FURTHER HONOURS FOR DUNGARVAN BRASS BAND

Youth Bands Wins South Of Ireland Championship

Just over 12 months since its formation, the Dungarvan Youth Band was awarded the title "South of Ireland Junior Champions 2004" at the South of Ireland Band Championships in Clonakilty, Co. Cork.

The term "Junior" refers to standard of the band, not the age group, and so the band faced some bands that were partly, or entirely, populated with experienced adult players. Rather than augmenting the 28-piece youth band with adult players, the youth band would instead put its faith in its training and the leadership of the band's conductor, William Dee.

Performing fourth of five bands, the band played "Tower Trumpets" from The Old Castle Suite, "Abide with Me", "With a little help from my friends", and "Procession" from A Cathedral Suite. Including traditional, modern, and original band pieces, this great variety of music is something that the adjudicator would later remark on.

The performances from the five bands over, it was the turn of the adjudicator, Mr. Tony Neal, to make his summations. He didn't pull any punches,

pointing out mistakes various bands made, but also complimenting the good points. In the end he announced "there was one band that was clearly ahead, my only difficulty was deciding who came second". He awarded third place to (CONTINUED ON PAGE 63)

Objection To €52m Hotel And Holiday Home Development

RESIDENTS APPEAL PERMISSION TO AN BORD PLEANALA

KEVIN KIRRANE

Two local residents have appealed against the grant of planning permission for a 52 million hotel and holiday home development proposed for an 80,000 sq metre site at Ballinclamper in Clonea.

Ballinacourty residents, Carrie and Tim Foley, lodged an objection to An Bord Pleanala on July 1st against the plans.

The development is proposed by Dublin based developers, Greenbirch Ltd, and was granted planning permission recently by Waterford County Council subject to a number of conditions.

These included a reduction in the number of holiday homes and apartments by twenty-six.

The permission was for 90 single storey holiday cottages, a three-storey "Spa" 4/5 star Hotel, 39 apartments and a number of other on site developments.

The developers say the new hotel would cost in the region of 12 million euros to construct and claim it would create around 110 full-time and a further 43 part-time jobs.

Speaking at the July meeting of Waterford County Council, Director of Services, Denis McCarthy confirmed that the developers have come to an arrangement with CIE to purchase part of a railway spur

that runs through the site.

He also said the overall objective of the conditions set down in the application is to improve access to the Ballinclamper car park and the beach.

Call for Improvements at Ballinacourty Pier

Newly elected County Councillor for the Dungarvan Electoral Area Damien Geoghegan has called on Waterford Co Council to carry out improvements at the pier and slipway located at Ballinacourty. Following a visit to the pier, where he spoke with harbour users, Cllr Geoghegan has been in contact with senior Council officials with a view to having the necessary work carried out. The work would include repairing the roadway in the vicinity of the slipway, the replacement of 3 ladders on the quayside which allow for easy access for boat users and the clearing of the slipway itself which has become covered in sand and shingle in recent months.

Cllr Geoghegan points out " this pier and slipway are quite popular with both local boat-owners and holiday-makers alike, but yet it would seem that the Council have neglected to maintain it to an acceptable standard. When we have facilities such as this, which are located in a such a picturesque setting, we should insist that they are not allowed fall into such disrepair. This area is used predominantly by pleasure craft owners and the finance involved in restoring this pier for such use is not enormous."

The Fine Gael Councillor goes on to say "over the past number of years there has been a noticeable increase in the number of pleasure craft users locally, with this particular location at Ballinacourty proving both popular and suitable for the type of activities involved, but yet these enthusiasts find it difficult to launch boats etc due to the problems that are in existence such as poorly surfaced roadways, haphazard parking etc.

In some cases cars and boat-trailers have been damaged. Now is the time for Waterford Co. Council to focus on this area and carry out the necessary repair work"

NEW PICNIC AREA BEING CREATED ON THE OUTSKIRTS OF LISMORE!

Isn't it strange how man made buildings or stonework can stay the same for years and years. Sometimes even for centuries and then in the blink of an eye, can disappear or be demolished by a JCB in seconds.
After many years of neglect, a mid 19th century, 10 feet high stone wall alongside the N72 in Ballyrafter, Lismore which once encased outbuildings belonging to the old town gasworks company, has been drastically reduced in size, and a portion of this land behind, is now being developed by Waterford County Council as a small carpark and picnic area, nearby to where passers by often stop to feed the local duck population, which have inhabited the area for some years.
However, trying to feed or observe our web-footed friends

in the canal alongside the N72 can be quite a hazardous venture, especially for parents with young children, owing to the intermittent heavy traffic which passes from time to time, so the development of this area will be appreciated by many.
The canal which runs alongside some of the N72 road from Cappoquin was built by a previous Duke of Devonshire, to ferry stone from Derbyshire in England to the castle, for extensive rebuilding work which took place there in the mid 1800's.
The N72 approaching Lismore provides spectacular views of the castle, as commented on by many a famous travel writer like Thackeray, who have visited the town over the last two centuries.

COOKERY CORNER

SUMMER BARBEQUES

As the weather hots up and the scent of smouldering charcoal wafts through the air, thoughts turn to outdoor cooking! A barbeque provides the perfect excuse for family and friends to get together to enjoy good food in a relaxed atmosphere. Here are a few tips to make your barbeque a healthy and enjoyable experience!

With a little care, barbequed food can be very nutritious. Choose lean meats and include heart-healthy oily fish such as salmon, mackerel or trout. Enhance the flavour of meat, fish and poultry by experimenting with different marinades and relishes. A combination of natural yogurt, garlic and curry paste makes a tasty marinade. Add a Mexican twist to burgers with homemade salsa made from peeled, chopped tomatoes, red onion, green chilli, garlic and coriander.

Boost vitamin, mineral and fibre intakes with plenty of fruit and vegetables. Create your own kebabs with peppers, mushrooms, cherry tomatoes and onion. Corn on the cob works well too, topped with a knob of melting butter. Fruit kebabs served with yogurt make a tempting, healthy treat for dessert. Eating four or more portions from the fruit and vegetable shelf of the food pyramid each day is associated with a healthier heart and digestive system.

Add calcium to the meal by topping burgers with slices of cheddar and crumbling blue or feta cheese into salads. Calcium-rich natural yogurt makes a great base for dips and sauces. Add chopped cucumber, mint and coriander for a tangy sauce to accompany barbequed meats. In addition to the well-established benefits for bone health, exciting new research shows the unique nutrient package provided by three portions of dairy products a day (3-a-Day) may reduce risk of obesity, high blood pressure, heart disease and diabetes. It is a common myth that dairy products are fattening and are 'off limits' to people trying to lose weight. Pioneering research from the US now proves that having 3 servings of milk, cheese or yogurt a day while dieting enables people to lose weight much more efficiently than those who avoid dairy products. Dairy products also protect the bones while dieting. To provide a balanced meal, serve plenty of carbohydrate-rich foods such as baked potatoes, rice or pasta salads and bread. Go for wholemeal and wholegrain varieties for extra

fibre - 77% of Irish adults don't get enough.

Refreshing smoothies are great, nutritious thirst quenchers! Simply combine your choice of soft fruit, such as banana, mango or strawberry, with milk, yogurt and a little fruit juice in a blender until smooth; a bone and tooth friendly alternative to fizzy drinks - best served chilled!

Food safety is an important issue to consider when planning a barbeque. Food should always be stored, handled and prepared in a hygienic manner. Keep raw and cooked foods separate to avoid food poisoning. Always make sure that meats, fish and poultry are thoroughly cooked - not just charred on the outside and raw in the centre!

Succulent steak in a beer sauce

STASTY, succulent steak pieces, in a rich beer sauce served with rice.

Ingredients:

Serves 5-6
900g braising steak
Salt and pepper to taste
1 can beer
125 g flour
3 x 15ml sp oil
3 x 15ml sp brown sugar
1 can beef stock
4 lemon slices
1 x 15ml sp parsley flakes
3 medium sliced onions
2 x 5ml sp thyme
2 clove minced garlic
500 g cooked rice

FOR THE GARNISH:

Green pepper slices
Cherry tomatoes
Fresh parsley

Method:

Cut the steak into serving size pieces. Brown on both sides in the 3 x 15ml spoons of oil to which you have added the lemon slices. Remove the steak from the frying pan, and place in a large casserole dish. Layer the onions and garlic over the meat. Sprinkle the flour over the top. Now combine the bouillon, beer, sugar, parsley flakes, thyme, salt and pepper in a jug, and pour over the steak. Bake uncovered in a 325°F/160°C oven for about three hours. Serve immediately over cooked rice. Use 225g of noodles if you prefer. Garnish with the green pepper slices, fresh parsley and cherry tomatoes.

Butter biscuits with marzipan

The melt-in-the-mouth butter biscuits with marzipan are perfect to serve with a cup of tea in the garden.

Ingredients:

Makes 60
250 g plain flour
200 g butter
50 g icing sugar
50 g marzipan
grated rind of 1/2 a lemon
1 egg yoke
castor sugar

Method:

CREAM the butter and icing sugar together until light and fluffy. Beat in the marzipan and lemon rind, then sieve the flour on to the mixture. Knead this well together. Divide the dough in three and form each peice into a roll about 4cm thick. Chill for 20

minutes.

Lightly beat the egg yoke and brush over the rolls of dough.

Roll them in castor sugar, then cut into slices 5mm thick.

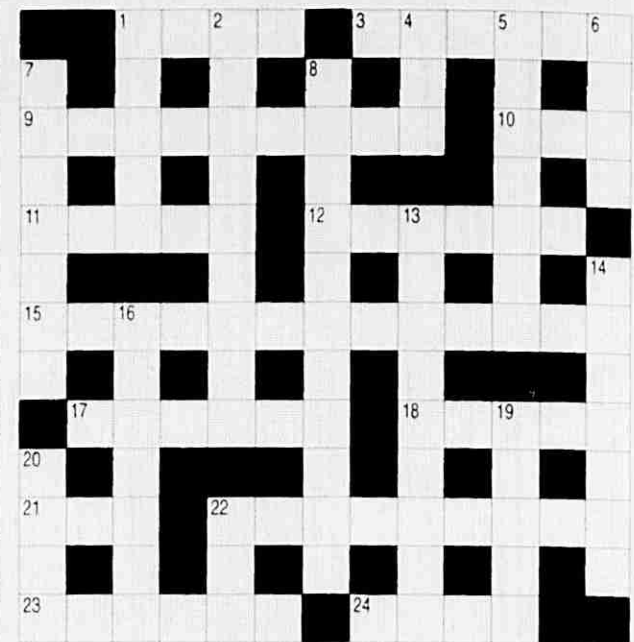

Place the slices on greased baking trays, leaving space between the slices, and bake in a pre-heated oven at 200°C / 400°F, Gas Mark 6 for 8-10 minutes, until lightly browned.

Allow them to cool on a wire tray and store in an airtight container.

TOP tip: The rolls of uncooked dough, without the egg yoke and castor sugar coating, may be wrapped in greaseproof paper, or cling film, and kept in the refrigerator for up to seven days.

Health Tips from "Remedies"

Eat the Right Foods PART 2

An easy, basic rule to check whether something is going to be nutritious and good for you is to work out what it was when it fell off a tree or grew out of the ground. The longer it takes you to suss it out, the more processed and therefore less beneficial it will be. Rice is easy, rice crispies are slightly more complicated, marshmallow squares will take you about an hour to figure out.

Brown rice, which isn't nearly as bad as it's made out to be, especially if you use the short grain variety that cooks quickly and is easy to chew. This fills you up nicely, as well as carrying wastes out of your system efficiently.

Other grains, such as millet, quinoa, barley: these can be used to thicken soups and stews or as the base for curries and stir-fries.

O'Shea Calls For The Empowering Of Local Government

By Kevin Kirrane

Labour Party spokesman on Community Affairs, Brian O'Shea, has called for local representatives and the councils and authorities in which they sit, to be given more powers.

Deputy O'Shea, speaking during a Dail debate on the Sustainable Communities Bill, said the bill - introduced by the Green Party - was worthy if "a little threadbare."

He said building sustainable communities involves a number of different factors and embraces different issues. In order for this to happen councillors and the council's and authorities they are members of must be given the power to make the necessary changes to transform our environment, he said.

"Its only a matter of weeks since the Local Government Elections. During that campaign the Labour Party sought to initiate a debate on what is the purpose and role of Local Government."

"Local stakeholders must be given more of a say in how their communities function. That, to me, is the key to creating more sustainable communities. To achieve this, local

councils and authorities must also be overhauled to allow public representatives to lead their communities imaginatively."

He said local government, no matter how well equipped, cannot accomplish everything on its own. But Labour wants councillors to be able to give a lead, to determine the real priorities and to be in a strong position to advance the cause of their local communities, he continued.

"Ireland has the weakest system of Local Government in the European Union. At best, we have a system of Local Administration, through which unelected Managers make the executive decisions for our cities, towns and counties."

"We all want to influence the things that happen to our localities and neighborhoods."

"These are but a few of the issues we see as informing sustainable communities. There are others, traffic management, poverty, and healthcare are other examples."

"In conclusion, the public wants an influence over its local environment; over how neighborhoods are planned and

Deputy Brian O'Shea

developed, the amenities that make local communities work, the schools which teach children, the hospitals and local health services, transport and traffic matters, policing, care of the young and of the elderly, the everyday issues that shape the quality of our lives."

Calling for the bill to be supported, he said any piece of legislation that allow local communities have more of a say in shaping their local area merits support.

Rev. Dr. Richard Henebry

As part of the Tionol an tSamhraidh organised by Waterford Co. Council and W.I.T., we have prepared a small exhibition to commemorate the Rev. Dr. Richard Henebry (1863-1916). Henebry was born in the townland of Mount Bolton near Portlaw. His parents were Ellen Cashen and Pierce Henebry. He was ordained at All Hallow's College in 1892. He spent a few years in England in Salford. In 1898 Henebry was offered a post in Celtic Studies at Washington University. In 1903 he returned to Ireland and served as chaplain to various religious institutions in Waterford. He was involved with the founding of Colaiste na Rinne and taught there at the Summer schools. His handbook of Irish music was published after his death. He was a great musician and his favourite instrument was the violin. (On display in the exhibition is one of his violins). In 1909 Henebry was appointed Professor of Irish at U.C.C. In 1911 he started a project recording traditional music. 130 wax cylinders have been preserved at U.C.C.. These form the earliest known sound recordings of Irish music. He died in 1916 and was buried in Carrickbeg churchyard.

Again the County Executive would like to thank those who participated in the cycle and for everyone's support for this very worthy cause. Waterford Macra are delighted to be associated with such a worthy cause at present and may continue to do so in the future.

Macra has come along way since its founding both at a local and national level encountering difficulties and overcoming them to become more aware of what young rural communities want with a wide range of activities for all its members not just in agricultural aspects but from community involvement to cultural exchanges with their counterparts in other countries across Europe. Those original founding members must be amazed at what their organisation as become in today's society from its humble beginnings. To all our former Macra friends throughout the years in Waterford from past to present day clubs all are welcome to join us in celebrating 60 successful years in Macra and may it continue. Tickets can be obtained from club members and for more information contact Co.Chairperson Vincent O'Brien on 086-8255763 or Co.Secretary Therese Byrne on 087-2389079.

Show
 As stated already the Dungarvan Show takes place on Thursday 29th of Jul on the Phelan family farm in Cappagh on the Cappoquin - Dungarvan road with all clubs participating in Macra's annual Efficiency finals. This year sees a change in a number of competitions but will have old favourites as well and are PRO board, the woodchopper challenge, Tug-o-war and Sports obstacle course with new competitions whereby 2 teams from each club compete against each other and against the time such as Island hopping, pillow fighting and ladies bale push/race. Also each club will have their own little competition for public participation. So come along to the Macra site where there's something for everyone to enjoy. Results announced along with Club of the Year, Club of the Show and Most Improved Club at the Awards night in Lawlors Hotel Dungarvan. More details to follow in the coming weeks.

Sports
 Well done to Dungravan Macra who will represent the County in the Regional rounds of the 7 a side football competition in the coming weeks after winning the County round held on Monday 28th of Jun in Colligan.

 A Co. Officers meeting will be held also on Wednesday 14th of Jul at 9pm in the Park Hotel where among topics for discussion will be the Efficiency finals for the Dungarvan Show and the 60th Anniversary dinner dance incorporating Macra's annual Awards night with all clubs getting ready for these finals. ARIES Mar 21 to April 20

Keeping the peace is proving to be a delicate affair. A confrontation would clear the air so perhaps it is time to get things out into the open. Your name is linked with an amorous admirer but is that as far as it goes? A frank admission is quite a turn-up for the books. Respect such honesty and try not to react to old news. Telephone for more astrological news on love and luck. ☎ 1550-920-257

LEO July 23 to Aug 22

Do you want to be a millionaire? You don't have to phone a friend or ask the audience to know that what you really want is to be happy. Let your heart guide you and find focus. You are no longer content to drift through life and you have a new sense of ambition. Loving support makes all the difference and is there for you. Reach out and help will be given. ☎ 1550-920-261

SAGITTARIUS Nov 22 to Dec 23

Raising children may keep you humble and broke - but the result will make you proud and immeasurably rich! There is no generation gap when love fills every space. Someone brings a breath of fresh air into your life, with their sunny smiles and happy humour. Appreciate good company and avoid those who are down-putting. You need to be with those who brighten and lighten your spirit. ☎ 1550-920-265

TAURUS April 21 to May 21

Someone's actions are evidently pre-meditated. Make your judgements on what you know and be prepared to throw the book at a repeat offender. Be slow to dismiss ideas even if you can't see the sense in them. Remain open and flexible. A new professional opportunity is on the horizon but are you ready? Take one step at a time. Avoid taking on more than you can handle comfortably. ☎ 1550-920-258

VIRGO Aug 23 to Sept 22

Trying to make radical changes to your life or strong statements to others is not advisable. It would be better to wait until the start of the next month when it will prove easier to make decisions. Issues will become clearer as July progresses. In the meantime, practice some of that famous earth sign patience. Dreams can come true but not quite the way we expected. ☎ 1550-920-262

CAPRICORN Dec 24 to Jan 20

Romantically, you are at an important turning point and the next move is up to you. Professionally, take things slowly. A too fast move could land you on a hot spot. You are living in a state of organised chaos but you can more than muddle through. Perhaps it is time however to opt for more organisation and less mess! Remember too, there is no time like the present. ☎ 1550-920-266

GEMINI May 22 to June 21

Friends are fun to be with and on your wave length. It is good to have good company. A compatible companion really enjoys being with you and is supportive. Could this be love? Only you have the answer but it may be a question that you have been avoiding. It is time for some in depth analysing. Telephone for further astrological insights about this week and the rest of July. ☎ 1550-920-259

LIBRA Sep 23 to Oct 23

Your direct approach is making someone very nervous. Take the hint and cool it before you over step the mark. Rely on subtleties to get your message across. If job hunting or seeking backing for a new scheme, make your move now. Others are ready to listen to your proposals. You can charm the birds from the trees. Someone has a bigger hold on you that you ever imagined. ☎ 1550-920-263

AQUARIUS Jan 21 to Feb 19

Take things for granted and they will be taken from you so learn to appreciate what you have. Sort out situations rather than gloss over them and don't be content with getting by. If you let someone get to you, your spirits will sink like a stone. Remain optimistic, regardless of unhelpful comments or sly remarks. Put plans into action. ☎ 1550-920-267

CANCER Jun 22 to July 22

You can no longer keep a double life secret and it is time to come clean. Honesty is the best policy. Lay your cards on the table and you can stay in the game. Someone is far more forgiving and understanding than you might consider. New opportunities beckon but you need to sort out unfinished business before advancing. It is time to decide what you really want. ☎ 1550-920-260

SCORPIO Oct 24 to Nov 21

Someone's moods are changing with every tide. Don't allow this to cause you to blow hot and cold. Offer a measure of constancy. A new idea excites you but be sure to check out all the details before you get too enthusiastic. This is an excellent time to resolve outstanding family issues. To enhance romance, wear pink. To promote luck, be open to options. ☎ 1550-920-264

PISCES Feb 20 to March 20

This is a day when you surprise yourself, getting so much done in so little time. Friendships are important and someone special is set to stick with you through thick and thin. An important event is coming and an impromptu shopping spree proves enjoyable. Life has a festive flavour and you are looking forward to a special date. To promote love and luck, wear white. ☎ 1550-920-268

Dungarvan Leader - Gardening Messenger

The Garden Messenger for July 2004 is

'Summer Show' with yellow flowering species and varieties of Clematis, Climbing Roses and Lonicera

This is the time of year when in village halls and community centres across the country, keen gardeners are vying with each other as to whose blooms are the best. And this spirit of good-natured competition doesn't just prevail at flower shows. Proud householders put many hours and plenty of financial investment into making sure that their gardens are a credit to them and contribute to the collective sense of pride in the district.

Plants which allow you to put on your own 'Summer Show' whilst at the same time helping you to maximise the space you have available, or to screen unsightly garden features, surely deserve a closer look. These plants are of course climbers. The selection described here all offer exciting yellow flowers in varying shapes and sizes, right through the summer and into the autumn.

Clematis is a garden favourite and 'Bill Mackenzie' is an absolute star of the family, producing abundant, open bell-shaped flowers, 8cm across. *Clematis* 'Golden Tiara' is a more compact variety producing slightly smaller flowers, reaching 2 - 3 m in height and spread this is a good choice where space is limited. *Clematis rehderiana* flowers through the same period, but blooms in this case are tubular and a paler yellow. *Clematis tangutica* produces yellow, bell-shaped flowers, 4cm long. Each of these is a vigorous climber and requires strong support in the form of some kind of trellis. Clematis need fertile, humus rich, well drained soil to thrive. Sun or partial shade positions are suitable.

Climbing roses can help to bring garden features like pergolas and arbours to life. Great performers to look out for are *Rosa* 'Casino', which produces fragrant yellow flowers to 9cm across. *Rosa* 'Golden Showers' has glossy, dark green leaves and produces numerous, fragrant, clear yellow flowers to 10cm across. Both of these climbers reach a height of approximately 3m. For a shorter growing variety, go for *Rosa* 'Laura Ford', a miniature climber producing lightly scented yellow flowers. Each of these is fully hardy and prefers an open site in full sun. Soil should be humus rich, moist but well drained. Prune any time from late autumn to early spring, removing only dead or damaged wood. Once the plant has reached the desired shape, prune to maintain that.

No coverage of climbers would be complete without a mention of Lonicera. Three great honeysuckles which offer yellow flowers at this time are: *Lonicera X americana*, *Lonicera periclymenum* 'Graham Thomas' and *Lonicera tragophylla*. Each is fully hardy and vigorous. *Lonicera periclymenum* particularly benefits from being pruned back to strong young growth annually after flowering. The others need only to be kept in shape and pruned to fit the space available. Most garden soils are suitable and full sun poses no problem.

Everyone has space for more climbers and for any homeowner with an ugly wall, fence or tank to mask, they are a great help. Plant any of these that we've looked at and enjoy a glorious splash of yellow each year around now.

General Liam Lynch Commemoration Ceremonies

Knockmealdown Mountains Goatenbridge
July 25th 3pm
 By John J Hassett

Liam Lynch, Chief of Staff of Republican Forces in the tragic Civil War, fell mortally wounded on the slopes of the Knockmealdown Mountains after an exchange of periodic gunfire as he and his staff attempted to avoid an encirclement move by Free State forces on April 9th, 1923. His death ended the will of Republicans to continue resistance and by the end of that month a dump arms call was issued by Frank Aiken who took over the role of Lynch as Chief of Staff. Today a magnificent monument marks the place where Lynch fell overlooking the scenic and historic villages of Goatenbridge and Newcastle.

On Sunday July 25th, 2004 at 3pm, commemoration ceremonies to mark the 81st anniversary of Liam Lynch's death are arranged by the Liam Lynch Memorial Committee. The occasion will be special as it always is, attracting the relatives of those from opposing sides in the war that divided families and the nation. Lynch though different from Collins in personality and style, having been shy, reserved and calm of temperament, like Collins he was admired and respected by all for what he gave to Ireland from the beginning of the War of Independence.

