## Tragic Accident Claims Life Of 38 Year Old Man

BY KEVIN KIRrane

A tragic motorcycle accident at Windgap, Dungarvan, claimed the life of a 38 year old man on Saturday afternoon last.

Justin Golden, from 118 Bloomfield Drive, Coosan in Athlone, died when his motorbike collided with a second motorbike close to Dungarvan on the Cork road.

He was part of a convoy of two hundred and fifty motorcyclists on a charity run from Waterford City to Killarney.

The convoy passed through Grattan Square at around 12.15 pm on Saturday and proceeded on to the Cork road.

Approximately two miles outside Dungarvan, two motorbikes collided with one another. As a result of the collision one of the motorcyclists

struck the rear of a van which was part of the convoy, while the deceased's bike careened out of control and Mr. Golden was thrown from his bike for a distance of around twenty yards. He was fatally injured as a result.

The second motorcyclist was taken to Waterford Regional Hospital, but his injuries were not thought to be serious.

The exact cause of the collision is not yet known, however, it's believed that the van was in the course of pulling over to the left hand side of the road to give refreshments to one of the bikers, and may have caused some confusion.

The deceased was a landscape businessman and a member of the Midlands Motorcycle Club Fun Run, which has raised more than 350,000 euros for charity in recent years.

# €300,000 Paid Out In Allowances

BY KEVIN KIRrane

Cash-strapped Waterford County Council paid out close to 300,000 euros to the twenty-three elected representatives in the past six months, new figures show.

## PAT DALY HIGHEST PAID MEMBER OF COUNCIL

The figures include Representative Payments, Annual Allowances, Strategic Policy Committee chairs and conferences - totalling more than 289,000 euros. However, they exclude the Mayor's allowance.

### HIGHEST EARNER

They show that Fianna Fail councillor, Pat Daly is the highest earner on the council, raking in over 17,500 euro. Behind him comes, Fine Gael councillor, Nora Flynn who earned 15,865 euro.

Lowest earners included Sinn Fein Cllr. Brendan Mansfield, who earned just half those figures with 8,882 euro and

Labour councillor Teresa Wright on 8,922 euro.

Meanwhile, Fine Gael councillor, Declan Doocey and Fianna Fail councillor, Pat Daly were the highest claimants of conference expenses for the first half of this year.

Cllr. Doocey claimed 5,450.65 euro while Pat Daly claimed 5,615.13 euro. Several other councillors - amongst them Labour Cllr. Billy Kyne, Teresa Wright, Sinn Fein councillor, Brendan Mansfield and council veteran Fianna Fail councillor Ciaran O Riain did not claim any expenses.

### EXPENSES

A total of 12,697.20 euros was paid to the five SPC chair-

men, with each of the five, Labour councillor, Billy Kyne, Fine Gael councillors Paudie Coffey, Lola O'Sullivan and Nora Flynn and Fianna Fail councillor Pat Daly receiving 2,539.44 euros each.

Fine Gael councillor John Carey was the top earner from the Annual Allowance pay-outs receiving 3,117.14 euro. The payment of annual Allowances is decided through three separate elements - travel expenses, subsistence and postage and stationery allowances.

The travel element of the allowance is calculated using a formula which takes into account the distance to and from

# Myriad Of Overseas Opportunities At Power Overseas Property

The property boom in Ireland has created much wealth and has consolidated the Irish long-held fascination with bricks and mortar. Our new found wealth and full employment now means that Ireland has changed from a country which sends its job seekers abroad - instead it is our capital which is departing our shores in search of overseas opportunities. As the property market in Ireland continues to grow at levels which appear unsustainable, the smart money may well be in

life of the investment - this is exactly the service provided by Power Overseas.

"Many buyers are swayed by glossy brochures, by agents touting one particular development

with a specific sales pitch - but it is important to remember that "cheap" by Irish standards does not always mean "good value" according to Damian. "We at Power Overseas are uniquely positioned in that we can offer really independent advice on overseas locations - some may appear good on paper, but the important question to ask - is it really a good investment for me?"

Damian goes on to say that there are many factors to bear in mind, amongst considerations - rentability of your property, charges and taxes on top of your purchase price and of course exit strategy (growth on paper means nothing until that money is in your pocket when you sell.)

According to Damian Berlin is a very interesting option at present. Large institutional funds are currently buying a lot of property in the city - and there are sound reasons for this. Both the economy and property market in Berlin are emerging from a slump period. The government is selling off much of the state owned property and this is amongst the offers at Power Overseas. With entry levels from only €48,000 and rents guaranteed for a 10 year period by the State of Berlin, this can be a very good, sound investment.

For those seeking a place in the sun on offer are fabulous sea-view villas and apartments in Turkey (Irish developer), Bulgaria, Spain, Italy and France. Valerie remarks that "France remains the most popular market with Irish buyers and indeed the sale and leaseback scheme is attracting particular interest". "Our newest development is launching this week in Carcassonne with direct access from Ireland with Ryanair. Yields will be between 4-4.5% making this a very attractive investment with easy access for holidays".

Purist investors may opt for a city centre buy to let in cities such as Budapest, Prague, Warsaw or Berlin. It does make sense to look at capital cities which attract the bulk of inward investment and, not unlike Dublin, will see the real premium on prices on resale.

In each country a full rental and property management service is in place. Your overseas purchase can really be "hassle-free" and, with the right advice, a very lucrative venture.

Damian or Valerie will be pleased to meet for a no-obligation consultation.

overseas property markets

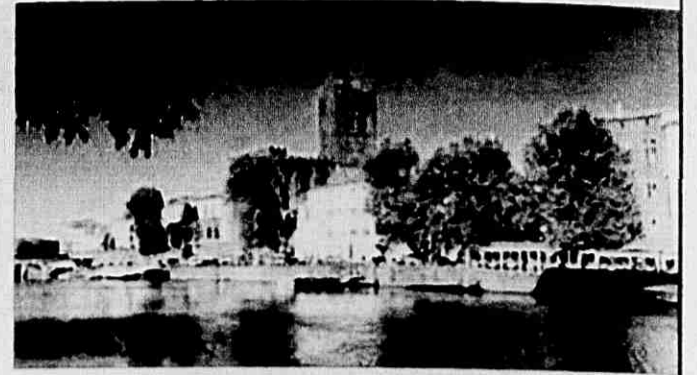

Irish investors are expected to spend around 6billion this year on international real estate. This will be in part driven by low-cost finance from Irish banks, by cash-rich investors seeking a viable investment and of course by SSIA funds.

There are so many overseas markets to choose from and a myriad of opportunities (some good, some not so good!) that it can be very difficult to know where to begin. A Dungarvan company is on hand with the expertise to help. Power Overseas Property specialise exclusively in overseas property and with over 10 countries on offer, you can be sure to receive expert advice and a huge range of properties to choose from.

Power Overseas Property have been in existence for some 4 years (formerly Eastern European Properties) and are now pleased to announce the opening of new offices at 63 Main Street, Dungarvan. The owners are natives of Waterford. Husband and wife team, Damian and Valerie will be pleased to meet with you to chat about overseas offers and generally advise on the various options out there. Damian is a chartered accountant by profession, Valerie is a former bank official and both came into the business as overseas investors themselves - having witnessed first hand the potential problems in buying overseas. They saw the need for a "hand-holding" service, a company who will look after buyers from initial purchase through to ensuring they have a port of call throughout the

## Labour Councillor Teresa Wright is New Town Mayor

By Kevin Kirrane

Councillor, Teresa Wright was elected Mayor of Dungarvan at the Town Council's Annual General Meeting recently. It is the second time the popular Labour Party and community activist has taken on the role - the first occasion being 2001.

Cllr. Wright succeeded her party colleague Cllr. Fiachra O Ceilleachair and Fine Gael councillor, Damien Geoghegan in the post. Cllr. O Ceilleachair resigned two months before the end of his year long term due to illness, with Cllr. Damien Geoghegan stepping into the breach.

That unusual situation makes Cllr. Wright the third Mayor of Dungarvan in a single year - something, it's understood, that never happened in the council's history before.

### NEW MAYOR

Cllr. Wright hoped her mayoralty will see a wide range of issues being advanced and addressed in the year ahead.

"The chain of office is becoming heavier and heavier every time with the amount of work that goes with it," she quipped.

Teresa, a Community Development worker, was first elected as a councillor in 1999 and at the recent AGM, she was widely praised for her work at community and at council level.

"Teresa Wright has taken commitment and delivery to a new level," Labour Councillor Billy Kyne said, proposing her. "She will bring the community's voice to public level."

Seconding the proposal, Cllr. Damien Geoghegan, said that Cllr. Wright had served the office of Mayor well in 2001 and "performed her duties with distinction."

Cllr. Wright's nomination was unopposed and she was elected

unanimously.

### PROJECTS

In her first official speech as Mayor, she spoke of a wide number of projects, she would like to see moved forward over the course of her term.

She said the community is very important to her, and she wished to bring the concerns and hopes of the community to public level. More discussion is also needed on the Community Resource Centre planned for the Presentation site. She urged councillors and the executive to work together and bring the project - which, she said will "impact greatly" on Dungarvan - to fruition. It will provide "lots of employment" locally and is "very important for the community," she said.

### REDEVELOPMENT

The redevelopment of Grattan Square, movement on the rejuvenation of Walton's Park and progress on constructing a Marina in Dungarvan harbour, were among the other projects she would like to see progressed during her year in office.

She would also like to see a pro-active approach being taken in regard to attracting industry into Dungarvan, and she would like more interactions with the inter-agency groups.

Another area which needs to be progressed in the next year, is decentralisation, while the development of more social housing is another priority, as she believed the council at present is "overly dependent" on private developers to construct affordable and social housing.

### ANTI-SOCIAL BEHAVIOUR

The scourge of anti-social behaviour must also be tackled, she said, and the way to do this is through consultation between the council and the local Gar-

dai. A new policy was drawn up on Anti-Social Behaviour, but she believed this can only be moved forward with the aid of the local Gardai.

### OUTGOING MAYORS

Outgoing Mayor, Fiachra O Ceilleachair gave a full report on his time as Mayor. He outlined the many positive events that he attended including the vast number of functions and civic events he had represented the council at throughout the year.

There were however, other negatives such as the closure of the Crystal plant and the lack of decentralisation, he said.

### FLAT FEE

Closer to home, he said the

imposition of the flat rate fee showed a "diminishing of the Town Council's role."

Cllr. Damien Geoghegan expressed his thanks for the support he received after taking over the Mayoralty.

"Although the town has seen setbacks - and we are fully aware of them particularly the job losses - it continues to be a time of both excitement and of tremendous expansion in the town. Some major developments, both commercial and residential have been completed with many more nearing completion, emphasising the expansion taking place in and around the town."

## PERMISSION GRANTED FOR NEW HOSPITAL

### 10 million Investment For 32 Bed Hospital

By Kevin Kirrane

A long-promised 10 million euro new hospital for Dungarvan, which is hoped to replace the dilapidated and dangerous St. Vincent's Hospital, has been granted planning permission.

Welcoming the announcement, Deputy Ollie Wilkinson described the news as a "very positive development." Fire chiefs and elected representatives have long branded the present District Hospital as a fire risk and said that the hospital, built before the famine, was unsuitable for both patients and staff.

### TENDERS

With the granting of planning permission, the Health Service Executive (HSE) is now free to advertise for tenders to build the new hospital. Deputy Wilkinson said the planning go-ahead comes just a few weeks after it was announced that more than 10 million euro has been allocated to the new hospital over the next three years as part of the HSE's capital investment programme.

"The new 32-bed hospital will replace the existing district hospital and provide GP access beds, convalescent care, respite care, care for the terminally ill, short term accommodation for dependent chronically ill young people," he said.

"It's mission will be to provide local non-acute services to complement the services in the acute general hospital."

### CARE GROUPS

The new community hospital will cater for the following care groups: eight beds reserved for GP acute admissions; eight beds reserved for respite admissions; three beds for the care of the young and chronically sick; three beds for palliative care; and ten beds reserved for short term convalescent care either for patients discharged from acute hospitals to the care of their GP or patients from the community.

"The ten million euro capital envelope will also cover the new 15 place day hospital service for the elderly. It will enable older people to continue to live at home and to avoid hospital admission. It is proposed that the day hospital in Dungarvan will be managed and staffed by the elderly care team in Waterford Regional Hospital," said Deputy Wilkinson.

### INVESTMENT

In all the total investment in hospital facilities in the county is over 32 million euro which will be pumped in over the next three years.

Deputy Wilkinson said: "Included in that spend are St. Enda's psychiatric ward which is to be replaced with a new building costing 1.2 million euro; the medical oncology ward in Waterford Regional Hospital which is to be refurbished costing 1.5 million; and the accident and emergency department in Waterford Regional Hospital which is to be expanded with a 2 million euro grant. The hospital is also to get extra car parking spaces."

### HUGE RESOURCES

"The Government, through the HSE, has committed huge resources to Waterford. I have fought hard for these resources and I am particularly pleased that we are making enormous progress on a new 32 bed hospital in Dungarvan. It will have far-reaching and very positive implications for people in the county for years to come. "It is important that we provide the best possible health service to the community. We are aiming to meet the needs of people on their own doorsteps. In that I believe we are succeeding," Deputy Wilkinson said.

## MUSEUM BOOK SALE

Don't forget we are still looking for your unwanted books for our annual fundraising book sale! This years sale is special as it will be the last to be held in our old museum space before restoration commences later this year. Money raised from the sale will go towards the fitting out of the new museum space. We appeal to all our members and book lovers out there to support it.

## LOCAL HISTORY NOTES

Our series carried in recent notes was taken from an article by William Fraher, first published in Decies No XXV January 1984. This week we begin a series reflecting on the great maritime history of Dungarvan.

Memorial from the Dungarvan Town Commissioners to the Right Honourable, The Lords of Her Majesty's Treasury 1861 "We the Commissioners of the Town of Dungarvan in the County of Waterford on behalf of the inhabitants of the said County & the Town of Dungarvan Humbly Shew;

First- That the Harbour & seaport of Dungarvan & the Town of Dungarvan that the population of the said County amounts to 270,000 & population of said Town of Dungarvan amounts to 14,000 or thereabouts.

Secondly that the Port of Dungarvan is capable of great improvement at an expense...quite below in point of outlay the great advantages to be derived therefrom to the Trade of said Port.

Thirdly that although the said port has considerably increased in importance by its Trade & Commerce & its extensive Fisheries very little has ever been done, save as hereinafter mentioned by the Government for its improvement.

Fourthly... We refer to the works executed at Ballinagoul in this Harbour by the Honourable the Board of Works, whereby the fisheries have been wondrously improved. In evidence of which it may be fearlessly stated that a small fishing village has been, by that means converted into a most extensive fishing station in whicj not less than 1,500 people are successfully engaged in that branch of the industry".

To be continued..

# ENVIRONMENT TODAY

Well done. Dungarvan on retaining "Litter Free" status in the Irish Business Against Litter (IBAL) National Anti-Litter League.

Recent statistics on litter in Ireland indicate that the majority of our towns and cities are "heavily" or "very heavily" littered. However, we in County Waterford are very proud that Dungarvan has been ranked 8th in the IBAL 2006 Litter League- Round 1 with the status of "Litter Free". As part of IBAL Anti-Litter League, which is run with financial assistance from the Department of the Environment, Heritage and Local Government, towns of population 6,000 and over are monitored independently by An Taisce in accordance with international grading standards.

However . . . notwithstanding this achievement, we in County Waterford need to be aware of the fact that littering around the county reduces the attractiveness for tourists and citizens alike, as does illegal dumping in the countryside and scenic areas. While surveys show that we are concerned about littering problems, they also show that many of us admit to having littered ourselves. Changing our personal habits is the only permanent way to tackle this problem.

Litter does not simply happen-it is caused.

### THINK TIDY

Make a habit of thinking tidy from now on and you take the first step towards lessening litter.

### PICK UP

A little effort can make a lot of difference to the appearance of your home, your school, your workplace and their surroundings. It only takes a moment to pick up a piece of litter and put it in the bin.

### TAKE HOME

The only proper place for refuse is in the bin. But if you are out and about and no bin is available, take it home for disposal.

### SPEAK OUT

It is your environment that is being damaged so you are entitled to speak out. If you see someone dropping litter, comment politely but firmly. If you come across illegal dumping then report it to Enforcement Section of Waterford County Council.

### GET INVOLVED

If there is a Tidy Town competition, National Spring Clean event or anti-litter campaign in your area -support it. If there is none, perhaps you can get one going with your neighbours or community.

### IT'S EASY TO MAKE A DIFFERENCE

## Heroic Foursome on Course to Power Home

By Kevin Kirrane

Four seamen are on course to power home to Dungarvan after their epic voyage around Ireland.

Maurice Kiely, Paddy Dwane, George Horsom and Tom Shanley each captained a powerboat for the unique charity fundraising event.

They left the quay in Dungarvan at 1pm on Friday 30th of June and are on course to finish back in Dungarvan this coming Sunday, local Committee Chairman TF McCarthy said.

They braved rough seas around Sherkin Island but the rest of the voyage is expected to be calmer.

Throughout the week they stopped at the ports of Kilkee, Killybegs, Westport, Portrush, Ardglass and either Dunmore East or Waterford City, before their planned homecoming on Sunday 9th of July.

The voyage, which was rigorously planned over the last few months, is hoped to raise thousands for the Irish Guide Dogs for the Blind.

Irish Guide Dogs for the Blind was founded in 1976 and is dedicated to providing services which will bring mobility and independence to blind and visually impaired people.

Sponsorship cards are available in a number of locations around the town.

## DEASY BLASTED FOR GUN LAW PROPOSAL

### Appalled And Disgusted At "Stupid" Proposal

By Kevin Kirrane

A Fianna Fail councillor blasted Fine Gael TD, John Deasy, with both barrels after the maverick Deputy spoke in favour of a bill which would loosen gun laws.

Deputy Deasy, who served until 2004 as Fine Gael's Justice Spokesperson, was speaking on WLR FM where he talked in favour of allowing the country's gun laws to be changed to give householders a chance to protect themselves if their property is being burgled.

The proposal is part of a wider package of measures on crime

brought forward by the opposition party in the run up to the General Election. But the bill was kicked to touch by Taoiseach, Bertie Ahern, who said it was "way over the top" when considered in a legal context.

Fianna Fail Cllr. Kevin Wilkinson went further, branding the proposals advocated by Deputy Deasy as "stupid" and "appalling." "I think that it's very disturbing altogether," Cllr. Wilkinson said.

"We all saw the film on Dunblane (the tiny Scottish village where children and teachers were massacred in a school

gym by gunman James Hamilton)." "We all saw the misery brought about by loosening gun laws in America. Any change from the present gun laws whereby guns would become freely available would absolutely destroy society." "I really feel very strongly on this. And I really think we should think twice before introducing any Ku Kluk Klan, right wing American attitudes in Ireland.

"There is no doubt that it is very distressing for people to have their homes broken into. But any loosening of the gun laws would endanger children,

adults, and the Gardai.

Cllr. Wilkinson said he would be strongly against a proposal that empowers people to shoot others. "In my two years as a local representative, I have never come across anything as stupid and ridiculous. For a member of the Oireachtas he should have a little bit more cop on than trying to score cheap points like this."

"I would have an issue with empowering people to shoot people. I just find that absolutely appalling. I can't stress it strong enough. It's pushing the boat out too far."

## Coping with the Change

Some would say the menopause is a positive time: a transition from the stresses of building a career and raising children, to a time of wisdom and personal fulfilment. But for many women the road is a rough one to say the least, fraught with a host of debilitating symptoms.

The usual treatment for these distressing symptoms is Hormone Replacement Therapy (HRT). Many women who decide to take HRT expect to take it for a few years and then discontinue treatment when the menopause is over. However, HRT simply delays the inevitable, and most women find that when they stop taking it their symptoms are just as bad as they were in the beginning, if not worse.

Many women are now looking for a natural alternative to HRT due to concerns about the safety of long-term use. Fortunately there is an alternative which is both safe and effective: herbal medicine has been used around the world for centuries to ease women through the menopause, and it can make all the difference during this challenging time.

The first line of treatment is to use herbs which reduce the impact of declining natural hormones. These herbs contain substances which resemble oestrogen, and also act in other ways to reduce menopausal symptoms. The best known of these is black cohosh which has been shown to be effective in reducing hot flushes, vaginal dryness and mood changes.

Another herb which may be used to reduce the effects of changing hormone levels is chaste tree (Vitex agnus castus). This herb acts on the pituitary gland to normalise hormone production. It also helps to counteract the hormones which cause growth of excessive facial hair in menopausal women.

Other natural substances which affect hormone levels are the isoflavones, found in red clover (Trifolium pratense), and in linseeds and soya products. These foods may be incorporated into the diet, together with foods containing essential fatty acids (such as oily fish) which are important in healthy hormone functioning.

The second task of herbal treatment is to address the symptoms. The most common of these is hot flushing which is often accompanied by sweating. Sage dramatically reduces sweating, while

hops is useful for insomnia due to night sweats. Vitamin E supplements have also been shown to control hot flushes. It is important to avoid foods which can trigger this symptom such as caffeine, spices, alcohol. Anxiety also triggers hot flushes so it is beneficial to try to reduce stress levels where possible.

In the time leading up to the menopause, many women experience very heavy and prolonged periods which can be effectively treated using herbal astringents such as shepherd's purse. Other common symptoms include depression, anxiety, insomnia, exhaustion, poor concentration, memory loss, low libido and thyroid hormone imbalance. Following an in-depth consultation with a medical herbalist, several herbs are selected on the basis of each woman's unique symptom picture and blended in an individual prescription.

Rather than waiting until symptoms appear, it is advisable for any woman in her forties to begin to incorporate helpful strategies into her diet and lifestyle. This will ensure measures are in place to reduce symptoms when hormone levels start to decline. It is also important to eat a healthy diet which is rich in calcium, to take plenty of exercise, and to have your cholesterol and blood pressure checked on a regular basis. These simple measures will help to prevent heart disease and osteoporosis.

For those considering coming off HRT, it is preferable to reduce dose slowly under the guidance of your doctor rather than stop suddenly. Herbal treatment works differently to HRT, helping to reduce the impact of the menopause rather than delaying it with artificial hormones. Once the right combination of herbs is found for each individual, most women experience significant or even complete relief from symptoms within a few weeks.

### JUNIOR PAGE FANTASTIC FISH

When searching for food, the mud-skipper – found around the coasts of Africa, Asia and Australia – will come out of the water, using its specially adapted fins as legs. It seems to like being out of the water – it will bask in the sun and will often climb trees to find a sunny spot. Another fish that 'walks' is the tripod fish. Its two chest fins and its tail fin have evolved into long, stiff spines on which the fish walks along the sea-bed.

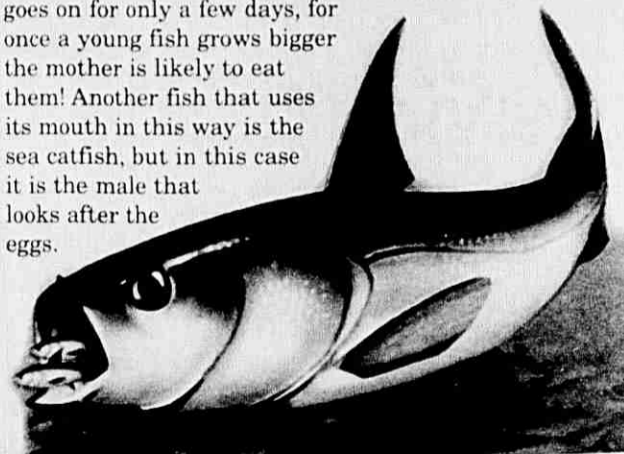

**A FISH CAN GIVE AN ELECTRIC SHOCK**  
One member of the catfish family is capable of giving out an electric shock to ward off danger. This is the electric catfish which is found in the seas of Africa. Although it can give a powerful shock, it is a delicacy in the Middle East, where it is known as the raad, or thunder fish.

**A FISH CAN KILL A PERSON**  
Several species of fish can make electricity, using specially adapted muscles which create electric impulses instead of movement. Fish are the only creatures that can do this. Electric rays, of which there are about 30 species, can create enough power to disable a person temporarily. However, it is a freshwater creature that produces the most electricity of all. The electric eel found in the rivers of South America, can produce enough power to kill a person outright.

**FISH GO FISHING**  
Attached to the head of the angler fish is a small piece of flesh which looks like a worm. The angler fish waves this lure until some unsuspecting fish takes a bit at it, at which point fish promptly gobbles up its prey. Two relatives of the angler fish use similar tricks. The sargassum fish hides in seaweed – some actually look like seaweed – and wait for another fish to take the worm-like bait. The bat fish hides its lure in a tube above its mouth until it goes fishing. Then the lure pops out.

**A MOUTHFUL OF FISH**  
After laying some 50 to 100 eggs, the female Egyptian mouth brooder carries them around in her mouth for safety. Ever after they have hatched, the young fish continue to use their mother's mouth to escape from danger. This goes on for only a few days, for once a young fish grows bigger the mother is likely to eat them! Another fish that uses its mouth in this way is the sea catfish, but in this case it is the male that looks after the eggs.

### DID YOU KNOW?

- ★ The European eel travels over land when it makes its 6,000 km (3,700 mi) journey to the Sargasso Sea to spawn.
- ★ Lung fish can survive out of water for up to four years – by not doing very much!
- ★ The male angler fish weighs one thousand times less than the female, and lives off the female like a parasite!
- ★ Deep-sea life was first observed in 1934, when scientist William Beebe descended to 923 m (3,028 ft) in a machine called a 'bathysphere'.
- ★ An archerfish can judge the distance of its 'shots' because it is the only fish with eyes that point forwards!!
- ★ Archer fish will line up to shoot at the same target – like contestants at a rifle range.

## Abbeyside Scout Notes

THANKS

Last weekend all scout and cub meetings were cancelled as fundraising took top priority! This time of year is when our main fund raiser is held. Normally we collect around town and in Abbeyside and then on Sunday morning we collect outside the churches. This year then was no exception as we try to raise as much funds as we possibly can over the weekend. The more funds we raise the more we can offer the troop, as far as activities and equipment is concerned. To all those who contributed to our collection we say thank you and to those scouts, cubs, parents and friends who helped in the collection we also thank you very much.

This weekend coming Friday, 7th July the scouts will be camping in Glenshelane over two consecutive nights. This weekend gives us an opportunity to make a final check on the equipment we will use on annual camp in Foda at the end of the month. Scouts are also reminded that the annual camp fee must now be paid as soon as possible as time is drawing close for camp.

The troop extends its sympathy to the Kiely family on the death of Alice Kiely recently. Alice and indeed her husband Joe were supporters of scouting in the village and indeed two sons, Kevin and Austin were involved with the troop over many years and attended many annual camps.

## Dungarvan Dramatic Club News

Unfortunately the turn-out of club members at the recent AGM was quite low and we were unable to proceed with the election of officers and committee members as a result. After such a successful year for the club, this was very disappointing to say the least, but we are putting it down to the fine weather that the whole country was enjoying at the time and have decided to give everyone another chance to attend, air their views, take part in the election of officers and committee etc. Thursday 31st August was decided on as the date for the re-scheduled AGM. You've all got plenty of notice, so hopefully we'll have a great turn out on the night!

The current club officers present at the meeting - President Des Feeney, Vice President Margaret Dennehy, Treasurer Siobhan Buckley, and PRO Emma Walsh - agreed to stay on until that time. None of the other committee members were present on the night, but we assume that they are all agreeable to this! Club Secretary Supreme, Ray Bradfield, had an irrefutable excuse for not being present at the meeting - congratulations to Ray and Linda on the birth of baby Maeve!

