## Outrage At Sale Of Land Earmarked For Social Housing

BY KEVIN KIRRANE

Outrage and shock greeted news that Dungarvan Town Council is to sell a site in Abbeyside where 130 social and affordable houses were planned to be built.

Two months ago, members of the Town Council were informed that a first phase of sixty houses were to be built on the 12.7 acre site near the Clonea Road. However, following a question from Cllr. Teresa Wright at the October meeting of the local authority, Town Manager, Denis McCarthy revealed that the plans are to be scrapped and the site sold to private developers.

Just 26 social and affordable houses under Part V would be built if the site is developed by

a private developer.

Mayor of Dungarvan, Cllr. Fiachra O Ceilleachair described the news as "a dark day" for the Town Council. He said it was unheard of for a local authority to choose to sell land for private housing rather than provide social and affordable housing to ease its housing lists.

Labour Cllr. Teresa Wright and Sinn Fein Cllr. Brendan Mansfield said the announcement was "shocking" and "disgraceful."

Cllr. Wright said when the original plans were drawn up everything was "hunky dory." However, because of a couple of objections and submissions by people who did not want to live near local authority hous-

es, the plans were being scrapped. Local authority housing is being heaped together in one congested area. She

claimed that local authority housing was seen as being fit for one area of the town but not in other areas. cont. on pg. 8

**Concerns  
Over  
Private  
Operation  
of Recycling  
Plant**

By Kevin Kirrane

The Materials Recovery Facility in Shandon, Dungarvan, and the Compost Facility at the Six Cross Roads in Waterford City will be run by private operators eventually, a recent meeting of Waterford County Council heard.

The MRF plant, located in the Advance Factory, will continue to be owned by the local authority. But, Director of Services, Denis McCarthy, said they will be offered as part of a bundle on a Public Private Partnership (PPP) basis.

Raising the issue during a debate on the South East Draft Waste Management Plan recently, Sinn Fein councillor, Brendan Mansfield said that this was a very worrying development.

Cllr. Mansfield, an active trade unionist, said that this could result in the loss of unionised jobs and could also result in lower pay and poorer conditions for those employed by private operators.

Fine Gael councillor, Paudie Coffey also said the council needs to ensure it keeps a measure of control over the recycling plant in the future. He said unless the local authority keeps its finger on the pulse it can become a 'runaway horse.'

# Official Launch Of Local Film In Arts Centre

The official launch of the short film 'Take Your Mind Off Your Troubles' took place recently in the Old Market House Arts Centre in Dungarvan. The short film, made by a cast and crew of County Waterford teenagers to promote drugs awareness, was the brainchild of County Waterford Community Drugs Initiative who will use it as an educational resource for teachers and youth leaders in the county.

Filed and set in Dungarvan, the 10 minute film is a fictional story of a 16 year old girl who experiments with drugs having been dumped by text by her boyfriend.

The DVD, which was directed by Tramore-based filmmaker, Paul Lynch, will be distributed as a resource for schools, community and youth projects in the region.

The cast of ten arrived for the premiere in a stretch limousine before the official opening which was attended by the

Mayor of Dungarvan, Cllr. Fiachra O Ceilleachair and Mayor of County Waterford, Cllr. Ger Barron.

#### TRIBUTE

Cllr. O Ceilleachair paid tribute to those involved, including the Arts Council, the Waterford Regional Youth Services, the County Arts Office and Arts Centre as well as the Co. Waterford Community Drugs Initiative.

"Too often as Mayor, and one of the elected members of Dungarvan Town Council, I hear of

'anti-social behaviour' and its effects in the local community. I'm delighted, therefore, to be hearing this evening of 'pro-social behaviour' and its effects in the town and surrounding communities," he said.

"As an employee of the Communications Department of the Health Service Executive South Eastern Area, I'm pleased to see its funding from public monies being put to such good use in the Dungarvan area in recent years by the Drugs Initiative.

"I look forward to this DVD/film and its accompanying information booklet being an effective resource for youth clubs, schools and any organisation engaging with young people in this and other localities.

#### CONGRATULATE

"On behalf of the Town Council, I congratulate the Producer, Ruth Bennett, the Director, Paul Lynch and the ten young people from the Dungarvan area who were involved on both sides of the camera in 'Take Your Mind Off Your Troubles.'

"The ill effects of addiction to or abuse of alcohol, cannabis and other drugs - including smoking with tobacco - are well-documented.

"This applies acutely to the generation younger than me. Anything which can promote a better lifestyle in the community is an investment for a safer future and a healthier society.

"The investment of time and creativity evident in this project will, I hope, pay dividends.

"Tonight, appreciative in the presence of movie stars and a 10 minute or so video production that could do justice to any rock band, the images of Gwyneth Paltrow and her partner Chris Martin of Coldplay come to mind. Indeed, Coldplay - the way they live their lives and the subjects they deal with in their creativity - are proof positive that a good time can be had, entertainment given and success in life achieved without the dues to smoking, drugs, drink and excess in their respect.

#### IMPACT

Paul Mullins from the Community Drugs Initiative says the real impact of the film will be felt after the DVD is switched off.

"It's the discussion that will occur afterwards that will bring up the issues and problems that young people are having and that's where the learning will be.

He says although the film focuses on the use of cannabis and alcohol, he hopes it will get the message across that the use of drugs does not help people deal with problems they encounter. He says a worrying trend regarding drugs is emerging in the Waterford region.

"There's no doubt that there's plenty of cannabis use in Dungarvan but what we're beginning to see, and it is worrying, is a lot of cocaine use. Alas some of my colleagues in the Carrick-On-Suir and Waterford City areas are having people present themselves with heroin."

Fifty copies of the DVD are being distributed to schools, community groups and youth projects in Waterford in the coming days.

## Ballymac' Community Centre Important For Area

BY KEVIN KIRANE

Ballymacbry Community Centre is a hugely important development for the future of the Nire area, according to Fine Gael county councillor, Paudie Coffey.

Notice of a material contravention of the County Development Plan to allow the development of the Community Centre was printed in the national newspapers last week, and it's expected to come back before the council at next month's meeting.

The material contravention will allow the developers to seek planning permission for the facility.

Cllr. Coffey told the October meeting of the local authority that the development is the way forward for the local community in Ballymacbry, and will be an important part of the social life of the area.

He said it is vital that rural communities have places where they can come together and meet.

Director of Services, Denis McCarthy said the development is being planned by members of the local community.

# Hollycourt Treatment Plant Granted Permission

By Kevin Kirrane

An Bord Pleanála granted planning permission to Hollycourt Developments Ltd for the construction of a temporary effluent treatment plant and associated underground pipe work and access roadway at Dysert, Ardmore.

The treatment plant paves the way for the construction of 28 holiday homes in Ardmore. Phase one, involving the construction of 26 houses, has already been completed.

In granting permission, the Bord overturned its own inspectors recommendation for refusal, along with the Waterford County Council's decision to refuse permission for the treatment plant, granting permission subject six conditions.

Its ruling stated that: "Having regard to planning history of the site, to its location within the development boundary for Ardmore as set out in the current Waterford County Development Plan, and to the fact that untreated effluent is being discharged from existing housing on the site into Ardmore Bay, it is considered that, subject to compliance with the conditions set out below, the proposed tem-

porary effluent treatment plant would not seriously injure the amenities of the area or property in the vicinity and would be accordance with the proper

planning and sustainable development of the area."

Going on to explain why it overturned the Inspectors recommendation for refusal, the

Board said it had, "particular regard to the need to alleviate existing pollution and considered that, subject to the proper operation of the plant, the amenities of adjoining houses could be protected."

The treatment plant must be removed when the municipal Wastewater Treatment Plant becomes operational. Ardmore Wastewater Treatment Plant is not expected to be in place until at least 2010.

# Over €100,000 NDP Funds For Dungarvan Childcare

By Kevin Kirrane

Marquis Drive Community Centre, Dungarvan has been approved a staffing grant of 101,300 euro under the National Development Plan funded Equal Opportunities Childcare Programme.

The funding is part of a national allocation of almost 5.3 million euro in capital grant assistance, and over 800,000 euro in staffing grant assistance under the Equal Opportunities Childcare Programme for the

further development of fifty one childcare projects across the country.

The announcement, which was made by Michael McDowell, Minister for Justice, Equality and Law Reform, will lead to the creation of 1,702 new childcare places and will support or enhance 1,012 existing childcare places in 22 counties across the country.

Since 2000, the funding for the programme has increased from 318 million euro to 499.3

million euro or by 57%, the most recent increase being 50 million euro in Budget 2005.

Making the announcement the Minister said, "I am pleased to report that total funding committed under the programme to the beginning September 2005 is projected to create some 39,000 new childcare places, as well as leading to the enhancement of almost 32,000 existing places."

By the end of June 2005, some 26,000 of the new childcare places were already in place as a result of the EOCP expenditure to date.

The Minister also paid tribute to the many voluntary groups who give freely of their time and commitment to create childcare services to meet the individual needs of their local communities.

# CPO Pursued For Kilmac Fire Station Site

By Kevin Kirrane

Waterford County Council is to lodge a Compulsory Purchase Order for a site for a new Fire Station, the local authorities October meeting heard.

Director of Services, Denis McCarthy said the council has come

back to the site it was originally interested in the town. Plans for the site seemed to have fallen through when an agreement couldn't be reached on its sale.

The council then pursued a second site, but a deal also couldn't be reached.

Once a site is secured a formal application to the government for funding can then be lodged.

Mayor of Co. Waterford, Cllr. Ger Barron, Lab, had expressed disappointment that no formal application for funding had been lodged.

## NEWS IN BRIEF BY KEVIN KIRRAANE

### WORK ON ALLEVIATING CLONEEY FLOODING TO TAKE PLACE

Work on alleviating flooding at Cloneey Terrace will take place while the contractors working on the new inner relief road at the Orchard are on site.

Senior Engineer with Waterford County Council, Vincent O'Connor confirmed at the October meeting of the local authority that the work will be carried out.

It followed concerns raised by Labour councillor, Teresa Wright about worsening flooding on both sides of the road which has occurred regularly over the past two years.

### WORK STARTED ON STRANCALLY QUAY

Work finally got underway on Strancally Quay in West Waterford where the council hope to provide an amenity area for the public.

The future of the project, planned by the local community council, looked in doubt due to objections raised by the owners of Strancally Castle.

A number of solicitor's letters were sent by the castle owners protesting against its use as an amenity.

However, following questions from Fianna Fail county councillor, James Tobin, Mr. White said work had commenced on the facility.

### PUBLIC SAFETY ON CAMPHIRE ROAD A PRIORITY

Fine Gael county councillor, Declan Doocey confirmed that negotiations have taken place between County Council Engineer, Noel Healy, area overseer, John Foley and landowners in the area known as the "Warren" where trees are overhanging onto the Camphire/Killahala road.

Cllr. Doocey expressed his concern to Mr. Healy in early August after the falling of a diseased tree one Sunday afternoon.

Cllr. Doocey said he is very concerned about a repeat of this with the possibility of loss of life or a serious incident.

Cllr. Doocey said he has received confirmation that trees will be removed when they shed their leaves, as this will make for a safer job due to lighter trees and also make it easier to walk the undergrowth.

## Council To Draw Up Plan To Tackle Anti-Social Behaviour

### KEVIN KIRRAANE

Dungarvan Town Council is to draw up a draft plan in an effort to stamp out the growing problem of anti-social behaviour in local authority housing estates.

It comes on foot of a notice of motion from Fine Gael councillor, Damien Geoghegan, who urged for a policy document to be drawn up in an effort to deal with the problem.

The draft plan will outline the Town Council's policies and objectives in regard to anti-social behaviour. It is expected to draw together a formal complaints procedure, possible solutions, and the legislation open to council's when dealing with the issue.

### VERY SERIOUS PROBLEM

Town Clerk, Joe O'Flaherty, who is also the council's housing officer, acknowledged that there is now a "very serious problem" with anti-social behaviour in estates.

"Anti-social behaviour covers a lot, from noisy neighbours right through to criminality," he said.

While, he said the problem is not as bad as those faced in cities, it was good to focus the public's attention on the issue as it has to be tackled.

Cllr. Geoghegan said, at present, there's no strong deterrent to anti-social behaviour in council controlled estates.

In one instance, he said, a

tenant damaged a local authority house, and the tenant was evicted.

However, he added: "They were back on the housing list in two years and rehoused. What kind of a deterrent is that to anyone? What kind of message is it sending out?"

### RULE BOOK

Sinn Fein councillor Brendan Mansfield said he had no problem with the notice of motion on principle. But he questioned whether it would have any greater effect than the current tenants agreement.

"I would be concerned that all this will amount to is another talking shop, another rule book."

Calling for the involvement of the Gardai, the Health Services and the residents in drafting the plan, he went on to say that socio-economic factors are at the root of much of the "lower level" anti-social behaviour that has been seen.

He also warned against criminalising young people in local authority estates pointing out that the hot-spots for anti-social behaviour have been identified as public amenity areas, not local authority estates.

Cllr. Geoghegan rejected claims that he was criminalising anyone.

"We can't draw up a policy to deal with this problem in private estates. We have to put it where we have control, and that's in local authority es-

tates," he said.

### CRITICISM

Mayor of Dungarvan, Cllr. Fiachra O Ceilleachair, meanwhile, criticised the Government for failing to carry out its promise to recruit 2,000 extra Gardai. And he said a list of private premises with CCTV in the centre of Dungarvan should be compiled as the town is a long way down the Department of Justices pecking order for CCTV.

The Draft Plan is expected to be presented to the next protocol meeting of Dungarvan Town Council.

## Outrage At Sale Of Land Earmarked For Social Housing

CONTINUED FROM FRONT PAGE

Cllr. Mansfield said the news was shocking, and it was disgraceful that the elected members were only informed because a councillor asked a question during Any Other Business.

"It's a great day for the snobs of the town because those objections were based on snobbery, they were made by people who don't want to live near local authority houses," he claimed.

Fianna Fail councillor, Nuala Ryan distanced herself from the comments, saying she "couldn't agree that the objections were based on snobbery." However, also opposing the decision, she urged that half the site be retained by the council for social and affordable housing.

"Going from 130 houses down to 26 which is what we'd get under Part V is a big drop," she said.

Fine Gael councillor, Damien Geoghegan said

he was aware of the decision, and questioned how councillors Wright, Mansfield and O'Ceilleachair could not have been.

Mr. McCarthy denied the decision was made because of objections. He said Part V requires social integration between private, social and affordable housing. Integration couldn't be provided, he said, by the council building 130 houses.

He also claimed that developers wouldn't live up to their Part V commitments to provide 20% social and affordable housing if the Town Council provided 130 houses themselves.

A report is to be compiled for the next meeting of the Town Council, outlining when and how the decision was made and to clarify the legal position on developers on living up to Part V agreements.

## Architects Blamed For Planning Problems

By Kevin Kirrane

Architects are not providing adequate information to their clients about where they can and cannot build houses, according to Fine Gael councillor, Liam Brazil.

Cllr. Brazil estimated that up to 50% of refusals and requests for further information were down to architect's failure to tell their clients that they were not building in an acceptable area. Young people are spending a lot of money getting plans drawn up only to see them refused, he said.

He gave the example of a young couple who planned to build a house onto a regional road, and spent 1,900 euro on the plans.

"Surely to God, the architect would have known that they couldn't build there," he said.

He said people, who are facing the bravest and costliest decision they will ever make were being given "misleading and wrong" information by architects.

Director of Services, Denis McCarthy said it was an issue, which is causing concern for

some time. He said it is frustrating for everyone concerned and adds to the workload of the planning department.

The council was planning to hold a meeting with architects in September, he said, but it was postponed because of changes to the planning application form. However, he said he realised it is necessary to have the meeting.

Labour Cllr. Teresa Wright said people should go into the pre-planning meetings and get the information themselves.

Mr. McCarthy said pre-plan-

ning is available to everybody, but not everyone avails of it.

However, Fianna Fail councillor Pat Daly warned that if everybody applied for pre-planning the reality is the planning department would get nothing done. He said he didn't think the county council has the resources to deal with the volume of pre-planning involved.

Cllr. Tom Cronin questioned where on the County Development Plan does it say you can't live next to a regional road.

Mr. McCarthy replied that there are restrictions in place.

## A YEAR ON

Lismore Clinic of Herbal Medicine officially opened one year ago this month, and what an eventful year it has been!

People who have attended the clinic now number in the hundreds and have come from far and wide to experience the benefits of herbal medicine. Individuals have travelled from as far away as Waterford city, Co. Kilkenny, Tipperary town, Co. Limerick and Cork city to the clinic in Lismore, which is the first of its kind in the South East.

I am occasionally asked why there is currently no waiting list for an appointment at Lismore Clinic of Herbal Medicine. When a treatment is so incredibly effective some people expect to wait for several months for a space to become available. The simple answer is that most people get better within a relatively short period of time, creating space for the continual stream of new patients who contact the clinic every week. Those people who have more serious conditions requiring long term treatment usually reach a point where gradual improvements are being made, or where the condition is controlled or stabilised. These individuals no longer attend the clinic on a regular basis but are provided with repeat prescriptions for their individual blend of herbs.

Of course there are also those people who, for whatever reason, don't take their medicines regularly, are unable to follow the advice they receive, or don't continue with their treatment for long enough to experience the benefits. These people are in the minority and I am usually very impressed by how dedicated most people are to getting well. Of those who did continue with the treatment, took their medicines regularly and followed the advice they were given, about 97% either recovered or experienced significant relief from their symptoms.

Having said that, the number of people who contact the clinic for the first time has steadily increased over the past year, and those who have been helped by herbal medicine tend to return again if they experience further health problems. For example, some of the people who were treated for colds, flu and other bugs last winter have returned this year for treatment to help prevent further infections. The clinic is therefore becoming busier with every month that goes by.

An extremely wide variety of health problems have been successfully treated during the past year at Lismore Clinic of Herbal Medicine. The conditions most frequently treated include depression and anxiety, sleep disturbance, chronic fatigue, headaches

and migraines, allergies, poor circulation, digestive problems, urinary conditions, joint problems, skin disorders, respiratory problems such as infections, asthma and sinusitis, hormonal imbalances such as pre-menstrual syndrome and menopausal symptoms, and glandular problems such as thyroid disease and diabetes.

Many people have successfully combined orthodox medical treatment with herbal medicine in order to achieve the best results for them, while others have weaned themselves off orthodox drugs and used herbal medicine as an alternative form of treatment.

In addition to seeing patients on a regular basis and making up individual herbal prescriptions such as tinctures, teas and creams, I have also been kept very busy with other activities. I have given lots of talks at local ladies clubs, mother's meetings, herb gardens, health stores and at various events around the South East. I have always found people to be most welcoming and I have really enjoyed meeting members of the local community and giving the talks. So far most of the talks have been about herbal medicine in general, what it is and how people can benefit from it, not just by attending a clinic but also by using herbs at home. In the coming year I hope to hold more of these talks and also to speak on more specific subjects.

Of course this weekly column has also been running for the past year now. I hope to continue to write a piece every week and to find interesting and informative topics to cover. I also hope that all those who follow the articles on a regular basis have enjoyed reading them as much as I have enjoyed writing them!

Finally I would just like to take this opportunity to thank all of those people who have supported Lismore Clinic of Herbal Medicine during its first year of business, in particular Akram Hanna and all the staff at Mari Mina pharmacy in Lismore, and of course all those who have attended the clinic to whom I wish continued good health.

Marie Reilly is a qualified medical herbalist practising in Lismore. To make an appointment for a private consultation or to arrange a talk at your local club or meeting please telephone 058 53200 or 087 934 5910.

# Rally for the Valley

The wild Atlantic salmon is one of Ireland's major natural resources. The state of stocks in the Republic's rivers has now reached a dangerously low level. The Munster Blackwater is probably the most famous salmon river in the country, and it too has seen a major decline in stocks in recent years. This has a major effect on angling tourism in the valley, which ultimately affects the entire population. Anglers make a vital contribution to the economy of the valley, where they spend money in local hotels, B&Bs, pubs, restaurants, petrol stations, shops etc. - the list is endless!

## GOVERNMENT INACTION

There has been a lot of publicity on the subject of the salmon resource management in recent times in the media. This is focussed on the Government's inability or unwillingness to get to grips with this issue. The most important moment in the campaign is now approaching.

The governing Fianna Fail party hold their Ard Fheis in Killarney on October 22. The Stop Salmon Drift Nets Now group has organised a rally which is intended to demonstrate to the Government the huge voice of public opinion which is in favour of the removal of the drift nets (with fair compensation for the netsmen involved

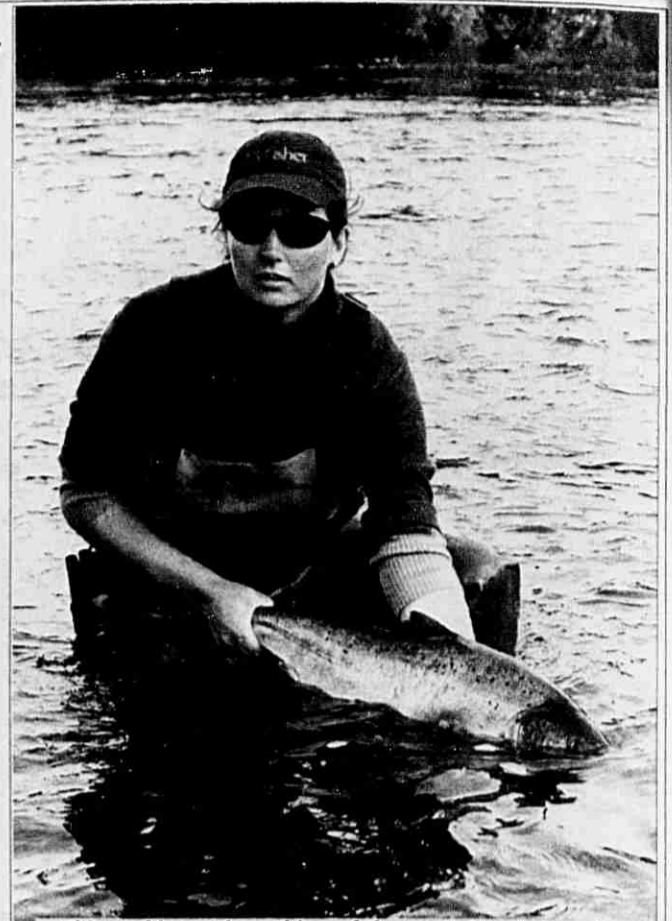

Be there to demonstrate your support and to help save our salmon stocks! Members of all the major angling associations will be participating & there will be a large contingent from overseas headed by Orri Vigfussen of the North Atlantic Salmon Fund plus representatives of major organisations in the UK.

## RALLY DETAILS

The Rally takes place on Saturday, October 22 at 1.30pm. The ASSEMBLY POINT is at the Grotto, off the bypass road. Turn towards the town centre at the ALDI roundabout. The rally will be welcomed and addressed at this point and the parade will then proceed on a 2 miles route down Rock Rd., along High St., along Main St., around Kenmare Place and out the Mucross Rd. to a point opposite the entrance to Fianna Fail Ard Fheis at the Gleneagles Hotel/NEC carpark.

The Stop Now organisation can be contacted via their website [www.stopnow.ie](http://www.stopnow.ie) or through their Campaign Manager Vincent Duigan on 086 334 0898 or email [vincentduigan@eircom.net](mailto:vincentduigan@eircom.net)

For local information or assistance in co-ordinating participation & transport, contact Ian Powell at the Blackwater Lodge in Ballyduff on 058 60235, 087 235 2120 or [info@ireland-salmon-fishing.net](mailto:info@ireland-salmon-fishing.net).

This could soon be a thing of the past! Glenda Powell (Blackwater Lodge) returns a fine spring salmon alive.

## Rose Set To Bloom On Tour

FIONA YORK

ROSE, playwright Martin Sherman's epic solo piece is set to take centre stage this autumn when Fiona York will reprise her acclaimed role at venues across the country. Director Ben Hennessy (Red Kettle's Artistic Director) and actress Fiona York (Fair City [RTE], Canaries [Irish Tour] etc...) will again join forces to present the humorous and moving story that has enthralled audiences across the world.

### Rose Is A Survivor

Her remarkable life began in a tiny Russian village, took her to Warsaw's ghettos and a ship called 'The Exodus' and finally to the boardwalks of Atlantic City, the Arizona canyons and salsa-flavoured nights in Miami Beach.

The play is both a sharply drawn portrait of a feisty Jewish woman and a moving reminder of some of the events that shaped the last century.

## "2005 looks set to be another record year for price inflation the second-hand market"

Sherry FitzGerald, Ireland's largest estate agents announced today (Monday) that the average price of a second-hand property in Ireland rose by 3.9% during the third quarter of 2005. This follows very strong growth during the opening six months, bringing the total growth for the year to date to 13.1%, an indication of the continued buoyancy of demand for residential property.

The pace of inflation in the Dublin second hand market however was even more pronounced at 5.1% for the third quarter, bringing the rate of increase to 17.5% for the year to date. This compared to a total growth rate

▲ Statement by Marian Finnegan, Chief Economist, Sherry FitzGerald Group

overall demand purchasing an estimated 36% of all the second-hand properties traded and closed during the nine month period. This compared to 33% during the same period in 2004. The comparative strength of first time demand during the year to date would appear to reflect the impact of the amendment in the rates of stamp duty applicable to first time buyers in the second hand market.

Investors were quite active during the year to date with initial estimates suggesting that they purchased 17% of the second-hand properties traded and closed during the period. This compares to 19% during the same period in 2004.

of 16.6% during 2004. The comparable year on year figure for the twelve months to September 2005 revealed price growth of 21.6%.

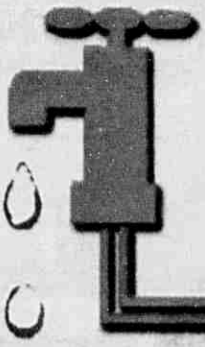

The pace of growth in Cork was relatively strong with 3.1% recorded in the quarter resulting in growth of 12.7% in the year to date.

Commenting on the results Marian Finnegan, Chief Economist, Sherry FitzGerald Group said: "After a very strong performance during the first half of the year these latest results confirm that 2005 is going to be another record year for the Irish property market. The combination of the strength of the economy, in particular the continued competitiveness of the interest rate environment and the heightened first time buyer demand following the amendments to the stamp duty rates in the 2005 Budget have resulted in above trend price inflation. This was principally notable in the regional centers and in particular Dublin which enjoyed a premium rate of price inflation. Price inflation remains stronger in the housing market with apartments in general achieving lower growth rates."

A preliminary analysis of a selection of properties which traded in Ireland during the year to date revealed that first time buyers remain a very stable ingredient in

An analysis of vendors who traded their properties during the first nine months reveals that 25% sold with the intention of purchasing a larger property. This is a very healthy indicator of the robustness of the market. In contrast, only 6% of vendors were trading down. Interestingly, 28% of vendors sold investment properties, a marginal increase on the comparable figure of 27% for 2004.

Looking to the remainder of the year, Ms Finnegan purports that there is now every indication that price inflation in 2005 will be the strongest level achieved for a number of years. "Evidence to date would suggest that price growth in the Dublin market will approach 20% while overall price inflation for Ireland will reach 15%. Taking a longer term perspective, the outlook for 2006 will be largely dependent on the interest rate cycle and the potential for any further stamp duty amendments in the December Budget. Indications to date would suggest that further stamp duty reductions are unlikely while interest rates are likely to increase moderately towards the middle of the year. If both these assertions prove correct then we can assume the price inflation will be heavily weighted towards the opening months of the year with a lower annual level achieved in the twelve months to December than in 2005."

