## Oral Hearing Sought Into Garrynagree 'Superdump'

KEVIN KIRrane

### OBJECTORS EXAMINING LEGAL IMPLICATIONS OF NEW LANDFILL REPORT

An Bord Pleanala are expected to decide whether or not to grant an oral hearing into Waterford County Council's planned 'superdump' at Garrynagree within the next four weeks, it has emerged.

A spokesperson for An Bord Pleanala has confirmed that over one hundred objections were made against the local authorities plans, including by the Lickey Concern Group, An Taisce, the Southern Regional

Fisheries Board, the Irish Peatland Conservation Council and the National Roads Authority.

All the other submissions are from private individuals both resident within the area, or with an interest in the areas preservation. And, at least one submission calls for an oral hearing - which could add months onto the deliberation process.

However, Heritage Officer with An Taisce, Ian Lumley,

has claimed a report circulated to An Bord Pleanala by Waterford County Council has left the process open to legal challenge.

The local authority circulated a report to An Bord Pleanala finally recognising the River Lickey's status as a Special Area of Conservation (SAC) just a day before the close of submissions - denying objectors a chance to examine it.

"What Waterford County Council have tried to do is retrospectively regularise the situation," Mr. Lumley said. "If it was any other person or group, it would be ruled invalid even if it was just two minutes late."

**WHAT ARE  
 FRUITS?**

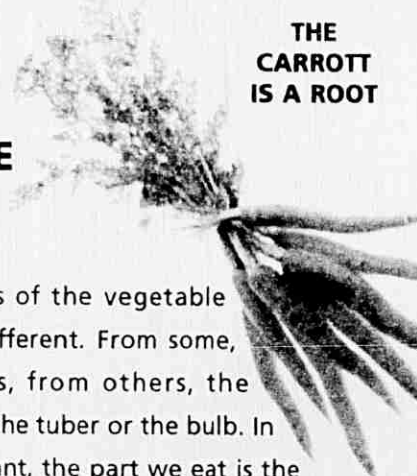

In a flower, when the seeds develop, the petals fall off and the swollen ovary becomes transformed into a fruit, which in turn is protecting new seeds inside it. Some fruits are edible and rich in important vitamins. There are soft fruits, such as the peach, the plum and the pear, citrus fruits such as oranges, and dry fruits such as nuts. Even tomatoes are fruits.

**WHERE DO WE GET  
 NUTS FROM?**

Nuts are produced by green, fleshy plants which contain a seed protected by a woody shell. The part of the nut we eat is really the seed, or kernel. This is rich in a natural oil, and, like all dry fruits, is very nutritious.

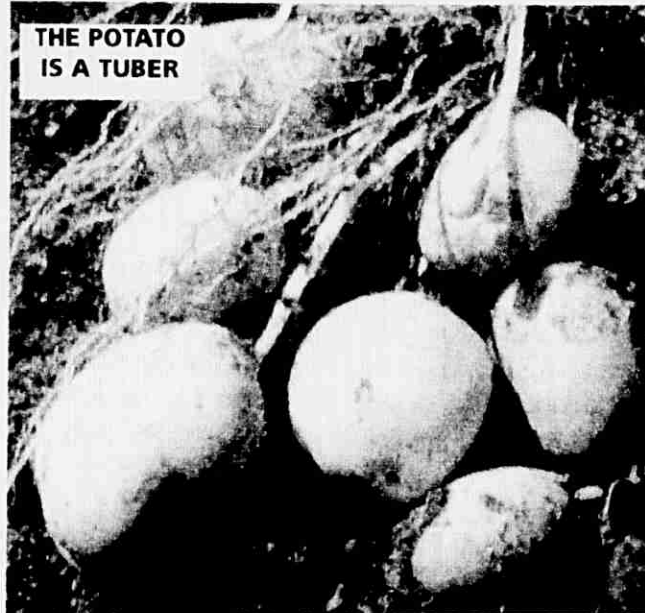

**WHICH  
 PART OF  
 THE  
 VEGETABLE  
 DO WE  
 EAT?**

**THE  
 CARROTT  
 IS A ROOT**

The edible parts of the vegetable plants are very different. From some, we eat the roots, from others, the stems, the leaves, the tuber or the bulb. In the cauliflower plant, the part we eat is the flower, in peas, we eat the seeds.

# Councillor Sees Role For Local Authority In Policing

A member of Waterford County Council says a package of policing reforms announced at the end of July by Justice Minister Michael McDowell require clarification as regards the role envisaged for local authorities in recognised co-operation with the Garda Síochána.

Cllr. Fiachra Ó Céilleachair says he shares the Labour Party's contention that policing liaison committees should be formally established at local authority level, to contribute to the drawing up of policing plans at a local level and to monitor their implementation.

However, says Cllr. Ó Céilleachair, despite what Minister McDowell has referred to as a "proposal for enhanced cooperation between the Police and Local Authorities", no detail has appeared on the role of the new structures.

Cllr. Ó Céilleachair says he shares his party's concerns that the type of committees the Minister has in mind may be confined to providing a mere forum for discussion and co-operation instead of a radical new structure that would bring increased interaction between communities and policing plans.

Urging that the potential of such forums be enhanced, Cllr. Ó Céilleachair said:

"No one is saying that primary operational matters be taken out of the hands of the Gardaí nor that policing is generally deficient. Rather, this is an opportunity to emulate the kind of established interactive partnerships that have been a

Cllr. Ó Céilleachair

feature of local democracy throughout continental Europe and have also been effective in the UK. It is a method of further resourcing the Gardaí to succeed in their aim - on our behalf - to maintain safer communities."

"There are already lines of communication between those in local authorities and the Gardaí. Instead of mere recognition of that, one could see great potential in an active planning body in the community reporting back to it's elected representatives. As issues to do with law and order and the demand for extra resources for the Gardaí are among those frequently raised with local representatives, I'm sure the inclusion of such an item as a matter of course on the agenda of local authority meetings would be a positive development."

"I hope the Minister takes on board the Labour Party's policy in this respect".

- 1 tomato, sliced
- 1 x 10ml sp fresh basil, chopped
- 50g mozzarella cheese or mature cheddar

**Method:**

Place the lamb steaks under a preheated grill or on a barbecue for 4-6 minutes each side, turning once. Half way through the cooking time on the second side, brush the pesto on to each steak, top with toma-

to, basil and mozzarella. Continue with cooking for the final 2-3 minutes. Serve with garlic bread or microwaved jacket potato and mixed salad.

Cut	Thickness	Time per side
Lamb leg steaks	1-2cm	4-6 minutes
Skewered lamb escalopes/leg steaks	1-2cm	4-6 minutes
Lamb butterfly steaks/loin steaks	1-2cm	4-6 minutes
Lamb rosettes/shoulder steaks	2cm+	6-10 minutes
Mini loin steaks	1cm	2-3 minutes

### Mushroom and lemon salad

**Preparation: 10 mins**

**Cooking: 6 mins**

A SUPER dish for summer which is delicious when served hot or cold with your BBQ or any meal.

**INGREDIENTS**

(Serves 4)

- 2 garlic cloves
- 4tblsp olive oil
- 675g washed button mushrooms
- 1 shallot, finely chopped
- 1 tsp chopped fresh tarragon
- Juice of 1 lemon
- Salt
- Ground pepper

Blanch the garlic cloves, refresh in cold water and repeat. This removes the raw garlic flavour, making it less strong to taste. Thinly slice the garlic lengthways. Heat two tblsp olive oil in a frying pan and fry the garlic and mushrooms for about five minutes until golden and tender. Add the shallot and fry for one minute. Add the tarragon and the juice of lemon. Remove from heat and transfer to serving bowl. Drizzle with remaining olive oil and check seasoning. Serve cold.

### Cinnamon cream with oranges

**Preparation: 10 mins**

**Cooking: 10 mins**

A SPICY, fruity summer dessert with rich cream.

**INGREDIENTS**

(Serves 5-6)

- 450ml double cream
- 450 milk
- 100g caster sugar
- 1 tsp cinnamon
- 2-3 tsp powdered gelatin
- 5-6 oranges, peeled, pith removed
- 2 tblsp caster sugar
- Fresh mint to decorate

For the cinnamon cream, bring the cream, milk, sugar and cinnamon to the boil, then remove from the heat. Mix the gelatin with two to three tablespoons of water and warm gently until dissolved. Add to the cinnamon cream and mix. Divide the mixture among size one ramekins and leave in the fridge overnight to set. Segment the oranges and place on a baking tray. Sprinkle with caster sugar and place under a very hot grill for three to four minutes until caramelised. To serve, dip the base of each ramekin in hot water and turn out putting onto a plate. Arrange the orange segments around and decorate with mint.

## Health Tips From Remedies

### SILICEA

Silicea helps you to maintain the beauty of healthy skin, hair and nails. Silicea can be very helpful for arthritis and digestive disorders.

Silicon is an essential trace element in the body. It is present in all organs and structures, but particularly in bones, skin, hair and nails.

In skin and bones, connective tissue acts like scaffolding to support the tissue structures. Silicon is an important component of this connective tissue. Silicea is the result of combining silicon and oxygen in a colloidal solution. This state between solid and liquid, presents the body with molecules, which are easily absorbed.

# Approval Given For New Recycling Facility

**Kevin Kirrane**

Dungarvan Town Council has granted approval for the fitting out of the eur1.3 advance factory at Shandon as a dry recycling facility to handle waste from the countywide kerbside collections.

At its recent meeting, members voted to approve County Manager Donal Connolly's recommendation by five votes to three, which subject to approval of a waste license, clears the way to operate the facility as a recycling plant.

With its operation, the contract with Samshire in Lismore will cease, and the 2,900 tonnes of waste currently recycled there each year will instead be dealt with in Dungarvan.

According to Mr. Connolly, ten jobs will be created - mainly in operational and management roles - and the plant will be almost entirely automated with none of the waste to be sorted by hand.

The vote saw a trio of Labour Councillors row behind the proposal - a significant shift in position from when the proposal first came before the council.

Both Cllr. Billy Kyne, who voiced serious doubts about the proposal at that first meeting and Cllr. Lar Hart, who voted against it at the June meeting, voted in favour of the proposal, leaving Cllr. Teresa Wright as the lone Labour member to voice opposition.

#### WRONG LOCATION

Cllr. Wright said she still be-

lieved the Advance Factory was the wrong location for the recycling facility as it is near a residential estate, and proposed that more time be given to make a decision, and that the option of siting the facility on a green field site be examined.

Deputy John Deasy (FG), who has also remained steadfastly against the location of the recycling plant in the Advance Factory, seconded the amendment.

Before supporting the proposal, Cllr. Hart asked for a number of guarantees to be given, including on the operation of the plant, employment numbers and on security of employment.

Echoing these comments, Cllr. Kyne said Cllr. Wright raised many valid points, and initially he had his reservations.

"But on balance, I believe the issues causing concern can be addressed", while the town needs the creation of the "decent" jobs the plant could create. He said he would give the recycling plant his support if three main points of concern were taken on board.

These points included an assurance that the jobs will be local, high quality, and that the workers there be provided a

wage on par with those of Local Authority workers.

He also called for a "three strikes and your out" clause to be written into the contract of the company, and for guarantees that the facility would be beneficial to local businesses, and due recognition given to the plant's role in attracting other businesses to the town. "If these points are taken on board, then I'll give it my support."

However, Cllr. Damien Geoghegan (FG) argued that his points were more "aspirational than realistic," while Cllr. Michael O'Riordan (Indp) supported Cllr. Kyne's comments, arguing that the facility would be almost noiseless and lead to job creation.

County Manager, Mr. Connolly, giving the assurances - although he said specifics on wages would have to be dealt with between unions and the company - added that the problems at Lismore would not crop up at the new facility, as the building would be owned by the council and they could terminate the contract if it was run badly.

#### RESIDENTS NOT CONSULTED

Throughout the course of the debate, however, the fate of the

residents in the newly constructed social and affordable house were not even mentioned, according to Cllr. Wright.

"They'll practically be living beside a recycling plant," she said, "I couldn't see that happening if this was a private estate we were talking about to be perfectly honest."

She went on to say that the people in the residential estates hadn't even been consulted on the plans.

Mr. Connolly strongly rejected this claim, saying that the plans went through the proper consultation phase, and submissions were invited from the public. One submission was made by a local resident, asking for assurances on a number of points including that composting would be not part of the plans. Mr. Connolly assured the council that composting will not be dealt with at the factory.

Cllr. O'Riordan, meanwhile, claimed Cllr. Wright was being "a bit sensational" when saying that it would be in the middle of a housing estate, and said the houses nearest the plant would be private.

While, Mr. Connolly said that

provision has been made to have a shop on the site closest to the facility, and that private housing would be behind the shop, it later emerged that the site nearest of all to the facility will be the proposed nursery.

#### VOTE TAKEN

In a show of hands, Deputy John Deasy, Cllr. Damien Geoghegan (both FG), and Cllr. Wright (Lab) voted for more time to be given to deciding on the location of the facility. Mayor Paddy Power, Cllr. Lar Hart, Cllr. Billy Kyne (all Lab), Cllr. Damien Dillon and Cllr. Michael O'Riordan (both Indp) voted in favour of locating the facility at the Advance Factory and the proposal was declared carried 5-3. Cllr. Nuala Ryan (FF) was absent.

# Dungarvan Camera Club

## PICTURES AT AN EXHIBITION

Just imagine a resurrected Musorgsky, over on a tour of the Déise country, far from his native Russia, and strolling along Davitt's Quay. Spotting the sign An Leabharlann and being naturally inquisitive, he enters and much to his delight he sees Dungarvan Camera Club's Annual Exhibition. Not needing the works of his deceased friend Hartmann to stimulate him once again, he instantly becomes absorbed in the almost -100 pictures on display, and while simultaneously listening to Abha Móire na nDéise and Sliabh Geal gCua playing unobtrusively in the background, is immediately inspired to compose a personal survey of favourites among the displayed exhibits, and having once more the ingenious idea of linking the musical vignettes with a Promenade theme, representing his own involvement, just as he had already done back in 1874. This time he would need no Maurice Ravel to make his original work the world-famous composition it is today.

The numerous pictures are a delight to behold, despite the fact that I appeared to be going, unusually, anti-clockwise to view them.

"That's because we're creative!" said a lady named Karen. The first six pictures by Eugene Burke were right from the bottom of the Red Sea, his Friends having a certain aura about it, Maura Curran's, Discus Thrower - a dramatic graphic image, was hanging beside an excellent new angle on Cahir Castle. Meanwhile Richard Cutbill's Study of Gannets - Plate 2 was so well ex-

ecuted that many thought this was a layered image generated on a computer. No so!

Honeycomb in Oz, by Karen Dempsey had everyone guessing once more - was this image manipulated or not, while her Inside the Spire was the picture hundreds of professionals around the country would like to have taken. Winter, a superb landscape in delicate sepia-like shades of brown was just one of a selection from around the world by well-travelled Donal Fenton - a member from far away Gleanntán Araglin Aoihbhinn. Mary Flavin's Comeragh Mountains was so sharp from front to back; you thought you were right at the spot!

Eileen Hyland - computer whiz-kid, who designed and churned out all the necessary printed matter for the occasion - displayed an excellent six-picture panorama of Dungarvan from Abbey side. Possibly the first ever such panoramic view of the area to be seen, it should be snapped up quickly as a conversation piece by some viewer or business establishment. Yes, practically all the pictures are for sale. A purchase application form is available from the ever-helpful library assistants.

The panel by Club Chairman, David Ind, was something to be proud of, notably his Elenor and View over Ballinvella. Here's a guy with a 'seeing eye' and the knowledge to capture his subjects with professionalism. The Work House Door by Seán O'Brien of Portlaw, was one of the few manipulated images, depicting the Famine era, included skulls which we discovered were originally only about 5cm high. His Le Lui na Gréine Heilbhic and Cart Wheel at Lyre literally jumped off the exhibition stand with their vivid reds. The contre-jour seascape Whiting Bay, by Jane O'Loughlin, was superbly achieved as was her Cunnigar - like creatures on a distant planet! Jenny Power travelled up to one of my favourite places, Stradbally Cove, to capture one of her images entitled Resting and then headed in the opposite direction to 'bag' one of the glassless windows at Dromana Gate.

A lion-like face, bearing a smug expression, with Marino Casino in the background, was one of the images exhibited by Shara Smith.

Past-Club-Cathaoirleach, Liam Suipéil's Cúram - a recent club competition winner, graced the stands along with other fine landscapes and seascapes with delightful names like Sean 'is Nua - the well-observed juxtaposition of two buildings - and Ar Maidin sa Chois.

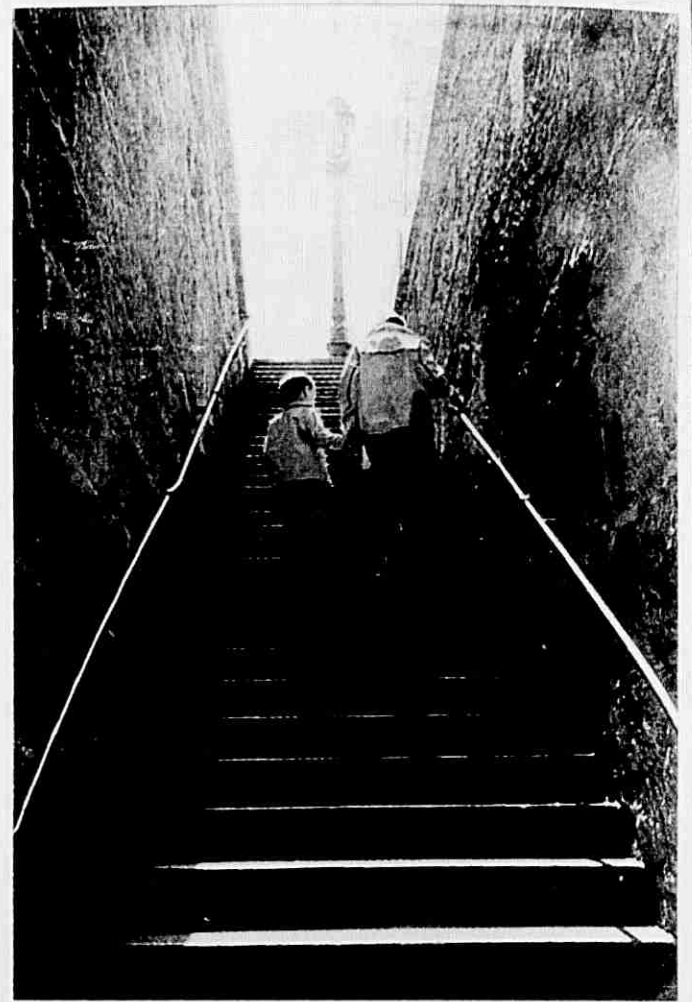

Eamonn Terry's Puffin on Great Saltee, complete with a beakfull of sand-eels, was just one of a great series of bird pictures from the same island.

Next to catch the eye was water-colour-like Reflections, on the River Bride, by Mary Tobin which has already sold like hot buns at her

Cappoquin Exhibition and her thought-provoking Don't put all your eggs in one basket. Sibéal Turraoin's panel of images from the distant Orient, with their vibrant colours and graphic content was the work of one who obviously has a great future ahead in photography. Very difficult to select a favourite here, but her Buddha-Suzhou, reclining and smiling in a tricky light situation, stands apart. Finally there's Andrew Walsh's excellent panel which includes none less than a candid of the President herself, Mary MacAleise, and a colourful and new angle on the Colligan.

The exhibition continues till August 14th, during library hours. Do drop in. You'll be glad you did!

Photograph entitled 'Friends' is on show at the Exhibition and was taken by Eugene Burke.

# Grower's Guide To Sweet Peas

AS plants go, sweet peas aren't too fussy, yet gardeners everywhere struggle to achieve impressive blooms.

Sweet peas are hardy annuals which enjoy fertile, well-drained soil in full sun.

They are not to be confused with the sweet pea shrub which should be planted in light, well-drained soil in a sunny to part-shaded spot, or the sweet pea bush which needs light, well-drained soil in full sun.

One of the most common mistakes to make is not to realise which type of sweet pea you are attempting to cultivate.

**Sweet peas:**

Sweet peas are native to Italy but the original plant has been much improved by gardeners.

They are vigorous climbing annuals, grown usually for their sweet scented flowers.

The flowers grow in a wide range of colours - blue, brown, white, cream,

pink, orange, mauve, lavender, maroon and scarlet - and make excellent cut flowers.

The plants usually grow to about 1.8m or 6ft or more in height, although there are dwarf and non-climbing cultivars available.

Climbers will need support such as wire netting or lattice. They are ideal for covering sunny walls or fences.

Sweet peas flower in the summer and prefer small hedge or screen gardens.

Dead flowers should be removed regularly.

The plants may be affected by mildew and the fungal disease botrytis. Good air circulation is essential to keepinbg both mildew and botrytis at bay.

Remove and burn any part of the plant showing signs of disease. In severe cases, spray with a copper fungicide.

**Sweet pea bush:**

This species grows to be a rather open, small tree about 3.5m or 12ft high and nearly the same as wide.

The silver-grey foliage is as much a feature as the masses of pink flowers. This is an undemanding and reliable plant in mild climates.

This type of plant thrives in a seaside garden (or similar coastal conditions), in a sunny or semi-shaded position.

A light trimming after flowering keeps the bushes compact.

**Sweet pea shrub:**

The shrub is a hybrid of two South American species and bears soft magenta flowers almost non-stop in mild regions.

It forms a mound about 1 to 1.5m tall and wide and has slender, light green leaves.

It may become bare at the base. It will tolerate shearing to encourage more dense growth.

This should be done after the main flowering has finished. These shrubs are suitable for pot culture.

Agreat bunch: Sweet peas grow easily - and look great.

# MODELIGO NOTES

**MODELIGO PATTERN**

Our annual Pattern Day has come around again with even more to tempt you and thrill you on Friday next, 15th August. The Pattern begins in the traditional way with Rosary at the holy well on Thursday evening following the vigil Mass, and everyone is asked to make the effort to take the short walk down to the well.

The programme of events begin in Modeligo Community Centre at 1:30pm with the Fancy Dress Parade. There will be prizes for the most topical, original and comical, so get your thinking hats on and get rooting out your clothes to design those outfits! This will be followed by the always exciting childrens races covering all age groups and even the parents will be included.

Throughout the afternoon there will be a variety of side shows waiting to test your skills from pitch and putt, darts, remote control cars to an egg throwing competition and name the doll. These are just some of the events on site with many more to be revealed on the day.

A popular event at shows is the Spinner which will be in operation with a variety of prizes waiting to be claimed by some lucky ticket holder. Also a winner with the children in past years is pony rides around the field so come early and book your place. Face painting and the bouncy castle will help to entertain the children while the grown ups get a lesson on carting from Rally Connection who will give a demonstration during the day. The Country Market will have a stall of fresh, home produced local goodies from jams to buns and cakes for you to sample and take home. For the garden enthusiast, Glendog Nurseries will have a stall where you can pick up a few flowering ideas for adding colour to your home and garden. A shop and chipper will be present to keep those hunger pangs attended to.

All this is only for starters, wait until you hear what is available for the evening programme at Modeligo Pattern! At 4:30pm we commence with U - 10 mixed football match which will be followed by the Ladies Football match for Deckies Lounge Perpetual Cup, then at 7:30pm Modeligo will contest for the

John Fitzgerald Memorial Perpetual Cup.

One of the highlights of the evening is always the Tug o war event between the four sides of the parish. Last years winners of the Mary Bannon Memorial Perpetual Cup, the Boyz from the Glen, are eagerly waiting to take up the challenge and we look forward to seeing if the Hillbillies or the Castle Crew or the Chapel Road Gang will take the strain and show the Boyz what men are made of! Don't forget 8:30pm!

As the evening draws to a close you can catch up with old friends by enjoying a chat and a dance at Deckie's Lounge as Batty and Colette entertain the masses into the night. What better way to cap off the Pattern Day! Looking forward to welcoming you to our annual parish event and ensuring a great day filled with fun and laughter throughout. See you on Friday!

# National Roads Authority Chief Honoured by Dungarvan Town Council

NRA Chief Executive Michael Tobin (seated centre) wife Maura, son Andrew and sister Anne Power, with Cllr. Paddy Power, Mayor of Dungarvan and members of Dungarvan Town Council at the Civic Reception accorded to him by the Council. Also included are Donal Connolly, County Manager, Joe Flaherty, Acting Town Clerk and Tom Keith, MC.

Last Friday evening in the Council Chambers of the Waterford County Civic Offices, the Chief Executive of the National Roads Authority, Mr. Michael Tobin, a native of Dungarvan, was accorded a Civic Reception by the Dungarvan Town Council in recognition of his exemplary service to his country and his appointment to the prestigious position of head of the NRA.

Among those in attendance were the Mayor of Dungarvan, Cllr. Paddy Power, the Deputy Mayor, Cllr. Billy Kyne, their fellow Councillors Michael O'Riordan, Lar Hart, Nuala Ryan, Damien Dillon, and Damien Geoghegan. Also present were Mr. Tobin's wife Maura, their son Andrew and Ms. Rosemary Martin; Michael's sister Ann Power and her husband Kevin; his brother Paddy and his wife Mary, and many members of the extended Tobin family; Mr. Donal Connolly, Co. Manager, Acting Town Clerk, Mr. Joe O'Flaherty, Head of Finance, Mr. Paul Clerkin, Senior Roads Engi-

neers, Mr. Eamonn Mansfield and Mr.

Vincent O'Connor, former Senior Roads Engineer, Mr. Tom Lineen, Very Rev. N. Canon O'Mahony, P.P., and colleagues of Mr. Tobin from the NRA. Mr. Tom Keith, acted as MC throughout.

