The officials elected are as follows - Chairman: Diarmuid Flynn, Treasurer: Brendan Cotter, Secretary: Thomas Molumphy - Captain Patrick Molumphy.

Vice - Captain John Tweney. The Club would like to thank, An SIBIN for their kind sponsorship throughout last season, and for the forthcoming season.

Anybody interested in buying tickets for the Red House League Draw can do so from anyone of the players.

Note to players, club membership is euro20, and euro10 for students.

It is presumed the season will start in the last week in August or the first week in September.

# Red House League Notes

## Oscar Traynor Cup Early Kick Off For Oscar Traynor

Yes the Oscar Traynor Cup kicks off in mid September. It does not give any league a chance to do much as regards training said Paddy Pollard one of the managers of the red house league team. Maybe this might help our side added Pollard.

We would hope to announce a panel by the middle of August and the first training session will take place the third week in August - indeed we hope to have a couple of matches towards the end of August.

A panel of players will be drawn up during this week stated Pollard. I know the managers are looking forward to picking the panel added Pollard. This year we also have a coach namely Ben Mangan and Ben should help us to improve our performances on the pitch stated Pollard.

## Lucozade Munster Junior Cup

As we wrote last week application forms for the Munster Junior Cup sponsored by Lucozade Sport must be with secretaries of the Red House League Michael O'Neill at the

first delegates meeting which is on Monday 18th August.

## Statoil F.A.I. Junior Cup

Application forms for the F.A.I. Junior Cup sponsored by Statoil must be with M1. O'Neill league secretary at the delegates meeting on Monday 18th August.

To give all junior clubs through out Ireland a taste of cup football at national level the draw for the first two rounds will only include clubs who are not playing Premier football.

As everyone knows the FAI Junior Cup is the largest cup competition in Europe, when last season just over 650 teams competed. With the rule changes this coming season it is expected that many more teams will be playing and it will be a great boost to our league when we will hear our teams in the draw. The Premier teams will enter at round 3.

Finally with Statoil's sponsorship, the competition is getting more exposure in the media so the more teams from the red house league that compete the more exposure our league will receive in the national media.

## Correction to Notes Last Week

There was a print mistake in last week's notes re-the various posts of the committee. Omitted were the Oscar Traynor committee and the youth committee.

The Oscar Traynor Cup manager's elected is as follows - joint managers Liam Fraser and Joe Tobin, assistant Paddy Pollard. Coach Ben Mangan.

Youth Organisers - Liam Fraser and Noel Hegarty with Ben Mangan as coach.

The committee hopes to have a pro in position before the next delegate meeting.

## Delegate Meeting

The first delegate meeting of the new season 2003 2004 season will take place in the Red House Bar on Monday 18th August at 9pm. The draws for the Liam Fitzgerald Cup and the Tony Bolger Cup will take place at this meeting so it is important that all clubs be present.

## Insurance

All clubs are asked to bring their insurance certificates to the meeting on 18th August. Chairman M1. McBride has warned that clubs who fail to produce their insurance certs will not be allowed play their home games. As usual clubs have to be warned

## Super Draw

Brochures and tickets for the 7th annual confined super draw are now with all league clubs.

Draw co-ordinator Liam Fraser and his assistant Anthony Kenneally will furnish clubs with more brochures/tickets if required. The feed back so far is very good with the prizes on offer favourable to everyone. So please buy your ticket and at the same time helping your club, which will receive a minimum of 50% of the sales.

## The Blues and Cork City

Well the heading may seem true to our friends in East Cork with the not so good results of Cork City lately especially getting knocked out of the Cup and dropping home points last Friday night to Derry City, but the blues of Waterford are definitely riding high at present, more so after their fortuitous victory last Friday night at Inchicore against Shamrock Rovers. Having to defend throughout Vinny O'Sullivan got the all important goal the three points in the 85th minute.

Let us hope they can maintain this form and collect three more points this Friday night away to Longford Town.

## Tourin GAA Notes

### Hurling League

We played Brickey Rangers in the Junior Hurling League at Tourin on Friday night last. The game ended level which as it turns out is of no benefit to either team. Both teams needed the win to remain in contention for league honours. Overall however, a draw was a fair result as both teams enjoyed periods of dominance in the game.

### Challenge Games

We played Clashmore in a tournament game at Clashmore recently and after a good hour of hurling were defeated by 3 points. Last Tuesday night we played Ring in a challenge game which ended all square. The more games like those that we play the better as we strive to attain match fitness for our next championship game. The date or opposition for this fixture has still not been made.

### Sponsored Run

We held our Annual Sponsored Run on last Sunday August 3rd. It was a fine sunny day and we had a good turnout of runners and walkers, both young and old. We would like to thank everyone that took part and especially the many people that sponsored us. It takes a lot of money to run a club nowadays and all contributions are very gratefully received.

### Congratulations

Congratulations to Mary and Olly Flynn, Cappoquin who celebrated their 50th birthday party at the Boathouse recently. A great night was enjoyed by all. Judging by their performances on the floor, they will not be using their 'frames' for a good while yet.

# AMSTEL PUB LEAGUE FINAL

Thursday, August 7th  
at 7.30 p.m.

# Local (Dungarvan) Face Dooceys (Ballymacarbry) in Final!

In what is widely anticipated to be an epic final, Dooceys face Local on next Thursday night at Dog Leaf Park, Abbeyside. For both teams this is a new experience with Dooceys overcoming the holders Kirwans in the semi-final. No doubt Tom Flynn and Tom Dinger Kenneally will be put to the pin of their collars to outsmart each other!

In the race to the final, Dooceys accounted for, among others, a fancied Mooneys team as well as the resurgent Micilíns combination. Locals most notable win was the victory on penalties over Crotty's and a big win over perennial challengers Parrish.

Local, who boast the likes of Kevin Walsh, Alan Harty and John Ferncombe as well as the evergreen Seanie Browne will be a strong combination, while Dooceys, with Pat Walsh, Tom Flynn and Declan Power, have no fears as to any opposition.

The one player most affected by the clash will be Conor Ryan who will line out against the area he grew up in but no doubt there will be no divided loyalties come Thursday night!

## "Local" Pen Pictures

1. — **James Cooney**, Abbeyside's No. 1 and a major factor in the Local's advance; has had a great season in the red and black.

2. — **Seanie Brown**, Mallow man, one of the over 35 players, but the vital cog at the back for Local. Experienced, excellent player.

3. — **Conor Ryan**, left-sided midfielder or defender, has been tireless to date and will relish a crack at his brother David on the Dooceys side.

4. — **John Ferncombe**, strong in the tackle and great distribution. Perhaps Local's most valuable player. The experience of playing on his home ground will stand him in good stead.

5. — **Kevin Walsh**, driving player, all action, style and the engine in the local team. Has weighed in with the goals as well. Very important player.

6. — **Kevin Walsh** (Colligan), dynamic player with a big heart. Seldom beaten on the ground and has pace to burn.

7. — **Alan Harty**, leading scorer, elusive, lightning fast and sharp as a tack. Could be the matchwinner and Dooceys will have to watch him closely.

8. — **Benny Fitzgerald**, big, strong player with a strong physical presence which may be needed to match the undoubted physical superiority of the Dooceys combination.

9. — **Michael Lacey**, Cappoquin man who is also one of the overagers but his fitness is excellent and he "chipped" in with the goal of the tournament against the Parrish.

10. — **Niall Collieran**, another player whose height may be needed at set pieces. Niall is a solid performer with no little ability. Has been superb to date for Local.

11. — **Derek Foley**. Patch has been vital for local and his darting runs have caused no end of bother to opponents. Will be a major figure in the final.

12. — **Thomas Kenneally**, "Dinger" as he is better known, is not only the manager, but also a player. The only player on either squad to hold an All-Ireland soccer medal. He has weighed in with a goal and could be a match-winner on Thursday.

## Pen Pictures of the Dooceys Lineout

## The "Local" Lineout for the Final

**Tom Doocey (Manager)**, age 21, occupation: carpenter. — Currently on extended vacation in the States. An inspirational figure with hands like shovels and legs like tree trunks. His presence is missed both on the line and even more so "Après Match." Currently seeking Senta approval for Pub Final coverage rights in America.

**Tom Flynn (Asst. manager and Captain)**, age 27, occupa-

tion: factory employee. — Tom has scored in every round, but qualifying that his shots to goals ratio is extremely high. He lives near a beehive, but hopefully the locals will end up being stung. Anybody not pulling their weight will be removed from the grass like timber statues.

**Michael J. O'Ryan**, age 28, occupation: teacher. — Works 8 months of the year and considers it too much. His early round impression of the Can-Can will hopefully be matched by dancing at the crossroads on Thursday night. All going well a recall could be earned to the Nire and Waterford teams. Waterboy beware, because after all "he is a star."

**Paudie Halpin**, age 37, occupation: carpenter/builder. The elder statesman of the team, but still a baby at heart. Has taken to the right back position like a duck to water. Even though he still thinks it to be corner back. Probably the best man in the team to build a defensive wall.

**David Ryan**, age 25, occupation: oil distributor. — A solid (fuel) centre half. If he was as good to deliver the final ball as he is to deliver oil, then he would be playing soccer on a more regular basis. Today, David realises his long-time ambition in playing against his idol and older brother, Conor.

**J. J. Moore**, age 22, occupation: factory employee/farmer. — The "real" baby of this team. J.J. is equally adept at playing left full or left wing as he is at combining working on

the farm or the factory. Very easy going chap considering that he manufactures pacemakers. J.J. has volunteered to polish any excess Amstel to avoid any disputes.

**Anthony O'Gorman**, age 29, occupation: farmer. — Recent signing from soccer giants Newcastle Utd. Should we win "slasher" has a preference for Brown ale. Anthony was the deciding influence in the semi-final. Looking to swap jerseys with Alan Harty for his Waterford one.

