BUREAUCRACY GONE MAD!

Wording Of Refuse Waiver Scheme 'Discriminatory'

BY KEVIN KIRRANE

A Fianna Fail councillor called for the wording of the refuse charge waiver scheme to be changed after two senior citizens were refused free bin collections because they did not have an old age pension book.

Speaking at the July meeting of Dungarvan Town Council, Cllr. Nuala Ryan said a 68 year old widow and another 68 year

old man on invalidity were refused the waiver because of the wording of the scheme.

The waiver scheme, which has been run by Dungarvan Town Council for a number of years, allows old age pensioners who are living alone to have their refuse collected for free.

Cllr. Ryan who originally proposed the scheme, said the problems which have now

emerged means it must be changed.

"A widow of 68 years living alone has been refused free bin collections because she has not got an old age pension book. Also a person on the Invalidity pension who is also 68 years old has been refused," she said.

"I am calling for the wording to be changed, so that any per-

Council Meet Garda Supt Over Anti-Social Behaviour

BY KEVIN KIRRANE

A Dungarvan Town Councillor became the latest victim of anti-social behaviour when his car was vandalised outside his home.

Sinn Fein councillor Brendan Mansfield told the July meeting of the Town Council that both his car and that of a local publican had their windows smashed in while parked on Sexton Street in Abbeyside.

It comes as Dungarvan Town Council finalised arrangements for a meeting with new Garda Superintendent, John Harnett.

The Town Council will raise concerns about public drinking and anti-social behaviour in a number of areas around the town.

Raising the issue, Cllr. Micheal O'Riordan said people are now afraid to go into Walton's Park because groups are congregating and drinking from 5 o'clock every day.

"It used to be the case that they started drinking after 7 or 8 o'clock," Independent councillor Michael O'Riordan said. "But it's the case now where groups are in there from 5 o'clock in the evening.

"People of my own age and

COUNCILLOR LATEST VICTIM OF VANDALISM

older, are now afraid to go inside there."

Councillor Mansfield said a solution to public drinking and anti-social behaviour must be found by working with the Gardai, publicans and off-licence vendors.

He said groups were drinking in the park throughout the day, and others were drinking behind the Moresby buoy.

"A number of cars in Sexton Street were also vandalised," he said, "including my own. A car owned by a local publican got a right doing. All the windows were put in."

He called on off-licenses to stop employing "children" to serve drinks.

"I know I'm going to be criti-

cised for saying this, but they can't say it's not going on because I know of a number of places where it's happening.

"There's no point having children serving in an off license. They are intimidated when someone of their own age comes in."

Calling for a meeting with the vintners, he said, "we have to solve this by working together."

Meanwhile, the Town Council is considering the option of building two houses on a green space at Kyne Park in a bid to stop youths congregating in the area.

A date for a meeting between Supt. John Harnett and the Town Council was set for the 28th of July.

Work On Cappelquin Warning Lights Must Begin

- **CLLR. NORA FLYNN**
By Kevin Korrane
Fine Gael councillor, Nora Flynn, said flashing amber safety lights must be put in place outside Scoil Gleann Sidheann in Cappelquin before the start of the new school term.
Funding for the safety measures was secured last month after the Department of Community Affairs approved an application from the county council. The application was made on foot of Cllr. Flynn's notice of motion last year, which was seconded by Cllr. Wilkinson.
Cllr. Flynn said she had hoped when she put forward the motion last summer that the safety measures would be in place by September.
And she warned: "I hope I won't be sitting here in September discussing this again. It's important that these lights are in place before the new term starts."
Meanwhile, Cllr. Flynn earlier described Cllr. Wilkinson's claim, in a recent newspaper report, to have proposed the safety measures, as a "cheap stunt."

LIVEWIRE

Pictured before the rock concert in Ballinroad Hall recently are some of the "stage hands" and the group "Livewire". The concert was a fundraising event in aid of the Dungarvan No Name Club. Livewire very kindly donated their time and musical talents for free. The adult committee and members of the No Name Club are very grateful for this generous gesture. All monies received from the concert will go towards funding other events for the No Name Club.

Thanks to Mary Stack for printing the tickets and doing the door on the night of the concert. To Eddie Stack and John Collender for doing the electrics and lighting. To Deirdre Collender for doing the sound. To Donal Cregan (NNC) for doing a wonderful job as M.C. To Fr. Keogh (Abbeyside) for the use of Ballinroad Hall. To Connors' Shop (Ballinroad) for providing the mineral bar. Finally a very big thank you to the group Livewire — comprising band members Shane Collender, Maurice Dunford, Barry Moore and Ross Stack.

Photographed recently at the Livewire No Name Club rock concert are (from left), Eileen O'Shea, Stephen Collender, Deirdre Collender, Mary Stack, Ross Stack, Shane Collender, Michael Dunford (NNC), Donal Cregan, Maurice Dunford, Barry Moore, Eddie Stack, Liam Moore. Missing from photo are John Collender and Joe Moynihan

ACTION NEEDED ON BALLINROAD REPORT

By Kevin Korrane

A report on unsafe junctions, pot-holed roads and a lack of public lighting in Ballinroad will be completed by the September meeting of Waterford County Council. But raising the issue at the council's recent meeting, Cllr. Billy Kyne said action must be taken in the short term. A medium and long-term solution then can be drawn up. Despite being one of the fastest growing areas in the county, a catalogue of problems exist and the area suffers from a serious infrastructure deficit. Cllr. Kyne compiled a 23-point list of unfinished work by developers and roads, which need to be upgraded by the county council at the May meeting. "New houses are planned for Ballinroad," the Labour councillor said. "I'm not happy that housing would be put there unless this work is carried out." However, Director of Services, John O'Flynn said no work is likely before the September meeting, when a report will be drawn up.

County Has Highest Planning Refusal Rate

By Kevin Korrane

Waterford County Council refuses planning permission for a higher percentage of applications than any other local authority, it has been claimed. Fianna Fail councillor, Kevin Wilkinson, who was speaking at the July meeting, said the figures were "frightening if true." According to figures published in the national press, 20% of applications are refused planning permission - the highest percentage of refusals in the country. Director of Services, Denis McCarthy said it would be inappropriate to comment as he was unaware of the report.

Clonea's Public Toilets Are A Disgrace

By Kevin Korrane

The public toilets serving one of the county's leading tourist destinations are in an disgraceful condition, Waterford County Council's July meeting heard. Fine Gael councillor Damien Geoghegan said the run-down state of the public toilets and the outside tap serving Clonea beach is evidence of the local authorities lack of investment in the area. Cllr. Nora Flynn (FG) said community and development charges should be used to improve the public toilets at Clonea. Director of Services, John O'Flynn acknowledged that the toilets were not perfect but said a lot of money had been spent since they were vandalised two years ago.

The Humble Potato

The potato was first planted in this country in the 16th century by Sir Walter Raleigh, and quickly became the nation's staple food. But there is more to the humble potato than many people realise.

When cooked in its skin, particularly baked or steamed, the potato is very nutritious, easily digested, and provides a good source of energy. It is rich in important minerals and contains numerous vitamins, particularly vitamin B complex and vitamin C.

Contrary to popular belief, potatoes are an excellent choice of food for anyone trying to lose weight. They are very low in fat and contain complex carbohydrates which release their energy slowly into the bloodstream. Unlike refined sugars, carbohydrates which are released slowly are less likely to be converted to fat. They assist in keeping blood sugar levels stable, which maintains energy levels and helps to prevent sugar cravings.

Of course this does not apply to potatoes which are fried or smothered in butter! For maximum health benefits, potatoes should be steamed in their skins and lightly drizzled with olive oil, or baked and filled with tuna or natural yoghurt and chives.

The potato has been used as a folk medicine for generations. The juice of raw potato contains anti-inflammatory and antioxidant properties which are useful for all sort of health problems.

When taken internally, raw potato juice helps to soothe and heal the mucous membranes of the digestive system. This is useful for conditions such as excess acidity, gastritis and peptic ulcers. For external problems such as wounds, burns, ulcers, dermatitis and infections of the skin, a grated raw potato can be used as a poultice. Slices of raw potato can also provide soothing relief from headaches and migraines when applied to the temples.

Though the potato is a very safe and nutritious food, the green parts of the plant are poisonous and should not be eaten. The same toxic substances are found in the potato itself when it has turned green.

Ardmore Sewerage Plant Receives Go-Ahead

By Kevin Kirrane

Site investigation works and an architectural impact study will be carried out in Ardmore for a new wastewater collection system, which is planned for the town.

Ardmore is one of seven towns and villages which will see the development of waste water treatment plants as part of a multi-million euro grouped scheme.

All seven schemes have now proceeded through the Part 8 process, Waterford County Council's July meeting heard.

Extensive architectural investigations will be carried out in Ardmore's case to determine the impact of the works on a number of recorded monuments and areas of archaeological potential, including the Crannog site, the Holy Stone, the Church, St. Declan's Way and other ecclesiastical remains.

The Department of Environment also ordered a full underwater archaeological impact assessment, including a search for shipwrecks in the area.

Replying to a question from Labour councillor, Billy Kyne, Director of Services, John O'Flynn said the council will also attempt to make the pumping station at Curragh as unobtrusive as possible.

"The exact location of the pump station will depend on the Site Investigation works but the best location from site visits, indicate the current proposed location is the most suitable," he said.

"The design of the building will be such that it will not have any major negative visual impact for surrounding properties. The location of the vent stack can be moved to the opposite side of the building."

Waterford County Council's New Beach Cleaning Machine

Pictured on Clonea beach, with the Beach Tech 2800 are (l. to r.) Peter Burns, WCC, Chris Bauer, Beach Tech, Harry Connolly, Waste Solutions Ltd., Josephine McGrath, Raymond Moloney, Tom Mulcahy, Pat Morrissey and Tommy Cullinan WCC. (Photo by Sean Byrne)

Clonea beach played host last week, not simply to the normal day trippers and families enjoying the glorious weather, but to something much stranger. Many of the visitors to our blue flag beach were stopped in their tracks by the spectacle of Waterford County Council's new high tech. beach cleaning machine.

Waterford County Council tells us that the Beach Tech 2800, a German manufactured machine, was supplied by Cork based company, Waste Solutions Ltd. and is currently with the Council, on a trial basis, for three months. The Beach Tech

2800 uses screening technology to remove large and small pieces of litter from the sand, including bottles, cans and cigarette butts. It then deposits a layer of soft sand back on the beach.

Initially, the machine will be based in Tramore and will be used to clean beaches from Bonmahon to Woodstown, however, visits to beaches in the West of the county are also planned.

John O'Flynn, Director of Services with Waterford County Council states that Waterford was awarded three Blue Flags in 2005, for Clonea, Bonmahon and Counsel-

ors' Strand, Dunmore East. Says Mr. O'Flynn "It is hoped that the introduction of mechanical beach cleaning, coupled with our regular beach cleaners, will lead to cleaner beaches and a greater number of Blue Flags in 2006".

However, he goes on to say "The introduction of new technology for beach cleaning in County Waterford doesn't remove the obligation from beachgoers to bring their litter home". Remember, when visiting Waterford's golden, sandy beaches - Leave only your footprints in the sand.

Minister To Meet Piltown Residents Over N25 Realignment

BY KEVIN KIRrane

Environment Minister, Dick Roche, is to meet a delegation of residents from Piltown over traffic safety fears.

Residents are calling for an underpass of the N25 which will be realigned at Kinsalebeg. But although plans for an underpass were discussed with the National Roads Authority, it's understood funding was not approved.

Fine Gael councillor Pat Nugent highlighted the residents concerns at a recent meeting of Waterford County Council.

He said residents have deep concerns about the difficulties which they face in crossing the road in order to get to shops and the church in Clashmore.

The busy Piltown to Clashmore road is also the main road to Clonmel which will lead to heavy traffic crossing the Waterford to Cork road.

Fianna Fail councillor, Tom Cronin said he had put in place a meeting between the Minister and the residents. The meeting will take place at the end of the month.

Cllr. Cronin agreed a vehicular underpass should be constructed, saying the NRA was raising the road to a height which makes this option possible.

Copper Coast Geopark Summer Walks

Interested in discovering the story of the stones and rocks along the Waterford coastline? Then come along to one of the discovery walks taking place at various venues each Wednesday from now to the end of August. The first walk on 20 July will explore Stradbally Cove (meet at the cove at 7.30pm). On each of the following Wednesdays a different section of the coast will be visited. The starting time varies to suit tides but will be at either 7 or 7.30 pm. All the sites are easily accessible except for Benvoy due to erosion participants will need to be able to scramble over rocks to access the beach. Participants should wear comfortable walking shoes runners or boots.

Rocks in the area date back to 460 million years, that's 400 million years older than the Giant Causeway in Antrim. Volcanoes, oceans, deserts and ice sheets all combined to create the rocks that provide the physical foundation

of the natural and cultural landscapes of the area. Clues to the the sometimes violent past can be seen all along the coast. The aim of the walks is to introduce people to the fascinating story hidden in the rocks and to help them to read the rocks for themselves. The walks are being organised by The Copper Coast European Geopark. The Geopark area runs from west of Tramore (R675) to Stradbally, Co Waterford. It comprises some 25 kilometers of spectacular coastline. The area was awarded European Geopark status in 2001 and UNESCO Global Geopark status in 2004 in recognition of its outstanding volcanic geology and as well as the very significant history of mainly 19th Century copper mining. The Geopark is funded under Interregg 3c initiative. For further information contact the Geopark Information Centre at Bunmahon Tel 051-292828 or www.copper-coastgeopark.com

HERITAGE WEEKLY By Dominic Berridge, Heritage Officer, Waterford County Council

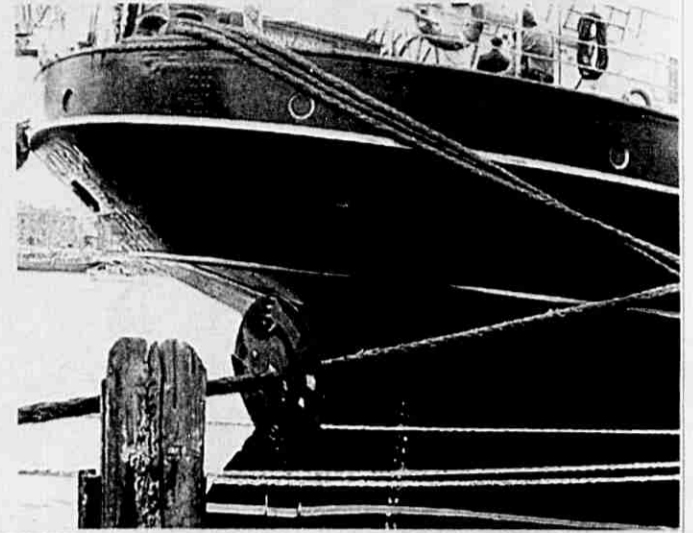

THE TALL SHIPS' RAT GUARDS AND WATERFORD'S EXTINCT BLACK RATS

During the visit of the Tall Ships to Waterford City I noticed that only two ships had devices to stop rats from coming aboard. These are metal discs about 60cm or more in diameter, threaded onto the mooring ropes that attach the ship to the quay. The ships were the Kruzenshtern and the Mir; two gigantic sailing ships from Russia. A crew member of the Kruzenshtern told me that the discs are called nakysniki (from Krysa, which means rat) in Russian and he hastened to add that the crew did not mean to insult Waterford with any implication that the quays are rat-ridden; He pointed to some of their ropes without nakysniki as evidence of this. They were there for tradition and ornament and the discs were decorated with cartoon cats; presumably to frighten the rats off as well as stop them climbing onto the ship. One of these is shown in this week's picture

Neither of two rat species is native to Ireland; they came on boats. The Russians probably did not know that the oldest rat remains in Ireland were found during an archaeological dig on Peter Street in the City, among twelfth century remains. Orla Scully, archaeologist, tells me that these bones were from so-

called Black Rats *Rattus rattus* whose colour can vary from usually glossy black to pale brown and have longer thinner tails than the so-called Brown Rats *Rattus norvegicus* which are now common everywhere in Ireland and—very confusingly—can also be coloured the usual brown or glossy black. Black Rats seem to have died out on the mainland of Ireland; being found only on Lambay, off the coast of Co. Dublin. Few will regret the passing of these pests which carry bubonic plague and often live in attics rather than in holes in the ground.

Michael O'Meara, who runs the Waterford Wildlife website, tells me that, when rats were plentiful in some now demolished warehouses on the city Quays, the black-coloured ones would escape danger by climbing up the walls into the ceilings and that brown-coloured ones would scamper into burrows on the ground. This suggests that one of the last mainland Irish colonies of Black Rats may have died out a few decades ago, just a short swim from where the Kruzenshtern and the Mir were tied up during the Tall Ships Festival.

Dancing At The Crossroads An Sean Phobal

The Dancing Master appeared for the first time in rural Ireland in the middle of the eighteenth century. He taught all classes. He was usually itinerant and was sometimes accompanied by a blind fiddler or piper. He travelled an area of about ten square miles. He usually stayed about six weeks in an area, lodged in a farmhouse and taught the farmer's children free of charge to pay for his keep. Locals were very co-operative with him and would put a room or an outhouse at his disposal. In parts of the country, the Dancing Master would run his class in conjunction with Hedge Schools and the different classes would take place at opposite ends of the same room. In the book "A Tour of Ireland" by Arthur Young, there is reference to the dancing Master being paid 6d per pupil - 3d for himself and 3d for the musician. The dances he taught were mostly jigs and reels. The rising step and the first step of the jig and the sidestep of the reel. A major problem for some of his pupils

was that they could not distinguish between their right and left foot. To overcome this problem, the dancing master would tie a hay rope on one foot and a straw rope on the other. He would then tell them to lift "hayfoot" or "strawfoot" as required.

To ensure that the weaker pupils were not disheartened he would organise round or group dances in which all pupils could take part and use the basic jig and reel steps that he had taught them. The standard of these dances was quite high, as all pupils had had proper tuition. He also taught solo dancing. Dancing Masters survived into the early twentieth century particularly in Kerry and Clare. Gradually they were replaced by the dancing schools. The dancing master also taught Sets and Half Sets in the nineteenth century.

While the céilí dancing existed, the sets flourished until the advent of Conradh na Gaeilge in 1893. This organisation had as its objective the recreating of a separate cultural Irish nation. This

meant refusing to imitate the English in their language, literature, music, dance, dress and ideas. Their primary aim was to keep the Irish language alive and they later turned their minds to other aspects of Irish culture. They believed that in order to achieve their objectives, they had to get rid of all English influences and so the sets and all their variant forms were banished from the social activities of revivalists in favour of céilí dances. Their first céilí was held in May 1897 and the first official organized céilí was held in London in Bloomsbury Hall on October 30th 1897.

The Church authorities in Ireland seemed to be opposed to dancing. Throughout the 1800s and the early 1900s, they viewed it as immoral and unbecoming to its flock. One of the reasons given was the association, which existed at wakes, festivals, patterns and Sunday afternoon gatherings between music, dancing and drink. This resulted in improper behaviour. The fear and general discomfort generated by the attitude of the Clergy contributed largely to the gradual disappearance of house and crossroads dances in rural Ireland.

The dancing of the time was mainly sets, so when Conradh na Gaeilge started to introduce céilí dancing it seemed to be more acceptable to the Clergy. In the 1920s, dancing classes were set up under the auspices of An Conradh to teach young children. An Coimisiún le Rinní Gaelacha was set up in 1929. Its members were chosen from the dancing section of An Conradh. The Clergy were agitating to have Country House and Crossroads Dances controlled.

The Public Dance Halls Act was finally passed in 1935. It required all public dance halls to be licensed and this effectively put an end to House and Crossroad Dances and with their demise, the sets went into decline. Functions could now be controlled. Parochial Halls were built in most towns and villages and as Fíor Chéilí seemed to be more acceptable to both Church and State as ten per cent of the door takings went to the state,

they flourished and fewer sets were danced in rural Ireland. Some private country house dances were held. Those were called "Sprees" (from the Irish word *spraoi*) or Joins but no money was collected and they were more like a house party. Sets were still danced at such functions.

In the surrounding area of An Sean Phobal there were three venues for crossroad dancing, one in Grange near Fleming's pub which only lasted a couple of years. Another one at Robert's Cross-at the turning off from an Rinn to an Sean Phobal. One Sunday evening in the early 1930s the men and women had the dancing in full swing when the parish priest from an Sean Phobal came down, he stopped the dancing and said to the women "go home ye slips". When all the women were gone he turned to the bosca ceoil player and said continue with the dancing, that saw the end to that venue.

The most famous stage was "Kenneally stage" between the Seanachie and the Marine bar this lasted till the 1950s. The dancing here was held every Thursday and Sunday evenings, the box players took it in turn to play the bosca ceoil, men like Jack Leary, John Daly, Paddy McKenna and in later years Sean Leahy. The bosca ceoil was kept by Paddy McKenna. On average the bosca ceoil would have to be replaced every two years, during the war years a serious problem arose bosca ceoil were not being made and a new bosca ceoil was needed. After some considerable time word came that a bosca ceoil was available in county Kildare, so someone had to go and purchase it there, the bosca ceoil was played from six in the evening till it got dark and people came from the adjoining parishes to dance the sets and half sets.

Two years ago in 2003 the crossroad dancing was revived for one night at the crossroads at John Paul's pub an Sean Phobal. Due to popular demand next Saturday 23rd and Sunday 24th July will see a return of this event at the crossroads at John Paul's pub with dancers and musicians from all parts of the county. Come for the tradition and you will stay for the craic.

Brilliant Launch for Summer Show

The Cúl Cheoil traditional group launched their sixth season at The Park Hotel on Tuesday July 12th. The group which has been developed through Na Comaraigh Comhaltas branch is part of the successful Seisiún Trail featured at 28 venues nationwide.

Once again last Tuesday night visitors from many countries made up the bulk of the audience although as in previous years it is on the "not to be missed" list for locals also.

Prominent at last weeks show

were visitors from several American states as well as English, Dutch, French, and Germans. Many find their way to the show through recommendations from their B&B host or the tourist office. There are 20 musicians, three singers and sixteen dancers in this season's show. There is huge variety featuring twelve different instruments including Harp and Uilleann Pipes synonymous with Ireland in the eyes of many visitors. The songs range from the fast and humorous to

the ballad and one or two in Gaeilge. For those more attuned to visual entertainment the dance routines are lively and spellbinding in a wonderful blend of sean-nós, traditional and more modern expression. If those who holiday in Ireland wish to experience "the real thing" what better way to end a day of touring our beautiful countryside than a couple of hours with Cúl Cheoil.

The show continues each Tuesday at the Park Hotel until the end of August.

MODELIGO NOTES

MODELIGO LFC

The ladies soccer team continued on their winning streak with a comprehensive 5-0 victory over Brideview LFC in the latest series of matches played in the Red House Ladies Soccer League. It was the best performance by the team so far this season and the hapless Brideview eleven never mounted a serious challenge. Aisling O'Brien with a 30 yard screamer, Julie Skehan and three from Marion Troy were the goalscorers on the night. We wish a speedy recovery to Eimer Hickey who is currently on crutches having sustained a leg injury during the course of the match. You need two good feet for driving those big machines, Eimer!

SYMPATHIES

We offer our deepest sympa-

thies to Monica Cliffe and family (formerly of Carrowgarrif) on the death of her brother, Michael Mulcahy, Colligan, which sad event occurred recently. Michael was an excellent neighbour and community person, and Fr. Kennedy, P.P. Colligan in the course of his homily spoke glowingly of Michael's kind and encouraging manner. Following requiem Mass at Modeligo on September 16th, Michael was laid to rest in the family plot at the local cemetery. Go ndeana Dia trocaire ar anam Micheal.

NAOMH BRID

The committee of Naomh Brid Juvenile GAA Club are planning a field and sport evening to be held at Kirwan Park, Touraneena on Sunday, July 31st commencing at 5 pm.

A number of competitions, athletics, sports events, side show, etc and details of these will be finalised during the week. Naomh Brid will use the occasion to create income for the running of the club, as well as have a community night where we can meet with our members and supporters. The night will finish with an oiche ceoil in Dunford's Lounge Bar. Bigi ann agus bainaigi taitneamh as an ocaid.

MODELIGO PATTERN

The preparations for the upcoming Pattern are now in full swing and the committee are planning to get the festivities up and running on Friday, August 12th with a barbecue and an oiche craic agus ceoil at Deckies Lounge. Entertainment will be provided by the Duggan brothers (Dungarvan) and its fingers crossed for the weather for the occasion.

MODELIGO AFC

Player members please note that Modeligo AFC will commence their season with a friendly match versus Railway AFC on Friday evening next, July 22nd at 7.30 pm at Danesfield Cappoquin. Players are asked to be in attendance at 7 pm.

AVIAN VISITORS

It appears that certain North African Migrants of the feathered variety who on arrival in the area last Spring, found the community centre much to their liking and decided to set up home in the upstairs area and to raise a large and hungry family. These birds, we are told, have voracious appetites and consume, and expel, half their own body weight every day! No doubt when the time comes to begin their long journey back to the Mediterranean and recount their summer adventures, Modeligo Community Centre will receive special mention for its bounty and hospitality.

LOTTO RESULTS

The three numbers drawn were 17-19-20. As there was no winner, next weeks jackpot reaches 450 euro. The 15 euro winners were as follows; Brid Leahy, Tourin; Patk. Walsh, Lower Glen, Geraldine Bums, Lyrattin; M1. Power, Graiguemore and E. Beresford, Clashmore.

The Booley House Begins Its Summer Run

The Booley House musicians - Tony Dunne, Aine Fitzpatrick, Liam Flanagan, David Hyland, Gerry McKee

This year's show follows a similar format that has been so successful for the last thirteen years. The evening begins with a cup of tea and home baking as you sit and enjoy the beautiful view of the Blackwater Valley. At 8.30 the show begins and for the next ninety minutes the Booley House troupe brings the great Irish legacy to life with authentic, live traditional music, set, brush and step dancing, stories from the golden tongued shanachie and beautiful singing.

Tony Dunne is our box player and brings to the stage the sense of joy and celebration that is part of the heritage of box players. Aine Fitzpatrick plays the flute and one of her solo pieces is a "showstopper". On fiddle from North Cork we have Liam Flanagan who is a recent addition to the group, David Hyland returns after a year's absence as bodhran player and Gerry McKee completes

the line up.

We have three groups of dancers - step dancers choreographed by Michael Ryan whose own show Ragus has proved a world wide hit, set dancers and brush dancers under the expert guidance of Tom Hyland. James Lenane, who has achieved outstanding success in many areas of the arts - including a recent All Ireland win with Brideview Players - is our resident shanachie. Ber Browne, our vocalist is regrettably absent this year through ill health. We wish Ber a continuing good recovery. Even though it will be difficult to replace Ber we have a number of well known singers lined up for the summer run.

Last year's set, designed by Brendan Dunlea, was highly acclaimed and is retained for 2005. A new lighting infrastructure is currently being installed in St Michael's Hall and this should add to the technical as-

pects of the show The Booley House is one of the longest running and most successful shows of its kind - it was in the business two years before Riverdance was conceived and has created its own niche in this particular type of entertainment. In spring 2004 The Booley House visited New York. The arts critic in the "Irish Voice" New York reviewed the show and referred to superb dancing ... marvellous stories ... traditional music spot on... and concluded by stating that 'it is crystal clear that a visit to the Booley House in Co. Waterford should be on your itinerary if you like traditional music and dance with a flair and a pride for its native origins.'

Don't miss it and book early as in the last number of years we have had full attendances each night. Booking is at 058 54975 (9.00am - 5.30pm) or 058 60456 (2.00 - 8.00pm)

STRADBALLY NOTES

WEATHER

You could mistake Stradbally for the South of France last week when soaring temperatures brought record numbers to Stradbally Cove as was the case at the other local beaches. Of course the downside of record numbers were record amounts of litter. Beach By Laws were totally ignored with large numbers camping, bonfires and drink parties. The local litter rota had to work extra hard to have the beach cleaned before the crowds arrived each morning. These are the unsung heroes from all our villages who pick up other peoples rubbish across the county. The people of Stradbally love to have visitors come and use the amenities but the message is respect that Stradbally people work hard to keep their area clean and tidy and are awaiting judging in the National Tidy Towns competition.

MEETING

A meeting was held at St. James School on Friday night last to organise plans for the forth coming Garden Fete to be held at Lord and Lady Monteagle's on Saturday, 6th August. More details on this event next week.

