# Armed Gang Steals €35,000 In Grange Hold-Up

BY KEVIN  
KIRRANE

A gang of armed and masked robbers made away with 35,000 euro in cash and cheques in a hold-up at Grange, near Ardmore, on Saturday afternoon last.

The three-man gang held-up a female clerk at gunpoint while she was transporting Credit Union money from the Ardmore branch to headquarters in Youghal.

The gang made off with around 5,000 euro in cash and a further 30,000 euro worth of cheques in the audacious daylight robbery.

The gang stopped the woman, who was in her mid-40's, shortly before 1pm, by pulling a

stolen four wheel drive jeep in front of her, and demanding that she hand over a bag which held the lodgements from the Ardmore branch.

At least one of the men brandished a firearm, although it's not known whether this was a genuine or imitation firearm. All three men wore balaclavas. They made off along a back road that offered a number of escape routes. The Suzuki jeep was later recovered burnt-out at Kilgabriel, Clashmore.

Garda forensic experts examined the jeep, a white Suzuki, with a registration plate of 99D 30126 which was stolen in the Youghal area on June 22nd.

Investigators believe the gang had been staking out the credit

union for some time.

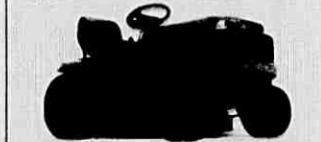

Gardai issued an appeal for witnesses or anybody who saw people acting suspiciously in the Grange or Ardmore area on Saturday morning to contact them immediately on (024) 92200.

A number of motorists drove past, as the woman's silver Toyota was being held-up and Gardai are keen to make contact with them.

They are looking to speak to anyone who saw the Jeep in the Grange-Clashmore area on Saturday or who may have seen where the vehicle was stored after it was stolen.

No arrests have been made so far and the investigation is ongoing.

Face the Summer  
with confidence.

### Gardai Studying CCTV of Break-In Attempt

By Kevin Kirrane

Gardai in Dungarvan are studying Close Circuit Television footage of an apparent break-in attempt at the headquarters of the Waterford County Council.

A projectile was thrown at the doors of the Civic Offices, but only one of the reinforced double glazing glass was smashed through. The second pane did not break, foiling the attempt to gain entry.

The break-in attempt occurred in the late hours of Monday night and the early hours of Tuesday morning.

The damage was discovered by the caretaker when he arrived for work at around 7.15 am. As the second layer of glass was not broken, the alarm system did not go off, a spokesperson from Waterford County Council said.

# Waterford County Council Young Citizen Awards

The Members of Waterford County Council honoured the Young Citizen Awardees at their June meeting. This Award Scheme was launched by the President of Ireland, Mary McAleese to celebrate 2005 being designated by the Council of Europe as European Year of Citizenship through Education. The initiative was supported locally by Waterford County Development Board who oversee the local co-ordination and assessment of applications. The aim of the Award scheme was to recognise and support local active citizenship. Active citizenship is about people acting or participating in a socially responsible way in the different communities that they belong to.

The recipients were Stephen Doyle from Tramore who is

a founding member of Waterford Surf Life Saving Club; Paul Mullins & the Cast and Crew of "Take your mind off your troubles", Paul, a Community Drugs Worker for the West of the County, and a group attending Dungarvan Youth Centre produced a short film for young people on the issue of drugs and peer pressure which is now used as a resource for teachers, schools and youth clubs in drug education; Portlaoigh Foróige Youth Group, a group, under the guidance of Ronnie Moore, who have channelled their efforts towards helping the elderly in their community. Sarah Hennebry, the fourth recipient, who hails from Bishopstown, in Carrick-on-Suir, is an active member of the youth clubs in the area, in the promotion of alcohol free activities.

On behalf of the President of Ireland, Mayor Ger Barron welcomed Co. Waterford's awardees of the Young Citizen Awards to the Council Chamber to receive their certificates. He acknowledged that these young people were truly deserving recipients. Their participation and involvement in their communities have helped to make them better, safer, more enjoyable, places to live. The Members extended their congratulations to each of the recipients and encouraged them to continue to contribute in such a positive and meaningful way to their communities

## Fews N.S. A Hive Of Activity

Fews National School have had a busy time of late, firstly they received a visit from the artist Don Conroy. Emily Codd, a student in fourth class was awarded the title of regional winner in the recent ESSO Wildlife Art Competition. Don came to the school to present Emily with her medal. He also presented the school with a bird box and Emily's class mates each received a gift. Emily's win was quite an achievement as over 35,000 entry's were received in the competition. Don gave an entertaining talk to the children and did a few sketches for them while he was there, which I am sure they will treasure. So congratulations to Emily on her achievement.

The following day the children were treated to a visit from soccer player Willie John Kiely. Eighteen year old Willie John, a former pupil of St Augustine's College, Dungarvan, plays for Aberdeen FC Under 19's and has been with Aberdeen since 2003. He has also represented Ireland at under-age levels recently receiving his first Cap for Ireland. His talk included the importance of sport in his life and the sacrifices that he had to make to get where he is today. Willie John then switched roles and refereed a match between the children. All in all a lovely day was had by everyone and the staff and children at Fews National School wish Willie John great success in the future.

## An Oige Hostel For Lismore?

The board of Lismore Mochuda Development Company Ltd is seeking any parties in the Lismore area who might be interested in establishing an An Oige Youth Hostel in Lismore. Our members Bernard Leddy and Jan Rotte have had a meeting recently with David Owens, the CEO of An Oige the Irish Youth Hostelling organisation. Our discussions were

very positive and an examination of the feasibility and economic viability are very encouraging. We would consider that adapting an existing building or building a new hostel on a green field site as the most realistic options.

Anybody who would like to get involved should contact Bernard Leddy on 058-53341 or 087-2609788.

## CRABS AND LOBSTERS

Crabs, prawns, shrimps and lobsters are members of the group of animals known as crustaceans. The largest crustacean is the giant spider crab of Japan which can measure up to 3m (9ft) between the tips of its outstretched legs. Pea crabs of which there are over 200 species, are the smallest known crabs. They hide inside the shells of mussels and oysters for protection. Although protected by their shells, crabs have several enemies, including humans, and have to find other ways to protect themselves. For example, most spider crabs camouflage themselves with seaweed and pieces of sponge so they cannot be seen easily. A lot of crabs burrow into the sand so that only their antennae are visible. The hermit crab often lets a sea anemone ride on this back. The anemone has stinging tentacles, so the crab is protected too. The grenadier crab goes one step further by carrying a sea anemone in each claw!

### Hermit Crabs Live In Other Crabs' Shells

The hermit crab does not have a hard shell so it makes its home in the empty shell of some other sea creatures. As the crab grows, it has to find larger and larger shells in which to live. It changes from shell to shell very quickly because it is afraid of being attacked.

### Lobsters

Lobsters are generally bigger than crabs and their tails are stretched out behind them, whereas a crab's tail is tucked under its body. To swim, the lobster curls its tail under its body quickly and with such force that the lobster shoots backwards in the water. To help it, the lobster can fan out the end of its tail for greater thrust.

### Lobsters Walk In Single File

Once American lobster migrates in an unusual way. Every autumn, the spiny lobsters of Florida and the Caribbean march in single file to deeper waters further south to avoid stormy weather.

### Crab Legs

Crabs have five pairs of legs, the first pair of which are equipped with large claws. It uses eight of its legs for walking. A crab walks sideways because otherwise its legs would get tangled up. If a crab traps one of its limbs, the limb snaps off and the crab grows a new one.

### Crab Claws

The male fiddler crab has one gigantic claw that is much larger than the others, it is the largest crab claw in the world. It is often coloured differently to the rest of the body and has two purposes, for fighting other males to defend its territory, and to attract a mate.

## DID YOU KNOW?

A boxer crab defends itself by holding anemones in its pincers, like two fluffy boxing gloves!

Long-legged guano crabs live on bat dropping or 'guano'. Yuk! Rock crabs on the Galapagos Islands clean ticks from bodies of iguanas.

The decorator crab wears 'fancy dress', hooking plants on its body to camouflage it.

Spider crabs have changed little since the age of dinosaurs.

In mythology, a crab nipped the hero Hercules on the foot. It was rewarded by his enemies with a place in the heavens, and formed the Cancer constellation.

## Waterford Senior Hurling Star Visits St. Mary's N.S.

Waterford hurler Eoin Murphy visited St. Mary's School on the day before the holidays. He is pictured here with senior infant and first class pupils Christine Mulcahy, Niamh Harty, Michelle Power, Breda Veale and senior infant and first class pupils.

## Full Attendance In St. Mary's National School

These pupils had full attendance for the school year 2005-2006. Back row: Louise Morrissey, Caitriona Cleary, Ciara Denmead, Lauren Kelly and Cassie Fraher. 2nd row: Lauren McGregor, Sophie Hodnett, Courtney Taylor, Michaela Lally and Elizabeth McCarthy. 3rd row: Crohan McGregor, Clodagh Curran, Glen Waters, Kelly Tutty and Ciara Gildea. Front Row: James Duggan, Wayne O'Donnell, David O'Riordan, Serena Murray, Louis Power and Toby Taylor.

## Well Painted Colour Of Summer In Gaeltacht Gallery

Clancy Gallery in the Co. Waterford Gaeltacht area of Ring is a spectacular exhibition with paintings from some of the premier artists practicing in Ireland today including Arthur K. Maderson, Michael Mulcahy and Sínead Ní Chionáola.

Cois Farrage 06 also boasts two fine works of Andrea Jameson, one of those rare artists who paints in situ in oils often mixing her own pigments, in the tradition of the classical painters.

Katarzyna Gajewska, while only in Ireland for the past 10 months following graduation from Warsaw Academy of Fine Arts in Poland as a Master of Fine Arts, has already twice been granted a residency in Cill Rialaig the artists' retreat in Kerry owned by Noelle Campbell-Sharpe, and has exhibited in the Origin Gallery in Dublin. Her three small works in Cois Farrage 06, Pink Tea at 5pm, Indeed... and L'Amour, L'Amour!!! are stylish, sophisticated and engage the viewer in a beguiling manner.

The Cluster of Trawlers painted in her favourite hues, is a direct unmistakable well painted work of Brid Kenneally. Sails at Midnight explores a new technique and Óro mo Bháidín an abstract shows Kenneally on a new cutting edge.

Blawin Clancy's delicately worked Freefall captures the abstract particles of water, and her other smaller works painted in delicate shades of blues and turquoise are subconsciously informed by the calm exquisite cacophony of colour and luminescence of the tiny little fishies, experienced while scuba diving in local waters.

Blawin Clancy's five works have a Weyth-like quality with wide open heartland against a big sky. Her figurative works of a young girl pensively striding on empty forestry and agricultural tracks are well composed and finely painted and her restrained use of light is very effective.

Susanne Leutenegger's five works painted in pale greens, blues, yellows and peach and are "full of energy. Her work manages to convey a quiet, resolved surety" said Hazel Purcell in Irish Arts Review, Summer 2004. And in the Irish Examiner, 2003, Alannah Hopkin said "Her use of line is strong and instinctive, and unusually inventive". Born in Switzerland, Leutenegger's work was

selected for the C2 Exhibition held in Cork as European Capital of Culture.

John Cullinane, Mary Grehan, Suzy O'Mullane, Orla Clancy all have fine and interesting works in Cois Farrage 06 which runs until July 10th.

Well worth a drive to Joan Clancy Gallery, in Mullinahorna, Ring, between Coláiste na Rinne and the Cunnigar Beach overlooking Dungarvan Bay and the coastline of Co. Waterford against the dramatic backdrop of the Comeragh and Knockmellowns.

Cois Farrage 06 - Summer Group Show, open daily including weekends 11 - 5pm until July 10th. Info (086) 813 4597 jclancy1@eircom.net

# Making more possible for business

Nora Widger, Manager,

Hannah Lucas,  
Financial Advisor, Dungarvan

Dave Cotter,  
Business Manager, Dungarvan

Des Cleary,  
Customer Services Manager

**D**ungarvan is perfectly positioned to take advantage of its location in the South East. Bank of Ireland is committed to helping all those who want to make this town and its hinterland a haven for growth for the business community and ultimately the people who live and work in the area. We must work together if we are to prosper and see Dungarvan develop into a thriving cosmopolitan town with a flourishing surrounding area.

At Bank of Ireland, we endeavour to make more possible for you and your business. We have a dedicated, professional team who understand business and whose aim is to help you achieve your business and personal financial goals.

We are the leading lender to Small Medium Enterprises in Ireland, now providing over 100 business loans per day to all types of business ranging from start ups to high-growth firm. Our new lending process was ranked by customers as being the best in the market across all criteria measured; including decision speed, interest rates and service provided.

We do this through listening to you, so we can understand your new business proposition, your plans to grow your business and your plans to diversify and expand. Through dialogue and discussion we will work together to come up with financial solutions that will help your business reach the next stage of its development.

#### SMALL BUSINESS OFFERING

Our Small Business Offering is unrivalled by any other bank in Ireland. We are fast emerging as a nation of entrepreneurs with almost 10% of our working population at the early stage of setting up their own

businesses. The recent Small Business Forum report noted that 97% of Irish businesses are small, and these businesses represent 40% of the Irish workforce. In general, banks operating in the Irish market serve Medium businesses well, however, they have failed to serve the needs of small business.

When Small business owners are asked about the biggest barrier to growing their businesses, they cite the difficulty of accessing adequate levels of finance. This is a poor indictment of the Irish banking sector and is something that Bank of Ireland as the leading lender to SME's is seriously addressing with our Small Business Offering.

Bank of Ireland Business Banking is committed to be THE bank for SME's and to play an impactful role in fostering and encouraging entrepreneurship in Ireland. Given the depth of Irish entrepreneurship activity, the banking sector must now begin to deal with SME's as business partners, providing an offer that addresses greater access to finance while at the same time providing banking facilities that offer real customer value.

Our all Business offering, with multi-channel delivery, is the culmination of almost a year of product and process development. Key elements of the offer include:

The Developing Business Loan of up to €25,000 with no security in the first five years, the first and only financial institution to offer this.

Existing and new customers can apply for a business loan up to €120,000 online.

Increased choice of business banking channels with the introduction of 365 Business Phone (1890 365 223) and 365 Business (www.365business.com).

A range of products for business customers involved with overseas trading alongside a number of exclusive offers on services and products from third party providers (DHL, BT, O2, commercial translation etc.), and access to the latest economic market research

The most competitive Business Start Up Package providing a range of services free of banking charges for two years in addition to a number of special offers, negotiated with third parties such as O2 Ireland, Big Red Book and the Golden Pages.

Lowest standardised loan product for small businesses starting at just 5.4%.

Endorsing, Bank of Ireland Small Business Offer, Mark Fielding, Chief Executive of ISME said: "ISME, the independent business organisation welcomes the Bank of Ireland initiative for small businesses and for start ups in particular. Small businesses have historically reported difficulties with obtaining start up finance and appropriate facilities and this initiative is a step in the right direction and hopefully will improve the banking environment for the SME.

No other bank in Ireland is providing such a comprehensive package for small business. This initiative will stimulate competition within the banking sector, something that will be welcomed by all SME's, while at the same time we are confident that Bank of Ireland will continue to be the Bank of choice for this growing and hugely important sector of the Irish economy".

## Dungarvan Fire Station Gets €450,000 for Extension

Waterford Fianna Fáil TD Ollie Wilkinson has said the fire station in Dungarvan is to get new office space after the Government granted €450,000 for a much-needed extension. Deputy Wilkinson said the funding, announced by Junior Environment Minister Batt O'Keefe TD, will help improve working conditions for the

—WILKINSON

brave fire-fighters in Dungarvan who risk their lives daily to save others.

'I hope the funding will be used quickly to meet the needs of local fire crews in Dungarvan. I know there is an issue with office space in the fire station so this money could be used for an extension to the premises,' said Deputy Wilkinson.

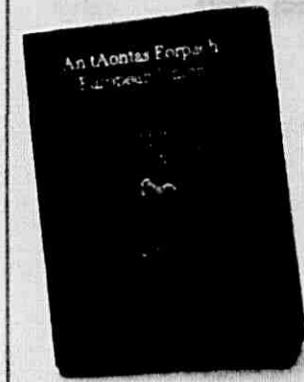

He said Waterford city is to get a new fire station to replace the existing one in the city centre. Waterford city now has 24-hour fire cover so the new station will help meet the increased demand for the best emergency response.

'The fire-fighter's job is tough and often dangerous. Their self-sacrifice and deep sense of mission is profoundly admirable and we should never forget the enormous contribution they make to society. Their courage often goes unheralded because they rarely seek plaudits for their life-saving work.'

'I will continue to support the development of the fire service in Dungarvan and in the wider Waterford area as we continue to work to protect the lives of all our citizens,' said Deputy Wilkinson.

# WATERFORD COUNTY MUSEUM

Memorial from the Dungarvan Town Commissioners to the Right Honourable Lords of Her Majesty's Treasury 1861 (continued)

"Fifth - that from the peculiar formation of the harbor & from the works heretofore executed under the patronage & expense of the Duke of Devonshire, the said Harbour...may be much improved & made a floating Dock and by flushing it at the low water of spring tides, remove the bar at present offering an obstruction to the vessels.

Sixthly - that many valuable vessels & their crews have been lost in approaching this port from the narrowness of its channel & the want of proper attention to its improvement to the increasing importance. Where of may be taken as an established fact by reason of the erection of a Light House at its entrance, within the last year by the board commonly called the Trinity Board for Ireland.

Seventhly - We, beg...to state that recently in the year 1859, the right Honourable the Lords of the Admiralty, directed a report to be made by their engineer as to the state of this Harbour, and George Sherwood Esq., Civil Engineer in compliance therewith made such report.

And that your Lordships may further be placed to direct such sums of money as have been placed at your Lordship's disposal to be laid out in the improvement of the said Harbour."

(Notes taken from an article by William Fraher, first published in Decies No XXV January 1984)

**Museum Outings** - We're off to Tankerstown Engine House on Wednesday July 12th, everyone must meet at the museum at 6:30pm sharp as we will be traveling by cars. The next trip will be to Dunhill Castle, on Wednesday July 26th, again we are meeting at the museum at 6:30pm and traveling by car. Keep your eye on this space for information on up and coming tours. Please make sure that you wear good, comfortable, walking shoes!

**Book Appeal** - We are gathering books for our annual Fund Raising Book Sale at present, to those who have already contributed, "Thank-you," BUT we still need more, so we ask you to look in your cupboard, attic, under the bed...everywhere! Money raised from the sale will go towards the fitting-out of the new museum space. We appeal to all our members and book lovers out there to support us!

**About Us** - The Museum is located in the Old Town Hall, St. Augustine's Street, Dungarvan (opposite Shaws Electrical)- we are open Monday to Friday from 10am-5pm (open through lunch), and during the summer months we are also open Saturday from 1pm-5pm. Don't forget to visit our Award Winning Web Site!

## Co. Waterford Beekeepers Association

### THE JUNE GAP

We are all familiar with the development of our colonies throughout the spring and early summer when things are going along just nicely, supers are beginning to be filled and then comes the so-called June Gap, a period in between when no real development seems to be happening. This year the gap hasn't been so marked but those who have kept bees for many years will remember having had to feed bees in June to ensure their very survival.

It is possible to keep a few hives of bees at home and to do so very successfully on one's own but most of us run into problems sooner or later which require help or advice or intervention from others. Hopefully this is happening on a local scale where members are in touch with their closest beekeeping neighbour and they can exchange advice and experience and in this way get over problems as they arise. Those beekeepers who are most successful (in the sense that they get the nearest to an optimal result from their hives) don't get there by accident or because they have an innate skill. They do so because they expose themselves to learning situations as much as possible and they interact with other beekeepers. A lot of this can be done by reading in bee journals and by logging on to beekeeping sites on the net, but there is no substitute for being around a living hive and observing things first hand. This is the reason the Association holds open meetings. Over the years they have been well attended and vigorous forums for discussion but for whatever reason this has not been the case in the last few years.

Now it might very well be the case that most of our members are in the Association solely for the insurance cover. If that is the case there is not a whole lot that can be done. It will result in a situation where our members attend other Association events, especially in the case of groups like the South Tipperary Association where there is a great level of activity and expertise, and where there is, pardon the pun, a great buzz about. Whether or not we are to become a collection of passive members is entirely up to ourselves. For those who have any thoughts on this or anything else, Pat Dillane is hosting a Barbecue evening on Friday 21 July at 7 p.m. for all members, and their partners. And besides it will be an opportunity to meet socially, break bread and share a drink together. He is situated between Aghlish and Clashmore (there will be signs at the turnoffs).

With a week of warm humid weather coming on and the blackberry just coming into full flower this should be when our supers are really going to be filled. I am hopeful that the lime trees will provide a crop this year for the first time in years and the signs are good so far, as ideally humid conditions and temperature ranges from 20°C to 25°C are optimal for both it and clover. So here's hoping for a bumper harvest and looking forward to seeing you on the 21st.

## Heritage Weekly RAGWORT (BUACHALÁN)

By Dominic Berridge  
Heritage Officer  
Waterford County Council

This common plant is a headache to farmers in many parts of the county as the dried leaves and flowers contain at least three prrolizidine alkaloid poisons (jaconine, jacobine and jacobidine) that can kill livestock by causing copper to build up in their bodies and by causing cirrhosis of the liver. The name ragwort means ragged or useless plant, referring to the ragged-looking leaves and to the lack of uses that people have for it.

Grasslands and waste ground with bare patches are good seedbeds for Ragwort which often thrives on roadsides which are not grazed at all. On the other hand, overgrazing of grass by horses or cattle can cause a build up of nasty-tasting Ragwort plants and, if the animals are left hungry, they may overcome their dislike of it and be poisoned. Ragwort tastes less strong when dried or fermented in hay or silage. Contaminated fodder is therefore very dangerous.

The Dept. of Agriculture is campaigning at the moment for people to control infestations of Ragwort as well as of docks and thistles.

Cinnabar Moth caterpillars eat the leaves of ragwort and store the poison in their bodies along with some foul-tasting materials which make eating them a nasty and dangerous meal for birds—which therefore avoid them. Like many poisonous animals they are brightly coloured, as if to warn off enemies,—in this case with fetching black and amber stripes. Cinnabars are apparently not good ragwort controllers.

Ragwort flea Beetles Longitarsus jacobaeae are much better controlling agents and can cause plants to weaken and die or to produce very few seeds. But for creatures like the Ragwort Flea Beetle to survive there has to be respect for what is called biodiversity. Farming and other land management has to allow at least patches—preferably patches joined up by hedges etc.—where a variety of wild plants can thrive.

Sheep graze off young Ragwort plants and grazing with a mixture of livestock is often best for biodiversity.

## €100,000 For Footpaths in Lismore and Tramore

Minister Martin Cullen has welcomed Government investment of €100,000 that is being made available for the provision of new footpaths and repairs to more footpaths in areas of Lismore and Tramore.

The funding is being provided under a nationwide scheme that has been developed in consultation with the Association of Municipal Authorities. The projects submitted for consideration were selected and prioritised by the elected members of the relevant Town Councils.

The Minister said: "This is a very worthwhile scheme which will lead to further improvements to footpaths in Lismore and Tramore, and in so doing, enhance these towns. It will have a significant impact for the people of these areas, including people with disabilities, the young and old, business people and visitors to Lismore and Tramore".

## FARMERS TO AVAIL OF ONCE-OFF FARM PLASTICS COLLECTION SCHEME

Pictured in Tramore Amenity Centre where 150 tonnes of farm plastic was Collected are Waterford IFA Environment Chairman Walter Whittle and Waterford Co. Councillor Declan Dooley.

Waterford IFA wishes to remind farmers that they can rid their stockpile of used farm-film plastic. Waterford farmers are getting a once-off opportunity to dispose of their clean silage plastic free of

charge at the following designated location within Co. Waterford on the following dates:  
Civic Amenity Centre, Lismore, 21st July - 9.00am to 5.00pm and 22nd July - 9.00am to 5.00pm

Further information on this scheme will be available by contacting the Environment Section, Waterford Co. Council at 058 20894.

## ENVIRONMENT TODAY

### What can we do to protect the environment all year round?

Summer is the time when we head to swim in the sea or take a dip in lakes or rivers. Unfortunately, in recent years some of us may have seen notices warning that due to problems with water quality bathing is not recommended.

When the family day out is spoiled, it is all too easy to point the finger of blame for Ireland's water quality problems. However, in some way, we all impact on water quality every day of every year.

The important news is that we can all play our part in protecting our rivers, lakes, groundwater and coastal waters.

### WATER GOES ROUND AND ROUND...

Remember in school, that diagram which showed the water cycle. Essentially it's the same drop going around in an endless closed loop that we are all depending on for the planet's water. Clean water is essential for all life - plants, animals and of course ourselves. It is up to us all to do what we can to preserve our heritage of clean water for future generations.

But what's happening to the water? - The main threat to Ireland's water quality comes from the increase in the amount of nutrients, including phosphates and nitrates being released into the water. The damaging nutrients come from a number of sources, including agriculture, industrial and domestic. An excess of these nutrients in the water leads to increased growth of organisms called algae, which in turn in summer time can turn into what's called "algae blooms". The algae uses up the oxygen which is required by all the aquatic life, even causing fish to suffocate.

### STOP FEEDING THE WATER

Do you know that we all live down stream from each other?

Washing Machine detergents. Check the ingredients of the product. If there is more than 5% phosphates then change over to a product that contains zeolots instead of phosphates.

Dishwater detergents. Unfortu-

nately there is no phosphate-free detergent available in Ireland, so make sure you use a full load each time.

