## Businesses Fear Being "Landlocked" By New Development

KEVIN KIRRANE

A group of businesses on O'Connell Street have lodged an appeal against the granting of planning permission for a mixed-use development on part of the former Glanbia site.

The development includes two blocks of buildings that had been part of the original multi-million euro retail centre plans, but which were not per-

### OBJECTIONS TO DEVELOPMENT OF SHOPS AND APARTMENTS IN DUNGARVAN

mitted to go-ahead with the rest of the development by An Bord Pleanála earlier this year.

It includes the demolition of 6, 7 and 8 O'Connell Street, and the construction of ground floor retail units, and overhead apartments and office units.

Dungarvan Town Council had granted Shane Houlihan, The Pike, Dungarvan approval to proceed with work on revised plans with twelve conditions attached last month.

But, at least four businesses launched an appeal, claiming it will prevent them from opening up land to the rear of their premises and from benefiting from future retail opportunities.

In an objection lodged on the 6th of October, the four businesses state that preventing them from opening back onto

the former Glanbia site is a material contravention of the Dungarvan Town Development Plan.

Their objection says An Bord Pleanála's ruling earlier this year, which granted permission for the Clancy Construction shopping centre to go-ahead, ruled against the demolition of the three O'Connell Street buildings, and pointed out that the buildings are in an area of architectural conservation.

The detailed objections also state that the submitted plans are misleading, and there are no designated parking spaces for the residents and businesses of the mixed-use development.

But the most contentious aspect is the lack of access the present businesses will have to

the Glanbia site. "There would neither be pedestrian, vehicular or emergency services access to the rear (of their property)," the appeal submitted on behalf of the businesses by J. P. Gordon Solicitors says.

"No account whatsoever has been taken of this situation by the Local Authority in deciding to grant permission...", it claims. And, it further claims that the planning authority has failed to abide by its statutory responsibility in this regard.

The objection adds that this failure is both a material contravention, and unlawful.

Speaking to the Dungarvan Leader, Cllr. Michael O'Riordan (Indp) urged An Bord Pleanála to begin their deliberations on the appeal soon.

"Once again it is an attempt

## JUNIOR PAGE VOLCANOES

The Earth's core contains great heat and pressure, like a giant powerhouse. Volcanoes erupt when hot, liquid rock and gas burst out of cracks in the Earth's surface. Most volcanoes erupt along the edges of the Earth's tectonic plates, but some punch through hotspots in the Earth's crust.

### THERE ARE HUNDREDS OF ACTIVE VOLCANOES ON EARTH

There are around 1,300 active volcanoes on earth. The most violent eruptions happen where two of the earth's plates collide. Pressure builds up until liquid rock, called magma, bursts out of a mountain as lava, or explodes into clouds of dust and lava bombs. Some volcanoes blast holes in mountainsides. Others, like those on the Hawaiian Islands, burst out as 'mantle plumes' through cracks in the ground. Some volcanoes remain dormant (inactive) for hundreds of years before they erupt. When a volcano stops erupting altogether, it becomes extinct.

### VOLCANOES HAVE DIFFERENT SHAPES

The shape of a volcano depends on how it erupts and the kind of lava that spreads into a low shield shape. Others shoot out sticky lava that builds up into a steep cone. When magma cools to form a plug in a dormant volcano, the rocky plug can last long after the rest of the volcano has worn away. The Devil's Tower in Wyoming, USA, and the Sugar Loaf Mountain in Rio de Janeiro, Brazil de Janeiro, are both the remains of volcanoes.

### VOLCANOES ERUPT IN SPACE

The biggest known volcano is on Mars. Olympus Mons is 24 km (15mi) high, three times the height of Mount Everest, and the highest mountain on Earth.

### DID YOU KNOW?

When Krakatoa, in Indonesia, erupted on 26 August 1883, the explosions were heard in Australia, over 3,000 km (1,850 mi) away. So much dust was blown into the atmosphere by Krakatoa that the sunlight was blocked out and temperatures dropped world-wide. The word 'volcano' comes from Vulcan, the Roman of fire. The Romans believed Vulcan lived beneath the volcanic island of Vulcano, off the Italian coast. Since its boiling lava destroyed and preserved the city of Pompeii in AD 79, Vesuvius has erupted a further eighty times. The famous ancient Roman writer Pliny the Elder was killed by the poisonous fumes from Vesuvius when he landed his ship in an attempt to get a better view of the eruption!

### Mussel in on this Moules Marinieres

THERE are several versions of this recipe for mussels but this is the easiest to prepare.

Preparation: 30 mins  
 Cooking: 10 mins

- Ingredients (Serves 4)  
 4 pints mussels  
 1 small onion  
 3-4 x 15ml sp dry white wine  
 25g butter  
 1 x 5ml sp plain flour  
 1 x 5ml sp chopped parsley

and finely chop the onion put in saucepan with wine. Place all mussels in the pan at once and cover with a lid. Cook over high heat and shake pan for three to five minutes until all the mussels have opened. Take pan from the heat and lift out the mussels, discarding any that have not opened. Remove the empty half shell from each mussel and place the other half with the mussel attached in individual soup plates. Keep hot. Cream butter and flour together and blend into the liquid in pan. Stir the sauce over a low heat until it has thickened and is boiling. Add the parsley and pour over the mussels. Serve at once.

### Marrow casserole -firm and tasty

MARROW has such a high water content that it loses most of its flavour if steamed or cooked in water. Check out the recipe below, and serve up firm, tasty marrows on your dinner table...

Preparation: 10 mins  
 Cooking: 30 mins

- Ingredients (Serves 4-6)  
 1 young marrow  
 50 g butter  
 2 x 15ml sp mixed fresh herbs - tarragon, mint, parsley and chives  
 Salt and black pepper

Method  
 CUT the marrow into 2.5cm thick slices.

Peel and cut them into rough chunks, discarding all the seeds as you do so. Butter an oven proof dish thoroughly. Add the marrow with the remaining butter cut into small knobs and sprinkle it with the mixture of fresh, finely chopped herbs. Season with salt and freshly ground pepper. Cover the dish with a lid or foil and bake it in the centre of a preheated oven at approximately 180°C until just tender - after about 30 mins. Be careful not to overcook. Serve the marrow at once, straight from the dish.

### Health Tips from "Remedies"

## Knotgrass

USES Arthritis, Gout, Carpal Tunnel Syndrome. Description Knotgrass is one of the oldest traditional remedies for arthritis and general joint inflammatory conditions. It appears as a weed in many countries and is difficult to eradicate once established - like arthritis. That is because the plant has a strong root and runner system below soil level.

HOW IT WORKS The active substance of Knotgrass has not yet been studied extensively. Knotgrass is known to contain silica, which can help to improve the elasticity and strength of connective tissues in the body, and particularly joints. In addition, the plant appears to work as an anti-inflammatory agent by helping the body in the elimination of toxins.

## Late Donal Flynn

It is difficult to express in mere words the sense of loss felt by so many people throughout the length and breadth of county Waterford and beyond at the news last week of the untimely death of Donal Flynn, co-owner of the Park Hotel, Dungarvan.

Donal, who would have celebrated his 40th birthday on December 3rd, passed away peacefully at his residence at Shandon on Tuesday night, October 21st in the loving care and company of his wife Evie and other family members.

Everyone knew for some time past that Donal had been losing his fight against Cancer, a fight he even took to a top New York clinic. But the remarkably courageous way he fought that fight made him a shining example to one and all and added even more to the respect and admiration people in their countless thousands had for him.

Donal will be sorely missed, as near to irreplaceable in fact as makes no difference. But he will never be forgotten by those privileged to have known him and shared his delightful company over the years.

The funeral tributes were immense, the congregations among the largest ever seen in the county. For his Requiem Mass and burial last Thursday, every walk of life was represented in a strikingly poignant farewell to a much loved young man. That representative attendance included former Taoiseach Albert Reynolds, a long time friend of the Flynn family.

To Donal's wife Evie, to his mother Dottie, his brothers John, Alan, Niall and Pierce and his extended family, our sincere sympathy is extended.

A full obituary will be carried in next week's edition. D.V.

## Campaign seeks to raise public awareness about medicine use

Up to 50% of the patients do not take their medicines as prescribed and one third to a half of all medicines dispensed are wasted through incorrect usage according to the Irish Pharmaceutical Union (IPU), the representative body for pharmacists in Ireland. The IPU is today launching a public information campaign to encourage greater awareness of the correct use of medicines amongst the general public.

The campaign - Ask About Your Medicines - is being supported by Mari Mina Pharmacy in Lismore. As part of the campaign, patients are being encouraged to use the pharmacist as a source of expert advice on medicines and to highlight any concerns or fears that they may have about taking their medicines.

Speaking today, Bernard Leddy of Mari Mina Pharmacy said that members of the public often stop taking essential medicines because they may not understand fully why they were prescribed the medicines to begin with and they often have fears and concerns over possible side effects caused by the medication: "this campaign will reinforce the vital role played by pharmacists as the experts in medicines who ensure that patients get the right medicine, in the right dose, at the right time and in the right way. By empowering patients to ask about and take responsibility for their medication they are likely to get a greater therapeutic benefit from their medicines."

As part of the campaign, participating pharmacists will provide customers with leaflets advising them of the questions they should ask when having a prescription completed while at the same time encouraging them to check the variety of medicines they might have at home and their continued suitability for use.

Key advice on medicines management:

Before buying a medicine, tell the pharmacist: Who it is for - if it for a child, state the age o What the symptoms are o How long the symptoms have been present o What treatment, if any, has been tried already o What other medicines - over-the-counter products, herbal medicines, vitamins or food supplements - are being taken for any other ailment o If you suffer from any underlying medical condition o If the patient is pregnant or breastfeeding o If the patient is sensitive or allergic to aspirin or any other medicines.

Before using a medicine: Read the label carefully. It tells you WHO the medicine is for; WHAT it is for; HOW MUCH to take; WHEN to take it; and HOW to take it o Check the expiry date. If you have had the medicine in your cupboard for some time and think it might be too old, speak to the pharmacist.

When using a medicine: Use it exactly as explained on the label

- Don't try to crush or dissolve tablets or break up capsules, unless it is stated on the label or you have checked with the pharmacist

- For liquid medicines, always use a special 5ml measure - not a teaspoon o Pay attention to special warnings. For example, if the tablets could make you drowsy, don't drive.

Remember: Store medicine in a cool, dry place, safely locked away from children o If you are not better in two or three days, go to your doctor

- If you are in any doubt about which medicine to choose or how to use it ask your pharmacist

- Never offer your medication to another person, as it may not be suitable for them.

The campaign will run at Mari Mina Pharmacy, Lismore until Christmas.

### 19th century Waterford Churches:

(1) Aghlish. According to Canon Power, Aghlish Church was built by the Rev. John O'Meara in 1856 and replaced a smaller church on that site. Canon Power noted that the new church was "without any pretensions to architectural beauty". The builder and contractor was a Mr. Sheehan of Modeligo. There appears to have been no architect as such. The church accommodated about 800 people. Canon Power remarked that there appeared to be no gravestones dated before 1900.

"It is to be feared that at the erection of the present church, any tombstones, which came in the way of the builder, received rough treatment. Even the flag, which points out the spot where the ashes of Father Roche lie, is half covered by the sanctuary railing. Flags bearing inscriptions, which are now illegible, have been put down at the entrance, to serve as threshold stones". The Father Roche referred to was the Rev. J. Roche who lived at Coolahest. He was P.P. in 1808 and died in 1840. Rev. John O'Meara the builder of the church became P.P. in 1840. He had been curate in Tallow and at St. John's, Waterford. While in Waterford he had taken an active part in the Stuart Election. He died in 1870 and was succeeded by Rev. Garrett Long from Clashmore.

(2) Ballinameela. Father William Moran, began this church in the late 18th century replacing an earlier thatched church. Among the subscribers to the building fund were the Duke of Devonshire £25, John O'Dell £5, and the Rev. Francis M. Newport £5. The plan is cruciform with seating for about 800 people. One of the Chalice is dated 1749 and was presented by Edmund Cashman. There is a date stone on the front of the building to the left of the entrance door.

Opening Hours: Monday to Friday 10 a.m. to 12.45 p.m. and 2 p.m. to 4.45 p.m. daily.

**SCORPIO**  
Oct 24 to Nov 21

**CAPRICORN**  
Dec 24 to Jan 20

Hear more on 1550-920-266. ☎ 1550-920-266

**AQUARIUS**

# LILY - Queen of all the flowers

LILIES are among the most graceful of summer-flowering plants. Their tall slim stems bear flowers with an amazing variety of dazzling colours and exotic shapes. There are more than 80 species of lily and thousands of hybrids.

Lilies are excellent border and woodland plants and they make superb companion plants for roses.

A few of the smaller lilies may be used to add summer colour to the rock garden when most alpine plants have already finished flowering.

Lilies are ideal for planting in containers, especially on terraces and patios. Some species of lily also make excellent pot plants for the cold greenhouse or conservatory.

#### PLANTING

Always buy fresh bulbs and plant them straight away. Do not buy bulbs that are dry or shrivelled. Most lilies grow well in a wide range of soils.

Bulbs should be planted in the autumn at two and a half times their depth. They should be planted in well-prepared, free-draining soil.

The routine care of lilies is similar to that of most bulbs and the plants must be well staked so the flowering stems do not snap.

#### STAKING

Lilies should be staked with a bamboo

cane as soon as they are tall enough for a tie to be put around them.

Insert the stakes well away from the base of the stems so the bulbs are not damaged. The stem should be tied to the cane with string or raffia.

When the flower buds are forming tie in the stem to the cane just below the buds to prevent the stem from breaking when the buds open.

#### BULB CARE

If your bulb is planted in grass there is no need to feed it regularly but take care when you mow the grass. Do not cut the grass until at least six weeks after the bulbs have flowered or the foliage is turning yellow.

Bulbs planted in borders and woodland should be fed with a low-nitrogen, high-potash fertiliser as should bulbs being grown in containers outdoors.

#### PROPAGATION

Lilies may be propagated easily by stem bulbs, scaling, seed or by simple division. Always propagate from healthy stock. Many species produce stem bulbils in the leaf axils and bulblets at the base of the old flowering stem.

Remove these and pot them to grow on. Seed sowing produces vigorous virus-free bulbs but is slow.

#### PESTS AND DISEASES

Lilies are particularly vulnerable to several

viruses transmitted by aphids. Visible symptoms are mottled and twisted leaves. Grey mould may cause problems in damp windless conditions. And red lily beetles destroy stems and flowers.

Orange beauty: Liliun "Impact".

## THIS WEEK IN THE GARDEN

### SOW SWEET PEAS

The best exhibition sweet peas are obtained from sowings made now. Some growers sow outdoors where the plants are to bloom. A better method in most areas is to sow in pots, about five seeds in an 8cm pot, and to germinate them in an unheated frame.

Once the seedlings are up they can be ventilated freely - you will only need the lights in very frosty or windy weather. The advantage of this method is that the seedlings are much more under control and can be protected from excessive cold or wet if necessary.

### PRICK OUT CAULIFLOWERS

If you sowed cauliflowers last month you must now transfer them to a frame. Prepare a bed of finely broken soil in the frame and dibble the seedlings 8cm apart each way. Gather all remaining apples and pears. Complete the gathering of all apples and pears. It is not advisable to let them hang once the weather gets really wintry. Apples keep well packed in boxes in a cool but frost-proof place, preferably with a slightly moist atmosphere.

Pears keep better in a dry atmosphere. Lay them thinly in a room with an average temperature of 10C. Never pile them one on top of the other. Watch carefully for ripening.

### GATHER FALLEN LEAVES

Sweep up all fallen leaves from time to time during the month. Leaves are a particular source of danger in the rock garden, for if they lie thickly on the plants they may kill them.

## Environment Today

### NEW CIVIC OFFICES OPENED IN TRAMORE

Recently, Martin Cullen T.D., Minister for the Environment, Heritage and Local Government opened New Civic Offices incorporating a one-stop shop for public services in Tramore.

The collaborative development by Waterford County Council and Tramore Town Council involved the integration of a new building with an original building at Tankfield. The County Council is decentralising the full range of its services to the new offices and all Town Council services will also be available there, as well as new Council Chambers for the Town Council. Services will also be available at the new centre from the Department of Social and Family Affairs, FÁS, Waterford LEADER Partnership, Citizens Information Centre, Money Advice & Budgeting Service and the Energy Efficiency Agency.

Minister Cullen emphasised the importance of giving quality services in ways that are convenient for the public and said that the new offices and one-stop shop "reflect the desire to provide the people of Tramore and East Waterford with the best service possible. All in all, this Centre is an investment with a huge dividend. It sends a strong signal to the public that we take pride in what we do and that we want to continue to improve our services and our service delivery."

The total cost of the new offices is €1.5 million, with the Department of the Environment, Heritage and Local Government providing 325,000 towards these costs under the Pilot One-Stop Shop Programme. This programme has provided funding of €31 million towards over 40 centres countrywide.

Department of the Environment, Heritage & Local Government.

Waterford County Council wish to thank all those involved in this project.

## THE PRAYERS AND POEMS AND THE PROPHETS

The Historical Books of the Old Testament, which we read in the Liturgy of the Word, are often difficult to understand. But the lovely prayer-poems which we use as Responsorial Psalms are closer to our devotional needs. The readings from the Prophets are often present us with religious poetry of a high order. This will constitute the topic of a talk on the prophets Amos, Hosea, Isaiah and Jeremiah, which will be given by Fr. Donal O'Connor, Dungarvan and will take place at the Park Hotel shortly.

During the course of the evening, there will be time for a chat over a cup of tea or coffee. This will be followed by a question and answer session, where Fr. O'Connor will further deal with any comprehension problems one may have on the topic.

A second talk will focus on the poems of Job, on the Psalms and on their meaning for us today. The Faith Development Group, Dungarvan welcomes and encourages as many as possible to come along. For further information see St. Mary's Notes in this issue and posters.

### DUNGARVAN GOSPEL CHOIR NEWS

Recent and Upcoming Events  
The highlight of the season so far for us was the First National Congress of Gospel Choirs held in Kilkenny on 21st September. On arrival, we enjoyed a first hand history of gospel singing and even discovered that at times it had an Irish lilt. Due to the influences of shared oppression there was a common coding of lyrics of gospel song and Irish melody. All gospel music is revolutionary as it looks for 'freedom and liberation'. It was always 'passed on' which accounts for the lack of written gospel music.

The evening was made momentous by listening to choirs from Tullamore, Clonmel, Kilkenny and towns. We all benefited mutually by listening to individual styles. What we are singing is modern Gospel. We have to get into the feelings, so touching the heart is more important than performance.

On Saturday, 25th of October the Gospel Choir traveled to Killarney to sing in St. Mary's Cathedral at 7:00pm Mass. The choir gave one of their best

performances yet in front of a packed congregation. The sound of songs such as 'Lord I want to be a Christian', 'Over my head', 'O, Freedom', 'Wade in Water', to name but a few, were very popular in the very impressive church. So well received were we that after Mass the choir sang on for some time. Later we enjoyed light refreshments generously supplied by the Parish. Some fine solo's were sung by Maria, Julie, Eileen, Joan, Ann and Carmel to the delight of all present.

Now that the Winter has set in, and you are looking for some thing to do at night, why not join us to sing Gospel in the Mercy Convent (Primary side) on Tuesdays at 8:00pm.

# STRADBALLY NOTES

## CHECK YOUR SMOKE ALARMS

A fire broke out in the home of Stradbally village resident Breda Mulcahy last week. Fortunately Ms Mulcahy had a working smoke alarm and was alerted to the upstairs fire before it got out of control. Showing great presence of mind she quickly closed the door on the room which was ablaze, phoned 999, and alerted her neighbour Ms. Eileen Sheehan. Both ladies would like to praise the speedy response of the Fire Brigade, two engines arrived within 15 minutes of the call. The blaze was quickly put out and the ladies are keen to express their gratitude to the Fire fighters who they feel went above and beyond the call of duty showing great concern for both of them, offering to assist in whatever way they could to lessen the traumatic event. Ms. Mulcahy

and Ms. Sheehan would also like to thank their neighbours and friends who immediately rallied around offering their help. It is a timely reminder to all of us to check our smoke alarms and ensure they are in proper working order.

## MOL AN OIGE

'Mol and oige agus tiocfaidh sí', Praise the youth and they will blossom, an expression that best sums up the intent behind the night of Celebration last Saturday night at the GAA club. They came in their droves for the tribute night for teenager Noel Clancy, who recently won the All-Ireland under-18 melodeon championship. Noel was joined on the night by family members including Grandfather Tomás, brother Brendan and sister Marion. Many young musicians turned up and it was a rare treat to see such musical talent in one room. Sisters

Georgina and Isme Crowley were in fine musical form. Local historian Tomás Ní Fhlaoin set the pace well on the bodrán, and veteran musician Bobby Gardner was honoured with a presentation from the man of the night Noel Clancy.

## SCÓR NA BAÍSTI

It was a dramatic debut night for the youngest Scór dancers of Stradbally GAA. Scór na Baísti have not yet competed but are in rehearsals for next March when they will take to the stage to represent Stradbally. Their high energy was infectious and they flew around the floor with a spirit and enthusiasm that will take them far. The dancers are: Gillian Aherne, Emily Connors, Sam Condon, Nicola Fennell, Claire O'Brien, Eileen O'Brien, Claire Crowley and Aoife O'Keefe.

## BANGERS & MASH

A great feed was served up on the night, much thanks goes to the ladies, Breda Costelloe, Marie Curran and Margaret Cunningham who prepared the spuds, sausages, sandwiches and scones. Able servers on the night included Donald Sutherland and visitor James West.

## PRESENTATION

Stradbally GAA Chairman Pat Fennell praised the success of Noel, presenting him with a gift from the Club. Chairman of Stradbally Tourism & Enterprise Group Tom Hickey, while making a presentation from the Committee, also extolled Noel's All-Ireland achievement and hoped that more events like this could take place as a forum to foster traditional music especially amongst the young.

## FAHA - A REPORT FROM HOLY CROSS

The next public meeting to continue preparations for the bi-centenary of Faha Church in 2004, will take place in the Sacristy in Faha next Monday evening at 7.30 p.m. There is still plenty of room for many more to get involved as it is a big undertaking which will need plenty of involvement. The idea is that a number of people will combine their talents in organising catering for example, flower arrangements, transport, and parking to mention but a few things. Now is the time to contact family members who are away from home, so they can make arrangements to be present for what promises to be a gala occasion for the people of Faha.

## MEMORIAL MASS

Mass was celebrated in Our Lady of Willesden Church, Harlesden, London W.W.W. on Sunday October 19th for the repose of the soul of Ned Power late of faha and Deelish. Ned was a well known member of the congregation in Harlesden for many years and many of his for-

mer neighbours were present at the Mass along with Ned's daughter Marie, son Willie and their families and friends. It was a nice tribute to a man who gave so much of his time to help out in the parish and also organise social activities in the Parish Hall.

## MASSES

It will be a busy weekend in the local churches with the Holyday on Saturday November 1st to honour all saints. Followed by Sunday November 2nd when the faithful departed will be remembered in a special way. There will be vigil Masses in Ballylanean at 6.30 p.m. and Stradbally at 7.30 p.m. on Friday evening October 31st. The Masses on Saturday November 1st will be 10 a.m. in Faha and 11 a.m. in both Ballylanean and Stradbally. The 11 a.m. Mass in Stradbally will be the month's mind Mass for John Keane late of Ballinahila. There will be vigil Masses in both Ballylanean and Stradbally at 6.30 p.m. and 7.30 p.m. on Saturday evening and Masses on Sunday November 2nd will be at the usual times.

## HOLY SOULS

There will be Mass for the holy souls in Faha on Monday November 17th and in Stradbally on Monday November 24th both at 7.30 p.m. At each Mass special mention will be made of those who died since last November and a candle will be lit for each individual and also the congregation will be invited to light a candle to remember all their loved ones who have departed this life.

## Modeligo Parent & Toddler Group

The Halloween Party is almost here, this Friday 31st October at 11am Modeligo Community Centre. As the schools are closed for the holidays, last year's toddlers and junior classes are welcome. Don't forget to dress up in your Halloween costumes. Parents bring apples and treats. There will be fun, games, face painting and much more, so parents do come along with your children and join in on the fun.

The group will be having its first guest speaker on Friday 7th Nov., 10.30am in the Community Centre. She will be covering areas such as childhood illnesses and infections, antibiotic therapy and natural remedies.

The group will also be holding an informal gathering for expectant Mothers from the West Waterford area on Friday 21st Nov. from 11am to 12noon. We are calling the initiative MUMS 4 MUMS 2B and the idea is to offer advice and support on parenting issues. We hope to cover areas such as baby equipment, feeding, colic, postnatal depression and sibling rivalry. It is not intended to substitute the advice and care offered by health care professionals but we do hope that our personal experiences might help benefit first time mums.