## ADEQUATE RESOURCES IN TALLOW GARDA STATION

**By Kevin Kirrane**  
 Adequate resources are now in place for Tallow Garda Station after the transfer of a Sergeant to the West Waterford town a year ago. Justice Minister, Michael McDowell informed Waterford County Council.

Minister McDowell, in a letter to the local authority, said

local Garda management are "satisfied that there are now adequate resources in Tallow to meet the policing needs of the area."

He added: "Garda management further states that Garda personnel assigned to Tallow Garda Station, together with overall policing arrangements and operational strategy, are continually monitored and reviewed."

"Such monitoring ensures that optimum use is made of Garda resources, and the best possible Garda service is provided to the general public," he said.

Extra resources however will be looked at under the plans to bring Garda strength up to 14,000.

"The commissioner will now be drawing up plans on how best distribute and manage these additional resources and in this context, the needs of Tallow will be fully considered within the overall context of the needs of areas throughout the country."

The response was welcomed at the June meeting of Waterford County Council by Tallow-based councillor, James Tobin, who had been vocal in calling for the vacancy at Tallow Garda station to be filled.

## DUNGARVAN HILL WALKING CLUB

John Neylin of the Comeragh Crossing Committee presents a birthday cake to Club President, Peter Mangan, to mark the tenth anniversary of the event.

Severe shortages of Infant of Prague effigies were reported in the run-up to the tenth annual Comeragh Crossing, which took place on Saturday 1st July. In recent years, the event has become synonymous with the type of atrocious day when the dog doesn't want to go out. So it was a welcome change for the 193 walkers who took to the hills, in the Club's flagship event, to find themselves blessed with perfect weather. No surprise, however, to John Neylin, one of the Gang of Four organisers, who had predicted such weather for several months, with the confidence of a man who had left offerings to Zeus all over the Comeraghs.

All credit to the Gang of Four, Michael J Power, Jacqui Curran, Tony Fitzgerald and John Neylin, who have been busy with preparations since January. On the big day, from 6am to closing time, an army of club members and volunteers worked in harmony to make a logistical nightmare look like a (very long) walk in the park.

Dungarvan Hillwalking Club would like to thank main sponsor, GSK Dungarvan, who, in addition to providing generous support at the outset, also came on board with a consignment of Lucozade Fitness Water, which, given the day that was in it, was a much needed boost at the top of Seefin.

Something which distinguishes the Comeragh Crossing from other national walks, is the level and quality of catering provided to participants, both on and off the hill; for this the Club is very grateful to: Flahavan's Cereals; Glanbia; Barron's Bakery; Powersfield House; Byrnes World of Wonder; Floxham Ltd, Dungarvan Shopping Centre; Wm Kiely, Fruit Merchants; and Ann Crowe Fitzgerald and her team, who put on a magnificent spread back at the Soccer Club.

Now that, blisters aside, everyone is safely off the hill, attention turns to the collecting of sponsorship. Members and walkers are asked to get their cards back as soon as possible. The event has raised over €100,000 in its ten years and this year, monies raised will be divided between: West Waterford Hospice; The No Name Club; The National Council for the Blind; Cappelquin Day Care Centre; Deise Day Care Centre and the South Eastern Mountain Rescue Association.

Walk Leaders for the coming month include: Jack Clancy; Tom Fitzgerald; Tony Fitzgerald; Katherine Foran; Peter Mangan; John Neylin; Sean O'Connor; Liam Sandford; Billy Sheehan and John Whelan.

Scheduled walks for the coming month are as follows:

9th July	B+	0900	Knockmealdowns
	B	1000	Nire
	C	1400	Mauma Road
16th July	B+	0900	Comeraghs
	B	1000	Knockanaffrinn
	C	1400	Countay

Meeting point for walks is the taxi-rank near Permanent TSB, 10 minutes before walk time listed. No boots no walk.

## Springmount to Get Bus Shelters for Waiting Passengers —KENNEALLY

Waterford Fianna Fáil Senator Brendan Kenneally has said bus shelters are to be built in Springmount, Dungarvan, which will protect waiting passengers - particularly the elderly - in harsh weather conditions.

Senator Kenneally said he was delighted that Dungarvan Town Council, in conjunction with Clear Channel Ireland Ltd, is to provide bus shelters in Springmount.

'I have been in contact with Bus Éireann and Clear Channel Ireland Ltd about getting work under way on the bus shelters which I understand are to be built on either side of the road. Dungarvan Town Council helped negotiate the agreement

between the two parties and it's expected that the bus shelters will be up by September.

'They should make a huge difference to passengers who will no longer have to wait for the bus in the rain. The shelters are particularly important for elderly people who are obviously more vulnerable in harsh weather conditions,' said Senator Kenneally.

## THE LATE CON DEMPSEY

## THE BOOLEY HOUSE

BALLYDUFF, CO. WATERFORD

### A Feast of Traditional Music, Song, Dance & Story

The Booley House is one of Ireland's longest running and most successful traditional music shows. It pre-dates Riverdance by two years and it has its own distinctive and unique format which has attracted a legion of admirers over the years.

The performance includes the best of Irish song, dance, music and story. The dance routines include three distinctive types of native dance - step, set and brush/broom dancing. The resident Shanachie (story-teller/comedian) James Lenane will regale you with hilarious yarns from bygone days. Our vocalist, Ber Browne, is always a huge hit with our audience and the final piece of this entertaining jigsaw is our musicians. They provide a unique, live, traditional sound that has become the hallmark of the Booley House.

The Booley House has performed at the Munster Fleadh Cheoil as curtain raiser to Sharon Shannon in 2000 and in 2003 it staged the show at the All-Ireland Fleadh in Clonmel. It has also performed abroad in France and Turkey and just recently it staged five shows in New York to packed houses and standing ovations.

### BRONZE BADGE FOR SINÉAD

Minister of State at the Dept of Transport, Pat the Cope Gallagher presented local woman Sinéad Moore with a Bronze Badge at the Annual Presentation of Awards in the Royal Hospital in Kilmainham recently, in recognition of her outstanding dedication and commitment to the work of the Dungarvan Fundraising Branch of the Royal National Lifeboat Institution.

Volunteer fundraisers, individual supporters and lifeboat station committee members from around the country were also honoured at this prestigious event. The awards are made for outstanding service recognising that the RNLI relies on voluntary donations and legacies for its income and volunteers to crew and operate the 55 lifeboats in Ireland.

Sinéad who is based in the Co Waterford Gaeltacht, said "I am so honoured and happy to accept this award, not only for myself, but for all those in the Dungarvan Fundraising Branch who do such a fabulous job in organising events, and raising support and awareness of the Helvick Head Lifeboat. And also in recognition of the public who are always so willing to help when asked!"

The RNLI provides on call, 24 hour lifeboat service to cover search and rescue up to 100 nautical miles off the coast of Ireland. The crews are comprised of volunteers from all walks of life that give up their time and comfort to carry out rescues and train for them, in difficult and often dangerous conditions.

Preparations are well under way for the next major event on the Dungarvan Fundraising social calendar which is the 12th Annual Dungarvan Bay Sponsored Swim and BBQ on Helvick Pier scheduled for Sunday August 20th.

Dynamic Hon Chairman Christopher Kelly assures that "it will be a wonderful day out for all the family, and a date to put into your diary!"

## LATE SEAN NORRIS

With deep regret we record the death of Sean Norris, Dunhill (formerly Swindon).

A native of Dungarvan where he was born on July 4th 1928, Sean sadly passed away in Waterford on June 26th, 2006.

A linotype operator by profession, Sean served his time at the Dungarvan Leader and for over 15 years he worked for the Evening Advertiser, Swindon. Sean married Christeen Wade in 1953. They had six daughters, Majella, Christeen, Carol, Eleanor, Eucharua and Marie, eight sons Michael, John, Gerard, Eugene, Paul, Peter, Hugh, David, twenty seven grand children and two great grandchildren.

Sean won a number of titles in weightlifting both in Ireland and Britain during the fifties, sixties and seventies. These included eight All Ireland Championships and two of his records remain to this day. His most recent competitive event was in the Over 70's class at the Munster Masters Championship, which he won in 2002. He was selected to represent Ireland at the Helsinki Olympic Games in 1952. Other athletic achievements include shot putting and handball success.

In addition, he was a member of the Irish Operatic Society and a highly regarded tenor singer, winning county singing titles. He gained recognition as a senior academic student, a recording artist and as an author. His most recent work includes his autobiography "This Is My Life" and CD "Some Of My Favourite Songs". He was a devout husband, father and friend. His journey in life leaves the world a better place and he will be sadly missed.

We extend deep and sincere sympathy to his sorrowing wife, sons, daughters and all his family relatives on their very sad loss. Burial took place in Dunhill.

This lift of 300 lbs. Clean and Jerk won Sean Norris the 1965 All-Ireland Middleweight Weightlifting Championship

### Herb Robert and Little Robin

The cheerful small pinky-mauve flowers and fern-like leaves of Herb Robert (*Geranium robertianum*), called Ruithéal in Irish, are to be seen almost anywhere in County Waterford. There are five petals with pale vertical stripes known as honey guides that apparently encourage pollinating insects to drink nectar before flying off to another flower with a dusting of pollen. The seed head is long and thin which suggested the name cranesbill for some closely related plants

The pinky colour of the flowers seems to appear also in the beautiful purple-red shading of the leaf stalks and, later in the summer on the leaves themselves. Occasionally Herb Robert plants appear with snow-white flowers and no red shading on the leaves. Seed taken from these plants and planted in a garden will often grow true and produce white-flowered clumps.

Dungarvan and Cork are known among botanists as growing places for a rare and rather similar-looking relative of the Herb Robert, called Little Robin (*Geranium purpureum*). This is a smaller and more delicate plant whose leaves often take on a really fiery red colour in summer. Little Robin often grows in or beside old walls of stone and lime mortar—it presumably likes the limy conditions. It is often wiped out when walls are covered or re-pointed with cement. It is rare enough to have received legal protection under the Flora (protection) Order of 1980, made under the Wildlife Act 1976. But this Flora Protection Order has been revised twice, in 1987 and in 1999 and the Little robin was not included in these.

## MOVIE REVIEW

By BARRY POWER

### Just My Luck\*\*\*

Lindsay Lohan is the luckiest girl in the world. She wins so often at scratch cards that she believes herself to be good at them, she somehow receives Sarah Jessica Parker's designer dress when her dry cleaning is returned and when she is forced to bumble through a presentation for her company's biggest client on her own, it is of course a massive success which lands her a big promotion.

Chris Pine on the other hand is fortune's fool. He carries a pack around with him which is filled with precautions for every emergency, a necessary safeguard given his tendency to get involved in minor accidents. By contrast with Lindsay, he works in a bowling alley where he has to do all the worst jobs, including unblocking toilets two hours before his shift actually begins. Although he does manage a pop band with some rocking tunes (McFly), he can't get them any more breaks than he gets himself.

The plot: when Lindsay and Chris kiss at a masked ball, their fortunes swap. Everything begins to go right for Chris and Lindsay's luck takes a turn for the worse. Now Lindsay must get her luck back, while Chris must deal with McFly's big break.

The problem with this film is that it may leave you a little annoyed at Miss Lohan's character, whereas you are meant to be cheering for her throughout. While her good luck is truly extraordinary, her bad luck seems to be mostly a mix of her own clumsiness and lack of thought, so that anyone who has suffered any real ill fortune may take badly to her self-indulgent moaning. However much of the rest of the film is quite entertaining. As plastically pop as McFly are, they do get some funny one-liners to throw around while they strut their stuff. Pine is likeable as the loveable loser with the heart of gold and Lohan is still a good actress, no matter how annoying her character. Don't expect to remember Just My Luck this time next year; it's no Legally Blonde as rom-coms go. Do expect a light hearted piece of entertainment that should leave you smiling as you leave the cinema.

### Over The Hedge\*\*\*

Animated films, featuring animals... has to be another cutesy kids only movie, right? Not quite. Owing more to the likes of Ice Age than Bambi, Over The Hedge is another kids' movie written with adults just as much in mind.

RJ (Bruce Willis) is a wise cracking racoon, who forages for his food in the human world. When he attempts to rob the stash of a bear and accidentally destroys it, the bear Vincent (Nick Nolte) gives him a week to replace what he has ruined or face the consequences. Meanwhile, Garry Shandling, of The Larry Sander's Show, plays Vern, a tortoise who leads a group of forest foragers who spend all summer recovering nature's bounty to get them through the winter. It is this group RJ decides to exploit in order to recover Vincent's bounty.

Compared to Shrek and Finding Nemo, the plot is fairly unimportant here. The main interest lies in the different characters of the various animals and the actors who voice them. Anyone who watches Family Guy will know how William Shatner is lampooned as the hammiest over-actor ever, so here he is cast as a possum, who doesn't just play dead but does so in a manner that would remind you of Leonardo DiCaprio's drawn out death in Titanic. Steve Carell is Hammy the squirrel, as full of manic stupidity as his role in Anchorman. Eugene Levy follows up his character in Curious George with an equally funny turn as a porcupine, which will remind you immediately of his father's role in American Pie.

There are plenty of smart little jokes so that the film at no stage falls back on the "Aw aren't they so cute!" basis that will keep the kids delighted. A couple of small quibbles are how little there is in way of plot and a run of the mill soundtrack. While Ben Folds' songs are easy on the ear, they offer nothing to add to the film in the way of most modern kids' films. This film does get better as it goes on though and the ending is so smart, yet obvious, that it leaves you thinking you won't mind watching this film when it becomes a Christmas and Sunday afternoon TV favourite in years to come.

### Coming Attractions

You've waited for three years. You've watched the DVD of the original countless times. If you're a man you've imagined being him, if you're a woman you've married him again and again in your dreams. Now Johnny Depp returns as Jack Sparrow, captain of the Black Pearl, lovable rogue and all out ladies man. Oh, Orlando Bloom and Keira Knightley return too as the gorgeous couple. Will Turner and Elizabeth Swann and the film is Pirates of the Caribbean: Dead Man's Chest. Bill Nighy (Love Actually) is squid-faced Davy Jones, leading a crew of shark-men hot on the heels of Sparrow, who owes them quite a debt. Of course if you can focus on the plot first time around it may mean you aren't paying enough attention to Depp.

Although Pirates is one of the most eagerly expected films of the summer, the real trump card of Hollywood's summer season is the release of Superman Returns next week. Prepare yourself for Kevin Spacey as the evil Lex Luthor and newcomer Brandon Routh as Clark Kent, who reportedly has more than filled the legendary tights and red undies. Set to be this year's big franchise saviour, prepare yourself for the return of the man in the red cape.

# RECENT DEATHS

## Late Billy Cunningham

It is with deep sadness and regret we record the passing of Billy Cunningham, 36 Parks Road, Lismore who was called to his eternal reward on Monday, 5th June at Cork University Hospital after a prolonged duration of illness borne with dignity and true courage.

A man of many outstanding qualities, Billy's passing in just his 59th year has left a huge void not only in the lives of his loving family but in the community as a whole. A native of Cappoquin, having completed his schooling days, Billy secured a job with M.J. O'Connor's Chickens in Cappoquin, giving 28 years of dedicated service to the company until illness forced him to retire in 1990.

Sport was to play a huge part in Billy's life. In the early days he was to become a very highly respected member of the Cappoquin Rowing Club, the highlight being going through the 'fours' alongside Billy Gambon (cox), John Morrissey, Roger McGrath and the late Danny Murray.

The G.A.A. was to bring out

the very best in Billy, firstly playing at all underage levels for the Cappoquin/Affane club. In 1969 he married his true love, his loving wife Mary and after taking up residence in Lismore that same year, he threw in his lot with the local Lismore club. In his earlier years, Billy gave many years of outstanding service on the playing field where his only reward was a Sargent Cup medal won in 1976 and despite going so close on many occasions in the 70's and 80's, that Senior County medal was sadly to elude him.

After retiring from the playing side of things, Billy was to become a selector on various teams in both the juvenile and adult section. Two of his highlights being a selector in the unsuccessful 1986 S.H. County final and also a County Minor Hurling selector in 1996. During these same years and up to the time of his passing, he was also a highly respected and valued committee member of the club.

When the club started its own weekly draw, the club were fortunate to have had the likes of Billy for his drive and enthusiasm, where he was responsible for in excess of 100 tickets per week. His other great undertaking was ensuring the completion of the Lismore G.A.A. Community Centre and his endless hours put in, in the day-to-day running of the Centre and the upkeep of the hurling field.

Sadly, as we all know, illness was to play a major part in Billy's life, but thankfully he was to become one of the lucky ones and underwent a successful kidney transplant in 1993, something that Billy was forever thankful for, an was very ev-

ident in the many fundraising events that Billy and his family held for the Irish Kidney Association, especially the Annual Irish Kidney Association Forget Me Not collection.

Billy was a true fighter and was soon back in swing, with the weekly lotto and Community Centre running and supporting all Lismore teams on the field and also a loyal supporter of the Waterford teams that took the field. However, over the last couple of years, Billy's illness was beginning to deteriorate, with many visits to Hospital and his three trips a week to Cork for Dialysis, but he continued to be in good spirits whenever possible.

Indeed, the wonderful care given to Billy in Hospital and especially by his loving wife Mary and family was of great comfort to him in his final months, and while his passing will take time to come to terms with, at least they can take comfort that his suffering is over and they will forever cherish a loving husband, a proud dad, dotting granddad, loyal brother and a true friend to so many whose memory we will never forget.

Billy lay in repose at his residence from Monday evening where later on that evening family Rosary was recited. On Tuesday evening, after prayers recited by Fr. K. Mulcahy P.P., Billy's coffin draped in his beloved Black and Amber flag was shouldered by his family, friends and former team mates, flanked by an impressive guard of honour by the Lismore G.A.A. club.

On arrival at St. Carthage's Church, his remains were blessed and received by Fr. K. Mulcahy P.P. and followed by a huge concourse of mourners. Requiem Mass was offered on Wednesday morning for the happy repose of Billy's soul. Chief celebrant was Fr. K. Mulcahy P.P. assisted by Fr. Kiely (Cappoquin). Readings were recited by Eugene Hickey Jnr (nephew) and Dave Bennett (family friend). Prayers of the Faithful were offered up by Aoife O'Dowd (granddaughter), Chris Whelan (brother-in-law), Tracey Cunningham (niece), Seamus Cunningham (nephew) and Dan Shanahan (family friend). The Offertory Gifts of the bread and water and wine were brought to the Altar by his grandchildren Aoife O'Dowd and Niamh and Caoimhe Coffey. Appropriate hymns were sung by soloist Noel Mason accompanied by the Lismore Church Choir and organist Alice Tobin.

After Mass the cortege proceeded to St. Carthage's Cemetery where after prayers recited by Fr. K. Mulcahy P.P., Billy was laid to rest in the family grave, surrounded by his loving wife and family, former team mates and work mates and his many friends.

After the ceremony, Lismore G.A.A. club Chairman Bernard Dooley and club member and Vice Chairman of the Munster Council Jimmy O'Gorman spoke about Billy's massive input to the club both as a player and highly respected committee member, while club member and family friend John Heneghan gave the following oration in memory of Billy -

As we gather here at the grave of Billy Cunningham, it seems right that one of us should speak the praise of a great man. It may seem more right that one of his contemporaries should speak but Billy himself burdened me with the task more than two years ago. With the permission of Mary, his wife and his children Sharon, Gillian, Moira and William, his sister Mary and Teresa and his brother James, Tommy and David, I will attempt to recreate the soul of Billy Cunningham and describe the legacy of the man he was.

The one request that he made was that his story should be told warts and all. This was typical of Billy. What you saw was what you got. A great man has a generosity of spirit and gives freely of himself while he visits this earth. Rich men can give money, intellectual's advice but the great man gives of himself. Billy Cunningham gave of himself freely.

Billy's first love was his family and his pride in all of them shone through in the tone of his voice or the smile on his face when he was talking about them. His best friend and the love of his life is his wife Mary, and all the time we have known them they remind us of a couple just starting the courting process. They would argue like the best of us but there was always that underlying love and respect and great interest in what the other had to say and do. The great legacy of ones life is the children left behind and four wonderful children survive Billy. Billy is so proud of all your achievements. We all remember Sharon and the hairdressers. Billy used to pay a few of us to get the hair cut and support the business, well he didn't pay but he dropped enough hints. He always hoped that he did right by you, and you all know that he did. The girls won't mind me saying that while he loved his daughters dearly, his joy in seeing the new William Cunningham taking to the hurling field was a huge source of pride. That pride in family was seen clearly in his love for his grandchildren. We all could tell when Keith was on his way home by the spring in the Cunningham step. But we could also tell that the departure was near by the melancholy that would envelop him. Billy was always a man that wore his heart on his sleeve.

Outside his family his other great passion was the G.A.A. and in particular the Lismore G.A.A. club.

We all know Billy from his involvement with the Lismore G.A.A. club. Boy did he love this club and all about it. His unique manner on the field of play was reflected in his work for the club either in the hurling field or in his Community Centre and wow, was it his centre. He had absolutely no problem in giving you a broadside if he felt anything was done wrong in there. I think we all got a good tearing at some stage or another, but we all admired his passion for everything he went at. He always did things to the best of his ability and when you enter the clubroom and see all the old photographs, that was a Billy Cunningham initiative.

His love of referees was leg-

endary and we all had great craic at matches listening to him giving the ref his view of how he was doing. To get Billy going all we had to do was praise a well known local referee.

We all have many favourite memories of Billy but I think that when the Minor team brought the cup to the Regional Hospital in Cork after beating Tallow in the replay was one of mine. It was a great occasion for those young hurlers. They saw what it meant to Billy in his hospital bed and it meant all the more to them because of him and his passionate delight. We all watched over the past number of years as Billy suffered with his illness and continued to marvel at his desire to continue with his work for the club and in particular his work with the Lotto and the Hall. How many times did we hear him say "Sonny was delighted it wasn't won". Lismore G.A.A. club has lost a great supporter, a great worker and a great friend.

While we stand here, a community saddened at the loss of a great friend and member we also realise that a husband, a father, a grandfather and a brother has departed his family. No words of mine can hope to ease your pain. Suffice to say that any pain that Billy had is now gone and I bet that whatever game he is watching now he is surely arguing with the referee.

Last evening we witnessed the corporal remains of Billy being removed from his home in Parks Road. We saw his family and friends pay tribute to the man he was. We saw former opponents from other clubs gather and pay tribute. But most of all what struck me last night was the gathering of the wonderful community of Parks Road.

The silence was prayerful, the respect was earned, the walk was solemn because one of the greats was one. The spirit of Billy will live on in Parks Road, of that I have no doubt.

To paraphrase Padraic Pearse, we stand here at Billy's grave not in sadness but rather in exaltation of spirit that it has been given to us to come thus into so close a communion with that brave and splendid Gael. Billy Cunningham was splendid in the proud manhood of him, splendid in the heroic grace of him, splendid in the Gaelic strength and clarity and truth of him. We will miss him but we will not forget him.

Ach, a chairde, na biodh bron orainn. Ta sé sa bhaile anois.

Month's Mind Mass for Billy Cunningham will be held on

this Monday, 10th July in St. Carthage's Church, Lismore at 10am.

## Late Michael Browne

The early hours of Monday, 26th June brought the sad news of the passing of Michael Browne, Bohadon who hailed from Lackendarra and was aged 83 years. A man of deep religious faith, his passing is deeply regretted by his sister Mary, brothers Paddy and John, nephews, nieces, many other relatives and friends. We extend our deepest sympathy to all on their loss.

Reposing at the Kiely Funeral Home, family and friends and neighbours gathered for Rosary on Monday evening. V. Rev. Fr. Michael Kennedy P.P. was present and also officiated at Michael's removal to Kilgobnet church and on Wednesday morning celebrated the Holy Sacrifice of the Mass in thanksgiving for Michael's life and Fr. Michael P.P. in his much appreciated homily spoke in glowing terms of Michael.

## "House price inflation rose by 15% in first half of the year alone"

Statement by Marian Finnegan, Chief Economist, Sherry FitzGerald Group

Sherry FitzGerald, Ireland's largest estate agents, announced on Monday that the average price of a second-hand property in Ireland rose by 6.8% during the second quarter of the year bringing growth in the six month period to the end of June to 15.0%. This follows growth of 17.3% during 2005, an indication of the exceptional strength of demand for residential property.

The pace of inflation in the Dublin second hand market however was notably stronger at 9.0% during the second quarter, bringing the rate of increase in the six months to June to 21.2%. This compared to a total growth rate of 23.3% during 2005. The figure for the twelve months to June was an exceptional 33.8%, a level not witnessed in the market since 1998.

The pace of growth in Cork was more in line with the national average, coming in at 5.5% for the quarter and 11.0% in the first six months while the other regional centers of Galway and Limerick also witnessed similar levels of price growth.

Commenting on the results Marian Finnegan, Chief Economist, Sherry FitzGerald Group said; "The figures for the first six months of the year reflect the phenomenal appetite for residential property in Ireland, particularly as they occurred during a period of rising interest rates. Price inflation was particularly strong in the eastern corridor with double digit price growth recorded in Dublin and the surrounding counties of Kildare, Wicklow and Meath. While the other regional centres also enjoyed above trend price growth."

The strength of price inflation was most notable in the opening months with a gradual easing in the monthly growth rates as the year progressed. This moderation can be attributed to seasonal factors, particularly a rise in the stock of available properties in the summer months with the pace of price growth in Dublin recorded at 1.3% in June compared to 4.9% in March.

A preliminary analysis of a selection of properties which traded in Ireland during the opening months of the year revealed that first time buyers remain a stable ingredient in overall demand purchasing an estimated 36% of all the second-hand properties traded and closed during the six month period. This compared to 37% during the same period in 2005 and 33% in the same period in 2004. The resilient strength of first time buyer demand illustrates the positive impact of the amendments in the rates of stamp duty applicable to first time buyers in the second hand market in Budget 2005.

Investors were relatively active during the year to date with preliminary estimates suggesting that they purchased an estimated 19% of the second-hand properties traded and closed during the period. This compares to 17% during the same period in 2005.

An analysis of vendors who traded their properties during the first six months reveals that 24% sold with the intention of purchasing a larger property. This is a very healthy indicator of the strength of the market. In contrast, only 6% of vendors were trading down. Interestingly, 28% of vendors sold investment properties, a trend, that has contributed to the stabilisation of the market which is evident in the return to positive rental inflation in the private rented market in 2005 - the CPI index of privately owned rents rose by 4% in the twelve months to December 2005 after two consecutive years of depreciation. This trend has continued into 2006 with growth of 2% in the opening five months of the year.

Looking to the future, Ms Finnegan suggests that "2006 will be a record breaking year for the Irish property market with indications to date suggesting that price inflation will significantly exceed the exceptional levels achieved in 2005. That said, we can anticipate a notable slowdown in the pace of inflation in the second half of the year as the impact of rising interest rates and the strength of stock available in the market will facilitate a slowdown in price growth."

Commenting specifically on the interest rate cycle Ms Finnegan noted that the market has largely absorbed the 0.75% rise in the rates in the past seven months. "This upward movement in interest rates was very much anticipated by the market and had we believe already been factored into the budgets of potential purchasers in the property market. As such it did not have a very significant impact on consumer performance in the Irish residential property market. That said, as we move towards autumn further increases in the cost of borrowing while unlikely to act as a barrier to entry into the market are likely to temper price growth with consumers becoming more conscious of their mortgage choice and overall debt levels."

and you could save  
thousands in interest.