In his address to the Council, the Mayor, Cllr. Paddy Power said that he was 'pleased and proud' to welcome Mr. Tobin to the Council Chamber, to acknowledge not only the work he had done as a senior civil servant, but the quiet, courteous, effective and efficient manner in which he had always discharged 'his considerable responsibilities'.

"As head of the National Roads Authority," he said, "he has control of a budget that few other public servants can claim and \*1.25 Billion must be regarded as a considerable sum to disburse around the country.

"We have seen how the national road network has improved out of all proportion since the inception of the National Roads Authority in Janu-

ary, 1994," he continued, "and while you would be the last to take credit for this, it is widely accepted that under your guidance and direction, we have got value for money and a road system of which we can begin to be proud."

He traced Michael's career through the Civil Service from the Combined Purchasing Section where he started, through his years in the Planning Appeals Section to Roads Administration, a move which was to dictate where he would serve in later years.

That, said the Mayor, was before the General Election of 1973 when the Fine Gael / Labour Coalition came to power and he was seconded to the new Minister's Office where he would serve in a variety of roles until the next General Election in 1977.

"His years with Minister for Local Government, Jimmy Tully were never dull," continued the Mayor, "and Michael travelled with him, not only all over the country, but internationally as well.

"There were many trips to countries all over the world, but one of the most memorable has to have been his attendance at the Sunningdale Conference in 1973 which produced the Sunningdale Agreement and eventually the short-lived Northern Power-Sharing Executive."

His appointment as Chief Executive of the NRA in January 1994 saw him start with a budget of £200 million which has grown since to \*1.25 Billion annually, reflecting successive governments recognition of the importance of roads infrastructure in the development of the country.

Seconding the motion, Deputy Mayor, Cllr. Billy Kyne also congratulated Mr. Tobin on reaching the top of his profession and for the 'skill and integrity' he brought to it.

"Michael represents the public in a unique way," he said. "He must give them value for money, counter-balance the vested interests and try to weigh them in favour of the public good."

"No one said it would be

easy," he said, "but with the tendency of people to suggest that if all else fails, they could blame it on the NRA, it must seem an impossible task."

He recalled Mr. Tobin's days as a sportsman and reminded him of the marathon three game series between Abbeyside and Dungarvan, which ended in Dungarvan's eventual victory over Abbeyside.

"In the town Hall that night," he recalled, "the Royal Aces played 'A Hard Day's Night' for the Dungarvan team, but in my view it was an even harder day's night for Abbeyside."

Co. Manager, Mr. Donal Connolly also paid tribute to the exemplary manner in which Mr. Tobin carried out all his official duties and his stewardship of the NRA.

"This is a very fitting tribute to Michael for the honour he has brought to his family, to Dungarvan and the county," he said, "by reaching the 'highest office in one of the most influential state bodies we have the NRA'.

He said he had known Michael as far back as their schooldays in the CBS in Dungarvan and also encountered him later when he found him 'a most approachable Civil Servant, very helpful and deeply interested in ensuring that money was well invested and spent wisely in the public good'.

He thanked Michael for all he had done as an 'excellent public official of the highest integrity' and for showing the public servant in the best possible light. He also wished him many more happy years with his family and many more visits to Dungarvan.

The Mayor then presented Mr. Tobin with a specially commissioned scroll acknowledging his exemplary achievements and Cllr. Nuala Ryan presented Mrs. Tobin with a bouquet of flowers.

In reply, Michael Tobin thanked the Mayor and the members of the Council for the honour they had bestowed on

him. He said he was conscious of the fact that a Civic Reception was the highest honour they had available to them and linked the recipient in the annals of the town with all of those others who had received the honour.

"I feel extremely proud, but also humbled, bearing in mind the calibre of person already given this honour," he said.

"I am proud of the achievements of the NRA," he continued, "even if we cannot meet all the needs of the Local Authorities in the time scale they would wish for.

"I'm particularly proud of the way the Authority has responded to the challenge to deliver on the increased investment provided for in the National Development Plan. That plan involves an unprecedented level of investment in roads, far beyond anything we had been used to."

He said that they had now reached a stage where they had a shelf of projects ready to go to tender as the funds allow, something they did not have in the past.

"We have also reached a stage where we can see long, continuous stretches of road coming into operation," he added. "That is very satisfying in itself, but more so for the benefits it brings to road users generally and in making areas of the country more attractive for industries to locate here."

He traced his roots in the town and district, recalling scenes and people of his childhood, especially his years at school and the Street Leagues which provided hours of enjoyment, playing hurling and football.

He also recalled his entry to the Civil Service and his years as Ministerial Advisor in the 'Seventies, a period which shaped his life and eventually brought him to the top of his profession and its eventual acknowledgement by the Town Council.

Cllr. Paddy Power, Mayor of Dungarvan presenting a framed scroll to Michael Tobin, as a memento of the Civic Reception accorded to him by Dungarvan Town Council, while cllr. Nuala Ryan presents a bouquet of flowers to Maura Tobin, wife of Michael. Also included is Michael's sister Anne Power. —(Photos: Rory Wyley).

The Science of Farming and Food

**Improving Grass Productivity by Reseeding**

Reseeded pastures are significantly more productive than old pastures. An extra 2-3 t DM / hectare / year can be yielded from new pastures over what is possible to achieve from old neglected pastures. Digestibility of silage can be 2-3 units higher in reseeded pastures. In grazing land reseeded pastures have excellent growth in early spring and late autumn. They have excellent regrowth potential in April and the most commonly used new varieties are very leafy in mid summer when old pastures tend to get stemmy and deteriorate in quality. Reseeding alone presents the ideal opportunity to rid the fields of weeds and also, if required, to level the land.

Reseeding costs 200-250 per acre so it is important to get it right.

**Kildalton Observations on Reseeding Methods**

Conventional:

1. Slower method of reseeded.
2. All trash buried giving good level field.
3. Very even & fast establishment.
4. Huge germination of weeds post sowing.
5. Stones brought to surface.

One-pass:

1. Fast method of reseeded - one-pass cultivation and sow.
2. Slow forward speed and good times essential.
3. Very accurate and uniform seed distribution
4. Small population of weeds post sowing.
5. Can graze reseed with heavier stock.

One-pass + grubber:

1. Extra machine and cultivation takes time.
2. Grubber will bring up stones and clods.
3. Rolling of ground necessary pre-sowing (uneven + open).
4. No difference in germination / establishment over the one-pass.
5. Huge germination of annual weeds etc., post sowing.

**Choosing Grass Varieties**

Farmers should carefully choose the grass varieties they include in their grass seed mixtures. Some varieties are more persistent, easier to manage and give more milk and meat - Teagasc research. The varieties that bestow such benefits to you are "late heading varieties". Don't be fooled by sales talk, look up the Department of Agriculture "Grass Varieties Recommended list 2003" and choose your own. If you are going to graze early and late in the year don't include more than 25-30% Tetraploids (late) in the mix - neither should they be sown in heavy soils, but they have merit in dry, drought-prone soils. Give your Teagasc adviser a call and s/he will help with this "match-making" job.

**New liners give 4-6% more milk**

A nice little bonus! As well, there will be less mastitis. Your liners, like yourself, have a lot of milkings done this year to date- 2000-2500 cow milkings; 330 hours of constant work; 1,200,000 collapses. Is it any wonder they become weak, worn with distorted lips resulting in more liner slip, which in turn allows air in. This can cause air blasts, spread of infection from one teat to the next and results in a 4-6% loss of milk. Liners should be changed twice per year or every 2500 milkings. If each cup milks 10 cows/milking, then it milks 20 cows per day. Therefore, in that situation a farmer should change his liners every 125 days (2500÷20).

**Beef**

**Weanling Management**

Spring born suckler weanlings can put on 100 kgs plus from August to October given the right conditions. Cows with a good milk supply combined with quality grass provides the cheapest option. Creep grazing and trough fed creep meals is next cheapest. Creep feeders are ideal for starting weanlings on meals but stronger calves can build up to high intakes very quickly and may also exclude smaller calves that need the meals most. Place troughs or creep feeders in the adjoining field or paddock to attract the calves on to fresh grass. Troughs will provide greater control over meal intake and ensure that all calves get access to meal. Build up to 1-1.5 kg per head per day and a barley / pulp / distillers mix is suitable. Feeding up to 90 kg over two months will add at least 20 kg liveweight and should not cost over 15 per head - margin will be best with bull weanlings.

**Finishing Cattle on Autumn Grass.**

Performance of finishing cattle on autumn grass without concentrates is poor even in situations when grass is plentiful. Feeding meals can ensure earlier finish and can also improve confirmation score by up to 0.5 units and gives a good financial margin in most situations.

Earlier finishing off grass in autumn offers many advantages: sale before 30 months at better selling price; avoiding an expensive indoor finishing period which is not justified in the absence of additional premium or a higher selling price; improved extensification prospects with earlier sale of animals especially if over two years and greater availability of autumn grass for other stock which can delay the onset of expensive indoor feeding.

**Target Grain**

ADG should be approximately 1.0 kg / day. Grange trials over 90 days from mid August achieved 1 kg ADG where grass was scarce with 5kg concentrates or with 2.5 kg concentrates where grass was plentiful. A plentiful grass supply plus 5 kg concentrates achieved 1.1 kg ADG while ad lib concentrates (12.5 kg to 635 kg bullocks) achieved 1.4 kg ADG.

Performance on steers in autumn 2002 could be expected to exceed above grains where performance to date was poor and / or where the feeding period is shorter (60 days).

Economics and Feed Conversion Efficiency Assuming a beef price of €2.38 / kg and a feed cost of 170 / t then a FCE of 14 kg concentrate per kg carcass gain or better is required to cover meal costs excluding any conformation advantage to meal fed animals - improved grading from O to R could be worth 30 per head for animals that would otherwise be borderline R's.

**FCE Grange Trials**

Scarce Grass

- 11.2 kg concentrate per kg carcass gain @ 5kg / head / day.

Adequate Grass

- 9.6 kg concentrates per kg carcass gain @ 2.5kg / head / day.
- 12.3 kg concentrates per kg carcass gain @ 5kg / head / day.

Ad Lib Concentrates

- 15.5 kg concentrates per kg carcass gain @ 12.5kg / head / day.

**Recommendation**

Feed 2.5kg / head with adequate grass or 5kg if grass is scarce. Exceeding 2.5 kg meals when grass supply and quality are adequate or the feeding of ad lib meals will not be justified unless meals are very cheap (<€150 / t) or beef selling price is significantly higher or that it is imperative to ensure earlier finish to achieve other cost savings or extra extensification payments.

**IFA NEWS**

**TRADERS TRYING TO DAMPEN GRAIN PRICES**

— HARRINGTON

IFA National Grain Committee Chairman, Paddy Harrington, recently has said that a number of key grain merchants and traders were conspiring to seriously undermine native grain prices at a time of buoyant EU and world prices by refusing to quote for green grain.

Mr. Harrington said "there has been a major attempt by a number of leading buyers to drag down the price paid for dried grain in the last number of days. Dried barley continues to trade at €118 to €120/t collected ex store, however a number of traders have attempted to talk down the price to €114 - €115/t. There is no justification for this price as new crop dried wheat is trading forward at €130 to €132/t, collected ex store, for harvest. Many merchants have privately acknowledged that the price of green barley will settle around €97 to €100/t with wheat trading €10/t over barley."

The Chairman said, "the move by the EU Cereals Management Committee to suspend the weekly tender and intervention sales procedure indefinitely only had a temporary dampening effect on the market on Friday, but by Monday grain prices had surged ahead on the LIFFE, MATIF and Chicago Board of Trade Futures. Export licenses, which had been previously issued for 2M tonnes of wheat, at a zero refund, can still be used. Additional consignments for shipment will, for the present, need to take whatever rate is applicable on the day of export."

The IFA man said, "It is becoming increasingly evident that the EU Commission's Cereals Management Committee is incapable of managing the EU cereals market properly. For the last two harvests, they have blocked EU cereal farmers from benefiting from high world grain prices by removing the €10 import tariff in 2001 on grain coming from the Black Sea / Baltics."

Continuing Mr. Harrington said, "With the German harvest now 75% complete, wheat crop estimates are at 19M tonnes, down 1.8 million tonnes on 2002. The German barley harvest has been estimated at 9.7 million tonnes compared to last year's harvest of almost 11 million tonnes. Their overall harvest estimate has been revised downwards by 5 million tonnes on 2002. In addition, the MATIF maize futures rose by as much as €5 on Monday on the back of forecasts for further hot weather over the coming days. There is concern that if the extremely hot weather continues, then the maize crop in South France will be adversely affected."

Concluding the IFA man said, "Grain merchants should come forward immediately with realistic on

account prices for grain. World and EU grain supplies are extremely tight. Unless grain farmers receive realistic prices for their produce, they will quit production. Wheat prices are still €7 to €9/t below early September 2001 levels."

**EUROPEAN POTATO MARKETS HEADING FOR MAJOR DEFICIT - IFA**

Drought conditions since May and June in Central and parts of Eastern Europe are having a major impact on potato yields. Germany, which produces over 20% of the total EU - 15 crop are forecasting a reduction of up to 30% in yields due to stagnant growing conditions.

Declan Hurley, Chairman Waterford IFA Potato Committee, said, "the potential drop in EU potato output of 4 to 5 million tonnes is extremely significant for potato growers in Ireland". He added, "this should mean a greater realignment between prices here and GB". This is already taking place with GB average farmgate prices currently running 25% above last season's level.

Potato futures markets in both London and Holland have rocketed on the back of an anticipated deficit of supplies later in the season. Dutch future prices for delivery in April 2004 are reaching in excess of 200/t, which is 2.5 times above last year's price.

Grower confidence in the market ahead in both GB and Europe is high with crop clearance well ahead of last season. This follows a difficult season in 2002, due to depressed prices caused by heavy surpluses throughout Europe.

The Waterford IFA Potato Chairman said, "with output estimates from GB and Europe been constantly revised down, growers here should now have greater confidence in taking a more long-term view of the market ahead". He added "this must include maintaining a stable market through strictly digging to order as we enter the month of August, which is traditionally a month of reduced demand".

The EU -15 potato harvest produced 46 million tonnes last season with 45 million tonnes needed to maintain market balance. Latest estimates suggest that this year's harvest could be in the region of 42 million tonnes or 3 million tonnes below equilibrium.

**Lamb Prices Strengthen - IFA**

Waterford IFA Sheep Committee Chairman Michael Looby has said lamb prices have strengthened this week (w/e 8/8/03) against a background of continuing scarce supplies and a major price rise in the UK.

Mr. Looby said UK lamb prices have increased by 9p/kg Stg l.w. or 28.5c/kg (10p/lb) IR in the last week. UK lambs were making 122p/kg l.w. on Monday. This is the equivalent of €3.84/kg or 137p/lb IR including VAT.

Mr. Looby said the big jump in UK prices provided the Irish factories with a real potential to increase prices for the French market to Irish farmers.

The Waterford IFA Sheep farmer's leader said Irish prices have bounced back with €3.64/kg (130p/lb) available this week. Producers are getting €3.64/kg (130p/lb) base price and bonuses for top quality.

# RECENT DEATHS

## Patrick J. (Paddy) Lynch (1920 - 2003)

Prominent businessman and sportsman, Paddy Lynch, "Tara", Tournore, Dungarvan, passed to his eternal reward on Tuesday 29th of July at Woodlock Nursing Home, Portlaoise, removing from the stage of life, a man of vision and a corner stone of the locality for many decades.

He was predeceased by his wife, Patsy Stone, who passed away on December 13th, 1997, and he had been in failing health for some time before his death. For the past two years, he resided at Woodlock Nursing Home in Portlaoise, where the good care of the nuns and staff along with the love and care of his family, ensured that his final days were comfortable ones.

Born on the 12th of April 1920, Paddy Lynch received his early education in Garranbane Primary School, before commencing his secondary education at Dungarvan CBS.

He remained at the CBS for a year before going to Rockwell College in Cashel where he completed his Intermediate Certificate and Leaving Certificate.

Paddy's grounding in Journalism arose from his time in London's world renowned Fleet Street where he carried out his apprenticeship in journalism and newspaper editing until the outbreak of World War II curtailed his term there.

He continued his involvement in Journalism, however, and took over his beloved Dungarvan Observer following the death of his mother in 1962. The Observer had been founded by his father in 1912, and Paddy Lynch remained at the helm of the newspaper up until 1997.

A very forward thinking man, Paddy purchased a site at Fairlane in Shandon from Paul I. Power in 1978, and preceded to move the Dungarvan Observer from their Bridge Street premises

to the new site - which now will be close to the heart of a new shopping centre development.

Paddy's sporting career was indicative of his life long love of every sport, from football to greyhounds. His first love in the sporting arena, however, was GAA where he excelled as a player for Kilrossanty at football, and indeed his coffin was draped in the club colours and members of the club shouldered him to the church gates.

He was on the winning senior football panel of the famous 4-in-a-row side, and participated himself in the victories of 1950-1. He was also most proud of the famous Kilrossanty goal against Kill in 1951 where he had the intuition to spot and inform the umpire when the ball crossed the line, and was only then kicked back into play by the goalkeeper. That goal contributed hugely to Kilrossanty's success having won on the day on a scoreline of 1-1 to 1-0.

Paddy was also greatly involved in Dungarvan's hunting scene, and was a founder member of the Dungarvan Harriers in which he hunted for many years, and of which his son, James, later became a Master. In the years following he was a founding member of another club, which was to go on to be an institution in the locality - the Dungarvan Golf Club alongside his close friend, the late Jack Lynch.

Paddy Lynch's involvement in greyhounds brought many winners to the area, and his sponsorship of the Deise Cup for coursing was generous and much needed. In 1982, his own dog, Victoria Park, won the Stone Cup in the Dungarvan Coursing Club, and it was a source of great pride when his daughter, Ann, trained Cool Performance to victory in the Irish Derby in 2001.

His honour and integrity were mentioned frequently in Journalistic and Sporting Circles right up to

his passing in Woodlock Nursing Home on Tuesday 29th of July, and his death marked the end of an era for the entire locality.

Deep sympathy is extended to his son, daughters, brother, sister and his many other relatives at this sad time.

Reposing at The Kiely Funeral Home on Wednesday and Thursday, many came to pay their respects and console the Lynch family on their cross of bereavement. Family Rosary was shared on Wednesday evening, while on Thursday, Rev. Fr. Martin Lynch, CC, led all in prayers before removal took place to St. Laurence's Church, Ballinroad. En-route, the funeral cortege paused in prayerful tribute at the Dungarvan Observer Offices.

In close proximity to Ballinroad Church, Paddy's remains, draped in the green and gold of Kilrossanty GAA Club, were shouldered by Club members to the Church Gate.

The funeral service was conducted by Fr. O'Doherty PP; assisted by Canon O'Mahony PP; Very Rev. Fr. M. Kennedy, PP; Very Rev. Fr. M. Enright, PP; and Rev. Fr. Colin Fives OSA.

On Friday, Funeral Mass was offered at mid-day in thanksgiving, and in celebration for Paddy Lynch's life. Fr. Keogh C.C. was main celebrant with Co-celebrants Very Rev. Fr. B. Crowley, P.P.; Very Rev. Fr. R. Doherty P.P.; Rev. Fr. C. Fives, OSA.; Rev. Fr. E. Stirling, CSSP., Rockwell College.

The lessons were shared by James Lynch, Carol Power and Raymond Bourke.

Prayers of the Faithful were recited by Sean, Stephen and Robert Bourke, Tom Power, Paddy Flynn, Damien Shutie and Adrian Dunne.

The Offertory procession saw gifts of bread and wine (Mary Lynch-Flynn), a Rockwell College Journal, Dungarvan Observer (Aimee Flynn), football (Paddy Flynn), TJ Stone Memorial Cup (Katie Flynn).

Clodagh Beresford gave a moving and much appreciated eulogy to her grandfather.

The music for the Holy Sacrifice was provided by Nicola Beresford, and Jim Prendergast on organ. Stephen, Raymond and Robert Bourke sang "The Old Man".

A lone piper, Michael McCarthy, led the procession to the graveside, where following final tributes and prayers, Paddy Lynch, was laid to rest.

A graveside oration was given by Tony Coffey, Chairman of Kilrossanty GAA Club, detailing Paddy's involvement with the club over the years.

## Late Mr. Larry Coffey

On Thursday morning, July 31st the locality learned with great sadness and regret of the passing in Waterford Regional Hospital of Larry Coffey, Lisard after a brief illness.

He was well known, highly respected and had many outstanding qualities that endeared him to all. He was a loving husband to Biddy and a kind father to Michael, Paddy and Maura. A hard working man of the old farming stock, where he farmed all of his 89 years in Lisard, where he had a great love for the land and his animals.

Larry was a kind and considerate man who was most fortunate to have such loyal friends and

neighbours. They were always welcomed with warmth into his beloved home where he was ever ready to sit, chat and enjoy some good humour.

In his younger days, he enjoyed all life had to offer, in particular the cricket games in Seafield, the Gleann an Earbaill Pipe Band and the occasional game of cards. Irish music and waltzing were his first love and he was often known to perform 'Cover the Buckle'.

Larry was also a great follower of the Gaelic games where he was fiercely proud of family members who wore both club and county jerseys. In his later years, while sitting in his fireside chair, he maintained his strong interest never failing to pass his own comment on the game.

Larry always held a deep faith with a particular devotion to St. Martin, and up to recent years, he never missed his cycle to Sunday morning Mass.

Larry's remains were reposing in Drohan's Funeral Home on Friday evening where the rosary was recited. On Saturday evening at 7:30pm, followed by huge cortege, the removal took place to St. Ann's Church, Ballylanceen where they were received and blessed by Fr. Alan O' Sullivan O.P., Fr. Enright P.P. and Fr. Delaney P.P.

Following requiem Mass on Sunday morning celebrated by Fr. Enright and assisted by Fr. O' Sullivan, the interment took place in the adjoining cemetery in the presence of a large gathering.

During the Mass the lessons were read by Paul Lennon and Michelle Sullivan. Prayers of the faithful were read by Kevin Coffey, Karen Coffey, Mary Ann Sullivan, Roger Flahavan and Maura Flahavan. Offertory gifts were brought to the altar by Brian Lennon, Karen Coffey, Conor Coffey and Eoin Coffey.

The beautiful music for the Mass was provided by Aine, Pat, Lisa and Larry's friend Mattie Weldon accompanied by his brother Jamie. As his coffin was being carried from the church by his sons and grandsons, Mattie played a most appropriate and moving slow air on the accordion.

At the graveside a beautiful rendition of 'The Coolin' was played on the tin whistle. Prayers were recited by Fr. O' Sullivan O.P., Fr. Enright, P.P. and Fr. Kennedy P.P. Beautiful floral wreaths were laid on the grave by family and friends.

We extend our deepest sympathy to his beloved wife Biddy, his sons Michael and Paddy, his daughter Maura, daughters-in-law, son-in-law, grandchildren and great grandchild Katie, nieces Mary Ann and Peggy, nephew Tom and to his extended family who travelled from far and near.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

# Share The Feeling . . . Share The Experience!

The Sisters of the Bon Sauveur Services of Carriglea are affording local people the unique opportunity to become involved with their Services through the launch of the Companionship this September. Following on from the amazing goodwill fostered through the excellent Host Town Programme in Dungarvan, the Sisters of Bon Sauveur Services have come together with Legacy, an action group formed from the Host Town Programme, to promote this very worthwhile programme.

Deirdre Tobin, Training and Quality Facilitator at Carriglea, is co-ordinating the Companionship Programme. "Our programmes for our service users aim to be person centred in as far as possible. As a result of extensive consultation with our service users through our person centred quality system, Personal Outcome Measures, our service users have identified

more socialisation and integration within the community as their primary goal".

"We have witnessed, first hand, through Special Olympics, how mutually beneficial and rewarding such integration can be. It is a very enriching experience for all involved. Traditionally, our service users have attended outings in groups. What this Companionship Programme will achieve is one to one integration between a member of the local community and a service user.

Legacy is a group borne from the enthusiasm and dedication of the Dungarvan Host Town Committee. This well titled group have decided to channel their initial efforts and resources into assisting the Carriglea Companionship Programme. "We are thrilled to have the support of Legacy and the many volunteers who have already expressed interest in

becoming involved", states Deirdre Tobin. "Already, even before the launch, the response and interest has been excellent".

The Companionship Programme will consist of interested members of the local community volunteering three hours per month (the option being available, at any stage, to increase that commitment) to undertake an activity with a service user from the Carriglea Centre. This one evening per month could be spent at a match, the cinema, eating out or any one of the many social outings we take for granted. Companions will be given choices to use their areas of interest in making the experience successful. If you have a particular attitude or interest, every effort will be made to match that with the needs and interests of a service user.

"Inclusion and acceptance are the keys to enrichment in a service user's life", observes Deirdre. "One only had to look at the many faces of our service users during the Special Olympics as they attended barbecues, dinners, civic receptions, discos or even sharing a cup of tea with a local member of the community. Making the effort to spend some time with a person with intellectual disability in a voluntary and reciprocal way is very educational and extremely rewarding. It makes one realise that people don't have a disability, rather, that we have different levels of ability".

An Open Information Evening will be held at the Carriglea Campus on Wednesday evening, September 10th at 7:30pm. in the Sports Hall at Carriglea. All are welcome. Application forms are available from any of our services: The Anne le Roy Centre (Euroroute Cuisine) at Kilrush, at the Supported Employment Services Office, Unit A, Davitt's Quay or by contacting Deirdre Tobin, Training and Quality Facilitator, Sisters of Bon Sauveur Services, Carriglea at 058 41322 ext 309.

