## Vandalistic Attacks Put Amenity's Future In Doubt

BY KEVIN KIRKANE

The Committee of Cunnigar Pitch and Putt Club are to meet with Gardai on Friday in an attempt to stamp out ongoing incidents of vandalism and anti-social behaviour which are threatening the very survival of the club at its grounds in Ringnasillogue in Dungarvan.

The meeting comes after the latest incident of vandalism on Friday night last, when eleven of the clubs twenty-three greens were destroyed. Committee members believe that it may take anything up to a year to bring the greens back to their normally pristine conditions at an estimated cost of up to

## EASTERN EUROPEAN PROPERTIES

# Local Dungarvan Company Specialising In The Budapest Property Market

Given the current level of domestic house prices it comes as no surprise that Irish interest in overseas property continues to grow - intrepid Irish investors are now in the top 3 of European investors - spending eur3.9bn in EU mainland countries in 2004. Those investors looking towards Eastern Europe have found the opportunity to "turn back the clock". Taking Budapest as an example, the capital city of Hungary can be compared directly with Dublin back in 1994 - not only in terms of property prices but also economically. Downtown city centre apartments in Budapest can still be snapped up at a quarter the price of an average EU capital city apartment and with Hungarian eyes firmly fixed on the introduction of the euro once EMU criteria have been met, the future picture looks promising. Hungary will follow the same path that Ireland, Spain and other eurozone countries have taken and should see the same results.

There are many accession countries of course now in line and awaiting the euro - so which is the best? Why do

so many Irish investors choose Budapest? This major EU capital city of some 2.2 million has a stable economy which is amongst the strongest in Eastern Europe. In fact some 30% of all foreign direct investment into the whole region goes to Hungary, with 70% of this going to Budapest. Hungary's capital city boasts an unrivaled transport infrastructure, including the oldest underground system in the world - and as price of property remains the most competitive in the region there are many reasons why Budapest's star shines the brightest in Eastern Europe.

With falling interest rates, bank's increasing confidence to lend and a local population with rising disposable income levels, the future for the Hungarian capital looks bright. In fact in Budapest today only 10% of the local average income is spent currently on buying residential property - indicative of the growth potential in Eastern Europe today. The mortgage market is beginning to open up and is rapidly developing but this is not yet reflected in property prices. As more and more credit is introduced into the system; liquidity

and circulation of money flow will increase. Add to this a falling interest rate and increasing competition amongst the banks in Eastern Europe, we are sure to see a correlation between increased lending and property price growth.

Eastern European Properties are a local Dungarvan company specialising in the Budapest property market. We will be happy to arrange a consultation to discuss the opportunities available or indeed to meet with you at any of our property exhibitions or

Valerie Power and Caroline O'Malley of Eastern European Properties

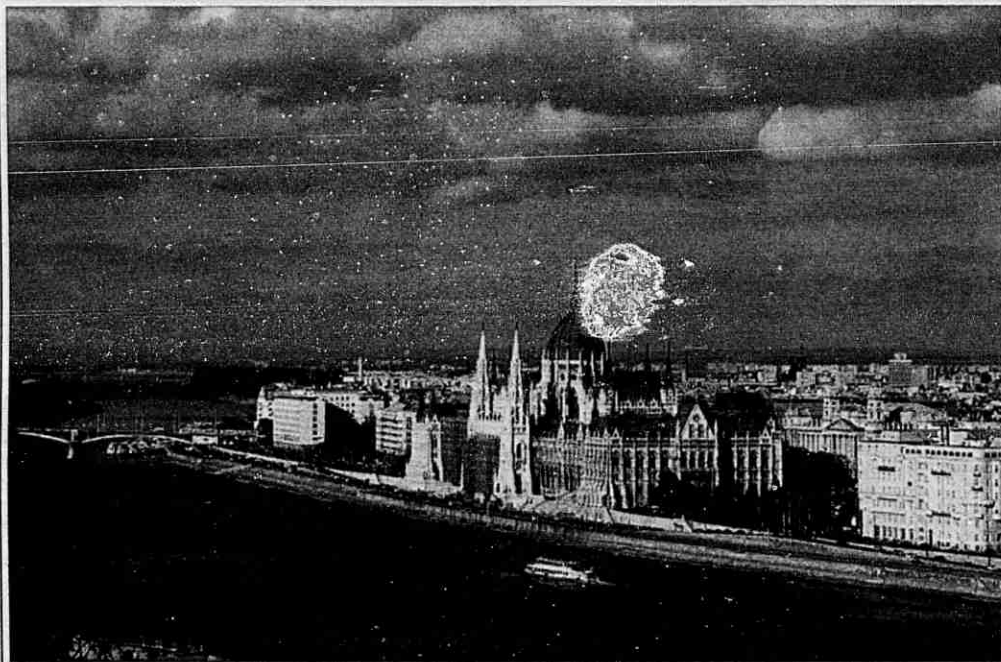

seminars throughout the country.

EEP specialise in the restoration of classic apartments in the heart of Budapest. Investors have the opportunity to purchase an apartment in the best city centre locations, apartments are in most cases in need of renovation - therefore investors are buying at rock bottom prices. Three teams of builders are employed full time to ensure that client's apartments are renovated immediately upon demand. The renovation work is completed to an EU standard and fully guaranteed. The turnkey service provided includes a interior design furnishing package and rental and property management support.

EEP can now offer 100% finance in Hungary for a second property - whether investors are starting a portfolio or already own a property in the city. For a first time buyer in Budapest between 50%-70% finance is available.

Eastern European Properties are holding an information seminar at The Tower Hotel in Waterford on Sunday 11th September at 3pm. The seminar equips investors with the knowledge to identify the best markets for investment. The seminar will be of interest and informative to anyone considering property investment - the same rules apply whether your investment be in Ballinacourty or Budapest! The seminar's presenter, Ronan Campbell, has some 8 years experience in the property markets of Eastern Europe and is one of the foremost commentators in this market. Property exhibition 12pm to 6pm. ## Over 18 Events Will Take Place In Waterford To Celebrate Heritage Week

A full list of events taking place in Waterford is available on [www.heritageweek.ie](http://www.heritageweek.ie). Events taking place include free admission and guided tours to a number of heritage sites, a free concert for families at Christ Church Cathedral, a re-enactment at Tallow Town and exhibitions throughout the country.

A new website [www.heritageweek.ie](http://www.heritageweek.ie) was launched by Mr Dick Roche, T.D., Minister for the Environment Heritage and Local Government to promote Heritage Week which runs from 4 - 11th September. This year over 500 events are taking place throughout the week. There is something taking place in every county and most activities are free of charge or offer great value for money.

Each year many national and hun-

dreds of local community organisations participate by organising events throughout the country. There is something to appeal to almost everyone and the main aim is to build awareness of our built, natural and cultural heritage.

Everyone is encouraged to get involved and activities range from guided tours and lectures, to music recitals, historical re-enactments, art exhibitions and craft demonstrations. Many heritage sites and stately homes will offer free admission or special concessions. Further information about events is available on [www.heritageweek.ie](http://www.heritageweek.ie), from local authority heritage officers or by calling Callsave 1850 200878. A full listing of events is also available from local libraries.

"Heritage Week is a week-long celebration of who we are and where we've come from", said Michael Starrett, chief executive, the Heritage Council. There's an event to suit everyone and we would encourage everyone to take part and do something during the week to celebrate our rich and unique heritage.

Check out all the wonderful events on the website or simply spend a little time reading about our heritage on [www.heritagecouncil.ie](http://www.heritagecouncil.ie).

Heritage Week is part of European Heritage Days, a joint initiative of the Council of Europe and the European Union. In Ireland, Heritage Week is coordinated by the Heritage Council in conjunction with the Department of Environment, Heritage and Local Government.

# Dungarvan Loses Litter-Free Status

**By Kevin Korrane**  
Dungarvan has lost its "litter-free" status and slipped twenty-three places in the latest Irish Business Against Litter league table.

The results from the IBAL summer survey, which was conducted independently by An Taisce, show that Dungarvan has dropped from 7th to 33rd place in a list of fifty-seven towns inspected.

The spectacular collapse in standards apparently took place in the space of just three months when Round One of the 2005 Litter League named Dungarvan as one of twelve litter free towns in Ireland.

Reacting to the announcement, Independent councillor Michael O'Riordan said the results are very disappointing.

"I think we have to look at all the developments which are taking place in Dungarvan," he said. "Dungarvan is one of the most thriving towns in Ireland at the moment. And one has to

look at the developments in the Shopping Centre site and O'Connell Street and maybe that could be the cause of our woes.

"Having said that, Dungarvan is one of the few towns in Ireland without a Tidy Towns Committee. There are places where we can be more vigilant and more active. If you take the roundabouts around town they're beautiful, but at a place like Shandon Bridge you can see the weeds growing over the walls on the sea-front."

For the towns Litter problem to be tackled effectively he believed an all-out effort must be made by the Traders and Businesses in conjunction with Dungarvan Town Council.

"The Town Council can only do so much by itself," Cllr. O'Riordan said. "If we had a Tidy Towns Committee like they have in Lismore or Stradbally where people can take turns once a week or once a fortnight to pick-up litter we could go all out to win the

competition." However, Mayor of Dungarvan, Cllr. Fiachra O Ceilleachair questioned the criteria on which the town was judged.

"Obviously any initiative that improves the environment of Dungarvan we have to take an interest in, such as the IBAL initiative. But the adjudication of these things and indeed the adjudication of the Tidy Towns competition are not clear in regards to what criteria that are used.

"I think that Town Council has been worthy of praise for the various initiatives at the roundabouts and so on. And a lot of cleaning up has gone on in the Town Centre as well and that has not been taken into account," the Mayor said.

"But maintaining as much of a Litter Free Status as possible on an ongoing basis is a challenge – not only for the Local Authority but for the businesses and the wider community in Dungarvan and Abbeyside."

There was a big group at the hall on Friday the 26th. We said goodbye to several of our regular members who are starting school this week. Baby Luke was the centre of attention as he made his first visit to the group.

We would like to invite any parents or carers with young children to come along any Friday morning to meet the group and check out what we do. It costs 2 euro per family with a yearly membership fee of 5 euro. The group is on from 10.30 to 12.00 in the Modeligo community hall. All are welcome.

# Dungarvan No Name Club

**(TEENAGE FUN WITHOUT ALCOHOL)**

**CLUB TOUR TO DELPHI**

Last week the No Name Club headed west for a three day tour. On Sunday 21st August a coach load of happy Junior Leaders along with five adult members left Dungarvan for the Delphi Adventure Centre in Leenane, Co Galway (Actually in Co. Mayo). The weather looked dodgy as we drove to Delphi. After several stops at Supermaacs along the way we landed at our destination at 3:00 p.m.

Immediately on arrival we were whisked off to nearby Silver Beach for a brilliant surf boarding session. The weather picked up and the comments were flying as we changed into our wet suits. The water was actually warm and the waves were great. Everybody enjoyed the session immensely, Alex, Simon and Roisin managed to harness some good waves. Zane was delighted with his 1.5 second spin. The experts told us that it has been a poor summer for surf waves but we certainly struck a good day and had plenty. After the surfing we returned to the Centre where we devoured our tea and followed up with a movie and a chill out session in the centre. Then we hit our bunks for a well deserved sleep. What happened next was like a scene from Malory towers. The Dungarvan Gang wanted to party some more and the Delphi Supervisors wanted everyone quiet in their rooms. After two hours of Supervisor dodging we eventually got to bed at 1:30 a.m.

Monday morning dawned early (incessant wake up calls at 8:00 a.m.). The sun was shining and only then did we realize the extent of the beautiful countryside around us. We were bang in the middle of the Connemara Mountains in a Pass between two mountains which swept down to Killary Harbour. To say we were remote is to understate the situation. How were 40 of us going to survive for three days without mobile phone coverage. Monday was all about activities in the forest. We went rock climbing (a 40 ft vertical tower), abseiling (do you remember it Clodagh?), did

an obstacle course (ask Farmer how much Orla won by) and we tried Archery (Sarah Jordan has changed her name to Robyn Hood). All the activities were excellent but the daddy of them all was a monster Zip-line which stretched for a quarter of a mile down the mountainside and terminated over a lake. Maurice, John O and Brendan tried it upside down. It was some sight to see the different reactions of the gang when they had to jump off the 30 ft tower and launch themselves into thin air. Even the adults joined in and we were all knackered by the time teatime arrived.

After tea we went to the Sports Hall for an evening of games. We had more wall climbing, volleyball and even tug-of-war. We completed the session with the greatest game of Dodge-ball ever played. Michael Dunford came into his own here, where does the man get his energy from? The adult members had negotiated some extra leisure time for us before bed and Amy and Orlagh organised things so that all was set up for a music session. What followed will go down in the history of all-time great sessions as the music and craic flowed for hours until the early hours. Masterful music was provided by Maurice, Ross and Barry. Even the previously feared Delphi supervisors joined in. The girls were particularly attentive to an impish Walsh guy named Dan - I think it was something to do with the way he strummed his guitar. The two adult Mikes sang, Donal and Paudie guarded the mic, Roisin swept the floor and even Audrey danced. By the time we were finished everyone in the centre was where it was all happenin' at the No Name Session. Eventually we retired for a few (about 2) hours sleep after an exhausting and exhilarating day.

On Tuesday morning it was time to hit the water again. We went to Killary Harbour for Kayaking, Rafting and lunatic Pier jumping (Aine's speciality). Thank God for wet-suits, good instructors and more warm water. Then it was back to the centre and we had to say

goodbye to Delphi.

On the way home we stopped off and met up with some other No Name Club members from Connaught who were attending to the needs of 200 seriously ill children in a week-long camp organised in Galway by the Share-a-Dream Foundation. We learned about another side to life. The Adventure Centre was brilliant but there are many thousands of young people in Ireland who do not have the health to enjoy such activities.

We arrived back in Dungarvan late on Tuesday night. Everyone was exhausted but happy (Darren slept 'til 5 the following afternoon - Is this a record?). The trip was a resounding success and we all wished it could have gone on for longer. Now, where shall we go next year?

**BEACH PARTY A GREAT SUCCESS.**

On Wednesday night last we held our Monster Beach Party disco in Davitt's. We pulled out all the stops in creating a Beach atmosphere. The crowd numbers were up and everyone enjoyed a great party. Everywhere one looked there were palm trees, one big one even decorated with fairy lights.

A noticeable feature of this disco was the number of new faces to be seen. Particularly welcome were the gang who travelled in the bus from Tallow.

The ice-cream stall was a big success and enjoyed good business throughout the night. The limbo dancing contest proved to be a highlight of the night. After a keen competition Emma Skelly (Carrick-on-Suir) and Gavin Flynn (Ballyduff) were successful and each won a stereo system. We are grateful to Irwin's Electrical, Dungarvan for sponsoring these prizes.

Throughout the nights we had prizes and giveaways. All in all it was a great night to end our first season.

**BACK TO SCHOOL-END OF YEAR**

It is that time of year that everybody loves, the end of the Summer Hols and returning to school. For No Name it means that we are about to recruit new members for the next year. We will be visiting all the schools in

Dungarvan over the next few weeks. There is no meeting of the Youth Leaders this week. (We exhausted the poor dears last week). The adult members are meeting to discuss recruitment and the upcoming Graduation night which is the very last activity for the Class of 2004/05. All current Youth Leaders and their parents are invited to Lawlor's Hotel on Friday 23rd September for the Graduation.

# Drift Net Fishing Hits Blackwater Salmon Stocks

## Thousands of Euros of Tourism Revenue Being Lost

**By Kevin Kirrane**

West Waterford is losing hundreds of thousands of euros in revenue from tourism because drift-net fishing has reduced the salmon stock in the River Blackwater to an all-time low level. Several hundred tourists visit West Waterford each year to fish the Blackwater, which is internationally renowned as a salmon river.

But hotels and fisheries are ex-

pressing serious concern about the fall in the number of visitors this year. "June always used to be one of our busiest months," Ian Powell, proprietor of the Blackwater Lodge Hotel said.

"But the actual catch figure for June this year, is probably something like 20 to 25% down on what it would have been 5 or 10 years ago."

"There are two impacts of drift-net fishing. One is the

number of fish caught and the other is the number of visitors. It is an absolute fact that the number of fish running at the time when the official netting season is on is much lower than it was even last year."

"People from abroad know that Ireland is one of the very few places to allow netting of salmon," Mr. Powell added.

"And the attitude now is that if they aren't going to do anything

about it, then we aren't going to come here."

Patrick Devennie, fishery manager at the Fort William Estate, about 2 kilometres from Lismore, says the depletion of the salmon stock is resulting in a loss of hundreds of thousands of euro in tourism revenue to the area.

Since 2000, Fort William has lost 91 tourist anglers because of the lack of salmon.

# FEELING DOWN

Everybody feels down from time to time, but for hundreds of thousands of people in this country, depression is a day to day reality which is much more debilitating than the occasional low mood.

Of course low mood is often the most prominent feature of depression, but there are numerous other common and distressing symptoms. Many people who suffer from depression have low self esteem and negative or irrational thoughts, and in more severe cases, individuals may experience delusions or even contemplate suicide. Sufferers often have very low energy levels, poor memory and concentration, and experience much less enjoyment of activities they used to love. Sleep disturbance is also a very common feature.

Physical symptoms are often present with depression. These may include muscle pains, constipation, reduced libido, poor appetite and weight loss (or in some cases weight gain due to comfort eating). Some people find their perception becomes less intense and they develop very slow speech and movement, while others can feel anxious or full of rage.

The medical approach to the treatment of depression usually involves the use of drugs known as SSRIs (selective serotonin re-uptake inhibitors) such as Seroxat. These drugs work by increasing the availability of serotonin (an important chemical messenger in the brain) which in turn increases nerve impulse transmission. This is an effective form of treatment for some, however many people experience very unpleasant side effects such as headaches, anxiety, insomnia, excessive sweating, palpitations, and sexual dysfunction.

If used for long periods, antidepressant drugs can lead to exhaustion as the nerves are forced to keep firing beyond their usual capacity. Many people also experience problems when trying to reduce the dose, and some find that the depression returns when they stop taking the tablets. Perhaps of most concern are the findings of a recent study which reported an increased risk of suicide among people taking SSRIs. Therefore, many people are now seeking a safer, more natural approach to the treatment of depression.

The most useful herb for this condition is St. John's wort, which is available on prescription from Medical Herbalists and GPs. St. John's wort has been found to be equally as effective as modern antidepressant drugs in the treatment of mild, moderate and even severe

depression, but unlike most modern antidepressants is not habit-forming and has a very low incidence of side effects. As well as being an effective antidepressant, St. John's wort is also a nerve tonic which helps to prevent symptoms returning after treatment is discontinued.

Medical Herbalists use extracts of St. John's wort which are of high quality and considerably more potent than those which were previously available over the counter. Additional herbs are chosen depending on the particular symptoms being experienced, and a unique blend of ingredients is prepared to suit the unique needs of the individual. For example, agnus castus is useful for depression which is due to hormonal imbalance, while rose can help with depression due to bereavement.

For those who experience lack of energy and poor concentration, ginkgo biloba is an extremely effective part of the treatment. Valerian and passionflower are useful for people who experience anxiety and sleeplessness, while skullcap is good for negative thoughts. Herbs are also available which can help to relieve the physical symptoms of depression. Useful supplements include vitamin B complex and essential fatty acids, both of which are necessary for a healthy nervous system.

If you think you may be suffering from depression, herbal medicine can be a very effective form of treatment, but it is essential to seek the advice of a qualified practitioner. If you are already taking antidepressant medicines, it is important that you do not make any changes to your medication without the assistance of your doctor. Ideally, herbal treatment should begin before you start to reduce the dose of antidepressants.

## Dungarvan Dramatic Club Looking Forward To Returning To Their Home

Members of Dungarvan Dramatic Club are delighted with the recent news from Dungarvan Town Council that the old Town Hall on Friary Street in the town will be refurbished to house a new town Theatre. This news comes as a welcome surprise after the disappointment of the announcement in April last that funding was not available for the project. A committee comprising of many Dungarvan Dramatic Club members has been actively campaigning for the last number of years for a theatre in the

town. In fact this has been on the club agenda for quite a number of years, as detailed in the minutes of club meetings held way back in the 1950's! The former County Manager, Donal Connolly, was fully behind such a project in recent years, and we are delighted that the new County Manager, Ray O'Dwyer, is continuing this support. The club is also appreciative of Town Clerk Joe O'Flaherty's sustained efforts for this development. A look back at the club's histo-

ry shows that the first meeting of the Dungarvan Dramatic Club was held in the Town Hall in 1941 and many of the club's earlier productions were staged there. In recent years, the club has had to avail of the facilities of local hoteliers and educational institutions for rehearsal and production space, adding to the already complicated task of staging a production. "We look forward to returning to the club's old home and hope that the facilities of a dedicated theatre in the town will be fully-used by all drama and arts groups in the immediate area. As well as allowing Dungarvan and other dramatic clubs more scope in their choice of productions, this facility will also allow us to invite dramatic groups from other regions and indeed overseas, to perform for the Dungarvan audiences, thereby broadening the range of cultural experiences available" said Dungarvan Dramatic Club President, Des Feeney.

The sub-committee of Dungarvan Dramatic Club responsible for campaigning for a theatre in the town will continue to liaise as requested/appropriate with the Town Council on issues pertaining to the design and usage of the new facilities and we look forward to entertaining our loyal audiences for many years to come in the new Dungarvan Theatre.

# CENTRAL AMERICAN CIVILIZATION

The three great civilisations of South American were the Incas, the Aztecs and the Mayas. The Mayas were a major tribe of South Americans who established an amazing civilisation in Central America from the 3rd to 9th centuries A.D. The Aztecs settled in the central valley of Mexico from around 1200 where they built up a powerful empire. They were defeated by the Spanish in 1521. The Incas who had migrated from Peru in 1250 ruled a great empire in the Andes from 1438 up until the Spanish conquistador Pizarro arrived in 1532 and destroyed the Inca civilisation.

### The Aztecs Invented Chocolate

The Aztecs used to make a chocolate drink from ground cocoa beans and honey, flavoured with spices. Chocolate was taken back to Europe by the Spanish and our word 'chocolate' comes from the Aztec name for their drink - chocolatl.

### The Inca Empire

The Inca Empire reached from the middle of present day Chile right up to the north of Ecuador some 3,200km (2,000mi) away.

### Mayan Astronomers

The Mayans are famous for their great knowledge of astronomy and mathematics. They built observatories on the top of buildings, like the royal palace at Palenque, so they could study the heavens.

## DID YOU KNOW?

The Pyramid of the Sun, built in the ancient American city of Teotihuacan, is almost as big as the Great Pyramid at Giza!

The Aztec city of Tenochtitlan was five times the size of London, and had canals, aqueducts and a zoo.

The Maya built enormous sports arenas and manufactured rubber balls to play games with.

TO keep their Gods happy, the Aztecs sacrificed thousands of people by cutting out their hearts.

The Inca had a social security system, where people paid their taxes to help look after the poor!

The Inca built over 11,000 km (6,864mi) of roads, as straight as those of the Romans, complete with magnificent suspension bridges!

## Congratulations

Mary Street Traders would like to congratulate Albert and Patricia McGrath, on the birth of their first child, a baby boy.

# Vandalistic Attacks Put Amenity's Future In Doubt

**CONTINUED FROM  
FRONT PAGE**

to an area outside the town.  
"The saddest thing about all this is that, this area was given over as a play amenity by (former County Manager) Dan Hurley in 1990. And the club was put in place for people who maybe couldn't afford to play in golf clubs or who were from poorer backgrounds," President of Cunnigar Pitch and Putt Club, Francis McCarthy said surveying the damage on Monday last with several other members of the committee and local representatives. "They're the very ones destroying it."  
"The fact of the matter is the club can't sustain the type of damage that's happening. This is going on constantly. It's a question of what we are going to do to stop it."  
"The obvious answer is to relocate to an area outside Dungarvan. If the Town Council has some land we might be able to make the move. But I can't see us having a future here unless something dramatic changes."

**ONGOING  
PROBLEMS**

The seven-acre course is regarded as one of the best in Ireland and one of the hardest play. The club currently has

around 70 active members and a total membership of close to 150 with players coming from as far afield as Ballymacarby, Portlaoigh, Kilmacthomas and Waterford City.

But the ongoing problems has left the clubs survival in jeopardy. Last year, members of the voluntary committee were forced to fundraise for new security measures to stop break-ins at the clubhouse.

Thousands of euro worth of damage had been caused to the building itself and the greens machine. A total of 6,000 euros was eventually raised for steel shutters and reinforced fencing at the front of the clubhouse.

"Things have been bad here for a number of years," Club Chairperson, Wyne Colligan added, "but I would say in the last two or so years they've become a lot worse now than they have ever been."

"The Clubhouse is manned seven days a week from 11am to 5pm, so there's always someone to watch and make sure the juvenile players are safe. It is just devastating that when we provide this beautiful amenity, it's being treated in this way."

**DAMAGED**

Over the course of the past weekend alone, Club PRO Aiden Murray said, a number

of youths damaged the roof of a committee members car, while another car was broken into. A group of youths also threw golf balls and stones at the nearby Boxing Club, smashing the window.

However, it's believed the latest incident is part of a campaign by a number of older individuals. It's thought the same individuals were responsible for the destruction of the greens last year. The Scratch Cup - an important revenue raising event that attracts entries from around Ireland - was cancelled as a result. The latest event targeted the Presidents Cup with the result that the seventy-strong field had to play off on the twelve remaining greens.

"We are due to hold the National Junile Cup next year," Mr. Murray said.

"It's one of the most important competitions each year, and it's an honour for it to come to Dungarvan. How are we to hold it if, a couple of days before the competition, this happens again?"

**UNBELIEVABLE  
DAMAGE**

Fine Gael councillor, Damien Geoghegan, who together with Labour councillor Teresa Wright viewed the damage on Monday and set up a meeting

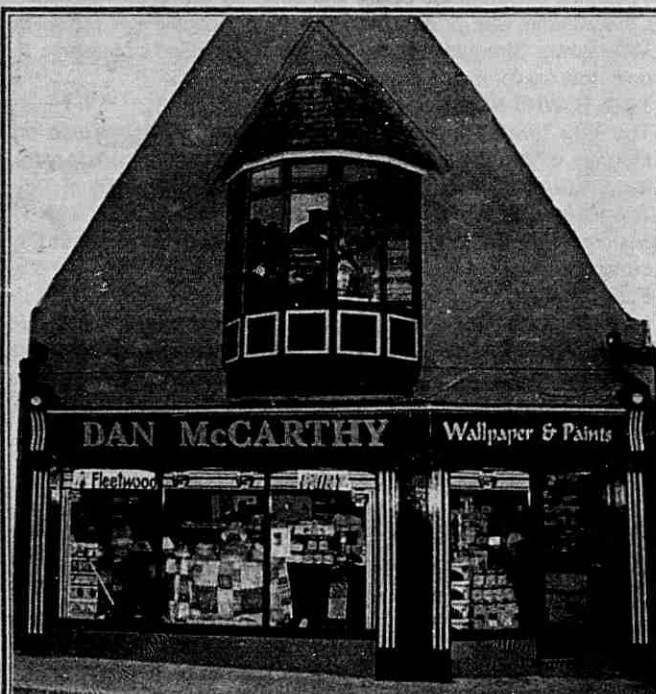

between the club and the Gardaí said the continual damage to the club was unbelievable.

"The reality is they can't sustain that type of damage on an annual basis. It needs to be dealt with once and for all before the committee loses interest."

"My overwhelming reaction would be one of anger," he told the Dungarvan Leader. "We hear lots of complaints from people about not having facilities for young people. Then you turn around and you see something like this happening. It just makes me sick really."

"If (those responsible) are juveniles, then their parents are going to be brought in and involved in it. But whoever's it needs to be stamped out. This is a public amenity. It's one of the best in the country. And they just can't sustain that type of damage to the course year in and year out. It's a voluntary committee. A lot of the work done down there was done through the good will of the people of Dungarvan."

He said those who have caused this damage will have to pay for their actions, and he said he was hopeful prosecutions will be brought.

## STRADBALLY NOTES

### SYMPATHY

Sincere sympathy is extended to Bronagh and Lar Power and the extended Power and Murphy families on the tragic death of Michael Power, Ballyvooney, Stradbally on the morning of 17th August. It is a big blow to the families and all of Michael's friends and workmates to mourn his departure from this life at the early age of nineteen years. Burial took place in the cemetery attached to St. Anne's Church, Ballylaneen after requiem Mass celebrated by new curate Fr. Martin Keogh in the presence of one of the largest crowd of sympathisers ever seen in Bally.

### FR. GREG

It was only a short few weeks since Fr. Gregory Power left Ballylaneen having spent eight years serving the parishioners of Stradbally, Ballylaneen and Faha in such a dedicated way. It was only fitting that a suitable presentation should be made to honour his departure and this has been done thanks to a number of people in each end of the parish who got a great response to their appeal. The presentation was made to coincide with another milestone in Fr. Greg's life as he celebrated his 80th birthday on Wednesday 31st August. We wish many more years to a priest who has already given a lifetime of service to people in a number of parishes throughout the diocese.

### WEDDINGS

It is not often that there would be two weddings in the parish on the same day but that is what happened on Friday, 28th August. In Holy Cross Church, Stradbally it was the marriage of Lisa Kenneally, Hillview, Waterford and Richard Collins from Dublin. The ceremony with Nuptial Mass was performed by Fr. Pat Fitzgerald P.P., St. Paul's, Lisduffgan, Waterford. The bridesmaids were Marie Kenneally, Karen O'Neill, Debbie Grant and Ruth Lavelle. The groomsmen were Mark Flaherty, Gary Brady and Alan O'Reilly. The pageboy was Shane O'Neill and the flowergirl was Jodie Rose Collins. The readers were Dorothy O'Connor and Carole Chester and the prayers of the faithful were shared by Sinead Kelly, Keith O'Connor and Aisling Devereux. The music was supplied by Josephine Walsh accompanied by Ben Brown and Elenor Grant. The reception was held in Clonea Strand Hotel and the happy couple will reside in the Comeragh's, Stradbally. On the same day the marriage took place in the Sacred Heart Church, Faha of Helena Kinane, Knockavilla, Co. Tipperary and Michael Ketch, Ballintlea, Leamybrien. The ceremony with Nuptial Mass was celebrated by Fr. James Purcell, Rosegreen, Cashel, Co. Tipperary, cousin of the bride. The bestman was John Ketch and Cora Kinane was bridesmaid. The happy couple will reside in Millerstown, Stradbally. Every happiness and God's blessings to both couples for many years to come.

### TIDY TOWNS NEWS

The Tidy Towns Awards ceremony this year will take place on Monday, 12th September in Dublin Castle. A note for the diary for local walkers and visitors who have supported the annual Tidy Towns walk for World Heart Day. The date for this year's walk is Sunday, 18th September. Further details will be available in the coming weeks.

### FLEADH CHOEL

Noel Clancy made the long journey to Letterkenny over the weekend to partake in the All-Ireland Championships. Noel collected the silver in the u-18 Melodeon, having qualified earlier in the year by winning the Waterford and Munster Fleadh Choel. In three years Noel has collect two golds and one silver on the National stage. A great achievement by this young talented musician. One should remember those who support Noel, notable his grandfather Tomás, and his parents Deidre and Tom who have put such effort into these achievements.

### COMMUNITY GAMES

Clair Crowley represented Waterford in the Ball throwing, u-12, at the Community Games in Mosney last Sunday, although finishing outside the medals Clair put up an excellent performance. Clair won the Waterford section in July, having earlier qualified at the Stradbally, Faha, Ballylaneen games in June. Mary and Tadgh, Clair's parents, are active in promoting our local games. Since the SFB community games committee was revived about five years ago we have been represented at all the games national finals.