**Ger Walsh**, age 35, occupation: local government employee. — Ger has become Town Crier in Carrick. Ger's request for his round trip of 56 miles per match will hopefully be looked upon favourably by our proprietor. Cousin of Anthony, brother-in-law of Declan P. and a father figure to Pat. Vintage display expected.

**Michael Byrne**, age 28, occupation: engineer. — Michael is no stranger to finals, he played in the 1987 primary schools draughts final. Spot the Cork accent on the filed of play. Mike has been known for his strength so no player would want to enter into his LOCALity. Being in the engineering field, Michael has the road to success clearly mapped out.

**Declan Power**, age 33, occupation: electrician. — Lightning pace. Declan too has fulfilled another ambition in playing with a Nire side in a big final. In 33 years he has only scored one goal for us and that was scrapped by the dodgy

goals panel. Remember, it's not Dec's fault that he fell the wrong side of Knockanaffrin upon being born.

**Pat Walsh**, age 33, occupation: factory manager. — Small lad, big engine. Pat is a genuine doubt for the final even though he has been receiving intense physio sessions from Declan and words of comfort from Ger. Pat is delighted to be playing the final in his married land of Abbeyside. Pat has stocked Dooceys with Solphadeine for the morning after.

**Declan Spellman**, age 29, occupation: male nurse. — Hails from the City of the Tribes. A true Viking in that he also married into the area. Has drank once or twice in Dooceys pub, thus making him eligible. Currently undertaking a sports injury course (Slasher O'Gorman has guaranteed him plenty work).

**Aidan Ryan**, aged 8, occupation: farmer. — Aidan is a dairy farmer, he has also tried his hand with cattle. Aidan is effervescent without stopping for water for fear of the "moonshine" element. Easy to find the Ginger Bread Man on the field of play but no such luck on entering a disco. Aidan's hobbies are playing the small bit of cricket and following Tipperary.

**Michael Doocey, Kitman, Waterman and Mascot**, age 27, occupation: lab technician. — Michael can count himself unlucky not to be picked in goal by his brother Tom and father Tony. P.S. Scrap this line editor!

With a record field of 134 athletes completing the 5 mile course, with all proceeds from the race going to the Nire parish council fund, the organisers Frank Bolger and Francis Connolly and Tony Mc Carthy were well pleased with the turn out of athletes on the night. Frank and Francis and Tony can take a bow as the race was very well organised and the large turn out on the night, was as much as they deserved for all their efforts.

The race saw a double for the St Joseph's club in Kilkenny with Peter Duggan 26.22 winning the men's and Sinead Cummins 28.29 winning the ladies section. Second man

home was Pat Heffernan Fethard in 27.15 and third was Martin Drake East Cork 27.17. West Waterfords Mark Langford ran superbly once again to finish fourth in 27.46 and Clonmels Pat O'Sullivan was fifth in 28.11

### SINEAD WITH EASE

The ladies title as already stated was easily won by Sinead Cummins St Joseph's in a very good time of 30.56 she was well clear of the second lady Madelene Dorney Thurles 32.16 with Joanne Jackman putting in another fine run to claim third in 32.22 Waterford lady Mary Ryan Jennings made her annual trip to Ballymac and took fourth lady in 32.31 Mary had the previous day won four Track titles at the national masters in Tullamore so well done to her, and West

Waterfords Corinna Walsh had a super race to come home fifth in a time of 32.42. P.B.s were the order of the day for members Ann Dunford who broke the 37 minutes running 36.54 and Diane Behan who finished the 5 miles in 32.59 to also record a P.B. well done to both ladies.

### MASTERS CATEGORIES

The usual duels were fought out in the masters sections with great times recorded in the various categories. In the men's over 40 Bernard Feery Clonmel took the honours in 28.29 from West Waterfords Martin McCarthy 29.13. The over 45 saw victory go to Ger Mullane, Bilboa 28.50 with Gerry Madden, St Senans second in 30.13. The over 50 was won by John Harty Thurles Crokes 29.53 Joe Gough West Waterford was second here in 31.18. William

O'Gorman, St Catherine's took first over 55 in 32.21 from Alan Everett Waterford 36.35 and Tullamore's Mick Neville was first over 60 in a very good time of 34.02.

The ladies category over 35 was won by West Waterfords Ann Dunford 36.54 (p.b.) with club mate Anne Whelan run-

ning one of her best races for some time second in a fast 37.35. The over 40s went to Ann Cronin, Clonmel 38.12 with West Waterford Sheilanne O'Donoghue second in 40.11. Terri Gough, West Waterford won the over 50 in 47.19 well done to all.

The first three locals home

were Alan Whyte, Gyles Aird and Don Thornhill.

There was a great turn out also for the Juvenile races and the sponsored walk also saw one of the biggest crowds for many years.

### FUN WITH FARTLEK

As fun to run, as it is to say, a fartlek workout is a kind of informal interval session and a great way to incorporate speedwork into your routine when you want a change from the track. "Fartlek" is Swedish for "speed play" and consists of bursts of speed in the middle of a training run. After warming up, run at an easy training pace, throwing in bursts of speed for various distances throughout the run. Vary the speed and times of the speed sections, from as short as 15 seconds to as long as two or three minutes. Between these bursts, allow yourself enough recovery time to match roughly 2/3 of the effort time. The recovery pace, though, should be faster than the recovery jog you might do during intervals on the track; keep it moving at an easy training pace.

### NOTE FOR SPEED MERCHANTS

For those speed merchants out there, speed training will take place this Thursday evening at the R.S.C. Waterford, all those traveling are to be at St Augustines college at 6.45 p.m. this is geared towards all those doing the Blackwater homes national half marathon. a full discussion will be held after the track session at the Holy cross on the way home, (a kinda session about the session if you know what I mean).

### THE RUNNERS RECOVERY

Returning to running after a brief layoff? A general rule of thumb is that it takes about two weeks of "retraining" to come back from every week in which you do no exercise. Go easy on yourself during this period. Don't let your ego convince you that you should immediately be able to run as you did before. If you've been off the roads for only a week or two, start at about half the distance you were running before the injury. You should be able to build back to your former level in two to four weeks.

### DITCH THE STITCH

Every runner has experienced the dreaded side stitch, a sudden sharp pain in the side of the upper abdomen at the base of the ribs. The pain is caused by a spasm of the diaphragm, the muscle that controls your breathing.

A stitch will usually go away quickly after slowing down or stopping, but even on the run, you can often make it go away by bringing your breathing into careful control.

Concentrate on belly breathing, pushing your belly out when you breathe in and relaxing it as you breathe out. Take deep breaths on the intake, and exhale suddenly, even noisily. To get the diaphragm to contract in rhythm with your steps, try to inhale and exhale as you land on your left foot

### CLOGHEEN 5K

The club had eight members who made the journey over the Vee last Thursday night to run the annual Clogheen 5k. P.J. Guinan was first club member home in 20th position in a time of 17.40. ## JAMIE COSTIN LIFE ON THE MOUNTAIN

The word on Jamie Costin who is presently training at high altitude in Font Romea (get the atlas out for that one) with the top race walker and current Olympic and world champion Robert Korzeniowski is that all is very well and preparations are on target for the World championships in Paris, where Jamie will compete in the 50k on August 27th. Jamie makes a return visit to Ireland this coming weekend to compete in the National 10,000 metres which are on next Saturday 9th August, immediately after this race he will be going to the N.C.T.C. Limerick for further training for about two weeks, and of course true to his form, he has made himself available for his club West Waterford for the National Track and Field finals on August 17th. He will then fly from Cork to Paris for the World Championships on Saturday 24th. Jamie's dedication and sheer hard work has seen huge improvement for the Ring man in recent times in what is without question one of the most difficult sports of all, we all may not be present in Paris to see Jamie wear the green singlet for his country at a major championship, but our very best wishes and thoughts will go with you for August 27th. (up West Waterford)

## ATHLETIC AND CYCLING RE-UNION

The big sporting social occasion of 2003 on the athletic and cycling front will be held in Waterford towards the end of the year, when the re-union of cyclists and athletes and officials from the 1930s to the present day will be held. In bygone days every sports meeting featured both athletics and cycling events and this trip down memory lane will bring together for the first time many of the surviving participants of these two sports in the county. It's a night not to be missed and if you are interested in attending the contacts are (cycling) Rory Wyley and Tony Ryan (athletics) in West Waterford and for the city the contacts are (athletics) Fintan Walsh and (Cycling) Johnny O'Meara.

The Brothers Are Doing It — Maurice and John Foley discuss their tactics for the upcoming Blackwater Homes National Half Marathon on Sunday, August 31st.

# BREAKING NEWS

Official word has just come from Mr. Liam Hennessey, International Secretary of the Athletics Association of Ireland, that the Blackwater Homes National Half Marathon in Dungarvan on Sunday 31st August next will be used by the governing body as a trial race, to select an Irish international team to compete in the World half marathon championships which are being held in Vilamoura, Portugal on October 4th 2003. This is a huge announcement for this race and for those who are organising the event, it will now certainly attract the cream of Irish road racers to our town for what will be one of the highlights of the domestic road racing year. Don't miss it folks it will be some spectacle.

### BABY GIRL

Congratulations to club members Joe and Mary Kelly on the birth recently of their first child a baby girl.

### BIG 40.

Congratulations to club member Alan Whyte Ballymacarby on reaching the ranks of Masters over 40 during the week.

### NATIONAL LEAGUES

A very small and disappointing club entry of two athletes competed at the second round of the national leagues in Tullamore last weekend, Shane Scanlon took first in the Hammer and Liam Houlihan took first in the pole-vault and second in the long jump. Well done to both men for making the effort.

# HALF MARATHON ENTRIES

The Blackwater homes national half marathon entry forms are available this week from the A.A.I. office, but if you are a member of West Waterford we will be sending in the club entries on block as we have such a big number participating, so all you have to do is give your name to Corinna Walsh who is looking after the club entries along with 10 Euro and your in. The closing date for these entries is Saturday 23rd August.