Paints and Solvents. Do not pour unused household chemicals, paint or solvents down the drain. They should be stored in sealed containers. County Waterford's Civic Amenity Sites will accept these items. See HYPERLINK "http://www.waterfordco.ie" www.waterfordco.ie or ring Helpline 058 20894 for information on acceptance of Hazardous Materials.

Summer's here. Save Water (and energy) too. Fix any leaky taps or water pipes, even a small drip can add up to a lot of water over time. Don't leave the tap running while brushing your teeth or shaving.

A shower uses less water and energy than a bath.

Run dishwashers and washing machines with full loads. Also, wash at low temperatures, up to

90% of the energy used for washing is used heating the water.

In the garden, leave the grass a little longer, maybe 2.5 inches, this will shade the roots and cut down on water loss.

We believe that there is a lot of water in Ireland because there is a lot of rain, and therefore we do not need to conserve water.

WRONG. Our drinking water comes from rivers and lakes, the same rivers and lakes into which agriculture runoff, industrial pollution and untreated sewage can flow. So water must be treated in expensive water treatment plants before we can drink it. Far from being FREE, water is EXPENSIVE.

# RECENT DEATHS

## Late Christina Byrne (nee Meskill)

It is with deep sadness and regret we record the passing of Christina Byrne (nee Meskill), 2 Shandon Road, Dungarvan and formerly of Lower Affane, Cappoquin which sad event occurred on Friday, 16th June at St. Vincent's Hospital, Dungarvan.

Chris went to school in the Convent of Mercy, Cappoquin. Her first job was working for Uncle Dinny in his shop in Cappoquin. She also worked for Mercy Sargent at an early age and Carmel Scanlon. Chris married Michael Byrne in 1964 who died on the 2nd May 2002. Chris worked for 16 years at M. D. O'Connor's, when she retired from there she then looked after the late Michael Phelan, Cappagh. She also cared for the Shine children for a number of years, and she always thought of them as her own especially Robert, until ill health in Christmas 2005 forced her to retire.

Chris loved music and style and also travelled to lots of nice places. She went to Rome last year with her brother James and his wife Patricia and she really loved it there. Chris went to New Zealand in 1998 with her brother John which she enjoyed and she hoped that one day she would return, but sadly it was not to be.

Chris also liked to go to listen to music with her friend Peggy and joined the Walking Club in Dungarvan and had holidays with her many friends in Dungarvan.

Chris was cared for in many hospitals and finally came back home as she called it to Dungarvan District Hospital, where she died. Although in bad health for some time, she bore it with dignity and great courage. Chris was well loved by many and she will be sadly missed by her family and many friends in Affane, Cappoquin and Dungarvan.

Removal took place on Saturday evening at 7:30pm from Walsh's Funeral Home, Cappoquin to St. John the Baptist Church, Affane where her remains were received and blessed by Fr. Arthur P.E. Funeral Mass was celebrated on Monday morning at 11am. Readings were delivered by Maria O'Rourke and Michelle Prendergast. Prayers of the Faithful were read by her two grandchildren Amy and Orla, best friend Marie Cahill and Margaret Meskill, her niece. Beautiful hymns were sung by Cappoquin Choir and by request from Chris, Caroline O'Connor sang "Amazing Grace" (Michael's niece). Paddy O'Brien sang "Never Grow Old" as the remains were carried from the Church. Chris was laid to rest next to her late husband Michael in Old Affane Cemetery in the presence of a large crowd of mourners. May she rest in peace.

We extend our deepest sympathy to her loving daughter Geraldine, son-in-law Johnny, grandchildren Orla and Amy O'Connell, brothers, sisters, brothers-in-law, sisters-in-law, nephews, nieces, relatives and friends.

Months Mind Mass on Saturday, 29th July in St. John the Baptist Church in Affane at 8:15pm.

A Tribute To Chris  
The ballroom is empty.  
The dance is over.  
Christina has danced her last waltz on earth.

And how she loved to dance.  
Can you just imagine the shouts of delight from Mick when he saw Christina crossing the Golden River to join him on that far shore of the Mighty Promised Land.

Together again they are surely giving a few tips to Fred Astaire and Ginger Rogers as to how they should be doing their steps as they all dance on the shores of Jordan to their very favourite songs and Mick enquiring as to how Cappoquin and Affane are surviving without him.

Another show is over another day gone by but for Christina we think it's gone by all too soon - will the shows in Crotty's, Kades County and Goatenbridge ever be the same again without Peggy and Christina there enjoying the craic. Christina's infectious hearty laugh will surely echo around the halls of many places she visited, a lady small in stature with a big heart - generous to a fault she made friends easily and treasured them.

She was always there when needed. Paddy O'Brien has lost one precious fan who will never grow old, but Geraldine has lost not just a precious, gentle mother but also her best friend, though her heart is breaking she can be glad to know that her mother was so proud of her and always spoke glowingly of herself. Johnny, Orla and Amy and was so happy in their company.

I am sure Geraldine has many special memories that will cheer her in the days ahead and in the meantime that she will remember that there is always a light in the Church, no matter how much she's been hurt.

The time has come to say goodbye for every road must end. To the ones who care and are always there, like Geraldine, Johnny, Orla and Amy who were the rocks that Christina had to lean on when times got tough.

She has rowed the boat ashore and it was so hard to row for the last while but complain she didn't and her reward in Heaven has surely to be - The Wardrobe Mistress in charge of dressing all the stars in Heaven, free travel to all the hotspots where she can keep on the sunny side forever and that God may never even consider a smoking ban.

'Till we meet again, somewhere beyond the Blue - Adios Chris

Thanks for the memories.

Mary Landers, 19th June 2006.

# Waterford County Council - Developing Communities

Waterford County Council recently announced details of a new Scheme of Capital Grants with the aim of providing the county with a range of recreational and community facilities and amenities. The grants will be made available to community groups and will contribute towards the capital costs of approved projects.

Explaining the concept, Brian White, Director of Services says "In 2004, the Development Contributions Scheme adopted by the Council provided for a contribution by new developments, towards the provision of open spaces, recreational and community facilities and amenities and landscaping works. This contribution applied to permissions granted after January, 2004 so it

is now that we are really reaping the benefits."

The Council needs to retain 75% of these contributions to cover matching fund requirements for specific projects being progressed by the local authority, however, 25% of the contributions are being made available to support community provided recreational, amenity and community facilities. The type of works eligible for grant assistance would be capital works for provision of sporting facilities, multi-functional community halls, children's playgrounds, community resource centres, parks and walks etc. The list is not exhaustive, however, and other projects benefiting the community will be considered.

Mr. White goes on to say "The scheme is being determined on a county-wide basis. It is the intention that grants will be paid out where needs have been identified, whether or not development contributions were levied on developments in the specific area. The aim is to enhance the quality of life for all communities throughout the county, not just specific areas where development is ongoing."

This new initiative by Waterford County Council follows closely on the heels of the recently announced Social Inclusion Grants Scheme. The Social Inclusion Grants Scheme aims to support socially inclusive community development initiatives such as groups representing people with

disabilities, older people, youth groups, voluntary social service groups etc. The scheme has a fund of €30,000 for the current year and awards, varying in range from €100 to €500, are allocated on a local electoral area basis.

Says Mr. White "Significant resources are being put into economic development of the county and the Council and other state agencies are actively working towards attracting industry and investment. While economic viability is paramount, we need to ensure that the social and recreational facilities available to our communities are not left behind. We see these initiatives as being crucial to the development of a county in which people will actively seek to live and work."

## Noxious Smell Lingers Over West Waterford

BY KEVIN KIRKANE

A Fianna Fail councillor who was threatened with legal action after publicly blasting a Cork-based company when he exposed it as having failed to treat the material it was spreading, said lorries have returned to West Waterford to spread more waste material again.

Cllr. James Tobin, said on the previous occasion lorry loads of the waste were spread on land in the Camphire area near Cappoquin, forcing locals to stay indoors with the windows closed due to the nasty whiff it caused around the area.

But more recently the green trucks have returned to West Waterford with tanker loads of the waste being spread, this time on lands in Knockane.

"How can anyone have given a license to this firm which isn't even from the county to spread this waste on lands in West Waterford?" Cllr. Tobin also disputed the company's assurance that material was now being properly treated before it was spread.

"There is a noxious smell from this and I couldn't see how this has been allowed happen again. Nobody could tell me this was treated waste."

A Mitchlestown-based cheese company were licensed some time ago to spread the waste. However, last year they admitted that there had been a problem with treating the effluent before it was spread.

Cllr. Tobin said the smell was all over West Waterford on the day it was spread.

"It's disgraceful that a company could do this to any small community," he said.

## ABBEYSIDE SCOUTS AND CUB NOTES

Last Friday night the scouts gathered in Glenshelane in order to camp out under canvas for the weekend. The idea behind this activity was that by spending the weekend in the Glen, all the equipment required for annual camp could be thoroughly checked out and any additions, repairs or otherwise could then be undertaken in the coming two weeks prior to the annual camp itself. Equipment which needed attention included tents, cooking gear such as cookers, pots and pans as well as basically seeing how the patrols themselves were equipped for the rigours of camp. Individual scouts tested out their personal gear such as sleeping bags and beds and indeed some found out that they may in fact, need to get a hold of some warmer heavier bags and some more comfortable beds.

Leaders Brendan and Eamonn reported that the extremely expensive camp beds they purchased worked a treat. The weather on Friday night was mild and clear which meant everyone got tents pitched and patrol areas sorted without problems. Once the campsite was set up a trip into Cappoquin was made to see the fire works display which was part of the local Cappoquin festival weekend. Although the fire works started off disappointingly, the show soon took off and everyone present agreed it turned out to be a wonderful display. Following the frantic show, everyone headed for the chipper for refreshments before making their way back to the Glen to bed down for the night.

Saturday morning was a good fine day which meant some fun and games as well as some pioneering projects were undertaken before lunch time. Following lunch, a swim in the pond was on the agenda and with everyone kitted out in wetsuits it was an enjoyable dip even if it was a bit cool. As the weather began to change at this time, cups of warm tea were dished out back on site to warm everyone up. At 5pm Fr. O'Riordan arrived to celebrate Mass with us and it was his first visit to the Glen, his timing was a little late due to having to drive carefully to find us. Immediately after Mass, Fr. O'Riordan had to leave for another appointment and so could not stay to sample the scouts culinary delights, however we are sure he will hang around a bit longer the next time. After dinner, a few games, a little hike to acclimatise the newer scouts and a campfire all rounded off the days proceedings.

Sunday morning saw a very early rise for scouts Joe and Niall as well as leader Muller. At 5:30 in the morning the two scouts decided their tent was no longer good enough for them to sleep in and so headed indoors. It was pointed out to Joe that he is not the first person to officially sleep in the cabin as a few hours do not mean he has captured the honour. It must be a full night in order to go down in the troop books. At nine in the morning a sound not heard in quite some time drifted on the still morning Glenshelane air. Scouts wondered was it some type of rare bird or indeed the mating call of the seldom seen Glenshelane stag. It turned out to be none other than Muller on his bugle as he softly and gently called everyone to get up for breakfast. As the morning progressed and the sun began to shine, the tents were packed away along with the other gear awaiting the arrival of Fintan in his van who carried them back to the den.

**ATTENTION**  
The last scout meeting of the year will be held on this Saturday (15th) at the Den and at the usual time of 8pm. All those scouts going on annual camp must pay any outstanding camp fees on this night, please note that cheques cannot be accepted at this meeting, cash only.

**THANKS**  
A special thanks to Fr. O'Riordan for making time to say Mass for us in the Glen over the weekend and also to Fintan for transporting the camp gear.

# IN MEMORIAMIS

**BARRY** — Seventeenth Anniversary — In loving memory of Patrick Barry, late of 5 Convent Street, Tallow, who died on 10th July 1989.

Just a prayer from the family who loved you,  
Just a memory fond and true,  
In our hearts you will be forever,  
Because we thought the world of you.

(Always remembered by your loving parents Peter and Betty, brothers John and Noel and sister Liz.

**BEHEGAN** — Fifth Anniversary — In loving memory of my dear wife, Mary Behegan, 25, Parks Road, Lismore who died on 13 July, 2001.

Your name is often mentioned,  
My thoughts are still with you,  
You haven't been forgotten,  
You know you never will.  
Hoping you are happy,  
In your heavenly home above,  
Today is your anniversary,  
And I send you all my love.

(Always remembered, never forgotten — your loving husband Michael).

**BEHEGAN** — Fifth Anniversary — Loving memories of my dear mother, Mary Behegan, 25, Parks Road, Lismore who died on 13 July, 2001.

A loving spray of memories,  
Tied up with all my love,  
Memories I will treasure,  
Of the one I dearly loved.  
In the centre of God's garden,  
There is someone special there.

That someone is our father,  
The best beyond compare.

(Always remembered by your only son Daniel and wife Jacinta).

**BEHEGAN** — Fifth Anniversary — In loving memories of our Nanny, Mary Behegan, 25, Parks Road, Lismore who died on 13 July, 2001.

Five lonely years without you,  
Nanny,

That's what it is today,  
We often think about you,  
You are never far away,  
We knew that morning,  
What sorrow would bring,  
When your heart of gold stopped beating,  
And we could not do a thing.

(From your loving grandsons Michael and Lee xx).

**BEHEGAN** — Fifth Anniversary — In loving memory of my sister Mary Behegan (nee Dunne), Parks Rd., Lismore who died on July 13, 2001.

Silent memories keep us near,

As time unfolds another year,  
Out of our lives you may be gone,  
But in our hearts you still live on.

(Always remembered by Maurice, Martha and family).

**DONNELLY** — In loving memory of Biddy Donnelly, late of Keating Street, Dungarvan, who died July 14, 1994.

Thank you Mam for those years we shared,  
The love you gave and the way you cared,  
You left a place no one can fill,  
We miss you now and always will.

(From Mary, Breda, Kay and Patricia and families).

**CLEARY** — Second Anniversary — In loving memory of my dear wife, Nora Cleary, late of Barranastook, Old Parish, who died July 16, 2004.

One year has passed since we parted,  
My heart still yearns for you,  
I watched you battle to the end,  
There was nothing I could do,  
I stood around your bedside,  
And watched you fade away,  
I prayed and prayed to God above,

That He would let you stay,  
Behind the gates of heaven,  
There is someone special there,

A wife I loved so dearly,  
A wife who will always care,  
You gave us all you had to give,  
Gifts both big and small,  
But most of all you gave me love.

The biggest gift of all,  
The tears in my eyes I can wipe away,  
But the pain in my heart will stay.

I lost my life's companion,  
A life linked with my own,  
And day by day I pray for you,  
And I walk through life alone,  
The house you left is lonely now,

And I am lonely too,  
Those left behind you are good and kind,  
But no one replaces you.

To me you were someone special,  
What more is there to say,  
Except I wish that with all my heart,  
That you were here today.

(Always remembered by your loving husband Paddy XXX).

**CLEARY** — In loving memory of a dear grandmother and great-grandmother, Nora Cleary, late of Barranastook, Old Parish, Dungarvan, whose anniversary occurs on July 16.

Your painful days are over,  
Nan,  
Your restless nights have passed,

God gently closed your eyes,  
And gave you peace at last,  
Sad are the hearts that loved you,  
Silent tears fall,

Living our lives without you,  
Is the hardest part of all,  
You gave us years of happiness,

Then sorrow came with tears,  
You left us lovely memories,  
We will treasure through the years.

Deep in our hearts your memory is kept,  
To love, to cherish and never forget.

(Sadly missed by your loving granddaughter Bernie and Anthony and great-granddaughter Zoe).

**CLEARY** — Second Anniversary — In loving memory of my dear Nanny, Nora Cleary, late of Barranastook, Old Parish, Dungarvan, who died July 16, 2004.

The love of a wonderful grandmother,  
Is something that always lives on,  
Filling each day with sweet memories,  
Long after her presence is gone.

You still feel the warmth of her caring,  
Her wisdom will never depart,  
For the love of a wonderful grandmother,  
Forever lives in my heart.

The gates of memory will never close,  
I miss you more than anyone knows,  
With tender love and deep regret,  
There is a link, death cannot sever.

(Love and remembered always — Pia).

**CLEARY** — Second Anniversary — In loving memory of my dear grandmother, Nora Cleary, Old Parish, who died on July 16, 2004.

God came and stood beside your bed,  
He took your hand and gently said,

You've suffered enough, more than you can stand,  
You'll come with me to a better land.

You had a smile for everyone,  
You had a heart of gold,  
You left the sweetest memories.

The world could ever hold,  
(Loved and never forgotten — your granddaughter Aisling XXX).

**CLEARY** — Second Anniversary — In loving memory of my dear mother, Nora Cleary, Barranastook, Old Parish, who died on July 16, 2004.

**MAM**

A shadow walks beside us,  
Forever by our side,  
Always there to guide us,  
Ever since you died,  
No matter what we do or how our lives change,

There is always a place within our hearts,  
That is forever kept for you.

(Always loved and remembered by your loving son Tony, wife Breda, grandchildren Siobhán, Thomas, Colette, Catriona, Deirdre).

**CLEARY** — Second Anniversary — In loving memory of my grandmother, Nora Cleary, of Barranastook, Old Parish, who died on July 16, 2004.

Look around Your garden,  
Lord,  
For an angel with a smile,  
She won't be hard to recognise,

She must stand out a mile,  
So put Your arms around her,  
Lord,

And kiss her smiling face,  
For she is very special,  
And can never be replaced,  
Will those who think of her today,

A little prayer to Jesus say,  
(Never forgotten by grandson Brendan).

**CLEARY** — Second Anniversary — In loving memory of Nora Cleary, Barranastook, Old Parish, who died on July 16, 2004.

And brings back memories of yesterdays,

A wonderful Dad we will always remember,  
Those we loved remain with us,

For life itself lives on,  
And cherished memories never fade,

Because a loved one's gone,  
Those we love can never be more than a thought apart

For as long as there is memory Dad,

In our world full of memories,  
You fill our hearts with pride,

We never walk alone,  
You are always by our side,  
You left us precious memories,

That made us laugh and cry,  
The times we shared together,  
No millionaire could buy.

We seldom ask for miracles,  
But today just one would do,

To have the front door open,  
And see you Mam walk through.

A little prayer to Jesus say,

Our hearts can feel many things,  
That words can never say,  
The sadness this day brings,  
Can never fade away.  
We often sit and reminisce,  
And have a smile or two,  
Fondly telling stories,  
Of things you used to do.  
They bring a laugh, sometimes a tear,  
But always a wish you were still here,  
Your memories we treasure,  
not only today,  
But always and forever.  
Will those who think of Moss today,  
A little prayer to Jesus say.

Of a Dad I loved so dear.  
As the day goes on without you, Dad,  
And the weeks turn into years,  
They hold a million memories,  
And hide a million tears.  
When I see your photo,  
You seem to smile and say,  
Don't cry, I'm only sleeping,  
We'll meet again some day.  
(Always loved and remembered — your daughter Ann and Bernard).  
Today is the day of memories so sad,  
Of a granddad I will still had.

Tell him how we miss him,  
And give him all our love.

## NOVENAS

**NOVENA TO SACRED HEART**

— Dear Heart of Jesus, in the past I have asked you for many favours. This time I ask for this special one (mention favour). Take it, dear Heart of Jesus and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your prayer, not mine. Amen. Say this prayer for three days, promise publication and favour will be granted. Never known to fail — A.H.

**A PRAYER TO THE BLESSED VIRGIN** (Never known to fail) —

O most beautiful Flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the favour is granted. — E.C.

## Modeligo News

### SACRED RELICS

The relics of St. Claude La Colombiere, a French Priest canonised by Pope John Paul in 1992, are presently visiting various venues throughout Ireland. St. Claude was a 17th Century visionary who was spiritual director to St. Margaret Mary, whose desire was to direct people to the Heart of Christ. As a result of the work of these two people, over 280 religious orders feature 'Sacred Heart' in their title. The relics will be on display at St. John's, Waterford, next weekend, we are invited to come along and venerate them any time between 2pm on Saturday 15th, and 12noon on Sunday, 16th of July.

### NAOMH BRID

The committee would like to thank all those who contributed to our Church gate collections at Modeligo and Touraneena recently, over E160 was collected at Modeligo and E600 at Touraneena, also thanks to the Parish Priests Frs. Kiely and Kelleher, for giving us permission. Naomh Brid continue to provide the youth of the area with an opportunity to play our native games, unfortunately despite the voluntary nature of the sport, there are lots of expenses, necessitating constant fund raising.

The committee are in the process of finalising arrangements for their second annual 'Field evening fund raiser', to take place at Kirwan Park at a July date to be finalised, hoping for good Modeligo support.

### UNDER 11 GROUND HURLING

The Bord na nOg Thiar Ground Hurling One Day tournament, sponsored by Knockanore Cabins, will take place at the Modeligo Sportsfield on Saturday morning next, with a 10:30am start. Competing along with Naomh Brid in Division 3 will be St. Oliver's, Stradbally, Ballyduff Upper agus An Gaeltacht. Local club officials who have a little time to spare, please come along and help out. Meanwhile, training for Under 8's continue every Wednesday evening at the Kilgobnet venue.

### MEITHEAL OIBRE

The old Meitheal tradition was very much in evidence on Saturday morning last, when it was a case of many hands, or even tractors and trailers, make light work as the Parochial group embarked on its improvement of the Church car park.

## Transition Year Graduation Night At Blackwater Community School

The end of the school year has seen the culmination of another successful transition year for almost 50 students. The finale to the year was a very enjoyable and successful graduation night which took place in the school at the end of May. In welcoming all to the night Mr Denis Ring, School Principal expressed how unique an experience and invaluable opportunity Transition Year is in Blackwater Community School. The students have engaged and partook in a wide variety of modules and experiences which Transition Year allows them to explore and experience and to push the boundaries of their educational opportunity.

The year allowed the students to become more enriched, he said, and demanded of the students to strive to achieve the best that they can be. We were then treated to a wonderful musical experience with a number of the students vocalising the sounds of a drum kit under the direction of music teacher Ms Libby Creedon. Kevin O'Mahony, Michael Fenton, Ross Hannon, PJ Beer and Peter Leddy then entertained the audience with their unique rock music sound.

Ms Nicola Beresford, special guest speaker then spoke and said how delighted she was to be present on such a wonderful night and on how tremendous an opportunity Transition Year and its programme was for students today. They were fortunate to have such a year to showcase the many talents and skills that students have. She stressed how important it was to value oneself and to value being you.

On the career side she encouraged them to follow their dreams and not to let anyone put them off in the pursuit of their ultimate career choice and to make the most of the chances that come their way.

Awards were then presented to students for their achievements in TY. Mr. David King recognised the huge amount of work that was done by Joshua Gregory McCarthy, Christina Toomey, Michael Fenton, Carly McLaughlin, Grainne Walsh, Ross Hannon and Elaine McCarthy in the Young Scientist Exhibition this year and the special intermediate award went to Carly McLaughlin and Elaine McCarthy. Mrs. Bridget Taaffe presented awards to Liam Coffey, Ivan Cliffe, Grainne Walsh and Elaine McCarthy who successfully completed all 7 modules in their ECDL Programme during Transition Year. ### Successful AGM

The Adult committee of Dungarvan No Name Club held its third AGM on Thursday, July 6th. The meeting reflected on a phenomenally successful year for the club. All of the committee can feel well satisfied at the end of a very full year.

The election of Officers for the next year was as follows:-

Chairman: John Donovan  
Vice Chair / Designated Officer: Paddy Fitzgerald  
Secretary: Paul Waldron  
Treasurer: Cordelia Burke

Cordelia has agreed to continue to act as Treasurer for the coming year but has indicated that she has to reduce her involvement. We wish to take the opportunity to thank her for her trojan work over the last 12 months. We are delighted that we are not losing her completely. She was however most upset that the books were not balanced after the year as 27 cents was unaccounted for. A steering committee will be estab-

lished to locate this missing 27c as soon as possible. We have been very fortunate to have Cordelia minding the pennies for us over the last year.

As well as the many familiar faces at the AGM we were delighted to have Eileen at the meeting - it's great to see some new blood. For the coming year also some of our former Junior Leaders have indicated that they are interested as serving on the Adult Committee. All those ex-Juniors who are 18 years old or over and have completed Secondary School are most welcome to join us.

### Comeragh Crossing

We wish to thank all the club members who helped out with the Comeragh Crossing on July 1st. Johnno, Brendan, Mark and Chelsea helped out up in the mountains. Michelle, Claire, Una, Tam, Fiona, Sharon & Kim helped out at the soccer Club while Michael Fitz, John D and Paddy Fitz supervised operations.

Not content with helping out at one of the check points John O'Driscoll & Brendan Walsh decided to run back to Dungarvan from the Mauma. Two hardy boys are they!

The walk itself was a great success and blessed with good weather. The Dungarvan Hill

Walkers Club can be truly proud of this event and all the effort that they put into it.

Dungarvan No Name Club Treasurer Cordelia Burke. Cordelia was re-elected Treasurer at the club's recent AGM held in Lawlor's Hotel.

## KNOCKANORE/GLENDINE/KILWATERMOY NOTES

### A Night To Remember

The function room in the Shamrock Bar was full to capacity on Saturday night, July 1st when the local community came together to celebrate the unique achievement of one of its members. When Margaret Geary came to his area over forty years ago and immediately became involved in local community activities, little did she know that she would be just as involved in 2006.

Margaret arrived in Knockanore parish in the 1960's when she married local man Paddy Geary (also known as The Gare).

Shortly afterwards, a guild of Muintir na Tire was formed in the parish by local curate Fr. Michael O'Byrne and Margaret offered her services and became one of its first officers.

The function in the Shamrock Bar was organised by the Community Council under the chairmanship of Jim Nicholson and master of ceremonies James Tobin M.C.C.