The presence of Dan Keating, the veteran freedom fighter from 1919 to 1923 who hails from Castlemaine, Co. Kerry, now in his 103rd year, will give the occasion that now rare living link with those who gave us the Ireland of today. Meda Ryan, well known author of books on Tom Barry and Michael Collins, will with Dan Keating be guests of the organising committee. The oration will be delivered by Mr. Liam Simpson, Cahir who has a long involvement in Cultural, Social, Historical, Sports and Commemorative Bodies, at local and national level. Liam and his family have upheld the Republican tradition that he brought with him from Fenian Crohane.

The occasion on the mountainside in the midst of honey rich purple heather, gazing across at the neighbouring rugged Comeragh Mountains that hides the Nire Valley to allow us concentrate on the landscape that has the Suir like a half drawn silver thread running through its patchwork. On a fine day it is a matchless vista to behold; a scene of equal beauty I have yet to experience. To be present on July 25th, 2004, to remember Liam Lynch and his comrades of the War of Independence and those who believing they were serving Ireland's best interests on both sides of the Civil War, is patriotic, mature and Christian for all Irish people to do.

To those who have not been there before, it is a kilometre plus from the village of Goatenbridge to the Liam Lynch Memorial. The hard working Executive Committee includes Sean Nugent, Chairman, Dr. Patrick C. Power, Vice-Chairman, Kitty Harney, Treasurer, Nioclás MacCraith, John J. Hassett, Michael Kennedy, Patrick O'Donnell, Enda O'Riordain. Hon. Sec., John J. Hassett will preside at the ceremonies.

If you would like to nominate a horse and receive a theatre discount voucher contact 051-292274. Nominations close Tuesday, July 20th. Bring along your friends and have a flutter. Food will be served and a great night is assured. All proceeds will go to the Gaelach Gorm Theatre Development Fund.

Barbecue

The long awaited barbecue and two band dance session in aid of the South Eastern Cancer Foundation has finally arrived and will take place in Gardenmorris on this Saturday evening, 17th July, by kind permission of the Queally family. There has been a fantastic response to our appeal to support this charitable function and it is hoped to raise a considerable sum of money for the foundation, who do such wonderful work for cancer victims and their families. Due to the recent terrific demand for tickets, additional arrangements have had to be put in place to accommodate the expected very large attendance, and it is hoped that all patrons will have an enjoyable night out with a difference, with a touch of class, and in nice surrounds. It is advisable to come early, and avoid disappointment as food will be served only between 8 and 10pm. Early entertainment will be provided by local musician Christy Power, himself a former member of the Atlantic Showband and in recent weeks entertaining the many foreign tourists visiting Tramore and the locality. Later in the evening, the man with the

Golden Trumpet Johnny Carroll and his all star band will take to the stage for a Showband special, with dancing till 2am. Full car parking facilities will be available adjacent to the festive area, but please come early to avoid any delay. All patrons who have booked tickets should collect them from their ticket sellers, as ticket only will apply on the night. Some are still available in the different areas as follows: Rathgormack - Buddy Drohan 646080; Kilrossanty/Durrow - Liam Brazil work 293178, home 291319; Newtown - Nuala Hubbard 292912; Ballyduff - Mags Kirwan 384749; Butlerstown/Kilmeaden - John Power 384159; Dunhill/Fenor - Bernie Queally 396427 and Michael Veale 396875; Dunmore East - Peggy Bambury 83188; Kill/Bonmahon - Mick Kirwan 292162, Martin Kennedy 292167, Michael Casey 396438; Kilmacthomas - Kirwans Pharmacy 2944256; Portlaoise - Cotton Mill Bar 387843; Waterford - Sinnotts 875622 or Clara Walsh 855590 or at the South Eastern Cancer Foundation Office on 590881. The Mystery of Migration

Migrating birds probably find their way by using the Sun and stars as 'maps'. Young birds seem to know instinctively which direction to fly in. In older birds memory probably also plays an important part. Ornithologists (people who study birds) find out about migration by ringing birds. A bird is caught and a light aluminium ring is attached to its leg before it is released. If the same bird is caught in another country, its ring is identified and this information is recorded.

Why Birds Migrate

One of the main reasons for migration is the need to keep warm, so birds move to warmer places in the winter months. There is also less food available in cold weather but when the spring returns, the blossoms attract insects, while summer brings a wealth of fruit and berries so the birds can return to their breeding grounds.

Steering By The Stars

It is generally believed that migratory birds steer by the positions of stars and the Sun. They also sense the Earth's magnetic field which tells them in which direction to travel. They also use local landmarks when they are close to their destination. Young birds seem to know instinctively which way they should go, but it is believed that in older birds memory also plays an important part.

Great Distances Are Covered

Some birds fly very long distance when they migrate. The Arctic tern flies the greatest distance, from north of the Arctic Circle southwards across the equator to the Antarctic. Often these birds will cover a distance of 55,000 km (22,000 miles) to make the round trip. Perhaps even more remarkable is the journey from Alaska to Mexico made by the rufous hummingbird each year. The round trip is some 6,400 km (3,800 miles) and yet the bird is very tiny. Measuring less than 9 cm (4 in) long, it is the smallest of the migratory birds.

Not All Birds Migrate

Some mountain birds will migrate just a short distance to lower, warmer countryside and in some species, such as the European blackbird and the Swedish chaffinch, the males will stay behind when the rest of the flock migrate. It is thought that they do this to make sure they keep the best nesting places ready for when the females return in the spring.

DUNGARVAN AGRICULTURAL SHOW

THURSDAY JULY 29th 2004

An event which has been running for 87 years commands respect and prestige and the Dungarvan Agricultural Show Committee are proud to be organizing the 88th running of our agricultural show scheduled for Thursday July 29th. This year the committee is under the Chairmanship of Alan Connors, a family synonymous with Dungarvan Show. Over the years there have been a number of different venues and this is the second year when the show will be held out in Cappagh on the main N72 road between Dungarvan and Cappoquin. We are indebted to the Phelan and Buckley families for making their lands available to us and we are also indebted to our many sponsors without whose generosity it would not be possible to run the show.

SHOW HORSES

The 2004 show promises to be a big show. Prize money has been increased in all classes. The ridden hunter competitors will compete for the Ballard Cup while in the young stock classes, there are a selection of prestigious championships for the taking. In the breeding classes the Observer Cup is much coveted while, this year the show hosts a qualifying round for the All Ireland Thoroughbred Broodmare championship. In the open pony showing classes the standard is of the highest calibre when the champion pony is presented with the Ita Carroll Cup. Competition in the pony classes confined to Co. Waterford exhibitors is always fierce, but what a memorable occasion for the many young competitors competing in public for the first time.

SHOWJUMPING

This year there are four showjumping arenas. Arena 1, the main arena will host the final of the Gain Novice Championship Final which has now been running for 14 years and has produced some wonderful horses. This is a real show-case event for our top riders to show their potential stars. Dungarvan Show has always had top-class pony jumping and this year we are delighted to host the Park Hotel sponsored 148 A.B. Super League Final. Qualifying rounds are being held throughout the country. There is also a 130m Open competition plus a Millstreet Show Boomerang Qualifier. In Arena 2 the amateur rider is well catered for and there will also be a Young Riders competition. Arena 3 will be awash with ponies and we can be guaranteed super jumping. Arena 4 also stages pony competitions, one of which is a Newcomers Pony competition which allows the less experienced young riders to compete.

CATTLE

The cattle rings at Dungarvan show are renowned for the quality of the stock on exhibition. Again the Glanbia Super Cow competition will be keenly contested while the A.C.C. sponsored Friesian Junior Cow competition always attracts a good entry. The Beef Breeds i.e. Herefords, Simmentals, Charolais, Aberdeen Angus,

Blonde D'Aquitaine, and Limousin are all catered for and will compete for the unique Radley Engineering Spire Trophy.

SHEEP

In the sheep section, this year there are no Department of Agriculture restrictions on the movement of sheep and the sheep rings will be full as exhibitors compete for the Boolatin Cup.

HOME INDUSTRIES

An agricultural show would not be the same without the Home Industries section. Under the secretaryship of Dinah Walshe, the competitions range from the Floral Section with classes for Floral Displays, Window Boxes, Hanging Baskets and Planter/Tub displays. There is a Fruit and Vegetable section and also classes for Eggs, Jams and Homemade Cakes and Pastries. The show will feature a qualifying round for The Kit your Kitchen Cook Shop All Ireland Home Baking competitions and most importantly children are catered for in all the Home Industries sections including the Arts and Crafts section.

Macra Na Feirme Efficiency Tasks Final: 2004 marks the 60th anniversary of Macra na Feirme and Co. Waterford Efficiency Tasks Final will be well worth watching. Competitions include Tractor Driving, Lady Driver competition, Sports Obstacle Course and the very popular Tug of War and Woodchopper Challenge.

SPECIAL EVENTS

The Dog Show is one of the most popular events at the show and this year it has been very generously sponsored by Redmill Feeds. This year there will be a Falconry display where you can see Birds of Prey being put through their paces. There have been a lot of enquiries about the Trade Stands section and there will be many interesting exhibits on display. We are delighted to welcome WLR/Fm who are doing an outside broadcast from the show field.

Do not miss Dungarvan Show this year. There will be a free bus leaving Grattan Square Dungarvan. The first bus will leave at 11.00 a.m. and the bus will run throughout the day. Come and bring the children to enjoy the unique atmosphere. Meet your friends for refreshments in the Marquee. Let the children roam in the Kiddies Korner which will include a Bouncing Castle and Slide. So remember Thursday 29th July - come out to the show - You will be part of a tradition which has been rolling along for the last 87 years!

Remember Entries Close - Friday July 16th.

Munster Vice-President at Waterford IFA County Executive

Speaking to the monthly IFA County Executive meeting, Munster IFA Vice President, Donal Kelly commended Waterford IFA for their diligent and sincere effort in meeting the local Co. Councillors and Minister Martin Cullen, impressing on them the grave significance of the EU Nitrates Directive.

Mr. Kelly stated that the measures proposed in the Government's initial Draft Action Programme to control and regulate farmers in regard to water quality are unnecessary, unworkable and unaffordable, and are totally at odds with the realities of Waterford farm incomes under pressure.

Mr. Kelly said it was of vital interest for the top 15,000 farmers in the country that only a workable directive is implemented and he emphasized the fact that water quality in Ireland is continuing to improve.

The IFA man also covered the CSO's over stated national farm income by 20%, IFA's modulation submissions, creditors protesting at Anglo Irish Bank Head Quarters in Limerick.

In conclusion, the Chairman Harry Gray thanked Donal Kelly for a very comprehensive and informative address.

ICMSA Demands Reasonable Notice Of Inspection

Mr. John O'Leary, Chairperson of ICMSA's Beef and Cattle Committee, has called for a minimum notification period of 14 days to be introduced for Departmental and all other on-farm inspections. At present, farmers need not be given any notice of inspection at all, or they may, depending on the whim of the inspecting authority, be given notice of an inspection up to 48 hours before it is to be carried out. Mr O'Leary said that ICMSA has argued consistently that this system is wholly unworkable and penalises the increasing numbers of individuals forced to seek off-farm employment because of falling farm incomes.

The present optional notification period is completely unworkable. ICMSA has always rejected the notion that an inspector can simply stroll into a farmyard and carry out an inspection without the farmer being present. Even if the inspectors do decide to give advance notice of inspection, the situation is hardly any better. Due to falling farm incomes, more and more farmers have had to seek full time off-farm employment at locations often many miles from their farms. These farmers are placed in a position where they can only give a matter of minutes or hours notice to their employers if they have to dash home to meet the inspectors at their farms. It is surely more sensible to give these individuals adequate notification time, so that the farmers concerned do not end up letting down their em-

ployers at short notice, or even jeopardising the off-farm job that is now subsidising their falling farm income. In the case of full time farmers the same pressures of scheduling apply, be it pressing farm work, child minding, elderly relatives, or any form of prior commitment.

In short, it's simply not possible to put every arrangement on hold, while an inspection takes place with little or no notice.

ICMSA is now calling for written advance notification of inspection giving the farmers concerned a 14-day period to arrange their schedules around

the inspection. That period would not be considered excessive in any other business sector and ICMSA cannot see why farmers alone are expected to arrange their affairs in shorter time. The Department must introduce the 14-day notice of inspection to remedy this unfair situation.

LEAKED PROPOSALS ON CAP RURAL DEVELOPMENT PLAN CAUSE SERIOUS CONCERN —ICMSA

ICMSA has expressed serious concern at elements of the leaked EU Commission's proposals for a CAP Rural Development Plan post 2006. The plan provides for co-funding for the four farm based rural development schemes, namely REPS, Compensatory Allowances (formerly Disadvantaged Area Scheme), Early Retirement Scheme and Forestry. Mr. Tommy Cooke, Chairperson of ICMSA's Rural Development Committee said that any attempt to reduce funding for farm based schemes would meet with serious resistance from ICMSA.

"I am particularly concerned by proposals to make up to 20 per cent of the CAP Rural Development budget available for off-farm schemes. In the present scheme, there is €2.3 billion available for on-farm schemes. A 20% reduction in this would

take over 400 million away from Irish farmers. This would be unacceptable. This money must be maintained on farms where the greatest value for rural development expenditure is achieved. To circulate this money for rural development by any other means would be disastrous, as inevitably huge sums would be soaked up through administration and consultancy. ICMSA believes that farm based rural development is the most effective method of achieving sustainable rural development," said Mr. Cooke.

Mr. Cooke continued: "A cut in the levels of Ireland's Disadvantaged Areas will not be tolerated. It is clear, given Ireland's location at the periphery of European markets, that all of Ireland's farmers are at a competitive disadvantage. ICMSA believes that it is im-

portant that the Commission takes this into account. Furthermore, the current Afforestation Grant and Premia Scheme should be maintained with an indexed increase in payment levels. Regarding the Early Retirement Scheme, ICMSA is of the opinion that the retiring age of 55 years must be maintained.

On a positive note, Mr. Cooke said that he welcomed the fact that provision was being made for the ongoing continuation of agri-environmental schemes such as REPS and he concluded by saying that the onus lay with Minister Walsh to monitor the situation and defend the rights of Irish farmers under the new CAP Rural Development Plan.

The bottom line is that funding for farm based schemes must be maintained at current levels," concluded Mr. Cooke.

**DAIRYING: Summer Cost Savers:**

- Lower Nitrogen Usage.
- No meals to any animal.
- Prevent mastitis (high SCC), lameness.
- Minimise cows not in calf.
- Minimise the quantity of silage being made.
- 13 times per week milking.

Lower Nitrogen:

- Farmers taking no 2nd cut:
 - Only apply half a bag of CAN every month until mid September
- Farmers cutting 15% of farm for 2nd cut:
 - Apply 1 bag CAN early July.
 - Apply 0.75 bags CAN early August.
 - Apply 0.5 bags CAN early September.
- Farmers cutting 30% of the farm for 2nd cut:
 - Apply one bag of CAN every month until mid September when only a half bag is needed.
- If you have not already used 15-20 units of Sulphur per acre, you should do so now because you will grow 10 - 50% more grass on light sandy soil.
- As every 1,000 gallons of slurry carries 10 units of Nitrogen, discount bag nitrogen by that amount.
 - Use on silage fields.

No Meals:

- Yes
 - Justify why you need to feed meals.
 - Do you know how much extra milk or weight gain you get per Kg of meal fed.
- Based on research results the response when grass is plentiful is:
 - Every Kg of meal (cost 16 cents) gives 0.5 Kgs milk (worth 10.2 cents) from moderate cows.
 - For high merit cows the response is 1.0 Kgs milk (worth 20.4 cents) per Kg of meal (cost 16 cents) fed.
 - For calves, you need to feed 8 Kgs of meal (cost 128 cents) to get one Kg of weight gain (worth 100 cents). - Response is 4 to 1 in September.
 - For store cattle, you need 13 Kgs of meal (cost 170 cents) to get one Kg of weight gain (worth 130 cents).
 - Meal is rarely fed to cattle in July.

Prevent Mastitis, Lameness:

- Each case of mastitis costs 140 approx. and of course high SCC counts result in penalties
 - Prevention is the best approach.
 - Ensure the milking machine is at its best.
- Teat dipping is a must.
 - Reduces the spread of mastitis by 50%.
- Lameness causes serious losses.
 - Estimated at 170 per case.
 - The target is less than 7% of cows affected per year.
 - Prevention involves good feed management, maintaining good roadways and paddock entrances, foot-bathing, being able to cull cows who are prone to lameness.

Minimise Cows Not In Calf:

- The next 3 - 4 weeks are crucial to meeting that target.
- A stock bull, being sure he isn't firing blanks, can be justified at this stage because there are so few cows bulling and it is easy to miss them.
- But many farmers are successfully using all A.I. to save costs.
 - Continued tail painting is essential.
 - A chin-ball is essential if using a stock bull.
- A short gestation bull, Angus, is recommended.
 - If using A.I., use bulls that are minus 4 or 5 days on calving interval.
- A whole herd scan 3 - 4 weeks before end of breeding season has a lot of merit.
 - Will identify cows not in calf.
 - Will identify 'weak' pregnancies.
 - With good advice, these cows who might normally be culled, will have one or two more chances of going in calf.

Minimise Silage Needs:

- This will reduce silage costs.
- If you now have enough silage for next winter, make an all out effort not to cut any more.
 - It is too expensive.
 - Some few high quality bags have merit in that they can be fed to milkers in November and again maybe in February/March or even in August to extend the grazing rotation.
- The best way to reduce silage requirements is to have grass in November and again in February/March.
- The work starts now for this to happen.
- Sometime around the 15th - 20th July, 'close up' 15% of the farm for a "3rd Cut-Graze".
 - This involves, topping these fields after a grazing, slurry could be applied.
 - Apply 50-70 units of Nitrogen.
 - These fields should be grazed in early September.
 - This amount of extra grazing will lengthen the grazing rotation by 7 - 10 days.

13 Times Per Week Milking:

- This should seriously be considered, when milk yield is averaging 4.75 gallons (approx.).
- It will not result in any loss of milk or higher SCC counts.
- So, there will be no need to pay someone to milk cows if you want to go to a match or stay at the seaside on a Sunday evening.
- Many farmers are doing it.

FBD Young Farmer of the Future Awards Launched in Waterford

Pictured at the Waterford launch of the FBD Young Farmer of the Future Awards were (l-r): Harry Gray, county chairman of Waterford IFA; Vincent O'Brien, county chairman of Waterford Macra na Feirme; Alan Curran, Macra; Mary Walshe, FBD representative (Dungarvan); and Niall O'Brien, last year's county winner of the competition.

The 2004 FBD Young Farmer of the Future Awards, which is run by Macra na Feirme in partnership with the IFA, was launched this week in Waterford.

Speaking at the launch, Vincent O'Brien, county chairman of Waterford Macra na Feirme, said that it was important to highlight the positive aspects of farming. "Farming offers a varied and challenging work environment and is still a viable profession. It's vital that we acknowledge the many highly ed-

ucated young people that have embarked on a successful career in farming," he said.

Harry Gray, county chairman of Waterford IFA, said:

"The competition has been a big success to date in terms of recognising and rewarding our industry's best young farmers."

Mary Walshe, FBD representative (Dungarvan), said that FBD Insurance were glad to sponsor the competition for the sixth year in succession.

"Farming is at the core of

FBD's success and young farmers are essential for the continued growth and development in this sector," she said.

The Waterford winner of the FBD Young Farmer of the Future Awards receives EUR100 and a specially commissioned commemorative trophy. This winning farmer then goes forward to represent the region in the national final, which takes place in early September. The overall winner of the competition wins a travel bursary worth

EUR2,500 and EUR1,000 spending money.

Application forms are available from regional Macra na Feirme training officers, local IFA or FBD offices, and can also be downloaded from

BACK TO A BIO FUTURE FOR EXCITING STUFF IN THE EU

FARM FEATURE

By Paddy Smith

Sometimes there is little incentive to read an official report unless it holds out the likely promise of serendipity: discovering unexpected little nuggets of facts.

Such a serendipitous fact is contained in a recent report that I read. It stated in passing that the European seed market is worth 8.4 billion annually. Some day when I finally get my head around what exactly a billion actually is, I will probably marvel even more at it. But in the meantime 8.4 billion sounds like one of the biggest numbers I have ever heard. Except that it was surpassed three-fold by the fact that Europe has a 28 per cent share of the 26.6 billion global agrochemical market. Further down the page there were even bigger numbers.

These facts are featured in *Plants for the Future*, a report presented to the European Research Commissioner, Philippe Busquin. This is a long-term vision for European plant biotechnology towards 2025 and it came from leading repre-

sentatives from research, the food and biotech industry, the farming community and consumers' organisations.

Truly, the sheer scale of things in the EU, as mentioned in this report, is astonishing. We have heard a lot of them before, but let's just roll some of these figures around in our mouths and taste the magnitude and enormity. There are nearly 7 million farms with an average size of 18.4 hectares employing nearly 15 million people in the 15 older EU Member States. With enlargement, the number of farms has more than doubled to 17 million and the proportion of farmers in the workforce has grown from around 4 per cent (in the EU 15) to nearly 8 per cent (in the EU 25). Livestock production in Europe consumes 400 million tonnes of feed (including grazing), of which 90 per cent is produced in Europe. The European food and drink industry is the leading EU industrial sector with more than 600 billion of production and 145 billion of added value. With 2.6 million workers it is the Union's third largest employer.

All very interesting, you'll agree. But what has it got to do with *Plants for the Future*? Well, for one thing, these figures of the grand scale of agriculture in the Union are used subtly to draw a comparison with the lowly amount of funding we devote to research and development. While US biotech firms spend 650 million a year on R&D, their EU counterparts invest only 400 million. No mention of billions there.

The vision paper calls for a European technology platform on plant biotechnology research aimed at, among other things, developing a strategic research agenda covering genomics, physiology, agronomy, ecology, bioinformatics and other emerging skills.

One of its most interesting sections is how it foresees the future (in 2025). In an era when the bio-based economy that has emerged has helped to confront some of the major challenges facing Europe and humanity as a whole, more of our economic prosperity then will be based on agricultural produce. Not only will farmers grow food for a

larger population, but much of the economy will also be based on the raw materials they grow: new foods, biofuels and biomaterials. "They will become the gatekeepers of the bio-based economy," says the report.

The premium on agricultural land and exciting investment prospects in the valuable raw materials it produces will help reinvigorate the farming sector and provide new opportunities in an enlarged Europe, it says. With attractive careers and investment prospects, farming and its spin-offs will trigger a migration away from the cities and back to the countryside. This new agricultural class will make up the backbone of a prosperous and lively rural community away from the stress of urban life. Plant genomics may also have unlocked the secrets of how allergic reactions to plants - such as hay fever and food allergies - work.

All very exciting stuff. And Commissioner Busquin says the transition to a sustainable economy based largely on renewable resources - the 'bio-based' economy - is as inevitable as it is desirable.

MORRISSEY (née O'Donovan) Ballinacamp, Ballinacourty, Dungarvan

We give them back to you, O God, For you gave them to us, And as you did not lose them in the giving, So we believe we cannot lose them in their return, For life is eternal, and love is immortal, And death is only a horizon, A horizon being just the limit, Of our human sight, So lift us up, O God, That we may feel nearer our loved one, Who is with you.

Husband, Liam and children Geraldine, Richard, Padraig and William would like to offer their sincere appreciation to all who sympathised with them at the untimely death of Josephine on February 22, 2004. Thank you for all the assistance you gave us during this difficult time - for your letters, Mass cards, flowers, telephone calls and countless gestures of good will. A special word of gratitude needs to be extended to the clergy and religious who visited us during these weeks, especially to Fr. Kehoe, curate of the parish of Abbeyside, Ballinroad and Garranbane, who led us in prayer and the funeral ceremonies. Also, thank you to the Ballinroad folk choir who sang beautifully Josephine's favourite hymns during the funeral and burial services. We have been very touched by the kind words people had to say about Josephine and were quite taken aback in learning how she touched so many people's lives during her short stay on earth. We particularly remember Josephine on July 15th when we would have celebrated her forty eighth birthday. It would be impossible to thank each friend, neighbour and relatives for their support during this last number of months, but please personally accept this acknowledgment as a token of our appreciation. The Holy Sacrifice of the Mass will be offered for all our intentions.