In all about 100 children took part locally, the different disciplines Arts, Painting, Model Making, Athletics, Chess, Draughts, Swimming, Hurling, Soccer, Football, Rugby.

In 2003 and 2004 SFB have collected the prize for most participants in the County. Our AGM will be held later in the year and we are always asking people to get involved. Finally we would like to thank our sponsors and those who supported us during the year.

### SANTA CLAUS

I have been asked during the week, is Santa coming this year? Yes, been in connect with Santa's secretary and we have been penciled in for the first Saturday or Sunday in December. Difficult to keep in contact with this much sought after gentleman, the problem is, the snow peaks keep melting and Santa has to move to new home. Will keep you informed.

# Injured Wicklow Man Thanks Rescue Team

By Kevin Kirrane

An injured Co. Wicklow man who was airlifted to safety from the Comeragh Mountains issued a public thanks to all those involved in his rescue.

David Northey from Greystones, Co. Wicklow fell and badly damaged his ankle while walking on Coumshingaun.

David and his family had walked up the picturesque mountain for a picnic near the lake. "After the picnic I went for a walk around the lake with

my kids," he said. "I'm obviously not as agile as them; I fell quite badly onto my ankle on the large boulders around the lake."

"My ankle immediately assumed the size of a small football. I was unable to walk, and even crawling on all fours was very painful."

David immediately contacted his aunt, Alicia Browne, O'-Connell Street, Dungarvan, who set the wheels in motion for his rescue. "When the Coast

Guard helicopter arrived, it was suspected that my ankle was broken," said David describing the dramatic rescue operation.

"I was taken to Waterford airport where I was taken by ambulance to Waterford Regional Hospital. After X-Rays, it turned out that my ankle was not broken, merely badly sprained. My leg was strapped up and I was sent on my way on crutches."

David who is back to work as Principal Systems Engineer with

Microsoft Ireland went on to thank everyone involved in his rescue: "Alicia Browne for coordinating everything and keeping us informed of what was going on; everyone from the South Eastern Mountain Rescue Association for coming out to help me; the crew of the coast guard helicopter; the two ladies in the Dungarvan based ambulance who took me from the helicopter to the hospital; and the staff of the A&E department in Waterford Regional Hospital."

### Ballysaggart Community Festival 2005

The Ballysaggart Community Festival once again proved very popular this year with all those who attended each event over the weekend. The weekend kicked off on Friday evening with the ever popular Car Treasure Hunt, a good crowd was in attendance and the winners on the night were Sean Roche and company and in second place was Pat Bennett and company. The car treasure hunt was kindly sponsored by the Auto-grass and thanks to Billy Devine, organiser of the Hunt. The table quiz followed led by Quizmaster Edward Lynch, winners on the night were Bill Leddy and company and in second place was Breda Clancy and company. The quiz was sponsored by Willie Roche.

Saturday saw our young hurlers of the parish take to the field and

in the evening our junior boys gave a good display of hurling to our near neighbours Lismore. Lismore were eventual winners and the game was sponsored by Willie Hale. Music followed in Meagher's Bar by Mick Collins.

As Sunday dawned the weather certainly wasn't enticing, but the Lord provided and the rain cleared to a nice day. There was vintage tractors, cars and stationary engines in abundance and the thrasher sang a sweet tune with glasses of loose porter provided for those who got thirsty. A great day was had by all with the sports and bouncy castle for the kids and plenty of sideshows for the adults which included Tug O'War, Guess Who, Wheel of Fortune, Guess the Blocks in the Trailer, extras included Baby Show, Dog Show, Best Dressed Lady and Gent, Homemade Butter and Plant Stall. Thanks to our judges of the sideshows. For those who felt they wanted to loosen their legs with a waltz did so with music provided by the ever popular 'Pacific Blue'. A minutes silence was observed for the dead of the parish, to all those who died over the past twelve months and especially for the late Joe Roche who contributed greatly to the Ballysaggart Festival over the years and who inspired the return of the Vintage Rally to Ballysaggart last year. He took centre stage in the field over the years and even though he spoke soft and gentle, his voice never failed to capture the attention of those who listened. To round off the evening in the field, the exhibitors paraded their tractors and cars to a warm applause from the crowd. A new Perpetual cup was introduced to the festival this year for the Best Restored Vintage Tractor, the cup is the Joe Roche Perpetual Cup and was kindly donated to the festival by his wife Breda. The winner of the cup was the very proud Dan Lenihan.

The evening was rounded off with the Fancy Dress which was certainly enjoyed by all. Music followed in Meagher's Bar by Crystal Swing.

## Re-enactment of Irish National League Meeting in Tallow

At 5pm on Monday 5th September those attending Tallow Horse Fair will be taken back in time to the fire and furore of nineteenth century politics. The award winning Brideview Drama of Tallow will be re-creating a gathering of the Irish National League outside Tallow Library.

On a platform outside the Library J.D. Pyne, MP (1847-1888) and his colleagues will speak out against rack-rents and exhort all to follow the Plan of Campaign. Members of the 19th century Royal Irish Constabulary will be keeping an eye out for trouble and will be ready to step in if the crowd be-

comes unruly.

This event is part of the Heritage Week events organised by Waterford County Council and will be accompanied by an exhibition about Jasper Douglas Pyne, Waterford MP known in his time as the "Hero of Lisfinny" in Tallow Library. J.D. Pyne inherited Lisfinny Castle and an estate in Tallow but became heavily involved with the Home Rule movement, the Land League and the Plan of Campaign. He was elected as the Home Rule Member of Parliament for West Waterford in 1885.

He was a flamboyant and exuberant character and is best re-

membered for barricading himself in Lisfinny Castle following a charge of inciting people to prevent the constabulary from carrying out their duties. He escaped from the RIC men surrounding Lisfinny Castle with help from locals and made his way to England, eluding the police for some time before he was arrested on his way into Parliament at Westminster. Following legal wrangling, a trial and further arrests he was finally sentenced and served time in prison. He was forced to sell his land due to bankruptcy following his time in prison. He disappeared from the SS Shamrock on a journey between

Holyhead and Dublin in November 1888. No body was found but it was thought that he fell overboard, was pushed or may have committed suicide.

To find out more about the life and times of JD Pyne MP you can visit the exhibition at Tallow Library during library opening hours Thursday 8th September 1-4 and 5-8, Friday 9th September and Saturday 10th September 11-1 and 2-6pm or see him come back to life at the re-enactment Monday 5th September at 5pm outside Tallow Library. For more information on this event contact the County Archivist @ 058 23673 or [archivist@waterfordcoco.ie](mailto:archivist@waterfordcoco.ie)

## Movement On Udaras Lands In Ring-Old Parish

The appointment of ERM Ireland Ltd as consultants to compile an independent report advising developmental options on nine-acres of land owned by Udaras na Gaeltachta in Ring and a further three acres in Old Parish has been welcomed by the authority's elected representative for those localities.

Cllr. Fiachra O Ceilleachair says he'll be pushing for findings to be made available in the short term, as he claims that long years of inactivity on the lands concerned constitute a controversy which reflects poorly on an authority that has otherwise served Ring and Old Parish very well.

"It remains a fact that the Udaras has been left short 8

million euro in its budget by Central Government," the Labour councillor said.

"Moving on a reputable strategy at least maintains the potential of the nine acres on either side of the main Dungarvan/Helvick road near the local supermarket in Baile na nGall, Ring and the three acres beside the Udaras office and factory in Old Parish."

"I'm also pleased that the county council now cites an 'open' zoning - as distinct from three disparate designations set out in a draft of the County Development Plan - for the Baile na nGall lands."

"The Consultants have now begun work on identifying possibilities of private investment,

the potential for small enterprise spaces, self-employment opportunities, community, heritage and tourism facilities, small retail premises - perhaps related to the local arts and craft sphere - and advancing technological or educational activity based on Irish."

"Whereas the Udaras previously bought and sold land in Baile na nGall for affordable housing opportunities, more recent advice from the Attorney General precludes from purchase and sale within their own regulation - except for enterprise purposes.

However, the authority can grant aid a local co-operative interested in acquiring use of land for affordable housing or

residential schemes suitable to the elderly.

"Disposal to the local authority may also be recommended. Any examination of the future of the Baile na nGall lands take housing options into account."

"The work of the Udaras sponsored Community Development Facilitator in Ring/Old Parish will also feed into the process now underway by the consultants - something that will emphasise the input of the community."

"I would like to be heading into 2006 with indications of progress on the Udaras land in Ring, which is in their ownership since the late '80's and the Old Parish property held since the early 90's."

**Check the ram**

Purchase replacement rams at least 8 weeks before mating to allow them adapt to their new environment and diet. Rams already on the farm should be examined at least 8 weeks before mating so problems can be treated or a replacement sought well in advance of mating. A proper examination will also reduce the number of infertile or subfertile rams.

**Head:** Eyes should be clear. Conditions like pink eye effect the ram's sight and can quickly spread to the rest of the flock. Check for crusty growths on top of the ram's head which may be due to orf, mange or fighting. Good teeth are important since eating problems can affect body condition. Check for any swelling around the molar teeth on either side of the jaw.

**Feet, legs and joints:** Examine the feet to ensure they are free of footrot and scald and pare and foot bath if required. Watch the way the ram walks and feel each leg and joint for swelling or soreness. Lameness may reduce feed intake, sperm production and ram mobility during mating. Foot abscess can raise body temperature and reduce fertility.

**Scrotum and testicles:** There should be no signs of injury or diseases like mange lesions on the scrotum. Restrictions on testicle movement within the scrotum may indicate injury or infection. Testicles should be free of lumps and bumps. They should feel firm like a clenched biceps. The sperm store at the base of each testicle should not contain hard lumps. Check the sheath and penis for small growths or pustules. If orf is diagnosed then such a ram should not be used as they may rapidly infect ewes and rams.

**Body condition:** The ram should be in good body condition (score 3.5-4) at the start of mating. If he is thin now you need to find out why. Check the brisket for soreness or skin damage as these can put the ram off his work particularly if harnessed. Treat with ointment/spray. It is also important to consider the lean meat index and resistance to scrapie as outlined in the July newsletter.

**Buying stock not trouble**

When buying replacement stock make sure you do not buy trouble. The risk of introducing new diseases onto to your farm can be reduced by buying from a reliable source, thoroughly inspecting stock before purchase, by vaccinating and treating where appropriate and by operating a quarantine period. Ideally purchased stock should be kept separate from the rest of the flock for 4 weeks. During this time they should be closely watched for signs of disease. While many diseases have a longer incubation period than this it does help reduce the risk. Problems that arise should be managed during this time to avoid infecting the main flock. The main concerns are likely to be sheep scab, resistant worms, footrot, chlamydial (enzootic) abortion, toxoplasma abortion, orf and caseous lymphadenitis.

**What is caseous lymphadenitis (CLA) ?**

This disease is caused by a bacteria spread by direct contact through skin wounds like shearing cuts or contaminated dip. CLA is an emerging problem in Irish sheep flocks. Reports from the UK indicate that CLA maybe most prevalent within terminal sire breeds. Thick walled abscess develop mainly in the lymph glands of the head and neck. Various lesions can occur including swellings up to 5cm in diameter under or behind the jaw. These lesions can rupture discharging infective pus. Controlling CLA is difficult because antibiotic treatment is ineffective and vaccines are not licensed for use here. Control is also made more difficult because CLA has a long incubation period, of 2-4 months before symptoms maybe seen and even then infected sheep may not always show overt clinical signs. Thus prevention is best. Breeding stock should only be purchased from flocks that do not have CLA. Carefully examine all sheep before purchase for abscesses and swellings. Suspect animals should be rejected along with others from the same flock. Ideally new stock should be isolated for 4 months and checked regularly for abscess or swellings before introduction to the main flock.

**Achieve Target Farm Covers:**

Farmers who wish to maximise grass in the cows' or other cattles' diet during October and November must achieve certain grass targets in September.

Failure to achieve them will result in cows not having much grass in their diet from late October.

Grass, even three hours/day, will increase profits by 1.20 per cow per day and possibly by 1.00 per bullock per day.

The following target covers are suggested for Moorepark type soils in KGs DM/cow:

Date	Moorepark
7-9 August	427
14-16 August	456
21-22 August	489
28-30 Aug	514
4-6 Sept	530
11-13 Sept	536
18-20 Sept	526
25-27 Sept	498
4-6 Oct	447

## Priority Is To Deliver Jobs To Dungarvan -CULLEN

Waterford Transport Minister Martin Cullen met with Waterford Crystal Trade Union representatives regarding the closure of the Dungarvan Plant.

Speaking after the meeting, Minister Cullen said: "Dungarvan has been hit on the double in recent times with the loss of jobs at Waterford Foods and Waterford Crystal. The priority now is to turn the situation around and deliver new jobs to Dungarvan."

"It is critical that we work together - politicians, Trade union representatives, business groups and state agencies to deliver for Dungarvan."

"Primary emphasis now is on ensuring the various state agencies bring all their resources to bear, particularly the IDA, to focus on new employment for the county town and its hinterland."

The Minister said he will be meeting again this week with his colleague, Minister for Enterprise, trade and Employment, Michael Martin to strongly emphasise the urgent need for the IDA to mount an intensive effort to attract new investment to Dungarvan.

Commenting on issues discussed at the meeting, Minister Cullen said: "Today's meeting

with Union representatives was both helpful and constructive. There is an understandable on-going concern among workers regarding the future and it is important that these concerns are addressed.

"We need a proactive approach from everyone, in particular the state agencies, if Dungarvan is to move forward."

"In addition to the much needed new jobs, both the Trade Unions and I agreed the importance of placing additional emphasis on new training programmes to equip workers who have lost their jobs. New skills will ensure that workers are well placed to take up new opportunities when they arise."

Concluding the Minister said: "On the broader front, we have to push the message that Waterford City and County is a prime location for inward investment. We have an excellent highly skilled workforce. There has been massive investment in roads, water and education in recent years. Further infrastructure improvements in the short-term to improve access will be paramount in attracting new investment. These improvements for places like Dungarvan remain vital in attracting new jobs."

## "Champagne Pop's As WLR fm Are Tops"

The figures for the joint national listenership research for radio have just been released and WLRfm have lots to celebrate. Once again WLRfm is the most listened to radio station in Waterford with 48% of all adults tuning in each day. WLRfm continues to dominate the radio market despite intense competition from new entrants. Twice as many adults listen to WLRfm than to any other station while 73% of all adults living in the City and County tune in each week.

Programme Director Billy McCarthy said he "was very happy with the level of support that WLRfm received from radio listeners in Waterford". "Over the

last two years we have introduced a number of new programmes to the schedule and we are starting to see people tuning in specifically for these". "The good figures were achieved with lots of hard work and I am grateful for such a talented bunch of broadcasters based here at the Broadcast Centre".

The JNLR figures are released twice yearly and show that each day over 42,000 adults tune into WLRfm. Popular programmes include Billy McCarthy's "Deise am", Timmy Ryan's "Home Run", while WLRfm's new breakfast programme "The Big Blaa" has started to take listeners from rival stations.

# St. Augustine's Eighth Trip to Superschools

Twenty students of St. Augustine's College, together with their Coach, Br. Patrick Lennon as well as other team supports will fly to Nottingham next Monday to take part in the Eighth Superschools Competition and they expect that their seasoned team will acquit themselves well in Track and Field, as well as their other disciplines.

When the twenty-six strong party arrives at Ellis Guildford High School and Sporting Academy, they know their diligent preparations, both physical and mental will have prepared them well for the testing programme of events in track and field, basketball, soccer, swimming and table-tennis.

Eight teams will take part from Ireland, Finland, France, Sweden, England, Scotland and Wales, with very strong rivalry apparent, but competing in the most sporting fashion.

St. Augustine's has an excellent record in this competition, having won it twice, once on their home turf in Duckspool, and have been runners-up on two other occasions. Last year, they travelled to Sweden to pit themselves against the cream of European Colleges and came home a creditable fourth.

In the sunshine of Uppsala, they saw near neighbours Pen-Y-Dre High School from Wales just edge out Carluke High School from Scotland to take their first win in this tournament, with hosts Sweden in third place.

Br. Lennon, who has a very enviable record in coaching both College and National teams is hopeful that his charges will do even better this year. He says that the team has trained regularly and consistently and, with twelve of them veterans of last year's Games, the experience should stand them in good stead.

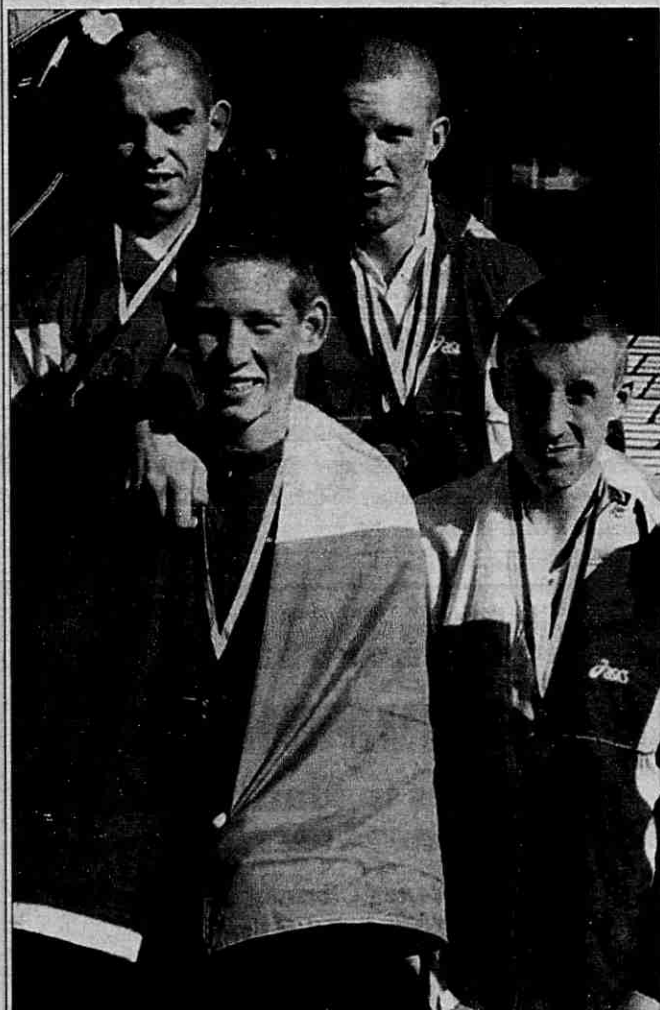

"I know they will give only their best," he says, "and that we will be proud of their achievements and conduct at the Games end."

Absent from the party for the first time will be former College Principal, Fr. Pat Moran, who is not available to travel this year. "I wish Br. Lennon and the team every success," he said, "and I know that the entire party will uphold the very best traditions of the College while they are abroad. After that, success in the competition is an added bonus."

New College Principal, Mr. Joe Moynihan also sent his best wishes with the travelling party. "The College's excellent record in this prestigious competition is the product of great preparation and dedication on the part of all concerned," he said, "and I know that when they return to Duckspool, we can be assured they will have spared nothing and will have further enhanced the reputation of the College both abroad and here at home."

The teams are: Girls, Megan Auckland, Siobhán Brackett, Emma Dunne, Fiona Herlihy, Aimee Jordan, Vice Capt., Sarah Kiely, Capt., Rachel Leacy, Michelle Norris, Kate O'Neill and Sinéad Reynolds.

Boys: Douglas Auckland, Kevin Burke, Patrick Conway, Darren Dunford, Tom Hanrahan, Eoin McCullough, Capt., Conor Moloney, David Phelan, Vice Capt., Cathal Reynolds, Mark Shalloe.

Pictured above is the St. Augustine's boys team, of last year, who took silver in Sweden — at back Jason Healy, Eoin McCullough with David Phelan and Donal Herlihy in front.

Pictured at the end of Dungarvan Summer Camp in Dungarvan Sports Centre recently were from left front: Carol O'Sullivan, Debbie McGuire, Catherine Whelan, Susan Kennedy, Teresa McGrath, Tom Keith, Manager, Sports Centre, Noel Doherty, Dungarvan Credit Union (sponsors), Caoimhe Supple, Co-ordinator, Michael Foley, Evelyn O'Brien and Ciara Power. # Lismore Castle To Hold Inaugural Art Exhibition

Lismore Castle is set to host its inaugural exhibition of contemporary art later this week.

'Individual Fields,' curated by Aileen Corkery, is a group exhibition which brings together the work of seven internationally renowned artists — Matthew Barney, Richard Billingham, Gerard Byrne, Michael Craig-Martin, Dorothy Cross, Barry Flanagan and Richard Long — and features work in a variety of media including film, photography, sculpture, painting and text-based work.

The inaugural exhibition is a culmination of an ambition conceived by the Devonshire family in 2003 to transform the long-derelict West Wing of the castle into a state-of-the-art contemporary gallery.

Most of the works, which will be on display, have never been exhibited in Ireland before, and yet it is Ireland and its landscape that unites the exhibition, with each of the artists sharing a physical and/or emotional connection to this country.

This is most evident in Matthew Barney's triptych of photographs from CREMASTER 3 shot on location on the Giants Causeway; Richard Billingham's photographs of Wicklow and the Irish Coast; Richard Long's interventions in the Burren and County Mayo; Michael Craig-Martin's singular filmic work in the west of Ireland; and Gerard Byrne's Framed Photographs in Phoenix Park, Dublin.

Elsewhere more subtle associations and connections can be made between the artists and Ireland even if the work was not necessarily made there.

These include Barry Flanagan's abstract collages on paper from 1968; Billingham's new film Sweep shot in south of England and Long's recent mud works utilising local material from his hometown of Bristol.

The new contemporary gallery is a series of light-filled rooms of varying sizes, designed to accommodate artworks in all media.

Visual distraction is minimal, yet the design cleverly incorporates some of the castle's original features, allowing the visitor glimpses into its 1,000 year history.

The curator has carefully considered the unique personality of the new space in the overall concept of the show.

William Burlington, son of the present Duke of Devonshire, is the driving force behind the project.

He says, "Aileen has worked incredibly hard to bring this extraordinary group of artists together under one roof — particularly as there was barely even a roof in place seven months ago."

"It means a great deal to me and my family to see such energy and life returning to this castle, which has been dormant for at least fifty years."

"Individual Fields" will be open to the public from 3 September and continue until 30th of October, daily 11am-to-6pm. Lismore Castle's private collection of contemporary sculpture will remain on show in the gardens.

Admission remains unchanged at 6 euro for adults, which includes entry to Lismore Castle Arts.

# Major Upgrade Of Regional Sports Centre Paves Way For Soccer Excellence

Facilities at Waterford City Council's Regional Sports Centre — home to Waterford United — are to be greatly enhanced following agreement with the FAI and the Department of Arts, Sport and Tourism, to invest €500,000 in a major upgrade.

An agreement was signed today under which Waterford City Council will spend up to €600,000 in bringing the grounds up to UEFA standards. This will involve increasing seating capacity at the WRSC by approximately 500; improving disabled access and facilities; increasing the number of turnstiles from two to six; lengthening the pitch and carrying out work to protect the athletics track.

Waterford City Council has also received a grant of 100,000 towards works on the athletics track, bringing the total current investment planned at the Cork Road side of the WRSC to €750,000.

At a meeting at WRSC attended by the Mayor of Waterford, Councillor Hilary Quinlan, City Manager, Conn Murray, the FAI's John Delaney and John Byrne with UEFA's Bob Breen, details of project were finalised.

"This is a very significant development for soccer and sport in general in Waterford," said Mayor Quinlan. "The development of the WRSC is part of a partnership process with the FAI which in time will see Waterford City become a centre of excellence for soccer development."

"At present 1,732 youths participate in school-boy soccer and that is an indication of the huge interest and potential which exists for the development of the sport. Waterford City Council is determined that the necessary infrastructure to facilitate the achievement of that potential will be provided here," added the Mayor.

Negotiations are also at an advanced stage between Waterford City Council and a private developer which will result in a 12 million development on the Tramore Road side of the sports centre. The investment will provide a swimming pool, gymnasium, fitness and health facilities as well as all-weather tennis courts and playing pitches.

# RECENT DEATHS

## Late Christine Hehir

Feelings of deep regret and sadness were expressed with the recent unexpected passing on Wednesday, 17th August of Christine Hehir, Glenbeg, daughter of Pat and Bridget Hehir. Aged 24 years and a native of Glenbeg, Christine was educated at St. Mary's Primary School and at Ard School na nDéise. During her secondary school days at Ard Scoil, Christine was awarded the Gaisce Presidential Award and was one of the first Cárde girls who as a Senior welcomed the new Juniors to their new surroundings.

She was noted for her outstanding talent in writing poetry and short stories. Deeply interested also in computers and music, Christine was employed by Waterford County Council for some time, later she took up a position in Waterford with AOL Communications. Her untimely passing at a young age came as a great shock to so many. Our heartfelt sympathies are with her parents Pat and

Bridget, brother David, sister Sinéad, grandparents Betty and Nellie, all her aunts and uncles, other relatives and friends at this time.

Reposing at her residence, Fr. Cooney O.S.A. led all in prayers and readings on Saturday afternoon before the funeral cortege left for St. Mary's Parish Church where in the presence of a huge and representative concourse Fr. Cooney O.S.A. assisted by Canon O'Mahoney P.P. led all in the funeral service.

Canon O'Connor P.E. was Mass celebrant on Sunday at which the Lessons were read by Mark Drummey and Damien Drummey. Prayers of the Faithful were shared by Anthony and Claire Dalton, Emma Healy and Aileen Ducey. The offertory gifts were brought by Owen Healy (keyboard), Jim Drummey (book), Eileen Dalton (violin), Anna Lou (book of poetry) and the bread and wine by David and Sinéad. The music of Dina Walsh made the Holy Sacrifice a real celebration of Christine's life.

Led by "Tom the Piper" to the graveside, final prayers and blessings were read and imparted by Canon O'Connor P.E. assisted by Canon O'Mahoney P.P. after which Christine was laid to rest.

Gone to her eternal home to join her grandfathers Tom Drummey and Paddy Hehir. Very many beautiful floral tributes were placed on the grave.

Chief mourners were parents Pat and Bridget, brother and sister David and Sinéad, grandparents Betty Hehir and Nellie Drummey, aunts Ann Healy

(nee Hehir), Rita, Gabriel, Eileen, Jacqueline (Drummey), uncles Mark, William, Damien, Oliver, Derek, P.J. and Brendan Drummey and a wide circle of other relatives and many friends.

Funeral arrangements were by James Kiely and Sons, Funeral Directors.

### TRIBUTE

Dear Christine,  
So once again you out foxed us all. Always having to be one step ahead. Always the last word. Always the drama queen. Not giving a thought to what you leave behind.

You were my niece, you were my best friend, but most important you were the sister I never had.

Those secret phone calls, the constant beep beep of our mobiles as we got a text message from each other, that beep that got a disappointing look from our elders.

How I'll miss the laughs we used to share. How we could break into an uncontrollable laugh for no reason. People thinking us to be insane. How I'll miss our chats and how we used to put the world to right. Talking about this person and that person, and we were always in the right. How I'll miss our times out at the cinema, discussing the latest film or DVD we would buy. And what about those sample chapters you would let me read of the latest stories you were writing. Always sat at a computer tapping away at the keyboard. Not forgetting the mad shopping sprees you would go on, spending every cent of your wage on many needless things. Oh how you craved the simple things in life.

How Davitt's will miss us and the moves we used to make across the dance floor. Annoying every D.J. in sight to play our favourite songs, me thinking I was John Travolta and you Olivia Newtown John.

Oh Christine, how I'll miss it all. We had the best of times, the worst of times but most of all we had each other.

24 short years have gone so fast, but you lived every one of those years with a carefree attitude and smile on your face. And 'till we meet again let the craziness continue.

Goodbye my best friend,  
Damien.

## LISMORE'S CRICKET FESTIVAL BACK ON THIS SUNDAY

Lismore Cricket Club will be hoping for blazing sunshine on Sunday next as they prepare for a second attempt to stage the four team Cricket Festival at the Castle Farm.

The weather had provided a headache for the hard working committee last time around but they now look forward to attracting a large family crowd on Sunday next for what is hoped will be an annual event. The short matches (less than one hour per match) will offer an opportunity for spectators to enjoy and understand the excitement that the sport can bring and the action is sure to be quickfire. The first match begins at 12 midday leading to a final at approx. 6pm. There will be plenty of refreshments available to spectators and visitors alike and the club are eager to welcome both young and old, past cricketers and sportsmen and also those who may be content to sit quietly and watch the days play.

Fingers crossed for a fantastic day!!

On Monday evening next Junior practice will take place at 7.30pm and on Wednesday evening, adult practice takes place at 7pm. All are welcome.

Until then, keep the willow swinging!!

## LISMORE SOCCER NOTES

On Sunday morning last we got our league campaign underway with a home fixture against newly promoted Gortroe. In a very open game we took the lead 18 minutes into the first half, Pat Quinn finishing well from a Colin Kearney cross. Our joy was short lived however, when the visitors leveled 5 minutes later after some hesitant defending. We regained the lead on 35 minutes when Eddie Pollard's brave header gave Nicky Donnelly the easiest of chances to open his account for the season. Gortroe to their credit kept pushing forward and levelled for the second time on the stroke of halftime with a well taken lob from 20 yards albeit with a rather large look of offside about it. There was some stern words from manager Joe Tobin at the break which appeared to have the desired affect. The whole side seemed to pick up the pace and played some good football in the second half. It did, however, take until the 75th minute to break down a very stubborn Gortroe defence. Paul Quinn who had an outstanding game, was on hand to stab home an Alan Landers through ball. The goal seemed to totally demoralise our opponents and for the remaining 15 minutes we played our best football adding two more goals through Pat Quinn and Nicky Donnelly to run out deserving winners. Final score Lismore 5 Gortroe 2.

# IN MEMORIAM

**AHEARNE** — Fourth Anniversary — In loving memory of Helen Ahearne, Ballymartin, Glencairn, Co. Waterford who died on 19th August, 2001. Anniversary Mass on Saturday, 3rd September at 7.30 pm in St. Carthage's Church, Lismore.

A bouquet of beautiful memories,  
Sprayed with a million tears,  
Wishing God could have spared you,  
If just for a few more years,  
It does not take a special day,  
For me to think of you,  
Each Mass I hear, each prayer I say,  
Is offered up for you,  
We cannot bring the old days back,  
When we were all together,  
The family chain is broken now,  
But memories live forever,  
May she rest in peace, dear Jesus,  
In Thy heavenly home above,  
With the Sacred Heart of Jesus,  
In His own eternal love,  
Along the road to yesterday,  
That leads me straight to you,  
Are memories of happy days,  
Together we once knew,  
A silent grief that's in our hearts,  
No human eye can trace,  
For many a broken heart is hid,  
Beneath a smiling face.  
(Sadly missed and remembered by all your family).

**COLEMAN** — Twenty Fifth Anniversary — In loving memory of our dear father Thomas Coleman, late of 7 Parks Road, Lismore whose anniversary occurs on 31st August. R.I.P.

**KENNEALLY** — Second Anniversary — In loving memory of Bridget Kenneally, late of Deerpark Rd., Lismore who died on 29 August, 2003.

Time slips by but still you stay,

No length of time can take away,  
Our thoughts of ye from day to day,  
Time slips by and life goes on,  
But from our hearts ye are never gone,  
As each day dawns and starts anew,  
And as each day ends we think of ye,  
And in between,  
No matter where,  
Deep in our hearts ye are always there.  
(Sadly missed, always remembered by your loving daughter Mary Carmel, Patsy, Claire and Jason).

