## Traveller Encampment Forces Weeklong Closure Of GAA Grounds

**KEVIN KIRRANE**

A large group of trader/travellers who set up an encampment at the Tallow GAA Club's car park, forcing the club to close its grounds for a week, finally left the area on Saturday evening last.

Ground-staff and club members were faced with piles of rubbish including nappies and

up to forty caravans and vans strong, set up camp at the GAA clubs car park on Friday week last.

Caravans blocked the gates forcing the club to cancel training and one underage match

### Thugs Must Be Stopped! Says O Riain

**Kevin Kirrane**

Fianna Fail councillor, Ciaran O Riain blamed the low number of Gardai stationed in rural parts of north and west County Waterford as being part of the reason the recent spate of break-ins in an area running from Ballymacarbray to Cappoquin has taken place. Speaking at the November

meeting of Waterford County Council, Cllr. O Riain said that, in recent weeks, a number of towns were hit by burglaries, which were carried out "in the light of day."

Among the areas hit were Ardfinnan, Ballymacarbray, Touraneena with the most recent taking place just outside Cappoquin.

Cllr. O Riain urged for more Gardai to be redeployed from their desk jobs and put back on the beat around the county.

"These robberies are taking place in the light of day and not under the cover of darkness," he said.

"And the reason for it is that not enough Gardai are stationed in places where they used to be stationed."

Gardai last week said a break-in at a Cappoquin factory, which netted a gang an estimated 20,000 euros from a safe, was one of a number to have been carried out in the area recently.

The gang was said to be targeting vulnerable businesses in West Waterford and East Cork.

However, welcoming a recent Justice Department statement

# Effectiveness Of Cushcam Safety Measures To Be Monitored

Deputy John Deasy

National Roads Authority Chief, Michael Tobin has said additional safety measures at Cushcam Cross will be put in place if the current package of measures planned for the junction fails to reduce the number of accidents.

The NRA agreed to put in place a 40 mph speed limit, a safety barrier and additional signage, last month. But criticism was levelled at the Authority's for opting not to spend the 900,000 to 1 million euros necessary for a complete reconstruction of the deadly stretch of Dungarvan to Waterford road.

A complete reconstruction was the favoured choice of both Waterford County Council and

local residents in the area.

However, in a letter to Deputy John Deasy, Mr. Tobin said the authority will monitor the success of the new measures and examine if more needs to be done.

"The authority has requested Waterford County Council to prepare design proposals for speed control measures at this location," the NRA chief said. "An Garda Síochána has informed the council that they will enforce speed restrictions approved by the Authority."

These measures are scheduled to be implemented as soon as all the statutory approvals are received, he added.

"It is the intention of the Authority and Waterford County Council to monitor the situation after these proposals are implemented. If there is no improvement in overall road safety, then additional measures can be considered."

Figures show that throughout this year, an horrific trail of destruction has occurred at the road including five serious road traffic collisions, one non-serious road traffic collision and three material damage only traffic collisions

The figures also show that 12 people have sustained injuries arising from the accidents and

BY KEVIN KIRRANE

that twelve vehicles were involved. Half the accidents were single vehicle accidents while one drunk driver was arrested.

Speaking to the Dungarvan Leader, Deputy Deasy gave the NRA statement a cautious welcome.

"It's positive in the sense that

they are looking at the junction seriously," he said. "They've confirmed that they will approve the 40mph speed limit for the road and will monitor it and bring in further measures at it if there are no appreciable improvements. Something had to be done and we have to wait and see if these improvements make any difference in the next year."

**ANTS AND TERMITES**

Ants and termites are insects that live in large colonies, each of which has a queen who lays all the eggs. Although both termites and ants look similar, and termites are often called 'white ants', they are from different classes of living things. Termites are, in fact, more closely related to cockroaches than to ants.

**Termite Mounds Are As Strong As Concrete**

Some termites build enormous nests on the ground. They take pieces of soil, and glue them together with their own droppings and saliva. Some termite mounds can be over 6m (18ft) high and 4m (12ft) in diameter, the outer structure of which is as strong as concrete. Inside the mound there is a complicated system of corridor and chambers, all of which have a form of air conditioning to keep them cool.

**Some Ants Are Soldiers**

Soldier ants, found in parts of India, Africa and South America, 'march' in long, wide columns feeding on small animals as they go. Even large animals will run away when the ants advance, and if they enter a house they will strip it clean of insects and vermin, which makes them quite welcome in some villages.

**Soldiers Defend Termites' Nests**

Many termites specialise in 'soldiers' to defend the nest from ants who like eating the soft, juicy bodies of termites. In some species the soldier termites have large heads and large, strong jaws and in others the soldiers have a hollow projection on the head which squirts a sticky fluid at the ants to disable them.

**Leaf Cutter Ants Grow Their Own Food**

In some parts of South America, leaf cutter ants cause a lot of damage to crops. They cut small pieces from leaves, which they carry back to their nest. The leaves are chewed into a mulch, which is used to grow fungi. The ants love to eat the fungi.

**DID YOU KNOW?**

- The mighty ant can live up 50 times its own weight!
- Slave-maker ants steal the young of other ants and raise them as slaves!
- Some honey pot ants are used as storage tanks by their comrades, who pour food into them until they are enormously swollen!
- Compass termites build their gigantic mounds so that the long sides faced perfectly to east and west!
- In one of Aesop's Fables, called the Ant and the Grasshopper, the ant survives the winter because it works so hard during the summer.
- The Roman writer Pliny believed that in India there was an ant the size of a wolf, which mined gold!

# Plaque Erected To First Lady Of Song

KEVIN KIRRANE

A commemorative plaque marking the birthplace of Mai O'Higgins, Dungarvan's first lady of song, was erected by Dungarvan Town Council, the Museum Society and the Millennium Committee recently.

Unveiled by Mayor of Dungarvan, Michael O'Riordan, the plaque to Mai is only the second marking the birthplace of one of an honoured native of the town - the first being for the world-famous physicist Ernest Walton.

Mai O'Higgins, who travelled down from Dublin to be present at the ceremony, penned a number of popular songs including 'Dungarvan My Hometown' which spread the name of Dungarvan across the world.

Attended by the nine Town Councillors, staff, representatives of the Museum Society and Gillian O'Brien representing the new owners

## MAI O'HIGGINS HONoured BY DUNGARVAN TOWN COUNCIL

of Mary's Street house, Mayor O'Riordan paid tribute to Mai O'Higgins.

### FITTING TRIBUTE

"I am delighted to be able to complete what the Museum Society, the council and the millennium committee started over four years ago," Mayor O'Riordan said.

"We have had difficulties and delays in getting the plaque up on the wall of Mai's old home, but finally, thanks to the co-operation of Mitch O'Brien and Jim Healy, the plaque is now safely in place."

"On behalf of the council and the people of Dungarvan, I would like to again thank and pay tribute to Mai and the work she has done and for all she has achieved in promoting Dungarvan and helping to spread the name of the town and the county worldwide in the most positive way."

The council honoured Mai with a Civic Reception some years ago, and a tree was planted in her honour in a ceremony recently. Mayor O'Riordan said it was only fitting that her great contribution should be acknowledged in every possible way.

"There are very few towns which can boast a well-known song all of their own and indeed, when visitors come from abroad, they find it difficult to believe we have a song for Dungarvan, that it is known nation-

ally and that it is played on radio stations from Chicago to Sydney," he said.

### MANY ACHIEVEMENTS

"But that is just one of Mai's many achievements. She is also an accomplished poet with a huge body of work to her credit, some of which is available in her own book of selected work."

He also thanked Mai for her continued loyalty and dedication to the town and for her continued and active interest in promoting it both at home and abroad.

"I wish her many more days of happiness in which she can continue to do that and to produce her beautiful poetry".

Mayor O'Riordan later presented Mai O'Higgins with commemorative watch to mark the occasion.

## OLD MARKET FILM CLUB

The American film 'Spellbound' will be screened on Thursday 11th November at 8pm sharp, as part of the Autumn/Winter season of the Old Market Film Club in the Old Market House Arts Centre, Lower Main St., Dungarvan. Spellbound is a documentary that presents the hilarious real-life experience of eight young people as they race towards the top prize in the world's toughest, most unforgiving challenge - the National Spelling Bee. Spelling is, in its quaint and uniquely American way, the great equaliser - if you can spell, nothing else matters. Pitched as a breath bating, nail-biting face-off among hundreds of kids who train as rigorously as any Olympic athlete and who are every bit as heroic in their quest for glory.

Some tickets may be available on the night on a first come first served basis at €8/€6 concessions. For further details you can contact Elaine Bowe at the Arts Centre on 058/48944 or email artscentre@waterfordcoco.ie.

# COOKERY CORNER

## Rustic Pork Jelly

THIS is a deliciously different lunch or supper dish and is perfect if you have any left over roast pork.

As it is prepared well in advance, it is ideal if you do not know the exact time when hungry guests are due to arrive, or if you don't want to slave over a hot stove after a day out.

**Ingredients:**

(Serves 64)

- 600g sliced roast pork
- 2 eggs
- 100g frozen peas
- 1 small can of button mushrooms
- 2 pickled red peppers
- 4 cooked carrots
- 2 dill pickles
- 50g gelatine
- 1 litre stock
- 2 tsp vinegar
- 10 black peppercorns
- 1 jar pickled small corn cobs (optional)
- salt

**Method:**

HARD-boil the eggs for at least 10 minutes, then drain

and cool in cold water. Cook the peas in boiling water for about 3-4 minutes according to the directions on the packet. Drain and refresh under cold water.

Drain the corn cobs if used, and the mushrooms. Slice the mushrooms and peppers thinly. Slice the carrots and dill pickles with a fancy cutter if liked to give a fluted effect.

Soften the gelatine in a little cold water.

Heat the stock and add the softened gelatine, allowing it to dissolve completely before adding the vinegar and peppercorns.

Allow to cool until on the point of setting.

Shell the eggs and slice. Arrange slices of the sliced roast pork with the egg, corn cobs if used, mushrooms, peppers, carrots, pickles and peas attractively in a serving dish.

Pour over the cooked stock carefully and allow to set for 5-6 hours in a refrigerator. Serve with French bread.

## Tasty bean soup

**Ingredients:**

- 4 servings
- 350g dried haricot beans
- 50g bacon rashers
- 2 onions
- 4 tomatoes
- 3 tbs chopped red pepper
- 1/2 tsp salt
- 1/2 tsp celery salt
- 1/4 tsp white pepper

**Method:**

RINSE the beans in cold water, and leave covered with water in a saucepan overnight.

The next day, add a further 500ml to the beans, cover and cook until softened.

Dice the bacon finely. Peel and chop the onions.

Heat the diced bacon in a pan together with the onions and fry until golden brown.

Add the peeled and chopped tomatoes, red pepper and seasonings. Simmer for 5 minutes.

Then stir into the cooked beans and liquid. Check the seasoning before serving with warm French bread.

Tip: If time is short, canned haricot beans may be used in place of the dried ones. Add them with the tomatoes and red pepper with sufficient liquid from the can to make a soup consistency.

## Cherry Pudding

**Ingredients:**

- 4-6 servings
- 100g castor sugar
- 500 ml milk
- 12 slices bread, crusts removed
- 1 425g can of stoned black cherries, drained
- 4 eggs, separated
- juice and grated rind of 1 lemon
- few drops vanilla essence
- 250ml double cream
- 3 tbs icing sugar

**Method:**

DISSOLVE a quarter of the castor sugar in half the milk.

Dip the bread slices in the milk mixture so they are saturated, but not soggy and falling apart.

Grease a baking dish and sprinkle with another quarter of the castor sugar.

Arrange half the bread slices in the dish and lay over the cherries, reserving a few for decoration. Cover with the remaining bread. Mix the egg yolks with the remaining milk, lemon juice

and rind, vanilla essence, remaining castor sugar and cream.

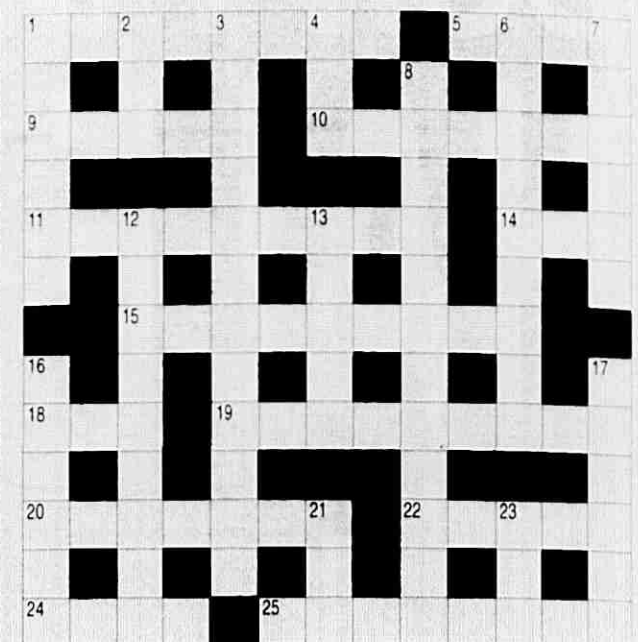

Whisk the egg whites until stiff, then fold into the yolk mixture. Spoon over the baking disk.

Bake in a moderate oven (180°C/ 375 °F, Gas Mark 4) for 30-35 minutes. Do not let the top become too brown. Sprinkle with the icing sugar and decorate with the reserved cherries.

## Health Tips from "Remedies"

### CELANDINE

The greater celandine (*Chelidonium majus*), a valued plant of the Old World herbalist, is now grown in wild gardens. A member of the poppy family (*Papaveraceae*), it has poisonous orange sap, coarsely toothed, divided leaves, and four-petaled yellow blooms about 2.5 cm (1 inch) across. It was formerly known as wartweed for its reputed power to remove warts.

Warts are caused by an infection of the skin by the human papilloma virus. This infection causes cells in the skin to multiply, giving rise to the characteristic lump seen. Verrucae are simply common warts found on the feet. Celandine contains alkaloids with anti-viral activity. One of these, Benzophenanthridine, has been shown to possess the ability to damage and kill wart viruses. Another, known as Chelidonine, slows down the proliferation of infected skin cells.

**ARIES**  
Mar 21 to April 20  
Work to maintain domestic harmony by giving in occasionally. Security means everything to you at the moment but try not to be so possessive of loved ones or their time. A heightened sensitivity causes you to see slights were none are intended. Try not to take things so personally or too seriously. Be open to change. ☎ 1550-920-257

**TAURUS**  
April 21 to May 21  
An act of kindness will be repaid in dividends even though you won't have wanted anything in return. Opportunities are all around you so don't be short sighted or you could miss out! New friends prove interesting and exciting company. It is a fine time to make investments or simply put a little away for that inevitable rainy day. ☎ 1550-920-258

**GEMINI**  
May 22 to June 21  
Have the courage to change. Don't expect everyone and everything to remain the same. Pride pushes you to be stubborn and makes it almost impossible for you to admit your mistakes. Be prepared to listen to criticism or reasonable argument. Turning life into a drama can be your downfall, particularly when it comes to personal issues. ☎ 1550-920-259

**CANCER**  
Jun 22 to July 22  
Don't allow others to pressurise you into taking on more than you can handle. You are a good money organiser but you can only stretch it so far. Your soft heart could sway you to spend more of your hard earned cash than you can afford. Enjoy a fun flirtation but if attached - watch out. You could be playing on your partner's insecurities. ☎ 1550-920-260

**LEO**  
July 23 to Aug 22  
Food for thought comes from an unusual source. It is a good time to make long term plans but don't get so bogged down in tiny details that you lose sight of the overall picture. A reunion makes your day and puts you back in touch. Mixing business with pleasure could prove productive so be prepared to make those contacts social. ☎ 1550-920-261

**VIRGO**  
Aug 23 to Sept 22  
Some things may be better left unsaid so think carefully before you speak. With all-seeing eyes and an almost magical intuition, you can see through any false front to the real person underneath. In love, stop analysing. Go with your heart and your inner-voice. An unexpected windfall comes your way and helps to solve a cash-flow problem. ☎ 1550-920-262

**LIBRA**  
Sep 23 to Oct 23  
Tread carefully in all monetary matters and beware of being too trusting, gullible or naive. Try to be more sceptical and don't take everything and everyone at face value. In love, come down to earth fast. Your idealizing could lead you to heartache. Try to calm down and cool down before you over-react to well-meant criticism. ☎ 1550-920-263

**SCORPIO**  
Oct 24 to Nov 21  
Contacts prove important but you should choose your allegiances with care. You are a soft touch. Don't fall for every sob story. Be careful with cash and avoid spending beyond your means. Those near and dear are supportive and rally round whenever you call. Listen to someone close who has interesting news and views. You can't know everything! ☎ 1550-920-264

**SAGITTARIUS**  
Nov 22 to Dec 23  
Someone violates your space, moving in on your territory uninvited. Remain polite but remind this person of important boundaries. At home, an unexpected turn of events takes you by surprise. You have great visions for the future but perhaps you should keep some of your wilder plans filed away until the time is right. ☎ 1550-920-265

**CAPRICORN**  
Dec 24 to Jan 20  
This is a time of all work and little play but the rewards make your efforts worthwhile. Blood ties are strong, family bonds are re-established and a house divided is reunited. This week, be sure to put those intense and intuitive feelings into words. Interested in knowing more? Then telephone for an update. Your lucky number is two. ☎ 1550-920-266

**AQUARIUS**  
Jan 21 to Feb 19  
This week, opportunities excite and delight but take up a lot of your precious time. Financial rewards rocket but ask yourself honestly - is it worth it? This week, be prepared to go the distance, especially in love. Telephone for a full analysis to know more about what is in store. To promote love and luck, wear a passionate purple. ☎ 1550-920-267

**PISCES**  
Feb 20 to March 20  
Honesty proves the best policy especially as a soul mate can read you like a book. This week, a laugh-a-minute buddy wastes a lot of your time with hot air ideas and questionable possibilities. Consider all offers carefully. For further astrological considerations, telephone now. Your lucky number is twelve. ☎ 1550-920-268

## Dungarvan Leader - GARDEN MESSENGER

# The Garden Messenger for November 2004 is 'Golden Conifers' with golden species and varieties of Cryptomeria, Thuja and Pinus

Exciting colours and stylish forms can be yours with 'Golden Conifers'. As the beauty of the autumn leaves begins to give way to the tracery of winter branches, ornamental conifers really come into their own. They give the garden important solid features and by planting species and varieties with unusually coloured leaves you can get maximum value from their structure and form.

Most of the golden conifers available in this country are dwarf varieties which makes them highly adaptable for use in smaller gardens, or in areas of special interest such as rock gardens. In these situations they can provide colour and interest, especially when many other garden plants are dormant. The leaves of some take on a bronze tinge in winter which is an added colour bonus and all will look fabulous encrusted with hoar frost or dusted with a covering of snow.

Here are a few species and varieties that deserve a special mention. From

the family of the White cedar, *Thuja occidentalis* 'Rheingold' is highly valued for its golden-yellow foliage. Added colour bonuses include the fact that foliage is pink-tinged when young and turns bronze in winter. 'Rheingold' reaches a height of 1-2m. Another White cedar, 'Golden Globe' has lots to offer as a plant for a rockery or small garden. A spherical, dwarf shrub, it has bright golden foliage and grows to an approximate height and spread of 1m. If you're looking for a tree with a columnar-conical form to fulfil a particular garden design theme, look out for 'Stoneham Gold' (*Thuja plicata*). This tree is slightly bigger than the others so far, achieving a height and spread of about 2m at maturity and has a rounded, irregular growth habit. From the family of the Japanese cedar (*Cryptomeria*) 'Elegans compacta' is an attractive conical shrub that has dark green juvenile foliage which turns bronze in winter.

No survey of golden conifers would be complete without a mention of Scots

pine (*Pinus sylvestris*) 'Gold Coin'. This slow growing shrub sports intense golden foliage and achieves a height and spread of approximately 2m.

Grow these conifers in deep soil with good drainage. They will do best in sheltered, sunny positions. Japanese cedars will tolerate chalky soils and are happy in partial shade. Thujas need shelter from cold drying winds. None of these conifers require regular maintenance, being slow growing and small. If they do need a trim to keep them in shape at any point, spring or late summer are the times.

The golden conifers have lots to offer the gardener and garden designer in terms of their colour, form and ease of maintenance. They work beautifully alongside heathers or in rock gardens as accent plants. Trees with geometric shapes can provide formality and structure all year round.

As with any investment product, potential investors have questions, the most common being "Where is my money invested?" The answer is in a European Equity Fund and a Government Bond. The Guaranteed Investment Bond is a unit-linked equity investment that is actively managed.

## A unit-linked fund

Briefly, money invested is pooled with other investors' money and this pool is used to buy stocks and shares. The investments are broken down into units and the value of the units changes from time to time in line with the value of the fund.

## Active Fund Management

This is where the active fund management comes in. Experienced fund managers constantly review the make-up of the stocks and shares. This allows them to make decisions on buying, selling or holding individual stocks and shares with a view to optimising investors' returns. This product is produced and managed by Friends First Life Assurance Company Ltd on behalf of First Active.

## Balanced Approach

The fund managers take a balanced approach and spread the investment geographically across Europe as well as across different stocks and sectors. The table below gives an example of some of the shares and sectors in which the funds might be invested. Investors can track

the progress of the First Active Guaranteed Investment Bond using the investment tables published in many of the daily and Sunday newspapers.

## Locking in Growth

As well as the 100% guarantee at maturity and unlimited growth potential, growth is locked in at a number of stages during the life of the investment. So how does it work?

## The Details

The Guaranteed Investment Bond matures on 6th January 2010. At that point customers will receive the highest of:

- Capital Invested + Growth of the Fund (Fund Value at Maturity)
- Capital Invested + Annual Bonus
- Capital Invested + Initial Bonus
- Capital Invested

These four scenarios are described in more detail below:

## Capital + Growth of the Fund

(Fund Value at Maturity) This is the optimum scenario. It occurs when there has been strong, steady growth in the underlying markets over the term of the investment. See graph below.

## Capital Invested + Annual Bonus

This scenario applies when the fund performs better in one particular year of the term than over the entire term. In April 2006, 2007,

2008 and 2009 the performance from the commencement of the investment is reviewed to calculate the annual bonus. The bonus is calculated as 50% of the performance of the fund to date and the greatest of these bonuses becomes the locked-in growth.

## Capital Invested + Initial Bonus

This scenario could provide the highest return on a customer's investment if the fund continues to perform badly after the first six months of the term. At the end of the first six months of the bond (April, 2005) the highest unit price achieved during that period is locked in as a minimum return payable at the end of bond.

## Capital Invested

If the market performs poorly, such that the actual value of a customer's investment at maturity is less than the amount originally invested, the customer will receive the original amount back.

A strong feature of the Guaranteed Investment Bond is that even though customers benefit when markets rise in value, they are also protected when markets fall.

Commenting on the launch of the Guaranteed Investment Bond, David Reynolds Manager of First Active Dungarvan said: "We are delighted to be launching a product that offers investors the benefit of a capital guarantee combined with an active investment strategy. In addition the bond offers opportunities to lock-in growth at stages during the 5 year 3 month period of the product that protects against market downturns. With these guarantees, an active management approach and no cap on growth we believe that demand for this product will be very strong."

## How to get involved

Customers can invest in it up until December 17th, 2004 (subject to availability), as long as they can invest a minimum of €20,000.

## Length of Investment

The investment is over a term of 5 years and 3 months, reaching maturity on 6th January 2010. It is a fixed term investment product, so penalties are applied if money is withdrawn before the end of the term. The amount of the penalty is based on a sliding scale determined by the amount of the withdrawal.

## Accentuate the Positive! — through Toastmasters

Speaking is something that most of us take for granted. Sometimes it is not what we say but how we say it that is important. Whether it is giving a report in work, doing a reading at mass, speaking at a family party or even returning faulty goods to a shop — it is important to give a good impression.

In toastmasters members have the opportunity to develop their communication skills so that they can take part in any such situation with confidence. Members meet twice a month & have fun & enjoy speaking with sincerity, overcoming nervousness & developing self confidence.

Toastmaster members across the county were impressed & entertained as new members 'broke the ice' as they gave their stage 1 speeches this week. Maura Young in DLS Toastmasters and Margaret Barry in West Waterford — Lismore — Toastmasters received great encouragement & were delighted with the positive feedback they received from the members in attendance.

To find out more about toastmasters why not visit any of our meetings across the county. Guests are always welcome at the Park Hotel Dungarvan on Thursday 11th November & The Lismore Hotel, Lismore on Thursday 18th November. You can also find us on the web at [www.toastmasters.org](http://www.toastmasters.org) or [www.dlstoastmasters.com](http://www.dlstoastmasters.com) or ring 087 412 7993 for further details.

Tip of the week: Before starting to speak take a sip of water, take a long deep breath, relax & take your time.

## Dungarvan Dramatic Club Noes

The Park Hotel was the venue for the club's special preview of Richard Parson's one-act play "Mortmain" earlier in the week. The production, which is directed by Gavin Hallahan, and stars Siobhan Buckley and Ivan Power, received very positive feedback from the invited audience, certainly a strong vote of confidence for the director and cast as they take off on the One-Act Festival Circuit this weekend. They will be performing in Haulbowline this Friday night (12th Nov) and in Ferns on Saturday night (13th Nov) - Best of luck!

Meanwhile, with just two weeks to go to the first performance of "The Importance of Being Earnest" on 24th November, the scripts have been banished from rehearsals; Des, Ned, Pdraig & Mike are busy building the adaptable set required for this three-act play, and stage manager, Trish, is spending hours in the kitchen honing her cucumber sandwich recipe to "absolute perfection". To pre-book tickets for any of the performances (Wed 24th - Sat 27th Nov), contact Siobhan on 087-6827186.

## GLENVIEW UTD A.F.C. Glenview 3 Lismore 5

On Sunday morning last Lismore were visitors and we were served up a feast of goals. Lismore started off in lightning fashion and were three goals up before Glenview knew what hit them. A few changes were made and we were right back in the game with Paul McGrath getting a good goal. Three goals to one at the break.

At the start of the second half we were right back in it when John Broderick scored from a close in freekick. However, Lismore were always dangerous on the break and scored twice more. The final goal came in the last ten minutes from Jamie Brien. We certainly had chances in the second half and but for the concession of soft goals, we could quite easily have got a result from this one. We are at home to Clashmore on Sunday next.

We wish the best of luck to panel member Donal O'Rourke

## BALLYDUFF NOTES

### Ballyduff Community Council Election 2004

It is now four years since the last Ballyduff Community Council Election. The Community Council acts as an umbrella organization for many groups in Ballyduff.

Rural Ireland is facing many challenges, and if small communities are to thrive and flourish the active participation of all in the community is called for. This is why all persons over eighteen will be invited to select a group of five people in their area who you feel will best represent the needs of our community.

Two members of the current community council will call to all households in each of the nine areas in Ballyduff community over the next week distributing a total of over nine hundred ballot papers. These will be collected again on or before November 19th.

Through our Community Council and its sub-committees several developmental projects have taken place in Ballyduff over the years, however new blood and fresh ideas are both welcome and needed to ensure our community remains as

### strong and vibrant as it is today. Ballyduff Macra Notes

Club members enjoyed celebrating Siobhan's 21st over the weekend in Glanmire.

Also well done to Brian Barry who represented the club in the welding competition on tuesday night.

Our next meeting will be held on Friday next at 9pm.

### BALLYDUFF SOCCER NOTES

Last Sunday we travelled to Conna to play Castlebridge in the plate cup final.

From the start the game was played at a very high tempo and mid-way through the first half Brendan Hannon put us in front.

That's the way it stayed till half time. In the second half we began to take control, our midfield were on top, and when Brendan Hannon made it 2-0, it was no surprise. Brendan completed his hat trick with 10 minutes to go. We thought it was going to be an easy 10 minutes to play out, but Castlebridge got 2 goals in that period, and were unlucky for the equaliser. Final score 3-2 to ballyduff.

# Live Art in Old Market House Arts Centre

The Old Market House Arts Centre had a capacity crowd for the launch of their two new exhibitions

'Uncovered 2' is a collection of work by Waterford Live Art, a group of artists from Waterford city & county who are concerned with the human form as part of their art practice. 'Uncovered 2' is their second group exhibition platforming work produced dur-

ing and arising from these life-drawing sessions. The exhibition features the work of fifteen artists: Niall Bracken, John Cullinan, Danny Cunningham, John Gallagher, Mary Grehan, Eleanor Horan, Andrea Jameson, Niall Larkin, Berna Lawton, Ian Mannion, John Murphy, Margaret O'Brien, Boyer Phelan, Lionel Powell and Brigid Teehan.

'The Disengaged' is a series of work by Dagmar Drabent which explores the "ever increasing sense of confusion and isolation in today's world". Originally from Germany, Dagmar is now living in Galway. She has exhibited widely in Ireland and Germany and this year's exhibitions include "6x6 for Ireland" - group show in China, Rotating Exhibition of Sculptures in Cork, group show in Sligo and in Lorient, France.

Mayor Michael O' Riordan welcomed all the artists to Dungarvan.

Dr. Abdul Bulbulia, President of Waterford Healing Arts Trust, officially opened the exhibitions and spoke about the development of the Live Art group and of the context of the visual arts in Waterford. He was most complimentary of the Arts Centre on his first visit to the venue and expressed his opinion that several other places in Ireland would be envious of such a facility.