MUSIC FOR SUMMER EVENING

For those on holidays who may be interested in a concert taking place in the Cathedral in Lismore on 27th August at 8:15pm. This event proved extremely popular last year. The programme will feature local performers, David Anglesey, Billy Beare, Robin and Jason Turk and plenty of new talent. The aim of the concert will be again to appreciate young musicians and of course to raise much needed funds to repair the Cathedral spire.

TIDY TOWNS NEWS

The Stradbally Tidy Towns committee would like to sympathise with committee members Tom Campbell and family on the recent sad loss of his wife Babs. Our sympathy also to the sons, sisters and relatives and Curran family of the late Mayleen O'Leary (nee Curran) of Newtown and England who recently passed away while on holiday in Stradbally.

Tributes Paid To Former Co. Engineer

By Kevin Kirrane

A vote of sympathy was passed at the July meeting of Waterford County Council to the family of former County Engineer, Jim Hally, who died recently.

Echoing the sentiments of all the elected members, Fianna Fail councillor, Ciaran O Riain said Mr. Hally had made an outstanding contribution to the council and to Co. Waterford for many years. He expressed his sadness on hearing the news, and offered his sympathy to the members of Mr. Hally's family.

Mr. Hally was County Engineer at the county council for twenty-five years. He was also involved in a number of community organisations including the scout movement where he was hugely influential in bringing the scout jamboree to Melleray for the first time.

Present County Engineer, John O'Flynn spoke of the huge influence Mr. Hally had in developing the county's infrastructure, saying he was a hard act to follow.

RTÉ To Rekindle Memories Of Tall Ships In Waterford

Having provided extensive radio, television and online coverage of the event in the lead up to and during July 6-9, RTÉ are set to rekindle fond memories of Waterford's hosting of The Tall Ships' Races 2005 with a special hour-long television programme on RTÉ One at 5pm on Monday, August 1.

The special programme by RTÉ News and Current Affairs will feature previously unseen footage and cover the arrival of the tall ships in Waterford, the exciting scenes during their time in port and the magnificent Parade of Sail on Saturday, July 9.

According to RTÉ southeast correspondent Damien Tierman, the programme is being produced partly in response to the number of viewers who missed the special hour-long Nationwide on Friday, July 8 and a 30-minute highlights programme on the Parade of Sail that aired on the evening of July 9.

"We had a lot of feedback from people who would love to have seen those programmes but were unable to do so on what were hectic days in Waterford and the southeast with so much to see and do.

"The programme on August 1 will allow people a fresh opportunity to recall some very special days indeed and is likely to attract a considerable audience from among the hundreds of thousands who visited Waterford over the four days and others who weren't fortunate enough to be here. The programme will also be part of the event's legacy and act as an excellent record for this and future generations to enjoy."

An Taisce Welcomes Refusal Of 62 Holiday Homes

BY KEVIN KIRrane

An Taisce has welcomed the decision by An Bord Pleanála to refuse permission for 62 holiday homes at Ballynacourty, Dungarvan.

The Bord ruled that there was sufficient zoned land to fill the housing demand in the Clonea area and would materially contravene the provisions in the County Development Plan.

Waterford County Council had granted permission to Michael Kiely care of Liam Buck of Glen, Clonea for the holiday home development earlier this year.

However, the decision was appealed to An Bord Pleanála

by An Taisce.

The development was to comprise of 42 dormer style houses and 20 dormer style semi-detached houses, tennis courts and associated works.

An Bord Pleanála found that the site is located in an area zoned for agricultural use where residential use is

only 'open for consideration.'

The ruling, issued on last week, said the development would materially contravene the development plan, would set an undesirable precedent for development on lands zoned for agriculture, and therefore would be contrary to

the proper planning and sustainable development of the area.

In a statement An Taisce said it "considers that the decision is an important marker in protecting the coast between Dungarvan and Clonea and the separate identity of both places."

Urgent Need For Permanent Barrier At Tallow GAA Club

BY KEVIN KIRrane

Waterford County Council does not have the money available to put in place a barrier to prevent illegal camping at the car park of Tallow GAA club, according to Director of Services, John O'Flynn.

Mr. O'Flynn, who was responding to a notice of motion from Cllr. Declan Doocey at the July meeting of the local authority, said the barrier would cost in the region of 3,200 euros to erect.

Cllr. Doocey's motion came a week after a number of trader/travellers took over the clubs ground for the second time in as many years.

The illegal encampment forced the cancellation of a summer camp for hundreds of children after rubbish was left strewn over the ground, and dumped in a neighbouring garden.

Mr. O'Flynn said the council has begun clean-up work to remove the rubbish, but unless someone comes up with funds to erect a barrier then it won't go-ahead.

Cllr. Damien Geoghegan (FG), however, questioned how much it costs to clean up areas littered by these groups.

"I would think it costs a lot more," he said.

Fianna Fail councillor, Kevin Wilkinson gave his "wholehearted support" to the notice of motion.

"Ridiculous" Rule Should Be Changed

BY KEVIN KIRrane

A "ridiculous rule" which bans hedgecutting on roads during the summer months is endangering motorists lives, according to one Fine Gael councillor.

Cllr. Nora Flynn blasted the rule preventing hedgecutting from taking place while birds are nesting.

Ironically while the rule may be saving the lives of wildlife, it's putting the lives of motorists at risk, the July meeting of Waterford County Council heard.

Cllr. Flynn said it was ridiculous to stop cutting hedges at the very time of the year when the growth is strongest.

And she said birds and wildlife "aren't so stupid" as to build their nests on the roadside, they build on the field side.

Hedge growth on many roads is so bad there are "no sightlines" at many T-Junctions and rural roads, Councillor Flynn said.

DAIRYING: Milk Liners

Milk Liners - The Facts. The expected life of a set of liners is 2500 milkings. Look at the following example to indicate the date liners need to be changed.

Example: Farm of 60 cows and 6 milking units:

At each milking, there will be 10 rows, so, each set of liners has 20 milkings each day. Now if one divides the figure of 2,500 by 20, one gets the number of days the set of liners will last. In our example, the liners will last 125 days or just over 4 months.

So assuming you start milking the cows in February, the liners should have been changed by now.

It is estimated that the loss in milk yield due to using worn liners is 5%. At a cost of 24 for one set of liners, the return on the investment is immediate.

Milk Solids for July

July: - The worst month of the year for milk protein. July is also one of the main milk months. It is critical to get good volumes of milk with high kgs of fat and protein. Its impact on the overall milk receipts for the year should not be underestimated. Look at the following table to assess the kgs of milk protein produced in a given volume of milk and it's impact on the creamery cheque.

e.g. 50 cows yielding 5 gallons (23.40 kgs) at a fat % of 3.70 and varying protein %.

Total milk produced for July is 7750gls or 36,270 kgs.

Protein %	Kgs Protein	Difference	()
3.22	1168	-	-
3.32	1204	+36 kgs	176
3.42	1240	+72 kgs	352
3.52	1277	+109 kgs	534

Creameries vary in what they pay for milk protein, but let's say, they pay 4.90/kg of protein. Now look at the difference between having a July milk protein of 3.22% and a July figure of 3.52%.

Grass quality and grass allowance is the key to protein yield. Grass quality will be maintained by topping to 6 cms if required. A 20-22 day rotation should be the norm and grass allowance is ensured by a 24 to 48 hour allocation.

Nitrogen Use for July & August

July is usually the month when there is too much grass on dairy farms. The chief culprit is too much Nitrogen and not matching nitrogen use to stocking rate. For dairy farmers with 30% of the dairy ground closed for 2nd cut silage, 1 bag of CAN will be necessary. However, for dairy farmers who are taking none or a small second cut, the situation is very different. The entire farm may be now available for grazing. Nitrogen should be applied as per the table.

Overall Farm Stocking Rate		N Rates (units/ac)	
LU/ha	(ac/LU)	July	August
1.7	1.45	-	-
1.8	1.37	14	-
1.9	1.3	14	-
2.0	1.24	14	-
2.1	1.18	14	-
2.2	1.12	-	14
2.3	1.07	17	14
2.4	1.03	17	14
2.5	1.00	28	27
2.6	0.95	28	28

TILLAGE: Whole Crop Cereals & local markets

Cereals harvested as whole crop silage contain both grain and straw. Winter wheat and winter triticale are the most cost effective as they will produce more tonnes of dry matter per hectare.

Local markets to dairy or cattle farmers should be explored. Perhaps direct sales at harvest or on-farm crimping and sales during the winter period to livestock farmers should also be considered. This year the majority of grass silage was harvested late and the quantity and quality of silage is lower than other years. Many livestock farmers are looking to make more silage (second cut) or looking for alternative feeds this year. On a cost basis, grain directly from tillage farms is more competitive than any other source. The cost per ton of dry matter(DM) of a good crop of whole crop triticale (80/ton) or whole crop winter wheat (94/ton) compares well to maize (76/ton or 88/ton grown under plastic). First cut grass silage costs are approx 80/ton/DM or second cut at 100/ton/DM.

Harvest of cereal whole crop usually starts 3-4 weeks before the crop is harvested for grain. Fermented whole crop is harvested any time after the grain reaches the "soft cheese" stage and can continue until the grain reaches the "hard cheddar" stage. Dry matter of the whole crop is between 35-55% at those stages. Fermented whole crop does not need an additive for preservation but when the dry matters are high, an additive can be beneficial to reduce heating and subsequent feed loss at feed out.

Crimping grain at 30-40% moisture content is very successful. Additional costs of approx 7-8/ton for crimping and 5/ton for additive will result in a well preserved pit of material that does not heat at feed out. This can be sold directly to neighbouring farmers through the winter. Costs for drying grain will increase this year with the increased cost of oil. Selling wet grain (crimped) will cut out this cost for the grain grower and the livestock producer. Grain (20%MC) sold at 95/ton at harvest is worth 78/ton at 34% moisture content (conversion calculated on a dry matter basis) or 118 per ton of dry matter. Crimping and additive costs are not included in these costs.

A Waterford IFA delegation, including Michael Keane, IFA County Vice-Chairman, met with Gerard Barron, Mayor of Waterford and County Councillors in the Civic Offices, Dungarvan, where they discussed the Draft County Development Plan prior to Waterford Co. Council meeting to pass the plan.

IFA Meets Commission on EU Dairy Market Supports

National Dairy Committee Chairman Michael Murphy has said he recently met with Senior Commission Official Mr Hermanus Versteijlen, to discuss current EU Commission handling of market supports, and the 2006 dairy budget.

Mr Murphy however stressed that, regardless of what can be achieved in Brussels, there is no substitute for an industry-wide cost saving and value-adding strategy aiming at delivering long term viable milk prices.

"I met with the head of the EU Commission's Dairy Division, Mr Hermanus Versteijlen a recently. The purpose of my visit was to seek greater flexibility in the current setting of refunds and aids, to allow market prices rise above intervention equivalent while markets are strong. I believe this can be done both within the reformed CAP budget and our WTO export refund limitations," he explained.

Mr Murphy also sought guarantees that the reduced 2006 draft dairy budget would be reviewed.

"Mr Versteijlen committed to me that funds would be found if weaker markets required higher levels of support than what has been budgeted," he added.

"While this is a welcome statement, it requires a leap of faith. I believe the 2006 budget needs to be challenged, and I will raise this issue with Minister for Agriculture Mary Coughlan" he said.

The IFA is lobbying at the highest political level. In addition to raising many of the is-

ssues with Commissioner Fischer Boel during her recent visit, IFA has brought this issue to the Milk Group and the Praesidium of COPA, the EU Farmers' Association, and has encouraged other farm organizations to lobby their national governments on the issue.

Michael Murphy however stressed that, regardless of what could be achieved in Brussels, the Irish dairy industry needed a root-and-branch strategy to cut costs, co-operate on research and investment, and increase the value added to milk, in order to deliver viable milk prices for producers for the long term.

IFA Announce Skillnet / Agri-Net works conference on 'Maximising the INCOME from what you have'

Identifying assets available to farmers, and looking at ways in which they can be used to maximise income, is to be the focus of an IFA Skillnet Conference, supported by Agri-net Works later this month.

"Maximising The Income From What YOU Have" will give both full and part-time farmers the knowledge to help identify and evaluate available resources, including their own personal skills, and to use those them to maximise income.

Padraic Cummins, farmer and speaker at the conference said "I was able to increase my income and build a future for my family by using my skills and assets without compromising the farm business."

This IFA Skillnet and Agri-net Works Conference aims to provide delegates with the op-

portunity to access relevant and practical information to aid in the process of identification of their personal resources and ef-

fective use of these resources into the future.

Pre booking for this conference at the Dolmen Hotel in Carlow on July 26th is essential. Please contact Niamh Lenehan at 01 4500266 or Agri-net Works on 054 358333 if you have any queries.

IFA Calls on Taoiseach to Spearhead Development of Biofuels Industry

Waterford IFA Industrial Chairman Walter Whittle has called on the Taoiseach to spearhead the development of an Irish biofuels industry. Mr. Whittle said there has never been a more opportune time to develop a native biofuels processing industry as fossil fuel prices continue to escalate on a daily basis. We have an ever-increasing dependence on imported energy and this now exceeds 90%.

"It is vital that we fast track the development of a native biofuels processing industry. This is critical given our commitments under the EU Biofuels Directive and the Kyoto protocol. In the last number of days, the EU Commission has instigated infringement proceedings against Ireland over its failure to submit real and meaningful targets as laid out under the 2003 EU Biofuels Directive".

Illegal Encampment Finally Brought To An End

BY KEVIN KIRRAANE
Dungarvan Town Council has met with the GAA parks and fields committee in an effort to prevent any further illegal traveller encampments setting up at the entrance to a local authority estate in Shandon.

It follows the removal of seven caravans from the area by a Dublin firm last week, as the council brought an end to an encampment, which has been parked near Estuary Heights and Cluain Ard estates

BOULDERS AND LANDSCAPING TO PREVENT FUTURE PROBLEMS

for the past two years. The removal costs are believed to be in the thousands of euro.

Residents greeted the move with relief after enduring what they claimed were continuous problems with anti-social behaviour and intimidation.

And now the Town Council is to make a "determined effort" to prevent illegal encampments from setting up in the area in the future.

Speaking at the July meeting of the local authority, Labour councillor Billy Kyne said measures must now be put in place to make sure it becomes a 'no-go' area for illegal encampments.

"While I'm slow to call for boulders to be put into any area this has now to be done," Cllr. Kyne said.

Sinn Fein councillor, Brendan Mansfield also believed boulders should be used to prevent problems from happening again.

"They may not be ideal but the council has to do something," he said. "A lot of young mothers live there and I can understand why they're sceptical about what has gone on after the encampment was moved for the Environment Minister's visit but then returned shortly afterwards."

"On the other side, from the traveller's side, there are a number of lorries going in and out of the advance factory - it's a health and safety concern, and no one wants to see an accident there."

The failure to implement the Traveller Accommodation Plan is also a factor, according

to Independent councillor Michael O'Riordan.

He said when an illegal encampment sets up in the urban area, there is often "no where to move them to."

A transient site is planned for the west of the county, but nothing is in place as yet. While Dungarvan Town Council was one of the first local authorities to set up a halting site, Cllr. O'Riordan believed they are now being penalised, while the county council fails to act.

Following a meeting with GAA chiefs, Mr. O'Flathery said the GAA land is likely to remain undeveloped for the next 10 to 15 years, but in the short-term boulders will be set down in the next few days.

"The GAA is just as anxious as we are area to stop this happening again in the future," the Town clerk said.

Meanwhile, Labour councillor, Teresa Wright said an article in the Dungarvan Leader last week regarding the illegal encampment, incorrectly stated that the County Waterford Traveller Initiative made a submission opposing amendments to the Traveller Accommodation Plan proposed by Cllr. Damien Geoghegan. Cllr. Wright pointed out that the County Waterford Traveller Initiative is a development and education body, funded by the Waterford County Council. An inter-agency group on the council's committee expressed concerns at the process used to pass the amendments.

Wording Of Refuse Waiver Scheme 'Discriminatory'

son aged 66 years or over who receives a widows/widowers or invalidity pension and living alone be given the free bin collection."

Labour Cllr. Billy Kyne agreed with the proposal, saying the wording is discriminatory.

"The principle of the waiver scheme should be based on the allowance amount and not limited by its present interpretation - that is by being an old age pensioner only," he said.

"If there is an extra cost to the Town Council - then tough. As it is, it is at the very best an anomaly and worst discriminatory."

"I think if someone took a case to court, then the Town Council would lose."

Independent councillor, Michael O'Riordan, meanwhile, said the decision to refuse two senior citizens was a case of "bureaucracy gone mad."

He claimed officials were "obviously taking advantage" of the fact that a wording of "old age pensioners" was used.

He said that the interpretation is "petty minded."

Town Manager, Denis McCarthy said the operation and wording of the waiver scheme would be examined by the Town Council executive and they will respond to the council members in the near future.

RECENT DEATHS

LATE TOM HOWELL

With feelings of profound sadness we write on the unexpected passing on Friday, July 1st of Tom Howell, Ballincoush House, Dungarvan, who was a native of Mount Odell and was aged 82 years. Of agricultural background, Tom was a very hardworking person who worked the land, and his haulage business enjoyed the patronage of a wide clientele over the years. He also established an oil distributing concern for some years. He was a man of great energy and vision and possessed a much admired work ethic. We sympathise with his wife Monica, daughters Miriam and Cora, son John, sister Bridie and many other relatives at this time.

Reposing at his residence, prayers on Monday were led by Canon O'Mahony P.P. after which the funeral cortege left for St. Mary's Parish Church for funeral Mass which was offered in thanksgiving and celebration of Tom's life. Canon O'Mahony P.P. was chief celebrant with co-celebrants V. Rev. Fr. P. Creed P.E., V. Rev. Fr. T. O'Riordan P.P., Canon O'Connor P.E., V. Rev. Fr. R. Doherty P.P., Rev. Fr. O'Callaghan O.S.A., Rev. Fr. M. Cooney O.S.A., Rev. Fr. D. Slator O.S.A. The lessons were read by Leo Varadkar and John C. Moloney. Prayers of the Faithful were shared by Sonia Varadkar and Tom Moloney. Daughters Miriam and Cora brought the offertory gifts to the Altar while after Holy Communion a eulogy was given by Sophie Varadkar and the poem

'Hope' was read by Louise Moloney. Beautiful music was provided by Dina Walsh. Following prayers and blessing in the adjoining cemetery Tom Howell was laid to rest in the presence of a huge concourse.

Chief mourners were wife Monica, son John, daughters Miriam and Cora, sons-in-law Ashok Varadkar and Tommy Moloney, sister Bridie Howell, grandchildren Louise, John C. Julie and Tom Moloney, Leo, Sophie, Sonia Varadkar and a wide circle of other relatives and many friends.

(Funeral arrangements by James Kiely, Funeral Directors, Dungarvan).

LATE PHILOMENA POWER

Late on Monday, 4th July the locality learned with great sadness of the passing at Waterford Regional Hospital of Philomena Power, 32, McCarthyville, Abbeyside who was aged 78 years and was daughter of the late Thomas and Annie Power, Shandon Lodge.

Phil herself was a native of Fair Lane and her family played no small part in the Railway network that was at the centre of life in the Old Boro some years ago. An outstanding Christian both in word and deed Phil was a trusted friend and as a neighbour had few equals. Her passing at this time severs a link with old Dungarvan.

We offer our deepest sympathies to her brothers Nicko, Noel, Gerry, Anthony and Sean, her sisters Sr. Angela (Roscrea), Eibhlin Uí Fhloinn, her sisters-

in-law, nephews, nieces and many other relatives at home and overseas. Suaimhneas siorrai tabhair di a Thiarna. Reposing at the Kiely Funeral Home, rosary was shared by Fr. O'Callaghan O.S.A. on Tuesday evening. Fr. Keogh C.C. led us in prayers on Wednesday before the removal took place to the nearby St. Mary's Parish Church. Fr. Martin Keogh C.C. was main celebrant with co-celebrant Fr. Flor O'Callaghan O.S.A. at Philomena's funeral Mass. The lessons were read by Nancy Anne (daughter of Sean) and Kathryn, (daughter of Nicholas). Cheriene (daughter of Noel) shared the prayers of Intercession, while a much appreciated and moving eulogy was delivered by Tony (brother). Music in Church was led by Annette Geoghegan.

Gathering at the family grave in the adjoining cemetery we bade our farewells. Following graveside prayers and blessing Philomena was laid to rest.

Ar dheis láimh Dé go raibh sí. (Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan).

LATE MICHAEL FITZGERALD

It is with feelings of regret we record the passing of Michael Fitzgerald, Seafield, Bonmahon which sad event occurred on Wednesday, May 25th.

Michael was born in Seafield, Bonmahon and emigrated to England at the age of 18 years. He was employed by London Transport as a bus driver. Ten years ago he returned home to Seafield.

A quiet, gentle, unassuming man, he was held in high esteem by all who knew him. He enjoyed a game of darts and a game of 45 and to socialise with his friends. His passing is much regretted. May he rest in peace.

Following rosary on Friday, 27th May, his remains were removed from Drohan's Funeral Home to Ballylaneen church. There they were received and blessed on arrival by Fr. Power P.E. and followed by a large cortege of mourners.

Requiem Mass was celebrated on Saturday morning by Fr. Power P.E. after which interment took place in the adjoining cemetery.

To his daughters Mandy and Michelle, brothers Jim and Martin, sisters Mary and Bridget, brothers-in-law, nephews, nieces, relatives and friends we extend our sincere sympathy.

A Tribute To Our Mother - Mary Colbert (Nee Tutty)

LATE OF OLD SCHOOL ROAD, AGLISH

A mother's love is something that no one can explain. It's made of deep devotion, of sacrifice and pain. Our mother's love was all these things, it's the greatest treasure known, And the greatest mother in the world, was the one we called our own.

Mam - there are things that we'll always remember no matter how old we may grow like the fuss that you made on our birthdays and the fun that we had long ago. We'll remember the warmth of your laughter, how we begged you to stay up late. How special you always made Christmas and how we could hardly wait. We recall with a smile how you loved us. How often you went without to provide us with all of the little extras but we guess that's what a mother's love is all about. Most important what we'll always remember is that you were so patient so loving and true, through everything you stood beside us and for that Mam we'll always love you.

Mam, you always made us laugh and only recently you made us cry. Oh how we loved you. You were the shining light that guided us along the road that is life and like the rising sun and the evening star you were always there, a comforting presence. If Dad were the head of our home, you were its heart. By your example we learned tolerance, honesty and kindness. We witnessed the gentleness of your nature, your devotion to your family and more recently your strength in times of trial and your utter faith that God would see us through. Mam there is a corner of our hearts reserved for you alone.

Rest In Peace

Inserted by your loving family.

From Charles Smith's History of Waterford 1745.

Stradbally Stradbally parish is of a considerable extent, the lands of it arable and pasture, with a large tract of bog towards the North. Woodhouse, the estate of Borr Uniake Esq. Is the only remarkable seat in it. His brother the late Mr. Maurice Uniake, obtained a premium in 1742, for having planted about this seat the largest quantity of trees that season, being all kinds, 152,640

trees; which, were they properly taken care of, would intine make a most noble plantation. Half a mile to the east of this seat stands the Parish Church of Stradbally, which was formerly a large building. The windows in it were few and very small, which must have made the church, when roofed, exceedingly dark, but that inconveniency was, in some measure, remedied, by the use of formerly of lamps and candles. Half a mile farther, at a place called Ballivony, are some remains of a large building, 150 feet long and 90 broad, thought to have been one of the Knights-Templar houses. In a large Courtyard facing the building, now almost level with the ground, is an open Well, that by a subterraneous passage of about 200 feet, communicates with another within the house, which later is descended to by stone steps.

The water is brought to these wells by a subterraneous Aqueduct near half a mile. There are here the remains of several large out offices, and by the Ground-plan it has much the appearance of a moastic Ediface, though it is not mentioned as such by any Writer on that head.

Opening Hours - Monday to Friday - 10 a.m. to 4.45 p.m. Saturday - 1 p.m. to 5 p.m. (June to September).

Fundraising Event

On Saturday night last the South Eastern Cancer Foundation held their annual fundraising event in Gardenmorris, Kill. A large crowd turned up for the event. Local musician Christy entertained the crowd for the first part of the night. He was followed by Colette and Country Live Beat Showband which were absolutely brilliant. The crowd danced the night away to

lots of the old time greats after enjoying the beautiful barbecue which was prepared for them. The Marquee was absolutely perfect for the occasion and to top everything off, the weather was fantastic. A special mention must be made to Martin Kennedy who supplied all the information surrounding the fundraising event for the local notes. Also to the many people who helped in anyway to make the night a fantastic success. A special thanks must go to the Queally family for the use of the Millennium Hall and the Courtyard to host the event. No doubt a lot of money was made on the night and is going to a great cause. Special thanks to the newspapers who kindly left the local notes which were long at times, be part of a major PR exercise, which helped secure the great numbers that turned up. Once again thanks to everyone for making it such a great success.

IN MEMORIAM

CAREY — Sixth Anniversary — Treasured memories of a wonderful husband, Patsy Carey, Coumglén, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

As down the road of memories,
We gently tread today,
Our loving thoughts are with you,
As life goes on its way,
Time may heal the heartaches,
Like the smile that hides the tears,
But happy memories keep you close,
Despite the passing years.
(Sadly missed by your loving wife Mamie).

CAREY — Sixth Anniversary — In loving memory of a dear Dad and Grandad, Patsy Carey, Coumglén, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

You left us with precious memories Dad,
Your love is always our guide,
Although we cannot see you,
You are always by our side.
(Sadly missed by your son Michael, daughter-in-law Mamie, granddaughter Nuala and grandson Patrick).

CAREY — Sixth Anniversary — In loving memory of my dear grandad, Patsy Carey, Coumglén, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.

We will never forget you,
We won't even try,
Just miss you more,
Grandad,
As the years go by.
(Sadly missed by your granddaughter Noreen and husband Pat).

CONDON — Fourteenth Anniversary — In loving memory of Hanora Condon, Parkdotia, Tallow, Co. Waterford who died on 23 July, 1991. Mass offered.

We cannot stop the hands of time,
Or live again the past,
But we will always love and think of you,
As long as life shall last.
(Always remembered by your loving daughter-in-law Margaret and grandchildren and great grandchildren).

DAYNES — Thirteenth Anniversary — In loving memory of my dear friend Peggy, late of Ballyduff Upper who died on 19 July, 1992. May her gentle soul rest in peace.

Your name is often mentioned,
My thoughts are with you still,
You haven't been forgotten,
Peggy,
And by me you never will,
Hoping you are happy,
In your heavenly home above,
Today is your anniversary,
And I send you all my love,
Dear friends who'll think of Peggy today,
A little prayer to Jesus say.
(From your loving friend Molly).

DONOVAN — Twenty Third Anniversary — In loving memory of Patrick Donovan, late of 47 Cathal Brugha Place who died on 31 July, 1982. Masses offered. R.I.P.

Life goes on, memories stay,

Just a memory fond and true,
Just a prayer from the family who loved you,
In our hearts you will live forever,
Because we thought the world of you.

(Always remembered by Breda, Francis and family at home and away).

DUGGAN — Sixth Anniversary — In loving memory of Jeff Duggan, 18 Shandon, Dungarvan who died on 21st July, 1999.

My heart is full of memories,
I treasure them with care,
The way you had to leave us,
Will always seem unfair,
I cannot stop the hands of time,
Or live again the past,
But I will think and pray for you,
As long as my life will last.
(Sadly missed by your loving niece Noreen, Eddie and all the family).

FOLEY — Second Anniversary — In loving memory of our dear son Billy, 3 Bothar Mochuda, Lismore who died on 23 July, 2003. Anniversary Mass in Mount Melleray at 7.45 on Saturday, 23 July.

The days are now longer,
The nights never end,
They tell us time will heal,
And eventually mend,
The void in our hearts,
Where the sadness has come,
We pray you are at peace,
Billy our son
(Dad and Mam).

DAD
O Guardian Angel up above,
Give my Dad all my love.
(Megan).

Nothing ever will,
In life we loved you dearly,
In death we love you still.

They say it's a beautiful journey,
From the old world to the new,
Some day I'll make that journey,
On the stairway that leads to you.
And when I reach that garden,
Where all is free from pain,
I'll put my arms around you,
Dad,
And we'll never part again.
Father in heaven hear our prayer,
Look after Dad with loving care,
Be a good shepherd, don't leave him alone,
For this is his fifth year away from home.