**HAVENS** — Tenth Anniversary — In loving memory of Christina Havens, 14 Childers Est., Dungarvan, who died on September 3, 1995.

A loving spray of memories,  
Tied up with all our love,  
Memories we will treasure,  
Of the one we dearly loved,  
In the centre of God's garden,  
There is someone special there,  
That someone is our mother,  
The best beyond compare.  
(From her loving son Billy and daughter-in-law Kathleen).

**HAVENS** — Tenth Anniversary — In loving memory of our dear mother Christina Havens, late of Childers Est., Dungarvan who died on September 3, 1995.

Loved and respected by all she knew,  
Always willing, helpful and kind,

I lost my life's companion,  
A life linked with my own,  
And day by day I pray for you,  
As I walk through life alone,  
The house you left is lonely now,  
And I am lonely too,  
To me you were someone special,  
What more is there to say,  
Except I wish with all my heart,

2. Adrian Fenlon who won the Man of the Match award in the 1987 Sonny Walsh final plays with what club?
3. Who won the Christy Ring and Nicky Rackard cups this year?

### Last Weeks Answers

2. Sean McCague (Monaghan) was the President of the G.A.A. that presented the Liam McCarthy cup to Mark Landers (Killeagh) in 1999.
3. Last year, 2004, was the first time that two sides met in an All Ireland Senior Hurling final and neither were provincial winners.

### Mass Lane/Glenshalane Cup Tournaments

This local league is now at the semi final stages and the finals will more than likely be played by the end of next week.

Waterford U14 and U16 Hurlers Extremely Unlucky To Lose Out In The Tony Forristal And Arrabawn Tournaments.

It was a weekend of heart-break for the Waterford U14 and U16 hurlers where lady luck was just not on their side. In the Annual Tony Forristal U14 Hurling tournament, Waterford drew with Limerick and defeated Clare and Wexford on the Saturday. This put them through to meet Kilkenny on the Sunday. This was a game Waterford dominated territorially but still seemed to lose to the wily cats on a scoreline of 1-12 to 4-4. Cappoquin were represented by Colm Looby and Finan Murray on the team who were both outstanding and Fintan Murray as a selector. Well done again lads on tremendous performances and you were so unlucky not to capture the title for the first time for Waterford.

Also at the weekend in Waterford, the annual Sonny Walsh tournament took place where Waterford lost out on scoring difference to reach the final to Offaly after defeating Kildare and Kerry. Well done to Pat Fitzgerald who represented Cappoquin.

On Saturday last the Waterford U16's travelled to Tipperary where in their first two games they defeated Limerick and Offaly. In the semi final they met Cork where they led by three points with less than eight minutes to go but still lost by a point. By all accounts Cork got a very questionable goal. At this tournament club player Shane Fives who was outstanding picked up an injury and we wish him a speedy recovery.

### U16 Western Division 1 Hurling Semi Final

Round 5: Monday, 12th September Affane v An Ghaeltacht in Ring.

### U13 Hurling

In the last week Cappoquin were defeated narrowly by Cois Bhride and Lismore by two points on each occasion. Our next U13 fixture is against Killeagh in the Town/Country league on a date to be fixed. A win here would put the lads in the final.

### Minor Hurling Western Championship

Last Wednesday Cappoquin Minors qualified for the semi finals with a draw against Ballyduff at the Castle Farm venue in Lismore in a highly entertaining game.

## CAPPOQUIN F.C. NOTES

### B Team

On Friday last we played Old Parish in a very exciting challenge. We came out on the wrong side of a 4-3 scoreline. The game started very fast with both teams playing some good attacking football. Paul Landers was playing well upfront and Lassie as well.

Old Parish went 1 up when we couldn't defend a long ball and they scored easily at the back post. We got the equalising goal soon after with good work from Morrissey and T. Landers in midfield setting up P. Landers to score with a good shot. We created more chances after that but we just couldn't convert any. Old Parish scored again just before half time making it 2-1.

Second half we started brightly with Johnny Morrissey scoring after a good move involving C. Landers and Paul Landers. We were now on top but couldn't get that leading goal. We fell behind again soon after when the Old Parish striker just hit a host from nothing

(what a fluke it was). Kevin Casey was playing well after coming on for Lassie who for an old man was doing very well!! We levelled up again when Morrissey broke again from midfield and finished well with a good shot. We then headed a fourth goal with some awful defending. Overall, it was a good work out for us. We're improving with each game being played.

Just like to wish Joe Barry a speedy recovery after he injured himself playing for the A team in a challenge which they lost 2-1 to Ballinroad.

Team: Mason, C. Barry, Georgie, Looby, Bishop, C. Landers, T. Landers, Kieran, Morrissey, Lassie, P. Landers.

Man of the Match: Johnny Morrissey.

On Sunday last the A team lost 5-1 to Kilmeshy in the league after taking the lead with a goal from Lily. It was good to see some of the B team (K. Landers, T. Looby and D. Kett) getting a chance with the A team. It just shows that a lot of the B team are well able to play with the number 1 team in Cappoquin.

## Cappoquin Camogie Club

On Monday the 15th the under 16's played against Tallow in Tourin. It was a hard fought game with Tallow coming out on top in the end.

Monday the 22nd we took on Dungarvan in Dungarvan. This was a good game with the opening score from Tina Coffey. Then Patricia Ryan hit the back of the net with a great goal. Half time and we were 1 - 1 up. In the second half we played much better and a goal and a point from Niamh O' Donoghue saw Cappoquin go on to win the game 2 - 2 to no score. Worth a mention the younger members of the team played extremely well in this match. Well done to all.

Team: Tracey Kiely, Sarah O'Sullivan, Ashley Noonan, Gemma Burke, Bree Coffey, Emma Morrissey, Jessica Johnson, Tina Coffey, Grace Duggan, Jenny McCarthy, Elaine McCarthy, Laura Duggan, Patricia Ryan, Niamh O'Donoghue, Helene McCarthy, Amy Fitzgerald, Mairead Scanlon, Celine Kiely, Lilla Hogan, Lauren Noonan.

After going to press we will have played Tramore in the next round of the championship. Details of that match next week.

Fixtures: Monday the 5th we are playing Ferrybank at home so please come and support the girls.

Training: Every Thursday at 6:15pm sharp for under 16's and under 18's. It is vital that all members of the under 18 team train as well as the championship will begin in 2 weeks time.

## RAILWAY ATHLETIC F.C. CLUB NOTES

### Junior Game Mooncoin 1 Railway 0

On Sunday morning last our Junior team made the long journey to Mooncoin we had a very good squad of players which we will need for the long season. We were playing a very strong homeside. The first half we played very well. We had some great chances but the home keeper had one of those days when everything hit him. We played some quality football and should have been winning 3-0 at the break but at least we created chances, that was how the half ended.

The second half was a different story. We just did not play for the first two minutes of the second half and it gave the home side confidence. With ten minutes remaining the home side got the opening goal. We threw everything and we were on their half for the remainder of the game. We should have had a penalty but everyone in the ground could not believe that the referee did not give it, even the home team but this game will benefit the lads and we will get it right with a bit more luck in front of goal and hard work in the training area.

Team: C. Cullinane (Capt), D. Browne, B. Whelan, L. Costin, L. McLoughlin, T. Manahan, F. McLoughlin, P. Murray, H. Ormonde, T. Lynch, D. Dransfield.

### Congratulations

Congratulations to Brian and Mary Whelan on the birth of their new baby. All at the club are delighted.

### Fixtures For The Coming Week

### U12 League

#### Railway Athletic 9 Stradbally 0

On Saturday morning last a very young Railway Athletic side entertained an equally young Stradbally in the first game of the league.

This was very much a shot in the dark for some of this squad as they were making their league debuts. The game started with Railway attacking from the off. After eleven minutes we opened the scoring when Liam O'Hanlon put Gary Matthews through and he coolly slotted past the advancing keeper. Five minutes later we were two up. This time Andrew Molumphy put Tom O'Hanlon in and his shot beat the Stradbally keeper (who was probably watching the flying boot!). It was all Railway now and Shane Dunne fed Gary Matthew in. He rounded two players and then the keeper for a great goal. Railways back four were well on top and Cavanagh and Molumphy combined to send Tom O'Hanlon through for number four. Young Gary Matthews got his hat trick with six minutes to the break when after great work by Gavin McCarthy and Jason O'Keeffe, he cut in to slot number five. Just on the break of half time Gary Matthews crossed and Andrew Molumphy was on hand to blast past a stranded Stradbally keeper. Half time and Railway was cruising.

In the second half we added a further three goals. Gary Hurley got number seven when his shot beat the keeper from the edge of the box. Number eight was without doubt goal of the game. Shane Dunne got the ball from Brendan Dwyer and turned to power a right footed shot in off the underside of the crossbar. The last goal came in the last two minutes. Shane Kenny was put in on the left by Jason O'Keeffe and as Kenny prepared to shoot he was fouled. Kenny stepped up and sent the penalty high into the top corner for our ninth and final goal.

This was a solid performance from this bunch of young lads but they must beware. Tougher games will be ahead this season.

Team: Aidan O'Dwyer, Adam Cavanagh, Shane Dunne, Gary Hurley (Capt), Brendan O'Dwyer, Andrew Molumphy, Liam O'Hanlon, Tom O'Hanlon, Gary Matthews, Gavin McCarthy, Jason O'Keeffe.

Res: Shane Kenny for Matthews.

### U14 League Match Villa 3 Railway 1

Our Under 14's travelled down to Waterford City last Saturday to face Villa. As expected the lads started slow because it was the first day of the season. With just one minute gone, Villa scored. As the winger found their centre forward free with a cross to the back post and as he was only five yards out he gave the keeper no chance.

It took the lads a while to get into the game but eventually put Villa under some pressure. In the second half of the first half, the lads upped the tempo with Jamie Glavin, Adam Coleman, Gavin Pratt and Michael Nugent all going close but to no avail.

Half time: Villa 1 Railway 0. Railway started the second half a lot better and made life difficult for the Villa defence. For most of the second half Railway's midfield of Adam Coleman, Jamie Glavin, Gavin Pratt and Shane McGovern ran the show but just couldn't get the breakthrough. With 15 minutes to go, Villa made it 2, with Railways defence caught square from a ball over the top, Villa's forward found himself one on one with the keeper and made it 2-0. Just minutes later Villa made it 3 as their centre midfielder player found himself in to much space in the box and finished the game off. With one minute left in the game, Railway got one back from a free, Gavin Pratt crossed the ball into the back post where Jamie Glavin scored with a header.

Final score: Villa 3 Railway 0.

Team: Mark O'Keeffe, Gavin Pratt, Patrick Hickey, James Ryan, Ciaran Lynch, Shane McGovern, David Houlihan, Jamie Glavin, Adam Coleman, Michael Nugent, Tony Nevin, Ivan Lynch.

# BALLYMACARBARY NEWS

## Hospital Transfer Delay Slammed

The delay in the transfer of surgical services to Clonmel from Cashel has been slammed by Councillor Phil Prendergast. The Labour Councillor said the delay means the well documented risk management issue for both hospitals in Clonmel and Cashel continue to exist. "The archaic structure of acute services in South Tipperary does not exist in any other County or for that matter, any

other developed country in the world. The substandard services provided to the community are now unacceptable and must be rectified immediately, the inordinate pressure suffered by staff as a consequence can no longer be tolerated" she said. Cllr. Prendergast said it was understood by all concerned from the outset including the Department of Health that the developments in Clonmel and Cashel

are of equal importance in this initiative. "The transfer of surgical services cannot go ahead without commitment from the Department of Health and the health services executive in the revenue funding for the new Cashel services" she said.

Cllr. Prendergast said there was an obvious lack of commitment by the Department and the H.S.E. and the current Government to the health services in South Tipperary. The transfer of surgical services to Clonmel was dependant on the provision of revenue funding of €6m for Phase 1 of the services planned for Our Lady's Hospital, Cashel site.

## School Friends Meet For The First Time In More Than 70 Years

Two former pupils of Gormanstown Primary School in Ardfinnan recently met for the first time in more than 70 years, purely by chance. Sister Mary, originally from Ballyhiss, Gormanstown, Ardfinnan went onto join the Sister of Mercy Order at the age of 16 years and is currently based in England where she had taught music for many years. Eileen, meanwhile, who is originally from Ballynakeane in Gormanstown, married Jim Kennedy and raised a family in Clonmel, where she now lives at Ard Fatima.

## RECENT DEATHS

### Late Mr. Joseph Drohan

It is with deep and sincere regret we pen the sudden death of Mr. Joseph (Joe) Drohan, Baron Park, Clonmel at the early age of 42 years, has come as a devastating blow to his grief stricken wife Sally, his two children David and Aoife, and has cast a gloom over the entire locality, where he was so very popular. His heart broken mother Maura, his brothers and sister as well as his many relatives, are desperately trying to come to terms with the unexpected loss of one who had brought so much happiness into their lives with good humour and gentle nature.

A loyal coterie of friends too, of which he was an integral part, was stunned by the sudden departure from their midst in the prime of his life, of their dear pal Joe, with whom they had so much fun and without whom things won't be the same. Joe will be missed by everyone who had the good fortune to have known him, especially his loved ones, who are left with aching hearts.

Youngest of a family of eight, five girls and three boys, he was son of Maura and the late Davey Drohan, Baron Park, Clonmel. On finishing his education at St. Mary's Primary School and the High School, he did a course in Mechanics in Kilkenny, along with his very good friend Jeddy Kerton, he then served his time in Patsy Sullivan's Garage in Upper O'Connell street, following which he was employed at the Blue Star Garage till it's closure. After that he worked in variety of places including Digital, Seagate and Barlows before returning to the Blue Star premises when it became Tom Hogan Motors, where he got a job initially as a motor mechanic and later as a Salesman.

A lover of darts, his wife remarked with a smile that he was convinced he was a great player, but she said his friendly constantly ribbed him about that, saying to him that he couldn't hit a barn door. In 1983, he married Sally Connery from Garymore and they resided for seventeen years in Elm Park, rearing two children there. After a short spell in Auburn Park, they moved last February to the home house in Baron Park which they loved. Joe and Sally had some wonderful holidays together in such places as Spain and Lanzarote, where they were last August. The highlight for Joe, however, was the holiday that he and Sally spent four years ago in Australia with his brother Daithi and Cara who have been living in Sydney for more than a decade. Taking up golf in recent times, he and his friends used to do the rounds, one of their favourite clubs having been the Gold Coast in Co. Waterford.

Tom and Sally had a lovely weekend break in Killarney a short time ago. Joe was a wonderful family man who according to his wife, brought a lot of joy to their lives. And, in his good natured way, she said he was a great man to do a turn for anybody, and he hadn't an enemy in this world.

His remains were blessed and received at S.S. Peter and Paul's Parish Church, Clonmel by Rev. Fr. Colm O'Brien C.C., other clergy present were Canon Nicholas Power P.P.; Rev. Fr. Bric P.P., Clerihan; Rev. Fr. John O'Connell P.P., New Inn. Requiem Mass was celebrated by Rev. Canon Nicholas Power P.P., S.S. Peter and Paul's. After Mass the funeral took place to St. Patrick's Cemetery, Clonmel where he was laid to rest. Canon Nicholas Power P.P. officiating at the graveside. A guard of honour was provided by his colleagues from Tom Hogan Motors from his home to the church and from the church to the cemetery. The funeral on both occasions was the largest seen in town for quiet some time.

To his wife, son, daughter, mother, brothers, sisters and his many relatives we extend our sympathy.

Faoi scrath na croise go raibh a hanam uasal.

### Late Mr. Patrick McNamara

It is with deep and sincere regret we pen the death of Mr. Patrick (Paddy) McNamara, Tybressy, Mainstown, Carrick-on-Suir, which sad event took place at St. Bridget's Hospital, Carrick-on-Suir recently in his seventy sixth year.

One of Carrick Swan's finest ever supporters, he was son of the late Edward and Chrissie McNamara and spent most of his young life working at his neighbours Michael Curran, farmer and later of Miloko Milk factory, Carrick-on-Suir. Paddy was a staunch G.A.A. man, Swans and Tipperary and any Swan event whether a match, fundraising, Bingo or draws, Paddy was always involved.

In 1969 he married Nora Murphy, Lisadobber. He was a kind and considerate husband to Nora, everybody's friend and of all he adored his neighbours children, the Lonergan's and Keating's.

His remains were removed from Walshes Funeral Home, Carrick-on-Suir to St. Nicholas Parish Church, Carrick-on-Suir. On the following morning, requiem Mass was celebrated for the happy repose of his eternal soul, the celebrant was Rev. Fr. Frank Lloyd C.C. After Mass the funeral took place to Faugheen Church cemetery. Fr. Lloyd C.C. officiated at the graveside. The Swan G.A.A. club provided a guard of honour, there was a most representative attendance including the officer of South Tipperary G.A.A. board.

To his wife, brothers, sister and many relatives we extend our sympathy.

Faoi scrath na croise go raibh a hanam uasal. Undertakers Walshes's, Carrick-on-Suir.

She observed the highest standards of nursing care, and was held in high esteem by the doctors, nurses and staff at the hospital. She was a woman who contributed to the community. ## STRADBALLY SOCCER NOTES

Well last weekend the new season really got up and running and the decision of the club to enter six teams in the various leagues was very much to be seen as we had Under 12, Under 16 and senior teams out. The performance of the weekend had to be Samantha Condon on our Under 12 team and despite being beaten, she turned in a five star performance.

### UNDER 16

The Under 16's had their first game against Abbeyside last Saturday afternoon and after a very entertaining game both teams shared the points on a three all score line. We went two up after twenty minutes with Damian Kiely and Kiko Casey on hand to score but by the middle of the second half we were 3-2 down and looking as if we would get beaten but fair play to the lads who never gave up and with some fine defence work, we kept Abbeyside from adding to their score. We grabbed a well earned equaliser near the end when we had three or four claims for the goal with the most money being on captain Darragh Kelly getting the final foot. Well done lads on a good solid and very disciplined game of ball.

### UNDER 12

I think these poor players are going to have a long hard season and results are going to be hard to come by but if they get as much enjoyment out of the rest of the games as they did last weekend, then their involvement in the league will have been worth while. We were well beaten by a strong Railway side in Cappoquin, but the players never gave up and with a lot of them new to the game, in time they will get it right. Samantha Condon had a mighty game, Nathan Condon in goal kept the score down and birthday boy Stephen Curran was another to catch the eye.

Team: Nathan Condon, Samantha Condon, Stephen Curran, Mikie Kiely, Anthony Drohan, Aisling Farrell, Gavin Kiely, Edel Roche, Osgar De Paor, Damian Sheehan, Paul Connors, Eileen, Lisa, Philip Curran and Ciaran Montgomery.

### SENIORS

If last Sunday's game was an indicator as to what is to come for the rest of the season, then hurry out and buy your season ticket for this was a game that had every thing and after 90 minutes I think Crystal were relieved to get out of the pitch with a one all draw and despite finishing the game with eight players, we were never over extended and should have scored the winner right on full time. The down side of the game was the three players sent off and no excuses can be offered by the club for these sending offs and instead of one point we should have had three points and as the old saying goes, players on the field of play are better than good players sitting out on the line after being sent off. Our thanks to Fr. Enright for the blessing of the field, he included most things in his blessing but we will have to get him back and bless a few players to keep the mouth closed a little more. Final score was 1-1 with Emmet Cummins getting our goal. Crystal scored from the penalty box with the foul taking place well outside the penalty box. This led to a sending off as a difference of opinion developed. Great performance by the team: McGrath, K Lawlor, O'Brien, Darcy, Power, P Kiely, S Lawlor, Cummins, Doyle, Fee, W. Kiely, C. Lawlor, Clancy, Curran.

### ACADEMY

All those over seven years of age are welcome to our Saturday morning sessions at 12.30, boys and girls are catered for and where better to be on a Saturday morning than having a kick about with your friends. So come along and be part of your local soccer team

### LOTTO

The latest draw took place in the Cove Bar, Stradbally on Sunday evening and the numbers called were 2, 8, 16, 24. With no one claiming the jackpot the following won E25 each, Conor Hennebray, Maria Connors, Diarmuid Mooney and Mags Kiely as promoter. Next draw Sunday week in Bally. Please support.

### SEAVIEW DRAW

Tickets for this annual fundraiser are now available. If you are to buy one, please think first and ask is it for the local club. This is our main fund raiser and it is where you the public can support the good work the club is doing in the parish by catering for so many children. Up to eighty children are being looked after in various teams and we need funds to continue to develop our grounds. Remember last year we had a car winner with Nollaig Cummins the winner. So who knows what will happen this year.

### MEMBERSHIP

Membership as ratified at the AGM remains at E80 (E40 for students playing second division and E20 for youth players). It costs us E92 to register and insure each player for the 2A team. Denis Doyle and Paddy Kiely are the membership officers and money to be given to them. We have been informing of membership in these notes for the past five weeks and now it is due. Please make it easy and approach the two lads as opposed to them chasing you around for the coming couple of months. Do it now.

## MODELIGO NOTES

### JUNIOR FOOTBALLERS

Our junior footballers exited the championship last Saturday night so the season for Modeligo GAA ends for 2005. It was a brave enough effort by a depleted Modeligo and it was only very late in the match that Stradbally's juniors pulled away with two goals at the death. Considering that some key players were missing due to various reasons, neither players nor mentors need feel too despondent, and can look forward to competing and challenging for honours, in the Western Championships of 2006.

### LADIES CLUB

It's that time of year after the summer break that many clubs recommence their activities and such is the case with Modeligo Ladies Club. The group will hold the first of their monthly meetings at the Community Centre on Tuesday night next, September 6th at 8.30 pm and as always new members are most welcome.

### MODELIGO MINI LOTTO

The numbers drawn on Saturday, August 27th were 17-19-22. As there wasn't any winner, next week's croca oir will be 750 euro. 15 euro winners Ide Walsh, Curraghroche; Patty Walsh, Lyreratin; Nick Troy, Modeligo; Sean O Cuirrin, An Rinn and Jack Curran, Dun Garbhain.

### TONY FORRISTAL TOURNAMENT

The prestigious Tony Forristal annual U-14 Inter-county hurling competition concluded last weekend and the Deise youngsters were most unlucky, losing out in the final by one point (4-4 to 1-12) to the Kilkenny lads. Even the black and amber supporters couldn't believe their luck, conceding that it was a real "smash and grab" victory. Well done to our Naomh Brid club player Patrick Walsh who played well as part of the squad. Understandably, the entire Waterford group were shell shocked after the final.

### MODELIGO LADIES SOCCER

Last Sunday evening was celebration time for Shane and the girls as they overcame Kilmac' Ladies Soccer team in a very exciting cup final at Dane's Field, Cappoquin. Played before a large crowd, Modeligo fell behind early on, but two goals on either side of half time from Aisling O'Brien and Marion Troy gave the girls a 2-1 lead. Frantic pressure from Kilmac' yielded a late late equaliser and so the final went into extra time. At the end of two periods of extra time, the two exhausted teams were still deadlocked and referee Paul Marks called a penalty shoot-out. It was Marquerite McCarthy who held her nerve to score the decisive "spotter" giving Modeligo a 4-3 win, and sparking off such scenes of jubilation as rarely ever seen at Danes Field.

### MRS. MARY CASHMAN R.I.P.

Sincere sympathies are offered to the sons, daughters, sons-in-law, daughters-in-law and grandchildren of Mary Cashman, Rockfield House, Cappagh, who was recently called to her eternal reward. Mary, who was a member of the widely known Lynch family, Dungarvan who was an extremely kind and friendly person, and all those who knew her would have counted it as a privilege to have done so. Go ndeana Dia trocaire ar a hanam dilis.

### PASTORAL COUNCIL MEETING

A Pastoral Council meeting will be held at Affane Community Centre on Wednesday, September 7th at 8pm. All readers, ministers of the Blessed Eucharist are invited to attend. First Friday Mass also at 10am followed by Adoration of the Blessed Sacrament until 6pm. As this is the year of the Eucharist, everyone is invited to spend some time in the presence of Jesus.

## KILL NOTES

### BLESSED WELL

Thanks to a group of local people from the Manacuan John Power, Billy Lonergan, Sarah O'Keeffe and Pat O'Brien and Old Blessed Well got a much over due clean up last week. The History and Mystery of this well, is lot in the mists of time, originally called St. Ita's Well. The name was changed to St. Bernard's by the cistercian Monks when they found their monastery in Faugheen. However with the demise of the Cistercians, local people reverted back to the original name. The well is noted for its many cures. Many people visit the well in search of a cure and in our modern world of touch button communications it is nice to know that some people still communicate with the saints. Various pieces of cloth old and new can be seen hanging on a nearby sceaich. A sign that the well is as popular today as it was 100's of years ago and if you can't make up your mind as to what saint to pray to you might take the advice offered in the poem by Tom Power.

There's a cure in the old blessed well that's what the old people tell, between dusk and dawn is the time to go there, kneel by the well, offer a prayer to Saint Ita, St. Bernard, you may make your choice, a prayer to both would be my advice. Out of the well flows a stream to the west, dip in a cloth for the water is blessed, then with the cloth make the sign of the cross, now hang it up on a nearby old search. Visit twice more and you can rest assure any ailment you have will surely be cured.

### UNION CEMETERY MASS

Will take place on Wednesday, 7th Sept. at 7 pm. All are welcome. Flowers appreciated. If the weather is not suitable the Mass will be held in Our Lady of Mercy Church, Kilmacthomas. Parking available off the N25. Please drive carefully in the car park.

### DUNPHY'S JOTTINGS

Last week dart winners were Ann Torpey and Liam Corbett, runners up Sean Lonergan and Jimmy Torpey.

### BEST WISHES

To Walter Murray who suffered some injuries as a result of a fall. Hope that you will be back to full health soon.

### GER SAYS THANKS

After running the local fast food outlet in Kill for some years now, Ger and Jean Taylor have decided to retire from the business. They would like to thank the wonderful staff that worked with them over the years as well as their loyal customer base near and far. The chip shop will re-open soon under new management and we wish everyone concerned the best of luck.

### SLIGHT DAMAGE

To the people who decided to spray paint on the back wall and new railings in the community centre the committee would like to express its regret and disappointment that these sort of incidences should take place. Members of the committee are currently examining the security tapes recorded by CCTV cameras. If anyone has information on the people involved please come forward to one of the committee members in strictest confidence.

## U14 Hurling Tony Forristal Tournament

Waterford were drawn in a group consisting of Limerick, Clare and Wexford in the tournament which was held in Wa-

terford during last weekend. In the first match a draw was recorded against Limerick, Waterford 2-2 Limerick 1-5. In the second and third matches of the tournament both Clare and Wexford were easily disposed of, Clare 2-4 Waterford 4-9 and Wexford 2-5 Waterford 5-9.

This placed Waterford in the final on Sunday morning against Kilkenny. This was a tough match overall and one which Waterford were very unlucky not to win. They were leading coming up to the end of normal time, however Kilkenny, who should never be underestimated, scored a vital goal in injury time to give them the lead as the final whistle was blown. Final result Kilkenny 4-4 Waterford 1-12. Well done to Brian O'Halloran who did us proud. I would like to say a big thank you to all the locals who travelled to cheer on this great young team, especially Davy and Bridie, who never let the side down. I have no doubt but we will see this side in action again in the more senior ranks of hurling.

## U10 HURLING

We participated in the eleven-a-side Under 10 Hurling tournament organised by the

Brickeys on Saturday last. Teams in our group were Abbeyside and the Brickeys, while group two consisted of Fourmilewater, Cois Brid and Lismore. We were beaten in both our matches which meant that we participated in the C final against Fourmilewater. The final score in this match was Clashmore 1-5 Fourmilewater 1-2.

## U12 Football Championship

We played St. Oliver's on Sunday last in the semi final of the championship for a place in the final against Naomh Brid. St. Oliver's who had improved significantly since our previous meeting took the initiative early on in the match and had the opening couple of scores. Clashmore battled to keep the pace, but unfortunately St. Oliver's had the upper hand for the majority of the match. A few missed goal chances by Clashmore meant the difference between winning and losing. The final score was St. Oliver's 4-4 to Clashmore's 2-4. Well done lads for your tremendous displays of football throughout the year. Our thanks to the Brickeys for the use of Bushy Park for the match.

**ARIES**  
Mar 21 to April 20  
Your charm and charisma will get you noticed at a social scene and you may have to deal with some unwanted attention. Give time to a labour of love. Centre your attentions on self-made ventures and take care of getting involved in a risky business. A friend wants a heart to heart but you are not in the mood to offer intimate insights. ☎ 1550-920-257

**LEO**  
July 23 to Aug 22  
Someone can't help but say the wrong thing. Avoid reacting to what is unintentional. We all make mistakes. You feel the need to get out of a rut and someone special could help you do just that. It is time to let go of the past and to reach out to a fulfilling future. Travel plans excite but may lead to heated discussions. ☎ 1550-920-261

**SAGITTARIUS**  
Nov 22 to Dec 23  
An act of kindness will be repaid in dividends even though you won't have wanted anything in return. Opportunities are all around you so don't be short sighted or you could miss out! New friends prove interesting and exciting company. It is a fine time to make investments, start saving schemes or simply put a little away for that inevitable rainy day. ☎ 1550-920-265

**TAURUS**  
April 21 to May 21  
Aim high and take care not to sell yourself short. You have all the ingredients for success so it is now time to get cooking. You are compulsively drawn to clear out clutter and make room to breathe. Emotionally, you are not ready yet to let go of old attitudes that inhibit your progress. Take time out for pleasure especially if you are feeling under pressure. ☎ 1550-920-258

**VIRGO**  
Aug 23 to Sept 22  
Fond memories flood back as you meet someone from the good old days. Financially, this is a time of growth and stability. Concentrate on saving schemes and start building up a solid nest egg. Watch your spending! You are in the mood for a shopping spree. Professionally, you are ready for a change and making plans. ☎ 1550-920-262

**CAPRICORN**  
Dec 24 to Jan 20  
Have the courage to change. Don't expect everyone and everything to remain the same. Pride pushes you to be stubborn and makes it almost impossible for you to admit your mistakes. Be prepared to listen to criticism or reasonable argument. Turning life into a drama can be your downfall, particularly when it comes to personal issues. ☎ 1550-920-266

**GEMINI**  
May 22 to June 21  
Be positive. Your frame of mind is far more important than circumstances. You are at a transitional point in your life when things are looking up and difficulties can be left behind. Avoid exhausting yourself by saying "no" once in a while. A desire to please could work against you, causing you to stretch yourself beyond your limits. ☎ 1550-920-259

**LIBRA**  
Sep 23 to Oct 23  
Someone violates your private space or time, moving in on your territory uninvited. Remain polite but remind this person of important boundaries. At home, an unexpected turn of events takes you by surprise. You have great visions for the future but perhaps you should keep some of your wilder plans filed away until the time is right. ☎ 1550-920-263

**AQUARIUS**  
Jan 21 to Feb 19  
Don't allow others to pressurise you into taking on more commitment. You are a good money organiser but you can only stretch it so far. Your soft heart could sway you to spend more of your hard-earned cash than you can afford. Enjoy a fun flirtation but if attached - watch out. You could be playing on your partner's insecurities. ☎ 1550-920-267

**CANCER**  
Jun 22 to July 22  
If buying property or making important purchases, be careful. You may miss a critical detail and oversight could prove costly. A happy relationship brings a sense of peace and harmony. This is a time for new campaigns and initiatives. Watch out for a financial fiasco caused by a reckless attitude. Count the cost carefully before committing yourself to long-term arrangements. ☎ 1550-920-260

**SCORPIO**  
Oct 24 to Nov 21  
Work to maintain domestic harmony by giving in occasionally and make room for romance and displays of caring affection. Security means everything to you but try not to be so possessive of loved ones or their time. A heightened sensitivity causes you to see slights were none are intended. Avoid taking things so personally or too seriously. ☎ 1550-920-264

**PISCES**  
Feb 20 to March 20  
Food for thought and inspiration come from an unusual source. It is a good time to make long term plans but don't get so bogged down in tiny details that you lose sight of the overall picture. A reunion puts you back in touch. Mixing business with pleasure could prove productive and profitable so be prepared to make those contacts social. ☎ 1550-920-268

## Dungarvan Leader - GARDENING

# Hobby that can pay for itself!

GARDENING is one of the fastest-growing leisure activities.

