# Daylight Robbery In Lismore!

## KEVIN KIRANE

Three armed and masked men made off with over 70,000 euros from Lismore's Bank of Ireland branch on Friday last after breaking-in, and holding up a number of employees with a sawn-off shotgun and an axe.

Two of the raiders accessed the bank at 4.05pm through a window at the New Street side of the building. The raiders apparently cut through a heavy security grill, which normally seals off the window in an audacious daylight break-in at the bank, which is virtually straight across the road from the local Garda station.

Two of the men then held up a number of terrified staff, who were tallying up the days takings at the time, and stole a sum of money. The Bank was closed to customers at the time, and no shots were fired and no injuries occurred during the raid.

A third man stood watch by the window throughout the raid, and was armed with a handgun.

The three men then made their getaway back out onto New Street, where a maroon coloured Mazda 626 registration 92-D-28309 was waiting, and sped off on the main Lismore/Ballyduff road

heading in the direction of Ballyduff.

The car was last seen around two miles outside Lismore.

The men wore masks, and were described by witnesses as being between 5'7" and 5'9" in height, of slim build,

and wearing dark clothing.

Investigating Gardai say, they are particularly anxious to speak with anyone who was in the vicinity of the Bank of Ireland at the time of, or prior to, the raid. They are also anxious to trace any sightings of the getaway ve-

hicle, either before, or after the robbery.

Speaking to the Dungarvan Leader, Superintendent Mick Blake said the getaway vehicle is likely to have been abandoned nearby.

brook Estate, and following an arduous 13.1 mile circuit in the Ballinacourty direction the race will finish again at Duckspool outside Scoil Gharbhain. Spectators

**Waterford Macra Notes**

**Competitions:**

Best of luck to Kieran Hassett of Clonea Power representing the County in the Summer Son Festival in Moate Co. Westmeath. Congratulations to Corina Ahern of Cappelquin Macra representing the County in this years International Miss Macra 2003 and Therese Byrne last years winner for 2002 not only from the County but also from Cappelquin Macra as well in Thurlas Co. Tipperary. It was with some sadness for Therese who was such a great ambassador for both club and county outside of Macra seeing the standard of this years contestants and knowing how they feel taking part in such a competition. For both Corina and Therese both of you should be proud at being fantastic representatives from Waterford.

**Social:**

On Friday 22nd of Aug County Barbecue was held as part of Faithlegg's weekly Barbecue in Faithlegg Hotel with everyone having a great time especially for those more established members making sure that new club members weren't left out, especially with getting "home safely" and improving interclub "friendships".

**Congratulations:**

Congratulations to both Edith Prendergast Cappelquin and John Scanlon Ballyduff Macra clubs who were recently married in Affane. Also a little birdie has told me that more congratulations are in order for our own Co. Chair Vincent O'Brien and Catriona Kelly both of Dungarvan Macra who have announced their engagement.

### How Do Plants Defend Themselves?

Fixed to the ground or to other plants, a plant cannot flee from danger. So to defend itself from animals, it has various means of protection. Some are covered with thorns, like the rose, many grasses, and the Acacia tree in the tropical grasslands. Others plants can cause irritation, like the nettle, which stings on contact with the tiny, little needles that cover its leaves. The shy Mimosa curls up as soon as anything touches it. The Stone Plant disguises itself among the stones of the African desert.

#### Too Much Water

The leaves of some tropical plants have a special 'drain', like a gutter, so that the leaf can pour away a surplus of water after a lot of rain.

#### Defence Against the Cold

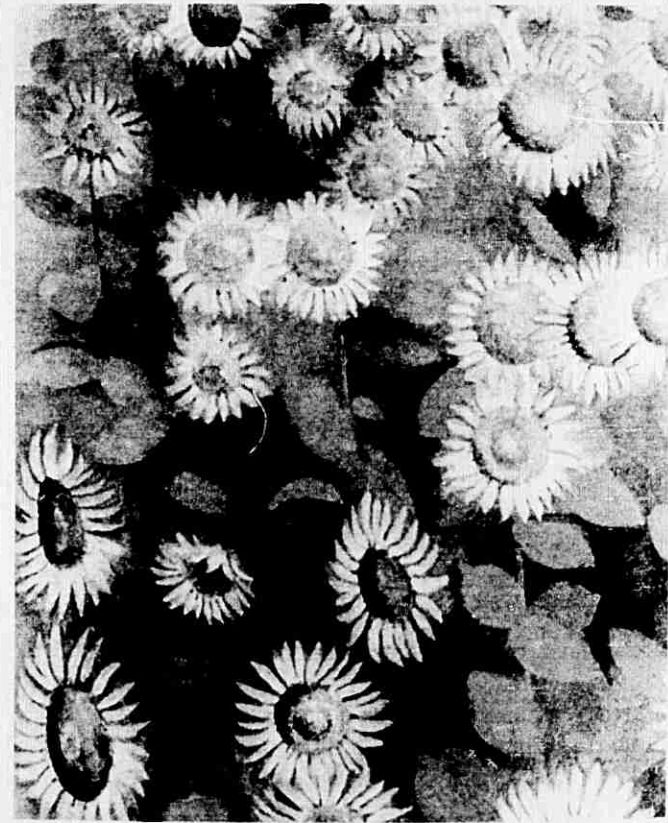

To defend themselves against the cold, some flowers, like the Sunflower, turns its corolla, following the course of the Sun. In this way, the flower takes full advantage of the maximum warmth from the rays of the Sun.

#### Are Plants Sensitive?

Plants, like animals, react to stimuli in their surroundings with movements called tropisms. Some flowers close at night and re-open at dawn.

The roots of plants always grow towards the bottom, sensitive to the force of gravity, whilst the shoots always grow in the direction of water or particular substances in the ground which they need.

Climbing plants are sensitive to contact. They cling to every possible thing that they touch.

#### How When What Why

##### How did the Sunflower get its name?

The Sunflower is a plant, which is widespread throughout the world and famous for its peculiar behaviour, from which it gets its name. During the day, its bloom is always tuned towards the Sun. Like all tropism phenomena, (turning towards a stimulus) the movement of the Sunflower is controlled by a hormone, a substance produced by the plant and which can stimulate or stop growth. This hormone is mainly in the part which is in the shade, and which grows more quickly than the part in the Sun, where there is less hormone. The Sunflower tries to balance this distribution by constantly bending its stem towards the Sun.

# Daylight Robbery In Lismore!

Continued from Page One

peal to any farm owners/forestry personnel in the area of Lismore/ Ballyduff to search their lands, buildings and outhouses as there is every likelihood that this vehicle may have been abandoned shortly after the robbery, and could be concealed in the general area," he said.

But, Gardai poured cold water on speculation that the raiders were aided by "detailed" local knowledge, saying they are keeping an open mind on the matter.

While some reports earlier in the week quoted Garda sources as saying the men were likely to have been in the immediate vicinity of the Bank for as long as two or three days in an effort to remove the security grill, Gardai dismissed this on Tuesday, saying that the claims were exaggerated.

However, Superintendent, Mick Blake acknowledged that the security grill was cut through.

Meanwhile, Lismore based Councillor, Willie McDonnell (FG), who has been a customer of the local Bank of Ireland branch for the past 40 years, said it was "amazing" that the raiders knew the location of the safe, and that the raid took place across from the Garda barracks.

"The genuine public are the losers in this situation not the banks," he added. "The bank itself, I presume, is insured against the loss."

"I do feel very sorry for the staff after the ordeal they went through, and I know

each of them so well from being a customer for the past forty years."

But, Cllr. MacDonnell levelled criticism about the lack of resources available to Gardai in the town, and the county as a whole. Lismore lost a Sergeant from the local barracks who was transferred in May and not replaced, and according to Cllr. MacDonnell, the town doesn't have the Garda resources required

despite "umpteen" calls for more resources both nationally and locally.

"Instead of increasing the numbers of Gardai, they have actually been reduced," he said.

Gardai are appealing for anyone who was in the Lismore area, and who may have witnessed anything suspicious to contact Dungarvan Gardai at (058) 42370.

The Bank of Ireland branch

was open to the public again on Monday last at 1.30pm, but staff did not wish to comment on their ordeal to members of the press.

## Concern Over Vandalism At St. Mary's Graveyard

KEVIN KIRRANE

A local resident has expressed upset and anger at the ongoing vandalism of his parents grave in St. Mary's Parish Graveyard in Dungarvan.

Speaking to the Dungarvan Leader, the resident who asked not to be named, said beer cans and other rubbish are continually being thrown on his father's grave late at night. The vandals have even pushed aside the peat moss that had been sown on the grave, and the curbing around the grave has been damaged, he said.

"This has gone on for a long time, and it's upsetting to see my fathers grave treated like that."

"The dead should be allowed rest in peace," he added.

Contacted by the Leader, Fr. O'Mahony said it is an unfortunate thing to happen, and is symptomatic of modern life.

"It is unfortunate that young people, and I suppose not so young people, are using Church grounds and school grounds for late night drinking. It is something that didn't start today or yesterday, but it is a problem on the increase."

## Ballyduff Garda Station To Remain Open Says Minister

KEVIN KIRRANE

There are no plans to close Ballyduff Garda Station despite speculation fuelled by reports that a number of rural Garda stations are due to be closed.

Minister Michael McDowell, responding to a written request from Deputy John Deasy (FG) for clarification on the matter, said there are no plans at present under consideration for the closure of Ballyduff Garda Station.

The Ballyduff Station is in the Fermoy district, and residents of Ballyduff raised concerns that the station may be one of those mentioned in the Strategic Management Review of the Gardai, which recommends the closure of a number of small rural Garda stations.

Ballyduff Community Council Chairman, Pat Kenny, welcomed the assurance.

"I am pleased to hear it is not being closed," he said. "It is only open a couple of hours a week, but still and all, it is a great benefit to the community."

# COOKERY CORNER

## Have a 'fun do' fondue

The swiss are well renowned for their tasty cheese fondues but over here they have been regarded as somewhat 70s. Not any more!

The humble cheese fondue is an ideal way to combine good food with a social occasion.

Follow this authentic Swiss recipe and give your friends a meal to remember.

**Ingredients:**

(Serves 4)

- 1 large clove of garlic
- 250ml of dry white wine
- 300g of Swiss Emmenthal cheese, grated
- 300g of Swiss Gruyère cheese, grated
- Juice from half a lemon
- 1 tbsp of cornflour
- 60ml kirsch
- Pepper
- Nutmeg
- 1 large white loaf cut into cubes

**Method:**

Peel the garlic and rub vigorously on the inside of

the saucepan, then chop into small pieces.

Pour the wine into the saucepan and bring to the boil. Once the wine has boiled, turn heat down to simmer and add cheese and lemon juice. Stir continuously to prevent lumps from forming.

Dissolve the cornflour in the kirsch and stir until smooth – add this to the cheese mixture.

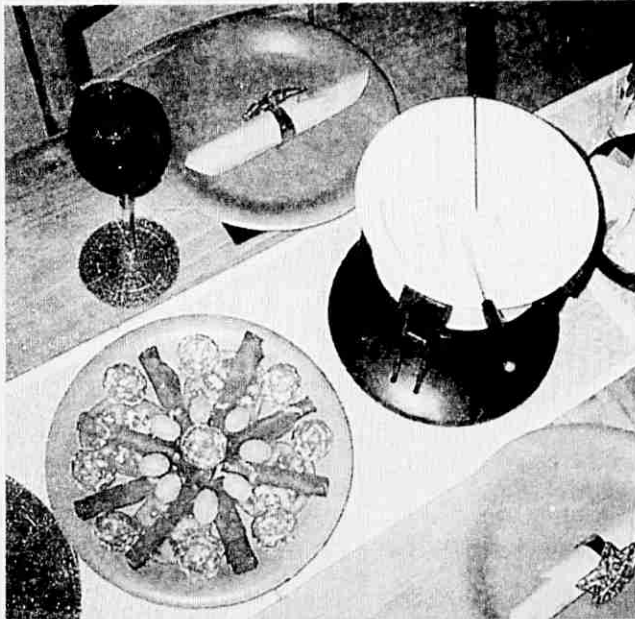

Add the chopped garlic and season with nutmeg and pepper, continue to stir until the mixture is smooth.

Transfer the mixture from the saucepan to your fondue pot. Then all you have to do is light the flame and let the fun begin!

Remember to stir the fondue mixture occasionally to keep it smooth

■ **Healthy option**

Use mozzarella instead of one of the Swiss cheese and substitute apples, pears and grapes for half of the bread.

### CHEESE FONDUE: cooks tips

- Serve a dry white wine with your fondue – it will help to digest all that cheese!
- Put a little kirsch in a bowl to dip your bread into – it adds flavour and a kick to your meal.
- As well as dipping bread into your fondue, you could also try a variety of French meats and sausage (these can be found in all good supermarkets). Why not try grapes as a contrast?
- The best bit of the fondue is the cheese that has welded itself to the bottom of the pot. It tastes just like toasted cheese and is delicious!

## Hot fudging it!

TRY this delicious recipe for hot fudge pudding.

**Ingredients:**

(Serves 6)

- 175g dried apricots
- 2 500g cartons fresh custard
- 600ml milk
- 300g sweet bread (eg brioche)
- 75g butter, softened
- Grated rind of 1 orange
- 200g chopped fudge
- Caster sugar to dust

**Method:**

Soak the apricots in boiling water for at least two hours. Stir together the custard and the milk.

Cut the bread into 5mm thick slices and spread thinly with the butter, then cut into quarters.

Grease a two-litre shallow ovenproof dish and pour a

thin layer of the custard to cover base.

Meanwhile, drain and roughly chop the apricots then mix with the orange rind.

Make your pudding by arranging alternate layers of bread, apricots, fudge and custard until you reach the top of the dish. Finish with a layer of custard. Then leave to soak for about an hour.

Preheat the oven to 180°C/350°F/gas mark 4.

Dust the top of the pudding with the castor sugar. Place the dish into a roasting tin and fill the tin with enough hot water to come half way up the side of the dish. Cook for one hour or until the custard has set and the top has turned a rich, brown colour.

## Mouth-watering savoury scones

HASSLE-free gourmet savoury scones – they melt in the mouth!

**Ingredients:**

**Serves 8**

- 450g self-raising flour
- 1 x 5ml sp baking powder
- Pinch of salt
- 1/2 x 5ml sp mustard powder
- 2 x 15ml sp fresh chopped dill
- 180g butter
- 2 medium eggs, beaten
- 120ml milk

**Method:**

PREHEAT the oven to 230°C/450°F/gas mark 8.

Sift the flour baking powder, salt and mustard powder, then stir in dill. Rub in

the butter.

Add the eggs and enough milk to form a soft dough. Knead lightly on a floured surface and roll to 2cm thickness.

Using a 7.5cm plain cutter, cut out eight rounds (roll trimmings again as necessary).

Arrange on a baking sheet. Bake for 12 minutes or until the scones are golden and risen. Leave to cool on a wire rack before splitting.

The scones can be served as sandwich type bites (with a top and base) or open, with the fillings on display.

## Health Tips from "Remedies"

### Peppermint

There are many varieties of peppermint, which can be found all over the world.

**Uses:**

Irritable Bowel Syndrome. Indigestion.

**How it works:**

Menthol is one of the most prominent of the volatile oils found in peppermint. The plant works as a carminative, dispels wind, reducing the symptoms of nausea, colic, bloating and wind. It also relaxes muscle tension in the colon, which helps to relieve spasms.

Research has shown that peppermint is able to relieve the symptoms of the Irritable Bowel Syndrome.

Avoid peppermint if suffering from gallstones or acute liver disease.

## New Plan A Template For Development

Despite pressing economic circumstances and the fact – like any other town – it's not

without it's challenges, one local Councillor has said the composition of a new Town

Development Plan comes at a time when Dungarvan is experiencing some progress that

### CAPPOQUIN MACRA NOTES

#### AIB Club of the Year Award.

The club took part at Waterford Show on Sunday 27th July, 2003. This was a PR exercise for Waterford County Macra and Cappoquin members participated in novelty sports, tractor tasks, art, woodchopper challenge and prepared a PRO Board.

On Thursday 31st July, a team of Gearoidin Flynn (Art), Anita Meagher (PRO Board), Eoin Collender (Woodchopper Challenge), Denis Ahern (Tractor Tasks) and Carol Byrne (Sports) represented the club. In the tug-of-war, Liam Begley, Thomas Foran, John O'Donnell and Michael O'Donnell joined the team and unfortunately were narrowly beaten by Dungarvan in the final. We had three winners at the Show. Anita won Best P.R.O. Board which was sponsored by the Dungarvan Leader, Eoin won the Woodchopper Challenge and Denis won the Tractor Tasks. Gearoidin came second in the art.

On Friday 1st August, 2003, the club attended the annual show dance in the Old Pike Inn.

National President Thomas Honner attended the function and presented the prizes. The winners of the show were announced and the club came runners up in the Club of the Show section. However, it was the last result of the night that the club really wanted to hear. After a long struggle Cappoquin finally won the AIB Club of the Year Award. A big congratulations to all the members and club officers who with their dedication we finally won this award. A special presentation was also made on behalf of the County Executive to outgoing Miss Macra Therese Byrne.

#### Congratulations

The club would like to congratulate former member Edith Prendergast and John Scanlon who got married recently. Best wishes to you both. Also congratulations to our County Chairman Vincent O'Brien on his recent engagement to Catriona Kiely.

#### Miss Macra Competition

All roads led to Thurles, Co. Tipperary for the International Miss Macra Competition which was held last weekend. Repre-

senting Waterford this year was Cappoquin member Corinna Ahern. Corinna did both her club and county proud in Thurles.

#### Club AGM

The club AGM was held last Wednesday 20th August in Affane Hall. The outgoing Chairman Pat Hennessy thanked the club for their efforts during the year. The highlight of the year was Carol Byrne winning the Miss Blue Jeans title and of course winning the Club of the Year. The following are the officers for the forthcoming Macra year.

President: Tom Cliffe  
Chairperson: Anita Meagher  
Vice Chairman:  
John O'Donnell  
Secretary: Hazel Hallahan  
Assistant Sec.: Therese Byrne  
Treasurer: Liam Begley  
P.R.O.: Padraig Flynn  
Recruitment Officers:  
Corinna Ahern, Mary Smith and Thomas Foran.

The next club meeting will take place on Friday night 19th September in Affane Hall at 9pm. New members welcome. —P.R.O.

may provide potential for growth in the future.

Dungarvan area Labour Councillor Fiachra O Céilleachair says the town compares favourably with medium sized urban communities

throughout the country, with visible evidence such as the installation of a modern sewerage treatment system, the development of the "Creamery" site in the centre of the town and the expansion in housing both private and public.

However, said Cllr. O Céilleachair, as many people as possible should be involved in ensuring that the new Town Development Plan is a balance between a marketing strategy – especially in terms of attracting good quality and well paid jobs – and a framework for community development in Dungarvan and Abbeyside.

Stressing the importance of the current review process that will result in the adoption of a new plan in 2004, Cllr. O Céilleachair said:

"Although well situated between Waterford and Cork and – according to the National Development Plan – linked to an improving infrastructure leading to Rosslare, Dublin, the north and beyond, it has been a disappointment that Dungarvan was not been recognised as a 'hub' town in the National Spatial Strategy. The new Town Development Plan, therefore, is critical to putting the case for Dungarvan. I looked forward to it being based on the widest possible form of consultation."

# Comeragh Crossing Raises €11,300 For Local Organisations

Pictured below at the presentaion of the proceeds of the walk were: Front L-R: Mairead Brett, Patrick Keating, Friends of St. Josephs, Ann O'Donnell, West Waterford Hospice, Jackie Curran, Mary Harney, Dungarvan Hill Walking Club. Back L-R: Pat Harrinton, Friends of St. Joseph's, Kevin Moore Dungarvan Hill Walking Club, Karen Dempsey West Waterford Hospice, John Coffey, M.J. Power, Earl Navin, Hill Walking Club, Photo: P. Crowley.

The club held their 7th Annual George Harney Memorial Comeragh Crossing and Challenge on Saturday 5th July, and the event attracted a record number of participants from clubs throughout the country. This year the event was held to help raise much needed funds for West Waterford Hospice and the Friends of St. Joseph's Hospital and realised a total of euro11,300.

For the first time in a number of years, the event was held in glorious sunshine, and provided the participants with ideal conditions for the marathon challenge. Certainly, the organising committee under the guidance of club chairperson, Jackie Curran, can feel well pleased with the organisation of the day, and the positive response from all who took part on the day is a measure of how successful the event was.

The club would wish to take this opportunity to thank the many local business houses that supported the event, and the community of West Waterford for the generous sponsorship. The walk has now raised in excess of euro60,000 for local charities and organisations, and is a fitting tribute to the memory of one of the club founder members, George Harney, in whose memory the walk takes place. The organising committee would especially wish to

thank Eleanor and all the staff at Dungarvan Soccer Club for the use of their facilities, Civil Defence for their help on the day, the management and staff of the Diplomat Bar and Bean a Leanna for their support and especially to Ann Crowe Fitzgerald for providing all the

walkers with food at the finish. Also, to the members of West Waterford Hospice and Friends of St. Joseph's Hospital for all their trojan work leading up to the day, and for manning the checkpoints. Also a word of thanks to those who helped out on the day in any way, your

support for the event over the past 7 years is very much appreciated. Finally, a word of thanks to the Harney Family, for their unwavering support and words of encouragement over the past number of months in the organisation of the walk.

## Dungarvan Camera Club Notes

The Dungarvan Camera Club had a very interesting meeting on Tuesday 5th of August last. The discussion was mostly about the success of the Summer Exhibition held in the library and how to improve future exhibitions.

The Club's next exhibition will take a different format, there will be fewer prints but they will be of a larger print size and have a theme. The theme discussed at the meeting was 'Beauty and the Beast through the objective lens'. It's time to start taking photographs with this exhibition in mind and please bring any suitable prints (7x5) to the next meeting on Tuesday 2nd of September, 8pm The Park Hotel.

The standard of the monthly competition was very high and as a result there were 3 joint winners in first place, congratulations to:

Eamonn Terry for his photograph entitled 'Helvic RNLi welcomes Cabin Fever'

# Horoscopes with Ali

This week's horoscopes are provided by Ali, one of Ireland's most gifted mystics.

For a more complete reading dial the 1550 number listed beside each star sign.

**ARIES**  
Mar 21 to April 20  
You are impressive, not just because of your efforts but because you take everything in your stride. This is a time for performing a juggling act. Be practical and down to earth, especially regarding business concerns. Collaborative efforts are favoured during this week when two heads are better than one. Curb the desire to criticise a loved one's behaviour. Telephone 1550 920-257 for details. ☎ 1550-920-257

**TAURUS**  
April 21 to May 21  
You are on a roll where money matters are concerned. Continue to make hay while the sun shines. Someone may try to impose upon you. Be assertive. Make important purchases after lots of careful price comparison. Your engaging personality helps you win others over this week. Mixing business with pleasure works to your advantage. A plum assignment could come your way. Telephone 1550-920-258 for further insights. ☎ 1550-920-258

**GEMINI**  
May 22 to June 21  
Be wary of crafty types in financial dealings. Not everyone is to be trusted. You will need to balance work and play and responsibilities may take precedence over socialising this week. That said, offset worrying about problems with some relaxing activities. Do what you can to relieve stress. Listen to soulful music or practice meditation. Telephone 1550-920-259 for more on love and luck, work and money. ☎ 1550-920-259

**CANCER**  
Jun 22 to July 22  
A situation that arises early this week will require tact and deft handling. A few people could rub you the wrong way but do your best to avoid arguments. You will find a safe haven from the woes of the world in the company of a loved one. Too much small talk and chit-chat may prove mildly irritating. You need a deeper connection and have no time for the superficial. Telephone 1550-920-260 for more on love and luck. ☎ 1550-920-260

**LEO**  
July 23 to Aug 22  
A change of plans may prove disappointing but could ultimately favour romance. You could fall very much in love, despite your logic. So many are demanding attention now that you feel the need to be in two places at once. Despite pressures, this is a week when you make progress. When met with a new opportunity, investigate your options. Telephone 1550-920-261 for a detailed astrological assessment. ☎ 1550-920-261

**VIRGO**  
Aug 23 to Sept 22  
Be frugal in credit use or you will literally have to pay later! You will take a break from socialising this week so that you can have some time for yourself and your pet projects. You have a sense of excitement now that something is nearing completion. A heart-to-heart talk after dark will foster harmony and togetherness. Promote intimacy. Telephone 1550-920-262 if you want to know more about what is in store. ☎ 1550-920-262

**LIBRA**  
Sep 23 to Oct 23  
Take care that extra responsibilities do not cause you to withdraw into yourself. Avoid sullen behaviour. Keep lines of communication open with a loved one. You will enjoy the creative nature of this week that finds you blessed with inspirations. Make a point of saving rather than spending money. Be sceptical of big talkers with big deals. A prudent course is best in business. Telephone 1550-920-263 for details. ☎ 1550-920-263

**SCORPIO**  
Oct 24 to Nov 21  
It is one of those weeks when money could easily slip away. Small expenditures add up to a tidy sum. Control extravagant tendencies and remember when gift buying, it really is the thought that counts. Avoid being overly fearful. You don't have time to weigh every issue. Allow for spontaneity and get ready to take a risk or two. "Nothing ventured, nothing gained". Gain further celestial insights by telephoning 1550-920-264. ☎ 1550-920-264

**SAGITTARIUS**  
Nov 22 to Dec 23  
You may not get the whole truth from a tale-teller. Watch, wait and you will soon see the missing elements unfold. Avoid risking money on unsound schemes or counting on others financially. You will succeed by developing optimism for future goals and finding outlets for self-expression. Despite being quite fixed, someone is prepared to take a different viewpoint and meet you half way. Telephone 1550-920-265 for further details. ☎ 1550-920-265

**CAPRICORN**  
Dec 24 to Jan 20  
Family ties strengthen and a prodigal son will soon return to the fold. You may be asked to commit yourself to a course of action before you are ready. If you have a suspicion that, as soon as you have signed on the dotted line, the terms could change, you might be right. Trust your instincts on this one. Opportunity is the cream of time. Telephone 1550-920-266 for more on love and luck, work and money. ☎ 1550-920-266

**AQUARIUS**

### Dungarvan Leader Gardening

# The Greenest Grass at Home

AGOOD lawn takes years of care and nurturing to achieve. With plenty of time and the right sort of attention, almost any garden can have a lawn fit to bowl on.