# GSK Foundations For The Future

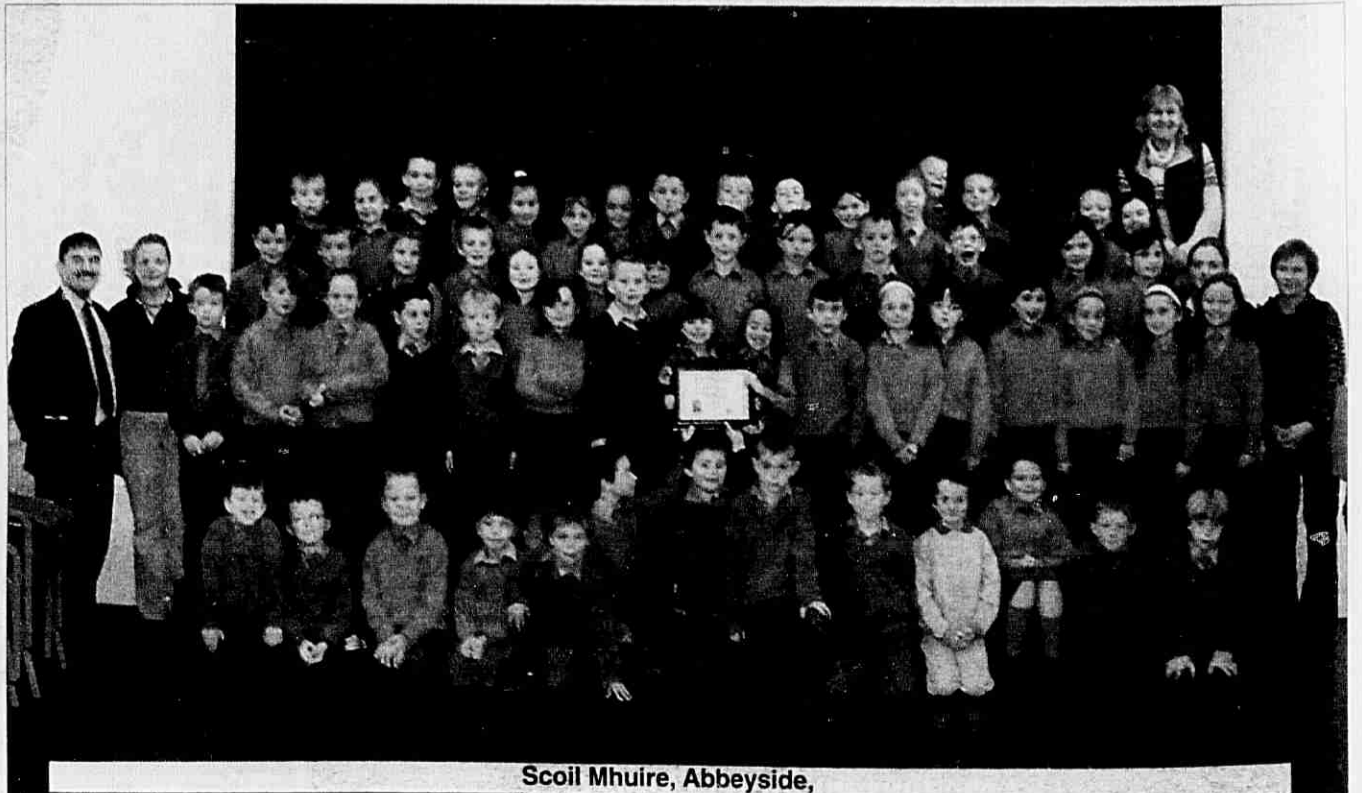

This week saw the launch of GSK Dungarvan's Corporate programme "Foundations For the Future" in the town's five national schools. Over 154 children in 2nd class were asked to complete a visual risk assessment task using a cartoon drawing of a classroom scene similar to a scene from the Bash Street Kids.

Representatives from GSK, Environmental Health and Safety Manager Tom Breslin, Helen Rose Occupational Health Advisor with the team of Fiona Kiely, Linda Bradfield, Michelle Foley, Leo Power and Kevin Power visiting the schools over a three day period.

The children were the winners on the day surprising the adults with their in depth knowledge of what constitutes safe behaviour. The programme got children discussing safety in the home and towards each other either in the classroom or playground setting.

Presentations were made to each child for taking part and the School was presented with vouchers to purchase books for the school library.

Special thanks to the principals and teachers for their positive contribution and willingness to partake in this event, working together to make the world a safer place. From a company perspective it was a very enjoyable experience for the team with many of the responses resembling the Chat from "The School around the Corner"

**Work On  
Alleviating  
Cloneety Flooding  
To Take Place**

**By Kevin Korrane**  
Work on alleviating flooding at Cloneety Terrace will take place while the contractors working on the new inner relief road at the Orchard are on site.

Senior Engineer with Waterford County Council, Vincent O'Connor confirmed at the October meeting of the local authority that the work will be carried out.

It followed concerns raised by Labour councillor, Teresa Wright about worsening flooding on both sides of the road which has occurred regularly over the past two years.

**Work Started On  
Strancally Quay**

**By Kevin Korrane**  
Work finally got underway on Strancally Quay in West Waterford where the council hope to provide an amenity area for the public. The future of the project, planned by the local community council, looked in doubt due to objections raised by the owners of Strancally Castle.

A number of solicitor's letters were sent by the castle owners protesting against its use as an amenity.

However, following questions from Fianna Fail county councillor, James Tobin, Mr. White said work had commenced on the facility.

AGRICULTURE AND FOOD DEVELOPMENT AUTHORITY

**Dairy: Meal Feeding**

The best response to meal feeding of cows is achieved in the autumn. This is due to a number of reasons. Poor grazing conditions, lower feeding value of autumn grass, shorter day length, higher proportion of dung paths, higher water content in grass etc. Therefore, if your quota position allows, you can feed 2 kg of meal per cow. This will increase milk yield, milk protein content and lactose content. Many co-ops have introduced payments in relation to lactose %. Cows of low yield and cows on a low level of nutrition will have lower lactose levels. Of course, meal feeding will help control grass tetany problems also.

**Timely Tips**

Thirteen times a week milking is working on farms with low bulk milk SCC (under 200,000).

Foot bath your cows early this month and again towards the end of October to harden hooves and eliminate Mortellaro before housing begins.

If you're heading well over quota, dry off thin cows and heifers early and put condition on them on grass pre-housing.

SCC levels are rising – tackle known suspect cows when bulk milk counts rise above 300,000

Light replacement heifers will respond well to meal feeding at autumn grass. It is better to try and get more size in them now, than forcing weight on prior to calving.

**Single Farm Payment**

Your Single Farm Payment is due over the next months. Have you thought about what you are going to do with it when it arrives. Maybe cash flow is tight and you need it immediately for living expenses, loan repayments etc. On the other hand you may be facing a bigger tax bill. There's a possibility that you could receive up to 40% of your 2004 premia in 2005 along with your full Single Farm Payment in 2005. The Revenue have provided the opportunity to spread the balance of premia from 2004 (paid in 2005) over the next three tax years; 2005, 2006 and 2007, in equal instalments.

The Teagasc Cost Control Planner would be of great benefit in determining the level of cash flow in the business. By having a picture of cash flow on your farm will enable you to make better decisions. Contact your advisor if you want this programme.

You will receive this Single Farm Payment in one lump sum and many options exist. You may use it for capital investment or maybe you are "in the red" and need it to put you back "in the black". Some banks are offering 3% return on deposit, which would enable you to save it for a rainier day and keep pace with inflation. Consider your options carefully. See important event below.

**CATTLE: Finishing Cattle On Grass**

Autumn grass is lower in energy and dry matter than grass produced earlier in the year. The lower dry matter and deteriorating weather conditions can restrict intake. Feed 3 – 4 kg concentrates per day to finishing steers where grass is plentiful and higher levels as the grass supply declines. If grazing conditions are good and there is a reasonable grass supply it is preferable to keep finishing cattle outdoors. Housing causes a performance check, can lead to respiratory problems and also results in dirty hides. By late Autumn, 6 – 7 kg concentrates per day may be necessary. This should be given in two feeds and if possible in a yard or gravelled area. Mobile meal feeders reduce the labour required for larger units. Estimate grass supply and requirements. Save the best grass for the finishing cattle. Stores intended for finishing in 2006 should be the first to be housed as weight gain can be low on Autumn grass in the absence of concentrates.

**Cattle Sales**

Sell cattle as they become fit. This will leave more pasture available for remaining stock. This year there are no premium considerations to interfere with cattle sales. Steers of about 620 kg in early October can be finished at grass with concentrates or indoors on ad lib concentrates in the November/December period. A number of under 2 year old steers may be capable of being finished pre-Christmas without incurring high feed cost and this option should be considered.

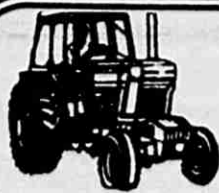

Heifers are more easily finished at grass than steers. Feed 2 – 4 kg concentrates per day to finishing heifers at grass. Where heifers will not be ready for slaughter until December it may be better to house them and feed 4 kg concentrates per day to continentals and 3 kg per day to non-continentals along with good silage or put them on a high concentrate diet. Beef cows should be in good condition at this time. Scanning will show those not in calf. All culls should be weaned immediately and given 6 weeks good grass plus about 4 kg concentrates per day to get them into suitable slaughter condition. Thin cows will need 4 – 5 months feeding. With a substantial rise in carcass value as carcass weight increases, winter finishing of a cull cow can yield a margin of 90 - 120 per head.

**Protein Requirements**

Finishing cattle on Autumn grass do not need a protein level above that found in barley, wheat or beet pulp. Minerals can be excluded in the short term. Minerals should be included if the concentrate feeding period is longer than 5 – 6 weeks or if high levels of concentrates are fed. Provide about 100 grams mineral/vitamin supplement per head per day to finishing cattle. On high quality silage a 10 – 12% crude protein ration is adequate for finishing cattle with 12 – 14% recommended for weanlings. A higher protein level is needed if feeding maize silage, whole crop silage or roots. The most economical way of supplementing protein is to include feeds such as distillers' grains, corn gluten or rapeseed meal in the ration.

**IMPORTANT EVENT:**

**Using your Single Farm Payment:-** A Teagasc Farm Business Seminar entitled "Using your Single Farm Payment" in Lawlors Hotel, Dungarvan will be held at 8.00 p.m. on Wednesday, October 19th. Tom Fallon, Teagasc Adviser will discuss Investing on the Farm; Ian Cooke, F.B.D. will discuss Investing off-farm and Karl O'Meara, F.B.D. will discuss Pension Planning.

## IFA SEEKS BUDGET TAX PACKAGE

The IFA is seeking a targeted Farm Consolidation Relief in the 2006 Budget to help farmers increase the size of their holdings to meet ever-increasing international competition.

Speaking in advance of IFA's pre-Budget submission to the Minister for Finance, Brian Cowen, IFA President John Dillon said "farmers and their families are being confronted by daunting challenges to their businesses and their futures. The outcome of CAP Reform, WTO talks on international trade, and increasing environmental regulation present a formidable combination of competitive pressures. Government must allow farmers build their capacity to compete and generate income levels that are comparable with income levels in other sectors."

Mr Dillon said farm incomes must take account of the risks and investment demands on farmers and there was an urgent need to consolidate the structure of Irish farms.

"The size and fragmentation of Irish farms remains the key barrier to achieving greater competitiveness in Irish agriculture.

# RECENT DEATHS

## Late Jimmy Keane

We learned with great sadness and regret of the passing at St. Joseph's Hospital, Dungarvan on Friday last of Jimmy Keane, The Cunnigar, Ballinacourty, Ring who was a well known member of a well known family. Only in March did we lay to rest his sister Nellie.

Of farming stock, the Keane family own the Cunnigar, and Jimmy himself was a keen follower of Gaeldom. In his younger days he donned the colours of Rinn Ua gCuanach. In 1962 he was a selector when An Rinn won County Honours.

Not enjoying the best of health for some time, we offer our deepest sympathy to his brothers Mossie and Ned, sisters Alice and Kathleen, his sisters and nieces, relatives and friends.

Removal took place on Sunday evening from the Kiely Funeral Home to Ring Church. A Guard of Honour was provided by C.L.G. na Rinne. V. Rev. Fr. Ed Cullinan P.P. blessed and received Jimmy's remains and led all present in the Funeral Service. On Monday morning, funeral

Mass was offered in celebration and thanksgiving for Jimmy's life. The lessons were read by Anne Kelly while Susan McCarthy read the second lesson and sung the psalm. Prayers of the Faithful were shared by Patrick Fitzgerald, Mary Minogue, Rita Kilmurray, Nora Flynn and Susan McCarthy. The offertory gifts were brought to the altar by Nora Flynn and Kathleen Fitzgerald, Breda Boland and Mossie Keane.

Words of appreciation were recited after Holy Communion by Susan McCarthy. Pall bearing duties were carried out by Pat Flynn, Patrick Flynn, Mossie Keane, Patrick Fitzgerald, Tom Barron and Nicholas Graves. Following blessing and graveside liturgy led by Fr. Cullinan P.P., Jimmy was laid to rest in the family plot.

'Ar dheis laimh Dé go raibh sé'.

Funeral arrangements were by James Kiely and Sons, Funeral Directors.

## Late Graham Norris

Sadness came to the Norris family on Wednesday last, October 12th, as their son Graham, 'Bramble Hill, Leamybrien and Woodfield, Glendalligan, was tragically killed in a road traffic accident, close to his home.

Our deepest sympathies to his parents Liam and Margaret, his three brothers Victor, Glenn and Gary and fiancée Martina, relatives, friends and neighbours.

Removal took place on Saturday from his home to St. Laurence's Church, Ballinroad for requiem Mass, followed by his burial in the adjoining cemetery. (Full obituary next issue)

Funeral arrangements were by James Kiely and Sons, Funeral Directors, Dungarvan).

## Late Patrick Francis Keating

R.P.N., R.G.N., HDip (Health Services Management)  
Director of Nursing  
Dungarvan, Co Waterford.

Shock and sadness swept through the communities of Waterford and Dungarvan when the news of the unexpected and untimely death of Patrick F. Keating, Director of Nursing, St Joseph's Hospital, Dungarvan occurred in St Columcilles Hospital, Loughlinstown, Co Dublin on Saturday 14th May 2005. Patrick was aged 58 years and had been attending an Alzheimer's Conference at the Grand Hotel Wicklow. He later went to visit friends in Bray and it was here while watching TV he suddenly became ill. He was rushed by ambulance to the A+E Department of Loughlinstown Hospital where he died.

Patrick was Director of Nursing at St Joseph's Hospital for only a short three and a half years. He was eminently suited to the demanding post and St Joseph's flourished under his inspirational leadership and guidance. Although he lived in Lisselty/Brownstown Head, Dunmore East, Patrick liked nothing better than setting out each morning for work driving via Waterford and on to Dungarvan. Helvic Head can in fact be seen in the distance from his home. He made many friends within the community of Dungarvan and was highly regarded and respected by everyone who came to know him.

Pat loved working at St Joseph's and improvements and restoration work within the hospital for patients and staff became his priority. His whole professional life revolved around the St Francis Project, a long stay ward for patients needing long term care. The last years of his working life spent as director of Nursing at St Joseph's Hospital were among his happiest. Pat was also very much involved in Trade Union Affairs all his life. He was a member of the P.N.A. Psychiatric Nurses Association from its foundation in 1970 and branch secretary at St Otterans Hospital for six and a half years prior to his leave of absence in 1989. It was during this period that he first came to St Joseph's Hospital to meet the new members of the P.N.A.

In 1990 Patrick resigned from St Otterans Hospital and decided to return to London working for Camberwell Health Authority in a C.N.M 1 position at the Dulwich Hospital, part of the Kings College Hospital Group. Some years later he went on to St Charles Hospital Ladbroke Grove as Night Superintendent. Following this appointment he

went to Saudi Arabia working as Nursing Supervisor at the Prince Abdullah Bin Abdulaziz Hospital, Bisha where he worked with a diverse and significant multi national staff. On completion of his first contract he was offered the position of Deputy Director of Nursing in the prestigious King Abdulaziz hospital and Oncology Centre in Jeddah, Saudi Arabia. These positions were rewarding and challenging adding valuable personal and professional development and experience to his nursing career. On returning to London he took a position with Welbeck Care Ltd as Director of Community Services working again within a multi national community and managing a large staff base. During this period he attended the University of Limerick obtaining an HDip (Health Services Management) in 1999.

Pat was the eldest son of the late Mr Michael Keating, Cork Road, Waterford and Mrs Lena Doherty, Cross Halfway house, Waterford. On the sudden death of his father in 1954 the family moved to Faithlegg. Pat was educated at St Declans N.S. and De La Salle College Waterford. He started his nursing career at St Otterans Hospital and qualified as R.P.N. in 1968. He then went to St. Olaves Hospital London part of the Guys Hospital Group and qualifying as RGN in 1973.

Pat's funeral attracted a substantial number of mourners from Dungarvan and Waterford which was a reflection of the high esteem in which he was held. Following a post mortem the funeral left St. Columcilles Hospital, Loughlinstown Co Dublin for St Patrick's Hospital Chapel Waterford. Later that evening following rosary and prayers recited by Rev Father Kevin Cummins P.P. St Oswalds, Wrekenton Gateshead, Tyne & Wear, England, 1st cousin of Pats wife Carmel his remains were removed from St Patrick's Hospital Chapel to the Sacred Heart Church, the Folly. A guard of honour made up of the Nursing Staff of St Joseph's Hospital accompanied the remains which were carried by his brothers Seamus, Michael, John, and stepbrother Liam, and were received and blessed by Rev Father Kevin Cummins and Rev Fr Derry Quirk C.C. Doon Limerick

The same clergy were present the following day May 18th for Requiem Mass assisted by Rev Fr Sean Melody PP and Rev Fr Conor Kelly C.C. Lessons were read by Nicola, Christopher, and Gillian Keating & Paul, Brendan, Liam and Marie Doherty. The Offertory Gifts symbolising Pats life, Nursing, Reading, World Travel and D.I.Y were taken up by his daughters Nicola and Gillian and sons Christopher and Darren and godson Brian Doherty. The great loss felt by everyone was summed up in a moving tribute read by his son Darren at the conclusion of the service. A small excerpt is reproduced here.

"I stand before you today the representative of a family in grief, a community in mourning before friends in shock. We are all united not only in our desire to pay our respects to my father but rather in our need to do so such as his extraordinary influence. The fact that so many have come from so far and been so good to us over the past few days is a more remarkable tribute to my father than I can ever hope to offer to him today.

There is temptation to stand

here and list your qualities. There is no need to. You stood tall enough as a human being of unique qualities that everyone knew. If we look to analyse what it was about you that had such a wide appeal we find it in your instinctive feel for what was really important in all our lives. Without your example your sensitivity, love and compassion to those who you cared for, your family, friends, colleagues and those who were lucky enough to have you care for them in a professional capacity we would be lesser individuals immersed in greater unawareness of what is required to be a good person. I would like to end by giving thanks for the life of a man I am so proud to be able to call my father, the unique, loyal, extraordinary, irreplaceable Patrick whose character will never be extinguished from our minds

Patrick was laid to rest in the Church of Our Lady Cemetery, Carbally with his little son Mark. He is survived by his wife Carmel, sons Darren and Christopher, daughters Nicola and Gillian. His mother Mrs Lena Doherty, stepfather Mr Andrew Doherty. His brothers Seamus Passage East, Michael Faithlegg, and John Comeragh Estate, Waterford. His stepmother Marie Doherty, Grantstown Park, his stepbrothers Liam Doherty Viewmount Park, Paul and Brendan Doherty Cross, Halfway House, Co. Waterford, his sisters-in-law Una, Mary, Ann Keating and Carol Doherty, aunts Mrs Ita Laffan, Cork Road and Mrs Delia Power, Faithlegg, and aunt-in-law Mrs. Hannah Keating, Mount Sion Avenue, uncle Pat Keating, Morrisons Road Waterford and all his cousins, nieces and nephews. He was predeceased by his father Michael age 33 years and his son Mark age 15 months, uncles Noel, Denis and Billy Keating, James, Paddy, Willie, Frank and Mickey Cummins, aunts Mrs Nancy Hickey and Mrs Mai Lowery, uncles-in-law Mr Joe Laffan, Mr Paddy Lowery and Mr. Toby Hickey, aunts in law Noneen, Ella, Bridie Cummins and Ann Keating.

## Sam McCauley Beauty Spa Wins Beauty Award

Sam McCauley Beauty Spa Broad Street, Waterford was awarded the prestigious title of Guinot Crown Salon for the third time at a black tie event in Windsor, in the UK, recently. Three Sam McCauley beauty therapists from salons in Cork and Carlow were also short-listed for the 'Irish Beauty Therapist of the Year' award.

All seven of the Sam McCauley Beauty Spas and Salons were awarded Guinot Crown Salon status again this year meaning the Group walked away with almost half of the Irish awards. This year only 16 of the 198 Guinot appointed salons in Ireland made the grade. The Group was also the largest multiple winner in the UK and Ireland, winning seven awards out of a total of 59.

Sam McCauley Chemist Group is Ireland's largest indigenous pharmacy chain and the beauty spas and salons are an integral part of the 'one stop health and beauty shop' concept that is employed across the Group's activities. Sam McCauley, managing director of the Group, praised the winners saying, "At all Sam McCauley spas and salons, clients can be assured that they will receive professional, knowledgeable skincare advice and treatments. The Guinot Crown Salon awards reflect our commitment to being the best in our field and our status as the premier Guinot beauty salon group in Ireland and the UK."

Manager Brian Tynan attributes his salon's success to the high level of customer care and product knowledge demonstrated by the beauty therapists. The salon has 10 treatment rooms and employs six Guinot qualified therapists who have undergone intensive Guinot product knowledge and practical training enabling them to provide their clients with informed and professional skincare treatments and advice.

The salon offers a full range of Guinot treatments and retail products including Guinot's signature Hydradermie deep cleansing facial, anti-ageing moisturiser Age Logic Cellulaire and the new Matizone shine control moisturiser.

## Dungarvan Dramatic Club News

The club had a busy week last week. Rehearsals for our production of Man Booker-prize winning author John Banville's play "The Broken Jug" are well underway. Our sincere thanks to Joe Kelly for the use of an upstairs room in the Bean a Leanna for this. The play will be staged during the middle week of November - venue to be announced!

On Monday night, the club held a production team meeting in the Park Hotel. This was to put together the teams that will help with set design, costumes, programme design, ticket sales, tea making, make-up and all of the other important, but often unseen tasks that go into the staging of a production. If anyone is interested in getting involved, but couldn't make it last Monday, please contact 086-1595213 - you don't have to be a member to help out!

Then on Tuesday evening, the club held the first of what will be a monthly social activity. Anyone passing through the foyer of the Park Hotel that evening may have been somewhat bemused, if not amused, to see and hear a group of people engrossed in reading the various parts of a popular play. This proved to be a popular and light-hearted way for people to enjoy drama. Keep Tuesday 29th November in your diaries - the next play reading will take place that night, venue to be announced! It's open to all, members past and present, as well as non-members.

On the school activities, all primary and national schools will have received the information on the poster competition in the last week or two. The closing date is Thursday 27th October, so we hope the 3rd and 4th class students are busy drawing and painting away! The prizes will be awarded during the week of the production of The Broken Jug in November and posters will be displayed that week also.

Attention all budding writers - we will be announcing details of a play-writing workshop shortly, but it is likely to take place over two Saturdays in late November - any budding writers can contact 086-1595213 or 087-6783369 in the meantime for further details. Further details will be in announced in the club notes in the local papers in the coming weeks.

## Quiz in Lord Maguires to aid Our Lady's Hospital for Sick Children

Everybody knows about the wonderful work that is carried out in Our Lady's Hospital for Sick Children. All too many from this area have to go there on a regular basis. Unfortunately central funds do not go far enough in providing for all the needs of the hospital and it is left up to various fundraising efforts to provide the necessary funds to develop the new burns unit in the hospital. On Friday night next 21st October we will have a fun table quiz at Lord Maguires starting at 9.00 p.m. Tables of three for a mere €15. Every cent collected will go directly to the hospital. We'll be there, we hope you can join us. Working together we can make a difference.

## Ireland's Greatest Voices 'The Three Tenors' In Ballyduff

The 'Three Irish Tenors,' hailed as Ireland's Greatest Voices and Ireland's leading Soprano, Celine Byrne are to put on a Bank Holiday extravaganza in St. Michael's Hall, Ballyduff at the end of this month.

In a huge coup for the West Waterford village, John Scott, Karl Scully and PJ Hurley will take a short diversion from their hectic international schedules to come together for what promises to be an evening of great entertainment.

John, a regular soloist at the National Concert Hall, is regarded as the next Mario Lanza and is arguably the most powerful singer in Ireland currently.

Karl is a recipient of many awards including the prestigious John McCormack Cup; while PJ Hurley, who comes direct from his performance in Carnegie Hall, New York, makes up the trio.

Together their hallmark is a beautiful and powerful combination of style, personality, repertoire, superb voice blend, international experience, and versatility.

Joining them in Ballyduff is Celine Byrne, described by the Munster Express, as, "a soaring beautiful soprano."

An added attraction will be the accompaniment of a leading Violinist from the National Symphony for the International Music Event (Ire) Ltd concert.

It is not surprising then that standing ovations are the norm at all their concerts. Indeed, the former Minister for the Arts, Michael D. Higgins, once described a Three Tenors concert as, "a great night out, wonderful Arias sung with flair and gusto."

Everybody is invited to experience what promises to be a beautiful mixed light programme of popular songs including O Sole Mio, A Unique Collection of Irish classics, Nessun Dorma, and many other all time favourite hits.

The concert, takes place on Bank Holiday Sunday, October 30th and promises to be an evening not to be missed. A cheese and wine reception will be provided.

For Tickets and more information contact St. Michael's Hall at 058-60158.

## Nemeton Pulls Off Unique Double with GAA and Health Squad

Television viewing figures just released by Nielsen TV Ratings show that programmes produced by Ring-based company Nemeton are among the 'most watched' in the whole country.

The numbers show that in the week ending 2nd October, Nemeton's programmes occupied the 1, 2 and 3 slots in the top ten on TG4, while it came in at number 10 on RTE 1 in the same week.

Health Squad on RTE 1 achieved an average of 418,000 viewers, making it the tenth most watched programme in the whole country that week, while the Ladies Football All Ireland Finals came in at numbers 1 and 2 on TG4 with figures peaking at 270,000 (senior final) and almost 150,000 (junior final). This was followed closely in third place with another Nemeton production, the very popular Guinness Stuff of Legend.