It's relaxing, healthy, enjoyable and offers a great opportunity to be creative.

And unlike most other leisure activities it doesn't have to cost the earth. In fact, it can actually save you money!

People have been growing their own food for thousands of years.

The ornamental garden as we know it today - full of flowers, shrubs and water features - is a relatively new invention.

Up until earlier this century most "gardens" were productive plots, a source of vegetables, fruit and herbs to feed the family in the days before 24/7 supermarkets.

And today, as consumers become more and more conscious of issues such as genetic engineering and chemical pesticides, "growing your own" is going through a huge revival.

You don't need a big plot to generate a healthy supply of

vegetables.

Even a window box can be a source of summer salad crops such as radish, spring onions or even lettuce.

And modern hybrids mean the tiniest of gardens can now house apple, plum and pear trees offering generous crops of tasty, fresh fruit.

Even if growing vegetables doesn't appeal to you, it is possible to add interest to your garden and flavour to your food by growing fresh herbs in a window box, just like Jamie Oliver!

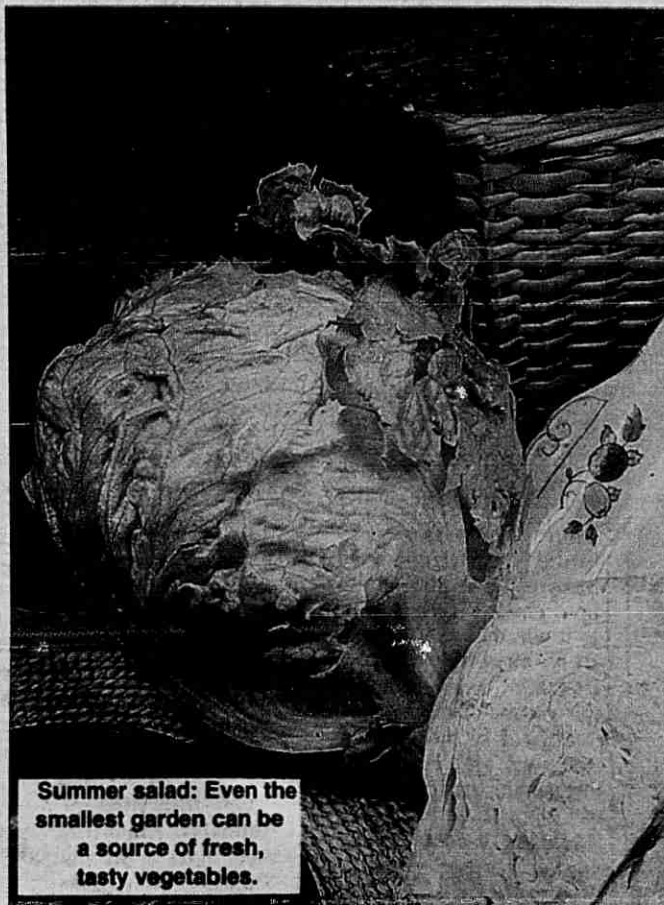

Sage, tarragon, parsley, mint and thyme all look good, taste good - and take virtually no effort to tend.

Here are some useful tips:

### Vegetables

Growing vegetables may seem time-consuming compared to conventional modern gardening - but many varieties require very little attention once the soil is prepared and the seeds are sown.

Among the easiest to grow are early potatoes, peas, beans,

Summer salad: Even the smallest garden can be a source of fresh, tasty vegetables.

tomatoes and celery.

One way to save time and effort is to plant them in situ rather than starting them under cover.

This may mean you miss out on early crops - but it will still give you a good supply of fresh vegetables throughout the summer and into the autumn and winter.

Early potatoes are harvested young and so are less prone to disease and require less tending.

Dwarf varieties of peas and beans grow to no more than 60cm and do not need staking or training.

Bush varieties of tomato also save time and effort because they do not need to be tied and supported.

Self-blanching celery is an "easy care" vegetable if it is planted in blocks, with no more than 20cm between each plant.

### Fruit

Many modern gardens are quite small and the key to successful fruit growing is to make a small space highly productive.

By choosing the right varieties and planting carefully you can grow as much as 25kg of fruit in less than the space it would take for a row of runner beans.

Modern varieties can be planted as little as 45cm apart.

Column-grown trees such as the popular Ballerina varieties form small towers decked with gorgeous fruit, occupying only a tiny area of your garden.

A good garden centre will be able to offer expert advice on what is best for your particular circumstances.

### Herbs

Herbs have added taste to our food since Roman times. Nine out of 10 originate from the Mediterranean and therefore thrive in sunny spots - although most are fairly hardy and will survive in any soil.

They make an ideal addition to a garden because almost all herbs add colour, interest and a pleasant scent, regardless of whether you plan to use them in your cooking.

### The Horse Fair

Living in Tallow we always look forward to the Horse Fair at this time of year. Some people take their holidays and return home from England, America and other countries around the world. The atmosphere is unique to Tallow and it makes us all proud of our local tradition. Here's hoping the weather will be fine for the day. Unfortunately for school children it also heralds the end of the summer holidays and back to school time. I'm sure the teachers aren't too excited either. Hopefully motorists will use a little more caution around the New Street entrance and slow down.

### Brideview Utd Schoolboy Notes

#### Under 10 Blitz

#### United Bow out in Semi-Final

Our U-10 side short a number of regulars got the semi-final before going out to Watergrasshill Utd. Our lads put in a terrific performance against Valley Rangers. Lee McElroy put United in front and we held this lead until the break. We piled on the pressure in the second half and a goal from Jamie Keating and a hat trick from Seanie Barry saw United run out 5-0 winners.

#### Watergrasshill United 5

#### Brideview United 3

This was a real thriller of a game with eight goals and plenty of thrills, spills and goal-mouth action. Stephen O Hara put Utd in front after just 5 mins but the "Hill" bounced back with two goals before the break. The Cork side added another two before Lee McElroy pounced to pull a goal back for Utd. Brideview scored again but Watergrasshill finished the strongest adding another and progressed to the final.

United; R O Sullivan, J Keating, L McElroy, J Tobin, D Harpur, R Grey, S Barry, S O Hara, M Ahern.

Parents/guardians if you would like to help out at training or at matches please contact any committee member we would be delighted with the help.

# Tough Task For Tallow

Ballyduff East are in top form at the moment and overwhelmed Erin's Own last week-end in their final preparation game before they meet Tallow in the senior hurling championship in the Fraher Field this Sunday.

Both sides have waited four long months for this second tilt at the championship and there is much at stake. Victory here will secure that team's senior hurling status and a place in the quarter final. The vanquished team will have a relegation dog fight against Portlaw to look forward to. That is my understanding of the situation.

These teams last met two years ago in the championship and Tallow eventually advanced after a tempestuous and dour replay. There was little between the sides then and I expect it will be just as close on this occasion.

Tallow banaisteoir Johnny Geary tells me we have a few injury worries for Sundays game: "A number of players are receiving treatment at the moment and we will just have to monitor their progress as the week goes on," he told me. He was giving little away as regards team selection however "After the players you'll be the first to know" he quipped.

His counterpart in Ballyduff, the genial Tom Whelan, in contrast, reports a clean bill of health. "We will be picking from a full squad" he informed me when I spoke to him earlier this week.

An intriguing contest in store on Sunday surely. Your support on the day would be greatly appreciated.

### Tallow GAA Lotto - supported by Kearney's Restaurant

Nos drawn: 2, 5, 8, 24. One winner.

Congratulations to John Morrissey who scooped the jackpot last week.

### Cois Bhride

The u10 hurlers had a great win in the Brickeys Tournament last week. No further de-

tails to hand. This week-end it is the turn of the u8 and u9 lads. See John Beechers report on this.

The u11 lads are also busy at the moment but I've no information on this.

The u16 hurlers are back in training in preparation for the Western Championship.

Tickets are currently on sale for the Cois Bhride annual draw with two All-Ireland hurling tickets and overnight stay as first prize. Many more prizes sponsored by local business. If you have not already purchased tickets you can do so Horse Fair Day in the square.....

### Shooting The Messenger

Some of the "lifers" are apparently unhappy with criticism I have levelled at the county board for their abject failure to get the grips with the fixtures fiasco that is strangling the development of club hurling in Waterford which has been going on for some years. I cant say I'm surprised at this attitude.

Their attention would be far better directed at the real issue which they have ducked for far too long.

Is there any competition in any field sport anywhere in the world where you have to wait four months between games. We have in Waterford a disjointed club championship which is not conducive to player or team development and does not capture the public imagination. If we don't get some degree of certainty the slide will continue.

A strategic review was conducted in the county a couple of years ago and proposals were brought forward. I have to say I believe that review was flawed in many ways but it contained some positive proposals, none of which were acted on.

Of course club championships in all counties, Waterford more than most, are impeded by the GAA's over indulgence in the inter county scene but the problem is not intractable. Waterford county board must do the

job it was elected to do. The board, or at least a proper fixtures committee with real teeth, must dictate when the club championship is played and when county players must be made available to their clubs. Now is the time to set down that marker before the various county management teams, are put in place.

### Brideview P.R.O.

I'd just like to pay a little tribute to my colleague Liam Fraser who penned the Brideview notes so eloquently and humorously for many years. We shared the page and a good deal of banter across the columns. We had a good rapport and I'm sure we haven't seen the last of Liam in print.

I want also to wish his replacement well. Milo has a sharp wit and is master of the one liner. If he can transfer this to print we should be in for some fun. Just remember Milo, there's only one "beautiful game" - that's the ancient game of the Gael. It's about time you took that poster of Peter Osgood down.....This weeks quote is specially for Milo!!!!!!

### Duirt Siad

### Cois Bhride

Our U8's & U9's travel to Roanmore Saturday, Sept. 3rd, for their annual tournament in aid of the Irish Epilepsy Society. Cois Bhride, Ferrybank, De La Salle & O'Loughlin Gaels take part in the U8 section while our U9's have been drawn with Dungarvan, St. Mary's & Windgap. Last year our U8's brought home the winners medals and will be hoping to do the same this time around as U9's, eventhough they're up against some very strong opposition, while this years U8's will be all out to repeat last years success and finish off a great year for this group of lads. Whatever the outcome this has always been a great day out for everyone and I've no doubt it'll be the same again this Saturday.

A bus has been organised and leaves the square at 12:30 sharp, all kids to bring a packed lunch.

IF you are looking for a tasty low calorie summer supper dish, why not try this delicious recipe which can be made with large courgettes or cucumbers.

- Ingredients:**  
 (serves 4, 385 calories per serving)  
 4 eggs  
 3 tbs single cream  
 1/2 tsp salt  
 1/2 tsp white pepper  
 pinch grated nutmeg  
 1 tbs chopped parsley  
 1 tbs chopped dill  
 4 ridge cucumbers or large courgettes  
 350g ham  
 2 small onions  
 1 1/2 tbs vegetable oil  
 150 ml hot chicken stock

 2 tomatoes  
 few dill sprigs

**Method:**  
 Hard-boil the eggs, then cool, shell and halve. Rub the whites through a sieve. Mash the yolks and beat in the cream, salt, pepper, nutmeg, parsley and dill. Slice off the tops, length-

wise, from the cucumbers. Scoop out the seeds with the tip of a teaspoon. Peel and finely chop the onions. Heat the oil in a saucepan. Add the onions and fry for 5 minutes.

Add the ham and brown lightly. Remove from the heat and allow to cool slightly. Stir in the egg mixture. Fill the cucumbers with this mixture and replace the tops. Place the cucumbers in a baking dish and pour in the stock. Cover and bake in a cool oven (150°C, 300°F, Gas Mark 2) for 40 minutes. Cut the tomatoes into quarters. Arrange the stuffed cucumbers on a serving plate and garnish with the tomato quarters and dill sprigs. Serve hot.

## Aubergine and Tomato Bake

THIS dish is perfect for vegetarians and is full of the taste of summer.

- Ingredients:**  
 (serves 4)  
 750g aubergine  
 3 tsp salt  
 3 tbs flour  
 150ml vegetable oil  
 2 onions, chopped  
 1 226g can tomatoes  
 3 tbs tomato purée  
 1 tsp dried basil  
 1/2 tsp dried oregano  
 1 tsp sugar  
 1/4 tsp black pepper  
 225g Mozzarella cheese, sliced  
 3 tbs grated Parmesan cheese

**Method:**  
 SLICE the aubergine into 1cm slices. Sprinkle with 2 teaspoons of the salt and leave aside.

Rinse the aubergine slices and pat dry with absorbent paper; toss in the flour. Heat the oil in a frying pan and fry the slices until brown on each side. Drain. Add the onions, tomatoes, remaining salt, the tomato purée, basil, oregano, sugar and pepper to the oil remaining in the pan and cook for 10 minutes. Cool slightly, then blend or sieve. Place half the tomato mixture in a greased dish. Add a layer of the aubergine slices and a layer of cheese slices. Top with the remaining tomato mixture and sprinkle over the grated Parmesan cheese. Cook in a moderately hot oven (220°C, 400°F, Gas Mark 6) for 20 minutes.

 50g cornflour  
 1 tsp baking powder  
 pinch each of salt, ground ginger, cinnamon, cloves and nutmeg  
 4 bananas

**Method:**  
 CREAM the butter and sugar until light and fluffy. Beat in the lemon rind and eggs. Sieve 150g of the flour, the cornflour, baking powder, salt and spices into the creamed mixture and fold in.

If the mixture is too dry to combine, add a little milk. (It should not be too soft.) Use half the mixture to line the base of a greased loose-bottomed 23-cm cake tin. Bake in a moderate oven (180°C, 350°F, Gas Mark 45) for 25 minutes. When cooking is complete, allow to cool. Peel the bananas and cut or dice them. Sprinkle with the lemon juice, then spoon into the tin above the cooked cake mixture and spread out. Mix the remaining cake mixture with the remaining flour to form a dough. ## GOOD START FOR DIV. 1 SIDE

### Abbeyside 5 Rathgormack 1

Abbeyside started the season very well at home on Tuesday last and we found ourselves 1 nil up after 15 minutes. With a fine goal for Shane Whelan on 15 minutes. 17 minutes later we went 2 up with a Beckham special from the halfway line by Mark Barry.

In the second half the Villagers picked up where we left off when Barry once again found the net with a 20 yard volley to make it 3 nil. Things got better when Whelan added the 4th by rounding the keeper to make it 4 nil. With 10 minutes left Rathgormack pulled 1 back to make it 4-1. With 2 minutes left Mark Ferncombe showed some superb trickery and skill to score a superb volley to finish the game 5-1.

## Under-16's Draw With Stradbally

### Stradbally 3 Abbeyside 3

We travelled to Stradbally last Saturday missing 4 from our starting eleven and it showed after 2 minutes we found ourselves a goal down as our own defender headed the ball into the back of our own net. 4 minutes later it got worse as we went 2 nil down, that's how it stayed until the 37th minute when O'Donnell scored a superb scissors kick to make it 2-1 at half time.

Second half Abbeyside woke up and started playing very good 1 touch football. Within minutes Healy pulled us level 2-2 then Craig Kinghorn went on a solo run to beat six players and put the ball in the bottom corner of the net to make it 2-3. Four minutes from time Stradbally pulled level to make it 3-3 at full time.

DUNGARVAN RFC  
SATURDAY, 3rd SEPTEMBER  
3 pm Kick-off

All welcome

Despite the little drizzle of rain last Saturday, Sunday began to shine around 2pm and all was on target for our annual Dungarvan RFC tag tournament. Teams were warming up and fixtures were being sorted. Kick off was 3:10pm and two matches were played simultaneously.

In all 10 entered the competition, some travelling from Cork, Carrick on Suir and Clonmel. Despite each side only being 7 minutes in such a quick game its enough!!! Four teams reached the semi-final, where survival of the fittest would tell us who would be in the final. In the end it came down to Clonmel Commercials and The Black and Tans.

The Black and Tans captained by Diarmuid Molloy were announced tournament winners.

Well done to all who came out and gave rugby a go. Many thanks to all committee and club members who helped prepare the field and clubhouse and helped out on the day.

As well as winning team, we also asked our refs to seek out who they thought were the female and male player of the tournament. Niamh Briggs very much deserved to claim the female prize as she was top female try scorer on the day, while Warren Hogan who put up an superb performance on the field was awarded the male player of the tournament.

T.F. McCarthy, President Cunnigar Pitch & Putt Notes

**PRESIDENTS DAY**  
 Again our President, T.F. McCarthy pulled out all the stops for one of our club calendars biggest events. I must say that the prizes this year were as good as you would see anywhere. And yet again a very large crowd of supporters took part. It just goes to show how respected our President is with the large number of participants on the day.  
 Unfortunately Francis is retiring as President this year but we hope he'll still be swinging his clubs for many more years. He has been an active member of the club for 10 years. 2 years as Chairperson and three years as President. In all of the 10 years

he has always had the best interests of the club at heart and this has showed with the way he is always helping a hand with all matters of the club and course.  
 Despite the recent vandalism to our course T.F. was determined not to give in or be beaten by this (evil) behaviour. Format for our gents was a 36 hole stroke competition with four prizes up for grabs. Some very fine scores were returned in the nett competition with David Buckley being victorious taking first nett. While a very close second gross section, again there was some very fine scores returned. John Carroll took 1st gross beating Aidan Murray who took 2nd gross on a count back of the last 3 holes.  
 The ladies teed off next for a 24 hole competition. A large number of ladies took part making it hard to compete for a prize. Ladies 1st nett went to Wynn Colligan, 2nd nett went to Mary O'Neill and 3rd nett went to Corinne McGee. In the gross section 1st place was taken by the ever so popular Patricia Reegan, 2nd gross honours went to Mary O'Brien while in third was Joan Curran. # DUNGARVAN UNITED CLUB NOTES

### WEEKEND RESULTS

1st Division — Dungarvan 1 v St. Otteran's 0  
 Premier — Johnville 1 v Dungarvan 1  
 1st Division — Hibs 1 v Dungarvan 4  
 Premier — Dungarvan 2 v Ferrybank 2

### SUMMARY

All in all it was a mixed bag of results for our Junior teams. Firstly our 1st Division squad under the guidance of Michael 'Stan' Cummins have started very well indeed with some steady victories which will hopefully result in them gaining a grip on the higher league positions. Meanwhile, the Premier squad most certainly do not deserve the position they hold due to the hardworking performances in their first few games, the hard work in pre season is certainly showing and we know that this hard work will soon bring its rewards.

### ASTRO TURF TIMES

Following a few weeks where there were some slots available for hire, things have changed slightly whereby regulars have returned to book their slots for the year. This in turn leaves some other times that remain available for hire. Anyone wishing to avail of the available slots can call 087-649251. The Astro Turf is available for hire regarding birthday parties or school functions.

### SCHOOLBOY TRAINING TIMES

Under 11 (B), Under 11 (A) - Sunday 6:30pm sharp (Martin Davis, Fran Fraher, Seamus Hayes, Shane Desmond). Both squads train at same time.

Under 13/14 - Tuesday 6pm sharp (Ross Power, Ed Egan, Alan Landers) Both squads train at same time.

Under 16 - Tuesday, 6pm sharp. (John Paul Donnelly, C.R. Power)

### REGISTRATIONS

Junior registrations are coming in fairly well at this moment in time, so anyone else who has not paid please do so, by paying their dues to Michael Cummins 1st Division, Noel Twomey or Jeff Allen, Premier.

### SCHOOLBOYS REGISTRATIONS

Also these are working very well at the moment and this is due to the hard work of the managers concerned. It goes without saying that we expect all registration to be sorted in the coming days.

### RUBBISH DUMPING

Again we have become very disappointed in coming across rubbish being dumped at the entrance to our club grounds. This is a sad sight to see and the only option is to inform the local authorities and now this matter is out of our hands.

### SCHOOLBOY FOOTBALL

Presently all Schoolboy teams are training very well indeed and looking forward to any games that are coming up. Also any parents that wish to bring their kids along to the training times can do so at any time or contact 087-6489251.

### Saturday Academy

We are due to start back to training on Saturday, 3rd September but we now have to put this date back by a few weeks due to circumstances beyond our control. Apologies to all parents and children. New times will be in our notes in a few weeks.

### PREMIER LEAGUE

#### Johnville 1 Dungarvan 1

On Wednesday evening we travelled to Johnville to play our third premier game. We knew this was going to be a tough battle and we were not disappointed. Johnville took an early lead and Dungarvan fought hard and had many attacks thwarted by a resolute Johnville defence. After half time Dungarvan continued to press hard for an equaliser and our defence had to be on their toes to hold Johnville from some good breaking football. With 7 minutes to go Dungarvan were awarded a penalty and Kevin Walsh calmly slotted this home. For the remaining seven minutes they gave it their all to get a winner but failed to do so.

This game was kindly sponsored by Timmy Kiely, "Keane's Bar".

### Dungarvan 2 Ferrybank 2

Sunday morning saw us take to the field against Ferrybank. Both sides had chances early on with both defences holding solid. We got the break when Colin Walsh finished a good flowing move down the right hand side and a good cross was put in the back of the net. Unfortunately, Colin took a bad knock to the head and again had to be replaced soon after scoring. Ferrybank were fortunate to get an equaliser against the run of play.

Dungarvan played the better football in the second half and missed a lot of chances. The breakthrough came when Craig Cowming put the ball in the Ferrybank net after a lot of pressure. Ferrybank did not give up and came back looking for the equaliser which they undeservedly got with little time left. Dungarvan were the better team on the day but the score did not reflect this.

This game was sponsored by Tony Dee.

### LOTTO

Jackpot €5,300. Numbers drawn were 2-6-20. One jackpot winner. Congratulations to John Walsh, c/o Terry Whelan. New jackpot €500. Next draw will take place in Keane's bar on Sunday, 4th September. Please continue to support our lotto and help our club with our fundrasing.

### SPEEDY RECOVERY

We would like to wish a speedy recovery to ex-club man Kevin Hayes who is currently recovering in a Dublin hospital. Hope to see Kevin out and about very soon.

### DEEPEST SYMPATHY

Deepest sympathy to the family and friends of Anthony Kyne, Port Talbot and formerly Abbey-side, who passed away recently from all at Dungarvan United. Also sincere sympathy is extended to Roy Barton and family on the death of his mother in the Isle of Wight.

### DIVISION 1B

## Good Start For Div. 1 Team

### Dungarvan 1 St. Otterans 0

Dungarvan opened their first Division campaign with a hard fought one nil win last Wednesday in Kilrush Park against St. Otteran's. Playing in perfect conditions, it turned out to be an entertaining game. Tony Keane took his pre-season form with him when he scored the only goal of the match in the first half. It was a case of missed chances nearly costing Dungarvan dear as the visitors keeper kept out everything that came his way. As the second half went on you could sense that the Blues needed a second goal to seal the match but it didn't come. Five minutes into injury time the visitors were awarded a penalty. Up stepped the keeper who went from hero to zero as he blazed the ball over the bar. The lesson here to be learned is put away your chances when they come or nine times out of ten you will pay the penalty.

Team: T. Moore, B. Foley, J. Shaw, B. Crotty, J. Cullinan, J. Hyslop, J.P. Keohane, A. Hogan, G. Crotty, P. Freyne, T. Keane.

Man of the match: Tony Keane.

### Hibs 1 Dungarvan 4

A good result all round last Saturday as we came away from the city with all three points. It was a case of two contrasting halves. We went in front after 15 minutes when Paul Freyne fired home from a tight angle, we then played second fiddle for the remaining 30 minutes. Hibs level led on the 30th minute from a set piece. They should have gone in front but missed two great chances before the break. In the second half it was a different story. Dungarvan picked up the pace and what a difference. J.P. Keohane got on the end of a free kick heading past the stranded keeper, 2-1. Minutes later T.J. Crotty scored a cracker. Running across goal he somehow managed to back heel to the net. Ten minutes from time, Clive Crotty put the icing on the cake when he hit number four.

Wednesday night at home to Tramore. Never an easy task!

Team: T. Moore, C. Cowming, J. Shaw, B. Foley, J. Cullinan, J. Hyslop, J.P. Keohane, T. Keane, B. Crotty, P. Freyne, C. Crotty, T.J. Crotty for T. Keane (35th min. injury), A. Hogan for B. Crotty, P. Ferricombe for P. Freyne.

Man of the match Bernie Crotty.

# Hopeful Journey Finishes In All Ireland Glory

It is not often that small rural areas get to feature in All Ireland Finals so when Ardmore/Grange Community Games Under-12 Soccer side won through in Munster they were presented with the opportunity to go to Mosney and contest the All Ireland semi finals. To do this however cost money so the young boys participated in a Sponsored walk which raised sufficient funds for them to be properly kitted out for their big weekend. A number of individual sponsors also donated funds, which was very much appreciated.

## Journey Begins

On Friday August 19th, the troops made their way to Mosney in various modes of transport with the Don Mobile leading the way. Road works, traffic jams and toll bridges were all encountered before the various cars arrived at their destinations in Drogheda, Slane, Bettystown, Laytown, Navan, and Portmarnock as the parents had arranged the accommodation. The meeting time in Mosney was 4.30pm so that everyone would have time to get organised for the opening parade. On arrival, we met Peggy Reynolds who is the Waterford delegate at Mosney with the Tramore bus also pulling in at around the same time. A number of individual participants were also present and with time moving on it was time to assemble for the official parade. Tommy and Ann Mooney had ensured that Ardmore /Grange team would have a flag to remember, as the seamanship of the good ladies in Carriglea was unfurled. Tom and John Power were our flag bearers as team manager Declan Barron got the lads into position. We were twelfth in the parade which was compered by Pascal Mooney who somehow managed to forget our name in the roll call of Waterford areas but this did not matter as the lads proudly wore the Waterford Tracksuits as they marched past the assembled officials. Batt O'Keeffe who is a welcome visitor to Ardmore posed for a photo before wishing us well.

## DROGHEDA BOUND

On the way up we heard on Radio that Waterford United were in action in O2 Park in Drogheda which was just up the road so arrangements were quickly put in place to take the boys to the game while the adults who did not go were allowed to go for a meal and refreshments in the Julianstown Inn. There was a great atmosphere at the game but from a Waterford point of view there was little to cheer about as we arrived just before the opening goal was scored. A defensive blunder allowed Drogheda to score what proved to be the match winning goal but it was also a lesson for the young boys that mistakes get punished at most levels but the higher you go the more likely you are to be punished. A word with the Public Address announcer saw the boys receive a mention at half time as the young boys continued to hope that the blues would get an equaliser. It was not to be however but a trip to McDonalds lifted the spirits and when some of the Waterford boys called in it was great for the lads as they wished them the best of luck. At around 10.45 pm they rejoined the rest of the party to adjourn for the night as we were due in action on Saturday afternoon at 2-30 pm.

## FIRST SEMI FINAL

D-day so to speak had arrived and the morning was spent in various ways with the Drogheda shops relieving us of some of our money. The 1-30 pm meeting time saw most of the lads arrive but traffic congestion on the approach gave us one or two headaches which were solved by mobile phone contact and everyone finally made it with time to spare. Our opponents Kells Celtic who were Leinster winners were a big side as we got our first glimpse of the opposition. After the warm up Declan Barron announced the team to the lads who were playing 4-4-2. Nerves were very evident but Declan told them to play their own game and do the simple things well. Mistakes do happen so don't worry was the message as Sean Barron presented the Kells captain with a memento of the occasion. At 2.30, precisely we were under way as the game was played in glorious sunshine.

## EARLY GOAL SETTLES THE NERVES

Both sides were evenly matched and from an early stage, one got the impression that it would be tight with the first goal being crucial. Ardmore/Grange got the breakthrough in the sixth minute as John Gartland timed his run perfectly as he ghosted in behind the Kells defence to guide the ball under the advancing keeper to give us an early goal that certainly settled the nerves. At the other end, Seamus Keating was called into action twice in the first half and he produced two class saves, as we remained 1-0 in front at the break.

## FIGHT TO THE FINISH

The second half saw the defensive qualities that emerged in Munster again come through as Thomas Fitzgerald, Tomas Mooney, Liam Power, and Daniel Power all effect good clearances. Seamus Keating continued to inspire confidence in goal even without the influence of his dad who was asked to leave the area. With James Salmon and Sean Barron winning vital ball in midfield the runs of Kieran Conway and

Ardmore Under 12 All-Ireland champions Community Games 2005 Panel of players. Back row: Tomas Fitzgerald; Gavin Williams; David Gartland; Danial Power; John Gartland; Sean Barron; John Power; James Salmon; Declan Barron (Manager) Front row: Christopher Power; Kieran Conway; Liam Power; Seamus Keating; Dylan Troy; Tomas Mooney; Tomas Power.

David Gartland in support of the front two of John Power and John Gartland saw Ardmore force Kells back on a number of occasions as Sean Barron came close with a long range effort while James Salmon hit the post with a header from a corner kick. Time was passing by however as the single goal still separated the side with Kells now throwing caution to the wind. Gavin Williams came on in attack with ten minutes remaining and while Kells forced an injury time corner that was cleared off the line they never looked like getting the goal that would have meant extra time and when the final whistle blew it was Ardmore /Grange that had qualified for the final but they were made to fight to the finish by a game Kells Celtic side. The realisation that the boys had at least won Silver medals was now beginning to sink in as the parents blood pressure began to return to normal.

## ALL IRELAND FINAL

By now word had spread that Ardmore /Grange had reached the final and with Ardmore involved in hurling action back home it was a busy morning for team manager John Power as he kept in touch with the Fraher Field by phone. He did not have too many anxious moments but he faced a tough hour in the final. It was noticeable that the lads seemed much more relaxed on this occasion as team manager Declan Barron gave them final words of encouragement. Ardmore had decided to play against the wind if they won the toss and this they duly did as they again lined out in a 4-4-2 formation. There was a plan B in place if needed as the players were spoken to the night before and they knew what was required. For the moment however we decided to play our own type of passing football and this was rewarded with another early goal as John Power and John Gartland combined to unlock the Boyle defence with John Power finishing brilliantly to put us ahead with only seven minutes gone. We were in for another long haul but this time conditions were not as good as heavy rain had made the surface greasy while a strong wind also had to be dealt with. Ardmore were doing well and apart from one or two long range efforts the dangerous Smyth was well held by Daniel Power with Liam keeping a close watch behind and half time was reached as James Salmon went close to increasing our lead but his shot was inches wide.

## RTE LISTEN IN

The half time team talk was taped by RTE as the lads were encouraged to continue to play the ball in behind the back four while our forwards were asked to work really hard to close down the clearances. We now had the breeze, which was another help, and with each player playing well, we remained in control. The nerves were to be seen more in the adults than the children as time ticked by. We almost snatched a second goal as John Gartland was taken down outside the box with the keeper saving from Sean Barron at the second attempt. There was now just two minutes to go and with Gavin Williams working really hard up front there was no way we were going to be beaten. The final whistle sounded just thirty seconds into injury time as scenes of jubilation not often witnessed were seen as Ardmore /Grange had defied the odds to

be crowned All Ireland u12 Soccer Champions. For the children the realisation will take time to sink in but for the parents it was a proud moment to see their son win an All Ireland Medal. Ardmore commiserated with Boyle Celtic and again these words were recorded by RTE and played on Monday night. Once the excitement had died down the players were calling friends and family as messages of congratulations began to flow in. After the lads had changed, they were again taken for a meal this time at the Julianstown Hotel where they certainly enjoyed themselves. The parents continued in good form as the lads were now looking forward to receiving their Gold Medals.