As Jim and James explained on the night, Margaret was always involved in community activities, whether it was the local Drama Group, the Set Dancers, or any activity that involved the community at local level.

Tallow Area Credit Union representatives Nora O'Brien, John Lyons and Sean Twomey came along on the night and made presentations to Margaret in recognition of her many years service, firstly on their Promotion and Development committee and eventually becoming a director of the Credit Union.

Margaret was at the Muintir meeting in September 1981 when it was decided to form an elected Community Council in the area.

The elections for the Council were held during the Spring and Summer of 1982 and on July 5th of that year, the steering committee held a meeting and Margaret was elected first Treasurer of Knockanore/Glendine Community Council. She has been a member of the Council since, serving in various posts, Treasurer, Secretary and P.R.O.

Many tributes were paid to Margaret on the night. Jim Nicholson thanked her for all her work she has put into local development over the years and wished her many more years of health and happiness.

She was surprised to see some members of her family from her home place, Blarney, Co. Cork (the secret had been well kept during the last few months).

Top quality entertainment was provided by local artistes, members of the Blackwater Drama Group had the audience in stitches with their comedy sketches, the Turk Brothers gave us traditional music and the 'Banjo Man' had the crowd jumping with his lively tunes. We had accordion and flute players and 'Slater' came out of retirement to delight the crowd with his rendition of the "Stuttering Bum".

When Elaine Baldwin, the new Festival Queen stood up to sing, it was obvious that here was a young lady of exceptional ability and talent.

Master of Ceremonies James Tobin kept the show going at a fast pace in his usual unique style.

All in all the night was a great success and a tribute to the dedication of people like James Tobin and Jim Nicholson, both of whom put an enormous amount of effort into organising and researching the event, and to all those who helped in any way. The venue was great, thanks to Tom and Eileen Coady, the sandwiches were just mighty, and the large crowd was testament to the high esteem in which Margaret was held in the area.

Community Spirit is alive and well in Knockanore.

## STRADBALLY NOTES

### Sympathy

The death has taken place on Saturday, 1st July of Mick Fitzgerald of Brenan, Stradbally, the last surviving member of the Fitzgerald's of Ballyogarty. The remains were removed to All Saint's Church, Newtown, Kilmachomas on Sunday evening, 2nd July and were received and blessed by Fr. Michael Enright assisted by Fr. Brendan Crowley. The remains came from Wales on Thursday afternoon, 5th July to St. James Church of Ireland in Stradbally. The funeral service was conducted by Rev. Isobel Jackson assisted by Fr. Michael Enright who read a moving passage from Isaiah. Kevin's brother paid a moving tribute to a gentleman farmer who endeared himself to his family and friends during his all too short life. Kevin is also survived by his mother Iris and sister Jill, nieces and nephews, sister-in-law and brother-in-law.

### Wedding

Nuptial Mass was performed by Fr. Martin Keogh. The bestman was Patriek Keohan and the bridesmaid was Sandra O'Reilly. The reception was held in Lawlor's Hotel, Dungarvan.

### Clean Up

There will be a Clean Up of the beaches at the Cove and Ballyvooney this coming Thursday, 13th July from 6 to 8pm. The event is being sponsored by WLR fm and Onix Ireland at the request of the tidy towns committee and an appeal is being made to as many people as possible to come out and get involved. There will be a goodie bag for all the young people who come to help so that should be an incentive. Stradbally is proud of its achievements in keeping the village and surrounding areas tidy but the work is ongoing so there can be no let up. Ní neart ná cur le céile.

### St. James Church News

The excitement is building for the Family Field Day which is to take place in the vicinity of the Church on Saturday, 22nd July from 12noon till evening. There is something for everyone. Watch this space for more news of the event next week.

# Wilkinson Hits Out At 'Dismal Scientist' Deasy Over Waterford Jobs Record

Waterford Fianna Fáil TD Ollie Wilkinson has hit out at claims by Fine Gael TD John Deasy that attempts by Government-backed employment agencies to bring jobs to the county have failed.

Deputy Wilkinson said Fine Gael TD's dismal science has tried to present Waterford as an employment blackspot relegated by the Government to the status of "an afterthought".

Deputy Deasy's remarks are unhelpful, untrue and contrary to the sense of local entrepreneurship and industrial development that pervades this county and characterises the employment-driven policies of this Fianna Fáil-led government.

The reality is much different from Deputy Deasy's imagination. IDA records show six visits to Dungarvan in the past four years, three of those since April 2005, when job cuts were confirmed in Waterford Crystal.

In Dungarvan, the IDA owns 35 acres of land beside its industrial park in the town. Phase 1 of the site development has been completed and the first client has been called. The German non-solvent paint producer Biopin, which built a plant in Dungarvan two years ago, is finally set to go ahead with plans to create 20 jobs there, manufacturing a plant ingredient.

Under the Enterprise Ireland Community Enterprise Centre Scheme, Dungarvan is to receive €300,000 from Enterprise Ireland for the construction of a new Enterprise Centre. A further €200,000 is being provided by the Waterford C. Enterprise Board.

The IDA is seeking planning permission for a second 30,000sqft Advance Office Building in the new Business and Technology Park on a 70-acre site on the Cork road. It is developing a major greenfield site in Belview capable of accommodating large-scale utility intensive industry, most likely in the Pharma and ICT sectors.

The IDA's inter-agency forum, set up in the wake of the Water-

ford Crystal job cuts, has put in place a coordinated response for the provision of information to the relevant employees.

Presentations, which provided details on social welfare benefits, revenue, training opportunities, employment opportunities and business start-ups, were made to the employees. It is my information that that 289 workers have now completed training courses.

Following those courses, all the redundant workers were surveyed in April to advise them of a weekly clinic provided by FAS and other facilities available in Dungarvan. I understand that approximately half of these workers are claiming unemployment benefit. However, FAS is continuing to meet redundant staff and they are being encouraged to use the services available through the weekly FAS clinic in Dungarvan.

Let's not lose sight of the overall picture, either. In Ireland, we have the lowest unemployment rate in the European Union. One in four jobs has been created since 1997 when Fianna Fáil came to power.

In recent years, the Irish economy has achieved one of the best economic performances in the world. From 1997 to 2004, Irish GDP grew by an average of over 7pc, compared to an average of just over 2pc in the EU 15. Just under 2 million people are employed - the highest level of employment in the State's history.

This Fianna-led Government is investing 5pc of GNP in infrastructure - twice the European average. Transport 21 will invest €34 billion in transforming our country over the next 10 years. Fianna Fáil in Government will protect our prosperity, keep our economy strong and encourage enterprise. We believe in maintaining low levels of direct taxation. We do not need persistent Opposition negativity in achieving these objectives," said Deputy Wilkinson.

From all at the Lismore club, congratulations and good wishes for the future.

## LISMORE/BALLYLAGGART COMMUNITY GAMES

Last Saturday, 8th of July was Community Games Munster Final day, this took part in the University in Limerick. Three teams from Lismore represented County Waterford there. These were Girls U13 Indoor soccer, Girls U15 Indoor soccer and Boys U11 Hurling. The first team to kick off was the boys hurling team, they were playing in the semi final against Nenagh of Tipperary, it was an uphill battle from the beginning as the boys had only fifteen players, so every boy had to give it their best, in which they did. Nenagh hit the back of the net early in the game, then Lismore got another. But the Nenagh boys wee very strong and scored three points before the half time whistle. The boys came out with all guns blazing in the second half and in fairness to them and they held Nenagh boys through out this half only leaving them to score one goal. So the final score was Nenagh 2-3 Lismore 1-0.

Next it was the turn of the Girls U13 Soccer. This took place in U.L. Arena. All seven girls were looking forward to this game, as it was a new challenge for them, as all the girls were use to playing Camogie. The girls were planning a team from Limerick, this game proved to be a well fought battle through out the whole game. It was plain to see that the Limerick girls were an very experienced team and were well able to play the game, even though our girls gave them every good game, they didn't give away any easy scores. The final score was Limerick 2 Lismore 0.

The next game was the Girls U15, as with the boys it was an uphill battle from the beginning as they only had the bare team, but that wasn't going to deter these girls from putting up a good battle. This game indeed was a very tough game, as every girls gave it their best, even though their passing and tackling was superb, the other team which again a Limerick team, was very experienced they knew exactly what they were doing, they were very accurate in their scoring. The final score was Limerick Regional 4 Lismore 1. Well done to every competitor that turned up, they did their club and County proud. I'm sure everyone enjoyed the day, even though it was raining. Thanks to Carl Landers and James Russell for putting their time and efforts into training these girls for this event. Thanks to Pat Bennett and Eddie Nugent for their time and effort in training the boys, also thanks to the Ladies Soccer team for loaning the girls their jersey's.

Mosney Bound — The following four competitors will represent the club and County in Mosney in August.

Girls U16 Art - Marie Russell; Girls U10 Hurdles - Aoife Houlihan; Boys U12 Throw Ball - Shane Meagher; Boys U12 Long Puck - Sean Barry.

## LISMORE LADIES SOCCER CLUB

Lismore played Kilmacthomas in Lismore last Thursday, Kilmacthomas winning 4-2. Amy O'Shea scored the two goals for Lismore.

Team: Tracey Kiely, Emer Feeney, Orla Russell, Martina Landers, Mairead Landers, Imelda Landers, Amy O'Shea, Claire Reddy, Jennifer Whelan, Claire Feeny, Viv Uniacke, Catherine O'Donnell, Claire O'Donnell, Olivia Roche, Charlotte Whelan, Laura Buckley.

The game this week has been called off. Training as usual. Also we would like to congratulate the U13-15 girls who were playing in Limerick in the Community Games. Well done girls.

Now to a former player, Deirdre Stuart. We would just like to say well done on the birth of your twin girls last week. That's another two girls for the club in the future. So the club will have plenty of young girls to take over from their mothers and bring us better things.

## CUMANN CAMOCAIOCHTA LIOSMOR

**Senior Team** — Our seniors were playing Gaultier in the County Championship last Friday evening in the Lismore G.A.A. grounds. This was a very tough contest indeed, as both teams were closely matched. Lismore were leading by five points towards the end of the match, when Gaultier hit the back of the net. The final score was Lismore 2-12 Gaultier 3-7.

**County U16 Team** — The County U16 team are doing well, with wins over both Carlow and Laois, they now advance to play Derry in the All Ireland semi final which will be played in Mullingar on Sunday next. Lismore has a large representation on the team, so we would like to wish them the best of luck.

**County Minor Team** — The County Minor team are also doing well in the All Ireland Championship, they are playing Cork in the next round on Friday and Lismore also have a strong representation on that team, so the best of luck to you!

**Welcome Home** — The club would like to welcome home Anne Marie O'Gorman, who has been working in Canada over the past number of months.

## LISMORE PARENT AND TODDLER GROUP NOTES

"Storybox" met in familiar environs last Thursday when we returned to the Library, the children were glad to see their much loved toys and books. Our sing song went very well despite a shaky start and renditions of "head, shoulders, knees and toes" were heard in many cars on the journey home. Welcome to our newest and youngest member Baby Honor and we are all glad to see Emma and Lyra back also. We would like to extend warm wishes to Sean who celebrates his first birthday around this time. This Thursday our group will meet in the Playground in Tallow at 10.30 don't forget to bring snacks for the children. Next week (20th July) we are back to the Library and weather permitting , a picnic in the gardens.

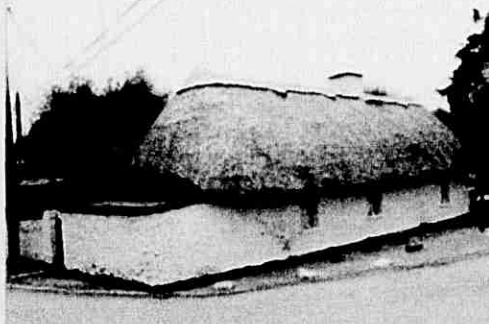

For further information on any of these meetings contact Caroline on 52840 or Ann on 085 7375239

# CAPPOQUIN NOTES

## Cappoquin Community Centre

Very exciting times for Cappoquin, as the new Community Centre is very near completion.

The Cappoquin Community Development Company are the recipients of a lot of favourable comments from the public at present as people realise that this will gel the community together and be a mighty meeting place.

The roof is fully sealed and the windows were put in place last Friday, eight carpenters have been working diligently in the last few weeks, the mechanical and electrical crew are also on board, under Cullinane Technical Services. Site meetings are being held every two weeks, with Architects C.J. Falconer and Associates, David Kelly Partnership engineers, Forrest and Walsh Builders and three company members. This ensures that the finishing schedule is kept up to speed.

The childcare facility which incorporates a crèche and pre-school will open the pre-school section on September 1st.

The pre-school equipment and flooring is being ordered presently.

The IT section and classrooms, are next to be equipped with a time limit, due to a commitment to Waterford County VEC, for a starting date of courses in October.

Expression of interest in any particular courses, call to the

company office or ring 058-533333.

UCC, WIT and Tipperary Institute will follow with courses commencing in January '07.

The Gym, Sports Hall and demonstration kitchen will follow, with a detailed schedule of activities for the winter. Some clubs are already booking nights in the Hall. Lots of thought and vision has been gathered for this project, and this is the start of Cappoquin building a better future together.

## RAILWAY ATHLETIC F.C. CLUB NOTES

### A BUSY WEEK GONE

Last weekend was very busy for all at the club. Once again it was the Cappoquin Carnival. We had a busy day with the Under 8 Mary McLoughlin tournament. We had side shows and bouncy castles, but the rainy day put halt to the side shows. However our tournament went ahead we had two groups and all teams got three games we had Ballyduff, Kilmacthomas, Villa who had two teams each. At the semi final stage Villa A played Villa B and our team played Kilmacthomas Villa A and ourselves came through to play in the final. Villa A were very strong and our lads were no match for the city side on the day with bad weather. Football was the winner with all the boys and girls having great fun. The club would like to thank all the clubs who made a great effort to come for the day. Billy McLaughlin made the presentation to the Villa Captain. We would also like to thank Alan Barry, Derek Browne and Mick Foley for refereeing all the games.

### OFFICIAL OPENING

We had the official opening of our dressing rooms and playing pitches. Fr. Kiely blessed the building and pitch. Our longest serving member Alice Reddy had the honour of cutting the tape to officially open our facility. This was very fitting for a lady who has worked tirelessly over 25 years to help us to get where we are today and to this day the love that this lady has for the club is unbelievable. We also had a very special guest, Rhiney Walsh who was the founder member of our club. He was so delighted to be at the opening and seeing what this club has achieved.

### WE REMEMBER MARY

The club decided with the permission of the McLaughlin family to erect a plaque to Mary McLaughlin for her dedication to the work that many have done for the club. Billy officially unveiled the plaque and Fr. Kiely also prayed. It was great to see the McLaughlin family and Mary's sister and husband also attended.

### JUNIOR ACADEMY

Our Junior will start pre season on Wed. (tonight) 7pm start.

## In loving memory of Karen O'Connor, Carrigeen, Cappoquin, who died 3rd July 06

### TOUCHED BY AN ANGEL

My Karen has left me, but she will always be with us. She was taken very cruelly but we got time to say our goodbyes. If you knew her you were privileged, if you didn't somebody may let you know of her legacy. She embraced life and lived it to the full. She celebrated, enjoyed song, enjoyed a drink, but didn't drink to hide any demons. She had possessions, "owned" a house but now somebody else has them. Don't fret about your title deeds, you "own" nothing. It is not freehold it is merely a short term lease. Be ambitious, have targets but take nothing with your fist or a gun. Let the sparrows nest in the eaves of your house. They are merely providing for their loved ones. If you do this Karen will be with you.

We are all very different, but really all the same. Karen knew this, we travelled the globe, saw many cultures, religions and colours of people. She was curious of their beliefs, but didn't try to change them. Let each of us do our own thing as long as it is not hurting somebody else. I will not be kneeling at the front of the church for all to see, neither did Karen but she was a good Christian person, and I think I am at times. In her life and at her death she brought people together and brought religions together. We are all going to the same place but just on different buses, you will reach your destination on your own. So talk to your fellow passengers, but do not hurt them. Karen talked to everybody, she shared something special with me, she has left me three special children and a reason to continue. I am now twice the person I was because of her. She is in me. I will miss my songbird but will never forget her, every song will remind me of her. She was the most powerful person on this planet.

Goodbye my love, see you again one day, lots of love Alan  
By her loving husband Alan O'Connor.

## Dungarvan Leader - This Week In The Garden

# Show off your summer garden

When the hard work of making your garden gorgeous is complete, it's time to share it with your friends and neighbours. And what better way to celebrate than a barbecue. The word *istressi* comes to mind for some people - a barbecue can seem like very hard work for little reward. And can you rely on the weather? Don't let either of these put you off. A barbecue can be successful with a bit of planning and organisation. First things first - watch the weather forecast. Try not to plan your party too far in advance and that way you've got more chance of predicting a good day. The day before the party, mow the lawn, weed the garden, check that you have enough garden furniture for everyone - give the children blankets to sit on or ask your guests to bring their own folding chairs. Make sure you have some candles or lamps in case the party moves into the late evening - there are lots to choose from at garden centres, DIY stores and the homeware sections of department stores. Buy the type that keeps the bugs at bay, such as those which contain citronella. Many people want to keep the work involved in organising a summer barbecue to a minimum, but remember many hands make work light. Using cheap plastic bowls and plates may cut the washing-up, but think green and use your own plates and cutlery.

Many licences and supermarkets also offer a glass hire service which is a good alternative to plastic glasses. Make sure you have enough charcoal, and firelighters for your barbie - and of course matches or a lighter - or (if it's a gas one), a full bottle and even a spare. Make sure the barbie is clean too! The main message is to keep the party food simple - complicated recipes you've never tried before are bound to end in disaster. If they are the sort of friends who don't like coming to your house empty-handed, encourage them to bring their favourite barbecue dish. You can provide the basics - salads, breads and rolls, pasta and potatoes, nibbles, relishes and maybe special main dishes, such as pork or salmon steaks. Prepare as much as you can in advance and store it in the refrigerator. Barbecue food is best when marinated in sauces overnight. Jerk pork, tandoori chicken, lamb kebabs, steak in black bean sauce can all be ready

Impress: Let everyone enjoy your beautiful garden by inviting neighbours around to a friendly barbecue.

and waiting for those glowing coals. It's important to wash hands before touching food and after touching raw ingredients. Always use clean chopping boards, knives and utensils and ensure work surfaces are cleaned after use. To avoid cross contamination keep ready-to-eat foods, such as salads, separate from raw meat and poultry. Don't forget to add any fruit or vegetable peelings, uncooked fruit or vegetables leftovers to your compost bin to make your garden bloom next year. Do not let raw food touch or drip onto cooked food when adding food to the barbecue and always separate utensils. It is advisable to cover foods in order to protect from insects and pests. Don't forget some simple puddings like bananas in their skins - you just need to wrap them in foil and pop them on the barbie when the main cooking is done. These served with some simple vanilla ice-cream makes a great sweet for everyone from kids to grannies.

### THIS WEEK IN THE GARDEN

**Lift tulip and hyacinth bulbs**  
Tulips and hyacinths will now have completed their growth and can be lifted and cleaned. Lay the bulbs in shallow trays and stand them in a dry, cool, airy place, but not in full sun. Dead tops can be removed.  
**Spray potatoes** Do not wait until disease attacks your potatoes. Spray them now with Bordeaux mixture. Potato blight disease is common and some plants are likely to become infected unless you take this precaution.  
**Sow carrots**  
A small sowing of carrots made now is often justified, especially if the season happens to be a bad one for carrot fly. This fly does all its damage early in the summer, and seedlings from a July sowing usually escape. Sow stump rooted or intermediate varieties.  
**Complete thinning of apples and pears**  
Now is the time to complete the thinning of apples and pears. Reduce the fruits to one, or at most two, per spur.  
**Finish planting celery**  
All remaining celery seedlings should now be planted out in the trenches as soon as possible. The last plants to be dealt with will be those from the April sowing in a frame.  
**Mulch and spray runner beans**  
Runner beans will benefit from a fairly thick mulch of well rotted manure spread on the ground for a distance of at least a couple of feet on either side of the row. When the plants begin to flower, spray them every evening with tepid water. This will help the flowers to set and so ensure a good crop of beans. Keep this up all through the month and on into August.  
**Spray apples against Codlin moth**  
Repeat an application of one or other of the sprays recommended by the manufacturers and used in June.

# TALLOW NOTES

A big thank you to all the boys and girls of 5th and 6th class of Tallow N.S. for donating €515 from their School Jumble Sale to the Jordan Power Support Group

## Brideview Utd A.F.C. Notes

### Packie Bonner and Noel King Visit Tallow

The local Pepsi Summer Camp kicked off on Monday last but tomorrow Thursday should see a huge crowd at Brideview Park for the visit of Packie Bonner, Technical Director of F.A.I. and Noel King, Manager of the Ladies International.

Packie and Noel will attend the Summer Camp early in the afternoon so the young boys and girls should be kept on their toes.

Later in the evening both Packie and Noel will join John Delaney CEO, F.A.I. for the launch of the Local Football Partnership and also the launch of the Women's Football League which will come under the W.F.A.I. This will take place in Ballyrafter House Hotel, Lismore at 8:30pm.

It's been a hectic week, both on and off the field with our Junior Men's and Ladies team in action. There is so much going on at the moment that it's almost impossible to keep on top of it.

Our lotto jackpot was not won on Friday night last.

#### Waterford United Trip

All the kids at the Pepsi Summer Camp will be taken to one of Waterford United games and kids will be notified during the camp.

#### Summer Soccer Result Brideview Utd 0 Clashmore Ramblers 2

We suffered our third defeat on Wednesday evening last. This time we never got going. Indeed, we seldom tested the visitors keeper so poor was our display. With the league proper starting next month, we need to get a winning run going.

Utd: S. Ahearne, P. Henley, I. Mason, K. Casey, G. O'Neill, M. Curley, S. Pratt, F. Power, K. Henley, C. Good, I. Farmer.

Res all used: W. Curley, E. Hickey, A. McCarthy.

#### Ladies Soccer League Brideview Utd 2 Tramore 3

This was a game that had everything. Great goals, goal-

mouth thrills, great saves and a marvelous commitment from both sides.

Tramore took the lead in the opening half and they kept this lead till the break.

Then in the second half Grace Carr came into action for Utd. First after 60 minutes Carr shot low to the net for the equaliser. Five minutes later we took the lead with a goal of real quality.

Carr picked up the ball in mid-field before rounding two defenders and volleyed low into the corner of the net for a terrific individual goal. Utd held this lead till late in the game when the visitors struck twice, the winning goal coming with just a few minutes to go.

This was an excellent game of football and a credit to both sets of players.

Utd: S. Power, M. Pratt, N. Guile, T. Hallahan, E. Harper, A. Power, J. Forbes, D. Pratt, L. O'Doherty, G. Carr, B. O'Keefe.  
Res: K. O'Mahoney, L. Dunne, T. Casey (used), A. Mackintosh (used), O. Hickey.

#### Pepsi Summer Camp

## TALLOW GAA NOTES

C.L.G Tulach an Iarainn - sponsored by Tallow Area Credit Union

#### Senior Hurling:

The seniors defeated Na Piar-saigh (Limerick) in Tallow on Sunday morning in the Munster league. We are due to meet Kilmoyley (Kerry) in the next round but don't have a date for this yet. We play Ardmore this week end in the Sargent cup.

#### Tallow GAA Lotto supported by Kearneys Restaurant

3/7/06 Nos. drawn: 2, 5, 13, 22. No jackpot winner.

Consolation prizes to: Tom Ryan, Michael Walsh, Barney Murphy, Paddy Cashman. Promoter Johnny Curley.

#### Cois Bhride

Our congratulations to the under 14 hurlers who defeated Port Mor in the Div 3 county final Saturday. Frank will no doubt have a match report in his notes but for the record these are the lads who, if I'm not mistaken, brought a first county title to Cois Bhride:

Liam O Gorman, Kegan O Farrell, Brian McCarthy, Tomas O'Neill, Joe Leahy, Aaron Pratt, Kieran Fraser, Evan Sheehan, Eoin Roche, Dean Hennessy, Alan O Riordan, Stevie Lucey, Padraig Ahearne, Daniel McElroy, Shane Roche, Robert O Sullivan, Billy Buckley, Aine McCarthy, Edward Lonergan.

The minors shared the spoils with Brickeys in a thrilling encounter in Lismore last Wednesday. Level at half time and full time gives an accurate indication of how evenly matched the teams were.

Kieran Geary suffered an injury in this game which necessitated a visit to hospital. Thankfully he's fit and well again but we cannot emphasise enough the importance of having qualified medical personnel at all games. We are fortunate to have Georgina, a trained nurse, as our medical officer but she cannot be everywhere. Selectors will have to ensure somebody with at least basic first aid training is in attendance at all games and clubs should be prepared to finance the necessary first aid courses as a matter of priority.

The minors played their final game in the section against Stradbally last night. No result at time of writing.

The under 13 lads have qualified for the western semi-final in Div 2. I think that is to be played this week.

#### Waterford U21's

Best of luck to Mark O'Brien and the county u21's who play Cork tonight (Wed) in Paire Ui Chaoimh.

**Best Wishes To John Joe**  
It's good to see John Joe Murphy out of hospital and back home with us. John Joe is a great supporter of the game and there are few more knowledgeable. Best wishes to him from all his friends in the GAA.

**Field Development**  
The club grounds will be closed to all this Saturday as the perimeter wall at the road will be coming down. There is not sufficient parking at the moment and cars have to be parked on the main road. This is an added financial burden which we cannot afford on top of the huge development already underway but in the interests of safety the club has decided the car park will have to be enlarged.