Speaking on the release of the figures, Managing Director, Irial Mac Murchú said that the company had now reached a position as

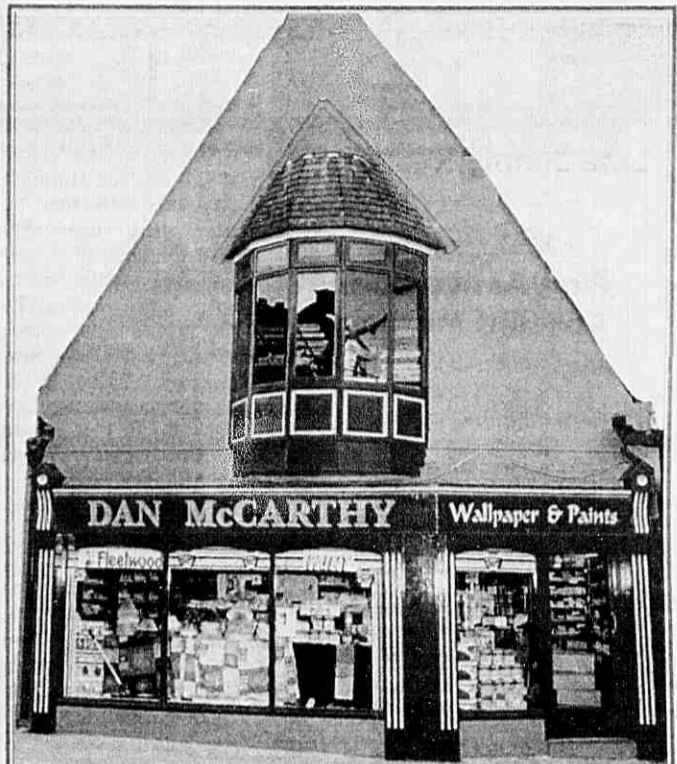

one the country's primary media companies.

"This is where we always wanted to be, producing top-class programmes for the country's national broadcasters." "It also shows the market that exists for programmes made in Ireland about Irish people even in today's fiercely competitive environment."

"The continuous rise in popularity of Ladies Gaelic Football is extraordinary and is a great marriage between sport, television and the Irish language", said Mac Murchú.

"Health Squad continues to do very well and shows that real stories about real Irish people is what the audience wants."

Concluding, he paid tribute to the entire production team. "12 years on since we started Nemeton, we have one of the very best production teams in the country. Being based in a small rural Gaeltacht area is no longer a disadvantage and the technology now available enables us to continue building from where we are".

## Sean Tracey 85th Annual Commemoration at Kilfeale

The passage of time and the death of all who were young with Sean Tracey in the struggle for Irish Freedom has not diminished in anyway the respect and revered esteem in which the renowned Tipperary patriot and freedom fighter is held in, by all who value our sovereign state and the national ideals he sacrificed his life to gain.

On last Sunday, 16th October at 2:15pm the annual ceremonies to commemorate the 85th anniversary of his death in action against British forces in Dublin were held under the auspices of the Third Tipperary Brigade old I.R.A. commemoration committee. The ceremonies began with the celebration of Mass in Kilfeale Parish Church. This then was followed by a short parade led by the Moycarkey Sean Tracey pipe band, then the laying of wreaths on Sean Tracey's grave. The oration was delivered at his grave by Councillor Matthew McGrath (FF), South Tipperary Council from Newcastle whose late father James McGrath was a well known man in the fight for freedom and was one of the people who helped to build the monument of the late Liam Lynch, Chief of Staff, who died for the cause on the Knockmeal-

down mountains. Sean Tracey from his early teens was a keen student of Irish history and Irish culture taking a deep interest in the Irish language and its promotion believing as Davis did, that without our language as a nation we would be deficient.

Tracey joined the Irish Republican Brotherhood, a secret society in Tipperary town in 1911 and became a leading activist in the Gaelic League. He was among those who organised the meeting in Tipperary town to form the Irish Volunteers in late 1913. Throughout his short life Tracey gave every spare minute he had to the cause of Ireland. Linked with Dan Breen in many of his military activities Tracey to quote the late Paul Merrigan in mature thinking and leadership qualities he towered over everyone else, he was always the real leader. The Third Tipperary Brigade invited you to join them last Sunday in remembering Sean Tracey and the equally brave men and women who challenged the mighty British Empire whose army and other forces including trained assassins were unleashed upon the people of County Tipperary. It was fitting that we remember them with pride and respect. They were a noble gener-

ation who led the way forward for the rest of the Irish nation. We all owe it to the Third Tipperary Brigade Commemoration committee who have kept alight the candle of remembrance and came to Kilfeale on Sunday last to pay your respects to all who served Ireland. A beautiful tea was served after in the Hall where old friends had their chat.

## Peaks Mountaineering Club

Sunday was a day for the committed with a wide range of weather conditions on the Comeraghs. High winds, driving rain at times and a heavy mist tested the mettle of the leaders and their charges. John Morrissey was the man in charge of the 9:30am walk and he led his crew in from the Lyre and on to Seefin and Poll an Siannach and finally to Coumtagh.

Working his way to the base of Comeragh mountain, John led the way back up and crossed to the Spilloge Loughs. Dropping off John then picked up the path back to the road and a low level walk out with a well satisfied crew. There was a change of leader for the 10:30am walk and the leader was Tom Dalton substituting for Brendan O'Farrell. Tom started down the Nire car park by the trailer bridge, Lough Coumfeala was the first way point and he gullied to the top where very strong winds made for unpleasant conditions with driving mist and rain. Lunch was under the shelter of Turf hangs over Sron Coumfeala or better known as the Nose. A hard walk brought the group to the top of blind valley where some crossed on to the gap while Tom led the remainder up a grade one gully near the Senbean and onto the spur before dropping back to the valley floor and picking up the track at the high point for the walk back to the cars.

Fiona Hegarty led a large group of over thirty walkers ably assisted by Joan and Miriam in from the shelter side of the Comeraghs. Starting off from the Scants Cottage it was a nice walk up on forest tracks before climbing to Lough Mora and a quick drop back to the forest road before crossing to Coumdoula Lough. A gentle gully was the route to the top of Knockanaffrin ridge and on to the world of weather conditions. High winds, driving mist and rain tested the gear and the walker. Staying well back from the edge of the mountain, Fiona led steadily back to the call before Knocksheegowna and dropping back to pleasant conditions above Lough Mora. The assistant leaders were needed to keep the large groups together and prevent separation in the poor visibility and they performed magnificently. After the nasty weather on the ridge, it was almost balmy conditions back with Jimmy's new boots attracting envious comment.

Walks for Sunday are in the Galtees and leave Eldon's at the given time.

## Late Mr. Jackie O'Dwyer

It is with deep and sincere regret we record the death of Mr. Jackie O'Dwyer, Summerhill Drive, Clonmel which sad event took place recently at South Tipperary General Hospital, Clonmel.

A man who was well known and highly respected, a highly esteemed member of the teaching profession in Clonmel for the past forty years. Noted for the great rapport which he had with his students, he always took a keen interest in their progress and in their subsequent careers. And they who had the privilege of having been under the tutelage had the highest respect for him, many continuing to keep in touch over the years.

Prominently identified with Hillview in the fifties and up to the early seventies, he was actively involved with the club both as a player and committee member, successfully taking over the tennis captaincy for a period and who can forget those social occasions in Hillview during the halcyon years, when Jackie would raise the roof with his fine tenor voice in a powerful rendering of Jerusalem or Poc Ar Buile, two of his party pieces. People, too, still recall the Tops of the Town, in those early days when Jackie representing the local teachers group, with his flair for the theatrical dressed up as "The Merry Plough Girl", a skit on "The Merry Ploughman" which he did using his own hilarious words.

He was son of Jackie and Ann O'Dwyer of Mitchel Street, Clonmel, he was one of two children, his brother Stephen, a solicitor now living in the Cayman Islands. Many in the town and the locality will remember the bicycle shop which his father ran at 25 Mitchel Street. Sadly his father was only 46 when he died in the early fifties, leaving his wife to run the business on her own, which she did very successfully for many years.

Having been educated at the High School and Rockwell College, Jackie went on to do a degree in business and commerce in U.C.D., following which he was offered a position in the Clonmel Technical School by the late William Crowley, who was the principal there at the time. After some years teaching commerce, he decided to go to do a course in P.E. in Strawberry Hill, London. Physical Education being a big subject with him in the Technical School from then on. Jackie who had been a good tennis and badminton player, used to take his pupils all over Ireland to participate in badminton competitions.

In 1974 he married Anne Shanahan from Ard na Greine and they resided in Summerhill Drive raising two children, John residing locally and Marianne now in Australia. According to his wife Anne, Jackie loved teaching, like to pass on his knowledge and took a great interest in boxing locally getting involved with the likes of Tommy Ryan and Billy Keane. He had an absorbing interest in computers, he used to go over to London to look at the latest equipment, and being a lover of cars he always liked to have the latest model. In latter years Jackie studied health and social development and he so much enjoyed teaching mature students who had decided to go back to school.

Talking wistfully of her husband, Anne, shocked at his unexpected passing, recalls the lovely times they had together and is proud of the fact he had carried an organ donor card with him. His wife Anne and her family find it difficult to adequately express in words their deep gratitude to the staff of South Tipperary General Hospital, Clonmel especially the Cardiac unit, there where they as well as Jackie were treated to the utmost kindness at any hour day or night.

His remains were removed to S.S. Peter and Paul's Parish Church, Clonmel where they were blessed and received by Rev. Fr. Colm O'Brien C.C. and on the following morning, he celebrated the requiem Mass and after Mass his funeral took place to St. Patrick's Cemetery, Clonmel where he was laid to rest. Fr. Colm O'Brien C.C. officiating at the grave side.

To his wife, son, daughter, brother, aunts and his many other relatives we extend our sympathy.

Beannacht Dé le na hAnam.

## Late Mrs. Kathleen Joy

It is with deep and sincere regret we pen the death of Mrs. Kathleen Joy (nee Drohan), Bridge Street, Carrick-on-Suir. She was daughter of John and Kathleen Drohan (nee McGrath), and was the youngest of six.

In 1946 he married Dick Joy and had nine children, her husband passed to his reward in 2002 after 56 years of marriage. Kathleen had a great interest in drama, literature, education and her extended family. Before her marriage she worked in Walshe's (main street) as a book keeper. She was a woman who had a great devotion to St. Padre Pio and she travelled to San Gionvanni in Italy three times on pilgrimage. She loved to keep with the changing times and had a great relationship with all of her grandchildren. Despite health problems throughout her life, she enjoyed life and a great sense of humour. In the last year or so, she was not as active as she would have wished, having spent some time in hospital. She loved being at home and having family gatherings. It was a great sense of personal achievement that her family gathered for her 80th birthday at home last March and that she was able to attend her son and grandson's weddings during the last few months. Her grandchildren brought her much happiness over the last few years, and it was fitting for her that she died in the house where she had brought up her family.

Her remains were removed to St. Nicholas Parish Church, Carrick-on-Suir where they were blessed and received by Very Rev. Fr. Richard Geoghegan C.C., he also celebrated the requiem Mass on the following morning. After Mass, the funeral took place to St. Mary's cemetery, Carrickbeg where she was laid to rest. Fr. Richard Geoghegan C.C. officiated at the graveside in the presence of a large concourse of mourners paying their last respects to a dear Christian friend whose memory they will cherish.

To her family we extend our sympathy.

Sonias siorai da anam uasal.

## Arbitrator Called For In Scenic Lake Row

The Irish Farmers Association are calling for an independent arbitrator to be brought in to resolve the row that has led to the closing off of Crotty's Lake in the Comeragh Mountains. Michael Flynn, Chairman of Rathgormack I.F.A. is calling on Waterford County Council to do something to have this dispute nipped in the bud before it mushrooms out of control. Crotty's Lake is a well known beauty spot that has been popular with hill walkers for many years. It was closed to the public by landowner Bernard Cullinane in September following a planning dispute between Mr. Cullinane and the planning authority of Waterford County Council. At the time Mr. Cullinane said the areas was 'no longer open to anyone, and that trespassers would be 'sued and prosecuted'. This week Mr. Cullinane said he appreciated the support of the local I.F.A. but he does not think the Council will be interested. "We would, he said, welcome a resolution to the problem but I don't think the Council would be interested in such a line.

I don't think they do such negotiating but if they do we would certainly be interested" he said. "If there were more groups that joined with the local I.F.A. and made their feelings known, then the Council might take notice. It could gather momentum and they'd have to face up to it".

In his statement on the matter, Mr. Flynn stated he is willing to offer his services to appoint an independent arbitrator that would mediate in this case. He also called on the County Council to pay the arbitrators expenses because of the good will that the Cullinane family has shown to the Council and to tourists down through the years. In support of the Cullinane family, Mr. Flynn said that they have been unpaid ambassadors for tourism in the area, they have supplied water to Carrick-on-Suir free of charge from their own private lake, and they have suffered damage to fencing and property, from some walkers without a euro in compensation.

In the weeks since Mr. Cullinane made his decision to close off his land, there have been some incidents with walkers asserting their right to walk in the area, he says. I had, he said, to turn back some very disappointed people. Most have taken it well but some have tried to force their way onto the land. Mr. Cullinane said there have been three groups who said they had the right to walk on the mountain and one group from last weekend have said they will be back. "We are very anxious for a resolution to this" the landowner said. Mr. Cullinane said that he knows other landowners who are thinking along the same lines as him. I am calling on other farmers to shut down their lands as well, if they are experiencing difficulties from the Council. This is an action that nobody wants to take, but that's the way it is. He added that it is still his intention to go back to the Council to seek planning permission next year.

## Machines for Mining and Building

**M**ining and building work which once needed huge teams of workers, can now be done by machines guided by computers. Vast drills and tunnel-boring machines cut through hundreds of metres of rock in a day. Cranes are powerful enough to lift loads weighing a thousand tonnes.

### Mini Trucks Can Work By Remote Control

The earliest miners used simple picks to mine metal ores. Today, huge drilling rigs bore holes into the mountain side, then dynamite is used to blast away the rock. Giant 980 tonne electric shovels can move up to 40 cubic metres (1,412 cubic feet) of rock at a time, loading it onto 240 tonne dump trucks. Many mining trucks are operated by remote control. In future, it may be possible for all the trucks in a mine to be controlled by one operator working on a computer screen.

### The Channel Tunnel Was Cut By Huge Machines

In 1988, work began on the Channel Tunnel, a 50km (30mi) tunnel linking the UK to France. The "Chunnel" was dug out 199m (300ft) beneath the sea by a huge tunnel boring machine (TBMs). Each TBM is as long as two football pitches and can cut through up to 100m (300ft) of rock a day. TBMs have rams that drive the cutting head around, and waste rock is fed onto a conveyor belt. In making the tunnel, 7.5 million cubic metres (265 million cubic feet) of rock had to be removed.

### Giant Drills Cut Through Mountain Sides

Drill and blast tunnelling is used to cut through hard rock, such as under mountains. Giant drills working together as a drilling jumbo bore holes into the rock face, guided by a computer. The holes are then filled with dynamite to blast away the rock. French engineers pioneered drill and blast tunnelling when they built the Mont Cenis rail tunnel under the Alps in 1871. They used pneumatic drills which has been invented just ten years earlier.

# Minor B Hurling Western Final Replay

### Ballyduff 4-12 Cappoquin 1-16

This minor B hurling western final replay took place last Saturday in Lismore and what a great game of hurling between two very evenly matched and committed teams it proved to be. This will be of little consolation to Cappoquin however.

Playing against the breeze we started brightly and had two points from Finan Murray to show for our efforts before Ballyduff came back at us strongly with three points and then a goal. At this stage it was all Ballyduff as they added a further 2-4 against three points for Cappoquin which left the half-time score Ballyduff 3-7 Cappoquin 0-5.

Following some encouragement from our mentors and some shrewd positional switches we powered back into the game in the second half with some fine scores from Paul Murray, Shane Fives and Finan Murray again before Daithi Wilkinson, who was switched from corner back to full forward, rattled the Ballyduff net for a good goal with ten minutes remaining. This gave the lads great confidence and we in fact went on to lead the game by a point with time almost up. It was at this stage that a speculative effort dropped around the Cappoquin goalmouth broke kindly to a Ballyduff forward who made no mistake to raise a green flag and break Cappoquin hearts. As we pushed forward in search of scores we were left exposed at the back and Ballyduff punished us with a couple of points to run out five point winners.

All the lads deserve great credit for the way they fought back from such a deficit at half-time and with the majority of this team still underage for next year can hopefully look forward to better things. Best on the day for Cappoquin were, Gearoid Coughlan, Shane Fives, Paul Murray, Mark Landers, Shane O'Rourke, Finan Murray and Daithi Wilkinson. The younger lads Daragh Fives and Colm Looby both had fine games when introduced in the second half.

The team was: Ian Mason, Gearoid Coughlan, David Kett, Daithi Wilkinson, Shane Fives, Paul Murray, Killian Denn, Mark Landers, Olan Murray, Shane O'Rourke, JJ Devine, Joey Kett, Paul Barry, Dan Dransfield & Finan Murray. Subs: Colm Looby, Daragh Fives, Liam Coffey & David Cahill.

Eoin Landers, the team Cap-

poquin was absent due to an ankle injury and proved to be a huge loss to the team.

Thanks to team mentors John Fives, Noel Looby and John O'Connor who all put in a huge effort with this team and deserve great credit for the way in which they prepared the lads for this championship.

# SUCCESSFUL HARVEST FESTIVAL

## Villierstown Community Council held a very successful Harvest Festival over the weekend of 30th September to 2nd October

On Friday 30th September things got off to a flying start with the Harvest Queen Selection Pageant being held in the Community centre. Local girl Trish Mernin was chosen by the judges as the most suitable girl to fit the bill for our first ever harvest queen. We congratulate Trisha and wish to congratulate all the girls who took part in the pageant it was a big night for them and they all looked beautiful. The task of choosing one girl to be a winner can not have been easy for judges on the night Mrs. Emily Villiers-Stuart and Mrs. Barbara Grubb.

Mick Heaphy was an excellent compere for the night, I am sure the Rose of Tralee organising committee will soon be on his trail. The teenage disco in the community centre went very well and attracted boys and girls from as near as Aghlish and as far away as Ballyduff.

Saturday nights fun and frolics in an Cruiscin Lan proved a popular venture. What started out as straightforward leg waxing by Beauty Therapist Karen Landers from Karens Beauty Salon Cappoquin assisted by Martha Ronayne ended with some poor unsuspecting lads being sponsored to have a little more than hairy legs smoothed - i.e. chests etc!!!!!! Karen and Martha will tell you more. As for the slave auction - some poor fellas are still carrying out tasks that they have no memory of volunteering to do - so there you missed a good nights fun.

Sunday afternoon started with a fancy dress parade. It was a very colourful occasion with many boys and girls and indeed mums and

dads with plenty of imagination and ideas. The bouncy castle kept all the young and not so young boys and girls entertained for a few hours while our chef Ger was kept busy at the barbecue sending smoke signals in all directions.

Sunday nights music and drawing of prizes for our grand draw at an Cruiscin Lan brought a very entertaining weekend to a close. Plans are already underway for 2006 and promises are that it will be bigger and even better than 2005!

We are very grateful to our generous sponsors who helped in no small way in making our weekend such a success namely: Blackwater Homes Youghal, East Cork Oil, Walsh & Forest Contractors Youghal, St. Olivers G.A.A. Club, Geraldines G.A.A. Club, Alan Gilligan, J.A. Woods, Sherry Fitzgerald Reynolds Auctioneers, Villierstown Joinery, Keren Quarries, Kay Carlton, Cruiscin Lan, Jimmy Halcrowe, Paddy O'Brien, Peggie Moore, Paddy Hennessy, Mick Heaphy, Damien Landers, Karen Landers,

Herlihus Super Value and New Images Hair Salon. Our Prize Winners in our Grand Draw were: 1st: Prize Weekend Away for Two - Eire Moore Villierstown; 2nd: Prize Waterford Crystal - C. Hafford Villierstown; 3rd: Prize €50 - Lynda Clancy Villierstown; 4th Prize: Bottle of Whiskey - Liz Bullen Villierstown; 5th prize: Bottle of Whiskey - Aisling O'Donnell, Clashmore; 6th Prize: Bottle of Wine - Joan Morrissey Villierstown; 7th Prize: Voucher for Hair-do - Louise McGrath Villierstown; 8th prize: Bottle of Wine - Mrs. P O'Connell Aghlish; 9th Prize: Bottle of Wine - Roger Ronayne Villierstown.

You need perspective. Times like these demand it; the rare ability to step back from the confusion of the moment, draw on long time experience and make reasoned, thoughtful decisions. # Dungarvan Leader - GARDEN MESSENGER. . . .

## Celebrate autumn with 'The Beauty of Leaves'

### Garden Messenger plant promotion

Every season has elements that make it special, but autumn really is for connoisseurs. The natural world rewards every one of our senses in autumn and for gardeners it's a time to enjoy being outdoors - to soak up all that the season can offer. Colour is the key ingredient and plants that offer exciting or attractive colour effects through their foliage are essential elements in creating a garden that is outstanding now.

Add to this the fact that autumn is an ideal planting time (the soil is still quite warm and workable and the plants themselves take well if planted now) and you'll see how there is much to celebrate.

Here is a selection of autumn glories for you to consider for your garden.

Parrotia is grown for its peeling bark, attractive autumn colour and subtle winter flowers, all of which make it a great choice for autumn and winter. Parrotia persica (Persian ironwood) is available in both a full size form, which can achieve a height and spread of 8m and 10m respectively and a miniature form (Parrotia persica 'Pendula'). In this form it only grows to 1.5m in height and 3m spread.

Cornus florida, or Flowering dogwood puts on a great show in autumn when its mid green summer leaves turn to red and purple. This tree reaches a height and spread of approximately 6m and 8m respectively.

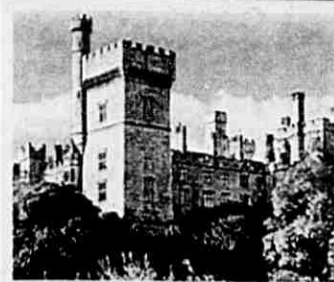

Sorbus aucuparia, also known as Mountain ash or Rowan is a real autumn glory as its berries, which have been developing through late summer, fully ripen. Its foliage also provides a spectacle in the garden as its leaves turn red and yellow. May reach 15m in height and 7m spread.

Liquidambar is a tree that is grown primarily for its autumn colour. Depending on species and variety, leaves can colour yellow, orange red or purple or variations on this. Liquidambar orientalis can reach 6m in height. Other species and varieties can be bigger.

Euonymus alatus or Winged spindle is striking in autumn when its leaves turn dark red. This dense, bushy, deciduous shrub, is ideal in either a shrub border or on its own as a specimen plant. This plant achieves an approximate height of 2m and a spread of 3m. There is also a compact variety available, Euonymus alatus 'Compactus', reaching a height of 1m is a great option for smaller gardens.

If you've never planted a tree before, take some advice on planting when you buy. Many good retailers offer leaflets on tasks like tree planting. Check that there's space for your tree to grow in the intended place and that the soil is suitable for what you've got in mind. These trees should do well on most fertile, humus rich garden soils, though Liquidambar and Cornus prefer a neutral to acid soil. If planting primarily for autumn colour, try to choose a partial or full sun position.

# Lismore Notes

## LISMORE B SOCCER NOTES

On matchday one we kicked off with a home game against Brideview. A local derby which is always jam packed with action and never fails to disappoint and this time was no different. Both teams eager to get off to a start played some fine football. It finished up 3-3 but one must say it was a point gained for us and even though it was the first day of the season there was plenty of room for improvement. Week two and we travelled to Clashmore full of expectation. On this day the team put in a performance to be proud of. A hard place to take all three points. We fought hard and thoroughly deserved our 1-4 victory. Four points from possibly six, not bad!!

Our third match of the season,

we welcomed league leaders Modeligo to the "Castle Farm grounds". Before kick off Modeligo were top of the table with six points, two wins from two games. From the start we took the game to the league leaders and came out deserved 5-2 winners. We played some decent football and leapfrogged Modeligo to snatch top spot. Long may it continue. A long hard season ahead.

Last Sunday we travelled to "Brides Bridge" to play Castlebridge. Top of the table and with expectations we had to deliver. To be honest we played very poorly, but due to what can be only described as 'bad sportsmanship' Castlebridge went ahead 1-0. We battled back and went 2-1 ahead but with virtually the last

kick of the game the homeside grabbed a vital point. With a long season ahead and many points to play for we will certainly learn a lot from this game.

Training Thursday night at 8 pm at the Astro-turf.

On Sunday we played our fifth game of the season as hosts to Cappoquin. Maximum points was the objective to keep in contention at the top. As anticipated this game had all the bite of a local derby. A game that flowed from end to end and produced not only slick football but also a few phenomenal saves from Tommy Landers. At half time it was all square. With the game drawing to a close Mike Walsh struck for Lismore, all in all a well deserved

lead. As the visitors came chasing the game looking for a share of the spoils we broke on the counter and a goal from golden boot himself "Eddie Pollard" a superbly taken goal and that was that. A hard fought battle for three points. It was nice to see the home support cheering us on, they don't go unnoticed. Few belated birthday wishes to John Landers, Gavin Pratt and the Gaffer himself Tommy Pratt. Thursday night 8 pm sharp at the Astro-turf. Let's keep the numbers up.

## PRESENTATION ON "TOM BARRY: IRA FREEDOM FIGHTER"

Responding to the ever-massive interest in Irish history, especially about the key people in the War of Independence, author and historian Meda Ryan will talk on the life and times of Tom Barry, from her book "Tom Barry: IRA Freedom Fighter" (at Ballyrafter House Hotel, Lismore on Thursday 27 October, 7.30PM).

In recent years quite a controversy has arisen on the events surrounding the actions of Tom Barry and the men who fought with him. Born in Killorglin, Co. Kerry on 1 July 1897, Tom was the second of fourteen children born to Thomas (who was in the RIC) and Margaret Barry. Tom's father had eloped with his mother because the family did not approve of the relationship.

The first ten years of Tom's life were spent in Killorglin where he attended the local school. By December 1907 Tom's father, disillusioned with the RIC, resigned and returned to his native Rosscarbery. Barry spent his formative years in Rosscarbery, Bandon and Mungret Boarding school. In 1915, anxious for adventure, he signed up for the Great War and was in Mesopotamia (now Iraq) when he got news of the execution of the 1916 leaders. This had a profound effect.

Barry is remembered as one of the most successful commanders of the 1916-1923 period. Having organised the 3rd Cork Brigade flying column he fought the decisive Kilmichael ambush on 28 November 1920, where sixteen Auxiliaries and three Volunteers were fatally wounded. This ambush was to boost the morale of the Volunteers nationwide and marked a turning point in Irish history.

In recent years controversy has arisen as to whether or not "a false surrender" actually took place on that day. Meda Ryan's uncle Pat O'Donovan was a member of Tom Barry's Flying Column and was in Section 2 where the three fatally wounded Volunteers were placed that day. She has interviewed many of the participants, including Tom Barry, on nine occasions and feels privileged now to have met and known so many who worked for the independent freedom we now have in our twenty-six County State.

In 1998, another historian called Peter Hart stated that Tom Barry's history of Kilmichael 'is riddled with lies and evasions'. These are strong words about a man who was known for his uprightness and courage, and who fought against such great odds during the War of Independence.

Meda Ryan's book uses original material to directly challenge this controversial view of the ambush, and also challenges Hart's views on sectarianism during the 1920-1922 period. Meda has brought forward new evidence demonstrating that Hart used documentary evidence in a misleading manner. In her new paperback edition of "Tom Barry", Ryan lists when all participants in the Kilmichael ambush died. As a sign of support from the academic community, University of Limerick History Department Head, Ruan O'Donnell is launching the paperback edition of Meda's book (thus putting the pressure on Peter Hart to declare his sources).

