## Cancer "Cure" Sign Removed

**CO. COUNCIL WILL CONTINUE TO MONITOR SITUATION**

**KEVIN KIRRANE**

A controversial "cancer care" sign on the Youghal Road, which claims the cures sold in a roadside pre-fab cured CJ Haughey and others of cancer, was removed Monday last after becoming the centre of controversy.

A spokesman for Waterford County Council said the sign was removed on Monday before local authority officials and Gardai approached the man over the matter.

"The new sign came to our attention over the weekend. The person was spoken to about the sign and was reminded of his

responsibilities," the spokesperson said.

The roadside 'practitioner,' who has been accused of prying on the ill and desperate, erected the new sign after the removal of a previous sign that promised a cure for cancer for

100 euros.

The new sign caused a fresh wave of revulsion in the past week, and has prompted one local councillor to call for new Bye-laws to be drafted to deal with the issue.

## Jamie's Olympic Hopes Shattered

**WEST WATERFORD ATHLETE INJURED IN GREEK CAR CRASH**

**KEVIN KIRRANE**  
West Waterford athletic and Irish Olympic hope, Jamie Costin was being treated in

hospital yesterday (Tuesday) after sustaining serious injuries in a car accident.

The accident, involving a car and a lorry, occurred at Porto Heli, about an hour's drive from Athens where Jamie had been at training camp.

Jamie suffered a compressed fracture in his lower back and a possible broken toe in the accident. Speaking with the Dungarvan Leader on Tuesday evening last, Jamie's father, Jimmy, said he had been in contact with his son, and they were awaiting further news about his condition.

Jimmy said they were disappointed for Jamie after all the hard work he has put in, in preparation for the Olympics.

Jamie had been due to take part in the 50km final on the 27th of August.

## From the Turning of the First Sod to the Last Lick of Paint

Working is nearing completion on the new Shopping Centre Complex in Dungarvan. Soon the last lick of paint will be applied and the town will be able to reap the benefits of the long awaited centre.

Construction started back in July 2003 but long before that first sod was turned, much work had already gone into the development. It took eight months alone for the necessary demolition work to prepare the site. That, of course, is one of the most disruptive of stages in any development and project developers Clancy Construction are quick to acknowledge this. Everything in their power was done to minimise the problem and they sincerely apologise for any inconvenience caused. They would also like to extend their gratitude to everyone in the locale for their patience and understanding.

From then work continued on schedule, due in no small part to the sterling efforts of the Project Manager Noel Bransfield and Site Foreman Milo McGrath, and now Dungarvan can look forward to its new 28 unit shopping facility.

The 45,000 square feet centre was designed by Waterford based architects Fewer, Harrington, Lawlor & Associates and, as is suggested by their ex-

cellent reputation, it will have a very modern, contemporary feel. Along with anchor tenants Dunnes Stores, the centre will have a variety of other retail outlets and restaurants. To further enhance the shopping experience, as well as cementing its place within the local community, the centre will house a crèche and a medical centre.

One of main fears encountered by developments of this size is the disruption it will cause to the locale. To allay these the developers, Clancy Construction, have taken a two pronged approach. The first was to include a 500 car parking-lot, which will ensure that local residents are not inconvenienced by shoppers from outside the area. The second was the provision of a professionally landscaped civic area. This area was designed specifically with the local residents in mind. It will be tended on a regular basis and aims to provide a nice, scenic spot for locals to relax.

'Local support has been tremendous,' stated Billy Clancy, the driving force behind the project. 'I've had letters of support arriving on my desk on an almost daily basis. This, in itself, has been very gratifying but, more importantly, I think the centre is going to be a huge boost for the local economy.'

**BATS**

There are almost 1,000 species of bats living all over the world except polar regions. The rainforests of India, Burma, Madagascar and other tropical and sub tropical regions are home to many types of fruit bat. Species, such as the leaf-nosed bat and vampire bats are found in South American rainforests. Bats are the only mammals that can fly. A leathery membrane stretches over the bones of their arms and hands, which are adapted to form wings.

**Vampires Curl Their Tongues To Drink Blood**

The vampire bat lives in rainforests in South America. It lands on the ground near its victim — usually a cow or a horse — and then walks towards it on all fours. It cuts a piece of skin from the victim with its teeth and then curls its tongue into a U-shape, so that the blood runs into it. Sometimes the bats take so much blood that they have difficulty flying afterwards.

The victim does not lose so much blood that it is weakened, but there could be a danger of infection from the wound.

**BATS EAT FISH**

Some bats actually catch and eat fish. The appropriately named fishman bat, which lives in the mangrove swamps of South America and the West Indies, swoops near the surface of the water to scoop out a fish in its long, sharp claws. They can also catch insects in their claws. The fish-eating bat of Northern Mexico also catches fish in the same way.

**A Bat Can Build A Tent**

Because it flies by day, the tentbuilding bat needs a way of sheltering from the sun. It does this by making a tent from fan-shaped palm leaves. It bites through a leaf until part of it collapses. The folded leaf provides an effective shelter from which the bat can fly to find food.

**DID YOU KNOW**

- The bat is the only mammal that can fly.
- Bats have such good ears they can hear insects wings beating.
- A bat may make up to 200 shrieks per second, so that it can guide itself by the echoes.
- A vampire bat's teeth are so sharp it can bite and suck blood without its victim noticing.
- In the seventeenth century, people in Europe dug up graves looking for vampires.
- In the Far East, bats are symbols of good luck.

### Soprano Helen Hassett Returns To Lismore

Helen Hassett, one of Ireland's best sopranos, will return to Lismore for a recital in Lismore Cathedral on Saturday, 21st August next, 4.30 p.m. It will be her third appearance here. Earlier she sang as a soloist with Lismore Choir and with the ensemble 'Verboden Vrucht'. Now she comes for a summer concert with a programme of her own choice, filling this recital with her personal favourite songs and arias. She will be accompanied on the harpsichord and the organ by Jan van Putten, Organist and Choirmaster of St.

Carthage's Cathedral. The programme will be seen as a treat by most lovers of song. It will start with a few lute songs by John Dowland, among them 'Flow my tears'. These will be followed by four popular songs from the rich heritage by Henry Purcell: Music for a While, What can we poor females do, Sweeter than Roses and the famous Evening Hymn 'Now that the Sun has veiled his Light.'

Four arias by J. S. Bach and Handel are next, among them Ich will dir mein Herze schenken'

from Bach's St. Matthew's Passion and 'O Sleep why dost thou leave me' by Handel. The recital will come to a close with 'Laudate Dominum' by Claudio Monteverdi, a virtuoso setting of the 150th Psalm.

Admission to this high quality recital is free. There will be a collection in aid of the Cathedral Restoration Fund. Financial support from the Waterford County Council Arts Grants Fund 2004 is gratefully acknowledged. Don't miss this great musical event. Saturday, 21st August, 4.30 p.m. in Lismore Cathedral.

### FEILE NA nDÉISE VARIETY CONCERT

Feile na nDeise are holding a Variety Concert in The Park Hotel, Dungarvan on Sunday, August 22. It will feature a host of local talent including singers, dancers, comedy sketches, brush dancers, set dancers and traditional Irish music. Up to 20 acts are scheduled for this, a family entertainment concert and admission at the door is 7 euro for adults and 4 euro for children. Complimentary tea and biscuits will be served at the interval. The event will be compered by WLRfm's Nicola Beresford and directed by Hank Regan.

Later in year, during September the Feile Committee will be holding its AGM and we would welcome newcomers to join the Committee. It is also an ideal opportunity for people involved in the Hospitality & Pub Industry in Dungarvan to air their views on what is, after all Dungarvan's only festival.

The May Bank Holiday Festival which started in May 1994 on a budget of €3,800, now has the potential to become the biggest festival in the country and has a budget of €45,000.

Again our thanks goes to Guinness our main sponsor since 1994, who, without their support this Festival would not have survived.

So make a note in your diary for Sunday, August 22 for our variety concert and details of our AGM will be advertised in due course.

# Camera Club Hold Photography Workshop For Beginners at Dungarvan Library

**Dungarvan Camera Club's 'Photography for Beginners' workshop at Dungarvan Library**  
— (Photograph by Richard Cutbill DCC)

Ann O'Reilly and Maurice Walsh, Coolnasmear who were married recently in St. Gonnait's Church, Kilgobinet. Celebrant was Fr. Kennedy, P.P. The reception was held in The Park Hotel, Dungarvan. —(Photo: Pat Crowley).

As part of the Annual Exhibition Season, on the evening of Wednesday 11th. August the Dungarvan Camera Club presented a free workshop on 'Photography for Beginners' for the Library members and guests. There was a class of twenty-five enthusiastic students, an excellent attendance considering the limited publicity and lateness in arranging the event. Head Librarian Margaret Maoileoin and her staff hosted the evening. The workshop consisted of talks by seven members of various levels from the novice to the totally experienced photographer with the aid of Photographs and Camera Equipment.

The participants were as follows: DCC Chairman Liam Suipeal started with a brief introduction to Photography and introduced each member and finished each section with a question and answer period. Karen Dempsey gave an excellent talk on the formation of Montague pictures with the use of digital photography, together with some stunning samples of her work. Eugene Burke gave a most practical and informative oration on basic cameras and equipment, with very useful information regarding purchasing on the Internet.

The chairman resumed the floor with basic tips on the formation and framing of a photograph. Richard Cutbill illustrated the progress of a novice that can be achieved in

18 months of membership with DCC. Jane O'Loughlin (Newcomer of the Year 2003) spoke on non-technical photography 'let the camera do the work, you just take the pictures'. David Ind, DCC's Technical Officer, a most experienced photographer took the class for a relaxed and amusing stroll through portrait photography. Finally a new member to DCC, but never the less a most experienced operative Dennis Butcher illustrated his passion for animals (domestic and wildlife) photography combined with motion, with some superb shots of show jumping and related how he captured the shot.

The Chairman concluded the evening by thanking the class for their enthusiastic and intelligent questions, and enquired had this workshop been useful for the beginner or novice photographer.

The chairman, DCC members and The Head Librarian were most pleased with the response, as it was a resounding yes. He further stated that the 'Dungarvan Camera Club were delighted to carry out this exercise on behalf of our Library, as we are a Camera Club in the community for the community, and we all go forward together'.

Due to its popularity the Library has requested that the Dungarvan Camera Club extend its Annual Exhibition for a further week to Wednesday the 25th August.

## Recipes

# COOKERY CORNER

## Spicy Chicken Kebab

THIS delicious and warming meal is best served with rice and salad.

**Preparation: 3 hours**

**Cooking: 25 mins**

**Ingredients**

(Serves 4)

- 1.5kg chicken pieces
- 2 onions, finely chopped
- 50ml oil
- 1 x 5ml sp dried thyme
- 1 bay leaf
- 1/2 x 5ml sp paprika
- freshly ground black pepper
- 4 small courgettes
- 4 small tomatoes

REMOVE skin and bone from chicken pieces, using a small sharp knife. Cut meat into 2cm pieces. Place in a bowl with onions, oil, thyme, crumbled bay leaf, paprika, salt and pepper. Wash courgettes, trim ends and cut into 1cm pieces. Add to marinade and marinate for two to three hours. Preheat grill. Drain chicken and courgettes, reserving marinade.

Peel tomatoes and cut in half, remove the seeds. Thread pieces of tomato, chicken and courgette alternately onto four skewers,

dividing ingredients evenly between them. Place on grill rack, brush liberally with marinade. Sprinkle with a little paprika.

Grill for 20 minutes or until chicken is well cooked, lowering heat to moderate after five minutes and turning skewers to cook evenly.

## Marrow Casserole — firm and tasty

MARROW has such a high water content that it loses most of its flavour if steamed or cooked in water. Check out the recipe below, and serve up firm, tasty marrows on your dinner table...

**Preparation: 10 mins**

**Cooking: 30 mins**

**Ingredients**

(Serves 4-6)

- 1 young marrow
- 50 g butter
- 2 tx 15ml sp mixed fresh herbs - tarragon, mint, parsley and chives
- Salt and black pepper

**Method**

CUT the marrow into 2.5cm thick slices.

Peel and cut them into rough chunks, discarding all the seeds as you do so.

Butter an oven proof dish thoroughly.

Add the marrow with the remaining butter cut into small knobs and sprinkle it with the mixture of fresh, finely chopped herbs. Season with salt and freshly ground pepper.

Cover the dish with a lid or foil and bake it in the centre of a preheated oven at approximately 180°C until just tender - after about 30 mins.

Be careful not to overcook. Serve the marrow at once, straight from the dish.

THERE are several versions of this recipe for mussels but this is the easiest to prepare.

**Preparation: 30 mins**

**Cooking: 10 mins**

**Ingredients**

(Serves 4)

- 4 pints mussels
- 1 small onion
- 3-4 x 15ml sp dry white wine
- 25g butter
- 1 x 5ml sp plain flour
- 1 x 5ml sp chopped parsley

WASH the mussels in cold water, scrub shells and rinse to remove all grit. Pull away the beards. Discard any mussels with broken shells and any which remain open when tapped.

Thoroughly butter the inside of a large saucepan. Peel and

finely chop the onion put in saucepan with wine.

Place all mussels in the pan at once and cover with a lid.

Cook over high heat and shake pan for three to five minutes until all the mussels have opened.

Take pan from the heat and lift out the mussels, discarding any that have not opened. Remove the empty half shell from each mussel and place the other half with the mussel attached in individual soup plates. Keep hot.

Cream butter and flour together and blend into the liquid in pan. Stir the sauce over a low heat until it has thickened and is boiling. Add the parsley and pour over the mussels. Serve at once.

# Éigse Sliabh gCua 2004

In the mid 18th century Sliabh gCua was famous for its poetry court or cuirte filiochta in which Donncha Rua Mac Namara 1715-1810 was a leading light. Maire Ni Dhonagain of Tinalira also more than proved that poetic inspiration was not confined to men. Indeed it was Sean O Dalaigh of Lickoran, who published the Poets and Poetry of Munster, that ensured the fruits of the great cuirteanna filiochta were not lost. In Sliabh gCua the spirit and excitement of these gatherings was brought into modern times through the work of Donal O Fearachair 1852-1929, Padraigh O Mileadha 1877-1947, Labhras O Cadhla 1889-1961 and Padraig O Fianusa 1914-1990. Moreover, Padraig O Cadhla 1875-1948, in helping to found Ring College in 1905, played no small part in ensuring that Deise Irish is alive and being spoken today.

This Gaelic heritage will once more be celebrated at Éigse Sliabh gCua 2004, which takes place from Friday 20th August to Sunday 22nd August. This is the seventh year of this community festival, which has managed to survive on the voluntary efforts of the organising

committee, the generous assistance of local clubs and organisations and in latter years a small but vital subvention from Waterford County Council.

The Éigse opens with a lecture by Donal Bray on the Knockmealdown Mountains which takes place in Touraneena Community Centre at 8.30 p.m. on Friday evening. Donal is a native of Glenafalla, Cappoquin whose family are steeped in the lore and traditions of the Knockmealdowns. He is a grandson of the late Maire Ni Chaoimh, Bean Uí Bhre whose contribution to Deise Irish continues to be much consulted and appreciated by Irish scholars. The Knockmealdowns like the Comeraghs are such a part of the fabric of County Waterford and South Tipperary that their great beauty, environmental significance and the contribution of the people who have lived there tends to be taken for granted. Donal, who is also a professional mountain guide, will certainly cause his listeners to see the ancient mountain range in a new light.

On Saturday, a musical two day festival of flowers in St. Mary's church organised by

sacristan Alice Burke will begin. Alice has just completed 40 years of devoted service to Touraneena Church literary and historical bus tour will leave Touraneena from in front of the church at 2.15 p.m. for a leisurely afternoon journey through the surrounding countryside. The route is usually a bit of a mystery but is often related directly to the particular theme of the Éigse and needless to say the couriers/guides have so far never disappointed.

On Saturday evening at 8.30 p.m., Maurice Hallahan, the well known dancing master and the person most associated with the Sliabh gCua set, will host a concert in Touraneena's Community Hall. It will feature a special medley of song, dance and music performed by the best of local artists.

Ar an Domhnach beidh an Aifreann a cheiliuradh ag an tAthair Conn O Ceilleachair S.P. (Tuar an Fhiona agus Gleann an Fhonnair) i seipeal Naomh Mhuire, Tuar an Fhiona ag 11.15 sa mhaidin. Beidh cor ann freisin. At 3.30 p.m. the annual outdoor Mass, for those who lie in Touraneena churchyard, will also be celebrated by

Fr. Kelleher.

The Éigse programme is designed to please everyone and will appeal to the people of Sliabh gCua at home and abroad not to mention anyone who lives in West Waterford or South Tipperary. It might also provide a pleasant diversion for the visitor. Remember everyone is welcome. Ag Éigse Shliabh gCua beidh failte roimh cach!

As part of the Éigse Sliabh gCua, a two day festival of flowers will be held in St. Mary's Church, Touraneena, organised by Veronica Troy, who is daughter of Alice Burke. Alice has just completed 40 years of devoted service to Touraneena church.

We wish to thank all the ladies who agreed to take part in what should be a wonderful display of flowers in the church. Display is open to the public on Saturday and Sunday, August 21/22, from 2 p.m. to 6 p.m. Admission is 3 euro, families 5 euro. All are welcome.

A healing Mass will be celebrated in St. Mary's Parish Church, Touraneena on Thursday evening, August 19, at 7.30 p.m. by Fr. Michael Walsh. All are welcome.

**George Harney Memorial Comeragh Crossing Raises €16,500 For Local Charities**

(Photo: Pat Crowley)

A record entry of 165 participants in all sections of the walk, and the by now customary inclement weather failed to dampen the spirits of all who took part in the 8th Annual George Harney Memorial Walk and Challenge, which took place on Saturday, 3rd July, and took the walkers over the 40km. of the Comeragh and Monavullagh mountain range.

The event, which was once again being kindly sponsored by "Flahavans" has certainly caught the imagination of hillwalkers and outdoor enthusiasts alike from all over the country, and is now regarded as one of the premier events on the walking calendar. This was reflected in the fact that we had 111 visitors from clubs throughout the country to the event this year, and to judge from the favourable comments throughout the day, we can look forward to even greater numbers next year.

We also saw a significant increase in the number of entries for the Comeragh Challenge, and this is due in no small measure to the efforts of John Coffey, who has worked tirelessly to promote this aspect of the walk over the past 4 years. Certainly all the hard work over the past 4 months of the organising committee under the guidance of club chairman, Sean O'Connor was evident on the day as the weather conditions throughout the 12hr. marathon tested the navigation skills of all participants and club members alike who acted as guides throughout the day.

This year's event was being held to help raise funds for our friends in West Waterford Hospice, who have been supporters of the walk for the past 8 years,

and also for the South Eastern area of The Samaritans. We are delighted to report that the event raised the extraordinary total of 16,500 euro, with all monies raised donated equally between both organisations.

The club would like to take this opportunity to put on record it's deep appreciation and thanks to the business houses and the entire community for the incredible response to our requests for sponsorship and their support of the event. To-date, the walk has raised more than 76,500 euro for local charities and organisations, and is a fitting tribute to the memory of one of the founder members of the club, who, I have no doubt, was once again keeping a watching brief on matters, as the day unfolded. After a long and challenging day on the mountains, it was a leg weary group that finally arrived at the Dungarvan Soccer Club to complete another successful and eventful day in the club's history. Then it was on to our "clubhouse" the Bean A Leanna to celebrate in style.

The organising committee wish to thank our friends in the Hospice and The Samaritans for all their help on the day, our sponsors Flahavans, who have been loyal supporters of the event over the past number of years; to all club members who helped in any way to make the day the success it was; to the Civil Defence for their expertise and guidance; Dungarvan Soccer Club for the use of their facilities, Mary and Karen Power, Joan Wall, Alice Fitzgerald, Marie Burke, Sean Power, Denise Clancy, Ann Mangan and Ann Fielding for manning the checkpoints and especially to Ann Crowe,

Fitzgerald and Clair and her team of helpers who provided the much needed food and refreshments throughout the day and at the Soccer Club.

A special word of thanks to Mary Harney, and the extended Harney Family for their continued support and words of encouragement in the lead-up to the day. At a function held in The Diplomat Bar on Thursday, 22nd July, the proceeds of the event were presented to both charities. Club Chairman Sean O'Connor welcomed special guests and a large attendance of club members to the function and once again thanked all concerned for all their efforts in making the day such a great success.

On behalf of West Waterford Hospice, John Moran outlined the work undertaken by the Hospice over the past twelve months and expressed their gratitude to the club for their continued support, while M/s Jacqueline Sweeney on behalf of The Samaritans gave the gathering a better understanding of the work undertaken by the organisation, and also assured all concerned that the money raised would go to help fund the difficult work carried out by them.

On behalf of our sponsors Flahavan's, Vera Power, who also completed the walk, praised all concerned in the organisation of the walk, and for the level of professionalism and enthusiasm associated with the event.

Anyone wishing to gain further information on the walk, or the full range of club activities can now do so by visiting our website at [www.dungarvanhillwalking.org](http://www.dungarvanhillwalking.org)

# Roll Up Roll Up . . . Circus Is Back

Roll up, Roll up, Irelands largest circus is back. Tom Duffy's Circus will be back in Dungarvan for the first time in 10 Years on Saturday 21st and Sunday 22nd August. Tom Duffy's features everything you can think of in circus including tigers, crocodiles, horses, ponies, funny clowns, jugglers, flying trapeze and much more.

Tom Duffy's circus remains the ONLY winner of the 'Best Circus' award, voted by members of the Circus association of Ireland having won the award on numerous occasions. This year's performance includes artistes from all over the world, Irelands favourite clowns and over 40 wild and exotic animals including ferocious tigers, crocodiles, horses, ponies, snakes and dogs.

Clown David Konyot is hilarious, having won numerous awards all over the world. David is making a welcome visit to Dungarvan, along with Max they are the funniest clowns in Ireland for years. Last year for the first time in 25 years Duffys brought back a live circus band, the band re-

turn this year and once again bring back the nostalgia of the circus.

With amazing skill and courage Miss Leena performs a breath taking cloudswing act high above the circus ring whilst the audience gasps with anticipation. The young talented juggler Christopher Rodagel comes from Mexico and performs a charismatic act. The highlight for children is definitely when Spiderman drops from high in the roof of the big

top to perform an aerial perch act with the green goblin. Topping the bill of this years show must be the flying trapeze, with the safety net in place The Rodagels perform one of the best flying trapeze acts in the world. The audience are silent as they sit back in amazement whilst the Rodagels perform not only the legendary triple somersault but also the amazing double passage, two flyers in the air at the same time.