LATE PADDY POWER Scart, Ballinamult

The wife, family and relatives of the late Paddy Power wish to thank most sincerely all those who sympathised with them in their recent sad bereavement; those who sent Mass cards, letters of sympathy, floral tributes and those who called personally. Also to those who attended the funeral and burial. A special word of thanks to Fr. Kennedy, P.P., Fr. Cooney, O.S.A., Fr. Ahearne, P.P., Dr. Donovan, St. Luke's Hospital, Kilkenny; the undertakers, sacristan, altar servers and gravediggers and all the kind neighbours and friends who helped in every way. Trusting this will be accepted by all. The holy sacrifice of the Mass has been offered for all your intentions.

LATE PADDY KEATING Briskey, Leamybrien

The wife and family of the late Paddy Keating would like to express their sincere thanks to all who sympathised with them on their recent sad loss; to those who attended his removal, Mass and burial; to Fr. M. Enright, P.P., Fr. J. Delany, P.P., and Fr. G. Desmond, C.C. Also many thanks to those who sent Mass cards, letters of sympathy; those who telephoned and who called to the house personally; to Dr. McElduff, Dr. Griffin, nurses, Drohan Funeral Directors, sacristan, altar servers, gravediggers, Deirdre and Martina Walsh and Joe Brennan (singers). As it would be impossible to thank everyone individually, we hope this acknowledgment is accepted as a token of our appreciation. The holy sacrifice of the Mass has been offered for all your intentions.

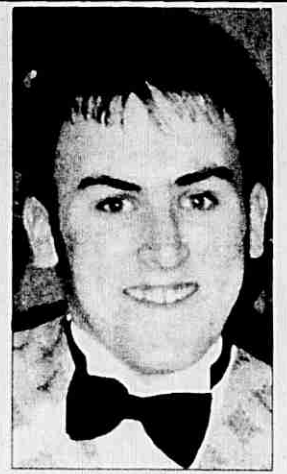

LATE EDWARD (NED) POWER Mount Odell

The wife Patricia, family Hugh, James, Margaret, Noreen and many relatives of the late Ned Power wish to convey their heartfelt gratitude to all who shared their recent bereavement. For your letters, Mass cards, phone calls, floral tributes and your comforting presence at the funeral obsequies our sincerest thanks. We know very many travelled long distances to be with us, indeed many friends and acquaintances through greyhound racing and other sporting interests. Our thanks to the local clergy, especially Fr. Cooney for much appreciated homily. To Rev. Fr. M. J. Ryan, P.P. who was with us for rosary and who paid his own personal tribute. To the many local sporting organisations who offered their condolences through their notes in the local media. To Dr. Tom Higgins, doctors and staff at Waterford Regional Hospital, our sincerest thanks. To the sacristan, gravediggers, altar servers and especially Kiely Funeral Directors for all their services. The kindness, thoughtfulness and generosity of so many really touched us and was a source of great comfort in our hour of need. Please accept this notice as a token of our heartfelt gratitude and appreciation. The holy sacrifice of the Mass has been offered for all your intentions.

BEHEGAN — Third Anniversary — In loving memory of my sister Mary Behegan (née Dunne), Parks Rd., Lismore who died on 13 July 2001. R.I.P.

Happy memories live forever,
Of days when we were all together,
They bring a smile and often a tear,
And always a wish that you were here.
(Always remembered Maurice, Martha and family).

BEHEGAN — Third Anniversary — In loving memory of my wife, Mary Behegan (nee Dunne), Parks Rd., Lismore who died on 13 July 2001. R.I.P.

I will never forget those special days,
The ones I had with you,
For as long as I live,
I will always be glad,
For the wonderful wife,
I was so lucky to have.
Simple words but very true,
I will always love and remember you.
(Your loving husband Michael).

BEHEGAN — Third Anniversary — In loving memory of our Nanny, Mary Behegan Parks Road, Lismore who died on 13 July 2001. R.I.P.

Put your arms around her,
Lord,
And kiss our Nanny's face,
For she is very special,
And can never be replaced.
(Your two grandsons Michael and Lee X X).

BEHEGAN — Third Anniversary — In loving memory of my dear sister, Mary Behegan Parks Road, Lismore who died on 13 July 2001. R.I.P.

BEHEGAN — Third Anniversary — In loving memory of my mother, Mary Behegan Parks Road, Lismore who died on 13 July 2001. R.I.P.

A laugh, a chat, a joke or two,
Is how I'll always remember you,
On earth you toiled, in heaven you rest,
God bless you Mam, you were the best.
(From your loving son Daniel and wife Jacinta).

DALY — Fourth Anniversary — In loving memory of a loving father, Philip (Phil) Daly, 1 St. Patrick's Crescent, Dungarvan, and also of Clogheen, Co. Tipperary who died July 16, 2000.

Quietly today your memory is kept,
No need for words, we will never forget.
As thoughts go back as they often do,
We treasure the memories we have of you.
(Always remembered by his loving son Arthur, Corinne, Vicky, Shane and Roisin).

DALY — Fourth Anniversary — In loving memory of Philip (Phil) Daly, late of 1 St. Patrick's Crescent, Dungarvan, and Clogheen, Co. Tipperary who died July 16, 2000. R.I.P. Anniversary Mass on Saturday, July 17, at 7.30 p.m. in Colligan Church. May he rest in peace. When you lose someone special,
The hurt is hard to hide,
But when you lose a husband,
The hurt goes deep inside.
It broke my heart to lose you,
But you did not go alone,
For part of me went with you,
Phil,
To the place you now call home.
Will those who think of Phil today,
A little prayer to Jesus say,
(Sadly missed by your wife Theresa X X X).

DALY — Fourth Anniversary — In loving memory of a wonderful Dad and Grandad, Philip (Phil) Daly, 1 St. Patrick's Crescent, Dungarvan and also late of 7, Market Street, Clogheen, Co. Tipperary, who died on July 16th, 2000.

As long as our hearts keep beating,
As long as our eyes shed tears
We will always love and miss you,
No matter how many years.
A tribute of love,
To a Dad and Grandad so dear,
So close to our hearts,
Each day of the year.
(We love and miss, and think of you always — from your daughter Tracy, Katie and Alf X X X).

DALY — Fourth Anniversary — In loving memory of my dear father, Philip (Phil) Daly, late of 1 St. Patrick's Crescent, Dungarvan and also 7 Market Street, Clogheen, Co. Tipperary, who died July 16, 2000.

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've had throughout the years.
Then when the summer sunshine,
Awakes the flowers in bloom,
I'll walk that light from heaven,
Around the corners of every room,
Do the things we did before,
The same in every way,
Just whisper a little prayer to me,
At the dawn of every day,
Just think of me as present,
Don't think of me as past,
For a father's love's a blessing,
In death it still can last.
Forget your troubles and your worries,
They're mine forever more,
I'll watch and care and love you,
From heaven's open door,
And when your road gets rough and rocky,
Or you're down and need a crutch,
Remember I'm right beside you,
Just an inch too short to touch.
Rest in peace Phil.
(Missed every minute of every day — your daughter Chris and grandsons Philip, Daniel and Anthony X X X X).

DAYNES — Twelfth Anniversary — In loving memory of my dear friend, Peggy, late of Ballyduff Upper who died on July 19, 1992. May her gentle soul rest in peace.
It need not be a special day,
To bring you to my mind,
For a day without a thought of you,
Is very hard to find,
Take care of Peggy Lord,
As she takes her rest,

DALY — Fourth Anniversary — In loving memory of my father, Phil Daly, 1 St. Patrick's Crescent, Dungarvan, who died July 16, 2000.

When I come to the end of the road,
And the sun has set for me,
I want no nights in a gloom filled room,
Why cry for a soul set free?
Miss me a little but not too long,
And not with your head buried low,
Remember the love that we once shared,
Miss me, but let me go.
For this is a journey we all must take,
And all must go alone,
It's all a part of the Master's plan,
A step on the road to home.
When you are lonely and sick at heart,
Go to the friends we knew,
And bury your sorrow in doing good deeds,
Miss me, but let me go.
(Loved and remembered by your son John Michael, Tina and grandsons Dean, Julian, Aaron and Jordan X X X X).

ABBEYSIDE TOPICS

SENIOR CITIZENS SUMMER OUTING

Details of the Annual Summer Outing have now been announced by the Committee and for a welcome change this year the outing will be to the famous town of Blarney which is one of the most attractive tourist centres in the South. It's a place made famous in song and in story because of the romance associated with the Famous Blarney Stone which has been kissed by visitors from all corners of the globe.

The date for the outing is Tuesday 20th July and buses will leave as follows: Ballinroad

Church at 11.45am and from the Pond at twelve noon. A full dinner will be served at Blarney Park Hotel at 5.30pm.

The nominal charge for the day is 20 euro and must be paid in advance to any of the following committee members: Betty Tutty (058 41647); Mary Flynn (058 43101); Delia Leahy (058 45175); Josephine Coyne (058 42643) Ballinroad and Bernie Butler (058 41188).

Any further information required can be obtained from any Committee member.

Abbeyside's Defeat By Stradbally No Surprise

Short five of the players who so thrillingly brought the Intermediate Cup to Abbeyside last year, it was always going to be a struggle in this losers knock-out group game at Frather Field on Saturday evening last. Now, Abbeyside will be involved in a relegation dog-fight later in the year and it will be extremely difficult for them to retain their hard won Senior Status.

Stradbally were quickly into their stride and scored two points within two minutes. Two excellent frees from long

range by Mark Gorman brought the sides level. Alan Ryan, unavailable last year, made some excellent clearances from defence for Abbeyside. In the eighth minute Ger Power put Stradbally into the lead with a point from the middle of the Park. Inspired by John Kindregan, Abbeyside had their best period in the game and their forwards scored three points (one excellent one from Shane Briggs), to put Abbeyside into the lead for the first time. A pointed free by Stradbally reduced Abbeyside's lead

to the minimum but up popped Mickey Enright to again widen the gap to two points.

Then came the decisive score of the half as Stradbally exerted pressure on the Abbeyside goal-mouth and the sliotar was forced over the goaline for a goal that should have been cleared by the Abbeyside defence. A point by minor star Mark Gorman from way out on the left, ensured Stradbally only had a one point lead at the interval.

Half-Time: Abbeyside 0 -7, Stradbally 1-5.

EFFORT NOT ENOUGH Abbeyside tried hard all through the second half but it was not enough against a seasoned, experienced Stradbally outfit. County Star Michael Walsh was moved to centre-forward and he ensured Stradbally won a liberal supply of the ball from puck-outs, clearances from defence, etc.

Shane Briggs pointed but three points in a row brought Stradbally level. Played flowed up and down the field and the standard of hurling was high. Mickey Enright pointed and due to pressure from the Abbeyside backs Stradbally struck a number of wides. Stradbally equalized with a terrific point from a sideline cut.

Generally the Stradbally forwards fought harder for possession than their Abbeyside counterparts and when Stradbally scored a goal and two points between the eleventh and sixteenth minutes the game was as good as over.

A point by Mark Fives and a goal by Michael Enright following an excellent pass from Mark Gorman came too late to save the day and Stradbally finished the stronger with two points from play

Abbeyside : Darryl Ryan, Eoin Hayes, Gavin Breen, Brian Hayes, John Kindregan, Damien Cliffe, Alan Ryan, Shane Briggs, Patrick Lynch, John Hurney, Laurence Hurney, Mark Gorman, Michael Enright, Mark Fives, Declan Fives.

Life Buoy Destroyed

Recently, we referred to the placement of the life-buoys

which had been put in place along the sea front from Abbeyside Church to the White Strand and we complimented the people on the Urban Council who look after such services and carry out regular inspections.

To the dismay of many concerned people who frequent the Strand area, the life buoy and its container which were placed behind Meadowlands were set on fire and completely burned to ashes.

We have no idea of who the mindless vandals were, but it is sad indeed to imagine how anyone would damage an apparatus that might have been needed to save a life.

The burned out life buoy and container were replaced very promptly by the Council.

ABBEYSIDE PATTERN ON AUGUST BANK HOLIDAY WEEKEND

Following the huge success of last year's Festival there is certain to be great support for the various events again this year. Despite the financial problems, due entirely to rising costs of insurance, the very hard working committee have managed to obtain interested Sponsors.

Those who put money into the running of the Pattern should be appreciated as it would be nothing short of a tragedy if this age old custom died away.

Once again the Committee will be appealing for willing workers to help with the various events and hopefully there will be a good response.

The Pattern Festival will run for Friday, Saturday and Sunday of the August Bank Holiday Weekend.

BALLINROAD BICENTENARY FLOWER FESTIVAL

Many events have taken place this year in order to celebrate the Bicentenary of St. Laurence's Church, Ballinroad.

This week the Committee are staging a Flower Festival as part of the ongoing activities. St. Laurence's Flower Society, together with their friends from Dungarvan Flower and Garden Club, have planned a Flower Festival entitled "Our Heritage".

The Festival will open to the public on Friday 16th July and will continue until Sunday 18th July. The doors will be open each day from 10.00am to 8.00pm. All proceeds are in aid of the Church Refurbishment and your support would be very much appreciated.

MASS AT CLONEA

During the months of July and August, Saturday Evening Mass will be celebrated at Clonea Strand Hotel at 6.00pm.

This idea is surely greatly appreciated by the large number of summer holiday visitors and by some locals too who would otherwise have to travel to a church in order to attend the Sacrifice of the Mass.

Abbeyside Scout Notes

Last Sunday night the scout meeting which began at the earlier time of seven o'clock had a part sporty theme and part hike theme. The sporty theme came about when the troop descended on St Laurences Tennis Courts armed with racket and ball for approximately 50 minutes to play some doubles games. Following on from the Wimbledon finals the scouts were only itching to get on the courts and strut their stuff. Some, it has to be said, were able to strut better than others; these names are being withheld to protect the innocent.

As soon as some games were over it was time for the hiking part of the meeting. Each patrol had to walk back to the den and as they went had to complete six tasks. The scouts with the most tasks completed successfully were put into a draw upon arrival and check in at the den. The distance from the hall to the den seemed to put off some of the older experienced scouts while the younger scouts had absolutely no problem walking the short 2.4 mile distance.

The leaders were heard to remark, "How are they (the older scouts) going to manage on camp?" Back at the den the prizewinners turned out to be Michael Duff and Damien Doyle who went home proudly showing off their prizes. Thanks to the tennis club for the use of their facilities, and to the car drivers who supplied the transportation out to the courts thanks also.

ANNUAL CAMP

Annual Camp 2004 is now almost upon us and this coming Saturday nights meeting begins at seven and will end around nine thirty. This meeting is only for those attending camp.

The reason for this is that camp gear will be sorted on this night and everything will be checked before camp, in order that anything missing can be put to rights. Camp patrol membership will also be sorted.

Any outstanding monies must be paid at this meeting and permission to camp forms must be returned. Remember no permission form - no camp. Scouts are reminded to bring money in order to go to the chippie once all the hard work has been completed.

SYMPATHY

We extend our sympathy to all the relatives and friends of John Clancy who died suddenly last week. John scouted with the 4th Waterford in the 40's and early '50's before he emigrated to the USA.

He joined the group on the 8th of December 1944. He became Patrol Leader of the Wolfhound Patrol and later was Assistant Scoutmaster to the great Liam F. Lanigan.

John took part in the first Melvin Trophy Competition held in 1949. He was also a member of the patrol that took part in the 1950 and 1951 competitions. No competition was held in 1952 and by 1953 John was overage for competing. This didn't deter his involvement. The experience gained stood him in good stead when he became trainer to the 1953 team. Undoubtedly his expertise was a key factor in the Abbeyside Patrol winning the Melvin Trophy for the first time that year.

Abbeyside Scouting has produced many great men and the name John Clancy will always be on that list.

Sponsored Cycle For Worthy Cause

On Friday 9th July, Ambrose O'Connell left Grattan Square, Dungarvan, at 11.00am on a sponsored cycle to Waterford city. The money raised will go to the Alzheimers Unit at St. Joseph's hospital, Dungarvan - a very worthy cause indeed.

Abbeyside Reference Archive

A RAMBLE

This week we take a ramble through one of our many scrapbooks. It comes from the general collection so we are liable to meet anything.

The first item we meet is dated September 2003 and is a photograph and write up on Dungarvan Youth Band. On the next page we read "Bullying at Walton Park". We move on to a nice old photograph of the "Boy Band" Rough Cut. The next three pages are filled with a list of first tenants for the TJ Murphy Place houses.

Next its on to February 2004 when "Abbeyside Brownies Receive their Pins" Next we come to the other Book of Lismore! Then we come to a nice 80th birthday cake (in the form of a beehive - yes its Michael and Mary Moynihan). Then we find local group produce CD "On the Rocks". Then we have a very nice wedding photograph from paper dated 3rd October 2003. The very last item in the book is a very nice personality portrait of a husband and wife from Ballinacourty.

This Sunday morning Eddie Cantwell will be at the Archive minding the above scrapbook and all the other treasures. No he won't be giving a free CD to all visitors!!

New €1.6m Revenue Customs Cutter RCC Suirbhéir and Air & Sea Rescue Helicopter

add to Festivities for ...

DUNGARVAN BAY SWIM

The arrival of the €1.6m state-of-the-art Revenue Customs Cutter RCC Suirbhéir created great excitement on Helvick Pier on Sunday last July 11th, on the occasion of the RNLI Dungarvan Fundraising Branch 10th Annual Sponsored Swim across the bay from Ballinacourty to Helvick Pier.

And that was on the seas! Overhead the Air & Sea Rescue Helicopter circled, trailing the brilliant tricolour on top of the RNLI weighted flag creating the most amazing movements in the air, more graceful than the finest ballet dancer the world has ever known.

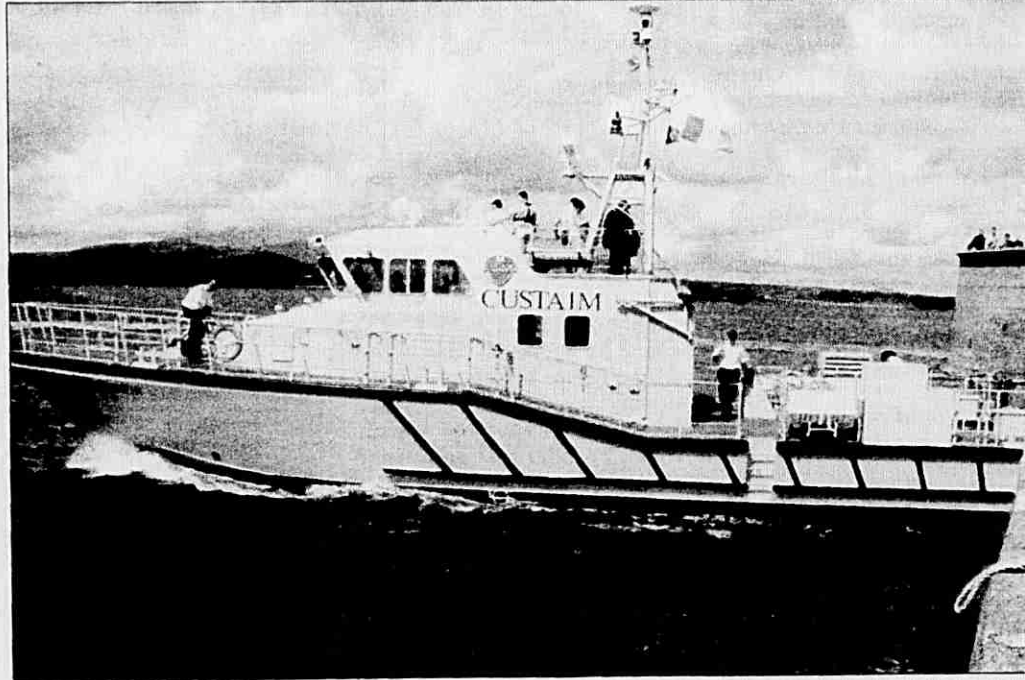

What a welcome for the twenty-three swimmers who had trained so hard for this great fundraising event, and for the men, women and children who had gathered from the four corners of Ireland and beyond. A journalist from the Boston Globe was overwhelmed by this great show of community spirit. "Indeed the amount of people involved in organizing the event was phenomenal" explained RNLI Hon Fundraising Chairperson Séamus Corcoran, "and the groundswell of support from everybody throughout the year is fabulous."

For months preparations had been under way for the swim, the date had finally dawned and everybody's prayers for a fine day were answered.

The Jocanti under the captaincy of John Mansfield and his son Conor, looked splendidly bedecked with celebratory bunting under the official flag of the Dungarvan Harbour Sailing Club, as she set out down the harbour from Davitt's Quay. The Manse was in his element, proudly playing host to this writer and to Tess Robertson as we motored down the channel to Ballinacourty leaving the changing skyline of Dungarvan and Abbeyside behind us.

The sponsored swimmers and attendant boats were congregated in Ballinacourty Pier, ready to go to the starting point off the Lighthouse. As the order came over the VHF to proceed, the Jocanti led the way followed by over thirty-two boats and swimmers ready to enter the water. However the official starter in his anxiety failed to ignite the starting flare, the trigger mechanism failed, but the situation was rectified immediately thereafter by the RNLB Alice & Charles crew who smartly came to the rescue and saved the day — they launched a Parachute Flare and the 10th Annual Swim began.

Conditions were perfect, with slightly overcast skies and a light NW breeze which

favoured the swimmers. As we made our way across the bay towards Helvick Pier, followed by the flotilla of boats, we marvelled at spectacular feat of human endurance displayed by the athletes in the water, while being served wonderful beverages and delicious lunch on board the Jocanti by Capt. Mansfield on plates with a nautical theme over the Gainers.

As we entered Helvick Pier, The Dungarvan Brass Band were playing in the early afternoon sunshine, and the tantalising aroma of the BBQ wafted with the strains of the music in the air. There was much to see and do, with the colourful RNLI Souvenir Stand, and Facepainters, and the delectable array of sandwiches and beverages on the Ladies' Committee stall. The Mad Hatter aka Michael Wright with disco setup, had people dancing on the pier, and laughing at his quick quips.

The Sponsored Swimmers were Clare Morrissey, Micheál Curran, Kolette Enright, Eddie O'Mahony, Mel Shanley, James Twomey, Paul O'Gorman, Margaret O'Carroll, Marilla Keating, Aisling Power, David Moloney, Laurence Boland, David Connors, Shiela Walsh, Gillian Lea, Hannah Glynn, Richie Hayes, Darren O'Droma, Terry Fleming and friends from Cork Masters Swim Club.

After all the swimmers were safely ashore, there was a Flare Demonstration with Green Parachute Flares, Mini Flares and White Hand Held Flares; children's faces transformed by the facepainters, were transfixed by the wonder of the missiles whizzing lithely high into the sky, while Baile na nGall born Maggie Breathnach and

her crew from TG4 filmed some footage for a TV programme to be aired in January 2005.

In his expression of gratitude Station Chairman Tom MacHugh said "A dhaoine muinteartha, thar Cheann Coistí Heilbhic den RNLI, gabhaim bhúochas libh go léir as an dtacaíocht a thug sibh don ócáid seo inniu.

"On behalf of the Committee of the Helvick Head RNLI Station I wish to thank you for your support today. Tá ár mbuiochas tuille ag an lucht snámh agus ag na daoine a thug urraíocht dóibh. Go dtaga Dia an tsláinte agaibh.

Because the RNLI is a charity it depends on events such as this to provide funds and we thank of course the swimmers and their sponsors. "Tá daoile eile a chabhraigh linn —na báidóiri, an Chosaint Shiabhialta —criú an Bháid Tarrthála, gan trácht ar an mbanthacht agus na fir a chabhraigh leo chun dia agus deoch a chuir ar fail ar praghas íseal. Ní dhearmúdfaimid an Banna Ceoil a sheinn ceol binn ceolmhar í rith an lae.

"We are grateful to all who helped make the day a success, boatmen, Civil Defence, lifeboat crew, not forgetting those hardworking ladies and gentlemen who provided food and drink at affordable prices, souvenir sellers, face painters, the Dungarvan Brass Band. We acknowledge the enormous support from the national and local media including the Dungarvan Leader, Dungarvan Observer, WLRfm and CRY.