## PRESENTATION

The presentation ceremony was set for 8-30 pm with Monaghan who had beaten Kells after extra time taking the bronze medals. Boyle got Silver but the moment we were waiting for finally arrived as the Gold Medals were presented to each of the squad. The moment was captured on film and in photo as what started out as a hopeful journey had finished with the boys being crowned All Ireland Champions. Many had decided to stay another night while some had to head for home at that late hour. Thankfully all arrived safely as then plans were put in place for a welcome home party on Tuesday evening with a parade from the Church to the Round Tower Hotel.

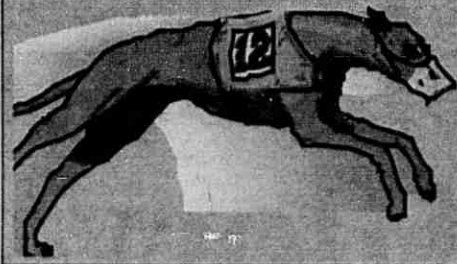

## HOMECOMING PARADE

The team along with team manager Declan Barron was paraded through the village on Tuesday evening last to a welcome home reception at the Round Tower Hotel. Officers of Waterford Community games led by County Chairman, Tom Kearney along with Treasurer Tom Hassett, PRO Bernie Fleming and National Executive member Peggy Reynolds who was in Mosney to witness the success were in attendance along with the scores of relatives and friends who lined the street for the welcome home. Master of ceremonies Nicky Keating who was one of the proud parents kept proceedings on the move as the children who first had a meal were again introduced to the crowd. The gold medals won after a 1 - 0 win over Roscommon representatives Boyle Celtic in the final were again presented to the lads as Ardmore F.C founder member Tommy Mooney asked his good friend Tom Hickey, a.k.a. Benjy from the "Riordans" to do the honors. Other speakers on the night were Fr Milo Guiry, Tom Kearney, Seamus Veale current chairman of Ardmore F.C and team Manager Declan Barron who along with his wife Breda were the recipients of some lovely gifts presented on behalf of the parents and players by Daniel Power, John Gartland, Sean Barron and James Salmon. A great success was celebrated in fine style as the young boys from Ardmore and Grange Community games were honoured in suitable style as a great weekend had finally ended.

## THANKS

Sincere thanks to everyone who helped in any way but especially to the parents of the children who all traveled for the occasion.

FRIDAY AUGUST 26TH

## Judicial Mate Led All The Way

There were three competitive finals down for decision at a well-attended Kilcohan Park last Friday night. In the final of the Traps Bar Unraced decider Wayward Hill was a non-runner and Cotton Lark took his place. The Pat Daly owned and Michael J O'Donovan trained Judicial Mate (Spiral Nikita-Dons Beauty) was despatched as the evens favourite and this February 04 whelp duly delivered with a solid early paced performance to make all in a slick 28.86. With the chasing pair of Bigwood Wally and Kingsmill Charm bumping on more than one occasion Judicial Mate enjoyed a trouble free route up front to defeat Kingsmill Charm by five lengths.

In the final of the Bet With The Tote 29.60 Hurdle the Larry Sullivan owned and John Corbett trained Pier Flyer (Sineads Slaney-Gers Memory) the 6/4 favourite jumped into the lead on the back stretch past Linkvue Hon and when a prominent Free Air clattered the second last hurdle Pier Flyer skipped clear for a well deserved five and a half lengths success over Free Air in 29.26.

The final of the Maurice Jackson sponsored Waterford Heating and Plumbing A5 event was a real thriller. The fast starting and early paced Sooty Lark (Larkhill Jo-Cooladine Sooty) 9/4 appeared all set to record an easy win but Sheeraghs Baz came with a tremendous late rattle only to taste defeat by a neck in a fast 29.01. Local trainer Tony Ryan has charge of the winner for Portlaw owner Kevin Fogarty.

In the opening graded 525 the R Fleming and Pat Whealan owned and Liam Corcoran trained Chain Gang (Droopys Merson-Anfield Lady) 5/2 took over in the lead at the first bend from Jump Cool the even money favourite and making the long break for home Chain Gang took no prisoners en route to a seven lengths success over Ragtime Tune in 29.43.

In race two the Julie Power owned Distant Gift (Hondo Black-Autumn Gift) showed significant improvement from his debut effort to run riot over the opposition in an impressive 28.97. A moderate breaking Distant Gift quickly made up the lost ground and did really well to clear the second bend challenge of Husky Cuff before scampering clear this well backed 2/1 on favourite eventually dishing out a fourteen lengths beating to Gallows Flare. The winner who was having only his second ever race will not be two years old until April 2006.

County Wexford owner James Dempsey saw his fast starting Tomnaboley Yank (Mustang Yank-Boolvogue June) win his first race at the sixteenth attempt leading throughout from trap six in the third race. Well clear at halfway Tomnaboley Yank 2/1 did well to hold the late run of Black Pegasus by a neck in 29.32.

In a 300 yard sprint Airmount Darkie (Climate Control-Airmount Joanne) 3/1 and Bar The Ranger the evens favourite drew well clear of the remainder from traps and holding the inside line Gerry Kiely's home bred Airmount Darkie got the better of a titanic duel with Bar The Ranger by a length in 16.44.

County Wexford trainer Davy Morris sent out the Hopeful Boys Syndicate owned Comanche Scar (Cool Performance-Aqueduct Hesta) 3/1 to a clear-cut pillar to post 29.01 victory in the sixth event. Shooting straight into an early lead over Got The Neck Comanche Scar was never in any subsequent danger coming home all of five lengths clear of a hampered Fair Jackie.

Despite being a number of days in season the Hopeful Four Syndicate owned and Michael Delahunty trained Killaspy Molly a full sister to earlier winner Chain Gang produced a pleasing front running performance to capture the seventh event in 29.19. Stretching into an early lead over Rather Cool and Bill Is Waiting Killaspy Molly the 6/4 favourite made the best of her way home for a well deserved five and a half lengths success over a running on Richie Rapid.

Wilcox Tiger made a brave effort to make every post a winning one in the tenth contest but with the winning post in sight he was collared close home by Luke Fitzgerald's Lukes Roano (Roanoke-Lukes Honey) this 3/1 chance finishing strongly for a neck win in 29.60.

Trainer Jimmy Frisby had a welcome change of luck as he sent out the To Dye For Syndicate owned Good Hare Day (Fortune Mike-Frightful Laura) 2/1 to a well deserved 29.17 success in the eleventh contest. Showing good early speed up the rails Good Hare Day was always travelling well in the lead and despite the best efforts of Brandy Rebel and Fahee Droopys Good Hare Day held firm to triumph by one and three quarter lengths.

The final race of the night produced the fastest return of the session with the George Roche owned Vaughan Brindle (Bionic Prospect-Bet-fivemillion) 5/2 coming out best after a keen buckle with the always prominent Valentia Action. Valentia Action actually headed Vaughan Brindle on the back stretch but Vaughan Brindle renewed his challenge in the final quarter of this race to win out by two and a half lengths in a best of night 28.83.

SATURDAY AUGUST 27TH

## Mourinho Scored An Easy Win

The finals of the Gain/O'Dwyer Dog Foods Unraced and Gallows Kennels 730 yard marathon stakes were the showcase events on last Saturday nights twelve race card and both deciders stayed local with impressive victories for both Droopys Mourinho 4/6 and Avalon Supreme 2/1.

In the final of the unraced stake Ballinclare Hue and Wilcox Brunel were both scratched and their places taken by Lisnakkil Kewell and Foxes Quarry. When the traps flashed open however the Michael Dunphy owned and Pat Buckley trained Droopys Mourinho (Judicial Pride-Droopys Nellie) the hot favourite was quickly into his stride. Droopys Mourinho rounded the first turn with a handy lead over the early paced Ballyhoe Legend but in a one sided final Droopys Mourinho bounded clear down the back stretch to gallop on for a clear cut seven lengths win over Ballyhoe Legend in a sizzling time of 28.37.

The final of the Pat and Patricia O'Neill sponsored Gallows Kennels Marathon was a real thriller. Haliska Blueboy the well-supported 11/10 favourite dwelt at the start as the local runner Screen Goddess took a flyer to lead from Avalon Supreme. The Tom Kearney owned and Paddy Gaffney trained Avalon Supreme (Droopys Vieri-Duhallow Lady) proved a constant threat to Screen Goddess throughout and easing himself to the front at the fifth bend Avalon Supreme was soon on his way to glory.

After his poor start and early crowding Haliska Blueboy made eye catching late headway but Avalon Supreme a 29.00 performer over the standard trip was not going to be denied getting every yard of this trip to triumph by one and a half lengths in 40.75. Jerry Mangan bred the winner in Newmarket County Cork.

In the opening 525 the Noble Syndicate owned and Michael Power trained All Night Louis was all the rage in the betting market at 2/5 and this fellow did not leave the side down posting a convincing 28.89 success. Crowded on the run to the first corner All Night Louis sprinted past the front running Dun Sion out of the second bend and lengthening his stride All Night Louis went on to record a facile seven and a half lengths win over Oven Glove.

In the second race Bettys Abby cut an early dash from trap one but halfway down the back stretch the Brian Jordan owned and Brian McCann trained Topaz Charm (Larkhill Jo-Haliska Charmer) 5/2 struck the front on the wide outside. It proved all so easy for Topaz Charm from that point home as she increased her winning advantage to seven lengths at the winning lone from a running on Ali Granard who it must be said did not enjoy the clearest of runs. Time 28.94.

The Sean and Ray Jennings owned Draw Your Gun (Whiteford Judge-Roan Queen) appears to be improving with age as he blasted the opposition with a smart pillar to post 28.67 success in the third contest. Breaking like a bullet from his middle draw November 2002 whelp Draw Your Gun was chased throughout by Raheen Champ but keeping on well in the lead Draw Your Gun went on to defeat Raheen Champ by three lengths.

The Sean Power owned Top Agenda (Top Honcho-Newlawn Atlantic) 3/1 produced a gutsy display to capture the fourth event in 29.19. The always prominent Top Agenda beat off the persistent challenge of Kilnarnack Rebel and while a slow starting Grange Judge ran on well at the finish a determined Top Agenda held firm to score by one and a half lengths.

Eden Lofty broke smartly in the fifth contest but it was the 9/4 favourite Cushie Donna that kicked on into the lead off the second bend. Cushie Donna looked the likely winner at that stage but the Mary Roche owned Ruths Hero (Droopys Kewell-Trendy Belinda) 5/1 had other ideas however and timing his run to perfection Ruths Hero came through to deny Cushie Donna by a half a length in a best ever 28.97.

The Laurence Evoy owned and Lester Power trained Landing Honcho (Top Honcho-Ballymountain) 3/1 was yet another winner to pounce late when taking the sixth race in 29.14. Despite taking more than one bump rounding the opening two bends Landing Honcho had some ground to make up as a fast starting Gillsha made the long break for home. Landing Honcho gradually reeled in the leader and despite staying wide into the home stretch Landing Honcho went on to win a shade cosily by a length from Roanoke Rocket in 29.14.

Gillsha's trainer Nick Turner enjoyed better fortune in the ninth contest, as the Maurice Langan owned Windmill Johnny blew away the opposition in 28.87.

Getting the better of a real dour battle up front with the rails seeking How Ya Boss 4/1 shot Windmill Johnny (Climate Control-Floras Lisa) went on to beat a running on How Ya Boss by a length.

The 2004 Cork Airport Munster Oaks winner Abbesside Blonde (Always Good-Mammys Nightmare) returned to her favourite track with a vengeance beating a competitive field in an open 550-yard contest. Owned by Seamus Shealy Abbesside Blonde 6/4 nudged up the inside of

Silken Thomas and a hampered Killaspy Jack rounding the first bend. Caulry Fast Trap was left in second spot down the back stretch but try as he might he could make little or no impression on Abbesside Blonde who galloped on resolutely for a four lengths win in a blistering 29.56.

The eleventh contest was also decided over the 550-yard trip with victory going to the David Murphy and Trevor Swift owned Glencarra Lady (Droopys Kewell-Cu Cara Kate) in 29.97. This lady was not hanging around at the start as she shot into an early lead over Killag Mosney and Gurrane Gold. This order of running remained unchanged for the duration of this contest with a strong running Glencarra Lady coming home four and a half lengths clear of Killag Mosney.

In the final race of the night the John O'Donnell owned and Tom Delahunty trained Ruwell Yourself (Moyné Rebel-Millbank Meadow) 9/4 made sound use of his early pace to notch his seventh success in 28.71. Outpacing her rivals in every department from the start a free galloping Ruwell Yourself appeared to relish her front running role eventually beating Suddenly by three lengths.

SUNDAY AUGUST 28TH

## Perrys Best Lived Up To Her Name

All concerned will have learned a lot from the inaugural running of the Family Fun day in Kilcohan Park last Sunday and the event promises to grow in stature over the next number of years.

When all the families appeared to enjoy the pre racing activities matters of a canine nature commenced at 6pm sharp where the first of the semi finals of the Kilcohan Park Unraced stake was decided. The punters rowed in with Jack Tees Bar in the first qualifier but he sought the inside from an outside draw and was in the wars from an early stage. Tas Devil was out in front for three quarters of the trip but the George Frisby owned Postmans Style (Jamella Tiger-Alex Pride) 3/1 produced the superior finishing kick to come through for a three and a half lengths win over Tas Devil in pleasing 29.02.

In the second qualifier the Jim Brennan owned Elteen Ember (Droopys Hewitt-Droopys Stella) tracked the front running Ballinkina to the home turn but coming with a sustained run up the rails Elteen Ember 2/1 eased her way into the lead to run out a three and a half lengths winner over a running on Peggy Gadfly in 29.12.

The Perry Aylward owned Perrys Best (Daves Mentor-Bear Usal) 5/2 to 1/1 lived up to her name in heat three when landing some tasty wagers in a best ever 28.79. Firing herself clear from trap one Perrys Best led throughout from Johnys Prince and getting every yard of the trip Perrys Best bounded clear for a five and a half lengths success over Johnys Prince.

The first of two winners for local owner Gerry Kiely arrived in the fourth contest with 5/2 shot Airmount Ellis (Climate Control-Airmount Joanne) making every yard of the running to oblige in 29.17. The runner up Duffry Starlight gave of his best in second spot but Airmount Ellis kept on well in the lead to triumph by a length.

2/1 shot Airmount DeeJay (Deenside Equity-Airmount Swallow) completed the double for Gerry Kiely coming from behind in the ninth event over the 550-yard trip in a decent 30.02. The pace setting Laughing Cider had no answer to the late charge of Airmount DeeJay who finished full of running to outstay Laughing Cider by four and a half lengths in a decent 30.02.

The JDR Syndicate owned and Patricia O'Neill trained Titanium Jenny (Toms The Best-Navigation Girl) got back to winning ways from trap one in the fifth contest as she led around the opening two bends from the chasing pack and upping the tempo on the back stretch Titanium Jenny 3/1 surged clear for a comprehensive seven and a half lengths defeat of Lauconaid Lad in 28.86.

Kilmacthomas owner Nicky Hannigan sent out the trap to line 3/1 winner of race six with Mindies Lad doing the business in 29.20. Myaugh Engorm fared best of the rest but was still four and a half lengths in arrears of the early paced Mindies Lad at the winning line.

The seventh race produced a tight finish with Michael Turner's Sunka Wakan (Honcho Classic-Tramline) 5/2 coming out on top in 28.88. Leading early on from Poison Ivy Sunka Wakan was forced to dig deep to overcome the late challenge of Poison Ivy who went down by three quarters of a length.

The Betty Loftus owned Vigilant Amy (Go Wild Teddy-Droopys Teresa) 3/1 took on and beat some better fancied opponents capturing race eight in 28.93. Lady Bluebell powered into an early lead over Moher Mover but gradually reeling in the leaders a gutsy Vigilant Amy 3/1 stayed on best up the home stretch to outstay Lady Bluebell by two lengths.

Tinahue Spring (Droopys Rhys-Kalooki Princess) is certainly paying his way for owner John Fox and this fawn dog made the most of his early pace taking the final race of the night in 28.72. Packing to much early pace for his rivals Tinahue Spring a 7/2 chance at the off led early on from Daroma Wish and while Lil Bow Wow was putting in some sound late work Tinahue Spring went on to triumph by three lengths.

## A String Of Injuries

A run of recent injuries to his jockeys is playing havoc with the riding plans for the John Oxx trained horses here in Ireland. In the space of ten days John saw his first three jockeys sidelined through injury namely Mick Kinane, Fran Berry and Cathy Gannon. Stable apprentice Jamie Moriarty will come in for some of the rides while Pat Smullen will also take mounts for the stable.

Cathy Gannon suffered a cut forehead in Tramore while it later transpired that she also broke a toe.

## Nice One Polly

The Arthur Moore trained Polly Anthus who captured the Richard Power Handicap hurdle at Tramore is in foal to Definite Article and may just have one further race outing before being retired from racing.

## Interesting Statistic

When jockeys take a fall in flat races they have a 50% chance of picking up an injury and while falls in National Hunt races are far more frequent the injury rate varies from 13% to 15%.

## New Race Track For Tramore

Tramore racecourse announced last week that they intend moving the racing from the current location at Graun Hill to a new site in the vicinity of the back strand. One can only assume that the funding for the new racecourse will come from the sale of the current racecourse, which is valued in the region of Euro 50 Million for redevelopment.

According to trainer and track director Willie Mullins the new track will be well up to Grade 1 standard which could take up to twenty five runners in every race.

They eight directors of Waterford and Tramore racecourse are Peter Queally, Jeremy Hill, Willie Mullins, Karl Casey, Eamon Griffen, Ron Shaw, Paul Jackman and Vince Power. The new track and facilities will cost in the region of Euro 20 Million and will take up one hundred and eighty three acres. Tramore track currently has in the region of 90 shareholders who purchased the track for 700,000 Euro back in 1997.

Talks re funding etc are due to take place with Horse Racing Ireland (HRI) in the next couple of weeks.

## Frans Op

Fran Berry underwent surgery at the Mater Hospital last week following the Neck and Chest injuries he received at the Curragh. Fran has set no date for a return to action.

Mick Kinane is out of action for a month but happy to report that both Cathy Gannon and Rory Cleary who were both injured at Tramore are back in action next week.

Young Christy Geoghegan is sidelined with a broken collarbone while David Casey is still out of action.

## Gary Carter Retires

Twenty-four years on after he rode his first winner jockey Gary Carter has decided to retire from race riding.

## Soviet Song Scratched

After scoping dirty after Goodwood trainer James Fanshawe has run out of time to prepare Soviet Song for a crack at the Matron Stakes at Leopardstown on September 10th and as a result the mare will miss her intended engagement at the Foxrock venue.

# Injured Jockeys Fund Presentation

On the final day of the Tramore races last Sunday, bookmaker Michael Meade; who stands here in Kilcohan Park and Enniscorthy plus, of course, all the local horse racing fixtures, kindly offered free €50 bets on all seven races during the afternoon. The proceeds go to the Injured Jockeys Fund and through the combined efforts of Peter Fitzgerald, Padraig Gough, Faithlegge and Michael Conway, Prestige Lighting over €700 was raised on the day.

Here to receive the cheque on behalf of the injured jockeys fund is local National Hunt Jockey Shay Barry. Shay, who rode winners all over Ireland and at Cheltenham is currently recovering from knee surgery but hopes to be back in action at the end of September.

Could we have a generous round of applause please for Shay Barry and also for Michael Meade for his generosity in sponsoring this event?

## Weekly Racing Preview 22nd August – 28th August

### ANOTHER DOUBLE FOR HAYES

Crack apprentice Chris Hayes was in double form on the opening day of the Tralee Festival on Monday. In the Ballybeggan Racegoers Club Handicap over a mile, he rode the Tom McCourt trained Dalwich to justify favouritism at odds of 7/2 while half an hour later he got the better of Kieren Fallon and the warm favourite Briquette (11/8) in a driving finish on Peter Casey's Sina Cova (10/1) in the Irish Stallion Farms European Breeders Fund Maiden.

### BIGGEST CAREER WIN FOR CONDON

Trainer Ken Condon enjoyed the biggest training success of his short career when sending out Cellarmaster, ridden by Keith Coleman, to spring a 10/1 surprise in the featured Kerryman 4-Y-O Handicap Hurdle on Tuesday, the second day of the Tralee Festival.

### COMMON WORLD TRIUMPHS

The Tom Hogan trained Common World landed the Carlsberg Ruby Stakes at Tralee on Wednesday under a fine ride from Seamus Heffernan who was deputising for the injured Fran Berry. This victory gave Tom Hogan his biggest career success and while there are no immediate plans for this much improved six year old, it is possible that he may go for a Group race in Europe before the end of the season.

### EURO LEADER LEADS THEM HOME

The Willie Mullins trained Euro Leader looked a horse with a bright future when comfortably taking the Denny Gold Medal Handicap Steeplechase at the penultimate day of the Tralee Festival on Thursday. Under the expert guidance of Ruby Walsh, Euro Leader (7/2 favourite) made a bad mistake at the third last fence but recovered quickly to defeat Ursumman by four lengths and is now a possible for the Guinness Kerry National at Listowel next month despite his trainer's fears that he may not stay the three mile distance of that race.

### SANDIE STRIKES FOR BOLGER

The Jim Bolger trained Sandie landed the Irish Stallion Farms European Breeders Fund-Premier Nursery on the final day of the Tralee Festival on Friday. The well backed 9/4 favourite challenged the front running An Tadh early in the straight and managed to get on top inside the final furlong to win in good style and connections are now considering letting her take her chance in the Group One Moyglare Stud Stakes at the Curragh next Sunday.

### ANSAR ON SONG

Dual Galway Plate hero, Ansar, won his first race on the flat for five years and justified 5/4 favouritism in the process when taking a two mile handicap at Wexford on Saturday and connections are now looking at races like the English or Irish Cesarewitch before he is rested for the winter months.

### RIGHT KEY SWOOPS

A major disappointment when refusing to race in the Yorkshire Oaks last time, the Kevin Prendergast trained Right Key (11/2) bounced back to winning ways when just getting the better of a thrilling final furlong tussle with English raider, Foreign Affairs, in the listed Ballycullen Stakes at Fairyhouse on Sunday. As this smart filly needs fast ground to show her best form, connections are looking at races in Canada and America for their charge although she does hold an entry in the Blandford Stakes at the Curragh in three weeks time.

### WINNING RETURN FOR HADNETT

Jockey Keith Hadnett rode his first winner since the middle of May when part-

nering the Tom Hogan trained Rooftop Protest to a narrow victory in the Connacht Gold Handicap Hurdle at Ballinrobe on Sunday. Hadnett had been sidelined since suffering a broken jaw and only returned to race riding at Tralee six days earlier.

### RACING UPDATE

The current Tramore racecourse is to be sold for building development while a new course will be built and should be ready to race in three years time. The new site is not far from the existing track and was the actual home of Tramore racecourse until 1911. It will be a much bigger course with a circuit of a mile and a half and a six furlong straight which will make it far more suitable for flat racing. Tramore Manager Sue Phelan went on to explain that "despite widening the existing track as much as possible, it is still not really suitable for flat racing. We don't get the top flat jockeys riding here and there are only 13 horses allowed to run in each flat race which is not ideal. The new course is close to the airport, a bit closer to Waterford and has a nice historical feel to it. We had excellent attendances at this year's festival but a crowd of 6,000 is a capacity one for us and we feel confident that we would attract a lot more racegoers if we had the room for them."

Racing on the beach takes place at Laytown this coming Thursday (1st September) with the first race due off at 4.15 p.m. and this unique meeting promises to attract a large crowd as usual. The first recorded meeting at Laytown was held in 1868 when races were run in conjunction with the Boyne Regatta and this is the only meeting in Europe held on a beach.

In other news, Frankie Dettori has been released by Sheikh Mohammed to partner the Michael Bell trained Motivator in the Baileys Irish Champion Stakes at Leopardstown on September 10th. Dettori only returned to racing last Friday after suffering a broken collar bone in a fall at Sandown on 2nd July and he will be bidding to win this prestigious race for the fifth time since 1998. On the same card the James Fanshawe trained Soviet Song will not be bidding for a repeat win in the Fusaichi Pegasus Coolmore Matron Stakes as she is still recovering from a respiratory tract infection and her absence could well see the Jim Bolger trained Alexander Goldrun take her chance. Winner of the Audi Pretty Polly Stakes at the Curragh in late June and the Nassau Stakes at Goodwood in late July, Jim Bolger's filly is likely to take on Mark Johnston's Attraction who was runner up to Soviet Song in this Group One contest twelve months ago.

## WEST WATERFORD ATHLETIC CLUB NOTES

# Ger Wyley Sports/Nike Summer Series Leads The Way

Our 10 race programme for this years summer series starting with the Marine Climb last April came to a fitting end last Friday week last with the Ardmore 5. Of course, it actually became a nine race programme as the Ballymacbray race was cancelled on August 1st last as a mark of respect to the late wife of the race organiser Frank Bolger whose passing occurred some weeks before the race was due to be held.

The series this year was as usual sponsored very kindly by Ger Wyley Sports and Nike and hosted by West Waterford Athletic Club. This year it must be said the series has come of age in many ways, now established as one of the premier road racing series in the country and the only one with a ten race programme it is a credit to all concerned from the club and our overall sponsors plus, of course, our individual race sponsors.

It is indeed the envy now of many club's in the country in a time when it is becoming more and more difficult to organise races and many road races are unfortunately gone by the way side. As already stated the series for 2005 came to a fitting end in Ardmore recently with yet again a record entry on the night when one short of 200 athletes took part. All of this speaks volumes for the sponsorship received and the hard work the various race committees put in along with our club road race co-ordinator Gerry Cantwell and his team over the summer months. Thanks to all who looked after entries, results, timing, etc. headed up by club treasurer Denise Clancy and Noel O'Doherty, all the stewards for the various race courses with out them we would have no series, the local Gardai at all ten races, the formidable pairing of Tony Ryan and Michael Tutty on P.A. "among other things". For there indebt commentary and race lead car at all events, and of course the man who had the difficult task after each race of sorting the tables and divisions Dermot Dwyer, without the help of all of the above the series would not have been the success that it was.

## RACE SPONSORS

The success of the series has over the years been largely thanks to our generous sponsor

Ger Wyley Sports and also added to that Nike who came on board as co. sponsors some years ago. Our sincere gratitude this year to the above mentioned especially with the fact that just 5 races counted for the 25 Euro sports voucher instead of the usual 6 (due to the fact the Ballymac race was cancelled) this saw a significant increase in the number of runners qualifying for same, our sponsors of the summer series Ger Wyley Sports and Nike very kindly extended there sponsorship agreement with the club to cover the extra cost, for this the club is most grateful and thankful to Ger and Nike. The club are indebted to both our sponsors of this series for the huge contribution to the series and athletics in general. I must also take this opportunity to thank Ger Wyley for his attendance at the final race in Ardmore to present all the various category winners with their prizes.

Of course we also have superb sponsors of each of the ten individual races and with out them the series couldn't take place either, a big thanks you to Helen and Christy O'Neill of the Marine Bar sponsors of the Marine Climb, Waterford Crystal for sponsoring the Waterford to Tramore race, Francie Lonergan Plumbing and Heating the Butlerstown 10k, Declan Kiely Painting and Decorating for the Touraneena 5k, Dave Salmon of the Old Still Bar sponsor of the Clashmore 5, Mooneys Pub, Ring for Rás Ná Rinne, Dungarvan Leader for the Dromana 5, Glaxosmithkline for the Glaxosmithkline 5 miler, and finally Ken Pallister of An Tobar, Ardmore, sponsors of the Ardmore 5. To all of the above and anyone who sponsored any kind of prize during the course of the series much thanks.

## RAIVIS ZAKIS FIRST RECIPIENT OF MICEAL O'HOGAIN CUP

This time last year at the final race in the series Michael Hogan was hail and hearty doing his usual excellent job at the race with his public address van, twelve months later the winner of the same event is receiving a memorial cup in Michael's honour, that's how short life is. Michael passed to his eternal reward suddenly earlier in the year and just a short time before his passing he donated a magnificent cup to the club to be used in what ever fashion we saw fit, shortly after this Michael was no longer with us. The club decided that his cup would go to the overall winner each year of Michael's favourite event the summer series consisting of 10 races none of which he ever failed to attend.

The recipient of the cup and overall winner of the series 2005 is Raivis Zakis, West Waterford AC. Raivis, now well settled into his new club and a very popular member, was a worthy recipient of the cup this year with many fine performances over the road racing series, all at the club are delighted that after many years a member of our own club has won the overall title. Finishing with a total of just 6 points. In second place was Dzinters Klava, Ballynonty AC, with 11 points. Dzinters a Latvian national and a fellow country man of Raivis participates in all our races locally and again ran superbly over the summer taking many top 3 placings in many of the events. In third place this year was Peter Duggan, St. Josephs AC, on 22 points. Peter won the series outright in 2004 and is the only athlete ever to take the title twice. Fourth was club mate of Peter's, Damien Cummins 32 points a young athlete with lots of talent and may have his chance of winning the series in the not too distant future. Waterford's Des Colbert was a revelation this year finishing 5th overall with 37 points while the second West Waterford athlete in the top premier division was in 6th place Dermot Hickey, definitely one of the most improved athletes around these parts this year. Both he and his coach Jamie Costin will be well pleased with Dermot's progress over the summer series. We move back to Kilkenny for the 7th athlete in Larry Lacey, St. Josephs, with 51 points, Larry is the third member from the Kilkenny club to figure in the top division, and the third West Waterford athlete to figure here was Jason Travers with 53 points in 8th place. Jason is running well all summer and deserves to be in the premier division which denotes the top 10 male athletes in the series overall. We move to Tipperary and Clonmel AC for the 9th finisher in Johnny Brunnock 61 points, Johnny another regular at our races had a terrific season on the road running scene. The final place in the premier division in

10th place was our only Cork representative Noel Curtin, Youghal AC, with 67 points. Noel who has been dogged with injury all year now hopefully has all that behind him as we head into the cross country season. Larry Lacey and Noel Curtin were the only master athletes to figure in the premier division all the others were under 40.

## GOOD SPREAD OF CLUBS TAKE DIVISIONAL HONOURS

Their were 5 separate over 40 divisions and 3 under 40 divisions in the mens categories outside of the premier division and all eight winners were from a good spread of clubs from around the South. In the mens division 1 under 40 Johnny O'Connor, West Waterford, was the winner on 100 points from club mate Jim Fleming who finished with 105 points while Michael Dwyer and Michael Dunford shared third spot with 112 points each. The division two winner was a Wexford man, John Kent running with United Striders with 239 points, he came out on top from Waterford's Kevin Malone 283 points with another United Striders athlete and another Malone, Emmet Malone was third on 301 points. The final under 40 division winner was Pat Early from host club West Waterford who came from behind on the final night to snatch victory with 562 points from club mate Paul McGrath 566 points with Mark Bear third on 611 points.