When completed we will have top class facilities which all who contributed so generously to can be proud of. A lot of public and private money is being spent for the betterment of our community particularly our youth.

We are aware at the moment that a number of individuals, with no connection with the club, are regularly trespassing on the grounds. They are not down there hurling I can assure you and are not part of the club. The bottom line is get out and stay out! You are not wanted!

#### Waterford v Tipperary:

Waterford play Tipp in the All Ireland Quarter Final in Croke Park on Sunday July 22nd. To make matters worse we are the second game of a double header.

I suppose we will benefit from a game in Croke Park but it will be a long haul home for supporters whether driving or scrambling for a train. The Waterford/Tipp game alone would probably draw as many to Paire Ui Chaoimh as will attend the double header in Dublin and we'd be home in an hour. Anybody who wants tickets should contact club secretary Lindsay @ 05856015. Leave a message if you get no reply and she will get back to you. There will be plenty tickets.

#### Flynn Is Injured So Get Off His Case

There has been much speculation as to why Paul Flynn has not been in the starting line-up for the last three qualifiers. Flynn has endured his share of criticism over the years but generally the Ballygunner man has ignored it and got on with winning games for Waterford as he has done for the last 14 years. To survive as long as he has at the top level I suppose you have to develop an immunity to crank criticism.

What most top players will tell you is that they can handle the criticism, it goes with the territory, but that their families sitting in the stands should not have to listen to it. I have great sympathy for these families who have to sit there while some yob in the crowd bad mouths their son,

brother or husband. No player goes out to play a bad game and whether at club or county level should be shown respect when they don the jersey. Clare goalkeeper Davy Fitzgerald and his family have suffered more than most. It's got to the stage where the close family of some inter-county players have been intimidated so much by the abuse of mindless morons they no longer attend games. I don't know what can be done about it apart from real supporters telling these yobs to shut up and risking a slap in the jaw.

I think GAA authorities need to take a clear stand on this and make it known though match programmes, public address system etc. that this abuse must stop.

Getting back to Flynn, I have it on good authority (not Mick Barry by the way) that he has been struggling with this groin injury for some time. He was in Mayo last week getting treatment and an MRI scan has revealed he will require surgery and he has been referred to top surgeon Gerry McEntee for the operation. The Waterford captain, who has worked hard on his personal fitness this year, has delayed surgery, in the hope that he may yet be able to play a part in the counties championship campaign. This could even necessitate pain killing injections. It is my understanding too that while words may have been exchanged with Justin McCarthy a couple of weeks ago, it had no bearing on his non appearance on the starting fifteen.

The guy is injured. Give him a break. He surely deserves that.

#### No Fair Weather Supporter

Among the Waterford contingent who braved the elements in Portlaoise on Saturday was our club vice president Mrs. Mary Curley. No fair weather supporter this lady I can tell you.

#### Injured List

Our best wishes to John Cunningham who is making good progress following an ankle injury in our junior game against Ballyduff.

# COOKERY CORNER

## Tasty summer dish

THIS is a super lunch or supper dish for all the family this summer. It can also be prepared in advance and cooked at the last minute tasty garden party treat.

**Ingredients**

- (serves 6-8)
- 4 medium-sized ham steaks
  - 4 sheet-ready rolled shortcrust pastry
  - 2tsp prepared mustard
  - 8 thin slices cheddar cheese
  - 440g can asparagus spears, well drained
  - salt and freshly ground pepper to taste
  - oil for deep frying

**Method**

CUT each sheet of rolled shortcrust pastry in half, so you end up with eight strips of pastry. Trim the ham of any excess fat and cut each of the ham steaks in half.

Fill a large pan or deep fryer two thirds full with oil. While oil is heating prepare the parcels.

Place a ham steak half on one strip of pastry. Spread ham steak with mustard. Top with a slice of cheese and two asparagus spears.

Season to taste with salt and pepper.

Brush the edges of the pastry with a little water. Fold the pastry over the ham steak to form a parcel.

Seal the edges by pressing all around with a fork.

Repeat with the remaining pastry and ingredients. You should end up with eight parcels in all.

Place the parcels seam side down in the hot oil. Fry until

golden brown and crisp. Using a metal fish slice turn over and fry until golden brown on the other side. This should take approximately two minutes frying time for each side.

Drain each parcel on a double sheet of kitchen paper and serve immediately with a crisp green salad.

Cook and stir the breadcrumbs with 56g of butter until lightly browned.

Sprinkle 395g of the butter-fried breadcrumbs on the layered filo leaves.

Now, mound half of the apple filling in an 8cm strip along the narrow end of the filo sheet, leaving a 5cm border.

## Health Tips from "Remedies"

### FATTY ACIDS

The major components of all fats are fatty acids. There are about twenty specific fatty acids that are used by the human body to maintain normal function. Of these fatty acids, there are two that cannot be synthesised by our bodies:-

These two essential fatty acids (EFAs), known as alpha-linolenic acid (ALA), an omega-3 FA and linoleic acid (LA), an omega-6 FA, must be obtained in proper balance from our diet.

An excellent source of these EFAs is unrefined FLAXSEED.

# WEST WATERFORD NOTES

## Retreat In Lough Derg No Fasting, No Bare Feet!

Interested in a one day retreat in Lough Derg with no fasting or bare feet! Then read on...on August 21st a bus will leave Clashmore Village and travel to Ballyshannon where the group will stay over night, before under taking a one day retreat in Lough Derg on August 22nd. This will be a Lough Derg retreat with a difference because it does not involve any fasting or walking in bare feet! The bus leaves Lough Derg that evening for an overnight stay in Knock. Day 3, August 23rd the group will spend time at Our Lady's Shrine before making the return to Clashmore.

## Defibrillator Fundraiser

"Is there any one out there" who will support "The Bachelors" and Dave Ray on this Friday night, July 14th at the Walter Raleigh Hotel. Good music, good company with a chance to win one of the fantastic prizes in our raffle is on the menu. This has the makings of a great evening but hopefully nothing too strenuous that might require a call for a defibrillator which is what this fundraiser is all about. This group hope to fund a defibrillator for the greater West Waterford area. For those like me who may not be too sure what a defibrillator really is or does, a defibrillator can restart a victim's heartbeat in the event of a medical trauma. Light and easy to use, this mighty little piece of equipment can mean the difference between life and death. In areas where communities have already funded a defibrillator, a suitable location is chosen in that community which becomes known as a "Defibrillator Emergency Station". This is where the machine is kept and available 24/7 to all specially trained members in that local community.

# MOVIE REVIEW

By BARRY POWER

## Pirates of the Caribbean: Dead Man's Chest\*\*\*

After a three year wait, piracy is back in fashion this week as the crew of the Black Pearl sail back onto the silver screen. Returning heroes Captain Jack Sparrow (Johnny Depp) and Will Turner (Orlando Bloom) vie for screen time with the feisty Elizabeth Swann (Keira Knightley). In fact, along with a new set of evil pirates we also see the return of the most popular of the baddies from *Curse of the Black Pearl*. Herein lies a major part of why this film doesn't live up to its potential.

While the original film was fresh and innovative, breathing life into the dying pirates' genre, this film treads much of the same ground without adding much to the scenario. We get more of Bloom being soppy and over romanticised in the role of Turner. While his effeminate features were perfect for an elf in *Lord of the Rings* and the vain wimp Paris in *Troy*, he fails to really convince as a hard nosed would-be pirate here. Depp remains enjoyable though, using the role which earned him an Oscar nomination to tear through the film, dragging the audience along in his wake. However, scratch the surface and you realise there is no real depth to his performance. In the first film, Sparrow was a man on a definite mission, whose longing for freedom and the open seas drove him. Here, Captain Jack has no real reason for his actions; his deeds are just a means to propel him from one set piece to the next. As for Keira Knightley, she is the sort of actress you either love or hate, but she is the only real improvement here. She has been given a deeper role, not just waiting for the boys to come save her but having a far more active character.

So much for the acting, how about the plot. Well, Jack owes his soul to Davy Jones (Bill Nighy), having reneged on a devilish pact he made to him. Will and Elizabeth meanwhile are in trouble with the authorities for helping Jack to escape at the end of the last film. Their only hope is to persuade Jack to hand over his magic compass, which they can use to bargain for their freedom. At times the film feels more like a number of episodes of a TV series knitted together, as the recurring theme of danger and rescue crops up every half hour. And always, we know we are just building to another set piece, after which we will have a brief period of rest before being flung into trouble again.

Luckily though, the set pieces are so well staged that you can forgive a lot of the film's failings. The pick of the bunch is the attack by the sea monster at Davy Jones' command but we also get some superb sword fights and much more.

Overall, this would appear to be somewhat of a holding film. The film knows it can't offer any real conclusions, with the last in the trilogy due out next summer. So it settles itself to be just a really good action film. Which is fine, except the first film led us to expect so much more. Despite all its faults, this is a superior popcorn movie, it just doesn't hold its own compared to its older brother. Hopefully, next summer will see the Pirates franchise step back up to its place as an Oscar contender.

## Upcoming Films

The cinema world is beginning to fall into two camps, those who are sweating with anticipation of the new *Superman* movie and those who are sick of hearing about it. By this time next week though, fans of motion pictures will be reunited once more - in happiness at a great franchise restored to the top of the game.

Having seen an explosion of superhero films and comic book adaptation in the last few years, the producers of *Superman Returns* know they are coming into a crowded marketplace and need to cater for a more discerning viewer. No longer is it ok to merely have a hero, a bad guy, an evil plot and a big film ending saviour sequence. *Batman Returns* brought humanity to the superhero genre, the two *Spiderman* films have introduced a modern theme of responsibility and the dangers of power and *Sin City* took us to new heights of style and depths of grittiness. So we will not be seeing a plastic man in blue with no more cares in the world but saving mankind.

*Superman Returns* will take off where *Superman II* left off. Returning from his native Krypton, the man in blue finds a world much different from the world he left behind. The world is not happy with him for leaving them in their time of greatest need, Lex Luthor has grown powerful beyond reason due to his cache of alien technology and Lois Lane is, this being a decidedly modern film, a single mother struggling to get by. Although word is that his face has been digitally altered to more closely resemble the great Christopher Reeves, newcomer Brandon Routh will prove that you do not need star power to launch a superhero film any more. Kevin Spacey brings his Oscar form to bear in the role of the maniacal Lex Luthor. Kate Bosworth shows she is more than Orlando Bloom's ex as Lois Lane. And through it all we have some of the best special effects in this part of the galaxy. Be ready, this film will be lauded as one of the great franchise movies in the years to come.

# Discussion Needed On Inter-Agency Forum

## 60 Acres Of Land For Ballygagin Industrial Estate

By Kevin Korrane

Regular contact is needed with council officials, about the activities of two council appointed bodies, whose brief is to channel investment into Dungarvan, and re-train workers laid off in the wake of the closure of Dungarvan Crystal, last year.

The Inter-Agency Forum, and the Economic Think Tank, came under fire for the lack of information they've supplied about the progress made so far. According to Cllr. Damien Geoghegan, elected members are not being kept up to date.

And, at the July monthly meeting of the County Council, Cllr. Geoghegan urged for more contact with officials, to discuss issues like land rezoning, which have come up before the two council bodies.

### CRITICISMS

Cllr. Geoghegan's proposal follows criticisms levelled by Dungarvan TD, John Deasy, at their failure to attract investment to the town.

It also comes after the dramatic departure of the Business Development Chief, Brian Rafferty, who quit his post last month.

Mr. Rafferty was involved in discussions with prominent local businessman, Brian Shanley about plans to develop an Industrial Park on the outskirts of the town. But, Mr. Rafferty is thought to have resigned over what he claimed were the delays in re-zoning land at Ballygagin.

### PRESSURE

Mr. Shanley, along with at least three other leading businessmen, are involved in the plans to construct the 60-acre industrial park. And ratcheting up the pressure, they have said that hundreds of potential jobs are on the line if the land is not rezoned.

Cllr. Geoghegan said there is an absence of discussion and facts

from the Task Force and Think Tank about the proposal.

"No councillors are on either of the groups," he said. "That is, I think, something that needs to be addressed."

### WORTHY OF DISCUSSION

The input of councillors is very important, he said, adding that the proposal to rezone land at Ballygagin is "worthy of further discussion."

"I believe we need to meet more regularly with them."

Fine Gael Cllr. Tom Higgins agreed with the "general thrust" of what his party colleague said.

Despite the fact that the Task Force and Economic Think Tank were set up last year, the council has heard "nothing back from them." He said the proposal to rezone the land would open the possibility of development of a 79-acre site - 60 acres of which, would be for an industrial park.

He said he would welcome any proposal to "entice" big business to Dungarvan.

"It shows that these business men are willing to put their money where their mouths are."

### REPORT NEEDED

Labour Cllr. Teresa Wright - who previously called for a progress report from the Task Force and Economic Think Tank - said it appears that there are three groups of the same people working under three different h She said: "I think it's obvious that more openness and discussion is needed."

However, Councillor Billy Kyne urged caution regarding the rezoning proposal, saying raising it publicly without discussing it with the County Manager first, "is not the modern progressive way of doing business."

The proposal to develop the site, could create anything between 160 and 200 jobs in the short term, the business interest claim.

# Dungarvan Remembers Hunger Strikers

In driving rain, 300 people marched through Dungarvan on Saturday, 8th July to commemorate the 25th anniversary of the H Block Hunger strikers. It was 25 years to the day that Joe McDonnell died after 62 days on hunger strike. He was the 5th hunger striker to die that year of 1981. Accompanied by the Youghal Republican Pipe Band they marched from Abbeyside to the 1798 Monument at the Lookout. Wreaths were laid on behalf of West Waterford IRA Commemorations Committee, Dungarvan H Block/Armagh Committee, Waterford Sinn Féin, and Oglagh na hEireann.

Despite the howling wind and lashing rain people gathered to hear Sinn Féin County and Dungarvan Town Councillor Brendan Mansfield introduce speakers Cllr Toireasa Ferris former mayor of Kerry, Jim McVeigh, the last OC of Long Kesh, and Sinn Féin Waterford election candidate and City Councillor, David Cullinane. Toireasa Ferris spoke of the contribution made by republican women over the years and remembered the women in Armagh Jail who were also on hunger strike at that time. She also thanked the people of Helvick and Ring who sheltered her father, Martin, and gave great support to her and her family. Describing Margaret Thatcher as a war criminal, she said, "She may never be brought to court but history will remember her in 50 years as a war criminal and there is no getting away from that". She joined Jim McVeigh in urging support for candidate David Cullinane in the coming election.

Jim McVeigh talked of the dreadful brutality meted out to prisoners at that time. He went on to praise the film "The Wind That Shakes The Barley", about the Tan war and the Civil War, and urged everyone to see it. "Let's elect the first Waterford Sinn Féin TD since the 1920s", he said.

Cllr Cullinane drew attention to the terrible sacrifice made by the Hunger Strikers and their families. "They were extraordinary men, and yet they were also ordinary young men full of hope and life as people that age are. They and their families were put under cruel pressure to give up their struggle but they stood fast and they won political status," he said. "The best memorial that could be built in their names would be an all-Ireland socialist republic, and I call on you all to work to build that memorial."

In worsening weather, the marchers returned through the town to Abbeyside.

# THE ANCHOR SESSIONS

After a break last week to facilitate the World Cup final, The Anchor Sessions continue next Sunday with one of the best tribute acts around: U2.

If you like the music of U2 - then you really have got to see this act. Here's a little bit about them:

Dublin born Brian O'Glanby (aka. Bono) and Kidderminster born Gavin Harley (aka The Edge) have a musical history together stemming back some 14 years, through bands, duos, solo projects and now a fantastic recreation of the worlds most mediated rock band U2. With a blistering vocal tribute to Bono himself combined with the haunting ring of guitar genius from Gavin the Edge, this dynamic duo not only deliver a remarkably true to life performance but also a staggering visual likeness to the larger than life Bono & The Edge.

Having recently completed a 148 show tour of Portugal, U2 are now touring through the clubs and venues of Ireland with their stage shattering performance as Europe's No1 rated U2 Tribute show, The Anchor Sessions (Sunday July 16th - 7:00 pm) NOT to be missed!

# ABBEYSIDE REFERENCE ARCHIVE

## Friday Night

This Friday night, 14th July is a bit special as the Archive is on the move. We plan to travel across the Colligan river to Lawlor's Hotel for the launch of a new C.D. "Dungarvan Days/Abbeyside Ways" by Donal Power and his team.

Donal is no stranger to the area as he was born and reared at Sarsfield Street in the very heart of Abbeyside. He now has a house at Southways and we look forward to seeing more of him in the future.

The C.D. is to be launched by Austin Flynn of Waterford Hurling fame at 8:30pm in Lawlor's Hotel. It promises to be an historic night and we wish Donal well, with this his first C.D.

We look forward to seeing you there.

It's back to business as usual on Sunday night when Emma Flynn will be at the Parish office 2:30pm to 5:30pm minding the treasures! Who knows, we might have a few extra following our visit to Dungarvan!

### AGM

The club's AGM takes place tonight, Wednesday, the 12th of July at 9pm. The venue is Durrow pub. Players, parents and friends are requested to attend. Have your say in the future running of the club.

### AWARDS NIGHT

Last Friday night in Wheelans, we held a very enjoyable night for both our senior and youth teams. A large crowd turned up on the night and the following were our award winners. Both youth player of the year and top youth scorer was Tommy Connors who both at Senior and Youth level had a fantastic season and always was willing to listen and pick up a few new tips.

Senior player of the year and also top scorer was Stephen Lawlor who never gave less than 100% in every game.

The cup player of the year only comes up when we get a good run in the cup. The winner here is Tommy McGrath and for the same player to win it two years in a row says something for his goal keeping skills.

For his advisory role in our cup run, a special award of trainee manager of the year went to Damian Sheehan.

Thanks to all who turned up and to Fr Enright, a goal scorer in Ozier Park himself a number of years ago, for attending and presenting the awards and to Whelan's Bar for the excellent hospitality on the night.

### NEW SEASON

Holidays are nearly over for our teams as we will be starting back soon. Under-13 have a gathering every Friday from 7.30 to 8.30pm. All welcome. Other squads will be notified as to when they are up and running.

### BEST WISHES

Congrats to Sinead Hickey, daughter of former Chairman, Jim and Mary and to Ollie Keohan who were married the past weekend.

### NO GO STUIE

Word filtered through that top player Stu, may be about to give it another season can only be greeted with joy by all in the team, and he only married two years.

### SAD WORLD CUP

Now that the dust has settled on the world cup and was there plenty of that rose, with all the falling and diving that was done by those overpaid, overweight and over egoed players that one was left with a feeling of, is this the direction the game is going, well then God help those of us at grass root level. Highlights, what highlights?, you would see more in any girls hair in the village any weekend! Its over and I think all ready forgotten, so roll on the new season till we rise a bit of our own, and hopefully the antics of the world cup won't filter down to our level.

## Kilmacthomas Soccer Notes

### ANNUAL GENERAL MEETING

A successful AGM of the club took place in the Courthouse on Monday night of last week. In his Chairman's Report, Patrick Power detailed the activities of the club over the past year.

### CHAIRMAN'S REPORT

It is with mixed feelings that I make the report this year. On the one hand I have the delight of reporting that the club has had another successful year, but on the downside I have to announce that Kevin Walsh is stepping down as secretary.

### PREMIER FOOTBALL IS BACK

Having had a taste of Premier football the previous year, the Division 1A players committed themselves from the start of the season to regain our status in the top flight and, once again, I have the pleasure in announcing that Premier football is back in the village.

In fact the league and cup double of two seasons was nearly repeated, but this time the lads had to give way in an exciting cup final to a very good Tramore Rangers outfit.

Credit goes to the management team of Murt Power and Kealon O'Neill for their commitment and hard work and I wish them and the Premier team every success in the coming season.

### SECOND DIVISION

Our second division team found the going tough in the league this season and, despite getting some good results, they couldn't string together any sustained run and remained mid-table for most of the season. They did have a good run in the cup but exited the competition at the semi-final stage.

Paddy Drohan is stepping down as manager and I would like to thank him for all his hard work over the last number of seasons and wish the team well for the new season.

### LADIES SOCCER

After a break for a number of years, Ladies Soccer was resurrected last summer with great success, the team reaching both the league and cup finals. Although they picked up no silverware for their efforts, this was a fantastic achievement for the team in their first year and bodes well for the upcoming season. My thanks to Johnny Power, Ashling Weldon and the squad and I wish them every success in going one step further this time round.

### UNDER 16

Yours truly and Marcella Kennedy were back at the helm for an exciting Under 16 season which saw the team battle it out for honours with three other clubs. In the end the league title went to St. Saviours. Our good form was maintained in the cup with the team reaching the semi final stage but we unfortunately lost out to Villa by a single goal. I would like to thank Marcella for the great work she has done in developing this team from when they started back at Under 11 age. Thanks also to Niall Kennedy for his assistance in training the team and his help on pitch side.

### UNDER 13

This team found the step up to "A" level tough going at the start but as the year progressed their performances improved and they had a very good second half to the season. The experience should stand them in good stead for the new season.

### UNDER 12

Graded in the "C" Division, this team were way too strong for the opposition and ran out comprehensive winners of the league, winning all their games. Re-graded to "A" status in the cup did not daunt them and they reached the final for the second year running. This was a re-run of last year's final and, unfortunately, the result was also the same in losing out to Villa. However, this team is full of confidence and I'm sure that at the end of next season we will see them in con-

tion for silverware once again.

### UNDER 11

As their first year in the league progressed this team's performances improved all the time and they gained valuable experience which they will carry into next season's campaign.

I would like to thank Pat Kiersey and James Hurton for looking after both the Under 12 and Under 13 teams and Geoffrey Kiersey and Alan Fitzsimons for looking after the Under 11 team and wish them every success next season.

### SCHOOLGIRLS SOCCER

This year is a first in the history of the club as Schoolgirls Under 11 soccer was launched. It is great to see such large numbers turning up for skills practice in Currahaha Park every Friday. The attitude and enthusiasm shown by the girls is fantastic and we hope to provide them with plenty of games over the next year. My thanks to Aisling Weldon and Joy Hearne for their time and commitment in the girls training and development.

### PERCY KIRWAN CUP

This year saw the re-launch of the Percy Kirwan Cup, in conjunction with the Seamus Aylward Shield, to great success. The competition catered for both boys and girls at the Under 10 age group and large attendances witnessed some really exciting games over the two weeks of the tournament. Our thanks to all the clubs who participated and we hope to see you all again next summer.

### WATERFORD LEAGUE DEVELOPMENT/ KENNEDY CUP

This year the club was represented by four players. David Kiersey and Dean Murphy (who had to withdraw due to injury) were members of the Under 16 squad which won both the Munster and All-Ireland titles. Kealon Kiersey and Eoin Walsh were part of the Kennedy Cup squad that reached the semi-finals.

### SEAVIEW DRAW

Once again we had a number of winners in the draw and I would like to thank all our sellers and everyone who bought tickets for their continued support.

### SPONSORS

I would like to thank all the businesses of Kilmacthomas and surrounding areas that have donated prizes, playing kit and equipment to the club. Special thanks to Virgy, Margaret and the Power family at Alasko Fireplaces for their continued sponsorship of the main prize in our Christmas Draw.

### COMMITTEE

Once again I thank my fellow committee members for their tireless support and assistance over the last year and for their continued commitment to developing the club. Finally, to the people of Kilmacthomas and the surrounding areas who purchase tickets and support the club throughout the year, I thank you all.

## LADIES SOCCER

### Lismore 2 Kilmac 4

Short a couple of regulars, our ladies team travelled to Lismore on Thursday evening last for their third league game of the season. We took the game to the home team from the kick-off and were rewarded after 15 minutes when Tina Fitzgerald headed to the net after good work by Emily Hearne.

Emily herself made it 2-0 after 30 minutes, and when Freda Morrissey was taken down in the box we were awarded a penalty but, unfortunately, Tina's effort went wide, Tina almost made amends soon afterwards when, after a great run, her effort came back off the crossbar.

We extended our lead just after the break when Aisling Weldon scored direct from a corner. To their credit Lismore never gave up and their best player in midfield, who created plenty of problems throughout the game, pulled a goal back. Joy Hearne then made it 4-1 to the visitors from close range shortly afterwards. Lismore claimed the last goal of the game from the penalty spot to leave the final score 4-2 to Kilmac.

Aoife Rockett and Amy Sutton were outstanding in defence for Kilmac and helped seal our third successive win. Our thanks to Gary McCormack who travelled with the team on the night.

Team - C. Kelly, L. Power, L. Mulcahy, A. Rockett, A. Sutton, A. Dee, A. Weldon, E. Hearne, T. Fitzgerald, F. Morrissey, J. Hearne, A. McCormack.

## PUBS LEAGUE

### Kiersey's Bar 5 Minnies 0

Kiersey's Bar had a convincing 5-0 win in the semi-final of the Pubs League competition organised by Abbeyside A.F.C. last week. Micheal Downey grabbed a hat-trick, Jondy O'Byrne scored from the penalty spot and John Long added the other goal.

### Kiersey's Bar 0 Hayes Bar 1

The final against Hayes Bar from Bonmahon was played in rain-soaked conditions on Saturday afternoon last. There was little to separate the two teams in the first half and it remained scoreless at half-time. In the second half Kiersey's Bar had a great opportunity to take the lead after Micheal Downey was hauled down in the penalty area.

However, Jondy O'Byrne saw his spot-kick well saved by the Hayes keeper. With ten minutes to go a swift counter attack saw Hayes take the lead and, try as they might, Kiersey's could not summon an equaliser with time running out. Congratulations to Hayes Bar on their victory and thanks to Abbeyside A.F.C. for a well-organised and successful competition. Hard luck to Kiersey's but, as they say, there is always next year to try and go one better.

