## Private Detective Hired To Probe Planning Irregularities - Cllrs Claim

### Are Councillors Homes Under Surveillance? Cronin Asks

**BY KEVIN KIRRANE**  
A private detective has been hired to investigate alleged planning irregularities in Waterford County Council, two Fianna Fail county councillors have claimed.

Fianna Fail county councillor, Kevin Wilkinson, who was speaking at the November meeting of the local authority, described the development as a "sinister twist" in the long running controversy.

He and his party colleague, Cllr. Tom Cronin, called on the County Manager, Ray O'D-

wyer, to clarify who had hired the private investigator, and questioned if the home of members of staff and county councillors were under constant surveillance.

#### SUSPENDED

It comes on foot of the Garda investigation into the alleged activities of an official in Waterford County Council, who was suspended seven months ago after a number of allegations relating to planning irregularities were made. The Garda investigation is understood to

## CCTV In Millennium Park Would Set Bad Precedent

**BY KEVIN KIRRANE**  
Installation of CCTV cameras in Lismore's Millennium Park would set a bad precedent for other public spaces around the county, according to the majority of county councillors who spoke at the November meeting of the local authority.  
Fianna Fail councillor, Kevin

Wilkinson put forward a notice of motion calling for CCTV at the park after the popular amenity area was seriously vandalised a number of weeks ago.

Vandals caused thousands of euro worth of damage to lighting, the fountain, and sculptures.

After consulting with the Tidy Towns Committee and Area Engineer, Noel Healy, Cllr. Wilkinson felt CCTV would be the best solution.

Fine Gael councillor, Declan Doocey supported Cllr. Wilkinson, and went on to say that the rear of the park is exposed and

# Glanbia To Close Four Branches In Co. Waterford

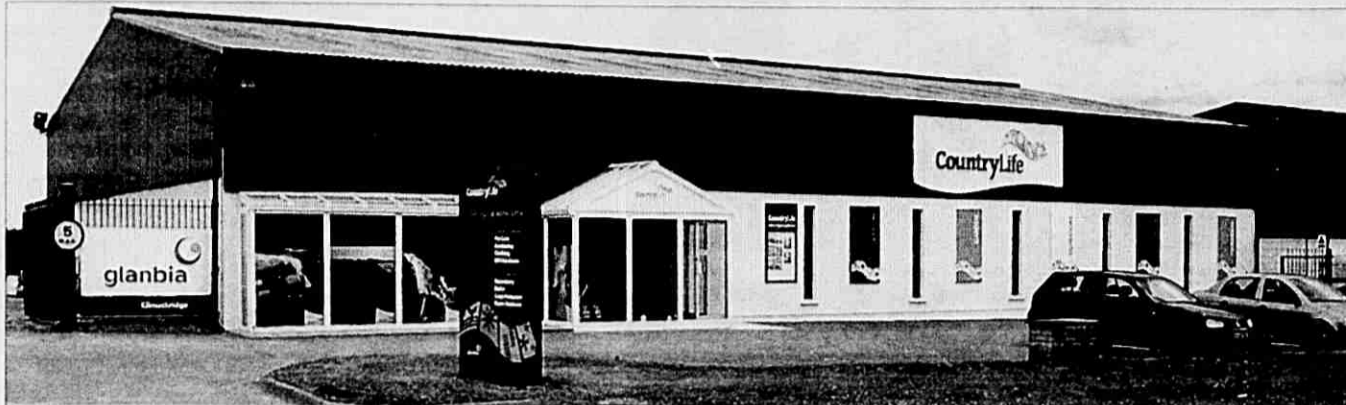

Photo of CountryLife Kilmuckridge store in Co Wexford - Glanbia's first up graded store - CountryLife will be rolled out in thirteen more locations in 2006, including Kilmeaden, Dungarvan, Gaultier and Tallow in Co Waterford.

By Kevin Kirrane

Glanbia has announced it is to close four of its branches in County Waterford as part of what it called an "ongoing strategic review and development" of its business.

The four one-man branches to close in the county are Aglish, Ballymacarbery, Ballydurn and Cullencastle. No job losses will result from the closures.

Glanbia said the decision was necessitated by the impact of the Mid Term Review of the CAP, which is having a significant impact on the structure of farming and on farm incomes.

"Farming is going through a period of significant change as a result of Mid Term Review of CAP which has meant significant change in the agri-farming

sector and this change will continue unabated into the future," said Colm Eustace, CEO Glanbia Agribusiness.

"For Glanbia Agribusiness, the net effect of this change is and will be fewer core farming customers, and reduced sales across key sectors."

Aglish customers will now be served by Cappoquin, Grange and Dungarvan branches. Both Cappoquin and Dungarvan branches have bulk feed available and Dungarvan also has a bulk fertiliser facility.

As part of the 6 million euro restructuring plan, the Dungarvan branch is being upgraded to a Country Life store.

Ballymacarbery customers will be served by the Ballinacmult Branch which has bulk

feed and fertiliser available.

Five other branches are to close in Kilkenny, Wexford and Cork with the loss of two jobs.

Mr. Eustace said that the nine branches have made a major contribution to the company over the years and he thanked all the customers and staff who have supported them.

He said that he hopes farmers and rural dwellers alike will continue to support Glanbia's extensive new service in neighbouring branches as well as on farm deliveries.

All customers in affected branch areas will have a farm delivery service and will have a Business Manager in their area, according to Mr. Eustace.

However, Michael Keane, an

elected representative on the farm advisory group, said he was the decision will damage the link between rural communities and the company.

"I am extremely disappointed that Glanbia have announced so late in the day that are closing four branches in the county.

"I am an elected representative, so are twenty others, and they gave us an assurance a few weeks ago that they would tell us before they closed any branches. We had requested that any branch that was making a profit should not be closed," Mr. Keane said.

"They are breaking the link between the farmer and rural people with the company and that can't be a good thing going forward."

## Waterford County Council 'Irresponsible' In Dealings With Ring Water

By Kevin Kirrane

The possibility of new and dependable sources for domestic water in the Ardmore area correcting long-running difficulties with the Ring and Old Parish supplies was cited by Waterford County Council engineers in their ongoing deliberations on the subject with Cllr. Fiachra O Ceilleachair, the Udaras na Gaeltachta member for the locality.

In the latest written response

to representations from Cllr. O Ceilleachair, Director of Services, John O'Flynn, said consultants will shortly report the results of geophysical investigations.

The investigations will reveal the extent and suitability of already identified groundwater reserves in Ardmore.

### TRIAL DRILLING

Earlier trial drilling has deemed these sources suitable for feeding into a planned new

supply system for Ardmore and the further examination is aimed at establishing feasibility for extension to the Gaeltacht area.

According to the county council, trial drilling for sufficient new sources within the Ring area itself, carried out last year, yielded unsatisfactory results for them.

Whereas further source investigation in Ring has now been ruled out in the Engineer's response to Cllr. O Ceilleachair, the Udaras representative says the council's "flagging of bureaucratic changes to plans" and reports to the Dept. of Environment & Local Government should they engage a supply from Ardmore is "another negative" and a "further possible delay."

### IRRESPONSIBLE

Cllr. O Ceilleachair has repeated his claim that Waterford County Council have been "irresponsible" in their approach to planning in Ring.

A previous letter in June from the Senior Engineer in the Water Services Section, stated that the "water supply for the Ring/Helvic area has and continues to be an area subject to problems in relation to both quantity and quality of water."

However, Cllr. O Ceilleachair claimed: "More recent intensive residential development - to add to the growth of the area from the 1960's onwards - has been permitted by the local authority without matching it with a sufficient water supply for households."

### NUMBER ONE ISSUE

Cllr. O Ceilleachair says water has been the "number one issue" for the community in Ring for over 20 years and is a growing concern in old Parish. The Udaras representative says the credibility of Waterford County Council as an authority in the Ring/Old Parish area is seriously compromised and his position remains that they must "correct their negligence" on

## Tannery Picks Up 5 Accolades In New Bridgestone Guide

### STRONG PERFORMANCE BY WATERFORD ESTABLISHMENTS IN BRIDGESTONE GUIDES

BY KEVIN KIRRANE

The Tannery in Dungarvan picked up no fewer than five accolades in the new Bridgestone Guides which were launched this week.

It was one of a number of West Waterford establishments, who performed strongly in the prestigious guides, among whom included Richmond House in Cappoquin, Glasha Farmhouse in Ballymacarbry and Hanora's Cottage in the Nire Valley.

The Tannery won the ultimate compliment from the McKennas (who have steered the guide through the past fifteen years) as being the destination that provided the most memorable experience for them in the past year.

"Every detail here (in the Townhouse) has been thought through to give the guest the most cocooned experience possible," the McKennas said.

The McKennas describe the Townhouse as super-cool and ultra funky. It features in their top "10 Places With Great Style" and

top "10 Places for Great Romance." The Tannery restaurant featured in three top 10 lists - top "10 Restaurants With Great Style," top "10 Restaurants for Great Value" and top "10 Restaurants that Kids will Love."

Richmond House in Cappoquin was described by the McKennas as being "on top of their game."

If getting away from it all means finding somewhere really remote and peaceful, 'Hanora's Cottage' in Ballymacarbry appeals - the McKennas certainly thought so by including it in their "10 Splendidly Remote Destinations," while Powersfield House in Dungarvan was recommended as one of their "10 Places Kids Will Love."

Also featured in the "Bridgestone 100 Best Places To Stay In Ireland" are An Bohreen and Gortnadiha of Dungarvan.

The Bridgestone 100 Best Places To Stay and Best 100 Restaurants In Ireland are published by Estragon Press at 10 euro each and are available from all good bookstores.

## Concern Over Ceasing Of Farm Plastic Waste Collections

**By Kevin Kirrane**  
Fine Gael Senator, Maurice Cummins, expressed concern over the ceasing of the Farm Plastics Recovery Scheme until next year because of insufficient funds. Raising the issue in the Seanad on behalf of Fine Gael councillor, Declan Doocey, Senator Cummins urged the Environment Minister, Noel Ahern to address the problem as quickly as possible. "The Irish Farm Film Producers Group collected 12,500 tonnes of plastic farm film from farmers in the first eight

months of this year. There is obviously a great demand from farmers for collections but the scheme has now ceased until next year because of insufficient funds," Senator Cummins said. "The volume of plastic film collected last year represents an increase of 47% on the total for 2004 and 50% above the Government agreed target for 2005. The total amount forecast of collection in 2005 is double the 2004 figure of 8,500. This is a great response from the farming community who are anxious to deal re-

sponsibly with their used film and they must be complemented on this. However, the IFFPG have exceeded their budgeting targets and have now suspended collections, which means that farmers must store waste film until collections resume. "The industry must get credit for its efforts to eliminate pollution and protect the environment and it is essential that collections resume as a matter of urgency," he said. Saying a "huge backlog" exists presently which "from an environmental viewpoint is un-

acceptable" he urged the Minister to do his utmost to get the problem sorted out in early course. In response, Minister for the Environment, Noel Ahern said his Department is aware of the specific issue raised as it is in regular contact with the IFFPG and is anxious to preserve and continue the success of the farm plastic scheme. "These discussions are continuing to explore options for improvement to the scheme and the resolution of this and other outstanding issues," Minister Ahern said.

## THE EVIL WEED?

A recent survey into recreational drug use in Ireland has found that 17% of people aged 15-64 have used cannabis at some time in their lives. 5% of these people admitted to using cannabis within the past year, with the majority being young men in the 15-35 age group. Perhaps of most concern, particularly to parents, is the discovery that most people who use cannabis start between the ages of 16 to 18 years. Cannabis (*Cannabis sativa*), which is also known as marijuana or 'weed' contains a chemical called THC (tetrahydrocannabinol) which has consciousness-altering effects. It comes from the same plant which produces hemp fibres and hemp seed oil, though these parts of the plant do not contain significant levels of THC and their use is therefore not illegal. Hemp fibre provides a useful and sustainable raw material for making rope and cloth, and hemp seed oil is a very well-balanced source of omega 3, 6 and 9 essential fatty acids. Cannabis itself is most commonly available as a dried herb or as a block formed from the resin of the plant. It is usually smoked, sometimes in combination with tobacco, but it can also be eaten. In addition to these more natural forms of the herb, much more potent preparations are sometimes sold. These include varieties such as 'skunk' which have been genetically modified or grown under intense light and heat, and highly concentrated extracts of the plant such as THC oil. There has been much debate over the years as to whether the use of cannabis should continue to be prohibited. Those who support the idea of legalising the drug claim that it is safe and non-addictive, that it is less harmful than other legal drugs (such as alcohol and cigarettes), and that it is actually beneficial in some cases. On the other side of the argument are those who believe that it is a harmful substance which can lead users to progress to even more dangerous illicit drugs. As a herbalist I view cannabis as a medicinal herb like any other. It could be extremely useful in the treatment of a number of conditions if its use for medical purposes were permitted. For example, it controls pain and muscle spasm in very severe cases of arthritis, it relieves the effects of nervous system dysfunction in people with

multiple sclerosis, and it prevents nausea and wasting in people suffering from cancer. Its usefulness in these particularly severe conditions is testimony to the fact that it is indeed a powerful drug, but serious conditions call for serious measures. Cannabis may be a very useful medicine in certain cases, but just like any other powerful medicine, it is not something which is suitable for casual or recreational use. Long term regular use can lead to depression, lack of motivation, and impairment of memory and concentration. In some people it can also lead to paranoia and hallucinations, or even trigger a more serious mental illness. It is most concerning that the majority of people who use cannabis are young men, since young men are more likely to develop a mental illness (such as schizophrenia) or to attempt suicide than young women or those in other age groups. While cannabis is not physically addictive in the same way as some other drugs, people who use it regularly can develop a psychological dependence which can be very difficult to overcome. Of course the fact that cannabis is an illegal substance is also likely to bring users into contact with individuals who deal in more harmful illegal drugs as well. If you a parent and you are concerned about your children using cannabis it is important to talk to them openly about the dangers associated with this particular drug. Most young people who use cannabis do not view it as being in the same league as other drugs, and they are unlikely to heed general warnings about the dangers of drug use. However, if you are well informed about the drug itself and the arguments for and against its use, they may be more likely to listen to and respect your advice. ## i-to-i's Tsunami Relief IRISH AID UPDATE ONE YEAR ON

The Asian Tsunami, caused by one of the biggest earthquakes ever, hit the small island of Sri Lanka and everything on its way was reduced to mere rubble. Its coastline was in full of destruction, tens of thousands of people died; many more were injured; and more than a million were homeless. The whole country was in shock, however nearly twelve months on with the aid of Irish volunteers Sri Lanka is rebuilding itself.

Over the past year i-to-i, a leading specialist in international volunteer projects, set up projects to assist the communities along Sri Lanka's western and southern coast. The objective of the projects was to work with local people to help clear the massive amounts of debris on the beaches in and around the affected areas, as well as providing communities with basic English teaching, entertainment and general support to affected families.

Jenny Beresford from County Waterford volunteered two weeks for January where she worked with children in the refugee camps. "Though many of the children had lost their homes and loved ones each day I was greeted with smiles. Their optimism was so inspiring and I only hope that I impacted as positively on their lives as much they have on mine".

Although recovery efforts are somewhat delayed in bureaucracy, i-to-i and the Helping Hand Foundation are still helping in the long-term recovery efforts where possible. As to date, recent activities have included:

- planting over 100 new 'King coconut' trees to provide a breakwater to any new tsunami and to nourish the local people
- building a shaded classroom so that children can receive lessons
- renovating a damaged building to be used by local people for cottage industries

Cleared over 150 miles of debris filled coastline

Also, paying for essential work tools, excavators, rubbish clearing transportation, essential medical supplies for the medical camp, volunteer transport, and water for the teams operating in heat.

Next time you find your self watching footage on TV and think if only there was something I can do, well now there is. i-to-i offers projects in over 25 countries and if the Tsunami Relief project does not appeal to you, you don't have to miss out on an adventure of a life time. There are other conservation projects as well as community projects and humanitarian tours for every kind of adventure. For more information on working and living within communities in need of your skills call i-to-i on 058 40500 or visit i-to-i.com.

# Fr. Pat Moran & John Treacy Win National Merit Awards

BY KEVIN KIRrane

Fr. Pat Moran, the former principal of St. Augustine's College, Dungarvan, and Villierstown's most famous son, John Treacy, were both honoured at the 2005 Nestlé Kit Kat Tailteann 'Ideal' Merit Awards on Saturday night last.

An Taoiseach, Bertie Ahern made the presentations at a celebration banquet at the Clarion Hotel, Dublin Airport in recognition of their dedicated and outstanding contribution to Irish Schools' Athletics and in particular to Nestlé Kit Kat Irish Schools' Tailteann Athletics.

### FR. PAT MORAN

Fr. Pat Moran, the recently retired Principal of St. Augustines College, Dungarvan, was born in the parish of Ballybacon/Grange in South Tipperary, and received his early education in the local national school.

He arrived in Dungarvan in August 1972 as a teacher in the college on its new campus at Duckspool. Within five years, he was asked to accept the great responsibility of what was then, and for many years after, a boarding school with 200 residential students as well as another three hundred day boys.

### PRINCIPAL

Fr. Pat would go on to serve a record twenty-eight years as Principal of the College, overseeing its smooth transition to a co-ed school and welcoming an ever-growing enrolment of girls, in whom he saw educational, sporting and social potential.

Fr. Pat Moran is the ultimate sportsman, having played a variety of games in his younger days; he made the successful transition to coach, mentor and administrator, roles he contin-

An Taoiseach Bertie Ahern TD presents a Nestlé Kit Kat Tailteann 'Ideal' Merit Award to Fr Pat Moran, OSA, a native of Ballybacon/Grange South Tipperary, and former Principal, St Augustine's College, Dungarvan at a ceremony in the Clarion Hotel, Dublin Airport. ues to the present day.

He has facilitated the provision of sports facilities in the college which are second to none and which are the envy of many. It is hardly a surprise that the students of St. Augustine's under their various coaches have regularly swept the boards at national and international competitions. Just a few weeks ago, a team of twenty students won the international superschools tournament in Nottingham for the third time since 1997, with two runner-up spots along the way as well.

### SPORTING

He was also instrumental in setting up the County's Sports Award Scheme and played a central role in setting up the Waterford Sports Partnership,

which in its years to date, has helped to streamline and source practical assistance and funding for new and established sports.

The assessment of any individual's contribution to the community during a lifetime is in whether it has made a difference to the lives of the people. In Fr. Moran's case his contribution has been exceptional and the legacy he has established to date will bear fruit long into the future.

In his so-called retirement, the best may yet be to come, but either way, the citation for his nomination said, we know that as long as there is life in his limbs, Fr. Pat will be doing something positive to improve the lot and the opportunity of others.

### JOHN TREACY

The citation for John Treacy's award, said: When John Treacy started out from Villierstown on the athletics career which would make him an international celebrity, there wasn't a lot of local expertise available in the early 1970's to help him bring his dreams to reality.

It's true that Waterford has a proud tradition in Irish sport for some of the greatest hurlers in the game came from that part of the country and for close on ten years, beginning in the mid 1960's, the most successful club in League of Ireland football was based in the city.

But essentially, John was venturing into unknown territory when, together with older brother, Ray and another accomplished young runner, Gerry Deegan, he sought to push out the parameters of sport in the region. The measure of his success is that, before he put away his spikes for good, Villierstown had become synonymous with Irish long distance running.

### TALENT

A major component of success in sport is not just natural ability but the ambition and commitment to nurture that God given talent. In each instance, the lad from Villierstown was wholly responsive to

John Treacy

discharging that obligation.

His ability first shone through in the Munster schools competition and later the Irish schools championships. But it was not until the World Cross Country Championships in 1975 that his emerging talent began to be recognised aboard by finishing third in a junior race that included many athletes destined to make their names at senior level.

He repeated the achievement a year later, showing what a precious nugget had been unearthed. Just how precious would be discovered two years later in 1979 when John, by now a highly respected athlete with Providence in American collegiate competition, competed in the World Cross Country Championships.

### VICTORY

His victory across the Limerick course becoming one of the great Irish success stories.

In 1980, he finished seventh in the final of the 5,000-m in the Moscow Olympics.

Yet almost certainly, the event, which identified the Waterford man on a global stage, was the 1984 Olympic Marathon championship in Los Angeles. Before he set down in California, he had never a competitive marathon and a sub standard 10,000 metres run during the opening week of the games, scarcely hinted at the heroics to come when he, overcame the odds, to collect the silver medal.

## Dungarvan Dramatic Club

The club's production of John Banville's "The Broken Jug" will run in Dungarvan Courthouse this week from Wednesday 16th to Saturday 19th November (8 pm nightly). For those of you who have not been in court before (and who hope not to have another reason to return in the future!) this case, set in 1850's Ireland, will provide a valid excuse to see the long arm of the law in action - things aren't done quite as they would be nowadays, but that might have something to do with Judge Adam's unorthodox ways!

Local lad, Robert Temple tries desperately to refute allegations, made by Martha Reck, that he broke her precious jug (and perhaps more!), but his case is not helped by Eve Reck's ulterior motives. Judge Adam, suffering the effects of a rough night, is keen to see this case closed, but his motives in this regard come under suspicion and even his "movements" are questioned.

Sir Walter Peel, visiting court inspector, tries to make sure that everything runs as it should, but Lynch, Judge Adam's clerk, doesn't help his

employers case much by using every opportunity to curry favour with the visitor. Come along to Dungarvan Courthouse to find out how the case concludes - an entertaining night is guaranteed!

The cast of 11 includes a large number of new members, some of whom will be treading the boards for the first time. Margaret Dennehy, a club member of long-standing, is directing, and Des Feeney, Club President, is Stage Manager. Siobhan Buckley is co-ordinating the large front-of-house team. To book call 087-6827186. Seating is limited, so advance booking is recommended.

### Play Writing Workshop

Don't forget, the Play Writing workshops by Jim Daly take place Sat 26th November and Sat 03rd December in Dungarvan CBS Hall from 2 - 4 pm. This is suited to anyone aged 15 and over (no maximum age). Places are limited, so please call 086-1595213 to book. The cost is €20 and this covers the two days.

Century Homes, Europe's largest timber frame home manufacturer, has been awarded a Presidential Citation from the Chambers of Commerce of Ireland for the consistent support the company has given the local community in Dungarvan.

Chief Executive Gerry McCaughey said: "I am delighted that the positive contribution made by the staff and management of Century Homes to a wide range of groups, clubs and organisations in Dungarvan has been recognised by this award."

"Since the company was formed we took a conscious decision to enrich the local area in whatever small way we could, and I am thrilled that our contribution has been recognised by this award," he added.

Speaking at the ceremony, CCI President Robin O'Sullivan said: "My fellow judges and I were all struck by the richness and the diversity of efforts by the Irish business community—large indigenous, multinational and SME—to roll out thriving and unique CSR activities designed to contribute to the improvement of all of our lives in both the business context and in the wider environment in which we live."

The Chamber of Commerce of Ireland's President's Awards for CSR were established in 2004 to recognise the work being carried out by small, medium and large Irish and multinational companies to improve the lives of their employees and to enhance the civic environment in which they operate.

Century Homes was established in 1990. It is the biggest timber-frame manufacturing company in Europe. The company currently employs 560 in plants in Dungarvan, Monaghan, Longford, Cardiff, Newcastle and a sales and engineering office in London.

# ARD SCOIL NEWS

## T.Y. News

This week our T.Y. students begin their fortnights work experience in a variety of different placements. We thank all the employers in the town who give the girls the opportunity to savour a taste of the "real" world.

In the past few weeks they have, as usual, been very busy. With cake sales they raised €300 for the West Waterford Hospice. On Tuesday last week they had a Manual Handling training day where they were taught valuable lessons for Health and Safety in the workplace. Thank you to Liam Moore of Honeywell Systems and Engines for sponsoring and running this course.

Last Wednesday afternoon they enjoyed a table Quiz with their friends from C.B.S Transition Year. Our supreme M.C. Mr. Tommy Collins kept the show moving at a smart pace.

First team: Denise Conway, Laura Carthy, Lorna Whelan and Eoin Stack.

Second team: Elma Nugent, Shona Curran, Emer Scanlon and Des Sheehan.

## Pakistan Earthquake Fundraiser

On Friday October 28th, Mrs. O'Brien's second year C.S.P.E class organised a Halloween disco to raise funds for the victims of the Pakistan Earthquake. Mrs. O'Brien, helped by T.Y. students, decorated the Junior Hall in suitable ghostly fashion. Guest D.J. Mr. Keith Mason, ensured that good music kept the party going and a fun occasion raised €250 for this charity.

## Concern Debates

On Tuesday night our debate team, Ciara, Aoife, Grace and Clodna travel to Loreto in Youghal to contest the next round of these debates. More news next week.

## Share a Dream

Recently T.Y. student Lorna Daly enjoyed a wonderful trip to Dublin thanks to The Share a Dream Foundation. Principal, Mrs. Angela Conway, had nominated her for this last year. Lorna wrote this account of her trip.

On Friday October 21st while the rest of my class were gone to Ballymaloe, Eileen and I were helping 1st years to paint. It's not that we were being punished but we had to go somewhere special for the weekend in a very special way! We were going to Dublin shopping for the weekend in a limo! My three friends, my mam, dad and my brother and sister and of course, me! I couldn't believe it was coming so soon, something that I had been waiting ages for was happening today. We finished school at 1 o'clock and went home to get ready. We attracted a big crowd (as you would with a limo). Joe, our limo driver arrived; he was really nice and even stopped at McDonalds for us. Then we waved goodbye to everyone and soon we were pulling into Jury's Inn in style. The hotel was beautiful. On Friday night I met Aine the girl from "Make a wish" who was making my wish come true. Then we had a good night's sleep to prepare for our shopping the next day. We left the hotel at 11 o'clock in the limo and saw Colin Farrell's

house on the way into the city.

At half eleven we hit Dundrum shopping centre. At 5 o'clock we had a shopping trolley full of bags with us. We were collected and brought back to the hotel to get ready for our meal that night at TGI Fridays. The meal was really delicious and we got back to the hotel at about 10 o'clock and were planning to stay awake all night but ordered a film and fell asleep half way through it. Sunday at 3 o'clock we were home again. I can't believe something that seemed so long coming was gone and all over! It was the best weekend of my life and will never ever forget it.

## Sports

On Tuesday the 25th Oct last, the Munster Schoolgirls hockey league moved into gear for yet another season. The Ard Scoil U16 Junior team lined out against the Friary.

From the whistle, the game proved competitive and each team fought to gain possession. Positive and determined play saw the Ard Scoil take the match, winning by 2-0 with two well deserved goals gained out of good team play and superb strikes from Kerri Power and Aine Lynch.

With play such as this, this new team have proven themselves and will grow from this.

## SOUTH EAST HOCKEY LEAGUE

Inter 'A': St. Declan's 4 Ursuline 3

2nd Year 'A': St. Declan's 1 Ursuline 0

O'Connell sisters score 4 for St. Declan's

We played two very competitive games on Wednesday away to the Ursuline. Our second years played skilful Ursuline side. Both teams were equally as good but St. Declan's scored from a well rehearsed short corner with a strike from Nathalie Browne. Player of the match: Laura Griffin.

Panel: S. Fitzgerald, N. Browne, O. Kelly, S. Power, L. Behan, L. Behan, L. Griffin, H. Keating, B. Murphy, K. O'Brien, L. Dunphy, G. Aherne, J. Béhal.

Our Intermediates played a very exciting 60 mins with 7 goals between both. St. Declan's scored 2 goals within 5 mins with Andrea O'Connell scoring all thanks from cross from Debbie Kirwan on the right wing. The second goal again came from play between Grainne Hayes, Katie Power and Debbie Kirwan. The Ursuline retaliated back with two fine goals. Joyce Lawlor played her usual style not putting a foot wrong and always in possession set up Andrea O'Connell for her hat-trick. Ursuline equalised shortly after making it a very exciting game but Lisa Power, Jenny Murphy and Lisa Keane worked endlessly to produce our fourth goal with Nathalie O'Connell finding the net.

Panel: S. Fitzgerald, J. Lawlor, J. Murphy, L. Power, K. Power, N. O'Connell, A. O'Connell, G. Hayes, D. Kirwan, L. Keane, R. Daly, S. Hearne, D. Tyrrell.

# Primary School Bus Involved In Accident

BY KEVIN KIRrane

A number of primary school children were left shocked and shaken but unhurt after a school bus they were passengers on was involved in a two vehicle collision.

The accident occurred at around 9am on Friday morning at Killishal Cross, Ballylemon, midway between Cappagh and Master McGrath cross on the Dungarvan to Cappoquin main road, when a pick-up truck collided into the rear of the schoolbus as the bus was collecting school children on its normal morning route.

A number of school children, who are all

pupils of Ballinameela National School, were on the bus at the time. However, none of the children received any injuries as a result of the accident.

The driver of the pick-up truck did receive injuries in the accident. He was taken to Waterford Regional Hospital where he was treated for his injuries.

The main Dungarvan-to-Cappoquin road was closed for an hour, and diversions were in operation while debris was removed and the road made safe.

Gardai in Dungarvan have launched an investigation into the accident, and appealed for witnesses to contact them at 058-42370.

# Private Detective Hired To Probe Planning Irregularities

(Continued from Front Page)

be still underway.

However, Cllr. Wilkinson said it's now come to light that a private detective has been hired.

"This is a very sinister twist," he added, "and I want to know if the county council has hired the services of this investigator."