But it is far more than simply a case of weed, feed and mow. Here are a few tips on how to cope with everyday lawn problems.

#### Drought

**Symptoms** - Yellowish brown patches develop through the lawn and in extreme cases the whole area may become discoloured. The damage usually occurs in late spring or summer. The problem is caused by dry weather and inadequate watering. Free-draining sandy soils are most at risk.

**Control** - Water regularly in the early evening providing enough water for deep penetration. To improve drought resistance feed regularly and leave cut grass on the lawn if drought conditions are forecast. Allow the grass to grow fairly long and

avoid mowing too closely.

#### Cats and dogs

**Symptoms** - Lawns and other grassed areas are dug up, fouled or scorched with urine.

**Control** - Areas visited consistently by cats should be regularly watered and netting can also be used to protect plants and lawns. Repellent substances based on pepper-dust, naphthalene or aluminium ammonium sulphate are available but these often fail to give more than temporary protection.

#### Dollar spot

**Symptoms** - Small straw-coloured patches appear in the autumn. At first they are small but the patches join together to form larger patches. They darken with age. The disease appears mainly in mild damp weather and is caused by the fungus *sclerotinia homeocarpa*.

**Control** - Improve soil aeration and remove thatch. Treat the area with a suitable

fungicide such as benomyl, carbendazim or thiophanate-methyl.

#### Leather jackets

**Symptoms** - Brown patches appear in the lawn in mid-summer and maggots are sometimes visible. The problem is caused by the larvae of the crane-fly which feed on the grass roots. They are greyish-brown maggots up to 1.5 inches long.

**Control** - Soak affected areas of the lawn with water and cover with sacking or black plastic sheeting for a day to bring the leatherjackets to the surface. They can then be removed and killed. Use carbaryl against newly hatched larvae in mid-autumn. Problems are worse following a wet autumn.

#### Algae and gelatinous lichens

**Symptoms** - Slippery areas of green or greenish-black form on the surface of the lawn. The problem is caused by gelatinous lichens and

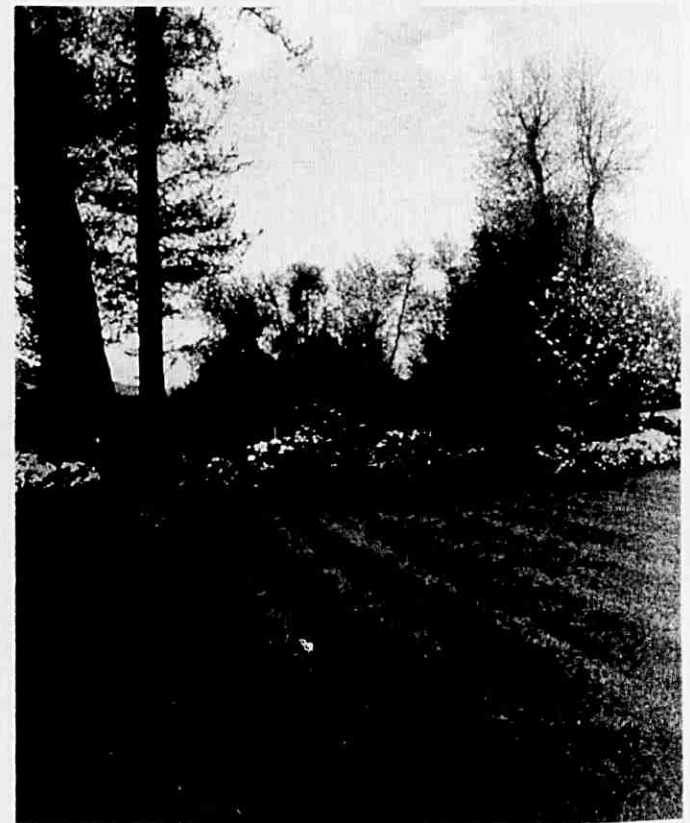

algae which are particularly common on poorly drained soils.

**Control** - Try to improve the drainage and also aerate the lawn. Prune back any trees or shrubs which overhang the area creating shaded damp sections. Apply any standard lawn care products that contain dichlorophen.

#### Red thread

**Symptoms** - Tiny pale pink and red threads of fungus develop on small patches of grass. These later become bleached. The problem is caused by the fungus *Corticium fuciforme* which is common after heavy rain. It is also troublesome when the soil is nitrogen deficient or poorly aerated.

**Control** - Improve turf maintenance by aerating, scarifying and feeding as necessary. Fungicides should not be necessary on a well-kept lawn but where the problem is severe use benomyl, thiophanate-methyl or carbendazim.

**BOWLING GREEN** - A good lawn takes care and attention.

# Lifeboat Swim A Spectacular Success

One of the biggest crowds ever seen in Helvick gathered for the occasion, the 9th Annual Sponsored Swim from Ballinacourty to Helvick Pier on Sunday, August 24th. Indeed the event has become a great festive day out for children and people of all ages from the entire Dungarvan Bay area.

A year of planning and hard work had gone into the event, and from early morning, the RNLI Ladies Hospitality and Catering Committee toiled and set up their stands where they served delicious sandwiches, tea, coffee and other beverages. Volunteers from the Dungarvan Harbour Sailing Club got their barbecues started while young children were carrying chairs nearly as big as themselves onto the pier in preparation for the Dungarvan Brass Band. Orderly hustle and bustle prevailed and the souvenirs and novelties were taken out of their boxes and displayed on a long table by the heat off the pier wall sporting a riot of colour. The RNLI Roadshow was a very popular attraction with the latest electronic and safety equipment.

The excitement was mounting on Dungarvan quayside too, against the sound of the hal-yards tapping against the masts of the yachts by the pontoon, all loading up in preparation for the swim. Quick Pick was doing a bomb in crusty rolls and fancy sandwiches as provisions were purchased to take on board. The Commissioner was in residence in his new house by the pond for the first time, and it was mentioned in passing that the manager of a financial establishment in the town had never given out so many loans for pleasure craft as he had this Summer. And boat owners were availing of the RNLI Free SEA

Check (Safety Equipment Advisory Check).

Mary Walsh skilfully navigated the Lady Kate down the harbour under the eagle eye of Donal and the admiration of shipmates. And all the fine houses in Abbeyside and Ballinacourty were much admired through binoculars as we motored along the channel towards Ballinacourty Pier where participants and safety boats were assembling. Mossie Brennock and Austin Flynn were laying markers off the spectacular setting of the Gold Coast Golf Club to enable the swimmers to avoid swimming off the rocks.

It was a beautiful 21 degrees Celsius, the Knockmealdowns were lost in the warm haze and the Comeragh and Monavullas were laid back in the heat like lazy sentinels. Wind conditions were easterly force 2 with a slight swell under bright blue skies.

Donal Walsh, captain of the lead boat Lady Kate was given the command by Ian Walsh to start the swim, and he set off a Maroon Mk3 way up into the sky and the 27 sponsored swimmers entered the water from their safety boats and the 9th Annual swim began.

It wasn't easy. After 15 minutes the water got slightly rough and the Helvick side, with a gentle swell on the Ballinacourty side. There were times when the swimmers could not see beyond the next wave, but they all followed the mast of the Lady Kate as instructed.

Tom McHugh was on the Helvick slipway to welcome the swimmers and log their safe arrival. One by one they arrived to applause of the assembled crowd and to the sound of the Dungarvan Brass Band which was playing on the pier. The music was splendidly reverberating and the wafting aroma of

the BBQ was tantalising. The Ladies Committee had the hot drinks ready to warm up the swimmers after their hard slog, and families were unashamedly proud as they hugged the wet swimmers.

The RNLI Mascot Stormy Stan made everybody feel welcome, and Cliona Manahan and her troop of face painters created the most dramatic transformations of little boys and girls. The Mad Hatter had people in a fabulous mood with his antics and by now all the swimmers had arrived safe and well. Cllr. Fiachra O Ceilleachar was smiling from ear to ear. His wife Siobhan was among them. They are Claire Morrissey, Darren O'Droma, Eanna Sheehan, Eddie O'Mahoney, Ruth Cahir, Kolette Enright, Mel Shanley, Martin Carroll, Johnny Lynch, Marilla Keating and her two brothers James and Dermot Twomey, Aisling Power, Paul O'Gorman, Laurence Boland, Siobhan Smyth, David Connors, Hannah Glynn, Richie Hayes, Terry Fleming and friends from Cork Masters Swim Club.

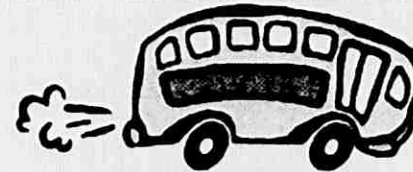

Everyone was happy. The day was a spectacular success, and the late Agnes Kelly was fondly remembered for her commitment and hard work on behalf of the Helvick Head Lifeboat. Indeed there was a specially convened committee meeting upstairs in the boathouse before everyone went home, where a moments' silence was held in her honour.

The festive atmosphere continued at Tig Ui Murrith were Jazztrain played outdoors, and people danced and rock 'n rolled to their hearts content as the sun sank in the west. Ian Walsh was happy, everything went according to plan so it was another great day in aid of

Helvick Lifeboat, the sun had definitely gone over the yardarm and now it was time to down a cool pint. The members of the Ladies Catering and Hospitality Committee were Olivere Walsh, Rita Drummey, Jacinta Condon, Mary Condon, Dolores Walsh, Audrey Kelly, Mary Rose Drummey, Eileen Moloney and Olivia Flynn. The Souvenir and Novelty Personnel were Eileen Curran, Alison Ronayne and Anne Whelan. Michael Daly, Fergal Brazil, Austin Flynn and John Daly manned the hot barbecue for the day. Facepainters were Cliona Manahan, Rosemary Clancy, Siubhan Nielsen, Fionnula Breathnach, Deirdre O'Mahoney.

The Fundraising personnel were President: Seamus Corcoran; Secretary: Clare Morrissey; Treasurer: Sinead Moore; Press Officer: Joan Clancy; Committee members: Dolores Ui Cheallaigh, Anne Whelan, Sinead Ni Faolain, Eileen Curran, Alison Ronayne, Mary Fuller, Michael Daly.

In his address on Helvick Pier, Seamus Corcoran thanked the entire local and business community for the unstinting generosity and support for the Helvick Head Lifeboat. He expressed appreciation of the work of The Dungarvan Leader, The Dungarvan Observer, WLRfm and the national media for their promotion of the Sponsored Swim which has become a very popular annual event for all the family and thanked the boat owners and swimmers for making it possible and especially the lifeboat crew members. The RNLI is comprised of men and women who volunteer their time often forsaking the comfort of home to save life at sea in all kinds of weather. Joan Clancy PRO.

# Mortgage Week In Dungarvan

Permanent tsb hosts Mortgage Information Week in County Waterford Monday 25th August 2003: Anyone from County Waterford intending to buy a home in the near future should visit their local permanent tsb branch next week to learn all they need to know about taking out a mortgage. From 1st to 5th September permanent tsb, Ireland's largest mortgage provider, is hosting a special mortgage information week where people can drop into the branch and discuss mortgages in a relaxed setting at a time that is convenient to them. Visitors to the branch will be in with a chance to win a home entertainment system.

Local Branch Manager Paul O'Gorman in Davitt's Quay in Dungarvan says, "I'd like to invite anyone who is thinking of buying a home or indeed anyone who would like to discuss releasing equity in their home to avail of the opportunity to call in and chat to us. It is important that people have the necessary information they need to make an informed decision on the best mortgage for their own particular circumstances."

# Modeligo Parent and Toddler Group

Modeligo Parent and Toddler Group are re-commencing after the summer break. We meet every Friday in Modeligo Community Centre from 10.30am to 12 noon beginning Friday the 5th September. We welcome babies, toddlers and pre-schoolers from surrounding areas accompanied by a parent or carer.

The group came into being in March 2003, attendance has been greater than expected, with a steady core of regular attendees. The group received grant monies which some has been used to buy sturdy toys suitable for babies up to the pre-schoolers. Due to the space available in the community centre, the children can enjoy the use of a junior activity gym, slide, tents, tunnels, buggies, push along trucks, musical instruments and much more.

In June, before the group closed for the summer, we had our first day trip. It was a day out at Coppercoast Mini Farm in Fenor and lucky for us the sun shined. It was a day greatly enjoyed by all Mothers and children.

In September the group plan to have a guest speaker and a night out, for the Mothers, is also to be arranged.

Thanks to the group, most of the children starting school in Modeligo next week already know each other, as do the Mums. We wish all the children starting school next week the best of luck and hope they settle in well.

Don't forget Fathers, of course, are always welcome to the group but we haven't had one brave enough to join us yet!

So if you would like to get to know other adults while having fun with your child, do come along. For further information contact Loretta at 47983 or Ann at 087 7841719

## BRIDEVIEW UTD AFC NOTES

### TONY BOLGER CUP

# Brideview Advance To Next Round

Utd came from behind on Sunday morning last against An Gaeltacht when they played some delightful football in the final twenty minutes.

Our lotto jackpot was not won on Friday night.

It was a weekend of weddings and parties and with lovely weather all went off without a hitch and enjoyed by everyone.

Some local fans travelled to watch the Blues on Friday night against Derry City.

### RESULT

#### An Gaeltacht 1 Brideview Utd 4

It took both sides some time to settle here. Perhaps it was to be expected as this was their first game of the season.

However manager Mick Sheehan was pleased with the second half display. Utds scorers were Denis Martin, William O'Neill, a cracker from Stephen Pratt, and William Curley so Utd advance and a full match report on Red House League notes.

We also say thanks to our lads and lassie who turned up but had to go home.

### LEAGUE AFFILIATION

All schoolboy players must pay 19euro to the schoolboy league this season. Liam Aherne will gladly take this cash and remember it's not for the club but it goes to the schoolboy league.

### SCHOOLBOYS A.G.M.

This A.G.M. will take place in early September. Managers are required for U12, U14 and U16 teams. If interested give your name to Liam Aherne.

### LOTTO JACKPOT EURO1800

Last weeks numbers 9-15-17-19-1 no winner, match 3 winners Joe Hartnett, Colin Cunningham and Aoife Barry.

The draw this week takes place on Sunday in the outdoor stage. Make sure you have your tickets.

Birthday greetings to Mary Murphy and John Morrissey both the same age and both celebrating their birthdays on today Wednesday. Then Michael Kearney celebrated his 50th birthday on Friday last, much to the delight of Justin and Jocker. Ahem! Ahem!

### FESTIVAL

It's festival time in Tallow this weekend and we hope that everyone has a good time. We would ask parents to keep an eye on children during the outdoor stage and to obey the stewards.

**BALLYDUFF NOTES**

# Ballyduff Gala And Vintage Festival 2003

Sunday last August 24th was a day of Glorious Sunshine which shone on Ballyduff Gala & Vintage Festival and the spirit of the people was in evidence in a crowded community field. People turned out in large numbers to enjoy the many attractions which had something for all the family.

The Accident car rescue enacted by Lismore Fire Brigade was a "big hit" with many people, and the Firemen in attendance were most helpful with information and answered many questions. The ever popular vintage rally with over seventy exhibitors from all over the country drew many viewers and help rekindle old friendships and make some new ones. Archery, ferret racing and of course star attraction Monty's Pass kept the crowd entertained on a sun drenched afternoon.

The sports hall also housed many attractions including a wonderful country market, local artists exhibition, a book stall and the now familiar kiddies aquarium.

Later in the cool evening another large crowd gathered for "The Beat in the Street" before

the festival closing in St. Michael's Hall during which Jenny Fennessey of Ballysaggart representing Bridget's Hair Salon was selected Miss Blue Jeans 2003, having been chosen from a large group of lovely girls, all winners in their own right. We hope everyone enjoyed the week's activities and we look forward to seeing you all back again next year.

**BARON ELECTION**

## Paddy Jim Feeney Reigns Supreme

Having started three short weeks ago, the 2003 Baron of Ballyduff election developed into one of the premier fundraising events in Ballyduff in recent years. With only two contestants, Paddy Jim Feeney representing The Community Council, and Jim Mills representing The Walking Club, the event began at a slow pace and did not show a lot of promise for its intended purpose which

was to generate some funds to help repayment on the loan outstanding on the Sports Hall. However following a slow start, a few well chosen verbal exchanges between the right people, and a sudden burst of Trojan work by both parties the event generated a contest which kept everyone in the dark up to the final announcement in St. Michael's Hall on Sunday night.

Paddy Jim Feeney, determined to recover the title he lost by the slimmest margin seven years ago set his campaign manager Ellen Daly an enormous task, and a steep hill to climb. All who know both Paddy and Ellen will agree that they thrive under pressure, and therefore took the task in hand in their usual determined fashion. On total ticket sales and many organized fundraising events Paddy Jim Feeney's team made a total of over thirteen thousand euro, an enormous figure by any local fundraising standards. Jim Mills team also did themselves proud by raising over seven thousand euro, bringing the total raised by the event to well

over twenty thousand euro, some feat in little over three weeks!

The community council would like to congratulate Paddy Jim and his team for their Trojan work and say Welcome Back Baron of Ballyduff. We also say well done to Jim Mills and his team for a wonderful achievement.

We would like to thank everyone who helped and supported both Contestants in what turned out to be a truly amazing event. All friends again!!

## Ballyduff Walking Club

Well it's finally all over, guessing, wondering how much, could he do it or not, the banter, friendly rivalry (most of the time!) and fantastic work to try and get our candidate elected as Baron of Ballyduff!

As all are now aware Jim Mills represented our small club in the recent Baron election to raise funds for the Sports Hall. Taking on Paddy Jim Feeney with his powerful and ruthless election machine was a big decision for Jim and one which we are all deservedly proud. Jim's wife Marian, and his experienced campaign manager Catherine Feeney assisted by Teresa Quirke, took on the task with enormous energy and traveled the country, night and day selling tickets in support of Jim's campaign.

A fundraising walk held locally was also very well attended and had a great festive atmosphere afterwards in the community field where top class refreshments were enjoyed by all of Jim's supporters, while the junior Booley House musicians entertained us.

In total Jim raised Seven thousand One hundred and thirty euro, a truly whopping figure from the sale of tickets alone. However victory was not to be Jim's on this occasion, but we would like to thank him for accepting the challenge and taking part on our behalf. We would like to congratulate Paddy Jim Feeney on his victory and election as Baron of Ballyduff.

Next Sunday August 31st a walk organized by her friends, in memory of the late Carmel Greehy will take place in the Eastern Galtees (from the direction of Galtee Castle). Any members traveling can meet outside The Firgrove at 10.30 am sharp, or contact each other locally to arrange car pool.

# RECENT DEATHS

## LATE SEAN LEAHY

Feelings of sincere regret and sorrow were expressed with the unexpected passing of Sean Leahy, 4, St. Thomas Tee., Dungarvan at his residence on August 16th. A native of Abbeyside, aged 82 years. Sean was the last surviving member of his family, predeceased by his brothers Tommy, Joe, Michael, Frankie, Augustine (Gusty) and by his sisters Kitty, Maureen and Rita.

Well known and highly respected Sean was employed for some years with Thomas McGrath in the construction industry. He gave forty eight years of service at the Dickens Leather Factory where he was a great favourite with both colleagues and management alike.

He followed Gaelic games closely, particularly the fortunes of Portlairge and loved to play his game of cards at 'The Lady Belle' or in former times, The Gaelic Bar, which was owned by his friends Michael and Rita Landers, who in the recent past have both gone to their eternal rewards.

A devoted husband to Nora, Sean was good humoured and

enjoyed conversing on local matters and indeed on the history of our town.

Reposing at the Kiely Funeral Home the removal took place on Sunday evening to St. Mary's Parish Church where V. Rev. Liam Canon McNamara P.P., Templemore assisted by Canon O'Mahony P.P. and Rev. Fr. M. Cooney O.S.A. led the large and representative concourse in prayer. Many people had travelled long distances to share the burden of bereavement with the family.

On Monday Canon McNamara P.P. with cocolebrant Canon O'Mahony P.P. celebrated the Holy Sacrifice in thanksgiving for Sean's life. Mary McCarthy and Mary Walsh shared the Liturgy of the Word while Prayers of the Faithful were read by Delia, Mary, John Leahy, Michael Walsh and Tina Lewis. Offertory gifts of bread and wine, a hat, walking stick, pack of cards and a bottle of Our Lady of Knock holy water were brought to the altar by Mary McCarthy, Delia Leahy, Kathleen Moore, Catherine McCarthy and Jack and Kate Leahy. Music was sung by Mona O'Brien, Pallasgreen who also delivered a much appreciated eulogy at Holy Communion. We gathered in the adjoining cemetery for final prayers and blessing recited by Canon Liam P.P. as Sean Leahy was laid to rest.

We express our heartfelt sympathy to his wife Nora, brothers-in-law Tim O'Mahony and Tom Butler, sisters-in-law Eileen and Noreen Leahy and Cathy O'Mahoney, his nephews, nieces and other relatives at this time.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

## LATE KATHLEEN CRONIN

The recent passing of Kathleen Cronin, Kilbrien, Ballinamult severs another link with past generations of those who made contribution in almost every area of community life. This sad event occurred on Sunday 17th August at her residence in Kilbrien.

Kathleen came to live in Kilbrien in 1953 from Ballingearry, West Cork with her late husband Paddy. They had five children, Mary, Patsy, Noreen, Eliza and Breda. Her life was centered around her home and family. She was a loving wife and wonderful mother. She was a great cook, especially baking and was famous for her boiled cakes. She was a kind and gentle lady who loved all her family and friends and in return she was held in high esteem by all. Her passing is much regretted. May she rest in peace.

Her remains were removed from her residence on Monday evening to Kilbrien Church where they were received and blessed on arrival by Fr. M. Kennedy P.P., assisted by Fr. Doherty P.P. and followed by a large cortege.

Following requiem Mass on a Tuesday morning celebrated by Fr. Kennedy P.P., assisted by Fr. M. Kenneally P.P., Fenor, Fr. Crowley P.P. and Fr. Delaney P.P. interment took place in the adjoining cemetery.

The lesson was read by Mary Cullen and Lisa Cronin. Prayers of the Faithful were recited by her grandchildren Susan Cronin, Emily Cullen, Grainne Hayes and Barry Prendergast. Gifts were brought to the Altar by Hannah Cullen and Ciara Cronin. Nora Hogan sang "The Banks of My Own Lovely Lee".

The chief mourners were Patsy (son), Mary, Noreen, Eliza and Breda (daughters), Ann (daughter-in-law), Leo, Tom, Nicky and John (sons-in-law), Eileen (sister), Tadgh (brother) and her fifteen grand-

children, relatives and friends. (Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

## LATE MICHAEL KIELY

It is with feelings of profound regret we record the passing of Michael Kiely, Deelish, Dungarvan which sad event occurred on Saturday 16th August.

Michael was a quiet, gentle, unassuming man held in high esteem by all who had the pleasure of his acquaintance. He worked in the forestry all of his life and enjoyed wide popularity. He liked all sport and took a keen interest in local games. His passing is much regretted, not only his his sorrowing family but also by his many friends. May he rest in peace.

Following rosary on Sunday evening recited by Fr. Kennedy P.P., removal was from Drohan's Funeral Home to Ballinroad Church where the remains were received a blessed on arrival by Fr. Kennedy P.P. and followed by a large cortege.

Following requiem Mass on Monday morning celebrated by Fr. Kennedy P.P., assisted by Fr. Enright P.P. interment took place in the adjoining cemetery again in the presence of a large gathering.

The lesson was read by Maureen Craigh (niece), Michelle Kiely (grandniece). Offertory gifts were brought by Margaret (daughter) and Tara Kiely (granddaughter).

The chief mourners were Maura (wife), Con (son), Mary and Margaret (daughters), Liz (daughter-in-law), Paddy (son-in-law), grandchildren, great grandchildren, relatives and friends.

(Funeral arrangements by Tom Drohan, Funeral Directors, Dungarvan).

## LATE KATHLEEN O'DEA

With sadness we record the passing of Kathleen O'Dea, Manor Court, Waterford and formerly Strandside South, Abbeyside which sad event occurred on Friday 8th August. Removal was from Drohan's Funeral Home on Monday evening to Abbeyside Church. Following funeral Mass on Tuesday morning burial took place in Ballinroad Cemetery.

To her sister Joan, brothers John and Jimmy and relatives we extend our deepest sympathy. (Full obituary next issue).

## MELLERAY NOTES

G.A.A.

On Friday week last we travelled to Abbeyside to take on Brickey Rangers in the second game of the hurling championship. Unlike the previous week when the lads were slow to start we hurled from the word go. In what proved to be a very close and entertaining game we ran out winners on a scoreline of 2-8 to 1-7. It was a very good result for us and keeps our hopes in the championship very much alive. We now play Kilgobnet and must win to reach the final, so a big effort in training is required from everyone.

FIELD DEVELOPMENT

In the past week work on our pitch has been completed and the grass has been sown. We would like to thank all who put in so much work from the beginning and hopefully the pitch and drainage will be a success..

GLENVIEW UTD. A.F.C.

Yes, Glenview are back! Glenview Utd. have been accepted back into the Red House League and played their first game on Sunday last in our new home at Ballygallane.

Although going down heavily to Premier side, Ballyduff with a very young and understrength side we are already looking forward to next week when we hope to be at full strength. A lot of work has been put in over the past number of weeks in getting the field ready and all agree that the pitch is as good as any in the league.

## €200,000 For Durrow Cross Improvement Works

KEVIN KIRRANE

Minister Martin Cullen has announced that an additional 200,000 euros will be provided towards improvement works on the R675 Clonca road towards Durrow Cross.

The funding is believed to be on-top of the 400,000 euros allocated to Waterford County Council for its roadworks scheme at the start of the year. The funding will go towards the limited realignment of the R675, which County Engineer, John O'Flynn previously said may involve the use of Compulsory Purchase Orders for some land purchases, but will avoid housing in the area.

A further 180,000 euros will be provided to enable design work to commence on signposting Regional Roads around the county.