Tom Duffy's 2004 will have

you splitting your sides with laughter and on the edge of your seat with excitement and anticipation from start to finish with a performance that really is the best in Ireland. The state of the art sound and lighting system add to the circus atmosphere inside the big top and with the comfortable seats and heated big top it makes for a perfect family night out. Tickets can be booked by calling 087 9336666 or book online at [duffyscircus.com](http://duffyscircus.com)

**ARIES**  
Mar 21 to April 20  
In work, you are given a prestigious task that is within your capabilities. Those around you are green with envy because they think the grass is greener. They fail to see the effort it takes to maintain your circumstances. In love, someone is set to woo and win your heart. Believe in the magic of romance and a dream will come true. Someone's humour is exceptionally dry. ☎ 1550-920-257

**TAURUS**  
April 21 to May 21  
You may owe someone a favour but that doesn't necessarily mean that you need return the compliment. As Rousseau said, "Gratitude is a duty which ought to be paid but which none have a right to expect". One of the greatest mistakes is to fear too much that you will make one. Give something your best shot and feel lucky. You never know. You may do better than you think. ☎ 1550-920-258

**GEMINI**  
May 22 to June 21  
Don't be so independent that others feel that they cannot depend on you! Promote partnerships and teamwork. Most can be achieved this week with a united effort. A discussion brings new ideas. In hindsight, a recent disappointment will be seen as a blessing in disguise. Avoid complicating issues more than necessary. Be there for a friend going through a tough transition. ☎ 1550-920-259

**CANCER**  
Jun 22 to July 22  
Stick to the straight and narrow and you will get to where you are going. It is simply amazing the amount of work you can get done if you don't do anything else. Remain focused and concentrate on completing one task at a time. It may seem faraway now but the weekend will be here before you know it! In the meantime, keep busy. This is a time to practice damage limitation. ☎ 1550-920-260

**LEO**  
July 23 to Aug 22  
To remain content in an easy job will put a stop to progress. Actively seek new challenges rather than remain with what is hum drum. A friend provides you with some very interesting information. "Those who in quarrels interpose, must often wipe a bloody nose". Stay away from disputes that are none of your concern. This is a week to try out some samples before you make final decisions. ☎ 1550-920-261

**VIRGO**  
Aug 23 to Sept 22  
The master key to success is in the hands of everyone at the start. Begin as you mean to finish and you will achieve your aims. A chance encounter leads to a fun flirtation ... and maybe more. Money neither impresses nor rules you. Remind someone that it isn't what a man has in the bank but what he has in his head that makes him great. Choices say a lot about you. ☎ 1550-920-262

**LIBRA**  
Sep 23 to Oct 23  
Is someone out of reach? Bridge that gap with warm smiles. Avoid being too serious which others may experience as pressure. This is a prime time for magic meetings and marriages. Open your eyes this week and you will see something that has been right under your nose. It is funny how sometimes we fail to spot the obvious. Stop being so self critical. Love the skin you are in. ☎ 1550-920-263

**SCORPIO**  
Oct 24 to Nov 21  
Exciting developments make you feel that you are living a new life and perhaps you are. Adventures can start when you sign up rather than sit back. Get to your action stations. Instead of listening to a confusion of opinions, you achieve greatest guidance from you intuition. Do what instinctually feels right. It is within your rights to have no comment. ☎ 1550-920-264

**SAGITTARIUS**  
Nov 22 to Dec 23  
With courage and optimism you can achieve amazing results. Negotiate with those who initially appeared unreasonable. Your powers of persuasion are high. Be seen to stand by your word and your commitments. A reunion with an old friend brings a travel invitation or an opportunity to explore a new world. In love, have faith. Things are about to turn and in a positive direction. ☎ 1550-920-265

**CAPRICORN**  
Dec 24 to Jan 20  
Romantically, you still haven't found what you are looking for. Perhaps you are looking too hard or too far! Socially, you are much in demand. Travel proves enjoyable but beware of delays and unforeseen circumstances. There may be unavoidable complications. It is time to question someone's motives or incentives. Someone misses you. August continues to be interesting. ☎ 1550-920-266

**AQUARIUS**  
Jan 21 to Feb 19  
Don't allow others to pressurise you into making decisions that you would later regret. You may find yourself entertaining unexpected visitors and a telephone call, out of the blue, brings exciting news. Take things one step at a time and you are far more likely to get where you are going. An impatient attitude could wreck havoc. A certain passion is becoming overwhelming. ☎ 1550-920-267

**PISCES**  
Feb 20 to March 20  
Take time out for fun and practice some play therapy. You deserve some time off for good behaviour. People might doubt what you say, but they will always believe what you do. Put plans into action and stand by your word. The greatest risk you run is not being prepared to take a chance. Playing it safe isn't as much fun as taking a walk on the wild side. ☎ 1550-920-268

# Fabulous Ferns with Fern species and varieties

Ferns are fabulous and fascinating. In damp, shaded areas where few other plants will thrive, their foliage is a real mood enhancer. At the edge of ponds or along stream sides they are perfect. In woodland settings, the simple, elegant symmetry of their fronds looks just right in

the dappled shade of this time of year. There are also ferns suited to drier locations.

The Shuttlecock or Ostrich fern (*Mattueccia struthiopteris*) is a great starting point. Like many ferns, this is deciduous, dying back in autumn (often with beautiful colour effects) only to re-emerge with erect, curled fronds in spring. The Shuttlecock fern produces erect arrangements of fronds that resemble a Badminton shuttlecock and reach a height of approximately 1.7m and a spread of approximately 1m. This plant spreads by rhizomes and will establish separate plants 10 or 20cm away from the original parent. This fern is able to thrive in a variety of situations, from shade to a water-side location or a damp border. The Sensitive fern (*Onoclea sensibilis*) produces long-stalked fronds that arise from the ground individually. It is sensitive mainly to excessive sunlight, so be sure to plant it under the protection of trees,

whether in a woodland garden or a damp, shady border. Fronds of this fern are about 60cm, but it will spread horizontally, again by rhizomes. The Flowering fern (*Osmunda regalis*) is another damp and shade lover. Growing to 2m in height, this one has a number of interesting features to look out for: tips of fronds are rounded, in summer some fronds (the partially fertile ones) have tasselled tips which are covered by brown, spore-bearing structures (sporangia). The fronds also turn yellow or golden brown in autumn. For each of these ferns, neutral to acid, humus rich soils are ideal. Each of these mentioned is fully hardy. Not all ferns need damp and shade. The Holly fern or Shield fern (*Polystichum*) prefers drier conditions and is a great choice if your soil is very well drained. It still likes the shade. This is an evergreen and crowns of the plant will benefit from protection from excessive wet in winter. The Soft shield fern (*Polystichum setiferum*) is a real beauty with its soft, evergreen fronds and is a great choice for a fernery or rock garden. Height and spread in this case are approximately 1.2m and 90cm respectively. Ferns are an ancient form of plant life that has evolved only gradually over the millennia. Still reproducing by spores rather than seeds, it is not too difficult to believe that ferns are a hangover from the days of the dinosaurs. Justly popular among gardeners, a wide selection is available, each offering different effects. Why not make it a summer project for your family to find out about ferns and plant a mini-fernery somewhere in your garden?

## DUNGARVAN GOSPEL CHOIR

Earlier this year we decided that we would broaden our horizons and embark upon a tour of other parishes in the diocese. Two of our most recent visits have been to Ballyduff Lower in Kilmeaden and Saleen Church in Bonmahon.

The enthusiasm with which we were greeted and the whole-hearted welcome that we received in both parishes was fantastic and, to say the least, motivating!

We should sincerely like to thank Fr. Michael O'Byrne in Kilmeaden, Fr. Brendan Crowley in Bonmahon and parishioners in both parishes for their generous contributions to our choir fund. Choir members please note that return visits have been requested. Be proud! And keep up the good work!

Dungarvan Gospel Choir practice every Tuesday at 8.00pm in the hall of the old Mercy School. New members are always welcome.

# Cancer "Cure" Sign Removed

CONTINUED FROM FRONT PAGE

Cllr. Fred Forsey (FG) said he hopes new bye-laws would crack down on certain types of signage used.

"What we're trying to do is get a Bye-Law together in the council to deal with it. So that a person putting up a sign would have to ask for planning per-

mission and that would give us a chance to see what type of sign it is."

"People can put up signs saying anything," he claimed. "If there were bye-laws covering them it would stop that from happening. At the moment, it takes very long to go through the whole system; he would have to be brought to court and

fined. And even when he has been brought to court he can just go back and do it again."

Despite warnings from doctors advising people against taking any of the man's so-called "cures," a number of people still appear to be stopping at the small pre-fabricated home.

Cllr. Forsey said the "cures," advertised prominently on a road frequently used by people from the area travelling to Cork

for cancer treatment, are causing a great deal of upset to people who need genuine medical help.

He said, in other instances around the country one man was selling salty water as a cancer cure.

A spokesperson for the County Council say they will continue to monitor the situation and issue fines and remove any signs erected by this person as needs be.

# Bells Of Lismore Silent For The Moment

The bells of Lismore Cathedral which are so much appreciated by townspeople and visitors, silent at present pending important repair work to the spire. The Angelus bell is almost silent.

This is a sad loss to the town as we had hoped to embark on a programme of bell ringing over the summer months, especially as we now have a team of Junior bell ringers who are in training.

A major fund raising programme has begun to raise money for the repairs and there will be a concert on Saturday, August 28th at 8:30pm in the Cathedral.

The Revd. Billy Beare and David Anglsey will be singing, Jason and Robin Turk will be playing Irish music on a variety of instruments and we are also lucky to have two highly young musicians, Robert Allen, pianist from the Royal Academy, London and Christine Curtin, soprano from the College of Music and Media, London. Christine will be singing songs from the shows and opera. This should be a very enjoyable concert with something for everyone.

Tickets available from Lismore Books.

# Lismore Cricketers Lose Again

Lismore Cricket Club were beaten again last Saturday at home to Limerick in MCU Division 2, after leaving the Shannon-siders off the hook. Lismore lost the toss and Limerick choose to bat first. John Russell and Sunil opened the attack for Lismore with good economical spells, but it was the change bowlers who got amongst the wickets. Mubbin (2 for 25) and David Indy (3 for 45) send the stumps tumbling to reduce Limerick to 62 for 6. Lismore fancied their chances of bowling Limerick out for less than a hundred but a dogged 7th wicket stand more than doubled the total as the number 3 batsman, Zufikar, hit out on his way to 72. David Ind eventually removed him, and this opened the door for John Russell (2 for 25) to return to finish off the innings, but not before the score had climbed to 148. Limerick must have been relieved to post a total this high, aided by 26 extras.

The rain began to fall during the interval, and the restart was delayed by over twenty minutes. Lismore were set a revised total of 127 off 39 overs, under the Munster Cricket Union's bizarre rain rules, but got off to the worst possible start as John Russell was run out with just two runs on the board. Michael Lynch and David Ind began to pick off runs with relative ease, but then the collapse came. Lismore slumped to 23 for 4 and 40 for 5 as Limerick took control of the game. The only resistance was shown by Paddy Byrne (31), who batted sensibly and solidly. Lismore hopes were raised briefly when Byrne and Winston Boyle put on 25 for the 7th wicket in quick time, but the innings eventually petered out and Lismore were all out for 95. It seems that Lismore have forgotten how to win a game and, not for the

first time this season, failed to deliver the killer punch when the opposition were on the ropes. Lismore has a chance to remedy this next Saturday when they play host to UCC in Division 2.

## TRAD ARTS PLAN TO BE LAUNCHED AT FLEADH

Comhaltas Ceoltóirí Éireann will launch one of its most radical and comprehensive initiatives, since its foundation in 1951, at Fleadh Cheoil na hÉireann in Clonmel. The new Development Programme has taken three years to construct involving 10 working groups – practitioners, academics and organisers in the field of traditional arts – who consulted with interested parties at home and abroad.

The Programme, which envisages eight Regional Development Teams and Resource Centres, will have a strong education and community focus. The total capital and operational cost for the 5-year programme will be €25m. At present Comhaltas invests €12m annually, from its own resources, in its cultural programme at home and abroad. It also has 16 cultural centres throughout the country.

Comhaltas is now organised on four continents and provides services to up to 2m people each year.

This year's Fleadh Cheoil will return to Clonmel for the second year in a row from the 27th to the 30th August. There will be over 10,000 performers and an attendance of 250,000 is expected. The Fleadh will be preceded by Scoil Éigse – the Summer College of traditional arts – which will have up to 800 up-and-coming musicians and singers who will receive tuition from the "masters".

Minister Eamon Ó Cuiv, T.D. will be Guest of Honour at the Official Opening of the Fleadh which will generate over €20m for the region.

Dr. Tomás Ó Canainn, the well known uilleann piper and leader of the group Na Filí, composer and author, has been selected as Ard-Ollamh for Fleadh 2004. Last year's recipient of the award was Dr. Michéal Ó Súilleabháin.

# Crowds Flock To First Clonmel Country Festival

Over 12,000 people flocked to Clonmel Race Course for the first Clonmel Country Festival last Saturday & Sunday.

One of the highlights of the weekend was the world famous Ukrainian Cossacks who astonished the crowd with their daring acrobatic riding skills. Other popular activities included the medieval demonstrations, angling displays, clay pigeon shooting competitions, children's activities and the wonderful food stalls.

The event was organised by Countryside Alliance Ireland who have over 10,000 members in Ireland. Nick Becker, CAI Events Manager said: "We are very pleased with the

number of people who attended the event. The weather of course was a major factor, as with any outside event in Ireland. We had hoped for an even bigger crowd on Sunday but the dreadful weather in the morning affected numbers."

"Over 12,000 people attended the two day event and we are delighted with that number. We have had great feedback and much of our focus was on making the event a great day out for the whole family. Many thanks to all who attended and we hope you thoroughly enjoyed the country festival."

The falconry demonstration by Chris Tuffrey from the National Birds of Prey Centre was popular.

# RECENT DEATHS

## Late John Clancy

It is with feelings of profound regret that we record the sudden death of John Clancy of Home Rule St, Abbeyside and formerly of New York which sad event occurred at the family home on 7th July.

As a young man growing up in the village John was heavily involved in the local GAA and enjoyed local success on the hurling field. John was also involved in the local scout troop and it always gave him great pride that he trained the team that won the Melvin Cup, the ultimate scouting prize of the day.

Having been educated in both the Friary and the CBS, John settled in the local tannery for his early working life. It wasn't long however before distant shores called him and as a young man of 23yrs of age he emigrated to New York.

While in New York John enlisted in the army and was posted to Germany for a few years.

After leaving the army John eventually settled in the bar business where he ran a number of successful bars both in Manhattan and the Bronx.

John's love of the GAA continued while in the US where he was again involved and this kept him in contact with many a young emigrant and those who knew him always spoke fondly of his efforts to help them on the first rungs of success. These efforts did not go unnoticed and in 1989 he was awarded the accolade of 'Waterford Man of the Year'.

Throughout his time in New York John was always a frequent visitor home and when he came to retire the only place he considered was Abbeyside. During his last few years John indulged in his great love of reading, walking the ever-expanding village and keeping a close eye on the local bar trade.

All who knew John will have their own special memories of him. He will be sadly missed and his passing is much regretted by all his family, neighbours and friends.

May he rest in peace

Removal was from Drohan's Funeral Home on Thursday 8th July to St. Augustines, Abbeyside.

Following the funeral Mass interment took place in the adjoining cemetery.

The chief mourners were Joan (sister), Pete and Oliver (brothers), brother-in-law, sisters-in-law, nephews, nieces, grand nephews and nieces, relatives and friends.

Funeral arrangements were by Tom Drohan, Funeral Directors, Dungarvan.

## Late Bridie Crotty

We learned on Wednesday last of the passing of Bridie Crotty at her residence at 23, Congress Villas, Dungarvan. A native of Tralee, Bridie was predeceased by her husband Gerald on 3rd May, 1997. We extend to her sons Gerard, Mike, Willie, Kevin, Brendan and John, daughters Chris, Rosaria, Mary, Sandra and Bridget, her sisters Maggie, Helen, Chrissie and Shirley, sister-in-law Mary Dillon-Crotty, family friend Johnny and all her many other relatives, especially sons-in-law, daughters-in-law, grandchildren, great-grandchildren, nephews and nieces our deepest and heartfelt sympathy at this time.

Reposing at her residence, where family, relatives, neighbours and many friends gathered for prayers on Wednesday and Thursday evenings.

The removal took place on Friday to St. Mary's Parish Church. Canon O'Connor, P.E., was Mass celebrant on Saturday morning after which the interment followed in the adjoining cemetery. The huge numbers of people who attended the funeral obsequies left none in doubt to Bridie's popularity and the respect and esteem she enjoyed in the local community.

## Late Sean Hennessy

It is with deep regret that we record the death of Sean Hennessy, Knockaroe, Colligan who passed away to Thursday, 29th July in Waterford Regional Hospital after a duration of illness.

Sean was a quiet, gentle, honest man, held in highly esteem by all who had the pleasure of his acquaintance. Sean was a member of the farming community in Colligan for many years and highly respected by all.

He was a very fine hurler in his day with his beloved Colligan Rockies club and showed in some of the clubs greatest triumphs for a number of years. He was also a sportsman to his fingertips on the field. Sean continued to be a great G.A.A. supporter. He also enjoyed nothing better than a game of 45.

Removal was from Drohan's Funeral Home on Friday, 30th July to Colligan Church where they were received and blessed by the Rev. Fr. Michael Kennedy.

Members of the Colligan G.A.A. club provided a guard of honour and the coffin was draped in the black and amber

club colours.

Requiem Mass took place Saturday, 31st July at 11am. Celebrated by Rev. Fr. Michael Kennedy assisted by Fr. John Delaney and Fr. Hickey.

The lesson was read by Breda Crotty and Jenny O'Mahoney. His remains were carried to his resting place by his nephews and followed by a large cortege of mourners.

The chief mourners were his sister Margaret and brother Pat, his nieces and nephews.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

## Late John Hogan

It is with deep sadness that we announce the death on the 3rd August of John Hogan, 43, Dr. Caseyville, Dungarvan at the age of 82.

Though born in 28 Lower Grange, Waterford City, John lived in Dungarvan for 61 years and was a well known figure in the town. He worked on a railway station in Dungarvan until it closed in the mid sixties and later worked with CIE in Waterford City and Ballinacourty (Quigley Magnasite).

John also worked part time for many years in the Ormonde Cinema. For many, John Hogan and 'the cinema' were synonymous. He had a ready smile, Clarke Gable looks and an easy manner. Many is the courting couple who were glad of his 'habit' of always having a few broken light bulbs in the cinema ceiling.

His removal took place from Drohan's Funeral Home to St. Mary's Parish Church, Dungarvan on Wednesday evening. Following requiem Mass on Thursday 5th, John was laid to rest in St. Otteran's Cemetery, Ballinaneesagh. John's nephew and Godchild, Fr. Donal Hogan said the requiem Mass and graveside prayers.

The readings and prayers of the faithful were read by his grandchildren.

John was predeceased by his wife Maud and son Sean who died in infancy.

He will be sadly missed by his daughter Kay, sons Chris, Barry and Liam, son-in-law and daughters-in-law, fourteen grandchildren, five great grandchildren, long time family friend Rita and by his three surviving brothers Tommy, Michael and Joe.

The months mind Mass will take place at 12noon on Sunday, 5th Sept. in St. Mary's Parish Church, Dungarvan.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

## Late Patrick (Paddy) Drohan

With sadness we record the passing of Paddy Drohan, Knockenpower, Ring, which sad event occurred on Saturday, 14th August.

Removal was from Drohan's Funeral Home on Sunday evening to Ring Church. Following funeral Mass on Monday morning, burial took place in the adjoining cemetery.

To his brothers, sisters and relatives we extend our deepest sympathy.

## MARITIME

In last weeks notes we looked for information on the ship De Wadden. Well the good news is we got it with photographs included.

We now know the De Wadden was launched at Waterhuizen, Holland in 1917, she was a 3 masted auxiliary engine schooner. Her length was 117 feet with a 25ft beam and a 10ft draft. She came to Arklow ownership from Amsterdam in 1922. We have a nice photograph of the crew who sailed her in 1927. She was sold to Scotland in 1961. She was acquired by the Merseyside Maritime Museum in 1984. She can now be seen at Graving Dock No. 2, Conservation area, Albert Dock, Liverpool where she proudly stands following refurbishment to her original rigging.

This Sunday evening John Shanahan will be at the Parish Office minding all this information and much more besides. We want to say thanks to the people who came to our aid with all the above information.

## MODELIGO NOTES

### LOTTO

Alas, still no winner of the lotto jackpot but this means that there will be 750 in the kitty for Saturday nights draw. Don't miss your chance of winning, go out and buy a ticket straight away! Last weeks numbers were 1, 18 and 22. Good luck!

15 Winners: Hannah Aherne, Clashmore; Kitty Longan, Kereen; Thomas Murray, Cappagh; Danny Kelleher, Cappagh and Pat Keane, Ballinagulkee.

### PATTERN DAY

Thanks to everyone who supported the Pattern weekend, we hope you enjoyed the activities over the three days. Unfortunately weather conditions deteriorated on Sunday evening and put paid to some of the evening events but overall a great day was had. Batty and Colette kept everyone dancing into the night in Deckies and we look forward to next years events. Results of races will be available next week. Well done to the hard working committee who put together the programme for the Pattern weekend. Good work!

### PRETTY WEDDING

Congratulations to Shane Denn, Ballykerin and Fiona Murphy, Kerry, who were married on 6th August in the Kingdom. Many years of happiness is wished to you both for the future.

### MODELIGO LADIES SOCCER CLUB

Last week we played away to Inch and unfortunately our winning streak came to an end as they beat us 3 - 1. Club Manager Shane Reddy was very disappointed with the result and was not too pleased with the poor performance of the team. However it has to be said it was our first defeat in a long run and hopefully we can produce a better performance against Ballybridge. We would like to welcome our newest club member, Amy Jordan, and congratulate her on scoring her first goal with the club against Inch last week.

There are still a few outstanding tickets to be sold in the club

and we would appreciate your continued support if you see them for sale.

### NAOMH BRID G.A.A. CLUB

The committee of Naomh Brid G.A.A. Club wishes to thank all those who contributed so generously to their recent church gate collection. Also to those who sold and bought lines for their recent draw which was held in Duncord, Touraneena, last weekend. Congratulations to local winner, Johnny Buckley, Carrowgarraffe, who won a lovely hamper of goodies as second prize.

This fundraising venture was very successful bringing in over 1,600 which is a very welcome addition to the finances considering the rising cost of insurance and equipment.

Naomh Brid provides an invaluable outlet for the youth of the area by supporting and encouraging them to participate in group sports through Gaelic games.

### EXAM RESULTS

Congratulations and best wishes to all students in the area who received exam results recently. Let's hope you continue to achieve the next step in your chosen career.

## Modeligo Parent and Toddler Group

It was good to see so many past and present members at last weekend's Pattern, and luckily the weather held for Sunday afternoon's proceedings. Congratulations to Group Members Nicole Byrne, who excelled in the under 5 Girls' Race, and to Ann and daughter Fia who got a bronze in the Mother and Toddler Piggy Back Race, and not a steroid in sight. And well done to all of those who took part in the various races and the Fancy Dress Competition.

Nicole, with Tara Hickey, Anne Marie O'Brien and Anthony Reddy leave the Group

this year to start school in Modeligo. We wish them well, and know they will be well looked after by Ms. Harnett, who is like a second mammy to the infants. Best wishes also to Olivia Lennox and CJ O'Brien who start school in Lismore and Aglish respectively.

### Alternatives to Grass Silage

Some farmers may consider ensiling some cereal crops. There are a few ways of doing this.