Cllr. Tom Cronin also demanded answers as to who had hired the investigator.

He said: "We want to know, as elected representatives, are our homes under surveillance. Is this person parked outside our front doors, watching our every move?"

He said the information was not heresy and he had the name of the investigator in question.

### WATCHING

"Who is watching us, where is this person coming from? Are they coming from the council or where?" Cllr. Ciaran O Riain, also of FF, asked.

County Manager, Ray O'Dwyer said he would not make any comment until the Garda investigation has been completed. But, he assured the elected

members that the county council has not employed "any investigator to investigate anything."

He refused to answer further questions as to when the original allegations were made or whether they were verbal or written, or whether the member of staff was suspended on foot of verbal or written allegations.

### ASSURED

While Cllr. Wilkinson said he was "very reassured" that the private investigator was not hired by Waterford County Council, he was strongly criticised for raising the matter at a public meeting.

Labour councillor, Billy Kyne said he was "appalled" at the way the issue was raised.

"If Cllr. Wilkinson wanted to know what the position was, then he should have taken it up privately with the manager prior to the meeting," he said. He also called on the two councillors to make clear where there information came from and who the investigator is.

### ALLEGATIONS

Cllr. Ann Marie Power said: "It's not good enough to make

those type of allegations at a public meeting without substantiating them."

Fine Gael councillor Damien Geoghegan said their concerns about a private detective were laughable.

### FLABBERGASTED

Responding to a comment from Cllr. Wilkinson in which he suggested some Fine Gael members had made allegations in relation to planning irregularities in the past, Cllr. Geoghegan said: "I can only assume that Cllr. Wilkinson is referring to me and the fact that I asked questions about the Garda investigation into planning irregularities."

"What I would say is that I am flabbergasted at the fact that they are talking now about private detectives and being under surveillance."

"That is laughable to be quite frank about it. What I would welcome is the fact that Cllr. Cronin has finally woken up and started to ask questions in here about that Garda investigation."

# New Public Lighting For Tallow Welcomed

BY KEVIN KIRrane

Fianna Fail county councillor, James Tobin, has welcomed the provision of new public street lighting in Tallow.

Cllr. Tobin, who has lobbied for new public lighting for the past three years along the stretch of road from the bridge into the town, thanked the ESB and the council engineers for agreeing to put this in place.

He said it would be of great benefit to the town as the dark winter evening close in, especially for those who need to walk this stretch of road in the evenings and especially for senior citizens.

# Cloneety Flooding Not A Serious Problem

- Co. Engineer Says

BY KEVIN KIRrane

County Engineer, John O'Flynn quashed hopes of a quick resolution to the problem of flooding at Cloneety in Dungarvan.

Mr. O'Flynn said flooding in the area is not serious in comparison with other areas of the town.

Replying to a question from Labour councillor, Teresa Wright, who was previously informed the problem would be fixed, Mr. O'Flynn said the only solution to the problem is to connect the drains up to the sewerage system.

However, he said it was "undesirable" to pump rainwater from Cloneety through the wastewater treatment system.

Cllr. Wright insisted that the problem was a serious one, and both sides of the road were flooded again that weekend. She went on to say that it was more important than ever to fix the problem as the new road is set to open as well as the new housing scheme.

When she said she had been informed that work would be carried out, Mr. O'Flynn replied: "You weren't told that by me."

# Appeal To Drivers To Slow Down

- Cllr O RIain

BY KEVIN KIRrane

A Fianna Fail county councillor has appealed to drivers to take more care, obey the speed limits and slow down on the county's roads.

In an appeal made at the November meeting of the county council, Cllr. Ciaran O Riain said enforcement and legislation can only achieve so much. It is up to the motorists themselves to take more care, and behave in a way that would assure their safety and the safety of other road users.

"Otherwise, this state of carnage on our roads is only going to continue," the Nire representative added.

Director of Services, John O'Flynn said recent legislation has reduced the speed limits on the majority of the county's road network. Most of the roads which were 100km/h are now 80km/h.

To change speed limits on a stretch of road requires byelaws to be brought in after a period of public consultation, he went on to say.

However, he said the county council was carrying out a review of speed limits across the entire county and the completed byelaws will be presented for consultation with the Garda and the public.

He said there has been a delay in doing so at the moment, because the person who was responsible for overseeing the review was otherwise occupied.

# CCTV In Millennium Park Would Set Bad Precedent

(continued from front page)

should be closed off to prevent access at night.

However, Cllr. Wilkinson's motion met with stinging criticism from several other members of the county council.

Fine Gael party whip, Cllr. Paudie Coffey said if the Government had delivered the promised 2,000 extra Gardaí there wouldn't be any need to install CCTV cameras. He also warned that it would set a dangerous precedent when problems occur in any open public space around the county.

Labour Cllr. Billy Kyne questioned who would pay for its installation, and "more impor-

tantly" who would monitor the CCTV.

Director of Services, John O'Flynn said the installation of CCTV equipment would cost around 6,000 to 7,000 euros, and agreed it would set a precedent for every public space in the county.

"I'm a bit puzzled by people raising the cost of installing CCTV," Cllr. Wilkinson said. "Surely when you look at the cost of the damage which was in the thousands, it makes sense. I think it is a shame that we would have to go to the extent of putting in CCTV but I think it is a measure which is well worth pursuing."

# RECENT DEATHS

## LATE SEAN O'BRIEN

The passing at Dunabney House on Wednesday 9th November of Sean O'Brien, formerly of Sheare's St., Abbeyside evoked feelings of regret and sorrow throughout the locality. Brother of Seamus Central Council GAA, Sean himself donned the colours of Dun na Mainstreach in his younger days, captaining the sides to Junior Championship glory. The presence of so many followers of Gaeldom at his funeral and the guard of honour provided by Abbeyside/Ballinacourty were tributes richly deserved. Sean's removal took place on Thursday evening from the Kiely Funeral Home to St. Augustine's Church, Abbeyside. Following funeral Mass on Friday morning the interment followed in the adjoining cemetery. Our thoughts are with his brother Seamus, nephews, nieces, other relatives and friends at this time.

## LATE TOM POWER

With feelings of great sadness and regret we learned of the passing of Tom Power, The Hill, Kilmacthomas at Ballinasloe Hospital on Sunday last. Husband of the late Ann (nee Walsh) both were very well known in the horse and greyhound world. Reposing at the Kiely Funeral Home, the removal took place on Tuesday evening to Newtown Church, Kilmacthomas. Funeral Mass

will be celebrated this Wednesday at 12 noon, interment afterwards in the adjoining cemetery.

We offer our deepest sympathies to sons Peter, John, Michael and Killian, daughters Bernie Queally, Marie Roche and Aine McNally, his sons-in-law, daughters-in-law, grandchildren, brother, Pat, sisters Kitsey and Anna, brothers-in-law, sisters-in-law, nephews, nieces, other relatives and friends.

## LATE JIM CORBETT

A deep sadness descended over the village of Stradbally on Saturday night, 29th October with the sudden passing of Jim Corbett.

Jim, a native of Stradbally was a well known and respect-

ed man and was held in high esteem by all who had the pleasure of his acquaintance. He spent many happy years with his wife Sheila in their home "Star of the Sea" overlooking the picturesque cove of Ballyvooney. Jim worked for several years as an excavator driver for the land reclamation project in Waterford and Cork and during the 70's he was an operator for Quigley Magnesite in Ballinacourty.

A talented man in many ways Jim went on from here to start his own building and renovating business and had only recently retired. Jim took great pride in his work, to him if a job was worth doing it was worth doing right. He had a great community spirit and was involved in several community projects through the years such as the renovation and conversion of the old boy's school into what is now known as the Barron Hall. He was also involved in the revival of handball in the area. Always willing to help out Jim could often be seen lending a hand to the tidy towns committee or in the church whenever it was needed.

An ardent football and hurling fan Jim never missed an opportunity to support the local football team or the county hurling team and was really looking forward to the upcoming county final. Jim had a great love of machinery and had an extensive collection of photographs and machines which he had gathered over the years and delighted in showing them and having a chat to anyone who held a similar interest. In his younger years he enjoyed walking the cliffs along the local coves with his brothers Bill and Pat. He also had a great love of Irish music and was involved in Comhaltas for many years.

His remains were removed from his residence on the evening of November 1st and were received and blessed by his nephew Fr. Joe Corbett who had travelled from Atlanta U.S.A. to be with his family on this sad occasion. He was assisted by Fr. Tom Whelan C.S.Sp., a family friend and Fr. Michael Enright P.P. Requiem Mass was celebrated on Wednesday, 2nd November by Fr. Joe Corbett, Fr. Enright and Fr. Jim Griffin who was a curate in the parish for a number of years and a great friend to Jim. The readings were shared by Eoin and Siobhan Corbett and the Prayers of the Faithful were recited by Michelle Jones, Declan McGrath, Nichola Mulcahy and Siobhan Corbett. At the Offertory Liam Corbett brought forward a trowel and Declan McGrath brought a measuring tape to signify Jim's life as a tradesman. The water and wine were brought by Rosie Corbett and Triona Tobin. The choir with Mary Dunphy at the organ sang throughout the Mass. Burial took place in the adjoining cemetery where Jim was laid to rest with his parents, William and Josephine. A large number of sympathisers braved the terrible weather to pay their respects to a wonderful man and a true friend who

will be sadly missed.

Jim is survived by his wife Sheila, brother Pat, brothers-in-law Patrick and John, sisters-in-law Catherine, Breda and Margaret, nieces and nephews, extended relatives and friends.

His Months Mind Mass will be celebrated at 7.30 pm on Wednesday, December 7th at the Holy Cross Church, Stradbally.

To his parents Liam and Gene, brother, sisters, relatives and friends we extend our deepest sympathy.

## LATE ALICE WALSH (NEE TOBIN)

It is with feelings of sincere regret and sadness we record the passing of Alice Walsh (nee Tobin), Croughateskin, Ballymacarby which sad event occurred on 7th November at her home. On Tuesday evening removal took place from her daughters home, Reanadampaun, Ballymacarby to St. Mary's Church, Touraneena. On Wednesday morning following funeral Mass celebrated by Fr. C. Kelleher P.P. burial took place in the adjoining cemetery, where Alice was laid to rest in the presence of a large cortege of mourners. May she rest in peace.

We extend our deepest sympathy to her husband John, son Pat, daughter Kelly, brothers Johnny and Paddy, sisters Kathleen and Biddy, daughter-in-law Ailbhe, son-in-law Brian, grandchildren Eoin and Cathal, brothers-in-law, sisters-in-law, nephews, nieces, relatives and friends. # Soroptimist's 25th Exhibition "The Best Yet"

The 25th Annual Art and Craft Exhibition and Sale was held last week in Lawlor's Hotel and proved to be the best yet by far. Dungarvan President, Mrs. Ann Stearn said she and her fellow members were thrilled by the success of the event, the increased number of artists and crafts-people exhibiting and the continued increase in the numbers of the public attending.

"The success of an event such as this is measured in sales and the degree of happiness of the various exhibitors," she said, "and by that yardstick, 2005 has to have been the best event yet." There were almost 250 paintings on display, a record entry, while there were craft exhibits in ceramics, woodturning, jewellery, cards, quilting, resin and wood products, as well as an extensive array of Christmas goods.

On Tuesday night, the National President of Soroptimist International, Ireland, Anne Jackson from the Cork Club, came to perform the Official Opening and was greatly impressed by the extent of the exhibition. She was warmly welcomed by the local President, Anne Stearn who acknowledged that this was Ms. Jackson's first official engagement as National President.

"This Exhibition was one of the first projects undertaken by our Club," she said, "and over the years it has raised very substantial monies for local charities while also providing an opportunity for artists and craftspeople to display their talents. Quite a few of our ex-

hibiting artists have gone on to national and international fame and we are delighted to be associated with their success."

In her address to the assembled public as well as the members of the local Soroptimist Club and the various exhibitors, the National President said that she was 'honoured, privileged and delighted to be present at the official opening of the Dungarvan Soroptimists Arts and Crafts'.

"I sincerely congratulate you on achieving twenty-five wonderful years of Soroptimism. This is not my first visit to Dungarvan however, as it was only some weeks ago I spent a lovely day with you celebrating your 25th Anniversary Lunch.

"Soroptimists can accomplish many things together," continued Ms. Jackson, "and this starts as an acorn at local level and tonight is one of the finest examples of this. Here we have a group of volunteers, who through their dedication, perseverance and very hard work year after year, plan, organise and produce this lovely colourful, sociable, worthwhile event which I'm sure not only brings great satisfaction to those organising it, but which also draws the Community together in a spirit of Service and Friendship. But best of all the proceeds of this Fair will benefit the many Charities locally. Such is the power of Sorop-

tomism - such are the end product results - a witness of our Soroptimists unity and work. I congratulate you, President Ann and all you club members," she concluded.

The Exhibition continued through the week and was generally blessed with good weather. The raffle for the paintings by Rayleen and Blawnin Clancy as well as prizes donated by Pat Whyte of Eason, Dungarvan and David Walsh, Office and School supplies were won by: Sr. Monica O'Sullivan, Blackrock Court; Doreen Keane, Pinewood Lawn; Mgt. Kavanagh, Pinewood Lawn and Gemma Meehan, Ballinacourty.

### KILL HARRIERS

The Kill Harriers had their annual meet of the season in Kill on Sunday morning last, and their was a great turn out of horses and riders. Each animal looking more exquisite than the other. After the usual ceremonies in the village, the hunt moved off in the direction of Ballinlough and ballvoholaune where horses and riders had a most exciting day with lots of runs involved. There were no foxes killed during the hunt which makes it more enjoyable for everyone all around. Lots of new members have also joined up in the sport and as one of the main huntsmen explained to me recently it is not all about the hunt itself, it's about the preparation and preparing of ponies and horses and understanding them. It also gives great confidence to younger members who are starting out. Best wishes to all the huntsmen and hopefully you will all stay safe while enjoying the sport.

### CONRATULATIONS

To Donal and Nora Flynn and family who are after taking up residence at their new home in Kilbeg. Wishing them long life and happiness.

### KILL GAA

Best wishes to the Kill Intermediate Football Team who will play de La Salle over the weekend in the replay. Your support would be greatly appreciated. Best of luck lads.

### NEW THEATRE

Congratulations to the Gaelach Gorm Theatre Group on the progress being made with their new theatre. It should be fully completed in the next few weeks and the official opening is planned for Friday Dec 9th. A major programme is planned for the Theatre and all the details will be contained in the next issue of Coast To Comeragh, which will be in shops shortly.

## MODELIGO NOTES

### PASTORAL COUNCIL

A Pastoral Parish training session for the Pastoral Councils of Cappoquin, Affane and Modeligo parishes will be held at the CYMS Hall, Cappoquin, on Thursday next, 17th at 8 pm. The Diocesan Pastoral Council administrator, Fr. Liam Power, will conduct the programme, along with a team of facilitators. Everyone interested in parish development or indeed any pastoral matters are cordially invited to come along. A further information/training night is to be held at the Affane Community Hall on Tuesday, December 1st also 8 pm.

### CHRANNCHUR MHA DHEILGE

The numbers drawn on Saturday, November 12th were 1-7-20. There wasn't any winners. Mar sin beidh 750 euro so phota oir don tseachtain seo chugainn. 15 euro to Paddy Wall, c/o Deckies; Carmel Dalton, GraigumOre; Chrissie Denn, Ballykerin; John Fitzgerald, Moga and Nick Troy, Clashmore.

### LADIES CLUB

Since recommencing last September in its usual time slot (first Tuesday of each month), the Modeligo Ladies Club has been very well attended. Martin Moore of Herbalife was the September guest speaker and he brought with him a large range of nutritional and general health

care products. Martin was very entertaining as he explained the properties of each product and how one might benefit from their use. Aine Marie Reilly from the Lismore Clinic of Herbal Medicine was the guest speaker for October. A graduate of the University of Wales, she is the only fully-qualified medical herbalist in the South Eastern Region. Her professional and informative talk on the role of the medical herbalist went down a treat, indeed it was nice to see Aine Marie featured in a recently screened "Health Squad" programme on RTE. A demonstration in November by David Davem was a great success. David, who runs a pottery business on the Nire Road, Ballymacarbry, brought along some samples of his craft, his designs and glazing being particularly impressive. Two young members, Ber and Catherine, had a "go" on the potters wheel, and are now the proud owners of two almost perfect dishes.

### CHRISTMAS

The Ladies Club Christmas dinner on Saturday, November 29th will be at the award-winning Glasha Farm Guesthouse, Ballymacarbry and afterwards, well who knows? Bus will leave for Ballymac' at 6 pm sharp. The annual Christmas Party for senior citizens has been planned for Friday December 9th, fol-

lowing a special Mass. More details later. Next Ladies Club meeting on Tuesday, December 6th - see you there.

### MODELIGO F.C.

Our ragged Red House League form continued at home to Glenview on Sunday last. Despite going ahead through a John CoadE goal and dominating for

long periods of the game, we failed to extend on our advantage and allowed the Melleray lads in for a late equaliser. Shane Troy was selected to play for the Red House League team in the Oscar Traynor Cup against the TSDL. He capped a fine performance by scoring a wonder goal to equalise.

### MARRIAGE

It was a long journey for Ivan Casey of Faha Bridge, his family and friends for his marriage to Jill Roulston in Donoughmore Presbyterian Church, Co. Donegal on Friday 11th November. The ceremony was performed by family friend Dr. W. J. Patterson. The best man was Ger Barry with groomsmen Tony Walsh and Ronan Casey. The bridesmaids were Sandra McDonald, Deirdre Finlay and Melissa Walsh. The readers were Caroline Wauchope, Carol Roulston, Mary Elaine O'Riordan and Sharon Roulston. The reception was held in Kees Hotel, Stranorlar. Every happiness and God's blessing to Jill and Ivan for the future.

### CAPE TOWN

The reports from Cape Town South Africa of the work being

done by seven hundred volunteers building houses for the homeless were of local interest because one of them is Michael Comerford. One remembers the great response to the granny walk some time ago to help Michael get sponsorship for his work in Cape Town. Before he left for Cape Town he had more than reached his target. In fact the figure reached was just short of ten thousand euro, a magnificent response that speaks volumes for the generosity of all who contributed.

### HOLY SOULS

There will be a special Mass for all who died during the past year and are buried in Ballylanean or have connections with those who attend Mass there on this coming Friday, 18th November at 7.30 pm. Candles will be lit and put on the Altar

by a representative from each family who have been bereaved. There will also be candles lit for the loved ones of those who will be present at the Mass on Friday.

### ALTAR SERVERS

The new rota for Altar servers in Holy Cross Church has been working well thanks to the loyal attendance of each group on Saturday evening or Sunday morning. It is important to point out that if one is unable to attend for any reason efforts should be made to get someone else to act as replacement to ensure that there will always be servers present for each Mass.

### VISITOR

Fr. Bede, a member of the Benedictine order in Ampleforth, Yorkshire was the celebrant of the 10 am Mass in Stradbally on Sunday last.

### KATRINA COLLECTION

When attending Mass next weekend please bring a little extra, as there will be a special collection for those who are suffering of hurricane Katrina.

### RAFFLE

The following are the results of the raffle held in October by the Stradbally Union of Parishes. 1st Mrs. M. Galloway. 2nd Paul Clarke. 3rd John Whelan. 4th Mr. Farrell. 5th Louise Cotterell. 6th David Claxton. 7th Dick McKeon. 8th O'Morchoe family. 9th Jeanne Chapman. 10th Hazel Marns. 11th St. James Church. 12th D. Your solicitor will explain the nature of these costs and provide you with an estimate. If you have an existing mortgage and wish to switch to First Active you will incur legal costs that will vary depending on your circumstances. However you also have the option of using our First Active Easyswitch Service available at a fixed cost of €945 for new customers & €885 for Existing Customers. Full details are available from your FA loan advisor. Other fees that may be incurred are as follows: Transaction fees: Transaction fees apply to the First Active Current Account Mortgage™, please refer to the First Active Current Account Mortgage™ fees and charges leaflet. Valuation fees: The valuation fee will be refunded where First Active refuses a loan application. The fee is determined by the value of the property, as per the scale of valuation fees, details of which are available from your local First Active Stamp Duty. The amount of stamp duty you pay depends on the purchase price of the property, currently mortgages of €250,000 and up incur stamp duty at a rate of 0.1%. Information on Stamp Duty is available from the Revenue Commissioners and/or your legal advisor. Arrangements: Where any sum remains unpaid, interest may be payable by the borrower in any month on a daily basis at a rate equal to 5% per annum over the interest rate charged on the loan, compounded on the last day of the previous month on the total of all unpaid sums. Further details are available from your First Active Loans Advisor. \*This is based on a Planned Repayment Option assuming that your salary is lodged to your First Active Current Account Mortgage™ at the beginning of each month with expenditure incurred evenly over the course of the month. In life we loved you dearly,  
In death we love you still,  
In our hearts you hold a special place,  
That never can be filled,  
It broke our hearts to lose you,  
But you didn't go alone,  
For part of us went with you,  
The day God called you home.

(Lovingly remembered by Nellie, Pat, Margaret, Michael and Ann).

**CROTTY** — Fourth Anniversary — In loving memory of Tommy, Kiely's Cross, Grange who died on November 19, 2001. On his soul sweet Jesus have mercy.

## FATHER

We would like to say so many things,  
We don't know where to start,  
We only know we miss you,  
Dad,  
From the bottom of our hearts,  
And when we are sad and lonely,  
And everything goes wrong,  
We seem to hear you whisper,  
Cheer up and carry on.  
(From your loving son Mike, Polly, Darren, Valeri and Gary).

**CROTTY** — First Anniversary — In loving memory of Willie Crotty, 19 Springmeadows, Dungarvan who died on 15th November, 2004.

## GRANDAD

God called your name so softly,  
That only you could hear,  
And no one heard the footsteps,  
Of the angels drawing near,  
The golden gates stood open,  
God saw you needed rest,  
His garden must be beautiful,  
For he only takes the best,  
So today I'm thinking of you, grandad,  
But that is nothing new,  
Thought of you yesterday,  
And the day before that too,  
As time goes by without you,  
and days turn into years,  
They hold a thousand memories,  
And many a silent tear.  
(Loved so dearly, your granddaughter Karen XXX).

**CROTTY** — Twelfth Anniversary — In loving memory of my brother, Gerard Crotty, late of 19, Comeragh Crescent, Dungarvan, who died on November 18, 1993.

I haven't forgotten you since you died,  
A sudden call with no good-byes,  
I didn't expect you to die,  
A gentle voice from God on high,  
You left me here with pain and tears,  
Now that you are gone,  
I think of you and your cheerful ways,  
I won't forget you throughout my days,  
Here in my heart you will always remain,  
Rest in peace my brother,  
Will those who think of him today,  
A little prayer to Jesus say.

**HENNESSY** — Twelfth Anniversary — In loving memory of our dear mother, Joan Hennessy late of Bishopstown, Lismore and Cappoquin, who died on November 21, 1993. R.I.P.

You can only have one mother,  
Patient, kind and true,  
No other friend in all the world,  
Will be the same as you.  
When other friends forsake you,  
To mother you will turn,  
For all her loving kindness,  
She asks nothing in return.  
As we look upon her picture,  
Sweet memories we recall,  
Of a face so full of sunshine,  
And a smile for one and all.  
Sweet Jesus take this message,  
To our dear mother up above,  
Tell her how we miss her,  
And give her all our love.  
Your life was love and labour,  
Your love for your family true,  
You did your best for all of us,  
We will always remember you.

A smile for all,  
A heart of gold,

**HYSLOP** — Eighth Anniversary — In loving memory of Mary Hyslop, 30 Murphy Place, Abbeyside, Dungarvan who died on 17 November, 1997. R.I.P.

We had no chance to say goodbye,  
Without farewell you fell asleep,  
Memories of you, we will always keep.

(Loved and never forgotten by Nannie Joan and all the Hyslop family).

**HYSLOP** — Eighth Anniversary — In loving memory of Mary Hyslop, late of Murphy Place, Abbeyside, whose anniversary occurs about this time.

Our lives go on without you,  
But things are not the same,  
It's hard to hide the heartache,  
When someone speaks your name,  
The light at home stopped shining,  
The day God called you home,  
Part of us went with you,  
You did not go alone,  
If tears could build a stairway,  
And memories a lane,  
We would walk right up to heaven,  
And bring you home again.  
(Sadly missed by your father Danny, son Jake, sisters Christine and Anna and brother Timmy).

**HYSLOP** — Eighth Anniversary — In loving memory of our dear niece Mary Hyslop, 30 Murphy Place, Abbeyside whose anniversary occurs on 17th November.

November comes with sad regret,  
It brings back a day we shall never forget,  
You left without saying goodbye,  
But memories of you will never die,  
Will those who think of Mary today,  
A little prayer to Jesus say.  
(Always remembered, never forgotten, your loving aunts Myra, Margaret, Rose and Theresa and all their families).

**KIRBY** — Thirtieth Anniversary — In loving memory of Alice Kirby, late of Coolydoody, Ballyduff who died on November 16, 1975. R.I.P. Masses offered.

Another year has passed us by,  
But we still hold you near,  
And as we pray beside your grave,  
We wonder if you hear,  
Each silent tear that no one sees,  
As they fall all around,  
And all the things we want to say,  
Though we never utter a sound,  
You left us for a reason,  
But only God knows why,  
We wish he'd found another way,  
Why did you have to die,  
We know we cannot bring you back,  
So all we can do is pray,  
That you're happy in your heavenly home,  
And we see you again some day.

(Loved and missed by your sons, daughters and their families at home and abroad).

**KELLY** — Twelfth Anniversary — In loving memory of Mrs. Kate Kelly (nee Tobin), Ballyreilly, Ring and London whose anniversary occurs on November 17th.

As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you  
As life goes on its way,  
Time may heal the heartaches,  
Like the smile that hides the tears,  
But happy memories keep you close,  
Despite the passing years.  
(Fondly remembered by her daughter Margaret, Pat, Alana, Erin and Patrick).

**KIELY** — In loving memory of Tommy Kiely, late of Congress Villas, Dungarvan whose anniversary occurs about this time. R.I.P.

Will those who think of him today,  
A little prayer to Jesus say.  
(Always remembered by your loving wife Rita, sons Eugene and Glenn).

**MACKAY** — Seventeenth Anniversary — In loving memory of Con Mackey, late of Ring, Dungarvan, who died on November 21, 1988.

He was a father so very rare,  
When we needed him he was always there,  
He shared our troubles, joys and tears,  
Thank you dad for those wonderful years.  
Forgive us Lord if we still weep,  
For a father we loved and could not keep,  
Perhaps one day you will tell us why,  
You broke our hearts and let him die.  
(Always remembered by loving son, Gerard).

**MACKAY** — Seventeenth Anniversary — In loving memory of Con Mackey, late of Ring, Dungarvan, who died on November 21, 1988.

These last seventeen years without you, Dad,  
Are the saddest we have known,  
We treasure every thought of you,  
When we are all alone,  
We want to tell you something,  
So there won't be any doubt,  
You are so wonderful to think of,  
But so hard to be without.  
(Never forgotten - daughter Kathleen, son-in-law Tony).

# IN MEMORIAMS

**MACKEY** — Seventeenth Anniversary — In loving memory of Con Mackey, late of Ring, Dungarvan, who died on November 21, 1988.  
I lost my life's companion,  
A life linked with my own,  
And day by day I pray for you,  
And I walk through life alone.  
The house you left is lonely now,  
And I am lonely too,  
Those left behind are good and kind,  
But none replaces you.  
To me you were so special,  
What more is there to say,  
Except I wish with all my heart,  
That you were here today.  
(Always remembered by loving wife, Mary).

**MACKEY** — Seventeenth Anniversary — In loving memory of Con Mackey, late of Ring, Dungarvan, who died on November 21, 1988.

I'm proud I was your daughter,  
I thought the world of you,  
To me you were someone special,  
You know I always loved you.  
If I could visit heaven,  
On this my saddest day,  
Maybe for a moment,  
The pain would go away.  
I'd put my arms around you,  
dad,  
And say those words so true,  
My life has been so empty,  
Since the day I lost you.  
(Always remembered — Gretta and Guy).

Little angels dressed in white,  
Kiss our granddad, hold him tight.  
(From all his grandchildren).

**O'LEARY** — Sixth Anniversary — In loving memory of our dear father Michael (Mick) O'Leary, late of Shear's Street, Abbeyside, who died on November 17, 1949.

A loving father most sincere,  
Loved by all he knew,  
He loved us all so very dear,  
And we all loved him too,  
But God in His mercy will give me hope,  
And help me bear the strain,  
Of the one we cherished,  
loved and lost,  
To meet in Heaven again,  
As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.  
(Lovingly remembered by his sons, daughter, family, relatives and friends at home and away).

**McGRATH** — Forty-first Anniversary — Cherished memories of our dear mother Mollie McGrath (nee Atkins) late of 6 Keating Street, Dungarvan, who died on November 18, 1964. R.I.P. Masses offered.  
What we would give if we could say,  
We will go and see our mother today,  
To hear her voice and see her smile,  
To sit and chat with her awhile,  
A silent prayer to keep in touch,  
With the Mam we love and miss so much.  
(Missing you and loving you always, from your children, daughter Mary, sons Pat and Ramie and families at home and away).

**MERNIN** — Seventh Anniversary — In loving memory of my dear mother, Mae Mernin, late of Villierstown who died on November 16, 1998.