The group continues as normal every Friday morning from 10.30 - 12 noon in Modeligo Community Centre. For further information contact Loretta at 47983 or Ann at 087-7841719.

### U-16/12 Munster Colleges Championship St Augustine's College, Dungarvan 2-14 Ard Scoil Ris, Limerick 3-11

In a very exciting match played on a perfect surface in Cashel, St Augustine's fought back with a last gasp point from Richie Foley to earn a deserved second bite of the cherry. The Friary played against the wind in the first half and were always on top with some excellent scores from Richie Foley, John Gorman and David Kett, including a cracking goal from a penalty per John Gorman.

On the turnover, The Limerick city side turned on the style. Only for some outstanding play in the full back line, including a brilliant penalty save by Stephen O'Keefe and some characteristically heroic bursts out of full back by Ciaran Manahan, the Friary would have been beaten here.

Stephen Enright had a great game in goal. Richie Foley too was outstanding and when he was switched back into defence he steadied the ship and in a final burst he went through to score a great point from play to level things.

It's worth noting that Abbeyside's two minor county hurling championship players, John Gorman and Richie Foley contributed 2-11 between them in this pulsating game.

Team: Stephen Enright, David Hennessy, Ciaran Manahan, Stephen O'Keefe, Terence Walsh, Brian Phelan, Cillian Denn, Richie Foley (0-8), JJ Devine, Shane Fives, John Gorman (2-3), David Kett (0-1), David Phelan (0-1), Nicholas Drohan (0-1), John Nugent. Subs used, Martin Curran and Daragh Harty.

### Cork City Gaol

Last Monday a group of third year students visited Cork City Gaol and Heritage centre. Here the student's found out about life in the 19th century through the true stories of prisoners who had been incarcerated there. They visited the cells where the prisoners were kept and where you had wax figures of the prisoners and guards. The real life stories of the prisoners and their sentences were very interesting. The Guide was excellent, very informative and answered all questions. The students were very grateful to Mr Donal Williams and Mr Pdraig MacCraith for organizing the trip and after lunch and shopping Mr MacCraith took some Art Students to visit The Crawford School of Art.

### University of Limerick Open Day

Last week forty seven Leaving Certificate Students visited the University of Limerick. The students were accompanied by Mr Joe Moynihan and Mr Paddy McGrath. The pupils took a tour of the main campus, met staff and viewed the extensive sports facilities. Students with an interest in Education, the Arts and Early Childhood Care travelled by taxi to the Mary Immaculate College, which is academically linked to the University of Limerick.

There was no winner for the draw on 20th of October. The numbers drawn were 3,4 and 11. The 20 euro winners were Phil Reynolds, Jerry O'Brien, Micheal Keating, Declan Carlton and Clem Curran. Next weeks jackpot is E1050.

### WESTERN FINAL

Ballinameela's footballers play in the western intermediate football final on Sunday next in the Fraher Field. They take on neighbours, The Brickey Rangers. This should be a very interesting match as a number of those involved with the Brickeys are living in the parish of Ballinameela so whatever the result there will be medals coming to the parish.

### SYMPATHY

There was a sense of great sadness covered the parish when the news of Donal Flynn's death spread last week. Donal had strong ties with Ballinameela from his time growing up in Whitechurch House. We offer all his family our deepest sympathy on this sad occasion.

Deepest sympathy to Fr. Garreth Desmond, our former Curate, on the recent death of his father Liam.

We also offer our condolences to Tom Barron and his family, Currowgariff, on the death of his mother Hanah.

## MELLERAY NOTES

### Glenview United A.F.C. Tony Bolger Plate S.F. Glenview United 3 Castlebridge Celtic 2

On Sunday morning last our eagerly awaited Plate semi final was played at the Cappoquin venue. Not having played for several weeks was a bit of a worry for our lads. On a beautiful sunny morning and a perfect pitch watched by a large crowd the scene was set for a great game of football. Both sides started well with Castlebridge the more physically stronger. We fell quite a bit behind after twenty minutes, but we were creating chances ourselves, having twice hit the crossbar, 1 goal to nil at half time.

Ten minutes into the second half disaster struck when Castlebridge scored again. Our lads responded almost immediately when John Broderick struck a great free kick all the way to the net. Within a minute Kevin O'Rourke hit a blistering

shot off the crossbar. We were then reduced to ten men when Eamon Nugent received his second yellow card. The character of this side would now be truly tested and they responded magnificently with Kevin O'Rourke getting on to a great through ball from Broderick. It was John Broderick again who wrapped up the game with a great individual goal to spark the scenes of great celebration. Our lads held their composure for the last quarter and ran out deserving winners. All thirteen players used played their part in what was a memorable victory.

Team on the day was: Curran, Power, Hennessy, Hennebry, Dowd, Collins, Broderick, Nugent, D. O'Rourke, K. O'Rourke, Bennett, McGrath, Byrne.

### Deise Draw

The final Deise Draw will take place on Friday night next in Colligan. Best of luck to all ticket holders.

## Ogra Waterford on Radiotherapy

On Saturday October 10th, the 67ú Fianna Fáil Ard Fheis took place. The Waterford Ogra delegation led by Maurice Walsh and Thomas Keogh had been expected to be in attendance after we announced on RTE Radio1 on Friday afternoon that we would be bringing with us the issue of Radiotherapy. Our delegation consisted of Maurice Walsh, Thomas Keogh, Brian Jordan and Bobby Byrne, young people willing to be radical in front of the main party.

Brian Jordan spoke to Minister Micheál Martin T.D. on this issue and presented to him a letter expressing the concerns of Waterford. Thomas Keogh and Maurice Walsh presented a similar letter to Martin Cullen T. D. Understand that discussion and criticism is welcome in Fianna Fáil because to avoid it means say nothing, do nothing and be nothing. Ogra knows that Michael Martin is the man to turn around the Health system with health investment for 2003 at 9.2 billion euro, an increase of 162% since 1997. There are 900 new residential places, 525 respite places and 75% of the 121 actions of the Health Strategy are being implemented, this in the first two years of a 7-year plan.

One removes a mountain by carrying away

small stones. We all know the mountain that needed to be climbed to reach a Radiotherapy unit in Dublin. We will now get one in Galway and Cork, which will be a greatly expanded service for Ireland but it, does not end there for us. We must continue carrying away those stones and turn them into the bricks of a Radiotherapy unit in Waterford. It is hard to see such an issue politicised when we all have experienced either the emotional or physical venom of cancer. However it is through political discourse that we will achieve our goal. Ogra Waterford works inside Fianna Fáil on this issue, that is our way of helping this cause. We are but one of many workers on this issue.

Ogra's interest is in the future of Fianna Fáil and we like the vision we have of the future of Waterford and in that vision we can see a Radiotherapy unit in Waterford Regional Hospital. We are confident in our Ministers, our party and the future Health of the nation.

The motto for Ogra is "we are here, we are acting and we will not go away". Saol fada chugat.

Brian Jordan, PRO Waterford City Ogra C.C. 085 7197704

Shane Toomey, Ogra Dungarvan.

# "Substantial" Amount Of Waste Illegally Dumped At Cappagh And Stradbally

KEVIN KIRRANE

Waterford County Council have sent litter fines to the residents of an estate in Waterford City following the discovery of waste illegally dumped at a number of locations in the county.

A spokesperson for the County Council said they have a good indication of the origin of the recent litter finds.

A large number of black sacks filled with waste were discovered near the Cove at Ballyvooney, Stradbally, and at a remote woodland area at Knockcullen, Cappagh. The spokesperson described the find in Knockcullen as involving a "substantial amount of waste - a number of car trailer loads."

"It's true that a number of litter finds in the county originated from households in Waterford City," he told the Dungarvan Leader on Friday last. "But any waste dumped within the county falls within our jurisdiction."

Following the find, it emerged that several bags of waste contained documentation bearing the names of residents of a Waterford City estate. The residents are claiming they were duped by a "cowboy" waste operator, who charged them 60 euros to dispose of the waste.

Waterford County Council has since sent litter fines under the Litter Act to those whose names were on the documentation. Each of those involved will receive a litter fine of 125 euros and a further 100 euros clean up charge.

If they fail to pay, the County

### SLIGHT INCREASE IN ILLEGAL DUMPING

The council spokesperson

also confirmed there has been a slight increase in the incidences of illegal dumping in recent months.

would ask the public to notify us immediately if they notice refuse being dumped or having been dumped to allow us to respond quickly to any further incidences."

## Gardai Investigating Murder Of 50-Year-Old Rambler

KEVIN KIRRANE

A fifty-year-old man from Co. Armagh who lived in Dungarvan on a number of occasions was violently murdered in Athlone recently.

Michael Chambers, originally from Lurgan, Co. Armagh, was found beaten to death under a bridge in Athlone, recently.

He had been living in sheltered accommodation in Mitchelstown, Co. Cork, but had left after his room was burgled the week before.

It's believed Mr. Chambers had been on his way back to his mother's, Irene Chambers home in Tainnavan Estate in Lurgan.

Mr. Chambers was described as a rambler and had lived in virtually every town and city in Ireland, and had stayed in Dungarvan for occasionally lengthy durations.

Gardai are currently investigating what occurred in the lead up to Mr. Chambers' death.

to stop the developments that are going on inside there," he claimed. "And, it's a pity these objections are going in. But again, as I have said on numerous occasions, we live in a democracy, and the people have a right to object."

However, he agreed that the O'Connell Street traders have a valid objection.

"The idea was to get as many accesses as possible in and out of the development so the O'Connell Street traders and the business people in the square wouldn't lose out to the new development." According to Cllr. O'Riordan these accesses were proposed originally on the site, but An Bord Pleanala themselves prevented this from happening with a condition in its May ruling. This includes a condition requiring the screen-

ing off of the back of the houses on O'Connell Street.

"It's an unusual one to look at," he added.

"They have their rights," Cllr. O'Riordan said, "and it will be very interesting to see what view An Bord Pleanala take on it."

It's believed, that following An Bord Pleanala's ruling last May, Mr. Houlihan - the owner of Lenihane's Bakery - decided to "go it alone" as he was unhappy with aspects of the ruling which affected Blocks A and B. Both blocks were the only aspects of the overall development significantly altered and prevented by An Bord Pleanala's ruling.

It's now expected, An Bord Pleanala will rule on whether to grant or overturn permission for the development in four to six months.

### The Break

We are gone on our two month winter break and look forward to starting back on the 4th of January 2004. That does not mean we are not still active. We plan to have our Christmas card out soon after Halloween and will still have our monthly meetings. The gap will also give us a chance to tidy up our collections and make new additions. When we come back we plan to add the book 'Ice Man' to our Abbeyside School Collection.

## QUIZ NIGHTS TO HIT €50,000 BY END OF NOVEMBER

The very successful fun charity quizzes, which take place every Thursday night in Minnies have been raising much needed funds for local and national charities over the past 14 months. A lot of money has been raised during that period and the organisers hope that by the end of November the amount will have reached 50,000. This is an exceptional amount of money and great credit must go to the people who turn up every week to support the various charities. This Thursday night all the money raised will go to MS. You are most welcome to come along and lend your support to this very worthy cause. The quiz gets underway at 9 p.m. and it is €12 per table of three.

# CREDIBLE PERFORMANCE BY BALLINACOURTY

This was always going to be a fifty-fifty game and so it proved as Ballinacourty trailing by three points were awarded a penalty in injury time for a dangerous tackle on Gary Hurney as he shot for goal. Declan Fives stepped up but his low hard shot for the corner was brilliantly saved by John Moroney in the Tramore goal. Disappointment for all connected with Ballinacourty but at least the spirit and attitude was right compared to last years gutless performance against Rathgormack in the semi final.

Ballinacourty made the better start to a low scoring contest when Declan Fives and Gary Hurney scored points inside two minutes of the throw in. Number eight Gary Hurney and full forward Ian Kiely has

swapped positions and this tactic worked in the early stages with Ian Kiely fielding some good balls at centre field. However, Tramore worked the ball upfield in a classy passing movement and Bob Costello had the simple task of shooting the ball to the net in the seventh minute. Tramore shot a number of wides before Lee Quilty pointed a free in the eighteenth minute. Tramore were getting their game together and another fine passing movement opened up the 'Courty defence and full forward Mark Power was left with the simple task of palming the ball to the net. Brian O'Connor dominated mid field for Tramore during the latter period of the first half but their only score was a pointed free in the

twenty third minute. Ballinacourty responded and were rewarded with a spectacular point from corner forward Michael Enright. Half time: Ballinacourty 0-3 Tramore 2-2.

### Substitutions

Ballinacourty introduced minors Mark Fives and Patrick Hurney for the second half and there was a huge improvement in their standard of play. Ian Kiely now at full forward kicked the ball high over the bar and Declan Fives pointed a free. Gary Hurney reduced Tramore's lead to a point with an excellent point. However, Tramore could put the passes together and Mark Power and Michael O'Donoghue scored points from play. Ballinacourty applied pressure but their shooting was erratic and the number of wides mounted. Conor Barrett replaced Ian

Kiely but the standard of play was poor overall as the game entered the closing stages. Finally, Ballinacourty got a passing movement together and Patrick Hurney rounded it off with a good score. Then came the injury time penalty save which denied the local team the draw they deserved on the day.

Ballinacourty: Alan Landers, John Phelan, Jonathan Moore, Gavin Breen, Brian Hayes, Laurence Hurney, Rick Hanrahan, Shane Briggs, Gary Hurney, John Hurney, Willie Fennell, Patrick Lynch, Declan Fives, Ian Kiely, Michael Enright, Declan Enright, Keith Browne, Seamus Lavan, Conor Barrett, Mark Fives, Patrick Hurney, John Kindergan, Joey Mullen, Simon Hanrahan, Michael Fives, Martin Lavan, David Cashin, Liam Briggs, Damien Cliffe.

## THE POND

The surface of the pond has deteriorated in recent times. It badly needs a complete refurbishment and although a new tarmac surface would be expensive it would be the best solution to the problem that exists there.

## MURPHY PLACE FOOTPATHS

The problem there is still unsolved despite four years of lobbying by Councillor Michael O'Riordan. It really is time the Town Council took the problem in hand and make the footpaths safe for pedestrians.

## WALTON PARK

There is a possibility that the Town Council will further develop Walton Park. The plan envisages the construction of water features similar to the ones in Lismore's Millennium park. This would complement the playground and the tennis courts and generally make the park a more relaxing place to while away some spare time.

# LOCAL HISTORY

In 1899 the local government of the town and district was changed radically. The old Grand Jury was replaced in 1899 by Waterford County Council, which had its offices in Dungarvan after a first meeting in Waterford city. The Town Commissioners were replaced by the Urban District Council and by one Rural District Council, which cared for the rural area. The right to vote in the elections for these bodies was granted to anyone who owned, rented or leased property worth £4. It has been £10 in parliamentary elections.

Although it enfranchised small farmers and business people, it excluded a very large number of the population. However, for the first time women were given the right to vote in an election if they were householders in their own right or wives of a man qualified to vote. They still had no vote at general elections.

The first Urban District Council in Dungarvan met in April 1899. The Chairman was James Hayes, a grocer of 1 Main St. The other members with their addresses and occupations were as follows: Thomas O'Connor, boot-maker and saddler at 66 Main St., Thomas Power, provision dealer and cooper at 22 Main Street, Michael Barry, a grocer on the Square, Patrick and Thomas Veale, of the family of John Veale, grocer at 88 Main Street., James Whelan, grocer at 22 Mary Street, Patrick Sheehan, earthenware and coal dealer at 62 Main Street, Edmond Keohan, photographer and stationer at 17 Main Street, John Walsh, publican on the Quay, James Dunne, Tobacconist, Main Street, John Griffin, grocer and wheelwright, Abbeyside, Patrick Curran, grocer and coal merchant on the Quay was appointed Harbour Master, the Town Clerk was Thomas Fitzgerald and the Medical Officer was Dr. John W. Williams. The Urban District Council met in the Town Hall where formerly the Town Commissioners had assembled.

# ABBEYSIDE SCOUT NOTES

On Saturday night last at 7:00pm, the cubs and scouts gathered at Cappelquin Scout den for a troop hike. Once everyone had gathered, the 'chipper up the road' was to be the first stop off point in order that all concerned would not be marching on an empty belly ('Napoleon' would have been proud). The first group to leave were the cubs under the watchful eye of Kieran Harty and the Eagle patrol, then once the cubs arrived back to the den with their grub the Wolf and Tiger patrols followed the trail to the chipper. By splitting up the patrols and cubs in this way it meant there was not a large group of hikers on the road at the same time. The first group to arrive at the gates to the Glen, the cubs, were surprised to see the local fire brigade with all lights flashing out in force. They were in the process of dismantling the barrier at the gate in order to gain access to the roadway so that they could help the I.S.P.C.A. rescue a large goat in order trapped in the river. The walk up the glen was very dark but as all had their torches it seemed to turn night into day. Indeed one topic of conversation on the way was with regard to the various type of torches everyone had, where they got them and how much they cost. On arrival at the glen all helped to gather fire wood for the campfire. When the fire was lit a number of songs were sung which was then followed by a number of games including hide and seek, which proved very difficult in the inky blackness of Glenshellane. The Patrol leaders Michael, Jason and Rory had a tough time finding their way back to the camp fire circle even though they were only one hundred yards away, the cubs said they would buy a compass each for Christmas. Ten o'clock arrived far too quickly for some as the lights from the cars coming to collect the cubs and scouts lit up the dark night, all climbed aboard and headed home after another successful and enjoyable hike.

### Attention Cubs

Due to the Halloween weekend no cub meeting will be held this Saturday night, 1st of November. The next cub meeting will be on Saturday, 8th November and will be a full uniform one. Any cub who would like to try to gain a hiker merit badge to be worn on his uniform, should have his hike log/report written out and handed in for this meeting.

### Attention Scouts

The scout meeting this weekend will be held on Sunday morning, 2nd of November from 11:30am until 1pm and will be full uniform one. The reason for this is the annual camp 2003 patrol leaders will be going on their annual post camp outing on Saturday night.

**SHEEP: SPRING GRASS**

Delaying closing dates this winter will save some Euro now, but cost a lot more next spring. It is still a problem on sheep farms – ewes kept out too long in winter leading to insufficient grass in spring. The last solution is to feed meals.

**CLOSE NOW**

By the 1st November start closing fields for grass in late February/early March. Identify the fields you want to close first and arrange a rotation so that you close fields in the sequence you require. Fields near the sheep house should be closed first, they will be used at the start of lambing.

Closing now and spreading nitrogen in January should give a good cover of grass in March. Do not be tempted to re-graze in December even though there may be some nice regrowth, especially in fields closed in early November.

A ewe is easier to keep now than in March. In mid-pregnancy she will comfortably survive on 1 kg of grass dry matter (equivalent to 5 kg of fresh pit silage or 1.15 kg of meal). During lactation the ewe's requirement will increase up to 3 kg of grass dry matter. Therefore every effort should be made to have this grass available in spring.

**CATTLE: Selecting Replacements for the Suckler Herd**

An increasing number of weanling producers are now breeding their replacement heifers from within their own herd. Generally the larger farmers have (or should have) a specific breeding policy for the production of good replacements.

This can be done by using A.I. on selected cows. There are a number of Charolais and Limousin bulls available from the A.I. service with proven records for maternal traits. Although not maternally tested, many of the Simmental bulls available from A.I. can be used for the production of replacements.

For the farmer who is confined to using one terminal sire and is not in a position to use A.I. the selection of breeding stock from within his own herd is much more difficult. In this case the farmer should concentrate in having a number (minimum 30% of herd) of good cross cows from the dairy herd and selecting their progeny as replacements. In practice this would mean the farmer would be buying a little over one third of his replacements per year.

The replacement heifers should be selected from cows with good functional traits such as good feet and legs, good udder and teat placement, and a proven record of good fertility and progeny performance.

Milk production in the suckler herd is now becoming the subject of much debate, especially in the case of bred continental cows. Many farmers think they can make up any loss in performance due to reduced milk production with increased meal feeding. This is an extra cost that the farmer could do without. Milk yield of the dam should be carefully considered when selecting heifers for breeding.

**SELECTING THE HEIFERS**

Having identified heifers from suitable cows and bulls, the farmer now has the problem of selecting the most suitable for breeding. The heifer should have the potential to develop into a grower R Grade cow. There are indications, especially from Scotland, that where farmers selected heifers with very good muscle development (generally E & U grade heifers) there was an increase in calving difficulty and a decrease in fertility.

**CATTLE ON AUTUMN GRASS**

Some farmers think that they will have a short Winter due to the high grass growth and favourable weather conditions. This may be true in the case of suckler cows and to a lesser extent for weanlings but not for 1-year old beef cattle. The fields may look green but the grass, due to a number of factors such as low stocking rate and the recent high growth rate contains a lot of white butt this year. The quality of the grass is insufficient for maintenance plus a reasonable growth rate in the case of forward stores weighing over 500kgs. In fact they could be losing weight and during October and definitely in November. Their cattle should be housed as soon as possible if good growth rates are to be maintained. Later grazing should be confined to suckler cows and weanlings.

**FARM FORESTRY****Meeting on First Thinning of Farm Forests**

A good thinning programme can increase the value of final crop timber by as much as 40% in well-managed forests. The crucial issues of actually getting farm forests thinned, the costs involved and finding markets for thinnings will be discussed at a meeting in the Hotel Minella, Clonmel on Tuesday November 4th at 8.00 pm. The Forest Service and Teagasc invite farm forest owners, timber buyers and haulage and harvesting contractors to attend.

The purpose of the meeting is to provide an opportunity for farm forest owners, haulage and harvesting contractors and timber buyers to come together to discuss first thinning, including planning to get the work done and the timber sold. All involved in providing services to forest owners are invited, including forestry consultants, co-op personnel and forest management companies.

Last month, over 700 Farm Forest owners who have plantations over 10 years old attended very informative Field Evenings in every County on Preparing for First Thinning. At these Field Evenings, which were held on farm forest sites, the issues of actually organising the thinning of farm forests, the costs involved and finding markets for first thinnings were deemed crucial by all in attendance. The Forest Service and Teagasc urge all involved not to miss this opportunity to attend this follow-up meeting.

By the year 2015, the farm forestry sector will account for almost 25% of all Irish timber production and an increasing percentage thereafter. It is vital that farm forests are managed well and that every effort is made to ensure that a well-structured thinning service infrastructure is in place for the farm forestry sector.

**IMPORTANT EVENTS**

Farm Safety Statement: A farm safety course will take place in Teagasc, Dungarvan on Nov. 19 & 20 10. - 1 p.m. and December 3rd 10.00 - 4.00 p.m. All participants will have a safety statement for their own farm fully completed by the end of the course.

**FARMING LEADER****SOUTHEAST ICMSA NEWS  
DAIRY FARMERS MUST UNITE AGAINST LATEST THREAT**

"All dairy farmers must unite to defeat the latest threat to their incomes. The latest challenge from the multiples will destroy the livelihoods of thousands of liquid milk producers. This is a time for action and solidarity", said Mr. Pat O'Rourke, President of the ICMSA.

"The reality is that if farmers do not supply milk unless they get a proper price, retailers will not be able to sell below the cost of production. Farmers in all parts of Ireland have a common interest to get a fair return from the market place. The recently established British and Dairy Farmers' Forum has already decided to address this issue. The decision of multiples and the threat to liquid milk producers which has emerged must be met head-on", said Mr. O'Rourke.

"The reaction of some Co-ops to this development is to threaten to withdraw farmer contracts which is a blatant breach of farmers rights and the rules set out in the National Milk Agency Act. This Act states that extra costs for production of liquid milk must be taken into account. The Minister and the Government have a key role to play in this regard to ensure that the interests of producers and consumers are protected".

"Retailers should not underestimate the determination of dairy farmers in all parts of Ireland and Britain to demand a fair return. The day when retailers could play-off one group of farmers against the other is over", concluded Mr. O'Rourke.

**ICMSA CALL FOR BUDGET 2004 TO FOCUS ON FARM INCOMES**

"The Minister for Finance must take steps to reduce the cost burden on Irish farming". This was stated by Mr. Pat O'Rourke, President of ICMSA following presentation of the Association's Pre-Budget Submission to the Minister. In the 2003 Book of Estimates and Budget 2003, the Government imposed costs of over 70 million on the farming sector. This is clearly unacceptable and this situation must be changed. ICMSA is calling for increases in the VAT rebate to farmers, a reduction in disease levies and changes to the stamp duty and capital allowances regimes to reduce costs on farmers in Budget 2004.

"The Government has committed itself in the 'Sustaining Progress Agreement' to ensuring a fair and balanced taxation system and in order to achieve this, Minister McCreery must finally abolish the PAYE tax credit in Budget 2004 and replace it with improved personal tax credits for all taxpayers", said Mr. O'Rourke.

**Waterford Farmer Gets Firsthand Insight into American Farming**

Rosemary Kennedy, Rathgormack, winner of the 2003 FBD Scholarship Tour in Co. Waterford was one of a group of farmers drawn from 938 IFA Branches for their voluntary help in developing the Association's membership. Here she writes of her experience on her visit to America and particularly the mid-west states of Wisconsin and Illinois and outlines some of the challenges and opportunities which the USA presents for Ireland's farming and food industry.