#### Fermented Whole Crop

Harvest at 40 to 45% DM for fermented whole crop. At this stage the grain will be at the soft cheddar stage. Above this DM grain will need to be cracked otherwise utilisation by the animal will be poor. Cutting height will depend on the quality of the crop and the desired feeding value of the whole crop. A 4 tonne grain crop should yield a forage with 25-30% starch, at a cutting height of 15-20 cm. Ensure that the forage is well compacted and preferably put a layer of grass silage on top of it to weight it down. An additive is not needed for preservation. An additive may have a role to play in reducing spoilage at feedout. However with good pit management there should be no need for an additive. A narrow pit is preferable to reduce aerobic deterioration.

#### Processed Whole Crop

Harvest at 70 to 80% DM for processed whole crop. Grains will be almost mature and hard to crack. A grain processor is necessary for harvesting this material. Processed whole crop can be harvested to yield a very high energy forage concentrate with lower fibre content by cutting the cereal crop just below the flag leaf. Alternatively by lowering the cutter bar the crop will produce more bulk and higher fibre. Additives are necessary for this material. Treat with a urea based additive e.g. Home N'Dry or an innoculant based additive e.g. Whole Crop Mill.

#### Crimping Grain

Crimping is the crushing and preservation of feeds with high moisture content. Suitable crops include barley, wheat, oats, maize, peas, beans, soya, rape and linseed. Harvest 3-4 weeks before conventional harvest date when the grain is 30-40% moisture. Conduct daily checks from 4 weeks before normal harvest. Avoid moisture contents below 30%. Crimping is only suitable for immature crops and not for mature wet crops. Straw can be baled conventionally after 3-4 days. Treat with an acid based or innoculant based additive. The pit should be compressed as much as possible. The grain can be stored at heights between 0.5 and 2.5 m. Narrow clamps work best.

#### TILLAGE

##### Pre-Harvest Round-up

Applying pre-harvest glyphosate to a crop will give the most effective long term control of scutch, thistles, potatoes etc. Leaving glyphosate application until mid September will miss some of the shoots that did not emerge after the harvest. Crops intended for seed should not be treated. Apply the glyphosate when the moisture content in the grain is below 30% which coincides with the 'hard dough' stage of grain maturity. This will be 7-14 days before normal harvest date. Collect 20 grains from the centre of several ears. Press the thumbnail firmly into the grain and if the indentation holds on all the grains the crop is ready for spraying. Target weeds must be green, actively growing and accessible to the spray.

Rates of Glyphosate (360 g/L) Pre-Harvest

Weeds	Litres/ha
Annual grasses + cereal leaves & stems	1.0
Annual broadleaved weeds	1.5
Scutch 0 - 25 Shoots/m <sub>2</sub>	2.0
Scutch 26 - 75 Shoots/m <sub>2</sub>	3.0
Scutch 76+ Shoots/m <sub>2</sub>	4.0
Volunteer potatoes and other perennial weeds	4.0

A minimum of 5-6 hours dry after application is essential for satisfactory results with all glyphosate products containing old tallow amine surfactant formulation. Many types of products of glyphosate products are available

#### CATTLE

##### Premia Countdown

There are less than 140 days to obtain the last of the Agenda 2000 livestock premia. Do your sums carefully and aim to optimise your final year of claims. Check your overall stocking density limit of up to 1.8LU/ha. Be aware of stocking rate over the year and the census dates and how you are fixed for the remaining census dates and extensification eligibility.

Remember that an overshoot is possible with Special Beef Premium and could result in a reduction in SBP and extensification payment for affected farmers. In the event of an overshoot, the penalty will only hit SBP applications that exceed 25 animals (i.e. bull premia, 9 month and 21 month steer premia in total). An overshoot is determined by the number of 9 month bull & steer applications nationally.

A crude estimate is that for each 1% overshoot of the national quota, there would be a cut in SBP and extensification of 1.33% in farms with over 25 applications in total. For example a 3% overshoot in animals applied on for first stage premium would result in a premia cut of 4% on all SBP & bull premium applications on affected farms or 9 per animal for steers eligible for high rate extensification on affected farms.

Animals that have SBP eligibility but can not be claimed due to 1.8 LU/ha limit should be sold when a good "market" premium is available over similar animals with no premium eligibility. Many farms that normally purchase weanlings & stores with premium eligibility have already used up their "claim quota" for 2004 & will not therefore be buying their usual number of eligible animals. The market premium for "one sub" animals does not appear as high this year as previous years.

## GREEN BARLEY PRICES HARDENING

Waterford IFA Grain Committee Chairman Bill Shanahan has said that green barley prices are hardening, with a number of buyers indicating privately to customers that they will pay last year's price for barley this harvest, in an attempt to encourage growers to continue in cereal production for another year.

Mr. Shanahan said "110 / tonne is being paid for contract feed barley at 20% moisture exclusive of VAT in the South East. Competition among merchants for barley has intensified in the last few days in the Wexford region. Growers are being actively canvassed for their barley and up to 105 / tonne is on offer for non-contract feeding barley at 20% moisture exclusive of VAT."

The Waterford Grain Chairman said "there is a growing realisation in the trade that many growers will not cover the cost of producing a tonne of grain even at last year's price levels of 102 - 104 / tonne at 20% moisture exclusive of VAT and that many growers are now subsidizing the production of grain either from their arable aid payment, high margin crops such as sugar beet and potatoes and / or contracting."

The IFA man said "the introduction of the Single Farm Payment (i.e. full decoupling

from production) plus the restructuring option will allow farmers to assess the profitability of grain growing as a stand alone business and take the necessary business decisions. For many operators, it is clear that restructuring their entitle-

ments onto a reduced area will be necessary and that in some cases, growers who cease grain production will increase their net profit."

"For many wheat growers, the growing of second, continuous and latitude treated crops

is becoming marginal given the high cost of production and the associated risk factors. Proper rotation, quality land and a guaranteed minimum price are crucial in achieving profitable production," Mr. Shanahan said.

## ICMSA Win Commission's Approval For Calf and Weanling Payment

ICMSA has received confirmation that compensation for the loss in calf and weanling prices can be addressed under the Single Farm Payment National Reserve now being finalised. The President of the Association, Mr Pat O'Rourke, together with the General Secretary, Mr Ciaran Dolan, met officials of the Commission today, and after presenting ICMSA's case, were informed that Ireland could indeed allocate single farm payments from the National Reserve to calf and weanling producers, who presently are losing up to 175 for June 2004 born calves compared to May born calves.

"The Commission is quite clear", said Mr O'Rourke, "the relevant EU Council regulations provide a broad legal framework for Ireland to implement ICMSA's proposals to address the shortfall suffered by calf and weanling producers.

I am quite satisfied that the way is now open for the Minister to act and provide additional payments to those farmers from the Reserve. Not alone did we receive clarification that the regulation permits this, but Ireland does not even have to seek

the permission of the Commission in this regard. The regulations were written deliberately to allow the maximum flexibility for Member States so that disadvantages suffered by specific groups of farmers could be speedily eliminated.

In light of this clarification, there can be no confusion about the existence of any legal block to the problem of addressing the problems of calf and weanling producers and ICMSA expects the Department of Agriculture and Food to act speedily on this issue.

## SOUTHEAST ICMSA NEWS

Co Waterford ICMSA chairman Tom Ahearne reminds members of the executive that there is a meeting taking place on Tuesday 24th Aug in The Moorings, Davitts Quay, Dungarvan at 8.30pm.

## Dillon Warns Factories of Decoupling Backlash Over Cattle Price Cuts

The IFA President John Dillon has said (Thurs. 12th Aug) that there is growing farmer anger over the exploitation by the meat factories in cutting cattle prices. He warned the factories of a major decoupling backlash by farmers against price cuts with production cut backs which would wipe out factory business.

Mr. Dillon said there is no justification for the cattle price cuts from the meat factories and he accused the factories of manipulating numbers to get prices down. He said the factories have cut prices by 22c/kg (8p/lb) or 73 per head over the last 5 weeks, without justification or any reduction in market returns.

In a stern warning to the factories to stop the price cuts, Mr. Dillon said this is sending a clear message to farmers to cut production which in turn will see factory business disappear.

The IFA President said the facts on cattle prices are that beef markets are extremely strong and particularly prices in our main export market in the UK. He said cattle prices in the UK are extremely stable and have not come back at all. UK prices are the equivalent of 3.12/kg (111p/lb) for R grade steers and 3.01/kg (107p/lb) for O grade steers.

Mr. Dillon pointed out that the price gap between Irish and UK cattle prices has widened dramatically over the last number of weeks and has doubled compared to this time last year. "In July '03, the gap between Irish and UK cattle prices was 0.27/kg (7p/lb). Today this price differential has jumped to 0.42/kg (15p/lb), an increase of 73 an animal for the factories."

The IFA leader said with decoupling, farmers would only produce beef at a worthwhile viable price over the cost of production. He said, "With farmers now deciding on their response to decoupling, the factories are very shortsighted in cutting prices against the strong market trends".

Mr. Dillon said farmers must be extremely strong in their dealings with the factories and cattle agents on prices. He said farmers must demand full value for their stock and insist on payment on the day.

**COSTIGAN** — Fourth Anniversary — In loving memory of Patrick Costigan, late of 15 Cathal Brugha Place, Dungarvan who died on August 16, 2000.

A little tribute small and tender,  
Just to show we still remember,  
A heart of gold, a life so true,  
Loved and respected by all she knew.  
Always willing, helpful and kind,  
What beautiful memories she left behind,  
Will those who think of her today,  
A little prayer to Jesus say.  
(Always remembered by his sister Nellie, Willie and family).

A lot in life has altered,  
A lot in life is new,  
But the things that never alter,  
Are memories of you.  
It isn't what we write, it isn't what we say,  
It's how we feel inside, when we think of you today.  
(Always remembered by your loving son Leonard and family).

**HICKEY** — Second Anniversary — In loving memory of Jason Hickey, late of 7, Hillview Drive, Dungarvan, who died on August 24, 2002.

**To Those I Love And Those Who Love Me**  
When I am gone, release me, let me go,  
I have so many things to see and do,  
You mustn't tie yourself to me in tears,  
Be happy that we had so many years.  
I gave to you my love, you can only guess,  
How much you gave to me in happiness.  
I thank you for the love you each have shown,  
But now it's time I travelled on alone,  
So grieve awhile for me, if grieve you must,  
Then let your grief be comforted by trust.  
It's only for a while that we must part,  
So bless the memories within your heart,  
I won't be far away, for life goes on,  
So if you need me, call and I will come,  
Though you can't see or touch me, I'll be near,  
And if you listen with your heart, you'll hear,  
All my love around you, soft and clear,  
And then when you must come this way alone,  
I'll greet you with a smile and a "Welcome Home."  
(Always loved and never forgotten, sadly missed — your loving wife Margaret, son Patrick, daughter Mary).

**HICKEY** — Second Anniversary — In loving memory of Jason Hickey, late of 7, Hillview Drive, Dungarvan, who died on August 24, 2002.

**LANDERS** — First Anniversary

**MAHONY** — Eleventh Anniversary — In loving memory of my dear son Patrick Mahony, late of 47 Childers Est., Dungarvan who died on 20th August, 1993.

As long as my heart keeps beating,  
As long as my eyes shed tears,  
I will always love and miss you Patrick,  
No matter how many years,  
To me you were special.  
If roses grow in heaven Lord,  
Place them in my sons Patrick's hand,  
And tell him they're from Mum,  
Love and miss him every day,  
My heart still aches with sadness,  
Secret tears still flow,  
Just how much I miss you Patrick and Monnie,  
No one will ever know,  
No one sees the broken heart,  
That lies behind my mind,  
No one knows the sadness,  
That's with me all the time,  
Silent tears still gently fall,  
That others do not see,  
My sons and my husband Muddy,  
Meant the world to me,  
Now I have no family at all,  
As I walk alone,  
Loving memories are all I have left,  
Time slips by, and life goes on,  
But from my heart, ye are never gone,  
And in between no matter where,  
Deep in my heart ye are always there with me,  
All my love to you Patrick my son,

**O'SHEA** — Twenty-first

**MURRAY** — Ninth Anniversary — In loving memory of Eileen Murray, late of Ballyguiry, Dungarvan who died on August 20, 1995.

It does not take a special day,  
For us to think of you,  
Each Mass we hear, each prayer we say,  
Are offered up for you.  
A silent grief is in our hearts,  
No human eye can trace,  
For many a broken heart is hid,  
Beneath a smiling face..  
(Greatly missed and always remembered by your loving family and friends).

**O'SHEA** — Twenty-first Anniversary of our dearest and much-loved daughter, Sandra, who died August 21, 1983, late of Sunlawn, Affane.

We know you are in heaven, Sandra,  
The holy place of rest,  
For you were always good on earth,  
And the good are surely blessed.  
There are millions of daughters in the world, it's true,  
But no one can ever replace you,  
For you were our daughter and just sixteen,  
And forever wishing this was all just a dream,  
But dreams get broken when worlds fall apart,  
For you were loved so very much and forever in our hearts.  
(Missed and loved until the end of time by Mam and Dad).

Anniversary — In sad and loving memory of my dear sister, Sandra, who died on August 21, 1983, late of Sunlawn, Affane.

If only I could write,  
The words my heart longs to say,  
If only I could verse the thoughts,  
I feel for you each day,  
I only know I miss you with every breath I take,  
And words alone are not enough to stop the constant ache.  
And so I pray for you today,  
That God will let you know,  
How lonely life is without you,  
And how I miss you so.  
(Loved and missed forever by your loving brother Eamonn, Colette, Darragh and Clodagh).

**O'SHEA** — Twenty-first Anniversary — In loving memory of Sandra, late of Sunlawn, Affane, who died on August 21, 1983.

**SCANLON** — Tenth Anniversary — In loving memory of Thomas Scanlon, late of Coolhilla, Ballyhane, who died on August 19, 1994. Anniversary Mass on Saturday, August 21, in Affane Church at 8.15 p.m.

He never thought when leaving home,  
He would never more return,  
That he in death so soon would sleep,  
And leave us here alone.  
A sudden call from God on high,  
You had no chance to say goodbye,  
Without farewell you fell asleep,  
But memories of you we will always keep.  
And those who loved you dearly,  
Are the ones who won't forget.  
No farewells were spoken,  
We did not say goodbye,  
You were gone before we knew it,  
And only God knows why.  
But we will always remember our whole life through,  
The last words we had with you.  
We never fail to pray for you,  
We never cease to care,  
We wish we could go home again,  
And find you waiting there.  
To the throne of Christ he will guide us,  
And with us he will stand,  
And that golden chain will be linked again,  
Locked by Christ's own hands.  
Not gone from Daddy and Mammy's memory,  
Not gone from Richard, Elaine and Maria's love,  
But gone to shine with Jesus.  
In His beautiful home above.  
(Inserted by your loving parents Catherine and William, brother Richard and sisters Elaine and Maria.)

# IN MEMORIAM

**YOUNG-VEALE** — Eighth Anniversary — In loving memory of Cory Young-Veale, 80 Childers Estate, Dungarvan, born and died on August 20, 1996.

I did not die young,  
I lived my span of life,  
Within your body,  
And within your love.  
There are many who have lived long lives,  
And have not been loved as me,  
If you would honour me, then speak my name,  
And number me among your family.  
If you would honour me,  
Then strive to live in love,  
For in that love I live,  
Never ever doubt, that we will meet again,  
Until that day I will grow with God,

And wait with you.  
(Love always from Mammy, Stephen, Andrea, Joshua and Jarod XXX).

**HICKEY** — Second Anniversary — In loving memory of Jason Hickey, late of Hillview Drive, Dungarvan who died on the 24th August.

Every day in some small way,  
Thoughts of you come our way,  
Years may pass, tears may dry,  
But memories of you will never die.  
Will those who think of Jason today,  
A little prayer to Jesus say.  
(Lovingly remembered by Valerie, Pat, Dearbhla and Eoin).

## Closure of Galtee Slaughtering Facility a Major Blow to Pig Producers

IFA Pigs committee Chairman, Pat O'Keeffe recently said, "the announcement by Galtee management of its intention to close its slaughtering facility is a backward step for an already highly challenged sector." He described the decision as "unplanned and extremely poorly timed. It showed a serious lack of respect for the suppliers to the plant that has supported its development over the past two decades."

Mr. O'Keeffe, himself a significant supplier to the factory continued that: "It is not acceptable that a factory that was put there with large amounts of state aid in the late 80's would be allowed to turn its back on this sector without giving it a second thought. It is clear that while there have been discussions on this issue with other processors and outside agencies, the Galtee management did not consider it necessary or worthwhile to consult with or forewarn its suppliers who are also shareholders, before taking this drastic action."

"I have called an open information meeting for producers and other industry personnel for 13th August in the Abbeyleix Manor Hotel, because of the serious impact this decision could have on the entire pig production sector in

Ireland. I have invited the Minister for Agriculture and other elected representatives as well as representatives from the other major processing companies to this meeting, so as they can for once understand the difficulties being experienced by this sector and the potential effect some of their actions or inactions are having on this sector."

The pigs Chairman continued that: "The timing of this announcement could not be worse, pig supplies normally peak in the lead up to and after Christmas, so to announce that Galtee which slaughters 20% of the weekly national kill will close on October 31st, is simply not acceptable. The loss of Galtee's capacity will leave producers in a very compromised and uncompetitive position."

"In order to avert any potential logjams in slaughtering capacity and to maintain producer confidence, I will be calling on Government Ministers and agencies to get involved at this stage. This will ensure Galtee maintains its slaughter capacity at least in the short-term or until a detailed analysis of this serious decision can be made. Following this meeting IFA will be meeting with Dairygold Chief Executive Jerry Henchy again next week," concluded Mr. O'Keeffe.

## IFA Congratulates Commissioner McCreevy

IFA President John Dillon congratulated Mr. Charlie McCreevy on being appointed to one of the more important portfolios in the Commission - the Internal Market.

John Dillon said: "The challenge of making the European market of 25 member states work more efficiently, and of making Europe more competitive on the world stage is a major one. I know that Mr. McCreevy has the capacity to do a very good job there."

The IFA leader has said that

while Mariann Fischer Boel is an unexpected choice as Commissioner for Agriculture, she has experience from her current job as Minister for Agriculture in Denmark. He said that she must continue the strategy of outgoing Commissioner Franz Fischler in defending Europe's family farm structure and protecting the rural economy. He said that the immediate challenge she faces is to defend the Common Agricultural Policy in the upcoming detailed negotiations in the WTO.

# DISABILITY AWARENESS

## DYSTONIA

### What is Dystonia?

Dystonia is a neurological movement disorder; this disability causes involuntary sustained muscle spasms, which can be extremely painful. This can affect various parts of the body and cause abnormal movements and postures. Dystonia can affect any part of the body including the arms and legs, trunk, neck, eyelids, face, or vocal cords and muscle contractions interfere with normal function. Early symptoms of the disability may include deterioration in handwriting after writing several lines, foot cramps, and a tendency of one foot to pull up or drag after running or walking some distance. Other symptoms that may appear are tremor and voice or speech difficulties. Birth injury (especially lack of oxygen at birth), certain infections, reactions to certain drugs, trauma, or stroke can cause dystonic symptoms.

Around 50% of all cases of Dystonia have no connection to disease or injury and are called **primary** or **idiopathic dystonia**. There are several areas relating to primary Dystonia, these include the following:

- Spasmodic Torticollis – this is the most common form of primary Dystonia (focal dystonia), this involves the neck, the muscles spasms causing the neck to twist to one side, and the neck may pull, turn or jerk.
- Blepharospasm – this focal dystonia affects the muscles around the eyes and causing uncontrollable blinking especially in bright lights.
- Oromandibular Dystonia – affects muscles in the jaw, tongue and mouth.
- Laryngeal Dystonia – affects speech muscles of the throat causing strained or forced speech.
- Writer's cramp – affected the hand and forearm, causing difficulty in writing.

Sometimes the Dystonia may be more widespread and this is known as **Segmental and Generalised Dystonia** most cases are idiopathic (meaning the cause of the Dystonia is unknown) this Dystonia usually starts in childhood in one limb (often the foot). It can spread to involve other parts of the body, including the back, neck and arms.

### What causes Dystonia?

Dystonia is a movement disorder, which need not involve any other functions of the brain, and the intellect, personality, memory, emotions, sight, hearing and sensation are normal in a person with primary dystonia. The symptoms of dystonia are due to malfunction of a small area of the brain known as the basal ganglia, which controls certain aspects of movement. It is believed that dystonia may be caused by an imbalance of the chemical messengers in the basal ganglia. Dystonia can also be caused by a gene inherited in a dominant manner; dominant means that each child of a parent who carries the abnormal gene has a 50/50 chance of inheriting that gene.

### Treatment and Outlook for Dystonia

Dystonia is not a life threatening disability, but the more severe forms can have a devastating effect on a person's quality of life. Treatment is available to help relieve muscle spasms and pain, and alternative treatment such as acupuncture, could help to relieve the stress. Researchers continue in their efforts to find the causes and treatment of Dystonia. Research has focused on the basal ganglia (part of the brain), as this controls movements in the body, and where messages that initiate muscle contractions are processed. If you would like further information relating to Dystonia, please contact our office.

Training will take place on Monday, Wednesday and 6.30 pm in the Dunhill GAA Grounds. All players are asked to attend.

## DEATH

It is with great sadness that we record the untimely death of young local man Killian Gooney of Annewstown, which occurred last Sunday week. Killian was the youngest member of Ollie and Lillians family. When the news broke of his death the communities of Kill and Dunhill were devastated. It is the core, as the family has connections in both Dunhill and Kill.

Killian was a very active young man and was a member of the Dunhill GAA club. He played both hurling and football and enjoyed his sport immensely. As a man that was always young at heart, he used to attend the discos in Kill up until a while ago. He was always seen and not heard.

Killian's remains reposed at his home Tuesday and Wednesday

and on Wednesday evening his remains were carried to Dunhill Church by members of his family and Dunhill/Fenor Club members. It was a most sombre occasion, not a dry eye was in sight as many as maybe 1500 sympathisers came to walk with him to his final resting place. His remains were received and blessed by Fr G.Purcell on arrival to Dunhill Church. Only family members and close friends were able to get into the church while as many as the eye could see stood outside in the cold evening rain. Truly a fitting tribute to this fine young man in our community.

Following Requiem Mass on Thursday, which was celebrated by Monsignor Olden, assisted by Fr. Purcell, Fr. Crowley, Fr. Callinan, Fr. Farrell and Fr. Fitzgerald, Killian's remains were taken to the adjoining cemetery where he was laid to rest under a carpet of floral tributes.

He is survived by his father Oliver, mother Lillian, his brother Padraig, his sisters Olivia, Caroline and Martina, his aunts and uncles and cousins, his grandparents Mr. and Mrs. Mossie Walsh of Lisahane and many other relatives and friends. May God and his angels have mercy on his soul.

## SUCCESS FOR RAY

Congratulations to Ray Hennessy on his All Ireland victory with the Waterford junior team. Ray has been a great ambassador for football both for his club in Kill, as well as the county and we are also delighted that he was awarded man of the match in the replay. Well done again.