Minister Cullen said this grant is being made available under the Regional Roads Signposting Programme - which commenced this year. This is in line with the commitment in the Programme for Government to put in place a new 5-year plan to ensure that non-national roads are properly signposted.

"Non-national roads are of vital importance to Waterford," said the Minister. "They facilitate improved industrial and tourism development. Funding for these projects represents continuing advancement for Waterford infrastructure and its future development."

# Top Earner In Town Council Earned Over €11,000 Last Year

KEVIN KIRRANE

Labour Councillor, Teresa Wright topped the Dungarvan Town Council earning list for 2002 to 2003 after receiving over 11,000 euros, it has emerged in figures released by the Town Council on Tuesday last.

Despite reports that the top earner in the Town Council received just over 7,000, this is before the once off representative payment made to all members - except the three dual Town and County members - is taken into account.

Town Councillors received representational payments for the first time under the Local Government 2001 Act, and received a once-off payment of eur3,853.00 from an entitlement back dated from May 2000 to 31st of December 2001.

This is on top of a representational payment of 3,033.00 euros councillors are entitled to annually.

However, Cllr. Teresa Wright's higher allowance payment can be explained by the fact that she served as Town Mayor for six months of last year. She was also the second lowest claimant of expenses last year, having claimed just 389.22 euros.

Deputy John Deasy, meanwhile, didn't claim any expenses last year, while the top claimant in the Town Council was his Fine Gael party colleague Cllr. Damien Geoghegan

who received 2,063.99 euros.

However, earnings for both expenses and allowances in the Town Council are well below those of their County Council counterparts, and are drastically below those of the County Council's top earner - Cllr. Lola O'Sullivan - who earned over eur50,000 last year.

### LOWEST EARNERS

All three dual town and county councillors - Billy Kyne, Nuala Ryan and John Deasy - were the lowest earners on the Town Council for last year.

Deputy John Deasy earned an allowance of 1,641.00 for the year, but didn't claim any expenses.

Meanwhile, Deputy Deasy, Cllr. Kyne and Cllr. Ryan, were not entitled to representational payments or the once-off back payment which makes up most of the payment Town Councillors received last year. All three received payments from the County Council, and cannot receive these payments twice.

The figures also reveal the remarkable fact that Deputy Deasy was the lowest claimant in both Town and County Council's, and earned the lowest as a Deputy in Waterford. Incredibly, despite this, altogether in his three roles, Deputy Deasy earned 147,348.48 euros for last year alone.

Cllr. Teresa Wright

The full breakdown of figures is as follows:

	Expenses	Allowances	Rep. Payments*	Total
Teresa Wright (Lab)	389.22	3,863.08	6,886.00	11,138.30**
Damien Geoghegan (FG)	2063.99	1,641.04	6,886.00	10,591.03
Lar Hart (Lab)	1,817.25	1,641.04	6,886.00	10,344.29
Damien Dillon (Indp)	1,740.33	1,641.04	6,886.00	10,267.37
Michael O'Riordan (Indp)	1,699.72	1,641.04	6,886.00	10,226.76
Paddy Power (Lab)	1,694.77	1,641.04	6,886.00	10,221.81
Nuala Ryan (FF)	1,956.68	3,863.08	-	5,819.76**
Billy Kyne (Lab)	741.77	1,641.04	-	2,382.81
John Deasy (FG)	-	1,641.04	-	1,641.04

\* Rep payment figure includes once off back payment of 3,853.00

\*\* Both Cllrs Wright and Ryan served 6 months of last year as Town Mayor - increasing their figures for allowances and expenses.

Deputy John Deasy

### Clarification

In an edition of the Dungarvan Leader dated August 15th an article, headed Oral Hearing Sought into Garrynagree 'Superdump', stated that the National Roads Authority had submitted an objection to the construction of a Landfill.

In fact, the National Roads Authority made a submission on June 25th to An Bord Pleanála stating the Authority has no objections to Waterford County Councils application for a landfill.

The Dungarvan Leader is happy to clarify this matter.

## Dream of U21 Double Slips Away in Final

With the Western and County Championships safely in the bag Abbeyside travelled to Cappoquin with high hopes of adding the Western U 21 Hurling Title to their impressive total of championships won in recent seasons. However, it was not to be as an in-form Tallow/Shamrocks combination sealed victory in those vital last few minutes.

Peter Phelan opened the scoring for Abbeyside with a point from a long range free after two minutes. A minute later Brian Harnedy had the first of T/S three goals. Deckie Fives and Paul O'Brien exchanged points from frees. The Fives' brothers Mark and Deckie scored points from play. John Kindregan made a vital clearance for Abbeyside. Colm Geary pointed for T/S after eleven minutes. Patrick Hurney caught a high ball - was fouled and Declan Fives duly pointed the free in the 14th minute. There was plenty of vocal support for both teams. In the 18th minute Mark Gorman placed Mark Fives for another minor. It was a god game so far and Abbeyside entered their best phase at this stage. It commenced with a Simon Hanrahan goal following a centre from Mark Gorman. Aonghus Murray replaced Peter Phelan as a blood substitute.

Michael Brown replaced Sean Kiely after 24 minutes. A beauty by Declan Fives from way out on the right was followed by another pointed free by the

same player. Mark Gorman Pointed another from the sideline after 28 minutes. Just before the referee's half-time whistle Paul O'Brien had his third point from a free.

Half - Time Abbeyside 1-9 Tallow/Shamrocks 1-4

### Early Disaster

After two minutes play Paul O'Brien's sideline puck went all the way to the Abbeyside net. All the good work before half time had been negated. With only two points between them the tempo of the game increased even further as both sides battled for supremacy. A good overhead catch by Mark Fives caught the eye. Deckie Fives goaled from a free after forty-two minutes. T/S responded well from this setback and four points on the trot left the minimum between the sides. Abbeyside applied pressure and had two chances for goals but the sliotar was somehow scrambled away by the T/S defence. Patrick Hurney pointed but similar scores from play by Paul O'Brien and Dan O'Neill levelled matters with two minutes left to play. Full-forward William Henley's point from play and a soft goal from long range by William Curley ensured victory for the men from the Far West.

Abbeyside: P. Enright, D. Cashin, K. Browne, S. Lavan, P. Phelan, J. Kindregan, J. Mullen, P. Lynch, M. Fives, S. Hanrahan, J. Hurney, S. Kiely, M. Gorman, D. Fives, P. Hurney.

## SCHOOLS

Ballinacourty National School opened its doors in the parish of Abbeyside on the 1st. February 1869. The application was made by Rev. Michael Maxey P.P. The first teacher was Mary O'Brien but the school was unsatisfactory from the start. There was no proper furniture there and the inspectors bemoaned "the low state of the school." It was clearly under-funded. Later, there were three National Schools in Abbeyside parish besides Ballinacourty. These were Abbeyside, Garranbane and Garrynageragh.

In 1874 the Augustinian friars founded St. Augustine's College in Main Street which began with 30 pupils on the rolls. It was exclusively a boarding school until well into the 20th. Century. This school drew its pupils from all over the town of Dungarvan and village of Abbeyside as well as surrounding districts. It operated the new Secondary Education system and there is a plaque on its original site in the town commemorating the first examinations in 1878. The success of the students led to further enrolments year by year. In 1887 the building had to be expanded to accommodate the increasing number of those who wished to go there.

Work began last week on the construction of 44 houses on land that was formerly the property of Greg Fives at the Burgery, Abbeyside. The work is being undertaken by Clancy Builders Ltd. who are also in the process of demolishing the former Glanbia site in Dungarvan Town. The construction of the second phase of the Tournore Estate continues.

## New Windows for Abbeyside School

Work began on Monday morning last on the replacement of the small windows high up on the wall of the General Purposes Room and Hall in Scoil Mhuire. This fact reminds us that the Summer Holidays are slipping by quickly and the young children will be returning to school on Monday next the first of September.

Hedge Cut  
We are delighted to report that the hedge inside the Bus Stop in Sexton Street, Abbeyside has been cut. The growth from the hedge had been protruding so far onto the footpath that pedestrians had to step off the footpath onto the roadway in order to walk around the hedge.

## Quiz At Lord Maguires

### HEART ATTACKS?

Unfortunately we all know people who have suffered from heart attacks. It is now the biggest killer in Ireland and particularly in the South East. At the moment there is a big drive on to educate families with an existing history of heart disease on the risks factors. Waterford Regional Hospital have now a number of specialist nurses dealing in heart problems and they urgently need funds to help them promote their work here in Waterford. On Thursday night next 28th August a table quiz will be held in Lord Maguires for this purpose. It starts at 9 p.m. sharp and entry is only 12 per table of three. This is really a case of helping us to help ourselves. Your support would be greatly appreciated. Everyone knows of the wonderful work being done by these nurses, nearly always under pressure, and any help that we can give them is only to all our advantages. Hopefully we will see you there on Thursday night.

## Whisperings from Ballinacourty Point

In the Dungarvan Leader of April 25th. we mentioned a discussion that took place about Ballinacourty Road and the fact that four people living there are holders of All-Ireland Medals in various disciplines. The men mentioned are as follows:

1. Michael Hanrahan who is the holder of an All-Ireland Club Championship football medal with University College, Dublin.
2. Sean O'Brien who won an All Ireland Medal in a contest for thinning beet.
3. Paddy Walsh who won an All Ireland Inter Firms Hurling medal while playing with Suirway Electrical.
4. Willie Morrissey who was part of the team that were victorious in the All-Ireland Schools Golf Competition. The school concerned was St. Augustine's College, Abbeyside.

Over the week-end it has come to light that another resident of Ballinacourty holds All-Ireland medals. He is Kevin Coleman, formerly of Abbeyside, who has gold and bronze All Ireland Medals for volleyball won while competing in the All-Ireland Community Games Finals played in Mosney Co. Meath.

Congratulations to all concerned.

## Abbeyside Reference Archive

### DONATIONS

Last week a man gave us Archive they consisted of a large bundle of magazine and books.

They were mostly copies of Wings, the quarterly magazine of Birdwatch Ireland and the Irish Mountain Fog the Official Publication of the Mountaineering Council of Ireland. They widen our display range and are a nice addition to our overall collection.

As space is limited we cannot put them all on display each Sunday but we plan

The Science of Farming and Food

#### SHEEP: Timing for the Ram Effect

The ram effect is frequently mentioned at this time of year but often it is not well understood. It is a natural method for bringing ewes into heat at the start of the breeding season.

Ewes are seasonal breeders and shortening day length hours triggers their season. Mid-September is the typical start of the breeding season but this will vary with breed and different years. The length of this season is 5-6 months for adult ewes.

The purpose of the ram effect is to get as many ewes as possible mated at the start of the season. Its main benefit is for someone who lambs between the main season i.e. March and early lamb i.e. Dec/Jan.

Rams produce chemical substances called pheromones, which helps trigger the start of the season. This occurs where ewes have not had sight, sound and smell of rams for at least four weeks beforehand. If they mixed, the ewe flock would be less sensitive to this stimulus.

When the ram is introduced (day 0) some ewes will show a silent heat, the remainder will show a silent heat about 6 days later (day 6). The first real heat will occur 17 days after ram introduction when 30-40% of ewes should be mated. Around day 23 the remainder of the flock should be mated.

The ideal situation would be to use a vasectomised ram for the first week (day 0-7). Introduce fertile rams at day 16 and expect up to 80% of ewes to go in lamb over the next 10 days (day 16-26).

With sponging, a ewe:ram ratio of 8:1 is normal, with natural mating 40-50 ewes per ram is practical. A ewe:ram ratio of 20:1 with the ram effect should be adequate as most mating will occur over an 8-day period.

This year

The real benefits of ram effect are to synchronise late January/early February lambings. If vasectomised rams (teaser) were introduced today, peak mating would occur on the 12th and 18th of September. This would coincide with lambing in the first week of February.

Some farmer's claim that the ram effect works well for late February/early March lambing. Although these ewes will be mated during the natural breeding season, it may be bringing forward some slow breeders that normally lamb to the second or third service. It cost nothing and may be worth trying.

Some alternatives to teaser rams that were suggested include putting rams in the next field or in a trailer in the field with ewes.

The ram effect certainly works with ewe lambs. These are slower to come in heat and will work well where mating is in early October. This would require teaser rams to be introduced on September 15th.

#### Table 1: Sequence of events for ram effect

Day	Activity
-28	Keep rams away from ewe flock for at least 28 days
0	Introduce vasectomised (teaser) rams. Some ewes show silent heat.
6	Some ewes show silent heat
16	Remove vasectomised rams. Introduce fertile rams
17	Approximately 30-40% ewes mated
23	Remainder of ewes mated

#### DAIRYING: Dealing with cash flow problems

Cash flow has been squeezed on many dairy farms due to lower milk prices and higher costs. As a result the cash surpluses that would normally occur around now are very low or non-existent. The main warning sign of a cash flow problem is an increase in the bank overdraft or trading account balances. Other signs are a slippage in term loan or lease repayments.

Do not ignore the problem. Take action and seek advice.

Work out a simple cash flow budget for the next few months. Include all likely receipts (farm and other) and all farm payments. Factor in a figure for family living expenses. Don't forget taxation payments - due in Nov. Estimate the resultant cash surplus or deficit.

Postpone any expenditure (farm or other) that isn't absolutely necessary.

List out everything that you owe - farm/ personal loans, merchant credit, overdraft - and find out the relevant interest rate for each. Could all the various different loans be restructured into one loan over a suitable term?

Be prepared for any meetings with creditors (people you owe money to) or the bank manager. Have your most recent set of farm accounts and cash flow budget available.

Some possible solutions to cash flow problems include:

- Restructuring existing loans into one loan over a suitable term
- Look for a moratorium (loan repayment break) on either the total repayment or the capital portion only
- Negotiate a suitable repayment schedule with merchants which involves minimal interest charges
- On some farms, it may be possible to sell drystock or cull cows earlier than normal
- The Farm Assist Scheme may be an option for smaller dairy farmers on low incomes. Contact your local Teagasc office or the local Social Welfare office for further details.

#### IMPORTANT DATES

## WATERFORD ICSA MEETING

CAP and WTO were the main items on the agenda at a meeting of Waterford ICSA which took place in the Park Hotel, Dungarvan on 18th August. At the meeting ICSA Munster vice president Martin Coughlan confirmed that ICSA would not deviate from its original proposal for full decoupling.

"I am very happy with the mid term review negotiations

so far. Ireland has the opportunity to fully decouple premia from payments; ICSA has been fighting for this from day one. Commissioner Fischler has left Ireland to decide on the final detail of CAP reform and

ICSA will continue to lobby Minister Walsh to take the full decoupling option," according to Mr Coughlan.

ICSA general secretary Eddie Punch outlined the reasons for the full decoupling direction that ICSA has taken and he also discussed the forthcoming WTO negotiations. According to Mr Punch, "The gains that have been made during the recent CAP deal are now dependent on a successful WTO round. Now is the time to go on the offensive against the USA and

Cairns Group in the WTO talks."

Waterford county chairman Edmond Cheasty from Kilmacthomas who chaired the meeting said he was very happy with the information and debate at the meeting, "I would like to thank all the farmers who attended and contributed to this successful meeting" he said.

## County Waterford Farmer in Running for Seat on Fact Finding Mission to USA on FBD/IFA Scholarship Scheme

A Farmer from County Waterford, Rosemary Kennedy, Rathgormack, will be among those in the running for one of forty seats on a special FBD-backed IFA International fact-finding tour which will take in one of the world's largest Agricultural Shows in Maddison USA.

Forty farmers from IFA branches throughout the country will be heading to North America to view farming on the great plains of USA, following the announcement this week by the farmers' insurance company, FBD, that its Trust Company is to continue its sponsorship of the very successful Scholarship tour, launched over ten years ago.

The International Scholarship tour made possible with the generous sponsorship of FBD Trust, promises to be an extensive one, entailing an eight day itinerary of visits to farms, research institutions, food processors, advisory services and farm organisations. The trip will be particularly timely with the WTO negotiations on the future of Agriculture world trade due to commence this Autumn.

The travel programme will take the group of Irish Farmers from Chicago through Plymouth and onto Maddison. The IFA hope to build on the success of the last ten years tours, which has brought over 400 farmers abroad, most of whom would never have had the opportunity but for this Scholar-

ship scheme.

The forty farmers were selected from an IFA member's competition, which took place at a recent County Executive meeting. It is open to the Associations 940 Branch Officers, who have gained entry into the draw on the basis of their hard work to increase membership in their locality.

## GREEN WHEAT MOVES TO €110 TO €115/T AS COMPETITION INTENSIFIES

Waterford IFA Grain Committee Chairman Bill Shanahan has said that the competition for grain has intensified in the last number of days as merchants and traders alike realise that yields and grain supplies are way back on initial estimates.

Mr. Shanahan said "As the winter wheat harvest gets into full swing, in the North Midlands, East and North East wheat and barley yields, particularly on the heavier soils, are disappointing. Wheat will do well to average 3.4 to 3.6 t / acre. Wheat yields are varying from 2.5 to 4.4 t / acre."

The Waterford Grain Chairman said "Many merchants are now realising that the grain is not there and they are anxiously canvassing growers who have grain to cut or in temporary storage to supply that grain to them.

## IFA MEMBERS TO ENJOY IMPROVED DISCOUNT BENEFITS FROM FBD INSURANCE

IFA and FBD Insurance has recently announced an increased discount of €65 for IFA members on their motor, house or farm insurance with FBD. Speaking at the launch of the discount benefit, Seamus McCormack, FBD Sales Manager said: "FBD is fully committed to Irish farming and is particularly pleased to acknowledge the loyal support of IFA's 85,000 members with the increased discount voucher of €65."

Also at the launch, Pat Smith, IFA Director of Organisation said: "This new €65 discount for members makes the IFA members' benefits package unbeatable value."

## Waterford Winner of 2003 FBD Young Farmer of the Future Awards

Niall O' Brien from the Ballyduff Upper Macra club has won the Waterford round of the 2003 FBD Young Farmer of the Future Awards, which is run by Macra na Feirme in partnership with the IFA. This prestigious competition is in its fifth year and it has the aim of recognising the many highly educated young people who have chosen farming as a career and are making a success of it.

Niall will now represent Waterford against the country's other top young farmers in the national final. This takes place in Bellinter House, Navan, Co. Meath in early September.

Niall is a tillage and drystock farmer from Marston, Ballyduff, Co. Waterford. He is a highly qualified farmer who has been running his farm for the past seven years and is actively involved in the local community and farming community.

Speaking on the future of farming Mr. O'Brien believes that farmers need to take more control of their business and expand into lucrative markets. He also believes that farmers should take the lead on environmentally friendly farming.

Niall now goes forward to compete for the national prize of travel bursary worth EUR2500 and EUR10 spending money. In conjunction with the FBD Young Farmer of the Future competition, a survey of the opinions of Young farmers on agricultural and other current social issues was carried out by Macra na Feirme.

# Stradbally's Own All-Ireland Champion

Congratulations to Noel Clancy Island, who won the U-18; Melodeon All-Ireland Championship on Sunday last. A first for Stradbally. Noel played a winning combination of a Jig, Hornpipe and Reel. The adjudicators said they chose Noel as All-Ireland Champion because they were so impressed with his relaxed old traditional style of play, with 2nd and 3rd competitors

from London and America respectfully. Wonderful for one so young, Noel will be eligible for that championship for two more years. With inspiration from "Granddad" Tomas, Noel started learning music 5 or 6 years ago, among his tutors were Mattie Fahy, and over the last couple of years by the legendary Bobby Gardiner. Noel who finished his Junior

Cert: this summer, will spend next week, with his brother Brendan in France, playing music as part of a town twinning group with Mooncoin. It should also be noted that Noel's brother Brendan also performed admirably at the "FleadhCoel" which took place in Clonmel, and "Granddad" Tomas was recorded by RTE playing the mouth organ, which will be shown on tele-

vision at a future date. Well done to the background team, of parents Deidre and Tom, for all the aid, support and encouragement given to the boys over the years. To acknowledge this great occasion, and to say "Well Done" a celebration night will be held at O'Mahoney's Durrow on Wednesday 27~ August. All musicians, singers and others welcome.

## STRADBALLY NOTES

### Cloch an Eihinn

There was a disappointing attendance at the annual mass at Cloch an Eihinn this year for a number of reasons but those who did attend in glorious weather enjoyed chief concelebrant Fr Colin Fives O.S.A. who, in his homily, contrasted life on the missions with life here at home. He also presented some liquid refreshment to Tom Carroll and everyone else who were also well looked after by the catering committee. The other concelebrants were Fr Michael Enright and Fr. Martin Keogh of Abbeyside. The Civil Defence and others were on hand with transport to the actual site of the Mass. Thanks to

Pat and Mike Fennell for having everything in order to ensure the smooth running of the event. It was also great to see brothers Johnny and Willie Fennell there as well as a good number of young people who enjoyed the freedom and the river.

### Wedding

Congratulations to Ann Marie Keane, daughter of Billy and Rosie Keane, Grouse Lodge, Ballylaneen on her marriage to Gerry Byrne of Wicklow in St Annes Church which was beautifully decorated for the occasion. Fr Enright officiated, Claire and Lisa Keane were the bridesmaids, Paul Byrne was the best man and Lurcan Byrne

was groomsman. Clodagh and Emily Keane were flowergirls and David Byrne was pageboy. Readers were

Laurence Byrne and Michael Keane. The prayers of the faithful were read by Monica, Roisin, Angela and Pat while Carmel and Rosie brought the gifts to the altar. The reception was held in the Minella Hotel in Clonmel. Every happiness and God's blessings to the happy couple.

### Masses

A large congregation assembled at Ballynisteon on Friday August 22nd for the annual mass which was concelebrated by Fr William Callanan and Fr Gregory Power. John and

Willie O'Meara continued the long O'Meara tradition of attendance at this mass each year. There was also a big turn-out for the vigil Mass in Stradbally on Saturday August 22nd, celebrated by Fr Michael Walsh, home on holidays from his parish duties in Denver Colorado. The healing ministry for which Fr Walsh is well known went on for a long time after mass with many people drawing consolation and strength from it.

Many thanks to Fr Walsh for giving so freely of his time while on holiday and this was much appreciated by Kitty Walsh of Brenan who organised his visit to Stradbally.

# CAPPOQUIN/AFFANE GAA NOTES

## WESTERN INTERMEDIATE HURLING CHAMPIONSHIP

# Another Robbery In Lismore

**CAPPOQUIN 1-9  
LISMORE 2-8**

Lismore has had its share of robberies in the last week, with one of the local banks being relieved of a sizeable amount of currency and on Saturday evening last at the Castle Farm venue Cappoquin Intermediate hurlers who dominated proceedings for most of the game and with sixty one minutes played led by five points, but when the final whistle blew which was four minutes later they found themselves two points adrift and being "robbed" by Lismore who showed great character coming back from the dead.

The first half began with Paul Landers putting over a good point in the first minute. Martin Power (free) and Shane Fraher followed up to put Cappoquin into a three point lead before Kieran O'Gorman opened the scoring for Lismore with a point in the 10th minute. Michael Ormonde sent over two points from frees to leave both sides level at the quarter hour stage. That man Martin Power struck over two points to keep Cappoquin in front, before half time Michael Ormonde and Paul Landers swapped points to leave the score Cappoquin 0-6 Lismore 0-4 at the break.

The second half opened with Lismore scoring a point in the 35th minute. Cappoquin and Lismore both had a series of wides early in this half, before Martin Power and John Buckley by the 49th minute had Cappoquin leading 0-8 to 0-5. In the 54th minute Michael Ormonde had Lismore's sixth point from a free to leave two points between the teams. In the 59th minute young Keith Landers seemed to seal the issue for Cappoquin when he came onto a great pass from Jamie McGrath to unleash a pile driver to the back of the net, from 20 yards which the Lismore keeper had no chance of saving. Full credit has still to be given to Lismore who never threw in the towel and showed tremendous fighting spirit and a never say die attitude which wins games to come back from an almost impossible situation. Even when most of us in the crowd thought time was up and the game was over "Check" Shanahan popped up to score two goals and Kieran O'Gorman put over a point between the sixty second and sixty fifth minute to rob the cornerstone side of a victory which on the run of play they deserved. But as the great Jimmy Greaves once said about soccer "It's a funny auld game", and the same can often be said about a hurling match.

This was one of the better performances from a Cappoquin side in recent times, which I have seen and they have often won games playing not half as good. Most credit for this goes down to the work trainer Jimmy Ryan is doing and it is a slow process but given time and the right attitude from all the players, Cappoquin seem to be on the right track. Goalkeeper Donal O'Rourke had a good game and could do nothing about the goals. Tom Mansfield, Kevin Looby, Donagh Cummins, Richie Scanlon and Shane Coughlan were excellent in defence.

At midfield young Keith Landers was a revelation and John Buckley ran himself into the ground. Our six forwards worked hard with Paul Landers having a very good game and Martin Power doing the bulk of the scoring.

Team scorers and Subs: Donal O'Rourke, Kevin Looby, Tom Mansfield, Anthony McCarthy, Shane Coughlan, Donagh Cummins, Richie Scanlan, Keith Landers (1-0), John Buckley (0-1), Frank McLaughlin, Kenny Mason, Martin Power (0-5), Paul Landers (0-2), Shane Fraher (0-1), Liam McLaughlin. Sub used Jamie McGrath.

Rest of subs Damien McCarthy, James McCarthy, Noel McCarthy, Patrick Morrissey, Tim Looby, Mark Mason, Mick McCarthy.

## Dungarvan Tipperary South MS Notes

A very interesting and entertaining day, organized by the MS South Eastern Regional office, was held at the Springhill Court Hotel on June 14th. The purpose of the day was to bring the people of the MS branches in the South East together in a social setting.

There are six MS branches in the region - Kilkenny, Carlow, Wexford North, Wexford South, Waterford and Dungarvan - Tipperary south. It turned out to be a very enjoyable day. It was great getting to know the members of the other branches and finding out what they were doing. Unsurprisingly, we found that we all had a great deal in common. It is hoped that this event may evolve into regular days out during the year.