## BRENDAN AND JOE FIVE EVENTS FOUR GOLDS AND ONE SILVER

West Waterford had two representatives at the All Ireland Masters track and field championships in Tullamore last Saturday, but what an impression these two athletes made on the day.

Joe Gough and Brendan Moran, Brendan got the day off to a great start with a superb win in the over 45 100 metres and a short time later was unlucky not to add another gold when narrowly beaten in the 200 meters having to settle for the silver, non the less a great achievement for Brendan. Joe Gough was once again in sparkling form and rounded off the day with a treble gold winning the 200, 400 and 800 meters over 50, adding to the three gold's which he had already won during the indoor season at the same three events remarkable achievement indeed to win 200,400, and 800 at both indoor and outdoor in the same season, but of course he is the current European gold medallist and the world silver medallist over 800 meters, well done once again from all at the club.

# Juvenile GAA News From The Deise County

Brickeys and Cois Bhride Contest Under 13 Hurling Division Two Western Final, Stradbally Await Winners of Clashmore and St. Olivers in Division Three Final.

The division two final of the Western under 13 Hurling Championship takes place this Wednesday evening in Cappoquin. In the first Division Two semi final Cois Bhride had three points to spare over Cappoquin in Ballyduff on Wednesday night last after extra time was played in a game that ended 2-3 each. In the second semi final played in Cappoquin last Thursday evening Brickeys had a comfortable win over St. Patrick's.

The division two final is expected to be a very good entertaining game between two fairly evenly matched sides. Victory could go to either side. Extra time should not be ruled out in this game.

In division three Stradbally had a win over An Gaeltacht in Lemybrien recently in the first of the semi finals. In the final they will play either Clashmore or St. Olivers who met in the second semi final over the weekend.

As these notes are being put together no times are available for the finals as they depend on what Minor game is going ahead in Cappoquin this evening. Hopefully W.L.R. will be carrying the start of the games in their sportsnews during the day.

## UNDER 12 FOOTBALL

Round two of this year's western under 12-football championship goes ahead this Friday night. All clubs are reminded that they must phone in their results after the game.

This weeks fixtures see Nire play An Gaeltacht in Ballymacarbry, Ballinacourty 'A' play Kilrossanty in Abbeyside, Brickeys play Naomh Brid at Bushy Park, Stradbally play Affane in Stradbally, Clashmore play Dungarvan in Clashmore, St. Olivers play Ardmore in Aghlish and Ballinacourty 'B' play Ballyduff in Abbeyside.

In the first round of games last weekend in the top divisions Ballinacourty had a very big win over Nire, Brickeys had a very big win over An Gaeltacht as had Clashmore over Affane. Kilrossanty had eight points to spare over Naomh Brid. In division three Cois Bhride had a seven point victory over Ballyduff in Ballyduff.

## VENUES

A number of adult games are planned for the next few Friday evenings. These games should take precedent at a venue where an under 12 football game is also fixed for the same time.

The dates for the under 12 tournaments/competitions are not set in stone. The dates given for each round of games are the last date that games should be played in that partic-

ular round of games. The knockout stages are the only dates that are likely to change.

If the home clubs field is wanted for a championship game, then it is up to that club to get in touch with the opposing club to re-arrange the game, either bringing it forward to an earlier time or to a different day of the week. The divisional officers will not get involved in moving under 12 games, as a date or time could be mentioned to one side but this may not suit the other team.

Therefore it is up to both clubs to come together and agree a time and date for a game if a field is wanted for a championship game.

## TOWN AND COUNTRY

Clubs involved in the under 13 section of the Town and County Competition will have received their fixtures by now. The competition starts in the next week or so. Clubs should forward the results of their games to John Jackson, secretary of the rural development committee after each game.

## UNDER 16 HURLING

All the league section of the Waterford Supporters Club under 16 hurling championship has been played. There is still however a few outstanding games. These games will be over the next few days. After this the semi final fixture lists can be drawn up.

## TONY FORRESTAL/SONNY WALSH COMPETITION

Preparations are now well underway for the Annual Tony Forrestal/Sonny Walsh under 14 hurling competitions, which will be held in Waterford city at the end of the month.

The draws were made for this years competitions recently. There is ten teams competing in division one split into three groups, one group of four and two groups of three. Group one has Dublin, Cork, Offaly and Kilkenny playing each other.

The top team in this group will go straight to the final. In group two Wexford, Limerick and Tipperary were drawn against each other and in group three Waterford will play Clare and Galway. In groups two and three the group winners will play each other in the semi finals.

There is disappointing news for a number of Waterford players this year as the county will not have a team in the Sony Walsh competition. This is because Down have asked to be re-instated into the competition. As Waterford's second team was only to make up numbers over the previous years it was decided by the organisers that Down could come

aboard in place of Waterford 'B'.

There is eight counties competing in the Sony Walsh competition. The teams are split into two groups of four with the top team in each group qualifying for the division two final. In group one Kerry, Wicklow, Carlow and Meath play each other and in group two Laois, Down, Westmeath and Kildare play each other.

The Tony Forrestal/Sonny Walsh competition is a great competition held every August in Waterford City. Anybody who has time on their hands and have an interest in underage hurling should go along and see some of the games over the last weekend of the month. Most of the top hurling counties are taking part in the competition. The biggest name missing is Antrim. The Antrim Co. Board took a decision not to enter a team in the competition.

This is a pity because Antrim are a county that are making real progress. Under Dinny Cahill their senior team play a lovely brand of fast ground hurling. They have been making real progress to get up there with the real big guns. They have a very young team which many of the juvenile players in Antrim will have noticed and will know that if they are prepared to work on their game, then they know that they will be given their chance to represent the county in the years to come if they are good enough.

Playing in the Tony Forrestal/Sonny Walsh Competition is the first stage of the inter-county careers of many of the top hurlers in Ireland today. In the past players to play in the competition include Limerick's Ciaran Carey, Dara Coen and Rory Gantley of Galway, Liam Cahill and Eoin Kelly of Tipperary as well as Adrian Fenlon and Paul Codd of Wexford. In addition to these players many of our own present senior hurling team have played in the competition.

## UNDERAGE TRAINING

Underage training is continuing every Sunday morning from 12 o'clock to 1 o'clock. The children enjoy it and are sharpening their skills at the same time. Well done to everyone helping with the coaching. We would like to see a few current players give us a hand now and again, so come on lads it's only one hour on a Sunday.

## UNDER 16

FMW received a walkover from Clashmore on Monday 28 July last. The match was to have been played in the Millfield. We have now won our three games to date.

Minor FMW minor continued on their winning ways with a six point win over Cois Bride in Colligan. The final score was 3:10 to 2:07. This was a hard won victory and the blues had to fight all the way. The half-back line of S Gleeson, T O Gorman and M O Gorman played very well. Liam Lawlor was solid at mid field. Pat Walsh was accurate from frees and Evan Morrissey got two fine goals. Our next game is against Brickeys tonight (Wed 6th) in Colligan.

Team: D McGrath, L Long, D O'Gorman, M Whelan, S Gleeson, T O'Gorman, M O'Gorman, L Lawlor (1-3), S Lawlor, D Morrissey, P Walsh (06), E Walsh, M Moore (1:0), P Ryan, E Morrissey (2-0). Subs. P Flynn, D O'Grady. Mentors P Walsh, D Spellman, and A Walsh.

## QUESTION AND ANSWERS

The answer to last weeks question. John Ryan. Knockwasheen was the FMW captain in 1973 when they shocked hot favourites Cappoquin. The game itself was an exciting affair and has many happy memories for those of us who were around that time. Paddy Joe Ryan had the game of his life scoring 12 points mostly from placed balls. The final score was, FMW 2-14 - Cappoquin 2-12. This was the lineup on the day 9th Sept 1973:

**Willy Ryan:** Gifted goalkeeper who went on to win a Munster u/21 medal in 1974. Now lives in London but keeps in touch and supports the county when possible.

**Mattie Whelan:** Left corner back. Tough player who gave nothing away. Still active with FMW and the Nire.

**Liam McCarthy:** Teak tough full back who now lives in Fethard Co Tipp.

**Phill Harte:** Corner back with the heart of a lion. Was always encouraging those around him.

**Paddy 'Tyler' Walsh:** Tyler was wingback. He has spent years refereeing and is our current minor manager and a member of the Western county board.

**Jim Ryan:** A quiet spoken center back. School principal who lives in Dungarvan.

John Ryan: A no nonsense full back never afraid to 'pull' and didn't hold back.

John Morgan: Gifted hurler who later wore the county jersey with pride.

Transferred to Kilgobnet later in his career.

Richard Foley: A good strong hurler. Richard played for a number of years and later transferred to Eire Og

Thomas Crotty: A stylish corner forward who has given years of service both as a player and an official to the club.

Mick Connolly: One of the teams stalwarts. Later on played hurling and football for county and province.

P J Ryan: A tough full forward. Never one to pull back. Current Mayor of Co Waterford and also served as western board chairman.

**Declan Whyte:** Corner forward who later won county titles with St Mary's and Moyle Rovers in South Tipp where he lives and works as a Garda.

There was to be no fairy tale ending to the year as a Joe Harney inspired Ballydurn beat them in the final. It was to be another six years before we won the county title in 1979 when we defeated our neighbours St Mary's. Still I think the men of 1973 inspired the 79 team.

## LOTTO

We would like to appeal to everyone to support our lotto, as it is our main source of income. The price of equipment has soared. We would also like to welcome any potential sponsors out there who would like to come on board.

# Cois Bhríde G.A.A. Notes

## COIS BHRÍDE 2-7 FOURMILEWATER 3-10

In our final game of the league section we played Fourmilewater in Colligan last Wednesday night. Fourmilewater ran out winners by 6 points but Cois Bhríde played very well in patches against who I think will win the B grade. Our goal scorers on the night were Eamonn Forbes and Michael Curley. We have now played 4 matches having beaten Ardmore and Cappoquin but we have lost to the Brickeys and Fourmilewater. We find ourselves with 4 points which might not get us through to the semi finals of our section.