Missed in the morning of every day,
Missed in the evening as light slips away,
Missed for a thousand and one little things,
Around every corner a memory clings.
A father, a friend, a grandfather too,
We all thought the world of you,
Of all the gifts in life,
However big and small,
To have you as a Grandad,
Was the greatest gift of all.
(Loved always — Robert, Majella, Mia and Robyn).

The best beyond compare.
Will those who think of him today,

No treasure can ever replace you, Granddad,
Your memory will never grow old.

We will find you waiting there.
We will know your voice in the heavenly crowd,

IN MEMORIAMs

TUTTY — Twenty-sixth Anniversary — In loving memory of my dear sister-in-law, Helen Wade, late of 3, Sheare's Street, Abbeyside, Dungarvan, who died on July 23rd, 1979.
As down the road of memories,
We gently tread today,
Our loving thoughts are with you
As life goes on its way.
Time may heal the heartaches,
Like the smile that hides the tears,
But happy memories keep you close,
Despite the passing years.
(Never forgotten by her son-in-law Pat and family and grandchildren).

WADE — Seventeenth Anniversary — In loving memory of my wife, Helen, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.
Parting comes to let us know,
We love more deeply than we show,
Love in death makes us see,
What love in life should really have been.
Will those who think of her today,
A little prayer to Jesus say.
(Sadly missed by her loving husband, Pat.)

WADE — In loving memory of Helen Wade, (nee O'Shea), 3 Shear St., Abbeyside whose 17th Anniversary is on 24 July. Anniversary Mass on Sunday at 10 am in St. Mary's Parish Church.
Today I bring you flowers
Mam,
Sprinkled with my tears,
For you are still a part of me,
In spite of passing years,
Some people say as time goes by,
The heartache will subside,
But the feelings in my heart today,
Are the same as when you died,
So many times I've needed you,
So many times I've cried,
If love could have kept you Mam,
You never would have died,
When you lose someone special,
The hurt is hard to hide,
But when it is your mother,
The hurt goes deep inside.
(Your son Tony and Noreen).

WADE — Sixteenth Anniversary — In loving memory of my dear sister-in-law, Helen Wade, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.
Falling tears and aching hearts,
Are things we have to bear,
But losing you the way we did,
Will always seem unfair.
There's much more to this verse,
Than just the words you see,
It's filled with happy memories,
Of days that used to be.
Will all of Helen's friends who think of her today,
A little prayer to Jesus say.
(Never forgotten by Pearl and family.)

WADE — Seventeenth Anniversary — In loving memory of my grandmother, Helen Wade, late of 3 Shear's St, Abbeyside who died on July 24, 1988.
Nanny you had a smile for everyone,
You had a heart of gold,
You left the sweetest memories,
This world could ever hold,
To us you were someone special,
Someone kind and true,
You will never be forgotten,
For we thought the world of you.
(Your loving granddaughter Lisa and John Paul).

WADE — Seventeenth Anniversary — In loving memory of my Nanny Helen Wade, late of 3 Shears St., Abbeyside who died on July 24, 1988.
We miss you from your fire-side chair,
Your loving smile and gentle air,
Your vacant place no one can fill,
We miss you Nanny and always will.
(Your loving granddaughter Tonya, Stephen, Cameron and Evan).

WADE — Seventeenth Anniversary — In loving memory of my mother, Helen Wade, late of 3, Sheare's Street, Abbeyside, who died July 24, 1988.
For every thought there is a tear,
For a mother I miss and loved so dear,
The tears in my eyes can be wiped away,
But the pain in my heart will always stay.
Will those who think of her today,
A little prayer to Jesus say.
(Always remembered by your loving son, John.)

WADE — Seventeenth Anniversary — In loving memory of Helen Wade (née O'Shea), Sheare's Street, Abbeyside, who died on July 24, 1988.
A little tribute small and tender,
Just to show we still remember,
A heart of gold, a life so true,
Loved and respected by all she knew.
Always willing, helpful and kind,
What beautiful memories she left behind,
Will those who think of Helen today,
A little prayer to Jesus say.
Along the road to yesterday,
That leads us straight to you,
Are memories of happy days,
Together we once knew.
The blow was hard, the shock severe,
To part with one we loved so dear,
Our loss is great, we'll not complain,
But trust in God to meet again.
(Always remembered by your loving sister Sheila, Jimmy and family.)

WADE — Seventeenth Anniversary — In loving memory of my dear sister, Helen Wade (née O'Shea), Sheare's Street, Abbeyside, who died on July 24, 1988.
Anniversary Mass in Abbeyside Church on Saturday, July 23 at 7 p.m.
Isn't it strange that those we need,
Are those we love the best;
And just the ones that God needs too,
And takes them home to rest.
We miss you because we loved you,
To us you were dearer than gold,
No treasure can ever replace you,
Your memory will never grow old.
(Never forgotten by her loving sister Mary and family.)

WADE — Seventeenth Anniversary — In loving memory of Helen Wade, late of 3 Shear's St, Abbeyside who died on July 24, 1988.
I often lie awake at night,
When the world is fast asleep,
I think about the mother I lost,
With tears upon my cheek,
I cannot get over losing you,
No matter how I try,
I will always love and remember you,
Until the day I die,
Love her Lord as I did,
Don't let her see me cry,
For the years we had as a family,
No millionaire could buy.
(Never forgotten, your loving daughter Anne, Stacey, Jason and Reece.)

WALSH — Second Anniversary — In loving memory of Chris Walsh, late of 7, Cloneety Villas, Dungarvan and Gosport, England whose anniversary occurs at this time.
Time goes by without you,
And days turn into a year,
Each moment holds a memory,
And many a silent tear.
Lord, look after Chris
He is in your care now,
Will those who think of Chris today,
A little prayer to Jesus say.
(Sadly missed and always loved by Maura, George and family.)

WALSH — Second Anniversary — In loving memory of a wonderful brother, Chris Walsh, late of 7, Cloneety Villas, Dungarvan and Gosport, England, whose anniversary occurs today, July 21.
July comes with sad regret,
It brings back a day I will never forget,
A tribute of love to a brother so dear,
It's not what we write, or what we say,
It's what we feel inside as we think of you today.
Your love for us was true,
As long as we were happy, you were happy too.
You taught us many things in life,
Always good and true,
But you never taught us how to cope,
With the pain of losing you.
We often sit and reminisce,
And have a smile or two,
Fondly telling stories,
Of things we used to do.
They bring a smile, sometimes a tear,
But always a wish that you were still here.
(Sadly missed and never forgotten by your loving sister Tricia, brother-in-law Martin, nieces Jade and Katie, nephew Connor XXX).

FRIENDS OF JACINTA

Just over a year ago the Loretto Convent Class of '79 enjoyed a wonderful class reunion. One of the driving forces on that reunion committee was a past pupil of that class, Jacinta Bulman. Then in July last year, Jacinta was struck down with a life threatening illness. Thankfully Jacinta is making great progress thanks to the wonderful support of her family and friends.

On hearing of her illness, friends and former classmates all feeling they wanted to help in some way, came together to form "Friends Of Jacinta". The group want to raise some funds to ensure that Jacinta has every aid possible to assist in her recovery. On this Saturday night, July 23rd a benefit night will be held for Jacinta at the Walter Raleigh Hotel, Youghal. Music will be provided by Backstage, followed by 60's, 70's and 80's disco by Sonic. ART CAMP

Art Camp in Clashmore has been bringing out the very best in our crafty kids at the Heritage Centre in Clashmore over the past two weeks. Even children who went to camp, protesting they could not draw,

were pleasantly surprised, that there is more to art than drawing lines on paper and during their week at camp have found many of their hidden talents.

Craft Children's teacher Marie takes a break next week but she is back with us at the Heritage Centre for a final week from Monday, August 1st to Friday, August 5th. There are just a few places for the final week. For availability call Marie at (024) 94053 or (086) 1098478.

CLASHMORE/KINSALEBEG GAA CLUB

Under 14 Hurling

We were heavily defeated by Portlaw/St. Molleran's in the Under 14 Hurling Division 2 County final which was played in Walsh Park on Saturday week last. The absence of three key players, Alan Coughlan, Darren Foley and Jonathan Walsh proved too much on the day. However, our players battled to the end and fought bravely against the odds. This team has performed excellently throughout the year and secured seven wins in the championship. Well done to Donal O'Connor on his Player of the Match selection. Also thanks to team trainer Alan Curran for all the work he puts in with this team throughout the year. A special word of thanks to players Darren Foley who cancelled holidays and Jonathan Walsh who postponed a minor operation to partake on Feile Peil. We will shortly begin our preparations for the Under 14 Football championship which commences in mid August. Team trainers Timmy O'Keeffe has a busy training schedule drawn up and we expect a big response from the entire panel.

Under 16 Hurling

We have two key features during this week. On Monday we play Brickeys and on Thursday evening we play An Ghaeltacht. Both are away games and commence at

7:30pm. A victory in either game will ensure qualification as we already have six points from four games played.

Under 12 Qualification

We commence the Under 12 Football championship this week with a home game on Thursday evening versus Cois Brid at 6:45pm and on Thursday evening we are away to Brickeys at 7pm.

A COMMUNITY DIVIDED BY THE N25

Work on the proposed realignment of the N25 from Piltown Cross almost to Youghal bridge is scheduled to commence in September. While totally necessary this massive development is without a proper fly over or an under road crossing suitable for motorists and pedestrians. This community is about to be divided forever. Does anybody care! Time is running out and to date we have only been offered a pedestrian crossing similar to those built for animals. Surely we deserve better than that.

We need the community united on this one, and you can lend your support by coming along to our meeting on this Wednesday night at 9pm in Piltown Hall.

ARDMORE G.A.A. CLUB NOTES

Senior Football:

St Saviours travelled to Ardmore on Sunday evening and took on a very much under strength Ardmore team. Surprisingly Ardmore kept up with the pace of the game to half time. Second half saw Wayne Hennessy moved to Full forward...and from that moment Ardmore had a target man to feed ball to. The move of the game came from a ball taken from defence by James O'Donnell who pick out Wayne. With James following up on his pass and with Wayne's footballing vision he fed James the return who then planted the ball in the back of the net. Ardmore took complete control at that stage and went on to win this League game. If only the panel could unite as one unit and follow through where they left off from the Under age glory...then the Conway Cup must be well within their sights.

Under 12 Football

Ardmore opened their campaign with a comprehensive win over Ballyduff in Ardmore last Sunday morning. We are very pleased with the progress this bunch of players are making. All players got a chance to perform and make their mark on the playing field. There was some great passing movement from the guys in both halves of the match. We now Play cappaquin on Friday night at 7:30 in Cappaguin.

Summer Camp

Our Hurling Summer camp is under way this week with over 80 kids signed up. We thank all our coaches/helpers for their time this week. Will update next week on its success. Thanks to all parents (local & Holiday makers) for having their kids on time and collected.

Ceremonies will begin with the rosary followed by Mass. It was at this site in August 1976 the annual Commemoration of Penal days, began in this area when Rev. Fr. Paddy Hallinan, Aughavoiliane home on leave from his Australian Diocese, celebrated the Mass. He was assisted by Rev. Fr. Colm O'Ryan, Knockalisheen, home on holidays from Los Angeles, California. Rosminians Celebrate

A Rosminion celebration day took place recently at Glencomeragh House to mark the rededication of the House of Prayers and the opening of hermitages and new gardens. The occasion coincided with the 150th anniversary of the death of the founder of the Rosminian Institute Antonio Rosmini Serbati. The four hermitages, independent living units, and the new Labyrinth garden represent an exciting addition to the grounds of Glencomeragh located at the foot of the Comeragh mountains, west of Kilsheelan. Now recognised as one of the best retreat houses in Europe, Glencomeragh offers people a retreat from life to 'get in touch with themselves' in beautiful surroundings according to the Glencomeragh director, Fr. Paddy Piers. Each hermitage is centred around a sacred space offering the visitor a unique experience, which invites people to connect with their inner self. This space is open to the elements, symbolising the vulnerability at the centre of each human heart. At the same time the hermitages reach outwards, to bring you closer to the wonders of God's creation in beautiful surroundings said Fr. Piers. The blessing of the hermitages and the new gardens which were designed by Ralph Wickham was conducted by Bishop Emeritus of Waterford and Lismore, Michael Russell. Mass was celebrated by Rev. Fr. Joseph O'Reilly, Provincial of the Irish Province of the Rosminians and the Superior General of the Rosminians was represented by Fr. Gioncarlo Taverna. "We are absolutely thrilled with the new development" said Fr. Piers.

LATE MR. PAUD HORAN

It is with deep and sincere regret we pen the death of Mr. Paud Horan, Ard-na-Greine, Clonmel which sad event took place at St. Anthony's Nursing Unit, Glencomer where he was looked after for the past five years. His death evokes fond memories of him as the first professional window cleaner in the town of Clonmel, a service sadly lacking in the town in those days.

Supported initially by many people in the neighbourhood, who gladly gave him a turn, he used to clean their windows for a few bob, before being contracted by shops and offices. Paud was a familiar and popular figure in the town for many years, with his ladder and cleaning equipment, as he greeted the passers by with a cheery hello, or a few friendly words.

Noted for his love of all things Irish, the language, literature, music, he was one of the prime motivators some years ago behind Feile Chluain Meala, which initiated cultural activities, especially for school children.

Son of Patrick and Sarah Horan of Sligo, he was one of a family of six, three boys and three girls. Having gone to school in his native Sligo, he duly arrived in Clonmel with his brother Seamus in the early forties, they both secured employment in the Clonmel Pram factory, where Paud met Peggy Dempsey, fell in love with her and a few years later they married. Peggy's mother, it will be recalled, was a milliner with a very fashionable shop in Mitchell Street, 'before the time' some would say in retrospect. Paud and Peggy took up residence in Davitt Avenue where they remained for a few years before moving to the old Dempsey homestead in Ard-na-Greine, rearing their three children. Like most of the people of that era, before the advent of the foreign holidays and Celtic Tiger, Tramore was one of the favourite resorts around where the family had some lovely caravan holidays. Visiting his folks in Sligo was always such a treat, especially for Paud meeting with his nephews and nieces and other relatives.

Paud was a very knowledgeable and well informed person, he loved books and was a voracious reader, historical and political subjects being of most interest to him. Nothing gave him more pleasure than a few drinks in good company, with lively interesting conversation being the order of the day. Though a Sligo man always, he nonetheless loved his adopted town for which in earlier years, with his brother Seamus he tried to promote the best in Irish culture. And he became an ardent admirer and follower of Banna Cluain Meala. Retiring from the window cleaning business, he enjoyed a daily walk around Powerstown until sadly a deterioration in his health some seven years ago, curtailed his activities, and he more or less confined to the house. Subsequently, St. Anthony's Nursing Unit in Glencomer became his home where he was well looked after.

His remains were removed to S.S. Peter and Paul's Parish Church where they were blessed and received by Rev. Fr. Colm O'Brien C.C., S.S. Peter and Paul's, Clonmel. On the following morning, requiem Mass was celebrated for the happy repose of his eternal soul, the celebrant was Rev. Fr. Colm O'Brien, C.C. After Mass the funeral took place to St. Patrick's Cemetery where he was laid to rest. Fr. Colm O'Brien C.C. officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a Christian friend whose memory they will always treasure.

To his wife, son, daughters, sister and his many relatives we extend our sympathy.

Ni fhicimid a leithad in ar measc aris.

LATE MRS. MARGARET O'SULLIVAN

It is with deep and sincere regret we pen the death of Mrs. Margaret O'Sullivan (nee Babington) of Carrick-on-Suir, which sad event took place at the Royal Surrey Hospital, Guildford, England.

Born in 1947 Margaret was the eldest of twelve children born to Mary and the late Jim Babington who carried on a long established family drapery business on Main Street, Carrick-on-Suir. Jim who died in 1984, was a noted political figure in the town and a prominent member of the Fianna Fail party which he represented on the town council for many years. Margaret Babington was educated at the local Presentation Convent School, Carrick-on-Suir following which she was employed at Meaney's Shoes and Mullin's Butchers before emigrating to England. In 1968 she married Carrick born Brian O'Sullivan in Aldershot and they had two children. Margaret was very much into music and Irish dancing. She followed her brother Kevin's equestrian career with great interest and excitement, and was very proud last year when he was unlucky not to win an Olympic medal when finishing fourth in the individual event in Athens.

Margaret did not enjoy the best of health during most of her life and she passed away at the Royal Surrey Hospital, Guildford. Her heartbroken mother travelled to Guildford to be present during her final days.

Requiem Mass was celebrated for the happy repose of her gentle soul, the celebrant was Rev. Canon David Mahy P.P. at St. Joseph's Church, Aldershot. Interment took place in Aldershot after Mass. To her family we extend our sympathy.

LATE MR. WILLIAM CAHILL

It is with deep and sincere regret the district learned of the death of Mr. William (Bill) Cahill, late of Liam Lynch Terrace, Newcastle, Clonmel. His death occurred following a brief illness in Wexford. Bill, following the death of his wife who passed away at an early age, he moved back to his native Wexford where his interment took place. To his son, daughters and his many other relatives we extend our sympathy.

Suimhneas siorai da anam uasal.

SYMPATHY

Sympathy of the district is extended to Thomas (Tom) McDonald and family, Redadaumpaun-Commons, Ballymacarbry, Clonmel, on the sad and tragic death of his sister Ann Sheehan (nee McDonald), Lissycannon, Rathmore, Co. Kerry and formerly of Rossmore, Carlow, Co. Laois, which sad event took place following an accident. On Friday her remains were removed from Waterford Regional Hospital to her home where she lay in repose until Saturday evening when her remains were removed to St. Joseph's Parish Church, Rathmore. On Sunday morning, the 11:30am Mass was celebrated for the happy repose of her gentle soul, after Mass she was laid to rest in the adjoining cemetery.

Faoi scrath na croise go raibh a hanam uasal.

LIAM LYNCH MEMORIAL

A ver large crowd gathered on the slopes of the Knockmealdown mountains, Co. Tipperary on Sunday, 17th July to pay their annual tribute to the memory of Liam Lynch, who gave his life in 1923, in resistance against the forces of the Free State.

Wreaths were laid by Kitty Harney on behalf of the National committee; Dan Keating, Castlemaine; Christy O'Callaghan (grand-nephew of Liam Lynch); Cyril McCurtain, West Limerick and the National Graves, Association. John Hassett, presiding Chairman, welcomed Dan Keating, Castlemaine, who was the committee's guest of honour at the ceremony. He gave a special welcome to the Pikeman, Wexford, who travelled by bus to the commemoration. Finbarr Kissane, read from a document giving an account of the famine times. Nicolas McCraith, An Rinn, recited a decade of the rosary of all those who gave their lives in the struggle for freedom.

The National Graves Association provided a colour party which, combined with the flags flying from standards contributed colour to the entire scene. The Chairman then introduced the principal speaker, Kerry republican Liam Cotter, who gave a trenchant oration and stressed that lasting peace depended on a total British withdrawal from the Six Counties.

The commemoration concluded with the playing of the National Anthem by piper Mattie Weldon after which tea and sandwiches were had in the hospitable confines of the Glenview Lodge, Goatenbridge.

Mass At The Old Cemetery

On Tuesday evening, the feast of St. John Gualbert, the Holy Sacrifice of the Mass was celebrated for the happy repose of all the people interred in the Ancient Church at Kilonan. The celebrant was Rev. Fr. Patrick Condon, C.C., Fourmilewater/Newcastle and hymns for the occasion were provided by members of Fourmilewater Church choir. There was a large number of people present, many from the Old Bridge and Kilmaccoma area. Waterford County Council had the grass cut for the occasion. We say a big thank you to them.

On Wednesday evening, the feast of St. Eugenius, the Holy Sacrifice of the Mass was celebrated for the happy repose of all the people interred in the Ancient Burial Ground at Cill Cloggin. The celebrant was Rev. Fr. Patrick Condon C.C., Fourmilewater/Newcastle. Also present was Rev. Fr. Maurice O'Gorman P.P. Clashmore/Piltown, a native of the parish. Hymns were provided by the Fourmilewater and Newcastle Church Choir. Many people from outside the parish were present. Again, Fr. Condon C.C. thanked the people for attending and he praised the Waterford County Council for cutting the grass and the Ballymacarbry correspondent of the 'Dungarvan Leader' for carrying an ad that the Masses were taking place.

On Thursday evening, the feast of St. Bonaventure, the Holy Sacrifice of the Mass was celebrated at the Ancient Church at Bennett's Church. The celebrant was Rev. Fr. Patrick Condon C.C., Fourmilewater/Newcastle. Hymns again were provided by Fourmilewater Church Choir. There was a large turnout of people, many from surrounding parishes. During the three Masses, the weather was most kind. Fr. Condon C.C. again praised Waterford County Council workers on the cutting of the grasses.

After Mass the people visited the graves of their loved ones.

Tionól an tSamhraidh 2005 A Great Success

D'éirigh go hiontach leis an tríú 'Thionól an tSamhraidh', ar an dtéama 'Coláiste na Rinne: Saothar, Spiorad & Oidhreacht', a bhí ar siúl i nDún Garbhán agus i nGaeltacht na Rinne ón 8-10ú Iúil. The delegates, who travelled from all over the country, took part in a very interesting and entertaining weekend of lectures and related activities in Waterford County Council's Civic Offices, Dún Garbhán and in Coláiste na Rinne itself.

The official opening of Tionól an tSamhraidh was performed by Aonghus Ó hEocha, Cathaoirleach Choláiste na Rinne in the Civic Offices on Friday night. Thug an tUasal Ó hEocha cur síos an-shuimiúil ar stair na scoiláochta trí Ghaeilge sna Déise suas go dtí, agus ar aghaidh ó, bhunú Choláiste na Rinne i 1905 - his own father being one of the founders. Méara an Chontae, Ger Barron was present, as was Méara Dhún Garbhán, Fiachra Ó Céilleachair. Labhair an tUasal Ó Céilleachair faoin mbaint phearsanta a bhí agus atá fós aige féin agus a mhuintir le Coláiste na Rinne thar na blianta agus thréasaigh sé le lucht eagartha an Tionóil as ócáid chultúrtha Ghaelach dá

leithéid a eagrú sa chontae gach bliain.

The keynote speech was given by an tAire Éamon Ó Cuív TD, Minister for Community, Rural & Gaeltacht Affairs. Sargent Cup

We played Fourmilewater at Colligan last Sunday night the 17th of July at a magnificently appointed Colligan. The pitch was in splendid condition and with the weather warm and sun shining it was ideal for hurling. The game was played with great pace and commitment by both sides and was a very high scoring affair. Unfortunately having scored 1 goal and 15 points will still went down with Fourmilewater scoring 4 goals and 10 points to move onto the Sargent Cup final. This is a competition that we would have like to have won but was not to be. We wish Fourmilewater the very best in the final. We still have some way to go to get to championship readiness for the Mount Sion game. The team was as follows Patrick Enright, Damian Cliffe (Captain), John Kindregan, Brian Scanlon, Patrick Lynch, John Phelan, Shane Briggs, John Foley, Mark Fives, Peter Phelan, Laurence Hurney, Patrick Hurney, Michael Enright, Gary Hurney and Mark Gorman. Substitutes used Joey Mullen and Richie Foley as a blood substitute. Other lads on the line were Daryl Ryan, Paul Breen, John Gorman, Simon Hanrahan, Eoin Enright and Mark Ferncombe. Scorers were Mark

Gorman 7 points; Gary Hurney 1 goal and 1 point, Peter Phelan and Mark Fives 2 points each, Patrick Hurney, John Foley and Laurence Hurney 1 point each. Before the game a minute silence was observed because of the death of Gerry Power.

Minor Football Championship

On Wednesday night last our minors recorded a hard earned but deserved win over The Brickey's at Fraher Field. The team was as follows Stephen Enright, John O'Driscoll, Diarmuid O'Hare, Dermot Henley, Brendan Walsh, Richie Foley, Eoin Brackett, John Gorman, James O'Mahoney, Jason Healy, Jason O'Brien, Shane Delahunty, Diarmuid Sheehan, Mark Ferncombe and Alan Deegan. All available substitutes were used Billy Ryan, Alan Tobin, Stephen Lanigan and Anthony Flynn. Scorers were Mark Ferncombe 1 goal and 6 points, Diarmuid Sheehan and Alan Deegan 1 goal each, Jason Healy 2 points and Shane Delahunty 1 point.

We play Stradbally next Wednesday night the 20th of July at Kilrossanty throw in 7.30pm. All supporters please get out and shout for this hard working young team and their mentors.

Joe Flynn Cup

On Monday evening next the 25th of July at 7.30pm the Abbeyside Minor Hurlers will play Youghal at our own club grounds for the Joe Flynn Cup. This Cup was presented to the club by Mrs Mary Flynn and family, which will be played for each year by one of our under age teams.

Joe Flynn along with his five brothers wore the club colours with distinction. Winning championship honours at juvenile level, in minor and under 21 grades and also at intermedi-

ate football levels. Joe also played senior hurling and football for the club and was a member of the last Abbeyside team to contest a senior hurling final in 1969. Of course Joe's late mother Mrs B Flynn was a life president of the club and one of our most faithful supporters during her lifetime along with her great friends Mrs Lennon and Mrs Cashin. Joe's sons Colum, Brendan and Richie all played for the club. A big turn out by all club members and supporters is requested for this game as this youthful minor hurling side are due to commence what will be a very difficult championship campaign in the Western division. This championship starts on the 3rd of August next and this game will serve as ideal preparation for this championship.

Under 12 Hurling

We were involved in the Dungarvan under 12 hurling tournament last Saturday. We were grouped with De La Salle and Ballygunner. Having drawn with De La Salle in the first game we were unlucky to be beaten by Ballygunner. We missed the skills of Barry McCullagh and Colm Kindergan due to injury problems.

The panel was as follows; Jack Lacey, Kevin Walsh, Colm Kindergan, Diarmuid Buck, Shane Wall, Evan Collins, Fiona Morrissey, Eoin Bergin, David Collins, John O'Riordan, Jack Marriott, Lughaidh O'Mahoney, Josh McGoey, Josh Y. Veale, Steven O'Connor, Barry McCullagh, David Sweeney.

Our thanks to Pat Curran, Derek Lyons and the juvenile club for the invitation and refreshments after the matches.

Abbeyside Scouts News

Last Saturday night was the last meeting before we break up for annual camp. The meeting itself began at the earlier time of 7 o'clock and did not finish until 10.30. To begin with those scouts going on camp went through a comprehensive list supplied by the group leader, Muller. This list pointed out what to bring on camp in regard to clothing etc. It also pointed out the need for all concerned to have their important documents in order as well as the money side of things ie Swiss Francs. Hopefully the weather in Switzerland will be as good if not better than the weather we have experienced in the past number of weeks. Sunglasses and sunscreen are two of the top items on the travel list. The reason for this is that because of the high altitude of Switzerland, even if the weather is poorly there are still closer to the harmful effects of the sun rays and hence the need for sun protection. As soon as the camp gear list has been gone through thoroughly it was time to head off to town. The troop walked over to the cinema and everyone went in to see the latest movie on release "The War of the Worlds" starring Tom Cruise. The movie itself lasted about two hours and everyone agreed afterwards that the special effects were spectacular! On the way home some of the scouts got a bag of chips while the more cash starved among them only got a drink. The meeting finished with the reminder that the next scout meeting will be held on Saturday the 10th of September.

CAMP SWITZERLAND 2005

This Friday the 22nd July all those going on annual camp will gather at the den at twelve o'clock midday to begin the first leg of the trip to Switzerland. The final destination for the thirty people attending camp is the town of Adelboden. While here we will be staying in a typical Swiss chalet house (no tents this year) using it as our base from where we hope to explore as much of Swiss life and sights as we possibly can. Believe it or not this year's camp was in the planning stages within two weeks of returning from annual camp last year in Dundrum. Now everything is in place for this the 75th annual camp of the 4th Waterford Scout group. Everyone is eagerly looking forward to what promises to be a camp of great fun and new adventures. The next notes in this paper will detail all (or as much as possible) of the events of this camp, so as they say on the radio, stay tuned!

CHAMPION TREES

A selection of Ireland's Great Trees

Recently we got a booklet from the Tree Council of Ireland with the above title. It covers the full 32 counties and is very informative.