### CAPPOQUIN

#### From Charles Smith's History of Waterford 1746 (Continued from last week)

Ballygalane is pleasantly situated on the river, about a mile from Lismore. A little above the castle of Lismore on the opposite side of the river of Bally-Inn, the seat of Richard Musgrave Esq., the soil here tho, upon a very rising ground, is remarkably sandy, the gardens being scarce, any thing but sand, yet they produce all sorts of vegetables ... which is partly owing to an excellent exposure to the south.... A mile W. of Lismore on the river, are the

ruins of the castle of Ballygaron, said to be built by one Gay. It has no very ancient appearance, and seems to have been destroyed in the late wars. A mile further is Glanbeg, the house of Mr. John Jackson, seated at no distance from the river, adorned with good plantations of fruit and timber trees. Shian Castle lies about a mile to the S. of this place, by whom built is uncertain, but anno 28th Eliz. Maurice McGerrot McEn Eorla of Shian, was attainted being concerned in the Desmond Rebellion. Kilbree lies also on this side of the river between Lismore and Cappoquin, a castle here long since ruined, is said to have been built by King John, and a house has been erected on its foundation.

## Visitors Flock to Cúl Cheoil

"In all my trips to Ireland I have never experienced such entertainment." So stated John Earls a teacher from London who attended the Cúl Cheoil Show at The Park Hotel last Tuesday night. "I have come across ballads in bars and sessions in pubs but apart from T.V. shows I never knew of this Irish traditional culture or that it was so easily accessible in a live show of such great variety."

John who led a group of thirty had pre-booked for the weekly two hour show. Lucky for them, as once again people

were turned away with the "house-full" signs up for the third week in succession. Declan Terry was the special guest last week and his unique performance especially of his own composition had the audience enthralled. With up to fifteen musicians, ten different musical instruments, an amazing troupe of ten step-dancers, singers, set-dancers, poems and songs and a unique display of sean-nós dancing the audience is spell-bound, responding with enthusiastic applause.

Cúl Cheoil are based in the school of Traditional Arts run

by Na Cumaraigh Comhaltas in Cúl na Smear. They are booked to appear at several festivals including the Gig Rig at Fleadh Cheoil na hÉireann in Clonmel. The show is produced by Micheál Murrinan assisted by Stephen McCarthy and the M.C. is Alice Fitzgerald. With only one performance left the final night is Tuesday 24th - the economically priced show has also proved popular with locals. Admission for adults is only €7.00 and there are special rates for family groups. Booking at 058/41273.

# Youghal Newsagents Sell €200,000 Jackpot Ticket

**KEVIN KIRRANE**

A West Waterford resident is rumoured to be the winner of 200,000 euros in the National Lottery draw after buying the lucky ticket at McCarthy's Newsagents, Tallow Street, Youghal.

Proprietor of the newsagents, Liam McCarthy confirmed it's the third big lotto give away coming from tickets bought in the store in the past few months.

Twelve months ago another local customer had the chance at the 10,000 euro Telly Bingo jackpot after buying a ticket at the store.

And previously one of the store's customers from Knockanore walked away from an appearance on Winning Street 10,000 euros the richer after purchasing his ticket at what may soon be dubbed the 'lucky store'.

"We've had a lot of customers win smaller amounts in the thousands on scratch cards and other games as well, so it's a lucky store for our

customers anyway," proprietor, Liam McCarthy said.

Commenting on the recent 200,000 lotto win, Liam

wished them all the best.

"I wish them all the best of luck. Hopefully it will bring the best of times in the world."

And already looking forward to greeting the next big winner, he added: "Roll on the next one."

## Stradbally Tourism & Enterprise Group

Over the next number of weeks we plan to print extracts from the "Draft Plan" of Waterford County Development plan review, 2005, where we believe it has a direct impact on Stradbally and its hinterland. It is our intention to make a submission to this plan, a timescale for such a submission has not yet been finalised, but we expect it to be in November. We would welcome and encourage any suggestions you might for this development plan in our area; you can contact Tom Hickey or any committee member. Indeed you might prefer to to make your own submission, a copy of the draft plan may be purchased at the WCC, offices Dungarvan.

According to the "Vision Statement" of this draft, it will "Adhere to the principles of Sustainability. Sustainable development is 'development which meets the needs of the present without compromising the ability of future generations to meet their own needs'. (Bruntland report, 1987). We must protect, develop and use our natural resources at a rate, and in a manner, that enables people to meet their present needs, yet which also provides that future generations can meet their own needs. Sustainability involves finding the balance between an economy and a way of life in which both people and nature can flourish, and culture can develop and endure.

Also Foster and encourage Proactivity and Initiative in the County. We encourage the members of the Council and the wider population to establish, assert and set the framework for policies and decision-making in the county, so that it is open to all people and appropriate to their needs and perspectives."

Over the weekend I have being informed that a development plan for 108 houses, on a site south of Mgt Flynn's Horse Track and Stradbally GAA, grounds, (known as Breda Cunningham's Land) has being lodged for planning permission by the developers with Waterford Co. Council. More on that development next week. We also intend to keep you informed of the progress on the proposed sewage plant for Stradbally.

# Market Creating Community Atmosphere

**SOMETHING FOR EVERYONE AT FARMERS & ARTISAN MARKET!**

**BY KEVIN KIRRAANE**

Bringing together the cream of locally-grown produce and blending the familiar with the more exotic, the Farmers & Artisan Market located at Scanlon's Yard in Dungarvan is quickly becoming a popular draw for lovers of sumptuous cuisine of all varieties.

Its twenty stalls display products as diverse as Knockalara goat's cheese, Tim and Fiona York's organic tomatoes and lettuce and asparagus to Tara's handmade Passion cakes and triple chocolate chip cookies or the Naked Lunch's original Yankee Hot Dogs, lamb steak burgers and Illy's coffee.

The market strives to create a community atmosphere and, with this end in mind, the next few months will see buskers add a backdrop of music to the present sounds and aromas of sizzling blackpuddings and sausages.

**'THE NAKED LUNCH'**

Proprietors of one of the largest and most popular stalls at the market - 'The Naked Lunch' - Louise and Eamon, say the reaction since they opened the stall has been very good.

The stall has a mouthwatering selection of delicious cakes, desserts, top-brand coffees, fruit juice drinks, bagels from Broadway Bagels, and the by-now already famous lamb burgers.

"We also went to the Dungarvan Agricultural show recently and the reaction was terrific. It gave people a chance to see what we have to offer. And we're quickly after gathering a regular clientele."

Joe and Eileen Condon, whose Organic Kill Beef all comes from their farm in Ballymacarbery report a similar popular reaction to their produce. The organic beef is lower in fat content as it comes from their own Galloway herd, which eats herbs and grasses other cattle don't.

"Our meat is expertly butchered and hung for two to three weeks," Eileen said. "We've been farming organically since 1997. All our meat comes from our own animals and we've got great feedback from people."

**INDULGE YOURSELF**

"Indulge" - a small company located near Dunmore East harbor, has an extensive range of traditional homemade breads and cakes. From tomorrow (Thursday) they will extend the choice on offer to include Mediterranean cuisine such as olives and pestos.

Indulge's stall was attracting plenty of interest - despite the heavy downpour of rain that lasted for the duration of the open-air market last week.

"It's been going quite well," Mary, who was looking after the stall for the first time in Dungarvan said. "I understand that it has built up over the last few weeks. And the atmosphere here is very good, even with this..." she added, indicating the unseasonal shower.

Indulge have worked from their base in Dunmore East for the past year, supplying home produced breads and cakes to shops all over the county and city.

"Before that we had a restaurant so we are quite an established business, and everything here we've produced from scratch," she said.

The stalls right-hand side neighbour is Wolfgang Schliebitz's Knockalara Farmhouse Cheese. The stall combines a selection of Wolfgang's own renowned brand with a beautiful selection of other Irish farmhouse cheeses as well as a vast selection of different varieties of olives.

Knockalara Cheese, which is based midway between Dungarvan and Cappoquin was established in 1990, and are members of the Farmhouse Cheese Makers Association of Ireland.

And while the dazzling array of different varieties of cheese can be daunting for the customer, as the producer, Wolfgang is on hand to provide his expertise and help in choosing the best to suit your particular taste.

"I know a lot about cheese because we are cheese makers ourselves. That is the difference with many shops. We make ranges of sheep, goats and cows milk cheese so that expertise is at people's disposal," he said.

Wolfgang is also proud of the high standards that Irish Farmhouse Cheese has reached.

"Irish farmhouse cheese doesn't need to hide behind any other country's cheese. It can stand up beside the French or any other. They are a smashing cheese."

**TARA'S HANDMADE CAKES**

Another popular stall is Tara's handmade quality foods - an innovative and rapidly expanding company. Based in Dungarvan Business Park, Tara's reputation is now international as a result of their outstanding success in the prestigious Great Taste Awards in London last year where they won Gold.

Tara's cookies and cakes are completely free of preservatives and artificial flavours, which sets them apart from the "more mundane offerings of our competitors."

Customers also love the high quality of the rich cakes and butter laden cookies, and the high margin and repeat business from their customers who simply love the taste is testament to this fact.

As well as offering birthday and novelty cakes, their regular products include five flavours of cookies, eight flavours of cake, and their award winning Brownies, Chocolate Biscuit Cake and Namkin snacks.

Popular too is Fiona Burke's Cheese Stand, a producer based in MacCroom, Co. Cork - a regular in markets in Kenmare, Bantry and Waterford City as well as Dungarvan. Together with Irish cheese, Fiona Burke also carries Swiss and Dutch cheese.

"In a lot of the shops and supermarkets," John, who is looking after the stall says, "the cheese is vacuum packed which takes away a lot of the taste and flavour. At the market, the cheese is fresh. It tastes like cheese is meant to taste. If you take into account the quality then it's better value too."

As well as the cheese, the stall also carries homemade tomato based relish, and an unusual seaweed tapish, which is a blend of seaweed, onion, pickle and olive oil and which can be eaten as a dip or on its own and goes particularly well with cheese.

"We've gotten a very good reaction," John says. "It's a new market, so you have to give it time. But it's getting a great feedback from people, and it promotes locally produced and organic producers which is a very good thing."

One of those local producers Tim York of Glenribbeen Organics, which is located between Lismore and Cappoquin, not only produces all the vegetables and fruits on sale at his stall, but is also running organic classes - an introductory course to organic farming which runs once a month.

"We produce everything ourselves," Tim says. "We don't buy anything in. It's all organic and it's all freshly picked."

Tim and his wife Fiona have been farming in Glenribbeen for the past six years. Before that they were located in Ballinavella, from where they produced their own wine.

Now, they grow a wide-variety of vegetables, everything between organic tomatoes to pinto peppers.

**LOCAL GROWERS**

Jimmy Morrissey, whose Ballinacourty Queens are already a perennial mainstay around the county, supplies his potatoes straight from his Ballinacourty farm out of which he has been operating for a number of years.

Jimmy said he's very pleased with the feedback he's been getting, and described the market as a great opportunity to sell his produce directly to the customer as well as to wholesalers.

With its ethos of providing everything for a customers weekly shopping

the market also has a stall devoted to apple juice and apple chutney which comes from Ireland's only organic orchard, which is based in Portlaw, Clashganny Organic Farm. Together with stalls selling freshly caught fish, another feature of the market is O'Flynn's Butchers - soon to be located based in Tallow, and which supplies produce all over the Munster region.

"We have already gotten a lot of regulars who come back every week. We take pride in the fact that our produce is fresh. And we find here that we have a better contact with the customers and it works very well. People can come here to the market and buy all these weeks shopping in the one area, and it has a real community feeling. It brings everyone together and that creates a really good atmosphere."

One of the driving forces behind the Dungarvan Farmers & Artisan Markets, Siobhan LaTouche, has an impressive stand at the market, with a beautiful array of fresh organic vegetables, and fruit as well as eggs.

She said the market has been a really positive step forward for local business and producers.

"It's been great, really positive," Siobhan says. "Every week is getting better. Bigger and better. The main aim is to have something for everyone, and we'll be setting up chairs and having buskers so people can stay around and chat and have a coffee. It's a kind of atmosphere that you won't find in other places," she says.

"We're happy that the market will be a big success."

Dungarvan Farmers & Artisan Market is on every Thursday between 9.30am and 2pm in Scanlon's Yard Dungarvan, and is well worth a visit.

### Waterford Hurling Star claims Presidents Prize

This week was dominated by our President's Prize Kindly Presented by Bill Ronayne. The weather remained dry overall for the qualifying days of Friday and Saturday but it was very hot and sticky some of the golf played was also very hot with Waterford hurling star Eoin Murphy (18) leading the way on Friday with a fine 63 strokes helping him to shrug off last weeks disappointment in some style he was 2 strokes ahead of local hero John O'Gorman (14) and 3 ahead of a handful of players who posted 66s. So to Saturday after the trials and tribulations of another big field Eoin was edged into second place after a tremendous 61 by Captains Prize winner Barry Rumley (10) he was joined in second place by Anthony O'Rourke (12) who matched Eoin's 63 the aforementioned John O'Gorman remained in fourth place as we headed into the final round on Sunday there was also another few players with 66s so it looked to be between these lads to who would be the winner of this big one. The weather stayed dry up until teatime with most of the lads getting in before the rain but the men in contention had to endure a quite heavy drizzle as well as jangling nerves as they headed for home. At the turn it looked as if it was going to be between Anthony and Barry or the dark horse coming up on the rails namely Roddy Crehan (18) who was going well Eoin was beginning to fall back a bit. Roddy started to tire a bit as he experienced unsheltered territory so it looked like Barry was going to do the double as Anthony started to feel the pressure but hold on Eoin started to dig deep just as his team had done the previous week so coming to the last he was first up on the tee but still a shot adrift of Barry, he hit a scream-

er right down the middle Barry starting to get a bit tight hit the oak tree's known as the "Three Sisters" he bogeyed the hole and to his great credit the man from Knockanore parred the hole giving both players totals of 128 strokes Eoin in one of the tightest ever finishes witnessed by our Golf Club won The President's Prize due to a superior last 18 holes over runner up Barry. Our gross winner was past Captain Shaun Power (5) with 153 despite a 9 on the 2nd in his first round in 3rd place was Club Sponsor Pat Moore (16) with 131 shots 4th place went to Jim Cashman (18) with 132 the same score as 5th placed Roddy Crehan (18) Jim gaining the higher spot due to his superior last 18 holes. Category A was won by the afore mentioned Anthony O'Rourke (12) with 133 blows Cat B went to Newcastle United fanatic James Bennett (13) Category C went to Conna's David Lonergan (17) making a

rare appearance on the Leader Board with his 135 and Category D was won by Tallow's Mick O'Grady (19) with 137 winning due to a superior last 7 holes from Ronan Culloo (19). The past President's prize was won by Club Stalwart Seamus Beecher (12) with 138 shots best qualifier was the aforementioned John O'Gorman (14) with a 65 and lastly but not leastly to round off a fine weekend for Knockanore best Sunday went to Frankie Roche (11) with a 66. Thanks must go to Mark, Berni, Emma and Sharon who kept the troops fed and watered.

### Under 16:

On Monday night we were defeated by Abbesside away in the under 16 championship. This was a game we had to win in order to qualify for a Semi-final place. Playing with an under-strength team with a no. of our panel absent our task was going to be difficult from the outset against a very strong Abbesside. During the first half we failed to get going and let Abbesside develop an easy and early lead. However during the second half we found our correct form and with a some key changes to the team we put in a better display and narrowed the deficit. Well done to the players present on the night who in the end had done their best throughout the year. The Panel was as follows: D Pratt, S O' Grady, S O'Keeffe, N Ahearne, D Devine, S Leahy, K Mangan, P Bennett, S Mangan, S Mangan, D Leahy, J Nugent, M Shanahan, C O'Gorman, M Behegan, L Ryan, J Prendergast

## KNOW YOUR RIGHTS

**QUESTION:** We have just returned from a package holiday in Spain. Unfortunately the holiday was a disaster as we did not have the hotel facilities promised in the brochure. Is there anything I can do about it in terms of making a complaint and getting our money back?

**ANSWER:** Yes there is. The Package Holidays and Travel Trade Act 1995 implements an EU Directive and gives you a certain level of protection should the package not be satisfactory or if the operator goes out of business. For you to benefit from this protection, your holiday should be a package holiday, sold at an inclusive price that covers a period of more than 24 hours or overnight accommodation and be made up of a combination of at least two of the following pre-arranged by the operator/organiser:

- transport
- accommodation
- other tourist services which account for a significant proportion of the package (e.g. golf/fishing).

You are entitled to compensation for financial loss that you have incurred as a consequence of relying on information given to you about your package holiday. Compensation may also be claimed for disappointment at the quality of the holiday.

If the brochure was inaccurate, or things went wrong during the holiday itself, you can look to the tour operator and/or the travel agent for compensation. Your contract must give you at least 28 days from the date the package ended to lodge your complaint. If your holiday is altered or cancelled you have the right to either a replacement package of similar or superior quality, a lower grade package plus compensation up to the cost of the original package or a full refund. Alternatively you can sue for breach of contract, though if cancellation was caused by factors beyond the organiser's control, or the minimum number for the package was not reached and you were given the required notice of this in writing, you will not be entitled to any compensation. ## MONEY MATTERS

### Controlling Mobile phone bills on Holidays

When you are travelling abroad a mobile phone is very convenient for keeping in touch with home. However, that convenience comes with a cost. Before you go on holiday do a little research and find the most cost efficient way of using your mobile phone.

1. Check first of all that your phone is roaming enabled.
2. Find out which network will be cheapest for roaming.
3. Remember that peak and off-peak call times - on foreign mobile networks may differ from Irish operators - check.
4. Manually select the cheapest network to avoid roaming on an operator that charges more.
5. Text, don't talk - it's cheaper.
6. Pre-pay mobile customers pay more for roaming and may not be able to use their phone at all in some countries.
7. Best of all, keep your phone off. You're on holiday. Use your mobile only in emergencies.
8. If you really need to keep your phone on but you don't want to be charged for receiving calls, you can opt to divert all incoming calls to your voicemail.

The Commission for Communications Regulation (ComReg) has a consumer guide to controlling the cost of using Irish mobile phones abroad and is available on their website: [www.comreg.ie](http://www.comreg.ie)

## Ollie Wilkinson Pays Tribute to Minister Joe Walsh

Ollie Wilkinson T.D. paid tribute to Agriculture & Food Minister Mr Joe Walsh T.D. yesterday following his announcement to retire from government in September and from Dáil Eireann at the end of this term. Mr Walsh has been a Minister at the Department of Agriculture & Food for 10 years, and prior to that served as a Junior Minister for 5 years in the same Department. During that period he has worked very hard and rose to the various challenges that confronted him. In the numerous rounds of Agricultural negotiations in Brussels Mr Walsh represented Irish farming interests superbly.

What he will be most remembered for is his handling of the Foot and Mouth outbreak. He was decisive and calm throughout that crisis and his approach encouraged a genuine sense of national unity to protect the livelihood of our farming population. Managing the Foot & Mouth scare so successfully and getting the combined support of the rural and urban population was the crowning glory of his career.

Personally and politically Mr Walsh behaved impeccably during his tenure in office and never let his party or country down. He has been a superb Minister leading his Department with commitment and vision in the promotion and development of the farming and food sector.

I wish him and his wife Marie and their family good health and happiness in the future.

## African Community To Benefit From Creamery

The closure of the Glanbia Branch Co-op in Newcastle, Co. Tipperary, after 90 years in existence, has saddened the local community, but will leave an African community E10,000 better off. The creamery shut its doors for the last time in March and locals have decided to donate most of the E15,000 given to them in compensation by Glanbia to the Poor Clare Nuns in Lusaka, Zambia. Local groups in Newcastle are also benefiting from the Glanbia cash with Newcastle parish and Muintir na Tire each receiving E1,500. The Naionra and the juvenile G.A.A. club each receiving E750 and the Society of St. Vincent de Paul receiving e500. That left the local Glanbia committee with E10,000 to dispense and local farmers felt it would be better to give it to charity than divide it among the farmers. It will now be given to the Poor Clare Nuns in Zambia, an enclosed order who have a farm where they grow food for themselves and the many poor and needy people living around them. They have been farming for the past 30 years and need to reclaim more land for the bush and will use the money for the purchase of machinery to do that, and to purchase fertiliser to improve their farm. The E10,000 was presented on Monday night to Sister Lucy O'Brien who has local connections and is a member of the Missionary Sisters of the Holy Rosary.

She has been a medical doctor in Africa for over 50 years and recently go an honorary fellowship from the Royal College of Physicians of Ireland, an honour also bestowed on former President of Ireland Mary Robinson and M.E.P. John Hume. She was asked by the Newcastle committee to recommend a rural community which could benefit from the money, and she suggested the Poor Clares in Lusaka to whom she will be passing it on. John Egan, a member of the local Glanbia committee and also of the Glanbia Council, says that up to 10 people were employed at the heights of the creamery's activities in Newcastle when Milk was being processed on the site. But in recent years only one man was employed, and he has been transferred elsewhere in Glanbia's operation. The decision to close the Newcastle branch was he said 'a bit of a shock', however, Glanbia are still operating weekly deliveries to farmers in the area.

"There are less farmers around and they have less buying power. It's a pity, but that's the way rural Ireland seems to be going".

Newcastle Creamery has long and proud history, it was set up in 1914 when it was owned by the Ormonde family and four years later it was taken over by Cleaves and they were taken over by the Condensed Milk Company became the semi state dairy disposal Ltd. There was talk of closing at one stage but a local man Captain Perry, organised opposition and farmers bought shares in the company, paying five shillings for every cow they owned. Newcastle later joined up the creamery in Clonmel. Electric current arrived in the area in 1953 and a new premises was built in 1959. It was the first all electric creamery in the Country and was officially opened by An Taoiseach Sean Lemass. In 1967 Newcastle joined up with the South Tipperary Farmers Co-op and began to send the milk to Avonmore creameries. Six years ago that became part of Glanbia.

## CLOSED AND GONE FOREVER

One of the oldest public houses in the parish of Mitchelstown has finally closed its doors for the last time. The Mountain Barrack Inn situated on the Cross Roads, Mitchelstown, Araglin and Ballygiblin/Kilworth has finally closed and will no longer be used as a public house. It is understood the licence has been sold for some time is now being sold and the property which was for sale for some time is now being sold as a private house. It was the only pub in the Ballygiblin area. In the days of the British Army in Kilworth it was a pub that did a roaring trade. It marks the end of an era and shows that rural Ireland is in danger of losing many of its landmarks.

## Late Mrs. Babby O'Halloran

It is with deep and sincere regret we pen the death of Mrs. Babby O'Halloran (nee McCann), New Street, Carrick-on-Suir, which sad event occurred at Suirmount Nursing Home, Carrickbeg.

Deceased in her ninety sixth year, she was born on 1st February 1908 to James and Margaret McCann (nee Burke). Her father joined the British Army during the first world war and as her mother had died soon after Babby was born, she and her eldest sister Josie spent their early years with a family in Carrickbeg, who were paid to care for them.

Babby had not good memories of this period and eventually ran away and went to live with her aunt who had a shop in New Street, close to Town Hall. She recalled walking barefooted from Carrickbeg to attend school at the Presentation Convent. Her father was wounded in the Battle of Salonica and he also came back to live with his sister in New Street. Babby had much better memories of this time when she helped her aunt in the vegetable shop, and her father got a job as a baker at Walshe's, Templeorum.

