## €1m Investment In Broadband Access In West Waterford

BY KEVIN KIRRANE

Tallow and Cappoquin/Melleray were the first of 15 small towns and communities in West Waterford to 'go live' with broadband internet access as part of a 1 million euro investment that will significantly boost efforts to attract new industries into rural areas of the county and provide cost effective and faster access to the internet for domestic users.

It follows Minister Noel Dempsey's decision to grant-aid Ardmore Technologies for the roll-out of the broadband network, and is the culmination of months of behind the scenes

### ARDMORE TECHNOLOGIES TO ROLL-OUT INTERNET TO 15 TOWNS

work from the Dungarvan-based company, Waterford County Council, community groups and public representatives.

#### PLAN

James Moloney, Chief Executive of Ardmore Technologies said he hopes that all fifteen towns will be connected by the

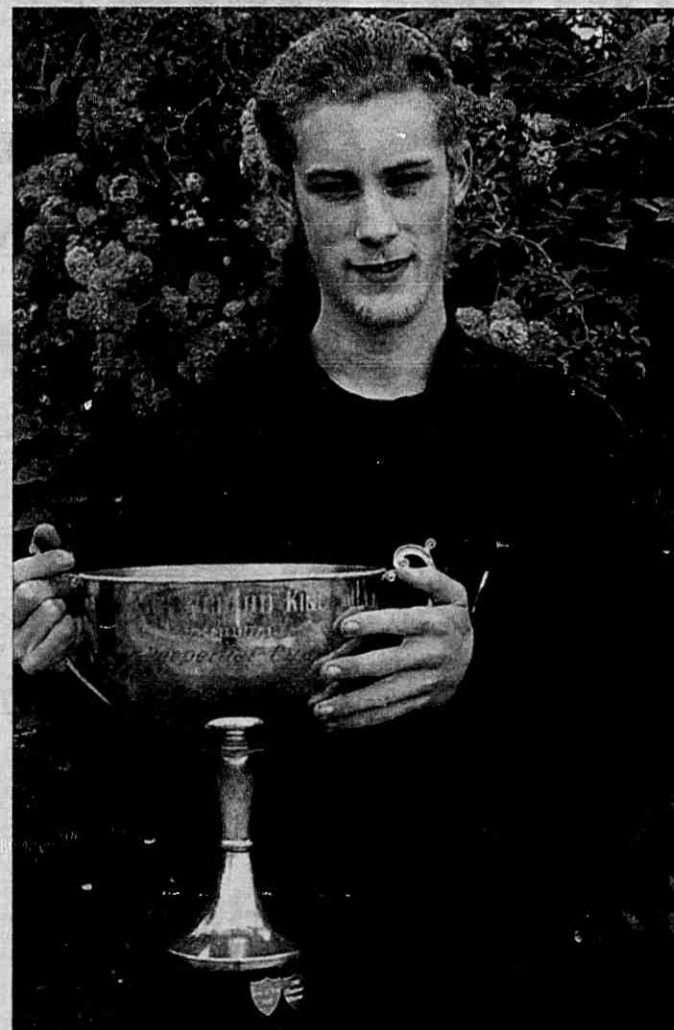

end of the year, following the successful connection of Tallow and Cappoquin/Melleray on Friday last.

"It will connect up rural communities which would never have a hope of connecting up to broadband otherwise. Together with the community groups we put forward a pro-

posal for the Community and Group Broadband Scheme which was advertised by the Department for Communications, Marine and Natural Resources," Mr. Moloney said.

"As part of that process we joined all 15 communities together under one application

## Businesses Forced To Close Due To Blackout

BY KEVIN KIRRANE

Banks and businesses in Dungarvan were forced to shut their doors, and hundreds of homes were left without power yesterday (Tuesday) afternoon last.

Three hundred customers including most of the units in Dungarvan Shopping Centre, the Civic Offices, and business throughout the town centre were forced to cease trading early as a result of the power failure.

The blackout occurred at 3.40pm forcing businesses to close as a security precaution.

While the exact cause of the blackout was not known yesterday, it's thought a digger working in the Shandon area, may have struck a cable during construction work.

A spokesperson for the ESB said a switch in its 38kV station was tripped resulting in the outage.

Residents in the Shandon area, however, reported hearing a loud bang close to where

construction workers were digging at the time.

The ESB apologised to all their customers who were affected for the inconvenience caused.

## Faster Internet Access On Way For Tallow Area

Waterford Fianna Fáil TD Ollie Wilkinson has said rural communities in Tallow and surrounding areas are soon to get instant internet access as part of the Government's push to connect low-population areas to the digital age. The Dungarvan-based Fianna Fáil TD said the broadband service provider, Ardmore Technologies, has been offered grant aid to part-fund the roll-out of a broadband network in the Tallow area.

The Tallow Enterprise Group had made a strong case to the Department of Communications, Marine and Natural Resources touting the region as a prime location for investment in broadband access.

'I am delighted the Government heeded that case and I pay tribute to the Tallow Enterprise Group's hard work. Both households and small industries will soon have instant access to the internet for an affordable flat-rate monthly fee,' said Deputy Wilkinson.

He explained that the County and Group Broadband Scheme brings broadband access to a wide range of communities and ensures that even the most remote areas can compete equally with our major towns and cities.

The new access should spur more companies to invest in Waterford and ordinary householders will get fast and affordable internet access without taking up the regular telephone line,' said Deputy Wilkinson.

Waterford's broadband projects is among 43 announced by the Department of Communications, Marine and Natural Resources. Grant aid of over €2.9 million has so far been approved for projects under the scheme.

Creating high-capacity backbone infrastructure for broadband is key to putting our rural communities on the technological map. It secures their future through job creation and investment and allows ordinary householders to tap the information age,' said Deputy Wilkinson.

**CO. WATERFORD'S ANCIENT BRONZE TRADERS**

Some big rocks arranged to form short, partly-roofed passages are all that now remain of County Waterford's three "Passage Tombs", all on hills near Tramore. They are thought to have been made and used in the early Bronze Age.

The Bronze Age is a period that stretched from some time before 2,000 B.C. to about 500 B.C. During that time new technology came to this island that enabled people to make and use bronze tools, which started to take over from the stone tools of the New Stone Age (Neolithic). Bronze is a skilfully alloyed mixture of Copper (which is too soft for making good tools) and Tin (which is rather brittle). The mixture is much more durable than either.

The three tombs are plainer than Passage Tombs elsewhere in Ireland and, when excavated decades ago, they were shown to contain few or no "grave goods". Other Irish Passage tombs do tend to have grave goods and many have beautifully decorated stones of which the best known are at Newgrange in Co. Meath. The Waterford three are

thought to have been built by communities in touch with communities who had plain tombs in Cornwall and on the Scilly Isles. Outside Waterford Passage tombs all occur north of a line from Dublin to Galway.

In 1986, Sean O'Nuallain and Paul Walsh published a paper in the Proceedings of the Prehistoric Society in which they very cautiously wrote: "...it is tempting to speculate that Bunmahon Copper and Cornish Tin proved to be reciprocal attractions for both communities." The suggestion is that ancient south-east Waterford looked more to trading partners or relations in Cornwall than to the rest of Ireland.

None of Waterford's three Cornish-like Passage Tombs is easily visited as they are far from roads on their hill tops and there are no very obvious public paths or safe parking. County Waterford has over 2000 archaeological sites and just a few of these are easily accessible.

Promoting yourself, dealing with clients and doing professional presentations are all covered in this hands-on course. You will work with actual samples supplied in class, doing projects in and out of the class environment to get full value from your learning experience. The college also offers two optional weekend field trips to trade-only venues so students can learn how to

source design items just like the pros. Your tutor is an experienced designer, and has undergone extensive training to teach this course.

# Enormous Support For Incineration In Waste Survey

BY KEVIN KIRrane

Over 67% of respondents to a waste survey compiled by Fine Gael Deputy John Deasy support incineration, and 60% would support the location of an incinerator in County Waterford.

The findings run contrary to the perception that any plans to push forward incineration would be extremely unpopular in the county.

Deputy Deasy, however, said the survey is representative issued the questionnaire to householders countywide last month. Around 1,900 have responded so far.

"We're looking at a figure of 11% - 12% returning the survey. That's about three times the average. It just shows how important this issue has become to people," the Dungarvan TD said.

"The big surprise in the findings so far is the enormous level of support for incineration. Over 67% of respondents would support incineration and 60% would support an incinerator being located in Waterford.

"This level of support for incineration is mirrored by the observations of people in the comment box provided.

"Respondents have identified the rising cost of waste management as their main concern. They have made it clear they are not prepared to absorb further significant price hikes for bin tags.

"Other issues that have emerged from the survey include a strong desire for recycling to be better incentivized, additional recycling depots to be made

## 60% WOULD SUPPORT INCINERATOR IN COUNTY

available around the County and a growing intolerance for illegal dumping which appears from the survey's findings to be widespread."

"Some very positive things have emerged from the survey, including the fact that 97% of people have indicated they are now recycling.

"That shows the County Council have been successful in changing people's attitude wholesale when it comes to the management of waste.

While the attitude to recycling may be positive, further waste charges will be extremely unpopular. The survey found that: "most respondents are unwilling to consider any further substantial increases, particularly as it pertains to recyclables."

Deputy Deasy has asked that anyone who has received a survey and wishes to have it included in the completed findings to please post it within the next couple of weeks. He plans to publish the survey sometime in September.

**Fall In Live Register Figures In Dungarvan**

BY KEVIN KIRRANE

There was a slight fall in the numbers signing on in Dungarvan over the past year, figures compiled by the Central Statistics Office show. However, in the last month, eighty-six more people were recorded on the Live Register than there were in June.

In a year on year analysis, which includes part-time and seasonal workers, there was a decline of forty-six people signing on in Dungarvan, the figures show.

In July 2004, 1030 were on the Live Register; this fell to 896 in July of this year or an annual fall of 46.

More males than females were also on the register. These included 88 males under the age of twenty-five, and 427 who are twenty-five years of age and older. This contrasted with 72 females under twenty-five and 395 twenty-five years and older.

On a month by month basis, a sharp increase was recorded. The July figure of 982 was 86 more than signed on in June.

## Appeal to Use Social-Welfare Scheme to Cut Back-to-School Costs

Waterford Fianna Fáil TD Ollie Wilkinson has appealed to parents on social welfare or work in low-income jobs to take advantage of the Government's €18 million scheme designed to help defray the costs of school uniforms and shoes in the new academic year.

The Dungarvan-based Fianna Fáil TD said tens of thousands of students may be missing out on Government payouts each year because their parents are not applying for support under the scheme.

'I am appealing to people on welfare or in low-income employment to carefully examine

the conditions of the Back To School Clothing and Footwear Allowance Scheme. It is designed to help those who genuinely need support to get their children fitted out for the new school year,' said Deputy Wilkinson.

He pointed out that more than 150,000 students benefited from the targeted support scheme last year.

'But thousands more on social welfare payments who may qualify for the scheme did not apply and so lost out on this important support when they need it most. Many parents are under financial pressure when it

comes to meeting the cost of uniforms and footwear for the new school year.

'The Minister for Social and Family Affairs, Séamus Brennan TD, has approved funding of €18 million for the Back to School Clothing and Footwear Allowance Scheme. That is an increase of €1 million on payments under the scheme last year,' said Deputy Wilkinson.

He explained that parents will get €80 for each eligible child aged between two and 11 years and €150 for each child aged between 12 and 22 years.

Parents can apply to their local Health Service Executive

office for money the scheme between now and the end of September, he said.

'A couple with one child whose weekly income is at or below €368.10 may qualify for the allowance. A couple with two children whose weekly income is at or below €387.40 may qualify. If they have three children, they can have income of €406.70 and qualify. For families with more children, the income limit is increased by €19.30 for each additional child,' said Deputy Wilkinson.

The Fianna Fáil TD strongly urged parents on low incomes or who receive social welfare payments to take advantage of the scheme in an effort to relieve the financial burden caused by rising back-to-school

## Perfectly balanced

The human skeleton is a truly amazing piece of machinery with well over 200 bones, articulated by an extremely complex arrangement of muscles, ligaments and tendons.

In a fit and healthy individual all these elements are perfectly balanced, allowing for immense strength and an incredible range of movement, beautifully orchestrated by an unfathomable network of nerves. These nerves (together with the blood vessels which provide nourishment for the musculoskeletal system) pass through tiny purpose-built channels within the system with only just enough space to function effectively. It is a feat of design and engineering beyond anything human beings have ever been able to achieve.

Yet as many people will testify, this intricate system can be quite easily knocked out of its precise alignment. Many factors including overuse of certain joints or muscles, poor posture, accidents, injuries, and degenerative diseases such as arthritis, can upset the delicate balance of the skeleton, leading to a whole range of problems.

Joints which move out of their proper positions will often cause the surrounding muscles to go into spasm in an attempt to protect the joint against further damage, and to hold the body in the most ergonomic position possible.

A shift in one part of the body will usually lead to a compensatory shift elsewhere in order to maintain balance. For example, a tilted pelvis will often result in a curve in the upper spine, while a deviation of the knee joint will cause pressure and pain in the ankle joint. The muscles around the site of compensation are also likely to tense up and this too can cause problems.

Muscles which are in spasm become irritated and inflamed, leading to pain and stiffness. Either the muscles or the misaligned bones themselves may also pinch the nerves or blood vessels in the surrounding areas, leading to problems such as carpal tunnel syndrome, sciatica and migraines.

Fortunately all these symptoms tend to respond very well to natural treatment. Herbs such as comfrey and got kola can help to repair degenerated joints, while others such as devil's claw and willow have a natural anti-inflammatory action. Natural

muscle relaxants include cramp bark and wild yam, and St. John's wort is second to none for treating nerve damage and irritation. Useful supplements include glucosamine and chondroitin (which help to maintain the integrity of joints), fish oils which help to reduce inflammation, and magnesium which helps to reduce muscle spasm.

However, in order to help the body to return to its proper position it is often useful to make actual adjustments to the positions of the bones. In conjunction with herbal treatment and appropriate use of supplements, this can provide the best opportunity for healing.

The most effective form of hands on treatment I have come across is McTimony Chiropractic which is quite different to other forms of chiropractic. It is a very effective yet gentle approach which is suitable for people of all ages, including both very young children and older people.

The practitioner makes swift, accurate and painless adjustments to the bones which helps to bring the skeleton back into alignment and relieves the pressure on nerves and blood vessels. This is followed by a massage to help relax the muscles, tendons and ligaments which hold the bones in position. The treatment works particularly well in conjunction with herbal medicine in order to address both the symptoms and the cause of the problem.

For more information about McTimony Chiropractic you can contact Brian Livingston D.C. MMCA, on 087 783 8967. Brian trained at the McTimony College of Chiropractic in Oxford and has 10 years experience in the treating musculoskeletal problems. He has recently set up a practice in Lismore, Co. Waterford.

## Dungarvan Camera Club Notes

There was a terrific turnout for the workshop presented by Dungarvan Camera Club in An Leabharlann/The Library. Over thirty members of the public turned up to listen to various members of the club present basic tips on the taking of photographs. Portraits, composition, digital photography, lighting and photojournalism were the various topics presented. The club members brought a number of their own images to highlight to the audience the points they were making. Following the workshop members of the audience were able to view the club's exhibition currently on show in The Library.

The club is very grateful to the librarian Tracy Dunne and her staff for their presence on the night and for their patience in waiting for the group to disperse. It was difficult to get people to leave at the end of the night as mingling in the exhibition space brought about more questions and answers. Thanks to club members Liam Suipéal, David Ind, Sean O'Brien, Dan Walsh, Richard Cutbill and Mary Fennessy for their input on the night.

# New Computer Store On The Way For Dungarvan

A new computer store, due to open in Mary's Street, Dungarvan at the start of September, is set to offer customers an unbeatable offer.

Customers to Steve's PC Supplies, which will open at No. 11 Mary's Street on September 1st, are guaranteed the lowest prices for all the top name brands in Ireland.

Proprietor, Steve Knowles, said: "We will be offering a unique guarantee for everyone who comes into the shop. If anything that we sell can be found anywhere else in Ireland at a cheaper price we will beat it or match it."

"What we found in our research is that many people were going to Waterford or Cork to find well-known brands

at a cheaper price. We're offering those prices in Dungarvan."

Steve's PC Supplies started life as a small venture at a car boot sale in Kilkenny a number of years ago. Sensing the market in Ireland was some way behind the UK, his venture quickly took off.

"As well as offering every known brand at a competitive price, we will also be offering an inexpensive repair service, including virus removal, a full PC service on all the parts we sell etc - something Ireland is short of"

He also hopes to run introductory courses for first time users in January along with one hour refresher courses.

# Escape And Relax With An Authentic Thai Massage

BY ANNA FAHEY

Malai's Royal Thai centre, which has recently opened in Henrietta Street Waterford, has been designed to allow you to escape from your everyday duties, relax and imagine you are

in paradise. It's a relaxing and rejuvenating

alternative, alleviating the stresses of everyday life and offering a pampering retreat. The services include an array of massages, relexology, manicures, pedicures, facials and other treatments.

Recently, I decided to take an hour to pamper myself and just switch off so I signed up for the traditional Thai massage and I cannot recommend it highly enough.

The whole massage takes just under an hour and works your whole body literally from the tips of your toes to the top of your head.

At one stage, I really thought I was going to drift off to sleep which is exactly the effect you are looking for.

The centre sets a peaceful and relaxing Asian atmosphere, which makes it different than the traditional salon experience. Malai's selection of treatments is based on harmony and balance and promoting health and beauty. The Thai massage is an ancient form of therapy, which is known to relieve stress and muscle tension.

All the staff have qualified from the Wat Po School of Massage in Bangkok, Thailand which is the most highly recognised school of Thai massage in the world. The trained professionals offer an unrivalled knowledge and skill at the provision of massage and beauty therapy.

Enjoy a remarkable experience for mind, body and spirit; Malai's Royal Thai centre offers a selection of life-enhancing massage, skin and body treatments that are inspired by the magic of the Asian culture.

By providing unparalleled massage and body treatments under one roof, you are ensured that when you visit Malai's you will feel your very best!

For more information on Thai massage and beauty treatments

and a list of therapeutic treatments contact the centre on 051 844748. Check out their website: [www.thaimassage.ie](http://www.thaimassage.ie) or visit their premises at 5 Henrietta Street, Waterford.

# 11th Annual Dungarvan Bay Sponsored Swim

## A Great Success

Hundreds of people gathered at Helvick Pier on Sunday last, to celebrate the arrival of the twenty-five sponsored swimmers who took part in the 11th Annual Sponsored Swim across Dungarvan Bay from Ballinacourty in aid of the RNLI Helvick Head Lifeboat.

The culmination of months of hard slog, the event was the most successful ever. The festive atmosphere on the pier was created by the Dungarvan Brass Band, their instruments glinting in the sunshine, and the tantalising aromas of hamburgers and hot dogs wafting seductively with the strains of the music, while the Ladies' Committee served delectable and exotic sandwiches and beverages; the RNLI children's mascot Stormy Stan was there larger than life meeting and greeting old and new friends, and the RNLI souvenir stall and team of face painters and the Mad Hatter aka Michael Wright himself, all added to the colour and sense of occasion.

On Davitt's Quay in Dungarvan the excitement of the swim was palpable too with people busy on the pontoon loading up boats, spinnakers tinkling against the stays of the masts in the NE breeze under a partly cloudy sky, and little punts lazily coasting on the rising tide. Donal and Mary Walsh from Dungarvan Harbour Sailing Club were preparing to set off in the lead boat the Lady Kate, down the harbour towards Ballinacourty with Ann and Lt. Cdr. Charles Lawn, Cearball Turraoin and Joan Clancy on board.

There was great activity on Ballinacourty Pier, where the lifeboat crew were outstanding in their assistance as Sinéad Moore was registering attendant boats and swimmers before they proceeded to the starting point of temporary markers put down by Mossie Brennock from DHSC; over on the Ring peninsula the steady stream of cars visible to the naked eye were already parked as far back as Murray's Pub where Jazz Train were playing later in the afternoon.

Now it was almost time for the start of the swim, and the flotilla of assorted sailing vessels and power boats were all converging towards Mossie's markers. The command came from RNLI Hon Station Sec. Ian Walsh to start the race, and Donal Walsh and Lt. Cdr. Lawn each released an Mk3 Maroon flare into the heavens, and the swim commenced.

As the Lady Kate, flying the EU Flag, motored slowly towards Helvick, Donal observed "that so many people would give up of their time on a Sunday morning is laudable. The RNLI and people working together...people on the water supporting each other..." On the Blackrock, Cormorants were perched ever so stately drying their feathers, and overhead circled a Gannet, a lovely soaring bird with great white wings with black tips with one of the largest wingspans in Ire-

land, in readiness for his dive. Then he identified his prey, folded his wings in and plunged vertically into the water, and surfaced a few moments later with his catch. And while the sponsored swimmers swam steadily SSE in the 13 degree waters with a slight swell, Mary Walsh served sandwiches and refreshing beverages, and Donal joked "the three most useless items on board a boat are an umbrella, a wheelbarrow and a naval officer, and we have one of the three on board!"

Soon the first of the swimmers reached Helvick, and Séamus Corcoran Hon Chairman of the Fundraising Committee thanked and congratulated each one as they swam ashore. He was all too aware that he was standing in for the late Tom McHugh our beloved Station Chairman who suddenly passed away twelve weeks ago. In his address he said that over two hundred people from the Dungarvan Bay area had volunteered their time for the RNLI and thanked them and "everyone who helped make the Swim a success, including visitors, boatmen, lifeboat crew, the hardworking ladies and gentlemen who provided food and drink at fair prices, souvenir sellers, face painters, the Dungarvan Brass Band, Stormy Stan and the RNLI Roadshow.

We are grateful for the enormous support from the national and local media including the Dungarvan Leader, Dungarvan Observer, WLRfm, Beat, CRY and Raidió na Gaeltachta.

"We thank the Search and Rescue Helicopter crew for their presence, and our sponsors Spar Baile na nGall, An Linn Bhuí Restaurant, Convenience Foods Carroll's Cross, Showerings-United Beverages, Florries Centra Dungarvan, Cash & Carry Dungarvan, William Bumster, Herlihy's Super Valu, Merry's Bar, Conor Lannen Fruit & Vegetables, Eddie Keane Suir Vend, Sony Ireland, The Moorings Bar & Bistro, The Anchor, Tig Murrithel Helvick, The Country Store, Na Gardaí Siochana, Civil Defence, Oifig an Phoist, An Rinn, skippers of boats, Michael Wright, Austin Flynn from DHSC for the Safety Talk, Davitt's and Minnies and everybody else for their unfailing support throughout the year.

"As Station Chairman the late Tom McHugh was a very good man who will be remembered fondly. He is gone, but not forgotten. Ní bheidh a leithéad arís. Go ndéana Dia trócaire ar a n-aman." A minute's silence was observed as a mark of respect, and Eamonn Turraoin presented a specially created

Group pictured at a presentation of a specially created piece of Gloine Na Rinne to the family of the late Tom McHugh at the recent 11th Annual Swim in aid of Helvick Head Lifeboat. Tom was the highly esteemed Station Chairman up to the time of his sad and unexpected passing.

piece of Gloine na Rinne to the McHugh family. In her acceptance Máire said her father was deeply proud of his association with the Helvick Head Lifeboat and were honoured by the presentation. She also said that the family were very grateful for the enormous outpouring of support shown to them during the time of Tom's funeral both at the house and church and at the burial in Abbeyside.

Then the fabulous red Air & Sea Rescue Helicopter arrived and circled and banked several times to the amazement and wide eyed wonder of onlookers young and old, and demonstrated acrobatic manoeuvres and a spectacular sea to air winch lift with members of the lifeboat crew aboard the RNLI Alice & Charles.

The sponsored swimmers are Clare Morrissey, Éanna Sheehan, Kolette Enright, Maeve Moran, Aisling Power, Richie Hayes, James Twomey, Mel Shanley, Eddie O'Mahony, Hannah Glynn, Laurence Boland, Micháel Curran, David Connors, Ruth Cahir, Johnny Lynch, Dermot Heinz, Shane Ryan, David Mulcahy, Darren Ó Droma, Terry Flemming, Ned Dennison, Adrian Nardonne, Vincent Cassidy, Michael O'Sullivan, and John Conroy.

## Great Success For Local Showjumpers At Millstreet

### Mark Flynn Wins Prestigious Boomerang Competition

BY KEVIN KIRRANE

The Millstreet Show proved a tremendous success for local showjumpers with eighteen year-old Mark Flynn, Kilkenny, becoming the youngest ever rider to win the prestigious Boomerang Competition while trainer, Tim Beecher, completed a remarkable one-two in the ponies.

Mark is the son of John and Nicky Flynn, Kytellers Inn and grandson of Dottie and the late Niall Flynn, Park Hotel.

On the Ballinvella-sired 'Ballinlover Boy,' the eighteen year-old rider took all the plaudits in the Boomerang Competition.

The competition, one of the most sought-after in the showjumping calendar, produced a four-horse jump-off in a field which included Shane Breen, Francis Connors, Robert Spillane and Richie Moloney.

However, Mark, who has just moved up from ponies this year, produced the faster of two double clears in the competition, coming home in 34.07 to beat Eddie Moloney and 'Chatsworth Dan' by seven-hundredths of a second.

Winning the Boomerang Competition adds to

Mark's already impressive list of achievements, having been a member of the Irish team to win a bronze medal at the European Championships two years ago.

One of the first to congratulate Mark was fellow Waterford rider, Francis Connors, for whom it took twenty-two years to win the same competition.

"We are delighted for him," Mark's proud father, John Flynn said. "He deserves every bit of it because he puts an awful lot of hard work into it."

Millstreet also produced a remarkable one-two for local trainer, Tim Beecher in the ponies.

There was no clear round until Peter Moloney from Colligan on Tim Beecher's "Loughnatousa Ron," the second last pony, scored the first clear round.

Last to compete was David Blake from Co. Clare riding "Rons" stablemate "Loughnatousa Bart" who scored the second clear round, resulting in a jump-off between the two Loughnatousa ponies with "Bart" eventually winning by one second.

## BALLINROAD A.F.C SUMMER CAMP

Pictured above and below are happy groups of children who took part in Ballinroad A.F.C.'s Summer Camp. Children are reminded that there are still two weeks of fun left in August, just go to St. Laurence's Hall, Ballinroad any day, Tuesday to Friday from 10 am to 2.30 pm.

## Abbeyside Reference Archive HISTORIC LINK WITH PAST

Last week we were given a piece of cast iron for the Archive.

It measures eight inches high, four inches wide at the top and two inches wide at the bottom.

It's decorative on front and has got the word Front written on it's back. It is obviously a leg off something. The lady who gave it to us tells us it's from the kitchen stove of the house

called "The Hermitage". A housing estate now stands on the site where the house once stood but the name is carried into the 21st Century on this estate.

This Sunday evening Eddie Cantwell will be at the Parish Office minding our new old cast iron treasure as well as all the other treasures.