Closing date for application is Wednesday August 27th 2003.

**BALLINAMEELA  
COMMUNITY CENTER  
NOTES**

**QUAD BIKES MONSTER RAFFEL**

As most of you know we have undertaken the task of raising funds to pay for the new community center by raffling two quad bikes, this was launched at the Dungarvan show, which was coincidentally held in our parish, and will continue until next years Dungarvan show. In the past two weeks we have traveled to the sproi in Waterford, Nenagh show, clonea strand and the dogs in Youghal and in this short time we have raised nearly enough money to pay for the quad bikes. As you can see we are making every effort to attend as many events as possible and this is where we need your help. We would like to get everyone in the community involved in this fundraiser because the more people we have involved the more events we can go to and the less often each individual has to go. You might say "oh I couldn't sell tickets" but I promise you after being off for a day at some event you'll be asking when can you go again. So please everyone make that little effort and give either Mathew Fogarty (68126) or Micheal Shine (68389) a ring and organise a day to go selling tickets.

**WATERFORD U16 CAMOIGE TEAM**

Congratulations to the Waterford u16 camoige team on winning the All-Ireland final. This was a fantastic achievement by this team and their management but what makes it more special is that local girl Ashling O'Brien from Aglish was their goal keeper. Ashling plays with Lismore camoige club as there is no club in our parish but she has also played in goals with St Oliviers on the boys' teams. She is a very talented player and I'm sure this is just the start of a bright camoige career for Ashling.

Congratulations to Charles and Clare Chavasse on the recent birth of their new baby.

# Stradbally Notes

## BLAST OF REELS ROCKS STRADBALLY

It was one blast of reels after another throughout the Stradbally Ceol & Craic Festival August Bank Holiday weekend. Word had it that O'Mahoney's Pub in Durrow on the Friday night was turning bodies away with space in short supply for the mighty trad seisiún.

Saturday's performance by Dungarvan trad band 'Rhythm' at Whelan's Pub Stradbally attracted support from all over the Parish with a large contingent of tourists and weekend visitors. 'Rhythm' played with great enthusiasm and skill, without amplification much to the delight of the crowd, who joined in song after song. The Stradbally Community market drew record customers with cars parked up and down the road from the Barron hall. Fresh baked goods and vegetables were snapped up with a brisk trade in plants, mackerel and crafts.

## OPEN AIR MUSIC AT THE COVE

Sunday afternoon was the highlight of the Festival with the extended Clancy Clan of Island Stradbally leading a host of musicians in an open air seisiún at Stradbally Cove. Brendan Clancy took over as 'band leader' on the day with the support of his Grandfather Tomás Clancy.

Brendan recently came 2nd on the mandolin at the Munster Finals and his brother Noel came 2nd on Melodian. Both Clancys are through to the National Finals. The Committee gives warm thanks to the musicians who gave generously of their time and talent on the day, Stephen and Sharon McCarthy, Sarah Foley, Marion Ryan, John Cowman, Tomás Brendan Noel Bobby and Marion Clancy,

Timmy Clancy, Gerry Power, Danielle and Nicole Lonergan.

## GUEST APPEARANCES

Takanori, a Japanese musician joined the trad session for the day and amazed everyone with his ability to follow tune after tune. This musicianship was even more extraordinary given that Takanori had never played with traditional Irish musicians before. Several solo performances wowed the crowd with a Japanese pop song from Takanori, Sean-nós dancing from Stephen Mc Carthy, dancing from sisters Danielle and Nicole Lonergan, Gerry power on guitar and vocals. Paul Finn with 'Four Green Fields', Terry Rodgers from England singing two English folksongs, Marcie Coughlan on squeezebox, Nollaig Cummins 'My heart will on' and a stunning solo from young Hogan whose crystal clear voice echoed around the cove.

## MULTI-NATIONAL

Councillor Tom Cunningham led a waltz with about twenty young girls from Stuttgart Germany. The weekend event brought visitors from many countries including England, Poland, America, Wales, France, and Italy.

The good weather was a blessing and visitors and residents alike basked in the sun, enjoying the festivities. Caroline Whelan's newly opened tearooms did a brisk trade all weekend. Stradbally has needed a tearoom with light snacks for some time now and Caroline's menu selection and variety of coffees is a must for any visitor to the village.

## BARBECUE AT WHELAN'S

Sunday night's barbecue was almost too successful as Tom Power was swamped with orders and under pressure for four hours until everything sold

out. Tom was assisted by Shannon Sutherland Carriganna and her cousin James visiting from Kent. A trad music session got underway led by Stephen Mc Carthy and musicians from earlier in the day, joined by Donald Sutherland (guitar) and Róisín O' Shea (bodhrán). There was no stopping Tomás Clancy who powered through reel after reel, his stamina and enthusiasm driving everyone forward.

## SUMMER CRAFT FAIR

A new addition to the Stradbally Ceol & Craic Festival this year was the Summer Craft Fair organised by Brigid Clancy, Bridget Drohan and Shirley Kett. The ladies had secured 15 exhibitors which is fantastic coming straight off the starting blocks. The bouncy castle was the hit of the day with little kids and 'big' kids queuing up to hurl their bodies around for a euro a piece. Brigid, Bridget and Shirley are accomplished Craftswomen and take part annually in the Stradbally Christmas Craft Fair and Stradbally Community Market respectively.

## THANKS TO WATERFORD COUNTY COUNCIL

The Stradbally Ceol & Craic Festival was sponsored by the Arts programme of Waterford County Council which enabled the Committee to run free events for the family all weekend. All seisiún musicians gave their time for free, with food and refreshments provided as a thank you. The Festival Committee greatly appreciates the support of Waterford County Council for the third year, which has helped secure and develop this event. The guest appearance of 'Rhythm' at Whelans was jointly sponsored by the Arts Grant and Caroline and John Whelan. Without Committee volunteers it would

also not be possible to hold the weekend Festival, special thanks goes to the crew who erected and dismantled the large wooden stage at the Cove, and special mention must also go to Tom Power who ensured the barbecue was a great success. Local enthusiasm for the event was better than ever and thanks must go to everyone who supported the Festival.

## CHILD SAVED BY HELMET

A tumble from a bicycle by young Kate Hickey could have had a much more serious outcome if Kate had not been wearing a safety helmet at the time. The impact of Kate's head with the ground was such that her helmet split open. While she suffered shock and nausea as a result of the fall, her parents are only too well aware that it could have been Kate's skull that fractured, and they urge all parents and children to wear a proper safety helmet whenever cycling.

# TOURANEENA NOTES

## Tournament

Last Friday night the local GAA pitch, Kirwan Park was blessed with a memorial hurling tournament in honour of the late Ned Burke (R.I.P.). The competing teams were St. Mary's Touraneena and Erin's Own, Waterford. Both teams hurled well with Erin's own emerging victorious by a narrow margin.

Alice Burke presented the winning team with a beautiful shield. Terri Burke presented the players with medals. Man of the match award was presented by Albert Burke to Noel Kelly, Erin's Own. The Burke family would like to thank Erin's Own hurling team who are coached by Ned's son Albert for participating in the tournament and the St. Mary's/Sliabh gCua club and team for organising the night in honour of Ned. # ÉIGSE SLIABH gCUA 2003

In the mid 18th century Sliabh gCua was famous for its poetry court or cfiorte filiochta in which Donncha Rua Mac Namara 1715-1810 was a leading light. Indeed it was Sean O Dálaigh of Lickoran, who published the Poets and Poetry of Munster, that ensured the fruits of the great cfiorteanna filiochta were not lost. In Sliabh gCua the spirit and excitement of these gatherings was brought into modern times through the work of Dónal Ó Fearachair 1852-1929, Padraigh O Mileadha 1877-1947, Labhras O Cadhla 1889-1961 and Pádraig O Fiannúisa 1914-1990. Moreover, Padraigh O Cadhla 1875-1948, in helping to found Ring College, played no small part in ensuring that Déise Irish is alive and being spoken today.

This Gaelic heritage will once more be celebrated at Éigse Sliabh gCua 2003, which takes place from Friday 15th August to Sunday 17th August. This is the sixth year of this community festival, which has managed to survive on the voluntary efforts of the organising committee, the generous assistance of local clubs and organisations and in latter years a small but vital subvention from the Arts Grant Scheme of Waterford County Council.

Ciarán O Riain, of Knockalisheen, the newly elected Mayor of County Waterford will open the Éigse on Friday at 8.15 p.m. in Touraneena Community Hall and at 8.30 p.m. Ben Guiry will deliver an illustrated lecture on the Comeragh Mountains. The Comeraghs like the Knockmealdowns are such a part of the fabric of

County Waterford and South Tipperary that their great beauty, environmental significance and the contribution of the people who have lived there tends to be taken for granted. Ben, who has some beautiful slides, will certainly cause his listeners to see the ancient mountain range in a new light.

On Saturday a literary and historical bus tour will leave Touraneena from in front of the church at 2.15 p.m. for a leisurely afternoon journey through the surrounding countryside. The route is usually a bit of a mystery but is often related directly to the particular theme of the Éigse and needless to say the couriers/guides have so far never disappointed.

On Saturday evening at 8.30 p.m., Maurice Hallahan, the well know dancing master and the person most associated with the Sliabh gCua set, will host a concert in Touraneena's Community Hall. It will feature a special medley of song, dance and music performed by the best of local artists. It will also include a short talk by the historian Brendan Kiely, on the athlete Thomas F. O'Flynn of Knockmeal ("The Ballinamult Flyer") a great distance runner who thrilled spectators at home and abroad in the early years of the 20th century. There will also be an opportunity to see the famous Herald Cup, which Tom won in 1909, thereby making him a household name in the Ireland of his day.

Ar an Domhnach beidh an Aifreann á cheiliuradh ag an tAthair Pádraig O hAilgheanáin (Ath a' Bheannlomáin agus an Astráil) i seipdal Naomh Mhuire. Tuar an Fhiona ag

11.00 sa mhaidin. Beidh cor ann freisin. In the afternoon at 3.00 p.m. the annual outdoor Mass for those who lie in Touraneena churchyard will also be celebrated by Fr. Hallinan.

The Éigse programme is designed to please everyone and will appeal to the people of Sliabh gCua at home and abroad not to mention anyone who lives in West Waterford/South Tipperary. It might also provide a pleasant diversion for the visitor. Moreover, it might serve as a nice easy-going lead-in to Fleadh Ceoil na hÉireann which takes place in Clonmel the weekend after. Remember everyone is welcome. Ag Éigse Sliabh gCua beidh fáilte roimh cách!

## BOOLEY HOUSE

The Booley House continues to fill St. Michael's Hall, Ballyduff each Wednesday night. The audience reaction to the show has been terrific and the consensus seems to be that this is the best Booley House to date.

The National profile of the Booley House will be further enhanced on Saturday evening August 23rd when the Booley House will be staged at the All Ireland Fleadh Ceoil in Clonmel. This will be an open-air concert from the Guinness Gig Rig and Thousands of people will be there to experience the best of entertainment courtesy of the Booley House. If, however you wish to see this show at it's home venue, ring 058 60456 and book a seat.

## Affordable Housing Development For Abbeyside

Dungarvan Town Council is to seek a euro 1.7 million loan for the purchase of 12.7 acres of land owned by Mr. Johnny Cashin off the Clonea Road in Abbeyside. The land would be used for the development of social and affordable housing. There has been enough development in Dungarvan and this new development provides an opportunity to accommodate Abbeyside people who want to continue to live in Abbeyside.

Members of the council unanimously sanctioned the County Manager to seek approval for the loan. The price would be around 150,000 euros per acre, which Cllr. Michael O'Riordan (Independent) said seemed costly.

However, County Manager Donal Connolly said there would be around 10 to 12 houses per acre and the deal worked out roughly equal to previous land acquisitions.

The entrance to the new estate would be from the Clonea Road and there is the possibility of an entrance from Coolagh Road as well.

The council also hope to employ the National Building Association to design the overall lay out of the development.

## QUIZ TO RAISE FUNDS FOR BALLINROAD CHURCH

Ballinroad Church is two hundred years old next year. This will be celebrated by both religious and social functions, and will see the upgrading of the public address system and the lighting in the Church. To help defray some of the costs a fun table quiz will be held in Clonea Strand Hotel on Thursday night 14th August. Everyone is invited to take part and it costs just euro 12 per table of three. If you want to come along and have no partners, don't worry, we will fix you up on the night. The quiz starts at 9.00pm. sharp and finishes about 11.10pm. It's always a great craic and we are sure that you will enjoy the night.

Team scores are not posted so no one gets embarrassed.

## Housing For Senior Citizens

The Town Council are looking for a site in close proximity to the shops, church, etc. that would be suitable for housing for our Senior Citizens. Progress is expected on the matter in the near future.

## Local Author Traces Irish County Influences On America

JOHN FLYNN

The first two volumes of the Journeys in America series of books have recently been issued by High Table Publishing. Co-written by Abbeyside man John Flynn, these biographical directories tell the concise life stories of outstanding people who have embodied the close connections between particular Irish counties and the United States.

The books also contain an introductory chapter on the history and geography of the county, plus a colour map and photographs of some of the individuals profiled within.

Cork Journeys in America has 53 entries, including Sir Walter Raleigh, Anne Bonny, Charlie Chaplin and Boss Croker, while Dublin Journeys in America holds 49 profiles, among them Maureen O'Hara, Brendan Behan, Eamon Coghlan and Tiger Roche.

Together these constitute only the beginning of an enterprise that will soon see Waterford Journeys in America (to include Tyrone Power, Raymond Chandler, Mayor Daley and Buffalo Bill Cody) and Galway Journeys in America joining the first two titles on the shelves of Irish and American bookshops. Other counties planned to follow in the series are Tipperary, Kerry, Mayo and Donegal.

John Flynn was born in Waterford City in 1964 and grew up in the Abbeyside parish of Dungarvan. He holds a Ph.D. in sociology from NUI Maynooth, while his co-author Jerry Kelleher hails from Millstreet in north Cork, where he was born in 1967. The Sunday Tribune recently described their current efforts in the following way. These rather odd books... range from the slightly obvious to the truly bizarre. Given the novelty of the idea of this series, they are well prepared to take such a review as a compliment.

## Hot Rod Motor Racing

Congratulations to Seamus O'Riordan, Pinewood Lawn, Abbeyside who finished second in the All-Ireland Finals held in Emly, Limerick recently. On the day he was driving a Fiat 127 903 C.C. engine Class One Car.

Seamus has been involved in Waterford Hot Rod Club Motor Racing for eight years and has been racing for four years. At the beginning Seamus was introduced to hot rod motor racing by his uncle when he used to go watch him racing. Within two years Seamus was involved in marshalling at hot rod motor meetings and in directing cars on and off the track. Basically there are six clubs involved in the hot rod scene - East Cork, North Cork, Carberry, Kerry, Waterford and the latest club to become involved i.e. North/West (Sligo).

Seamus practises in the local club in the Pike, which is a hard surface track with a tarmac front straight with concrete on the two bends and the back straight.

Seamus has been fixing and repairing cars after a days racing since his initial involvement. Then he graduated to racing his uncle's car until he built a Fiat Uno himself 3 1/2 years ago.

The car was stripped out so there would be no extra weight and he installed a Roll Cage into it in case the car overturned. For safety reasons Seamus upgraded the springs and suspensions so that the car would handle properly on the track. The engine has to remain standard so that no driver has an advantage.

The engine has to be tuned properly and that is where the expertise is needed.

### RACING CAREER.

Seamus had his first win on the track in the Pike in 1999 and was placed third in class one in the Winter Championships for season's 2001/2002/ 2002/2003. Willie Houlihan was quickest in his class. Seamus' ambition at this stage is to come one place better in the All Ireland Champi-

onship next year. The Pike will be hosting the All-Ireland Final next year and with his knowledge of the track it is a great opportunity for him.

### THE CLUB

The club at the Pike have 128 members at present and it is the largest club in racing in this county.

Seamus is assistant treasurer and he handicaps the cars for all the races. For two years he has positioned the new cars at the front and placed the quicker and more experienced drivers at the back. He hopes to see the

local club develop further and wants to enjoy the racing for as long as possible. His uncle James O'Shea who introduced him to the sport is still racing. There are five cars in the extended family and they spend 2/3 days a week doing routine repairs and tuning the engines. It costs approximately euro 500 to up and they use cars that were traded in and are off the road.

He enjoys the social side of the sport and after racing he is partial to a couple of drinks with fellow club members.

## SCOUT NOTES

We're home! Yes after a successful and hugely entertaining annual camp 2003 we made it home from Limerick on Sunday the 3rd of August at three thirty in the afternoon. Weather wise for the week we had a mixed bag but this did not stop any activities from taking place. Upon arriving on site on Sunday afternoon we were greeted by Vinny, Tony and Kieran as well as our inside out Marquee, then we set about "setting up camp".

Each patrol had their own sleeping tent (Icelandic) plus there was a communal store tent and of course the marquee was the focal point of the site as here we cooked and ate all our meals as well as gathered both inside and outside the marquee at all hours of the day and night for chats and the craic! On site we made friends with a scout group from Germany and Kieran Harty in particular got on "like a house on fire" or should that be a campfire, with this group. Campfires over the week were well attended and everyone was in good voice as they learned a lot of new songs. The P/L's could be heard using that famous line R.H.I.P. over the course of camp, while the other famous line on camp was the saying, whatever floats your boat, thanks to Cearbhaill. All the scouts it appears play a lot of rally games on their play stations at home as when it came to the real life go karting they all proved their worth here, apart from David Hickey who hit a bump on the track. Askeaton swimming pool proved a hit, as did the Aquadome in Tralee while water activities in Killaloe National Scout Water Activity Centre proved a big hit as well. As usual the food cooked on camp by the individual patrols was top class and not one fish finger was seen on camp for the week only the best of steak! The winner of the cooking competition on camp were the Wolf patrol while Patrick Fennell went home with a tent for his efforts earlier on in the week in a competition. On the Friday before going home the troop went into Limerick to do some shopping and buy some presents for home included this day was a visit to a bowling alley and a visit to the cinema to see the big summer blockbuster starring Arnie. All in all this was a very successful week spent in Curragh Chase and all the scouts no doubt go home with fond memories of the time spent and friends made on annual camp 2003.

### ATTENTION

Both cub and scout sections start back for a new year of activities on the second Saturday in September.

## The Grove /New Line Junction

The residents of the Grove have requested the Town Council to improve Traffic Management arrangements at the junction with the New Line Road. Motorists coming from the Grove find it very difficult to turn right at the junction due to the density and speed of traffic along the New Line.

## Wedding To Surpass That Of 'Nicky And Georgina'

Who says the wedding of Georgina Ahern and Nicky Byrne is the social event of the year? On Saturday next the 16th August Brendan O'Brien, Clash, Ballinacourty organises the 'mock wedding' of Lord Maguires, Ballinroad and Minnies, Abbeyside. OK, it may not have an euro 850,000 deal with Hello Magazine but we can guarantee full coverage in 'Abbeyside Topics' in the Dungarvan Leader.

We can safely assume that the guests will not be greeted by jeers and boos as happened in the sleepy French village of Gallardon.

In fact everybody is welcome and all proceeds from the wedding will swell the coffers

of the District Hospital, Dungarvan. Invitations to the wedding are available at ten euro each and can be purchased at Minnies, Lord Maguires and Keohans Cleaners.

The wedding ceremony takes place in Lord Maguires at 3.00pm, and will be followed by the wedding reception at Minnies at 5.00pm.

The reception meal consists of spare ribs and colcannon and this will be followed by dancing to a live band and later a disco. The 'mock wedding' will be a day of fun and enjoyment and there will be no heavy-handed and shocking behaviour as was handed out to onlookers at the Chateau d'Esclimont.

## Junior Hurlers Defeat Melleray

Last years champions in Junior B Hurling - Abbeyside - travelled to Cappoquin on Saturday night last for the first round defence of their title. Even though they had only a total panel of fifteen at throw - in time the villagers got off to a lively start with points by Eoin Enright and Michael Murray. Goals by Michael Brown and Eoin Enright and another point from the camán of Michael Murray with an overhead strike put Abbeyside well in control of proceedings. A number of good saves by the Melleray goalkeeper who had an exceptionally lone puck - out kept the Abbeyside forwards at bay for the rest of the half. Pakie Hurney did add another point before Melleray had their only score of the half with a point from a free one-minute before half - time.

### The Second Half.

On the turnover the pace of the game slowed but two points from Michael Murray kept Abbeyside in control.

Melleray scored a goal but it was in reality an own - goal and they also had a point from play in the eighteenth minute of the second half. Two points by substitute Pat O'Brien ensured Abbeyside ran out easy winners.

Abbeyside: Brian Scanlon, Stephen Power, Ciaran Shields, Seamus Shields, Sean Cleary, Aonghus Murray, Sean Byrne, Tomas Cahin, Peter Phelan, Eoin Enright, Michael Murray, Cian Moloney, Michael Brown, Patrick Hurney, Pakie Hurney, Pat O'Brien.

## Railway Athletic FC Notes

### Sports Grants

In the recent announcement of the allocation of the 2003 Sports Capital Grants, Railway Athletic FC were the delighted recipients of euro96,000. The successful announcement was the culmination of months of research and hard work.

Late last year the committee decided that modern dressing rooms with state of the art facilities had to be built to meet the needs of all our players from the unders 6's to our Juniors.

To achieve our goal the club realised the assistance of the sports capital grants was necessary. A detailed submission was put together and the results were when we heard the news of the much-needed assistance.

This club has made great progress of recent years off the field i.e. firstly with the purchase of our pitch a few years back and 3 years ago with the successful levelling of the same.

Hopefully with the inevitable construction of our ref's dressing rooms in the distant future we hope to have the best facilities for our players.

The valuable help and advice, which we got from Pat Daley and TD Martin Cullen, was brilliant and without you our dream would have been impossible. To all who assisted so willingly and diligently a big thank you!

### Training

With the start of new season only a few weeks away training continues every Wednesday and Friday at 7.30pm. under the Waterford eye of first team manager Brian Whelan.

To be fair turn outs have been very positive and we hope it continues.

As always there are still a few faces who have been shy about coming to training but we hope to see you all soon.

It maybe on old cliché but you will always get out what you put in and there are no easy medals to win in the Waterford League!

### Membership and Registration

Just a quick reminder that this year there will be a no pay no play policy. So come on lads get your monies in ASAP.

Would the respective managers please get

the memberships in within the next week? Youths euro 15 and Juniors euro 25.

### 10 years in Junior Football

It's amazingly 10 years this August that the club decided to put a junior team in the Waterford Junior League. After successfully winning the Waterford youths B league the previous season, in which the team won very impressive 16 out of 16 games. A team was entered in the Division 1 B league.

Most of the players were just 18 years and over, so we added a few players like Martin Reddy, Brian Whelan and the very experienced Dessie Foley. This side more than held their own in their first season and finished in 3rd position behind a strong Dungarvan and Villa outfits.

The first league game was against Carrick up in the Danes Field on August 23rd 1993. The final score was 2-2 with Railways goals coming from Conor Predergast and substitute Des Foley. The very first team to play that day was: Ciaran Cullinane, Kenny Mason, Gregory Reddy, Brian Whelan, Martin Reddy (Capt.), Pakie Mahan, Ray Curran, Connor Prendergast, Jason Fleming, Frank McLoughlin, Paul McLoughlin Subs: Des Foley and Eamonn Murphy (both used).

It's good to note that at least half of those players are still playing football, the only down-fall being is that a few of them will probably be looking for testimonials!

## CONGRATULATIONS

Congratulations to Joan and Maurice Cahillane, Laken on the birth of their fourth child, a baby girl.

# LISMORE NOTES

## Lismore Tidy Towns News

The good news was announced last week that Lismore had won the Co. Waterford Inter-Community Litter Challenge. We overcame the challenge provided by Tallow in the final, to win by 20 clear points. The following quote from the judges report is very heartening. "Lismore seems to be head and shoulders above any other town in the county". The prize of 1500 euro will be presented to the committee at a ceremony later this year. Congratulations to our neighbours in Ballyduff for winning the Village title in the same competition with a massive total of 96 points.

This week is normally the time that we are judged for a second time in the National Tidy Towns competition. It is great to see the fantastic work done by Waterford County Council on the monument. I hope the adjudicators get to see it illuminated at night when it provides an excellent focal point. Well done to all concerned for having it ready for this important week.

Members will be contacted soon about our next meeting.

## Organ Recital in Lismore Cathedral

Music by Johann Pachelbel features in an organ recital by Cathedral Organist Jan van Putten in Lismore Cathedral, this Saturday at 4.30pm. Pachelbel was born 350 years ago in Nuremberg, Germany. We do not know his exact date of birth, but he was baptised on 1st September 1653, so it is assumed that he was born in August.

Mainly as organist in Erfurt (1678 - 1690) and Nuremberg (from 1695 until his death in 1706) Pachelbel earned his great fame. He was a prolific composer. In Erfurt he composed most of his organ chorales; his Nuremberg compositions show a greater variety and include, apart from organ music, music for harpsichord, chamber music, motets and sacred concertos.

Nowadays, he is particularly

remembered for his famous canon, which was scored for three violins and keyboard. He enjoyed composing fugues and although a fugue can be very complex, the main attraction of his works is that they are clearly structured and unassuming; as such they can be easily understood by all.

Jan van Putten will play a wide selection from Pachelbel's organ music: his Prelude in D minor, two sets of variations - one to a sacred and one to a secular tune -, four organ chorales - each of a different structure -, four short Magnificat fugues and, finally, his joyful Ciacona in D minor.