She often spoke of the Civil War and the cross fire between the opposing sides with the republicans in the Barrack yard opposite the house and the Free Staters in the Town Hall. Later, she joined an organisation known as the "Blue Shirts". Mick O'Halloran, a British Army colleague of her fathers used to visit the house in New Street and through him Babby became friendly with his son Tommy and they married in 1934 in St. Nicholas Parish Church at 7:00am which was then the usual time for weddings. Her aunt gave them a portion of the house in New Street and they set up home there and reared a family of four, two boys and two girls.

Tommy was employed in the post and telegraphs and after a short period in Dublin, he was transferred to Waterford and he cycled to and from work every day. Following the death of her aunt, Babby extended the shop and sold cigarettes, sweets and chocolates and used to stay open until after dances in the Town Hall. She opened the first ice cream parlour in the town and became known as the "Queen of Knickerbocker Glory".

Her husband Tommy died in 1965 following which she took in borders, mainly teachers (female) for company. She loved foreign travel, and as two of her children emigrated and settled in America she crossed the Atlantic on at least twenty five occasions.

In 1992 due to failing sight she retired from business which was then taken over by her granddaughter Bernadette Mulvaney. Babby took up residence in Suirmount Nursing Home, Carrickbeg where she was cared for until her peaceful passing.

Removal took place from Walshe's Funeral Home on Friday evening to St. Nicholas Parish church and on Saturday morning, requiem Mass was celebrated for the happy repose of her gentle soul. The celebrant was Rev. Fr. Richard Geoghegan C.C., Carrick-on-Suir/Faugheen, after Mass the funeral took place to St. Mary's Cemetery, Carrickbeg where she was laid to rest. To her sons, daughters and her many relatives we extend our sympathy.

## FIVE LOCALS TO CYCLE THROUGH CHERNOBYL AREA

Five 'enthusiasts' from both Clashmore and Dungarvan — Ester Quinn, Denis Doody, Liam O'Donnell (Clashmore), Sinead Murphy (Abbeyside) and Angie Dalton (The Burgery) are heading to the Chernobyl affected area on a charity cycle from October 4th to October 11th 2004.

You may already have seen a lot of sponsorship cards and fundraising in your area for this worthy cause, so below is a little information on the cycle.

This is an East Clare project and the idea behind the Chernobyl cycle is to recruit about 18 cyclists/support crew. The participants are asked to raise a certain amount of money through sponsorship, then in October 2004 the team assemble in Shannon Airport, baggage, bicycles, the lot for an onward flight to Minsk.

The cycle starts the following morning just outside the city. Some Belarusian cyclists will accompany us on route over three days. Our final destination is Belarus in a sanatorium in Antelope. Sanatorium as the name implies is a place where children can be clean and sanitised from the toxins of Chernobyl. Most of the children in the Institute have been affected by the Chernobyl fall out and the Chernobyl project have taken this town under it's

belt and promised to have the institute roofed, separate toilets installed along with urgent water damage repaired by 2004.

We would like to thank people who have already donated money to our charity cycle and will be grateful for more. We have two fundraising nights coming up — the first race night at Ui Domhnaill's, Clashmore on August 20th at 9:30pm, a great night is assured. Details of the second fundraising night will be announced later.

## LATE CHRISTOPHER HICKEY

A young man who's love and zest for life touched and inspired all those with whom he came in contact with throughout his short life died peacefully on Sunday last, August 15th at the Mercy Hospital, Cork following a life long battle against illness.

From the moment of his birth, Christopher Hickey's parents Tom and Mary knew theirs was a very special child, not because he was diagnosed with a physical illness but because of his obvious courage and will to survive against all the odds. Through his short life he had to spend long spells in hospital, and at times had to endure a lot of pain and discomfort, but he always had the love, support and comfort of his family.

Despite all of this Christopher managed to go on to complete his primary education and went on to study at Youghal CBS where he was held in high esteem by all the teachers and pupils. Christopher had an amazing ability to bring out the best in everyone. He was blessed with a beautiful voice and came to fame when he teamed up with the very popular Paddy Greenslade. Together they recorded albums and performed at gigs around the country, including many charity events.

Failing health curtailed Christopher's participation in education and music in recent times and on Sunday last he slipped away peacefully to his eternal home.

Reposing at his home in Knockanore, Knockanore, requiem Mass was celebrated to the Sacred Heart Church, Knockanore

on Tuesday afternoon, following which he was laid to rest in the adjoining cemetery.

To his heart broken parents Tom and Mary, his brothers Joseph, Thomas, Donal and Vincent, his niece, grandmother Catherine Keogh and all his extended family members and friends, we extend our deepest and heartfelt sympathy.

Eternal rest grant on his gentle soul O lord.

# Residents Angered By Planned Removal Of Green Council Say Link Road Was In Original Application For Estate

A green used as a play area by children in The Orchard estate in Dungarvan is likely to be reduced by over fifty percent as the result of a 16 year-old planning permission granted to the developers of the 12 house estate.

By Kevin Kirrane

Residents say that a new link road proposed to be built between the Youghal Road and the Cloney Road will severely damage the intrinsic value and nature of their estate.

And in a bid to halt the removal of a sizeable chunk of their green, they have held meetings with eight of the nine Town Councillors and members of the local authority's planning section.

In a letter of protest to the Town Council signed by all the residents of The Orchard, they say the road will dramatically reduce the green area, and severely damage the nature of the estate.

## PROTEST

"This green," their letter states, "is used by our children as a play area and is secluded from external traffic."

They say the proposed new entrance to The Orchard is in their opinion a danger for children of the estate, and would prefer if the existing entrance to the estate remains open.

Thirdly the letter states that the volume of traffic on the new road "will be a severe problem for residents" due to "the acoustics being amplified as existing trees will be removed."

And they complain that the private nature and the intrinsic value of the properties will be "severely damaged if the road is progressed in its current form."

However, council officials say the link road - with an expected start date of six to twelve months - is needed to relieve congestion at the Mitchell street junction, to service the 98 new Hollycourt houses in McCarthy's Land and to service the new Secondary School on the Youghal Road.

The officials also said, that in the developers 1988 planning application a portion of land was agreed to be transferred to the council once the road was ready to be built. Until the transfer, the developers agreed to landscape this area.

However, the residents pointed out that as permission was granted 16 years ago, and most of the residents have only lived in the estate for the past ten years they were unaware of the sizeable amount of the green to be removed.

## MINISTERIAL INTERVENTION URGED

One of the councillors involved in the on-site discussions with the residents, Cllr. Billy Kyne (Lab) said he now hopes to take the matter up with the Minister of Environment, Martin Cullen, and is urging the Minister to intervene.

"I will be contacting the Minister of Environment, Martin Cullen, to ask for his departments intervention to see if there is any third party consultative expertise that might reverse the present drastic proposals," Cllr. Kyne said.

He added: "While I would acknowledge that the residents always knew and accepted that a road was going in the vicinity and that it would have a negative impact with noise, they were never clear that over 60% of the green area would go in this proposal."

## ALWAYS IN THE PLANS

When the original planning application for The Orchard estate was lodged in 1988, the estate was built in a way to facilitate the new road, and around 70% of the green was agreed to be transferred by the developers to the local authority when the road was to be constructed.

Number 13 in that application states that the developers would landscape the portion of the ground "reserved for future road development on the eastern end of the site."

This landscaped portion makes up the bulk of the present green.

However, angry residents say they believed land on the opposite side of the tree lined boundary would be used for the road.

Instead the trees will be removed and a six foot wall will be constructed across at least half of the green. The boundary wall will also close off the present access and residents will have to access onto the new link road.

Residents also say the new layout will lead to an influx of pedestrians walking through the small estate to the new shopping centre site.

## PUBLIC DISPLAY

Responding, council officials said the portion of the green to be taken as part of the road development will be minimized, and under this plan around 50% of the green is expected to be taken - rather than the 70% agreed with the developer.

They say the development was on public display for four weeks from the 2nd of June and just one submission was lodged.

"The link road formed part of our Town Development Plan prior to permission being granted for the houses," Acting Town Clerk, Joe O'Flaherty said. "The road development formed part of the permission for construction of the houses and the proposal to construct the link road is in accordance with the Part 8 drawings which were recently advertised."

"But we are endeavoring to minimize the encroachment onto the green area. However the final design of the road will be governed by maximizing road safety."

The issue looks likely continue and is expected to be raised and debated at the council's next meeting in September.

# Emotional Night As League Changes Name

## SEASON KICKS OFF ON SUNDAY

After almost 30 years of Red House League football, the league took the unprecedented step of changing its name to The West Waterford/East Cork Junior League. The League took this momentous decision at its first delegate meeting for season 2004-2005 on Monday night last at a packed meeting held in the Red House Bar, Lismore.

At the onset League Chairman Michael McBride explained the reason why the League management were suggesting the name change to the clubs. Michael explained it was not an easy decision to arrive at but the time as appropriate for such a decision and he hoped the clubs would understand the reasoning.

The management committee answered the many questions that were asked from the clubs and it was very noticeable the interest this decision has aroused. After all questions were answered a proposal was made from the clubs to change the name of the league to the West Waterford/East Cork Junior League or abbreviated WWEC. When the meeting was over we sought the views of some of the management

committee.

Michael McBride told us much time had been given by the committee since the end of last season working on the change. He told us he wanted to thank all the committee for the time and effort they had given as many meetings were held during the Summer months as sponsorship for the various competitions had to be put in place. Michael went on to say he was delighted that the Red House Bar would continue with their sponsorship as they will be sponsoring the premier-ship.

Liam Fraser told us it was a very historic night and said the interest in football, be it junior, youths, underage and now ladies football, had mushroomed out of all proportions. Liam went on to say he has never seen so much interest as there is this season and not a game played yet in any competition. Noel Hegarty agreed with Liam saying the number of challenge games so far is unprecedented and youths and ladies have really improved beyond the wildest dreams of the committee.

Tom Power said the decision was a momentous occasion for

everyone present and the league has really flourished in the past few years while Anthony Kenneally told us that extra sponsorship has already been obtained, sponsorship he said that will be of great financial benefit as the cost of running the league has increased over the years.

Secretary Michael O'Neill said he was delighted with the decision taken and that he has been involved as a player, referee and now secretary since the early days. Finally we spoke to Paddy Pollard who told us it was both a sad and joyous occasion. Paddy told us it was he who approached Michael O'Leary almost 30 years ago for sponsorship and Michael took it up on himself to sponsor the league. Paddy said the league has grown from humble beginnings to what it is today, a league with 26 adult teams, with youths, a fantastic underage structure and now ladies football.

We are now in a different age, an age that is totally alien to the one of 30 years ago. Paddy said we must now look to the future and that future is going to be a costly time. The league

will always be synonymous with the Red House but he is delighted the committee went back to the original name which was East Cork/West Waterford league and concluded by saying while it is a very nostalgic occasion for him, he is delighted to be part of the committee after all these years, and he wishes the league the very best for the future. So these are just a sample of the comments from the committee on a night that was historic, and a night when WWEC was born.

## New Committee Members

At the outset of the meeting, Michael McBride welcomed new committee member Paddy Tobin and told the delegates that since the AGM Noel Cahill, Castlebridge Celtic had been co-opted onto the committee.

# Tallow Outwit Students

### Tallow 3-14 W.I.T. 1-13

Tallow had some anxious moments against W.I.T. in this knockout championship encounter at the Fraher Field on Friday evening before finally getting to grips with the game ten minutes into the second half. After that they had the upper hand and played some quality hurling but he students were a threat right up until the last five minutes of the match when Shane 'Finn' capped a fine personal performance with his sides third goal.

There was considerable interest in the W.I.T. line out, and not just from Tallow supporters, prior to the 6:15 throw in. All clubs were worried about the threat they posed with the absence of Kilkenny and Wexford players, they had a strong team on the field. It was clear from the outset that they were 'up for it' as well when Willie Ryan opened the scoring with a point from play. Tallow's reply was emphatic and immediate as Colm Geary gained possession 50 yards out, scythed through the college defence before planting the ball in the net. Game on. It was tit for tat from there on with points exchanged almost on rotations to the end of the half. Colm Geary (0-2), Paul O'Brien (0-3), Shane Finn, Ringo, William Henley and a magnificent 100 yard effort from James Murray accounted for the Tallow scores while the elusive Willie Ryan at corner forward was doing most of the damage for W.I.T. all but two of their final 1-13 tally came from the Tipperary man's hurl. A feature of the first half was the battle between Limerick senior hurler Ollie Moran at centre back and Shane 'Finn'. Finn's lad gave him enough of it. Tallow led by the Colm Geary goal at the interval (1-9 to 0-9) and it was a reasonable reflections of the slight edge Tallow had in a keenly contested sporting first half.

Half time changes to the Tallow team at first appeared to have an unsettling affect as the college team hit a goal and two points without reply. Apart from their opening point this was the only time the students led by they were now hurling with purpose and effect. For a while Tallow were in disarray and W.I.T. looked like they were going for the Kill. Fada, now playing at full back and James Murray now at centre back had other ideas as they tightened control on our full and half lines to settle the team. Paul O'Brien was starved of possession at corner forward but a switch to the half line brought him into the game and he proceeded to torment his marker with an exhibition of fast, skilful hurling which is his hallmark. Tallow were spreading play to the wings more now using the speed and hurling craft of Paul O'Brien and Basher to good effect which brought a point from each to level the

score. After a shaky start in the first ten minutes the game plan was now kicking in. A goal and a point from Colm Geary, who had one of his finest games in the blue and gold, and another from Paul O'Brien gave Tallow a 2-13 to 1-12 lead coming up to twenty minutes. They had weathered the initial storm and wrenched back control of the game but it was far from over a contest. A pointed free from Willie Ryan reduced the lead to one strike of a ball. You couldn't rule out another goal from this fella the way he was playing. Basher eased out worried with an insurance point but it was not until Shane 'Finn' goaled with five minutes remaining that the Tallow supporters could relax to a degree. Still not over though, W.I.T. rattled the crossbar with a failed penalty attempt but it was to prove their last throw of the dice, Tallow advance to meet Ardmore in the next round.

Team: Barry Power, Will McDonnell, Mark 'Sparky' O'Brien, Stuart Barry, Shane 'Gleannaghlough' McCarthy, Dave 'Fada' O'Brien, Paul Murray, Mark Geary, James Murray, Colm Geary, Shane 'Finn' McCarthy, Paul O'Brien, William Henley, Brian 'Basher' Henley, Aidan Kearney, William Murphy, Sean Slattery, John Cunningham, Terence McSweeney, Maurice O'Brien, Eamonn Forbes.

### Injured Players

We have a number of players out through injury at the moment and we send best wishes to all particularly James Beecher who was injured in a challenge game against Carrigtowhill. James suffered a nasty knee injury but knowing the spirit of the man he'll be back in a club jersey at first opportunity.

### Senior Hurling Championship Tallow v Ardmore

It's back to business straight away as we face Ardmore in the next round of the championship on Sunday in the Fraher field. It's the second game of a double header so it will probably have a 4:00pm start. Check elsewhere for confirmation of time. Last year Ardmore were desperately unlucky to lost to county champions Mt. Sion. Their form this year has been ever more impressive. Ardmore were responsible for diverting Lismore round the scenic route like ourselves. They ran Ballygunner to three point last Saturday and had enough chances to win the game. They are a serious power in senior hurling. Tallow will need to show improvement to be in with a chance. We had great support last week and a number of the players remarked on it. We are hoping for an even bigger turnout this week so go along and support the lads. They're putting a lot of effort into in

and deserve to be supported.

### Bord na nOg Notes

People have the impression that I am always criticising the work of the boards on these notes. That is not the case, it's just sometimes when you offer constructive criticism in an attempt to promote change, they take it personally. I acknowledge freely the work put in by many dedicated board members, work I wouldn't be prepared to do. Bord na nOg P.R.O. Thomas Keane is a typical example. He was an excellent board secretary before taking on the role of P.R.O. this year. I know from my own scribbles how long it takes to do a few columns but Thomas turns out a full informative page on juvenile affairs in the county every week. Though in the public eye with his writing, he is not one himself to court publicity. He is highly regarded and respected by all at club level who have dealt with him. It is people like Tomas O Cadhain, working at the coal face, that make the GAA the great association it is.

### Waterford Fail To Fly

A metaphor for the game itself maybe. While the team failed to take off from Waterford, Magoo's helicopter was grounded in Cappoquin. The only crowd to get airborne were the Tallow lads on board "Meadowfresh 1" out of Cork. I'm sure one of our witty Cork friends will have a comment on this. I can think of one but they don't need any help.

### Seana Chairde

Meeting old friends is very much part of the pre and posts match ritual. G.A.A. is the great reunifier, bringing friends together who might not normally meet. As we usually do, we met up with Mick Barry, Waterford ambassador in Dublin, and his charming wife Anne, who had the May victory to celebrate at least. In the company also was the genial giant of a man Sean Crowley, a great supporter of the county team. Add in Finn, George, the Geary brothers, H, Legend, Doyle, Keefe, Tinker and Magoo and you being to understand the mediocrity of the company I was keeping around Fagan's before and after the match. You would have to be quick on the verbal draw to survive among the lot.

Breis is triocha bhliain o shin, chaithe me Samhradh suaimhneach i nGaeltacht na Rinne, ag foghlaim Gaeilge, mar dhe. More than thirty years ago, I

spent an idyllic term in Ring along with Ed O'Mahoney on a G.A.A. scholarship. Bean Uí Faolin in Helvic was our Bean an Ti and we were looked after by the same lady and her son Bertie who stuck up for us when we got into rows at the Ceili with the Dubs (which Bertie has usually started). 'Dozy' McCarthy and 'Bugsy' Hackett from Cappoquin were part of the West Waterford contingent staying at Whelan's of Helvic. Fine footballers both, 'Dozy' captained our team, which was almost exclusively Waterford lads, in the college competition which I think we won.

Happy carefree days. Our biggest worry was getting stopped by the local guard, around the cross down to Baile na nGall, for no light on the bike coming from the ceili, heaving home to Ceann Helhic.

"Where is he going with this rambling?" you ask. Well, I never again met "Dozy" though he lived just 9 miles away in Cappoquin, until last Sunday week in Fagan's after the All Ireland semi final when I was introduced to him and his wife. He's settled in Dublin now for some time, and very involved in juvenile G.A.A. in the capital. He hasn't changed from the gentleman he was. We spoke all too briefly, as "Meadowfresh 1" was boarding and I had to depart for the airport, but I was thrilled to meet him after all these years.

It's part of what the G.A.A. is all about.

GER WYLEY/NIKE SUMMER SERIES RACE 10

# Peter Duggan Wins Veronica Ryan Memorial Cup

**PADDY MAC'S BAR ARDMORE 5**

We couldn't have asked for more than the fitting end we had to this year's Summer Series in Ardmore last Friday evening when race number 10 was completed to end the series which was hosted by West Waterford Athletic Club.

A huge turn out of 176 athletes completed the Paddy Mac's Bar sponsored event which was yet again a record entry to this particular race. Held in ideal conditions Ardmore was looking at its best for all the runners and travelling contingent. The winner this year's mens race was a Kilkenny man Peter Duggan, St. Joseph's AC, to round off a memorable week for those from that particular county. Peter's winning time was 26.33. The Joseph's man was delighted to win this year having finished third last year and it rounded off a very successful Summer Series for him also. The next two placings were

filled by runners from the local club West Waterford AC. Mark Langford who has been knocking on the winners door in recent times and is very close to taking a win was second in 26.40 with his club mate James Ledingham third in 27.05. James too has taken to the road scene in recent months with much success having won numerous races in the recent past. Looking at our pick for this race for athlete of the day, well I have to single out two performances really on this occasion as two of our club athletes deserve the accolade. One was Vincent Bo Bo Tutty who finally and it wasn't for the want of trying had a personal best run

over 5 miles when clocking a fast 33.33 taking a whopping slice off his previous best well done sham and Ray Dwyer who had the race of his running career when he clocked a great 30.34 and taking some very notable scalps into the bargain. Well done to you Ray, who said bike training isn't compatible with road running, you have proved them wrong big time.

**NOEL FAHERTY MEMORIAL CUP GOES TO SINEAD CUMMINS**

The ladies race saw one of the most keenly contested races probably ever in Ardmore last Friday evening when another St. Joseph's athlete Sinead Cummins held of a very determined Jackie Carty, Kilmore to take the Noel Faherty Memorial Cup for the first time. Sinead was clocked at a fast 29.40 well inside the 30 minute barrier for 5 miles, this also is a course record for this race and it gave Sinead a 20th finishing place in the overall race, but she didn't have it all her own way as a ding dong battle took place out the course before she called on all her experience to beat Jackie Carty who was just three placings behind in 23rd place with a time of 30.04. Also in the hunt for overall ladies winner was Grange/Fermoy athlete Mary O'Leary who had to settle for third in 29th place with a time of 30.30. This is top class stuff from the ladies and we had three of the best in the country on the road here. Indeed the ladies race was of a very high

standard with very fast times recorded all round on the fast Ardmore course. Similar to the mens race we have an athlete of the day in the Ladies section and many were in the running here (pardon the pun) but our pick goes to Triona Wall who had a blinder running a personal best time of 39.47 breaking the 40 minute barrier for the very first time well done Triona.

**PRESENTATION AT PADDY MACS BAR**

After the race the presentation of prizes took place at Paddy Macs Bar our race sponsor.

**ZODIAC SIGNS**

The Zodiac signs competition is a unique element to the Ardmore race and brings great banter and fun into the event. This is where each male and female runner races for the honour of being the first in their particular star sign and I can tell you fun it is meant to be but some very interesting competition take's place here too.

sor. We would like to thank the management and staff of Paddy Mac's for their kind hospitality and of course their welcome sponsorship of the race. To those who laid on all the sandwiches for the hungry athletes they were very welcome. A special word of thanks to West Waterford club man Michael Hennessey who once again looked after the organising of the race in Ardmore a job done well. Everything went like clock work on the night, thanks to all the stewards and the local Gardai for their co-operation. To our hard working club time keepers, those who looked after entries the finish area and

results which were available to all in quick time as usual well done. The Ardmore race always brings out the locals to view the runners as they pass and this year saw probably the biggest crowd to date. To all the people of Ardmore thanks for having us and thanks for your encouragement along the course. Thanks to Tony, Mary, Liam, Sean and Eamonn Ryan and also much thanks to Matt Faherty for being present to present the two Memorial Cups to the ladies and mens winners on the night. ## WEST WATERFORD AC. TEAMS ANNOUNCED FOR NATIONAL HALF MARATHON CHAMPIONSHIPS

The National Half Marathon Championships of Ireland take place on Saturday week August 28th in Castlebar, Co. Mayo and a huge West Waterford contingent will be making the journey West for the event. It probably would be safe to say that we will again have by a long shot the most club members participating from any one single club in the country with 40 athletes taking part. Road race co-ordinator Gerry Cantwell has been busy over the last couple of weeks finalising the accommodation and sorting the athletes for the various categories, seniors, masters, teams, etc.

Best of luck to all travelling and hopefully some will take home national medals from the championship.

**CLUB SPEED TRAINING AT AN END**

Tony's track speed training sessions have now finished. Training schedules for the upcoming Cross Country season will commence at the end of September, more about this at a later date. On behalf of all at the club who were participated in the sessions over the summer months either at the R.S.C., Waterford on Tuesday nights or St. Augustine's on Wednesday nights, we thank Tony for his time and expertise. Many if not all those taking part have over the last few weeks ran personal bests over a variation of distances thanks to these sessions. We had some great crack but we got the job on hand done as well.