The over 40 division 1 winner was Wexford club man Shane James Whitty, Sliabh Bui Rovers, with 68 points from West Waterford's Joe Gough 101 points and Gerry Cantwell was third on 119 point. Division two saw the win going to the evergreen Martin Sandford with 242 points from club mate Davy Wade 252 points with James Veale third on 261 points all West Waterford athletes. The winner of Division 3 over 40 was Michael Wade who was the only male athlete to hold onto his title from last year congratulations to him for achieving that. Michael finished on 312 points from Gerry O'Connor 333 points with Brian Collins third 354 points. Division 3 was won by Waterford's Frank Tritschler on 503 points he was just clear of Tom Hally of Clonmel AC with 509 points with another Clonmel athlete Mick O'Shea third with 519 points. Our final division, division 5 went to Vincent Donovan with 677 points from Paul Hansberry on 753 points.

## THREE IN ROW FOR JACKIE CARTY

Their were six separate ladies divisions in the series and most were close affairs. The ladies premier division was won by Kilmore athlete Jackie Carty who finished up with a maximum 5 points a superb series by the Wexford lady saw her win most of the summer series race programme. West Waterford's Diane Behan, who finished 2nd, can be more that pleased of her year on

Ger Wyley (sponsor) presents the Michael Hogan Cup to Raivis Zakis, West Waterford A.C., winner of the Ger Wyley/Nike Summer Series 2005.

the road having only managed 5th overall last year, finishing up with 8 points she is now really a close contender for that top placing and beat Jackie at one of the races the Glaxosmithkline 5 in July, nevertheless taking nothing from the Wexford lady it's really a superb achievement to win this series three years in a row. Our congratulations to Jackie on her achievement. Another West Waterford athlete was third Corinna Walsh with 15 points. Corinna had an excellent start to the season but then unfortunately picked up a nasty injury towards the end of the series and had to miss some of the final races. This injury still has her sidelined, we wish her a speedy recovery with the onset now of the cross country season looming. Ann Dufford made a top division debut when finishing 4th with 25 points as did Josie Ui Chuirrin who finished 5th with 37 points. The only non West Waterford athlete in division 1 Kilmore's Helen Doyle took first place with 38 points, 10 clear of Norma

Wall with 46, Judy Hanrahan was a further 2 points back in third on 48 points. In Division 2 it was West Waterford all the way with Grainne Earley taking pole position with 64 points from Marie O'Gorman 76 points and Sheilanne O'Donoghue was third with 80 points. Division 3 was won by Waterford athlete Maura O'Doherty on 86 points from two West Waterford athletes Ann Marie Hickey 97 points and Carol Whelan 114 points. Ann Moroney had the most slender of wins in division 4 finishing on 131 points which gave her a single point advantage over Terri Gough 132 and in third place here was dead heat between Helene Hayes and Jacinta Sheil with 138 points each.

Our final ladies division was the 5th and Alice Shanley was the winner here with 155 points from Mary Harney 159 with Collette O'Sullivan third with 182 points.

Full tables and final of summer series results will appear in next week's notes.

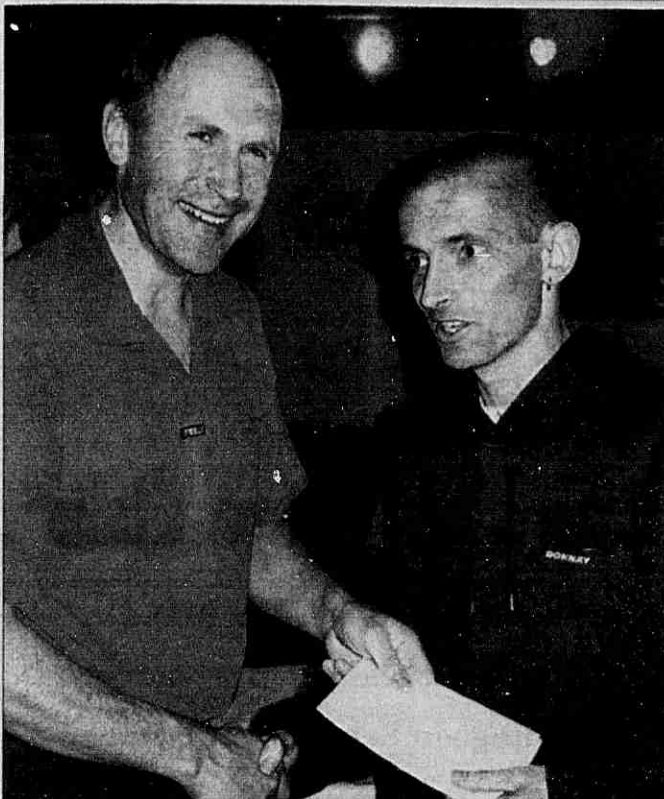

Jackie Carty, Kilmore, overall ladies winner of the Ger Wyley/Nike Summer Series 2005, receives her prize from series sponsor Ger Wyley.

Second overall male in the Ger Wyley/Nike Summer Series Dzinters Klava, Ballynonty A.C., is presented with his prize by Ger Wyley (sponsor).

**TQS INTEGRATION SUMMER LEAGUE**

# Anthony Shasby Leads The Two Lappers Home

One of the highlights of the penultimate stage of our Summer League last week was the sub 20 minute run by young Anthony Shasby in the two lap category at St. Augustine's College. Anthony clocked 19.10 and this run puts him into a prize winning position in his category with just one days running to go. Ten of the twelve participants in the two

lap category recorded faster times than the previous week which just shows how much everybody has improved throughout the course of the league.

A feature of the TQS INTEGRATION League is that, every week, there has been one or two newcomers to the field. Last week, it was the turn of Aaron Cowming and he won't be a beginner for long as he clipped around the one lap in 9.47. This league is being led by Cora Kearney, who has not missed any day so far, from Ann Robson and Kathleen Young.

Helena Morrissey stole the show in the three lap league when she clocked a personal best of 32.08. Helena ran 37 minutes the first day and she beat her time from last week by one and a half minutes. Mark Vespa and Earl Navin have also improved considerably and this shows on the league table.

Nineteen runners completed the four lap course with Munster Special Olympics Champion Kieran Coleman leading them home in a fine 35.18. He was followed home by Vincent

Tutty (33.35) and Pat Morrissey (38.19), both of whom recorded league P.B's. Paddy Power continues to impress with 34.08 this time round.

**LEAGUE TABLES**

Betty Sheehan has the two lap league won bar a fall with Onra Power and Anna Fahey leading the other divisions. There has been a big change in the three lap league with Mark Vespa leading from Earl Navin while Peter Barry continues to lead division two.

Pat O'Riordan continues to lead the four lap league while Paddy Power, Triona Wall, Ray Burke and Pat Morrissey all hold slender leads in their respective divisions.

**PRESENTATION OF PRIZES**

Club night out and presentation of prizes will take place in the Beanna Leanna on this Friday, September 2nd at 10 p.m. As per club policy, a pair of running shoes will be raffled among all league non prize winners who attend. Bring a friend if you have one.

**UPCOMING CLUB PROMOTIONS**

The Sports Partnership One Lap Challenge, starting Tuesday September 13th at 6.30 p.m.

The Eurospar Autumn League starting Thursday September 15th at 6.30 p.m.

## Eoin O'Riordan Ironman Of West Waterford

West Waterford AC athlete Eoin O'Riordan was the clubs sole representative at the Ironman UK on Sunday August 21st last in Sherbourne, Yeovil. This was a full triathlon and the distances covered in the swim, on the bike and the run take a special kind of athlete with immense fitness levels to participate. 1,228 athletes faced the starting gun as the race got under way with a 2.4 mile swim, Eoin came through that completing the swim in 1.04.04, he was the 272nd swimmer to leave the water, a solid performance which set him up nicely for one of his stronger events the bike ride which was a handy 112 miles, yes 112 miles. This ride took him 6.03.22 this moved him up the pecking order to 148th position a significant move up the leader board after a fine bike ride. All that he had to do now to finish off the days proceedings was to run a full marathon and this again he did to perfection finishing in a time of 3.58.25 a remarkable run after swimming for over 1 hour and riding the bike for over 6 hours. Eoin's overall finishing position was 119th and his overall time was 11 hours 12 minutes and 11 seconds, a very notable performance indeed. Congratulations to you Eoin a remarkable achievement by a remarkable athlete.

Best wishes to all travelling, have a good one. Gerry Cantwell road racing co-ordinator has asked us to remind all members that as this is a national championship your club vest must be worn.

## WEST WATERFORD ATHLETIC CLUB NOTES

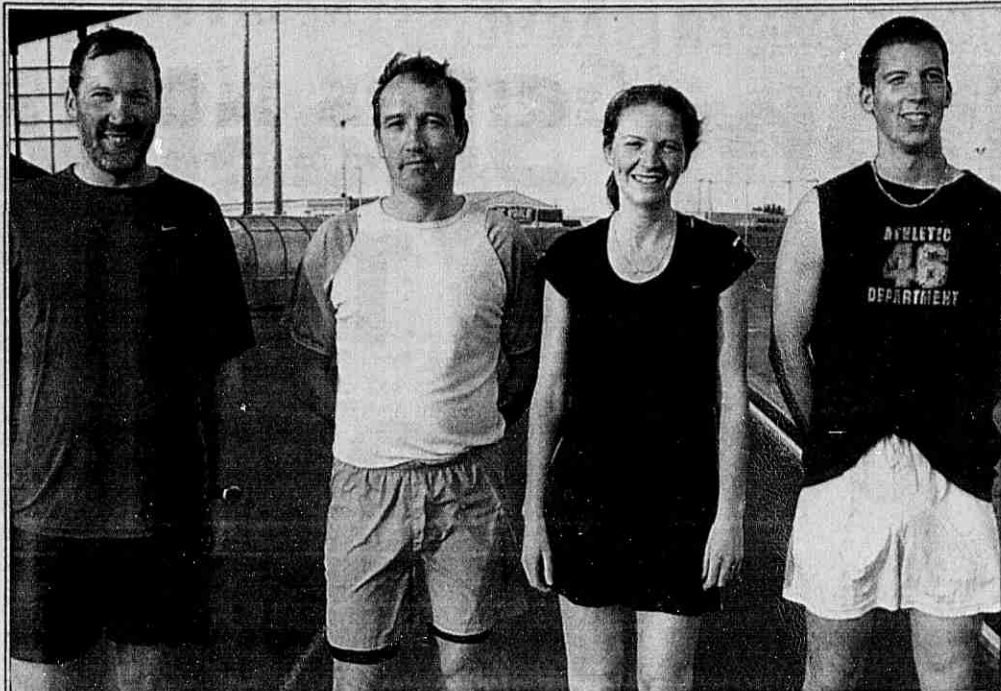

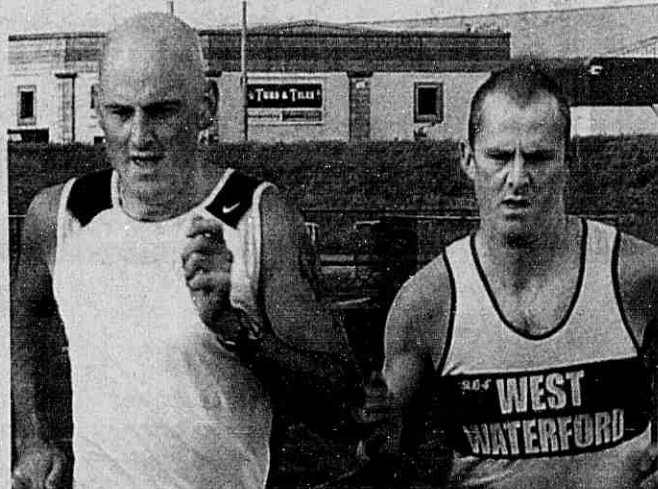

Photo shows from left: Liam Kavanagh, Billy Coleman, Judy Hanrahan and Patrick Egan, who competed in the mile races at the R.S.C. Waterford last Thursday evening.

## Good Times Recorded At Mile Races In The R.S.C.

The club's second Annual Mile race at the R.S.C., Waterford took place last Thursday evening. Three Mile races with a good turn out of athletes were held on the night. All athletes had to predict their time for the mile and were not allowed to wear a watch during their run. This format proved to be popular and many personal best times were recorded for the mile distance on the night. The first race saw Patrick Egan running the nearest to his predict time, he predicted 6 minutes and did the run in 6.04, others in this race included Billy Coleman prd-6.30 and ran 6.16, Liam Kavanagh prd-6.30 and ran 6.21 and Judy Hanrahan prd-6.30 and ran 6.36. In race number 2 saw 5 athletes face the starter and here our winner was Brian Devereux her-predicted 5.35 and ran 5.40 just 5 seconds out, other times recorded were Adele Walsh prd-5.30 and ran 5.42, Alan Whelan prd-5.40 and ran 5.34, Gregory Fitzgerald prd-5.30 and ran 5.21 and Joanne Jackman prd-6.10 and ran 6.02. The final race on the night saw very fast times recorded. It was won by Kevin Malone who was the only athlete on the night to get his predicted time spot on, 5.20 well done to him also in this race was Conor Casey prd-5.25 and ran 5.19 the final two athletes were the Travers brothers Jason and Damien, Jason prd- 4.50 and ran 5.05 and Damien prd 5.00 and ran 5.07. Vouchers were presented to the winners and it was enjoyed by all.

The Travers brothers Jason and Damien battle it out in the one mile race at the R.S.C. last week.

## WORLD MASTERS TRACK AND FIELD CHAMPIONSHIPS

### Joe Gough Through To Final Of 800m

The World Masters Track and Field Championships are being held in San Sebastian, Spain, presently. Four West Waterford athletes are taking part in the championships. Some have already competed and some are still to compete. Diane Behan was first into action last Thursday in the heats of the ladies over 35 5,000 metres. Diane finished 11th from 16 starters in a time of 18.45.70. Richie Power competed on Friday in heat 1 of 6 for the over 45 800 metres, finishing in 8th place. He recorded a personal best time of 2.18.04 which was well inside his old standard of 2.20.17. Joe Gough competed on Thursday in heat 1 of 4 in the over 50 800 metres. Joe did enough to progress finishing third in 2.09.17, he then com-

peted in the semi finals on Sunday afternoon, and as we go to press a text from Spain tells us that Joe has indeed qualified for the final due to be held Monday evening at 6.30 p.m. Joe was drawn in semi final one of two and this proved to be a very fast race Rivera Jorge Ortiz, Porto Rico, was first in a super time of 2.02.38 from Dave Clingan, U.S.A. 2.02.47, third was Gonzalo Fraguas Mendez, Spain, 2.03.45, fourth was Wolfgang Kreemke, Germany 2.04.07 and Joe was fifth in 2.05.45. This was a seasonal best for Joe, indeed, it was his fastest time over 800 metres for the last seven years. Both Kreemke and Joe qualified as fastest losers as the second semi final was slower. This semi was dominated by two English athletes David Wilcox 2.04.99 and Alistair Dunlop 2.05.51 with Russian Alexander Kuzovnikov 2.06.92.

As we can see from the above times Joe has a difficult task facing him in the final, but we know that he will have given it his best shot. Another West Waterford athlete is yet to compete at these championships when Danny McGrath will be in action on this Friday evening in the long jump and triple jump we also wish him well.

**Community Games Notes**

**COMMUNITY GAMES NEWS**

The National Community Games athletics finals took place in Mosney last week-end. With the great victory of the Ardmore/Grange soccer team the previous week hopes were high for more success from our young athletes and indeed again we were in the medals and had some fine performances from our girls and boys.

Silver medals went to Clare Morrissey, Kilmacthomas in the U.14 sprint, Niamh Whelan, Sacred Heart, in the U.16 sprint and Dale Kennedy, Ferrybank in the Discus.

Ryan Flavin, Tramore finished 4th in the U.8-80m. Laura Behan, Clonea/Rathgormack finished 4th in the U.16-1500m and Patrick Hogan also from Clonea/Rathgormack finished 4th in the boys U.16-1500m. These three athletes received Certs of Merit for their 4th place finishes. So a fantastic achievement from these girls and boys up against the top athletes in the country. Well done to you all.

Shane Mackey, Butlerstown, C.J. Hamilton, Clonea/Rathgormack, James Greene, Clonea/Rathgormack and Geraldine Power, Clonea/Rathgormack all reached their finals also which was a great achievement. Indeed Clonea/Rathgormack area must feel very proud indeed at the fantastic results from so many of their athletes.

In addition to the Certs won by Claudia O'Keeffe, Kalani Moore and Daragh O'Keeffe and our victorious soccer team the previous weekend it was a very successful outing to Mosney from the County. Thanks again to all our County and Team Managers and anybody who helped in any way over both week-ends.

**ARDMORE CELEBRATIONS**

A great night of celebrations took place in Ardmore on Tuesday night last to honour the fantastic achievement of the local young soccer team in Mosney. The team proudly marched up the village with their coach Declan Barron behind their banner all togged out in their new blue and white track suits to the music of "We are the Champions" It was great to see such a fantastic turnout of so many people who came to watch.

Next stop was The Round Tower Hotel where the children tucked in to their food and a nice surprise for all of us on the County committee as we were all treated to a beautiful dinner for which we say thanks to Declan Barron for the kind thought. We very much appreciated it.

Next came the speeches congratulating Declan and his team. Then came the presentation of medals which were made by RTE actor Tom Hickey. Presentations were also made from the team and their parents to Declan as a token of all his hard work with the boys but then the amazing achievement of winning gold in Mosney surely made it all worthwhile. So we really enjoyed being part of the celebrations in honour of the Ardmore/Grange All Ireland soccer champions.

**DUNGARVAN CREDIT UNION CYCLING CLUB NOTES**

**Ger Wyley Team Competition**

Wednesday night we had the second of the four Predict Your Time races and what a competition it is turning out to be. We had a couple of people missing as we knew when the teams were entering but we had some new faces who were very welcome and we will have some more extras on this Wednesday as some have come back after holiday and we are looking forward to seeing them competing. The weather was good with a little wind and as mentioned last week there was serious debating before times were predicted which proved worthwhile as the first five teams were just 40 seconds outside their times and on the night Tony Mahoney's team were the nearest only 6 seconds off the time, with team A being the fastest on the night finishing 39.41. So we have a lot to look forward to for the next two races as there is only one minute and 9 seconds separating the first four teams with the other two teams a bit further out. The teams and times are as follows: in 1st place (D) at 2.03 - Frank O'Rourke, Padraig de Burca, Margo O'Dowde, Mark Power; Team (B) - Ger Wyley, Kevin Barry, Colin Organ, Owen Whyte, Robert Power 2.17; Team (A) - Justin Coonan, John Flynn, Michael Dee, Siobhan O'Mahoney, Eamon Doherty at 3.06. Team (D) - Tony O'Mahoney, Frank Brown, Brett Lynam, Tony Murray, Brian Guiry, Dave Tobin, Ray Dwyer 4.32. Team (F) - Owen O'Riordan, Patrick McMahon, Aisling O'Shea, Damien Travers 5.46.

Meting time on Wednesday 6:30pm and first teams off as soon as possible.

**Weekend Spins**

It was great to see so many in the roads over the weekend and enjoying the weather, company and cycling and some of those were Mark Power, Vin Feeney, Ray Dwyer, Eamon Phelan, Damien Travers, Patrick McMahon, David Cummins, Tony Murray, Rory Wyley, Frank Browne, Davie Tobin, Eddie Moore and we were delighted to have Liam Rossiter.

Our M.S. cycle is on September 10th so come along and support the worthy cause. More next week.

**CHI'S PLEASE**

It seems that Catherina McKiernan needed something to occupy her time after retiring at the end of last year and Chi (pronounced 'chee') running was just the thing.

Some of you may have read the article in last month's Irish Runner detailing how she followed up on her interest by completing an instructor's course in the US and now holds workshops around the country to teach other runners its benefits.

The www.chirunning.com website boasts that Chi Running is "For beginners and com-

petitors and practiced by thousands of runners". It "combines modern physics with the ancient wisdom of T'ai Chi to create a running form that is easily learned and makes running more effortless and enjoyable".

Increased efficiency and speed with decreased effort and injury are promised. Catherina will host a workshop at the RSC in Waterford over 2 Saturdays in September, 2.5 hours per day with only 6 places left to fill.

Contact Adele Walsh for further information (087) 9384521.

**THE EUROSPAR LEAGUE**

Which is once again being generously sponsored by the Enright family will begin on Thursday September 15th at 6.15 pm and will continue for a further five Thursday evenings in September and October in St. Augustine's College by kind permission. Last year's league attracted huge numbers and we are looking forward to another very enjoyable and successful club league.

## SENIOR BUTBALL CHAMPIONSHIP

On Sunday evening we made our exit from this year's championship at the hands of Rathgormac. We opened brightly taking an early lead by converting a penalty but once Rathgormac settled it was all one-way traffic for the rest of the game. Rathgormac are a tough physical championship side and we really underestimated their ability. Going into this game there was a casual air around the camp and this was evident Sunday evening. So after a promising start to the campaign we faded out with a very minimal impact. However we are still involved in the Phelan cup final and league playoffs which must be taken as some compensation. When we return next year, we are going to have to come back more committed, focused and with fresh ideas in how to become serious challengers for the elusive Conway cup.

## INTERMEDIATE HURLING CHAMPIONSHIP

Our attention will now turn towards hurling and we play Colligan in a play-off in the coming weeks with a mouth watering prize for the winners with a draw against the Geraldines in the quarter final.

### LOTTO

The Deise development draw is still taking place and tickets for the grand prize of €10,000 are available from the committee. Also the club lotto is growing and is now at the highest it has ever been. Tickets are only one and a half euro.

# Ardmore GAA Notes

## SENIOR HURLING

Ardmore will play Del La Salle next Sunday in Dungarvan in there quest for senior glory. With Senior status sealed for 2006, its now about advancing in this years c'hip. With many an inter-county player lining out for both sides...this should be a great contest. After Seamus Prendergast performance 2 weeks ago it remains to be seen how Del La Salle will cope with him when he is in this form. We ask all supporters to head for Fraher field on Sunday for a 2pm throw in. With the Manager back from Mosney he will be seeking glory for his team...especially since his two sons took gold in All-Ireland community games finals.

## GET WELL SOON

We wish a speedy recovery to Declan Barron (Junior), who under went an operation this week in Dublin. Declan, an extremely Talented young player...in all grades will now spend the next couple of months in recovery. We hope to see him sporting the filed of play in the not to distant future.

## SUPER SCHOOLS

We wish Patrick Conway (son of Noel & Jean) the very best of luck in the Friary collages super schools in Nottingham England next week. Patrick will be competing in the Swimming and Basketball. Best of Luck from the Ardmore GAGA.

## UNDER 12 WESTERN FINAL

We wish our Under 12 footballers the very best of luck when they play Lismore in the Western Final of the Under 12 football this weekend. The match is set for Friday at the Dungarvan GAA Grounds (not Fraher field) with a 6:30 start. Please come and support.

Had the luck gone our way in a couple of the other games we could have easily qualified for the knockout stages of the championship. In fairness to all the lads, and particular the U.16 members of the panel, it was a great effort all round and the Club commends ye all for the level of commitment that was shown throughout the campaign.

**Intermediate Hurling** - Last week we got the notes a bit mixed up, however our win over Lismore was well documented. It took from the end of April to the middle of August to play our six league games. The problem now is we probably will not play the semi-final until the first or second week in October. Trying to keep the momentum going is difficult and we pray for a dry Autumn. Training has resumed in earnest again this week and hopefully we will have some interesting challenge games in the next few weeks.

**Thank You** - On behalf of the club I would like to thank G.S.K. for their kind sponsorship of water bottles recently. This is not the first time they have being involved in sponsorship with the club and we appreciate all their financial assistance over a long number of years.

## CAMOGIE CLUB NOTES

Well done to our Under-16's who fought back from a six point deficit at half time to earn a draw against Tallow on Monday night last. It was a tremendous performance by all the girls and certainly their beat to date in the championship. Training will continue for the girls on Wednesday evenings and there is no match next week. Our last game is due to be played on the 12th September and the opposition is Tramore.

Next up we had a thriller with Clashmore but lost by a point, then at home we defeated Brickey's. Our final game in the league was against Ring, we had to win this one, they had the same points as ourselves, what a game this was we came out on top by one point. Now we were into the semi final and last Sunday in Bushy Park we played Clashmore but this time we again played some excellent football to win and qualify for the final where we will play St. Patrick's.

This team is getting better and better with every match and even though we will be the underdog's going into the final our trainer's will have the boy's in top shape.

Many thanks to Damien Young, the GAA development officer for organising this excellent day that let hurling be played in a fun and relaxed atmosphere.

## WATERFORD U-15 HURLING

Well done to David Phelan and his County Under 15 colleagues who were just pipped by Clare in the Plate Final of The Carrighoun under 15 inter county hurling tournament which was played in Carrigaline last weekend.

The competitive performance of these underage teams and the Trojan work done by the various coaches is bound to reap dividends in the years ahead.

# Notai C.L.G. An Sean Phobal

On Saturday afternoon last we travelled to Fraher Field in search of a Western semi final place. The opposition on this lovely summers evening for football were the Nire. As underdogs before this game our loyal supporters watched in hope, while our management team watched on in expectation. We got off to a good start when Tadhg de Paor opened our account with the first point of the game. It only took a minute for the Nire to reply and it was clear to see that a battle had begun. Two fantastic points from Walter O Moinbhial and a

great save from our goalkeeper Aodán de Paor proved that we were in the thick of the action. We went in at half time trailing by two points with the score of Nire 0-7 Sean Phobal 0-5. At the beginning of the second half we played some lovely football but failed to take our scoring opportunity. The Nire took control and built up a four point lead, as our loyal supporters felt our chances were missed, the break which we needed came. Walter crushed the ball off the goal post and it rebounded off ? (someone) and rolled over the line. (Rumour

has it that Walter is taking credit). This was the moment that would change the game. Five minutes later Tadhg de Paor received a lovely pass in the corner of the field, taking on his man at an acute angle, rattle the net with a super goal. That was to be the final score of the game and with great performances by Paddy Ceitinn, Shay O Hartaigh and Tomas O Mathúna, we held off the last minute changes from the Nire.

So the journey continues, and it's back to training on Tuesday night to assess any bumps or bruises that any of the boys might have, just to prove that it really was a 'Battle'.

An Foireann: Aodan de Paor, Paddy Ceitinn, Eamon de Paor, Cormac Innseanduin, Se O

Hartaigh, Reamonn de Paor, Tomas O Mathuna, Pádraig O Mathuna, Walter O Moinbhial (1-3), Tomas O Cuirrin (0-1), Pádraig O h-Ealaithe, Michael de Paor, Sean Uada, Tadhg de Paor (1-2), Brian de Paor, Daithí O Conduin, James MacGearailt, Tomas O Gealbhaín, Reamonn Turraoin, Michael Ceitinn, Seamus O Domhnaill, Brendan O Hogain. Minutes Silence

Before the game a minutes silence was observed and the tricolour was at half mast in honour of our three loyal supporters and past players who enjoyed the game on Saturday evening from their eternal resting place, John Dower, Michael O Mathúna agus Michael O Ci. Ar dheis Dé go raibh siad.

## Ballymacarbry Ladies Football Club

### BALLYMACARBRY 6-16 OLD PARISH 4-6

Ballymac' defeated Old Parish in an entertaining senior football championship game played under lights at Aglish last Friday night. There was some very good passing of football from both sides.

Ballymac' took an early lead as wing back Louise Ryan shot a goal in the 5th minute and a flurry of points by Mairead Wall (3) and Sinead Ryan (3) put them in a strong position. Old Parish struck back and Niamh Briggs 24th minute goal reduced the deficit to 3 points. Just before half time Ballymac' struck again as Mairead Wall scored a superb goal to leave the half time score Ballymac' 2-8 Old Parish 1-5.

When O'Donnell raced up field and drove a fine shot to the Ballymac' net Old Parish were well in contention but Ballymac' struck back and Michelle McGrath levelled the ball to the net. Further goals by Catriona Casey, Claire Ryan

and substitute Linda Wall gave Ballymac' victory although Old Parish never gave up and scored a late goal.

This was a decent Ballymac' performance, 6-16 is a good tally and would have been more only for some outstanding saves by Old Parish keeper Fiona Kiely, Michelle McGrath, Louise Ryan, Mairead Wall and Marian Ryan were Ballymac's best players although several others also played very well.

Ballymac's next game is this weekend against St. Anne's.

Ballymac': Siobhan Murphy, Aine Ryan, Eibhlis Cooney, Brid Whelan, Louise Ryan (1-0), Rebecca Hallahan, Gillian Moore, Michelle McGrath (1-0), Marian Ryan (0-3), Mairead Wall (1-5), Michelle Ryan (0-3), Catriona Casey (1-0), Sinead Ryan (0-3), Claire Ryan (1-2), Louise Prendergast, Subs Linda Wall (1-0), Michelle O'Gorman, Aoife Reynolds, Niamh Foley, Laura Cronin, Stephanie Whelan.

## G.A.A. NOTES By "Commentator"

# County Board Meeting

When the senior board meets in Dungarvan on Monday night next, delegates will be expected to "say their piece" on the subject of a team manager for hurling.

It is an important item on the agenda and will likely be debated for some time before authority is given to the executive to proceed.

All through the year complaints have been made in public and in the media about the policy of pushing club championships into the background and giving a total free hand to the manager to forbid players to assist their clubs. Clubs have been kept without a championship match for 12/13 weeks because players were being 'protected' for the county.

Here is the opportunity and now is the time to lay down the ground rules about policy in this regard if the same thing is not going to happen in 2006.

## TEAM CAPTAIN?

Who should appoint the county team captains, is a subject which has been aired quite a lot this year. For as long as I can remember it has been the policy of the county board to allow the reigning champions in both codes and in all grades to name the player who will lead the teams on the intercounty scene.

Down through the years there have been players with fine leadership qualities in charge and these do not have to be named to readers who have followed the fortunes (and misfortunes) of our county teams over the seasons.

There also have been team captains who failed to show any leadership qualities but have nevertheless been honoured just for popularity reasons within the champions club. It was recently pointed out to me that there is no Rule, no Bye Law or no Regulation which extends to the champions club the privilege of naming the captain.

The role of a captain should be to lead, to inspire confidence in his fellow team mates and to enjoy the respect of everyone associated with the campaign. And who is to say that a player who is not from the champions club does not possess such qualities.

Should the 30 man panel be given the choice of selecting a captain or should the team manager be invested with the authority to name the one whom he would like to see leading the team?

It would be interesting to hear other views on the subject before the time for naming the captain comes round again.

## 82,000 in Croke Park

The attendance was just short of that figure when Tyrone and Dublin lined out in the stadium on Saturday last and this is a new record since the stadium was redeveloped.

It showed again what the 'drawing power' of Dublin is.

On next Sunday at headquarters the two Ulster counties Tyrone and Armagh will meet for their third time this season in what promises to be yet another thriller.

## ALL-IRELAND HURLING FINAL TICKETS

These will be distributed to the clubs in the west next week when the allocation will be the same as in previous years. As tickets will be allocated only to clubs and the usual officials, etc., no tickets will be available to members of the public.

## MATCH REGULATIONS

The introduction of the match regulations which require substitutes to sit in a reserved section of the stands at Fraher Field and Walsh Park is working very well because of the co-operation of the substitutes. The idea of the GAC is to improve the presentation of our games in the county.

But there still are a lot of people moving about on the sidelines and many of these would appear to have no business being on the grounds and it would further help in this matter if clubs adhered to the regulations.

## BALLINAMEELA BEST INTERMEDIATE FOOTBALL CHAMPIONSHIP TIE

Ballinameela 1-9 Kilgobnet 0-6

This game was played at Colligan on Sunday evening at the Colligan venue and while it was a well contested match, the stronger Ballinameela side survived in the end and will now contest the divisional semi-final.