Recently, 30 IFA Branch members travelled to the USA to learn firsthand what impact the WTO negotiations would have on EU and Irish farming. The Scholarship Tour, sponsored by FBD Insurance, visited farms and met with Government representatives, co-ops and farming leaders throughout Wisconsin and Illinois and visited the world renowned Madison Dairy Show.

While agriculture in the USA as a whole, is responsible for only 1% of the economic activity in the country, the farming and food industry plays a particularly important role in the mid-west states of Wisconsin and Illinois.

The farmers there are predominantly in milk and corn production and the average farm size is significantly bigger than Ireland's with dairy farmers producing over 1m litres of milk on average and with most tillage farmers are farming well in excess of 1,000 ac.

Speaking to US farmers, their plans for the future are to expand production, diversify into added value products such as on-farm cheese production and agri-tourism and work hard at improving cost efficiencies to stay profitable. Farmers see the cost of expansion and, particularly, the cost of complying with an increasing amount of environmental rules and regulations as the biggest threat to their viability. In addition, some farmers trying to develop

very large units are being challenged by the concerns of the general public to factory farming.

Commenting on the thinking of US farmers, Rosemary Kennedy said that the farm input industry in Ireland would have to rationalise and help

drive down costs of production. He said: "American farmers enjoy cheaper input prices, particularly on fertilisers, sprays and feed. In addition, interest rates are lower and the minimum labour charge is significantly lower than that in Ireland."

The courts were busy this week with three home games on Wednesday night and two on Thursday night. All five teams were victorious with a few 4-0 scorelines

Division 1 men were hosts to Terrerath who provided them with some very tough opposition. A couple of three setters went Lismore's way to give them A 3-1 win. Team; Pa Morrissey, Colin Coleman, John Pratt, Kieran Cahill.

Division Two ladies played neighbours Tourin and our very strong team took all four games on the night. Team; Mag Morrissey, Nicola Morrissey, Mary Murphy, Isabel McGrath.

Div four Ladies had Tallow as visitors and in some very tight games the winning ace was Lismore's to give the girls A 4-0 victory. Team: Maria Prendergast, Myra Ryan, Daphne Power, and Siobhan Ballantine.

Division Five ladies had a similar result taking all four points from visitor's Waterford without too much difficulty. Team: Breda Geoheghan, Cathleen O'Gorman, Linda Owens, Linda Bennett (sub).

## COVENT GARDEN SOPRANO FOR CHRISTMAS CONCERT

Lismore Choir celebrates its 21st Anniversary through the 2003 - 2004 season. A wonderful selection of major concerts, workshops and travel is planned to mark this occasion. The first of these concerts will be the annual Christmas Concert at Lismore Castle on the 13th, 14th and 15th December next. This is traditionally a Gala Weekend with wonderful seasonal music, mulled wine, mince pies and the comfort of the Banqueting Hall of the Castle, but this year the committee is excited to have secured the services of one of the finest young voices in Europe today, as our guest.

Elisabeth Woods, who is at present singing out of The Royal Opera House Covent Garden, has agreed to sing with the choir for the three Christmas Concerts. Elisabeth has studied under Dame Joan Sutherland and Dianne Furlane and has performed all over the world in Opera, Light Opera and recitals and there is no doubt but she will bring that special Christmas feeling to the Castle Concerts. Full details will appear closer to the time but remember those dates, Saturday 13th, Sunday 14th and Monday 15th December.

## CAPPOQUIN/AFFANE G.A.A. NOTES

### Club Lotto

At the Blackwater House on Monday, 20th October the numbers drawn were 5-8-14-16 and there was no jackpot winner. Consolation prizes of 20e went to each of the following: Paul Ormonde, Green Street; Rita McCarthy, Salterbridge; Triona Osbourne, c/o Central Bar; Dick McCarthy, Barrack Street and Philly Kiely, London. This weeks draw was held in the 'Sportsmans Bar' on Monday and the jackpot was 3,600e. Results will appear in this section next week.

The History of Cappoquin/Affane G.A.A. Club Pat Casey is at present completing the history of the Cappoquin/Affane club at present. Any of you out there with old or new photographs, programmes or memorabilia could you please drop them into the 'Thousandaire Tailor' Noel Lonergan or contact Pat at 058 56748. All items will be photocopied and returned promptly.

### The Sportsfield Is Just Not Good Enough

The powers that be in the Western Board who made fixtures have spelled it out loud and clear that grounds like Cappoquin Sportsfield are not fit to hold a Western final even when it is ideally geographically located for both clubs and has a far superior surface than the ground that is being used at the moment, which should be in superb conditions next spring, but not at the moment. As it stands it looks like a grid iron field in Dubai with the drainage lines running across it. It is not too long ago when the Nire and Dungarvan played a senior football final in Cappoquin. There was also a time in the

1970's when Waterford played a lot of their National league games there because the Fraher Field was closed down.

### Well Done

Well done to Ballinwillin on winning the Junior B Football title.

### U16 Western Hurling Final

This Sunday in Bushy Park, Cappoquin U16 hurlers take on St. Pat's (St. Mary's, Sliabh gCua, Modeligo, Colligan, Kilgobnet combination) in the Western Division 2 final at Bushy Park at 11am. All your support for the lads would be appreciated.

### U21 Hurling County Final

No date has yet been fixed for our U21 county final. In fair-

ness to the Western board they did a great job this year in running this championship so efficiently. The county board should at this stage know well that club teams do not run on fresh air between training teams, transport and medical expenses it all adds up. So why had this championship been drawn out for seven months at this stage when it could have been run in two months at max. Does it now, now seem ludicrous that Fourmilewater were thrown out of the championship in which they would have had a right chance of winning because they wanted one week off in May because of University examinations and still the championship has yet to be completed.

### Three To Answer

## BRIDEVIEW UNITED A.F.C. NOTES

# Tony Bolger Cup Semi Final — United Reach Final

### Brideview United 4

#### Kilworth Celtic 2

We advanced to the Tony Bolger Cup final after defeating Kilworth Celtic in Lismore. Overall we deserved to win against a young Kilworth side. Our goals came from the Henley brothers Roy and Brian, Michael Keating and William O'Neill. Manager Mick Sheehan was pleased with the performance but it did take some time for us to get on top and perhaps it was our experience that won it on the day. United now meet neighbours Valley Rangers in the final. Full match report in the Red House League notes.

United: B. Sheehan, G. O'Neill, W. Murphy, D. Martin, J. Beecher, B. Henley, J.P. Grey, G. Doyle, R. Henley, W. Curley, M. Keating.

Res used: W. O'Neill, M. Curley, W. Henley, B. Donnelly, T. McSweeney, S. Pratt.

#### Lotto Jackpot 3,150 Euro

Last weeks numbers 10-21-23-24. No winner. Match 3 winners: Margaret Tobin and Adrian Hickey. Next weeks draw takes place in Luke McCarthy's at 10pm.

#### Birthday Greetings

To Ciara Henley who celebrates her 18th birthday. It's great to be young. Then we go the Green Road where Una Geary celebrates her birthday on Wednesday, I think.

#### News To Hand

A lot of news this week comes from Athlone where a big group of locals attended a wedding. A marvellous time was had by all. We had the Irish dancers, the Spirit dancers and then we had Cllr. James Tobin and his charming wife Ann give a terrific exhibition of dancing. Even Paddy was taken back by James. Real quality he said. This wedding got off to a good start in the church where a change of shoes had to take place due to the 'Help Me' message. Ha! Ha! Martin did a lot of damage with his crutch. Nuala was keeping a close eye on him. Patti was worried about Paddy's thing. It kept going in and out all day and all night. Ha! Ha!. The drummer was keeping an eye on Margaret Mai and Mary and did a great job. While Ger had his hands full with the East Cork girl. The Gaeltacht girl and hubby also enjoyed the craic. At 2:45am

we had the main speech of the day or should I say night from James. Father Griffen kept a close eye on everyone. Overall a very good day and John and Ann were delighted with the speech as indeed was Michael and Dolly. The Cllr. has a way with words.

#### Big Game For Brideview United

Yes, Sunday next sees Hibs from Waterford visit Tallow in the F.A.I. Junior cup. Hibs top of the Premier league in Waterford are one of the top clubs in the city at the moment and will no doubt start firm favourites to advance on Sunday next. These sides met again a few years ago in Waterford and after a four goal thriller, Hibs ran out winners after a penalty shootout. This is a big game for Brideview, and will indeed be followed soon by another big game when Piltown from Kilkenny will visit Tallow.

These are the games that the club look forward to and lets hope the lads will hit top form on the day. United should have a full squad to choose from and it will be interesting to see what team United will put out here. Managers Mick Sheehan and Tomas McCarthy have the job of doing this and I am sure they will get it right. This is a major task especially with so many young players coming through at the moment. This is of course due to the great work being done at Schoolboy level. Here Liam Aherne, Frank and Sheila Power, Noel and Mary Cunningham, Brian Donnelly and Ian Farmer are doing trojan work. Indeed I understand that at least four more adults are taking up the coaching of the schoolboy sides. The more the merrier as the saying goes. Much debate will take place during the week no doubt on the picking of the team for Sunday. Of course come Sunday there are going to be some players not happy. However, there is very little the managers can do. All in the club wish the lads the best of luck on Sunday in what will be a difficult game for United. I understand Hibs will be staying in town for a while so we could have a good craic after the match either celebrating or drowning our sorrows.

#### Please Support

We would ask our supporters to come out in force and give the lads your vital support on Sunday.

### F.A.I. Junior Cup

## Brideview Utd Schoolboy's Soccer Notes

U14's RESULT: Brideview Utd (10) V (7) GAELTACHT.

OZZY and the TWISTER enjoy goal feast.

Yes the scoreline was 10-7 in favour of Brideview Utd last Saturday when we travelled to play Gaeltacht.

The first half saw Brideview dominate when as early as 5mins Philip (Philo) Cunningham met a Thomas Ryan cross on the volley only to see the keeper save at the second attempt. On 7mins the ever tormenting duo of Ryan and Owens combined to see the Ozz man open the scoring, a minute later Ryan tore through the defence to see his shot go across the goal for William (the Wizzard) Cashman to slot home 2-0. A terrific solo effort saw the Twister Ryan open his account 3-0.

The home side had chances and on 15mins pounced on a mix up in defence to score 3-1. Joey (the Yank) Power in goal made a great save soon after when the Gaeltacht forward looked certain to score. John (Ozzy) Owens used his strength and speed to persevere when making it 4-1. Our back line of Keith

(Boneshaker) Hallahan, Dean (Deano) Pratt, John (Coolio) Prendergast and Shaun (the Slider) O'Sullivan seemed in control. Hallahan ran the length of the field to shoot at goal and nearly score. He was so far forward that on the way back his

passport had to be checked. A super passage of three touch football saw the Yank Joey kick out to Philo who with his first touch found Ryan who inturn shot to the net 5-1. Gaeltacht from a corner made it 5-2 but again Ryan was put through by Sean (the Rebel) Long to score his hatrick. Half-time 6-2.

The second half saw Gaeltacht take advantage of the sloping pitch to score two quick goals, game now on at 6-4. John Owens took off on another solo run to make it 7-4 but the home side replied with 3 goals of their own 7-7. On the side line Manager Noel (the Gaffer) Cunningham who was being helped by his son Noel jnr (is this a first for Brideview, a father and son coaching team?) made positional changes and introduced both subs available to them. Shane (Sol) Ahern who was returning from a niggling groin injury and Donnacha (Tyronne) Mulcahy made an impact and steadied the team. A penalty converted by the Twister put us ahead again 8-7. Ozzy played through to Ryan-goal 9-7, and to finish up the Ozz man got his fourth and Brideview's 10th to make it 10-7. Incredible stuff.

On the day Joey Power in goal continued to stake a claim for the no1 shirt, defenders Hallahan, Pratt (capt), Prendergast and O'Sullivan did well. In midfield Cashman, Long, Cunningham and Kevin (the Dynamo) Curley battled long and hard while Ryan and Owens proved a lethal scoring duo. A goal feast

indeed. Captain: Dean Pratt. Man of the Match: Jaysus (the gaffer kept calling out to him??).

Goal of the Game: any of Ryan and Owens, Moan of the Game: The Gaffer (when the score was 7-7). Tackle of the Game: The Boneshaker.

## Sympathy

The death of Donal Flynn took place on Tuesday evening, October 21st following a long illness fought with great courage and dignity. During his short but very full life, Donal achieved more than most who live to a great old age. Donal like each of his brothers was an optimist.

His career in the hotel industry began almost the day he was born like all successful family enterprises, growing up Donal and his brothers all had an active role in all aspects of the business. They were greatly influenced by their remarkable Mum Dottie and in recent years they expanded their business interests and purchasing hotels at various locations throughout the country.

Donal was a man of industry and hard work. In the eyes of his employees he was always a fair and honourable employer. His instructions were always clear and never over demanding. It was not unusual to see Donal working hard hand in hand with the staff at the Park wherever help was needed.

Donal's death has left a huge void in the family dynasty. His family and friends have all been deeply saddened by his passing.

He will be greatly missed by his wife Evie, his mother Dottie, his brothers Niall, Allen, John and Pierce, their families and all his relatives and a huge circle of friends to whom we tender our deepest and heartfelt sympathy.

## Sympathy

Denis, a well known, hard working and popular Youghal Town Councillor died unexpectedly at this home on Monday, October 13th. Throughout his public life, his contribution to Youghal Town was immense. He worked with great zeal and zest for the people he represented. His popularity extended far beyond the bounds of Youghal town.

His passing is a huge loss not only to his family and friends but also to the entire population of the town of which he was so very proud.

Ar dheis Dé go raibh a anam.

# In Appreciation Of Molly Veale

## Springfield, Kinsalebeg

Molly Veale was a much loved figure among the community in which she lived. She was a very energetic, positive and strong character, her warm and humorous personality and her deep spiritual faith, reflected on everyone who came in to contact with her in her daily life.

A member of an old local Clashmore family, Molly was one of six children of Patrick and Katie Bage, Ballyheeny. Educated at Clashmore National School and Youghal Technical College, Molly began her working career with the Roche family at Woodbine Hill, in an era when times were hard in Ireland, travel offered greater opportunities.

No stranger to hard work Molly too took the opportunity to travel, first to Limerick where her sister Kathleen Twomey and family resided then to England. Despite all far away places had to offer her heart was always in West Waterford and she returned home in the late 1950's.

Following her marriage to Johnny Veale she moved to the other end of the Parish, to Springfield in Monatrea, where she and Johnny successfully combined the business of a shop and farm, raised a family of three children and Molly also cared for her brother-in-law Denis until his death in 1970.

When her husband Johnny was taken ill she lovingly cared for him until his death in 1992. Despite all the crosses which Molly endured throughout her life, this remarkable lady never doubted God's love for her. Her strong personal faith sustained her through all her difficulties. Her great devotion and commitment to her Christian faith were evident in her regular attendance at Mass and all the Church services especially on Mondays at exposition in Piltown.

Molly was a tremendous family woman and took great pride in the achievements and successes of her family, how proud she would have been to see her daughter Geraldine co-opted on to a seat in Waterford County Council, sadly that was not to be.

Molly was a well-read and most knowledgeable lady, she enjoyed reading and looked forward to the daily paper. She was held in high esteem by all who knew her especially among her neighbours, Nonie Connors and Nellie O'Brien, whom she used to visit on a daily basis, when "Topics" of local and national "importance" were discussed. A most remarkable lady who lived life to the full.

Until her illness in March, in the weeks that followed Molly was lovingly cared for by her family and by the staff at Youghal Hospital where she died peacefully on Saturday September 13th. Reposing at Egans Funeral Home Youghal, the huge crowd who attended her removal which took place to Piltown church on Monday evening and again at Requiem Mass on Tuesday, following which Molly was laid to rest in the adjoining cemetery was ample testimony to the respect and high esteem in, which Molly was held.

To her loving family, her daughter Geraldine, sons Michael and John her daughters-in-law Nora and Wendy her granddaughter Amanda, her brother Pa and Richie, who sadly died during the past week in England. All their relatives and wide circle of friends we extend our deepest and heart felt sympathy. Eternal rest o Lord grant to Molly and Richie, may they rest in peace.

# DISABILITY AWARENESS

## ALZHEIMER'S DISEASE

### What is Alzheimer's Disease?

Alzheimer's disease is a form of dementia, there are several kinds of dementia, but this article is concentrating on the form of dementia called Alzheimer's disease.

Alzheimer's disease is the most common form of dementia, and the brain cells are slowly destroyed. During the course of the disability the chemistry of the brain changes and cells, nerves and transmitters are attacked. This leads to the brain shrinking and the disability is caused by the progressive degeneration of brain cells. It is most common in people aged 65 and older.

### Symptoms of Alzheimer's Disease

This disability begins with memory loss, mood swings, confusion, problems with language, disorientation to time and place (a person with Alzheimer's can forget what year it is and get lost in their own home), normal household chores can become difficult, and this can cause irritability and apathy.

As the disability advances, symptoms become increasingly frightening, especially for the families, the person with the Alzheimer's disease will forget names of close family members, dressing, personal hygiene and wandering off can also cause problems.

Early diagnoses is very important, so that people with Alzheimer's and their Carers can get the support and help that is available. An early diagnosis is vital, because medical professionals can treat symptoms such as depression and the side effects from medications, which aggravate Alzheimer's disease.

### Treatment and Outlook for people with Alzheimer's

New drug treatments such as Aricept and Exelon have been proved to be most effective in patients in the early stages of the disability, these drugs do not cure the disability but at present the main function is to delay the progression of Alzheimer's. There is no cure for Alzheimer's, but the symptoms such as depression and agitation can be treated with medication. It is also vital that the person with Alzheimer's the Carers and the families have suitable support from the medical profession and from support groups. Caring for a person that has Alzheimer's can be very demanding and it is important to get support and help from a support group, and to make sure that Respite Care is available.

Although the progressive deterioration of the brain cells cannot be stopped, there have been advances into the causes of the condition and Research into the various forms of dementia continues. If you would like further information regarding Alzheimer's support organisations etc., please contact Waterford Disability Network. # Housing Development Planned For Cappoquin

## KEVIN KIRRANE

Fifteen townhouses are being planned for Lower Main Street and Mass Lane in Cappoquin, it has been announced.

Dene's Yard Development, under the name of David Keane, has notified the planning authority that they intend to apply for planning permission for the construction of 15 two and three bedroom houses.

The Lower Main Street, and Mass Lane sites have been vacant for a number of years, and were described as "prime residential sites," by Deputy Ollie Wilkinson, who said he very much welcomed the news.

If permission is granted, the development would consist of twelve 3 bedroom houses, and three 2 bedroom townhouses, together with associated site works and entrances.

The publication of the planning notice follows on from the news that T&A Fitzgerald are planning a second phase of twenty houses at Abbey Glen on the far side of Cappoquin. They previously built seventeen houses, and six of the planned new houses have already been sold.

# C.B.S School Warden Retires

October saw the end of an era for more than one generation of Dungarvan's parents and children, with the retirement of Winnie Wall, as School Warden at the C.B.S. Dungarvan. Winnie has monitored the crossing on Mitchell Street for an astonishing 20 years. During that time, her cheerful, friendly disposition has been a comfort to many a child and indeed parent suffering the trauma of new school blues. Winnie has been one of our best loved "Lollipop Ladies" and her presence on the streets of Dungarvan will be sorely missed.

Pictured on her last day, with some of her colleagues from Dungarvan Town Council (l. to r.) Carmel Power, Pauline Lenihan, Fiona O'Riordan, Joe O'Flaherty, Winnie Wall, Brid Veale.

# MONEY MATTERS

## CREDIT

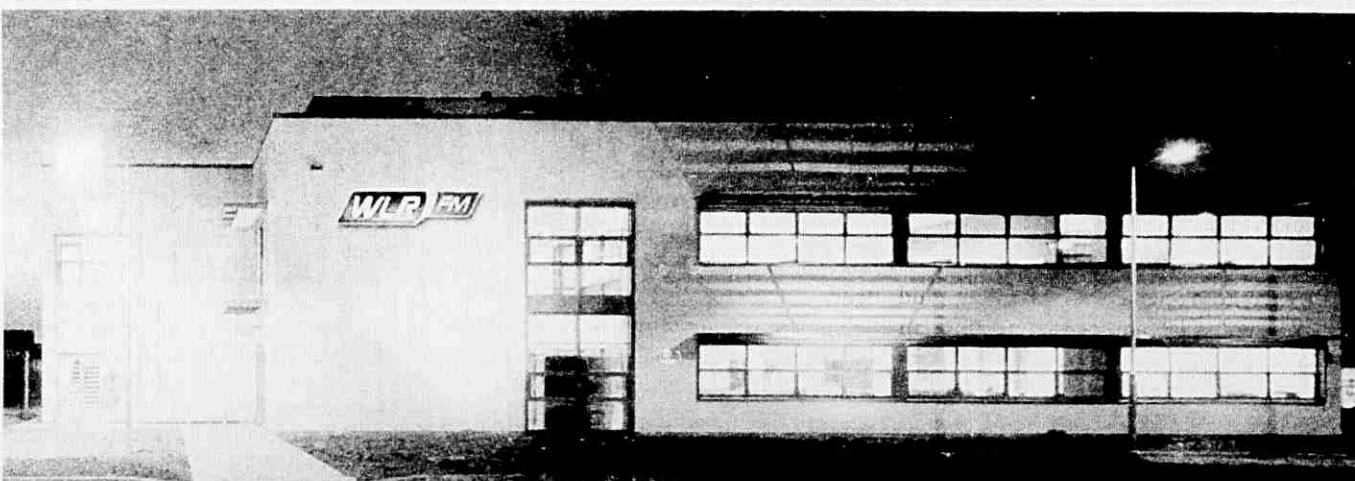

There are many types of credit available and most are easy to use. Credit cards, hire purchases and other types of credit can all be availed of by simply filling in a form.

It is fine to use credit as long as it does not turn into a debt, which can then cause all sorts of problems and worry.

Before you use credit please consider the following points:

1. Do you really need the goods? Give this a lot of thought before you buy.
2. Find out the total cost of the goods to you.
3. Shop around, compare prices and go for the best deal.
4. Ask about APR. This is the Annual Percentage Rate, which every lender is obliged to tell you.
5. Always use reputable companies or traders. Never use illegal moneylenders.
6. Do not use your home as security for a loan.
7. Read all documents carefully. If you do not understand it, do not sign it. Get someone to explain it to you.
8. Interest rates may increase so do not take on too much at any one time.
9. Keep all receipts for payments made.
10. Finally, try to save the amount you would be repaying before hand. If you cannot afford to do this then you cannot afford the credit.

The Money Advice and Budgeting Service is based at Civic Offices, Davitts Quay, Dungarvan (Tel 058-44922) and provides a service throughout the West Waterford area. # DUNGARVAN TOWN COUNCIL SNIPPETS

BY KEVIN KIRRAANE

## Electronic Voting Machine Not Wheelchair Accessible

Cllr. Damien Geoghegan

Members of the public and public representatives have still not been informed of either the operational details or security aspects of the new electronic voting system although it will be used in next June's local elections, Fine Gael Councillor, Damien Geoghegan said.

According to Cllr. Geoghegan, voting trends indicate, that as the turnout at the next local elections will be quite low; - "the last thing that's needed are people not voting purely because they are unaware of how any voting system is operated or are unable to operate the actual machine."

Cllr. Geoghegan proposed the council should write to the Minister for Local Government, Martin Cullen, and call on him to initiate an awareness campaign.

"I feel there is merit in a proposal which would initially see the Minister and the officials at his Department...informing and educating public representatives at all levels of how the proposed system operates," Cllr. Geoghegan reiterated.

Problems have already been discovered with the systems use, he added, saying that he was informed by a young wheelchair user; "she would not be voting in next year's Local and European Elections because the proposed electronic voting machines will in fact be too high..."

"It's absolutely incredible," Cllr. Geoghegan continued, "to have a situation like this develop in the year of people with disabilities, and the reality is the minister and his officials need to explain how they intend to resolve issues such as this, thereby ensuring all polling stations and voting machines will be accessible for people with disabilities."

Cllr. Michael O'Riordan (Indp) said the Town Council are currently training Town Clerk, Brian White, in the operation of this system.

Cllr. Michael O'Riordan

"When he is fully trained," he added, "Brian White has assured me, he will be able to give us a full break down on how the system works."

Fianna Fail Councillor, Nuala Ryan added that a recent AMAI conference informed members there would be a full information campaign on the use of electronic voting before the local elections.

"We were also assured that there wouldn't be another Nora Owen situation, where all the results came out at once, but that each of the candidates results would scroll out separately on the screen."

However, she agreed with Cllr. Geoghegan that the Minister should be written to with regard to wheelchair accessibility.