## Abbeyside Scout Notes

### ANNUAL CAMP SWITZERLAND 2005 CONTINUED

Sunday morning saw most of the scouts out of bed early for the first flag up of camp. This day, the first proper full day of camp was to be spent using the local cable cars and also taking some scooter rides down a mountain side over a course/road approximately five and a half kilometres long. Passes for the cable cars were handed out to everyone and for the first time in most cases everyone boarded the cable cars that they had only seen in photographs. The heights these cars have to travel in order to reach the next valley is incredible and this of course means that the views on show are spectacular to say the least. Having arrived at the top and end of this particular cable car on Sillerenbuhl the scooter transport to take everyone back down the mountain to Berglager was acquired by the scouts. This seemed to have upset the operator who was not a happy Swiss' citizen, particularly as he had not been paid and he let Muller know this in no uncertain terms! After some delay caused by Mullers inability to speak the Swiss-German dialect and the operators inability to speak English the all clear was given to descend. These scooters that were to be used were similar to scooters used by kids around the footpaths and roads of Ireland. The big difference was they were the size and strength of mountain bikes. They needed to be so as the average speed going down hill on one of these was thirty to forty miles per hour. Protective helmets were worn by all and you can bet that the braking systems on each scooter was fully tested before the descent. As with any activity undertaken by the troop the likes of Marco, Damien, John Nicholas and Patrick tend to be that bit braver and bolder than the rest. Of these brave hearts Patrick took a bit of a spill on the way down which prevented him from thumbing a lift for the rest of camp. One or two minor cuts and scratches were also received by some others but the exhilaration of hurtling down a mountain side on one of these scooters really has to be experienced. On reaching the Berglager cable station the scooters were attached to the cable cars and everyone then headed back up the mountain to the restaurant for some food and plasters. Following lunch an attempt was made to go even higher up the mountain to Hahnenmoos. However this attempt was aborted when one of the adults leading the group missed a turn off in the pathway! All that can be said is that Michael will have a good story to tell at the next meeting of the Dungarvan hill walking club! On arrival back from the mountain top in Adelboden the swimming pool was visited and from here on in the scouts got to meet and get on very well with the several groups of girl guides staying in the locality on their annual camps, particularly with the guides from Scotland. Monday saw everyone back on the bus with Guy as the troop headed off to visit the international scout centre at Kandersteg, go for a ride on a chair lift several hundred metres high and also have a go or two on the dry toboggan run at the top of the mountain close to lake Oeschinensee! The toboggan run proved a huge hit with scouts and adults who ran the course not once but several times in the space of a couple of hours. Best performers on the run for the adults were the father and son combination of Paddy and David Murphy while for the scouts no one could quite keep up to the standards of David Hickey. Here again the Scottish guides met up with the troop and arrangements were made to meet up again at the swimming pool in Adelboden. Following some lunch the adults headed off as a separate group to try and reach lake Oeschinensee followed by the scouts a little while later. On the journey back from the lake everyone got their first taste of what bad weather can be like in the Swiss Alps. On Tuesday, hiking and biking were on the agenda and the adults in charge of the biking Tony and Gearoid made sure everyone was aware of safety procedures to be followed before heading off on their excursions to the local wood carver over in the next valley! While one half of the group went biking the others went hiking to Tschenten, a cable car station which overlooks Adelboden and has spectacular views from the top. In the afternoon both groups switched around their activities. The wood carver was kept busy with both groups buying a lot of his products ranging from scout and guide woggles to figurines of various kinds and music boxes. Next week in part three of these camp notes all will be revealed about the burglary bomber, I promise.

## In Memory Of The Late John Dower

The universal reaction within our community to the recent death of John Dower was one of deep sadness and inability to find the words to express the full extent of the loss which we are all experiencing now that he is no longer with us.

It would be impossible to capture in mere words, the qualities which were John Dower, gentleness, kindness, selfless, sincere, love, deep faith and time to spend with others, are just some which spring to mind.

Throughout his relatively short life of just 61 years, he was a Tour de Force within our community. One often wondered how he combined a very successful career in farming and a busy sporting life, and still seem to have all the time in the world for all people whom he encountered on a daily basis.

Growing up on the family farm in Currigeen, Ring, John developed a deep knowledge and love for the soil and animals. He had a wonderful understanding of the great circle of life, and he never exploited the wonderful gifts of nature. He enjoyed a very successful farming career. Early retirement saw John take a career change, when he joined Joan taking up a position with the E.S.B. reading meters. His work took him down every road and lane in the county, meeting people from all walks of life, which what John loved to do.

He loved all sports, from an early age John Dower had it all. He could run fast, jump high and strike accurately and he enjoyed some great success with his beloved club, Old Parish. He loved horse racing and enjoyed nothing better than a day out at the races in the company of his dearly loved wife and friend, Joan.

However, it is for his contribution to athletics that John will be best remembered. Having successfully competed at Juvenile level himself, John went on to coach hundreds of athletes during the 80's and 90's with the Ring/Old Parish club and achieving great success especially at Cross Country. His help, coaching and advice to all these young athletes was very much sought after, freely given and very much appreciated. Here again

the gentleman was always to the fore, he had time for every child who participated, always on the sideline encouraging and full of praise. Many went on to achieve great success, while others achieved success which they other wise might not have.

What made John really outstanding was his remarkable faith, he valued people, he loved their company, he endeared himself to everyone with his gentle ways and his willingness to help.

Above all, John was a family man, he and Joan were not just husband and wife, they were best friends, soul mates. He

adored his children Laura, Michael and Shane, we extend our deepest sympathy to you. Letting go is never easy and nothing prepares you for the huge void which the physical absence of the Big Man with the big heart and overwhelming smile has left in all of your homes and in your lives. Your memories of John are wonderfully happy ones, for you he will never grow old, but take comfort in knowing his presence is ever with you, in death as in life he is there encouraging you to keep on going even when all the others have all finished the race.

**CATTLE****Can you Reduce Meal Costs this Winter**

With our new found 'freedom to farm' comes the challenge of being able to survive in a more market driven industry. Like it or not things will change and we will need to evolve our systems to keep pace. As we move closer to another winter our aim should be to firstly keep this expensive feeding period as short as possible and to see how to we can reduce meal costs. There is huge variation across the country in what individuals are paying and will pay for rations. For some the norm will be 180-200+/tonne while others will hope to aim around the 130-140/tonne mark.

Compounders seem to be suggesting at this stage that ration costs may be up by 5-10/t this year on last years prices. If you can buy and handle straights these generally offer the greatest potential savings on meal costs. Where barley or wheat can be bought off the combine you are getting an excellent feedstuff at good value. Indications at present suggest that barley may trade at 95-100/t off the combine, treating and rolling will add another 25-30/t to overall cost. By balancing cereals for protein and adding minerals on the silage you can keep your ration costs nearer the 150/t.

Listed below are a number of straights at their expected forward prices for this autumn and their current prices ex merchant. Prices may vary according to location and quantity purchased.

	Forward price /t	Current price /t
Rolled Barley		151
Citrus pulp	126.7	142
Beet pulp	146	150
Maize distillers grains	151	147
Maize gluten feed	140	143
Soyabean meal	251	247
Rapeseed meal	158	158
Maize meal	186	174

A number of three and four way mixes suitable for calves, weanlings and finishing stock are given on the Teagasc client website [www.client.teagasc.ie](http://www.client.teagasc.ie) under beef nutrition.

**The Weanling Dilemma**

The tumbling beef price that we have seen in recent weeks has filtered back to lower prices in the marts for stores and weanlings. Admittedly, weanling numbers at marts have been small, so far, but for those that have been sold 200-300 with the weight have held most bull weanlings. Given this sort of price a 300kg bull weanling would be worth between 1.67 - 2.00/kg liveweight.

This drop in price has provoked many thoughts amongst weanling producers. Some have suggested that they may not creep feed weanlings this back end. Others are contemplating holding them on to next spring.

Either way there are implications. Those of you considering selling weanlings even at current prices to cut out creep feeding is false economy. Never in the animal's lifetime is it so efficient at converting meal into liveweight. Typically Grange has shown that in this type of animal 4-5kg of meal will convert to 1kg of liveweight. Even with quite expensive ration there is still a return, not to mention the extra bloom the feeding will put onto these calves as grass supply and feed value diminishes into the autumn. The other pay-back is the obvious reduction in weaning stress experienced by calves already eating creep. Remember have your weanlings gain in excess of 1-1.2kg /day while they are on the farm. Have them forward creep graze and feed them 1.5-2kg of ration per day in the six weeks prior to sale. If you want to save on meals try using trough feeding that way you can control intakes.

For those of you thinking of holding on to weanlings to next spring to try and catch a price rise ask yourself the following few questions. Have I enough accommodation to carry the extra stock? Is there adequate winter fodder available on the farm or will I need to buy in? How will this affect my cashflow and will it have any tax implications?

In order to carry this weanling through the winter you will require around 3.5t of silage and between 250-300kg of meal per head. Throw in the cost of a winter worm dose and you are looking at total of between 100-130/hd for feed and vet costs alone. Our experience has shown that weanling performance over their first winter on many farms is at best only modest with many of the better farr s only achieving 0.6kg/day and the average farm only achieving 0.3kg/day. So think any decision through carefully.

**DAIRYING****Heifer performance on monitor farm**

Beef and replacement heifers were weighed on one of our dairy monitor farms in Co. Waterford. The beef heifers were Charolais and Aberdeen Angus crosses.

	KGS	KGS/KGS	Av. Daily Gain
	10/05/05	04/08/05	
Beef Heifers	328	418	1.06
Replacements	352	434	0.97

This was an excellent performance especially when grass was in short supply in late July.

The beef heifers will now be put on 3 - 3\_ kgs of meal per head plus good grass and will be finished in 8 weeks. This will then leave a larger area of grazing ground for the replacement heifers and extend total days at grass.

**Grass in August**

Average August growth rates are around 55Kgs Dm/Ha/day (Range 35 - 70). This average growth rate exceeds demand by about 15% at 1 cow per acre (2.5 cows/Ha)

**FARMING LEADER**

## IFA President Says Campaign Against South American Imports Will Continue

IFA President John Dillon has described last night's meeting with directors of the Queally Meat Group as useful.

The meeting took place following an IFA protest by 300 farmers at the QK plant in Naas, Co Kildare yesterday. Over 50 farmers occupied offices of the Queally Group for 10 hours.

Mr Dillon said there had been a full and frank exchange of views at the meeting on the issue of beef imports from South America. "I conveyed to Peter Queally and Dan Browne the depth of anger among beef producers in this country who have seen prices collapse in the last six weeks. Meat factories have cut cattle prices by 150 per head since June, leaving over 50,000 beef farmers in a loss-making situation."

The IFA President said the campaign against the importation of large quantities of South American beef would continue.

"IFA is determined to tackle head-on the damage being inflicted on the Irish beef sector from uncontrolled South Amer-

ican imports."

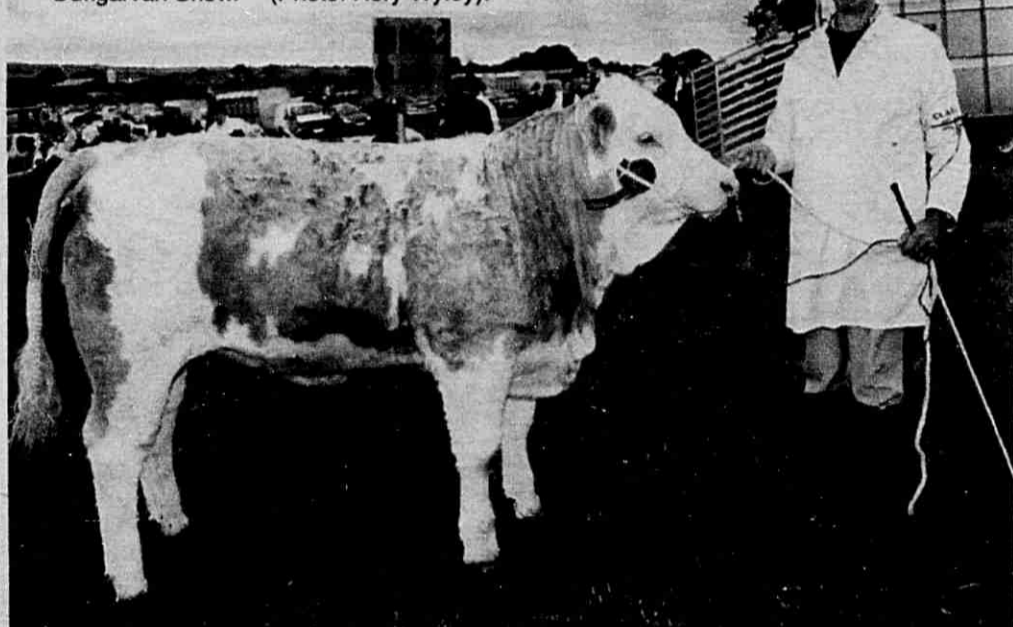

"IFA is demanding that Agriculture Minister Mary Coughlan introduce proper labelling at all hotels, restaurants and catering

outlets. In addition, IFA is insisting on a limit on South American beef imports in the forthcoming WTO negotiations."

Mr Dillon said "we have put

our case clearly to Minister Coughlan and the EU Commission and we're seeking the Minister's full support in setting a limit."

## Importers Undermining Future Viability of Irish Cereal Industry

Waterford IFA Grain Committee Chairman Bill Shanahan said a major importer is undermining the future viability of the Irish cereal industry.

Mr. Shanahan said "the Irish cereal industry is at a critical juncture, with indicated green prices failing to cover production costs. The short sighted actions of a number of key im-

porters in pursuit of increased market share will ultimately lead to a much reduced Irish cereal industry. Already, this year's cereal area is back by 13% despite the fact that last year's yields were 12% above the five-year average."

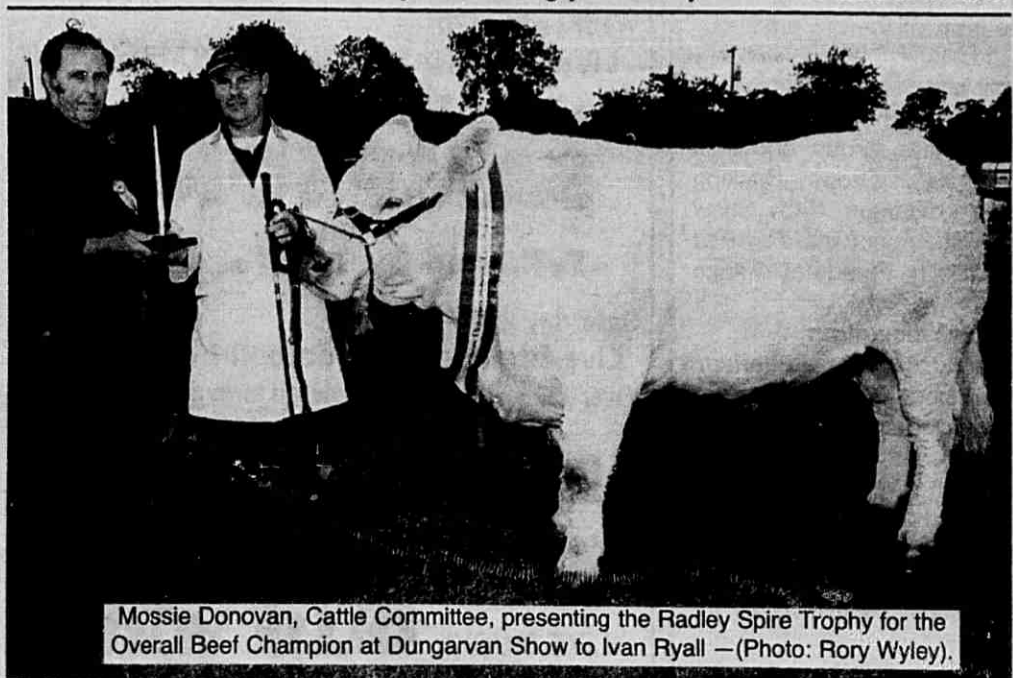

The Chairman said "a further 20% fall in the cereal area is likely this coming year if a

green price of 105 / tonne at 20% moisture does not materialise this harvest. Production costs have risen by 7 - 9 / tonne in the last five years, while grain prices have remained static or fallen. Even at 105 / tonne, many growers will be struggling to break even, given that this year's yields will be close to or under

the five-year average".

Continuing, Bill Shanahan said "this fall in production will have serious implications on the future of the Irish cereal industry and a consequent knock-on effect on the intensive livestock sectors. We will see an increased reliance on imports, greater price volatility and reduced security of supply. The reduced availability of arable spread land for pig, poultry and cattle manures will also have negative cost implications particularly for the pig and poultry sectors under the current proposed Nitrates Directive. The current cost of disposal of chicken litter is around 2.6c / bird, and this will increase substantially if the availability of spread land is reduced".

Concluding, the Waterford Grain Committee Chairman said "all non-agricultural sectors are capable of recouping increased costs from the market but farmers are being denied this opportunity. The globalisation of food production and the concentration of power in the hands of a few key traders is neither benefiting the consumer nor the primary producer. This fundamental issue needs to be addressed, but in the immediate term, farmers must be able to recoup the cost of production plus a margin to stay in business".

The magnificent seven who successfully completed the "Four Peaks" to mark the tenth anniversary of Dungarvan Hillwalking Club. (Left to right: Jamie Cullinan, Stephen McCarthy, Mary O'Shea, Ned Cullinan, Mary Dunford, Liam O'Connor, William O'Brien)

To mark the tenth anniversary of the founding of Dungarvan Hillwalking Club, Michael J Power suggested we climb the highest mountain in each of the four provinces, and the Four Peaks Challenge was born. A day trip to Kerry and three weekends away later, only seven hardy hillwalkers man-

aged to summit all four: Slieve Donard, Carrauntoohill, Mweelrea and Lugnaquilla. Well done to Tom Fitzgerald, Reenie Palmer, Michael J Power and Billy Sheehan who each took responsibility for one of the peaks. Plans are already afoot for another challenge, this time taking in the British Isles

as our canvas.

Scheduled walks for the remainder of the month are as follows. Note the changed start time of the C walk on September 4. 21 August B John Browne Killineen West 10am. C Reenie Palmer Ballyquin 2pm. 28 August B Mary O'Shea/Jackie Curran Carrig-

## Stradbally News

### GRANNY WALK

Last year a Granny Walk in Kilmacthomas raised funds for Michael Comerford to help him travel to Cape Town, South Africa to work with a team of builders for people in need in the Imazamo Tethu Township. Michael hopes to do the same again this October and so he is depending on the grannies to help out. Brenda Foley is the chief organiser of the Granny Walk which is scheduled to take place in Kilmacthomas on Tuesday evening, 30th August at 7 pm. Last year some people were not aware that the walk was in fact taking place. So now informing all grannies that the place to be on 30th August is outside Danny Kirwan's at 7 o'clock for the walk. Sponsorship cards are now available from Brenda Foley and a good response is expected. The burning question is can any other couple keep up with the last years flying duo Breda Costelloe and Marion Carroll of Rockville, Stradbally who showed a clean pair of heels to all and sundry. The surprise packets of last years walk were the sisters Eily Corkery and Bridie Griffin and all indications are that they will again face the starter on the 30th August and show the younger grannies how it is done.

### MISTAKEN IDENTITY

All is well that ends well sums up the mistaken identity of a horse owner at the Tramore races on Thursday 11th August. Those who backed Fayr Star thinking the owner was Dermot O'Brien of Rathnaskilloge were delighted to collect when the horse won. However, Dermot was not in fact the winning owner. Instead it was his namesake son of Jim and Patricia O'Brien of Kilnafrehan, Kilgobnet but there was still great rejoicing by all who backed the winner.

### SYMPATHY

Sincere sympathy is extended to Jo Taylor, Church Lane, Stradbally on the death of her aunt Peggy Barber (nee Roberts). Burial took place in Dunhill Cemetery on Thursday 11th August after requiem Mass celebrated by Fr. Gerard Purcell.

### TIDY TOWNS NEWS

The lucky winners were 1st Trevor Costelloe, Rockville, Stradbally. 2nd Jill Wright, Monavaud, Stradbally and Clane, Co. Kildare. 3rd Sinead Roche, Ballylynch, Kilmacthomas. 4th J. Smyth, Brenan, Kilmacthomas. 5th Marion McElduff, Carrigahilla, Stradbally. 6th Keith Wickham, Abbeyside, Dungarvan. 7th Lucy Gillet (nee Flynn), Cove Cottage and Athboy, Co. Meath. Chairman Joe Curran thanked all who had supported the effort, ticket sellers and those who bought tickets. Joe also thanked Breda Bolger Cunningham, family and staff for facilitating us at the Cove Bar and for providing the food and music on the night. He especially thanked both Herlihy's and Garvey's Super Valu Stores, Dungarvan who are our main sponsors.

The final date for judging for the national Tidy Towns competition is Tuesday 16th August. All reports will be back in Dublin after that date. So it is hopefully sit tight, fingers crossed and wait for the postman for the next two weeks but the work must still go on, it's not all about competition, it is about keeping Stradbally looking its best.

### Notes BUSY FARMERS

With the continuing good weather local farmers have been very busy cutting silage and now starting an early harvest. With a lot of corn fit for cutting, motorists should take extra care on the roads to facilitate slow moving harvesters, tractors etc. Let's hope that the weather continues to be good to ensure good yield on grain.

# RECENT DEATHS

## LATE ANTHONY KYNE

It is with great sadness that we record the death of Anthony Kyne at his home in Port Talbot on Tuesday, August 9th.

Anthony was born in King Street, Abbeyside and went to national school at the Pond in Abbeyside and onto the C.B.S. in Dungarvan.

He served his time as an apprentice mechanic with Waterford County Council and in the mid 50's went working in England.

Like many from the Dungarvan area he settled in Port Talbot where he resided for almost 40 years. He always kept in touch with Dungarvan and on his last visit he was struck by the changing face of the Old Boro.

In his final illness he was blessed by the loving support of his wife Phyllis, sons David and Tom, daughters Ellen and Kelly and his treasured grandchildren Carys, Gwenllian, Ryhs, Caitlin, Harry, Abigail and Luis whose visits especially in recent months were a source of great happiness and joy to him.

His funeral Mass took place in Port Talbot on August 15th which was well attended by his wide circle of friends.

He will be sadly missed and remembered by his loving wife Phyllis, sons David and Tom, daughters Ellen and Kelly and his grandchildren, his sisters and brothers Mary, Anne, Garvan and Billy, daughter-in-law Eleanor, sons-in-law Steve and Mike, nieces and nephews and many friends in Wales and Dungarvan.

## LATE KEITH CROWLEY

It is with deep sadness that we record the death of Keith Crowley, aged 32 years of Mount Nebo Avenue, Gurrabraher, Cork City and previously of Childer's Estate, Dungarvan which sad event occurred on 2nd August.

Keith was an ex employee of Dungarvan Crystal and of Minnie's Bar between the years of 1989 and 1992 where he was a very popular friend and employee.

Keith leaves behind his mother Geraldine, father Donal, brother Colin and sister Elaine and son Craig, uncles, aunts, cousins, friends and relatives in both Cork and Dungarvan.

Funeral took place in the Church of the Ascension, Cork and burial took place in St. Catherine's Cemetery, Kilcully, Cork.

Special months mind Mass will take place in the Church of the Ascension Gurrabraher, Cork on Monday, 5th Septem-

ber at 7:30pm.

Fr. Des from Cork said Masses and O'Connor Funeral Directors carried out the undertaking.

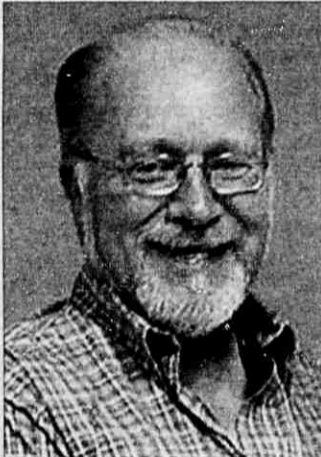

He will be sadly missed by his family.

Tribute to Keith by his sister, Elaine

### Tribute To Keith

You left us so fast  
Without saying goodbye,  
Bless you Keith  
You were such a lovely boy.  
As a father you gave as much  
as you could,  
As a son you did the best that  
you could.  
As a brother you did more  
than your share,  
As an uncle they always knew  
that you were there.  
Sleep tight now Keith  
You'll always be our pet,  
Sleep easy now honey  
Your job on earth is done.  
Our hearts are broken  
And can never be repaired,  
Watch over us Keith, until we  
meet again.

## LATE PAUL WALSH

It was with shock and sadness that the people of Dungarvan learned of the untimely death of Paul Walsh, aged 56, of 2, Doire Beg, O'Connell Street, Dungarvan on 2nd August.

A native of Dublin and of a family of nine children, Paul settled in Dungarvan 14 years ago with his wife Brigid and children Christopher and Katherine.

His unconditional love of his family and his contribution to his community bear witness to his love of God and to the Christian values he upheld. Paul served on the Parish Assembly in St. Mary's Parish Church, sharing his wisdom and talent for communication, in addition to his enviable leadership skills and his strengths as a good team player.

Paul was also involved in the formation of the No-Name Club in Dungarvan, being passionate about providing a fulfilling life for the young people in the area. A fun loving person, Paul's philosophy of enjoying life to the full without the use of alcohol was an example for all of us.

By day, Paul worked tirelessly in Carriglea Services, his energy and great vision aimed towards developing others to the greatest potential. The Ann Le Roy Centre in Dungarvan is a testament to Paul's love of people and his ability to empower others and bring out their best. This Centre will serve as his legacy to the Sisters of the Bon Sauveur and to the staff and clients who will miss his honesty and authenticity as well as

his sense of fun and humour as he engaged, cajoled and communicated with those around him.

Paul was blessed with many gifts and music was just one of them. Having been reared on music and song from a tender age, Paul was quietly proud of his own father, Joe, who co-wrote the well known Christmas Carol "Cead Mile Failte Romhat, a Iosa". Paul's many journeys in his short life were never complete without a rendition of some popular Dublin ballads, bringing laughter and enjoyment to every occasion.

Paul's final journey to St. Mary's Church was a moving tribute to a man of distinction who was respected and loved. His pathway was lined with three guards of honour along with many people who came to pay him homage.

Canon O'Mahoney P.P. was the Chief Celebrant at Paul's funeral Mass with co-celebrants V. Rev. Fr. Tim O'Riordan P.P., Fr. Cooney O.S.A. and Fr. O'Reilly and Dean Beare Church of Ireland, also in attendance was Canon O'Connor. And having lived with music, it was fitting that Paul's farewell Mass included music and song. His sister, Catherine, was the soloist throughout the celebration and she was aided by Paul's daughter, Katherine, who sang the responsorial psalm. They were accompanied by Gertie Morrissey, organist. Readers included Paul's son Christopher.

In addition to Canon O'Mahoney's inspiring words, a warm tribute to Paul was delivered by John O'Donovan who moved the congregation to tears and laughter as he captured the essence of Paul's short life.