With the new First Active Current Account Mortgage™ instead of having a current account for day to day banking, which earns you little or no interest, and a mortgage on which you pay interest, the First Active Current Account Mortgage™ combines the two.

- With the First Active Current Account Mortgage™ you could save thousands in interest and reduce the term of your mortgage.\*
- You can also take the hassle out of switching your mortgage with the EasySwitch service

# IN MEMORIAMs

**DALY** — Thirteenth Anniversary — In loving memory of Batty Daly, late of 29 Cathal Brugha Place, who died on 26th June, 1993.

Time won't heal the heartache,  
Or end the silent tears,  
Or take away the memory,  
Of an uncle we loved so dear,  
We think of you often,  
We talk about you still,  
You will never be forgotten,  
You know you never will.

(Loved and remembered by his niece Kathleen, Dick, Richard, Breda, Tina, Helen, Tracey, Michael, Adrian and families).

**HEALY** — Fifth Anniversary — In loving memory of Mary Healy (nee Murphy), late of 48 Main St., Dungarvan who died on 4th July 2001. Aged 49 years. Anniversary Mass on Monday 12th July in St. Mary's Church, Irishtown, Clonmel at 10 am.

We hold you close within our hearts,  
And there you shall remain,  
To walk with us throughout our lives,  
Until we meet again,  
So rest in peace dear loved one,  
And thanks for all you've done,  
We pray that God has given you,  
The crown you've truly won.

(Always remembered by Seamus and the girls, Anne, Michelle, Siobhan, Aisling and Niamh).

**HOULIHAN** — Second and Tenth Anniversaries — In loving memory of Bridget Houlihan, Crough, Leamybrien, who died on 27th June 1996 and her husband Patrick who died on 14th July, 2004. R.I.P.

Today we light a candle and say a special prayer,  
We take a trip down memory lane,  
And know that you'll be there,  
We think about you often,  
We talk about you still,  
You haven't been forgotten,

You know you never will.  
(Always remembered and sadly missed by all your family at home and away).

**KINEEN** — Second Anniversary — In loving memory of Gerry, late of 1 Rices Street, Dungarvan, who died on July 2, 2004.

Dad you were always there when we needed you,  
No task too great or small,  
With willing hands and a loving heart,  
For us you did it all.  
(Always loved your son P. J. and family).

**KELLY** — Fifth Anniversary — In loving memory of my husband Eddie, late of Mapstown, Dungarvan, who died on July 11, 2001. Anniversary Mass on Saturday, July 8th at 7.30 pm in St. Mary's Parish Church.

The next time I will meet you,  
Will be at heaven's door,  
And when I'll see you there,  
I will cry no more,  
I'll put my arms around you,  
And kiss your smiling face,  
And the pieces of my broken heart,

Will fall back into place,  
If God had just prepared us,

To let you go for good,  
We would not feel the way we do,  
We might have understood,  
For when God took you from us,

He knew what you were worth,  
He took the finest person,  
That ever walked this earth.  
(Sadly missed and loved always — your wife Carmel XXX).  
(Love and miss you Daddy — Ciara and Shane).

**KELLY** — Fifth Anniversary — In loving memory of a dear brother Ed, late of Mapstown, Dungarvan who died on July 11, 2001.

Have you ever lost a brother,  
Or ever felt the pain,  
Or ever shed the bitter tears,  
That drop like falling rain,  
If you've never had that feeling,

We pray you never do,  
For when we lost our brother,  
Our hearts just broke in two,  
There is a corner in our hearts,  
You visit every day,  
It's a special place for you,  
Ed,

And there you will always stay.  
(Sadly missed by your loving sister Brigid, brother-in-law Liam, Joann, Deborah, Liam and Kelvin).

**LYNCH** — Memories today and always of our dear parents Maurice and Margaret Lynch, Scart, Cappagh whose anniversaries occur at this time. May they rest in peace.

As it dawns another year.  
(Maurice, Joan and Kathleen).

**REDDY** — Fifth Anniversary — In loving memory of my Dad, Mattie Reddy, late of Lower Glen Modeligo, who died on 4th July, 2001.

No farewells were spoken,  
No time to say goodbye,  
Our loss was so sudden,  
Only God knows why,  
Find the softest pillow Lord,  
To rest his head upon,  
Put a kiss on my Dad's cheek,  
And tell him who it's from.  
(Loved and remembered your son Eric, daughter-in-law Tracey, grandchildren Erica, Tholom and Kyle).

**SARGENT** — Fourteenth Anniversary — In loving memory of Austin who died on 3 July, 1992 — 'I lionta Dé gá gcastar sinn' — (Rose).

**TWOHIG** — Nineteenth Anniversary — In loving memory of our dear brother Michael Twohig, late of 23 Caseyville, Dungarvan whose anniversary occurs on July 5.

There is always a face before us,  
A voice we would love to hear,  
A smile we will always remember,  
Of our brother we love so dear,  
As days go by without you,  
And weeks turn into years,  
They hold a million memories,  
And hide a million tears,  
And when we see a photo,  
You seem to smile and say,  
Don't cry I'm only sleeping,  
We will meet again some day.

(Always remembered, never forgotten your loving sisters Myra, Margaret, Rose and Theresa and all their families).

**POWER** — First Anniversary — In loving memory of Philomena Power, late of McCarthyville, Abbeyside whose anniversary occurs on 4 July.

Will those who think of Phil today,  
A little prayer to Jesus say,  
Gone from our lives forever in our hearts.  
(Your loving brothers and sisters).

**WALSH** — Twelfth Anniversary — Treasured memories of our dear daughter and sister, Mary Walsh, Modeligo, Cappagh who died on 5th July, 1994. Anniversary Mass on Sunday, 9th July in Modeligo Church at 10 am.

There is a home that lies beyond,  
And past its golden door,  
Awaits the one who's now away,  
Not lost just gone before,  
And in that home that lies beyond,  
The master will prepare,  
A place for you and when he calls,  
You'll meet your loved ones there.

(Loved and remembered by Mam, Dad and Michelle; Siobhan and Pat; Christine, Tomas, Mary-Kate and Michael-Joseph).

**WALSH** — Fourth Anniversary — Treasured memories of Ursula, late of 3 Strandside South, Abbeyside, who died on 12th July, 2002. Anniversary Mass in Abbeyside Church on Friday, 7th July at 10 am.

Your life was one of kindly deeds,

# Birthday Remembrances

**FALLON** (née Lucas) — Birthday Remembrance of my mother and sister Ann Fallon (nee Lucas), late of London and Congress Villas, Dungarvan whose birthday occurs on 7th July.

A thousand words won't bring you back,  
We know because we've tried,  
Neither will a million tears,  
We know because we've cried,  
Sometimes we think we're dreaming,  
We cannot believe it is true,  
That we can all go on living,  
Now that we no longer have you.

(Lovingly remembered by your sister Ellen, son Gary and daughter Karen).

**BULFIN** — Birthday Remembrance — In loving memory of a wonderful wife and mother, Mary Bulfin, late of 14 St. Patrick's Crescent, Dungarvan, whose birthday occurs at this time. Happy birthday Mam XXX

Today is your birthday,

How we love and miss you,

Someone to talk to, loving and true,  
One in a million, Mum, that was you.

(Missing you every single day, your husband Gerry and all your family XXXXX).

## NOVENAS

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) — O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — B.C.

**THE MIRACULOUS PRAYER** (Say for three days), promise publication and favours will be granted. Never known to fail — Dear Heart of Jesus, in the past I have asked you for many favours, this time I ask you for this special one (mention request). Take it, dear heart of Jesus, and place it within your own broken heart, where your Father sees it, then, in his merciful eyes, it will become your prayer, not mine. Amen. — B. C.

**MAY THE SACRED HEART OF JESUS** be everywhere known, loved and cherished throughout the whole world now and forever. Amen. Say 10 a day for 9 days. Publication promised. — P. F.

## Dungarvan G.A.A. Notes

On Wednesday night last we played Ring in the first round of the Minor 'A' Hurling Championship. This is the first year the club has had a Minor 'A' Hurling team in the championship since 2001. This relatively young side acquitted themselves very well to the task at hand. Trevor Crotty got us on the scoreboard in side two minutes with a great point from play and further points from Karl Duggan, Trevor Crotty, Cormac Curran and Gavin Crotty had us in the lead by 4 points to 2 with ten minutes played.

This was a free flowing game and the lads added a further 2:08 before the half time break. Including a close in free which was goaled by team captain Wayne Flynn leaving the half time score Dungarvan 2:12 Ring 1:09.

Dungarvan were guilty of conceding silly frees and were duly punished by the accurate free taking of the Ring centre back.

Our centre back Karl Duggan was withdrawn at the break with a hand injury and was replaced by Mickey Byrne. The lads went on to add another 1:13 in the second half and ran out comfortable winners on a scoreline of Dungarvan 3:25 Ring 2:15. This was a good result for the club but bigger challenges lie ahead.

Our Game against Cappoquin due to be played tonight in Colligan has been cancelled due to a bereavement in the Cappoquin Club.

# Remembering Other Days

The passing of Sean Norris, Dunhill, formerly of Keating Street, Dungarvan, last week recalls to mind the days of the "Barbell" club in Dungarvan in the 1950's. Sean was a founder member and pictured above during their exercises are (l . to r.) George Hamilton, Sean Norris, Paddy Norris (Sean's brother) with Martin Duggan looking on. Incidentally Sean and Paddy were printers by trade, both having served their time with the Dungarvan Leader. Paddy passed away some time ago in Australia. The Barbell Club held their 1st Annual Physical Culture Display in Dungarvan's Town Hall on Sunday, January 29, 1950 and featured artistes from Dublin and Cork as well as locals. The programme cost 3d.

# Third Lady Mayor Elected In Lismore

BY KEVIN KIRRAANE

Fianna Fail councillor, Helen O'Sullivan was elected Mayor of Lismore at the local authority's AGM recently.

Her election provided a clean sweep of the Mayoralties by ladies, joining as first citizens, Mary Green in Waterford County Council and Teresa Wright who was elected Mayor of Dungarvan.

She was elected on a 5-4 majority after being proposed and seconded by colleagues Jimmy O'Gorman and Peter Ahearne.

Helen, a mother of two, was co-opted onto the council as an independent shortly after the death of Richard Canning in 2003.

She switched her allegiance to Fianna Fail prior to the 2004 local elections.

Issues on which she will focus during her year long term include Lismore's tourism potential as well as the issue of Sam Shires waste pile which she said is causing much concern and is affecting a nearby housing development.

# Enjoying Dungarvan's Summer Camp

Pictured on Monday last with their Leaders in the Art Room are some of the children who are taking part in Summer Camp in Dungarvan Sports Centre this week. Pictured at back are Helen Walsh with Co-ordinator, Caoimhe Supple and Leaders Dana Laksa, Rosaline Walsh, James Corcoran, Amy Martin and Susie Kennedy. The Camp, which is sponsored by Dungarvan Credit Union Ltd. continues until 4th August and resumes for one week on 14th August.

# IDA Disputes Deasy Site Visit Claim

BY KEVIN KIRRAANE

The IDA is disputing claims that the agency has made just four site visits to Dungarvan in as many months and rejected accusations that Dungarvan is being neglected.

Fine Gael Deputy John Deasy, who received the figures from Enterprise Minister, Michael Martin, had claimed that just one site visit was made in the wake of the closure of Waterford Crystal, compared to thirty-nine site visits to Waterford City.

"Dungarvan is seen as an afterthought," said the Dungarvan-based Fine Gael TD.

However, the IDA has said that there has been three site visits since last year and there were more than four in the past four years.

South Area director, Brian Conroy said the IDA recorded six visits to Dungarvan in the four year period since 2002. Three of those were made since job cuts were confirmed at Waterford Crystal.

He said Biopin, the German paint manufacturer, which set up a factory two years ago is ready to come on stream with the creation of 20 jobs.

The IDA went on to say that the location of a plant is determined by the clients and not the IDA, but the company is targeting Dungarvan for new industry.

## Stradbally News

### RETIREMENT

They pulled out all the stops to celebrate the retirement of Jim Cullinan as Principal of St. Anne's Primary School, Seafield, Bonmahon on Wednesday 28th June. It was a well deserved tribute to a true gentleman who spent thirty six years in Seafield after years teaching in Portlaoise.

The proceedings began with Mass concelebrated by Fr. Michael Enright and Fr. Martin Keogh in the unavoidable absence of Fr. Greg Power who had done so much work for the school over the years. The opening hymn was an Mhuire Mhathair with the school children led on guitar by Chloe Humm and the readers were Ann Coffey and Ann O'Meara while the pupils shared the prayers of the faithful. Michael Queally narrated the offertory procession with Mary Power of Carrigcastle bringing up the roll book and the gifts of bread and wine were brought by Nathan Condon, Brendan Murphy and Niall Queally. The Communion reflection was recited by past pupil Michelle Sullivan (nee Coffey) of Lisard.

After Mass there were tributes by Eileen Power, Geoffrey Keane and Michael Wall, Jim suitably replied in his own inimitable way recalling his own school days and how the teaching profession has changed over the years. He was loud in his praise for all the work done by many people over the years to improve the school to the high standard it is today. A number of presentations were made to Jim and his wife Ann (nee Whelan) and finally sister Colette Cullinan thanked everyone on behalf of the family with daughter Colette and brother Walter unable to attend. Present were sons Kevin, Cormac, James and Walter and sisters Ide and Colette as well as former teacher Ann Mooney with many parents, grandparents and past pupils all anxious to be part of a real gala occasion with the singing and guitar playing of the pupils the highlight of the occasion. Thanks to Fionnuala Queally and all who organised the refreshments which were much appreciated.

### SYMPATHY

Sincere sympathy is extended to Eileen Heffernan who with her husband Paul and three children reside at Sheskin, Stradbally on the recent death of her father Frank Heron, Draperstown, Co. Derry. Sympathy also extended to Maurice Fitzgerald of Brenan on the death of his father Mick whose burial took place in Newtown on Monday, 3rd July.

### TIDY TOWNS NEWS

It was an exciting week for the Stradbally Tidy Towns committee when the postman brought news from Waterford Chamber of Commerce that the committee had won the first prize of 2006 in the Vodafone Passion for the World Around Us Awards. The award is designed to recognise the efforts of those in the community who strive to make a difference to the world around them. Six members of the committee attended a presentation ceremony held in the Chamber Offices, Waterford on Tuesday, 27th June. The presentations were made by Chamber President Kathleen Fitzgerald, CEO Monica Leech and Area representative of Vodafone Alan Dalton. The committee received a beautiful commissioned piece by Dublin artist Michelle Hannon, a framed certificate and voucher for Vodafone. The CEO Monica Leech was glowing in her praises for the committee's work in Stradbally over 25 years and of the awards that had been won in the European and national competitions in that time and how tourism and economic benefits follow through from those efforts. The committee would like to thank Waterford Chamber of Commerce and Vodafone for our award, the gracious comments and the refreshments on the day of presentation.

The award can be seen with the kind permission of Mary and Tommy Faha on their front shop window for the next two weeks.

## ABBEYSIDE REFERENCE ARCHIVE

### A RARE BOOK

A book entitled the Irish Century by Michael MacCarthy Morogh is proving to be unusual. It's by Cassell Paperbacks and carries four different price tags covering the USA, Canada, U.K. and Ireland.

It runs to 240 pages and draws on the Hulston Getty Picture collection for the rare and beautiful black and white photographs. The copy we have was first published in 2002.

This Sunday evening Ann Allridge will be at the parish office minding the above book and all the other treasures.

Note: Our committee members are reminded that as next Tuesday is the second Tuesday of the month our monthly meeting takes place at the usual time and venue.

# MODELIGO NOTES

### FIRST FRIDAY

First Friday Mass for the month of July for Modeligo at 10 am on this Friday (7th). At Affane, also on Friday 7th. Exposition of the Blessed Sacrament will commence at 10 am and will continue until Friday Mass, at 7.30 pm. The July edition of the Parish Newsletter is now available in the church porches and contains information on Church Feastsdays, as well as Sunday Mass themes for the month. Please feel free to take a copy home with you.

### NEW PLAQUE

Those using the Community Centre and Playing field will have noted the newly erected plaque on the left side of the entrance gate. It's a beautiful gold inscribed monument of black marble, and is very much in keeping with the entire layout of the venue. The committee Chairman and fellow officers wish to acknowledge the generosity of Thomas and James Drohan of Drohan Bros. Monumental Erectors, who donated the plaque free of charge.

### JUNIOR HURLERS

With regular corner-back Gavin Foley unavailable, the selectors opted to play Donal O'Keefe in his position, and

with Kieran McCarthy selected at wing forward, the team had a settled look about it for their Friday evening championship outing at the Cappelquin venue. Against a team that have been struggling in the competition, we started sluggishly enough, but 2 goals midway through the first half from Kieran and JP, killed off the Glen Rovers resistance. With our half back line of Paudie, Brian and Matthew gradually assuming total control, the second half became a procession, with all the forwards contribution to the final score of 3-19. Unfortunately Matthew picked up a rather serious looking facial injury late on, hopefully he'll be able to take his place for the last game of the league section, against Ballysaggart next weekend.

### MODELIGO SOCCER

Officers and players please note that the 2006 AGM will be held at the Centre on Friday, 14th July at 8.30 pm. The survival of the club is dependent on the interest and attendance of everyone connected.

### HOLIDAYING

Presently home on vacation from the US, where he has been domiciled for a number of

years, is Laurence Kiely, formerly of Scart. No doubt Lar, who is accompanied by his wife and sons, will enjoy meeting up with members of his family, as well as his many Modeligo friends.

### NAOMH BRID

Unfortunately Cois Bride proved to be a bridge too far for Naomh Brid under 14's in the Western Final on Saturday last, hard luck on our local players Sean O'Donovan, Michael Bumster, Robbie Buckley and Louis Queally, who was absent on the day but who lined out in many of the earlier fixtures. The 3-8 to 3-3 scoreline scarcely does credit to what was a great Naomh Brid performance.

### MODELIGO PARENT AND TODDLER GROUP

What a big day we had on Friday last at our end of term party! Congratulations to all our little graduates who re-

ceived a special certificate and pressie. We wish them all the best of luck, not forgetting of course that it's just as much a graduation for their families as it is for themselves. We look forward to seeing them all during holiday and party occasions. Our little friends included:

Morgan Wood, who will attend Lismore school, Sadhbh O'Shea, attending Modeligo, Oisín Reddy, attending Modeligo, Isabelle Sheehan, attending Modeligo, Joe Lenane, attending Glenbeg, Clara McCann, attending Villerstown, Aoife O'Donnell, attending Cappelquin, Emily O'Mahony, attending Aglish, Killian O'Connor, attending Ballinameela and Oliver Killestein.

The Parent and Toddler Group meets every Friday at 11.00 in Modeligo Community hall. Mums, Dads, carers and of course kiddies are always welcome to come along and join in the fun. We act as a self help and mutual support group for parents/carers and babies/children up to school age. Cost is 3 euros per family and new members are always welcome. Call Loretta on 47983 or Louise on 54993.

# CAPPOQUIN NOTES

## CAPPOQUIN/AFFANE SCHOOLBOY/ GIRL SOCCER NOTES

### Football fun in the sun

As you read this we are in the middle of our Soccer Summer School and if the weather forecast was right we are in the sweltering heat! We are thrilled with the number of children that are on the camp. We had a big number of "walk ons" Monday morning which meant we exceeded all expectations and if Monday is anything to go by the kids are in for a great weeks fun.

### Field Development

A big thank you to all that helped during the last few weeks to get the field looking as good as it did for the summer camp. A special word of praise for our new chairman Tommy O Sullivan, who is leading from the front and driving everyone forward. Well done Tommy and keep up the good work.

### Schoolboy League AGM

On Thursday July 6 the schoolboy AGM is on in Tallow. Taking over from Michael Looby on the committee for the club will be David Lennane. This will be a very important AGM with many issues to be discussed none more important than the fixtures situation which needs to be addressed urgently. It is going to be a very exciting Season for the league as we roll out the FAI emerging talent programme and hopefully a girls league also. It is important that we have our say in all that will be going on.

### Club AGM

Next week we will have a date for our own AGM.

## Cappoquin Rowing Club

Cappoquin Rowing Club was founded in 1862 and has been in continuous operation since then. In 2004, the committee expressed an interest in building an extension to the existing boathouse in Cappoquin, which will house a new gym and exercise area and new changing rooms. The new gym area will be used specifically for this purpose and it will be open to both members of the public and non-members of the rowing club. The downstairs area of the clubhouse will be allocated for the housing of an inland rescue boat service and for the storage of canoes and other water craft used by locals and tourists alike. Waterford Leader Partnership assisted Cappoquin Rowing Club with a capital grant towards the extension of the clubhouse.

## RAILWAY ATHLETIC FOOTBALL CLUB (CAPPOQUIN)

### Sony Nolan Tournament

Our young boys went to Tramore on Saturday last to take part in the Sony Nolan tournament. All the boys had a great day and they had six matches in all. We got to the quarter final and were very unlucky to go out on a penalty shoot out. The most important part of the day was that they had a lot of fun. Well done to Thristin, Danny, Claire for helping out.

### Under 8 Mary McLoughlin Tournament

All systems go for this Saturday when we will have the second year of the Mary McLoughlin tournament. We will have 8 teams. The games will start at 1:30pm. They will also be a number of side shows, bouncy castles, etc. A day not to be missed.

### Long Season

A very long and hard season has just passed. The club would like to thank everyone who helped out running teams, committee, supporters, sponsors and a special mention to all the players who turned up week in week out.

Unfortunately we will not have much of a break with the new season just around the corner.

## NOTICE BOARD

Over the last few months a lot of people have suggested that Cappoquin should have its own Community Notice board. This is a good idea because it is an easy way for all the clubs in the area to publicise their activities and also it will help to avoid events clashing unnecessarily.

This is the first time that this has been attempted in Cappoquin, so it is important that we do it well and to a high standard. This notice board will be for everyone in Cappoquin so we invite all clubs, organisations, and individuals to give your opinions and ideas on this project. Some of the issues to be decided on are: design, location, content and financing. Please submit your ideas to anyone on the committee, the new suggestion boxes around the town or Cara at the Credit Union.

Please submit your ideas before Friday, 14th July. We look forward to hearing your ideas and working together on this new Notice Board for Cappoquin.

### CAPPOQUIN COMMUNITY DEVELOPMENT COMPANY LTD LOTTO RESULTS

### Meeting

On Wednesday night last 21st June, the club held a very constructive meeting. Following the meeting, a lot of ideas were put forward and we hope to recruit new young players for the forthcoming season. A trip to Glasgow is also planned in the future. The club will hold another meeting on 12th July, 2006 in Affane Hall at 9pm. A vote of sympathy was passed at the meeting to the McCarthy and Prendergast families, Affane, on their recent bereavements. The late Eddie Prendergast was a former player with the club in the early eighties and had the distinction of scoring the clubs first ever goal in the league. May they rest in peace.

### CAPPOQUIN CARNIVAL

## How To Find Things On The Web...

Google  
Ireland

Search the web pages from Ireland

Google is offered in: Gaelige

Advertising Programs Business Solutions About Google Go to Google.com

Hi all, this article will deal with the pitfalls and advantages of using the web to get your shopping done. If you have any questions regarding this article just email me on HYPERLINK "mailto:info@bluett.ie" info@bluett.ie or by post c/o this publication.

### WHAT'S SO GREAT ABOUT INTERNET SHOPPING?

Well for this lazy person, the best thing about shopping on line is I can do it from the couch. I hate wandering around from one shopping centre to another trying to find what I need at the right price. By using the web I can just search on line shops for what I need without ever getting up. This gives me a list of potential suppliers and saves time and effort.

### WHAT CAN YOU BUY AND HOW DO YOU BUY IT?

Absolutely anything you can think of! From tractors to treadmills, from driving lessons to Lear Jets I guarantee there's someone somewhere trying to sell them on the web. But it's like any shopping experience you need to be aware of what you are buying and who you are buying it from.

Be sure to get comparison prices! Don't buy the first item you see. Look around and use Google or another search engine to help find alternative web sites.

### SAFE BUYING TIPS

A recent report stated that almost 30% of on line purchases made in Europe never arrived. You must protect yourself while shopping on the web.

Get to know the shop you are buying from and look for reviews of the web site. Try using Google 'review of shop name' and see what you get.

Understand the shipping/delivery system and the returns policy, have a quick look at the terms and conditions should you need to return any items.

Keep a printed record of your order and ensure you have a contact telephone number for the seller. If there are no direct telephone numbers supplied be very careful.

Use a credit card or pay pal to make your purchase. Both companies will listen and withhold payment if there are any disputes. Never use Western Union money transfer.

A very important point to know is that with any on line purchase you have a seven day cooling off period after you receive the goods, during which you can return the item and get your money back. This applies to any web site purchase and gives you the time to try on the piece of clothing or confirm that the item you received is exactly what you ordered.

### EXAMPLE SITES

Here are a few example sites to get you going.....

AMAZON.CO.UK

Point your browser to HYPERLINK "http://amazon.co.uk/"http://amazon.co.uk/ This is a world wide organisation that sells almost everything, this site is particularly good value for books and DVDs and allows you to buy second hand items at a huge reduction. When you buy from here most goods will be shipping from the UK but I have used them a lot and never had any issues. You will need to create an account to purchase from amazon but it is a quick process.

IRELAND.IE

Point your browser to HYPERLINK

"http://www.ireland.ie/"www.ireland.ie. This is Bord Fáilte's web site for holidays in Ireland. It has a great range of breaks and different types of accommodation. But as I said above shop around. If you see a hotel you like on www.ireland.ie use Google to find their own web site and you may get a better deal direct.

I hope this brief article will help you get started with shopping on the web. For more tips and articles see my web site HYPERLINK "http://www.bluett.ie/"www.bluett.ie and keep watching this column. Topics I will soon cover include How to use Ebay, Tips for booking a holiday on line.

## The Writers of County Waterford

by Donald Brady

June 2006 €12.99

## Writers Of Co. Waterford

Last Thursday week in Lismore, Waterford County Council Library Service launched a great new book called The Writers of County Waterford. By Donald Brady, County Waterford Librarian, the book gives an excellent run down of writers from all parts of one of Ireland's most prolific counties.

Featuring internationally famous authors such as Dervla Murphy and Anthony Summers, well-loved local authors like Tom Fewer, Eddie Wymberry and Siobhan Lincoln, plus all sorts of famous names from the past, The Writers of County Waterford had a great launch by Thomas McCarthy.

With interesting speeches by many local dignitaries and lots of the authors in the book present, everyone had a lovely evening at Library Headquarters.

The book is a very accessible 120 page paperback with lots of illustrations, biographies of the authors and details of what they have written. Very much a starting point, The Writers of County Waterford is the first book that sets out the county's massive contribution to Irish and world literature.

On sale at bookshops, some post offices and local library branches around County Waterford, The Writers of County Waterford is a perfect introduction to hundreds of years of creativity and success. If you can't find the book anywhere, call the publishers (Lismore Books) on 058 54650.

# Major Hunger Strike Commemoration For Dungarvan

Saturday, 8th July will see the largest Hunger Strike Commemoration in the county. Sinn Féin is organising a march through Dungarvan and a rally with major speakers. There will be a commemorative function that night.

The march will assemble in the Eurospar car park, Abbeyside at 2pm on Saturday the 8th of July and proceed with bands through Dungarvan to the 1798 monument in the Town Park at the Lookout.