Panel: Darren Mulhearn, Joey Veale, Johnny Power, John Long, David Kiely, Jondy O'Byrne, Patrick O'Reilly, Marcel Oates, Micheal Downey, Rodger O'Byrne, Bobby O'Byrne, Murt Power.

## TRAINING

Zoe Scanlon who won the Discus and Javelin at the All Ireland Championships. Zoe also had a championship best performance in the Javelin.

Young Zoe Scanlon made her first trip to the All Ireland Championships a memorable one winning gold in both the Discus and Javelin under 14 and in the process adding almost two meters to the championship best performance. Zoe's first gold came in the discus when she pulled out all the stops to throw a new personal best of 29m11 to snatch victory from a from the Munster Champion Tracey Bradfield. From the first round of the Javelin it was clear that Zoe was in command as she led by three metres after the first round. In the fourth round she surpassed the championship best performance of 30m 63 and added to it again in the final round to finish on 32m19.

**GOLD FOR EMMA DUNNE THOMAS HOULIHAN AND MARK BANNON IN POLE VAULT EVENTS**

West Waterford athletes continued their domination of the pole vault event. In the girls under seventeen it was a close fought affair between West Waterford's Emma Dunne and Aisling Fennel. For the second week in a row both girls cleared

the same height 2.50m and the title was decided on count back with Emma coming out best on this occasion and Aisling having to settle for the silver. Next week end Aisling competes in

the Schools International in Scotland and all in West Waterford wish her the best of luck. In the boys under 15 Thomas Houlihan struck gold in his first all Ireland competition jumping 2.80m to take the title.

The closest competition was in the boys under 18 with West Waterford's Mark Bannon and O'Connor of Parnell's A.C. tied for first place at end of the competition. Each had a further attempt at 3.80m and both went clear. In the sudden death jump off O' Conner was the first to miss and Bannon took the title. In the girls under 18 Siobhan Brackett finished second behind Wilkinson with a jump of 2.60m and in the boys under 16 Patrick Palmer also won a silver medal.

**GOLD FOR MEG FITZGERALD**

Meg Fitzgerald made light work of the poor weather conditions and claimed gold in the under 15 Hammer with her winning throw over 33m Meg had two metres to spare over her nearest rival to add another title to the under 14 one she won last year.

**DIARMUID FINISHES IN STYLE**

Diarmuid O' Foghlu rounded off his juvenile career with a well crafted victory in the under 19 boys 2000m Steeplechase. In the leading group from the start Diarmuid soon took command of the race and having led most of the way came home a clear winner.

**SILVER FOR MARK SHALLOE**

A personal best time which saw him improve shave 15 secs of his previous best earned Mark Shalloe a silver medal in the under 17 boys Steeplechase in a race won by Tailteann champion Noel Collins.

**BRONZE FOR KEVIN HARTY AND EADAION ASHE**

Kevin Harty and Eadaoin Ashe both finished off their juvenile events with bronze medals in the high jump and discus. The cold and the rain made high jump difficult and did not lend itself to good performance but a clearance of 1.60m was enough to give Kevin bronze. He just missed out in the long and triple jumps finishing fourth in both just centimetres away from the bronze medals. The girls under 19 Discus was a very close fought affair in which Eadaoin Ashe had to throw close to her

**SUCCESS IN GERMANY FOR DAVID MCCARTHY**

Word filtered through in Tullamore that David Mc Carthy had made the qualify time for the World Junior Championships in Beijing. It was in the 800m that David made the time when he ran a very fast 1.49.9 well inside the 1.51 time necessary. David had competed in the 1500m the previous day and once again came very close to the time. Now that he has achieved the time in the 800m we will not be surprised if he does the same in the 1500m over the coming weeks. Well done David and we are looking forward to your performance in China in late August.

FRIDAY-JULY 7TH

## Ballygarvan Bill Struck Top Form

A return to trap one brought out the best in the Michael Barron owned Ballygarvan Bill last Friday night as this September 2004 son of Droopys Woods and Broken Maid posted an exciting fastest of night winning return in the first semi final of the Richie and David Byrnes A5 Stake. Westpoint Lass was a warm order here at 4/5 but she stayed very wide at the first bend losing many lengths in the process. The early paced Persistent Boy led down the back stretch where he was overtaken on the fence by 3/1 shot Ballygarvan Bill. Taking the shortest route home Ballygarvan Bill did well to hold the flying late challenge of Westpoint Lass who tasted defeat by a short head in 29.03.

In the second semi final Savana Highlands the red hot 4/9 favourite eased himself into an early lead over Funcheon Rebel. The result appeared a foregone conclusion at that point but the Duncan Keane and Tom Forristal owned and Dick Ryan trained Amazing Aces (Droopys Vieri-Brykat Kariba) 3/1 had not read the script however and coming with an eye catching late surge up the rails Amazing Aces pounced close home to land the spoils by half a length in 29.13.

In the opening novice race Fly Phatom and Tee Jays Choice both priced at 2/1 dominated matters from the outset and after a ding-dong battle the Tommy Byrne owned Tee Jays Choice (Willys Toby-Precelly Flash) finished the stronger to triumph by a length in 30.29.

Three Spots Off was sent off the even money favourite in a two-bend dash but the jolly fluffed his lines at the start. Little Peggy came away well from trap two but the Madge Moore owned and bred Minglers Spot (Deenside Equity-Minglers Style) accelerated into a first bend lead this 4/1 shot racing on to a comfortable length and a half success over Little Peggy in 16.93.

In the third contest Nans Dawn was backed to the exclusion of everything else but this 4/7 hot pot gave herself too much to do after a slow exit tram trap six. There were no problems though for the Steven Hannon owned and Tom Colfer trained Full Bore (Pinewood Blue-Sideshow Mel) this 3/1 chance storming into an early lead over Adeles Blue Boy before defeating a fast finishing Nans Dawn by two lengths in 29.55.

Race four was a mixture of race dogs and first timers. Young Eric O'Mahoney from Portlaw was present to see his Eric Tigger (Droopys Kewell-Adravilles Honey) post back-to-back victories leading throughout in 29.52. When a challenging October Dusty ran into the back of the winner off the second bend Ballyneale Card took up the challenge but staying on nicely Eric Tigger kept on well in the lead for a two and a half lengths win over Ballyneale Card.

The lightly raced Fair Is Fair (Larkhill Jo-Marshals Smasher) 2/1 opened her account at the fourth time of asking for owners the P.D.M.J. Syndicate and Poulpeasty, County Wexford trainer Patsy Sutton coming from behind to take the fifth event in 29.72. The early paced Howarethemen appeared to have stolen a march on his rivals shooting clear down the back. Surviving a first bend bump Fair Is Fair went in hot pursuit of the long time leader and wearing down Howarthmen with every stride Fair Is Fair came through into the lead to deny Like A Champion by half a length. Peter Fitzgerald was the only member of the winning syndicate in attendance as his co owners David Cunningham and Mark Fitzgerald were away on foreign holidays.

Races eight and nine were semi finals of the Euro Fuels D2 Marathon event. In the early stages in the first semi final a fast starting Hello Homer cut out the early running from Ballydaniel Diva and Deerview Lady. It was all change up front in the latter half of this contest however as the Stephen and Kitty Lambert owned Deerview Lady (Jamella Prince-Rookery Lady) 3/1 swooped into a fifth bend lead before motoring on for a clear cut six lengths success over Micks Jude in a decent 41.03. Not alone did Deerview Lady beat the opposition on Friday night but she also dealt with a marathon Friday evening drive down with her County Dublin based owners.

The second semi final is easily described as the Mrs I Renilson owned and Mick Cronin trained Jethart Cher overcame a long lay off to make every yard of the running in 41.39. The opposition only ever had a rear view of Jethart Cher (Go Wild Teddy-Toms Model) 4/1 as she cruised to a fluent six and a half lengths success over Kingsmill Jo.

The first semi final of the friends of KPGS A2 Stake produced

a real thriller with a gutsy Black Sack (Droopys Hewitt-Cute Leader) emerging victorious at the rewarding odds of 5/1. Despite an early stumble Gandisranger still managed to squeeze into an early lead but failed to shake off the persistent challenge of Black Sack. Owned by The Only Fools By Dogs Syndicate and trained by Vic Roche a determined Black Sack would simply not lie down as he stayed on well on the run to the winning line to beat Gandisranger by one and a half lengths in 29.32.

The George Roche owned Vaughan Champion (Pinewood Blue-Nicks Doll) 5/2 to 6/4 produced a battling display to lift the second semi final in 29.22. In the firing line throughout the early paced Vaughan Champion got the better of a back stretch duel with Bosheen Booster before beating that same opponent by a length and a half.

### SATURDAY-JULY 8TH

## Myella Classic Impressed

Waterford United Football Club returned to their roots last Saturday night in Kilcohan Park where they staged under miserable wet and windy conditions an eleven-race fund raising card.

The novices were first into action and a fast starting October Blake (Honcho Classic-Nice Nancy) the 6/4 favourite made no mistake for Kilmacthomas based owner Geraldine Hearne as this eighty four pounder flashed clear from trap two to register a trap to line three and a half lengths defeat of Moonroe Droopys in 29.82.

Local owner Pat Duggan captured race two courtesy of his Third Watch (Top Savings-Lost Knowledge) this 3/1 chance doing the business in 29.64. Third Watch skipped past the front running pair of Perrys Lux and More Cool midway down the back stretch racing on to a deserved two lengths success over a slow starting but staying on The Other County.

The Gemini Two Syndicate owned and Michael O'Keeffe trained Chalk Em Up (Staplers Jo-Lisnakill Vicki) returned to winning ways in the third contest posting a facile 29.75 victory. Leaving nothing to chance the Michael O'Keeffe handled Chalk Em Up dashed straight into the lead over Monmahogue Queen and a slow starting Lough Sultan and appearing to relish the soft underfoot conditions the well-built Chalk Em Up (84 pounds) 5/2 went on to account for Monmahogue Queen by a cosy six lengths.

Having only his third race outing track newcomer Kayleighs Daly (Droopys Kewell-Lavally Laura) the 6/4 favourite left his mark on the fourth contest powering to a 29.30 success. Black Million scooted into an early lead over Whaah One but recovering well from a moderate break Kayleighs Daly cruised past

the early pace setters on the run to the penultimate turn before motoring on for a two and a half lengths defeat of Whaah One. The winner is owned by Bryan Maher and Kayleigh Flannery from Naas.

The final of the Droopys Kennels A4 event was a rough contest, which left Schofield Ben, Nans Blossom and Market James on the ground at the first bend. A well-drawn Vinnies Honcho (Top Honcho-Im A Cooperone) 4/1 took full advantage of the first bend mayhem to shoot clear of a hampered Nice Prince. Try as he might Nice Prince could not peg back the Vincent Finn owned Vinnies Honcho who went on to triumph by two and a half lengths in 29.59.

The Waterford United Open Sprint carried a first prize of Euro 1,000 and it attracted some cracking two benders. Top of the list was the Dave Partington owned and Denis Fitzgerald trained Staley Vegas and the punters quickly latched on to this fellow and while he was led for the first fifty yards by Shaw Cross Staley Vegas 1/1 to 4/5 ran a great first bend on the fence to snatch the lead before winning out by four lengths in 16.48. A sad postscript to this race was a bad hock injury sustained by the runner up Shaw Cross.

Races seven and eight were semi finals of the Blackjack Tom A3 event. Catunda Francie 1/1 was all the rage in the first semi final but this jolly lost an ocean of ground at the break, was hampered at the second turn but amazingly qualified for next Sunday nights final of this competition. This qualifier produced a gutsy front running display by the John Murphy owned and Eamon O'Donovan trained Montos Mark this September 2004 son of Montos Carhumore and Montos Tricks flying around in 29.34. Taking a flyer from trap one Montos Mark did well to snuff out a third bend challenge by Hell Road Yank on the rails and while the early paced Dinnys Woods was always on the premises a determined Montos Mark prevailed by three and a half lengths.

The second qualifier produced a shock 6/1 winner as the Eamon Murphy owned Stayaway Cruiser (Droopys Kewell-Come On Lisa) did the business in 29.60. Shading the first bend from Coast Of Malibar and Tyrur Farloe Stayaway Cruiser was always going to be a hard nut to crack when leading and it came as no surprise to see Stayaway Cruiser stick it out to the bitter end to beat Tyrur Farloe by three quarters of a length with Coast Of Malibar just behind in third.

After a number of solid placed efforts the John J Lambert owned and Declan Byrne trained Carlow Dream (Judicial Post-Legal Cream) cast aside his maiden tag taking the ninth event in 29.43. Outpacing his rivals early on Carlow Dream did well to see off the persistent back stretch challenge of The Other Kee and when the latter ran wide into the home stretch Carlow Dream kicked again to run out a deserving two lengths winner over The Other Kee with a running on Stepplestown just behind in third.

An exciting tenth contest went all the way to the wire. Laconaid Lad and Moher Mover dominated throughout and while there was little or nothing in it into the home stretch the George Roche owned Moher Mover (Hotshow Ben-Domingo Star) 3/1 produced the superior dash of finishing speed to emerge on top by half a length in 29.53.

The star of the this "Wet Wet Wet" show was undoubtedly the Christina Reddy owned and Michael Delahunty trained Myella Classic this 4/1 chance (6s available earlier) running riot over a decent class field in the final race of the night as this fast starter shot into a clear early lead over Copperfield Hill and piling on the pressure down the back stretch Myella Classic cruised to a best of night 29.19 success crossing the winning line with seven and a half lengths to spare over a staying on Sues Mad Moment.

The going for this fixture was rated .15 slow for the sprint and .30 slow for the standard trip.

# BALLYRAFTER CENTRE LISMORE

## Pony Summer Series

The summer season for ponies at Ballyrafter came to a close last Friday evening with some really exciting finals. A dead heat was recorded which is quite unusual in showjumping as the clock goes down to hundreds of a second but Sarah-Kate O'Donovan, Dungarvan and Ciara Dunphy, Clonea Power both jumped fantastic clear rounds in the identical time of 40.39 to share the 148D. A spectacular 138ABC went to Christine Morrissey and Paul Kiely, Cappagh took first and second in the 138CD.

Caoimhe Shanley, Dungarvan and her smart bay "Scooby Dooby Doo" won the first final of the night the 128D with a superb round in 32.80 to beat the leading 128 novice pony "Starburst's Joy" and Joanne O'Keefe, Ballynoe who had led in 37.68. Kate Connors, Kill initially headed the 128CD on the 4-year-old "Full Throttle" in 41.62 until Ailne Dinneen, Fermoy prominent throughout the league was determined to be a winner and "Glenarousk Buddy" duly obliged with a great round in 40.07. Daniel Joyce, Killeagh was third on "Little Pumpkin" and he was third again with "Kilreene Venus" in the 128ABC. Maeve Walsh, Dungarvan and "Indies Crusade" had set 36.54 but Aimee Moloney, Colligan and her Dublin qualified ride "Sprinter's Magic" just found the winning formula in 36.40. Ian Fives, Cappoquin and "Dancing Crystal" took the leading pony award.

Killian Hennessy, Kinsalebeg, whose idol is Billy Twomey rode the 138 "Winnie Jackson" to take the leading 138 novice award but he also took the winners trophy in the 138D final in 35.51 getting ahead of pathfinder Billy Gleeson, Knocklong with "Bobbyjo" who had 39.87. Jack O'Keefe, Tallow at just nine years old rode "Ronan's Cottage" to be third in 41.73. Paul Kiely, Cappagh with his two greys had things well in control in the 138CD. He had set the target of 44.27 with "Strapped for Cash" which Darragh Magner, Fermoy and "Bell's Way" threatened but the clock showed 45.70 and then Paul and "Glenavindra Percy" flew everything in 41.81 for a convincing win. Eight went against the clock in the 138ABC with Paul Kiely again in the fray with "Strapped for Cash" flying clear in 37.14. Patrick Joyce, Killeagh just recently moved up to 138's with his multiple winner "Ballyclough Lucky" found a shorter route in 33.02 to forge ahead and seemed to leave nothing but the leading pony "Uluru" and Christine Morrissey, Cloyne had three wins in the qualifiers and drawn last she had it all to do. They were pretty much identical on the clock coming to the last but Christine found a line inside the rustic fan fence to fly the last in 32.40 to great cheers as she took both trophies.

The 148D had 7 ponies in the timed round and going early Sarah-Kate O'Donovan and the connemara "Westside Wonder" with a ground eating stride flew home in 40.39. Nancy O'Hanrahan, Lismore with another connemara "Ashbourne Prince" didn't quite match it in 43.36 but Ciara Dunphy and the roan mare "Porchavodda Donna" matched it exactly, the clock showing 40.39 to share the winning with Sarah-Kate. Sophie Walsh, Cork and "Broad Way" were 148D league leaders and they produced the first clear in the jump-off of the 148CD final in 52.86 for eventual third. Edel Kelly, Middleton with Jimmy Ivers "Shaft's Ben Hur" then went clear again in 45.30 before Fiona Riordan, Glanmire and "Cahalane Prince"

absolutely sailed round in 37.86 for winning honours. Seamus Condon, Araglen and "Seelig Heron" were the league leaders. Grace O'Keefe, Tallow had to miss the

finals due to injury but she collected the leading award in the 148ABC for "Loughnatousa Ron". Niamh Barry, Knockraha rode her two greys into the jump-off and from pole position was unlucky to just clip a pole on "Ashford Spice" in the very fast time of 30.88. Aisling Horgan, Middleton and "Ballyboy Rock 'nRoll" went clear nicely in 42.56 then straight away Edel Kelly and Trish Fives' "Winter Sun" were clear in 38.31 but Niamh Barry winners of the Spring League here at Ballyrafter made it a fine double with "Clonard Mistic Master" doing the business once again in 31.95.

Wednesday evening saw the finals of the Panda League for ponies and despite the fact many of these riders would never have competed in finals before they jumped brilliantly and produced great competition. The 0-50cms was jumped over two rounds with ideal time being the deciding factor. The 128 league leader Abbey Guiry, Clonmel and "Move Along Misty" got within 2.87 of the 50second ideal time and looked like winners after Niamh McCormack, Middleton was 6.13 away after her round on "Hyper Pepsi". Lorna Power, Lismore only started showjumping in May and she also got close with "Bobby" in 8.65. However another Middleton girl Rebecca Walsh and "Sapphire Tessa" were also beautifully clear and got to within 2.48 of the ideal time to win the trophy.

Abbey Guiry and her consistent "Move Along Misty" set the time in the 0-60cms class of 54.88 but Andrew Beirne, Fermoy and "Gizmo" were in flying form and 50.67 moved them ahead. All was not over yet though as Niamh McCormack whose family soon move to Lismore had "Hyper Pepsi" perfectly in hand and got around in 50.06 for a well deserved win. Six went against the clock in the 0-70cms class and they rode like professionals. Jessica Riordan, Cork with "Templebready Poppy" had a well judged round in 37.37 to put pressure on. Patrick Joyce, Killeagh revels under pressure and Anthony Broderick's "Black Jack" answered every call in 35.93, which could not be beaten. Lucy Mellerick also from Killeagh with "Cindy" went third in 42.73. In the 0-80cms final six got through to the jump-off and Gillian Griffin, Middleton on "Jack" set everyone a real fast target of 36.45. Her cousin Aisling Griffin got closest with "George" in 42.27 but it was the very last to go Isobel Cuddigan also from Middleton with "Max" who was not going to be denied and she found every answer in 30.85 to take the final. Gillian Condon, Araglen and "Hally Bop" were the 138 league leaders.

The Summer League for horses will reach its conclusion on Thursday 13th and Saturday 15th so plenty of action to be enjoyed in Lismore this week.

## RICHARD QUINN RETIRES

44-year-old jockey Richard Quinn decided last week to call it a day with race riding. With more than over 2,000 winners on the clock Richard's last mount aboard Young Mick was a winning one at Royal Ascot. Richard may now turn his attention to show jumping.

## JOCKEYS CHAMPIONSHIP

Jockey Johnny Murtagh is in the easy list this week having taken a fall at Wexford last Friday. He did however consolidate his lead at the top of the Irish Flat rider's championship riding a four timer at Bellewstown last Tuesday.

## TRAMORE WINNER

Tramore trainer Noel Dooly trained his second ever winner under rules as Jemmys Flame captured an apprentice Handicap at Bellewstown last week. Young Kieran O'Neill who was enjoying his initial success in the saddle rode 8/1 shot Jemmys Flame.

## JOCKEYS TO APPEAL

Jockeys Kieren Fallon, Darren Williams and Fergal Lynch intend appealing the decision of the British HRA to ban them from riding in the UK until after they appear in court to answer alleged cases of race fixing.

## DAVID RETURNS WITH A WINNER

Waterford jockey David Casey returned from injury at Wexford races last Friday evening where he steered the Charlie Swan trained Anxious Moments 2/1 to an easy win on the level.

## INTERSKY FALCON

The 9-year-old Intersky Falcon was officially retired by trainer John Jo O'Neill last week. A very useful hurdler Intersky Falcon did not enjoy his races over fences and after pulling up at Stratford last week the decision was then taken to retire the gelding.

## DEISE VICTORY

Jockey Shay Barry and Dungarvan trainer John Queally combined to score with Classic Approach at Bellewstown last week.

Young rider Craig Messenger was not so fortunate at the same meeting as he was taken to hospital after a heavy fall with a suspected fractured leg.

## GABRIEL "SQUIBBS" CURRAN

Many of our more mature readers will remember Gabriel "Squibbs" Curran as he rode plenty of winners all over Ireland for trainer Kevin Prendergast. Well "Squibbs" is still hale and hearty and rides out on a regular basis for trainer Tom Hogan.

## SOLERINA FOAL

That great National Hunt mare Solerina is in foal to Definite Article is due to foal in March 2007.

## RETAINED RIDER

Christophe Soumillon has signed on the dotted line as first jockey to the Aga Khan in France until the end of 2008. I doubt very much though that Monsieur Soumillon will be retained in the UK by trainer Ed Dunlop after the disappointing ride the Belgian gave Lord Derby's Quija Board at Sandown last Saturday.

## JOCKEY TURNED TRAINER

Welsh born but long time resident in Ireland Joanna Morgan created history 30 years back when she became the first female to ride in a classic partnering the Seamus McGrath trained Riot Helmet in the Irish Derby. Joanna is now a successful trainer but was recently kicked by a horse forcing a stint in hospital with a damaged kidney.

## DAVID JUNIOR STRIKES

County Cork born trainer Brian Meehan brought David Junior back to his very best form to capture the Coral Eclipse Stakes at Sandown last Saturday afternoon. David Junior finished behind Quija Board when the pair met at Royal Ascot but on this occasion it was David Junior who enjoyed the run of the race while Quija Board was involved in all sorts of trouble.

## HOH MIKE FANCIED

Michael Bell is hoping for compensation with unlucky Norfolk Stakes, runner-up Hoh Mike when the speedy youngster steps up to six furlongs in the £70,000 Group Two TNT July Stakes at Newmarket on Thursday. The Intikhab colt was sent off the 2/1 favourite for the Group Two Norfolk Stakes at Royal Ascot but was stopped in his tracks with a furlong remaining in the five-furlong contest, before being switched and finishing strongly to take second, a length and a three quarters behind Dutch Art. Bell revealed: "Hoh Mike is on course for the TNT July Stakes and he's very well. He looked a little bit unlucky in the Norfolk, penned in against the fence with nowhere to go, and we're hoping for compensation."

## KIEREN FALLON STATEMENT

The following is a statement issued on behalf of Kieren Fallon following the decision by the British HRA to ban Fallon along with fellow riders Darren Williams and Fergal Lynch from riding in Britain until after the cases are heard about alleged race fixing.

"I am obviously devastated by the HRA decision. I always thought that a man was innocent until proved guilty. I cannot understand this decision, as I am confident that I have done nothing wrong, and my lawyers are confident that the case against me has no validity whatsoever. In fact I am utterly amazed the police were able to charge me based on the evidence I have seen and the questions that they have been asking me this year.

My livelihood is dependent upon racing and I will be appealing against this decision as it is extremely harsh and inconsistent given the HRA panel's verdict on Alan Berry (trainer) published earlier this week.

I am grateful for the support I have received from many trainers and owners around the world. However, unless my suspension is lifted my career is in ruins, as I cannot ask owners or trainers to support me elsewhere when I am prevented from riding in the UK."

## ROYAL & SUNALLIANCE EXTENDS FESTIVAL SPONSORSHIP

Royal & SunAlliance, jump racing's longest-standing sponsor with 36 years of involvement in the sport, is extending its backing of the Royal & SunAlliance Chase at the Cheltenham Festival in March for a further three years.

## HUMA PARK STUD TO BE SOLD

Co Kildare-based Huma Park Stud, which has become one of Ireland's most progressive stallion farms since being set up in 2002, is to be offered for sale later this year. Hubie de Burgh and Marc de Chambure, the stud's founders, currently stand the outstanding Group 1 winners Rakti and Elusive City but the difficulty in acquiring new stallion prospects has been a factor in their decision to put Huma Park Stud on the market.

The stud has been developed into a state-of-the-art facility since its establishment four years ago and now boasts 254 acres, 100 boxes and a capacity for at least four stallions.

Huma Park Stud is located on prime land next to the K Club, home to this year's Ryder Cup, and is close to many other major stud farms and just 10 minutes from Goffs and 20 minutes from Tattersalls Ireland. It will be offered for sale in September by Maynooth-based WA Coonan Auctioneers.

No decision has been taken on where Rakti and Elusive City will stand after the stud's sale.