Cllr. Nuala Ryan

## Skateboard Enthusiasts Call For Facilities

Skateboarding enthusiasts are calling for a park or other skateboarding facilities to be set up in the town similar to those in Tramore and Waterford city, Cllr. Nuala Ryan informed the council.

She said skateboarders don't have any official place to skate in the town. "Skateboarding out in the middle of the road is fairly dangerous in this day and age," she added.

County Manager, Donal Connolly, said he would come back to the council at a later stage on the proposal.

## Nightclub Dancing To A Different Beat

Public representatives have received a number of complaints about the possible operation of a licensed premises as a nightclub.

Cllr. Damien Geoghegan (FG) said the premises is located in Upper O'Connell Street, and is "totally unsuitable" as a nightclub.

The Town Council in itself has no control over the granting of a dance license, and the extension of opening hours, but he called on the council to write to Superintendent Mick Blake to express its concerns.

"I've already written to Superintendent Blake myself on this," he said.

County Manager, Donal Connolly, reiterated that the council has no control over the granting of an extension, and said there is no definition in planning laws of a nightclub.

"If a licensed premises receives a dance license, and an extension of its opening hours, if can in effect act as a nightclub," he explained.

However, Cllr. Billy Kyne (Lab) argued that there is a major difference between a premises or club holding a once-off social event, and a premises, which can hold a far larger group of people, in terms of noise and nuisance factors.

Cllr. Billy Kyne

According to Cllr. Geoghegan, the proprietors are also planning to open an entrance onto Western Terrace; "that can't be allowed to happen," he said.

Cllr. Damien Dillon said it was "a bit much" to hear senior members of the Gardaí talk about limiting the opening hours of premises, and "then see this."

Cllr. Damien Dillon

County Manager, Donal Connolly said the council would look at the legal and planning options open, and "write to Supt. Mick Blake to express our concerns."

## Consultant Appointed For Marina Development

Co. Manager Donal Connolly

A Belfast consultant, Kirk McClure, has been appointed to oversee the preparation of a suitable brief for companies proposing to develop a marina in Dungarvan Harbour.

The Town Council were informed that the Belfast consultant's fee proposal for the provision of 5,000 euros was very competitive and Mr. McClure has a great deal of expertise in consultancy work.

County Manager, Donal Connolly, said the council was required to appoint an independent consultant to oversee submissions, and draw up guidelines on ac-

cepting or rejecting plans for a marina. To remain within Public Procurement Rules, Mr. Connolly said, the consultants would also draw up terms of reference for Marina submissions process.

"The consultant has the expertise to deal with this," he added, "and I believe he gave us a good rate."

One possible proposal, believed to involve a potential land-swap between the developer and the Town Council for land on Walton's Park, has already been subject of a warning from Cllr. Billy Kyne (Lab) that he would oppose any such deal.

The Town Council are expected to advertise for submission in the forthcoming weeks.

## Bin Collection Headache In Grattan Square

Businesses in the centre of Dungarvan were left with the impression that all bin collections would take place at 8am after a recent advertising campaign by Dungarvan Town Council, Cllr. Billy Kyne said.

Cllr. Billy Kyne

But after one business person in the square phoned the Town Council for details on when the actual time for pick-up in the centre of town would take, he wasn't given the information.

"Obviously all the bins can't be picked up at the same time," he continued. "And this person didn't feel they were given the right information."

"Even if people were told, bins in Grattan Square wouldn't be picked up before 9.30am this would've been a help," Cllr. Kyne said, adding that more information, and a more detailed schedule of pick-up times should have been given.

However, Town Engineer, Dan O'Donovan said that rubbish will not be collected in the Town Centre before 9.30am, and that the adverts were for the start of collections generally, not the start time in all areas.

## Eircom In Contravention Of Development Plan

Eircom's failure to underground telephone wires in Caseyville is in contravention of the Town Development Plan, Cllr. Damien Geoghegan claimed.

Cllr. Damien Geoghegan

The Fine Gael Councillor said while Casey's Cablevision under grounded their cables Eircom just put up bigger poles in the area. "Surely that's in contravention of the Town Development Plan," he argued.

Cllr. Lar Hart (Lab) concurred, asking why when the road was dug up didn't Eircom use the opportunity to underground the wiring.

County Manager, Donal Connolly said the council would contact Eircom about the situation.

The biggest problem in the hall, is that the walls are damp. Also the roof needs to be replaced. People were appointed, Sean Guiry, Pat Ryan, Richard Guiry to get advice on dampness problem and costing for development of hall. They will report back to a meeting in 4 weeks time. Then a decision can be taken in what development can be done. Whatever decision is taken, it will cost a lot of money. # Dungarvan C.B.S. News

## ATHLETICS NEWS

CBS teams performed with distinction in the Waterford Cross Country Championships which were held at the Friary grounds on Tuesday, 21st October. The Intermediate Boys team finished second in the 4 x 500m relay. This team consisted of Eoin Walsh, Colin McGrath, Conor McGrath and Kevin Harty. The Intermediate B team, featuring Diarmuid Walsh, Kevin Veale, Kevin Barry and Sean Duggan also performed very well. The Senior Boys team finished third in the 4 x 500m relay. This team included Shane Power, Donnacha Culloo, Pdraig Nugent and Keith Landers. Well done also to our Minor and Junior teams. The Minor team was made up of Darragh Power, Michael Byrne, Kevin Meere and Danny Sheridan while the Junior team comprised of Ross Wade, Sean Duggan, Jack Qually and Darragh Power. A word of thanks to team coach, Mr. Des Feeney, who has imbued many of our students with his passion for running.

## FROM THE PRINCIPALS DESK - CBS Golfers Come Third In The Munster Qualifier.

At Monkstown Golf Club in the last East Munster qualifier of the Irish School's strokeplay championship, our team Ian Prendergast (1), Sean Fleming (2) and Kevin Stack (3) put up an excellent performance to finish third of the 29 teams. After our recent win in the Waterford School's Golf Championship, we were confident of

doing well but also aware of the stern challenge we faced. Our total combined score, with all three cards counting, was 230 shots. Christian Brothers College, Cork were winners with 221 while Rochestown College, Cork with 228 were second. Ian, Sean and Kevin put up a great fight and were battling hard up to the last few holes. Although they themselves weren't offering any excuses for defeat, it has to be said that our students were very unlucky in having to play most of their

round in what were near-gale force winds as one of the last teams off the tee. Playing Monkstown's excellent but quiet difficult second nine in such conditions presented them with Herculean task. So, even though we were disappointed at not qualifying, Sean's 75, Kevin's 76 and Ian's 79 were very praiseworthy efforts at a time in the day, when scores over a hundred and 'no return' were common place. They prepared well, including a practice round on the course, and they

gave it their best. We have some very important golf competitions still to come, including our own mini 'Ryder Cup' against the local St. Augustine's College. Hard luck lads but well done.

## ST. DECLAN'S COMMUNITY COLLEGE NOTES

### MUNSTER COLLEGES SENIOR FOOTBALL

#### Cashel 4-5 St. Declan's 2-8

St. Declan's crashed out in the First Round of the Munster Senior Football Championship in a game played in Goatenbridge. Cashel had use of the very strong breeze in the first half, but scored just 2-2 before the break while holding St. Declan's scoreless. The Kilmac side dominated the second half and gradually ate into the Cashel lead. However defensive lapses allowed the Tipp men to snatch two goals which ultimately made the difference.

St. Declan's: M. Veale, P. Casey, C. Hayes, J. Walsh, F. Walsh, C. Ryan, G. Barry, S. Prendergast (c) (0-1), J. Power (1-0), F. Galvin (0-1), W. Kennedy, C. Casey, J. Veale (1-6), P. Weldon. Subs used: T. Connors, L. Casey, K. Lawlor, R. Ryan, P. Curran.

St. Declan's suffered three bad injuries in the game and we with speedy recoveries to F. Walsh, C. Casey and J. Power.

## "Limb And Facial Injuries - Possible Death?"

### NSC WARNS ALL PARENTS OF THE DEADLY COMBINATION OF BONFIRES AND FIREWORKS

The National Safety Council has today made an appeal to all parents to watch over their children around fireworks and bonfires. Fireworks are illegal in Ireland for a reason - thousands of parents have seen the pain and suffering of children as a consequence of fireworks displays and bonfires that have gone horribly wrong on Halloween night.

Pat Costello, Chief Executive of the National Safety Council warns "all parents not to buy fireworks because they are both illegal and dangerous. Halloween is the busiest time of the year for ambulance, fire and hospital services and this is an unnecessary waste of resources as these incidents could have been prevented."

He continued by saying "Halloween is traditionally a fun time for the family and the NSC wants everyone to enjoy themselves. If people arrange a bonfire or fireworks display, they should take place under adult supervision, in a safe area, away from houses/commercial premises and overhead cables. Bonfires contain highly combustible materials that can cause respiratory problems and burns. Each year we issue repeated warnings of the dangers from fireworks and bonfires and each year people get very badly injured, so while it is a time of celebration, it is also a time to practise caution."

In the interest of safety at Halloween the National Safety Council is issuing the following guidelines for parents;

#### FIREWORKS

- Discourage the purchase of fireworks - they are illegal and dangerous
- Keep pets indoors
- Keep fireworks in a closed box and use at one time.
- Fireworks should never be put in your pocket
- Light fireworks at arms length using a taper
- Stand well back and keep others back also
- Never throw fireworks as serious injuries could result
- Never return to a firework when it has been lit.

#### BONFIRES

- A bonfire should be clear of all residential areas, away from ESB cables and pylons.
- A bonfire should be supervised by adults and a perimeter ring should be established around the bonfire within which no person should be permitted.
- Know the whereabouts of your children so they cannot hurt themselves or others.
- Never use petrol or paraffin to light a bonfire
- Do not allow fireworks to be thrown on bonfires - this is highly dangerous
- If your Bonfire gets out of hand, dial 999 and call the Fire Brigade immediately.
- Before leaving bonfire, pour water on the embers

#### CHILDRENS TRICK OR TREAT

- If children dress up in dark clothes, add reflective material to improve their visibility to drivers and cyclists. Preferably use only fire retardant materials for costumes and ensure children are accompanied by a parent/guardian for their own safety.

# Local Play To Go Nationwide!

RTE's programme, Nationwide came to Dungarvan last Wednesday to record a feature on local man Hank Regan's play 'What do you expect!', which premiered on a Broadway stage, New York, earlier in the summer.

RTE Nationwide journalist Helen McInerney took an interest in the success of the play and the fact that it went from a small Irish town to the dizzy heights and lights of Broadway, NY.

Ms. McInerney interviewed several members of the cast, with cameraman Neilus Dennehy recording interviews and footage around the town of Dungarvan.

Places where recording took place included Hank's Barber shop on Mary Street, also at Grattan Square, the *Dungarvan Observer* newspaper offices in Shandon, a farm out the Youghal Road, Modeligo Community Centre and at Colligan wood.

Ms. McInerney interviewed three members of the cast, Brid Mooney-Nielsen, Paul Mooney and Gavin Hallahan and the director Hank.

The other cast members Henry O'Keeffe, John Stack and Ned Cullinane were unavailable at the time of the interview, but they will feature on the programme, which will show them in the play on the Broadway stage.

Hank said that he was delighted that the national broadcaster has taken an interest in his work.

When you think about it, this play was staged in rural Ireland and then premiered at a theatre off Broadway in New York. It is a great feat and a dream come true for any writer and actor, said Hank.

The footage and interviews are to be put together in a news package lasting approximately 10 minutes and will be broadcast on RTE's nationwide on RTE One, which has viewing figures of over 300,000 people.

A press release from Nationwide will be published and made available at a later date to all local press, letting the public know when the Dungarvan feature is to be broadcast. Watch this space!

Outside Hank's Barber Shop on Mary Street, Dungarvan photo shows (l. to r.) Neilus Dennehy, cameraman RTE Nationwide; Paul Mooney, journalist at the Dungarvan Observer and member of St. Gobnait Players; Helen McInerney, journalist at RTE Nationwide and Hank Regan, director of St. Gobnait Players and writer and director of the play, 'What do you expect!'.

## Fibre Optic Networks To Be Operational In Waterford And Dungarvan By Mid 2004

Labour Party Spokesperson on Community, Rural and Gaeltacht Affairs, Deputy Brian O'Shea has been informed by Dermot Aherne T.D. Minister for Communications, Marine and Natural Resources the fibre optic networks are currently under construction in Waterford City and Dungarvan as part of SERPANT - the South East Region Public Access Network for Telecommunications.

When completed, the Waterford City network will be 18 kilometres in length, and will cost €3.68 million. It is expected to be operational in July 2004. The Dungarvan network will be 9 kms and will cost €1.9 million. It is expected to be completed in April 2004.

Minister Aherne was replying to a Parliamentary Question

from Deputy O'Shea.

Deputy O'Shea stated today that the progress in Waterford and Dungarvan is to be welcomed but that it is imperative in the modern world that access to fibre optic networks be made possible throughout the whole constituency.

Deputy O'Shea has put down a further Parliamentary Question to the Minister regarding his plans for the ongoing construction of fibre optic networks in Co. Waterford.

Deputy O'Shea

## Mansfield Furious At Cullen Plans To Fast Track Building Of Incinerators

Sinn Féin spokesperson Brendan Mansfield reacted angrily to plans by the Minister for the Environment, Heritage and Local Government Martin Cullen T.D. to "fast track" the construction of poisonous incinerators by way of the proposed National Infrastructure Board.

Mr. Mansfield said: "The proposal to 'fast track' the construction of poisonous incinerators is in stark contrast to the painfully slow provision of recycling facilities. It appears that the only section of the Waste Management Plans being implemented is the incineration element, other than the provision of a small number of bring banks!

"Where for example is the plans for separated waste collection in urban centres of 500 or more houses? A token 'green bin' is no substitute for a proper separated waste collection. Why is Minister Cullen not 'fast tracking' this important element of waste management plans? Why is there no 'fast tracking' of proper civic amenity centres in all major towns and cities?

"It is clear where this Government's priorities are. Minister Cullen is bowing to major multinational interest so that Fianna Fáil can further strengthen its financial contributors while at the same time putting the health of Irish people at significant risk from the dioxin emissions from such dirty installations. It is clear Minister Cullen is determined to impose incinerators against the wishes of local communities throughout the State."

# IN MEMORIAM

**AHEARNE** — Fourth Anniversary — In loving memory of our dear mother Bridie, late of New Street, Lismore who died on October 31st, 1999.

We think of you in silence,  
And often speak your name.  
All we have left are memories,  
And a picture in a frame.  
Will those who think of her  
today  
A little prayer to Jesus say.  
(Always remembered by your loving family at home and abroad).

**CAREY** — Eighteenth Anniversary — In sad and loving memory of my dear grandfather, Willie, late of 45 Murphy Place, Abbeyside and Helvick who died on October 30th 1985. Also my dear grandmother, Maggie who died October 21st 1968. R.I.P.

The rock stood tall and strong,  
Along the shores of life,  
It weathered the hardship sent  
by the world,  
The trouble and the strife,  
It protected the smaller structures,  
That nestled by its side,  
Despite the storms of physical depletion,  
That were brought in by the tide,  
Waves of worry chipped away  
the surface,  
But the inner strength shone  
through,  
A monument of pride and independence,  
That rock dear Pop was you,  
Our grandfather's love is irreplaceable,  
His sense of humour was unique,  
He made us laugh, he still does,  
At stories he used to tell,  
The winds of change blew  
fiercely,  
And took you far away,  
But now you live in Paradise,  
Where we'll all meet again one  
day,  
Friends who think of my grandparents  
today,  
A little prayer to Jesus say.  
(Remembered always and sadly  
missed by your loving granddaughter  
Ann, husband Michael, great  
grandchildren, Carol, Susan,  
Elaine, Lucinda, Michaela,  
Liam, Jonathan, Claudine and  
great great grandchildren).

**CROTTY** — Third Anniversary — In loving memory of Seán, late of 1 Monica's Terrace, Abbeyside who died 3rd November 2000. Anniversary Mass Saturday, 1st November at 10.30 a.m. in Abbeyside Church.  
Look around your garden,  
Lord,  
And when Seán turns and smiles,  
Put your arms around him  
And hold him for awhile,  
Will those who think of Seán  
today,  
A little prayer to Jesus say.  
(Always remembered — Cathy,  
Eamon, Seanie and Seán).

**DEE** — Fourth Anniversary — In memory of Joseph (Joe) late of Ballinamuck, Dungarvan whose anniversary occurs at this time.  
(From his loving family).

**EARLEY** — Twenty Ninth Anniversary — In loving memory of Elizabeth Earley, Murphy Place, Abbeyside who died on 23rd October 1974.

Will those who think of her  
today,  
A little prayer to Jesus say.  
(Inserted by loving son Donal,  
Josie, David and Paul).

**FOLEY** — Twenty Sixth Anniversary — In loving memory of my dear friend, Monica Foley, 10, St. Patrick's Crescent, who died on 5th November 1977.  
Mass offered.

A Mass, a prayer are all I can  
give,  
But those you shall have as  
long as I live.  
(Never forgotten Mon by your  
friend Theresa).

**DONNELLY** — Twenty-fourth Anniversary — In loving memory of my father, Paddy Donnelly, late of Congress Villas, Dungarvan, who died October 25, 1979.

A light is from our household  
gone,  
A voice we loved is stilled,  
A place is vacant in our  
home,  
That never can be filled,  
In a near and silent grave-  
yard,  
Where the trees their  
branches wave,  
Sleeps a kind and loving  
father,  
In his cold and lonely grave,  
He bade no one a last  
farewell,  
He raised his hand to none,  
His spirit flew before I knew,  
That he from us had gone,  
You can only have one  
father,  
Patient, kind and true,  
No other friend in all the  
world,  
Will be the same to you,  
When other friends forsake  
you,  
To father you will return,  
For all his loving kindness,  
He asks nothing in return,  
As we look upon his picture,  
Sweet memories we recall,  
Of a face so full of sun-  
shine,  
And a smile for one and  
all,  
Sweet Jesus take this mes-  
sage,  
To our dear father up  
above,  
Tell him how we miss him,  
And give him all our love.  
(From your loving son Mike,  
Mai and family.)

**DONNELLY** — Twenty-fourth Anniversary — In loving memory of my grandfather, Paddy Donnelly, late of Congress Villas, Dungarvan, who died October 25, 1979.

Lonely is the home without  
you,  
Life to us is not the same,  
All the world would be like  
heaven,  
If we could have you back  
again,  
What he suffered he told but  
few,  
He did not deserve what he  
went through,  
Tired and weary he made no  
fuss,  
But tried so hard to stay with  
us,  
Two tired eyes are sleep-  
ing,  
Two willing hands are still,  
The one who did so much for  
us,  
Is resting at God's will,  
Our lips cannot speak how we  
loved you,  
Our hearts cannot tell what to  
say,  
But God only knows how we  
miss him,  
In our home that is lonely  
today,  
Pray for us, o dearest  
father,  
To Jesus Christ our king,  
That He may bless our lonely  
home,  
Where thou once dwelt there-  
in,  
And pray that God may give  
us strength,  
To bear our heavy cross,  
For no one knows but only  
He,  
The treasure we have lost.

(From your loving grandson  
Patrick, Mai, Aaron and Amy).

**KELLY** — Twenty-first Anniversary — Cherished memories of our darling daughter Marie, late of 'Vega' Helvick, Ring, who died on 30th October 1982. R.I.P. Aged 15 years. Anniversary Mass on Saturday, 1st November at 6.15 pm in the Friary Church.

If roses grow in Heaven  
Lord,  
Please pick a bunch for  
us,  
Place them in Marie's  
arms,  
And tell her they're from  
us.  
(With love from Mam and Dad,  
sister Grainne, brothers Kieran  
and Liam Óg).

**LEAHY** — First Anniversary — In loving memory of a dear son and friend Finbarr, 35, Vanessa Lawns, Celbridge, Co. Kildare, who died on 2nd November, 2002.

Your name is often spoken,  
We talk about you still,  
You have not been forgotten,  
You know you never will,  
We cannot bring the old days  
back,  
When we were all together,  
The family chain is broken  
now,  
But memories live forever,  
Out of our lives you may have  
gone,  
But in our hearts you still live  
on,  
Will those who think of him  
today,  
A little prayer to Jesus say.  
(Always missed, never forgot-  
ten, Mam and John).

**LEAHY** — First Anniversary — In loving memory of my dear brother Finbarr, 35 Vanessa Lawns, Celbridge, Co. Kildare who died on 2nd November, 2002.

Who said time eases the pain,  
Well I know now they are  
wrong,  
For though it's been a year  
now,  
The pain and heartache still  
lingers on,  
Every night without fail,  
I always start to weep,  
For my thoughts wander back  
to you,  
And how you went to sleep,  
No matter how hard I try,  
I can never understand,  
Why you should have went so  
cruelly,  
With one stroke of an evil  
hand,  
The blow was hard, the shock  
severe,  
To part with one we love so  
dear,  
Our loss is great, we'll not  
complain,  
But trust in God we'll meet  
again,  
Our family chain is broken,  
Nothing seems the same,  
But as God calls us one by  
one,  
The link shall join again.  
(Sadly missed by your loving  
sister Elma and brother-in-law  
John).

#### UNCLE

The gates of Heaven opened  
wide,  
And Angels stood side by  
side,  
A special guest was on his  
way,  
The day God took our uncle  
away.  
(Sadly missed by your loving  
nieces Gina, Cherene, Carrie  
and nephews Kyle and Tiernan).

**LEAHY** — First Anniversary — In loving memory of our dear brother Finbarr, 35 Vanessa Lawns, Celbridge, Co. Kildare who died on 2nd November, 2002.

November comes with sad  
regret,  
It brings back a day I will  
never forget,  
Things you have said, songs  
you have sung,  
They bring a smile, some-  
times a tear,  
But always a wish that you  
were still here,  
We miss your smile, your jok-  
ing ways,  
We miss the things you used  
to say,  
And when old times we  
recall,  
It is then we miss you most of  
all.

(Sadly missed always Dearbhla  
and Derrí).

**MORRISSEY** — Second Anniversary — In loving memory of Declan Morrissey, Goulane, Old Parish, who died on 5th November 2001.

No length of time can take  
away,  
Our thoughts of you from day  
to day,  
Though absent you are  
always near,  
Still loved, still missed, still  
very dear.  
(Always loved and remem-  
bered by your loving wife Anna  
and family).

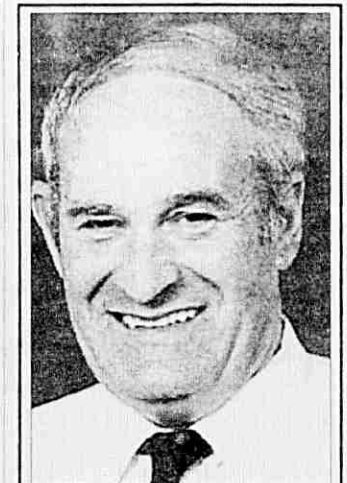

**O'NEILL** — Fourteenth Anniversary — In loving memory of a dear husband and father, John O'Neill, late of Kilcannon, Cappagh, who died on October 30, 1989. Anniversary Mass for John on Saturday, 1st November at 7.30 pm in Modeligo Church.

We never part from those we  
love,  
No distance can divide  
us,  
With memories dear and love  
sincere,  
You will always walk beside  
us,  
Good was his heart, in friend-  
ship sound,  
Loved and respected by all  
around,  
A beautiful life came to an  
end,  
He died as he lived, every-  
one's friend.

(Always remembered and sadly  
missed by your loving wife Mary  
and family).

**O'NEILL** — Second Anniversary — In loving memory of my dear sister Patricia O'Neill, (nee Costin), London, late of Ring, Dungarvan who died on 1st November, 2001.

Away in a beautiful land with  
God,  
In a city so far away,  
Lies a beautiful sister,  
I loved so much and I can't  
visit her today,  
It breaks my haert knowing  
she rests so far away,  
My love and thoughts are with  
you,  
On this my saddest day,  
(Always loved and remembered  
by your sister Kathleen and family  
XXXX).

**O'GRADY** — Tenth Anniversary — In loving memory of Stephen O'Grady, late of 70 Springfield, Dungarvan, whose anniversary occurs on November 7th 1993.

Sad are the hearts that loved  
you,  
Silent the tears that fall,  
But living our lives without  
you,  
Is the greatest heartache of  
all,  
May the wind of love blow  
softly,  
And whisper for you to hear,  
That we, your family, miss  
you,  
And wish that you were  
here.  
(Missed by your son Thomas,  
daughter-in-law Monica and  
grandchildren Christopher,  
Stephen and Rachel).

**TUTTY** — Twenty-seventh Anniversary — In loving memory of my dear mother Ellen Tutty, 53 Congress Villas, who died on 7th November 1976. Mass in St. Mary's at 9:30 on Friday November 14th.

Find the softest pillow Lord,  
To lay her head upon,  
And place a kiss upon her  
cheek,  
And tell her who it's from.  
(Always loved Mam from  
Theresa, Johnnie, grandchildren  
and great grandchildren).