"We thank the RCC Suirbhéir, the Search & Rescue Helicopter crew for their presence, we are well aware of all the calls made on them for help, and we appreciate their attendance. We are

grateful to our sponsors Finches, Dawn Meats, Showings-United Beverages, Florries Centra Dungarvan, Spar Báile na nGall, Cash & Carry Dungarvan, Herlihy's Super Valu, Joan Clancy, Eddie Keane Suir Vend, Sony Ireland, The Moorings Bar & Bistro, The Anchor, Tig Murrith Helvick, Michael Hogan for the PA system; Na Gardaí Siochana, Civil Defence, Clare Morrissey, skippers of boats, Michael Wright, and everybody for their unfailing support throughout the year.

"Arís gabham búiochas dibh to léir, to bfága Dia an tsláinte agaibh, go dté sibh slán abhaile agus go mbeirimid beo ar an am seo arís.

Waterford's Munster Champions Help Celebrate H₂O Salon's 1st Anniversary

Mary Beecher arrived home to Tallow in May 2003 after spending 12 years working and travelling the world to accomplish a dream she had for a very long time. The dream was to open up her own hairdressing business.

Mary has worked in this industry for the last 16 years. While doing her apprenticeship in Tallow, she decided she wanted to travel and see a bit of the world. With a hairdressing apprenticeship behind her it proved very easy to travel and work at the same time.

Over the 12 years Mary worked in London, Australia and New York, gathering all the experience and knowledge of the hairdressing industry for her own business one day. New York became Mary's home away from home, where she managed a top salon for over 5 years, collecting a vast amount of knowledge on how to run a salon, train her staff, provide expert customer service and of course providing the professionalism and expertise on how to make every client feel like a million dollars walking out that

door — it was time for the dream to begin!

July 7, 2003, Mary Beecher opened H2O Salon in Chapel Street, Tallow. A very elegant top class salon, Mary offers a wide range of services, specialising in colour correction and designer high-lighting — using the best of products to achieve the best results. Colour was always an area Mary enjoyed and felt she could truly bring out her creative side.

Bridal and evening styles are also one of Mary's specialities! Come to H2O Salon the morning of your wedding and receive a complimentary champagne breakfast to start off your perfect day!

Just a month after the H2O Salon opening, Mary was presented with an award from the Good Salon Guide. The Guide's assessors judge the top hairdressers across Britain, Northern Ireland and throughout the Republic of Ireland on the professionalism of the hairdressers and the hygiene of the premises. Over the last six months H2O Salon has been featured in two top hair magazines: Hair New

and Hair & Beauty Inspiration.

In December 2003, H2O Salon raised over 450 euro for Share A Dream Foundation by having a day with the local kids — "Have a haircut with Mrs. Claus and a photo with Santa Claus" was the theme for the day, and it was very successful.

Easter came around and we had the Easter Bunny, helping kids make Easter cards and their own personalised Easter eggs. This event was in aid of an orphanage in Bellarus. Again, over 450 euro was collected.

In March 2004, Mary got together with the School Council in Tallow and put together a Hair and Fashion Spectacular to raise funds for the Tallow National School. This was a huge success, attracting an audience of over 300 people.

It definitely was a very busy and eventful year for the H2O Salon.

Last Wednesday night, July 7, exactly a year later, Mary had a cocktail party at H2O Salon to celebrate the 1st year anniversary. James Murray, Seamus Prendergast, David and Paul

O'Brien from the Waterford Munster champions hurling team did the honours of coming along to help celebrate.

At 7.30 p.m. Chapel Street was lined with kids with their Waterford jerseys, hurleys, etc., waiting patiently for the Munster champions to arrive to get their autographs and some pho-

tos. It was lovely to see a bunch of over 50 kids so excited to see the lads.

James Murray presented a signed Waterford jersey to the owner of H2O Salon which will be raffled off in the salon on August 6 next — all proceeds to Share A Dream Foundation. Raffle tickets on sale at H2O.

Mary would like to thank James, Seamus, David and Paul for taking the time out to join us at H2O Salon last Wednesday night and wish them the best of luck on August 8th. "Go on the Déise!"

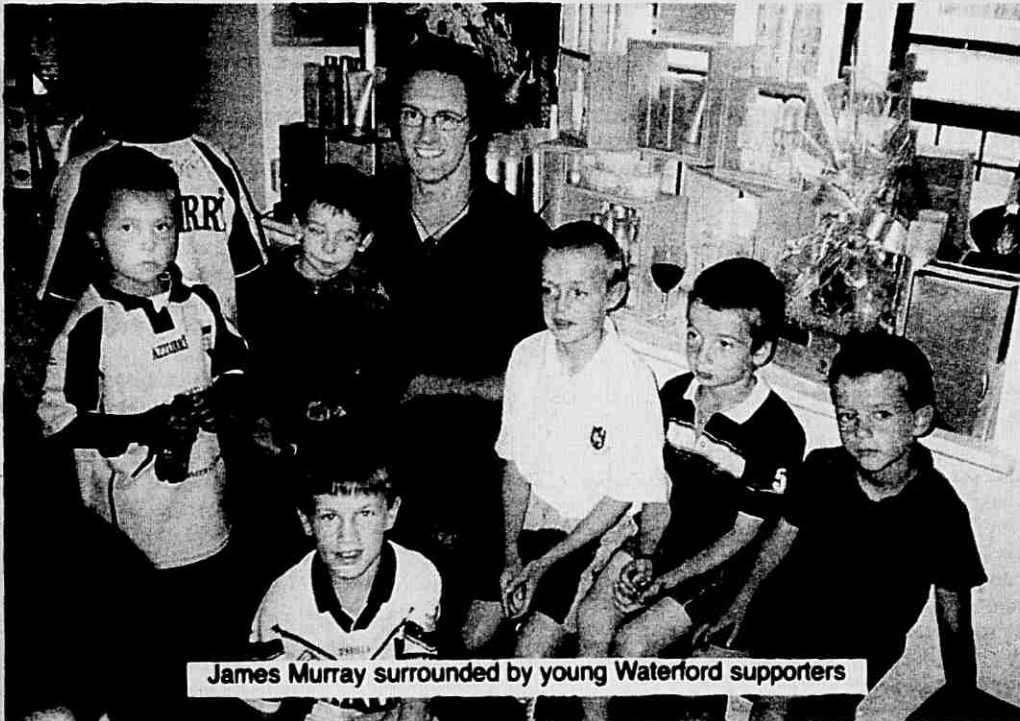

Also, she would like to thank all her clients for their support and loyalty throughout the year.

DUNGARVAN UTD. A.F.C. NOTES

COMMITTEE MEETING

Our next committee meeting will be held on Thursday 22nd July at 9pm.

As this year has started off very well indeed with a very sizeable amount of people joining the committee our club chairman Francis is off on his holidays for a well earned break. Anslem Hayes and Ber Whelan were co-opted onto the committee for the coming year.

SCHOOLBOYS SPONSORSHIP

Over the coming weeks we will be publishing various photographs of local businessmen who have generously contributed to all aspects of our club so we can purchase the necessary equipment for training during the season 2004/05. Without this much needed help we would certainly have a hard job on our hands. We would like to express our sincere thanks to them for all their help.

TRAINING

The time has arrived for the various managers and players to dust down their gear for their imminent return to the training pitch. There has been a lot of hard work done behind the scenes by all concerned so we hope that others will follow suit and let their hard work show on the field of play.

Our premier squad return to action this Thursday at 7pm sharp. Accompanying them are our youths squad who have their first session also on Thursday at 6pm.

Our schoolboy section kick-starts again for the season Thursday 5pm followed by the U15 outfit who return Tuesday 20th at 5pm.

Other teams will soon have their plans finalised and we will furnish everyone with this

information as soon as we receive it.

PREMIER SQUAD

Next Sunday at 11 o'clock the premier management quad will hold a training session for all interested players who wish to put themselves forward for the squad. Those trials have been arranged in order to make the managers jobs that bit easier.

TAKE NOTE

Will all managers and players please take note that all training sessions are to be held on our second pitch in the crystal. As Jimmy and Brian have kept the pitch in top order all along we would wish that it gets all the rest it needs.

ASTRO-TURF

At the moment there are a few slots available for hire during the week and also over the weekend. Any groups wishing to hire the area for a company get together would do well to book now before the slots are snapped up. Over the previous weeks Saturdays have become

As you can see work has recommenced on the new development with the drainage system been put down this week and the recovering of top soil. We need a number of volunteers to help at present and already there are a number of people are helping out. If any players or members are available during the week even for a day, you know where we are. MANCHESTER UNITED SUPPORTERS CLUB

(WATERFORD BRANCH) MEETING

Last Friday's meeting was hugely attended I suspect due to the fact word filtered through that our first fixture was the Manchester Derby on November 7th. Plenty of time to get the sterling together now.

MANCHESTER DERBY FULL ALREADY!

To say we were pleased to get this fixture would be an understatement. As already mentioned above numbers were high and as the old saying goes "if you're not in, you can't win". That was certainly true here as the 50 spaces were gobbled up by members, easily the fastest game ever to sell out.

MEMBERSHIP

The season will soon be upon us so let's get the registration out of the way a.s.a.p. E10 for adults and E5 for juniors (Under-16). Old Trafford membership forms are expected soon and are necessary for receipt of match tickets as per club rules. Cards available from all committee members.

CLUB RULES

There are no changes to the club rules and everyone received a copy at last Friday's meeting. If you didn't and wish to receive a copy they are available to members by contacting 086-3925677.

NEW MEMBERS

Anyone wishing to join the branch or find out more information on the branch may do so by calling the secretary Kevin Moore on 086-3925677.

SAVINGS SCHEME

With the first fixture so far off there is no reason not to avail of this service. Just attend a meeting or contact the secretary on the above number or any other committee member between meetings.

GENEROUS SPONSORSHIP

Printing costs for the year were kindly sponsored by Michael Tutty. So anyone looking to get your car serviced or repaired can return your kind gesture with your business. Thanks again Michael.

SNIPPETS

Nice to see Maurice at the meeting on Friday night. Good to see you out and fit again. Also Colin Walsh who christened his daughter Jenna last Sunday and gave her a look at what's to come. The afters were in John Keane's.

GENERAL AND COMMITTEE MEETING

The next meeting will take place in Lawlor's Hotel on Friday, July 30th.

CHARITY SHIELD

Those who gave in their names will be notified if and when we receive tickets. It's Man U v Arsenal for all the people who asked who was playing the match in Lawlor's after the match last Friday night, to be fair they were Americans.

AMERICAN TOUR

We have a few lucky members travelling to the States for the Celtic v Man U fixture later this month. Enjoy the game lads.

CHAMPIONS LEAGUE QUALIFIER

As yet we don't know who United will play but anyone interested in this fixture needs to contact the secretary on 086 3925677 and make their intentions known.

STANDBY FOR THE DERBY

Anyone wishing to put their names on a standby list for the Manchester Derby may do so. It just brings home the importance of attending meetings.

Faugheen 50 Motorcycle Road Races

Motorcycle road racing has been present in the Carrick-on-Suir area of South Tipperary since the early Seventies. The first races were held on a circuit around the village of Rathgormack, this circuit was used in the years 1970, '71 and '72. No racing was held over the years 1973 to 1975 inclusive.

In 1976 the road racing moved to the 2.3 mile circuit near Faugheen village outside Carrick-on-Suir. Some of the top names of Irish road racing at the time competed in Faugheen, to name but a few - Sam McClements, Davy Woods, Jim Dunlop, Robert Dunlop, Eddy Laycock and Joey O'Driscoll. Racers from over seas also raced over the Faugheen circuit, some from as far away as Australia. Sadly the great era came to an end with the chequered flag of the last race in 1986 due to the running cost of the event.

In October 2001 a group of local motorcycle road race enthusiasts decided to look at the possibility of resurrecting the event. From that meeting of about 20 people, the Faugheen 50 Road Racing Club Ltd. was launched, today the club has over sixty members from Tipperary and the adjoining counties.

The club has developed its own web site www.faugheen50.com. Through this web site great interest has been shown from both Ireland and abroad for pure road racing. Last October the tireless efforts of the committee and members of the club came to fruition with the resumption of motorcycle road racing on the Faugheen circuit after a lapse of seventeen years.

Competitors came from all parts of Ireland and from

across the Irish sea to compete in the event. Some of Ireland's top road racers were at Faugheen to entertain the large number of spectators, namely multiple Isle of Man TT winner Robert Dunlop, his son William, Jonathan Ralph and Darren Lindsey. Local racers who competed in the event were John Walsh from Mullinavat, David Coughlan from Clashmore, both of them Club Members, Tim Maher from Templemore and Ian Forrestal from New Ross. Larry Devlin from Bangor Co. Down returned to Faugheen to race his ex-works BMW having raced in the Faugheen 50 before its demise in 1986, David Manley raced the 496 Matchless G50 raced by his father in Faugheen during the 80's

The resumption of the event saw local man John Walsh set the pace in practice when he broke the lap record on his Kawasaki 600 with a speed of 88.79 MPH. On race day John upped the lap record to 89.898 again on his Kawasaki 600 in the first Mastercraft Homes Support 401 to 600cc race which he won, John also won the T&P Scaffolding Support 201 to 400cc. on a Yamaha 400

The Alan Egan Memorial man of the meeting trophy went to Darren Lindsey with three wins, Darren won the Flemmings Bar Faugheen/Gary Dyne Foundation 250cc with an outright lap record of 90.42 on Honda 250, Darren also won Faugheen 50 Motorcycle Road Racing Supporters Club 250cc race and the Kevin O'Dea / Walsh Brothers sponsored 125 cc race on a Honda 125. Second in the 125 class was Robert Dunlop with his son William in fifth place. David Coughlan from Clash-

more had two third places in the 250cc races.

Rochdale racer Dave brown won the Embassy Motorcycles / AEC Classic 250 cc on his Suzuki 250. Lisburn racer Adrain Elwood won the Thursday Night Rideout Club Classic 350 cc. on a Honda 350.

Robert Price won the Sheehans Garage Classic 500 cc while Tim Stephenson won the 1000cc Classic on a Rob North BSA 750

The Paddy Curren sponsored 'raced against all the odd' trophy went to Eleanor Forrest who had travelled Glasgow to Faugheen as did the Tony Carey Memorial trophy for the furthest travelled competitor.

HORSE RACING SNIPPETS

BY MARK PHILLIPS

GEORGE DUFFIELD INJURED

Flat jockey George Duffield the senior rider in the British jockey's room took a heavy fall last week from a two year old on the home gallops injuring a shoulder but is hopeful of an early return to the saddle this week.

INJURED EBOR WINNER

Last years Tote Ebor winner St. Alebe who is now a five year old is suffering from a recurrence of an old injury and trainer David Elsworth states that his charge may miss out on all of the 2004 flat campaign.

ATTRACTION WINNING RUN ENDS

Attractions winning run came to an end last Tuesday at the Newmarket July meeting when the champion three year old gave best to the older horse Soviet Star in the Falmouth Stakes. Attraction under regular rider Kevin Darley attempted to make every yard of the running but she failed to pick up in the final two furlongs as Johnny Murtagh produced Soviet Song with a well-timed run to flash by Attraction inside the final furlong. Make no mistake about it the winner is no back number having finished a close up second to Refuse To Bend at Royal Ascot with the winner franking that form by capturing the Coral Eclipse stakes at Sandown. Soviet Song runs in those well-known colours of the Elite Racing Club and James Fanshawe has charge of the winner.

The week was to get even better for Murtagh and Fanshawe as the County Meath rider brought 14/1 shot Fizannte with a tremendous late run to take the featured July Cup on Thursday.

THIS WEEKS FIXTURES

Wednesday - Killarney 5.45pm, Leopardstown 6pm, Catterick, Uttoxeter, Worcester, Kempton and Lingfield.

Thursday - Killarney 2.30pm, Cartmel, Doncaster, Hamilton, Leicester and Epsom.

Friday - Kilbeggan 6pm, Carlisle, Hamilton, Pontefract, Newmarket, Southwell and Newbury.

Saturday - The Curragh 2.30pm, Haydock, Ripon, Market Rasen, Newmarket, Lingfield and Newbury.

Sunday - The Curragh 2.10pm, Ballinrobe 3pm, Stratford and Newton Abbot.

PROMISING CHASER KILLED

Trainer Willie Mullins lost a promising chaser at Tipperary last Thursday when the useful hurdler Red Or White was put down after a fall in a chase. The Pat Flynn trained Brendar was running a nice race in this chase but had the misfortune to hit the deck having been brought down by Red Or White.

FIRST WINNER AS A PRO

Former amateur MJ Ferris got off the mark as a professional jump jockey steering the 14/1 chance Lord Of The Grove to victory in the opening hurdle event at Wexford last Friday evening.

Ian Power from Abbeyside was also in winning form at the same fixture aboard the Willie Mullins trained Basset Tiger.

DID YOU KNOW

Did you know that the great flat rider Lester Piggott rode the winner of the July sprint at Newmarket on no less than ten occasions.

THE CAT RETURNS

One Cool Cat is expected to return to action in the Group 3 Ladbrokes.com International Stakes at The Curragh next Saturday. One Cool Cat represents the Aidan O'Brien stable and the County Tipperary yard is also expected to win a maiden race with the well-named Mona Lisa.

ARMAGNAC UNLUCKY

I thought Armagnac was a very unlucky loser at Ascot last Friday and this six furlong sprinter should be followed next time out.

PAT AND JIMMY SCORE

Two jockeys turned trainer enjoyed welcome winners over the weekend as Jimmy Coogan and Pat O'Donnell had a winner apiece at the Down Royal fixture last Saturday. Jimmy Coogan was a successful flat pilot along with his brother Benji while Pat O'Donnell enjoyed a Cheltenham festival winner aboard Chance Coffey.

FRANKIE'S FOUR TIMER

Frankie Dettori had the bookmakers running for cover at Ascot last Saturday where he rode four winners. His four winners amounted to odds of 692/1.

JOCKEYS CHALLENGE AXED

Ascot racecourse in London will close down this autumn for major refurbishment. Their fixtures are currently being transferred out to other racecourses and while the Shergar Cup will be run off at some alternative venue the annual Jockeys challenge is axed until further notice.

DID YOU KNOW

Did you know that when the George Kent owned and Jim Bolger trained Tropical Lady won the recent Group 3 Brownstown Stakes at Leopardstown she became the first racehorse in Ireland to record four victories this season.

DANELISSIMA AFFAIR

I read over the weekend where trainer Jim Bolger stated that had Kevin Manning rode his Danelissima instead of Tom Queally in the Lancashire Oaks his filly would have won. While I have the greatest respect for the Wexford born but County Carlow based trainer I beg to differ with him on this occasion. I backed the same blinkered filly on that Saturday at Haydock Park and my impression of her is that she is a bit of a madam. She didn't appear to do a tap for her young rider and only decided to run on in the last two furlongs. She appeared to stay on past tired horses as the ground came up soft on the day. Danelissima is in the Darley Oaks at the Curragh next Sunday and it will be interesting to see how she performs.

ADRIAN'S BAD BREAK

Adrian Leigh is out of action for the rest of the month having broken a collarbone at Tipperary last week.

PAT VERLING RETIRES

Fermoy based jockey Pat Verling has decided to call it a day, as a jump rider and he will now concentrate on training.

ITALIAN STALLS WITHDRAWN

After a number of problems the Italian starting stalls have been withdrawn here in Ireland and the New Zealand type stalls are now back in use.

TOURANEENA RACQUETBALL CLUB NOTES

Presentation To Oncology Day Ward

At a recent fundraising night held in Dunford's Bar, the local Racquetball club presented a cheque for E2,750 to the Oncology Day Ward at Waterford Regional Hospital. This was the proceeds from the Touraneena 5K road race which was held on the June bank holiday combined with a number of donations that were made towards the worthy cause from people from the local and surrounding areas.

The monies raised were in the name of the late Ann Power who was a great organiser of sporting and social events in the Touraneena area. On the night, the treasurer of the club, Eleanor Hickey presented the cheque to Mary Fennell who was representing the WRH on the night. On the night, David O'Sullivan who is a brother of Ann's spoke of how proud he was to be able to donate such a sizeable amount to such a worthy cause in the name of his late sister.

The Racquetball club would like to thank anyone who contributed in any way to raise the final amount. We would like to thank Pat Grace for providing the music on the night and all

the people who sang songs on the night. We would also like to thank Mary Dunford and her staff and also we would like to thank Anna Thompson for photography work on the night and also on the night of the race/walk.

Finally we would like to thank the Power family for their co-operation and help throughout the race and fundraising nights. They deserve great credit for the spread of refreshments and raffle prizes that were available on the night.

LOCAL LEAGUES ARE NEAR CONCLUSION

The local Racquetball leagues are near conclusion and we should have a full list of victors in the very near future. Overall the standard of all the various grades have been very impressive and it's always nice to see some new names on the winners list.

International under 21 player, Julie Skehan has qualified for the final of the division I grade. Sean Dalton is to play Eanna Power with the winner of this playing Eileen Hickey in the semi-final and the right to play

Julie in the final encounter. Kilmanahan's Tom Ryan has made it to his second consecutive final in his debut season for the club. The former Fethard player has to await the outcome of 3 matches to see who he will face in that title decider.

There are still a few games to go in the division 3 grade. The winner of the Karen Cliffe and James Power match will be in the final and will then be the hot favourite to take the title. Francis Condon has been on fire in the division 4 grade and again has qualified for his second consecutive final. Here he will meet the winner of the match between Eithne Skehan and Ronan Dunford. Although Francis is the favourite for the title, he won't get it easy from either of these much improved players.

Eoin Kearns is on a role and has qualified unbeaten to the division 5 final. It could well be the best final of the lot as he is to play either Aidan Condon or Gemma Cliffe. Will it be a Waterford versus Tipperary final and a re-run of some highly entertaining matches between Seanie and Tony in years

gone by!!!!

The division 6 champion is Kendra Hickey. A player who is showing great improvement over the last few weeks and a worthy winner of the title, she is working hard at her game recently and now she has got her just reward. In the final she defeated Michael Hennebry. Natasha Cantwell Lloyd is through to the division 7 final thanks to some very impressive performances. Another player who has made some great progress in recent months. Kevin Gleeson is to play Aaron Loneragan with the victor playing Niamh Walsh in the semi final. In her debut season with the club, Emma Geary has reached the division 8 final. Played 5, won 5 is her impressive showing so far but she will have to produce another top performance if she is to clinch the title. In the semi final, Hayley O'Riordan will battle it out with 6 year old Mike Kearns for a place in the final.

A PLAYER TO LOOK OUT FOR

At coaching on Thursday evening last, one player in particular really caught the eye. He wasn't part of the coaching session but during a break in proceedings, we watched a young player hitting the ball in the big Hall. He had what looked like a natural swing and a natural eye for the ball. He was 2 years old. Young Dean Carroll won't be 3 for another month but it's already obvious that he will have a big future in sport.

The improvement in all the young players in the last few weeks is unbelievable. Each week you can see their skill levels improving and they all seem to love playing. They are being taught just the basics of the game and the big emphasis is on fun and enjoyment.

The future of the club is in a very solid position. I don't think any other club in the country is doing the work that we are doing with the young players, and I've no doubt that we will all reap the rewards over the next few years. We are often in contact with American player John Ellis who is ranked in the top 10 in the World Professional Tour and he advises us on a lot of different aspects. America is way ahead of us in the standard of the game, administration and organisation and it's nice to get advice from people who know the scene inside out.

The one bit of advice that applies to all sports that he recently gave is, when a player is around 24 years old, they should not look back and say "why didn't I put in the necessary effort in my teen years". He says that these are the years that are the nearest thing that most people have to being a professional athlete. You will seriously regret it in your mid-twenties if you don't make the effort especially if you have the potential to be a top sports performer.