The Arts Centre is open Tuesday to Saturday from 11am to 5pm. These exhibitions continue until Saturday 27th November 2004, admission is free and all are welcome. Telephone 058/48944.

### FROM CHARLES SMITH'S HISTORY OF WATERFORD 1745. ARDMORE

(Continued)

The base of this tower is 45 feet in circumference or about 15 in diameter. The roof is pyramidal, being of stone, very well cut and closely jointed together, well plastered within-side from top to bottom, being as white and fresh as if it were newly done. 4 beltings into stories divide the whole, with a window to each. On the top a kind of cross like a crutch, still remains. This is at present one of the most entire of these kinds of towers in the kingdom, and the only one of the sort in the county. In the church-yard is the Dormitory of St. Declán, being a small low house not long since roofed and slated at the expense of the late bishop Mills. In this place they show a skull as they pretend, of this saint, and another skull is venerated here also. Nor is it known, which, or if

either, be the real one of St. Declán. Ardmore was anciently a Danish settlement, for hereabouts are several remains of this people, as circular entrenchment's and such works, not to mention the round tower above described. I here met with an ancient deed dated the 8th of Richard I. Anno 1197, settling some lands on the family of the Mernins by one Christiana Hy-Dorothy, a Dane. The deed is very short, but is much defaced by time however it is remarkable, the spot continues in the name and family of the Mernins to this day. (To be continued).

**POWER AND DECIES - 500 YEARS OF RIVALRY**  
By Kenneth Nicholls  
Tuesday 16th November

Kenneth W. Nicholls of University College Cork is one of Ireland's most distinguished historians. He is researcher and editor of documents for the Irish Manuscripts Commission. His other areas of research interest includes late medieval and early modern Ireland, legal, institutional, and agrarian history of Ireland and other countries.

History of marriage in Ireland and other countries, Place-names of Ireland, Genealogy, populations studies; Scottish history (legal and institutional), extinction of animals

within historical times.

His publications include Gaelic and gaelicised Ireland in the middle ages (Dublin 1972); Land, law and society in sixteenth century Ireland (Dublin 1976); many articles in New history of Ireland and elsewhere. He has contributed to volumes II and III of 'A New History of Ireland' and 'The Irish Fiants of the Tudor Sovereigns' (1994).

Kenneth Nicholls treats all subjects with his usual style, clarity and ability to draw the most out of seemingly disparate sources. He has an unrivalled knowledge of the old Gaelic families and in this talk he will refer to the important local families such as the Powers.

The Museum Society is honoured that such a distinguished scholar has agreed to deliver our November lecture and we appeal to our

members and the general public to turn out en masse at Dungarvan Library at 7.30p.m.

# Twinning With French Or American Town To Be Discussed

**By Kevin Korrane**  
Dungarvan Town Council's protocol committee will discuss the possibility of twinning with either an American town close to New York, or with a French town which has historical connections with West Waterford. The next protocol meeting is likely to be held in December

when the members will discuss whether to twin with Mount Kisco or an unnamed French town.

It's understood a number of members want to explore the prospect of twinning with Mount Kisco following the close links that were forged between the towns during last years St. Patrick's Day celebrations

when a deputation led by the then Mayor Paddy Power visited the American town.

However, a second town is now said to be interested in twinning with Dungarvan. A French town, with a population said to be around 7,000, is thought to be one of the options

that will to be discussed.

According to Mayor of Dungarvan, Michael O'Riordan, a large number of soldiers from West Waterford serving in the Irish Fusilier's were killed during the First World War near the French town and were buried there.

"I will be putting the name before the protocol committee," he said. "I would also be open to the idea of sending a deputation to explore the possibility further."

# New Plan Is No Plan For Ring/Old Parish

## -Says Councillor

Planning strategy in the Ring/Old Parish area is in a "mess," if the first draft of the Waterford County Development Plan 2005-2011 is anything to go by.

That's the strong assertion coming from that locality's elected representative on the Board of Údarás na Gaeltachta, Cllr. Fiachra Ó Céilleachair. He says the planning authority has been traversing a circuitous route between excess and zero tolerance of various development, without

signalling what balance can be struck.

Cllr. Ó Céilleachair says proposals in the draft plan to de-zone lands in the four defined "settlement" units of Heilbhic, Baile na nGall, Maoil a, Chóirne/Cnocán a, Phaoraigh and the "centre" of Old Parish from "residential" to "primarily agricultural" designations will prove unpopular in

both communities.

Cllr. Ó Céilleachair has long argued that people in Ring and Old Parish have little difficulty with single site or smaller scale residential schemes, whatever about the sceptre of larger developments in excess of 40/50 units together. He says the latter scenario, initially practical under the 1999 County and 2001 Local

Area Development Plans, has appeared less likely since the debate surrounding the adoption of those strategies. Now, however, Cllr. Ó Céilleachair says maps in the draft of the next plan relating to the four "settlement" units clearly state that planning applications of any type on the majority of lands therein will only be entertained subject to what the Council calls "genuine housing needs" criteria.

Cllr. Ó Céilleachair says the "genuine housing needs" criteria, which to date has been applied in the larger parts of both parishes lying outside of the four defined "settlement" units, is in his view a "disaster". This criteria, says Cllr. Ó Céilleachair, largely dictates that sites can only be used, bought or sold for houses in exceptions where the beneficiary is either a relative, a de facto "local" or is specifically employed in the parish and not in Dungarvan or anywhere else. This approach, in his view, is too restrictive, permits no balance and also negatively impacts on existing Ring/Old Parish residents who may want to develop a site for sale.

Cllr. Ó Céilleachair also says the new draft plan, which is available for viewing on the County Council's website, is riddled with "mistakes, contradictions and impracticalities" in respect of Ring and Old Parish. Lands newly proposed for "primarily agricultural" uses in more than one instance, according to Cllr. Ó Céilleachair, are either already built on or have been the subject of planning applications for housing under the old plan something which may yet have legal implication, in his view. Nine acres owned by Údarás na Gaeltachta in Baile na nGall are given three new distinct zonings in the draft, including a "parkland and amenity" designation and none of which accord to the statutory obligation of developing the land for enterprise purposes.

Cllr. Ó Céilleachair argues it should be possible to have planning on its merits for Ring and Old Parish, where the improvement urgently required to local infrastructure (particularly water supply and upgrading of sewerage treatment), due regard to the natural development of rural communities and the maintenance of the Gaeltacht status are taken into account.

**RECENT DEATHS**

**LATE JACK BALDWIN  
(1907 - 2004)**

The death has occurred of Jack Baldwin, Coolbeggan, Knockanore. In his 98th year, he died peacefully at his residence in the devoted care of his wife and family.

Jack, a native of Killeenagh was the second of a family of three boys. He resided in Coolbeggan since his marriage in 1945. A member of the farming community, he had a special interest in breeding pedigree Friesian cows and for many years showed them successfully throughout Munster.

A talented sportsman, Jack won numerous trophies and medals in many events. His forte was the high-jump and he captured the Co. Waterford Senior High Jump Championship on three successive occasions in the 1930's. A winner at the Annual Draper Sports in Cork, he also competed successfully in Munster Championships and was part of a victorious County Tug-O-War team in 1940. Football was one of his other accomplishments. He was one of the last surviving members

of the Knockanore team which secured the County Championship in 1940.

Jack took a keen interest in current affairs and sport right up to his death. He became an avid radio listener on losing his sight fourteen years ago. There was nothing he liked better than listening to a race commentary or hearing John McCormack sing his favourite song 'Jennie With the Light Brown Hair'. He was lovingly and devotedly cared for by his family in the comfort of his own home.

Jack's remains reposed at his residence, while many friends and neighbours came to pay their respects. From there he was removed to the Church of the Sacred Heart, Knockanore. On the following day requiem Mass was celebrated by Rev. Fr. P. Fitzgerald P.P. and retired P.P., Fr. J. Mulcahy. The first lesson was read by his grandmother Elaine Baldwin who also sang the Psalm 'The Lord is my Shepherd'. John Baldwin, grand-nephew, read the second reading. Prayers of the faithful were offered by grand-nieces and nephews. His daughter Carmel and daughter-in-law Catherine brought the bread and wine to the Altar at the offertory. A touching post-communion reflection was delivered by his grand-daughter Elaine. Appropriate Hymns were sung by Charles McCarthy and musical accompaniment was provided by Tony Ryan.

Jack was laid to rest in his beloved Knockanore on a mild and sunny Autumn afternoon after a long life, well lived and enjoyed. May he rest in peace.

We extend our sincere sympathy to his widow, Elizabeth, son John, daughter Carmel, grand-daughter Elaine, daughter-in-law Catherine, nephew Johnny, niece Ann, relatives and friends.

'The harvest has been gathered. The journey ended'.

**LATE VERY REV  
CANON WILLIAM  
PHELAN (1918-2004)**

The death occurred recently of the Very Rev. Canon William Phelan, No. 11 The Orchard, Dungarvan. Canon Phelan was the son of the late Thomas and Mary Phelan (nee Flynn), of Carriganure, Kilmeadan, Co. Waterford.

He was born on the 26th September 1918 and was educated at Ballyduff National School, Mount Sion Secondary School, and Mount Melleray Seminary. In 1937 he entered St. John's College, and a year later he transferred to Maynooth College where he spent the next seven years studying for the Priesthood. He was ordained on the 17th June 1945.

He spent the first six and a half years as a curate in the parish of St. Lawrence's, Byker, Newcastle on Tyne, where he made many friends, contacts which he maintained for the rest of his life.

On the 11th November 1951 he was appointed curate in St. Patrick's, Waterford. On the 16th January 1953 he was appointed to the parish of Grange and Ardmore, during his time in Ardmore he played an active role in the revival of the GAA there. His next appointment was to the parish of Ballybricken where he spent the next two years. In 1959 he was appointed to the parish of Crooke where again he was involved in the reorganisation of the GAA and the starting of the Pioneer Association there.

In 1968 he was appointed curate to Cahir, Co. Tipperary, where he spent eleven very happy years. During his time there he was involved in almost every organisation from the Community Council to the Lourdes Annual Pilgrimage. It was during his time in Cahir that he underwent major surgery, and he often spoke of the kindness and support of the people there during his recovery.

On the 7th February 1979 he was appointed Parish Priest of Stradbally, he had a great love for this parish as his mother was born in Faha, and the person who had probably the greatest influence on his life his uncle Fr. Willie Flynn was buried there. During his time there he was involved in the renovation of Stradbally Church.

On the 15th July 1986 he was transferred to the parish of Cappoquin. He spent nine very happy and rewarding years there. A great honour was bestowed on him there in 1992 when he was appointed to the Cathedral Chapter and made Canon Phelan.

Following his Golden Jubilee

Mass on the 23rd June 1995 he retired to his new home in Dungarvan where he had lived until May of this year. He spent the last few months in the care of the Padre Pio Nursing Home in Cappoquin where he died on the 23rd October.

His remains were removed from Walsh's Funeral Home, Cappoquin on Monday evening with a guard of honour being provided by Passage and Ardmore GAA clubs. His remains were received at Cappoquin Parish Church by Bishop William Lee and by many other priests from the diocese. On Tuesday 26th October a concelebrated Mass was held, the main concelebrants being Bishop William Lee, Abbot Eamon Fitzgerald and Monsignor Michael Olden, also present was retired Bishop Russell and many other priests from the dioceses.

Following the Mass burial took place at Mount Melleray Churchyard where a guard of honour was provided by his many friends from the West of Ireland.

Canon Phelan was predeceased by his brother John Phelan, Carriganure (1974) and his sister Peggy Fitzgerald, Kilmagemogue (2000).

Deepest sympathy is extended to his sister, Sr. Josepha, Convent of Mercy, Waterford, and to his nephews and nieces of the Fitzgerald and Phelan families.

The Months Mind Mass for Canon Phelan will take place in St. Nicholas' Church, Ballyduff Lower on Tuesday 23rd November at 7.30 pm.

in-law Krys and Mary, her nephews, nieces, relatives and friends. One must also sympathise with and thank her other family in Carriglea whose care and love was showered on Claire over the years.

Reposing at the Kiely Funeral Home, rosary was recited by Sr. Mary after which the funeral cortege left for Ring Church. On Tuesday Fr. Edmond Cullinan P.P. was Mass celebrant. The lessons were read by Jackie Hogan (niece). Prayers of the Faithful were shared by Kelly, Sr. Nora and Peter, while crafts carried by Rose, a jigsaw by Josephine, Olympic trophies by Tom and Marie, photographs by Maureen and Bread and Wine by Pat and Julie were brought in procession to the altar at the offertory. A commentary on each and it's significance was given by Sr. Mary. The Carriglea Choir sang beautiful hymns in prayerful tribute. A very personal eulogy was delivered by Catherine. After the Holy Sacrifice of the Mass the interment followed in the adjoining cemetery.

A beautiful book "Today we Remember our Friend" was produced for Claire's funeral Mass.

I conclude with just two lines from its introduction.

"Our consolation will be the joyful memories we have, our sadness is that a young person has gone from us at an age we did not expect."

"May Claire have eternal rest".  
(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

with the locals, did his building and was the gravedigger who prepared many a resting place for those who have journeyed on ahead. His garden was his earthly paradise, very much family orientated, he could bridge the gap between the generations with remarkable ease. He also relished the flutter on the horses, a social drink with friends when incidents from yesteryear would be recalled. The bingo numbers on local radio were always eagerly awaited while John O'Shea Country Music Programme on W.L.R. was also listened to with an attentive ear. He was a staunch Fianna Fail supporter, and worked tirelessly for the party especially during election campaigns. He was honoured with Presidency of the local Cumann. He loved Ardmore GAA and was a corner stone from the mid 50's onwards. He was canopy bearer at the Corpus Christi Procession for many years. He had a deep love of nature and animals, especially his faithful friend "Scotty". His passing has severed another link with the past.

We sympathise with sons Padraig and Noel, daughters Jacinta and Orla, sons-in-law James and Billy, daughter-in-law Siobhan, sisters-in-law May, Meta and Terry, nephew and niece John and Sharon and his beloved grandchildren who were all so special to him, David, Regina, Andrew Joyce, Charlie, Nathan, Jamie, Bryan and Rachel Cronin.

Reposing at the Kiely Funeral Home, the removal on Friday took place to St. Declan's Church. Fr. Guiry P.P. led all at the funeral service. On Saturday morning Fr. Milo Guiry P.P. was Mass celebrant, while the lessons were read by Jacinta and Orla (daughters), son-in-law James. Prayers of Intercession were recited by Sharon Wilson (niece), Andrew and David Joyce (grandsons).

Offertory gifts of a walking stick, bingo book, radio, photograph, book 'Childhood Memories of Ardmore', bread and wine, were brought to the Altar by Noel (son), Rachel, Cronin, Charlie Bryan, Nathan Bryan, Andrew Joyce, grandchildren. Music was provided by Ardmore Church Choir accompanied by Ann Gartland while Altar serving duties were performed by Aoife Smith and Rebecca Yellog.

The interment followed in the Holy Cross Cemetery, Ardmore which was attended by a huge concourse who had come to bade farewell to console the bereaved.

Ar dheis láimh De go raibh Willie.

Leaba i measc laochra agus Naoimh na hEireann dó.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

**LATE CLAIRE  
O'DONNELL**

With feelings of great sadness and regret we write on the unexpected passing of Claire O'Donnell, Ballinacourty, Ring on Saturday 30th October. Predeceased by her father Jack in 1980, her brother John 1986, Claire who was aged 35 years, was educated at St. John's School, Dungarvan and St. Martin's School, Waterford. Since 1987 Claire resided in Carriglea where she was a great favourite with sisters, staff and residents. She was very interested in Arts and Crafts and spent hours painting and doing her much admired craftwork. The Special Olympics which took place in Dublin just eighteen months ago saw Claire climb the winners rostrum to collect her two medals in the motor activities competition. She had trained so hard for the precious, golden moments, a wonderful feat for herself and the source of much joy for her family.

How beautifully sister Catherine related those minutes in her eulogy. Claire was special, so special.

We offer our sincerest sympathy to her mother Nora, brothers Michael, Anthony, Kevin and Paul, sisters Marie, Josephine and Catherine, brothers-in-law Billy Slattery and Liam Hogan, sisters

**LATE WILLIAM (WILLIE)  
MULCAHY**

We learned on Thursday 28th October of the passing at his residence of Willie Mulcahy, 5 Upper College Rd., Ardmore who was within weeks of his 75th birthday. Predeceased by his wife Eileen (nee Prendergast) on 15th February, 2002. Willie was very well known and popular and enjoyed the respect of one and all. He worked hard all his life, farming

# IN MEMORIAM

**BRAY** — Twelfth Anniversary — In loving memory of my dear friend Mary T. Bray, late of Barracks Street, Cappoquin whose anniversary occurs on November 10th, 1992.  
Your memory is precious,  
And never grows old,  
It is locked in our hearts,  
In letters of gold,  
Your presence we miss,  
And memories we treasure,  
Missing you always,  
Forgetting you never.  
(Always remembered by your friend Ursula).

**BRAY** — Twelfth Anniversary — In loving memory of Mary T. Bray, late of Shanbally, Cappoquin, who died November 10, 1992.  
No length of time can take away,  
My thoughts of you from day to day,  
Time slips by and life goes on,  
But from our hearts you are never gone.  
And as each day dawns and starts anew,  
And as each day ends I think of you,  
And in between, no matter where,  
Deep in our hearts you are always there.  
(Sadly missed by Mam and family XXX).

**BUCKLEY** — Fourteenth Anniversary — In loving memory of a dear son and brother, Barry, late of Church Street, Cappoquin who died on November 15, 1990.  
We hold you close within our hearts,  
And there you shall remain,  
To walk with us throughout our lives,  
Until we meet again.  
(Sadly missed and always remembered by Mam, Dad, brothers and sisters).

**DAVIS** — Ninth Anniversary — In loving memory of William (Billy) Davis, late of Barrack Street, Tallow, who died on November 14, 1995. On his soul sweet Jesus have mercy, Masses offered.  
Will those who think of Billy today,  
A little prayer to Jesus say.  
(Always remembered by his loving brothers Michael and Tommy and sister Marie).

**DUGGAN** — Tenth and Twenty Second Anniversaries — Of Michael Duggan who died on 13th December, 1994 and also Bridget Duggan who died on 11th November, 1982. R.I.P.  
Wouldn't it be lovely Mum and Dad,  
Your smiling faces to see,  
Standing by our doorstep,  
The way you used to be,  
There is a place within my heart,  
And there you shall both remain,  
To walk with me throughout my life,  
Until we meet again.  
(Sadly missed by your daughter Mary, Jackey and family XXXXXXX).

**ELSTED** — Fifth Anniversary — In loving memory of our dear mother Eileen Elsted, Fitzgerald Terrace, Dungarvan who died on November 15, 1999.  
For the mother who gave us everything,  
Asked nothing in return,  
But to love and help each other,  
As long as this world turns,  
No matter what we asked for,  
A favour big or small,  
It was never too much trouble,  
Your family was your all,  
We can see you clearly Mam,  
With a smile upon your face,  
Heaven must be much nicer,  
With you around the place,  
For you are someone special,  
Someone set apart,  
God holds you in his keeping,  
We hold you in our hearts,  
It's hard to hide the sadness,  
But it's something we must do,  
Because we know that we were privileged,  
To have a mother like you.  
(Love always Mam from Sam, Ann, Teresa and Pat XXX).

**ELSTED** — Fifth Anniversary — In loving memory of our dear grandmother Eileen Elsted, Fitzgerald Terrace, Dungarvan who died on the 15 November, 1999.  
Along the road of suffering,  
You found a little lane,  
That took you up to heaven,  
And ended all your pain,  
You may be out of sight Nan,  
We may be worlds apart,  
But you are always in our prayers,  
And forever in our hearts.  
(Love always Nan, Catherine, Regina, Paula, Richard, Gillian, Sean, Patrick and Michael).

**NAN**  
God, if we could take a little peek inside heaven up above,  
Just to see if we could find our Nanny whom we love,  
And when she sees us standing there,  
She'll gently call and say,  
I'm happy now we'll meet again someday.  
(Love Nan, Kayleigh, Vicky, Jonathon, Paul and Dean XXX.)

**KEOHAN** — Second Anniversary — In loving memory of Mary Keohan, late of 18 Martin's Terrace, Dungarvan, who died on November 10, 2002.  
Although we sadly miss you,  
We know we are not alone,  
For you are watching over us,  
From a place you now call home,  
So always stay beside us,  
It helps to know you are there,  
And thanks again for the memories,  
And the times we loved and shared.  
(Lovingly remembered by all her family).

**MCCARTHY** — Thirteenth Anniversary — In loving memory of Eamonn McCarthy, late of Deelish, Dungarvan, who died on November 15, 1991.  
You left us so suddenly,  
Your last thoughts unknown,  
You left us a memory,  
We are proud to own.  
We cannot forget you,  
We don't even try,  
Your memory still lingers,  
As time passes by.  
Missing you, Eamonn is a heartache that never goes away,  
Precious memories, tears unseen,  
Wishing your absence was only a dream.  
You have crossed the flowing river,  
To the shores of evergreen,  
We would dearly love to see you, Eamonn,  
But the river flows between.  
Away on a beautiful hillside,  
Free from sorrow and pain,  
Some day we will go to meet you,  
And find you waiting there.  
We will know your voice among the crowd,  
And your loving smile of old,  
And our hands will meet on God's own street,  
And never more unfold.  
(Always remembered by Margaret and Oliver O'Riordan and family.)

**MULCAHY** — Twelfth Anniversary — In loving memory of our dear father, Michael Mulcahy, late of 4, Murphy Place, Abbeyside, who died on November 14, 1992.  
Anniversary Mass at 12 noon in Abbeyside Church on Sunday, November 14.

A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years.  
Will those who think of him today,  
A little prayer to Jesus say.  
(Never forgotten by Joe, Tony, Mary, daughters-in-law, son-in-law and grandchildren).

**O'RIORDAN** — Thirteenth Anniversary — In loving memory of Michelle O'Riordan, late of 47, Congress Villas, Dungarvan, who died on November 15, 1991.  
Anniversary Masses in St. Joseph's Hospital at 10 a.m. on Thursday November 11, and also in Kilgobinet Church on Sunday, November 14th at 11 a.m.  
Have you ever lost a daughter,  
Who meant the world to you,  
One you loved so very much  
And miss just like we do.  
If you've never had this feeling,  
Pray you never do,  
For when God takes your daughter,  
He takes a part of you.  
I think of you in silence,  
Michelle,  
I often call your name,  
What I'd give to hear your voice,  
And you to call my name.  
You may be out of sight Michelle,  
We may be worlds apart,  
But you are always on my mind,  
And forever in our hearts.  
Will those who think of her today,  
A little prayer to Jesus say.  
(Always remembered by your heartbroken Mam and Dad and sister Deirdre, Leigh and baby Tyrone.)

**NAGLE** — Fourth Anniversary — In loving memory of our dear mother, Nancy Nagle, late of "Inis Ealga," Clonea Road, Abbeyside, Dungarvan, who died on November 10, 2000.  
A mother's love is a blessing,  
A gift beyond compare,  
You only know its meaning,  
When you find she's no longer there.  
So hold her in Your arms,  
Dear Lord,  
Treasure her with care,  
For You have in Your possession,  
A mother beyond compare.  
(Always remembered by your loving family).

**O'LEARY** — Fifty Fifth Anniversary — In loving memory of our dear father Michael (Mick) O'Leary, late of Shear's Street, Abbeyside, who died on November 17, 1949.

A loving father most sincere,  
Loved by all he knew,  
He loved us all so very dear,  
And we all loved him too,  
But God in His mercy will give me hope,  
And help me bear the strain,  
Of the one we cherished,  
loved and lost,  
To meet in heaven again,  
As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.  
(Lovingly remembered by his sons, daughter, family, relatives and friends at home and away).

**POWER** — Fifth Anniversary — In loving memory of our dear mother Catherine Power, late of Wood Road, Cushcam, Dungarvan, who died on October 21, 1999.  
A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved.  
In the centre of God's garden,  
There is someone special there,  
That someone is our mother,  
The best beyond compare.  
(Always remembered by her sorrowing sons Pat and John, daughter Eileen, grandchildren and great grandchildren).

**TOBIN** — Twelfth Anniversary — In loving memory of Jimmy Tobin, late of Ballinroone, Ballyduff whose anniversary occurs on November 13, 1992.  
We cannot hold the hands of time,  
Nor live again the past,  
But we will love and think of you,  
As long as time will last.  
(Loved and remembered everyday by your loving wife Jo, daughters Margaret and Siobhan, son Jack and families).

**TOBIN** — Fourteenth Anniversary — In loving memory of our dear brother, Jim Tobin, late of Janeville, Tallow and Ballinroone, Ballyduff, who died on November 13, 1992.  
The most wonderful brother ever to have,  
Whatever he had, he was willing to give,  
He never complained, he was not that kind,  
He was one of those great brothers so hard to find.  
Look after him, Lord, as he takes his rest,  
For he was our brother, he was one of the best.  
(Always remembered by his brothers and sisters).

**WALSH** — Tenth Anniversary — In loving memory of Kathleen Walsh, late of 36 Mary St., Dungarvan whose anniversary occurs at this time.  
Will those who think of Mam today,  
A little prayer to Jesus say.  
(Always remembered, never forgotten by her loving family).

**WHITE** — Sixth Anniversary — In loving memory of Maura, late of Stradbally and Leamybrien who died on 10 November, 1998.

## Birthday Remembrances

**ALLAN** — Birthday Remembrance of Elizabeth (Liz) Allan, Shanbally, Cappoquin whose birthday occurs on 11th November.  
It does not take a special day,  
To think of you,  
For you are in our minds and in our heart,  
The whole year through.  
Happy birthday Liz.  
(Love always Mammy and Daddy XXXX).

**ALLAN** — Birthday Remembrance of our loving mother, Elizabeth (Liz) Allan, Shanbally, Cappoquin whose birthday occurs on 11 November.  
Holy God up above,  
Wish a happy birthday to the Mam we love,  
(Love you always Mam, from your two loving sons Peter and Liam XXXX).

**MONRO** — Birthday Remembrance of Billy Monro, late of 13 Camphill, Droitwich, Worchester, whose birthday occurs on November 9.  
Lonely is the home without you,  
Life to us is not the same,  
All the world would be like heaven,  
If we could have you back again,  
What he suffered he told but few,  
He did not deserve what he went through,  
Tired and weary he made no fuss,  
But tried so hard to stay with us,  
Two tired eyes are sleeping,  
Two willing hands are still,  
The one who did so much for us,  
Is resting at God's will,  
Our lips cannot speak how much we loved you,  
Our hearts cannot tell what to say,  
But God only knows how much we miss him,  
In our home that is lonely today,  
Pray for us O dearest father,  
To Jesus Christ our King,  
That he may bless our lonely home,  
Where thou once dwelt therein,  
Pray that God may give us strength,  
To bear our heavenly cross,  
For no one knows only He,  
The treasure we have lost.  
(Always remembered by daughter Liz, Steve and family).

**WHELAN** — Birthday remembrance of Brendan (Wigs) Whelan, a dear uncle and godfather, late of Melleray Road, Cappoquin.  
God looked around his garden,  
And saw an empty space,  
He then looked upon the earth,  
And saw your tired face,  
He put his arms around you,  
And lifted you to rest,  
God's garden must be beautiful,  
He only takes the best.  
(Sadly missed by your Godson and nephew Ian).

**WHELAN** — Birthday remembrance of Brendan (Wigs) Whelan, a dear uncle and brother, late of Melleray Road and Riverglen, Cappoquin whose birthday occurs on the 14th November.  
We did not see you close your eyes,  
Or hear your last faint sigh,  
We only heard that you were gone,  
Too late to say goodbye,  
If I had all the world to give,  
I'd give it yes and more,  
To see your smile, to hear your voice,  
And for you to greet us at the door,  
When all we can do now,  
Is go and tend your grave,  
And leave behind tokens of love,  
To the best uncle and brother God made.  
(Sadly missed by his sister Colette, brother-in-law Tom and nieces and nephew Rachel, Samantha, Lisa, Chloe and Dylan).

**TILLAGE:****2005 Cropping Decisions**

Very difficult decisions as regards crop choice will have to be made in the coming months. The gross margin of all crops has taken a different complexion now that area aid is not included. All cereal crops must return a good yield in order to return a positive gross margin. Table 1 gives the yields needed to break even (where all grain + straw sales equal input costs including machinery) on cereal crops. Table 1. Cereal yields to break even and yields needed to return a gross margin of 100/ac

Crop	Tonnes/Ac	
	Yield to break even	Yield to return 100/ac
Winter Wheat	3.1	3.9
Winter Barley	2.6	3.4
Spring Milling	2.5	3.3
Wheat Spring	2.2	3.0
Feed Barley	1.9	2.7
Spring Malt Barley		
Winter Beans	1.9	2.7
Spring Beans	1.8	2.6
Spring Oil Seed Rape	1.1	1.6

Of course, to break even is not good enough, as a surplus is needed to pay for fixed costs, land rental and also for profit. Fixed costs include land maintenance, interest on loans, ESB & telephone etc. These costs have to be carried on all land farmed for the year even though no crop is sown.