The speakers will be the Sinn Féin election candidate for the Waterford constituency, Cllr D. Cullinane, Sinn Féin Mayor of Kerry, Toireasa Ferris, and Jim Mc Veigh, former O.C. Long Kesh.

Sinn Féin Cllr Brendan Mansfield said of the

march. "This 25 year commemoration will be sure to bring back memories of Kevin Lynch, who stood for election in Waterford in the General Election of 1981. Kevin died on 1st August 1981 after 71 days on hunger strike. He was 25 years old. He won over 3,700 votes in the 1981 election. There have been strong links ever since between Kevin's home town of Dungiven, Co Derry, and Waterford. A new GAA pitch, dedicated to Kevin, will be opened at the end of July in Dungiven, and Waterford clubs will be participating in the event."

There will be a Commemorative function at 9 pm that night in Lawlor's Hotel. All are welcome.

## Current Exhibitions At Old Market House Arts Centre

The Old Market House Arts Centre, Lower Main St., Dungarvan, Co. Waterford is currently exhibiting 'Unexpected' paintings by John Cullinan, Tramore and 'Silhouettes of Summer' bogwood sculptures by Brian O'Loughlin. ### Tallow Intermediate Champions 1974

Tallow lost senior status in 1947 and did not return to the ranks of senior hurling until they won the Intermediate title in 1974

#### Junior Hurling

We completed our schedule of games in the junior hurling championship with a lively and highly entertaining game against Abbeyside in Ardmore last Saturday evening. Maybe it was due to the fact that both sides were out of contention and there was no pressure on but we were treated to a very open, free flowing high, scoring encounter which both sets of players appeared to enjoy. Hurling by the sea on a balmy summers evening on a good surface. You couldn't ask for much more.

Abbeyside had us on the back foot early on with a couple of quick goals but the lads battled gamely to pull back level by half time. James Henley was particularly effective at full forward and his efforts were rewarded with a couple of goals. Thomas Ryan, James Hampton and the Curley brothers Mike and Will all displayed neat stick work which yielded quality scores.

Abbeyside enjoyed wind advantage in the second half but Tallow held their ground and were a point ahead after 15 mins. The loss of Jacko Doyle, who had to retire at half time through injury, was to prove decisive however as Abbeyside gradually gained the upper hand. Tallow came under sustained pressure for the last quarter and despite some stout defending, particularly from Kieran Geary and Tom Feeney, the "Village" breached our defence with three quick goals to emphatically decide the final outcome.

It was an enjoyable hour's hurling played in good spirit and this time the umpires didn't fight.

Our thanks to the Ardmore club for allowing the use of their well appointed grounds and facilities.

Panel: Kevin Henley, Tom Feeney, Colin Cunningham, Eric Hickey, Noel McCarthy, Dinny Martin, Kieran Geary, Jacko Doyle, Mike Curley, James Hampton, Maurice O'Brien, Thomas Ryan, Luke McCarthy, James Henley, Will Curley, Tomas Cunningham,

Ross Livingston and Barry Moroney.

Our championship campaign has concluded but most if not all our panel should be training with minor, u21 or senior panels from now on. We will take a break for a week or two but if any clubs still involved in championship are interested in a challenge game we would certainly oblige. We would also hope to organise a junior hurling tournament in the near future to keep our lads hurling. Interested clubs should email tulachaniarainn@eircom.net

#### Tallow GAA Lotto - supported by Kearney's Restaurant

#### Senior Hurling - Munster League

Tallow will travel to Kerry to play Kilmoyley in the Munster league. We will bring you dates as soon as they become available.

#### Cois Bhride

The minor hurlers had a good win over Fourmilewater in the first round of the championship in Lismore last Wednesday. They play Brickeys at the same venue this evening (Wed.) in the next round.

Congratulations to the u14 lads who defeated Naomh Brid on Sat in the Div 2 Western Final. These lads play Ferrybank in the Div 3 county final this Saturday in the Fraher Field. I think the throw in is at 3.30 so if you're not in Portlaoise go along and give the lads a bit of support. The u13's played Ardmore Monday night. They will need a result to stay involved.

Frank has full match reports on Cois Bhride Notes.

#### Double Header At Portlaoise

Waterford play Laois at 3.45 in Portlaoise this Saturday, followed by Tyrone v Laois @ 5.00 in the football qualifier. This attractive double header is sure

to draw a huge crowd to O Moore Park.

We would be expecting to win but we should know better at this stage than to take anything for granted, especially with Sven at the helm.

#### Senior Hurling - Munster League

News just in! Tallow play Na Piarasigh from Limerick in Tallow on Sunday morning @ 11.30 in the Munster League. Biann agus bi linn!

#### Tickets for Laois Game

The club has a limited number of tickets for Saturdays game. Members should contact Lindsay immediately.

## BRIDEVIEW UTD A.F.C. NOTES

# Victory For Utd

### Summer Tournament Sponsored By Kenneally Rochford and Associates Ltd

Our Junior team got back to winning ways at home to Blackwater Rangers on Wednesday evening last.

Our ladies team went down to Kilmac but to be fair the heavy defeat did not do justice to our girls on the night.

Our lotto jackpot was not won on Friday last so be sure to get your ticket early this week.

### Results Summer Soccer Brideview Utd 5 Blackwater Rangers 1

Utd got back to winning ways on Wednesday evening last with a good home win. The first half was keenly fought with the only goal scored by Utd's Kevin Henley.

Utd took the game to Rangers in the second half. Clive Good had a fine shot come back off the post in the 50th minute. However, Utd increased their lead a minute later when Henley struck again with a fine goal. William Curley added goal number three in the 60th minute and at this stage Utd were well on top.

Rangers pulled a goal back in the 76th minute but Utd held out for a win and added goals from Stephen Pratt and Eric Hickey.

Utd: S. Ahearn, I. Mason, K. Casey, G. O'Neill, P. Henley, F. Power, S. Pratt, M. Curley, K. Henley, C. Good, I. Farmer.

Res all used: J.P. Grey, W. Curley, E. Hickey.

### Ladies League

Sponsored By Solo Hair Salon, Youghal Brideview Utd 0 Kilmacthomas 5

A heavy defeat here for our ladies who to be fair did not deserve such a defeat. Our girls played very well in this game.

The opening goal was an o.g. to put the visitors in front. We created good chances with Grace Carr, June Condon and Ber O'Keeffe all going close. However, we went in at the break

3-0 down.

The visitors added a fourth in the 58th minute and again luck was not with us when Grace Carr could have added two while Lisa Dunne was denied with a great save. So, we will await our first win but no doubt it will come.

Utd: S. Power, E. Harper, T. Hallahan, N. Guile, A. Condon, G. Cunningham, D. Pratt, B. O'Keeffe, Y. O'Neill, G. Carr.

Res used: O. Hickey, L. O'Doherty, L. Dunne.

#### Jumble Sale

On Thursday, 14th June, a jumble sale was held in the school and was organised by pupils in 6th class. It was held in aid of the Jordan Power fund and was very successful. Great organising was done in the weeks leading up to the event and on the day former pupils came to lend a hand. Innovative activities were organised and bargaining was brisk. All enjoyed the jumble sale which raised E515. Well done and a big thank you to all who helped.

#### School Tour

The 16th June was School Tour Day and children travelled in all directions. Senior pupils went to an Activity Centre in Wexford. Middle classes made sand castles in Tramore and swam in Splashworld. The small people enjoyed the delights of Fota Wildlife Park.

#### Farewell

It is the time of year when we say farewell to our 6th class pupils. This year's 6th class were small in number but big in every other way. They were role models for all the other pupils in the school and we are truly sorry to see them go. We wish them the best of luck in the years ahead. The children were Amy Beecher, Sarah Beecher, Ciara Hallahan, Grainne O'Brien, Ellen O'Keeffe, Michaela Tobin and David Rafferty.

The final event of the year was a very successful Sports Evening held in the school grounds and organised by the Parents Council.

Our sincere thanks to all who helped in the school in any way during the year.

#### Maura Sheehan Retires From Scoil Mhuire, Tallow

School closed for the Summer holidays on Wednesday, 28th June and we bid farewell to our pupils until September. We also said a fond farewell to a special teacher known as 'Mrs. Sheehan'. This muinteor holds a special place in many people's hearts in the locality. She was the lady who welcomed Junior Infants to school for the last 32 years and looked after their every need while in her care. She had a jovial caring way about her and small children warmed to her own special style of imparting knowledge and learning skills. They had no difficulty in hearing her as she is gifted with a good loud voice which could be heard all over the school!

Maura has been part and parcel of the school since we first opened our doors in 1980. She has contributed in so many ways to make Scoil Mhuire a happy place.

Presentations were made to Maura in the school to mark the red letter day. The pupils presented her with a Genesis carving of a boy and girl suitably inscribed and a card made and signed by all the children in the school. Her daughter Sinead presented her with a basket of flowers saying "To Mrs. Sheehan, the best Mammy in the world". Laura Henley, Sean Henley, Mary Ann Daly, Grainne O'Brien presented the gifts on behalf of the pupils.

Further presentations were made

by the Parents Council who were represented by their Chairperson Yvonne Beecher. Yvonne was loud in her praise of Mrs. Sheehan and thanked her for her huge contribution to the school for so many years.

The Chairperson of the Board of Management, Rev. Fr. Michael Farrell P.P. thanked Maura for her years of devoted service to the children in the school. He spoke of the important role she played within the school for so many years and thanked her for her valuable contribution.

Mr. Billy Sheehan (Principal and husband to the lady in question) reiterated all the sentiments expressed by others and thanked Maura for all the good work she did in the school over the years. He wished her every happiness and thanked Maura for all the good work she did in the school over the years. He wished her every happiness in her retirement. Maura was the recipient of many other gifts and cards on the day, and a large number of past pupils and other well wishers were present to mark the occasion.

Following the presentations, Maura wanted to say Cupla Focal. She thanked everybody present for their good wishes and gifts and spoke of her teaching career with great affection. She enjoyed her years in the classroom and thanked all in the school who shared her working life with her.

We are sorry to see Maura go. She was a cherished member of our staff and we will remember her with great affection. We wish her a long and happy retirement.

# COOKERY CORNER

## A truly tropical taste: Tahitian poisson cru

IN the Pacific, Tahiti is the home of delicious tropical raw fish, or poisson cru. Follow the recipe below for a tasty way to prepare raw fish in a traditional way.

**Ingredients:**

- 750 g boneless snapper
- 1/2 red pepper, de-seeded, sliced
- 1/2 green pepper, de-seeded, sliced
- 1 clove garlic, crushed
- 2 spring onion, finely sliced
- 2 tomatoes, skinned, deseeded and the liquid removed
- 1/4 x 5 ml sp of powdered ginger
- 6 lemons
- 400 g can coconut cream
- Salt and pepper to taste

**Method:**

Cut the snapper fish into cubes of roughly 1 cm in size and place them in a medium-sized bowl. Then squeeze the juice of the six lemons all over the fish. Toss the mixture well to make sure that the fish is evenly coated with the lemon juice, then refrigerate the cubed fish for at least six hours. This will help to soften and marinate the fish with a delicious citrus flavour. When the refrigeration time is up, drain off the juice. Rinse the fish by placing the cubes briefly under running cold water. Place the fish back in the bowl, and then add the all the other ingredients. They should be chopped to about the same size as the fish cubes. Add the salt and pepper to taste and then mix everything together thoroughly. Serve on a large oval dish. TIP: For that finishing touch, line your dish with a variety of fresh green leaves.

## Designer burger with added chilli

DESIGNER cheeseburgers served with salad and toasted bread can make an ordinary barbecue something special.

**Ingredients:**

- Serves 4
- 700g lean minced beef
- 1/2 x 5 ml sp ground cumin
- 75g finely chopped onion
- 1/2 x 5 ml sp oregano
- 75g dry bread crumbs
- 4 slices Swiss cheese
- 2 x 15 ml sp green chillis, seeded and finely chopped
- 4 slices French bread, lightly buttered
- 1 egg
- 4 crisp lettuce leaves
- 3/4 x 5 ml sp salt
- 4 large tomato slices
- 1/4 x 5 ml sp black pepper
- 4 sweet gherkin pickles.

**Method:**

Combine the minced beef, onion, breadcrumbs, chillis, egg and spices in a bowl. Mix well. When the mixture is completely combined, divide into equal amounts for the number of servings. Shape each portion of the mixture into a thick patty about 10cm in diameter. Cook the patties on a barbecue or under a hot grill until they are done to your liking. This usually takes around five or six minutes a side. Place a slice of cheese on each patty and toast the bread slices during the last few minutes. To serve, place a toasted bread slice on each plate and top with a lettuce leaf, tomato slice and a cheese-topped patty. Garnish with a gherkin.

## You'll all go nuts for these acorns

- 1/2 x 5 ml sp baking powder

**Method:**

Preheat the oven to 190°C (375°F) Gas Mark 5. In a large bowl, beat together the butter, brown sugar, half of the chopped pecans and vanilla on medium speed

until well blended. Add the flour and baking powder and mix well. Shape the dough into 3 cm balls. Slightly flatten the balls by pressing on to greaseproof paper, then pinch the tops to a point to resemble acorns. Bake in the oven for 10-12 minutes. Remove the acorns from the oven and cool them on wire racks. In a glass bowl placed over a pan of simmering water, melt the chocolate chips, stirring until smooth. ## RETIRED

On Tuesday, 27th June a day of celebration was held in Kilrossanty National School to mark the retirement of Mrs. Sile Murphy after 36 years of teaching. The day began with a Mass in St. Brigid's Church in honour of Mrs. Murphy and to congratulate 6th class on their graduation from the Primary School. Fr. Delaney officiated at the Mass which brought together all the diverse areas of Mrs. Murphy's teaching life. The Offertory Procession prayers and hymns all portrayed her dedication and service to both the school and wider community. Fr. Delaney paid glowing tributes to Mrs. Murphy in his homily and Judith Flynn composed and recited a magnificent poem capturing all aspects of her life. The Mass was attended by many parents, former colleagues and family of Mrs. Murphy. The Department of Education was represented by the Divisional Inspector. The congregation was then invited for refreshments which were so wonderfully provided by the parents and friends of the school. A more spectacular showcase of baking and confectionery would be very difficult to find. At this point the children made their presentation to Mrs. Murphy of a garden seat and a book of memories from the 6th class. After a speech from Mrs. Tuohy the assembled crowd enjoyed the refreshments during which many memories and past times were recalled. May you enjoy your retirement. Sheila was principal teacher.

Love is a splendid thing. Count your blessings but avoid wearing those rose tinted spectacles . . . even to bed! See your circumstances for what they are and work from there. Aug 23 to Sept 22  
You need to make a decision about your future and not just let a love scenario drift along. You may need to do some soul searching to find out what level is best for you. The strength of a current connection is your ability to talk to one another and to take the initiative with each other. You may however expect a partner to be a mind reader. The more you commit, the happier you will be. You know the validity of this statement yet continue to find involvement difficult. The key word is "compromise". Recognise that you and a partner need to be on the same team, then there are no "losers"! Don't risk cherished love over a trifle. Anger is a short madness. ☎ 1550-920-264

# Dungarvan Leader - This Week In The Garden

## Grow your own kitchen herbs

THE popularity of growing fresh herbs has never been greater, boosted by the number of cooking programmes on TV. The health giving properties of herbs has also contributed to more people growing herbs in the smallest of spaces, from pots on windowsills to pots by the back door. Many cosmetic preparations also boast of the benefits of their herbal ingredients, so it's little wonder that many people are keen to try our hand at growing them. Herbs are not only deliciously aromatic but also contribute to a variety of contrasting colours and forms to any balcony, patio or garden. If space is limited, herbs can be grown in pots and as many of them hail from the Mediterranean, terracotta pots are ideal. Strawberry planters are particularly suited

for this purpose as you can plant a different herb in each pocket. A vigorous herb such as mint (*Mentha spicata*), which has very invasive roots that will spread everywhere, is best confined to pots. As a general rule, herbs enjoy lots of sun and a free-draining soil or compost. Those with variegated foliage are quite tolerant of light shade. Pineapple mint (*Mentha suaveolens*) is one such herb and is quite happy to be situated out of the heat of the midday sun. Varieties of the wonderfully scented lemon balm, parsley and chives are just a few of the herbs that can tolerate moist shade providing the soil does not become waterlogged. If herbs are to be grown in the garden it is worth giving consideration to where they will be best placed. Ideally the closer to the house the more convenient they are to use but ensure that the area is not favoured by pets. A site specifically designed for herbs is not only relatively easy to design and construct but can be extremely attractive and aromatic. If you have the room, grow herbs in blocks to ensure a continuous supply throughout the year, or create a mixed bed avoid really large or spreading types, and keep them in check by harvesting them regularly. Choose sweet smelling lavender (*Lavandula*) for a low, less formal hedge or select a more geometric, traditional design by planting rows of box (*Buxus sempervirens*) to enclose and separate the herbs.

Great flavour: Fresh herbs are easy to grow and have many uses in the kitchen

The easiest way to sow herbs is where they are to grow and now is the best time of year to do this when the soil is warm. A wide range of herbs can be sown in a single plastic or polystyrene module as most herb seeds require the same conditions to germinate. Sow a couple of seeds in each cell and germinate them in a temperature of 15°C. When the young plants are large enough, transplant them to their final growing position. No thinning should be needed and because there will be little root disturbance, plants should not run to seed too quickly.

### Growing herbs: top tips

Herbs to raise from seed include:  
Annuals - basil, borage, chervil, coriander, cummin, dill, summer savoury and sweet marjoram  
Biennials - angelica, caraway, French and curly parsley  
Perennials - chives, fennel, French marjoram, garlic chives, oregano, sage, sorrel, thyme, and winter savoury  
Herbs to grow from cuttings:  
Curry plant, French tarragon, lavender, lemon verbena, marjoram, rosemary, sage, thyme and winter savoury

## THIS WEEK IN THE GARDEN

**Sow perennials and biennials**  
Most perennials and biennials sown out of doors now will make good, sturdy plants for placing in their flowering position in the autumn. The most useful biennial are Canterbury bells and verbascums. Among the easiest to raise from seed are aquilegias, lupins, oriental poppies, hollyhocks and delphiniums. But there are many other things that you can try if you can obtain the seeds. Sow thinly in drills of 15-20 cm apart and cover with 0.5 to 2.5 cm of soil, according to the size of the seeds. Violas, pansies, primroses and polyanthus may also be sown outdoors, but it is preferable to choose a shady place for these.

**Place chrysanthemums in summer position**  
Chrysanthemums grown in pots will be better in the open from now. It is a good idea to make a special standing ground for them in an out-of-the-way place. The plants should be arranged in straight rows at least 75 cm apart, so you can easily move between them. Drive a stake into the ground at each end of each row, stretch a couple of wires between the pairs of stakes and attach each bamboo cane to the wires. This method is the ideal for exhibition chrysanthemums grown to a single stem. With decorative plants horizontal wires get in the way.

**Thin out veg seedlings**  
Vegetable seedlings from April and May sowings will need thinning out.

**Plant outdoor tomatoes**  
Tomatoes that have been hardened in frames may be planted outdoors in a sunny sheltered position. A border at the foot of a fence or south facing wall is the best place for the plants, which should be 38 cm apart. The soil should not be too richly manured as it is wise to let tomatoes set a few fruits then feed regularly.

## LISMORE PARENT & TODDLER GROUP

Last Thursday our Parent and Toddler Group met in Ardmore for one of our many summer excursions. The weather didn't allow for paddling or sunbathing so we headed for the playground. All the adults and children enjoyed their morning out and we finished our morning with a lovely picnic. This

Thursday (6th July) we will meet at 10.30 in the library for our usual morning of play, art and craft, stories and songs. Next Thursday (13th July) we are going to the playground in Tallow.

For further information on any of these meetings contact Caroline on 52840 or Ann on

"Storybox" is a self help and mutual support group for parents and carers from Lismore and the surrounding areas. We welcome parents and carers from all areas with their babies and pre-school children for whom we offer a safe environment in which to play and

interact. We have a variety of toys, we do art and craft as well as lots of singing and stories. The children get a healthy snack and the adults have time for a cup of tea/coffee and a chat. Subs are 3 euro and there is an annual registration fee of 5 euro, registration forms will be available each week.

We played Inch at home last Wednesday night and came away with a good 4 - 0 victory. We took the lead through Colin Houlihan after a bad mistake by an Inch player which left Colin with just the goalie to beat and he tucked it away nicely. We had to wait a while for our next goal which came from the boot of Eddie Pollard. We scored our next through Nicky Donnelly with a great finish from Nicky giving us a 3 - 0 half time lead. In the second half we created few chances with Eddie rounding off the scoring just before the final whistle. **CAMOGIE FEILE WEEKEND 2006**

# Lismore Capture Camogie All Ireland Title

Féile weekend 2006, which took place in Cork from 16th -18th June, will hold pride of place in the annals of Lismore Camogie Club. It was with quiet anticipation and determination that the girls left Lismore on Friday morning with the dream and hope of All Ireland glory in Division 3. The girls knew that they had a huge task ahead of them to capture the title, one that they had almost accomplished the year before.

The Lismore team competed against Sliabh Rua, St Finbarr's and Erins Own in the opening matches with the winners qualifying to compete against the winners of section A in the semi final. Friday afternoon they played the local team Sliabh Rua and had a comprehensive victory on a scoreline of 5-6 to 0-0.

This match was a great and start to the group stage settled the girls for the 2 matches to be played on Saturday. The morning match at 11.30am saw them play St Finbarr's and once again the team was fired up for the challenge and recorded a fantastic victory over the city team on a scoreline of 2-3 to 0-0. It was becoming clear that the skills and team spirit and commitment of all the girls was going to make them the team to beat.

The afternoon match against Erins Own saw another comprehensive victory on a scoreline of 2-2 to 0-0 paving the way to the semi final clash with Brian Dillons in Ballinlough at 5.30pm. The girls quickly settled into the match and from early in the game it was clear that they were not going to be overawed by this city team. Early goals set the tone of the match and with an impressive display of skill and spirit aligned with tremendous teamwork and steely determination they continued to control and dominate the game. By half time they had established an unassailable 6-4 to 0-0 lead. Playing well with themselves in the second half they ran out convincing winners with a final score of 10-6 to 4-2. Scores came from Aoife Barry (5-1), Rachel Whelan (2-1), Shauna Kiernan (1-3), Becky Mc Closkey (1-1), Aoife Hannon (1-0).

Sunday morning was Final Day and all roads led to Pairc Uí Chaoimh for the match against Newtownshandrum. A large section of the covered stand was taken over by the Black and Amber supporters anxiously awaiting the 11.30am throw in.

The crowd erupted as the teams ran on to the Pairc which was in tip top condition. We were delighted to have great support from our earlier opponents St Finbarrs and host club Sliabh Rua. Any early nerves were quickly dispelled, as Lismore were straight on the attack. The girls dominated in key areas from midfield to the inside forward line and

The team before departure on Friday morning in The Millennium Park

they made the most of every chance that came their way. An early point from Shauna Kiernan and a brilliant pass from Rachel Whelan saw Ruth Geoghegan register the first goal of the game. They tapped points over from all angles and established a great lead of 1-7 to 0-0 before Rachel Whelan netted the goal on the stroke of half time.

In the second half they continued to pile on the pressure and destroy any chance that Newtownshandrum had of bridging the gap between the sides with early scores from Ruth Geoghegan and Rachel Whelan. Scenes of unbridled joy greeted the final whistle as players, mentors and supporters were united in celebrating a glorious victory, the end of a 17-year wait for the Féile title. Lismore had run out deserved champions after producing a scintillating display on a scoreline of 5-9 to 0-2. Captain, Sarah Fenton was delighted to accept the Shield trophy on behalf of the team from Ms Liz Howard, President of Cumann Camógáíochta na nGael.

Scorers: Ruth Geoghegan 3-1, Rachel Whelan 2-2, Aoife Hannon 0-4, Shauna Kiernan 0-2, Emily Heneghan 0-1.

It was quickly back to Lismore where the Gardai and the

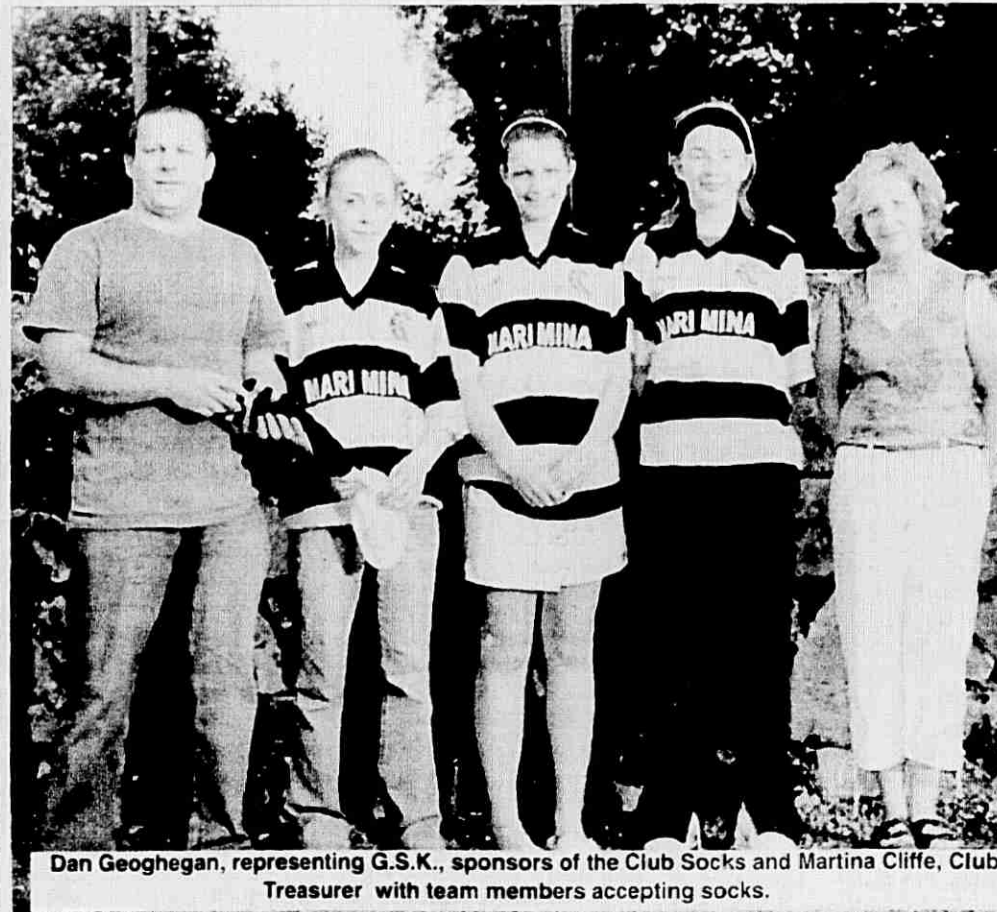

local fire brigade escorted the girls and supporters through the town. In the Millennium Park the team were greeted and congratulated by the local Town Commissioners and Lord Mayor Mr. Bernard Leddy.

Sincere thanks to everybody who made this such a memorable weekend. To the trainers and selectors Peter Whelan, James Russell, Eilish McGlone and Peter Kiernan, to the parents and supporters who turned up in large numbers over the whole weekend, to all the sponsors who generously supported us and to our host club, Sliabh Rua who welcomed us and opened their homes to us so generously. And lastly to all the girls who played so magnificently and courageously throughout the Féile championship.