The recital, starting at 4.30pm, will last approximately one hour. Admission is free and there will be a collection in aid of the Cathedral Restoration Fund

Our Club Championships are now into the crucial stage where there is nearly one hand on the cups.

In the fourball the formidable partnership of Seamus & Pat Beecher came through against Marty McNamara and Sean Desmond. In the next round Club President Willie Henry got ready for his big weekend by defeating Seamus & Pat Beecher, his partner Dave McGrath holding out in the dark on the 19th.

Thursday was the final qualifying for the Keniry open which was played for on Saturday. ## Two Good Victories for Lismore Cricketers

Lismore's good run of form continued over the last two weekends with a cup semi-final win followed by maximum points in a league game, aided in no small part by back-to-back centuries by Mubbin. On Bank Holiday Monday (4th August) Lismore travelled to Clonmel in the semi-final of the Munster Towns Cup and enjoyed their third victory of the season over the Suirsiders. Batting first, openers Mubbin and Seamus Brown got Lismore off to a steady start before Brown was bowled. Three more wickets fell before Mubbin found a solid partner in Gerard Kennedy, and together they brought the score up to 96 before Kennedy was out. Mubbin then went into overdrive and put up 75 for the 6th wicket with Andrew Malcolm. Mubbin's batting style was uncomplicated. Good balls were blocked, half-volleys were driven straight and hard, long-hops and full tosses were put over the leg-side boundary. He was eventually caught for 117, which is certainly the highest score by a Lismore batsman in living memory. Paul Coolbear and William Rotte slogged some good runs in the closing overs to bring the total to 188 for 7 off the forty overs. This total

looked like it was more than enough, especially as Clonmel had been bowled out for 21 on the same pitch the previous week. Clonmel refused to lie down and die, however, and their batsmen dug in and made a fight of it. Mubbin and John Campion produced good economical opening spells without making a breakthrough. Change bowlers Seamus Brown and Andrew Malcolm got amongst the wickets, but some hard hitting from the Clonmel middle-order saw them requiring 72 from the last ten overs with four wickets in hand. Economical overs from Ger Murphy and William Rotte left the target at 43 from five overs with the opening bowlers to return. John Campion and Mubbin both bowled an over for just 2 runs, and the game was beyond Clonmel. The margin of victory in the end was only 14 runs, but Lismore had always been in control. They progress to play Tralee in the final, which is scheduled for August 31st in Middleton. It was a good all-round performance from Lismore, who could afford to rest three of the regular top order on the day.

Last Sunday Lismore travelled to Bandon to play West Cork Rebels in MCU Division 2, and

came away with a narrow victory. On paper the odds did not favour Lismore, as the Rebels are top of the league and Lismore travelled with only three of their regular bowlers. Again Lismore won the toss and choose to bat, and after the loss of early wickets Mubbin strode to the crease and took up where he had left off the previous weekend. He found support firstly in David Campion and then Sean Willoughby, and again was particularly severe on anything short or over-pitched, and was unluckily run out just after compiling his century. Centuries are rare enough in Lismore cricket, usually coming at the rate of about one a decade, so for one player to score two in six days is unprecedented. And this from a player, who on arrival at Lismore, announced he was a bowler who couldn't bat! The final total was again 188 but, disappointingly, Lismore left behind 10 of their allocated 45 overs.

The Lismore bowlers bowler and took wickets at vital times. William Rotte rose to the challenge of being a front line bowler, and David Campion, Paul Coolbear and Sean Willoughby made up the fifth bowlers allocation. The odds favoured the Corkmen when, with four overs to go, 19 runs

were required with two wickets in hand. Paul Coolbear then removed the last recognised batsman, with the help of a lovely catch from Winston Boyle. The Corkmen needed seven to win off the last two overs, but Sean Willoughby kept his head and took the last wicket off the fourth ball of the second last over to give Lismore victory by six runs.

Next Sunday Lismore play their first game in the second phase of MCU Division 3, where they're pitted against County Kerry and UCC.

### UNDER 11S TAKE CENTRE STAGE

Last Tuesday saw the inaugural game of the Munster U-11 league, when Lismore played host to Cork Harlequins, and Lismore scored a fine victory over the Corkmen. Lismore looked to be in trouble early on, with the away side climbing to 51 for 1 off 10 overs, but fine bowling from Zack Shanahan (4 for 16) and Oliver Ind (3 for 17, including two wicket maidens) pegged Harlequins back to 73 for 7 off their 16 overs. The Lismore lads made easy work of the total, with Zack Shanahan hitting 30 not out and opener Ben Martin batting through to give Lismore a comfortable victory. Young wicket-

## TALLOW GAA NOTES — C.L.G. TULACH AN IARAINN

### Under-age Summary

The u16 hurlers have qualified for the county semi-final. They won 4 out of 5 qualifying games, losing by just 2 points to St. Oliver's in a thrilling game in Knockanore on Friday night. "Jacker" interceded with me requesting that I not name the passionate selector who saw yellow. "Just tell them Murphy was in England and it wasn't Flor" he said. The Coisbhríde lads would relish another tilt at Oliver's and this may yet come to pass if both sides reach the final. Well done to the lads and selectors Timmy, Legend and Flor. Our u14 footballers played their first game last night (Tues) against Cappoquin. u12 footballers got off to a winning start in their first game and are in action again this week. The U-13 hurlers will be competing in the town and country competition. Club newsletter has been well received and got a great review from Catherine Power and John O Leary on W.L.R. on Sat. Free copies available at local outlets. Thanks to sponsors Johnny and Marie Geary at Meadowfresh Foods, Knockanore Kabins Ltd. and Tommy and Margaret Feeney. We already have two offers of sponsorship for our next edition and would welcome a third. The sports programme on W.L.R. is well worth tuning into every Sat. and John O Leary gives a run down on juvenile G.A.A. activity in the county. John is doing tremendous work as county development officer and p.r.o.

### Senior Championship Tallow Focused on Championship Clash with De La Salle

Team manager Liam Moroney was very positive when I spoke to him at training during the week. "Once we got a definite championship date it brought a new focus to the squad. The lads are responding well and it's much easier for players and coaches alike when you have a full panel available. We still have a few injuries and we will have to take stock after the league final against Ballygunner." "Smith" is under no illusions as to the challenge facing his team on Sunday evening. "De La Salle have three players on the county panel and we've all seen the damage Mullane can do running at defences" he cautions. "They've had a virtual conveyor belt of talent feeding in from under age for the past few years. They may not be household names but they have talented young lads fighting for their places. We're a small club with limited numbers coming through but we have quality and the lads have shown their character in recent games. We have hurlers good enough to win this game but we must prove that Sunday evening."

It's a 7.15 start on Sunday and the lads would appreciate your support.

### Senior Hurling League Semi-final Tallow 2-17 Portlaoighain 1-11

Tallow qualified for the league final by virtue of this 9 point win over Portlaoighain in Stradbally bank holiday Monday. Tallow were full value for it but the win was not without its cost as we had a number of players on the treatment table all week with injuries sustained when there wasn't a sliothar in sight. Part of the learning process we are told, and I suppose it is, but it's hardly good enough.

### Tallow G.A.A. Lotto - supported by Kearneys Restaurant

### Junior Hurling Championship

Our first round championship game against Geraldines has been fixed for Friday August 22 in Cappoquin. Throw in time is 7.30 which is cutting it fine if you get a dark evening.

### U-21 Hurling Western Final

The provisional date (I suppose you could say all fixture dates in Waterford are provisional) for the Western Final is Sunday August 24th in Cappoquin.

I didn't want to comment before now on Fourmilewaters expulsion from the competition as the matter was "sub judice" so to speak with an appeal pending. The Western Board has stood over its original decision and Fourmilewater were thrown out of the competition. The board will no doubt argue, with some justification, that clubs can not have it both ways - constantly criticising them for not running the 21 championship earlier and then not fulfilling the fixture. Nevertheless it is the height of folly putting on minor or u21 championship games a couple of weeks before exams. The exams are a constant. They take place at the same time every year and the majority of u21 players in this day and age are in third level education. Fourmile took a courageous stand, maybe the mistake they made was in not seeking a consensus with other clubs involved. The championship is devalued because of their absence, the more so because they were in with a real chance of winning it. If you're lucky you get just one chance to win a 21 title during your playing career. Some of these Fourmile lads will never again have that chance. That is the real shame.

Our route to the final was not of our choosing or liking. That said we will not be distracted from the job at hand, the defence of our western title

against Abbeyside on August 24th. Should be a hell of a game.

### Deise's Destiny

Much speculation at the moment about who will be in charge of our county hurlers next year. Some speculation also about changes at the top in administration. The waters are fairly muddied at the moment. Rumour and counter rumour. You know how it is.

We know that a 6 man (you surely didn't expect a woman to get a look in) committee has been set up to interview possible candidates for Justins job. The incumbent has not yet publicly declared his hand but my money is on him staying or wanting to stay. The county board Chairman is on this committee - which is only right. It was erroneously reported on one of the national dailies during the week that it was passed at the last county board that the incoming chairman (whoever that might be) be one of the selectors for this coming year. This is not correct. It was not passed but may yet be put forward at the Sept. meeting. Clubs should be aware and wary. Couple of points. Firstly the chairman for next year will not be known at the September meeting. Secondly and most important I do not think any of the top administrators should be involved in team selection. It is a retrograde step. We saw the havoc wreaked when a top administrator in a neighbouring county was involved as a team selector. Im not saying this or any future chairman would not be a good selector but administrators would be better occupied focusing their attention on reforming the fixtures and structures. When scapegoats were being sought everywhere for our county's collapse against Wexford nobody that I read thought to mention our club championship. We're at nothing in this county until we have a strong, competitive, properly structured club championship run to a pre ordained schedule. How do you know what players are in form unless you see them in championship hurling with the club. There are tremendously talented progressive men and women (I wont embarrass them by naming them but anybody involved with under-age hurling is aware of the work they are doing) running juvenile games, coaching and development in the county. It's at adult level, and in particular the intermediate and senior championships, that the problem lies.

The county board must make it clear to the next Waterford hurling manager, whether he is from within or outside the county, that the cossetting of county players is ceased and the club championship will be restored to its rightful place of primacy and run to schedule. It should be included in the terms of his contract before any deal is done.

### U-15 Hurling Tournament

St. Oliver's u15 hurling tournament will now take place on Sat 13th September. Further details on time next week.

### Celtic Times

The first edition of Michael Cusacks weekly newspaper the Celtic Times appeared on 1 January 1887. It ran for just 54 issues. It was the first periodical devoted to gaelic games as well as the preservation and cultivation of the language, music, literature and pastimes of the "Celtic Race". The only known surviving issues are those covering the period 19

February 1887 to 31 December of the same year. All surviving issue (some incomplete) are reproduced in a new publication called Celtic Times. It is a veritable treasure trove, a social history of the period and a fascinating insight into the state of our games in the late 19th century. I hope to delve into it over the coming weeks.

### League Final Tallow 0-11 Ballygunner 0-6

This will hardly enter the annals of our club history as one of our most inspirational performances but it was nevertheless a significant victory in that it represents the first title win for Tallow since we won the Intermediate title and regained senior status in 1987. It may not have been the Division 1 title nor 'The Gunners' first 15 but this win may yet prove a watershed in our teams development.

The first half was a tame affair (most of us were still catching our breath following the exhilarating Cork-Wexford encounter). Both sides too often took the wrong option and squandered chances. 4 points a piece at half time told it's own and one wag on the bank remarked 'I hope this doesn't go into extra time'.

It was 10 minutes or so into 2nd half, following a few changes, before Tallow sparked and got the co-ordinators of the uprights correct. There was a bit more fluidity to our play and more conviction and confidence in our striking. We've certainly hurled better this year but the lads did enough to secure the win and this was vital a week before the championship.

Panel: J. Beecher, D. O'Brien, Wm. McDonnell, M. O'Brien, P. Murray, Shane 'Finn' McCarthy, J. Murray (Capt), J.P. Grey, C. Geary, P. Kearney, B. Henley, P. O'Brien, Wm. Henley, R. Henley, M. Geary, A. Kearney, J. Doyle, B. Sheehan, S. Pratt, C. Cunningham, J. Cunningham, Wm. Curley, S. Slattery, E. Forbes, M. O'Brien.

Our thanks to the Stradbally club for the use of their excellent facilities. The pitch was a credit to them.

## Additional €700,000 for St. Joseph's Hospital, Clonmel

The Minister for Health and Children Michael Martin T.D., has allocated €65m for a wide range of capital initiatives in hospitals throughout the country. This money will be spent on replacement equipment refurbishment and other local infrastructural upgrades. Cllr. Tom Ambrose (FF), South Tipperary welcomes the allocation by the Minister of 7m of the €65m to the South Eastern Health Board. The good news is that Cllr. Ambrose was successful in persuading Mr. Peter Finnegan, the programme manager for Acute Hospitals in the South East to commit 700,000e of the 7m to refurbishing the roof of old St. Joseph's Hospital, Clonmel.

Tenders for this job will be issued shortly.

## FALSE REPORT ON HEALTH BOARD SPENDING

A South Tipperary member of the South Eastern Health Board has this week rejected out of hand a newspaper article which claims, that money earmarked for medical procedures was redirected for Arts projects. Dr. Sean McCarthy who is also Chairman of South Tipperary County Council was responding to recent reports in the National media which bore the headline '100,000e of hospital cash is blown on an Art transplant'. Speaking this week Dr. McCarthy is adamant that this is not the case. He claimed that the money has come from voluntary contributions and that to his knowledge the health board is not losing out. He added that he regarded such articles as 'repugnant, nasty and totally unbelievable and misleading'.

## TRAVELLER CULTURAL EXHIBITION

No one knows exactly how far back the origins of the travellers goes. Some trace the Irish travellers back in history to 200AD or even as early as 600BC when metal workers travelled the country with their families. The first documented mention of travellers in Ireland is from the fifteenth century and refers to Whitesmiths or smiths who worked in tin and as finishers of metal goods. This group of artisans travelled the Irish countryside making personal ornaments, weapons and horse trappings in exchange for food and lodgings. It is presently running at South Tipperary County museum in Clonmel on exhibition on travellers culture through painting, craft, work and photographs, it gives an insight in to contemporary traveller life and culture in South Tipperary. Visitors to this engaging exhibition have the opportunity to rediscover traveller culture as presented by travellers. Admission is free.

# Recent Deaths

## Late Mr. Michael O' Callaghan

It is with deep and sincere regret we pen the death of Mr. Michael O' Callaghan, Well Road, Carrick-on-Suir which sad event took place at St. Bridgets Hospital, Carrick-on-Suir on the 19th of June. Carrick-on-Suir has lost one of its oldest and most respected citizens a few weeks short of his 92nd birthday.

Mikey, as he was better known was the eldest of six children born on the Well Road near Claren Well to the late Dan and Elizabeth O' Callaghan (nee Foran). Generations of the O' Callaghan family had worked on the River Suir and it was fitting that Mikey lived all his life only a stones throw from the river.

In 1935 Mikey married a local girl, Margaret Ryan who was a noted singer and they lived for a time in Hurley's Lane before moving to the newly built Sean Tracey Park housing estate. Margaret died in 1967 and some years later Mikey married Catherine Cummins from Kilcash. Apart from short spells in Plunder and Pollack, his whole life centred on the river, his knowledge of which was legendary.

As a young boy, he began working with the Keogh family who ran a boating business and he subsequently purchased his own boat. He delivered coal to the gas works, he transported goods to and from New Ross and Waterford for Dowley's Grain Merchants and he used his skill and judgement to great effect on the river guiding concrete barges through the difficult stretches of the Suir. Mikey was also a keen net fisherman, made his own nets and built cots for the river. He was always honest and hard working, a good timekeeper and he led by example. He was a staunch Catholic and a daily Mass goer up to his final illness. His remains were removed from Walshes Funeral Home, Carrick-on-Suir to St. Nicholas' Parish Church, Carrick-on-Suir where they were blessed and received by Very Rev. Fr. Richard Geoghegan C.C. Carrick-on-Suir/Faugheen. On the following morning, requiem Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Richard Geoghegan C.C.

After Mass the funeral took place to St. Mary's Cemetery, Carrickbeg where he was laid to rest in the family plot. To his wife and family, brothers and sister and his many relatives we extend our sympathy.

## Late Mr. Brian Jones

It is with deep and sincere regret we record the passing of Mr. Brian Jones, Knockaunbrandaun, Ballymacarbry, Clonmel and formerly of East London, this sad event took place at his residence, Fern Villas, on Bank Holiday Monday, 4th August. Deceased in his 69th year was a member of a well loved and respected English family. He has been in the Nire Valley for the last nine years and during that time he has made many friends.

On Sunday night at the Bridge Bar, Creggane and on the following evening he passed to his eternal reward. As a neighbour he had few equals. He was always ready to help the needy, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was a true gentleman in every sense of the word and a host of friends who appreciated his company, advice or assistance in any way, mourn his passing.

He was a person very involved in rearing and breeding racing pigeons. He was also interested in Horse Racing.

Many tributes have been paid to this fine gentleman, but perhaps the finest was paid to him on Wednesday evening when all walks of life were represented in the large concourse of mourners who were present when his remains were removed from his residence to St. Helenas Parish Church, Nire Valley where they were blessed and received by Very Rev. Fr. Cornelious Kelleher P.P. Nire/Touraneena.

On Thursday morning, the feast of St. Cajetan, requiem Mass was celebrated for the

happy repose of his immortal soul. The celebrant was Rev. Fr. Cornelious Kelleher P.P. After Mass he was taken to his place of rest in St. Helena's Church, in the Nire valley, and as his remains were laid to rest some of his pigeons were released to fly over the churchyard. Fr. Kelleher P.P. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a Christian friend whose memory they will long treasure.

To his wife and family and his many relatives we extend our sympathy.

## Late Mrs. Mary O'Neill

It is with deep and sincere regret the district learned of the death of Mrs. Mary (Minnie) O' Neill (nee Cullinan), Ballinamona, Newcastle, Clonmel which sad event took place on Thursday, 31st July. Deceased in her eighty ninth year was the last surviving member of

the Cullinan family of nine from Newcastle. Minnie was a lady of outstanding qualities who possessed a wonderful, warm personality and made lasting friends with ease. Anybody who ever called to her home was made feel truly welcome, as she was a caring neighbour, abounding in Christian charity who made an immediate and lasting impression by virtue of her courteous and easy going nature which endeared her to all.

In her early years she married Thomas O' Neill from Dunagaithe and they lived life as a happily married pair. Thomas worked with M.F. Nugent Merchant, Newcastle in the days of crushing oats and rolling barley which was sought by every farmer in the district. Minnie was a great woman to entertain at Christmas parties, and it was only last year at the Senior Citizens party in Ballymacarbry that she rendered a few party pieces. For some time back she had not enjoyed the best of health but kept the best side out. It was only a few days before her end that she was hospitalised in St Joseph's Hospital, Clonmel where she passed to her eternal reward.

Many tributes have been paid to this fine lady, but perhaps the finest was paid to her on Friday evening when all walks of life were represented in the vast concourse of mourners who were present when her remains after prayers were recited, were removed from Condon's Funeral Parlour, Clonmel to the parish church, Newcastle where they were blessed and received by Very Rev. Fr. Patrick Condon C.C., Fourmilewater/Newcastle. On Saturday morning the feast of St. Alphonsus Liguori, requiem Mass. The celebrant was Rev. Fr. Patrick Condon C.C.

After mass the funeral took place to the Ancient Churchyard at Newcastle an there she was laid to rest in the family plot day with her husband Tommy who predeceased her on the last day of February 1986. Fr. Condon C.C. officiated at the graveside in the presence of another large concourse of mourners paying their final respects to a dear Christian lady whose memory they will long cherish.

To her son Seamus and her daughter May, and her many relatives we extend our sympathy.

## KNOW YOUR RIGHTS

### QUESTION

My employer has told us that a number of employees may be made redundant. Can you please let me know what I am entitled to??

### ANSWER

What you may be entitled to under legislation depends on how long you have worked for your employer and your normal weekly earnings. Earlier this year statutory redundancy payments were increased, however, you may negotiate a redundancy payment that exceeds the minimum entitlement.

Redundancy arises where an employee's job ceases to exist and he/she is not replaced for such reasons as a lack of work or the firm closes down. Employees with two years service should receive at least two weeks notice of redundancy, rising to eight weeks for those with at least 15 years service.

The Redundancy Payments Acts 1967-2003 oblige employers to pay redundant employees their "statutory redundancy entitlement". To be eligible you must be between the ages of 16 and 66, in continuous employment for at least two years with your employer and normally working at least 8 hours per week.

Since 25th May, 2003 the lump-sum redundancy payment is calculated as follows subject to a maximum week's pay of €508 per week:

- Two weeks pay for each year of reckonable employment regardless of age
- Plus an additional week's pay.

In calculating reckonable employment ordinary sick leave over and above 26 weeks, occupational injury over and above 52 weeks, maternity leave over and above 18 weeks and career breaks over 13 weeks in a 52 week period are excluded. There is no tax payable on the statutory redundancy lump sum.

Further information is available from the Employment Rights Information Unit, Department of Enterprise, Trade and Employment, Davitt House, 65A Adelaide Road, Dublin 2. Tel: 631 3131 or Lo-Call 1890 201 615 and from the Citizens Information Centre below.

## MONEY MATTERS

### ENERGY SAVING APPLIANCES

Good energy housekeeping is very important in this day and age.

Energy labelling of all new laundry and refrigeration products is now obligatory. When you are shopping for these new appliances you will find energy information labels on all these appliances. The energy label allows you to compare how energy efficient one model is against another. The range is from 'A' being the most efficient to 'G' being the least efficient. The more energy efficient the model you chose the more on-going savings in running costs you will enjoy. Modern appliances are designed to use less electricity than older models. A lot of the newer washing machines and dishwashers have 'economy' programmes using less water and less electricity to heat. All of these things are worth considering when purchasing new appliances.

Small things like using a timer switch on your immersion heater can make considerable savings to your energy bill. As the weather gets warmer remember to change the settings on your thermostats.

Modern heating systems incorporate thermostats which switch themselves off when the room is warm enough and timers that switch the heating on and off as per your settings. Don't open the windows and doors when a room gets too hot: turn down the heating thermostat instead.

Remember with appliances that energy is wasted if you don't switch appliances off when they are not in use. Switch off the TV or stereo when you are finished using them. Don't leave them on standby.

## DISABILITY AWARENESS

### SARCOIDOSIS

#### What is Sarcoidosis?

Sarcoidosis is a disability that results from inflammation of tissues of the body. It can appear in almost any body organ, but most often starts in the lungs or lymph nodes. The cause of Sarcoidosis is unknown; the disability can appear suddenly and disappear just as quick. Or it can develop gradually and go on to produce symptoms that come and go, sometimes for a lifetime. As sarcoidosis progresses, small lumps, or granulomas, appear in the affected tissues. In the majority of cases, these granulomas clear up, either with or without treatment. In the few cases where the granulomas do not heal and disappear, the tissues tend to remain inflamed and become scarred (fibrotic).

#### What are the symptoms of Sarcoidosis?

In pulmonary sarcoidosis, patients may have a dry cough (without sputum), shortness of breath, or mild chest pain. In those cases where symptoms do appear outside the lung, they can include a scaly rash, red bumps on the legs, fever, soreness of the eyes, and pain and swelling of the ankles. There can also be more general symptoms like fatigue, weakness, fever and weight loss. These symptoms are common in many other lung disabilities, so diagnosis may be very difficult.

#### How is Sarcoidosis diagnosed?

Sarcoidosis is initially diagnosed based on a physical examination, laboratory tests, pulmonary function studies, and a chest x-ray. When enlargement of lymph glands in the center of the lungs is seen on x-ray, sarcoidosis may be suspected. To confirm the diagnosis, a biopsy is usually performed on any of the affected organs or from material in a granuloma on the skin.

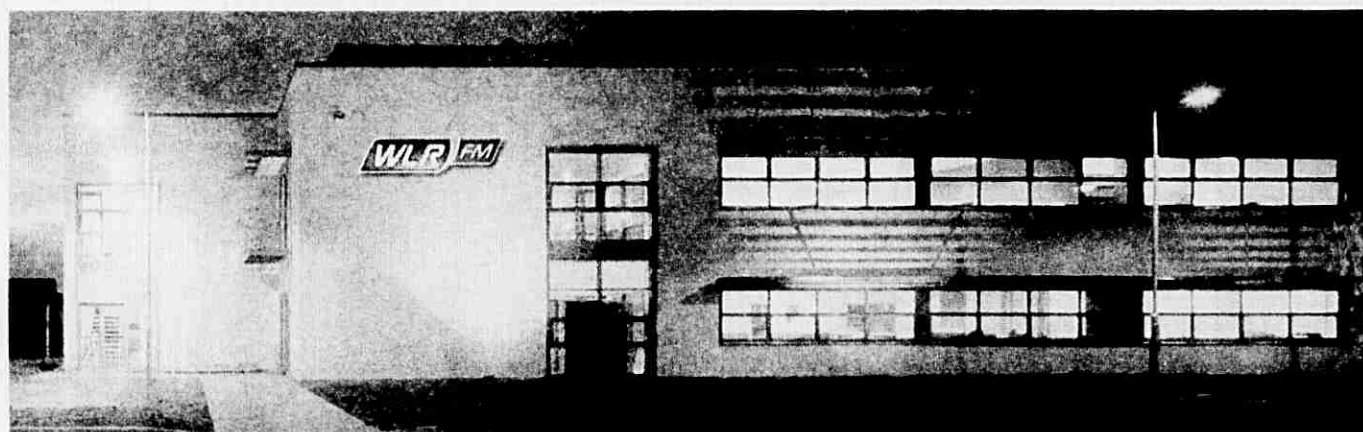

#### What treatment is available for Sarcoidosis?

There is not a specific cure for sarcoidosis, it has to run its course and in many cases this usually takes several months, most cases of this disability heal spontaneously and require no specific treatment. Although some people with sarcoidosis will find they recover within one year, other people with the disability will have serious long-term effects and it can damage the lungs, heart, eyes and other vital organs. For people with long-term sarcoidosis medication is usually prescribed for the more serious symptoms. Since it is not known what causes sarcoidosis, there is no known way to prevent its occurrence. Most people with sarcoidosis can lead a normal life, it is important that people with this disability do not smoke, and that they avoid exposure to dust and chemicals that can harm the lungs. A support group has been set up in the Dungarvan and the first meeting will be taking place on the 28th August, if you would like further information please contact our office. (This article is to make people aware of different disabilities, and is information only; it is not a replacement for professional medical advice). We provide information, support and advocacy for people with disabilities, (Physical, Sensory, Learning, Mental and Emotional Health). First for Waterford!