No words, no verse, can truly say,  
How I feel on this sad day,  
You left a place no one can fill,  
I miss you Mam and always will.  
(Always remembered by your daughter Marie and son-in-law Ned).

A mother is a special gift,  
One you think will stay,  
You never dream the day will come,  
When she will pass away.  
Now in heaven above she rests,  
God bless you mother you were the best.  
(Never forgotten by your daughter Rita and son-in-law Michael).

Mam, our wish is just a simple prayer,  
God keep you in His loving care,  
Those we love don't go away,  
They walk beside us every day.  
(Lovingly remembered by your son Noel and daughter-in-law Eilish).

**MORONEY** — In loving memory of our parents Patrick Moroney and Johanna Moroney, late of Cloneeety, Dungarvan, whose anniversaries occur at this time.  
(Remembered always by their family at home and abroad).

**SCANLON** — Fifth Anniversary — In loving memory of a dear husband, Willie late of Gortnapeeka, Ballyduff Upper who died on 17th November, 2000.

Candles are burning for you today,  
In the Church where you used pray,  
As I light them I pray to God above,  
To keep you in his eternal love.  
(Lovingly remembered by your wife Nonie).

**SCANLON** — Fifth Anniversary — In loving memory of a dear father and grandfather Willie, late of Gortnapeeka, Ballyduff Upper who died on 17th November, 2000. R.I.P.

Time unfolds another year,  
Memories keep you very dear,  
No need for words except to say,  
You are loved and thought of everyday.  
(Always remembered by your loving daughter Nellie, Gerard, Noreen, Gerry and Helen).

## Birthday Remembrances

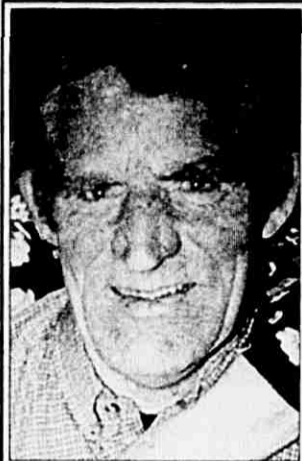

**DUGGAN** — Birthday Remembrance of Betty Duggan, 73, Childers Estate, Dungarvan on November 17.

The tragic way you had to die, Mam, Is always on my mind, I wonder did you call my name, I wonder if you cried. It's hard to face tomorrow, When someone you love is gone, It's harder still to realise, That life just goes on. The loneliness and heartaches, Are so hard to bear, All I have are memories, Of the wonderful mother you were. I'm thinking of you today, Mam, But that is nothing new, For I thought about you yesterday, And the day before that too. I will think of you tomorrow, As I live my whole life through, For the day that I fail to think of you, Mam, Is the day God will take me too. Happy birthday Mam, I wish you were here. (Love from your son Derek and grandchildren Tyrone, Frank, Eric XXXXX).

**WHELAN** — Birthday remembrance of Brendan (Wigs) Whelan, late of 15 Riverglen, Cappoquin whose birthday occurs on the 14th November. Our hearts still ache with sadness,

And secret tears still flow, What it was to lose you, No one will know, Our thoughts are always with you, Your place no-one can fill, In life we loved you dearly, In death we love you still. (You will never be forgotten by your sister Colette, brother-in-law Tom, nieces Rachel, Samantha, Lisa and Chloe and nephews Ian and Dylan).

**DALY** — Birthday Remembrance of our special Dad and Grandad Philip (Phil) Daly, 1 St. Patrick's Crescent, Dungarvan and 7 Market Street, Clogheen whose birthday is 22nd November.

Dad as your birthday comes around, It brings happy and fond memories of days gone by, We would buy you a special gift and a card, Then give it to you with all our love, In the evening of your birthday, We'd go to the Shap and have a few, Then you would dance with me and our songs would be played, No Dad I will never release you, or forget you, But yes I did have the last Waltz with you, Have a great birthday Dad, we love, miss and think of you each and every day.

(Love your daughter Tracy, granddaughter Katie and son-in-law Alf XXX).

# FARMING LEADER

## IFA Calls on Taoiseach to Stop Mandelson's Sell-out of Irish Farm Families

IFA President John Dillon has called on Taoiseach Bertie Ahern to put the Government's position on the World Trade talks clearly on the line and stop the sell-out of Irish farm families by EU Trade Commissioner Peter Mandelson.

Addressing thousands of farmers at an IFA protest outside the EU Commission offices in Dublin recently,

Mr Dillon said "there is only one place for Bertie Ahern. That's beside Jacques Chirac, the only European leader who is prepared to stand up to Peter Mandelson."

Mr Dillon said "Tony Blair has tried many times to destroy the Common Agricultural Policy in the past 10 years. When he failed at the Heads of Government, he sent his lapdog Mandelson to Brussels to destroy the CAP by the back door in the WTO."

He said there was a commitment in the Fischler CAP reform that European farmers would supply European consumers and family farming would be secure until 2013. "The new CAP is not one year in existence and politicians are

back again, breaking their word." Mr Dillon called on Mary Coughlan and the Council of Agriculture Ministers to tear up Mandelson's mandate as he was hell-bent on imposing Britain's cheap food policy on Europe.

The IFA President warned "if Mandelson gets his way, Irish farm income will be cut by €800m. That's a 35% cut. It would bring the average family farm income to about €10,000/year. That's €4.80 per hour which is far below the minimum wage of €7.65."

Mr Dillon said €1.2bn would be cut off the value of Irish farm output and 50,000 jobs would be lost in farming, the food industry and farm services, devastating

Ireland's rural economy.

Mr Dillon said "Peter Mandelson has offered to throw open the European food market to all-comers with a 46% cut in import tariffs. Under Mandelson, Europe will become the dumping ground of the world food market where there will be no control over quality, no tagging and no food traceability."

He warned the consequences of such a policy would be greater exposure to Food and Mouth disease, Swine Fever, Avian Flu. "What we will get is over 30 months beef, produced by slave labour and full of hormones."

The IFA President had a special message for consumers, calling on them to stand by farmers

in return for a secure supply of top quality, safe and traceable food at reasonable prices. He said food security must never be compromised.

Mr Dillon castigated Oxfam and Trocaire, saying they had done massive damage to Irish farm families by deliberately confusing the trade issue. "I want to nail the lie that Irish farmers are responsible for the atrocious conditions in Africa."

He said they were being manipulated by powerful trade interests like Brazil, Australia and New Zealand and the result of free trade in coffee was the exploitation of millions of farmers without a word from Trocaire and Oxfam.

### IFA Urges Members to Look Out For Neighbours During Winter

The Chairperson of the Waterford IFA Farm Family Committee Margaret Leahy has urged all IFA members to make an extra effort to look out for neighbours during the winter months.

"With summertime gone and daylight reduced, it is very important that people in rural areas ensure that their neighbours have everything they need. IFA members should make time to check on those who are elderly and living on their own."

Margaret Leahy pointed out that changing lifestyles meant that people in rural areas might feel vulnerable without regular contact with others. "IFA has a presence in every parish and this network can be used to keep in contact with people and also notice if anything is amiss. For example, if a neighbour hasn't been seen for a number of days, somebody could drop by and make sure that everything is all right. Transport could also be made available if a person needs to get to the nearest town or village."

The Waterford IFA Farm Family Chairperson appealed to everybody to have an increased awareness over the coming months because of the lack of daylight.

"Winter time means that a difficulty could go unnoticed because of darkness. If a light hasn't been seen, somebody should call around and check on the house."

## IFA POWER CUSTOMERS ELIGIBLE FOR FREE UNITS AND FREE TELEVISION LICENCE

IFA Power has reminded customers who receive free electricity units and a free television licence that they will continue to do so when they switch to the new discounted electricity service IFA Power.

Celine Reynolds, General Manager of IFA Power, said "the Department of Social & Family Affairs do not have an agreement in place with Airtricity (IFA Power's provider), but Airtricity does provide 150 free units per month at their

own expense and covers the cost of both the standing charge and the PSO (Public Service Obligation) levy. Customers do not lose out in any way on their allowance by switching to IFA Power and reducing their electricity bills by up to 10%."

In addition, recipients of the free television licence continue to benefit. If they receive a letter from An Post in relation to this they simply need to call the Department of Social & Family

Affairs on their lo-call number 1890 500 000 and confirm that they still wish to avail of the free television licence.

IFA Power has signed up over 6,000 customers in the first 3 months of business and is delighted to announce that its introductory discount of 6% against ESB's domestic rates is moving to 7.5% from January 1st 2006. It is the intention of IFA Power to increase this discount to 10% as the company takes on more customers.

# Cul Rua in Aglish to Feature in RTE Series

Last year's highly popular RTE series, Showhouse, have chosen Cul Rua, in Aglish, Co. Waterford, as their first filming location for the new 2006 programme. The production team have recently visited the site with the designers to meet with developer, Kevin Curtin of Blackwater Homes, and the entire crew will be returning early in the new year for the six day shoot in which two semi-detached three bedroom homes will be completely transformed by two different designers. The Showhouses will then be launched to the public who will give their feedback on which de-

signs they prefer and the programme will air on RTE 1 in early April.

"We are delighted to have Cul Rua selected by the programme," said Kevin Curtin, Director, Blackwater Homes. "It's a tremendous compliment for this development and also a wonderful opportunity to promote West Waterford, and Aglish in particular, as a great place to live and of course it will certainly bring our development to a national audience. Our team our very excited to see exactly what each designer will do with the houses and we have all hands on deck to en-

sure that we turn it all around in the five days allocated."

The concept of the programme is the same as last year, two interior designers are chosen to create two distinctly different looking show houses in one development. The interior designers work with the builders to create two unique showhouses under the watchful eye of Neville Knott, the presenter of the series, who is also a highly respected interior designer in his own right.

The Cul Rua development is set in the heart of the beautiful village of Aglish, Co. Waterford, which offers convenient access to Dungarvan, Youghal, Cappoquin,

Lismore and Waterford. The 1112 sq ft. three bedroom semi-detached houses have been selected for the programme, but the development boasts a choice of ten different house styles. These will range from 2 bedroom terrace to 4 bedroom detached - all with front and back landscaped gardens. The estate will be fronted by a beautiful original stone wall and there will also be pedestrian access over a traditional stone-arch bridge.

For more information on the development please visit [www.blackwaterhomes.ie](http://www.blackwaterhomes.ie) <<http://www.blackwaterhomes.ie>>

## Abbeyside Scout Notes

Both the cub and scout meeting of last weekend was held on Sunday last as a hike had been planned. All assembled at midday in the car park of the Cunnigar in what was glorious autumnal sunshine for the two mile or was it four mile hike to the end of the cunnigar. Although the sunshine was glorious it was in fact quite cool so warm head gear and jackets were the order of the day. At approximately 12.15 the large attendance of scouts and cubs headed off. It took a little over one hour to walk to the very end of the Cunnigar where lunch was then devoured in double quick time. Following this it was all hands on deck as it was decided to make a statement on the beach. The statement simply said 75. In order to mark our 75th anniversary a message was drawn out on the beach in six foot high letters and then filled in with large stones. It is hoped it will stay in place for a few days at least and perhaps be visible from Abbeyside church.

Following this some group photographs were taken before trekking back along the beach to the large sand dune. One or two games were played here before once again moving back towards the car park as time was slipping by and all were to be collected here at three o'clock. At the car park parents arrived to bring everyone home. Everyone except the brave patrol leaders who were to have cycled home.

Yes these leaders had decided that they would get a lift to the beach along with their bicycles and then cycle home, many of them to Clonea and thereabouts. However, on arrival back at the car park some of these bright sparks had by way of preventing their bicycles from being stolen while on the hike, locked them to the alloy wheel of Mullers car! Yes you've guessed it haven't you! Someone lost the key to the bicycle lock. Some say it was Jack and this does seem plausible as it was his lock so therefore it was his key and it was in his pocket, allegedly! After a while using a combination of brains and brawn but mostly brawn, Marco eventually freed the bikes. Then lo and behold, the patrol leaders cadged a lift, bicycles and all from Colin in his van back to town.

In all the 75 years of Abbeyside scouts surely nothing like this has ever happened before, or has it? The answer to this question will probably be known in a week's time when we celebrate our birthday and no doubt more stories of this nature will be brought to light during the course of the celebrations. Don't forget the re-union night is Friday the 25th of November.

### FOR THE BIRDS

With birds very busy at the bird tables at the moment, we thought it a good time to look at what we have in the archive on our feathered friends.

Our first book is entitled Irish Birds and it is by Birdwatch Ireland. It is a nice book that runs to 150 pages and was published in 2002.

Next we come to a more local book entitled Where to Watch Birds in Waterford and it is by Irish Wildlife Conservancy, Waterford. Again a very nice book running to 120 pages and was published in 1990.

Finally we come to a little gem of a book. It's a hardback book by Tara and runs to just 58 pages and was published in 2000.

This Sunday morning Ann Alridge will be at the Parish Office minding all our bird books and all the other "treasures."

### CHRISTMAS CARDS

Our Christmas cards are now available at all the usual outlets. Once again we ask for your support when you go to buy Christmas Cards. They cost e5 for a pack of five and we need hardly tell you it's for a good cause.

### SYMPATHY

We extend our sympathy to our chairman Seamus O'Brien and all his relatives on the death last week of his brother Sean. Sean was a native of Abbeyside and came from one of the oldest families in what was the village.

## PRETTY WEDDING AT FOURMILEWATER

The beautiful picturesque Roman Catholic Parish Church of Saint Laurence at Fourmilewater was the scene of a very pretty wedding on Saturday 5th November, feast of Saint Bertille (Abbess). The contracting parties were Brian, son of Barry and Pat Ronayne, Ballingown, Villierstown, Cappoquin and Mary, daughter of Thomas (Tony) and the late Nora Doocey, Oriel Bar, Curtiswood, Ballymacarby. The marriage ceremony with Nuptial Mass and Papal blessing was solemnised by Very Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena, assisted by Very Rev. Fr. Finbar Lucey P.P., Aglish/Ballinacree, Mount Stuart and Very Rev. Fr. Edmund Tobin P.P., Fourmilewater/Newcastle in the presence of a large number of the family and friends of the contracting parties.

The bride, given away in marriage by her father Tony, looked charming and was attended by her sister Mairead as Chief Bridesmaid. The other bridesmaids were Helena Doocey, sister of the Bride, Noelene Osborne (friend) and Mary Kiely. The best man was Steven Ronayne, brother of the groom and the groomsmen were David Osborne (friend), Tholm Keane (friend) and Seamus Lacey (friend). The flower girls were Ella Ronayne and Jenna Walsh.

The first reading was by Lenora Kiely and the second reading by Claire Ronayne. The Prayers of the Faithful were recited by Siobhan Quinn, Martha Ronayne, John Doocey, Seamus Ronayne and Tom Doocey. The Offertory procession was by Peggy Kiely, grandmother of the bride and by Pat Ronayne, mother of the groom, Reflection Roger Ronayne, and music by Tony Egan and Mala Raggett.

After the church ceremony, the bride and groom drove on a horse and carriage from the church to her home in Ballymacarby where a reception took place prior to going to the Park Hotel, Dungarvan where the wedding reception took place and where a most enjoyable and musical time was had by all for many hours. After the cake was blessed the toast of the Bride and Bridegroom was appropriately honoured and felicitous speeches given by many present.

Later in the evening as the happy pair left on their honeymoon which is being spent in South Africa they were accorded a most congratulatory and enthusiastic send off accompanied by the best wishes of all present for a life of unclouded happiness in the years ahead.

## PEAKS MOUNTAINEERING CLUB

Sunday was a good day for walking with a stiff breeze and no rain. Conditions underfoot were poor with heavy going and water logged sections of the mountain. All the walks kept to the high ground and the tracks were used where possible. Jimmy Fenlon led the 12.30 walk with a helping hand from Mary Lonergan. Jimmy led off from the Nire car park and headed straight north and up towards the Knockanaffrin Ridge. When on top Jimmy turned east and walked his crew of twenty four towards the Gap. The walk split with some more adventurous folk taking on the Carrignagower spur with Michael Power who managed to keep them in the dark about where they were. The remainder took the track back to the car park where Bernie left her mark on Jimmy for all to see. Kevin Bowen led his highly motivated team of fifteen on the 10.30 am walk across Monavullagh Mountains. The route was by the trailer bridge and on to Lyre Mountain. Steady walking into the Coumfea was Kevin's route. Next stop was the old T.Y. transmitter tower on Seefin before dropping off and contouring back to Coumfea. Gullying back to the top and across the bog to drop down off Coumfea and the cars with darkness falling. The walk covered fourteen kilometres and had a height gain of over one thousand metres.

## FATAL CRASH ON CAHIR-CLONMEL ROAD

Investigations are continuing into an accident on the main Cahir-Clonmel Road in which a 22 year old Wexford resident lost her life on Saturday night, 5th November. Linda Downes who was originally from England but resided in Wexford, was killed instantly when her car collided with an oncoming vehicle at Rathmore, Cahir at about 7.30 pm on Saturday evening. Ms. Downes was the only occupant of her car while a mother and her daughter from Waterford area who were on their way home from Limerick in the other car received some injuries but are making a good recovery. The accident took place some four miles from Cahir, on a stretch of road known to be dangerous. According to the Gardaí, another fatal accident took place some time ago, a few hundred yards away, while the entire road between Clonmel and Cahir has been the scene of numerous crashes over the years. She was removed by ambulance to Our Lady's Hospital, Cashel, as were the two occupants of the other car. A post-mortem on the body of Linda Downes was subsequently carried out at the Regional Hospital, Waterford. A spokesperson at Cahir Garda Station confirmed that an investigation into the fatal crash is ongoing and any witnesses with information are asked to get in contact with the station at 052-45630.

## VOTING REGISTER

Would you like to have a say in National or local politics. If your answer is yes, then your first step is to vote in whatever election comes up. To vote you must first be registered. Each November a local register is compiled. Entries for this should be in before the end of November. People should check the draft local register which is available in public places, like Post Offices, Garda stations or Health Centres to see if your name is on. The onus is up to you to check, that you were on the last time doesn't mean that you retained your place. Errors can and do occur, and like the lotto if you are not in you can't win. Now is your time to check if you are over 18 and get your name on the register.

## PARISH SALE OF WORK

Reserve next Sunday, 20th November for the Fourmilewater Sale of Work at Saint Patrick's Hall, Ballymacarby. It will commence at 2 pm with the arrival of Santa Claus to meet the children. In the Hall will be a Wheel of Fortune, Cake Sale, an Auction and many other items. So come along and give the parish your support.

## LATE MRS. ALICE WALSH

Profound and sincere feelings of regret were widely expressed at the news of the sudden death of Mrs. Alice Walsh (nee Tobin), Curraghteskin, Ballymacarby, which sad event occurred at her residence on Monday morning, 7th November. Deceased was born at her home in Renadampaun (S) on the 5th February 1928, as herself used to recall the day after the Fair of Clonmel, to Tom and Ellie Tobin (nee Gleeson). She was the eldest of a family of six, four girls and two boys, one of the family Mary, who emigrated to the United States passed to her eternal reward on the 10th August, 1979. Alice received her early education at Touraneena National School and then to the Mercy Convent, Dungarvan. When she was eighteen and a half years, tragedy befell the family on the 21st August, 1946, her father Thomas was gored by a bull on his farm. In 1948 she emigrated to England to study nursing in Romford, Essex. Her main role there was caring for sick new born babies, and as she often said she was godmother to some 50 infants, who sadly, most of them went straight to heaven. During her time there she received a medal of commendation for her outstanding work, an award she treasured.

During the ten years she spent in England, she made many a trip home, and on one of those trips home in 1954 she met and fell in love with her nearest neighbour John Walsh and so started their life long relationship. John even emigrated for a short time to England to visit her. In 1958 she returned home to Ireland to take up a nursing post in Saint Patrick's Hospital, Waterford and she remained there until 1966, and after a romance of twelve years they tied the knot in St. Mary's Parish Church, Touraneena on the 16th August, 1966. And she moved 3/4 of a mile to reside with her husband and her in-laws in Curraghteskin. On the following July their son Pat was born, and two years after her daughter Mary Bridget (Kelly) came to her after her mother Mai Tobin had died. She was a woman who loved to have her family around her and herself and her husband John, welcomed her daughter-in-law Ailbhe and Brian, son-in-law. She was so proud of her grandsons Eoin and Cathal and when they visited her she was able to greet them in Irish. She loved the visit of her brother-in-law Tom Walsh from Ballymacarby each Wednesday for the past seventeen years. He and she loved to trace families and dates of events long gone by. She was a great person to recall dates and happenings just like her aunt Biddy Casey (nee Gleeson) who died on the 21st July. Hers was a house that then you visited there was always somebody there before you or after you. She liked nothing better than to put on the kettle and have a chat about old times.

She and her husband had a very successful Dairy farm, with no help they milked 50 dairy cows, and on Sundays for the past seventeen years they went to 8.30 am Mass in S.S. Peter & Paul's, Clonmel.

She was a lady in every sense of the word, she was highly respected by her family, neighbours and her many friends who recognised and appreciated her as a caring, extremely kind person, who could be relied upon if a helping hand was needed. Of a quiet and unassuming disposition, she had a great sense of fun and humour which made her delightful company. And the district is the poorer at her passing.

On Monday evening her remains were removed to the residence of her daughter Kelly and husband Brian where they lay in repose. That evening the rosary was recited by Rev. Fr. Cornelius Kelleher P.P. and Rev. Fr. Paddy Hallinan and on Tuesday morning Mass was celebrated for the happy repose of her gentle soul by Rev. Fr. Cornelius Kelleher P.P. On the two days she lay in repose hundreds of people paid her a visit and on Tuesday night her remains after rosary and prayers were recited were removed via Brians Bridge and past her home when it stopped for a few brief minutes and then on to Saint Mary's Parish Church, Touraneena where her remains were blessed and received by Rev. Fr. Cornelius Kelleher P.P., Nire/Touraneena. On Wednesday morning, the feast of Saint Theodore Tyro (Martyr), requiem Mass was celebrated for the repose of her soul. The celebrant was Rev. Fr. Cornelius Kelleher P.P., assisted by Rev. Fr. Paddy Hallinan retired Australian mission, Rev. Fr. Matt Cooney O.S.A., Rev. Fr. O'Donnell O.S.A. and Rev. Fr. Michael Kennedy P.P., Colligan/Kilgobnet/Kilbrien. The lessons were read by her daughter-in-law Ailbhe Walsh and her son-in-law Brian Canty and the Prayers of the Faithful were recited by her

many relatives. Beautiful Hymns were sung by the Touraneena Church Choir and prior to her remains leaving the church Sliabh Geal gCua was played on the organ by Theresa Butler. As she was being taken to her place of rest, the November sun beamed down on Sliabh gCua, Rev. Fr. C. Kelleher P.P. officiated at the graveside with the other clergy in the presence of another large concourse of mourners some who came from many parts to pay their final respects to a dear Christian friend whose memory they will long treasure. Rev. Fr. O'Donnell O.S.A. recited a decade of the rosary in Irish.

To her husband John, son Pat, daughter Mary B (Kelly), brothers, sisters, nephews, nieces, grandchildren and her many relatives we extend our sympathy.

Ni fhicimid a leithead in ar measc aris. (Undertakers Aidan Walsh & Sons, Funeral Directors, Cappoquin).

## LATE MR. AGUSTINE SWEETMAN

It is with deep and sincere regret we pen the death of Mr. Augustine (Gussie) Sweetman, Roaring Springs, Old Bridge, Clonmel, which sad event occurred after an illness of some duration at the South Infirmary, Cork recently. He suffered bravely with deteriorating health for just two years at the untimely age of fifty one. Wistfully recalling the great times they all had together, his wife Catherine said that he never lost his good humour or his gentle ways, despite his illness, which he bore courageously and without complaint. Speaking in glowing terms, too about their dad, his family said they will miss his easy going, kind hearted, loving presence, as well as the fun they used to have with him.

He was son of the late Jim and Bridget Sweetman of Albert Street, Clonmel, and was of a family of ten, seven boys and three girls. Having completed his education, Gussie took up employment with Clonmel Chemical Company now (Clonmel Health Care), at the time it was located at the Gas House Bridge and which subsequently moved to Gortnafeur where he continued to work up until his illness early last year. In 1977 he married Catherine Butler from the Old Bridge, and having resided for some eight years in Elm Park, they moved across the river to Roaring Springs in the Old Bridge where they reared three children, Darren, Jonathan and Jenna. In their earliest years Gussie and Catherine loved dancing and later on enjoyed going on foreign holidays together to such places as Spain and the Canaries.

Noted for his skill at darts, a game he used to play in Paddy O'Gorman's, The Tara Arms and the Parnell Bar, he won the Benson and Hedges County Tipperary Doubles championships in 1982. He was also an avid follower of Manchester United and a member of the supporters club, who used to meet in Gleasons. His family, too became bitten by the bug and whenever Manchester United were playing the craic was mighty in no. 16 where everytime the Red Devils scored they gave a knock on their dividing wall between them and their neighbours, who readily reciprocated, being passionate fans themselves. After 32 years with Clonmel Chemicals Company, Gussie became ill but always believed he would be returning to his job in the factory, where he had been a supervisor and where his sons also work. But the Lord, however had other plans and called him home. Gussie and Catherine used to say that one of the happiest experiences of their lives was the renewal of their marriage vows in Saint Peter & Paul's Parish Church, Clonmel, and Catherine was so thankful that Gussie went on a weekend break with her to Wexford just three weeks before he died, and even went on a boat trip with her there which she said typified his courage. Sadly, after just ten days in the South Infirmary in Cork, Gussie slipped away with his wife Catherine and the family having spent a heart breaking vigil at his bedside.

Following the wake at his beloved home, his remains were removed to Condon's Funeral Parlour and afterwards to S.S. Peter & Paul's Parish Church where they were blessed and received by Rev. Fr. Colm O'Brien C.C. who celebrated requiem Mass for the happy repose of his eternal soul. After Mass his funeral took place to Saint Patrick's Cemetery, Clonmel where he was laid to rest. Rev. Fr. Colm O'Brien C.C. officiated at the graveside in the presence of a large concourse of mourners paying their final respects to a Christian friend whose memory they will long treasure.

To his wife Catherine, sons, daughter, brothers, sisters and his many relatives we extend our sympathy.

Faoi scrath na croise go raibh a anam uasal. (Undertakers Condon's Funeral Directors, Clonmel).

## LATE MR. THOMAS RYAN

It is with deep and sincere regret we pen the death of Mr. Thomas (Tommy) Ryan (Healy), Knockalishen, Ballymacarby, Clonmel, which sad event took place at James Connolly Memorial Hospital, Blancherstown, Co. Dublin on Sunday evening, 13th November.

## Affane/Cappoquin GAA Notes

### INTERMEDIATE FOOTBALL RELEGATION PLAY-OFF

Sliabh gCua 1-10  
Affane 0-11

(After Extra Time)

We lost our intermediate status in football on Saturday last when we went down by two points to Sliabh gCua in Old Parish after extra time.

We played with the wind in the first half and had a great start scoring some fine points as we controlled the game. However a high ball into the box broke kindly to a Sliabh gCua forward who made no mistake as he lashed the ball to the net from close range. This was a vital score in the match as it meant we went in at the break leading 0-9 to 1-2 and playing against a string wind.

Sliabh gCua started the second half in dominant fashion and went on to narrow the gap as we scored only two points in this half. Nevertheless we were still leading by three points with ten minutes remaining. With time up we were leading by a point when Sliabh gCua were awarded a free twenty metres out and duly levelled the game which meant we had to play extra time.

The fact that we failed to score in twenty minutes of extra time and the fact that we only managed two points in

total after half time just was not good enough to win any game and we now find ourself in the junior grade next year.

The team against Sliabh gCua was: Paul Lacey, Gearoid Coughlan, Anthony McCarthy, JJ Devine, Damian McCarthy, Timmy Looby, Killian Denn, Kenny Mason, Tom Mansfield, Mark Landers, Kevin Foley, Shane Coughlan, Pat Morrissey, Conor Prendergast, Keith Landers. Subs: Shane Barry, Gary Morrissey, Paul Barry and Pat Devine.

## Fantastic Fish

When searching for food, the mudskipper – found around the coasts of Africa, Asia and Australia – will come out of the water, using its specially adapted fins as legs. It seems to like being out of the water – it will bask in the sun and will often climb trees to find a sunny spot. Another fish that 'walks' is the tripod fish. Its two chest fins and its tail fin have evolved into long, stiff spines on which the fish walks along the sea-bed.

### A Fish Can Give An Electric Shock

One member of the catfish family is capable of giving out an electric shock to ward off danger. This is the electric catfish which is found in the seas of Africa. Although it can give a powerful shock, it is a delicacy in the Middle East, where it is known as the raad, or thunder fish.

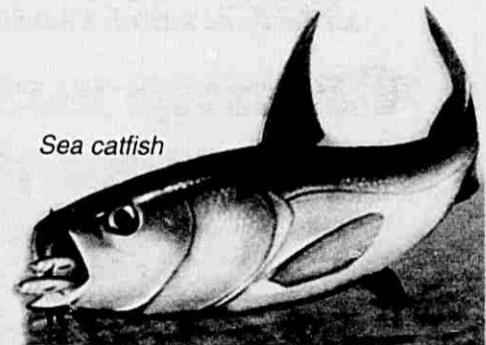

### A Fish Can Kill A Person

Several species of fish can make electricity, using specially adapted muscles which create electric impulses instead of movement. Fish are the only creatures that can do this. Electric rays, of which there are about 30 species, can create enough power to disable a person temporarily. However, it is a freshwater creature that produces the most electricity of all. The electric eel found in the rivers of South America, can produce enough power to kill a person outright.