## DERBY HERO LEVEL IN CARRIER STANDINGS

Dylan Thomas joins Vodafone Derby hero Sir Percy at the head of the points in the race to win the 2006 Cartier Racing Award for three-year-old colts, and possibly the Cartier Horse of the Year Award, following his scintillating triumph in the Budweiser Irish Derby at the Curragh on Sunday, July 2.

# RACING NEWS

## FALLON SET TO APPEAL HRA BAN

The racing world last week was dominated by the news that jockeys Kieren Fallon, Fergal Lynch and Darren Williams were charged by the City Of London police with conspiracy to defraud Betfair customers, bookmakers and horseracing totaliser by agreeing not to run horses on their merits. This charge came at the end of a two year investigation into race fixing in Great Britain and six time English Champion Jockey, Kieren Fallon, is naturally devastated at the charge. First jockey for the powerful Aidan O'Brien stable since March 2005, Fallon recently guided Dylan Thomas to victory in the Budweiser Irish Derby at the Curragh and is generally regarded as the best jockey of his generation. A further blow to the three jockeys came on Friday when it was announced by the Horse Racing Authority in Britain that their respective licences to ride have been withdrawn which means they cannot ride in any race in Great Britain until the court case is completed which could be sometime in late 2007. All three jockeys have appealed this decision by the HRA and for Fallon in particular, this decision means he would not be able to ride the likes of Hurri-

cane Run in the upcoming King George VI and Queen Elizabeth Diamond Stakes at Ascot or any of Aidan O'Brien's likely challengers at the big meetings scheduled for Newmarket, York and Goodwood in the coming months. The Irish Turf Club and the French authorities have stated that Fallon is free to continue riding in Ireland and France until the result of the court proceedings are known.

## ALEXANDROVA SET FOR OAKS DOUBLE

Trainer Aidan O'Brien has won most of Ireland's Group One races over the past decade or so but one race which has eluded him is the Darley Irish Oaks and he will be hoping to put that right next Sunday. He will be represented by Alexandrova, the impressive six length winner of the English Oaks at Epsom last month and likely to start a warm favourite to complete the big double. She will again be re-opposed by the John Best trained Rising Cross who was second to her at Epsom while other intended runners are Sir Michael Stoute's pair, Scottish Stage and Short Skirt. Scottish Stage was only narrowly defeated in the Ribblesdale Stakes at Royal Ascot last month while Short Skirt defeated Alexandrova in the Musidora

Stakes at York earlier this season before finishing third in the English Oaks and she will appreciate the stiff Curragh course. Another challenger from across the Irish Sea could be the Sir Mark Prescott trained, Confidential Lady, winner of the French Oaks on her last outing after disappointing on the heavy ground when favourite for the Boylesports Irish 1000 Guineas at the Curragh in late May but unfortunately, it looks like Jim Bolger's unbeaten Galatee will miss the race as she has still not recovered sufficiently from the infection which caused her to miss the English Oaks early last month.

## MURTAGH ON THE MEND

Three time Irish Champion Flat Jockey, Johnny Murtagh, is hopeful of a quick return to action after fracturing a bone in his left foot at Wexford last Friday night. Murtagh was one of three jockeys who came to grief in the concluding race with Niall McCullagh and Davy Moran the other two riders involved in what looked a nasty incident. Johnny is the current leader in the race for another Jockeys' Title and is hoping to renew his association with Australian challenger, Falkirk, on whom he finished fourth in the King Stand Stakes at Royal Ascot recently, in the July Cup at Newmarket on Friday.

## IRISH RACING REVIEW (3rd - 10th July)

### Four-timer For Murtagh

Jockey Johnny Murtagh was in brilliant form at Gowran Park on Tuesday evening winning the first four races on the card. He kicked off proceedings with victory on Ger Lyons' Petite Cherie (7/1) in the opening two year old fillies maiden before getting the Tom Mullins trained Noplacelikehome (11/2) up in the dying strides to take the three year old maiden. Half an hour later, Murtagh steered home Edward Lynam's Princess Triptych (10/1) in the Thomastown Handicap over seven furlongs while the four-timer was completed when newcomer Harper Valley (4/1) gave trainer Ger Lyons his second winner of the evening in the mile maiden for two year olds.

### Approach Heading For Galway

John Queally's Classic Approach is likely to head for the big Summer Festival Meeting at Galway after his victory in the Seamus Murphy Properties Hurdle at Bellewstown last Wednesday. The 1/1 favourite proved too strong for Ease The Way in the hands of Shay Barry as he relished the fast ground on offer.

### Ardalan On Target

The well bred Ardalan gained an overdue victory in the Riverstown Handicap at Bellewstown on Thursday evening as John Oxx's charge just got the better of the front running Benwilt Gold to triumph by a neck. The 9/2 winner was given a fine ride by Fran Berry and is likely to be stepped up to two miles on his next start.

### Terrific Treble For Rothwell

Trainer Philip Rothwell saddled a double at Bellewstown on Wednesday but he went one better on the concluding Friday evening as he recorded an excellent treble in the three hurdle races on the card. Mission Possible (7/4 fav) got the ball rolling in the five and six year olds maiden hurdle under Philip Carberry before Mr Blacktie (3/1 fav) captured the Sam Dennigan & Co Maiden Hurdle and to round off a great few days for the yard, Spare Change (11/4) kept on well to defeat the favourite Talkingtonbates in the Seamus Mulvaney Crockafatha Handicap Hurdle.

### Anxious Moments Scores For Casey

Jockey David Casey made a winning return to action at Wexford on Friday night as he partnered Charlie Swan's Anxious Moments to a

good win in the Nick O'Donnell Claiming Race. Casey had been out of action since the Punchestown Festival in late April and is now looking forward to the upcoming Killarney and Galway Festivals.

### English Raiders Dominate In Brownstown Stakes

The Barry Hills trained Spinning Queen came late and fast to win the featured Irish Stallion Farms European Breeders Fund Brownstown Stakes at Leopardstown on Saturday evening under a perfectly judged ride from the trainer's son, Michael. The 7/2 winner got the better of the well backed 2/1 favourite, Wake Up Maggie, by a head with Jim Bolger's Modeeroch doing best of the home trained contenders in third place.

### Cuan Na Grai Galway Bound

Trainer Paul Nolan and jockey Barry Geraghty combined to land a double at Limerick on Sunday with Trefflich (15/8) taking the opening maiden hurdle before Cuan Na Grai (9/10 fav) made all the running to win the novice hurdle in good style. Cuan Na Grai is a possible for the Galway Hurdle in early August and was completing a quick hat-trick of victories here having scored twice at Wexford in recent weeks.

# Clashmore G.A.A. Notes

## SENIOR FOOTBALL CHAMPIONSHIP

At a wet and blustery Walshe Park on Saturday last we recorded our second victory in this years championship over the seaisiders from Tramore. The game was not what you would call an epic by any means with the pitch very slippery under foot and the wind swirling, making shooting difficult. We had plenty possession in the opening half but shot an amount of wides. Declan Allen opened our account with a well taken point. This however, didn't manage to steady the ship for us and Tramore hit back with a goal. We finished stronger with 3 points. One from Karl O'Keefe and a brace from Stephen Barron. Tramore had the last say of the half with a point from a free and the teams went in level at the interval.

The second half again was of poor quality football with both teams grinding each other down and defences holding well. In the end we did get up for two points in the final quarter and held out late pressure to secure Second position in the group for us. We now await confirmation on our opponents in the next round where a win would qualify us for the quarter finals. It may not have been that pretty on Saturday but a win is a win. Best for Clashmore on the day were the Dunne brothers, Kevin and Barry and as ever Stephen Barron put in another tremendous performance at Midfield. Final score Clashmore 0-6 Tramore 1-1.

## INTERMEDIATE HURLING LEAGUE

On Monday we travelled to Carrick-on-Suir to play St.Mollerans. We were down a few regulars and had a few players carrying knocks from the weekend but we still battled hard and had a useful workout. It was clear in the first half that we hadn't hurled in a few weeks as our first touch was quiet poor. We were down by six points at the break but starting to come into the game. In the second period we upped our performance and came back to level the game thanks to a hat trick of goals from our forward line. But in the end St Mollerans piped us by two points. Final score Clashmore 3-9 St Mollerans 2-14. Thanks to everyone for travelling down.

## MUNSTER MINOR FOOTBALL FINAL

Well done to club referee Maurice Condon who had a good game on the whistle in Killarney on Sunday last. Its great to see you continuing up the ladder and we hope you can keep climbing it and doing us proud.

## LOTTO

We still have no winner of the lotto and the jackpot is reaching €5,000 at the moment. Thanks to everyone for selling and buying tickets.

## FIELD

Well done to everyone who is helping to improve the facilities at the field at the moment as it is looking in great condition. The second field is also taking shape and is being put to good use. Special thanks must go to Paul Fitzgerald who has all the grass around the main pitch trimmed and the field is looking immaculate. Thanks to everyone who is helping out.

## DEISE DEVELOPMENT DRAW

We had one winner in the last Deise Draw in Jimmy Barron, who has gotten us off the mark for this year. Thanks to everyone for supporting the Deise Draw and remember tickets for each individual draw can still be bought from members of the committee.

## CROKE PARK TICKETS

Tickets for the Waterford vs Tipperary game will be coming to the club so anyone who wish to travel to the game should contact the committee members.

## BEST WISHES

Our best wishes go to our club Hon. President Very Rev. Fr. Pat Fitzgerald P.P. who has been with us for the past 7 years, and will be retiring next weekend. Fr. Keogh and hope to see him involved in the club.

**WATERFORD 1-9  
ROSCOMMON 2-7**

A lacklustre first half performance when the elements favoured Waterford resulted in defeat to Roscommon in the final group game of the All-Ireland qualifiers at Ballyforan on Sunday. Fortunately qualification had already been secured as the girls headed west and the Waterford girls will face either Dublin or Antrim in the Quarter Finals on the weekend of July 22nd.

The first 30 minutes was a tale of missed opportunities and nervous defending. This resulted in the teams being level at the break Roscommon 1-4 Waterford 0-7 with only two of Waterford's scores coming from open play. When the strong westerly wind blowing in Waterford's favour is taken into account this represented a very poor return. The Western girls defended bravely and were delighted to enjoy parity as they headed to the dressing rooms.

Strong words at the break ensured a much more spirited display in the second half. While the scoring rate did not improve the effort and commitment will have pleased the selectors. The link play, which has been a positive feature in previous games, resulted in Waterford's goal. Corner

forward Emma Hannon picked up a clearance from defence and soled through the Roscommon rearguard. As the fullback approached she deftly flicked the ball over the defenders head to the advancing Karen Kelly who out jumped the Roscommon goalkeeper and batted the sliothar to the net.

A few players did enhance their reputation with St Anne's Charlotte Raheer Waterford's outstanding player for the hour. Wingbacks Jennie Simpson and Aileen Cummins also worked hard, with centre back Jenny O'Grady having a good second half. The championship now commences in earnest with the knockout stages. The Déise girls have the talent to reach the next stage, their resolve will be tested in the white heat of winner takes all competition.

Waterford — Aisling O'Brien, Niamh Ryan, Sally O'Grady, Vicki Gaffney, Aileen Cummins, Jenny O'Grady, Jennie Simpson, Charlotte Raheer, Nicola Morrissey (0-1), Bella Daniels, Pauline Cunningham (0-1), Roisin Heylin (0-1), Emma Hannon (0-1), Karen Kelly (1-5), Áine Breathnach, Jane Hickey, Lisa Guiry, Mary Murphy, Fiona Kiely, Lisa Prendergast, Patrice Clancy, Roisin Delahunty, Bridget Phelan, Ciara Keogh, Niamh Lonergan, Annette Raheer, Aisling Kelly, Mairéad Murphy, Áine Lyng.

**DUNGARVAN G.A.A. NOTES****FEILE PEIL, WICKLOW 2006**

# Dungarvan Reach All Ireland Semi-Final After Great Weekend Of Feile Football

Dungarvan U14 footballers represented their club and county at the National Feile Peil na nOg competitions which were held in Wicklow from Friday, 30th June to Sunday, 2nd July 2006.

On Friday morning the panel of 25 players and their mentors departed the C.B.S. at 10:30am on their long journey to Ashford, Co. Wicklow and they were eagerly looking forward to their weekend away in the Garden County. The party were in the capable hands of our bus driver Tom Flynn who as a tremendous help to everyone throughout the busy weekend.

Despite a lengthy traffic delay in Gorey, Co. Wexford, the group arrived in Ashford at 2:15pm in plenty of time for their first game against Palmerstown (Dublin). They were greeted by officials of Ashford G.A.A. club who gave everyone a warm Wicklow welcome. The team showed no ill effects from their long journey and played some excellent football to defeat their Dublin opponents 1-10 to -04. The players, mentors and supporters were delighted with the victory and a winning start to Feile Peil 2006.

After the game the panel enjoyed a well deserved meal in the local hotel before getting ready for the Feile Peil Parade in Arklow town. The parade began at 7pm and it was a truly spectacular sight with all the competing teams marching behind bands to the cheers of the large crowds who came out to welcome these young footballers from all over Ireland.

G.A.A. President Nicky Brennan was there to greet all the teams and he presented Dungarvan Captain Colm Curran with a souvenir pennant for Feile Peil na nOg 2006. The team marched behind the club banner and received a rousing reception from the large band of Dungarvan supporters who travelled to Arklow to see the parade and the boys enjoyed every minute of this special occasion.

After the parade, everyone returned to Ashford to meet their host families and the boys and their mentors settled in to their new homes for the weekend, while our supporters booked in to the Chester Beatty Hotel to enjoy Wicklow hospitality at its very best, into the early hours!

On Saturday morning the boys were up bright and early to play their second game against Convey (Kildare) at 9:30am in Ashford G.A.A. grounds. The team played very

Dungarvan Under-14 Football County Feile Champions who took part in the National Feile Competition held in Co. Wicklow. Back row (l. to r.) Craig Barry, Brendan McCarthy, Shane Hickey, Luke Egan, Colm Curran (Capt.), Darran Duggan, Ian Sheehan, Adam Kelly, Sean Ryan, Ryan Donnelly, Conor Mulcahy and Conor Sheridan. Front row (l. to r.) Sean Hyslop, Tomás Harty, Frank Duggan, Mike Daly, Cathal Curran, Michael Burke, Keith Healy, Eric Duggan, Patrick Houlihan, Glenn Power, Lee Hyslop, Gary Crotty, Patrick Curran.

well and defeated their Kildare opponents 2-6 to 0-1 to put themselves in pole position in their group. Our supporters were out in force, some looking worse for wear after their Friday night exertions.

Our third game in the group was against Bagnelstown (Carlow) and with two wins under our belt and other results going in our favour, the team was assured of qualification. This gave the selectors an opportunity to use their full panel and give other a well deserved rest.

There was great excitement when the news filtered through that Dungarvan would play New York in the All Ireland semi final. This novel pairing posed a problem for Henry O'Keeffe whose nephew was a member of the New York U14 panel, it's a long way from Ballyduff to the Bronx, Henry!!

On Saturday afternoon our players, mentors and supporters left Ashford and travelled across the County to Stratford taking the scenic route through the famous Glendalough and over the Wicklow Gap enjoying the breathtaking scenery.

In glorious sunshine, the convoy of cars made their way over the Wicklow mountains and arrived in Stratford at 5pm for our semi final meeting with New York.

The match started badly with the concession of an early goal from a penalty but the boys fought back bravely to level the scores 1-0 to 0-3 after 15 minutes. However, New York boys proved decisive. Sean Kelly, former G.A.A. President, who was at the match described them as the biggest U14 team he had ever seen. Despite Dungarvan's best efforts we had

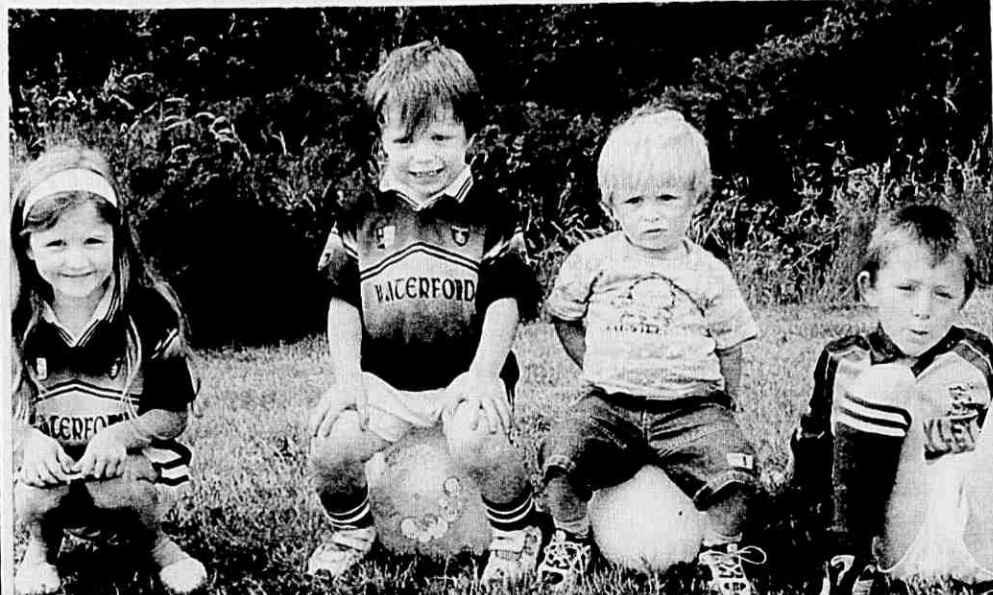

to accept defeat while New York went on to win the Feile All Ireland defeating Dunloy (Antrim) in the final.

After the game the boys were applauded off the field by their supporters who appreciated their performances in Feile Peil over the weekend. The party returned to Ashford on Saturday evening where the local club organised food and refreshments for everyone, followed by a disco for our U14 panel which was enjoyed by all. Our supporters enjoyed a social night with our friends from Ashford which lasted well into the early hours with Henry, Tony and Derek excelling themselves - once again! You're-A-Star beckons boys!

Sunday morning began with Mass at 10:30am followed by a football match against Ashford at 12pm. After the game photographs were taken and it was time to say goodbye to our Wicklow hosts who gave us a wonderful time over the weekend. The panel departed Ashford at 1:30pm stopping at McDonald's in Waterford where we heard the good news of Waterford's victory over Galway in the Hurling championship. Finally, arriving in Dungarvan at 5pm on Sunday evening, a tired but happy bunch!

Our thanks to all our players who were excellent ambassadors for their club and county over the weekend, to Pat, Derek and Tommy for their preparation and management of the team during Feile Peil, to Joanne, Grace and Tom Flynn for their help behind the scenes and to our loyal supporters who travelled to Wicklow to support the team. Finally, our thanks to Ashford G.A.A. club for their wonderful hospitality and friendship during our stay in Wicklow. They helped to make Feile Peil 2006 a memorable experience for everyone.

Our Under-14 panel was — Darren Duggan, Ian Sheehan, Brendan McCarthy, Sean Hyslop, Patrick Houlihan, Luke Egan, Sean Ryan, Colm Curran (Capt), Mike Daly, Adam Kelly, Michael Burke, Cathal Curran, Eric Duggan, Shane Hickey, Lee Hyslop, Conor Sheridan, Craig Barry, Tomás Harty, Keith Healy, Glenn Power, Gary Crotty, Ryan Donnelly, Conor Mulcahy, Frank Duggan, Patrick Curran, Richard Walsh.

Some of our youngest supporters at the Feile Competition — (l. to r.) Shannon Barry Ferncombe, James, Eoin and Luke O'Callaghan.

## COIS BHRÍDE JUVENILE G.A.A. NOTES

### UNDER-14 HURLING COUNTY FINAL

# County Champions

#### COIS BHRÍDE 3-10 FERRYBANK 1-4

County titles are never easily won, but for some of our players who were playing in the U-14 Hurling County final against Ferrybank last Saturday in Dungarvan, this was their fourth appearance in a final in four years, and they haven't lost one yet!

But with all due respect to the other titles (U-11 ground hurling twice and U-12 football once), last Saturday's win was probably the sweetest, not least because of the amount of games they had to play to get there, but also because it was achieved with a very small panel.

In monsoon-like conditions, a good start was vital, and early points from Evan Sheehan and Dean Hennessy quickly followed by a goal each from the same players gave us just that.

We continued to dominate, with Eoin Roche at midfield, and Brian McCarthy at fullback hurling very well, and Shane Roche showing some lovely touches in the forward line also scoring a point from play to leave us leading 2-5 to 0-2 at half time, Alan O' Riordan getting the other point.

We expected a fightback from the city team in the second half, with the wind behind them, and they did come into the game much more. But our backs stood firm, and with Evan leading it at centre field giving a man of the match display, a goal from Shane and a wonderful point from captain Aaron Pratt who soloed fully 60 metres to score, they held on to win deservedly by 3-10 to 1-4.

Everyone on this panel played their part in this win, goalie Liam O' Gorman once again never put a foot wrong, full backs Tomas O' Neill, Brian McCarthy, and Kegan O' Farrell gave nothing away, half backs Kieran Fraser, Aaron and Joe Leahy always commanded their area, Eoin and Evan dominated midfield, half forwards

Stevie Lucey, Alan O' Riordan and Dean Hennessy worked very effectively and got some fine scores, while Pádraig Ahearne, Daniel McElroy (until a wild pull knocked him out of the game), and Shane Roche, plus super subs Rob O' Sullivan and Billy Buckley all contributed to a great win.

I must also mention Aine McCarthy and Robbie Beecher, plus Edward Lonergan who unfortunately was away on holidays and missed the final, they all helped this team to this victory.

It's been a long year, but with a Western and a County title in the bag, they can be proud of what they've achieved. Congratulations to one and all!

#### MINOR HURLING COIS BHRÍDE 2-13 BRICKEYS 3-10

Our minor hurlers continued their good form with a fine display against Brickeys in Lismore last Wednesday.

They held the lead going into the last couple of minutes, and only surrendered that when a last minute close in free was converted giving the boys from the Brickey Valley a share of the spoils.

Once again selectors Flor Harnedy, Finn McCarthy, Pádraig Tobin, Liam Ahearne and Liam Moroney were happy with the effort and will be hoping for more of the same against Stradbally on Tuesday night (last night) in Abbeyside, as a good result here will mean qualification for the playoffs.

However, next week they are switching codes to football and a first round tie next Wednesday against who or where we do not yet know.

Panel — Sean O' Sullivan, D. Ahearne, T. Feeney, J. Ahearne, M. Lucey, S Harnedy, T. McGrath, K. Kearney, K. Geary, T. Ryan, C. Herlihy, K. Hallahan, K. Curley, B. Moroney, E. Sheehan, M. Smith, G. Heffernan, D. Mulcahy, B. McCarthy, R. Livingstone.

#### UNDER-13 HURLING Cois Bhríde 2-6 Ardmore 1-4

Played in very windy conditions down in Ardmore last Sunday, our u-13 hurlers got their first win in this year's championship with a deserved win over the home side. With some of the team carrying knocks received in the U-14 final the day before, this was never going to be an easy game to win, but they stuck to the task and got their reward. They will probably be in a playoff next Monday, but as yet do not know who or where that will be. We wish them well. Panel, Chris Hartnett, Billy Buckley, Tomas O' Neill, Kegan O' Farrell, Ciara Hallahan, Joe Leahy, Michelle Tobin, Shane Roche, Stevie Lucey, Rob O' Sullivan,

Kieran Fraser, Robbie Beecher, Pádraig Ahearne, Aine McCarthy, Paul O' Mahony, Sarah Beecher, Colm Roche, Mikey O' Neill, Adam Crawford.

#### VHI CUL CAMP

Application forms for the Summer Camp in Knockanore (not Tallow as I may have previously stated, due to continuing clubhouse development work) which runs from 21st to 25th August, are still available from Frank Roche (087-2234220), but time is running out, so please avoid disappointment by not leaving it too late. The cost is Eur 55 first child, 45 for 2nd in family, and 30 for any subsequent children in the same family. With five days of fun and coaching, plus a full kit and bag, this is very good value indeed.

## Colligan Rockies GAA Club Notes

#### HURLING AND FOOTBALL LEAGUE

We played two matches in hurling and football last weekend. The first one was football against Rathgormack B in Colligan which proved to be a very good game for us considering we were very much under strength and those who were not there will find it very hard to get back onto the team as the team played very well. Rathgormack won by 3 points. The second game saw us travel to Knockanore to play the Shamrocks in hurling. We played a good game but left them get to far ahead our fitness seemed to catch the shamrocks after they had a good lead at the start of the second half. Another good game and again saw good performances by a number of players. Shamrocks held on for a 3 point win.

#### NIGHT OUT

## LAWLOR'S HOTEL SENIOR FOOTBALL CHAMPIONSHIP

# Clashmore Win Low Scoring Game

### CLASHMORE 0-6 TRAMORE 1-1

A low scoring game at rain swept Walsh Park on Saturday afternoon with the Western side coming out on top in a very poor game. The under foot conditions were not conducive to good football with the pitch very greasy from the falling rain.

All of 16 minutes had elapsed before the opening score a Declan Allen point for Clashmore. Both sides missed scoring chances from placed balls early on with Stephen Barron (Clashmore) and Paul Ogle (Tramore) off target in the difficult conditions. Clashmore were well on top early on but kicked 5 wides in the opening 10 minutes before Allen found the range. Tramore took the lead in the 18th minute when Willie Cullinane scored the only goal of the game with a well taken score with a low effort along the ground. Inside 10 seconds Stephen Barron converted a Clashmore free to cut the margin to the minimum 1-0 to 0-2.