# Local Play A Hit Off Broadway

DIRECTOR of the Play, 'What do you expect!' Hank Regan said that he was very pleased with the turnout and the response his play got on Broadway, Manhattan, New York.

"It was a success," he said. "I am pleased with the response it got in the US. The crowd who attended loved it."

The Irish play featured Henry O'Keeffe as Owen Ryan, Brid Mooney-Nielsen as May Ryan, John Stack as Luke Brady, Paul Mooney as Stephen Cole, Gavin Hallahan as the Armanian and a debut performance from Ned Cullinane, who was written into the play while it premiered off Broadway, as the postman.

Lighting and Sound was under the control of Dirk and Claire Baumann of DBL, Dungarvan.

Dirk is a stalwart in lighting control and has worked with some of the biggest names in show-business like UB40, Atomic Kitten and Robert Palmer in Ireland and in Britain.

"It was an enjoyable experience and it was great to be in New York," said Dirk.

"The group were great and a good laugh to be with. If there was another opportunity to do it again, I would," said Dirk.

The cast of 'What do you expect' expressed their amazement of the facilities on offer at the Irish Arts Centre.

Each member said that it was an enjoyable experience.

"It was amazing," said Ned Cullinane.

"It was a great experience to be involved in the play and it is one of the best experiences I have had.

Actually being in New York with the group was exciting," added Ned.

Gavin Hallahan said that it was very enjoyable.

"It was definitely a very enjoyable experience. It was also good to see how a different audience reacted to the play," said Gavin.

Henry O'Keeffe said that this was a massive experience.

"It is the thrill of being there in New York to perform," said Henry.

"It is something that I will never forget and I would do it again at the drop of a hat," added Henry.

Brid Mooney-Nielsen said that she had a terrific time.

"I did enjoy myself and had a great time. It is a unique opportunity to act at Broadway, Manhattan, and I would love to do it again," said

Brid. Paul Mooney said that he enjoyed the unique experience.

"It was the opportunity of a life time. When we were there, everyone involved in the play looked after us well and New York is one of the most friendly city's I have ever been in," said Paul.

"If there is a chance to go back to visit or perform another production at Broadway, then I would love to be part of it.

Hank has done a brilliant job and should be congratulated on taking his play to such a high profile venue. Every one of the cast, the production crew and people involved in promoting the play helped make it a success and should be thanked," added Paul.

John Stack also said that this was an unmissable opportunity.

"I thoroughly enjoyed myself," said John. "It was an opportunity to perform in a completely different environment to what I'm used to.

It is hard not to enjoy yourself in New York and I can't wait for the next opportunity to arise which will allow me to go back again."

"Thanks to everyone involved, they made the trip what it was. And also a note of thanks and well done to Hank Regan for his achievement. It takes some energy and dedication to organise such a production in another country," added John.

## SUPPORT

The director said that there was a number of people who had to be thanked who supported the play in various ways.

"There were people who travelled great distances to see the play and they should be thanked," said Hank.

"John and Mary Moroney from New Jersey; Kathleen Mary Moroney, who flew in from Philadelphia to see the play; Michael Hurton, who travelled from up-state New York. Michael's journey was three hours to the Irish Arts Centre and three hours back," added Hank.

"Paddy and Miriam Moroney, who travelled from Boston; Phil and Mags Kennedy, who helped out a great deal, including setting up the stage in the Arts Centre."

"Michael Ryan of MR Films for his generous support."

"Charlie Doherty; Triona and J.P. Morgan for their hospitality; Donal and Evie Flynn who kindly helped the cast out with accommodation;

Kilgobinet Players — (l. to r.) Director Hank Regan, Henry O'Keeffe, Gavin Hallahan, Brid Mooney-Nielsen, John Stack and Paul Mooney.

Pauline Turely of the Irish Arts Centre; Killian O'Keeffe and of course all the people who travelled to see the play and all who helped out in the production, making it a success."

There are plans to show the play again in Dungarvan.

"We have planned to do a couple of nights around the third week of September at the Park Hotel. There will be more details closer to the time."

Hank has his next play completed and ready, which he will be casting for in October.

His new play is called 'God rest his Soul,' and has ambitions of bringing this play also to Broadway and to other places like Canada.

Anyone interested in taking part in the play can contact Hank.

Hank said that he is also interested in reading new and original plays which could go onto stage, so if anyone has written a play, they can contact Hank Regan at 'Hanks' Barber shop, Mary Street, Dungarvan.

The Kilgobinet Players will be changing their name soon.

"Their is another play group with the same name, so we will be changing ours," said Hank.

There are several names in the pipeline, however, he did not want to reveal any until he discussed the names with members and patrons of

the Kilgobinet Players.

"Come October, we will be operating under a new theatre group name," he said.

## IRISH ARTS CENTRE

The Irish Arts Centre was opened in 1972 to give a voice to Irish Culture in New York.

The centre offers a professional off-Broadway 99 seat theatre which shows Irish and Irish American contemporary work.

The centre also hosts over 30 adult classes per week in Irish music, song, dance, history, language, visual arts, theatre arts, mythology and literature, concerts, céilis seisiúns, an annual Irish dance festival and an outreach production called 'The big potato' which teaches younger audiences about the Irish famine. There are also book and cd launches, readings, lectures and film screenings held at the centre.

Sponsors, Patrons, visitors and performers to the Irish Arts centre include Hollywood actors, Liam Neeson and Gabriel Byrne, Frank and Malachy McCourt, and 'My left foot' director Jim Sheridan.

# H2O Wins Good Salon Award

Photo shows the exterior of the award winning H2O Hair Salon in Tallow

The Good Salon Guide, hair-dressing's answer to the famous hotel and restaurant guides, has announced that H2O Salon, Chapel Street, Tallow, has been awarded a Registered rating.

The Guide's assessors judge the top hairdressers across Britain, Northern Ireland, and throughout the Republic of Ireland - assessing them on professionalism of the hairdressers, and the hygiene of their premises.

H2O was just one of two salons in West Waterford and East Cork to reach the prestigious mark, and proprietor, Mary Beecher expressed her delight at the distinction, especially since the salon has been open for just a month.

"The Good Salon Guide is the long awaited measure that enables clients to know their hairdresser is a true professional," she said.

The salon opened at the start of July, and is similar to the top salons in the cities, but without the city prices.

Mary has a wealth of experi-

ence behind her, having learnt and developed her craft over the past 16 years. She has worked in London during her advance training, and has spent time in Australia and New York.

During her ten-year stint in New York, she also had her first taste of life in a management role at a top salon, having spent five years managing a 2,700 square foot salon there.

Her time in New York was notable as well for becoming one of the organisers and stylists for two hair and fashion shows held in the city.

However, Mary believes the key to running a successful salon is ongoing education.

Staying true to her motto that; "Education is the key to every successful salon," she has completed training with Wella and Sebastian in New York, and several other companies including Framesi, Trucco Magico and L'Oreal. Indeed, she says she is always attending classes and seminars to learn the newest styles and

techniques, and specialises in colour correction, foil high-lighting and designer high-lights.

H2O has a number of offers for its clients including a referral programme where a client receives a discount on their next visit for referring a friend as a thank you from H2O. It also runs the H2O Club and Bridal Parties.

Chairman of the Good Salon Guide, Dawson Penn, said, "I am delighted that H2O Salon has succeeded in reaching the standards required to become a member of the Good Salon Guide. The Good Salon Guide is a signpost to the professional status of the hairdresser, and will ensure that clients can have confidence in their hairdresser."

H2O Salon is very flexible, and will stay open early or late to accommodate its clients.

Its other hours are: Mondays 10am - 8pm; Tuesdays 10am - 8pm; Wednesdays 9am - 8pm; Thursdays 9am - 9pm; Fridays 9am - 9pm; Saturdays 9am - 5.30pm

**MELLERAY NOTES**

**GAA NOTES:  
ROVERS GO DOWN TO ABBEYSIDE  
Glen Rovers 1-3,  
Abbeyside 2-9**

We opened our championship campaign on Friday evening last in Cappoquin, when we went down to a very strong Abbeyside team. In truth this game was lost in the first twenty minutes as our lads were very slow to settle into the game.

However when they did get going they held the opposition to just three points for the remainder of the game — we have a very young side and all showing great promise.

On Friday evening next we play Brickey Rangers in Touraneena at 7.30pm.

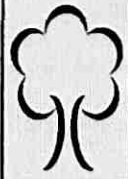

The game in Cappoquin was marked for five of our players when they returned to their cars to find that they had been burgled, a sad reflection of the world we live in today.

**SYMPATHY**

Sincere sympathy is extended to Mary McGrath and the Kiely family on the death of Mrs. Maeve Kiely; also to John Peppard and the family on the sudden death of their father Dermot Peppard.

# IN MEMORIAMS

**AHEARNE** — Second Anniversary — In loving memory of Helen Ahearne, Ballymartin, Glencairn who died on August 19, 2001. R.I.P. Anniversary Mass on Sunday 17th August at 11 a.m. in St. Carthage's Church, Lismore.

A bouquet of beautiful memories,  
 Sprayed with a million tears,  
 Wishing God could have spared you,  
 If just for a few more years,  
 It does not take a special day,  
 For me to think of you,  
 Each Mass I hear, each prayer I say,  
 Is offered up for you.  
 We cannot bring the old days back,  
 When we were all together,  
 The family chain is broken now,  
 But memories live forever,  
 May she rest in peace, dear Jesus,  
 In Thy heavenly home above,  
 With the Sacred Heart of Jesus,  
 In His own eternal love,  
 Along the road to yesterday,  
 That leads me straight to you,  
 Are memories of happy days,  
 Together we once knew,  
 A silent grief that's in our hearts,  
 No human eye can trace,  
 For many a broken heart is hid,  
 Beneath a smiling face.  
 (Never forgotten by her loving family at home and abroad).

**BURKE** — Tenth Anniversary — In loving memory of Gary Burke, late of 18 Silversprings and 15 Fitzgerald's Tce., Dungarvan who departed this life on August 16 1993. Anniversary Mass at 9 am on Sunday August 17 in the Friary Church.

The Angels sang amazing grace,  
 The Lord came down and touched your face,  
 Then he whispered soft and low,  
 Come with me Gary, it's time to go,  
 So sad is the heart that loves you,  
 Silent the tears that fall,  
 Living life without you Gary,  
 Is the hardest part of all,  
 So find the softest pillow Lord,  
 To rest his head upon,  
 Put a kiss upon his cheek,  
 And tell him who it's from,  
 Because no matter how my life changes,  
 Or whatever I may do,  
 I will never forget all those special years,  
 The ones I had with you.  
 (All my love always Gary, Ann XX).

If only I could meet you,  
 Just for a little while,  
 To tell you how much I miss you,  
 Just to see you smile,  
 To put my arms around you,  
 But this I cannot do,  
 So until we meet again,  
 May God take care of you.

 A little prayer to keep in touch,  
 With one we loved and miss so much.

(Always loved and remembered by husband Matt, mother and family).

 (Always remembered by your loving family at home and abroad).

**DUGGAN** — Fourth Anniversary — To a dear uncle Jeff Duggan, late of 18 Shandon St., Dungarvan, whose anniversary occurred on July 21st, 1999.

God came and stood beside your bed,  
 He took your hand and gently said,  
 You've suffered enough,  
 more than you can stand,  
 You'll come with me to a better land,  
 You had a smile for everyone,  
 You had a heart of gold,  
 You left the sweetest memories,  
 The world could ever hold.

A date that's filled with sadness,  
 Returns to us each year,  
 But the way you had to leave us,  
 Will always seem unfair,  
 We never knew that morning,  
 What sorrow the day would bring,  
 When our precious daughter was taken,  
 And we could not do a thing,  
 You had a smile for everyone,  
 You had a heart of gold,  
 You left the sweetest memories Jean,  
 That we will always hold,  
 To us you were so special,  
 So caring, kind and true,  
 You'll never be forgotten Jean,

 And we couldn't do a thing,  
 (Sadly missed by Granny Peg and family at home and away).

Anniversary Mass in St. Carthage's Church, Lismore on Friday 15th August at 11 o'clock.

My thoughts are always with you,  
Your place no one can fill,  
In life I loved you dearly,  
In death I love you still,  
Your resting place I visit,  
There I stand any pray,  
But no one knows the heartache,  
As I turn and walk away,  
If tears could build a stairway,  
And memories a lane,  
I'd walk my way to heaven,  
And bring you back again.  
(Always loved and never forgotten by your loving wife Eily).

**HICKEY** — Second Anniversary — In loving memory of my dear Dad, Michael, late of Deerpark Rd., Lismore who died on 14th August, 2001.

Whoever said that sorrow was healed by time,  
Could never have had a Dad like mine,  
These words are said with sad regret,  
From the heart of a daughter who will never forget,  
Wherever I go, whatever I do,  
I shall love and remember you.  
Beautiful memories are all I have left,  
Of a Dad, I loved and will never forget,  
A gentle smile, a heart of gold,  
No better Dad this world could hold,  
I miss you more than anyone knows,  
As the years have passed the emptiness grows,  
The tears in my eyes I can wipe away,  
But the ache in my heart will always stay,  
I miss you from your fireside chair,  
Your loving smile, your gentle air,  
Your vacant place no-one can fill,  
I miss you Dad, and always will.  
(Love you and never forget you, Dad, your loving daughter Catherine).

And send you all my love.

A day to remember, sad to recall,  
Without farewell you left us all,  
Your name is often mentioned,  
Our thoughts are with you still,  
You haven't been forgotten,  
What's more you never will,  
Time may pass and fade away,  
But silent thoughts and memories stay,

Or a day that passes,  
That your face is not in view.  
(Always remembered by your brother Tommy, sister-in-law Margaret and Micheál).

I miss you Dad,  
More than anyone knows,  
I hide the tears when I speak your name,  
But the pain in my heart,  
Will always remain.  
(Your fond daughter Margaret, son-in-law Tommy, grandson Micheál).

**KENNEFICK** — Sixth Anniversary — In loving memory of Michael Kennefick, Gortnapeeka, Ballyduff Upper, Co. Waterford who died on August 12th 1997. Masses offered.

**O'CALLAGHAN** — Twenty-eighth Anniversary — In loving memory of a loving son, Dermot, late of Carnagloss, Knockanore, who died on August 16, 1975. R.I.P.

There is no way you can console,  
Or heal a broken heart,  
Years of grief will take their toll,  
When loved ones have to part,  
You carry on but in the main,  
It's hard to bear the cross,  
And only those who share my pain,  
Can understand my loss.  
God must have known how much I'd hurt,  
The night he made us part,  
When he took away my lovely son,  
He surely broke my heart.  
You can't forget someone you love,  
As much as I love you,  
One special person, one special face,  
And in my heart a special place.  
(I'll miss and love you forever — Mam, sisters and brothers).

**O'CALLAGHAN** — Twenty-eighth Anniversary — In loving memory of my dear brother, Dermot, late of Carnagloss, Knockanore, who died on August 16, 1975. R.I.P.

The next time we meet you, Dermot,  
Will be at heaven's door,  
You'll be there to greet us,  
And we will cry no more.  
We'll put our arms around you,  
And kiss your beautiful face,  
And those broken heart of ours,  
Will fall back into place,  
So rest in peace, dear Dermot,  
And remember as you sleep,  
We have you in our hearts,  
And there you'll stay for keeps.  
(Remembered and loved always — Jean, Jim, Michael and Shane).

Things you have said,  
Things you have done,  
They bring a smile and often a tear,

All of us in our own little way,  
Have special thoughts of you both today.  
(With all our love, your granddaughter Caroline, Mick, Cait and Erin XX).

To your graveside I often wander,  
I can picture your face so clear,  
In silence I stand in sorrow,  
For a wife I loved so dear,  
The flowers I place upon it,  
Will wither and decay,  
But the love I buried with you,  
Will never fade away.  
When I am sad and lonely,  
And everything goes wrong,  
I seem to hear you whisper,  
Cheer up and carry on,  
We miss you sitting in your chair,  
We miss your smiling face,  
For there is no one in the world, Mother,  
Could ever take your place.  
(From your loving husband Larry, daughter Caroline, sons Bill, Michael, daughters-in-law Michelle and Kay, son-in-law Brian, grandchildren Michael, Kara, Kristian, Eoin, Caitlin, family and a large circle of friends).

Another year has passed,  
How quickly time goes,  
By my thoughts of you go on and on,  
And memories never die,  
For everyday that passes,  
I seem to find a way,  
To wonder back to meet you,  
On the road called yesterday.  
(From Dinny, Helen, Patrick and Anthony).

Sad are the hearts that loved you,  
Silent the tears that fall,  
But living our lives without you,

May the wind of love blow softly,  
And whisper for you to hear,

And wish that you were here.  
Will those who think of her today,  
A little prayer to Jesus say.  
(Always remembered by Donie and family.)

Is the hardest part of all,  
Forever in our thoughts,

## IN MEMORIAM

**HENLEY** — Twenty-second Anniversary — Loving remembrance today and always of Billy Henley, late of West Street, Tallow who died on 17th August 1981. R.I.P.

### PERHAPS

Perhaps if we could see,  
The splendour of the land,  
To which our loved are called,  
From you and me - we'd understand,  
Perhaps if we could hear,  
The welcome they receive,  
From old familiar voices,  
All so dear - we would not grieve,  
Perhaps if we could know,  
The reason why they went,  
We'd smile and wipe away,  
The tears that flow,  
We'd wait content.  
(Always remembered, never forgotten by your Mam, sisters and brothers).

## NOVENAS

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — C.D.

**ASK ST. CLARE** for three favours, one business, two impossible. — Say nine Hail Marys for nine nights with lighted candle. Pray whether you believe or not. Publish on ninth day. Powerful Novena: May the Sacred heart of Jesus be praised, adored, glorified and loved today and every day, throughout the whole world, forever. Amen. Say six times daily for nine days.

## Birthday Remembrances

**BARRY** — Birthday Remembrance of a dear husband, father and grandfather, Tom Barry, late of Bewley, Cappoquin, whose birthday occurs on 17th August, 2003. Memories we keep one by one,  
Things you have said, things you have done,  
They bring a smile and often a tear,  
But always a wish that you were here,  
Each of us in our own little way,  
Have special thoughts of you today.  
(Loved and remembered always by your loving wife Phil and family).

**LLOYD** — Birthday Remembrance of a dear friend Mari Lloyd (née Bulfin), late of Patrick's Crescent, Dungarvan, whose thirty-eighth birthday occurs on August 13.  
Missing you on this very special day,  
And thinking of you always.  
(Lots of love on your birthday — from Catherine and Brendan).

**KING** — Birthday Remembrance of our dear father James King, late of Ashtown, Kilmacthomas whose birthday occurs on 13th August.  
Nothing can dim the face we love,  
The memory of your smile,  
The countless things you did,  
To make our life's worthwhile,  
Missing in the morning of every day,  
Missing in the evening as night slips away,  
Missed in thousands and one little thing,  
Around every corner a memory clings,  
A father, a friend, a grandfather too,  
We all thought the world of you,  
Precious memory tears unseen,  
Wishing your absence was only a dream.  
(Sadly missed by your loving daughter Mary, grandchildren Jackie and Catherine, great grandchild Sophie XXX).

# Cunnigar Pitch And Putt Notes

## JUVENILES TAKE CUNNIGAR BY STORM

The Waterford Inter County juvenile team bridged a 20 year gap by winning the Munster Inter County Championships at Cunnigar last Sunday. They beat odds on favourites back by 1 shot to take the title in dramatic style. Waterford trailed Cork by 4 shots after the first round but fought their way back and took an early lead but didn't leave it slip as many a Waterford team has done so in the past, with great performances from local players and twin brothers Michael and David Buckley not forgetting Barry Hamilton and the two men from Tramore, Christopher Murray and Declan King. This was a great achievement on home soil when the pressure was on and we can only commend them on what a result they have achieved and what they can do in the future.

## NO LOTTO WINNER

No lotto winner last week and the jackpot now stands at 400e. Tickets from any committee member or call down to the clubhouse before 8:00pm on Tuesday evening.

## LADIES BACK IN ACTION

This Wednesday sees the ladies back in action so with the weather being so good, let's get out and play. Tee off 10:30am.

## CAPTAIN'S DAY

Next Sunday sees the Captain day prize so hopefully we'll see more members out this Sunday than we did last Sunday for the Inter County.

## DOUBTERS SITTING ON THE FENCE

As all members know the club can only be as good as the effort put in by the members, as the last couple of weeks showed, it's down to the same few members left to do the work. The members that came through our gates of the course and criticise what's done and what's not done without giving a hand themselves should hang their heads in shame. It's your course as well, when the going gets tough, the tough get the equipment out and give a hand, not shake their heads and walk out the gates as many of you did in the run up to the championship. As someone said after the Championship did you see the hurling game on Sunday Cork v Wexford. How could I, I was here supporting the club, ah well that's life, it was a great game. It's times like this you wonder why you put in the effort. The question I want to ask will you be there when things fall apart, I doubt it — P.R.O.

## COMERAGH CONTRACTORS

The club would like to thank Paul Curran of Comeragh Contractors for their help in our hour of need last week. With a couple of hours notice, Paul and his team were in action to do the job we failed to do. When work needs doing you have to call in the professionals and the job gets done. So if anyone out there needs this service I'm sure Paul will only be too happy to help out. Thanks Paul.

## JUVENILE SATURDAY AFTERNOON

This Saturday the juveniles are playing at 2:30pm instead of 11:30am, so tee off is now switched. Please take note.

## RED HOUSE LEAGUE

# New Season Upon Us Again

Well, it is that time of the year again, the kick off to the new season. The season is kicking off on Sunday, August 24th with the first rounds of The Tony Bolger Cup (kindly sponsored by the Dungarvan Leader). At the time of penning these notes it is not known how many teams will be competing. The 2nd round will take place with the 1st rounds of the Bolger Plate also taking place on Sunday 31st August. We are led to believe that many teams have already been playing challenge games and have also played in the many tournaments which are currently taking place.

When the league commences early October, we will be back to 24 teams again 3 divisions of eight teams. The league welcome back Glen View after a two year absence and they will compete in the 2nd Division of the Red House League. When that league is about to commence needless to say, the PRO will analyze each of the 24 teams and get the predictions off the 'experts'. All this another day.

### DELEGATE MEETING

The 1st delegate meeting of 2003/04 season will take place next Monday night, 18th August at the Red House, Lismore commencing at 9pm sharp. The draw for the 1st round of the Tony Bolger Cup (sponsored by Dungarvan Leader) will take place. It is very important that all clubs be present and each club must produce their insurance certificates otherwise without the certificate clubs will not be allowed play at home.

League Chairman Michael McBride has informed us that the committee have decided the Bolger Cup will commence on Sunday 24th August. With the Munster Junior Cup, FAI Junior Cup and Oscar Traynor Cup all down for 1st round competition in September, one can see it is going to be a busy start to the season. Again a reminder to clubs that application forms for both the Munster and FAI Junior cups must be with league secretary Michael O' Neill on Monday night next. Hopefully the wonderful weather we are experiencing at present will continue for a few more weeks.

See you all on Monday night next.

### SOCCER DATES FOR YOUR CLUB DIARY

FAI Junior Cup sponsored by Statoil - 21st September.

Oscar Traynor Cup 1st Round - 14th September.

Tony Bolger Cup sponsored by Dungarvan Leader - 1st round 23rd August.

Bolger Plate 1st round - 30th August.

### SUPER DRAW

Brochures and tickets are now with all the league clubs. Priced at 30e for 4 draws or 7.50e per draw, it is very good value when one looks at the prizes on offer. Ranging from a car, cruise, cash, weekends away, sporting trips to Cheltenham,

Grand Prix, premiership games, England v Ireland in Twickenham, televisions, computer package, washing machines and dishwasher and many, many more prizes of exceptional value it is a very worthwhile draw. So if your not in, you can't win.

### PRO FOR LEAGUE

It is hoped to announce at the 1st delegate meeting on Monday night next, a new PRO for the league. At present the league does not possess an official PRO since Liam and Paddy retired at the AGM. So hopefully we will be back with the official scribbler for the 1st series of the Tony Bolger games.

### BUSY OFF THE FIELD

While the kick off is still two weeks away the league committee have been busy behind the scenes. The Chairman of the Red House League Michael McBride has stated that the committee has never been very busy behind the scenes. For the committee it's been a very busy time as we got our Red House League draw ready, getting our new committee in order regarding who took what jobs, visiting our clubs pitches, meeting with our U18 Inter league manager as well as the Oscar Traynor cup managers stated McBride.

While we improved the notes going to the paper as well as including some photos of the club teams we also hope to up the profile of the league again next season. Clubs will be informed of this at our first delegate meeting added McBride.