Below is a report of the years progress by the Secretary of the club, Ms.Mary Russell.

**THE AREA ART COMPETITION**

The first area art competition took place last March, in the Bunscoil na Naomh, and the 1st, 2nd, and 3rd, places went forward to the county competition held in April in St. Augustine's College and the Friary,Dungarvan. Three entrants received Gold medals, Laura Houlihan,Marie Russell and Ciaran Fitzgerald, who now go forward to the All Ireland finals to be held in Mosney on August 21st.

**VOLLEY BALL.**

The under 16s Volleyball team came out county winners, after a county playoff in April against Tramore and Ballyduff Upper. From here they went forward to play in the Munster play offs in Limerick University, where they met Fethard (Tipperary) in the semi final and beat them two sets to one.

They then met St Finian's of Limerick, in the final, beating them 2 sets to 0.

They are now the Munster champions, and will go to Mosney on August 21st and Sunday the 22nd in the All Ireland rounds. Team: Edel Ormonde,Shelley Keane,Kate Heneghan,Tracey Barry,Sharon Moloney,Janette Molone,Patricia Broderick,Gemma Tobin,Jenny Houlihan,Christine Toomey. **ATHLETICS**

The area competition took place in May, in the Bunscoil na Naomh.First and second places took part in the county competition in the RCS, back in Waterford on June the 26th, and four first place winners came out of the competition, ie Rachel Whelan,Mairead O'Grady, Kevin Houlihan and Catherina McGlone who all go forward to the all Ireland finals to be held in Mosney on August 28th.

**FUNDRAISING.**

A 'Bag-Pack,' was held in Willie Roche's supermarket store over the August Bank Holiday, which was a great success.The club would like to thank all competitors and their friends who took part.

**TRACKSUITS.**

The Waterford County Board purchased a new set of track suits this year for the competitors going forward to Mosney. A

county draw raised funds for this. Local man Bernard Cunningham, won a 200 euro, second prize in the draw.

**THANKS.**

The committee of Lismore & Ballysaggart Community Games,would like congratulate the winners and to thank everyone who helped in any way during the year.Without whose help the games wouldn't have been such as success.

**2ND DIVISION**

It is now a little over a week to the start of the new season and one has to ask how ready we are for the challenge ahead? I think it must over 20 years since we last competed at this level, so it is a big step up for the team, especially with our situation with so many players being involved in both GAA and soccer. It is important that we try and keep our fixtures some way right.

We have a young team that has been together in the lower league for a few years now and they felt it was time to move up.

We have moved up, so it's up to you, the players to give a good account of yourselves both as a team and your respect for the clubs and fellow players.

**FIXTURES AND TRAINING**

Saturday, 28th August — Away vs. Ferrybank 2:15 pm.  
Wednesday, 1st Sept — Home vs. Bolton 6.15pm.

**TRAINING**

Monday and Thursday night 7.30 pm. Come along, enjoy the fun before the pain begins

**OLD FIELD - NEW FIELD**

For this season we continue to play in our old pitch and one must say it is looking in great shape. I have never seen the grass look so well this time of the year. Posts painted, pitch marked out and that famous dressing room had got a good tidy-up.

One player remarked at training: "It is a pity to be moving." Thanks to Tadgh, Garvan and Joe O'Brien for work carried out.

**LOTTO**

Winning numbers: 9, 19, 21, 22. No winner. 25 euro each: Helen Maddox, Tina Montgomery, Mary Vaughn. Promoters Prize: Francis Sheehan. Jackpot now stands at 4000 euro. 2 euro a go and you could be our first winner. Tickets from any club member and the local pubs. So, if you are in your own local, just ask for a pint, packet of crisps and a lotto ticket and, who knows, it could be the best round you have ever bought

**ANNUAL GENERAL MEETING**

At a recent annual general meeting we had over 30 people present which was a great turnout for a small club such as ours. One could not help but think back to those days when only 7 or 8 would turn up for a meeting (remember one treasurer writing down on a fag box the accounts of the club. We had £50, to which it was stated we were in good financial state for the coming year. This was a far cry from our recent meeting when a very well presented treasurer's report was dealing in the region over 100,000 euro!

Just a note also regarding Eamon Clancy who stood down as Chairman — he can look back with great satisfaction to his term in office, as without doubt the changes are there for all to see.

**UNDER-AGE**

Training for U-14s and U-16's Saturday at 12.30. Please be there as it is not too late for new members.

**FIXTURES**

U-11 — Wed. 25th August - Away vs. Ballinroad, 6.15 pm.  
U-14 — Sat. 28th August - Home vs. Tramore, 11.45  
U-16 — Sat. 28th August - Home vs. Piltown, 2:15 pm.

**NOTE RE U-11S**

This is a new team so we need support from parents for lifts to matches, etc. Match fee is 2 euro and don't forget, shin-pads, boots, shin pads, shin-pads, shin pads shin-pads!. Oh! and shin pads! Squad members will be notified.

## OCTOBER DATE FOR ROOSTER BOOSTER

Trainer Peter Hobbs is unwilling to let his top class hurdler Rooster Booster run on the level this summer. He feels that the now ten year old might injure himself on the good to firm ground so he plans to wait until October of this year to give his gallant grey his first outing over hurdles.

## THE CAT TO STAY SPRINTING

As One Cool Cat appeared to relish his successful six-furlong sprint outing at the Curragh recently trainer Aidan O'Brien plans to keep the three-year-old running over such a distance. It transpired that after a number of lack lustre performances owner John Magnier was keen to retire the "Cat" but Aidan O'Brien never lost faith in the colt and there is even talk now of sending One Cool Cat over to the USA later on this year to contest the Breeders Cup Sprint.

This Weeks Irish Fixtures

Wednesday — Sligo 5.15

Thursday — Tipperary 5.15

Friday — Kilbeggan, 5.00

Saturday — The Curragh 2.15

Sunday — Cork 2.25, Fairyhouse 2.35pm

## PLENTY OF DRAMA AT CORK

There were plenty of fun and games at a recent Sunday fixture at Cork Race track. In a novice chase both Brendar and Trooper Curley refused while in the handicap chase Teo Perugio, Ceannaraick and Golden Beacon were all disqualified for by passing a fence on the wrong side.

At the same fixture the Halfway House Syndicate from Waterford owned and Paul Roche trained Sheer Tenby opened his account over hurdles with Barry Geraghty in the saddle while the third placed horse in that race Wacky Sport now in the care of Kilmacthomas trainer Paul Lenihan ran a pleasing race and appears well capable of winning a maiden hurdle before the end of the current campaign.

## EXCITING FILLY

When the David Wachman trained Damson captured the Independent Waterford Wedgewood Phoenix Stakes at the Curragh she became the first filly to beat the colts in the race for ten years. The Jim Bolger trained Eva Luna was the most recent filly to put one over on the colts back in 1994. Connections of Damson are now contemplating running their valuable filly in the Chevely Park Stakes. Damson is now quoted at 12/1 for next years Guineas at Newmarket.

## KEVIN NOT TO BLAME

I did Kevin Manning a disservice last week when I said he partnered Tropical Lady into the runner up spot at the Curragh when in actual fact it was Mick Kinane who rode George Kent's much-improved mare. The Aidan O'Brien trained Solksjaer who won that race from Tropical Lady will now be aimed at the Irish Champion Stakes at Leopardstown.

## DID YOU KNOW

Did you know that back in 1970 at the Tramore races a well-known horse at the time from the Dreaper yard at Kilsallaghan in County Dublin called Muir was disqualified along with three other horses for taking the wrong course in the featured Phoenix Beer Chase. The stewards eventually awarded the race to the 100/8 outsider Worried Wizard. Muir was the 6/4 favourite on the day.

## DID YOU KNOW

Did you know that Coolmore's top stallion Saddlers Wells commands a stud fee in the region of Euro 250,000 and the 23 year old sire is reckoned to have earned Euro 200 Million in all his years at stud and the beauty of it all is that its tax free.

## THIERRY RETIRES

## REDUCED CLAIMS

Niall Madden Junior lost his right to claim as an amateur when guiding the Pat Flynn trained Ballintry Guest to victory on the opening evening of the Tramore Racing Festival while on the same card promising apprentice Rory Cleary had his claim reduced to five ponds after partnering Shayandar for trainer Michael O'Brien.

## LARRY'S BAN

After been found guilty of bumping an opponent Tramore rider Larry Hurley a member of the visiting Ireland jump jockey team in Australia was handed a ten-day ban by the stewards. This ban also applies to racing in Ireland as well as Australia.

## POWERSCOURT LOSES IN CHICAGO

The Aidan O'Brien trained and Jamie Spencer partnered Powerscourt captured the prestigious Arlington Million in Chicago over the weekend only to lose it in the stewards room for causing interference in the closing stages of the race.

## HORSE DRAW

The draw for the racehorse at Tramore last Sunday after racing attracted a huge crowd to the parade ring and the lucky winner was Frances O'Connor from Tramore. Well done to Frances wife of the popular Ollie O'Connor from Tramore and hopefully the horse will go on and win a couple of races for connections next year.

## TRAMORE HIGHLIGHTS

**Day 1** — The Waterford hurlers were in attendance for the opening evening of the festival, which attracted a huge crowd.

On the track the star of the show was young Niall Madden who scored a first and last race double courtesy of Ballintry Guest and Jack Daniels. Trained by Pat Flynn Ballintry Guest had a very easy win in the opening maiden hurdle but young Madden was made work much harder aboard the gutsy Jack Daniels in the concluding bumper. The well fan-

ced local runner Another Superman cruised up to join Jack Daniels in the home straight but the Tim Doyle trained Jack Daniels displayed the greater will to win digging deep to post a narrow win.

Waterford based owner John Brennan had his colours carried to victory in the handicap hurdle as the ten year old Ogan Hill 10/1 made most of the running under Mark Walsh to defeat Academy Brief who was given a lot to do by Ruby Walsh.

Ruby was a hero once again though in the Handicap Chase bringing the warm favourite with a steady late run to outstay the front running Silent Native.

**Day Two** — The showcase event on day two was the Richard Power Bookmakers handicap with Barry Geraghty bringing the Joanna Morgan trained Portant Fella 5/1 with a well timed run to get the better of Dow Jones by three lengths.

Penny Rich recaptured his best form under David Casey coming with a late challenge to defeat Petite Petasse in the Beat FM Claiming race.

Ruby Walsh rode a tremendous race aboard the David Kiely trained Karlo this son of Toulon arriving late on the scene to deny Tothoroadyouvegona by three lengths.

**Day Three** — Trainer Kevin Prendergast sent out Rolling Home 4/7 under Garret Cotter to capture the opening Maiden Hurdle. The Ron Flavin ridden Chicago Vic 13/2 came from a long way off the pace to take the WLR FM Mares Maiden Hurdle.

The Michael Holden trained Colmcille did well to win the Novice Chase as he was badly hampered by the second last fence fall of the long time leader Mossland.

The Castles looked like justifying odds on favouritism in the final race of the session but Rory Cleary conjured up a late run from 5/1 chance Eglington to get up close home.

**Day Four** — Jockeys Philip Carberry and Ruby Walsh both recorded doubles on the final day of the racing festival and really Ruby Walsh should have notched yet another winner in the final race of the session as he left his effort far to late aboard the favourite Padre Nostro as Paul Scallan stole a march on the 7/1 outsider Invicta eventually winning out by half a length.

### FIELD DAY

The sun was shining for our Field and Sports Day which was held in Currabaha Park last Sunday afternoon. Both parents and children enjoyed the day with the most popular items proving to be the pony-trekking, the water chair, the penalty shoot-out, the mini golf and, of course, the bouncy castle. Races were then held for boys and girls from Under 4 to

Under 14 with medals presented afterwards and sweets for everyone. Great prizes were also handed out following a raffle draw. The club would like to thank everyone who contributed to making the day such a success.

### FRIENDLIES

Our Premier team wrapped up their pre-season when they travelled to Youghal last Saturday afternoon to take on the home side. After a tough encounter, Kilmac came out on top by 4 goals to 3 with goals coming from Micheal Downey (2), Paudie Prendergast and Brendan Whelan. Hopefully these series of challenge games will stand them in good stead for the new season which kicks off tonight (Wednesday).

# MANCHESTER UNITED SUPPORTERS CLUB (WATERFORD BRANCH)

## MEETING

There will be a general meeting on this Thursday, 19th August at 8 p.m. sharp in Lawlor's Hotel. This will be preceded by a committee meeting at 7.30 p.m.

## MANCHESTER DERBY

Hotel money for the above trip is due at the meeting Thursday night. The cost is £20 sterling per person per night sharing and £30 sterling for those in a single room.

## SOUTHAMPTON IN DECEMBER

There are only a handful of places left for this trip so if you are interested contact the Secretary at 086-3925677 a.s.a.p. to avoid disappointment.

## NORWICH NEXT SATURDAY

To those travelling for this game, enjoy it. Those that are not, can join forces in John Keane's under the club flag at our official residence for all Manchester United live matches.

## TICKETS SECURED

We received great news during the week that we had secured tickets for Andrew and Richard O'Neill in the Disabled Section for the Arsenal fixture in October. They are counting down the days already.

## SNIPPETS

The crack was mighty in Keane's for the Arsenal, Chelsea, Liverpool fans, other-

wise known as ABU's. A few questions remain unanswered: (1) Why support a team if you can't name the team?

(2) Why is Harry Ansell known as two socks by his friends?

(3) If Chelsea don't win the league, will Anthony Cockwell ever recover?

(4) Tony Wright just wanted a mention in our notes so we'll oblige, even if he follows Liverpool!

(5) Marcus Dixon needs a few weeks to get his bearings before entering a debate on football.

Watch this space for answers over the coming weeks and months.

# DUNGARVAN G.A.A. CLUB NOTES

## JUVENILES

Training continues for under 6s on Tuesday at 7.00 p.m. and on Wednesday at 6.30 p.m. and Saturday mornings at 11.00 a.m. for 8s, 9s and 10s.

## UNDER-8 CHALLENGE AGAINST KILLEA

A challenge match has been arranged for next Sunday morning against Killea in our club grounds. Time to be finalised but will probably go ahead around 11.30 a.m. This is a warm up game for the Roanmore Tournament, which takes place in a couple of weeks time and the selectors will be finalising their panel for this. So, its early to bed on Saturday night boys and girls.

## UNDER-12 FOOTBALL

Our U.12s play The Nire in the second round of games in this years league championship above in our own field this Thursday evening (19th August) at 7.00 p.m.

## UNDER-14 FOOTBALL

Our U.14 footballers play Clashmore in the second round of matches tonight Wednesday 18th August in our club

grounds at 7.00 p.m. All support would be appreciated, as this will be one of the toughest tests for this very skilful football team.

## UNDER-16 HURLERS QUALIFY FOR COUNTY FINAL

The boys put in tremendous performance last Monday night against Tramore to book their place in this Years division 2 final which will be played in the Fraher Field on Saturday morning next. This game was a lot tougher than the league match against Tramore as this time they were at full strength and at half time there was nothing between the two teams with the whistle blowing on a score-line of 1-5 a piece. The second half pattern was pretty much the same until the last ten minutes or so when the lads began to dominate. This hard game will be hugely beneficial to the team for Saturdays final, which will be against the winners of The Brickeys and Passage East.

Well done to all involved and best of luck in the final. Check sport sections of the local rags

DUNGARVAN JUNIOR HURLING PANEL 2004

for time of match but our information is 12.30 p.m. in the Fraher field. All support would be welcomed. It's not everyday we get to a County Final so come out and shout on the Old Boro team.

Team: David Moore, K. O Keeffe, K. O Dwyer, K. Barry,

P. Kiely, W. Flynn, S. Nesbett, D. Barry, L. Ryan, C. Curran, G. Crotty, M. Walsh, B. Hamilton, K. Duggan, T. Crotty, C. Hackett, S. Tobin, D. Sheehan, K. Sullivan, M. O Shea.

## U-21 FOOTBALLERS

I believe the lads had a great workout against St. Mollerans

last Monday evening as a prep match for this Years B County Final. Mollerans are in the A final and the lads gave a good account of themselves.

## JUNIOR HURLING

As far as I know our junior hurlers are playing local rivals The Brickey's at the weekend.

Who would have thought that they would be flying the flag for our adult teams at this stage of the summer? Well done lads and best of luck against a well fancied Brickey team. The date and venue will be found under the fixtures section of for western championship fixtures.

## SENIOR FOOTBALL CHAMPIONSHIP

# Nire Outpoint Tramore

Midfield action from the Tramore v Nire senior football match.

## NIRE 1-10 TRAMORE 0-6

Tramore played the better football in the opening quarter and looked like being on course for a surprise win. However their failure to capitalize on their many chances cost them a number of scores. Luck was not on their side either and this was seen when a 'pile-driver' by Mark Power rebounded off the upright when a certain goal

looked on. Tramore were leading by 2 points (0-4 to 0-2) at that stage and they were still two in front after 25 minutes.

Coming up to halftime, a Brian Wall point was followed with a goal by Shane Walsh to leave the Nire in front 1-5 to 0-6.

The next 15 minutes went by without a score from either team but in the final quarter Shane Walsh, Brian Wall Aiden Ryan and Liam Lawlor had

points for the Nire for a victory that they deserved.

However it was a game in which neither side impressed.

Scorers: Nire — S. Walsh 1-3, B. Wall 0-4, C. Power, A. Ryan L. Lawlor 0-1 each; Tramore — L. Quilty 0-4, M. Power, L. Daniels 0-1 each;

Nire — M. Doocey, T. O'Gorman, D. Ryan, M. Byrne L. Lawlor, A. O'Gorman, L. Walsh, A. Ryan, M. Walsh, C.

Power, S. Walsh, J. Moore, B. Wall, P. Walsh, G. Walsh.

Tramore — J. Morton, G. O'Gorman, B. O'Connor, G. Gillane, M. Whelan, N. Brennan, G. Dunphy, P. Ogle, N. O'Sullivan, R. Callaghan, M. Power, B. Costello, L. Quilty, L. Daniels, T. Whelan.

## ABBEYSIDE/BALLINACOURTY G.A.A. CLUB NOTES

### ADULT COMMITTEE MEETING

The next Committee meeting will take place at our club grounds at 9.00pm on Thursday the 19th August.

### SELECTORS MEETING

The next selectors meeting will take place at our club grounds at 8.30pm on Wednesday the 18th of August.

### UNDER 16 HURLING CHAMPIONSHIP

We played two games in the under 16 county championship last week. On Monday the 9th of August we played the re-fixed St. Olivers game at Aghlish. Both teams played hard honest hurling with no quarter given or asked for and with plenty of skill from each team. This turned out to be a splendid contest. The game was level at half time at 1 goal and 6 points to 2 goals and 3 points and also at full time on a score line of 3 goals and 9 points to 2 goals and 12 points. However in time added on St. Olivers were awarded a free from which they scored the winning point. Much to the disappointment of our lads who had given their all for the cause. The original game was fixed two weeks previously with both teams lined out on the field when no referee turned up. That evening we were nearly at full strength. The night of the re-fixure we were short 4 players because of holidays and other commitments. We also lost our Captain John Gorman to a leg injury in the first half. Although this whole hearted

player came back on the field at full forward half way through the second half even though his mobility was very restricted. Great credit must go to the whole panel who gave so much on the night.

Our panel was as follows Stephen Enright, Jamie Ryan, Stephen Lanigan, Tom Hanrahan, Donal Henley, Brendan Walsh, Billy Ryan, John Gorman (Captain), James O'Mahoney, John O'Driscoll, James Phelan, Cormac Enright, David Power, Jason Healy, David Walsh, Stephen Slater, Jamie Organ, Richie Ryan, Alan Tobin, Alan Shiel, Conor O'Neill and Rory Moloney.

We were all set to travel to Ballygunner for our next match on Thursday the 12th of August when we thought it couldn't happen again. It happened again all right. We received a chance phone call at lunchtime on the day of the match to discover that Ballygunner had been notified that the game was taking place on Friday the 13th. So once again we had to cancel the bus and re-arrange with all of the lads not to mention the bus driver.

Ballygunner have a big strong team with plenty of skill, which you expect and they won on a scoreline of 3 goals and 8 points to 8 points. Although with a bit of luck we could have been closer.

Our lads matched them in the skill stakes and hurled manfully to the very end. There were some fine individual performances and normally it is unfair

to single out anyone in what was a fine team performance.

However Eoin Brackett deserves a special word of praise for playing despite some heavy bruises on his body having fallen from his bike earlier in the day. (We'll have to ban cycling on match days).

Our panel for this game was the same as for the St. Olivers game except for James O'Mahoney and Rory Moloney but we had Eoin Brackett, Sean O'Hare and Eoin McCullagh back. Our next match is against Lismore at the Burgery on Monday the 16th of August. Listen to this you have to read this to believe it. On the bus back from the St. Olivers game we received a mobile phone call direct from a fixtures meeting stating that we were to play Lismore at 11.30am on Sunday morning last.

We duly agreed to the fixture. But on Saturday evening, yes you guessed it, we received another phone call and the match was re-fixed for Monday evening the 16th of August. So hopefully it will be played by now. Confused? You bet.

### UNDER 12 FOOTBALL

Now that our hurling season is over we are into our football campaign:

Last week we travelled to Clashmore to face the local lads. Both teams were evenly matched and we enjoyed a keen contest and came home with a win.

Then on Friday last at the Burgery we had St. Patrick's as

visitors. After a very sporting and eagerly contested match, victory went to Ballinacourty following a very tight finish. Panel for both games was as follows: - Gearóid Morrissey, Michael Walsh, Stephen O'Connor, Loughaigh O'Mahoney, Fiona Morrissey, Ronan O'Neill, Jack Leahy, Owen Young, Colm O'Hare, Colm Kindregan, Philip Cashin, Liam Beresford, Ronan Sheehan, Colm Whyte, Ronan Procter, Ray Murphy, Michael Maher, David Collins, Evan Collins, John O'Riordan, Micheal O'Donnell, Danny Kiely, Barry McCullagh, Barry Henly, Ross Dunford.

On this Thursday night at the Burgery we entertain the Brickey Rangers in our next game in the series. Throw in is at 7:00pm.

We hope to see our two injured stars namely Darragh O'Riordan and Joe Doherty back in training shortly to strengthen the panel.

### PLAYING FIELD

A reminder to all that permission granting use of the field can only be received from our Club Secretary Bernard Shields who can be contacted on 058-41467.

### E-MAIL AND CLUB NEWS CONTACT

Don't forget the e-mail address for the club is dunballin@hotmail.com. Anything you want to add to the notes not matter how trivial or funny please either e-mail or contact club PRO Mike Briggs on 058-45101 or 087-6993827.

## BALLYDUFF JUVENILE G.A.A. NOTES

### MINOR FOOTBALL

Our Minor Footballers were very unlucky to be defeated by Dungarvan on a scoreline of 1-9 to 1-8. This was a disappointing result as we had felt we had done enough to win this game. As it happens though there is still a chance that we can qualify from our group if results go our way in the next round of matches.

Panel: Aidan Casey, Mike Ahern, Seamus Kennelly, David Casey, Kieran Keane, Gerry O'Donovan, Shane Kearney, Seamus Hannon, Jamie Kearney, Shane Hannon, Courtney Canning, Pa Kearney, Bernard Flynn, Trevor Hennessy, Mark Feeney, Mike Moroney, William Drislane, Denis Drislane.

