# Fierce Battle Over Location Of Pylons Decided In Elderly Brothers Favour

**KEVIN KIRRANE**

Ballyneety brothers, Frankie and Monnie Drummy were yesterday (Tuesday) celebrating the successful conclusion of a three year planning battle they had waged against the location of two ESB Pylons near their house.

Frankie, 52, who cares for his 68-year-old invalid brother, Monnie, claimed that the two steel pylons at the bottom of their garden were destroying their lives.

One of the pylons was located less than 70 yards from their front door, while the other is a little more than 100 yards away.

On Monday last, An Bord Pleanála ruled in their favour, saying the ESB must either remove the structures or apply for a retention order.

"It has been three and a half years of living hell through the actions of Waterford County Council, the ESB, and this developer," Frank said on Tuesday last.

### CONTROVERSY

The controversy arose after the granting of planning permission for a dwelling, which was located less than the required safety limit of

**Dungarvan Hill Walking Club**

Following on a very busy spring and summer, culminating in the 7th George Harney Memorial Walk (more about that at a later date) club members are taking a break from organised walking for the month of August. However, planning and research continue and recently Tom Fitzgerald and Tony Blake visited the Barren in Co. Clare and have organised a trip there on the last weekend in August. A hostel has been provisionally booked for Friday 29th and Saturday 30th and walking routes selected for Saturday and Sunday morning. Name (with a deposit of 20 euro per person) should be given to Tom Fitzgerald or Powers Bookshop as soon as possible. Early booking is essential.

In the meantime, normal life goes on, as highlighted by news of the birth of a baby girl to club member Ray Bradfield and his wife Linda. Heartiest congratulations to the new parents.

Best wishes to club members Jackie and Marie who are indisposed at present.

For information contact Mary at 058 43279.

**BOOLEY HOUSE**

Due to unprecedented demand 'the Booley House will be staged on an extra night Tuesday Aug 26. The remaining Wednesday night shows have been booked out well in advance so the organising committee was left with no option but to put on another performance. Seats may again be booked at 058 60456. Anyone travelling to Clonmel for to Fleadh Cheoil is reminded that Booley House may be seen on Guinness Gig Rig on Saturday night at 9.00pm.

**HOW DOES  
 A PLANT  
 BEGIN LIFE?**

**Which are the  
 Largest Plants?**

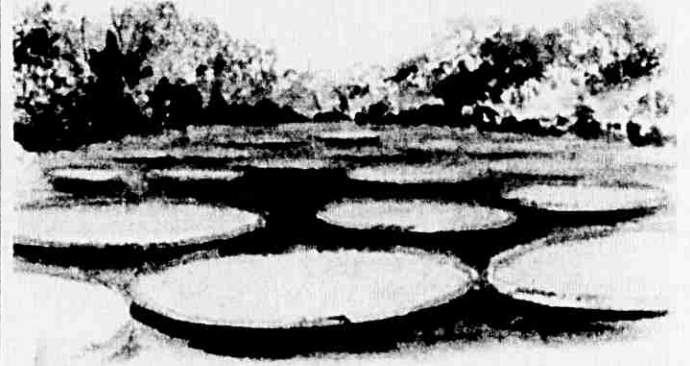

Trees are the largest plants. The Sequoia, for instance, has impressive dimensions, with a diameter measuring up to 9m. The largest sequoia, 11m in diameter and 83m tall, is called the General Sherman and is in the National Sequoia Park in the USA. This tree is believed to be more than 2000 years old. The Australian Eucalyptus, with a height of 130-140, is the tallest tree of all. The tree with the largest trunk, up to 10m in diameter, is the Baobab. The spread of its foliage can reach up to 80m in circumference.

**GIGANTIC LEAVES AND FLOWERS**

The largest flowers in the world are those of the Rafflesia Arnoldii, (or Stinking Corpse lily) a water lily without either stem or leaves and which grows, attached to other green plants, in the forests of Southeast Asia. Its gigantic flowers, red and white, have a diameter of about 90cm and can weigh up to 10kg!

The leaves of the Raffia Palm, a palm tree native to Madagascar in Africa, can reach up to 20m in length. The gigantic water lily the Queen Victoria grows in Central America. Its thick, strong leaves can be up to 2m in diameter.

**HOW WHEN WHAT WHY**

**What are the smallest plants?**

In Canada, a White Cedar tree has grown only 10cm in 155 years! The smallest flowering plants in the world are the Rootless Duckweed, found mostly in Australia, and the Swamp Duckweed of Brazil. Both plants are similar to ordinary duckweed, but their flowers measure less than one millimetre in diameter.

## Fierce Battle Over Location Of Pylons

Continued From Front Page

10 metres away from the ESB's 38KV power lines in Ballyneety in January 2000.

According to Waterford County Council, this didn't come to their attention for another eight months, when, in September of 2000, construction had commenced and a warning notice was served on the applicant.

"The development ceased," a statement issued by the local authority on Monday said, "however, the applicant submitted a letter of undertaking from the ESB dated June 1999, indicating that the overhead line would be diverted to a safe distance from the dwelling if the need arose."

"This matter was verified with the ESB, and indeed a letter was submitted direct to the council by the ESB on the 1st of February confirming this was the case."

However, according to Waterford County Council's own planning file, the local authority was aware four months earlier in October of

2000 that the dwelling was to be constructed several metres away from its permitted location.

Despite this, the county council lifted its enforcement notice in February 2001 - allowing construction on the house to proceed and adjudicating that the changed location did not deem "material change".

The assurance from the ESB, meanwhile, was given to a separate landowner for the site several metres to the south and west, and not to the new developer.

### PERMISSION LED TO POWERLINE CHANGE

With construction of the dwelling located close to the ESB powerlines granted, the ESB found it necessary to seek agreement with the adjoining landowners for the diversion of the line onto their land, and away from the new dwelling.

This, the ESB revealed was "strenuously objected" to by the landowners, and

the "only option" left was the construction of two massive steel pylons on either side of the new dwelling.

But, it emerged that the two pylons were placed "immediately south" of the home of Frank and Monnie Drummy, whose house adjoins that of the new dweller. Director of Services, Denis McCarthy acknowledged in February 2002.

Throughout last year, the two brothers - one of whom is a chronic asthmatic - endured a lengthy planning battle with the local authority and the ESB - which they feared would lead them, "to an early grave."

Having contacted the Ombudsman, the development was finally adjudged to warrant a third party adjudication by An Bord Pleanala, to decide whether or not the pylons constituted development - with Waterford County Council and the ESB contesting the brothers claims throughout.

This week, An Bord Pleanala issued a determination that the erection of the two steel masts constituted development and not exempted development.

"Waterford County Council will therefore contact the ESB advising that the masts must either be removed or an application made for the retention of these structures," the local authorities statement on Monday said.

"If an application for retention is made, this will allow any person who so wishes to make a submission or observation on the file. Any such submissions or observation will be taken into consideration when making a decision."

It's implication on the new dwelling has not been confirmed as yet, but its believed that if agreement with the adjoining landholders on a diversion of the powerline can not be agreed the house would again be in breach of a condition in its planning permission.

## Cullen Criticised By Sinn Fein Over "Disregard" For Workers Health

Sinn Fein spokesperson, Brendan Mansfield, has criticised comments by the Minister for the Environment and Health, Martin Cullen, in which he expressed his opposition to the forthcoming ban on smoking in all workplaces.

Mr. Mansfield said: "Minister Cullen's comments show that he does not seem to understand the reasons for the introduction of the ban on work place smoking. Martin Cullen as Minister for the Environment should have a better understanding than many of his cabinet colleagues of the impact of the environmental factors on health, in this case the impact of the workplace environment on workers in bars and the hospitality sector."

"The Minister ought to understand that this is about workers rights," he added, "and it would be deeply disappointing if the uniformed views of some Fianna Fail Deputies in any way prevented the full implementation of this ban, which is one of the few positive initiatives from the coalition government."

Minister Martin Cullen

## Delicious pasta with chicken and leeks

TASTY pasta with moist chicken pieces and a subtle leek flavour sauce.

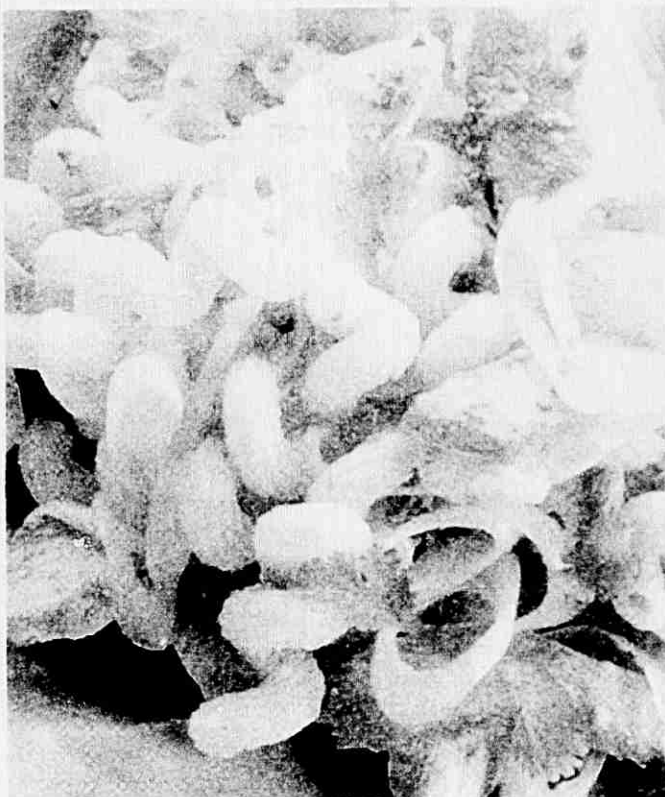

**INGREDIENTS:**

(Serves 2)

- 175g dried cavatappi (corkscrew pasta)
- 2 x 15ml sp sesame seeds
- 175g leeks
- 175g skinned chicken breast fillet
- 2 x 15ml sp olive oil
- 1 x 5ml sp ginger purée
- 2 x 15ml sp chopped fresh coriander
- Salt and freshly ground black pepper
- Coriander leaves, to garnish

**METHOD:**

BRING a large saucepan of salted water to the boil, add the cavatappi and cook according to packet instructions (about 15 minutes). Put sesame seeds in a frying pan and dry-fry for two minutes until toasted. Watch them carefully as they burn easily. Remove from the heat and set aside. Trim and thinly slice the leeks. Cut the chicken into 1cm slices. When the pasta is half-cooked, heat the olive oil in a large frying pan. Add the ginger purée and chicken and cook for five minutes, stirring occasionally. Add the leeks and cook for one minute, stirring. Cover the pan with a tight-fitting lid and cook for three minutes. Drain the pasta and immediately add it to the frying

pan with the chopped coriander and sesame seeds. Season with salt and freshly ground black pepper. Toss well to mix, garnish and serve at once. This dish goes well with a sparkling, dry white wine.

## An apple sauce cake - in a jar!

**Ingredients:**

- 1 x 5ml sp ground cinnamon
- 1/2 x 5ml sp baking powder
- 2 cups apple sauce
- 2/3 cup shortening
- 2 x 5ml sp ground cloves
- 2 x 5ml sp baking soda
- 2/3 cup water
- 2 2/3 cup granulated sugar
- 2/3 cup nuts, chopped, optional
- 1 1/2 x 5ml sp salt
- 3 1/3 cup all-purpose flour, sifted
- 4 large eggs

**Method:**

Sterilise eight 12oz jars, lids and rings by boiling for 10 minutes. Remove the jars and allow to air-dry and cool, then grease them with shortening. Leave the lids and rings in the hot water until ready to use. Cream together the

shortening and sugar. Beat in the eggs, one at a time, until the mixture is light and fluffy. Add the apple sauce and water, then set aside. In another bowl, sift together the flour, baking powder, baking soda, salt, cinnamon and cloves. Blend the dry ingredients into the apple sauce mixture. Fold in the nuts. Pour batter into the jars, filling them about half full. Bake in a preheated 325°F oven for 35-40 minutes or until a cocktail stick inserted deep into the centre of each cake comes out clean. Remove jars from the oven, place a lid then a ring on top and screw down tightly. Set aside the jars to cool. When the jars have sealed, the lids won't move when you press down on them. Store the jars in a cool, dry place. They should keep for about a year.

## Tasty bacon and onion muffins

LOOKING for something a bit out of the ordinary? Try this scrummy recipe for bacon and onion muffins!

**INGREDIENTS:** 6 servings

- 225g bacon, diced
- 1/3 cup milk
- 1/2 x 5ml sp salt
- 3 x 5ml sp baking powder
- 1/4 cup chopped onion
- 1 cup dairy sour cream
- 2 large eggs, slightly beaten
- 1/2 x 5ml sp baking soda
- 2 x 1/4 cup unbleached flour, sifted
- 1 sesame seeds

**METHOD:**

Fry the bacon until crisp in a large frying pan. Remove with a slotted spoon and drain on sheets of kitchen roll. Sauté the onion in one tablespoon of bacon dripping until tender (do not brown). Set aside to cool. Sift together the flour, baking powder, baking soda and salt in a large mixing bowl. Combine the eggs, milk and sour cream in a small bowl, and blend well. Add all at once to dry ingredients, stirring just enough to moisten. Stir in the bacon and sautéed onion. Spoon the batter into greased 2 1/2-inch muffin-pan cups, filling two-thirds full. Sprinkle with sesame seeds. Bake in a 375°F oven for 18 to 20 minutes or until golden brown. Serve hot with home-made jelly or jam.

### Citronella and Lemongrass

The essential oils of citronella and lemongrass are great insect repellents. They can be used safely in the home, especially in the kitchen, or outdoors in a confined area, tent etc. Simply clean a spray bottle thoroughly, add 10-12 drops of lemongrass or/and citronella to a pint of water, shake well and you have an eco-friendly insect repellent which smells pleasantly of lemons. Or use the mixture in an oil burner to keep flies away.

Citronella and Lemongrass are available at...

## UDARAS MAY HAVE TO AXE FISHING GRANTS

Udarás na Gaeltachta may be forced to cease its grants schemes for small fishermen due to the application of an EU fisheries directive in relation to the size of the Irish fleet.

The authority's Ring/Old Parish elected Board member, Cllr. Fiachra O Céilleachair – who was prominent in recently successful efforts to get a reprieve until the end of December for the grants – says the loss of such an assistance package in the future would be a blow for what has been one of the traditional industries in Gaeltacht communities.

Cllr. O Céilleachair says the Udarás grants for marine

punts, pot haulers and out-board engines for fisheries purposes have been of vital assistance to small fishermen operating from Heilbhic and Baile na nGall over the years. Cllr. O Céilleachair says the Udarás should be enabled to continue that positive role and that the Dept. of Marine and Natural Resources should seek a derogation from regulations deriving from the re-organisation of the EU Common Fisheries Policy agreed on the 20th of December 2002 last.

Officials of Udarás na Gaeltachta recently informed Board members that they had received advice from Bord Iascaigh Mhara (BIM) that the

authority's fishing grants should be abolished due to EU Ruling 13 (2) 2371/2002. Under that regulation, according to the BIM assessment, the state's continuation of such subvention schemes would lead to a sanction of a 3% reduction in the national fishing fleet coming into play.

Expressing his disappointment at this turn of events, Cllr. O Céilleachair said:

"The fishing industry is being subjected to such restrictive practices as a result of our Government acceding to an EU common policy skewed against Irish interests in general, and in particular against those of small fishermen such as my constituents in Ring."

"Ireland, despite having 16% of EU fishing waters, is allocated just 4% of the allowable catches. I don't think Irish agriculture would stand for a similar situation in their sector. Similarly, the choice of either scrapping grants or cutting the fleet may not be one so easily put in the case of farming. It should be no different in the case of fishing."

"I am encouraged by the cross party concern among members of the Udarás on this issue and our determination to find a way to protect these grants. I hope such efforts meet with success."

### All-Ireland Fleadh Cheoil

## O CEILLEACHAIR TO PUT NAME FORWARD FOR TOWN COUNCIL ELECTION

With Dungarvan Town Council elections due in June of next year, one of the County Councillors currently representing that locality has confirmed his intention to be in contention for one of the nine seats on the authority.

Dungarvan area Councillor Fiachra O Céilleachair says many of his constituents in the town and members of his Labour Party branch there, have urged him to contest a seat he was beaten for by the tiny margin of just seven votes on

the last count in 1999. Cllr. O Céilleachair says he'll be seeking a seat many regard he should have held all along.

Stating that he had maintained a strong profile in Dungarvan politics since he first emerged on the scene six years ago, Cllr. O Céilleachair added that he's looking forward to an opportunity to advance his agenda through membership of the Town Council.

Setting out his stall, Cllr. O Céilleachair said: "Local politics is meant to be part-time. It's a

challenge to balance one's professional and domestic responsibilities with one's ongoing

interest in and service to communities through elected membership of a local authority. I've succeeded in that through weekly clinics, regular leafletting and canvassing and contributions on a range of issues at meetings and in the local media. This, in addition to

thorough processing of representations based on contacts arising directly or from phone, post, e-mail and through my website.

I've also been prominent in Dungarvan and its surrounds in consistently campaigning on Labour Party policies"

"When the Labour Party moves to confirm its' candidates for the Town and County Council elections for the Dungarvan electoral area, the name of Cllr. Fiachra O Céilleachair will be there for consideration."

"Ultimately, the people of Dungarvan and Abbeyside will pick their team next June. I intend to be pushing strongly for a place."

# Making a meal out of insects

MEAT-eating plants have long held a fascination for gardeners – from small boys to horticulturalists.

And aside from the legendary venus fly trap, Sarracenia have proved the most popular and they are becoming more popular as a conservatory plant.

Originating from the south-east coastal plain of North America, they are quite hardy and are excellent for the cool windowsill and patio as they will trap insects all year long and provide wonderful nodding flowers too.

The plant is a perennial and comprises a distinct pitcher, formed from a leaf which is modified into a tube-like structure which can be up to a metre long (owners of small dogs and cats beware!)

The pitcher is brightly coloured and an entrance generously coated in nectar.

It's job is simple: The insect is lured by the nectar, lands, finds no foothold and slips into the pitcher, never to be seen again.

These plants do not need feeding much as the trumpets are the plants way of obtaining their food.

They like a good bright or sunny position, but if you are growing them in full sun place something in front of the pot to help keep the roots cool.

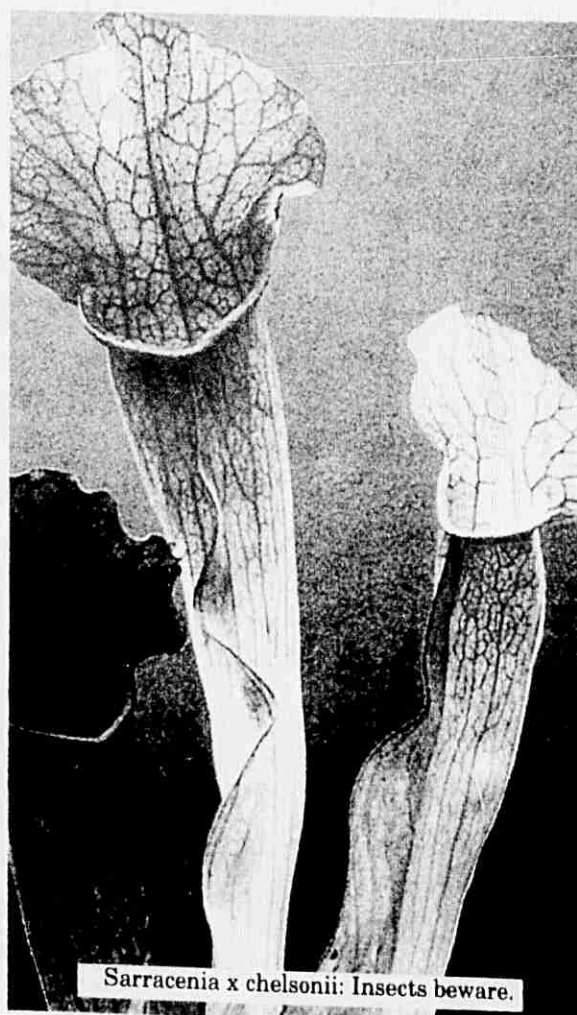

Some species – notably *S purpurea* and *S flava* – can be grown outdoors, so long as they are permanently moist and kept out of wind.

Sarracenia are increased by dividing the rhizome at repotting time.

Pieces of rhizome with live roots about 3cms long can be removed as separate plants and put in standard compost in good light, in a tray of water.

Growing buds may take several weeks to appear but good sized plants can be produced within a year.

The growing season is April to October and plants should stand in 25mm of rainwater – as tap water contains chemicals which can kill the plants.

*Sarracenia x chelsonii*: Insects beware.

## This week In The Garden

### Sow stocks for the greenhouse

Make sowings of both Beauty of Nice and Brompton stocks for flowering in pots in the greenhouse. The Beauty of Nice will bloom from Christmas until February or March, while the Brompton stocks will follow on in late spring.

Sow very thinly in well drained trays filled with John Innes seed compost or equivalent and germinate in a frame, shading until the seedlings appear. Prick off or pot the seedlings separately as soon as they have two true leaves each.

### Pot freesias for early flowering

Provided the corms are ripened, the earlier freesias can be potted the better. The beginning of August is usually about as soon as you can buy the corms, so if you want a supply of flowers for Christmas pot up some now in 13cm pots. You can place six corms in one pot. Sow in a peat-based compost. Bury the corms 2.5cm deep and stand the pots in a frame. Water moderately and shade from direct sunlight.

### Pot Lachenalias

Lachenalias for winter flowering in the greenhouse should also be potted or placed in hanging baskets, a delightful method of growing these beautiful South African bulbs. The method of culture in pots is the same as for freesias.

If you are going to grow them in hanging baskets, the basket must be well-lined with moss and then some of the bulbs placed at the bottom and around the sides of the basket, as well as on top. Hang the baskets up in a cool place for the time being and water them moderately.

# Deputies Reap Rich Rewards From Dual Mandate

KEVIN KIRrane

Deputy Ollie Wilkinson and Deputy John Deasy reaped the rewards of being the last sitting public representatives with a dual Dail and County Council mandate, receiving a combined total of over 300,000 euros between them in salaries and expenses.

In figures released under the Freedom of Information Act to the Sunday Times, it emerged that Deputy Wilkinson (FF) received a Dail salary of 74,000 last year, plus Dail Expenses of eur64,458.

On top of these, taxpayers paid out a further 38,868 euros to Deputy Wilkinson in combined allowances and expenses for his county council seat bringing his total to €177,326 for the year.

Deputy Wilkinson was the tenth highest earner of Dail expenses, and received the highest expenses of the four Waterford Deputies.