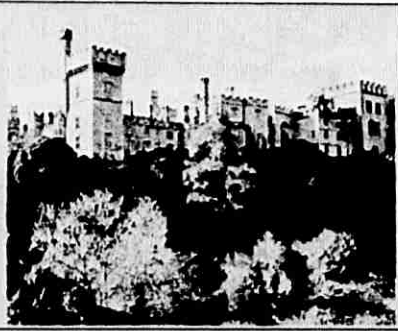

An Open Meeting of the branch was held at Hearn's Hotel, Clonmel on August 12th 2003. We were delighted to welcome new members to the branch - Bridget O'Gorman (represented by her daughter Susan) and Ned O'Gorman from Clogheen.

The most of the meeting was taken up with discussion about our proposed sponsored cycle, which is to take place on Saturday, September 20th, 2003. Dungarvan Credit Union Cycling Club is taking part in organizing the cycle. Anyone else who would like to cycle all or part of the route will be very welcome.

This year the route will be shorter than usual - Dungarvan - Carrick-on-Suir - Clonmel - Dungarvan. Bucket collections will be held in the towns named during the cycle. Also, sponsorship cards will be available in various outlets during the next few weeks. People are asked to donate whatever amount they feel they can afford for a line and a draw will be held on the cards the evening of the cycle. The venue has not yet been decided.

We are indebted to Una Kiernan and Bernie Byrne of Clonmel who took part in the ladies Mini-Marathon in June in aid of our branch. Thank you very much, girls!

## Lismore Camogie Notes

Our Senior team played their county final against St. Annes in Dungarvan GAA pitch a couple of weeks ago. St. Annes had a very strong first half leading at half time on a score line of 0-9 to 0-1. In the second half Lismore came into the match a bit more and at one point there was only 4 points between the teams but St. Annes again took control and ran out easy winners. Lismore never got going during this game and did not do themselves justice which is disappointing considering the effort put in during the year.

Our Under 14 team finally played their county final on Friday night last after a two month delay. This was certainly a game of two halves, in the first half Lismore dominated scoring 2-3 to leave the score at half time 2-3 to no score. In the second half however tables turned and Butlerstown dominated the game to score 4-1 and ran out winners on a 4 point margin. This was a disappointing result as the team had previously beaten these teams in the Feile competition earlier this year but it shows anything can happen on the day!

Our Under 16 team have started their championship campaign as well, their first game was against Gaultir where after trailing by a goal at half time they came back to win by a goal to start their campaign with a win. They got a walkover from St. Annes last Sunday night and their next match is against Roanmore on Monday.

Finally congratulations to Sharon Moloney who finished fifth in the All Ireland Community Games Long Puck final.

## Lismore GAA Notes

### INTERMEDIATE HURLING CHAMPIONSHIP

On Saturday evening in Lismore, the replay of the first round of this years Intermediate Championship took place between near neighbours Lismore and Cappoquin. Throughout the game there wasn't much between the two teams with both sides trying to get the edge over the other. In the second half Cappoquin seemed to be getting the advantage and slightly pulling away from us, however with minutes to go there were feathers flying all around the goalmouth as Michael "Chicken" Shanahan blasted the ball past Donal "Duck" O'Rourke on two occasions and with the final whistle going Lismore had edged out winners with the final score reading Lismore 2-8 Cappoquin 1-9.

Team John McGrath, Anthony Whelan, Robbie O'Sullivan, Matthew Prendergast, Mike O'Sullivan, Brendan Crowley, Mark Landers, Aidan Roche, Billy Walsh, Ollie O'Dowd, Emmet Quann, Robert Lineen, Martin Ormonde, Brian Leahy, Kieran O'Gorman Subs Chris O'Keeffe for Brian Leahy, Michael Shanahan for Ollie O'Dowd, John Begley for Kieran O'Gorman, Sean Ormonde, Dermot Ormonde, Alan Landers, Shane Bennett, David O'Gorman, Brian O'Connell and John O'Donnell.

# Back-To-Back Defeats For Lismore Cricketers

Lismore had a bad weekend before their Cup Final next weekend, losing two back-to-back games against UCC. On Saturday the students travelled to Lismore in MCU Division 2, and came away with victory by 6 wickets. Lismore batted first and, after the loss of two early wickets, began to pick up the scoring rate, with Mubbin (21) leading the charge. When he was out Michael Lynch (68) took over and found good support in Sean Willoughby (12). The tail wagged to bring Lismore up to 162 for 9 off their 45 overs. It was good to see Lismore batting their full allocation of overs, but less than four an over on an excellent pitch was never going to be enough.

All the Lismore bowlers bowled well, but without taking the necessary wickets. The students picked off the required runs with 11 overs to spare and six wickets in hand. It was a disappointing defeat for Lismore, and it now looks as if Lismore will have to settle for a 3rd or 4th place finish out of seven in Division 2.

On Sunday Lismore travelled to Cork to play the students again, this time in Division 3. Lismore lost the toss and were put into bat, and were soon in trouble on a lively and erratic wicket. Opener Winston Boyle hung in for a hard-earned 14, but by the 21st over Lismore had slumped to 40 for 8. David Campion (15) and William Rotte (9) dug in and dragged the final total up to 72.

In the field Lismore had no option but to attack. Mubbin (2 for 22) and John Campion bowled tightly to attacking field and the Corkmen found runs hard to come by. Pick of the bowlers was Andrew Malcolm, who took 4 for 25, and briefly it looked like Lismore might be in with a shout. The target was never going to be enough, however, UCC ran out winners by 4 wickets.

Next Sunday Lismore have the final of the Munster Towns Cup against Tralee in Middleton. The game starts at one o'clock

and all Lismore support is more than welcome.

### UNDER 11S POWER ON.

Last Tuesday week the under 11 side travelled to Cork to take on the might of Cork County at the Mardyke, and came away with victory. Batting first, Lismore amassed 103 runs from their 16 overs. Amongst the runs were Zach Shanahan (28 not out), Kieran Bennett (16), Robbie Wood (10) and Stephen Bennett (9). Lismore bowled tightly and the Corkmen could not keep up with the run rate, and Lismore ran out winners by 7 runs. The only wicket taker was Olivier Ind (1 for 21).

Two days later Cork County came to Lismore looking for revenge, and stole victory on the last ball of the game. Lismore batted first again, but this time the Cork bowling was much tighter. The home side collapsed to 35 for 5 (Zack Shanahan 17), before Kieran Bennett (14) lead a recovery to bring the final total to 61. Lismore were down-hearted at the interval, but went back onto the field and bowled and fielded superbly. Zack Shanahan took 2 for 9 and Olivier Ind got 2 for 16. It came down to Cork needing 10 to win off the last over, and after some controversial wides called by the Cork umpire, scrambled a bye off the last ball to get them.

Last Tuesday Lismore played host to Limerick for the second time, and this time ran out comfortable winners. The visitors won the toss and batted. Lismore again bowled and fielded well, and again Zack Shanahan (2 for 10) and Olivier Ind (2 for 18) were the leading wicket takers. Limerick got to 70 off their 16 overs, but the Lismore top order made short work of knocking off the runs. Zack Shanahan (23 not out) and Kieran Bennett (20 not out) lead the charge as the home side cruised home off only 12 overs for the loss of only three wickets. The last game of the league takes place this Wednesday (27th) when Lismore travel to Cork to take on Harlequins.

## Widows Association (Lismore Branch)

The above branch is commencing the monthly meetings after our Summer break, on Wednesday September 3rd at 3pm in Lismore Hotel. Looking forward to seeing you all relaxed and refreshed as we are having a guest speaker. A good attendance please, as the subject will be of interest to all of us.

Our outing in June was to Cork for some shopping, a garden centre at Montenotte and the Blarney Woolen Mills. Everyone enjoyed themselves and concluded our day at Lismore Hotel for a lovely evening dinner. Many thanks to Eugene and Staff for same.

The annual retreat to the Dominicans is on the last Sunday, 28th of September. All arrangements will be discussed at our meeting. Recently, one of our esteemed members, the late Maeve Kiely, Cappoquin, passed away to her eternal reward. She will be sadly missed and our deepest sympathy to all her family and friends. Holy Mass will be offered for the repose of her soul at a later date. May she rest in peace.

# Tallow Notes

## TALLOW G.A.A NOTES

### Western U21 Hurling Champions

# Hurlers Retain Western Crown In Thrilling Final

**Tallow/Shamrocks 3-11  
Abbeyside 2-10**

The word typical is hardly apt in hurling terms it being the unique game that it is but can surely describe the intensity and excitement (on and off the field) abounding whenever these two clubs face each other in any championship game. Sunday evening in Cappoquin was no exception to the many encounters over the past decades and proved if anything once again that titles are not won easily. The pace was fast and furious from the start and as the half progressed it seemed that the boys from Dun Na Mainistreach were the sharper and more determined. Picking off some delightful long range points they were slowly but surely turning the screw and it was looking ominous that at half time the score was 1-9 to 1-4 with a goal by Brian Harnedy and the high work rate of Paul and particularly younger brothers Mark O'Brien keeping us within shouting distance of the opposition.

If we had any hope of retaining our title we needed to open the shoulders more after half time. And so it proved. It was a hard slog with some powerful and entertaining hurling coming from both sides but just as surely as the clock wore down from the 30 minute mark so our endeavours rose and our efforts were being rewarded with some delightful scores and when Paul O'Brien's sideline puck sailed all the way to the back of the net it set up the final quarter for the epic battle that it was. A brilliant save by Sean O'Neill

added to the comeback. We were hurling with greater hunger now and as the hour was drawing to a close on this see saw battle, team captain William Henley gained possession on the far wing and sailed a beauty over the bar. Two minutes remaining and William Curley drove from 40 yards all the way to the net and sealed a win in a contest that once again came down to the wire between two great clubs. Victory was secured and back to back titles retained for the first time since the 70's. When the pressure was on last Sunday evening young Mark O'Brien along with Eamonn Forbes was a colossus (how he's not a County Minor I don't understand) in the full back line and repelled attacks time and again with a superlative display of hurling. Come to think of it, it's hardly surprising as since knee high to a grasshopper he has had a hurley in his hand and like his older brothers when not in the field training, he's pucking a sliotar off the gable end in Kilwinney, "Cleachta a dhéanann Máistreach mar a déarfá". As with any game of course it takes fifteen and the subs and we congratulate the lads on a great victory. No doubt they are all aware that an improved display is required when we face the Eastern champions (hopefully not Christmas Eve again) but for now we rejoice in our win and well done to players and mentors alike. Our commiserations to the boys from Abbeyside who added to the splendour and excitement of this final.

Footnote: There's a saying "hurling does quare things to ordinary people". Ordinary of course meaning everyday humans like all of us. Hopefully that is the reason for the behaviour of some members/mentors on the line on Sunday. I'll leave it to those involved to see if the cap fits. I was disgusted to see young hurlers being abused and intimidated from the sidelines and this has no place within our games. The feelings for your own team is obviously understandable but doesn't automatically entitle one (particularly those old enough to have more sense) to impose one's will on young players. I shook the hand of a true former Abbeyside hurler/footballer following the game. I offered my commiserations in genuine fashion. He in turn did likewise and offered his congratulations despite his obvious disappointment. That's how it should be. It's not a parlour game as we say but good conduct still applies.

Team: Sean O'Neill, John Feeney, Tom Baldwin, Mark O'Brien, Jody Neill, Aidan Kearney, Eamonn Forbes, Colm Geary, Paul O'Brien, John G. Kelly, Danny Neill, Patrick Sheehan, Brian Harnedy, William Henley, Michael Keating.

Reporter: "How do you make that out?"

## SEPTEMBER PRODUCTION HOSTED BY BRIDEVIEW PLAYERS TALLOW

Would you like some love, lust and tender candlelight in September? Vanessa Hyde and Brideview Drama, Tallow are very pleased to offer an evening full of these!

This year's 'Evening of Intimate Theatre' has grown to include 25 performers from 6 different dramatic societies - including Ballyduff Drama, Palace Players, Kilworth, Ballyduff and Dungarvan Dramatic Club. A fun and cheerful evening of short sketches, plays, monologues and other pieces, performers include the well-known and celebrated Jan O'Sullivan, Enda Ormonde, Sile Heneghan, John Stack, Audrey Sheehan and James Lenane. The evening, on 13 September, is hosted once more by Brideview Drama Tallow, with Lismore Dramatic Society again generously lending their stage props.

At Ballyrafter Hotel, Lismore, from 8.00 pm, the audience will see works ranging from Sophocles to Tennessee Williams, Martin McDonagh to Oscar Wilde and new pieces by local authors. With a nice long interval of 30 minutes to give everyone the chance to stuff themselves on the complimentary wine, Ballyrafter's special Summer Punch and delicious snacks, the evening should prove, as it did last year, lots of fun.

The only blot on the landscape is that a mere 95 tickets are available (it really will be an evening of 'intimate theatre'). Tickets will be on sale from 9am, 1st September, at Lismore Books, Main Street Lismore. Sorry, no telephone bookings are possible, so just drop in and buy the tickets you need (or send a friend to get them for you). Like last year (due to ticket demand) only 2 tickets per customer are possible. Tickets are priced at ?10.00 per person. For further programme details, ring Vanessa Hyde on 087 6733782, or James at Lismore Books on 058 54650.

ing hours will apply for the rest of the week. This unique display is sure to attract many visitors. A booklet on "Little Nellie" will be available for sale.

### St. Mary's Church of Ireland Kinsalebeg

The earliest reference to this church occurs in the ecclesiastical taxation of 1302-6, where the church of 'Kynsale' was valued at 121.

The dedication to the Blessed Virgin Mary is recorded in 1470, although in 1841 O'Donovan in noting St Bartholomew's well suggested that Bartholomew was the original patron of the parish. The church was noted as a perpetual vicarage in 1403 and in 1470 a papal indulgence was granted to aid the repair of the church; the text of this indulgence stated that the church was: 'Notable among the parish churches of those parts, that therein there

were many magnates and notable parishioners, that it was decently and honourable built, and that it was provided with pavements and other ornaments'

This would suggest a church of some wealth and prestige, but yet it seems to have been a chapel of Dungarvan by 1537 possibly followed in the wake of the takeover of Kinsalebeg by the earls of Desmond around the middle of the 15th century. By 1746 it was noted that 'the church . . . Though not long since roofed, is going (for want of repair) into decay, although it is not clear whether this referred to the medieval church or a later building. Canon Power located the medieval church just to the north of the modern church but no trace of it now survives.

A 17th century grave slab was recorded at the south-east angle of the present church. The Latin

inscription recorded Elizabeth Lancaster. Another interesting tomb has the following inscription

Erected to the memory of the Rev. William Wakeham

For seven years curate of this Parish

Who died June AD 1847.

He fell victim to disease

Brought on by exertions for relieving the wants of the suffering

Poor of this parish During the memorable visitation of the famine.

In the 32nd year of his age.

# BLACKWATER HOMES NATIONAL HALF MARATHON

## Cometh The Hour — Cometh The Race

All roads lead to St. Augustine's College this Sunday for the eagerly awaited Blackwater Homes National Half Marathon Championship of Ireland. It can be safely stated that no event in the long and renowned history of local athletics has taken on the appeal and interest that this half marathon has succeeded in doing. It's going to be some occasion for each and everyone. So come along to St. Augustine's College between 11.00 a.m. and 1.00 p.m. on the day and be part of a truly super sporting Sunday. Billed as a National Championship, the race will bring the top road runners in the country to town. This added to the participation of in excess of 80 West Waterford runners gives the ideal ingredients for a special race, and so it will be. The West Waterford Athletic Club takes this opportunity to welcome all our visiting runners, their families and supporters to Dungarvan for the weekend and we hope and we are confident that your stay with us will be both enjoyable and memorable.

#### RACE SPONSORS

From an early stage in the race preparations, Blackwater Homes came on board with us in sponsoring the race and this has given the Club the means to stage an event that will do justice to a National Championship. Managing Director of Blackwater Homes, Kevin Curtin, has not only sponsored the race but he has actually been involved in the race preparations and West Waterford A.C. wish to thank Kevin most sincerely for being associated with us on this occasion. Kevin will even be participating in the Half Marathon on the day on the Youghal AC Team.

#### RACE COURSE

The course has been advertised as a flat scenic route and the feedback from the runners who have trained over it has confirmed this. The race starts outside the Sallybrook Estate on the Clonea Road and will take in two laps of the Duckspool Waterford Road, Clonea Road Circuit before heading to Barnawee Bridge. Just after a right turn at the Bridge the runners will have completed 5 miles. The route then heads towards the Gold Coast and around by Ballinacourty before coming out on the Clonea Road where there is a left turn to bring the runners up to St. Laurence's Hall Cross. A right turn at the cross brings the runners over the Crooked Bridge and then left under the Railway Bridge at the back of Clonea where the route continues to the rear of Garranbane School. The runners will welcome the hill down to Ballinroad where they will turn left at the Church and then right at St. Laurence's Hall Cross to finish the 13.1 miles back at Duckspool outside Scoil Gharbhain.

#### BLACKWATER HOMES ON THE ROAD COMPETITIONS

#### WATERFORD CRYSTAL FOR RACE WINNERS

The race received a major boost recently when Waterford Crystal announced that they would be presenting the first 3 men and the first 3 women to finish with pieces of their much sought after produce. Visiting athletes in particular love coming to Dungarvan to race in the hope of receiving a piece of crystal. Our thanks to the Company for their very generous sponsorship for the leading runners.

#### ST. AUGUSTINE'S COLLEGE

By kind permission of St. Augustine's College, race headquarters will be based at the very suitable Duckspool venue. The College has literally opened their doors for us and we are being provided with facilities for parking, changing, physios, post-race refreshments, results room and presentation of prizes. Our thanks to the physios who are generously giving freely of their time after the race to aid the recovery of the runners. Our thanks also to Nurse Ann Ryan for making herself available at the finish line in case any emergency arises.

#### TOP CLASS RACE ANTICIPATED

### Irish Champions Seek Further Title

There will be no slouching in evidence at the head of affairs in Sunday's race. Rather we will have a showdown between the country's top road runners. The current Irish Cross Country Champion, Martin McCarthy, Leevale AC, has confirmed his entry and here is a man capable of running the distance in under 65 minutes. Martin's last appearance in the area was in 1999 when he won the Ardmore 5. In opposition will be Paucic McKinney, Civil Service A.C., who will have fond memories of Dungarvan as he won the National Marathon here in 2001. A very interesting entry is last year's half marathon champion, Garry Crossan, Letterkenny, as he has strong local connections - he is grandson of Julien and the late Mai

Rheinisch. Though 0out of Dungarvan for many years, Julien's love for Dungarvan is very well known and his grandson's participation in his native spot will win the local support in the race up front. In addition to this trio, there are three or four other runners capable of taking the honours on the day, including Dublin's Conor Holt who won the big 10-mile race in Dublin recently. A top class entry in the ladies race is Rosemary Ryan and she will have many more men finishing behind her than will in front of her. The performance of our own newcomer, Phyllis Flynn, will be watched with great interest. Good luck to our men's and women's teams and individual runners in their quest for National medals.

#### A RACE FOR EVERYBODY

It is no secret that the West Waterford Road Runners ethos (always wanted to use that word somewhere) is to treat all runners equally, irrespective of ability or good looks. This will be the case again on Sunday, when every participant will receive a race medallion, a souvenir t-shirt and a bulging goodie-bag. Blackwater Homes are providing the medals, Athletics Ireland are providing the t-shirts and the goodie-bag, which will be given out before the race, will include items from Conor Lannen of Country Store, Pat Whyte of Whytes Corner, Albert McGrath of McGraths Newsagency, Cash and Carry, Ghanbia and Glaxo Smithkline. Our thanks to each of the above for their generous support of the race.

## KNOW YOUR RIGHTS

### QUESTION

Some French friends of mine have decided to move from France to Ireland. Will they need an Irish driving licence or an international driving permit in order to be able to drive here?

### ANSWER

No, they will not. If they already have a French driving licence they can use it in Ireland as long as it is still valid. Similarly, you can use your Irish driving licence in France. Holders of licences issued by a member state of the European Union or the European Economic Area may drive in Ireland as long as the licence they hold remains valid. If they are resident in Ireland they may subsequently exchange it for an Irish licence for the same vehicle classes without having to pass the driving test.

Holders of driving licences from certain other recognised countries may drive in Ireland for up to 12 months as long as their licence is still valid. Upon taking up permanent residence in Ireland they may exchange it for an Irish licence for the same vehicle classes without having to take the driving test. These countries are Australia, Gibraltar, Isle of Man, Japan, Jersey, South Africa, South Korea and Switzerland.

Holders of a driving licence from any other county may similarly drive in Ireland for up to 12 months, as long as their licence is valid, but they must pass a driving test before an Irish licence can be granted. Should they require a provisional licence it may be obtained from the appropriate regional licensing authority.

A temporary visitor to Ireland may legally drive here providing he or she holds a valid licence issued in his or her country of residence or an international driving permit. The holder of a licence for a vehicle with automatic transmission, for example the majority of American cars, may only drive automatic cars in Ireland.

## MONEY MATTERS

### MAKING A WILL

Do you have a will? Do you really need one? If you can answer yes to any of the following questions, the answer is a very definite yes.

If you have children under 18 years of age, are you concerned about their guardianship if you die unexpectedly? You have worked hard all your life for your nest egg: do you care who gets your money?

Is there someone in your extended family that you definitely don't want to get your house and other property? Many people think that they need to have serious money and property to make a will, this is not true. Many families have been left in seriously financial distress because their loved one may have not made any provision for them by not making a will. Regardless of how much money or property you have, a will ensures that your personal belongings and assets will go to the family members or beneficiaries you decide on. Not making a will may lead to countless arguments and can lead to ill feeling that is carried on for years.

Remember no one plans to die, but if you die without making a will you will be subjecting those who were closest to you in life to confusion and anxiety in what is already a difficult time. So decide today to visit your solicitor to make your will. You will then have peace of mind knowing that you have done your best and have sorted out your financial affairs.

# Questions Raided About New Masts Study

Unease has been expressed at confirmation by the Office of Public Works (OPW) that it has contracted consultants to look at publicly owned buildings in Waterford and other counties with a view to renting out space on them to telecommunications companies for masts.

Dungarvan area Labour Councillor Fiachra O Céilleachair says the announcement by OPW Junior Minister Tom Parlon TD that Dublin based mobile telecommunications consultancy firm Vilicom have been appointed as advisers to the Department on the subject should be greeted with

caution.

Cllr. O Céilleachair says a previously similar deal entered into by the state with Esat/02 in respect of Garda stations led to controversy in communities throughout Co. Waterford, with masts proposed in residential areas leading to planning disputes. Up to 1,800 buildings nationwide are owned and managed by the OPW and Cllr. O Céilleachair says clarification is required on what kind of locations for masts might be in mind.

Saying he was in favour of the "sensitive" locating of telecommunications facilities,

Cllr. O Céilleachair said enough uncertainty existed about mobile phone masts to warrant restrictive conditions as to their placement in areas of adjacent residential density.

Cllr. O Céilleachair said whilst the state is anxious to avoid being cash strapped and various departments were looking at ways of raising revenue, a balance needed to be struck when it came to ensuring the general environmental well-being of communities.

Cllr. O Céilleachair says local authorities in Co. Waterford have an audit of publicly owned buildings around the

county and should be conscious of where the placing of masts would not be desirable, including on aesthetic grounds. Co. Waterford and Ireland is big

enough, in Cllr. O Céilleachair's view, for enough places to be found for the necessary distribution of mobile phone and other masts without their location leading to controversy that could be avoided in the first place.

Cllr. O Céilleachair says he looks forward to more detailed information being forthcoming from the OPW than has been the case so far.

## BCI SIGNS SOUND BROADCASTING CONTRACT WITH WLRfm

The Broadcasting Commission of Ireland signed a ten year sound broadcasting contract with South East Broadcasting Co. Ltd. (trading as WLR FM), to provide a local sound broadcasting service for Co. Waterford. This is the sixth of the new ten year contracts to be signed with a local commercial station, following the Commission's process of re-licensing local radio, which began in December 2001 and was completed in April of this year.

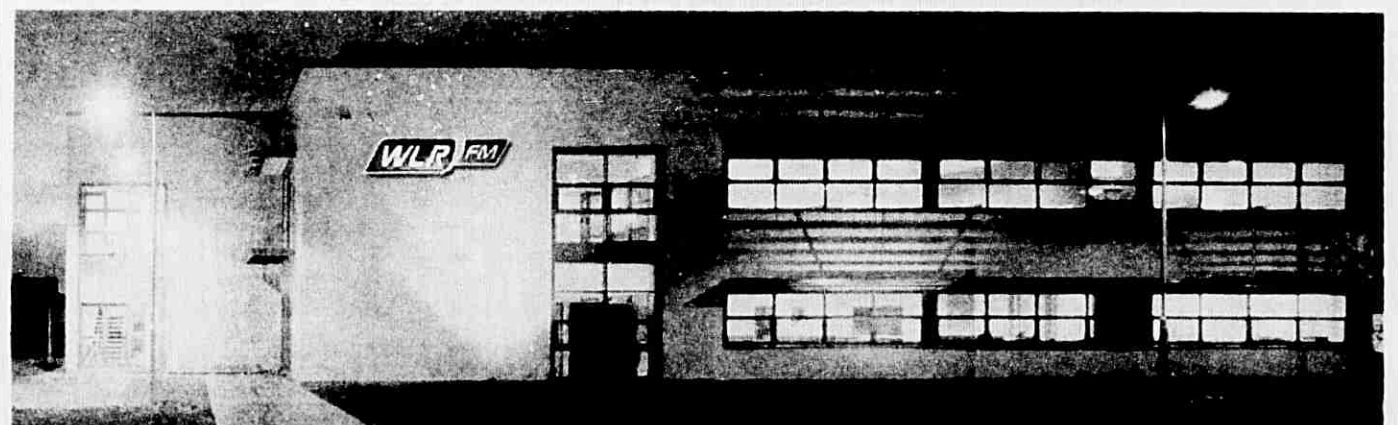

Commenting on the signing, Michael O'Keeffe, BCI Chief Executive, said "We are delighted to conclude contract negotiations and to sign this 10 year contract with WLR FM. The station has provided quality, choice and diversity to the audience of Co. Waterford for the past 14 years, and I am confident that they will continue to provide such a service in the future.

We wish the station every success in the years ahead."