The question all farmers have to ask themselves of all cropped fields is: has the field produced a positive gross margin every year over the last three years? If all fields have positive gross margins, then it is worth looking closely at individual fields and ask did all the areas within that field give a positive gross margin? If wet spots, dry banks, compacted areas etc., of the field are holding back yield then don't plant them. By excluding these areas the yield per acre of the sown areas will increase therefore produce a better gross margin for the sown areas. The sown and unsown areas can still be used to claim the Single Farm Payment.

**SOIL TESTING**

Growing a cereal crop without a soil analysis is like driving in the dark without lights. Teagasc Johnstown Castle indicates that up to 1/3 of soils are seriously deficient in lime for tillage. Over 1/3 of soils are seriously deficient in the trace elements, copper, zinc or manganese. P and K levels are still at seriously low levels in about 1/3 of soils but a further 1/3 of soils have high levels of P and K and will grow grain crops without P or K for a number of years. An S4 soil test provides a scientific basis for successful and profitable tillage farming providing the basic analysis of pH, lime requirement, P index and P requirement, K index and K requirement as well as the trace elements important for tillage crops.

**SHEEP:****Sheep Profit Monitor**

Preliminary analysis of 41 flocks that completed the eProfit Monitor for 2003 shows that there is a huge range in output, stocking rate and profitability across sheep farms

Farms ranked in the top third (based on gross margin excluding premia) had

- Higher stocking rate (10.9 ewes/ha vs 7.8)
- Higher weaning rate (1.55 lambs / ewe vs 0.95)
- Lower variable costs (41 /ewe vs 45)
- Lower fixed costs (38 vs 46)

Output (in terms of stocking rate and number lambs reared per ewe) is the major determinants of profitability per hectare.

About 50% of the difference in output between the top and bottom third was due to a higher stocking rate. A further 40% was due to an increase in the number of lambs reared.

The results show that sheep farmers, if they do not want to dip into their SFP (Single Farm Payment) have to concentrate on output.

The top group made a profit of 30/ewe (excluding premia), while the bottom group made a loss of 30/ewe. Basically, premia contributed 30/ewe to flock maintenance in the bottom group.

There was an increase in gross margin of about 8 per ewe for each 0.1 increase in rearing rate.

Reality — in the absence of premia, weaning about 1.2 lambs /ewe is breakeven when replacement cost, variable and fixed costs are subtracted. This still does not leave any return from production for your work.

These figures are based on averages. Farmers should do their own figures. The eProfit Monitor input forms are available at the office.

**FARMING LEADER**

FARMERS AND THEIR NEIGHBOURS AT ONE ON ALL MAJOR ISSUES AFFECTING LOCAL ECONOMY

# Quality of life better in countryside

—But resources needed if vibrancy of rural areas is to continue —survey finds

A major report by Agri Aware to assess the opinions and attitudes of rural dwellers has found that people are now choosing to move and live in the countryside (unlike previous generations), that rural communities favour the current levels of housing development and that they are welcoming towards new residents. Surprisingly, it also found that farmers and their non-farming neighbours agree on the major social and economic issues that affect them all.

The research, which surveyed farmers and new and long term rural dwellers was carried out by Dr Pat Bogue of Shannon Showcase, to determine the attitudes, opinions and concerns of rural dwellers on their locality and neighbours.

The following is a summary and comment of the report findings:

**Attitude towards rural areas**

Nearly 70% of 'new rural residents' were living less than 20 miles from where they were reared and less than one in ten respondents saw the current and past levels of housing development as being negative.

TJ Maher Agri Aware chairman said "The report clearly highlights the fact that people now living in the countryside are doing so by choice and rural communities are very welcoming to newcomers. This new energy contrasts with the negative attitude to rural areas, which prevailed in the past, when lack of opportunities meant that the native place was the last place where most people could or would settle. Clearly respondents who have settled in the countryside see it as a place which offers both social and economic opportunities that weren't previously there.

"It is also interesting to note that over eight out of ten respondents considered their quality of life in the countryside to be good, citing peace and relaxation as the main advantages to living there. Respondents also considered their quality of life to be better than that of urban dwellers," he added.

**Views on major issues**

The report suggests that there were no major differences between farmers, long-term rural residents and new rural residents when it came to views, attitudes and opinions on issues that were of concern to both parties.

"The farming community has a high level of awareness and understanding of the concerns of the non farming community. It is encouraging to note that farmers identified the same three aspects of farming (application of slurry, farming smells and muddy roads) as non farmers as causing the most annoyance to neighbours," said Mr Maher.

**Attitude towards farmers**

75% of farm respondents stated that they make an increased effort to minimise the level of disturbance to their neighbours and over 50% of the non farm respondents believed that farmers are making a special effort to minimise disturbance to neighbours. Furthermore only 20% of the non-farming community had specific problems with farm practices in the area where they live.

88% of non-farming respon-

dents accepted that a working farm environment would sometimes impinge on neighbours.

However over 70% of them considered farming to be important to the local economy and over

90% of farmer respondents considered farming to be important to the economy.

## Flood Relief Scheme Not Until The End Of 2005

Clonmel's much needed Flood Relief Scheme won't start until the end of next year at the earliest, Minister Tom Parlon stated when he paid a visit to the flood stricken town of Clonmel last weekend. He said Clonmel was to the fore front with the Office of Public Works as a priority for a flood relief scheme. He was due to ask the cabinet on Tuesday, 2nd November, to approve a compensation package to householders, which he said might amount to E10,000 per house. He said the scheme is likely to be administered by the Red Cross and to apply to between 300 and 350 households in Clonmel and other flooded towns. The flood waters were raging as the Minister spoke on Friday, 29th October, with an

estimated 100 houses and businesses in the town flooded after the River Suir burst its banks. There was traffic chaos in and around the town, worsened by the River Anner also bursting its banks. Waters rose to higher levels than the last flood two years ago, devastating buildings in the Old Bridge, New Quay, Davis Road, Parnell Street, O'Connell Terrace, Coleville Road and the road from the Finger Post to Pollards and many other areas. This badly needed Flood Relief Scheme is now expected to go on display for the public to make observations on it in January but won't commence until the end of next year. When Minister Parlon originally announced the new scheme last April, he promised to spend E1 million this year on

cleaning out culverts and streams and on the development of early flood warning system. Work has begun at O.P.W. headquarters on the development of the warning system but the clearing of streams and culverts has been deferred, to be included with the main scheme. Meanwhile householders and businesses have begun the long clean up operation with costs expected to run into huge figures as furniture, stock and other goods will have to be thrown out and the ground floors of many buildings to be completely redecorated.

The 13th annual Horse-shoeing competition was held at Channons Forge, Angelsea Street, Clonmel. After the desperate flooding down the Quay and elsewhere, it was great work that Ted and his family got the flooded forge ready for the competition which took place at the weekend. On Fri-

day the Channon Forge was fairly submerged. On Sunday night, Ted was delighted with the competition and the large turnout, the prizes were magnificent and the presentations took place during the evening. This was followed by a sumptuous meal and everyone present had a ball, in the company

was Cllr. Mattie McGrath (FF), Chairman South Tipperary County Council.

Congratulations to Ted's daughter Madeline McGrath, Knockaun, Ballymacarbry who was crowned Champion Farrrier. All in all it was a very successful weekend for the Channon family.

## RECENT DEATHS

### Late Mr. Thomas O'Grady

It is with deep and sincere regret we record the death of Mr. Thomas O'Grady, "Touranadmaid", Glendalough, Ballymacarbry, Clonmel, which sad event took place after an illness of some duration at South Tipperary General Hospital, Clonmel, on Saturday, 28th October.

Deceased born December 1917 was a member of a well loved and respected Nire Valley family. He was the eldest in a family of six, four girls and two boys of Patrick and Mary O'Grady (nee Wall) of Touranadmaid, Glendalough.

He was a well known farmer who farmed dairy cows and sheep. He went to school at the Nire in the school of Glenanore under the guidance of Mr. Michael Touhy N.T. Tom was a man who never sought the limelight but was always ready with the hand of help if it was needed.

His favourite past time in his early years was Gaelic Football, a game he loved. He helped the Nire Junior Footballers to their first County title in 1942, some 62 years ago when they defeated Dunhill in a replay at Fraher Field, Dungarvan in the month of November. The drawn game was played at Clonea-Power, on the team was his brother Gerry, they both had outstanding games, of the team there are only a few of the team surviving. Another one of his sports was Greyhound racing, he with his brother Gerry paid many a visit to Clonmel and Youghal and Waterford. The measure of the esteem and high regard in which deceased and his family are held was clearly indicated by the representative groups of mourners who were present on Saturday evening. His remains, draped in the colours of the Nire blue and gold of which he was so much part of for so many years, were removed from Condon's Funeral Parlour, Clonmel to S.S. Peter and Paul's Parish Church, Clonmel where a guard of honour of players, past and present, were provided at the Church where his remains were blessed and received by Rev. Canon Nicholas Power, P.P., S.S. Peter and Paul's Clonmel.

On Sunday morning, the feast of St. Quintan (martyr), the 11am Mass was celebrated for the happy repose of his gentle soul, the celebrant was Rev. Fr. Brian Power C.C., S.S. Peter and Paul's, Clonmel.

After Mass the funeral took place to the Ancient Church at Knockboy, and there he was laid to rest in the family plot with his parents and his infant sister Christina, all of whom predeceased him by many years, his mother Mary by 63 years, his infant sister by 77 years and his father Patrick by 44 years.

Rev. Fr. Cornelious Kelleher P.P. Nire/Touranena officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a Christian friend whose memory they will treasure.

P.J. Ryan, Chairman Waterford County Board, gave an oration at the graveside on the life of this fine gentleman.

To his brother Gerry, sisters Ellen Whelan and Alice Barron, nephews, nieces and many relatives we extend our sympathy.

### SYMPATHY

Sympathy of the district is extended to Mrs. Bridget Cullinan, Ballymakee, Ballymacarbry, Clonmel on the death of her father James O'Sullivan, Glenballyrally, Tullogher, New Ross,

Co. Wexford which sad event took place at the Community Hospital, New Ross on Thursday, 4th November.

On Saturday evening his remains were removed from his residence to Tullogher Parish Church and after requiem Mass at 12:30pm on Sunday, the interment took place in Mullingar Cemetery.

Faoi scrath na croise go raibh a hanam uasal.

### Late Mr. Anthony Mullins

It is with deep sadness we record the death of Mr. Anthony (Tony) Mullins, St. Michael's, Carrickbeg, Carrick-on-Suir on Friday, 29th October at St. Bridget's Hospital, Carrick-on-Suir.

Tony, who had not been in the best of health for some time battled his serious illness with great fortitude and he was at work at the Sean Kelly Swimming and Sports Centre up to Tuesday before his death.

Tony who lived all his life in Carrick-on-Suir, first in Bridge Street, then his parents moved to West Gate where they had a restaurant and in the sixties they moved to Carrickbeg.

Most of his working life was at Dowley's and following the closure of that firm in the 80's, he started a seed and gardening business himself until 1990 when the management committee of the Sean Kelly Swimming and Sports Centre appointed his administrator. This gave him a new lease of life and he took on a huge task with relish and his business experience and acumen were a key factor in the difficult period leading up to the opening of the Centre in 1994.

He was the public face of the centre, especially during the re-opening period and after the opening of the Centre he put a tremendous amount of work and effort into getting the second phase off the ground. He attended all delegations and had meetings with An Taoiseach, Government Ministers, Oireachtas members and Government departments. It was a great disappointment to him that the second phase had not happened and one of the last tasks he was working on was a meeting with the present Minister for Sport, John O'Donoghue T.D. In fact, this meeting would have already taken place but it was decided to hold off in case of a change of Minister in the recent cabinet reshuffle. Tony formally retired from the position of administrator of the Sports Centre in June of this year following his 70th birthday but he was still very much involved in his capacity as supervisor of FAS Community Employment Scheme which in addition to the Sports Centre embraced the Heritage Centre, Scoil Mhuire Secondary School and the Athletic club.

On Sunday evening his remains were removed from Walshes Funeral Home, Carrick-on-Suir, to St. Mollerans Parish Church, Carrickbeg. On Monday morning, the feast of All Saints, the 11am Mass was celebrated for the happy repose of his eternal soul, the celebrant was Rev. Fr. Michael Mulins, Maynooth (brother-in-law), assisted by Rev. Fr. Tom Flynn P.P., Carrickbeg/Windgap and Rev. Fr. Richard O'Halloran, C.C., St. Paul's, Waterford. After Mass he was laid to rest in the Franciscan Cemetery, Carrickbeg.

To his wife, daughter and his many relatives, we extend our sympathy.

## Peaks Mountaineering Club News

Sunday was a step up walk day and eleven walkers tried out the 9:30am with John Morrissey. John started from Goatensbridge and went on to the Knockmealdowns at Roches Hill, and worked his way to Lough Moylan. After a breather it was on to Knockmealdown and a gentle drop to Knocknauv, heading east he next topped Knocknafallia and Knockmeal, it was homeward bound. After that as running out of high ground it was downhill to the stream and out by the woods to the cars. Peter Brittan had his walk worked out from a similar start point by way of the Liam Lynch monument. Walking and climbing in reverse order it was Crohan West to Knockmealdown, Knocknauv and back to the Melleray Road by Knocknafallia and Knockmeal, Peter kept dry ground underfoot as he led his troops around the wet boggy bits. It was lovely and sunny starting but dull and misty when finishing. The 12:30pm walk went on to a different part of the Knockmealdowns by parking at Baylough and climbing by the track to point 630 with John Byrne in front and Martin Rouse minding the rear, all 20 walkers were in good hands. After a stop it was time to head back as the short evenings are now in and dark falling early, the route to the stream and the County boundary wall for a descent to the cars. Next week will be in the Comeraghs.

## FORMER TEACHER PUBLISHES BOOK ON RIVER BOATS

Boats, Cots, Punts and Wherries, a book compiled by Clonmel's Shay Hurley, a former school teacher at Touranena for some years, and whose late mother was Molly Whelan, Glenanore, from the note books of Thomas Cuddihy, was launched at the Carrick Hotel last Thursday evening. 63 year old Thomas Cuddihy lived in Piltown, Co. Kilkenny. He built boats all his life until his death in 1944 among them the famous racing scull which he rowed to victory in the People's Regattas of 1910, 1911 and 1912. He also built a Clonmel single scull and a Clonmel racing scull. This project was undertaken by Shay Hurley as a member of the Workman's Boat Club in Clonmel and was initiated under the River Suir project to record, recover and exhibit material relative to the Suir river down the ages. To Shays knowledge this is the first book to record the present specifications of a range of river boats used on the Suir. The book is published by Coracle Press, Ballybeg, Grange, Clonmel and will be distributed through Eason's and Cornerhouse Publications, Manchester. The book was launched by Michael Coady, Carrick-on-Suir.

# PRAYER FOR HEALING

Is there something in my life or in the lives of my loved ones that needs healing?

There may be memories, relationships, spiritual issues or physical ailments that cause suffering. We will consider each briefly.

If the memory of some past experience, be it bereavement, failure, disappointment or whatever, still bothers me, it needs healing. Bitter memories are often the root cause of bad relationships. Sometimes the deep hurts of life are caused by those nearest and dearest to us. In order to be free ourselves, it is always necessary to forgive those who hurt/harm us. Our task may be to grant our pardon and blessing to parents, children, husband or wife, close friends or others. If those who injured us have died, it is still necessary and possible, with God's help, to forgive them.

God is very active in our world, and so also is Satan. Unfortunately too many, otherwise good people, are slaves to drugs, alcohol, sexual abuse, power and possessions, etc. They are encouraged to pray for healing, and to avail of the Sacrament of Reconciliation. Jesus has triumphed over all evil, and there is no evil in any person's life over which, Jesus will have victory. But we must repent and believe. It is possible to be healed and freed from our bad habits, if we really desire this.

We now come to Physical Healing. Daily we hear people of all ages, who are sick physically, mentally or emotionally. We encourage them to invite the Holy Spirit into the area of their pain and sickness, and to confidently ask the Lord for health of mind and body. He will either heal them or give them the strength to face their sickness or disability with great courage.

On Sunday, 14th November at 3:00pm, there will be a special Mass and prayers for healing in St. Mary's Parish Church, Dungarvan. We invite as many as possible to come.

## Cúl na Smear & Roundabout ART & CRAFT FAIR

The second Annual Art & Craft Fair organised by Naíonna Cúl na nÓg will take place in Cúl na Smear Hall on Sunday November 21st from 2 pm. to 6 pm. Over twenty stands have been booked and just like last year, there will be a large and interesting variety of goods on offer. We will have a comprehensive list in next week's column.

### K.C.K DRAMA

Eyebrows were raised recently when some body parts such as arms, legs etc.were found in the kitchen of Cúl na Smear Hall. Matters became clear when a member of K.C.K. explained that one of the members was playing the part of a prosthesis salesman in their play "All The Way Back." Everything is on cue for curtain up at the end of the month.

### GLÓR NA nGAEL

Tháinig na moltóirí chúghainn an tseachtain seo chaite. Bhual triúr de,n coiste leo agus bhí siad íontach sásta leis an méid atá a dhéanamh sa cheanntar. The judges for the Glór na nGael community competition who came from Galway and Clare were delighted with the efforts of the local committee in creating greater awareness of our rich heritage. Irish language classes are available each Tuesday evening and the monthly "Ciorcal" meets on the third Monday. Chuir glaoch 058/41273.

### SCHOOL WINS

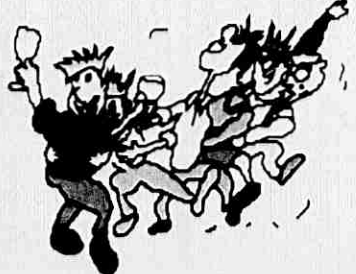

The children and teachers of Cúl na Smear school were pleasantly surprised recently when they won first place in County Waterford in an Irish Independent sponsored competition titled "My favourite Building." With a sense of innovation there unique choice of subject was the monument to the legendary greyhound Master McGrath. Well done to all involved especially the teachers who worked far beyond the call of duty and in the end benefited the school to the amount of €3000 and a TV & video recorder. What a great addition to the fundraising for the school extension which begins in the New Year.

### SYMPATHY

The whole community as well as many priests who had ministered in the parish came to pay their respects at the removal and burial of Mrs. Margaret Moroney who passed away a couple of weeks ago. Her work as school caretaker and sacristan over a long number of years had made her a central character in the life of the parish. As holder of the key of Cúl na Smear Hall, she answered knocks to her door with a pleasant and genial smile. Our deepest sympathies to her family.

The sudden passing of two other natives of this area in the prime of their lives within a couple of days last week brought great sadness to the area. Anne Foley from Garryduff was laid to rest in Colligan and Larry O'Byrne from Cúl na Smear in Cill Gobnait. As both resided outside their native place friends from near and far swelled the huge gathering of locals who attended both funerals. Solas na bhflaithis dóibh

## STRADBALLY NOTES

### Sympathy

Sincere sympathy is extended to Fr. Michael O'Byrne, who served for a number of years in the parish of Stradbally, Ballylancan and Faha on the death of his brother Larry who died recently in Portugal while on holidays with his wife Celine. ### Listening Process

The report from the recent Listening Process, which took across the diocese, is now available for reading at home. The follow up to the process is that parishes should now try and put into action some of the findings. Fr. Liam Power is prepared to outline a process for parish groups to read, reflect and discuss the report. Volunteers are requested from the parish of Stradbally, Ballylancan and Faha to attend a meeting in the Park Hotel, Dungarvan on Tuesday, 16th November at 8:30pm. It is hoped that there will be a positive response from parishioners. Those who attend this meeting

will be able to lead a group in a similar process in the parish.

### Tidy Towns News

Following the recent storms, a few of our female members organised a beach clean up at Ballyvooney. The beach resembled a landfilled site with enormous amounts of plastic bottles and containers washed up. Making use of the lovely fine weather, our treasurer set the wheels in motion to start the huge task of removing the plastic. Later joined by two other members a total of 14 bags of plastic were removed from the beach. There are plans to clear the plastic from the riverbank in the weeks to come with the permission of the landowner.

# KNOW YOUR RIGHTS

**Question:** I understand that there have been some improvements to maternity protection legislation. Can you please give the details?

**Answer:** The Maternity Protection (Amendment) Act 2004 which came into effect from 18th October 2004 allows, among other things, for women to end their maternity leave if they become ill, to postpone it if the child is in hospital and it provides for time off for both parents to attend ante-natal classes. The improvements are as follows:

The period of maternity leave that must be taken before the expected date of birth is reduced from 4 weeks to 2 weeks. The basic period of maternity leave remains at 18 weeks with an additional 8 weeks of unpaid maternity leave.

Expectant mothers can attend one set of ante natal classes without loss of pay (apart from the last 3 classes which are normally attended while on maternity leave). If an expectant mother is unable to attend one full set of ante-natal classes during her pregnancy due to circumstances beyond her control, she is entitled to time off work without loss of pay during one or more subsequent pregnancies to attend the classes she missed (apart from the last 3 classes).

There is a once off right for fathers to paid time off to attend the two ante natal classes immediately prior to the birth. Maternity leave/additional maternity leave may be postponed (subject to the agreement of the employer) in the event of the hospitalisation of the child. The rest of the leave can be taken after the child comes out of hospital. Leave may only be postponed after 14 weeks maternity leave has been taken.

In the event of the mother becoming ill while on the additional unpaid maternity leave she may ask her employer to end the maternity leave. Her absence from work will then be treated the same as any employee's absence from work due to illness.

An employee's absence from work on the additional unpaid maternity leave will count for all employment rights associated with the employment just as if the employee has not been absent (except for pay and superannuation benefits).

Breastfeeding mother who have given birth within the previous 6 months have an entitlement, without loss of pay, to either a reduction of one hour a day in working hours or where breastfeeding facilities are provided by the employer, breastfeeding breaks totalling one hour. Time off work is calculated on a pro-rata basis for part time workers.

# Local Woman Visits Volunteer Projects In Sri Lanka

Jenny Beresford in Sri Lanka

Dungarvan woman Jenny Beresford recently visited i-to-i's volunteer projects in Sri Lanka, and was astounded at the poverty in a country with so much physical beauty.

Volunteer travel and TEFL (Teaching English as a Foreign Language) company i-to-i, also based in Dungarvan has a number of projects in Sri Lanka including community development, media, conservation and teaching.

Jenny was sponsored by BEAT 102103 FM, Century Homes and Clancey Construction (Dungarvan Shopping Centre) to spend 2 and a half weeks visiting i-to-i's projects.

"I visited a street school in Bangor, Boys Orphanage, Convent Orphanage and Millennium Orphanage, the whole experience was a real eye opener." Jenny also mentioned that the Sri Lankan projects were always in need of more volunteers.

"The i-to-i volunteers that I met were fantastic, really interesting people from all walks of life, all of them were aged 18 up to 65 and they were all spending 2-3 months at their projects."

Jenny explained what life is like for the volunteers. "The accommodation at all the projects is basic but manageable and very clean. There is plenty to do at all the projects, but at night it is very quiet as people are not so social, so volunteers play cards or read in the evening."

She also said that on the weekends, volunteers can head to the beaches, forests or cities, and that there is something for everyone to do.

"The scenery in Sri Lanka is absolutely beautiful, its very rich and thick green. Then the coast is very contrasting with its white sand and palm trees."

She said that all volunteers should be prepared for basic facilities, culture shock and that it would be a very emotional experience.

"Sri Lankan people are very blunt, they say exactly what they mean, its quite refreshing. I was surprised that they dont wear shoes, but all have mobile phones. There are not much opportunities for young people, with children following in their parents footsteps."

"The people are so friendly and the country itself feels very safe to be in."

One project that really stuck in Jenny's mind was the convent orphanage project. The project

was so diverse, the children were aged 10 months to 15 years old. Volunteers can be working in a nursery one day and teaching classes the next."

"The kids at this orphanage looked up to the volunteers, they were engaged and happy, really responsive. It was amazing to be there and I would love the opportunity to go back."

Jenny suggests ideal volunteers for the projects in Sri Lanka should have an open mind, be flexible, to expect a relaxed atmosphere about everything (such as late buses) and to really find out alot about Sri Lanka itself before they go.

I-to-I is an organisation that runs volunteer placements in 25 countries. You can volunteer in several areas including teaching, conservation, community development, building and work experience placements. i-to-i also runs its own TEFL courses and an earning placement in South Korea.

## Letter to The Editor

### VILLIERSTOWN SCHOOL REUNION

Dear Sir or Madam,

I returned to Ireland recently from Australia to attend a school reunion in Villierstown. It was organised by a committee of ex-students. I was so proud of the professional way this committee ran and directed the whole event from the exhausting job of contacting past pupils, catering for the massive crowd and ensuring that everything ran as smoothly as possible while also thoroughly enjoying themselves.

It was marvellous for me to have been able to be a part of it. I was thrilled to catch up with most of my old school mates and it is with the greatest satisfaction and pride that I am now able to sit and re-live it, from time to time, as I watch a video of the event which was recorded by Tom Keith, and sent to me by my family in Villierstown.

Congratulations to co-ordinator Jim Jo Landers and his wonderful committee for all their hard work in organising such a historic event. It was truly memorable.

Yours faithfully

# DISABILITY AWARENESS

## FIBROMYALGIA

### What is Fibromyalgia?

Fibromyalgia is a common musculoskeletal pain and fatigue disability for which the cause is still unknown. Fibromyalgia means pain in the muscles, ligaments and tendons (the fibrous tissues in the body). This disability was previously known as Fibrositis, meaning that there is inflammation in the muscles, but research has found that inflammation did not exist. Most people that have Fibromyalgia will ache all over, sometimes their muscles twitch and at other times they burn. Research has shown that women are affected more than men, and the disability will affect all age groups. At present there is no known cure for Fibromyalgia, and it is usually a lifelong disability.

### What are the symptoms of Fibromyalgia?

Fibromyalgia is associated with pain, which can take various forms, such as deep muscular aches, stabbing or throbbing. The symptoms also include the following:

- Pain and stiffness of upper back, shoulders, neck and joints
- Sleep disorders
- Fatigue
- Chronic Headaches
- Irritable Bowel
- Facial and Jaw pain
- Numbness and Tingling in the hands and feet
- Clumsiness
- Chest pains
- Difficulty with concentration and memory loss

Some people may also be extra sensitive to weather changes, noise, light and smoke.

### How is Fibromyalgia diagnosed?

It can be difficult to diagnose Fibromyalgia, as it is not possible to diagnose the condition with blood tests or with x-rays. The usual way of testing for the disability is to consider the person's medical history (this includes any history of widespread pain in all four quadrants of the body for at least three months). And another way of diagnosis is by pressing of the known tender points on the body.

### What causes Fibromyalgia?

The causes of this disability are unknown, but there are many triggering events thought to precipitate its onset. An example of these triggering events may be an infection (viral or bacterial), an accident, rheumatoid arthritis or lupus. These do not cause Fibromyalgia, but they can awaken an underlying physiological abnormality that's already present in the form of genetic predisposition.

### Treatment and Outlook for Fibromyalgia

Treatment includes reducing stress levels, and learning self-management techniques. Exercise and a healthy diet can help to manage pain, but most people with Fibromyalgia will know that certain daily tasks will make the pain worse, such as looking at a computer screen for long periods of time.

Some treatments such as acupuncture, acupressure, nutrition, relaxation, osteopathic manipulation, chiropractic care, therapeutic massage, or a gentle exercise program will help alleviate pain and stress. Other treatments that will help to alleviate the symptoms of Fibromyalgia are prescribed painkillers and medications that will help to improve the quality of sleep. Research over the past ten years has seen an increase in interest into this disability and there are studies being carried out to advance the understanding of Fibromyalgia.

# Tallow Notes

**C.L.G. TULACH AN IARAINN - SPONSORED BY TALLOW AREA CREDIT UNION**

## Time To Act

I have to say from the feed back I have been getting locally that there is general recognition that the development we are undertaking at the club grounds is long overdue. I have found also tremendous good will and a willingness by the community in general to help out in whatever way they can.

By now most households will have received a letter from the club. We apologise if anyone has been missed out and if you contact club runai Lindsay Murphy @ 56015 she will be happy to post out the relevant information. People have raised a number of questions as to how they can contribute. You can fill in the lodgement slip and return with your contribution to the Credit Union, in the enclosed envelope. Alternatively you can walk in to the Credit Union and pay over the counter. Any club officer or committee member will also accept donations and ensure they are processed. Official receipts will be issued to all. There is also the option of paying by standing order. The amount and period of time is at your own discretion. Fill in the date on which you want it terminated. There is tax relief available on amounts in excess of 250. Lindsay will arrange for a member of the finance committee to assist in completing the form if you wish. Do not be put off by the figure 250. This is only the amount at which the tax benefit applies. Any contribution will be valued.

I want to make it clear as well that while contributions can be made at the Launch on Friday night, there is no obligation whatsoever on anybody attending to do so. This is an information night and also we hope an entertaining night so come along and enjoy yourself. It is a night also for our young people, the future of the club. Our own intercounty men James Murray, Dave O'Brien and Paul O'Brien will be there. So will Eoin Murphy, Tony Browne and Waterford captain Ken McGrath. There will be plenty of opportunity for autographs and photos when the adults are finished talking and enjoying a cup of tea or a glass of wine. If you have a club or county jersey (many of the youngsters will have one from the Summer camp) why not wear it.