Deputy John Deasy (FG), meanwhile, was in receipt of a Dail salary of 74,000 euros, and claimed expenses of 44,472.08 euros for his Dail seat, and further expenses and allowances for his county council seat of 27,235. This brought Deputy Deasy's total to 145,707.08.

However, this figure does not include the expenses and allowances Deputy Deasy earned for his Town Council seat, which would bring his total up by an estimated three or four thousand last year.

Labour Deputy, Brian O'Shea was in 61st place of Dail earners, receiving 55,889.48 on top of his annual Dail salary. As Deputy O'Shea is over ten years in the Dail he also receives a 4,500 euros bonus payment on his annual salary, bringing his total to 134,389.48 euros.

Minister Martin Cullen's (FF) expenses were the lowest of all the Waterford Deputies, receiving

**WILKINSON EARNED OVER €177,000 AS PUBLIC REPRESENTATIVE LAST YEAR**

ing in the region of 16,722 euros. However, his annual Ministerial salary is above that of a normal TD, and part of his expenses are also taken separately including over sea flights and attendance of summits and meetings in Brussels.

His annual Ministerial salary is believed to be in excess of the 89,516 euros per annum that ministers received in July 2001 before the Ministerial commission and benchmarking came into force. Minister Cullen's total of 106,288.00 is therefore understood to be a very conservative estimate.

**FIRST TIME DEPUTY**

Meanwhile, Deputy Ollie Wilkinson told the Dungarvan Leader that part of his Dail ex-

penses are accounted for by being a first-time Deputy.

He said he received a number of separate grants of 8,800 euros each as a first time Deputy. These included expenses for extra secretarial help on top of the ordinary secretarial expenses, which are paid for by the state. He also received an 8,800 euros grant for the setting up, renting and equipping of a constituency office.

Other expenses Deputies can claim are travelling expenses to Dublin

which vary depending on where they live, and attendance at Leinster Houses - although this does not necessarily mean sitting in the Leinster House Chambers or taking

part in Debates. According to recent reports, Deputies are regarded as attending as long as they occupy their Dail Offices.

Next year's local elections will mark the end of the dual mandate, and Deputy Wilkinson stepped down from his Waterford County Council seat at the July monthly meeting. Speculation still surrounds Deputy Deasy's Council seat, which he could occupy until the council is dissolved next year. It's unclear whether Deputy Wilkinson will benefit from an early retirement bonus payment, but both Deasy and Wilkinson will receive compensation for the loss of their lucrative Dual mandate next year.

## 'Ambitious' Target Date For Sewerage Scheme Start

KEVIN KIRrane

A wide range of local sewerage scheme developments were announced last week in a 4.5 billion euros investment in the nations waste water services infrastructure.

However, Minister for Local Government and Environment, Martin Cullen, admitted that the constructions start dates for many of the schemes including a start of next year on the West Waterford Sewerage Scheme are "ambitious".

The West Waterford project, costing an estimated eur45 million, would provide wastewater treatment facilities for Ardmore, Tallow, Stradbally, Cappoquin, Dunmore East,

Kilmacthomas and Ballyduff/Kilmeaden.

Minister Martin Cullen said the start date of next year is ambitious; "because of the detailed planning process to be gone through, and completed before work can begin on the ground."

"I will be urging the council to ensure all necessary resources are brought to bear to get the individual schemes started on schedule."

However, the Department of Environment has been the subject of scathing criticism recently over the delays in getting the project off the ground. Deputy Brian O'Shea (Lab) expressed concerns that

the Department was engaged in "stalling tactics" over the allocation.

Other schemes with "ambitious" start dates of next year include Ring/Helvick Water Supply Schemes and the West Waterford Water Supply Strategic Review.

Three other schemes are listed to start in 2005 including the Ardmore Water Supply Scheme.

"I regard it as a top priority to deliver the water and sewerage infrastructure Waterford needs for continued economic growth, to support industrial expansion, and job creation, and to promote development opportunities that will benefit

all in the community," Minister Cullen said in the course of his announcement.

Meanwhile, Director of Service with Waterford County Council told WLR FM on Thursday that some of the funding is for previously announced projects, but a number of schemes in the county will now benefit from this investment.

"There's a whole lot of new schemes about to enter the equation. Ballinacourty/Deelish water supply, Dunmore East Water Supply and the Helvick water supply are in areas where we have very serious problems at the moment, particularly where we have weather that we're having at the moment."

"Everyone of them", he added, "has constraints as a consequence on development, whether that be on local authority housing or private housing. And, our planning department is screaming for new infrastructure be put in so we can proceed on developments in an orderly manner."

## MOCK WEDDING IN AID OF DISTRICT HOSPITAL

Photo of Bridal Party

With a group of children out to have fun get together anything can happen. When adults go out to do the same thing people say that they are mad. Anyone witnessing the performance outside Lord Maguires would have to agree that they are right. From the moment that the priest and the

altar boy appeared things went from bad to worse. Everybody dressed for the occasion, the groom, the best man, the groom's man and the father of the bride were suitably dressed in kilts for the occasion. The bride looked stunning in traditional white and the bridesmaids left everyone stunned.

The sermon was especially adopted for the occasion and the wedding vows left nothing to the imagination. With music to suit all the ceremony took on a festive feeling and all present soon got into a party mood. Seamus Fitzgerald appeared in an Australian outback hat that was big enough to take the

wedding party home in. The reception in Minnies was a gourmet delight, and the dancing afterwards would have left Fred Astaire bewildered. At the end of the day the District Hospital was better off by over 1,000 and this will be presented to the Matron at a function next week. Well done to all concerned.

## John Young - Community Radio Youghal

John Young, who was reared in Murphy Place, Abbeyside fronts a programme on Community Radio Youghal every Saturday morning from a quarter to eleven to a quarter past eleven. The frequency is 107.2 F.M. he has been working for the programme for five years now.

The programme takes the format of a rural report. John gives an update on community weekly events in Dungarvan, West Waterford and East Cork. The slot includes as History Story every week. Events that have been covered recently are Abbeyside Pattern.

Feile na nDeise etc. etc. The programme is widely listened to in Middleton, Ballymacoda, Youghal, Ardmore, Old Parish, Ring, Knockanore, Villierstown, Aghish, Clashmore Capquin, Tallow, Lismore ect.

Documentary Recently, John fronted an hour long documentary on the wreck of the "Moresby" which happened on Christmas Eve 1895. The lifeboat saved seven men out of the twenty-five on

board. Another ship the "Mary Sinclair" which was in the same predicament at the time survived as the navigator had local knowledge of the harbour.

A year ago John did another documentary on Michael Collins called 'The Uncivil War' which was broadcast at two minutes past seven on a Sunday Night. Michael Collins was in fact abducted in the square in Dungarvan while making a speech from the back of a lorry. Michael Collins was the last politician to make a speech to the people of the Deise from the balcony in Lawlor's Hotel.

Artefacts.

John is an avid collector of items of historical interest and among the items he showed me were (1) a handrail from the Lucitania, (2) a minute book from the Cholera Hospital at Strands North, (3) the tail of a German Bomb which landed on the Lady Belle when attacked on March 1941. Johns Grandfather Michael George Young was on board.

(4) A serge skirt worn by the

women in the County Home, Dungarvan.

John also works for the Folklore Commission. He is also the author of the book "The Maritime History of Dungarvan"

which he produced for his father while he was on a waiting list for an operation. He also did it for the sailors who left Abbeyside and Dungarvan, never to return.

## FAMINE AND FEVER

It is intriguing to notice that the housing stock of the town remained stable at 1,231 between the years 1841 and 1851. In the county generally the housing numbers fell by 18%. This also suggests that the greatest overall losses of houses took place in the County Waterford countryside, where whole houses took place in the County Waterford countryside, where whole houses became deserted and ruined.

A check on houses in a selection of Dungarvan streets in 1849 shows the following: Devonshire Square 44 buildings (9 vacant); Main Street 76 buildings (7 vacant); Church Street 25 buildings (4 vacant); Blackpool 90 buildings (8 vacant); South Terrace 8 (4); William Street 37 (6); Buttery 124 (13); Boreenatra 34 (nil). In an Abbeyside selection, on the other hand, there was Main Street 73 (3); King Street 30 (1); Bridge street 25 (1); Strand street 26 (nil); Quarry Lane 55 (1).

From these selections it appears that the business areas were badly hit by the years of hunger and want. It seems that those who left these premises may have emigrated. They had the money for their fare.

### Death

It is with great sadness that we record the sad passing of Maureen Casey Tankerstown, Maureen died suddenly at her home on the 28<sup>th</sup> of July. Friends and neighbours couldn't believe the news as it broke on Monday morning. Maureen was very well known in the Kill and Bonmahon areas. She was a frequent visitor to the local garden centres in the city and county and her own garden was a testimony to her love of scrubs and flowers. After reposing at her own home Maureens remains were taken to Kill church on Tuesday evening followed by a very large funeral. Her remains were received by Fr. Brendan Crowley PP and Fr. B Callinan CC. On Wednesday requiem mass took place at 11am. It was celebrated by Fr. Crowley and Fr Callinan. Readings were recited by Lena Power and Mary Rampesy. Prayers of the Faithful Mairead Kirwan, Catherine Power, Karen and Darren Kiely, Maggie and Thomas Power. Offestory Procession Joan Carey and Peggy Power, Ciara Carrol. Hymns for Maureens Mass were traditional and sung and played by Nora Hogan Walsh. After Mass Maureens remains were taken to the family grave, after gravesite prayers she was laid to rest with her husband Jimmy and her daughter Margaret while the hundreds of people that attended her funeral offered their sympathies to the family. Maureen is survived by her son James and her daughter in law Joan, her sisters Nora in Kill her stepsister Theresa Breen and Nelly Flynn London, Peggy Power Ballylaneen and Ann Flemming Kill, her stepbrothers John and Tom Power of Kill and nieces and nephews. May god and his angels have mercy on her soul. (Especially for Maureen) May the flowers you love so well rest lightly on your grave and bring eternal happiness to you and your loved ones.

### Volunteers Required for Kill Community Centre

The committee of Kill Community Centre are asking the help of locals once again in the running of the Discos. Preferably people with a connection to the community centre would suit best. Anyone interested in helping with the discos. Please contact Hall manager Nicholas Murray on 086 3739354 or Brendan Gallagher on 086 2641547.

### KDB Gun Club

Due to the lack of interest our AGM had to be cancelled. The chairman Michael Sammon has written to every individual that has not paid their fee to notify them that they are no longer members of KDB Club. A list of paid members has gone to the Gardai as the Club can longer accept responsibility for uninsured members. For this reason we are holding an EGM on Thursday the 21<sup>st</sup> of August at 8pm. in the Kill Community Centre. All members are requested to attend this very important meeting.

# RECENT DEATHS

## Late Peggy (Margaret) Hale

It is with deep sadness we record the passing of Peggy Hale (nee Fennessey) of Lacken, Cappoquin who died on the 28th of July.

Peggy (christened Margaret) was one of four children, brother Patrick, sisters Kathleen and Mary B born to the late Mary Ann and John Fennessey of Glendelish, Lismore.

Peggy immigrated to England in 1951, where she married her childhood sweetheart Mossie Hale. They had five children Marie, Anne, John, Tony and Kathleen, fourteen grandchildren and four great grandchildren. Peggy and Moss returned to Lacken, Cappoquin in October 1988 where they enjoyed a very happy retirement together.

Mum was a gentle, caring lady, who loved all her family and friends.

Never once complaining, even throughout her illness, she amazed us with her strength and courage, she would say 'take each day as it comes'.

To dad, she was his Angel, to us she was our mother and our best friend.

She will be very sadly missed

by all of us.

Removal took place from the residence to St. John the Baptist, Affane, Cappoquin on Wednesday evening 30th July received and blessed by Fr. Hubbard. The funeral Mass was celebrated by Fr. Barron and assisted by Fr Paddy Fitzgerald on Thursday 31st July followed by the burial at Lismore.

At the end of Mass Gemma Setterfield (granddaughter) recited this poem which she had written for her Nan:

Touched With Her Love  
Blow out the candles and turn out the light.

The sun is now shining so warm and so bright,

Stop all the suffering, remove all the pain.

And search for that sunshine amidst all the rain.

Take God by the hand as you watch us each day.

For we know deep inside that you're not gone away.

Still say all your prayers to keep us all strong.

A family united is how we belong.

We'll look up to heaven and thank God above.

For all of us here have been touched by your love.

Go to sleep now for there's nothing to fear.

We'll hold you close in our hearts as we have through the years.

God Bless you Nan.

Funeral arrangements were by M.J. Noonan and Sons, Funeral Directors, Cappoquin.

## Late Joe O'Sullivan

It is with sincere regret and sadness that we record the passing of Joe O' Sullivan (retired Garda) of 'Kerlounge', Deerpark Road, Lismore who passed to his eternal reward on Saturday, 2nd August after a long illness borne with dignity and courage.

A native of Dromdowney, Mallow, Co. Cork, Joe was a well known and highly respected member of the community. Having finished his secondary education, Joe qualified as a plasterer and a noted one at that. Having joined the Garda Siochana in 1967, he was first stationed in Dungarvan, where he served under Supt. Matt English. It was here he met his wife Monica and they were married in 1969. During that year he was transferred to Tal-low and was stationed there until 1974 when he was transferred to Lismore where he served until his retirement in August 1998.

Joe was a very popular Garda wherever he served, having had an excellent knowledge of the entire West Waterford area, where he was always available to meet and talk to the people whether on or off duty, always treating the people fairly.

During his career in the force he served on numerous occasions on temporary duty on the border, along with the visits of Presidents Nixon and Regan and Ted Heath and many E.U. summits in Dublin and his passing will leave a huge void to his loving wife and family and also his many colleagues in the Garda Siochana.

Joe lay in repose at his home in Deerpark Road when after prayers recited by Canon Nugent, his removal took place on Monday evening to St. Carthage's Church. His coffin draped in the Tri Colour was flanked by a guard of honour by the serving members of the Garda Siochana under Supt. M. Blake and followed by a huge concourse of mourners.

Requiem Mass was offered on Tuesday for the happy repose of his soul. Chief celebrant was Canon Nugent. After Mass the cortege proceeded to St.

Carthage's Cemetery flanked by his retired colleagues in the force. Canon Nugent officiated at the graveside and a decade of the rosary 'as gaeilge' recited by retired Garda John Hurt. Aglish. Joe was laid to rest by his retired colleagues, bidding farewell to a loving husband, father, grandfather, brother and colleague whose memories we will cherish forever.

Ar dheis De go raibh a hAinm dilis.

To his loving wife Monica, sons Jim and Eamon, daughters Joanne and Katherine, grandchildren James and the late Keela, sisters, brothers, sisters-in-law, brothers-in-law, nephews, nieces, relatives and many friends, we offer our sincere sympathy.

Funeral arrangements were by Ryan's Funeral Directors, Lismore.

Requiem Mass on Saturday morning was celebrated by Fr. Geoghegan C.C. assisted by Canon O'Mahoney P.P. after which interment took place in the adjoining cemetery again in the presence of a large gathering.

A true and loyal supporter of the GAA, there was nothing he enjoyed more than a good game. He also enjoyed a good social life. His passing leaves a void in the community that will not be easily filled. May he rest in peace.

# Schools Report Successful Leaving Cert 2003

### Kevin Kirrane

County Waterford's Leaving Certificate classes of 2003 performed with distinction with many schools in the locality reporting points in the high 500's and Higher Level A's.

One student in St. Augustine's College, meanwhile, secured

top grades in all subjects, gaining 600 points, while another achieved an equally impressive 590 points.

Principal of St. Augustine's College, Dungarvan, Fr. Patrick Moran was clearly delighted with the Leaving Certificate results at the school this year.

"Most students appear to have gained enough points for their first or second choices," he said.

Thirteen St. Augustine's students got 500 points or more, and bucking the nationwide trend, they also did extremely well in Science subjects.

"We got A's in higher level papers in eighteen different subjects," Fr. Moran went on to say. "The ordinary level students did very well also and I am pleased for them."

There was good news too for repeat students on the results day last Wednesday as the students improved their points tally by between 55 to 145 points.

Meanwhile, students at the newly constructed Colaiste Chathal Naofa on the Youghal Road in Dungarvan performed exceptionally well.

Pat Buckley, Principal of the Colaiste said a total of around 40 students sat this year's Leaving Certificate. Around twenty of these students sat the Applied Leaving Certificate and a further twenty sat the Vocational Leaving Certificate.

"The majority of the Applied Leaving Certificate students gained distinctions," he said, "and most of these students will be transferring on to one of the nine Post Leaving Certificate Courses here."

He said these include Accountancy, Information Processing and Beauty Therapy courses

run at the college.

"The Vocational Leaving Certificate students also did very well," he added, "with many achieving enough points to go on to do the third level courses of their choice. Many will go to IT's around the country, other third level courses, and to the Post Leaving Certificate courses here."

Mr. Buckley went on to thank the parents and teachers for their commitment throughout the year, and to the students for their application to their studies.

The top performing day school in County Waterford last year - Meanscoil San Nioclás - which was ranked very high nationwide on the numbers of students from the school which went on to third level education in a study conducted by the Sunday Independent, said they were very pleased with this year's results.

Principal Aine O Ceallaigh, said students at the school on average got 400 points, with a number getting over 500 points.

The school, which teaches its subjects through Irish, and moved into its new state of the art building in April, says the emphasis it places on a small student-teacher ratio has been a crucial aspect of its success.

Ard Scoil na nDeise Principal, Margaret O'Brien, also expressed her delight with the results achieved by the school's Leaving Certificate students.

"We are delighted with the results," she said. "I think they almost exceeded our expectations in fact, and I'm very pleased overall."

## Safety Council Concerned At Dramatic Rise In Motorcycle Fatalities

A dramatic rise in the number of motorcycle users being killed on Irish roads in 2003 has prompted the National Safety Council to issue an appeal to all motorcyclists - if you haven't already done so, complete an approved motorcycle rider training course.

Tragically, two people in County Waterford have lost their lives in motorcycle fatalities up to August 14th.

"The mild weather we have experienced since the beginning of the year has seen many bikers take to the roads earlier and more frequently," Chief Executive of the National Safety Council, Pat Costello said.

"This coupled with the fact that relatively low numbers of motorcyclists have received any formal training, our own research indicates that as many as seven out of ten motorcyclists have not received any formal training, could explain the rise in fatalities."

"Therefore our advice is simple, no matter what your age, or level of experience, if you haven't already done so, complete an approved motorcycle rider-training course without delay," he concluded.

# Little Nellie Centenary Weekend in Dungarvan

This weekend sees a very special event taking place in Dungarvan. Nellie Organ, Little Nellie of Holy God, was born in Waterford City on August 24th, 1903. On Saturday evening next, precisely 100 years later, Nellie's birthday will be celebrated at a special Mass in St. Mary's Parish Church. This Mass will be a joyful remembrance of this saintly daughter of Dungarvan. Nellie was instrumental in Pope Pius X's decree Quam Singulari, which reduced the age at which children were able to receive Holy Communion. In recognition of this, it is hoped that many of this year's First Communion Children attend this Mass.

The offertory of the Mass will include items of particular significance to Little Nellie. At Communion time there will be a special rendition of "My First Communion Day". This hymn was composed in honour of Nellie Organ, and sung on December 6th 1907, when she made her First Communion aged just four years old. Following the Mass a commemorative plaque will be unveiled in the porch of St. Mary's Church. This is particularly appropriate, as Nellie's father, William Organ, who lived in Davis St, was a sacristan in St. Mary's. Many local people will remember William taking up the collection at this porch, wearing his dark overcoat and

with his cap folded on the table in front of him. William Organ died on Christmas Day, 1943 and he is buried in Abbeyside Churchyard.

Saturday evening's event concludes with a short (20 minute) video depicting the Life of Little Nellie. This video will be shown in the Assembly Hall of the CBS Secondary School, adjacent to St. Mary's Church.

In conjunction with Saturday's Mass, a very special Exhibition on the Little Nellie will be held in Dungarvan Museum. Opening on Friday 22nd August, the exhibition will run for a week until Saturday 30th August. We have many interesting exhibits on show. Among the items are a tooth of Nellie's, the bed in which she died, a fragment from her original coffin, Nellie's shoes and several toys and ornaments with which she played. Of particular interest is

the statue of The Child of Prague which "danced" for Nellie and through which she spoke to Jesus. Also on display will be a large selection of images and photographs that relate to Nellie's life and her impact after she died. Chief among these is a unique series of 18 glass negatives depicting Nellie's life. These images were processed in Paris shortly after Nellie's death in 1908 and featured in a French book published at that time. These images are of superb quality and have lain dormant for much of the last 80 years only now being available for viewing to a wider audience.

## Composting Clinic

Composting is a natural process...so natural, it happens everyday around you. Organic materials rot or biodegrade naturally into a brown/black crumbly material that can be used in your garden as a soil improver/natural fertiliser. The 'breakdown gang' of insects, worms, fungi, bacteria and micro-organisms break down the materials placed in the compost bin. High temperatures of between 60° - 70° help to break down the materials further. When composting, it is important to get the correct mixture of brown material (approx 2/3) and green material (approx 1/3) to place in your compost bin. Brown materials are usually dry and include eggshells, sawdust and wood shavings, cardboard, dry leaves, straw and hair. Brown materials are slow to rot and are rich in carbon. Green materials are usually moist and include green leaves, grass cuttings, vegetable and fruit peelings, tea bags, and flowers. Green

materials act as a natural activator and help to speed up the composting process.

This brown/green mix usually gives the best results. But ... as with most things, getting the correct mix comes with experience!

## Green Schools Seminar

Green-Schools is an international environmental education programme, designed to promote and acknowledge whole school action for the environment. Green-Schools offers a well-defined, controllable way to take environmental issues from the curriculum and apply them to the day to day running of a school. This process helps students to recognise the importance of environmental issues and take them more seriously in their personal and home lives. This seminar is open to teachers, pupils and parents and will be held in Civic Offices, Dungarvan on September 23 at 7.30pm.

## Competition for Home Composting Unit

What brown & green mix usually gives the best results when composting? Answers (including your name and address and contact telephone number) should be sent to Ann-Marie Kenna, Environment Awareness/Education Officer,

Waterford County Council, Civic Offices, Dungarvan within the next 7 days.

Also, please state the name of the newspaper in which you read Environment Today.