WLR FM was represented at the signing by Gerry Sheridan, Chairperson, and Des Whelan, Managing Director of the station. Joe Griffin, Board Member, and Michael O'Keeffe, Chief Executive, signed on behalf of the BCI.

## Teacher Breaks Links With School After 40 Years

A link with Clonmel High School that goes back to the early fifties will be broken when the new term begins over a week from now. As both pupil and teacher Michael Forrestal has been part of the fabric of the school for more than forty years. But he is now enjoying a well earned rest, having retired from his secondary teaching post. He first walked through the school gates in 1953 having completed his primary education at the nearby S.S. Peter and Paul's, like so many generations of Clonmelians have done before and since. After sitting the leaving cert he went to U.C.D. where he graduated with degrees in Irish, History and English and he also took Latin for his Arts Degree. He entered the teaching profession at St. Paul's College in Raheny

Dublin, but jumped at the opportunity when a post became vacant at the High School in his hometown and there began a career at the School that lasted 37 years. He recalls his arrival at the school in 1966 with fondness. He was training St. Mary's minor hurling team at the time and many of the team were surprised, to say the least, when they walked in to class on Monday morning to discover the identity of their new teacher. The first day only seems like yesterday and he finds it hard to believe that he won't be joining his former colleagues when the new term starts. He was one of 30 pupils who sat the Leaving Cert in 1958. This year some 145 teenage boys took the exam in a school that now accommodates more than 700 students.

## REDUCTION IN NUMBER OF SUNDAY MASSES

There will be a reduction in the number of Sunday Masses in Clonmel as and from Sunday, September 7th. Due to the recent reduction in the number of priests in the town, it has become necessary to reduce the number of public Masses by four. From that date there will be four Vigil Masses available. St. Mary's, Irishtown 6:15pm, on in the Friary at 7pm and Peter and Pauls and St. Olivers 7:30pm. The Vigil Mass in the Church of the Resurrection will be discontinued from the 12th of October. On Sunday mornings there will be eleven Masses, whereas up to now there had been fourteen. As little change as possible has been made in the times of the Masses, there will be a Mass every half hour in the town from 8am to 12:30pm with the exception of no Mass at 8:30am. One of the problems facing the priests is the number of Masses between 10am and 11am. What people may not realise is that in addition to Masses in the public churches there are also weekend Masses provided in the Presentation Convent, St. Lukes, St. Joseph's Hospital and Ferryhouse.

The full list of Masses for Clonmel is 6:15 St. Mary's; 7pm Franciscan Friary; 7:30 S.S. Peter and Paul's and St. Olivers. Day Masses 8am. Friary; 9am St. Olivers; 9:30am Peter and Paul's; 10am Church of the Resurrection; 10:30am St. Mary's Irishtown; 11am Peter and Paul's; 11:30am Friary and Church of the Resurrection; 12:00pm St. Mary's and St. Olivers; 12:30pm S.S. Peter and Paul's.

## Pretty Wedding At Fourmilewater

The pretty Roman Catholic church of St. Laurence of Fourmilewater was the scene of a very pretty wedding on Friday, 15th August the feast of the Assumption of the Blessed Virgin Mary. The contracting parties were Garrett, son of Philomena and the late John Tobin, Russelstown, Kimanahan and Regina Flynn, daughter of James and Maureen Flynn, Prior Park, Clonmel, Co. Tipperary. The marriage ceremony with nuptial Mass and papal blessing was solemnised by Rev. Fr. Edmund Tobin, P.P. Fourmilewater/Newcastle assisted by Rev. Fr. Colm O' Brien C.C., S.S. Peter and Pauls, Clonmel.

## RECENT DEATHS

### LATE MR. DECLAN DARGAN

It is with deep and sincere regret we extend our sympathy to the death of Mr. Declan Dargan, Elm Park, Clonmel who died recently. A man who had a simple philosophy on life which he loved and lived to the full. Belying the popular image of a devil-may-care, however, he was good natured, considerate and kindly person with exceptional talent in the culinary art. Though moving easily in large house party circles over the years, his brother said, he nonetheless liked to be referred to as the Poorman's Chef, always willing to accommodate people with modest means.

He was son of Michael and Nellie Dargan, he was one of a family of fourteen; seven boys and seven girls. As a teenager holidaying in the late 60's in Dublin, he got the opportunity of joining his brother who was a chef in the Oyster Grill in Ranelagh, and stayed on to do his training there after which he got a job in the International Bray for the season. Moving subsequently to Scotland in the early 70's, he spent a couple of years there gaining invaluable experience. He returned to Ireland and was employed by the Travellers Friend Hotel in Castlebar and met local girl Nellie Patten at Blackfort. He married in 1976 and they moved some three years later to Clonmel and they resided in Baron Park. They reared three boys, he took up employment in the popular Ormonde Grill in Glandstone Street, one of the first restaurants of it's kind in the area, attached to the supermarket, he worked there for fourteen years till it's closure. Following that he started catering for parties everywhere, including weddings, funerals, christenings, confirmations and communions. And for two years he worked in Cahir in the Shamrock Lounge, Galtee Inn and Dan Cortigans. A family member remarked that he should have been a juggler the way he was able to keep going. He had not got a car, he did not need one, with so many people willing to pick him up any time night or day on the Cahir/Clonmel road.

The last two years of his life he spent as a night manager at Raheen House, Clonmel. Declan of course, was well known to have been an inveterate gambler and smoker, a subject of much banter in family circles. A great man to study form, he also loved to roll his own cigarettes and there was so many who were glad to do the need full when he lost the use of his right arm. In bad health for most of a year, he kept going without a complaint, looking on his illness as more of an inconvenience than anything else. A big blow to him was the death of his wife two and a half years ago. He had been hoping to attend his nephews wedding, but the Lord had for him other plans, and of course he would have loved to be at the Special Olympics where his son Johann, whom he was so proud of, was participating. Declan had requested that when he was gone that rather than mourn his death, his life would be celebrated, a friend promising that his wish would be honoured, which it was.

His remains were removed to S.S. Peter and Pauls Parish Church, Clonmel where they were blessed and received by Rev. Fr. Colm O' Brien C.C. On the following morning requiem

Mass was celebrated by Rev. Fr. Colm O' Brien C.C.. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where he was laid to rest in the family plot.

To his sons, mother, brothers, sisters and his many relatives, we extend our sympathy. Ni bheidh a leithead aris ann.

### LATE MR. FRANK BERMINGHAM

It is with deep and sincere regret we pen the death of Mr. Frank Bermingham, Ard Fatima, Clonmel which sad event took place at Melview Nursing Home, Clonmel. Well known and popular, he was noted for his abiding interest in sewing and fishing, the twin loves of his life. A single man his passing at the untimely age of fifty nine has caused much sorrow to his only sister, Eileen Houlihan. Son of Eddie and Mary Bermingham of Ard Fatima.

Frank was one of two children, having developed polio at three years of age, he spent the following fourteen years in and out of hospital. But with much courage and resilience, he went on to serve his time as a tailor with Jackie Murray in Marry Street where he was involved doing jobs for drapery shops locally as well as tapestry for furniture. Subsequently taking up employment as a tailor at Ferryhouse, he retired from there two years ago owing to ill health after three decades or so of loyal service. Sewing was a labour of love for Frank who had happy memories of working in Ferryhouse and used to laugh about the furry toys, teddy bears and the like, which he made there particularly for the renowned Strawberry Fair where they were such a draw for the children.

Not having a family of his own, he so much enjoyed the company of his sisters children. When they were young, he liked bringing them to the seaside and picnicking with them. And of course he brought his little Jack Russell, 'Sandy', his pride and joy in the car. A familiar figure in the Bridge fishing with his good friend Peter Slevin, he also got great relaxation and pleasure casting a line off Helvick Head where the mackerel in abundance. Suffering declining health over the past two years Frank wasn't able to get about very much, but he was blessed with good neighbours and friends who helped and visited him morning, noon and night. Slipping away quietly at Melview Nursing Home, where he had been for the past twelve months, his departure has left a void in the family circle.

His remains were removed to St. Mary's Parish church, Irishtown, Clonmel. On the following morning, requiem Mass was celebrated for the happy repose of his eternal soul, the celebrant was Very Rev. Fr. Fagan I.C. and Rev. Fr. O'Reilly, I.C., Ferrybank. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where he was laid to rest. Fr. Bobby Power C.C. and Rev. Fr. Fagan I.C. officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a Christian friend whose memory they will long treasure.

To his relatives, sister we extend our sympathy to their loss.

## SPECIAL PUBLIC NOTICE

### PROPOSAL TO INTRODUCE A LIMIT ON THE NUMBERS OF LOBSTER/CRAB FISHING POTS WITHIN THE SOUTH WEXFORD/ EAST WATERFORD INSHORE AREA

Due to an increase in concern by members of the South Wexford and East Waterford Lobster Co-ops, regarding the continued increase in pot numbers within the inshore area of the South East region, support is being sought for the introduction of a byelaw to conserve lobster and crab stocks.

This proposed byelaw will place a restriction of a maximum of 400 pots (capable of catching lobster and crab) per boat between the coast and the 6 mile limit line within the area between Mine Head and Rosslare Harbour.

Lobster/Crab pot fishermen based within the proposed area are invited to sign a statement indicating support for or against the proposal.

Copies of the statement with further details of the proposal are available from committee members of the two lobster Co-ops. Copies are also available at the following post offices; Rosslare Harbour, Broadway, Kilmore Quay, Fethard-On-Sea, Duncannon, Arthurs-town, Passage East, Dunmore East, Tramore, Bonmahon, Stradbally and An Rinn.

Further information and copies can also be obtained from John Hickey, BIM Inshore Fisheries Development Officer, Stella Maris Centre, Kilmore Quay, Co. Wexford. (Tel. 053 29632, mobile 087 6295047).

Signed statements may be submitted to a committee member of either of the above two lobster co-ops, or to the BIM Inshore Office above. Closing date for receipt of signed statements is Friday 12th September 2003.

# IN MEMORIAM

**CROKE** — First Anniversary — In loving memory of Steven Croke, Shanbally, Ring, who died on August 28, 2002.

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,  
Are the ones who can't forget.

We often sit and think of you,  
And think of how you died;  
To think you could not say  
goodbye,

Before you closed your eyes.  
Your life was one of kindly  
deeds,

A helping hand for other's  
needs,

Sincere and true in heart and  
mind,

Beautiful memories left  
behind.

The blow was hard, the  
shock severe,

To part with one we loved so  
dear,

Our loss is great, we'll not  
complain

But trust in God to meet  
again.

Two tired eyes are sleeping,  
Two willing hands are still,

The one who worked so hard  
for us,

Is resting at God's will.  
Our family chain is broken,  
Nothing seems the same,

But as God calls us one by  
one

The links shall join again.

(From his loving wife Linda  
and daughter Aisling.)

**DRUMMY** — Birthday remembrance our dear daughter, Marie Drummy, late of 33 Shandon St., Dungarvan whose birthday occurs on 28th August.

In Heaven you rest, no worries  
no pain,

In God's own time, we will  
meet again,

May the winds of love blow  
softly,

And whisper for you to hear,  
That your parents love and  
miss you,

And wish that you were here.

(Forever in our hearts, Mam  
and Dad and all the family).

**COLEMAN** — Twenty Third Anniversary — In loving memory of our dear father Thomas Coleman, late of 7 Parks Road, Lismore whose anniversary occurs on 23rd August. R.I.P.

Like falling leaves the years  
go by,

But memories of you will  
never die.

(Always remembered by your  
loving family at home and  
England).

**FLYNN** — (nee Noonan) — Thirtieth Anniversary — In loving memory of our dear mother Alice, who died on 29th August 1973. R.I.P.

Will those who think of her  
today,

A little prayer to Jesus say.

(Always remembered from  
your daughters Marie, Eilish  
and families).

**HOGAN** — Eleventh and Twenty First Anniversary — In loving memory of Maureen and Stephen Hogan, Chapel St., Lismore.

Out of our lives you may be  
gone,

But in our hearts you still live  
on,

Will those who think of them  
today,

A little prayer to Jesus  
say.

(Always remembered by her sisters  
Ann, Janie, Irene Sheila and  
their families).

**HICKEY** — Sixth Anniversary — In loving memory of Paul Hickey, Ballinakill, Kilbrien who died on 30th August 1997. Anniversary Mass in Kilbrien Church on Monday 1st September at 7.30 pm.

Deep in our hearts your  
memory is kept,

To love and cherish and  
never forget,

Words are few, but thoughts  
are deep.

Memories of you we will  
always keep.

(Sadly missed and forever in  
our thoughts, Mammy, Alan,  
Pat, Tony, Michelle, Siobhan  
and John).

**KEEGAN** — Seventeenth Anniversary — In loving memory of my dear father Ernie Keegan, Monarud, who died on the 25th August 1986.

Our hearts are full of memo-  
ries,

We treasure them with  
care,

But the way you had to leave  
us,

Will always seem unfair,  
We never knew that morn-  
ing,

What sorrow the day would  
bring,

When a heart of gold stopped  
beating,

And we couldn't do a  
thing.

(Always remembered by your  
loving son Ernest, daughter-in-  
law Rose, grandson Timothy and  
granddaughter Emma).

**MOLONEY** — First Anniversary — In loving memory of Daniel Moloney, late of Cooldelane, Lismore.

Parting comes and hearts  
are broken,

Loved ones go with words  
unspoken,

No words can tell no tears  
express,

The love, the loss the empti-  
ness,

For today is a day of memo-  
ries,

So sad of a dad I lost,  
Who I wish I still had,

No poem or words could  
every say,

How much I miss you every-  
day.

(From your loving son John,  
daughter-in-law Helen, grand  
children and relations).

**POWER** — Twenty Seventh Anniversary — In loving memory of Margaret Power, late of 10 Western Tce., Dungarvan whose anniversary occurs on the 27th August 1969.

Like falling leaves the years  
go by,

But memories of you will  
never die.

Sunshine passes, shadows  
fall,

But memories of you outlast  
them all.

In the centre of God's gar-  
den,

There is someone special  
there,

That someone is our  
mother,

The best beyond compare.

Will those who think of her  
today,

A little prayer to Jesus  
say.

(Always remembered by her son  
Paddy).

**POWER** — Eleventh Anniversary — In loving memory of Jim Power, late of 25 Childers Est., Dungarvan who died on 19th August 1992. Anniversary Mass on 11th September at 9.30 am in St. Mary's Parish Church.

Out of our lives you may be  
gone,

But in our hearts you still live  
on,

You left a place no one can  
fill,

We miss you Jim and always  
will.

(Always remembered by Dad,  
sisters, brothers, nieces and  
nephews).

**QUINN** — First Anniversary — In loving memory of our grandad Larry Quinn, Owbeg, Lismore who died on the 31st August 2002.

A heart of gold, a life so  
true,

Loved and respected by all he  
knew,

Always willing, helpful and  
kind,

What beautiful memories he  
left behind,

Too dearly loved to be forgot-  
ten.

(Remembered by your grand-  
children Paddy, Rich, Bob,  
Caroline and Dermot and all  
their families).

**QUINN** — First Anniversary — In loving memory of Larry Quinn, Owbeg, Lismore who died on the 31st August 2002. R.I.P.

Memories of a lifetime,  
Wrapped up in all our  
thoughts,

Special time spent with  
you,

We treasure in our hearts.

(Sadly missed by your loving  
son Patsy, daughter-in-law  
Joan, grandchildren and great  
grandchild).

# Deise Archery Club

## BALLYDUFF GALA WEEKEND

Last weekend the club set out its stall again for the Ballyduff Gala Weekend. On a glorious evening, a number of members enthralled the crowds with their display of Archery Skills. Ok, that's a bit exaggerated but we did manage to hit a few targets.

A wide range of Longbows, Mongolian, Flat bows and Re-Curve's were on show, with most interest in Carl's 100lb longbow, which nearly caused a number of hernias in peoples attempts to draw it. Plenty of people showed a level of interest so we may see some of them soon, giving it a go in the woods.

## CHAVASSE'S CLEAN-UP

Next Sunday 31st August we are asking all club members to assemble at Chavasse's at 10.00am. to help in removing the boss's from the wood. The sooner we can get this done the sooner we can get a round in as

well. Remember many hands make light work etc. etc.

## CAHIR RE-ENACTMENT

Next Saturday August 30th as part of the Cahir Festival a battle re-enactment will take place in the grounds of Cahir Castle. A number of ITFAS Archers have been press ganged into taking part in the Battle as part of an Archery display. We are reliably informed that cast members of the film "King Arthur" currently being shot in Ireland will attend. Now before you all go reaching for the Autograph books in the hope on seeing Ray Winstone or Clive Owen, I don't think they will be there (Carl is not that "well in" on the set yet), but I am assured, that there is a gas crowd of "Picks" (sorry Scotsmen) coming to Cahir for the weekend. Times for all this are still a bit sketchy, so look in local or national papers for exact times of events.

# Cunnigar Pitch And Putt Notes

Best 36 holes went to K. Dunscombe, best Lady went to N. O'Sullivan. The Junior Cup went to Jason Fitzgerald.

## GOLD FOR MARY O'CONNOR & KALYN SHEEHAN IN MOSNEY

Benildus also won gold. Silver medals were won by Shane Mackey, Butlerstown U.8-60m, Hayley Murphy, Sacred Heart U.16-100m, Mairead Murphy, Sacred Heart, U.16 High Jump and Dale Kennedy, Ferrybank, U.14 Shot Putt. Mark Shalloe, Ring/Old Parish won bronze in the U.14-800m.

The girls U.14 relay team of Kalyn Sheehan, Sinead Donnelly, Laura Dwyer and Emma Hannigan from SS. Joseph and Benildus having won their heat and semi-final on the Saturday went on to win gold the following day. The final relay of the day was the mixed-relay and the Sacred Heart area fin-

ished as they begun on the Saturday by once again taking the gold medals here. This team which also won their heat and semi-final the previous day consisted of Mairead Murphy, Hayley Murphy, Holly Kavanagh, Patrick Holden and Kevin Cooper. So a fantastic week-end indeed. Well done girls and boys and well done to all who competed in the various events. The City areas did exceptionally well and great credit must go to Brid Golden who put so much time and effort into coaching all these young people and great to see her effort paying off.

We had two teams from the County competing. Ballymacarbry indoor-soccer and Tramore Volleyball and both teams received Certs for 4th place.

Just a mention again of last weeks fine win by the Kilmac-thomas Girls Soccer team and bronze medal and cert winners Jennifer Quinlan and Ger Crowley.

So a very successful Finals for the County. Thanks to the County and Team Managers over both weekends, to our security ladies and to anybody who helped in any way in Mosney.

Our next County Meeting will be held in Lawlor's Hotel on Tuesday night next Sept 2nd. at 8.30pm.

We are asking that every area will be represented at this meeting.

# STRADBALLY F.C. NOTES

## NEW SEASON

The new season has arrived if a little earlier than we expected. First match was away to Bolton of Waterford and we took home a point from the team who were just pipped for the title last season. The final result was 3-3 with Eamonn Clancy scoring from the penalty spot and Emmet Cummins getting goals number two and three.

Next match is home to Tycor at 6.30 today Wednesday against Tycor with Woodstown at home on Sunday at 11.00am. Please make a habit of being at the pitch 30 minutes before kickoff for this season.

## MEMBERSHIP

Membership is now due. The price is €35 with students price at €20. This will cover registration to the league and a basic insurance. Membership to Paddy or Emmet immediately. As most players are covered with loss of wages from employment with their employers for a certain period of time in the event of injury there are others who are not. To this effect those players are encouraged to pool together the premium for a comprehensive personal injury insurance. The club will also make a contribution to this premium if instigated by those in need of it. The policy we suggest is organised for the FAI by O'Driscoll O'Neill and will cover loss of earnings from week 4 to week 26 up to €450 per week.

## TRAINING

Training took place last Thursday evening with a great turnout of nearly 20. Training continues every Thursday at 7.30pm. Anyone interested in playing this season please come along on Thursday. All new players welcome.

## ANNUAL GENERAL MEETING

Our AGM took place last Tuesday week with the Chairman, Secretary and Treasurer remaining as Eamonn Clancy, Alan Curran and Garvan Cummins respectively. Seaview Draw Coordinators are Michael Kiely and Paddy Joe and Peggy Carey. Membership officers are Emmet Cummins and Paddy Doyle. Liam Connors is vice-Chairman. Others responsibilities will be allocated at the next committee meeting.

## STRADBALLY LOTTO

Next draw takes place this Sunday evening in Whelan's Bar in Stradbally at 10.00pm. Please support. Tickets are priced at €2 each or three for €5. Jackpot is now at €1400.

## SEAVIEW DRAW

This year's launch of the Seaview Draw has taken place and tickets are now out. Tickets are priced at €25 each with the many prizes of cars, vouchers, cash etc. Please contact draw coordinators, Michael Kiely, Paddy Joe and Peggy Carey. Remember this year a massive effort has to be made as we need to generate massive funds to avail of Lotto Grants. If we can all make a big effort this year, it will go a long way. We need sellers especially from players and also parents of schoolboy players who may

have different range of buyers.

## UP TO DATE DEVELOPMENT

As you know at this stage we have acquired almost 5 acres of land from Waterford County Council and have finished phase one. We now have three more stages to go which includes the recovering of topsoil, seeding, draining and construction of all-weather pitch with lighting, construction of dressing rooms. To complete phases two, three and four over the coming 18 months we need €145,000. Under the National Lottery Sports Grants we would be hoping to get 70% (€101,000) but that leaves us with a fundraising target locally of €44,000 (30%). Remember we can only get grant funds from the National Lottery if we come up with 30% locally. To these means we have set up a local lotto and also the annual Seaview Draw has been launched. Tickets for the Lotto cost €2 (€5 for three) while the Seaview Draw tickets cost €25.

## STRADBALLY UNDERAGE FIXTURES

Obviously any under-15 matches on Monday will have to be changed hopefully to Tuesday with football matches down for Monday evenings for the next few weeks. Under-15 match versus Piltown hopefully can be rescheduled for coming week agreeable with the home team.

## TRAINING

Training for all Saturday morning at 10.30am.

## TRAVEL

We are making a big appeal this year for help in transport to matches from parents and family members. We need to cut our expenses in view of the funds we need for the new development. For example a bus will cost between €70 and €100. For example for us to spend €100 will lose us €333 in development grants for the new field under the 70% grant aid from the National Lotto Sport Expenditure scheme.

## MEMBERSHIP

Membership is set at €10 per player but will be reduced for more players from the one family. Membership for two players from the one family will be €15 and for three players from the one family will cost €20. This will cover registration to the league and also insurance. Insurance is a basic insurance, copy of insurance can be got on request. If insurance does not

suffice parents requirements, you would be advised to take out additional insurance. All players will be given registration form including medical form on first training session and to have it returned to us on second training session.

## WE NEED HELP!

We need help especially from parents who may be willing to lend a couple of hours now and again. We need help with the younger kids on Saturday mornings. As we have said before you do not need any experience or knowledge of the game. We will show you the ropes. Even an hour here or there would be ideal.

# Ballinroad Soccer Notes

## LATE MARY LANDERS

It is my sad duty on behalf of our club to offer our deepest sympathy to the Landers family on the death of their mother. The Landers family have all played a major role in the history of Ballinroad Soccer. Their field affectionately known as Maura Kiely's was our national stadium in the 50's and 60's where we got endless hours of enjoyment. Her sons Tom, John and Anthony were outstanding players in the early years of our existence while her grandsons and nephews served the club with distinction. May she rest in peace.

## CONGRATULATIONS TO SEAN WALL

We wish Sean Wall and his bride Isabel Aquilera from Guadalajara, Mexico many happy years together. Sean also qualified as a doctor in Milwaukee U.S.A. and we wish him well in his chosen profession. Sean Wall was an outstanding schoolboy player with us in the late 70's and early 80's. This side managed by Jackie Sandford won many honours with Sean Wall being voted player of the month in Ireland in October 1979. On a personal note I had the pleasure of bringing Sean to compete in the national skills finals on cup final day in May 1981. Bohemians and Limerick played in that game with rugby international Tony Ward starring for Limerick. Sean Wall was a well mannered young man with whom it was a pleasure to have been involved in football.

## FIXTURES

The season commences on Tuesday, September 2nd with a tough assignment away to Rathgormack.

## INSURANCE

It is the policy of Ballinroad A.F.C. that all adult players involved with us this season pay for insurance which gives adequate cover throughout the year. This rule will be strictly enforced.

## BALLINROAD SCHOOLBOYS SOCCER

## Big Kick Off Last Sunday In Bolger Cup

(sponsored by  
Dungarvan Leader)

### HOLDERS INTO NEXT ROUND — BALLYDUFF SCORE EIGHT

Last Sunday saw the 1st round of the Tony Bolger Cup take place on a beautiful Sunday we had nine games and a total of 40 goals were scored. Ballyduff hit eight against newcomers Glen View while Bolger Cup holders Bride View defeated An Gaeltacht in Old Parish (see match report)

#### Mogeely 0 Gortroe 3

A strong Gortroe side proved much too strong for neighbours Mogeely in Mogeely on Sunday morning. On the form displayed, Gortroe are going to be a very big addition to the Premier Division. Leonard Byrne continued where he left off last season scoring twice and Derek Murphy bogging the other goal.

#### Vailey Rangers 'B' 1 Kilworth 2

After a scoreless first half the visitors scored through Will Donoghue. Gary McCarthy made it two goals to nil before Dermot Hogan pulled a goal back for the Conna side.

#### Valley Rangers 'A' 2 Clashmore 0

Valley Rangers first team

scored twice in the first half through Terence Rumley and Damien Farrell, and they held this lead to the very end.

#### Glen View 0 Ballyduff 8

Back in the Red House League after a two year 'sabbatical' the Melleray side were on the wrong side of a trouncing from the village. Scoreless at half time the homeside had to make three substitutions at the break and in the second 45 minutes the floodgates opened. John Twomey had five goals, Simon Cogan and Brian Kearney were the goal scorers.

#### Ballybridge 4 Ardmore 3 (A.E.T.)

This was a cracker for a game which went to extra time. Trevor Carey, Alan Coakley and Brian Wade scored for the homeside. Johnny Hennessy, John Conway and an O.G. by J. Murphy scored for Ardmore in normal time. In extra time Trevor Carey got the all important winner.