At her talk in Lismore, Meda Ryan will give vivid accounts of Barry's action-packed life during the War of Independence, his involvement with Michael Collins during the War of Independence, and during the Treaty negotiations when Collins sent for Barry - the only military man that Collins requested to have present. She will also cover how Barry opposed the Treaty, became the first prisoner of the Civil War, made several bids to escape and finally succeeded; plus his involvement in the cease-fire/dump arms deal, his term as IRA's Chief of Staff, his participation in the anti-Blueshirt conflict and the IRA conflicts in the 1930s, 1940s, 1950s up to his death in 1980. It all makes for a fascinating story.

All are welcome on October 27 at Ballyrafter Hotel, with a start of 7.30pm.

## LISMORE SOCCER NOTES

On Sunday afternoon last we made our way to Clonmel to play local side Wilderness Rovers in the FAI Munster Junior Cup. We were away that this side were only beat by 1-0 by St. Michael's last weekend. That side are the holders of this competition, so we knew the task at hand. We started superbly and took a deserved lead 12 minutes in when the outstanding Michael (the Chick) Shanahan cleared home a fine header from Alan Landers corner. We had our opponents under real pressure for most of the half and with no exaggeration should have been at least 3 goals up at the break missing some daring chances. The second half did not start as we would have liked with the homeside throwing everything at us and they scored 2 goals in a rampant 15 minute spell. To our credit we steadied the ship and should really have equalised well before we finally did. That goal came on 78 minutes when the "Chick" Shanahan was brought down in the box. Nicky Donnelly smashed home this penalty. The game finished at 2-2 after some time so the result had to be decided on penalties and we only needed to take four - Michael Shanahan, Nicky Donnelly, Pat Quinn and Paul Quinn all finished superbly from the spot. Our opponents were not so lucky missing 2 of theirs giving us a well deserved victory. This was a cracking game of football, both sides playing excellent football in front of a very healthy attendance.

Final score Wilderness Rovers 2 Lismore 2. Lismore Win 4-2 on Penalties.

Next Sunday we have to travel to Waterford for a pretty tough challenge when we face Villa from the premier division in the FAI Junior Cup. All players are asked to be at the monument at 1.15 pm, we are travelling by cars on Sunday, good luck lads.

## Lismore Underage Soccer Notes

On Saturday last we had neighbours Brideview as visitors to Lismore for an U-12 league game. Our fortunes did not change this week, however as we went down to a very heavy defeat by 6-2. Admittedly we have a very young side so we need to be

patient, I guess. What a pity we don't see a few more Dads on the sidelines. I'm sure it would give the lads a great lift to see the "old fellas" there, I suppose Saturday is a busy working day. We have no game this weekend, but our U-8's and U-10's are playing on Fri-

day evening on the astro-turf. The boys and girls are to be at Blackwater Community School at 7.45 pm. 3 euro per child for this facility. Also anybody who has not yet paid their insurance/membership should do so as soon as possible. 10 euro per child.

In our weekend competition we had a good turnout and even though the course is playing long the scoring was excellent a man I mentioned last week as having a good year was this weeks winner with a superb 43pts the man in question was Tony O'Donnell (17) in second place also playing golf of the highest order was Pat Bennett (7) shrugging off the recent collapse of his football team Everton posting a fine 42pts in third place was local member Billy Walsh (15) with 40pts. We staged our 9 hole Golf and Dinner do on Sunday afternoon to say thank you to our Sponsors and Committee for their sterling efforts throughout the year the Golf was hard fought but very enjoyable despite the weather taking a turn for the worst with heavy rain to the fore. We would like to congratulate our vice Captain Dermot O'Leary and his playing partner Carmel McCarthy after their win in the Club Mixed Championship over past Captain Bernhard Dooley and Lady vice Captain Nora O'Leary. Recipes

# COOKERY CORNER

## Harvest Fidget pie

THIS is a lovely old-fashioned recipe that will satisfy hungry appetites.

The bacon, onions and apples are the traditional filling, temptingly revealed in the centre, and the pie was originally made around harvest time to feed hungry workers. Potatoes can be added to make the dish even more filling.

**Ingredients:**

- (serves 4)
- 250g plain flour
- 100g butter
- Salt and pepper
- 220g back bacon, rinded and roughly chopped
- 1 medium onion, skinned and roughly chopped
- 225g cooking apples, peeled, cored and roughly chopped
- 1 tsp chopped fresh parsley
- 150ml medium-dry cider
- 1 egg, beaten

**Method:**

TO make the pastry, sift 225g of the flour and a pinch of salt into a bowl. Rub the butter until the mixture resembles bread-crumbs. Add just enough

water to mix into a firm dough. Gather the dough into a ball and knead lightly. Wrap the dough in clingfilm and chill in the refrigerator for 30 minutes. Meanwhile, combine the bacon, onion and apples in a 568ml pie dish. Add the parsley and season to taste. Blend the remaining flour with the cider, a little at a time, then pour into the pie dish.

Roll out the pastry. Cut out a thin strip long enough to go around the top of the pie dish. Moisten the rim with water and place the pastry strip on the rim. Press down lightly all the way around. Moisten the strip of pastry, then place the lid on top and press to seal. Knock up and flute the edge. Make a diagonal cross in the centre almost

to the edges of the dish, then fold the pastry back to reveal the filling. Brush the pastry with the egg. Bake at 190°C, 375°F, Gas Mark 5 for about 45 minutes or until the pastry is golden and the filling is cooked. Serve the pie hot with a green vegetable or cold with salad.

## Beans a la Greque

THIS is a fantastic Mediterranean appetiser or main course to enjoy at an informal lunch. The dish can be served in the Greek style, lukewarm with lots of crusty bread to soak up the sauce or as an accompaniment to lamb.

**Ingredients:**

- (serves 4-6)
- 1 kg runner beans
- Salt
- 1 large, mild onion, finely chopped
- 4 large, ripe tomatoes, blanched, peeled and roughly chopped
- 6 tbs finely chopped parsley
- 6 tbs olive oil
- 2 tsp sugar
- Freshly ground black pepper

**Method:**

STRING the beans and slice them lengthwise into thin strips. Out the beans in a colander. Sprinkle them generously with salt and run the salt gently into the beans. Set aside for 1 hour to allow the beans to wilt and soften. Rinse the beans under cold running water, then shake off as much moisture as possible. In a heavy pan, combine the beans with the onion, tomatoes, parsley and olive oil. Sprinkle with the sugar and add a generous grinding of pepper. Add just enough boiling water to cover. Bring to boil and reduce the heat to simmering point, cover the pan, and cook gently for a further 30 minutes or until the beans are tender and the sauce is thick. Remove the pan from the heat and set aside to cool. Correct the seasoning with salt and more pepper or sugar as necessary and serve in the Greek style or cold.

## Tasty fig sly cakes

SLY cakes, or 'cheats' as they are sometimes called, got their name because of their very deceptive appearance. On the outside they look plain and uninteresting, but concealed inside is a rich filling of figs, currants, nuts and raisins.

**Ingredients**

- (Makes 12)
- 275g plain flour
- Pinch of salt
- 100g butter, diced
- 75g lard, diced
- 50g caster sugar
- 225g dried figs, chopped
- 75g walnut pieces, chopped
- 50g currants
- 50g raisins
- Fresh milk, to glaze

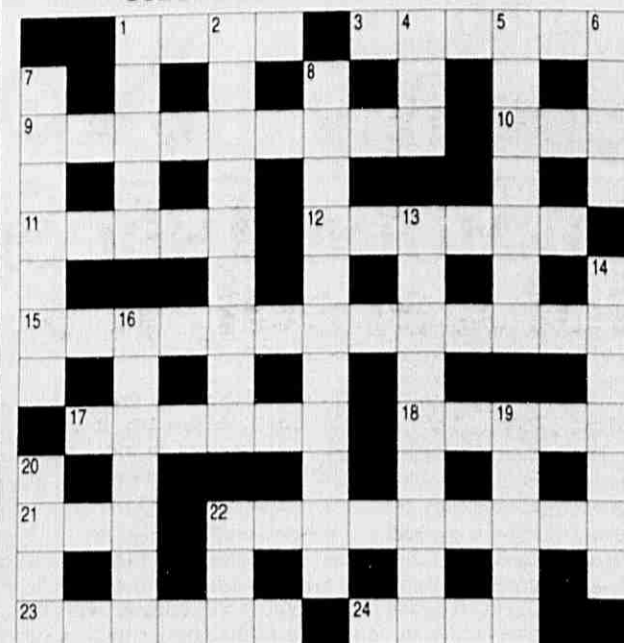

**Method:**

TO make the pastry, put the flour and salt into a bowl, then rub in the diced butter and lard until the mixture looks and feels like fine breadcrumbs. Stir in the sugar and

enough water to bind the mixture together. Chill while preparing the filling. Put the figs, walnuts, currants and raisins into a saucepan with 15 ml water and cook, uncovered, stirring continuously, until the water has evaporated and the fruit mixture is soft and thick. Leave to cool. Divide the dough into two, and roll out one half to fit a shallow 18x28cm tin. Spread the fruit mixture over the dough, then roll out the remaining dough and use to cover the filling. Seal the edges well and mark into 12 squares. Brush the top with a little milk to glaze. Bake at 190°C, 375°F, Gas Mark 5 for about 40 minutes, until golden brown. Leave to cool, then cut into the marked squares.

## Health Tips from "Remedies"

**MORE GARLIC** — Garlic has a wide range of disease-fighting benefits. A debate has been going on for years as to whether aged garlic extract (Kyolic) is better than high-allylic garlic extract. Compounds formed during aging of garlic, such as s-allyl-cysteine and s-allyl-mercapto-cysteine, exhibit significant health benefits, including immune enhancement and protection against atherosclerosis. Aged garlic reduces cholesterol, significantly thins the blood by inhibiting abnormal platelet aggregation, reduces risk factors by neutralizing dietary mutagens and inhibiting free radicals, helps to remove iron and other toxic heavy metals from the body, protects neurons from aging damage, boosts immune function, inhibits oxidation of LDL cholesterol, and lowers blood pressure in some people. ## BRIDEVIEW UTD A.F.C. NOTES

### The Breakfast Of Champions Is Not Cereal, It's The Opposition

#### Premier League - Brideview Utd 5 Kilworth 2

Paul O'Brien scored a marvelous hat trick during this game as Brideview banished recent jitters. It was a welcome return to Brideview Park after playing all games away from home for so long.

Brideview started this game with periods of constant pressure though the grass which was a bit on the long side, stifled their passing game. After 25 minutes William Curley had a half chance go over. On the half hour mark, John Doyle had a header well saved.

Paul O'Brien started his scoring spree on 32 minutes when he contested from Graham O'Neill's free kick. Brideview were dominating in all areas of the field now with Michael Curley and William Henley creating many chances. However, just before half time Kilworth equalised against the run of play.

William Curley started the second half with a great shot which was saved by the keeper. Paul O'Brien put us 2-1 up in the 50th minute and helped calm the Brideview nerves. Michael Curley breezed in at the near post five minutes later to make it 3-1. William Henley headed home a fourth goal from a William Curley corner and now it was all Brideview, even though Kilworth added a second goal.

William Murphy and John Doyle combined well in the centre of the field and when they broke down the right hand side of the field, Paul O'Brien rifled home a shot to complete his hat trick.

This was a fine display by a more settled looking Brideview. If one was to be critical of anything it would be that two goals were left in. Being realistic a team that attacks this much will leave in goals. J.P. Grey fits in well at centre half. Paul Kearney had an excellent game and takes a lot of pressure off John Doyle in midfield. Paul O'Brien is a natural goal scorer and may prove yet to be the successor to Philly Curley's reign as Brideviews "Poacher Supreme".

#### Lotto

Once again we had no winner of our jackpot. Next weeks draw will be worth E4,950. There were eight match 3 winners this week. Next weeks draw will take place in Lizzy's. The lucky winners of E20 were K. Hogan, T. Tobin, T. O'Flaherty, L. Aherne, C. McCarthy (2), C. Pratt, M. McGrath.

#### Brian Kerr

While no one involved with football is happy about being out of the World Cup, the assault of Brian Kerr's character is totally unnecessary. The

media's attack on a man that is the link between the ordinary person involved in local football and the international star is a disgrace. As for those three 'wise men' on RTE, a spell with Al Jazeera would tone up their cowardly hatchet-man skills. Hopefully, the 'blazers' will see sense and give Brian a new contract.

#### Club Snippets

Club meeting will take place this week on Thursday at 9pm. All players registration fee to be paid before next Saturday.

#### Fund Raiser

A big thank you to everyone that supported the night in the Corner House for the Baby's Unit in WRH. It was a good night with good food and good craic. Bridie was the host and there was plenty of sponsored prizes. A total of €700 was raised which was much appreciated. A full list of sponsors will appear later.

#### SCHOOLBOYS SOCCER

Both our U12 and U 16 teams were in action last weekend and had mixed fortunes. The U12 team under new Manager Shane (Wenger) Aherne had a great victory over near neighbours Lismore by the scoreline of 6-2.

#### Brideview Utd U16 (1) Pinewood U16 (1).

This result must go down as 2 points lost rather than a point gained for Brideview.

Lot's of pressure and possession in the first half failed to yield a goal despite John Owens scraping the post as early as 4 minutes and Thomas Ryan going close with a free-kick.

Another cleverly worked free-kick saw Sean Long feed Ryan who passed to Owens who again failed to convert his chance.

In mid-field Shane Aherne and Joey Power were on top form battling any Pinewood attack helped in the cause by Philip Cunningham and Sean Long.

Defender Keith Hallahan had to be replaced at half-time due to injury sustained early into the game while his co-defenders Kevin Curley, Barry Moroney and Kieran Geary (cpt) were doing well to stop any Pinewood advance on goal.

The second half saw a Ryan shot across goal get pushed away for a corner by the fingertips of the Pinewood goalie as early as the first minute.

Goalkeeper Ross Livingston was getting called into action more, both teams looking for the opening score. Shane O'Connor, Donnacha Mulcahy and Shane Feeney all intro-

duced during this half to add to the cause. Another Owens run saw him evade tackles to cross to Ryan who put his shot wide of the empty net. Eventually midway through the half O'Connor found Long in space who fed Owens to shoot to the net and the opening goal to Brideview 1-0.

Pinewood pushed on playing three up front to pummel the Brideview defence and it was from a corner that they drew level with 10 minutes to go.

Brideview had more chances but failed to take them and so

the game ended honours even with the visitors the much happier with the result, 1-1.

Team; R. Livingston, K. Hallahan, B. Moroney, K. Geary, K. Curley, P. Cunningham, S. Long, S. Aherne, J. Power, J. Owens, T. Ryan. Subs D. Mulcahy, S. O'Connor, S. Feeney, T. Daly, M. O.M. Shane Aherne.

Get well wishes to Keith Hallahan who was injured during this game, hope to see him back in the blue shirt soon.

Players note registration fees still outstanding.

## BLACKWATER LADIES CLUB

### Report On Meeting Held At The Shamrock Inn, Knockanore on September 29th

We were delighted to welcome Eileen O'Callaghan as our guest speaker at our September meeting "Treasures In Your Home". We had heard that Eileen was an extremely busy lady with many commitment and interests and knew that we were fortunate to have been able to book her for our group.

Eileen exceeded all our expectations. We were given an introduction to the pleasures to be had in going to antique fairs and learning how to assess the value of items that catch the eye. This is a skill acquired over many years of observation and study, and one which Eileen has honed to a fine art in her professional capacity as a dealer in antiques but the basic rules were outlined and for those with a real interest in the subject, many good reference books are easily available to further that skill.

The genuine enthusiasm and knowledge that Eileen demonstrated were her special gift to us. She is also a great communicator so that her study of the items we brought to the meeting gave us an appreciation of their worth, if not financially, then as important items in the history of a family or of social history.

By chance, the Antiques Fair held in Tallow on the following Sunday gave us an opportunity to cast an informed glance over the items on sale and there was a new pleasure in knowing what signature marks to look out for. Another fair to be held in Lismore on the 22nd and 23rd of October will test our skills and add to the enjoyment of all things collectable.

Our sincere thanks go to Eileen for making her talk so vivid and enjoyable and for inspiring us to learn more.

Our next meeting will be held on Thursday, 27th October at 8:30pm in the Shamrock Inn, Knockanore. The speaker will be Michael Fitzgerald from the Counselling and Life Coaching Centre in Dungarvan.

We all face challenging and demanding tasks as we move from one phase of our lives to another and any help we can be given to try to maintain balance in those many roles, will be much appreciated.

That is what Michael is trained to do, and we will be benefiting from his expertise, looking at the areas of friendship, parenting, work, intimacy and spirituality....and coping with life's difficulties. His talk will, no doubt, give us much to think about and also point out ways in which we can reduce stress in order to increase our wellbeing.

A meeting not to be missed. We look forward to seeing you there.

## BRIDEVIEW DRAMA

"Frank Ryan, Will Motherway and Audrey Sheehan enjoying rehearsals for Move Over Mrs Markham"

There's less than four weeks to go to Mary Curley's hilarious production of 'Move Over Mrs Markham' at Tallow Community Centre next month. With six performances over two weekends (November 10-12 and 17-19), this very enjoyable comedy will prove a smash hit for both audiences and players of Brideview Drama Tallow. The cast and crew are hard at it right now, rehearsing well and laughing continuously at all the silly lines, general mayhem and pratfalls.

But beforehand, Brideview Drama offer a wonderful one-act play on heroism in the First World War. Directed by the club's esteemed Chairman, George Peet, "Hero" features four actors, one of them Olive Hickey, still in her teens. With various members of the group reading poetry from the First World War as well, the production at Tallow Enterprise Centre on the nights of November 4 and 5 will be a great evening out for everyone. Booking for both productions on 058 56304.

# St. Augustine's College News

## Tubridy Teens!

On Monday October 3rd four students from St. Augustine's College had the pleasure of appearing on the Ryan Tubridy Radio show. Ryan is currently running a series of shows over the coming months discussing issues relevant to different age groups with people from around the country. He started with teenagers this month.

The four students were selected from the Transition Year class. Grace Duggan, Brian O'Dwyer, Kate Hickey and Rory Moloney were the lucky ones to make this exciting trip to the RTE studios for the live broadcast. The students were put up in great style in the Jury's Montrose Hotel in Dublin on Sunday night. After a great breakfast it was in to Donnybrook at 7.45 to be greeted by the Tubridy Show staff. The students waited in the lobby while the caterers were setting up some snacks in the studio. While waiting Gerry Ryan among others breezed through the lobby greeting the students as he passed by. There were other students from four other schools around the country. Eventually the students

Grace, Rory, Kate and Brian with College Principal Mr. Joe Moynihan outside the Radio Centre

were led to the large studio being used for this event and were introduced to Ryan Tubridy who spent some time

with them just to settle them down and of course to warm them up for the show.

The show began at 9.00am and after a short introductory segment the remaining 50 minutes of the show was given over to the young people who discussed topics such as fashion, alcohol, drugs, sex education, school and so on. Grace, Brian, Kate and Rory handled themselves very well and certainly made a big impression on the people at RTE. They did their school and families proud. After the show Ryan chatted with the students, posed for photos and signed autographs.

You might be wondering how the school was contacted in the first place. Well like everything...connections! It turns out

that Ryan Tubridy's producer is none other than Jack Murphy, past pupil of St. Augustine's College and son of Sean and Sheila Murphy of Mahon Bridge. This link was to prove even more valuable to the Friary students as after the show Jack arranged an exclusive tour of the RTE campus just for them. They got to see many other well known celebrities on their way around and got to visit the Fair City set along with the various studios used for the Afternoon Show, Dustin's Den and even the weather studio. Overall it was a great experience for all involved. Next month Tubridy will be talking to people in their 20s then the month after 30s and so on.

His project will now go forward to the National Young Engineer Competition to be held in Letterkenny, Donegal on the 12th November. Ross is an extremely talented young man and is a credit to his parents and the school. A special word of thanks to Ross's teacher, Mr Doran, who is very proud of his student's achievement. # ABBEYSIDE SCOUTS NOTES

The cub meeting last Saturday night began with a display of teamwork or should that be Clann-work! Each of the clan leaders were given a large brown envelope which contained instructions for them to follow in order to complete a super task. At the end of the task a prize was to be given to each individual cub in the winning clan. The task not only involved having to use a lot of brain power it also involved artistic skills. The end result of everyone's hard work meant that a winner was too difficult to choose. To solve this problem all involved were given a prize. Following this some games were played to finish off the meeting. Once again parents are reminded that if your son has been a member for at least six weeks he must have a full and proper cub uniform.

## SCOUTS

The scout meeting got underway at eight o'clock and the first task to be undertaken was photography. As everyone is aware the scout and cub uniform have changed to a more modern looking one and it was decided that for the history books this should be recorded. Resident photographer Eamon was on hand to photograph in detail the new uniform alongside the uniform it is replacing. It has to be said that now with more, new smart uniforms appearing in the den each week the troop are finally starting to once again look like scouts. It was stated by the group leader that from now on all regular scout meetings will be full uniform affairs unless otherwise stated. This is to keep an eye on making sure all scouts are getting kitted out properly with uniform over the coming weeks. This is vital as was explained to everyone due to our upcoming anniversary celebration on the 25th of November. The meeting was historic in that for the first time the scout patrols for the coming year 2005/2006 came together for the first time. The patrols will now operate with the members they currently have up until this time next year. A inter patrol scavenger hunt took place in order that the individual scouts would get to work together in their respective new patrols. A short game was played at the end of the meeting to round things off.

## ATTENTION

No regular meetings take place this Saturday for cubs or scouts. A meeting will instead take place on Sunday afternoon from three o'clock until six. All cubs and scouts must be dropped at our campsite in Glenshellane for 3pm and picked up in Melleray Scout Centre at 6pm. Everyone will be hiking from the Glen to Melleray so if the weather for example is bad, be prepared in the wet weather gear department! The hike beginning in the Glen is also a good opportunity for the cubs, scouts and parents to have a look at the progress which is being made on our cabin!

# Alzheimers Society YOU'RE OUR HERO

## Colin Farrell Commands Schools Supporting Alzheimer Hero Day

'Good luck... thank you for your amazing work...' is the message from on-screen hero Colin Farrell to primary and secondary school pupils in Waterford taking part in the second annual Alzheimer Hero Day, an education and fundraising campaign being run by the Alzheimer Society of Ireland on Friday 21 October 2005.

The aim of Alzheimer Hero Day is to inform young people, many of whom may be affected by Alzheimer's disease or a related dementia, about the condition and how it impacts on the family unit. All participating schools are provided with an education pack containing a lesson on Alzheimer's plus supplemental teaching notes. In understanding what is happening and how they can help, young people can be empowered to participate in the care solution for a loved one with dementia in a variety of ways that focus on the abilities of the person with the condition.

Approximately 873 people in Waterford (or 1% total population) are affected by Alzheimer's disease or dementia. Current estimates suggest that there are more than 35,000 people in Ireland with dementia and with our ageing population and longer life expectancy; this figure is expected to rise to more than 61,000 by 2021. Although not exclusively a disease of older people, more than 1 in 20 persons over 65 years of age are affected by dementia and this number increases to more than 1 in 4 persons over 85 years.

However, the condition can occur in persons in their 30's 40's or 50's and it's estimated that there are approximately 3,500 people under 65 years in Ireland with dementia (Early Onset Dementia). Furthermore, a recent report issued by the Alzheimer Society - 'Early Onset Dementia: A Needs Analysis of Younger People with Dementia in Ireland' - shows that in 59% of the study group, the person with dementia is living, with their partner in the family home and that in 15% of cases there are children under 18 years living at home.

Through Alzheimer Hero Day, the Alzheimer Society intends to encourage students to recognise the heroes within their lives and within themselves. Primary and secondary schools are invited to hold a non-uniform day in aid of the Society in or around 21st October. In addition, primary schools have the option of holding a sponsored 'Spelling Bee' - testing them on Alzheimer's and hero related words - for 4th, 5th and 6th class pupils.

FRIDAY OCTOBER 14TH

## Honey Tops In Unraced Final

The showcase event on last Friday nights eleven race card was the final of the Joseph Ryan Memorial Stake and after a rough contest this unraced decider proved easy pickings for the Davy and Michael Power owned and bred Honey Top this May 2004 son of Roanoke and Knockmoylan Rose doing the business nicely in 29.35. Moving out from his inside draw Honey Top did well to avoid the first bend carnage, which saw the chasing pack either baulked or impeded. Bounding clear Honey Top 4/1 was never in any danger of losing this decider breezing in five and a half lengths clear of Forest Rumble.

Elsewhere on the card Carrigeen trainer Perry Aylward was the man in form sending out three winners on the night although the trainers wife May suggested that her making a rare visit to the venue, due to mainly concentrating on her horses these days, brought her husband good luck on the night. Perry's first winner arrived in race one as the Eamon and Kathy Hayes owned first timer Newstreet Girl grabbed a first bend lead from the fast starting Geneva Jewel to motor on for a length and a half success in 29.42. The winner a January 2004 daughter of Droopys Kewell and Rackethall Annie was returned at odds of 2/1.

Winner number two arrived in a two bend dash as the Ray O'Byrne and Terry Leahy owned Nancys Jewel (Droopys Vieri-Brown Cherry) 4/1 outpaced his rivals throughout from trap five to run out a deserved and clear cut two and a half lengths winner over Star Act in a fast 16.28.

Having her first race back since from returning from the UK the C. York owned Mulcair Millie (Larkhill Jo-Mulcair Lemon) 2/1 completed the treble when making practically every yard of the running to triumph in a fast 28.99. Driving into the first corner to take a handy lead over Glencara Lady down the back stretch Mulcair Millie did well in the closing stages to hold the persistent challenge of Glencara Lady who tasted defeat by a head.

Tramore trainer Lester Power was on the mark in race two as the Daniel J Morrissey owned Minette (Honcho Classic-Malbay Swan) 2/1 made every post a winning one in 29.20. Sprinting into an early lead over Lough Ellie Minette kept going at full speed up front to beat Lough Ellie by two lengths.

The Ger Larkin owned Cuckoo Bird (Top Condition-Tory Hill Daisy) 2/1 enjoyed a trouble free passage throughout race three to oblige in 29.46. When a wide running Tory Dubh bumped the early paced Tomnaboley Yank rounding the first bend Cuckoo Bird joined issue up front with Tomnaboley Yank. Striking the front on the rails between the final two bends Cuckoo Bird went on to beat a running on Specific Mile by four and a half lengths.

In the sixth event Terrys Boy made a brave effort to lead all the way from trap one but after holding a three lengths lead over Tag Along Ivy on the back stretch the leaders stride shortened dramatically in the closing stages as the Dermot Flynn owned Tag Along Ivy (Jamella Prince-Lemon Ivy) 3/1 finished with a rattle to get up close home and register a half a length success over Terrys Boy in 29.03.

Racing concluded with the four first round heats of the Bet With The Tote Novice Marathon Stake.

Heat one produced a very impressive winner as the Michael Hogan owned Wise Susie (Fortune Mike-Wise Winner) 2/1 ran riot over the opposition in a smart 40.77. Having shaken off the early challenge of Amy Jos Friend Wise Susie increased her lead throughout this six bender eventually dishing out an eleven and a half lengths beating to a slow starting evens favourite Ol Aris.

Runners from the Kimeaden kennel of Tony Kinsella do not usually come in for sustained betting support but such was the volume of money for his Fairbrook Billie in heat two that this dogs odds dropped from 3/1 to 1/1 just before the start. Hold-

ing a promising position early on Fairbrook Billie (Droopys Hewitt-Fairbrook Penny) shot into a second bend lead and with the pack always playing catch up thereafter Fairbrook Billie went on to beat Mystery Voice by five lengths in 41.19.