Well done and congratulations to Helen O Donnell, Niamh Prendergast, Ciara Prendergast, Sarah McGlone, Rachel Murphy, Kellie Landers, Gemma Reaney, Shauna Kiernan, Rachel Whelan, Sarah Fenton (Captain), Aoife Barry, Emily Heneghan, Aoife Hannon, Becky McCloskey, Ruth Geoghegan, Marie Murphy, Kate Ryan, Caitlin McGrath, Shauna Prendergast, Sally Anne O Grady, Aoife Bennett, Harriet Bennett Lenane, Amy Feeney and Megan Kiernan.

## Ardmore G.A.A. Notes

### NIGHT AT THE DOGS

At youghal greyhound track on Friday 19th May we held our long awaited family night at the dogs. Despite the weather all our loyal supporters turned out in force. Live commentary on the night made for an excellent atmosphere for both young and old. The club would like to thank all who most kindly sponsored the races, along with all who advertised on the race card. A special thank you to all who donated money for the night.

The club are very grateful to the manager of the Youghal Greyhound track Pat Herbert for all his help on the night. We also thank the commentator on the night Tim Kelleher who kept all informed of the evenings proceedings. Thanks to local correspondent Declan Barron for his photography skills. The club would like to acknowledge the work put in by the committee members for their endeavours in raising badly needed funds for the club.

I would like to take this opportunity on behalf of the club to ask you to support all the business sponsors that contributed to the race night. Thank you very much for your support.

### DECIE DRAW

Congratulations to Mossy O'Connor on winning second prize in the Decie draw. Mossy scooped €2,500 plus a continental holiday. Congratulations from the club, and well done to Noel Conway for his co-ordination of the Draw for the club.

### INTER-COUNTY

Last Sunday saw 2 of our club men in action against beaten finalist in last year's all-Ireland Hurling final. With Clinton continuing his high level of goal keeping, it was extra pleasing to see the return of Declan Prendergast. We congratulate him on his performance...most notably at the centre back position. One hopes to see Seamus back from injury soon so to have our full complement of club players fielding once again.

### CUL CAMP

Cul camp will take place in Ardmore from Aug 7th to 11th. We especially encourage all local parents to ensure that children attend this camp. It is good to see the organisation competing with the various

other sports...and providing corporate sponsorship by VHI. Ardmore has always run its own summer camp, and unfortunately it's been judged unfair that Cul has taken the spot light. But I would hope that the development of the skills for the young would override any other concerns.

## St. Olivers G.A.A. Notes

### MINOR HURLING

Our minor hurlers beat Ballyduff in our first game in the western championship on a scoreline of 2-5 to 2-4.

Our next game is against Abbey-side tonight (July 5th) at Bushy Park.

### VHI CÚL CAMP

Our VHI Cúl camp is on from August 21st to 25th.

At this camp there will be hurling and football coaching in a relaxed and fun atmosphere for 6-13 year olds.

The cost is €55 for the first child, €45 for the second child and €30 for the third and subsequent children.

For this you get a week's great coaching and a gear bag and full set of playing gear.

For any enquiries contact the club co-ordinator Michéal Phelan.

### WALSH PARK CRACKER

Well done to Waterford on winning a marvellous game of hurling last Sunday.

The Independent on Monday said it all with "hurling's search for a show-stopper this summer ended here".

Maybe it was Zinedine Zidane on Saturday or whatever but it was like 1998 revisited on Sunday as Tom Feeney and Tony Browne gave marvellous displays, on a day when all the Waterford team were on the top of their game.

Best wishes to the team for the more serious challenges ahead.

## Clashmore Kinsalebeg G.A.A. Club Notes

### SENIOR FOOTBALL LEAGUE

We played Ballinacourty in Clashmore on a wet night last Thursday night. The early exchanges were close with both teams giving little away. We managed to pick off a few scores through their tight defence and lucky enough our defence were putting Ballinacourty under pressure at the other end to force some wayward shooting. Unfortunately before the break they did manage to score a goal and at the turnover sides were level at 1-2 to 0-5. Again in the second period we found scores hard to come by and Ballinacourty stepped up a gear to out score us by 6 points to 2. Final Score Clashmore 0-7 Ballinacourty 1-8.

### JUNIOR HURLING

On Friday night it was the turn of the hurlers where we met near rivals, the Geraldines, in a deciding game of the group. We already had a win and another one here would put us through to the Knockout stages. This was an exciting encounter with little in skill between the two sides but Geraldines did manage to convert more of their chances. The highlight of the first half for us was an opportunistic goal taken by Emmet Kelly. However with about seven and a half minutes left in the game and Geraldines after pulling six points clear. Clashmore really woke up and set about clawing back the lead. Their was a well taken point by Michael Barron to return the difference to five. From then on in the brilliance of Shane Daltons free taking took over. Firstly from a 21yard free he rattled the net with a shot Flynn would have been proud of. After this Clashmore kept composure and managed to win 2 further frees which Shane dispatched with ease, with the last coming from a very tight angle. The match finished in a draw which was probably was a fair outcome as neither team deserved to lose. As for what this means for Qualification I'm not too sure but I hope to know more for ye next week. Final score Clashmore 2-7 Geraldines 1-10. Best on the night were Declan Hickey, Declan Coughlan, Pat Lombard and Shane Dalton.

### MUNSTER FOOTBALL FINAL

Best of luck to local referee Maurice Condon, and his team of officials, as he takes control of the Munster Minor Football final on this Sunday in Killarney between Kerry and Tipperary.

### LOTTO

## Ballyduff G.A.A. Notes

### MINOR HURLING

Despite failing to make the knock out stages of the U-16 Division 3 (13 aside) Championship two years ago it was somehow thought that it was feasible to make Ballyduff play Minor A Hurling with the same team two years on this was proven to be a poor decision when at half time last Wednesday night the game was abandoned.

The minor hurlers took to the field in their opening game against St Olivers last Wednesday night. After conceding two early points the lads got going with a wonderful individual goal from Shane Kearney. A goal mouth scramble only minutes later saw Shane score his second goal of the game. Colm Horgan took a nice point, shortly followed by a Bernard Flynn point. Despite the best efforts of goalie Eoin Hogan, St. Olivers scrambled a goal from close in. St Olivers tacked on two points before Maurice McNamara and Bernard (free) put three points between the teams again. In the closing minutes of the half St Olivers scored 1-1 to give them a single point advantage at half time.

Ballyduff had played the whole first half with only 14 men and unfortunately didn't have 15 players to start the second half. Even though the lads only trailed by one point at half time the game was abandoned at with the game being awarded to St Olivers.

Team: E.Hogan, I.Kenneally, A.Power, P.Corcoran, T.Noonan, K.Moroney, A.Casey, M.McNamara, S.Hannon, A.Noonan, B.Flynn, C.Horgan, M.Higgins, S.Kearney.

The next game is due to be played on Wednesday night 5th July against An Gaeltacht.

# Integration Through Fun

County Waterford Community Forum's Social Inclusion Forum and Waterford Sports Partnership hosted an afternoon of fun at the International Family Fun Day on Sunday 18th June in Dungarvan United Soccer Club. Yes, there was rain and wind but there were lots of smiling happy faces too. The Heineken Cup made an unexpected guest appearance, there was boxing, sports skills, novelty races, music and dancing, traditional Irish baking from Irish County Markets, children's art, face-painting and balloon modelling. International Fáilte Football was, once again, a huge success, well supported by local and newcomer communities and employers. The "Where am I from?" art competition winners were announced on air by Oliver Coffey, Chair, County Waterford Community Forum to huge acclaim by Aiveen Fallon, WLRfm who presented the afternoon radio show direct from the grounds.

Winners and runners-up each received a prize of art material, generously co-sponsored by David Walsh Office Supplies and a further prize of an art supplies voucher for the winning entrant's school.

Congratulations to — St John's Special School winner Niamh O'Brien age 6 (4-6) and to runner up Davin Daly age 10 (10-12); Scoil Náisiúnta Baile Mhic Airt winner Katie Hamilton, age 9 (7-9) and to runners up Aoife Hamilton, age 7 (7-9) and Brendan ó Faracháin, age 6(4-6); Scoil Mhuire Abbesside, winner Gemma Wyley, age 10 (10-12).

"It's wonderful to see so much talent among our young people" said Oliver Coffey, "and to see so many people out here on a blustery Irish summer's day. Everyone has come together for this event and we are really pleased to see people having fun. I would especially like to congratulate the Social Inclusion Forum and Waterford Sports Partnership for the organisation they put into the day and to Tom

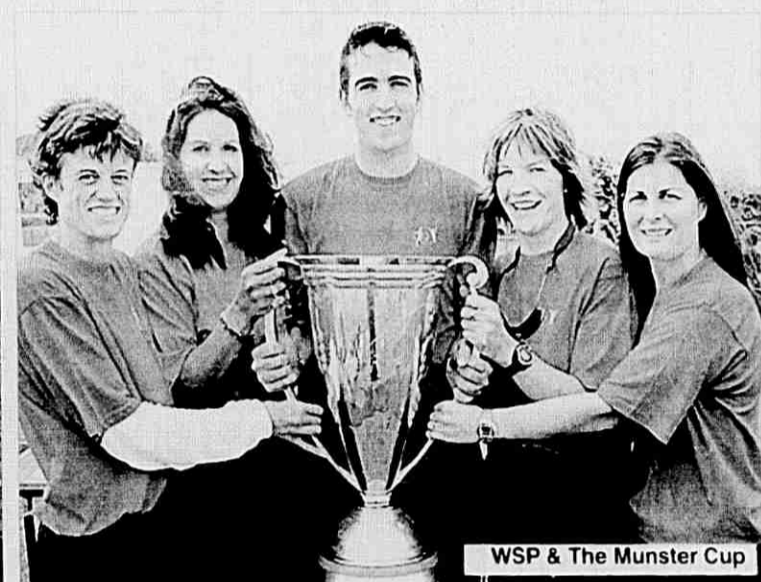

Keith for putting up the flags, the dancing stage and so much else. We would have liked better weather but I suppose, you can't have everything. There's always next year."

## SAVANA HIGHLAND IMPRESSED

Running in heat one of the Richie and David Byrnes sponsored A5 stake the Kevin Baker owned Savana Highlands (Droopys Kewell-Valentia Mist) 4/1 recorded the fastest time of the night producing a fluent trap to line 28.82 success. Bounding his way into an early over Chloes Maldini a free flowing Savana Highlands was never in any subsequent danger cruising to a seven lengths win over a slow starting Ballygarvan Bill.

Warlock was sent off the even money favourite in heat two but it was the Michael Gater owned and Gerry Kiely trained Persistent Boy (Sparta Tom-Persistent Chill) 3/1 who displayed the superior dash of early pace up the middle of the track to lead all the way in 29.55. Game Max got the better of Warlock for the runner up spot albeit three lengths in arrears of Persistent Boy. Heat three produced the easiest winner of the night with the Back To Dillons Syndicate owned and Patrick Butler trained Westpoint Lass (Climate Control-Clune Soprano) running riot over the opposition in a speedy 28.95. Westpoint Lass could afford the luxury of taking the scenic route throughout this qualifier leading early on from Clash Teddy before stretching clear for a twelve lengths defeat of a hampered Cushie Saha.

Brushing up on his starting technique the Ger and Paul Keane owned and Jimmy Power trained Keane Runner (Droopys Vieri-Figlash) ran out a clear-cut 3/1 winner of heat four. Dashing into an early lead over Funcheon Rebel Keane Runner made the long break for home from an early stage eventually beating Funcheon Rebel by eight lengths in a best ever 29.04.

The Droopys Kennels from Portlaw kindly underwrote a twelve-dog A4 event. Old South 9/4 to 4/6 was all the rage in the first semi final but he was left stranded at the break. Schofield Ben motored on into an early lead over Vinnies Honcho and Nice Prince but gradually working his way into a challenging position the Dick Ryan owned Nice Prince (Droopys Vieri-Brykat Kariba) 5/2 bided his time and securing a handy run up the rails Nice Prince finished with a flourish to outstay Schofield Ben by three lengths in a smart 28.84.

The NAN Syndicate owned and Peter Brady trained Nans Blossom (Larkhill Jo-Desert Eily) the 6/4 favourite made it four wins from four race outings coming from last to first to post a cosy 29.07 success in the second qualifier. After a slow start Nans Blossom was forced to observe from the rear as Dark Room stretched on into an early lead over Listoln Mick but it was all change up front in the latter stages of this qualifier with Nans Blossom cutting through the field with ridiculous ease to defeat Market James by two and a half lengths.

In the first of five graded contests Raw Lucky led to the halfway point where the Peter Fitzgerald owned Kuda Princess (Droopys Scholes-Blackies Return) 3/1 dashed to the head of affairs. It proved all so easy from that point on for Kuda Princess who went on to defeat a running on Lisnakill Darren by six lengths in 29.81.

In a two bend dash Three Spots off and Jeffys Brindle dominated matters from an early stage and gradually gaining the upper hand the William Comerford owned and Perry Aylward trained Jeffys Brindle (Droopys Woods-Jungle Crisis) 2/1 eased his way to the front to race on for a two lengths defeat of Three Spots Off in 16.64.

Redundant Damsel set the early gallop in race three but soon gave way to the nibbled at in the betting market Taghmon Tropper 4/1 to 2/1. With the winning line in sight however Taghmon Tropper was run of first place close home by the Katie Hanrahan owned and John Power handled Ballyheist Star 6/4 this October 04 daughter of Droopys Vieri and Starrie Plough getting up on the line for a three quarter of a length success in 29.91.

Local owner Joan Conway sent out the 4/1 winner of the fourth contest as Mount Rivers (Crack Off-Best Rose) posted back-to-back 550 yard wins in a decent 30.25. Taking control of matters early on from Early King and Minglers Fancy Mount Rivers galloped the opposition into submission proving three and a half lengths to lively for a running on Jo Junior.

We moved up to six bends for race five. When Pike Sister checked at the first bend Micks Babe motored on from Conahy Eclipse and Cash For Kate. You do not see to many marathon winners sired by Roanokee but Paddy Shanahan's Cash For Kate ex Ambelside Amy appeared to relish this test of stamina on her way to a three and a half lengths win over Indian Gerrard in 41.40.

## This Skywalker Was Just Magic

Followers of County Tipperary based trainer Frances O Donnell had a beano in Kilcohan Park last Saturday night as she sent out four winners and topping the charts was the performance of the Ray Patterson owned Skywalker Magic (Brett Lee-Larkhill Holly) who slammed the opposition in the final of the Martin Murray sponsored Murray Developments 2006 Guineas with a power packed performance in a red hot 28.26. Sent off the well-supported 6/4 favourite to take the Euro 5,000 first prize Skywalker Magic recovered smartly from a tardy start as 6/1 outsider Fully Sideways made a positive break from trap one. When Aulton Nikita moved in on the run up from his trap five starting point hampering a number of the runners on his inside Skywalker Magic went in hot pursuit of the early leader Fully Sideways. Easing himself into the lead at the entrance to the back stretch Skywalker Magic quickly put daylight between himself and Fully Sideways before powering clear for a cosy seven and a half lengths defeat of Fully Sideways.

The remaining O Donnell trained winners on the night were The Other Kee, Daring Hero and Mardocs Ronaldo. The Matt O Donnell owned The Other Kee (Roanokee-Bevtic Charlie) 3/1 lined up in trap six in race two and while he was led for a long way by Pon Me Word, Sparta Flyer and Rusty Dinny The Other Kee produced a well timed challenge up the home stretch which carried him to a length win over Daisy Pilot in 29.26.

The Catriona Maguire owned Daring Hero (Larkhill Jo-Desert Belle) recorded a very fast 29.75 when capturing a competitive 550-yard event. Cherryhill Fancy cut an early dash here but Daring Hero was always lurking in the background ready to pounce. And pounce he did at the third bend where Daring Hero slipped into the lead on the fence to gallop clear for an eye catching three lengths win over Cherryhill Fancy.

The Dennis O Driscoll owned Mardocs Ronaldo (Droopys Woods-The Other Turbo) made light of his 5/1 starting

price in the eight event obliging in a career best 28.71. As expected Odell Storm showed his usual flash of early pace to poach an early lead but driving up the inside of Odell Storm Mardocs Ronaldo struck the front on the rails midway down the back stretch. Sparta Tina who was only fourth early on stayed on well at the finish to take second spot albeit two lengths in arrears of Mardocs Ronaldo. Returning after a break the George Roche owned Upandgoagain (Droopys Kewell-Noirs Nora) made short work of the opposition in race one producing a power packed display of early pace from trap six to triumph in 29.06. Backed in from 2/1 to even money the layers knew their fate with this lady early on as she overtook the fast starting Hurl Cool. Well suited to an outside draw a strong running Upandgoagain moved up a gear or two on the back stretch and with the opposition having gone AWOL Upandgoagain crossed the winning line with six and a half lengths to spare over Hurl Cool.

Races three to six inclusive were second round heats of the Blackjack Tom A3 stake. In heat one Catunda Francie 5/4 and Hell Road Yank 1/1 were the major players but the pair were led early on by Windgap Nikita. Taking the inside route on the back stretch the Paul Daly owned and Owen McKenna trained Catunda Francie (Toms The Best-Catunda Ciara) eased himself into a narrow lead over Hell Road Yank and Windgap Nikita before moving on for a cosy four lengths defeat of Hell Road Yank in 28.73.

Heat two saw the punters latch on to the John Murphy owned and Eamon O Donovan trained Montos Mark and this 11/10 favourite duly delivered in 28.85. Showing sound early pace Montos Mark (Montos Carhumore-Montos Tricks) quickly opened up a handy lead over October Nina and despite a late flourish by October Nina a determined Montos Mark dug deep to score by half a length.

Heat three is easily described as the John Kavanagh owned Coast Of Malibar (Samuari Jack-Rikkis Gem) 2/1 took an absolute flyer from trap six to make every post a winning one in 28.76. Shading the opening two bends from Shingaun Jack Coast Of Malibar cut loose down the back stretch before shooting clear for a comfortable four and a half lengths defeat of a running on Stayaway Cruiser.

The Stand Syndicate owned Dinnys Woods (Droopys Woods-Lowesgreen Keano) the red-hot 4/7-market choice posted a runaway 28.78 win in heat four. Quickly into his stride on the rails the Tom Cormack handled Dinnys Woods led around the opening two bends from Fancy Euro and turning on the style thereafter Dinnys Woods increased his advantage with every stride eventually winning out by ten lengths.

Coming in as a reserve into trap six in race nine the Darren Dunford owned Gandisranger (Rapid Ranger-Blue Mystic) was full value for his 28.90 front running success. Gandisranger held the early call over Silken Thomas and despite the best efforts of the latter Gandisranger maintained a steady gallop up front to beat Silken Thomas by two and a half lengths.

Six winners on the night came from trap six and relishing his outside draw in the eleventh contest the AJP Syndicate owned and Nick Turner trained Deenside Tank (Daves Mentor-Deenside Claw) 2/1 ran out a deserving winner in 28.78. Chased throughout by Jammie Tart Deenside Tank was in no mood to relinquish his hard earned lead on his way to a length win over a gallant Jammie Tart.

## CATHY FOR THE UK

The winners have certainly dried up for Cathy Gannon this year after riding fifteen winners as a fully-fledged jockey last year. Cathy is packing her bags and heading off shortly to the UK where she can hopefully get her career back on track.

## GEORGE IMPROVING

The muscle injury suffered by the Aidan O'Brien trained English 2000 Guineas winner George Washington is taking longer than expected to heal and it could be two to three months before the colt sees racecourse action once again.

## SHANE IMPROVES

After taking a heavy fall at Sha Tin racecourse in Hong Kong recently Australian jockey Shane Dye had to undergo emergency brain surgery. Doctors report an improvement in his condition however and he will hopefully leave the Intensive Care Unit in the near future.

## MUBTAKER DIES

A winner of 13 races from 31 race outings and prize money earnings of over £700,000 the nine-year-old Mubtaker was put down recently after suffering multiple fractures on the home gallops.

## FIRST JUVENILE WINNER

Congratulations to Slieverue based trainer Eoin Griffin as he sent out his first ever two year old winner last Saturday at the Curragh as the Johnny Murtagh partnered Finicius (a colt by Officer ex Glorious Linda) created a favourable impression with an easy win over six furlongs.

## THIS WEEKS FIXTURES

**Wednesday** — Bellewstown 6pm, Catterick, Stratford, Chepstow, Worcester and Kempton Park.

**Thursday** — Bellewstown 6pm, Haydock, Yarmouth Epsom, Perth and Newbury.

**Friday** — Bellewstown 6pm, Wexford 5.45pm, Beverly, Southwell, Sandown, Haydock and Warwick.

**Saturday** — Leopardstown 5.50pm, Beverly, Leicester, Sandown, Carlisle, Nottingham and Haydock.

**Sunday** — Limerick 2.40pm, Ayr, Market Rasen and Brighton.

## BARGAIN PURCHASE

Did you know that the Australian sprinter Takeover Target who ran twice at Royal, Ascot winning the Kings Stand Stakes and finishing a close up third in the Golden Jubilee Stakes only cost Euro 750?

## WINNING RETURNS

Jockey Paul Flynn who broke his elbow at the end of 2005 returned to winning form at Kilbeggan last week guiding 20/1 chance Air Of Confusion to victory over hurdles.

Not so lucky at the same fixture was Paul Carberry who aggravated an old shoulder injury after a heavy fall.

Also back in the winners enclosure at the Curragh was Pat Shanahan who made the return to race riding after a long period on the sideline due to a foot injury.

## FUTURE WINNER

Keep an eye out for Rolling Home the next time he runs in a novice chase. He was well clear of the pack at Kilbeggan recently when capsizing at the last fence.

## WEDDING BELLS

Congratulations to Ruby Walsh and his long time girlfriend Gillian Doran who were married earlier this week.

## CURRAGH ROUND UP

The three-day Curragh fixture proved a great success. On Saturday the Jim Bolger trained Alexander Goldrun 11/8 got a lot of punters out of trouble producing a battling display to post a narrow but deserved success on the Group One Pretty Polly Stakes.

Nearly 31,000 people attended the Curragh last Sunday to witness trainer Aidan O'Brien send out his fourth Budweiser Irish Derby winner as Kieran Fallon barely had to break sweat on a warm afternoon producing Dylan Thomas with a devastating late turn of finishing pace to win as he pleased.

## CHANNEL 4 CAMERAS

The Channel 4 cameras are at Sandown this coming Saturday for Coral Eclipse day where recent Royal Ascot winner Ouija Board is set to race once again. Channel 4 will also take in a number of races at Haydock.

## RECORD NUMBER OF VIEWERS

At The Races, the UK and Ireland's most watched horseracing channel, capped an impressive week at Royal Ascot with 789,559 different individuals tuning into the channel during the period.

As the Royal Meeting drew record attendances on three of the five festival days, At The Races' broadcast recorded a 5% increase in BARB rated audiences over last year's Royal Ascot at York despite the significant impact of the World Cup on ratings performance.

## SAD STATE OF AFFAIRS

Cambridgeshire Constabulary announced recently that they will not be providing a "pro-active police presence" for the screening of the final rounds of the World Cup at major public events throughout the county and as a result England's World Cup quarter final against Portugal was not shown at Newmarket's July Course during racing there last Saturday afternoon. While the NatWest Rowley Mile is in Suffolk, the July Course is just over the border in Cambridgeshire.

Gary Tate, Newmarket's Finance Director, said: "Cambridgeshire police have made it clear to all major venues in the county that they will not provide any police cover if they show the football on either large or small screens and we feel that it would be irresponsible for a major racecourse to stage a raceday without any police presence".

Pictured over is 16 year old Donna Colbert, Clashmore, who graduated from the Race Training Jockey Programme on Friday, June 9th, receiving her Certificate from top jockey Johnny Murtagh. Donna is currently doing a full traineeship with the Dermot Welds Stables in Kildare.

## IRISH RACING REVIEW (26th June – 3rd July)

### STADIUM PROJECT GALWAY BOUND

Trainer Tony Mullins nominated a two and a half mile novice hurdle at the Galway Festival in late July as Stadium Project's next target after his charge landed the T & V Novice Hurdle at Kilbeggan on Monday. The 6/4 second favourite proved two lengths too good for outsider Scrum Half in this three mile contest with Mark Watts on board.

### MORGAN ON MARK AGAIN

Trainer Joanna Morgan has been in great form of late and her winning run continued when Leading Springs landed the Oates Breheny Group (QR)

Handicap Hurdle at Sligo on Tuesday. Now a nine year old, the horse was following up a recent victory at Ballinrobe and as long as the ground remains on the fast side, this improved performer should be followed to make it a hat-trick of wins in the near future.

### GEE KEL HAS MILLION IN MIND

Curragh trainer Frank Ennis appears to have an above average filly on his hands as his Gee Kel ran out an easy winner of the Irish Stallion Farms European Breeders Fund Fillies Maiden at Naas on Wednesday evening. The 8/15 favourite made most of the running under Willie Supple and will be aimed at the Shelbourne Hotel Million Race at the Curragh in late September.

### GUADEAMUS HAS MOYGLARE TARGET

Jim Bolger's Guadeamus (100/30) proved a convincing winner of the Woodpark & Ballysheehan Stud's Fillies Stakes at the Curragh on Friday evening as the Budweiser Irish Derby Festival meeting got underway. The 100/30 second favourite led over a furlong and a half out and kept on well to defeat The Real Thing by two lengths and connections are hoping that she will prove good enough to contest the Moyglare Stud Stakes back at the Curragh in late August.

### GOLDRUN CONTINUES FOR ALEXANDER

For the second consecutive year, Alexander Goldrun landed the Group One Audi Pretty Polly Stakes at the Curragh on Saturday to clinch the fifth Group One success of her fine career. The 5/4 favourite was made to battle hard by the gallant runner up, Chelsea Rose, inside the final two hundred yards and had just a neck to spare at the line.

Connections are hoping to go for a repeat victory in the Nassau Stakes at Goodwood in

early August before another tilt at the Irish Champion Stakes at Leopardstown in September, a race she finished a close third in last year.

### DYLAN THOMAS IS DERBY HERO

Sunday's Budweiser Irish Derby looked a very open affair on paper but in the race itself Aidan O'Brien's Dylan Thomas proved a clearcut winner. Hitting the front over a furlong and a half out, he surged clear to record a very impressive victory in front of nearly 31,000 racegoers. Passing the post three and a half lengths clear of Gentlewave and Best Alibi, the 9/2 favourite was giving his trainer a fourth success in the race while this was jockey Kieren Fallon's second consecutive victory after steering home Hurricane Run twelve months earlier. Dylan Thomas had finished a close up third in the Epsom Derby behind Sir Percy in early June and is likely to go for the Irish Champion Stakes at Leopardstown in September.

On a glorious day, the packed enclosures witnessed some fantastic racing and Con Collins' Dandy Man proved a hugely popular winner of the King Of Beers Stakes. The heavily backed 5/4 favourite led over a furlong out to beat last year's winner, Benbaun, by a length and now has the Group One Nunthorpe Stakes at York in August firmly on his agenda.

Elsewhere on the card, Aidan O'Brien and Kieren Fallon doubled up when Holy Roman Emperor (4/1) bounced back from a poor run at Royal Ascot to win the Anheuser-Busch Railway Stakes while trainer Kevin Prendergast and jockey Declan McDonogh enjoyed a double with Taqseem landing the Scurry Handicap and Mustameet taking the Netjets Celebration Stakes in good style.

## RACING NEWS

### FRACAS READY

David Wachman's Fracas, fourth in the 2005 Epsom Derby but out of action since finishing unplaced in the Budweiser Irish Derby last June, is set to make his long-awaited seasonal debut shortly. His trainer has him entered up in all the top races around Europe and is just waiting for some cut in the ground before starting him off while a possible end of season target is the Irish Field St Leger at the Curragh in September. Another smart performer on the verge of a comeback is the Tommy Stack trained Alexander Alliance.