The leagues top coach Ben

Mangan has also been very busy and no doubt Ben will play a big part in the league this season stated McBride.

It is now hoped that our U18 Inter League team will play Nottingham Forrest within the next two weeks. While another game versus the Oscar Traynor cup panel will also take place shortly stated McBride.

The Tony Bolger cup will kick start our league. These games begin on Sunday August 24th, so it's all hands on deck added McBride.

We are also hoping to have some club referees available this season so this will be a help to everyone for the season ahead. We are also setting up a finance committee for the season ahead as the league embarks on a fundraising programme added McBride.

This is important as we plan the future of the league which also includes ladies soccer. The league has big plans ahead but we need to have the structures in place first said McBride. I am happy that we are heading in the right direction and with everyone from schoolboys, junior and ladies going in the same direction then all our goals should come about concluded McBride.

### U18 INTER LEAGUE

Our U18 Inter League side hope to play Nottingham Forrest Academy during the first week in September as well as a game against the Red House league Oscar Traynor team. Dates of both games will be announced next week.

Ladies Soccer Report next week.

#### LAST WEEK

We were very fortunate to host the 'return' fixture between the local and Waterford council in a match in the Crystal pitch. Amidst warm and beautiful weather the ladies were 1st to take the pitch in a highly entertaining victory for the city outfit whilst the City men overcame a first leg deficit to claim victory over a gallant local team, a great night was had by all.

#### ROCK ROVERS TOURNAMENT

A Premier X1 took part in the now annual Rock Rovers tournament. Minus a number of regulars through holidays and other commitments, they took the field in an effort to shake off the cobwebs. It resulted in a 3-1 win over Kilsheelan, a good winning start for J.D. and Foggy.

#### GARY BURKE TOURNAMENT

This week sees the start of our own annual tournament in memory of Gary Burke who was a great servant to the club which will start with Dungarvan v Rock Rovers at 7pm on Tuesday, followed by Mooncoin v Abbeyside on Wednesday at 7pm. Final will take place Friday night at 7pm.

#### CLUB LOTTO

Each week the lotto begins to get that little bit bigger and it was no different last week when no winner was announced. So to get in on the act so try and win the jackpot of over 2,900e, you can contact J.D. O' Shea at 086 8255748 or Francis O' Brien on 087 7769125. It is great to see more members selling tickets to when the season kicks off we expect all players and officials alike to get a big push behind this venture. After all, it is for the strengthening of our club for the future.

#### ACADEMY TRAINING

By now parents should have realised that we have made the temporary switch to Monday for training so as not to clash with other activities and it seems to be working well as the amount attending is very impressive so it's not too late to come and join in the skills and fun if you are 8-10. Cost 1e.

#### SEAVIEW TICKETS

Will be soon available to be sold so anyone wishing to purchase one of these can contact a committee member. Again any sales of these tickets will result in a return of money to the club.

#### SPARE TIME

If you have a little time to spend helping out in anyway with our club for this year, it would be greatly appreciated. Already we hope to show the way forward with a strong committee and we hope people will begin to take not of all that we are trying to do. So why not come on board in some capacity, because as you know many hands make light work. If you are interested please contact 087 7769125.

#### ASTRO TURF

There are slots available at the moment for group or birthdays parties. You won't find any place more suitable around so why not contact Francis O' Brien on 087 7769125 for further information.

## Manchester United Supporters Club

### Opening Day versus Bolton

Some members are preparing to descend on Old Trafford this weekend for the opening match of the season. There is a surprise bonus for members on this trip and all will be revealed in Manchester.

### Blackburn Sold Out

Our full allocation for this fixture in Nov is full with many availing of committee advice securing return flights from Cork for as little as euro106 which certainly makes the trip do able. The added incentive of meeting Roy Keane also helped make up the minds of many.

### 10th Anniversary

This date has been set for Tuesday 28th Oct when a great occasion will take place. Our original guests are pencilled in our own John O'Shea and Rio Ferdinand along with a special guest yet to re-confirm. Anyone in possession of a ticket already will have it replaced in the coming weeks with the newly printed ones so watch these notes.

### Savings Scheme

This worth while scheme will be available at every general meeting and it's good to see members availing of it so frequently. Just remember it's a service provided by the club to off set the cost of trips.

### Best Wishes

Best of luck to all members of upcoming exam results.

## DUNGARVAN UNITED YOUTH NOTES

### Training

We will continue training on Monday nights at 7pm. due to lack of numbers for one reason or another we had to pass up a match with Clonmel Town. With several players on the premier panel for a tournament in Rock Rovers it made it hard to field a team.

### League Beginning

The league will start in the next few weeks and all players must have their membership of 25 euro paid before a ball is kicked. So be warned!

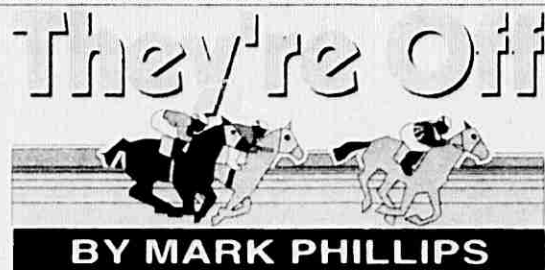

### Leaving Cert Results

We have several players waiting on their results this week so here's hoping you get the results you are expecting. Then back to some serious training

### Best Wishes

Speedy return to David Hickey and John O'Keeffe who are currently on the injured list. They will be vital players for us this season

# HORSE RACING SNIPPETS

## Twice A Winner

While it's not unusual to see a horse scoring twice in the one week at Tramore's racing festival only one horse managed this feat at the recent Galway Festival when the Tom Hogan trained Doonaree posted two impressive victories.

## Russian Rhythm To Continue

It appears likely that the Cheveley Park Stud owned and Sir Michael Stoute trained Russian Rhythm will remain in training in 2004. The filly ran out a narrow winner at the recent Glorious Goodwood fixture when she was boxed in on the rails before rider Kieran Fallon switched his mount to the outside before sweeping into the lead close home.

Friday — Tramore 5.15pm  
Saturday — Tramore 2.45pm

## Hawk Wing Doubt

The racing career of the Aidan O'Brien trained Hawk Wing may be over as the horse has not responded to treatment for an injury. A decision on his future is imminent but all the indications are that he will be retired to stud.

## GO RACING FROM TRAMORE

The TV 3 Go Racing programme which is presented by Brian Gleeson at 10.30 pm on Friday nights will come live from the Tramore races this Friday.

## Kieran Kelly Injured

Rider Kieran Kelly who is attached to the Dessie Hughes yard took a crashing fall from Balmy Native at Kilbeggan last Friday and he was taken to Tullamore General hospital with serious head injuries. The unfortunate Kieran was transferred to Beaumont hospital in Dublin where he is now on a life support machine.

## Leading Riders At Galway

Pat Smullen and Ruby Walsh ended up as the leading Flat and National Hunt riders at the recent Galway Festival

## Radio Coverage

If for one reason or another you are unable to make it along to this weeks festival of racing in Tramore WLR FM in association with the Star newspaper will broadcast live from the seaside venue on each of the four days.

## ON COURSE S.P. SHOP

In the past I criticised on course bookmakers in Tramore fleecing the punters when cutting the odds on horses running at away meetings well there is no excuse now for punters in Tramore as Harney Bookmakers are now on site with an S.P. Office.

## Tramore Weather Forecast

Thursday-Generally fine but breezy  
Friday -More Cloud expected  
Saturday and Sunday- Unsettled weather and temperatures will not be as high as recently.

## Jackpot Rollover For Tramore

The opening Thursday evening meeting of the Tramore Racing Festival will benefit from a jackpot rollover of just under Euros 5,000.

## Pearl Back in Training

Florida Pearl is back in training for yet another jumping campaign. While he failed to win a race last season the Willie Mullins yard was under a cloud and the trainer is of the opinion that the old horse deserves another crack at the top chasing events. Florida Pearl's initial outing could well be in the John Durkan Memorial Chase at Punchestown in December.

## Royal Ascot At York

With Ascot racecourse in London undergoing a major redevelopment program in 2005 the Royal Ascot meeting is transferring to York racecourse for that year.

## One Cool Cat Tops

The Aidan O'Brien stable bounced back to form at headquarters last Sunday when the yard sent out four winners. The progressive One Cool Kat showed that he is certainly going the right way lowering the colours of the easy Ascot winner Three Valleys. This is one colt that the Balydoyle yard can go to war with in 2004. Trainer O'Brien believes that last Sundays six furlong trip was on the sharp side and the Storm Cat colt will be even better over a mile next year.

Despite being short of full fitness High Chaparral got back on the winning trail in the Group Royal Whip Stakes.

## Tramore Going

I hope for their own sake Tramore racecourse are pumping copious gallons of water onto the track in advance of the four day festival. Their aim and that of the Turf Club should be to provide good going rather than firm going. No trainer can complain about good going but they will complain about firm going. The going was firm at Cork last Monday and one had only to look at the entries as only fifty three horses were declared to run in the seven advertised races.

## Busy Weekend

County Meath seven pound claimer Jimmy Ryan had a busy weekend. On Saturday afternoon he rode Kilnajar to victory at Downpatrick while on Sunday he packed his bags and made his way to England to start his new job on Monday with trainer Howard Johnson.

# St. Anne's Ladies Football And Camogie

On Thursday evening last in the Dungarvan GAA grounds the Senior Camogie final took place between St. Anne's and Lismore. The game was played in sweltering conditions. The score opened with St. Anne's Karen Kelly's point. This was the start that St Anne's were looking for and successive points by St. Anne's forward gave a comprehensive lead at half time.

The game was by no means over at this stage as Lismore piled on the pressure but our defence was excellent with Lorena Mooney, Rachael Ahearn and Sarai Flynn closing down Lismore on any attempt to score but for one occasion when a long ball from a free was miss-judged by our keeper Karen Barry and ended up in the net. Luckily enough that goal was counteracted earlier by Corner Forward Tracey Gallagher who rattled the net at the other end.

Our half back line was superb throughout the game, Tracy Hutchinson, Annette Raheer and Emma Wall made sure that any break Lismore hoped for was closed down and our two centre field players Charlotte Raheer and Caroline Ahearn were the aces to keep Lismore at bay as for our forward line picking off scores when the need arose. Our Full forward line Tracy Gallagher, Pauline Cunningham and Alison Power. Each and everyone of the girls had a superb game with the immense heat of the evening Kerry Dunphy substituted for Emma Wall and Niamh Barry came on for Alison Power. Each and everyone of the girls had a superb game with the immense heat of the evening Kerry Dunphy substituted for Emma Wall and Niamh Barry came on for Alison Power and the final substitute Jane Murphy came on for Mairead Murphy.

Final score in this great game was St. Anne's 1-16 Lismore 1-5.

Congratulations to the girls on a wonderful game.

Team list as follows Karen Barry, Rachael Ahearn, Lorena Mooney, Sarai Flynn, Emma Wall, Annette Raheer (capt) Tracey Hutchison, Charlotte Marie Raheer, Caroline Ahearn, Karen Kelly, Mairead Murphy, Julie Mai Keane, Tracey Gallagher, Pauline Cunningham, Alison Power, Kerry Dunphy, Niamh Barry, Jane Murphy, Gillian Moore and Niamh Kavanagh. Mentors Ger Mooney, Anthony Raheer, Brian and Breda Cunningham, First Aid Brendan Gallagher. Well done to referee Francie Londergan and his officials for a job well done and to the Lismore team who put up a gallant effort to take back the senior trophy. A special thank you to Glenmore and Mullinavat for the challenge matches and finally to our secretary Ann Marie Queally who has been at everyone's beck and call over the period of the league and championship matches. Well done to the girls on making this double for the club.

Thanks also to Mary Harney who provided food for the team on their return home after winning the game.

## CONGRATULATIONS

To Charlotte Marie Raheer who took up the number eight position on the under 16 Waterford team that won the All Ireland last weekend. Well done to Waterford on that great win.

Best wishes to all our girls awaiting results of their leaving cert this week.

# West Waterford U-8 And U-10 Football Tournaments

Congratulations and well done to all the young boys and girls who took part in the West Waterford u8 and u10 football tournaments recently.

We were all delighted with the success of the inaugural effort last year but I'm sure everyone will agree that this year's matches were of a higher standard. A noteworthy aspect was that there were many more points scored in the two age groups this year and that overall, the skills of the game are definitely improving.

Another feature was that a different team won the A final each night in the u10's i.e. St. Olivers, Killrossanty and Brickeys. The same happened

in the u8's with St. Olivers, Brickeys and Clashmore taking the maximum 6 points on offer.

Many thanks to Killrossanty, Brickeys and Ballinacourty who ran the u8 series and to Clashmore, St. Olivers and Cappoquin who ran the u10's. Many thanks also to the clubs and parents who provided the most welcome refreshments each night.

For the records, St. Olivers won the u8 by just 1 point from Clashmore and Brickeys with Ballinacourty just 1-point fur-

ther behind. Connie Walsh presented Shane Kenny, the captain of St. Olivers with "The Walsh Shield" after Ray Moloney, Ballinacourty, having thanked everyone, presented all the players with their medals for their efforts over the three nights.

In Cappoquin, James Devine, Chairperson, had the honour of presenting all the medals to the u10s while Connie Walsh deputising for Eamon O Mairtin (Bridie Dees) presented the shield to the Killrossanty captain, Conor Morrissey.

St. Olivers were second by just a half point from Ballinacourty who won the B Final on the three nights.

Brickeys finished fourth showing tremendous improvement over the three nights. They won the A final in the third night having contested in the C final in the first night.

Thanks again to everyone who helped out over the six nights and we must not forget the ever faithful referees and the groundsmen who do such wonderful work. We look forward to next year!

## SENIOR FOOTBALL LEAGUE

Last Thursday night 31st July we took on Tramore in our final match in this year's league. Needing a win to remain in Division two we took the game to our understrength opponents to run into an early six points lead thanks to a great goal by Anthony Kiely. But we fell asleep for the remainder of the half to allow the seaisider's back into the game and at the break we held a one-point margin. The second half started the same as the first with Ray scoring some good points to put us six points ahead again and like the first half we again nodded off and Tramore had us back level before we knew it. From there to the end it was nip and tuck and at the death Darren pointed to put us in front not before Tramore had a chance to level it but they missed a great chance and so we held on to record a 1-14 to 2-10 victory and so remain in Division two for next year's league.

The team: J Kiely, A Power, M Ahearn, Brendan Mooney, L Lannon, Brian Mooney, T Regan, M Hennessy 0-1, D Casey, N Hennessy 0-1, A Kiely 1-1, R Hennessy 0-5, P Torpey 0-1, D Power 0-1, A Lennon 0-3. Subs: S O'Regan 0-1, A Whelan.

Victory at a cost came when our outstanding midfielder Dermot Casey broke two bones in his cheek during the match following an accidental clash. We wish him a speedy recovery and hope to see him back in the green jersey before the end of the season. Also, "in the wars" is Paudie Torpey who dislocated his kneecap in a recent pubs league soccer match. Its hard luck on Paudie as he was making great progress on his year's team; and like Dermot he faces a lengthy rest.

# C.L.G. Cois Bhríde

## UNDER-16 HURLING

Cois Bhríde U16 hurlers played St. Olivers last Friday night in a very exciting game. St. Olivers had the better of the exchanges in the 1st half and were 8 points ahead at half time. In the second half however, Cois Bhríde improved and were the dominant side but were unfortunate narrowly missing some goal and point chances. With time ticking and the fog now descending on the pitch, Cois Bhríde kept the pressure on but could not get that vital goal and were just beaten by 2 points in the end.

## FOOTBALL

Cois Bhríde U14 footballers played Affane on Tuesday of this week in their 1st game and the U12 football v Ardmore is on this Friday night at home. Throw in 7:00pm.

the county also. John O'Leary, Chairman of the Development committee and PRO of Bord na nOg and Catherine Power did a review of the newsletter on WLR during the week and gave it high praise indeed. Well done to Cathoirleach and editor Liam O' Maolithe and runai Maureen Roche who put a lot of time and effort in to this publication. We hope to do another one later on in the year. ## JUNIOR HURLING

# Kilgobnet Overcome Gallant Brickeys

Kilgobnet (B) 4-8  
Brickeys (B) 3-5

Played on Friday evening last at the well appointed Abbey-side venue. Despite the best effort of fog and fading light both sides served an entertaining hours fare with Kilgobnet running out deserving winners. Brickeys had many fine young hurlers of view and argues well for the future of sliotar and camán with the black and amber. Paul McCarthy and Conor Phelan (tremendous scoring feat) secured for them with Kilgobnet's Thomas Fahy amassed a personal tally of 2-4. Others to catch the eye for the winners were Dermot O'Brien, Alan Fitzgerald while Eddie Cullinane (defender) gave a man of the match performance, surely will see action with Brian Dunford and company.

Tremendous spirit, hunger for victory saw Kilgobnet overcome a gallant Brickey side.

## PREPARATIONS FOR FORTHCOMING GAMES

## U13 HURLING

Last Wednesday at the Cappoquin venue, our U13 hurlers took part in the Division two final of the Fitzgerald cup. Our opponents on the night who were Cois Bhride. The early exchanges were close with both sides having chances, however as the half wore on we started to get on top and went in at half time leading by a couple of goals, we started the second half brightly taking some delightful scores. To Cois Bhride's credit they kept on fighting and never gave up but in the end we ran out comfortable winners. Afterwards Western Board Chairman Eddie O'Shea presented team captain Shane Kearney with the trophy. Overall this was an excellent

team performance. Well done to all involved.

Panel of players: Barry O' Halloran, Sam Keoghan, Philip Walsh, John Morrissey, Niamh McGrath, Mark Cummins, Aidan Walsh, Mark Shalloe, Shane Kearney, Colm Hayes, Philip Spratt, Christopher Murphy, Craig O' Connor, Gavin Flynn, James Murphy, Curtis McCarthy, Michael O' Donnell, George Cummins, Nigel Whelan, Conor Walsh, Ian Walsh.

This Friday evening we play Melleray in Touraneena in the 2nd round of Junior B hurling championship. All players be in Touraneena at 7pm.

# Fourmilewater Hurling Club Notes

## Junior Hurling

Fourmilewater junior hurlers got a walkover from Ballyduff Upper on Friday, August 1st. Word was slow filtering down to the team and the team were out on the field ready to play so someone got it wrong somewhere. It's hard enough to get twenty two players to the venue besides not actually playing a game. The team had a hard training session with no quarter given or asked. Captain Michael Wall was stretched all the way by young minor, Pat Flynn. The team also trained on Bank Holiday Monday. They won't be playing championship for another few weeks at least.

## Deise Draw

No luck this month. The August draw takes place in Carrick-on-Suir hosted by St. Mollerans club. Your support would be appreciated. Anyone who wishes to join can contact any committee member.

## Under Age Training

The under age training has gone very well over the summer months with the skill level of all the children improving as the weeks go by and the parents have started to get involved as well. Veteran coach, Pat Power, is showing off his coaching skills all year and has put in a lot of time.

## Under 16 Hurling

Our Under 16's were beaten by An Gaeltacht in Ring on Monday 4th August. The score was An Gaeltacht 2-17 Fourmilewater 4-3. We were short a few players due to holidays and we had only the bare team on the pitch but we are still very much in this competition.

## Senior Hurling

We play Ballyduff Lower in the Waterford Senior Hurling championship in Leamybrien on Saturday 16th next. Check local press to confirm the time. This should be a fiercely contested match because I know how much all the Fourmilewater players would like to win this one. Ballyduff have three players who were on the Waterford panel this year, namely Jack Kennedy, Niall Power and Pat Fitzgerald and are a very young, fit team. With the right commitment Fourmilewater can come good here in defence with the likes of the Walshs, Aidan Ryan and John Moore. Anthony O' Gorman has been a great addition this year at midfield. In the forward line David Ryan, Tom Flynn and Co. have the ability to get the scores to win this match and keep our club where it belongs, in the senior ranks. So here's wishing Mike Guiry and the team the best and please, we appeal to all our supporters to come along as a big following is vital for the team.

## Brian Jones

The club would like to offer its sympathy to the family of the late Mr. Brian Jones who, although not a member of our club, always contributed to our weekly lotto. He had a lot of friends in this club. One of nature's true gentlemen, Brian will be missed. 'See you mate'. May he rest in peace.

## Lotto

On Saturday, 2nd August there was no outright winner. There were five runner up prizes of 30e each. These were: Kit Fenton, Newtown; Margaret Brazil, Toureen; Eliza Fitzpatrick, Curtiswood; Eileen Mulcahy, Glasha; Mary Morrissey, Dungarvan.

## Minor Hurling

We were beaten by Brickeys on last Wednesday in Colligan by 2-6 to 2-5 but we are still very much in this championship.

## KNOCKANORE-GLENDINE-KILWATERMOY CEOLTEAS

Recently our youngest dancers travelled to Skibbereen to take part in the U11 competition. Although not successful they danced beautifully and looked very well in their new uniforms. Many thanks to Mary Casey for all her hard work in getting the uniforms made on time. Kegan O' Farrell from Cherrymount did his county proud when he came second in the Under 12 button accordion and he now goes on to represent Munster in the All Ireland which will be held in Clonmel at the end of the month. Our groupa cheoil gave a beautiful performance on stage but were up against very strong competition. Nevertheless they did their teachers proud. Music and dancing will resume again in September. New members are always welcome. The businesses that sponsored the new dancing uniforms are: Sean Walsh Drapery, East Cork Oil, Anne and James Tobin, Tom and Eileen Cody. Knockanore Community Council. Youghal Credit Union, Kearney's Restaurant, Keniry's Supermarket, Bart O' Donoghue Butcher, Brendan Lucey Flooring, Brideview United, John Daly Coach Hire, AIB Tallow.

G.A.A. NOTES

BY "COMMENTATOR"

# CHAMPIONSHIPS RESUME

After a record long delay a hectic week of senior championship activity will see a total of eighteen clubs in action over the next few days.

Such is the packed programme of matches that it will not be possible to attend all games, so supporters and patrons with an interest in their progress will be left with having to make a choice.

The programme marks the start of the senior hurling championships and a continua-

tion of the football championships and because of the time that is in it and the interest in finding hurling talent, there is that bit more interest in the hurling ties listed.

Because of the huge interest in the intercounty scene, the interest at local or club level has remarkably diminished so I doubt if big crowds will be the order of the day at all the fixtures.

**SENIOR HURLING**

All twelve teams will be in

action over a two day period and with the losers in all six cases going into the losers section, there won't be mighty pressure on clubs at this stage.

Also with the top three contenders not meeting each other there is unlikely to be extraordinary interest in the overall results;

**Ballygunner v Roanmore At Walsh Park**

If Roanmore won this opening tie it would certainly be de-

scribed as a major upset but I cannot imagine it happening because the challengers do not have the 'quality' hurlers to mount a serious test for the 'Gunners who will have Paul Flynn, Fergal Hartley, Stephen Frampton Andy Moloney, the Sullivan brothers Darragh and Billy, etc. etc. to help them to a successful first round victory here on Sunday evening.

**Mount Sion V Ardmore At Cappoquin**

This game has been changed to Sunday from Friday and will be played at Cappoquin as part of a double header involving Tallow and De La Salle

Mount Sion, the reigning Munster and county club champions should prove far too strong for the new intermediate county hurling champions Ardmore and while the challengers will go full out and will impress, they cannot, at this stage be expected to record a shock result.

Players like Tony Browne, Ken and Eoin McGrath, Eoin Kelly will be trying to get the Wexford game out of their minds and with Michael White, Roy McGrath, Brian Flannery and others also trying to impress, the champions are unlikely to let their titles show any signs of tottering at this early stage.

Led by Seamus and Declan Prendergast, the Western team will battle all the way and will certainly let Mount Sion know that they are in a championship contest.

**Tallow v De La Salle**

This is listed as the second match in Cappoquin on Sunday and could turn out to be one of the better contests of the open-

ing rounds.

Not a lot between them by way of standards but in the matter of skill, Tallow may have the edge. James Murray, Paul and David O'Brien, the Henleys, etc. should enable the Brideside club to survive here against the John Mullane led city challengers.

**Ballyduff v Stradbally At Ardmore**

Ballyduff will be favourites and will be fancied to win here and while I would not put all my chips on the far western club, I will be surprised if Stradbally overcome them. The men from the Cove did create a few scares in the senior hurling championship over the past three years, but at full strength Ballyduff led by county full-back Tom Feeney, the Molumphy Brothers, Mossy Casey, John Twomey and company should be good enough to advance.

**Fourmilewater v Ballyduff East**

This is a fixture for the Leamybrien venue where it will be the opening match on a double header programme on Saturday evening.

This hurling tie is certainly not an easy one to call and at the end of the match, there will be very little between them.

The Eastern team have been quite impressive since winning the county intermediate championship three years ago and might even be favourites on this occasion.

**S.F.C. Ballinacourty v Kill**

This is the second match on the Leamybrien programme on Saturday evening. They clashed two years ago at the same stage and at the same venue when Ballinacourty won by a very big margin after a second half collapse by Kill.

Standards appear to be more even now and as indicated by the performances of each in their respective championship first round matches. Kill scored a five points ( 2-12 to 0-13 ) victory over Dungarvan at Leamybrien while on the same weekend, Ballinacourty struggled to beat Clashmore by 4 points ( 1-7 to 0-6 ) at Cappoquin.

There is a place in the county semi-final for the winners here and with this offer and in the minds of both sides, it should be a hard fought contest. Controlling Ray Hennessey who was caught in devastating form against Dungarvan, will be a problem for Ballinacourty who will probably start favourites.