In a close run heat three Pops Shadow cut an early dash over Cruising Olive and Windgap Hare but with four of the six runners closing right up over the final two bends it was the Eileen Byrne owned and Declan Byrne trained Windgap Hare (Top Honcho-Windgap Chick) the evens favourite who stayed on best to deny Cruising Olive by a length and a half in 41.94.

Mountgayle Burn made a solid effort to lead all the way in heat four but Ned The Dog and Nialuk both took up challenging positions on the back stretch and with Ned The Dog (Droopys Vieri-Tinas Last Call) 2/1 staying on best in the closing stages this Eamon Sheehan owned and Liam Ramsbottom trained tracker went on to account for Mountgayle Burn by two lengths with Nialuk just behind in third. Time 41.54.

SATURDAY OCTOBER 15TH

## Ardfert Billy Was In A Different League

Last Saturday nights fixture was a well-attended affair in aid of the Holy Cross Church, Tramore and Quish's Super Valu kindly underwrote the entire eleven race card.

In the first contest the early paced Free Pete kicked on into a handy lead over Kingofthemetz and Walworth Deise but bringing her stamina into play in the final quarter of this race the Pamela Holt owned Peggy Gadfly (Top Honcho-Go Ahead Ivy) 4/1 produced a perfectly executed finish to outstay Free Pete by two and a half lengths in a best ever 29.11.

County Tipperary trainer Joe McIlhone is certainly going through a profitable spell with his runners at this venue and his 3/1 chance Kildrenagh Hill (Powerful Flash-Kildrenagh Wood) ran out a deserved 28.90 winner of race two. Brandy Rebel headed a fast starting Kildrenagh Hill at the third bend but coming back for more up the home stretch Kildrenagh Hill finished strongly to deny Brandy Rebel by a length.

Race three went all the way to the wire with victory in the end going to the Button Syndicate owned and Declan Byrne

trained Beach Major in 28.97. The early paced Beach Major (Knockeevan Major-Miss Seskin) 4/1 saw off the back stretch challenge of Settle It and while Droopys Monalisa the 6/4 market leader produced a big finish on the wide outside Beach Major held out by a short head.

County Wexford trainer Johnny Kavanagh sent out two nice priced winners on the night with victories for China Run (Moyné Rebel-Minglers Mist) 7/2 and Drag King (Top Condition-Blackies Return) 2/1. Evens favourite Ima Cooper Cool was badly hampered at the first turn in race four as Battstreet Sarah was knocked over at the same spot. The John Forde owned China Run scooted into a back stretch lead and despite drifting wide into the home stretch China Run crossed the winning line with two and a half lengths to spare over a slow starting but fast finishing Rastafari Joe in 29.00.

The kennel mates Whiteys Twincam and Chase Me Charlie dominated the exchanges for a long way in the eight contest but it was all change up front over the final two bends as the V-H-S Syndicate owned Drag King cleverly drove up the inside of the leaders running into the second last bend and despite a fine staying run by a poorly housed Vigilant Amy Drag King went on to triumph by a length in 28.79.

It was over the flights for the fifth race and the Liam Butler Jnr owned Slick Pride (Top Honcho-Slick Jewel) easily justified odds pf 4/5 to win, as he liked in a fast 29.03. Leading from trap rise Slick Pride did put in one extravagant leap at the second hurdle but he was foot perfect at the other obstacles en route to a facile six and a half lengths success over Make A Change.

The John Barrett owned and Peter Cronin trained Castle Gale (Come On Lleyton-Bubbly Queen) 3/1 blew away the opposition in race six to post an all the way victory in a best ever 28.71. Enjoying a clear passage up the fence from trap one Castle Gale bounded into an early lead over the pack who all met with first bend interference and enjoying himself up front Castle Gale went on to beat a running on Talking Terms by six lengths.

After the spell in the wilderness the Christy Murphy and Seamus Whelan owned Saltee Tee Jay (Hotshow Ben-Saltee Nell) got back to winning ways in race seven in at odds of 7/2 clocking a winning time of 28.88 in the process. When a fast starting Screen Goddess opted for a middle course on the run to the first bend she found herself in all sorts of bother as Saltee Tee Jay went for home. Assarula Woods gave chase down the back but Saltee Tee Jay was not going to be denied as he steamed home two lengths in front of a running on Farloe Legacy.

Frosty Mist cut out the early running in a six-bend marathon but she gave way at the fourth corner to 5/1 outsider Gorky Park. Owned by Gabrielle Cross and trained by Liam Ramsbottom Gorky Park (Top Honcho-Rice Park) went on to beat a fast finishing and hampered This Tough by one and a half lengths in a much improved 41.09.

Only four runners went to traps for the tenth contest and producing his customary dash of early pace the John O'Donnell owned and Thomas Delahunty trained Ruwell Yourself (Moyné Rebel-Millbank Meadow) went to the front from an early stage to lead from Atleantean and staying on well Ruwell Yourself went on to account t for a running on Glenbervie Sweep by a length and a half in a smashing 28.54.

Despite taking a walk in the betting market from an opening show of evens out to 7/4 the Noel Clifford owned and Frances O'Donnell trained Ardfert Billy (Split The Bill-Lizzie Fitz) produced the expected classy display coming from behind to capture the concluding 550 in a sweet 29.64. None to fluent at the start as Banner Vieri dashed into an early lead Ardfert Billy shook off Dairyland Bandit for second place down the back stretch and accelerating on the run to the third bend Ardfert Billy quickly struck the front on the wide outside to sprint clear in the closing stages beating Banner Vieri by three lengths.

## MINUTES SILENCE

Kilcohan Park patrons stood for a minute's silence during racing last Friday night as a mark of respect to the late Liam Walsh from Waterford City who died unexpectedly during the week. Liam was a regular punter in Kilcohan Park and was last seen enjoying the post race festivities on Cork Airport, Munster Oaks final night. Extremely knowledgeable on horse racing and soccer affairs Liam was called to his maker at a relatively young age and we extend our sympathy to his family relations and friends.

May his soul rest in peace.

**WATERFORD  
SPORTS**

**PARTNERSHIP** On Tuesday 11th October representatives from West Waterford Junior Soccer League attended a 'Child Welfare & Protection in Sport Awareness Course' in Tallow. The course was delivered by Waterford Sports Partnership and aims to create and maintain a safe and fun environment for young people within clubs.

Valerie Colville and Jacqui Freyne, Irish Sports Council Tutors and Sports Development Officers with Waterford Sports Partnership presented the course. It covered awareness of child protection and welfare issues, policies and procedures for reporting suspected/disclosed abuse, the recruitment and management of leaders/volunteers, code of behaviour for leaders/volunteers and the 'dos and don'ts' for officials and personnel.

The course was very well received and feedback from participants was very positive and included comments such as 'I feel this course is vital for any club dealing with young people' and 'we need more courses like this one'.

Waterford Sports Partnership will be running two more Child Welfare & Protection Courses before Christmas one on October 25th in Waterford City and one on November 8th in Dungarvan. If you are interested in finding out more or attending one of these courses please contact the office.

## DUNGARVAN LADIES R.F.C.

# Champion Blitz Winners

Our ladies travelled to Ballincollig on Sunday last to take part in a day long rugby blitz.

Each team had to play three games and Dungarvan were drawn to play UCC, Youghal and Highfield, our enemies on the field since last year's league.

Our first game was against Youghal and with the local rivalry between the clubs Dungarvan were not going to let Youghal steal this one from us. On the blow of the final whistle Youghal were shell shocked as the final score read 15-0. Dungarvan ladies had achieved their first victory.

Next up was UCC, we had prior knowledge of this team from last year but they had many new players who strengthened up their pack. Again the ladies were triumphant winning 10-0.

Our final game was against Highfield, this team had beaten us in the semi finals of the Waterpark Sevens and again Dungarvan were eager to get their own back. We were undefeated at this stage and the ladies were on top of their game, focussed on becoming blitz champions. A score of 15-0 put it in the bag for us!

The try scorers, who were in superb form, and stopping for no one and nothing, were Niamh Briggs, Grainne Enright and Brenda Hunt as well as many more of the ladies who

were in line for scores.

As well as their brilliant try scoring Dungarvan's defence were outstanding with none of the teams getting near our try line.

Well done all the ladies, you should be very proud of your achievements, Dungarvan wiped the board with their performances on the field.

Team on the day were — Cliona Kirwan, Louise Lan-

ders, Michelle Fraher, Ashing Houlihan, Jillian O'Riordan, Rosie Doherty, Kerry Fraher, Sinead O'Rourke, Brenda Hunt (capt), Niamh Briggs, Joyce Lawlor and Grainne Enright.

### MUNSTER UNDER-21 TRIALS

Following their performance many of our squad have been invited to take part in trials for the Munster Under-21 team. Well done again girls.

Dungarvan Ladies Rugby Team — Back row: Cliona Kirwan, Kerry Fraher, Grainne Enright, Sinead O'Rourke, Michelle Fraher and Louise Landers. Front row: Brenda Hunt (Capt.), Niamh Briggs, Joyce Lawlor, Rosey Doherty, Jillian O'Riordan, and Ashling Houlihan.

Coonan, Liam Rossiter and Pdraig de Burca took part in two good paced spins.

Irish cyclists are also performing well "down-under" with David McCann registering a 3rd place at the Sun Tour of Australia in Victoria, now that the Southern Hemisphere Road Cycling season is underway.

# HORSE RACING SNIPPETS

BY MARK  
PHILLIPS

**ASCOT WORK ON SCHEDULE** — The ongoing major building works at Ascot are on schedule and the track is confident of re opening its doors for racing in May 2006. It's all systems go then for the Royal meeting in June.

**CHELTENHAM TARGET** — The Paul Nolan trained Accordion Etoile who ran such a pleasing race behind the more experienced Watson Lake at Limerick recently is now on course for a tilt at the Grade 2 Irish Independent Chase at Cheltenham on Sunday November 13th.

**Well-Travelled Winner** — Did you know that recent Queen Elizabeth 11 winner Starcraft boasts an above average international strike rate? He now has victories to his name in Australia, New Zealand, France and England. Next stop for this Luca Cumani trained horse is the Breeders Cup in New York.

**HURRICANE A NON RUNNER** — Irish Derby and French Arc winner Hurricane Run is coughing and will miss his intended Breeders Cup assignment. The good news is that the horse will stay in training in 2006.

**RYANAIR AT CHELTENHAM** — Ryanair was unveiled during the week as the sponsors of the Ryanair Chase at the Cheltenham Festival next March. They sponsor the £150,000 event for the next three years and intend laying on extra flights for the Festival visitors next March.

**TRAINER JIM** — Former jockey Jim Culloty has a number of Point To Pointers under his care in County Cork and he intends sitting the Irish Turf Club's trainer's course later on this year.

**A BUSY BOY** — Did you know that English based but Irish born jump jockey Tom Malone keeps himself busy when not riding in races by providing the odd commentary at UK based Point To Point fixtures during the winter?

**THIS WEEKS FIXTURES** — Wednesday — Punchestown, Newcastle, Nottingham and Bath.

Thursday — Punchestown, Haydock, Ludlow and Brighton.

Friday — Doncaster, Fakenham and Newbury.

Saturday — Fairyhouse, Aintree, Wolverhampton, Chepstow, Doncaster, Newbury and Kelso.

Sunday — Clonmel, The Curragh, Aintree, Towcester and Wincanton.

**BUSY YOUNG MAN** — These are certainly busy times for Cappagh County Waterford born rider Tom Queally. Fresh from riding a double at Southwell last week Tom who recently celebrated his 21st birthday is currently taking a well-earned break at home and he plans to remain in the UK during the winter months to ride on the all weather circuit. Tom's main ambition is to reach the 50-winner mark before Xmas.

**DAVY'S HAND INJURY** — Jockey Davy Russell is currently sidelined with a hand injury. He injured his hand on the morning of the Tipperary Sunday meeting and is not expected to return to action before November.

**POINT-TO-POINT FIXTURES** — Sunday October 23rd — Island Harriers, Culletra, Monamolín, County Wexford.

**CHAMPION STAKES SHOCK** — The Dewhurst Stakes produced an upset last Saturday as Sir Percy raced to an unexpected success... Kieren Fallon was certainly not at his best aboard Horatio Nelson the odds on favourite who was absolutely flying in the finish but it was all to late as Sir Percy had first run on the opposition. 25/1 outsider David Junior won the Champion Stakes while the highly consistent Sergeant Cecil came with a well-timed run in the Cesarewitch to collar King Revo.

**TRAMORE UPDATE** — Conditions were perfect for last Thursday's fixture in Tramore where the track rode really well all afternoon. Gain Horse Feeds were the main sponsors on the day and they also made a presentation to former trainer Paddy Mullins for his long and distinguished career as both a jockey and trainer. The Michael Hourigan trained Just under Andrew McNamara captured the Gain Handicap Chase while Nina Carberry gave the well-backed Barna Bay a cool ride to capture the Gain Recovery Plus Ladies race. The runner up in this race Un Hinged ran a cracker for a horse having his first racecourse outing and if progressing from that contest should be well capable of winning a bumper.

**TONY OUT** — Northern Ireland born rider Tony Dobbin faces ten days out of action after cracking a bone in his elbow when riding out last Friday.

**ROOSTER BOOSTER SHINES** — The decision to keep Rooster Booster in training for another year appears to have paid off as the popular grey scored at Huntington last Saturday.

**VINNIE ROE UPDATE** — The Dermot Weld owned Vinnie Roe endured a rough time on his way to contest his final ever race the prestigious Melbourne Cup. Coolmore it appears purchased Vinnie Roe for an undisclosed sum and the intention is for him to stand as a National Hunt sire.

# IRISH RACING WEEKLY REVIEW

## ELITE POWERS HOME

Trainer Noel Meade produced Power Elite (3/1 favourite) in fine shape to win the Cyril Carty Navan Golf Captain Race for the second consecutive year at Navan on Wednesday. Given a typically patient ride by Paul Carberry, Power Elite appeared to win with plenty in hand and connections can now choose between the Trigo Stakes at Leopardstown or the Greatwood Hurdle at Cheltenham for his next outing.

## HAYES BACK ON TRACK

Having gone twenty seven days without riding a winner a relieved Chris Hayes got back on track in the race for the Champion Apprentice Title when guiding the Pat Martin trained Gilberto (2/1 favourite) to victory in the Directors Claiming Race at Tramore on Thursday. Hayes is now five winners clear of nearest rival, Rory Cleary, with the flat season due to end on November 6th.

## MAJESTIC TIMES GAINS JUST REWARD

Liam McAteer's Majestic Times gained a deserved victory in the listed Abergwaun Stakes at Cork on Saturday. Without a win since the Curragh in early May, Majestic Times had gone very close to recording big race wins in the Scurry Handicap, the Rockingham Handicap and the Ayr Gold Cup in recent months but on Saturday the 9/4 favourite recorded a comfortable success over Cupids Ray with John Mulhern's Osterhase unable to handle the rain softened ground back in sixth place.

## HORATIO DENIED IN DEWHURST

The Aidan O'Brien trained Horatio Nelson tasted defeat for the first time in five outings when narrowly failing to overhaul Sir Percy in the Dewhurst Stakes at Newmarket on Saturday. Starting a strong 5/6 favourite, Horatio Nelson did not receive the clearest of passages under Kieren Fallon but was really motoring inside the final half furlong and the line only just came in time for Sir Percy, trained by Marcus Tregoning and well ridden by Martin Dwyer, who enjoyed a trouble free run on the outside of runners. On the same card O'Brien's Oratorio (9/4 favourite) was never really able to land a blow when finishing fourth to shock winner, David Junior (25/1), in the Dubai Champion Stakes while fellow Irish raider, Alexander Goldrun, could only manage to finish in eighth place.

The winner was ridden by Jamie Spencer who looks certain to be crowned Champion Jockey in Britain this season and was giving trainer Brian Meehan a second Group One success in the last three weeks having saddled Donna Blini to win the Cheveley Park Stakes in late September.

## DEMOCRAT JUST HOLDS ON IN CORK

There was a thrilling finish to the featured Dairygold Heart Handicap Steeplechase at Cork on Sunday with victory going to the Willie Mullins trained Davenport Democrat (9/2) in the hands of Tommy Treacy. Shooting clear of his rivals after the fourth last fence, he looked set for a comfortable success at this stage but Beechcourt steadily closed the gap in the straight and the line only just came in time for this improving young chaser.

## ESSEX WINS ON SEASONAL

### DEBUT IN NAAS

Absent since finishing towards the rear in the Smurfit Champion Hurdle at Cheltenham last March, the Michael O'Brien trained Essex got his season off to a great start with a narrow victory in the Paddy Power October Handicap at Naas on Sunday. Starting the 9/2 second favourite, Essex just held off the determined effort of Davorin by a short head in a driving finish. On the same card, Taqseem, from the Kevin Prendergast stable, justified 5/2 favouritism decisively in the Derrinstown Stud European Breeders Fund Birdcatcher Nursery while Aidan O'Brien's Queen Titi landed the Ali Retza & Mamadi Soudavar E.B.F. Garnet Stakes in the

hands of Kieren Fallon as they gained some compensation for a disappointing day at Newmarket on Saturday.

## MORGIANA DOUBLE

### ON CARDS FOR HARCHIBALD

Winner of the Morgiana Hurdle at Punchestown twelve months ago, the Noel Meade trained Harchibald is likely to try and stage a repeat performance at the County Kildare track on November 20th. Trainer Noel Meade reported that his hurdling star had hit the back of a joint after winning at Tipperary two weeks ago but was back sound again now.

Meade also had news of Wild Passion, winner of the Evening Herald Champion Novice Hurdle at Punchestown last April and runner up in the Supreme Novices Hurdle at Cheltenham. He impressed in a schooling session at Fairyhouse racecourse last week and is likely to begin his chasing career in the next month or so while stable companion Sir Oj is an intended runner in the Paddy Power Gold Cup at Cheltenham on November 12th.

## DAMSON RETIRED

Winner of the Queen Mary Stakes at Royal Ascot and the Independent Waterford Wedgwood Phoenix Stakes at the Curragh in 2004, the David Wachman trained Damson has been retired to the paddocks after a disappointing second season. A strong fancy for the English 1000 Guineas in early May, she was forced to miss the race after scoping badly just days beforehand and failed to reach the frame on any of her three subsequent outings.

## O'BRIEN EYES RACING

### POST TROPHY AGAIN

Trainer Aidan O'Brien has a fine recent record in the Racing Post Trophy at Doncaster and he looks set to target this Group One event for juveniles with the promising Septimus, winner of his only two starts to date and already considered a likely Derby contender next season. Septimus won well at Leopardstown on his debut before taking the Beresford Stakes at the Curragh two weeks ago and looks the ideal type for the straight mile at Doncaster in a race which subsequent Epsom Derby winner, Motivator, won twelve months ago.

## KICKING KING SET FOR

### PUNCHESTOWN DAILY STAR CHASE

The presence of Kicking King in the Daily Star Steeplechase should attract a large crowd to Punchestown on Thursday in a race which has attracted 14 entries. With Tom Taaffe stating that his stable star has summered well and is a much stronger horse this season, hopes are high that he can get his season off to a winning start but there are some smart horses listed among the opposition with the likes of War Of Attrition, Forget The Past and Pizarro certainly capable of giving the likely favourite a run for his money. War Of Attrition ended off last season with victory in the Swordlestown Cup while Forget The Past landed the Ascon Rohcon Novice Chase at Leopardstown and the Ellier Developments Novice Chase at Punchestown last season and is a smart staying chaser in the making.

## Dungarvan R.F.C. Notes

DUNGARVAN 0-32 BALLINCOLLIG

Perhaps it was an effect of the great win the week before that the Dungarvan 1sts failed to perform in any way at home to Ballincollig last Sunday or perhaps it was that a number of regular starters were unavailable. Either way, even before the match kicked off, it was obvious the squad mood wasn't in any way commensurate to the task in hand. Right from the kick off we were pressurised by a well drilled opposition and never seemed likely to hold them at bay.

Within twenty minutes, Ballincollig had run in three tries. All three resulted from the same basic error in defence. After pulling us right across the field, we failed to count numbers on the blindside, instead all drifting across the pitch, assuming they would continue to probe the open side. When they switched the play back to the blindside, we were left with 2 or 3 defenders against up to 6 attackers. By the time we had woken up and begun to play rugby, we found ourselves fifteen points down.

From then on we showed some of our true potential. With Andrew and Stunner taking up plenty of hard ball, we were able to pound our way up the centre of the pitch. Poor handling and indiscipline invariably thwarted all our efforts to breach Ballincollig's try line, with knock-ons plentiful on a sodden day.

As tiredness set in, we found ourselves again defending deep in our own half. Sterling efforts from defensive stalwart Warren and especially Eddie, who even managed to nick ball at lineout time despite his obvious height disadvantage, kept the score down until we eventually leaked more tries late on, Ballincollig again crossing three times in quick succession.

Although it might be tempting to just put this game behind us, there is still much we can take from it. Had we not started the match so poorly, we would have been in a much better position to challenge when the ball came our way. As it was, chasing the game invariably leads to desperate attack, which is never conducive to much scoring. Again our lineouts ran well, as did our scrums. We showed the ability to make ground both up front and out wide. Mostly it was a lack of concentration and cohesion that let us down.

With two weeks until our next match, away to Presentation, we have time to work on our weaknesses. Attempts are being made to schedule a 2nds match this weekend, so there will be plenty to do for everyone at training this Tuesday and Friday night.

Dungarvan — Anthony, Leo, Colin, Warren, Pdraig, Barry, Keith, Andrew, Emmet, Timmy (c), Sean Fitzpatrick, James Houlihan, James Phelan, Eddie, John.

## Dungarvan Ladies Hockey Club

Dungarvan travelled to University Limerick on Saturday the 15th and secured a well earned 5-3 win. The game started at a very fast pace, with Dungarvan having to defend some very heavy pressure from the U.L. attack. After 10 minutes U.L. scored their first goal from a penalty corner. After conceding the first goal, Dungarvan came out guns blazing. Pressure was now on the U.L. defense, with Dungarvan camped in the Limerick half. Our first goal came from a penalty corner and was scored by Gillian Dalton. Dungarvan pushed forward again and secured their second goal, scored by Carol Elstead, from a well organised penalty corner. Dungarvan went into half time with a 2-1 lead.

Shortly into the second half U.L. scored their second goal and equalised. This was a Limerick team who were determined to win this game. Dungarvan now stepped up a gear and Marie Sheehan scored our third goal. This was an exciting game with lots of attacking hockey at both ends of the pitch. U.L. equalised making it 3 goals each.

Some excellent balls from midfield sent Anne Brennan and Sharon Duggan on the attack, from which Anne Brennan scored our last two goals.

Towards the end of the match Dungarvan conceded another penalty corner, from which U.L. almost scored, but for the excellent save off the pads, by goalkeeper Carol Tobin.

Congratulations to the whole team from Tony and Stephen on a great team performance.

Team — Carol Fraher (GK), Louise Conroy (capt), Nollaig Sheehan, Dervla Donnelly, Sinead Hehir, Marie Sheehan, Sharon Duggan, Gillian Dalton, Carol Elstead, Anne Brennan, Anna Casey and Mary Catherine Kiely.

# Peter Crotty Annual Boxing Tournament

This tournament was held in the Park Hotel on Sunday, 25th of September and as promised there were some very exciting contests.

M.C. Harry McGavock built up atmosphere to each contest introducing the boxers and giving a run down of their past experiences. The hosts for this show were Dungarvan Boxing Club and their opponents were Birtley Boxing Club, Newcastle, England.

The first bout was between Michael Roach, Clonmel and Craig Foster, Birtley (youth 240kg). Roach won this bout on a majority decision and is destined to meet him again on the Birtley show in October.

Denis Murray was unlucky against his opponent Ryan Walsh, St. Ibars, Wexford, the son of legendary Billy Walsh, (boy 133kg). This was Ryan's first bout and Denis's second, so both boys did very well.

Pat O'Shea was beaten by Michael McDonagh, Ennis (youth 267kg), a very close contest but McDonagh was just a bit sharper.

Richard Walsh's, opponent B. Ainslie withdrew and he boxed an exhibition contest (no decision) against Mark White, Birtley.

Daniel Ryan had a very good victory over Barry O'Neill, St. Ibar's (youth 257kg). Daniel started very strong and got a good lead in the first round. Barry did come back in the second round but Daniel was the more aggressive and stronger boxer.

Eamon Twohig lost on the closest of a majority decision in his intermediate lightweight contest against Craig Dixon, Birtley. This was also a rematch in Birtley.

The shock of the night was the senior

heavy weight bout against six times Senior champion of Ireland Alan Reynolds, Sligo and English Junior champion and beaten Senior ABA finalist John Lewis Dickenson, Birtley. This was a very close contest but the young warrior did do just about enough to win. Both these boxers are on the trail for National titles in their own territories and are very anxious to get it on again, which is exactly what's going to happen in Lancastrian Suite in Newcastle on the 15th of October.

Middle weight Killian Walsh had a rematch with his opponent Josh Rogan, Birtley. On last years show Killian beat Rogan but this year Rogan was well prepared and put up a hell of a fight even after receiving a leg injury in the first round trying to avoid Killian's onslaught. But Rogan fought back showing determination to win and fare play, he did just that.

His brother Emmett however, fared a lot better when he beat James Heaney, Birtley (intermediate light heavy weight). Emmett had the crowd on their feet cheering him on, and it was no surprise when he won the prestigious Annual Peter Crotty Award for best local boxer.

Junior light welter weight contest saw Michael Doyle, St. Ibar's lose on a majority decision to Tommy Whitfield, Birtley.

Intermediate middle weight contest between Brian Bennett, Dungarvan and Martin Keenan, The Glen Boxing Club, Cork, was exactly as predicted, a battle from start to finish. Both these boxers can throw punches, both are very experienced and both are National champions. They will not meet in the championships as Barrett is middle weight and Kennan

light heavy weight. The weight was a telling factor in tonight's decision as Keenan was declared the winner. None the less both boys walked away knowing they were in a fight.

Dungarvan Boxing Club would like to thank their sponsors: Mario's Motor Factors, Tom Curran Hardware, Nicholas Fitzgerald, Phelan's Fuels, Eugene Ryan, Ger Wyley, Michael Roche, The Pike Service Station, O'Mahoney Cycles, The Diplomat, The Old Railway Station, Lismore, Brian Whelan, Indian Ocean, Norris brothers, The Parrish, Whyte's Corner, Easons, Sean Ryan, John Paul's, M.J. Curran, C&H Builders, Tholom O'Leary, Cluan Abbey Properties, Shanley's and The Crotty family.

Birtley Boxing club are holding their 25th Anniversary Tournament in the Lancastrian Suite, Newcastle on the 15th October against a Dungarvan selection.

The Dungarvan team is as follows: Denis Murray, Richard Walsh, Michael McDonagh, Alan Reynolds, Eamon Twohig, John Keenan, Michael Roche, Ger Griffin, Mark McNamara.

Coaches: Gerry O'Mahoney, Paul Hansberry and Pat Ryan.

### ST. PAUL'S TOURNAMENT

On Friday, 7th October in St. Pat's Gym, Waterford, Dungarvan Boxing Club had no fewer than seven boxers taking part.