Unsuited by the soft ground when finishing down the field in the English 1000 Guineas at Newmarket in early May, she is likely to be aimed at the Belgrave Stakes at Fairyhouse on July 23rd.

### CATHERINE GANNON ON THE MOVE

Catherine Gannon, Ireland's Champion Apprentice in 2004, is set to join the Kevin Ryan stable in Yorkshire and will move there by the end of this week. Cathy has been struggling to make her mark this season and feels the time is right to move on. She has yet to ride a winner this season and nominated three factors which have not helped her.

Firstly, losing her claim meant

she was not as much in demand with trainers while the increase in the weights in Ireland from 8st to 8st 4lbs at the start of the 2006 Flat Season meant that many of the bigger names became available without having to put up overweight and thirdly the fact that the likes of Johnny Murtagh, Kieren Fallon and Willie Supple are now riding more regularly in Ireland than in recent years has seen her rides dry up considerably. Cathy has ridden 98 winners all told and is going to give it a real go in England for the next two years at least.

### LISA DUFFY TOPS

The tour is now the old favourite, the Tour of Lough Derg with just a few small editions to our normal route bringing the distance to 82 miles or 130K.

There is also a change in start / sign on / finish venue which is now the Dromineer Bay Hotel, right on the shores of Lough Derg and just 6 miles from Nenagh. The sign on will commence at 9am and the start time will be 10.30am.

As usual we will have showering facilities for both ladies and gents. There will be refreshments before, during and after and a veritable plethora of spot prizes!

On the road, there will also be the support cars, the ambulance and motor cycle escort. The fees remain the same this year at €10 for a CI licenced rider and €20 for non-licenced. So do come along and enjoy not only the cycling, the spectacular views around the lake and the rolling countryside of North Tipperary, Clare and Galway but also the company of our very friendly club members. ## WATERFORD SPORTS PARTNERSHIP

# Waterford Children Enjoy First Touch Of The RSC Redeveloped Athletics Track

Children from the primary schools of Waterford City and County had the honour of being the first to grace the redeveloped athletics track in the Regional Sports Centre on a wet and windy June 29th evening.

In an event, organised by Waterford Sports Partnership, to coincide with the opening of the track by Minister for Arts, Sport & Tourism, Mr. John O'Donoghue, thirteen schools took part in 80m, 400m, and relays races. For many it was the first experience of running on such a surface and for others a welcome return to their training ground. All participants received a medal and each school a commemorative plaque.

Waterford Sports Partnership would like to thank all the volunteers who made the evening possible, especially in the challenging weather. And a special thank you to all the participants who took part with such cheerful enthusiasm. # Dungarvan United A.F.C. Notes

## AWARDS NITE

Our annual awards night took place last Friday night and a great night was had by all at this event. David Curran (vice chairman) took charge of proceedings for the evening. The first award of the evening 'premier player of the year' went to Mark 'Gizzy' Crotty and this award was presented to him by Noel Twomey and Jeff Allen. The next award 'Clubman of the Year' went to Roy Barton (club treasurer) for his outstanding unseen work presented by Eoin Simms. The 'Club Hall of Fame Award' was presented to club groundsman Jimmy Healy for his outstanding work throughout the years. Martin (Stalky) Walsh presented the award to Jimmy on behalf of the committee and described Jimmy as a worthy winner of the award and a true Dungarvan United stalwart. The 1B player of the year award went to Peter 'Pepe' Ferncombe – unfortunately Pepe was away for the weekend but was honoured by the award nonetheless. Christy Ross Power received an award for most improved player from Noel Twomey and Jeff Allen also. Timmy Kiely was also presented with a framed photo of the premier squad.

A special word of thanks to Timmy Kiely for providing excellent food and entertainment on the night and also to Brendan O'Grady of Herlihy's Super Valu of his kind sponsorship of the trophies on the night.

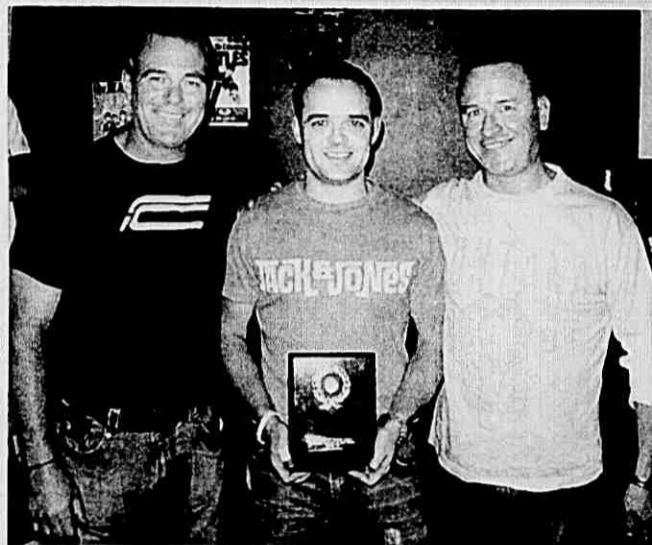

## SCHOOLBOY MEETING

After our schoolboy meeting on Thursday last it is evident to see that from the poor turnout that unless people are willing to give a hand with running teams there will be very few schoolboy teams entered into the league. Like anything unless bodies and help become available the club will not be in a position to enter many teams into leagues next season as we would like. The club are urging people with an interest in football (whether it be a former player or someone new wishing to try something different) to come out and help with schoolboy football in the club. At the moment we have limited help from a few bodies and unless we get more people on board a lot of kids will be deprived of playing football. So if you can spare an hour or two a week give schoolboy secretary David 'Billy' Walsh a buzz on 087-9595016 and he would be only too delighted to speak to you and get you on board. The committee would like to give special thanks to the lads who did turn up on the night and share their interest in schoolboy football in the club.

## FAI TOP BRASS FOR LISMORE

# Launch of Local Football Partnership and Launch of Womens Football League

Ballyrafter House Hotel Lismore is the place to be on Thursday 13th July when the Football Association Of Ireland will launch the Local Football Partnership and the Women's League in conjunction with the West Waterford East Cork Junior League.

Representing the FAI on the night will be John Delaney CEO FAI, Packie Bonner, Technical Director FAI, Noel King, Manager International Women's Team, and Michael Looby, Regional Development Officer WVEC Junior League. Much work has gone into the establishment of the local football partnership, and a committee with Paddy Pollard as Chairman, Liam Fraser as vice chairman and Michael McBride as hon secretary was recently set up.

The aim of the group is to assist in and co-ordinate the planning, development, implementation, monitoring and evaluation of football development within the league, recognising the input and needs of all partners involved to gain mutual benefits for the development of football.

The key aim of the Local Football Partnership will be to bring together the key football stakeholders and external agencies operating at local level to create a partnership to identify local, specific needs and priorities and to develop a strategy and action plan based on the Tech-

nical Development Plan.

The WVEC is very honoured to be one of the leagues throughout the country to be selected for a pilot scheme by the FAI for the Local Football Partnership, along with the Mayo and Kerry Leagues. Indeed the WVEC Junior League is to be commended as this is the 2nd pilot scheme undertaken by the league at the request of the FAI, the other being the appointment of a Regional Development Officer, when Michael Looby was appointed to this post last September. In the short few months since Michael's appointment the league has progressed in many areas especially with schools, women's, futsal, underage, coaching courses, summer camps and other areas that the benefit will not be seen for another 12 months minimum and now the Local Football Partnership which will see the overall development of football in the WVEC especially in the grassroots development.

Association Football is thriving at grassroots level with the number of junior and underage players competing at national level each weekend during the season. Women's football is beginning to gain momentum especially in our own league, with many new clubs registered, hence the visit by Noel King to launch the league which in

itself is an honour for everyone involved.

All clubs within the WVEC, juniors, underage, schools, women are invited to send two delegates, with their partners, to the launch in Ballyrafter House Hotel on Thursday night 13th July commencing at 8.30 pm.

Patrick Bonner will visit the summer camp at Bride View Park Tallow during the day while Noel King will take in a women's league game on the same day.

So a busy day and a very important evening ahead on the 13th July for all those in the promotion of football within the league. Knowing the committee as we do, we can guarantee that no effort will be spared to ensure the success of the entire day and once again should go down as a success for a small league. We are looking forward to the occasion and hope to see you all there.

### WORLD CUP

We have to admit that we got our World Cup predictions all wrong with our favourites Brazil going out to France in one of the best games in the tournament on Saturday night last. This was France at their best and to think back all those months ago as we were part of the 30,000 passionate Irish fans cheering on Ireland to that wonderful scoreless draw in the Stade de France, knowing we had the opportunity of defeating them that night. When they came to Dublin last September they had Zinedine Zidane, Claude Makelele and Lillian Thuram all back from their self imposed retirement from international football. As we all know now much to our bitter disappointment, Thierry Henry scored the all important goal and that wonder goal was enough to stop us booking our summer holidays in Germany. The host country have come good as the tournament progresses and we travel to play them in September in the European Cup. By the time our notes appear in print Germany will have played Italy in the World Cup Semi Final, while France play Portugal. Our prediction? France to be crowned champions.

### LOCAL FOOTBALL PARTNERSHIP

The Local Football Partnership, which comprises all strands of football within the WVEC elected their committee at a meeting in Tallow recently. Chairman is Paddy Pollard, Vice Chairman is Liam Fraser with Michael McBride elected Hon Secretary. The FAI will be represented by Michael Looby, Regional Development Officer, WVEC.

As reported elsewhere in our notes the Local Football Partnership will be officially launched at Ballyrafter House Hotel Lismore on Thursday 13th July at 8.30 pm. It will be launched in the presence of John Delaney Chief Executive Officer FAI, Packie Bonner Technical Director FAI, and Noel King Manager Women's International Team who will launch the Women's League which has just kicked off.

The local Football Partnership is a pilot scheme with the FAI and the West Waterford East Cork League and is the third league in the country to be chosen by the FAI for this

scheme with the Mayo and Kerry leagues.

This is a fantastic honour for the league and through our notes we wish everyone involved the very best and know this will be a wonderful success.

### PEPSI SUMMER CAMPS

By the time our notes appear in print the Pepsi Summer Camps will have commenced with Cappoquin starting last Monday 3rd July to July 7th.

Bride View Tallow will be July 10th to July 14th, Ballybridge Utd, Ballymacoda, July 17th to 21st, and Ardmore from July 24th to 28th.

The Pepsi Summer Camps are the official Summer Camps of the FAI. There are some places still available and bookings may be made through Michael Looby on 087/0508623.

### SUMMER FOOTBALL

The halfway stage has been reached in the Summer Football tournament and some games have been seen. The league table can be seen elsewhere in our notes. As we previously wrote it is a big change to stand on the side lines in short sleeves rather than dressed up in rain gear as in the winter Sunday mornings. It will be interesting to hear the reports from the participating clubs when the tournament is concluded.

### DELEGATE MEETING

The first delegate meeting of the new season will take place on Monday 31st July in the Red House Bar Lismore at 9 pm. All clubs are expected to attend.

## West Waterford East Cork Schoolboys Football

### SPONSORED BY THE IMOKILLY PEOPLE AGM This Week

The schoolboys AGM will take place in the Gym at Brideview Park on this Thursday, July 6th at 8.30 pm. It's important that all clubs attend this meeting.

At this meeting a new committee will be formed to lead the schoolboy league forward. It is hoped that for the new season a bigger committee will be in place.

Last season too much work was left to just a few. Now with so much going on with development squads more people are needed.

RDO Michael Looby was pleased with the squad managers. We are lucky that we have managers for our development squads. The new people needed stated Looby are for the committee.

Chairman of the schoolboy league Brian Donnolly stated that last season was a very busy one with the end of the season really hectic both on and off the field. Next season will not be any easier as the league has many new ideas and structures which will have to be discussed. So all is set for Thursday evening next in Tallow. See you there.

## WEST WATERFORD/EAST CORK JUNIOR LEAGUE

### SUMMER TOURNAMENT

Sponsored by Kenneally Rochford & Associates Ltd.

### LISMORE ON TOP

Lismore still hold top spot in this Summer tournament but there were good victories for Brideview Utd, Clashmore Ramblers and Blackwater Rangers. At the moment some teams need to beat Lismore and open up the league. At the moment that does not look to be on the cards as the Lismore team are firing on all cylinders.

### RESULTS

#### Brideview Utd 5 Blackwater Rangers 1

Utd scored five on Wednesday evening last as they grabbed all three points at home. Leading 1-0 at the break thanks to a Kevin Henley goal in the 37th minute. Utd went in at the break with just Henley's goal separating the sides.

The second half saw Utd get on top and goals from Henley (57th minute), William Curley (60th minute), put them 3-0 in front. Colin Cotter pulled a goal back in the 76th minute but Utd finished the stronger goals from Stephen Pratt and Eric Hickey saw the homeside secure all three points.

#### Inch 0 Lismore 4

Lismore continued on their winning ways with another victory over East Cork side Inch last Wednesday evening. Lismore led 2-0 at the break thanks to goals from Colin Houlihan and Edward Pollard.

Pollard scored again early in the second half and Mickey Donnelly rounded off the scoring here and put Lismore in the driving seat.

#### Clashmore Ramblers 2 Castlebridge Celtic 1

Both sides needed to win here to move themselves off the bottom of the table. The Ramblers did win here by the odd goal in three, thanks to Edward Ledingham who scored both of Ramblers goals.

#### Inch 1 Blackwater Rangers 4

The East Cork side had a bad week as they lost both of their games. On Saturday evening Blackwater Rangers proved too strong for them. On target for Rangers were Cullinane, McGrath and Kieran Cotter (2).

#### Kilmacthomas Out In Front

Kilmac have hit the front of the ladies league after the first two rounds. This week both Kilmac and Tramore had big wins.

#### Brideview Utd 0 Kilmacthomas 5

The visitors to Tallow on Thursday evening last went home with the three points and move to the top of the league table.

The Tallow side had their chances but overall the visitors had the better of the exchanges. It took an O.G. to put the visitors in front in the 10th minute. Emily Ahearn added goal number two before Freda Morrissey scored a third just before the break.

The second half saw Grace Carr and Lisa Dunne go close to scoring for Utd. Kilmac took their chances and Freda Morrissey set up Donna Power for goal number four. Rosie Power added goal number five late in the game.

This victory puts Kilmac back on top of the league table.

Kilmac: C. Kelly, T. Fitzgerald, J. Ahearn, L. Power, A. Rockett, A. Dee, A. Weldon, C. Downey, E. Ahearn, F. Morrissey, D. Power.

#### Tramore 6 Lismore 0

Tramore were on fire as it were on Thursday night last when they hit their visitors for six. The homeside were 3-0 in front inside the opening 20 minutes and after this it was a real up hill battle for Lismore. This win for Tramore lifts them up the league table and it should be a very interesting season with plenty of teams looking to be crowned champions.

# DUNGARVAN G.A.A. NOTES

### DEISE DRAW

Unfortunately we had no luck in the Deise Draw on Friday last. Hopefully we will do better next time around.

### FEILE PEIL

We had a very successful trip to Feile Peil in Ashford, Co. Wicklow last weekend where our U14 footballers got to the semi final of their group. Our host club was Ashford and everybody had a wonderful time. Many thanks to our supporters for travelling such a long distance to cheer on the boys. This was much appreciated by the Juve-

nile Club. Full report next week.

### MINOR HURLING

Our Minor hurlers take on Cappoquin in this competition on this Wednesday evening at 7:30pm at the Colligan venue.

### UNDER-13 HURLING

Our U13 hurlers will play Naomh Brid on Sunday next at 11:30am. Please check papers for venue.

### LADIES FOOTBALL

We would like to say a big thank you to Paddy Foley's Bar and an anonymous gentleman for very generous sponsorship received recently.

### JUNIOR HURLING

Our Junior Hurlers had a big win over the Brickeys last Friday night. The game played at the Fraher Field was all one sided from the start and we ran out easy winners, 5-10 to 1-7. Buddy with 3 goals was the main scorer and would seem to be coming back to the form of 2 years ago when he led us to the Western final. We must now await the outcome of Ring and Kilgobnet who meet in a play off.

Players used on the night were: D. Power, J. Houlihan, C. Murphy, E. Fitzpatrick, A. Connolly, E. Morrissey, J. Flynn, D. Barry, D. Power, B. Downey, D. Burke, E. Cunningham, A. Harty, B. Power, D. Ferncombe, M. Walsh, K. Barry, S. Barry, K. O'Keefe, A. McCarthy, S. Tutty, J. Flynn.

### SYMPATHY

On behalf of the club we would like to extend sincere sympathy to Kevin Kiely and the extended Kiely family on the death of their mother. Her grandsons Paudie and Sean have donned the blue jersey of the Club with distinction on many an occasion. Ar dheis De go raibh a h-anam.

## Cois Bhride Juvenile G.A.A. Notes

### WESTERN CHAMPIONS!

Cois Bhride claimed it's first title of 2006 in Cappoquin last Saturday when our U-14 hurlers won the div. 2 title against a very game and spirited Naomh Brid team.

Evan Sheehan opened the scoring with a free followed by another from Daniel McElroy. Naomh Brid were also hurling well and goaled shortly afterwards. You always need a bit of luck to win games, and when a long ball from Aaron Pratt went all the way to the net one could sense it was going to be our day. To their credit, Naomh Brid again struck for a goal to leave the minimum between the teams. Then out of nowhere Daniel McElroy went on one of his mazy solo runs that ended with him lashing the ball to the net and we were on our way. Leading somewhat flatteringly by 2-3 to 2-1 at half time, selectors Raymond McCarthy, Frank Roche and David O'Brien asked the team to put in a big effort for the second half, and this is exactly what they did. Evan Sheehan really thundered into this game with some well taken points, and when he sent a bullet of a shot to the top corner of the net there was no way back for Naomh Brid.

Points from Daniel, Kieran Fras-

er, and Shane Roche left the final score Cois Bhride 3-7, Naomh Brid 3-1 to claim the Western Shield, adding to our previous win in 2003. After the match, Captain Brian McCarthy accepted the Shield from Western Bord representative Jimmy McCarthy who congratulated both teams for a great game of hurling.

All the panel played their part in this win, goalie Liam O'Gorman has grown in confidence with every game and was rock solid, corner backs Tomas O'Neill and Kegan O'Farrell cleared their lines very well, full back Brian McCarthy gave his usual very solid display clearing time and time again out of the danger zone. The half back line of Joe Leahy, Aaron Pratt, and Edward Lonergan, however, were the rock on which this match was won as all three hurled superbly with Aaron, as usual, hoovering up the ball time and time again and sending long relieving clearances down the field.

Midfielders Eoin Roche and Evan Sheehan covered a lot of ground under a very hot sun, and though they were faced with probably their toughest opponents of the year, they worked very hard and kept it up for the second half, where Evan gave probably his best display of the season.

Half forwards Daniel McElroy, Alan O'Riordan, and particularly young Stevie Lucey (if there's a

young player with a bigger heart than Stevie, I haven't yet seen him) gave their all in this game, working very hard against a very strong Naomh Brid half back line. Shane Roche, Kieran Fraser, and Pdraig Ahearne all played well with subs Rob O'Sullivan, and Billy Buckley also giving their all for the team.

There wasn't much time for celebration, unfortunately, as another very important match awaits them this coming Saturday in Fraher Field, Dungarvan. A county final versus Ferrybank will bring what was a long season to a close in terms of hurling, and though it was a great boost to win the West, next Saturday is undoubtedly the big one. The match is timed for 3.30, and it would be a huge boost for the lads if people would make an effort to come along and give them a bit of support next Saturday.

### MINOR HURLING

Cois Bhride 1-19  
Fourmilewater 0-10.

The first match in this year's Minor Hurling Championship resulted in a very decisive win for Cois Bhride in Lismore last Wednesday evening over the men from the Nire Valley. A great display of point scoring, plus a goal from birthday boy Barry Moroney midway through the first half saw our lads leading at the break. Cathal Herlihy and Thomas Ryan were among the point scorers in the second half as they continued to

pile on the scores to run out convincing winners by 1-19 to 0-10. Their next match is tonight (Wed) in Lismore versus Brickey Rangers, throw-in 7.30pm. Panel: Sean O'Sullivan, Diarmuid Ahearne, Tom Feeney, Jason Ahearne, Tom McGrath, Shane Harnedy, Michael Lucey, Kieran Geary, Keith Hallahan, Kevin Curley, Ken Kearney, Cathal Herlihy, Evan Sheehan, Barry Moroney, Thomas Ryan, Ross Livingstone, Donnchadh Mulcahy, Derek Kelly, Ger Heffernan, Shane Feeney, Mark Smith.

### U-13 HURLING

Our U-13's are in action tonight also away to Ardmore in a match they must win if they are to progress further. Best of Luck to them.

### U-14 COUNTY FINAL V FERRYBANK

Just to confirm that the U-14 County Final is on in Fraher Field next Saturday 8th July at 3.30pm. Come along and give them a bit of support.

### THE DEISE BACK ON TRACK

What a difference a player can make to a team. Eoin Kelly's return sparked a great display by Waterford last Sunday in Walsh Park although conceding 2-20 will give the selectors a lot to think about. We have the players, but some are still not in their best positions. Still, things are looking up...

## TOURIN G.A.A. AND NEIGHBOURHOOD NOTES

### Tourin v Ballinameela

Tourin's encounter with Ballinameela was a tough one at the Lismore venue last Friday evening. Ballinameela started off brightly with a goal but Tourin soon started to get going. Our backs stood firm and both mid-field and the attacking line yielded some lovely scores. Darragh Wilkinson and Paul Murray were in sparkling form notching up 16 scores between them. Tourin led going into the break 2-7 to 1-3. Tourin stepped up a gear in the second half and the final score was 2-16 to 2-8. Ballinameela (who were Western finalists last year) are still in the hunt for a place in the final stages of this championship.

Team as follows: Niall Leahy, Mark Landers, Kevin Leahy, Thomas McGrath, James (Bob) Manahan, Donal McGrath, Jamie Dalton, Brendan Scanlan (Capt), Sean Leahy, Paul Murray, Ed Molumphy, Mike Scanlan, Daniel Leahy, Darragh Wilkinson and Paudie Cronin. Subs: Daithi Wilkinson for Jamie Dalton (inj), Cathal Wilkinson for Sean Leahy, Alan Barry for Paudie Cronin, Kevin Wilkinson for Daniel Leahy, Colm Bennett, Peter McGrath and Ken O'Donnell. Scorers: Darragh Wilkinson (2-8), Paul Murray (0-6), Mike Scanlan (0-1) and Daniel Leahy (0-1).

### Deise Development Draw

We had no winners on Friday night so we will have to look forward to the next draw to see if our luck changes.

Tourin Hall Development Committee

The next meeting of the above committee will be held on Thursday, 13th July (8:30pm) at Ballinavella Community Centre. It is important to attend this meeting as the Committee is going to embark on a major fundraising campaign.

### Windbreakers/Tops

In the next couple of weeks, these will be available to purchase from the club. More details at a later stage.

### Waterford v Galway

Waterford took on Galway at Walsh Park last Sunday and came up trumps. They now must play Laois in their final game of their qualifying section. Clinton Hennessy, Tony Browne and Tom Feeney were best in the backline while Dan Shanahan was powerful up front and David Bennett gave an almost unerring display in freetaking for the Deise. We have now qualified for the quarter final stages irrespective of the outcome against Laois. It was a good feeling leaving a warm and sunny Walsh Park last Sunday. It was also nice to see people giving so generously to the O'Regan Family Fire Fund.

### Cappoquin Cornerstone Carnival

This event will take place from the 7th to 9th July. There will be a firework display on Friday night (11pm), Family Open Day on Saturday at Railway Athletic F.C. field and Sunday sees the Open Salmon competition, Treasure Hunt and Fancy Dress among other events taking place. One of my favourite events of the weekend is the film called "One Of Ourselves" which was shot on location in Cappoquin/Lismore area in 1983. Many of my classmates were extras - Michael Lacey, Aidan Power, Austin Hally (Aglis), William Motherway (Knockanore), Paddy Fives (Jnr) and Kevin Nugent. A local Tourin man Mick Murray (R.I.P.) was also involved in the cast. Steven Mason had one of the lead roles along with Cyril Cusack. This film will be shown at the Boathouse on Friday and Saturday night. I also note that Mr. Tom O'Donoghue, formerly of the teaching staff at St. Anne's Post Primary School is home on holiday. Hope you enjoy your stay!

### U14 Feile Winners

Congrats to the Lismore U14 girls who won the Feile recently.

### Holidays

We wish everyone who is currently on holidays at the moment a happy and safe holiday.

### Slow Down

I know it is high season for larger vehicles to be on the road, but for goodness sake, have some consideration for other road users - please slow down!

### Signpost

Would the powers that be please redirect the sign for Knockanore at the T-Junction just above Tourin Hall. Currently it is indicating that the signpost is pointing in the direction of Cappoquin. God help the tourists!!

**C.L.C.G. Bord na nÓg Co. Port Láirge — County Bord Na nÓg Notes**

# County U-14 Hurling Finals Take Place on Saturday

The finals of this years under fourteen county hurling championships takes place this Saturday at Fraher Field. In the past few weeks this championship has really come alive with a number of surprise results thrown up. A few weeks back, many predictions as to who would contest the four finals would have been made. However many of these predictions have proven to be wrong.

The days proceedings gets underway with the meeting of Kilrossanty and St. Saviours in the division four final. Kilrossanty won a place in this final with a comprehensive victory over Ardmore at Bushy Park recently at the semi final stages of the competition. At the same stage, St. Saviours and Kilmacthomas met at Butlerstown. Kilrossanty will be favourites to take this title but under no circumstances should St. Saviours be ruled out of contention for bringing home the winners trophy.

The division four final has an 11-00am start and will be refereed by Kevin Martin of the Ballyduff Upper Club.

The second game of the day sees Passage take on Clonea in the division two final. This game could prove to be a cracking contest. Two years ago Passage were beaten by Naomh Brid in the first ever county under 12 hurling division two final after a replay. Passage who beat Roanmore in the semi finals will be hoping to go a step further this time around. However they wont have it all their own way. Clonea in their semi final at Lemybrien last week beat Naomh Brid by a very big margin and will go into this game as favourites.

The division two final on Saturday has a 12-30pm start and will be refereed by Pat Prendergast of the Kilrossanty Club.

The main show piece of the day is the division one final. This year's final is between Ballygunner and Lismore. It is

no surprise that Ballygunner are in this years final. They were Waterford's representatives at this years division one competition at Féile na nGael in Cork. Over the course of the Féile weekend, the Gunners did remarkably well. In the group stages of the competition they won their three games. In the semi final stages they were beaten by three points against Galway's representatives, Athenry.

In their semi final, Ballygunner on Saturday last recorded a two goal win over their city rivals De La Salle. The Gunners will be the fancied side to take the division one title, but Lismore cannot be ruled out of contention. In their semi final which was played at Ballinameela recently, they recorded a very comprehensive win over Dungarvan who would have been the fancied side to take on Ballygunner in the final.

The division one final on Saturday will be refereed by John "Bomber" Condon and has a 2-00pm starting time.

The division three final could prove to be the best of the day. Following their excellent win in the division six competition at Féile na nGael Butlerstown would have been the fancied side to take the division three title. However they will not get the chance to add a County Title to their Féile Title as they were beaten by Ferrybank in the semi final stages of the competition by two points.