Team and scorers; Kevin Henley, Shane Harnedy, Brian Harnedy, Padraig O'Brien, Ken Kearney, Jodi O'Neill, Owen Ahern, Mark O'Brien 0-1, (Capt), Ciaran Herlihy, William Curley 0-2, Eamonn Forbes 1-1, Colin Savage 0-2, Michael Curley 1-1, Paul Forbes, Eric Hickey, Subs; James Hampton, Mark Beech, Tom Feeny, Richie Rohan, Mark Sutherland, Mike Smith.

I would like to thank all the divisions throughout the year for their help and Georgina for doing the First Aid.

# Tony Forristal Tournament

Waterford's annual underage Festival of Hurling in memory of the late Tony Forristal will take place this year as usual on the last weekend of August. It will be the 22nd year of this Inter County Under 14 Hurling Competition. A total of 18 county hurling teams from the four provinces will participate, giving us 27 inter county games at four city venues on Saturday 30th with the 2 finals at Walsh Park on Sunday 31st.

## TWO DIVISIONS

Division 1 will consist of 10 counties, operating in 3 groups, with the winner of the final receiving the Tony Forristal Cup. In Division 2 there will be 8 teams, operating in 2 groups, with the winner receiving the Sonny Walsh Trophy. Returning after an absence of six years will be a team from Co. Down. At the request of the Tournament committee, for organisational reasons, the second Waterford team will not be participating this year.

## LARRY QUINN

One man missing from the tournament this year will be Larry Quinn. One of the co-founders in 1982, Larry was the tournament secretary for the past 21 years and it's chief driving force. On February 16th last, Larry died suddenly at Mount Sion GAA Centre. Larry was a man who loved hurling and the Tony Forristal Tournament was very special to him.

## Division 1

Group 1: Dublin, Cork, Offaly, Kilkenny.

Group 2: Wexford, Limerick, Tipperary.

Group 3: Waterford, Clare, Galway.

Teams in each group will play each other. The winner of group 1 will go straight to the Sunday's final. The winner of group 2 and group 3 will contest the semi final.

## Division 2

Group 1: Kerry, Wicklow, Carlow, Meath

Group 2: Laois, Down, Westmeath, Kildare

Teams will play each other in each group in Division 2 with the top team in each going forward to contest the final.

# ST. OLIVERS NOTES

## UNDER 16 COUNTY HURLING CHAMPIONSHIP

St.Olivers played Passage last week in Aghlish and came out victorious. St.Olivers 2-6 Passage 1-8. Well done to all concerned for a great display. The next match to be played is against Cois Brid in Tallow. This will take place on the 5th August at 7:30pm.

## HURLING SUMMER CAMP

Please note that this year's hurling camp takes place in Aghlish from the 18th to the 20th of August. It is essential that all children who attend the camp are paid up members of the club. However if non-members wish to attend, a fee of €2 will be taken up on the first day to cover them from an insurance point of view. This levy is totally separate from the cost of the camp.

Every child must have a hurley and a helmet. A packed lunch is essential for all participants, who should remember to bring plenty of drinks as the weather should be fine. Also, if the sun is shining, make sure your children wear sun-cream to prevent burning.

## PADDY LYNCH R.I.P.

Yet another link with the halcyon days of the Comeragh Club was broken last week when one of their former outstanding sons in the person of Paddy Lynch passed to his eternal reward.

Paddy played his football with Kilrossanty in the years when they won their famous 4 in a row county titles. He was an outstanding and very devoted Kilrossanty clubman.

He was lovely company and never tired of talking football and had a fund of knowledge about the drama and excitement generated by football matches between Kilrossanty and their rivals, Stradbally and Dungarvan.

He was given the traditional send off by his former club and many of his old playing colleagues were present to pay their final respects.

To his family members we extend our deepest sympathy. Ar dheis Dé go raibh a hainm.

## MICK HAYES R.I.P.

Another link with the 1948 All Ireland senior hurling champions was broken on Sunday morning last when Mick Hayes of Butlerstown passed to his eternal reward. The hurling records of the Deise will list the popular Butlerstown man as one of our all-time greats.

Having won a county junior hurling championship after defeating Abbeyside in 1946, he quickly gained recognition at senior level and partnered Johnnie O'Connor at midfield in the 1948 All Ireland final when Waterford took their first McCarthy Cup after defeating Dublin by 6-7 to 4-2. Having played on several Railway Cup teams with Munster, he starred on two winning teams when playing among many of the all time greats of the province including Mick Mackey, Christy Ring, Jackie Power and John Mackey, Limerick, Jack Lynch and Jim Young, Cork, etc. He played on the team which defeated Connaght by 3-10 to 4-8 in the 1946 Railway Cup final and was again at centrefield in 1948 when Munster regained the Railway Cup after beating Leinster by 3-5 to 2-5.

In his heyday, Mick Hayes had Waterford stars, including John Keane, Jackie Good, Vin Baston, Andy Fleming, Eddie Daly and company listed among his colleagues on the field.

In retirement, he always remained a loyal Waterford supporter and rarely missed a game when the county team was in action.

A few of his old colleagues were in attendance when he was given a traditional GAA burial on Tuesday.

May he rest in peace.

## SENIOR FOOTBALL CHAMPIONSHIP SITUATION

Clashmore (reigning county intermediate football champions) are the only one of the 13 teams who are now out of the championship. The group teams, Sarsfields, are among the 12 still standing.

At this stage it looks as if Stradbally might be destined to meet one of three teams from the losers' group (Nire, Rathgormack or Ardmore in the county final). To me these four appear the best teams in the championship and I believe that one of them will eventually emerge winners in October.

## UNDER 21 FOOTBALL V. CORK

This game will bring a big crowd to Walsh Park on Wednesday of next week when Waterford will be hoping for a good result.

They are our last remaining team in the championship and hopefully they will be given county wide support.

The match was changed by the Munster Council at Cork's request and the fixture will mean an alteration in the western board's full programme of minor football championships fixed for the same evening.

SENIOR FOOTBALL CHAMPIONSHIP

# Favourites Ardmore Hold Out In Tight Finish Against Clashmore

**Ardmore 0-12  
Clashmore 0-9**

Although Ardmore were the better side over the hour, Clashmore will rue the many wasted scoring chances which came their way in the opening half of this entertaining and at times

exciting match in the losers' group at Cappoquin on Friday evening last.

Having played into the breeze in the first half, Clashmore did well to stay within 3 points of Ardmore at the break and it appeared at this juncture that the favourites would have a tough fight on their hands to ward off the challenge of their neighbours in the second half.

In the second half, however, it was Ardmore who started well and took complete control and scored five points

without reply in the first 15 minutes. It was then 0-11 to 0-3 with Clashmore looking to be in for a drubbing.

Amazingly for the remainder of the match, Ardmore were the team under pressure and in the remaining 18 minutes managed just a single point while Clashmore in this same period kicked over six points and missed a last gasp penalty to earn themselves a draw and a second bite of the cherry, a situation that would have left no one complaining as the last quarter effort richly deserved a better reward.

**PLAY**

Clashmore were first to score when a Kieran Connery effort won them a point in the 3rd minute. In replay, James O'Donnell kicked over two frees in the 5th and 7th minutes. Maurice O'Connor and James O'Donnell, both from play, left

the tally at 0-4 to 0-1 after 11 minutes.

Stephen Barron, prominent from the start, kicked over from play in the 15th minute. Another Maurice O'Connor point was followed with a super score by Billy Harty before Stephen Barron for Clashmore kicked over the final score of the half to leave the situation at 0-6 to 0-3 in favour of Ardmore.

**SECOND HALF**

Clinton Hennessy (returned from the USA after notable success and recognition over there) kicked over two splendid points from play in the opening two minutes and this seemed to set the trend of the game in the second half.

Billy Harty, James O'Donnell and Billy Harty in that order, kicked Ardmore into an 0-11 to 0-3 lead just on 45 minutes.

While many will blame relaxation on the part of Ardmore,

many others will see the big change in the pattern of play as a result of intensified Clashmore pressure and their 'never give in' spirit.

It was 0-12 to 0-4 after centre half back Seamus Prendergast scored a great point which was the winners final score in the 48th minute.

Points by Stephen Barron, Jason Seward followed but three further Stephen Barron scores left the position at 0-12 to 0-9 when Clashmore were awarded an extra time penalty for a square infringement.

Stephen Barron who had played outstandingly all through the game and contributed a total of seven points, kicked the penalty which was brilliantly saved by Damien Lenane and sent out for a '45'.

This free resulted in another '45' which was kicked in to the Ardmore goalmouth and was

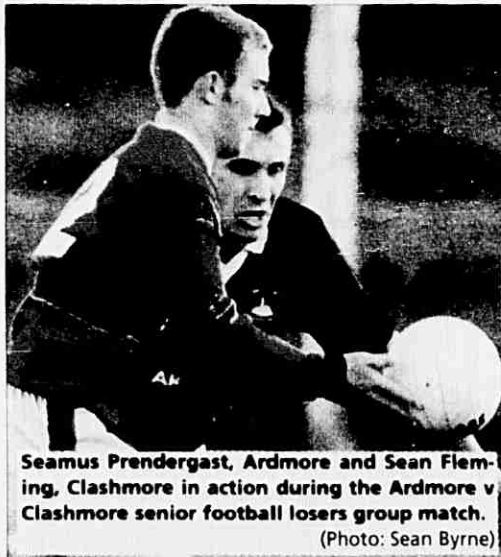

about to be cleared when the final whistle sounded.

Scorers: Ardmore — J. O'Donnell 0-4, B. Harty 0-3, M. O'Connor 0-2, F. Hennessy 0-2, S. Prendergast 0-1; Clashmore. S. Barron 0-7, K. Connery 0-1, J. Seward 0-1.