If you want to see the tallest tree in Ireland you will have to travel to Wicklow to see.

Pseudotsuga Menziesii (Douglas Fir), Powerscourt Gardens, Enniskerry - 5 x 56 m - tallest tree in Ireland. If you want to see the second tallest tree you can stay in Co. Waterford and see Picea Sitchensis (Sitka Spruce), Curraghmore, Portlaw - 6.7 x 55 m - Irish Height Champion; 2nd tallest tree in Ireland.

To date 238 trees have been measured in Co. Waterford. What about Abbeyside you may ask! Well, as usual Dungarvan has stolen our thunder with Aesculus Hippocastanum (Horse Chestnut), Glendine House, Dungarvan - 6.13 x 22.5 m.

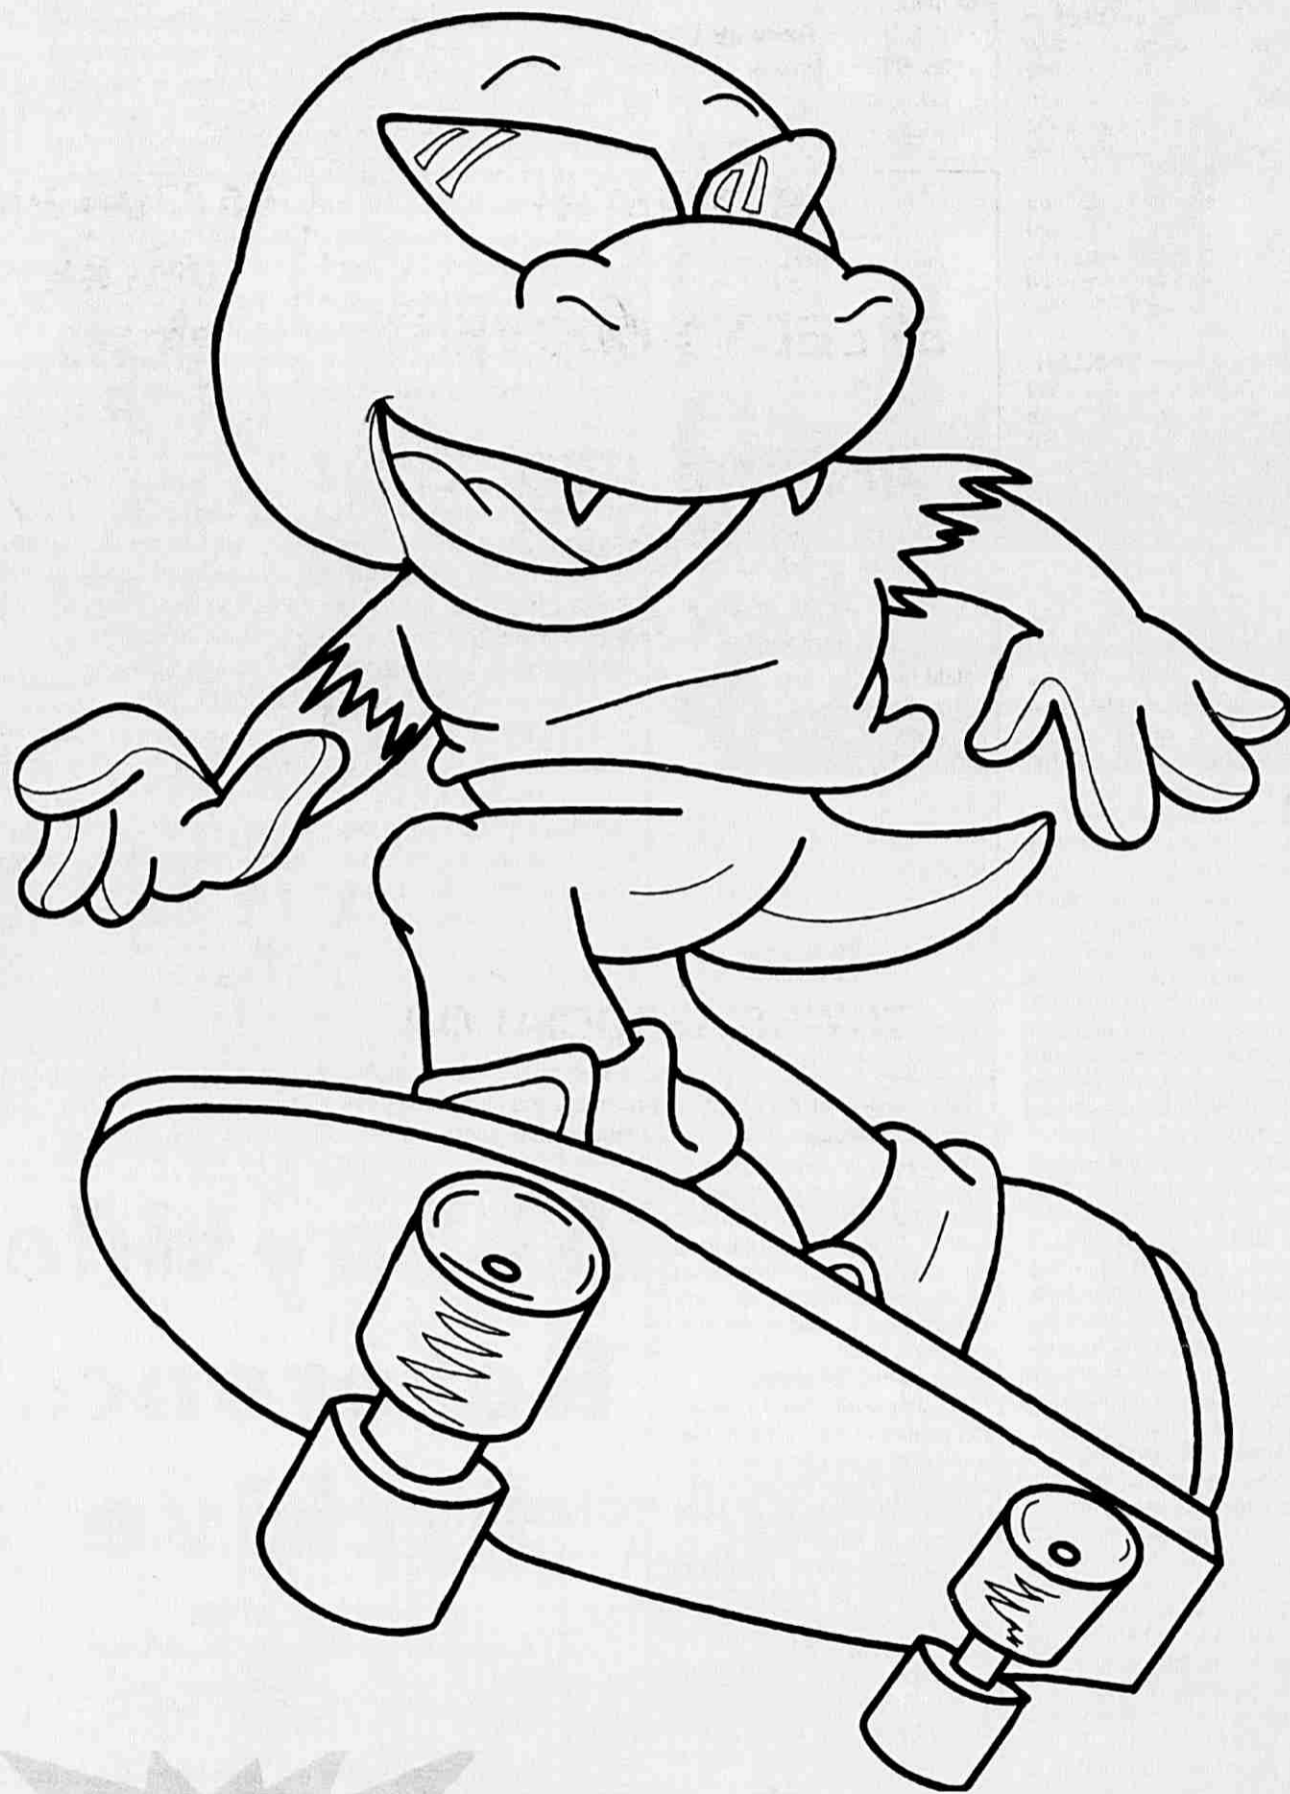

If you were ever at St. Gehan's Well Mass and stood under the big Chestnut tree at Glendine, you knew you were in Abbeyside and not Dungarvan - enough said!!

This Sunday evening Emma Flynn will be at the Parish Office with all our tall trees and many tall stories.

ANCIENT GREECE

Ancient Greek civilisation was founded about 2000 BC. Because the area is so mountainous, communication between cities was difficult. So they developed city states which were ruled separately, but shared a common culture. The Greeks produced superb sculpture, great literature and monumental buildings. They also invented democracy (fair government).

Athenian coins

Coins Of Gold And Silver

The first coins were minted in Lydia (part of the present Turkey) around 650 BC. The Greeks copied the idea and made coins of their own from gold and silver. They bore images of the gods and heroes, or emblems of the cities where they were made. The coins for Athens, for example, showed the owl of Athene who was the patron goddess of the city.

Homes Of The Gods

The ancient Greeks worshipped many gods and goddesses. Among them were Zeus (god of the sky), Poseidon (goddess of the sea), Hebe (god of youth) and Aphrodite (goddess of love). Numerous temples were built in honour of these deities and sacrifices were made to them. One of the finest temples was the Parthenon (built 447 - 438 BC) in Athens. It was dedicated to Athene, goddess of wisdom, arts and crafts.

Cappoquin Notes

AFFANE/CAPPOQUIN GAA CLUB NOTES

Clashmore 3-02 Cappoquin 0-10

U-21 Hurling Championship

The score line says it all about this match. We were in total control for the majority of this game and in particular in the first half when at one point we led by six points to no score. However Clashmore finished a penalty to the net a few minutes before half time to give them hope for the second half. Keith Landers picked up a nasty hand injury early in the first half and this was to affect us seriously as the game wore on.

We never built on our first half superiority in the second half as Clashmore slowly but surely came back into the game but with four minutes of injury time played we still led by two points before disaster struck when a high ball into the box broke kindly to a Clashmore forward who despite a valiant effort from Ian struck a ground shot to the net to decide the match. There was no time for an equaliser as the game ended from the resulting puck out.

Sport can be cruel at times but despite having lost this match the lads can take heart as we had ten minors on the starting fifteen and every player put in a great effort that deserved a better outcome.

Those to play well were Conor Heffernan who was outstanding at corner back, Shane Fives, Timmy Looby, Mark Landers, JJ Devine and in the forwards Keith Landers, Paul Murray and Dan Dransfield stood out.

The team was as follows:

Ian Mason, Gearoid Coughlan, Shane Fives, Conor Heffernan, Killian Denn, Timmy Looby, Eoin Landers, Mark Landers, JJ Devine, Kevin O'Rourke, Paul Murray (0-4), Keith Landers (0-3), Paul Barry, Cathal Wilkinson & Dan Dransfield (0-3). Subs: Pat Devine, Donal McGrath & Tommy Curran.

County Hurling League Division 3 Clashmore 1-18 Cappoquin 2-10

We played our fourth game in the league on Saturday last and again came away with nothing to show for our efforts. Great credit is due to the fifteen lads who showed up on the night as we were struggling to field due to injuries, holidays and other various reasons.

We started brightly and had 1-02 on the board before Clashmore came back into the game with a few scores of their own but we still led by two points at half time 1-06 to 0-07. Clashmore's fitness told in the second half as they tagged on 1-11 to their first half score to run out five point winners. Their goal coming from a semi penalty on the stroke of full time.

The team was as follows; Fintan Murray, Conor Heffernan, Tom Mansfield, Brian McCarthy, Kevin Looby, Paul

Lacey (0-3), Anthony McCarthy, Mark Landers, Timmy Looby, Shane Coughlan (0-02), Kevin Foley (0-2), Damian McCarthy, Shane Barry, Mike Buckley & Richard Scanlan (2-3). Fintan picked up an injury in the first half so selector James Lacey was called on as Anthony took up the goalkeeping duties.

Best Wishes

We really are having a bad run of luck this year with injuries. The latest players to join the list are Keith Landers and Pat Morrissey who both broke bones in their hands and the club would like to wish them both a speedy recovery as they are both key players on our adult teams.

Bon Voyage

Best wishes are also extended to Stephen Landers who joined the exodus from the locality in moving down under for the year and also to Alan Barry and Michael Murphy.

Good Luck

All roads lead to Croke Park this Sunday as Waterford take on Cork in a do or die game and we would like to wish the team the very best of luck and a safe journey to all from the locality who are travelling to the match.

The Show has always been great fun and loads of competitions and games have been planned for the day including bale painting, tug o war, ladder competition with baskets, obstacle course and a bungee pull. The woodchopper challenge is back by popular demand again this year. There is also a photo competition for all the clubs to enter. In addition our club is having a novelty competition. As many members as possible should come along for the day to show everyone what we get up to during the year and to promote Macra in the County. Also if anyone would be interested in helping out at the Car Park it would be greatly appreciated.

Please note that the date of the trip to Oakwood has been changed to the 13th of August. The ferry will be leaving Rosslare at 8am. It was the After Dark option that was decided upon. as a draw for vandals and anti-social behaviour.

Dungarvan Leader - GARDEN FEATURE

Getting rid of unwanted bugs

Whatever kind of garden you have, you need to deal with unwanted guests the central aim being to get rid of them.

But you don't need to work on the principle of killing everything that moves in the garden. You certainly do not want to get rid of all the friendly predators in the garden that are, nature's own method of dealing with pests.

This type of bug control is part of the overall return to more natural methods of cultivation which has been growing in recent years.

Organic gardening, whether it's food or flowers you are growing, is aimed at getting back to a balance in nature without using chemicals..

Plants are more robust when they are grown in soil kept well fed with organic manure.

The use of quick-acting fertilisers induces soft growth which easily becomes the target of many enemies.

Instead of using chemicals which can kill off all insects, selective use of predators helps as does using the right plants.

There are many friendly creatures about - the most useful in the garden being bees whose activities encourage pollination. And if you thought wasps were the most annoying creatures invented - think again - they eat lots of greenfly. Although sometimes regarded as something of a pest in some gardens, birds in fact do more good than harm. They eat lots of grubs, caterpillars, slugs and aphids and can be encouraged into the garden by incorporating food tables, bird baths and nest boxes.

Toads, frogs and hedgehogs also eat large number of harmful creatures like slugs and snails. Larvae of the ground beetle are beneficial too.

They look like caterpillars, are a dull brown colour and have three pairs of legs. They move very quickly - as do most helpful insects that hunt bugs - but should not be confused with the harmful wire worm which is lighter in colour and very much less active.

Black garden beetles feed on eel worms, cut-worms, leather jackets as well as insect eggs. Like many predators, they like to hunt at night and hides out of sight under leaves during the day.

The centipede is another friend which likes groundcover, with a rather flat light brown body. Again, it moves very quickly and should not be confused with harmful millipedes which are either a slate grey or darkish brown colour and are very sluggish.

Of the flying insects, the ladybird is one of the gardener's best friends. Both the familiar spotted adult beetles and the tiny, rather alligator-like, larvae destroy countless numbers of greenfly.

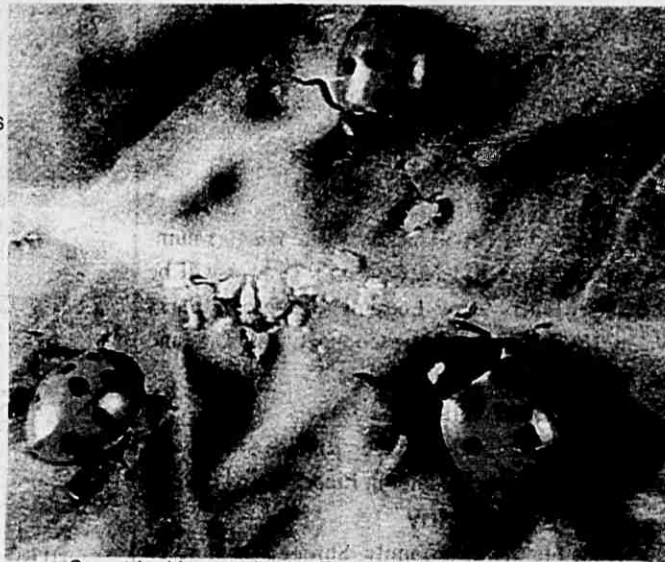

Some species of hoverfly look rather like elegant wasps. They and their larvae eat huge numbers of aphids too.

The common lacewing has a thin, pale green body and is very active destroying all kinds of small insects.

In the greenhouse, a small wasp called Encarsia formosa will keep whitefly at bay if introduced before the problem gets too big.

Another problem, the damaging red spider mite, can be helped by a bug called phytoseiulus persimilis which eats five adults or 20 young mites in a day. These two have to be introduced to the greenhouse annually and can usually be bought by mail order - your local garden centre should be able to help you.

Some plants can help too - nasturtiums help repel whitefly while garlic and tagetes, French and African marigolds, discourage greenfly. And where possible when you buy any kind of plants or seeds, make sure they are healthy and purchase the ones that are bred to be resistant to common pests and diseases.

Sweet-looking predators: The ladybird is the gardener's friend - they destroy countless numbers of greenfly.

This week in the garden

Plant Madonna lilies

This is the ideal time to plant Liliun candidum, the Madonna lily. It differs from almost all other lilies in making quite a lot of new growth in late summer, and it should be planted before this starts.

Another peculiarity is that the bulbs grow practically on the surface. You should plant them 20cm apart and only cover with 5cm of soil. They will probably work themselves out until they show; but make no attempt to cover them again. This lily prefers a sunny position and good, but not freshly manured ground.

Lift daffodils and bulbous irises

Daffodils and narcissi, also the various bulbous irises, will now have completed their growth and may be lifted and cleaned off if they are overgrown or you need the ground for something else. Otherwise leave them undisturbed for another year.

They do not gain anything by annual lifting and drying, as do tulips and hyacinths. If you do lift them, get them replanted as soon as possible and certainly before the end of September.

Cut back helianthemums

Sun roses tend to get rather straggly if left to their own device, but if cut back a little each year at about this time they can be kept quite neat and tidy. You can do the work with a large pair of scissors or garden shears.

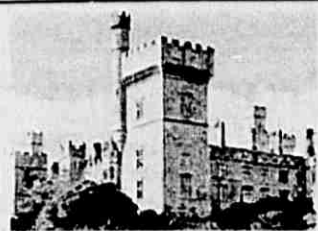

Feed chrysanthemums

It is a mistake to begin to feed chrysanthemums of any type too early, but you can start now with safety.

Give a top dressing of chicken manure and very small doses of liquid feed made for chrysanthemums or other flowering plants every five days as directed by the manufacturer.

Sow for winter

Now is the time to sow turnips and beet for storing, as well as Hungry Gap kale, spinach beet and cabbages for the spring.

LISMORE TIDY TOWNS NEWS

The people of Lismore have vowed that they are going for gold as the town prepares to become the best in Europe. Late last year the town was selected to represent Ireland in the prestigious Entente Florale competition, which will see eleven countries across Europe vying for gold medal status.

While the Entente Florale is not necessarily a competition with winners and losers, it does award medals in line with a vigorous points scheme. On Friday of this week the judges will spend eight hours in Lismore awarding marks for the various different categories.

To win a gold medal would put Lismore on the International map. In Europe it is a huge honour to be part of Entente Florale. In France and Germany alone, two thousand towns and villages entered the competition in a bid to become their countries representatives in the international competition. This reflects the European wide acclaim the competition has and the high standards that have to be reached to achieve gold.

We have received huge support from all the community and especially from Waterford County Council. We have all seen the work done around the town in recent weeks and this will be a great help as we try to win a medal for Ireland.

By now every household in the town will have received a

fact sheet regarding Fridays judging. They will be looking for community involvement so please say hello along the route, in the Millennium Park and finally in St. Carthage's Church

at 6.45pm.

If last weeks good weather continues it will be an added bonus as the sunshine adds an extra sparkle to this jewel in West Waterford.

Recipes

COOKERY CORNER

Vermicelli con le cozze

THIS classic recipe from the Bay of Naples can either be made with mussels, small clams (vongole) or a mixture of the two. Either vermicelli or spaghetti can form the pasta base but the customary grated cheese is not served with this dish.

Ingredients:
(Serves 4)

- 2.25 litres fresh mussels
- 150ml water
- 5 tbs olive oil
- 1 medium onion, finely chopped
- 2 cloves garlic, sliced
- 750g tomatoes, skinned and
- 350g vermicelli or spaghetti
- salt
- freshly ground black pepper
- 2 tbs chopped parsley
- chopped

Method:

SCRUB and scrape the mussels and wash thor-

oughly, throwing away any that do not close tightly when sharply tapped. Put into a large pan with the water and heat briskly, shaking the pan occasionally, for 5 or 6 minutes or until the shells open. Remove from the heat and drain off the water. Set aside a few mussels in their shells to garnish.

Remove the mussels from the rest of the shells.

Heat 3 tbs of olive oil in a large saucepan and fry the onion until soft and golden. Stir in the garlic, then the tomatoes. Simmer gently for about 30 minutes until the tomatoes have reduced to a pulp.

Cook the pasta in plenty of boiling salted water until tender, about 10 minutes. Drain the pasta well, put

into a hot dish containing the remaining oil and toss until lightly coated. Season the sauce with salt and pepper, add the shelled mussels and heat

through, stirring. Pile the sauce on top of the pasta. Serve immediately, garnished with the reserved mussels and chopped parsley.

STUFFED AVOCADOS

AVOCADOpears are available all year round in supermarkets, but they are not always ready for eating when purchased. To test for ripeness, press the flesh gently at the rounded end - it should yield slightly. Avoid pears that look to have blackened skin as they will be too ripe to use in this delicious recipe that can be either a starter or part of a barbecue buffet.

Ingredients
(Serves 8)

- 4 avocados
- juice of 1 lemon
- 100g shelled prawns
- 1 small can celery hearts
- pinch each salt and pepper
- 2 eggs, hard boiled
- few drops of tabasco sauce

Method:

CUT the avocados in half, remove the stones by embedding a large blade

in the stone with a careful downward action and pulling the stone away from the flesh.

Immediately sprinkle the avocado flesh with lemon juice to prevent discolouring. Mix together the prawns and seasoning and use to fill four of the avocado halves. Drain and slice the celery hearts and mix with the hard-boiled eggs and Tabasco sauce.

Use this mixture to fill the other four avocado halves. Serve with mayonnaise or dressing.

VARIATION

Other fillings may be used - try canned or frozen lobster meat mixed with double cream, black pepper and a squeeze of lemon juice; or scoop out the avocado flesh and mix it with soured cream and a few chopped almonds or walnuts.

Return to the avocado shells and serve garnished with chopped parsley.

Surprise grapefruit

THIS is a surprisingly delicious way of serving grapefruit, which usually only finds its way to the table cut in half or as segments at breakfast.

Ingredients:
(Makes 4)

- 750g fresh, frozen or canned blackberries
- 4 small grapefruit
- 75g icing sugar
- 2 tbs blackberry liqueur or brandy
- 150ml double cream
- 65g castor sugar
- 1 egg white
- 2 tbs chopped hazelnuts

Method:

IF using frozen blackberries, defrost them. Drain canned berries. Cut a slice off each grapefruit and scoop out the flesh. Remove the core, pith and seeds. Chop the grapefruit flesh and mix with the blackberries. Stir in the icing sugar

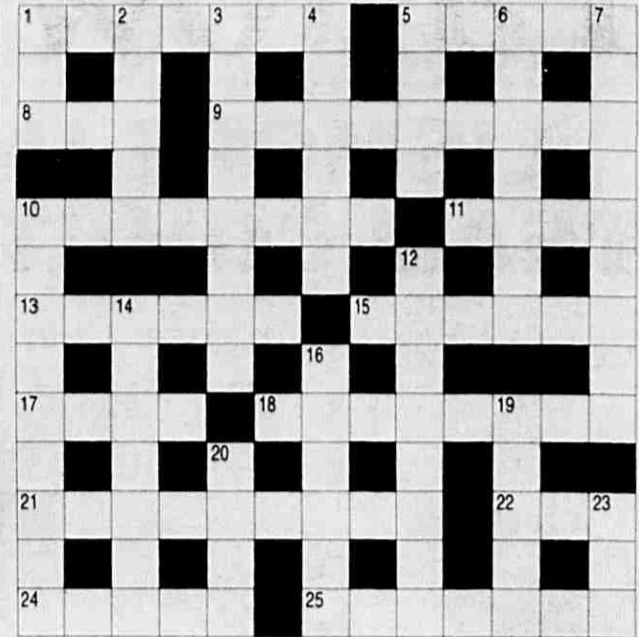

and liqueur or brandy. Fill the grapefruit with the mixture and chill for 20 minutes.

Meanwhile, beat the egg white with half the castor sugar until it is thick. Whisk the egg white until stiff, then fold into the cream. Pile on the top of the stuffed grapefruit.

Melt the remaining sugar in a saucepan. Add the hazelnuts and stir well. Sprinkle the sugared nuts over the cream topping. Allow to cool slightly before serving.

Health Tips from "Remedies"

SILICEA

Silicea helps you to maintain the beauty of healthy skin, hair and nails. Silicea can be very helpful for arthritis and digestive disorders.

Silicon is an essential trace element in the body. It is present in all organs and structures, but particularly in bones, skin, hair and nails. In skin and bones, connective tissue acts like scaffolding to support the tissue structures. Silicon is an important component of this connective tissue. Silicea is the result of combining silicon and oxygen in a colloidal solution. This state between solid and liquid, presents the body with molecules, which are easily absorbed.

Knockanore man fulfils lifelong ambition to represent Cork

Popular Knockanore man Tom Leahy (aka the Knockanore Sniper) fulfils a lifelong ambition this week end when he represents Cork in an inter county clay pigeon shoot in Balbriggan. I always knew he was good at "shooting the breeze" but he's obviously a talented marksman as well. The bearded sharp shooter and his fellow Cork team mates will pit their skills against the rest of the counties, which presume will include Waterford. A proud day for Tom as he dons the Cork jersey. We wish him well in the shoot as long as we win the hurling match.

Cobhrón

Tallow GAA club extends deepest sympathy to Peter Power on the tragic loss of his brother Gerard. Ar dheis lamh De go raibh se.

As a mark of respect to the late Gerard Power our tournament game against Ballyduff scheduled for Saturday evening was cancelled. It was refixed for Tuesday. Our thanks to Ballyduff for the invitation.

Birthday Boy

Best wishes to J.P. who celebrates his 30th this week-end. Have a good one J.P.

Abusive Fans

Ciarán Herlihy had a good letter in last Saturday's Times about the abuse our players endure from their own fans. He rightly pointed out that our players deserve more respect. Remember these are amateur

players who prepare and train with the discipline of professionals.

John Mullane suffered outrageous taunting and personal abuse from the Cork terrace in our last encounter. A number of Cork supporters told me they were disgusted with it. I'm sure

the Waterford terrace didn't spare Diarmaid O'Sullivan either. Witty banter and slugging from the terraces is one thing but many cross the line.

In Sunday's Leinster final we witnessed both sets of supporters barrack and boo players as they lined up to take frees. This

yobbish behaviour normally associated with British soccer grounds has no place in our game.

We don't want any part of this yob culture. Leave it out. Let's look to our own behaviour before we start criticising the men on the field

BRIDEVIEW UTD A.F.C. NOTES

Ladies Soccer

Sponsored by Solo Hair Salon Youghal Ladies Suffer Heavy Defeat

Our ladies went down to Modeligo on Thursday evening last. Manager Milo Aherne did use this game to try players in different positions and I'm sure Milo will learn from this game. Our girls are very young and they will only improve.

Indeed many of the girls did play well against a very experienced Modeligo side.

Our lotto jackpot was not won last weekend. Training continues for our U-10 boys and girls. Indeed our girls under 8 team will play Cappoquin soon. Girls will be notified.

Result

Modeligo 5 Brideview Utd 0

While this was a very heavy defeat for our girls some of Modeligo's goals were out of the top drawer. It's doubtful if Billy Sheehan would have saved some of these shots.

As in our previous game we held our own for the first 30 minutes. Then Modeligo grabbed three goals in the space of 5 minutes and we went in 3-0 down at the break.