CUNNIGAR PITCH AND PUTT NOTES

All Ireland Title For Donna Cockwell

Congratulations to Donna Cockwell, who is only playing the game with 2 years and already achieved 4 open titles back to back, winning the Cunnigar and Waterford Crystal in 2003 and coming back in 2004 to repeat the double. To the best of our knowledge that has not been done by any other lady in the Country. To add to her glory, back in May she lifted the Munster title as well. She was part of the ladies County team that won the All Ireland team event last year. At the weekend she went one better by becoming the first lady from the Cunnigar to win an All Ireland National title and won it in fine style. Donna was in second place after the first 18 holes with a score of 2 over par, knowing that score, she stepped up her game a gear and hit a fine 2 under par in the second 18 holes, giving her a 4 shot lead for the 18 hole play off. Nerves started to set in and after the first 10 holes she was 6 over par, and brought it back to 4 in the closing holes, to give her a winning margin of 6 shots. Well done Donna, you done us proud.

Congratulations to the other four ladies who qualified for the National finals - Corrine McGee, Mary Donnelly and Mary O'Neill. Bridget Broderick made the cut to play the final 18 holes. No doubt she will be back next year to claim a prize. Well done ladies. — Shout Fore!

Pictured at the cheque presentation were Mary Fennell (W.R.H.), Jenny Power, Eleanor Hickey.

U-16 HURLERS REMAIN UNBEATEN

Our U-16 hurlers recorded their second successive win in the County league with an impressive 4-13 to 1-7 victory over our neighbours The Brickies on Tuesday July 6th.

Early points from Cormac Curran and a superb goal from corner forward Trevor Crotty gave us an ideal start and a lead which we would hold until the full time whistle. Just before half - time a well struck goal from a close in free brought The Brickies back into the game but this was quickly answered by a Michael Walsh goal.

At the start of the second half The Brickies scored a number of unanswered points and were unfortunate not to get a goal or two. However we finished very strongly and further goals from Darren Sheehan and the impressive Trevor Crotty saw us run out comfortable winners. The panel and scorers for this game : David Moore, Keelan Barry, Killian Dwyer, Connor Hackett, Sean Nesbitt, Wayne Flynn (0-3), Liam Ryan, Derek Barry, Karl Duggan (0-1), Cormac Curran (0-5), Michael Walsh (1-0), Gavin Crotty (0-4), Shane Tobin , Michael O' Shea , Trevor Crotty (2-0), Darren Sheehan (1-0), Paudie Kiely, Neil Fitzgerald, David Buckley, Killian O' Keefe.

Our home game against Dunhill/Fenor on Saturday last was cancelled due to the involvement of Derek Barry, Killian Dwyer, Gavin Crotty and Karl Duggan with the Waterford U-15 hurlers. Waterford scored impressive victories over Limerick and Tipperary before failing narrowly in the final to Cork. Well done to the four boys.

On Monday 12th we faced Fourmilewater (report next week).

INTERMEDIATE FOOTBALL

The much awaited re-fixture of the first round intermediate football championship match between ourselves and the Geraldines took place last Thursday night. The date I gave in last week's notes was for Sunday last but unfortunately by the time I found out that this was changed again, it was too late for the papers. I myself was unable to attend due to other pre-arranged commitments and as I wasn't issued with a match report I can't say too much about the game. However, from what I can gather through the grapevine, it was less than a convincing win and the second half performance in particular, left a lot to be desired for. That said, a win is a win and to be fair the lads were missing a number of regulars and when you can win in those circumstances you can't be that bad. One plus of the game was the performance of David Burke who scored 2-1 from play. It's great to see someone like David still playing competitively and holding his own. The morale of the story is never under estimate the value of experience. Final score Dungarvan 3-9 Geraldines 1-7.

JUNIOR HURLING

Pele Inspires The Old Boro To Victory

A young Dungarvan Junior hurling team, with the exception of a few, took to the field last Friday evening in Lemybrien against a well seasoned and experienced Kilgobnet team. However, from the start the lads showed that they were well up for the task at hand with a couple of excellent early points from Pele and Billy Conway to settle the team. However some poor defending in the fifth minute led to a soft goal for Kilgobnet and it looked like we were in for a cracker. A brace of points from Billy Conway and one from the lively Buddy Power, who saw a lot of the ball at full forward, brought us back into the game and when John Joe Henly goaled in the fifteen minute to give us a three point lead, it looked like our boys were determined not to leave this game behind them.

With Eamon Morrissey dominating at Centre Back and the old heads David Burke at centre forward and Pele playing top of the left on top form, we never looked like losing this game. The first half came to a close

with the scores standing at 3-11 to 1-2 and Dungarvan were good value for their lead despite playing with a strong wind and the added bonus of having the sun at their backs.

The second half never lived up to the first in terms of scoring chances and a lot of credit must go to Kilgobnet for the manner in which they defended and took the game to Dungarvan. In fact they held us to four points and must be wondering if they had played better in the first half, who knows what might have happened.

In terms of performances Kealon Flynn at corner back was a revelation along with Moro at centre back, John O'Donnell at centre field, Billy Conway at half forward and big Buddy Power at full forward showed some great touches and picked of some nice scores. However, the top hurler on view here was Dermot "Pele" Callaghan, Dungarvan's answer to Seanie Leary - not just in appearance but in cuteness, patience and clinical finishing. It must be the Ring air or something?

Team: D. Power, P O'Sullivan, K. Flynn, J. Houlihan, E. Morrissey, K. Radley, D. Power, J. O'Donnell, B. Conway, D. Burke, D. Mears, D. Callaghan, B. Power, J.J. Henley, J. Cass, K. Curran, A. Connelly, S. Houlihan, S. Tutty, B. Downey.

BON VOYAGE

Best wishes from all in Dungarvan GAA Club to Pele, Grace, Luke and James who moved into their new home at Robert's Cross, Ring. Yes, you read it right, An Rinn. All visitors are welcome I'm told, but ideally one should be able to converse in a few words of the local lingo as it was one of the main attractions for Grace in

JOHN MITCHELLS G.A.A. NOTES

LAWLOR'S HOTEL SENIOR FOOTBALL CHAMPIONSHIP John Mitchell's 1-3 Kilrossanty 0-13

At the Fraher Field on Friday, 9th July we had the mid county local derby, our second game in Senior Championship since we regrouped. The game started at a blistering pace, David Kirwan opened the scoring in the 3rd minute with a well taken point from play, followed by a point from a free by John Power in the 10th minute. A well executed movement out field lead to a pass by Paudie Kirwan to Neil O'Connor who found the net for the only goal of the game. John Power converted a 45 in the 15th minute and shortly afterwards John sustained an injury. In the 24th minute Kilrossanty got their first point of the game and tagged on another four points to half time to leave the half time score 1-3 to 0-5.

On resumption of the second half Kilrossanty scored a point from a free to level the game, followed by a point from a free in the 7th minute. Mitchell's pressed hard for the next 13 minutes but failed to score and we lost Neil O'Connor through injury. Kilrossanty proved too strong in the remaining 10 min-

utes and had 2 point from play and 4 points from frees to finish the game. We wish our neighbours the best of luck in the next round of the championship and we may see them again at a later stage in the championship.

Panel: M. Maye, K. O'Reilly, P. Fogarty, L. Barry, D. O'Reilly, D. O'Connor, D. Kirwan, T. Kirwan, K. Nolan, N. O'Connor, J. Power, A. Kirwan, P. Kirwan, W. McGrath.

INTERMEDIATE FOOTBALL

We kicked off our Intermediate Football campaign with a match versus Dungarvan on Thursday night last at the Fraher Field Dungarvan. We started this match very slowly and found ourselves 2-4 to 0-1 down after 20 minutes. We came back strongly in the period just before half time, firing over 5 unanswered points. We enjoyed the majority of possession in the second half coming back to within 3 points of Dungarvan. Our goal coming from the penalty spot courtesy of Donnacha Tobin. Dungarvan then with fitness telling in the end added on a further 1 - 1 to leave the final score Dungarvan 3-8, Geraldines 1-7.

VISIT OF MUNSTER CHAMPIONS

The Waterford hurling team paid a visit to our field last Friday night to train. The team used our facilities earlier in the year when they were able to hurl at night under our floodlights. Lets hope the next time they come back they will have two cups with them.

CONGRATULATIONS

Best wishes for the future and congratulations to Pat O'Donovan and Honor Meagher who tied the knot recently. Wishing them both a long and happy life together.

Fourmilewater Hurling Club Notes

SENIOR HURLING

Fourmilewater Senior Hurlers were knocked out of this years Senior Hurling championship, when they lost to Tallow in Fraher field on Saturday last, on a scoreline of 3-9 to 1-9.

This was a very close match up until Tallow scored their second goal 17 minutes into the second half. Our team tried their hearts out and did their best for the club. Rory Rice did well at full back, John Moore and Justin Walsh played it tight in the corners. Brian Wall had a great game in mid field. Shane Walsh was our top scorer with 1-7, Dec Spellman and Liam Lawlor being our other scorers.

The team must now regroup and make sure we can avoid relegation. It's vital we can hold our senior status.

Team: E. Wall, J. Moore, R. Rice, J. Walsh, T. O'Gorman, I. Walsh, L. Walsh, B. Wall, A. O'Gorman, L. Lawlor, S. Walsh, M. Walsh, S. Lawlor, D. Spellman, A. Lawlor. Sub: Pa Walsh.

FOOTBALL

Best of luck to David Ryan and Michael Byrne who play in Manchester with the Waterford Juniors against the British champions on Saturday next. Here's wishing them the very best, and hoping that they make the flight back on Sunday, and not stay for the start of the premiership.

COUNTY LONG PUCK COMPETITION

The County long puck competition will take place in Fraher Field on Saturday next at 6:30pm. We have a couple of club members interested. Tom Doocey is giving it a go this year!

JUVENILE G.A.A. NEWS from the DEISE COUNTY

FIRST JUVENILE COUNTY TITLE FOR NAOMH BRID.

On Sunday last the Naomh Brid Club won its first ever juvenile county final in hurling or football when they defeated Passage in an entertaining County Under 12 division two hurling final replay while in the division three final there was a first juvenile county final for the juvenile section of the Butlerstown club since it was formed in 2003 at the Dungarvan Club Grounds. The original finals nine days previously had ended in stalemate with some exciting hurling served up by the teams involved. Those who gathered for the replays expecting some good hurling played were not left disappointed and at one stage it looked like extra time could not be ruled out.

Naomh Brid were first to score in a game where there was some very skilful players on both sides. Passage soon equalised and then went a point up. This was to be final score of the first half as Naomh Brid took control of the game and went in at the break 1-3 to 0-2 in front.

Naomh Brid began the second half as they finished the first and midway through the second half were 1-6 to 0-2 in front. Passage reduced the difference by a point before they got a goal to leave just three points between the sides with time running out.

Naomh Brid after conceding a goal did what most good do, reply with a score, a goal to put them 2-6 to 1-3 in front. In the closing minutes of the game, Passage piled on the pressure on the Naomh Brid defence. The difference between the sides was reduced by a point when Passage scored a point.

In stoppage time Passage were awarded a close in free. Passage went for a goal, but another ten year old to stand out for Naomh Brid Michael Kiely was on hand to make a vital save and in doing so put the ball over the bar for a point.

Shortly after this the full time whistle was sounded and Naomh Brid were in front on a scoreline of 2-6 to 1-5. After the game a huge Naomh Brid support saw captain Owen Barron presented with the winners shield.

Before the division two final replay on Sunday last, the division three final replay between Butlerstown and Kilrossanty took place. Kilrossanty were the first to score, a goal from a long range free. Butlerstown replied with a point before they scored a goal. Kilrossanty replied with a goal and a point of their own to give the Comeragh Boys a 1-2 to 1-1 lead at the break.

The second half was as close as the first, with the outcome of the game in doubt right up to the very end. Butlerstown got the first score of the second twenty minutes, a point to draw the two sides level. Kilrossanty then took the lead with a point, before Butlerstown scored the second of their four goals.

Soon after Butlerstown got their second goal they got a third. Kilmacthomas replied with a point before they raised their second green flag of the morning to leave the score 2-4 to 3-2. Kilrossanty from the puck out attacked the passage goal and had a good chance of a third goal, but somehow they saw their efforts fail to cross the line. Butlerstown attacked down the field from the clearance and in doing so, got a fourth goal of the game.

From the puck out the full time whistle was sounded. After the game County Board na nOg Chairman Pat Grant presented the winning Butlerstown captain with the winners trophy. Just like Naomh Brid in the division two final, this was a first Juvenile County Final win for the Butlerstown club since the juvenile section of the club was formed a year or two ago.

Over the past few years some tremendous work has been done within all clubs to promote hurling and football. The work done within the four clubs that competed in last Sundays county finals was clear to see. All four teams were well trained. The level of skill within all four clubs was very high.

If clubs continue to do the good work they have started, there will be no need to fear for future of hurling and football in the Deise county in the years ahead and we can safely say that Waterford in the future will be contesting Munster and All-Ireland finals.

On Sunday morning the Dungarvan Club Grounds were to top class condition. Thanks to the Dungarvan Club for the use of their facilities, and also to referee for both games Pat Moore, who I know was very impressed with the standard of play by all the players and with the work done with the players by the mentors.

MUNSTER FINAL WIN FOR CAPPOQUIN.

The Cappoquin under 13 Hurling team travelled to Limerick on Saturday morning to contest the Munster Community Games

semi final against Kinsale from Cork. In the game Cappoquin were too strong for the Cork Champions, winning on a scoreline of 4-9 to 1-2.

The win over Kinsale put Cappoquin into the Munster Final where they took on Adare from Limerick. This was a very close game with very little separating the two sides. At half time Cappoquin lead 2-2 to 1-3. Both sides continued to play some good hurling in the second half. In the end Cappoquin ran out winners on a scoreline of 2-7 to 1-8.

On the day Cappoquin had some very good performances. Darragh Fives at centre forward, Finan Murray and David Callahane in the half back line and Patrick Walsh and Ross McLaughlin in centre field were some of the players that impressed most.

Cappoquin in Community Games can pick their players from the areas stretching from Millstreet to Youghal Bridge and from Melleray to the Cappoquin/Knockanore Parish Boundary will now go on to represent Waterford and Munster in the All-Ireland Semi Finals and hopefully final in Mosney later in the summer.

Thanks to Magoo and Bridget Murray for providing the information on how they were going on throughout the day and in doing so allowed us get the information into W.L.R.fm.

COUNTY SECRETARY

County Bord na nOg Secretary Robert Grace is back from Holidays and so all matters relating to county championships should be refereed to him again

COUNTY FINALS

This Saturday, the county under 14 hurling semi finals will take place at Fraher Field. The division one final sees the meeting of Mount Sion and Ballygunner. At senior level these two sides are the biggest in the county so it great to see them come through to meet at Juvenile level as well.

Ballygunner will have to be the warmest of favourites to win the division one final. They recently travelled to Feile na nGael in the Midlands and reached the division one semi finals before exiting the competition. Going on this form, they have to be fancied to beat their city rivals, however it is when you least expect it could easily be beaten. The Mount Sion team will know that Ballygunner will go into the final on a high and will be doing their very best to capture what will be a first juvenile county title for Mount Sion in a number of years.

In division two Passage are in the final. They had a win over Brickeys in the semi finals. Who they will meet in the final is not quite clear as these notes are been put together. Clonea and Cois Bhride are the two teams that are in contention to play Passage.

In the division three final Clashmore will take on St. Mary's. In their semi final at Cappoquin last Thursday night, Clashmore had a good win over Naomh Brid, while on Sunday morning in Lemybrien An Gaeltacht had a good win over An Gaeltacht. St. Mary's would be the favourites to win the final as they are selecting their players from a very big area. However Clashmore have some very good players and will be very difficult to defeat.

The division four final is an all western affair with the meeting of Fourmilewater and Kilrossanty. Fourmilewater in their semi final last week at Cappoquin had a good win over St. Olivers while in Kill, Kilrossanty defeated Ferrybank.

The two sides have met already three times this year at this age level. In the league section of the Western Under 14 championship, Kilrossanty were victors. When the two sides met in the Western Final at the Abbeyside club grounds it was Fourmilewater who came out on top. In the league section of the County championship it was again Fourmilewater who came out on top. Who will win on Saturday? Its hard to call. However those that will be present will be in for a very good game of hurling played by two good sporting teams.

The first of the four finals on Saturday gets underway at 11-00am, and games after this will start every seventy five minutes. Those indenting on attending the games should check with their local club as to what time the games start at.

ADMISSION FEE

Those attending the County Finals in Fraher Field on Saturday are asked to note that the admission fee is €5. The officers of County Bord na nOg have decided to raise the cost of admission from €4 to €5 due to the increased cost of running county finals.

SUMMER CAMPS

The Azzurri sponsored County G.A.A. Summer Camps run venues across the county again next week. Each camp last four days and will be split between football and hurling. Camps in the third week take place at Bushy Park, Butlerstown, Dunhill, Mount

Sion, St. Olivers and at St. Stephens National School in Waterford city.

COUNTY UNDER 16 FOOTBALL TEAM

The Waterford under 16 football team travelled to Limerick on Saturday last to contest the Woodlands Hotel under 16 football Munster Football Competition. Played on a blitz, Waterford played Tipperary in the first game. The game ended in a draw, and to find a winner extra time was played.

During the course of extra time a very dubious penalty was awarded against Waterford which was converted. In the end it was this goal that separated the two sides with Tipperary winning on a scoreline of 2-13 to 3-8.

The extra time in the first game took a lot out of the Waterford team. Added to this two of Waterford's best players John Gorman and Conor McGrath picked up injuries in the first game and were unable to take part in the second game against Cork County. The Cork side ran out winners on a scoreline of 2-14 to 1-8.

UNDER 13 HURLING

The West Waterford Bord na nOg Under 13 hurling competition is fast drawing to a close. This week in division one Clashmore play Dungarvan in division one in Clashmore and at Abbeyside, Abbeyside will be taking on Lismore.

In division two Fourmilewater and Cois Bhride will meet at the Mill Field in Ballymacarby while Naomh Brid have home advantage over Brickeys. In division three all games in the league section of the competition should now be played and the semi final pairing and the team that goes straight into the final should be known.

UNDER 16 HURLING

The County under 16 hurling championship continues this weekend with games in all four divisions. Over the past few weeks a number of games had to be called off by clubs for different reasons and these will be re-arranged by the Bord. A full round of games last Saturday were called off because of Waterford's involvement in the under 16 football championship. These games will also be re-arranged and clubs will be notified as to when they will be played.

ABBEYSIDE/BALLINACOURTY G.A.A. CLUB NOTES

SELECTORS MEETING

The next selectors meeting will take place at our club grounds at 9.30pm on the 20th July.

SENIOR HURLING CHAMPIONSHIP

We came, we saw, we got conquered. Unfortunately this is the way of the world and with a very young team last Saturday night we lost to Stradbally in the Senior Hurling Championship. Try as we might we could not come to grips with a very strong and determined Stradbally outfit. No matter how hard we tried we found the going tough against a more physically stronger team.

The game was played at a fast and furious pace. But was also played, as it should in a very sporting manner. Even though the loss hurt us as we are now heading into the relegation dogfight zone it would be fair to say that Stradbally were on the night the better team.

We wish Stradbally the very best of luck in their championship campaign. It shows what we have to do to just survive at senior level never mind take the honours.

The time for excuses are now well and truly over and everybody involved will need to up the ante and work harder to avoid the drop. It would be a shame to lose our senior status with so many fine young hurlers coming through but we must show pride and passion to sustain us at this level.

It is down now to players, mentors, club members and supporters to put this disappointment behind us and encourage all those involved to keep working.

The team that lined out was as follows. Darrell Ryan, Owen Hayes, Gavin Breen, Brian Hayes, John Kindregan, Damian Cliffe, Alan Ryan, Shane Briggs (Captain), Patrick Lynch, John Hurney, Laurence Hurney, Mark Gorman, Michael Enright, Mark Fives and Declan Fives. Substitutes used were Richie Foley and Patrick Hurney. Joey Mullen came on three times as blood substitute (even though the game was played in a very sporting manner) before he finally replaced an injured Alan Ryan.

Other substitutes waiting the call were Emmett Burns, Paul Breen, Paul O'Brien, David Cashin, Gary Lyons and Mick Collins. John Foley could not take his place on the team due to an injury and we wish John a speedy recovery.

Scorers were Mickey Enright 1 goal and 2 points, Mark Gorman 5 points, Shane Briggs 2 points and Mark Fives 1 point.

TREVOR COSTELLOE

We wish a speedy recovery to Trevor Costelloe of Stradbally who was injured in an accidental clash during the match on Saturday and hope he is back fully fit for the next round.

MINOR CHAMPIONSHIP

We play Lismore in the first game of this year's minor hurling campaign in Colligan at 7.30pm on Wednesday the 14th of July. This is a great bunch of lads so please get up to Colligan they need your support on the night. The very best of luck to the lads and their mentors.

CLUB SUMMER CAMP

The club summer camp will continue for the next two weeks. It will run on Monday's, Tuesday's and Wednesday's from 10:00am to 1:00pm. The cost is €10 per child and is limited to 5-12 year olds. This is great value and marvellous fun so get your lads out their they will enjoy it immensely.

UNDER 10 HURLING

We took part in the penultimate round of the Waterford City League on Saturday last in Butlerstown with our opening game being against our hosts. At the interval we led by the minimum, the only score of the first half, however our opponents came out with all guns blazing on the restart and quickly took the lead. But all credit to our young players they stuck at their task and with a brace of goals secured victory. Our winning ways continued in our second game against Glenmore.

The final game of the day was against Clonea who were one of the strongest sides we have met to date. Clonea took an early lead and while we managed to reduce the deficit, try as we did we could not breakdown their backline. Nevertheless two wins out of three is good by any standards.

Our panel was Stephen O'Connor, Cian O'Dwyer, Aidan Moloney, Robert Mulligan, Patrick Collins, Brian Looby, Fiona Morrissey, Stephen Fehilly, Sean Daly, Gavin Browne, Lee Mulhearn, Michael Maher, Eimear Fennell, Jack Mullaney, Eoin Bergin and Peter Butler.

SUPER TRIO 2004

To most of you the letters DHL represent the name of a parcel delivery company, but to one club member, who looks after First Aid in the club, it's also his Super Trio combination, which at this stage is joint leader in our Juvenile Committee fundraiser with combination CDL held by a resident of Sea Park. C is Eugene Cloonan, D is Joe Deane, H is Eoin Kelly and L, which is contained in nine of the current top ten combinations, is Henry Shefflin. The Kilkenny man's score of 2 goals and 11 points against Galway brings his tally to 36 points. As the qualifier series progresses more teams are falling by the wayside however seven players from our panel of twelve still remain. Did Eoin Kelly and Eugene Cloonan do enough for their ticket holders before making their exit or will the likes of Paul Flynn and D.J. Carey overtake them? Excluding possible replays there are only six games left, it's going to be close.

ALAN "CHUNKY" RYAN TIES THE KNOT

The very best wishes to Alan "Chunky" Ryan who is getting married to the Ballingarry Queen. None other than Caroline O'Connor. The wedding takes place in Limerick next Friday the 16th of July. The reception takes place in the Castletroy Hotel. We wish Chunky and Caroline a long and happy life together. Chunky will have to limp up the aisle on Friday after picking up stitches in a leg wound playing for the club over the week-

end. We sure Caroline will nurse him back to the best of health.

DAMIAN CLIFFE HEADING FOR WESTMEATH

Yes its true Damian is heading for Westmeath. What, I hear you say Paudi O'Shea is looking for him. No not yet anyway. Damian has just got engaged to Dorothy Cassells a Westmeath lady. Well done to Damian and Dorothy and all associated with the club wish both of you the very best of luck for the future.

JUVENILE FLAG DAY

A reminder that our juvenile Flag Day's will take place on the 17th and 18th of July. Kevin Tobin is arranging this and as usual will be looking for helpers so don't be shy and volunteer to do your bit.

A reunion of the teams which won the Senior Football Championships in 1978, 1979 and 1981 is currently being organised and will take place later this year. For those involved it surely will be a night to look forward to. More about this in the not to distant future.

Ballinameela G.A.A. Club Notes

INTERMEDIATE FOOTBALL CHAMPIONSHIP

On Friday evening last we played the first round of the intermediate football championship against Sliabh gCua in Colligan. Firstly I'd like to thank the Colligan club for flying the national flag at half-mast and the Sliabh gCua club for observing a minutes silence in memory Tom Browne.