Justin can't make it as he has a prior engagement and sends his apologies but TV pundit Ger Loughnane will be a big attraction. Johnny is trying to pass him off as a TV pundit but we know him better from a different incarnation. County chairman Paddy Joe Ryan will be one of our special guests. We could be in for an exclusive if Paddy Joe reveals his intentions for next year. One more year P. J. ? All may be revealed on the night. Our guest from Croke Park, Pat Daly needs no introduction (see elsewhere in notes). One man I have not mentioned up to this point is Teddy McCarthy. There

are no half measures with Teddy. He threw himself heart and soul, as his way, into the preparation of our senior team this year. His efforts did not reap the rewards they deserved but progress was made. Maybe Teddy will give an indication as to his plans for next year on Friday night. Our MC for the launch will be Jim Joe Landers.

It's quite a line up as you can see. Should be a good nights craic. Proceedings get underway at 8.00 p.m. sharp. There is no cover charge and all are welcome.

### Daly Always There For Tallow

One of our special guests at Friday nights launch is National Games Development Officer, Pat Daly. He's not really a guest of course. He's one of our own, one of the family. Like any loyal family member, he's always there when needed. When Tallow calls, Daly answers. He's coming home, where his heart has always been.

It's hard to mention Daly without thinking of Ryan, Daly and Ryan. Ryan and Daly. For many years their hurling and academic careers ran on parallel lines. They formed the backbone of many a Tallow team as they blazed a trail of glory through under age hurling and football in Waterford in the 70's. Aside from Junior hurling and Senior football, you will find every other county medal from under 14 in 1971 to the glorious Senior hurling triumphs of the 80's, in the Daly war chest. To the best of my knowledge, and I'll be told very quickly if I'm wrong, only four other Tallow players can lay claim to this record: The aforementioned Kieran Ryan, Connie Curley, "Jacker" Curley, and "Pigeon", God rest him. Timmy Sheehan would have all of these medals as well but Jacker says he can't be included as he was only a sub on the u14 team in 1971. I hope this doesn't cause any controversy.

Getting back to the "Dale", he gave tremendous service to De La Salle in colleges hurling and represented Waterford at minor and u21 level in both hurling and football before graduating to the county senior hurling team. Few men got the upper hand on Limerick full back Pat Hartigan who is recognised as one of the all time greats in that position. Daly scored three goals off him in a league match in Dungarvan and I might add for the Legend's benefit, Hartigan (no relation to Brendan) was not concussed at the time. The latter years of Pat Daly's playing career were plagued with injury, but he gave it everything and more, often playing through the pain barrier, when he donned the blue and gold of Tallow.

He has an onerous responsibility and a busy schedule these days as head of Games Development at Ceann Aras where he is still doing Tallow proud. Never too busy to come to Tallow. He

will be with us Friday night and will be warmly welcomed home. Failte abhaile, a Dhálaigh.

Apparently a few are complaining now about what I didn't write. Can you believe it? I could make a lot of comments on this but wont waste my time or yours.

## BRIDEVIEW UNITED A.F.C. NOTES

**West Waterford/East Cork Soccer League  
Good Start For Brideview**

It was a very busy weekend for our club with three teams in action and many of the clubs players playing with their Inter League teams. We are glad to report that all did well. Our lotto jackpot was not won but we did have 22 match 3 winner.

We are running a Guinness Promotion in the Corner House Bar every Friday night for the month of November. More on this further down the notes.

Our Premier Division got off to a winning start by defeating Kilworth Celtic but our Division two side went down to Inch A in the Liam Fitzgerald Cup.

### Results

#### Premier Division

##### Brideview Utd 5 Kilworth Celtic 2

Our Premier side were behind at one stage in the game but they fought back and won all three points in this our first league game.

The first goal did not arrive until the 20th minute when Michael Keating scored. Then Kilworth grabbed two goals in as many minutes midway through this half.

However, Utd fought back and goals from Michael Curley, John Doyle and Peter Henley put us 4-2 in front at the break.

The second half saw most of the play taking place in midfield and the chances were few and far between.

With just 5 minutes remaining Michael Keating scored Utd's fifth goal and so collected full points from this league game. Well done lads.

Utd: B. Sheehan, B. Henley, W. Murphy, D. Martin, P. Henley, M. Curley, J. Doyle, T. McSweeney, S. Pratt, W. Henley and M. Keating.

### Best Wishes

To Stuart Barry who is out sick at the moment. Get well Stuart, that's the message from the boys.

#### Liam Fitzgerald Cup Inch A 3 Brideview Utd B 0

Our B team found themselves 3-0 down at the break after a first half that the players will want to forget as nothing went right for them. The fair the lads upped their performance in the second half and held Inch at bay. Keeper Mark Sutherland did bring off two terrific saves in this half for Brideview.

Utd: M. Sutherland, J. Henley, K. Casey, F. Power, J. Beecher, W. Curley, P. Kearney, M. Norris, I. Farmer, B. Donnelly, A. McCarthy.

Res used: C. Good, K. Henley, J. Hampton.  
Not used: P. O'Brien, T. O'Gorman, J. Sheehan and M. O'Brien.

### Free Porter

Well the club are not advertising that drink is good for you but what we are doing is having a Guinness Promotion in the Corner House Bar for the next four Friday nights. So why not drop in and have a free pint of the black stuff.

### Club Meeting

This Wednesday night in the Gym at 9:00pm sharp.

### Training

For Juniors - Tuesday, 9:00pm for Division Two side while Premier Division is at 7:00pm on

Thursday night.

**U12 League  
Big Win For United**

Our U12's travelled to Ballymacoda on Saturday afternoon and came home with the points. The homeside Ballybridge Utd were short some regulars here for this game.

Roy Barry opened the scoring here for us when he beat the offside trap after just one minute Alan O'Riordan added number two after 20 minutes while Evan Sheehan added a third in the 27th minute. Steve Barry scored twice in this half but Seanie Barry scored the best goal of this half when he beat four defenders and shot low to the net.

Alan O'Riordan scored a hat trick in this game as indeed did Roy Barry. Well done lads.

Utds panel: Daniel McElroy, John Torapiz, Sean Barry, Ray Barry, Robert O'Sullivan, Aaron Pratt, Kieran Fraser, Liam O'Gorman, Evan Sheehan, Alan O'Riordan, Steve Barry.

### Lotto Jackpot

Last weeks numbers were 7-9-11-21. No winner. Match 3 winners were Carmel Burke, P. McGrath, J. Dale, Ml. Punch, R. Tobin, M. Murray, Jo Donnelly, J. Coughlan, M. ### All Weather Pitch

The lights were focused on Thursday night last and it made a great improvement on the pitch itself. There are still some hours available for the pitch, so get in touch with any committee member.

## BRIDEVIEW DRAMA TALLOW

On Thursday and Saturday night this week (Nov 11 & 13) at 8.15PM, Brideview Drama Tallow present their latest season of 1-act plays, guaranteed to make all the family laugh.

George Peet is the producer of the first play, "Definitely Eric Geddis"; which stars John Roche, Sean Tobin, Audrey Sheehan, Veronica Henley, Phillip Peet, Clare Curley, Aisling MacDonnell, James Hyde and Moll O'Keeffe. It's a play about how an absolutely ordinary man goes forth to find fame and fortune by turning himself

into an international advertising product. For all who know John Roche, it's not so much Pop Idol as Farm Idol! The second play is called "The Savage Sex", is produced by James Hyde, and stars Vanessa Hyde, Una Walsh, David Clarke, Dermot Moore and Eoin Murphy. It's a great play about what women do when men come seeking their hand in marriage. The answer is, naturally, to take the men for everything they've got then bump them off!

The third play is by the newly formed Swan Music and Theatre

Company of Castlelyons. Produced by and starring Noelle Clarke, "Mr Perfect" will have everyone in stitches. It's about 2 old school-friends who reunite after a few years to talk (whinge, complain, grumble and laugh) about how hard it is to find Mr Right. The play also stars Aileen McMurtry and Gavin Dunne.

The plays wouldn't go ahead without the fantastic help of all the members of Brideview Drama and our many local supporters. A big thanks must go to Ted, Martha and Tim Keniry,

Jack Ahern, Des Fitzsimons, Bart the butcher, the folks at the parish hall, Ballyrafter House Hotel and Tallow Enterprise centre. As always, we get great sponsorship from Waterford County Council Arts Office and Tallow Area Credit Union.

Both nights, Thursday and Friday, start at 8.15PM and will, as usual, include lots of refreshments for everyone. All are welcome and tickets are available on the door.

## School Tour

Many students, past and present, would describe the annual school tour as one of the highlights of their second level education. This year's trip to Holland and Belgium surpassed everyone's expectations, providing many moments that will linger in the memory.

The tour began in the early hours of Saturday, 23rd October, with students waving goodbye to parents as their coach set off for Dublin Airport. First stop along the way was exotic Carrick-on-Suir, where Mr. Doran patiently awaited the arrival of the surprisingly quiet bus (there are some advantages to travelling through the night). The other teachers on this trip were Mr. Kiely, the tour leader, Mr. Hughes, Mr. Murphy, Mr. Collins and Mr. Kennedy. While everyone was rather tired by the time the coach reached Dublin, spirits were high and indeed remained so for the duration of the tour. The flight from Dublin to Charleroi Airport was smooth and on time, with the touring party arriving in Brussels at about 9.00am.

Our tourists travelled by coach to Amsterdam where they visited the Amsterdam Arena, home of the world renowned Ajax Amsterdam Football Club. The guided tour of the club was very interesting and the students even managed to see the Ajax players being put through their paces on the training ground close to the stadium. Needless to say, the Ajax coffers were considerably healthier after our lads visited the club shop, with the coach later festooned with Ajax paraphernalia and students kilted out in the club's famous red and white jerseys.

Day 2 saw our tourists travelling to Rotterdam, with the first item on the itinerary being a visit to the Euromast Spacetower. This building is among the tallest in Holland, offering spectacular, panoramic views of the city and of the world's largest port. The itinerary was not exaggerating when it stated that "the high-speed automatic lifts are an experience in themselves". Seventeen of our students had some forty-five minutes to savour this particular experience when they found themselves temporarily stuck between floors. Fortunately, Billy Foley was on hand to reassure his fellow students with some readings from the Gideon Bible. Mind you, he might have selected some thing more upbeat than the end of the world to read about! After dinner, our touring group went to the Rotterdam Stadium to watch Feyenoord playing RKC Waalwijk. Feyenoord showed why they are currently second in the Dutch league with a 4-0 victory. Later that night students enjoyed themselves playing "Quasar", an entertaining laser game.

Day 3 provided another of the

real highlights of the tour with our touring party crossing the border into Valkenburg to spend a full day in the Bobbejaanland Theme Park. This theme park has some of Europe's best and scariest rides, including "The Sledgehammer", "Typhoon" and "Nepotia". This is where Mr. Doran, king of the rollercoaster, came into his own. In his own words, he was "looking for real terror". That night, our tourists enjoyed a trip to the Mosaga adventure pool, which apparently leaves our own "Splashworld" in the shade.

On Day 4 the CBS group went bobsleighting. A ski-lift brought our fearless tourists to the top of the hill. The bobsleighting was tremendous fun and another of the highpoints of the tour. After this everyone was brought back down to earth - literally - with a tour of the Coal Mines, a unique monument to the memory of the mining industry of the past. This model mine carved out of limestone is an example of industrial archaeology which is probably unique in Western Europe. The students found their guided tour of the mines surprisingly interesting. There followed an afternoon's shopping in Maastricht, the oldest town in Holland. That night there was a disco in the hotel.

Day 5 saw our tourists visiting Germany to spend the day at Phantasia, one of Europe's finest leisure parks. The rides were genuinely breathtaking, with the "Waterfall Ride" particularly popular. That night there was bowling as well as a laser competition in which the "Townies" (starring Mr. Kennedy) took on the "Farmers".

On Day 6 there was a guided walking tour of Brussels, followed by some shopping. Then it was off to Charleroi for the return flight. Our tourists arrived home in Dungarvan in the early hours of Friday morning, a little weary but nonetheless energised by a wonderful tour. The trip provided a range of experiences which were not only enjoyable, but also educational in the broadest sense of the word. The tour also brought teachers and pupils together in a relaxed, informal atmosphere, enhancing that sense of community that is so important to every school. The students are to be commended both for their good behaviour and good humour. They were, as always, great ambassadors for CBS Dungarvan. Finally, a word of thanks to the six teachers who expended considerable energy in ensuring that students were at all times safe and enjoying themselves. A particular word of thanks to @. Kiely for organising the tour. Students are already looking forward to next year's tour to Italy!

## Soccer News

Dungarvan CBS achieved a very creditable 1-1 draw with Colaiste Dun lascaigh Cahir in

the first round of the Munster Junior Cup (U-16). This very entertaining game was played at Kilrush Park in ideal conditions last Wednesday. Dungarvan started brightly and dominated the first half. However, Cahir came much more into the game in the second half and took the lead with twenty minutes remaining. Despite piling on the pressure, Dungarvan could make no headway against a resolute Cahir defence. Then, with just seven minutes left, Trevor Crotty's free kick was dropped by the keeper and Barry Hamilton was on hand to equalise. Overall a draw was a fair result. Karl Duggan gave a very assured performance in goal and a magnificent second half save was reminiscent of Gordon Banks' wonder save from the great Pele. Liam Ryan, Paul Horkan and Eddie Walsh were outstanding at the back. In midfield Trevor Crotty and Ger Dunphy (whose superb first

half tackle saved a certain goal) were excellent. Barry Hamilton and Mikey Byrne worked tirelessly up front. We have two matches still to play, at home to St. Paul's Community College and away to Comeragh College, Carrick-on-Suir. Well done to all involved and to team mentors, Mr. Hughes and Mr. Kelly.

**Team:** Karl Duggan, Liam Norris, Aaron Norris, Eddie Walsh, Paul Horkan, Trevor Crotty, Ger Dunphy, Kealan Barry, Derek Barry, Barry Hamilton, Mikey Byrne. Subs: Neil Fitzgerald for Kealan Barry, Dean Meaney for Mikey Byrne, Cory Wall for Aaron Norris, Mark Moran, Shane Flavin.

## CBS Flag Day

Many thanks to the people of Dungarvan for being so generous in their support of the CBS Flag Day which was held last Thursday.

## ABBEYSIDE SCOUT NOTES

The cub meeting which was a uniform one was well attended and those who have uniforms were well turned out. Once again everyone was reminded that uniforms need to be purchased by all those who are members for six weeks. Uniforms can be purchased at the scout shop in McCurtain Street, Cork City. The meeting began with each clan undertaking a task of producing a story board using the words supplied. Under the leadership of Conor and James both clans came up with interesting and exciting stories which gave everyone a good laugh when they heard them. Next it was time to tackle the marsh lands that the den suddenly became and each clan had to cross this treacherous stretch of marsh without falling in. Unfortunately Adam it seems doesn't have a very good sense of balance as he fell into the marsh on several occasions. To round off the meeting a quick game of crab soccer was played.

All cubs were reminded that a hike is being planned for two weeks time and details will be given out at the next meeting regarding this.

## SCOUTS

The scout meeting began with each patrol trying to solve a number of tasks which the group leader had set before them. This included some movie trivia quizzes and a story board game which proved interesting and mind boggling for some of the patrols. The Wolf patrol had a lot of difficulty with the "pritt stick" never mind the story. While the Tiger's, Panther's and Eagles did not come unstuck. The Kestrel patrol forged manly ahead. At the appointed time all stories were read aloud to the troop and were greeted with much laughter and amusement. Following along on the orienteering theme of the past several weeks, a game involving knowledge of compass directions and points was played followed by a few ball games. At the end of the meeting each scout collected cards which will be going on sale over the coming weeks. Monies raised from this draw will go towards off-setting the large cost of annual camp 2005 which as you know is planned for Switzerland. Your support towards the scouts who may call on you to support them will be greatly appreciated. Annual camp numbers for Switzerland continues to rise each week as the number of those scouts, leaders, supporters and parents wishing to attend, rises every week. At the end of the meeting all scouts were reminded that the deadline for everyone to have full and proper uniform is fast approaching. That date is the first Saturday in December. Uniforms can be purchased at the scout shop in Cork.

## Attention

At the moment some scouts and cubs have begun to, hand in their registration/insurance fee for the Year 2005 and indeed all can if they so wish pay this fee at their earliest convenience. All fees for cubs, scouts, leaders and committee members will have to be finalised by the second week in January of 2005.

## St. Carthage's Singers in Waterford Cathedral

Next Sunday St. Carthage's Singers, the Choir in residence of Lismore Cathedral, will take part in a Three Choirs Concert in Christ Church Cathedral in Waterford. The other two participating choirs hail from St. Canice's Cathedral in Kilkenny and from the Waterford Cathedral itself. The concert is part of an Organ Festival, celebrating the new organ in Waterford Cathedral and featuring a number of concerts throughout the weekend.

Each of the choirs will sing a few compositions from their own repertoire and will sing four other works together, the Hallelujah Chorus from Handels Messiah, Laudate Dominum by Mozart, Te Deum by Stanford and All Glory be to God on High, a piece for three choirs by the German composer Michael Praetorius. On their own St. Carthage's Singers

will perform the Ave Maria by Rachmaninov, Come, Let's Rejoice by John Anner and A Blessing of the Dead by their own Choirmaster Jan Van Putten. In addition solos will be played by the three Choirmasters, Eric Sweeney from Waterford, Malcolm Proud from Kilkenny and Jan Van Putten from Lismore.

It promises to be a very interesting event. St. Carthage's Singers are honoured to take part, they apparently are of equal standards as Cathedral Choirs from much bigger cities like Waterford or Kilkenny. The concert in Waterford begins at 8:00pm and the admission fee is E10 (concession E6). For more information and bookings phone (051) 858958.

St. Carthage's Singers Invite New Altos

St. Carthage's Singers, the Choir in residence of St.

Carthage's Cathedral, Lismore has at present two vacancies for altos. Those who are interested are invited to contact the Choirmaster, Jan Van Putten (058) 54416, e-mail puttenfox@eir.com.net or to appear at one of the weekly choir meetings in the Cathedral, every Wednesday at 7:30pm.

The Choir sings on average once a month at a service in the Cathedral and also appears at other musical or religious events, particularly around Christmas. Vocally and religiously it is a mixed choir, with quite a few denominations represented. In other words, although the Cathedral is Church of Ireland, many choir members are not and this is seen as a great asset. The musical standard is high, in other words, singing in the choir is challenging and musically a satisfactory activity.

Many members are able to read music, many others are not. What matters most is a good voice and dedication. The choir is relatively small and want to remain such, which means that every individual member counts. Conscious of this, all choir members are very dedicated and very loyal. There is a great atmosphere whenever the choir meets. If you are interested, overcome your shyness and contact Jan Van Putten and or appear at the choir meeting next Wednesday in Lismore Cathedral.

## LISMORE SOCCER NOTES

On Sunday afternoon last we made the trip to Waterford for a 3rd round F.A.I. Junior cup game. Our opponents were Premier league leaders Southend Utd who last year reached the semi final of the excellent competition. This was a cracking game of football from start to finish, both sides played very attractive football and 20 minutes into the game we took the lead. David Howard crashing the ball home from 18 yards, the homeside came looking for an equaliser and put our defense under strong pressure but it has to be said Big Dan was never really tested. On 35 minutes we doubled our lead with a terrific goal from our own defence 'Cider' Landers who found his brother Alan, who's first time pass was collected at the half way line by William Cunningham. His tremendous pace took him away from two defenders and his left foot drive from 25 yards was out of the top drawer. We got to half time 2-0 up. The second half tactic was to close down and stay tight. To the credit of the whole side we done this superbly. None more so than the outstanding Alan Landers, who had his best game in a Lismore jersey to date. The back four were excellent and had great half from the midfield trio of Quinn, Landers and Howard. Up front Cunningham, Kearney and the 'Chick' Shanahan ran to a standstill. Southend threw everything at us in the second half playing very good football themselves, but our 2 goal lead would not be surrendered. We held out for a very famous victory and a deserved one. Three very good wins in this competition, Southend, Bohemians and Railway Athletic. Our next opponents are unknown as yet, we are n the hat so we could be travelling to any part of the country, but in this type of form I don't think we need worry about who's name is drawn with our own. Well done to everyone involved.

Team: D. Shanahan, A. Roche, S. Daly, S. Ormonde, B. Landers, C. Kearney, D. Howard, P. Quinn, A. Landers, W. Cunningham, M. Shanahan.

Subs: B. Walsh, S. Kearney, M. Ormonde, P. Howard.

F.A.I. Junior Cup final score: Southend Utd 0 Lismore F.C. 2

### Underage Soccer Notes

On Saturday afternoon last we travelled to Old Parish to play an Gaeltacht in the U12 league. Needing a win we started very well and played some nice football to lead 2-0 at the break. The second half was all one way traffic against a very young side and we added another 4 goals to win comfortably 6-0.

### Well done lads.

Peter Whelan has asked me to remind everyone that the sponsored walk cards are well overdue. Anyone who has not returned their cards should do so immediately.

### Lismore B Team

On Sunday morning last our Lismore B team had a short journey to Glenview. Our second game of the season and once again the turn out was fantastic. Also nice to see our supporters take the time to follow us, it is much appreciated. With eight goals in the game it was entertaining. Lismore drew first blood and never looked back, they lead 5-2 at the break. Against the wind in the second half, Lismore coped well and had chances, but Glenview scored the only goal of the second half in the last minute. Final score: Lismore 5 Glenview 3.

It was always going to be a tough one and Lismore will be delighted to have taken all three points, once again a team performance.

Goals scored for Lismore by Edward Pollard (2), Michael Walsh (1), John Roche (1), John Landers (1).

Team: T. Landers, K. Hornbrook, J. Tobin, M. Ormonde, J. Dalton, J. Landers, P. Cummins, E. O'Donoghue, J. Roche, E. Pollard, M. Walsh. Subs: L. Greenslade, M. Coleman, C. Tobin.

Next Saturday we travel to Cappoquin. Leaving the monument at 6:30pm sharp.

## Lismore Sets Example For Japan

Lismore, Ireland's tidiest town, is set to become an example to towns and cities across Japan as they become more aware of their landscape.

The Japanese Ministry of Land, Infrastructure and Transport introduced the 'Beautiful Country Planning Policy Scheme' in July last year. Under this scheme about one-sixth of Japan's cities, towns and villages have enacted their own landscape conscious town planning ordinance. They have looked at Ireland's Tidy Towns Competition as an example of how their country can become more landscape aware.

Last week we welcomed Mr. Masami Ota, the principal researcher with the JAL foundation to Lismore. The JAL foundation works with the Japanese Government and Japan Airlines to conduct investigations and research into matters relating to aviation, tourism, the environment and landscape. As we showed Mr. Ota around Lismore we explained to him how our litter rotas work. He took this as an example of best practise in the area of community involvement. He said "that the citizens play the key role in landscape planning to make their own town beautiful and a pleasure to live in. In due course visitors will increase and communication will be born."

Mr. Ota went on to explain that in Japan the baby boomer generation is now around 55 and is almost at retiring age. He said "for them spiritual wealth is becoming more important than material wealth. This generation who are healthy, are starting to use their free time to participate in voluntary activities. Starting in your own backyard is an easy enough concept for anyone to understand and landscape conscious town planning could be a concrete way of volunteering. The landscape is something created by those who live there, a kind of cultural barometer."

Feeling very pleased with his visit and having picked up ideas from Lismore that he considered could be applied in Japan, Mr. Ota presented us with gifts of porcelain before departing for his home country. We will continue to stay in touch with what is happening in Japan and we hope to report on their progress in the future.

Bunscoil Bothar na Naomh performed a "Lazurus" style comeback on Saturday last when they defeated Dungarvan in the Western Schools football final at Bushy Park. Trailing by 10 points after only 8 minutes as a result of an early Dungarvan goal blitz, their position seemed hopeless. However, the local boys showed great heart and by half time only a goal separated the teams. Half time score Dungarvan 3-1 Bothar na Naomh 2-1. The Lismore boys continued their comeback in the second half and ran out impressive winners. Final score Lismore 5-5 Dungarvan 3-1.

This victory followed on from their semi-final victory over Abbey-side where they overturned a 2 point deficit with a last minute goal. They will play the County Final on Saturday 4th December at an eastern venue. The County Mini 7's football will not take place until next April/May.

## Traveller Encampment Forces Weeklong Closure Of GAA Grounds

CONTINUED FROM FRONT PAGE scheduled for the venue.

A spokesman for the club: "Everybody is being asked to respect travellers rights. But what about the rights of the settled community."

The Townspark East road was also partially blocked with only one lane of traffic able to pass the convoy during the night.

"They left the place in a fierce mess," local councillor, James Tobin said. "The GAA club had to turn around on Saturday - and these are all voluntary people - and clean up this mess themselves. If people are going to come here they should at least treat the place with respect."

### CONCERN

The sportsfield was closed off for the entire week and a major obstruction was also caused on the road outside where vans reduced the traffic to a single lane.

And, a sizeable Garda presence was in evidence in the town during the week.

Just 12 caravans remained at the grounds during the day, but up to

thirty vans returned each night parking at the side of the Townspark East road.

While Waterford County Council said they were unable to be move the convoy on because it was on private property owned by Tallow GAA, club officials held talks throughout the week with the travellers and Gardai in a bid to reach a resolution on the situation.

According to a spokesperson for the club, the group twice gave undertakings to leave, originally promising to leave on the Tuesday and then on the Thursday.

"But it seems they couldn't be moved except by their own volition," he said.

### "FEROCIOUS MESS"

All club activities at the grounds had to cease, the spokesman said, and officials could only check on the grounds by gaining access through the adjacent soccer club.

Club officials said they were relieved the travellers had moved on, but said they left a "ferocious mess."

"A lot of it was rubbish left in the car park," he said. "Inside the perimeter wall of the pitch they left behind nappies and faeces."

Voluntary members engaged in a three-hour operation to clean up the mess, which had been left behind, the spokesman said.

## Low Garda Numbers Cause Of Rising Number Of Break-Ins

CONTINUED FROM FRONT PAGE that more Gardai will be taken away from "the desk and put on the beat" the Ballymacarby based councillor said redeployment of Garda resources is the only solution.

Stationing a detective in an area and one or two sergeants is the only way "these thugs" will be prevented from carrying out robberies in small urban centres around the county, he said.

Meanwhile, in a recent statement Gardai advised members of the public to be extra vigilant to lock the doors of their properties and check the effectiveness of their alarms as the early evening darkness approaches.

## KMX FEVER HITS DUNGARVAN

The prototypes have been on Den TV, Blue Peter, CBBC, TV3 Ireland AM and the Late Late Show - Your kids know all about them and they've been telling you all about them!!!! - The KMX has just arrived in Dungarvan and now they can finally see & try one!! But hang on a minute - what is a KMX???

Remember when we just had plain old ordinary bicycles. Then they made a stunt bike and called it a BMX (Bikes Moto X). Well we've seen a lot of plain old go karts around, and now they've developed the KMX!!! (Karts Moto X). BMXing first took off throughout the 1980's and is now an established sport.

Kathleen Murphy owner of Murphy's Toymaster, Main Street, Dungarvan one of the people responsible for bringing the KMX to the area describes the KMX as a cross between a go-kart and a BMX. It looks like a go-kart, but is faster than a bike and can perform stunts like a BMX. It is possible to perform all types of stunts (jumps, skids, 360's, skids, wheelies etc) It is an extremely revolutionary and exciting product for children aged between 6 - 14 (it is adjustable so the KMX will grow as the kids grow).

Fast stable and strong the KMX KART comes complete with 5 speed twist grip Shimano gears, powerful front drum brakes with V brake on the rear, adjustable seat and pedal boom, mag wheels front and rear and a hi carbon steel frame. The technical steering geometry (Ackerman & centre point) is responsible for its quick, accurate and stable steering

The KMX was awarded the prestigious best new product award at the International Cycle Show in Islington, London. For more information on the KMX call in to Murphy's Toymaster, 9 Main Street, Dungarvan Tel: 058 41376 or in to Murphy's Toymaster, Main Street Youghal Tel: 024 93520 where you can see / try the KMX and check out a video of the KMX in motion. (the guys might even give a quick demo themselves).

Consolation prizes of E20 went to each of the following: Eamonn Cliffe, c/o Railway Bar; Billy Arrigan, Ballingown; Mick Killigrew, c/o Central; Sarah, Ben and Mikey, c/o Manahan's and Connie Mc-

Grath, Lefanta.

### U21 Group Teams?

In this paper two weeks ago, The GAA correspondent "The commentator" made reference to the fact that Abbeyside/Ballinacourty were the club with the biggest catchment population who won the divisional title for the first time in 34 years, were

the first clubside other than a group side to win this trophy for the first time in numerous years. To my recollection Ardmore won this title in 2001 and 2000, the same year they captured the county title, they were not a group team. Cappoquin won the title in 1971, 73, and 1980 (the same year they lifted the County title) not as a group team. Tallow in latter years have been assisted by Shamrocks in hurling and Tallow players assist Shamrocks in football but are two separate clubs. They won the County title in 2002 and 2003, Tallow won the divisional title in 1978, 1979 and 1981 without assistance from any other clubs, to my knowledge. I don't know if they won any other U21 titles in the mid 1980's and 1990's. Lismore/Ballysaggart which is the one parish play all their underage hurling and football together, have won the title on numerous occasions as Lismore won the Divisional U21 title, Dungarvan also have won U21 titles.