**TUTTY** — Forty-eighth Anniversary — In loving memory of my dear father, Stephen Tutty, 53 Congress Villas, who died on 14th November 1955.

Will those who think of him  
today  
A little prayer to Jesus  
say,

The most wonderful mother that ever lived,  
Whatever she had she was willing to give,  
She never complained, she was not that kind,  
She was one of those mothers so hard to find,  
Look after her Lord as she takes her rest,  
For she was our mother and she was the best.

(Thinking of you Mum, especially at this time — from your son Redmond and boys).

**FOLEY** — Birthday Remembrance of Mary B. Foley, Coolbagh, Clashmore, whose birthday occurs at this time.

As I look upon your picture,  
Sweet memories I recall,

I seldom ask for miracles,  
But today just one would do,  
To have your door wide open,  
And to see you walk right through.  
Our hearts still ache with sadness,  
And our eyes still shed a tear,  
God only knows how we miss you,

You had a smile for everyone,  
You had a heart of gold,  
You left the sweetest memories,

## EUROPEAN COMMISSION REPRESENTATION IN IRELAND FARM FEATURE

# Turning the corner in EU disease eradication

BY PADDY SMITH

Testing has grown into a major industry in the EU over the past eight years as the war heats up against animal diseases. No less than 10 million cattle throughout the Union will be tested for BSE next year as battle is waged on a number of fronts.

The Commission has now adopted the maximum possible EU financial contribution towards the disease eradication programmes of the Member States and Accession Countries. In total, just under EUR93 million is being made available from the EU budget for the monitoring of TSEs (Transmissible Spongiform Encephalopathies) and for the eradication of scrapie.

Ireland is to receive more than EUR5 million in EU financial contributions for the monitoring of TSE and nearly EUR0.5 million towards the eradication of scrapie. In addition, the Union is to contribute sums of money to Ireland towards the eradication and monitoring of other animal diseases, including EUR50,000 for Aujeszky's disease, EUR5 million for bovine brucellosis, EUR4.5 million for bovine TB and EUR90,000 for a salmonella check aimed at eliminating zoonoses (diseases transmissible to humans).

All these contributions are part of a Union-wide drive to combat animal diseases. The Commission has drawn up a list of the countries which qualify for financial aid and there are a total of 68 programmes for 2004 for the eradication of ten major animal disease in the Member States and Accession Countries. The total EU contribution to these programmes is almost EUR52 million. Some EUR29 million will be spent on the eradication of brucellosis (EUR14 million on sheep/goats brucellosis and EUR15 million on bovine brucellosis). The Commission points out that brucellosis causes Malta fever in humans and that there were 1,778 human cases notified to the EU reporting system in 2001. A significant EUR14.4 million will be contributed by the EU to the eradication of bovine TB, which is also known to be transmissible to humans. And EUR4.4 will be spent to fight rabies, a highly fatal viral infection of the nervous system.

All the diseases targeted by the programmes have implications for both human and animal health, says the Commission, or cause serious losses in livestock farming and, therefore, constitute barriers to intra-EU and international trade.

Health and Consumer Protection Commissioner David Byrne says testing programmes are a successful and important instrument to identify the scale of BSE and scrapie in the Union. The introduction of the compulsory BSE test has proven how important they are - in addition to safety legislation - to detect BSE in cattle and to keep infected animals out of the food and feed chain, he says.

From October 1, new requirements for scrapie eradication measures were put in place. These require the culling and genotyping of animals in infected flocks. In addition, from January 1 next, breeding programmes for resistance to TSEs in sheep are to be implemented, with the EU allocating EUR15.7 million towards these new scrapie eradication measures.

Actions by the EU Commission have reinforced our determination here in Ireland to combat animal diseases at the highest possible level. EU influence, allied with our Irish determination to beat the disease issue, has led to the adjustment and refinement of our national policy and practices - which is exactly what is happening in relation to scrapie in sheep. Minister for Agriculture and Food Joe Walsh says the debate at EU level has resulted in the adoption of regulations requiring Member States to conduct a genetic survey of native pedigree breeds, to put voluntary breeding programmes in place for such breeds and allow for strategies for dealing with infected flocks. On this latter point, such strategies range from full depopulation with a prohibition on using the land for sheep for a period of three years, to genotyping and partial depopulation of flocks.

Our aggressive approach to all animal disease issues, especially BSE, is beginning to pay off. Minister Walsh pointed out in mid-October that the disease is being "worked out of" the national herd as older animals are slaughtered or die. He predicted that the total number of confirmed BSE cases in Ireland this year would be in the region of 200, as against 333 cases last year.

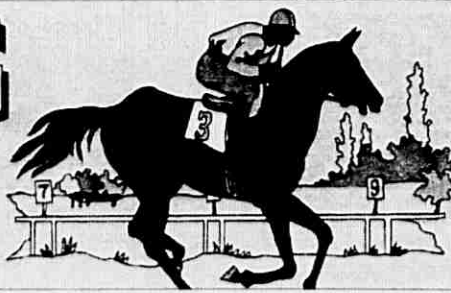

Similar trends are expected to be reported from all over the EU before the end of the year. We may have turned the corner, at long last.

# HORSE RACING

BY MARK PHILLIPS

# SNIPPETS

**EQUINE WELFARE AT TRAMORE**  
Tramore racecourse issued an Equine Policy in their race card last week and it certainly made pleasant racing and hopefully all other race courses will follow suit.

The policy read:  
"Here at Tramore racecourse nothing matters more to us than looking after the horses. We do everything in our power to ensure that we provide a racing surface of the highest quality and we take every conceivable care to minimize the chances of horses incurring any injury whilst here.

Regrettable as in any highly competitive sport, there are occasions when something goes wrong and horses have to be given the very best veterinary care.

There are two Veterinary Surgeons on duty to ensure should any horse need help they will be attended to within seconds of any incident occurring. Their first priority is to make a rapid diagnosis and to help them do this our groundstaff will erect screens around any horse that needs attention. Once the diagnosis is made one of our horse ambulances will attend the scene and will transport the horse back to the stables where further treatment and assessment can be undertaken.

Occasionally, it may be that the nature of the injury is such that a horse is unable to make a recovery. If this is the case the Veterinary team may take the decision to put the horse down straight away. In these circumstances we should remember that the horse's welfare comes first and that this option is kindest for the horse"

## THIS WEEKS IRISH FIXTURE LIST

Thursday— Thurles 1.15pm  
Friday — Gowran Park 1.15pm  
Saturday — Naas 1.20pm  
Sunday — Clonmel 1.00pm,  
Leopardstown 12.45pm

## IN TIMES EYE INJURED

The Dermot Weld trained In Times Eye picked up a tendon injury finishing unplaced in the Caulfield Cup in Melbourne last week. The trainers son Mark was moaning about the hard ground after the race but lets be honest about it Mark if you felt the ground was that bad you should have scratched your horse, incurred a fine but at the end of the day your horse would have been sound.

## TON UP FOR GORDON

Amateur rider Gordon Elliot rode his 100th point-to-point winner at Clonmel last week. Gordon is one of those fortunate riders allowed to revert to amateur status after riding as a professional for a number of years including a stint with the powerful Martin Pipe yard.

Gordon is now training as well and he sent out two winners in Northern Ireland last week.

## NOBODY TOLD ME INJURED

The Willie Mullins trained French Champion Hurdle winner Nobody Told

Me sustained a home gallop injury damaging ligaments in her hindquarter, which keeps her out of race action until well into the New Year.

## RACE-GOERS CONSULTATIVE FORUM

Did you know that there are two people in this region on the Race-goers Consultative Forum. David Skelly, Bank House, Main Street, Carrick On Suir, County Tipperary and Cecily Purcell, Orwell, Ballypatrick, Clonmel, County Tipperary represent the following south east region racecourses, Thurles, Clonmel, Tramore Wexford and Gowran. If you are a racegoer with ideas and would like to be heard the Forum members in your area are there to listen. They will bring your ideas to Horse Racing Ireland (HRI) and the racecourses, working to make a difference for racegoers regionally and nationally. Race-goers can E-mail the FORUM at FORUM@hri.ie or write to the members direct.

The Race-goers Consultative Forum was established as a requirement of the Horse and Greyhound Racing Act of 2001. "For the purposes of consultations relating to the operations of HRI in the context of developments or desired developments in the horse racing industry generally as they affect the racegoer or service or facility user". The Forum has twelve members from around the country, including two members appointed by the Minister for Arts, Sport and Tourism. It has formal meetings at least every two months with the senior executives of HRI, chaired by HRI board member Mr E Browne

## FALBRAV APPEAL FAILS

As expected the connections of Irish Champion Stakes runner up Falbrav failed in their appeal to have the result amended in favour of their entry. Interestingly the connections of Falbrav had their deposits returned.

## BAD BREAK

Young flat jockey Colm O'Donoghue is certain to miss out on the remainder of the flat season having fractured his ankle at Navan last week.

## STORMIN NORMAN FORCED TO RETIRE

Top jump jockey Norman Williamson has been forced through injury to call it a day. During a glittering career as an amateur and a professional Stormin Norman rode over twelve hundred winners but the thirty four year old jockey took some heavy falls and the medical advice he received was to give up race riding before some permanent damage was done. Norman and his wife Janet live in Athboy in County Meath and Norman will not be lost to the racing world entirely as he hopes to do some television work.

## TAUNTON PROBLEMS

Taunton racecourse set in England are having a real tough time of late as lack of rainfall leading to hard ground

has caused the West Country track to lose out on two fixtures.

## EQUINE DEATHS

Horse racing has recently lost a number of popular equine performers. The great Teleprompter was put down at the age of twenty-three. Trained by Bill Watts Teleprompter was one of the first horses from this side of the world to travel and win a major international race. Sadly there are no offspring by Teleprompter as he was a gelding but what a gelding he was beating the Yanks in there own back yard in the Arlington Million.

Racing also lost two very valuable mares recently in the shape of Marwell and Melodramatic.

## DID YOU KNOW

Did you know that one of the senior Management people working with Horse Racing Ireland (HRI) is Margaret Davin who hails from Ferrybank in Waterford. Margaret who in the past held senior finance posts with Kerry Co-Op in Tralee and England was spotted amongst the attendance at Cork races recently where she is a Director in the Mallow based racecourse. HRI must be disappointed with the performance of Cork track however since it underwent a major Capital investment program some years back. There is nothing wrong with prize money at the venue but attendance and betting figures are somewhat disappointing.

## BREEDERS CUP MEETING

The Breeders Cup meeting in Santa Anita, California produced some excellent fare last Saturday night. It was nice to see the French trained Six Perfections gain an overdue Group win as she was so unlucky throughout the year on her European excursions.

High Chaparral proved what a great horse is he running his heart out in the closing stages to gain a share of the spoils while Falbrav lost nothing in defeat. Islington displayed her class against her own sex for trainer Michael Stoute and Irish born rider Kieran Fallon.

## SHAY'S DOUBLE

Local rider Shay Barry is picking up some useful rides of late and he recorded a double at Weford Races last Saturday. Shay also rode a winner on Sunday as did Larry Hurley who scored on 10/1 shot Bell Star.

## POINT-TO-POINT FIXTURES

### PRESENTATION OF 'END OF YEAR' AWARDS

A very special presentation night was held on last Sunday night to honour the winners of the various Matchplay events and golfer of the year. First up was the Lady Captain to present the Lady Golfer of the Year, Esther McGuchian, with the Helvick Seafood Award. Then Sheila Norris presented Norris Matchplay Award to the winner, Colette Martin, and second place to Helena Fitzgerald. The award for Juvenile Golfer of the Year went to Niall Power. The GoldCoast Cup for the individual Matchplay went to Micheal White with Tom White collecting the runner up spot. The Willie Barron Award for the club fourball was won by Morrie Ferncombe and Ger Murphy with Micheal White and Liam O'Brien in second place. In the mixed foursomes John White and Joan Mansfield took the honours with Brian Keohan and Ita Fahey in second place. The Order of Merit award, for breaking standard scratch the most times during the year, went to Pat Power. The final award of the night was presented by Paul O'Gorman of Permanent TSB to the Golfer of the Year Micheal White. All these presentations were carried out after all present had partaken in the culinary delights served up by the staff of the GoldCoast. It was a fantastic meal and great credit must go to the people who prepared it.

### JUVENILE MATTERS

The club has had one of its most successful years ever with its growing number of juveniles and the credit for this must go to Johnnie Hughes. Johnnie puts in a vast amount of time and energy into this area and its great to see so many juveniles benefiting from his expertise. Well done to Johnnie and to his assistant Dave Clarke.

### CAPTAIN AND PRESIDENT

From next week on the notes will be taken up with the Winter League and we might not have space enough for every thing we need to say. So this week we would like to take some space to mention how grateful we are to our Captain and President for the amount of work they put in to ensure for us all that we have had one of the most successful years in the history of the club. Captain Tom White has been involved in everything throughout the year, he never missed a match that the club was involved in,

he had every event well prepared and he was an excellent ambassador for the club. President Nicholas Fitzgerald was always at Tom's side in ensuring that all was in the best interests of the club, his handling of meeting was superb and between the two of them they have ensured that the GoldCoast Golf Club is now in it's healthiest position ever.

### WINTER LEAGUE

The biggest league that the club has ever run will get underway this week. One hundred and fifty six players have entered for the league, consisting of twelve teams of thirteen players. The league stage will run for eleven weeks and will then proceed to the knockout stages. All the teams are now ready for action and may we wish every player the best of luck for this year's league. The results will be emailed to any player wishing to receive them every Sunday night for the duration of the league, if we have not got your email address al-

ready, please give it to Brendan O'Brien and it will be added to the list. Every player should make himself aware of the special rules applicable to the Winter League and a copy of same has been issued to each team captain for distribution to all his team. The draw for the first round is as follows:

### LADIES

We would like to wish the ladies the best of luck on their trip to Waterford on Wednesday. We hope they have a good day. We would like to congratulate Eileen McCarthy on getting her first hole-in-one in last Sunday's competition. She was well congratulated by her excited partner chairperson Wyn Colligan.

### COMPETITION

The atmosphere was good on Sunday morning due to the marvellous weather it was a change from the cold and wet mornings of October. The team of the ever confident Alfie Ebanks (who was looking as fresh as always) and Colin Houlihan (who was looking his usual on a Sunday morning after celebrating his eighteenth birthday over the weekend, hope you had a good one) ran away with the Gross with a great score of 14 under. In the nett Martin Hayes and young Wesley McCarthy combined well together and ran away with the Nett. Well done lads and we don't think this will be Wesley's last win as he is a fine young player.

There will be a competition

next Sunday at 11.00am get your name in before 2pm on Saturday.

## PREVIEWS

### LISMORE V ACCRINGTON CELTIC

The champions open their defence against North Cork based Accrington. Last season Accrington had the Indian sign on Lismore, but if the home side are at full strength they should collect full points.

### CAPPOQUIN V PINEWOOD

The homeside had a disappointing season last year and found the burden of champions and trying to win back championships too much. Pinewood won promotion as champions but their lack of games this season may come against them. Cappoquin to start the season on a winning note.

### GORTROE V VALLEY RANGERS

Even at this early stage both sides have met three times and served up some wonderful football.

Gortroe, we fancied when we saw their panel but so far have failed to live up to expectations. Valley on the other hand have commenced the season as if meaning business after their disappointments last season.

A game to go either way, maybe Gortroe might get the upper hand this time.

### MODELIGO V CLASHMORE

Last seasons champions from Div. 2 have a home tie to start the new season with Clashmore, who were lucky to avoid relegation.

Vincent Donovan assembled a young side last season who played attractive football throughout and with Brideview B were the best sides in Div. 2. Home win on Sunday.

### KILWORTH V INCH

Relegated Kilworth unluckily defeated by Cappoquin in the Fitzgerald Cup and beaten by Brideview last Sunday in the Bolger Cup might find Sunday's visitors a handful and will have to beat their best if Inch are not to take something home from this game. A draw.

### BALLYDUFF V ARAGLEN

The first of many local derby's in the coming season, the homeside relegated last season will want to jump straight back up to the Premier, while Araglen will have to get over the disappointment of losing out on promotion in the very last game of the season, but got some consolation by winning the Tyre Centre Cup.

Ballyduff maybe the stronger side on Sunday. A hard one to call. A village victory.

### VALLEY RANGERS V MOGEELY

The Valley second string challenging for promotion up to Christmas last season, literally fell down the table in the second half of the season. Mogeely lost the Cup final last May but might prove too strong on Sunday. Mogeely to win.

### BLACKWATER V AN GHAELTACHT

A game which can go either way. The visitors are after having two Fitzgerald Cup games in the past two weeks and this might be enough to give them the points. An Ghaeltacht to win.

### CASTLEBRIDGE CELTIC V GLENVIEW

Both sides met last Sunday in the Bolger Plate semi final at Cappoquin with the Melleray side coming out on top in a five goal encounter.

However the Castlelyons outfit fell they had the chances and did not take them so they aim to get off to the best possible start after a very bad season last year in which they were relegated.

Castlebridge to win.

### BALLYCELTIC V AFFANE

The homeside after their first season in competitive football will hope the experience gained last season will help their young side this year. Affane relegated last year will hope to get back up to the First Division but will have to be more consistent than last season. They should however collect the points on Sunday. Affane to win.

# SUNDAY - THE BIG KICK OFF

Next Sunday - the 1st Sunday in November is traditionally known as the first Sunday of the winter months - Nov., Dec., and January and it also coincides with the first series of games in the Red House League. Since September teams have been competing in the Bolger and Fitzgerald Cups with some teams also taking part in the FAI and Munster Junior Cups. But from Sunday next we will be starting the real bread and butter of league football and each team having to play 14 league games, irrespective of which division they are competing in. At this stage of the season each club should have their squads finalised.

At this time of the season we ask the committee for their predictions - in other words test their knowledge and put their heads on the block. This week we publish a few and continue with more the following week.

MI. McBride told us he thinks Lismore will retain their title. Now, we wonder is that because Michael has to face school next Monday morning? Or

maybe meet the postman on the way.

Tommy Power plays cute. Has not seen enough of the premier sides yet to cast an opinion. Tommy you can't cod a codder. We know you mean Ardmore. By the way hard to go against a full Ardmore outfit.

We then sought the views of that very shrewd and knowledgeable fixture secretary Jim Foley. Jim told us he thinks Brideview will once again challenge for the top spot, and that the title will end up in the Brideside town. The League Treasurer said Valley Rangers are his top team and in the same breath told us not to forget to mention Inch who he says are certain for promotion. Well done Anthony, the sign of a good Treasurer - getting the forecasts correct, or is it the sign of a politician, maybe a minister for finance, although in the present climate let's forget the latter regardless of politics.

Next week we'll publish the forecasts of Liam Fraser, Michael O'Neill, Noel Hegarty and our own prediction.

Worth waiting for. Order your copy now.

### BEST OF LUCK IN FAI CUP

All in the league wish Mick Sheehan and his Brideview team the best when they entertain Hibernians of Waterford at Brideview Park in the Statoil FAI Junior Cup.

This is a big challenge for the Tallow side as they play 2nd team in the Waterford Premier Hibs who are 5 pts behind reigning champions Carrick Utd. Hibs have lost just 2 of their eight league games and have ex Waterford U-21 star Damien McAvoy at centre half. In the eight games they have scored 12 goals and conceded seven. On Saturday last Southend beat them by 2 goals to nil.

But with home advantage and we know a large following Brideview might get the upper hand. It will be a wonderful fillip for themselves and the league should they overcome such a high profile team.

## LAST SUNDAY'S RESULTS

### BRIDEVIEW 4 KILWORTH 2

(See match report on opposite page)

### GLENVIEW 3 CASTLEBRIDGE 2

This Bolger Plate semi final caused a surprise when league newcomers Glenview got the better of Castlebridge in a five goal thriller.

John Broderick had 2 goals and Kevin O'Rourke 1 goal for the Melleray side, while Johnny O'Sullivan scored both goals for the losers. This win will delight Jimmy Power and company and is a big boost for Glenview's very young and inexperienced side,

and they now will face Ardmore in the final.

Castlebridge on the other hand must be very disappointed with this result. Heavily defeated by Ardmore twice in the Fitzgerald Cup they were expected to go through to the Bolger Plate final as their experience should be too much for a young Glenview team. However, it was not to be and they must now pick themselves up for the league.

### AN GHAELTACHT 2 MOGEELY 2

Liam Lehane and Darren Hurley scored for the Ghaeltacht, but Mogeely's 2 goals were enough to see them

through to the next round as they won by 7 goals to 6 on aggregate.

### GORTROE 0 VALLEY RANGERS 2

Aidan Hogan and John Carr scored for Valley Rangers to leave them leading by 5 goals to 1 goal when with just 17 minutes remaining and Valley Rangers down to 9 men (2 red cards having been issued), referee Willie Collins found it necessary to abandon the game. At the time of penning those notes the outcome is not known.

League Chairman MI. McBride told us he is awaiting the referee's report. Definitely

an unsatisfactory end to an enjoyable two legged Fitzgerald Cup clash.

## Delegate Meeting

The delegate meeting of the Red House League will take place this Monday, 3rd November at the Red House Bar, Lismore at 9 pm. It is imperative that all clubs be present.

**RED HOUSE LEAGUE ROUND-UP****TONY BOLGER CUP SEMI-FINAL****Brideview United Advance To Final****BRIDEVIEW UTD 4  
KILWORTH CELTIC 2**

The opening goal here came after 15 minutes when a great low shot by Roy Henley went inside the post despite a great dive by Mark Cooney.

Michael Keating should have put Utd 2-0 in front but his fine effort went across the goal and just wide. At the other end Paudie Lynch put Dec Brown through but Sheehan denied him.

After 27 minutes Will O'Donoghue had a great shot at goal but Sheehan was in great form for the Tallow side and he saved well to deny O'Donoghue an equaliser in the 29th minute O'Donoghue was in again but his snap shot went wide.

Celtics final chance in the opening half came in the 38th minute when a Paudie Lynch free was headed over by Declan Tobin, at the break Utd led

1-0.

We had an excellent start to the second half when Celtic scored after just one minute. The scorer here was Paudie Lynch. Lynch was in again three minutes later but this time he shot over.

A quick free kick taken by Graham O'Neill caught Celtic's defence napping and Brian Henley ran in to shoot low into the net to restore Utd's one goal advantage. This came in the 50th minute.

Utd almost increased their lead in the 57th minute when Graham O'Neill set up Michael Keating but the latter shot wide. A minute later a William Burley pass found Roy Henley but with only Cooney to beat, he shot wide.

After 63 minutes a great run by Tommy Seymour down the left saw his great shot past goal. In the 67th minute Will O'Donoghue shot over from

the edge of the box as Celtic threw everything at Utd to get back again on level terms.

Paudie Lynch had a fine effort in the 69th but Billy Sheehan was equal to it.

Then is the 72nd minute a great ball over Celtic's defence by Graham O'Neill saw Michael Keating run in and chip the ball over the advancing Cooney and shot home into an empty net.

A minute later William Curley missed a great chance to put Utd further ahead but he shot over.

A minute later Utd grabbed goal number four. A great shot from William Henley was pushed out by Cooney but William O'Neill reacted first and shot home.

Des Brown had a header saved by Utd's Sheehan before Celtic got their penalty in the 82nd minute. Will O'Donoghue stepped up and shot

home but at this stage of the game Utd. were through to the final.

Overall a fine game of football with Utd having four of its U18 squad in action and all did well.

Celtic too had players like Will O'Donoghue, Paudie Lynch, Tommy Seymour and Ger McCarthy giving it their best shot.

**SUPER DRAW**

The second draw in this year's Red House League Super Draw will take place this Saturday night, 1st November at Power's Bar, Mount Uniacke hosted by Inch FC. The top prize will be a 2 week Palma Cruise valued

at 2,500 euros and the second prize is a trip to Twickenham to see England play Ireland in the six nations championship. Other prizes include dishwasher, washing machine, digital camera, weekend in the Castlerosse Hotel, Killarney, a trip to Oakwood Theme Park, Wales next year and many other prizes.

Liam and Anthony tell me they will start the draw at 10 pm sharp, so clubs with money outstanding take heed.

Wishing everyone the best of luck and hope to see you all there.

**Inter Youth League - Friendly Game****NORTH TIPPERARY 1  
RED HOUSE LEAGUE 0**

This was our Inter Youth teams first game and afterwards manager Ray Fraser was well pleased. We were short some players today but this is a start for us. We know what we have to do and while North Tipperary are a very good side we had many chances especially in the final quarter when we were on top. North Tipp took the lead with a great goal after 10 minutes but the Red House League went close to equalising with Pat Walsh, Sean O'Neill, Michael Curley and Patrick Kearney all going close.

In the second half Jerry Donovan, William O'Neill and Pat Walsh all missed good chances.

Overall a great workout for our lads.