Often I have written that a game may have started at a hectic pace, well this one didn't as play in the first half was riddled with mistakes and it was very much stop start for the first thirty minutes. Both sides missed easy scoring chances and it looked as if neither side had played too much football in preparation for this game. The first half ended all square at four points each.

The second half did produce better football as both sides upped the tempo of the game in both pace and effort. Sliabh gCua opened up a two-point lead and the game looked to be going their way but we stayed with it and fought for every ball. Slowly but surly we clawed our way back scoring four points on the trot to leave us leading going into the last ten minutes. Sliabh gCua were not going to leave this one go easily as they attacked in waves putting our defence under a lot of pressure. There was just the minimum between the sides with five minutes remaining and the Tourneena men looked like they were going to get the equalizer but we broke up field and James McGrath put over a much needed score. This left Sliabh gCua needing a goal they pushed on in search of the three pointer but our backs held firm and on another breakaway we kicked over another point to secure the game. The final whistle sounded soon after to the relief of our players and mentors. While we won this game too many of our players under performed with only Robbie McCarthy and Paucic Scanlon playing up to scratch. For the record the final score was 10 points to 7.

INTERMEDIATE FOOTBALL

The Intermediate footballers were in action last Friday night against Ballinameela. It was a very good performance and we were in the match up to the very end, and were just narrowly beaten. We hit the uprights and the crossbar on numerous occasions and this was a telling factor in the result. There seems to be a big improvement this year as we had 99% turnout of players, with the exception of an injury. It is great to see the hurling and football doing so well. There seems to be great give and take between the two sets of selectors and this helps make a united team.

COMERAGH GAELS

We lost out to WIT in the Fraher Field on Sunday evening. We bowed out of the senior championship to a star studded WIT team. For our first year out, we had some christening, playing Mount Sion and WIT as these are two of the strongest teams in Munster.

They stood up to both teams very well. We would like to thank all the players for their sincere dedication, also the selectors and mentors. Looking forward to next year when hopefully the draw will go our way.

We would also like to thank all who contributed to the Sponsorship for the team.

The July meeting of the County Board will take place at Lawlor's Hotel on Monday night next when delegates will be briefed on arrangements, including ticket allocation for the All-Ireland semi-final on August 8th.

The fund raising is for the county hurlers benefit fund and it will be a gala occasion which every club in the county will be asked to support. Details of a second fund raising scheme will also be given to the meeting.

The two Munster championship cups, senior hurling and junior football will be on display at the meeting.

As there is no county board meeting scheduled for August there will be no further meeting of the senior board until after the All-Ireland final.

Generous Gesture By Dublin Supporters Club

The Dublin based Waterford Supporters Club have donated a sum of €10,000 to the hurlers training fund and details of this will be given to delegates at the meeting on Monday

AWARDS

Over the past couple of weeks Waterford players have been named as Award winners in different schemes and it is good to hear that for the third month in a row, a Waterford hurler has been named as the "Vodafone" winner.

On Monday of this week, senior hurling team captain Ken McGrath was awarded the award for June for his performance and leadership in the Munster final. Ken also received the Granville Hotel/ WLR award for the same month and for the same reason.

Dan Shanahan who had already been awarded the "Vodafone" and Granville/ WLR awards was also given The Park Hotel monthly sportsman award for June.

County team manager Justin McCarthy has been awarded the Manager of the Month award by the national sponsors and he has also been honoured by the Tower Hotel

John Clancy R.I. P.

Our very sincere sympathy is extended to the family of the late John Clancy of Home Rule Street, Abbeyside who passed away rather suddenly on Wednesday of last week.

John was an outstanding club hurler with Abbeyside before emigrating to the USA in the late fifties.

While in New York he maintained a strong link with the GAA and as well as playing in the championships there, he was ever a big help to emigrants from the Deise county who sought employment there.

His brothers, Michael, R.I.P., Pete and Ollie also wore the Abbeyside colours with distinction.

A guard of honour was provided by the club at his funeral and a minute's silence was observed in his honour before the Abbeyside/Stradbally match on Saturday.

May he rest in peace.

RESULTS

In the Divisional championships here in the west last weekend, there were wins for Dungarvan (3-8) over Geraldines (1-7) and Ballinameela who defeated Sliabh gCua by 0-10 to 0-7, both in the intermediate football championship.

In Junior hurling Kilgobnet and Clashmore played an exciting draw while An Rinn had a big win over Shamrocks in the same championships.

Senior Football Championship Rathgormack 2-18 Kill 1-4

The men from the other side of the Comeraghs were in mighty form for their game against Kill in the losers section of the championship, when the sides clashed at Walsh Park on Friday evening.

As the final score indicates there was a gap in standards here and Rathgormack were never in trouble.

Kill have now left the championship and Rathgormack will proceed through the losers group.

in Bushy Park. Eight clubs were involved divided into two groups of four with the top two teams in each group contesting the semi-finals.

We lost our first group game to Cois Brid but won our next two against Mount Sion and Naomh Brid to finish runners up in our group. Lismore and Cappelquin came through from the other group with victories over Abbeyside and Portlaw/ Mollerans. We played Lismore in our semi-final and came out on top in a very close game that hung in the balance right until the end.

Cois Brid defeated Cappelquin in the other semi-final. The final was a repeat of the very first game between ourselves and Cois Brid. This time round we were quick out of the blocks and raced into a two goal lead, a lead that we were to never

surrender. Scores came thick and fast but when the final whistle went we were on top on a final scoreline of Brickeys 7 goals Cois Brid 5 goals.

Our juvenile chairman then protested team captain on the day Conor Morrissey with the cup amid scenes of great jubilation.

Cois Bhride Juvenile G.A.A. Club Notes

U-8 HURLING, BRICKEY RANGERS TOURNAMENT

The splendidly appointed Bushy Park was the venue last Saturday morning for the Brickey Rangers U-8 Tournament. Cois Bhride were drawn against home club the Brickies, Mount Sion, and Naomh Brid, while Lismore, Cappoquin, Abbeyside, and Portlaw/St. Mollerans were in the other group. We got off to a good start in our first game v. the Brickies, with goals from Colm Roche(2-1), Will Hogan and Paul O'Mahony giving us a 4-1 to 1-3 win. It got even better in the next match where Jake Beecher was the hero with three goals, and Kelvyn O'Farrell also scored a goal to leave the final score at four goals to nil. Our defenders were well on top in this game. Liam Smith, Ryan Gray, and Jack Tobin in goals were leaving nothing pass them by. Jack Tobin kept another clean sheet in the next game against Mt. Sion where a lovely point from a sideline cut from the stick of Jake Beecher was the highlight of the game. Jake also got two goals, and further goals from Paul O'Mahony, Padraig Roche, Will Hogan, Jordan Farmer, and David Tobin left us comfortable winners by 7-1 to nil. Three wins out of three left us facing Cappoquin in the semi-final, Colm Roche was the top scorer with 2-2, and goals from Paul, Jordan, and Kelvyn saw Cois Bhride emerge winners by 5-2 to 1-1. They had won four out of four, could they win the final? Brickey Rangers were the opposition in the final, and having beaten them in the first round, we were quietly confident that we could do it again. But like a lot of replays, this game was very different, and the action went from end to end. Jack Tobin in goals was playing his heart out, Liam Smith, Paul O'Mahony and Ryan Gray cleared a lot of ball out, and at midfield, Colm Roche and Adam Crawford ran their legs off. Jake Beecher, Jordan Farmer, and Will Hogan were finding it difficult to get scores, and in the end Brickey Rangers won by 7 goals to 5. All the subs, Edward and Billy Hynes, Padraig Roche, John Paul Lucey, Eimear O'Brien, Kelvyn O'Farrell, and David Tobin got a game, and though they were disappointed to have lost the final, they can be proud of the way they played. Special mention to goalie Jack Tobin who had a great tournament, and was a bit unlucky to concede a few goals in the final, but you know something, Jack, you wouldn't have been in that final if it wasn't for you, so well done to you and all the players. Our thanks to the Brickies for their invitation, and they looked after everyone as only they can. Great tournament!

U-16 HURLING Dunhill / Fenor 6-8 Cois Bhride 4-13

As the scoreline suggests, despite scoring 17 times to the home side's 14, our u-16's narrowly lost this match last Monday night away by the bare minimum, and by all accounts were a little unlucky to do so.

To get 4-13 in a match is good scoring, and that total would win most games. This was their second match of the championship which has been rejigged because of the exams, and even though we were given a new fixture list, there is still a doubt as to when their next game takes place. This coming Saturday is the most likely time, but please check with selectors Flor Harnedy, Pat Murphy, Timmy Sheehan, and Dick O'Mahony.

U-16 panel; Sean O'Sullivan, Diarmuid Ahearne, Tom Feeney, John Smith, Gerard Heffernan, Shane Harnedy, Jason Ahearne, Kieran Geary, Ken Kearney, Cathal Herlihy, Sean Casey, Michael Lucey, Barry Moroney, Derek Kelly, Mark Smith, Stephen Power.

MINOR HURLING

Fixtures for the minor hurling championship have been published, and our first match is scheduled for tonight (Wed) versus St. Declan's (Ardmore) in Cappoquin at 7.30 pm. This will quickly be followed by our second match on Sunday next (18th July) at 12 noon also in Cappoquin against Dungarvan. And the next round is fixed for the following Wednesday night 21st of July at 7.30 against Clashmore, also in Cappoquin. We are in the "B" section this year, and we wish them luck.

U-14 HURLING

As I mentioned last week, there was a doubt over the timing of our play-off game v. Clonea due to be played last week. As it transpires we were informed of the fixture only hours before the game was due to take place at 6.30pm down in Newtown (a good hour away), giving the selectors no time at all to make travel arrangements. We informed the Bord of our plight, but now it seems that Clonea are claiming the game. A little bit of fair play wouldn't go astray here now lads. Is this any way to win a game? Our team is very keen to fulfill this fixture, but give us a bit of notice, please!!! Hopefully some common sense will prevail, and this match can go ahead. They have put in a big effort and had a lot of games this year, and it would be a shame to end it on a sour note.

FRAHER FIELD LEAGUES

We have received correspondence from Michelle Power about a very exciting new league which will be taking place in Fraher Field, Dungarvan over the next month or so.

Starting on next Friday morning at 10.30am, mini-hurling games will be open to boys and girls between ages 11 to 13 inclusive (must be born in 1991, '92 or '93), will continue on the next Friday morning 23rd, and the 30th, and also on the 13th of August. All you need to do is turn up before that time with your hurley, helmet, and a packed lunch, and 2 Euro fee, and the games will be picked and played. Michelle says that there will be prizes of jerseys, polo shirts, grips, sliothars, hurleys, and more, and all games will be well supervised. Starting time 10.30, finishing time, 2pm. Sounds like a good way to pass a Friday morning!

Thomas Keane, Secretary County Bord Na nOg, presents the trophy for the Under-12 Div. 11 hurling county final to Naomh Brid captain Eoin Barron following his teams win over Passage East at Dungarvan G.A.A. Club grounds. Included are Pat Grant, County Chairman and Joe Cleary, Secretary. (Rory Wyley)

U-21 Hurlers Defeated In Pairc Ui Caoimh

CORK 0-17 WATERFORD 1-8

At half time in this well contested Munster under 21 hurling semi-final it looked as if we might be qualifying for another provincial final this year when we led the home team by a couple of points, 1-6 to 0-7.

Having played well the visitors were deservedly in front but some astute reorganization of their side enabled Cork to come more into the game in the second half. During this period they added a further 10 points while Waterford managed just 2 white flags in the same period. The Waterford second half collapse disappointed the big crowd who had travelled from the Deise in hope and expectation.

The sides were level twice in the opening ten minutes. John Wall's free taking was paying off for Waterford and the same might be said for Kieran Murphy who kept Cork afloat throughout the first half.

A foul on Paul Kearney saw John Wall blast the ball to the net past a crowded Cork goal line for the only goal of the game.

On the turn over Cork took control and hit over six points without reply in a matter of seven minutes. Fergus Murphy was their danger man and while contributing just one point, his distribution of the ball was a factor in Cork's victory, a result that they deserved following their splendid second half display.

Scorers: Cork - K. Murphy, 0-7 frees, M. Cussen, J. Gardiner 0-3 each, B. Barry, F. Murphy, M. Naughton and D. O'Riordan 0-1 each.

Waterford: J. Wall 1-1, L. Lawlor, 0-2, S. Sullivan, M. Walsh, W. Hutchinson 0-1 each;

Cork - M. Coleman, J. O'Mahony, S. Murphy, K. Goggins, M. Prout, C. O'Connor, R. McGregor, J. Gardiner, K. Harnet, M. Naughton, Kieran Murphy (Sars), Kieran Murphy (Erins Own) B. Barry, M. Cussen, F. Murphy. Subs played - D. O'Riordan, D. Dorris, J. Bowlers.

Waterford - I. O'Regan, D. Coffey, W. Kiely, A. Kearney, K. Stafford, G. Quinlan, M. Mears, W. Hutchinson, L. Lawlor, J. Wall, M. Walsh, S. O'Sullivan, P. Kearney, J. Hurney, P. O'Brien. Subs played - L. O'Neill, S. Walsh, E. Walsh.

Referee: D. O'Driscoll, Limerick.

As in the curtain raiser a two goal margin separated the teams at the end of this very entertaining loser's group game at Fraher Field on Saturday.

Tallow with the help of a strong breeze were a little fortunate in being on level terms with Fourmilewater at the half way mark, but having turned on the style in the second half, they won deservedly and will provide formidable opposition for all comers in the losers section of the championship.

A halftime reshuffle which saw David O'Brien transferred from an attacker to a defender, produced the desired effect.

PLAY

David Spellman opened with a Fourmile point in the 2nd minute and county player James Murray responded in the 5th minute.

Paul Kearney, Paul O'Brien and Aiden Kearney added Tallow scores before Fourmilewater had their second point thanks to their top scorer Shane Walsh.

A Paul Kearney goal in the 18th minute saw the Tallow lead stretched to 5 points but the challengers hit back with a point and a goal from Shane Walsh.

In the 25 minute Paul Kear-

ney had Tallow's final score of this half and when Brian Wall and Shane Walsh responded, the score was level at 1-5 apiece when the halftime whistle sounded.

Second Half

Sean Slattery introduced as a halftime substitute pointed Tallow into the lead in the 36th minute and within a minute Shane Walsh had the teams level again. Shane Walsh and Paul Kearney exchanged points before Aiden Kearney's 46th minute goal sent Tallow into a lead which they never relinquished.

Brian Henley's 22nd minute goal following a long delivery from James Murray widened the gap and in the remaining 10 minutes. The winners were able to hold firm against stiff pressure from Fourmilewater and won deservedly in the end.

Scorers: Tallow - P. Kearney 1-4, A. Kearney 1-1, B. Henley 1-1, J. Murray, S. Slattery, P. O'Brien 0-1 each. Fourmilewater - S. Walsh 1-6, D. Spellman B. Wall and L. Lawlor 0-1 each.

SENIOR HURLING CHAMPIONSHIP

Mount Sion Not Flattered

Mount Sion 2-14 Roanmore 0-7

With a 13 points winning margin, the reigning county champions Mount Sion were not at all flattered by their winning total against a rival opposition who were well out of the race long before the final whistle sounded.

The challengers were within a point of the winners at the break having played with a strong first half wind.

In the second half when Mount Sion turned on the style and the ultimate result became a foregone conclusion.

Scorers: Mount Sion - E. McGrath, 1-3, M. White 0-6, S. Ryan 1-1, E. Kelly 0-3, D. Kelly 0-1. Roanmore - D. Byrne 0-5, D. Murphy and S. Flynn 0-1 each.

Ardmore Best In Close Encounter

SHC
Ardmore 0-19
Lismore 1-14

The huge impact made by county player Seamus Prendergast in this very entertaining qualifying senior hurling tie at Fraher Field on Friday evening can be measured by the fact that he scored a dozen of his side's 19 points. Lining out wearing the number 11 jersey, he played a roving game and always seemed to be in the right place at the right time and scored some delightful points.

Brother Declan was rock solid and outstanding in defence and he too made an excellent impact. But this was not a one man or two man show as far as the winners were concerned and others to catch the eye were goal keeper Clinton Hennessey who made two brilliant saves at a crucial stage, Michael Supple at full back, Maurice O'Connor, Wayne and Cathal Hennessey, Conor O'Connor, John

O'Donnell, etc.

On the Lismore side big Dan was once again their outstanding player and contributed six points to their total. Like his county team colleague he adopted a roving commission in an effort to overcome the inadequacies of a number of the Lismore players.

Overall, Lismore who took the field as favourites must feel disappointed with their display as at no stage did they take control of the game. Dave Bennett who began at full forward and moved outfield, had an 'off' day and had six or seven wides from placed balls. Shane Kearney, David Howard, Brendan Bennett and John Hennehan were among the players who were prominent.

Lismore will now attempt to get back into the championship through the losers section while Ardmore who are undoubtedly

an improving side and could be described as emerging challengers for a senior hurling title in the future, will play Ballygunner

Lismore are due to meet neighbours Ballyduff.

The Game
The pattern of scoring was absolutely amazing in that the sides were level on no fewer than 10 occasions during the game. In fact they were on level terms on seven occasions at 0-7 each by the 20th minute. Fourteen scores in 20 minutes must be close to a record.

Play opened with John Hennessey and John Heneghan exchanging points, Seamus Prendergast and Dave Bennett doing likewise. This was repeated when Seamus Prendergast and Dan Shanahan each pointed and then Maurice O'Connor and James Shanahan exchanged scores. Seamus Prendergast and Dave Bennett made it five points each and the same two players made it 0-6 each before James O'Donnell and Dan Shanahan brought the tally to 0-7 apiece. Seamus Prendergast had Ardmore's 8th point in the 25th minute before Brendan Bennett struck for the only goal of the match to put Lismore ahead by 1-7 to 0-8 in the 26th minute.

By halftime Lismore had extended the lead to 4 points and it seemed at this stage that the pre match prediction would be justified.

Secone Half

A slight breeze favoured Ardmore and two Seamus Prendergast points narrowed the gap to two points. The tit for tat scoring pattern continued up to the

47th minute when a Seamus Prendergast point brought the teams level once more at 1-12 to 0-15.

An exchange of points had them level in the 50th minute.

A Seamus Prendergast point took Ardmore to the front in the 55th and a minute later Dave Bennett brought the teams back to parity.

Approaching full time a draw looked to be on but with additional time allowed for an altercation which took place some minutes earlier, man of the match Seamus Prendergast sent over two points from frees to decide this very entertaining and quite exciting contest.

Scorers: Ardmore - S. Prendergast 0-12, M. O'Connor 0-3, J. O'Donnell 0-3, J. Hennessey 0-1. Lismore - D. Shanahan 0-6, D. Bennett 0-4,

B. Bennett 1-1. J. Heneghan, P. Prendergast J. Shanahan 0-1 each.

Ardmore - Clinton Hennessey A. O'Brien, M. Supple, M. Hennessey, C. O'Connor, D. Prendergast, R. Hennessey, W. Hennessey, Cathal Hennessey, J. O'Donnell, S. Prendergast, N. Hennessey, N. O'Brien, J. Hennessey, M. O'Connor.

Lismore -B. Landers, A. Whelan, M. O'Sullivan, S. Kearney, P. Howard, J. O'Connor, W. Cunningham, P. Prendergast, D. O'Gorman, D. Shanahan, D. Howard, J. Shanahan, J. Heneghan, D. Bennett, B. Bennett.

Before the game a minute silence was observed as a mark of respect to the late Mrs. Kathleen Keane, wife of former Ardmore club chairman, John Keane.

Junior Footballers Play Lancashire In Manchester

History will be made over the coming weekend when Waterford junior footballers travel to Britain to play the semi-final of the championship versus Lancashire. It will be the first occasion on which a Waterford team will have played a championship game outside the Republic.

Because of holidays and other interruptions, the panel of 24 will have to travel without a number of their first fifteen and according to our information, players not available will include Ciaran Whelan, Nial Barry and John Power.

It is unfortunate that this should be the case for such an important game and anything that might weaken our prospects of getting to the All Ireland is regrettable.

The team party will travel to Dublin on Friday and fly to Manchester on Saturday for the evening fixture. They will return on Sunday. The group will be led by Eastern board Chairman Paddy Walsh and Munster Council delegate Tommy Hennessey who will travel as county board representatives.

Munster All-Stars

Now that both provincial senior finals have been decided, we can look forward to the naming of the Munster All-Stars in both codes.

This innovation, proposed by chairman Sean Fogarty is likely to be confined to performances in the Munster championships and it is unlikely that 'Qualifier' games will count.

Following their three splendid wins over Clare, Tipperary and Cork, Waterford will expect to have five or six players on the team and there will be disappointment if this does not happen.

Senior Football Games Cancelled

Because of the fact that so many players are involved with the county junior team travelling to Manchester, the full range of senior football championships scheduled for the weekend, have been cancelled and will be refixed.

SENIOR HURLING TEAM NEWS

All through last week there has been talk about the John Mullane appeal against the one match ban, which, if imposed, will keep the De La Salle ace out of the All-Ireland semi-final on August 8th.

There are different points of view about the merits of the appeal and the odds against it being successful are not very encouraging.

In the meantime things are going well in training and there are no reports of problems. Over the weekend the majority of the panel were in action in the club championship and all came through without injury.

On Friday of this week, the panel will travel to Belfast for a weekend and among other things will play Antrim in Casement Park in a practice match.

An announcement about stand tickets is expected to be made within the next week. As usual all tickets will issue through clubs where preference will be given to membership card holders.

The Sunday Games

The massive television coverage of gaelic games over the weekend, certainly kept the armchair supporters glued to the set. In the Cork versus Tipperary 'Qualifier' the exchanges were hectic in a fight to the finish for survival in the championship. Cork were the survivors and will meet Antrim in the Quarter final.

The Kilkenny versus Galway tie on Sunday evening showed the reigning All-Ireland champions back at their very best and laying down the gauntlet for all comers. The 'Cats' gave an exhibition of hurling that in effect served notice that they are prepared to defend their title to the death. Kilkenny will play the winners of the Clare/Offaly tie in the quarter final.

Next Weekend Games

A light programme in the Western division will see Kilrossanty in action in junior hurling against Tourin and Abbey-side versus Stradbally in the second string of the same championship. Both matches on Friday evening.

On Saturday at Fraher Field, Tallow will take on Old Parish in junior football.

Long Puck Competition

At 6-30 p.m. on Saturday at Fraher Field, the county 'Long Puck' competition will be open to all who fancy their ability to strike the sliothar a fair distance.

All clubs are invited to be represented.

Kilrossanty Qualify For Co. Semi Final

Kilrossanty (above) who beat John Mitchels (below) 0-12 to 1-3 in the Co. Senior football championship.

SENIOR FOOTBALL CHAMPIONSHIP Kilrossanty 0-13 John Mitchels 1-3

This was an extraordinary game between the two clubs from the same parish, in that the Mitchels who were the 'break away' side, raced into a 1-3 lead by the 15th minute and before Kilrossanty had opened their account.

At this point the Mitchels who are the 2003 intermediate county football champions looked set for a place in the county semi-final as Kilrossanty were on the defensive for the opening 20 minutes.

But amazingly, the 1-3 scored by the challengers turned out to be their final tally as they were held scoreless for the remaining 47 minutes by their neighbours who did not open their account until the 25th minute and then shot three points on the trot to leave them just a single point in arrears at the break. The Mitchels did not score again during the game and Kilrossanty went on to add a further 7 second half points.

PLAY

David Kirwan had a second minute opening point for Mitchels and John Power followed with a second in the 10th minute. A minute later Nial O'Connor scored the only goal of the game and in the 15th minute Dave Kirwan raised their third white flag for what was to be their final score of the game.

Kilrossanty then took over and points by Ciaran Keating (2), Brian Lennon, Matty and Jack Kiely had them almost on terms at the break when it was 1-3 to 0-5.

SECOND HALF

From the start the challengers were fighting a losing battle as Kilrossanty continued to dominate and pile on the pressure. Scores by Joe Veale (4 points), Brian Kirwan (3) and Jacko Kiely put the winners in an unassailable position coming to the end of the game which saw Kilrossanty into the county semi-final.