### Three To Answer

1. Who was Waterford's first Hurling All Star?
2. When Dublin won their last Leinster Minor Hurling title, what player scored 3-5?
3. Waterford have won the Munster Senior Hurling titles on seven occasions but when did they last win back to back titles?

Answers will appear in this section next week.

### Last Weeks Answers

1. Ahane (Limerick) won this years All Ireland U14 Feile na nGael Hurling title.
2. Anthony Kirwan captained Mt. Sion to win the Waterford Senior Hurling title 34th time.
3. The famed Kilrossanty club won the Waterford Minor Football championship for the first time this year.

### Good Luck Tourin

The Cappoquin/Affane club would like to wish local team Tourin and especially all the lads that play underage Hurling with our club the very best of luck in the Junior Hurling County final this Sunday against Tramore in the Fraher Field. Let's hope they can bring the cup back to the parish and over the Avonmore Bridge for the first time since 1977.

### U13 Hurling (The Blackwater Trophy)

Abbeyside, Cappoquin and Clashmore played at the Sportsfield in the annual tournament for the Blackwater trophy. After a good days hurling by all the teams, the home side ended up being victorious. Thanks to Abbeyside and Clashmore for taking part this time of the year when most of the Juvenile Hurling is finished up.

Team: Darren Curran, Philip O'Rourke, Colm Looby, David Murphy, Ian Fitzgerald, Finan Murray, Darragh Fives, Pat Fitzgerald, P.J. Curran, Derek Cahill, Ray Hallissey, Conor Murray, Brian Crotty, David Whelan, Ross McLaughlin, Evan McGrath, Dean Whelan. Mass Lane Cup Final On Friday evening last at the

Sportsfield, Ivan Cliffe's side took on Liam Coffey's team. In an entertaining contest, Ivan's team eventually came out on top after leading by just a point at half time. At the end of the game Waterford's number one referee, Tommy O'Sullivan, who refereed this years County Senior Hurling final between Mt. Sion and Ballygunner and did a superb job, presented the cup and medal to Ivan and his team. Sully was a previous winning captain back in 1974, and led Cappoquin to the County U14 title and to the All Ireland Feile final against Na Piersaigh in Limerick where they were narrowly beaten by a last minute goal.

Team B: Ivan Cliffe (captain), Finan Murray, Evan McGrath, Derek Cahill, Conor Murray, Brian Crotty, David O'Brien, Craig O'Shea, Kevin Phelan, Brendan Phelan, Jenny McCarthy, Kieran Maher, Shane McCarthy, Adam Cavanagh, Gemma Burke, Keith Farrell.

Team A: Liam Coffey (captain), Darren Curran, Darragh Fives, David Cahalane, P.J. Curran, David Murphy, Killian O'Sullivan, Brian O'Donoghue, Dean Whelan, Eoin Leahy, Denis Meaney, Gavin McCarthy.

### Well Done

Well done to Stradbally last Sunday on reaching the Munster club Senior Football semi final and best of luck to them this week against Bishopstown. Well done to Mt. Sion and our local man Big Johnny McGrath who does their physical training on reaching another Munster club final. This county could do with a few more clubs like Mt. Sion who have ambitions to be at the top of the ladder. If we had more clubs like Mt. Sion we definitely would have more than two Senior All Ireland titles in over a century and a quarter.

U15 Town And Country League (Rory O'Connor Cup) We expect to play Killeagh in the final of this tournament in Killeagh on either Saturday, 20th or Sunday, 21st Nov.

### Affane Bridge Club

18th Nov. - Ham Competition. Results: 1st: Kathleen McGrath and Una Mason; 2nd: Helen Buckley and Claire Meaney; 3rd: Margaret Clancy and Addie Buckley; 4th: Mary Fletcher and Monica O'Sullivan.

## RAILWAY ATHLETIC F.C. NOTES

### 1A Game

#### Railway 0 Bolton 2

This was the 1A team's seventh game of the league season and was mainly lost due to a few poor decisions by the match official. The first half was an even affair with both sides having a few chances.

But the game sparked into life when Bolton were awarded a dubious penalty as the ball hit a Railway players hand but it was more like ball to hand than hand to ball. The Bolton striker stepped up and put it away with ease. After this goal the game was a bit more fiery with tackles getting harder and harder.

The second goal for Bolton was at least a few yards offside as the Bolton player scored to make it two. Railway piled on the pressure with attack after attack coming from the homeside. Railway came close on many occasions but sadly lost. The homeside were missing four of the panel and with such a small panel every player missing is a big loss. Hopefully with more training and bigger numbers at games the lads will make the stay in the top half a regular effect.

### U13 SFAI Cup

#### Railway 0 St. Joseph's (Carlow) 3

Our Under 13 side welcomed St. Joseph's from Carlow to the Danesfield in the S.F.A.I. cup. This was always going to be a hard game for the lads but was made even harder when a few players were missing. The first 15 minutes were even with both sides creating good chances but it was the Carlow side that took control of midfield as they were so big and physical.

St. Joseph's first goal came through a penalty when one of the away sides players was taken down just inside the box. The Carlow side took control of the game after that with half of their side as big as many Junior players, the homeside couldn't cope with the physical strength of the away side.

Half time: Railway 0 St. Joseph's 1

The second goal for the away side came through some poor defending from the home side. With the score at 2-0 the homeside were not able to put any pressure on the away side and with two minutes to go, St. Joseph's grabbed their third.

Full time: Railway 0 St. Joseph's 3

Team: Francis Condon, Patrick O'Connor, Gavin Pratt, John Loneragan, Patrick Hickey, Shane McGovern, Padraig Prendergast, Patrick Walsh, Declan O'Brien, Jamie Glavin, Michael Nugent, Ciarain Maher, Killian O'Sullivan, Brendan Dwyer.

Everyone at the club is delighted for the two lads as they are doing so well with Waterford.

## CAPPOQUIN A.F.C. NOTES

### Cappoquin 8 Accrington Celtic 1

Cappoquin played their second league game of the season on Saturday night under floodlights. After getting a well deserved draw from last years champions Ardmore, it was important to take all three points in this fixture at home to Accrington Celtic of Fermoy.

We started the game slowly with both teams evenly matched until Jacko Kiely played a great ball into Seamus Veale who finished with a diving header to give us the lead after 15 minutes. Accrington hit back almost straight away when they were awarded a penalty which they converted.

Then came two quick goals for Cappoquin when Seamus Veale got his second and shortly after Jacko Kiely scored a wonderful goal from a free kick. At half time we were in control leading 3-1.

Second half saw us start off well when Jacko was fouled inside the box for a penalty, Martin Lacey scored from the spot 4-1 Cappoquin. Accrington dropped their heads at this stage and we went on to score four more goals, two more from Jacko Kiely and one from Seamus Veale and the last goal from Pat Sullivan. Jacko and Seamus both finished with hat tricks and both led the line very well. They were backed up by the midfield and defence who played very well on the night.

Important now that we keep our good form going with training Thursday at 6pm. Everybody try and make the effort.

A good crowd turned out on Saturday night with the big attractions being the floodlights and everybody of the same opinion that it is great now that Cappoquin have such facilities at their disposal.

The B team had no game this weekend but will be back in action on Sunday. So a big effort from them to attend training on Thursday also.

### Cappoquin 8 Accrington Celtic 1

Team: Liam Morrissey, Kenny Mason, Gary Morrissey, Justin Dowd, Mossy Michael Cummins, Martin Power, Pat Sullivan, Martin Lacey, Seamus Veale, Jacko Kiely.  
Man of the match: Jacko Kiely.

## SCHOOLBOYS FOOTBALL LATEST

At the moment the schoolboys are going very well with some very attractive football being played by all teams. Eoin Simms outfit under 12 are in a very good position with some of the big hitters due to visit Kilrush. Michael Curran/Adrian Curran have their squad flying in the national under 13 Cup and hopefully they will transfer this form into their current league campaign. At under 16 level Noel Hackett's team are currently 2nd and looking to take over the top spot soon. Thomas Donovan/John Walsh are also looking at their team hitting a purple patch in both the National Cup and local under 15 league.

All in all the schoolboy section is looking healthy and all managers and coaches deserve high praise for the work that they are doing.

## THANK YOU

To David "Chunky" Wall who is currently at home in Dungarvan. At the moment he has taken a number of sessions both at youth and schoolboys level over the last few weeks. All players were suitably impressed at "Chunky's" approach to the coaching. Thanks David.

## DEVELOPMENT SQUADS

We have a number of schoolboy players who are keeping us in the limelight by being part of the various schoolboy development squads in the Waterford League. Colm Curran under 12, Kenneth Moore, Aaron Joyce, Mickey Byrne - Kennedy Cup under 13, Gavin Crotty under 15, this is a great sight for anyone involved in the club and with a bit of luck we will see a few more players becoming involved in the other squads.

## S.F.A.I. SCHOOLBOYS CUP

# Dungarvan Advance To Next Round

### FREEBOOTERS (KILKENNY) 1 DUNGARVAN UTD 3

We travelled to Kilkenny on Saturday last to play Freebooters, Kilkenny who were a very big sized squad. Dungarvan were under pressure for most of the first half with Joyce in goal who made some heroic saves to keep us in the game.

In the second half Dungarvan found a new lease of life when 3 minutes into the second half we caught them on the counter attack for Kenny Moore to put us 1 nil up. We then took control of the game going close with chances

from Byrne, Burke, Fehilly and Coward. We added to our lead with 15 mins to go with another Kenny Moore special to make it 2-0. Five minutes later we broken again for Mikey to give Kenny a through ball to make it 3-0. Deep in injury time Freebooters pulled 1 back but the result was never in doubt.

Team; Joyce, Houlihan, Healy, Walsh, Kelly, Burke, Coward, Fehilly, Byrnes, Hayes, Moore. Subs Flynn, Kinghorn, Duggan.

Man of the Match; Aaron Joyce.

## FAI YOUTH CUP

# Blues Bow Out After Super Display

### BUNCLODY 2 DUNGARVAN UTD 1

On Saturday last our Youth panel travelled to Wexford to play Bunclody in the F.A.I. Youth Cup. We assembled in Kilrush Park at 10 am. After a brief stop in Enniscorthy we travelled on to Bunclody. We arrived in Bunclody at 1 pm and had plenty of time to prepare for the challenge in front of us.

This was one of the best performances I have seen from any team in the club this season. Every player on the field and the subs that were brought on did themselves and Dungarvan Utd proud with their performances on the field and off the field.

We led this game at half time by 1 goal scored by Finbarr Sexton.

Bunclody attacked us with everything they had at the start of the second half but we kept them at bay. Christy Ross Power was injured in a tackle midway through the second half and had to be substituted. Before we had time to settle our reorganised team Bunclody were getting the upper hand. With Bunclody leading 2-1 Dungarvan attacked until the final whistle blew and were very unlucky when Sean O'Hare missed by inches after a fine build-up. Brian Foley came close shortly after that and again was unlucky not to score.

An injury to Ian Duggan saw him come off with 13 minutes to go so we had a completely rearranged back four.

In the end we did not deserve to lose this game and I must again praise the 14 players who represented our club with pride and dignity. A special word of thanks to Christy (Trot) Power who drove to this game and assisted with the preparation and management of this team on the day. Well done to one and all.

Youth training continues every Tuesday and Thursday night at 7 pm. Let's see everyone out there and keep this team at the top.

## Mansfield EBS Winter League

The draw for next week is as follows: Abbeyside v Mid County, Ballinacourty v Nire/Tourneena, Cork v Old Boro, Dungarvan v Waterford, Dunhill A v Dunhill B. Kill have a free week. Abbeyside and Mid County look to be fairly evenly matched and there should not be too much between these teams. Ballinacourty and the Nire/Tourneena played in the final last year where the Nire/Tourneena had quite a convincing win. They will be favourites to beat Ballinacourty; any other result would be an upset. Cork are the coming team in this league and they will be slight favourites to overcome the Old Boro, although one would rule out the Old Boro at your peril. Dungarvan, with a vastly experienced team should just shade it against a well-organised Waterford team. In the final match Dunhill A take on Dunhill B in what will be a keenly contested local derby.

The following are this week's results: Ballinacourty 14 Mid County 8, Abbeyside 13 Kill 9, Cork 9 Nire/Tourneena 13, Dungarvan 7 Old Boro 15, Dunhill A 13 Waterford 9. This leaves the overall position as follows: (Scores adjusted per games played) Ballinacourty 16.5, Dunhill A 13.5, Dunhill B 12, Abbeyside 11.5, Old Boro 11.5, Dungarvan 10.5, Cork 10.5, Nire/Tourneena 10.5, Mid County 9, Waterford 9 and Kill 6.

The fine weather really brought out the golfers this week and we had a new record of entries over the four days of

the Winter League. Sunday's timesheet was the fullest we have had for a league weekend and as it happened it was one of the fastest rounds of the year with all three balls finishing within three and a half hours.

It is important that all players check in the kiosk for any change in competition conditions before starting their round. The onus is on the player to check.

The draw for times on Sundays is working well and the club appreciates the cooperation it is receiving from all the members. Members can check on the Friday for their drawn time or turn up on the Sunday at least ten minutes before your requested time.

## Annual General Meeting

This is now fixed for Monday 6th November at the GoldCoast Golf Hotel, starting at 8.00 p.m. The nominations for the various positions close on Monday 29th November. The Nomination sheet is posted in the kiosk and names for the various positions can be added up to the above date. All nominations need to be proposed and seconded and signed by the person proposed. The club has had a great year this year; the time has now come to review it and start planning for next year. The Annual General Meeting gives members a chance to ask questions, give opinions and make suggestions. We hope to see as many members as possible at this meeting, your views are always welcome and you can help to make next year an even better year for the GoldCoast Golf Club.

## Next Committee Meeting

The final committee meeting of the present committee will take place on Wednesday 1st December at the GoldCoast Golf Hotel at 8 p.m.

## End of an era

At this year's Annual General Meeting both Mark Lenihan and Eugene Collins will step down from their respective posts. Eugene has been secretary for the past nine years and has helped to get a young club into the very strong position it

is today. Meticulous in everything he does, a gentleman to work with, he carried out his duties as secretary and handicap secretary with expert efficiency and the committee will sorely miss him.

Mark Lenihan has been the backbone of the club over the same period; he handled the finances with efficiency and diligence and has always returned a balance sheet with a profit for the year. Not only did Mark look after the finances but he was involved in all aspects of the club. He secured all the sponsorship for the weekly competitions, he arranged all the prizes and his contribution at committee level on all matters concerning the club was always worth listening to. Mark will be staying on the committee while relinquishing his position as treasurer. The committee would sincerely like to thank them for their contribution. The committee would also like to acknowledge contribution made by Thomas Larkin over the past five years to the committee and the teams. He put in a tremendous amount of work over that time and we are all grateful for that contribution. Thomas is presently Captain of the South East Junior Alliance, an honour richly deserved.

## SOUTH EAST GOLF ALLIANCE

The meteorological gods smiled once more for the Alliance annual visit to West Waterford. On a day which was more reminiscent of Spring than Winter, in excess of fifty golfers took advantage of the opportunity to play the splendid layout which seems to improve each time we visit. ## Dungarvan RFC Mini-Rugby

A new season of mini-rugby has commenced at Dungarvan RFC, Ballyrandle.

Dungarvan teams played their first away game of the season against Carrick-on-Suir. The U8s, U10s and U12s all faced much bigger and heavier Carrick teams and acquitted themselves very well. The U8s, in their first game ever displayed some great touches and teamwork. The U10s conceded 3 tries in the first half but upped their game in the second half where they limited Carrick to 1 score and scored a fine try of their own. In the final game the U12s played a thrilling game with scores ending level at 9 tries per team.

Principles of mini-rugby:

1. Young players can sample the thrills of rugby in a game specially adjusted to their age and size.
2. As the laws are fewer and simpler, coach and player more easily understand the game and its concepts.
3. Refereeing is simpler as there are fewer laws to know and apply.
4. As there are fewer skills to learn, the coach can concentrate on teaching and developing the basic individual skills of handling, running and tackling.

5. Due to the shorter duration of matches, more time is available for teaching and coaching.

6. Play area and equipment are smaller allowing a more natural skill development.

7. The games comprise all aspects of the 15-a-side game as children advance from Stage 1 to Stage 4.

8. Mini rugby is taught and played in a safe and friendly environment.

Training Sessions

Each Saturday, there will be an hour and a half session for the children as follows: 10.30 - 12.00 6-12 years

Underage teams will be formed for u8, u10, u12 based on the following date of birth eligibility. Players must be under the nominal age limit on 1st July of the year of the commencement of the season i.e. July 1st 2004 for 2004 / 2005 season.

The sessions are based on progressive learning and designed to gradually bring the children into the game. The emphasis is on having fun while learning new skills - if the children enjoy the sport, they will come back to it.

Training sessions will run from October to March. Friendly

games and participation in inter club morning blitzes are an important part of the development of skills and teamwork. Most matches will take place on Sunday mornings and some will require transportation to away venues.

If you are interested in sending your child to the sessions, please contact:

# DUNGARVAN G.A.A. CLUB NOTES

**JUVENILE SCENE**

**4s, 5s and 6s**

Training recommenced last Saturday morning at 10.00 a.m. and the early start seems to have caught a few parents by the hop as numbers were down considerably on normal training sessions. However we will persist for the rest of the winter months at this time as it suits our trainers to have all the underage training together on Saturday mornings, which I think is more than fair.

**7s and 8s**

Again this group started back in the Sports Centre last Saturday morning at 11.00 a.m. and we had a huge turnout. In fact it was so big we are probably going to have to move the younger ones of this group back to the 10.00 a.m. session as there simply isn't enough space in the hall. A great complaint isn't it!

**9s and 10s**

The more experienced and seasoned hurlers took to the sports centre at 12.00 p.m. and they had a good workout under the watchful eyes of our more experienced trainers. It was good to see a new boy in the shape of Michael Mc Loughlin helping out with the training and I'm sure he will be a huge asset to Pat, Chris and co. over the winter and hopefully beyond. It's great to see lads willing to help out and in cases like Michael, keeping up a family tradition. Michael senior R.I.P. was one of the founders of the modern club that is Dungarvan, as we know it today. You have a lot to live up to Michael Junior!!

**WAYNE ON DUTY**

Wayne Flynn was on duty for West Waterford in the Annual Gleeson Cup last Saturday against East Waterford and by all accounts had a good game. He was the clubs only representative and is certainly one of the clubs greatest prospects. Well done Wayne.

**DEISE DRAW**

No luck for any of our client ell this month either. The last draw which takes place on 26th November is FREE for paid up members so hopefully we will pull something out of the bag yet!

**Get Well**

We wish Tom Rossiter a speedy recovery from a spell in hospital. No doubt he'll be back out and about in no time.

**ON THE INJURED LIST**

I heard through the grapevine that Paudie Kiely has gone and broke another finger or thumb or something. This is getting to be a bit of a habit with you Paudie isn't it? We hope you make a speedy recovery and please God next Year you'll have a better run Without any major injuries.

**ST. JOSEPH'S LOSE PRIMARY SCHOOLS WESTERN FINAL**

Unfortunately, despite a great start with two early goals, the lads couldn't hold on against a very strong Lismore team. Despite the best efforts of Luke Egan and Co. the curtains come down on the School playing year and its back to the drawing board, or should I say Blackboard for Pat Curran and his fellow selectors.

**SYMPATHY**

All associated with Cumann Luthcleas Gael Dungarván wish to extend our deepest sympathies to the family of the Late May Lenihan who passed away over the weekend. Ar dheis de go raibh sí.

**WEEKLY LOTTO**

No winner of this weeks jackpot of €6,000. Two winners of €35 were Tom Kehoe of Western Bay and B. & S. Noonan of Western Bay. Next weeks jackpot goes up to €6,150. That would be handy for Christmas wouldn't it. If your not in, you can't win.

**JUVENILE PRESENTATION NIGHT**

This Thursday night 11th November at 7.00 p.m. sharp we have our first of two Juvenile Club presentation nights in our Clubhouse. The purpose of the night is to present medals that are due to Under 8s and Under 10s for tournaments they won during the Year. I'm sure this will be a very enjoyable night and we are hoping as many of the parents can come along and see their child being presented with medals by none other than the great Dan Shanahan.

Despite having a busy schedule with training and All Star Awards coming up soon, Dan was more than delighted to help out when asked and it shows how willing our Senior Hurlers are to assist clubs when they are asked. The Club was delighted to secure the services of Dan as we in the Dungarvan area consider him a form of "adopted son" and he always gets great support from the Deise boys and girls when he puts on the Blue and White of Waterford.

Light refreshments will be provided for the boys in the form of drinks, crisps and bars and there will be tea and biscuits for the parents. Come along and enjoy the night.

## DUNGARVAN JUVENILE CLUB "HURLING TEAM OF 2004"

As mentioned last week we intend naming a Juvenile hurling team of the year, which will be selected from all our underage hurling teams from U.10s upto, and including U.16s. This is a new venture for the Club and one that I hope will be carried out on an annual basis.

The selection process will be based on individual performances that would be considered well above the average by an individual in his respective position. Each nominee, as listed below, has been picked in his normal and natural position and it is only this position that he can be selected for. What I'm really trying to say is that no player will be facilitated on the team in a position that he didn't play in (like some of the All Star awards).

The other important consideration is the importance of the player's performances to his team in terms of winning or losing. i.e. how much he meant to his fellow players and what effect his performance had on them.

Having seen all the teams mentioned above during the year I expect to see a good spread of ages in the "team of the year" and it is intended to present the players selected with a memento on the night of our Juvenile AGM due to be held in early November.

Over the years we will build up a series of teams that will, in time, be the foundation for future adult teams. Given that there will be only 6 years at most between all the players selected they could very well be the first team to win a Senior Hurling Title for the Deise for a long, long time. Won't it be interesting to see what happens?

Anyway, the nominations in their respective positions are as follows:

## JUVENILE COMMITTEE MEETING

The next juvenile committee meeting takes place in the Diplomat at 8pm on Tuesday the 23rd of November.

## JUVENILE AGM

The Juvenile AGM has been fixed for Friday the 3rd of November in the Ballinroad Hall.

## UNDER 21 COUNTY HURLING FINAL

At half time 2 points up we felt that this might be the long awaited under 21 victory we craved. With 4 minutes to go and 3 points down we would give our left arm for a draw. This is exactly what the lads gave. Not just a left arm but every sinew and muscle straining to pull back the deficit. When Declan Fives struck from a placed ball for the equalising goal we were on cloud nine. When Ballygunner scored a point from a free to put them 1 up almost at the death we were once again in turmoil. But fair play to this bunch of lads they are full of character and the ball was worked to Eoin Enright from a puck out from his brother Pat for him to level with a final point using half his hurley. This was a game to test the strongest of hearts. But we live to fight another day which is a lot better than been beaten. But for sure we know we have room for improvement and mentors Greg Fives, Bernard Shields, Neil Moore and Pakey Hurney will be working hard with the lads this week to get that extra bit which is within them.

The team was as follows — Pat Enright, Joey Mullen, Rick Hanrahan, Richie Foley, Patrick Lynch, John Kindregan, Brian Scanlon, Mark Fives, Peter Phelan, Declan Fives, John Hurney (Captain), Patrick Hurney, Sean Kiely, Eoin Enright and Mark Gorman. Substitutes used Tiaran Murray. Other substitutes on the linewere Simon Hanrahan, Aonghus Murray, Seamus Shields, Michael Browne, Thomas Cashin, Jason O'Brien, Sean Byrne, Darrell Ryan, Eddie Casey, Liam Briggs (injured).

Scorers were Declan Fives 1 goal and 4 points, Patrick Hurney 5 points, Mark Gorman and Peter Phelan 2 points each and Eoin Enright 1 point. The final score was Abbeyside 1 goal and 14 points to Ballygunner's 1 goal and 14 points.

The next instalment in this saga takes place again at Fraher Field at 1 pm next Sunday the 14th of November. Please come out and support Captain John Hurney and his merry men in their quest for under 21 county honours.

## GOLF SOCIETY OUTING

Our next Golf Society outing takes place at Dungarvan Golf Club on Saturday the 13th of November. This is a singles competition and time sheets are already up at the Dungarvan Club and the Clonea Gold Coast Club. Time sheet starts at 11am so get in early as you can.

## JUVENILE TABLE QUIZ

Brendan O'Brien is running one of his famous table quizzes in the Diplomat for our juvenile club. This takes place on Thursday the 18th of November and the cost is only €15 per team. If you've never been to one of Brendan's quizzes you don't know what you're missing. These are wonderful nights and you don't have to be a member of menza to take part. Kick off is at 9pm. Get your skates on and get to the Diplomat for a great night and you will also be supporting your own GAA club.

## SYMPATHIES

The Club would like to offer sincere sympathies to the Griffin family on the death of Mrs. Mary Griffin and to the Harnett family on the death of Paddy Harnett. May they rest in peace.

## MINOR CHAMPIONSHIP

1st rd - Kilrossanty v Dungarvan — The girls played the first round of the Minor championship last weekend against Dungarvan. This game was played in Lemybrien in terrible weather conditions but at the final whistle the girls were well ahead and recorded a fine victory.

2nd Rd - Kilrossanty 4-8 Clashmore 3-3 — On Sunday morning the girls took on Clashmore in the 2nd round of the championship and once more chalked up another good win. This game was played in Bushy Park and conditions were excellent. This win now means that the girls are through to the semi final and I think their opponents will be Old Parish. This game maybe down for decision at the weekend. Check ladies fixtures for details.

## PRESENTATION OF CO. MEDALS

Work is well underway by a hardworking committee in organising a night to present medals to all our Co. champions — U-14, U-16, Junior and with the Minors still in contention they maybe on the list also. All players will be given plenty of notice of the night & hopefully everyone will make for the presentation.

# ST. ANNE'S LADIES FOOTBALL AND CAMOGIE

## SENIOR LEAGUE CAMOGIE FINAL

On Sunday last, 7th November, our girls were fighting for their third league final victory in a row. This was a tough battle against a strong opposition such as Lismore. Lismore were first to get their names on the score board with an early taken free which was pointed to give them the lead. However, the St. Anne's girls dug deep and fought back clocking up three points. However, half way through the first half the Lismore team rattled the back of the St. Anne's net once again giving them the lead with a score of 1-1 to 0-3. Once again the St Anne's team replied with fantastic defending from the back line and tremendous attacking from the forwards along with the addition of terrific free taking from Pauline Cunningham and Karen Kelly. At half time the score favoured the St. Anne's outfit reading 0-10 to 1-1.

Lismore got off to a flying start in the second half scoring a point immediately after the ball was thrown in. However, the St. Anne's girls showed their experience from their past championship and league campaign which resulted in preventing the Lismore side from coming out on top on this occasion. There were further pointed free's and shot taking from the hurleys of our accurate forwards namely Kerry Dunphy, Mairead Murphy, Karen Kelly, Helen Murphy and Pauline Cunningham. However, Lismore

never gave up tussling hard for this victory but with five minutes to go, Kerry Dunphy broke the Lismore defence and hit the ball in the back of the net, this truly broke Lismore hearts. On the day there were some exceptional saves on the goal line from goalkeeper Tracey Gallagher and outstanding defending from the full backs Lorena Mooney and Jane Murphy, the half back line of Emma Wall, Annette Raheer and Sarah Flynn were also a joy to watch. The powerhouse of the team, our midfielders, Caroline Ahearn and Charlotte Marie Raheer had a fantastic game winning ball in the middle of the park time after time. Also there was gallant and skilful play from the subs Julie Mai Keane, Ailis Barry and Rachel Ahearn who came on in the game and kept applying the pressure when there were tired legs. Well done girls. Indeed a fantastic victory and day for the club and great praise goes out to managers and selectors Ger Mooney, Anthony Raheer, Brian and Breda Cunningham, secretary Ann Marie Queally and Mary Mooney on first aid.

Team as follows: Tracey Gallagher, Jane Murphy, Lorena Mooney, Emma Wall, Annette Raheer, Sarah Flynn, Caroline Ahearn, Charlotte Marie Raheer, Kerry Dunphy, Mairead Murphy (Capt), Karen Kelly, Helen Murphy, Pauline Cunningham, Julie Mai Keane, Ailis Barry, Rachel Ahearn, Ciara Murray, Niamh O'Shea and Ciara Rockett.

# STRADBALLY SOCCER CLUB NOTES

## REDS ON A ROLL

Another memorable day last Sunday in Fraher field as Stradbally overcame the Tipperary champions. All roads lead to Cork this Sunday for the eagerly awaited clash with Bishopstown with the only misfortune being the loss of Trevor Costelloe to one of the harshest decisions seen in Fraher Field in many a year. We wish the Reds the very best with only sixty minutes separating us from a Munster Final.

# DUNGARVAN LADIES HOCKEY CLUB NOTES

## DUNGARVAN 4 U.C.C. 1

Sunday morning, November 7th, Dungarvan Ladies took to the Friary pitch after a two week break, U.C.C. of Cork the opposition. Dungarvan knew this was not going to be easy as both teams are unbeaten so far this season.