Red House League panel: C. Gleeson, J. Crowley, C. Baker, S. O'Neill, K. Casey, P. Kearney, P. Walsh, M. Collins, J. Kearney, M. Curley, S. Troy.

Res all used: J. Donovan, K. O'Neill, R. O'Brien, W. Curley, W. O'Neill.

To Conor Hurley and Declan Barron both of whom are under the weather as it were at the moment. Get well soon lads.

**FAI JUNIOR CUP PREVIEW****Big Game In Tallow**

A big number of fans are expected in Tallow on Sunday next when the local side Brideview Utd, face one of the top Waterford clubs namely Hibs.

Hibs are on a high at the moment, as they are top of the Premier division in Waterford and no doubt they will be hoping to overcome Brideview on Sunday and go into the hat for the next round and who can blame them.

To date they have lost only one game out of nine played.

That in itself is a very good record. They will travel to Tallow full of confidence of defeating Brideview.

That said the Tallow lads will no doubt look forward to the game managers Mick Sheehan and Tomas McCarthy will be hoping to pull off a real shock here.

If Utd will have a full panel to choose from and they have no injury worries that I'm aware of then it will be interesting to see what first eleven will start.

Utd won the last round in Waterford against Garda after a seven-goal thriller. However it was Utds second team that were on duty as their first team were an GAA duty.

So what team represents Brideview on Sunday. That could have a big bearing on this game. Hibs will be much stronger than Garda.

Perhaps Utd will field their first side for this much awaited game.

If they do then players like Sheehan, Grey, Beecher, Pratt, Martin will have to be at their best. The Tallow side have plenty of young players with no shortage of pace and skill.

Here we think of the O'Neill brothers, the Curley brothers etc., Kieran Casey, Eamonn Forbes, and Mark O'Brien ect.

An exciting game in prospect and we wish the Tallow side the best of luck as they keep the flag flying for the Red House League.

**OSCAR TRAYNOR CUP****Friendly In Middleton**

The RHL Oscar Traynor Cup team take on the Munster Business League in Middleton on this Friday night at 7.45. Joe Tobin is anxious to have a full panel to choose from.

We are hoping to have our full side in action.

We are still anxious to strengthen our squad stated Tobin. We are very pleased with the squad that we have but we feel we need three or four more quality players stated Tobin.

We are looking here to the future of the league team and there is no doubt but we are improving.

Our results this season have proven that. However we know that we can go a step further and that is why we are playing this

Friday night. We feel that the Tipperary SDL can do us a big favour and get us back into the next round.

We need to be prepared if that happens added Tobin. That is why it's important that we play this game on Friday night.

The Red House League panel Billy Sheehan, John P. Grey, Conor Hurley, Aidan Roche, Alan Landers, Leonard Byrne, Joe Mangan, Sean Ormonde, John Broderick Paul Quinn, Jack Crowley, Will Donoghue, J.P. Ryan, Owen O'Donoghue, Matt Cashman, Pat Walsh, Colin Kearney, Camen Radley, Alan Collins.

Any player that is not available on Friday night would they ring either Joe Tobin, Paddy Pollard or Liam Fraser.

**YOUTHS INTER LEAGUE NOTES****Home And Away Games Against West Cork**

Our youth team have two vital games coming up next month when they face two games against West Cork. The winners of these games will advance to the next game.

Manager Roy Fraser and his assistant Noel Hegarty would have liked the away game first but we will just get on with it now added Fraser. Hegarty was pleased with the way the squad has developed and he stated that the players will be fired up for these games. It's just what we wanted added Hegarty.

**BEST WISHES**

To Declan Barron Jnr. who is in hospital at the moment, we hope to see this very good player back in action real soon.

Next draw in Curran's on the 16th of November. Jackpot will be €1900.

## 3RD DIVISION

St Saviours 0  
Stradbally 6

Stradbally travelled to the Ballybeg area of Waterford City last Sunday afternoon to take on local side St Saviours. Our many attacks in the first half were finally rewarded with a goal from Franny Carroll. The second half was a different story with Denis Doyle grabbing a superb hat-trick including a brilliantly headed goal, another spectacular goal from Stuart Fee, a 40 yard piledriver from Stephen Lawlor and another Wayne Kiely goal who also assisted in two other goals.

## FIXTURE

We are away to Carrick this Sunday afternoon at 2.00pm. Be in the village at 1.00pm. Training every Thursday at

7.30pm. All available players to attend.

Two of our players travelled to English premier league matches last weekend. We know which one came back the happier and it was not the one who went to Old Trafford.

## INJURY SCHEME

This is the final call for players if they wish to participate in the FAI sponsored O'Neill O'Driscoll injury scheme. Leaflets were given to players two weeks ago in relation to this scheme. Presently under the basic League insurance players will receive €55 per week for the ten weeks from week three to week twelve and only for a break of a bone. Under the FAI scheme players are covered from week five to week twenty six for up to €450 for any injury in matches or training which incurs a loss of wages for the player. The option is there.

## STRADBALLY UNDERAGE TRAINING

Training for all players this Saturday at 10.30am including the 7-10 year olds, under-13's and under-15's.

## Under-13

Stradbally 1 Ferrybank 3

Top of the table side Ferrybank were our visitors last Saturday and unfortunately we were on the receiving end of a defeat despite matching them for most of the game. Ferry-

bank went into a first half lead but Damian Kiely equalised in the second half. The Waterford side added two more towards the end of the game.

## Under-15

Carrick 3 Stradbally 2

This was a game which could have gone either way with both sides having plenty shots on target during the game. Carrick shot into an early two goal lead with a strong wind to their backs.

Speedy striker Nicholas Drohan equalised with two excellent strikes in the second half. The first was an indirect free from 25 yards out which was laid on by Christopher Lawlor and thundered to the top corner from Drohan. Some minutes later, neat work from Thomas Kiely led to Drohan bringing the ball to the left before striking across the bows of the Carrick keeper for goal number two.

Carrick scored the winner from a free kick with just six minutes left on the clock.

## REF COURSE

A referees beginners course takes place over two Thursdays (Oct 30th and Nov 6th) at the Waterford Crystal Centre from 7 to 10 pm on both evenings. This would not only be invaluable to refs but also to coaches to update them in the rules of the game. Please contact Garvan on 086-8351233 if interested.

## Waterford County Badminton Association

Its that time of the year again and a hearty welcome back to all in the badminton circuit. The leagues are already underway and its great to see so many teams involved competing across numerous different divisions. A huge welcome to our new President, Connie Dowd (Lismore) who has yet to realise what she has let herself in for! Don't worry we will look after you! A tremendous thanks and well done must go to Theresa Butler (Touraneena) for her work as President and its great to see her still involved at the top level. Also this year we are delighted to have some new clubs and new faces playing badminton, welcome goes out to Ballymacarbry and Rathgormuck who have joined the leagues this year.

There is now a webpage for the Waterford County Badminton Association and it is worth a look, the address is <http://homepage.eircom.net/~waterfordbadminton>, it would also be great if anyone who has ideas for the site or about badminton in general would email [waterfordbadminton@eircom.net](mailto:waterfordbadminton@eircom.net). The website is a job well done by Trudy Kennedy and Nicola O'Hanlon. Keep your eye on this space for details of up and coming competitions.

# Dungarvan Badminton Club Notes

The Juvenile club will not be held this Friday night as is Halloween, but we will be back in action the following week and every Friday night in the Sports Centre at 8:00pm for an hour and a half. New members are always welcome, just come along on the night.

As registration is now due, we will be collecting money from members on the night.

In the ladies and men's leagues our teams did not have a good start to the season, but things can only get better from here on. Our Division 3 ladies team played away to Dunmore and lost 3-1, and didn't the men have the same result when they played at home to New Ross. The other ladies team captained by Liz played away again to Dunmore and returned with a score of 0-4.

This week two of the teams are in action. The ladies Division 3 played at home to Touraneena on Monday night and on Thursday the men will be in action against Lismore.

Unfortunately due to Monday being a bank holiday the other ladies team was not in a position to field a team and had to postpone their game.

While the league games are being played members can still come to play on Monday nights in the Friary gym at 9:00pm.

It was a very busy weekend on the Schoolboy front this week with matches taking place in all age Groups while Pinewood were in Cork on National Cup duty. Pinewood went down 4-2 to Mayfield in Cork but played very well considering three of their better players were unable to travel. Mayfield will now travel to play Castlebridge Celtic in the next round so it should be another good match. In the u14 League Brideview and Gaeltacht went goal crazy with Brideview winning an amazing match by ten goals to seven. Brideview led 7-2 at one stage before being hauled back to 7-7 but they recovered to win by three goals at the finish. In u16 Inch United won away at Blackstone while Ballybridge were 3-1 winners at home to Valley Rangers

In our u15 and u13 Cup qualifying competitions we had some tremendous matches with Castlebridge Celtic u15 side going through to the Final on goal difference over a gallant Mogeely side from the group played in Castlebridge while in u13 Ballybridge qualified on home territory from group 1 while in group 2 Blackstone came through after a penalty shoot out against Pinewood and they will meet Ballybridge in the Final in a few weeks time. The remaining u15 group will be played in two weeks time. This weeks fixtures show a number of changes from last weeks provisional list so as to keep all teams playing while at the same time allowing teams who have qualified for Finals to play them. Please check the list carefully as clubs have been accommodated as much as possible.

## BALLINAMEELA G.A.A. CLUB

### RACE NIGHT

We held a very successful and entertaining race night in The Welcome Inn on Saturday evening last. The first race got underway at 9.30 and interest seemed to be very big in this race as the big crowd were not shy on placing their bets with the tote. There was great excitement as local owner John Stack won this race with his horse Eileen Dover. Our race meet also had the facilities to show the extremely exciting breeder cup on big screen and it seems our treasure was keen to open a book on the photo finish to try and raise a few extra euro. The dead heat in the breeders cup added to the atmosphere on the night with great excitement for each race. We held our action race as race 5 and this proved a great success with all sorts of syndicates being formed to try and buy the best horse. Two more races followed our auction race but the crowd was still looking for more, some to win their money back more to just keep on winning. They weren't disappointed, as like a magician our compare Fran Mangian pulled out another race to satisfy everyone desires.

I would like to thank all those who supported the club in the Welcome Inn on Saturday night, Fran Mangian who ran the races very well and his commentary really added to the night. I would also like to thank all those who bought horses and jockeys and of course our very generous sponsors whom we would like you to support in any way you can. The list of sponsors is as follows: Ballinameela Community center, East Cork Oil, FDC Accountants, O'Dwyers Steel, Carty Construction, Terry McCarty Buildings, Bank of Ireland, Allied Irish Bank, William Scanlon AlfaLaval, Jim Quinn Agri Supplies, Musgraves, South of Ireland Petroleum, Omonds, Data Systems, Dwane's Tool hire, Clonmel Oil, Glanbia, Denn Feeds, John A Woods, Keereen Quarry, Kelleher Printers, Deice Fuels, Radley Engineering.

### INTERMEDIATE FOOTBALL WESTERN FINAL

We play our neighbours the Brickey's next Sunday at 3.30 pm in the western intermediate football final. As this is only our second year up in the intermediate grade it is a great achievement to have reached this stage of the competition. Our opponents have a lot more experience at this level and have been knocking on the door for the past few years and they will look at this final as a great chance of winning, but our boys will have other things on their minds. This has the makings of a great game of football and we would really appreciate all the support we can get. So get out the blue and white flags and be in the Fraher Field at 3.30 next Sunday

### SYMPATHY

We offer our sympathy to Tom Barron of Carrowgarriff and his family on the recent death of his mother Hanah Barron.

We offer our condolences to Fr. Garreth Desmond on the death of his father Liam who died while on holidays

We also extend our deepest sympathy to the Flynn family on the sad death of Donal Flynn.

May they rest in peace.

## DUNGARVAN G.A.A. CLUB NOTES

### SENIOR FOOTBALL

On Saturday afternoon last we travelled to the Leamybrien venue where we took on Kilmacthomas to decide which of the two clubs would be plying its trade in the intermediate ranks in 2004. Kilmac playing with a strong breeze were leading coming up to halftime by 0-8 to 0-2 when Dungarvan started to up the tempo and kicked two unanswered points and were on the attack when this game came to an abrupt halt. Defender Jonathan Shaw had just launched another attack, and having released the ball into the full forward line, sustained a very serious leg injury, following a tackle from a Kilmac defender. Following the administering of first-aid

on the pitch an ambulance duly arrived at the venue and Jonathan was removed to WRH, where he later underwent an operation to have a pin inserted in his leg. With the scoreline reading 0-8 to 0-4, the referee decided to abandon the game and have it rescheduled for a later date, which is yet to be announced. From everyone in the club would like to wish Jonathan the very best as he recovers from this injury, we all certainly look forward to seeing him out and about soon.

### DEISE DEVELOPMENT DRAW

The last Deise Development Draw in the current series takes place on Friday night next in Quill's, The Pike. This is the last draw in the current series,

### COMMITTEE MEETING

A meeting of the executive committee takes place tomorrow night (Thursday) at 8pm in the clubhouse.

### CONDOLENCES

From all in Dungarvan GAA club we wish to convey our deepest sympathies to the Flynn family on the recent death of Donal Flynn. The Park Hotel, Dungarvan. His many friends and acquaintances in the club were deeply saddened to hear of his death. Ar dheis De go raibh a anam.

## C.L.G. COIS BHRIDE

### UNDER 11'S WIN COUNTY TITLE DIVISION 2

When our Under 11 team won the County final ground hurling on Saturday last in Ballyduff Lower against Clonea it reminded me of the song 'Perfect Day' or U2's hit 'Beautiful Day' but in our case a perfect end to a perfect year. Most of this squad have won U10's, U11's and U12's this year, but

to win a County title has to be the perfect end to a perfect year. To do justice to this team it is important to take you back to a wet Saturday in April when we won the Western final of this event up in Touraneena against St. Patrick's. Then the long hot summer passed before we heard of a County final. So on we marched to Walsh Park two weeks ago to play Clonea.

With no score recorded by either team at full time it was decided by two sets of selectors and County Board that the fairest way to settle this was a replay. After some discussion and more training sessions the conclusion reached by the selection was that to have any chance of winning this game we would have to get scores and a bit more horse power up

front. So we moved Ed Lonergan from back to forward and Shane Roche closer to goal thus hoping to give the forwards the power we needed up front. At half time happy with our discussion the selectors went to the dressing room leading 3 goals to one. However this was no ordinary Clonea team and to their credit they made some changes and at full time teams were level at three goals each. So it was into extra time once more and lads getting injured everywhere on the pitch, lads going off, lads going on and deep heat being sprayed on everyone except the referee. With selectors starting to lose voice and golden goal in sight, it was decided by all concerned that a result would have to get that day. With two minutes in sight Steve Barry buried one last goal in the net. So after two games and over one and half hours of superb ground hurling nobody deserved to lose but that is not the way it works and Cois Bhríde came out on top with the narrowest of victories on a final score of 4 goals to 3. This was a superb display of ground hurling in excellent conditions played by both teams. Seven hurleys were replaced during the match which in itself shows the intensity it was played at. Scorers for Cois Bhríde included Dean Hennessy, Eoin Roche, Padi Aherne and Steve Barry.

Our team was S. Barry, B. McCarthy, R. Barry, J. Leahy, K. Frazer, A. Pratt, E. Murphy, Evan Sheehan (capt), D. Hennessy, Ed. Lonergan, Steve Barry, E. Roche, P. Aherne, S. Roche, S. Lucy, T. O'Neill, Jackie Forbes, Shauna Corcoran, R. O'Sullivan, K. O'Farrell, Aine McCarthy, Amy Beecher, B. Buckley, D. McElroy, D. Rafferty, A. O'Riordan. A special word of thanks to Ned Power who helped with preparing the team for the County final. We would also like on behalf of the selectors to thank parents and supporters from Knockanore and Tallow who brought lads to training and matches as it makes our job much easier. Roll on 2004.

### Presentation Night

Cois Bhríde end of year presentation night will take place on Friday 21st November in the Community hall in Tallow. It is hoped to have some of our inter county players there on the night presenting the medals and also the certificates for the foundation coaching course. There will also be a get together in Lizzy Langton afterwards for the adults. All players, selectors, parents and supporters are invited to come along and give your support on the night. More details on this later.

### LEVEL 1

It is hoped that the deferred level 1 coaching course will take place in the near future. Members interested will be informed when we have more details.

### NEWS LETTER

After the success of the clubs first newsletter another one will be published before Christmas. Anybody wishing to contribute should contact any committee member.

## JUVENILE G.A.A. NEWS FROM THE DEISE COUNTY

# Win For East Waterford In John O'Regan Tournament

The Annual John O'Regan tournament game between east and west Waterford took place on Saturday last at the Ballyduff Lower G.A.A. clubs from the east of the county winning under 14 football finals a week previously, the Western selectors knew that they were going to be in for a tough game.

The east got off to the best start with a point from Craig Moloney. The west hit back with a point from Jason Healy. After this the east added a few scores to race into a lead. However before referee Robert Grace blew the half time whistle, the west had hit back with scores from Michael Walsh, David Phelan and Mark Shalloe to earn a share of the spoils after 25 minutes of football.

In the second half the east took control of the game. The physically bigger side took control of the game picking off some good scores. The east could have won the game by a bigger margin had it not been for Stephen Enright in the West goal who made a number of crucial saves including a very good double save early in the second half. The west did have their chance to win the game but they saw too many of their scoreable chances fall to go between the posts or over the end line.

After the game County Board na n-Og Treasurer thanked both teams for the game they had served up. He welcomed members of the O'Regan family to the Ballyduff Lower Club Grounds and gave a brief history of the competition. The winners trophy was presented to the Captain of East Waterford Mitchell Casey by a son of John O'Regan while Mrs. O'Regan presented the winners with their winners medals.

**Panel: West Waterford** — Stephen Enright, Darren Dunford, Owen McCullough, Tommy Prendergast, Daniel Connolly, Kieran Burke, Daniel Henley, Jason Healy, Steven Slater, Gavin Crotty, Stephen Crotty, Declan Harty, Brendan Hogan, Michael Walsh, Mark Shallow, Jamie Colendar, Shane Fives, Cormac Nugent, Joe Kett, David Phelan, David Power.

**East Waterford** — Jamie Coil, Eric Lonergan, Scott Kelly, Conor O'Neill, Craig Kelly, Sean Crowley, Mitchell Casey, Conor Whelan, Aaron Connors, Gavin Fauikner, Adam Cunningham, Tom O'Moore, Craig Moloney, Colm O'Shea.

On the day a number of players from the west of the county were absent due to a school tour organised each year over the Halloween mid term break by a number of secondary schools.

### JIM POWER TOURNAMENT

The annual under 14 football inter county football tournament for the Jim Power Cup will take place this weekend. This years competition will be played at Stradbally as Kilmacthomas where the games are usually played is not available.

The first game of the day sees the meeting of Waterford and Tipperary at 10-30. This will be followed at 12-00 by the meeting of Clare and Limerick. The two losers in the opening round of games will meet in the Plate Final at 2:00pm and the Competition final between the two first round winners will take place at 3:00pm.

## COIS BHRIDE WIN UNDER-11 COUNTY FINAL REPLAY

The replay of the under 11 division two ground hurling championship final between Cois Bhríde and Clonea took place on Saturday last at the Ballyduff Lower G.A.A. Club Grounds. The final between the two sides which took place two weeks previously at Walsh Park ended on a scoreless draw after extra time.

The drawn game was a brilliant game to watch. People

say that replays can and will not be the same as the drawn game. However those that were present at this game will dismiss this myth.

Clonea opened the scoring on two minutes with a goal. Within three minutes Cois Bhríde responded with a goal of their own. Two minutes before the break Cois Bhríde took the lead with a second goal. Ninety seconds later Cois Bhríde stretched their lead with a well taken third goal which was scored from distance.

Clonea were the better team in the second half. They soon scored a second goal to reduce the deficit to a single goal. Soon after Clonea scored a third goal to tie the scoring. This was how the game ended and so the two sides for the second time required extra time to see if a winner could be got.

The first half of extra time saw the ball go from end to end but no score could be found. The County and Western Bord na nOg Officers that were present on the day at the games decided at half time that if after another five minutes of play a winner was not got, the first team to score after that would be the winner. As the clock was counting down Cois Bhríde attacked the Clonea goal. After a period of some good ground hurling they saw the sliotar rattle the back of the Clonea net. The crowd that were present were on looking at their watches after this. When Robert Grace blew his full time whistle there was a big roar from the parents and supports of the Cois Bhríde players.

After the game the winning Cois Bhríde Captain was presented with the winners shield by the treasurer of County Bord na nOg Joe Cleary. On the sound of the full time whistle former All-Ireland winning goalkeeper Ned Power who played with Waterford in 1959 went onto the field to go around to all the Cois Bhríde players to personally congratulate them. It was nice to see a person like Ned who played at the very highest level present at a juvenile County Final and to go around congratulating the players.

Too many of today's big names do not recognise the work being done within the juvenile sections of the G.A.A. Clubs. The players that are playing juvenile hurling and football today are the stars of the games in the years to come. I am sure that in the years to come the Cois Bhríde players will remember the day they beat Clonea in an under 11 Ground Hurling County Final at the Ballyduff Lower Clubs. Although the players will never have seen Ned Power playing they will have heard all about him. They will remember him going around the field congratulating each and every one of them.

It was a nice touch from Ned to do this. It would be nice to see other such legends of the games of hurling and football go to Juvenile county finals and to go around to the players after the game to congratulate or commiserate with them whatever the case may be.

### UNDER 16 HURLING

The under 16 hurling championship which is sponsored by Cappoquin Chickens is down to the final stages in all three divisions. Two of these three finals are due to be played this weekend venues providing. The division one final between Lismore and St. Oliver's is due to be played this Sunday Morning in Cappoquin at 11:00am.

When the two sides met in the league section of the competition at Lismore the game ended in a low scoring draw. The final is expected to be equally as tight with Lismore possibly regarded as the slightest of favourites.

The division two final sees the meeting of Cappoquin and Saint Patrick's in Bushy Park on Sunday morning at 11:00am. The two sides met earlier in the year in the county

championship at Bohadon. On that occasion Cappoquin emerged as victors running out 1 winners with a few points to spare. Going on this result, Cappoquin will be regarded as the favourites to lift the trophy.

The division three final sees the meeting of Ballyduff and An Gaeltacht. These two sides have met a lot this year and victories are split almost equally between the two. Ballyduff went straight into this years final as group winners while An Gaeltacht qualified after they beat Clashmore in the semi finals at Ardmore. Despite having come through the semi final route An Gaeltacht will be favourites to win this years title. This game will take place in Cappoquin on Saturday November 8th at 2:30pm.

### CONVENTION TIME

It's that time of the year again across the country when Clubs and Bords begin to sit down and review the past 12 months. West Waterford Bord na nOg are once again first of the mark in Waterford with Friday November 21st pencilled in with a number of weeks for 8:00pm at Lawlor's Hotel. The East Waterford Bord na nOg Convention is fixed for Tuesday December 2nd. The County Bord na nOg Convention takes place a week later in Lawlor's Hotel.

The Western Adult Bord will have their annual convention will take place on Thursday December 11th and the County Annual Adult Convention will take place on Monday December 15th.

During the year various club personal were quick to attack the various bords on a number of matters. It awaits to be seen if any of these same people will be putting their name forward for election to the Bord. Somehow I don't think there will be many that will allow their names to go forward.

### John Regan Competition:

This Competition took place last Saturday in Ballyduff Lower G.A.A. Pitch in which the West took on the East. On the day some brilliant football was played by both sides. The east got off to the better start and were five points up at one stage but the West fought back and were level at half time. Early misses at the start of the second half proved costly for the West as the East took their scores well, and ran out worthy winners. A panel from this Competition was picked after the game and they will now represent the County next Saturday 31/10/03 in the Jim Power Tournament. Limerick, Tipperary and Clare will provide the opposition on the day.

### MICK O'CONNELL

Once in a lifetime a player comes along who performs so well everyone else is forever compared to him. In soccer it would be Pele from Brazil. In Gaelic Football it has to be Mick O'Connell from Kerry. Mick O'Connell grew up on Valentia Island off the South Coast of Kerry. He won 4 All Ireland titles from 1959 to 1970, playing a key role at mid-field. He beat all opposition in the air. He says his greatest enjoyment in football was judging where a high ball was going and catching it perfectly. His long-range free taking won several matches. He kicked equally well off his left or his right foot.

Mick O'Connell was the complete all rounder and a true superstar.

# TOURIN G.A.A. NOTES

## BALLINWILLAN 2-12 BALLYSAGGART 1-4

As the scoreline shows, we are the 2003 Junior 'B' Football champions. Defeated in this final for the last 2 years, this was a game we were very determined to win. We took the game to Ballysaggart from the outset and Darragh Wilkinson scored the first point of the game. Ballysaggart equalised and we then struck a purple patch and scored 4 points without reply. Both teams then struck for 2 points each and left the halftime score 7 point to 3. Moses scored a great first point at the start of the 2nd half followed by a well taken Alan Barry goal. Points by Bob Manahan and Michael Scanlan and a further goal from Alan Barry. Donal McGrath then scored a point followed by the

closing point from Bob Manahan. Two goals and twelve points is great scoring in any game and some of the scorers were as good as you would see in any football game. No one player is going to be named as better than any other on this team, we stated at the start that this is a team game. We had 15 players on the field of play. We also had 10 subs on the line. Some of them came on, other did not. But they all put in the same effort at training to win us this championship. As we stated previously this was a 25 man team not a 15 man team.