# FOURMILEWATER HURLING CLUB NOTES

## BALLYMACARBRY NS PLAY AT CROKE PARK

August 21st will live long in the memory of hurling fans due to the memorable, pulsating semi final duel between Galway and Kilkenny. However, and more significantly, it is the day that Ballymacarbry took its rightful place among the hurling nations of the world.

## UNBELIEVABLE SIGHT

There was a sense of dream like unreality, as seven boys from Ballymacarbry N.S. 1st class marched, as all hurling legends had previously done, behind the Enniskillen pipe band onto the historic and hallowed turf of Croke Park. The lush green (grass) turf, the noise, the awesome stadium meant that the theatre of dreams had become a reality for Ballymacarbry.

## MAGNIFICENT SEVEN

The magnificent seven Ian Mulcahy, Stephen Ryan, Cian Wall, Ciaran Looney, Liam Cooney and Darragh Morrissey - played a demonstration game of county hurling against Doon N.S.; County Limerick. The game designed by Waterford man Pat Daly, is a conditioned game with emphasis on the skill of ground hurling.

## THE MATCH

The teams did battle dwarfed by the shadow of the Cossack stand. Ballymac' played into the Hill 16 end. All played as if they were participating in an All-Ireland final. The game ebbed and flowed at a frenetic pace. Ultimately, Doon forged ahead.

## PAPARAZZI

The side line was full of parents, relatives and friends of the lads. The enthusiastic supporters had an assortment of cameras reminiscent of a paparazzi frenzy at a U-2 concert. Unfortunately some had no batteries, others no film, and some just not switched on. Nevertheless, treatment (in theory) deserving of Hollywood stars.

## RETURN

All too soon the team were again marching behind the band. The crowd were enthralled by the demonstration of hurling skill, and responded with rapturous applause and cheering. A perfect end to a perfect day that will live long in memory. A big thank you to Michelle Power (Waterford coaching development officer) for the encouragement and the set of blue and white jerseys. The burning question... will we return?

## UNDER-13

Our U-13's played Brickey's on last Tuesday night, and despite being missing five players, gave a very good account of themselves, the final score being 2-5 to 0-4. The score at half time was 2-2 to 0-2, our two scores coming from Jamie Barron, who was having a great game at centre forward. In the second half, our team tried well, but we couldn't get enough scores. Jamie Barron scored again, and corner forward Ian Whyte got a great long range point. All 16 players did their best.

Scorers; J. Barron (0-3), I. Whyte (0-1).

Team; D. Ryan, A. Norris, J. Hannigan, T. Cooney, D. Ryan, A. Condon, P. Murphy, P. Meehan, L. Carroll, S. Lonergan, J. Barron, L. Whelan, D. Power, B. Lawlor, I. Whyte. Sub; D. Mulcahy.

## SENIOR HURLING

Our Sargent Cup final against Ballygunner was postponed this weekend, which was a pity. We will know our quarter final opponents in the next week or two. Training has been going well since our first round victory over Tallow.

## LOTTO

There was no outright winner this week. There were four runners up, who received 30 euros

each, they were Joan Wall, Knockaune; Margaret and Bridie, c/o Melodies; John Boyle, Knockmeal; Brigid Keyes, c/o Carey's.

## UNDER-10's

Our U-10 team was in action in the Brickey tournament and played some fine hurling in all three games. We were eventually beaten by Clashmore in the division 3 final on a scoreline of 1-5 to 1-1, our goal coming from Tom Cooney. It was a great game, and gave our players plenty of action. This is a very young team who will get better.

Panel; D. Ryan, T. Cooney, O. Whyte, Jason Guiry, C. Kelly, C. Wall, C. Gleeson, I. Mulcahy, C. Morrissey, D. Morrissey, E. Mulcahy, S. O'Meara, J. Guiry, Amy Lonergan, C. Looney, G. Hearn.

## THANK YOU

The club would like to thank the Brickey's Club and juvenile committee, who looked after us so well. The U-10 blitz is a credit to them and shows what can be done... thanks again!

## U-9

Our U-9 panel go to Roanmore on Saturday next for a 7 a side ground hurling competition. We hope to do well here, as we have some fine U-9 players. Transport leaves the Cross at 8.30 sharp.

Thanks to all the club coordinators, coaches, GPO's and most of all the children who make the camps enjoyable for all.

### SUMMER CAMP KITS

A very limited number of Summer Camp kits and bags are left from this years camps. These are available for people to buy if they missed out on the camps. Please contact Eoin Breathnach or any of the GPO's for further details.

For further details please contact Liam Dowdall or Eddie O'Shea.

### UNDER 9 GO GAMES

Any clubs who have outstanding fixtures to play in the Under 9 Quick Touch competition please play as soon as possible. All results must be in within 2 weeks so as to organise the Blitz Day.

### WIT SUMMER HURLING

Last Thursday and Friday saw the culmination of the WIT Summer Hurling Programme. A 2 day blitz was held in Waterford Crystal Sports Ground with over 500 children from throughout the county attending. Participants played the new Go Games and all clubs received Go Games Sliothars and players received commemorative T-Shirts. ## Abbeyside/Ballinacourty G.A.A. Club Notes

### Western Minor Hurling Final

On this Wednesday evening, 31st August, Abbeyside Minor hurlers play Lismore in the Western Minor Hurling final at the Fraher Field with the throw in at 6:30pm.

Only a puck of the ball separated these teams a few weeks ago and Bernard Gorman, Paudie Donnelly, Jim O'Mahoney, P. J. Lanigan and Seami Murray have put in a lot of hard work with their charges over the last number of months and we are requesting a big turn out of supporters to urge on Mark Ferncombe and his fellow players this evening.

### Played in Representative Games

Playing for Waterford U14 hurlers in the 'Sonny Walsh Inter County Tournament' last weekend were Conor Hickey and Pierce Galvin while in the Nenagh Co. U16 Hurling tournament our club also had two players in action in Stephen Enright and James O'Mahoney. As always our club is proud to have players involved on the various teams.

### Senior Football Championship

Our Senior Footballers over came John Mitchell's at the

Fraher Field on Sunday evening last to advance to the Quarter final stages of the Co. Championship. The draw for that quarter final has paired Ballinacourty against Stradbally, the defending Co. Champions with that game scheduled for Dungarvan's Fraher Field on Sunday evening next. Throw in time will be 6:30pm.

Team manager Pakie Hurney and his fellow selectors Michael Hanrahan and Niall Moore have put in a great deal of work with their charges to date this year. They will go into Sunday's game against the holders minus the services of Gavin Breen, Peter Phelan, Rick Hanrahan and Declan Fives.

Again we request our loyal supporters to come out in strength to support Laurence Hurney and his fellow players on Sunday evening next.

### Club Committee Meeting

An important meeting of the club committee will be held in the Club Pavilion on this Thursday evening, 1st September at 8pm sharp and all members are requested to attend.

### Members Golf Society

Our members Golf Society will hold their annual outing at

the Gold Coast Golf club on Saturday, 10th September next. Timesheet 11 to 12am.

Phone Gold Coast club to put name on timesheet 058-44056.

### The Big Wedding

What away to round off the week. Be involved in one of the clubs biggest wins and then marry the love of your life. This is exactly what Michael Enright did. The Enright family who are steeped in the traditions of the Abbeyside/Ballinacourty GAA Club had a big day out on Sunday last and then again on Friday when Michael married Aileen Walsh from the Nire. Another family the Walsh's are also steeped in the traditions of our game. For sure there will be some lively debates and divided loyalties in the new Enright family going forward. This is what makes the GAA family so special. We wish Michael and Aileen the very best for the future.

### Paddy Langan Cup

Our Senior Hurling team will be playing Youghal on Thursday the 8th of September in the Paddy Langan Cup in the Burgery at 6:30pm. There will be a small gate charge of 2 to cover the cost of trophies for the winning team. This is a great opportunity to show your appreciation for the lads after their mighty win against Mount Sion, as this will be their last outing before we play the quarter final of the Senior Hurling Championship. Please come out and show your support for the Langan Cup.

### Junior Hurling Championship

Just a reminder to everyone that we play The Brickey's in the Junior Hurling Championship at Fraher Field on Saturday the 10th of September.

### Super Trio 2005

Ger Faragher's 2 goals and 9 points for Galway and Henry Shefflin's 1 goal and 9 points for Kilkenny means it's all changed at the top of our Super Trio table. The leading combination is now EHN (Ger Far-

agher, Eoin Kelly, and Henry Shefflin) on 143pts. At this stage it seems that Farragher and Shefflin will be part of the winning combination but it remains to be seen if Joe Deane or Ben O'Connor can improve their scores to put in a late challenge. Just one game remains unless we have a replay!

### Under 10 Hurling

Our Under 10 team made the short trip to Bushy Park last Saturday to compete in a tournament hosted by the Brickey Rangers. After a sluggish first half in our opening game against Clashmore we lifted our game in the second half to record an early win. In our second game we were up against the home side who were a stronger and more skilful outfit and here we had to settle for second best and a place in the B final in which we faced Lismore. Again a slow start allowed Lismore to lead at half time but try as we did in the second half with our best hurling of the day we could not pull this one out of the fire. Our panel was Andrew O'Connor, Aidan Moloney, Laurence Power, Brian Looby, Patrick Collins, Jack Mullaney, Sean Daly, Robert Mulligan, Cian Dwyer, Martin Colivet, Stephen Cliffe, Eamon Croty and Jack Duggan. Many thanks to the Brickey's for the invitation and also for their hospitality.

### Playing Field

A reminder to all that permission granting use of the field can only be received from our Club Secretary Bernard Shields who can be contacted on 058-41467.

### E-mail and Club News Contact

# Ballinacourty Score Second Victory Over John Mitchels

SENIOR FOOTBALL CHAMPIONSHIP — BALLINACOURTY 2-11 JOHN MITCHELS 0-5

Ballinacourty (above) winners over John Mitchels (below) in the loser's group of the County Senior football championship.

The decision of the county board not to allow 'seeding' in order to ensure that teams would not meet again in their second match as the championship progressed, is something that has to be looked at before the championships commence next year.

Mitchels who were decisively beaten by Ballinacourty had to line out against the same opposition in their next match. Even though Ballinacourty had played a game in between.

On the other side of the coin, it might have been lucky for Ballinacourty not to have been

drawn against stiffer opposition here as their overall display must have been worrying for their mentors. Even though they won easily in the second half when aided by the wind, they did make some awful costly errors that would have been punished by more alert oppo-

nents. I suppose in fairness to them, they had to field without Mark and Declan Fives, Simon Hanrahan, Gavin Breen (who was recently badly injured in an off-the-ball incident and is still out of commission).

After an 'even Stephen' first half, Mitchels led by a single

point on an 0-4 to 0-3 scoreline, having played with the wind.

The Mitchels scorers were Nial Connors, J. Fogarty and John Power (0-2) while Ballinacourty responded with points from Ian Kiely, Patrick and Gary Hurney.

Second half goals by Patrick and Lawrence Hurney helped to put the issue beyond doubt and allow the winners a comfortable 12 points winning margin.

**JUNIOR FOOTBALL CHAMPIONSHIP**

**Old Parish Shock  
The Nire In Thriller  
At Fraher Field**

**OLD PARISH 2-6 NIRE 0-10**

The final minutes of this very exciting contest was so dramatic that the celebrations for the Seana Phobal almost brought the roof down in the stand when two late goals snatched victory from the jaws of defeat. Trailing by 4 points and with defeat staring them in the face a goal by Tim Power and what appeared to be an 'own goal' after a delivery by Walter Mansfield won them a place in the divisional semi-final.

At the end of the first half only a point separated the teams after they had been level on five occasions. At no time was there more than a single point between them.

Tim Power opened for Old Parish and Bobby Power responded for the Nire. Connie Power and Walter Mansfield exchanged points. Then Joe Whelan and Walter Mansfield did likewise to leave the score at 0-3 each in the 18th minute. Connie Power and Walter Mansfield had points in the 19th and 22nd minutes and it was 0-5 apiece after Timmy Power and Connie Power raised white flags.

Bobby Power kicked over the final point to leave the state of play at 0-6 to 0-5 in favour of the Nire at the break. The sides were level once more when Tom Curran leveled within a minute of the restart. The Nire then got on top for a period and looked winners until disaster struck for them with the 2 goals described above.

**JUNIOR FOOTBALL CHAMPIONSHIP**

**Stradbally 3-10 Modeligo 1-7**

It was only in the closing stages that the hot favourites Stradbally really stamped their authority on this enjoyable contest in the second quarter final of the junior football championships on Saturday evening last.

Modeligo fielding a very young team kept battling all the way against a talented Stradbally outfit and were 1-5 to 0-3 in arrears at halftime. A splendid goal by 14 year old Patrick O'Donovan, certainly 'raised the roof' in the stands as at this stage only a single point separated the teams. When the alarm bells sounded for Stradbally they increased the tempo and a couple of splendid goals decided the issue in their favour.

Referee - Maurice Condon.

**JUNIOR FOOTBALL CHAMPIONSHIP**

**Ballyduff 2-9 Brickeys 1-7**

This was an exciting tie played at Lismore on Sunday evening and at halftime, the Brickeys looked the likely winners. But a fight back staged by Ballyduff saw them survive and win a place in the divisional semi-final of this championship.

The three qualifiers for the junior football championship semi-finals - Old Parish, Stradbally, and Ballyduff will be joined by the winners of the Lismore/Geraldines quarter final. The draw will be made when the open board meets in Dungarvan on Thursday night of next week.

**INTERMEDIATE FOOTBALL CHAMPIONSHIP**

**Geraldines Hold Out In  
Hectic and Exciting  
Contest With Sliabh gCua**

**GERALDINES 1-9 SLIABH gCUA 1-6**

It was hectic and exciting stuff but thoroughly sporting all the way as these two teams fought for the right to play in the quarter finals of the intermediate football championship.

Geraldines led marginally for most of the way and in the closing stages when they increased the gap to three points. Sliabh gCua failed to avail of two good chances of drawing level.

An opportunist goal kicked home by Colin Ronayne gave the Aghish team a splendid start and a lead which they held until Sliabh gCua equalised in the 42nd minute. Two converted frees by David Whelan narrowed the gap before Ger Donovan raised the winners first white flag, also from a placed ball.

In the 29th minute David Whelan brought his side's score to 0-3 as against 1-1 for Geraldines and this was the halftime tally. There had been no point from play.

It was a tit-for-tat second half which saw some splendid scores from play with 9 of the 11 points coming from play. Stephen Kenefick had a great point in the 31st minute and Colin Radley had another to extend the winners lead in the 34th minute. There was an exchange of scores when Kieran Hallahan pointed and Donca Tobin pointed from a penalty kick in the 40th minute. Then in the 42nd minute a Sliabh gCua attack saw Seanie Kearns clear to kick the ball to the Geraldines net and leave the teams level. Ger Donovan kicked a great point to restore the Aghish men's lead.

Stephen Kenefick and Ian Dunford exchanged points before Ger Donovan and Michael Murray had points to increase the lead to 3 points going towards the final whistle. Final scores came from John Hallahan and substitute Pat Donavan.

**SENIOR HURLING CHAMPIONSHIP**

**Lismore Have  
It Easy Against  
Roanmore**

Photos by  
SEAN BYRNE

This was a miss-match and was well decided at halftime when Lismore led by 1-9 to 0-1. The huge gap in standards was even greater than the final score suggests and Lismore did not have to exert themselves in the closing stages.

James Shanahan who has been out since the county semi-final last year was back in action and got his name on the scoreboard. However a feature of the game was the accurate scoring of Dave Bennett who was in top form when accounting for seven points.

Lismore's first goal came in the 14th minute and was finished by James O'Connor.

In the second half green flags were raised by Dan Shanahan

in the 43rd minute and John Heneghan 55th minute.

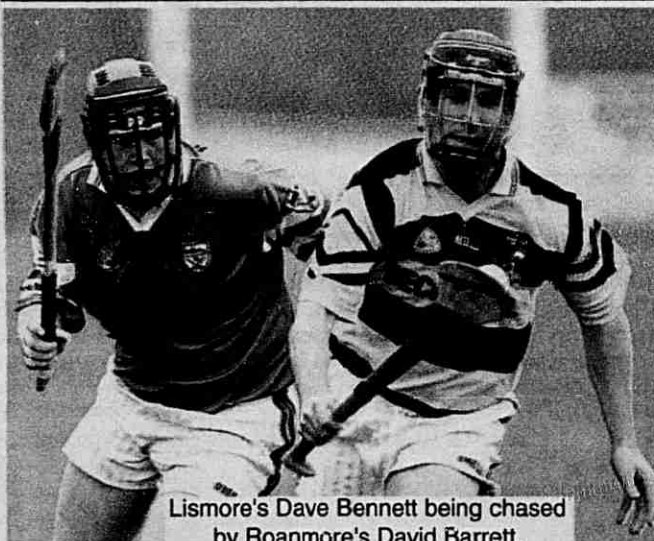

Scorers: Lismore - Dave Bennett 0-7, Dan Shanahan 1-1, E. Bennett 0-2, S. Bennett D. Howard, J. Shanahan 0-1 each; Roanmore - E. Byrne, S. Flynn and G. Quinlan 0-1 each.

# Rathgormack On Top In Enjoyable Contest

SENIOR FOOTBALL CHAMPIONSHIP — RATHGORMACK 2-12 CLASHMORE 1-5

Clashmore (above) who were beaten by Rathgormack (below) in the loser's group of the County Senior football championship. —(Photos: Sean Byrne)

The final score does credit to a super performance by Rathgormack, but at the same time does less than justice to a great performance by western standard bearers Clashmore who most certainly deserved to be closer to the winners at the finish of this enjoyable contest.

After leading by 1-5 to 1-3 at the break, Rathgormack began

to stamp their authority on the game from the restart and were on top throughout the second half.

Their team included a number of newcomers graduating from the underage ranks and they will have reason for feeling pleased with their performance here.

Clashmore were first to score

when Paudie O'Rourke sent over in the 3rd minute. Frannie Halpin responded for the opposition in the 7th minute. In the 12th minute after full forward Killian O'Keeffe was brought down, Brian O'Neill converted the resultant penalty. Kevin Power and Stephen Barron exchanged points and following a Joe Murray point for Rathgor-

mack, David Hickey brought off a super save from a Frannie Halpin shot at goal in the 20th minute.

An exchange of points between Kevin Power and Karl O'Keeffe was followed with Rathgormack's first goal which was kicked home by Kevin Power in the 27th minute. Joe Murray ended the first half

scoring to leave the state of play at 1-5 to 1-3.

### SECOND HALF

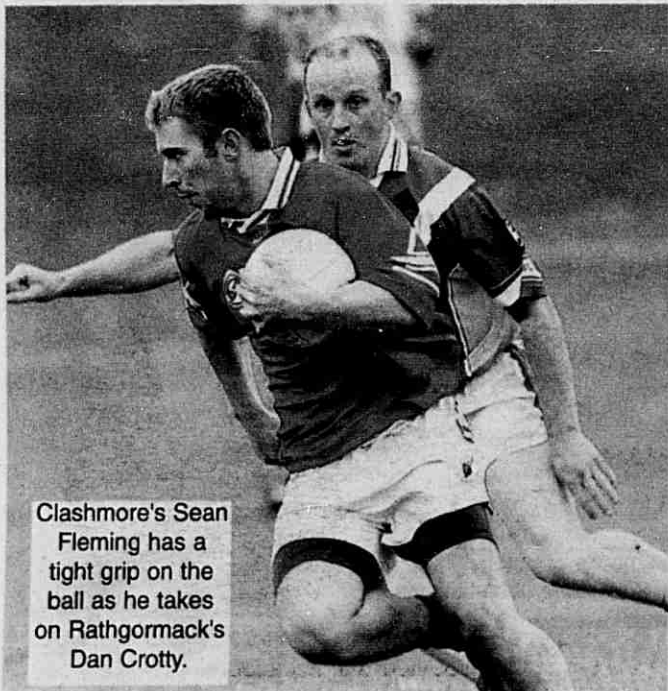

Kevin Power added two early points before shooting to the net for their second goal in the 42nd minute. The winners continued to dominate and despite the efforts of Clashmore in this half, their only reward was a point each from Stephen Barron and James Ledingham.

Rathgormack - D. Power, D. Crotty, T. Power, T. Kirwan, M.

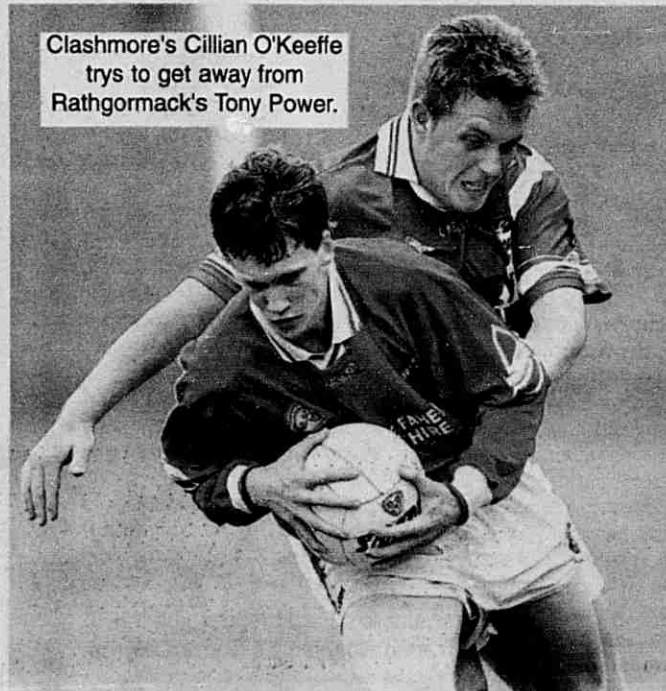

Mears, M. Crotty, D. F. Hassett, D. Power, P. Power, K. Power, M. Cummins, F. Halpin, J. Murray, S. Kavanagh, P. Crotty.

Clashmore - D. Hickey, P. Connery, J. Seward, E. Beresford, P. Dee, K. Connery, B. Dunne, S. Barry, K. O'Keeffe, M. Fenton, M. Power, P. O'Rourke, S. Fleming, K. O'Keeffe, B. O'Neill. Subs. played D. Allan, P. Lombard, J. Ledingham.

"Thou shall not pass" seems to be Karl O'Keeffe's (Clashmore) motto for Rathgormack's Franny Halpin.

# Fixtures For The Weekend

Unquestionably this will be the busiest weekend of the year so far with matches in almost every grade and in both codes arranged for venues all over the county.

Among the listed matches are

4 senior football and two senior hurling ties.

**Tallow v Ballyduff East**

## Senior Football Championship

### Gaultier 3-14 Kilmacthomas 2-5

Spectators in the stand saw the challengers, Kilmacthomas kick themselves into an 0-5 lead after ten minutes of an exciting opening half of this championship survival game at Walsh Park on Friday evening last. They held an 0-3 to 0-1 lead when Joey Veale kicked their first half goal in the 10th minute.

But after this Kilmacthomas fell back to playing second fiddle to Gaultier who settled and took control well before half-way.

In the second half, county player Anthony Fitzgerald goaled from a penalty within five minutes and after this it was only a matter of what Gaultier would win by.

Anthony Power had a Kilmacthomas goal in injury time but by this stage the game was already decided.

Kilmac' will now play in the relegation section.  
Scorers: Gaultier - G. O'Connor 1-4, A. Fitzgerald 1-3, W. Hutchenson 1-0, E. Kirwan 0-3, C. O'Riordan, A. Moloney, J. J. Hutchinson, T. Dunphy 0-1 each; Kilmacthomas - A. Power 1-3, J. Veale 1-0, P. Prendergast, D. Power 0-1 each.

Kilmacthomas; - N. Cronin, B. Walsh, P. Reilly, K. Mulhearn, P. Behan, R. O'Byrne, P. Mulhearn, David Power, Derry Power, B. Power, A. Power, J. Power, P. Morrissey, P. Prendergast, J. Veale. Subs. - N. Griffin for Behan, P. Hughes for John Power.

## Intermediate Football Championship

### Brickey Rangers 3-11 Shamrocks 1-5

A twelve points winning margin clearly illustrated the gap in standards in this intermediate football championship tie played at the beautiful Ardmore venue on Saturday evening.

Entering the second half, there was little doubt about the outcome and Brickeys are now through to the semi-final.

Referee - Donal O Murchu, An Rinn.

## BORD NA nOG

# Two Waterford Teams Just Pipped For Titles

It was nothing less than a tragedy that our brilliant under 14 hurlers were denied the Tony Forrester Title and trophy for their very first time after losing by a small margin to Kilkenny in injury time in the final.

The final was a thriller with Waterford trailing at the break thundering back to take the lead with time running out.

An injury time goal gave Kilkenny the lead and when Waterford were awarded a penalty the splendidly taken shot hit a defender's helmet and ricochet over the crossbar. It was a devastating defeat after a super performance.

A win would have been historic in that it would have been our first ever victory in this very special tournament.

Bord na nOg Chairman Eddie O'Shea said that the county had every reason for feeling proud of the young lads who had put in a super effort and had given it 'their all.' Such commitment and skill he said, augurs well for the future of Waterford hurling and well done, he said to the selectors and all the backroom people who had worked tirelessly in preparing our teams for the weekend series of tournaments.

Also in the Nenagh Co-op Tournament for the under 16 age group, Waterford were unluckily defeated by Cork in a final, that was also described as a thriller. Here a single point denied Waterford a draw.

On next weekend at Ballyduff and Tallow, the John Power under 16 football tournament which will involve teams from Waterford, Limerick, Clare, Tipperary and Cork (2) and Kerry (2) will be played.

The tournament is sponsored by the Power family, Kilmacthomas and is organised and run by the Waterford County Bord na n-Og.

programme at Fraher field and it being certain to provide a 'cracker' of a game, it is sure to attract a big crowd.

In the second afternoon match, Ardmore who recently defeated Comeragh Rovers will play De La Salle who lost to Stradbally on the same day. This game too will have a following.

## Senior Football Championship

### STRADBALLY V. BALLINACOURTY

In the third game at Fraher Field on Sunday, Ballinacourty will play reigning county champions Stradbally in the first of the quarter finals of the senior football championship at 6-30 p.m.

Having seen Ballinacourty play Mitchels in the poorest match of the championship so far on Sunday evening last I can have no hesitation in making the five in a row champions Stradbally hot favourites to win here. The "Reds" are playing great stuff again this year and being more of the 'finished product' than any of the other teams remaining, it would be the height of folly to oppose them.

## Senior Football Championship

### NIRE V. ST. SAVIOURS

This draw for their quarter final game must surely make the Nire very happy and it would be difficult to see the city team creating a surprise here. In fact the way that the Nire are playing it is difficult to imagine them not qualifying for yet another bash with the champions in the final if they are not drawn against each other in the semi-final.

This quarter final game is scheduled for Walsh Park at 1.30 p.m. on Sunday. It has been given an early start in order to allow two eastern championship games to be played at the venue.

## Senior Football Championship

### RATHGORMACK V TRAMORE

Rathgormack will be strong favourites to defeat Tramore in the third quarter final match of the football championships during the coming weekend.

Their devastating second half against Clashmore on Sunday evening must have given notice to all and sundry that they are a team to be reckoned with.

St. Saviours did beat Kilrossanty on Saturday last and on this basis, they might be considered to have a chance, but then, Kilrossanty were at their lowest for a long time.

Rathgormack should win here. Speaking to a Rathgormack club officer when leaving the field on Sunday night, I was told about their confidence in winning the championship this time round.

## ST. BRENDAN'S V. GAULTIER

This is the first time that a group team has reached a county semi-final and it is quite an achievement for them. But I doubt if they will survive this test against an up and coming club who have great underage teams at minor and under 21 level. This tie will be decided at Walsh Park on Saturday evening.

The forecast for the four games, in my opinion will have Stradbally, Nire, Rathgormack and Gaultier into the hat for the semi-final draws on next Sunday night.

The western board also has a programme of matches to be played.

## Intermediate Football Championship

### EMMETTS V. AN RINN AT FRAHER FIELD

This is a battle for a place in the semi-final of this splendid championship and is scheduled for Fraher field on Saturday evening commencing at 6.45 p.m.

On their showing so far, the team from the Gaeltacht will be favourites and will be strongly fancied to advance.

## Junior Hurling Semi-Final

### BALLYDUFF V. BALLINAMEELA

This is the first of the two junior hurling semi-finals and it will be played at Lismore on Saturday evening.

Ballinameela, fielding their first fifteen must be given a fair chance against Ballyduff's second string but when calling to mind the splendid display by Ballyduff's youthful fifteen when surprising neighbours, Ballysaggart, they certainly cannot be ruled out. Ballyduff are having an amazing run this year with all their teams still standing in the championships.

## SENIOR HURLING

# Mount Sion Have Runaway Victory Over Portlaw

### Mount Sion 2-15 Portlaw 0-2

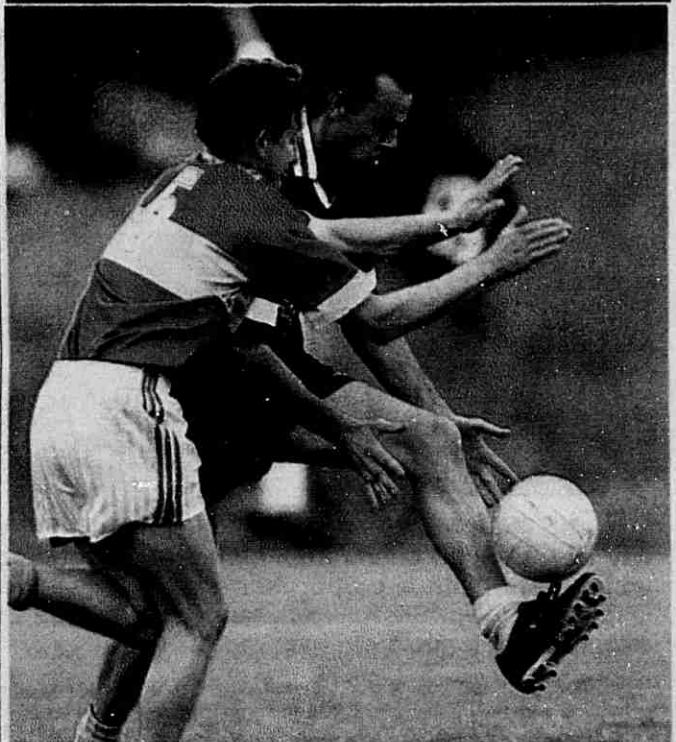

It is difficult to imagine a senior hurling team scoring only two points in a championship and it is equally hard to understand why a team of Mount Sion's caliber could score only five points against such poor opposition in the opening 30 minutes.

As expected there was no doubt about the outcome of the game which was decided long before the final whistle.

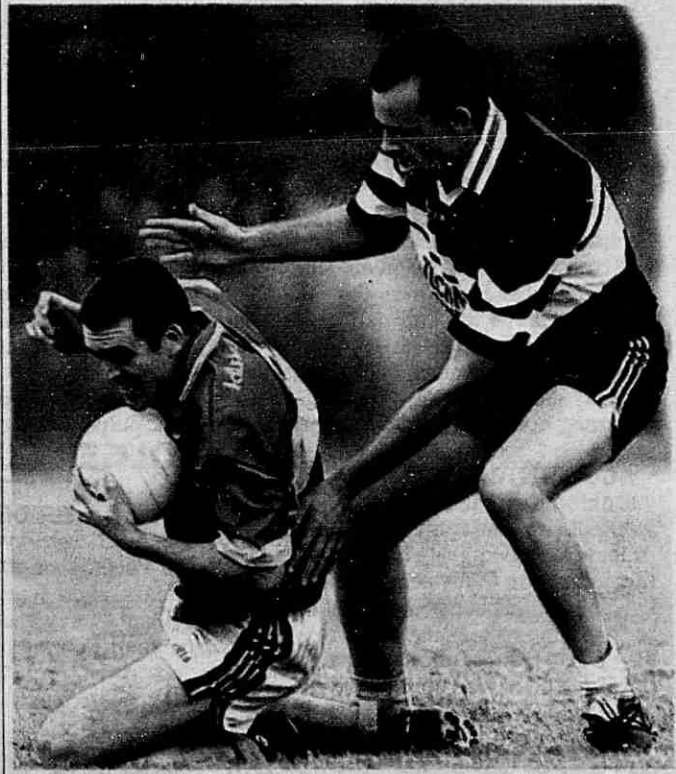

Scorers: Mount Sion: E. McGrath 2-0, K. McGrath 0-4, M. White 0-4, T. Browne 0-2, D. Kelly 0-2, K. Stafford. F. O'Shea, J. Farrell 0-1 each. Portlaw: M. Power and F. Kelly 0-1 each.