**Ardmore** — D. Lenane, A. Flavin, D. Prendergast, P. Connery, N. Hennessy, S. Prendergast, R. Hennessy, J. Hennessy, W. Hennessy, M. O'Connor, P. Bree, Cathal Hennessy, J. O'Donnell, B. Harty, C. Hennessy.

**Clashmore** — D. Hickey, P. Allen, P. Connery, P. Lombard, P. Dee, K. Connery, B. Dunne, M. Power, K. O'Keefe, R. Ryan, S. Barron, S. Fleming, O. O'Rourke, M. Fenton, B. O'Neill, Subs. B. Murray for B. O'Neill, Killian O'Keefe for B. Murray, J. Seward for R. Ryan.

# County Board Meeting

P. J. Ryan, Chairman, presided at last week's meeting of the county committee.

## A NEW SENIOR HURLING TEAM MANAGER

Following a very long discussion on the subject, it was decided on the proposition of Tommy Hennessy that a five man committee (Task Force) be set up to interview likely and suitable candidates for the position.

This was debated at length before it was agreed that the number of the task force would be six.

This will comprise the county chairman, P.S. O Riain, secretary Seamus Grant, treasurer Tony Morrissey, vice/chairman Pat Flynn, with Jimmy O'Gorman Munster Council and John Quinn, Mount Sion.

Their remit is to interview suitable people, including the outgoing manager Justin McCarthy and to have a recommendation ready for the next board meeting which will be held at the end of this month or at the start of September.

The chairman thought that the office of chairman should be represented on this selection committee and this was agreed. The county chairman will now be a member of the senior hurling selection committee, but this will not be a permanent arrangement since it is not a bye law.

At the start of this discussion, many delegates were not in favour of moving so quickly on the appointment as it was not on the agenda and as Greg Fives pointed out, clubs did not have the opportunity of discussing the matter. Jimmy O'Gorman felt that the new management team should be in place before the club hurling championship commences.

## DELAYED START

The delayed start to the commencement of the senior hurling championship was well discussed and a very large number of delegates expressed their disappointment that a round or two could not have been played before the hurling intercounty programme began. The frustration of not knowing when they were playing championship was suffered by all the clubs involved.

Liam Moroney, Tallow said his club had played 7 senior hurling league matches and these did not include even one weekend game, as all were played on Tuesdays and Thursdays.

Greg Fives, who opened the discussion, Tony Coffey, Pat Fennell Liam Moroney, Jim Hennessy, Paddy Fitzgerald Declan O'Meara, Declan Kiely, John Lyons, etc. were among those who contributed to the debate.

## SENIOR HURLING REPORT

Justin McCarthy in his final report of the season stated that the county hurling panel had played a total of 21 matches over the season. Of the 21 matches, 11 were won, 9 were lost and one was drawn. He said that luck was not on their side on a few occasions, but the commitment and dedication of the players was excellent. He said that the county panel included players of a very high quality and he felt that success could not be denied them for much longer.

## INTERMEDIATE HURLING CHAMPIONSHIP REPORT

Greg Fives spoke about the problems associated with the fixing of the Munster intermediate hurling final against Cork.

He told the meeting that Cork were pressing for Thurles and we wanted Clonmel. Cashel was fixed by the Munster Council and while the Cashel Club were to be congratulated on the preparation of the ground, it was not the most suitable venue.

He said that the atrocious conditions allied to the fact that Waterford had to play with 14 players for almost 55 minutes, made it extremely difficult for them to win. He said that the panel of players were totally committed and the response to training was splendid.

During this report the matter of the subs on the senior hurling team bench was referred to. It was pointed out that ten of that 15 substitutes could not be played and they being eligible, should be made available to the intermediate county selectors.

Paddy Fitzgerald complained about the treatment of dual players at minor level and said that talented dual players should be allowed to play both codes.

## GOLF CLASSIC SUCCESS

Justin Spratt of the West Waterford Golf Club and Chairman of the GAA Golf Classic Committee was in attendance to present a cheque for a figure in excess of 20,000 euro to the county board. These were the proceeds of the recent classic and Justin thanked the clubs who had responded and taken part in what was not just a successful, but also a very enjoyable competition.

The county chairman in thanking Justin and his hard working committee also thanked the clubs and individuals, etc. that had participated and expressed disappointment that a number of clubs (in the East) had not taken part. He asked if these clubs would now forward a subscription to the treasurer.

## FINANCIAL REPORT

Treasurer Tony Morrissey said that as no senior championship games had been played since their last meeting, there was little to report except the worrying situation about the huge cost of training our 8 intercounty teams.

He said we are still involved in the under 21 football championship and when our interest in the intercounty scene eventually ends, he will present a detailed report to the board, probably at the September meeting. He was asked to include in his report the cost of providing jerseys to the various teams (more than a dozen sets must have been swapped this season) and the amount paid in fines for breaches of match regulations, etc.

## Intermediate Football Championship Games

Three matches in this championship are listed for the weekend.

**Ballyduff v. Lismore** — This is a first round game, delayed because Lismore and Ballyduff each had players involved with the county hurlers.

It takes place at Cappoquin on Saturday evening and Lismore will be fancied to win.

**Affane v. Sliabh gCua** — This losers group contest involves two clubs who are in the winners section of the intermediate hurling championship. Both are reported to be concentrating on the small ball game and this was indicated when they played their first round football ties. Sliabh gCua may come out on top, but my reading of the intermediate football championship does not give either side a chance of winning out.

**Kilgobnet v. Geraldines** — This is also a losers' group match but it should (and will) be contested with great earnestness.

Kilgobnet, who are the county junior football champions, played very good football against neighbours, Emmetts two weeks ago and will be expecting to go one better here.

Geraldines will prove to be strong challengers, they have been around for a while and will know what is needed to win here.

This tie is fixed for Cappoquin on Sunday evening;

## Junior Football Championships

On Saturday evening, Stradbally will be fancied to beat Clashmore at Abbeyside and Modeligo will have it all to do to defeat the Nire in Colligan. Both matches are on Saturday at 7.30 p.m.

## Junior Hurling Championships "B"

The two Friday evening games are in the "B" championships and should result in wins for Abbeyside who will be favourites to overcome Glen Rovers, Mellary at Cappoquin and for Brickey Rangers who may have the measure of Kilgobnet at Abbeyside.

## Minor Hurling Championship

On this Wednesday evening, St. Patricks will play Dungarvan Gaels at the Abbeyside ground, but as Abbeyside and Lismore are already qualified for the western final, this evening's clash is of no real consequence.

Form would seem to favour a win for St. Patricks.

In the minor "B" hurling, Fourmilewater, who are the odds-on favourites to win the title, will play Brickey Rangers in their final game. This match is fixed for Colligan.

SENIOR FOOTBALL CHAMPIONSHIP

# Stradbally Remain On Course For Third Title In a Row

**STRADBALLY 3-9  
NIRE 3-6**

The game did not match the entertainment of the televised Armagh v. Laois quarter final in Croke Park some hours earlier, but nevertheless it was enjoyed by the 400 who saw the game at the Cappoquin venue on Sunday evening.

**MARK OF RESPECT**

The game was scheduled for Saturday, but as a mark of respect to the late Laurence Coffey, father of Michael Coffey who was one of the great club's high profile players until his retirement a decade ago.

A minute's silence was observed as a mark of respect to the Stradbally Gael, before the throw in on Sunday evening.

As a contest it was entertaining and enjoyable and one thing that was highlighted in the contest was that there is little, if any, difference in standards between these two teams.

A lucky break in the shape of a defensive blunder by Nire midway through the second half allowed Trevor Curran in for a goal that might have been considered against the run of play at this juncture. This was the turning point of the game.

Two first half Stradbally goals, the first by Trevor Curran and the second by Michael Walsh, left the champions five points clear (2-5 to 0-6) at half-time.

In the second half, the Nire, obviously fired up by a motivating halftime pep talk, looked a more challenging side and goals by Connie Power and Pat Walsh took them to the front and here they looked as if they were going to surprise the champions.

But Stradbally hit back and with their full forward line very much in form (they accounted for 3-7 of their 3-9 total), get-

ting the scores, they emerged as the 2003 championship's first semi finalists.

It was a fair good performance by both teams and while I would not rate the game as good a contest as the Friday evening tie between Ardmore and Clashmore, I could see the same contestants probably meeting later in this championship.

The Nire are now in the losers' section.

Scorers — Stradbally: T. Curran 2-0, N. Curran 0-6, M. Walsh 1-1, S. Cunningham 0-2; Nire: C. Power 1-1, P. Walsh 1-1, B. Wall 1-0, S. Walsh 0-2, T. Flynn 0-2.

Stradbally — K. Cunningham, E. Cummins, J. Halpin, T. Walsh, L. Walsh, K. Coffey, O. Costello, J. Hearne, G. Walsh, S. Cunningham, G. Power, J. Coffey, N. Curran, M. Walsh, T. Curran.

Nire — M. Doocey, J. Moore, D. Ryan, M. Byrne, J. Walsh, I. Walsh, P. Prendergast, A. Ryan, A. O'Gorman, G. Walsh, C. Power, B. Wall, P. Walsh, S. Walsh, T. Flynn. Subs. L. Lawlor for P. Prendergast, B. Power for A. Ryan.

ALL IRELAND CHAMPIONS – AT LAST!

# Deise Girls Day Of Delight

**WATERFORD 6-11 ARMAGH 1-4**

A dam burst of emotion was released at 2.45pm last Sunday in O'Moore Park, Portlaoise when referee Noeleen Ni Chuirmeacháin blew the final whistle. A National Intercounty Camogie title was making its way back to Waterford for the first time ever.

There to enjoy it were past players, including members of the 1959 Munster Championship winning team. Current players willing their teammates to victory. Club mentors from around the county enjoying the fruition of their dedication. Family and friends of the players, who turned up in style and colour to cheer every score, appreciate every block and encourage every ounce of effort in the search for victory.

The winning margin reflected the dominance right around the field as in every sector the one to one battles went Waterford's way. They led from start to finish, the only time of real concern was when Armagh goaled in the 15th minute, but this was cancelled out within 30 seconds when Player of the Match Aine Lyng struck for the first of her four goals.