Modeligo added two more goals in the second half to run out winners. While we failed to score we did have our chances. Aimee Power had a free kick well saved as indeed did Sheilanne have a great shot which again brought a great save from Modeligo's keeper.

Our keeper Claire Curley also brought off some great saves during the game. Curley's handling of the ball is now better and her long kicks gave our forwards plenty of the ball.

All the girls tried their best and I have no doubt that we are improving and a result is just around the corner. Keep it going girls.

MONEYMATTERS

Budgeting

Do You Live Beyond Your Means?

You have to keep an eye on your day-to-day spending. How many of us go to the bank machine, take out €40 on our way to work and by the time you get home you have a €10 left. Where did it go? You need to know where your money goes and to do this you need to budget.

Start now. The first step is to figure out what you spend, so for exactly one month keep track of every cent you spend. Every Cent! Write down how much you need for mortgage/rent, food, ESB, coal, car and cable, etc. Then keep track of every cup of coffee, every magazine, every bus fare/taxi, every bottle of shampoo, everything. You'll be surprised at the end of the month how much you actually spend on 'small' items. It seems like only €2 here, €4 there but it all adds up to a considerable amount in a month.

After one month you should be able to see a picture of exactly where your money is going and then you can start to make adjustments. If your expenditure is more than your monthly income it is time to start trimming out all unnecessary expenditure and take control of your hard earned cash. If you discover after the month that you have some cash to spare why not set up a standing order from your bank account to your savings account. You will be surprised and delighted at how quickly it will accumulate.

Waterford County Council's Planning Approach in Ring Criticised by Gaeltacht Representative

Waterford County Council is deficient in its planning in the Ring Gaeltacht because development hasn't been matched by provision of a modern, clean and dependable water supply.

So says the area's Údarás na Gaeltachta representative, Cllr. Fiachra Ó Céilleachair. He also says growth is being "funnelled" into particular parts of Ring, whilst restrictions have been applied to the rest of it.

Cllr. Ó Céilleachair says angry residents and businesses in Ring have contacted the Council in recent weeks with complaints about quality and quantity relating to the water - in his view, the same grievances they had all of ten years ago. Cllr. Ó Céilleachair says the Council's Senior Engineers are on record supporting the case for an overhaul of what is a dated and limited public water supply. However, he says significant monies raised through levies applied to recent developments in Ring do not seem to be progressing the case.

Outlining his point, Cllr. Ó Céilleachair said:

"In Plans approved by members in 1999, 2001 and again this year, the Council has departed from operating an 'open' zoning for the whole parish - where each application, whether for a single dwelling or a collection, could be judged on its merits. What we're left with in Ring, featuring the same inadequate water supply, cannot be regarded as good planning."

"The Council has presided over a 'property boom' in the locality, once the application of the 1999 County Development and 2001 Local Area Plans saw 3 defined 'priority settlement areas' established in Ring. With so-called

'genuine housing need' criteria deciding approvals in townlands excluded from these zones, a two-tier system of considering planning applications has come about in Ring. Effectively, in much of the locality, sites are only available to relatives of the seller, a 'local' with an adjudged 'housing need' or the small number of people coming to the parish to be employed within it. At the same time, however, applications to develop schemes of between 10 and 30 houses are being encouraged if the land involved happens to be in one of the three zones favoured by the local authority."

"Since 2000, some 65 houses are either built or under way in variously sized estate schemes by developers in zoned parts of Ring. Similar applications for two more schemes totalling 47 houses have been approved by the Council - in addition to a venture featuring 16 holiday homes. More zoned lands remain, some of which is owned by developers and has been the subject of previously unsuccessful estate applications and could soon be the subject of new proposals. Independent of estate type development and excluding the completion of the Council's own housing scheme in Baile na nGall, that same 5 year period has also seen over 60 single dwellings being built in various parts of Ring."

"Whatever about the future and how the community develops, there is an urgent requirement to complement recent development with essential infrastructure like a water supply that is not susceptible to discolouration, foul odour, weak pressure or unannounced cut offs."

Ring Gaeltacht's Fearghus Ó Conchúir, First Irish Clore Leadership Fellow for Ireland

The Arts Council has announced that Waterford native, dancer and choreographer Fearghus Ó Conchúir has been chosen as the first Clore Leadership Fellow for Ireland. The Clore leadership programme, now in its second year in the UK, has, through support from the Arts Council/ An Chomhairle Ealaíon, been extended to include a participant from Ireland for the first time. The total value of the Fellowship is in the region of 62,000 (i.e. 40,000 from the Arts Council and Sig€15,000 from Clore).

This programme, established by the Clore Duffield Foundation is an initiative which aims to develop the knowledge, skills, networks and experience of potential leaders across a wide range of cultural activity. This includes the visual and performing arts, heritage, museums, libraries and archives, and cultural policy and administration.

Thirty-six-year old Fearghus Ó Conchúir, one of 27 Fellows selected, will undertake a year-long programme of work, research, training and secondment designed to develop leadership skills and experience.

Speaking about the Fellowship, Fearghus Ó Conchúir says: "The Arts Council's support of this Clore Fellowship represents an acknowledgment of the necessity for artists to develop expertise which puts them in a position to protect the needs and promote the value of their art. It is also an endorsement of the ability of artists to meet that challenge. I am very grateful to be the recipient of the Fellowship and I look forward to this invaluable opportunity to learn skills which I hope will enable me to serve my particular art form, dance, and the wider arts community."

Dame Vivien Duffield, Clore Founder and Patron says: "By investing in leadership, we hope to raise the game for the whole cultural sector. We are especially pleased that the new group of Fellows is drawn from such a widely diverse range of backgrounds."

Brought up in the Ring Gaeltacht, Fearghus Ó Conchúir attended Scoil Náisiúnta na Rinne, Scoil na Leanaf and later boarded at the Cistercian College in Roscrea. He is the son of the late John P. and Nora Ó Conchúir. Fearghus completed degrees in English and European Literature at Magdalen College Oxford, before going to London Contemporary Dance School. Since graduation, he has danced for companies including Adventures in Motion Pictures, Claire Russ Ensemble, David Massingham Dance, English National Opera, Royal Opera House and ARC Dance Company.

In 2001 he set up Corp Feasa Dance Company to perform his choreography which has included Vespers (2001) Teermann (2003) Sulán (2003) and An dá thrá (2004). His work has also been performed internationally by 4D, and in productions at LCDS, London Studio Centre and Conservatoire for Acting and Musical Theatre, Guildford.

In 1998 Fearghus produced a piece named Gach Mac Máthar. It was commissioned by Waterford County Arts Office and the Arts Council. It premiered in Halla Pobal na Rinne and toured in Waterford at that time. He has undertaken schools' workshops in Scoil Náisiúnta na Rinne, Scoil San Níoclás, An Rinn, and Scoil Mhic Airt, Sean Phobal with funding from Ealaín na Gaeltachta and will be involved in a creative project with Scoil San Níoclás in 2006.

In 2003 he became Artist-in-Residence in the Muskerry Gaeltacht. He recently represented Ireland in the Eurofuturoscope cultural exchange programme touring work across Belgium. He is a Board Member of the Association of Professional Dancers of Ireland.

Fearghus' latest production Cosán Dearg, at Project in Dublin's Temple Bar. Cosán Dearg was collaboration with director and designer Jason Byrne, composer Julie Feeney and is performed by Bernadette Iglich and Fearghus Ó Conchúir.

SHAMROCKS G.A.A. NOTES

CLUB LOTTO

On last Saturday night at the Shamrock Inn, Knockanore, the numbers drawn were 6-9-12-18 and there was no jackpot winner. E20 consolation prizes were won by H. Nicholson, Headborough; Cathy O'Shea, Coolbeggan; R. Summers, Coolbeggan; S.E.R., Coolbeggan; Ally Cash, Coolbeggan.

In the next draw on Monday night, 25th July, the jackpot will be E2,125 and tickets at E1.50 each can be had from the usual promoters.

JUNIOR HURLING

Shamrocks 4-10 Kilgobnet 0-7

In a play off at Bushy Park on last Sunday evening, we had a good win over Kilgobnet and we will now meet Geraldines in the group final.

SUNDAY NEXT

All roads lead to Croke Park for the All Ireland quarter final against old rivals and neighbours Cork. It will need a huge effort by all our players to dethrone the 2004 All Ireland champions. The loss of Eoin McGrath will be a big one but with a bit of luck we could cause a shock and reach the semi final. We were greatly surprised and disappointed when this game was brought to Dublin when there is a top class venue in Thurles which would be equal distance from both counties. Club members who need tickets for the game are asked to contact Ann O'Keeffe, Secretary, as soon as possible.

SYMPATHY

Our club offers deepest sympathy to the parents and families of the late Tara Whelan, Ballyduff Lower who died so tragically in Turkey.

We also wish to include Fr. Michael O'Byrne P.P., Ballyduff who was the Chairman of our club for a number of years in the 70's.

TOURIN G.A.A. NOTES

Tourin played Kilrossanty in the Junior Hurling championship last Saturday evening at a very warm and sunny Fraher Field. From the beginning Tourin had the upper hand in this game, but from some wonderful saves by the Kilrossanty goalkeeper, the scoreline could have been far greater.

Final score: Tourin 4-12 Kilrossanty 0-4.

Team as follows: C. Bennett, M. Landers, S. Fives, K. Leahy, D. Leahy, E. Molumphy, B. Manahan, B. Scanlan, J. Dalton, M. Scanlan, Darragh Wilkinson, S. Leahy, P. Murray, K. O'Donnell, N. Leahy.

Subs: C. Wilkinson for Darragh Wilkinson, D. McGrath for B. Manahan, K. Landers for K. O'Donnell, Dathai Wilkinson for S. Leahy, D. Dransfield for M. Scanlan, K. Wilkinson.

A challenge match has been arranged against Ballyduff Upper U21's this Friday night. Please check at training for further details.

SYMPATHY

The club would like to extend its deepest sympathy to the McGrath family on the death of Gerald. Gerald was involved in all activities attached to Tourin Hall down through the years - volleyball, badminton, Tourin Camogie club and most importantly Tourin G.A.A. Although a true Shamrock man at heart, Gerald gave of his time unselfishly on or off the playing field and this tradition is now being carried on by his sons. He was never a man to mince his words and always saw the funnier side of things with his great sense of humour. Gerald's passing leaves a big void for his family and the people of Tourin and wider area. John Joe and Gerald will now be keeping an eye on proceedings from above!!

Sympathy is also extended to Celine Fives on the recent death of her dad Frank Larken.

GREYHOUND NEWS

BY MARK PHILLIPS

Friday July 15th

Gu Blahan Impressed

The well bred Gu Blahan (Droopys Kewell-Honchos Trix) 6/4 was the fastest winner on view at a balmy Kilcohan Park as this January 2004 whelp ran away with the eleventh contest in a smashing 28.88. A winner on her only other race outing at Cork in 29.76 the Tim O Riordan owned tracker was led briefly on the run to the first bend by a fast starting Glendine Keano but asserting her superiority rounding the opening two bends Gu Blahan quickly ended this contest as a spectacle as she extended her lead throughout to run out a cosy seven lengths winner over Glendine Keano. In the opening novice contest the John Mulcahy and David O Sullivan owned Cherryhill Block (Droopys Woods-Scartna Lil) certainly knew her job this even money favourite flashing clear from trap three to lead all the way in a promising 29.20. Chased throughout by her litter brother Napp Kidder. February 04 whelp Cherryhill Block was always travelling like a winner in the lead eventually running out a six lengths winner over Napp Kidder.

Lakefield Duke (Jamella Tiger-Lakefield Lucy) is certainly proving a lucky greyhound for local owner Martin Kiely. He availed of a third bend pile up to capture a four bend affair in 31.52 back in April while on Friday night when the prominent pair of Mandeville Star and Glencarra Jen came to grief at the first bend in a two bend dash hampering the remainder of the field 4/1 chance Lakefield Duke managed to avoid the mayhem to record a 17.30 sprint success. Races three to six inclusive were first round heats of the Bet With The Tote Graded Stake.

In heat one the Pat Duggan owned Sleepy Chester (Bestofthebest-Chesters Chick) the 5/4 favourite made a positive break from trap five to lead all the way in 29.68. In the race for the minor placings in a one sided contest Airmount Eillis came from behind Byme Nukes Girl to take the runner up spot albeit seven and a half lengths in arrears of the easy winner Sleepy Chester.

Trap one housed the winner of heat two as the Thomas Flanagan owned and Patricia O Neill trained Lleyton Girl (Come On Lleyton-Brooklawn Bingo) 3/1 made every post a winning one in 29.65. Leading from Three Spots Off early on Lleyton Girl had two lengths to spare over a running on Sheeraghs Baz at the winning line.

The early paced Belmont Thistle appeared home and hosed in heat three shooting into a clear back stretch lead but it was all change up front in the home stretch as the Michael Fitzpatrick owned and John Power trained Mango (Carlton Bale-Lilac Alice) 3/1 produced the superior dash of finishing pace to outstay Belmont Thistle by a length in 29.57.

In heat four Veras Major, Padges Hero and Cuckoo Bird were all bang in contention on the run to the penultimate bend and in an exciting finish the Eddie O Sullivan and Padge Kehoe owned Padges Hero (Droopys Merson-Anfield Lady) renewed his challenge on the run to the line to short head Cuckoo Bird in 29.81.

The following four races were heats of the Bet With The Tote 29.80 event.

The Tom Halloran owned Mahon Suzie (Top Honcho-Cider Suzie) 2/1 to 4/7 was backed as if defeat was out of the question in heat one and the Kilmac blue duly romped to a clear cut 29.24 success. Enjoying a clear run up the middle of the track Mahon Suzie led at the first turn from a fast starting Comanche Scar and making the best of her way home Mahon Suzie kept finding plenty in front to defeat Comanche Star by three lengths.

The John and Adrian Morrissey owned Rathsilla Lad (Roanoke-Metric Ozzie) 3/1 produced a career best effort to capture heat two in 29.21. Jethart Pioneer led to the second bend where Rathsilla Lad dashed into the lead from Holla Boy. This order of running remained unchanged for the duration of the trip with Rathsilla Boy obliging by four lengths.

Despite a tardy start from trap one in heat three Say Here the 6/4 favourite displayed plenty of early pace to lead down the back from Bit View Joe and Tag Along Rosie. As this qualifier wore on however the Dermot Flynn owned Tag Along Rosie (Droopys Woods-Bally Dawn) 4/1 began to

close on the leader and in an exciting climax to this race Tag Along Rosie finished the stronger to come through for a neck success in 29.37.

Heat four went to the 5/2 shot Myaugh Eingorm (Honcho Classic-Tramline) in 29.57.

Taghmon Sally broke well from trap one but came very wide on the run to the opening turn. The Michael Turner owned Myaugh Eingorm quickly took control of matters and despite the constant presence of Marwood Judge Myaugh Eingorm held firm to triumph by a length.

Just over half a length separated the first three home in the concluding 525. The early paced Beach Major appeared the likely winner leading on the back stretch from Canadian Pacific and Got The Neck but taking the long route home the Hazel Hickey owned and Michael Casey trained Kilkenny Sport (Larkhill Jo-Valley Way) 4/1 stayed on strongly to outstay Beach Major by half a length with a fast finishing The Other Song just behind in third. Time 29.56.

Wexford Hairdresser Heads The Charge

The fine run of Wexford owners and trainers at Kilcohan Park continued last Saturday night as the Model County boys accounted for seven of the twelve winners on view and Enniscorthy's own "Vidal Sassoon" George Roche chipped in with a treble.

The night began in good fashion for George as his 6/4 shot Glengar Blaze (Droopys Vieri-Glengar Emma) dashed up the inside of Astons Girl and Ballydurn Fright rounding the first bend before galloping on for a four lengths defeat of Ballydurn Fright in 29.26.

Victory number two arrived courtesy of a game Moher Mover (Hotshow Ben-Domingo Star) this 5/2 shot digging deep to capture the final of the Patricia O Neill sponsored Gallows Kennels Open Unraced 525. Displaying a fine dash of early pace Moher Mover was joined on the backstretch by

the rails loving 1/1 favourite Castle King. Indeed the latter edged to the front off the home turn but Moher Mover refused to go away coming back for more on the run to the winning line to triumph by a head over Castle King in 29.07.

The treble was completed by Uniontokent (Pacific Mile-Hare Star) in the final race of the night. A market drifter from an opening show of 6/4 out to 5/2 Uniontokent was led early on by both Darbystown Liz and Glenbervie Sweep. Glenbervie Sweep went to the front at the third bend but making sound late headway on the wide outside Uniontokent flashed home to land the spoils by a head from Glenbervie Sweep in a fast 28.74.

Elsewhere on the card the final of the Jack Fitzgerald Memorial 730 yard event proved easy pickings for the Turret Rock Boys Syndicate owned and Nick Turner trained Bobs Fancy (Bypass Byway0Hannahs Fancy) who produced a sound staying performance to score in 41.20. Easing her way passed the fast starting Richie Rapid out of the second bend Bobs Fancy the 6/4 favourite quickly made the long break for home ahead of Athea Slimcard and while Orlando and Bells Of Boulick both stayed on well in the closing stages Bobs Fancy obliged by three lengths over Orlando.

The final of the 2005 Paddy Power Derby Trial Stake saw the Keith Doherty and Richard Simpson owned Agent Goodnight (Larkhill Jo-The Other Daisy) 9/4 produce yet another top notch performance to credit Gowran trainer Paul Hennessy with a smashing 29.65 success in this 550 yard event. With Silken Thomas the 1/1 favourite not getting off to the best of starts Lawlors Bull was a surprise leader to the entrance to the backstretch. Agent Goodnight formerly known as The Other Glory quickly accelerated into the lead however and while Lawlors Bull ran a cracker in defeat Agent Goodnight was full value for her two lengths success.

In the second race of the night the well backed Black Roan (Roanoke-Fan Tan) duly delivered for owner Leo Dunphy in a best ever 29.15. Flashing into an early lead over Hit The Bull Black Roan the evens favourite continued to stretch the opposition up front eventually proving three and a half lengths to good for Poison Ivy.

A 300 yard sprint produced a 3/1 winner as the James Moore owned Minglers Woods (Droopys Woods-Minglers Trixie) got the better of an early duel with Bohadon Boy before racing on to a well deserved two lengths victory in a brisk 16.39.

In a 550 yard contest Sadlers Storm and The Other Angel locked horns to the third bend where the Patrick Gordon owned Patrickcorner (No Tail Told-Femme Fatale) 3/1 slipped into the lead on the fence and despite the late charge of the evens favourite Geordie Joker Patrickcorner held firm to score by a length in 30.32.

The Imelda Travers owned Theatre Girl (Mr Bozz-Janes Last) 3/1 produced a brave front running performance to lift the sixth contest in 29.10. A fast starting Theatre Girl was pushed all the way by Glimmer Star but responding to that challenge Theatre Girl kept finding that little bit extra to score by half a length.

Races eight and nine were heats of the Bet With The Tote Graded Stake. In the first semi final the Pat Walsh owned Fantasy Tiger (Jamella Prince-Monmahogue Rose) excelled when brushing the opposition aside with an eye catching all the way success in a smashing 28.66. Outpacing his rivals in every department Fantasy Tiger simply roared to victory crossing the winning line with six and a half lengths to spare over The Other Cowboy.

The second semi final produced an exciting finish. The Other Amber led down the back from Kilmore Nikita but coming with a successful late charge the Philip Coleman and Patrick Stafford owned Gurrane Gold (Carlton Bale-Gold Bud) 3/1 timed his run to perfection to deny The Other Amber by a neck matching a career best 29.02.

The Paul Harney owned and Jimmy Scully handled Tirlough Sue (Honcho Classic-Ta Failte Romhait) 5/2 made maximum use of her early pace to defeat Raheen Champ 6/4 in race eleven. Try as he might Raheen Champ could not haul in the fleet footed Tirlough Sue who stayed on dourly for a richly deserved two and a half lengths victory in a very decent 28.87.

MOONLIGHT DANCED TO VICTORY

How often have we said in the past that a high percentage of mares run to the best of their ability when in foal. This was illustrated once again at the Curragh last Saturday when 12/1 chance Moonlight Dance moved up a notch or two from handicap company to Group 3 status before producing a battling display to capture the Ladbrokes International Stakes. The beautifully bred Moonlight Dance (Sindaar-Style Of Life) is a half sister to Irish Derby winner Grey Swallow and she is in

foal to High Chaparral. She may have one more outing for trainer Dermot Weld before being retired to the breeding paddocks. I thought Pat Smullen gave the winner a tremendous drive especially in the closing stages but the stewards deemed he had used his whip too much and received a one-day ban. The bottom line is that had Smullen not given his mount the full treatment she may not have won.

OUTSIDER SCORES

Not to many people backed the winner of the Weatherbys Super Sprint at Newbury last Saturday as Martin Dwyer scored a shock win aboard the Richard Hannon trained 100/1 outsider Lady Livius. This was Richard Hannon's sixth success in this valuable confined race.

BIG PAYDAY

Irish jockey Tom Malone enjoyed one of his biggest ever paydays at Market Rasen last Saturday when he rode the 25/1 winner of the valuable Summer Plate Handicap Chase. The grey Tango Royal trained by Martin Pipe appeared to bounce off the good ground when easily accounting for the well-exposed Impek. Jockey Mick Fitzgerald took a heavy fall from Celtic Boy during this race and was stretchered off the course.

It later transpired that Mick damaged his shoulder and could be out of action for up to six weeks.

MOTIVATOR RESTS

Derby winner Motivator is currently on a mini break from racing but will shortly be prepared for an Autumn campaign, which includes a possible tilt at the Irish Champion Stakes at Leopardstown.

SHAWANDA SCORES

The French raider Shawanda 9/2 ran out a very easy winner of the Darley Irish Oaks at the Curragh last Sunday where she absolutely skated up under a very confident Christophe Soumillon.

GALWAY RACES

The Galway races start next Monday and RTE will cover the first four days of the festival showing five races each day.

TRACK RECORD

When the well-backed Bali Royal from the Tommy Stack yard won the Rockingham Handicap at the Curragh last Saturday he set new figures for the five-furlong sprint trip at the County Kildare venue.

HISTORY MAKER

Amigoni under Kieren Fallon put in a workmanlike display to capture the Anglesey Stakes Group 3 event at the Curragh over the weekend and he credited trainer Aidan O'Brien with his seventh success in the race and his fifth win in a row.

GARY PLAYER INTERVIEW

Tracey Piggott did an excellent interview with former crack golfer Gary Player on Sunday where it transpired the South African is a big racing fan and owns over three hundred thoroughbreds back in his native country.

Sports Activities for Tall Ship Crews a Great Success

As a key part of the crew activities for the Tall Ships Festival, Waterford Sports Partnership supported Waterford City Council in the running of two days of fun sports activities for the crew of the Tall Ships.

All the action took place at Newtown School. The turn out on both days was superb with over 600 crew members participating in Fun Team Challenges on the grass pitches, on the astro-turf and in the pool on day one and about 300 turned out on Day Two for the 'Come N Try It Multi Activity Event' where the participants were encouraged to try new sports with an Irish theme and enjoy some fun competition at some more familiar pursuits such as soccer & volleyball. The following activities were on offer: Gaelic

Football, Hurling & Camogie, Tennis, Basketball, Rounders, Soccer, Cricket, Volleyball, Tag Rugby, Kickboxing, Field Hockey and Irish and Ceili Dancing.

Representatives from the following Tall Ships participated over the two days in this fun event; Alba Venturer, Aglaia, Andromeda, Asgard II, Capitan Miranda, Dewaruci, Donald Searle, Discovery, Feelings, Greater Manchester Challenge, Helen Mary R, Integer 1, Jean de la Lune, Jeanie Johnston, John Laing, Jolie Brise, Kalikakra, Kruzenshtern, Marie Galante, Mir, Morning Star of Revelation, Ocean Spirit of Moray, Ocean Venture, Rona II, Royalist, Sagres and Shabab Oman.

A big thank you to all those who helped to make the two

days of Tall Ships Crew sports and recreational activities so successful. Newtown School very kindly allowed all their sports facilities to be used on both days and the venue was a terrific one for the purpose. To all those who volunteered and gave their time to help at the event, to those who gave equipment for use, to all the coaches who ran events on the 'Come N Try It Day, to all the musicians, lifeguards, first aid personnel, assistants and sports people a great big thank you. Without the help of so many volunteers these events would not have been possible. We would also like to thank the Tower Leisure Centre for allowing the crew members to use their Leisure Centre during the sports and recreation activities on both days.

Ardmore/Grange Are Munster Community Games Champions

The Community Games Munster finals took place in Cork recently and teams from various areas of the county travelled to compete in a number of events. Pride of place on the day went to the U.12 soccer team from the Ardmore/Grange area who were deservedly crowned Munster Champions. A marvellous achievement for this young team. Having beaten St. John's, Ennis 2-0 in the semi-final, it was now all to play for, with Limerick champions Monaleen/Broadford their opponents in the final. This game proved a tough, hard fought encounter between two excellent teams. Half time saw Ardmore ahead by a goal, a lead which they held onto and with 10 minutes to go they added another goal to the tally to really secure their victory. Great excitement followed and the Champions were presented with their well earned Munster trophy. They will now go on to represent Munster at the National Finals in Mosney in August and we wish them the very best. Great credit must surely go to their trainer Declan Barron for the amount of time and effort he has put into training this young

team and so good to see his effort rewarded. The panel include: Seamus Keating, Thomas Fitzgerald, Kieran Conway, Liam Power, Daniel Power, David Gartland, James Salmon, Sean Barron, John Power, Thomas Mooney, John Gartland, Gavin Williams, Christopher Power, Dylan Troy, Thomas Power and Graham O'Mahony.

Lismore/Ballysaggart Reach Finals

Well done also to the young hurlers from Lismore/Ballysaggart who beat Na Piarsaig, Limerick in the first round. Then they went on to beat Ennis in the semi-final and were unlucky to be beaten by Thurles in the final. Great credit to them and their trainers on their great achievement in reaching the Munster Finals. Panel as follows; Shane Bennett, Jack Leahy, Liam Prendergast, James Crowley, Bobby Ryan, Kieran Bennett, Daragh Prendergast, Ian Mangan, Paudie Coleman, Stephen Bennett, Pat Hennessy, Gordon Shanahan, Ivan Nugent, Darren Meagher, David Prendergast, Shane Meagher, Ronan Landers, Daragh Foley and Cathal Fitzgerald.

Dungarvan United AFC Notes

PREMIER/1ST DIV.

As these notes are being penned, times for junior training in the club has been finalised, starting at 7 pm, Monday 18th July. All who were part of each panel are asked to attend at this time and also those who are interested in signing up with either the premier or 1st div. Panel can do so by attending on the night.

JUNIOR FEES/REGISTRATION

When players return to the training they will be informed of the registration fee that they are required to pay in order to be covered as players for the season 2005-06. A deadline of July 31st has been set by the club committee, for all junior players to have their fees paid. Remember no pay/no play.

SCHOOLBOYS TRAINING

The final touches are being put towards the preparation for schoolboys season 2005/06. In the next few days all plans will be in place to get us up and running. All players and parents of players will be informed by official letters when they are required to return to training.

SCHOOLBOYS AWARDS NIGHT

Was originally fixed for next Friday 22nd July but due to building work in the clubhouse we are cancelling it for a short spell. It will take place very soon at a new date in conjunction with a schoolboy registration night. This will allow all parents to see for themselves how the awards night goes. Again all players and parents will be informed of the new date.

DRESSING ROOMS/NEW ENTRANCE

At this moment in time, things are going very well indeed regarding work on the new changing room and entrance. Various club members are doing sterling work to ensure that our new facilities are perfect for the start of the new season. Anyone who sees this magnificent new structure will see the hard work being done behind the scenes, and most certainly they will be envied by a lot of other clubs, of course part of this new structure will mean that our entrance to our clubhouse will be at the front instead of the old entrance, when stepping into the lobby people will see the club crest which was recently painted by Nigel Pennycoff. This is a fantastic piece of work which certainly rounds off our new project.

SCHOOLBOYS FLAGDAY

Our schoolboy flagday will now take place on the weekend of 30/31st July. This will need the help of all managers and players.

SCHOOLBOY HELP

No sooner had our summer break began but our much needed rest was brought to a halt when preparation for next season and this involves putting in place the suitable adults who will be required to ensure that schoolboys football will run smoothly. There is some special talent in all schoolboy teams and this needs to be harnessed in order to make football in the club for the future stronger. This is the time for everyone in our local community to help us become stronger, contact 087-648925 or 087-7769125.