### A Mouthful Of Fish

After laying some 50 to 100 eggs, the female Egyptian mouth brooder carries them around in her mouth for safety. Even after they have hatched, the young fish continue to use their mother's mouth to escape from danger. This goes on for only a few days, for once the young fish grow bigger, the mother is likely to eat them! Another fish that uses its mouth in this way is the sea catfish, but in this case it is the male that looks after the eggs.

### DID YOU KNOW?

- ★ The European eel travels over land when it makes its 6,000 km (3,700 mi) journey to the Sargasso Sea to spawn.
- ★ Lung fish can survive out of water for up to four years - by not doing very much!
- ★ The male angler fish weighs one thousand times less than the female, and lives off the female like a parasite!
- ★ Deep-sea life was first observed in 1934, when scientist William Beebe descended to 923m (3,028ft) in a machine called a 'bathysphere'.
- ★ An archer fish can judge the distance of its 'shots' because it is the only fish with eyes that point forwards!
- ★ Archer fish will line up to shoot at the same target - like contestants at a rifle range.

No doubt Clashmore Tidy Towns would like to hear from any business or group of business who may like to sponsor the Christmas tree insurance!

### GLENVIEW UTD AFC Modeligo 1 Glenview 1

After a two week break, Glenview were back in action on Sunday morning last, away to an inform Modeligo. Glenview welcomed back John Broderick and also Gerry Donovan who both made very positive debuts. Glenview started the game very much in control and had several goal chances. As the half progressed Modeligo came more into the game and also had their chances to score at the break.

As the second half got underway, Glenview allowed Modeligo with the aid of a stiff breeze to get on top, and they duly scored after twenty minutes. This was a major wake up call to all our lads and they began to up the tempo and play some of the best football seen from a Glenview side in quiet a while. We had several good scoring chances with John Broderick, Gerry Donovan and Shane Bennett all going close. The breakthrough came with six minutes to go after good work from Donovan in the box when a penalty was awarded.

John Broderick took the spot kick and Glenview were back on level terms - no more than they deserved. The lads can feel a little unlucky, but on the day a draw was a good result.

Next week we are away to Cappoquin.

Panel - E Nugent; A Meagher, E Byrne, J Walsh, B Murphy; P Hennessy, S Bennett, E O'Brien, K Power; J Broderick, J Nugent, G Donovan, T Hennebery, S O'Russell, K O'Rourke.

## Ballyduff Community Council

November meeting of Ballyduff Community Council took place on Tuesday 8th last.

Chairman Patjo Ahern outlined a series of dates and event with which help will be needed from both members and any other people who have some time to spare for community effort.

December monthly meeting will be brought forward to Tuesday 6th to facilitate other commitments.

The disco committee are looking into the possibility of holding a teenage disco on either Friday 9th or Fri. 16th. Details will be published once known. The senior citizens Christmas party will be on Sunday 11th in St. Michael's Hall. Again all are welcome, and we ask council members to invite any elderly people or people living alone in their areas. Transport will be provided where required. The children's Christmas party will take place on Sunday 18th in the sports hall.

The Community Care group are now active again with various social evenings planned and being enjoyed by all. Bowling

and associated equipment are currently being purchased and hopefully will provide some additional leisure activity for all age groups. In addition, John Hogan informed us that community care are also applying for grant aid to provide a Parish Radio System. If all goes to plan, this system will allow Mass from Ballyduff Church and other public announcements be broadcast in the homes of the elderly and incapacitated. This is a very worthwhile project which we hope will go ahead.

Bookings for the sports hall are going well, with many people using the venue for children's birthday parties. As the hall has ample space for bouncy castles etc. it is an ideal location for parties during the winter months.

The weekly Cards are continuing in St. Michael's hall every Wednesday night at 8pm. Again here we would welcome more players of all ages.

The recent Three Tenors concert was a great success with a large crowd enjoying a wonderful evening's entertainment.

Your biggest concern is not that you are unsure of what to do but that you are expected to know by those around you. Most people go through phases where they feel uncertain about the next step. This isn't a sign of weakness but rather one of strength, of insight into your own needs and the importance of taking time to make the right decision. ☎ 1550-920-257

**TAURUS**  
April 21 to May 21  
A simple job may appear easy to you because it is part of your personality to be much more organised than most. Remember, any two people attempting to share their lives are going to be different from each other and those differences will lead to conflict. The real issue is which differences you can learn to live with, which people can change and which can drive you apart. ☎ 1550-920-258

**GEMINI**  
May 22 to June 21  
Now that you have talked an issue out with a good friend, you can examine the details more calmly and with some perspective where before, just thinking about it got you angry and upset. Finally you can find your own conclusions and they may be very different than you first thought. Be assured that your future is bright but it is up to you to choose a course. ☎ 1550-920-259

**CANCER**

The reason dreams are called dreams is because often they are something we don't think we can or will ever be able to do in our real lives. To catch your dream takes courage and means going against the grain. But if you truly want to be happy, it is an essential step to take. To begin, you will need to start with a clear idea of what your dream is. ☎ 1550-920-260

**LEO**  
July 23 to Aug 22  
When you truly believe in yourself, when you have the highest possible self-regard and expect to be able to create a positive, shiny life, then anything is possible. Time out is an important as getting things done. A useful habit is creating ten minutes of "white space" each day, a silent time for you, when you simply do nothing. Someone from your past still thinks of you. ☎ 1550-920-262

**LIBRA**  
Sep 23 to Oct 23  
Over the last while, you have taken your loved ones for granted. Today, make someone happy. ### PARENTS ASSOCIATION

the school and were delighted with the amount raised on the night. A big thank you to the parents, teachers and friends who supported us on the night. ### SYMPATHY

Sincere sympathy is extended to Maureen Culloo and family on the recent death of her mother, Mrs. Mary Mannion. May she rest in peace.

## Shopping Survey In Tallow

"Jason Turk, known locally for his music, is also a geography student in UCC and will be undertaking a survey of shopping habits in Tallow, Co. Waterford.

Tallow has been chosen because of its unusually good facilities. With three excellent family food stores selling a wide range of goods and a butcher, as well as easy access to bigger towns with a choice of supermarkets such as Tesco's and Lidl, Tallow is an excellent area for this kind of survey.

Planners need to know what influences peoples choice of shops, including factors such as parking, access, and price etc. Jason will be coming round to distribute the questionnaire. It will be completely confidential and the houses will be randomly selected. We will be grateful for your co-operation."

## BRIDEVIEW UNITED A.F.C. NOTES

### U-18 League Brideview 5 An Gaeltacht 1

Brideview's U-18 continued their winning run on Sunday last at home to An Gaeltacht. Despite the scoreline Brideview made hard work of this game. 3 goals from Barry Coleman in the last fifteen minutes put some daylight between the teams, but up till then Brideview never played to their capability. Too many misplaced passes and a carefree attitude meant An Gaeltacht were always in the game. First half goals from Kevin Henley and Eamon Forbes gave Brideview a 2-0 lead at half time. An Gaeltacht converted a penalty in the second half to leave it 2-1 and Brideview were under pressure until Coleman bagged a hat trick in the last fifteen minutes. Missing 3 players from the win over Ardmore, a lot of players will now be wondering about their chances of

making the first 11 for the next game.

Squad; Donnacha Mulcahy, Joey Power, Kieran Geary, Shane Ahearn, Stephen Frazer, Graham O'Neill, James Hampton, Eric Hickey, Eamon Forbes, Luke McCarthy, Jason Roche, Barry Coleman, Stephen Power, Kevin Henley.

### FIXTURES FOR NEXT WEEKEND

Sunday November 20th Mari Mina Premier Division Brideview Utd v Inch, kick off 11 o'clock.

Kenneally Rochford Associates Ltd 2nd Div. Brideview Utd v Modeligo, kick off 1.30 pm. Players note times of games.

### Lotto

We had 4 match 3 winners of our lotto last Friday night. Peter Kenneally, Francis Tobin (Woodview), Mary Buckley, Pat Feeney. Next week's jackpot is worth 5550 euro and the

draw will be held at McCarthy's next Saturday at 8.30 pm.

### Brideview 2 Lismore 4

A very disappointing result here for Brideview as all the lads had been hoping to stamp home authority on all remaining games. At half time it was 1-1 after Brian Donnelly had played a good cross that ended up in the goal.

In the second half "Ringo" put us 2-1 up. Eamonn Forbes and Jackson worked but the ball went over. What looked like a Brideview victory was suddenly falling apart and in a tortuous remainder Lismore scored three times. Towards the end Michael Norris hit a screamer off the bar.

Team; W. Conroy, F. Power, D. Martin, K. Geary, B. Donnelly, M. Norris, P. Kearney, A. Kearney, A. McCarthy, C. Good, Ian Farmer, Res; Forbes for Farmer, F. O'Gorman, M. Sutherland.

### CONGRATULATIONS

Congratulations to local horse trainers Philip Goulding (5 Stars All Stars) and Sean Ahearn (Sheeba Diva) who both had great wins over the weekend.

### Long Kesh Legacy

The British Governments proposal to build a 42,000 seater stadium on the site of the Long Kesh prisoner of war camp has aroused surprisingly little debate in GAA or even more surprisingly in Republican circles. Apart from the peerless Tom Humphries the media has given it little attention either. Big Tom is not only the best sports journalist in the land, he also has a passion for hurling. He would, as big Kevin Hinphy in Dungavan once said to me about Ned Power "be very sound on the national question." Tom had a gem of a piece in the Irish Times a couple of weeks back on his visit to Belfast and the proposed new stadium. It was insightful, humorous and brilliantly crafted. As is often the case, he reflected my own thoughts on the subject and expressed them far better than I could ever hope to.

The British Government has come up with a cunning plan which Blackadder himself would be proud of. Where once they were held in chains now shall they play their games. For a new stadium on the old p.o.w. camp to succeed, the rugby, GAA and soccer lads would all have to play ball, in every way.

The stadium would have to be guaranteed a certain amount of crowd pulling games from each code to make it viable. Surprisingly (or maybe not given the attitude of the other crowds up there) the GAA were first to respond and respond positively.

When you consider the blood-letting and divisive debate that normally precedes change in the GAA (rules 21 & 42 for instance) the alacrity, and apparent lack of divisive debate, with which the Ulster Council have come on board is strange. The GAA authorities in Ulster have a reputation for, how shall I put it, being independent minded or as Tom puts it "so cussedly partitionist a body that they have almost seceded from the GAA." Yeah Tom that's what I was trying to say.

I haven't yet discussed the matter with friends in the north from whom I would definitely glean a better understanding of what's going on.

Gerry Adams, speaks of moving on and building a future together and I concur entirely. I'm not against this idea of a stadium, yet I am not entirely comfortable with it either, or perhaps I should say the location. Ten young Irishmen died on hunger strike for freedom in Long Kesh. Some of them like young Kevin Lynch from Dungiven were GAA players. Kevin once captured Derry under 16 hurlers against Waterford and the local GAA club in Dungiven is now named in his honour. He stood for election to the Dail in this constituency.

That is an emotive argument of course but even on sheer practicality can the stadium be justified? When will the Ulster Council have need of it? Case-moment and Clones while far from fully developed can hold 32,000 and 45,000 respectively. It was mentioned that one of the International Rules games against a former penal colony could be played there. Planning any future on that farcical series would suggest to me that the whole plan would be as doomed to failure as the place of incarceration which preceded it. Access to the site could also be a problem. That area around Lisburn wouldn't exactly be welcoming to "Taigs." A new slip road giving direct access from the M1 to the stadium would have to be built to ensure the safety of nationalist travelling to and from games. Have northern nationalists not endured enough?

It's a strange one. Somehow I get the feeling we are not getting the full picture on this. The British are past masters of the whispered promise. I suspect they may be at it again.

## SCOIL MUIRE, TALLOW

With Halloween break behind us our thoughts turn to Christmas. Last year was our first time sharing in the Christmas Shoe Box project and we decided to repeat the involvement this year. The children brought over one hundred shoe boxes full of Christmas goodies for children in need in other countries. Last year 270,000 shoe boxes went from Ireland to orphanages, street children centres, hospitals and needy children in Belarus, Ukraine, Romania, Serbia and Coatia. The pupils and teachers in Tallow N.S. are happy to be part of this worthwhile project. Many thanks to the parents who filled the boxes so thoughtfully and generously.

'Margaret' who is known as the Shoebox Lady called to the school on Friday, 11th November to collect the boxes on behalf of the Samaritans Purse. She spoke to the pupils and told them stories of the children who received the boxes last year. We have a DVD and video of the children opening the boxes.

While the children were assembled in the school hall with their boxes Sheila Curtin from the Library arrived with prizes for seven children who participated in the 'Make a Mask Halloween Competition'.

The prize winners were Christopher Sealy, Sarah Connell, Sinead Sheehan, Shane Ryan, Darragh Mulcahy, William Hogan and Chloe Landers. Our thanks to the library staff and to Waterford Co. Council for sponsoring the competition. A special word of thanks and praise to Sheila who is so nice to the children and makes the library such a welcoming place always.

Congratulations also to the pupils in Third and Fourth class who won a prize with their class project in the competition sponsored by Tallow Area Credit Union. The Credit Union took on a new look during the Halloween Weekend with their spectacular display of children's art work. The project was so worthwhile and gave children hours of fun and creative play.

Three past pupils of Scoil Mhuire participated in a very special School Opening on Tuesday, 1st November many miles from their Alma Mater. Fiona, Kaye and Aideen McDonnell were among the international volunteers who organised celebrations and events for the re-opening of Phi Phi Island School, Thailand. The school had remained closed since last St. Stephen's Day when the tsunami hit the island. The school had 180 pupils then. On 1st Nov. the Thai flag was raised once again on Phi Phi and 60 children returned to the school. The parents, grandparents and families came for the big occasion and scenes of great rejoicing were witnessed. Custom and culture differences exist but the human spirit is the same and children's laughter and joy crosses all barriers. Aideen was holidaying in Phi Phi when the tsunami struck and is ever grateful to the Thai people who were so helpful to her and arranged her journey home following their huge tragedy.

Mile buiochas to all who subscribed to Aideen and Kaye's appeal for Phi Phi. The money has been well spent and brought joy and enrichment to Phi Phi Islanders who have suffered greatly. Aideen and Kaye continue to work in the area.

A slogan in our school kitchen comes to mind. 'Teachers make little ones count'. How true!

## Recipes

# COOKERY CORNER

## Authentic, spicy and never a dhal moment

THIS traditional Singhi dish will spice up any meal.

### Ingredients:

Serves 4

200g yellow lentils  
50g fresh ginger  
6 tomatoes  
2 stalks curry leaves  
1/4 x 5ml sp turmeric  
4 x 15ml sp ghee or butter  
1 x 15ml sp garam masala

### Homemade garam masala

If you're not using mango chutney, squeeze 1 x 15ml sp lemon juice over the garam masala when added to the dhal.

1/2 x 5ml sp cumin seeds  
1/2 x 5ml sp coriander seeds  
1/2 x 5ml sp black peppercorns  
1/2 x 5ml sp ground turmeric  
1/2 x 5ml sp dried mango powder (optional)

Grind the whole spices together, then mix with the ground spices. Sieve, then grind the residue and sieve again. Discard any residue remaining. Keep in an airtight jar for 6-8 weeks only.

### Method:

Wash the lentils and, if necessary, soak (according to instructions on the packaging).

Give the ginger a whizz in the blender, then put the lentils, ginger, tomatoes, curry leaves, turmeric and a pinch of salt into a pan with enough water to cover.

Bring to the boil, then turn down the heat and simmer for 20 minutes or until the lentils are soft.

Remove from the heat, cool, remove curry leaves and purée until smooth.

Reserve until required. Just before serving, reheat the lentil purée gently until it starts to bub-

ble. In a separate pan, heat the ghee or butter. Sprinkle the garam masala on the dhal but do not stir. Pour the hot ghee or butter over the top and cover. Stir before serving.

## Bake your own cheese whirls

THESE cheesy whirl rolls are simple and yet effective as pre-appetiser bitesize snacks for your party guests or hassle-free hamper delights on a picnic.

### Ingredients:

Makes 12

145g packet pizza base mix  
75g mature Cheddar cheese, finely grated  
2 x 15ml sp fresh snipped chives

### Method:

Stir 130ml water into the pizza base mix. Cover the dough and leave for about 20 minutes until the ball has doubled in size. Knead the dough and then use a rolling pin to roll the dough into a thin 20x40cm rectangle. Sprinkle the grated Cheddar

cheese and the chopped chives over the rectangle to within about 2cm of the edges.

Roll up the rectangle along the longer edge into one long roll and then cut into 12 small rolls.

Arrange the individual rolls in a buttered 16cm square tin.

Cover the tin with oiled clingfilm and leave the rolls to rise for around 30 minutes.

In this time, preheat the oven to 220°C/450°F/gas mark 7.

After the rolls have risen, bake them for 20 minutes or until the rolls are golden brown.

Serve your cheese whirl rolls while they are still warm.

## Salad of pepper and artichoke

COLOURFUL and tasty – this pepper and artichoke salad is an excellent light lunch dish.

### Ingredients:

Serves 10 with other dishes

4 red peppers  
2 yellow peppers  
290g jar artichoke hearts, in oil, drained and sliced, oil reserved  
1 x 15ml sp fresh lemon juice  
1 x 5ml sp wholegrain mustard  
Salt and pepper  
Crisp lettuce leaves, such as cos or Webbs, to serve.

### Method:

Preheat the grill to high. Quarter the peppers and remove the seeds and stems.

Place, skin-side up, on a grill pan and grill for five to seven minutes until black-

ened all over, then remove them from the heat.

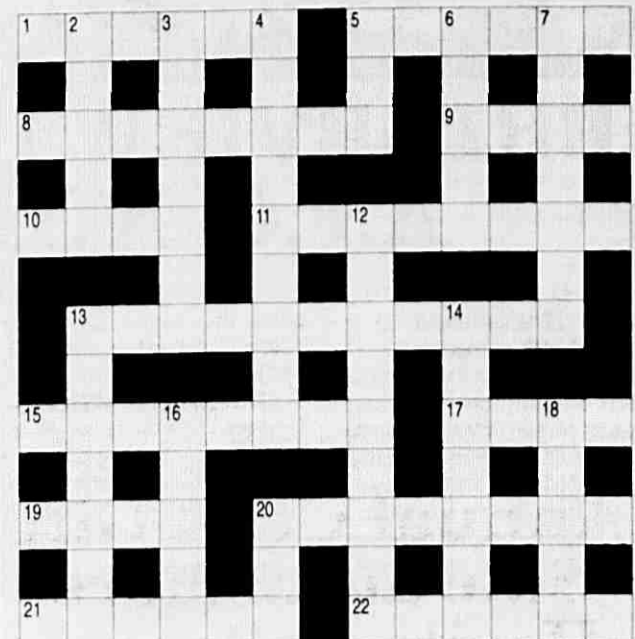

Transfer to a plastic bag for 10 minutes to cool. Pour the pepper juices into a bowl. Skin the peppers. Cut the flesh into strips and mix with the artichokes in a separate bowl. Add the lemon juice and mustard to the pepper juices, then gradually whisk in about five table-spoons of oil from the artichokes.

Season, toss with the salad and serve on a bed of lettuce leaves.

TIP: This salad recipe can be made up to two days ahead, but ensure it is covered and stored in the refrigerator. Transport in a rigid container (pack the lettuce separately).

## Health Tips from "Remedies"

### DANGEROUS FOOD

For the person with a food allergy, some foods become positively dangerous. A food allergy is an abnormal hypersensitive reaction that occurs after eating a normal amount of a certain food. The reaction is repeated every time the food in question is eaten and the result can be fatal.

Although food allergies are rare, they most commonly occur in children under the age of four and the most frequent food allergies are to milk, eggs, fish, nuts, citrus fruit and tomatoes. Symptoms include severe eczema (or skin rash), vomiting, diarrhoea, asthmatic bronchitis or asthma and allergic cold. In severe cases of food allergy a life-threatening condition known as anaphylaxis may occur in which the sufferer may experience a drop in blood pressure that results in a loss of consciousness and shock and without immediate treatment can even cause death. Alternative diets are available at . . .

## Lismore Carer and Toddler Group Notes

Due to large groups attending Storybox, the parents and carers have agreed to move from the Library to a larger venue. We will meet this week as usual upstairs at the library (entry through the side door). We expect to be able to move in the next week or two with some possible changes to the time we meet. Watch this space next week for further details about the move.

Last Thursday we agreed to have our Christmas party (for the parents and carers!) on Saturday 17th December at 8.30pm at the Castle Lodge for dinner. Everyone can sign up for the party this week at group or if you can't make group this week call Noreen or Caroline and leave a message. Don't miss it, should be a good night out! Arrangements will be made this week at group for the children's Christmas party.

Some upcoming events that we have in store for our parents and carers are as follows: Aine Marie Reily from the Herbalist Clinic in Lismore will visit us in December (exact date to be confirmed) to give us a talk and to give advice and help on any questions that parents may have on baby and childhood health as well as parent and carer's health.

A Mari Mina pharmacist will also visit us a talk about childhood health, illness and its prevention and to inform us about any new products. The date for this has also to be arranged.

We would like to thank Anne Pollard for her visit last week and for the information and DVD's on Baby Safety and Child safety in cars. We will play the DVD at group during our first meeting in the new location.

Last week the children enjoyed the 'Storybox' in particular as mummies were swapped for reading stories! Some also engaged in a bit of dancing during the singing time and we had a few solo performances from Graham and Carthach to name a few.

We are a group of parents and carers based in Lismore and we welcome parents and carers from all areas with their babies and children. ### RACE NITE

All types of horses, jockeys, trainers, owners and punters were present at the Sportsman Bar, Cappoquin last Friday week. The MC for the night was James Tobin, who with his usual wit and charm added to the atmosphere. He was ably assisted by Colm Bannon and Ann Tobin. Daragh, Brendan, Kevin and Jamie were busy on the tote, whilst John Joe was the 'collection agent' for all the monies raised by the auctioneers. Veronica, J.D. John, William etc were all on hand to see proceedings ran smoothly and Sheena did a great job on the race cards. Thanks to all our sponsors, supporters on the night and indeed to those people who purchased horses etc prior to the race night. Thanks to those who generously sponsored the spot prizes on the night as well. Thanks to John O'Rourke (Manager) Sportsman for the use of the premises and the finger food which was greatly appreciated. At the time of print, a meeting is to be held at Tourin Hall, Tuesday 12th November - all monies for Race Nite must be handed in or given to any Committee member within the next week.

### TOURIN HALL DEVELOPMENT

Due to the recent weather conditions, the hall project had to be postponed but hopefully within the next week the facelift should begin.

## LISMORE "B" SOCCER NOTES

### Dalton on the Scoresheet!

After two wash-out weekends we finally got back to playing football last Sunday. A local derby away to Brideview couldn't be much harder. In the opening few minutes chances went a begging but it was an opening flowing game of football on a super surface. A win here was vital for both sides, Lismore to keep ahead in the race for promotion and Brideview to keep in contention, with the early pace-setters.

About half an hour into the game the first of this six goal thriller arrived. A super cross from the left wing was matched by a super cool finish, a finish which had it all accuracy and conviction, a goal to do any striker proud, and who else to produce it than Jamie Dalton. Just a pity he put it past his own keeper!! A few more at the other and who knows, Eddie Pollard may be sweating on that golden boot! Ha. A few minutes later a cross driven low and hard into the six yard box by Eoin O'Donoghue was put past his own keeper by the Brideview defender, at the break all square, an own goal each.

In the second half Lismore couldn't get going and Brideview went 2-1 ahead. This time last year Lismore would have crumbled but with the experience of a season, the work of management and team spirit, Lismore bounced back. Eddie Pollard staked his place for a strikers role with the equaliser. With both teams eager not to lose the game got tighter. From a corner kick Lismore scored their third when the second ball fell to the "Rock" (Jason Tobin) he had the coolness to place the ball. Brideview came for an equaliser and were hit for a fourth by the pacy Pollard. An all action but sporting game of football. Credit to the referee for keeping the game in flow and under control.

So a 4-2 victory for Lismore and a vital 3 points. Let's keep the good work up lads only half way through the season yet.

Training Thursday night at 8 pm astro-turf. A good turn out welcomed.

# DUNGARVAN GAA CLUB NOTES

## JUVENILE SCENE

**Indoor Training Gets Underway** — Our indoor training in the Sports centre commenced last week with firstly our U-11's on Tuesday evening and then our 8s, 9s and 10s on Saturday morning. There was a huge turnout on Saturday and it all looks good for the future.

On Friday evening next at 5.00 p.m. we start back with our youngest group — boys and girls ages either 6 or 7. Unfortunately, we regret not being able to go down a bit further on the age groups but this is in the main due to the space available and also for insurance purposes. When we get back out into our own field in March we will be in a position to review this. Apologies to all who are not covered in the above age groups but we have to be very strict on the matter. The cost, per child, for the Sports Centre is € 1.

## CLUB GEAR

Joanne and Grace will be in the Sports Centre on Friday evening between 5 and 6 p.m. selling the new club tops for anyone that is interested. They won't be there on Saturday morning for reasons unknown to the committee. Christmas shopping I think?

Speaking of gear, we will have helmets for sale also on Friday and Saturday at a cost of €50. These are the new Mycro helmets and worn by none other than half the top hurlers in the country. We will, for a couple of weeks, provide helmets on loan all be it in limited numbers. However, after that we will expect parents to invest or perhaps Santa Claus might surprise them.

**Under-13 Hurling — Fitzgerald Cup Winners 2005** — The much-awaited final of this competition took place last Sunday morning in Abbeyside and Lismore provided us with a stern test before we eventually ran out convincing winners. This win brings the curtain down on what has been a very successful year for our juvenile club and it is going to be hard to follow it next year.

The panel was Darren Duggan, Ian Sheehan, Brendan McCarthy, Tomás Harty, Eric Duggan, Luke Egan (0-1), Richard Walsh, Sean Ryan (0-1) Cathal Curran, Frank Duggan, Colm Curran (0-3), Adam Kelly, Johnny Barry, Shane Hickey, Ryan Donnelly (3-0), Patrick Curran (1-0), Sean Hyslop, Patrick Houlihan, Gavin Power, Craig Barry, Conor Sheridan, Michael Daly, Keith Healy.

Final score was Dungarvan 4-5 Lismore 2-3.

A feature of this game was the hat trick of goals scored by Ryan Donnelly. It's great to see Ryan back to his best after a bad injury

he sustained to his leg a number of weeks ago. He is definitely a player to watch for the future but sure where would he be got? Nature is a wonderful thing. Keep up the good work Catriona — we need a few more!!

## ADULT SCENE

**Weekly Lotto** — No winner of this weeks Jackpot. Numbers drawn were 4, 6, 7 and 19. Two winners of €35 were John Joe Sheehan c/o Peter Ferncombe and James & Luke Callaghan, Roberts Cross, An Rinn. Jackpot goes up to € 1,800 next week.

**America Bound** — News has filtered through the club that Mike Dwyer of GlaxoSmithkline is heading for the States after Christmas for a two year sabbatical. This is, I'm sure, great news for the Dwyer family and well deserved I might add. Michael has proved over the years that hard work will be rewarded as he has made his way up to the top of the corporate ladder, having started at the bottom run. Well done Michael, Marie and the kids, who I'm sure can't wait to get going. On behalf of Dungarvan GAA I would like to wish ye the very best. Michael, along with a lot of the Dwyer family of Caseyville, is a former player and has come to our aid on several occasions for funding of equipment and Jerseys through G.S.K.

**AGM** — Our Annual General Meeting for club members and any one interested in the club will take place in our Clubhouse on Thursday 1st December at 7.30 p.m. All are welcome and I will have more on this next week.

**St. Stephen's Day Run** — It's time to get into training for our Annual St. Stephens Day Charity fun Run/Walk. Only six weeks to go and I will have a "get me round" programme in next weeks notes.

**Race Night** — Our Horse Race Night will take place on Thursday 24th November in The Parrish Bar. All are welcome and your support will be appreciated.

**Christmas Party Night** — The Club intends having a night out to kick off the festive season on Friday the 9th December in the Park House. All are welcome and it promises to be a good one with a few spot prizes. More on this closer to the date but pencil it into your diary for one not to be missed.

**Brian McDonald on Samba Duty** — Brian McDonald, one of our great minor football double winning team back in the early nineties, and a current member of both our intermediate team is currently on duty in Brazil for UNICEF. Brian is working in disadvantaged area with kids and knowing Brian, he probably has

them playing a bit of hurling and football. Brian has a vast knowledge, passed down from his dad, about growing fruit and I'm sure he is putting that to good use. The club intend raising funds for Brian at our Party Night in December so please bring an extra few bob with you as it will go to a very good cause.

**Well Done Ballyduff** — Congratulations to Ballyduff Upper on winning the Intermediate Hurling Title 2005.

### ANOTHER WEEKS TRAINING

The season has got off to a good start for Dungarvan mini rugby. We are now well into our stride and are playing 2 matches a month either as friendlies or in competitive blitzes.