Denis Murray beat Francis McDonagh, St. Paul's; Bernie McDonagh lost to Gary McInerney, St. Paul's; Richard Walsh beat John Ward, St. Paul's; Michael Burke beat Philip English, St. Paul's; Michael McDonagh beat Bernie McDonagh, St. Paul's; Daniel Ryan beat Glen Keating, St. Paul's; Pat O'Shea lost to Charlie McDonagh, St. Paul's.

# W.W.E.C.

West Waterford/East Cork Junior League

## FAI JUNIOR CUP DOMINATES WEEKEND

# Ardmore And Lismore Advance

The Statoil FAI Junior Cup had an entry of 624 teams this season making the competition the largest in Europe and on Sunday last three teams from the WVEC Junior League opened their campaign in the 2nd round with Ardmore and Lismore qualifying for the next round. Cappoquin came up against a very strong Nenagh side with the North Tipperary team coming out on top.

In the League Inch and Brideview had big wins in the Premier while Valley and An Ghaeltacht set the pace in the 1st div and Modeligo and Lismore in the 2nd div.

### CLODIADH RANGERS 0 ARDMORE 2 (A.E.T.)

Ardmore made the long trip to the Limerick side of Thurles on Saturday afternoon last to play North Tipperary league side Clodiadh Rangers. The WVEC outfit played a very cautious opening 45 minutes as they assessed the strengths and weaknesses of the opposition. In the second half the game became more open with both sides attacking and looking for that important lead goal. However, defences were on top and the game was scoreless at the final whistle. In extra time Ardmore went on all out attack and 7 minutes into the first period Denis Flanagan was fouled in the area and the same player converted the resultant spot kick. Midway through the second half Richie Hennessy scored the insurance goal that sends Ardmore into the next round where they play away to Rearsross of Tipperary.

### WILDERNESS ROVERS 2 LISMORE 2

**(Lismore win on penalties)**  
A very good competitive game that was decided by penalties. Played outside Clonmel, Lismore took the game to the homeside in as many minutes, and from one Michael Shanahan headed home. Indeed the score should have been trebled only for some outstanding saves from the home keeper. In the second half Rovers made some switches and Lismore were under pressure and conceded two goals in the space of a minute. A brilliant save by Cunningham spurred Lismore on and when Shanahan was fouled in the area, Donnelly converted the spotter to send the teams into extra time. With no change in the 20 minutes penalties had to decide the winners and Lismore won the shoot out by 4 goals to 1. They now play Rosegreen Rangers away on the 6th November.

### CAPPOQUIN 1 NENAGH 5

After a brilliant opening 45 minutes when they led through a Conor Prendergast goal, Cappoquin wilted under constant Nenagh pressure in the second half. The North Tipperary League side played some brilliant football in the second half and completely over ran a very

gallant Cappoquin team who just had no answer to the opposition in this period. There can be no doubting the better team won, but Cappoquin will be disappointed after their first half display.

### INCH 3 ACCRINGTON CELTIC 0

Leading through a Jimmy Foley first half goal, the home side proved to be the better team in the second half and two goals from Aidan Ryan gave the points to Inch, and the good start that Accrington had to the league has now disintegrated with four defeats on the trot. Inch are now mid table with games in hand.

### BRIDEVIEW 5 KILWORTH 2

Fielding an understrength team Kilworth had no answer to a fired up Bride View who were only recording their 2nd league win of the season. Goals from Tommy Seymour and Paul O'Brien had the sides level at the break. O'Brien scored twice more to complete his hat trick, while William and

Michael Curley scored one each for the homeside. Stephen Donnelly scored Kilworth's second goal. Diarmuid informed us that Stephen was the oldest goal scorer in the league on Sunday and we take his word on that!!!

### VALLEY RANGERS 3 PINWOOD RANGERS 1

Michael O'Gorman gave the visitors the lead before Damien Farrell equalised before the break. John Carr put the home side in the lead and after the break the evergreen Brendan Hickey scored from the spot to give the Conna team all the points and keep their 100% record.

### AN GHAELTACHT 5 CASTLEBRIDGE CELTIC 0

It is said that there is nothing as dangerous as a wounded animal and after their unexpected defeat the previous week, An Ghaeltacht came out with all guns blazing and the visitors just had no answer to the onslaught. As a contest the tie was over at the break when two

goals from Darra Hurley and one from Ray Terry had the homeside in a comfortable lead and second half goals from Timmy Power and David Condon put An Ghaeltacht back on the winning track again. Unfortunately Castlebridge had no answer to the awesome display of the winners.

### MOGEELY 1 ARAGLEN 0

After a scoreless 1st half the homeside took the lead when Jake O'Shea scored and both sides then missed goal scoring opportunities and the points seemed to be staying in Mogeely until the game entered injury time and Araglen were awarded a penalty. However to their dismay and the relief of Mogeely, Lar Hayes saved the spotter and the homeside ended up with all three points. This was the second week on the trot that Araglen failed to score from the spot to share the points, as they were also beaten by a goal against Blackwater the previous week.

**AFFANE 1 GLEN VIEW 2**  
The home side took the lead through Jamie McGrath and Glen View equalised from the penalty spot when Kevin O'Rourke scored. This was Glen View's first league goal of the season and they scored a second winning goal when Eugene O'Brien found the net after a goal mouth scramble.

### LISMORE 2 CAPPOQUIN 0

The reports of the neutrals at this game tell us it was a cracker and the result could have gone either way. The football was of Premiership standard and sportsmanship of the highest order in this local derby. After a scoreless first half, Michael Walsh had the home side in the lead and the points were secured when Eddie Pollard chipped the Cappoquin keeper from just outside the area and Lismore are still in a promotion battle with Modeligo, and Clashmore and Brideview hot on their heels.

### CASTLEBRIDGE CELTIC 1 MODELIGO 3

Modeligo won this game having to come from behind when Swaleck scored for the homeside early in the opening half. Shane Troy equalised before the break and the same player and Tom Dalton scored goals to leave the visitors in a commanding lead with 8 minutes remaining when referee Eamonn Cusack found it necessary to abandon the game after an unsavoury incident which let the referee with no option but to call a halt to the proceedings. The incident will be dealt with by the disciplinary committee of the league on receipt of the referee's report.

## SINCERE SYMPATHY

On behalf of the entire league sincere sympathy is extended to the Wallace family, Waterford on the death of Noel which sad event occurred on last Friday, 14th October after a long illness.

Noel Wallace's relationship with our league goes back to 1987 when the league became associate members of the Waterford Junior League and Noel, as Waterford's representative, attended our delegate meetings each month, along with his great friend Dick Barry.

Thanks to Noel's expertise and guidance, the league fully affiliated to the Munster Football Association on the 19th June 1999. The committee appreciated the wonderful help and time he devoted to the league in those learning years and as he so often said "I am only a phone call away" and on more than one occasion that phone call was made. Noel never lost touch with the league and kept in touch with the happenings through the local radio.

The Wallace name is synonymous with soccer in Waterford as both Noel and his brother Christy played for the Blues while their father was a director of the Waterford club, and this scribe is fortunate to have known the family as we travelled the entire country with the wonderful Waterford team of the 60's and it was in those years that our love of the Blues was born.

Outside of football, Noel with his wife Mavis and son Nigel became great family friends and we sympathise with them and the Wallace family on Noel's death.

Ar dheis De go raib a anam.

## WEST WATERFORD EAST CORK/F.A.I. TECHNICAL NEWS

### CHILD WELFARE TRAINING

On Tuesday last we hosted a child welfare course in Tallow. The course was conducted by Waterford Sports Partnership and proved a marvellous success. Tutors Valerie and Jackie gave a wonderful presentation which kept everyone interested for four hours, no mean achievement. As a result we now have a trained child welfare officer in nearly all our schoolboy clubs. From January 1st onwards clubs without a trained child welfare officer will receive no fixtures. Fortunately, we are now well up to date. Our thanks to Valerie and Jackie and all at the Waterford Sports Partnership for their assistance.

### REFEREES COURSE

A beginners course for referees will take place in Brideview Park on Saturday, November 5th. Anyone interested in being a referee for any grade; schoolboys, schoolgirls, Junior, Womens or schools now is your chance. If you are only slightly interested why not do the course and try a few schoolboy games. Ring your R.D.O. Michael Looby to book your place or if you require any additional information on 087-0508623.

### COACHING COURSE

A date has been set for our first kick start 1 coursing. The course will run over two days, Friday 6pm to 10pm and Saturday 10am to 5pm on November 25th and 26th. The venue will be the Blackwater Community School and will be on their

### ASTRO TURF PITCH

We are delighted that Waterford Sports Partnership are grant aiding the course. Each club can send two people free of charge, if you have extra we may need to charge. The fee is normally E45 per person, so take advantage of this great offer. The course is open to both male and female participants. Please book your place by text through your R.D.O. Michael Looby on 087 0508623.

### FRIDAY FLOODLIT FOOTBALL

The Astro Turf small sided soccer continued on Friday night and were again a huge success. As we progress we will endeavour to improve matters and fine tune the fixtures. Certainly we need to reduce the time some clubs were at the venue. We welcome feedback from clubs, parents, managers, etc.

### GIRLS

A most pleasing aspect to the events is the expanding number of girls playing. Brideview and Cappoquin have both Under-8 and Under-10 teams while Watergrasshill and Valley Rangers have Under-10 teams. Hopefully more clubs will follow their lead. Undoubtedly the biggest restriction to clubs running girls teams is the availability of managers especially female managers. Parents please take note. If you want your girls to play, your club may need you to help with supervision. You do not need any knowledge of the game, we have that expertise on site to help you. All girls U10 are welcome.

## W.W.E.C. Weekend Previews

Next weekend will see six of our league teams competing in the Lucozade Sports Munster Junior Cup, and with four of the teams playing each other, the league is guaranteed a minimum of two teams in the next round. We wish all six the best of luck.

### Ardmore v An Ghaeltacht

This tie will be played on Saturday and this is a wonderful opportunity for the visitors, whose goal this season is promotion, to test their strength against the Premier leaders, who on Saturday last had a marvellous win in Thurles in the Statoil FAI Junior Cup. The seiders will be favourites, but An Ghaeltacht, coached by the experienced Tomas Duggan will provide strong opposition and this game has the makings of a good attacking tie. On form we have to tip Ardmore but it might take more than 90 minutes football for the result.

### Mogeely v Bride View

In former years this would be looked up on as a tie Brideview would be red hot favourites to win, but the Tallow club are team building with so many of their players coming through their magnificent under age structure. Mogeely we know are pushing hard for promotion to the top tier this season but will find Brideview a tough team to crack especially after their big win last week. Mogeely also won, but not as convincingly and we tip the visitors to win.

### Villa v Lismore

The reigning league champions travel to Waterford to take on premier outfit Villa and the Cathedral side will remember their trip to Waterford last year with their success. Both sides won last week in the FAI Junior Cup and it is a game which could go either way. We have a feeling Lismore might get the result and confidence will be high after last week. At full strength Lismore are formidable opposition for any team in any league.

### Bohemians v Cappoquin

A difficult tie for the Cappoquin side as they travel to play one of the top teams in Waterford, a club steeped in cup tradition, but beaten last week in the FAI Junior Cup at home to Kilmacthomas. So make no mistake they will be fired up for this cup tie and Billy Collins will have to have his charges firing on all cylinders if they want to see their name in the next round.

### Kilworth v Inch

There in only one game in the Premier on Sunday and it's an all Cork affair, and when both sides met a few weeks back they served up a seven goal thriller with Inch coming out on top. The home side went down badly last week in Tallow while Inch had a good win at home. A lot will depend on the strength of both sides who cannot afford to drop points and a draw could be on the cards here.

### Blackwater Rangers v Valley Rangers

The Conna side will be favourites here to maintain their 100% unbeaten record. The homeside had a good win in Aragen last time out, but on present form it is difficult to go against Valley and Derry tells us that they will be back in the Premier at the first time of asking.

### Pinewood v Inch

The homeside were beaten away in Conna last week and will want to get back to winning ways again. With both sides in the relegation zone points are of the utmost importance and with home advantage Pinewood might just come on top.

### Modeligo v Clashmore

This has the making of a cracker and could be match of the day. The homeside are top of the table, but Clashmore have two games less played, and with their new signings of Carey and Coonan the visitors are a strong outfit this season and will definitely challenge for promotion. A game that could go either way, Clashmore may just shade it.

### Glen View v Lismore

The visitors will be favourites in this local derby as their form has all the signs of promotion even at this early stage of the league. Glen View got their first points last week and also scored their first goal in four games but they will want to find the net more regularly if they are to trouble Lismore. On form it has to be Lismore.

## ARDMORE A.F.C. NOTES

# Ardmore Advance After Hard Fought Victory

**Clodiagh Rangers 0 Ardmore A.F.C. 2 (after extra time)**

Ardmore's adventure in the F.A.I. Junior cup commenced on Saturday with an away fixture to North Tipp's Clodiagh Rangers. Ardmore knew little or nothing about the opposition coming into the game and to be fair came up against a very tough and well established side. The first half saw the visitors a little shell shocked and they struggled to come to terms with the pace of the game. An early exit for Ardmore's Wayne Hennessy who was playing in the right back position could have proved costly only for the solid performance of his replacement Oldus Johnson. Towards the end of the first half Ardmore showed a few signs of playing somewhere close to their potential and through Clinton Hennessy, Paddy Gallagher, Jason Lenane and Johnny Hennessy created a couple of half chances, however both teams went in at half time scoreless.

After a rousing half time speech from manager Declan Hennessy, Ardmore took the field with a renewed vigour. With some great flanking movement from wingers Jason Lenane and James O'Donnell, Ardmore put the homeside under a lot of pressure. However, the deadlock could not be broken. To be fair to the homeside they created a couple of great chances themselves, and only for Ardmore's veteran centre back Anthony Aherne and a man of the match performance from goal keeper Declan Lenane, Ardmore could have been beaten by a couple of goals. However, the visitors stuck to their task, the introduction of substitutes Ritchie and David Hennessy provided more of an attacking threat and in the first half of extra time they got the break through they needed. Dennis Flannagan was brought down in the penalty area, and the dynamic centre forward duly converted the resulting spotter. With Rangers throwing everything but the kitchen sink at Ardmore, chances were coming thick and fast, and budding move star Ritchie Hennessy scored the second from an excellent break away move to seal the win.

### Thanks

We wish to thank our friend Liam for looking after the notes last week and Anthony for taking the results while we enjoyed the sun in the Riviera. Many thanks to you both.

### Delegate Meeting

The next delegate meeting of the league will take place on Monday, 7th November at the Red House Bar, Lismore at 9pm.

## Cois Bhride Juvenile G.A.A. Club Notes

### U-13 Hurling semi-final.

Ballyduff was the venue last Sunday week for the Western U-13 semi-final between Cois Bhride and Lismore. When these teams met in the league section a few weeks ago Cois Bhride emerged winners after a great game. Considering that our lads had lost only one match against Dungarvan and had won four, we were hopeful they could continue their good form. Unfortunately, as often happens in sport, past form went out the window and Lismore totally dominated the proceedings running out convincing winners in a one sided game. So after a lot of good displays, and some excellent hurling throughout the year, this talented team ended up empty-handed.

Selectors Eamon Lonergan, John Hennessy, Terence Mc Sweeney, and Mike Leahy put in a big effort with these lads, and were pleased with their progress during the year, even if defeat was their lot in the end. Terence put pen to paper afterwards, and this was how he summarised the U-13's: "Overall the players can be satisfied with their performances this year, and though the occasion of the semi-final against old rivals Lismore seemed to get the better of some of our lads, to their credit they battled gamely to the final whistle. Their record for the year was P 6, W 4, L 2, they played some attractive and simple hurling and can be proud of themselves. A few lads improved greatly during the year, and stars of the future are beginning to shine. Panel was; Seanie Barry, safe and reliable in goals. Brian McCarthy, 'Mr. Consistency', yet to have a bad game. Joe Leahy and Kegan O' Farrell, two men you'd always want in your corner. Dean Hennessy, committed to the final whistle and discipline has improved greatly, a lovely hurler. Ray 'Rasher' Barry, one of those stars for the future, great stickman. Ed Lonergan, made halfback his own. Aaron Pratt, silent (!) leader of the team and a great engine. Stevie Barry, keeps the whole team moving. Evan Sheehan, one word, stylish, effective (that's two). Shane Roche, skill to burn, tough as nails. Alan O' Riordan, never gives up, great eye for goals. Eoin Roche, big improvement during the year, well capable of scoring. Kieran Fraser, intelligent and fast-improving player. Stevie Lucey and Pdraig Ahearne, good things come in small packages, nothing small about their hearts. Daniel McLroy and Billy Buckley, committed, can play anywhere. Rob O' Sullivan and Tomas O' Neill, two young lads for whom the future looks bright. All these players are the future of our clubs and will make strides through dedication and a little work. It's been a pleasure to work with you all, watch this space for plans for next year's schedule". Well said Terence.

### U-14 Hurling, Tobin Cup.

This Shamrocks-sponsored tournament was held last Saturday week in Knockanore, and this year Cois Bhride lined out against Abbeyside for the honour of winning this magnificent cup which was presented by the Tobin family, Janeville, in 2003 as part of the Golden Jubilee celebrations of the Shamrock Club. Abbeyside started very well, and had two goals up on the score-

board before Cois Bhride realised the game was on. To their credit they battled back, and we were treated to a high scoring, exciting match which flowed from end to end, and provided a great spectacle for the large crowd. Abbeyside's ability to score goals was the difference between the sides, and they also picked off some delightful points to run out deserving winners in the end. Very capably handled by Maurice Condon, this was a very entertaining match with some great individual performances, not least from Shane Roche who bagged a hat-trick of goals. Let us hope that this tournament will be continued into the future.

### 'Gunners are champions once again.

Ballygunner are once again kingpins of Waterford Hurling with an exciting one point win over a very gallant De la Salle team who gave a great performance only to be denied by a piece of magic from Paul Flynn who conjured up a brilliant winning point from a very tight position. Shades of a famous score in an All-Ireland final from the stick by a certain D.J. Carey. We wish them luck in the Munster Championship.

## ARDMORE/GRANGE LADIES FOOTBALL

Our Minor games are continuing but due to bad weather conditions last Monday, we were unable to play Comeragh Rangers. We have a very young Minor team and due to work and school commitments have difficulty getting players to train. We were narrowly beaten by Old Parish and unfortunately went down also to St. Pat's. Our next game is against St. Olivers due to be played next week.

Bingo is back to the Round Tower Hotel, Ardmore and is on every Thursday night at 8:30pm. Please support. Thank you to all the people from Youghal, Clashmore, Ardmore, Grange and surrounding areas for your continuous support over the last number of years.

N.B. - Our AGM is on in the Ardmore G.A.A. club house on Monday, 24th October at 8pm. We hope to have a good attendance as the survival of our club depends on the support of all our parents who have children playing with the club.

## BRICKEY RANGERS JUVENILE G.A.A. CLUB NOTES

### Under-16 Hurling

We played Fourmilewater in the Western final last Saturday at Fraher field. We had the aid of the strong breeze in the first half. Fourmilewater settled better and led by four points midway through the half. However, when the half time whistle blew we had drawn level at 1-4 a piece.

The second half was always going to be an uphill battle given the strength of the wind. Fourmilewater took control and made a couple of switches which brought us back into the game but it was not to be and when the final whistle went we were still 4 points a drift.

Final score: Fourmilewater 2-12 Brickeys 2-8.

Panel of players: Trevor Whelan, Darragh Shalloe, Gavin Flynn, Raymond McCarthy, Liam Hansbury, Ciaran Lane, Mark Cummins, Shane Kearney, Stephen McCarthy, Philip Spratt, Mark Shalloe, Barry O'Halloran, Philip Walsh, David Curran, Aidan Walsh, Craig O'Connor, Niamh McGrath, Colm Hayes, Diarmuid Tobin.

### Under-13 Hurling

We lost out to St. Olivers by a single goal in the Western championship last Wednesday evening on a scoreline of St. Olivers 5-2 Brickeys 4-2. We play the same opposition later this week in the semi final with the winners playing Fourmilewater in the final.

### Club Jerseys

A number of club jerseys and tops are available for sale. For further information contact Kay Barry or Jim McGrath.

### U12 Hurling Coaching

An U12 coaching session will take place over the next two Saturdays in Cappelquin between 1:00 and 2:30pm. Any U12 or the age is welcome to attend.

## Clashmore/Kinsalebeg G.A.A. Notes

### Under 21 County Champions!

History was made in Walsh Park, Waterford on Sunday last when our under 21 footballers succeeded in becoming the first team from the club to bring home a county under 21 title when they comprehensively beat Tramore in the B decider. It was a one sided game with our lads in control of the result right throughout. It was a game where all our lads certainly played to their utmost potential and all can be proud of the manner in which the victory was achieved. A big thank you must go to all our wonderful supporters who made the journey to cheer on the lads. Special thanks must go to Timmy O'Keefe who has been involved with this group of players since under 10. Also big thank you to his fellow selectors Roger Hynes and Tom Kelly! Final score Clashmore/Kinsalebeg 4.13 Tramore 1.01 Full match report in next weeks notes.

### Under 14 County Champions!!

Congratulations to our very talented under 14 footballers who also made a historic breakthrough at the weekend when they captured the clubs first ever A grade county title when beating Roanmore in a replay in fraher field. This is a very promising team and full credit must go to the mentors, players and parents for such a wonderful achievement.

### Rest of Season

We have qualified for the semi final of the county football league division 1, western final of the Phelan Cup where we play Ballinacourty and also are qualified for the final of our division in the Munster football league where we play St. Michaels of Cork. Keep posted for fixtures of any of the above competitions.

## County Board na nOg Notes

### U/14 Football Replay

U/14 County Football Final Replay took place on Saturday last at Fraher Field Dungarvan. In this close knit affair it was Clashmore who proved to be the better side when they ran out winners on a score line of 1 goal 5 points to 5 points.

They lead in this game at half-time by 1 goal and 3 points to 2 points. The goal for them coming here from Andrea Cummingham. In the second half Roanmore piled on the pressure rifling over 3 good points but two valuable points from frees by ace forward Brian O' Halloran was enough to see victory go to the west-ern boys.

While this was a great team effort those to catch the eye for them were Sean O'Connor, Colm Faharty, David Byrne, Donal O'Connor and Diarmuid Triohy. While best for a gallant Roanmore side were Tim Byrne, Brian Nolan, Dylan Murphy, Sean Nolan and Mark Phelan.

### Player of the Match Awards

The U/14 and U/16 combined Waterford & Tramore Credit Unions player of the match awards will take place at the Mion Sion GAA Centre on Saturday the 5th of November at 8:00 p.m. This is the first year of the football awards and all selected players are eagerly looking forward to this very pleasant evening.

Co. Bord na nOg wishes to thank the combined Waterford & Tramore Credit Unions for their generous sponsorship for this event.

# Flynn Again The Saviour for Ballygunner

## Ballygunner 2-10 De La Salle 1-12

Excitement was at fever pitch at Walsh Park, Waterford on Sunday last as Ballygunner and De La Salle battled heroically to capture the County Senior Hurling championship title.

As the seconds ebbed away Ballygunner fought tooth and nail to hold onto a slender point lead against the furious onslaught of "New Kids On The Block" De La Salle who last won the second of their two titles in 1914, a whopping 91 years ago.

Ballygunner survived by the narrowest of margins to take their tenth title but few in the attendance on the day could deny that 'Salle deserved a share of the spoils, in a game in which the conditions deteriorated to turn the pitch into a quag-

mire. They pledged in advance to give this one their very best effort and that they did. But, in the end, they agonisingly fell short.

The first half had been lively and entertaining without being brilliant, but what followed was a compelling spectacle with both sides contributing in equal measure to what ultimately became an absorbing battle. It was tit-for-tat on the scoreboard as the teams exchanged second half points, but in the end it was Paul Flynn's glorious point from sixty metres in the 57th minute that won it for the Gunners.

Relatively quiet throughout the opening half when he was overshadowed by his flying corner forwards Tommy Power and Gearoid O'Connor, Flynn emerged a different player for the second half, and his winning point was a score worthy

of deciding any county final.

The Ballygunner full forward line accounted for all but two points of the team's total, and overall that proved to be the singular most decisive contribution to the victory.

The first of their goals came as early as the 9th minute and was brilliantly taken by Tommy Power, and when O'Connor was equally clinical on twenty minutes, the Gunners were a commanding 2-4 to 0-4 to the good.

"In the end these goals were decisive", Paul Flynn said. "We had to dig as deep as we've ever dug before, but then we expected we would. De La Salle will be disappointed, but they can also be proud of their fabulous effort".

With Shane O'Sullivan giving the winners an important mid-field advantage the De La Salle cause wasn't being helped ei-

ther by the inability of their key player, John Mullane, to shake off the man-marking ploy of Alan Kirwan. Wherever Mullane went Kirwan followed, and while the Allstar was dangerous in possession, the minus from a De La Salle perspective was that he didn't get enough of it.

On the plus side however Brian Phelan was commanding at centre back, Kevin Moran was on top of his game at mid-field, and Derek McGrath and James Quirke were foraging non-stop up front.

The unerring free-taking of Quirke (he scored from seven first half efforts) kept De La Salle in touch when the Gunners were threatening to pull clear, and amazingly they were level in the 28th minute when Phelan's 60 metre delivery was fumbled in the atrocious conditions by goalkeeper Pat Haran and the ball wormed its way to the net.

Another pointed free by Quirke put them in the front for the first time, but it was all square again at the break, 1-8 to 2-5, when midfielder Colin Kehoe landed a great point.

Despite the worsening weather conditions, the scene was set for a rousing second half and the 8,000 fans certainly weren't disappointed.

It was nip and tuck as the sides exchanged points although the Gunners eased two clear with great strikes by O'Connor and Flynn.

If Haran might be faulted for De La Salle's goal he more than compensated with two superb saves, including a vital one from Kevin Moran in the 40th minute when De La Salle were trailing by two points.

Mullane finally shook off the tenacious marking of Kirwan to rifle over a marvellous equaliser in the 54th minute, and by now all the neutrals were willing it would go to a replay.

Flynn, however, was to have the final say on the way to winning his seventh county title.

The 57th minute match winner was unquestionably the score of the game and the stamp of the true master craftsman. De La Salle might have saved it in the tension-charged final moments but the Gunners defence held firm. The title, and the glory, was theirs.

Scorers: Ballygunner - T. Power (1-4, 0-2 frees); G. O'Connor (1-2); C. Kehoe (0-1), P. Foley (0-1).

De La Salle: J. Quirke (0-9, 0-8 frees), B. Phelan (1-0), C. Watt, K. Moran, J. Mullane (0-1) each.

Ballygunner: P. Haran, A. Kirwan, W. Kiely, R. O'Sullivan, N. O'Donnell, F. Hartley, W. Hutchinson, C. Kehoe, S. O'Sullivan, B. O'Sullivan, A. Moloney, P. Foley, T. Power, P. Flynn, G. O'Connor. Subs: S. Walsh for Moloney (46 mins); M. Kearney for B. O'Sullivan (53 mins).

De La Salle: S. Brenner, A. Kelly, I. Flynn, M. Doherty, D. Russell, B. Phelan, C. Watt, P. Nevin, K. Moran, A. Ryan, L. Lawlor, D. McGrath, J. Quirke, B. Farrell, J. Mullane. Subs: L. Hayes for Farrell (44 mins), T. Kearney for Ryan (53 mins). Ref. Michael Wadding.