Paul's brothers Joe and Thomas, and his sister Marian, Imelda, Catherine, Patricia, Mairead and Frances sang "Salve Regina" as he was laid to rest in the adjoining cemetery.

To his wife Brigid, son Christopher, daughter Katherine, and to his family and friends we offer our deepest sympathy.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

## LATE MARGARET (RITA) DALTON (NEE QUARRY)

With feelings of deep regret and sadness we write on the passing on Saturday last of Rita Dalton, at her residence 'Fáilte', 2, Caseyville, Dungarvan surrounded by her devoted family.

Our heartfelt sympathies extend to family Anthony, Kevin, Gerard, Karl, Moira, Philomena and Eileen, sons-in-law Tony Mansfield and John Joe Fenell, daughter-in-law Angela, her grandchildren, nephews and nieces and other relatives at this time.

Reposing at the Kiely Funeral Home, the removal on Sunday evening took place to St. Mary's Parish Church. Follow-

ing funeral Mass on Monday (Feast of the Assumption of Our Lady) the interment was in St. Laurence's Cemetery, Ballinroad.

(Full obituary next issue)  
Funeral arrangements by James Kiely and Sons, Funeral Directors.

## LATE PATRICK POWER

It is with deep sadness and regret we record the passing of Patrick Power, Cuscam, which sad event occurred on 28th July at his residence.

He was predeceased by his brothers Tommy and Gerard.

Patrick was very well known in the locality. He took great pride in his house and garden which were always kept in perfect condition. For years the flowers from his garden adorned the altar of the Church in Ballinroad.

Patrick went to England in the late 1950's where he worked until his return in 1978 due to the death of his father. He worked in Quigley Magnesite until its closure in 1982. He looked after his mother Kathleen until her death in 1993. He and his brother Gerard lived in Cuscam until Ger's untimely death on 15th July 2005.

Sadly, 13 days later tragedy struck again when Patrick went to his eternal rest on the 28th July.

His remains were removed on Saturday evening following rosary at Drohan's Funeral Home to Ballinroad Church and were received and blessed by Fr. Tim O'Riordan P.P. assisted by Fr. O'Donnell, Fr. Fives, Fr. Cooney, Fr. O'Doherty, followed by a large cortege of mourners. Following requiem Mass on Sunday morning celebrated by Fr. Tim O'Riordan P.P. interment took place in the adjoining cemetery in the presence of a large gathering. The lesson was read by Pat Power and Jenny Forsey.

To his sorrowing family we extend our deepest sympathy.

Chief mourners were his sisters Mary, Bidy, Cait and Teresa, his brothers John, Michael, Dick, Nicholas, Peter and Joe, his sisters-in-law, brothers-in-law, nephews, nieces, relatives and friends.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

## LATE JOE FLYNN

It is with feelings of deep regret we record the passing of Joe Flynn, Ballincoush, Dungarvan on Tuesday, 2nd August.

Joe was well known in the area especially among the farming community. He was employed in his early years by C.I.E. and later worked for Robbie Dunford, agricultural contractor. Joe was a keen gardener and helped all his neighbours.

A loyal supporter of G.A.A. he would travel to all the matches. There was nothing he enjoyed more than a social drink and a good game of cards. His passing is much regretted. May he rest in peace.

Rosary was recited on Thursday evening by Canon O'Mahoney after which his remains were removed from Drohan's Funeral Home to St. Mary's Parish Church and were received and blessed on arrival by Canon O'Mahoney P.P. assisted by Canon O'Connor and followed by a large cortege.

Following requiem Mass on Friday morning celebrated by Canon O'Mahoney P.P. assisted by Canon O'Connor and Fr. Waldron C.C., interment took place in the adjoining cemetery.

The lesson was read by members of the family and gifts were brought and Prayers of the Faithful recited by family and neighbours.

To his sorrowing family and relatives we extend our sincere sympathy.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

# RECENT DEATHS

## LATE MICHAEL MAHONEY

When the people of West Waterford heard of the sudden passing of Michael Mahoney, Coolroe, Old Parish on Thursday, August 4th at the age of 72, the overwhelming reaction was one of shock and deep sadness. Michael was healthy and fit, and could regularly be seen taking long walks up Coolroe at the end of a full days work on his farm. When Michael was recently admitted to hospital, given his good health and his positive outlook, the expectation was that he would have a routine procedure and be back on the byroads of Old Parish within a matter of weeks. Unfortunately, the procedure did not go as expected. Michael died peacefully on August 4th, fortified by the Rites of the Church in the company of his beloved wife Eileen, and close relatives.

At his removal and burial, the phrase that was frequently used to describe Michael was that "he was a true gentleman and an example to all". He had a ready wit and took great satisfaction in telling and hearing good stories. However, it was his generous and positive outlook on life that allowed him to have such a strong and welcome influence on the lives of so many, and the genuinely deep affection in which he was held was very obvious at his removal and burial. The other qualities that shone through were his integrity, his strength of character, his generosity, and his quiet satisfaction and enjoyment of the company of his friends and family. These qualities helped Michael build strong bonds with his friends early in life, and to develop deep loyalties with his friends that more than stood the test of time.

Michael was removed to Old Parish church on the first Friday in August, which was fitting given that Michael and his wife Eileen were ever present at first Friday Mass. In his sermon at Michael's burial, Fr. Cullinane spoke of the great joy that Michael took in life's simple pleasures, and in particular, the satisfaction of being close to nature that Michael derived from his love of farming. Anyone that met Michael through farming can talk about the tidiness of his yard, the high standard of his livestock, his well maintained machinery, and many other examples of Michael's attention to detail and his high standards for his farm, that all showed the immense love that Michael had for farming.

His wife Eileen, survives Michael. Michael and Eileen were a match made in heaven. They took genuine pleasure in each others company, and their deep love and respect for one another was always obvious. Among the many interests that they shared, Michael and Eileen loved to travel across the Southeast and Southwest of the Country to deepen their close ties to Eileen's family. Michael talked often of the natural beauty of the countryside that they drove through together.

Michael's brother Paddy Joe, and sister-in-law Sheila also survive Michael. Both brothers spent several years in the red and white of the 'Shocks', an Sean Phobal. Michael loved telling stories of the games that he played, and he particularly enjoyed talking about the times that he played in the back line with his great friend and neighbour John Dower R.I.P.

Michael's family took great comfort in the guard of honour that greeted Michael at the church, knowing how much Michael would have appreciated the mark of respect from his clubmates and friends. When Michael's playing days ended, he found various ways to continue his commitment to the club, he served as Secretary for a spell, he supported the team, attending all of their championship games through the years. Michael's interest in G.A.A. extended beyond Seana Phobal, and he enjoyed watching club games, intercounty games and of course any game that involved Waterford. Just days before going into hospital, Michael and P.J. were in Carlow together, cheering our hurlers on to victory.

Michael's interests extended into many other facets of Parish life. He was a pioneer for many years, and wore his silver pin with pride. He will be missed in Old Parish social circles, Wednesday nights at the Marine Bar will not be the same without Michael's good humour and steady hand to help in the organisation of the '45' drive.

Michael is also survived by his nephews and nieces, and their extended families. His nieces and nephews fondly remember summer holidays spent at Michael's home place, in particular they remember his genuine fondness for each of them, the enjoyment that he gained in playing with them, and the supply of Scots Clan milseán that he always seemed to have at the ready.

Fear croíúil, spóirtúil ba ea Míchéal. Bhain sé sár taitneamh as a ghrá do nadúr, agus as chomluadar a cháirde. Táimid go mór faoi chomaoin aige as ucht an dea-shampla a léir sé dúinn gach lá dá shaol.

D'fhoilig sé a thinneas le misneach; bhain sé suaimhneas deideachta a mhuintir; agus as deireadh a laethanta, glac sé le toil Dé.

Following rosary recited by Fr. Cooney O.S.A., Sr. Threse and Fr. Cullinane P.P. Removal was from Drohan's Funeral Home on Friday evening to Old Parish Church where the remains were received and blessed on arrival by Fr. Cullinane P.P.

Following funeral Mass on Saturday morning celebrated by Fr. Cullinane P.P. assisted by Fr. Enright P.P. burial took place in the adjoining cemetery.

Our hearts are with the chief mourners, Michael's wife Eileen, brother Paddy Joe, sisters-in-law Kathleen, Maire and Nuala, nieces, nephews and all other relatives and friends.

Funeral arrangements were by Tom Drohan, Funeral Director, Dungarvan.

## LATE KEVIN WALSH

It is with regret we record the death of Kevin Walsh, Knocknaskeigh, Cappoquin which occurred on Thursday, 4th August.

Keavney, as he was affectionately known, was born in Valentia Island and was very proud of his Kerry connections, his mother Hannah and his father Roger. He came to Ballinameela at 11 years of age. He had one brother, the late Neilie and two sisters Marian and Anna.

He played for Ballinameela but with the Brickey's he won his first County final medal in 1963 and he came out of retirement for the 1980 County football final and played a great part in their victory. He married Celia in 1959 and they had five children of whom he was very proud. They lived in Wales until 1975 when the whole family returned to Ballinameela and he worked for Waterford Co-op until he retired. Recently he had taken to Taxi driving, a job he loved and excelled at.

He enjoyed travelling and had visited Cuba, Crete and Spain and made many friends in those places. He was a keen gardener, a trait he inherited from his father. He loved his dogs, horses, carbooting and Kerry matches. His passing is much regretted.

May he rest in peace.

His remains were removed to Ballinameela Church from his residence on Saturday, 6th August and were received and blessed on arrival by Fr. Lucey P.P. Following requiem Mass on Sunday morning, 7th August celebrated by Fr. Cooney O.S.A. assisted by Fr. Lucey P.P. On Monday, 8th August his remains were removed to Glasnevin for cremation. The lessons at the Mass were read by his sister Marian Considine and his daughter Anna Maria. Prayers of the Faithful were read by his nieces Barbara and Tara McDonagh, his nephews Roger McDonagh and John Considine.

Gifts were brought to the altar by John Kiely, Anna McDonagh, Maryanne Walsh, Aaron Walshe, Bridie O'Shea (Valentia), Michael McDonagh Snr and Ciara Barrett, and a heartfelt speech was given by Tom Considine, brother-in-law.

Chief mourners were wife Celia, sons Martin and Barry, daughters Anna Maria, Lisa and Trina, sisters Marian and Anna, grandchildren Aaron and Lauren Walshe, Gretta and Rory Kiely, Cian and Katie Horwood, Elliot and Molly Stackwood and Georgia and Libby Walshe, daughter-in-law Maryanne, sons-in-law John and Graham and Darren, brothers-in-law Tom and Michael, nieces and nephews.

# IN MEMORIAMS

**BURKE** — Twelfth Anniversary — In loving memory of Gary Burke, 18 Silversprings and 15, Fitzgerald Tce., Dungarvan who died on 16th August, 1993.

Away in the beautiful land, with God,  
In a valley of peace so fair,  
Some day, some time, dear Gary,  
We will find you waiting there.  
We will know your voice in the heavenly crowd,  
And your steps on the streets of gold,  
And the same impish smile on your face,  
We knew in the days of old.  
Your memory is my greatest treasure,  
Deep in my heart you will live forever.  
(Always remembered by Mam and all the Burke family).

**BURKE** — Twelfth Anniversary — In loving memory of Gary Burke, 18, Silversprings and 15, Fitzgerald Tce., Dungarvan who departed this life on 16th August, 1993. Anniversary Mass for Gary on Saturday, August 20th at 6.15 pm. in the Friary Church

Now that I am contented,  
That my life it was worthwhile,  
Knowing as I passed along the way,  
I made somebody smile.  
When you are walking down the street,  
And you've got me on your mind,  
I'm walking in your footsteps,  
Only half a step behind.  
And when you feel the gentle breeze,  
Or the wind upon your face,  
That's me giving you a great big hug,  
Or just a soft embrace.  
So please don't be unhappy,  
Just because I'm out of sight,  
Remember that I'm with you,  
Every morning, noon and night.

If God had let you stay.  
But a heart of gold stopped beating,  
Two smiling eyes took rest,  
It must be true when it is said,  
God only takes the best.  
A thousand words won't bring you back,  
I know because I've tried,  
Neither will a million tears,  
I know because I've cried.  
In heaven one day I'll find you,  
And all the hurt will go,  
I'll put my arms around you,  
Chris,  
And never let you go.  
(Very sadly missed, but lovingly remembered always — your fond friend, Shane).

**To Those I Love and Those Who Love Me**

When I am gone, release me, let me go,  
I have so many things to see and do,  
You mustn't tie yourself to me in tears,  
Be happy that we had so many years.  
I gave to you my love, you can only guess,  
How much you gave to me in happiness.  
I thank you for the love you each have shown,  
But now it's time I travelled on alone,  
So grieve awhile for me, if grieve you must,  
Then let your grief be comforted by trust.  
It's only for a while that we must part,  
So bless the memories with in your heart,  
I won't be far away, for life goes on,  
So if you need me, call and I will come,  
Though you can't see or touch me, I'll be near,  
And if you listen with your heart, you'll hear,  
All my love around you, soft and clear,  
And then when you must come this way alone,  
I'll greet you with a smile and a "welcome home."

He never thought when leaving home,  
He would never more return,  
That he in death so soon would sleep,  
And leave us here alone.  
A sudden call from God on high,  
You had no chance to say goodbye,  
Without farewell you fell asleep,  
But memories of you we will always keep.  
And those who loved you dearly,  
Are the ones who won't forget.  
No farewells were spoken,  
We did not say goodbye,  
You were gone before we knew it,  
And only God knows why.  
But we will always remember our whole life through,  
The last words we had with you.  
We never fail to pray for you,  
We never cease to care,  
We wish we could go home again,  
And find you waiting there.  
To the throne of Christ he will guide us,  
And with us he will stand,  
And that golden chain will be linked again,  
Locked by Christ's own hands.  
Not gone from Daddy and Mammy's memory,

I lived my span of life,  
Within your body,  
And within your love.  
There are many who have lived long lives,  
And have not been loved as me,  
If you would honour me, then speak my name,  
And number me among your family.  
If you would honour me,  
Then strive to live in love.  
For in that love I live,  
Never, ever doubt that we will meet again,  
Until that day I will grow with God,  
And wait with you.

(Love always — Mammy, Stephen, Andrea, Joshua and Jarod XXX).

## Lismore Riding Club Out & About

It was worth the trip to Millstreet last Sunday for Claire Coughlan who went through to the jump off in the Advanced Intermediate class. Having one of the only 2 clear rounds in the jump off, Claire and her horse Jess lined up in second place. Jenny Hill and King of Spades also took part in the advanced primary class taking 6th place. Sharon Dempsey headed north to Bansha to participate in Unicorn Riding Club Dressage Championships warm up competition where she took 3rd place in the advanced primary class, so she is on form for a good day next Sunday. 3 club members will make the journey to Stradbally Hall in Abbeyleix next Sunday to participate in the National Dressage championships where they will compete against the best in their classes from all over Ireland. Best of luck to Jenny Hill on King of Spades, Sharon Dempsey on Magic Touch and Cathy Casey on Cashlyn Countess.

Next up on the calendar of events is the Regional Riding Club Festival to be held at Ballindenisk in Watergrasshill where there will be something for everyone, Cross Country, Le trec, showjumping, showing, dressage, and a special feature Dressage to Music. There is even something for the dogs. This will be followed on Sunday 28 with Earls Well RC One day event and Knocknamanna RC One day event on Sept 4th, so it is a busy few weeks for club members.

## Lismore Trash Kerry Jokers Ahead Of Saturday's Cricket Fest

The headline writers were working overtime last weekend as Lismore's busy season continued with fine performances including a significant win over County Kerry in Sunday's Division 2 clash. A marked improvement in form and a most useful friendly on Saturday gave the home side an edge on the visiting Kerry men, who returned to the Kingdom with a dent in their pride.

Also of major note is next weekend's Cricket Fest at the Castle Farm with teams from Cork, Waterford and Tipperary competing in a day long event starting at 12 noon with a match each hour. All are welcome to attend and there will be refreshments available to enjoy as you watch the cricket.

Back to the match reports. On Saturday Lismore travelled to County Kilkenny to play Mount Juliet in a friendly and came away narrowly defeated. Lismore were invited to bat first and the somewhat experimental batting order quickly found itself in trouble, with the first four wickets going down for just five runs. Mubbin Ashraf and David Ind (15) stabilised the situation before the loss of further wickets brought the Lismore total to 40 with just two wickets left. This was the cue for Ashraf to go into overdrive. Receiving good support from David Campion and then Seán Willoughby, he proceeded to hit the ball to all parts of the riverside ground, and when the innings closed at 134 all out, he was left undefeated 18 runs short of his third century for the club. After the superb tea, the Lismore bowlers found it hard to get a breakthrough, and the score had advanced to 70 before Paul Coolbear finally removed one of the openers. The star of the show was young Oliver Ind, who took three cheap wickets with his beautifully flighted leg-break to leave the home side reeling, but the finally limping home with 3 wickets to spare.

On Sunday Lismore enjoyed a fine victory over Co. Kerry in Division 2. Batting first, Lismore got off to a 'flier', with Richard Tonks and Winston Boyle plundering 34 runs off the first four overs before Boyle was dismissed. Mark Taylor joined Tonks at the crease and continued the high strike rate with a partnership of 58 off just 9 overs. Tonks was dismissed, two runs short of his half-century, but Taylor went on to complete his second century of the season. The tail wagged, and despite the loss of wicket in the dying over, Lismore brought the total to 246 off the allotted 45 overs. This score was always likely to be too much for the Kingdom to chase, but there was still a job to be done. Mubbin Ashraf, glowing from Saturday's glittering display, and David Ind both took wickets in their opening spells, but the Kerry men progressed steadily at about four and a half an over. Andrew Malcolm and John Russell joined the attack and slowed proceedings down. As the required rate grew, the Kerry men had to take more and more chances and wickets began to fall. From 146 for 5 the Kingdom slumped to 155 all out. Andrew Malcolm was pick of the bowlers, with 4 for 44 and three catches.

On Monday evening next Junior practice will take place at 7.30pm and on Wednesday evening, adult practice takes place at 7pm.

And again, a reminder that all are welcome to attend next Sunday's Cricket Fest at the Castle Farm starting at 12 noon. Until then, keep the willow swinging!!

# Lismore Dramatic Society Notes

Don't say we didn't warn you of a fabulous nights entertainment last Saturday night in Ballyrafter. Every single person enjoyed the professionalism, the ability and the general presentation of the Three Irish Tenors. It was a beautiful evening and the hotel grounds looked their best. As darkness fell the evening suited tenors launched into an incredible array of Italian, Irish, American and classical show numbers.

Our guests came from all over the country, from Waterford city to Cork and all points in between. We proved a boom to the local area as all B&B's were full and the restaurants in town were packed.

We would like to thank all our patrons, all who made the night such a huge success and we are delighted as a society to provide such entertainment.

## TWELFTH NIGHT AT LISMORE CASTLE

For the tenth year running Off The Ground Theatre is returning to Lismore Castle and this year the production is Twelfth Night based loosely on William Shakespeare's play. Once again it will be an open air production in the Courtyard of the Castle which has marvelous acoustics. The show is to take place at 7:30pm on Monday, 22nd August.

Off The Ground has become known for its big Summer shows that anyone, from the most serious of theatrical scholars to the first time theatre goer will love. With a talented cast of sixteen actors, great music, a play involving plenty of laughs, Twelfth Night is perfect Summer entertainment for all the family. Off The Ground Theatre is based in the north west of England and this years cast includes some of the most established actors in the region, as

well as some exciting new talent. Music is written and performed by the lead singer of the famous Liverpool 'Caverns' new Friday night house band and the play is directed by Off The Ground artistic director Dan Meigh.

Many will remember the most enjoyable evening when Off The Ground produced a lively production of Treasure Island in 2004 when there was a big crowd at the Castle.

We have a number of chairs at the Castle but to ensure a seat it would be a good idea to bring your own plus a picnic to enjoy with your family and friends.

Tickets from the Heritage Centre, Lismore. Telephone (058) 54975 or at the Castle on the night of the show. Ticket price €15. Concessions €10.

## LISMORE/ BALLYSAGGART COMMUNITY GAMES

### Mosney Bound

We have five competitors taking part in this years National Finals in Mosney. Two of our competitors are taking part in the Art competition this weekend, ie Peter O'Keeffe in boys U-12 Art and Marie Russell in girls U-14 Art. On the following weekend our other three competitors are "strutting their stuff" in Mosney, ie boys U-10 hurdles Darragh Prendergast, Boys U-12 Throw Ball Ronan Landers, girls U-13 Walk Ruth Geoghegan. We wish all of these young people the best of luck! In the National Finals and we are sure they will represent our town and county well.

## LISMORE SOCCER CLUB NOTES

On this Friday evening at 9 o'clock we shall be holding a meeting for all players and officials in Roses Bar. It is important that all attend as fixtures are now out and games are coming up.

### Lismore Underage Soccer

The Underage soccer is starting very shortly so we shall get together on Monday 22nd August up at the soccer field. We have entered 3 teams this season, U-10, 11 and 12. We have a manager for the U-12 side so we are looking for 2 managers for U-10 and 11. If these vacancies are not filled there shall be no soccer for those respective teams, see you Monday.

## LISMORE CATHEDRAL

It is hoped that work may begin soon on the repair of the spire of Lismore Cathedral. When completed, this will enable the Cathedral bells to be rung again. The bells, known locally as "joy bells" have been silent for over a year due to structural problems in the early 19th century spire. The cost of repair will, of course, be a considerable burden on a small parish.

To raise funds, we shall be having a concert, "Music for a Summer Evening 2005" on Sat. Aug.27th at 8.30pm in the Cathedral. Contact 058-53285/54387 or the Dean. Last year's concert proved to be extremely popular and we hope for a similar success again this year.

# RAIDERS FROM THE SEA

The Vikings were a group of people, the Norsemen, from the coastal areas of Norway, Denmark, Sweden. They were great seamen, explorers and traders. The first Viking raids on Britain took place in AD 789, but the main raids began four years later and continued right through to the 11th century. They also raided Ireland, Scotland, parts of France, Spain and what is now Russia. They also discovered islands to the west of Greenland and part of the North American continent.

### Talented Craftspeople

Although the Vikings were warlike they were also beauty lovers. Their craftsmen produced superb pieces of jewellery and armour. Necklaces, cloak pins, finger rings and brooches of superb workmanship and beauty have been found by archaeologists. Even Viking swords were beautifully decorated and considered so valuable they were probably handed down from father to son.

### Skilled Shipbuilders And Sailors

The Vikings were skilled navigators and brilliant shipbuilders. Viking longships were up to 30m (100ft) long, built of oak and carried anything from 20 to 60 men. They could sail the oceans and were built to allow them to land on shelved beaches or sail up long stretches of river to get further inland. The front and back of the ship were carved to resemble the heads of strange and wild beasts and the ships were powered by oars.

## RECENT DEATHS

### LATE MR. PATRICK J. HYLAND

It was with deep and sincere regret the district learned of the death of Mr. Patrick J. Hyland, Clashganny, Newcastle which sad event took place in England where he has been domiciled for some years. In his mid fifties he was son of the late Paddy and Mary Hyland (nee Whelan). Some years ago he emigrated to England, and took up employment with a construction company in London as a machine operator. He was highly respected by his work mates and by his overseer. He was a very skilled person and was respected in whatever company he found himself. He had been in England for most of his adult life, none the less he was a regular visitor to his native Clashganny to meet his family and friends which were his school companions from his school days. He intended that when he would retire he would return to his native Newcastle. That was not to be, instead his remains were removed from England to Cork Airport and from there they were removed to his brother's residence where they lay in repose until Tuesday when they were removed to the Parish Church of Saint Mary's for the celebration of requiem Mass. The celebrant was Rev. Fr. Patrick Condon C.C., Fourmilewater/Newcastle assisted by Rev. Fr. Sean Nugent, Newcastle retired P.P., Clogheen/Burncourt and Rev. Fr. Paddy Hallinan retired Australian missions. Following Mass he was laid to rest in the family plot with his late father Paddy, his mother is interred in Fourmilewater. At the graveside his favourite song "The Galtee Mountain Boy" was sung.

To his wife, sons, daughters, uncles, aunts and his many relatives we extend our sympathy. A Chroi Ro Naofa dean trocaire air.

### LATE MR. PATRICK M. O'GRADY

It is with deep and sincere regret the district learned of the death of Mr. Patrick M. O'Grady, Croughclooney, Ballinamult, which sad event took place at South Tipperary General Hospital, Clonmel on Friday 5th August. Deceased in his eightieth year was the last male member of a well loved and respected South Tipperary family, the O'Grady's of Croughclooney, a family deeply involved in farming over the years. He was one of a family of nine, six girls and three boys. Their father Michael passed to his eternal reward in 1932 at the age of 55 years leaving his wife Ellen to look after a family of nine and two farms, she lived to a fine old age of 100 years. Patrick, being the eldest of the boys, was 7 years when his father passed away. He with his mother and family helped to run the farm. Patrick M. was a kind

and loving man, a person who was always willing to help the less well off. A very devout Catholic, he rarely missed Mass or a church function. In the days of the dance hall he used to visit the Halfway, Doocey's and Newcastle. He was always welcome in whatever company he found himself, he loved music and was a gifted player on the accordion and many other musical instruments. For a time back he had not enjoyed the best of health but kept going as long as he could, his presence amongst us will be missed by his family, friends and his neighbours. Many tributes have been paid to this fine man, but perhaps the finest was paid to him on Saturday evening when all walks of life were represented in the large concourse of mourners who were present when his remains after prayers and rosary was recited were removed from O'Donoghue's Funeral Home, Clonmel to St. Laurence's Parish Church, Fourmilewater where they were blessed and received by Rev. Fr. Patrick Condon C.C., Fourmilewater/Newcastle.

On Sunday morning, the feast of Saint Cajetan the saint who was the first to introduce the forty hours Adoration of the Blessed Sacrament, the 11 am Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Edmund Tobin P.P., Fourmilewater/Newcastle, assisted by Rev. Fr. Sean Nugent, Newcastle, retired P.P., Clogheen/Burncourt. After Mass he was taken to his place of rest and there he was laid to rest in the family plot with his parents Michael and Ellen, his brothers Denis and John, Fr. Nugent officiated at the graveside in the presence of another large concourse of mourners paying their last respects to a Christian friend whose memory they will long cherish.

To his sisters Johanna, Alice, Helen, Margaret and Mary and his many relatives we extend our sympathy.

A Chroi Ro Naomha Iosa dean trocaire air.

(Undertakers O'Donoghue's, Clonmel).