### UNDER-10S SHOW HOW IT'S DONE!

These improvements can be seen during the games we play and are reflected in the tight scores that are becoming a familiar part of our matches

## DUNGARVAN HOCKEY NOTES

# A Chilli Win On Leaside

### DUNGARVAN 2 CHURCH OF IRELAND 1

On a freezing cold November Sunday, Dungarvan headed for the Garryduff venue in Douglas, Cork without the services of Louise Enright, Anna Casey, Sarah Power and Derval Donnelly. Dungarvan knew this was not going to be an easy game and right from the whistle it was all systems go with a very

fast pace. Dungarvan went on the attack with some dangerous running from Sharon Duggan, Maria Conroy and Gillian Dalton feeding the ball to the ever-dangerous Anne Brennan, out on the wings were Lucinda Shrubbs and Carole Elstead.

Church of Ireland were creating their own runs on the break but they were running into a wall in the Dungarvan defence who were fearless in their challenges. Nollaig Sheehan, Martina Landers, Sinead Hehir, Louise Conroy and Carol Tobin were not to be passed easily.

Ten minutes into the game Tina passed onto Gillian, Sharon onto Ann who passed a beauty of a ball to Lucinda Shrubbs who unleashed an unstoppable shot to the back of the Church of Ireland goal. A loud cheer could be heard around the pitch. Dungarvan kept the pressure on and Sharon Duggan was very unlucky not to score. C of I were plugging away and on a breaking ball into the Dungarvan defence they were awarded a short corner which was well orchestrated and lo and behold it rattled the Dungarvan net 1-1. The battle was only beginning.

Dungarvan kept running at the CI goalmouth, tantalising and teasing the Cork defence.

### SECOND HALF

Dungarvan on the attack with another short corner. However it was well saved by the C of I keeper who was kept very busy with shots from Carol Elstead, Gillian Dalton, Lucinda Shrubbs, Ann Brennan and the pacy Sharon Duggan (whoever said you get slower with age). Dungarvan introduced Thea O'Riordan and Aoife McGovern to replace Lucinda Shrubbs and Carole Elstead. Both girls made an impact on the game. Thea was very unlucky having her shot narrowly wide. Rivalry was hotting up. CI were charging into the Dungarvan defence and were awarded numerous short corners. The defence was standing tall no room for a shot was allowed. A quick ball out to midfield and we were goal bound, into the Leasiders circle and up pops Aoife McGovern to let it rip through the defence for goal number 2. These last fifteen minutes were about holding our own. CI at-

tacked the defence with a barrage of shots, one glancing off the keepers pads and cleared out. A few dubious decisions were giving C of I a few more short corners.

Try as they might they could not break this wall of defence. Dungarvan brought back on Lucinda and Carol to rest the weary legs of Maria Conroy and Sinead Hehir. Dungarvan delighted to hear the final whistle and the cheers of our supporters could be heard loud and clear. Dungarvan face the might of Wexford, Enniscorthy in the Mary Cooley Cup on Sunday afternoon.

Team: Carol Tobin, Louise Conroy, Nollaig Sheehan, Sinead Hehir, Tina Landers, Gillian Dalton, Sharon Duggan, Maria Conroy, Ann Brennan, Lucinda Shrubbs, Carol Elstead, Aoife McGovern, Thea O'Riordan. Mentors Tony Bones and Stephen Dunne.

Best of Luck to Marie Sheehan who has transferred to Kilkenny who have gained a valuable player.

# Stradbally G.A.A. Notes

For the third time in five years we played a thrilling draw with the Nire in the County Final. In a game that never reached the standard of previous years, both defences were on top and scores were hard to come by. We led at half time by 0-5 to 0-4 and in the end a draw was a fair result. Stradbally 0-6 Nire 0-6.

## DUNGARVAN UNDER-18 RUGBY NOTES

# Good Workout For Under-18's

### DUNGARVAN 22 MITCHELSTOWN 7

On Sunday morning we played Mitchelstown in a friendly at home at Ballyrandle. The game started with both packs battling for the upper hand. It was nip and tuck for the first ten minutes then winger Kevin Delahunty intercepted and broke down the right wing, chipped forward and looked to be in for a certain try but was tackled without the ball, but we weren't awarded a penalty try. Keith Collins was stopped near the line from the resulting penalty and Mitchelstown cleared their line.

The deadlock was broken a few minutes later when David O'Riordan raced over in the corner after a good break by out-half Stephen Raheer. Keith Collins drove over a few min-

utes later after some very good forward play on the Mitchelstown line.

Dungarvan concentration lapsed however and after some sustained Mitchelstown pressure they drove over for a fine try which they also converted.

Dungarvan's next score was a good individual effort by Kieran Morrissey who took a quick penalty and ran around to touch down under the posts. Stephen Raheer converted.

Dungarvan's final score was David O'Riordan's second try after a kick and chase to the corner. Raheer went close with the conversion clipping the post.

This was a marked improvement on our last game, with the forwards upping their work rate.

James Phelan, Keith Collins,

Alan Shields and Conor Phelan were best of the pack.

They were well assisted by James Fitzgerald, Tony O'Donoghue, James Hill and Mike Gee. Kieran Morrissey linked well with out-half Stephen Raheer, David O'Riordan with two tries was best of the back with David Shanley, Michael Daly, Kevin Delahunty and Nicholas Drohan all playing well. David Crowther played well at flanker when he came on early in the second half.

Again we are struggling for numbers so anybody who is interested in playing rugby would be most welcome.

Training 7.30 pm Tuesday night. We play Waterford city under lights next Friday night at 7.30 pm, bus leaving the clubhouse at 6.20 pm sharp.

## Ballybrazil Tara In Command

Last Friday nights card featured the five first round heats of the Winthrop Engineering A3 Stake.

Heat one-Victory in the first qualifier went to the John Stubbs owned and Tom Power trained Swift Shannon (Honcho Classic-Vintage Swift) this 3/1 chance who is barely out of novice company obliging in a decent 28.95. The early paced Swift Shannon appeared destined for second place when giving way on the rails on the back stretch to Cailte Six but to her credit Swift Shannon battled back up the home stretch renewing her effort to get up for a half a length victory.

Heat two-Coming back to his best form the John and Adrian Morrissey owned and Sean Dooley trained Rathsilla Lad (Roanokee-Metric Ozzie) 3/1 came good with a pillar to post 28.80 success. Dashing into an early lead over Good Hare Day and Sues Mad Moment Rathsilla Lad maintained a strong gallop up front to run out a one and a half lengths winner over Good Hare Day with a fast finishing Threerocks Saffy just behind in third.

Heat three-This qualifier produced a runaway winner in the shape of the Christina Reddy owned Myella Classic the January 2004 whelp dictating matters from the front to win out in 28.89. Having only her second ever race outing Myella Classic put some far more experienced runners in their place as she bounded clear of a slow starting but early paced 4/6 favourite Black Stuff. With the latter unable to make any impression on the leader Myella Classic went on to beat Black Stuff by seven lengths.

Heat four-Avoid The Best the 7/4 favourite made a quick exit from trap four but was unable to clear the early paced Taltos. The latter showed the way to Sheelin Kate and Nice Mandy down the back stretch but in the closing stages the Paul Carroll owned and Tony Ryan trained Nice Mandy (Larkhill Jo-Rocklands Sally) 3/1 quickened the tempo up the home stretch to beat a fast finishing Pure Party who was denied racing room at the penultimate bend when mounting a serious challenge. The winning margin in favour of Nice Mandy was two lengths in a time of 29.17.

Heat five-Producing a nice dash of early pace the Jim Dunne owned and Mick Hoy trained Best Of Miller (Toms The Best-Huggies Miller) justified 6/4 favouritism with an easy success in 29.10. Getting the better of an early tussle with Marwood Tess the Rebel County entry Best Of Miller strode on nicely for a comfortable two and a half lengths win over Sanmema in 29.10.

In the opening novice contest Jet Ski Lady, Nottingham Hill Girl, Milaco and Gallows Ivy all ended up on the floor as the latter moved wide at the first turn. This incident then left the Mark Keogh owned and Eamon O Donovan trained Curlew Much in the lead this June 2004 daughter of Droopys Rhys and Much Nice duly romping to a twelve lengths win over Spiders Duchess in 29.79. The winner was a 3/1 chance at the off.

In the second race Oscar Orange was backed to the exclusion of every thing else but this evens favourite after a slow start ran wide at the first turn. There were no such problems though for the Paul Organ owned Mandeville Lil (Crack Off-Best Rose) this 2/1 chance coming away in front of Safe to lead all the way for a cosy seven lengths win over Safe in 29.25.

The third race is easily described as the Jack Molloy owned and bred Lough Ellie (Droopys Vieri-Lough Nina) 5/2 stepped out smartly from trap three and making the long break for home Lough Ellie was never in the slightest danger of losing this contest romping to a three lengths victory over Windrush Trigger in a lifetime best 29.10.

The fourth contest produced a runaway winner in the shape of the Sandy Close owned and Jimmy Scully trained Ballybrazil Tara this October 2003 daughter of Hotshow Ben and Tycoon Lady whizzing around in a best of night 28.74. Led early on by Poison Ivy Ballybrazil Tara sprinted into a third bend lead on the fence before dashing clear for a facile eight lengths victory over Poison Ivy.

Dungarvan owner Dan Casey teamed up with his trainer Perry Aylward to capture the fifth contest with the run-

away winner Skilful Rebel the even money favourite in 28.95. This well bred May 2003 son of Spiral Nikita and Jungle Crisis relished his outside draw as he led around the first corner from Battstreet Sarah. In a one sided affair Skilful Rebel was always travelling like a winner in the lead eventually breezing in nine lengths clear of Battstreet Sarah.

In the concluding 550-yard contest Ima Cooper Cool was well on his way to winning only to find the traps partially blocking his path into the home stretch. Thankfully all six runners managed to avoid the traps and the race was subsequently declared void.

## Local Trainers Record A Double Apiece

A feature of racing at a cold Kilcohan Park last Saturday night were the training doubles recorded by well known local handlers Perry Aylward and Peter Brady. Indeed trainer Perry Aylward captured both semi finals of the Waterford Paint Sales A2 stake as his entries Jeffys Kavanagh (Come On Lleyton-Vital Flash) 3/1 and Mulcair Millie (Larkhill Jo-Mulcair Lemon) 2/1 brushed aside the opposition with the minimum of fuss to record comprehensive victories. The Turkish Syndicate owned Jeffys Kavanagh 3/1 got the better of an early duel with Lisnakill Alison in the first semi final and making the best of his way home Jeffys Kavanagh went on to beat a slow starting but fast finishing Kaylens Fault by three and a half lengths in 28.79.

Kennel mate Mulcair Millie which the trainer owns in partnership with Con O Sullivan made life easy for herself in the second qualifier bombing away from trap two to make all the running in a smashing 28.52. Quickly into her stride Mulcair Millie was chased throughout by Funny Side with the end result going in favour of Mulcair Millie by two lengths.

Trainer Peter Brady also left this fixtures with two winners in the bag courtesy of the Al Hanly and John De Bromhead owned Glenanore Flyer (Split The Bill-Glenanore Queen) 5/2 and the Majella O Dwyer owned Roll The Dough (Mustang Yank-Lemon Champ) 5/1. Running in a 550 yard contest the

always prominent Glenanore Flyer drove up the inside of the front running Latest Bulletin at the third bend to poach a narrow lead and while Latest Bulletin came back for more in the closing stages Glenanore Flyer prevailed by half a length. Time 30.58.

Knockenduff Ban set a hot pace in the final of the Jim O Shea and Matty Murphy A3 Stake but disaster struck at the entrance to the backstretch as the leader pulled up injured. Roll The Dough quickly took over in the lead and was not extended thereafter to defeat Lauconaid Lad by two and a half lengths in a decent 28.70.

After failing to find a new owner at the Clonmel sales on Saturday owner Michael O Keeffe decided that his Lisnakill Kewell (Droopys Kewell-Kilmeaden Mary) should fulfil an engagement from trap one in the first race on Saturday night and leaving trap one smartly from Reggae Blue Lisnakill Kewell was never in the slightest danger as he free wheeled to a two lengths defeat of Reggae Blue in 29.29. Lounge Act began well in a two bend dash but steering a middle course into the home stretch Lounge Act failed to cope with the late thrust of 3/1 shot How Ya Boss (Petes Boss-Sensational) this July 03 whelp staying on strongly to beat Lounge Act by half a length in a decent 16.40. Trainer Jim Scully has charge of the winner for the All Trades Syndicate.

In the fourth contest Milltown Herr cut an early dash over Star Act and the eventual winner Aries Son. Securing a nice run up the inside of Milltown Herr and Star Act the Oak Bar Syndicate owned and Mary Buggy trained Aries Son (Late Late Show-Aries Song) dashed into a third bend lead on the rails and while Milltown Herr renewed his challenge in the closing stages Aries Son 5/2 held firm to triumph by half a length in 29.11.

The Adrian Kelly owned and Pat Buckley trained Droopys Monalisa (Droopys Woods-Droopys Spice) 2/1 shed her maiden tag in race five carving out a pillar to post 28.79 success from trap one. Edging outwards on the run to the first corner Droopys Monalisa held a narrow lead over Not So Bright and Roanokee Rocket. Getting every yard of the standard trip Droopys Monalisa kept on strongly in the lead however to beat Not So Bright by a handy three lengths.

Trainer Declan Byrne sent out the Club Coco Syndicate owned Varra Homer to a cosy 550-yard success in the ninth contest. Granard Ali broke smartly from trap four but took a bump at the first turn. 2/1 shot Varra Homer was not hanging around at that point as he made the long break for home and while a wide running Tivoli Tim kept on for second place Varra Homer won a shade comfortably by four lengths. Time 30.37.

Without a win for a couple of months the Hopeful Four Syndicate owned and Michael Delahunty trained Killaspy Jack (Droopys Merson-Anfield Lady) the evens favourite returned to winning ways with a vengeance running out a 28.81 winner of race ten. Vaughan Brindle made a slick exit from trap four but Killaspy Jack quickly moved into in the leaders slipstream. Driving up the inside of Vaughan Brindle on the run to the third corner Killaspy Jack was soon on his way to a two lengths success over a running on Suddenly.

In the final race of the session the John Kavanagh and Tom Foley owned Atleantean (Droopys Kewell-Trendy Belinda) 3/1 burst his way to the front on the run to the opening corner and while Lily Blue tried her best in second place there was no catching the strong running Atleantean who went on to score by two and a half lengths in a fast 28.61.

#### THURSDAY NIGHT FIXTURES IN DECEMBER

Thursday night racing for the month of December starts on December 1st but with all the bookmakers standing in Kilcohan Park having a prior commitment to standing at Enniscorthy on the same night the presence of the layers in Kilcohan Park for Thursday night fixtures is somewhat unclear at present.

Ardmore were beaten in a penalty shoot out in the FAI Junior cup, while Mogeely lost at home in the Munster Junior Cup. Cappoquin youths also lost at home in the youth cup.

### WEST WATERFORD EAST CORK 1 TIPPERARY SOUTHERN DISTRICT LEAGUE 1

A wonderful performance from the W.W.E.C. league resulted in a draw against neighbours TSDL in the opening series of games of the Statoil Oscar Traynor Cup which was played at Cappoquin under lights on Saturday night last. After all the bad weather of the past few weeks the Cappoquin pitch looked very well, and although soft, held up perfectly for the entire game on a very cold night.

Both sides took time to settle down and the first real chance fell on 13 mins. to Stephen Quinn who saw his shot saved by the visiting keeper at the expense of a corner. Minutes later at the other end a Ryan cross was headed over by Morooney and Scully did likewise minutes later. Maher then saved a Donnelly effort and the best chance of the half fell to Henley when put through with only the keeper to beat his effort went the wrong side of the post. Level at the break but on chances the home side should have been in the lead.

The visitors came out for the 2nd period with the intention of attacking from the kick off and on 6 mins. they took the lead when Morooney found the net from an acute angle. Straight from the kick-off the W.W.E.C. whipped the ball down into their opposing area and Henley's cross found Donnelly who forced the keeper into a good save, and the introduction of Troy for the home side was already paying dividends on the right wing.

But we did not have to wait long for the equaliser and what a goal we witnessed. The ball was played to the left wing and Prendergast crossed for Shane Troy to hit from all of 25 yards into the top corner of the net giving Maher no chance to save. This was a wonderful strike that had the neutrals present declaring it will definitely be goal of the competition. For the next 15 mins. play swung from end to end and the game took on a real cup tie battle with chances being created by both teams. However as the half progressed it was evident the visitors were starting to get on top especially with Scully and Ryan at midfield and the

forays of Barnes on the left wing.

But credit to the defence of the W.W.E.C. with Hennessy, Lenane, and the Lander's brothers outstanding and Sheehan showing composure in goal. In a rare attack Carey shot over the visitors bar and then with only 4 mins. remaining the best chance of the game fell to Moroney with an open goal glaring him in the face he somehow put the ball over the bar. Two tired teams were happy when referee Tony Horgan called full time.

On the 2nd half performance the visitors were the better side creating more chances but failing to find the net, thanks to a marvellous defence as already mentioned and Quinn and Prendergast in front of them. It was difficult for the front men to put pressure on the visiting defence especially in those 45 mins. but Troy's goal will long be talked about for it was a goal worthy of winning a game, not just to equalise.

When one looks at the opposition and see the talent and experience of Davis, the Ryans and ex League Of Ireland players Scully and Moroney, one can put in perspective the challenge that faced the W.W.E.C. and what a result the draw means.

Joint manager Liam Fraser was delighted with the performance and said what might have been if we took our chances in the opening half. But Liam went on to say this is a young side and there is a three year plan with those players and the goal is to make the knockout stages in those years. On Saturday night's performance we don't think that goal is far away.

## ARDMORE AND MOGEELY LOSE CUP GAMES

a very special thanks to Helen and her assistant Martin for looking after us at half time with a more than welcome cuppa on such a cold night. It was much appreciated by both committees and more especially by us scribes.

### REARCROSS 2 ARDMORE 2 (A.E.T) (Rearcross win on penalties)

Ardmore made the long journey up to north Tipperary on Sunday afternoon in this 3rd round Statoil FAI Junior Cup and came home bitterly disappointed having lost on a penalty shoot out.

The home side led early in the game, but goals from Clinton and Johnny Hennessy fired Ardmore into a half time lead. Rearcross equalised midway through the 2nd half and Ardmore feel they had two legitimate penalty calls turned down.

Extra time failed to separate the sides and the penalty shoot out was won by the home side who must thank their keeper for a brilliant save. Disappointed they may be, but they did themselves and the league proud and can now concentrate on the Munster Cup and the league.

### MOGEELY 1 WATERFORD BOHS 3

Mogeely really made the Waterford premier side fight hard for this win in the Lucozade Sport Munster Junior Cup. After a scoreless first half the visitors scored only for Alan Collins to equalise and Mogeely really put it up to the visitors as they went in search of a lead goal. However with 15 mins. remaining on the clock the visitors struck twice and Mogeely were out of the competition. But they can take heart from this display and concentrate on league promotion for the rest of the season.

### INCH 0 GORTROE 2

The only premier game played saw Gortroe claim their first league win of the season in a game that never reached the standard expected. After a scoreless 1st half and with a draw looming Alan Buckley scored with 10 mins. remaining and almost straight away Leonard Byrne gave the visitors the insurance score when he found the net to give the visitors a badly needed win but still at the bottom of the table. Peter Savage will have to lift his players after a dismal performance for next week.

### BLACKWATER RGS 0 CASTLEBRIDGE CELTIC 1

Castlebridge recorded their first league win of the season when defeating Blackwater in Ballinameela and in so doing both are now level on points. The all important goal came after 20 mins. play in a goal-mouth melee and while Barry O'Connell is credited as the scorer suspicion is it may also have been an o.g. Regardless, Castlebridge will not complain as the score guaranteed them victory and their first win.

### VALLEY RGS 2 INCH 1

Talk of leaving it late to score! After a scoreless 1st half Declan Walsh had the home side in the lead midway through the 2nd and with injury time looming Paul O'Donovan equalised and Adrian Carr scored the winner in injury time to keep Valley top of the table and after a wonderful display Inch go home point-less.

### MODELIGO 1 GLENVIEW 1

The home side seemed to be heading for all three points after John Coade had put Modeligo in the lead 10 mins. into the 2nd half after a scoreless 1st half. With 7 mins. remaining Glen View were awarded a penalty and John Broderick converted to give both sides a share of the points, but this result does dent Modeligo's promotion hopes.

### BRIDE VIEW 2 LISMORE 4

As expected a good game of attacking football but it took an og from both sides to have them level at the break. Early in the 2nd half Aidan Kearney put the home side into the lead only for Eddie Pollard to equalise. Jason Tobin then scored for Lismore before Pollard scored his 2nd and Lismore's 4th to keep them undefeated and top of the table and at the halfway stage strong promotion contenders.

### CASTLEBRIDGE CELTIC 1 AFFANE 0

Two very much under-strength teams served up a very entertaining game of football with Anoldo scoring with a 30 yard drive to the net after only 10 mins. play. Feature of the game was the fine goalkeeping on both teams in Pdraig O'Brien and Jamie McGrath. This was the home teams first league win of the season.

# Late Goals Rescue United

### BRIDEVIEW UTD 5 AN GAELTACHT 1

A hat trick from Barry Coleman within four minutes in the final 15 minutes saw United end up comfortable winners. Up to that, the game could have gone either way.

The homeside went in front early in the first half when Kevin Henley scored a terrific goal. Liam Walsh went close for the visitors in the 25-minute at the other end Coleman went close for Utd.

United went two nil in front just before the break when a terrific volley from Eamon Forbes went all the way to the top corner of the net giving James Galvin no chance. So, the homeside went in 2-0 in front at the break.

The second half saw both sides go all out for victory. Twice in the opening two minutes of the second half saw Galvin bring off two marvellous saves from Barry Coleman. Then in the 50th minute, a Luke McCarthy header was

taken off the line.

At the other end Paddy Roynane broke through Utd.'s defence but Graham O'Neill got back to get in a great tackle and clear the ball when a goal looked certain. In the 55th minute, Ciaran Manahan had a fine shot, which struck the post, and James Hampton cleared the danger.

An Gaeltacht got back in the game in the 60th minute when Liam Walsh was brought down in Utd.'s box and Aaron Roche shot home the penalty kick. A Stephen Power header was well held by the visitor's keeper Glavin in the 71st minute and An Gaeltacht pressed hard for an equaliser.

They went close when Murray shot over from close range in the 76th minute. Then the game changed in the space of five minutes when Barry Coleman scored a hat trick for Utd.

The first of these goals came in the

77th minute when he rounded his marker and shot home. Coleman himself was upended in the box in the 79th minute and Coleman shot home the penalty kick. Barry Coleman's hat trick came in the 81st minute when he shot home from close range to wrap up the points for Utd.

The visitors tried hard to get back into the game but both Roynane and Harty both saw their efforts go wide. SO, Utd. hold on to the top spot in the table.

## STATOIL FAI JUNIOR CUP DRAW

The Statoil FAI Junior Cup 4th round draw took place at The Sportmans Cappoquin on Saturday night last before a large attendance. MI McBride chairman WWEC welcomed all the clubs to the draw and said it was a great honour for the league to be asked to host the draw. Paddy Pollard introduced the FAI Junior Council members present, Denis O'Driscoll, Tom Lewis, and Richie Power.

Local interest centered on Lismore who were favoured with a home draw against Tipp hot shots Peak Ville. This tie will be played on Sunday 27th November. With home advantage Lismore will fancy their chances. More anon.

## BLUES AND CORK CITY

Depending on who you support, last Friday night was a must win, especially for Waterford and they came up trumps with their win in Dublin against Shamrock Rovers, a victory which ensures Premier football again next season. Literally glued to the radio for the commentary the last few minutes were nail biting, but the win came and Friday night's game against Drogheda is just a final league for the Blues.

Our colleagues in Cork have a real cup final at Turners Cross with Derry City in a must win game for the home side, as anything less will see the title go to the Brandywell. This is a game everyone wants to see, and while all our readers at this stage know we are out and out Blue supporters (no apologies Anthony) we would like to see our neighbours win the title.

## SUPER DRAW

The 3rd Draw in the WWEC co-op Super Draw will take place this Saturday night 19th November at The Plough Curraglass, hosted by Valley Rangers FC.

The top prize on the night is a family holiday to Portugal valued at 1800E. The 2nd prize is a trip for two to Cheltenham. Other prizes are washing machine, dishwasher, weekend break, his and her watches, family trip to Oakwood, a tv, digital camera, mobile phone and many other prizes.

Draw commences at 10 pm sharp. See you there.

## TONY BOLGER CUP AND PLATE FINAL

At the delegate meeting last Monday night league chairman MI McBride informed the meeting that the Tony Bolger Cup and Plate Finals (sponsored by Dungarvan Leader) will be played on St Stephen's Day.

Accrington and Mogeely contest the cup, while Lismore and Blackwater play in the plate final.

# W.W.E.C. PREVIEWERS

### Ardmore v Grannagh Utd

Ardmore can get over last week's disappointment when Grannagh Utd visit them on Sunday in the Munster Junior Cup 2nd round. The Waterford side will not relish a visit to an inform Ardmore and we tip the WWEC leaders to progress to the next round.

### Cappoquin v Kilworth

This game will be played under lights on Saturday night and the home side will want to reverse their last meeting when

the Cork team scored five goals. With just one league win all season Cappoquin must win this tie to get away from the relegation zone and that may be motivation enough for victory.

### Bride View v Inch

Two teams not having the best of fortunes this season and both in the wrong half of the table level on points. A game both need to win and a result that could go either way. Home advantage may see the Tallow side win.

### Gortroe v Lismore

Lismore return to league football after their successful forages into national and provincial cup competitions and face a Gortroe side who had their first league win last week. On form the visitors must be favourites but they will not take anything for granted as they had difficulty defeating Gortroe when they met in Lismore in September. Lismore to win.

### Pinewood Rgs v Mogeely

The visitors were unlucky to lose last week in the Munster Cup and will expect to get back to winning league ways against a Pinewood side not yet at full strength. Mogeely to win.

### An Gaeltacht v Inch

This game will be played on Saturday afternoon the home side who have not played for a few weeks will be expected to win to keep the pressure on Valley Rgs. Inch were unlucky last week to lose in Conna but we think the home side will be too strong and a win for An Gaeltacht we predict.

### Araglen v Blackwater Rgs

Two sides totally inconsistent this season and will be finding it difficult to stay with the top two even at this early stage and the result here can go either way, but home advantage may swing it for Araglen.

### Castlebridge Celtic v Valley Rgs

A local derby that could be match of the day. When they met in Conna at the start of October the Conna side came out on top in a five goal thriller, and they remain undefeated in seven games played. The home side won their first league

game last week and are at the other end of the table. Form says Valley, but his is a local derby and it could go to the home side, but we stick with Valley.

### Clashmore v Castlebridge Celtic

The home side are very strong candidates for promotion and will be favourites here against a team who won their first game last week. A surprise here if the home side do not get all three points.

### Cappoquin v Glenview

An interesting local derby with the sides level on points in the wrong half of the table. Glen View have been finding it hard to score all season, but with John Broderick back they will be a better team and Cappoquin so far have been disappointing. We forecast a draw.

### Lismore v Affane

Top play bottom at the Castle Farm Ground and Lismore will be favourites to continue their winning way as they are one of only three teams in the entire league undefeated so far. Affane are the only pointless side and on current form should be the same on Sunday night, but Lismore cannot afford to be complacent if they want to stay top, and be promotrd. Lismore to win.

### Bride View v Modeligo

The visitors have seen Lismore slip away from them in the past few weeks and they will need to get all three points on Sunday if they want to stay in the promotion race. Bride View at home are always difficult to beat and while they lost to Lismore last week we think they may be too strong for Modeligo. Bride View to win.

# Lismore Bounce Back

### BRIDEVIEW UTD 2 LISMORE 4

The homeside looked to have this game wrapped up when they led 2-1 midway through the second half but then Utd.'s defence acted like Santa and left Lismore in for three goals and so go on and collect the points.

Utd.'s first goal was an OG while Edward Pollard put them back on level terms before the break. Aidan Kearney — one of the best players on view — put Utd. ahead early in the second half and they created numerous chances after this to wrap up the points.

To be fair Lismore's keeper brought off two terrific saves to keep them in the game. The first of his saves came in the 68th minute when Eamon Forbes broke through Lismore's defence but Tom Landers got down to save what looked to be a certain goal. Then in the 73rd minute, Aidan Kearney struck a terrific volley but again Landers was equal to it.

Then disaster struck the homeside, as their defence lost concentration and allowed Lismore some soft goals. The first was an OG. Then Jason Tobin put Lismore in front and Edward Pollard grabbed his second and Lismore's fourth which saw the visitors go home with all the points.

Utd. — W Conway; F Power, D Martin, K Geary, B Donnelly; A McCarthy, M Norris, P Kearney, I Farmer; C Good, A Kearney. Reserves used: M Sutherland, E Forbes, F O'Gorman, U Mason

Lismore — J Landers; R Stewart, I Dalton, K Hornbrook, J Tobin; J Landers, O O'Donoghue, K O'Donoghue, C Houlihan; E Pollard, P Walsh. Reserves: J Roche, P Cummins, O Dowd, E Dunne, J Walsh, C Tobin, D Casey.

## THE CLONMEL OIL STEEPLE CHASE (GRADE 2) OF €60,000

This Thursday's meeting at Clonmel will see a record prize fund of €174,500 and the centrepiece of the day is The Clonmel Oil Steeplechase of €60,000 (Grade 2) run over 2 miles and 4 furlongs. This race has proved to be a valuable stepping stone to glory for many great horses including Imperial Call (IRE), Dorans Pride (IRE), Moscow Express (IRE) and Beef or Salmon (IRE).