## CO. BOARD MEETING

County Chairman, Pat Flynn presided at the November meeting which was very well attended by interested delegates waiting to hear the announcement of the new senior hurling management team.

When the chairman announced that the same management team as last year, were being recommended by the 4 man special committee who were charged with the task of selecting members for the positions, the delegates sat silent, and whether or not this was shock, surprise or disappointment, we do not know.

The County chairman assured members that their concerns and complaints voiced at the previous meeting were clearly expressed to the management team and that next year, club matches will be arranged and played to an agreed schedule.

The proposals were adopted unanimously.

### DEVELOPMENT LEVY

The payment by clubs of the county development levy was debated and was certainly given a rough ride by delegated who did not hesitate to express their opposition and their concerns about having to pay sums amounting to €10,000 to €17,000 over a five year period and having the contributions paid in five yearly installments.

Ardmore delegate Noel Conway submitted a proposal which seemed to have been extensively researched and recommended that the development debt of €700,000 be brought down by reducing payments, said that in some instances costs could be halved. From the response of delegates it was clear that many agreed that his proposals were worthwhile. His proposals were based on the Annual Balance Sheet figures. Judging by the response from the floor it was obvious that very many delegates thought his proposals to be worthwhile.

In all over 20 delegates contributed to the long discussion and these included, Noel Conway, James Tobin, Nicky O'Donovan, Phil Fanning, Declan O'Meara, Emer Barry, Paddy Fitzgerald, John Jackson, P. J. Ryan, Tony Mansfield, Tom Cunningham, Timmy O'Keeffe, Tom O'Neill, Greg Fives, Seamus Quirke, J. D. Leahy, Liam Moroney, etc.

The chairman explained that the levy was agreed to by clubs in January and clubs did have the benefit of a 70% retention of their membership contributions from the Deise Development Draw and out of which the board received not a penny. In the circumstances clubs would have to cooperate and pay the levies.

Treasurer Michael Hogan told Phil Fanning that juveniles under 15 are admitted free to all our games and OAP's and students are charged half price. He also stated that it was not possible to have a more high profile game as a curtain raiser to the county final because of the dual involvement of a number of clubs.

### MUNSTER COUNCIL REPORT

P. J. Ryan outlined the club fixture programme for the coming months and delegates were happy about the number of 'home' matches that our clubs will have. I may have given a different view last week but in the overall, we did well when the programme is examined more closely.

He also reported that Waterford had received €40,000.

### CENTRAL COUNCIL REPORT

S. O'Brien reported that December 2007 is the date on which the term of office for county and divisional personnel will expire and this is the time when members of the boards having served five full years without a break, must retire.

He also reported that Waterford had received €40,000 from the football qualifier and €38,000 from the hurling qualifiers.

## Munster Convention 2007

The Munster Council representatives announced that the annual Convention for next year is due to be held at a Waterford venue, but as Vice-chairman Jimmy O'Gorman is due to take over as Provincial Chairman in the following year, 2007, a request has been made to have the Convention of that year held in Dungarvan in order that Jimmy can be inaugurated 'among his own people.' The meeting were in total agreement.

## Senior Intercounty Draws

These will be made at Killarney on Friday night November 11th on the evening of the Club Forum which takes place on the following day, also in Killarney.

Only three Provinces will be involved, as Ulster (who have problems with RTE), have made their draws live on BBC.

**NEXT WEEKEND PROGRAMME**

# Exciting Double Headers This Weekend at Fraher Field

The Sunday programme is particularly interesting with the Western Board staging the intermediate hurling and football divisional finals. This is their most important programme of the season and patrons are certain to be treated to a great afternoon's entertainment.

Also on Saturday we have a divisional and county double header that is also certain to produce plenty of excitement.

**Intermediate Hurling Final  
Dungarvan v. Ballyduff**

This final is the opening fixture at Fraher field on Sunday

and unless we are all mistaken, it will be a fine exhibition of skilled hurling in this grade.

It had been predicted that these teams would survive to this stage. Ballyduff were in the opinion of many, very unlucky to have been relegated at the end of last season. They came down from senior status by a single point after a replay with Abbeyside.

Oddly enough their only defeat in the championship so far was by Dungarvan who came through the championship with a clean sheet.

Ballyduff will be forced to field without Stephen Molumphy who is certainly one of their top players and will be in Australia playing hurling

with the Defence Forces.

Ballyduff qualified after defeating Shamrocks two weeks ago and Dungarvan qualified when beating Colligan as part of the same programme.

When Dungarvan and Ballyduff clashed in the league section, Ballyduff were without their regular goalkeeper Aidrean Power and a couple of other players.

On Sunday next, Dungarvan could be minus their goalkeeper Paul Ahearne who was forced to retire injured in the game against Colligan after an unfortunate accident. His absence, if not fit, would be a severe blow to Dungarvan. A win here for the Old Boro team would be seen as a reward for the efforts of a lot of people in the club who have battled away in spite of disappointments for a few years. They have a good number of promising young players on their panel and they look to be on their way but here they will be up against a top class

intermediate team who gave an exhibition of hurling against Shamrocks and who appear to be that bit better now than when they played and lost to Dungarvan six weeks ago. I think that Ballyduff will be the team to advance here.

**Intermediate Football Final  
Brickeys v. An Rinn**

This is the second game on the programme and I see it as a contest not to be missed as in the context of our standards it should be a classic.

Each has already shown that they can play a splendid brand of football and with both being very competitive teams, this will be an exciting contest. The Brickeys have shown this year in particular that they are one of the most progressive clubs in the division. Things are happening for them in several

grades. They have already won the divisional junior hurling final and did well without achieving outright success in underage competition this year.

An Rinn are the more experienced team in this contest and their display against a strong Ballinameela team in the divisional semi-final showed that they have the football skill to match.

I would see them as favourites here and they may be the ones to succeed. Here there may be more than a divisional title at stake as the winners must have a splendid chance of taking the county title and winning promotion to senior ranks.

**Under 21 Football County Final  
Ballinacourty v. Rathgormack**

This is the first football county final of the year and by all accounts it will be a very keen contest between the clubs, each

of whom are reasonably strong at senior level.

Rathgormack were the surprise packets in the east and their defeat of Gaultier was a big surprise. The club had strong ambitions of winning the senior football title this year, and were disappointed when losing out to the Nire. Seven of the senior team are eligible to play under 21 so we can expect to find them making a strong bid for the title.

Ballinacourty won out in the West about two months ago and were impressive in their games, but the quality of the opposition was not judged to be as good as in previous years.

They too will make a strong bid for the title and with many of their minors of three years ago on board they must have a reasonably good chance of winning.

This is a Saturday afternoon game and it has a 4 p.m. starting time.

**Junior Football Western Final**

**Lismore v. Stradbally**

This final is also fixed for Saturday afternoon and has a 3 p.m. starting time. Of the two, Stradbally have been the more impressive in the run up to the final and looked to be in brilliant form when defeating Old Parish in the semi-final last month. They were also quite impressive when beating Ballinacourty and Clashmore. Although they are not making any noises about it, Stradbally have a football county championship double in mind.

Lismore who had wins over Ballyduff and Clashmore on their way to the final will be fielding their first fifteen and the club's only remaining team in the championship.

Stradbally have a young, fast, lively and fairly skilled panel to choose from, and having seen them play in two matches, I was very impressed.

**Colligan Rockies & Emmetts GAA Notes**

**INTERMEDIATE HURLING**

Two Saturdays back we exited the Hurling Championship with a defeat to Dungarvan in Fraher Field. Having got over the Geraldines in a closely fought quarter final we entered the game against Dungarvan on a string of 4 consecutive championship victories and were thereby quietly confident that we could progress to a Western Final. On the day however Dungarvan were just as confident and eager to progress to the Western Final. Both teams went score for score in the opening phase of the game but Dungarvan struck the first major blow by slotting home their first goal of 3 for the afternoon. While both teams seemed equally matched Dungarvan managed to pick off scores as we failed to convert any chances, and before half-time Dungarvan got in for their second goal leaving us with an uphill climb for the second half on a trailing score-line of 2-05 to 0-02 at the break.

Nonetheless we felt we still had a chance and straight from the resumption, aided by the stiff breeze, we knocked over 3 quick points to drag back the deficit somewhat. But Dungarvan weren't finished and their third goal hit us the hardest mid-way through the second half taking the wind out of resurgent sails. The last 15 minutes were mostly a scrappy affair, few scores were exchanged and luck was against us in our pursuit to raise a green flag. We battled right up to the last whistle but our inability to match Dungarvan goals haul meant we went down to an admittedly better team on the day. Final score-line of 3-08 to 0-07.

TEAM: JD Casey, J.Flynn, A.Walsh, J.Kiely, M.Flynn, J.Morrissey, S.Ryan, R.Bannon, J.Wall, R.Kirwan, S.Dempsey, K.Casey, N.Drohan, P.Landy, P.McGrath. Subs: M.McGrath for J.Flynn, P.Flynn for S.Ryan.

**REMAINING FIXTURES ?**

With no Championship involvement left we have ceased training for this. However players should remain aware that any outstanding league fixtures may be played in the near future. As regards the Hurling League we still await to play the 2004 final but I wouldn't hold our breath on that one. In this year's league we have won all 5 games which we played and on that record find it hard to see how we would not be a part of any Final that should take place.

In the football league a couple of home fixtures are outstanding and if played will be vital in avoiding relegation from Division 2 of the County League.

**THANKS!**

With our exit from this year's championships a few words of gratitude should be expressed for all who contributed to our year on and off the field - Players would wish to thank all Selectors in Hurling & Football with special mention for James Dalton's communication efforts. Thanks also due to the Trainers Finbar Kelly and Jimmy Beresford, in a year when it would have been easier to stay at home given the unflattering numbers turning up to training at times. Thanks to Eibhlin Drohan for providing First-Aid at matches and finally Thanks to all our sponsors throughout the year. For anyone I may have omitted, apologies and Thanks also!

**LOTTO**

The Jackpot in the club lotto continues to rise and is now at €6800. Tickets cost €1.50.

**Clashmore Win Co. U-21B Football Title**

**G.A.A. NOTES**

**BY "COMMENTATOR"**

**New Coisde na Peil**

At a recent meeting the following were appointed on to the county football committee for the year. Tom Cunningham, Stradbally, Chairman, Aiden Ahearn, Vice/chairman, Tom O'Neill, Gaultier, Secretary, Rev. Fr. Pat Moran, O.S.A., Treasurer.

The officers and committee will now liaise with the four senior county board officers in selecting a manager and selectors for the county football team. This will be announced at the November meeting of the county board.

**AWARDS COMMITTEE**

Awards committee consisting of Tom Cunningham, chairman, the divisional board representatives (3) from each side of the county, the two divisional board treasurers, and the Eastern board Vice/chairman were appointed at the last meeting of the county board to adjudicate on the annual awards and have them ready for the County Convention in December. Tom Cunningham proposed that an award should be on offer for presentation to one of the smaller clubs who might achieve something very worthwhile in the context of their limitations of numbers of players, etc., but who nevertheless could not be expected to compete for the "Club of the Year" against the bigger and stronger units. The county chairman thought this to be a good and worthwhile idea and said it would have his support. This special award will be for 'Outstanding Achievement' by a small club.

**SCOR**

Correspondence before the County Board meeting and a supporting statement by Paddy Fitzgerald on behalf of Scor clearly illustrated the serious position in which it finds itself now because of lack of interest by the clubs in the county.

Paddy Fitzgerald said the county is overflowing with talent if only clubs would go to the trouble of organising groups for the various competitions. He said that the association has a responsibility in this as they are required under rule and policy to support and promote all sides of our culture.

The county chairman asked all clubs to throw their weight behind the Scor committee and to encourage the young people with talent, to participate.

Donal O Murchu, Oifigeach Cultuiri, also spoke strongly in support.

**All Star Hurling Nominations**

Three Waterford players, Tony Brown (defender), with Seamus Prendergast and Eoin Kelly (forwards), have been nominated for All-Star awards this year. Last year we had eight nominees, with Ken McGrath, Dan Shanahan and Paul Flynn being honoured at the City West Banquet.

Both Tony Browne and Eoin Kelly have been nominated and honoured before but this is Seamus Prendergast's first, and it is a particular honour for the great Waterford and Ardmore player who hails from a football stronghold.

The banquet will be held in the City West Hotel, Dublin on Friday night November 25th but the hurling selection will be announced in advance.

**Club Manual Launched**

Munster Council Vice/Chairman Jimmy O'Gorman was present at the start of the County Board meeting last week to launch the new manual which was issued to all clubs on the night.

He described the book as the best information document ever issued to clubs and all units will find it very worthwhile. He appealed to every club committee member to read and study the book. Jimmy was into his pet subject when speaking about the role and the importance of the club and the difficulties being experienced in getting people to work on committees and do fund raising.

**NEWS BITS**

The Western Board will hold their annual convention at Lawlor's hotel on Thursday December 8th this year. This is just one week before the County Convention. Nomination papers, etc., will issue to clubs within the next couple of weeks.

## ABBEYSIDE LADIES FOOTBALL

# County 7-A-Side Champions

**ABBEYSIDE 5-5  
STRADBALLY 0-9**

Abbeyside won their first adult title on Sunday last, when they beat Stradbally to win the County Junior 7-A-Side Championship. The game started at a tremendous pace and Abbeyside opened the scoring with a well taken point from Aimee Jordan after four minutes. Abbeyside were on the scoreboard again within minutes when Clodagh McGovern slotted home a goal to finish off a fine counter-attack that had started in the back-line. A very hard working defense and mid-field of Fionna Herlihy, Angeline Kiely, Sarah Kiely, Siobhan Brackett and Racheal Lacey in goal, held a determined Stradbally side to a single point in the opening 10 minutes.

The second period saw Abbeyside extend their lead with scores from Sarah O'Brien and Kate O'Neill, after some excellent work from Maria Conroy and Bronagh O'Donovan. The third quarter saw the introduction of Clare Cosgrave and Richeal Forde in the back-line and in this critical phase of the match Abbeyside stuck to their defensive duties and made Stradbally work for every ball. Going into the last quarter Sarah Jordan and Roisin O'Neill were introduced and Abbeyside continued to push forward looking to kill-off the game. The game was finally put beyond Stradbally's reach with two well taken goals from Clodagh McGovern five minutes from the end of the game. The game ended on a score-line of Abbeyside 5-5 Stradbally 0-9.

This was a tremendous team effort and gives Abbeyside a

great confidence boost ahead of their Junior B Final match against Stradbally in two weeks time.

### JUNIOR B SEMI-FINAL Abbeyside 9-6 Dungarvan 4-5

Abbeyside took on near neighbours Dungarvan in the Junior B Semi-Final held in Aghlish under lights on Friday night last. Abbeyside were slow to get into their stride and were a goal down after five minutes from a well taken penalty from Aoife Nagle. However this was just the wake-up call that Abbeyside needed and within five minutes they had slotted home two goals of their own. By half time Abbeyside were in control of the game, going into the break 5-4 to 1-1 ahead.

In the second half Dungarvan came into the game more, scoring 3-3. However a further 4-1 from the Abbeyside forwards was enough to see the Abbeyside Ladies into the Junior B Final for the second year running, where we will meet old rivals Stradbally again.

## LADIES FOOTBALL

# Easy For Ballymac'

**BALLYMACARBRY 3-24  
ATHEA (LIMERICK) 1-6**

Ballymacarbry easily accounted for the challenge of Limerick champions Athea in the Munster Senior Semi Final at Capamore last Saturday evening and duly qualified for a tilt with Cork champions Donoughmore next Saturday. The issue was never in doubt as Athea were well beaten all over the field and never came to terms with the speed of a youthful Ballymac' side.

Athea got the best possible start, a goal by corner forward Liz Murphy after just 30 seconds but Ballymac' replied instantly and midfielder Michelle McGrath raced through the Athea defence and drove the ball to the net after 90 seconds. Marian Ryan, who had a magnificent game, kicked the first of her 10 points in the 5th minute and added another from a 40 yard free 2 minutes later.

Ballymac's defense looked a little unsure in the opening stages, indeed they were lucky not to concede a goal in the 8th minute and successive points by Louise Higgins and Liz Nash levelled the scores by the 11th minute. Then Ballymac' took over, Marian Ryan (2), Sinead Ryan, Michelle Ryan and Mairead Wall (2) all added points. Louise Higgins replied for Athea but further points by Marian Ryan and a magnificent effort by Catriona Casey gave Ballymac' a 1-11 to 1-3 interval lead.

By now the Ballymac' defence had improved considerably, Eibhlis Cooney had got the better of full forward Louise Higgins, Aine Ryan had come more into the game, Brid Whelan had a fine game, all through and the half back line of Louise Ryan, Rebecca Hallahan and Gillian Moore mopped up as Athea struggled.

The second half was one way traffic. Briefly Leanne Higgins pointed for Athea but Marian Ryan, twice from frees, Michelle Ryan and Linda Wall (2) and Marian Ryan again pointed. Athea had a point from Carla Sheehy but Claire Ryan, Sinead Ryan and Marian Ryan shot further points. Ballymac' keeper Sarah Hickey made a great save in the 48th minute and then Ballymac' broke down field and Linda Wall scored a gem of a goal.

Michelle Ryan soon added another and Michelle O'Gorman, Claire Ryan, Sinead Ryan, Mairead Wall and Marian Ryan all pointed as the game turned into target practice.

From Ballymac's point of view this was a decent performance though it has to be said that the opposition was poor. 3-24 is a good tally but they need to convert more of the goal chances they are creating. Marian Ryan was the game's outstanding player scoring 10 points, some from difficult frees. Everyone of the forwards along with midfielder Michelle McGrath and substitute Michelle O'Gorman scored, and some of the points were great efforts. Likewise the goals were well taken and the potential is certainly there.

Ballymac': Sarah Hickey, Aine Ryan, Eibhlis Cooney, Brid Whelan, Louise Ryan, Rebecca Hallahan, Gillian Moore, Marian Ryan (0-10), Michelle McGrath (1-0), Mairead Wall (0-3), Michelle Ryan (1-2), Linda Wall (1-2), Sinead Ryan (0-3), Claire Ryan (0-2), Catriona Casey (0-1). Subs Michelle O'Gorman (0-1), Aoife Reynolds, Laura Cronin, Louise Prendergast, Brid Ryan, Niamh Fahey, Stephanie Whelan.

### MUNSTER SENIOR CLUB FINAL

**Ballymacarbry v Donoughmore**

**Saturday next at 4.30 pm in Mitchelstown.**

Next Saturday Ballymac' play Donoughmore in the Munster Final. This will be a real test as Donoughmore are the reigning Munster champions, indeed they are going for 5 in a row. Last Sunday they scored an impressive tally of 2-19 against Kerry representatives St. Pat's, yet they conceded 4-10 which is a big tally to give away.

They include 4 players, Juliet Murphy, Rena Buckley, Mary O'Connor and Ashling O'Connor who played on Cork's All Ireland winning team 3 weeks ago. Mary O'Connor and Buckley were also on the Cork Camogie team so they know all about winning.

Realistically it's going to take a great effort by Ballymac' to dethrone the champions who are a very formidable side yet Ballymac' are not without hope as they contest their 21st Munster Final and they have been successful on 14 occasions.

## WESTERN MINOR HURLING CHAMPIONS

Our minor hurlers played Cappoquin in the Western final replay in Lismore on Saturday last October 15th. Twice these teams had played each other with both ending in a draw. This game was a thriller between two very evenly matched teams who gave everything on the day. Cappoquin were first to settle and led by three points before Ballyduff's first score from Patrick Kearney who was to play a major role in the game. At half time we led by eleven points with the score Ballyduff 3-7 Cappoquin 0-5 our scores coming from Patrick Kearney (2-7) and Bernard Flynn (1-0) our leading scorer in the drawn final three weeks ago.

The second half began with Cappoquin, led by their star player Paul Murray throwing everything they had at Ballyduff, clawing their way back into the game to edge ahead by one point with eight minutes left. The initiative was now with Cappoquin and it looked like they were on the road to victory. However just as they

had done three weeks ago, this Ballyduff team refused to accept defeat and responded with scores from Colm Horgan (1-0), Patrick Kearney (0-3), Shane Kearney (0-1), and Eoin Hogan (0-1), to leave the score at full time reading Ballyduff 4-12 Cappoquin 1-16.

Eddie Cunningham presented the Jim Quirke sponsored cup on behalf of Western Board to a delighted Ballyduff team captain Patrick Kearney, who had been an inspiration to his team on the day. Panel on Saturday was Adrian Power, Aidan Casey, Seamus Kenneally, Maurice McNamara, Seamus Hannon, Thomas Noonan, Shane Hannon, Eoghan Geary, Bernard Flynn, Shane Kearney, Colm Horgan, Patrick Corcoran, Patrick Kearney, and Ian Casey. Subs were Eoin Hogan for Ian Casey, Alex Noonan for Patrick Corcoran, and Ian Kenneally for Eoin Hogan.

Congratulations to all our players and to team manager Seamus Hannon and selectors Colin Keane and David Flynn. They now go on to play Passage in the County final on Saturday October 29th in Walsh

Park at 1.30pm. Thanks to all who supported the lads on the day and we look forward to having your support in Walsh Park for the county final.

## INTERMEDIATE HURLING

Our busy schedule continues next weekend when we play Dungarvan in the Western Intermediate Final in Fraher Field on Sunday October 23rd at 2.00pm. Having been beaten by Dungarvan in the league section of the championship we will have to show a big improvement if we are to win here. Best of luck to all the panel and to team manager Maurice Geary and his selectors Mossie Casey, and Paudie Prendergast. Please continue your support for the team as they have put in a lot of hard work to reach the final.

## CLUB LOTTO

The numbers drawn in last week's lotto in Lindsay's Bar were 1-13-18. There was no winner of the jackpot so next week's jackpot will be €3,500. The €30 winners were David Smith, Noreen O'Donovan, and Theresa Higgins. Next week's draw will take place in An Sibin on Tuesday October 18th.

## BEST WISHES

We would like to send best wishes to Stephen Molumphy who is in Australia with the Army team at the moment. We hope he has an enjoyable trip. Best wishes also to Seamus Hannon on his appointment as a Waterford senior hurling selector for 2006.

## TRAINING FUND

A training fund has been established for our teams, as the success of the teams below has placed an unusual, (although very welcome) financial burden on club resources. Any donation to this fund large or small would be greatly appreciated. You may contribute to this fund by contacting Eugene Flynn, David Flynn, John Jackson or indeed any club member.

### COACH TRAINING FOR UNDERAGE TEAMS GET INVOLVED

An introductory coaching training course for those who wish to participate in training and supervising our underage teams will take place on the 21st / 22nd of October.

The course (which is free of charge) is run over two evenings or one full day (Saturday) and is aimed at people who may have younger children who would like to or who are currently playing with our club.

It is our experience that children whose parents / guardians take an active role in the earlier years find it easier to settle into the team nature of our sport. We would therefore encourage people to avail of this opportunity and take an active role with the participation of their children in our underage teams.

Previous playing experience is not essential and those who are interested should contact Pat Moore or Billy Hickey or leave your name and telephone number with the school. (Scoil Mhuire, Garranbane, Scoil Garbháin).

### BEST WISHES

The Club would like to send best wishes to Reggie Dodge and Eddie Coleman. Both had been unwell of late and were hospitalised for a time. These two gentlemen are marvellous supporters of the club and not just the adult section. Reggie and Eddie regularly attend juvenile games across Waterford supporting our lads. ## C.L.G. TULACH AN IARAINN

### CLUB PAY TRIBUTE TO DENNY CUNNINGHAM

At our September meeting the club paid tribute to Vice Chairman Denny Cunningham for his long service to the club. As a player and administrator Denny has made an invaluable contribution to Tallow G.A.A. He has served us well in many capacities, including Chairman. In recent years his effort have been concentrated on maintaining and preparing the club grounds. With the development of our second playing field his work load has been doubled. This year alone over 65 games were played at our club grounds and the pitches were always ready to go, even at short notice.

When national leaders speak of the work done by G.A.A. volunteers in parishes throughout Ireland and their contribution to the social fabric of our country, they are speaking of Denny Cunningham. He is the epitome of what our organisation stands for. It is no exaggeration to say that people like Denny Cunningham, doers or

### SPONSORED BY TALLOW AREA CREDIT UNION

talkers, make the G.A.A. the great organisation it is.

He might be of the age but we won't be pensioning him off completely. Given the man's energy and enthusiasm Denny has a lot more to give the club and the community, provided he doesn't go full time on the cabaret circuit.

The club made a presentation to Denny and Theresa as a token of esteem in which both are held. We wish them well.

### TALLOW G.A.A. LOTTO Supported By Kearney's Restaurant.

10th October - Numbers drawn 5-6-16-23. No jackpot winner. Consolation prizes went to Angela Doyle, Thomas Ryan Jr, John Pratt, Triona Buckley. Promoter: Mary Buckley.

### BUIOCHAS

Sunset Sounds would like to thank all who participated in and contributed to the charity fundraiser in the Corner House

last Friday. They would also like to than Bridie Martin and staff for their help and Kearney Catering for the generous sponsorship. Over E800 was raised in aid of the premature baby unit in Waterford. Sunset Sounds organise a number of events throughout the County in aid of various worthy local causes. Keep an eye out for them in Ballyduff next.

### COMHGHAIRDEAS

Congratulations to club player John Feeney who passed out recently as a member of the Garda Síochána.

### SAME AS IT EVER WAS

Justin McCarthy and selectors were unanimously returned to office by delegates at the recent county board meeting. It would appear that all is well in the County and I am a crank.

### ALL STAR NOMINATIONS

Congratulations to our County players who received nominations. We are particularly pleased for Ardmore club man Seamus Prendergast who had a great year and deserves to go all the way.

### LAST MAN STANDING

Liam Griffin describes Christy O'Connor's book on hurling goalkeepers as 'one hell of a sports book' and it's all that. Of particular interest to Waterford readers would be the interviews with Stephen Brenner and Ray Barry and the merry-go-round of goalkeepers in the County. The book was actually completed before Clinton Hennessy was dropped into the All Ireland quarter final which would have given a further twist to an already meandering tale. Here are a few interesting quotes from the book:

### DUIRT SIAD

"He (McCarthy) could be playing mind games with me. I just don't know"

Stephen Brenner on the uncertainty of his position in 2004.

"I think myself and Growler thought we could do it and get away with it at the time. If I could turn back the clock, there's no way I would have done it. Gerald McCarthy just wasn't taking that kind of craic

no more".

Ray "Laylay" Barry reflects on the events of January '97 at the training weekend in Clonea which resulted in both being dropped from the County panel.

### JUVENILE SCENE

#### Under-11s Win Division 1 of Town and Country League

Our under 11 hurlers finished of a very successful year with a win over great rivals Lismore in the final of the Town and Country League.

Despite a sluggish start to the match by our full back line, and our ace forward Ryan Donnelly carrying an injury into the game, we managed to come out on top in a very lively encounter. While they all played their part it would only be fair to mention the performances of Kevin Daly in goal and young Patrick Curran up front. An astute move by the selectors by placing Kevin in goal released Gavin Power to play outfield and Kevin made a couple of top class saves during the match. Rumour has it that he is giving the matter some serious consideration as to making it a career positional change. I'm sure Joanne, Cyril and Meggan will support you either way

Kev.

What of Patrick Curran though. Over two years out of his depth in age terms but did he look it? Certainly not. Patrick is undoubtedly one of the brightest prospects this club has seen for years for his age and his levels of skills, application and ability to get a score when needed is second to none. Watch this space is all I say!!