### LATE MR. THOMAS MOLONEY

It was with deep and sincere regret we pen the unexpected death of Mr. Thomas (Tom) Moloney, Bleantis, Ballinamult, Clonmel on Tuesday, 9th August. Deceased was a member of an old established family highly respected in the farming community. A neighbour of the highest degree, his integrity, courtesy and outgoing sincere nature commended him to young and old alike. He was a true gentleman in every sense of the word, and a host of friends who appreciated his company are truly grieved at the void his passing leaves. Tom was a man of strong re-

publican views, his late uncle Comdt. Sean Morrissey was accidentally shot at Lackendarra Lodge on the 12th May, 1922 and his cousin, the late Sean Morrissey of Fethard was a well known member of the 3rd Tipperary Brigade and at his funeral in Knockboy on the 29th Sept., 1959, Dan Breen delivered an oration at his graveside. Tom enjoyed the occasional drink and loved a discussion on the topics of the day. He was noted for attending funerals, he was also noted for attending anybody who was sick and to them he was always ready with the hand of help, the district is the poorer at his passing. The measure of the esteem and high regard in which deceased and his family are held was clearly indicated by the large concourse of mourners who paid their respects at Drohan's Funeral Home after prayers and rosary to the parish church at Saint Patrick at Kilbrien where they were blessed and received. On Friday morning, the feast of Saint Clare (Abbess), requiem Mass was celebrated for the happy repose of his eternal soul. The celebrant was Rev. Fr. Cornelius Kelleher P.P., Nire Touraneena, assisted by Rev. Fr. Michael Kennedy P.P., Clonmel/Kilgobnet/Kilbrien, Rev. Fr. Patrick Hallinan, Aghovoulivane retired Australian mission, Rev. Fr. Michael Curran P.P., Clonea Power/Rathgormack (cousin), Rev. Fr. Jim Curran (cousin), Rev. Fr. Brendan Crowley P.P., Kill/Newtown, Sallheen. ## CONCERN ON PROGRESS ON HOSPITAL SERVICE

The delay in the transfer of surgical services to Clonmel means that the well documented Risk Management issues for both South Tipperary General Hospital, Clonmel and Our Lady's Hospital, Cashel continue to exist, claims, Breda Kavanagh, South Tipperary General Hospital Manager. In a statement issued recently Mrs. Kavanagh has said that while buildings on the Cashel site may have been completed, the transfer of surgical services to Clonmel has been hampered by lack of revenue funding for the Cashel services. The plan for these services emanates from the 1995 Cashel High Court Agreement which details the services to be developed on the site. The agreement also determines the number of posts to be provided on the site. But in her statement Mrs. Kavanagh has told us that although the buildings for Phase 1 have been completed Phase 2 of the Cashel project requires full possession of the current Our Lady's Hospital building to develop the services planned for Phase 2. All staff working in Our Lady's Hospital at the time of the agreement hold letters of comfort stating that there will be no loss of jobs in Our Lady's and no compulsory transfer of staff to Clonmel. However, said Mrs. Kavanagh it has been difficult to reach agreement on the transfer with the staff unions due to the lack of funding for the Cashel services. Negotiations are continuing on compensation claims submitted by staff unions. In the meantime South Tipperary General Hospital is being prepared for the amalgamation of services with the refurbishment of hospital departments that were outside the scope of the major building project including the enlargement of the hospital car park, the refurbishment of the Laboratory, Pharmacy, Paediatrics and the hospital restaurant.

## Dungarvan Leader - GARDEN MESSENGER for August . . .

# 'Dancing flowers' with Hydrangea species and varieties

They're big, they're bold, they're beautiful and their eye catching flowers will dance the summer away in your garden. Take a fresh look at the species and varieties of Hydrangea and you'll see lots of exciting possibilities for this plant. Hydrangeas are one of those plants which will work in lots of different situations and locations around the garden. As specimen plants, in a shrub border planted singly en masse. Perfect for pots and spot on if you want to brighten up a distant corner of the garden. If you have an uninspiring north facing wall which you need a knock-out plant to bring the space alive - there are Hydrangea species and varieties to help with the answer. Whether you are looking for a classic or more contemporary look the Hydrangea family has lots of options. Hydrangea macrophylla, or common hydrangea has become almost a signature plant of gardens

in this country, and it's easy to see why. Hardy and requiring little maintenance, it delivers year after year, over a long flowering period from midsummer to late autumn. Hydrangea macrophylla is in fact divided into two categories. The most frequently encountered are the 'mopheads' or 'Hortensias'. These are the ones producing confident, dome-shaped blooms. 'Blue Bonnet' or 'Goliath' are examples. 'Lacecap' hydrangeas are a gorgeous alternative and their flowers truly dance. Clusters of lacy flowers 'float' across the plant shimmering in the summer breeze. The flowers are made up of two parts - an outer ring of showy florets and a central arrangement of small fertile flowers. Hydrangea 'Mariesii Perfecta' is a wonderful lacecap to look out for. Also known as 'Blue wave' it produces rich blue to mauve coloured flowers set against green leaves. For exquisite, creamy white flowers try

Hydrangea paniculata 'Floribunda' this plant flowers from late summer through to early autumn. For earlier flowers try 'Praecox'. For that North facing wall look out for Hydrangea petiolaris also with creamy white flowers. Hydrangeas tend to do best in a sunny or partially shaded location. They like moist but well, drained soil. For plants with pink flowers an alkaline soil is needed, plants with blue flowers need an acid soil. Use a soil tester which you can get from your garden centre to ensure that you get the best results from your plant. Of course you can always plant your hydrangea in a container and create exactly the right soil conditions for it to thrive. Striking colours and dancing flowers are what it is all about in summer. For flexibility and choice - check out the range of hydrangeas next time you are visiting your local garden centre.

# Tallow Notes

## C.L.G. TULACH AN IARAINN - SPONSORED BY TALLOW AREA CREDIT UNION

### Field Development

On Thursday 21 July the government announced that it has allocated 54.255 million euro to 624 sports projects around the country under the Sports Capital Programme. Tallow GAA club was allocated 130,000 euro. Like every other applicant we were of course hoping for more but we are very grateful for what we got. Indeed it has to be recognised that it was the biggest allocation received by an individual club in the county on this occasion... Waterford Regional Youth Service and Waterford City Council each received 200,000. A full list of sports grants by county is available on [www.arts-sports-tourism.gov.ie/grants2005](http://www.arts-sports-tourism.gov.ie/grants2005).

Only those who have gone through the process will appreciate the amount of work involved in submitting a successful application. We thank all those in the club who put in the time and effort. Those efforts have been rewarded and in time will be translated into magnificent new club facilities from which generations to come will benefit.

The response we received from our appeal back in November exceeded all expectations. Those who contributed are people of vision. We are tasked now with implementing the next stage of development but must first await the official letter of offer from Minister O'Donoghue's department which will specify the areas of development which have been grant aided. When public money of this magnitude is allocated there will naturally be conditions which have to be adhered

to. As soon as we receive official notification the chairman will call a special committee meeting to decide our plan of action.

The senior team has played a number of games on the new pitch recently and players and spectators alike have remarked on the superb condition of the sod. Dinny to his credit keeps it manicured to near perfection.

As you know I'm always encouraging the board to take "bold" new initiatives (it's a bit like trying to get North Korea to disarm). A bit of decentralisation wouldn't go amiss. I know we're considered an outpost in the far west (some think we are in Cork) but we have two top class pitches and will have facilities to match. Its not as if championship games are drawing huge crowds requiring Fraher field or Walsh Park to hold them. The only games we thank to host are the odd college game over the winter when most other pitches are unplayable. The railing at the car park in front of the pitch is almost complete. Our thanks to the council who did an excellent job. The goal post entry at the Parkdolia side has been positioned to line up with the new entrance.

### You can take the Examiner out of Cork but...

Some time ago the Cork Examiner launched a major publicity campaign to go nationwide. In an effort to shed its previous parochial association it dropped the geographically restrictive "Cork" from its title announcing boldly it would henceforth be known as the Irish Examiner. It had ambitions to be a major player on the national stage, a serious broadsheet dealing with matters of national and international importance.

A few days before Cork played Waterford in the All-Ireland quarter final the mask slipped. At a time when famine was rife in Africa, the middle east was boiling in turmoil, North Korea was threatening world peace and bombs were going off in London the Examiner saw fit to lead on its front page with the court case of Waterford hurler John Mul-lane. No other serious national broadsheet or even tabloid did so. Some did not carry the story at all, others did so discreetly on an inside page.

I have witnessed the abuse

and vitriol hurled at John Mul-lane from the terraces by opposition supporters. No encouragement was necessary. Had it been one of Corks top players appearing in court that week would the editor have seen fit to carry the story on the front page? You can be damn sure it wouldn't have been tolerated in Cork.

It was ironic then that on the following day the Cork based paper was giving away free Deise hurling car stickers with each edition.

You can take the Examiner out of Cork but you can't take the Cork out of Examiner... boy...

**Will Justin go or stay?**  
Non committal at the moment would indicate the latter. With the club championship finally unfolding in earnest now is the time for the Waterford management to take a good look around the county for young talent. Justin is an outstanding coach but when it comes to selecting a panel, picking a team or making changes I don't think he's clued in and would not take advice on the matter.

I go back to our subs bench against Cork. There was a serious imbalance in the panel in that we had a lot more defenders than forward players. They may not be plentiful but there is young talent out there but they need to be given a chance.

### Cois Bhride GAA U7,U8 & U9 Update

U8's travelled to Middleton last Saturday for a very entertaining challenge game. Both sides were full of very skillful little hurlers that were a joy to watch. The home side, playing

with the wind, got off to the ideal start when a long rang effort somehow found it's way to the back of the net. Cois Bhride's defence were under severe pressure but Kelvyn, Padraig, Shane, John Paul & Eaimer defended gallantly with David keeping us in the game with some fine saves. Jake & Ryan must have covered every blade of grass on the field breaking up attacks and setting up lots of chances for Jordan, Edward, Darragh, Colm & Jake Grey, but the Middleton defence was as strong as our own and the scores were just not coming. Five minutes before the break the Middleton pressure paid off when a goalmouth scramble finished up in the net. By now subs Alan, Dylan & Stephen were introduced and with a minute left to the break Stephen earned his team a close in free after some greatwork. Jake stepped up and sent a rocket to the roof of the net to cut the home side's lead to just a goal at half time.

In the second half, with the wind to their backs, it was Cois Bhride who were turning the screw with the ball rarely crossing the half way line. But again scores were hard to come by and with ten minutes left on the clock disaster struck when Middleton snatched a third goal. As this bunch of players showed in the past they never give up and when Ryan's long range effort went all the way to the Middleton net with five minutes left on the clock we were set up for a lively finish. Middleton were defending brilliantly but eventually Jordan found a way through

and played a lovely ball in to Jake Grey who doubled on it to back of the net. Both sides had chances to win the game but neither deserved to loose, so when the final whistle blew with the teams tied at 3-3 it was met by approval by all concerned.

These are the games you want to be involved in, playing teams of your own standard is the only way to improve. These lads have met three times so far with each game going to the wire and we look forward to watching this bunch of players trying to get the better of each other for many years to come. Thanks to Pa Beausang and the lads for their hospitality.

Team: David Tobin, Eaimer O'Brien, John Paul Lucy, Shane Ryan, Kelvyn O'Farrell, Padraig Roche, Jake Beecher, Ryan Grey, Jordan Farmer, Edward Hynes, Darragh Mulcahy, Colm O'Donoghue, Jake Grey, Alan Buckley, Dylan Mangan, Stephen O'Hara.

### U-7 and U-9 Teams

Middleton are bringing their U7 & U9 teams to Tallow next Saturday August 20th for a couple of challenge games. Again it's an 11am start with all players to be at the field for 10:45, anyone looking for a mornings entertainment this is the place to be.

### Happy Birthday

Happy Birthday to Jake Beecher and Kelvyn O'Farrell who both celebrate their 8th Birthday this week. Both lads love their hurling and were very important players in this years U8 & U9 very successful campaign.

### Fixtures

Brideview play Castlebridge A next Friday night at 7:00pm.

### Ladies Soccer

Our ladies team played their final game of the league in Cappoquin last Wednesday night. On the verge of full time Lismore scored a great goal to win 2-1 which took the shine away from a great Brideview performance. Brideview had gone in front with a great goal

from centre forward Lisa Dunne. The goal was the result of a great move from the back started by Jackie Forbes. Theresa Casey laid on a great ball to Aine Condon who used a few tricks to get forward and from a difficult angle crossed a great ball to Lisa who doesn't miss from inside the area.

Brideview controlled most of the game with skipper Tanya Hallahan rarely troubled at the back. Amy Devine had a great game as usual and set up some fine moves for Olive Hickey and Sheila McGrath. Georgina Cunningham is improving with every game. Pamela Grey was in tough luck with a free kick that shaved the post. Claire Curley had another great game

in goal and looks like she's going to be an outstanding keeper. Megan O'Brien was brought on in the second half and looks very comfortable in the centre of midfield. Ber O'Keefe covered an awful lot of

ground when brought on.

Team: C. Curley, H. Devine, T. Hallahan (capt), T. Casey, J. Forbes, S. McGrath, G. Cunningham, A. Condon, O. Hickey, L. Dunne, P. Grey. Subs: M. O'Brien, B. O'Keefe, S. Rohan.

## Dungarvan GAA Notes

### JUVENILE CLUB

**Under-12 Football** — Our U.12 footballers defeated the Nire last Tuesday night in the second round of games in this league and came away with a hard earned victory. After a win over Killrossanty in the first round this leaves us unbeaten with a maximum four points. A feature of this match was the performance of Patrick Houlihan at full back who gave a flawless display. In general, though, the lads need to improve on their finishing if they are to compete in the knockout stages and I'm sure this will be put right in training over the next couple of weeks. The biggest cheer of the night came when Louise Hyslop was introduced for the injured Tomás Harty who was also having a fine game. Louise is, possibly, the first girl to play with a boys team for the club and if not the first she is one of an elite group. If anyone knows of another please let us know. Needless to say, Louise did more than enough to stake a claim for the starting lineup in the next game. We will just have to wait and see. Well done to all the boys and of course Louise. They play Ballinacourty on Thursday night 18th August in Abbeyside at 6.30 p.m.

Panel — Craig Barry, Cormac Coleman, Sean Hyslop, Tomás Harty, Richard Walsh, Gavin Power, Michael Daly, Keith Healy, Cathal Curran, Patrick Houlihan, Glenn Power, Ryan Donnelly, Conor Mulcahy, Patrick Curran, Lee Hyslop, Frank Duggan, Ryan Norris, Alex Lai, Louise Hyslop.

**Under-13 Hurling** — Our U.13 hurlers had a comprehensive win over Abbeyside last week and followed it up with another good win over Cappoquin last Friday evening. This is a very good team and hopefully they will go a long way in this competition. Best for Dungarvan were Luke Egan in Defence, Sean Ryan í lár na pairce agus Colm Curran at centre forward whose unselfish and workmanlike performance earned us a lot of scores both from play and from dead ball situations. Their next game is Wednesday night 17th August against St. Pats in Bohadoun at 7.30 p.m.

Panel: Darren Duggan, Ian Sheehan, Brendan Mc Carthy, Craig Barry, Eric Duggan, Luke Egan, Richard Walsh, Cathal Curran, Sean Ryan, Ryan Donnelly, Colm Curran, Frank Duggan, Gavin Power, Shane Hickey, Adam Kelly, Johnny Barry, Tomoás Harty, Sean Hyslop.

**Under-14 Football** — Our U.14 footballers played the Nire last Monday night in Ballymacabry and had a good win. With a bit of work this team could go a long way with the likes of Kenneth Moore and Mikey Byrnes available for selection. They missed out on our Feile campaign earlier in the year.

Panel — Darren Duggan, Tomás Cleary, Jimmy Harty, Ian Sheehan, David Houlihan, Luke Egan, Shane Hickey, Mikey Byrne, Sean Ryan, Colm Curran, Kenneth Moore, Eoin Healy, Adam Kelly, Sean Crotty, Johnny Barry, Shane Crotty, Craig Shead, Brendan Mc Carthy, Eric Duggan, Richard Walsh.

### ADULT CLUB

**Minor Hurlers** — Our minor hurlers managed to throw away a 4 point lead with five minutes remaining against Cappoquin last Wednesday evening at Clashmore and ended up losing by a point. This was very disappointing, as we had hoped to build on a very good performance against the Brickey's in the previous round.

### INTERMEDIATE HURLING Dungarvan 1-16 Ballyduff 2-7

With both teams unbeaten so far in the championship, this game was a real test to see how much we had improved on our last few seasons. We started very brightly with Micky Power and Johnny Lynch causing all sorts of problems for Ballyduff defence and took a six point to one lead. A goal from Ballyduff closed the gap. With Jamie Nagle and John Cass playing great in centre field, our lead of 0-10 to 1-4 at half time should have been more. The second half was very close till man of the match Micky Power scored a great goal to give us a lead we were never going to relinquish. Further points from Jamie and John Joe and a great point from his own half by Brian Bannon kept us in control. This was an excellent team performance and hopefully we can carry it forward to our final league game against Lismore at Fraher Field, 7pm next Friday night.

Scorers: M. Power 1-4, J. Nagle 0-7, J. J. Ronayne 0-2, John Lynch 0-1, D. Truman 0-1, B. Bannon 0-1.

Team: P. Ahearne, G. Cusack (capt), M. McLoughlin, S. Hayes, K. Curran, J. Mahoney, B. Bannon, J. Nagle, J. Cass, J.J. Ronayne, D. Truman, W. Flynn, M. Power, B. Power, J. Lynch. Subs: J. Regan for John Lynch (injured), D. McGrath for W. Flynn.

### WEEKLY LOTTO

## SHAMROCKS G.A.A. CLUB NOTES

### INTERMEDIATE WESTERN HURLING CHAMPIONSHIP

On last Saturday evening at Lismore, we played our 4th round in the group against Cappoquin and came out winners on the score of 2-8 to 0-10. This was a game which was dominated in the first half by Cappoquin who got some nice points and were ahead at the break by 3 points, 0-8 to 1-2.

In the second half we came more into the game and it took a late goal from Eoin Murphy to clinch matters. We now will play in the semi final in a few weeks.

### JUNIOR HURLING WESTERN CHAMPIONSHIP

In the quarter final at Ardmore on last Sunday evening we met Ballinameela and our 2nd team which was depleted owing to injuries etc, went down on the score of 1-17 to 1-2 to a useful Ballinameela side. Even though beaten by a stronger team our young players gave of their best, and we congratulate them for that.

Team: Sean O'Neill, Michael Smith, Stephen Giles, Jason Ahearne, Shane Harnedy, Ciaran Herlihy, Cathal Herlihy, Conor Goulding, Colin Savage, James Walsh, Nat Smith, Alan Kelly, Patrick Smith, Jim Lenihan, Peter Morrisson. Subs used: John Anthony Kelly.

# BALLYDUFF WIN LOCAL DERBY JUNIOR HURLING TIE

### BALLYDUFF 2-14 BALLYSGAGGART 0-8

Ballyduff advanced to the semi final stage of "The Local Bar" West Junior Hurling championship when they had 12 points to share over neighbours Ballysaggart before a large crowd at Lismore on Sunday evening last.

A strong second half performance gave Ballyduff victory in an excellent contest. Ballyduff led by 0-7 to 0-5 at half time after veteran Paudie Prendergast had converted two early frees to open the scoring. Ballyduff led by double scores 0-4 to 0-2 at the end of the opening quarter after Seamus Kearney and Barry Molumphy had points for 'Saggart while Diarmuid Flynn and Shane Kearney had similar scores for the Reds. The unerring Barry Murphy converted a Ballysaggart 65 before Conor Feeney and Shane Hannon restored a double score lead for Ballyduff, 0-6 to 0-3. Christy and Barry Murphy pulled points back for 'Saggart to leave only one between them entering injury time at the end of half but Alan Martin gave Ballyduff a two points advantage three minutes into added time, 0-7 to 0-5.

Ballysaggart got off to a great start after the resumption with points from Kenneth Connell and Christy Murphy to be on parity inside two minutes, but it was as close as they came. In the 37th minute, Ballyduff regained the lead, a lead they never relinquished when Paudie Prendergast converted a 65. A brace of points from Prendergast frees and two from Shane Kearney from play saw the winners lead by 0-12 to 0-7 with ten minutes remaining. Colin Kearney pulled a point back for 'Saggart in the 51st minute but it was to be his sides last score. Ballyduff completely took over after this and goals from substitutes Wayne Power and Tommy Feeney along with points from Feeney and Prendergast saw Ballyduff advance to the semi final with plenty to spare, 2-14 to 0-8.

### INTERMEDIATE HURLING CHAMPIONSHIP

On Saturday evening we took on Kilgobinet in our fourth and final game of the league section of this year's championship. Coming into the game we had only one win from three attempts and needed a win to remain in the competition. We started brightly and at one stage in the first half led on a score line of 2.08 to a single point with our goals coming from Karl O. Keffe and Sean Fleming. Shortly before half time Kilgobinet scored a goal from a rebounded 21 yard free and followed with another point leaving the half time score, Clashmore 2.08 \_ Kilgobinet 1.02. On the restart we came under some intense pressure but a goal against the run of play from Karl O. Keffe (who proved very effective at full forward) once again in-

creased our lead. We then seemed to sit back on our lead and this along with some great fighting spirit from our opponents resulted in them mounting a considerable comeback with just four points between us at the final whistle. Credit however must go to our players who refused to be beaten and dealt admirably with all the Kilgobinet pressure late in the game. In defence there were exceptional performances from Pat Lombard and Jason Seaward, with Steven Barron turning in another fine display in the centre of the field and Sean Fleming and Karl O. Keffe catching the eye in the forward division. Final Score; Clashmore 3.11 Kilgobinet 3.07. Well done to all concerned. So our hurling campaign continues and we now await the result of the Colligan and Cappoquin game next weekend to determine whether we go straight to

the divisional quarter finals or become involved in a three way playoff.

### SENIOR FOOTBALL CHAMPIONSHIP

Our attention now returns to the big ball for the upcoming loser's section game where we face yet another extremely tough assignment against a formidable Rathgormack outfit. Rathgormack lost to Stradbally by the same margin as ourselves in the first round and accounted for Ardmore in their second game. The prize for the winners here is a place in the quarter final. This game will most likely be played on the weekend of the 27th/28th.

Minor Hurling Championship  
On this Wednesday evening we take on near neighbours Ardmore in our first game of this year's championship. Preparations are well under way in recent weeks under the

team management of Eoin Breathnach, Alan Curran and Tom Dee and best of luck to all involved. Throw in for this game is at 7.30 in the Ring venue. All players to be present at 7 please.

### MINOR FOOTBALL CHAMPIONSHIP

Our minor footballers have qualified for the western semi final the football championship where we will play Ballyduff in the coming weeks. Training continues with Paudi Connery and Declan Hickey. Please check with the above mentors regarding training times.

### DEISE DEVELOPMENT DRAW

The Deise development draw continues and tickets are still available for just 10 a month. First prize each month is 10,000. Tickets can be purchased from any member of the committee.

## UNDER-14 CHALLENGE GAMES

Railway Athletic 3 Abbeyside 1

Missing a few on Saturday last we travelled to Railway to take on our local neighbours. Both teams acquitted themselves very well on the day. Abbeyside fell behind late on in the first half. Half time score 1-0.

Second half Abbeyside came into their own and with some great work from Power and Kinghorn, Abbeyside pulled level with a great goal from O'Connor. Abbeyside had a good spell of attacking football, but late on in the game legs got tired and we conceded two late goals but result did not matter on the day as the work-out was needed for both teams.

Team: Joyce, Marriott, M. Fehilly, O. Hallaran, McCarthy, Power, O'Donovan, S. Kinghorn, S. Fehilly, Connors, O'Connor. Subs: B. Kinghorn, I. Hourigan both used.

Man of the match: S. Kinghorn.

P.S. — Special thanks to Jim, Jerry, Blobber, Nathan and Nobby for support and transport on the day. Thanks lads!

# WEST WATERFORD AUTOGRASS LTD.

## NATIONAL ANTHEM!!

On the weekend of the 6th/7th August, a large crowd of West Waterford Autograss members, along with many more from the other 3 Southern Ireland clubs travelled the long journey to Thornborough in Yorkshire to compete in The National Autograss Championships. This is the ultimate weekend in the racing calendar and it takes weeks of racing to qualify for the event. The club had 3 members racing this yr, in Class 2 we had Kenneth Cashel from Lismore, in Class 6, John Fuller from Lismore and in Class 7, Michael Barry from Glanmire in Co. Cork.

They were joined by 5 drivers from the Mallow club, 2 drivers from the Cork club and 6 drivers from the Carlow club. A great weekends racing was had by all and even though none of our own club made it into the finals there was great excitement when it was announced that Colin Byrne from the Cork club and Richard Davies from the Mallow club had made it into the finals and the excitement grew when Colin Byrne, in Class 8 became the 1st driver from the Southern Ireland League to bring home a 'Nationals' trophy when he drove a great race to come in 3rd place.

There was also a trophy winner from the Northern Ireland League with the success of John Haffey, Class 5, who drives with the Foyle Club, even though John has had much success in rally cross racing, this is his 1st yr racing Autograss and it was a great achievement to qualify, never mind make the finals and bring home a trophy!! The club would like to congratulate all the drivers who raced in the nationals.

## GIRLS JUST WANT TO HAVE FUN!!

It's not only the boys who get to have all the fun in Autograss and on the 1st weekend of September, the club will have the only Irish lady competitor, WW318, Louise Browne, who drives in Class 10 in her twin motorbike engine powered special, take part in the Ladies and Juniors National finals in Bedfordshire.

There are also 4 junior drivers, Vincent McSweeney and Thomas Creedon from the Cork club and Timmy and Patrick Sheehan from the Mallow club taking part and the club would like to wish these drivers the best of luck and hopefully bring home a trophy from these nationals as well.

## ROVERS RETURN

Last Sunday, August 14th saw all the drivers home safe and well from the National Autograss championships to race on home soil again in Ballysaggart in Lismore, a great crowd of cars turned up to race as this is a very special day in The West Waterford Autograss racing calendar. This is the day that 2 special people are remembered.

The Nicky Hannigan memorial Cup which is awarded to the driver with the highest amount of points after the days racing, As it turned out, yesterday we had 3 drivers, WW44 Danny O'Rourke, WW399 John Fuller and WW318

Louise Browne, tied with maximum points and they had to take part in a deciding race to see who would the much sought after cup and at the end of the race it was WW44 Danny O'Rourke who ended up being the very popular winner.

The Sheila Oakham Perpetual shield was awarded to the Junior driver who had the most points and we also had a tie here and had to run a deciding race between WW132 Jamie Meehan and MA 53 Patrick Sheehan and it was Jamie who ended up being the winner of the shield, he proved to be a very popular winner as earlier on in one of the juniors race, on her very 1st day out racing, Jamies sister, Sarah had a coming together with another car and was taken to hospital to be checked over and we can report that Sarah is a little stiff and sore but will make a full recovery.

We would like to thank Tommy Hannigan, Henry McGrath and Sham Power for sponsoring the trophies and to Rose Dowd of Roses West End Bar, Lismore for letting us make the presentation there and thanks must go to the large crowd who came to the prize-giving.