## DEATH

It was with great sadness that we recorded the sad passing of local farmer Larry Coffey which occurred on the 31st of July at the WRH following a brief illness. Larry's remains were taken to Droghda funeral home Dungarvan where he reposed on Friday and Saturday. On Friday evening rosary and prayers were recited by members of his family. On Saturday evening Larry's remains were taken to St. Anne's church Ballylaneen followed by one of the largest crowds ever seen in Bally. Larry's remains were received by Fr. Alan O'Sullivan OP family friend, Fr. Enright and Fr. Delaney also were in attendance. Requiem Mass took place the following morning, celebrant was FR. Enright he was assisted by Fr O'Sullivan. The readings, prayers of the faithful, and offertory procession, was carried out by family members. After mass Larry's remains were taken to family grave and after graveside prayers he was laid to rest under a carpet of floral tributes. Larry was a great community man who lived life to the fullest. He enjoyed dancing especially waltzing, he was also a great GAA man and loved everything about the sport. Larry's faith was everything to him and his family. You would always find him attending Sunday Mass and receiving the sacraments. His religion meant everything to him and his family. The love of his life was his wife Biddy. They both ran the family farm lending to the animals in the best way possible. Also Larry was very proud of his two sons Michael and Paddy and their wives, also his daughter Maura and her husband Sean. He especially had great time for his grandchildren and his one great grandchild. He will be sadly missed by all in the Bonmahon and Stradbally area as his face and presence was very important to all in the locality. He is survived by his

daughter's in-law and son in-law, grandchildren and great grandchild, nieces and nephew and friends. May God and his Angels have mercy on his soul.

The Science of Farming and Food

## DAIRY: GRASS, GRASS AND MORE:

v Building up grass surplus.

v August is your last chance to grow most grass this year.

v Many farms have too much grass after a great July

v If you have far too much grass either bring in cattle to graze it or make some round bales

- Most farmers need an average farm cover of 900-1100 kgs DM/Ha; so, taking out paddocks should not leave you below this figure.

- Otherwise, you won't have enough grass in Sept/October.

v If you are not grazing out paddocks well enough you must top:

- Why?

- Because, this and the next rotation will be 30-40 days long which will result in the dung pad area having 4000-5000 kgs Dm of grass on them – a huge amount.

- The result will be that they will be poorly grazed out.

v Regardless of having too much grass now, you must use Nitrogen.

- Don't skip paddocks, you will have little or no grass in 4-6 weeks time.

- Stick by your nitrogen requirement for your stocking rate.

v The following nitrogen guidelines are suggested for early to mid August application:

- Very low stocking rate: 13 units CAN/acre.

- Medium stocking rate: 20 units CAN/acre.

- Highish stocking rate: 30 units CAN/acre.

v Did you notice that it is suggested to apply it in early to mid August?

- Yes.

- There is much more growth early in August than late in August.

- The last application of N goes on in early to mid September.

- Every acre on the farm should get its nitrogen on the one day in early August.

- It will be time saving, more convenient, will definitely grow more grass than if delayed to late August (10-15% more), and it won't affect the animals.

Rotation Lane:

v You are now on the 3rd last rotation.

- So, you must set yourself up for next spring.

- Why?

- Because the fields you will graze first next spring will be dry ones near the farmyard.

- So, they will be the paddocks that should be grazed first in this rotation.

v The rotation length in August would want to be 20 days early in the month going to 30 days at month's end.

- If shorter you must take steps to lengthen.

- Feed baled silage that was cut off paddocks earlier in year; this will result in no loss in milk or protein (Moorepark) if quality was good.

- Or, feed meal, pulp, for a few weeks.

v If having to top paddocks, remember the rotation length will have to be increased by 3-4 days if you are to have enough grass at the next grazing.

## BEEF: SUCKLER REPLACEMENTS / BREEDING

Spring calving herds should have the stock bull removed at this stage in order to avoid late calves and an extended calving period. Prepare now for getting cows scanned once at least 30 days has elapsed since service of the last cow.

This is a good time to identify potential breeding heifers from this years weanlings. A heifer of good size with a good weight for age (+280 kg at 7 months) indicates her dam had a good milk supply which is a trait that is well transmitted to her daughters. Good milk yield and the ability to calve easily are essential traits for a commercial suckler cow. Cross bred heifers have the advantage of hybrid vigour which assists milk yield and fertility which can be further enhanced where heifers are bred from sires with good maternal traits. Early born heifers can be calved down at 2 years and later born animals can be calved at 2.5 years in Autumn. Is it possible to separate heifers for future breeding (with their dams) from the main herd and keep them in an area where they can be exposed to more handling to leave them easier to manage as in-calf heifers/cows.

## RESEEDING

Reseeding jobs should be completed by late August and this is especially important to facilitate a good clover establishment. The present dry spell may have allowed some of the "wet spots" that have developed on dry land in recent years to dry out so that some subsoiling and levelling can be done. In most cases the surrounding land and subsoil are dry and a small amount of work will solve the problem provided there is not an underlying drainage problem.

## EXTENSIFICATION

The third date for extensification has been announced by the Department of Agriculture as Sunday 20th July 2003. Now we know the first three dates for 2003, these being 19th January, 27th April and the 20th July. While this year it is not necessary to return any form to the Department of Agriculture it is important that you look at your figures for yourself to see if extensification is an option.

## HOLIDAYS

Have you taken a break yet? A good motto to remember is that "you work to live not live to work". More and more farmers realise the need to recharge the batteries. If you have young children the time to take a family break is running out as the new school year will shortly be upon us.

## Dates to Remember

An open day at the Teagasc / Tipperary Co-Op research farm at Solohead (beside Limerick Junction, 4 miles from Tipperary Town) will be held on Tuesday September 2nd beginning at 10.30 a.m. The main features will be farming at lower nitrogen levels and clover

## DEPARTMENT CAUTIONS ON HEAT STRESS OF FARM ANIMALS IN INTENSIVE UNITS AND DURING TRANSPORT

Terence Morrissey, Morrissey & Associates, presenting his prize to Peter O'Connell for the Pedigree Simmental Class at Dungarvan Show to Peter O'Connell. Included is judge, Martin Collins. —(Photo: Rory Wyley).

The Department of Agriculture and Food reminded all farmers and transporters of livestock that farm animals are at risk of suffering from heat stress during hot summer weather. This particularly applies to pigs and poultry, while either housed or during transport.

All those in charge of animals on-farm or during transport are legally obliged to ensure that all necessary measures are taken to prevent any unnecessary suffering. To minimise stress during high climatic temperatures, preventative steps should be taken to ensure that the animals can cope. These include: increased frequency of inspection of animal behaviour, reduction in stocking density, provision of adequate ventila-

tion, increased water supply and availability, provision of additional cooling mechanisms and shade from the sun.

Additional stand-by arrangements should be made with the abattoir to allow for increased cull rates to reduce stocking densities and to minimise queuing times on arrival.

It is a legal offence to cause or allow unnecessary suffering of animals, both on-farm and during transport.

The Department emphasised the importance of farmers and transporters anticipating difficulties which might arise as a result of prolonged periods of high temperature and making the necessary contingencies, as well as ensuring immediate remedial action should difficulties become apparent.

## CAP Unfairly Blamed for Problems in Developing Countries

Con Lucey, Chief Economist, IFA

The next major decisions affecting the long-term future of Irish agriculture will be made at the Ministerial meeting of the World Trade Organisation (WTO) taking place in Cancun, Mexico, in September. The WTO consists of over 140 countries including the EU which negotiates as a single block. The agreed WTO objective is to continue the process started in 1993 of reducing protection and support for agriculture worldwide. If a new world trade round is agreed it will be phased-in over the 2006 to 2012 period.

IFA has recently launched its report on "the CAP, Developing Country Issues and Globalisation" to challenge the critics of the EU agriculture policy who tend to blame the CAP for many of the problems of the developing countries of the world. The central conclusion of the report is that these critics are ignoring the facts both in Europe and in the developing countries. The EU has substantially reformed the CAP to take into account world trade pressures, and the EU is the main market for agricultural products from developing countries.

The recent reform of CAP agreed by the Council of Ministers in Luxembourg is part of a series of reforms started by MacSharry in 1992 and continued by Agenda 2000; all these policy changes have been driven by the GATT/WTO agenda.

The main thrust of CAP reform has been a switch from price supports to direct payments, and following the Luxembourg agreement 60% of the direct payments will be fully decoupled from production. EU export refunds which accounted for 37% of the CAP budget in 1990 now account for only 8% of the budget. Earlier this year the EU put forward a compre-

hensive offer on agriculture in the WTO negotiations, including an offer to reduce its import tariffs by an average of 36% in the new world trade round. This offer has been made possible by the Agenda 2000 and Luxembourg reforms, and goes a very long way to meet the interests of the developing countries.

The alternative to the EU strategy is the "globalisation" strategy of the Cairns group (Australia, New Zealand, Canada and a number of South American countries) and the US to some extent, which would be extremely negative for both the developing countries and the EU.

Some critics are also failing to acknowledge that the major factors preventing development in many of the developing countries are not trade issues but internal problems, including conflict, disease pandemics, and undemocratic and corrupt government.

The EU is by far the largest importer of agricultural products from developing countries, importing more than the US, Canada, Japan, Australia and New Zealand combined. Over 70% of the agricultural exports from the 49 least developed countries go to the EU market.

The EU offer on agriculture in the WTO

The main elements of the EU offer to the WTO are as follows, including a general commitment on "special and differential treatment for developing countries":

- Market access – "Everything but arms": The EU is offering total full and free access to all imports from the 49 least developed countries (LDC's). The EU has already implemented this from 2001 for all but three products, and it will be phased-in for these products during the new round. The EU

is proposing that all other developed countries do likewise.

- Market access – general tariff reduction: the EU is offering an average tariff cut of 36%. When combined with the 36% cut under the Uruguay round, the EU will have cut its tariffs by almost 60% by 2012.

- The EU is offering to cut the budget expenditure on export refunds by 45%, provided that all forms of export subsidies including US export credits are treated equally, and to phase out export refunds for certain products.

- Food aid: The EU position is that food aid should not be used as a form of export subsidy, but only for well recognised emergencies, and preferably in grant form as it can depress prices and production in recipient countries.

- Internal supports: Commissioner Fischler has stated that the EU is putting 60% of its direct payments into the fully non trade-distorting "green box" category.

Globalisation is not the answer – developed and developing countries need agricultural policies

The objectives of agricultural policy in the EU include stable prices and supplies for consumers, food safety and traceability, reasonable incomes for family farmers, management of the natural environment, and retention of a viable rural economy. Developing countries require their own agricultural policies to develop their agri-food sectors from a low base of knowledge, capital and technology, including some protection from extremely low-price imports.

The alternative outcome is globalisation, which would mean that agricultural policies would be abandoned and market forces and multinational trading companies would determine

where food is produced, what food is produced and how it is produced. IFA rejects globalisation for agriculture for a range of reasons:

- Primary producers in all regions of the world would lose as prices are forced down by multinational traders. The experience from the world coffee market illustrates this.

- Two billion people in developing countries would be marginal to the world economy, as they would have not have the technology or capital to compete, and their current political influence would be overwhelmed by market forces.

- The multifunctional role of agriculture in the EU, including its environmental, food quality and rural development roles, would be abandoned.

- EU consumers would have to accept whatever standards of food safety was determined by major exporting countries or international scientific bodies, e.g. in relation to GMO's.

- National governments and the EU would be handing over agri-food policy to multinational trading companies, whose interests are to maximise profits.

### CONCLUDING COMMENT

Clearly the EU is in a strong bargaining position in the upcoming WTO ministerial meeting in Cancun, following the recent CAP reform decisions. The EU offer to the WTO is particularly sensitive to the objectives of the developing countries, many of which have strong historic links with EU countries.

IFA's position is that the EU negotiators should not concede any more that contained in the EU offer and the CAP reform outcome. Farmers in Ireland and the other EU countries should not have to pay twice in order to achieve a WTO deal.

# Fennessy Clan Gather In Style

The Fennessy Family History Meeting and Clan Gathering was a great success in the plush surroundings of the Minella Hotel on 8th-10th Aug last. They came from America, England, New Zealand, Canada and Ireland. Over 50 clan members gathered for the weekend and some stayed beyond to carry out research and field work in tracing family ancestors.

Our conference was opened officially by the new Mayor of Clonmel, who was

made an honorary Clan Member for the weekend. Wonderful talks were presented on various aspects of family history ranging from the use of DNA in tracing ancestors and relatives even back 23 generations, to the Fennessy Oak Tree.

Speakers from all parts gave us the benefit of their research, commencing with Nancy Fennessy from Boston who spoke on the DNA project. Brian Fennessy from New Zealand spoke on the lifes work of Kevin Edward Fennessy his father, who was also elected Clan Chieftain at the conference. Dr Michael Fennessy from Plymouth, England read a paper submitted by Neil Finis of California on the Pursuit of the name Fianguis in ancient texts,

our believed founder of the clan. Aine Ni Fhiannusa read Richard J Fennessy's 'Case for Fianguis' including a wonderful epic poem composed by himself.

Larry Fennessy from New York relayed the story of the Leeds River flood disaster in which some Fennessy clan members perished in the 1800's. He also added some wonderful humour and comedy to the weekend and did a word play on the Fennessy Family Motto - 'God will help us to do right'.

Paul Fennessy, Plymouth spoke on the Fennessy connection of Ballinattin and Kilkenny. John Fennessy of Delgany, Wicklow, formerly of Ballyduff Upper gave us a wonderful talk on the Irish Oaks with particular reference to our own oak Quercus Robur Fenessii. Sioux Fennessy from Manchester gave us the benefit of her extensive research in the Registry offices in Englands producing reams of records to share. Aisling Roche, Waterford city, aged 10 gave us a brief look at the life and work of Padraig O Fian-nusa, her grandfather.

The proceedings were chaired and organised by Aine Ni Fhiannusa and Dr Michael J Fennessy. The Clan Banquet on Saturday was the highlight of the weekend, with superb dinner followed by the excellent entertainment of Cuil Ceoil, a group of young entertainers from the Coolnasmear area who astounded the banqueters with their talent.

All in all it was a wonderful gathering. Our thanks to Phil Prendergast the Mayor of Clonmel who honoured us with her presence for a second time, at the banquet with her husband Ray.

Our thanks to the Hotel Minella, proprietors and staff for wonderful hospitality and ambience. To Bernard Fennessy, Town Sargeant, Clonmel for assistance in preparing the conference, and to anybody else who helped in any way to make the gathering a memorable one.

In signing off, our thanks to the offices of the Leader for assisting us to publicise our meeting and report on its outcome. Aine Ni Fhiannusa

## Historic First For Melleray Scout Centre

### NATIONAL SCOUT CRAFT COMPETITION TO BE HELD IN MELLERAY

For the first time in its history, the National Scout Craft Competition is to be held on the grounds of Mount Melleray Abbey.

The Melvin Cup will on offer for the last time at Melleray having come into existence in 1934 and over 500 scouts will be in attendance from across Ireland for the event.

The competition includes a number of disciplines including camping, hiking, orienteering, and public speaking, and will officially start on Friday 22nd of August, and close on Sunday 24th.

Mount Melleray has been competing to host the event since 1948, and this is its first time achieving that goal. Due to a lack of strength in numbers locally, however, the nearest teams competing will be from Clonmel and Waterford City.

The Melvin Cup will be retired and retained in Mt. Melleray Scouting Museum following this year's competition.

## Final Summer Concert In Lismore Cathedral

The musical Summer season in Lismore Cathedral will come to a close with a recital by Andrew Healy, oboe, and Jan Van Putten, organ and harpsichord, this Saturday at 4:30pm. The season has been very successful with prominent musicians and choirs visiting St. Carthage's Cathedral.

Andrew Healy played the oboe since he was fifteen, he has been playing in all major orchestras in this country. Next Saturday he will play sonatas by Antonio Vivaldi and Tomaso Albinoni. Both composers have in common that they lived in Venice in the first half of the eighteenth century, but it is doubtful whether both men ever met. Vivaldi who travelled all over Europe was the influential composer. Albinoni was a more insular personality, but his output was immense and during his lifetime his music was much in demand, as much as it is now.

Jan Van Putten will contribute to this recital with compositions that illustrates symbolism in Baroque music: a work by Dietrich Buxtehude allegedly reflecting the phases of the moon, a composition by Johann Kaspar Ferdinand Fischer (who greatly influenced J.S. Bach), mirroring the prayer cycles of the rosary and works by the great Bach himself, illustrating the importance of effects and numbers in his compositions: Ten Commandments, the three persons of the Trinity, etc.

Admission to this concert, which starts next Saturday at 4:30pm, is free. There will be a voluntary collection in aid of the Cathedral Restoration Fund.

### CAPPOQUIN COMMUNITY CENTRE

The Cappoquin Community Development Co. Ltd recently held Public Meetings in Melleray, Affane and Tourin to promote the benefits that the Community Centre will have for the residents of Cappoquin and surrounding areas as well as the most practical way to finance the Centre.

At all three meetings, the feedback was extremely positive with some valid questions and concerns raised. The Cappoquin Community Development Co. Ltd would like to thank everyone who attended the meetings to show their support for the project and to ask their questions in relation to the Centre. There will be further meetings in the near future as well as correspondence issued to residents to explain in detail the facilities offered by the Centre and how we can all help to build it.

As this is a community venture, it is important that we all participate in discussing the issues surrounding this project, to work them out and get this centre built! As with everything in life, there will be obstacles to overcome and challenges to be met however, they should not impede our ultimate goal as a community. And that goal is to provide facilities and services for all our residents today and for the future and ultimately enhance our community to make it a more pleasant place to call home.

If you would like additional information about the Community Centre, please drop in to the office on Main Street during the day, call 058 53333 or email to [ocappdev@eircom.net](mailto:ocappdev@eircom.net).

## DO YOU HAVE "A FRIGGER" IN YOUR HOME?

Everyone in Waterford has a frigger of some sort...on the sideboard, the mantelpiece, the closet or in his or her drawers! In the US they are called whimsies and in Scotland - whigmeleerie!

The Glass Society of Ireland is holding a major international conference in Waterford from 17th to 21st September. Many glass related events are taking place; workshops, tours, lectures and exhibitions. One of the exhibitions being organised by the local branch of the Society, the "Waterford Friggers", will be a display of friggers from the Waterford area.

Friggers or "end of day" glass was any item made by the glassworkers in their own time at the end of the day using up the remaining molten glass in the pots. Sometimes these were fun items, like walking sticks or animals made of glass. Sometimes they were items for the glassworker's own home; and sometimes they were for sale. In Waterford, in the furnace area, swans, fish and walking sticks were common and in the cold section, pyramids, cannon guns and special engraved pieces were produced.

Friggers were popular in many glassmaking regions of the world especially in the late 18th and 19th centuries, and included such objects as jugs, candlesticks, ship models, animal figures, tobacco pipes, rolling pins, bells, hats, witch balls, musical instruments and walking sticks.

In order to find the best of the friggers for the exhibition, that takes place 3rd - 21st September in Waterford Museum of Treasures at the Granary, a special "Waterford Friggers Roadshow" will be held in Dooley's Hotel on Tuesday 26th August. This will be a fun day where everyone is invited to come along with their frigger and put it on show for the day. The selection process will be presided over by Mary Boydell, who is recognised as the Grande Dame of Irish Glass. There will be prizes for the most interesting pieces.

"We expect a great response from the people of Waterford and are hopeful of finding some really great glass gems," says Martin Dwyer, one of the organisers, who launched the event on Billy McCarthy's Deise AM programme on WLR last Thursday. To get the interest going, Billy asked the audience 'what is a frigger?' The phone lines were hopping with all sorts of responses!

So, dig out your frigger from the attic and come along to the great Friggers Roadshow. All invited to attend this fun day. It will be a great opportunity to view the treasures of glass in Waterford and learn as Mary gives snippets about their history.

Venue: Dooley's Hotel in the Rita Nolan suite

Date: Tuesday 26th August. Drop Off: 10am - 4pm Review and Judging: 3pm-5pm Collection: 5pm - 6pm

## CAPPOQUIN/AFFANE G.A.A NOTES

### WESTERN INTERMEDIATE HURLING CHAMPIONSHIP

#### Cappoquin and Lismore Finish All Square

Cappoquin 1-8 Lismore 0-11  
Cappoquin and Lismore met at the Sportsfield on Sunday last, where a draw was a fair result at the end of play. Lismore opened the scoring, Martin Power replied with a point. Lismore added a further two points before Shane Fraher sent a low hard shot in the corner of the net to put Cappoquin ahead. Further two points from Kenny Mason and Martin Power and a point from Lismore, left the scoreline at half time 1-3 to 0-4 in favour of Cappoquin.

In the second half Cappoquin seemed to take the game more to Lismore with points from Paul Lacey, Richie Scanlon, Paul Landers and Martin Power (0-2), with less than ten minutes remaining Cappoquin led 1-8 to 0-8 but to their credit Lismore battled back bravely. At this stage also Paul Landers had a glorious chance of a goal to seal the issue when it seemed easier to score than to miss, but these things happen now and again to the best of players. Overall every one of the Cappoquin players tried hard.

Team: Donal O' Rourke, Kevin Looby, Tom Mansfield, Anthony McCarthy, Shane Coughlan, Paul Lacey, Donacha Cummins, John Buckley, John Lynch, Liam McLaughlin, Kenny Mason, Martin Power, Paul Landers, Shane Fraher, Jamie McGrath.

## BRIDEVIEW Utd A.F.C. NOTES

# Major New Developments At Brideview Park

## Exciting Times Ahead For Brideview United

The green light has come on for the committee of Brideview Utd and it's now full steam ahead for the club with work due to start within a matter of weeks.

Michael Sheehan, Chairman of Utd was upbeat last weekend. A big clean up job was done on Saturday morning last, stated Sheehan. We are now moving ahead with major developments starting within the next two-three weeks.

We are starting with an all weather pitch which we hope to have up and ready for use in early October. We are also putting tarmac down in the car park and around the dressing rooms as well as lighting up our main pitch which will see games taking place on Friday and Saturday nights, added Sheehan.

We will have two pitches, one for Junior and one for Schoolboys as well as the all weather pitch. The all weather pitch can be used by all clubs not alone from the town but also from the surrounding areas, continued Sheehan.

What is also pleasing to see is some new players and faces signing up for many of our teams. This is the way forward for the club, added Sheehan.

The big kick off is next Sunday with the Tony Bolger Cup and we will be fighting to retain this Cup, stated Sheehan.

To add to all of this we have a festival to run and this kicks off in a weeks time. Due to increasing insurances it may be the last festival, added Sheehan. Indeed there are some new laws coming into force in September or October that will make it very difficult for any festival to survive, added Sheehan.

All of this will keep our committee working hard for the foreseeable future. Having said that it's going to be a very exciting time ahead. The all weather pitch should also bring some new business into the town and I'm sure the local businesses will be delighted with this, stated Sheehan.

Yes, it's going to be a very exciting time ahead for the club.

### LOTTO JACKPOT

Last weeks numbers were 1-5-19-23. No winner. Match 3

## TALLOW SENIOR CITIZENS

Our Summer outing on Tuesday last was great success. The bus left the square at 10am.

Our first stop was the Waterford Crystal Factory where we got a conducted tour. We saw the glass being blown, cut, polished and engraved by the highly trained and professional workers.