Clashmore saw a number of scoring attempts drop short into the goalies hands. Karl O'Keefe brought Clashmore on parity after 29 minutes of play when he kicked a fine point. As the game entered injury time Stephen Barron restored Clashmore's lead when he converted to send the teams to the dressing rooms on level terms.

Tramore 1-1 Clashmore 0-4. It took 16 minutes for the first score of the opening half to be recorded. It took 20 minutes for the first score of the second period to be recorded. The second saw only two scores recorded both to Clashmore from Stephen Barron placed balls. Early in the second period Paul Ogle saw his effort for a score from a free go wide. Barron converted a free in the 20th minute of the half to restore his sides lead 0-5 to 1-1. It was the third time in the course of the game that Clashmore led but on this occasion they did relinquish their advantage. Clashmore created two goal scoring chances but Declan Allen short wide from in front of the goals with the keeper off his line and Barry Dunne saw his effort saved by goalkeeper John Moroney in the 55th minute. Barron has his and Clashmore's second point of the second half when he converted a '45' on the stroke of half time. Final score - Clashmore 0-6 Tramore 1-1.

Both teams will have to show a major improvement in their play if they are to be in contention for championship honours. Clashmore now play Kilrossanty for a place in the quarter finals while Tramore must play off with Kilmacthomas for to be involved in the championship proper.

Scorers: Clashmore - S. Barron 0-4, D. Allen 0-1, K. O'Keefe 0-1; Tramore - W. Cullinane 1-0, J. Hayden 0-1.

Teams: Clashmore - Declan Hickey, Padraig Connery, Jason Seward, Ed Beresford, Philip Dee, Ciaran Burke, Kevin Dunne, Stephen Barron, Karl O'Keefe, James Ledingham, Kieran Connery, Barry Dunne, Declan Allen, Cillian O'Keefe, Brian O'Neill, Sub: E. Kelly for C. O'Keefe.

## GAELIC GAMES COACHING CORNER

### VHI GAA Cul Camps Update

The 1st week of the Cul Camps was a great success with 350 boys and girls taking part in the camps. The great weather along with a great fun filled week made the week enjoyable for all involved. With visits by county players, skills competitions, blitzes and top class coaching the camps are proving popular again this year. If you wish to get involved here are the upcoming camps for the next few weeks. Camps for Week 3 are Mt. Sion, St. Pat's Nhb/Brid, Butlerstown, Ballyduff Upper and also the Hurling on the Green in Hillview. # THE GALWAY GAME

The attendance at the qualifier match against Galway at Walsh Park was published in the media as ranging between 10,000 and 12,000 on Sunday July 2nd. The actual attendance was 11,000 and this included 5,000 in the stand and the remainder on the embankments.

At the county board meeting on Monday night last, the chairman, Pat Flynn paid tribute to the match day committee who stage managed the organisation of the fixture. They deserved to be highly complimented and said that they can feel proud and satisfied that the whole thing went off without a hitch.

An interesting aspect of the event is that Galway brought only approximately 700 supporters and this means that Waterford had in excess of 10,000 followers in the ground. The betting odds as published by two leading bookmakers gave Galway at 4/7 and Waterford at 13/8. This may have had an influence in keeping the Connacht champions supporters at home.

The extent to which the game

and the result built up our confidence is to a great extent reflected in the comments and statements by some players to the media in the aftermath of the game.

Dan Shanahan was certainly full of confidence when speaking on TV in an immediate post-match interview and in a long interview with the Daily Mail on Tuesday Ken McGrath was bubbling with confidence when he stated that the team have not played so well for years and are now ready to take on all comers.

Tom Ryan former Limerick trainer and well known hurling analyst said on the day after our match with Galway: "They were absolutely brilliant and played a brand of hurling that anyone could be proud of. I was always a fan of Waterford hurling and that is why I was so disappointed at the way in which they played against Tipperary in the Munster semi-final. Waterford's greatest opponents are themselves. Psychologically they always appear a little fragile. Take that

Munster semi-final defeat. They were so obsessed by the players who were injured that they lost their focus. Injuries are a fact of life in hurling and you just have to deal with them. But Waterford fixated so much on the problem that they ended up playing players who were not fully fit and brought on one who had not clearly recovered from injury. Still I am confident that they will make it to the semi-final."

## ROADSIDE COLLECTION

The bucket collection on all the approach roads to Walsh Park on Sunday in aid of the O'Regan children's disaster

fund was very well supported with patrons giving generously for this very deserving cause. The amount collected was 40,000 euro and the organisers have expressed themselves to be very pleased with the generosity of all concerned.

## THE MOSSIE WHELAN FUND

The special committee of the Portlaoise Club who organised the fund raising for one of their former great players, Mossie Whelan who is suffering from motor neuron disease have announced that the two events, the match and the auction have raised a total of 111,000 euro.

Here again the generosity of the public knew no bounds and on behalf of themselves and the Whelan family the special committee have expressed their very sincere thanks

## NO SENIOR GAMES

Because of the continued involvement of our county teams, no championship games can be fixed at the moment and when the G.A.C. met on Monday of last week they were left with absolutely no option but to defer the games until after the quarter finals (at least) of the hurling and also taking into account our involvement in the Tommy Murphy Cup in football. Hopefully we will also have further involvement in the Munster under 21 hurling championship.

## The 2007 Senior Hurling Championships

It is a very big topic at the moment and now more and more counties are supporting a move to change from the present system. Several leading personalities have spoken out against the current system and following the Chairman of Munster council's comments after the Munster final, the chairman of the Leinster Council Liam O'Neill has come out strongly in favour of change. He also believes that Galway should remain in Connacht and not be invited into Leinster.

At the present time, serious consideration is being given to the problem by the Hurling Development Committee who will likely put proposals before the special Congress in October.

The club factor seems to be becoming more and more into the debate and as I wrote last week, they have it in their hands to influence a decision and ensure that more time will be available for playing club championships.

## THE PHELAN CUP FINAL

The 2005 edition of the Phelan Cup involving Ballinacourty and Gaultier will take place at Walsh Park over the weekend.

The game is quite interesting in that these clubs are in the same section of the championship and have already met, with Ballinacourty coming out on top after a splendid contest.

In the second round of the championship Gaultier met Ardmore in Leamybrien and won a match that was described as being one of the best so far in the competition. There could seem to be a message for Ballinacourty here that suggests that Gaultier were not at their best when losing to Ballinacourty.

# Waterford Come Out On Top In Portlaoise

SENIOR HURLING QUALIFIER — WATERFORD 2-17 LAOIS 1-13

Weather conditions were atrocious and players had to grapple with the problem of staying on their feet as the rain poured down incessantly on O'Moore Park in Portlaoise on Saturday last but there was no doubting the fact that Waterford were the better team and won deservedly when their skill and style shone out in the final quarter.

There were occasions when our confidence received set backs as the challengers in front of their big home support drew level four times in the opening half when Waterford had the assistance of the stiff breeze. But at the same time the majority of our big support there felt that the superior Waterford team would finish the job that they came to do. No doubt but people had been expecting a display similar to that of the previous Sunday against Galway, but in the prevailing conditions such an expectation was over optimistic.

We won and topped our group to win a place in the All-Ireland quarter final against Tipperary in ten days time.

## LINE OUT

The team lined out as per the match programme except for the replacing of the injured Tom Feeney by Kevin Moran in a direct swap.

Tom Feeney received a shoulder injury in the Galway game and the selectors decided not to risk him here in the conditions.

Paul Flynn was again left out to the surprise of many, but a groin problem was the reason why the

team captain was left on the bench. Shane O'Sullivan being the only Ballygunner player in the line out adopted the mantle of team captain, but when he was eventually substituted the reigning county champions had no representative on the team. A rare occurrence in a major game.

This was a game in which Michael "the Brick" Walsh proved beyond any doubt that he is an outstanding outfield player and should never be confined in the full forward berth. This was an important feature and factor that we got from the game.

Clinton Hennessey also gave a super display in goal, Dave Bennett contributing six splendid scores from play and placed balls made a big contribution. Our half back line of Tony Browne, Declan Prendergast and Brian Phelan were super on the day and maybe it is a tribute to our whole defence that Laois replaced four of the forwards during the game.

Ken McGrath, majestic in so many matches had a quieter day than normal but nevertheless did a lot of solid work throughout. John Mullane hit top form again and his contribution of 1-3 was mighty. Dan Shanahan although not appearing on the scoreboard (very unlucky not to have scored a couple of points) did a whole lot of useful work in the build up to the scoring. Star of the Galway game, Eoin Kelly had an "off form" experience and never seemed to get into the game and was replaced. Seamus Prendergast

tried hard when introduced as a substitute and took his point well and showed signs that the Ardmore man is gradually returning to his best.

## PLAY

Dave Bennett from a first minute free opened the scoring when hitting the first of his six points. The teams were level when Tommy Fitzgerald, also from a free pointed for Laois in the 4th minute. Ken McGrath pointed from a '65' for his only score of the match in the 5th minute and John Mullane had our first point from play in the 6th minute.

In the 7th and 8th minutes Laois marksman James Young had a brace of good points to bring the home side level. A super point by Mullane from near the sideline was followed with a splendid score from Joe Fitzpatrick.

Right on the 15th minute Michael Walsh moving out from his position had a good point and in the 17th minute Dave Bennett with another great score brought our total to 6 points. Eoin McGrath and Michael Walsh followed with scores from play to leave the tally at 0-8 to 0-4 by the 24th minute. Then the first set back came when Damien Culleton goaled for Laois in the 29th minute and James Young followed with an equalising point one minute later. The Laois fans smelt something coming and roared their team on. But it was Waterford who hit back with a score from a pointed free

by Dave Bennett and a super score from Michael 'Brick' Walsh to give Waterford a three points advantage at the break. 0-11 to 1-5.

## SECOND HALF

Mullane was on hand to score an early Waterford point and Dollard brought one back for Laois. Young followed with a splendid point to reduce the gap to a mere 2 points. Then came what might have been the turning point of the match when a well aimed cross from Bennett found Mullane who in turn sent to the Laois net for a very relieving goal in the 7th minute of the half.

Another point by Michael Walsh drew a response from Joe Phelan for a nice Laois score in the 8th minute. Young and Bennett exchanged points from frees and there followed an almighty onslaught on the Waterford goal zone lasting for all of 90 seconds and in which our defence was majestic. A Laois goal here could have had disastrous consequences. Joe Fitzpatrick and Dave Bennett exchanged points. This took us to the 24th minute and we were hanging on to a 4 points lead at this stage when the outstanding Michael 'Brick' Walsh extended our lead to 7 points with a great goal in the 25th minute. Seamus Prendergast made it 8 points after a nice point from play in the 27th minute. The battle in the rain continued for another 10 minutes but with the Deise team in control there was no further danger.

Scorers: Waterford - M.

Walsh 1-5, J. Mullane 1-3, D. Bennett 0-6, K. McGrath, E. McGrath and S. Prendergast 0-1 each. Laois - J. Young 0-8, D. Culleton 1-0, J. Fitzpatrick 0-2, J. Phelan 0-2, S. Dollard 0-1.

Waterford - C. Hennessey, J. Murray, K. Moran, E. Murphy, T. Browne, D. Prendergast, B. Phelan, K. McGrath, D. Bennett, D. Shanahan, E. Kelly, S. O'Sullivan, J. Mullane, M. Walsh, E. McGrath. Subs, A. Kearney for E. Murphy, S. Prendergast for S. O'Sullivan, J. Kennedy for E. Kelly, S. Molumphy for J. Murray. Laois - P. Mullaney, B. Campion, P. Cuddy, J. Walsh, C. Healy, P. Mahon, M. McEvoy, J. Fitzpatrick, J. Phelan, T. Fitzgerald, J. Young, S. Dollard, D. Culleton, M. Rooney, D. Carter. Subs - T. Doran for P. Mullaney, G. Delahunty for D. Carter, S. Dwyer for S. Dollard, P. Russell for T. Fitzgerald. Referee E. Morris, Dublin.

## THE QUARTER FINAL DRAW

The draw for the hurling quarter finals took place as arranged on Sunday evening on TV and resulted as follows:

**CORK V. LIMERICK**  
**GALWAY V. KILKENNY**  
**WEXFORD V. CLARE**  
**TIPPERARY V. WATERFORD**

For Waterford and Tipperary it means playing the Munster semi-final all over again and while very many of our supporters will feel happy with the chance to reverse that result, it is also a fact that very many would have preferred a meeting with Wexford.

If the panel take this as a challenge that they have to meet and overcome and if we play to our best form then I for one will be optimistic about our prospects of getting to the All-Ireland semi-final.

## STAND TICKETS

Tickets for the quarter final against Tipperary will be required for patrons traveling to the game. Details of their availability will be broadcast on W.L.R. fm over the weekend.

## THE GAME IN CROKE PARK

At a meeting of G.A.C in Croke Park on Monday morning the full programme of quarter final matches were fixed and the Waterford v. Tipperary match was fixed for Croke Park at 4 p.m. on Sunday July 23rd.

It will be preceded by the Wexford v. Clare game. The other 2 quarter finals will be played in Thurles on Saturday July 22nd.

Kevin Cheasty, Development Officer, and coaches Seamus Ronayne, Alan Tobin, Michael O'Sullivan, Michael Duffy, Patricia Bronack, Deirdre Moroney, Daniel Devine and Kieran Connelly with the Abbesside 10 to 12 group at the V.H.I. ## JUNIOR FOOTBALL CHAMPIONSHIPS

The second string or reserve section of the junior football takes centre stage on the coming weekend and with a number of clubs still in contention the fare must be quite good.

Bohadoon is the venue for the meeting of the Nire and Kilrossanty and with the Ballymacarbry based club doing very well so far, they will be favourites to win here. This game is on Friday at 7.30 p.m.

Ballinacourty v Ardmore

This tie goes ahead at An Rinn venue also on Friday. Ballinacourty will be slight favourites here.

An Rinn v. Stradbally

This is also a Friday evening match and will be played at Leamybrien, where Stradbally, who lost narrowly to the Nire in their last game, will be strongly fancied.

Brickey Rangers v. Kilgobnet

This game has a 7 p.m. start at Fraher Field on Sunday evening and there is so little between the teams, it is impossible to make a prediction.

Sliabh gCua v Shamrocks

The Knockanore club will be fancied here and should come out on top at the Cappoquin venue.

Geraldines v. Dungarvan.

These sides clash in Bushy Park on Sunday evening and unless there is a surprise in store, Dungarvan will advance.

Ballinwillin v. Ballysaggart

This is scheduled for the Cappoquin venue on Saturday evening next and it may provide Ballysaggart with a chance to reverse the result of their junior hurling clash.

## SENIOR FOOTBALL CHAMPIONSHIP

Clashmore 0-6 Tramore 1-1

This was the last match in the programme of second round football games fixed by G.A.C. and judging by the final score it certainly must have been one of the poorest. (See separate report on Page 51).

# WESTERN BOARD RESULTS

J.H.C. Ballyduff 2-9  
Fourmilewater 1-9

The result of this splendid contest saw the above teams finish level on points behind the leaders, Lismore.

They must now meet again to decide the placing in the group.

Rinn O gCuanach 1-10  
Kilgobnet 0-3

This was a play-off game to decide placing in the junior hurling championship and the Gaeltacht team's resounding win clearly decided the issue at Fraher field.

Modeligo 1-9  
Ballysaggart 1-8

This was another fine win for Modeligo and another disappointment for Ballysaggart who are not enjoying any luck this season. Not too long ago Ballysaggart were contenders for the intermediate hurling championship and have produced great players over the years. Modeligo are now receiving their overdue run of luck.

Kilrossanty 0-11  
Glen Rovers 0-4

As the score shows, the Comeragh team proved too strong for the Melleray based side here. Glen Rovers having a confined catchment area are caught for numbers and deserve great credit for their continued perseverance.

## JUNIOR FOOTBALL RESULTS

Kilrossanty 1-11  
Ardmore 1-9

This splendid and enjoyable contest was sportingly fought out to the final whistle.

As results stand, neither club will be involved in the KO stages.

Dungarvan 2-12  
Sliabh gCua 0-2

The final score tells the story of this one sided game as the Old Boro team continued on the winning vein. It was seen as a mismatch from an early stage.

## MINOR HURLING RESULTS

The clash involving Cappoquin and Dungarvan which had been scheduled for Colligan and 'billed' as the most attractive meeting of the second rounds was cancelled because of a be-reavement.

The sad death of Mrs. Karen O'Connor of Carrigeen, Cappoquin at a very young age caused widespread grief in the Cappoquin area and all sporting activities involving Cappoquin players was cancelled as a mark of respect. All midweek activity in the club grounds was also cancelled.

Abbeyside 2-16 St. Olivers 2-5

This game was played at Bushy Park and was a far better contest than the final scoreline suggests. For Abbeyside it was a hard won game as St. Olivers never gave up. These clubs now each have 2 points from 2 matches. With 3 teams qualifying both can be in the final shake-up.

Referee Derek Lyons.

The third match in this section did not take place as Ballyduff had conceded a walk-over to An Gaeltacht because enough players were not available.

Lismore 8-15 Naomh Brid 4-11

The flag waving umpires were kept busy here with a total of 39 scores including 12 goals.

Lismore are really a 'cut above' all the others in this "B" grade championship and to me it seems doubtful if they are going to be defeated here in the west.

Referee Robbie Whelan.

Cois Brid 3-10 Brickey Rangers 2-13

This was a very good and tremendously exciting contest with the game remaining in the balance all the way. There was some splendid hurling on both sides. A draw was a fair result. It gives each club 3 points so far.

Referee Pat Fitzgerald.

Fourmilewater 0-11 Stradbally 1-8

This was another tit-for-tat contest that kept the game exciting right up to the finish and each side sharing the points. Both clubs were defeated in their first round matches.

Referee Pat Prendergast.

## FOURMILEWATER HURLING CLUB NOTES

### UNDER 13

Our Under 13 hurlers had their first win of the year, when they travelled to Bushy Park on Friday evening last, scoring a well deserved 1-6 to 1-3 win.

This was a very exciting game from start to finish. The half time score was 0-4 to 0-2, Diarmuid Murphy, David Meehan and Jamie Barron being the scorers.

The second half was an exciting affair, with Brickeys drawing level after 5 minutes with a well taken goal. Fourmilewater hit back with two scores from Ken Brazil getting a goal and a point. 13's now move on to the Killeagh tournament, which takes place in the next few weeks. The team will benefit from this competition.

Team: L. Whelan, B. Lawlor, J. Hannigan, A. Norris, S. Looney, D. Murphy, D. Ryan, J. Lonergan, J. Barron, K. Brazil, D. Power, N. Fraher, C. Gleeson, D. Quinlan, D. Meehan.

### MINOR

Our Minors played out an exciting draw with Stradbally on

last Wednesday evening last in Bohadon in Minor football. The Nire minor footballers will play Brickeys in Fraher Field on next Wednesday at 7:30pm.

### W.I.T.

W.I.T. Games Development Team will visit the Millfield on Monday, the 24th of July to do two coaching sessions with our U12's and U14's. Both U12's and U14's will be divided into both young and old, and will be coached separately, the younger squad at 10:30pm, the U14 at 12:15pm.

This is a great opportunity for our young players, and one which we hope every player will take advantage of. The people from W.I.T. will provide all the equipment, except hurleys and helmets.

### IMPORTANT MEETING RE: MILLFIELD

An important meeting will be held in the dressing rooms to discuss the future of the Millfield.

All paid up members of the three clubs involved are requested to attend. It is very important that as many people as possible attend this meeting, as it's not much use taking about what should be done!

### BEST OF LUCK, LIAM

Best of luck to Liam Lawlor, who lines out for Waterford U21's in Cork against Cork in the Munster U21 semi final. Let's hope it will be a successful trip to Leaside!

### UNDER 11 GROUND HURLING

The U11 Ground Hurling competition will take place in Bushy Park on Saturday next at 10:30am.

### CARDS

The result of the cards, which were held on Friday night last in Doocey's were as follows: 1st with 9 games: Michael Power and Richard Harte; 2nd with 8 games: Eileen Ryan and Johnny Kiely. The lucky table was Jim Sullivan, Walter Hill, Nellie Quinlan, Eileen Kelly. Cards continue every Friday night.

### UNDER 12'S HONOURED

Our winning County U12 hurlers were honoured at 10am Mass in the Nire Church on Sunday last. It was a lovely gesture by the people of the Nire, and one which we are grateful for. The cup of tea afterwards was very welcome also.

## U-21 Hurling Munster Semi-Final v. Cork In Paire Ui Caoimh

It is a case of all roads leading to the Leaside capital on this Wednesday evening for our game against Cork.

Waterford gave a fine display against Limerick in Dungarvan and after a very tight and splendidly contested battle we emerged winners with a one point margin.

Wayne Hutchinson who played at right wing back in the game against Limerick may be a doubtful starter, having been taken off injured in the recent Sargent Cup final with Ballygunner against Fourmilewater. The halfback line of Richie Foley, Kevin Moran and Wayne Hutchinson was our best line on the night.

## Under 21 Football County Finals

Both the A and B county finals will be played on the same programme in Walsh Park on Friday July 21st.

Ballinacourty are the defending county champions and will play the surprise eastern champions, Tramore in the A final and Brickey Rangers who are the 'B' western title holders will meet the group team, St. Marys.

They will be the first county finals of 2007 and were pencilled in for the previous weekend but because a number of players are involved with the under 21 hurlers on this evening the match was deferred. They will, of course be further deferred if this evening's game in the under 21 hurling semi-final, ends in a draw.

## MINOR FOOTBALL CHAMPIONSHIP COMMENCES

As listed in our fixtures column the first round of the minor football championship will take place on this Wednesday evening at venues around the division. Since last year most of the clubs will have shed players because of the aging process so it is difficult at this stage to make forecasts. After the first rounds we will have a fair idea of form.

Golf tourism as we all know is now a big business in Ireland and the Dungarvan area is ideally placed to garner its share of this ever-expanding market. A major selling point of our three courses, Dungarvan Golf Club, Gold Coast Golf Club and ourselves West Waterford Golf Club is that we are all within 5 minutes drive of Dungarvan town center. The "Dungarvan Golf Triangle" effectively, allows you to purchase a ticket that enables you to play each of the three courses, Monday to Friday for the combined price of €75, and in this era of high green fee rates, this represents good value. The "Dungarvan Golf Triangle" is being advertised through all the usual mediums and is on sale in each of the three golf clubs. Tickets are valid up to 31st December 2006.

**Tony Dunford.**

Last year Tony ran the most

successful golf classic ever held at the GoldCoast, it raised over €37,000 for the Bone Marrow Leukaemia Trust. As most of you already know Tony had a bone marrow transplant and currently Tony is travelling to Dublin every 2 weeks for treatment on a special machine for 2 days at a time. **could not have been purchased** with the money from the golf classic. If this machine had not been purchased Tony would have had to travel to Belfast and stay overnight every two weeks. A good result all round and a deserved pat on the back for Tony for organising the classic and for all the people who played in it and the people who helped to sponsor it.

## Junior Cup

On Saturday and Sunday last the junior Cup was run at the GoldCoast Golf Club. The GoldCoast played Tramore on Saturday morning in terrible weather conditions. Tramore were to eventually overcome a very strong challenge from the GoldCoast winning the match on the 19th hole. Our thanks to the team

of Thomas Larkin, Kieran Cullinan, David O'Connor, Willie Morrissey and Kenneth Kelleher, to the caddies who braved the elements on the day, John White, Martin Murray, Jim Moroney, David Troy and Tom White, to the team manager, Brian O'Connor, for all the work he has put in **Brian Gaynor** for his presence and support.

## Charity Classic

The GoldCoast will run a Charity Classic, with the money going to the hospital in Dungarvan, over the four days from Thursday 27th to Sunday 30th July. The classic will be run as a three person rumble, 3 men, 3 ladies or three person mixed team. The scoring will be one to count over the first twelve holes, two to count over the next three and three to count over the final three. The cost per person is just €30 and this includes a carvery lunch. Prizes will include fourballs to some of Ireland's finest courses, details of which we will publish next week.

**Good week for our Junior Members**

Congratulations to both Ken-

neth Kelleher, who won his first ever Junior Cup match on Saturday, and to Fiona Morrissey, who won the ladies competition on Monday last.

Course closed on Thursday, 13th, Friday 14th, Saturday 15th and Sunday 16th Captain's Prize (Mr. Dermot O'Leary). Timesheets 058-54026.

We had a good turn out for our Golf Club Development Classic of over 70 teams. The weather was dry but changeable for three of the days, the exception being Saturday which was a 'soft old day'. The course is in excellent shape and is a credit to the town of Lismore. The scoring was of the highest standard. The last team out unbelievably came in with the winning score, albeit by the tightest of margins, winning by a superior last 2 holes with their 61 points. The team in question were Declan Glavin (13), Shane O'Rourke (13) and late call up, Leeds United fanatic Eddie Budden (18). The runners up pipped at the wire were the local trio of John Whelan (13), Billy Walsh (14) and Anthony Whelan (17) whose 61 points contained a superior last 6 holes over the all ladies outfit of Joan Cahillane (18), Ann Bennett (23) and Lady Vice Captain Hannah Lucas (22). The Gross prize was won by Anthony O'Rourke (9), Pa Morrissey (10) and John McGrath (10) with 46 points due to a superior last 9 holes. 4th place went to the experienced trio of Seamus Beecher (13), Pat Beecher (18) and the evergreen Dan Howard (19) with their 59 points also on the last 9 over 5th placed men Barry Rumley (8) Fr. P.J. (20) and 'Flying Scotsman' Gary Dunlop (13) winning on the last 6 over Richie Ormonde (11), Br. Billy (17) and Seamus Desmond (11) yet again their 59 points containing a superior last 6 holes over the 7th place team of Noel Whelan (7), Noel Hanrahan (10) and Kevin Hannon (12) playing out of Mitchelstown. Their 59 points containing a superior back 9 holes over the 8th placed team of Colm Burke (9), Roddy Crehan (15) and Bernie Burke (24). So a good time and craic was had by all and everybody was fed and watered by Bernie ably helped by Sharon and Emma. Ann Ormonde and her staff manned the bar. It was good to see Captain Dermot O'Leary out and about after his recent surgery. He will be the 'main man' this coming weekend, as he kindly presents his Captain's prize. There is a timesheet in operation for preferred day and playing times (058-54026). There will be a draw in the Clubhouse on Thursday evening at 9pm for exact times and playing partners. Lastly, but not least we would like to wish Pat Bennett and Marie Condon all the best as Munster take on Leinster in the Christy O'Connor AIB Challenge that is being staged at the "K Club".