#### Castlebridge 1 Inch 2

Paul Ryan gave the visitors the lead before half time and

the same player had a second goal midway through the second half. Stephen O' Connor from a free kick had the Castlebridge goal.

#### Modeligo 4 Affane 2

In a very good game the local derby saw some excellent football. The home side led by 3 goals to 2 goals at the break, and added another midway in the second half. James Maher 2 goals and Matthew Cashman 2 goals scored for Modeligo while Affane had their goals from James Maher and Brendan McCarthy.

Lismore 2 Accrington Celtic 1  
League champions Lismore had to work hard for this victory against an enthusiastic Accrington Celtic who were not over awed by their opponents. Scoreless at the break, Aidan Roche scored twice for the home side while Sean Carey's goal for Accrington kept the tie wide open to the final whistle.

#### Bally Celtic v Cappoquin

This fixture did not take place due to a referee misunderstanding. The game has been refixed for this coming Sunday 31st August.

#### Sunday's Fixtures

On Sunday night last the draw for the 2nd round of the Bolger Cup and 1st round of Bolger Plate was made. There will be just 2 games in each competition with the finals on Sunday, 7th September.

#### BOLGER CUP PRELIMINARIES

##### Ballybridge v Gortroe

What a local display is in store here. If ever we have a local cup tie, this is it. The home side had a wonderful win last Sunday against Ardmore, while the visitors travelled to Mogeely and were impressive in their victory.

On paper, Gortroe have a very strong panel and should win, but this tie could go all the way to penalties. But we will give Gortroe the nod.

##### Bride View v Modeligo

The holders will probably be playing their first home game for over 15 months when they have Modeligo as visitors. Both sides will have young teams but the experience of the Tallow outfit should see them through.

#### BOLGER PLATE PRELIMINARIES

Affane v Glen View  
New comers Glen View had a real baptism last Sunday while Affane were beaten by Modeligo. Affane's experience should see them through to the quarter final draw.

#### Accrington v Valley Rangers 'B'

The home side had a good game in Lismore last weekend and we expect them to record their first win of the season.

#### New PRO

At long last the league has acquired a new PRO and he will be introduced to the clubs at the delegate meeting this coming Monday night.

#### Fixtures for Sun. 31st Bolger Cup

Bally Celtic v Cappoquin at 11:30am. P. Browne; Ballybridge v Gortroe at 11:30am. M. Hartnett; Bride View v Modeligo at 11:30am. N. O'Donoghue.

#### Bolger Plate

Affane v Glen View at 11:30am. P. Marks; Accrington v Valley Rangers 'B' at 11:30am. W. Collins.

#### Delegate Meeting

The next delegate meeting will take place this Monday night, 1st September in the Red House Bar at 9pm. An important announcement is expected at this meeting so it is vital all clubs are represented. The draw for the 14 finals of the Bolger Cup and Plate will also be made. Those games will take place on Sunday, 7th September.

### TONY BOLGER CUP MATCH REPORT

# Winning Start For United

AN GAELTACHT 1, BRIDEVIEW UTD. 4

This was the first game of the season for both sides and it showed in the first half when the forwards found it hard to find the net.

Utd. Were first to attack but Roy Henley's effort was well off target. His brother Brian broke through in the 6th minute but shot straight at the keeper.

At the other end Billy Sheehan saved well from Tomas Curran. The homeside set up a great move in the 20th minute when Darragh Hurley set up David Condon but the latter's shot went across the goal and wide.

Condon was in again after 24 minutes but Sheehan denied him with a great save. On the half hour William Curley beat the offside trap but Kevin Healy saved well.

At the other end Curran and Hurley both missed chances for An Gaeltacht. The homeside did go in front in the 32nd minute when Darragh Hurley scored from close range.

This goal spurred an Utd. Roy Henley set up Michael Curley but Healy again denied Utd. A great run by John P. Grey after 34 minutes saw him round three defenders and with just the keeper to beat he shot straight at the keeper.

Utd. Were back on level terms in the 41st minute when a Roy Henley cross to the far post was headed down by John P. Grey and Denis Martin shot home from close range.

The homeside tried hard to restore their lead before the break and Aidan Paor, Hurley and Fitzgerald all went close but the side went in at the break level at 1-1.

Both sides missed chances early in this half before Brian Henley over from close range. In the 70th minute a great ball from Graham O'Neill found Brian Donnelly down the right. Donnelly's cross fell to Brain Henley but somehow he shot over when it looked as if he must score.

Utd. Did take the lead two minutes later when William O'Neill beat the full back and shot low into the corner giving Healy no chance.

This goal lifted Utd. And they now dominated the final quarter. Donnelly, William, Curley and J.P. Grey all went close before Stephen Pratt added goal number three. Pratt picked the ball up in midfield and ran straight at the homesides defence who backed off. Pratt beat two defenders in the box

before shooting low into the corner.

James Beecher headed off the line in the 82nd minute but it was a rare attack from the homeside. It came as no surprise when Gray set up William Curley in the 89th and the latter shot home to put Utd. into the next round.

Utd. B. Beecher, R. Cronin, G. O'Neill, D. Martin, G. Beecher, R. Henley, B. Henley, J. P. Grey, S. Pratt, M. Curley, W. Curley.

Res used: W. O'Neill, B. Donnelly, F. O'Gorman, G. Farmer and P. Cronin.

An Gaeltacht: K. Healy, A. Power, D. Molloy, G. Fitzgerald, E. Power, S. Wade, D. Power, R. Fitzgerald, T. Curran, D. Hurley, res. used M. Tobin.

Tony Bolger Cup Results Sunday 24th August

## Oscar Traynor Cup Managers Are Hopeful

Yes the managers have picked a squad of players and they are looking forward to this competition. However Joe Tobin felt that it's too early for this competition. I know it's the same for all leagues stated Tobin but it gives very little time to prepare a side. We have yet to get these players together and that makes our job as managers that much harder added Tobin.

If any of these players cannot play for whatever reason then will they please get in touch with either Liam Frazer, Paddy Pollard or myself stated Tobin.

The full panel is as follows Billy Sheehan, Ian Farmer, John P. Grey, Michael Norris, Stephen Pratt, James Kearney, Alan Collins, Matthew Cashman, Joe Mangan, John Moore, Sean McLoughlin, Leonard Byrne, Paul Quinn, Sean Ormonde, Alan Landers, John Twomey, Tom Molumphy, Will O'Donoghue, J. ## ALL WEATHER SURFACE

While it has been mentioned on numerous occasions how beneficial an all weather pitch would be to clubs in our league, we can this week disclose that one club will have their own one in the next few weeks. We refer to Bride View. Speaking with club Chairman Michael Sheehan, and club PRO Liam Frazer on Sunday night last, both were enthusiastic that Bride View will have their own all weather pitch within two to three months. This is a fantastic achievement for the club and an asset for all the clubs in the league. When we were speaking to Michael Sheehan he was in fact just having the grass cut on their new playing pitch which has been resurfaced and should be staging their first competitive league fixture this coming Sunday when Modeligo will be visitors. We all look forward to going back to Bride View Park again and hopefully will be in top shape for the U18 Inter League fixtures. We conclude by wishing Bride View the very best wishes this coming week with their Annual Welcome Home Festival.

## U.21 HURLING

On Sunday night we travelled to Cappoquin to take on county champions Tallow/Shamrocks in the Western Final. In the first half of the game we played some very good hurling to lead 1.09 to 1.04. However, Tallow are not county champions for nothing and they came out all guns blazing for the second half. A dubious line ball awarded to Tallow/Shamrocks resulted in a goal and we found it very hard to recover from this blow as Tallow/Shamrocks ran out winners on a scoreline of 3.11 to 2.10. We wish Tallow/Shamrocks the very best in the county final.

Team: Patrick Enright, David Cashin, Keith Browne, Seamus Lavan, Peter Phelan, John Kindregan, Joey Mullen, Patrick Lynch, Mark Fives, Simon Hanrahan, John Hurney, Mark Gorman, Sean Kiely, Declan Fives, Patrick Hurney.

Subs: Michael Browne, Aonghus Murray, Liam Briggs.

Our U.21 team as a group are now finished for this year. We won the western and county football title and contested the hurling final which can be termed as a successful year. On behalf of the club and selectors Greg Fives, Packie Hurney, Neil Moore, Bernard Shields and Noel Fleming we would like to thank the players for their effort and total commit-

ment throughout the year.

## U.16 HURLING

We contested our second county final in a row on Saturday last when we took on De La Salle in Walsh Park. Played in extreme heat this turned out to be a very closely contested game. In the first half the teams were level on numerous occasions as we traded points until De La Salle were awarded a penalty which they converted and this separated the sides at half time. In the second half both teams took up where they left off and served up a good game. Unfortunately an unsavoury incident occurred with ten minutes remaining which seemed to unsettle our team as De La Salle built up a big lead.

However, the team showed great character as they battled back right to the final whistle and only 2 points separated us at the end. Score Abbeyside 2.08 to 1.13.

Team: S. Enright, D. Enright, A. Crowe, B. Walsh, O. McCullagh, R. Foley, D. O'Hare, S. O'Hare, W. J. Kiely, D. Hickey, J. Gorman, J. Mahoney, M. Ferncombe, J. O'Brien, S. Slater.

Also the name of Stephen Lannigan was inadvertently omitted from the programme for which we apologise.

This group of players now turn their attention to the West-

ern Championship.

## JUNIOR B HURLING

We played our final game in the group stages at this championship on Friday last against the Brickeys. On the night with a few notable exceptions we failed to play with the required level of commitment and lost on a scoreline of 3.13 to 4.09.

Team: B. Scanlon, C. Moran, E. Murray, C. Barrett, S. Byrne, P. O'Brien, T. Cashin, M. Browne, M. Murray, I. Kiely, E. Enright, P. Morrissey, M. Cosgrave, J. Moore.

Despite this loss we are through to the final of this championship against Melleray or Kilgobnet.

## MINOR HURLING

The Western Final goes ahead on Wednesday night in Cappoquin at 6.30 where our opponents will be Lismore/Ballysaggart. All support for this tough assignment would be greatly appreciated.

## JUNIOR HURLING

We take on championship favourites Tourin on Saturday in Cappoquin at 6.30.

## INTERMEDIATE HURLING

On Sunday we play the second round of the championship when we take on St. Mary's in Cappoquin at 3.30. Again we would appeal to our supporters to come out and cheer on all our teams.

## U.14 FOOTBALL

We played the Nire in the Mill Field on Monday last. A very good performance by the team on the night saw us emerge victorious on a score of 2.12 to 0.07.

Team: C. Kinghorn, M. Fehily, D. Henley, J. Ryan, T. Hanrahan, E. McCullagh, J. Organ, J. Healy, C. Moloney, A. Kiely, J. O'Mahoney, D. Power, B. Cosgrave, S. Enright, S. Ryan.

We play Clashmore next Monday in Abbeyside at 7 o'clock.

## U.12 FOOTBALL

On Friday last we took on the Gaeltacht in our fourth game in Ring. On the night the team

played very well to emerge comfortable winners. Our next game is against Naomh Brid in Abbeyside on Friday at 7.15 p.m.

## E.G.M.

An extraordinary general meeting of the club will take place in Abbeyside School Hall on Friday, September 12th at 9 p.m. All paid up members of the club are entitled to attend this meeting which will have before it two motions adopted unanimously by the club committee at the meeting on the 14th August last.

## UNSAVOURY INCIDENTS

It would be remiss of me not to report on a number of incidents, which occurred over the weekend in games involving our club. Firstly on Saturday in the U.16 hurling some of our subs had their helmets stolen at half time. Then we witnessed the sickening sight of a De La Salle supporter invading the pitch to interfere with one of our players. Surely some proper gate stewards could prevent this.

## TONY FORRISTAL

Best wishes to Stephen Enright and James O'Mahoney who are part of the Waterford panel for the tournament which takes place this weekend.

## EUROPEAN GAMES

Club member Pat Moore was on duty in Amsterdam last weekends for the European Games finals which he refereed.

## CONDOLENCES

The club extends its sincere sympathy to the members of the Landers family, Ballinroad on the death of Mrs. Mary Landers whose sons Tom, John and Anthony (Jessie) all played with the club, a tradition which is maintained by her three grandsons Brendan, Alan and Aidan.

Also to Mrs. Josephine Coyne on the death of her mother. Paddy and Josephine Coyne have been part and parcel of our club over the years since their arrival in our parish.

## SENIOR FOOTBALL CHAMPIONSHIP

# Rathgormack Too Strong For Kilmacthomas

### RATHGORMACK 0-13 KILMACTHOMAS 0-5

While the very hot favourites Rathgormack deservedly won this last game in the second round of the football championship, the gap of eight points does less than justice to a Kilmac' side who tried all the way and with a bit of luck might have a better total on the board at the finish.

The losers were noticeably lighter and this meant that physique played a role in the game and could be described as a factor in the result.

Kilmacthomas now join with Clashmore and Dungarvan in the relegation battle.

Rathgormack had a slight breeze advantage in the first half and enjoyed an 0-8 to 0-3 advantage at halftime.

All three Kilmac' scores were recorded by Anthony Power while Edmond Hogan was top scorer for Rathgormack. He shot seven of their 13 scores.

Scorers; Rathgormack; E. Hogan 0-7, E. Clifford 0-3, J. Murray, F. Halpin, T. Power 0-1 each.

Kilmacthomas. A. Power 0-4 D. Kiely 0-1.

**Rathgormack** — P. Fahy, M. Crotty, G. Power, D. Crotty, Dan Crotty, D. Hassett, N. Murray, R. Power, P. Power, T. Bolger, J. Murray, F. Halpin, E. Hogan, T. Power, E. Clifford. Subs. V. O'Shea for P. Power, M. Power for P. Bolger, R. Crotty for T. Power.

**Kilmacthomas** — N. Power, M. Hallahan, B. Whelan, J. Hughes, J. Long, P. Mulhearn, D. Power, D. Kiely, P. Behan, J. Power, C. Downey, A. Power, J. Joy, M. Downey, P. Prendergast, Subs. T. McGrath for J. Hughes, J. Power for J. Joy, P. O'Reilly for J. Power.

Referee J.M. Kelly, Shamrocks.

## SEAN LEAHY R.I.P.

Sean was one of the oldest surviving Abbeyside clubmen of the forties when junior hurling was the top grade for most clubs. He won himself a place on the Abbeyside county final team of 1946 when substituting the injured James Young. Up to the time of his death he remained a solid Abbeyside supporter. To his wife, Nora and the other members of the Leahy family we extend our sincere sympathy.

Don't forget this Sunday the 31st of August is our Annual Fun-Day and Bar-b-Que., which takes place at our club grounds in Clogherane - the afternoons fun and games get underway at 2.00 pm. and here most certainly is a packed schedule lined up for the evening, beginning with ball rules, sprints egg and spoon races for both Children, and adults.

# Tony Forristal Tournament Festival of Hurling

The annual Tony Forristal Tournament is upon us once again and this week-end 18 county teams plus the hurling folk from around the country will travel and assemble in Waterford city for this wonderful Festival of Under - 14 Inter-County hurling. It started back in 1982 and is in memory of the late Tony Forristal and Sonny Walsh. Now in its 22nd year, it has become well established and is extremely popular with all the participating counties.

A feast of top class entertainment and excitement awaits, free of charge, those who come along to attend, commencing at 11.00am on Saturday. A total of 25 inter-county games will take place on Saturday, involving 432 young players, the cream of Ireland's hurling youth. The two finals will be played at Walsh Park on Sunday morning.

Sponsored by Waterford Crystal and with generous financial assistance from the GAA at Croke Park, the event is organised locally by a small band of Waterford people. This festival of hurling has made a massive contribution over the years, to the development and promotion of under-age hurling in 20 of our counties across the land. Both Tony Forristal and Sonny Walsh would be extremely proud with its success and vital contribution to youth since 1982.

Larry Quinn: One man who will be sadly missed this year will be Larry Quinn, who unfortunately passed away suddenly last February. Larry was one of the founders of the Tournament and had been its committee secretary and chief driving force for the past 21 years. This week-end, we remember Larry in a special way and we know that this annual Festival of Hurling will continue to be a vibrant memorial to his vision and energy. A spe-

cial Crystal Trophy for the man of the match in the division one final will be in his memory.

I am sure that the hurling people of Waterford will turn out once again in large numbers, as they always do, to enjoy the natural skills of our young people. Here in Waterford on Saturday next, 432 of Ireland's top young hurlers will represent their counties with pride and passion for their first time. Here new hurling careers are launched, the stars of the future unveiled. Most of the present-day hurling stars first wore their county jersey at the Forristal Tournament in Waterford City.

Let's take a brief look at a few. Billy O'Sullivan and Conal Bonnar in 1983, D.J. Carey, Ciaran Carey, Johnny Brenner, Adrian Ronan, Brian Greene in 1984. Pat O'Neill, Charlie Carter, Joe Quaid, David Fitzgerald, Brian Lohan, Conor Clancy and Gerard McGrattan in 1985. Tommy Dunne in 1987. Paul Flynn and Tom Feeney in 1988. Liam Cahill, Paul Codd, Niall Gilligan in 1990. Rory Gantley, Alan Markham, Diarmuid O'Sullivan, Wayne Sherlock in 1992. That is only a sample.

There were hundreds more. **COMPETITION FORMAT 2003**  
A total of 18 county teams will participate and operate in two divisions; with 10 teams in division 1 and 8 teams in division 2.

In division 1 there will be 3 groups, four teams in one and three teams in the other two groups. Within each group the teams will play each other. The top team in the group of four will go straight to Sunday's final. The top team in each of the other two will clash in the semi-final.

In division two there will be 2 groups of 4 with the top team from both qualifying for Sunday's Final. Last year Limerick

won division 1 and Offaly won division two.

A free 12-page Tournament Programme, containing all the details will be available at all the venues. So just pick up your programme, select your games and see as many as you can.

## JUNIOR HURLING CHAMPIONSHIP

# Kilgobinet Too Strong For Ballyduff

## KILGOBNET 1-15 BALLYDUFF 2-6

Played on Sunday last at sundrenched Cappoquin, Kilgobnet who are on everybody's short list for outright honours remain on course after a six point victory over a gallant Ballyduff outfit who made a real fight of it particularly in the first half. The game itself was close and entertaining although Kilgobnet were guilty of many misses when it came to score taking, Ballyduff hurled well and must have fancied their chances at half time, despite being a point in arrears 0-8 to 2-1. They faced into the second half assisted by the breeze. Kilgobnet upped it in that period and their overall

craft hurling skill carried the day. The Bohadon men entered the fray without the services of Kevin Walsh, injured and holidays robbed them of the services of Raymond Lynch and Paul Reddy. They drew on their Junior B squad which will somewhat weaken that outfit. Ballyduff were well serviced by A. Power (goalkeeper), Michael Walsh, S. Cunningham, J. Kearney. In Brian Dunford, Kilgobnet had the man of the match. He gave a power house display out centre back, while others to shine were Peter and Vincent Lynch. Although he made an appearance as a temporary 'blood' substi-

tute it is a major boost to Kilgobnet to have Michael Hurley back in the ranks after a three year lay off due to injury. In young Tomas Fahey they have found a fine marksman and his personal tally of 1-5 was a rewarding afternoons work. Other scores for Kilgobnet were Michael Walsh 0-3, Tomas O'Brien 0-2, Brendan Lynch 0-3, Alan Fitzgerald and Mark Radley 0-1 each.

Ballyduff's scores were Jamie Kearney 1-3, Sean Cunningham 1-0, K. Martin 0-2, M. Walsh 0-1.

Kilgobnet: J. Walsh, K. Byrne, J. Byrne, E. Cullinane, P. Lynch, B. Dunford, V. Lynch, D. O'Brien, M. Flynn, B. Lynch, T. O'Brien, A. Fitzgerald, T. Fahey, M. Radley, M. Walsh. Subs used: S. Fennell for J. Walsh.

Ballyduff: A. Power, R. Whelan, E. Molumphy, W. Power, B. Barry, F. Finn, S. Mills, J. Hickey, S. Cunningham, K. Martin, D. Flynn, J. Kearney, S. Feeney, M. Walsh, J. Barry.

Referee: P. Casey, Cappoquin.

Both teams had a Michael Walsh on their lineouts and were worthy of their selection. The two displayed all the guile and craft of years of experience.

# KILL G.A.A. NOTES

## SENIOR FOOTBALL LEAGUE

Last Saturday evening, 16th August we traveled to Leamybrien to take on Ballinacourty in the quarter final of the championship. On a glorious evening, we took to the field, confident of reaching the semi's for the first time in over 25 years. Our opponents got off to a better start and went in to an early 3 point lead, but the lads rallied brilliantly to go in front for the first time mid-way through the half. At this stage our midfield and half forwards were rampant and when Anthony rattled the net it looked good for us as we led 1-7 to 0-7 at half time.

The second half started like the first ended with an early point from Ray, alas, it was to be our last score of the match as Courty dominated the rest of the proceedings.

The sending off of Ray mid-way through the half didn't help matters as our injury toll took it's toll as we faded badly having given everything for the first 40 minutes.

Final score: Kill 1-8 Ballinacourty 1-13.

Team: J. Kiely, Brian Mooney, M. Ahearn, Brendan Mooney, Peter Torpey, F. Whelan, T. O'Regan, M. Hennessy, P. Kirwan, N. Hennessy 0-1, A. Kiely 1-2, R. Hennessy 0-3, S. O'Regan, D. Power, A. Lennon 0-2. Subs: L. Lannon, A. Whelan.

All is not lost now, so we return to the Losers Group where we play old rivals Kilrossanty. It has been a while since these two have met in the championship, so a good game to look forward to. No date has been fixed as yet.

## INTERMEDIATE HURLING

Six days later we traveled to Portlaw to meet neighbours Dunhill in the 3rd round of the championship. Won 1, lost 1 is the way we stood coming into this vital match, so a win needles to say was essential.

However, a bad start left us 10 points down in as many minutes and try as we might for the remainder of the game, we could not claw our way back. At one stage we were within six points but a Dunhill goal killed our challenge and so we travel to Walsh Park this Saturday to face the mighty Ballygunner in a do or die match. Throw in is timed for 6pm and a big all round improvement is needed if we are to remain in the championship.

Keep the heads up lads now is the time to fight for the cause.

Team: A. Whelan, Brian Mooney, L. Lennon, Brendan Mooney, T. Regan, A. Kirwan, F. Whelan, P. Kirwan, M. Ahearn 1-1, P. Torpey 1-0, A. Kiely 0-1, N. Hennessy, A. Lennon 1-6, M. Hennessy, S. Regan.

Subs: N. Mulcahy, A. Power, J. Kennedy.

# Juvenile GAA News from the Deise County

The coming weekend is going to be a very busy one for the county under 14, 15 and 16 hurling teams. The Annual Tony Forrester/Sony Walsh Tournament will take place this weekend in Waterford City. Waterford have been drawn in group 'C' along with Clare and Galway in Division one. The winner of the group will play the semi final of the competition on Saturday evening against the winners of group 'B' team in the Tony Forrester/Sony Walsh Competition. Division two has eight teams involved. The winners of the two groups will meet in Sunday's final.

Over the years some of the best inter-county hurlers playing today have come through this tournament. For the players competing in this year's tournament it is their first chance to play competitive inter-county hurling. Many of the players taking part in this year's tournament will go on to play for their county in the future. Games this year will take place at the usual venues, the Waterford Crystal Grounds on the Cork Road, the De La Salle and Roanmore Club Grounds at Clayboy and the Mount Sion Club Grounds.

The Waterford Under 15 team are also in action on Saturday. They will travel to Carrigaline to play in the Carraigdoun tour-

namment. Waterford have been drawn to play against Tipperary in the first game at 10-50am. An hour later they play Limerick and at 12-50pm. Waterford play Cork. Should Waterford reach the final, they will play in Carrigaline at 3pm. The Waterford Under 16's travel to play in the Arrabawn Tournament in Thurles. Waterford have been drawn in the same group as Galway and Tipperary.

### Under 16 Hurling

The Division one and Two Finals of the Waterford Supporters Club - Dublin Branch County Under 16 Hurling Finals took place in Walsh Park on Saturday last. The division one final was between De La Salle and Abbeyside. De La Salle qualified for the final after they defeated Lismore in the semi finals while Abbeyside had a win over Mount Sion in their semi final. The city side were leading 1-5 to 0-5 at the break, the goal coming from a penalty by Craig Moloney.

For 25 minutes of the second half De La Salle were in complete control. However with five minutes to go Abbeyside started a brave fight back. Jason O'Mahoney and Jason O'Brien scored two late goals. At this stage it looked as if there was going to be repeat of the Division One football final earlier this year when the same two

sides met. On that occasion Ballinacourty hit a late, late goal to draw the game. Unfortunately it was not to be this time around as time ran out for the Abbeyside side who were two points down at the sound of Dessie O'Leary's full time whistle.

The division two final saw the meeting of Dunhill/Fenor and St. Olivers. At the break it looked as if the Dunhill/Fenor side were going to have a run away victory, as they were 1-8 to 0-5 in front. Power scored the goal on 18 minutes for Dunhill/Fenor.

One minute into the second half Alan Quilty scored a second goal for the Dunhill/Fenor side. They were now in total control going nine points in front. The St. Olivers but it was not enough as the Dunhill/Fenor side ran out winners 2-15 to 3-6.

The division three final will be between Brickeys who beat Fournilewater in their semi finals and Ballyduff who beat Clashmore. The division four final is between Stradbally and the winners of the An Gaeltacht and Kilrossanty semi final which was played last night in Bushy Park.

Because the county under 14, 15 and 16 teams are all in action this coming weekend, the county finals cannot go ahead this coming weekend. The games will most likely take place the following weekend with Cappoquin the most likely venue, as it will be four Western teams that will be involved.

### Player of the Team.

After each game on Saturday a player from each side was picked as player of the team. Stephen Power was picked as the De La Salle player and Jason O'Brien was picked as the Abbeyside player in the division one final. In the division two final Simon Kane of Dunhill/Fenor and Brian Phelan of St. Olivers chosen as the players of the team.