**S.H.C.**

**Lismore v Portlaw At Colligan**

The splendid Colligan venue will host its' first senior hurling championship game when the above sides meet on Saturday evening at 7-30 p.m.

With Lismore spearheaded by Dan Shanahan, Dave and Eoin Bennett, Brendan Landers, James O'Connor, Mark O'Sullivan and company, they should remain on course in the winners section. They are one of the big three contenders for the county championship title and a defeat at this stage would be regarded as a major shock.

**S.F.C.**

**Rathgormack v Sarsfields**

Rathgormack are one of the strong challengers for the championship and among the fancied teams to emerge from the losers section.

It will be quite a surprise if there is an upset here in Stradbally on Saturday evening.

In the opening round of the football championship, Rathgormack were surprised by St. Saviours who gave a splendid performance and deservedly defeated the favourites on a score of 0-8 to 0-6.

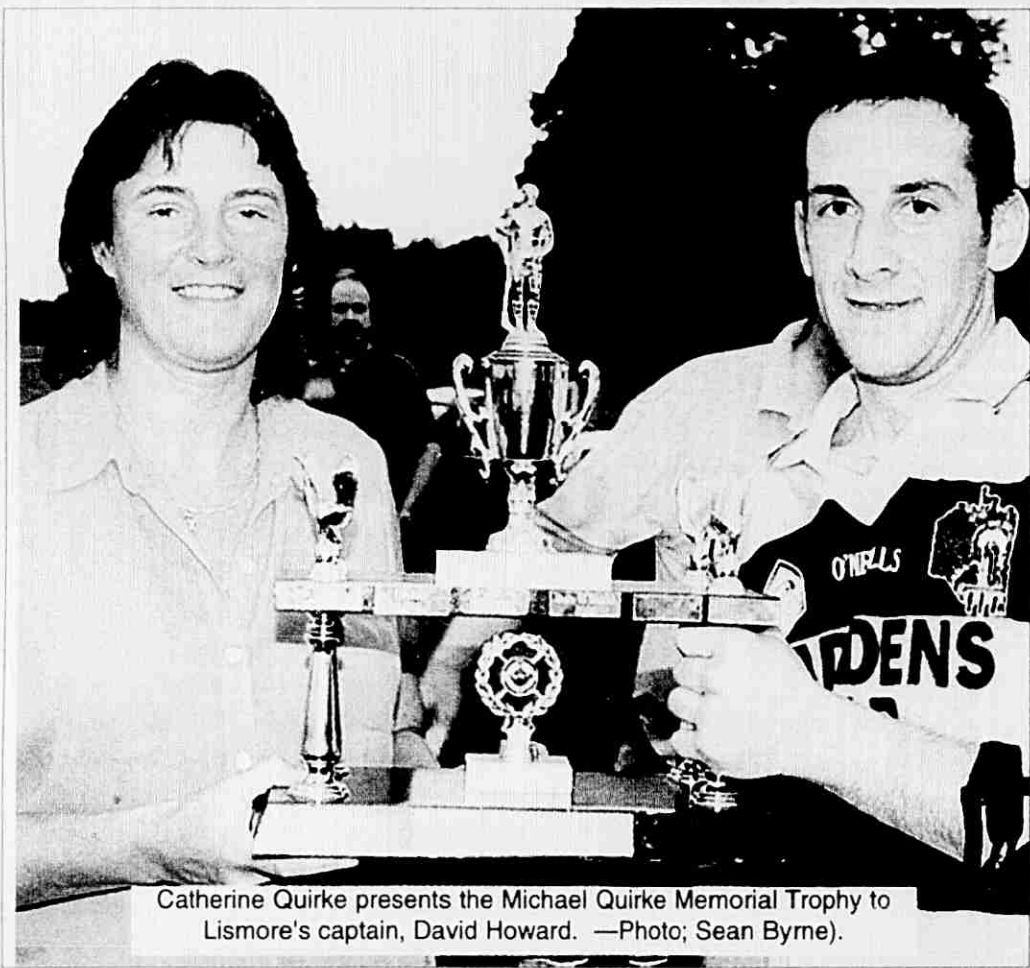

On the same weekend, Sarsfield group team ( Geraldines and Ballinameela ) played well but not well enough to defeat Tramore who eventually came off winners on a 1-13 to 0-8 scoreline.

**S.F.C.**

**Tramore v St. Saviours At Walsh Park**

With each of these sides having scored impressive first round victories and both very determined to build on their success, this is a hard one to call.

Standards are more or less even in the camps and it looks to be the type of match that could end in a draw. If there's an outright result, it just could favour Tramore..

## Intermediate Football

**LISMORE 2-8 BALLYDUFF 0-9**

With both clubs having a strong interest in the senior hurling championships, it was thought that the clubs would have little interest in the football championship tie.

But just the same both clubs did take the game seriously and it turned out to be a good contest with Lismore's two goals making the difference.

Ballyduff will now go to the losers group and Lismore will remain in the winners section.

**AFFANE 1-12 SLIAB GCUA 1-5**

Affane won this game deservedly and played some very nice football. Over the hour they were the better team and the confidence gained here will be a help in their next game.

Sliab gCua, who are also strongly in contention for the intermediate hurling championship ( as are Cappoquin ) did miss some good scoring chances but conceded that they were defeated by a better side.

# U-21 Footballers Take On Cork

Following the drawn game between Cork and Wexford on Sunday, there followed speculation that because have a couple of senior hurlers on their under 21 team, that the game fixed for this evening in Walsh Park, would once again be postponed.

Cork were in contact on Sunday night with a view to have the match put back, but the Waterford county board officers were adamant that the semi-final would go ahead as planned. It was fixed for a date three weeks ago, but after Cork requested Munster Council to postpone it, the game was deferred for a fortnight and Waterford were not consulted.

If the game is further postponed it will upset our selection committee plans and cause disruption of our club championships at county and divisional level.

The Waterford officers are to

be congratulated on taking the stance referred to above.

Waterford selectors have named their team for this evening and the line out shows a number of switches and just

two changes in personnel.

Goalkeeper David Hickey is replaced by Anthony Power in goal and Eamon Walsh is on at wing back and replaces Adam O'Loughlin.

## Exciting Underage Games At Abbeyside Club Grounds

## NEW TEAM MANAGER?

Although there is county wide interest in the appointment, I understand that there is unlikely to be any 'white smoke' for at least a couple of weeks. The Irish Examiner carried a news item last week that well known Mount Sion trainer Jim Greene had 'thrown his hat into the ring' and that the former minor county team manager is very anxious to be put in charge.

The decision of the board at their last meeting (which in hindsight now might have been seen to be a bit premature) would seem to rule him out.

As one very astute observer said to me a few days ago, 'what if no outside manager can be found willing to serve, what then.'

A very good point indeed.. Justin McCarthy is being well mentioned, if interested and the name of the 'ruthless' man from Clare is also on the lips of a few people I have heard nothing about dark horses being in the ring, but who knows but that the special sub committee won't come up with a surprise when the board meets in September.

It will be interesting too, to hear of the conditions that will need to be agreed to by the appointee.

## Kilkenny v. Tipperary

Judging by the huge interest in the game and the number of people who have been in search of stand tickets for this match in Croke Park on Sunday next, it must be the most high profile semi-final in a very long number of years.

Their meeting in last year's semi-final of the championship and again this year in the league final has certainly helped to build up this clash as a hurling classic not to be missed

## Cork And Wexford Draw

Supporters who watched the thrilling draw between Cork and Wexford on telly on Sunday, will no doubt keep on wondering how we would have fared against Wexford if we had beaten Cork. The game showed very contrasting styles of hurling and while I thought that Cork were the more skilful team, a draw as a fair result and will bring another huge crowd to Croke Park for the replay on Saturday.

## No Co. Board Meeting

As already reported, there will be no meeting of the county board in August because of holidays.

It was stated at the last regular meeting of the board, that the September meeting might be brought forward if the recommendations of the special 'task force' who are looking into the appointment of a hurling team manager, were ready, but now I understand that that seems unlikely and that the next gathering of delegates will take place, probably on the first day of September or on the 8th.

This will be the most important meeting of the present county board and with very important matters listed for decision, every club will need to be represented.

Such matters as the appointment of a county hurling team manager, the decision in relation to the Strategic Review Report, the election of a candidate for the position of Munster vice/chairman and the discussion on the state of finance in the county are all items on the agenda.

## St. Pats Best In Splendid Contest

**St. Patricks 2-13**  
**Dungarvan Gaels 1-11**

For a game that really did not matter as the contenders are out of contention, this was a splendid contest and played with commendable earnestness by both teams.

The five points gap in the scoring was certainly not reflected in the game over all.

# Kilgobnet Edge Out Geraldines In Thriller

IFC - Kilgobnet 0-11 Geraldines 1-7

Sunday evening's fare served up a thriller in the losers group at Cappoquin before a large crowd.

Each had suffered defeat in their first round ties so the game had all the cut and thrust of real championship fare. Overall Kilgobnet just about deserved the verdict, although the Aglishmen will rue the many chances missed, some were of the gilt edge variety and on two occasions the woodwork saved Kilgobnet mens blushes.

A splendid goal from Keelan Radley and a point from Kieran Cotter opened the scoring for Geraldines, but points from Kevin Walsh, Mark Radley, Ray Lynch and Paul Radley saw Kilgobnet draw level.

Midway through, Kilgobnet

lost Kevin Walsh with a leg injury and with his departure the green and white outfit seemed to lose their way.

A Kieran Cotter point just before halftime saw Geraldines draw level 1-2 to 0-5. Geraldines certainly should have led at this stage as 4 very kickable point opportunities were squandered. A brace of points by Kilgobnet's Michael Flynn saw them take the lead that they never surrendered.

Points from D. Cullinane and Mark Radley saw little difference between the teams. Good work by Peter Lynch set up Thomas O'Brien (K) for a well taken point. A Gary Ronayne point reduced the deficit. The reappearance of Kevin Walsh who had been stretchered off in the first half was a major tonic

for Kilgobnet. Kevin scored from a close in free and Brendan Lynch also drew a white flag. Two points from Donnacha Tobin for Geraldines brought scoring to a close.

Superior fitness and the ability to take scores won the day for Noel Costello's changes and certainly they will grow in confidence from this success and will be no push over in the concluding stages. Chris Lyons was man of the match and others to shine for Kilgobnet were Vinny Lynch, Brian Dunford, Thomas O'Brien and John Byrne who had made a very welcome appearance and Mark Radley.

Geraldines were best served by Kieran Cotter, David Cullinane, Donnacha Tobin Keelan Radley, Pat and Ger Donovan and Johnnie H Mealy.

Interestingly the Radleys were on both teams, Keelan for Geraldines and brothers Mark and Paul for Kilgobnet:

Kilgobnet — J. White, C. Lyons, T. O'Brien, V. Lynch, P. Lynch, B. Dunford, J. Byrne, M. Radley, D. O'Brien, B. Lynch, K. Walsh, M. Flynn, P. Radley, M. Dwane, R. Lynch; Subs. N. Hammond and A. Fitzgerald.

Geraldines — P. Donovan, V. O'Brien, G. Ronayne, J. Tobin, J. Mealy, E. Mernin, N. Ahearne, K. Cotter, D. Cullinane, A. Cullen, M. Murray, G. O'Donovan, E. Hallahan, D. Tobin, K. Radley.

Referee: Tommy O'Sullivan. It was nice to see Maurice Condon and Jim Landers assist on the line and all umpires from neutral clubs.

## Tallow Win Division 2 S.H. League

Tallow 0-11 Ballygunner 0-6

Tallow fielding their first team did not find it all that easy to overcome Ballygunner's second string team in a very enjoyable and entertaining game at Stradbally on Sunday evening.

The game was enjoyable but hardly very meaningful from a championship point of view.

Tallow, as expected were deserving winners.

## JUNIOR B HURLING

We began the defence of our Western Title on Friday evening last in the well-appointed Cappoquin venue. In last weeks notes we promised you that you would be sure to see some former greats in action, but on the night it would be fair to say that we exceeded all expectations on this front! We had four players making their championship debuts for the adult club on the night, namely Stephen Power, Brian Scanlan, Cian Maloney and a young Galway man who was born about the time we entered the United Nations. The game turned out to be an exciting game of hurling and we must commend Glen Rovers for the sporting manner in which they played. At the end we emerged victorious on a score of 2:08 to 1:06.

Team: B. Scanlan, S. Shields, C. Shields, S. Power, S. Cleary, A. Murray, S. Byrne, T. Cashin, P. Phelan, CL. Maloney, M. Murray, E. Enright, M. Browne, P. Hurney Jnr, P. Hurney Snr. Sub: P. O'Brien for P. Hurney Snr.

This Friday we take on Kilgobnet in Leamybrien at 7:30. Last Friday's game was special in that we had a father and son combination in action. We are not fully sure when this last happened in the club but a number of reports suggest that a current U16 selector may have lined out with his son a number of years ago. Any concrete news can be passed on to yours truly.

## MINOR HURLING AND FOOTBALL

We have qualified for the Western Minor hurling final where our opponents will be Lismore. No date has been fixed yet for this game. We played our final football game last night (Tuesday) versus Ardmore and victory here would qualify us for the divisional semi-final. Full report next week.

## UNDER-16 HURLING

Our county semi-final verses Mt. Sion goes ahead on Sunday morning at 11:30, with the venue yet to be announced. When we clashed in the league there was nothing between the teams as they drew in our club grounds. Therefore a tough game is to be expected so all support would be greatly appreciated.

## CLUB COMMITTEE MEETING

All members of both the adult and juvenile committees are reminded that a very important meeting goes ahead on this Thursday night at 8:45 in the club grounds.

## UNDER-12 FOOTBALL

Last Friday we played Kilrossanty in our club grounds in our second game. On the night we were short a number of players due to holidays, nonetheless the team gave a great account of themselves losing by the narrowest of margins 2:05 to 1:07.

This Friday we travel to Bushy Park to take on the Brickeys at 7pm.

## UNDER-14 FOOTBALL

This group of players began their championship campaign on Monday night, full report next week. On Monday the 18th we travel to the Mill Field to take on the Nire at 7.30pm.

## SENIOR FOOTBALL

We play Kill in Leamybrien at 7:45 on Saturday in the second round of the championship.

## UNDER-21 FOOTBALL

Best Wishes to John Hurney who is selected to play on the Waterford team that take on Cork this Wednesday night in Walsh Park.

## U12 FOOTBALL CHAMPIONSHIP

Our U-12 footballers were defeated by Clashmore in the first round of the championship last Friday evening in Clashmore GAA grounds. The boys were playing their first competitive game and they acquitted themselves very well against an accomplished Clashmore team.

Our U-12 footballers played Lismore on Tuesday evening in the club grounds (full report next week). Training for our U12 footballers continues

every Tuesday and Thursday evening at 7pm.

Our panel in Clashmore was Darren Duggan, David Houlihan, Jimmy Harty, John Daly, Richard Walsh, Luke Egan, Sean Ryan, Colm Curran, Michael Byrne, Eoin Healy, Kenneth Moore, Craig Flynn, Eric Duggan, Michael McGrath, Shaun Crotty, Jamie Coward.

## U-12 HURLING- NA PIARSAIGH TOURNAMENT 2003

Our U-12 hurlers travel to Cork next Saturday morning.

16th August to play in the Na Piarasigh U-12 Hurling Tournament.

Na Piarasigh are one of the top clubs in cork with excellent facilities including a state of the art indoor playing arena-one of the finest in Ireland. Cork hurlers, Sean Og and Senta O'Hailpin and John Gardiner all play for the Na Piarasigh club. Our U-12 hurlers are looking forward to taking part in the tournament. Transport will leave St Joseph's Primary School at 10.15am on Saturday morning.

## U-14 FOOTBALL CHAMPIONSHIP

Our U-14 footballers played Clashmore in the first round of the u-14 Football Championship on Monday evening last in Clashmore (full report next week)

## MINOR HURLING

The result of our minor hurling game was of academic interest. However despite playing against a number of disadvantages our team played with courage and spirit and ended up five points adrift at the final whistle. Full time score St Pats 2-13, Dungarvan Gaels 1-11.

Corner back Darren Hamilton received a shoulder injury early in the game and was forced to leave the field of play. We wish Darren a speedy recovery to full health.

Team-Jamie Hallahan, Darren Hamilton, John Paul Tutty, John Cass, John Byrne, Michael Kirwan, Conor Hayes, Jamie Nagle, Brian Bannon, Wayne Flynn, Dale Power, Jonathan Regan, Stephen Rahe, Emmett Mullally.

## MINOR FOOTBALL

We take on Kilrossanty in minor football on Friday next at 7.30 at Clogherane.

## CONGRATULATIONS

Heartiest congrats from everyone in the club to

Michael and Maura Curran, Western Bay who celebrated their ruby wedding anniversary last weekend.

Michael and Maura certainly need no introduction to anyone interested in the affairs of the GAA in Dungarvan as the Curran name is inextricably linked to the Club, and they certainly celebrated in style last Saturday night surrounded by their family and many friends. Here's to many more years of wedded bliss!

## MICHAEL TOBIN

Our sincerest congratulations this week also go to Michael Tobin, Chief Executive of the National Roads Authority, on being accorded a civic reception last weekend by Dungarvan Town Council. Michael, who hails from Caseyville, starred on many an occasion for Dungarvan and he certainly wore the blue and white with distinction. One series of games which were recalled on Friday night last, was the 3 epic encounters played between Dungarvan and Abbeyside in the 1964 Western Minor Hurling Championship, where Michael starred at midfield for the Old Boro'. Many of Michael's friends and former teammates attended on Friday night last and our club was officially represented by our Chairman, Paddy Fitzgerald. Michael is still very much involved with the GAA in Dublin and we are all delighted to see Michael being honoured in his native town, having attained such high office in his chosen career.

## CONDOLENCES

From everyone in the club we wish to convey our deepest sympathies to Henry O'Keefe and his family following the recent death of Henry's nephew in co. Clare. Ar dheis de go raibh a hAnam.

# Countdown To Blackwater Homes National Half Marathon

## SUNDAY, AUGUST 31ST

With an expected entry of over 60 local athletes alone, the upcoming Blackwater Homes National half marathon on Sunday August 31st, is an ideal opportunity for our club to put its best foot forward and to show our current active high membership by wearing our white and blue West Waterford singlet on the day. For those yet to obtain one, they are available at Ger Wyley sports or from some of our retired runners such as Michael Hennessey, Derek Lyons, Seamus De Faoite, or even Don Sheil just to name a few, so remember washed and ironed and looking your best!

### PACE IT DON'T RACE IT TRAINING TIPS FOR DISTANCE RUNNERS USE THE HEAD AS WELL AS THE LEGS

There has to be time for the body to recover from a days training and time for the training effect to set in.

After a hard workout, long run or a race there are micro tears in the muscle that need time to repair, after a hard effort the pH of the blood goes from its normal alkaline range of about 7.3 pH into the acid range of less than 7 pH. Time is required for the blood and muscle to return to the alkaline range where the athlete performs best, also time is required for the glycogen stores to be replaced.

Therefore an easy day should generally follow the hard day to allow time for all this recharging, remember the easy day is just as important as the hard day.

Remember from the 8 mile mark on in the Ballycotton ten some year and you were beginning to feel the pinch, well add 3.1 miles more onto the Ballycotton ten and you have run the half marathon.

In other words, the advice is pace the distance-don't race it and you'll enjoy the whole occasion all the more.

Over the next few days select a reasonable finishing time for yourself which you believe, due to your training that you are capable of achievement. Divide this time into equal mile splits, write them on your hand on the morning of the race and stick to them religiously and avoid the early race temptation to leg it over the first half of the race.

In the latter part of the race if you are feeling good, by all

means give it a lash down Gar-ranbane hill (11 miles approx) and the straight after Clonea Cross down to the finishing line at Scoil Gharbhain, We want to get you there in reasonable condition so use the head as well as the legs o.k.

The following are mistakes in training often with drastic consequences.

Following a race by a long run the next day gives severely sore muscles.

Two hard training days closely together is an invitation for injury, beware especially if there is a current threat of injury, it often takes one or two days later for the injury to reveal itself.

Doing your friend's workout or running pace rather than your own often leads to trouble-too much, too soon, too hard, stick to your own schedule.

N.B. Rest the day before as well as the day after long runs, speedwork, and races. Famous saying "the calendar to success is dotted with too many tempting days off"

### WALK THE WALK

The numbers of walkers taking on the 13.1 mile course is growing by the week and there's room for more of you. Many of the walkers taking part so far are motivated by their various charity fundraising efforts and fair play to each and every one of you for putting in the training and for helping some very worthy

cause which will benefit greatly from your commitment.

If you want to join the walker's category on the day contact any walker or member of the club and they will put you in the know. The walk starts at 10 a.m. Sunday August 31st, register at St Augustines College at 9 a.m.

### POST RACE GET TOGETHER AT MINNIES

GER WYLEY/NIKE SUMMER SERIES  
RACE NO 10: ARDMORE 5

## Final Race To Draw Big Field

The final race in this years series is down for decision on Friday night next when the Paddy Macs Bar sponsored Ardmore 5 will be held around the village starting at 7.30 p.m. This is the 8th running of this race and it always attracts big numbers to what should be a fitting finale to our series for 2003. Michael Hennessey (our man in Ardmore) is looking after the course, and would be glad to hear from anyone in the area who might be available for stewarding on the night. This year's race will have a certain sadness about it as a short few months ago we lost one of the original committee members behind the setting up of this event Noel Flaherty. Noel did a tremendous amount of work for his beloved Ardmore and was deeply involved in all that was good in the locality. A memorial cup in memory of Noel has been presented to the race committee in Ardmore and it has been decided to present it to the first female finisher of the race each year. A minute's silence will be observed before the start of the race in memory of Noel.

### VERONICA RYAN MEMORIAL CUP

The Veronica Ryan Memorial Cup which is kindly sponsored by the Ryan family, will be keenly contested for again this year by the top athletes, all who would keenly like to have their name inscribed on this beautiful cup alongside the names of the previous winners many who would be regarded as the country's top road racers. The categories for the race itself are first 3 men and women and first man and first woman in each of the twelve Zodiac signs, declare your sign when you entering the race, entry fee 6 Euro with the one prize per athlete rule applying to this race. By kind permission we once again will have the use of the Ardmore G.A.A. club house for changing and showering and registration, and don't forget the club photo of all club members who will be participating in the upcoming Blackwater homes national half marathon will be taken at 7.00 p.m. the G.A.A. grounds also (don't forget to wear your club singlet please). The presentation of prizes will take place in the sponsors premises Paddy Macs Bar in the Village. (See League Tables on Page 44)

## 10,000 Metre Title For Jamie

On day one of the Woodies D.I.Y. sponsored national championships in Morton stadium, Santry, West Waterfords Jamie Costin who has already qualified for both the world championships in Paris and the Athens Olympics in the 50km Walk won his second track title over 10,000m pretty much at his ease in a time of 42.29.53 from National Junior Record holder Colin Griffin from Ballinamore. Having spent the past 4 weeks training at high altitude in the Pyrenees in France Jamie was unsure of what to expect having logged over 100 miles a week for the last number of weeks. "I'm absolutely delighted with that win," said the 26-year-old afterwards. "To win a National title is one of the highest accolades an athlete can achieve and you never tire of it. I've been out of the country training for over four months this year and its great to come back to Santry and win the title in front of my family and friends". Well done to Jamie he is now in great shape going into the world's in Paris in two weeks time.

## John McGrath Manager For Youth Olympics

In the aftermath of Ireland's successful hosting of the Special Olympics it is easy to forget that many other Olympic events are happening this summer. The European Youth Olympics commenced in Paris on the 28th July last. These biannual Olympics are the most significant event for young athletes in Europe this year. This very important sporting occasion shines a spotlight on youth sports. A massive effort went into organising this international event with participation from 2,900 competitors, 48 countries, 700 volunteers and 2,500 contracted workers.

The preparations for Irelands involvement in this event have been in operation since January, when a training camp was held in Limerick. In May trials took place at which the cream of Irish youth athletics were selected to represent their country in France. The twenty Irish athletes competed in a wide range of sports including athletics, swimming, cycling, judo, gymnastics, and table tennis and for the first time a ladies soccer team.

Along with the dedication and talent of these athletes, it is the coaching and club structures that allow these young people to reach such a high standard. Friday 18th July the EYO committee in Ireland organised a pre-games launch. This was basically a get togeth-

er for all the athletes and the rest of the team, at which security was discussed and photos taken. In total a hundred individuals traveled to the Olympics on the 25th July. Tom Rafter, the Irish Chef de Mission and his Assistant Chef de Mission Billy Kennedy, who hails from Carrick-on-Suir, were working hard to insure everything and everyone was organised and co-ordinated. Managers, coaches, doctors, physiotherapists were also accompanying the twenty athletes to the competition. The main concern of this support team was to look after the athletes and make proceedings as easy as possible for them. The Irish competitors had to adjust quickly to the heat of the Parisian summer, with temperatures at 32°.

Among those involved in the Irish team was John McGrath from Cappoquin and Dermot Keyes, sports reporter for The Munster Express. Dermot and John are both members of West Waterford A.C. Dermot has been selected by Athletics Ireland to report on the Irish progress at these Olympics and John McGrath traveled as a team manager to Paris. After being involved in juvenile sport for the past twenty years, John was certainly up to the job. During the last eight years he has been a member of the National Juvenile Executive and has been on the Munster

Cross-country Committee for four years. Presently John is also vice-chairman of West Waterford Athletic Club. Before this he was also involved with the Cappoquin/Ballinacoola club. His last international trip was to Poland for the World Championships.

Well done to John and to the Irish team who performed so well in these Olympics.