After coffee and a look at the showrooms we went into the city for a spot of retail therapy and lunch. Judging by all the

shopping bags being brought back to the coach we can safely assume the contribution to the economy was greatly appreciated by the Waterford traders.

It was then off to Tramore where we spent two hours in the lovely sunshine by the beach.

We got back to the Park Hotel at 7.30pm where we all enjoyed a lovely dinner.

After dinner Batty Prendergast entertained us with some great music. There was no shortage of volunteers to sing and it must be said the standard was extremely high.

Having danced the night away we left for home around midnight after a very enjoyable day out.

We were blessed with fine weather and our coach driver who was extremely helpful and co-operative.

### WELL DONE

To all the local boys and girls who got terrific marks in their exams. A right brainy bunch we have. Congratulations to everyone.

### NEWS TO HAND

My good friend was caught house hunting on Sunday evening last much to the delight of the better half. The boys made the money on Friday evening in Tramore but the Convent St. boy failed to stand a drink for his friends. The hen party was in full flight on Saturday night last.

### CONGRATULATIONS

Yes to local girl Corrina Ahern who is at present Waterford Miss Macra. This weekend Corrina will go to represent the county in the International Miss Macra competition in Thurles. Corrina's Mum and Dad, Teresa and Con will no doubt travel to give her some extra support. We in Tallow wish her the very best of luck.

### PRESENTATION

The club made a presentation to Kevin Murphy last week for his terrific performances at the Special Olympics. Kevin represented his county and did everyone proud scoring a goal against Germany. We wish Kevin the best of luck in his future ahead. Indeed he will most likely be the only person from Tallow to win a medal like this so it really was a marvellous achievement. Well done again Kevin.

### Senior Hurling

After the bitter disappointment of our championship defeat against De La Salle (see match report elsewhere from Doyler) our senior hurlers travel to play Ballyhea this Wednesday in the Munster club league.

### De La Salle 2-9 Tallow 1-11

An agonising one point defeat was our lot in rain washed Cappoquin on Sunday evening last and it's back to the drawing board to pick up the pieces to re-mount our challenge for honours through the losers group. To be truthful it was a game we were quite capable of winning but apart from some outstanding individual displays it took us until the second half to combine and play hurling as a unit and facing a deficit of 1-8 to 0-4 on the turnover in such wet conditions was just a step too far.

Mark Geary, who hurled splendidly all through had our opening point after just 3 minutes and the fact that we had a total of four at the break tells it's own story. Having said that we still managed to create many scoring chances but most went begging. Along with Mark Geary, James Murray turned in another power packed display at centre field and with some positional switches working to a reasonable degree we got ourselves back on track with some fine points from Paul Kearney. Then 15 minutes into the second half a short clearance from the De La Salle defence was collected by Brian Henley who sent a rocket to the back of the net and we were now hurling with the kind of fluidity of which we are capable of. Another Paul Kearney point from a free in the 21st minute had us level for the first time in the game and it seemed that we were playing well enough to secure victory but in the dying minutes a hitherto subdued John Mullane (who was superbly marshalled by Will McDonnell all through) tatched on to a loose pass to give Barry Power no chance between the post. A further point to Tallow narrowed the margin to the minimum but time eventually ran out and victory went to the city based team.

A disappointing result and none more so than for the hurlers themselves who have put in a great effort this year to date. There is still a lot of hurling to be done and I've no doubt they will bounce back.

Team: Barry Power, William McDonnell, David O'Brien, James Beecher, Aidan Kearney, Paul Murray, Shane (Fin) McCarthy, Mark Geary, James Murray, Paul Kearney, Brian Henley, J.P. Grey, Paul O'Brien, Sean Slattery, Roy Henley.

## Emotional Farewell To Fr. John Cahill CSSP

At the Vigil Mass in St. Mollerns parish church, Carrickbeg on Saturday evening, 9th August, the feast of St. Romanus (martyr) was an emotional occasion when the parish of Carrickbeg/Windgap said farewell to Rev. Fr. John Cahill CSSP, who had been a curate there since 22nd October 1986. The Mass was celebrated by Very Rev. Fr. Tom Flynn P.P. assisted by Very Rev. Fr. John Cahill CSSP and Rev. Fr. Michael Mullins, a native of the parish. During the week, parishioners were asked to contribute whatever they wished as a 'thank you' to Fr. Cahill and collectors were agreeably surprised by the huge re-

sponse. After Mass, Fr. Flynn P.P. made the presentation in the Community Hall and he thanked Fr. Cahill for the wonderful work he has done in the parish over the last seventeen years and he wished him health and happiness on his retirement in Rockwell College. Fr. Flynn P.P. gave credit to the loyal parishioners and said it was important particularly at this difficult time to know that Priests were appreciated. Other speakers included John Dowley on behalf of the parishioners, Helen Kelly on behalf of the Parish Council and Patsy Murphy as a neighbour of Fr. John. Fr. John in reply was

sorry and lonely to be leaving Carrickbeg where he made some great friends and honestly he felt he had not an enemy. In the Parish he served under three parish priests, Rev. Fr. Martin Slattery P.P., Rev. Fr. Pat Fitzgerald P.P. and Rev. Fr. Tom Flynn P.P. and he thanked everyone for making his time in the parish a happy one. Fr. Cahill was and is a staunch supporter of Cork GAA teams and said that in his home in Rockwell College he will be very near Thurles and hopes to see his favourite team play there often. An interesting personal side story to the happy occasion was renewing acquaintances with three sporting colleagues of the 50's and 60's who happened by chance to be attending Mass having playing in a golf outing at Carrick Golf Club. Gerry Cleary (Tennis and Rugby), Leslie Dowley (Rugby) and Pat O' Shea who won South Tipperary championship medals with the Swans. The trio had left Carrick nearly forty years ago and with such a large gathering attending the special occasion Mass, they had an opportunity to meet again with many old friends. Gerry Cleary was very pleased to speak with Fr. Cahill, whom he had known as a curate in Athy before he came to Carrickbeg.

## Sinn Fein Welcomes All Ireland Phone Rate

South Tipperary Sinn Fein spokesperson Muiris O'Suilleabhain, Ard Paddín, Kilmanahan, Co. Waterford has welcomed as a positive first step the announcement from mobile phone operator O2 (Ireland) that they are to introduce an all Ireland call rate for business users and ordinary consumers. O'Suilleabhain said 'this announcement from O2 (Ireland) is a positive first step towards the development of a truly all Ireland mobile call rate. Up to now it has been a source of immense frustration and anger for people travelling to the six counties both on pleasure and business as they incur charges for receiving calls once they cross the border as a result of so called roaming charges'. To most people the border has lost any real relevance. Social and economic contact is increasing all the time and O2's announcement is an acknowledgement of that fact. I wish all the other mobile phone operators in the 26 counties to follow the example of O2 and introduce similar all Ireland rates for their customers. There is absolutely no justification what so ever for people being charged for roaming call while still on the island of Ireland by any network.

## RECENT DEATHS

### Late Mr. James Richard Power

It is with deep and sincere regret we record the tragic death of Mr. James Richard Power, Pinewood Drive, Kilmacomma, Clonmel which sad event took place at his residence on Saturday 9th August.

Deceased in his early twenties was a member of a well loved and respected County Waterford family. His older brothers Bobby and Connie are outstanding footballers with the Nire and Waterford and they are also outstanding soccer players with Kilmanahan. The deceased also played soccer with Kilmanahan and with the Nire Junior footballers and he was to be on the team on Saturday evening v Modeligo.

He was a loving, kind, young man always jolly. He was employed as a builders labourer with Pat Hallahan Building Contractors who at present are building four cottages at Clogheen, Ballymacarbry. He was a favourite with all the other workers.

He was a person of many charming traits of character. His gentle, good humoured and obliging nature, mild manner and unassuming disposition, commended him to all who were privileged to have known him and his passing at an early age has come as a great shock to his parents Connie and Peig, his brother Bobby and Connie and his twin sister Rose.

Many tributes have been paid to this fine young man but perhaps the finest tribute was paid to him on Sunday evening when thousands of mourners were present when his remains, after prayers were recited by Very Rev. Fr. Bobby Power C.C., St. Mary's, Clonmel, were removed from his residence to the Parish church of St. Laurence, Fourmilewater where they were met by a guard of honour from the Kilmanahan Soccer Club and a guard of honour from the Nire Football Club. His remains were blessed and received by Rev. Fr. Bobby Power C.C. assisted by Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena.

On Monday evening, the feast of St. Tiburtius and Susanna (martyr), con-celebrated Mass was celebrated for the happy repose of his eternal soul, the chief concelebrant was Very Rev. Fr. Bobby Power C.C., St. Mary's, Irishtown. Other priests concelebrating were Rev. Fr. Michael Joe Ryan P.P., St. Mary's, Irishtown, Rev. Fr. Edmund Tobin,

P.P., Fourmilewater/Newcastle, Rev. Fr. Thomas Morrissey, Mollough, retired P.P., Burncourt/Clogheen, Rev. Fr. Tom Murley C.C., St. Olivers, Clonmel, Rev. Fr. William Ryan, P.P., Ballybricken, Rev. Fr. Sean Nugent, P.P., Burncourt/Clogheen, Rev. Fr. Colum O' Ryan, P.P., Los Angeles, U.S.A.

Before his remains left the Church a homily on his life was narrated by Michael Ryan, well known Ladies Football manager on what deceased had achieved during his short lifetime. After Mass as a beautiful easterly breeze blew in from the Comeraghs, on a beautiful Autumn evening, he was taken to his place of rest in St. Laurences Cemetery, Fourmilewater. A guard of honour was provided by Kilmanahan Soccer Club. Fr. Bobby Power C.C. officiated at the graveside and a decade of the rosary was recited by Rev. Fr. William Ryan P.P., Ballybricken in the presence of the largest concourse of mourners every seen in the district paying their final respects to a Christian friend whose memory they will long treasure.

As his remains were laid in the grave, some of his favourite tapes and music were played to the mourners for some time.

To his parents Connie and Peig, brother Bobby and Connie and his twin sister Rose and his many relatives we extend our deepest sympathy.

Go raibh coinnle na bhflaith-eas ar lasadh do ar feadh na sior-riochta.

### Late Mrs. Catherine Griffin

Profound and sincere feelings of regret were widely expressed on the news of the death of Mrs. Catherine (Kitty) Griffin (nee Lonergan), Kncokperry, Ballymacarbry, Clonmel, Co. Tipperary which sad event took place at St. Joseph's Hospital, Clonmel on Friday 8th August. Deceased in her mid seventies was a member of a well loved and respected South Tipperary family. She was formerly a member of the Lonergan family of Ballybacon, Ardfinnan. She was a very estimable lady of many charming traits of character. Her gentle, good humoured and obliging nature, mild manner and unassuming disposition commended her to all.

Many years ago she married William Griffin, a farmer from Knockperry and became his loving wife and a mother to his

family, to them she was utterly devoted and they in turn thought the world of her. She was a lady in every sense of the word, each weekend she travelled to Clonmel to do her weekly shopping. She was a woman who loved her flower garden, in it she was at home. She was a woman who was at home with her knitting needles and for her family she knitted pillows, stockings and all things worn by a family.

She was highly respected by her family, neighbours and her many friends who recognised and appreciated her as a caring neighbour who could always be relied upon if help was needed. Of quiet and unassuming disposition she had a great sense of fun and humour which made her delightful company. She was a person possessed of a deep faith and practised her religion devoutly and rarely missed a church function.

The measure of the esteem and high regard in which deceased and her family are held as clearly indicated by the large concourse of mourners who were present when her remains after prayers and rosary were recited, were removed from Condon's Funeral Parlour, Clonmel on Saturday evening to the parish church of St. Mary's of Newcastle where they were blessed and received by Very Rev. Fr. Patrick Condon, C.C., Fourmilewater/Newcastle.

On Sunday morning, the feast of St. Laurence (patron saint of Fourmilewater parish), the 10am Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Patrick Condon C.C. assisted by Rev. Fr. Patrick Hallinan, retired Australian mission and Rev. Fr. Thomas Moresby, retired parish priest, Clogheen/Burncourt. In his homily, Fr. Condon C.C. spoke of this lady as a farmers wife, as a mother, as a neighbour and all that she contributed to life in a rural district. After Mass on a beautiful August day as the sun beamed down, she was taken to her place of rest in the adjoining cemetery and there in the family plot, she was laid to rest.

May the soil of Caislean Nua na Suire rest lightly on her grave.

To her husband Willie, sons, daughter, sister and her many relatives we extend our deep felt sympathy.

Go raibh loistin den scaith aige I measc na Naomh.

## Pretty Wedding At Fourmilewater

The beautiful Roman Catholic Parish Church of St. Laurence at Fourmilewater on Friday, 8th August, the feast of St. Cyriacus and his companions, martyrs, was the scene of a very pretty wedding. The contracting parties were Dale, son of Patrick and Eileen Long, Portlawn, Co. Waterford and Geraldine, S.N.R. (twin), daughter of Ciarán and Maureen O'Ryan, Knockalisheen, Ballymacarbry. The marriage ceremony with Nuptial Mass and Pupal blessing was solemnised by Very Rev. Fr. Colum O'Ryan (uncle), Los Angeles, U.S.A. assisted by Very Rev. Fr. William Ryan P.P. (uncle), Ballybricken and Very Rev. Fr. Patrick Gear C.C., Ballyduff Lower/Portlawn in the presence of a large number of the relatives and friends of the contracting parties. The Bride, given away in marriage by her father Ciarán O' Ryan, Mayor of Waterford County Council, looked beautiful and charming and was attended by her twin sister Martina O' Ryan as chief bridesmaid. The other bridesmaids were Siobhan Desmond (cousin) and Claire Ryan (cousin). The best man was Darren Long, brother of the groom and the groomsmen were Christopher Long (brother) and Jimmy Burrows, friend of the groom. The page boy was Liam O' Brien (nephew of the bride) and Caoimhe Dooley-Callinane, cousin of the groom. The organist was Maria Wilde and the vocalists were Marian Ryan and Gillian Dooley-Callinane.

After the church ceremony the entire party left for the Park Hotel, Dungarvan where the wedding reception took place and where a most enjoyable and musical time was had by all for many hours. After Rev. Fr. O' Ryan had blessed the cake, the toast of the Bride and Bridegroom was appropriately honoured and felicitous speeches were given by many guests present. Later in the evening as the happy couple left on their honeymoon, which is being spent in Rome, they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years to come.

The Bride comes from a well loved and respected family, better known in Ladies Football games, an outstanding player with Waterford and Ballymacarbry. Her father Ciarán is a well known figure in public life. He has been a Fianna Fail County Councillor for the past forty eight years and this year was elected Mayor of Waterford County Council, he was a former County Board chairman. The present County Board chairman P.J. Ryan is the Brides uncle. The groom comes from a well loved and respected Portlawn family and are well known in GAA affairs in East Waterford.

# MONEY MATTERS

## Smart Money Sense

So you have decided to get your finances in order and want to draw up a budget? To some people a budget means cutting back and doing without. This is not necessarily true as budgeting is a way of spending that gets you what you really need and want without financial ruin!

Here are a few simple steps to achieve your financial goal:

Write down each day's expenditure for a month. Try putting items under different categories i.e. groceries, entertainment, stationery, etc. At the end of the month you can decide what you can and cannot live without. If your costs outstrip your earning something has to go!

You cannot avoid paying for food and house expenses. However, you may be able to trim those costs. Phone bills will be less of a headache if you reduce usage or by using off peak hours or shopping around for a cheaper service provider.

Variable expenses include everything from grocery bills to entertainment. You can cut corners here by not buying convenience foods when you shop. Get out your cookery books and you may be surprised what you can make quite easily which you and your family can enjoy. If you really want to go to the cinema try going in off peak times.

Decide what you want to accomplish in your budget and rank them in the order of importance of those goals. Periodically review your plan to see if you need to change any part of your budget.

If you are using a budget to pay off any debts and not as a tool to plan for any future expenses don't worry. The routine of regularly setting aside money beyond what you need to live on in a good one. Once the debts are paid of, the savings habit will help you plan for what you really can afford.

# DISABILITY AWARENESS

## OSTEOPOROSIS

### WHAT IS OSTEOPOROSIS?

Osteoporosis is a disability in which bones gradually become thinner and weaker, and this causes increased susceptibility to fractures of the hip, spine and wrist. The risk of Osteoporosis increases, as a person gets older, and it is more likely to affect women than men, this is due to hormonal reasons. Bone is a living tissue and in a healthy person it is constantly renewed. There are two types of cells in the bone, one is osteoclasts and the other is osteoblasts, the osteoclasts destroy the cells in the bone, and osteoblasts, make new bone. When a person gets older the osteoclasts work a lot harder and the osteoblasts become less active. This means that bone is being removed and not being replaced with new cells, which then leads to thinning of the bone and Osteoporosis.

### SYMPTOMS OF OSTEOPOROSIS

There are usually no signs or symptoms with Osteoporosis; it is only after a person has broken a hip or wrist and has been taken into hospital that a diagnosis can be made. There are specialized tests called bone density tests which measure the bone density in various sites of the body, these tests can detect osteoporosis before a fracture occurs, predict a persons chances of fracturing a bone in the future, and determine the rate of bone loss if treatment is conducted at intervals of a year or more.

Osteoporosis can cause fractures in the hip, which can lead to the loss of mobility and Independence, and Vertebral fractures can lead to the loss of height and the formation of a permanent curvature of the spine, known as 'dowagers hump'. The consequences of Osteoporosis can cause permanent disability.

### PREVENTION AND TREATMENT

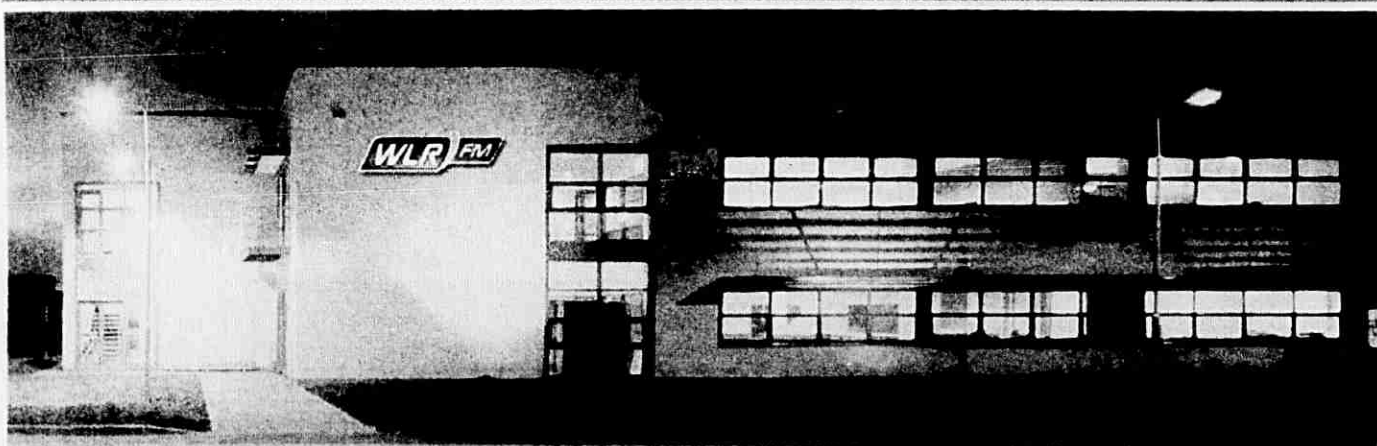

To prevent Osteoporosis in later life, it is important to have a well balanced diet rich in calcium and vitamin D, to follow a routine of weight bearing exercise, to have a healthy lifestyle which includes no smoking or excessive alcohol intake, and to avail of the Bone density testing. If there is any reason for a person to suspect they may have Osteoporosis then it is important to get professional medical advice. There are a number of treatments such as hormone replacement therapy (HRT), which has been proven to have a positive effect on the prevention and treatment of Osteoporosis.

There is no cure for Osteoporosis, but professionally prescribed medications do improve the quality of life and with increased research into the disability, the future for treatment and prevention of osteoporosis is very good.

wrote "Impressions of America" in 1836 and several novels. His eldest son William Tyrone Power married Martha Moorehead of Annagh, Makerrig House, Co. Monaghan. (Now the Tyrone Guthrie Centre). William Tyrone Power was the great-grandfather of the cinema actor Tyrone Power (1913-58).

# KNOW YOUR RIGHTS

## QUESTION

Some French friends of mine have decided to move from France to Ireland. Will they need an Irish driving licence or an international driving permit in order to be able to drive here?

## ANSWER

No, they will not. If they already have a French driving licence they can use it in Ireland as long as it is still valid. Similarly, you can use your Irish driving licence in France.

Holders of licences issued by a member state of the European Union or the European Economic Area may drive in Ireland as long as the licence they hold remains valid. If they are resident in Ireland they may subsequently exchange it for an Irish licence for the some vehicle classes without having to pass the driving test.

Holders of driving licences from certain other recognised countries may drive in Ireland for up to 12 months as long as their licence is still valid. Upon taking up permanent residence in Ireland they may exchange it for an Irish licence for the same vehicle classes without having to take the driving test. These countries are Australia, Gibraltar, Isle of Man, Japan, Jersey, South Africa, South Korea and Switzerland.

Holders of a driving licence from any other country may similarly drive in Ireland for up to 12 months, as long as their licence is valid, but they must pass a driving test before an Irish licence can be granted. Should they require a provisional licence it may be obtained from the appropriate regional licensing authority.

A temporary visitor to Ireland may legally drive here providing he or she holds a valid licence issued in his or her country of residence or an international driving permit. The holder of a licence for a vehicle with automatic transmission, for example the majority of American cars, may only drive automatic cars in Ireland.

We wished upon a star last night,  
We hope it will come true,  
What we wished for was one hour,  
To sit and talk to you,  
To tell you what is happening,  
Since you have been away,  
And let you know how very much,  
We miss you every day,  
So look around your garden Lord,  
He won't be hard to find,  
He has a face so full of love,  
And a heart that's good and kind,  
Tell him that we love him,  
And when he turns and smiles,  
Put your arms around him Lord,  
And hold him for a while.

For a wonderful son we were lucky to have,  
A wonderful person with a heart of gold,  
His loss to us can never be told,  
When we are sad and lonely,  
And things are going wrong,  
We seem to hear you whisper,  
Cheer up and carry on,  
And when we see your photo Jason,  
You seem to smile and say,  
Don't cry I am only sleeping,  
We will meet again some day.  
(Loved and remembered always by Mam and Dad).

I lost my life's companion,  
A life linked with my own,  
And day by day I pray for you,  
And I walk through life alone.  
The house you left is lonely now,  
And I am lonely too,  
Those left behind are good and kind,  
But none replaces you.  
To me you were so special,  
What more is there to say,  
Except I wish with all my heart,  
That you were here today.  
(Love always Sharon).