INTER FIRMS 2005/06

The last of the forms for those who wished to enter a team in this years tournament passed during the weekend just gone. The draw will certainly throw up some interesting ties. All teams will be expected to pay their participation fee before competing.

PEPSI SUMMER CAMP

Will be held on our club grounds, 15th-19th August at a cost of €79 per club, this includes all the Pepsi kit and excellent coaching which is provided by fully qualified coaches. West Waterford/East Cork Junior League

Mari Mina And Sherry Fitzgerald Reynolds Join League As Sponsors

As we mentioned in our notes last week The League is very proud to have two new league sponsors for the coming season. Mari Mina Pharmacies based in Lisimore, Ardmore, Rathcormac and Mullinahone will sponsor the Premier Division and Sherry Fitzgerald Reynolds based in Dungarvan and opening shortly at Main Street Lisimore will sponsor the 1st Division. Last season Mari Mina sponsored the Youth League but this season will add it's name to the Premier division. The league management committee are delighted that last years other sponsors will once again be sponsoring the various cups and division competitions.

Over the weekend we met League Chairman Ml. McBride recuperating after his spell in hospital, and assistant secretary Paddy Pollard back from his FAI duties in Poland. Both were instrumental in acquiring the new league sponsors. Michael told us the league is now moving forward at a fast pace and this is down in no small way to the various sponsors who are sponsoring all our competitions throughout the season. Without their fi-

nancial backing the league would not be able to function at the level it has now reached. Michael went on to say that while the league may be small in numbers to other leagues there can be no doubt that it is one of the top leagues in Ireland with the plans and go ahead approach of it's committee. Paddy Pollard agreed and said the recently advertised post of Regional Development Officer for the league, and which is being used as a pilot scheme by the FAI, shows the standing the league has within the FAI.

Paddy went on to say that the RDO when appointed will work specifically within the WWEC catchment area and will at all times be available to the league in achieving it's objectives and the objectives of The FAI. Ml McBride went on to say that it was his primary aim when he became chairman three years ago to have a full time coach appointed to the league, as a coach is needed if we are to promote soccer on and off the field and this objective will be achieved with the appointment.

Paddy concluded by saying our name is

now known throughout the country especially with our Oscar Traynor Cup participation and also by himself being part of The FAI delegation in Poland with the Irish Amateur team, an occasion which he also used to promote small leagues such as The WWEC.

But it is very obvious that without sponsorship, sport in general cannot succeed and that is why The WWEC is so lucky to have such dedicated sponsors for all our competitions.

Michael then gave us the full list of sponsors of The WWEC for the coming season 2005/06,

Premier Division — Mari Mina Pharmacies. 1st Division — Sherry Fitzgerald Reynolds. 2ND Division — Kenneally Rochford & Associates Ltd. The Tony Bolger Cup and Bolger Plate — The Dungarvan Leader. The Liam Fitzgerald Cup — Bertie O'Mahony Fitted Furniture. Dungarvan Tyre Centre Cup — Philip O'Flynn, Dungarvan Tyre Centre. Youths League — East Cork Oil. Youths Cup — Fraser Family. Ladies League — Solo Hairdressing, Youghal.

CONGRATULATIONS

Sincere congratulations from the W.W.E.C. to the Ardmore Under-12 team that won the Munster Final of The Under-12 Community Games Soccer Competition last week, and now go on to the finals in September. We wish them the very best.

FAI STATOIL JUNIOR CUP

Application forms for next seasons Statoil FAI Junior Cup competition can be had at the delegate meeting in The Red House Bar, Lisimore this Monday 25th July and the closing date for the applications is Monday 22nd August.

DELEGATE MEETING

The next delegate meeting will be held this coming Monday night 25th July at the Red House Bar Lisimore commencing at 9pm. It is imperative that all clubs will be present as the plans for the commencement of the new season on the 14th August will be discussed.

CONGRATULATIONS

Congratulations are extended to Cappaquin player and club Hon Sec Martin Lacey on his appointment as manager of Clonea Leisure Centre. All in the league wish him the very best.

CONGRATULATIONS

Congratulations to Dave Landers and Ann on the birth of their son David which happy event occurred recently. Dave gave tremendous service to the Lisimore club as a player and then as manager. We wish Dave, Ann and baby David the very best.

THANKS

Many thanks to Liam for compiling the W.W.E.C. notes for the past few weeks while we were on a break.

BLUES LOSE AGAIN

Those of us who travelled to Waterford on Friday night last to see Waterford play Bray Wanderers returned home disappointed after another game lost. With another small crowd present the Blues even though they took an early lead never looked like scoring. The visitors were the better of two very mediocre teams and both are definitely not Premier standard. Where Waterford go remains to be seen but new players are needed and urgently, especially with games against Derry City and Cork City in the next three weeks. On current form it is difficult to see Waterford threatening any of those two but maybe with a bit more support from the city and the West of the county we might be able to motivate the players on the park. All help is needed at present.

Modeligo Defeat Kilmac In Thriller

It's been a very busy week for the ladies soccer league with some very exciting games taking place. The big game last week saw Modeligo and Kilmacthomas take on another and this proved to be a highly entertaining game in front of a good crowd. Only one goal was scored in the game but it was end to end stuff from the first to the final whistle. Modeligo's scorer here was Marion Troy.

Kilmacthomas also played at home earlier this week and ran out winners over Lisimore.

This week we give the results to date in Section A. Next week we will look at Section B. Here we have Ballybridge Utd, Inch and Valley Rangers in action.

MATCH REPORT

Modeligo Hit Five

MODELIGO 5 BRIDEVIEW UTD 0

Modeligo were in terrific form last week when Brideview Utd visited them. Indeed, when one looks at this Modeligo side it must be only a matter of time before at least one of their players represents the Republic of Ireland. Marion Troy scored a hat trick here for the homeside. Also on the scoring sheet were Aisling O'Brien and Tara Sheehan.

Three late goals in the first half saw Modeligo go in at the break leading 3-0.

The homeside added two more in the second half to run out easy winners. It has to be said that Utd's team is a very young one and they will only get better.

Modeligo — Helen Wall, Julie Sheehan, Angie Walsh, Sarah Walsh, Emer Hickey, Niamh O'Donovan, Aisling O'Brien, Niamh Hennessy, Mags McCarthy, Mary Ann Dalton, Marion Troy. Res used: Amy O'Neill, Emma Burke, Amy Jordan and Tara Sheehan.

Utd — Claire Curley, Amy McIntosh, Jackie Forbes, Aimee Power, Teresa Casey, Mary Pratt, Sheilanne McGrath, Tanya Hallahan, Lisa Dunne, Beeffy O'Keefe, Megan O'Brien. Res used all: Jennifer Hannon, Aine Condon, Lisa McElroy and Carol Hughes.

LADIES MEETING

A meeting took place in Youghal on Tuesday night last and a full report will appear on next weeks notes plus the cup draw.

MUNSTER ALL-STARS

The announcement of the selection for the 2005 Munster All stars, which was due to take place at Waterford Crystal on Monday evening was postponed until this Friday evening. The reason given is that the provincial selectors needed more time before naming the 15.

The selection will be based on performances in the Munster senior hurling and football championships and displays outside the championship will not be taken into account.

SENIOR FOOTBALL

Tommy Murphy Cup

The draws for the quarter finals of the Tommy Murphy Cup were made over the weekend and Waterford were drawn against Longford. Unfortunately we came out second and will therefore have to travel to Longford for the game.

Last year they defeated us in the 'Qualifier' game which was played in Portlaoise. No date has been fixed.

SYMPATHY

Our very sincere sympathy is extended to all the members of the Power family of Cusheam, Dungarvan on the tragic death, through drowning of Ger, who was very well known and very popular in the Ballinroad/Pike area. The huge crowds who attended the funeral and burial gave testimony to this.

Ger was brother of Peter who served as hurling coach to the schools in West Waterford for many years and was an under 21 hurling selector with the successful under 21 side which won the 1992 All-Ireland. Also brother of Joe who gave outstanding service as a player, selector and juvenile coach trainer with Abbeyside/Ballinacourty. May he rest in peace.

An Ghaeltacht Soccer Notes

We held our AGM recently in John Paul's with a large crowd in attendance. After last season's success it was decided to leave all the outgoing officers in their same positions for the coming season. A players meeting will be held shortly to arrange training, all members will be notified.

This coming Friday, July 22nd a presentation night will be held in John Paul's at 9.30 where last season's 2nd division trophies will be presented, looking forward to seeing all players in attendance.

The super draw will be taking place shortly, tickets costing 30 euro. They are available from any committee member. We will be hosting the 4th draw in early December in Tigh an Cheoil.

Under-age training will commence on Wed. 27th July at 6.30. All players aged 8 years to 12 years are welcome to attend.

Kilmacthomas Ladies Soccer

Kilmac 4 Brideview Utd. 1

Our ladies team started their league campaign against Brideview United a couple of weeks ago. After taking some time to settle both teams served up a very exciting game. Edel Morrissey gave us the lead when finishing off a Caoimhe Downey cross from close range. Anita Dee made it 2-0 with a well taken goal and, after Brideview came close, Aisling Weldon scored to leave the half-time score 3-0. Brideview came into the game more in the second half and got a goal back on 40 minutes before Edel Morrissey secured the points for Kilmac 10 minutes later. Team: C. Power, J. Hearne, R. Power, L. Power, A. Rockett, A. Hearne, A. Weldon, A. Dee, A. McCormack, C. Downey, E. Morrissey, F. Morrissey, L. Leslie, A.M. Lalor, C. Power, A. Lalor, T. Fitzgerald.

Modeligo 1 Kilmac 0

Our second match was against last year's champions Modeligo and it proved a very hard battle against a strong side. We started brightly and created a couple of decent chances before the home side scored from a corner-kick after 15 minutes. We took the game to Modeligo for most of the second half but found their defence difficult to break down. Edel Morrissey, Anna Hearne, Aisling Weldon and

Caoimhe Downey all came close but luck deserted us on the night and the home side secured a narrow victory. Team: A. Power, J. Hearne, T. Fitzgerald, A. Rockett, L. Power, A. McCormack, A. Weldon, A. Dee, A. Hearne, E. Morrissey, C. Downey, F. Morrissey, L. Leslie, A.M. Lalor, C. Power, A. Sutton.

Kilmac 4 Lismore 1

We got back to winning ways on Wednesday night last with a solid team performance against Lismore. Early goals from Freda Morrissey and Aisling Weldon put us in the driving seat but we seemed to take our foot off the pedal before half-time to allow Lismore back into the game. They got their reward from the penalty spot despite the best efforts of our keeper Amy Sutton. We asserted our lead in the second half with some good build up play and Edel Morrissey made it 3-1 before Aisling Weldon scored with a well taken free-kick. Our thanks to Noel and Nobby for having the pitch in such a great condition for our home games. Team: A. Sutton, J. Hearne, T. Fitzgerald, A. Rockett, C. Downey, A. Hearne, A. Weldon, A. Dee, E. Morrissey, A. McCormack, F. Morrissey, L. Leslie, A.M. Lalor, A. Power, A. Power, D. Cahill, R. Power.

MEMBERS MEETING

A meeting was held last Sunday morning before the start of the Training the Trainers course at the Power Towers while the attendance was small it proved to be a productive morning. The following are some of the items that were discussed and their outcomes

MONTHLY MEETINGS

Starting from September the club will hold monthly meetings. It is hoped to hold these on the first Monday of every month at 8.00pm with a venue to be decided (Probably "Deckies" if the good folks will have us)

CHAVASSE'S

The fact that the Chavasse's course is now closed due to on going landscaping it has been decreed that the club will now only shoot fortnightly on the Black Hills course until further notice. So with the ITFAS shoot taking place the August Bank holiday weekend the next club shoot will now take place on Sunday 14th August

COILTE CLEANUP AND BBQ

As was stated in a previous ranting and in line with the clubs Environmental Policy, a clean up to remove all plastic from our Coilte course will take place on Sunday 7th August. Due to our new shoot schedule this will take place on one of our free weeks. Now all work and no play made Jack (or Jane) a dull boy (or girl...God this PC stuff would do your head in) so our Minister for Entertainment John Cuddihy is looking to organise a BBQ after said clean up. It is hoped to hold this in the fine hostelry that is "The Welcome Inn," again the Minister is putting the final touches to this event and a white paper on the subject will be due soon... watch this space

CLUB

COMMUNICATION SERVICE

It was also decided at the meeting that we set up a database to gather e-mail and mobile numbers from all our members in order to get Club information to as many members as possible. At the moment most of our communication is done through our local papers (and a fine job they do too) but this needs to be expanded to those members who are outside of the county as well. So if you have an e-mail address or a mobile please send your information to vinnyod@vodafone.ie to have you details included.

TRAINING THE TRAINERS

The first session of the Train the Trainers course took place on Sunday last and proved to be a great success with all the participants agreeing it was a good exercise. The second day of the course is scheduled to take place in Kildare at the Setanta Club this will then bring together both the Queen Mauve and the Setanta Club's trainees along with our own and the lads from Cork for the final day. From what I can gather this will take place on Sunday 28th August again this is to be confirmed.

Local Teenager On Target To Represent His County

Peter Moloney, Colligan Equestrian Centre, pictured riding "Derravaragh Gambler" at the Ulster RDS Qualifier, 2005.

Local teenager, Peter Moloney, Colligan Equestrian Centre, is on target to represent his county for the fifth successive year at the Kerrygold International Horse Show, to be held in the RDS, in August.

In the past two weeks, Peter has had seven major wins on the National circuit in what is proving to be another successful year for the young rider. At

the Claremorris RDS qualifier, Peter was successful with "Derravaragh Gambler" owned by Robert Fagan of Mullingar Equestrian Centre and "Jack-nell Street" owned by John Moloney, Colligan Equestrian Centre.

He continued his winning streak at the Ulster Qualifier, held in Balmoral, by qualifying "Loughnatousha Ron" owned

by Tim Beecher, Tallow and "Derravaragh Gambler" for the second time.

Last year, Peter came away with the 138A Championship and 148BC Championship titles. He also won the RDS Leading Rider award. Let us hope that this year will see the young county Waterford man, bringing further honours to the South-East.

Dungarvan Credit Union Cycling Club

Eight members of Dungarvan Credit Union Cycling Club took part in the Kerry Jamboree in aid of N.C.B.I. a couple of weeks ago. There were about 80 in all from many parts of the country. It was held over a 2 day Saturday and Sunday with the distance each day approx 80 miles. The first day took in the Conor Pass and into Dingle, this was a hard climb and each one went up at their own pace and successful to the top and then down the very steep hill into Dingle where there was a food stop with plenty for everyone. The second half of the journey was at a faster pace back to the hotel and as in previous years Dungarvan cyclists were not found wanting. It was nice to have some family members there to encourage us along and their presence was very much appreciated.

Saturday night there was dinner for all at the end of which many people were thanked and a special mention for Dungarvan and their contribution over the years and how much N.C.B.I. appreciated same and so early to bed.

Sunday morning the group assembled and took to the road for Killarney and up Mols Gap, this was a lovely spin, with glorious sunshine.

The Dungarvan group in their club colours proudly led the group back to the hotel and so the club once again had contributed to the very good cause of the N.C.B.I. Those taking part, Margo and Michael O'Dowde, Millie Murphy, Vin Tutty, Martin Veale, Tony Elstead, Colin Organ and Eddie Moore.

WEEKEND SPINS

The weekend spins continue Saturday, John Foleys and Sunday, The Square both at 9.30 am. On Sunday we have two groups so as to cater for those who want to cycle at a more leisurely pace and so the invite is there for anyone who would like to join in and enjoy the spin with the company of others, the pace and distance will be to suit and you will be given every assistance from your leader on the day.

FAMILY CLUB DAY CYCLE

Our Annual family club cycle has been changed from Sunday next, July 24, so that all those following and supporting the Waterford hurlers could travel for the important match against Cork and here the club wish the senior hurlers every success for victory and a step closer to All-Ireland glory. Our new date 21st August.

WEST WATERFORD ATHLETIC CLUB NEWS

GER WYLEY/NIKE SUMMER SERIES RACE NO.8 GLAXOSMITHKLINE 5

€4,000 Presented To GROW

The 5th Annual Glaxosmithkline 5 mile road race saw the largest field ever assembled for a 5 mile road race in these parts last Friday evening when 222 runners and over 60 walkers completed the course in conditions which were absolutely ideal for the event. All who ran and walked contributed to collecting a substantial 4,000 euro for this years chosen charity GROW the world mental health movement which helps people who suffer from mental problems.

The race was an outstanding success from all view points, the huge field must be attributed to the race organisers Glaxosmithkline who had everything done to perfection from the race entries, to results, to the stewarding, etc every aspect of the race was organised in top class fashion and all concerned are to be congratulated on a really super event which was enjoyed by all.

The standard in the race was of the highest, and the proof is in the reading of the results which says that 34 runners broke the 30 minute mark. It was also a night when many personal bests were recorded proving that the course truly is one of the fastest 5 miles on the athletics calendar. Well done to all who broke their personal best time on Friday night, some of note included Des Colbert, Dermot Hickey (again), Jim Fleming, Diane Behan, Michael Dunford, Michael Dwyer, Martin McCarthy, just a few who come to mind who all had excellent performances. I hope no one will

mind if I single out one man for our man of the match award, Martin Hayes after many months of endless training runs and preparation he achieved part of his desired ambition, one part which was to break the 30 minute mark for 5 miles, which he did with flying colours 29.39, 1985 was the last time he previously achieved this feat, the other ambition will have to wait another while as just one more Dwyer stands between him and his final ambitious target. Just one second Mike, watch your back the monkey's on your case.

West Waterford athletic club had its highest turn out ever for a single race when 125 fully paid up club members participated in the race a remarkable achievement by any standards. May I also take the opportunity to thank and congratulate all who came along and walked the course, you helped in no small way to make the night the success that it was.

The race itself was won in a very fast time of 24.58 by Bally-

nonty's Sandis Bralitis, with West Waterford's Raivis Zakis 2nd in 25.38 and Waterford AC's Robert Wade 3rd in a time of 25.47.

Bralitis and Zakis took up the early pace from the start and were together at one mile, by mile two Bralitis had opened up a gap of some 30 metres on Zakis who at this stage had been joined by Robert Wade. At the 3 mile mark Wade faded back off the pace to leave Zakis in pursuit of his Latvian country man, however he was never really closing the deficit and Bralitis was well clear at the tape. Raivis kept Wade at bay to take a sound second place with Robert a comfortable 3rd, these three were well clear of the field. Fourth finisher was Des Colbert Waterford AC who had his best race ever over this distance finishing in a time of 27.17 while St.Joseph's AC's Damien Cummins was 5th in 27.20.

Some interesting tussles took place for the Masters prizes also with the over 40 winner Matt Flannelly, United Striders very impressive finishing in 8th overall in 27.41. In second place here all the way down from Ennis was Pat Nugent 28.04 and third over 40 was Shane James, Whitty S. B. Rovers 28.12. The over 45 winner and retaining his title from last year was Sligo's Billy Gallagher in a super time of 27.31. Billy was 7th overall, a great run from one of Ireland's premier marathon runners in his day and still we are glad to report, running superbly as a master. What a great time for five miles for a 45 year old. Neilis Ahearne, East Cork A.C. was second in this category in a time of 30.13 and West Waterford's Gerry Cantwell was 3rd in 30.23. As we said from the offset this was a top class field and race and the times recorded tell their own story, in the over 50 category Ballynonty's Tony Huff was clocked at a very impressive 28.53 to take the title, while a Waterford man living in Cork, Maurice Tobin, Grange/Fermoy AC won the over 55 section in 30.48. Kevin and the boys will be proud of you Maurice. The ever-green Tom Fitzgerald, West Waterford, won the over 60's in a time of 40.42, good to see Tom back competing again. The top Junior was Sean Stillwell West Waterford 29.03.

MEMORABLE VICTORY FOR DIANE

Friday July 15th 2005 is a date West Waterford's Diane Behan will never forget, it was the date that she proved to herself and everyone else, (that is of course those who already didn't know) that she is an athlete of immense capabilities. Knocking on the door for many months, she finally turned the placing on her great rival Jackie Carty, Kilmore. A ding dong battle took place between the two on Friday night but on this occasion for the first time it was Diane who took the well deserved glory, and into the bargain she broke the 30 minute mark over the 5 mile distance for the very first time. Finishing in a splendid 29.58 with Jackie just two places behind in a time of

Pictured receiving a cheque for €4,000 the proceeds of the Glaxosmithkline 5 mile road race last Friday evening were (l. to r.) Ann Astley, GROW National, Sr. Gertrude and Chris Mulcahy, GROW Dungarvan and from GSK Dermot Dwyer, Michael Dwyer, Linda Bradfield and Denise Regan.

Ann Sheehan and Laura Hogan enjoy their Lucozade Sport after completing last Friday nights Glaxosmithkline 5 mile road race.

Three very busy ladies giving a helping hand at the finish line last Friday night for the Glaxosmithkline 5 mile road race - (l. to r.) Ann Astley, Sr. Gertrude and Chris Mulcahy, all three are involved in the GROW organisation who received a substantial cheque for €4,000 the proceeds from the race.

30.10. Speaking of female talent how about the performance of St. Senan's Adele Walsh who clocked an impressive 30.40 to take third, another performance of the highest standard. Not many ladies are running those kind of times around the country presently. Ann Marie Holland, Source Cork was 4th in 31.18 while West Waterford athlete Joanne Jackman had one of her better runs in a while when finishing 5th in 32.11. Great running on a great course by all.

In the Masters categories for ladies, many of the usual suspects were on the winners rostrum. Over 35 Ann Dunford 34.27. There's very few around that can take Ann at the moment in this category, a tough campaigner who won't be beaten too easily. In the over 40's just like Ann, Josie Ui Chuirin seems invincible winning at her ease in 35.45. The over 45 section went to Waterford's Kathleen Moran in 40.44, a fine run from the city lady. Helene Hayes was once again in the winning enclosure when taking the over 45 category in 44.21, she is getting into great shape at the right time with her Dublin City Marathon training now in full swing. The final ladies prize of the evening the over 55's was won by East Cork's Kathleen O'Brien in 35.52, how's about that for a time for a 55 plus. All in all as with the Men's individual winners the Ladies times were of the highest order.

JASON AND SHEILANNE FIRST GSK FINISHERS

The race within the race for the first Glaxosmithkline finishers was keenly contested also with great performances all round. In the men's section Damien Travers took top honours after finishing second last year, his time was 29.17 finishing 23rd overall. Eoin O'Riordan was next followed by Kieran Russell, Maurice Foley, Toby Bedell and Kieran Coleman.

But never let it be said, the ladies in GSK were having their own battle too. Sheilanne O'Donoghue made amends for her runners up placing from last

years event when taking the title for 2005 as first lady finisher from the company her time was 38.18. Linda Bradfield was next with Laura Hogan and Eileen Power third and fourth. Well done to the entire lads and lassies of GSK.

THANKS

The organisers of the race Glaxosmithkline would like to thank all who supported the race both runners and walkers. Race committee member Michael Dwyer on behalf of G.S.K. spoke and thanked all his fellow race committee members who were involved with the organisation of the race. He thanked the runners and walkers for the huge entry making it the most successful event to date. He also, on behalf of G.S.K., kindly topped up the 2,400 euro from the entry fees for the race to bring the final figure donated up to 4,000 euro. The employees and management alike are to be congratulated for this gesture and they were delighted to hand over the substantial cheque to this years chosen

charity Grow. Accepting the cheque on behalf of GROW Sr. Gertrude was over whelmed with the generosity of the company and guaranteed all monies will be put to good use locally within the GROW organisation.

Once again the race committee at Glaxosmithkline can be proud of an event which was very well organised and this reflected on the huge entry on the night, to all the stewards, time keepers, recorders, Dungarvan Crystal Sports Centre and Dungarvan United Football Club, all our own crew who had the entries and results out in jig time a big thank you, to Tony and Michael (hard to keep a good man down) on P.A. thanks boys. To our overall sponsors of the series Ger Wyley Sports and Nike thank you for your continued support of the local athletics scene.

Please note race number 9 in the series the Ballymacarby 5 is cancelled for this year. The final race in the series will be the Ardmore 5 Friday, August 19th at 7.30 p.m.

BALLYMAC' 5 CANCELLED

The organisers of the Ballymacarby 5 mile road race, race number eight of the Ger Wyley Sports/Nike Summer Series have decided as a mark of respect to the late Mona Bolger, wife of race director Frank, that for this year the race will not take place. The race was due to be held on Bank Holiday Monday August 1st. All at West Waterford extends deepest sympathy to Frank at this time. May she rest in peace.

Martin Hayes is congratulated by clubmates Michael Dunford and Ray Burke on his great achievement of breaking 30 minutes for last Friday nights Glaxosmithkline 5 mile road race.

NO LUCK FOR DAVID AT WORLDS

In a very slow tactical 800 metres heat at the World Youth Championships in Marrakech, North Africa, West Waterford athlete David McCarthy was not among the qualifiers into the semi finals last Wednesday, competing in heat number seven of seven. David finished third with the first two to qualify and the next ten fastest times after that, well outside his best time for the distance of 1.51.22 which he set in Mannheim in June of this year, he clocked 1.55.40 in his heat. Its been a hectic couple of months for the talented youngster who was very disappointed with the way the race went for him. On his return Monday from Marrakech David will be taken a well deserved break for a couple of weeks before resuming his training.

TOURANEENA RACQUETBALL CLUB PRESENT CHEQUE TO ONCOLOGY UNIT W.R.H.

At a cheese and wine reception last Wednesday evening in the Community Hall Touraneena, the Racquetball Club presented a cheque to the Oncology Unit at the Waterford Regional Hospital. The cheque was part of the proceeds from the recent Touraneena 5k road race which the Racquetball Club organised. It was also part of our Summer Series of road races. The cheque was handed over by Pat Dalton, Club Chairman to local lady Breda Skehan who is on the staff of the hospital. Congratulations to all in Tournament Racquetball Club on their generosity to this very worthy cause and well done on another event excellently organised as usual. Also on the night a presentation was made to three of their club members namely Tristan Hickey, Niamh Coffey and Julie Skehan who are off to Hamburg, Germany next week to take part in the European Racquetball Championships. All at West Waterford Athletic Club wish them well and hope they can bring further honour to their club and country.

GER WYLEY SPORTS/NIKE SUMMER SERIES FIVE TO COUNT

All participants in the current Ger Wyley Sports/Nike Summers Series please note that as the Ballymacarby race has been cancelled. The organisers have decided that it will now be five races to count not the traditional six in the overall divisional tables for this year and this also means that whoever completes five races of the ten will receive the Ger Wyley Sports/Nike 25 Euro voucher.

Lucozade Sport for all at last Friday nights Glaxosmithkline 5 mile road race. Pictured (l. to r.) are Donal Looby, Alban O'Donoghue and Martin Sandford.

Newcomer to the West Waterford running scene, William Rotte from Lismore, produced a very good run over the three laps of the Friary last week in the TQS INTEGRATION running league. William clocked 21.02, a personal best time and he gave us an indication that he can go from strength to strength if he keeps up the sport. William currently leads the three-lap league from Mary Whyte and Linda Bradfield.

In the one lap section, despite the coaching of workmate Dixie Deegan, Paul M. Mooney continues to improve and his time last week was 10.49, one minute and ten seconds faster than his inaugural run.

Deirdre Cunningham and Michael Burke produced impressive runs in the two lap league which was led home by Ann Sheehan while it was also good to see Onra Power back in action after injury.

The Boys of the Old Brigade led home the four lappers as expected. The performances of Pat O'Riordan (31.44), Kieran Coleman (34.30) and Paul Brunnock (34.35) were impressive while it is also very encouraging to see Pat Christopher, Pat Keane and Dave Pollock tackle the longer distance. The 39-minute gang are having some rare battles also each week. Thanks once again to Glenpatrick for supplying the water on such a warm night. The League starts every week at 7pm. Newcomers are very welcome and bring a friend if you have one.

Donoughmore 7 Mile Road Race

Usually clashing with the Glaxo-Smithkline race, this year the Donoughmore 7-mile road race in Cork is a week later giving local runners a chance to 'Take the Challenge', as the Donoughmore slogan puts it.