Dungarvan were without the services of some key players this weekend such as Carol Elstead, Sarah Power, Marie Sheehan, Sinead Byrnes, etc. Dungarvan were quick to attack the U.C.C. goal with the visiting keeper being tested from the speed and agility of the pacey Sharon Duggan up front, Anna Casey, Louise Enright on the wings, Ann Brennan attacking from her new mid field position. Try as they might, Dungarvan could not break the barriers of the U.C.C. defence, they kept us at bay for the first fifteen minutes. U.C.C. were very dangerous on the breaking ball. They had a few chances at the other end. A clearing ball from out of the backline consisting of Louise Conroy, Nollaig Sheehan-Foley, Derval Donnelly and Aisling Sheehan, Dungarvan were aware of the gap in the U.C.C. defence and worked the ball onto Ann Brennan who rattled the back of the goal (the bang could be heard in the square!) 20 minutes gone U.C.C. got together with Dungarvan attacking from all angles. Tireless running from Maria Conroy, Tina Landers and Louise Enright. A fast free for U.C.C. resulted in a breaking ball into Dungarvan circle, a high ball in was saved but the pace of the U.C.C. forward caught us napping a little, a goal was the result on the stroke of half time. After some stiff talking and positional changes from Tony and Steven, Dungarvan were not happy to keep their score, the battle was only beginning. Dungarvan wanted to keep their position at the top of the league table. A couple of short corners were awarded to Dungarvan and this put some changes on the scoreboard with Anna Casey keeping up her reputation as a goalscorer. She duly did her duty tapping in goal number two. Sharon Duggan contributed to a few of Dungarvan's goals. Sharon's menacing runs are a nightmare for any defending in the game of hockey. A short corner resulted in goal number three for the ever present Tina Landers who ran the length and breadth of the pitch. Dungarvan had the anchor in the bay at this stage. Louise Enright was adding her name to the score sheet too. Louise unleashed a rasper of a shot to the left hand corner of the goal giving the keeper no chance. Dungarvan introduced Lucinda Shrubbs, Debbie O'Shea and Sinead Hehir to make a difference at the right time. A very tough game, the result does not reflect the game or the standard of hockey displayed.

U.C.C. will be a very different outfit in the Mardyke on their home ground in the New Year.

Team: Carol Tobin, Louise Conroy, Nollaig Sheehan-Foley, Derval Donnelly, Aisling Sheehan, Tina Landers (Capt), Maria Conroy, Louise Enright, Ann Brennan, Sharon Duggan, Anna Casey, Lucinda Shrubbs, Debbie O'Shea, Sinead Hehir, Lizzie Walsh.

Thanks to Tony, Steven and Mackey and all our supporters who keep us going. Great to see a former star player out on Sunday, Karen Dee.

ST. AUGUSTINES 1-5 HIGH SCHOOL CLONMEL 0-5

The Friary senior hurlers advanced to round 2 with a well merited victory at the second time of asking, over High School Clonmel. The quality of play on a rain soaked pitch never matched that of the first encounter, but the Friary boys showed admirable grit and determination to gain a victory that, from an early stage, looked unlikely.

Clonmel began brightly and went two points ahead in the opening quarter. The Friary's only score of the first half com-

ing from influential centre-forward Richie Foley. Half-time scoreline High School 0-3 St. Augustines 0-1.

The Dungarvan boys upped their game considerably in the second half but despite territorial advantage scores were hard to come by. Kevin Power scored a neat point in the 31st minute and Terence Walsh followed suit nine minutes later. The crucial score came from corner-forward Walsh who latched onto a breaking ball to crush the sliotar to the

net in the 55th minute. This goal, sandwiched, between two points from Power was just about enough to see off a spirited Clonmel challenge.

Team and Scorers: S. Enright (Abbeyside), A. Browne (St. Oliver's), S. Fives (Cappoquin), M. Curran (St. Pats), D. Kett (Cappoquin), C. O'Keefe (Lismore), D. Hamilton (Dungarvan), C. O'Manachain (An Ghaeltacht), B. Phelan (St. Oliver's), K. Power (Lismore) 0-3, R. Foley (Abbeyside) 0-1, J. J. Devine (Cappoquin), S.

Power (Sean Phobal), D. Dransfield (Cappoquin), T. Walsh (Lismore) 1-1.

Subs Used: B. Walsh (Abbeyside) for Curran D. Hennessy (Ardmore) for Dransfield

### MEDAL PRESENTATION

The St. Augustines College 'A' football team, winners of Corn an Uachtarain 2004, and their 'B' counter parts winners of the Waterford Colleges Championship, received their medals at a pleasant function in the college on Fri. night last. Guest of honour was past-pupil and current inter-county star Michael Walsh. Michael is one of the schools most successful ever past pupils in the G.A.A. arena. Having won 2 Munster Colleges Football titles with the school, he has gone on to win 2 Fitzgibbon cups with W.I.T., 2 Munster Senior Hurling Championships with Waterford, an U.21 Munster Football title (a first for Waterford) and 4 county football titles in a row with Stradbally. Despite his success Michael remains very down to earth and gave some insightful views on the demands of the present day inter-county scene. He also outlined to those present the importance of players loyalty to their clubs and as if to emphasise the point, he gave a man of the match performance two days later as his club Stradbally saw off the challenge of Tipperary's Loughmore-Castleiney in the Munster club football championship. Congratulations once again to the players on their success, many thanks to Michael for his presence on the night, to Babs Kiely for providing the refreshments and photographer Sean Byrne.

## Kill GAA Notes

### SENIOR FOOTBALL

Last Saturday 6th November we travelled to Dunhill to take on our neighbours Kilmacthomas in a vital relegation match to decide who plays Senior Football in 2005. On a good dry Autumn day, this proved an entertaining match. Our lads were first out of the blocks with a few early points and this was followed up by a great Peter Torpey goal following some good build up play. As half time approached we were six points to the good, but then a lapse in concentration saw us concede a soft goal and left us two points ahead at the break. With the wind against us in the second half it was going to be backs to the wall stuff and when Kilmac' goaled early on, this became very much evident. But the lads showed great character and spirit to fight back with points from Ray and Niall Hennessy and then Anthony Kiely goaled twice to give us

some breathing space. Although Kilmac' threw everything at us, our backs defended brilliantly in the last ten minutes and we held on to win by 6 points and remain in senior for another year at least.

### Final score; Kill 3-8 Kilmac' 2-5.

The team was: J. Kiely, Brian Mooney, Brendan Mooney, L. Lennon, Paudie Torpey, Ahearn, F. Whelan, P. Kirwan, M. Hennessy, N. Hennessy 0-2, A. Kiely 2-0, Peter Torpey 1-0, A. Lennon, J. Power, R. Hennessy 0-6, Subs N. Flynn, S. Kirwan, D. Cooney, N. Mulcahy.

The club would like to thank Eddie Rockett and Eddie Power for their great efforts during the year. Although we didn't win anything this year they cannot be faulted as they gave 100% with their time and commitment. I would also like to appreciate the efforts of the players during 2004 who gave

us some great games and moments and hope springs eternal for next year.

### PITCH DEVELOPMENT

It was great to see the pitch in brilliant order after terrible weather last week. All the sanding is complete and we can now look forward to playing games there 12 months of the year. Meanwhile night matches will be getting under way as the floodlights are near completion. The pylons are up and the electrical work is nearly finalised and hopefully by the weekend the job will be done and it will be full steam ahead. A big thanks to Michael Casey for all his work on the project.

### 21ST BIRTHDAY CELEBRATION

Congratulations go to Niall Flynn, Caheruane who celebrates his 21st this Friday night, 12th November in Kirwan's Bar. All club members are welcome to the 'do' for one of the most popular lads in the team!

## BRICKEY RANGERS GAA NOTES

### INTERMEDIATE FOOTBALL WESTERN FINAL Brickey Rangers 4-8 Sliabh gCua 1-6

This was an outstanding display by our Intermediate team. Playing a fluent brand of football, they outplayed Sliabh gCua from start to finish. As this team had lost last year's final and the club had not won the Western title since 1986, they were determined not to lose this one. The hungrier and approach that they brought to the game reflected this.

Leading by 6 points to 5 at half time, they really upped their game in the second half and it was a reflection of their dominance that Sliabh gCua only scored a goal and a point in the last five minutes, when the game was already won. The speed and accuracy with which they moved the ball was a joy to behold and playing football like this, they can feel confident of going all the way and winning the county.

This has been an outstanding year for the club, as last Saturday was the ninth occasion that a Brickey captain collected a trophy this year in different grades.

We would like to thank the mentors for having the team so well prepared and congratulate the players on a job well done. We would like to wish a speedy recovery to Tony Halpin who suffered serious injuries during the course of the match.

Scorers for the Brickeys Carthach Shalloe 1-3, Dermot O'Neill 1-1, Richard Halpin 1-0, Tony Halpin 1-0, Kieran O'Burca 0-2, Shane McGrath 0-1, Olan Casey 0-1.

Team: T. Lynch, S. Nugent, J. Sheehan, W. Queally, R. Halpin, D. Hickey, C. Phelan, V. O'Brien, O. Casey (capt), C. Shalloe, F. Nugent, K. O'Brien, S. McGrath, D. O'Neill, and T. Halpin. Subs C. Fitzgerald for F. Nugent, A. Murphy for T. Halpin, J. Byrne for C. Fitzgerald, A. Murphy for W. Queally.

MUNSTER CLUB FOOTBALL

Wonderful Stradbally Master Loughmore/Castleiney

Stradbally 0-11 Loughmore/Castleiney 1-7

In all the years that I have been watching Stradbally play championship football I do not believe that I have ever seen them play with such character and composure as they did here in defeating the Tipperary county champions very much against the odds in a game that thrilled the crowd from start to finish.

Having a player, Trevor Costello - sent off in the 28 th. minute was exceptionally harsh and the general view around the stand was that referee Aiden Mangan of Kerry was over severe in punishing the Stradbally centre half back for an offence that might have merited a yellow card. Ten minutes into the second half no one seemed able to understand why a penalty was awarded against the Waterford champions. Showing character and composure in such circumstances won this first round of the provincial championship for Stradbally. The manner in which they battled against the odds was truly magnificent and showed that whatever our problems about football at county level, we can have no big worries about standards at club level ( as far as our top teams are concerned ) This Stradbally performance on Sunday, did the county proud.

It is a little unfortunate that they will now have to play for the fourth Sunday on the trot as their Munster semi-final meeting with the Cork cham-

pions, bishostown is scheduled for a Cork venue on next Sunday.

Because of the under 21 hurling county final, the big crowd were in early and minutes before the game started the sun decided to shine on Fraher field.

Both teams fielded as selected and the visitors had first use of the strong breeze.

PLAY

John Hearne opened with a point from play in the 8th minute and Tommy Ormond responded to equalise in the 12th minute. A great point by Stephen Cunningham in the 15 th. minute was followed with a Nial Curran score from a free in the 18 th. Minute. James Egan brought one back for the tipperary champions in the 19 th. minute and in the 24 th. minute Nial Curran was again on target from a free.

Four minutes later, Trevor Costello was very harshly sent off and in time added on in this half, Tommy Ormond kicked over from a placed ball to leave the minimum between the sides at the break. 0-4 to 0-3 in favour of Stradbally.

Second Half

The second half opened with a super score by Michael Wash who was now adopting a roving commission. Decan Laffin pointed a free and the sides were level again when Martin Gleeson pointed from play in the 36 th. minute.

Within a minute, however Nial Curran had Stradbally into

the lead after pointing a free and the same player made -0 7 to 0-5 with a good score from play in the 39 th. minute..

Then, what seemed disaster struck for Stradbally when a penalty was awarded against them, no one in the press section could figure out why. Decan Laffin shot to the net for the only goal of the game and the lead for Loughmore/Castleiney.

But the "Reds " held their 'cool' and hit back with points from Stephen Cunningham, to draw level and from Shane Lannon and Ger Walsh, ( a super point ) to go in front once more.

Martin Gleeson pointed for the Tipperary champions and reduced the Stradbally lead to a single point. with 8 minutes remaining. Loughmore piled on the pressure, but Stradbally defended magnificently and hit back for a pointed free by Nial Curran with six minutes remaining and tensions growing on and off the field.

A minute of normal time remained when Mark Gleeson narrowed the gap to a single point again and here a draw looked a possibility, but again Stradbally successfully mounted an attack to keep up the pressure and keep the ball out of their defence and after 2 minutes of time added on, it was all over and the Waterford champions were into th Munster semi-final against the Cork champions, Bishopstown

THE FOUR IN A ROW

"Walking In The Footsteps of History"

That was the very interesting caption given to a splendid article published in last Sunday's match programme. And probably written by their P.R.O. This is an extract.

" The second half was on seconds old as Nial Curran accelerated away from his marker, an unstoppable shot from 25 yards out exploded from his right boot and finished in the top corner of th net.. The catalyst for the comeback had begun.. What happened next, is as they say, history.

All the hallmarks of what makes this team great, unity of purpose, speed of mind and body, absolute commitment and an unwavering will to win were clearly in evidence in the second half last Sunday. Every single man wearing the red and white distinguished himself. his family and his parish with a performance that will live long in memory.

In the decades to come, Stradbally people will tell their children and grandchildren about the conquests of the legendary four in a row team. Taesd will be recounted of the agility of Trevor Costello, the leadership of George Walsh,, the scintillating runs of Stephen Cunningham, the point scoring ability of Emmett Cummins, the speed of Denis Doyle, the power of John Hearne, the style of Nial Curran, and the artistry on the ball of John Coffey. Stories

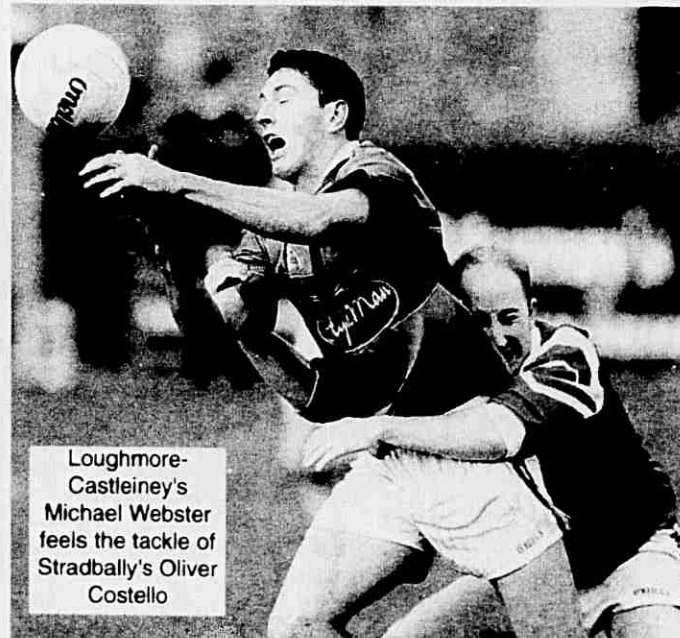

will be told about the ranging kick-outs of Eoin Cunningham,, the battling spirit of Oliver Costello, the goal scoring prowess of Ger Power,, the bravery of Thomas Walsh, the ball winning ability of Kevin Coffey, the class of Michael Walsh and the emergence of

young lions Shane Lannon and Stephen Lawlor." The article, much longer than the above goes on to pay tribute to "Mr. Motivator," Sean Ahearne and his selectors, etc. It is a nice piece that will become an artie in their club history when ever written.

MUNSTER CLUB HURLING SEMI-FINAL

MT. SION OUTCLASS CLARE CHAMPIONS KILMALEY

MOUNT SION 4-13 KILMALEY 0-9

Waterford county champions Mount Sion are through to the Munster Club final in which they will play Toomevara, the Tipperary champions, probably at a Cork venue in two weeks time.

A huge crowd ( gate 20,000 ) turned up for the game in expectation of enjoying a 60 minute thriller. For about 20 minutes it seemed as if the expectations would become a reality as up to this point the sides had been level on four occasions. However a Ken McGrath goal from a free in the 24 th. minute sent the home team into a six points halftime lead-1-9 to 0-6.

Throughout the second half, the gap widened and exposed the difference in standards, despite the brave efforts of Alan Markham, Coin Lynch Conor Clancy and a few more of their top players who had helped

them qualify on the previous Sunday.

Mount Sion, with the full team in top form, were completely in command and goals by Eoin Ryan, Sean Kelly and Danny Kelly put any hope of a recovery by the visitors well out of reach of the winners

This was yet another super display by Mount Sion and after the finl whistle, coach/trainer Jim Greene spoke in a confident tone about winning the provincial title once again.

Scorers; Mount Sion. K. McGrath 1-4, E. Kelly 1-4, S. Ryan 1-1, D. Kelly 1-1, E. McGrath 0-2, B. Greene 0-1. Kilmaley. K. Kennedy 0-3, C. Lynch 0-2, C. Clancy 0-2, A. Markham 0-1 D. MacMahon 0-1.

Toomevara 2-13 Na Piarasigh 0-13

This semi-finl was also a thriller before the Tipperary xhampions emerged as clear winners and qualified to meet Mount Sion in two weeks time.

The game was splendidly handled by Waterford referee Pat More and there were no complaints about his control of te semi-final. Pat, of course had his own team of officials as umpires and linesmen.

# Juvenile G.A.A News from the Deise County

## Convention This Friday Night

This Friday evening at Lawlor's Hotel in Dungarvan, the curtain comes down on another Juvenile G.A.A. year in West Waterford and another begins with the holding of the Waterford Bord na nOg convention.

Convention this year could be completed in record time as I understand that there has been no motions submitted for debate at this year's meeting. Despite much talk during the course of the year by certain individuals within the clubs who were not happy with the way some competitions were run off, very few clubs took the time to nominate personnel to officiate at officer level for the next twelve months.

Eddie O'Shea, Paddy O'Grady, Bridget Murray, Sean Walsh, Jimmy McCarthy, Paddy Foley, Seamus O'Brien, Bridget Mernin, Billy Devine and Alan Whyte have all been nominated for positions on the officer Bord for the next twelve months.

Clubs are reminded that they can have two delegates at the meeting.

## The Media

As these are my last notes for the current playing year I would like to thank the editor and staff of the Dungarvan Leader for allowing me to submit notes for publication in the best local newspaper in Waterford over the past year.

I would also like to thank John Jackson for all his help and co-operation in getting results of our games across to the general public. Thanks also to John O'Leary for all his help and co-operation and to Catherine Power and Donal Brennock in W.L.R.fm for all their help and co-operation.

## Sponsors

Many thanks to the following who sponsored championships for West Waterford Bord na nOg over the past twelve months; Declan Kiely Painting and Decorating Contractor, Comeragh Oil, Cappoquin Chickens, Lawlor's Hotel, East Cork Oil, Lismore and Cappoquin Credit Union and Bauermann Jewellers.

If any business person is interested in sponsoring any Bord na nOg championship next year, they should contact any of the officers of the Bord in the next few weeks. Some business's might also like to sponsor a new cup for the various championships. Some of the present cups are in a very poor state of repair and are in need of replacing.

Any business person or intervals willing to help out with sponsoring the different championships again are asked to contact any officer of the Bord.

## Referees

Over the past year some new referees have been recruited to officiate at hurling and football games. Although the amount of referees in West Waterford has

increased slightly in recent times, there still is not a big enough pool of referees that the Bord can call upon to take charge at games.

Many thanks to all who took charge of games during the course of the year at juvenile level.

We all hope that you will be making your services available again in 2005. If new referees can be recruited it would make the lives of the present pool of referees easier as they would not be called up on to take charge of games almost every night of the week and maybe twice a day on Saturdays and Sundays.

## Grounds

On behalf of the officers of West Waterford Bord na nOg I would like to thank all the clubs that made their grounds available to the Bord for games during the course of the year and especially when the homeside were not involved in a particular game.

Thanks also to Fraher Field Committee for making the county ground available to us over the past twelve months. A lot of work has been spent on the ground over the past two years developing the playing service and it has proved to be money well spent.

Thanks also to Ollie Drummy for all his help and co-operation with games that were played at Fraher Field.

## Gleeson Cup

The annual Under 16 Hurling

tournament game between East and West Waterford for the Gleeson Cup was played on Saturday last at the Ardmore Club Grounds. Several attempts were made to make this game during the course of the year but each time something was to call a halt to it being played.

Thankfully this important game was eventually played and resulted in a 5-5 to 2-12 win for the East Waterford side. Congratulations to East Waterford on their narrow win.

## New Newsletter

One thing I am very much in favour of is clubs printing regular newsletters and distributing them locally and in doing so letting those who may not be aware within the local G.A.A. club to know of the fine work being done with the juvenile players especially.

The Cois Bhride Club have brought out a number of these newsletters which are very well put together and are full of information. Last week I noticed in the Roanmore G.A.A. club notes in one of the city newspapers that they are putting together a club newsletter.

I have no doubt that in the next year or so more and more clubs will publish regular newsletters allowing as many people know what is going on within the club. Other sports clubs and associations are very good at it so why should G.A.A. clubs and Bord's not latch onto the idea.

## STRADBALLY G.A.A. CLUB NOTES

### Munster Club Championship

On Sunday last our Senior Footballers recorded a one point win over Loughmore-Castleiney in an entertaining game at Fraher Field. We had some well taken first half points from Niall Curran, John Hearne and Stephen Cunningham to lead by 0-4 to 0-3 at the break.

Just minutes before half time we were dealt a major blow when centre back Trevor Costello was harshly sent off.

Early second half points from Michael Walsh and Niall Curran saw us leading by 0-7 to 0-5 before our opponents were awarded a controversial penalty. The Loughmore full forward blasted the ball to the net to lead 1-5 to 0-7 with just 15 minutes remaining. From here on our players showed their character and played some outstanding football with points from George Walsh, Shane Lannon and Niall Curran to run out winners by 0-11 to 1-7. This was an outstanding team performance with every man playing his part. Well done to all involved.

### Munster Semi Final

We travel to Paire Uí Rinn on

## FOURMILEWATER HURLING CLUB NEWS

### BUCKLEY CUP

This year's competition will be held on the 27th of December, which is ideal as all the lads will be off from school, and it will kick start the body again after Christmas. This year's competition will be the same as other years, with four teams of all ages from 12 down to 7. The teams and managers will be announced during the month. Tony Condon has stated that he is quite confident of adding to his title of last year. One thing about Tony...he's always modest!

### A.G.M.

The clubs AGM will be held on Sunday, 5th December at 4:00pm in St. Patrick's Hall. This is our most important meeting of the year, and it's vital that anyone with any interest in the club will attend.

### MR. JEROME RYAN

The area was saddened when we learned of the death of Jerome Ryan after a short illness. Jerome was one of our clubs best supporters. I can't remember a Fourmilewater or Nire match that Jerome and his brother Michael weren't at, and they always backed the Fourmilewater cause. His nephews Aidan and Ronan are permanent players with our teams, and Aidan is a club committee member. Fourmilewater Hurling would like to offer sincere sympathy to the Ryan family, as Jerome himself would say to have a friend, you have to be a friend. May he rest in peace.

### RELEGATION PLAY OFF

There is no date announced yet for our vital relegation play off against either Abbeyside or Ballyduff, but it should be played fairly soon. This is a most important match of the year, as it's very crucial that we retain our senior status, now that the football is finished for another year. They are going to have to get some hurling done. We can avoid relegation, but we will have to train.

INTERMEDIATE FOOTBALL WESTERN FINAL

# Brickeys Are Champions After Second Half Blitz

**Brickey Rangers 4-8 Sliabh gCua 1-6**

Three rapid fire goals in the 39th, 41st and 42nd minutes made this title safe for Brickey Rangers and killed off the challenge of Sliabh gCua who had been a mere point in arrears at this stage.

In fact that halftime score of 0-6 to 0-5 in favour of the Brickey Rangers was a poor enough lead when considering that the leaders had played with the strong breeze advantage in the first half.

But overall the winners were more deserving of the title on the day as they were the better balanced team and played consistently good throughout the game, whereas Sliabh gCua played good at times and then seemed to lose their rhythm. There were periods in the game when the Touraneena side were in control but they did not seem able to maintain the pressure that they had built up in the early part of the match.

**STANDARD**

The standard was very good and leaving out the three goal blitz, it was a most enjoyable contest. Late in the second half an unfortunate accident held up the game for some considerable time until the injured Tony Halpin was treated for a leg injury and was removed by ambulance to hospital. The sportsmanship in the game was excellent.

**PLAY**

J.P. Fitzpatrick opened with a Sliabh gCua point in the 6th minute and the sides were level in the 8th minute when Brickey team captain Olan Casey pointed for Brickeys.

In the 12th and 13th minutes there was an exchange of points involving J.P. Fitzpatrick and Carthach Shaloe Bernard O'Neill put the Brickeys in front from a 14th minute point

and two more were added by Carthach Shaloe and Kieran O'Brien to leave the score 0-5 to 0-2 in the 19th minute. Kieran Hallahan pointed Sliabh gCua in the 27th minute and David Whelan followed with a score from a free in the 28th minute. Shane McGrath brought one back for Brickeys and David Whelan did likewise when pointing a great score just on the 30th minute.

**Second Half**

After 9 scoreless minutes, during which both teams lost chances of scoring, Dermot O'Neill gave the Sliabh gCua goalkeeper no chance when shooting from the side to score the first of the winners 4 goals. Carthach Shaloe followed with another in the 41st minute and within a further minute Tony Halpin had the ball in the net to give the favourites an unassailable lead. The Sliabh gCua defence must take the blame here, but it would be less than justice to the Brickey Rangers to downgrade the quality of the three goals. Carthach Shaloe added two Brickey Points and David Whelan had Sliabh gCua's first point of the second half in the 30th minute. Richard Halpin shot Brickeys 4th goal in the 64th minute and with added on time coming to an end, J.P. Fitzpatrick goaled for Sliabh gCua.

Scorers; Brickeys: C. Shaloe 1-4, B. O'Neill 1-1, T. Halpin 1-0, R. Halpin 1-0 O. Casey 0-1, K. O'Brien -1, S. McGrath 0-1 Sliabh gCua: J.P. Fitzpatrick 1-2, D. Whelan 0-3, K. Hallahan 0-1.

Brickeys - T. Lynch, S. Nugent, J. Sheehan, W. Queally, R. Halpin, D. Hickey, C. Phelan, O. Casey, V. McCarthy, C. Shaloe, F. Nugent, K. O'Brien, S. McGrath, D. O'Neill, T. Halpin. Subs played Conor Fitzgerald, John Byrne, Anthony Murphy Darren Cooney; Sliabh gCua - V. Lonergan, J.

McGrath, J. Queally, W. Power, T. Hickey, J. Fitzgerald, D. Kiely, P. Condon, Q. Hickey, D. Coffey, D. Whelan I. Dunford, A. Fitzpatrick, J.P. Fitzpatrick, K. Hallahan. Subs. John Ahearne, Pa Hallinan. Sean Kerins.

Sliabh gCua's regular goalkeeper John Hallihan was a non starter due to injury.

Referee John M. Kelly, Shamrocks.

**PRESENTATION**

Western Board chairman, Paddy Walsh presented the O'Neill-Harnedy Cup to winning Brickey Rangers captain, Olan Casey.

The new Western champions will now play Guiltier in the county final at Walsh Park in two weeks time.

Brickeys last won the county intermediate football championship in 1986 when they de-

feated Killure/Ballytruckle by 2-6 to 1-3.

They had previously won the same championship when defeating Butlerstown by 2-11 to 0-7 in Walsh Park.

**MISSING NAME**

In the Press Box at Fraher field on Saturday an examination of the clubs listed on the nameplate of the beautiful O'Neill-Harnedy Cup, it was noted that no name was in-

scribed for the year 1981.

Having done a little research, I believe that the explanation lies in the fact that the intermediate football championship in that year was played on an all-county basis.

Ballyduff, west were the county champions. After defeating Roanmore in the county semi-final, they beat Butlerstown in the county final at Leamybrien.

# Thrilling U-21 County Final Ends All Square

Abbeyside who drew with Ballygunner 1-14 apiece in the Co. Final of the Under 21 "A" Hurling championship. —(Photos: Sean Byrne).

### Abbeyside 1-14 Ballygunner 1-14

Every minute of this classic under 21 final was a thriller and could be described as a 'copy book' repeat of the minor county final played between the same clubs two seasons ago. In the end a draw was a fair result as neither team deserved to lose.

It was a result that certainly pleased the neutrals in the very big crowd, regardless of how the two clubs feel about having to do it all over again at the same venue on next Sunday.

Twice during the hour Abbeyside had to come from behind to keep in contention - once in each half. At the end of the first quarter the village team when in arrears by 0-3 to 0-6, hit five unanswered points in a period of supremacy and retained that 2 points lead all the way to halftime.

A tit for tat scoring pattern continued up to the three quarter stage when Gearoid O'Connor shot Ballygunner into the lead with a 47th minute goal. The eastern champions then built up a 3 points lead and they looked to be heading for victory when a 20 metre free was awarded to Abbeyside and with Paul Flynn like fashion, Declan Fives struck for goal to level the match only minutes from the finish.

A free to Ballygunner saw Shane O'Sullivan point them into the lead almost on time and then in time added on Eoin Enright sent over the equalizer to send the final to a replay.