Our next game will not be played until September 1st.

### MINOR HURLING

Our next game is against Lismore on Wednesday, 18th August. This game will be played in Cappoquin. This is an important game if we are to progress to the semi final and we would encourage everyone to get behind the team.

### ALL IRELAND SEMI FINAL

Hard luck to the Waterford team and selectors in their defeat to Kilkenny. We know that they will be back again though!

## Kilgobinet G.A.A. Club Notes

Over the last couple of weeks we have played two intermediate football league matches with a draw against local neighbours Colligan and a defeat against Ring last Monday night.

In the intermediate hurling championship we are drawn against Ring in the quarter final. It will be our first game in 11 weeks whereas Ring had a good victory over Dungarvan last weekend.

We will be short a few players due to holidays but we will be giving it our best shot and maybe we might cause an upset against one of the more established intermediate teams.

The club would like to extend its sympathy to the Hanley family on the death of Willy.

The club would like to congratulate Jason Radley and Eimear Murphy who got married last weekend.

# Stradbally G.A.A. Club Notes

**SENIOR HURLING ARE OUT OF THE CHAMPIONSHIP**

Our Senior Hurlers made their exit from the championship on Saturday last following on four point defeat to Roanmore. We started well with points from Michael Walsh and Niall Curran but failed to build on our lead and when Roanmore scored the games only goal in the 20th minute we were always chasing the game. Roanmore got more into the game in the second half and scored a number of early points. We kept in touch with scores from John Hearne and Michael Walsh but never looked like scoring the goal we needed to save the game.

Final score: Roanmore 1-10 Stradbally 0-9.

Team: Eoin Cunningham, Kevin Coffey, John Halpin, Oliver Costello, Tomas Walsh, Ger Power, Paddy Doyle, Michael Walsh, John Hearne, Denis Doyle, Stephen Cunningham, Stephen Lawlor, Paddy Kiely, George Walsh, Niall Curran.

Our Senior Hurling championship campaign came to an end for this year. We would like to thank our trainer Conor O'Brien and his selectors Paddy Morrissey, Joe Curran, John Kiely and Rich Dunford for all the time and work they put in with this team all year.

**SENIOR HURLING CHAMPIONSHIP**

# Missed Chances Prove Costly For Stradbally

Roanmore 1-10 Stradbally 0-9

A Laurence O'Neill goal 5 minutes before the interval set up Roanmore for victory in a low key Waterford Senior Hurling Championship losers group tie at Walsh Park on Saturday evening. The city side led at the break by 1-4 to 0-5 after O'Neill's goal at the break by 1-5 to 0-5 after O'Neill's goal had tied the scores for the second time. It was a close game for the most part with Stradbally heavily dependent on County Player Michael Walsh for most scores.

After an early exchange of points it was Stradbally who led by 0-3 to 0-2 at the quarter hour before a brace of points from Walsh in the eight minute spell saw them go three in front before the only goal of the game. Stradbally were back on even terms after points from Walsh and Niall Curran before O'Neill found the range for the winners to give them a 1-6 to 0-7 lead that they never relinquished.

Stradbally had chances late in the third quarter but their only return was a John Hearn point.

Roanmores reply was swift with points from Colin Burke and Shane Flynn who had a fine game to go 1-8 to 0-8 in front. Walsh who finished with a personal tally of 6 points converted a free in the 52nd minute but it was as close as the Reds came and it fell to sub Mathew Creed to send over the insurance point for Roanmore.

Scorers for Roanmore - L. O'Neill 1-4, D. Flynn 0-3, D. Burns, C. Burke, M. Creed 0-1 each.

Scores for Stradbally - M. Walsh 0-6, N. Curran 0-2, J. Hearne 0-1

**Roanmore** - B Brannigan, K. Gentleman, D. Ryan, E. Carew, S. Quinlan, D. Murphy, A. O'Donoghue, C. Fanning, P. Murphy, P. Foran, A. Murphy, C. Burke, L. O'Neill, D. Flynn, D. Burns. Sub - S. Cowman for O'Donoghue.

**Stradbally** - E. Cunningham, K. Coffey, J. Halpin, O. Costello, T. Walsh, G. Power, P. Doyle, M. Walsh, J. Hearne, D. Doyle, S. Cunningham, S. Lawlor, N. Curran, G. Walsh, P. Kiely.

# SHAMROCKS G.A.A. NOTES

**INTERMEDIATE WESTERN CHAMPIONSHIP (HURLING)**

On last Friday evening at Cappoquin we met Lismore in the quarter final, and after a good hard game we came out winners on the score Shamrocks 2-17 Lismore 3-8.

This was a game which we never looked like losing. Although in the second half Lismore put us under pressure but our defence had matters under control, and with 2 goals scored we never looked like losing.

A feature of the game was the return of Dan Casey, who suffered a serious leg injury last year, when he came on later in the game.

Team: L. Murphy, J. Baldwin, M. Ryan, B. Hogan, K. Murphy, J. O'Donovan, L. Dalton (Capt), K. O'Keefe, E. Murphy, D. O'Neill, J. O'Donovan, J. O'Neill, S. Murphy, J. Baldwin, P. Murphy. Subs used: D. Casey, B. Harnedy.

**INTERMEDIATE WESTERN CHAMPIONSHIP (FOOTBALL)**

We are due to meet Colligan but as Colligan are expected to be involved in hurling this weekend, we don't yet know when we will be playing the football, as we will be waiting for the fixtures to be made.

**CLUB LOTTO**

On last Saturday night at the Shamrocks Inn, Knockanore, the numbers drawn were: 9-11-17-24 and there was no jackpot winner. E15 consolation prizes were won by Sharon Casey, Ballyphilip; Sarah McGrath, Camphire; Mary Tobin, Headborough; Margaret McGrath, Camphire; Alice Allen, Tircullen. In next Saturday nights draw the jackpot will be E8,000 and tickets at E1.50 each from the usual sellers.

## LETTER TO THE EDITOR

# Fair Praise After Fair Play

Dear Editor,

On August 7th, Waterford Junior Football team earned the title of All Ireland Junior Football Champions 2004, the first of the All Ireland GAA Football titles to be won for the year 2004.

Heartiest congratulations to all the players involved and the management team, for they earned this title on the quiet. Some newspapers and Waterford local radio station spent minimum time focusing on the fact that a Waterford team were competing in an All Ireland semi-final in Manchester, an All-Ireland final in Thurles and an All-Ireland final replay in Birr. I repeat ALL IRELAND SEMI FINAL, FINAL and REPLAY FINAL. Exciting to read and hear about you would think. There was no live commentary of the All Ireland Replay Final from Birr on WLR, having broadcast the previous match from Thurles. And what an exciting All Ireland replay final game in Birr it was! Shame on WLR.

On winning the title and in possession of a lovely cup, the jubilant team returned to Dungarvan where victory parades or indeed any sign of celebration was notably absent. Indeed the players were asked 'What's the cup for?' and 'What did ye win, lads?' during the course of their own celebrations on that night.

Now, almost a full two weeks have passed since that victorious win — Waterford claiming for the second time in five years an All Ireland Junior Football title and still there has been no official celebration where due accolade is given to the players and the management team.

In 1999, on the Sunday evening after winning their first

All Ireland Junior Football title, there was an open top bus through Dungarvan, speeches given in the Square, players introduced to their supporters and a victory celebration held in Lawlor's Hotel.

This year NOTHING!! Shame on the Waterford County Board who will no doubt claim at their county convention, the All Ireland Junior Football title as one of the major achievements for 2004.

I suggest to the Waterford County Board, that if ye will be that proud of the team in the roundup of the results at the end of the year for the county convention, then promote and provide a victory celebration for the All Ireland Junior Football Champions 2004 - their very own players - Waterford players.

I accept, of course, that there will be a medals presentation function later in the year but surely the team deserves some initial recognition and praise for their fantastic all Ireland football success?

That, or the footballers may as well be out winning egg and spoon competitions for all the Waterford County Board appear to care.

Again congratulations to the full panel of Waterford Junior football players and the management team. I think it is a fantastic achievement. Each of you have an All Ireland football medal and can proudly and loudly say 'I won an All Ireland Football Championship with Waterford in 2004'.

Football is coming back in Waterford - whether the Waterford county board notices or not.

Yours in sport,  
An avid supporter  
(Name with the editor).

### U-12 FOOTBALL

#### Cois Bhride 4-4 Ballyduff 3-2

Last Monday night 9th Aug, our U-12's made the short trip to Ballyduff for the first round of the U-12 Football, and after a good display from both teams, Cois Bhride came out on top with the final score being 4-4 to 3-2. A feature of the game was the participation of a good number of girls in both teams, and they gave a good account of themselves playing some very good football. Cois Bhride scorers included Evan Sheehan, Edward Lonergan, Ray Barry, and Daniel McLlroy. Their next match is tomorrow night Thurs 19th away to Ardmore @ 7.30.

Panel — Stevie Barry, Billy Buckley, Aaron Pratt, Tomas O'Neill, Kieran Fraser, Seanie Barry, Joe Leahy, Eoin Roche, Evan Sheehan, Stevie Lucey, Shane Roche, Ray Barry, Ed Lonergan, Daniel McLlroy, Padraig Ahearne, Maeve Condon, Darragh McCarthy, Kegan O'Farrell, Dean Hennessey.

### U-14 FOOTBALL

Our U-14 Footballers also got their campaign underway last Wednesday night in Tallow with a solid 3-3 apiece draw with An Gaeltacht. Once again it was nice to see the girls represented by Aine Condon who gave a fine display at full forward.

Full panel — Stevie Barry, Aaron Pratt, Brian McCarthy, Diarmuid O'Regan, Diarmuid Ahearne, David Hartnett, Sean O'Sullivan, Thomas McGrath, Kevin Curley, Donnchadh Mulcahy, Evan Sheehan, Eoin Roche, Aine Condon, Joe Leahy, Ed Lonergan, Dean Hennessey, Stephanie Doyle, Ray Barry, Seanie Barry, Daniel McLlroy. Final score, Cois Bhride 3-3, An Gaeltacht 3-3. Their next match due to be played last Monday night was postponed due to the untimely death of Christopher Hickey, Knockanore, which occurred last Sunday.

### MINOR FOOTBALL

#### Cois Bhride 2-12 Ardmore 3-7

Two out of two is the good news from the minor team, as they won their second round match against Ardmore in Clashmore last Wednesday night. I think they are scheduled to play their last hurling match this week, but they are unlikely to progress any further as they have lost two matches. Check with selectors for details.

### UNDER-16 HURLING

Fourmilewater was the venue last Monday night week for the last group stage match, and one that we needed to win to be absolutely sure of making the playoffs. However the home side had other ideas, and though our lads played well, victory went to the boys by the Nire. Now it seems we must hope that other results go in our favour to qualify for the playoffs. As they say, watch this space!

### U-13 WESTERN HURLING FINAL

This match is supposed to be played tonight (Wed) in Ballysaggert v Naomh Brid, but I have not received confirmation at time of writing. A bit of support for the lads would be appreciated. The best of luck, lads.

### CHRISTOPHER HICKEY R.I.P.

On behalf of Cois Bhride I would like to offer our sincerest sympathies to the family and friends of Christopher Hickey, Knockanore, who passed to his eternal reward last Sunday. Though in ill health for most of his 19 years, he touched everyone around him with his courage and good humour, and was a talented singer and dancer when he was well enough to do so. He will be sadly missed. Ar dheis lamh De go raibh a anam. As a mark of respect, the U-14 football due to be played last Monday night was called off.

### WELL DONE EOIN!

On a happier note, congratulations to Waterford hurling star Eoin Murphy who won Bill Ronayne's President's Prize in Lismore Golf Club last Sunday, proving that his talent is not just confined to one sport only. Ah Boy Murph!

### NEWSLETTER ON SALE.

Our second newsletter is now for sale in all local stores and at aon euro amhain, is great value and a right good read. Also tickets for our All-Ireland hurling tickets draw are now available, and I would like to thank our main sponsors Mary Beecher and H2O salon, John O'Sullivan and Kelpex, Eamon Lonergan and Knockanore Cheese, and Joe O'Flaherty for their generous sponsorship. These people deserve our support as they are never shy about dipping into their own pockets on our behalf.

## Fourmilewater Hurling Club News

**INTERCOUNTY**

Our brave effort came to an end in Croke Park on Sunday week last. The team did their best, and they can't do any more than that. They tried their hearts out and scored 18 points, which is a good total. It was good to hear Paul Flynn say that the team is staying together and giving it another go next year. Flynn was outstanding and deserved his man of the match award - surely this is his year for an All-Star. John Mullane was a loss, but if we hope to win an All-Ireland, we have to use all our panel, as there's no point in relying on one or two players. Brian Wall and Liam Lawlor did their best during the year and kept the Fourmilewater flag flying.

We have the All Stars to look forward to. Surely we will get 7 or 8 nominations and at least 3 awards. We, as supporters, must rally around this bunch of fine players. Our day will surely come!

**RACE MEETING**

The race meeting in Tramore was a huge success and was well attended by a large number of supporters. The players were very good signing autographs, and the like. It will go to a holiday fund that the team most definitely deserve.

**JUNIOR HURLERS**

The club will play in the semi-final of the Western Junior Championships on Sunday night next, when they will play either Tourin or Ballinameela. Both teams are very useful outfits, and will hope for honours this year. Fourmilewater will look to the likes of Mike Guiry, Tom Doocey, Tom Flynn, Michael Wall, Roger McCarthy etc. To win through here, we have an experienced outfit, and they will give it a good go. The match is timed for 7 o'clock in Cappoquin. Your support would be appreciated!

## Tony Forristal Festival of Hurling

The annual Tony Forristal/Sonny Walsh Festival of Hurling 2004 takes place on Saturday 28th and Saturday 29th of August this year. This year sees the tournament return to a three division format and Waterford will be represented by both A and B squads.

The venues for Saturday 28th will be Waterford Crystal, Mount Sion, De La Salle and Roanmore GAA Grounds with the finals being held at Walsh Park on Sunday morning 29th.

A full time table of matches will be available in next weeks edition. This is a chance to see some of the future stars of hurling perform and we would ask as many as possible to turn out to support these youngsters.

## WATERFORD LADIES FOOTBALL

## SELECTION OF MANAGERS

Managers for the coming year for all ages in ladies football will be selected at the next County Board meeting.

## FLAG DAY

Our annual flag day in Dungarvan took place on the 5th and 6th of August. The flag day will also go ahead in Waterford city on 18th and 19th of August and in Tramore 19th and 20th of August. Please support.

## FINAL REQUEST

George Young, the county development officer, is making one more request for clubs to send in a list of coaches of both past and present and more importantly has asked clubs to appoint a child officer and send the names into him immediately. George can be contacted on 087-4158417. All clubs within the county board jurisdiction must appoint a child officer urgently as this is a directive

from Munster. Courses on child development as well as code of ethics will be up and running shortly.

## SPORTS PARTNERSHIP

Sports Partnership will run a multi skills course on the 11th September. Watch out for more on this in the coming weeks.

## MUNSTER FINALS

The Munster finals took place in Pairc i Rinn last Sunday. Even though we had no teams involved, we were well represented at official level, as Michael Ryan stood in for Dan O'Mahony and kept the show on the road for the day, introducing teams and players as well as presenting trophies.

George Young also manned one of the main gates to the pitch while referee Brendan Gallagher looked after the Cailini Oga final between Cork and Kerry. Also present was Louise Ryan, E. Gallagher and T. Gallagher who

acted as umpires for the first game.

Congratulations to Cork on their victories in senior and junior and to Kerry who won the Cailini Oga.

The draw for the All Ireland quarter-finals look place after the games and are as follows: Dublin v. Donegal, Mayo v. Cork, Kerry v. Monaghan, Laois v. Galway.

## CONGRATULATIONS

Congratulations to Kilrossanty under 16 team who beat St Annes in the county final. Also to the Waterford junior men's team who beat Leitrim in the All Ireland replay, and to St. Annes camogie team on winning their 3rd senior title when beating Butlerstown.

## NEXT COUNTY BOARD MEETING

This will take place on the first Monday of September, which is the 6th, at 9pm sharp in Lawlors Hotel. All clubs are asked to attend this very important meeting.

## WESTERN BOARD CHAMPIONSHIPS

The divisional board have a very attractive programme of games down for decision over the coming week.

On tonight, Wednesday, a whole series of minor hurling championships are down for decision but because the leaving certificate results are being announced on today, some of these matches may have been played last night, Tuesday or on tomorrow evening, Thursday. Rearranging the matches is a matter for the participating clubs.

The championships in both the A and B grades are now reaching a crucial stage and after this series, clubs will have a fair idea of what their fate is going to be.

In minor football there were two surprise walk-overs last week when the Nire and Affane withdrew.

On the weekend they play three intermediate hurling games and if results are reached in all of these, the board will be ready for the semi-finals.

game. Colligan will have to show improvement on their first round form if they are to advance.

This game will be preceded by the Dungarvan versus Brickey Rangers junior hurling semi-final at Fraher field.

## Western Games

IHC Shamrocks 2-17  
Lismore 3-8

Played at Cappoquin on Friday evening, this tie produced some splendid hurling and some good individual performances.

The result puts Shamrocks into the semi-final and on this display they can fancy their chances of winning the championship.

JHC Tourin 2-9  
Ballinameela 2-3

Played in atrocious weather conditions in Cappoquin on

Sunday evening, Tourin came out deserving winners and will now meet Fourmilewater in the semi-final at Cappoquin on next Sunday evening.

## Senior Championship Results

After the long lay-off the senior championships resumed in both divisions and with results having been obtained in all cases, progress can be reported.

At Cappoquin, Lismore following their defeat by Ardmore overcame a strong first half challenge from neighbours Ballyduff, to keep their championship hopes alive and at Walsh Park, Stradbally had to give best to Roanmore in a tight game on Saturday evening.

## Sunday's Fraher Field Programme

No fewer than four important hurling ties are down for decision at the ground on Sunday.

The afternoon programme has two senior hurling ties and the evening programme will see two intermediate games decided.

Senior Hurling  
De La Salle v Lismore

This very attractive losers group match will open the programme and Lismore who went under to Ardmore may have to field without Dan Shanahan. De La Salle will turn out at full strength with Stephen Brennar, John Mullane and Brian Phelan.

## Ardmore v. Tallow

Tallow, one of the most skillful sides in the county today will start favourites against Ardmore.

## IHC - Cappoquin v. St. Marys

This has a 5-45 p.m. start. The Touraneena based St. Marys will be favourites, but will not find it all that easy to overcome Cappoquin who have some young players coming on stream.

## An Rinn v. Kilgobnet

This is the second game here in the intermediate hurling championships and while it is regarded as an open game, I believe that if the Gaeltacht side play as well as they did in the second half against Dungarvan, they may win.

## Liam McCarthy Cup Replicas Presentation

All the surviving captains of All-Ireland title winning teams are expected to be present at the Liam McCarthy G.A.A. Grounds in Ballygarvan, Co. Cork on Saturday next for the presentation of the magnificent replicas of the McCarthy Cup which have so expertly been executed by Waterford Crystal.

Captains, or their surviving representatives of the 78 winning teams will be present. Waterford will have a relative of Jim Ware (1948) and Frankie Walsh (1959) present.

## IHC Colligan v Geraldines

This attractive game is scheduled for Fraher field on Saturday evening. It will be a tight

# Lismore Storm Through in 2nd Half

**LISMORE 3-17 BALLYDUFF 1-11**

A storming third-quarter performance that yielded 2-7 set up Lismore for a comprehensive victory in a Waterford SHC local derby at Cappoquin on Saturday.

The challengers led by 0-8 to 0-5 when John Heneghan had Lismore's opening goal in the 27th minute. Then James Shanahan, who had replaced the injured County player Dan Shanahan in the opening quarter, pointed the winners into a 1-6 to 0-8 interval lead.

Lismore hit a purple patch on the resumption with points from Heneghan (2), Dave Bennett (4), now a full forward and one from Paul Prendergast while Jamie Kearney sent over

two excellent scores. Lismore killed off the game with goals with Bennett and Heneghan in the 43rd and 45th minutes to secure their place in the next stage of the championship where they play De La Salle next Sunday.

Scorers - Lismore: D. Bennett 1-7, J. Heneghan 2-4, J. Shanahan 0-2, D. Shanahan, D. Howard, D. O'Gorman, P. Prendergast 0-1 each.

Ballyduff: B. Hannon 1-5, J. Kearney 0-3, J. Twomey 0-2, S. Molumphy 0-1.

Teams - Lismore: B. Landers, C. O'Keeffe, S. Kearney, M. O'Sullivan, M. Walsh, J. O'Connor, W. Cunningham, D. Bennett, M. Prendergast, D.

**SENIOR HURLING**

**De La Salle v Lismore**

This very attractive losers group match will open the programme and Lismore who went under to Ardmore may have to field without Dan Shanahan who retired with an ankle injury in the match against Ballyduff on Saturday evening.

De La Salle will turn out at full strength with Stephen Brennar, John Mullane and Brian Phelan.

**Ardmore v. Tallow**

Big things are expected from this clash involving teams with contrasting styles.

Ardmore's rise to hurling prominence at this level has been marked by some super displays and there is every reason for supposing that they will remain a force in Waterford hurling well into the future.

Tallow, one of the most skillful sides playing hurling in the county today will start as slight favourites for what promises to be a real thriller.

**SENIOR HURLING CHAMPIONSHIP**

# Lucky Ballygunner Defeat Ardmore

Ardmore, beaten by Ballygunner in the Waterford Senior hurling championship. —(Photos: Sean Byrne).

**Ballygunner 2-10  
Ardmore 1-10**

The fact that Ardmore shot ten wides as against just three for Ballygunner, gives a fair idea of how unlucky the western side was in a game where they were in control for long periods.

The class hurling of Seamus Prendergast which saw the county player score four unanswered points (3 from play) between the 6th and 13th minutes had the favourites very worried and this continued after Richie Hennessey scored number six for Ardmore to leave the westerners ahead by double scores by the 16th minute.

Eight minutes later when Ballygunner were awarded a 20 metre free Flynn hit for a goal

that brought the teams level.

Wayne pointed from all of 90 yards to give Ardmore a deserved one point advantage (0-7 to 1-3) at halftime.

**Second Half**

Signs that the alarm bells were sounding for the favourites were obvious when they brought on Billy O'Sullivan and Stephen Frampton at the start of the second half. The subsequently brought on Tom Fives who had also been on the line during the first half.

Paul Flynn adopting the role of poacher got well inside the defence and left all on his own, shot to the Ardmore net for his second goal in the 4th minute. This resulted from an unfortunate mix up in defence who had been playing very well. Clinton

Hennessey, Michael Supple and Declan Prendergast and company had been dealing effectively with unwelcome invaders throughout the first half.

Within another four minutes the lead again changed hands when a Billy Harty shot ended in the Ballygunner net (1-7 to 2-3).

Play continued with a score-for-score pattern and Nial Hennessey's 55th minute score left just the minimum (2-8 to 1-10) between them. Points by Paul Flynn and Paul Foley ended the scoring leaving Ballygunner winners by a goal.

Scorers: Ballygunner — P. Flynn 2-4, P. Foley 0-3, A. Moloney, G. O'Connor and R. Hutchinson 0-1 each; Ardmore — S. Prendergast 0-7. B.