There is an extensive individual prize list, including first ten men and six women, first three in each category from over-35 to over-60 (men & women), along with the first three club teams with four to score (men) and three to score in the womens.

The first three BHAA teams (three to score) also get prizes, plus there is a T-shirt for all finishers and plenty of refreshments. All this for an entry fee of just €8.

Starting at 8pm, the race is preceded at 7 pm by a non-competitive walk over the same seven-mile route (entry fee €5) and there is also a one-mile fun-run which starts at 7.30pm, where the entry fee is €3.

Donoughmore is situated on the R619 Mallow to Coachford road, about 12 miles from Mallow and the around the same distance from Cork city.

Organised by Tim-Joe Buckley and Youghal-native Mark Bulman (two great supporters of races throughout Munster), further information can be had by contacting Mark at 021-7337156.

MAZDA LEAGUE ROUND ONE

West Waterford 4th After Day One

The first round of this years Mazda League took place last Sunday at Cork I.T and Danny McGrath had the West Waterford team on the road bright and early for the venue. With the second round of this league down for decision on August 7th the club are in a good position after day one, laying in 4th place and hopefully with a good days competition on day two we can qualify for the finals in Tullamore on Sunday August 21st.

Competing for the first time at Senior level on the track young Des Sheehan acquitted himself admirably and helped the club gain some valuable points finishing a very good 4th in the 100 meters. He later on in the day competed on the 4x400 relay team who also finished in 4th place. Well done Des on your first outing.

Shane Scanlon was in top form in the shot taking first place. He later in the day finished second to Irish Olympian Adrian Dwyer in the 56lb for distance event. Liam Houlihan had a busy day competing in three events. He finished 2nd in all three, the high jump, long jump and 110 metres hurdles. James Ledingham was placed 4th in the 1,500 metres and was pleased enough with his run as his training is presently curtailed somewhat with his duties. The steeplechase saw Raivis Zakis putting in another solid performance for his club finishing 2nd in 9.45, here also Sean Stilwell competed as a guest gaining valuable experience at this level. As stated our 4x400 metre relay team were 4th and consisted of Des Sheehan, Mark Bannon, James Ledingham and Liam Houlihan.

All in all a pleasing enough start to the leagues and hopefully now we can go on to qualify with the above team plus the extra athletes we will have for the next round.

SYMPATHY

West Waterford Athletic Club extends it sincere sympathy to the family of the late Michael Mulcahy, Colligan, whose death occurred last weekend. May he rest in peace.

CHAMPIONSHIP

At the end of the round robin series of the championship we are delighted to inform you that the "Shocks" are still in the thick of the action, having recorded a comfortable victory over Tallow in the Ardmore venue two weeks ago. This victory ensures we top our group and progress into the knockout stages of the championship.

LEAGUE

On Saturday evening last we played host to Kilgobnet in the fourth league game this season. This was a good close game and with great displays from Walter, James Fitzgerald, Scally and Timmy we came away with a five point victory, 15 points to 10 for Kilgobnet. This was our second win of the league and showed that if we play to our ability we can compete with many of the intermediate teams.

As we do not have a date for our next championship game, it is of utmost importance that all players attend training and challenge games organised by our management.

PRESENTATION

On Sunday, July 3rd after our win over Tallow in Ardmore, all players, mentors and supporters headed to John Paul's for a few drinks and sambos. After a bit of food and drink our club Chairman Micheál Toibin congratulated our long serving member and current club secretary Michael O Hogáin on his appointment as County Treasurer, and made a presentation to him on behalf of the club. In reply Michael said he was delighted to accept the gift and was looking forward to the challenge of County Treasurer.

Thanks to John Paul's for their hospitality and to Veronica Troy for providing the refreshments.

THE FIELD

Great credit must be given to P.J. O'Donnell on having the pitch in excellent condition. It is a credit to the club on having one of the finest pitches in the county.

BEST WISHES

Best of luck to the Waterford hurlers who play neighbours Cork in Croke Park on Sunday next.

GET WELL

Get well wishes of the club to all from the parish who are hospitalised, or not feeling well at present. All are great supporters of the club and we hope you all will be up and about soon.

Lismore Bowled Over By Limerick Students

Lismore suffered their heaviest defeat of the year to a University of Limerick team loaded with international players at Plassey in Sundays Division 2 clash.

In perfect sunshine, Limerick won the toss and opted to open the batting and stamp authority on the match with some top marksmen in the order. Their tactics were rewarded when Azim compiled a quick fire 19 runs before magnificent performances by Lynch and Rizwan devastated the Lismore bowling. They scored 121 runs and 103 runs respectively and the home side played out their innings for a total of 274 runs. A massive target for even a first class side to achieve and Lismore looked concerned as the sides went for tea. After the break, the visitors took to bat and were confronted with lethal performances from 'crack' bowlers Usnan and Sasha who riddled the Lismore order with speed bowling. Wickets fell in quick time and the visitors looked out of place against such an outfit. The only batsman to find his feet was Paul Coolbear who crashed seven boundaries in a fast paced 34 runs. However, Lismore were soon dismissed and Limerick deserved the applause for a fine win. Next weekend, Lismore will welcome County Kerry to the castle Farm for a Division 3 tie and will look for a strong performance to consolidate their position in this league.

The team were John Russell (Captain), Dave Ind, Brian Power, Andrew Malcolm, Mubbin Ashraf, Sunil Monga, Paddy Byrne, Dave Campion, Paul Coolbear, Ken Madden, Oliver Ind. The umpire was John Ind.

On Monday evening next Junior practice will take place at 7.30pm and on Wednesday evening, adult practice takes place

Kilmacthomas A.F.C. Notes

ANNUAL GENERAL MEETING

A successful AGM of the club took place in the Courthouse on Wednesday night last. In his Chairman's Report, Patrick Power detailed the activities of the club over the past year:

PREMIER

Unfortunately our status in the top flight of football was short lived as we were relegated after only one year. It was always going to be difficult to survive in the premier division but the loss of some key players through immigration, injury and suspension handicapped the team from the offset.

The experience was beneficial however in that it showed everyone the commitment and discipline that is required to reach and remain in the top flight. Credit goes to the players and management in that they fought to the very end of the season and, with a bit of luck, could have survived.

Thank you to coaches Murt Power and Kealon O'Neill for their commitment and hard work over the season and I wish them and the 1A team every success in the coming season and hope that Premier football is back in the village before too long.

Thank you also to Nicky Butler for his First Aid assistance and to Dungarvan A.F.C. for the use of their training premises.

DIVISION 2B

Our second division team got off to a very strong start to their season and were in a good position at the top of the league coming up to the Christmas break. However, as the second half of the season progressed their challenge for the title dwindled and in the end they had to settle for a mid-table finish. Alas, there was no repeat of the previous year's successful run in the cup either, as they exited in the first round to neighbours Ballyduff. I would like to thank manager Paddy Drohan for his commitment and hard work over the season and I wish the 2B team every success in the coming season.

UNDER 16

I thank Keith Mulhearn for looking after the Under 16 team and, although results were hard to come by, they fought hard all through the season.

UNDER 14

This team had a very good season once again and were unlucky to lose out on the title towards the end. I would like to thank Marcella Kennedy for the great work she has done in developing this team over the years. It is a credit to her and the players that they were always in contention for honours at the end of every season. Marcella is retiring from management this year and it will be hard for the club to find a replacement as she has shown so much drive, commitment and enthusiasm to the club and young players over the last ten or more years. So from everyone in the club a very big thank you.

UNDER 12

The nearest any of our teams came to winning silverware was undoubtedly our Under-12 team as they narrowly missed out on the league title and were defeated in the final of the cup. In a three-way battle for the title it came down to the wire and a draw away to Tramore ultimately decided the outcome in favour of the sea-siders who were crowned champions. A great run in the cup gave them a rare opportunity of playing a cup final at the RSC but on the night they lost out to a very strong Villa side. I would like to thank Adi Kirwan, Pat Kiersey, James Hurton and everyone who helped in looking after and developing the team and wish them every success in the future.

SEAVIEW DRAW

Once again we had a number of winners in the draw and I would like to thank all our sellers and everyone who bought tickets for their continued support.

SPONSORS

I would like to thank the various businesses of Kilmac' and sponsors who donated equipment and prizes to the club over the year, especially to Virgil, Margaret and the Power family at Alaska Fireplaces for their continued sponsorship of the main prize in our Christmas Draw.

FIELD DEVELOPMENT

I would like to thank everyone who has helped to maintain and develop the clubhouse and field over the last 12 months, especially to David Prentice, David Mears and Noel Power who help keep the pitch in such pristine condition. A special thank you also to John, Francis, Geoff and the Kiersey family for their invaluable assistance.

ACADEMY

The introduction of our Academy this year has been a great success with around 45 boys and girls attending. I would like to thank everyone for their support in establishing the Academy and it is encouraging to see that the future of the club is being catered for. A special thank you to the coaches and mentors for their help and assistance in running the Academy every week.

COMMITTEE

Once again I thank my fellow committee members for their tireless support and assistance over the last year and for their continued commitment to developing the club. A special thank you to Kevin Walsh who is retiring as the club's referee and we are deeply indebted to him for his commitment over so many years. A welcome back goes to the Ladies soccer team which has been re-established after a number of years absence.

Finally, to the people of Kilmac and the surrounding areas who purchase tickets and support the club throughout the year, I thank you all.

PUBS LEAGUE

Congratulations to Keatings Bar who defeated The Anchor Bar in the final of the Pubs League competition organised by Abbeyside A.F.C. last Thursday night. Micheal Downey scored twice to put Keatings 2-0 up but the Anchor hit back on the double to force the game into extra time. The teams remained deadlocked after this extra period but Keatings prevailed 4-2 on penalties and so the celebrations began in earnest back in Kilmac and lasted for the hot weekend!

Victorious Panel — David Prentice, Gary McCormick, Derry Power, Joey Veale, Johnno Power, David Kiely, Patrick O'Reilly, Joe O'Reilly, Micheal Downey, Murt Power, Pa Behan, John Long.

Cunnigar Pitch & Putt Notes

Three of our ladies from the Cunnigar Pitch and Putt club, Mary O'Neill, Corinne McGree and Mary Donnelly, qualified recently in Waterford Glass for the National Strokeplay Competition. The final was held at the beautiful course in Douglas last Saturday. It was a great achievement to reach the final twenty in this National Competition and credit must be given to these three top players.

However, after a fantastic struggle, when one or two shots can make or break the score, it was Mary O'Neill who emerged as the champion, and she reached the final eight. She finished a joint fifth on the last round. Great credit must be given to Mary on her achievement. Mary is only playing Pitch and Putt for three years and only one competitively. She is certainly a lady to watch for the future. Well done ladies.

CALENDAR EVENTS

A good turnout was enjoyed last Thursday evening for our calendar event as was the beautiful sunshine. Well done to Jimmy and Mary on winning first gross and to John and T.F. on winning 1st nett. Again we will be playing our events on Thursday night with the format being an 18 hole 2 ball scramble. Tee off time is 7pm sharp and players are asked to be as early as possible for the draw.

COMMITTEE MEETING

A committee meeting has been scheduled for Wednesday evening at 7pm. It is asked that as many of our committee members as possible attend. With our Scratch cup approaching soon, there is quite a few issues to be discussed.

LOTTO DRAW

Yet again there was no winner

of this weeks jackpot. Next weeks jackpot now stands at €2,600. Due to a decline in ticket sales recently, it has been decided that it is no longer viable to continue with our mini lotto. Once this jackpot has been won I believe our lotto will cease.

NATIONAL TEAM EVENT
On Saturday next, qualifiers

take place in Cunnigar Pitch and Putt club for the National teams event. Only one team will go through to play in the National finals in Hillview Pitch and Putt club, Clonmel. On behalf of the tournament committee I would like to wish all of our teams the very best of luck. Until next week - Shout Fore!

STRADBALLY SOCCER CLUB NOTES

LOTTO AT €2000

Our Lotto jackpot is back up to €2000 for the next draw on Sunday week which will be held in the Bally Inn and as it is a Bank Holiday weekend we have guaranteed prizes of €100, €50 and two €25's on offer.

The latest draw took place in the Cove Bar, Stradbally last Sunday evening with the numbers called being 1, 11, 16 and 22. With no jackpot been claimed the following were the winners of €25 each, Eoin Connors, John & Damian Sheehan, Pats McGrath and Mary Sheehan.

Tickets are €2 each or three for a €5. Please support.

Tickets are available in Whelans Bar, The Cove Bar and The Bally Inn and from the committee. So players if you are in for a couple of pints of cold cider in any of these establishments why not include the lotto in your round of drinks. Three tickets for a €5. Remember it will be players who will be getting the main benefit from the new facilities.

BEST WISHES TO PEGGY

Best wishes and a speedy recovery to Peggy Carey who has been in hospital for the past week in Waterford. We hope to see Peggy back to full form in no time.

DEVELOPMENT

To keep our readers informed of the progress of our development. This week the diggers and dump trucks have moved into the site and are presently moving out the top soil and bringing back in the subsoil and trucking into the area at the end of the site. This area is about one acre in area. This area, we are making into three thirds of roughly equal size.

One will be the car park which will contain the proposed future dressing rooms. Beside this will be a grass training area and the final third will be the grit all weather training area.

Goalposts are also ordered from Goalpost Ireland in Tallow and also a pitch liner will have before the end of this week.

The entrance is a priority and once we have all legal obligations sorted out, we will start on this immediately.

UNDER 15/UNDER 16

We want all players who can play under-15 and under-16 around on Thursday evening (tomorrow) at 7.30pm at the pitch to see what we can enter for the coming season. If you don't turn up, we presume you are not interested.

UNDER 13

As we are putting in an under-11 team and more than likely an under-15 team, there is a lot of players between these ages who will have no game so the most practical thing to do is to put in an under-13 team. This is for players whose date of birth is in 1992 and 1993. But we need extra players as we will need a panel of sixteen players. Already we have two new players for this age group. Please ring or text Brigid on 087-2435863 or Garvan on 086-8351233 if you are in this age group or know of potential players. If we do not have enough for this age group, a lot of players will be left out.

SNIPPETS

Many thanks to Liam Gough for cutting our pitches last week. Liam is making sure he gets a game next season.

Over the weekend the pitches were cut again and are looking in perfect condition. Thanks to two great lads in our club, Tommy Connors who collected the mover from Waterford and returned it and to Christopher Lawlor who cut all the grass over the full day on Saturday.

There is talk that the first action on the new pitch will be the parish 6 A Side tournament for the Raymond O'Reilly Cup. Yes, quite possible, for some time in August. We will keep you informed.

St. Olivers GAA Club Notes

UNDER 14 HURLING

Our under 14's travelled to Cloyne on Saturday last to compete in the Dermot Cahill tournament. We left Ballinameela & Aghlish that morning in a coach provided free for the day, compliments of Catherine Hallahan, Cappagh, a prize that she had won at the Dungarvan show last year.

We were beaten in our first game against the host team Cloyne on a score line of 1-3 to 2-4. All games were forty minutes. We played Kiltaha Og next, who are Killeagh and Dungourney. This was a ding dong affair and just when we thought we had enough done they scored a goal to make it a draw. It then went to extra time and luckily we won by a point, final score St. Olivers 3-3 Kiltaha Og 3-2.

We had now played for 1 1/2 hours without a break and on a very hot day. We were delighted to get a break to refuel and get ready for the final against Cloyne.

This was definitely the best forty minutes hurling from this bunch this year. They played some very nice passing hurling and our ace in the pack, all year,

David O'Connell didn't look out of place in the shadow of the Christy Ring monument. We ran out winners on a score of St. Olivers 3-8 Cloyne 2-3. Our captain David was presented with the cup and each player a plaque.

We would like to thank Cloyne for the hospitality on the day and it turned out to be a most enjoyable day for all of us who travelled.

Team: J Glavin, B Phelan, S Meskill, J Longan, K Phelan, D O'Brien, C Buckley, R Fitzgerald, T Curran, P Hickey, J Curran, D O'Connell, Gary Hurley, C Walsh, MI Heaphy, O O'Connell, J Ryan.

Our hurling season has now come to an end and football training will commence soon.

ALL-IRELAND HURLING Very best wishes to Waterford senior hurlers for Sunday's game against Cork.

This is a defining game for this team that has brought us many, many hours of enjoyment and has given a massive boost to the profile of hurling in the county.

Hopefully the rub of the green will run their way on Sunday and come Sunday evening we will be celebrating a famous victory.

LADIES FOOTBALL NEWS

Cork Defeat Deise Ladies

CORK 0-16 WATERFORD 1-8
 A blistering spell in the 2nd and 3rd quarter should have seen Cork home and dry in this Munster Senior championship game at Pairc Ui Rinn last Monday week but they didn't take full advantage and in the end had Waterford availed of two great goal chances, Cork could easily have lost their game.

With 20 minutes played, the teams were level on 0-4 each. Waterford scores coming from Niamh Briggs (2), Aoife Murphy and Marian Ryan but the closing ten minutes of the first half saw Cork shoot five consecutive points to lead 0-9 to 0-4 at the interval. The trend continued in the second half and only the brilliance of Waterford keeper, Evelyn O'Brien, who made a series of fantastic saves, kept Cork out and by the 48th minute Cork led 0-15 to 0-4. Waterford introduced Lynn Marie Grant and Sinead Ryan

in attack and switched Mary O'Donnell to midfield. Niamh Briggs twice pointed free, Louise Ryan pointed and then Aoife Murphy scored a fine goal. Lynn Marie Grant and Niamh Briggs both shot inches wide from good positions before Grant pointed. Cork were hanging on in the closing five minutes and were glad of the final whistle. Again this Waterford performance was laced with inconsistency, a good opening, poor in the middle and a storming finish. As already stated Evelyn O'Brien was outstanding in

goal. The full back line of Donna Frost, Bridget Hannigan and Marion Troy all played well. Mary O'Donnell made a big impression when she went to midfield whilst Jenny Kirwan had a solid game at left half back. Midfield was a problem area whilst Niamh Briggs, Louise Ryan, Aoife Murphy and substitutes Lynn Marie Grant were the pick of the attack. Waterford now play Kerry in a crucial match at the Fraher Field next Saturday evening with the winners playing Cork in the Munster final. Both Munster finalists go forward to the All Ireland series. Waterford will need to show considerable improvement if they are to get through. Waterford: E. O'Brien, D. Frost, B. Hannigan, M. Troy, L. Whelan, R. O'Donnell, L. Kirwan, F. O'Reilly, M. Ryan

(0-1), L. Ryan (0-1), M. Ryan, R. Liston, M. McGrath, N. Briggs (0-4), A. Murphy (1-1). Subs: L. Grant (0-1), S. Ryan.

MUNSTER SENIOR CHAMPIONSHIP Waterford v Kerry at Fraher Field on Saturday next at 4:30 p.m.

The Munster Senior Championship game at Fraher Field is now in effect at semi final with the winners going through to the Munster final and the All Ireland quarter final. Kerry have plenty of good players with Geraldine O'Shea, Carrie O'Driscoll, Caroline Kelly, Patricia Dennehy and Sarah O'Connor. Waterford have a good record against Kerry but at present the panel is very limited in numbers. Lynn Marie Grant who came on as a substitute last week is unavailable whilst Lorraine Whelan and Lisa McGrath are injured. All in all it's a formidable task and every single Waterford player is going to have to produce the goods to secure victory.

BEST OF LUCK
 Everybody in Ladies Football wishes the best of luck to the hurlers v Cork in Croke Park on Sunday.

JUNIOR FOOTBALL NEWS

Junior Ladies Defeated

CORK 2-13 WATERFORD 1-8
 The scoreline doesn't do justice to Waterford's performance. This match had a similar trend. The term were level 0-5 to 1-2 after 15 minutes. Waterford's points coming from Nora Dunphy, Mairead Wall, Sinead Ryan, Lynn Marie Grant and Lisa Prendergast but Cork hit a purple patch and led 1-9 to 0-5 at half time.

Waterford keeper Fiona Kiely then saved a penalty from Ciara O'Sullivan. They moved Kerry Dunphy to midfield and this helped matters considerably. Nuala Hearn and Niamh Grant played very well in defence. Sinead Ryan scored 1-2 and Kerry Dunphy added a point. In addition Cork keeper Mairead O'Sullivan made good saves from Tracey Gallagher and Sinead Ryan.

Grainne Enright and Mairead Wall also caused Cork problems but Cork were to qualify for the Munster final. Waterford: F. Kiely, G. McGrath, N. Hearn, L. McGrath, G. Enright, E. Cooney, N. McGrath, L. Grant (0-1), K. Dunphy (0-1), M. Wall (0-1), L. Prendergast (0-1), D. Nagle, N. Dunphy (0-1), S. Ryan (1-3). Subs: T. Gallagher, A. Walsh and A. O'Donnell.

COUNTY FINAL ON THURSDAY EVENING
 On Thursday evening next we take on near neighbours Abbeyside in the County U-14 Football Final. Although reigning County champions at this grade, this game should go down to the wire as in the league section of this competition the match ended in a draw. The game will take place at the Fraher Field at 6.30 pm and we ask all the parents and supporters to come along on the night to lend their support to this fantastic bunch of girls.

JUNIOR
 Following recent developments in both the seven-a-side and fifteen-a-side competitions we have now qualified for semi finals in each. We have one league game left in the fifteen-a-side competition and our opponents will once again be Abbeyside. The opposition, venue and dates for these semi finals have yet to be decided.

SENIOR HURLING CHAMPIONSHIP

Waterford Renew Rivalry With Cork

Quarter Final Double-Header to Attract Huge Crowd to Croke Park

If a 'straw poll' had been taken among our supporters in the immediate aftermath of the quarter final draw on television on Sunday evening, July 10th it would have shown a large majority happy with the outcome as far as we are concerned.

Personally I did not look at it in this light at first but having analyzed the matter and listened to the opinion of others, I became convinced that drawing Munster champions, Cork, was the best thing that could have happened to us.

Having a crack at the Munster and All-Ireland champions is a challenge that will certainly bring out the very best in Waterford and what a better way than this to get the Clare defeat out of their systems.

There is no point in denying that the defeat at Ennis was a shattering blow to the players as well as to our supporters. After all we did score 21 points - a total that should be enough to win a game in normal circumstances. Leaving that one behind us takes time to get over. A win against Cork would certainly banish it from our thoughts as we prepare for a semi-final challenge back in Croker a couple of weeks later.

RUMOURS

The widespread rumours about dissension in the camp after the Ennis game were completely unfounded and it was good to see a denial being published. I understand that the entire panel with the full management team were back in training on Tuesday evening following the Clare match.

It will be the first time in history that we meet Cork in Croke Park and many people have, quite understandably been ask-

ing why not Thurles for this game. Thurles would also be a natural venue also for the other component of this attractive double header - Clare and Wexford. But here again, reality must be faced as Thurles would not hold the crowd, expected to be in the region of 55-60,000.

It is reported that Waterford county officers are unhappy with the allocation of tickets received from headquarters and are complaining about the quality and quantity.

Having won only one senior championship tie in Croke Park in well over half a century does not speak well for our record at headquarters, but in practically all our defeats since then we felt that the games which we lost were there for the winning.

Without a doubt, one of the most agonising of these was the semi-final defeat by Clare on August 11th in 2002 when after looking 'home and dry' after only 20 minutes we eventually lost on a 1-16 to 1-13 score. The worst aspect of this particular game was that we had a total of 17 wides over the 70 minutes.

And who will forget that awful defeat by Kilkenny in the semi-final last year.

OUR DEFENCE PROBLEM

It is acknowledged by all and sundry that we have a problem in defence and this starts with the goalkeeper Stephen Brennar who let four goals pass him against Clare. No one can say that he was responsible for all four because the Banner forwards were able to get inside their markers. So it is only fair to say that backs and goalkeeper must take collective responsibility for the very costly

errors at Ennis.

In that match we did miss some scores through inaccuracy, but at the same time little fault could be found with midfield and our forward division and as I have written above, 21 points is a very respectable tally.

It is possible now that in keeping with policy, there are going to be no replacements, apart from substituting the suspended Eoin McGrath and trying out a new goalkeeper for next Sunday. The selectors will probably feel that it is too late now to do a restructuring job on the defence and will stick with the players, and hope for a better all round performance in this sector.

It is interesting to note that if Stephen Brennar is in goal on Sunday, then he will be the third Waterford keeper to play in that position in our last three appearances in Croke Park.

Of course after last weekend, there may be substance in the rumour that the De La Salle man may not be our goalkeeper on Sunday next.

A full squad of 31 spent the weekend in Dublin and played a mixed match in Parnell Park. The goalkeepers used were Ian O'Regan (who was the 'keeper when we were defeated by Kilkenny in the semi-final last year) and Clinton Hennessey, who for some reason, best known to the selectors, was dropped after a number of fair good performances in the national league.

If one of the substitute goalkeepers is used on Sunday, it

may be just one of two changes from the team which lost at Ennis. Eoin McGrath suspended for one month and having to miss a match has been showing good form and has figured in the scoring in the last three or four games. His absence here will call for a reshuffle in the forward division and will very likely mean that Dave Bennett will be reintroduced, probably at midfield. There is widespread support, also for the placing of Ken McGrath at centre half back which is his natural position.

The team will not be named until tomorrow, Thursday night and will be announced follow-

ing their final training session. Apart from knowing who will be named as goalkeeper and who will replace Eoin McGrath, there is practically no great interest in the announcement of the line out, since this will change when the team lines out on Sunday.

Cork, according to a report may be without one or two of the players who lined out against Waterford in the Munster semi-final.

The Munster and All-Ireland champions must start warm favourites and this will suit Waterford who invariably perform best when in the role

of outsiders.

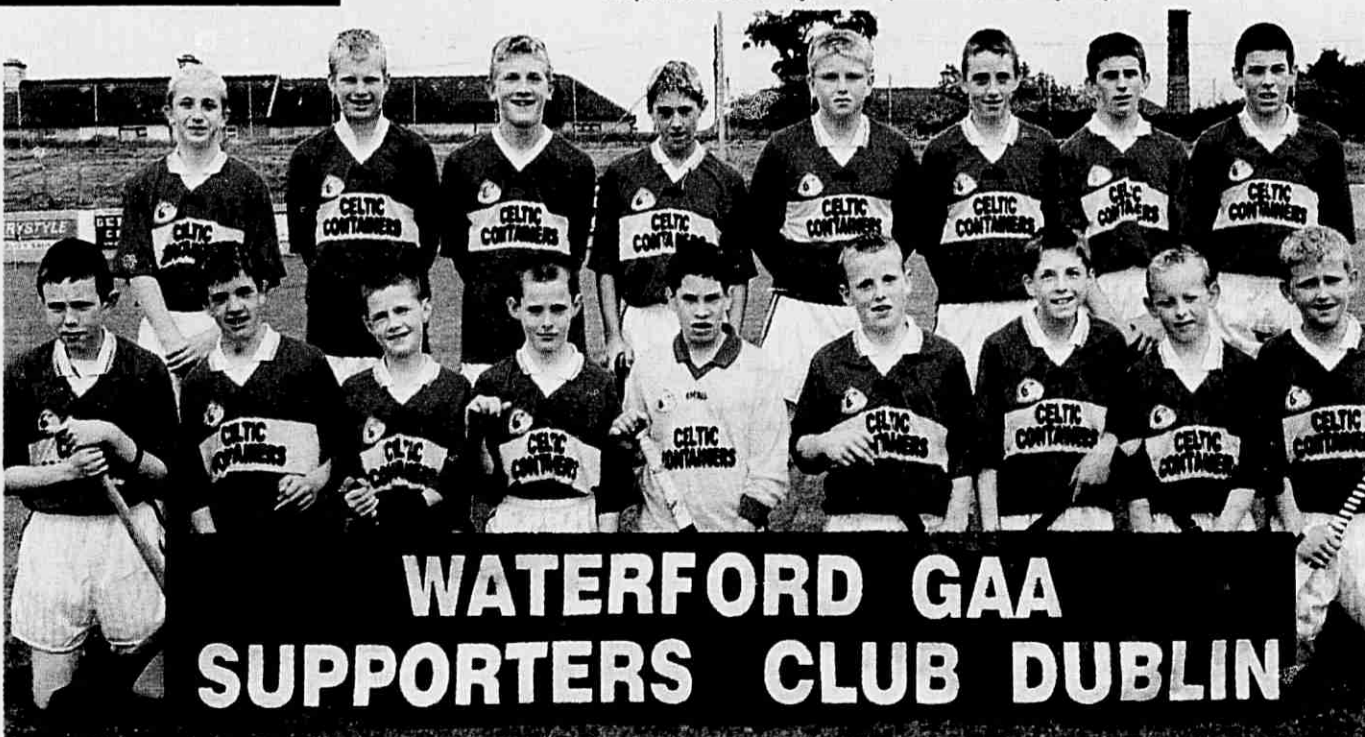

When we played the Rebels on May 22nd Ken McGrath, back after a long lay off due to his shoulder injury and Paul Flynn, recovering from a knee injury were not fully mobile

The Result

I feel that we can defeat Cork if the players are fully 'tuned,' fully focused and if they believe in themselves. Remember we did beat them in the 2002 and 2004 Munster championship - each time by a single point. So realistically, we have no good reason for thinking that we cannot do the same again, if things go right for us

OUR RECORD

In all there have been 52 championship meetings involving Cork and Waterford and of these Cork have won 39, we have won 10 and we had 3 draws.