Ferrybank's opponents in the County Final will be Cois Bhride. Cois Bhride have a very strong side and will be very difficult to beat. In their semi final they recorded a big win over St. Oliver's at Lismore recently. Cois Bhride will be the favourites to take this title but the selectors from the Knockanore and Tallow areas will be warning their players going into the final of been over confident going into the final, as Ferrybank would not have been given

much of a chance against Butlerstown but managed to pull off a shock and would love to pull off another one.

The division three final on Saturday is the last game of the day. The game has a 3-30 throw in and Robbie Whelan of the Kilrossanty Club will be the man in the middle.

Over the past week all participating clubs have been contacted and asked to submit a team for a programme which will be given out to each person paying the €5 admission charge on Saturday at Fraher field.

### Féile Peil Óg

Dungarvan travelled to Wicklow last weekend to represent Waterford at this years Féile Peil Óg competition. The Old Boro played in division three of the competition and reached the semi final stages of the competition before exiting the competition.

Dungarvan played their first game of the competition on Friday afternoon when they took on St. Patrick's from Dublin at Ashford. Dungarvan in this game performed well and won the game on a 1-10 to 0-4 scoreline. Game two for Dungarvan was against Confey from Kildare. Again Dungarvan performed well here and recorded a 2-6 to 1-0 victory.

With two wins from their opening two games, Dungarvan going into their last game knew that they were safely through to the semi final stages after other results worked out in their favour. Against Bagnalstown from Carlow, the Dungarvan selectors gave a run out to any player who had not got a game in the opening two rounds. Playing an under strength team, Dungarvan were beaten on a score of 4-5 to 1-1.

Dungarvan in the semi final of the competition came up against a very strong New York side. New York were a big strong side who were able to pick a panel from amongst all clubs in the American City. The New York side played a good

style of football against Dungarvan and ran out winners on a score of 4-9 to 0-3. New York to show how strong they were went on to beat dunloy from Antrim in the final 5-7 to 1-4.

Thanks to Pat Curran, Derek Lyons and Joanne Daly for all their help in compiling results over the weekend and allowing us to get them into W.L.R.fm for airing.

The Dungarvan panel of players that travelled to Wicklow was Luke Egan, Eric Duggan, Richard Walsh, Shane Hickey, Colm Curran, Michael Burke, Darren Duggan, Seán Ryan, Ian Sheehan, Brendan McCarthy, Conor Mulcahy, Craig Barry, Patrick Curran, Ryan Donnelly, Michael Daly, Cathal Curran, Keith Healy, Patrick Houlihan, Seán Hyslop, Lee Hyslop, Frank Duggan, Tomas Harty, Glen Power, Conor Sheridan, Adam Kelly, Gary Crotty

### Woodlands Under 16 Football Tournament 2006

Waterford will play against South Kerry at Askeaton. Kerry North and Cork County will play each other at Kildomo and at Mick Neville Park Tipperary will play Limerick and Clare will play Cork City.

The first round of games will take place on Saturday July 8th with an 11-30am start. The semi finals of the tournament and the plate competition will take place later the same day. The competition and plate final will take place next Saturday.

The Waterford panel of players travelling to Limerick is as follows, 1. Wayne Houlihan, 2. Eamon Cooney, 3. Alan McGrath, 4. Alan Seaward, 5. Jamie Kirwan, 6. Adrian Trihy, 7. Conor Maloney, 8. Mark Joy, 9 J.P. Fitzgerald, 10. Kevin Byrnes, 11. Jamie

If fixtures and results are provided to the stations news room team they are only too willing to read out what ever is required of them. However in recent weeks a number of people from various clubs have abused this service phoning in contradicting results.

It has therefore been agreed with those in the newsroom at W.L.R.fm and the officers of Bord na nÓg at County Level that only fixtures and results submitted to the station by County Youth Officer - Joe Cleary, County Bord na nÓg P.R.O. ## Go Games v. South Tipp

Last week saw almost 100 players from Waterford and Tipperary played a series of challenge games. This is the second time Tipp have come down and also we have visited twice. The games took place in Roanmore and DLS GAA Grounds and were played using the Quick Touch and Smart Touch Go Hurling rules. These were very enjoyable and well supported by parents and schools alike. Thanks to John Cummins and all the Tipp coaches who made the journey down for what was a very enjoyable day of Hurling. Thanks also to the DLS and Roanmore clubs for the use of the fine facilities they have. We are already looking forward to our next trip to Tipp in the autumn.

## CONGRATULATIONS

To Waterford Senior hurlers on their victory over Galway, in the All Ireland qualifiers 2nd round on Sunday last at Walsh Park in a game which we saw hurling at its best. The final score was Waterford 1-25 Galway 2-20 and there were brilliant scores from both sides. On next Saturday Waterford play the final game in the qualifiers series against Laois in Portlaoise and we look forward to another win before the quarter finals. Our congratulations also to our own club player Eoin Murphy on another fine display.

Congratulations to Knockanore, Kilwatermoy, Glendine Community Council on a very successful festival which took place last week. It ended on last Sunday with events at the J. F. Kennedy Park, Knockanore and was well attended in spite of the match in Waterford.

## CLUB LOTTO

The weekly lotto which was to have taken place on last Saturday night was postponed and will now take place on this Tuesday night, July 4th at the Shamrock Inn, Knockanore.

## BEST WISHES

From the club are extended to former club player John Joe Murphy who has recently been indisposed and we are glad to see that he is well again.

## Junior Hurling Championship Results

### Dungarvan 5-10 Brickey Rangers 1-7

The job of winning this game was done and dusted as far as Dungarvan were concerned at the halfway stage when they held an unassailable lead.

The winners had scored 4-7 at the break and only 3 points on the scoreboard told the story of the feeble resistance being offered by the Brickeys.

In the second half the story changes when the losers played better hurling to close the gap considerably, but all the way, they were never going to win  
John Condon refereed.

### Modeligo 4-19 Glen Rovers 0-6

Modeligo were in rare scoring form here and achieved what must be a record score for the club. Both sides played some nice hurling and the Melleray based club with a few more players would be a force to be reckoned with.

Referee Pat Fitzgerald.

### Abbeyside 5-13 Tallow 3-10

Their final tally was probably a record for a junior side from the club. This was the present side's best display in this championship.

Tallow achieved what normally would be a winning score but it was not enough to count for anything. The game was moved to Ardmore when the appointed venue, Lismore, became unavailable.

Referee Donal O Murchu.

### Tourin 2-14 Ballinameela 2-8

A splendid game of hurling played between the two leading contenders of the junior hurling title. The story of the match tells of a great contest played to a high standard and Tourin, the favourites eventually winning deservedly.

Referee John M. Kelly.

### Clashmore 2-6 Geraldines 1-9

This was the most closely contested match of the weekend and a division of the points was a fair result to a good contest.

Referee Robbie Whelan.

## JUNIOR HURLING FIXTURES

Very satisfactory progress has been made with the Junior Hurling championship programme so far and the second string section of the intermediate clubs is now completed. But on examination of the points, Shamrocks are on top and Kilgobnet and An Rinn are tied for second place and therefore a play off between the two latter clubs is necessary.

This is fixed for Fraher field on Sunday evening July 9th.

### OTHER GAMES

#### Kilrossanty v. Glen Rovers

This tie will be decided at Fraher field on Friday evening and it will probably result in a win for Kilrossanty. Both teams are still without a win.

#### Modeligo v. Ballysaggart

It seems that in my previous previews, I overrated Ballysaggart who are not doing quite as well as I had predicted. Still I believe that they will take the points here.

With four teams from this section going through to the quarter finals I don't believe that Ballysaggart will have too much to worry about at the moment.

## Junior Football Championship

Four games in the J.F.C. are listed for the coming weekend.

Ballinacourty will play the Nire in Colligan on Sunday evening and Kilrossanty will take on Ardmore, also on Sunday.

As Clashmore have withdrawn from this championship, Stradbally will receive the points.

Shamrocks will play Brickey Rangers at Cappoquin and Sliabh gCua and Dungarvan will clash at the Bohadoon venue. Both these matches are on Sunday at 7 p.m.

## CHANGE OF DATE

Because of the under 21 hurling semi-final against Cork on Wednesday of next week, the full schedule of minor hurling games will be played on Tuesday instead of on Wednesday.

# Minor Hurling Championship

Six of the seven scheduled minor hurling championship matches were played as fixed on Wednesday evening last. Ardmore, having taken a decision not to take part, conceded a walk over to Naomh Brid in the "B" championship.

### Cappoquin 3-15 Abbeyside 3-11

This could be described as the only surprise of the first rounds when Cappoquin giving a very purposeful display of hurling deservedly won against the reigning divisional champions, Abbeyside in a very competitive contest at Colligan.

The winners who were defeated by Ballyduff after a replay in the western final last year are a vastly improving minor side and are now a force to be reckoned with in this grade.

The win will give a long overdue boost to the club.

Abbeyside held a four points lead with about 12 minutes remaining but showing commendable resilience the Cornerstone club fought back

determinedly to reverse the scoring gap

### St. Olivers 2-5 Ballyduff 2-4

As the final score indicates, this was a very close affair and was in the balance right up to the finish.

Ballyduff who are the reigning "B" champions were weakened by the 'aging' problem which meant that a big number of last years players were no longer available.

### Dungarvan 3-25 An Gaeltacht 2-15

With a total of 45 scores over the hour this must have been a mighty game to watch.

No doubt, Dungarvan were the deserving winners and will be a force in the championship, but fair play to An Gaeltacht, they contested the game right up to the finish.

### Minor "B" Hurling Lismore 4-20 Clash- more 1-5

The huge scoring gap here illustrates the difference in stan-

dards and confirms that Lismore are out of place in this grade. Lismore applied to be graded in the "B" championship but obviously realising the amount of talent available to them they reapplied to be graded in the "A" championship. But since the draws and fixtures were completed and approved by the county board, nothing could be done in this case.

### Brickey Rangers 2-12 Stradbally 1-8

The Brickey Rangers seem to be enjoying a mighty run of success and are so far winning in all grades. This was a good display against Stradbally who had hopes of winning.

### Cois Brid 1-19 Fourmilewater 0-10

The Tallow/Shamrocks group team were in rare form here and played very confidently all through to win deservedly.

If this championship is not dominated by Lismore it will be a splendid competition.

### Minor Hurling Second Rounds

On this Wednesday evening 13 of the original 14 teams will be in action once again and with several interesting pairings we can expect a couple or more surprises.

#### An Gaeltacht v. Ballyduff

This match is scheduled for Cappoquin and since it involves two first round losers it should be a pretty open affair.

In view of their good display against Dungarvan, An Gaeltacht may prove the stronger side against the champions in the grade who have 'shed' a good number of their good young players through the age process.

#### St. Olivers v. Abbeyside

This tie goes ahead at Bushy Park and it may provide Abbeyside with a chance to regain winning form. John O'Gorman who was forced to retire early in the game against Cappoquin at Colligan last Wednesday may be recovered in time to line out.

#### Cappoquin v. Dungarvan

This is sure to be the game of the evening at Colligan between two of the leading sides in the championship, each having achieved good victories last week.

Cappoquin are a very much improved side since last year and could succeed against the younger Dungarvan fifteen. However it should be good and it should be close.

#### Minor "B" Hurling

In this grade, Lismore will be strong favourites to beat Naomh Brid at the Abbeyside venue and Fourmilewater will be fancied to beat Stradbally at Bohadoon.

The match involving Cois Brid and Brickey Rangers at Lismore should be a tremendous contest. I will not risk making a prediction on this one.

### SENIOR FOOTBALL CHAMPIONSHIP

## Clashmore v. Tramore

This is the lone senior championship game scheduled for the coming weekend and it will be played at Walsh Park and not at Fraher Field as originally announced. The game goes ahead at the city venue on Saturday afternoon. The change will mean that players and supporters from their clubs will not be able to travel to Portlaoise.

Tramore who appear to be doing well in the league won the eastern under 21 football title two weeks ago without being at full strength. They must be favourites to win here.

Clashmore had a great start to their first championship tie this year when they took an early three points lead and were on terms on four points each with the Nire at halfway.

A very disappointing second half in which they scored just a single point left them trailing by 0-12 to 0-5 at the finish.

Another display like this will not do here if they are to have a chance of remaining in contention.

## Very Rev. Paddy Fitzgerald P.P., Knockanore, Retires

Through these columns we extend our very best wishes to Fr. Pat who is now due to enjoy a very well deserved retirement following a lifetime in the service of the church.

During his time in the Ballinameela parish he was a big player in the organisation and administrative side of the G.A.A. and did a lot of very good work in promoting hurling among the youth while holding the position of County Youth Officer on the County Board. He was very actively involved with Bord na nOg and did an amount of great promotional work in this area as well.

Fr. Pat will be long remembered as the founder of St. Olivers underage club who have enjoyed championship success in both hurling and football and who are still going strong. His interest in the well being and success of the county hurling teams was well known and he is still an avid supporter.

We wish him well and trust that he will have a long and happy retirement.

## AN RINN SHOCK ST. SAVIOURS

Senior Football Championship — An Rinn 1-15 St. Saviours 1-8

An Rinn had set their sights on winning this game in the second round of the championship at Leamybrien and I suppose that following their very good challenge to reigning champions, Stradbally in round one, the result might not be described as a surprise. However the city club were geared for a win as well and over a period might have had

the better credentials and were therefore given the better chance. But giving their best display for a very long time the Gaeltacht team were clearly the better side on the night and won deservedly. Scorers: An Rinn - Michael O Toibin 0-8, Liam O Lonain 0-5, Seami MacCraith 1-1, Sean O Ceallaigh 0-2. St. Saviours -

# Waterford Defeat Galway in Thrill-a-Minute Qualifier

**SENIOR HURLING CHAMPIONSHIP**  
**Waterford 1-25 Galway 2-20**

The predictions by the book-makers that Waterford's unbeaten championship record against Galway was about to come to an end at Walsh Park on Sunday came unstuck when in a thrilling 75 minutes of splendid intercounty hurling, Waterford held out for a deserved 2 points victory. It was a great contest with some splendid scores both from play and from frees but had one big worrying feature in that Waterford struck a record 19 wides as against only 8 for Galway. To lose in such circumstances would certainly have been a tragedy.

The win makes us favourites to top the group and should we defeat Laois on Saturday next in Portlaoise we will meet either Tipperary or Wexford in the quarter final one week later.

**CONDITIONS**

They were ideal for hurling and a crowd estimated to be around 10,000 waited in brilliant sunshine in the splendidly prepared Walsh Park. The huge attendance caused no problems whatever thanks to the efficient stewarding and the splendidly organised arrangements by the Match Day committee and their army of stewards. Those unable to attend were able to hear the game on WLR with commentary by Kieran O'Connor and Stephen Frampton.

Galway people, while not begrudging Waterford their victory, did say that there was an element of luck for us in that Galway had a player sent off midway through the second half. A fair point, maybe, but it might just as well be claimed that Galway were lucky that a number of our 19 wides did not go between the posts. That's how it goes.

**PLAY**

John Mullane having received from Ken McGrath, pointed in the 2nd minute. David Forde responded a minute later for Galway and Dave Bennett put Waterford back into the lead with a pointed free in the 5th minute. In this short period Waterford had shot 4 wides to none for Galway.

David Forde from play had the teams level in the 6th minute and Alan Kerins put them ahead a minute later. A Dave Bennett free had the sides level at 0-3 apiece in the 10th minute before Mullane put us ahead again in the 12th. Andrew Keary had a point in the 13th minute to level the score again. In the 14th minute, Eoin Kelly, back after his suspension had a brilliant point to put us ahead once more. Club mate Ken McGrath had his first score in the 15th minute but Ger Farragher and Derek Hardiman with splendid points had the game level again at 0-6 each in the 18th minute. Another smashing score by Eoin Kelly was added to with a pointed free by Dave Bennett.

Ger Farrachair had the game level with 2 points before the 25th minute. Points by Shane O'Sullivan and Ken McGrath put us 2 up once again but back came Galway with points by Derek Hayes and it was all square once more.

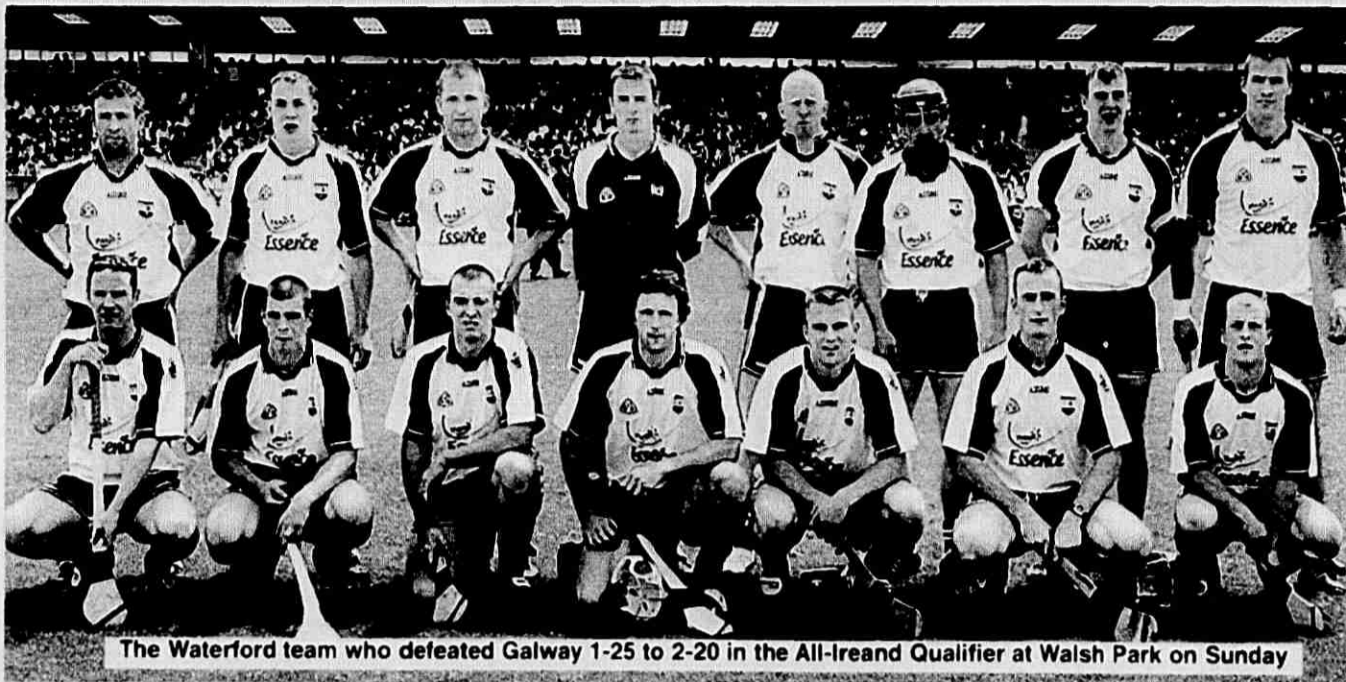

A long distance free beautifully converted by Tony Browne drew applause and put us ahead once more, until Healy and Hayes hit scores to push the visitors in front in the 31st minute. Mullane levelled from play before Forde and Kelly exchanged scores to leave it level in the 36th minute. Then just on the call of halftime Ger Farragher pointed a free to leave the Connaught team marginally in front, 0-14 to 0-13 at the break.

A total of 27 scores and the teams level on 11 occasions goes a long way towards telling the story of this exciting first half.

**SECOND HALF**

Michael Walsh, having a roving role had a splendid score to level the game in the opening minute. Farragher and Bennett exchanged points before Ken McGrath from two '65' mete free put us two points ahead.

This scoring tit for tat pattern continued right up to the 19th minute of the half. Shortly after the introduction of

The Waterford team who defeated Galway 1-25 to 2-20 in the All-Ireland Qualifier at Walsh Park on Sunday

team captain Paul Flynn, Waterford were awarded a close in free which saw this dynamic marksman rattle the net for the first major score on the match in the 21st minute. Fergal Healy pointed for Galway before Dan Shanahan hit two glorious points in the 25th and 27th minutes to put us 5 points clear by the 27th minute. But we were far from being safe when Damien Hayes had a Galway goal to reduce the gap to just 2 points. Galway who had a player, David Collins, sent off in the 15 minute were refusing to surrender. Further Waterford scores had us leading once again by 5 points 1-25 to 1-20 when Galway substitute Cathal Connolly goaled in the 37th minute to leave 2 points once again between the sides. That, however was the final

score and the final whistle brought relief to the huge anxious Waterford attendance.

It was a splendid display by Waterford and particular credit must go to the defence in which man of the match Tom Feeney was superb and ably assisted by Tony Browne and Declan Prendergast.

Both goalkeepers played very well and Galway's Liam O'Donoghue was called upon to bring off 2 superb saves.

Scorers: Waterford - D. Bennett 0-7, E. Kelly 0-4, J. Mullane 0-4, K. McGrath 0-4, P. Flynn 1-0, D. Shanahan 0-2, M. Walsh 0-2, S. O'Sullivan and T. Browne 0-1 each. Galway - C. Hayes 1-4, G. Farragher 0-7, D. Forde 0-3, C. Connolly 1-0, F. Healy 0-2, A. Kearns, A. Kealy, D. Hardiman, A. Keary 0-1 each.

Waterford - C. Hennessey, D.

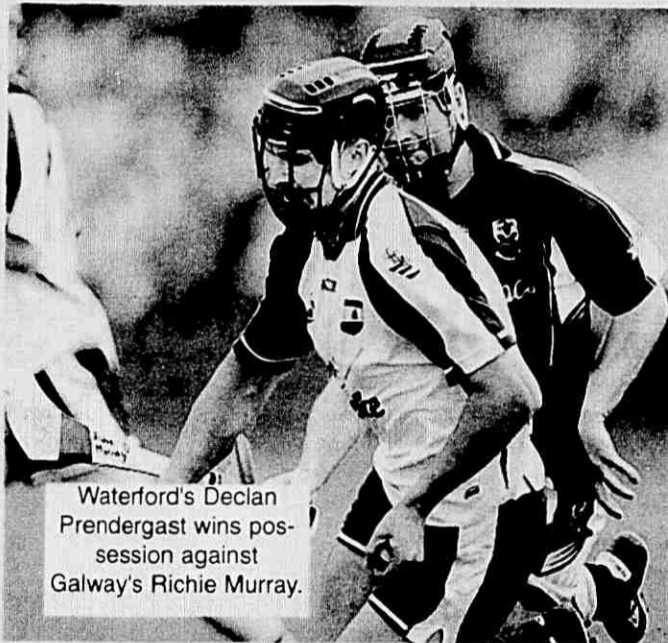

Prendergast, T. Feeney, E. Murphy, T. Browne, J. Murray, B. Phelan, K. McGrath, D. Bennett, D. Shannahan, E. Kelly, S. O'Sullivan, J. Mullane, M. Walsh, E. Kelly. Subs played: Paul Flynn for S. O'Sullivan, D. Coffey for T. Browne, J. Kennedy for E. McGrath.

## SENIOR HURLING CHAMPIONSHIP

## Waterford Favourites To Defeat Laois At Portlaoise On Saturday

This game has a 3.45 p.m. start and is being played as a curtain raiser to the Tyrone versus Laois qualifier football tie at the same venue. With the football tie expected to attract a full house the programme will be an all ticket affair.

Laois at home will be a difficult enough team to beat and with a massive following because of the two matches, both involving Laois at the venue they will play themselves 'out of their skins' to beat Waterford. This is something which the Leinster county have achieved before.

Having defeated Westmeath, Laois are still in the running for a place in the quarter final if they beat Waterford, so on that basis we cannot afford to take them for granted.

Standard wise we are a better hurling county, but things do not always work out that way. But at the same time if Waterford play to their potential, there should be no doubt about the outcome.

**DRAW FOR QUARTER FINALS**

This draw will take place 'live' on R.T.E. on Sunday evening and we, if we qualify, we will meet either Tipperary or Wexford.

## Ballygunner Retain Sargent Cup

Ballygunner 1 14  
Fourmilewater 0 10

If the importance of this game was reflected in the small attendance there was little interest in who were to become the new holders.

It was in accordance with a forty year old agreement, played at Cappoquin and despite the seven points gap in the scoring at the finish, the fare was quite good, splendidly contested and enjoyable to watch.

County Vice-chairman Pat Grant presented the trophy to the winners at the end of the game.

Referee: Tommy O'Sullivan

## The 2007 Senior Hurling Championship?

As I wrote last week, the intercounty senior hurling championship is up for renewal at the end of the present season and proposals for the special Congress in Dublin in October are already beginning to circulate.

All over the place there are demands for a greater amount of time to be allotted to club activity and this, I believe will have a major influence on what is decided. So club delegates at County Board meetings will have a big role to play when briefing their Congress delegates as to what system they should support on October 14th.

One club told me that they will submit a motion proposing that they revert to the old system and play a straight knock out through the provincial championships. I doubt if there will be a lot of support for such a formula even though it would reinvest serious interest in the provincial championships. Also I do not believe that there should be support for a proposal in a certain daily newspaper which proposed that county

team managers should have a say in determining the style of championships. Team managers should be told that this is none of their business and that there might be no need for a special Congress if they had not taken such a selfish attitude in claiming the availability of players at times when these players are required by their clubs. I see the clubs having a major role deciding what kind of intercounty championship we will have for a number of years to come.

In his 'Failte' in the Munster

final match programme last week, the chairman Sean Fogarty threw out the idea of a system allowing counties a single second chance built in to the system at Provincial level and this idea is being talked about quite a lot. It could give counties one extra chance and dispense with the present qualifier system as we know it.

I think that this is a very worthwhile proposal and something that might be taken seriously by counties in the Province.

## County Board Meeting

The senior board will meet on Monday evening next at Lawlors Hotel when it is expected that an announcement concerning the resumption of the hurling and football championships will be made. Also there will be the outstanding reports from the county sub-committees.

The circulated agenda lists only routine topics but since there will be no meeting in August, there may be other matters to discuss. It is worthy of note that the All-Ireland hurling final will be played before delegates meet for the September meeting, which is the next one.

## MINOR HURLING CHAMPIONSHIP

We played our first championship game on Wednesday last when we took on a strong Cappoquin side in Colligan. This turned out to be a very exciting game with some late scores giving Cappoquin a four point victory on a scoreline of 3-15 to 3-11.

Team: — S. Enright, E. McCullagh, B. Walsh, J. O'Driscoll, D. Henley, E. Brackett, B. Ryan, S. O'Hare, C. Enright, S. Lanigan, J. Mahoney, J. Organ, S. Slater, J. Gorman, E. O'Donnell. Sub: A. Tobin.

Our next game is against St. Oliver's, tonight Wednesday, July 5th in Bushy Park at 7:30pm.

## SENIOR FOOTBALL LEAGUE

On Thursday night we travelled to Clashmore to take on the home side in our fourth league game of the year. Conditions on the night were not ideal, yet we will have to improve on this performance ahead of our next championship game.

Final score: Ballinacourty 1-8 Clashmore 0-7.

Team — Alan Landers, P. Lynch, J. Phelan, G. Breen, J. Mullen, L. Hurney, J. Hurney, S. Briggs, D. Hayes, P. Phelan, I. Kiely, D. Fives, D. Cliffe, P. Hurney, Aidan Landers. Subs: J. Moore, A. Whelan, S. Kiely.

## JUNIOR HURLING CHAMPIONSHIP

Our Junior Hurlers concluded their championship campaign on Saturday night last when they defeated Tallow in a high scoring game in Ardmore. Despite racing into an early lead, we were two points down with ten minutes to go. However, the team showed great character to earn a very deserved victory.