Another of Clonmel Oil's sponsored races on the day, the Prior Park Service Station Clonmel Handicap Hurdle of €30,000, has also been a vital race in the career of many racing greats. Indeed, last year, it was won by the Willie Mullins trained Hedgehunter (IRE), who subsequently went on to win the Aintree Grand National.

Sean Connolly, Managing Director of Clonmel Oil, is delighted to sponsor the richest race ever staged at Clonmel in association with their suppliers STATOIL. "This event has produced an illustrious list of winners and we look forward to continuing this trend under the Clonmel Oil Banner."

In 2004, we saw an exhilarating renewal of the Clonmel Oil Chase with Rathgar Beau and Cloudy Bays battling it out from the second last fence. A magnificent leap from the Eamon Sheehy trained Rathgar Beau put him in front over the last and he beat Cloudy Bays by half a length at the post. Third place went to local trainer Mouse Morris with Alcapone.

This year's contest is revealing itself to be no less competitive than years gone by with the reigning champion Rathgar Beau returning to defend his title. Trainer Eamon Sheehy is hoping for a repeat performance of last year's race. "This is Rathgar Beau's target race for the year. He is currently in good form and I think that he is in with a good chance this time around. Hopefully, we will see him in the winner's enclosure on the day." Rathgar Beau beat Moscow Flyer (IRE) into second place in the Kerrygold Champion Chase in Punchestown last April.

In the past, this has been a very lucky race for Limerick-based trainer Michael Hourigan. Dorans Pride (IRE) won this race on 4 consecutive occasions and Beef or Salmon (IRE) won it in 2002 when running over fences for the first time. Michael hopes to continue this trend and this year he will be entering Hi Cloy (IRE). "He ran in Galway on Monday and came second. That was a great come back after a year off and I am very happy with him. I have high hopes for him in the Clonmel Oil Chase this month." Hi Cloy won the prestigious Power's Gold Cup in Fairyhouse in April 2004 when he recorded a narrow victory over the current Cheltenham Gold Cup holder Kicking King (IRE).

Another strong contender in the race is the Noel Meade trained Always (GB). Following a recent Grade 2 win in Gowran Park, Noel thinks that Always is in with a good chance at Clonmel. "He has won two good chases recently, one in Gowran the last day and one in Galway.

We will be looking for good ground. If the ground is not too heavy he will be in with a good chance."

Ground Ball (IRE), owned by J. P. McManus and trained by Charlie Swan is another possibility for the race. Having won at Navan in early October, Ground Ball is showing good form at present and should not be ruled out. Charlie mentioned that he might also enter Strong Project (IRE) saying, "Both horses have won plenty of races and are in good form. The Clonmel Oil Chase is a good possibility for either horse."

Also of great importance to overseas runners is the Generous Travel Allowance of €500 that will be contributed by the racecourse towards the travel expenses of each unplaced British / overseas trained horse that races at Clonmel.

## Race Programme For Clonmel 17th November 2005

## APPEAL DATE SET

Thursday November 24th is the date set aside for the British Jockey club appeals hearing into the running and riding of the horse Harringay at Towcester recently.

Both the rider Timmy Murphy and the trainer Henrietta Knight will attend the hearing. Jockey Murphy was originally banned for 14 days from the 14th to the 27th of November but due to the appeal he can now ride during this period.

## ADDITIONAL FIXTURE

Horse Racing Ireland has granted Clonmel an additional fixture on Wednesday December 7th.

## LOCAL SUCCESS AT FAIRYHOUSE

There was no shortage of local success at the Fairyhouse fixture held on the Wednesday of last week. Twenty-Four hours after winning at the same venue Mooncoin trainer Eoin Doyle saddled The Fonz to score once again under Garrett Cotter. The Fonz is proving a great money-spinner for the yard having won in the UK as well.

Whenever Kilmacthomas trainer David Kiely books Ruby Walsh for one of his entries always take note as the partnership boast an excellent strike rate. They teamed up at this meeting to score with the well-supported Liscooney who found plenty under pressure to justify 11/8 favouritism.

David Casey was also on the mark at the venue while 21-year-old Joe Burns rode his first ever park meeting winner guiding Henry De Bromhead's 20/1 outsider Sizing America to victory in the bumper. Joe already has two point-to-point victories under his belt.

## COUNTY WATERFORD SUCCESS AT THURLES

The Heinz Pollmeir owned and John Kiely trained Campanello ran out a 10/1 winner of a maiden hurdle under Paul Carberry at Thurles last Thursday. This half sister to the Nicky Henderson trained Carriacoala will make a very valuable brood mare in time as she is a previous winner of three flat races in Germany and France.

## BREEDERS CUP ATTENDANCE

Over 54,000 people attended the Breeders Cup Meeting recently staged at Belmont Park, New York.

## A LOT OF TRAINERS

Did you know that recently crowned British Champion Flat jockey Jamie Spencer rode winners for 58 different trainers en route to winning the championship? His agent Chris McGrath must take some of the credit as he booked the champion jockey with some choice mounts during the flat campaign.

## POINT-TO-POINT SUCCESS

Did you know that Best Mate ran in two point to points before in this country before being sold to race in England? In February 1998 he pulled up at Lismore but came good next time out in March 1998 obliging at Tuam. On both occasions amateur Mr A G Costelloe had the mount on Best Mate.

## ADDITIONAL DATES FOR WEXFORD

Wexford races were recently granted two additional fixtures this year on Friday November 18th and Sunday November 27th.

## FLAT JOCKEYS GO HURDLING

There is a special race over hurdles at Haydock next Saturday when in a special challenge race the flat jockeys take on their National Hunt counterparts. The flat team consists of Jamie Spencer, Eddie Aherne, Kevin Darley, Dane O'Neill, Tony Culhane, and Neil Callan.

Tramore based trainer Paul Roche and his brother jockey David teamed up at Naas last Saturday to capture the concluding bumper with the Ann Roche owned City Deep this Taipan gelding fairly sprinting up the home stretch to record an impressive victory.

## CHELTEMHAM UPDATE

The three-day Paddy Power festival of racing provided some excellent fare over the weekend. Trainer Martin Pipe and jockey Timmy Murphy had a rewarding three days and sent out Our Vic to a great win in the featured Paddy Power Gold Cup. After an early mistake Monkerhostin ran on through the field to finish a gallant runner up but this was certainly Our Vic's day.

## MAJOR UPSET

Moscow Flyer had his wings clipped by Central House in the Fortria Chase at Navan on Sunday when the two-mile champion chaser failed to quicken in the closing stages. Trainer Jessica Harrington was not to be disappointed however and expects her charge to improve on that effort in the Tingle Creek Chase.

Tramore pilot Garry Hutchison was reunited with Solerina and this odds on favourite duly romped to the expected easy win.

## A DOUBLE FOR ROBERT

Waterford amateur Robert Widger was in double winning form at a Point-To-Point meeting at Mallow on Sunday last. At the same fixture former high-class chaser The Bunny Boiler resumed winning ways in the open race.

## LIKE-A-BUTTERFLY RETIRED

Winner of 12 of her 17 career starts, the Christy Roche trained Like-A-Butterfly has been retired to the paddocks and will be covered next season. She won five Grade One races and earned over €450,000 in win prizemoney alone. A late starter to the game, she did not make it to the racetrack until the age of seven but quickly made up for lost time by winning her first 8 races including the 2002 Supreme Novices Hurdle at Cheltenham. One of her most memorable victories came in the 2003 AIG Europe Champion Hurdle at Leopardstown when she defeated Limestone Lad by a head in a spine tingling finish but she was unable to repeat that performance when down the field in the Smurfit Champion Hurdle at Cheltenham six weeks later. Injury ruled her out of the 2003-2004 season but she returned last year to become one of our top staying novice chasers with victories in the Grade One Power Gold Cup at Fairyhouse and the Grade One John Smith's Mildmay Novice Chase at Aintree on her last two racecourse outings.

## QUALITY FIELD SET FOR CLONMEL OIL CHASE

Thursday's €60,000 Clonmel Oil Steeplechase over two and a half miles has attracted a fine entry and a possible clash between last year's winner, Rathgar Beau, trained by Eamon Sheehy and War Of Attrition, trained by 'Mouse' Morris. Rathgar Beau will be making his seasonal debut on Thursday after enjoying an excellent season in 2004-2005 while War Of Attrition will be strongly fancied to follow up his victory over Kicking King in the Daily Star Chase at Punchestown last month. The likes of Ground Ball, Mossy Green and Well Presented are also entered and a fascinating race is in prospect.

## MURTAGH SET TO RIDE OVER HURDLES

Three time champion jockey in Ireland, Johnny Murtagh has announced his intention to ride over hurdles during the winter months to keep his weight in check and to keep fit. Murtagh did briefly ride over hurdles about ten years ago but states that he is more ready for it now and sees it as a fresh new challenge. He is particularly looking forward to renewing his association with the Michael Halford trained Golden Cross, on whom he recently won the Leopardstown November Handicap, as this one will be trained with the World Hurdle at the Cheltenham Festival very much in mind.

## Irish Racing Review (7th Nov - 14th Nov)

### EASY FOR THE FONZE

Trained by Eoin Doyle, The Fonz (4/1 favourite) proved to be the easiest winner of the afternoon when taking the Book Early For Easter Handicap Hurdle at Fairyhouse on Tuesday before following up over the same course twenty four hours later, both times in the hands of Garrett Cotter.

### MOSSBANK ON THE MARK

The Michael Hourigan trained Mossbank (8/13 favourite) confirmed the good impression he created when scoring at Limerick last month with a comfortable success in the St Margarets Novice Hurdle at Fairyhouse on Wednesday and is likely to step up in class for his next outing.

### NO TROUBLE FOR MCCOY

Trained by Christy Roche and ridden by multiple English Champion jockey, Tony McCoy, Far From Trouble (5/2 favourite) had little difficulty in taking the second division of the Irish Stallion Farms E.B.F. Beginners Chase at Thurles on Thursday while earlier in the afternoon, Ruby Walsh made all on Willie Mullins' Mossy Green (100/30) to win the Thurles Steeplechase in good style.

### SPOT THE DIFFERENCE STRIKES AGAIN

Enda Bolger's Spot The Difference has become something of a real course specialist over the cross country course at Cheltenham and he recorded a fourth victory in a row at Cheltenham on Friday. The 13/8 favourite was given a fine ride by John Thomas McNamara and is likely to head back across the water for the cross country race at the Cheltenham Festival next March.

### WATSON LAKE IN CONTROL

Noel Meade's Watson Lake (4/7 favourite) comfortably justified odds on favouritism in the Woodlands Park 100 Poplar Square Chase at Naas on Saturday. Jumping well throughout under Paul Carberry, this talented seven year old defeated Green Belt Flyer (12/1) by two and a half lengths to make it two wins from two starts this season.

### OUR VIC ANOTHER FOR PIPE

Trainer Martin Pipe has a wonderful record in the Paddy Power Gold Cup and he saddled his seventh winner of this race in the last ten renewals when Our Vic (9/2 favourite) defeated Monkerhostin (5/1) by two lengths at Cheltenham on Saturday. Our Vic showed no signs of the jumping problems that hindered him last season and was the highlight of an excellent treble on the day for the stable with Timmy Murphy again showing his skill in the saddle to great effect.

### FLYER FLOORED AT NAVAN

The brilliant Moscow Flyer only tasted defeat for the second time in twenty one completed steeplechase races when outpointed by the Dessie Hughes trained Central House at Navan on Sunday. The 4/11 favourite had every chance of victory from the second last but was unable to get past Central House (8/1) who eventually won by three lengths. On a fine day's racing there were good performances from Edward O'Grady's O'Muircheartaigh in the Bank Of Ireland 'For Auction' Novice Hurdle and Arthur Moore's The Railway Man in the beginners chase while the ever popular Solerina (4/6 favourite) got back to winning ways when beating Back In Front in the Philips Electronics Lismullen Hurdle.

### A NEW STORY SCORES AT LIMERICK

Nina Carberry was in double form at Limerick on Sunday as she partnered Michael Hourigan's A New Story to justify 7/4 favouritism in the Garryowen Plate Handicap Chase while she was earlier seen to good effect on the Philip Goulding trained Fivestars Allstars (11/2) in the Ladbrokes.ie (QR) Handicap Hurdle.

### ACCORDION ETOILE BEST IN THRILLER

The Paul Nolan trained Accordion Etoile just got the better of a protracted battle with Martin Pipe's Tamarinbleu to win the Independent Newspaper Novice Chase at Cheltenham on Sunday. Although four lengths down rounding the final bend, the 5/2 favourite rallied bravely for jockey John Cullen to get his head in front right on the line to snatch victory by a short head and is now a leading fancy for the Arkle Trophy at the Festival meeting over the same course next March.

### UPCOMING FIXTURES

# Dungarvan United A.F.C. Notes

## WEEKEND SUMMARY

To be blunt, we hadn't any action again this weekend due to a blanket call off by the league although the day put aside for play was fine, all the rain during the week would have resulted in our playing surface being destroyed. Alas it is all schoolboy managers to keep their players on their toes whilst we await further league action.

Our Div. 1 side played host to Thomas Duggan's outfit from An Ghaeltacht in a challenge.

## FIXTURES

Junior Div. 1B St. Otteran's v Dungarvan on Saturday, 19th November at 2.15 pm.

## SCHOOLBOYS

Under 16 League Tramore v Dungarvan on Saturday 19th November at 2.30 pm.

## DEVELOPMENT SQUADS

At this moment in time we have a decent representation from our club at inter-county level with different Waterford schoolboys development squads. Our sole representative at under 12 level is Damien Coward, who to date, is going very well. At Kennedy Cup level we have Colm Curran, Luke Egan, Christopher Murphy who saw action last weekend in Wexford and events saw them all acquit themselves well. Following on from here Mickey Byrne and Kenneth Moore will carry on at under 14 level after a great year with the Kennedy Cup last season. This amount of players would certainly make all the dark days of struggling most certainly worthwhile. Well done to all concerned and enjoy your football no matter what.

## CLUB LOTTO

Our club lotto continues to build on a weekly basis and this is a very encouraging sign. Why not try your luck by purchasing a ticket. They can be bought at Mountains Bar, Enterprise Bar, John Keane's, Beanna Leanna and the Parrish Bar.

## WATERFORD UNITED

Well done to all the players and staff at Waterford Utd on their achievement in sustaining their premier league status for 2006/07. This is a fantastic and remarkable achievement by the blues considering only a few weeks ago the prophets of doom were gathering to give them the last rites. With the loss of managers and players alike coupled with financial worries this is nothing short of remarkable. Former club schoolboy Vincent Sullivan certainly played his part in scoring vital goals to chip in. Again well done to all.

## ASTRO TURF TIMES

The following times are available for hire at this moment in time. Get out and make use of our excellent first class facilities at a reasonable cost.

Monday 8-9 half pitch. Tuesday 6-7 half. Wed. 9-10 half. Friday 7-8 half.

## SATURDAY ACADEMY

Our Academy is thriving at the present time under the steady eye of Joe, David, Stan and others. Why not arrive on any Saturday with your kids to enjoy the fun.

## CLUB MERCHANDISE

News has just reached the hot of the press that very soon we will have club merchandise available to anyone who wishes to purchase items such as windbreakers, hats, sweatshirts etc. at a reasonable cost which includes our club crest. Coming into the winter some of these items will come in very handy indeed to players, club officials and supporters. I have been assured that full information will be available shortly, but remember that any person wishing to order a particular item will have to pay the full amount when ordering from day one in order to make everyone's job that little bit easier. Watch this space for the vital info.

## WEEKEND RESULTS

FAI Junior Cup: Venue Ozier Park  
Dungarvan 2 v Ferrybank 1

At last this tie was played after it originally being fixed for 5 weeks ago. After falling behind after 5 minutes we kept plugging away to draw level courtesy of Mark Crotty. From here we sought for the winner which came with 5 minutes left on the clock. Well done to all.

## CLUB LOTTO RESULTS

No winner. Numbers drawn were 1-2-16. 25 euro each to Tommy Keogh and John Joe Sheehan. Next weeks draw Beanna Leanna on Sunday, 21st November. Jackpot 2,700 euro.

## RACE NIGHT

Our annual Race Night which will be held in the Parrish Bar on Thursday, December 15 at 9 p.m. €10 per horse and all proceeds will go to the development of our club and the facilities. Please support this fundraising venture.

## SINCERE SYMPATHY

Deepest sympathy is extended to the Wall family of Killongford, Dungarvan, on the passing of Mrs. Tess Wall. The name Wall has been synonymous with Dungarvan United down through the years. Every facet of our club, whether it be administrative, management or playing, the Walls have played their part. To all the Walls and their extended families and friends we offer our sincere condolences. May she rest in peace

# The Chelsea Trip

The enjoyment shared by all on this trip can be measured by the comments passed. Pat Grant Snr: "the greatest weekend in the 13 years of the branch". Every member inside Old Trafford thought it was: "the loudest and intimidating atmosphere ever experienced at a match bar none".

The weekend began on Friday for some and a flight delay on Saturday morning out of Cork. We hoped it was not a bad omen!

We arrived at the hotel and everyone dropped the bags and headed for a bit of retail therapy in the world famous Trafford Centre and the less adventurous to the Lowry Shopping centre. By 7 o'clock, everyone had returned happy with their purchases.

The main discussion for the remainder of the evening was the match. Who would play, who wouldn't. Onto the match day Sunday. All aboard to Old Trafford and the FANZONE marquee. Guests were Geoff Hurst and Stuart Pearson — pictures and autographs aplenty.

Inside the ground, the noise level rose with every minute and when Darren Fletcher scored the stadium went wild. To Chelsea's credit, they tried to conjure up an equaliser but United stood firm for an amazing result.

After the match, we gathered at the designated meeting point to meet Ruud Van Nistelrooy for a presentation. After a long wait, the legend came out. All got an autograph or two and a photo. Ruud was more than happy with the Comeragh Crystal Bowl commissioned for him with our branch logo on it.

Back to the hotel and an added bonus as Branch President John O'Shea was waiting with his parents Mary and Jim and his girlfriend Yvonne who celebrated the victory with us.

John was presented with one of our Branch Tankards and was suitably impressed with the design. We celebrated long into the night and the buffet and drinks went down a treat to all present.

PS — When Maurice says Fletcher for the first goal, we will listen the next time!

## Minor County Football Final

It's always a pleasure to write about County Final winning teams but it's a real pleasure to write about this particular team. Having been given a beaten by a superior and physically stronger De-La-Salle in the Minor Hurling County Final you might expect some of our lads to arrive at Fraher Field last Sunday with some fear and trepidation on their minds. However our own supporters never mind De-La-Salle arrived at Fraher Field in more hope than certainty ingrained in our heads and didn't really bank on this mighty group of players pulling off a marvellous victory. A marvellous victory it was for sure and great credit must go to Captain Jason O'Brien and his merry men as well as Bernard Gorman and his team of mentors. Hats must be taken off to all involved because it can't have been easy after losing the hurling.

It's been quite awhile since our Minor Team fronted up on a Senior County final day due to circumstances outside of this club's control. But by japers they left no one in doubt at the finish that they deserved this win and did so with some style. We got off to a flying start when Jason O'Brien met a lobbing ball and fisted the ball over the bar. In fact the ball could have ended up in the net on another day. But it would be true to say that the first half belonged to favourites De-La-Salle who looked stronger but kicked some woeful wides as they played with the advantage of a slight breeze.

John Gorman who did not play in the Hurling County Final because of injury came back and kicked two frees in the first half which the hard working Sean O'Hare had won with his driving play. A feature of the first half was a wonderful cross field pass from Mark "Furry" Ferncombe to John Gorman who leaped into the air as if he was on the Red Bull and pulled the ball out of the air over his head. At half time with De-La-Salle on top the score was De-La-Salle 1 goal and 2 points to Courty's 3 points. It was the magnificence of our defence and midfield that kept the De-La-Salle scoring to a minimum.

On the resumption it looked like more of the same as De-La-Salle tacked on 1 goal and a point to leave the score at 2 goals and 3 points to our 3 points. With our defence at its meanest and none more so than Brendan Walsh who gave a man of the match type performance and the midfield driving force of Sean O'Hare Courty began to build on the impossible. John Gorman with a free started a wonderful sequence of scoring which transformed this game as our boys rose from the ashes like the famous phoenix. Captain fantastic Jason O'Brien took a neat pass from Mark Ferncombe to score a super point. James

O'Mahoney stepped up to the plate and scored a wonderful point on the run with his left boot. Then Shane Delahunty while working his socks off refused to let a ball get away from him. "Dela" having won the ball passed to the industrious James O'Mahoney who in turn found Jason (he who dyed his hair normal) Healy who then flicked the ball to the waiting Mark "Furry" Ferncombe who then dispatched the ball to the back of the net. What a turn a round at this stage Courty were 1 goal and 6 points to 2 goals and 3 points for De-La-Salle. As they say these days "Game On".

While De-La-Salle were still working out what was going (like the rest of us of course) Jason "Sars" O'Brien took a pass from "Furry" to score the leading point. Diarmuid Sheehan then got in on the act scoring an excellent point after receiving a pass from that man again "Furry" Ferncombe. Jason Healy popped a mighty pass again to his buddy "Furry" who scored an exceptional point. Then we had a great run from Sean O'Hare who's driving runs forward all day were a huge factor in Courty's win, passed the ball to Jason Healy who deservedly got on the score board. The icing on the cake came when Mark "Furry" Ferncombe beat the De-La-Salle goalkeeper for the second time.

The final score Ballinacourty 2 goals and 10 points to 2 goals and 3 points. Stephen Enright in goal has grown in stature all year and his imposing presence on the goal must put the fear of god into any self-respecting full forward. His kick outs to our outstanding midfield has had a huge bearing on Ballinacourty's victories this year. On Sunday we saw one mean defence who continually put their bodies on the line.

The full back line of fearless John O'Driscoll, the surging Diarmuid O'Hare, Brendan "everywhere" Walsh and the hard working Eoin McCullagh were all outstanding.

Our half-back line of Eoin Bracket (cometh the hour cometh the man) was exceptional on one of De-La-Salle's better players. Richie Foley was once again majestic at centre back while the huge surprise package Alan "Guzzy" Sheehan looked right at home at right halfback as if he played there all his life.

The engine room at midfield of Sean O'Hare and James O'Mahoney for sure covered every blade of grass in Fraher Field. They were exceptional.

The half forward line with Shane "Dela" Delahunty playing his best game ever in the County jersey. Captain Jason "Sars" O'Brien was like a sleeping giant and boy when he stepped up in the second half he was awesome to say the least. Jason Healy who dyed his hair for the game did Trojan work setting up two scores and scored a mighty point also.

The full forward line really came into their own in the second half with Diarmuid Sheehan getting on the scoreboard as he also worked his socks off

for the cause. Mark "Furry" Ferncombe at full forward scored 2 goals and 1 point and had a hand in 3 more scores while he tortured the De-La-Salle defence. Big John Gorman in height but also big in stature and in heart returned from injury and roamed the field like he was never away. Corner forward, centre forward and mid field at different times in the game he was masterful. John also kicked 3 magnificent points from frees. Stephen Slater deservedly got his run as he made an immediate impact when coming on.

This was a magnificent team effort and not alone from the lads who played but those on the line who did their bit through the year.

They were Donnacha Enright, Stephen Lanigan, Alan Tobin, Billy Ryan and Jamie Organ. Spare a thought also for Donal Henley and Anthony Flynn who picked up injuries in the campaign and had to also sit it out on the sideline.

For the record the team was as follows Stephen Enright, John O'Driscoll, Diarmuid O'Hare, Brendan Walsh, Eoin Brackett, Richie Foley, Alan Deegan, Sean O'Hare, James O'Mahoney, Shane Delahunty, Jason O'Brien (Captain), Jason Healy, Diarmuid Sheehan, Mark Ferncombe and John Gorman. Substitutes used were Eoin McCullagh and Stephen Slater.

Other lads on the line waiting the call were Donnacha Enright, Stephen Lanigan, Alan Tobin, Billy Ryan and Jamie Organ. Donal Henley and Anthony Flynn were injured.

Our Scorers were Mark Ferncombe 2 goals and 1 point, Jason O'Brien 3 points, John Gorman 3 points, James O'Mahoney, Diarmuid Sheehan and Jason Healy 1 point each. The final score 2 goals and 10 points to 2 goals and 3 points. Jason O'Brien made a mighty speech after receiving the cup with three mighty cheers for De-La-Salle. As always and as befitting the great club they are De-La-Salle were very gracious in defeat. As was stated earlier great credit must go to Jason and the lads but credit must also go to the back room team of Bernard Gorman, Pat Joe Lanigan, Paudi Donnelly, Seamus Murray and Jim O'Mahoney. It can't have been easy to pick these lads up after the hurling defeat but a marvellous job was done when it needed to be done.

Also great credit to Jimmy O'Leary who is there through thick and thin particularly during training nights when it would be easier to sit by the fire especially in this weather. To the first aid men Thomas Kiely and Michael Scanlon who always man the line.

Also on the line last Sunday assisting were Chairman Tony Mansfield, Vice Chairman Tom Whelan, Kevin Tobin, Mattie Kiely, Mark Gorman, Pat McGovern and Tiarnan Murray. What a day to remember. It was also brilliant to see so many supporters out to shout for the lads and for sure we got our money's worth.

## UNDER 8'S

It was great also to see our under 8's along with the Nire give an exhibition of football. For sure football is alive and well in Waterford. Well done to Mick Collins and his team for giving the young lads a chance to play on the hallowed turf of Fraher during a county football final. Well done to all involved.

Enright Eurospar Sponsorship Also well done to Ger Enright of Enright Eurospar of Abbeyside for sponsoring Shirts, Jackets and Gear Bags for the County Final. Our lads and even the mentors looked great togged out in their new club gear.

## UNDER 21 WESTERN HURLING FINAL

Good people you came out in force last Sunday for the Minor Football Final. Please come out again for the under 21 Western Hurling Final. This will be played on Saturday the 26th of November at Lismore. The throw in is at 2.30pm. Don't be shy about asking anyone for a lift. It makes a huge difference to the players to hear supporters shout and cheer them on. So please put this in your diary. Not a game to be missed after all we are County under 21 Hurling Champions. Let's get out and support the lads.

## CHRISTMAS DRAW

It seems only awhile ago we were writing about the Christmas draw and here we are again. Yes folks its coming your way and we ask all club members to dig deep for the Christmas draw please. It takes a lot of money to keep this great club of ours going so please don't be shy when asked to support this draw.

## CLUB SHIRTS

Club tops are now available and can be purchased from Mary Gorman. These are brilliant value at €30 each and if you have seen any of the lads or lassies a round the village in the last week you will agree they are exceptional value. Limited supply right now. Money then Shirt please. As Mary herself would say 1st come best dressed. Will make great Christmas pressies and this lady knows what she's talking about.

## SYMPATHIES

The club would like to offer our sincere sympathies to the O'Brien family on the death of Sean O'Brien brother of Seamus. Sean was our first winning captain on an Abbeyside Junior Hurling in 1950. He also played on our first senior hurling team in 1951. Sean received a guard of honour from many club members on his final journey from Kiely's Funeral home Dungarvan to the Abbeyside Church. Seamus who we extend our sympathies to needs no introduction. A man who has given his life to the GAA and is currently on the highest Management Committee at Croke Park. Ar dheis de a raibh a ainm.

## PLAYING FIELD

A reminder to all that permission granting use of the field can only be received from our Club Secretary Bernard Shields who can be contacted on 058-41467.

## National G.A.A. Club Forum

Over 1300 delegates from all over Ireland attended the first ever G.A.A. Club Forum in the INEC centre, Killarney last Saturday. All matters concerning G.A.A. Clubs were discussed, including Games Development / Go Games (which Cois Bhríde participated in this year), Discipline, Development of playing facilities, Insurance, Club Constitution, Communications - IT / PR, Refereeing, Drug and alcohol abuse, Club Planning and development, and of course, the topic that everyone wanted to comment on, Club v County issues. A special Club Fixtures Task Force was set up to look into all aspects of how clubs were coping with the pressures of Club v County problems, and their conclusions wouldn't come as any great shock to most people involved in G.A.A. Clubs. They found that a very large percentage of clubs had virtually no matches between May / June / July / August, and a glut of them in the Spring and Autumn / Winter, that present intercounty fixtures make it impossible to plan Club Championships, and that Intercounty team managers seem to be in control of County Boards regarding club fixtures. No news there. Some of their recommendations included less intercounty matches, scrapping the Railway Cup, likewise the U-21 Club Championships, panelists numbered 20 to 30 of intercounty teams be allowed to play for their clubs at all times, and a few more. It may not amount to much, but the feeling in the grassroots is that changes will have to be made, and perhaps the powers that be in the G.A.A. will sit up and listen now. The conference was also treated to contributions from Kevin Heffernan, Donal O'Grady, and Darragh O'Chinneide who spoke very eloquently indeed. No doubt this will become an important fixture in the G.A.A. calendar for many years to come.

## Baile Dubh agus Baile Mhic Gunnair Abu!

We take the opportunity this week to salute the hurlers of Ballygunner, who beat Limerick kingpins Garryspillane last Sunday week, and local team Ballyduff, who after winning the Intermediate Co. Final last Saturday, then beat the Tipperary champions by 8 points 24 hours later to advance to the next round also. Well done lads, keep the Deise flag flying!