Taken out of context the gap in the results may tend to mislead supporters because in the bad old days when Waterford were not really a force we were regularly beaten by our neighbours. Dungarvan in 1938 (5-2 to 1-3) was our first ever win against them.

JUNIOR HURLING CHAMPIONSHIP

Tourin Best In Onesided Clash

Tourin 4-12 Kilrossanty 0-4

There is a story in a scoreline like that and here as well as highlighting the gap in standards it sends out a clear signal that Tourin are the team that they all have to beat if the junior hurling title is to be taken from the winners of last Saturday evening's one-sides clash between them and Kilrossanty at Fraher field.

Kilrossanty with victories over Modeligo and Glen Rovers might have had reason for believing that they would run the opposition close, but any notions such as these were well and truly dispelled at halftime when the winners led by 2-9 to 0-2.

Tourin added a further 2-3 as against 0-2 for Kilrossanty in the second half.

Also the winners had 13 wides over the hour and were denied goals by keeper Noel Walsh who was caught in fine form between the posts for Kilrossanty.

Referee - Tim Byrne, Erins Own.

JUNIOR HURLING CHAMPIONSHIP

Decisive Win for Ballinameela

BALLINAMEELA 3-8 MODELIGO 0-5

In the second junior hurling tie played over the weekend, Ballinameela scored a decisive win over neighbours Modeligo in a very sporting encounter at Fraher field on Sunday evening.

The winners led by 1-3 to 0-2 at halftime and took control from an early stage in the second half.

Modeligo tried hard all the way, but after ten minutes of the second half, Ballinameela were never in serious trouble.

The defeat for Modeligo could not be blamed on their young goalkeeper Patrick Donovan who brought of some fine saves.

THE GAME AT ENNIS

Reference was made to aspects of the game on the previous day at Ennis when delegates complained about the unmarked seating in the stand.

Paddy Walsh, chairman of the Western Board referred to the incident involving Eoin McGrath who was sent off following the issuing of a direct red card. He said that McGrath's marker 'over played' the incident and the matter would need to be taken up with GAC. Paddy Murphy said it was not nearly as serious as it appeared and it would be most unfair if he was given more than 4 weeks suspension. It was agreed that the matter will be taken up with Croke Park.

PAY FOR PLAY

This is a topic which is becoming higher and higher on the agenda of some people and since the big attendance figures were announced following some recent matches - mostly provincial finals, etc, the claim that players (intercounty, I suppose) should be paid for their services, is being voiced by a number of high profile people.

Mick O'Dwyer who is presently training Laois is the latest among team managers to put a 10,000 figure on the payment which should be made to intercounty players who spend so much of their time in training and away from their families for so long each season.

At a 'workshop' during the annual Congress in Croke Park, 'pay for play' was a topic for discussion and after a vote was taken it showed a huge majority completely opposed to the idea. Those who expressed views agreed that all players should be well looked after but that if payment was made, then it would spell the demise of the GAA. Personally I can never see the ordinary GAA members, the people who keep the wheels of the association turning - the good people who look after our grounds, the hurley carriers, the jersey laundry people, the club players and all the others who have laboured in a voluntary capacity to make the GAA what it is, agreeing to the introduction of professionalism for an elite group.

But I have no doubt but that the campaign to have intercounty players paid will continue. It is no secret that at the present time very many of the county team managers throughout the country, are highly paid as are many of the club trainers.

Co. Board Meeting

Pat Flynn, Chairman presided at the sparsely attended meeting of the county board which took place last week in Lawlor's Hotel.

Because of a lack of business to report and also because there is no senior championship activity due to the intercounty situation, also there was only one report.

Under the item "Any Other business," Eastern Board chairman, Tim Byrne gave a detailed account of the Coaching and Games activity, Summer Camps, etc., which he attended at the city end of the county. He said it was very heartening to witness so much splendid activity and watch the huge number of young enthusiastic players being coached by so many willing people. He said it was a credit to the committee.

The county chairman said he was aware of the tremendous work being done at the summer camps throughout the county

and we are very fortunate in having people of such fine caliber to work with the youth of our county.

Pat Moore, chairman, Coaching & Development thanked Tim Byrne and the county chairman for their comments.

THE SUMMER CAMPS

At the present time the Summer Camps are being held at venues all over the county and reports tell of splendid attendance, great fun and great interest. Out of these will come the club and county teams of the future so the importance of these cannot be overstressed.

A very interesting aspect of the 24 camps in operation at the time of writing is the number of young ladies involved as co-ordinators. More than half of the twenty-four playing such an important role are girls.

In view of the planned integration of Ladies Football and Camogie and having all under

the same umbrella within a couple of years, then what the Coaching and Games Development are doing will be very helpful to the integration process. I'm sure that the special Integration Committee at national level will take note of this.

For the record the girls involved are - Greta Kearney (Ballyduff Upper), Gail O'Sullivan (Ballygunner), Angela Whelan (Brickeys), Angela Costello (Butlerstown), Mary O'Halloran (Clashmore), Hazel Bloomer (Dunhill), Rosemarie Heffernan (Ferrybank), Pauline Murphy (Gaultier), Lisa Cronin (Kilmacthomas), Gwen O'Connell (Roanmore), Siobhan Keane (St. Marys), Mary Fahy (St. Patricks/Naomh Brid), Vera Cannel (Tramore).

Of course the role played by the young male co-ordinators is of equal importance, but the introduction of ladies at this level is very encouraging and important.

There will be no meeting of the county board in August which is regarded as a holiday period.

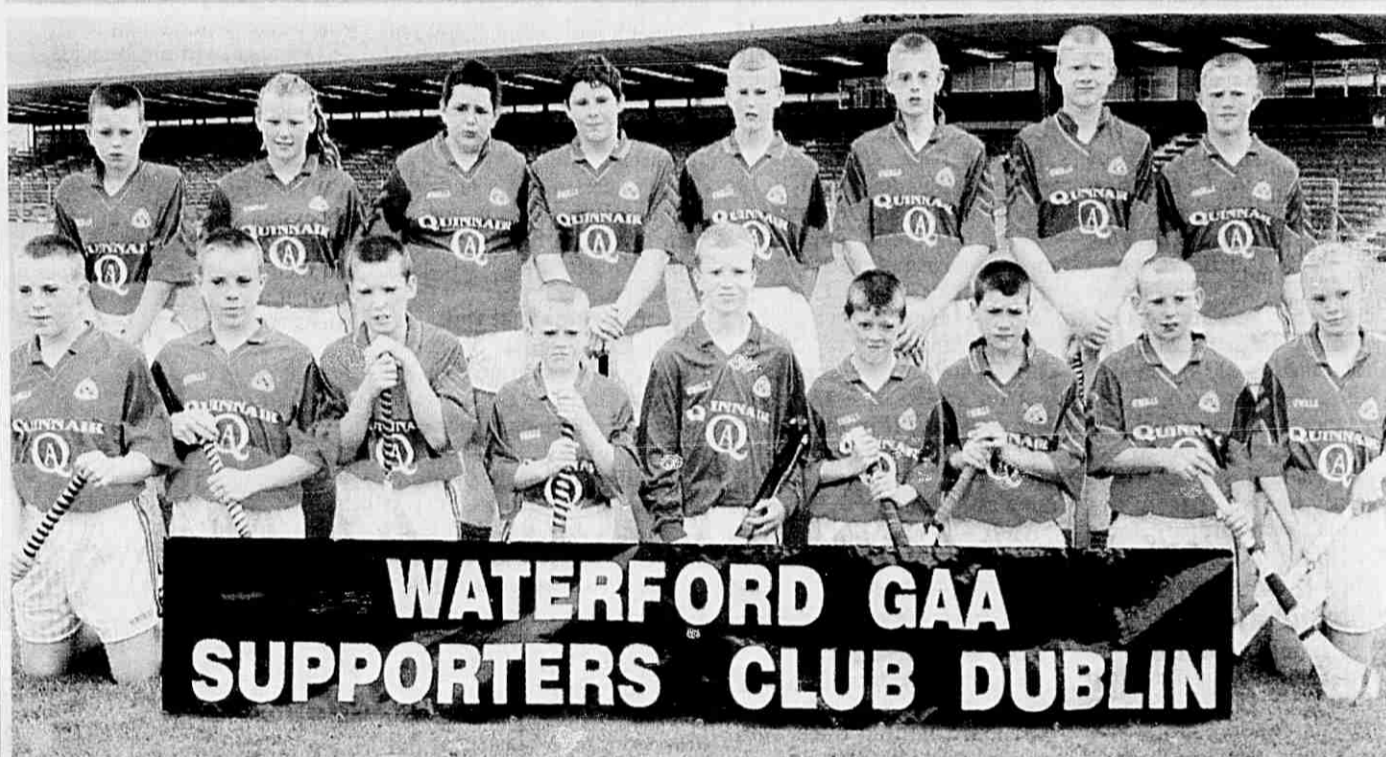

TRAVELLER PROBLEMS

John Lyons, Tallow, said his club were due to hold a summer camp, but because of the disgraceful mess left behind by a group of travellers who had recently camped at the front of the club grounds, it was not possible to allow young players play there for the present.

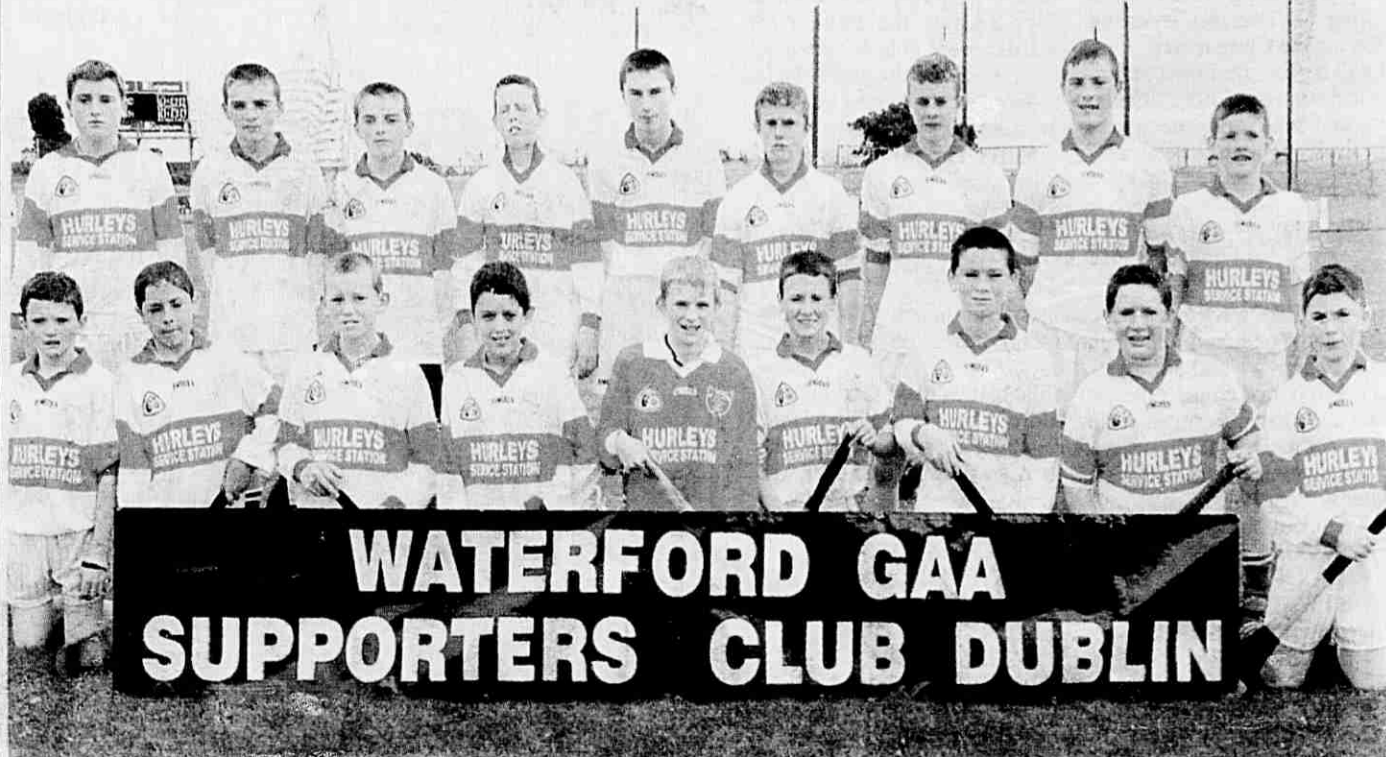

CHAMPIONSHIPS

The chairman told the meeting that the resumption date for the championships will depend on how we fare against Cork in Croke Park on July 24th.

Hopefully we will advance in the championship and in that case the club games will be put back again. If we lose to Cork then an early date will be looked at for the resumption.

G.A.A. NOTES

BY "COMMENTATOR"

MINOR FOOTBALL CONTINUES

This championship will come to a conclusion in a couple of weeks if progress such as it is enjoying at the present, continues. So far the scheduled matches have been played. There has been only one draw and this does not effect progress since the championship is on a league basis.

In the A championship in which there are only five teams, Ballinacourty have full points from all three matches, Brickeys have 2 points from two matches, St. Olivers have 2 from three games, Stradbally have one point and Kilrossanty also have but a single point from two matches.

Tonight's Matches in this championship will see Ballinacourty take the field as favourites against Stradbally at Leamybrien in their final game.

In Stradbally, Brickey Rangers must be rated favourites to defeat Kilrossanty and on present form, any other result will be a shock.

Ballinacourty are already through to the final and three of the remaining four are battling it out for places in the semi-final.

Minor "B" Football

This championship is being played in two sections with 5 in one and 4 in the second.

Reports indicate that in the first section Ballyduff and An Gaeltacht will come out on top and Affane and Clashmore are likely to top the second section. It will take until Wednesday of next week before the semi-finalists are known here.

On this Wednesday, Naomh Brid will meet An Gaeltacht at Fraher field and this is very much a defining game.

All minor games are fixed for 7.30 p.m.

PHELAN CUP SEMI-FINAL

Ballinacourty and the Nire will meet in Colligan, probably on this Friday evening in the divisional semi-final of the cup. The winners will meet Clashmore in the final of the western section of the competition.

On last Sunday evening the same clubs met in the Sargent cup hurling semi-final at the same venue.

Senior Football Championship

St. Saviours v. St. Brendan's at Walsh Park

This game has a 3 pm. start and will likely see St. Saviours start favourites. The city team looked in very fine fettle when accounting for Kilmacthomas (2-11 to 0-8) in the opening round.

Brendan's are a combination of a number of mid Waterford clubs based around Kill who were relegated last year. Brian Jacob, Mike O'Brien, Jody Doyle, Brian Corcoran, Tom Houlihan, stalwarts of the Saviours side may help the city team to advance.

Senior Hurling Championship

On the same date, Saturday at 7 p.m., Roanmore will play WIT in their losers group tie. The college team playing in their second season in the Waterford championship have so far not won a game, but their luck could change here.

In fact it will change unless Roanmore play far better than when losing to Stradbally in the opening round back in April. In that match, Stradbally were totally on top when winning by 2-9 to 0-3.

WIT were well beaten by Abbeyside in the opening math in this season's championship and their prospects will depend on what players from their very extensive panel, are available.

SARGENT CUP

DESERVED WIN FOR FOURMILEWATER

Fourmilewater 4-8 Abbeyside 1-13

This game provided a splendid contest at the Colligan venue on Sunday evening last. Both teams were without a few regulars and Fourmilewater just about deserved the result. They will now play Ballygunner in the Cup final on a date to be fixed.

Junior Hurling Play Off

At the time of writing I am aware of only one game listed for the weekend and this involves Shamrocks and Geraldines in the Junior Hurling championship. In this three way contest, Shamrocks defeated Kilgobinet over the weekend.

Senior Football & Hurling Championships

Although a game in each of the senior championships is fixed for the coming weekend, these do not mark the resumption of the championships. Each game has been arranged to facilitate the four clubs engaged.

Ballinameela G.A.A.

On Sunday evening last we played our neighbours Modeligo in the junior hurling championship. This was a must win game for us as any slip ups at this stage would see us knocked out of the championship. The quality of hurling in this game was poor but I suppose local derby matches often tend to go that way. We again found scores hard to come by as our forwards were creating chances but just not finishing them luckily our defence was in mean mood only conceding four points over the hour. We have a lot of work to do if we are going to make an impression on this championship and with our final league round game with Killrossanty deciding who qualifies to the knockout stages a big effort must be made to ensure we can make the quarter final.

We have quite a few injuries at the moment unfortunately these injuries are coming at the wrong time as we are heading into knock out championship. We wish all the lads speedy recoveries.

Stradbally G.A.A. Club Notes

MINOR FOOTBALL

Team: Diarmuid Mooney, Kevin Cullinan, Luke Casey, Andy Doyle, Padraig Casey, Shane Lannon, Noel Clancy, Nicholas Drohan, Robert Ahearne, Ricky Power, Tommy Connors, David Kett, Christopher Lawlor, Christopher Casey, Johnny Sheehan. Sub Nicky Connors.

SENIOR FOOTBALL

Our senior footballers recorded a 2-12 to 0-5 win over Tramore in the league on Sunday evening.

RACE NIGHT

Preparations are now well on the way for an enjoyable night at the dogs in Youghal Greyhound Track. Tickets are currently for sale for entry on the night and it would be hugely appreciated if these could be purchased before the night itself. Proceeds from the night are going towards refurbishment of the dressing rooms for the adult and juvenile clubs. Tickets are available from all club members and committee, and also from the local shops and pubs.

We are holding a buster draw race which should also generate huge interest. Tickets can be bought with the order of which the greyhounds finish a certain race printed on these. The ticket with the correct combination wins top prize of €500. Also on the night there are other spot prizes to be won, including 2 signed Waterford jerseys and other fabulous prizes. So come on out and support the club and a fun-filled night I'm sure will be had by all.

UNDER-21 HURLING

On Tuesday the 12th last we played our first game in the competition where we overcame Cappoquinn in a game by all accounts we should have lost. At half time in the game we were down 0-7 to a goal which Cillian O'Keeffe scored from a late penalty. In the second half Cappoquinn again resumed control bringing their tally to 10 points but with through Clashmore spirit the lads never gave up and came within 2 points with a goal from Michael Barron and points by Cillian O'Keeffe and Andrew Mulready when in injury time Cillian rattled in another goal to snatch victory in the dying moments.

While we were missing a lot of players due to holidays the lads on hand showed they were well capable of doing the job themselves. Final score clashmore 3-2 Cappoquinn 0-10. Best for clashmore were Kevin Dunne Jason seaward and Nick Beresford.

INTERMEDIATE HURLING LEAGUE

We again came out on top against Cappoquinn for the second time in a week in a hard fought intense encounter. There were never more than a few scores between the teams as the lead was exchanged several times. The final score here was clashmore 1-18 Cappoquinn 2-10. There ere some great scores taken with great points from Jason seaward and Declan Allen and also a fine semi-penalty from Paudie O'Rourke who seemed fully rejuvenated after his relaxing holiday.

Best for clashmore were Ed Beresford, Philip Dee, Stephen Barron and Sean Fleming.

We also had a league game on Tuesday night the 19th. Full report next week.

ALL-IRELAND QUARTER FINAL

Best of luck to the senior hurlers who take on Munster and all-Ireland champions cork in what is bound to be a tough encounter. Safe journey to anyone intending to travel and support the team.

ABBEYSIDE A.F.C. NOTES

THE DIPLOMAT BAR PUB LEAGUES

Keating's Too Hot To Handle

Diane Morrissey, Secretary Abbeyside A.F.C., presenting the Pub League Cup to Keating's captain Pa Reilly who defeated the Anchor Bar in the final last Thursday evening. Also included are Jim Mulhearn and Michael Morrissey.

Thursday last in Dogleaf Park saw an estimated 200 people come out and support this year's pub league final between the Anchor and Keatings. This game lived up to all expectations and was a cracking final. The Anchor started the strongest missing a golden opportunity when Butler crossed to find the head of McGovern who headed over the bar. Keatings had Joey Phelan to thank for keeping the score at 0-0 with some brilliant defending. Keating's then had a clear cut penalty not given. Half time score 0-0.

Some strong words from Keating's manager Murt, woke them up and in the second half Keating's dominated from one end to the other. It only took 5 minutes in the second half for Michael Downey to make one of his dazzling runs to rifle home Keating's first. Keating's should have scored their second 2 mins. later only for the brilliance of Chile Lyons and Liam Shanley who kept them out. Michael Downey got his and Keating's second that stunned the Anchor. With only 7 mins. remaining the Anchor were given a lifeline with a superb volley from Willie Halpin. With only 1 minute remaining the Anchor's Owen Morrissey got the equaliser. 10 minutes extra time each way had to be played. Both teams had chances to win the game but the teams could not be separated so we had to have a penalty shoot out. Keating's have their keeper to thank with 3 top class saves. Keatings won 4-2 on penalties and are now 2005 Diplomat Pub League champions. After the game we all went back to the Diplomat Bar where both teams were awarded their prizes. A big thank you to both teams on a marvellous final, hard luck to the Anchor Bar and a big congratulations to Keating's Bar (Kilmac). A big word of thanks must go to Michael Ryan "Prop", Diplomat Bar, Abbeyside for sponsoring this year's tournament and for providing food after the pub league final.

Liam Treacey (20) was second with 40 pts, his long time playing partner Sean de Paor was delighted. Martin Lavan had a level par round, making a welcome return to the winners enclosure. The Dugarvan Nissan & John Flood crosscards was won by Dermot Walsh (3) & John Reynolds (Scr) with a great score of 46 pts. They pipped Liam Fitzgerald (6) & Joe Flaherty (12) on the last three holes. Donal Linehan (10) from Kanturk won Spratts property Partners prize with popular member Des Cleary (12) second. Fermoy's Ritchie Crean (2) had a level par round to win the gross. Captain Jimmy Wemyss won Tom Coffey's prize, Tom another popular club man and sponsor had a great night. Jimmy playing off (9) had 44 pts, not his first visit to the winners enclosure this year. Young Kevin Stack had a great round of 67 gross (42 pts) The future must be good for this promising young golfer. The lady Captains husband David also featured with 41 points as did hardworking competition secretary J.P.Hayes. J.P. has put a lot of time and effort into this fortnight as indeed he has done for a number of years now. Another very enthusiastic and popular clubman David Walsh sponsored an 18 hole scotch foursomes. This event along with BBQ proved to be very popular and a great night was had by all on Saturday night. A great score of 60 nett was recorded by Pat & Paul Breen. This was a brilliant score. Rumor has it that Paul did give his father Pat, our handicap secretary, some help out on the course. Local businessman Ger Enright and club president Rogie O'Connor also featured with a 63. Our last and man event of the fortnight our festival trophy annually sponsored by Waterford Crystal was won by Chairman Jim Harty (7) with a 66 nett. Paul O'Riordan (7) always a man for the big occasion, was second on 68 nett. All in all a great 2 weeks was had. Plenty of visitors and a course in great condition. Again many thanks to all our sponsors and everybody who had anything to do with making open fortnight successful.

SENIOR CUP

Hard luck to our senior cup team who gave a great performance at Faithlegg Golf Club last weekend. In the first round they beat local club West Waterford, who had a strong team out. This was played in a very sporting manner. The following day they had a very close match against Tipperary, two matches losing on the 19th hole. Well done to manager David Hayes and panel members John Reynolds, Ian Prendegast, Kevin Stack, Pat Norris Jr, Tom Melody and Paddy Kennedy. Many thanks to all the caddies and anyone who helped out.

WORKING FOR YOUR CLUB

All clubs, whether they are G.A.A., Soccer, Rugby or Golf, need people to help with the running of various activities during the year. Two of the busiest this year in the GoldCoast were Brian O'Connor and Thomas Larkin. Brian O'Connor volunteered to take on the task of organising and selecting three teams. He got Thomas Larkin to help him and between them they managed to successfully complete the task. While not progressing to the finals they did a very good job and the Club are deeply indebted to both for their efforts. Our senior Cup team were unlucky in Faithlegg last Saturday, only losing out on the eighteenth in the final match. Well done to all

concerned.

We would, at this point, also like to show our appreciation to the various selectors on all the GoldCoast teams, Pierce Purcell: Brendan O'Brien, Kieran Cullinan and John Fitzgerald, Jimmy Bruen: John White and Martin Murray, Mixed Foursomes: Nicholas Fitzgerald and Joan Mansfield, High Handicap: Nicholas Fitzgerald and Tony Sheehan.

BARBEQUE.

On Wednesday 24th August the Club will have a barbeque and a skins golf competition.

SUNDAY LAST

At 7.20 a.m. Paul O'Sullivan teed off in a Foursomes match which went to the fifteenth hole before Paul and Willie Moore claimed victory. Having completed his round Paul then went out and caddied for Ger Kelly in the Monthly Medal, and finally Paul then went out and played a four-ball match, again claiming victory on the eighteenth. Isn't it great to be young.

We won't mention anything about the man who had an argument with his rockery and came out on the wrong end of it at 2.30 a.m. on Sunday morning on his way home from a twenty first birthday party.

BONE MARROW TRUST CLASSIC

Most members are now aware of the upcoming Classic for the Bone Marrow Trust, which is being organised by Tony Dunford. The Bone Marrow Trust is a dedicated Charity which helps the dependents of people with Leukaemia.

The competition will be a three man or three lady team rumble and is being held over Thursday 18th, Friday 19th, Saturday 20th and Sunday 21st August. Tony has put together a fantastic array of prizes, with either threeballs or fourballs in some of Ireland's leading Golf Clubs on offer to the winners. Entry is reasonably priced at just €90 per team of three.

Thankfully, entries are coming in fast and already Saturday is booked out from 9.00 a.m. to 3.30 p.m. Sunday is already booked from 7.30 a.m. up to 1.00 p.m. Anyone wishing to enter a team should contact 058 44055 as soon as possible to reserve a tee time. The event is jointly sponsored by Merrys Bar and Dwane Tool Hire.

CONSERVATION SKILLS REGISTER

In 2004 the Waterford County and City Councils established a joint Conservation Skills Register for the Waterford area to serve as a reference for building owners of historic properties who wish to carry out repair works. We have found that carpenters / joiners who use traditional methods and are prepared to undertake repair and maintenance works to historic properties are in short supply. We are therefore seeking interest from local joiners, especially those who have the relevant experience in dealing with repair and maintenance of traditional shopfronts, sliding sash windows, staircases, etc. The inclusion of contact details on the register is then available for the public to review and source specific and experienced conservation contractors when considering commissioning works.

Those carpenters / joiners wishing to register should contact either:

Ballymac Community Centre A Catalyst For New Development

By KEVIN KIRRANE

A new community centre in Ballymacbry must act as the catalyst for other developments in the village, according to one Suir area councillor.

Speaking at Monday's meeting of Waterford County Council, Fine Gael Cllr. Paudie Coffey said the zoning for a community centre in the Coun-

ty Development should be capitalised on.

"Full consideration should be given following the development of a community centre to future developments in Ballymacbry," he went on to say.

Strict new guidelines on one-off housing, which form a central part of the County Development Plan, are likely to "push more people" into desig-

nated settlement areas, the Fine Gael councillor believed.

And the county council should encourage more community development and provide the infrastructure to cater for an increase in populations.

"Nationally," he warned, "the government is putting the cart before the horse. They're putting people into areas when the infrastructure isn't in place."