God chose to take our father,  
He wanted one so fine,  
Oh God above, please tell us  
Why it had to be mine.  
To know him was to love him,  
His kind and loving smile,  
To have him as our father,  
Made everything worthwhile,  
No length of time will heal our grief,  
Our love for you is far too deep,  
With broken hearts we whisper low,  
God bless you, Dad, we miss you so.

On a grave not far away,  
Where I laid my loving brother,  
A year ago today,  
A tribute of love,  
To a brother so dear,  
So close to my heart,  
Each day of the year,  
I will always have memories,  
To cherish and hold,  
Of a wonderful brother,  
More precious than gold,  
It isn't what we write,

Our hearts are full of memories,  
We treasure them with care,  
But the way you had to leave us,  
Will always seem unfair,  
We never knew that morning,  
What sorrow the day would bring,  
When a heart of gold stopped beating,  
And we couldn't do a thing.  
(Fondly remembered by Margaret and Paddy).

**HICKEY** — First Anniversary — In loving memory of Jason Hickey, late of 7 Hillview Drive, Dungarvan whose anniversary occurs on August 24.

**KEANE** — In loving memory of a loving husband and father, Michael Keane, Mweelinahorna, Ring, Dungarvan, who died August 20, 1993.

**To Those I Love And Those Who Love Me**

When I am gone, release me,  
let me go,  
I have so many things to see and do,  
You mustn't tie yourself to me in tears,  
Be happy that we had so many years,  
I gave to you my love, you can only guess,  
How much you gave to me in happiness,  
I thank you for the love you each have shown,  
But now it's time I travelled on alone,  
So grieve awhile for me, if grieve you must,  
Then let your grief be comforted by trust,  
It's only for a while that we must part,  
So bless the memories within your heart,  
I won't be far away, for life goes on,  
So if you need me, call and and I will come,  
Though you can't see or touch me, I'll be near,  
And if you listen with your heart, you'll hear,  
All my love around you, soft and clear,  
And then when you must come this way alone,  
I'll greet you with a smile and a "Welcome Home."

(Always loved and never forgotten, sadly missed — your loving wife Margaret, son Patrick, daughter Mary).

**MOLONEY** — First Anniversary — In loving memory of Daniel Moloney, late of Cooldelane, Lismore whose anniversary occurs on August 14th.

Each time we look at your picture,  
You seem to smile and say,  
Don't be sad but courage take,  
And love each other for my sake,  
O sweet Jesus for the sake of thy bitter passion and sorrows of thy immaculate mother, have mercy on his soul and let the light of thy countenance, shine upon him.  
(From his loving wife Elizabeth).

**O'SHEA** — Twentieth Anniversary — In sad memory of my dear sister Sandra, who died on the 21st August 1983, late of Sunlawn, Affane.

Parting comes and hearts are broken,  
Loved ones go with words unspoken,  
No words can tell, no tears express  
The love, the loss, the emptiness,  
For today is a day of memories,  
So sad of a sister I lost,  
And wish I still had,  
No poem or words could ever say,  
How much I miss you every day.

Out of sight is out of mind,  
Those words are so untrue.  
For there hasn't been a single day,  
That we haven't thought of you,  
We thought we knew what heartache was,  
We hadn't got a clue,  
But we found out the hardest way,  
The night that we lost you,  
St. Theresa of the roses.  
Won't you kindly hear our prayer,  
And gather up the petals to make a crown for Sandra's hair.

He never thought when leaving home,  
He would never more return,  
That he in death so soon would sleep,  
And leave us here alone.  
A sudden call from God on high,  
You had no chance to say goodbye,  
Without farewell you fell asleep,  
But memories of you we will always keep,  
And those who loved you dearly,  
Are the ones who won't forget.  
No farewells were spoken,  
We did not say goodbye,  
You were gone before we knew it,  
And only God knows why,  
But we will always remember our whole life through,  
The last words we had with you,  
We never fail to pray for you,  
We never cease to care,  
We wish we could go home again,  
And find you waiting there,  
To the throne of Christ he will guide us,  
And with us he will stand,  
And that golden chain will be linked again,  
Locked by Christ's own hands,  
Not gone from Daddy and Mammy's memory,  
Not gone from Richard, Elaine and Maria's love,  
But gone to shine with Jesus,  
In His beautiful home above.  
(Inserted by your loving parents Catherine and William, brother Richard and sisters Elaine and Maria.)

English trainer Roger Charlton was disappointed with the performance of his Royal Ascot winner Three Valleys at The Curragh in the Phoenix Sprint Stakes but he took some comfort from the fact this his charge was found to have mucus in his throat after the race.

### WEIGHT PROBLEMS FOR JOHNNY

Weight problems for leading flat rider Johnny Murtagh surfaced again last week and having failed to make the eight stones eleven pound mark on two of his rides at the Curragh he was fined €2,000 by the acting stewards on the day.

Thursday Channel 4 York 1.25pm

### IRISH CHAMPION STAKES

Year after year horses and jockeys travel from afar to compete in this most prestigious of races. The speculation has commenced already—who will compete and who might win this years €1 Million race? Potential runners include Alamshar-Irish Derby winner, Vintage Tipple-Irish Oaks winner, Dubai Destination-Queen Anne Stakes winner and High Chaparral-Dual Derby and Breeders Cup Turf winner who displayed his current will being in a comeback race at headquarters.

Winners over recent years make up a Hall of Fame, Grandera (2002), Fantastic Light (2001), Giants Causeway (2000) and Daylami in 1999 to mention but a few.

Now in its third successive year the €1 Million Ireland The Food Island Champion Stakes combines the best horseracing in the world and showcases quality Irish Food and drink through Bord Bia's sponsorship.

Through its global coverage, The Champion Stakes provides a superb opportunity for Bord Bia to reach a worldwide audience with the Ireland the Food Island message—that Ireland is a source of food and drink products made to the highest standards by producers who combine the best of nature's ingredients with modern, safe production methods.

The Irish Champion stakes is penciled in for Leopardstown on Saturday September 6th. The race is part of the World Series Racing championship which is now in its fifth year and includes 14 races spread over 11 countries in 4 continents. Prestigious races include the Dubai World Cup, the Japan Cup, the Breeders Cup, the Hong Kong Cup, the Arlington Million and the King George and Queen Elizabeth Diamond Stakes to mention just a few.

### MICK IMPROVING

Jump Jockey Mick Fitzgerald who broke his ankle at Market Rasen in June is hopeful of returning to action before Xmas.

### TWO WINNERS

Golden Beam credited Slieverue trainer Eoin Griffin with a novice chase victory at Cork while the small but select stable of David Kiely was among the winners at the Curragh with Dyrick Daybreak.

### CLAIM REDUCED

Amateur rider Derek O'Connor had his claim reduced to five pounds after partnering Thesus to victory for Carlow trainer Pat Hughes in a recent chase at Cork.

### GRANVILLE AGAIN DIES

The former Champion Hurdle (1993) winner Granville Again died last week at the age of 17. A winner of twelve of his thirty races Granville Again was trained throughout his career by Martin Pipe and former Championship jump rider Peter Scudamore rode him to victory on a number of occasions.

### HAWK WING RETIRED

As we predicted in last weeks column Hawk Wing is finished with racing due to a recurring knee injury. He will stand at stud at Coolmore at a fee yet to be agreed.

### THE LATE KIERAN KELLY

The recent death of 25 year old jump jockey Kieran Kelly who was stable jockey to Dessie Hughes cast a shadow over the Tramore racing festival. Kieran who rode Hardy Eustace to victory at Cheltenham this year failed to recover from head injuries received in a fall at Kilbeggan races the previous week. When news filtered through of Kieran's untimely death Gowran Park cancelled the last three races on their card while the opening day of the Tramore Racing Festival was postponed with the Thursday fixture being transferred to Monday.

Our deepest sympathy is extended to the Kelly family on their recent loss and may his soul rest in peace.

### TRAMORE HIGHLIGHTS

The opening day staged in brilliant sunshine attracted a huge crowd. Seamie Hefernan the most senior flat rider in action on day one rode a nice double on Richmond Lodge 3/1 and 10/1 chance Slianohin. The David Wachman trained Richmond Lodge bounced off the firm going making every yard of the running in the opening flat race easily accounting for Large Commotion. Moone, County Kildare trainer Jessica Harrington provided Seamie with his second success in the fourth race as Sianelbio caused a mild upset beating Chief Odin.

Course specialist Dariole scraped home by a neck from Barningham in the second event over one mile six furlongs.

Better known as a jump jockey Timmy Murphy brought 8/1 chance Mexican Miss with a late run in the third to beat a flattering Kate Emily in the fillies handicap.

The locally owned and trained Bowling Green was well supported in the Handicap Hurdle but after been given plenty to do by Derek O'Connor he arrived with a challenge inside the last half mile but unable to quicken he failed to reach the frame behind the 9/1 winner San Diego who scored for trainer Niall "Boots" Madden and rider Niall "Slippers" Madden.

Followers of the Willie Mullins yard went home in good form after his entry in the bumper Shandon Star drew well clear inside the final furlong to easily account

for a running on Aishlings Birthday. Jamie Codd was aboard the winner for this facile win.

### DAY TWO

The weather once again was on its best behaviour for the second day of the festival.

County Meath trainer Noel Meade has a great record in the annual three year old hurdle and while regular stable jockey Paul Carberry was away show jumping in Millstreet trainer Meade found an able deputy in the shape of Ruby Walsh who steered 8/4 shot More Rainbows to a narrow victory over Sandtrap.

Trainer Christy Roche boasts a high strike rate with his runners at this venue and he was on the mark in the novice chase as the Conor O'Dwyer ridden Measure Of The Man set off to make every yard of the running and jumping brilliantly in the lead Measure Of The Man was not extended in running out a cosy nine lengths winner over Cantiam.

The well supported Beckerson appeared home and hosed in the one mile one furlong maiden going clear with over two furlongs to go but apprentice Pat Cosgrave brought the Dermot Weld trained Door Of Knowledge 5/2 with a well timed challenge to get up close home by a head. Young rider Davy Condon took a heavy fall from the long time leader Thrills and Spills in this contest and it later transpired that he had damaged a cheekbone.

### DAY THREE

Family day attracted yet another large attendance to day three of the festival. The Richard Power, Bookmaker Handicap hurdle produced a shock win for the Eddie O'Grady trained 16/1 outsider Albatros young claimer S.W. Quinlan producing this gelding with a late surge to beat Four On The Trot by half a length.

Cabin Fever winner Elaine Power was on hand to see her horse Ballinarrid contest the Killone Estates Handicap Chase and while he led between the final two fences Ballinarrid failed to hold the late charge of Twokay this 7/1 chance getting the full Ruby Walsh treatment before obliging by a length and a half.

The Kent's from Smartscastle sent out the 9/2 winner of the Tote Exacta Handicap as Timmy Houlihan partnered Indian Desert who did well to get the better of a fast finishing Drive In Style by half a length.

Southlodge based trainer David Wachman enjoyed a profitable meeting and he supplied the winner of the featured Waterford Crystal Noel M Griffin Memorial Handicap as Norman Williamson secured a nice run through on the rails aboard the 11/10 favourite Raise The Storm to easily account for Sergeant At Arms by two and a half lengths.

### GODOLPHIN PURCHASE

The Godolphin team made a recent acquisition in the shape of the St James Palace Stakes winner Zafeen. The horse will stay in training next year before being sent to stud.

### AUSSIE ENTRIES

The Willie Mullins pair of Holy Orders and Sadlers Wings who are due to contest the Tote Ebor handicap at York this week also hold entries in the Melbourne Cup to be run at Flemington, Australia on November 2nd.

### GARY ON WINNING TEAM DOWN UNDER

Tramore rider Gary Hutchinson helped the Irish jump jockeys team to a resounding victory over their Australian counterparts last week.

## Kilmac' Girls Win Gold In Mosney

The Community Games National Finals got underway in Mosney last weekend with thousands of children from throughout the Country competing in their various events. What a brilliant occasion it turned out to be for the Kilmac-thomas girls U.15 soccer team representing their County and Province as they went on to prove themselves the best in the Country as they overcame Mayo in the final on Sunday afternoon on a 2-0 scoreline.

In the semi-final against a very strong Donegal team on Saturday they played very well beating their opponents 2-1, goals coming from Lynn Marie Grant and Dorothy Carroll to secure a place in the final on Sunday. Hopes were high as they prepared themselves for their big game against Mayo and all the girls were ready to do their best. The first half saw great play from both sides but at half time it was still scoreless. The Kilmac-thomas girls got a great second half start with a goal coming from Miriam Power in the 2nd minute. They kept up the pressure against this very good Mayo side and then came another goal 10 minutes later from Dorothy Carroll. Fine team work from all the girls and great defending kept Mayo scoreless for the remainder of the game. And as the final whistle blew the girls from Kilmac-thomas and their coach Sean Foley were jubilant and certainly well deserved to be

the National Community Games Champions. So well done girls and great credit to coach Sean Foley who has put so much work into training this team.

Panel — Laura Corcoran, Alice Moore, Sarah Leahy, Kate Kirwan, Julia Kirwan, Valerie Bagge, Lynn Marie Grant, Lennie Kirwan, Miriam Power, Dorothy Carroll, Kerry Dunphy, Sarah Corcoran, Claire Hassett, Nora Hassett, Carrie Kirwan.

### BRONZE FOR JENNIFER QUINLAN AND CERT. FOR GER CROWLEY

Well done to Jennifer Quinlan from Ballymacarby on finishing in 3rd. place in the Under-14 model-making competition and to Ger Crowley from Stradbally on finishing 4th. in the U.8 Art competition. The standard of the art and model-making in Mosney is fantastic and seems to be getting higher each year. So a great achievement by both Jennifer and Ger.

And so ended a very successful first weekend for Waterford. This weekend is the turn of our athletes, Tramore volleyball team and Ballymacarby indoor soccer team and we wish them all well in the finals.

# CUNNIGAR PITCH AND PUTT NOTES

## WATERFORD JUVENILES TAKE BRONZE AT NATIONAL INTER COUNTY

Last week the juveniles won the Munster Inter County by beating Cork on home ground. This week they travelled to the Lions Den to take Cork on in their home ground at the National Championships. The team of Michael and David Buckley, Barry Hamilton, Declan King and Christopher Murray did the small county of Pitch and Putt in Waterford very proud indeed by taking the bronze and beating Cork for the second time in two weeks. The gold medal went to Kerry with a returning score of 20 under par. In silver it was Tipperary and the bronze to Waterford. This is a great achievement to all players concerned and great credit is due to juvenile officers Richard Walsh and our very own Leonard Duggan.

## LOTTO REACHES €600

With no winner last week, this week's lotto reaches €600. Tickets can be got from any committee member or all down to the clubhouse on Tuesday evening before 8:00pm. There were three lucky winners of €20.

## LADIES RESULTS

There were two lucky ladies last week, Joan Curran and Corinna McGee. Well done to both ladies. This week, ladies there will be no competitions due to the Scratch cup on this coming Sunday and will resume next week.

## NO JUVENILE COMPETITION THIS SATURDAY

There was no juvenile competition on Saturday 23rd due to the Scratch Cup this week and the course will be closed

all week to prepare the club for same.

## SCRATCH THIS SUNDAY

All members are asked to come out and support this year's Scratch Cup this Sunday the 24th. The club would like to see old and new faces come and support the club as this is our biggest competition this year.

## CAPTAIN DAY PRIZE

Last Sunday saw Paddy Street hold the Captain's Day prize with a large gathering and a fine day the play for the day could only be good. There were a lot of close calls but there could only be two major winners. In the gross Mark McCarthy beat Jason Hackett by one shot. In the nett Martin Hayes edged out Alfie Eubanks. Paddy would like to thank all those who played and the ladies that laid on the catering.

## PRESIDENT PRIZE SUNDAY WEEK

Next week sees T.F. McCarthy play his President Prize so all ladies and gents are asked to turn out and play to give T.F. a great day.

## LADIES MUNSTER INTER COUNTY

The ladies finished runners up last week at Cunnigar in the Ladies Inter County. They were just edged out by Cork. The team of June and Cecily Walsh, Josie Coughlan, Nellie Sullivan and a debut to Cunnigars very own Donna Cockwell, this was a great achievement in Donna's first year out and will be of great benefit and experience when she played at Rystan in early September.

## GENTS MUNSTER INTER COUNTY

This year proved to be one of the most disappointing at

Donna Cockwell receiving her overall prize from T.F. McCarthy, Club President also included is Kitty Byrne on behalf of sponsors.

Cunnigar for the Waterford team. Cork were odds on favourites and didn't disappoint as they ran out easy winners from the word go. Waterford as usual were left waiting and couldn't find the form to finish second. This does not come as a surprise as the Waterford team doesn't seem to have the game when it comes to the highest level.

## THE LAST WORD GOES TO THE LADIES

The ladies can only be congratulated on the catering they provided for the Munster Inter County championship. The catering was outstanding and everyone looked after, since joining the club the ladies have gone from strength to strength and they deserve a great deal of appreciation for the work they put into the club. Take a bow ladies.

Seamus Corcoran the hardworking Hon. Chairman of the Dungarvan Fundraising Branch of the RNLI Helvick Head Lifeboat is currently, with his committee overseeing final preparations for the 9th Annual Dungarvan Sponsored Swim from Ballinacourty to Helvick Pier.

Scheduled for 3pm on Sunday next, August 24th, the event promises to be a great family day out, if past year's performances are anything to go by. The annual swim has become a very important fixture in the social calendar of the entire Dungarvan Bay area manifested by the trojan input and support of the entire local and business community.

There will be colourful and practical RNLI souvenirs and novelties to suit all tastes and pockets, and face painting to delight the young ones.

The RNLI Roadshow and Stormy Stan will hold a special attraction for all ages. Freddie Charles will rock 'n roll, and the music played by Dungarvan Brass Band on Helvick Pier will crown the festivities.

If there are any boat owners who would be willing to assist the swimmers crossing the bay, please contact Clare Morrissey (086) 8323378 or Sinead Moore (087) 6436451.

## YEARLY SUBSCRIPTIONS

**Adults** — This year the fee for playing in any adult team is 50 euro, it may sound a lot to anyone but in reality when broken down the amount going to the club itself is very small when 60% is given to the league. All fees are to be paid as soon as possible and will be collected by our adult subscription officer Ber Whelan at the various training sessions.

## FIXTURES

**Junior E.S.B. Premier** — Tues 19th: August Mooncoin v Dungarvan 6.30.

Youth (A) League — Wed 20th August 6.30: Dungarvan v Villa.

Youth (A) League — Sat 23rd August 2.15pm: Tramore v Dungarvan

## COMMUNITY RELATIONS

Over the coming months we will be in contact with various people to lay down our plans to get out and about in the com-

munity that surrounds our club. As yet these ideas are in infant stages and when the time is right we will press on with this venture.

## ASTRO TURF

There are slots now available during the week and the weekend for hire for football and also for birthday parties for kids, for more info call 087 7769125.

## TRAMORE TOURNAMENT

On Thursday last our Premier selection relinquished their crown in this tournament by going down 2-1 to the Seaside. Playing second best for much of the first half the determination to address things was clearly evident when they pulled one back and from here they are very unlucky not to draw level.

## SCHOOLBOYS FEES

All schoolboy players will have to pay 10euro subscription in order to participate in the league.

Again the club itself stands to gain only a very small proportion of this, with league fees and insurance the main beneficiaries. Respective managers of schoolboy's teams are expected to collect the fees and hopefully all will be done by the end of September.

## GARY BURKE MEMORIAL TOURNAMENT

Yes folks it's that time of year when we hold our now annual tournament in memory of our club stalwart Gary Burke. Last Tuesday night saw Rock Rovers playing a Dungarvan selection and in what turned out

to be a very entertaining affair with the visitor's coming out on top on a score line of 3-1. Wednesday night threw up the fixture of Premier newcomer's Mooncoin and Abbeyside. Coming from 2-0 down the Villagers actually went 3-2 up only to let Mooncoin level. Penalties followed and after a tense shootout Abbeyside emerged winners of 4-3.

The final of the Gary Burke Tournament between Abbeyside and Rock Rovers will take place on Friday 22nd August @ 6.45 p.m.

## FIELD UPKEEP

Any visitors over the last few weeks may have noted that various little jobs will have taken place in order to be ready for the in coming season. These are job's that have to be done each year and sometimes they are thankless so just to say thank you to those people who tip away unnoticed.

## KITS FOR THE SEASON

Already managers for the new season are busy getting their various kits in order all schoolboy players must have blue shorts and white socks to accompany their club jersey.

## CLUB LOTTO

We had no winner in the lotto last Sunday, 10th August. Numbers drawn 10, 21, 28. €25 winners were Ann Hayes and Nora Mahoney. The jackpot now leaps to €3300, so don't miss out. Draw this weekend 24th August will take place in John Keanes. Any tickets can be bought from J.D. O'Shea 086-8255748 or Francis O'Brien at 087-7769125.

## RED HOUSE LEAGUE

# Next Sunday We're Off

Well the Summer is over and the football kicks off on Sunday next with the first round of the Tony Bolger Cup (sponsored by the Dungarvan Leader). The first meeting of the new season was held on Monday night last at the Red House, Lismore. Pinewood Rangers absence spoiled 100% attendance on the night. The draw for the Tony Bolger Cup took place with 20 teams going into 'the hat' which resulted as follows:

Castlebridge at home to Inch and on last season's form the visitors should come out on top.

Lismore league champions will have Accrington as visitors and if the home side can field at full strength should be too strong for the North Cork side.

Ballybridge play Ardmore and a lot here will depend on the seasiders being at full strength. If they are then they should come out on top.

Mogeely have Gortroe in a local derby and the visitors should come out on top.

Valley Rangers B play Kilworth and this game could be decided on penalties.

Another local derby will see Modeligo entertain neighbours Affane. The home side should continue where they left off last season.

Clashmore travel to Conna to play Valley Ranger A team. The Premier side will be expected to advance to the next round.

Bally Celtic will have Cappoquin in Ballysaggart and anything but a corner stone victory will be regarded as a shock.

Brideview travel to An Gaeltacht and the Tallow side have to be favourites. Newcomers Glen View play their first game in two years when Ballyduff are the visitors. One would expect the village to be favourites, but we are all delighted to see Glen View back with us. All the above previews are done without seeing any of the teams in pre season challenges and are based entirely on last seasons form. As everyone knows the cup competition always throw up a few surprises.

Next Sunday should be no different.

## NEXT SUNDAY FIXTURES ARE —

Castlebridge v Inch at 2:30pm.

T. O' Sullivan

Lismore v Accrington Celtic at 11:30am.

M. Condon

Ballybridge v Ardmore at 2:30pm.

P. Marks

Mogeely v Gortroe at 11:30am. W. Collins

Valley Rangers B v Kilworth at 11:30am.