# Ballyduff Win Munster Club Clash

**BALLYDUFF 3-13 BURGESS (TIPPERARY) 0-14**

Ballyduff, fielding the same 15 players, who had started on Saturday, scored another impressive victory in their first ever participation in the Munster intermediate hurling championship. The club had played twice in the senior Munster Club championship (1983 and 1987).

Fresh from their historic victory in the Tipperary championships, Burgess raced into a six points lead, 0-10 to 0-4 with Ballyduff obviously feeling the effects of the final on the previous day.

With just six minutes of the opening half remaining, the Waterford champions came to

life in stunning style and rattled home 1-3 without rely.

The second half saw Ballyduff almost comfortably in control and added a further 2-8 to their halftime tally to score what was a fully merited and historic victory very much against the odds.

Ballyduff Scorers- B. Han-

non 2-8 (total 2-15 for the 2 games), P. Kearney 1-2, J. Kearney 0-3.

S. Kearney, and A. Martin 0-1 each. Burgess - T. Scoop 0-8, D. O'Brien 0-4 J. Maher 0-2.

Ballyduff team was the same as that which fielded for the county final.

Referee C. McAlester, Cork.

## BALLYMACARBRY LADIES FOOTBALL CLUB NEWS

**BALLYMACARBRY 2-14 KILROSSANTY 0-4**

Ballymacarbry qualified for the Minor A County Final by defeating Kilrossanty at Bushy Park last Saturday afternoon. The new pitch at Bushy was in excellent condition as Ballymac' ran out deserving winners although it has to be said Kilrossanty missed a number of good chances.

Ballymac' played with the breeze in the first half and

Sinead Ryan shot 2 early points. Brid Ryan, Sinead Ryan and Louise Ryan added further points to leave Ballymac' 0-5 to 0-0 ahead after 10 minutes. Then centre back Eibhlis Cooney raced up field and unleashed a great shot which was well saved by the Kilrossanty keeper.

The points continued in Sinead Ryan, Louise Ryan,

Aoife Reynolds, Brid Ryan and Michelle McGrath edged Ballymac' into a 10 point lead before a crucial score came in the 28th minute as Mairead Wall's long drive from way outfield ended up in the back of the net. Sinead Ryan added 2 further points to leave Ballymac' 1-12 to 0-0 ahead at the interval.

Kilrossanty had the breeze at their backs in the 2nd half and began determinedly kicking 2 points but Ballymac' replied in the 42nd minute as Aoife Reynolds took a pass from Sinead Ryan and drove the ball to the net. From the kick out she added a point. Kilrossanty responded and keeper Laura Cronin made 2 excellent saves. Kilrossanty were awarded a 54th minute penalty. Michelle McGrath saved Jenny Kirwan drive and although Jenny drive the rebound to the net the penalty was ordered to be re-taken because of encroachment and again Michelle McGrath saved. Kilrossanty added 2 good points but Sinead Ryan had the final say with a point from a 30 metre free.

This was Ballymac's 3rd consecutive minor win but the final is likely to prove much tougher. Laura Cronin had a fine game in goal, the full back line of Ann Marie McCarra, Michelle O'Gorman and Louise Prendergast marked tightly. Eibhlis Cooney gave great leadership at centre back well aided by Gillian Moore and Brid Whelan, Louise Ryan and Michelle McGrath dominated and mid-

field. The favourites got some excellent scores from Sinead Ryan, Mairead Wall, Aoife Reynolds and Brid Ryan. Whilst Niamh Fahey, Hayley Lonergan and substitute Laura Gleeson also contributd.

Ballymac' Laura Cronin, Ann Marie McCarra, Michelle O'Gorman, Louise Prendergast, Gillian Moore, Eibhlis Cooney, Brid Whelan, Michelle McGrath (0-1), Louise Ryan (0-1), Mairead Wall (1-0), Sinead Ryan (0-7), Niamh Fahey, Hayley Lonergan, Brid Ryan (0-2), Aoife Reynolds (1-2), Subs Laura Gleeson, Ashling Kearney, Kate Prendergast and Ciara Gough.

### NIRE STILL THERE

The Nire remain very much in contention for senior football honours after a draw with Stradbally in the County Final. There is no reason why they can't win the replay.

### SYMPATHY

Deepest sympathy to the Ryan family, Knockalisheen on the death of Tommy (Healy) Ryan. Tommy was a great supporter of ladies football travelling to Dublin on several occasions for All Ireland Finals. He was in O'Connor's Park in Tullamore when Ballymac' won the first All-Ireland Club title in 1987. In recent years when his health declined and he no longer travelled to matches he always asked the question, "Did the women win?". May he rest in peace.

## Eastern U-21 Hurling Final Postponed

Because no suitable venue was available, the Eastern divisional final involving Mount Sion and Ballygunner was not played on last weekend. A toss for home venue was not agreed to so the board had no option but to defer the game.

It cannot go ahead on next weekend because of Ballygunner's involvement in the Munster Club championship.

## East Intermediate Football Final

The replay of the eastern intermediate football final has been fixed for Saturday next when Kill and De La Salle will renew rivalry in what promises to be another cliff hanger. Probably at Walsh Park.

Here in the west the champions, An Rinn are patiently waiting to meet the winners in the county final which is fixed for Fraher field.

## Under 21 "B" Hurling County Final

Western champions, St. Olivers will need to be at their very best to take this title when they take on Passage at Walsh Park on Saturday next.

Passage were defeated by Brickey Rangers in the final in Dungarvan last year and are reported to have the majority of the same panel available.

A win for Olivers would certainly be a deserved reward for their perseverance at underage level over the years.

We wish them the best of luck.

## Intermediate Football Relegation Game

**Sliabh gCua 1-10 Affane 0-11**

This game was moved from Lismore to Old Parish on Saturday and was splendidly contested before Sliabh gCua ran out narrow winners to retain their intermediate football status for next season.

Four players, three from Sliabh gCua and one from Affane received marching orders during the game.

## County Convention

On last weekend, clubs in the county received their motion and nomination papers for the county convention. These must be returned to the county secretary not later than November 27th. Late returns will be discounted.

# Western Champions Ballyduff Make No Mistake in Replay

Ballyduff Upper, County Intermediate hurlings champions 2005. They defeated Passage 1-15 to 0-8 in the final.

## BALLYDUFF 1-15 PASSAGE 0-8

A ten points winning margin shows a decisive gap in standards in any match and here it clearly illustrated the measure of Ballyduff's superiority in a

replay that bore little resemblance to the drawn match at the same venue a week earlier.

Ballyduff had obviously done their homework in analysing the

strong positions on the opposition of a week previously. This was seen to good effect when Passage star Anthony Brett, man of the match a week earlier, was held to a single score from play and had to rely on frees to bring his total to five points - much lower than in the drawn match.

Brendan Hannon scored an opportunist first half goal to leave Ballyduff enjoy a 1-7 to 0-6 halftime lead.

The fact that Passage scored only two second half points in response to Ballyduff's eight scores gave a fair indication of the extent to which the western champions dominated the second half.

Scorers: Ballyduff - B. Hannon 0-7, B. Kearney 1-1, J. Twomey 0-2, J. Kearney 0-2, M. Molumphy, P. Kearney, S. Feeney 0-1 each; Passage - A. Brett 0-5, P. Glavey, T. Connors, and P. Connors 0-1 each.

Ballyduff - A. Power, D. Hannon, M. Drislane, P. Molumphy, S. Cunningham, G. Feeney, S. Hannon, S. Molumphy, J. Twomey, T. Kearney, M. Molumphy, J. Kearney, B. Hannon, B. Kearney, P. Kearney. Subs. Played - S. Feeney and P. Hickey.

MINOR FOOTBALL CO. FINAL

# Ballinacourty Stage Amazing Rally to Win Their 15th Title

Ballinacourty 2-10 De La Salle 2-3

Abbeyside-Ballinacourty Co. Minor "A" Football Champions 2005. —(Photos by Sean Byrne Photography).

For a time in this contest it looked as if the only thing that mattered was the margin by which De La Salle would win as in the opening quarter they were totally in control and having beaten Abbeyside in the corresponding hurling county final a few weeks before, a minor double looked certain. Later De La Salle were to rue their reckless scoring attempts which saw them shoot nine first half wides as against

four for the western champions.

Kevin Moran opened for the visitors with a well taken 5th minute goal and the same player followed with two wide balls. Wave after wave of attack saw De La Salle lose chance after chance of scoring.

In the 10th minute Jason O'Brien opened for Ballinacourty with a point, Kevin Moran and Rob Kennedy followed with De La Salle points.

In the final ten minutes of the half, Ballinacourty steadies and showed signs of finding their best form when John Gorman kicked over a brace of points to reduce the visitors lead to three points by halftime - 1-2 to 0-3.

**SECOND HALF**

De La Salle opened again in brilliant style and had the ball in the Ballinacourty net when Patrick Kennedy goaled in the 32nd minute. It looked to be the score that the visitors needed to restore their waning confidence and they attacked again to leave Dean Twomey clear to kick a point in the 34th. minute. Amazingly they were not to score again as Ballinacourty fought their way back into the game and when John Gorman and Jason O'Brien had points in the 35th and 38th minutes the flow of the final changed dramatically. James O'Mahony kicked a super point to leave them trailing by just a goal. This came only two minutes later when Mark Ferncombe shot the first of his two goals to leave the teams on level terms. Points by Jason O'Brien, Diarmuid Sheehan, Mark Fern-

combe and Jason O'Brien saw Ballinacourty in clear control and the real killer punch for De La Salle came in the 60th minute when Mark Ferncombe sent an unstoppable shot to the losers net.

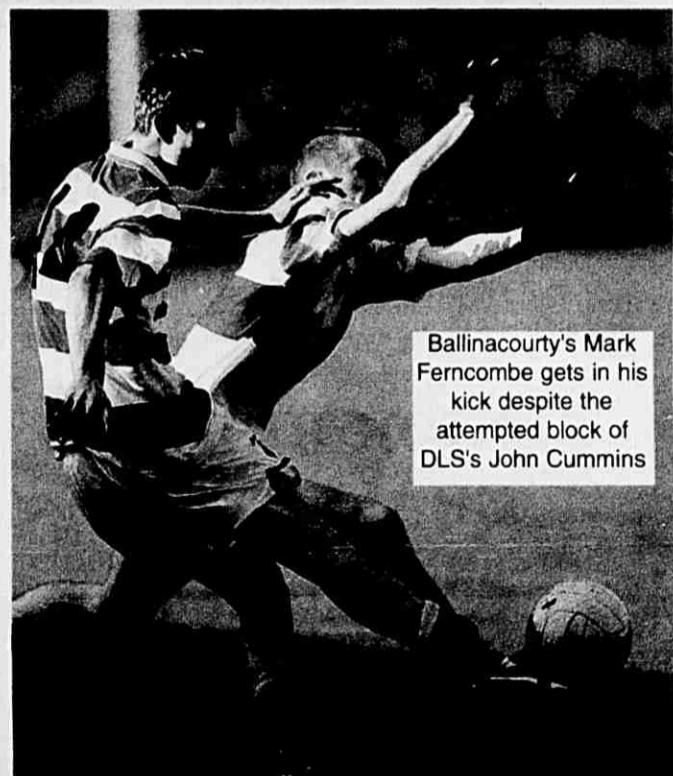

For Ballinacourty this was a tremendous victory and a final in which every player involved gave of their best in a deserving win.

The trophy was presented to team captain Jason O'Brien by the county board chairman, Pat Flynn amid scenes of great celebration

Ballinacourty - S. Enright, J. O'Driscoll, D. O'Hare, B. Walsh, E. Brackett, R. Foley, A. Deegan, S. O'Hare, J. O'Mahony, S. Delahunty, J. O'Brien, J. Healy, D. Sheehan, M. Ferncombe, J. Gorman.

# Ballyduff's Double Triumph Within 24 Hours

I cannot recall having seen or heard of a comparable achievement in this county and in saying this I feel that I am speaking for all people who take an interest in historical facts in the county.

On Saturday Ballyduff West made a return round trip to the

Ballygunner camp to replay Passage in the county intermediate hurling final and after a smashing display came off deserving winners to qualify for a meeting with their Tipperary counterparts, Burgess.

This fixture was a first round of the Munster intermediate

hurling championship and was scheduled for Lismore for the following afternoon or exactly 24 hours after the Waterford county final. Ballyduff did not hesitate in deciding to fulfil the fixture and the challenge. This meant cancelling their well-deserved celebration of winning a

county intermediate hurling title and knowing that a defeat on Sunday would have dampened a celebration afterwards.

But all this is a story with a very happy ending as Ballyduff went on to record another victory and qualify for a meeting with the Limerick intermediate county champions Granagh/Ballingarry in the provincial semi-final on next Sunday. This game is also fixed for Lismore.

## Munster Draws

Waterford must be fairly well pleased with the draw for the Munster senior hurling championship which saw us receive a first round bye and meeting the winners of the Tipperary v. Limerick first round tie, in the Provincial semi-final.

In the other semi-final All-Ireland and Munster champions Cork will play Clare in a repeat of their Munster final meeting last year.

I suppose one could regard it as a tribute to our profile that Cork has expressed themselves pleased that they are not meeting Waterford in the opening round.

The first round bye will give the county that little bit more 'breathing space' and allow us the play a couple of rounds of the senior championships before we engage in the Munster championship.

In senior football we are drawn against Munster champions and All-Ireland finalists, Kerry in the opening round. With the expectation that we will lose to the hottest of favourites, we will play in the qualifier some weeks later.

## National Leagues 2006

The groupings for the National Leagues have been notified to all counties. It has also been decided that there will be no second tier in the hurling league this time round.

Hurling: Group A - Waterford, Cork, Wexford, Clare, Offaly and Down.

Group B - Kilkenny, Tipperary, Galway, Limerick, Antrim and Laois.

Football - Waterford, Wicklow, Westmeath, Sligo, Louth, Tipperary, Cavan, Antrim.

## SENIOR HURLING CHALLENGE

Waterford travelled to Clonmel on Saturday last to take on a Tipperary selection in what has been described as a preparatory challenge match.

Understandably both counties were understrength. Tipperary won by 0-19 to 0-16.

## 2007 MUNSTER CONVENTION

The 2006 Munster Convention, which was scheduled for a Waterford venue in compliance with the rotation of county policy, has now been officially changed and will not take place in this county until 2007.

Cork will host the meeting next year at our request in order to allow Jimmy O'Gorman be installed as Munster chairman in his own county when he takes over in the following year.

The venue will be selected in consultation with the Waterford County Board.

## Co. Football Selectors

The football selectors for 2006 will be John Kiely (Manager Senior Football), with Tom Condon, Sliabh gCua, Pat Curran, Stradbally and Ger Power, Rathgormack.

The under 21 football selectors are Nial Moore, Ballinacourty, Pierre Whyte, Kilrossanty and Tony Corcoran, St Saviours.

## MUNSTER CLUB SENIOR HURLING CHAMPIONSHIP

# Ballygunner Take On Clarecastle in Semi-final at Fraher Field

This very attractive hurling tie is sure to attract a huge crowd to Fraher field on Sunday next where the game holds centre stage on the weekend programme of games.

The match was originally fixed for Walsh Park but because of the threat of unfavorable weather conditions it was wisely decided to avoid the risk of fixing it for there. The venue is earmarked for major development and drainage similar to what was successfully carried out at Fraher field.

A win for the 'Gunners would put them into the Provincial decider and provide them with another chance of winning their first Munster title in this championship.

So far only two Waterford clubs, Mount Sion and Ballygunner have appeared in Munster Club finals. Ballygunner 1996 and 1999 and were defeated in both. Mount Sion has played in 8 Provincial final and were agonisingly defeated by a single point (1-14 to 1-13) by Toomevara in last year's decider. Mount Sion won the title for their one and only time in 1981 (3-9 to 1-4 for the Limerick champions, South Liberties).

Clarecastle received a first round bye and therefore have not been tested outside the Banner County.

On the last occasion on which the sides met back in 1997, the game was also fixed for Walsh Park but had to be transferred because of the condition of the field after incessant rain and was played in Thurles. Clarecastle won on a score of 1-16 to 0-16

This time round the new Wa-

terford champions, Ballygunner have a number of young players replacing a few of their better-known reliables who are approaching the veteran stage. A number of the new players were seen to good effect in the match with the Limerick champions.

It is certainly not going to be an easy one to win, but the venue and the huge 'home' support may help to swing the game for the Gunners.

## Sean O'Brien R.I.P.

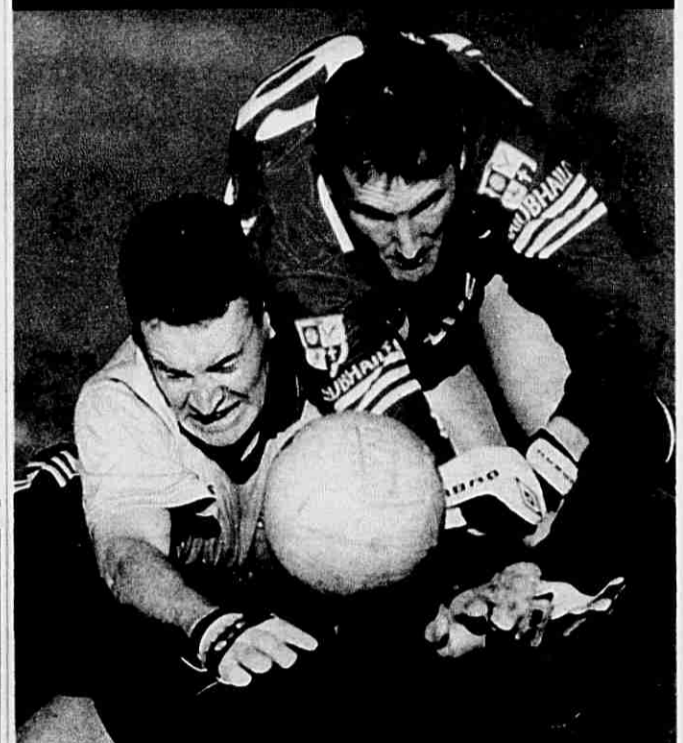

While the highlight of Sean's hurling career was undoubtedly his role in leading Abbeyside to their first junior hurling county title back in 1950 when he captained the team, he also enjoyed success when playing in the county final with Brickey Rangers in 1945 on a side which included many of the great players of the club including Niochlas Mac Craith, Martin Curran, Paddy Joe McGrath, etc. He also played championship football with Kilgobinet as well as minor hurling and football with Abbeyside.

A number of his old colleagues were in the guard of honour provided by the Abbeyside club at his funeral on Thursday night of last week. The tricolor was flown at half-mast as a mark of respect to his memory at Fraher field on Sunday last.

# Tough and Tense Senior Football Final Ends All Square at Fraher Field

Reigning champions Stradbally (above) who drew with the Nire (below) in the final of the Lawlors Hotel senior football championship. —(Sean Byrne Photography).

It will not be written into the history books as one of the better county football finals but the result will be recorded as a very fair outcome to a game that was splendidly contested and close enough to keep the 3,500 attendance at Fraher Field on their toes right up to the final whistle.

All the way it was 'man to man' stuff with the amount of body contact being bruising but at the same time fair and sporting.

Both clubs were very well represented but one did detect strong neutral support for the challengers who were the underdogs attempting to prevent the champions, Stradbally from achieving the historic five in a row titles.

Also the fact that in their two previous county final meetings (2002 and 2004) both ended in a draw with Stradbally winning the replay on each occasion.

Each side had played better football in their earlier matches but because of the awful ten-

sion here and each so 'hell-bent' on winning, that there was no room for fancy stuff.

I thought that two super saves by the Stradbally goalkeeper Eoin Cunningham were highlights of the game and factors in keeping Stradbally from going behind. A rocket from Martin Walsh in the 6th minute and Brian Wall at a later stage could be classed as outstanding. At the other end, Michael Doocey, while playing well, was never under the same pressure.

The fact that no score from play was registered until the 26th minute of the first half when Shane Walsh scored following a run involving several players and no score either from a free or from play were recorded for all of 26 minutes of the second half will give a fair idea of the flow of the game and the close marking by each defence.

I know that these matters and other aspects of the final will be analysed by the respective selectors and managers before

they plan their strategy for the replay which goes ahead on next weekend.

#### ATMOSPHERE

There was a great buzz about the place while the crowds poured in to the ground on the sunniest afternoon for a long while. A minor county final that excited the crowd and got them in the mood added to the build up before the teams were paraded by the Thomas Francis Meagher Fife & Drum band from the city.

#### PLAY

Nire played with a slight breeze in the first half and they had the opening score when Alan Lawlor pointed a free in the 5th minute.

Stradbally under early pressure saw Eoin Cunningham bring off a brilliant early save. Nial Curran pointed the champions level in the 10 minute. Alan Lawlor and Nial Curran each had points from frees and

there was a further exchange involving Curran and Shane Walsh to leave the tally at 0-3 apiece after 23 minutes. Another save by the Stradbally keeper followed.

In the 26th minute Shane Walsh kicked over the first score from play to set the Nire ahead but two minutes later Nial Curran had the teams level on 0-4 apiece before Stephen Cunningham kicked over the lead point from play. This score left the county champions marginally in front (0-5 to 0-4) at half time.

#### SECOND HALF

If the first half was featured by close marking then this half saw even more intense man to man stuff with neither side able to break free. Up until the closing stages the features to note were the miss by John Hearne when a goal looked on in the 43rd minute and a similar miss when Ger Power hit the post to

leave the ball fall wide. The Nire were clearly on top throughout the third quarter but this yielded nothing in the way of scores.

In the 56th minute Nial Curran stretched Stradbally's half-time lead and a minute later Shane Walsh brought one back and after a further minute Martin Walsh kicked over the equaliser to leave the score at 0-6 each in the 59th minute.

Stradbally did get two further chances but solid defence work by the Nire defence saved the day for the Ballymac' side.

Following the final whistle, the GAC met to sort out a date and venue for the replay. The fact that the Munster Club hurling semi-final is fixed for Fraher field on Sunday poses a problem as the Waterford football county champions are scheduled to meet Cork champions, Nemo Rangers in the Munster Cup championship on the following Sunday November 27th.

Scorers: Stradbally - N. Curran 0-5, S. Cunningham 0-1.

Nire - S. Walsh 0-3, A. Lawlor 0-2, M. Walsh 0-1.

Stradbally - E. Cunningham, E. Cummins, K. Coffey, T. Walsh, O. Costello, T. Costello, S. Lannon, G. Walsh, J. Hearne, T. Grey, G. Power, S. Cunningham, N. Curran, M. Walsh, T. Curran. Subs played - Pat Weldon for T. Grey, D. Doyle for T. Curran.

Nire - Michael Doocey, D. Ryan, T.O'Gorman, M. Byrne, J. Walsh, A. O'Gorman, L. Lawlor, A. Ryan, S. Walsh, B. Wall, M. Walsh, M. O'Gorman, A. Lawlor, P. Walsh, J. Moore. Subs played - S. Lawlor for J. Walsh, C. Power for A. Lawlor, G. Walsh for S. Lawlor.

Referee Maurice Condon, Clashmore

**Statistics of the game**  
Each team kicked 7 wides. Four of Stradbally's 6 points were from frees and three of the Nire's six were from placed balls. The gate receipts were in excess of €21,000.

Our lotto jackpot is still soaring in the high thousands and is surely going to be scooped up in the next few weeks by some lucky punter. To be in with a chance please continue buying your tickets from the regular sellers. Your support is much appreciated.

### CLUB MEETING

On Wednesday night last we held a meeting in regards to club development and are currently undertaking our home-work which we were given. Also we had two representatives at the national club forum in Killarney on Saturday. Thanks to all for partaking. Its great to see such interest in the club and any new volunteers willing to help out in anyway would be extremely welcomed.

### MUNSTER LEAGUE FINAL

On Sunday morning last we played St Michaels of Cork in Youghal in the final of this competition. We accounted for ourselves well on the day. We started well but didnt make full use of our possession and in the second half Michael's came back strong and won by a solitary point. This seems to have concluded our playing action for the year even though we are left in some competitions they are unlikely to be played until after Christmas but we will keep you informed.

## BALLYDUFF UPPER GAA NOTES

# County Intermediate Hurling Champions 2005

Last Saturday November 12th after just one season at Intermediate level we returned to the senior ranks with a ten point win over Passage in the Intermediate County Final replay which was played in Ballygunner. This was our first County title at adult level for eighteen years and a richly deserved reward for the players as they proved they were the better team over the two days. This time there were no mistakes and no hint of a comeback for Passage. We started well as we had done the previous week but the first half was tighter this time around. Our scores in this half came from Brendan Hannon (0-3) from frees, Brian Kearney (1-1), Jamie Kearney, Patrick Kearney, and John Twomey with a point each to leave us four points up at the break, with the score Ballyduff 1-7 Passage 0-6. We began the second half with points from Brendan Hannon and Stephen Molumphy, conceding just points two and playing excellent hurling never allowed Passage to get into the game as they had done in the drawn game. Further points from Brendan Hannon, Stephen Molumphy and one from Shane Kearney (a special present for Ray Barry from Shane) left the final score Ballyduff 1-15 Passage 0-8.

Pat Flynn Chairman of Waterford County Board presented Mike Drislane with the cup to the delight of the large crowd of Ballyduff supporters who had travelled to Ballygunner for the second time in a week. Mike thanked everybody who had helped to make this victory possible and said he was especially proud of the efforts of the players for the work they had put in throughout the year to get back up to senior grade. Congratulations to all the players and to selectors Maurice Geary (manager), Mossie Casey, and Paudie Prendergast.

Panel was Adrian Power, Donal Hannon, Mike Drislane, Pat Molumphy, Sean Cunningham, Ger Feeney, Seamus Hannon, John

Twomey, Stephen Molumphy, Brian Kearney, Mike Molumphy, Jamie Kearney, Patrick Kearney, Shane Kearney, and Brendan Hannon. Subs were Kevin Martin, Johnny Barry, Seamus Mills, Alan Martin, Richard Whelan, Aidan Feeney, Shane Feeney, and Paul Hickey.

On Saturday's team captain Mike Drislane played with two of his nephews Brian Kearney and Patrick Kearney, and Donal Hannon with his nephew Seamus Hannon. There were three Molumphy brothers Pat, Mike and Stephen and also the other Kearney brothers Jamie and Shane.

Speaking at the after match celebration meal in Lawlors Hotel, Maurice Geary wearing his Chairman's hat this time thanked the players for their hard work and also his selectors, the supporters and everyone who supported the training fund over the past few weeks.

(He also told the players that as a little bonus for them, their reward for winning the county final was a game representing their county in the Munster Intermediate hurling championship the following day.)

Munster Intermediate Hurling Championship

Less than twenty four hours after winning the County Intermediate Championship Ballyduff lined out in Lismore on Sunday November 13th against the Tipperary champions Burgess in the Munster Intermediate championship. This time we started slowly with Burgess getting on top from the throw-in. However a goal from a free from Brendan Hannon when we were six points down 0-4 to 0-10 brought us right back into the game. From here on the lads began to edge their way back and with points from Brendan Hannon, Patrick Kearney, Jamie Kearney, and Shane Kearney we were level at the break with the score Ballyduff 1-7 Burgess 0-10.

In the second half the aches and pains of the game the previous day were nowhere to be seen as our lads showed what they were made of, taking control of the game to restrict Burgess to four points in the half and adding further scores from Brendan Hannon (1-4), Patrick Kearney (1-0), Jamie Kearney (0-1), and Alan Martin (0-1). This left the final score Ballyduff 3-13 Burgess 0-14. Panel was Adrian Power, Donal Hannon, Mike Drislane, Pat Molumphy, Sean Cunningham, Ger Feeney, Seamus Hannon, Shane Feeney, Stephen Molumphy, Brian Kearney, Mike Molumphy, Jamie Kearney, Patrick Kearney, Shane Kearney, and Brendan Hannon. Subs were Kevin Martin, Johnny Barry, Seamus Mills, Alan Martin for Brian Kearney, Richard Whelan for Shane Feeney, Aidan Feeney, and Paul Hickey for Shane Kearney.

Well done to all our players on their performances in this game as it cannot have been easy for them to turnout two days in a row, something that professional players in other sports would not do.

### MUNSTER INTERMEDIATE HURLING CHAMPIONSHIP

Our next game in the Munster Championship will be on Sunday next November 20th in Lismore at 2.30pm against Granagh-Ballingarry of Limerick. Please continue your great support for the lads on Sunday.

### SCHOOL VISIT FOR COUNTY CHAMPIONS

On Monday last November 14th some of our players and selectors paid a visit to St. Michael's National school. The players along with Maurice Geary and Mossie Casey who himself had the honour of visiting the school as a County Senior Final winning captain in 1987 when the present team captain was still a

pupil, received a rousing reception from all the children. Principal Olivia Murray welcomed the players and their selectors to the school and congratulated them on their victories on both Saturday and Sunday.

Maurice Geary spoke on behalf of the adult club, and he congratulated the girls school football team on winning the Western Final on Saturday, he also commiserated with the boys team who lost on the same day.

Mike Drislane spoke on behalf of the Intermediate team and Patrick Kearney spoke on behalf of the Minor team who had won the Western Minor (B) Championship.

It was interesting to see Mike Drislane and his players back in a classroom again and true to form the first thing he asked for was a night off homework for all the children (Old habits die hard Mike).

Thanks to all the teachers for the great work they are doing and for their great welcome.