## SHANE AND LIAM PERFORM WELL

West Waterford had two other athletes in action on Saturday at the Nationals. Shane Scanlon performed well in the Hammer to take 6th place out of 13 competitors throwing a distance of 48.47. good to see Shane competing at this level again. Liam Houlihan competed in the Pole vault and was just outside the medals finishing in 4th spot, Liam's best jump was 3.90.

## SYMPATHY

Sincere sympathy is extended to Seamus Gilligan and family Cappoquin on the recent death of his mother in Laois.

## Lismore Win Michael Quirke Memorial Trophy

Lismore had a 3 point victory over East Cork side Bride Rovers in the final of the Michael Quirke Memorial Trophy 8 team hurling tournament at Ballyduff on the score of 3-12 to 2-12. The winners had a slender one point 2-4 to 1-6 half time lead in the final played on the August Bank Holiday Monday evening in front of a very large attendance. In a rip roaring second period never more than a goal separated the sides until the closing minutes when Lismore edged four in front but Bride Rovers again cut the deficit to three in a nailbiting finish.

After the game Catherine Quirke presented the trophy to the victorious Lismore captain David Howard and suitable momentous to the victorious team members.

A presentation was made to match referee John Michael Kelly by Kieran Quirke on behalf of the organising committee.

The tournament organised by the Ballyduff Adult GAA club was an outstanding success. The teams who took part were Cappawhite, Roanmore, Talow, Ballyduff, Bride Rovers, Knocknaciry (Limerick), Ballinhassig and Lismore.

## DUNGARVAN BOXING NEWS

Dungarvan boxing club are going north this week-end as guests of the sacred Heart boxing club Newry, the show is on Friday night the 15th Jeremy O'Mahony has a rematch against Frankie Davis from Philadelphia, Jeremy beat Davis in America on the 5th of June which created a bit of a stir as Davis was strongly fancied by the home supporters so no doubt he'll be out to settle

the score

Three of Dungarvan's "young guns" will also be on the bill Darragh Power, Brendan Walsh and Liam Hansberry. These boxers are no strangers to the north of Ireland, along with their club mate Daniel Ryan they boxed on a tournament against Dungannon Boxing Club in the Ryandale Hotel Moy Co. Tyrone in May of this year.

They all boxed extremely well, Darragh Power had a very impressive win over John Coleman of Notre Dame B.C. Brendan Walsh lost on a controversial decision to Kevin Mallon Notre Dame B.C. although Brendan stopped his opponent in the second round but it went to points which is a very strange decision one usually reserved for finals of National Championships.

Daniel Ryan lost out to his opponent James Jordan of Kenston B.C. this was a close contest and a one which showed a massive improvement by Ryan, he looks very promising.

Sadly there was no opponent for Liam Hansberry as he failed to show, after travelling all that way but alas all was not lost as it's rumoured he along with his team mates made a big impression with the local girls!

This tournament would not have been possible without the help of Brendan Walsh's Uncle Martin Moore, Martin a former worker with Dungarvan Crystal and now works with Tyrone Crystal made all the contacts with the Notre Dame boxing club in Dungannon where he now resides.

The Dungarvan boxers along with their coaches Paul Hansberry and Gerry O'Mahony were made very welcome in Dungannon and were given a reception and presentation by the Dungannon Town Council.

**ITFAS CHAMPIONSHIP 2003-08-10**

Still awaiting details from last week's championship in Longford hope to have details next week; however there is some news that I can report at this stage

### THE KING IS DEAD LONG LIVE THE KING

It is with great sadness that I have to announce that Kevin Power is no longer ITFAS Irish Longbow Champion. Kevin was relieved of his title last weekend in Longford. The details of his loss have yet to reach me but one can rest assured that when I receive them so will you. The good news is however that his title (although disputed) is now in the hands (or not) of our chairman Karl Geoghegan. A bit cryptic I know, but watch this space for clarification.

### 3D COURSE SET UP

Next Sunday 17th August we are asking all club members to assemble at Chavasse's at 10.00 am to help in the setting up of our new 3D course. If we get a good response we may get a round in as well. Bring lump hammers and scrub-clearing tools, remember many hands make light work etc. etc.

## AMSTEL PUB LEAGUE FINAL

# Doocey's Champions

**DOOCEYS 1 LOCAL 0**

In a game of high drama a goal 11 minutes into the second half by Ger Walsh lifted Dooceys into the ranks of the pubs who have successfully annexed the Pub League title. Before a large crowd at sunny Stucco Lane, the men from the Nire brought home the cup to Ballymacarbry amidst scenes of great excitement.

Pictured above is Milo Corcoran, Amstel Rep., presenting the Amstel Pub League Cup to Tom Flynn, Doocey's captain with Michael Morrissey, Abbeyside A.F.C.

Pictured above are the victorious Doocey's team who defeated a gallant Local team (below) in the Abbeyside A.F.C. Amstel Pub League final last week.

The local team though were crest fallen in defeat as they made a tremendous effort to rescue the game in the closing stages with a virtual bombardment of the Doocey's goal. Cometh the hour, cometh the man they say and it was the hour of Micky Joe Ryan as he almost single handedly denied the Local front line.

The Local were hampered by the early loss of Derek Foley who had played such a pivotal role in their journey to the final. The Local began the stronger and after only 9 minutes Alan Harty beat Ryan all ends up to see his shot rebound off the post to safety. Still they pressed but the persistent use of the high ball was meat and drink to the following Doocey's back line. Doocey's became stronger as the game went on, revelling in the tropical conditions at the famous old venue.

Then it happened a long through ball was left through by the local rearguard. Time seemed to be suspended as Ger Walsh latched onto it with Cooney caught in no mans land. A split second later the net bulged as Walsh despatched a bullet to the corner.

The Nire crowd erupted as Walsh was engulfed by his team mates. The Local tried might and main to recover but Foley's guile was missing. Kevin Walsh had a great effort and Micky Joe served on the line while Stalky Walsh had a pile driver just wide.

So the 2003 Pub League goes to Ballymacarbry. Whose name is on the cup for next year?

### QUOTES

Veteran Pub League Observer Tommy Mulcahy felt the result was a fair one but said the Local would be back.

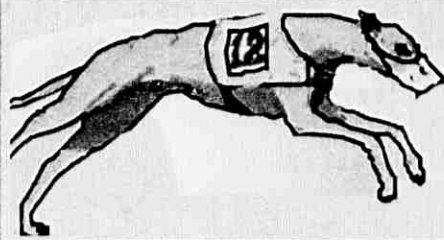

Deckie Hourigan was obviously disappointed at the result but felt 'football was the winner'.

Accepting the cup after the game Tom Flynn thanked the organisers, Doocey's and the Local for a great game. Club Chairman Joe O'Riordan thanked all those who helped out, Amstel, the referees and ballboys. He looked forward to next year and a bigger and better tournament.

Milo Corcoran (Amstel) felt the tournament is going from strength to strength and that Amstel were proud to be associated with it.

### MAN OF THE MATCH

Man of the match was Micky Joe Ryan who was outstanding in the Doocey's goal.

WATERFORD WEDNESDAY AUGUST 6TH 2004

## Performance By "Britney"

Without doubt the top performance on this midweek card was the eye catching effort of Sean Dunphy's Droopys Britney this October 2001 whelp absolutely running away with the final of an Unraced event in a blistering 28.70. Dashing straight into the lead from trap four Droopys Britney 1/1 had the opposition on the stretch from the outset leading early on from Brykat Valentino. Going further in front as this final progressed Droopys Britney went clean away to record a resounding seven lengths success over Brykat Valentino who gave another solid performance to fill the runner up spot.

Portlaw trainer Jimmy Power was on the mark in the first of nine graded races as the 4/5 favourite Sacred Style (Droopys Kewell-Sadlers Style) came from behind the front running Rockafella Skank to win a shade cleverly on his debut by one and a half lengths in 29.68. The winner is owned by Miss Lauren Nash.

Badly hampered over this circuit on his previous outing in June of this year the Hoggies Dream Syndicate owned and Matt Olden trained Hoggies Dream (Staplers Jo-Snow Whisper) made no mistake in the second contest with a very easy win in a career best 29.37. Truleigh Agena broke in front but Hoggies Dream 5/2 was not hanging about and he was soon at the helm up front powering clear to defeat a slow starting Annsborough by twelve lengths.

In a four runner 300 yard sprint the Frank McCarthy owned McCarthys Boy (Mustang Jack-Franks Girl) 7/4 was always in the firing line throughout and while Red-chapperallady held a slender lead into the home stretch McCarthys Boy rallied in fine style to come through for a three quarters of a length victory over a slow starting but fast finishing Prestige Shauna in 16.89.

Local owner Tom Carroll posted his second race victory inside a week as his Gum Aim (Carlton Bale-Pacey Duchess) 3/1 delivered the goods in the fourth contest obliging in 30.00. Nearer last than first in the early stages as Bigwood Angel, Rumble Said That and Damaged Toy all contested the lead up front Gun Aim secured a lovely passage on the rails down the back stretch to come through the field for a three lengths success over Bigwood Angel.

The fifth race a 500 yard contest produced a very tight finish with victory going to the Thomas and Kate Morris owned Penny Well (Larkhill Jo-Walsh Wizard) in 28.12. The winner led throughout from Rebeccas Rebel and while the latter battled all the way Penny Well held firm to triumph by the minimum distance.

In the sixth contest Pure Pablo was sent off the evens favourite but the jolly was in the wars as early as the opening turn. With Sparta Bart going wide off the first bend Bisto King kicked three lengths clear of the pack down the back stretch but gradually reeling in the leader the Phil Gough and John Fitzgerald owned Sparta Bart (Sparta Icon-Sparta Mary) 3/1 finished best of all up the home stretch to open his account by two and a half lengths over Bisto King in 29.72. The third placed dog in this race Autumn Realm caught they eye staying on well after early crowding and a step up in distance would certainly suit this lady.

The seventh race produced a thrilling finish. The two reserve greyhounds Scorpion King and Clover Swift had this contest to themselves from a long way out with the N Wood owned and P Kehoe handled Scorpion King (Toms

The Best-Seniatic Tsarina) 4/1 prevailing by a short head in 29.32.

In the early stages of a six-bend marathon both Cyclamen Rose and Femme Fatale enjoyed a stint in the lead but after striking the front on the rails at the third bend Thomas Murphy's Kildoon Mist (Larkhill Jo-Springtown Charm) 6/4 sprinted clear to run out a comfortable seven lengths winner over Femme Fatale in 41.51.

The Irene Bolton Lee owned Wilcox Figo (Lassa Java-Deenside Jet) the evens favourite got back on the winning trail with a hard earned but deserved 29.07 victory in the final race of the session. Shaking off the early challenge of Winnies Crown a strong running and determined Wilcox Figo took his customary wide route home before defeating a fast finishing Resttm by one and a half lengths.

WATERFORD AUGUST 9TH 2003

## Nod Mac Impressed

There was no shortage of quality action in Kilcohan Park last Saturday night where thirty six entries went to traps all chasing the handsome first prize of Euro 7,500 on offer to the winner of this years Kilcohan Park Waterford Crystal Trophy Open 550 event.

**Heat 1** — The vastly experienced Word Of God (Vintage Prince-Batties Spirit) owned by Frances O'Donnell was sent off the evens favourite and the May 99 whelp made a good start to lead around the first bend from Interloper and a wide running Ballygunner King. This duo gave chase throughout but a strong running Word Of God stayed on well to triumph by a length from Interloper in 30.21.

**Heat 2** — Gowran, County Kilkenny based trainer Paul Hennessy sent out the very easy winner of heat two as the Liam Donnelly and M J Campbell owned Nod Mac (Staplers Jo-Lemon Mustang) the 4/6 hot pot made a flying exit from trap four to make every yard of the running in an impressive 29.86. Leading early on from the close running pair of Metric Millie and Croker Girl Nod Mac enjoyed his Saturday gallop up front coasting to a seven lengths victory over Metric Millie.

**Heat 3** — Droopys Seb was sent off the 7/4 favourite to land this qualifier but he mistimed his break and did well to fill the runner up spot behind the J and K Syndicate owned and Sean Dooley trained Southeast Prince (Vintage Prince-Bettys Star) this 7/2 chance displaying plenty of early dash to make all in 30.37. Simply Supreme from trap five headed inside from the break and caused a number of the runners to lose ground on the run up. With Valentia Citrate also involved in first bend trouble Southeast Prince kicked clear of the pack to run out a length and a half winner over Droopys Seb.

**Heat 4** — This qualifier is easily described as the evens favourite Glenske Ghost trapped in front from trap four this railer making every post a winning one in 29.91. The Paul and Eileen Glennon owned Glenske Ghost (Vintage Prince-Breche Babs) went clear early on from Stage Crafty and Spicy Hotdog and in a one sided heat Glenske Ghost came home five lengths clear of Spicy Hotdog in a brisk 29.91.

**Heat 5** — The Joe Graham owned Young Garsun 3/1 to 7/4 landed a tidy gamble when capturing heat five in 39.64. Squeezing up the inside of Savana Snowstorm and Prince Ned rounding the opening two bends Young Garsun (Liffey Mills-Madam Alright) was soon in pole position. Prince Ned looked a big danger nearing the penultimate turn trying for a run up the inside of the leader but Young Garsun quickly closed the gap before racing on to a neck win over a fast finishing Sparta Titan.

**Heat 6.** The bookmakers enjoyed some relief in the concluding heat with victory going to the JD Price and Andrew Fisher owned Clemmas Hope (Mr Pickwick-Overdrive Jane) at the rewarding odds of 6/1. Bonus Star was sent off the 4/6 favourite here but after a poor start the jolly was always struggling thereafter. No such problems though for Clemmas Hope as he quickly raced into a handy lead over Sandyhill Bill before deservedly winning out by three lengths in 30.24.

In the first of four graded contests Carlton Tycoon railed well to lead out of the first bend but the Ber Drennan owned Parkill Wolf (Larkhill Jo-Parkill Aussie) 6/4 was always close at hand and staying on strongly Parkill Wolf finished best of all to win his first ever race by half a length in 29.80.

After a flying start from trap three in a 300 yard sprint the Tina Finn owned Genuine Onyx (Carlton Bale-Glenstown Damsel) 5/2 appeared home and hosed but after a slow start from trap one the Kathy Crowe owned Brykat Apache (He Knows-Sadlers Surprise) 2/1 produced a fine dash of foot to pounce close home and dead heat with Genuine Onyx in 16.60.

The Maurice Burke owned Killotteran Tina (Sonic Flight-Clonboy Spice) 5/2 ran out an easy winner of the third contest in a career best 29.37. Coming out through the bars of trap two Killotteran Tina sprinted clear of Hilldun Breeze and Truleigh Capella and showing no signs of weakening Killotteran Tina galloped on to a fluent ten lengths victory over a slow starting Ballinacrea Lass.

The John McEnery owned Vespouchi (Droopys Viere-Minnies Gift) ran out a well backed 5/4 winner of the fourth contest in a fast 29.00. Outpacing Divine Beauty out of the first bend Vespouchi increased his lead with every stride eventually romping to an eye catching nine lengths success over Savana Twister.

# DUNGARVAN UNITED ASTRO TURF INTER FIRMS GlaxoSmithKline Win Inter Firms Tournament

## DWYER FAMILY SHIELD PRESENTATION

Pictured above is Raymond Dwyer presenting the Dwyer Family Shield to Jason Hyslop, captain of the winning GlaxoSmithKline team.

The final saga of an excellent tournament came to a head when the semi finals and finals took place in less than favourable weather conditions recently.

We had two cracking semi finals with Stafford Millar coming through against the Traders in an eleven goal thriller score 6-5. In the other semi GlaxoSmithKline emerged winners on a scoreline of 5-4 in a tough encounter. In the final Glaxo won in comfortable fashion.

Thank you to all who made this tournament a good one. Afterwards the presentations took place in the clubhouse with Raymond Dwyer presenting the Dwyer family Shield to winning captain Jason Hyslop. A special mention has to go to our sponsors for the tournament without whom we would be lost.

Thank you to Timmy Kiely and Thomas Duggan, others who helped John Walsh to keep things ticking over should also deserve a mention. Hopefully next year this will be bigger and stronger.

## Oral Hearing Sought Into Garrynagree 'Superdump'

### BREACH OF PLANNING LAWS

According to Mr. Lumley, An Taisce weren't informed about the council's report until five days after the deadline had passed - a delay he claims breaches planning laws.

Mr. Lumley also claimed the document has no legal foundation, and may be open to legal challenge. When asked what his course of action would now be, he said he has discussed the issue with the Lickey Concern Group, and they have agreed to look at the legal implications.

The controversy follows a claim by a spokesperson for the

Concern Group, Mr. Tom Mahony, that Waterford County Council did not mention the areas status as an SAC once in their 1,000 page Environmental Impact Statement (EIS). The completed EIS had to be submitted alongside their planning application on June 13th last.

Mr. Mahony told the Dungarvan Leader just two days before the new report was issued that the substantive point of their submission was the local authorities failure to mention the areas designation as an pSAC.

He also described it as the issues single most important facet.

In the reports covering letter, Waterford County Council say that although they were aware a designation was likely, they could not formally address the proposed designation until it had been made.

"However, the development was designed and the Environmental Impact Statement carried out on the basis that the designation was possible," it states.

Mr. Lumley said the River Lickey was not a Special Area of Conservation during the selection process, or when the EIS was drawn up.

"It throws into doubt the validity of the selection process and the EIS," he added.

Speaking to the Dungarvan Leader, County Manager, Donal Connolly said he is happy that Waterford County Council did not breach planning laws.

"We lodged an application with the planning appeals board, and an application for a waste license with the Environmental Protection Agency and we are awaiting their decision. Beyond that I wouldn't have

anything more to say about it at this stage."

It's believed that while the further information may be accepted by An Bord Pleanala it could still have implications in European Law.

### LANDFILL COULD PROVE 'DISASTROUS'

Meanwhile, the Irish Peatland Conservation Council claim that as the area has been designated SAC to protect a rare species of Pearl Mussel and salmon, a landfill shouldn't even have been considered.

Noreen McLoughlin, Conservation Officer with the IPCC claims; "Even the slightest decline in water quality or increase in siltation in this river could prove disastrous for these two important species, as clean, unsilted water is essential for their survival." "Therefore, the construction and operation of this landfill poses a significant threat," she added.

### WASTE LICENSE SOUGHT

Waterford County Council lodged the application with An Bord Pleanala mid-way through June, and separately sought approval for a waste license from the Environmental Protection Agency.

When contacted, a spokesperson from An Bord Pleanala said there is no statutory time limit for coming to a decision, but they do have an aspirational and self imposed time limit of 18 weeks.

However, an oral hearing has been requested from one of the objectors, which if granted, would take a good deal longer. The issue of an oral hearing may be one of the first issues dealt with, and a decision could be made on it within the next four weeks.

## Jet Skier Tragically Dies In Collision

was the driver of the speedboat, was also from the Youghal area.

A third person, who was on a dingy type craft attached to the speedboat was said to be uninjured but suffering from shock.

The accident occurred at the mouth of the harbour, in what has been described as calm and clear conditions. Gardai say they are conducting an investigation into the cause of the accident.

The Department of the Marine were also contacted by Gardai, and are expected to conduct a separate investigation into the accident.

The driver of the speedboat was thrown out of the boat by the impact of the collision, and suffered serious leg injuries. He was taken to Cork University Hospital where he was still undergoing treatment yesterday (Tuesday).

Youghal Bay has become hugely popular with jet-skiers and other water-sports enthusiasts in recent years, but the harbour was not believed to be congested at the time of the accident.

## Ardmore Fire Station To Move To Construction Stage

### KEVIN KIRANE

The construction of Ardmore Fire Station, and the invitation of tenders for a new fire appliance are to make up an investment of around one million euros in Waterford County Fire Services this year.

Making the announcement, Minister for the Environment, Martin Cullen, said the investment would provide the necessary infrastructure for a modern and efficient fire service in the county.

"The construction of the new station at Ardmore, at a cost of

over eur700,000 will be a further step in the ongoing investment in Waterford County Fire Services," he said. "An extension to Tramore Fire Station was completed in 2001, and improvement works at Cappoquin Fire Station were approved last year at a combined cost of around eur300,000."

Works on Cappoquin Fire Station are believed to be almost complete.

Waterford is also to receive approval to invite tenders for a new fire appliance bringing the total number approved since

1998 to 4 at a cost of around eur1 million.

"When all are delivered and operating from stations throughout Waterford County, the true impact of this Government's increased investment in the fire service will be seen," the Minister added.

"The people of Waterford can be assured that they have at their service an efficient and modern fire brigade with a state of the art appliance, and first class facilities for dealing with fire and other emergencies."

**DEATHS**

**DEATH OF GARY O'GRADY**

The entire community was deeply shocked and saddened to learn of the untimely death of 28 years old, Gary O'Grady, following an accident near Kilmurrin Cove last Thursday. His death was particularly poignant as his older brother Conor was one of the fishermen who lost their lives in the 'Jenna Lisa' tragedy off Brownstown Head in 1996.

His remains were removed from his home in Kilmacthomas on Saturday evening to Dunhill Church via Bonmahon, Kilmurrin, Boatstrand and Annewtown, flanked by a cavalcade of motor cyclists and with a guard of honour from the local fishermen. Fr. Kennedy PP Dunhill and Fr. Crowley PP Kilmacthomas received the remains in the presence of a huge crowd of mourners. On Sunday morning, Dunhill Church was again filled to capacity with many more outside the church as Fr. Kennedy celebrated the funeral mass. In his homily, he spoke of Gary's struggle and determination to recover to full health following a car accident some years ago.

He also spoke of his devotion to Padre Pio, and how only very recently he had visited Fatima. Among the Offertory Gifts were Gary's helmet, his fishing rod, and a cookery book. As the sun shone in the sky, Gary was lowered into a flower lined grave to rest beside his brother Conor by his father Pa, Bernard O'Grady, John Quinn and Philly Dunne.

The many floral tributes were a testimony to the deep sadness felt by the loss of someone so young. We extend our deepest sympathies to Pa, Terri and Philly, to Gary's grandmother Nancy, and to all his aunts, grandaunts, uncles, granduncles, cousins and other relatives, friends and particularly his girl friend, Catherine Walsh, who was injured in the accident and is recovering in hospital. May he rest in Peace.

**Ballyduff Walking Club support Jim Mills Bid for Baron**

As all our members are aware, one of our members Jim Mills, is a candidate in the upcoming Baron of Ballyduff election. Jim has the full support of Ballyduff Walking Club, Tidy Towns, Comhaltas, and the local Forojige Group.

Jim announced his intention to take part, at a meeting held following a recent walk in Coolisheal.

To make such an announcement in Coolisheal within spitting distance of "The Other" candidate was a brave move and one which we hope will reap just rewards for Mills, who is proving to be a fine outstanding candidate in this hotly contested event.

As part of Jim's election campaign, next Sundays Walk (Aug 17th) will remain local. All members and other supporters

of Jim's campaign may join us on a fundraiser walk at 1.00 pm sharp outside St Michael's Hall. All walkers will be asked to subscribe a minimum of 5 for the fun walk (donations of higher figures will be accepted!!). We will walk the local Ring, 3.5 miles and finish up in the community field where we will have refreshments and entertainment provided by the Junior Booleyhouse musicians. We aim to conclude the afternoons events by 4 pm to facilitate people who wish to go to Ardmore for the first round of the senior hurling championship.

As all funds raised will go towards repayment of the outstanding loan on the Sports Hall we appeal to all members and well wishers to come out and join us on Sunday next.

**JACKPOT IS NOW FIVE GRAND!**

It only takes three lucky numbers to win! And no one has, as yet, chosen the magic combination to take home this whopping jackpot!

€2 you'll be in for a chance to win and you'll be supporting community initiatives such as the Community Centre.

poquin Community Centre and what it will mean to the residents of Cappoquin and surrounding areas. **Visitors on the Beach**

The beautiful Mediterranean weather that we are currently experiencing is bringing out

beach goers in their hundreds of people coming to Bonmahon every day. Local businesses have reported a great boom in sales of soft drinks; ice cream and fish and chips and the two local pubs packed to capacity each night. Lets hope the trend continues over the holiday period with all our visitors the message is the same for everyone. Stay safe in the water and ask the lifeguards about different areas of the beach for swimming.

With so many people in the area a traffic jam half mile long occurred at Boatstrand the earlier part of last week. Traffic parking restrictions are now in place and a field near the beach is now being used as a car park. Please observe the traffic management that has been put in place by the Gardai and local residents.

**Wondering Where to go on Sunday**

Why not visit the car boot sale, which is in Bonmahon Caravan Park every Sunday during August, starting at 11 o'clock. When you have finished collecting bargains at the many stalls you can sit and enjoy tea and sandwiches or home made cakes, which are served, from 12 o'clock on.

**Kilgobinet GAA News Intermediate Football**

We played the Geraldines in the 2nd round on Sunday night last and came away with a 1 point win after a very tight contest. We found ourselves a goal and a point down after 5 minutes and when Kevin Walsh was stretchered off after 10 minutes kicking 6 unanswered points and went in at half time 0-8 to 1-3 ahead. The second half was very tight and scores were very hard to come by. We scored four points and held out to win 12 points to 1-8. This was a good display by the lads and we are now in the last 8 in our first ever year in this Championship. Hopefully Kevin Walsh will be back in the action for the next round.

**Junior B Hurling**

We defeated the Brickey B's in the first round of this championship last Friday night in Abbeyside on a score 19ine of 4-8 to 3-5 we played very well here and some good scores from won the day for us. We now play Abbeyside on Friday night next in Colligan at 7.30.