## ALL IRELAND AUTOGRASS SERIES FINAL

West Waterford Autograss Club are holding the final of the All Ireland Autograss Series on the 17th/18th September. The club will also run the Irish Fastest Man on Grass this weekend. There is a very big crowd expected from Northern Ireland and the UK and there will be a special feature in the papers the week before the event takes place.

An event of this size takes a lot of preparation and the club will hold 'work parties' to ensure everything goes smoothly and if anyone can give an hour or two of their time then please contact Noelle Feeney on 0872915614 or Norma Sheehy on 087 6104958.

## CONGRATULATIONS

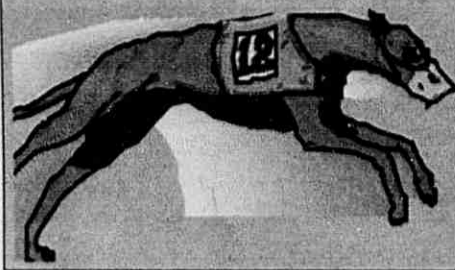

The club wishes to extend congratulations to Shirley and Ronan O'Donnell on the birth of their son Jake, if he grows up to be a racer like his mother and father then we can be assured of another great driver!!

Also best wishes must go to club members Johnny Kelly and Sinead Sinnott who were married recently and to Ann-Marie Houlihan and her fiancée Karol who are getting married shortly.

Wishes for a speedy recovery are extended to Sarah Meehan and if Sarah is anything like the rest of her family then she is sure to be back driving in the juniors as soon as possible.

FRIDAY AUGUST 12TH

## Three In A Row For Khayeltisha

Running in the second semi final of the Fieldmaster 29.50 stake in Kilcohan Park last Friday night the Sean Ralph owned and Declan Byrne trained Khayeltisha (Honcho Classic-Dream On Jo) recorded the fastest time of the night en route to his third success in a row flying around in a speedy 28.85. Led for three quarters of the trip by a fast starting Deenside Maroon the well built Khayeltisha dashed into the lead on the fence at the third bend before this 3/1 shot went on to beat the uneasy 1/1 favourite Dairyland Rumble by two lengths.

Trap one also housed the winner of the other semi final with victory going to John Fox's Tinahue Spring (Droopys Rhys-Kalooki Princess) at the rewarding odds of 5/1 in 29.15. The early paced Ballingara Star appeared likely to provide Declan Byrne with a training double but the early leader gave way on the back stretch to a determined Tinahue Spring who stayed on stoutly in the latter stages to triumph by one and a half lengths.

The market spoke in favour of the Shane O'Gorman and Martin Power owned To Be Fair (Droopys Woods-Ballycahane Mist) in the first of two unraced contests and this 1/3 hot pot duly lived up to expectations with a fluent trap to line success in 29.22. Breaking smartly To Be Fair had this contest in the bag a long way from home and while Lisnakill Frieda gave chase in second spot To Be Fair was gone beyond recall obliging by five lengths.

In a novice sprint event the Roy Ellis owned Ballykeaghan Boy an August 03 son of Moyne Machine and Global Storm assumed control of matters rounding the first turn to gallop on for a deserved length win over Airmount Darkie in a pleasing 16.77.

Dunhill owner Tom Drohan was present to see his Small Joaney (Sineads Rocket-Monmahogue Dash) 2/1 shed her maiden tag in race three winning out in 29.83.

Getting the better of an early duel with Astons Girl Small Joaney swept past the front running Jims Birthday at the second last bend and this lady kept galloping all the way to the winning line to beat Duffry Starlight by one and a half lengths.

The Patrick Brown owned and Catherine Redmond handled Windgap Whitey (Honcho Classic-Windgap Chick) the 5/4 favourite made maximum use of his early pace to capture the fourth contest with relative ease in 28.98. Relishing his trap six draw Windgap Whitey packed to much early pace for his rivals and scampering clear of Raheen Champ down the back Windgap Whitey encountered little difficulty in outpacing Tinross Bluey by four lengths.

Races five to eight inclusive were four first round heats of the Maurice Jackson sponsored Waterford Plumbing and Heating 29.40 stake.

The Bryan Cunningham owned Sheeraghs Baz (Carlton Bale-Strong Minnie) 3/1 to 1/3 was all the rage in heat one and shaking off the persistent early challenge of Mindies Lad Sheeraghs Baz galloped on his merry way for a well deserved four and a half lengths defeat of a running on Fairbrook Jane in 29.40.

Heat two produced a cliffhanger of a finish. Having disposed of the challenge of Hit The Bull the Damien O'Regan and J Laird owned Glenbervie Scot (Goals Galore-Quarrymount Euro) 5/2 looked all set for a handy win but Mango came with a late rattle only to taste defeat by the minimum distance in 29.39.

The Geraldine McGrath owned Durrow Tracker (El Hombre-Popular Lass) made light of her 4/1 starting price when making every post a winning one in heat three. With the evens favourite Bobs Fancy losing her early position Durrow Tracker went for home from Sooty Lark and while Bobs Fancy stayed on well in the closing stages Durrow Tracker went on to triumph by two and a half lengths in 29.35.

Track newcomer Thompson Girl (Jamella Prince-Thompson Supreme) 5/2 made no mistake in heat four winning out for the Thompson Syndicate and trainer Brendan Murphy in 29.45. Leading around the first bend Thompson Girl was always holding the challenge of Dry Honcho thereafter crossing the winning line five lengths clear of the runner up.

The All Except One Syndicate and trainer Sean Drohan sent out the very easy winner of the eleventh contest with Dance Mundy (Daves Mentor-Dance Raquel) 3/1 doing the business nicely in 28.99. Flashing clear from trap three Dance Mundy had the opposition on the stretch from an early stage eventually breezing in all of seven lengths clear of a running on Airmount Deejay in a career best clock.

Despite being the outsider of the sextet in the concluding 550 Mary Roche's Ruths Hero (Droopys Kewell-Trendy Belinda) belied her 6/1 starting price carving out a well-merited success in 30.53. A fast starting Paddys Spiral appeared well on his way to winning but Ruths Hero produced the superior finishing kick over the final two bends to race on for a two lengths success.

## Irish Derby Heats

SATURDAY AUGUST 13TH

## Impressive Debut By Wilcox Brunel

Racing in Kilcohan Park last Saturday night kicked off with four first round heats of the Gain / Dwyer Unraced stake.

Ballyhoe Legend and Ballinclare Hue dominated the opening qualifier both greyhounds trapping quiet well but at the business end of matters it was the Andrea McCann owned and bred Ballinclare Hue (Honcho Classic-Ballinclare Lark) 4/5 who asserted his superiority over the final two bends to race on to a two and a half lengths success over Ballyhoe Legend in a decent 28.80.

In heat two the Dunphy Brothers conveyor belt produced yet another very useful sort as the Pat Buckley trained Droopys Mourinho (Judicial Pride-Droopys Nellie) the 4/5 favourite did the business nicely in 28.76. Myella Classic held a prominent position throughout but producing the superior dash of finishing pace Droopys Mourinho went on to beat Myella Classic by three and a half lengths.

The Joe Bolton Lee owned Wilcox Brunel (Top Honcho-Deenside Jet) 5/4 was hugely impressive in heat three running clean away from the opposition in a red hot winning time of 28.49. Bounding into an early lead Wilcox Brunel had the opposition on the stretch from an early stage before romping to a ten lengths success over the wide running The Other Dream.

The Margaret Walsh owned and Declan Walsh trained Daroma Flight (Sonic Flight-Daroma Gold) 5/2 ran out a deserving 29.03 winner of heat four. Displaying plenty of early pace from his outside draw "Daroma" raced on to a four lengths defeat of a slow starting Cuanin Na Muine.

Steel Bill a September 02 son of Roanoke and Tinas Last Call is running well for Stradbally owners Matthew Jones and Patrick Murphy and this 4/1 chance made no mistake from trap one in race five with an all the way success in a best ever 28.64.

Whitefort Rumble gave chase in second place but it was Steel Bill all the way proving two and a half lengths to good for Whitefort Rumble.

The following two races were semi finals of the Composac 29.30 stake. The punters latched on to the John Simpson owned Paving Stone (Roanoke-Jungle Beauty) in the first semi final and this jolly did not disappoint producing yet another early paced performance to land the spoils in 28.76. Bursting into an early lead over Triangle Django Paving Stone kept going at full speed to deny a slow starting but fast finishing Dysert Camellia by one and a half lengths.

The second semi final went to the strong running Killaspy Jack (Droopys Merson-Anfield Lady) this teak tough greyhound coming from behind to win out in 28.76.

The early paced Cushill Tara made a brave effort to make all from trap six leading for four bends from Varra Homer and Killaspy Jack but producing a big finish the Hopeful Four Syndicate owned and Michael DeLahunty trained Killaspy Jack 2/1 pounced in the home straight to deny Cushill Tara by as length.

Local trainer Patricia O'Neill kindly sponsored the four first round heats of the Gallows Kennels 730 yard marathon stake.

Heat one produced a clear cut winner in the shape of the Big Hopes Syndicate owned and Seamus Hennessy trained Screen Goddess (Top Honcho-Ballybrazil) this 7/2 shot flashing clear from trap five to post a fluent trap to line winning performance in an excellent time of 40.73. After meeting early trouble Finchogue Suzie made eye catching late headway to outstay Lisahane Nikita for the runner up spot albeit three and a half lengths in arrears of Screen Goddess.

Local trainer Paul Kiely won his fifth race with Anna Livia in heat two the Bernadette Greevy owned runner shooting clear for a cosy all the way success in 40.85. Bounding clear from her middle draw Anna Livia (Droopys Vieri-Princely Lady) 5/2 was never going to lose this contest breezing in all of seven lengths clear of Sorrento Jack.

In heat three Haliska Blueboy and Avalon Supreme shared favouritism at 5/4 but while the former missed his break the Tom Kearney owned and Paddy Gaffney handled Avalon Supreme (Droopys Vieri-Duhallow Lady) powered into a first bend lead to race clear of Lindas Scholes. Haliska Blueboy got going all to late as Avalon Supreme kicked well clear to run out a seven lengths winner over Haliska Blueboy in an ultra quick 40.61.

The Martin Power owned and Perry Aylward trained Mays Ranger (Rapid Ranger-Ballybrazil) 2/1 made no mistake from an inside draw in heat four to make practically every yard of the running for a clear cut 40.77 victory. Scampering clear of Lisnakill Benjie early on Mays Ranger was always going like a winner up front dishing out a seven and a half lengths beating to The Other Song.

In the final race of the night a fast starting Vaughan Brindle looked well on his way to victory after a fluent start from trap one but the progressive Eden Stone (Sineads Rocket-Monmahogue Dash) was always close at hand and timing his challenge to perfection the Breda Kelly owned Eden Stone 4/1 picked up really well on the run to the winning line to collar Vaughan Brindle and score by half a length in a career best 28.83.

## NEW POST FOR CARL

Jockey Carl Llewellyn has accepted a new post riding for Mark Pitman while also acting as assistant trainer. 40 year old Carl still hopes to ride however for his former gvnor Nigel Twiston Davies.

## ROSS SIDELINED

Amateur rider Ross Sullivan who is attached to the Jessica Harrington yard is recovering from an operation on a shoulder, which he injured last year at Punchestown. All going well Ross is hoping to make a return to action by Xmas.

## PRACTICE RACES SCRAPPED

The Irish Turf Club have decided to scrap the practice races for 10 pound claiming apprentice riders.

## SHAY ON THE MEND

Waterford jockey Shay Barry continues to make good progress after undergoing knee surgery earlier this year. It could well be October however before he has his first ride in public.

## SOME RECORD

For the 19th time in 20 years Dermot Weld scooped the leading trainer award at the Galway races.

## THIS WEEKS RACING

**Wednesday** — Bellewstown 5.10, Sligo 4.50pm, Carlisle, Huntington, Kempton, York and Worcester  
**Thursday** — Bellewstown 5.10pm Tipperary 5.20pm, York, Cheltenham, Chester, Wolverhampton, Fontwell  
**Friday** — Kilbeggan 5.15pm, Ayr, Chester, Salisbury, Wolverhampton and Sandown  
**Saturday** — The Curragh 2.15pm, Beverly, Chester, Lingfield, Redcar, Newton Abbott and Sandown.  
**Sunday** — Cork 2.35pm, Gowran Park 2.25pm, Southwell, Folkestone and Newton Abbott.

## EURO LEADER

Did you know that Curragh based Dermot Weld is the only European based trainer to win the Melbourne Cup?

## GEORGE WASHINGTON

Impressive Curragh winner George Washington is a half brother to the very useful Grandera and he cost over Euro 1 Million as a yearling before helping trainer Aidan O'Brien to his 7th success in eight years in the Phoenix Stakes.

## TROPICAL LADY UPDATE

George Kent's very useful Tropical Lady (Sri Pekan-Tropical Lake) posted her eighth success in the Royal Whip Stakes at the Curragh recently and Jim Bolger is now keen to step the five-year-old mare up to a mile and a half for her next outing.

## DID YOU KNOW

Did you know that retired trainer Paddy Mullins who was honoured by Tramore racecourse last week rode his first ever winner as an amateur on a horse called Some Chicken at the seaside track many moons ago?

## FURTHER SURGERY REQUIRED

Irish born jockey Seamus Durack is not enjoying the happiest of times in England at present. He broke his leg last May and was told last week by doctors that he needs further surgery on the leg which could keep him out of action until sometime next year.

## ANTI CLOCKWISE SPIN

Did you know that when trainer Liam Browne was preparing Carlingford Castle for a tilt at the 1983 Epsom Derby he brought his colt to Tramore for a gallop. This was a workout with a difference however as the horse was galloped anti clockwise around the track so as to prepare the three year old for the undulations at Epsom. The ploy almost worked but on the day Carlingford Castle had to settle for the runner up spot behind the Lester Piggott partnered Teenoso.

## FIVE IN TRAINING

County Kilkenny trainer Michael Bowe has five horses in training for the upcoming jumping season. The string though does not include Limestone Lad a winner of thirty-five races for the yard. Limestone Lad is now thirteen and his racing days maybe at an end. The eight year old mare Solerina with eighteen victories under her belt will have her last season in training as the intention is to retire her to the breeding paddocks in the spring of next year.

Other horses in the yard include the useful Sweet Kiln while bumper winners You Sir and Earth Magic will ply their trade over hurdles in the winter.

## THIS WEEKS TV RACING

**Wednesday** — Channel 4-Racing from York-1pm  
**Thursday** — Channel 4-Racing from York-1pm

## PAT TO TRAIN

11 times champion flat jockey Pat Eddery is currently completing a trainers course at Newmarket and hopes to have his first runners in the first quarter of 2006.

## TRAMORE ROUND-UP

With the Waterford Hurlers present a large first day attendance flocked to the Tramore Races. Kieran O'Connor and the rest of the Glanbia gang looked after

the hurlers and invited guests really well and all concerned had a most enjoyable evening of entertainment both on and off the track.

Mooncoin trainer Eoin Doyle had the distinction of sending out the opening winner of the festival as the Beef No Gravy Syndicate owned and Garret Cotter partnered Tingshaw Ring 5/2 got the better of Hi Laurie by half a length. The winner was back in action on Friday night but made a terrible blunder at the last flight of hurdles and was forced to give best to the 14/1 outsider Notlackingstyle.

Mullaghea Boy easily accounted for his three rivals in a chase on Thursday night while his County Meath based trainer Ger Keane brought this winner back on Friday night to compete in another chase and it was more of the same with Mullaghea Boy winning once again with Philip Carberry in the plate.

With Niall Madden injured on the night in an earlier hurdle contest he missed out on a winning ride in a flat Handicap as Michael Hussey brought the Dermot O'Brien owned Fayr Star with a well-timed challenge to beat the ageless Penny Rich. John Kiely trains the winner in Dungarven.

Nicky Hartery who is originally from Waterford City was present to see his colt Harcas which he bred himself land the Waterford Hurlers Handicap in easy fashion.

County Kilkenny trainer Tony Mullins captured the final two races on the card courtesy of Out In The Open and Bye The Best who received a great drive from ex pro Pa Murphy.

The featured Richard Power Handicap Hurdle was an incident packed affair on Friday night. The well-fancied 6/4 Blue Corrig ran out through the wing of the first hurdle but fortunately rider Ruby Walsh escaped injury. Dbest made a dreadful mistake when disputing the lead on the backstretch and it was left to Conor O Dwyer to guide Polly Anthus to an easy win over the front running Ogan Hill.

Title chasing jockey Fran Berry recorded two nice victories aboard Corsican Native and the highly consistent Sea Skate.

On day three-ladies day- Davy Russell partnered two of his mounts to victory while

Tramore born jockey Gary Hutchinson brought the Ted Walsh trained Capt Pugwash with a well-timed run to take the novice chase.

Family day attracted another huge crowd on Sunday afternoon where happy to report that the results went in favour of the punters. Jockeys Conor O Dwyer and Michael Hussey both recorded doubles while Ruby Walsh finally got off the mark booting home two winners on the level one of which was Fayr Star this gelding winning for the second time inside four days for Dungarvan trainer John Kiely.

There was drama at the second last fence in the Killoone Estates Chase when Carina Bay who was running a big race at the time ducked out through the wing of the fence. Amazingly this runner's young pilot Eddie Power kept going in the race when he should have pulled up and for his troubles young Eddie Power was banned for fourteen days. The Turf Club however should consider placing an inside running rail from the bottom of the hill to the last fence as this is not the first time this second last fence has caused problems.

And so the curtain came down on yet another successful four day festival and regardless of the when the 15th of August falls the Thursday, Friday, Saturday and Sunday are now permanent dates at the seaside venue.

## DEFEAT FOR DIVINE PROPORTIONS

Divine Proportions lost her unbeaten tag in France over the weekend where she disappointed behind the Godolphin owned Dubawi.

## POWERSCOURT IN CHICAGO

The Aidan O'Brien trained Powerscourt made amends for last year's disqualification by taking the 2005 running of the Arlington Million in Chicago over the weekend where jockey Kieren Fallon coaxed the very best out of this five year old.

## SPARKS FLYING AT LEOPARDSTOWN

Classic winning jockey Johnny Murtagh did not have a happy day at the office in Leopardstown last Sunday afternoon. He was in before the stewards after the first race where he was hit with a 21-day ban for striking fellow jockey Pat Smullen shortly after the winning line. The day was to get even worse for Johnny when he caused interference to another of Smullen's mounts and the stewards duly topped up Murtagh's ban by a further two days.

## BOOKMAKER AIDS INJURED JOCKEY FUND

Thanks to the generosity of local bookmaker Michael Meade and through the combined efforts of Mark Phillips, WLR, Pdraig Gough, Faithlegg and Michael Conway of Prestige Lighting Euro 700 was raised for the injured jockeys fund at Tramore races last Sunday afternoon.

### GER WYLEY / NIKE SUMMER SERIES RACE NO.10

# "An Tobar" Ardmore 5 This Friday Evening

The 10th and final race in this years Ger Wyley/Nike Summer Series of road races is down for decision this coming Friday night when we travel to Ardmore for the An Tobar sponsored 5 mile road race. Please note the race gets under way at 7.30 pm.

This will be the 10th running

of this event and like all the previous eight in the series races so far this year a record entry is expected Friday evening. Ardmore is regarded as a fast 5 miler and this could be your last opportunity this year to attain that p.b. over this distance.

Michael Hennessey and his team in Ardmore have all the ground work done for what we hope will be a fitting end to what has been a most successful summer series. The race presentation of prizes will take place in the premises of our sponsor An Tobar and the overall series presentation will follow this, so a great night is assured and not to be missed. We appeal to all who have prizes to collect to honour our sponsors by being present.

### VERONICA RYAN / NOEL FAHERTY MEMORIAL CUPS

The Veronica Ryan Memorial Cup which was presented to the race committee some years ago by the Ryan family in memory of Veronica will be awarded to the male winner of the event on Friday evening. The late Veronica was very

well known in the area as she spent much of her teaching career as a National School teacher in the local Ardmore School before her untimely passing some years back. This cup is keenly contested for each year with the top athletes hoping to add their name to the cup alongside the previous winners. Last year Peter Duggan, St. Josephs Kilkenny won the race in 26.33. However this year strong opposition is expected from the likes of Sandis Bralitis, Dzinters Klava two Latvian runners living in the locality at present, but the Kilkenny man won't let go of his crown without a real tussle making it what we hope will be a great race.

The Noel Faherty Memorial Cup was presented by Matt Faherty to this race two years ago in memory of his late brother Noel, who was one of the co-founders of the Ardmore 5 and was deeply involved in the organisation of the race until his untimely passing a short couple of years ago. It was felt that as a lasting tribute to his memory and his involvement in all sports and indeed his contribu-

tion to all things good in his beloved Ardmore that this cup would be presented to the first lady finisher each year. West Waterford's, Phyllis Flynn was the first recipient of the cup in 2003 when she won impressively in a time of 30.26 and last year the cup went to Kilkenny when St. Joseph's athlete Sinead Cummins broke the 30 minute barrier 29.40 to become the second name inscribed on this beautiful cup. Indeed last years ladies race was one of the best ladies races ever in the series with three athletes Sinead Cummins, Jackie Carty and Mary O'Leary having a great battle all the way to the line and it took a sub 30 minute run from Sinead to take the title. It's hoped that the above mentioned ladies will compete on Friday evening and along with the inform West Waterford athlete Diane Behan it should be a cracker once again.

### PRIZE CATEGORIES

As with many of our races we try to do something different to spread around the prizes as much as possible. With this in mind the race in Ardmore a different element to the prizes on offer along with awards for the first 3 senior men and women, the organisers will award prizes to the first man and first woman in each of the twelve Zodiac Star signs, you must declare your star sign when entering the race which is 7 Euro. This creates some interesting duels between athletes on the night.

First three ladies to finish the Gorey 10K last Saturday evening - (l. to r.) Ann Dunford, West Waterford A.C. (3rd), Aoife Byrne, Menapians (2nd) and Jackie Carty, Kilmore (1st).

**MARATHON GLORY FOR RADCLIFFE**

Paula Radcliffe claimed Great Britain's first gold medal of the 2005 World Championships after a comprehensive victory in the marathon in Helsinki. The world record holder crossed the finishing line in a new championship record time of two hours, 20 minutes and 57 seconds after injecting a stunning mid-race burst of speed. Radcliffe broke clear after around 17 miles to effectively wreck the hopes of rivals Catherine Ndereba and Constantina Tomescu-Dita, who were left to fight their own battle. Defending champion Ndereba, of Kenya, never posed a threat during the race but came through to get second. Tomescu-Dita, after bravely challenging Radcliffe, was broken by her burst and was overtaken by Ndereba. As world record holder, Radcliffe was pre-race favourite.

Paula Radcliffe crosses the finish line to claim her first Gold World Championship marathon medal in Helsinki last Sunday.

However, after her disaster in last summer's Olympic Games, she has realised that winning big city marathons like London and Boston is a different challenge from going for gold in a major championship. Ndereba, the defending champion and Olympic silver-medallist, was expected to pose a major threat along with Derartu Tulu. Radcliffe made her intentions clear by immediately hitting the front as the race got underway under way in dull and cool conditions and she quickly opened a 20-metre lead from a chasing pack over the first mile with only Japan's Yumiko Hara and Ethiopia's Ashi Gigi on her tail.

The pack was led by Tomescu-Dita, Ndereba and Tulu. Radcliffe was running well within herself and, with light rain beginning to fall, she continued to set a brisk pace with Hara and Gigi happy to continue their tracking. The trio passed the 10km mark in 33 mins. 23 secs. and an increase in speed saw Hellen Kimutai and Rita Jeptoo fall away. Tomescu-Dita's appearance in the leading pack and the subsequent increase in tempo as she ran alongside Radcliffe, saw Hara drift off the pace too. Then Gigi became another victim as the two top finishers in this year's London race, powered on into what was developing into a two-horse race. The Romanian, who set a national record and world over-35 best on that occasion, has been known to step on the gas too early in other championship races. Four years ago, after holding a two-minute lead at 20km, she was caught 15km further down the road in Edmonton and two years ago in Paris, after holding a 10-second advantage at 12km, she fell back to 35th. Indeed, at 20km,

Radcliffe had pulled a second clear in one hour, six minutes and 16 seconds with Kimutai back in the race and Ndereba only two seconds down, Radcliffe began to put her foot on the gas as she sped through the half distance in 1hr 9mins 49secs. A natural front runner, she started to gradually pull away around 17 miles in with a determined burst which really hurt the Romanian. The Briton passed 30km in 1hr 39mins 22secs with an 11 seconds lead over Tomescu-Dita after her break with Ndereba 16 seconds adrift. Radcliffe, well clear of the field, was flowing along the final few miles of the course. After driving up one final steep incline and going through 40km in 2:13:22, she held a lead of 47 seconds from Ndereba, and was in the closing stage of finally achieving a lifetime ambition.

This performance now hopefully will silence the many critics of Radcliffe and she will now rightfully go down in the annals of Athletics history, as one of the finest Female athletes of all time.

**WEST WATERFORD CLUB MILE RACE AT R.S.C. WATERFORD**

Our 2nd Annual club mile races will be held in the R.S.C., Waterford on Thursday, August 25th. Open to everyone over 16 years of age, the event will cater for runners of every standard.

Categories will be organised on the entry received and a number of races of equal standard will be held so if you can run a sub 5 minute mile or a sub 10 minute mile you will be catered for and all are more than welcome to take part. If this night turns out anything like last year's event it's sure to be a great night's racing.

**TRACK AND FIELD NEWS**

**Gough Wins Northern Gold**

The fourth Northern Ireland Master Athletic Championships took place last Saturday at the famed Mary Peters Track in Belfast. The officials dressed in their white blazers and matching trousers, extended a warm welcome to all the athletes, especially those who travelled from Britain and south of the border. Athletes came from Kerry, Kilkenny, and Dublin and further afield. West Waterford A.C. had one representative in Joe Gough who highlighted the clubs blue and white colours by winning the 400 and 800 over 50.

His races were held in wet and windy conditions but that didn't stop the Deise man collecting his first brace of Northern Ireland gold medals to add to his 33 national titles.