The Lawlors Hotel western under 14-football championship continues this Monday evening with games in the fourth round of this years championships. This weeks fixtures are as follows, Ballinacourty V Clashmore at Abbeyside, Dungarvan V Nire in Dungarvan Club Grounds, Affane B Naomh Brid in Cappoquin, Kilrossanty V Cois Bhride in Leamybrien, Lismore V Stradbally in Lismore, St. Olivers B Ardmore in Aglish, Ballyduff B An Gaeltacht. With the evenings getting darker that little bit earlier all games will from now on begin at 7-00pm.

There is some back games to be played in this years championship. These games will take place on Friday September 5th at 700pm, unless it has been agreed between the participating clubs to play before this date. Games to take place on this date are Nire V Brickeys in Ballymacarby, Stradbally V Affane in Stradbally and the Lismore and Affane game has also to be pencilled in.

### Under 12 Football

Round Five of the Comeragh Oil under 12 football championship goes ahead this Friday evening. Games are fixed for 7.00pm. From time to time the start time of games may have to be changed to accommodate adult games which may also be fixed for the home teams ground on the same evening.

Fixtures for this Friday evening are as follows. Kilrossanty Van Gaeltacht in Leamybrien, Ballinacourty V Naomh Brid in Abbeyside, Brickeys V Nire in Bushy Park, Clashmore B Lismore in Clashmore, Dungarvan V Stradbally in Dungarvan, Ballduff V St. Olivers in Ballyduff. This is the last round of games. All games should be played by Friday evening at the latest. After this Friday's round of games the semi final fixtures will be drawn up for the following weekend.

With Fraher Field not open for another few weeks, this years under 12 football finals will take place on Saturday September 13 in Kirwan Park, Touraneena.

### Sympathy

Sympathy is extended to Noreen Prendergast, Kilrossanty and to her family on the death of her mother last week.

### Change of Fixtures

Because the County under 16 division two and three finals are likely to be played on Saturday September 5, there is likely to be some changes to the opening round of games in the Western Championship which starts the same weekend.

### WATERFORD U/21 FOOTBALLERS:

#### MUNSTER SEMI/FINAL:

This game is scheduled to go ahead this Thursday evening. It has not been easy to keep this Team focused and prepared due to numerous cancellations by Cork. We wish all those involved the best of luck and hope they can reach a Munster Final.

### WATERFORD LADIES

The Seniors play Mayo in the Quarter Final this Saturday 30th of August in Ennis. Mayo having won three out of the last four All/Irelands will provide tough opposition for the girls and will fancy their chances. We wish the best of luck to the Deise Girls.

### SUMMER CAMPS

Last week saw the conclusion of the Hurling and Football Camps in the West of the County for another Year. Once again Camps were well attended and numbers were up in every Venue. Thank you to the Clubs for their help and Co-operation during the camps and finally to all the Coaches who coached well done.

## Senior Co Championship

Our senior hurlers travel to Cappoquin on Saturday evening next for our vital clash with Ballyduff upper. After our great victory in the first round we now have to do it all again. Ballyduff have some fine players lead by County Star Tom Feeney, backed by the ever-green Paudie Prendergast who looks as fit as ever. They will be a tough nut to crack but I feel our team is good enough to do it and having finally gotten over the first round I feel that we are good enough to reach the semi final, and after that anything can happen. The attitude has to be right on the night and we have to believe that we can win. We have players on our team who would hold their own with any player in the County. All that is needed is self-belief and self-confidence. A win here would work wonders for hurling in the area and it would be a reward for all the work that's being done at present both at administrative level and on the field. We hope to have huge support in Cappoquin on Saturday next as this team really deserves the support and hopefully we will get that victory in the other games. Mount Sion play Lismore in Leamybrien on Sunday night. That should be some game.

Ballygunner play Della Salle in the other winner section match.

## Minor Hurling

FMW minor hurlers qualified for the Western B final when they defeated Clashmore in the semi final in Cappoquin last Wednesday night. The final score being 0-12 to 0-9. This was a close encounter throughout and both sides seemed off of their game a little. Derek Morrissey opened the scoring after two minutes with Clashmore equalizing with their first attack. Fourmile did a lot of pressing but had a lot of wides.

The first half was even with the score at half time being 0-4 each. Pat Walsh scored from a free shortly after half time. We led 0-8 to 0-5 after ten minutes and seemed to be pulling away a bit but Clashmore came back with two points. It was very close until the end with FMW just about deserving their victory. We now go on to a Western final meeting with Briceys who have already beaten us and if we are to be honest, we have to improve on Wednesday's performance we are to win the title but we can do it.

Scoreers P. Walsh 0-7, D. Morrissey 0-2, T.O'Gorman 0-2, L. Lawlor 0-1

Team J. Ryan, D.O'Gorman, D. McGrath, M. Whelan, J. Gleeson, Maurice O'Gorman, Michael O'Gorman, Liam

Lawlor, T. O'Gorman, E. Wall, P. Walsh, D. Morrissey, M. Moore, S. Lawlor, S. Byrne.

Subs E. Morrissey, P. Ryan, P. Flynn, L. Whelan, D.O'Grady, L. English.

Mentors Tylor Walsh, D. Spellman, Alan Watts, Tommy Sullivan was the referee.

## Camogie

Well done to Waterford U/16s who won All-Ireland honours recently when they beat Armagh. It's great to see the ladies winning this title and it's the first one that we have won. Comogie is getting stronger in the County with new clubs springing up. It would be great to see some kind of effort being made in the Fourmilewater/Nire area. Surely we could put a few teams together. Anyone interested in giving it a go? There is no reason why it cannot happen.

Question: Who captained FMW when they won the intermediate County title in 1979?

## Senior Hurling

Fourmilewater 1-14 Cappoquin 3-4

FMW juniors advanced to the 2nd round of the championship with a hard fought victory against Cappoquin in Touraeneena on Friday night last. This was a good performance by this team and they can go all the way.

Scorers Michael Ryan 1-1, C. Ryan 0-4, P. Walsh 0-4, M.O'Grady 0-2, D. O'Keefe 0-2, R. McCarthy 0-1.

Team Colm Coffey, Mike Walsh, Ronan Ryan, James Gough, John O'Gorman, J.J. Walsh, Shane McGrath, Roger McCarthy, Michael O'Grady, Pa. Walsh, Mike Guiry, Simon Wall, Dick O'Keefe, Michael Ryan, Conor Ryan.

Subs Joe Whelan, Michael Moore, Tommy Wall, Maurice O'Gorman, Martin Conroy, Michael Butler.

P.S Sub Joe Whelan changed the game when he came on. We were leading by eight points when he came on and we ended up winning by four. Our millionaire manager has said that he will put the whole team on the transfer list and buy in a new team if things don't improve.

## Lotto

No outright winner on Saturday 23rd August. The numbers were 2,6,8. 5 euro30 winners Alan White C/O Melodys, Martin Moore Russeltown, Mary Power C/O Pinewood, Brian Whelan Glenanore, Tom Kearney C/O Orel Bar.

## Helmets Wanted

We would like to appeal to anyone who may have any old hurling helmets thrown around the house. We require as many as we can for our underage coaching. We would ask any ex players who are not using their helmets to pass them on as it's all for the good of the club. Anyone who has one could you please drop them in to Alan White or Pat Power. We would be delighted for anything received. So that helmet that you have been tripping over for the past few years could be of some

use to us.

## Underage Training

The underage coaching on Sundays is finished for a few weeks to give the kids a chance to get settled in school. We will send word to the school when it is due to start again. Our thanks to the following, who have helped to date Richard Guiry, Pat Power, Tony Condon, Jim Fenton, Tom Guiry.

## Training

We had a very good training session on Sunday last in the Millfield with the seniors and juniors taking part in a very worthwhile session under the watchful eye of John Phelan. There was also underage training going on so the club was buzzing with life and waiting for Saturday night. It was also good to see the club officers present which is vital. The lads found the warm weather hard to get used to and some of them were "fleach" out at the end.

## SHAMROCK'S G.A.A CLUB NOTES

## LADIES FOOTBALL

Mayo v Waterford at Cusack Park, Ennis  
on Saturday at 3:10pm

It's D day for eight teams on Saturday as the quarter finals of the All Ireland Senior Ladies football takes place featuring double headers at Cusack Park, Ennis and Pearse Park, Longford. At the Clare venue Kerry and Laois get the action underway followed by Mayo and Waterford whilst in Longford it's Galway v Tyrone and Dublin v Monaghan.

It all adds up to the most keenly contested championship ever. Boosted by the back door system, that gives a second chance to the beaten provincial finalists, thus ensuring quarter finals for the first time. For Waterford the task couldn't be more difficult, a clash with the reigning All Ireland Champions Mayo. Mayo have been easily the best team around for the last 4 years, their second of 3 All Ireland titles, and defeat in the final speaks for itself. They have tons of experience and craft laced with good footballers who know how to win a big occasion. The key question is will they have the hunger or will all the success have taken the edge off their game. Saturday will provide the answer. In Denise Horan they have the games top keeper, and the free scoring of Cora Staunton are all household names, yet the key to the Mayo side is probably the Heffernan sisters, Marcella and Christina and they are the two who will have to be marked very closely if the Westerners challenge is to be derailed.

Mayo play a cute brand of possession football. They defend in number and hunt in packs and with the players of this game playing the winners of Galway and Tyrone in the semi final, they will see that tie as a virtual passport to the final, considering their record against the other 2 teams in recent times. Likewise their rivalry with Waterford will probably ensure there is no complacency. Rivalry is fierce and this battle is sure to be no place for the faint hearted. The stakes are high and defeat could spell the end for a number of players on both sides. Over the last couple of years, Waterford's performances have been littered with inconsistency. Brilliant one day, mediocre the next and that has been the situation again this year.

Brilliant in the 1<sup>st</sup> round clash with Kerry, down a bit but adequate against Cork and doing everything but press home the advantage they enjoyed against Kerry in the Munster final on the scoreboard.

In that game, they kicked 19 wides, hit the crossbar twice, the post twice and threw the game away. All this in a year when they have done more shooting practice than ever before. Maybe there was a hint of complacency after hammering Cork and Kerry in the earlier rounds.

Complacency shouldn't be a problem on Saturday, they know exactly what they are up against. Neither showed fitness, they have had 72 sessions comprising of 18 matches and 54 training sessions since last February. Indeed sessions in Dunhill have been replaced by outdoor work at such venues as the Friary College, Bushy Park, Colligan, Clashmore, Ring, Ballymacarbry, Tramore and Walsh park.

The season began with a challenge away to Galway on the 25<sup>th</sup> of January and this was followed by an indifferent league campaign, victory over Laois and Meath, mixed with defeat at the hands of Donegal, Dublin and Tyrone led to a play off with Meath at the Fraher Field when Meath reversed the earlier result with a 2-10 to 3-6 victory. That led to 14 weeks without a competitive game but some serious training and challenge games against Laois and Galway and Waterford were ready for a first round championship clash with Kerry at Walsh Park on Saturday, 5th July. On the day the Kingdom had no answer and were lucky to escape with a 9 point defeat on 2-17 to 2-8 scoreline as both their goals came on the closing minutes. Waterford were very definitely down a match against Cork at Pairc Ui Rinn and although they won easily 2-18 to 2-6, some of the fluency of the first round was missing. Clare gave Waterford a walk over and Kerry claimed their place in the final after defeating Clare and Cork and Pairc Ui Rinn hosted the final on the August Bank Holiday Monday. Waterford were everywhere but where it mattered, on the scoreboard and Kerry on a 2-12 to 2-00 margin captured their first provincial crown in 10 years. Over the last 4 weeks, Waterford have worked on this to eradicate the problems, they played two challenge games against the Cork minors and Laois, registering big wins on both occasions. They shot 5-17 to 0-12 for Laois and if their forwards have their shooting boots on then they have every chance against Mayo.

Of course it's not just about shooting, each of the defenders have to be on song, they can't allow Mayo to get possession and then try and stop them. Mayo don't like being

## C.L.C.G. COIS BHRIDE

### U16 HURLING

Cois Bhride U16 hurlers made their exit from the county section of this competition last Wednesday night when they were beaten by Dunhill/Fenor. In the first half Cois Bhride played some good hurling and were a point down at half time. In the second half however Dunhill got the scores at vital times and ran out winners. The Western section will be starting in early September and the first game is v Fourmilewater at home.

### SUMMER CAMP

Cois Bhride football summer camp took place last week. With almost 80 boys and girls taking part the camp was a huge success. All the participants really enjoyed the competitions and skill work and were glad to receive their medals at the end. Thanks again to the great work and effort put in by Jim Baron, Marion Troy, Jamie Barron and Tomas Goulding who was called in at the last minute.

### U21 CHAMPIONS

Congratulations to Tallow/Shamrocks U21 hurlers who won the Western final on Sunday evening last. This was a great game of hurling and showed the character of the team who won by 4 points, 3-11 to 2-10.

### UNDER 12 FOOTBALL

Our Under 12 footballers played their 3rd game in the Western competition on Tuesday last the 19th, against St. Olivers. After a great game of football played by both sides all present were sure Cois Bhride had won. To the amazement of both players and mentors it transpired that St. Olivers won and this qualifies them to go through to the final while Cois Bhride have to be satisfied with a place in the semi finals. Cois Bhride players can take comfort in the fact that they played their best game as a team so far in the competition and may still get their deserved place in the final.

The team was as follows: A O'Riordan, A. Pratt, T.McGrath, D.Hartnett, D. Hennessy, P. O'Connor, J. Leahy, Steve Barry, B. McCarthy, S. Roche, T. Daly, E. Roche, Ed Lonergan, Aine Condon, R. Barry, T. O'Neill, S. Lucey, D. McElroy, S. Barry, R. O' Sullivan.

**SENIOR HURLING CHAMPIONSHIPS CONTINUE**

# Twelve Teams In Action Over Weekend

For three of the twelve senior hurling teams who will be in action in the county on Saturday and Sunday it will mean the end of the line as far as participation in the championships is concerned. One of the losers in the losers section will be relegated and two will be back again next season.

The three losers in the winners section will have another chance and this effectively means that all the top contenders will be able to continue, regardless of how they fare here.

**Lismore v Mount Sion**

This is probably the most attractive hurling tie of the weekend, particularly because of their respective records when they clashed over the past couple of years.

Two seasons ago when Lismore and Mount Sion met in Fraher field, the game finished in an exciting 1-13 all draw. They teams were still level at the end of the replay so extra time had to be played to decide which club would go forward to meet Ballygunner in the county final. Lismore were the worthy survivors on a 4-19 to 3-13 scoreline.

The clubs did not meet in the championship last year, but in the county semi-final after a whale of a game, Ballygunner who were the reigning county champions survived a Lismore challenge by a single point 2-13 to 2-12. It was pulsating stuff.

A lot has happened since Mount Sion went under to Lismore. We have won the Munster championship and played in the All Ireland semi-final. Players from both camps were colleagues on the county team. Here they will be in opposition.

Ten days ago, Lismore showed splendid form when accounting for Portlaw in the

championship and on the following evening, county and Munster champions Mount Sion, struggled to tie with last season's intermediate champions Ardmore at Cappoquin. I'm sure that Mount Sion have since tried to find the answer to the above and will now do some reorganising and try to get the memory out of their system and restore their reputation as the favourites to retain their title.

With Tony Browne, Ken, Roy and Eoin McGrath, Eoin Kelly, Brian Flannery, Brian Greene, Kenny Stafford, Sean Ryan and company all realising that two championship defeats in a row (while not putting them out) would seriously injure their status, they will make one super effort to beat Lismore here.

It is not easy to assess the value of Lismore's display against Portlaw.

There was such a gap in standards that Lismore can have learned very little here. One thing is sure, however, and that is that one of their players told me some years ago that Mount Sion always bring out the best in Lismore. I believe this to be true.

In goalkeeper Brendan Landers, James O'Connor, Dan Shanahan, David and Eoin Bennett, Sean Daly, John Heneghan, Billy Cunningham, the Prendergast brothers, Pat Fennessey, etc. Lismore will feel capable once again of beating the champions.

It is not an easy game to call except to repeat that it will be a thriller and a game well worth seeing.

**Ardmore v Roanmore**

This game is listed as a curtain raiser to the big game in Leamybrien.

I do not recall having a senior

hurling programme of this status ever being played at the Kilrossanty headquarters and I can imagine seeing the ground filled to capacity on Sunday evening.

**Special Parking.**

The club have organised extra parking in a field leading to the ground and this will be well stewarded and it will be free.

Ardmore following their splendid showing against Mount Sion ten days ago, will be favourites to win here.

Roanmore on the same evening scored a mere 5 points against Ballygunner and certainly did not look impressive. The five scores were registered by five different players.

I believe that if Ardmore can raise their game to the level which saw them draw with Mount Sion, they can win fairly comfortably.

**Ballygunner v De La Salle**

This tie will be played at Walsh Park on Saturday evening and will be another of the top class contests of the second rounds.

Ballygunner defeated Roanmore ten days ago without looking impressive.

A feature of the game was the fine display of Fergal Flynn who has transferred from Clare. A former Clare player, the new addition hit over three class points. Paul Flynn did not feature among the scorers for the 30 minutes that he played in the game. Ballygunner are yet another side who perform best when opposed by quality opposition.

Here the opposition, De La Salle, will test the Gunners and while I do not anticipate an upset, it will be very close. John Mullane and R. Murphy (as well as county goalkeeper Stephen Brenner,) are the players likely to trouble Ballygunner here.

I understand that this tie has now been changed from Saturday to Sunday afternoon and that Fergal Hartley who missed the Roanmore game, will be back for Ballygunner.

**Ballyduff West v Fourmilewater**

This game at Cappoquin is

another senior hurling tie that is not easy to call. I was quite impressed with Fourmilewater's display against Ballyduff East in Leamybrien ten days ago. They showed great hunger for the game and played very nice team work.

Their danger men are Shane Walsh, Dave Spellman, Liam Lawlor, Brian Wall, Ger Walsh, David Ryan, Rory Rice, etc.

Ballyduff West played well enough to see off the challenge from Stradbally and had 7 points to spare at the end of their game in Ardmore last Sunday week. In this grade they are more experienced than the Ballymac' side and this may be a factor in the end. In their last match they played county full-back Tom Feeney in the centre half forward position where he teamed up very well with Brendan Hannon John Twomey and Brian Kearney and company to figure in the scoring.

**Ballyduff East v Tallow at Stradbally**

Tallow, I think, are the more skilful side and the spacious

Stradbally ground will suit them more than their eastern opponents.

Both these teams lost in the first round. Tallow were surprisingly defeated by De La Salle and Ballyduff East had to give best to an eager Fourmilewater. This tie can go either way and with a battle to stay senior on their hands the losers will pay a price for defeat.

Tallow in full flight may just survive, but not until they have survived a very tough encounter.

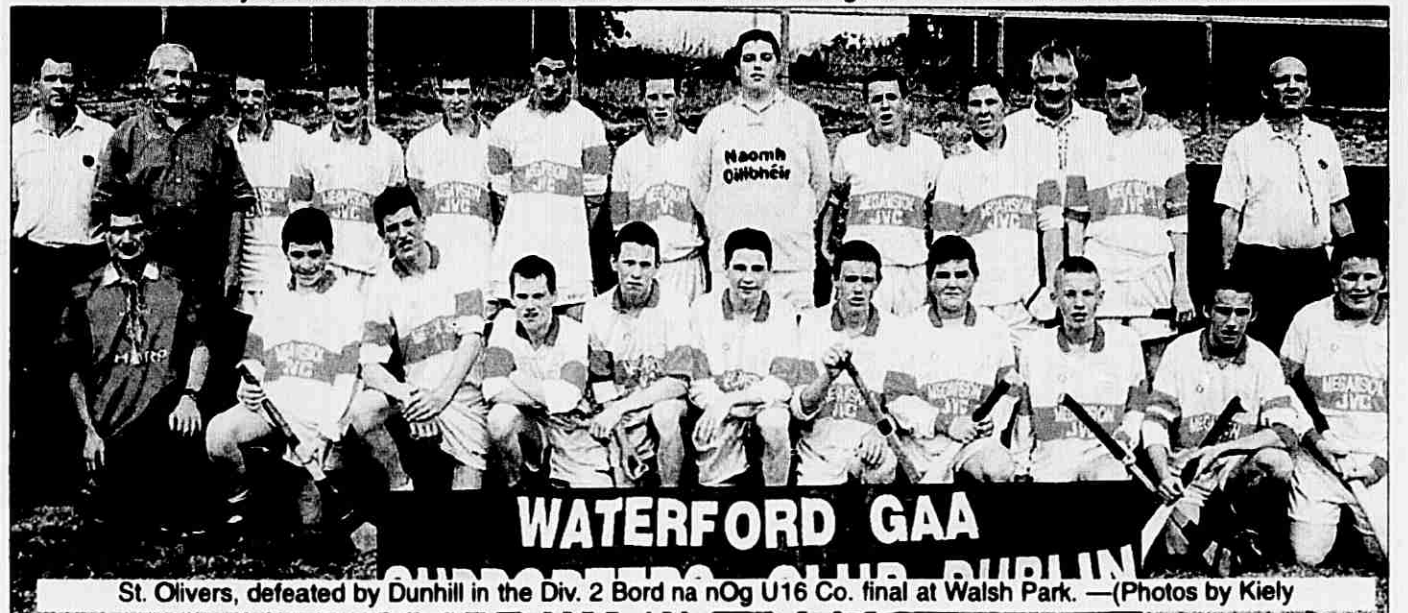

**Stradbally v Portlaw At Kill**

Neither of these teams impressed very much in their first rounds, but Stradbally did show more potential than Portlaw who were heavily defeated by Lismore. Going on their form over the last two seasons, I would rate Stradbally to be a better team in this contest. They certainly have better scoring forwards and I give them the vote to advance.

This is the only game listed for Kill on Saturday evening

Abbeyside who lost to De La Salle in the Div. 1 Bord na nOg Under 16 Co. final at Walsh Park.

## Under 21 Football v. Cork

At long last this game which has been messed about because Cork had asked for postponements on two occasions, will be played at Walsh Park on tomorrow, Thursday evening.

Because extra time may have to be played, the match is fixed for 6-30 p.m. It is not to our advantage that the fixture has been dragged out after we having twice 'peaked' for the semi-final.

This does not mean that we are not in with a chance. Our chances will be improved if a big crowd turn up to support the team.

After doing so well against Clare (150 minutes of championship football), a win here would certainly give a huge boost to football in the county.

A full meeting of the Munster Council is scheduled to take place in the new dressing rooms at Walsh Park, following the game tomorrow evening.

UNDER-21 HURLING FINAL

# Tallow Retain Western Title In Splendid Contest

**Tallow 3-11  
Abbeyside 2-10**

This was a contest worthy of both clubs and a game that saw some top class hurling from both teams.

It was a game that saw the Tallow/Shamrocks combination come from behind in the closing minutes to snatch victory from the challengers Abbeyside who led up to the 56th. minute.

Abbeyside who were the younger team, missed a few vital scoring chances, but at the end of the day, the more mature Tallow/Shamrocks team just about deserved to retain the title.

From a neutral point of view it was a good exhibition of hurling in the grade and the winners here must be fancied to take another county championship and retain their title.

**PLAY**

Peter Phelan had an opening point for Abbeyside in the first minute and corner forward Brian Harnedy replied with a goal for the champions in the 3rd minute.

Declan Fives shot an Abbeyside point and Paul O'Brien replied from a free. Mark and Declan Fives had Abbeyside

points and Paul O'Brien pointed for Tallow/Shamrocks. Colin Geary had another for the champions. An exchange of points involving Mark Fives and Paul O'Brien came before Simon Hanrahan hit home Abbeyside's first goal in the 21st. minute.

Successive scores by Declan Fives, Mark Fives and Mark O'Gorman made the score 1-9 to 1-3 in the 29th. Minute. Paul O'Brien pointed a free to leave the state of play at 1-9 to 1-4 at the break.

**SECOND HALF**

A Paul O'Brien goal that came from a sideline ball in the 32nd. minute was followed with a Declan Fives goal in the 42nd minute (2-9 to 2-4).

At this stage Tallow/Shamrocks took a grip on the game and scored five points without reply.

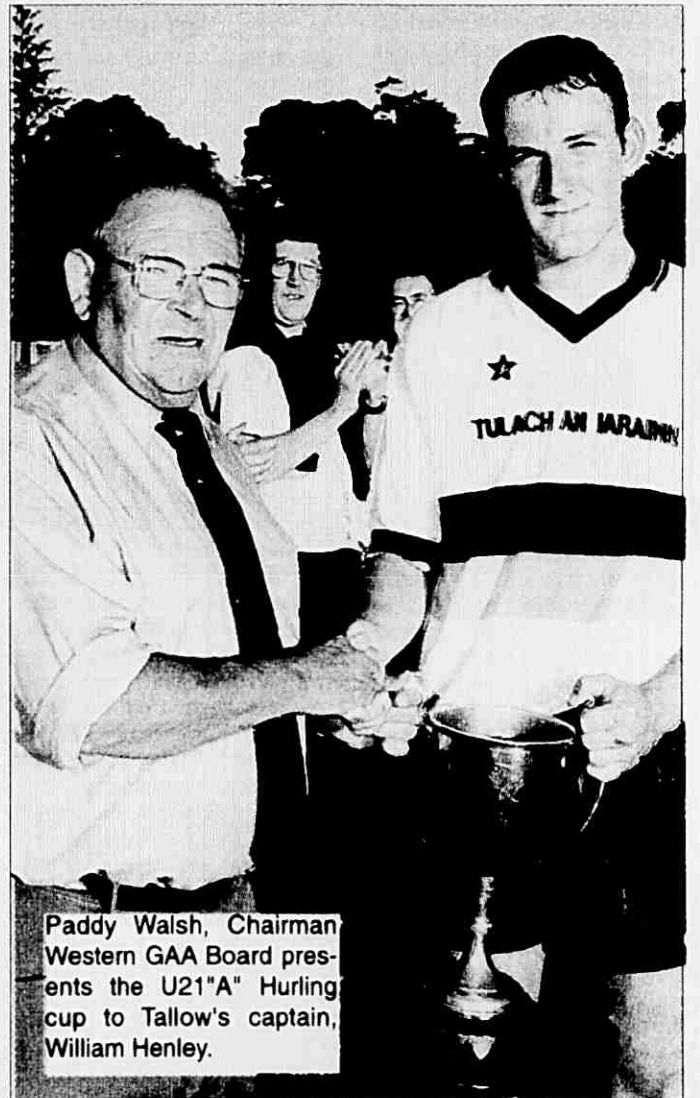

Patrick Hurney scored an Abbeyside point in the 50th. minute to restore their marginal lead, but points by Dan O'Neill, William Henley and a late, late goal from a long range strike by substitute William Curley, ended the

hopes of the challengers and put Tallow/Shamrocks into the county final.