N. O'Donoghue

Modeligo v Affane at 11:30am. T. Griffin

Valley Rangers A v Clashmore at 2:30pm.

M. Hurley

Bally Celtic v Cappoquin at 11:30am.

Paul Browne

An Gaeltacht v Brideview at 11:30am.

P. Marks

Glen View v Ballyduff at 11am. M. Hartnett

All clubs please note the event of the game finishing level extra time. (10 minutes each half) will be played. If there is still no result, a penalty shoot out will then take place.

## PLAYER REGISTRATIONS

Will clubs please remember all player registrations must be with Tom Power this Friday no later than 8pm. Any club failing to do so will not be allowed play on Sunday and forfeit their game.

## INSURANCE

Some clubs have not produced their certificates of public liability. Failure to do so before 8pm on Friday next to Tom Power will mean the home side will forfeit the game.

## RINGING IN RESULTS

Clubs, both home and away, must, by rule, phone in the results and goal scorers to Anthony Kenneally (087 8843439) no later than 5pm on Sunday. It is envisaged by the committee that the new PRO will be installed before the 1st of September.

## SEPTEMBER — BUSY MONTH

The month of September should be a very busy month for some of our clubs, with Bolger Cup/Plate competitions, Liam Fitzgerald cup, FAI and Munster Junior cups and the Oscar Traynor cup all scheduled for September. It now does appear that the league will kick off in early October, which would be more or less the same as previous seasons.

It is now hoped that our U18 Inter League side will take on Nottingham Forrest in Cobh on Tuesday night, September 2nd. Here again it is hoped to have a full panel picked for this game next week.

The league U18 league will commence in mid September.

## LADIES FOOTBALL

Fixtures for Sunday next, August 24th — Ballybridge Utd v Clerihan. Kick off 12:30pm.

## WATERFORD — TOUGH CUP DRAW

This Friday night at the RSC, Waterford play Derry City. The Candy Stripes will be a big attraction having taken a point off Cork City in Turners Cross just a couple of weeks ago. Waterford lost their last league game which was away to Longford town and coincidentally they meet the midlanders in the quarter finals of the Carlsberg Cup after the draw which was made last Monday night. Those two games are a must win so hopefully the Blues can get back on the winning trail again.

## MANCHESTER UNITED SUPPORTERS CLUB

## WATERFORD BRANCH

### OH, WHAT A WEEKEND

An absolutely incredible time was had by all especially members on their maiden trip to the 'Theatre of Dreams' who by the way all want to return. The result is always the icing on the cake but for some being welcomed to Old Trafford via the public address was extra special. A lot of celebrations took place on Saturday night when after tucking into the buffet we were visited by club President John O'Shea who once again proved a big hit with the residents of the hotel as well as our new United friends from Portadown who were just overwhelmed when he walked through the doors of the hotel. Teresa and Kathleen sampled his new motor to the envy of many. After about an hour and a half he bid farewell to link up with the Irish squad.

### PURRING OVER RONALDO

Everyone left the ground purring over the prospect of seeing Ronaldo for the season after some very exciting runs and trickery.

### BLACKBURN NOVEMBER 22ND

This date will not come quick enough for us now and we will link up with Portadown again and possible some musicians travelling for our entertainment along with the bonus of meeting Roy Keane. The allocation is full but we will take some extra names for standby as we may get more tickets via special request. Watch these notes for details in the coming weeks.

### 10TH ANNIVERSARY

A very successful meeting was held in Old Trafford last Friday morning when a very satisfactory itinerary was put together with both parties happy. There are no anticipated hiccups this time round so if you wish to attend you would be well advised to put your name down either by attending a meeting or contacting the secretary at 086 3925677. The dress code has been changed to shirt and tie neat dress as many members have expressed their possible discomfort with formal dress.

### NEXT MEETING

The next meeting will take place on Friday 29th August at 8pm sharp. Anyone with their name down for the Blackburn game must attend this meeting due to the high demand. This general meeting will be preceded by a committee meeting at 7:30pm sharp.

## Ardmore GAA Notes

### S.H.C.

#### Mt. Sion 0-13 Ardmore 1-9

When the draw was made for the hurling championship, some may have felt that we were unlucky to draw the Munster club champions Mt. Sion. One man who didn't was our trainer Tadhg Murphy who stated that there is no point being senior if you don't get the chance to test yourself against the best. Again on Sunday last Tadhg instilled to the lads that we were going to have a serious go at this game. The players listened and proceeded to give a performance to be proud of. Many felt this was a game we could have won as we matched the Munster Champions for the full hour. We trailed 8 points to 6 at the break. If anymore thought that Mt Sion would take over the second half they were mistaken be-

cause Ardmore went from strength to strength and when Seamus Prendergast lashed a free to the net with ten minutes remaining, Ardmore were a point ahead. Indeed we thought we had a penalty after that when Johnny Hennessy was held back in the square and a Mt. Sion player threw himself on the ball. The referee seemed to indicate a penalty but subsequently threw the ball in. Mt. Sion finished with two frees to take the game by the minimum. In fact the majority of the champions scores came from frees and at least a couple of the frees Ardmore were a bit unlucky.

Nothing will take from Ardmore's heroic efforts and all the players involved gave it everything. The full back line of Damien Lenane, Mike Supple and Maurice Hennessy

were solid.

Midfield Ardmore was on top Wayne was exceptional especially in the second half Cathal worked hard for the hour. They got great support from Niall Hennessy who had a fine game at wing back. Seamus Prendergast was back to his best and Mt. Sion couldn't hold him Billy Harty played his best game of hurling in the Ardmore jersey for years. James O'Donnell, Maurice O'Conner, Johnny Hennessy, Alan North and substitute Patrick Conway all played their part in this performance Clinton Hennessy in goal dealt with anything that came his way even though he wasn't very busy. Richie Hennessy also worked hard even though at times he found the going tough.

This was Ardmore's first defeat in three seasons in hurling. Great credit to team manager John Power who has guided Ardmore to Junior and Intermediate County titles and this display last weekend shows we are senior on merit.

Well done to all involved but we have to build on this and confirm our senior status. There is a lot of hurling to be played yet.

### MINOR FOOTBALLERS BOW OUT

Our Minors lost their final qualifying game to Ballinacourty on Tuesday night despite a gallant effort by those who turned up. Noel Quinn, helped by Declan O'Donnell put in a huge effort with this group for the past several months, but he got a very poor response as some players turned up for training and matches whenever it suited them and some just didn't show at all. The real sickness of this was that had we a full strength side on duty on Tuesday night we could certainly have beaten the championship favourites - we were only 5 points behind at half time after missing two clear goal chances. What is particularly disappointing is that a few players who were good enough to be on our championship winning under 21 team last year gave little or no commitment to their own age group this year.

### FOOTBALL CAMP A HUGE SUCCESS

Well done to all who contributed to yet another brilliant football camp. Helped by fabulous weather conditions, we had a record of 187 players of a variety of nationalities

At camp, 12 senior and 8 junior coaches managed these. Five of our coaches were ladies. The organisation and atmosphere at camp had to be seen to be believed and it was a joy to hear the positive feedback from parents. We would like to thank all our coaches for their efforts who did a tremendous job all week. Particular mention must be made of the massive contribution made by juvenile secretary Dennis Conway, camp supervisor Caroline Tutty-Power, camp co-ordinator Breda Cronin and Declan Fitzgerald. Thanks also to all the Fas men who again had everything spot on.

### UNDER 14 FOOTBALL

Training for under 14 football on Monday night at 7.00pm sharp.

## GERALDINES G.A.A. CLUB NOTES

### LOTTO RESULT

There was no winner of our Lotto Jackpot worth 2150 euro. The numbers drawn were 1, 24 and 29. The following were the winners of 20 euro. Derry O'Connor, Ballingown; Michael Carlton, Villierstown; Stephen Donovan, Dungarvan; Mick Heaphy, Aghlish; Paul Duggan, Dungarvan. Next week's jackpot will be 2300 euro.

### INTERMEDIATE HURLING

We recorded a good victory over a spirited Ballysaggart side in the Intermediate Hurling Championship last Saturday night. We started very strongly and had eight points on the board before Ballysaggart registered their first score. We replied however with a goal from Donnacha Tobin and three more points to leave the half time score Geraldines 1-11 Ballysaggart 0-1. The second half was much more evenly contested with each side matching the other score for score. In the second half we hit 7 points to Ballysaggart's 5. This left the final score Geraldines 1-18 Ballysaggart 0-6. Best on the night for us were Alan Cullen, Paudie Landers, Mike Murray, Donnacha Tobin Pat O'Donovan and Ger O'Donovan.

### TRAINING

Training continues this week on Tuesday and Thursday night at 7.30pm. With the evenings getting shorter we would ask that everyone makes the effort to be there on time. As of yet we do not have any fixtures, but as soon as they are known everyone will be informed.

Our U14 footballers made an excellent start in the 1st round of the Western Bord na nOg football championship with victory over a gallant Clashmore team 1-13 to 1-4 in Clashmore GAA grounds last Monday evening. The team played very well in their first championship outing with goalkeeper Karl Duggan very alert and dependable between the posts. Our defence marked tight throughout the game with Sean Duggan, Derek Barry and Padraig Kiely very prominent. At midfield Liam Ryan and Michael Walsh worked tirelessly for the team and succeeded in getting on the scoresheet as well. Our forwards combined very well and took some fine scores with Gavin Crotty, Cormac Curran and David Brophy particularly impressive, while Barry Hamilton's expertly taken goal was on of the highlights of the game.

Our U14 panel in Clashmore was Karl Duggan, Cian O'Shea, Sean Duggan, Mark Moran, Padraig Kiely, Derek Barry, David Moore, Michael Walsh, Liam Ryan, Cormac Curran, Gavin Crotty, David Brophy, Neil Fitzgerald, Barry Hamilton, Trevor Crotty, Tony Walsh, Kevin Sheehan, Raymond Tobin.

## FUN-DAY AND BAR-B-QUE

On Sunday week next the 31st of August the clubs annual Fun-Day and Bar-b-que takes place at Clogherane. Last years Fun-Day was a major success and plans are well afoot to ensure this year's Fun-Day will be equally successful and enjoyable.

The fun and games get underway at 2.00pm. when we will have races from all ages including sack races, sprints, egg and spoon races, plus novelty races for adults. As always we will have the ever-popular bouncy castles and slides as well as a Bonny Baby Competition for our younger kids. The very competitive long-puck competition will also take place as well as wellington throwing. Rumour has it that Rimai Recey once again lend us his head for the stocks in the wet sponge throwing Competition.

Another new feature to our Fun-Day this year will be a fancy dress competition for the young and also for the not so young. Lots of prizes to be given out for best costumes. Our bar-be-que will also be up and running so there will be plenty of refreshments for everyone.

Our entertainment and music for the day will of course be provided by none other than the Mad Hatter who no doubt will amuse and most probably embarrass everyone. So come along on Sunday week next for what is guaranteed to be a most enjoyable and entertaining afternoon for everyone.

## Abbeyside/Ballinacourty G.A.A. Club Notes

### SENIOR FOOTBALL CHAMPIONSHIP

On Saturday night last we travelled to Leamybrien to take on Kill in the second round of the championship. The Kilrossanty club had everything well organised and presented for the game and deserve credit for their organisation on the night. In the first half of the game we started well leading by 3 points after 15 minutes. However we lost our way for the remainder of the half and allowed Kill to come back strongly, and we trailed by a goal at half time. In the second half all the team stepped up their performance considerably, and crucially played more direct football, to run out winners on a scoreline of 1-13 to 1-08.

Team: A. Landers, D. Cliffe, J. Moore, G. Breen, J. Phelan, L. Hurney, B. Hayes, P. Lynch, J. Hurney, W. Fennell, G. Hurney, M. Lavan, M. Enright, I. Kiely, D. Fives. Subs: P. Hurney and Mark Fives.

### U/21 (A) WESTERN HURLING FINAL

### LADIES FOOTBALL

## Deise Ladies Draw All Ireland Champions Mayo In Quarter Final

Waterford have drawn All Ireland champions in the All Ireland quarter final to be played on Saturday the 30th August. It's certainly a tough draw as Mayo have been the most consistent team in the country since 1999, contesting 4 consecutive All Ireland finals, winning three.

Two of those successes came at the expense of Waterford in '99 and '00, so Mayo will fancy their chances. Yet the last clash between the team was last years league final which Waterford won, so they will take heart from that.

### THE FULL DRAWS

Kerry v Laois  
Dublin v Monaghan  
Tyrone v Galway  
Mayo v Waterford.

Four interesting games and whoever is crowned champion next October will certainly have earned that Brendan Martin Cup. Venues will be decided during the week. All quarter finals will be played on Saturday, 30th August.

# Gaelic Games Coaching Corner

### WATERFORD UNDER-21 FOOTBALLERS

**Munster Semi-Final** - One begins to wonder will this game ever be played cancelled again last Wednesday due to Corks involvement in the hurling. A date to be confirmed.

### SUMMER CAMPS

Well done to Ardmore on their very Successful Camp last week with massive numbers attending. This club is a leading example of what can be done and achieved by doing Foundation Courses in Hurling and Football and putting it in to practice. They have over 20 coaches in operation attending Primary schools in the area and are coaching in them every week. They now run their own Summer Camps which are hugely successful. This is the way forward and more Clubs should be doing the same.

### UNDER-12 INTENSIVE FOOTBALL COACHING

It is hoped to start this in the middle of September. Clubs will be notified about this within the next two weeks.

## From The Deise County

West Waterford Bord na nOg Secretary presents Clashmore captain Brian O'Halloran with the Div. 2 trophy after Clashmore had beaten St. Patrick's after a replay in the Declan Kiely Painting and Decorating Contractor Under-12 hurling competition in Bushy Park

### UNDER 13 HURLING COMPETITIONS ENDS WITH WINS FOR DUNGARVAN, BRICKEYS AND CLASHMORE

The under 13 hurling competitions in the West of the County recently with the playing of the division two and three finals at Cappoquin and Bushy Park. The division one final had taken place some weeks previous when Dungarvan recorded a seven-point victory over Lismore in Lismore. After the division one final Mrs. Fitzgerald presented the Mick Fitzgerald Cup to the winning Dungarvan Captain.

The division two final was between Brickeys and Cois Bhride and was played in Cappoquin. Brickeys had recorded a good win over Saint Patrick's in their semi final while in the other semi final Cois Bhride required extra time before they beat Cappoquin.

The final was expected to be a close encounter, however on the night of the final Cois Bhride were short a number of their stronger players. This gave Brickeys a considerable advantage. On the night Brickeys who were the physically stronger side were the better team and recorded a good win. After the game Board Chairman Eddie O'Shea was on hand to present the winning captain with the winners shield.

In division three Clashmore and Stradbally clashed in the final at Bushy Park. Stradbally had a good win over An Gaeltacht in their semi final while Clashmore had a few points to spare over St. Olivers in their semi-final.

Some great work is being done within the Clashmore club over the past few years. This work is starting to reap its rewards as they are starting to collect a number of titles each year. On the evening of the final Clashmore were the better team and fully deserved their win. After the final board Treasurer Jimmy McCarthy and Assistant Secretary Bridget Mernin were on hand to pres-

ent the winning Clashmore with the winners shield.

### EXCELLENT PUBLICATION

Recently I received in the post a copy of the inaugural Cois Bhride GAA Club Newsletter. The sixteen-page newsletter printed by Print Master in Lismore is a top class production and all concerned with the newsletter has to be congratulated.

Included in the newsletter is an article on Feile na nGael National Skills Champion Thomas Ryan who won this years competition in Cusack Park in Mullingar during June. Also included is a fun quiz. I gather that some of the questions for the quiz were set by a well known big hurling fan in the west of the county who is no stranger to setting questions as he asks three questions each week in his club notes.

The club have done well to come up with 15 worthwhile prizes. Anybody who is passing through the Tallow and Knockanore area should look out for a copy of the newsletter, which I understand, is available in a number of outlets. Copies can also be got by contacting the club officers.

A newsletter is a good way of communicating what is going on within the club to the people in the area. Although clubs can put notes in the local papers to let people know what is happening, only a certain amount of material can be put on the newspaper. In a club newsletter as much material as is necessary to be communicated can be communicated.

I am sure that in the future more and more clubs will go down this line as a way of communicating between the club and the public.

### UNDER 14 FOOTBALL

The Lawlors Hotel Western under 14-football championship continues this Monday evening with games in the third round of this year's championships. This weeks fixtures are as follows. Dungarvan v Ballincourty, Nire v Brickeys, Lismore v Affane, Stradbally v Kilrossan-

ty, Cois Bhride v Naomh Brid, Ardmore v Ballyduff, An Gaeltacht v St. Olivers.

All games are on Monday evening at 7.30pm. results of the games should be phoned in after each game.

### UNDER 12 FOOTBALL

Round four of the Comeragh Oil under 12-football championship goes ahead this Friday evening. Games are fixed for 7.00pm. From time to time the start time of games may have to be changed to accommodate adult games which may also be fixed for the home teams ground on the same evening.

If clubs have to move games it is up to the home club to make contact with the visiting club to change the time of the game. The divisional officers will not get involved in re-fixing the time of a game. After two rounds of games things are very tight. When all four rounds of games are played it would be no surprise if play-offs are required to see who plays in what divisions.

Fixtures for this Friday evening are as follows. An Gaeltacht v Ballinacourty, Kilrossanty v Brickeys, Naomh Brid v Nire, Affane v Dungarvan, Lismore v Stradbally, Ardmore v Ballyduff, Cois Bhride v St. Olivers.

### GATE RECEIPTS

There is a small amount of people who go to the knockout stages of Juvenile GAA games who cannot see why Board Officers stand at the gate collecting what is a very small entrance fee. While the Board works hard to try and get sponsorship for every competition, what is got from the various sponsors does not cover the cost of the medals for each winning team. Therefore it is necessary to try and bring up the surplus required to pay for the medals some other way.

This is done by collecting at gates at the knockout stages of the various championship. What is charged is very small. In the West of the County, up to and including the semi finals the Board Officers collect euro2 per person going into

knockout games. For finals there is a slight increase. The admission price for finals is euro3. By adding what the Board gets from sponsors to what is got from gates the Board is at the end of the year is able to give each club that wins a tournament or championship a bag containing 24 medals for its players.

### CONGRATULATIONS

Congratulations to the Waterford Under 16 Camogie team on their outstanding win over Armagh in the All Ireland 'B' Final at O'Moore Park in Port Laoise recently. In congratulating the camogie players we have to commiserate with the ladies football team on their defeat against Kerry in the Munster Final at Cork recently. While beaten in the provincial final, the team are not out of the championship. They will not be playing one of the three other provincial winners in the All-Ireland Quarter Finals. We wish the ladies the best of luck in the Championship.

### SYMPATHY

We extend our deepest sympathy to the Power family, Kilmacoma, Ballymacarbry on the tragic death of James last Saturday morning. James' brothers Connie and Bobby are well known throughout Waterford as they are well known players with the Nire and Fourmilewater Clubs.

### UNDER-16 HURLING

The semi finals in the top two divisions of the under 15 hurling county championship which is sponsored by the Waterford Supporters Club Dublin Branch, took place last weekend at different venues across Waterford. Before the division three and four semi finals can be decided two playoff games have to be played.

In division one Abbeyside and Mount Sion played in the first of the semi finals at Kilmacthomas and De La Salle played Lismore in the second semi at Abbeyside. The winners of the two games will meet in the County Final in Walsh Park on Saturday at 2.00.

The division two semi finals took place on Monday evening. Cois Bhride played Dunhill/Fenor St. Olivers played the winners of the St. Mary's/Cappoquin play off game. The Division Two county final goes ahead on Saturday afternoon at 12-30pm in Walsh Park.

In the play off's to decide who plays the division three and four semi finals Clashmore played An Gaeltacht. The loser of this game would play a division four semi-final. The winner played the Division Three Semi Final.

The first of the Division Three semi finals saw the meeting of Fourmilewater and Brickeys. Ballyduff Upper are in the other semi final where they are awaiting the winner of the play-off game between An Gaeltacht and Clashmore. This game will go ahead on Sunday August 24 with Cappoquin the

most likely venue for the game.

Sacred Heart, Stradbally and Kilrossanty are in the division four semi finals. They await the losers of the play-off games between An Gaeltacht and Clashmore. The Division Four semi finals will go ahead most likely this Sunday morning. Because of the need for play-offs in divisions three and four these county finals cannot go ahead on Saturday as planned. An alternative date will be arranged and the clubs in the finals notified.

### CITY LEAGUE FINALS

The division two and three finals of the under 13 City Leagues were held in Walsh Park recently. The division two final was an all Kilkenny affair with the meeting of Piltown and Glenmore. The game ended in stalemate Piltown 2-1 Glenmore 1-4. With time running out in this game it looked as if Piltown were going to win the game as they were two points up. However Glenmore kept fighting to the end and their perseverance paid off as they scored two points late in the game to earn a draw.

Sliabh Rue from Kilkenny and St. Mary's contested the division three final. The south Kilkenny side ran out victors in this game on a scoreline of 5-4 to 3-3. St. Mary's lead for much of this game however the South Kilkenny side put in a terrific closing few minutes of the game to win the game.

### ACTING COUNTY SECRETARY

# FOURMILEWATER HURLING CLUB

## SENIOR HURLING CHAMPIONSHIP

'A sweet victory', was how centre back Ian Walsh described our famous victory over Ballyduff in the senior hurling championship in Leamybrien on last Saturday night. This win was a huge victory for this proud hurling club and we can now go from strength to strength. This was a win that has been on the cards for a number of years and due to bad luck it didn't happen until now. As for the game itself, this was a tough encounter throughout. Declan Spellman opened the scoring with a Fourmilewater goal. Ballyduff came back strong and led by 2-3 to 1-0 after fifteen minutes. We recovered and only trailed by two points at half time with a score of 2-5 to 1-6. The second half was a ding-dong affair. We led by five points with a few minutes left and Ballyduff got a goal, which ensured a frantic finish. The whole team were good on the night

but in defence brothers Justin and Ian Walsh were superb. Ian has given over a decade of loyal service to this club and also the Nire. It was good to see Eoin Wall back in goal again and he didn't put a foot wrong. Shane Walsh showed why he is on county panel and was the best county panellist on the field. Declan Spellman was superb and got a fine goal. Declan is a wholehearted player and he inspires those around him. For some of our young players, like the inform Liam Walsh and Liam Lawlor, this is the way things should be and hopefully we can go on from here. A delighted Mike Guiry is now looking forward to the next round and we don't fear anybody. We would like to thank our supporters who always follow us through thick and thin and the team who were splendidly turned out in their new jerseys sponsored by Comeragh Oil. Now it's down to the Millfield for some serious training.

Scorers: S. Walsh 1-4, T.

Flynn 1-1, D. Spellman 1-2, G. Walsh 0-2, R. Rice, A. O'Gorman, A. Lawlor, B. Wall 0-1 each.