**TENSE START**

As one would expect in a game of this importance we had a very tense opening 10 minutes. Frantic end to end Camogie with no obvious pattern. The Orchard County forwards unsettling the Waterford back division with their movement out of position. The robust tackling of their backs letting the Deise forwards know that they would have to work hard for their scores. Consequent to this we had only one score in the first ten minutes a pointed long range free from Emma Hannon.

**HEYLIN SETTLES THE NERVES**

On the 10th minute Roisin Heylin pointed after a trademark solo run. The midfield exchanges were now going Waterford's way as Jenny Simpson and Charlotte Raher stared to win the tackles and move the sliothar on at pace. In defence the intense action was

also going Waterford's way, in particular on the 40 where Roisin Delahunty, Tanya Morrissey and Laura Buckley were rising to the occasion.

Centre Forward Hannon and then Louise O'Dowda struck for further points as the Armagh defence was opened up with slick hand passing and fast movement. However Waterford were rocked back on their heels at the midpoint of the half when Colette McSorley raised the first green flag of the day, for Armagh. This would prove to be another character test for the eventual winners. As in the Munster Final win over Clare when two late goals were conceded to move the match into extra time the response was emphatic. Goalkeeper Aisling O'Brien's puck out found Emma Hannon who placed Aine Lyng, she rounded the full back and gave net minder Sunniamha Quinn no chance with a rasping shot. Lyng and McSorley then shared four points to leave the score on the 25th minute at 1-6 to 1-2.

**DECISIVE PERIOD**

The game now moved into what turned out to be the decisive period. The pace of the game stepped up, hurleys were broken and questions were being asked all around the field. The self belief hardened by excellent preparation now stood to the girls from the South East. They were not willing to go home empty handed today. In this 5 minute period full forward Lyng put her mark on the occasion. She pounced for two goals, the second a rasping ground shot illustrating one of the most potent skills of Camogie.

The performance of the full back line of Patricia Broderick, Orla and Margot Heffernan

## CAMOGIE TITLE FOR WATERFORD

A delighted Waterford camogie team who were crowned All Ireland champions last weekend

should not be underestimated in this first thirty minutes. They and goalkeeper Aisling O'Brien responded magnificently to the pressure and repeatedly frustrated the Armagh inside line.

Half Time score Waterford 3-6 Armagh 1-2

Armagh came out for the second half with a renewed determination but the skill of the Waterford girls was exhibited once again when corner forward Louise O'Dowda took a pass on her camán, flicked the sliothar into the air and drove it nonchalantly between the posts. On the 33rd minute ace predator Lyng struck for another point, following three minutes later with her fourth goal. Armagh had the next two scores, points from Aoibheann and Michelle Murphy. At this stage Munster final hero Aine Breathnach was introduced for

Kate Heneghan who had worked tirelessly in the corner. The youngest member of the panel Patricia Jackman replaced O'Dowda in the other corner as tiring legs were refreshed.

**TOTAL DOMINATION**

Waterford were now rampant and the mixture of skill and determination was proving to be an unstoppable force. Further points from Heylin, Hannon and Lyng widened the gap. In games like this it is easy to note the forwards performance. But the spectators also appreciated the efforts of the Waterford back division. Those who started and replacements Clare Hartery and Alice Moore never relented. A cameo that captured this was upon her introduction Clare Hartery was thrust straight in action. Twice block-

ing and then clearing her lines as Armagh's Dara Collins tried to make progress.

One of the unsung heroes of the team, Susan Finn left the field to rapturous applause from supporters who appreciated her sterling work on the 40. Her replacement Ciara Keogh maintained the momentum.

Roisin Heylin and the tireless Jenny Simpson scored the final two goals for Waterford in the closing stages confirming Corn Aoife's first trip to Waterford.

**TEAMS**

## LADIES FOOTBALL

# No Munster Title As Waterford Ladies Go Down To Kerry

**KERRY 2-12  
WATERFORD 2-10**

With 8 minutes gone in last Monday's Munster Senior Ladies football final played at Pairc Ui Rinn, you would have got long odds on Kerry ending a barren 10 years as they trailed Waterford by 8 points and were in trouble all over the field. A blistering start which saw Rebecca Hallahan crash home a goal in the 2nd minute, followed by points from Mary O'Rourke and Annalisa Crotty and a further goal by Aine Wall had Kerry reeling.

Geraldine O'Shea and Kate Kennelly did land the Kingdom points before Aine Wall's drive went inches over the bar. Then came the turning point as Mary O'Donnell's rasper came back off the foot of the post. Kerry went straight downfield and although Waterford's keeper Sarah Hickey made a brilliant save, Kerry's wing forward Patrice Dennehy drove the rebound to the net.

Instead of being 10 points down they had reduced the deficit to a much more manageable 4 points and so grew in confidence. With the wind at their back they tacked on the points, 4 on the trot, all by

Geraldine O'Shea. They began winning all the breaking ball and were hungry for victory. This is not to say that Waterford didn't have chances, they kicked 8 first half wides, 19 in total, and hit the post and bar 4 times.

When Mary O'Donnell's pile driver came back off the crossbar in the 25th minute, Kerry again broke down field and Noreen Feely drove over the bar. Sarah O'Connor put them 2 points up before Waterford captain Julie Torpey shot a point, Waterford's first score in 19 minutes to leave just a single point, 1-8 to 2-4, between the teams at half time.

Waterford had the advantage of a slight breeze at their back in the 2nd half. Kate Kennelly put Kerry 2 points up on 34 minutes but Waterford now had plenty of possession and points by Linda Wall and Mary O'Donnell levelled the scores by the 37th minute. Then disaster struck, uncertainty in the Waterford defence gave Geraldine O'Shea a chance and she drove to the net and once more Waterford had a mountain to climb.

Casey O'Driscoll made it a 4 point game before Martina O'Ryan's drive came back off the post. Aine Wall pointed a Waterford free but this was followed by 4 bad wides on the trot. Deirdre Breathnach and Mary O'Donnell reduced the deficit to a single point and when Mary O'Rourke shot the equaliser with 4 minutes to go Waterford looked the likely winners.

A further wide left Kerry off the hook and the Kerry attack, feeding off scraps, proved its worth with 2 late match winning points from Kate Kennelly and a free by O'Shea to claim the title and leave Waterford wondering how they lost a match when they had the lions share of the possession.

An attack that scored 4-35 in the previous 2 games never

clicked and missed chances they would normally score with their eyes closed. In addition the Kerry attack which troubled the Waterford defence with their speed and ability to pick off scores, proved the difference between victory and defeat. Waterford now face a real test in the quarter final when they will meet the winners of one of the other 3 provinces.

Waterford: S. Hickey, D. Frost, D. O'Rourke, N. O'Connor, A. Crotty 0-1, E. Power, J. Torpey 0-1, M. O'Donnell 0-2, C. O'Keefe, L. Wall 0-1, R. Hallahan 1-0, D. Breathnach 0-1, A. Wall 1-2, A. Murphy, M. O'Rourke 0-2.

Subs: M. O'Ryan, D. Nagle and M. McGrath. The quarter final takes place on Saturday 30th August.

## ABBEYSIDE BALLINACOURTY G.A.A. NOTES

### U16 FOOTBALL

On Friday last we took on Mount Sion in our club grounds. Taking on Mount Sion is always a formidable challenge, however our task was made all the harder due to the fact that a number of our players were on holidays. The game turned out to be most entertaining with the new players all performing well on the night and at the end a draw was a fair result. Score: 4-05 to 2-11.

Team: S. Enright, D. Enright, A. Crowe, B. Walsh, D. O'Hare, R. Foley, E. Brackett, W.J. Kiely, S. O'Hare, E. McCullagh, J. Gorman, D. Henley, S. Lannigan, M. Ferncombe, J. O'Driscoll.

We have one game remaining against Roanmore, which we must win to make sure of qualification for the semi-finals. This game must be re-fixed and selectors will be in contact with players when a date is announced.

### INTERMEDIATE HURLING

As part of the Pattern Festivities we took on Ardmore in the club grounds for the Langan cup. A large crowd was present for what turned out to be a very exciting open game of hurling. Also it would be fair to say that it was the classic game of two halves. In the first half we played some good, fast hurling and led comfortably at half time. However, in the second half, Ardmore really came out all guns blazing and eventually ran out winners on a scoreline of 3:17 to 3:14. Our thanks to the Ardmore club for coming in for the game, and to the Langan family for their continued support of the tournament.

Team: P. Enright, E. Hayes, J. Kindergan, M. Collins, M. Fives, G. Breen, J. Phelan, J. Hurney, S. McGrath, G. Hurney, L. Hurney, M. Gorman, D. Enright, J. Moore, M. Fives. Subs: P. Hurney, P. Lynch, M. Enright, D. Ryan.

### LETTER FROM AMERICA!

Word has reached us that the 'yanks' are not too happy that their exploits in Chicago are not receiving due recognition in these notes. Well just to let you know that Mixer is currently performing heroics in goal and apparently has to be tied to the goalpost, whilst Bonnie is topping the score charts regularly. No doubt they'll be top of the wanted list for the new Waterford hurling manager.

WEST WATERFORD A.C. JUVENILE NOTES

# Season Ends On High Note

Our season has drawn to a close and despite the rain everyone was in good form at our end of season match with Clonmel A.C. and Youghal A.C. Last year we just about won the match but this year when the scores were counted we had won by 100 pts which shows how much our young athletes have come on over the year. After the match we all adjourned to McDonalds for a celebration. Our thanks to McDonalds who stayed open late especially for us.

## THE BALLYRAFTER CENTRE, LISMORE

Great showjumping action continued at The Ballyrafter Centre, Lismore last week with the Finals of the Lion League. Winners were well spread with Niamh O'Connor, Clonmel, Jayne Brandon-Cunningham, Waterford and Tom Hyland, Ballyduff winning the horse finals and Kevin Cullinane, Tallow and Paul Kiely, Cappagh kept it local in the pony finals.