Final score: S. Enright, B. Walsh, R. Hanrahan, P. Breen, S. Kiely, J. Mullen, D. O'Hare, M. Fives, J. O'Brien, D. Byrne, I. Kiely, B. Byrne, S. Lanigan, S. Burns, T. Murray. Subs: M. Browne, E. Casey, A. Flynn.

## JUVENILE FUN COACHING NIGHT

There was a huge turnout in the Club field on Tuesday night last for the fun coaching night organised by our Juvenile section. Over 150 children were present to avail of training from our own club coaches and the County Board G.P.O's as well as some of our Senior club players. All the children of our parish who attended enjoyed the night thoroughly

and the organisation of the night is a great credit to the juvenile section led by Chairman Liam Enright. A big thank you also to the Ladies committee who had plenty of refreshments for all those present, and also our FAS workers had the club grounds looking splendid on the night. We would appeal to the parents present on the night to continue bringing your child to the field for our Saturday morning coaching sessions.

## DEISE DEVELOPMENT DRAW

We had one winner in the June draw held in Kilrossanty last Friday night. Johnny Riordan won E500 with the ticket sold by our great club worker Tucky Organ.

## CLUB COMMITTEE MEETING

There will be a meeting of the club committee on Thursday night at 8:15pm in the club grounds.

## UNDER-13 HURLERS

Our Under 13 hurlers had a good win against St. Patrick's in their first championship game of the year. They put up a very good score of 3-10 in the process and they now play Dungarvan in their next game.

## UNDER-21 HURLING

We would like to wish the Waterford Under 21 hurlers the very best in their championship game against Cork on Wednesday night next. This panel have prepared very well since defeating Limerick and played Galway in a challenge on Sunday last.

John Kindregan, Richie Foley, Brian Scallan, Mark Fives and Mark Gorman are all members of the panel which is of course managed by Greg Fives with Bernard Shields and Tomas Kiely part of the backroom.

## UPCOMING FIXTURES

It is very unlikely that we will have any Senior championship fixture in July. However, it is possible that the Under 21 Football County final may be played, along with the 2005 Phelan Cup final against Gaultier and the Sargent Cup game against Ballyduff Upper.

## SYMPATHY

On behalf of the club we would like to offer our deepest sympathies to the family of the late Alice Kiely. Alice, of course, was a former proprietor of the Village Inn, a well known club hostelry, and her grandchildren remain active players with the club.

Lurgan's Gareth Shaw, holder of the North of Ireland title, shot two rounds of 73 on the final day to capture the title having taken a firm grip on the Championship on Thursday, when he recorded a course record 66, which included five birdies and an eagle, followed by a second round 67 to lead by five strokes over Irish Close runner-up Simon Ward (Co. ## GER WYLEY/NIKE SUMMER SERIES RACE NO.7

### DUNGARVAN LEADER DROMANA 5

# Bralitis First Home In Record Field

The 14th Annual Dungarvan Leader sponsored Dromana 5 took place last Friday evening from Villierstown to Cappoquin and a huge entry of 186 runners and walkers completed the course. The organisers and sponsors were delighted with the turn out on the night. It's very encouraging for all involved to see such a large record entry for this race, now one of the clubs flagship events. It is worth noting too the high number of runners 22 in all who broke the 30-minute barrier at Dromana proving that this is one of the fastest 5-mile courses around.

The weather also played its part Friday night when a lovely summers evening was the order of the day which saw some great times recorded and many personal best's achieved.

The mens race saw one of the fastest times ever recorded on this course when West Waterford AC's Sandis Bralitis took first place in 24.42 smashing the magic 25 minute barrier for 5 miles, indeed his pace averaged out at 4.56 per

mile which is super running in anyone's book. Sandis came into the race as the very hot favourite and had his title on the line as he also won here in 2005, incidentally his winning time last year was 25.10, so a significant improvement here also and he appears to be the only athlete presently on the local running scene capable of coming close to John Tracey's Dromana course record of 23.49.

Sandis having won all seven

races to date in this years series and setting two new course records in the process at the Touraneena 5k and the Clashmore 5 plus he equalled the Rás Na Rinne 6 mile best time only the previous week.

The race began in the usual fashion for Sandis taking the lead from the Noel's starters gun in Villierstown, as the runners made their way out through Dromana gates Bralitis, was already in control and well clear of the field with Dzinters Klava, Raivis Zakis both West Waterford and Waterford's Ed Burke 80 metres back battling it out for the minor placings even at this early stage of the race. Keeping all his mile splits under the 5 minute mark Sandis came home a convincing winner as we said in one of the best times recorded ever on this course 24.42. Ed Burke broke clear of the two West Waterford team mates Klava and Zakis and he too was well clear when he came through to take second place in a time of 25.15. A very impressive run from the Dunmore man who lives in Washington DC and is currently home on vacation in his native city. Dzintars Klava finished third after breaking away from Raivis Zakis at the three mile mark his time was 25.37 and Raivis was fourth in 26.11. Fifth was St. Joseph's Peter Duggan in 26.51 and Mark Langford, Waterford, took sixth place in 26.57, Martin Bradshaw, Bilboa, was seventh in 27.23 while Garry O'Sullivan was eighth in 27.43, Danny Smith, Ballynonty, finished ninth in 27.53 and the final individual prize for men was secured by Youghal's Noel

Curtin 28.05. Gerry Forde, Blarney, also took part and was our sole wheelchair finisher.

#### TUOHY SPRINGS A SURPRISE

Going for four in a row in Dromana last Friday evening in the ladies race Kilmore's Jackie Carty who had also won all six of the series races to date was on this rear occasion to finish in the runners up spot after a young Lady from Grange /Fermoy A.C. knocked the almost unbeatable Carty off her pedestal after a titanic race between the two ladies which was really the highlight of the whole event this year. Jackie was leading for the first two miles with Tuohy in close contact with the Kilmore athlete, as they passed the three mile mark they were locked together after Tuohy upped the pace to join carty, for the next mile and a half mile the lead was shared between these two as both ladies tried in vain to move clear of the other, with half a mile to go it was the Grange lady who proved that little bit too strong on the night for Jackie and she came home first, winning in a time of 30.39 to inflict a rear defeat on Carty. In third place was West Waterford's Diane Behan in 32.38. Diane is starting to show some of her old form and we expect to see her battling at the top end of affairs in the near future team mate of Diane's Norma Wall had a terrific run to record a personal best time for the 5 mile distance 32.56 and another young Grange/Fermoy athlete Patricia O'Brien was fifth in 33.06. It was notable in the ladies race that the standard was of a very high quality with the fifth lady running 33 minutes.

#### ALL TEAM AWARDS WON BY WEST WATERFORD

There were three mens team and one ladies team award down for decision in Dromana with four to score in each team. West Waterford proved to be very strong here winning four titles. Our mens A team of Johnny O'Connor 13th, Jim Fleming 15th, Michael Dwyer 16th and Trevor Mason 17th were the winning team with 61 points. West Waterford B were second team

The Michael C. Nagle Memorial Trophy is presented by Billy Coleman on behalf of race sponsors Dungarvan Leader to race winner Sandis Bralitis West Waterford AC who won the 14th Annual Dromana 5 last Friday evening.

with 91 points. Kevin Kenneally 19th, Jason Travers 23rd, Martin Hayes 24th and Joe Kelly 25th. The third team award went to West Waterford C team which consisted of Gerry Cantwell 27th, Damien Travers 28th, Patrick O'Riordan 29th and Pat Dunford 30th total of 114 points.

Not to be outdone our ladies team also took the team award and were Joanne Jackman 80th, Anne Whelan 89th, Ann Dunford 93rd and Josie Uí Chuirrin 99th, total 361 points.

Host club of the race West Waterford Athletic Club had 110 runners finish the race and by any clubs standards this is a massive turn out. Congratulations to all involved.

#### WALKERS

A total of eight walkers completed the 5-mile course last Friday evening and all are to be congratulated on doing so — Mary Glavin, Elenor Casey, Annette Mc Loughlin, Eileen Kearns, Ita Mason, Siobhan Barron, Fioluala Cummins, Cora Cummins.

#### MICHAEL C. NAGLE MEMORIAL TROPHY

Our thanks to race sponsor Colm and Linda Nagle and all the staff at the Dungarvan Leader for their kind sponsorship of the Dromana 5 and for their ongoing support of athletics through their publication The Dungarvan Leader. The Nagle family were unavoidably absent this year at the presentation of prizes, however they were represented by Billy Coleman who was on hand to presented the winner with the beautiful Michael C. Nagle Memorial Trophy and he also presented all the winners with there prizes, thanks to Billy this

was much appreciated by the race organisers. Billy also participated in the race itself clocking a handsome 35.54.

#### RACE ORGANISATION

The club wishes to thank those who participated in this years race, all the people who came out to support the athletes on the course, to all the stewards, time keepers, entries and results administrators whose help is invaluable in the organisation of any road race, to all the stewards. Thanks to Matt Faherty for the use of his bus to bring the runners to the start in Villierstown, to Sylvia McConnell and all who made the sandwiches for the runners much thanks, a special thank you to Nora and Danny Flynn and staff at the Central Bar, Cappoquin, and, of course our sponsors the Nagle family of Dungarvan Leader and to Ger Mason and family for their added bonus sponsorship again this year, this was much appreciated. Last but by no means least to our race committee headed up by Ray McConnell and Trevor Mason who once again made sure our 14th Annual visit to the Dromana 5 was a memorable one for all.

Next race in series Glaxosmithkline 5 Friday July 14th at 8 p.m.

#### JUVENILE SPORTS

As the road race got under way last Friday evening our juvenile club were hosting an open sports at the G.A.A. Club Field in Cappoquin and by all accounts it was a great success with a large turn out of athletes participating. Thanks to all who gave of their time to organise the sports and to the G.A.A. Club for the use of their field. (see full list of results over on next page)

### SPEED TRAINING AT ST.AUGUSTINES

Club speed training will take place tonight Wednesday at the College starting at 7.30 p.m., so if you want to improve that 5-mile time over the remaining summer months the grass track in the Friary is where the work has to be done. All are most welcome.

### CLUB WEDDING

Congratulations to club member Paul Mooney on his marriage to Catherine during the week, health and happiness to you both.

### LEADING LADY AT 40

Congratulations to club and committee member Ann Dunford on her most recent milestone when she joined the masters over 40 club. The hard working club committee member celebrated the occasion fittingly over last weekend and we are glad to report that she is running as well as ever. Here's to the next 40!!

### IT'S A BOY

Congratulations to club member Jason O'Riordan and his wife Jennifer on the birth during the week of a baby son. Health and happiness to all.

## TQS Integration Summer League Up And Running

Our T.Q.S. Integration sponsored summer league got under way last night Tuesday and will continue for the months of July and August. After the success of the Minnies League, which finished the previous week, it is hoped that all those and many newcomers will participate in the T.Q.S. every Tuesday night at St. Augustine's College (by kind permission). Our thanks to Máire and Tom Quilty of T Q S Integration Ltd. who have once again come on board to guarantee the continuation of this league with their kind sponsorship. The big news with this year league is that it will be run on a Colligan Cup handicap style system with the usual four distances available to participants, 1, 2, 3 and 4 laps as was the case in the Minnies League, with the first three on the right side of the clock being rewarded each week.

Remember you don't have to be a Sandis or a Raivis or a Dzintars to win with this handicap system in place as everyone is in with equal chance of taking the spoils. The distance around one lap of the Friary is 2 km. The league gets under way each Tuesday night at 7 p.m. and the entry fee is a modest 2 euro. Enjoy a good healthy evening with West Waterford AC. Come along to St. Augustine's College and remember bring a friend if you have one!

**Garry McCormack, winner of the mens division two at the Minnies League, is presented with his prize by Paddy O'Brien, Minnies Bar, Abbeyside (league sponsors).**

### TRACK AND FIELD NEWS

## West Waterford Athletes Among Medals At All Ireland Track And Field Championships

The All Ireland Track and Field Championships for junior and under 23's were held last Sunday in Tullamore and the club had five athletes competing. Silver in the junior pole vault was the order of the day for young Aisling Fennell in the junior ladies and Emma Dunne was unlucky not to be among the medals after being relegated to fourth on a count back despite both Aisling and Emma vaulting 2.40. Eadaoin Ashe finished a creditable 6th in a very strong field in the discus throwing 28.94.

We had two male athletes in Tullamore and both took silver medals in the re-

spective events.

Dermot Cummins continued his good progress on the track and once again produced a personal best time of 5,000 metres when he took a super silver in 14.55. A great performance from the Newtown athlete considering his best time before last Sunday over this distance was 15.40. David McCarthy competed also but not in his usual 800 or 1,500 metre events but the 400 and proved that he can compete at any distance on the track as he finished a very good 2nd in 50.4 in a sprint finish with Limerick's Kieran O'Driscoll with only a

whisper between the two at the line. David will be pleased with this run over this distance as he also recorded a personal best 50.4 smashing his old mark of 51.5. David heads out to Germany tomorrow Thursday to compete in the prestigious Mannheim International Meet to compete in the 1,500 metres under 20 event. All at the club wish him well in Germany, he will be competing on Friday.

Well done to all who made the journey to Tullamore and thanks to Noreen Fennell, Rose McCarthy and Mary Ashe who looked after the athletes on the day.

## Kilmacthomas Soccer Notes

### LADIES SOCCER Brideview 0 Kilmac 5

Our ladies team made it two wins out of two for the new season when they defeated a gallant Brideview team last week. The scoreline certainly does not reflect the game however as the home team started brightly and had the better of the early exchanges.

Once Kilmac got into their stride though they carved open a number of chances and this resulted in the first goal when Emily Hearne's cross was deflected into the net. This good spell continued for Kilmac and they duly made it 2-0 when Freda Morrissey scored from close range after 25 minutes. Brideview didn't let the heads drop though and forced a number of corners where our defence had to be alert not to concede from. Just before the break a good move down the right involving Anita Dee and Caoimhe Downey saw Freda Morrissey make it 3-0 to Kilmac.

We dominated large parts of the second half, playing some good football, and added to our tally when Donna Power finished a Caoimhe Downey cross to the net. Rosie Power then made it 5-0 to Kilmac soon afterwards after doing the hard work herself blocking down the full back's clearance and finishing well to the corner of the net.

Team: Catherine Kelly, Tina Fitzgerald, Joy Hearne, Lorraine Power, Caoimhe Downey, Anita Dee, Aisling Weldon, Emily

Hearne, Donna Power, Freda Morrissey, Rosie Power, Leonie Mulcahy.

### PRESENTATION NIGHT

A great night was held in Morrissey's Bar on Saturday night last when a presentation of a new set of jerseys for our ladies team took place. This was a very generous offer by Mosh and one which we really appreciate. Our thanks to everyone who supported on the night.

### CONGRATULATIONS

Congratulations to all for doing so well in their recent exams and best wishes for the future. Congrats also to Claire and Tommy who announced their engagement recently and also to Emily Hearne who celebrated her birthday on Saturday night.

### SPEEDY RECOVERY

We wish a speedy recovery to Aoife McCormick after her recent operation. No doubt Aoife will be back training as soon as she can.

### PUBS LEAGUE

Well done to Kiersey's Bar who overcame Micheleen's in the Pubs League competition last week, courtesy of two goals from Micheal Downey and another strike from Murt Power who is now surely a contender for the "Golden Boot". Kiersey's now face Minnies in the semi-final, with the winners playing either Keane's or Hayes in the final. All games are due to be held this week in Abbeyside.

### Cunnigar Pitch & Putt

What can be said about John O'Shea who won the All-Ireland Junior Strokeplay Championships on Saturday at Larkspur Park. John won by a clear 5 shots from second place Alan Maher from Lakeside. This is a man who everyone will be watching out for in the future. Well done John youve done us proud.

Wednesdays winners were Cait Mulcahy and Mary Radley (nett), Corinne McGee and Pat Regan (gross).

Bonus number winner was Man of the match John O'Shea

Last Thursday evening was cancelled due to bad weather so lets hope its better this week.

The County Board League will be at Tramore on Monday evening at 7.00pm tee off.

Lessons with Aiden have started so be there at 7.00 p.m. on Tuesday if you want a few tips to help your game.

If you are interested in the trip to Kilarney in September see Breda O'Donnell

Dont forget if you can spare a few hours to help on the course see John or Francis they will love to see you.

Good luck to Mary O'Neill, Mary Walsh and Corinne McGee who are playing at Portmarnock in the Ladies All-Ireland Strokeplay Championships on Saturday.

## Sympathy:

The Club extends its deepest sympathy to Club Vice-President Austin Kiely on the death of his mother Alice. We would also like to extend our sympathy to Austin Jnr, Danny, Declan and all the Kiely family.

## Sympathy:

The club extends its deepest sympathy to Anthony Daly on the recent passing of his mother.

## Irish Junior Cup:

The GoldCoast will host the Junior Cup on both Saturday and Sunday next and tee times have been reserved for the event. Brian O'Connor has been putting our team through their paces and we wish them all the best at the weekend. Your support would be very much appreciated and we would like to see as many members present as possible.

## Slow Play:

Recently we have seen a few cases of very slow play on the course and one or two players are taking excessive time to take their shots. These players are, in my opinion, being very selfish and spoiling the game for the players coming behind. This will not be allowed to continue and if necessary a ranger will go out the course with the authority to penalise such players. You have been warned.

## Timesheets:

Over the past weekend a number of players could not get the time they wished for because the course was so busy. However we had a number of late no shows or cancellations. Some cancellations are necessary and we fully understand that things

can arise which lead to this situation. But some players are cancelling at the last minute on a regular basis and depriving other players of these time slots. From now on we will be keeping a record and defaulting players may find themselves deprived of the right to book times.

## New Juvenile Initiative:

Fourteen members have now gotten involved with our juveniles and will act as mentors for the rest of this season. A full programme has been produced and copies of this will be distributed during the coming week. Any other club members who would like to get involved with this more than worthwhile venture can contact Tom or Brendan.

# LISMORE GOLF CLUB NOTES

We had a very good week weather wise for our Golden Meadows qualifier and our weekend competition plus there is a lot of action on the course with club championships being played. In our qualifier Fermoy's Mark Smyth (22) took the plaudits with his fine score of 40 points, Glengarriff's Joe Murphy (4) also played a high standard of golf to card 37 points and to complete a hat trick of visitors taking the honours. This week our Gross qualifier was Tipperary's Conor Ryan (6) also carding 37 points.

So to our weekend competition where the scoring was of a high standard. The "Man" this week making a rare appearance on the leader board was Curraghglass' Donal Caples (18) with a great 42 points. The runner up also making a rare appearance was Ger Hayes (21) with a nice 41 points and in 3rd place was Michael Bennett (21) with 40 points, winning due to a superior last 9 holes over a cou-

ple of lads. This coming weekend sees our club development Open Classic. We need as many teams playing as possible to help in the continued enhancement of our course and facilities. There is no respite from the big league as the following weekend sees our Captain's prize kindly presented by Dermot O'Leary who hopefully will have continued his recovery after his recent surgery. There is a timesheet in operation for both these major events (058 54026).

# Carriglea Athletes Enjoy Huge Success At All Ireland Special Olympic Games

On Wednesday June 21st (the longest day of the year, and boy it was just that!) the Carriglea delegation of nineteen athletes and eight coaches departed the centre by coach at 6.30am for Belfast via Limerick Junction where they joined the rest of the 400 strong Munster Team for the long trek to Belfast on a special train provided by Iarnród Éireann. The journey from Limerick Junction to Belfast was non-stop, which is unusual and took almost four and a half hours. From here we were ferried by coaches to our accommodation at Jordanstown University. Having settled in and had lunch we travelled the short distance to the Odyssey Arena for a magnificent and never to be forgotten Opening Ceremony. Packed to capacity with over 8000 people and 2500 athletes and coaches, it proved to be an absolute spectacular and colourful occasion. The entertainment provided was out of the top drawer, singer Brian Kennedy was a huge hit with the athletes as were many of the other acts and groups who participated in the opening ceremony of the World Games in Croke Park in 2003. A host of sports celebrities added to the atmosphere and occasion. After two and a half hours of continuous entertainment we returned to Jordanstown where we finally got to bed at 11.30pm.

Athletes and coaches were up each morning at 6.30 a.m. Carriglea were represented in six different sports: Basketball, Track & Field, Table Tennis, Swimming, Motor Activities and Equestrian. Thursday was classification day this ensures that athletes are divided into groups and participate against athletes of similar ability. Thursday was the event day for our three motor activity athletes: Eilish Murray, Clare Hennebry and Sonya O'Brien. Unfortunately the fourth member of that team Bernadette Hassett was unable to travel. In motor activities athletes display their competence in different levels of sports skills. The relationship and rapport between the athlete and coach is of paramount importance. Each motor activity athlete participates in three events, a huge amount of preparation went into this as the athletes had to wait patiently to participate in their sports events in a place they had never seen before. The event was held in the Antrim Forum in Antrim town about twenty miles from Belfast. The four motor activity coaches were Lisa Welsh Horwood, Catherine Hourigan, Patricia Connors and Helen Fraher. Entertainment was held each night in the form of a disco at the specially erected marquee on Jordanstown Campus. Our motor activity athletes and their coaches flew back to Cork airport from George Best City airport on Friday morning. Here they were given a rousing reception by those who travelled up from Carriglea. A very rewarding and enjoyable time was had by all in the motor activities.

Friday, Saturday and Sunday were the main event days in the other sports. Our female basketball team took part in the Division One event they began with two wins on Thursday, two on Friday and one on Saturday. This put them in the final against local rivals Waterford Clubs. These teams have met many times over the last few years and all games have been fairly close. Tip off took place at 10.30am on Sunday. Waterford made the better start and by half time led by 7 points to 3. However Carriglea put in a storming third quarter where they scored four baskets without reply to lead by 11-7. The fourth quarter was a real tense affair and with two minutes to go Martina O'Neill scored the only basket to ensure Carriglea would emerge victorious. The gold medal winning Carriglea team was: Nicola Carroll, Eileen Hayes, Jean Fenton, Kerrie Hourigan, Catriona O'Sullivan, Martina O'Neill, Eileen O'Donnell, Dawn Lonergan and Breda Crotty. The victorious coaches were Nicola Moore and Angela Baker.

Our table tennis players were in action in the Belfast Tennis Centre on Friday and Saturday. Hannah Guina-coolness personified as ever took the silver medal in the Ladies Division 2 while Esther Power won the bronze medal in the Division 3 event. Mary McNally participating in her first All Ireland Games finished fourth in the Ladies Division 4 event. Well done to our three table tennis players and their coach Jennifer Scanlan.

Carriglea had only one swimmer Teresa O'Leary who has been participating in the aquatics event for the last fifteen years. Teresa as ever gave 100% and finished fourth in both 25m freestyle and 25m backstroke. Once again she was the life and soul of the Munster Swimming Squad and epitomises that Special Olympics is not just a great sports organisation but also a strong social and cultural movement.

Photo shows (l. to r.) Michael Foley (Equestrian), Sr. Nora, Teresa O'Leary (swimming) and Tom Scanlon.

The only male members of the Carriglea group were our three track & field athletes, all of whom won gold. Kieran Coleman won double gold in both the 1500m and 3000m runs. Where he had personal bests of 5.31 and 11.58 respectively. Kieran runs regularly with West Waterford A/C and his even paced running can be attributed to this. As the commentator announced he ran a dream race in the 3000m. Mossie O'Donovan won gold in the 50m walk in a fabulous time of 16.32 seconds. Twenty two years ago Mossie first took part in Special Olympics. He also took silver in the Division 5 softball event. John Kirwin, the third member of our track & field squad preformed heroically to win gold in Division 7 of the softball with a throw of 8.95 their coaches flew back to Cork airport from George Best City airport on Friday morning. Here they were given a rousing reception by those who travelled up from Carriglea. A very rewarding and enjoyable time was had by all in the motor activities.

A great performance by all the athletes and their coach Tom Scanlan.

Michael Foley participated well in the equestrian event. This can be very challenging, as the riders have to perform in a new environment on horses that they are not very familiar with.

Carriglea athletes took a total of thirteen gold medals at the games. This makes them eligible to allow their names go forward for selection for next years World Games in Shanghai, China. The selection process is very complex and will depend on how many athletes will be on Team Ireland and the composition of the team: Remember winning a gold medal guarantees nothing, as the selection process is by random selection and is a bit of a lottery.

The Carriglea athletes who were part of the Munster team had great support from family and friends throughout the week, returned home triumphant but tired, after 10 pm on Sunday evening. As ever Sr. Nora and the Sisters had a reception laid on. After a few short speeches by Sr. Nora, Tom Scanlan, Diaruid Hourigan representing the parents of the athletes and Nicola Carroll on behalf of the athletes, some light refreshments were provided for the big crowd present.

Over the past twenty years or so the Bon Sauveur Sisters and in particular Sr. Nora have been both great promoters and supporters of Special Olympics. It is easy to understand why Swimming, PE and Special Olympics are an integral part of the programmes provided for service users.

Finally congratulations to the athletes and coaches on the trojan work they have put in over the past year and just to remember at the end of the day the Special Olympics is all about taking part, enjoyment and giving of ones best.

## "Trip of Hope 3" in aid of the Cork Cancer Research Centre

**JULY 8TH TO JULY 18TH**

The Cork Cancer Research Centre, based at the Mercy University Hospital was established in 1999 by Professor Gerry O'Sullivan, a native of Caheragh in West Cork. The Cork Cancer Research Centre, is dedicated to bringing new cancer treatments to patients and is the largest research centre in Ireland focused solely on cancer research, prevention and treatment.

A group of friends of the Cork Cancer Research Centre from the West Cork area, have devised an innovative way of raising funds for Cancer research.

"Trip of Hope 3" is a journey throughout Cork, Kerry & West Waterford to raise funds and promote awareness of Cancer Research in Ireland. Each year 21,500 people are diagnosed with cancer in Ireland. One in Three people will develop cancer in their lifetime.

From July 8th to July 18th, Cork Cancer Research Centre volunteers will undertake "Trip of Hope 3" using horse drawn gig cars driven from town to town to raise funds.

We are delighted that the Musgrave Group has come on board again as the main sponsor of the trip. Each day the volunteers will meet up at the local SuperValu store before they embark on their days collecting. On 11th July, the Trip of Hope will be in Dungarvan. If you have a few hours to spare we need your help for collecting, contact Elga on 021 4901437

All proceeds go directly to the Cork Cancer Research Centre. Trip of Hope 2 took place two years ago and over €63,000 was raised for cancer research.

Research at the centre, continues to save lives as well as improving the quality of life for a great number of cancer patients.

The Cappoquin Cornerstone Carnival committee Chairperson, Cindy O'Shea writes: "I was humbled and honoured when asked to act as Chairperson for this year's Cornerstone Carnival. With heartfelt thanks I congratulate our very hardworking committee. I joined the community of Cappoquin, with my family, in August 2001 and, from the very first day, I felt that, in some sense, I had come home. Having grown up in a close-knit community in New Hampshire, USA and having then lived in Dublin suburbs for 18 years, it was wonderful to find myself, again, in a town where everyone knows each other. For all the perceived weaknesses this intimacy brings, the strengths are much greater.

So, for the second Summer in succession, we come together for a weekend in July to celebrate Cappoquin. We celebrate our artists, food producers, sportspeople, craftspeople and musicians. We come together to affirm our corporate responsibility to each other, our town and the surrounding communities which our Parish incorporates. We are reminded that together we can continue to make Cappoquin a positive, progressive and supportive community in which to work, live, learn, play and proudly present our town."

Don't miss this wonderful weekend of entertaining exhibitions and family fun which is Cappoquin Cornerstone Carnival