Scorers: Kilrossanty - B. Lannon, 0-4, J. Veale 0-4, C. Keating 0-2, J. Kiely 0-2, M. Kiely 0-1; Mitchels - N. O'Connor 1-0, D. Kirwan 0-2, J. Power 0-1.

Stradbally on Top in Entertaining Clash

Stradbally's George Walsh is well policed by Abbeyside's Gavin Breen.

This was a tie in which the stronger side led by intercounty player Michael (Brick) Walsh came out on top following an entertaining contest in the first of two senior hurling games at Fraher Field on Saturday evening.

After a very even first half, Stradbally held a one point lead, 1-5 to 0-7 and even though Abbeyside were required to face the breeze in the second half, a surprise result did not look to be out of the question.

Abbeyside fielding without half a dozen of the team which won them the intermediate county title last year did well in the circumstances, but are now left facing a relegation battle.

Stradbally free from the threat of relegation can proceed through the losers group

PLAY

Paddy Kiely opened with a point for Stradbally and Michael Walsh hit another minor in the 3rd minute.

Mark O'Gorman pointed two frees to level the game by the 8th minute. Stephen Cunningham and Mark O'Gorman exchanged points before Abbeyside took a 16th minute lead after M. O'Gorman made it 0-4. Shane Briggs and Michael Walsh exchanged scores and a 20th minute point by Michael Enright put the challengers two points ahead.

Then a 22nd minute goal by Paddy Doyle put Stradbally into the lead and this was followed with Michael Walsh's third score of the half. Mark

O'Gorman pointed for Abbeyside to leave the minimum between the sides at the break.

SECOND HALF

A point by Shane Briggs in the opening minute brought the sides level, but there followed three Michael Walsh points. Michael Enright and Michael Walsh exchanged points to leave the score at 1-9 to 0-9 in the 14th minute a minute later a Doyle goal for Stradbally was followed with points by John Coffey and D. Doyle. The 8 points leads was reduced to four within 4 minutes after Mark Fives pointed and Michael Enright struck for a goal. However the final two scored saw Paddy Kiely and Michael Walsh extend the winners lead to 2 clear goals.

Scorers: Stradbally:- M. Walsh 0-8, D. Doyle 1-1, P. Doyle 1-0, P. Kiely 0-2, S. Cunningham, J. Coffey 0-1 each. Abbeyside: M. O'Gorman 0-5, M. Enright 1-2, S. Briggs 0-2, M. Fives 0-1.

Senior Hurling Championship - W.I.T. 1-15 Comeragh Gaels 1-7

This was a very entertaining game in the losers group between the College team, Waterford Institute of Technology and the Western Group team, Comeragh Gaels comprising players from Colligan, Kilgobnet and St. Mary's.

While the contest produced the expected result, all credit to the Western combination for a

splendid effort against a side which included Mike Jacobs, Paul Curran and Ollie Moran.

At the halfway stage the college team led by 1-8 to 1-3, the goals having come from Anthony Owens and Mark Flynn.

In the second half, the winners were more in control and added a further seven points as

SENIOR HURLING CHAMPIONSHIP

Ballyduff Survive in Thriller

BALLYDUFF EAST 1-14 DE LA SALLE 1-13

Because county player John Mullane is such 'hot' news at the moment, there was unusual interest in this game played at Walsh Park on Saturday evening, but for whatever reason supporters went to the venue, they certainly got value for money with the game, a thriller by any standards, going 'down to the wire' before being decided in favour of Ballyduff.

De La Salle were forced to field without county goalkeeper Stephen Brennar who is injured and while this might lead to speculation as to what might have been if he had been fit to play, it must be conceded that substitute keeper Stephen Kelly had little chance of stopping the goal scored by Pat Mathews in the 10th minute.

John Mullane contributed 1-4, a total which might have been greater if the ace forward had enjoyed a better supply of the ball. County minor James Quirke had four points and Brian Phelan also played very well.

For Ballyduff, Jack Kennedy scored 0-4 and had a splendid hour.

De La Salle now go into the losers section. Scorers: Ballyduff - B. Power, 0-5, J. Kennedy 0-4, P. Mathews 1-0, C. Kenny, 0-2, N. Power, S. Larkin and P. Fitzgerald 0-1 each. De La Salle - J. Mullane 1-4, J. Quirke 0-4, D. McGrath, 0-2, P. Nevin 0-2, L. Hayes 0-1.

WEST WATERFORD ATHLETICS NEWS

Minnies Beginners League A Huge Success

The first Annual Minnies Bar Beginners League at St. Augustine's College came to an end last Tuesday week after two months of the competition. There were well over 100 runners in total registered for the league with an average of 60 to 70 running each evening. Most of those who took part were new comers to running and they are to be congratulated for their efforts and their determination to complete what ever their particular goal was. Weather it was to run one lap or to run 3 laps, we all had our goals and most achieved theirs with flying colors.

Getting people active and running was the idea of the league from the outset, and with this in mind it must be said that it was an outstanding success and testimony to this was our Annual Dromana run last Friday when many of the Minnies League crew came along and ran in their first race on that night. If it was suggested to them at the start of the league in May that they would be running a 5 mile road race two months later they would

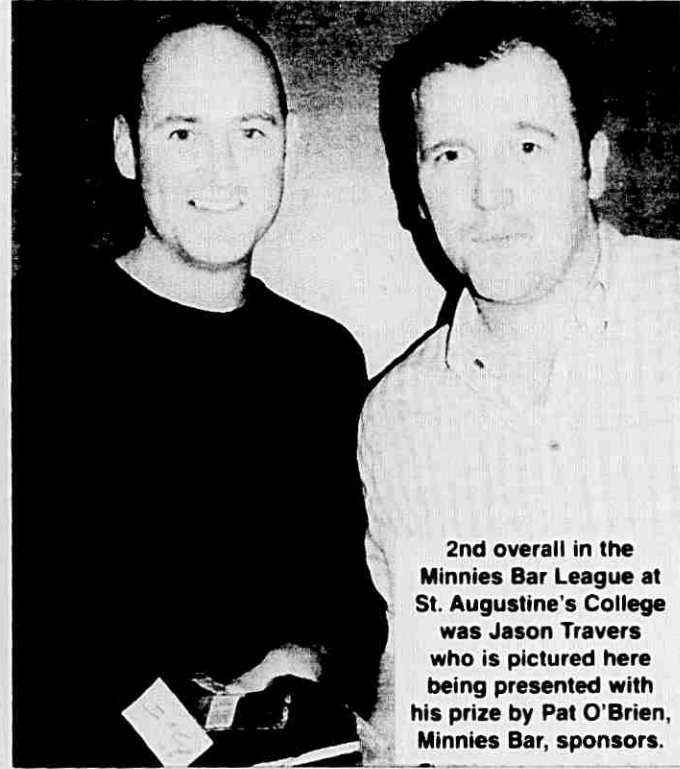

have said not possible, but they have now proved to everyone that anything is possible and most of all they have proved it to themselves that it could be and has been done. Our wish now is that they will keep up the good work started and continue to run and realise even from a health point of view the rewards that running has to offer us all.

Thanks to our sponsor of the event Pat O'Brien and the O'Brien family of Minnies. This was our first venture with Minnies and it was a successful one. Pat at the presentation of prizes announce his commitment to sponsoring next years event and the club are delighted with this gesture. Minnies also provided all with plenty of nice food at the presentation, which was most appreciated.

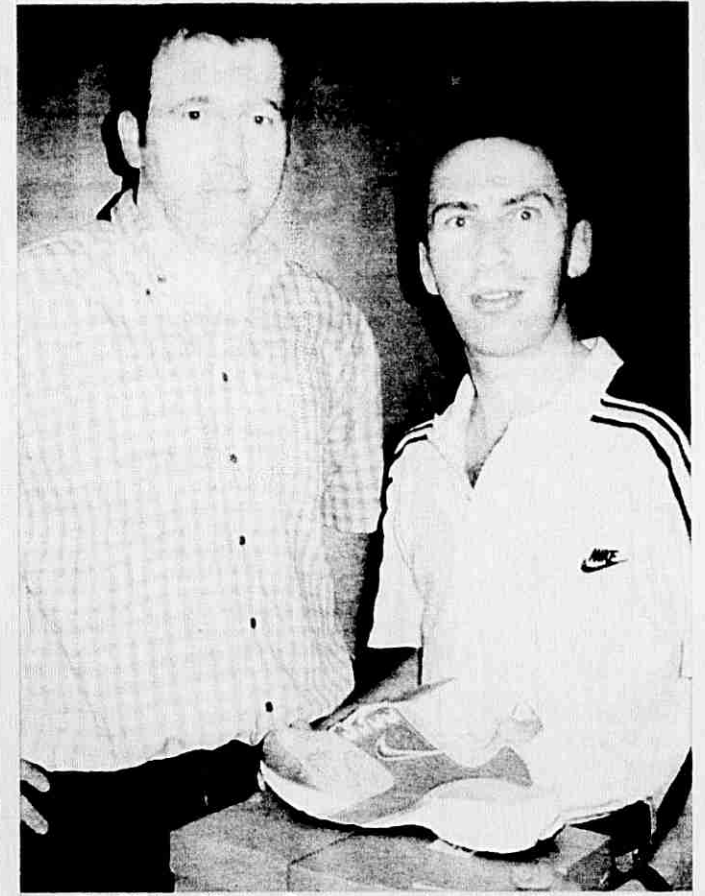

The club would like to congratulate all 18 prize winners for making the effort to be present at the awards night in Minnies. It's not too often that we have a full attendance, but it is important to recognise our sponsor by turning up for these presentations, so for the 100%

turn out well done to all. A pair of Nike Pegasus were raffled among all those present on the night if they had completed 6 or more night's of the league and the winner of these was Johnny O'Connor, (hope the size was alright for you Alice.) We would like to thank St. Augustine's College for once again having their grounds

available to us for the league, what would we do without the Friary I ask. To Tony, Mary Rose, Norma, Noel, Laura, De-lores, Denise, and all who helped in anyway over the two month's our thanks to you. Finally thanks to Mick for looking after the tables each week, making the workload easier for the P.R.O.

2nd overall in the Minnies Bar League at St. Augustine's College was Jason Travers who is pictured here being presented with his prize by Pat O'Brien, Minnies Bar, sponsors.

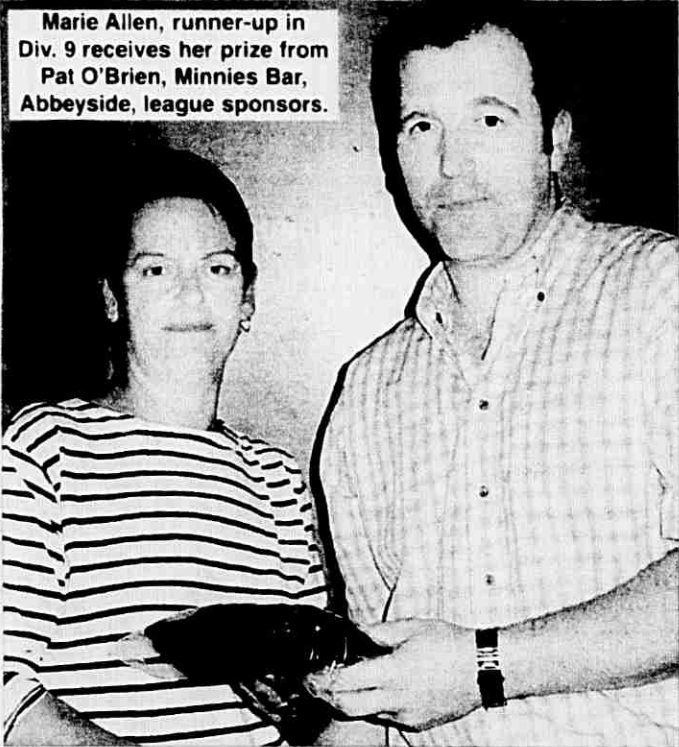

Pat O'Brien, Minnies Bar (sponsors), presents the overall winner Kevin Kenneally with his prize at the presentation of the league prizes at Minnies recently.

KEVIN KENNEALLY TAKES THE TITLE

The very first winner of the league in it's first year was a young man from just up the road in Ballinroad that's Kevin Kenneally. Kevin never missed one single night of the league and was a popular winner. As some one once said the talent is out there but just to find it. Well we certainly have found a talented young man in Kevin who was never outside the top 3 any night with one win, 3

seconds and 4 thirds to his credit taking the title with a total of just 19 point's. Second in division one was yet another great talent, except we all knew of this one, that's Jason Travers. Jason who comes from a long line of the Travers family all of whom at some stage of their life were involved in athletics and along with Jason, his brother Damien and sister Pauline and Deirdre all participated in the league. His total finishing points tally was 34.

See final league tables over on next page.

Marie Allen, runner-up in Div. 9 receives her prize from Pat O'Brien, Minnies Bar, Abbeyside, league sponsors.

Muriel Ni hAodha, winner of Div. 9 receives her prize from Pat O'Brien, Minnies Bar, Abbeyside, league sponsors.

A quality T-shirt and goodie bag will be presented to all finishers, with numerous spot prizes to be raffled among all non prize winners for both walkers and runners. This race is one not to be missed and is now well established as one of the best 5 mile road races anywhere in the country.

The organising committee at GlaxoSmithKline led by Michael Dwyer and Dermot Dwyer are expecting a very large field and they remind us that, all are invited to come along after the race to the presentation of prizes at Dungarvan Soccer Club Pavilion (by kind permission) for teas and sandwiches.

THE CRYSTAL -V- THE GLAXO

A new duel has been laid down for Friday nights race, Glaxosmithkline and Waterford Crystal employees will do battle over the 5 mile race. This is a new arm to this race and will be an interesting battle for the honour of interfirm champions in this particular event. One under the belt comment has already been made when an employee of Glaxo suggested that they already have a huge advantage as they have an abundance of youth in their side? When this was relayed to an employee of the Crystal he answered ye but you can't beat the experience that we have going for us and there's plenty of it. Well it's a hard one to call the Crystal outfit will be looking for big performances from Gerry Cantwell and O'Connor, Anthony Dwyer, Seamus O Droma and Manahan, Finbar Kelly, Ann Whelan and Dunford, Gearoid Fraher, Joe Salmon, Michael Cooney, Liam Moore, just to mention a few.

The so called young guns of Glaxosmithkline will be looking to Damien Travers, Dermot and Michael Dwyer, Martin McCarthy, Alan Phelan, Kieran Russell, Toby Bedell, Dorothy Cassells, Laura Hogan, etc. The big breaking news during the week is that GlaxoSmithKline now have Shane Power in their line up, (good move from them). Much discussion took place at the clubs long run on Sunday morning about the two teams and already the cat has been thrown among the pigeons, when an employee of the crystal asked the question as to whether Johnny O'Connor and Alban O'Donoghue were eligible to run for them, well they work in the Crystal Factory fair enough but are they actually employees of Waterford Crystal? We will leave that one for the officials to solve.

SPEED TRAINING FOR ALL

Tony's speed training sessions are now so popular that the group has to be split in two. We will continue with our usual Wednesday nights at St. Augustine's at 7.30 p.m. for those who prefer that night. We will also be traveling to the R.S.C. in Waterford for a session on Tuesday nights leaving from St. Augustine's College at 6.30 p.m. sharp. Just a reminder also that the club weekly long run is now very popular among all the members with big numbers leaving the Crystal Centre every Sunday morning at 9.30 p.m. sharp. All are welcome to come along to any of these sessions.

THE FINAL CALL

Our bus to the Churchtown South 5 is almost full. If you intend travelling on and haven't put your name down it please contact Tony Ryan today.

IT'S A BOY

All at the club wishes to send heartiest congratulations to Siobhan and Gary McCormack on the birth during the week of a son.

WEST WATERFORD ATHLETICS NEWS

THE ANGLO CELTIC 100KM RACE

Ray McConnell On Irish Team Which Wins Bronze

West Waterford Athletic Club are proud to have an ultra distance athlete of the caliber of Ray McConnell in its ranks. These athletes of steel, cover distances in one run that many of us wouldn't cover in two weeks training.

His latest venture was the Annual Anglo Celtic 100km race in Cardiff, Wales. With teams from Ireland, Scotland, England, Northern Ireland and Wales competing in the event which is now in existence for 10 years.

Sam was having a crack at the Irish record in this event but alas it wasn't to be on this occasion. He was still the first Irish man to finish with Ray the second in a time of 9 hours and 7 minutes with Pascal 20 minutes behind Ray.

The weather was mixed in the words of Ray with the first half of the race being very warm and sunny, then torrential rain followed by heavy showers a real mixed bag and it took its toll on the race with many runners not making it to the finish line.

100 kilometers is a hard distance to race says Ray who likens it to a marathon in many ways where as soon as the gun goes off there is no room for error and no time to recover if you hit the wall or have any problems on route.

NIKE FOOTGAUGE ANALYSIS

The Nike footgauge analysis expert will be at the Glaxo-SmithKline 5 mile road race on this Friday night. He will also be available the following day at Ger Wyley Sports Shop on this Saturday to give expert analysis on the proper footwear to suit each individual runner or walker.

Fourmilewater G.A.A. Notes

UNDER-14 SEMI-FINAL

Fourmilewater U-14's beat St. Olivers in the county semi-final in Cappoquin on Wednesday night last on a scoreline of 5-10 to 1-0 and have qualified for a county final on this Saturday when they will play the winners of the Ferrybank-Kilrossanty semi-final. This match will be played in Fraher Field.

The semi-final started with Fourmilewater playing into the road goal. There was no score for the first 9 minutes until Darren Guiry got his first of four goals. The same player scored a further 1-2 in the next three minutes. Thomas Walsh got a point in the 17th minute. Darren scored another goal and a point. Keith Guiry got a goal and James McGrath ended the half with a point.

Halftime - Fourmilewater 4-6 St. Olivers 0-0

The second half was a quiet affair with Fourmilewater adding 1-4. A goal from Darren Guiry and points from Tom Walsh (2), James McGrath and Graham Guiry. St. Olivers scored in the last minute to the leave the final score 5-10 to 1-0. This panel has improved no end. The twice weekly training sessions by Billy, Thomas, and the Lawlor brothers has paid off and has given us a place in the County final.

The whole 17 players did well last week. Goalkeeper

John Fenton had a quiet night, but did what he had to! Damien O'Donnell, David Fitz and Alan McGrath did nothing wrong. JP Fitzgerald was in control at centre back and Shane Whyte continues to improve at wing-back and was solid throughout. Shane Ryan, Paudie Cooney, Niall Morrissey, Eoin Connolly, Pa Horkan and Diarmuid Murphy all played their part.

Team: J Fenton, D O'Donnell, D Fitzgerald, A McGrath, JP Fitzgerald, S Whyte, T Walsh, G Guiry, P Cooney, J McGrath, S Ryan, D Guiry, K Guiry, N Morrissey, E Connolly, P Horkan, D Murphy.

The match was well refereed by Tom Mansfield (Affane/Cappoquin) who was making a welcome return to the whistle.

MINOR FIXTURES

The following are the upcoming minor fixtures. Stradbally v Fourmilewater in Bohadon on 18th of July. Cappoquin v Fourmilewater in Colligan on 21st of July; An Gaeltacht v Fourmilewater in Bushy Park and St. Olivers v Fourmilewater. We are defending champions so we will have to work hard to retain our title.

U21 HURLING

Hard luck to Liam Lawlor and Shane Walsh, who were on the under 21 panel who last to Cork last Thursday night on a

scoreline of 0-16 to 1-8. Both players did their very best.

SPEEDY RECOVERY

Here's wishing a quick return to action for two of our best players, Aidan Walsh and Martin Walsh, who are out of action at the moment!

FOOTBALL

Well done to the Nire football club, who did so well in Tyrone and did the county proud. This was a personal triumph for Paddy O'Grady, who has been involved for years with underage games.

MUNSTER CUP

The Munster Cup was on display in Ballymac on Sunday night last. It was the second time in two years, so we're getting used to it. Music was by the Sliabh Gua Ramblers with lead singer Paddy Joe Ryan strutting his stuff. Paddy Joe put on powerful performance. He is fast becoming the Joe Dolan of the Deise. Mickey Joe Harte, eat your heart out!!

BACK IN THE COUNTRY

Good to see Tony Condon back in the country again. As I said last week, his van was well decorated. While he was away the blue flag looked well from the road. It was a bit of a tourist attraction. With people coming from as far away as Newcastle to see it. It's like something from that Roddy Doyle book "The Van!"

TOWER HOTEL WATERFORD EXCELLENCE AWARD FOR JUNE GOES TO JUSTIN MCCARTHY

Pictured at the presentation of the June nomination for the 2004 Tower Hotel Waterford Excellence Award were (l-r) Gabrielle Cummins, Head of News, Beat 101-102FM and member of the judging panel; Waterford Senior Hurling Manager and June nominee, Justin McCarthy; Michael Skehan, General Manager, Tower Hotel, Waterford and Paddy Joe Ryan, Chairman, Waterford County Board GAA.

Photo by-www.gerryocarroll.com

Waterford senior hurling coach Justin McCarthy has been presented with the Tower Hotel Waterford Excellence Award for June having guided Waterford to a second Munster title in three years.

McCarthy, who is now focused on preparing the team for an All-Ireland semi-final appearance on August 8, has been credited with fostering a new wave of hurling talent as well as bringing a new focus and determination to the Waterford panel which is now considered among the strongest ever to have represented the county.

As a player with Cork, Justin played at senior level for 10 years and won three Munster senior hurling championships and an All-Ireland senior hurling title (in 1966 when he was Hurler of the Year) as well as three National Hurling Leagues (1969, 1972 and 1974), two Railway Cups (1968 and 1969) and various other provincial and national honours at Under-21 and Intermediate level.

It is though perhaps as a coach that he is best known having guided Cork to an All-Ireland senior title as well as four Munster senior hurling championships. He also led Clare to two National Hurling League titles and Antrim to an Intermediate All-Ireland title. In addition, Justin has had coaching success at club level in Cork and Tipperary and managed Munster to Railway Cup success.

His book *Hooked: A Hurling Life* published by Gill & Macmillan and co-written with Kieran Shannon is widely regarded as one of the best books ever written about Gaelic Games and has won particular praise for its forthright directness.

Presenting the award to the hurling coach, Michael Skehan, General Manager, Tower Hotel Waterford said that Justin and the entire backroom team deserve a great deal of credit for their work with the players who turned in tremendous winning performances against Clare, Tipperary and Cork to regain the Munster title having earlier reached the Allianz National Hurling League final.

"While they are now rightly concentrating on the challenges ahead, the Waterford hurlers have brought huge joy to the entire city and county with their exploits on the field this year and an obvious highlight came on

June 27 in Thurles when - in what was one of the best provincial finals for years - they overcame Cork to secure the county's second Munster championship in three years.

"For too long, Waterford was starved of hurling success and the trophy-free years have only served to increase the appetite among supporters. The atmosphere around Waterford is excellent at the moment and the success of the hurlers has given everyone a real lift. The professionalism and focus that Justin has brought to the Waterford set-up has played a key role in helping the team become winners. He has also helped to bring on a new crop of hurlers to play alongside some of the more experienced players and this mix has delivered results."

Accepting the June award at a reception in Tower Hotel Waterford, Justin said he was "greatly honoured and surprised" to receive it. "This is something I would not have expected, particularly being an outsider coming to Waterford. It is fantastic to receive this from another county and indeed from the Tower Hotel Group."

Established in 2003, the Tower Hotel Waterford Excellence Awards are designed to recognise excellence and achievement in six categories: Politics and Public Affairs; Business; Sport; Education; Arts, Culture and the Media and the Voluntary and Community sector.

The independent judging panel consists of Gabrielle Cummins, News Editor, Beat 102-103; Peter Doyle, Editor, Waterford News & Star; Paddy Gallagher, Editor, Waterford Today; Liz Reddy, News Editor, WLR fm and Kieran Walsh, Editor, The Munster Express.

In addition to the 12 monthly awards, the hotel will host a dinner early in 2005 at which an overall winner for the current year will be named and 2004's achievements recalled in a video presentation. The overall winner in 2003 was the Minister for the Environment, Heritage & Local Government, Martin Cullen TD while the Carrick-on-Suir River Rescue Team; Eurovision contestant Chris Doran; world record-breaker Jimmy Payne; charity fundraiser Donal Jacob and Eamonn McEneaney of Waterford Treasures at the Granary won the previous monthly awards in 2004.