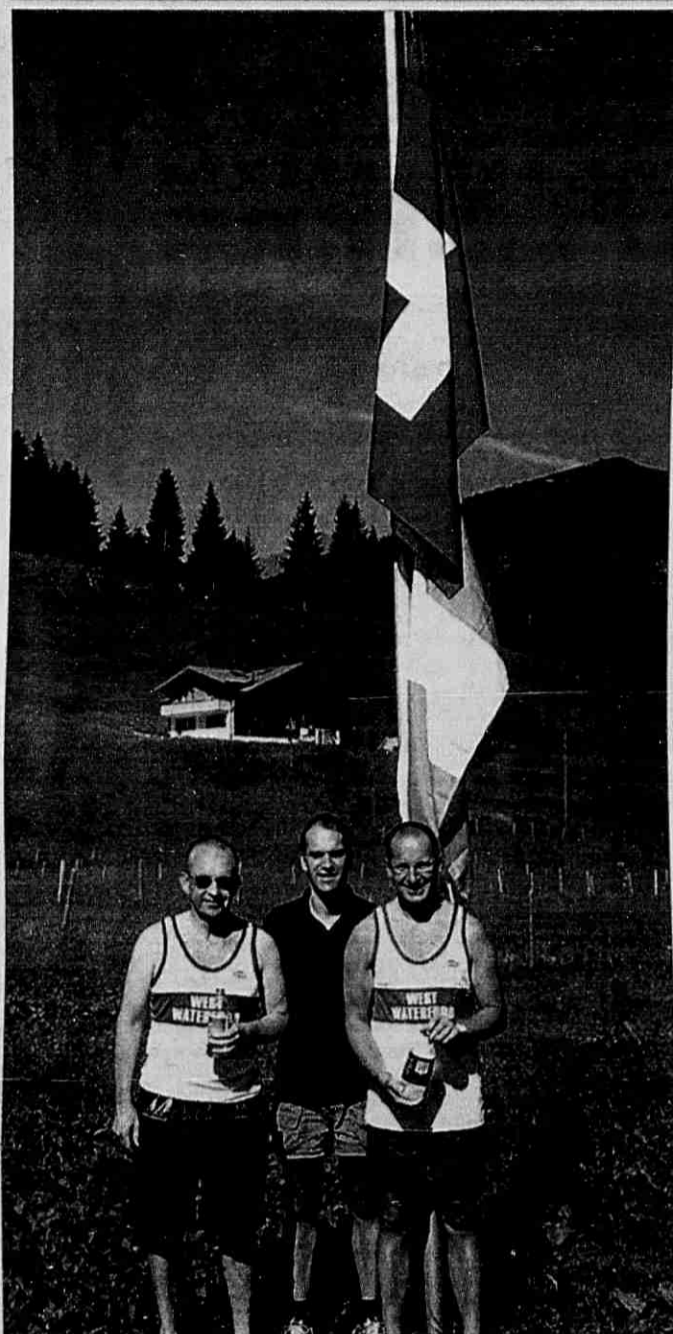

His training partner for the track sessions, Ken Deevy, Kilkenny City Harriers, won the

same events in the over 45s. Another west Waterford man, Declan McCarthy, competing for Sparta, City of Derry and uncle to our own David McCarthy, ran a brave and fast race to finish 2nd in the 5000 over 40.

These championships were so well run, held in such a fine setting with very competitive races to match where every one was welcomed and many new friendships made. The club should pencil it in for further attention next year; after all they are now familiar with our club colours!

**TQS INTEGRATION SUMMER LEAGUE**

**Liz And Marie Break 20 Minute Barrier**

One of the most enjoyable features of distance running is the achievement of breaking a personal time barrier and we witnessed this at the sixth stage of our Summer League last week when Liz Nghan and Marie Murray impressively dipped under 20 minutes for two laps of the Friary College. Both girls brought the best out in each other with Liz clocking 19.19 and Marie just one second behind with 19.20. Be-

cause of their five runs, Marie is just 7 points off the top spot in division 1 while Liz is only 4 points off the lead in division 2.

Our usual enthusiastic entry of 50 participants turned up on the night and the league is now definitely taking shape with just 3 nights left to run. Betty Sheehan continues to lead the two lap league from Marie Murray and Kathleen Deegan. League sponsor Maura Quilty heads division 2 by one point from Onra Power. In fact, in this division, only five points separate the five participants. Division 3 is also a cliff-hanger with Anna Fahey leading Ann McCarthy by one point who in turn is one point ahead of Kim Coffey.

**MARK MAKES HIS MOVE**

The three lap league is equally exciting with a back in action Mark Vespa cutting long time leader William Rotte's advantage to just one point following last weeks run. Lurking very close behind are Earl Navin, Judy Hanrahan and Joan Navin. Division 2 continues to be lead by Peter Barry from Linda Bradfield and Mary Whyte.

**PAT IN THE DRIVING SEAT**

His rivals are changing position from week to week but the 4 lap league leader Pat O'Riordan is running very consistently and this shows on the points table. Pat leads by 7 points from Jim Barry with Kevin

Kenneally a further 2 behind. In the other divisions Josie Uí Chuirrín leads Triona Wall by one point, Pat O'Brien leads Ann Whelan by 3 points while Michael Deegan leads Liam Kavanagh in division 4 and Vincent Tutty leads Tony Shalloe in division 5.

**CAUGHT THE EYE**

Times to catch the eye last week were Ann Robson (14.03) and Janice Ennis (15.01) in the one lap league and Pauric Nolan (18.54) and newcomer Hazel Deegan (24.02) in the two lap league. Caroline Lenane had a personal best of 38.46 in the three lap league. Judy Hanrahan improved to 26.49 and Richie Kelly clocked 33.19.

### Another Thriller In Cappoquin

#### Brideview Utd 1 Lismore 2

This was another cracker of a game with the winning goal coming in the final minute of the game. Utd took an early lead through Lisa Dunne but it was short lived.

Sarah Hickey got in behind Utd's defence and her shot gave Claire Curley no chance. A free kick to Utd after 20 minutes by Pamela Grey came back off the crossbar when it looked to be heading for the net. At the break both sides were locked together at 1-1.

The second half was end to end as both sides went out for the winning goal. Olive Hickey and Lisa Dunne went close for the Tallow side. At the other end Sarah Hickey and Viv Uniacke tried hard to get Lismore in front.

Indeed the winning goal was a real cracker and it came in the final minute when Viv Uniacke struck a tremendous volley that gave Utd's keeper Curley no chance. So Lismore ran out winners of this terrific local derby and indeed the fine weather was ideal for the girls of both teams to show off their skills. Well done to both sides.

Lismore: Mary Russell, Deirdre Stuart, Mairead Landers, Susan Power, Catherine O'Donnell, Esther Cahill, Claire Reddy, Claire Feeney, Laura Walsh, Sarah Hickey, Viv Uniacke, Jenny Mason, Ally Hanrahan, Eimer Feeney.

Utd: Claire Curley, Amy McIntosh, Jackie Forbes, Tanya Halahan, Theresa Casey, Aine Condon, Georgina Cunningham, Sheilann McGrath, Lisa Dunne, Pamela Grey, Olive Hickey, Megan O'Brien, Ber O'Keeffe, Siobhan Rohan.

#### Ladies Cup Semi Final

#### Modeligo Favourites To Advance

Modeligo take on East Cork side Ballybridge Utd on this Thursday evening in the cup semi final.

Modeligo with home advantage will be firm favourites to advance to the final. They have played some terrific football in their league campaign and have already reached the playoffs.

However, the East Cork side have played some good football in their league games to date and they will travel to Modeligo looking to do well and perhaps cause an upset. It should be a classic game and no doubt another big crowd will turn up on Thursday night.

#### Ladies League

#### Kilmac Travel to Lismore

This Wednesday evening Kilmac travel to Lismore in what is the homesides final game. Kilmac have already qualified for the playoffs and also the cup final, so they will be anxious to continue their winning run.

Due to holidays both sides will be short some regulars for this game. When these sides met in Kilmac the homeside recorded a big win. However, Lismore here improved since then and it should really be a close game this time round with perhaps the visitors to just shade it.

## A BLUE WEEKEND

After the euphoria of the draw against Cork City the previous week a large crowd turned out to cheer on the Blues against Shamrock Rovers at the RSC last Friday night, and what a let down when the Dubliners scored the only goal of the game to take all three points and leap frog Waterford in the league table.

Waterford created the chances but true to form had no one to put the ball in the net. This has been a glaring fault all season and unless rectified quickly Waterford will be playing 1st division football next season. With games away against Drogheda and Longford in the next two weeks, Waterford's next home game is against fellow strugglers Finn Harps, and if points are not gained in from those three games then relegation will become a reality unfortunately. Let us live in hope.

## HOLDERS MARCH ON

### BIG WINS FOR MODELIGO AND MOGEELY

Last weekend saw the new season kick off with a total of seven games taking place in The Tony Bolger Cup, sponsored by The Dungarvan Leader, and cup holders Ardmore having a comfortable win at home to near neighbours Blackwater. Modeligo and Mogeely had two comprehensive wins scoring nine goals between them.

In the Cappoquin Derby the A team came out on top, while Accrington, Bride view and Inch also go into the draw for the cup semi finals.

#### Ardmore 5 Blackwater Rgs 3

The cup holders raced into a 3 goal half time lead through a hat-trick from Denis Flanagan without reply from the visitors. In the 2nd half Flanagan scored again as did Wayne Hennessy, but the Aglish side came more into the game in this half and had goals from Ger Donovan, Kieran Cotter and Roger Roy-nane, but it was too little too late and the holders now go to Fermoy to play Accrington in the second round and in this form on the opening day are sending a clear signal that they intend to be a force in the league when it commences

#### Accrington Celtic 4 Valley Rangers 1

The Fermoy based Accrington continued where they finished last season by defeating Valley and now have a mouth watering home tie in the next round when cup holders Ardmore will be the opposition.

This game was on played on Friday evening and Valley took the lead through Paul O Donovan and they held this lead into the second half when Brian Clancy equalised. Elton Pierce gave Accrington the lead and Connor Cooney scored twice to give them a comfortable victory, and Valley play in the Plate in the next round.

#### Lismore 2 Inch 3 AET

We took in this game on Saturday evening and was not disappointed with the fare provided. Team captain Jimmy Foley gave the visitors the lead and last seasons Golden Boot, Paul Ryan, increased the lead before the break.

In the 2nd period Inch took their foot off the peddle and two enforced substitutions by the visitors handed the initiative to Lismore. With only minutes remaining Pat Quinn scored direct from a 30 yard free kick. Four minutes into injury time

Eoin O Donoghue converted a penalty for hand ball to send the sides into extra time, and 3 mns into the 2nd period of extra time Aidan Ryan got the all important winner and Inch now travel to Cappoquin in the next round. Over all an entertaining and very sporting opening game to the season, excellently refereed by Eamonn Cusack, and both sides should do well in their respective divisions this season, especially as Lismore had only Paul and Pat Quinn from the first team on duty.

#### Cappoquin A 2 Cappoquin B 0

A lot closer than the score suggests and a very good work out by both teams for new manager and coach Billy Collins. Jacko Kiely and Martin Scanton scored for the winners who will now have Inch as visitors in the next round.

#### Clashmore Ramblers 1 Bride View 3

The visitors led by 2 gls to nil at the break and while Sean Fleming pulled a goal, back Bride View were always in control whose scorers were William Henley 2 gls and Michael Norris 1 goal. Bride View gave many of their younger players a run for expe-

rience for the weeks ahead, and visit Castlelyons in the next round.

Clashmore will have Lismore as visitors in the next round of the Plate.

#### Mogeely 4 Affane 0

A comprehensive win here by the home side who were leading by 2 goals at the break through Ronnie Barrett and John Joyce. In the 2nd half goals from Tony Barrett and John Wade gave them an easy victory and a trip to Modeligo in the next round. Affane had a young team on view and the experience gained will stand to them in the months ahead.

#### Modeligo 5

#### Castlebridge Celtic 0

We were delighted to hear that Joe Cashman is back with the club and takes over from our very good friend Vince Donovan who we know will always work for the Modeligo club. Modeligo played newcomers Castlebridge Celtic B who were playing their first competitive game on Sunday and and both sides had young teams on view.

Modeligo also welcomed back Shane Troy and he marked his return with a hat-trick while Shane Reddy scored twice. A good start to the season for Modeligo.

## PREVIEWS

#### Accrington Celtic v Ardmore

Match of the day and a game to whet the appetite for the weeks ahead if both teams play up to last Sunday's form.

Cup holders Ardmore will not want to relinquish their hold on the trophy and will enter the fray as slight favourites.

If at full strength, they should be too strong for their hosts, although at home Accrington are very difficult to beat and we should be in for the proverbial cracker between two attacking teams. Ardmore to win.

#### Cappoquin A v Inch

Another game that could go down to the wire and having seen Inch play last week, Cappoquin cannot take anything for granted. New manager Billy Collins will expect an improvement from his home charges on last week's performance when they defeated the 2nd string. Cappoquin to win.

#### Modeligo v Mogeely

The two high scoring sides from last week meet in Modeligo and while there may not be as many goals as last Sunday this should be a good game of football with both sides full of confidence since their victories on Sunday last. We tip Mogeely to win this one but we can be proved wrong, and with Joe Cashman at the helm Modeligo may surprise us.

#### Castlebridge A v Bride View

The visitors have the advantage of having a game last week, but the Castlelyons outfit will want to make up for their plate final defeat to Ballyduff last October. We think they may not be strong enough for the Tallow side on Sunday but it is a game that could go either way with our tip being Bride View.

This game will be played on this Friday night with a 7pm kick off.

#### Clashmore v Lismore

Both sides lost last week and contest the plate and defeat will mean exit from this seasons opening cup competition.

Last season Lismore were just pipped for promotion with Clashmore finishing in 4th spot.

A game that can go either way we think Lismore may just shade it on the day, but the tight pitch will not suit them, and if Clashmore score early well then it could be a home victory. Still we think Lismore to win.

#### Cappoquin B v Valley Rangers

The Conna side will start favourites because of the experience gap. We were impressed with the home team last season on the few occasions we saw them play, and while they will have home advantage we think Valley will come out on top especially if at full strength but it is one game that is difficult to call and Cappoquin can prove us wrong and go into the next round.

#### Blackwater v Castlebridge B

The home side should prove too strong for the league's newcomers on Sunday and this game will help to give experience to the Cork team for the league. Blackwater to win.

# Local Angler May Have Reeled In A National Record!

BY KEVIN KIRrane

A local angler may have landed a national record when he reeled in a 1.420 kg Gilthead Sea Bream in Dungarvan Bay.

David Power of Kilrush Park, Dungarvan caught the extremely rare fish on Sunday 7th of August, and now faces an anxious three to four month wait to see if his prize catch has also netted him a place in the record books.

"Two or three Gilthead Sea Bream were caught in Dungarvan in 2004 and a couple more this year. But nothing of this size," David said.

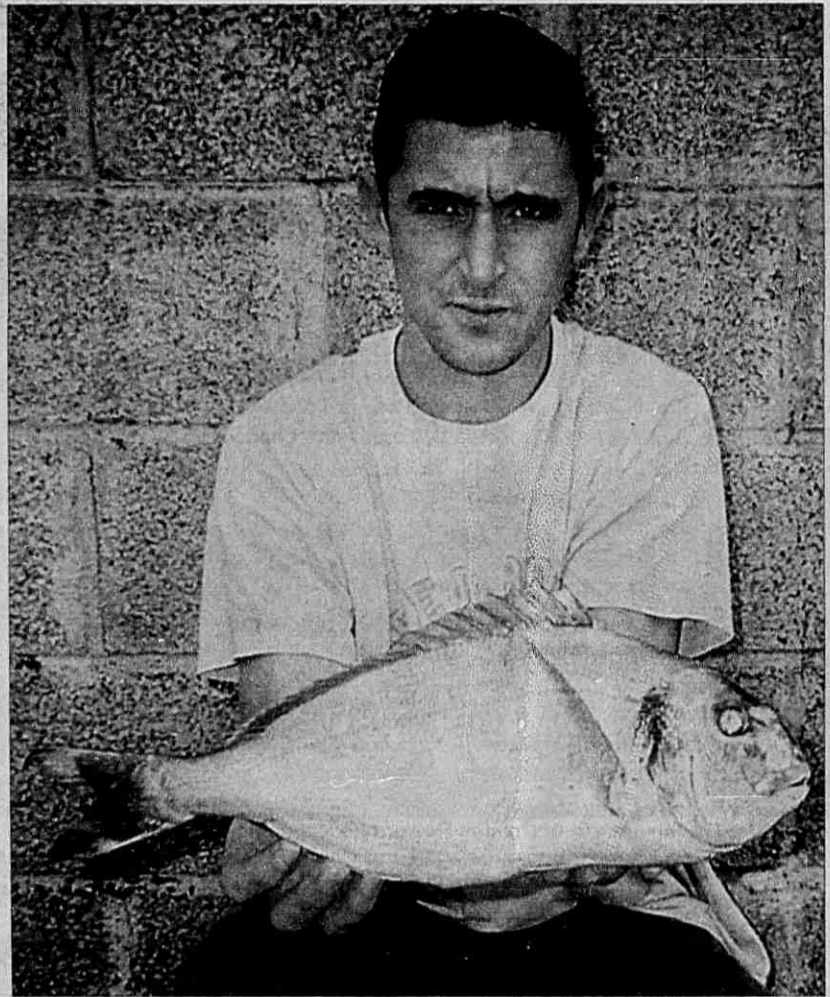

Indeed, the fish, which prior to 2003 was only caught twice in Irish waters (once in 1972 in Ard-

more), is not even listed in the Irish Book of Species.

Prior to 2003, the Gilthead Sea Bream was considered an extremely rare fish in Irish waters.

The Gilthead Sea Bream is primarily a sub-tropical species, common southwards from Biscay to the Cape Verde and Canary Islands, including the Mediterranean Sea where it is an important aquaculture species.

It is a shallow water species, inhabiting sea grass beds as well as sandy and muddy areas down to 30 metres. Its food is biased in favour of molluscs, especially mussels, oysters and crustaceans and it can be a pest to shellfish culture.

## Touraneena Racquetball Club Notes

### October Start to New Season

The 05/06 season will begin on the first weekend of October with the new Ballinrobe Open. This is an adult competition that will mark the host clubs 21st year in existence. Although the calendar has not been released yet, it looks likely that the National Junior Uneven Championships will be held in nearby Fermoy which is good news for us from a travelling point of view.

The National Junior Even Championships will be held in March with the National Senior Championships and the venue will be Kingscourt in Co. Cavan. If this can match the success of last year's event, then it will be an event not to be missed. Plans will be put in place shortly for the event and it's hoped that it will be an even bigger and better weekend of racquetball this season.

The National Junior 'B' Championships will probably be held in Castlebar and hopefully

this will be an event that we can blood some of our younger players. It's an event where a lot of the top players started out before they went to become National Champions and International players.

The 7th Irish Junior Open will this year be held between Ballinrobe and Castlebar. The Aisling Hynes Memorial Cup will be up for grabs and hopefully we can make a massive effort to bring it back to Waterford for the first time. We will need as many players as possible to travel to give us a better chance of picking up more points. Last year was the first year for the cup to be played for with the host club, Kingscourt proving successful while we finished in second place, 14 points behind the winners.

This season, it is hoped that a National Junior Club Championship will be added to the calendar which will be run with the senior event. It will probably be held in Kingscourt on the first weekend of December. In this, there will be separate competition for boys and girls. Each team will consist of 1 under 12 player, 1 under 15 player and 1 under 18 player. All will be finalised within the next 2 weeks.

### Congratulations

The Touraneena Racquetball Club would like to congratulate both Seamus Power and David McCarthy on being selected as the Park Hotel Sportstar of the month for June and July respectively. Both have been starring in their fields of golf and athletics in recent times and we would like to wish both athletes the very best of luck in the future.

### Club Newsletter

The first edition of a free club newsletter is available in the local shops. It just outlines what's happening within our club and how our players have been performing at club, national and international level.

Stars of the future (l. to r.)  
Jack Skehan and Ronan Gleeson.

### WATERFORD COMMUNITY GAMES

## Waterford Competitors Are Mosney Bound

A large number of young girls and boys from various areas of the County will travel to Mosney this coming week-end to take part in the National Community Games Finals.

The activities in which they will compete include swimming, art, model making, gym-

nastics and our only team to travel will be the Ardmore/Grange soccer team. The Games will be officially opened on Friday evening and will continue until Sunday evening. We wish all our young people, their team managers and supporters a very enjoyable and successful time.

# DUNGARVAN CREDIT UNION CYCLING CLUB

### GER WYLEY SPONSORED TEAM COMPETITION

The Ger Wyley team predict your time competition starts this Wednesday, August 17th starting time 6:30pm at John Foley's. This team event which will consist of 3 or 4 per team depending on entry. The race is over the Whitechurch circuit and this proved to be a wonderful success last year and was enjoyed by all who took part. The idea is that each team must predict the time that it will take them to complete the circuit and the time will be taken when the last member of each team crosses the finishing time. The winners on the night will be the team who finishes nearest to their predicted time. If you have not entered why not come along and be part of a team. Note helmets must be worn.

### CLUB SPIN

Our annual club spin is on Sunday next, August 21st. For this we would love to have

every member taking part. There will be two groups, the first leaving the Square at 9:30pm and this group will cycle the Ballyduff circuit. A more leisure group will leave the Square at 10am and the two groups will meet at the Kitchen Hole off the Cappoquin/Tramore road. Here we stop for a picnic before returning home.

### M.S. CYCLE

A reminder that the M.S. sponsored cycle will take place on Saturday, September 10th. So have the body and bicycle ready for this worthy event.

### WEEKEND SPINS

It is good to see our numbers increasing on our weekend spins which are on Saturday and Sunday at 9:30am. Those taking part this weekend are Mark Power, Frank Browne, Tony Murray, Ben Flynn, Colm Organ, Kevin Barry, P. De Burca, Brett Tynam, Justin Coonan, David Cummins, Eddie Moore, David Tobin, Rory Wyley.

# Kill GAA Notes

## WELL DONE

To the intermediate footballers who emerged victorious against Rathgormack B at the Dunhill GAA grounds on Thursday evening last. It was a fantastic battle with both sides showing their hunger and determination for a victory in this game.

The Kill defenders remained consistent throughout the game making it extremely difficult for the Rathgormack attackers to break away on the score board. John Kiely had a good game in the goal not leaving the Rathgormack side get a ball in passed his white line once, much to the disappointment of the Rathgormack supporters. This dominance could also be seen in the full back line with a great display being turned in by Andrew Power, Brian Mooney and Jim Murphy who was unfortunate to pick up an injury, however Paudey Torpey substituted superbly having a fine game in the corner. Outside on the half back line stood the figures of Niall Flynn, Mark Hennessy and Fergal Whelan who also had terrific games with great interceptions and breaking down the attacks of the Rathgormack outfit. Paul Moran and Brendan Mooney played well in the middle of the field fielding and laying off good ball to the half forward line of Niall Hennessy, Peter Kirwan and Aidan Whelan. Peter Kirwan had a good game with a lot of successful free taking coming from his boot and registering a tally of 1-3 for himself. Great support play was displayed by Whelan and Hennessy on either side of him making the necessary runs to produce these scores. Inside constant attacking play was shown by Peter Torpey, Anthony Kiely and Darren Power. Anthony had a fine game ending with a score of 1-3, proving to be a handful for any defender. It must be said this was a tough game with a final score of 2-7 to 0-10 and credit must be given to the players for their fight and determination for grasping a result in this game.

Well done to the subs Sean Michael O'Regan, Anton Lannon who replaced Darren Power, Conor Ryan for Paul Moran and Paudie Torpey for Jim Murphy. Also to the management Micky Kiely, Eddie Power, Michael Casey and John Power for a job well done and here's hoping for some future similar displays from this tenacious Kill side.

Team as follows — John Kiely, Andrew Power, Brian Mooney, Jim Murphy, Niall Flynn, Mark Hennessy, Fergal Whelan, Paul Moran (0-1), Brendan Mooney, Niall Hennessy, Peter Kirwan (1-3), Aidan Whelan, Peter Torpey, Anthony Kiely (1-3), Darren Power, Anton Lannon, Sean Michael O'Regan, Conor Ryan and Paudey Torpey.

## CONGRATULATIONS ON HIS HOLE IN ONE

At the Faithlegg Golf Club Open Week in the very difficult par 3 on the 6th, he used a seven iron with a draw and back spin. He is one of our star players — Darren Power.

## BEST WISHES

To Liam Lannon who is currently recovering from a leg injury. Let's hope those crutches will be dumped soon.

## FIELD COMMITTEE

Special thanks to our field committee Tommy Mooney and Nicky Whelan on the excellent condition of the pitch.

## ST. ANNE'S LADIES CAMOGIE NOTES

# 4-In-A-Row

On Friday evening last in the Bohadon GAA grounds the senior camogie final replay took place between St. Anne's and Lismore. The game was played in good conditions.

The score opened with St. Anne's, Pauleen Cunningham scoring a point. This was the start that St. Anne's were looking for and successive scores by St. Anne's forwards gave a leading half time score of 0-7 to 1-3. The game was by no means over at this stage as Lismore piled on the pressure but our defense was excellent with Lorena Mooney, Rachel Ahearn and Jane Murphy closing down Lismore on any attempt to score but for one occasion when a long ball from 40 yards out ended up in the back of the net.

Luckily enough that goal was counteracted by great points from Karen Kelly, Pauleen Cunningham and Julie Mai Keane at the other end of the field.

Our half back line was superb throughout the game. Ailish Dunphy, Annette Raheer and Emma Wall made sure that any break Lismore hoped for was closed down and our two mid-field players Charlotte Raheer and Caroline Ahearne were brilliant keeping Lismore at bay, as our forward line each and everyone of them played an active part in making sure St. Anne's lead was being copper fastened, with superb hurling from Karen Kelly, Niamh Barry and Julie May Keane on the half forward line and our full forward line Kate Rockett, Pauleen Cunningham and Kerry Dunphy. Each and everyone of the girls had a superb game.

At the other end of the field taking centre stage in the goal mouth was Tracey Gallagher who had a terrific game and making the necessary saves

when needed. The girls are now looking forward to Munster Club. Final score in this great game St. Anne's 0-15 Lismore 1-5. Scorers on the day as follows; Karen Kelly 0-8, Pauleen Cunningham 0-3, Julie

Mai Keane (0-2), Niamh Barry (0-1), Kerry Dunphy (0-1).

Congratulations to the girls on a wonderful game.

Team list as follows — Tracey Gallagher, Jane Murphy, Lorena Mooney, Rachel Ahearn, Emma Wall, Annette Raheer, Ailish Dunphy, Charlotte Marie Raheer, Caroline Ahearn, Julie May Keane, Niamh Barry, Karen Kelly, Kate Rockett, Pauleen Cunningham (capt), Kerry Dunphy, Niamh and Siobhan Kavanagh, Eileen Kirwan, Niamh Ryan, Nicola Barry, Karen Barry, Ciara Murray, Mairead Murphy and Sarai Flynn.

Mentors — Ger Mooney, Anthony Raheer, Niall Dunphy, Brendan Gallagher, Brian and Breda Cunningham. Well done to the referee Jack McGrath on a job well done. Thanks to Lismore for a great sporting game.

To our supporters who came to cheer on the girls, it was most appreciated. Finally to our Secretary Ann Marie Queally who has been at everyone's beck and call over the period of the league and championship matches. Many thanks to Pdraig Dunphy for making his premises available for the team to celebrate their success.

Best wishes to Sarah Flynn who was unable to play the final but will be back playing with us very soon. Also best wishes to Elaine Dunphy who is on crutches, wishing you a speedy recovery. A special thanks to Mairead Murphy who postponed her tour to play in the camogie final, unfortunately she was unable to stay around for the replay but she was delighted to hear that once again St. Anne's brought home the Cup.

**UNDER 16 CAMOGIE**  
Best wishes to the under 16 camogie team who will play Lismore on Monday night. Wishing them the best of luck.