Team: E. Wall, J. Moore, A. Ryan, J. Walsh, R. Rice, I. Walsh, L. Walsh, B. Wall, A. O'Gorman, L. Lawlor, D. Ryan, S. Walsh, G. Walsh, D. Spellman, T. Flynn. Subs: A. Lawlor, D. Wall.

## UNDER 13 HURLING

Fourmilewater Under 13 hurlers played Briceys in the Millfield on Tuesday 12th August in the above championship. The visitors ran out winners on a scoreline of 1-7 to 2-1. Thomas Walsh scored both our goals and Shane Ryan scored our point. There was only one puck of the ball in it at the end and with Fourmilewater pressing, the referee blew for time.

## MINOR HURLING

Fourmilewater will play Clashmore at 7pm tonight in Cappoquin in the Western 'B' minor semi final. This is a winner takes all contest and it should be a good game. Your

support would be appreciated.

## JAMES POWER

Fourmilewater Hurling club would like to offer our sincere sympathy to the Power family of Kilmacomma on the death of James. All the family are very big into sport and James played football for the Nire. May he rest in peace.

## JUNIOR HURLING

Our junior hurlers open their championship campaign on Friday night against Cappoquin in Touraneena. This team have been very impressive so far in the league and will be hard to beat. Despite losing a few players to the seniors, they will give a good account of themselves. Your support would be appreciated. There were malicious rumours doing the rounds during the week that Paddy Powers bookies had approached some of the players on the team to get the logo on their hurleys for the rest of the year. This is untrue but as one player said "We are available and we don't come cheap". Sean Og and Co. have a bit of competition.

## UNDER 16 HURLING

Our Under 16 hurlers lost to Briceys on last Sunday by a margin of five points.

## NEW JERSEYS

We would like to thank Mr. Paddy Joe Ryan and Comeragh Oil for their generous sponsorship of a new set of jerseys, which the club received this week. The club is grateful for this kind of sponsorship in this day and age with everyone looking for sponsorship off different companies. We would ask our supporters to return the favour in kind. Thanks again to Comeragh Oil.

## LOTTO

There was no outright winner of our lotto on Saturday 9th August. There were five runner up prizes of 30e each. These were: Liam Whelan, Glenanore; Peter Flynn, c/o Oriol Bar; Richard Fenton, c/o Oriol Bar; Maureen O'Brien, Post Office; Niamh Hegarty, Ballymacarby.

On Saturday 16th August the lotto was worth 1,200e.

# BRICKEY RANGERS G.A.A. NOTES

## UNDER 16 HURLING

Our Under 16 hurling team had a good win over Fourmilewater in the county semi final on Sunday morning last. This was a great victory for the lads who produced some fine scoring and even better defending. They took the lead after 7 minutes and went on to win with a score of 6-07 to the Briceys, 3-11 to Fourmilewater.

We wish them the best of luck in the County final which is fixed to be played on the weekend of 30th/31st August.

The team was as follows: Kieran Gee, Johnny Cooney, Cian Kearney, Conor Nugent, Alan Curan, John Cummins, Conor McGrath, Eoin McCarthy, Mark Shalloe, Andrew Murphy, Christopher Power,

# BALLINAMEELA G.A.A. CLUB

## FOOTBALL LEAGUE

We played Dunhill in our final league game on Sunday week last in Modeligo. This was a crucial game for us, as we needed a win to remain in contention to get a place in the final. Dunhill came into this game unbeaten and were very keen to keep their unbeaten run, as they started the game at lightning pace.

We struggled to stay with our opponents for the first 15 minutes as they raced into a four point lead, but we caught up with the pace of Dunhill as the game progressed and matched the eastern side for the remainder of the half. Although four points down at half time we felt

we had weathered the storm and started the second half in determined mood, but Dunhill got the first point, we were not to be outdone and we replied with a well worked goal by John stack. This boosted the team and we gradually clawed our way back to level pegging with about five minutes remaining.

Our six backs were playing trojan football, not giving their opponents a sniff of the ball and it was only fitting that one of these backs, Robbie MacCarty, should score the winning point with a couple of minutes left to play. This game showed a tremendous character in the team but there is still a

lot of improvements to be made. The final score was 1-8 to 0-10

## CHAMPIONSHIP

The draws were made last week for both the hurling and football championships and we have drawn black and amber in both! In the junior hurling we play neighbors the Briceys in what will be a very difficult task for us. This game will be played on the last weekend in August. Colligan will provide our opposition in the intermediate football. There has only been a kick of the ball between both sides in recent years so this should turn out to be a cracking game on the first weekend in September.

# Lismore Show Their Class

LISMORE 3-15 PORTLAW 1-5

It could not even be described as a decent 'trial run' for championship contenders Lismore who were clearly a class above their eastern challengers. A six-

teen points gap in any match could hardly be described as a contest and because of the large difference in standards Lismore will have to go on wondering how they will fare when they meet teams of a higher standard.

Lismore are strong contenders and Portlaw are among the championship weaklings. That is why this was a mismatch in Colligan on Saturday evening.

After 20 minutes Lismore led by 3-8 to 0-1 and at this point the interest of the small attendance had waned.

John Henegan had Lismore's first goal and then Lismore's top striker Sean Daly rattled the Portlaw net on a couple of occasions within 8 minutes.

Scorers Lismore; S. Daly 2-5, J. Henegan 1-1, D. Shanahan 0-3, D. Bennett 0-2, W. Cunningham, J. Shanahan, B. Prendergast, P. Prendergast 0-1 each. Portlaw. F. Kelly 1-2, J. Hartley 0-3, M. Power 0-2.

# WEEKEND GAMES

**UNDER 21 HURLING FINAL  
ABBEYSIDE V TALLOW**

This tie between the county and divisional champions, Tallow and the challengers, Abbeyside should provide an exciting climax to what has not, so far been a great competition.

Tallow who defeated Fourmilewater in last seasons tremendously exciting final in Fraher field, received a place in this years final after Fourmilewater were ruled out of the championship by the divisional board. This should prove to be a tremendous contest and a game worth seeing at Cappoquin at 6-30 p.m on Sunday next.

**I.F.C. Shamrocks v Ballyduff**

This tie is fixed for the Cappoquin venue on Saturday and will be quite a contest between these neighbouring clubs.

A very fit Ballyduff outfit ( as seen in their display in Ardmore on Sunday last ) will really put it up to the Shamrocks who might just be considered favourites.

**J.H.C. "A".**

At Touraneena Fourmilewater will be strong favourites to beat Cappoquin and at Cappoquin venue, Tallow will take on Geraldines.

Both games are fixed for 7-30 p.m. on Friday.

On Sunday two further matches in the same championship will see Kilgobnet play Ballyduff at Cappoquin and Dungarvan taking on Stradbally at Leamybrien

**I.H.C.**

The three games scheduled for last weekend were played.

## S.H.C. RESULTS

Although there were a few very close calls, all the six first round games in this championship, produced results that enabled the G.A.C. to proceed with the second round draws on Monday night.

**Ballygunner 0-16 Roanmore 0-5**

As a contest in this game was a bit of a disappointment. It has been said so often that a hurling match with no goals is no good. While I do not fully agree here, I believe that green flags add something to a game.

Without looking like county champions, Ballygunner gave a 'so-so' performance against moderate opposition

**IHC - An Rinn 3-8 Clashmore 1-10**

It was only in the closing minutes of this splendidly contested losers group tie played at Ardmore, that the Gaeltacht team were able to breath a sigh of relief after a tough challenge from Clashmore.

# Fourmilewater Defeat Ballyduff East In Splendid Contest

Fourmilewater 3-12  
Ballyduff East 3-10**

As the final score indicates this was a match that really went down to the wire as both teams fought for every ball in the final exciting minutes of a most enjoyable and sporting contest.

Fourmilewater who took quite some time to settle and were down a couple of goals at one

stage in the first half but recovered to go in at halftime at 4 points in arrears 2-7 to 1-6.

Pat Fitzgerald and Jack Kennedy had the Ballyduff goals while Shane Walsh had 3 points and Declan Spellman 1-1 for Fourmilewater.

**Second Half**

After some great play out of

defence, Declan Spellman crossed to Shane Walsh who in turn found the Ballyduff net to reduce their deficit to the minimum in the 39 th. minute.

Jack Kennedy had a couple of points to boost the Ballyduff challenge but again Spellman and Walsh responded

with points. Jack Kennedy had a point and after splendid work by Brian Wall, David Ryan and Ger Walsh, Tom Flynn had the final touch for Fourmilewater's third goal in the 19 th. minute ( 3-8 to 2-10 ). From here on the winners dominated and extended their lead to 5 points before a

John O'Leary 29 th. minute goal reduced the lead but it was not enough to save the day for the eastern team.

Fourmilewater; V. Wall, J. Moore, A. Ryan, J. Walsh, R. Rice, I. Walsh, L. Walsh, A. O'Gorman, B. Wall, L. Lawlor, D. Ryan, S. Walsh, G. Walsh, D. Spellman, T. Flynn.

Ballyduff East; B. O'Leary, D. Ryan, G. Harris, D. Burke, N. Power, P. Matthews, D. Vanvere, A. Whelan, C. Kennedy, S. O'Leary, J. Kennedy, P. Fitzgerald, S. Larkin, C. Cuddihy, Rd. Barron. Sub. S. O'Leary for A. Whelan.

# Good Second Half Display by Ballinacourty

S.F.C. Ballinacourty 1-12 Kill 1-8

The dismissal of Ray Hennessey, who was one of the Kill team outstanding players in the 12th minute of the second half, may have moderated the tempo

of their challenge, but this happened at a time when Ballinacourty, trailing by a goal at the break, had taken a grip on the game and were enjoying a 2

points lead.

This was a contest all the way, with Kill, more or less calling the shots throughout the first half and Ballinacourty struggling to find their best form.

For much of the second half it was an 'ebb and flow' type of game that saw the tide turn against Kill after Patrick Hurney scored Ballinacourty's goal in the 41st. minute. After Ray Hennessey was sent off, the result was inevitable. The sides met two years ago at the same stage and Ballinacourty won by 1-16 to 1-5. This was a far better contest.

**PLAY**

Full forward Ian Kiely opened with a point from play for Ballinacourty and Anthony Kiely kicked a free to equalise in the 3rd. minute.

Declan Fives from a free. Gary Hurney and Martin Lavin from play had Ballinacourty ahead by 0-4 to 0-1 by the 10th. minute.

Anthony Kiely, Niall Hennessey, Ray Hennessey and Anson Lannon kicked points without reply to send Kill into a one point lead by the 21st.

minute..

Gary Hurney had the teams level with a 22nd. minute point but within 2 minutes Kill set up an attack which saw Anthony Kiely (one of Kill's star players) fist the ball to the Ballinacourty net to give the eastern challengers a welcome lead.

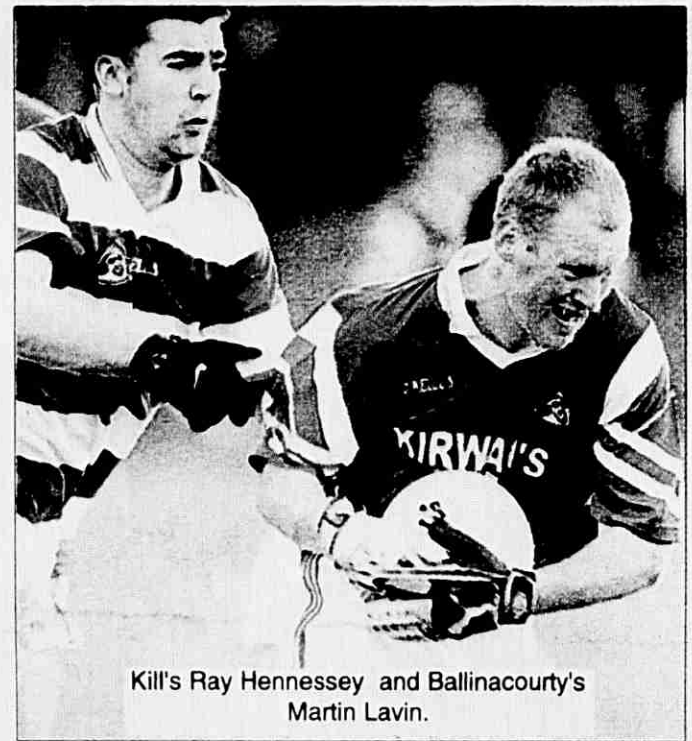

An exchange of points per Gary Hurney, Ray Hennessey, John Hurney and Anton Lannon saw Kill retain their goal advantage. 1-7 to 0-7 at halftime.

**SECOND HALF**

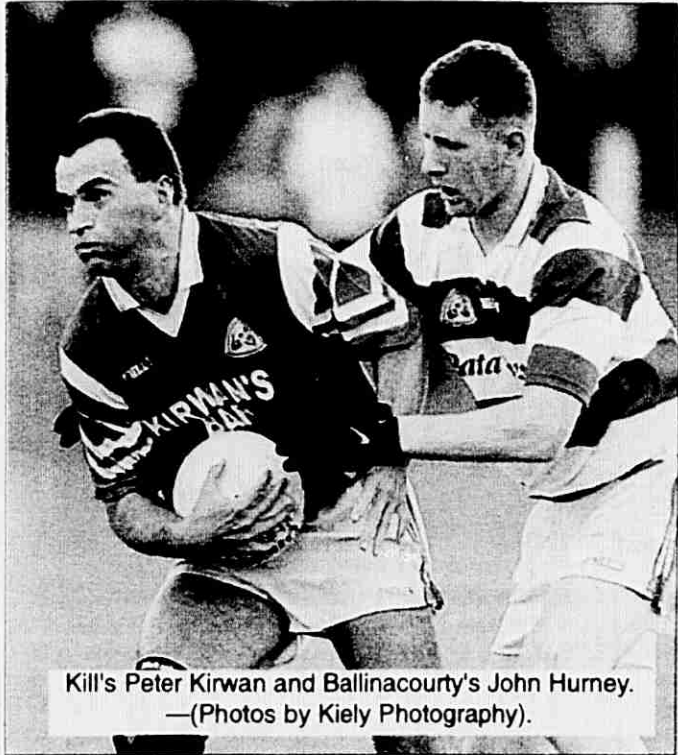

An early point from play by Ray Hennessey gave Kill a 4 points lead but amazingly they were not to score again for the remaining 27 minutes of the match which saw Ballinacourty go from a 4 points deficit to a 4 points lead before the match ended.

Declan Fives reduced the lead to 3 points, Gary Hurney kicked over the best score of the game to make it 2 points and Patrick Hurney's goal in the 11 th. minute put the winners into the lead which they retained until the end.

# Tallow's Great Second Half Rally Not Enough

De La Salle 2-9 Tallow 1-11

A very poor first half which saw them fail to get a grip on the game and left them trailing by seven points (1-8 to 0-4) at

halftime was clearly the reason for their unexpected defeat against the John Mullane led De La Salle at Cappoquin on Sunday evening.

A great second half during which they scored 1-7 as

against 1-1 for the city team, looked good enough to carry the day when leading by the 55th minute.

Mullane in top form crashed home a late goal and a point, but Tallow hit back with points

by Mark Geary and Paul Kearney to narrow the gap to a single point before the final whistle blew to give De La Salle a place in the winners section.

## Sarsfields Withdraw From S.F. Championship

Clubs throughout the county were surprised last weekend when the Sarsfield group team ( Geraldines and Ballinacoola) announced that they were withdrawing from the championship and would not field for their scheduled match with Rathgormack on Friday evening at Leamybrien.

Having appealed to the county board to be allowed play for the second year in the championship and having put in a respectable performance against Tramore in the first round ( even though beaten by 1-13 to 0-8 ), it was expected that the group team would fulfil this engagement.

The withdrawal will very likely stop any hope of group teams being allowed play in future;

## Munster Club Champions Win With Late Points

**Mt. Sion 0-12  
Ardmore 1-8**

Ardmore team who lost by a one point margin to Mount Sion in the senior hurling championship at Cappoquin —(Photo by Kiely Photography).

No one in the county expected that a championship tie in senior hurling involving the reigning Munster and county champions would finish with just a single point separating them. But it happened at Cappoquin on Sunday evening when outsiders Ardmore rattled the champions to the limit and

were a bit unlucky not to have shared the spoils on this occasion.

Mount Sion fielded at full strength and had prepared very seriously for this initial test in defence of their duel titles.

With the alarm bells ringing in their ears they were forced to fight for their hurling lives to stay alive in the winners section of the new championship.

Imagine how Mount Sion must have felt when trailing by a single point (1-9 to 0-11) with just nine minutes remaining. A team of their status and illustrious record losing to the intermediate champions and where football is their first love, looked to be almost impossible.

But Mount Sion did win after All Star Ken McGrath and Sean

Ryan came to their rescue and I expect that the shock will now prove to be a tonic for the champions when the enquiries into their display is executed by the club selectors.

It was 0-8 to 0-6 at the break. The performance by Ardmore will mean almost as much as a win and improve their hurling profile no end.

Scorers; Mount Sion M.

## U-21 F. v. Cork Again Postponed

As reported last week this Munster under 21 football semi-final was scheduled to be played at Walsh Park on Wednesday evening last, but suffered a last ditch postponement following a second request by the Cork county board for a postponement.

The game which had been previously fixed and postponed to facilitate Cork because they had a couple of duel players involved.

Waterford county board were not consulted about that postponement.

It was refixed for last Wednesday by the Munster Council but when Cork drew with Wexford, Cork claimed that two of their senior hurlers would be on their under 21 team and again requested a postponement. Waterford refused and Cork then took the matter to the Munster Council who held an emergency meeting on Tuesday night of last week, in Adare and despite strong opposition from Waterford's delegate Jimmy O'Gorman, the Cork appeal was approved and the match was put back for a further two weeks.

Waterford were supported only by Tipperary. Clare did not vote and the others voted with Cork.

The Waterford Executive committee met on Wednesday night of last week to consider the situation, but found that they were powerless to do anything other than accept the council decision. The only option open to them was to withdraw and I doubt if such a decision would find favour with the team and selectors.

Everyone associated with football in the county will agree that it was a wrong decision by the G.A.C. of the Munster Council. Cork have more than four times the number of clubs and players than Waterford and going to all these rounds (they got a bye into the semi-final and have not played a game yet) to get the game off was man and shabby and greedy.

Pat Nugent, manager of the under 21 team said it was disgusting and disgraceful that Cork were allowed get away like this, having 'messed' us about for a whole month.

The Waterford County Board have requested that the game be now played on Thursday, August 28th in order to lessen the im-

## Senior Football Championship Continues Next Weekend

The two remaining matches in the losers group of the S/F/C. will be played over the coming weekend when Rathgormack take on Kilmacthomas at Kill on Sunday evening and Dungarvan play Kilrossanty at Stradbally on Thursday. This game is brought forward from the original fixture date.

### Rathgormack v. Kilmacthomas

In the opening round of the championship, Rathgormack were surprised by St. Saviours and on the same evening, Kilmacthomas were heavily defeated by the Nire.

Both have had time to improve but it is not considered likely that Kilmacthomas will have improved sufficiently to overcome the challenge from the Comeragh side who have strong championship ambitions.

Kilmacthomas became county intermediate football champions in 1912 after defeating An Rinn in a replay at Fraher field and are not long enough in the

senior grade to be considered contenders for the title.

Rathgormack should win here.

### DUNGARVAN V. KILROSSANTY

This tie will be played at Stradbally on Thursday and based on first round form, it is a game not easy to call.

Dungarvan were unlucky against Kill having recorded 0-13 while Kilrossanty on the same evening were 'caught on the line' by an in form Tramore who had a single point to spare (0-12 to 0-11) at the end.

When they clashed at this stage two years ago, Kilrossanty won on a scoreline of 0-11 to 0-7. The Comeragh Club will be slight favourites to win here. The losers of the tie will go out of the championship.

### NOTE

The Kilrossanty club had their ground in excellent condition for the two matches on Saturday and their stewarding arrangements were excellent.

## Easy Win For Ballyduff

**BALLYDUFF 1-16 STRADBALLY 1-9**

Leading on a score of 1-10 to 0-3 at halftime the result of this first rounder played at Ardmore, looked inevitable in favour of Ballyduff.

The Ballyduff goal was scored by wing forward Brian Kearney on the 21st. minute.

By the end of the third quarter the winners had opened up a 12 points gap and even a Ger Power goal for Stradbally some minutes later did not give rise to a Stradbally resurgence and Ballyduff ran out very deserving winners.

Scorers; Ballyduff; B. Hannon 0-6, P. Kearney 1-1 J. Twomey 0-4, Tom Feeney 0-2, S. Molumphy 0-2, T. Molumphy 0-1.

## Tramore Too Strong

**Tramore 2-14 St. Saviours 0-11**

This game did not quite live up to expectations at Walsh Park on Sunday evening as a very tight finish was expected between the two first round winners.

Tramore at full strength and in full flight proved to be the better team on the night and won themselves a place in the county semi-final. St. Saviours will go to the losers group.

Cappoquin and  
Lismore Finish  
All Square

## INTERMEDIATE HURLING — Cappoquin 1-8 Lismore 0-11

A fair result I suppose, although Cappoquin were a little unlucky not to land the spoils. Played on a Sunday in Cappoquin before a nice crowd, the game was exciting with little or nothing between the sides. While Lismore boasted experience in abundance, Cappoquin displayed greater hunger for the Fray. A Martin Power (Cappoquin) free opened the scoring, three minutes later the wily, Kieran O' Gorman equalised. John McGrath in the Lismore goal brought off a great save from Martin Power while a foul on Aidan Roche, saw Billy Walsh raise a white flag from close in for Lismore. Kenny Mason (Cappoquin) and Aidan Roche (Lismore) exchanged points. Lismore were by far the better team in the first half with Michael O' Sullivan at centre back catching the eye. John McGrath's puckouts for Lismore were of huge distance and were feeding a forward line that missed some good scoring opportunities. A solo run ended in the 23rd minute with Kenny Mason finding the net and a point by Shane Fraher, both of Cappoquin saw the red and black in front somewhat against the run of play. A Martin Power Cappoquin (0-1) and Lismore's Martin Ormonde pointed to

bring the first half to a close. Cappoquin 1-3 Lismore 0-4.

It was nip and tuck throughout the second half with Martin Power, Paul Landers points for Cappoquin while Martin Ormonde (2) and Aidan Roche 0-1 kept Lismore very much in the hunt. Cappoquin introduced Richard Scanlon for John Lynch and within minutes had pointed after some good inter forward passing. Aidan Roche and the marksmanship of Martin Ormonde drew Lismore level. Inexperience cost Cappoquin dearly in the dying embers of battle when three players got in one another's way with a match winning point for the taking.