THE WLR FM/GRANVILLE HOTEL G.A.A. AWARD

The WLR fm/Granville Hotel G.A.A. Award winner for the month of June is Mount Sion and Waterford senior hurling Captain Ken McGrath. Ken played a captain's role in his newly acquired position of centre back, by leading Waterford to their 7th Munster crown and this teams second. Ken led Waterford to probably one of the best Munster hurling final wins ever by any team or county.

All Ireland Title And Championships Best Performance For Siobhan Brackett

The All Ireland Juvenile 14-19 championships were held in Tullamore last weekend. Siobhan Brackett competing in the first event of the day got off to a great start clearing 2.49m in the girls pole vault Under-16 to take the gold medal and set a new championship best mark. In the Under-18 event Suzie Lonergan took silver and Una Power was one place behind taking the bronze.

In the 100m Eimear Scanlon was drawn in the fastest heat and ran through to the final where she finished in 8th place. This was a much improved run in her performance in Munster where she finished in 4th place. Colleen Hayes improved in both hammer and discus to record personal best performances. Her hammer throw of 28m put her through to 5th and she finished 6th in the discus. Aisling O'Connell also showed improved form when she finished 5th in the 3000m walk. Mark Shalloe found the pace of the 1500m tough and though he was up with the leaders in the initial laps, he was caught for pace in

the last lap and finished 10th. Deirdre Duff ran a good race in the Girls U17 race and she is edging closer to breaking the 5 min mark for this event.

On Sunday the pole vaulters and walkers were again in action early on. Mark Bannon started well in the pole vault but had difficulty clearing 2m 80 and had to settle for the silver medal. Patrick Palmer was unlucky in the Boys walk showing much improved technique, he walked strongly but was just outside the medals when he finished in 4th place. Kevin Harty was also just outside the medals when he finished in 4th place in the Under-12 triple jump. In the

Bronze For Lorraine McCarthy

Under 17 discus Eadaoin Ashe improved on her personal best with a throw of 26m 30 to finish in 6th place. Mark Shalloe showed improved form in the 800m to finish strongly in 5th place. Our only medal on the track on Sunday was won by Lorraine McCarthy when she finished 3rd in the Under-14 800m. Staying wide and out of trouble for most of the race she came with a strong finish off the last bend to just take 3rd and collect her first individual All Ireland medal.

ZOE, LISA AND DAVID OFF TO TULLAMORE

On Sunday next it is the turn of the younger athletes. Zoe Scanlon will be defending the ball throw title she won last year. Lisa Houlihan will compete in the high jump and

FRIDAY JULY 9TH 2004

Punters Show A Profit

Dominating last Friday nights ten race card were the three first round heats of the Donald Murphy Fencing Services 730 Yard marathon stake where the punters correctly selected the winner of all three races. The William Roche owned Billys Trail (Smooth Rumble-Desert Belle) 5/4 to 4/5 was all the rage in heat one and the jolly duly delivered in a smart 41.02. Now in the care of trainer Peter Brady Billys Trail wasn't hanging around at the start as he darted into the lead ahead of a close running Savana Twister. Oldinn Tina took up the challenge down the backstretch but Billys Trail kept on strongly up the rails to beat Oldinn Tina by four lengths.

Heat two is easily described as the Ballydogers Syndicate owned and Derek Kehoe trained Sin Sin Amy (Mustang Jack-Charity Amy) 1/1 made every post a winning one in 41.29. Racing into an early lead over Determined Irish Sin Sin Amy repelled all raiders up front before going right away for a cosy six lengths win over Determined Irish.

Having her first outing over the 730-yard trip the Michael Conway owned and Leo Dunphy trained Prestige Dympna (Droopys Vieri-Springmount Dame) made the transition to marathon racing with ease leading all the way in 41.35. Scampering into an early lead over Creighmore Black the well supported Prestige Dympna 4/1 to 1/1 maintained a strong gallop at the head of affairs to run out a deserving two and three quarter lengths winner of the third semi final from a running on Kiltrea Merrick.

The opening novice contest went to the Autumn Kennels syndicate owned and Michael Power trained Autumn Hill (Marshals Hill-Tax Enquiry) this well backed 4/7 favourite making the entire running for an easy 29.10 victory. A rails seeking Aine Dubh gave chase throughout but a determined Autumn Hill kept going in fine style up front to win out by four lengths. This victory for Autumn Hill was a first for sire Marshals Hill who stands with Marie and Billy Roche. Indeed Marshals Hill picked up an award at the Clonmel Show the previous weekend for the "most alert" dog at the South Tipperary venue.

Half of Carrick On Suir travelled down to support the James John O'Neill owned On A Bender in the second novice contest and this November 2002 son of Droopy Woods and Mahogany Choice came from a near impossible position to land a gamble in 29.64. With the favourite being knocked about at the start and at the first bend the early paced Sparta Smokey kicked into an early lead. Running down to between the final two bends Text Me Later joined issued up front with Sparta Smokey. Text Me Later kept wide at this point and Bean There also joined in the action forcing the leaders wide off the home turn. On A Bender 2/1 to 1/3 was in full flight at this point and securing a clear run on the fence On A Bender sailed into the lead to beat Sparta Smokey by a length. The amount of money wagered on the Damain Quigley trained winner suggests that he can go somewhat faster than his return of last Friday night.

In a 300 yard dash Treacypark Flyer took over in the lead from a fast starting Brandy Mist but showing plenty of early pace after a slow start the Bobby Redmond and John Dunne owned Minimum Strip (Droopys Kewell-Minimum Wage) 2/1 cruised into the lead on the fence to power clear for a two and a half lengths win over Treacypark Flyer in 16.61.

Treanaree Rebel showed up well in the early stages of the fourth but the early paced Persistent Magic was soon at the head of affairs. The leader tired off over the final two bends however as the always-prominent Dysert Ralph (Moyne Rebel-Droopys Nancy) 2/1 stayed on best to beat a running on Failte Honcho by half a length in 30.00. Dave Maltby Baker trains the winner for Clive Walsh.

Monmahogue Ned (Jamaican Hero-Monmahogue Rose) 1/1 finally opened his account from trap one in the fifth contest leading all the way for owner Jim Walsh and trainer Jude Hennessy. Firing himself clear from trap one "Monmahogue"

cruised into a handy lead over Gallows Miller before breezing in all of five and a half lengths clear of Gallows Miller in a best ever 29.33.

The final two winners of the night were both trained in County Wexford and both recorded the identical winning time of 28.94.

In the eight contest the luckless Sparta Rebel made a brave bid to lead all the way but the Tom Reynolds owned and Catherine Redmond trained Top Charm 6/4 ran a cracker from trap one to land the spoils in a career best time. Remaining glued to the rails Top Charm saved valuable ground on the turns as Sparta Rebel lost ground coming wide into the home stretch as a strong finishing Top Charm went on to triumph with something to spare by two and a half lengths.

The final race of the session was a thrilling affair with victory going to the Sean Stafford owned and Liam Butler Jnr trained Dixies The Best (Toms The Best-Dixies Rose) by the narrowest of margins. The early paced Avondale Jo led for a long way but mounting his challenge on the wide outside the progressive Dixies Best thundered home to post a short head win over Avondale Jo.

SATURDAY JULY 10TH 2004

Three Of The Best For Jimmy

South Kilkenny trainer Jimmy Scully took Kilcohan Park by storm last Saturday night sending out three impressive winners. Two of those victories were for owner Paul Harney and his well-bred pair of winners Tirlough Sue and Tirlough Mick are members of the October 2002 litter by Honcho Classic and Ta Failte Romhait. Tirlough Sue 6/4 opened her account in the first race of the session bursting into an early lead from trap three to lead from Mulcair Tirlough Sue encountered little difficulty along the way to run out a clear cut five and a half lengths winner over Mo Modra Molly in 29.68.

Litter brother Tirlough Mick 5/2 adapted similar front running tactics in the ninth contest recording a smashing time of 28.98. Dashing into an early lead Tirlough Mick was pushed all the way by the 6/4 favourite Slick Style but digging deep throughout Tirlough Mick was good value for his length victory over Slick Style in a red hot time.

Trainer Jim Scully has improved the JJ Healy owned Seventh Gear out of all proportion and this October 2002 son of Carlton Bale and Ollys Stary ran the race of his life to take the Paddy Power Derby Trial Stake with relative ease in a cracking 29.82.

With Murlens Madrid a non runner in this 550 yard decider through injury Spinners Choice was sent off the 4/5 favourite but it was Noan Okee who made the best possible start from trap two to scamper into an early lead over Seventh Gear. Tracking beautifully however rounding the penultimate turn Seventh Gear cruised into the lead on the fence and once he saw daylight Seventh Gear romped to an eye catching four lengths success over a running on The Other Arnie. The well fancied Spinners Choice was backed in from 1/1 to 4/6 near the off but he ran a lifeless race finishing at the rear of the field beaten a total of nearly twelve lengths. No official inquiry took place into the poor running of the favourite but my guess is that is he injured having failed to recover from his English Derby exertions.

The Noel Ryan owned Blue Cruise overcame an unfavourable outside draw to land the second contest in a best ever 29.30. Ballyroan Tycoon set the early gallop but staying wide on the backstretch the leader gave way to the rails seeking Blue Cruise. At the winning line Blue Cruise had two and a half lengths to spare over Ballyroan Tycoon. The winner is a June 2002 blue son of Hot Cruise and Code Claw.

Without a win for some time the Tina Finn owned Genuine Onyx (Carlton Bale-Glenstown Damsel) came in from the cold this 7/2 chance taking a 300-yard sprint.

Dashing straight into the lead on the fence Genuine Onyx maintained a steady gallop at the head of affairs to run out a handy length winner over Princess Grace in 16.75.

The Eilish Corcoran owned Jumbos Princess (Mustang Jack-Jumbos Moth) caused a major upset in the fourth contest posting her second race victory at the rewarding odds of 8/1. Jumbos Princess took over in the lead from Noreview Wonder midway on the back stretch and despite a late charge by the 6/4 favourite Wilcox Blue Jumbos Princess held firm to triumph by two and a half lengths in a lifetime best clock of 29.33.

County Wexford trainer Nick Turner was on the mark in the fifth contest courtesy of the John Fitzgerald Jnr owned Chase Me Charlie this January 2002 son of Knockeevan Star and Dillrock Dot producing a fine early paced performance to lead all the way in a speedy 28.92. Utilising his early pace to perfection Chase Me Charlie opened up a handy lead over Ballybrazil Zulu and Andreas Princess and while Ballybrazil Zulu did manage to reduce the deficit in the closing stages Chase Me Charlie did well to win out by a length.

The sixth and seventh races were semi finals of the Tote Retention Stake. In the first semi final the Willy Mongey owned Raytown Magic (Droopys Vieri-Fill Me In) 5/1 ran out a deserving 29.25 winner. Live Verdict was sent of the 4/6 favourite but after a slow exit from trap four the favourite showed a nice dash of early pace but found himself short of racing room at the second last bend. Moreton Blues set a hot early pace but producing the better turn of early pace Raytown Magic sprinted into the lead at the entrance to the back stretch. It was all one-way traffic up front from that point on as Raytown Magic went on to score a shade cosily by three and a half lengths.

The second semi was a thrilling affair from the outset as Kiltumper Boy and Torcan Staplers licked horns throughout. After a titanic struggle the Maeve Phelan owned and Jimmy Frisby trained Torcan Staplers (Staplers Jo-Robins Rebecca) 4/1 produced one last surge on the wide outside to short head a gallant Kiltumper Boy in a fast 29.00.

Local owner Kitty Sullivan and trainer Tony Ryan combined forces in the final race of the night sending out the evens favourite Jewels Rocket (Batties Rocket-Frans Jewel) to a popular trap to line victory in a fast 28.98. Firing himself into the lead from trap one Jewels Rocket held the call throughout up front from Stage Spark and staying on well Jewels Rocket came home two and a half lengths clear of Moonvoy Ash who nipped second place virtually on the winning line from Stage Spark.

We wish to thank all our helpers for their contribution to the successful running of the 2004 Series... to Noel O'Docherty, Willie Hogan, Michael Whyte, Cyril Healy who have of their time week in week out, and also to others who helped out whenever possible. We thank also our sponsors Siobhan and Tony, without whose assistance this event would not be possible. You are earnestly requested to support our sponsors for your cycling needs. Finally, a very big thank-you is extended to our present chairman Eddie Moore, who kept his eye on all aspects of this series since early May (and beforehand). It is fair to say that his enthusiasm was a strong factor in ensuring that the 2004 Summer Series was most successful. Finally, please note that we intend to continue cycling every Wednesday night

for the remainder of the summer, commencing tonight, July 14th at 7:00pm from Kiltrush.

Spins for the coming week... Saturday from Kiltrush at 9:30am, and Sunday from the Square at 9:30am. And Wednesday from Kiltrush at 7pm. We will continue with a 7pm start on Wednesdays as long as evening light permits (and we will start earlier later !!!)

Ring of Kerry

A large group of Dungarvan Credit Union Cycling Club members and partners travelled to Killarney last weekend, and what a wonderful weekend it turned out to be! To begin with, nine cyclists participated in the Ring of Kerry Prologue on Friday, July 2nd by cycling the 90 miles from Dungarvan to Killarney, and on arrival in mid-afternoon everyone was in agreement that this was by far the hardest day in the saddle EVER. We left Dungarvan with a slight westerly gale, which developed to a strong westerly gale by the time we arrived for soup in Macroom, and strengthened further as we completed the last 20 miles of our journey to Killarney. Lots of rest was in order, and everyone settled in for a quiet night.

The following morning rain fell steadily, but the morning brightened as over 850 cyclists departed from The International Hotel, Killarney at 8:30am for the 21st edition of the Ring of Kerry Charity Cycle. Dungarvan Credit Union Cycling Club was strongly represented and all participants contributed to the designated charity Enable Ireland prior to departure. The event proceeded anti-clockwise round the famous ring, to Killybeggin, Glenbeigh and Cahirciveen, where we stopped for refreshments. From here we continued on to Waterville and Sneem, and Kenmare for more food and water. Many of the group had tired legs at this point, but we stuck to the plan and kept the group together to help one another out, and we climbed Moll's Gap steadily, and enjoyed the lovely descent to Killarney. We wish to thank the organisers for a wonderfully organised event. A lovely meal was organised later that evening, and everyone concluded the weekend with a well-deserved social evening. Roll on 2005! Taking part were: Aisling O'Shea, Siobhan O'Mahony, Pádraig de Búrca, John Flynn, Brett Lynam, Eddie Moore, Tony O'Sullivan, Tom Barron, Tony Elsted, Vincent Tutty (straight from the Dromana finish-line), Michael Dwyer, Martin Veale, Eamon Phelan, Finbarr Kelly, Liam Kelly (what a wonderful achievement for a 15-year-old!), Eoin O'Riordan, Anthony Dwyer, Mark Power and Ray Dwyer.

Championships in Mayo

The 2004 Irish Championships were held in Westport,

County Mayo last weekend, and we were represented by Ray Dwyer in the Vets and by Eoin Whyte in the Junior event. No results to hand at present, but we will carry a report from these championships next week.

Club Day, Sunday July 25th

Please mark July 25th in your diary. Dungarvan Credit Union Cycling Club is organising a Club Day on Sunday morning July 25th and it is hoped that each and every member of the club will participate. There will be two spins departing Grattan Square on the morning, the first at the usual time of 9:30am, and a second more leisurely spin will depart at 10:30am. It is envisaged that both groups will meet for light refreshments and a club photograph at the "Kitchen Hole". We would like all members to join together on the road on this date in club jerseys.

This is also a good opportunity for our new members this season to get to know others within the club. Our 2004 Summer Series has attracted new members over the past two months, and it is a natural follow-on to join the weekend leisure spins. So, mark the date in your diary, and join with all in the club for what promises to be a very enjoyable morning. This call also goes out to any past members who may like to join with us on the 25th.

CARNIVAL TIME AGAIN

The Trip to Araglin is upon us again, the annual trip to the carnival in Araglin takes place this Sunday July 18th. Araglin which has a strong tradition of holding motorsport events as part of its celebrations will again makes its venue available to the world of Autograss. With the event running a week earlier this year it should see more of the top cars taking part. Before the event was only a week before the National Autograss Finals so some drivers opted to miss it for fear of damage, this year there will be 2 weeks in between thus Araglin will become the final test session for many of these drivers. The racing promises to be very good as many of the drivers will still be on a high and determined to show that there success at the 2 day was no flash in the pan. Because the Araglin track is so different to what the drivers normally race on, the venue also throws up some big surprises, be it thrills or in many cases spills. So don't forget it's Araglin this Sunday July 18th, first race 1pm and scrutiny finishing at 12 noon sharp.

"Irish Fastest Person on Grass" 2004 Saturday & Sunday June 26th & 27th.

It was undoubtedly this biggest weekend of Autograss ever to be held in Ireland, with a total of 22 clubs represented from all over England, Wales and both sides of the Irish border. For those who witnessed the wind and rain on the Friday night and well into Saturday morning would have been in doubt about racing taking place on the Saturday. Thankfully the rain had gone by the time things started happening on the field on Saturday and soon after racing started the track was being watered to keep the dust down. With almost 70 races alone on Saturday and probably 35 on Sunday, there was more than enough thrills, spills, excitement and hero's to keep everybody happy.

THANK YOU

As with all big events, a lot of time and effort goes

into organising them plus a huge expense. West Waterford Autograss would like to give a big thank you to Lismore Hotel who came on board as the main sponsor and without this help, an event of this size would not be possible. Also the club have put together a programme for the event and would like to thank all the supporters of this, plus all the track side supporters and those who support us through out the year. All these go together to make it possible for the club to continue and run race meetings thru' out the year at a relative cheap cost to both spectators and competitors in a safe and well organised manner. Also a huge thank you to all the visiting drivers and the visitors who helped out over the weekend.

County Celebrates Centenaries of Molly Keane and Claud Cockburn

By Kevin Kirrane

Waterford County Council celebrated the centenaries of the births of the well-known writer, Molly Keane, and the celebrated journalist, Claud Cockburn on Sunday last.

The ceremony, held in Dungarvan Library, honoured the legacy of two writers whose lives were shaped by vastly different events, but who spent the later years of their lives in Ardmore.

Both are "central figures" in Co. Waterford's rich and varied literary heritage, Mayor of County Waterford, Cllr. John Carey said.

To mark the occasion, a sculpture of Molly Keane by John Coll, was unveiled, and the Cappoquin poet, Thomas McCarthy gave a presentation on her later novels.

VARIED HERITAGE

Speaking at the ceremony, Mayor Carey welcomed Molly Keane's daughters, Virginia and Sally to the commemoration as well as Claud Cockburn's son Andrew and his family.

"Waterford Co. Council is totally committed to the promotion of our heritage and I am particularly pleased that Molly Keane who has such wide appeal should be the first so noted," he said.

He also thanked John Coll, the sculptor who "at such short notice created such a magnificent sculpture to add to the Boyle piece which he produced in 1991."

Deputy Mayor of Dungarvan, Cllr. Fred Forsey, said he was delighted that one of his first duties should be to reflect on County Waterford's literary heritage.

He said that while Molly Keane was well known to him, his knowledge of Claud Cockburn was scantier. But, he said that the programme had illustrated how fascinating a life Claud lived and how interesting his work must have been.

CLAUD COCKBURN

Claud began his journalism career with The Times, and later as a foreign correspondent in Germany and the United States, Anthony Summers said in a presentation on Claud Cockburn's Life and Work.

In 1933, he resigned to set up his own journal, The Week.

During this period, he also contributed to the Daily Worker - a Communist newspaper - and in 1939, at the urging of the Communist Party's General Secretary, he covered the Spanish Civil War while fighting as soldier with the Fifth Regiment.

Having returned to Britain, he was an outspoken opponent to the British Government's policy of appeasement towards Adolf Hitler, and The Week was subsequently banned from publication.

He later moved to Ireland, contributing to various newspapers and journals, including the Irish Times. And it was during his time in Ireland, that he wrote his three novels, and three works of non-fiction.

On his death in December 1981, Graham Greene described Cockburn as one of the great journalists of the 20th Century.

MOLLY KEANE

The writer, Molly Keane, meanwhile, was born in Co. Kildare to a well-known Anglo-Irish family, becoming a writer as a way of "supplementing her dress allowance".

Remarkably, she wrote her first book at the age of 17 and published 10 novels and plays before the age of 36.

After her husband's death she ceased writing until 1981 when the Booker shortlisted "Good Behaviour" was published. It was one of a series of novels which was to cement her name in the county's literary history, and gain wide appeal.

CONTRIBUTION TO LIBRARY SERVICE

Meanwhile, the Chairperson of the County Library Service, Lola O'Sullivan acknowledged the role of Donal Connolly "in the very considerable progress which has occurred during his tenure and which was heavily endorsed and directed by him."

"Perhaps the greatest amongst these achievements we must count the service provided through the building in which we are today," she said. "As a library it speaks for itself but we need only focus on the fact that since it opened in early 1999 well over 600,000 people have visited and used this service. It is in effect the most used public service facility in the County."

"The renewal of the West Waterford Heritage Libraries in Cappoquin and Tallow, together with the ongoing development of a new Library H.Q. are also considerable achievements."

She went on to make a presentation to Mr. Connolly on behalf of the Library Committee.

Entitled "Our Heritage," it is a multi-themed exhibition of exquisite colour and exotic arrangements, with many different facets of the spiritual and social life of the area expressed through the flowers on display. The Society is being assisted

in the project by the Dungarvan Flower and Garden Club. Admission will be €3. Prayers for

the deceased will be recited in the Graveyard on that Sunday afternoon.

Dungarvan Youth Brass Band Wins South of Ireland Championship

Continued from Page 1
Ballincollig Junior Concert Band, second to the Skibbereen Silver Band, and first place to the Dungarvan Youth Band. Not only that, he awarded a special prize to the bass section (Michael O'Donnell, George Cummins and Adrian Whelan) for its "wonderful performance". Needless the band was overjoyed, and the hall erupted in a roar of delight from the youth band, the senior band, and all the families that had made the journey.

To William Dee, Killian Power, Chris Fabie and all those senior members who have spent the past months training the junior band a deserved word of thanks for the fine work being done. Dungarvan Youth Band is designed to offer a stimulating musical environment for young brass beginners - and there are always experienced players on hand to help. Beginner classes will commence in late September/October again.

Further honours for Dungarvan Brass Band
Just some months after securing first place in the senior section of

the I.A.B.C.B. Southern Regional Championships, Dungarvan Brass Band has taken further honours at the top level in banding by taking 3rd place in the senior section at the South of Ireland Band Championships in Clonakilty, Co. Cork.

Competing for the first time in the senior section at national level, the band knew it would face stiff competition from some of the finest bands in the country. The opening piece, Edward Gregson's "Prelude for An Occasion", was the one which demanded most work and focus right across the band. The rendering of "A Nightingale Sang in Berkley Square" witnessed some great playing from all the band's soloists with sensitive and tuneful accompaniments firmly controlled and balanced by MD, Brian Prendergast. The band's march performance, William Rimmer's "Punchinello", had pulse and dynamic contrast superimposed on near note-perfect playing. With a proven strategy of saving something just that little bit extra special for last, the

band set out to create a lasting impression with the final piece, "The Devil's Bridge" by Darrol Barry.

Was the performance good enough in such exalted company? After listening to six more performances in the section, the adjudicators were succinct in their analysis. First place in the senior section went to Barrack Street Concert Band, Waterford. "Two brass bands are among the top three in this section, but which is which" said Capt. Brendan Power who made the bands sweat it out to the end. Second place went to Lourdes Brass Band from Drogheda, with the Dungarvan Brass Band just 3 points behind in third place. An excellent result among a field of such calibre. In addition, one Dungarvan player had caught the ear of the adjudicators Eibhlín Grant and Capt. Brendan Power. Neal O' Kennedy, the bands principal cornet player was awarded the best brass player prize for some very stylish playing, something he's beginning to make a habit of! All in all another successful day for both the junior and senior band.