## Ballyduff GAA Notes

### INTERMEDIATE HURLING

On Friday evening August 12th we played Dungarvan in the final the round of our group section of the championship. Unfortunately we did not perform as well as we have done in our previous games and lost out by nine points. The final score was Ballyduff 1-7 Dungarvan 1-16.

### JUNIOR HURLING

We played Ballysaggart in the junior championship quarter-final in Lismore. A very good performance from all our players saw us win this game by twelve points with the final Ballyduff 2-14 Ballysaggart 0-8.

### MINOR HURLING

Our minor hurlers won their first game in the Western (B) championship when they beat St. Pats in Aglish last Wednesday. This was a very good result as we are having difficulty fielding a team in this grade. Well done to the lads and their manager Seamie Hannon for the effort they are putting in. Their next game is against Dungarvan in Aglish this Wed. Aug. 17th at 7.15pm.

### CLUB LOTTO

There was no winner of the jackpot in last week's draw which was held in Tobin's Bar. The €30 winners were Paddy Walsh, Margaret Cashel, and Jamie Hannon. Next week's jackpot will be €2,150 and the draw will be held in Lindsay's Bar on Tuesday Aug. 16th.

# KILGOBNET G.A.A. NOTES

## INTERMEDIATE HURLING

We played two games in the last two weeks and lost both games. Against the Shamrocks we lost out at the end of a very good game in which we led for most of the match but a late surge by the Shamrocks was enough to see them through. Against Clashmore we were very slow to start and found ourselves 2-5 to 0-1 down after 20 minutes. A better second half performance saw us 5 points adrift at the end, 3-11 to 3-6. We are still in with a chance of going through to the quarter final. Possibly having to play in a three way playoff.

## INTERMEDIATE FOOTBALL

We play Ballinameela on the weekend of the 28th in the quarter final.

## JUNIOR FOOTBALL

After our win against Ring last weekend we were due to play Geraldines last Sunday night but this game was called off due to the death of Mrs. Margaret Dalton, grandmother of John and James Fennell who both play on this team. The club would like to express its sympathy to Phil and the Fennell family, Bohadon on their loss.

The club requires a person for work at our Sports Centre at Bohadon. Must be eligible under the Community Employment Scheme Rules (FAS). Please contact club secretary Matty at 058-42720.

## CONGRATULATIONS

Congratulations to Dermot O'Brien whose horse recorded two wins in Tramore over the weekend.

# FOURMILEWATER G.A.A. CLUB NOTES

## UNDER-16 COUNTY FINAL

Fourmilewater had a historic win in the U16 county final held in Walsh Park on the 7th August when they beat the team from east Waterford, St. Mary's. This was a vital win for the club as it follows up our U14 win last year, so we have a lot of talent coming up. As for the match itself, it was played in very wet conditions, and it was nip and tuck in the first half, and the sides were level at half time at 2-2 each. The Fourmilewater defence held firm in the second half to hold out for victory. The final score was 3-5 to 2-2. After the match, our centre back Shane Lawlor got a much deserved man of the match award.

Team: J. Fenton, S. Cooney, J.P. Fitzgerald, D. O'Donnell, A. McGrath, S. Lawlor, D. Fitzgerald, G. Guiry, P. Horkan, J. McGrath (1-0), D. Connolly, T. Walsh, D. Quirke (0-1), R.

Fenton (1-4), B. Carroll. Subs: G. Guiry, D. Nugent (1-0), E. Cooney.

All the team were heroes on the day, but Shane Lawlor, Richard Fenton, Thomas Walsh and Darren Guiry were super on the day.

Mentors: Billy Walsh, Tom Crotty, Alan Lawlor.

## SARGENT CUP

We have qualified for the final of the Sargent Cup, where we will face Ballygunner. There is no date set for this match, but it might be on in the next few weeks. Let's hope it's on before our next champions match.

## MINOR HURLING

Fourmilewater beat Ardmore in the Minor championship by 6-14 to 1-5, and this gives the team a great chance of reaching the semi finals. This was an outstanding display by Fourmilewater who were best served by R. Fenton, who was

on fire and ably assisted by J.P. Fitz, D. O'Gorman, T. Walsh, D. Guiry, P. Horkan, D. Morrissey, S. Lawlor.

Team: John Fenton, J.P. Fitzpatrick, David O'Gorman, Declan Coffey, Alan McGrath, Shane Lawlor, Patrick Horkan, Craig Guiry, Derek Morrissey, Thomas Walsh, Evan Morrissey, Darren Guiry, Brian Carroll, Richard Fenton, David Nugent. Subs: Michael Walsh, Thomas McCarthy, Sean Cooney.

Scorers: R. Fenton 2-7, D. Morrissey 1-2, D. Guiry 1-1, T. McCarthy, D. Nugent 1-0, T. Walsh 0-1, C. Guiry 0-1, P. Horkan 0-1, S. Lawlor 0-1.

## ADULT COMMITTEE MEETING

The adult next committee meeting will take place at the Burgery 18th of August at 8.30pm.

## SENIOR FOOTBALL CHAMPIONSHIP

We were unfortunate to have gone down against the Nire at Fraher Field last Friday night the 12th of August in the Senior Football Championship. We had an excellent first half but as so often happens the team that loses a player and finds themselves a man down rally's to even higher levels. This is precisely what happened and we unfortunately fell to the Nire on a scoreline of 1 goal and 11 points to 1 goal and 5 points. On the night the Nire fully deserved their win. Its hard to understand how we played two contrasting half's but for sure we will play better. It's not so long ago when some of us were involved in a 23 point drubbing against Rathgormack and the doomsday clan came out of the woodwork. The following year the lads bounced back and reached a county semi-final. We have to keep this in perspective. We are still in the championship (very much so) and also that we played five 19 year olds who will have benefited greatly from this game. We have for sure some soul searching to do right across the whole team but we will bounce back from this. Its time for level heads and no time for recriminations. The mentors and players will turn this a round. Every team has its ups and

downs. Particularly teams which are so young and in the process of building.

The team that lined out was as follows. Declan Enright, John Kindregan, John Hurney, Gavin Breen, Martin Lavin, Laurence Hurney (Captain), John Phelan, Shane Briggs, Patrick Lynch, Peter Phelan, Damian Cliffe, Mark Fives, Gary Hurney, Patrick Hurney and Mark Gorman. Ian Kiely came on as a second half substitute. Others on the line were Brian Scanlon, Simon Hanrahan, John Foley, Mark Ferncombe, Keith Brown, John Gorman, Joey Mullen and Jonathon Moore. Scorers were Gary Hurney 1 goal, Mark Fives 2 points, Damian Cliffe, Patrick Hurney and Mark Gorman 1 point each.

We have been drawn against John Mitchell's in the next round so it's now up to all to work on getting this back on track. Gavin Breen was injured in the game last Friday and had to come off of the field we wish Gavin a speedy recovery.

## SENIOR HURLING

Look's like the summer has finally arrived. Senior Football last weekend and now Senior Hurling against the great Mount Sion. This game will be played at Fraher Field next Sunday the 21st of August at 5.45pm. If the Nire was a big fixture in Football then this game takes us into the lion's den against the County Champions. Most of the lads who played against the Nire last Friday night will now be on duty in this Senior hurling Champi-

onship tie.

So it's up to ourselves and how we react to last Friday's disappointment and how we pull ourselves up. But this is the beauty of the GAA you don't have too much time to dwell on things and we would expect to see a massive commitment from all of the lads. After all if you want to test yourself why not get into the ring with the best of them. As Anthony Daly said last week when Clare were the underdogs. "Sure we'll turn up for the game anyway". Look how close Clare came to upsetting the odds. With the same attitude and passion we can give the mighty Mount Sion a run for their money. A lot of people complained about our performance last week. Let's hope our supporters turn out and encourage the lads. That's what they need now.

## JUNIOR HURLING CHAMPIONSHIP

This game was won on pure work rate and passion. It was a joy to see our lad's young and old serve up some excellent hurling to win this Western Junior Championship quarterfinal. This game was played out in the splendidly appointed Aghlish pitch last Sunday night the 14th of August. We played Tourin who were short some lads due to injury and had their preparations interrupted by a series of bereavements which did not help their cause. It must be said that Tourin were equally passionate about their game and their team as we were about ours but were very, very gracious in defeat.

You will not meet a nicer bunch of people involved in our games than the folk from Tourin. Even though both sets of supporters were on the sideline there was hardly a cross-word spoken. This is surely what our games are about. Screaming passion, people moving up and down the sideline but no ill will wished on anybody on either side.

Our team on the night was as follows Daryl Ryan, Brendan Walsh, Jonathon Moore, Paul Breen, Keith Brown (Captain), Richie Foley, Joey Mullen, Michael Fives, John Gorman, Eoin Enright, Simon Hanrahan, Sean O'Hare, Mark Ferncombe, Sean "Hiker" McGrath and Declan Enright. Substitutes used Sean Kiely, Diarmuid O'Hare and Luke Brennan. Other substitutes on the line were Eddie Casey, Stephen Enright and Billy Ryan. Scorers were Mark Ferncombe 2 goals and 7 points, Declan Enright 1 goal and 1 point, Michael Fives, Simon Hanrahan and Sean Kiely 1 point each.

## MINOR HURLING CHAMPIONSHIPS

We chalked up our second win in the minor hurling championship with a win against Cois Bhrí at Ballyduff Upper last Wednesday the 10th of August. As always the Ballyduff Field was in superb condition. A credit to John Jackson and his team. It's always a pleasure to travel to Ballyduff along the banks of the river Blackwater past Lismore Castle and on up

into Ballyduff. There is no nicer spin of a summers evening. The team that lined out was as follows. Eoin Enright, Donnacha Enright, Diarmuid O'Hare, Brendan Walsh, John O'Driscoll, Richie Foley, Billy Ryan, Sean O'Hare, Eoin Brackett, Jason O'Brien, John Gorman, Stephen Slater, Jason Healy, Mark Ferncombe and Stephen Lanigan. Substitutes used were Eoin McCullagh, Donal Henley, Anthony Flynn, Cormac Enright and Alan Tobin. Also on the line were Rory Moloney and James O'Mahoney still recovering from injury. Scorers were Jason Healy 2 goals and 2 points, John Gorman 1 goal and 4 points, Mark Ferncombe 6 points, Stephen Lanigan 1 goal and 1 point, Sean O'Hare, Stephen Slater and Richie Foley 1 point each. The next minor championship game is against St. Olivers at Fraher Field this Wednesday the 17th of August. Throw in is at 7pm.

## UPCOMING FIXTURES

Minor Hurling Championship against St. Olivers at Fraher Field on Wednesday the 17th of August. Throw in at 7.00pm.

Senior Hurling Championship against Mount Sion at Fraher Field on Sunday the 21st of August. Throw in at 5.45pm.

## SUPER TRIO 2005

It's been a few weeks since we had an update and the scores are very tight of our Super Trio competition with just seven points separating the top six combinations. There are just two matches remaining in this year's All-Ireland Hurling Championship, excluding replays, and a lot of our panel made their exit after the quarterfinals. Seven of our panel is still competing but this will reduce further after the second semi-final. At present Ger Farragher, Galway leads the way on 43 points followed by Eoin Kelly, Tipperary on 39, Paul Flynn on 35 points and Henry Shefflin 1 point further back. The top six combinations at present are EFH 117pts, EHN 116pts, EGH 115pts, EFN 112pts, EFG 111pts and EGN 110 pts.

# Cois Bhríde Juvenile G.A.A. Club Notes

## U-8 HURLING

U8's travelled to Midleton last Saturday for a very entertaining challenge game. Both sides were full of very skillful little hurlers that were a joy to watch. The home side, playing with the wind, got off to the ideal start when a long rang effort somehow found it's way to the back of the net.

Cois Bhríde's defence were under severe pressure but Kelvyn, Padraig, Shane, John Paul & Eimear defended gallantly with David keeping us in the game with some fine saves. Jake & Ryan must have covered every blade of grass on the field breaking up attacks and setting up lots of chances for Jordan, Edward,

Darragh, Colm & Jake Grey, but the Midleton defence was as strong as our own and the scores were just not coming. Five minutes before the break the Midleton pressure paid off when a goalmouth scramble finished up in the net. By now subs Alan, Dylan & Stephen were introduced and with a minute left to the break Stephen earned his team a close in free after some greatwork. Jake stepped up and sent a rocket to the roof of the net to cut the home side's lead to just a goal at half time.

In the second half, with the wind to their backs, it was Cois Bhríde who were turning the screw with the ball rarely crossing the half way line. But again scores were hard to come by and with ten minutes left on the clock disaster struck when Midleton snatched a third goal. As this bunch of players showed in the past they never give up and when Ryan's long range effort went all the way to the Midleton net with five minutes left on the clock we were set up for a lively finish. Midleton were defending brilliantly but eventually Jordan found a way through and played a lovely ball in to Jake Grey who doubled on it to back of the net. Both sides had chances to win the game but neither deserved to loose, so when the final whistle blew with the teams tied at 3-3 it was met by approval by all concerned.

These are the games you want to be involved in, playing teams of your own standard is the only way to improve. These lads have met three times so far with each game going to the wire and we look forward to watching this bunch of players trying to get the better of each other for many years to come.

Thanks to Pa Beausang and the lads for their hospitality.

Team: David Tobin, Eaimar O'Brien, John Paul Lucy, Shane Ryan, Kelvyn O'Farrell, Padraig Roche, Jake Beecher, Ryan Grey, Jordan Farmer, Edward Hynes, Darragh Mulcahy, Colm O'Donoghue, Jake Grey, Alan Buckley, Dylan Mangan, Stephen O'Hara.

Midleton are bringing their U7 & U9 teams to Tallow next Saturday August 20th for a couple of challenge games. Again it's an 11am start with all players to be at the field for 10:45, anyone looking for a mornings entertainment this is the place to be.

Happy Birthday to Jake Beecher and Kelvyn O'Farrell who both celebrate their 8th Birthday this week. Both lads love their hurling and were very important players in this year's U8 & U9 very successful campaign.

## MINOR HURLING

Our Minor hurlers had their second outing in this year's championship last Wednesday night in Lismore where they were well outplayed by a capable Abbeyside team that led virtually the whole game. I don't have the final score, but suffice to say Abbeyside won it well. We play Lismore this evening (Wednesday) in our last match.

## U-11 TOWN AND COUNTRY LEAGUE

This League started last Monday with a match against Brickey Rangers down in Bushy Park. The home side got off to a great start and scored two goals early on to leave our lads with a mountain to climb. To be fair to them they improved in the second half, but found scores very hard to come by. In the end Briceys were the winners by a big margin. Their next match is at home to Abbeyside which will probably be held next Monday night in Tallow around 7.30pm.

## SENIOR HURLING CHAMPIONSHIP RESUMES

# Three Games At Fraher Field On Sunday

The programme in Dungarvan is arranged to facilitate patrons wishing to watch the Kilkenny / Galway hurling All Ireland semi-final on television in the mid-afternoon.

By the time that the Croke Park programme commences the first game will have been decided in Fraher field.

## ARDMORE V COMERAGH GAELS

This has a 1-30 p.m. start and the result will see the winners staying in contention in the championship. If Ardmore are losers they will move into the relegation zone while if Comeragh Gaels, who are a group team, lose they will just fade out of existence as they will not qualify for relegation since the players involved are not of senior status.

The expectations are that Ardmore with Seamus and Declan Prendergast and Clinton Hennessey of the county senior panel, will win here and a different result would certainly create a surprise, even though the Comeragh team have some very fine players taken from Colligan, Kilgobnet and St. Mary's. However, I do not believe that they have enough to overthrow the favourites, Ardmore in this contest, even though Ardmore will be without 4 of their regulars who are away out of the country at the present.

## MOUNT SION V ABBEYSIDE

It must be all of 30 years since these clubs have clashed at senior level. Back in the fifties and sixties matches between them always created a big stir around the county and the contests were among the best matches played in the senior hurling championships in that era.

With Abbeyside having fallen on lean times they eventually found themselves back in the intermediate grade and have won two county championships at this level in the past ten years.

Now with a new breed of players and all graduating through the underage ranks, Abbeyside are back in the top grade and attempting to succeed where their great sides of the past, failed narrowly.

In writing about Mount Sion's marvellous record one could be said to be "gilding the lily". They are a team apart with no equals in the county and very few outside the Deise. It was something of a tragedy that the reigning champions failed to win the Munster Club final last year after they had appeared to have the match all sewn up.

Presently they are the odds on favourites to retain their title and represent the county once more in the battle for Munster Club honours.

With players of the quality of Ken McGrath, Eoin Kelly Tony Browne, (3 All Stars) Eoin McGrath, Brian Flannery, Ian Regan, Michael White, Jamie O'Meara, Brian Greene, Kenny Stafford, etc. etc. on board they look to be an unbeatable side.

Abbeyside defeated W.I.T. back in April and despite the reputation of their opponents they will mount as serious a challenge as is humanly possible and in giving it 'one mighty lash' they may seriously trouble the hot favourites.

I do not believe that Abbeyside's young team will defeat Mount Sion on this occasion but they will benefit enormously from the experience and so much so that it can help them over their next game in the losers section.

Abbeyside will field, Patrick Enright in goal, the young keeper played brilliantly against W.I.T. - Shane Briggs, Gavin Breen (doubtful because of injury), John Phelan, John Kindregan, Brian Scanlon, John Hurney, Damien Cliffe, Peter Phelan, Gary Hurney, Mark Fives, Mark O'Gorman Laurence Hurney, Michael Enright, Declan Fives, Patrick Hurney, etc.

The prediction demands that Mount Sion be named as red hot favourites, but Abbeyside's performance will be interesting.

## BALLYGUNNER V LISMORE AT FRAHER FIELD

The bookies have these clubs installed as joint second favourites to win the county title this year. I know that the public will install the sides as favourites to produce the most exciting championship clash of the season.

Last year's county semi-final meeting of the teams was a classic until marred by a flare up near the end. But it was a great game of hurling with western challengers, Lismore looking all over winners until very close to the finish. It was one 'rip roaring contest' and if we are given a repeat here it will prove great value for money.

While we would like to have things otherwise, every one will have to concede that this championship is a 'three horse race' and if any team other than the three named above were to win, it would be deemed a sensation.

Paul Flynn is said to be not fully recovered from the injury picked up against Clare and could even miss out on this tie. Such a loss to Ballygunner would be a severe blow. They will have Fergal Hartley, Stephen Framp-ton, Andy Moloney Billy O' Sullivan, Daragh O' Sullivan, Shane O' Sullivan etc to lead their challenge while the Western standard bearers in this contest will have

Brendan Landers (goal), Mark and Michael O' Sullivan, James O' Connor, Peter Howard, David Bennett, Eoin Bennett, Dan Shanahan, Shane Kearney, David Howard, John Heneghan, David O'Gorman, etc. James Shanahan will not be available to them as

he is out of bounds.

In a game between these top clubs, the betting odds should be even money, but I expect Lismore to have learned a lot from their last clash with the 'Gunnors and will be good enough to win here.

## S.H.C. Stradbally v De La Salle At Kill

This will be quite an interesting clash between sides of equal standards.

Last season they each defeated Abbeyside in the championship. Stradbally had a 2-13 to 1-10 victory over the village team and earlier in the winners section, De La Salle defeated Abbeyside by a single point in a nail biting contest at Walsh Park.

Very significantly, De La Salle were a trifle unlucky against the highly fancied Lismore when losing on a scoreline of (1-8 to 0-10).

Here county players John Mullane and Michael Walsh will be in opposition and their performances will add to the interest in the fixture.

Stradbally may commence slight favourites. The game is fixed for 7 p.m. on Saturday.

### NEXT ROUND DRAW

The draw for the next round of the senior hurling championship will take place at Fraher field at the end of the third match there on Sunday evening.

It has been announced that the next round will be played on the following weekend and that clubs are already on notice.

LAWLOR'S HOTEL SENIOR FOOTBALL CHAMPIONSHIP

NIRE 1-11 BALLINACOURTY 1-5

# Nire Too Strong For 'Courty

Last year Co. finalists Nire had to call on all their experience to see off their challenge of Ballinacourty in Round 2 of the two Waterford Senior Football championship at Fraher Field. Dungarvan on Friday evening last. Ballinacourty got off to the better start and led by 1-5 to 0-5 at half time and indeed should have had a bigger interval lead. The sides were level on three occasions in the opening quarter before Mark Gorman gave 'Courty the lead in the 20th minute, 0-4 to 0-3. Five minutes later Ballinacourty led by 4 points when Gary Hurney goaled after great work by Peter Phelan. Mark fives converted

a Ballinacourty free to leave them 1-5 to 0-3 in front with 4 minutes of the half remaining. Nire to their credit finished the half the stronger with points from Shane and Pat Walsh to leave one score (a goal) in Ballinacourty's favour at half time. Nire's top player, Shane Walsh, converted a free in the 36th minute and his side were right back in the game in the 43rd minute when they were awarded a penalty for a foot block. Walsh converted the penalty with aplomb but not before Nire were reduced to 14 players when Anthony O'Gorman was red carded. Nire were awarded a second penalty in the 50th minute when

Shane Walsh was fouled but effort was excellently saved by Ballinacourty keeper Declan Enright.

Nire who now led by 1-6 to 1-5 took over in the closing ten minutes scoring five unanswered points to run winners on the score of 1-11 to 1-5. This was not a victory that looked likely at half time. Ballinacourty will be disappointed

not to have pressed home their second quarter supremacy and, the fact that they failed to score in the second half will be a major concern to their mentors.

Scorers: Nire - S. Walsh (1-6, 0-4 frees, 0-1 penalty), B. Wall (0-3), P. Walsh (0-2).

each), M. Gorman (0-1).

## ALL IRELAND QUARTER FINAL

# Dublin & Tyrone Play An Exciting Draw

There is no doubt now but that the influence of Dublin footballers is having its affect on the whole G.A.A. scene. The massive crowd of almost 79,000 (a record for one match in Croke Park or for any one event in Ireland) was attributed to their involvement in the fixture and where they outnumbered Tyrone by an estimated 7-1.

The attendance figure was about 3,000 short of a capacity crowd and this was attributed to the fact that a very large number of stand tickets were returned from the Tyrone County Board. The reason for this is believed to be related to the clamping of hundreds of cars which had been parked around the city by supporters of Tyrone and Armagh in the Ulster final which was played in Croke Park.

The concentration of 'clamping' of northern vehicles on that occasion certainly left a very bad taste.

What left a bad taste at last Sunday's game was the unsporting conduct of a portion of the Dublin supporters who continued booing Tyrone. First when the visitors ran out on the ground for the start of the game and also when frees were being taken by Tyrone. A lot of neutrals transferred their support on this account.

Another feature of the programme that did not go down well with the paying public was the decision to delay the start of the game for 15 minutes in order to accommodate late comers to the game. Thousands of Dublin supporters arrived at the gates only minutes before the scheduled starting time of 3.30 p.m.

## PLAYERS BENEFIT NIGHT

It was a super day for racing and this was another reason why such a fine crowd turned up at the Tramore Race Course for the annual benefit night to raise money for their holiday. Most of the county players were present and mingled with the crowd.

While it is not race course policy to announce financial returns in such cases, it is thought that a fair amount was raised (but not as much as last year) and that the holiday fund will benefit considerably.

While there has been no official announcement from the County Board on the matter, it is expected that the county hurling panel may again travel away on a holiday this year. There may be news of this at the September meeting of the senior board.

## Intermediate Football

With the quarter final pairings now known and the championship scheduled to resume on the weekend of August 28th, there are high expectations of a real 'grand stand' finish to this competition.

On form a case could be made for any of the 8 remaining clubs and one thing is sure and that is, the eventual winners will be very worthy champions.

The pairings are, Geraldines versus Shamrocks; An Rinn versus Emmetts; Ballinameela v Kilgobnet and Brickey Rangers versus Sliabh gCua.

If all are played and results produced we can have semi-finals 2 weeks later and the divisional final in late September or early October.

Of course the intermediate hurling championship might cause problems for the football programme.

# Minor Hurling Progresses

With results from all the second round matches played on Wednesday a lot of sorting out has been done in this championship and the knock out stages are already beginning to take shape;

### ABBEYSIDE 4-16 COIS BRID 1-8

The young Tallow/Shamrocks combination suffered their second defeat when losing to a strong Abbeyside team at the Ballyduff venue.

After 25 minutes there was very little between the teams, but a couple of goals in favour of the winners separated the sides and in the second half Cois Brid were outplayed.

### LISMORE 3-9 ST. OLIVERS 0-11

Lismore were convincing winners but only because of the goals. Olivers took their points very well but failed to penetrate the rock solid Lismore defence.

The pairings for this week's matches show Abbeyside playing St. Olivers at Fraher field and Lismore playing Cois Brid in Ballyduff.

If Abbeyside defeat St. Olivers they will qualify for the final but if both St. Olivers and Lismore win, there will be a three-way play off.

## MINOR "B" HURLING

### AN GAELTACHT 2-14 STRADBALLY 0-7

The Gaeltacht team are playing good hurling and will very likely qualify. This was Stradbally's second defeat and they will now find it difficult to get back into contention.

### FOURMILEWATER 6-14 ARDMORE 1-5

With a scoring gap of this size one might wonder if Four-

milewater are playing in a grade under their true status. They too, look sure to qualify and Ardmore may not now qualify.

### CAPPOQUIN 2-13 DUNGARVAN 2-12

This was probably the most exciting contest of the second round series and Cappoquin will likely hail the result as a big achievement. Dungarvan also played well here, but the club seem to be out of luck at the moment having come through a rough weekend.

### BRICKEY RANGERS 3-18 ST PATRICK'S 0-6

Not much of a story to tell about this one sided game with the very much in form Rangers really ruling the roost in their section of the championship.

The games fixed for this week are Fourmilewater v Stradbally at Abbeyside and here the Ballymac' team will be odds on favourites to win.

Clashmore and Ardmore who have clashed on a record number of times in different grades already this year, will meet in Ring where Clashmore will commence favourites.

The game involving Brickeys and Cappoquin will be played in Clashmore and here the winners (and maybe the losers?) will be sure of a place in the semi-finals.

The final pairing will see a splendid contest between Ballyduff and Dungarvan at a venue to be named.

This will be a tight game and one that Dungarvan need to win if they are to remain in with an outside chance of a place in the semi-finals.

## Sympathy

Our very sincere sympathy is extended to the Dalton family, Caseyville Dungarvan on the death of Mrs. Margaret Dalton.

To the Walsh family of Knocknaskeigh, Cappoquin on the death of Kevin and to the O' Leary family, Dungarvan and Abbeyside on the death of Patrick.

All these families had very strong links with the G.A.A. May the deceased rest in peace.

## SENIOR HURLING SEMI-FINAL

# Cork Inch Home Against Clare In Thriller

It was another real thriller with the Munster and All Ireland champions, Cork, scraping through by a single point after recovering from a six points deficit. For a time, Clare ran the hot favourites ragged but unfortunately ran out of steam in the closing minutes.