Scorers - Abbeyside; D. Fives 1-4 P. Huney 0-5, P. Phelan 0-2, M. O'Gorman 0-2, E. Enright 0-1.

Ballygunner. G. O'Connor, 1-1, S. O'Sullivan 0-6, T. Power 0-2, M. Power 0-2, J. Kearney, M. Kearney and D. Clifford 0-1 each.

Over the hour, both sides had winning chances, but Abbeyside did seem to enjoy more possession.

Abbeyside - P. Enright, J. Mullen, R. Hanrahan, R. Foley, P. Lynch, J. Kindregan, B. Scannlon, P. Phelan, M. Fives, E. Enright, J. Hurney, P. Hurney, M. O'Gorman, D. Fives, S. Kiely, Sub. T. Murray.

Ballygunner - J. J. Hutchinson, D. Murphy, W. Kiely, S. Walsh P. Carroll, W. Hutchinson, P. Hogan, S. O'Sullivan G. Molloy, G. O'Connor, J. Kearney, T. Power, D. Clifford, M. Kearney, M. Power. Referee John Hunt, Clonea.

### Presentation of Munster Championship Medals

It will be another big occasion when the county hurling panel with their friends, board officers and special guests get together at the Ard Ri Hotel on Saturday night next for the presentation of the Munster championship medals, by the chairman of the Council, Sean Fogarty. The national league runners up trophies will also be presented at the function.

A limited number of tickets were made available for sale to members of the public, so in all it is expected that a number in excess of 400 will sit down at the banquet

### Convention News

The announcement by the county chairman, Paddy Joe Ryan, that he will not be seeking re-election for a further term, having served 10 years in the 'hot seat', came on Friday last when he informed the vice-chairman Pat Flynn, Passage, and who is the eastern board chairman.

This means that Pat Flynn will be the hot favourite to be elected to the office, and in which he can serve for a five year period. It is unlikely that Pat Flynn will be opposed and if it happens this way, there will be a vacancy for the position of vice/chairman.

If rumor is proved to be accurate, there may be another new face on the executive committee. It is pretty well known that financially, the county board had a great season and will end up well into the black.

The date of county convention has again been changed and will now be held on Friday December 17th. at 6 p.m.

### No Phelan Cup Final

The arranged Phelan Cup final involving John Mitchells and Ardmore did not go ahead on Saturday last as Mitchells found themselves unable to field. Ardmore now become the holders.

### KILMACTHOMAS RELEGATED

Kill survived in the relegation battle against Kilmacthomas on Saturday last. This means that Kilmac' who are currently engaged in major development work at their grounds, will play in the intermediate football championships next season.

### Gleeson Cup

This annual tournament involving teams at under 16 level from East and West was played at Ardmore venue on Saturday last and it was described as one of the best finals in the competition for a very long time.

The West 5-5 East West 2-12  
The Western panel was, Aiden Power, Brendan Walsh, Kieran Manahan, Daniel Leahy, Daniel Devine, Kenneth Kearney, Kieran McCarthy, J.J. Devine, Brian Whelan, Stephen Kennefick, Paul Murray, Wayne Flynn, Chris O'Gorman, J.J. Coffey, Padraigh O' Murchadha, Niochlas O' Lonain, Eoin Bracket, Shane Hannon, Jerome Maher, Mark Landers, Declan Coughlan, Tom Feeney, Martin Curran, Niochlas Drohan..

### Abbeyside v. Ballygunner Again

With a repeat of last Sunday's thrilling game expected in the under 21 county final, a huge crowd is once more expected to arrive in time for what may be another classic

Abbeyside's John Hurney with Ballygunner's Wayne Hutchinson during the Co. Final of the U21 "A" Hurling championship.

### Paddy Harnett R.I.P.

Although a "blue blood" Cork supporter, Paddy was a sportsman who gave generous support to several causes and sponsorship here in the GAA. in Waterford. When his native Cork were not engaged, he supported the Deise county.

During his years as a university student in Cork, Paddy was secretary of the UCC college team. He was a GAA man to the backbone. Son Brian won underage championships with Abbeyside. Our very sincere sympathy is extended to his wife Anna, and all the family.

#### SYMPATHY

To the family of Mrs. Mary Griffin, New Line, Abbeyside we also extend sincere sympathy. Donnca and Eamon played and won underage championships with Abbeyside club. May They Rest in Peace.

Michael O'Riordan's Sports Bar in Mary's Street, Dungarvan will be officially opened by members of Glasgow Celtic's legendary 1967 European Cup winning side. Tommy Gemmill, Bertie Auld and Joe McBride, stars of the Celtic side dubbed the Lisbon Lions, will perform the official opening of one of the county's premier Sports Bars.

The Lisbon Lions - a side steeped in footballing folklore - were the first-ever British side to win the European Cup, defeating star-studded Italian Champions, Inter Milan 2-1.

The official opening is part of a three-day 'Celtic Celebration,'

which will include the launch of Dungarvan's first-ever Celtic supporters club, called the Michael O'Riordan Celtic Supporters Club.

### GREAT VENUE

A comfortable bar, which creates a friendly and relaxed at-

mosphere. Michael O'Riordan's Sports Bar is the perfect venue for the three-day celebration.

Allied to its aim of bringing the best in sporting action from around the world to its customers, the Bars three giant television screens feature all the major sporting events from across the globe.

And with this week's opening, it will also bring three of the best sporting personalities to the local area for the first time.

Gemmill, perhaps the most famous of the three, is best remembered as the man who scored the equaliser in Lisbon after the Italian champions took an early lead.

Auld returned to the club after a spell with Birmingham and formed an uncompromising midfield partnership with Bobby Murdoch.

Joe McBride was injured for the Lisbon final, but as Celtic's leading scorer in 1967 season he was a vital component of the history creating Lisbon side.

### SUPPORTERS

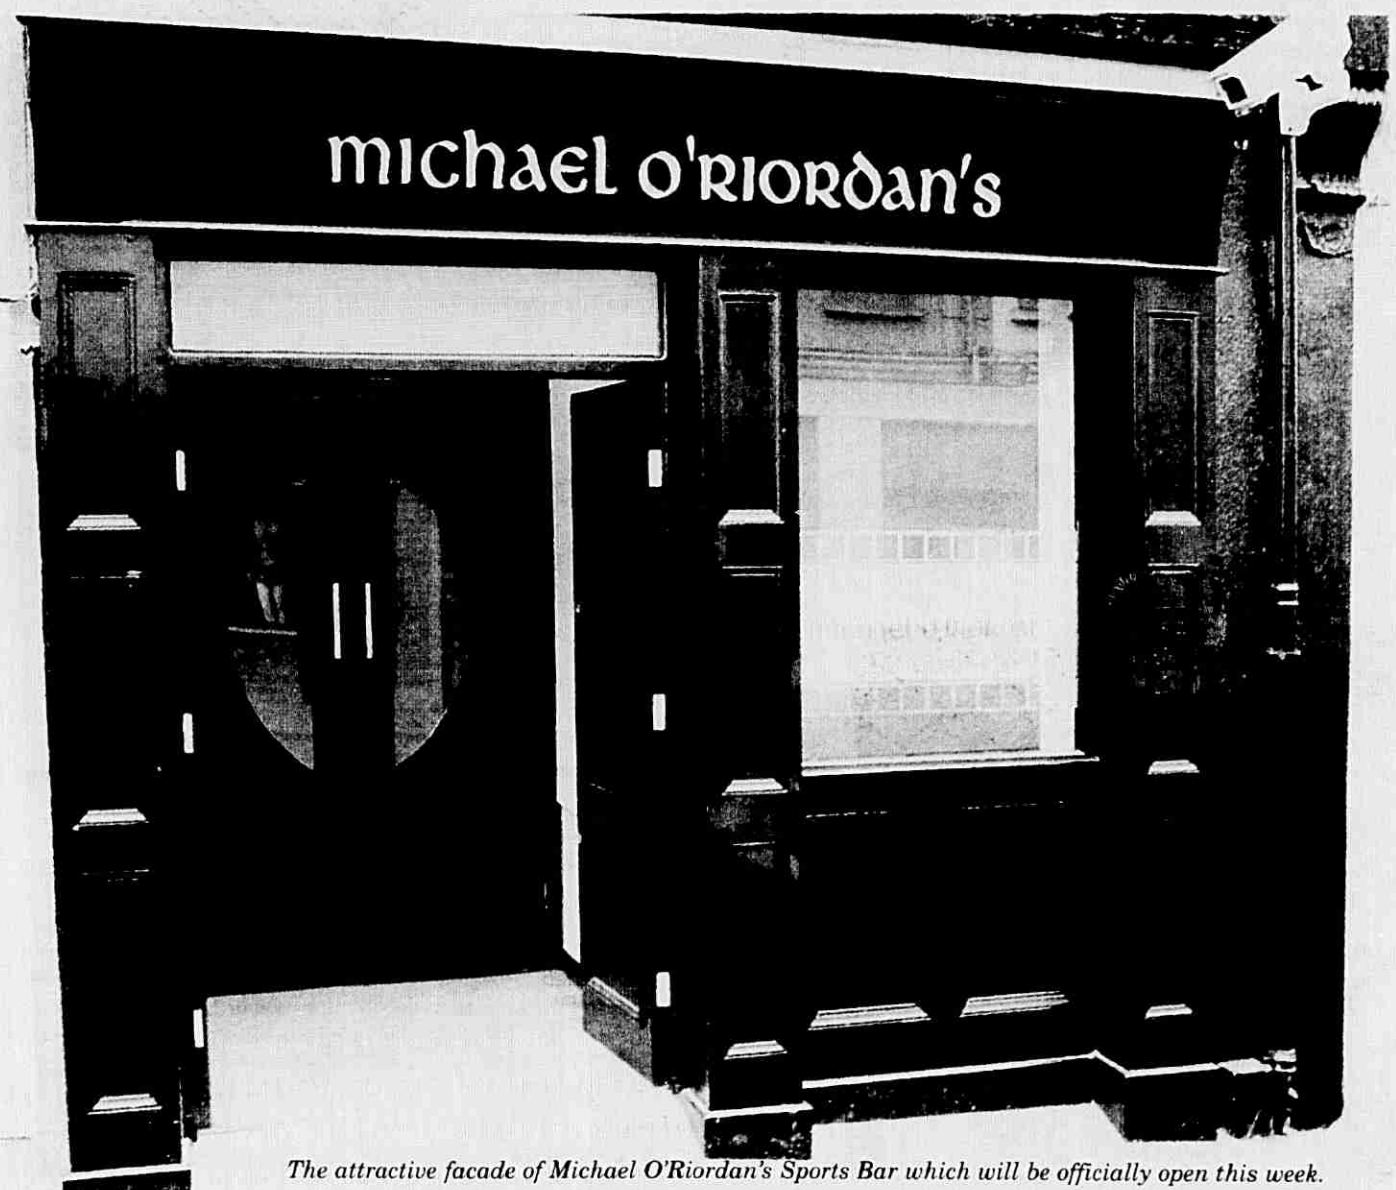

The three-day sporting celebration gets underway Wednesday (today) with the large army of Celtic supporters from Dungarvan and from the surrounding areas set to gather for the feast of football that is the Glasgow derby.

Having already established itself as one of the best pub venues to enjoy football, and whose surroundings help to create an atmosphere among customers, Michael O'Riordan's will probably be the nearest thing to the football terraces.

Afterwards, the three Lisbon Lions will mingle with the crowd and will be available to sign autographs and chat with their many fans.

### OFFICIAL OPENING

Having already gathered the plaudits since first opening in Dungarvan, Michael O'Riordan's Sports Bar promises to continue to build on its success by providing some of the best coverage of sporting events available.

## OFFICIAL LAUNCH OF THE MICHAEL O'RIORDAN CELTIC SUPPORTERS CLUB

Showing Champions League action on Tuesday and Wednesday nights; the new group and knockout stages of the re-jigged UEFA Cup on Thursday nights as well as all the best action from the English Premiership, the Scottish Premier Division and all the other major sporting events throughout the year on its three big screens, it gives sports fans a great venue to converge upon.

Afterwards, customers of Michael O'Riordan's will be treated to music provided by the top traditional group Celtic Storm and the singer/songwriter, Paddy McGuigan.

It's fitting for a Sports Bar that the official opening will be carried out by the three Lisbon Lions, and that by bringing the three legends to Dungarvan, a little piece of football history will have been created by the Mary's Street Bar.

Michael O'Riordan's doesn't just provide the best in sporting action however. The best DJ's and bands from around the county and beyond have made the venue a regular stop.

The Monday night Open Traditional Music Sessions are one of the innovative hits at bar and all are welcome to join in the craic. One of the regular trad groups, the appropriately named Celtic Storm, have garnered a loyal following among music lovers as have other regulars such as Cu na Mara.

But then atmosphere and good craic are qualities that Michael O'Riordan's Sports Bar prides itself on.

### PARTIES

It caters for 21st's, other one-off events as well as annual factory parties and a range of other gatherings.

▲ Pictured above is the comfortable interior of the Sports Bar in Mary Street, Dungarvan

▼ Below is the Celtic Football Club Mural in Michael O'Riordan's Sports Bar making the upcoming 30Day Celetic Celebration in the bar

## TRIBUTE

Proprietor, Paddy O'Riordan and Marion named the bar in memory of their son, Michael, who tragically died three years ago this month, aged just fifteen. Michael was in on the venture from the beginning and passed away four short months after the business became a reality. His memory to all who knew and loved him will live on within his family and in the community and town at large where he contributed so much.

## CELTIC SUPPORTERS

Another quality that's regarded just as important by the management and staff behind Michael O'Riordan's are its links to the local sporting community and to the many sports clubs and organisations throughout Dungarvan and across the West Waterford area.

With this in mind, Friday night will herald into existence the first Celtic Supporters Club in Dungarvan called the Michael O'Riordan Celtic Supporters Club.

The Supporters Club will, for the first-time, bring together the many hundreds of loyal Celtic supporters under the official umbrella of the famous Glaswegian club. Launched by the members of the last Celtic team to hoist the European Cup aloft, the team behind Michael O'Riordan's hope that the members of the supporters club will have another opportunity to celebrate the momentous feat achieved by their beloved club in the not too distant future. At Michael O'Riordan's Celtic supporters, supporters of football and sport in general have a venue bringing together the best in entertainment, in music, and in craic and atmosphere all under the one roof.

## Lismore Have Big Win In FAI Cup

What a weekend of football we had last weekend, but with all due respect to all competing clubs pride of place must go to Lismore for what can only be described as one of the performances by any club from the WWEC League in the blue riband of junior football. Not given any chance by the various scribes and commentators Lismore gave a brilliant display and have now made clubs from other leagues take notice as they are now in the open draw in Munster and will be feared especially if they have a home draw. Goals from David Howard and William Cunningham gave them a half time lead which they held to the final whistle. Southend were favourites and with home advantage could not break down a rock solid Lismore defense. A full report will appear in the Lismore notes suffice for us on behalf of the league to congratulate Lismore and the management team of Noel and Joe for this wonderful result, a result which helps the profile of our league.

In the Bolger Cup Ardmore defeated the reigning holders Valley Rangers in a game the seaisiders were on top especially in the second half while in the Bolger Plate Ballyduff held on to defeat Castlebridge in a 5 goal thriller.

Pictured over are Ardmore (top) who beat Valley Rangers in the Dungarvan Leader sponsored Tony Bolger Cup Final.

## Ardmore Win Dungarvan Leader Bolger Cup Final

### ARDMORE 2 VALLEY RANGERS 0

In a game that failed to live up to expectations Ardmore started the season as they finished last years by winning a trophy, the Bolger Cup (sponsored by Dungarvan Leader). The first half was a dull affair with only a few chances created, mostly by Ardmore and none of the two teams able to take control of the middle of the park. However, all was to change within 40 seconds of the restart when a James O'Donnell free was headed to the net by Anthony Aherne to give Ardmore the lead. Valley attacked looking for an equaliser but the Ardmore defense held firm. On 27 mins a cross from the left wing was cleared by the Valley defense to the edge of the area where it was remaining Valley were awarded a penalty but Conor Hurley saved the spot kick.

Overall the better team won on the day but both sides will have to improve if they

wish to achieve league honours at the end April next.

After the game Joan Bolger presented the Cup to the Ardmore captain Conor McCarthy.

MI. McBride Chairman WWEC complimented both teams for their sporting display and thanked the match officials and the Lismore club for the use of their facilities.

## Inch Advance To Semi Final

**INCH (A) 3 BRIDEVIEW UNITED (B) 0**

The East Cork side Inch advanced to the semi final when they had a convincing home win over Brideview on Sunday morning last. The Inch side were in total command in the opening 45 mins. Indeed they took the lead after just 5 minutes when Declan Barron scored from close range. At the other end Michael Curley had a shot but Mark Murphy got down well to save.

Jim Foley broke through Utd's defence but his shot went across the goal and wide. Andy McCarthy shot wide for Utd after 13 minutes before Sutherland brought off a great save from Trevor Murphy to keep Utd in the game.

Then Inch scored twice in the space of three minutes and Alan Crotty scored both of the goals.

They could have added a few more but Crotty himself and Murphy both missed good chances. The half time whistle rounded and

Inch went in leading 3-0.

The Tallow side were like a new team in the second half. They played as a team and did have a few scoring chances with Paul Kearney, William Curley and Brian Donnelly all going close. By no means was it all one way traffic as Inch's front men of Crotty, Foley and Barron all tested Sutherland in the Tallow goal.

A good win here for the East Cork side who now advance to the semi final.

### LEAGUE RESULTS AND REPORTS

**CAPPOQUIN 8 ACCRINGTON 1**

Played under lights on Saturday night the home side had a very easy win against an understrength Accrington. Cappoquin led by 3 goals to 1 at the break. Scorers for Cappoquin were Jacko Kiely 3, Seamus Veale 3, Pat Sullivan and a Martin Lacey penalty. Labhras Flynn had a consolation score for the visitors.

A good result for Cappoquin who have now collected 4 points from their opening two games.

**BRIDEVIEW 5 KILWORTH 2**

The home side led by 4 goals to 2 goals at the break while the result favours the Tallow side they were made to work very hard for this win. Scorers for Brideview were M. Keating 2 goals, P. Henley, M. Curley, J. Doyle.

Kilworth scorers were T. Seymour, Owen Walsh.

**PINEWOOD RANGERS 3 MOGEELY 2**

At the time of going to print we do not have the goal scorers or match report.

**ARAGLEN 3 BLACKWATER RANGERS 0**

Blackwater played their first game in the first division losing away to Araglen. The home side led at the break with goals from Tom and Paddy Kenneally, James Kearney added a third after the break.

**MODELIGO 0 GORTROE 4**

Gortroe proved much too strong for a young Modeligo side on Sunday morning. Goals from Kevin Lonergan and Leonard Byrne had them in the lead at the break. Byrne and Damien Ring scored in the second half for Gortroe to win convincingly. It was good to see Leonard Byrne back from injury and he will be a big asset to the Oscar Traynor team for the next round.

**GLENVIEW 3 LISMORE 5**

This local derby proved a very entertaining affair with the visitors just the better side on the day. Lismore scorers were Eddie Pollard 2 goals and one each from Ml. Walsh, John Landers and Johnny Russell.

For Glenview Paul McGrath, John Broderick and Eugene O'Brien scored.

**CLASHMORE 2 AN GHAELTACHT 5**

A hatrick from last years golden boot winner Liam Lenane and 2 goals from Timmy Power were enough to overcome the challenge of Clashmore who had goals from Declan Allen.

**AFFANE 2 INCH 3**

Another good result from the Cork side who led 2 to 1 at the break with James Fogarty completing a hatrick. James McGrath and Kevin Reddy scored for the home side.

**INCH A 3 BRIDEVIEW B 0**

In this Liam Fitzgerald Cup game Inch came out on top.

### CONGRATS' TO SOLO HAIRDRESSING

The leagues sponsor Allie Hegarty of Solo Hairdressing opened a new premises in Youghal recently. When we spoke to Allie last weekend he was delighted with the way his premises was going.

The new salon at North Main St. is a Redken Specialist Salon, specialising in cutting, colouring, perming and permanent hair straightening.

We take this opportunity of wishing Ollie the best of luck. Oh Ollie have you anything to make hair grow as many of our committee are losing it at the moment. Joking boys and girls.

### BEST OF LUCK

We take this opportunity to wish Lismore the very best when they play Hibernians of Waterford in the Munster Junior Cup at Lismore next Sunday. The winners play away to Brideview in the next round. The best of luck also to Ardmore who must travel to play Waterford Crystal and hopefully come home with the spoils and add an extra league name to the draw for the next round.

## Cappoquin Defeat Inch In Thriller

**INCH 1 CAPPOQUIN 2**

The opening game of this league took place in Inch on Sunday afternoon last. It proved to be a real thriller with Cappoquin running out winners by the odd goal in three.

The opening half saw the visitors well on top. Cappoquin went in front twenty mins. Into the game when Maurice Collins found David Kett with a great pass. Kett beat his marker before shooting low into the net.

Shane Troy had a rocket like shot come back off the crossbar in the 25th minute but the visitors did find the net a second time before the break.

A corner by Maurice Collins saw Shane Troy rise above the defence but his header was pushed out by the Inch keeper but the inrushing Paul Barry shot home from close range.

Inch pulled a goal back in the second half but Cappoquin held out for the points.

## Great Workout In Cappoquin

The lights shone brightly in Cappoquin on Thursday night last when our Oscar Traynor team took on our Youths Inter League.

It's fantastic to play under lights. Yes, that was the comment from the players after the game. Indeed the managers of both sides were delighted with what was a marvellous workout.

Manager of the Youths side, Ray Fraser was pleased with his charges despite being defeated. It was our first game, stated Fraser and from that point of view I am pleased to get a game under our belt.

**TRAINING**

For all Oscar Traynor Cup panel this Friday night in Tallow at 9 o'clock.

**OSCAR TRAYNOR CUP FRIENDLY MATCH — BIG GAME IN CAPPOQUIN**

Weather permitting our Oscar Traynor Cup side take

on the Cork Shipping League on Tuesday night next. It should be a terrific game as both sides will be playing the second round the following weekend.

The lights are of great benefit to us, stated Paddy Pollard, especially for this team.

Most of the lads train with their own clubs at least one night a week so it gives us a chance to get them matches during the week without disrupting the league programme at the weekends, added Pollard.

This game will be of great benefit to us on Tuesday night as we play Kilkenny the following weekend. It's vital that we get something from that game before we face the Munster Senior League in December.

I would appeal for the fans to turn out on Tuesday night and give the lads a bit of support. They will not be disappointed, stated Pollard. Kick off 8 o'clock.

## Ballyduff Win Dungarvan Leader Bolger Cup Plate Final

Ballyduff (above) who beat Castlebridge Celtic (below) 3-2 in the Dungarvan Leader sponsored Tony Bolger Plate final played in Conna last Sunday.

### BALLYDUFF 3 CASTLEBRIDGE CELTIC 2

By comparison to the Cup Final this Bolger Plate Final was an exciting contest with plenty of goalmouth action and play swinging from end to end.

In the opening half there were plenty of chances to both sides, but no one capable of putting the ball in the net. John Twomey saw his effort go the wrong side of the post with only the keeper to beat, Steve Molumphy hit a post, Chris Hegarty cleared off the line, while at the other end Flynn had to save from McNulty, O'Sullivan while Murphy shot over when well placed. Brendan Hannon gave the village the lead on 30 minutes and in the second half Hannon went on to score twice more for his hattrick, the third goal coming

with 7 minutes remaining and Ballyduff apparently in an invincible 3 goal lead. Barry O'Connell reduced the deficit with a wonderful strike 5 minutes from time and 2 minutes later the ball was scrambled over the line by O'Sullivan.

Ballyduff had been coasting but now found themselves hanging on to a slender goal lead and they were happy when Tom Griffin blew the full whistle. This was a very entertaining game played by two sporting teams.

After the game the Plate was presented to the winning cap-

# CONOR FRENCH ELECTRICAL C.C. LEAGUE

The final round of our Juvenile Cross Country league which Conor French has again generously sponsored this year was run in excellent conditions at the Friary College on Friday. There was a fine turn out of 58 bests. The most impressive of these was Hugh O'Mahoney who improved by 24 seconds after being the only one to run a p.b. in terrible conditions the previous week. Daniel McCarthy continues to impress and ran a fast 7.05 and with more training has the potential to be competitive at the highest level. Declan Palmer and Timothy McGrath both improved by 14 seconds. In the short lap Seamus Fitzgerald and Clodagh Gallagher both knocked in the region of 1 minute off their times and Dominique O'Mahoney improved by 28 seconds. As expected Kevin Harty's team of Elma Nugent, Emer Scanlan, Leanne Herlihy, Cathal Curran and Dominique O'Mahoney came out on top in the team contest from the team of Tom Curran, David Earley, Eileen O'Connell, Eoin Young, Aaron Whelan, Paul Curran and Ciara Whyte.

Patrick Palmer's team held on for 3rd place despite Patrick missing the last two weeks injured. The scoring members were Darragh O'Riordan, Stacey Lyons, Eadaoin Ashe, Malachy Flynn and John Curran.

After all the times were checked and double checked the following were the individual winners:

Fastest Boy U12: Mark Shalloe; Girl U12: Lorraine McCarthy (T); Boy U12: Lughaidh O'Mahoney; Girl U12: Kate Veale.

Small lap - Boy: Patrick Curran; Girl: Shannon Dunford.

Most consistent: Niamh O'Riordan.

Most improved: Shane Nugent.

As can be seen from the results there is a fine spread of prizes across all ages and abilities. This would not be possible without the very generous sponsorship we receive from Conor French. Hopefully Conor will be present this Wednesday evening when we will have our handicap race followed by the presentation of all the prizes at 4:00pm.

A special thanks to Noel O'Doherty, our time keeper who turns up every week regardless of weather conditions and records everyone's time accurately.

# WEST WATERFORD ATHLETICS NEWS

## ALLROUNDER SPORTS WINTER LEAGUE

# Over 300 Pound The Streets Of Dungarvan

**W**e thought the turn out would be big this year for the 11th Annual Allrounder Sports Winter League, but we never realised just how big. The sight was something else to witness when the 300 plus runners made their way from the Dungarvan Sports Centre last Wednesday evening in spring like conditions, with the 2.7 milers making their way up through Childers Est and out the Youghal Road and the six milers heading for the Lookout and over Abbeyside.

At the height of the league last year we saw numbers which we thought would never be surpassed, a record entry of 297 runners took part on the third night then, but last Wednesday we had 311 registered and 304 running on the night, and theres room for

more, so pass on the good news and bring along a friend next week.

### WEAR THAT BIB

Runners of the Winter League are reminded that safety is our main concern and we should all obey the stewards at all times, they are there week in week out doing a great job for our safety, and of course it goes without saying that we must wear a running bib. Remember Albert says no bib no run. Remember also that cars and other vehicles on the road have the right of way as no roads are closed on either of the league routes. Also to those coming down to the Sports Centre by car, if they could try and park away from the Center itself it would alleviate any congestion at the start and finish area. We recommend using the car park at Scanlon's Yard, or the car park at Strand Street or at the Lookout itself, its only a short jog from any of these areas and it make such a huge difference to the smooth running of the event. We also appeal to car users not to park in front of anyone's house around the Quanns area. Your co-operation in these matters are much appreciated by the organisers of the league.

### WINTER LEAGUE STEWARDING

The club wishes to thank all of our stewards who came along last Wednesday evening ensuring a smooth first night of running for the Winter League participants, without your help on the roads it would not be possible to organise the league. The committee are very grateful for your on-going weekly commitment.

### WEEK ONE RAVIS ZAKIS OFF TO A FLIER

Our Croatian friend Ravis Zakis got the All Rounder Winter League off to a flier last Wednesday night clocking a very fast 35.41 over the new look 6 mile course. Ravis, who is working in the locality at present, is an ath-

lete of immense talent, and an International steeplechaser in his home land. Keeping him company on route was another young athlete with a great talent for running Sean Stilwell who was just 2 seconds behind with the ever improving Jason Travers third in 36.17. First lady finisher was Sinead Crotty in 42.38, this was good solid running from Sinead who was delighted to be finishing ahead of brother Gary on this occasion. Others who ran well on the night were Conor Phelan 42.29, Owen Hallahan 44.26, Aisling and Ray Bannon who finished together on 45.21, Paul O Gorman 46.09. There was also an interesting duel which saw Lannen beat Lennon and by just 1 second too, 51.28 and 51.29, we speak of course of Patrick and Pat. We will watch this one with interest. Good to see also our new County and Town Councillor back again this year, Brendan Mansfield, who clocked a handy 47.33 to settle himself back into the League. We also had two of Dungarvan's greats of yesteryear still doing their bit, that's Martin Houlihan 57.45 and Tony Hamilton 57.46 keep up the good work boys. Speaking of former greats another who ran last Wednesday evening was Derek Lyons who still looks in top shape with a very good time of 43.34 for the 6 miles. The league also saw the return to running for many of our marathon heroes and it's great to see that everyone of them seem to have recovered from their exploits in the Capital three weeks ago.