Lismore were somewhat lucky to survive but their experience and physical strength saw them share the spoils. They were best served by Mark Landers, Aidan Roche, Kieran O' Gorman, Michael O' Sullivan and Martin Ormonde. Tom Mansfield played well for Cappoquin at full back while their half back line of Shane Coughlan, Donagh Cummins and Paul Lacey (son of late Mick of All Ireland fame) outstanding. Martin Power, Kenny Mason, Paul Landers and John Buckley also had their moments.

While Lismore are very much

to the fore in hurling circles, it's nice to see Cappoquin growing in strength and showing admirable appetite for battle.

Pat Walsh (Fourmilewater) kept tight control on proceedings.

Lismore: John McGrath, Willie Lineen, Anthony Whelan, Robert Sullivan, Brendan Crowley, Michael O' Sullivan, Mattie Prendergast, Billy Walsh, Mark Landers, Ollie Dowd, Emmet Quann, Aidan Roche, Michael Shanahan, Kieran O' Gorman, Martin Or-

monde.

Good to see inter county star Dan Shanahan assisting with team affairs - real club spirit.

Cappoquin - Donal O' Rourke, Kevin Looby, Tom Mansfield, Anthony McCarthy, Shane Coughlan, Paul Lacey, Donagh Cummins, John Buckley, John Lynch, Martin Power, Kenny Mason, Liam McLoughlin, Jimmy McGrath, Shane Fraher, Paul Landers.

Great support for Cappoquin here, a club starved of success for too long and who really deserve a day in the sunshine.

## An Rinn Just Shade It

## An Rinn 3-8 Clashmore 1-10

Played before a large attendance on Saturday evening at Ardmore, both sides gave it their all in this dour, uncompromising struggle with An Rinn just about shading the verdict. Clashmore were guilty of squandermania when it came to taking scores, it was to cost them dearly at the end. An Rinn showed great spirit and looked to be coasting as they led 2-3 to 0-1 after 15 minutes. Clashmore fought back thanks to frees from Karl O' Keeffe and Stephen Barron. The feature of the game was the performance of Liam O' Lonain (An Rinn) who ended up with a personal tally of 2-4. Although grounds for concern was the lack of other scoring power up front. Daragh Breathnach, Sean and Padraig O' hArta, Liam De Gras, Cillin O' Murchu and Liam O' Curraoin were best for a Ring side that will require major improvement if they are to advance further. Playing his football with Old Parish, Raymond Terry also contributed to this victory with some fine scores.

### NOEL FAHERTY MEMORIAL CUP GOES TO PHYLLIS FLYNN

## Countdown To Blackwater Homes National Half Marathon

DUNGARVAN HALF MARATHON OF 20 YEARS AGO

### Pat Whyte Beats Field Of 200

The first ever half marathon to be run in Dungarvan was held in aid of the Presentation convent sisters school building fund on June 6th 1983, with the marathon running boom in full flight in those years, the half marathon distance was a very popular race distance also, and a number of them were staged in Dungarvan, Waterford and Cork at this time. The winner of the Dungarvan half of 1983 was the same Pat Whyte, the current proprietor of Whytes Corner Shop in Grattan Square and who will be involved on the day in the organisation of the national half on Sunday August 31st.

**READ ON**

Pat Whyte of Midleton A.C. was the winner of the half marathon in Dungarvan on Sunday in a time of 68 min. and 34 secs. which was twenty seven seconds ahead of Tom Jordan Deise A.C. with the pre race favourite Denis Noonan a further 84 seconds back, almost 200 runners took part. Whyte, who had recently just moved to the area where he is employed by Stafford and Millar Ltd. ran his race to perfection and he reaped the benefits of his arduous training schedule run around the roads of Dungarvan each evening. First Waterford man home was Tom

Jordan Deise A.C. in second place and his form on the day was brilliant also as he also broke the magical 70-minute barrier for the distance.

A notable feature of the race was the display by local runners Michael Roche and Liam Dwyer who recorded top ten placings with times of 71.12 and 74.10 respectively. The inter firms category was won by the youthful Dungarvan Crystal team (well it was 20 years ago) of Liam Dwyer, Eamon Terry and Seamus O Droma.

### Michael Roche Wins National Half Marathon Title

Michael Roche, Dungarvan A.C. achieved the greatest honour an athlete can record in this country when he became champion of Ireland in Newcastle, Co. Limerick last Sunday. His consistency in training down through the years, where he is known not to take any prisoners, is now reaping benefits.

Michael won the Irish over 40 half-marathon championship in a super time of 69.12 which was 30 secs ahead of Irish international Denis Noonan, Clonliffe Harriers.

In the past year Michael has sharper than ever before improving his marathon time to 2.28 his time of 20.13 in winning the recent Munster 4 mile road veterans championship in Templemore is confirmation of his speed over the shorter distances.

Also included are the various prize winners. (Photo: Pat Crowley)

### PRESIDENTS PRIZE 2003

This year's presidents prize kindly sponsored by Mr. Donal Verling, was won in supreme style by Michael O'Connor with 81 pts. Michael had a steady first 18 of 37 pts, but really came to life when it really mattered on the last day. Michael had birdies on 1,9,13 and the most important 18. Michael covered the back 9 in a brilliant 23 pts which was one under par gross. In second place was Michael O'Brien from Dungarvan also with 81 pts, who played very good golf over the two days and was only beaten by a better last day from Michael O'Connor. Michael has been practicing hard and his good work has paid off handsomely. The gross was won by Martin Lavan playing off (4) who blew the rest of the field away with his first round effort of level par. Martin did what he had to do in the 2nd round with a 4 over par round. Tony Brady playing off (8) was in third place. Tony again played great golf and the leader of the golfer of the year was on the same score as the winner but was beaten on a count back. A lot has to be said about the course and the immaculate way in which it was presented. The greens were true and fast and the good weather meant that the fairways were fast and tight lies were common. Overall the weekend was a huge success for our popular president Donal Verling who was delighted with the way things prevailed.

### HOLLOW TINING

The greens are being hollow tined from Monday the 18th of August. This operation is necessary to:

1. Remove the accumulation of dead grass leaves and roots that has occurred during the growing season
2. To allow oxygen to penetrate deep into the rootzone which will result in healthier and deeper roots.
3. To allow rapid infiltration of water through the surface of the green
4. We are undertaking the operation at this time of year because —
5. The grass is growing rapidly and will heal over in a matter of 5 - 7 days
6. As part of the operation we overseed the greens with Creeping Bentgrass which requires a high soil temperature for satisfactory germination and establishment.

There will be a slight deterioration in the roll of the ball for a few days after the hollow tining but the surface will be back at the present high standard in a very short period of time. The Club apologises for any inconvenience.

On Tuesday our Juniors were in action and Kieran O'Connell (28) did the business with an excellent 61 nett. In the singles club championship club PRO Phillip Walton (16) reached the quarter finals after beating seasoned campaigner Sean Clancy (15) on the 17th hole.

The glorious spell of weather continued in the lead up to our President's Prize, kindly presented by Mr. Willie Henry. Friday & Saturday were qualifying days for the top 60 with scores to carry on Sunday. On a course in excellent condition, with greens getting better & better the scoring was excellent. The top qualifiers were Pat Bennett (9) 64, Ned Heffernan (16) 64, Eamon Costin (16), PJ Ahern (18) 64. Also there were two 65's from TW Murphy (2) & Anthony O'Rourke (13), followed by a handful of 66's, one of these by Pa Morrissey who looked a real "threat". As the leaders took to the field on Sunday the weather took a dramatic change. It did not affect Pa Morrissey though as he brought in the a 61 nett- the best score of the weekend. Pa ended up a clear winner by 5 shots on 127, ahead of the battling Dan Howard (18), who beat Anthony O'Rourke into 3rd Spot on the back 9.

In fourth place, getting his odds right was Mick Burke

# Deise Archery Club

## ITFAS CHAMPIONSHIP

Well done to Stephen and Cian Power who return from Longford National Champions recently Cian won the Cubs Longbow title and Stephen won the Junior Hunting Tackle category. The future of Deise Archery looks bright.

Kevin Power took to the podium once again though this year only in his capacity as Chairperson of ITFAS to present the prizes. His Senior Longbow Title, was carried off by, Brian Allen of England though there is some controversy on this point as Brian is a non-national and according to existing IFTAS rules should have been presented with a Certificate. Thus the trophy for National Longbow Champion should have been awarded to Karl Geoghean, another of our Deise Archers. (That's right

Kevin did not even come second).

A word of thanks to the queen Maeve Club who hosted this years event and set a gruelling two days, 120 target course which was real test not only of skill, but stamina. It was a testament to their hard work on every aspect of the competition from courses to catering that everything went off with out a hitch. (Though Kevin did manage to turn up on the wrong shooting Range!). As it drew to a close with a rendition of Hotel California by Karl all proclaimed it a very enjoyable weekend and a great success for DAC.

## 3D COURSE UP AND RUNNING

Sunday last became a milestone in club history when a 20-target 3D course was set at Chavasse's. Course co-ordinator Michael

Power has done an excellent job in creating a challenging course and everyone agreed it was most enjoyable. I'm quite sure that this will entice more members to get out of the "scratcher" on Sunday Morning. Again well done to everyone involved.

## PETER HUDSON'S BARBEQUE/SHOOT

Peter has kindly invited members to his home next Saturday 23rd August for a barbecue and a chance to shoot the course he has designed on his land. While Peter will provide the food it's a case of bring your own beer. More information can be had from Karl or Kevin.

## BALLYDUFF GALA WEEKEND

The club has again been asked to set up a stall at this year's festival anyone interested in giving a hand come along on the day.

## RE-ENACTMENT

Fancy wearing tights, while shooting your bow? Well, legally this could be a great opportunity. There is to be an archery re-enactment taking place over the coming weeks in Cahir Castle details are a bit sketchy watch this space for more info.

## Bright Future For Clemmas

Top billing on this ten race card was reserved for the four first round heats of the Waterford Plumbing and Heating Tri Distance Stake kindly sponsored by local owner Maurice Jackson. The four heats down for decision were decided over the 500-yard trip.

Heat one produced the fastest the return of the first round with the Andrew Fisher owned and Stephen Bourke trained Clemmas Future (Toolibuk-Cloyne Pearl) the evens favourite flying around in 27.50. Short of room at the entrance to the back stretch Clemmas Future was forced to check as the early leader Miniature Hero made the long break for home. Switching his challenge to the outside Clemmas Future accelerated going into the second last turn to pick up the running on the outside. Once in front the jolly was never going to be caught winning out by two lengths from a running on Airmount Merry.

Heat two saw the fast starting High St Cloud (Vintage Prince-High St Blaze) 2/1 make every yard of the running for Ballyragget owner Michael Waters in 27.69. The chasing pack only ever had a rear view of High St Cloud who dashed straight into the lead from Saltee Hope and the rails seeking Byrne Back. In a one sided qualifier High St Cloud came home seven lengths clear of a fast finishing Auld Nag.

Local owner Ken Browne and trainer Paul Kiely teamed up to take heat three with 3/1 shot Kendale Flyer (Smooth Rumble-Airchreecee) in 27.70. Pony Prize and Lemon Tina contested the lead up front but tracking cleverly along the back stretch Kendale Flyer dashed into the lead on the rails near the second last bend and while Didhedoit came home well to claim second spot Kendale Flyer was not extended to triumph by three lengths.

The Pat Morrissey owned and Ann Wade trained Pet Shop Honcho (Top Honcho-Pollerton Lass) 3/1 to 2/1 displayed plenty of early dash en route to a well deserved 28.00 success in heat four. The winner was pushed all the way by a determined Truleigh Sirius but sticking to the task in hand Pet Shop Honcho kept going all the way to the winning line to win out by two lengths.

Elsewhere on the card trainers Declan Byrne and Jude Hennessy recorded short price training doubles. The opening novice contest saw the John Lambert owned and Declan Byrne trained Carlow County (Eyeman-Cill Dubh Amber) the red hot favourite record a very easy win in 29.44. Despite moving wide on the run from his trap two draw Carlow County eased his way into the lead and with the remaining runners involved in first bend bunching Carlow County scooted well clear down the back stretch to run out a four and three quarter lengths winner over a staying on Autumn Celtic.

County Waterford based trainer Declan Byrne went on to complete his training double in the fourth event as the Lenny Foley owned Whistlers Gift (Toolibuk-Miss Take) 4/6 saw off the early challenge of Bea Nukes Girl and Truleigh Agena before obliging with plenty to spare in 29.60.

Trainer Jude Hennessy sent out his brace of winners courtesy of the Ian Clancy owned Cockle Lane 2/5 and Michael O'Donohue's Down To Monica 1/1. Cockle Lane (Powerful Flash-Monmahogue Sally) had only two runners to beat in a 300 yard dash and breaking smartly Cockle Lane beat off the early attention of Towering Special before shooting clear for an easy five and a half lengths victory in 16.76.

In the tenth contest evens favourite Down To Monica (Citizen Rascal-Dochas Mor) did not get off to his usual flying start but his early pace carried him into the lead around the first bend as both King Wonder and Scorpion King were both badly hampered. Racing into a clear lead down the back stretch Down To Monica had however to be at his strongest in the closing stages as Prestige Shauna finished with a flourish only to taste defeat by the minimum distance in 29.48.

In a novice sprint Harry Boyles Boher Brew (Come On Ranger-Dartfield Miss) 5/4 packed to much early pace for a fast starting Why Madra Dubh to win out in 16.78. The winner darted up the inside of Why Madra Dubh at the first bend to motor on for a length and a quarter victory.

The previously unraced Normans Conquest was sent off the 6/4 favourite to open his account in the fifth race but on this occasion the jolly found one to good for him in the shape of the Super Furry Syndicate owned and Gerry Kiely trained Supa Furry (Airmount Rover-More Special) who posted his second race victory winning out in a career best time of 29.28. Normans Conquest ran a close second throughout but there was no catching Supa Furry 5/2 who kept on well to triumph by four lengths.

WATERFORD-SATURDAY -AUGUST 16TH

## Record Run By Glenske Ghost

Quality wise the 2003 running of the Kilcohan Park Waterford Crystal Trophy Open 550 event is one of the best ever and contesting his second round heat on last Saturday night from trap four the Paul and Eileen Glennon owned Glenske Ghost (Vintage Prince-Beche Babs) the red hot 4/6 favourite produced a superb display of front running in heat two to break the 550 yard track record in an excellent winning time of 29.67. Chased throughout by his litter brother Southeast Prince a strong running Glenske Ghost never appeared in any danger of losing out cruising to a three and a half lengths victory over Southeast Prince.

The Eamon Sheehan owned and Liam Ramsbottom trained Prince Ned (Vintage Prince-Tinas Last Call) was yet another punter pleaser taking heat one in 29.88 at odds of 4/5. The early paced Prince Ned held the early call over Sparta Tom and while Interloper finished full of running Prince Ned dug deep on the run to the winning line to beat Interloper by a head with Sparta Tom just behind in third.

Impressive first round winner Nod Mac was a warm order at 2/5 to capture heat three but he dwelt at the break losing valuable early ground. The Larry Byrne owned Metric Millie wasn't hanging around at the break as this March 2000 daughter of Roanokee and Metric Melba bounded clear of Captain Mackey. Recovering well from his initial error Non Mac produced an eye catching dash of back stretch pace to move into second spot around the final two bends. So fast was the favourite traveling however that he was forced to check behind a determined Metric Millie. Wexford may have gone to Cork in the big hurling match but a gallant Metric Millie was not going to be denied the Model County entry sticking to the task in hand to triumph by a length.

Young Garsun was an absentee in heat four as the Maurice Jackson and Tom Smyth owned Valentia Citrate (Larkhill Jo-Ullid Citrate) was sent off the 4/7 favourite. Sparta Titan left trap three at a fair rate of knots but he lost his early lead as Ballygunner King ran off the first bend from his trap two draw hampering the unfortunate Sparta Titan. The Frances O'Donnell trained Valentia Citrate then duly sailed into a first bend lead from Scotias Prince. It was

all one way traffic up front from that point on with Valentia Citrate galloping clear for a cosy four lengths victory over a running on Ballygunner King. Time 29.95.

In the first of four graded contests Billy Kehoes Fast Maria (Joannestown Cash-Tombrick Nell) 2/1 lived up to her name with a pillar to post a victory. Leading early on from Dawlish Pressure Fast Maria was strongly challenged in the closing stages by Joy Of April but the former battled on well for her deserved short head victory in 29.48.

Hampered on her previous two bend outing the Hole In One Syndicate owned and Jimmy Frisby trained Sineads Ashling (Come On Ranger-Sineads Ivy) Sineads Ashling 3/1 took a flyer from trap two in the second race to make every yard of the running for a stylish one length victory over Ironmerchant in a speedy 16.26.

Less than two lengths separated the entire field over the winning line in the third race over the 550 yard trip. McCarthys Boy cut an early dash from trap five but the leader gave way near the penultimate bend to the Jennifer O'Donnell owned Mounttaylor Gate (Staplers Jo-Devon Melody). Monamolín Swank joined issue with Mounttaylor Gate on the run home and while the pair came in contact Mounttaylor Gate 4/1 deservedly prevailed by a head in 30.77.

On a good night for the O'Donnell clan Mounttaylor Dolly (Larkhill Jo-The Other Top) the 6/4 favourite came from behind to land the fourth event in 29.10. The winner took over in front from the pace setting but wide running Heathfield Hope over the final two bends and while Top Leaf and Brykat Kariba both finished with a flourish Mounttaylor Dolly kept on strongly to deny Top Leaf by a length and a half.

Races five and six were semi finals of the Gain/O'Dwyer Confined 20.60 stake. The Kathy Crowe owned Brykat Apache (He Knows-Sadlers Surprise) was popular with the punters in the first semi final but this 4/7 favourite was forced to produce a career best performance to defeat Assassins Prince by a length and a quarter in a smart 28.91. Assassins Prince broke in front to lead from a rails running Brykat Apache. There was little or nothing in it down the back stretch but producing the stronger finishing kick Brykat Apache grabbed the lead on the run home to triumph by a length and three quarters.

The second semi final produced a shock result as the outsider of the entire field Thatswhatisay (Chart King-Toronto Katie) came good for Duncormick owner Tom Colfer in 29.28. Make no mistake about it this was no fluke victory for Thatswhatisay as he dashed straight into the lead from Arboy Prince and Rockafella Skank. Seeing out the trip to the limit the wide seeded Thatswhatisay came home four and a quarter lengths clear of Rockafella Skank.

## HUGH SMYTH CLOONE, FERRYBANK, WATERFORD

A minutes silence was observed at Kilcohan Park Greyhound Stadium on Wednesday August 13th as a mark of respect to the late Hugh Smyth who passed away after an illness. Hugh campaigned nearly all his greyhounds under the Clondara prefix and he enjoyed plenty of success both at coursing and also on the track. He was heavily involved in both the Waterford and District Coursing Club and the Gracedieu/Clonea Power Open Coursing Club. Hugh also enjoyed horse racing and was a regular at the Tramore four day racing festival.

To his wife Eileen and family we extend our deepest sympathy. May his soul rest in peace.

# THE PLAY PALACE

## Scanlon's Yard Car Park

Importantly, the frames are suitable for disabled children as well, and Proprietor, Kevin Dalton, says they provide good exercise for the children and a chance to socialise and mix with other children of their own age.

"There are no noisy amusements," he adds. "Just good healthy exercise and fun."

The Play Palace's all-weather frames, meanwhile, ensure that when it rains, children are no longer stuck at home. Now, at the Play Palace, they can still play in safety, and have an outlet to vent their energy during Ireland's often inclement weather.

It also has facilities for parents to use while they wait. These include a coffee and tea facilities, allowing parents to enjoy a well earned rest in a comfortable setting and a relaxed atmosphere, while their kids are at play.

Kevin says this is all part of the facilities snappy motto, which is: "If you want to tire them out, give us a shout."

In September, they are also hoping to start a new initiative called mothers and toddlers mornings.

"It will be where the children

too young to start school, and with brothers and sisters in school, can meet and play with other toddlers. Mothers can get together there too, and have a chat in a relaxed atmosphere."

### SPECIAL EVENTS

The new facility is available for a range of special events, including private bookings such as birthday parties, and puts on events for Halloween, Christmas and on other special occasions.

One event that has become especially popular at the moment are parties for the children of people working in businesses at Christmas, and all events for up to 65 kids are capable of being catered for at the Play Palace.

Indeed, this weekend, the M&M men from television fame will be attending the Play Palace bringing lots of goodies in tow for the kids.

### FAMILY RUN BUSINESS

Proprietor of Play Palace, Kevin Dalton, together with his wife, Angela, run the Play Palace ensuring that the new facility is a family run enterprise that caters for families.

Kevin, who is well known in the locality, went on to ac-

knowledge the support he has received from people locally.

"I'd like to thank all the local people who have been so supportive of me and the Play Palace since the beginning," he said.

"I'd also like to thank and acknowledge the support of the Waterford Leader Partnership, specifically Clare Connors for all the advice, help and assistance she has given us."

Kevin thanked the contractors, who worked on the Play Palace as well, for their "diligence in bringing together the Play Palace and developing it to the standards required."

Clearly proud of the new facility, he added, that the Play Palace is a "new venture for Dungarvan, and an asset for the town."

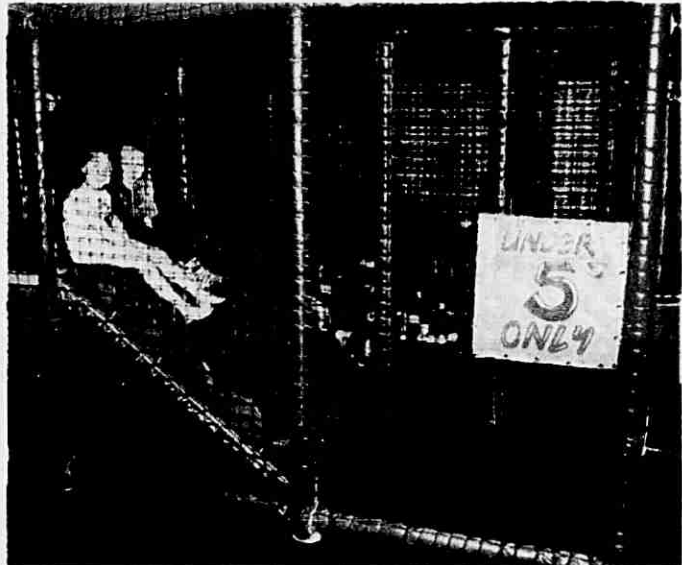

### SECURE

The Play Palace places it emphasis on the safety of the most important visitors to its facility - the children, and with this in mind, the facility is covered by Close Circuit Television Cameras, etc.

### OPENING HOURS

The Play Palace is open seven days a week from 10.30-6pm weekdays and 11am-6pm weekends and is located at Scanlon's Yard Car Park, Dungarvan, and can be contacted on 058-23434.