## G.A.A. NOTES

## BY "COMMENTATOR"

# Senior Football Results

## NIRE 1-11 BALLINACOURTY 1-5

This was certainly a game of two halves with Ballinacourty dominating the match for most of the first half and then failing to score throughout the second half.

The Nire will now remain in strong contention for the title and Ballinacourty will attempt to advance through the losers section.

(see separate report).

## ST. BRENDAN'S 0-14 ST. SAVIOURS 1-6

This game, played at Walsh Park on Sunday, produced a surprise with the club team, St. Saviours who were favourites failing to stay the course with the eastern group team, who scored some super points and ran out deserving winners.

## Senior Football Draw

The draw for the losers section of the senior football championship was made at Walsh Park following the replay of the drawn St. Brendan's versus St Saviours game there on Sunday evening and resulted as follows.

Ballinacourty versus John Mitchell's  
Clashmore v Rathgormack  
St. Saviours v Kilrossanty  
Gaultir versus Kilrossanty

All will be played on the week end of August 28th.

# Junior Hurling Quarter Final Results

There were more than a share of surprises in the 4 quarter final matches played on Sunday evening last in the division.

## Abbeyside 3-12 Tourin 0-6

I would rate this as a big shock as I had expected the reigning divisional champions to win here decisively, especially after seeing Abbeyside lose to Fourmilewater in their last game.

The final score did less than justice to Tourin who missed numerous scoring chances, specially in the second half when they were held to a single point by a very determined Abbeyside defence. Goalkeeper Darren Ryan was outstanding for Abbeyside. At halftime, Abbeyside led by 1-6 to 0-5.

The game was played in Aghlish and was refereed by John Michael Kelly.

## Ballyduff 2-14 Ballysaggart 0-8

With Ballysaggart fielding their first team following relegation at the end of 2004, I would rate this as a big surprise.

I know that Ballyduff were quietly confident but even they must not have expected a 12 points winning margin in the circumstances.

## Brickey Rangers 2-13 Fourmilewater 0-6

I would rate this result as surprise number three on Sunday evening.

I saw Fourmilewater decisively defeat Abbeyside and after that game the Ballymac' lads must have strongly fancied their chances of at least getting to the final.

The eager Brickeys were on top all the way and took their scores very well and will now be the team that they all have to beat.

## Ballinameela 1-17 Shamrocks 1-2

This wasn't a surprise as here the Knockanore club were fielding their reserve team.

Ballinameela gave a splendid display here and at no stage was there any doubt about their survival.

# MURRAY'S PHARMACY SPONSOR KIT-BAGS FOR BRICKEY RANGERS CLUB

Pictured above is Elizabeth Murray, Pharmacist, Murray's Pharmacy presenting Kit bags to Brian Hilliard, Chairman Brickey Rangers G.A.A. club at Bushy Park. Photo shows front row (l. to r.) Fergus Nugent, Brian Hilliard, Elizabeth Murray, Jim McGrath. Back row (l. to r.) Ólan Casey, Richard Tobin.

Elizabeth Murray, Pharmacist, Murray's Pharmacy, said she was delighted to make the presentation to Cumann Rodaithé na Brice. The extended Murray family have had strong links with the Brickey club for generations and are still actively engaged with the club as committee members and players. She wished the club every success in the forthcoming Junior Hurling championship match against Fourmilewater at the week-

end and thanked everyone for their support.

Brian Hilliard thanked Elizabeth for Murray's Pharmacy generous sponsorship and said the teams were looking forward to using the kit bags at the forthcoming championship hurling match. Elizabeth said "Murray's are well aware of the costs of running all types of sports clubs and have always offered a discount on First Aid kits and supplies for clubs".

## INTERMEDIATE HURLING RESULTS

# I.H. Contests Throw Up Some Surprising Results

## DUNGARVAN 1-16 BALLYDUFF 1-7

This result might not have been a surprise to some followers, but the winning margin of 9 points could not have been expected, even by the most ardent Dungarvan supporters.

Ballyduff played in the senior hurling championships last year and were unlucky to have lost to both Fourmilewater and Abbeyside in the relegation battle.

Here Dungarvan who are now through to the semi-final, played their best hurling of the year and certainly enhanced their prospects of becoming divisional champions. I understand that they have a couple of players to add to their line out and who were not available on Friday evening.

## SHAMROCKS 2-8 CAPPOQUIN 0-10

Cappoquin certainly put it up to the favourites here on Saturday evening and after mounting such a strong challenge, they will feel sorry for losing out in previous matches.

Shamrocks will naturally feel pleased at winning but will also feel a bit concerned at not having won more comfortably.

The Knockanore club will be involved in the knock out stages.

## CLASHMORE 3-11 KILGOBNET 3-7

This transpired to be a tremendous contest and despite the fact that 4 points separated the sides, it was a battle to the end. Clashmore giving an improved display on their previous matches in this championship gave notice here

that they are a team likely to trouble the best of the others in the championship.

## AN RINN 2-13 LISMORE 0-9

This was one of the predicted results as Lismore who are the only club of senior status fielding a team in the intermediate championship, have yet to record a victory.

## GERALDINES 4-9 ST. MARYS 0-10

This was another predictable result although near the halfway stage the contest looked to be quite open. The Touraneena club are now out of contention.

Cappoquin v Colligan Rockies. These teams meet next weekend and following Cappoquin's good display against Shamrocks they will be given a

good chance of winning, whereas, Colligan would otherwise have been strongly fancied.

## The I.H. Stuation

Dungarvan are now through to the divisional semi-final from their group (presuming they win against Lismore in their final match).

Ballyduff will also qualify and An Rinn and Geraldines are there with a chance of also qualifying

In the other group, Shamrocks will go to the semi-final and if Colligan defeat Cappoquin on this weekend, there will be a threeway play off for two places between Clashmore Colligan and Kilgobnet.

In any case a great finish to a splendid championship looks to be guaranteed.

# WLRfm Gravville Hotel Sports Star Award

Waterford Senior Hurlers and Ardmore clubman, Seamus Prendergast is the winner of the WLRfm Gravville Hotel Sports Star award for the month of July.

Despite the final result when Waterford lost to Cork on a 1-18 to 1-13 scoreline, Seamus was named Man of the Match in the quarter final after a superb performance throughout the game.

Seamus said he was delighted to accept the award. He said it was nice to be recognised in your own County and particularly after losing. It was nice to get something out of the year. "I'd prefer to be playing in the All Ireland semi final than to get an award but it didn't happen and hopefully we will get

back to it next year.

Seamus was presented a weekend hotel break for two and goes forward to the final in January where the overall winner will be given a sunshine holiday for two at a gala dinner in the Gravville Hotel.

## BALLINAMEELA GAA NOTES

### JUNIOR HURLING CHAMPIONSHIP

We played the Shamrocks in the quarter final of the junior hurling championship on Sunday evening last. Conditions in Ardmore were perfect for hurling with the pitch in excellent shape and just a light breeze blowing.

It took a little time to settle into this game with our six backs hurling well it was just a matter of time before our forwards started to link up and get a few points on the board to settle us down. While not playing our best hurling we began to take control of the game as the first half wore on picking off some nice scores from play and Brian Phelan punishing the Shamrocks from frees. We had opened up a six point gap at half time 0-8 to 0-2 but there still improvement needed in our performance.

We continued to play well in the second half with Aidan Brown and Brian Phelan dominating at mid-field. Our forwards stayed taking their points and this was good to see as in other games we have found it difficult to get scores from play. We got a swift reminder that we couldn't ease up as the Shamrocks scored a goal with about ten minutes remaining.

Our response was very positive with Pauric Scanlon scoring a well worked goal for us shortly after. We added a couple more points before the final whistle to leave the final scoreline 1-17 to 1-3.

While we should be very satisfied with our performance there is still plenty of room for improvement which will be needed if we are to get to the western final. Our focus now moves to football as we play Kilgobnet in the quarter final of the intermediate football in a couple of weeks time.

## Ballyduff Juvenile GAA Notes

### MINOR HURLING

Our minor hurlers played St. Pats on Wednesday last. Contrary to what many people had expected, they defeated St. Pats on a scoreline of Ballyduff 3-18 St. Pats 0-6. This was a good all round display and hopefully we can keep the same level of intensity shown in this game throughout the championship.

Team: Adrian Power, Aidan Casey, Seamus Kenneally, Kevin Moroney, Thomas Noonan, Seamus Hannon, Maurice McNamara, Shane Hannon, Eoghan Geary, Colm Horgan, Shane Kearney, Denis Drislane, William Drislane, Patrick Kearney (Capt.), Patrick Corcoran.

### UNDER-16 HURLING

Our U-16 hurlers were defeated in their County Final on Saturday August 6th by a much stronger St. Saviours side. The lads had performed admirably to get to this stage. It must be said that it was amazing that St. Saviours were even in this division as they had plenty of subs and would certainly have made it to a county final in Division 3. Well done to Mike Kearney and Johnny Jackson on guiding the team to the County Final.

Congratulations to the Ballyduff junior hurlers on a tremendous victory over local rivals Ballysaggart on Sunday last.

## TOURIN GAA NOTES

Tourin bowed out of the quarter final of the Western Junior Hurling Championship against Abbeyside last Sunday evening at Aghlish. The first half was a very lively affair with Tourin only being 2 points adrift at the break.

However, it was not for the want of trying but Tourin could not put scores on the board in the second half and Abbeyside ran out easy winners in the end.

Obviously, there was huge disappointment for everyone but consolation in the fact that this side is very youthful and will have gained valuable experience from this encounter.

Thanks to Ken Bulman (Manager & Selector), J.D. Leahy, John Fives (Selectors), William Leahy, (Equipment) Siobhán Leahy (First Aid), John McGrath, those who maintained the grounds etc and others too numerous to mention for all their time and effort.

Hopefully 2006 will see Tourin back in the winners enclosure. It was also great to see

our supporters young and old turn out to support the team. The club wishes Mike Scanlan who was unable to play due to injury, a speedy recovery. Best of luck to Abbeyside for the remainder of the Championship.

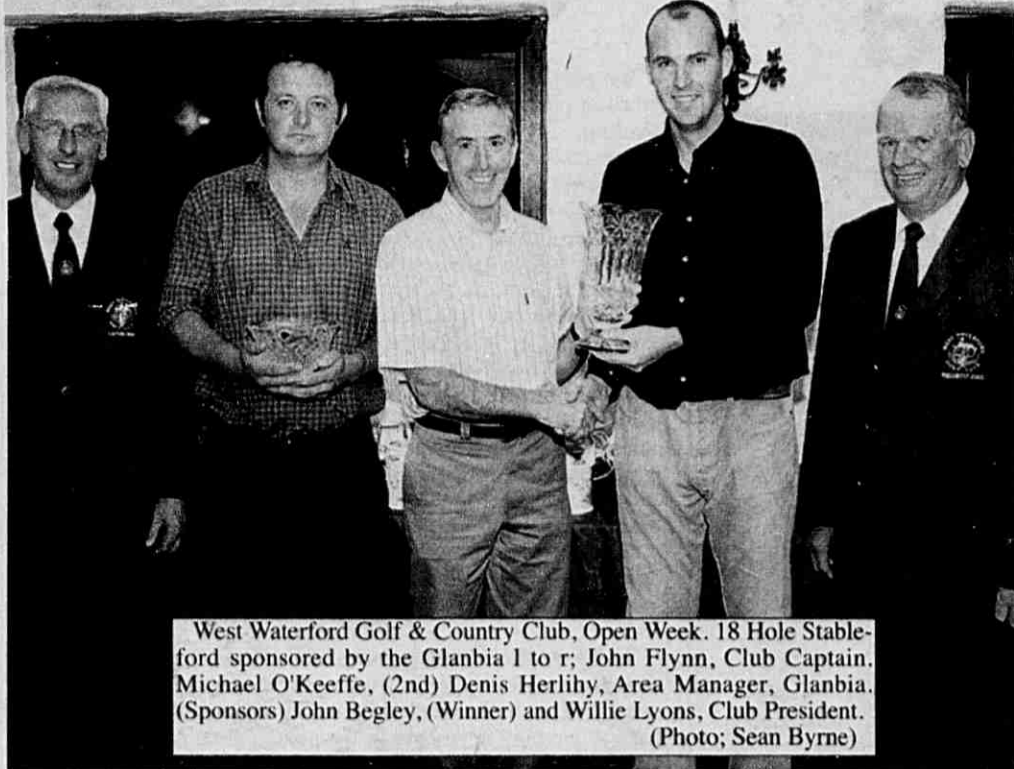

Final Score Tourin 0-6, Abbeyside 3-12

Team as follows: C. Bennett, M. Landers, S. Fives, K. Leahy, D. Leahy, E. Molumphy, D. McGrath, B. Scanlan, J. Dalton, P. Murray, N. Leahy, Darragh, Wilkinson, C. Wilkinson, K. O'Donnell, S. Leahy. Subs: D. Dransfield for C. Wilkinson, Dathai Wilkinson for K. O'Donnell (inj), K. Wilkinson, T. McGrath, J.D. Leahy & J. Fives.

### TOURIN GAA HALL DEVELOPMENT

In the next few weeks, the hall will be undergoing a revamp. If you are interested in assisting in any way - please contact any member of the Hall Committee. It is hoped to restructure the roof, install showers, meeting room, changing rooms etc.... So all hands on deck!!

### SEAMUS POWER CONTINUES IN SPARKLING FORM

Irish junior international Seamus Power swept to the biggest first round victory in the British Boy's Open Amateur golf championship at Hunstanton Golf Club on the Norfolk coast on Monday the 8th. Seamus who recently won the June Park Hotel Sportsstar award was in inspirational form to crush Peter Williams of Royal Porthcawl Golf Club, son of the legendary Welsh rugby star JPR Williams, by 8 & 6. "It was one of those days when everything went right. I am thrilled to have won my first round so comfortably," said Seamus on Monday following his win. Seamus built on his successful first round effort, needing only 14 holes to dispose of Tim Chatfield from Wentworth Golf Club by 6 & 4 in the second round. Seamus then produced yet another spectacular performance for the third consecutive day to storm into round four (the last 32) on Wednesday. The 18-year old International overwhelmed Italian Joon Kim by 6 & 5 meaning he had only played 39 holes to achieve his three victories. "I felt great and really played some awesome golf, I did not give Joon a chance", Seamus said after his bogey free round which put him through to meet fellow Irish International Shane Lowry from Esker Hills in the last 32. Unfortunately Seamus's great run came to an end on Thursday morning when Shane came through after a close match to win 2 & 1 to advance to the last 16. While Seamus will be

somewhat disappointed to lose out at this stage, he can feel proud of his efforts in Hunstanton and certainly all at West Waterford are proud of his achievements in the last week. Well done Seamus.

### JACK LYNCH MEMORIAL TROPHY

Our Jack Lynch team gained their third victory in this annual event played between the three local golf clubs on Monday evening last. Vice Captain of West Waterford and team manager Ollie Broderick had his panel fully tuned up to score a resounding victory and following this win Ollie's name is in the hat for several managerial positions in the coming year so 2006 promises to be a very busy year for Ollie!

Following the matches at the three courses the players headed for Johnny Lynch's hostelry, The Parrish Bar where Johnny had food laid on for the participants and discussions and post mortems galore ensued.

Many thanks is due to Johnny Lynch for his continued sponsorship and support of this great fun event between the 3 local Golf Clubs, which is in memory of his late father who was twice Captain of Dungarvan Golf Club.

### Forthcoming Events

# Outrage As Two-Hundred Children Set To Lose School Bus Service

BY KEVIN KIRrane

The Government has reached a new low by deciding to throw hundreds of schoolchildren off bus routes in County Waterford instead of buying additional buses, according to a Fine Gael county councillor.

Up to two hundred schoolchildren in County Waterford will be denied school transport because the Government is to phase out the three-for-two seating arrangements on school buses without backing the plan with proper investment.

Councillor Mary Green strongly criticised the lack of investment, saying parents are outraged at the situation.

"I am being flooded with calls from angry and concerned parents across County Waterford," she said.

"St. Declan's Community College in Kilmactomas has over fifty affected students. Many had just bought new

## GOVERNMENT HAS REACHED NEW LOW - SAYS CLLR MARY GREEN

school uniforms, only to be told that school transport would only be available if they swapped to a different school."

"Some families simply do not have the means to take their children to school, many families in rural Ireland do not run a second car."

### EXCLUDED

The policy, which will be phased in after September, was introduced in an attempt to address safety matters in the wake of the horrific Meath school bus crash.

Under the plan, 'concessionary' pupils (those who live just within the three-mile limit from a school) will no longer be entitled to school transport.

These controversial measures will also affect primary school children.

"In fact," councillor Green added, "I was contacted by a very upset mother in my area who was informed by Bus Eireann today that they will not be able to notify her until September 2nd whether or not they can continue to take her

eight-year-old child to his local parish national school, the same school he has attended since he was four.

"Initially the parents decided to send their son to this school because it had a bus pick up point near their home and although the school is in his parish, the catchment area school is in the adjoining parish.

"This boy is due to start third-class and he is very happy and settled in his school. The family do not have a second car, and are dependent on the Government's school transport service."

### GALLING

The Suir electoral area councillor, said the "galling aspect" of this whole situation is that although Bus Eireann could accept the concessionary fee, they cannot say whether or not this child will be transported to his school.

"I personally had the view that the Minister involved Mary Hanafin TD would intervene when she returned from holidays. Unfortunately, today I heard her reiterate on national radio that there would be no such intervention.

"Parents have always had a certain amount of choice about where they send their children to school. The government is now telling them they can no longer choose. But the most arrogant feature is that the Government claims to be addressing safety issues while forcing thousands of school pupils onto dark country roads in all weathers. This decision is truly despicable."

### DEPARTMENT RESPONSE

However a spokesperson for the Department of Education said concessionary passengers have never been guaranteed seats.

"The only thing that is changing is the basis on which seating capacity is calculated (one child per seat rather than 3 children per 2 seats) and this is a positive development."

"Concessionary passengers will continue to be offered seats on the school bus where spare seats are available for them on a one-child-per-seat basis rather than on a 3 children per 2 seats basis as heretofore," the spokesperson said.

"A significant number of extra buses are needed already, and are being brought into the fleet as quickly as possible, to ensure that students who are eligible to a seat are given one on a 'one child per seat basis' by the end of next year.

The purchase of buses, the Department said, is part of a 25 million euro package which was announced two weeks

# €1m Investment In Broadband Access In West Waterford

CONTINUED FROM FRONT PAGE

with the help of Waterford County Council. As a result of that Ardmore Technologies has been offered grant-aid to roll-out broadband into 15 different communities in County Waterford."

### WELCOME

Fianna Fáil TD Ollie Wilkinson welcomed the announcement saying households and small industries will soon have instant access to the internet for an affordable flat-rate monthly

fee.

"The new access should spur more companies to invest in Waterford and ordinary households will get fast and affordable internet access without taking up the regular telephone line."

"Creating high-capacity backbone infrastructure for broadband is key to putting our rural communities on the technological map. It secures their future through job creation and investment and allows ordinary households to tap the informa-

tion age," Deputy Wilkinson said.

### NEEDED IMMEDIATELY

Councillor James Tobin, FF, who pushed for rural broadband connections as Chairman of the South Eastern Regional Authority, also welcomed the news.

"It's a very welcome development. It's needed immediately because I feel myself that when broadband was introduced first it was only introduced to the major towns and it's about time that it is spread out into small towns and rural areas as well.

"I would hope that the rest of West Waterford will be connected to broadband as well. This technology is the first thing that companies looking to set up in a town now consider - so it's very important from an economic and development point of view," Cllr. Tobin added.

### RADIO TECHNOLOGY

The system will use radio technology, and offer a connection at 29.99 euro a month. In addition, a number of packages are available from unlimited voice access calls in Ireland for 9.99 euro, UK for 19.99 euros and Worldwide for 25 euros.

The fifteen towns and communities are as follows: Tallow, Ballyduff, Cappoquin/Melleray, Stradbally, Affane, Villierstown, Aghlish, Clashmore, Ardmore, Grange, Piltown, Ring, Old Parish, Kilmactomas and Portlaw.

The company hope to have 1,000 subscribers in the first phase. The investment will also see Ardmore Technologies increase its number of staff from 22 to 27.

# Jason Turk Wins Richard Kind Cup

Jason Turk, from Knockanore, won the highly-esteemed Richard Kind Cup at the recent Ringaskiddy Youth Festival. # Farmers Urged To Be Vigilant Of Bogus Contractors

By Kevin Kirrane

Farmers and rural dwellers have been urged to be "extra vigilant" of bogus contractors calling to their properties by a leading farmers organisation.

Thomas Ahern, chairman of the ICMSA, issued the warning last week, following a spate of burglaries in the past few months, including the attack, which led to the death of Tramore farmer and race-horse breeder, Dick Forristal.

Burglars are constantly watching farms and homes waiting to strike, he warned.

"These people have no business with you and they have excuses when they come to the door," he said in a countywide appeal made on WLR FM in which he called for everyone to be extremely cautious of callers.

"They are only looking to see what's in your yard or your home. A van could drive into your yard and you'd have a chat with this person. They're only looking around."

"How many people will come back to their homes days later to find everything grand?" Mr. Ahern asked. "People are being watched morning, noon and night."

He issued his warning a matter of weeks after a recent crime survey by Fine Gael Deputy, John Deasy showed that thefts and break-ins are a major concern in the city and

county areas.

Almost have the respondents described the Garda presence in their areas as non-existent, and 49% said they or a member of their family had been a victim of a crime in the last five years.

## Causeway Tennis Notes

We are looking forward to the coming weekend when the Causeway Open Veterans Competition is being played. It is one of the most popular and sociable Veterans Events on the Tennis Calendar. Some games may be scheduled on the Friday evening but the competition will start in earnest on Saturday morning. There is a big entry with participants coming from all the neighbouring clubs as well as from Tipperary, Cork, Kilkenny and Dublin. It will be a great weekend of tennis and well worthwhile dropping in to support the event.

We are also running a Club Veterans Mixed Doubles Competition in conjunction with the Open Veterans Event. We are scheduling the first round of matches on Friday evening. Anyone interested in playing in this event can contact Nial Herlihy.

# The Park Hotel Sports Star

The Park Hotel Sports Star of the month for July is David McCarthy, West Waterford AC and St Augustine's College star young athlete from Ballinamult. During the month of July David was picked on the Irish team to compete in the European Youth Olympics in Italy. In a closely fought race David was pipped in a photo finish, and took home a 800m silver medal from Lignano, Italy. David was presented with his second monthly Park Hotel award at a celebratory luncheon on Monday last, by Mark Hourigan, Park Hotel. In attendance

were his dad Laurence mother Rose, sister Lorraine, Antoinette O'Brien, Chairperson West Waterford AC Juvenile Club, Mary Ashe, Secretary West Waterford AC, and members of adjudicating panel.

**At the award presentation were (l. to r.) Antoinette O'Brien, Chairperson West Waterford AC Juvenile Club, Mark Hourigan (Representing the Park Hotel), David McCarthy and Fr.Pat Moran, Adjudicator.**

## Ardmore A.F.C. Notes

**BOLGER CUP**  
**Ardmore 5 Blackwater 3**  
 Ardmore served up eight goals in a typical first game of the season. It was obvious both sets of players were struggling to find their feet. Hence there was a lot of miskicks, some poor control. One man who found his feet pretty quick was Denis Flanagan who scored four and assisted with the other scored by Wayne Hennessy. We led three nil at the break. Blackwater came back to make it 3-2 but we came out on top by adding two goals to the opposition's one.

The management used this game to give a few young lads a game. Besides Denis Flanagan, Declan O'Reilly and David Hennessy showed well. It was also nice to see Paddy Gallagher back in the Ardmore shirt after his time in Australia.

**NEXT SUNDAY**  
 Next Sunday in the Bolger Cup 2nd Round we play Accrington Celtic at 4 pm.

**PADDY MAC**  
 Paddy Mac, our main sponsor for the last ten years as everyone knows by now left the business. On behalf of the club I would like to thank Paddy and Sandra for all the support they gave us down through the years when we won the glorious treble 2 seasons ago. We wore the name Paddy Mac's across our shirts with pride. We wish Paddy and Sandra the very best of luck in the future. We hope whatever road they may take, that it's a happy one. We will still be wearing Paddy Mac's name on our shirts this season on occasions.

# Cunnigar Pitch And Putt Notes

## CHAIRPERSONS DAY

This day belonged to Wyn Colligan who over the past 3 years has put the Cunnigar Pitch & Putt Club back on top.

The turnout of 40+ members of men, women and juveniles showed Wyn the respect she has for all of the work she has put into the club.

It was a lovely sunny day, Wyn thanked everyone for coming as the money collected will be donated to St. Joseph's Hospital, and thank you to all of the people who organised the day. It was a 3 ball Scramble and 1st nett went to Lizzie Burns, Jimmy Quinn and Jordan Duggan. 1st gross went to Corinne McGee, Francis McCarthy and Dean Moroney.

Well done to everyone who played.

The next main event will be the Presidents Day on the 28th August at 10.30 am. As you all know Francis McCarthy is our President and I know you will all want to support him.

Just a reminder that the Juveniles tournament has begun, 11.30 am Monday mornings, all are welcome.

Next committee meeting 25th August at 7 pm sharp.

## Ballyduff Community Council

August monthly meeting of Ballyduff Community Council took place on Tuesday 9th last with a good attendance present.

Stage lighting is now in place in St. Michael's Hall, and has been operational for the current Booleyhouse Season. This project was part funded by grant aid from Waterford Leader Partnership Ltd. and will be a great asset to the hall.

Following the recent subcommittee work with regard to the "CareDoc" facilities in West Waterford, no major changes will happen to the current system at present. The proposal to have a clinic based in Lismore is not an option. In the near future the Fermoy based "South-Doc" system will become operational and this will at least give Ballyduff area an option nearer than Dungarvan for medical service.

The local community care group had their Summer day trip recently. Over forty people enjoyed the day out in South Tipperary which culminated in good social evening in Goatensbridge.

Preparations are now well under way for this weeks Harvest festival which kicked off on Tuesday night with a card drive. See full feature elsewhere in this issue. Much help will be needed to make the weekend a success, so if you have time to spare please come along and give your name to Pat Kenny or Noel Hayes.

A discussion also took place on the recent letter from Bishop Lee regarding proposed changes to mass times and grouping of Parishes in the Diocese due to falling numbers of priests. Many people expressed various opinions, and this subject will be discussed again both locally and at future community council meetings.

Votes of sympathy were expressed to families of the following people who passed away recently, Ellen Moroney, Dan Douglas, Nell Joyce, Michael Keane and Eileen Dooling.

## Ballinameela Notes

**COMMITTEE MEETING**

Thursday night's committee meeting is cancelled. Committee members will be informed of the rescheduled date when an overall plan for the Autumn and Winter use of the Community Centre will be drawn up.

**SYMPATHY**

Sympathy is extended to the Walsh Family, Knocknaskeigh, on the recent death of Kevin Walsh. May he rest in peace.