Nine went against the clock in the first horse final of the day and Michelle Griffin, Dungarvan with "Kilgobnet Pepsi Cola" set the pace of 43.84, then fellow stable companion "Kilgobnet Daisy Dolittle" ridden by Kim John got very close in 44.37 but Niamh O'Connor found a shorter route to fence four and won well in 42.00 with the reliable "Trigger". Claire Coughlan from Tallow took the leading trophy for "Jessica".

The 0-90cms Final turned out to be just as competitive with seven against the clock. This time it was Clonmel girl Ellen Venton a previous winner here who looked set to take another title with "Dancer" clear in 45.79 and it took a while before Jayne Brandon-Cunningham and the French bred chestnut "Jumbo De Belair" flew everything in 44.22 to clinch it with Ellen's grasp with Lismore based Francesca Kelly taking third on the four-year-old "Cancara" in 48.44. Eilis McCarthy, Cork took the next place with her leading horse "Cailin" again proving consistent.

Tom Hyland with his new ride "Togher Tequila" have already set up a great partnership and won the 1-00m final after a real tussle with French rider Sullivan Gatz based in Waterford with the Cunningham's on his two rides. Sullivan with "Extra Time" was well up when a change of direction cost him valuable seconds and then another great round on "Cool Gangster" meant he took the runner-up placings. John Fennell, Leamybrien was fourth with his joint leading horse "Sandy Bay" the title shared with his daughter Michelle and "Lillie" after equal points in the qualifying rounds.

Earlier in the day Kevin Cullinane won the first pony final with "Simon" from Ruth Fennell, Dungarvan and her father's promising young "Mr. Socks". The youngest rider in the League at just 7 years old, Shane Harte from Tallow was a very worthy third with his new pony "Tickle Pink". Kelly Dwane, Dungarvan who was unlucky in the final took the trophy for the leading pony "Jim" in this Mini League.

Ruth Fennell was again to the fore in the other pony final with "Golden Frisky" third to go of the 8 against the clock she set the target of 37.22. Ciara O'Connor, Clonmel had two in the jump-off but her

first ride "Mars" took every turn asked of him and went ahead in 35.92 and it looked as though the O'Connor sisters would score a double but Paul Kiely had other ideas. He had "Mighty Hunter" in superb form and from going through the start line, never let up to cross the beam the popular winner in 34.17. From Carrigrohilly Pat O'Sullivan had the leading pony trophy to take home for "Barryscourt Boy".

## The Other Bird Flew Home

The final of a Dual Distance marathon stake over the little used 790 yard trip held center stage on this ten race card. After disappointing in her semi final 3/1 shot The Other Bird (Vintage Prince-The Other Daisy) looked a lot sharper on this occasion as Matt O Donnell's charge came good in 44.07. Led early on by Get-away Harp and Elbony Primrose The Other Bird cruised into the lead halfway down the back stretch to gallop on strongly for a two and a half lengths victory over a slow starting Determined Kylie.

In the first graded event Parkill Tiger led to the halfway point on the back straight where he gave way to the Thomas Phelan owned Kilkenny Live (Top Honcho-Pollerton Lass). Trained by Peter Hattemore Kilkenny Live stayed on well to record a three lengths victory over Parkill Tiger in 29.31.

The second race over 300 yards produced a super display from the first timer Bandicoot Ruby (Staplers Jo-Fintra Black) who recorded the fastest time of the year over the two bend trip running riot over the opposition in a smashing 16.14. Backed in to 4/7 favourite the Ann Callanan owned and Damain Quigley trained Bandicoot Ruby had the opposition on the stretch from an early stage and while Ben Henri ran well to take second spot Bandicoot Ruby scored with some authority by four and a quarter lengths.

The Mitchels Syndicate owned Mitchels Return (Staplers Jo-The Other Sony) opened her account at the third time of asking capturing the third race at odds of 1/1. Taking command of matters early on a strong running Mitchels Return was not extended to defeat High Harmony by a cosy three lengths in a fast 28.97.

While she surrendered an early lead to Southlodge Run in the fourth contest 4/1 shot Oldinn Minnie (Honcho Classic-Dons Midnight) running for Abbeyfeale owner Patrick Lyons and County Wexford trainer Deirdre Byrne battled back in fine style over the final two bends to come through for a well deserved three lengths victory over a running on Vintage Hitman. Time 29.50.

It was back to two bends for the fifth contest and while track newcomer Dripsey Dipping made a brave attempt to lead all the way the Mick Cronin trained Ballinora Gift (Staplers Jo-Proud Picture) the 6/4 favourite despite taking the scenic route throughout finished with a flourish on the wide outside to collar Dripsey Dipping and triumph by a neck in 16.38.

The following two races were semi finals of an unraced stake. In a close run first qualifier Brykat Valentino, Whitefort Todd and Droopys Britney raced in unison the length of the back stretch but nearing the penultimate turn Sean Dunphys Droopys Britney (Larkhill Jo-Droopys Kylie) the 4/6 favourite eased her way into the lead and asserting her superiority Droopys Britney went on to triumph by three and a half lengths over Brykat Valentino in an excellent winning time of 28.69.

Impressive heat winner Pure Plus (Doyougetit-Pure Penny) was a red hot favourite in the second semi final and John Duggan's charge did not disappoint

posting a trap to line 28.82 victory. Utilising his early pace to perfection Pure Plus shot clear of Whitefort

Dev and enjoying his midweek romp up front Pure Plus came home four lengths clear of a running on Kilmacar Prince.

In the ninth contest Pet Shop Honcho made a brave effort to make every post a winning one but she left a narrow up on her inside on the home turn. Coming with a sustained run up the rails the Aidan Roche trained Eldorado Dream 5/2 finished with a flying late run to triumph going away by two and a quarter lengths in a best ever 29.07.

June 2001 whelp Down To Monica (Citizen Rascal-Dochas Mor) is certainly paying his way for Middleton, County Cork owner Michael O Donoghue and local trainer Jude Hennessy and this fawn greyhound was on the mark once again in the final race of the night obliging in 29.24. Well suited to his trap six draw the early paced Down To Monica stretched clear of Truleigh Benji before accounting for a fast finishing Determined Spice by a length.

### WATERFORD SATURDAY AUGUST 2ND

## Valentia Citrate Stormed To Victory

All eyes on this the first meeting in August were firmly focused on the final of an Open 550 yard stake. After an impressive semi final victory Honcho Trix was sent off the 5/4 favourite but on this occasion she fluffed her start. Showing good early speed from trap two the progressive Call Me Jasper led around the first bend from 2/1 shot Valentia Citrate. The latter a strong running son of Larkhill Jo and Ullid Citrate loomed up menacingly however at the third bend and taking over in the lead on the outside Valentia Citrate eased his way into the clear to race on for a well deserved two lengths victory over a game Call Me Jasper. The winner who clocked a winning time of 29.91 is trained by Frances O Donnell for Maurice Jackson and Tom Smyth and this half brother to Late Late Show will now be prepared for a crack at the upcoming Waterford Crystal Open Stake.

On a night in which all ten favourites bit the dust racing got underway with a victory for the Irene Bolton Lee owned Wilcox Rascal (Liffey Mills-Hannahs A Rascal) in 29.64. Nipping into the lead on the fence at the first bend as the favourite Corach Blue moved off the turn Wilcox

Rascal set sail for home eventually romping to a nine lengths win over Determined Sarah.

Trap one is becoming a bit of a bogey in sprints with the occupants tending to miss their break. It happened again on Saturday night as the 6/4 favourite Hilldun Harry was left stranded at the start. No such problems though for the Richard and Maxine Monk owned Binsted Prince (Roanokee-Princess Tiara) as this Roy Ellis trained 4/1 shot shook off the early challenge of Ballyrobin Duke before obliging by two lengths in 16.55.

In the third race Goodnight Vienna (Mustang Jack-Honky Tonk Girl) 2/1 did well to make the rails on the first turn from her trap four starting berth and while Thatswhatsay tested Goodnight Vienna on the back stretch the latter running for Ian Seymour stayed on well up the home stretch to win out by three and a half lengths. Time 29.53.

The fourth event was a messy affair with Tom Carroll's Jalinda (Carlton Bale-Pacey Duchess) 4/1 coming from last to first to open her account in 30.00. Byrne Back hit the front off the second bend from Nice As Pie and a hampered Wee Phantom but in a driving finish Jalinda weaved a path through the pack to pounce on the rails and beat the evens favourite Nice As Pie by a short head.

The photo finish camera was also called into action in the fifth race over the 550 yard trip as the Dick Cullinane owned Frisby Crackers (Frisby Full-Diet Crackers) obliged at the rewarding odds of 5/1. Kilmeaden Jenny made a gallant attempt to make all the running but Frisby Crackers was always in a challenging position as he finished best of all to record a neck victory over Kilmeaden Jenny in 30.84.

The sixth contest produced the easiest winner of the night as the Alan Weldon owned Bonmahon Pride (Judicial Pride-Autumn Aisling) slammed the opposition this 3/1 shot recording a pillar to post 29.11 success. Taking a flyer from trap three Bonmahon Pride was never in the slightest danger of defeat leading early on from Shinacock Hills and Dawlish Pressure before proving eleven and a half lengths to good for Dawlish Pressure in a best ever clock.

Noan Ronger 3/1 to 2/1 displayed a nice burst of early dash in the seventh to race into a two lengths lead over Captain Mackey but the latter an August 1999 whelp has taken on a new lease of life and sticking like glue to the leader the Eugene Dempsey owned Captain Mackey running in his sixty eight race finished the stronger to get up close home for a neck win in 28.91. The winner is a black son of Pepes Dilemma and Forever Rosie.