Harty 1-0. R. Hennessey, N. Hennessey and W. Hennessey 0-1 each.

Ballygunner — R. Whitty, W. Kiely, G. Cullinane, R. O'Sullivan, N. O'Donnell, F. Hartley, W. Hutchinson, C. Kehoe, S. O'Sullivan, B. Mullane, A. Moloney, P. Flynn, G. O'Connor, P. Foley, M. Kerarney. Subs played - S. Brennar, B. O'Sullivan, T. Fives.

## "After The Ball"

Throughout all of last week there was an air of depression all over the county and such was the disappointment that you found in some cases that people did not want to talk about the game against Kilkenny in Croke Park. Many, of course, did want to talk about it and give their views about what happened.

One could fill a book with the diverse verdicts. Many people have viewed the video over and over and discovered little things that had been overlooked in the heat and excitement of the game and here were exposed new reasons why we lost.

I was happy to find that some readers agreed with my overview of the semi-final and which I wrote in the opening paragraph of my report.

I said that we lost because Kilkenny were a far more experienced team in Croke Park, they were much craftier than Waterford, they had Henry Shefflin and we did not have John Mullane. I stick with that. It is a tribute to the players and all concerned that despite these drawbacks, we still held them to a single score. A goal would have done the trick. Luck was just not on our side.

We are fortunate that all of our panel are available again next season and all will be that bit more experienced when we take the field for our opening national league match in February and when we begin our campaign in the new style championship in May.

**UNLUCKY 13**

It was our 13th senior hurling match in the league and championship combined and it was the only one which brought real disappointment. After the defeat by Galway in the league final, we did not have time to grieve as the first round of the Munster championship was coming up seven days later.

Throughout the league we got wonderful entertainment. Defeating Kilkenny at Nolan Park in February was a big thrill as was our defeat of Cork in Paire Uí Rinn. We won each of these by a single score. Our draw with Tipperary in Thurles was another wonderful occasion to celebrate.

In the Munster championship we defeated the best teams in the province. We gave Clare a lesson in hurling, we edged out Tipperary in a real thriller in the semi-final before relieving Munster champions, Cork of their title after a storming display with a 14 man outfit in a game that has been described as one of the best Munster finals ever played.

So, in the overall and while we did not achieve the ultimate we did have a wonderful season and have no reason for going into mourning. It is satisfying too, to see such a degree of maturity among the vast majority of our supporters who accept what has been our lot.

We always have the few knockers who cry about the team not being good enough and about the money it has cost them to travel in support. They complain as if the team owes them something. We just have to live with those people. They are in every sport.

**COUNTING THE COST**

This season, now ended, we have played a record number of 34 intercounty matches in all 8 grades. For the first time in our history we have played, league and championship against 19 different counties and for our first time ever we have played against all five provinces, including Britain. The cost of this whole operation is already gone over the 300,000 mark and the final figure will be much more, I am sure.

The October meeting of the county board is due to discuss matters relating to intercounty teams and the resultant financial burdens on the county board

Ardmore's Maurice O'Connor gets in his stroke despite the hook attempt by Ballygunner's Wayne Hutchinson.

## Benefit Race Meeting A Huge Success

Losing to Kilkenny did not effect the huge attendance at the Race Meeting held in Glorious Tramore on Thursday evening last when a record crowd for the first day of the annual racing festival came to support the players holiday fund.

The Race Committee announced that the attendance for a first day, was up by 1800.

There was a real festival atmosphere about the event which was ran off in glorious sunshine.

Practically all the county players were in attendance when many tributes were paid to their performances over the year.

"The Hurlers Handicap" which was sponsored by the clubs in the county was by far the most popular event and players were in the Parade Ring and the winners enclosure before and after the race.

A Waterford Jersey, signed by all 30 members of the panel was presented to the race course committee and this will remain permanently in the race course offices.

Team manager Justin McCarthy in a public interview at the meeting, praised the quality of the hurling by our players who had given it their all and were unlucky not to have gone the full distance. He said the lads will be back next year more determined than ever.

The special committee who organised the benefit side of the event, expressed themselves thoroughly pleased with the success of the undertaking. The Munster senior hurling cup was on display.

# Tallow Outscore WIT In Splendid Contest

**SHC  
TALLOW 3-14  
WIT 1-13**

It was one of the better games in this championship so far with each team playing fast and skillful hurling and scores coming regularly from both sides.

The result saw Tallow advance for a meeting with Ardmore at Fraher field on Sunday afternoon and at the same time it spelt the end of WIT's bid for a Waterford title in their initial season in the championship.

Very many people had misgivings about allowing the college team into the

championship because of the massive selection available to them and will now breathe a sigh of relief that the challenge has dissipated. They did add a touch of colour to the championship.

They will be back next year for the second season, as already approved by the county board.

**The Game**

A first minute point by C. Burns gave the college team an early opener but a splendid 4t. minute goal by Colin Geary gave Tallow a lead which they held until early in the second half.

The game followed a tit-for-tat pattern with scores being exchanged all through the half and both sides allowing the ball to do the work.

Leaving out the goal, the teams were level on points on no fewer than 8 occasions before the halftime whistle which saw Tallow in front on a score of 1-9 to 0-9.

The presence of such top players like Willie Ryan (Tipperary), whose overall contribution of 1-9 saw him as a major threat. Brian Smiddy, Ollie Moran and David Hayes, etc., did not seem to worry Tallow who played their own style of hurling and were never ruffled when losing a three points lead and going two behind, within five minutes of the restart. This was all achieved by Willie Ryan who had a point, a goal and another point by the 35th minute.

A great point from Paul O'Brien and another from Brian Henley in the 12th

minute left the teams level at 1-11 apiece. Colin Geary followed with a great goal. His second of the game, in the 13th minute. An exchange of points involving Paul O'Brien and Willie Ryan and Colin Geary and Willie Ryan kept the scoring gap at a single goal (2-13 to 1-13) at the 22nd minute. A 25th minute point by Brian Henley and the 28th minute goal by Shane (Fin) McCarthy put the seal on a great and deserved Tallow victory.

**Scorers:** Tallow — C. Geary 2-3, P. O'Brien 0-5, S. McCarthy 1-1, B. Henley 0-2. W. Henley, A. Kearney, J. Murray 0-1 each. WIT: W. Ryan 1-9. D. Hayes 0-2, C. Burns and B. Smiddy 0-1 each.

Tallow — B. Power, W. McDonnell, M. O'Brien, S. Barry, P. Murray, D. O'Brien, S. McCarthy, J. Murray, M. Geary, C. Geary, R. McCarthy, P. O'Brien, A. Kearney, B. Henley, W. Henley. Subs. Played: Murphy, S. Slattery.

# EASY WIN FOR CLASHMORE

**SFC  
Clashmore 2-11  
St. Saviours 2-2**

The standard here was mediocre and the game was featured by the dismissal of three players, two from St. Saviours and one from Clashmore. In the first half, midfielder J. P. Jacob received two yellows and a red and in the 57th minute Anthony Jacobs and Ed. Beresford were instantly dismissed

after a burst-up.

A fisted goal by Brian Jacobs in the 15th minute and the conversion of a penalty kick by David Murphy after a foul on the goalkeeper some seven minutes later gave Saviours a 2-1 to 0-2 lead. This was also the city team's halftime score. At this stage Clashmore had just 2-2, their goals coming from Brian O'Neill in the 25th. and from the same player in the 28th minutes.

**Second Half**

It was a period of the game which saw Clashmore take over and apart from their solitary point kicked over by Nick Jacobs in the 41st minute they never looked to be in a position to challenge the western side who added a further nine points to win comfortably and remain in the championship through the losers group.

**Scorers:** Clashmore — B. O'Neill 2-1, S. Barron 0-5, E.

Beresford, S. Fleming, D. Allen, B. Dunne and M. Fenton 0-1 each; St Saviours: B. Jacobs 1-0, D. Murphy 1-0. I Stenson, N. Jacobs 0-1 each.

**Clashmore —** D. Hickey, P. Allen, P. Connery, J. Seward, B. Dunne, K. Connery, P. Dee, K. O'Keefe, J. Salmon, S. Barron, M. Fenton, E. Beresford, S. Fleming, B. O'Neill, K. O'Keefe. Subs. D. Allen, M. Power.

## PRESIDENT'S PRIZE

The President's Prize, kindly presented by Kieran Cullinan, will take place over the last weekend of August, with qualifying rounds being held on Friday 27th and Saturday 28th August. The top sixty will qualify for the final round on Sunday. This year, for the first time ever, the final round will have a shot gun start at 9.30 a.m. The leading three players will play from the first hole, the second three leading players will tee off from the second hole, etc etc.

The Ladies have kindly agreed to start their round from the seventeenth hole thus allowing the barbeque and music to start as early as possible. We are looking for volunteers to man the bouncy castle and slide for short periods of time during the day. If you are available, let Brendan know.

Presentation of prizes will take place at 8 p.m. May we take this opportunity to wish both Kieran and Margaret the best of everything on their big day. It's a novel way of running a President's Prize and we hope that the whole club will get involved. We have to excellent Presidents and they deserve your support.

**Question:** May I adjust the flagstick so that it's leaning away from me when I'm chipping or putting from just off the green?

**Answer:** No. You may centre it, remove it or have it attended.

## RULE INCIDENTS

In the last round of the 1990 Australian Open Brett Ogle was just two shots off the lead playing the 17th hole. In an attempt to close the deficit he risked a difficult shot around a tree with a two iron. Unfortunately, his ball struck the tree and rebounded backwards, striking Ogle in the knee.

Apart from being extremely painful, Ogle suffered the indignity of a two stroke penalty under Rule 19-2 because the ball had struck him.

UNDER 21 "B" HURLING COUNTY FINAL

BRICKEYS MAKE HISTORY

Brickey Rangers, County Under-21 "B" Hurling Champions 2004. —(Photos: Sean Byrne).

The first county final of the 2004 season was played at Frasher field on Sunday evening last and the result saw Brickey Rangers make history when winning their first ever underage county hurling title.

The victory was an overdue reward for many years of painstaking coaching and training and in the celebrations which greeted the victory, the years of disappointment and frustration were forgotten.

The well deserved win can now be looked upon as a launching pad for hurling success at adult level, something which has not happened since the club took their one and only county adult hurling title back in 1959 when the late John Kiely was a team member.

The game was played in atrocious conditions with rain 'com-

ing down in buckets' for some of the time.

Yet to their credit, both teams made the best of the conditions and gave it their all in this splendidly contested final.

PLAY

At an early stage in the game it seemed as if the western champions were set for an easy victory after David Hickey, Shane Nugent and Conor McGrath pointed them into a three points lead. Up to this point it was all one way traffic moving towards the Passage goal.

Then things changed in the 9th. minute when Nicky Quinlan 'cut' a sideline ball over the bar. This score sparked Passage into action and when Patrick Glavey pointed from play within another minute, the Brickeys knew that they had a game on their hands.

Shane Nugent had a 15th minute point from play and a similar score was recorded when Tom Landers sent over in the 21st. Then came the major blow to the hopes of Passage when Shane Nugent shot the first of the two Brickey goals in the 22nd minute (1-5 to 0-2).

A David Hickey point in the 23rd minute ended their first half scoring and outstanding midfielder for Passage, Ned Quinlan added two points to leave the tally at 1-6 to 0-4 at the break.

SECOND HALF

On the resumption, Quinlan reduced the gap with a pointed free. Dave Hickey responded, also with a free and in the 20 th. minute of the half, Conor Phelan had the winners second goal and this was the score that proved heartbreak for the eastern champions. The game was played out in quickly descending darkness with points by Michael Walsh and Ned Quinlan for Passage and the final score was left to Conor McGrath to leave the western champions clear and deserving winners by 7 points.

This was very much a team victory. Michael Gee kept a safe goal and was well protected by fullback Austin Cooney and corner backs Shane McGrath and Johnny Cooney.

Carthach Shalloe at centre back played a captain's part all through and he was well helped by the men on the wing, Cian Shalloe and Dermot McGrath.

In the centre field, Ivan Murray and Conor Phelan played splendid hurling against their markers, Ned Quinlan and Dermot Mason.

Tommy Lynch, David Hickey (centre forward) and Declan Ahearne made a big contribution to the win as did the players on the inside line, Conor McGrath, Tom Landers and Shane Nugent.

For Passage, Ned Quinlan, Thomas Connors, Joseph Upton, Robert Phelan and Dermot Mason were among their promi-

## JERRY WHELAN HOLDS NERVE TO WIN THE PRESIDENT'S PRIZE

### PRESIDENTS PRIZE (PRESENTED BY MR. DONAL VERLING)

We had a tremendous weekend of golf with our Presidents Prize presented by Mr. Donal Verling. As always, the weather is everything for a "major" weekend and we were blessed!! On Friday afternoon, there were torrential rain showers in Dungarvan town. They were so bad that members were calling to check if the competition had been cancelled. Luckily the showers never got out to Knocknagrangh. About 30 minutes after play was completed on Sunday evening, the heavens opened and there was flooding on the course within a short time. Donal must have an open line to a higher power!!

On Friday, the leading scores were 42 points from the two Michael O'Brien's (Galway & Stradbally). They were joined on Saturday by one of the early starters, Roger O'Connor (father in law of Michael O'Brien - not from Galway) with another 42 points. Later on Saturday, Jerry Whelan registered the leading first round score of 45 points. This was a healthy 3 point lead for the Waterford based Garda who originally hails from Causeway in North Kerry. Jerry, playing off 20, is a relative newcomer to the game and would have to try and hold his nerve on Sunday. Lurking in the background within 4 or 5 shots of the leader, we also had experienced campaigners including Tom Burke, P.J. Barry, Sean Wade and Ger Darcy. On Sunday, Jerry went straight onto the attack and he turned with 23 points. This put him in a very strong position. Ahead of Jerry on the course, both Ger Darcy and Brian Moran were going very well and they eventually registered two round totals of 81 points each. Jerry found the going tougher on the final 9 holes but he eventually got home with a total of 82 points and a 1 point winning margin. Jerry acknowledged the help he received from his caddie and father in law, Michael O'Mahony. Jerry was married recently to Micky's daughter, Cathy.

The other main prize winners were Ger Darcy (2nd), Brian Moran (3rd), Michael O'Brien (4th), Michael O'Brien (Stradbally) (5th) and Sean Wade (6th). The best gross over the weekend was won by our Captain, John Reynolds (69 points Gross) and the runner up was Donal Williams with 65 points. All the prizewinners are listed below in the Results paragraph.

FRIDAY AUGUST 13TH

## Lemon Blaze Made It Look So Easy

Dominating last Friday night's menu of racing was the final of the Jack Fitzgerald Memorial Novice Marathon Stake, which carried a first prize of Euro 2,000 and trophy. On the strength of two impressive victories in this competition the Denny Lennon owned and bred Lemon Blaze (Top Honcho-Lemon Holly) was a warm favourite at 4/7 and the Kilkenny dog did not disappoint as he bounded clear from trap two for an impressive victory in a red-hot time of 40.34. Leading out of the first bend a free flowing Lemon Blaze had this contest in the bag a long way from home and with the chasing back unable to make any impression Lemon Blaze cruised to an eight lengths victory over 10/1 outsider Lapto Lolly.

The opening novice contest also produced a very easy winner as the Michael Greene owned Desert Honcho (Top Honcho-Desert Belle) the 6/4 favourite ran riot over the opposition in 29.11. Forging into an early lead over Tory Dubh and Tycoon Vieri Desert Honcho held the call throughout and going right away in the closing stages the favourite breezed in nine lengths clear of Tory Dubh.

The following four races were first round heats of the Tote Retention Confined 16.50 sprint. Only four runners went to traps for heat one and displaying plenty of early pace the TIBC Syndicate owned and Peter Cronin trained Hamlet (Roanokee-Ciabatta) justified 4/5 favouritism with a smooth win in a very fast 16.11. The runner up Lough Bertie lost nothing in defeat but Hamlet proved to strong on this occasion obliging by one and a half lengths.

The Kieran and Darragh Daly owned and Nick Turner trained No Bhfear Pride (Roanokee-Dripping Pride) 4/1 defeated some better fancied opponents in heat two obliging in 16.77. Seeking the rails from her trap four starting point No Bhfear Pride cut an early dash over Point Three and while a slow starting but early paced Inebriated tried to come between the pair off the home turn Na Bhfear Prise went on to beat Point Three.

County Tipperary based trainer Derek Kehoe sent out the Aidan and Seamus Fearon owned Nailers Jake (Kiowa Shanee So-Gripwell Cecilia) 5/4 to a cosy 16.32 victory in heat three. Displaying sound early pace Nailers Jake got the better of an early tussle with Mulgrave Prince before proving two lengths to fast for Slow Progress.

In a four runner heat four Sparta Rebel 4/5 cut out the early running but railing economically the Jude Hennessy trained His Mark (Toolibuk-Marfield Spice) 6/4 gradually gained the upper hand and when Sparta Rebel drifted wide into the home stretch His Mark pounced on the rails to win out by a length in a smart 16.30. The winner is owned by former National Hunt jockey Kieran Gaule.

John Walsh's Winnies Crown (Prince Of Tinrah-Ballybrazil) 5/2 got back on the winning trail in the sixth contest shooting into an early lead from trap six before defeating a fast finishing Wilcox Rascal by a length in 29.29.

Despite a far from fluent start in the seventh contest track newcomer Starlight Monbeg (Droopys Vieri-Something Catchy) 6/4 came good for owners Graham O'Connor and Michael Doyle eventually coming out on top in 29.45. As Lassie Is Back moved off the first turn Merry Quip set sail for home but the leaders lead was short lived as Starlight Monbeg struck the front running into the third bend to race on for a five lengths

win over Lassie Is Back.

In a close run ninth contest Mustang Motive, Supa Furry and Bongo Flyer were in the firing line rounding the penultimate bend but in a blanket finish the Super Furry Syndicate owned and Gerry Kiely trained Supa Furry (Airmount Rover-More Special) the evens favourite came out on top by half a length from Mustang Motive in 29.42.

In the final race of the session the Eamon Rice and David Flynn owned and Michael Kiely trained Crooked Deal (Roanokee-Adrienes Beauty) 6/4 ran an absolute cracker to score in a fast 28.96. The early paced Crooked Deal was badly hampered at the first turn but clinging to his early lead Crooked Deal was soon back on an even keel and knuckling down to the task in hand Crooked Deal opened up a clear lead before winning out by six lengths from Slick Style.

SATURDAY AUGUST 14TH

## Taltos Caused An Upset

Greyhound breeding in Sweden received a boost in Kilcohan Park last Saturday night as the Henning Olesen owned Taltos (Marungi Storm-Miss Muggins) 4/1 caused a mild upset in the final of George Roche sponsored Up Wexford Backgraders stake. Displaying a fine burst of early pace from trap four Taltos beat off the persistent back stretch challenge of the 6/4 favourite Tomnaboley Jack and while a rails running Bowrawn delivered a strong challenge up the rails Taltos dug deep to capture the Euro 2,000 first prize by a neck in an excellent winning time of 28.66. The winner must be one of the biggest bitches in training in the British Isles as she weighed in last Saturday night at 79 pounds.

In the first of seven graded contests the Philip Heffernan owned and Gerry Kiely trained Positive Call (Carlton Bale-Ball Joint) 5/2 got off the mark at the second time of asking forging into an early lead on the fence before running out a clear cut three lengths winner over Silken Thomas in a pleasing 29.14.

In a graded two bend dash the first cousin partnership of Pdraig Gough and Gerard Fitzgerald struck with the early paced Sparta Fizz this November 2002 daughter of Droopys

Kewell and Sparta Glory going about her business from an early stage before running out a length winner over a running on Whitechurch Jack in 16.48. The winner was returned a 4/1 shot.

A flying exit from trap three sealed a facile win for the Bryan Maher owned Black Beckie (Droopys Vieri-Kilnalady Nikita) in the third contest this 3/1 shot exiting traps at a fair rate of knots to lead all the way in a best ever 29.02. The opposition only ever had a rear view of Black Beckie who dictated matters up front from Noreview Wonder before obliging by six lengths.

The Teresa Loftus owned Vigilant Showman (Late Late Show-Arlington Road) the even money favourite got back on the winning trail in the fourth contest powering clear for an impressive pillar to post victory in a smashing 28.53. Employing catch me if you can tactics Vigilant Showman shot clear around the first turn from Moonvoy Ash and increasing the tempo down the back stretch Vigilant Showman went well clear to inflict an eight lengths defeat on Determined Irish.

The early paced Murrin town Boy appeared home and hosed in the fifth contest opening up a five lengths lead on the back stretch over Gift Horse but setting about the task in hand the Robert Kehoe and Paul Walsh owned Gift Horse (Chart Sand-Shes A Poacher) 2/1 gradually reeled in the leader and coming with a flying run up the rails 2/1 chance Gift Horse timed his run to perfection to get up close home for a half a length victory in a career best 29.06.

Races six and seven were semi finals of the Gain and O'Dwyer Dog Food 500 yard event. Mooncoin owner Ned Walsh has his runners in top form and his Kellsboro Style (Cool Performance-Kellsboro Pest) made it three victories from three race outings taking the first semi final in 27.79. Holding his position well off the first turn the early paced Kellsboro Style 6/4 led down the back from Jakes Delight and while Powerful Dasher recovered well from a first bend bump to take the runner up spot Kellsboro Style was gone beyond recall scoring by a length.

They went a good deal faster in the second qualifier where the Margaret Shinnot owned and Michael Delahunty trained Senna Sational (Kilmessan Jet-Penny A Paw) absolutely sluiced up in 27.47. Packing to much early pace for his five rivals a fast starting Senna Sational 3/1 was being hailed the winner a long way from home and while a prominent Mums Choice stumbled off the second turn Senna Sational shot clear to register a cosy ten and a half lengths win over Dame Enda.

Kishlawn Kismet cut an early dash from trap two in the ninth event but ran wide at the first turn handing the lead to 3/1 shot Shelmalier Champ. This pair drew well clear of the pack and while a wide running Kishlawn Kismet came back for more in the closing stages the Shelmalier Syndicate owned Shelmalier Champ (Powerful Flash-Dillrock Nancy) held his composure to win out by a neck in a fast 28.97.

In the final race of the night the Tommy Dixon owned and Nick Turner trained Nikkis Tillie (Top Honcho-Monsoon) got back on the winning trail posting a well-earned 28.68 winning success. At the head of affairs throughout Nikkis Tillie was tested to the limit by Stage Spark and Wilcox Figo but running a determined race Nikkis Tillie held out by a neck from Stage Spark.

## TEAM COMPETITION TONIGHT

Tonight, Wednesday August 18th sees the commencement of our late-summer four-week team time-trial competition. This competition is being sponsored by Ger Wyley, to whom we are very grateful. You are asked to assemble at Kilrush tonight at 6:30pm to register.

The registration fee is €10.00 for the entire competition, payable on the first night. Teams have already been de-

We will race on the familiar Whitechurch circuit, from Kilrush, and finish at Boorenarua. Cyclists are not permitted to wear a watch. You are further prohibited from using your cycle computer, and you may not carry a mobile phone!

As with other competitive club events, you MUST wear a helmet. The first team of four will start at exactly 7:00 pm, and other teams will start at two-minute intervals.