We also had a very important 4 man team on the sideline - John McGrath (manager), J.J. Scanlan and J.J. O'Donnell (selectors) and L. O Laocha (coach). A mixture of youth and experience who work very well

together. They took this job at the A.G.M. when no one else wanted it. They put a lot of time and effort into the job and we can now see the rewards. Go raibh mile, mile maith again.

Also to our many supporters that have followed us through thick and thin, thank you.

After the game, the cup was presented to our Captain Michael Scanlan by the Western Board Chairman, Paddy Walsh who congratulated us on our victory. Michael suitably replied thanking everyone involved with a special work of thanks to our opponents Ballysaggart for a sporting game.

Needless to say, the celebrations continued well into the night.

Team: D. Dransfield, Mark

Landers, Ken O'Donnell, Jamie Dalton, Colm Bennett, Michael Walshe, Brendan McGrath, Brendan Scanlan, Bob Manahan (0-6), Dara Wilkinson (0-3), Pat Walshe (0-1), Cathal Wilkinson, Kevin Wilkinson, Michael Scanlan (0-1), Alan Barry (2-0).

Subs: Donal McGrath (0-1), Niall Leahy, Páidí Cronin, Stephen Hogan, Jimmy Collender, J.D. Leahy, Donal O'Keefe, Brian Doocey, Daniel Leahy, Peter McGrath.

### COMMITTEE MEETING

Will be held at the Community Centre on Wednesday night at 8:30pm.

### SYMPATHY

On behalf of the club I would like to express our sincere sympathy to the Barry family, Tourin on the death of Maireen's sister in Scotland.

# The Nire Adv

The results were disappointing for both the losers, both of whom will reflect on what might have been.

In the opening match which was the quarter final between Kilrossanty and the Nire and which was the better of the two games, the scores were level when the game had gone two minutes into time added on and a draw looked absolutely certain and this would have been a satisfying result for everyone. But referee Brian Power let the play continue and in the closing minutes the Nire through Shane Walsh and Brian Wall kicked over two winning points to set up a meeting with champions, Stradbally in the semi-final on next Sunday week at Fraher field.

In the second match which was a semi-final meeting between Tramore and Ballinacourty, the losers in my opinion left the game behind them after enjoying 75% possession in the second half and missing three chances at goal and missing a penalty.

Tramore are now through to the county final and will play either Stradbally or the Nire on November 22nd. in Fraher field.

This is the second Sunday in

succession on which the fare at Fraher field has been disappointing and hopefully things will improve in the remaining weeks of the season.

**NIRE 0-11  
KILROSSANTY 0-9**

The scoring gap in this tightly contested quarter final never exceeded three points and this kept the interest in the game very much alive from start to finish. I thought, as very many other did, that a draw would have been a fair result as neither side deserved to lose. Maybe in the closing stages when the Nire made the better use of their chances, that they were deserving of the result, but not everyone will see things in this light. Play;

Kilrossanty had first use of the breeze and mounted two early and unrewarding attacks. In the 5th. minute Matty Kiely kicked over the first point of the game and Ciaran Keating added another a minute later. Jacko Kiely made it three without reply for the Comeragh side in the 8th. minute and at this point, the Nire looked to be under pressure.

In the 12th. minute a Nire attack saw Tom Flynn open the Nire account with a neat point. Connie Power with the first score from a free made it 2 for the Nire and they were level on 0-3 apiece when Shane Walsh kicked over in the 15th. minute

A 17th. minute wonder save by Nire goalkeeper Michael Doocey from Seamus Veale was a set back for Kilrossanty, but nevertheless they kept on the pressure and in the remaining 12 minutes, sent over three unanswered points per Ciaran Keating and Matty Kiely ( 2 ) to leave the halftime score at 0-6 to 0-3.

**SECOND HALF**

Matty Kiely and Tom Flynn exchanged points as did Shane Walsh and Jacko Kiely, whose score was one of the best of the game.. Connie Power pointed and a splendid point by Ger Walsh brought the gap to the minimum in the 53rd. minute and then the teams were level for the second time in the game when Connie Power pointed for the Nire in the 55th. minute ( 0-8 each ). The Nire took the lead for the first time in the game when Shane Walsh had a 58th. minute score but then in the 62nd. minute Roger Power who started the game at full back had Kilrossanty back on

level terms at 0-9 to 0-9 and a replay looked certain.

But play continued and the two points in time added on saw the Nire steal a win with points by Shane Walsh and Diarmuid Wall in the 34th. and 35th. minutes.

Scorers; Nire; S. Walsh 0-4, C. Power 0-3, T. Flynn 0-2, G. Walsh and D. Wall 0-1 each.

Subs. D. Phelan for A. Ryan D. Wall for D. Spellman.

SENIOR FOOTBALL SEMI FINAL

TRAMORE 2-4  
BALLINACOURTY 0-7

# Tramore Reach County Final Against Wasteful Ballinacourty

The Ballinacourty senior football panel who bowed out of the championship last Sunday after Tramore defeated them in the semi final. Photo by Kiely Photography

The tally of wides in the game showed that the losers had 12 and the winners 6, but this was not the full reason why Ballinacourty lost a game that, if possession and territorial advantage were to mean anything, they should have won.

There was a dramatic finish to the game when Ballinacourty trailing by 3 points were awarded a penalty for a foul on Garry Hurney and the kick taken by Declan Fives was saved by Tramore goalkeeper John Moron

With so much of the play in the second half for a reward of only 4 points, tells the story of the Ballinacourty effort. I saw it

as a game that they left behind them.

Tramore have a nice young team and were helped by an unexpected 7th. minute goal which was all against the run of play at the time after county under 21 player Bob Rockett collected a pass to make a clear run and kick to the Ballinacourty net.

Before this Ballinacourty had

opened with a first minute Declan Fives point and followed in the 3rd. minute with a point by Garry Hurney.

Lee Quilty pointed an 18 th. minute free and 4 minutes later Mark Power, was set up by his colleague Bob Costello for Tramore's second goal.

A Michael Enright point in the 26 th. minute was the last score of the first half to leave the state of play at 2-2 to 0-3 in favour of Tramore.

Second half

Ian Kiely and Declan Fives had early points and Shane Briggs had another in the 12 th. minute to reduce the gap to just 2 points and with Ballinacourty enjoying a major share of possession.

Mounting two attacks, Tramore had two scores, points by Mark Power and Michael O'Donoghue in the 43 rd. and 53rd minutes and which were their only scores of the second half. A Ballinacourty attack saw substitute Patrick Hurney kick inches wide across an open

gaul and the same player kick a splendid point in the 57 th. minute to leave just 3 points between the teams. The saved penalty saw Tramore through to the county final for the first time in 18 years.

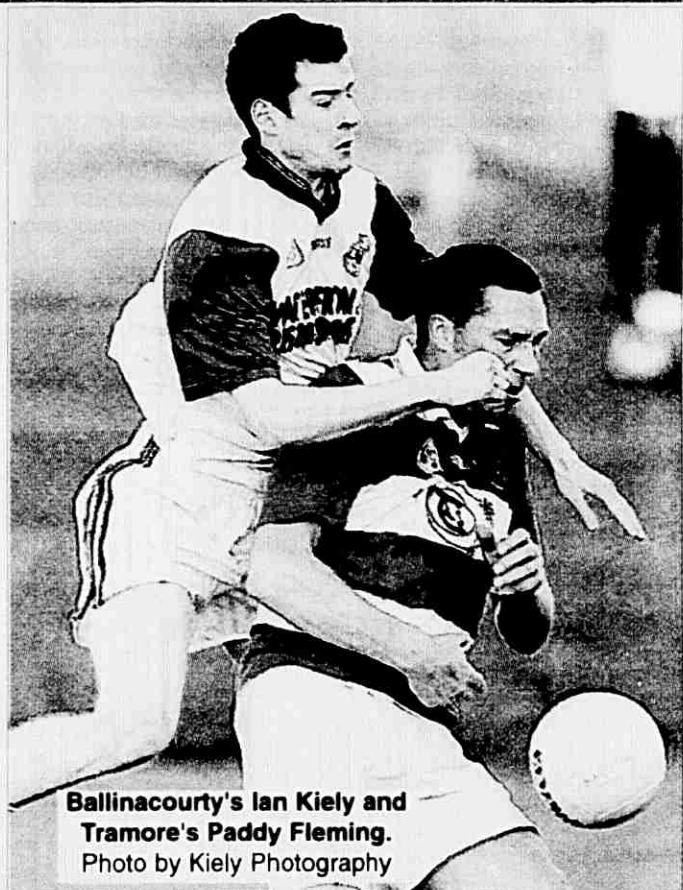

Scorers; Tramore. M. Power 1-1, B. Costello 1-0; L. Quilty 0-2, M. O'Donoghue 0-1;

Ballinacourty; D. Fives 0-2, G. Hurney, M. Enright, I. Kiely P. Hurney, S. Briggs 0-1 each.

## S.F. Relegation Game Abandoned

Following an unfortunate incident in which Dungarvan player Jason Shaw sustained a broken leg, the relegation match involving Kilmacthomas and Dungarvan was abandoned at Leamybrien on Saturday last.

Twenty seven minutes of the first half had been played and Kilmacthomas were leading on a score of 0-8 to 0-4 when the incident occurred. Kilmacthomas were then down to 14 players as Jonathan Hughes had been dismissed following the incident.

An ambulance arrived from Dungarvan some 30 minutes later and Jason Shaw was removed to Waterford Regional Hospital. Referee Pat Walsh, Fourmilewater.

# Tremendous Game In Prospect As Mount Sion & Ballygunner Meet In Final At Walsh Park

I have no doubt but that it will be a super game of hurling and a clash that will compensate us for the mediocre standards produced at all stages throughout the championship. Mount Sion who are going for a record thirty-three county senior titles were the more impressive of the two in the county semi-finals even though they had to struggle past Ardmore in the first round and again when matched against Lismore in their second match.

The same teams met in the county final last year and it is nothing more than a stroke of fate that they have remained apart until the county gain this time round. Judging by the indifferent form shown throughout the championship so far it is well for hurling that these and no other teams are involved in our "Showpiece game here on Sunday.

Unusually, the game stands alone on the programme and with no curtain raiser. There is no championship game available to be played as both minor finals were decided some weeks ago.

Over the past twelve years Ballygunner have won six titles, Mount Sion have taken four and Lismore two.

Last year Ballygunner were the defending champions when taking on Mount Sion in an epic decider which finished with just a 'whisker' between them. A scoreline of 1-19 to 2-14 favoured Mount Sion, who then went on to win the Munster club championship - a title held by Ballygunner in the previous year when they were champions.

It is of interest to note that when Mount Sion and Ballygunner played their semi-final matches here two weeks ago, they each showed just one change from the teams which represented them in the county final last year, Ballygunner have been strengthened by the addition to their team of Fergal Flynn. The Clare man who transferred here in June should give a boost to Ballygunner. he is also a county team prospect.

With intense rivalry between the clubs, we can be sure that this game will be loaded with 'bite' and no quarter will be asked or given. Nevertheless the final is sure to produce club hurling at least as good as one might hope to enjoy in any other county around the country. It will produce some great duels, splendid individual displays and some smashing clashes before the game finishes.

Scoring, too, should be a feature of the final and here it will be interesting to see if there are any new county prospects 'on show'.

#### SCORING STATISTICS

While a comparison of their scoring records over their three

## MOUNT SION ARE SLIGHT FAVOURITES TO RETAIN THEIR TITLE

games played so far in the championship is of no real significance, it may be of interest to some readers.

Mount Sion have so far scored 6-42 and had 5-30 scored against them.

Their three top sharpshooters are Michael White, 0-13, Eoin Kelly 0-10 and Barry Browne 2-4;

Ballygunner notched up 5-42 and had 1-22 scored against them.

Paul Flynn was their top scorer with 2-9, Shane Sullivan had 1-8 and Paul Foley accounted for 1-7.

(Lismore's chief striker, Sean Daly is way out in front on the 2003 scoring chart with a total of 6-19 from five matches).

This final is very likely to be a very close affair and the expectations are that it will go down to the wire, same as last year between the same clubs.

A draw is not out of the question, either. When the same sides played a 1-8 all draw in the 1995 county final, Ballygunner came out on top in the replay by just a couple of points, 3-13 to 1-17.

A draw in this county final would cause serious problems in that the winners are sched-

uled to play the first round of the Munster club championship on the following Sunday. Hopefully it will not mean having a replay on the following Saturday before playing the Munster Club match on the following day, as was the case ten years ago.

#### HOW THEY LINE OUT

It is expected that the sides will show just one change from the county final line out of last year. Both clubs have shown consistency in fielding 'regular' teams.

Ballygunner, here in the role of challengers will have the very reliable Ray Whitty in goal behind, Nial O'Donnell, Alan Kirwan and Rory O'Sullivan. Fergal Hartley will once more be at centre half back and will be flanked by Stephen Frampton and Colin Kehoe.

Tom Fives and Andy Moloney will continue with their midfield partnership and in attack they will place Fergal Flynn Mick Mahony and Paul Flynn in the half line and Billy O'Sullivan, Paul Foley and Darragh O'Sullivan inside. There is also some very worthwhile talent among the regular 16 substitutes that they carry.

I liked Fergal Flynn in the semi-final against Lismore. I think he was lots of potential and a lot to offer to his new team. I am not saying that he will win the match for Ballygunner but I believe that he will certainly strengthen their prospects.

Remembering that Mount Sion have their county and Munster titles to surrender if they lose, the pressure is more on them than on the challengers. Looking at them struggle to beat Ardmore they certainly did not look like prospective champions and they did not look very impressive when Lismore let the game slip in round two at Lemybrien some weeks. They did bounce back for the semi-final later and looked more like champions than they had since they went out of the Club championship at the semi-final stage in February.

Like the 'Gunners, they are sticking with the 'regular' fifteen.

Ian O'Regan will be their keeper and the vastly improving Jamie O'Meara, Anthony Kirwan and intercounty defender Brian Flannery will be their full line with Tony Browne fill-

ing the centre halfback bert and flanked by John Cleere and Brian Greene.

Eoin Kelly and Roy McGrath will be back as partners in the middle of the field and while there may be changes in the order of the placings, we know that Ken McGrath, Eoin McGrath, Michael, Michael White, John Meaney and Barry Browne are the likely sextet on whom they will depend to get the winning scores.

#### THE RESULT ??

It is the kind of a final that might be decided by the puck of a ball. It is certain to be a very close contest between the two best teams in the county. Teams that have been very worthy champions of Munster in the past couple of years.

Public opinion seems to be very divided on the issue and like all the other scribes writing on the match, I am not in the least confident about naming the winners.

Yet, if I was a betting man, I would have a small wager on the champions retaining their title. A wise man on whose advice I have relied for very many years once told me that when in doubt in a situation like this, always back the champions.

## INTERMEDIATE FOOTBALL FINAL

BALLINAMEELA v BRICKEYS

In the semi final of the division, Brickey's easily accounted for Lismore and were every bit as good as the final score of 3-7 to 0-3 indicated.

Like Ballinameela they have been trying for quite some time to win their way up to senior status and will rely on players like Tom Lynch, Shane Nugent, Jimmy Sheehan, Richard Halpin, Dermot O'Neill, David Hickey, John Byrne, Olan Casey, Fergus Nugent, Conor Fitzgerald, Kieran O'Brien, Andrew Murphy, Tony Halpin, Ian McCarthy and company to help them get to the county final of this grade.

Ballinameela, really turned on the style when defeating Affane in their semi final game three weeks ago and they too, will have ambitions about promotion. They won the semi final on a score of 2-15 to 1-7 led by the Walshes, Eoghan, Owen and Michael, Ken McGrath and many other graduates from the St. Oliver underage section, Ballinameela begin as favourites, but this is a very open affair and the result can go either way.

From the start of the year this group of players have given a great commitment to the club and we would like to thank them for their efforts and hopefully we will all learn from this defeat and come back again all the more determined next year. ## WEST WATERFORD ATHLETICS NEWS

# Dublin Marathon

My watch alarm went off promptly at 6:30 a.m. And only served to reveal my marathon naivete. I confess to having operated under the ludicrous belief I'd actually get a normal night's sleep. I failed to appreciate how the twin cousins of anxiety and adrenaline would visit and keep my eyes prodded wide open.

Now, the day of the race, I've stored up on a grand total of 46 minutes of cumulative sleep for the night. I've had my race number pinned on my shirt since 2:00a.m. And been to the bathroom 12 times since 4:00a.m. (Wish I'd never read that article on proper hydration as I now tried to memorise the exact location of every port-a-loo on the course).

I've had my feet vaselined since 4:00a.m. and spent the last two hours trying, unsuccessfully, to get the music score from the film rocky stricken from the playback position of my memory bank (shouldn't have started watching VH1 Flashback at 3:00a.m.). It's not the kind of motivating music I envisioned drawing from at mile 21.

By 7:00a.m. I decided to leave the womb of my hotel room. The last 12 hours of bright eyed confinement had provided me time to conclude that 30 minutes goes by painfully slow when watching an infomercial of a combination juicer/ breadmaker/ portable treadmill.

I began the 1 mile walk to the starting line all the while engaging in the profound internal debate of whether my shoe laces were too tight, singlet vs. T-shirt and whether I'd really done enough long training runs. The ever-present thoughts of Marathon Man Walking.

I place myself near the sign that has my anticipated per mile pace. The combination of nerves and inadequate caffeine consumption lead me to unconsciously do something I haven't done since school. I stretch. I try, to no avail, to re-acquaint my toes to my fingertips after twenty years of distance between them. The attempted reunion stops at my knees.

The announcer states 5 minutes until the start and I frantically glance at the bathroom line that revealed my turn would arrive about the time the winners cross the finish

line. I casually glanced around for the nearest large tree but the start countdown had begun.

The gun went off, followed instantaneously by the cacophony of 8,000 beeps from runners' watches. The first mile arrived quickly and the split time provided me with good news/bad news. Good news was I was 20 seconds ahead of my PR pace. The bad news was I was 20 seconds ahead of my PR pace. Marathon myopia had begun.

I tried to slow down and realised I didn't have a firm grasp on the concept of pace. I had two speeds - all out or slow shuffle. Apparently, that in the middle thing must be called proper marathon pace. I tried to convince myself I was engaging in the racing tactic of elite runners. I was surging. Yeah right.

I was doing everything to completely guarantee a rendezvous with that bastion of brutality otherwise know as the wall. Negative splits were clearly a concept I hadn't grasped. More like banana splits as a relatively comfortable marathon was slipping away.

By eleven miles I'm engaging in the mathematical Olympics of just what percentage of the 26 miles is now over. I surveyed the shoe attire of those runners surrounding me and still failed to fully appreciate that my present running companions were in a different league. I was in the uncharted territory (for me) of running with those in racing flats!

Like clockwork, around twenty miles, I began to feel heaviness creep into my legs as my stride became a shuffle and I was, for all intent and purpose, exhausted. I don't mean tired like gee, I better slow down a little too feel better. If I'd tried to go slower I'd be going backwards. I was sufficiently enervated that completing the last six miles was tantamount, in my mind.

Continuing to employ my present creed of violating all time-honored marathon advice, I ignored aid stations for fear that by stopping to drink my legs would immediately take root and I'd never move again. I plodded on.

Ultimately, I crossed the finish line in sort of a somnolent shuffle. I sat down and didn't move (not that I could if I wanted). My friends supplied me with food and drink and I actually resuscitated somewhat quickly. Then the mind warp, which besets repeat marathoners, crept into my conscience.

Apparently, in attempting to rid my body of lactic acid buildup, my short-term memory was being removed as well.

I began to have strange thoughts. Visions of rhythmic running filled my head. Contemplation of my next marathon had already begun. I was clearly afflicted with the madness of the marathon mind, but I suppose another sub 3.20 at forty something cant be too bad eh.

### CONOR FRENCH ELECTRICAL C.C. LEAGUE

# Shona Breaks 7 minutes Barrier

## Ferdia Gets Close To 6 Minutes

Round four of the Conor French Sponsored Juvenile Cross Country League at the Friary College on Friday evening saw a total of thirty two athletes record new personal bests and some recorded exceptional times which augers well for the upcoming Munster Championships. Pride of place must surely go to Shona Curran who became the first girl to break the seven minutes barrier when she scorched round in 6.48.

This is a time that will not be bettered for a long time. Ferdia O hAoda is also in sparkling form at the moment and he ran a superb time of 6.05 on Friday. Fiachra Breathnach also ran a very respectable time of 7.09 and continues to improve and Michelle McCarty will be very happy with her time of 7.06.

Looking through the rest of the times it is good to see some of the younger lads

getting under 8 minutes for the first time. Namely Jason Nagle, David Sweeney and Colm Curran. Those doing the 1000-metre lap Dylon Byrne, Paul Curran and Niamh Wade were the most impressive. In the team contest Mark Shalloe's team can hardly be caught but the runners up spot is very much up for grabs with only 14pts between Pdraig Healy's team and Loraine McCarty's team and Michelle McCarty's troops could also be involved in the shake up.

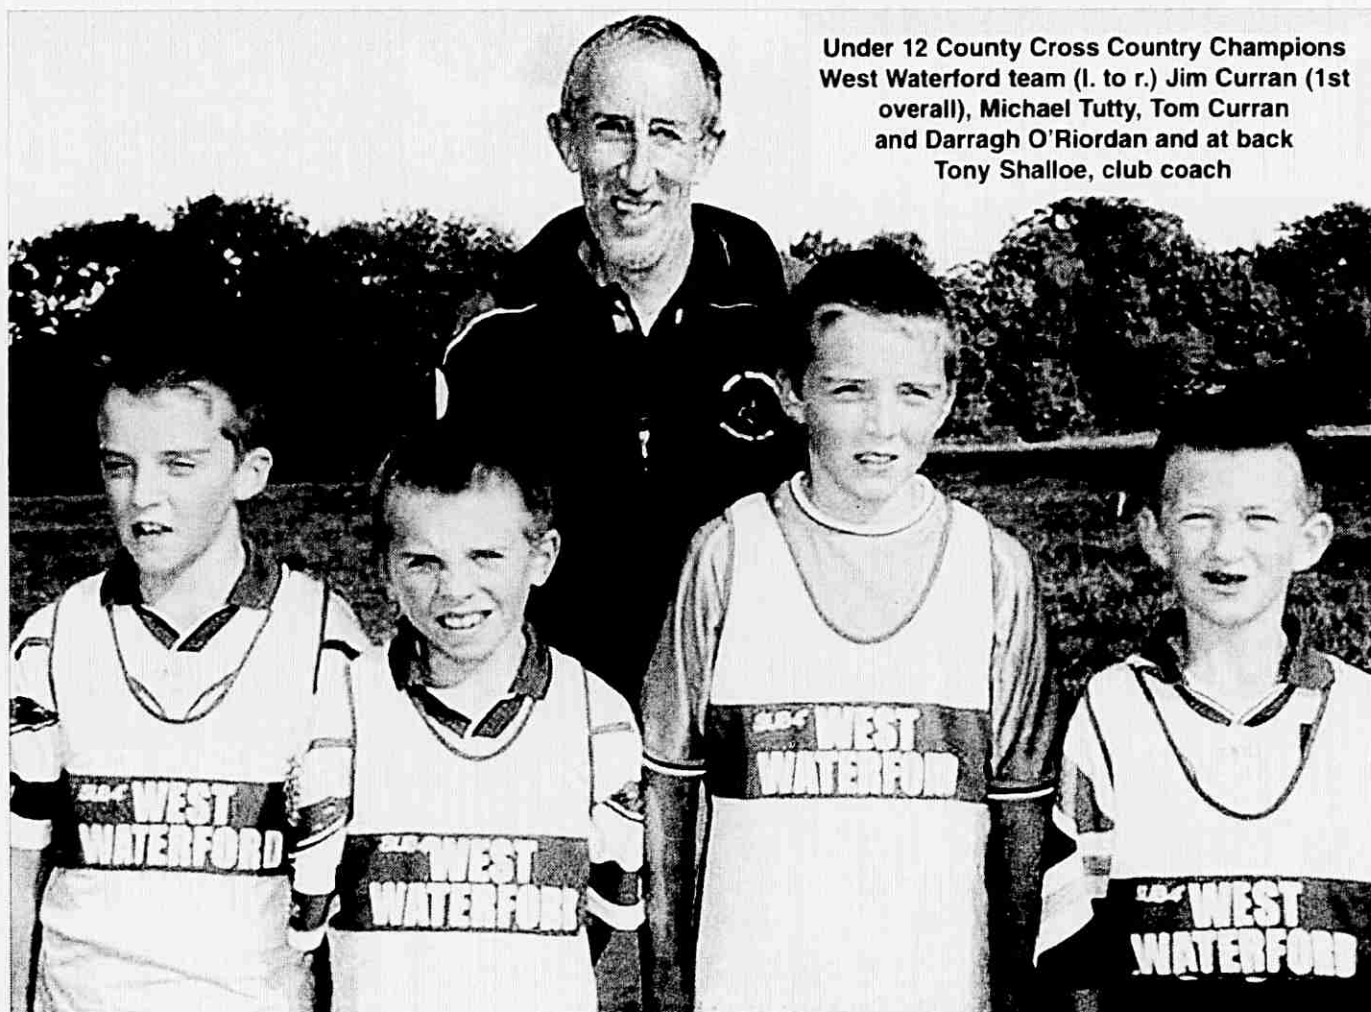

We take a break from the league this Friday due to the Munster Championships on Sunday but we will conclude it on Friday week the 7th November.