## Champions Lismore Open With Victory

**BOLGER  
CUP & PLATE  
FINALISTS  
NOW KNOWN**

## KILWORTH SURPRISE CAPPOQUIN CAREY ACCRINGTON HERO

The Mari Mina Premier division kicked off with three games on Sunday last. League champions Lismore continued where they let off last season with a comprehensive victory—their 15th unbeaten league game—while Kilworth surprised fancied Cappoquin and Accrington had a good win over Inch.

The Tony Bolger Cup and Plate semi-finals were played mid week and in the former, Mogeely play Accrington in the final, while in the Plate final Lismore play Blackwater.

In the Fitzgerald Cup Inch B surprised Castlebridge A.

### LISMORE 5 GORTROE 2

League champions Lismore got off to the best possible start to retaining their title when defeating last season's promoted champions Gortroe at the Castle Farm Ground. A case of business as usual when "Golden boot" Nicky Donnelly scored. Leonard Byrne equalised for the visitors and Paul Quinn had the home side in the lead again only for to have the sides level at the break. In the 2nd half goals from Donnelly, and two from Pat Quinn gave Lismore all three points, but Gortroe playing only their first game of the season will be strong contenders before the league is over.

### ACCRINGTON CELTIC 4 INCH 1

Promoted runners up Inch found the going difficult in Fermoy more especially as they were two goals down at the break through a Sean Carey penalty and a Paudie Lynch goal. Stephen Murphy pulled a goal back for the visitors and try as they might they could not get the equaliser, instead Carey went on to score twice more for his—and the league's first hat trick of the new season—to give Accrington the best possible start to the league. Knowing Inch they will be a force after a few league games and on Sunday they have Kilworth as visitors.

### KILWORTH CELTIC 5 CAPPOQUIN 1

We tipped Cappoquin to be the victors here and when they took the lead through Dave Lenane we felt our prediction was correct but Ryan Thuillier equalised for the home team and this was the score at the break. In the second half the Cork side took complete control with Tommy Seymour and Will O'Donoghue scoring twice each. This was a very good win for Kilworth playing only their first competitive game of the season and a very bad result for Cappoquin who have Accrington as visitors on Sunday.

### BOLGER PLATE

#### VALLEY RGS 3 LISMORE 3 (Lismore win on penalties)

This was a cracking game of football in Conna on Thursday night last, with the lead on both sides changing through out the 90 mins. The visitors opened the scoring through Kevin O'Donoghue. Padraig O'Connor equalised and new signing Gerrt Mbers had the Conna side in the lead only for O'Donoghue to have the sides level at the break.

Donal Caplice gave Valley the lead and they looked to have a final place booked until 30 seconds from the whistle when Martin Ormonde scored a wonderful goal to bring both sides to a penalty shoot out which Lismore won.

Valley manager Derry was missing on the night but we are reliably informed that he went to the Cross to learn from King Damien!!!

### AFFANE 0 BLACKWATER RGS 1

Played on Wednesday night in Affane this local derby was in the melting pot up to the final whistle with the visitors hanging on to a Kieran Cotter goal and they now play Lismore in the final. Affane had their chances but could not get that all important equaliser that would bring them to extra time. Overall Blackwater will be happy to have got over this hurdle and make the final which at the end of the day is the purpose of the exercise.

### BOLGER CUP

#### ACCRINGTON CELTIC 1 BRIDE VIEW 1

(Accrington win on penalties)

In Fermoy on Wednesday night both sides played wonderful football with William Curley and Colin Baker exchanging goals to bring the sides to the dreaded

penalty shootout. Chances were missed by either side in normal time and as the game progressed it became obvious that the game would be decided by penalties. As has happened so many times the penalties were exciting with excellent spot kicks taken on either side before Accrington finally won and now go on to the final where they meet Mogeely.

### MOGEELY 2 INCH 1

A local derby in Mogeely on Thursday night with the home side coming out on top and just about deserving their victory. They took the lead through Denis Horgan before Paul Ryan equalised before the break. Inch came more into the game in the 2nd half but from a Mogeely corner Ronnie Barrett scored what proved to be the winning goal. Try as they might, Inch could not get the goal that would force extra time. Over all a good sporting local derby and Mogeely now play Accrington in the final.

### FITZGERALD CUP

#### INCH B 2 CASTLEBRIDGE A 2 (Inch B win on penalties)

A real cup shock in Inch on Saturday night when the highly fancied A team were knocked out at the first attempt by new boys Inch B. The home side led at the break through goals from Andy Walsh and Alan Crotty. In the 2nd half the Castlelyons team did up the tempo and scored twice to bring the teams to a penalty shoot out which the home team won and caused the first cup shock of the season.

# Well Done Cork City

For fear of being accused of biasness in our notes to our Cork City supporters (every one knows we follow the Blues, through good times and bad) we congratulate Damien Richardson and his team on their display in Turners Cross on Thursday night last when they played a scoreless draw with Djurgarden IF and qualified to meet Slavia Prague in the next round thanks to the away goal they scored in Sweden. We were at the game in The Cross last week and one had to be there to experience the atmosphere and the electricity that was generated in the sell out crowd. So many times we hear the standard of the Eircom League criti-

cised, but to be at the City game on Thursday night showed the standard at a very high level indeed. It was fantastic to be there and be part of the excitement and we look forward to the visit of the Czech side on September 29th when they play the 2nd leg.

For all Waterford supporters, the Blues will be playing Longford Town this Friday in Longford, a game that will be televised live on TG4. While we will be underdogs let us hope we can pick up even a point. With a new signing from Oldham maybe Waterford can pull away from the relegation zone. It must be sooner rather than later.

## WEEKEND PREVIEWS

### MARI MINA PREMIER DIVISION

#### Inch v Kilworth

Both teams had contrasting results last Sunday with the visitors having a resounding win over Cappoquin and Inch losing in Accrington. Kilworth will not have it as easy on Sunday and Inch can only improve in this division. However on form, and early season form, Kilworth to win.

#### Cappoquin v Accrington Celtic

The home side lost to their visitor's neighbours Kilworth last week and manager Billy Collins will look for a bigger effort from his charges on Sunday. Accrington are on a high at present, in the Bolger Cup final and a league win under their belts last Sunday, they will look for full points in Cappoquin. The home side have yet to kick start their season and Sunday will be a real test. Form says Accrington but it may be a draw.

#### Bride View v Lismore

Down through the history of the league there are some clashes we always want to see and this is one of them. We can be guaranteed pure football when both those clubs clash and there is never anything between them. Last season Bride View were the only team to take a point from Lismore and we look for another cracker on Sunday. On form we tip Lismore, but as we wrote

#### Gortroe v Ardmore

The home side played their first competitive game last week when they lost to Lismore and will have benefited from this outing. Ardmore, not at full strength yet in the campaign, have relinquished The Bolger Cup but will try to get the early points in their bid to win back the championship they surrendered to Lismore last season.

This game may end in deadlock with both sides sharing the points.

### LIAM FITZGERALD CUP (SPONSORED BY BERTIE O'MAHONY FITTED FURNITURE)

#### Affane v Glen View

The Melleray side will be playing their first competitive game, while Affane have the benefit of playing in the Bolger Cup and Plate. With that match fitness behind them it is difficult to go against Affane.

#### Modeligo v Mogeely

When they met in The Bolger Cup two weeks back the Cork side came out on top in a very one sided affair scoring five goals and conceding none. Mogeely have since qualified for the final, but will take nothing for granted in their 2nd visit to the Waterford venue in as many weeks. On form it has to be a win for Mogeely.

#### Araglen v Castlebridge Celtic B

The home side will be making their 1st appearance in competition when they host Castlebridge's 2nd string, who already have the benefit of playing two cup games already, albeit without success. Araglen should have too much experience for the young visiting team, but lack of match fitness may come against them. A game that could go either way, Araglen get our vote.

#### Bride View B v Cappoquin B

The visitors have a strong squad and have promotion as their objective this season and are using the cup games to give all their players competitive experience.

Likewise Bride View have a young squad, with players coming through their under age structure and both clubs are seeing the benefit of under age football. We think Cappoquin may be too strong and experienced.

**TONY BOLGER CUP SEMI FINAL MATCH REPORT**

# Accrington Defeat Utd. In Thriller

**ACCRINGTON 1 BRIDEVIEW UTD 1 (AET) PENALTIES 7-6**

What a real cracker of a game we had in Lismore on Wednesday evening last when Accrington defeated Brideview Utd after a terrific penalty shoot-out.

The opening half was only 5 minutes old when William Henley put Utd ahead. Accrington were back on level terms after just 10 minutes when Trevor Slattery scored. At the break the sides were still level at 1-1.

The second half was end to end stuff. Both sides had their chances to win the game. Utd saw William Curley, William Henley and John P. Grey all miss clear cut chances. At the other end Sean Carey, Trevor Slattery and Elton Pierce went close.

However after 90 mins. the sides were still level and extra time failed to produce another goal so it was to the penalty shoot-out.

Both sides took a total of ten penalty kicks before we got a winner. The north Cork side ran out winners by 7-6.

Penalties were scored for the winners by Sean Carey, Colin Baker, Elton Pierce, Fergal Fitzgerald, Conor Cooney, John Tobin and Noel Govern.

Utd's penalty scorers were Stephen Pratt, Michael Curley, Graham O'Neill, William Henley, Denis Martin and John P. Grey.

**Accrington** — A. Hyland, J. Tobin, F. Fitzgerald, B. Clancy, S. McCarthy, C. Cooney, D. Gill, C. Baker, E. Pierce, S. Carey, T. Slattery. Res; N. Govern and J. Gallagher.

## Kilmacthomas AFC Notes

**DIVISION 1A**

**Kilmac 2  
Tramore Rangers 2**

Our Division 1A side kicked off their new season with a home game against Tramore Rangers on Wednesday night last. Kilmac started brightly and were rewarded when Johnny Power nipped in to score after only ten minutes. The home side doubled their lead when Johnny Power pounced on a loose ball in the six yard box after Tony Kirwan had challenged the Rangers keeper. The score remained 2-0 at half-time but in the second half Kilmac took their foot off the pedal and allowed Rangers back into the game when they pulled a goal back.

Kilmac could still have stretched their lead but Johnny Power missed a good opportunity to get a hat-trick and the home side were made to pay when, with only ten minutes to go, Rangers got a deserved equaliser from the penalty spot.

Worse could have followed for Kilmac as Rangers had a last minute chance to grab the winner but the ball went over the crossbar and both teams had to settle for a point apiece.

**Team** — David Prentice, Derry Power, Keith Mulhearn, Pa Behan (Bobby O'Byrne), Mark Whelan, Stevie Dee, Paudie Pender (Niall Barry), Leo Barry, Lee Butler (David Whelan), Tony Kirwan, Johnny Power.

**Kilmacow 1 Kilmac 0**

Kilmac were missing a number of regulars for this match on Saturday afternoon last in Kilmacow. The game itself was a closely fought affair with most of the possession evenly contested by both teams in midfield.

Kilmacow got the decisive breakthrough however when they scored from a corner-kick with 30 minutes to go and it remained 1-0 to the home side at the final whistle.

**SECOND DIVISION**

**Kilmac 3 Seaview Celtic 1**

Our second division team took on Seaview Celtic in their opening game of the season in Currabaha Park on Sunday morning last. Kilmac started brightly and were rewarded with two exquisitely taken goals from Martin Coffey. Coffey was then unfortunate not to complete a hat-trick when his close range shot rebounded off the crossbar.

The second half was more evenly contested but when Kilmac substitute John Ryan was upended in the box John Cleary made no mistake from the resulting penalty-kick.

Seaview did get a consolation goal near the end but the home side ran out deserving 3-1 winners.

**Team** — Niall Kennedy, Derek Cleary, John Cleary, Adi Kirwan, Danny Walsh, Sam Battye (John Ryan), Andy Hubbard, Michael Kirwan, Richard Kirwan (Martin Sutton), Martin Coffey, Pat Weldon (Eric Cleary).

## Ballinroad AFC Notes

### DIVISION 2 RUE MISSED CHANCES

**Ballinroad 1 Grannagh 1**

This was a game Ballinroad should of won handsomely but in the end had to settle for a share of the points in Ballinroad on Sunday morning last. Ger Beresford is a very experienced and enthusiastic manager and we are very fortunate that he had decided to come on board with us. We have had two great seasons in the division narrowly missing out on promotion so it's up to the players to make the effort to get the long over due title. Ritchie Lynch was our goal scorer on Sunday last.

**Ballinroad:** R. Hayes, M. Coles, M. Tobin, P. Coles, R. Lynch, P. Lannon, W. Morrissey, J. Keohan, D. Hickey, P. Walsh, J. Duhig, Ml. Fraher, P. Hayes.

**JOHN FRAHER TOURNAMENT  
Stradbally 1 Seaview Celtic 0**

Stradbally came out on top against Seaview in Ballinroad on Friday evening last. They now play Abbeyside in the semi final with Ballinroad waiting to face the winners in the final. A special word of thanks to Ber Burke and Dixie on all the work they have done with this team over the last few seasons.

**YOUTHS**

**Piltown 1 Ballinroad 2**

Ballinroad made the long journey to Piltown a fruitful one on Tuesday evening last as they came away with all three points in a fine team effort.

**TEAMS**

We have entered 5 teams in the schoolboy league and 2 junior teams and a youth team in the Waterford District Junior League. There are also upwards of 80 players in the age group of 6 to 10 years in training.

**BALLINROAD SCHOOLBOYS SOCCER**

### Good Start To League For Under-14's

**Ballinroad 5 Rathgormack 0**

Our U-14's were at home to Rathgormack for the first game of the league. It took Ballinroad a while to settle into this game as some of our players were playing in new positions for this game. But when we got going we were playing some good football. Our first goal move up the right and a great cross from Kian O'Connell was well finished by Aidan Walsh. After the goal Rathgormack were putting some pressure on to get back into the game, but all through Conor Hickey in goal our back four of Conor O'Dwyer, Colin Whyte, Diarmuid Henley and Owen Lavelle were very solid. A mistake in the Rathgormack defence was pounced on by Ronan Sheehan for no. 2 and a great run from Ronan from midfield lead to no. 3 when he slid the ball past the Rathgormack keeper. Our midfield of David Morrissey, Ronan Sheehan, Colm Hayes and Nickey Dee were well on top at this stage. In the second half Kian O'Connell scored two great goals, the first Kian got on to a cross to slide the ball past the Rathgormack keeper. For no. 2 Kian volleyed the ball to the net from a corner. After that we brought on our subs, Colm O'Hare went into goal, Joey Doherty, Ross Dunford and Danny Kiely and all did well when brought on. A good win to start but we have tougher challenges ahead. Well played lads.

**Panel** — Conor Hickey, Conor O'Dwyer, Colin Whyte, Diarmuid Henley, Owen Lavelle, David Morrissey, Ronan Sheehan, Colm Hayes, Kian O'Connell, Aidan Walsh, Nickey Dee, Colm O'Hare, Joey Doherty, Ross Dunford, Danny Kiely.

Next training Wednesday 31st at 6.45 pm.

Next match on Saturday 3rd September away to Railway.

LADIES CUP FINAL (SPONSORED BY SOLO HAIR SALON, YOUGHAL)

# Modeligo Defeat Kilmac' After Penalty Shoot Out

## MODELIGO 2... KILMACHOMAS 2 (A.E.T.)

(MODELIGO WIN PENALTIES 4-3)

A fine day, a big crowd, plenty of goals, and good football left both teams drained after a terrific ladies Cup final played in Cappoquin on Sunday afternoon last.

The huge numbers of fans supporting both sides were the real winners here as they were kept on their toes right up to the final kick of the game.

Kilmac' attacked first when Freda Morrissey tested Modeligo's keeper Helen Walsh after just 6 minutes. In the 8th minute a great Kilmac' move started by Caoimhe Downey saw her brilliant pass down the right finding Tina Fitzgerald.

It looked as if Fitzgerald would score but a well timed tackle by Sarah Walsh cleared the danger.

A great move by Modeligo in the 15th minute saw Angie Walsh set up Mags McCarthy but the Kilmac' keeper Amy Sutton saved well.

### OPENING GOAL

The opening goal came in the 16th minute when Edel Morrissey had held out for a win but Edel Morrissey broke through Modeligo's defence and shot home the equaliser which brought the game to extra time.

shot was well saved by Helen Walsh.

Marian Troy had a terrific shot after 29 minutes that flew across the goal and just wide as Modeligo tried to get back on level terms.

### EQUALISER

Modeligo got back on level terms in the 31st minute when a cross by Angie Walsh was headed home by Aishling O'Brien. At the break the sides were level at 1-1.

### IN FRONT

Modeligo went in front for the first time 5 minutes into the second half when great control by Marion Troy saw her shoot home from close range.

It was now end to end stuff. Edel Morrissey, Tina Fitzgerald, Anita Dee and Aisling Weldon all went close for Kilmac' while Niamh O'Donovan, Sarah Walsh and Sandy Walsh all had good chances for Modeligo.

With just 2 minutes remaining it looked as if Modeligo had held out for a win but Edel Morrissey broke through Modeligo's defence and shot home the equaliser which brought the game to extra time.

### EXTRA TIME

Both sides failed to score but

both keepers Helen Walsh and Amy Sutton were in terrific form.

### Penalty Shoot Out

These girls held their nerve as they took the penalty kicks. Both keepers saved one each but Modeligo ran out winners by 4 to 3.

Scorers for Modeligo were Emer Hickey, Angie Walsh, Aishling O'Brien and Mags McCarthy while Clea Power, Caoimhe Downey and Tina Fitzgerald scored for Kilmac'.

So after a really terrific game Modeligo ran out winners much to Shane Reddy's delight. Shane, manager of Modeligo was delighted with his

squad but said Kilmac' really tested us today.

Johnny Power felt his girls gave it their all and added that we might get another crack at Modeligo before the season ends.

## PRESIDENT'S PRIZE

As always, in our major competitions, Tom Fennell, Paddy Hannigan and George Hogan got the ball rolling on Friday at 12.30 p.m. Tom Fennell was the early leader with a good score of 39 points, but this was soon overtaken and after the two days of qualifying Pat Malone led the field with 43 pts. Declan Kiely, Johnny Burns, Patsy Walsh were in the chasing pack on 42 points and a host of other players were closely grouped on thirty eight and thirty nine points. Everything was set for an enthralling final round on Sunday. To make things a little tougher, a very strong wing was blowing in from the South West. At the end of the day only 2 points separated the top ten with John Hallinan coming in as the winner. It was a great weekend, there was a good buzz around the kiosk and the course, and it was a deserving tribute to Conor that it was the biggest entry ever for a President's prize held in the GoldCoast.

## PRESIDENT'S PRESENTATION

On Sunday night we had nearly a full house for Conor and Ruth's presentation of prizes. Both President's spoke highly of the honour of serving as President's of their respective clubs and both were grateful of the fact that they had record entries in both their competitions. They also spoke highly of the condition of the course, as did all the prizewinners. A very emotive John Hallinan spoke very well and thanked Conor for the beautiful prize he had presented on the night. It was great to see so many juvenile players involved on the second day and that in itself bodes very well for the future of the GoldCoast Golf Club. Johnny Hughes continues to do tremendous work with all our juveniles and we cannot commend him enough for his tireless efforts throughout the year. Bouquets of flowers were presented to both Ruth and Conor's wife Barbara after the presentation. Also on the night we heard rumours that one of our members had proposed to his girlfriend and that they now intend to get married in twelve months time. Declan Kiely also announced that Austin Kiely would be his new Vice President while Brian Gaynor also welcomed Patsy Walsh as his new Vice captain.

The whole weekend was a fantastic tribute to two very hard working Presidents and it was a pleasure to be present with Conor, Ruth and their families on a great night.

FENNELL HAULAGE & WASTE  
DISPOSAL LTD. G.A.A. LEAGUE

A very big entry again this week, some great scoring, and the competition is really heating up. After three weeks there are only a few points separating the teams at the top and things will really start to heat up from this point on with four to count for the next three weeks. Dunhill A are leading with 207 points but they are very closely followed by the All Stars on 204, Abbeyside 202, Ballinacourty 202, Dunhill B 202, Kilrossanty 201, Touranena 197, Bunmahon 195 and the rest are closely grouped behind. Results are posted in the kiosk.

## DUNGARVAN PRO-AM. DUNGARVAN PRO-AM.

Everyone who played in last year's Dungarvan Pro-Am really enjoyed the experience and the proof of this is that most of these players are again entering for the competition this year. The event will be held over the Dungarvan and GoldCoast golf courses and will take place on Wednesday 28th and Thursday 29th September. The Pro-Am is very generously sponsored by Sherry Fitzgerald Reynolds in association with Tara Crystal Chandeliers. Each team will consist of a P.G.A. Pro and three amateurs. Entry is 500 per team which include two days golf and dinner for the two days. Anyone interested should contact either Dungarvan Golf Club at 058 - 43310 or the GoldCoast Golf Club at 058 - 44055.

## BARBECUE AND SKINS

On Wednesday evening last the club held a barbecue and skins competition to launch this year's President's Prize. While the weather was not perfect, it did not stop a very large number of people attending, the children had a great time on the bouncy castles, there was plenty of food available for all comers and the skins competition proved an outstanding success. The final was great fun with eleven players taking part. Four were knocked out at the first hole and one more at the second. Three qualified for the play off for the winning positions and three qualified for the also ran positions. The play off resulted as follows: 1st: Paul Ahearne, 2nd: John Enright, 3rd: Colin McArthur, 4th: Tony Dunford 5th Roy Ware and 6th: Deirdre Hannigan. Thanks to all who helped out on the night.

## PRESENTATION OF PRIZES

Without doubt this was the biggest presentation of prizes ever held at the GoldCoast. Over 80 prizes were presented and we are delighted to say that over 90% of the winners were present.

## WEST WATERFORD GOLF AND COUNTRY CLUB NOTES

# All Ireland Glory For West Waterford Boys

On Tuesday last, at Dungarvan Golf Club, the Junior Foursomes team of Seamus Power, Philip Spratt, David Curran, and Philip Walsh created history by bringing the first All-Ireland team title to the club.

As Munster Champions, and with the local venue, there was an air of expectancy and trepidation as they teed off in the morning against Connaught Champions Galway, in the semi-final. It was an extremely tight match all the way but with Seamus Power and Philip Spratt holding a four-hole advantage, and David Curran and Philip Walsh just one-hole adrift, they advanced to the final.

Meanwhile, Ulster Champions, City of Derry proved too good for the Leinster Champions, Kilkenny setting up the final between West Waterford and the City of Derry. The Northern Boys have a most impressive record in Junior Golf and would provide the sternest opposition. With huge home support, West Waterford got away to a flying start and while they wobbled a little around the turn, the Boys from the Brickey Valley resisted every challenge. They showed outstanding skill and character during the vital closing holes, particularly the youngest team members, 14-year olds Philip Spratt and Philip Walsh. To the acclaim of the huge gallery, they finally secured the coveted green pennant, with David and Philip Walsh winning by 3 holes, and Seamus and Philip Spratt winning by 1 hole.

At the presentation, attended by all the leading officials of the G.U.I. and the I.L.G.U., the Golfing Union President Mr. Lindsay Shanks paid tribute to the Boys for the wonderful spirit in which the game was played. He went on to present the trophy to the team manager Justin Spratt, who also created history by being speechless.

Many thanks to all who traveled on the day to support the team, not forgetting reserves Cian Kearney and Kieran Gee, and the caddies. A special word of thanks to Dungarvan Golf Club for all their help and support particularly in the run-up to the event, their co-operation was greatly appreciated.

Another notable piece of history unfolded with Philip Spratt winning this All-Ireland Medal; his father Austin was also a winner in the same competition when playing for Dungarvan in 1985, at Athlone Golf Club.

It is a fitting end to a fantastic year for the club, who now hold the Irish Youths Championship courtesy of Seamus Power and the Irish Junior Foursomes Championship. Needless to say, the celebrations are on-going!

# Dungarvan Golf Club Notes

## GUI NATIONAL JUNIOR FINALS

The Club was a hive of activity last week hosting National Finals of the Fred Daly, Junior Foursomes and U-15 County Championship over three consecutive days. On Monday four teams Castle, Lurgan, Claremorris and Killarney Golf Clubs all representing their provinces took part in the Fred Daly. The Castle Golf Club from Dublin emerged victorious.

At the evening presentation the GUI speakers Lynsey Shanks, GUI President and Seamus Smith, General Secretary, were very complimentary of the golf course and the facilities afforded to the competitors. John Burke, Captain of the Castle Junior team, was also loud in his praises of the course and the Club's hospitality not only during the tournament but also in the lead up to the event.

On Tuesday the standard of golf was also high, with girls competing in the Cidona Interclub finals and the boys were fighting it out in the Cidona Junior Foursomes Championship. Kilkenny girls defeated Ennis in the morning semi final and qualified to meet Mountbellew in the afternoon final who beat Armagh in the morning tie. The Kilkenny girls displayed exciting golf to come out eventual winners in a close encounter in the final.

The I.L.G.U. President Anna Heskin in the evening speeches praised the all the girls who competed, both winners and losers and said they were a credit to their Clubs and an inspiration to all up and coming young golfers.

There was a great buzz around the Club for the Boys Junior Foursomes, especially when word got out that West Waterford Boys, Munster provincial winners won their morning semi-final beating Galway to set up an afternoon clash against City of Derry who defeated Kilkenny in the morning. It must be said though it was a notable achievement to have Kilkenny represented in both the boys and girls sections, and proves what a healthy state junior golf is in at their Club.

A fascinating final followed between West Waterford and City of Derry boys with the local Club running out eventual winners to the delight of the local crowd. Congratulations to the West Waterford junior team and management on their magnificent achievement and All-Ireland Junior Foursomes title. It was a proud moment for Justin Spratt accepting the Trophy and he thanked Dungarvan Golf Club for all their support and assistance.

Wednesday played host to the U-15 County National Championship with counties Cork, Galway, Wexford and Londonderry competing and the Londonderry boys produced some remarkable golf over 36 holes to steal the show on the final day.

It was a great week for Dungarvan Golf Club and hopefully the success of the tournament and the caliber of young golfer who played will be an inspiration to our own up and coming golfers who got the opportunity to see the golf on their ball spotting and stewarding duties during the event.

Many thanks to all the staff and Committee members involved in the organisation of the event for their combined efforts in making it a successful and enjoyable week for all concerned.

## Causeway Tennis Notes

The Causeway Veterans Open Competition was held on the weekend of the 19th August. It was a very successful event with the entry up on the previous year. We were very lucky with the weather once again, with the weather on Saturday being an absolute scorcher. We had some light rain on the Sunday but it cleared as the day progressed.

We had a number of local players qualifying for the finals on Sunday. In the Senior Ladies Doubles Margaret Cusack and Maura McGrath played well but were piped at the posts. Likewise Donal McGovern and Niamh Kennedy came out second best against a very strong pairing of John Heffernan and Jacinta Coman in the Combined Mixed Doubles. In the Combined Men's Doubles Ger Cusack and Declan Webster had a big win over the highly rated Dick McCarthy and Michael Prendergast. It was a keenly contested match but Ger and Declan combined very well on the day to come out on top.

The Club President, Denis O'Donovan thanked the organisers of the event during presentation. In particular he thanked the Tournament Director Ber Sheridan, ably assisted by Ger Cusack and Donal McGovern for a well run event, David Noble for managing the entries so efficiently, and for those who helped in the catering. Denis also thanked our main sponsors Chevrolet. Séamus Guinan of Nissan Dungarvan, and main dealers for Chevrolet, presented the prizes. Denis also thanked Diageo for their sponsorship.

## 40th Wedding Anniversary

*Willie and Mary Rossiter, who celebrated their 40th Wedding Anniversary recently, would like to thank most sincerely their family and friends who came to their 40th Wedding Anniversary and made the night so enjoyable. They would also like to thank Pat and Paul and the staff of Minnies, also Enrights and the band who played so well on the night.*

Pictured over is Willie and Mary Rossiter, Abbeyside, who celebrated 40 years married recently.

Pictured below are Willie and Mary being toasted by family members Liam, Sinead, Jennifer and Grainne at their 40th Wedding Anniversary Celebrations.

Compared to the notes of the past few weeks this week's sees a return to normal size. Judging from the feed back from everyone our notes on annual camp went down well with all concerned. People enjoyed reading of the adventures we undertook and the fun and excitement everyone had.

The fact that the troop camped abroad this year to mark the 75th anniversary of scouting in the village means that next summer annual camp will be held in Ireland. A name being mentioned even at this early stage is Fota island scout camp, a place we have indeed camped before.

As mentioned on previous occasions because this is our 75th anniversary year some more events to mark this historic event are being planned and notification of our intentions in this regard will be posted in plenty of time.

Both cub and scout sections do not start back for the new year until Saturday the 10th of September at the usual time of seven for the cubs and eight for

the scouts. For the first scout meeting of the year we would like everyone who was on camp (adults included) to come to the meeting and show your particular photos to all present.

We are treating this first meeting back as a reunion of those who attended camp. No doubt as in previous years stories will be recounted of the fun and games that were experienced on camp 2005 - Adelboden, Switzerland.

September for the scouts and cubs is traditionally the start of a new scouting year. This year ahead will be different from previous ones in that from the

start of September the new uniform will be in the shops (at long last) for members of all sections to buy! If you need a new uniform, trousers, shirt or whatever, you need to purchase, one of the new type available in the scout shop in Cork! If you're old style uniform still fits you this will be fine until such time as you need to update. Uniform change has come about due to the fact that the two main scout organisations on this island - Scouting Ireland csi and Scouting Ireland sai have now formed one nationwide organization known simply as Scouting Ireland!

## Abbeyside Reference Archive

### CHANGES

Most Museums and Archives have a 'look only' policy. The Abbeyside Archive is most unusual in the fact that people are encouraged to handle a lot of the material on view. Choirs are available for people to sit and browse at leisure.

This Sunday evening Sarah Mullarkey will be at the Parish Office minding all the 'treasures'. Then we have a mini break for two weeks and plan to be back in action on Sunday 25th September at 2.30 pm. The monthly Parish news will be out this weekend and will be available at all the usual outlets.

Sean Kenneally Cup

This annual challenge for the Sean Kenneally memorial cup turned out to be a well contested challenge with a surprise result. Having been beaten by one pull in 2004 Pat Flynn Hardware Team went all out this year to claim the coveted cup for Ballyduff.

Weeks of training by the team paid off when the holders Butchers Bar Kilworth were comprehensively beaten by Flynn's men. While the result may have been a surprise to many, there can be no doubt that victory was deserved by the local men. Therefore the Sean Kenneally cup has pride of place in Ballyduff Village...but for how long, only time will tell! We look forward to 2006!