Again, well done to all the boys on a great win.

### ADULT CLUB Intermediate Hurling Western Final

All roads lead to Fraher Field on Sunday evening where we take on Ballyduff Upper in the Western Final. The match is timed for 2.00 p.m. and we are hoping for another big turnout from our supporters. To be fair the players really appreciated it the last day against Colligan and a lot of "Old Timers" commented

on this.

Regarding our chances I'll let the expert analysts educate you here. All I can say is that our management team have left no stone unturned in the quest to bring this Title back to the club. The players, to the man, have made a huge effort this year and win lose or draw they are to be commended for the level of commitment they have given to the Club. We wish them all the very best and hopefully they will get there just rewards.

### WEEKLY LOTTO

No winner this week. Numbers drawn were 8, 9, 16 and 24. Two winners of €35 Teresa Daly c/o Glass Factory and Zoe Lynch c/o Jackie Lynch Glass Factory.

The Jackpot goes up to €1,200 next week.

### SYMPATHY

The Club would like to extend its sympathy to the O' Dwyer family on the recent passing of John O' Dwyer.

Under 11 League Hibs 6 v Dungarvan (A) 4. Under 13 SFAI Cup Villa 2 v Dungarvan 1 (a.e.t.)  
Junior; FAI Junior Cup Ferrybank v Dungarvan postponed.

### WEEKEND SUMMARY

Our schoolboy section took pride of place this weekend due to the junior side of the club not being in action. First up was Martin Davis squad who up to the time of the game were in 2nd place in the league to take on Hibs who lay only two places behind. Alas 3 pts eluded us on the day when we were defeated on a scoreline of 6-4. Our under 13 squad faced a big task when they hit the N25 to visit Connors Park, the home of Villa F.C. Two weeks ago both sides ended all square in the league encounter. This time around, after an awesome effort on the young blues part Villa emerged winners in controversial circumstances 2-1.

### UPCOMING FIXTURES

Sunday 23rd October. Junior: Munster Junior Cup St. Joseph's v Dungarvan at 11 am. 1st round.  
Schoolboys: Saturday 22nd October, Under 14 league: Dungarvan v Southend at 11.45 am. Under 16 League: Villa v Dungarvan at 2.30 pm.

### FAI KICKSTART COURSE

Last Friday night and Sunday all day we had the pleasure of holding the FAI Kickstart course in the club grounds in Kilrush Park. This was an ideal opportunity for any individual from any club to take the very important step of gaining more football experience. Tom Browne and co. had an excellent attendance this time around and word has it that another kickstart introductory level will take place in Tramore in the new year. Many thanks to Colin Walsh Schoolboy Secretary for his efforts to ensure all went well. Also to Fran Fraher and Seamus Hayes for participating.

### GET WELL SOON

To a great clubman of ours Francis O'Brien who is out of action at the moment having undergone a serious operation. I speak for all involved when I say that his presence will be sorely missed in our club ground. But I'm sure he will be amongst us soon enough.

### SATURDAY ACADEMY

Again last Saturday we had a good turnout for our Saturday academy with the lads doing great work. Same time, same place next Saturday.

### UNDER 13 MATCH REPORT

This game was cruelly taken away from us during extra time after an awesome effort by all this talented squad. A fair reflection by managers Alan Landers, J. Cullinane, S. Hamilton who stated that to a man we challenged everything and were devastated with losing. Christy Murphy was our scorer on the day. Full match report next week.

### DUNGARVAN UTD LOTTO

Numbers drawn 4-15-17. No winner. 25 euro winners were Ann Marie Rossiter and J. Walsh. Draw next Sunday 23rd October. Venue Beanna Leanna. Jackpot 1,900 euro.

## BALLINROAD A.F.C. NOTES – DIV. 2 REPORT

# Understrength Ballinroad Go Down To Railway

### BALLINROAD 0 RAILWAY ATH 2

Ballinroad were under pressure from the outset as the visitors laid siege on the home goal. The pressure finally paid off when they scored in the 14th minute and it took some good goal keeping, helped by wayward shooting from

the visiting forwards, to keep the score down. Ballinroad did have a good spell coming up to half time and missed a glorious chance to equalise in the 40th minute.

The second half saw the home side come more into the game and were unlucky not to equalise on a number of occasions but the game was killed off in the 75th minute when Railway scored their second goal following a counter attack. Stephen Raheer was brilliant in the home goal and is a keeper with a great future. The players on duty on Sunday gave their all but to those players who failed to show up and did not have the decency to phone the manager, my advice to them is find somewhere you can come and go as you please for you are of no use to us.

The death at the weekend of Noel Wallace, Waterford took from us a man who gave sterling service to football over many years. Through his involvement with Park Rangers and the Waterford Junior League, Noel was a gentleman and a great ambassador for football. May he rest in peace.

## An Ghaeltacht Soccer Notes

We had a very busy schedule last weekend with all four teams competing.

First into action were our U-10 team who participated in the floodlit astro-turf competition in Lismore. They played two games against Valley Rangers and Cappoquin and recorded wins in both. All the players played very well and really enjoyed themselves. Next game in this competition is Friday night at 9.30 v Ballybridge.

The panel of players were: N. O Conduin, F. O Cuirrin, J. Barron, C. McDermott, F. Kelly, B. French, L. Ronayne, D. Curran, D. Tobin, A. Wall.

On Saturday our U-12's travelled to Conna and took on the home side Valley Rangers. Valley took the lead late in the first half but midway through the second half we equalised through Jamie Barron and so that's the way it finished. A good point against a strong Valley side.

Foireann; R. Kelly, J. Barron, O. O hUllachain, L. O Cuirrin, T. Manahan, F. O Cuirrin, C. Toibin, M. Coffey, M. French, F. Power, F. Kelly. Subs used; C. McDermott, I. Sandford, I. Curran, S. McIntosh.

## MUNSTER CHAMPIONSHIP IN CO. CLARE NEXT SUNDAY

On Sunday next we head to Gurteen in Co. Clare for the first round of the Munster Championships. Waterford will field very strong teams in the inter-county section and West Waterford athletes should score well on these county teams. Those competing from U-13 up will also be looking for qualification places in the All-Ireland to be held in Sligo. ## TONY LEAGUE OFF TO A FLYING START

The first round of Tony's League sponsored by French Electrical got off to a flying start last Friday with over 50 athletes taking part. It will continue for the next 5 weeks at 4 pm in St. Augustine's College.

## CIRCUIT TRAINING, COLLIGAN RUN

We had a fine turn out of our older athletes last Tuesday night for circuit training and this will continue every Tuesday from 8-9 in the Sports Centre. A group of about 20 took to the hills in Colligan last Sunday. This was our first trip to Colligan this year and we will train there any Sunday we do not have a race. The starting whistle is at 11 am and all U-13 upwards are welcome.

## MATCHES

Our under-11 team went down 5-2 to Ballyduff last weekend, one up after ten minutes we were looking good, Philip Curran been our scorer, we held well but an injury to our keeper Andrew Kirwan was to have a big bearing on this game and with Cathal Cusack not available, we found it hard to hold possession in midfield, we went 4-1 down before Ryan Philips pulled on back with a great header. Its always great to see a kid score his first league goal, and to see the delights on their faces.

Our under-15's went down to St Paul's in Waterford last Saturday, discipline was good and hopefully when our team in back to full strength we will pick up points. Good to see Brian Fitzgerald back in action after a broken leg.

## TEAM INVOLVEMENT

When one looks at the weekly results of our teams in the leagues, you become aware that we are a club that puts more value on team involvement in sport more so than win at all costs. The future of any club is in its younger members and at the moment we have five underage teams in the leagues and a very good Saturday morning academy which caters for those from 6 to 10 year olds, both boys and girls, here is where it all begins, this is a fun group and at the moment we have over thirty children in this group. Dave Philips and Bridget Drohan look after this gang and it would do any one good just to come along on Saturday morning to see this gang in action, better still why not be part of this group. To parents we invite you to send your kids along.

## GIRLS

Last Saturday we had our first gathering of underage girls in the club. We had a mixed aged group here, so this Saturday we are setting aside time for this group at 12 noon for all girls so if you want to be involved in girls football come along. For girls involved in the under-12 team, we are playing at 10.30, so if you are staying afterwards, make sure you have something to eat with you, 12 to 1pm is the time for this group. So girls, it is up to you to make the effort, bring a friend with you.

## LOTTO

The next draw takes place in the Bally Inn this Sunday evening with a jackpot of 2600. Please support.

## NEW COACHES

We had nine participants in the FAI kick start 1 course which was held in Dungarvan last weekend. They were Edmond Lannon, Stuart Fee, Paul Forsey, Mickey Finn, Nicola Dunford, Diarmuid Mooney, Johnny Sheehan, Tommy Connors and Christopher Lawlor. Well done to all. These coaches can use their new knowledge over the coming months.

## ASTRO TURF TRAINING

### ALZHEIMER SOCIETY OF IRELAND West Waterford Home Care Service

Ann Moroney and Ray Moore both West Waterford Athletic Club athletes are taking part in the upcoming Dublin City Marathon on the October Bank Holiday Weekend in aid of the above society, your sponsorship would be much appreciated.

The West Waterford Branch Home Care Service was set up in 2001, a support group had been in the community since 1999. They have an energetic voluntary committee, and their co-ordinator is Mary Waters and four trained care assistants who provide service to between 40 and 50 families within the West Waterford community over the last four years. There are currently 76 families on their current data base for this area.

The role of the home care service is to supply trained care assistants to provide care, in the person's own home for individuals with Alzheimer's Disease and related dementias. The needs of the person with Dementia and their family, are at the centre of the service which is provided. Before a care assistant goes into the clients home, the co-ordinator Mary Waters goes into that home and does an assessment with the client and family to determine how best the service can be implemented. In this way each client and family has an individualised plan of care from the society.

The range of activities on offer are appropriate to the needs and abilities of the individual and include — Personal Care, Music Therapy, Reminiscence Therapy, Therapeutic Hand Massage. They have a person-centred approach to all dealing with client and their families. Confidentiality is assured at all times.

### WATERFORD SPORTS PARTNERSHIP 1 LAP CHALLENGE COMES TO AN END

The very successful Waterford Sports Partnership sponsored 1 lap challenge event at St. Augustine's College came to an end last Tuesday evening with yet again another large attendance of joggers and walkers taking part. The idea of the 1 lap challenge, which was hosted by West Waterford AC was to get people of all ages more aware of their of there health and well-being and to try and get those who were inactive outdoors participating in an event which would help them to become more active and to help them understand the importance of a healthier lifestyle, to this end the challenge was a great success with many taking part each Tuesday evening who mightn't otherwise have got involved in this kind of activity.

The organisers are hoping now that you will keep your good work up by coming along and maybe having a try at our Allrounder Sports Winter League which gets under way with the registration night on Wednesday next October 26th at Dungarvan Sports Centre. We hope to see as many as possible from the Friary 1 lap challenge club take up a new challenge by taking part in this league. We congratulate all who took part in the 1 lap challenge and we hope they got a great deal of enjoyment from it. Thanks especially to Rosarie Kealy and staff at Waterford Sports Partnership for their sponsorship of the challenge and for their hands on support during the running of the event. Finally to organiser Tony Ryan and Michael Tutty and all who helped in any way over the duration of the challenge a big thank you. A social evening will be held on Friday 21st October at Minnies Bar, Abbeyside, for all participants of the 1 Lap challenge and all are cordially invited to attend.

### MARATHON TIPS

#### DO'S

1. You have done your training, be determined that you will finish. Don't give up unless you have an injury. Your mind will play games but don't let it win!
2. Taper down well in the last week. It is better to go into the race under trained than over trained. In the former you can always find energy from somewhere.
3. Check out your gear carefully. Lay it out 3 or 4 days before the race. Then you know you haven't forgotten anything.
4. Have a run (gentle!) the day before the race. Two miles will not deplete your energy reserves and it will relieve any tension or any pre-race apprehension you may be having.
5. Get a good book to read the night before the race or the morning of the race. It will stop your mind dwelling on the task ahead.
6. Eat a balanced meal the night before the race. This would normally include protein, carbohydrate and some fat. A nice dessert would be fine.
7. Tape up and grease. Use anti chaffing cream between the legs, under the arms and maybe on toes, if you are blister prone.
9. Shower and soap down the morning of a marathon. It removes body oils and helps the body stay cool, which is important to prevent premature dehydration.
10. Split the race into chunks. 5 miles or 5 km's, so that you feel you are making progress.
11. Stick to an even pace you know you can finish in. Wear a watch and don't get distracted in the excitement. Don't worry about the starting line as in Dublin everyone has a chip on there shoe which will give you your exact time from starting line to finishing line.
12. Carefully plan your route and timing to the start, so you don't end up rushing or panicking. Get in your toilet call well in advance of the starting time.

#### DON'TS

1. Don't get carried away in the excitement of the start, run too fast and "die" at some stage. It is always better to be passing people after half way than be constantly over taken. Stick to your 'pace'.
2. Don't be on your feet all day the day before the race sight seeing or shopping. It's easily done at the big city events, especially if you go with a partner. Take it easy the day before.
3. Don't wear any new gear especially shoes. All of your stuff should be tested and tried in the days before the race.
4. Don't over hydrate before and during the race. You should sip water at every stop but not to excess. Never try glucose supplements if you've not used them before in training.

ONE NIGHT  
TO GO  
IN THE  
EUROSPAR  
AUTUMN  
LEAGUE

The 6th and final stage of the Eurospar Autumn League will be held at St. Augustine's College on this Thursday, October 20th at 6.30 p.m. Successful in its own right, the lead up to our Winter League has been ideal and this will commence on Wednesday, October 26th at 7.15 p.m. at the Sports Centre, Dungarvan. One of the highlights of the Eurospar League, no doubt, has been the number of one lap entries with over 60 participants in this category. Also each and every night there have been newcomers to the league, sending a message to the club that there are plenty people out there interested in starting running when activities are organised.

Our thanks to everyone who assisted in the organisation of the league each week. Special thanks to Tracey Tutty who takes the entries each week. It's nice to see someone helping their elders! Thanks again to St. Augustine's for the use of

their ideal facilities — the home of athletics.

## PRESENTATION OF PRIZES

The Eurospar League presentation of prizes and league night out will be held in Minnies on this Friday, October 21st, gathering at 9 p.m. Come along and enjoy the other side of the club. Our thanks once again to the Enright family for their generous sponsorship of the League.

## DON'T STAY AT HOME

The Autumn League is finishing but don't stay by the fire for the Winter. Our Allrounder Winter League is starting from the Sports Centre, Quanns, on Wednesday 26th of October. Registrations from 6.30 p.m. Run starting at 7.15 p.m.

## CLUB QUIZ NIGHT

All members and friends are invited to the Diplomat Bar, Abbeyside, on this coming Thursday night October 20th where a table quiz will be held in aid of the club. Tables of 3 persons, your support would be much appreciated. Starting time 9 pm sharp.

Pictured are Michelle Mullaney (2nd), Mary Cashman (1st) and Eugene Tobin (1st Man) in the Garveys Super Valu 1 lap run last Sunday at St. Augustine's College.

## Ann Dunford Has Super Run In Amsterdam Marathon

Congratulations and well done to West Waterford's Ann Dunford who was the club's sole representative at last Sunday's Amsterdam Marathon.

Ann was very well prepared for this event as was evident in her superb finishing time of 3.26.30. Watched by yours truly on web cam it was great sight to see Ann sporting her club vest coming onto the track to finish the race and crossing the line. Well done again Ann.

# Century Homes Cross Country

## An Outstanding Success

Sunday last saw the senior club's red letter Cross Country event for the year The Century Homes sponsored cross country race in aid of the Terri Fox Run for Cancer Research we are delighted with huge entry who took part on the day. Club Cross Country co-ordinator Tony Ryan and his crew had

the event superbly organised and the weather was good which helped with the success of the day. Br. Patrick is also to be thanked for his work in laying out the course. Thanks to Conor Norris who did a great job on the traffic control and to Noel O'Doherty for his timing expertise and Michael Tutty

finish line co ordinator. Our thanks also to Denise Clancy for looking after the results and Kathleen for recording at the finish. And to anyone who helped in any way much thanks. With so many helping all was ready for a top class race and that's exactly what the large gathering present witnessed, this was Cross-country running at its very best with a very large field of 135 athletes taking part.

From the gun Ballynonty athlete Sandis Bralitis who was disappointed when finishing second in last years race went into an early lead, he left nothing to chance this time round when sprinting away from the gun leading the huge field from start to finish coming home alone a clear winner. His time for the 4 laps was 24.08, which was 3 seconds inside the old record for this distance over the famed Friary course. Some 15 seconds behind was Jamie McCarthy, North Mon 24.19 with club mate of the winner Dzin-ters Klava third 24.31. West Waterford's William Rotte took the first Junior prize, Denis McCarthy, East Cork AC, claimed the over 40 category, St Senan's P. J. Dwyer, who is in flying form at present, won the over 45 category, and the over 50 went to Joe Gough West Waterford AC, proving he can do it over cross country as well as on the track.

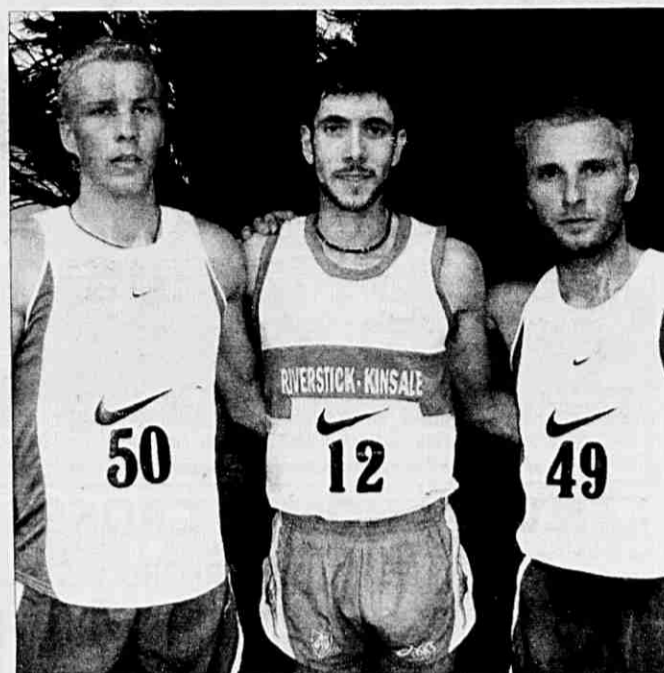

A real ding dong battle took place between these three with only a couple of seconds separating all three at the finish. However it was going to take a special effort to dethrone Behan who gave an impressive display managing to stay in front making it two wins in a row and her third in this race having also won it some years ago her time was clocked at 14.27. Second home was Cork's Angela Shine in a time of 14.32, and the game Adele Walsh a deserving third in 14.43. Nothing between these ladies as you can see from the times recorded.

Mairead Flynn, West Waterford AC, proved she is fit and well for the up coming marathon when taking the over 35 category while club mate Eibhlis Ní hAodha is back running at her best again and recorded an impressive win in the ladies over 40 category. Ann Moroney was first over 45 while Helene Hayes celebrated Ansem's Birthday in style by winning the over 50 section making it a double having also won this category last year. Joyce Curtin, Glenbower AC, won the junior girls prize.

In the handicap categories the winners were as follows, 1st 8-minute plus - Joanne Jackman; 1st 9 minutes plus - Joanne Dunford; 1st 10 minute plus was Bridget Coffey.

### DIANE BEHAN RETAINS LADIES TITLE FOR WEST WATERFORD

The ladies race was held over two laps and a great race between three athletes for that top slot was witnessed. Defending champion West Waterford's Diane Behan who was the pre race favourite, Adele Walsh, St. Senan's AC and Cork's Angela Shine.

### TEAM AWARDS

In the senior mens team awards looking firstly at the club awards, this title went to a very good East Cork AC outfit who finished second last year, they made amends this time out and were lead home by Sean McGrath 4th, Eric Meade 11th, Frank Hayes 13th and Dermot Sheehan 17th, giving them a total of 41 points. Second club team were event host club West Waterford with 47 points, Raivis Zakis 5th, Mark Lang-

ford 12th, Jason Travers 14th, and Johnny O'Connor 16th. They were well ahead of St. Senan's who were third on 81 points with Clonmel AC fourth with 158 points.

The following were the County club team winners

Cork: East Cork A.C.; Waterford: West Waterford A.C.; Tipperary: Clonmel A.C.; Kilkenny: St. Senan's A.C., while West Waterford won the ladies event for Waterford County.

The ladies club section was won by West Waterford with Diane Behan, Eibhlis Ní hAodha, Joanne Jackman and Norma Wall.

### DWYER FAMILY SHEILD GOES TO THE VILLAGE

A very cocky Dungarvan team thought that this section of the race was a foregone conclusion after their success of last year, but the Abbeyside

team captain Vincent BoBo and Johnny O'Connor 16th. They were well ahead of St. Senan's who were third on 81 points with Clonmel AC fourth with 158 points.

This was a sweet win for the village men in the area team award for the Dwyer Family Shield and a delighted team captain Bo Bo was on hand at the prize giving in the Lady Belle to replenish the lost liquids of his victories team. They were led home by Raivis Zakis 5th, Jason Travers 14th, Conor Murray 31st and Vincent Tutty 54th (104 pts). Second team were Dungarvan with the scoring team of Johnny O'Connor 16th, Martin McCarthy 23rd, Jim Fleming 34th and Ger Wyley 57th, (130 pts). Our thanks to the Dwyer family for sponsoring this competition once again this year.

### CENTURY HOMES CROSS COUNTRY

WEST WATERFORD V ST.SENAN'S

# Ryan Brothers Shield Retained By West Waterford

Coming into the final round with a good advantage the West Waterford team were always hot favourites to retain this shield, however the Kilkenny men did come in force, in fairness to them, to try and snatch the Ryan Brothers Shield from our grasp. But the eagerly awaited second round clash saw the Déise men from West Waterford pull out all the stops and showed true grit to claim another famous victory over the Cat's finishing well clear on a score line 380 to 258. Team Captain for West Waterford Jason Travers had his team well prepared for all that the Kilkenny men had to offer and his team answered the challenge in fine fashion. Well done to all concerned here and our thanks to Bill, Gerry, Adele and all our good friends at St. Senan's for travelling in great numbers last Sunday.

Thanks especially the Tony and Michael Ryan for their kind sponsorship, they sponsored a pair of running spikes, which were won by Robert Duggan, St. Senan's.

#### ONE AND TWO LAP RUN

A good number of walkers and runners took part in the one and two lap run last Sunday which was also held in aid of

the Terry Fox Cancer Research Fund and all are to be thanked for their support on the day.

BUSY TIMES**

Last Saturday morning proved a busy one at the Archive. Three items that were broken were fixed and put back in action. Three new items were put on permanent display. I suppose the most unusual of these was a fossil of a fish which measures about 4 inches long. We are told the fossil comes from Brazil and when it comes to age it's anybody's guess as fossils like this are difficult to date. They don't have a birth cert. but it is ancient. If you see it you can judge its age for yourself.

This Sunday evening Eddie Cantwell will be at the Parish office minding our new old fossil and all the other 'treasures'. It could prove a good Sunday for genealogy.

**THANKS**

We would like to say thanks to Michael Power, The Burgery, for once again coming to our aid last Saturday morning.

## DUNGARVAN MINI RUGBY NOTES

# First 2005/2006 Season Blitz

### OCTOBER 16TH 2005 WATERPARK

The first Blitz of the 2005 season that Dungarvan took part in was held in Waterpark in Waterford City on October 16th. Dungarvan had a record 98 players turn out for the event and fielded teams in the U-16, U-12, U-11, U-10, U-9 U-8 and U-7 ages groups. This was a record for the club and the first time the mini-rugby and teenage rugby had to organise full-size coaches... In fact we needed 2!!

#### UNDER 7S

The under -7s played 3 matches against Kilkenny U-7, Waterpark U-7 and Kilkenny U8B teams. The first match was lost by a narrow margin, the second match was won by an even narrower margin and the third was lost comprehensively against an under 8s team that was far better than its 'B' status indicated. The players took a little while to get to grips with their first competitive game but once they got into it, they all performed very well.

#### UNDER 8S

This season's U-8 squad got off to a flying start playing the Kilkenny U8B team. This was a tough competitive game that was reflected in Dungarvan's 2-1 victory. With only 3 training sessions under this new squad's belt the performance was good. The second game of the event was against Kilkenny U8A. Here the experience of the Kilkenny A team shows with a 5-0 defeat for Dungarvan. That being said the team performed excellently against a more experienced side.

#### UNDER 9S

The U-9s also toggled out against Waterpark and Kilkenny sides. They beat Kilkenny on a 3-0 score line and followed up with a 2-2 draw against Waterpark. Given the fact that this was the team's first competitive outing this was a tremendous result against more experienced opposition.

#### UNDER 10S

The U-10s played games against strong Waterpark and Kilkenny sides. Once again there was a mixture of seasoned and new

players. The first match against Waterpark ended in a 4-3 win for Dungarvan, which was a terrific result. The second game ended 3-5 in favour of Kilkenny who had the advantage of several extra weeks training.

#### UNDER 11S

The U-11 played two matches. One against an U-12B team and an U-11s team both from Waterpark. The Dungarvan squad largely comprised a mixture of players who were U-10 last year and several of our new players at U-12s. The first match was a competitive affair and Waterpark ran out winners 3 tries to nil. In the second match the teams were more evenly matched and the developmental Dungarvan team competed well to hold the experienced opposition to a 2-0 score line.

#### UNDER 12S

The U-12s played 2 matches. In the first match they played Waterpark U-12As. From the very first ball Dungarvan controlled this game. They put pressure on the opposition right across the field and ran out deserving winners at 4-0. In their second match they came up against a slick and well drilled Kilkenny team. Dungarvan had the best of the first half and crossed the Kilkenny line three times but could not just get the ball down to score. In the second half Kilkenny opened up and added two tries to run out winners on a 3-0 score line. Overall a great team performance.

#### UNDER 16S

The under-16's took a squad of 21 players to Waterford and played against a strong Waterpark team. They went behind very shortly into the game. Some strong words from the coach about tackling and team effort soon had good effect. Waterpark were very good at recycling the ball, which saw passages of play where they retained the ball through ten phases without scoring, a credit to the Dungarvan team. The defence from Dungarvan was excellent with some great tackling from numerous players. Despite eventually losing 25-0 the Dungarvan team played well and never let their heads drop.

## Kilmacthomas A.F.C. Notes

### STATOIL FAI JUNIOR CUP

#### Bohs 0 Kilmac 1

Kilmac travelled to premier outfit Bohs on Saturday evening last for an FAI Junior Cup floodlit fixture. The away side put in an extremely hard-working performance and battled from first minute to last. Goalkeeper David Prentice made a number of fine saves to keep the scoreline 0-0 at half-time.

In the second half there was also very little to separate the teams and, just when it appeared that the 90 minutes were going to end in stalemate, up popped Micheal Downey to score a truly fantastic winner.

Great credit must go to the team and coaches Kealon O'Neill and Murt Power for this excellent win, proving that there is nothing to fear if promotion back to the premier division is on the cards at the end

of the season.

Team — David Prentice, Niall Barry, Pa Behan (Mark Whelan), Damien O'Reilly, Pat Mulhearn, Derry Power, Bobby O'Byrne, Anthony Power, Stevie Dee (Lee Butler), Tony Kirwan, Micheal Downey. Kieran Ryan.