A 730 yard marathon was a race of changing fortunes and while Didedoit shot clear early on from the 5/4 favourite Jungle Rumble the whole field bunched up over the final two bends as the Andrew Weldon and Michael Casey owned Bonmahon Breeze (Judicial Pride-Dranoel Breeze) 4/1 stayed on well to beat a rails seeking and fast finishing Billys Trail by three quarters of a length in 41.37.

In a desperate bid to retrieve some of their losses the punters rowed in with a perfectly drawn Scotias Prince in the concluding 550 but after joining issue with 5/1 shot Crokers Girl on the back stretch the favourite tired on the run home as the Eamon O Connor owned Croker Girl (Frisby Full-Miss United) kicked again to run out a determined length and a quarter winner over Lady Princess in 30.23.

### APOLOGY

Kilcohan Park Greyhound Stadium wish to apologise for the non appearance of Traveling Sound last Saturday night. The matter however was outside of their control.

# HORSE RACING SNIPPETS

*They're Off*

BY MARK PHILLIPS

## TONY MUST WAIT

UK based jump jockey Tony McCoy made a flying visit to the Galway racing festival last week and while he was hoping to return to action following surgery on his wrist his doctor advised him that he must wait at least another three weeks before resuming race riding.

## PERSIAN PUNCH TRIUMPH

The Goodwood Cup was just one of the many top class races decided at the Glorious Goodwood meeting last week and it produced a thrilling finish as the teak tough ten year old Persian Punch battled on tenaciously to deny a challenging Jardines Look Out by the minimum distance.

## JIMMY MANSELL

It was nice to see young jump jockey Jimmy Mansell in such great form at Galway when interviewed by Robert Hall. The bottom line is however that while Jimmy has made a tremendous recovery from his life threatening injuries he will however never ride in public again. He is still undergoing physiotherapy on his right hand and he will shortly have to sit down and plan out his life.

## BIRTHDAY BOYS

Flat rider Dane O Neill celebrated his twenty eight birthday last Friday while this Thursday sees ex jockey turned TV pundit Walter Swinburn turn 41.

## LOWLANDER FAILS

Some punters never cease to amaze me. Last week on the TV3 Go Racing programme top trainer Dermot Weld was at pains to state that the former John Oxx inmate Lowlander was a poor jumper of hurdles and he was not confident of winning with the horse at Galway. What do the punters do at Galway but wade into this horse in a hurdle race at the festival and he duly finished out of the money.

## DAVID'S WINNER

The David Elsworth trained Love Triangle was a winner of a two year old maiden contest at Galway but did you know that this horse was the first ever two year trained in the UK to run at Galway.

## GALWAY HIGHLIGHTS

The annual racing festival at Galway produced some tremendous fare for racing followers last week. On the opening night Dermot Weld introduced a very speedy colt in the shape of Grey Swallow who turned the closing stages of a two year old maiden into a procession. This son of Daylami looks to have a bright future ahead of him and Dermot Weld intends stepping this winner up in class for his next race outing.

This column has sung the praises of amateur rider Derek O Connor throughout the year and the County Galway born rider gave the Pat Hughes trained Rapid Deployment 14/1 a cool ride to capture the GPT handicap.

On Tuesday night there was a great Waterford success as Mick Kinane got the very best out of the Paul Roche trained Huxley. Gambled on from an early morning price of 6/1 into 2/1 on the course the E.J.K Syndicate owned Huxley was out the back for much of the trip but this son of Danehill Dancer stayed on really well up the stiff hill to win a shade cosily in the end.

The featured Galway Plate on the Wednesday produced a real shocker of a result as the Paddy Mullins trained and Robert Power ridden 25/1 outsider Nearly A moose out battled Kadoun up the

straight.

It was great to see the small Castlelyons yard of Pat Verling conquer all before him riding and training the winner of the Galway Hurdle on the Thursday. Cloone River looked all over the winner in the closing stages but switching his challenge of the fence Pat Verling got a great response out of Sabadila to win this feature event. Trainer Eoin Griffin was on the mark in a novice hurdle with the Norman Williamson partnered Patrizo who posted a very easy win over Five Alive O

Cappagh, County Waterford rider Tom Queally had to wait for a winner until the seventh day of the festival when he produced the Christy Roche trained 8/1 shot Desert Fantasy with a well timed challenge to capture the featured Galway Radisson Hotel Handicap.

## THIS WEEK'S FIXTURES

Wednesday: Sligo 5.30pm, Brighton, Kempton, Newcastle, Pontefract, Yarmouth.

Thursday: Sligo 3pm, Tipperary 5.40, Brighton, Chepstow, Haydock, Uttoxeter, Wolverhampton.

Friday: Kilbeggan 5.30pm, Haydock, Lingfield, Newmarket, Sedgefield, Wolverhampton, Worcester.

Saturday: Downpatrick 2.30pm, Ascot, Haydock, Newmarket, Redcar, Stratford

Sunday: Cork 2.15pm, The Curragh 2.15pm, Leicester, Redcar, Windsor

## OUTSIDE RIDES

A factor that struck me lately is the fact that Mick Kinane is taking a lot more rides outside of his retained Aidan O'Brien stable. The Aidan O'Brien yard are going through a real tough period being starved of a Group One success. One wonders will Mick Kinane stay with the stable next year if the current lean period at Balydoyle continues.

## DID YOU KNOW?

That you that recent visitor to Britain Steve Cauthen was the only jockey to win both the English and American jockey's championships.

## YORK BOUND

The Willie Mullins trained pair of Holy Orders and Saddlers Wings which finished first and third in a flat Handicap hurdle last Friday night at Galway will now be prepared for a tilt at the Tote Ebor handicap at York.

## SAM MOVES

Conditional rider Sam Curling who has eighteen victories to his credit joins the new Curragh yard of Frances Crowley this week. Sam is lucky in so far as he can also ride on the flat as well as over jumps.

## JIM UNHAPPY

Coolcullen, County Carlow trainer Jim Bolger was not a happy camper leaving the Galway races last Saturday. Jim ran the well fancied Alexander Goldrun in the Premier Nursery Handicap but his stall opened slower than the rest of the field.

Kevin Manning the rider of Alexander Goldrun shouted at the starter Peter McGouran to call a false start but his pleas fell on deaf ears. It appears as if the local Stewards bottled out of calling a void race and the matter was referred on to the Turf Club for immediate investigation. Knowing Jim Bolger, an avid follower of Wexford hurling, he will not let this matter rest and we can expect further media coverage on the matter over the next couple of weeks.

## JOHNNY LYNCH JUVENILES SCRATCH CUP

Juveniles were out in force last week when the Johnny Lynch Scratch Cup got under way and it could not have been closer after 36 holes with Barry Hamilton and Joe Hickey leading the way on 6 and 8 under par going into the last round.

Barry got the upper hand when he went into a 2 shot lead with 3 holes to go and the pressure was on as Joe Hickey pitched close to 16 and Barry bogied and the same followed at 17.

So, they were all square playing the last and it was Joe Hickey who was in the driving seat as he pitched the last and stuck it to the last, only for Barry to get a par so it was the man from Clonmel who lifted this year's Johnny Lynch Cup in dramatic style and left Barry speechless as he felt he threw this one away.

The club would like to thank Johnny Lynch for his continued sponsorship towards the Juveniles, year in, year out. Go raibh maith agat.

## NO COMPETITION THIS WEEK LADIES

Last Wednesday's results in the nett: Mary Radley and Mary Crotty; in the gross: Pat Regan and Joan Curran. Congrats to all ladies and keep up the good work.

We would like to thank the ladies for providing us with the catering this weekend for the Inter County Championships. The course is closed from the 4th to the 11th of August for these Championships.

Ladies, do come along on Sunday, you'll see the highest standard of Pitch and Putt played in the country this coming Sunday.

## The Park House Tournament

Paddy Street, winner of the first net and Richard Ferncombe (sponsor) presenting Paddy with his prize.

## WORK DAY THIS SATURDAY

This Saturday sees the a work day on the course so if you've got a spare hour, come down and give us a hand. We'll need all your help to get the course ready for the Inter County, so come on ladies and gents, give us a hand when it matters. First Impressions count and we've only one chance to get it right.

## INTER COUNTY COMPLETE

This year's Inter County team is completed, the team being headed by John Carroll, Tommy Walsh, Kevin Kirby, Billy Aspel and Paul Meghian. The finals take place in Cunnigar on 10th August and we are asking all our members to support our Waterford Team in action on the day. Cork will be odds-on favourites to lift the title.

The course will be open only to Inter County Players this week.

## FIRST INTER COUNTY FOR CUNNIGAR

This coming Sunday sees history for the club as the first Inter County Championships are played in Cunnigar Pitch and Putt Club. The country's finest players are going to show their talents and the pitch and putt will be at its highest levels.

This is as good as it gets for the club, only to be followed by hosting a National Championship! So this is the week we have to get it right — let's give them the best we have.

The committee have asked all members to give a hand this week and get the course right and to all those who have helped (especially the ladies) take a bow and a big thank you for your efforts.

## THE LATE CHRIS WALSH

The Club would like to extend their condolences to the Walsh family and the prayers of the club go with you.

# St. Oliver's GAA Club Notes

## HURLING SUMMER CAMP

Please note that this year's hurling camp takes place in Aghlish from the 18th to the 20th of August.

It is essential that all children who attend the camp are paid up members of the club. However if non-members wish to attend, a fee of \*2 will be taken up on

the first day to cover them from an insurance point of view. This levy is totally separate from the cost of the camp.

Every child must have a hurley and a helmet. A packed lunch is essential for all participants, who should remember to

bring plenty of drinks as the weather should be fine. Also, if the sun is shining, make sure your children wear sun-cream to prevent burning.

## UNDER 16 COUNTY HURLING

St. Oliver's v Dungarvan Despite being played in dreadful weather conditions, this proved a tense and exciting encounter, with St. Oliver's coming out on top, St. Oliver's 2-9, Dungarvan 2-4.

Portlaw/Mollorans v. St. Oliver's

This match had to be postponed as no referee turned up. It will have to be refixed for a later date.