Training is on Wednesday and Friday at 4 o'clock from now on.

### MARATHON SPONSOR CARDS

Anyone who still has sponsor cards outstanding are now being asked to hand them back either full or empty. And thank you to all those who made the effort in getting in much appreciated funds.

### NO CHILDREN

Again we make a point of letting both parents and children know that a decision has been taken to stop any children entering club grounds after 6 pm. This decision was not taken lightly so we hope that nobody takes offence.

### SATURDAY ACADEMY

From now on we will call our Academy "Junior Blues" Saturday academy and also along with the new name we will hope to see some new talent arrive each week along

with new people who were willing to help out with the coaching. Last Saturday we had a very good session for both our age groups 5 - 7 and 8 - 10 with Martin going through some of the drills that he picked up on his recent coaching course and immediately all the groups picked up on the drills being shown. Next week we play our local neighbours Ballinroad in friendly games starting with our 5 - 7 year olds at 1.30 pm on the Astro Turf and followed by 8 - 10 year olds who will go into action on the Crystal pitch.

### BEST OF LUCK

To our U-14's who travel to Stoneyford (Kilkenny) and U-16's who make the short trip to Abbeylands to take on Ferrybank. Also Colin Walsh and James Cooney's U-12's who entertain Bohs in the league.

### DEEPEST SYMPATHY

On behalf of all involved in our club, we would like to extend our deepest sympathy to the Flynn family of the Park Hotel on the passing of one of life's true gentlemen Donal Flynn in recent days. May he rest in peace.

### GET WELL SOON

News reached us on Saturday evening that youth player Jonathan Shaw sustained a leg injury which will result in him being on the sidelines for a lengthy period. This time last year he was again out for a good chunk of the season following a previous break on the same leg. We hope that he will be back again before long.

### MANAGERS/EQUIPMENT

It's good to see that most managers are taking note of looking after the footballs and cones that they use and also cleaning out the dressing rooms after each session. Keep up the good work lads.

### CLUB LOTTO

No winner. Numbers drawn were 5-13-20. New jackpot 5,300 euros. Next draw John Keane's next Sunday. 25 euro winners were Paddy Power, c.o J. D. O'Shea and P. Power, c/o Ber Whelan.

## Deserved Win For 2nd Div. Side

Two goals in the second half gave Dungarvan a win away to Portlaw on Saturday. Portlaw took the lead in the first half against the run of play after a defensive error let the Portlaw centre forward in. David Sheehan brought Dungarvan level from the penalty spot with Brian Sandford scoring the winner in the final minute to give Dungarvan the win their overall performance deserved.

# Ballinwillin Are Junior (B) Football Champions

**BALLINWILLIN 2-12 BALLYSGAGGART 1-4**

As the scoreline shows, we are the 2003 Junior 'B' Football champions. Defeated in this final for the last 2 years, this was a game we were very determined to win. We took the game to Ballysaggart from the outset and Darragh Wilkinson scored the first point of the game. Ballysaggart equalised and we then struck a purple patch and scored 4 points without reply. Both teams then struck for 2 points each and left the halftime score 7 point to 3. Moses scored a great fisted point at the start of the 2nd half followed by a well taken Alan Barry goal. Points by Bob Manahan and Michael Scanlan and a further goal from Alan Barry. Donal McGrath then scored a point followed by the closing point from Bob Manahan. Two goals and twelve points is great scoring in any game and some of the scorers were as good as you would see in any football game. No one player is going to be named as better than any other on this team, we stated at the start that this is a team game. We had 15 players on the field of play. We also had 10 subs on the line. Some of them came on, other did not. But they all put in the same effort at training to win us this championship. As we stated previously this was a 25 man team not a 15 man team.

We also had a very important 4 man team on the sideline - John McGrath (manager), J.J. Scanlon and J.J. O'Donnell (selectors) and L. O Laocha (coach). A mixture of youth and experience who work very well together. They took this job at

the A.G.M. when no one else wanted it. They put a lot of time and effort into the job and we can now see the rewards. Go raibh mile, mile maith agaibh.

Also to our many supporters that have followed us through thick and thin, thank you.

After the game, the cup was presented to our Captain Michael Scanlon by the Western Board Chairman, Paddy Walsh who congratulated us on our victory. Michael suitably replied thanking everyone involved with a special work of thanks to our opponents Ballysaggart for a sporting game.

Needless to say, the celebrations continued well into the night.

Team: D. Dransfield, Mark Landers, Ken O'Donnell, Jamie Dalton, Colm Bennett, Michael Walshe, Brendan McGrath, Brendan Scanlan, Bob Manahan (0-6), Dara Wilkinson (0-3), Pat Walshe (0-1), Cathal Wilkinson, Kevin Wilkinson, Michael Scanlan (0-1), Alan Barry (2-0).

Subs: Donal McGrath (0-1), Niall Leahy, Páidí Cronin, Stephen Hogan, Jimmy Collender, J.D. Leahy, Donal O'Keefe, Brian Doocey, Daniel Leahy, Peter McGrath.

**COMMITTEE MEETING**

Will be held at the Community Centre on Wednesday night at 8:30pm.

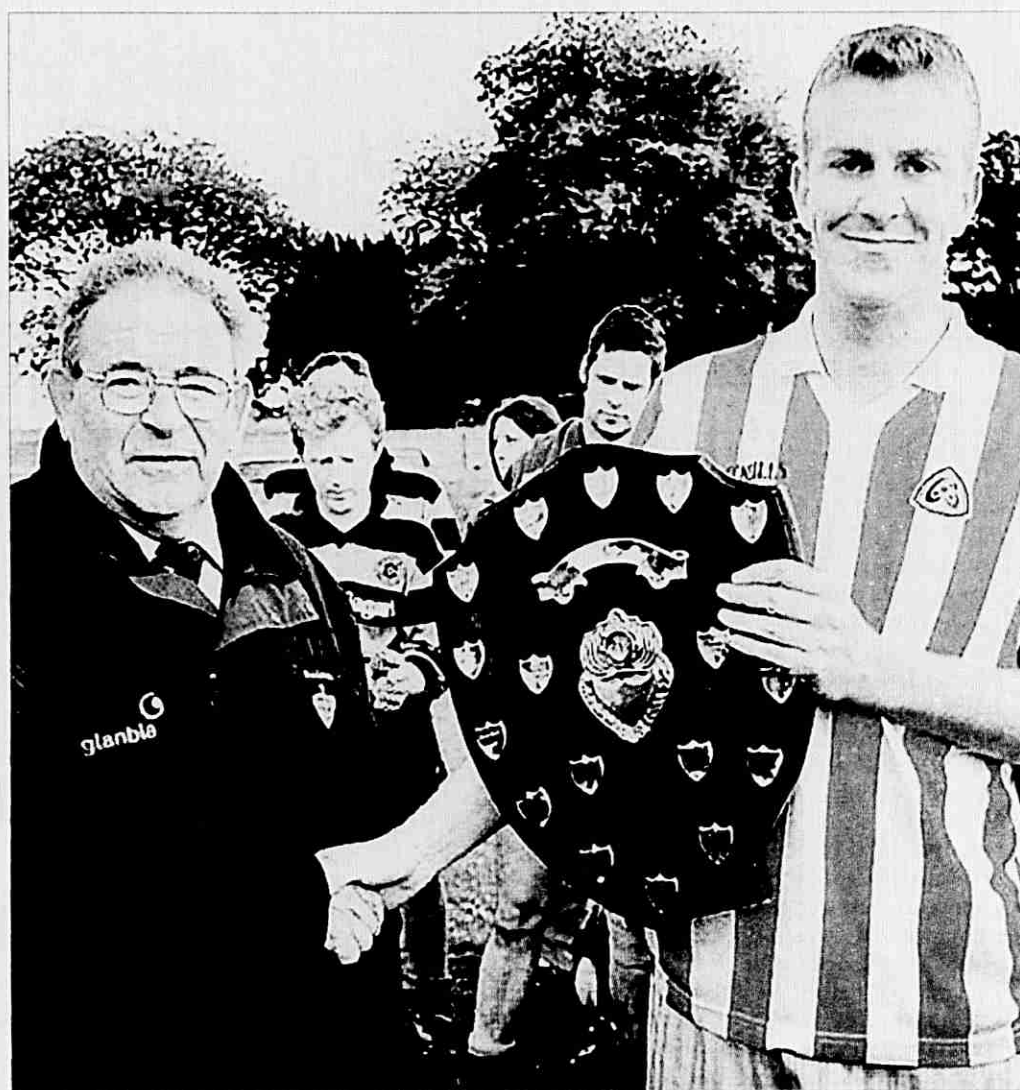

**SYMPATHY**

On behalf of the club I would like to express our sincere sympathy to the Barry family, Tourin on the death of Maureen's sister in Scotland.

WATERFORD WEDNESDAY OCTOBER 22ND

## Kinda Like It Left It Late

It was a bitterly cold night in Kilcohan Park last Wednesday night but the punters took some comfort from the fact that a number of well-backed favourites came up trumps in their respective races.

In the opening graded 525 a wide running Astons Girl stretched into a clear lead over Killure Baby but coming with a sustained run from midway on the back stretch the Kathleen Beirne owned Beirns Jamella (Jamella Prince-Knockanore Lady) 2/1 finished best of all to get up close home for a three quarter of a length victory in 30.09.

In a 300 yard sprint the Adrian Brennan and Anthony Campion owned Buzzing Beauty (Staplers Jo-Snow Whisper) 5/2 left trap five at a fair rate of knots and while Toolmakers John produced a strong finish Buzzing Along held on by a short head in 17.05.

A costly failure for connections when hampered leaving traps on her previous outing the Davy Power trained Amber Lady (Lassa Java-Knockmoylean Rose) made amends in no uncertain fashion running away with the third bend in 29.39. Sent off the even money favourite Amber Lady broke smartly from a middle draw to lead around the first bend from a slow starting but early paced Southlodge Jake. The latter tried his best to reel in Amber Lady but the favourite was having none of it as she bounded clear for a well-deserved five and a half lengths success over Southlodge Jake.

The following four races on the card were heats of the Bridge Hotel Unraced stake.

In heat one Geordie Legend made a swift exit out of trap three but over the opening two bends the Paddy Gaffney and Patsy McKieran owned Brave Dane (Spiral Nikita-Judys Fancy) managed to drive up on the inside of Geordie Legend. This duo had this qualifier all to themselves from that point on as the favourite Brave Dane kept up a strong gallop at the head of affairs to beat a gallant Geordie Legend by a length in 29.22.

In heat two the 11/10 favourite Smooth Highway came away running from trap one but the leader lost his place over the opening two bends as he clashed with the well fancied Ballyknock Star. Spartablitz kicked on down the back from Harlenas Patch but battling his way back into contention the Sean Power owned and Frances O'Donnell trained Smooth Highway (Smooth Rumble-Lady Hakuna) regained the lead on the rails up the home stretch to run out a two and a half lengths winner over Spartablitz in 29.42.

Gaynors Prince began well in heat two but he was badly hampered at the first turn by market drifter Milltown Pilot 5/4 to 5/2 who appeared to pick up an injury. The Desna Hattemore owned Southlodge Lewis (Raging Prince-South Lodge Lady) 2/1 quickly set about the task in hand to lead from Hunts Kelly and upping the tempo in the final quarter of this heat "Southlodge" stretched his advantage even further coming home seven and a half lengths clear of Hunts Kelly in 29.23.

County Tipperary trainer Frances O'Donnell went on to complete a training double on the night courtesy of the Pat Rosney owned Townbrow Rumble this May 2002 son of Smooth Rumble and Toss Stella capturing heat four in 29.26. Monmahohue Hero cut an early dashed but was bumped by the winner at the entrance to the back stretch. Once he struck the front from kennel mate Mauritius King Townbrow Rumble was not going to be denied coming home two and a quarter lengths clear of a hampered Wilcox Jack in 29.26.

The Anthony Donnelly owned and Mick Cronin trained Lanies Glory (Moyné Rebel-Mops Spark) 4/5 to landed some nice wagers in the eight contest posting an easy win in 29.16. Led to near the third bend by Brunswick Mags Lanies Glory swept into the lead at that point to gallop clear for a cosy four lengths victory over Brunswick Mags in a pleasing 29.16.

Racing concluded with two competitive semi finals of the Track Bookmakers 29.80 event. Rakane Skylark was despatched as the evens favourite in the first semi final and after a moderate break the Eamon Mckenroe owned and Liam O'Callaghan trained favourite did well after a moderate break to corner in front of a fast starting Seal The Knight. Having shaken off the latters challenge Rakane Skylark needed all her strength in the closing stages to triumph from a fast finishing Blackie Is Keen who tasted defeat by half a length in 29.24.

An ultra competitive second semi final saw the Kinda Syndicate owned and Ian Seymour trained Kinda Like It (Top Hon-

cho-Kinda Swell) 5/2 come from behind to land the spoils in 29.13 the fastest run of the night. The fast starting and early paced Paulo Coehlo made a gallant effort to lead all the way but despite easing his way clear of More Air Bluebell the leader had no answer to the powerful late challenge of Kinda Like It who came storming through on the outside to register a hard earned but fully justified length win over Paulo Coehlo with a running on Adiemus just behind in third.

WATERFORD SATURDAY OCTOBER 25TH 2003

## Top Performance By Lounge Act

The final of the 877710 Taxi confined 29.20 stake produced a shock 8/1 winner last Saturday night as the Fionnuala Knox owned Lounge Act (Jamella Prince-Lemon Aqua) ran the race of her life for her South Kilkenny based connections to scoop the Euro 2,000 first prize in a career best 28.78.

Lounge Act broke in front but when she moved to the outside on the run up Noan Ranger the 5/4 favourite dashed into the lead on the rails. Hilldun Harry quickly went in pursuit of the leader but attempting a run up the inside of Noan Ranger Hilldun Harry not only clipped the leader's heels but lost valuable ground himself. Quick as a flash Lounge Act powered into the lead on the wide outside to run out a length winner over a fast finishing Remember Pop. The winner was bred by Kathleen Lennon from Threecastles in County Kilkenny.

The punters retrieved some of their losses in the final of the Westside Business Park Waterford Masters Trial Stake with the Shane Finn owned Altesse Assert (Knockeevan Star-Altesse Damsel) the evens favourite producing an exhibition of front running to oblige in an excellent winning time of 28.44. Toms Miller took a flyer from trap one but the early pace of Altesse Assert saw him go clear off the second turn from When You Like. Sparta Titan put in a storming late finish up the home stretch but Altesse Assert won out by a length. The winner will now take his place in this coming Saturday nights Waterford Masters Invitation event, which carries a first prize of Euro 20,000.

Urlingford owner William Comerford combined with his trainer Perry Aylward to capture the opening sprint as a fast starting Jeffys Tex (Thorgil Ttex-Jeffys Sara) 2/1 made every post a winning one leading from Fan Tan before running out a three and a half lengths winner over Pabys Only Hope in a decent 16.33.

Trainer Ruth Mary Jones recorded the first leg of a training double courtesy of course and distance winner Didedoit 5/2 this son of Vintage Prince and Glass Slipper taking the second contest in 28.89. Prominent throughout the Marese McDonnell owned Didedoit saw off the back stretch challenge of Grassit Pal before defeating a running on Slaneyside Neddy by two and a half lengths.

Races three to six inclusive were first round heats of the Snap Printing Confined 27.80 500 yard stake.

**Heat One** — Having smashed the 360 yard track record at Thurles all eyes were focussed on Behind The Clock in this qualifier but after a moderate break the 4/6 favourite was short of room leaving trap five and also found first bend trouble and failed to qualify. The early paced Binsted Prince made the long trek for home stretching into a six lengths lead but knuckling down to the task in hand the Patrick Murphy owned and Ruth Mary Jones trained Corner Power 2/1 a full brother to previous winner Didedoit gradually wore down the leader to come through for a two and three quarter lengths win over Binsted Prince. Time 27.67.

**Heat Two** — Fresh from having run well in a sprint sweepstake final at Youghal on Friday night the John Sullivan owned and Bernadette Connell trained Battling On (Come On Ranger-Seachtair Againn) appeared as fresh as a daisy for her assignment in heat two and sent off the 4/6 favourite she brushed aside the opposition with the minimum of fuss leading early on from Bog Cotton before running out an impressive eight and a half lengths winner over a slow starting Evesham Bradshaw in a speedy 27.32.

**Heat Three** — Only four runners went to traps for this qualifier and while the 4/6 favourite Derwent Storm motored into a clear lead he failed to last out the trip as the Paddy O'Neill owned and Paul Kiely trained Johnny Kilvera (Droopys Kewell-Graiguenoe Lyons) 5/2 came with a solid late charge to come through for a length and a quarter success over Derwent Storm in 27.58.

**Heat Four** — Divine Success got off to a flying start but when keeping wide on the back stretch the leader gave way to the Richard O'Connor owned Ringaround Sue. Remaining glued to the rails Ringaround Sue (Cool Performance-Low Ebb) 4/1 kept on well in the closing stages to beat a fast finishing Erics Good Thing by a length and a half in 27.72.

In a 730 yard marathon Manahans Boyo set out to make every yard of the running but the leader gave way to the Dick Cullinane owned Frisby Crackers (Frisby Full-Diet Crackers) at the fifth bend. To his credit Manahans Boyo came back for more on the run to the winning line only to go down by the minimum distance to 5/2 chance Frisby Crackers in 41.18.

In the final race of the night the husband and wife team of Mick and Anne Cronin struck with Milltown Lark (Roanoke-Ciabatta) this 2/1 chance making every post a winning one from trap one coasting to a three and a half lengths win over Sail-away Gem who came from behind Initial Kee to grab the runner up spot. Time 28.95.

## AGM THIS SUNDAY

This Sunday November 2nd is the date for West Waterford Autograss's Annual General Meeting, which will be held in Roses West End Bar, Lismore at 1.30pm sharp. The AGM which is coming on the back of probably the Clubs most successful year is now of the utmost importance if the club is going to continue to grow. With the high growth the club has enjoyed this year and over the last couple of years it is very important that all the members would attend as this is the one place where all members will get a chance to speak and let their feelings and ideas be known and noted. A lot of members of clubs not only this club do not realise that not only does an AGM round up the past year but it also lays down the structure and rules for the coming year. So if after the AGM somebody has a better idea or proposal or disagrees with one that is made and passed, it probably can not be taken on board to the following year. So as can be seen it is very important that everybody attends and at least they will have all the information first hand if nothing else.

So don't forget this Sunday November 2nd at 1.30pm Sharp in Roses West End Bar, Lismore.

## ANNUAL SOCIAL

The Annual Social and Driver of the Year Presentation night will take place this year in The Park Hotel, Dungarvan on Friday Night November 21st. Tickets will be available at the AGM and after that from the Club. This promises to be a very good night out if the year that the club is after is anything to go by. This year has seen the overall entry in the championship grow and because of this everything went down to the very last round before all the different champions could be confirmed.

## MOTORSPORT SHOW

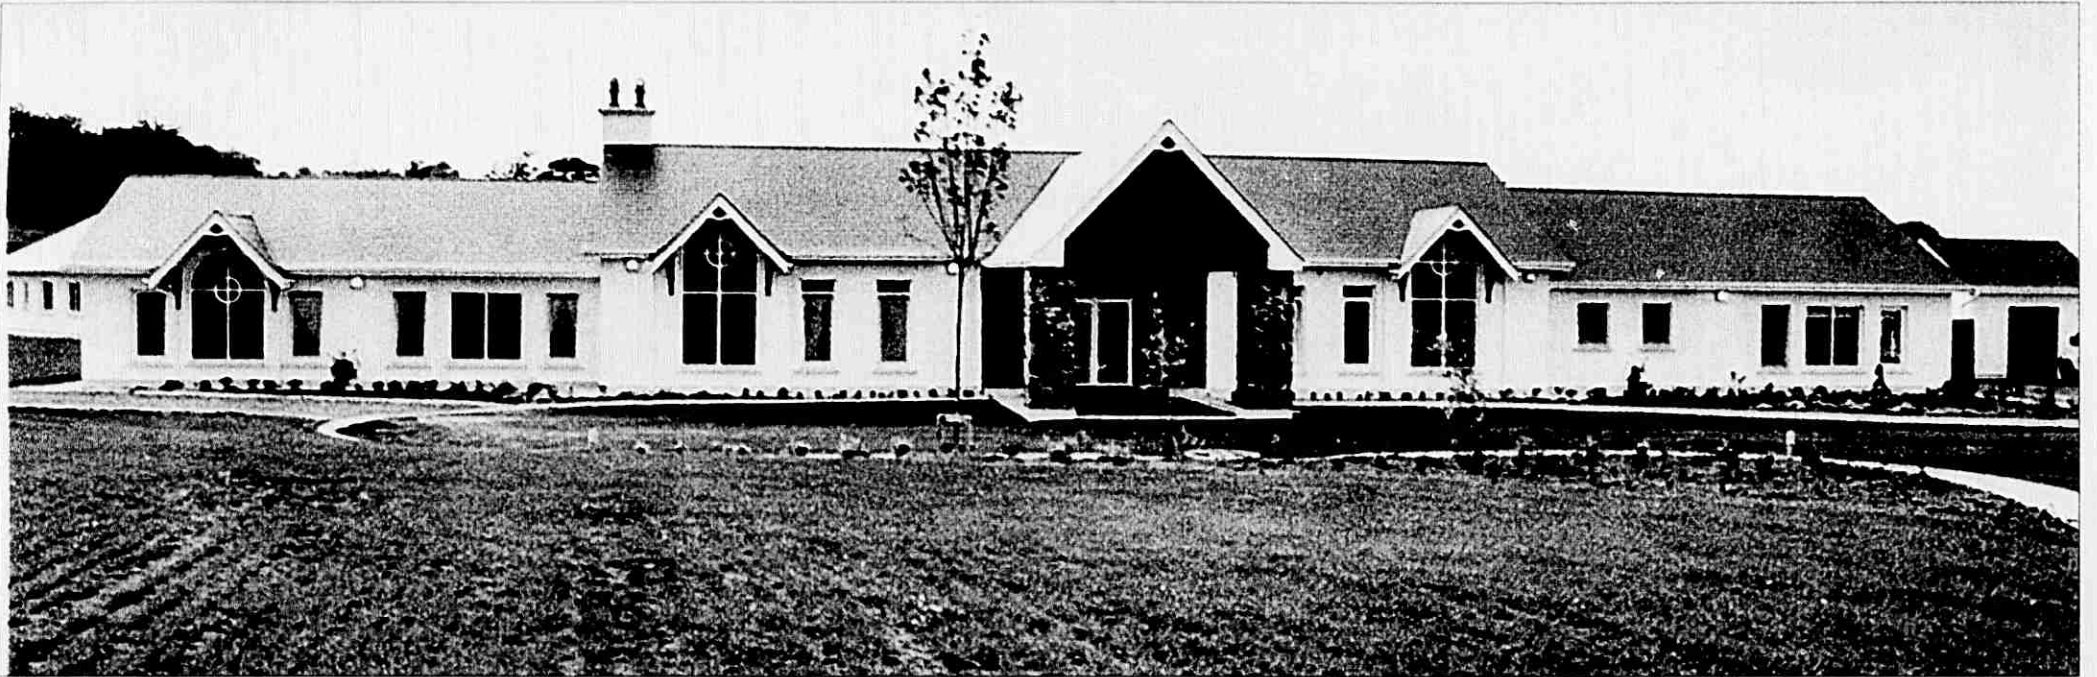

The Irish Motorsport Show took place in PuncHESTOWN over the weekend of October 18th and 19th. The Southern Ireland Autograss League had a stand present at the show. In all they had 5 out of the 10 classes represented. The club was represented by the Class 8 of Andrew Murphy and the Class 10 of Chris Behan. The club greatly appreciates this and also to those who travelled up over the weekend to give the league a hand. Hopefully this along with further promotions will help to see the sport, continue to grow and give enjoyment to many more spectators and drivers alike.