### CLUB LOTTO

There was no winner of the jackpot in last week's draw which took place in Lindsay's Bar. The €30 winners were Geraldine Tobin, The Corner House Gang, and Tony Morrison.

Next week's jackpot will be €4,100 and the draw will take place in An Sibin on Tuesday November 15th.

### JUVENILE GAA NOTES

Congratulations to Liam Byrne on receiving his U-16 Football man of the match award last week. Indoor hurling continues every Monday and Tuesday nights for our underage players. Membership is now due for these players and can be paid to Eilish Flynn.

### FITZGERALD CUP

The Final of the Fitzgerald Cup in memory of the late Michael Fitzgerald, Crooked-bridge, Lismore, was played on Sunday morning last in Abbeyside. Dungarvan and Lismore reached the final of this competition. Dungarvan proved the stronger on the day defeating Lismore the final result, Dungarvan 4-5 to Lismore 2-3. This brings an end to the Competitions for this year. Great to see Paddy O'Grady out and about once again.

## Ardmore GAA Notes

### SCHOOLS FOOTBALL

Grange and Ardmore NS were in action last Saturday morning as they competed in 3 school finals. Grange NS was competing in both boys and girls football, while Ardmore NS was in the boys final. (Schools were graded by the amount of teachers/pupil's - hence the different leagues).

On the day it was the Grange boys under the leadership of school principal Michael Gildea and Theresa Foley. From the off set Grange seemed to have control of the game. Our Under 12 County football champions were showing well, with Michael French and Kieran Conway continuing their defensive roles. In midfield it was James Salmon and John Power that had the most running to do in the soggy conditions, while up front young gun James Kennedy was ably assisted by Gavin Williams. Stephen Walsh, Tomas Conway, Michael Cronin, Cathal Foley, Eoin Byrne & Billy Looby all played there part when called upon.

Martin Foley played extremely well in goal and his distribution to his outfield players was excellent. With the final whistle came the 1st win of the morning. Grange captain James Salmon was then presented with the winning cup. The team were then able to sit back while playing partners for the club were beginning to bat it out for Ardmore NS. Principal Victor Mullins, along with Ber Keever and Lindsey Harty were anxious to see Ardmore take the honours as well.

Ardmore lined out with Tomas Fitzgerald in goal, his backs were Daniel Power, Tomas Mooney and Liam Power, who locked down the attacking forwards of An Rinn. Midfield was John Gartland and Seamus Keating who seem to link up like brothers when they play together. Up front was Sean Barron, Graham O'Mahoney and David Gartland who supported the midfield to create scores. Interestingly, in the second half, brothers John and David Gartland began in centre field with Seamus Keating moved into the forward line. Peter Bowen and Daniel Tierney where the subs on the day and were called upon to do battle as the game went on. As the game progressed Ardmore took control and came away victorious. Captain Daniel Power was presented with the winning shield. With both NS boys winning it was now down to the girls to make it 3 win out of 3.

This game again from the offset

was in Grange's control, with well taken points and goals from the boot of Olive O'Brien. Captain Marie Byrne controlled the back line with Elizabeth Flavin and Tanya Twomey. Midfield was controlled by Olive O'Brien and Aishling Cronin where both provided the forwards of Aoife Foley, Mary Troy and Aine Power with some great passages of play to create their scoring chances. Rachel French, Niamh Seward, Laura Walsh, Fionna Salmon and Emma Casey all played there part when called from the bench. Grange NS ran out convincing winners and Captain on the day Marie Byrne received the winning cup on behalf of the team.

The club would like to congratulate Michael Gildea principal of Grange NS and also Theresa Foley who has been teaching in Grange for some years. We also extend congratulations to Victor Mullins - Principal of Ardmore NS. We say a big thank you to local teacher Ber Keever who has spent the past couple of years helping the school develop into a fine team, and to Lindsey Harty who is now also providing excellent coaching.

2005 will be a year that the parents and the children of our community will never forget, as it was the springboard year where they tasted success in

### FOOTBALL, HURLING AND INDEED SOCCER

We hope that all parents will continue the interest that was shown this year, and that other parents will become active in under age games.

### SYMPATHY

The club would like to extend its sympathy to Margaret Flavin on the recent death of her father Tommy Flavin. Margaret, Austin and family have a deep connection with the Ardmore GAA. From a management point of view Austin (Snr) was deeply involved with juvenile success down through the years. Sons Austin, Michael and James are actively involved in both Hurling and football with the club.

Our sympathy also to Michael Fahy on the death of his brother, Pat Fahy. Michael, was Garda Sergeant in Ardmore for many years, and his son Dermot play's for Ardmore.

Condolences to Eddie Joe Fitzgerald (Dunhill) on the death of his wife, Kathleen. Eddie Joe was actively involved in the Ardmore Club in the early 60's and was secretary of the club through its founding years. Eddie Joe is still actively involved with the Dunhill GAA Club.

May they rest in peace.

### UNDER 12 WINTER BLITZ

For the next three weeks an Under 12 football blitz will be held under light in the Clashmore GAA grounds. This will be 10 a-side with a panel of 15. The first session will be this Wednesday night at 6:45pm in Clashmore.

### WINTER SKILLS DEVELOPMENT TRAINING

We will continue this again with our winter skills development training at the club grounds. This week we will be extending it to all children between the age of 8-10. As we progress we may be in a position to have the younger groups - 6/7 developing their skill by introducing indoor hurling. We will confirm same in the coming weeks.

## TOURANEENA RACQUETBALL CLUB NOTES

# Gemma A Different Class

The under 11 and 13 girls Munster Championships were held in Touraneena last Friday night. Anyone who saw the under 13 grade were just taken aback by the displays of 12 year old Gemma Cliffe. With absolutely no disrespect to any of her opponents, Gemma was just in a class of her own. Everyone present commented on her superb technique and her ability to put the ball where she wants it to go.

Her commitment to the sport is starting to show now but this is purely down to the effort and time she puts into training. She turns 13 at the end of this month and at the moment she spends a minimum of 5 nights a week drilling balls for an hour. This doesn't count any games that she plays also. This is the effort that someone needs to do to reach the top of their chosen sport. Next weekend she will participate at the National finals in Fermoy and if she plays to the best of her ability, she will have a major shout at to where the All Ireland crown will rest for the next 12 months.

On the night Gemma won the gold, beating her club mate Kendra Hickey in the final. Kendra had earlier defeated Aisling Hickey from Rossmore in the semi-final. This was a very impressive performance from Kendra especially when you consider that she hadn't played a lot of racquetball this season to date. Natasha Cantwell Lloyd qualified for the semi's and won the bronze medal when she defeated Deirdre Ryan, also from Rossmore. Gemma, Kendra and Natasha now qualify for the Nationals next weekend.

In the Under 11 grade, Niamh Walsh won her second provincial title. Clodagh Kearns finished in the silver medal position and Dayna Lawlor finished third.

The under 11 boy's grade saw some of the finest games of racquetball played at this grade in a long time. It was even better again when 3 of the 4 semi-finalists came from our own club. The game between Conor Skehan and Dean Cliffe was as good a game as you'll see at any grade. An

11-10 scoreline in the deciding tiebreaker tells just how close the 2 players were in the end. Conor just survived to play Eoin Kearns in the final after Eoin defeating Kilnamartyra's Daire McLoughlin in the other semi final.

The final was another classic and again it took a tiebreaker to decide the outcome. This time however it was Eoin that held his nerve to win out on an 11-9 scoreline. It could well happen that these 3 players could occupy the top 3 places in the National Finals in Fermoy next weekend.

Cormac Condon ruled supreme in the under 13 grade. In the semi final he defeated Rossmore's Edmond Ryan and then went to win the final in straight games against Seamus Carew also from Rossmore.

We would like to wish the very best of luck to all our players who will be participating in the Nationals next weekend and we are also delighted to see Niamh Coffey coming home from Wales in a bid to secure the Under 21 title.

## WEST WATERFORD JUVENILE ATHLETIC NOTES

### Wins For Shannon O'Brien, Kate Hickey & Michael Tutty at County (B) Championships

For the third time this year West Waterford hosted the county championships at the Friary and it was another successful day for our young athletes.

Shannon O'Brien got the day off to a great start with a win in the U-9 girls with Sarah Wyley coming home strongly to make it a West Waterford one, two. In the boys U-9 there was a great finish with our three boys finishing strongly with Richard Casey 2nd, Cormac Dwyer 3rd and Shane O'Riordan 4th.

Kate Hickey had a great win in the girls U-11 with a fine sprint at the end to win her first county title. There was also good running from Gemma Wyley in 4th and Dawn Forsey 5th.

There was silver for Michael Coleman in the boys U-11. He finished just ahead of Paul Curran 3rd, with Shane Nugent 4th and Conor McCarthy 5th.

In the girls U-13 Kate Veale made a gallant attempt to catch the long time leader Kate Kiely but the line came too soon and she had to settle for second. Michelle Guinan took the bronze when finishing third and Siobhan Noonan was 4th.

In the U-13 boys Michael Tutty went into an early lead and ran strongly throughout the race to come home a clear winner.

In the final race of the day Michelle McCarthy took the silver medals.

#### TRAINING CONTINUES

Preparations are well in hand for our trip to Sligo for the All-Ireland's. Training on Wednesday and Friday at 4 pm. Our circuit training on Tuesday nights is proving very successful with 25 athletes each night. Colligan next Sunday at 11 am.

## KCK Athletic Club News

The County B Cross Country Championships were held at the Friary College Grounds on Sunday last together with the County Junior and Vets Championships. And I must say the support from the East of the county was very poor.

In the B Championships there was no team prizes - only medals for the first ten athletes home.

The girls under 9 got off to a great start with fine running from Niamh Dee in third place, Lauren Whelan fourth, and Kelly Fitzgerald fifth.

In the boys under 9, Peter Behan had a great win and fine running from Eoin Browne in fifth place.

In the girls under 11, we had five of the first ten finishers. Fine running from the girls with Ruth Cusack second, Abbey Griffin third, Kate Brown fifth, Aoife Walsh seventh and Clara McCormack, Ruth and Clare had moved up a year.

In the Boys under 11 we had only one competitor, Tom Devine, and he came away with a very good win. It was the same in the Boys Under 13, our competitor Jonathan Flynn came away with a very good second place.

In the Girls Under 13, Kate Kiely had a very good performance and came home an easy winner.

Our Junior Men had a brilliant performance taking the individual and team title.

The Junior Mens race was over 6,000 metres and was won by one of the top young runners in the country at present - Patrick Hogan and came home an easy winner with about 300 metres to spare. Patrick was well

supported by his team mates to secure the team title with fine running from John Behan fourth, James Dinneen fifth, Sean Browne sixth and Aiden Hally seventh.

Our next outing will be the All-Ireland Juvenile Championships which will be held in Sligo Race Course on Sunday November 27th, for girls and boys 11, 13, 15, 17, 19.

Representing our club will be: - Boys under 11, on the Munster team Stephen Keane.

Girls under 13, Kate and Erick Kiely on county team.

Boys under 13, Garry Cantwell on Munster county and club teams. James Green, Brendan Behan and Tom Kiersey on county and club teams.

John Halley, club team.

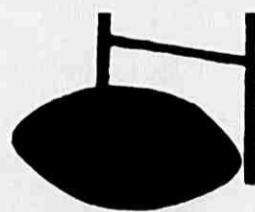

Girls under 15, Lauren Behan on Munster and county teams.

## French Electrical CC League

Week 5 of the French Electrical Juvenile CC league was again run in testing conditions at the Friary College on Friday evening. Nevertheless, eleven athletes ran personal bests. Top performance came from Kate Hickey who improved by 30 seconds. Not behind were Shane Nugent and Tony O'Mahony who lowered their times by 19 and 17 seconds respectively. The Curran brothers Tom, Jim and Paul were in sparkling form with all three running PB's. Des Sheehan and Alan Akehurst continue to improve with Alan getting very close to the 7-minute barrier.

In the short lap, Kevin Daly and Aaron Hall made huge improvements. With weather conditions forecast to improve this week, we should have a lot of PB's for our final night on Friday.

In the team contest Mark Shalloes team on 425 pts lead from Daniel McCarthy's team on 472 pts and look assured of the top 2 places. There could be a great battle for 3rd place with only 9pts separating Des Sheehan's and Kevin Harty's teams. Athletes are reminded that five count for the final week and you must have competed on four occasions to qualify for a prize.

### WINTER LEAGUE STEWARDING

I know we thanked them last week but we can never thank them enough, the men and ladies who give of their time each and every Wednesday evening for the enjoyment of others. Without your help we could not have a winter league. Thanks for your commitment once again and the for good work you are doing.

### WINTER LEAGUE BEGINNERS TRAINING

Jacinta and Albert will be taking groups every Monday and Friday from the Crystal Centre at 6.30 p.m. for some extra running during the week. Feel free to come along. All are welcome.

### OPERATIONS OF THE WINTER LEAGUE

For all those of you out there that are still unsure as to how the Winter League operates, just follow the following steps and they will lead you on the way to becoming a Winter League expert!!

1. Always wear your reflective bib and your number. You must wear your number at the front so it can be seen when you are finishing.
2. As soon as you arrive at the Sports Centre you must register each week, €2 for members and €3 for non-members.
3. After registering you must then find out your starting time. These times will be displayed in the hall and you just have to locate your number and name and your starting time will be written beside it.
4. The clock will be in the hall and will begin at 0.00.
5. Keep an eye on the clock and when your time is approaching please make your way out to the front door. Ideally make your way out to the door about a minute before your actual time.
6. When your time is called you then begin your run.
7. While on the course please stay on the footpaths at all times and obey the instructions of the stewards, they are there for your personal safety.
8. When finishing your run, please stay in the finishing tunnel. Please do not exit the finishing tunnel by ducking under the tape. Doing so means that your time will not be recorded and it also distorts all the other runners finishing times.
9. Obeying all the above will ensure the smooth running of the Winter League for all involved.
10. Last but certainly not least, enjoy your run!

### SPECIAL NOTICE TO ALL WINTER LEAGUE PARTICIPANTS

A winter league Christmas get together for all participants, stewards, and helpers will be held in the Local Bar, The Square, Dungarvan on our final league night before the Christmas break Wednesday December 14th. The club will also present the winners with their Marathon All-Ireland medals on this occasion. So pencil it in, get the baby sitter organised, and get yourself down to the local on December 14th, for our Christmas night out. Not to be missed. Ceol Craic agus Caint.

WEST WATERFORD ATHLETIC CLUB NOTES

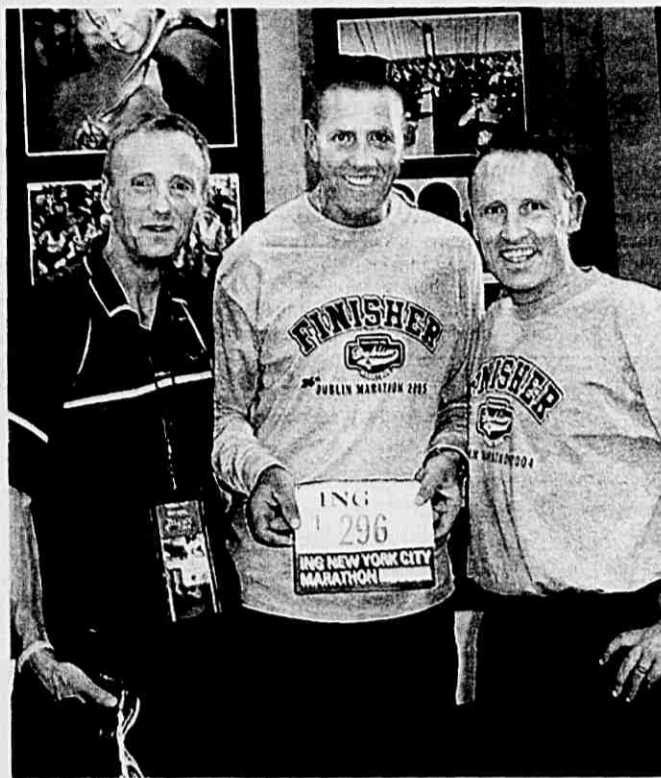

# Great West Waterford Tradition Continues At New York Marathon

World record-holder Paul Tergat of Kenya, competing in his first ING New York City Marathon defeated the 2004 winner Hendrick Ramaala, of South Africa, in a dramatic finish last Sunday week in the New York City Marathon. At mile twenty-five, Tergat and Ramaala dropped their closest competitors and continued shoulder-to-shoulder until the finish line. Tergat crossed the line just feet in front of Ramaala, who lunged to the line after giving it his all. The two men literally finished a second apart, 2:09:30 and 2:09:31. The finish was the closest in the thirty-six year history of

the race. Meb Keflezighi of the United States, finished third.

The womens race saw Jelena Prokopcuka, who became the first-ever Latvian winner of the ING New York City Marathon with a time of 2:24:41 (and no bother getting a visa either) following a stirring duel with Susan Chepkemei of Kenya taking second with a time of 2:24:55. The professional womens race started thirty-five minutes before the men to showcase the field and allow unimpeded competition. A lead pack of 10 runners established itself early, although the women never challenged the course-record pace, electing instead to run conservatively on what was a very warm humid day with temperature's well up in the 70's.

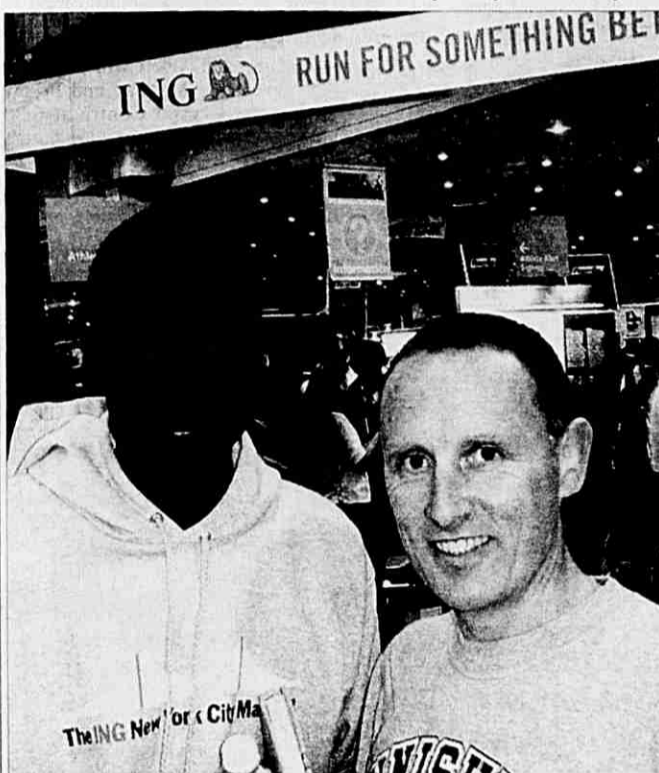

From a West Waterford point of view the great tradition with this marathon continued with four athletes completing the gruelling course. Gerry Cantwell is truly part and parcel of the great event in New York come Marathon Sunday as he completed his 7th last Sunday week. Just outside the 3 hours by only 2 minutes this was yet another sterling performance from Gerry who was 6th Irish person home, he has now over 35 marathons under his belt. James Veale was next across the line in 2.22 (we have been trying to contact N.Y. Marathon Officials about the aforementioned time, but as we go to press we have not received any collaboration re same — so we just have to take his word for it!) running his 21st marathon and his second visit to the New York event. Vincent Tutty, who got a late call up to travel to the race, had ran and completed the Dublin City Marathon the previous Sunday. It is an achievement in itself for many to run one a year, but for the Bo two in a week is no bother after completing Dublin in a time of 3.36 on the Bank Holiday Monday, seven days later he complete New York in 4.28. He now holds the distinction of being the only West Waterford athlete ever to complete

WEST WATERFORD ON TOUR — Pictured at the New York Marathon recently were Gerry Cantwell, Vincent Tutty, (showing his elite number) and James Veale. Missing from picture was Gerry O'Connor. All four participated in the great race.

two marathons in one week.

As many of us know with marathon running many things can go wrong on the day for you, sickness, the cold, the rain, the sun. Indeed so many things have to come right after many months of preparation for an athlete. Gerry O'Connor, who was taking part in his first New York Marathon, was most unfortunate after putting in a huge effort over the last six months to pick up an injury after 16 miles, but Gerry true to form came to the Big Apple to finish the marathon and this he did when many would have called it a day he battled on despite difficulty walking never mind running, his finishing time was 4.54 which doesn't reflect how well prepared he was for the race. But marathon running is marathon running and all your eggs are in the one basket, with everything riding on that one day. Gerry will be back, another day another dollar!

## WEST WATERFORD ATHLETIC CLUB NOTES

# Gold, Silver And Bronze Won At National Marathon By West Waterford Athletes

All-Ireland medals don't grow on trees but they came in threes to the club at the National Marathon Championships which were held in conjunction with the Dublin City Marathon on Bank Holiday Monday last. The results which were forwarded to the club last week showed that the club was the only club in the country to compete in all four team categories — Senior Men and Woman and Masters Men and Woman. Well done to all the club members who participated ensuring a complete compliment of entries in each category?

## MASTERS LADIES WIN GOLD

At last years championships the team of Sheilanne O'Donoghue, Stephanie O'Leary and Michelle Clarke won the Irish title. This year a different trio of Diane Behan, Máiréad Flynn and Joanne Dunford repeated that victory for the club. Despite experiencing a difficult run from 18 miles onwards, Diane Behan continued on her way and ran a very respectable 3.17 in her first Marathon. In the space of 12 months, Diane has won All-Ireland medals in cross country, indoors and outdoors, track and in road racing. Second team member was another marathon debutant, Máiréad Flynn, who despite a pre event niggling injury ran a superb 3.41 in her first outing over the distance, Máiréad's finishing time was one of the clubs talking points over the weekend. Fifteen seconds separated our third and fourth placed runners, Joanne Dunford and Rosarie Kealy. Another debutant, Joanne, also broke the 3.50 barrier and for one so new to distance running this was a huge achievement. Joanne and Rosarie ran the marathon together and Rosarie was very much part of the team effort,

which ensured the club won the gold medals for the second year running. Well done to one and all.

## SILVER MEDALS FOR SENIOR MEN

Our senior men came of age at the National Championships in Dublin when they ran superbly to win the National Marathon silver medals. There was no disputing the winners Letterkenny A.C. who retained there title and had the first two Irish runners home, Garry Crossan (grandson of Julian Rheinisch, Dungarvan) and Pauric McKenny. Seventeen teams participated in this category and West Waterford had some of the house hold names of Irish club athletes chasing them home. Our first runner home was Raivis Zakis in 7th place 2.35. since Raivis joined the club he has been a totally committed member on and off the roads and hopefully his All-Ireland medal will be of some consolation for his non participation in the New York City Marathon. Mark Langford chose the Marathon to have his best race ever and he ran steadily throughout to finish 26th in the championship in 2 hours 49 minutes, gaining in confidence from this, hopefully Mark will go on to fulfill his undoubted potential.

Cappoquin loyalist (club wise Trevor) Trevor Mason has run many Marathons, some of which didn't go according to plan, so everyone in the club were very happy for Trevor to win an All-Ireland medal after a very steady performance which saw

him finish 27th overall in 2 hours 50 minutes. The week before the marathon, Trevor answered the club call for the Munster Novice cross-country championships, his loyalty to the club is top class and he is an example to all our members.

# Waterford County Masters & Junior Cross Country Championships

Diane Behan comes into finish the Master's Ladies County Cross Country Championship race at St. Augustine's College last Sunday retaining her title in fine style.

At the Waterford County Junior and Masters County Championships which were preceded by the juvenile (B's) at St. Augustin's last Sunday, West Waterford were the dominant club winning individual as well as team titles. In the ladies race Diane Behan fresh from her exploits in the recent Dublin City Marathon was an easy winner retaining her title which she won over the same course last year. Second was team mate Eibhlis Ní hAodha and third was another West Waterford athlete Anne Whelan. Rounding off a very our success day for our masters ladies Brid Veale was 5th.

Con Kelleher who won

bronze last year stepped up a notch this year when winning the silver medal with Kevin O'Brien well known tri-athlete taking the title. Bronze went to West Waterford's Tom O'Brien, Michael Wade, Paddy Power and Tim Foley all ran well on the day ensuring yet another team success for our club.

Sean Stilwell and Kevin Harty gave sterling performances in the Junior Mens race with Seán finishing second to claim silver and Kevin coming through well to take the bronze medal position. Patrick Hogan, nephew of our own Gerry Cantwell, won the race, he must be getting the running from his father's side?

## P.B. FOR HELENE IN DUBLIN

Omitted from our Dublin City Marathon club results received last week were Helene Hayes who recorded a personal best for the distance 4.39.15 and Martin Geoghegan competing in his first marathon in a superb time of 3.26.53. These two omitted results brings the total of West Waterford finishers in Dublin to 57.

# Blackwater Community School Notes

## MOMENTOUS TRIP TO STRASBOURG

Last Monday morning 4 teachers and 28 students from transition year and fifth year embarked on a trip which involved a day as young parliamentarians in the European Parliament. It began with a very early start from the school to catch the 7.45 am flight to Frankfurt and by coach to the French city of Strasbourg only 3 miles inside the French border. That afternoon they had a wonderful guided tour of the city and visited the magnificent cathedral, bridges, the E U buildings, the cobbled streets with their wonderful buildings and the Petit France region which took many a breath away with its splendour. On Tuesday they visited Le Vaisseau, an interactive science museum, Parc les Naiades outside Strasbourg and in the afternoon a boat trip on the river Ill allowed all to marvel at the majesty of the city from the riverside. Wednesday was an important day for all as part of the Euroscola programme as the students spent the full day in session in the European Parliament debating many issues and concerns of young Europeans in the main chamber of the Parliament. Blackwater Community School were the only Irish representatives in Parliament on the day so many felt their voice did matter. Over 400 student groups from Germany, Greece, Spain, Finland, France, Italy, the Netherlands, Austria, Portugal, Slovenia, Sweden, The United Kingdom and Ireland debated issues like the EU constitution, democracy, how education, sport and culture can bring Europeans together, the environment and transport, the place of Europe in the wider world and the Europe of the future. The morning began with an informal gather-

ing and chat for breakfast before proceedings began in the main Louise Weiss chamber. Each school had to introduce themselves to the assembly. Speaking in French, Grainne Walsh and Kevin O Mahony both gave a superb description of our school and the West Waterford region. A very lively debate then followed and many of our students were to the forefront in asking questions and raising concerns of young people today. The students broke up into their committee groups after lunch to debate issues of concern and formulate proposals from their working party. These were then brought back to the general assembly and just like the 732 MEPs they listened, questioned and then voted on each report. Students Kevin O Mahony and Hazel Kiersey acted as Secretary and Rapporteur for their respective committees. The speakers from each country brought an end to the day by proudly carrying in the flag of their country to the accompaniment of European Anthem 'Ode To Joy', Grainne and Kevin took centre stage and proudly paraded the Irish flag. On Thursday we journeyed home with a stop off in the beautiful city of Heidelberg with a guided tour and some last minute shopping. It was a tired and weary group of students and teachers who rolled into Lismore at 2am on Friday morning none the less it was an experience none will easily forget. Well done to all concerned; to the students who worked so well in the Parliament on the Wednesday, to the teachers who travelled and to those who organised and prepared the students for this trip.

Congratulations to the following who were announced as winners in their age category in the Lismore/Cappoquin union art competition; to Osal Kelly who was second in the under 13 year category and Marie Russell, first, Margo Pollin, second and Emma O'Brien, third; all in the 14-17 year category.

## MUSIC SUCCESS

Well done and congratulations to fifth year student cellist Jess Maderson who recently won the Cork School of Music's prestigious Pilib O Laoghaire Memorial Award. This was a distinguished award for all her commitment and effort throughout the year. Jess also received a scholarship for having achieved the highest marks in the grade 7 examinations this year.

## INTERMEDIATE HURLING SUCCESS

Well done to Mr Geary and the Ballyduff Intermediate Hurling team who captured the Intermediate county final replay on Saturday against Passage and then on Sunday in the Lismore GAA field they had to play the Tipperary Intermediate champions in the first round of the Club championship coming away easy winners in a scoreline of 3-12 to 0-14.

## LADIES FOOTBALL

Well done to our Junior Ladies football team who travelled to St Augustine's, Dungarvan recently to play against the local ladies team. Conditions were very heavy under foot on the day due to the rain and as a result we found it difficult to score. We started well but gradually the Friary girls pulled away. At halftime we were well done but came out fighting in the second half. We managed to pull back a few scores and played much better. However the first half score was difficult to overcome and St Augustine's came out worthy winners in the end. The BCS team performed well in patches but special mention goes to Orla Hayes in goal who was truly fantastic. She brought off some brilliant saves and kicked great ball. Our next outing will be against a Tipperary team.

# Modeligo National School Takes Part In Artist Residency

Modeligo National School, Co. Waterford took part recently in Waterford Co. Council's Artist in Schools scheme under the tuition of the artist Rita Scannell.

All children from the school and their teachers worked intensely over a three week period to produce a series of individual works, of particular interest on the evening were paintings of scenes from the locality. A stunning group piece representing each child in the school and incorporating textiles now hangs in a gallery area of the school where they have invested funding in track lighting so that it can be used as a permanent display area for art work.

The exhibition was very

much a community event and open to the community for a number of days and the school now looks forward to developing their new artistic skills started under this scheme by the Co. Waterford Arts Office.