### BRENDAN WALSH MAKES HIS MARK

Brendan Walsh was first past the finishing post in the 2.7 mile run with a great time of 13.55. Again here a super turn out was the order of the evening with 151 completing the run and each and everyone of them are to be congratulated on doing so. At least 70% of these are all newcomers to the league and we welcome them all. Witnessing them all fin-

ishing their first league run you could see the enjoyment and sense of achievement in completing the course — we all say well done. Stick with it, we will encourage and help you anyway we can, the benefit to you in time will become apparent as you become fitter and healthier. The distance you are covering may seem difficult to you at first, but its guaranteed that in a couple of weeks it will seem a doddle — stick to the task, your on a role boys and girls! The Ladies were

led home by Aisling O'Connell in 17.45. The McGraths were in force also with Tina, Ursula and Mary all finishing together around the 30 minute mark. Fiona O'Rourke and Ger Enright are keeping up the good work from the Enrights Eurospar Autumn League and they both completed last Wednesday nights run in 22.56. Helan Fraher made her debut at the league and skipped around in 28.16 just one second ahead of Brian Beatty 28.17. Well done to all.

# WEST WATERFORD ATHLETICS NEWS

## WATERFORD COUNTY MASTERS AND JUNIORS CROSS COUNTRY CHAMPIONSHIPS

# Diane, Deirdre & Sean Take Titles

At the Waterford County Junior and Masters Mens and Ladies Cross Country Championships at St. Augustine's last Sunday, West Waterford took three of the four individual golds on offer and the club had a clean sweep in the team categories. Sean Stilwell, running in his first official outing for our club, won the Junior mens in fine style with Kevin Harty also having a great run to take bronze in this race.

West Waterford's Deirdre Duff on her way to victory in the junior ladies County Championships at St. Augustine's College last Sunday.

Next up was the Junior ladies and here Deirdre Duff took gold, a very dedicated athlete who trains very hard this was a just reward for her efforts. Eadaoin Ashe also competed here and is never found wanting when called upon by

her club she ran very well to claim the bronze. Well done to all. Turning to the Masters Ladies Diane Behan added this title to her recently won Senior title with an easy victory and she is now looking forward to stepping up a gear along with her team mates in Piltown on Sunday next in the Munster Intermediate Cross Country Championships. Second here was Ann Dunford who is improving with every outing with the bronze going to Anne Whelan with Brid Veale and Josie Ui Chuirrin making up the winning West Waterford team. As we said all these ladies will be the back bone of the Waterford team on next Sunday.

The final race of the day was the Masters Mens and here we took bronze individual with Con Kelleher and we also won the team gold with Ray Dwyer (who has recovered from his exploits in Dublin well) Ray was a solid 5th with James Veale 6th, Michael Wade was 7th with Alban O'Donoghue 8th and Tim Foley 9th. Well done to all here for coming along and representing their club on the day. The race itself for the record was won by Waterford A.C.'s Larry Kennedy who just held off team mate John Dalton and Tommy Burns from the city club was 4th.

Winners All — The West Waterford's Masters winning teams at last Sunday's County Championships at St. Augustine's College, Abbeyside. At back (l. to r.) Ray Dwyer, Michael Wade, James Veale, Con Kelleher, Alban O'Donoghue and Tim Foley. Front (l. to r.) Diane Behan, Brid Veale, Josie Ui Chuirrin, Anne Whelan and Ann Dunford.

# 11th Annual Brickey Run And Walk

## NEW DATE — NEW STARTING TIME

This year's Brickey five-mile and three-mile run and walk will be held at the slightly earlier date than usual of Sunday, November 21st with an 11 a.m. start. First held in 1994 this will be the eleventh running of the event, the proceeds of which have always gone to a worthy cause. Thanks to the annual generosity of our race sponsor McGrath's Newsagents, Mitchell St., the organising committee are in a position this year to give all race proceeds to the South Eastern Cancer Foundation. Anyone interested in supporting this most worthy cause can either walk or run the three mile route or the famous five mile canal course. The five mile race category on the day include the individual and weight category, for the men and the tactfully arranged indi-

vidual categories only for the ladies with the top eleven female finishers in the five mile race being catered for.

The winner of the individual mens race will be presented with the Martin Curran Perpetual Cup and the leading lady will be presented with the Jim Lyons Memorial Shield.

Entry fee to the race will be 6

euro and as well as the many categories there will be spot prizes among all the walkers and runners over both distances.

The after race presentation will be held in Bridie Dees, Mary St. and the race facilities will be at Bushy Park courtesy of the Brickey Rangers G.A.A. Club.

Kevin Kenneally winner of Div. 2 at the Enright Eurospar Autumn League, receives his prize from Ger Enright (sponsor).

### ALBERT'S GANG

Albert McGrath has resumed his twice weekly training runs for beginners and improvers from the Dungarvan Crystal Sports Centre on Monday and Friday nights starting each night at 6.30 p.m. sharp. All will be catered for on these runs and all are most welcome. For further info contact Albert on 41661.

## FRIENDS OF WEST WATERFORD ATHLETE OF THE YEAR

# West Waterford Athletes Are Breaking Records Again!

Our annual Athlete of the Year Competition, though only three years in existence, has reached new heights. Entering into the final quarter of the competition the tally of races completed by our athletes has reached an exceptional level. These have been a combination of Cross-Country, Track and Field, 10 milers, the Spring Series, Summer Series, Autumn Series, Marathons and our current Winter League. (Sure what else would you be doing??)

The Winter League and the Cross-Country season will provide ample opportunity for all of you to notch up those extra points. The competition carries on until December 31st so don't go hanging up the runners just yet.

Ann Dunford remains at the top of the table and fresh from their marathon debut we have the Ring duo of Josie and Pat taking second and third place respectively. Just like she does in the races, Corinna Walsh is making her way nice and steady through the pack to currently

hold fourth place while the 2 lassies from Portlaw, Judy and Diane are looking very promising as well. Not forgetting our male athletes, those keen "observers" of the competition will note that Michael Deegan is a strong candidate or maybe it will be the man from the Kingdom, Johnny O'Connor? As they say it's anybody's game.

The table below shows the positions at the moment and include all races up to and including last weekends masters cross country in the Friary.

Ann Dunford	63
Josie Ui Chuirrin	60
Pat Morrissey	57
Corinna Walsh	49
Judy Hanrahan	48
Diane Behan	47
Johnny O'Connor	46
Michael Deegan	45
Connie Kelleher	44
Anne Whelan	44

## SEAMUS SAYS THANKS

Seamus O Droma through our club notes wishes to thank all his club mates and friends who organised and came along to his surprise party recently, a great night was had by all and the best kept secret in the club stayed a secret as Seamus was totally overwhelmed with the turn out and the large gathering that turned up and surely wouldn't they considering the amount of runners who were part of his Dublin training group this year and indeed over many years past. Seamus also asks us to pass on a message to his crew, the party is now over and its high time to get back training, remember a good solid winter sets you up for later in 2005 and he would know?

# WEST WATERFORD ATHLETICS SNIPPETS LOCALS PERFORM WELL IN NEWYORK MARATHON

West Waterford AC was well represented in the big one last Sunday, we speak of course of the New York Marathon, held in excellent conditions for this time of year in New York. We had plenty of local interest in the event. Our club road racing co-ordinator who can be regarded as a New York Marathon regular at this stage as he completed his 6th marathon over the hallowed course last Sunday, finishing in a time of 3.13.43. This gave Gerry an impressive 1,085 finishing place overall. Fellow club man Billy Maguire also performed well clocking 3.28.46, another local runner was Liam Mc Donnell who running his first Marathon finished in a time of 4.26.28, well done boys.

## PAULA BOUNCES BACK

Paula Radcliffe bounced back from her Olympic disappointment in the most dramatic of circumstances when she won the New York City Marathon in the closest finish in the race's 35-year history.

The 30-year-old Bedford runner, who dropped out of both the marathon and 10,000m in Athens in August, beat the Kenyan Susan Chepkemei by just four seconds following a thrilling finish in Central Park.

An estimated crowd of 2.5 million lined the 26.2 mile course from Staten Island to Manhattan and were treated to the sight of Radcliffe re-establishing herself as the World's best female distance runner just 77 days after her meltdown in the Greek capital.

After running side-by-side, stride-for-stride with Chepkemei for the final five miles, Radcliffe finally launched a stinging kick 200m from the finish.

Radcliffe's time was 2:23:10 and victory means she has won all four of the marathons

she has completed, including setting the World record in London last year. But this was by far her toughest, having decided to run only at 12 days notice and also having to deal with the pressure of proving herself again. Radcliffe had been the overwhelming favourite to win a Gold medal in the marathon in Athens but dropped out three-and-a-half miles from the finish and then five days later she also failed to complete the 10,000m.

But you can now start spreading the news. Paula Radcliffe is back.

Hendrick Ramaala won the mens race in 2.09.028 from Meb Keflezighi 2.09.53.

## SPEED TRAINING SESSIONS

Please note all those taking part in Tony's speed sessions that this Thursday the group will travel to the track in Waterford, meeting at the Park Hotel at 6 pm and on Tuesday next the group will meet at the Crystal Centre at 6.30 p.m.

## CLUB MEMBERSHIP

The club membership has been set for the coming year and is still only 20 Euro. This is great value for anyone locally interested in running and we invite everyone who wishes to come along and join the country's biggest running club. For those taking part in the Winter League it's an ideal opportunity as the league each night is 3 Euro for non members and 2 Euro for members. Over the 16 weeks of the league you would have the membership saved by only having to pay 2 Euro each night if you join now. This also covers your insurance's and by joining now you get a bonus of having the next two months free and would be a member up until December 2005.

## SYMPATHY

Sincere sympathy is extended to the Lenihan and McCarthy families on the death last weekend of their mother Mrs. Mai Lenihan, Western Terrace. May she rest in peace.

ARCHERS NOCKED  
AND READY

## Deise Archery Club Notes

### ROVING MARK ROUND 4

On Sunday last we held another round of our Roving Mark Shoot. The conditions for this shoot were ideal and a good crowd made for a most enjoyable morning. With one shoot left after Sunday it was vital that those in the Hunt for the title of Roving Mark Champion picked up valuable points.

While the conditions were ideal the course organisers set out a really challenging course which kept everybody's score low for the day. After the first few marks it was clear that this round was going to be a closely fought affair. Stephen Dunford and Ben Brittain got off to a flyer and after three marks both Vinny O'Donnell and Michael Power had also joined in the hunt for top spot. Current overall leader Kevin Power however just wasn't out of the blocks and it wasn't until mark six until he registered a score. At the half-way point it was clear that today's winner was going to come from a breakaway group of five.

Michael Power on 15 Vinny O'Donnell and Ben Brittain on 12 Young Ryan Duggan who had scored a perfect ten on Mark No.5 and Stephen Dunford on 9 had left the rest of the pack in their wake. The terrain at this stage was causing some problems with arrows being lost in the ditches and briars indeed as we reached the end of the course some archers were down to two, one and in some cases no arrows in their quivers. As the Archers went into the Final Mark it couldn't have been closer Vinny O'Donnell and Stephen Dunford were tied on 19 with Michael Power on 18. This was it; the morning's shoot had come down to the final mark. This was a difficult shot over a line of trees to a flag that was close to a ditch. This is one where you under-shoot you end up in the trees over-shoot and you end up searching in the bushes. Only one of the three leaders managed to score on the final mark. It was Vinny O'Donnell who, at this stage was down to two arrows, managed to get a vital

single point, to take the mornings honours.

Not only did Vinny win this leg of the Roving Mark competition but also regained the overall pole position from Kevin Power and now has a ten-point lead over his nearest rival.

So the leader board looks like this Roving Mark Perpetual Trophy Leader Board

Running Total	
Vinny O'Donnell	82
Kevin Power	72
Carl Geoghean	67
Michael Power	67
Stephen Power	59

Bob Greaney 46

Henry Hurton 44

Stephen Dunford 38

Robert Greaney 37

Ray Ferris 32

Dan Doyle 22

Liam Power 20

The final round will be shot before Christmas to decide the winner of the Roving Mark Perpetual Trophy.

Our thanks to Henry Hurton for the use of his land for last Sundays shoot, greatly appreciated.

Last week saw another round of fixtures completed in the u12 league while at u16 level new boys Mogeely gained another valuable point with a draw against Cappoquin. In the Inter League games played in Middleton on Sunday last, the Cork Schoolboy League as expected proved too strong in both the u14 and u16 games but our boys played their hearts out and tried their very best. In the u16 game the Cork Schoolboys who are coached by Cork City were stronger and fitter and as a result were in control of the match scoring four goals in each half. In the u14 game the Cork side which were Kennedy Cup runners up last year were made to work very hard for their win. They led 3-0 at the break but in the second half they only added one more which speaks volumes for the hard work the players put in. These teams will have further games in the weeks ahead and they can take encouragement from these displays, as taking part at this level is important if the players are to develop further.

**Notes**

Last Sunday we travelled to Conna. to play Castlebridge in the plate cup final.

From the start the game was played at a very high tempo, and mid-way through the first half Brendan Hannon put us in front.

That's the way it stayed till half time. In the second half we began to take control, our mid-field were on top, and when Brendan Hannon made it 2-0, it was no surprise. Brendan completed his hat trick with 10 minutes to go. We thought it was going to be an easy 10 minutes to play out, but Castlebridge got 2 goals in that period, and were unlucky for the equaliser. Final score 3-2 to ballyduff.

This was the first time ballyduff have won this competition. James scannell accepted the cup on behalf of the team.

Team: D. Flynn, P.Molumphy, J. Scannell, M. Drislane, A. Martin, B. Kearne, S. Molumphy, S. Feeney, D. Twomey, B. Hannon, J Twomey. Subs. used, P. Kearney, J. Corcaran, Jamie Kearney. We had 19 players toged out last Sunday.

Our first league game is next sunday, check paper for details.

What a disappointing result for such a brilliant performance by the ladies. Both teams were evenly matched with no score scored by either side at half time. It was even Stevens with 10 minutes to go, when Highfield scored a try from a penalty in the Dungarvan end. Dungarvan put up a wonderful display of rugby, forwards and backs performed to their full potential. This was an excellent game for Dungarvan against such a strong Highfield side.

We are playing this side again in two weeks time and we will hope to reverse the score!

**Fixtures**

Sunday 24th October is our next game. We have a well deserved rest this weekend. We are at home against Highfield on the 24th. Time yet to be fixed.

**Race Night**

Friday 17 th December is the night set for our up coming race night. We hope that all our ladies are busy securing sponsorship and selling horses.

**Training**

Training continues each Monday and Thursday @7.30. Please be on the pitch for 7.30. All new players are welcome.

Left to right: Billy Keohane, Trevor Walsh, Josh Organ, sponsor of match ball.

On Sunday last saw the meeting of first place Carrick play second place Abbeyside in this all important encounter at Dogleaf Park. With 3 points vital for both sides, Abbeyside started the better with 15 minutes into the game Walsh played a great ball forward meeting the head of Mulhearn who flicked it into the path of Power who drove the ball past the Carrick keeper. Within minutes Carrick equalised with Mulhearn, Keohane, Jordan (Bros) Walsh, Joy controlling the game. It was very hard to see where Carrick's second goal was going to come from. With 5 minutes left until half time Walshie crossed the ball who found the head of Mulhearn who headed past the keeper. The second half saw Abbeyside get stronger and who else but the hitman himself

Power to score no. 3 with the introduction of Burke whose clever play found Ferncombe who beat 4 of Carrick's defenders to score Abbeyside's fourth. The final score Abbeyside 4 Carrick 1.

Man of the match Jim Mulhearn.

PS Abbeyside are now the new leaders of division 3.

St. Joseph's were the visitors to Dogleaf Park on Saturday to play a very understrength local team. A lot of Youth on the Abbeyside team on the day they played very well, with an

excellent goal from Shane Delahunty put the home side 1 up. Joseph's got a goal back and then saw one of their players sent off for a two foot challenge on Drummey. Abbeyside got their second and well deserved goal from Diarmuid Sheehan, Shaun Sheehan, Shane Duggan, Podge Drummey, Richard Ferncombe all working hard for the 3 points. Joseph's then got the equaliser to make it 2-2. With only 10 minutes left Abbeyside got there and we'll credit that one to Blobber even if he was in goal. With only seconds left they levelled to make the final score 3-3.

Man of the match Shane Delahunty.

**SPONSORSHIP**

Thanks to Josh's Barber Shop, Abbeyside who kindly sponsored a match ball to Abbeyside A.F.C.

**SECOND DIVISION**

Our second division team took on neighbours Rathgormack in Currabaha Park on Saturday afternoon last but succumbed to their second successive league defeat of the season. Rathgormack started brightly and were rewarded after 20 minutes when they scored from a free-kick from the edge of the box.

They could have made it 2-0 before half-time when they were awarded a penalty but the spot-kick was driven wide of the post. Kilmathomas piled on the pressure in the second half but a strong Rathgormack defence could not be breached and the final score remained 1-0 to the away team. Team: David Kirwan, Paul Flynn, Adi Kirwan, Danny Kennedy, Danny Walsh, Sam Battye (Keith Mulcahy), John Cleary, Michael Kirwan, Mark Mears, Martin Coffey, Pat Weldon (Micheal Veale).

**CELEBRATION NITE**

The club hosted a very successful seventies celebration night in Kirwans Lounge Bar recently. A big crowd attended, many in full 70's regalia, and all enjoyed the event. The club would like to thank Kirwans for the use of their premises and refreshments. Paddy Mulhearn who did an excellent job as D.J., Londis Supermarket who sponsored the top prize (which went to David "Shaft" Kiely) and the ladies who sold the raffle tickets on the night.

**SEAVIEW SUPER DRAW**

We had three winners in the recent Seaview Super Draw. Congratulations to Mary Coleman, High Road, who won a dishwasher, Darren Mulhearn, Mahon Bridge who won 125 and Micheal Lenihan, Ashtown who also won 125. The next draw takes place on Saturday

20th November in Shefflins Bar, Waterford with Crusaders A.F.C. being the host club.

**NEW ARRIVALS**

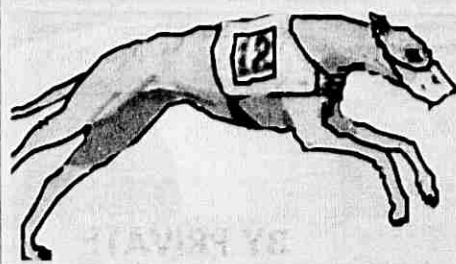

Congratulations to Johnno and Maggie Power, David and Jacinta Whelan, Jossie and Tara Power and Tom and Eleanor O'Connell on their recent new arrivals. People have enquired if there is something in the Alaska water!

FRIDAY, NOVEMBER 5TH

## A Four Timer For Frances

County Tipperary trainer Frances O'Donnell had her runners in cracking form in Kilcohan Park last Friday night where she sent out four winners on the eleven race all graded card. More about this achievement later on as we commence our review with the opening race on the card where all six runners made their debut. With Lorimer keeping wide on the run up badly hampering Deportivo the Marian O'Byrne owned Two Amigos (Rutland Budgie-Devils Wind) 6/4 enjoyed the proverbial Friday night solo up the rails leading early on from Bawndaw A Veen before sluicing in seven lengths clear of a running on Deportiva in 29.74.

Track new comer Marlfield Jane (Come On Lleyton-Marlfield Molly) 3/1 opened her account in the second event for Clonmel owners Richard Brannigan and Patrick Brady scampering into an early lead over the pack and when the 6/4 favourite Tanyard Reef ran into second bend traffic problems Marlfield Jane extended her lead and while Milltown Flight made eye catching late headway Marlfield Jane prevailed by a length in 29.49.

The Oliver Flynn owned Fitzzy Legend (Droopys Woods-Honey Pie) 2/1 to 4/6 was the best backed runner in a two bend dash and taking a flier from trap six Fitzzy Legend never gave his supporters an anxious moment cruising to a five lengths success over Cotton Pip in a best ever 16.41.

Threerocks Jet set the pace in the fourth event but after taking over in the lead between the final two bends Newline Spice appeared poised for victory until the Bernard O'Brien owned and Michael Casey trained Marnell Return (Larkhill Jo-Roe Valley Way) pounced close home this 3/1 shot getting up on the line to short head Newline Spice in 29.47.

The first of the Frances O'Donnell trained four timer came in the fifth contest as her own Toss Right (Rapid Ranger-Toss Twilight) 3/1 grabbed a first bend lead from the fast starting but wide running Bracklyn Lady and while Cooladerry Jet stayed on out of the pack Toss Right came out on top by a length in 29.27.

Victory number two arrived courtesy of the Stephanie Maguire owned Daring Affair this even money favourite opening his account at the second time of asking in 29.39. Led to halfway by Express Girl Daring Affair (Droopys Vieri-Seskin Daisy) eased his way past Express Girl and staying on nicely the favourite went on to beat Express Girl by a length.

Victory number three arrived via the Matt O'Donnell owned The Other Glory this March 2003 whelp causing a mild surprise when scoring at odds of 5/1 in 29.65. Everyones Dream the 1/1 hot pot was hampered on the run to the first bend by a rails seeking Reaper and while The Other Glory was only moderately away from trap four she tracked cleverly around the opening two bends to lead on the rails. It proved all so easy for the favourite from that point on as she came home five and a half lengths clear of Everyones Dream. The winner is a daughter of Larkhill Jo and The Other Daisy.

6/4 favourite Dog Father (Larkhill Jo-The Other Lucy) completed a magnificent four timer for trainer O'Donnell when hacking up in the tenth contest in a best ever 29.05. Accelerating into a back stretch lead over the fast starting Gotcha the Bakers Thirteen Syndicate owned Dog Father found himself in splendid isolation up front cruising to a ten and a half lengths win over Gotcha.

Stage Joey was installed the 6/4 favourite in the seventh event and despite a stumble on the back stretch the Paula and Colette Hoban owned runner won a shade cosily in 29.66. Led early on by Fine Cut a prominent Stage Joey appeared to run into the back of the leader on the back stretch and while Fine

Cut suffered most Stage Joey bounded into the lead to run out a two lengths winner over Fine Cut.

All Shook Up 1/1 was yet another winning favourite in the ninth contest doing the business in 29.18. Well suited to his outside draw the Maureen Lehman owned and Tommy O'Brien trained All Shook Up (Larkhill Jo-Lovely Machine) glided into a back stretch lead from the pace setting Anfield Oscar and while a slow starting Airmount Merry finished with a flourish All Shook Up was gone beyond recall obliging by three and a half lengths.

The fastest time of the session arrived in the final race of the night as the Declan Byrne and Catherine Tuohy owned and Catherine Redmond trained Windgap Whitey (Honcho Classic-Windgap Chick) 2/1 made sound use of his early pace to lead all the way in a smashing 28.73. Strongly pressed for the lead on the backstretch by both Take Me Back and Fallon Factor Windgap Whitey repelled all raiders to defeat a running on Mauritius King by two lengths.

SATURDAY, NOVEMBER 6TH

## Valentia Citrate Ran A Smasher

Kilcohan Park, Waterford housed its largest attendance of the year last Saturday night for the 2004 Michael Meade, Bookmaker, Masters Invitation 550 yard race and this much talked about event lived up to all our expectations as the Euro 20,000 to the winner event produced the perfect result as the Maurice Jackson and Tom Smyth owned and Frances O'Donnell trained Valentia Citrate ran the race of his life over the 550 yard trip to set off a frenzy of excitement and jubilation. At the request of the sponsor the draw was made approximately twenty minutes before the showcase race and it and the subsequent starting prices resulted as follows.

1 World Class	10/1
2 Mineola Farloe	5/2
3 Droopys Cahill	5/1
4 Valentia Citrate (W)	10/1
5 Tomsheaboy (W)	6/1
6 Geldrops Touch (W)	5/2

Coming out of the first bend only four dogs really counted as both Tomsheaboy and Geldrops Touch were involved in an early bumping match. Droopys Cahill displayed plenty of early pace to lead from Mineola Farloe but a huge roar went up as Valentia Citrate (Larkhill Jo-Ullid Citrate) moved into third spot. Driving up the inside Valentia Citrate was soon in command and Late Late Show's half brother who captured the Masters Trial Stake a week earlier powered clear up the home stretch to beat Droopys Cahill by three and a half lengths with World Class back in third. Time 29.74.

The Ray Harney bred Valentia Citrate was a welcome 10/1 winners for the layers as the results in the first half of the session went in favour of the punters.

A previous winner at Clonmel in 30.10 the St Columbus Syndicate owned and Paul Kiely trained Leddin Finance (Toms The Best-Woodville Lady) justified favouritism with a smooth 28.92 success in the opening race of the session. Portlaw Rebel and Arrigle Lark disputed the early running but sweeping into the lead on the wide outside Leddin Finance was soon in the clear bounding right away for a convincing ten lengths win over Jammy Devil in 28.92.

Trainer Frances O'Donnell continued her good run at this venue sending out the Noel Clifford owned Ardfert Billy (Split The Bill-Lizzie Fitz) 1/1 to a hard earned but fully deserved 28.81 victory in the final of the Tote Retention 525. Crowded on the run up Ardfert Billy looked to have it all to do early on as he lay a moderate fourth behind the early leader Terrys Boy who

showed the way to Fyvush Finkel. While this pair were having their own private battle up front Ardfert Billy began to weave his way through the pack like a snake through grass and producing an eye catching late surge of pace the jolly got up close home for a half a length win over Terrys Boy in 28.81.

Returning after a layoff the Pat Morrissey owned Pet Shop Honcho (Top Honcho-Pollerton Lass) 2/1 made short work of the opposition in the third contest leading all the way in 28.91. Finely tuned for this assignment by trainer Jimmy Scully a fast starting Pet Shop Honcho powered into an early lead over the close running pair of Forans Fancy and On Stage Lucky and maintaining a strong gallop at the head of affairs Pet Shop Honcho drew clear to defeat On Stage Lucky by four and a half lengths.

Bright young trainer Denis Fitzgerald together with his wife Catherine kindly sponsored the final of the Caden Kennels 550 yard event, which carried a winner's prize of Euro 1,750. The PD Band owned Decoy Lakes (Roanoke-Ballinaboola Lil) 5/2 broke smartly from trap two to lead from his kennel mate Whiteys Twincam. Trained by Nick Turner Decoy Lakes was joined over the final two bends by a free flowing Lady Climber. Disaster however struck for Lady Climber on the outside, as she appeared to stumble and lose her stride. This left Decoy Lakes in control once again as he went on to beat a fast finishing the Other Rocket by a length and a half in 29.97.

Nick Turner was represented in the final of the Bookmakers 29.30 event by the Robert Bennett owned Banner Vieri. Sent off the hot 4/7 favourite Banner Vieri led around the first turn from I Wont Tell and while the latter gave of his best in second spot there was no catching Banner Vieri (Droopys Vieri-Shes Okay) who won out by a handy four lengths. Time 28.81.

We stepped up to six bends for the final of the Bookmakers marathon which produced an impressive winner in the shape of the Davy McDonald owned and Ann Guilfoyle trained Kilcarrig Molly this February 2002 daughter of Toms The Best and Kilcarrig House doing the business nicely in a brisk 40.73. Led early on by Kiltrea Merrick Kilcarrig Molly 7/4 took over in the lead off the fourth bend and while Mikes Hero looked a big threat down the backstretch Kilcarrig Molly kept finding more throughout to triumph by two lengths.

Those dogs on the periphery of the Masters Invitation event were catered for in the Michael Meade and Tote Retention Masters purse over 550 yards, which carried a handsome first prize of Euro 5,000. Munster Oaks winner Abbesside Blonde went up fast to the corner but as they levelled out on the back stretch He Said So and Ballyquin House joined issue up front. The Jimmy Hennessy owned and Timmy O'Donovan trained He Said So (Top Honcho-You Said So) 7/4 forged to the front on the run to the penultimate turn but he was quickly followed by a wide running Tyrur Ted. He Said So was in no humour to lose this one however and he stayed on well to defeat Tyrur Ted by a length and a half in a smart 29.69. How the connections of Tyrur Ted must rue their decision not to seed their charge wide after this performance. After the Masters final some light hearted banter took place between the connections of He Said So and Valentia Citrate about a match race and if this ever came to fruition Kilcohan Park would house yet another massive attendance.

Paul Kervick kindly sponsored the Nicky Kervick Memorial sprint and overcoming the trap one hoodoo the Paul Harney owned and Jimmy Scully trained Tinlough Mick (Honcho Classic-Ta Faillte Romhait) 7/2 displayed plenty of early dash to corner in front of Digidyhotdog before running out a well deserved three lengths winner over Run For Myles in a speedy 16.17.

The Eyeman 525 kindly sponsored by Gerard Kervick, Health Care Ireland produced a worthy winner in the shape of the John Fitzgerald and Pauline Corcoran owned Tinross Star (Droopys Vieri-Making Merry) this Phil Gough winner impressing all present with his no nonsense 28.66 success. Displaying plenty of early pace up the middle Tinross Star soon had his rivals in big trouble and sprinting clear down the back Tinross Star 2/1 came home eight and a half lengths clear of Squad Member.

And so the curtain came down on another Masters event at Kilcohan Park. Great credit is due to the Sponsor of this year's event Michael Meade, Irish Greyhound Board's Commercial Manger David Morgan and all the Staff in Kilcohan Park on a job well done. The race card itself for the night was also of a very high quality. Lets hope we have plenty of more good nights in Kilcohan similar to last Saturday night's affair.