## SENIOR FOOTBALL CHAMPIONSHIP

# Kilrossanty Defeat Dungarvan In Game Of Contrasting Halves

## KILROSSANTY 2-17 DUNGARVAN 0-9

Playing against the breeze in the first half at Stradbally, the challengers, Dungarvan managed to stay within 3 points of Kilrossanty, mainly through the splendid kicking of midfielder Seamus Cunningham who booted over the teams five points during this period.

On the other side Joey Veale was responsible for 4 of Kilrossanty's 8 scores. It was lively and splendidly contested and trailing by only 3 points, Dungarvan must have felt quietly confident when going in at the break.

But the second half was so very much different as within five minutes of the restart, Kilrossanty took a firm grip on the game while Dungarvan were on the defensive for most of this period.

## PLAY

Paul Prendergast put Kilrossanty in front with a point from play in the 7th minute. Joey Veale had two further

points to give them a lead of three.

Seamus Cunningham, who was 'lording' it in the middle of the field then scored four unanswered points to take Dungarvan by the lead in the 18th minute. Points by Matty Kiely and Joey Veale regained the lead for Kilrossanty. In the 21st minute Seamus Cunningham kicked over his 5th point and Kilrossanty responded with points by Joey Veale, Matty Kiely and Kieran Lonergan to leave the state of play at 0-8 to 0-5 at the break.

## SECOND HALF

Seamus Cunningham narrowed the gap when scoring his 6th point but back came the Comeragh side for points (2) by Matty Kiely to give them an 0-10 to 0-6 lead in the 35th minute.

Two minutes later Seamus Cunningham had his 7th point and remained the only Dungarvan player with his name on the scoreboard.

In a purple patch Kilrossanty scored 2-6 without reply between the 38th and 54th minute. The goals coming from Matty Kiely 51st minute and Stephen Prendergast in the 52nd.

At this stage the game was over as a contest but Dungarvan hit back for points by Keith Radley (2) while Kilrossanty had scores from Brian Lannon and Jacko Kiely.

On the basis of this display, Kilrossanty cannot be counted out of contention. They certainly showed a huge improvement on form from their display against Tramore in the opening round.

## WESTERN BOARD CHAMPIONSHIPS

A programme of important and attractive championship ties for western clubs is also scheduled for the weekend and with results in all games, excellent progress can be reported.

It is an all hurling weekend that will see at least four intermediate and a similar number of junior championships decided at various venues in the division.

### Colligan versus Shamrocks at Lismore

This Saturday evening tie will see two of the stronger intermediate hurling sides in opposition.

In the first round Shamrocks had a comprehensive win over An Rinn scoring 1-13 as against 1-3 for the Gaeltacht team. County player Eoin Murphy contributed 0-8 of the Shamrocks total.

Colligan in their first round game, although the better team, were a trifle lucky to emerge winners on a 1-13 to 0-13 scoreline against the 2002 county junior champions, Geraldines on the same weekend.

Here the team would seem to be well matched and with little difference in standards. Maybe the Knockanore team led by Eoin Murphy, Liam Dalton, Dan Casey, Tom Hickey, John Baldwin, Dan O'Neill, Padraigh Tobin and company will start slight favourites

### St. Mary's v Abbeyside

This game is scheduled for Sunday and will be played in Cappoquin between the two

first round winners.

St. Mary's who drew with Dungarvan in their first match, won decisively in the replay are reported to be concentrating on the small ball game this year. On their form in their last match the Touraneena side appear to be on a par with the best teams in the championship.

Abbeyside reached the western final last year and disappointingly for them, their display against Ardmore was poor.

This year they struggled against Clashmore before scoring a three points victory. Here they will have to field without Brian Hayes, James Keogh and John Foley, all of whom have left on holidays.

In the circumstances, Abbeyside can find themselves in difficulties in trying to stay the pace with St. Mary's.

### I.H.C. Lismore v An Rinn In Colligan

Lismore, who really stole a march on Cappoquin in their replay last Saturday, will take on the Gaeltacht side in what might be a close contest at the Colligan grounds on Saturday evening.

Lismore seem strong in both senior and intermediate grades and this points to the strong panel of adult players in the club at the present time.

An Rinn weren't at the races against Shamrocks and losing there by 0-10 points (and scoring a miserable 1-3 over the hour), they certainly did not show their true form.

They will need to be all out here if they are to stay in the race for the championship title.

It is a game that they can win if their full team play to form.

### I.H.C. Dungarvan v Cappoquin At Colligan

This is an evening match at the venue and it will be the first meeting between the same clubs in a very long time in this grade. Dungarvan lost out to St. Mary's in a replayed first round while Cappoquin having defeated Ballysaggart by 2-14 to 2-8 were caught in a draw with neighbours Lismore and lost this under disappointing circumstances last weekend.

I see it as a very close game that will probably go down to the wire. With two recent games under their belts, Cappo-

quin may prove to be the fitter team and this may make the difference.

### Junior Hurling

Four matches are down for decision and all are timed for 6-30 p.m. on Friday evening.

Modeligo will be fancied to beat An Rinn's second string in Abbeyside and I believe that Fourmilewater will prove too strong for Colligan when the sides meet in Bohadon.

It will be a major shock if Tourin fail to defeat Abbeyside's second outfit when they clash at the Cappoquin venue.

Ballinameela, will play Brickey Rangers in Ring and here the vastly improving Brickey Rangers hurling squad, may prove too much of a hurdle for Ballinameela, whose team will include a number of St. Oliver players.

### Minor Hurling 'A' Final

The division 1 final of the minor hurling championship involving Abbeyside and Lismore will be played at Cappoquin venue on this Wednesday evening.

So far this championship has been very competitive with some splendid games having been played.

With the contestants more or less of the same standard, this will be a close contest.

### Minor 'B' Hurling final

With Fourmilewater having defeated Clashmore by 0-12 to 0-9 and Bricked Rangers winning 2-16 to 1-4 against St. Oliver's, the scene is now set for this final which is likely to be played on Wednesday September 10th.

The many other championship games played over the weekend are covered in the respective club notes.

## PRESIDENT'S PRIZE

The President's Prize, kindly sponsored by Nicholas Fitzgerald, was played for over the weekend and with ideal weather conditions, the course in immaculate condition, the biggest entry ever, everything was set up to make this one of the best golfing competitions ever held in the club. The qualifying rounds on Friday and Saturday produced some wonderful golf with Ian Veale leading the field with a great score of 44 pts. Tom Walsh had 43 pts and Tom Moore was on 42 pts. Another eight player scored 40 or more and with another dozen players on 38 or better, all was set for a thriller on Sunday. The cut was 33 pts and 69 golfers made it through. Early reports from the course were that Thomas Larkin, Ian Veale, Niall Daly Tom Walsh, Michael Wall, Martin Walsh and Jim Whelan all turned well and were still in contention. Just after 4.00 p.m Thomas Larkin finished with a score of 42 pts and this added to his previous 38 pts gave him an overall total of 80 pts. Nail biting time for Thomas as news coming in still gave 2 or 3 players a chance of catching him. It was down to Tom Walsh and Ian Veale, Tom needing 11 pts and Ian needing 10 pts for the last four holes. However, even after a great birdie on the 18th, Ian Veale could only level the score with Thomas, with Thomas claiming victory on the count back. It was fantastic golf from Thomas, coming from 6 pts behind, and I have no doubt that he will remember the round for a long time to come. Everybody in the club will be delighted for Thomas as he is one of the most popular members and his contribution to the club and the teams has always been exceptional. Ian Veale put up a great fight and he will also remember his two great rounds for a while.

It was a significant and due tribute to the President that this was the largest entry ever for a major in the GoldCoast and he is to be complimented on a most efficient and well run competition. Well done, Nicholas.

Things have quietened down a bit after our Presidents Prize. On Tuesday our Juniors were in action playing in their first Major, the Captain's Prize (Mr. Paddy O'Leary). The winner in the girls section, following in her father's footsteps (Pa was the President's Prize), was Nicola Morrissey. In the boys section the winner was John Nugent (33) with a nett 61, while the best gross went to the talented Dean Pratt with a 91. In our curtailed weekend com-

petition the winner was the Rebel County man Martin O'Driscoll (16) with 39 points. Saturday afternoon saw the first leg of the annual Ashes Tournament against our good friends from Dungarvan and was played in Lismore. There was a great effort made by the Lismore men who now go into the away leg 30 holes up. This will be played in Dungarvan in September, but will it be enough?? In the fourball competition contained within the match, Dungarvan had the consolation of providing the winners with a great score of 46 points and the men doing the business were the famous Jimmy Wemyss (11) and the ever-popular Cyril Power (18). The runners up were our own pairing of Kevin Whelan (14) the man of the moment Martin O'Driscoll (16), completing a nice double for himself with 45 points. Sunday was our Lady Presidents Prize presented by Anna Murphy.

Congratulations to the very popular winner Christine Radley (24) on a great score of 42 points.

The 2003 Golf Charity Marathon was officially launched by John Treacy, Chief Executive of the Irish Sports Council on Tuesday night last at a very pleasant function in the Gold-Coast Golf Hotel. John, in his address, praised all the golfers for their efforts in last year's marathon and congratulated them on the massive amount of money raised for the various

charities. He said that he was stunned when informed that the amount raised last year had gone over €60,000 and it was an honour for him to be involved with such a great charity event. Janet Dunphy of Our Lady's Hospital for Sick Children again thanked the marathon for the contribution to the hospital last year. She said that it was the highest amount they had received from any golf club in Ireland. Other speakers included John Moran from West Waterford Hospice, Fintan Walsh from Waterford Alzheimers, Seamus Mansfield, Tom White, Captain GoldCoast Golf Club and John Flynn, Director of Services, Waterford County Council.

### FINAL DAY- TRAMORE

The racing on the final day of the Tramore racing festival was just as competitive as the three previous meetings. Glanbia were one of the main sponsors on the day and they availed of the opportunity to lay on a sumptuous buffet for customers and the local press.

Kieran O'Connor looked after matters with his usual efficiency for Glanbia despite carrying a wrist fracture which the unfortunate Kieran picked up while on holiday in Spain.

In the opening maiden hurdle one of the more fancied runners Fieldsofcllover crashed out at the hurdle along the back stretch and this allowed the Roger Loughran ridden Tipp Top the opportunity to come through for an easy win over the always prominent Sioux Nation.

The Snowcream Fresh Milk Claiming race produced an 8/1 winner as the Robbie Burke partnered and Jeremy Harley trained Jerez stayed on strongly to beat Billy Stars by two lengths.

Tommy Treacy has suffered his fair share of his injuries throughout his career and he was seen to good effect in the two mile handicap chase on the Pat Fahy trained Run Of The Country this well backed 6/4 chance proving two lengths to good for Mail Man.

Despite drifting in the market for the Noel Cummins SP bookmakers Maiden the Dermot Weld trained Le Leopard 7/4 ran away from the opposition inside the final furlong to coast in six lengths clear of Business Acumen.

Trainer Christy Roche had a good festival and he sent out

his third winner of the week in the concluding bumper as stable amateur Alan Crowe gave 5/1 spot Galtee View a powerful drive to beat the lightly raced Tou Charming. The runner up is a smashing looking Toulon gelding and while it would be a bonus for Dungarvan owner Tom Harty and trainer John Queally if this fellow were to win a bumper he looks certain to make his mark at the jumping game.

This years Tramore Racing Festival was a huge success and here's looking forward to the next fixture at the track on Thursday October 6th.

To make matters worse Storming Home dislodged his jockey Gary Stevens shortly after crossing the winning line.

WATERFORD WEDNESDAY AUGUST 20TH

## Clemmas Future Did It The Hard Way

The semi finals of the Maurice Jackson sponsored Waterford Plumbing and Heating Tri Distance Stake were run off over the standard trip on this midweek card. Airmount Merry was installed as the evens favourite in the first semi final but the jolly fluffed her break as the Ken Browne owned and Paul Kiely trained Kendale Flyer 5/2 made the best possible start from trap five to lead from Pet Shop Honcho. To her credit Airmount Merry put in some sound late work but the strong running Kendale Flyer (Smooth Rumble-Aitchecee) 5/2 was gone beyond recall scoring by two lengths in a career best 28.69.

Even better was to come in the second semi final with the Andrew Fisher owned and Stephen Bourke trained Clemmas Future (Toolbuk-Cloyne Pearl) the 4/6 favourite whizzing around in an excellent 28.59. Led for three quarters of the trip by a fast starting Didhedoit Clemmas Future turned on the style over the final two bends sweeping into the lead on the outside before winning out by four and a half lengths from Didhedoit.

In the opening graded race Bigwood Captain led to the halfway point where the Angela Condon owned Why Madra Dubh (Kockeevan Star-Why You Mags) struck the front. A determined Bigwood Captain renewed his challenge up the home stretch but 3/1 shot Why Madra Dubh kept on well in front to triumph by a length in a decent 29.32.

Patrick O Dwyer's Towering Special (Trade Official-Commet Hill) 3/1 opened her account in a two bend dash seeing off the challenge of a fast starting Johns Scrambler before inflicting a four lengths defeat on Boher Ranger in 16.68.

The William Whelan owned What A Flyer (Honcho Classic ex Clondoty Spice) 2/1 a dual sprint winner at Thurles lived up to her name in the third contest a 300 yard sprint leading throughout from trap two for a comfortable length success over Lively Ranger in a decent 16.57.

Sorcha Wasfa a home bred daughter of Powerful Flash and Sarahs Troll continued the good run of the Fox family in the fourth contest this 3/1 shot running for Alan and Anne Marie Fox bombing away from trap three and despite the constant threat of Durrow Express Sorcha Wasfa kept on well for her length and a half victory in 29.42.

It was back to two bends for the fifth event where a fast starting Genuine Onyx (Carlton Bale-Glenstown Damsel) kennel name Del Boy, bounded clear from trap three and while Mays Speedy was traveling powerfully at the finish 5/2 shot Genuine Onyx did well to retain his lead and score by a neck in a fast 16.35. The winner owned by Tina Finn has yet to finish out of the money after four sprint races.

The following two races were semi finals of a confined 30.00 stake. After a slow start in the first semi final a rails seeking Moonveen Flash sprinted into the lead off the second bend from Peps Rogue but in an exciting finish the Rhubarb City Syndicate owned and Tom Colfer trained Corach Blue (Honcho Classic-Lacha Lisa) 4/1 made rapid late headway up the home stretch to outstay Moonveen Flash by three quarters of a length in 29.72. The winner is a fine specimen of a greyhound going to scales at ninety four pounds.

The Mick Cronin owned Dairyland Sue (Roanokee-Ciabbata) the evens favourite absolutely hacked up in heat

two in an excellent 28.70. In a one sided qualifier Dairyland Sue led early on from a wide running Narabane Honey and a hampered Whistlers Blaze before sprinting clear for a fluent eleven and a half lengths victory over Whistlers Blaze.

The Jude Hennessy owned Dance Cliff (Larkhill Jo-Dance Sabrina) 6/4 to 4/6 was backed as if defeat was out of the question in the tenth race over six bends and after taking over in the lead at the third bend from Carrigloe Pres and Vintage Hitman Dance Cliff lengthened his stride down the back stretch to pull away for an easy four lengths victory over Carrigloe Pres in 41.49. The winning connections celebrated in style after this gamble was landed and Champagne corks were popping in the downstairs bar after racing.

WATERFORD SATURDAY AUGUST 23RD 2003

## Brykat Apache Tracked Brilliantly

The semi finals of the Kilcohan Park Waterford Crystal Trophy Open 550 yard stake left a fine sized attendance stunned last Saturday night after the favourites bit the dust in their respective contests. New track record holder Glenske Ghost was installed as the 1/3 hot pot in the first qualifier but the favourite was in trouble from the off as he was slowly into his stride. Ballygunner King flew up to the first bend but he kept very wide in the process allowing Glenske Ghost a run through on the rails. After striking the front Glenske Ghost's stride shortened at the entrance to the back stretch as Sparta Tom hit the front. In a tight finish however Finbarr O'Regan's Interloper (Mountleader Peer-Alias Stage) 3/1 finished with a flourish to beat Sparta Tom by a neck in 30.47. The expected Stewards enquiry into the poor running of the favourite did not materialize.

Nod Mac was sent off at 4/5 in the second qualifier and while he started brightly Nod Mac got involved in an early barging match with Prince Ned. While all of this was going on the J and K Syndicate owned Southeast Prince (Vintage Prince-Beche Babs) 4/1 made the long break for home forging clear of Prince Ned. Trained by Sean Dooley Southeast Prince never put a foot astray thereafter cruising to a well deserved length and a half victory over a running on Nod Mac in 30.11.

The Kathy Crowe owned Brykat Apache (He Knows-Sadlers Surprise) 7/4 gave an exhibition of tracking to capture the final of the Gain/O'Dwyer Confined 29.60 event in 29.13. Nearer last than first on the run to the first corner "Brykat" cut in for the rails to move into a challenging posi-

tion behind the early paced Assassins Prince and Thatswhatsay. Cutting every corner Brykat Apache came to challenge the front running Assassins Prince off the home turn and in a pulsating finish Brykat Apache forged to the front close home to land the Euro 800 first prize by three quarters of a length.

A three runner opening 525 saw the Mill Syndicate owned Rojo Bill (Larkhill Jo-Greenview Sandy) 1/1 make every yard of the running to beat Lakefield Jack by nine and a half lengths.

In a 300 yard dash Top Merc led to the first bend but he was clipped from behind as the Dave Morris owned Marwood Rio (Hilltown-Garas Lass) 7/4 bounded into a handy lead before proving four and a half lengths to good for a slow starting Lifes Serene in 16.69.

It was back to four bends for the third contest and while the early paced duo of Binsted Prince and Down To Monica dominated for a long period up front their efforts took its toll in the closing stages as the Laurence Rowe and Diarmuid Anglim owned Clearmor Swift (Larkhill Jo-Woman Power) 4/1 dashed into the lead on the rails up the home stretch to register a three and a half lengths success over the dead heaters Cooladine Irene and Down to Monica. Time 29.60.

In a close run fourth event Beirns Mick and McCarthys Boy had this contest to themselves from the outset and while he gave away ground by keeping wide on the bends Frank McCarthy's Boy (Mustang Jack-Franks Girl) 6/4 rallied in fine style off the fourth bend to beat a fast finishing Determined Ace by half a length in 29.57.

In the fifth contest a prominent Mojo Jojo stayed wide off the second bend hampering a challenging Stage Gerry. This left Bengal Hayley in the driving seat from Kilmacar Prince. The latter sailed into the lead on the fence over the final two bends but Dick Lenihan's Bengal Hayley (Jamaican Hero-Brigids Charm) 4/1 came back for more on the run to the winning line and in a driving finish Bengal Hayley prevailed by a short head in 29.68.

Local owner John McEnery is certainly getting a sweet tune out of Vespouchi of late and this black son of Droopys Viere and Minnies Gift came from behind to lift the sixth race in 29.33. Allandale Black led Wilcox Figo down the back stretch but the third placed Vespouchi 5/2 finished best of all to beat Wilcox Figo by a length.

The final race of the night also had the large attendance on their toes as Tai Chi Melody dashed into the lead over Ima Cooper Sue but with the leaders coming back to the pack in the closing stages the Bernard Fox owned Determined Irish (Powerful Flash-Fergies Flavour) 3/1 finished with a flourish to defeat a fast finishing Billys Trail by a short head in 30.74.

### THE LATE JOHN FLANAGAN

For the second week in a row the Greyhound game in the South East suffered another cruel blow with the death after an illness of John Flanagan, Knockenduff, Tramore, Co Waterford.

Involved with Greyhounds throughout his life John won many a race with his "Knockenduff" prefixed runners and he will be sadly missed by all who knew him.

A minute's silence was observed as a mark of respect to the late John during racing in Kilcohan Park last Saturday night. To his family, relatives and friends we expend our deepest sympathy. May his soul rest in peace.

Guinan, Bernie Wade and Nicola Dee in organising this. Help on the day welcome while thanks to all Club members who made the sandwiches. The Club is grateful to Keith Hughes, Triona Quinn, Pierce Moloney, David Walsh, Nicola Shiel, Brid Veale and their teams who will be catering for the needs of the runners here.

## STEWARDS

West Waterford are very lucky at the moment to have a good number of stewards who are always willing to help us out. The Club is very grateful for this, as without their help, the staging of events, with the roads gone so busy now, would be practically impossible. Stewards for Sunday are requested to report to St. Augustine's at 10.00 a.m. to receive their bib, flag and position on the route. Thanks again to one and all.

## WALKERS

The walk will start at 10.00 a.m. and entries will be taken by Mary Rose Drummy at the College from 9.00 a.m. Entry Fee for the walk is 10 Euro. Walkers are requested to finish at the stop organised by Mary Rose and not through the runners tunnel, as this may cause confusion for race results later. Our thanks to Mary Rose for looking after this section of the event which is growing from day to day. Each walker will receive the Goodie Bag when entering and any walker who completes the 13.1 miles will also receive the race medallion. Good luck to all the walkers on the day and be sure to come to Minnies in the evening to join in the fun.

## PHYSIOS

A very important element of the event will be the availability of a number of Physios for rub downs after the race. To date Physios attending are Jeff Allen, Jean Brennan, Paco Curran, Carrie Foley, Caroline Gordon and Benji Whelan.

MINNIES NOT TO BE MISSED  
ENJOY POST RACE  
SOCIAL EVENING

The Club are organising a Post Race Social Evening this Sunday in Minnies in Abbeyside and a general invitation is given to everybody to come along and enjoy the hospitality of the O'Brien family (and BoBo) for which we are very grateful. First and foremost to answer the most asked question about the Marathon at the moment is that official proceedings e.g. showing of video and presentation of Blackwater Homes On the Road Competition Prizes will commence at 5.00 p.m. Of course this won't stop many of our members from limping to the famed Abbeyside Venue earlier in the afternoon. Our thanks to Gerry Cantwell and Sean Bennett for organising the Race Video and we look forward to seeing how everybody looks on the wide screen.

BALLYCOTTON 5  
THIS THURSDAY

The summer really must be near an end when its time for the Ballycotton 5, that was the comment made to me during the week and how true it is, the final race in this years summer series takes place tonight Thursday with a 7.30 p.m. start.

West Waterford will probably have a somewhat smaller representation than normal, with the Blackwater Homes National Half Marathon taking place on Sunday, most athletes will be saving on the old legs for the big event, however a number of our athletes will have a vested interest in the race as they figure among the overall standings for the famous t-shirt with the top 15 ladies and the top 50 men all receiving same.

Trevor Mason is in 22nd overall position at present with Ray McConnell also guaranteed one in 35th position. Tony O'Mahony is just under the magic 50 mark in 49th place but should do enough to retain that place.

In the ladies our top scorer is

Norma Wall in 15 position with Ann Dunford in with a good chance of making the top 15 she presently is in 18th position. Siobhan O'Mahony is our

only other lady having completed the first three races and is currently in 29th position. Best of luck to all who travel to Ballycotton.

Pictured at the Clonakilty 10k last Friday evening sporting their new West Waterford A.C. club singlets were Phyllis and Declan Flynn. Also included is Gerard Crispie (Striders of Croydon). All three performed very well with Gerard 9th in 37.11. Declan was 10th in 37.30 and Phyllis 14th in 39.30.

Keep A  
Watch

If you missed it we will have a full report in next weeks issue.

## CLUB WEDDING

Congratulations to club members Nicola Costin and Dermot Hickey who were married last Saturday we wish them a long and happy life together.

The Park Hotel Sports Star of the month for July goes to the Touraneena racquetball duo of Niamh Coffey and Tristan Hickey. Representing their country in the Senior Ladies and mens European Racquetball Championships they returned with Gold medals in the team events. This was a magnificent achievement for the two 17 year olds who were representing their country at Senior level for the first time. Both have several National underage titles, and represented their country at Junior level in Los Angeles in 1998 and 1999. Tristan also took home two silver medals for u-18 Singles and Mens doubles, while Niamh got bronze in the Singles. This was a magnificent achievement for the Touraneena Club and their Coach Pat Keane. Niamh and Tristan were presented with their July Park Hotel Awards at a luncheon in the Park Hotel on Thursday by Michael Brett, Manager, Park Hotel. Also in attendance were Richie and Rita Hickey parents and sister Kendra, together with Jimmy and Deirdre Coffey parents of Niamh and members of Adjudicating committee.

# DUNGARVAN SEA ANGLING AND DIVING CHARTER BOATS

## THE ANCHOR BAR

Dungarvan Sea Angling and Diving Charter Boats are pleased to be running the Inaugural Anchor/Enterprise Angling Challenge in association with Heineken.

There was enormous interest when the competition was announced and the places were all filled within a short time. There will be 20 fishermen competing in this new competition, on board the 'Avoca' and the most recently arrived charter boat, the 'Hannah K'. Both boats are pleased to report very good fishing so far this year and are looking forward to finishing this year and running into next year with even more success.

The Anchor Bar has long been associated with sea angling in Dungarvan, being sponsors under the proprietor-

ship of the Shanley family in the past, and the current owners are keen to resume this link and develop it further. A new sponsor has stepped up in the form of Heineken Ireland, and many thanks are extended to Milo Corcoran, area rep, who are delighted to be involved in this sporting event.

In the new era of conservation all fish will, where possible, be returned alive. Safety always has been a prime concern for Dungarvan Charter Boats and with recent safety concerns to the fore of the competition and prizes will reflect this. Top prizes of the competition will include Personal Flotation Devices.

Rumour around the quay has it, that some of the Enterprise's top anglers have been engaged in serious training at various

fishing spots around the county. Whilst, the Anchor team, resting on their laurels have been spotted drinking at various spots around the county. Overall, it is hoped that everyone will have an enjoyable day under the guidance of experienced skipper Brian Barton and his promising trainee Micháel Fahey!