## WEST WATERFORD/ EAST CORK LADIES SOCCER LEAGUE

(Sponsored By Solo Hair Salon, Youghal)

### Thriller In Tallow

The ladies league continued on Thursday night last and we had some thrilling games. In Tallow we had a real five goal thriller where the local side entertained Tramore with the visitors winning out by the odd goal in five.

Ballybridge Utd had a good home win over visitors Clashmore, while league leaders Kilmac defeated Lismore.

### RESULTS

#### Brideview Utd 2 Tramore 3

This was a terrific game of football with both sides showing some terrific skill, marvellous goals and some great saves.

Rosie Flynn put the visitors in front early in the first half and they held this lead till the break.

Tramore took the game to Utd in the second half and Sheila Power denied them from going further in front. Natalie Guile cleared off the line to keep Utd in the game. Then 15 minutes into the second half, the Tallow side were back in the game when Grace Carr shot low to the net, to put the sides level. Then came the goal of the game, Grace Carr picked up the ball in midfield, beat two defenders shooting low into the net for a marvellous goal to put Utd in front for the first time.

It was now end to end and when Rachel Wall grabbed an equaliser for Tramore, it looked as if the points would be shared.

With time running out, Tramore struck again when Aisling Griffen scored the all important goal for the visitors. A terrific game which was a credit to both sides.

#### Clashmore Ramblers 1 Ballybridge Utd 4

Ballybridge proved too strong for Ramblers last week. However, this was to be expected as this was Ramblers first league game.

For Ballybridge it was a terrific victory and moves them up the league table. Goals from Chloe Hennessy (2) and Kerry Hancock (2) clinched the points for Ballybridge.

On target for Ramblers here was Ciara Murphy.

#### Lismore 2 Kilmacthomas 4

The visitors good run continues as they won their third game on the trot in Lismore last Thursday evening. Lismore were hoping to get back to winning ways after their defeat the previous week, but it was not to be.

Kilmac' had goals from Aisling Weldon, Emily Aherne, Joy Aherne and Tina Fitzgerald.

Both of Lismore's goals were scored by Amy O'Reilly. This win keeps Kilmac in the driving seat.

### Fixtures For Tonight, Wednesday July 12th

Modeligo v Kilmacthomas.  
Lismore v Clashmore Ramblers, Off.  
Tramore v Ballybridge Utd, Off.

This Thursday night, July 13th at 8.30 pm. The Local Football Partnership will be launched at Ballyrafter House Hotel by Packie Bonner, Technical Director FAI, John Delaney CEO, FAI, Noel King, Manager Women's International Team, and Michael Looby, Regional Development Officer WWEC.

The Local Football Partnership has been identified by the FAI as the mechanism to assist the Technical Department to deliver upon the aims and objectives set out in the Technical Plan such as player development, grassroots development, women's football development and FAI education.

The West Waterford East Cork Junior League is honoured that the FAI has chosen the league in this pilot scheme along with the Mayo and Kerry Leagues and from the workings of those three leagues the FAI will plan future football partnerships.

The WWEC League will be really under the spot light in the coming months as the workings of the football partnership is monitored at FAI headquarters in Merrion Square, Dublin.

Junior Football in Ireland is thriving at present and when one reads of the difficulties that have befallen some of the Eircom League clubs in the past couple of weeks one just marvels at how strong grassroots football really is.

The WWEC league has improved in the last few years and the restructure of the divisions will strengthen the league further, although some clubs will have to make an extra effort to keep in touch otherwise they are going to be left behind. The local football partnership will in all probability help them, but at the end of the day clubs must help themselves and players will be expected to give more commitment to their clubs throughout the season.

All clubs are expected to send delegates to Ballyrafter House Hotel on Thursday night in what should be a milestone in the history of the league.

The Football Partnership involves all strands of football within the WWEC and a committee with Paddy Pollard as Chairman, Liam Fraser as Vice Chairman and Michael Mc Bride Hon Secretary has been elected and they will be expected to ensure that the terms of reference are adhered to at all times, such as to provide a strategic overview of football development within the league in line with the FAI Technical Development Plan and that the

aims and objectives are met.

Indeed Thursday evening should be of interest to everyone involved in football and the presentation from Packie Bonner will explain ideals and objectives of the Football Partnership.

The 2nd Pepsi Summer Camp (the official FAI summer camp) is taking place at Bride View Park Tallow this week and Packie Bonner will be present this Thursday afternoon to pass on his very experienced knowledge to all the children present.

Noel King, Women's International Manager will be launching the Women's league and will be present for one of the league games which will be played in Tallow on Thursday evening.

We expect to see a large attendance at Ballyrafter House Hotel this Thursday evening and remember the starting time is 8.30 pm sharp. Hope to meet you there.

### WORLD CUP

Once again we got our forecast wrong when we tipped France to be crowned World Champions. Italy deserved to win after their displays throughout the tournament and while the final will not be remembered as a classic France will rue some of their missed chances and of course the sending off of Zinedine Zidane did not help the French cause. One of our football hero's, Zidane's moment of madness may have cost France the glory, but he lost much credibility in our eyes with his reckless behaviour. Overall not a wonderful tournament, with only a handful of games of top quality football. One can only dream if only the Boys In Green were playing.

We look forward to the European championship in Sept.

## ABBEYSIDE A.F.C. NOTES

On Tuesday last we held our A.G.M. in Abbeyside school. Firstly, I would like to thank the outgoing committee for the hard work done in the season gone. A new committee was elected on the night and are as follows:

Chairman: Maurice Walsh;  
Vice Chairman: Michael Morrissey; Secretary: Michael Curran; Treasurer: Jim Mulhearn; P.R.O.: Robert Drumme; Development Officer: Willie John Kenneally; Committee: Mark Barry, David Ferncombe, Henry Morrissey, Tina Fitzgerald, Pat Fitzgerald.

### Castlebridge Test Lismore

Castlebridge Celtic almost caused the biggest shock to date in this Summer soccer tournament when they led the tournament leaders 2-0 for most of this game. Brideview Utd went down at home to Clashmore while Inch got back to winning ways against Blackwater.

### Results

#### Castlebridge Celtic 2 Lismore 3

Celtic will be kicking themselves with this result. Having led 2-0 for most of the game they allowed the league leaders back into it with three late goals.

This was a good test for Lismore and to be fair to them they responded well. Changing some players around saw a big improvement in the visitors. Goals from Edward Pollard, Jer Walsh and Pa Cummins swung the game in the visitors favour and they went on to collect three valuable points.

#### Brideview Utd 0 Clashmore 2

The Tallow side have been blowing hot and cold during this tournament and on Wednesday evening in Tallow, they never got going. Seldom during this game did they test Ramblers keeper. Ramblers on the other hand took their chances and that was the difference between the teams at the end of the day.

#### Inch 3 Blackwater Rangers 0

Inch got back to winning ways when they defeated Blackwater Rangers. A good win for the East Cork side which lifts them up the league table.

On target for Inch were Aidan Ryan, Alan Crotty and Pa Rohan.

#### Blackwater Rangers 0 Castlebridge Celtic 3

Rangers suffered their second defeat in a few days when on Saturday evening last they went down to Castlebridge. This was a much needed boost for Celtic who had been stranded at the bottom of the table from day one. These defeats for Rangers could prove very costly to their hopes off winning this Summer tournament.

**Tony Dunford.**

Last year Tony ran the most

successful golf classic ever held at the GoldCoast, it raised over €37,000 for the Bone Marrow Leukaemia Trust. As most of you already know Tony had a bone marrow transplant and currently Tony is travelling to Dublin every 2 weeks for treatment on a special machine for 2 days at a time. This machine cost €45,000 and could not have been purchased with the money from the golf classic. If this machine had not been purchased Tony would have had to travel to Belfast and stay overnight every two weeks. A good result all round and a deserved pat on the back for Tony for organising the classic and for all the people who played in it and the people who helped to sponsor it.

## Junior Cup

On Saturday and Sunday last the junior Cup was run at the GoldCoast Golf Club. The GoldCoast played Tramore on Saturday morning in terrible weather conditions. Tramore were to eventually overcome a very strong challenge from the GoldCoast winning the match on the 19th hole. Our thanks to the team

of Thomas Larkin, Kieran Cullinan, David O'Connor, Willie Morrissey and Kenneth Kelleher, to the caddies who braved the elements on the day, John White, Martin Murray, Jim Moroney, David Troy and Tom White, to the team manager, Brian O'Connell, for all the work he has put in to this team and to our Captain, Brian Gaynor for his presence and support.

## Charity Classic

The GoldCoast will run a Charity Classic, with the money going to the hospital in Dungarvan, over the four days from Thursday 27th to Sunday 30th July. The classic will be run as a three person rumble, 3 men, 3 ladies or three person mixed team. The scoring will be one to count over the first twelve holes, two to count over the next three and three to count over the final three. The cost per person is just €30 and this includes a carvery lunch. Prizes will include fourballs to some of Ireland's finest courses, details of which we will publish next week.

**Good week for our Junior Members**

Course closed on Thursday, 13th, Friday 14th, Saturday 15th and Sunday 16th Captain's Prize (Mr. Dermot O'Leary). Timesheets 058-54026.

We had a good turn out for our Golf Club Development Classic of over 70 teams. The weather was dry but changeable for three of the days, the exception being Saturday which was a 'soft old day'. The course is in excellent shape and is a credit to the town of Lismore. The scoring was of the highest standard. The last team out unbelievably came in with the winning score, albeit by the tightest of margins, winning by a superior last 2 holes with their 61 points. The team in question were Declan Glavin (13), Shane O'Rourke (13) and late call up, Leeds United fanatic Eddie Budden (18). The runners up pipped at the wire were the local trio of John Whelan (13), Billy Walsh (14) and Anthony Whelan (17) whose 61 points contained a superior last 6 holes over the all ladies outfit of Joan Cahillane (18), Ann Bennett (23) and Lady Vice Captain Hannah Lucas (22). The Gross prize was won by Anthony O'Rourke (9), Pa Morrissey (10) and John McGrath (10) with 46 points due to a superior last 9 holes. 4th place went to the experienced trio of Seamus Beecher (13), Pat Beecher (18) and the evergreen Dan Howard (19) with their 59 points also on the last 9 over 5th placed men Barry Rumley (8) Fr. P.J. (20) and 'Flying Scotsman' Gary Dunlop (13) winning on the last 6 over Richie Ormonde (11), Br. Billy (17) and Seamus Desmond (11) yet again their 59 points containing a superior last 6 holes over the 7th place team of Noel Whelan (7), Noel Hanrahan (10) and Kevin Hannon (12) playing out of Mitchelstown. Their 59 points containing a superior back 9 holes over the 8th placed team of Colm Burke (9), Roddy Crehan (15) and Bernie Burke (24). So a good time and craic was had by all and everybody was fed and watered by Bernie ably helped by Sharon and Emma. Ann Ormonde and her staff manned the bar. It was good to see Captain Dermot O'Leary out and about after his recent surgery. He will be the 'main man' this coming weekend, as he kindly presents his Captain's prize. There is a timesheet in operation for preferred day and playing times (058-54026). There will be a draw in the Clubhouse on Thursday evening at 9pm for exact times and playing partners. Lastly, but not least we would like to wish Pat Bennett and Marie Condon all the best as Munster take on Leinster in the Christy O'Connor AIB Challenge that is being staged at the "K Club".

WEST WATERFORD ATHLETIC CLUB NEWS

T. Q. S. INTEGRATION SUMMER LEAGUE

# It Could Be You!

The first night of the T.Q.S. League was held in the Friary Grounds by kind permission last Tuesday night. Held in ideal weather conditions, there was a big turnout for turn up for the T.Q. S. League. This league is ideally catering for beginners and regulars alike. There is a choice of 1, 2, or 3 laps and each person is welcome to run their chosen distance at their own pace.

This league differs from all others in that it is not the fastest person that wins but the person that runs the closest to their predicted time. Watches are not allowed and this aspect makes it very interesting indeed. The clock works backwards each night and when the clock reaches the time that you think you will run in, you begin your run. Ideally you want to finish your run just as the clock reaches zero. The people running three laps go off first, followed by the two lappers who are then followed by those running one lap. At this stage all the runners are out on the course and in theory if they all run at exactly their predicted time everyone should reach the finishing tunnel at the same time.

However, that is in theory and in reality some will run faster than they're predicted

time (the clock will not have reached zero) and some will run slower and the lucky individual who is first to cross the line after the clock reaches zero is the winner. With such a system in place everyone is in with an equal chance and like the lotto motto goes "It could be you".

If the likes of Sonia O'Sullivan, Norma Wall or John Treacy and Michael Deegan were there and some newcomers came along, there is every chance that the newcomer could run their distance closer to their predicted time than accomplished runners like these. So come along on Tuesday nights to the Friary College. The clock begins at 7 p.m. and entry fee is a modest €2 and water is provided after the run.

If you are still between two minds about joining up or not, why not come along some

night and just watch and if you have any questions or want some advice there are plenty of us there only too willing to help. We'll be at the West Waterford Van, you can't miss it! Just ask for Tony (League Organiser).

**RESULTS OF ROUND ONE OF T.Q.S. LEAGUE**

There were 28 people that ran faster than their predicted time last week. The time that appears beside each name is the number of minutes and seconds by which you were faster. If you predicted 20 minutes and 4.30 appears beside your name that means you ran 4 minutes and 30 seconds faster than the 20 minutes you predicted, you ran in a time of 15.30.

**Slower than their predicted time**

ran slower than the time they predicted. The clock had reached zero by the time they reached the finishing tunnel. Pride of place goes to William Rotte who was the first to cross the line after the clock reached zero. Second place went to Clare Walsh and to prove a point already mentioned, newcomer Paddy O'Dea who never before ran any of the West Waterford leagues, was in third spot, just in front of Brid Breathnach who is a relative newcomer as well although not for long. Other newcomers such as Paul Twomey, Karen Ryan, Aishling Horgan, Timmy Hyslop and Christine Mulvihill did very well indeed in their quest to reach the clock at zero. Well-done lads!

The following is the results for all those that ran slower than their predicted time. The time that appears beside each name is the number of minutes and seconds by which each person was slower than their predicted time. If 2.15 is beside your name and you predicted 20 minutes, then you were 2 minutes and 15 seconds slower than your predicted time and you actually ran in 22.15.

**T.Q.S. CHAMPIONS LEAGUE — HOW THE**

The overall winner of the 2006 T.Q.S. Champion's League will be the participant who accumulates the most points through the Colligan Cup System (predicting your time)

For each night of the league the first person to cross the line AFTER the clock reaches zero will receive 30 points, the second person will receive 29 points, the next person 28 points and so on down the line

Until the 30th person to cross receives one point. All those that cross the line after that don't receive any points.

For all those that cross the line before the clock reaches zero (Have run faster than their predicted time) the points system works the opposite way. Because it is most points is best, then the last person who crosses the line just before the clock reaches zero gets 20 points, the person in front of that person gets 19 points, the next person gets 18 points and

so until the 20th person receives 1 point. All those that don't receive any point for that night but with the system being the way it is they could be the very same people that could win it the following week. There are no penalties for missing a night in this league so we would love to see as many as possible joining us for the T.Q.S. League.

**The following are the positions in the T.Q.S. League after round one.**

## No Stopping Sandis

West Waterford's Sandis Bralitis had a most successful weekend on the road running scene when on Friday evening he made the journey to Killarney to take part in the Summerfest 5k around the beautiful national park in the town. Sandis finished a super 2nd behind Gerry Ryan of Galway who took the top spot in a time of 14.22, Sandis recorded a personal best time over the 5k distance when finishing in second in 14.30 with Clare's Seamus Power third in 14.42. Inese Melne also took part in the 5k in Killarney and not to be outdone by her boyfriend Sandis she too recorded a personal best time of 21.50 finishing 7th lady overall.

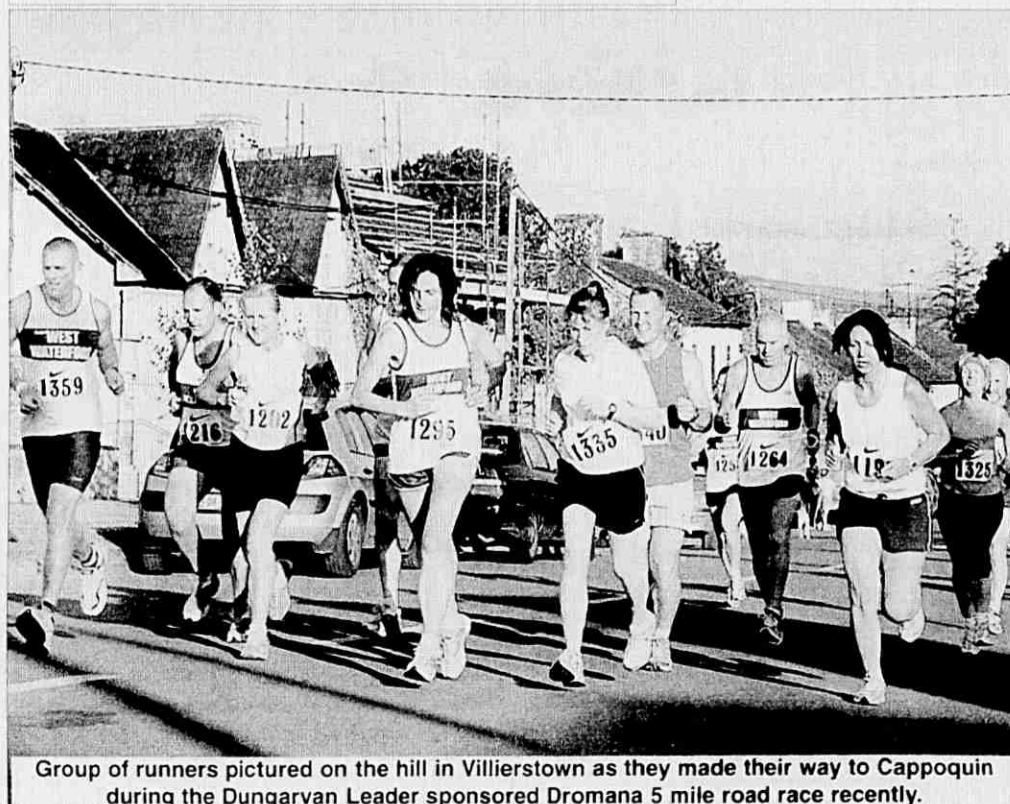

On Sunday Sandis was on the road early to another national Gem, this time it was Dublin's Phoenix Park and the Irish Runner promoted Adidas 5 mile challenge series. Here Sandis recorded one of his most impressive wins to date beating a top class field when heading a 3,000 strong entry around Phoenix Park in a splendid 24.30 in very windy conditions recording a famous victory over Irish International Peter Matthews and Kilkenny's Pat Byrne. A most impressive weekend for Sandis who is now mixing it with the best in the country, well done from all at the club.

**SPONSORS**

West Waterford Athletic Club is delighted to once again welcome on board Maura and Tom Quilty as sponsors of the League. We are delighted to be associated with them and it is thanks to their generous sponsorship that it is possible to hold such a league. They proved to be very much hands on sponsors as all the family were out at the league supporting the runners and providing water to all the participants. Many thanks.

## MAZDA A.A.I. TRACK AND FIELD LEAGUE

The "Day of Recking" has come for our club in regards to our participation in this years Mazda A.A.I. Track and Field League. Much work has gone on behind the scenes by our senior track and field co-ordinator Tony Ryan and a full squad is expected to take part in round one on this coming Sunday, July 16th in Limerick. Round two will be held on Sunday, August 6th in Cork and the finals are on Sunday, August 20th in Tullamore. Some major changes have been

agreed for this years league, all teams both division 1 and premier-will compete in the full range of events in the early rounds as well as the final.

Teams who anticipate being in the 1st division can no longer get to the final with as few as 5 athletes, thus providing more competition to a greater number of competitors.

Medals will be presented to the first three teams in each division for the first time ever. Our club has a bus organised to accommodate those entire athlete travelling and we will be leaving the Park Hotel Sunday morning at 9 a.m. sharp. If you are not travelling on the bus please phone Tony on 087-7657805. On wards and upwards!

Paddy O'Brien, Minnies Bar Abbeyside, (sponsors) of the Beginners League at St. Augustine's College, which ended recently, presents Katie O'Brien with her prize at the recent presentation night in Minnies.

## David McCarthy Attains Qualifying Time For Beijing

On a weekend when many medals were won by our juvenile athletes at the All-Ireland Track and Filed Championships in Tullamore (see results in Juvenile notes). Another of the clubs young stars David McCarthy was competing in Mannheim, Germany in a 5 strong squad representing Ireland at the junior international there.

David's main aim from the weekend was to try and get the qualifying time for the upcoming World Junior Championships in Beijing in August. He competed on Saturday in the 1,500 metres and was once again frustrated to miss out by 200's of a second after a slow first lap from the pace makers. On Sunday David was to make no mistake in the 800 metres when clocking a terrific 1.49.93 to reach the qualifying time over this distance and book his ticket to the World Championship next month.

However he still has two more major events coming up in the next two weeks and has ambition to maybe also make the qualifying time for the 1,500 at these. Well done on yet another super performance David and congratulations to all our juveniles and thei mentors and coaches on another most successful weekend for the club all round.

Former

On A Visit

We caught up with a former great of the local athletics scene last week when the Tallahassee Kid Liam Flynn (Ring) and his wife Cris paid us a flying visit from their home in Chicago for a week. Running as well as ever he took some of his old team mates through there paces on a couple of nights at The College grounds and there's plenty of speed in the old legs yet I can tell you.

Liam has the distinction of being the only former Dungarvan AC member to ever win a Marathon when in 1996 he won the Tallahassee Marathon with a time of 2.43.24.

Good to see you both so fit and healthy and we hope to catch up with you again soon on your next trip.

# Ardmore GAA Notes

## JUNIOR FOOTBALL

Ardmore lined out against Killrossanty on Sunday evening in what was a most entertaining game of football. With a victory over Ring last time out Ardmore were hoping for Back to back wins. Pat Walsh captained us on the night and led by example as he put over our first two points of the game. Both teams shared points throughout the first half and as the whistle blew it was Ardmore ahead. The second half had us playing against the breeze. With Eoin Foley playing as a third midfielder Ardmore were playing the better football. Again it was the north brothers that marshalled the midfield and created some fine passages of play. With 10 minutes remaining it was Noel Quinn that gave Ardmore the advantage with a well taken goal. Killrossanty pulled some points back by Substitute Pierce Whyte (one of the great Waterford footballers in his day). With only minutes remaining Killrossanty were awarded a goal that many thought was well cleared off the line by Paul Lynch...who played an excellent game at corner back. The final whistle went with Killrossanty having a 2 point advantage on a score line of 1.11 to 1.9. Players on the night was...Brian Power; Paul Lynch; Conor Hurlley; Patrick Prendergast; Eoin Foley; Dermot Fahy; Patrick Bousang; Alan North; James Flavin; Noel Quinn; Garry North; Nick Keating; Anthony Troy; Mark Walsh; Pat Walsh & Declan Barron....Well done to all. Our next match is on this Friday night at 7:30pm in An Rinn against Ballinacourty. All players are asked to be at An Rinn field for 7pm please.

## UNDER 13 HURLING

This game was played in Ardmore Sunday against Cois Bride. Ardmore needed to win to remain in the c'ship. All was looking good as we held Cois Bride to a 4 point advantage at the break considering that they had a strong wind. On the turn it was to our advantage and all was looking good as we went ahead by 2 points early in the second half. Cois Bride held steady and regained control as the game entered its final minutes. Cois Bride added a goal and a couple of points and came away comfortable winners.

## UNDER AGE BLITZ

The west waterford under age development blitz's will continue this Thursday evening in the GAA grounds. We ask all parents to come along and support this wonderful event. Tea and sandwiches will be available on the night so come along and view the up and coming talent. Over the past weeks the Under 8's/10's have been playing in similar organized blitz's and have competed extremely well in all games. So come along and support them on Thursday night. The blitz commences at 6:30.

## ALL-IRELAND Q-FINAL

We ask all interested ticket seekers for the All-Ireland Hurling Quarter final to contact James O'Donnell or Jay Prendergast ASAP for tickets. Waterford will play Tipperary for a semi-final place. We wish Clinton; Declan, Seamus and the whole of the Waterford squad the very best of luck. By all accounts this game is scheduled to be played in Croke Park.

# MOTIVATION

is  
YOUR KEY  
to  
SUCCESS!

LAURA LOST 4 STONE

Before I started going to Motivation my weight was a real problem. A friend told me about Motivation so we both decided to go together. I really like that Motivation is one to one, and you don't compare yourself to other people. In six months I have lost over 4 stone and the best thing is that I am still losing weight. When I started I couldn't even jog at a slow pace for 2 minutes, but now I can run at a moderate jog for about 15 minutes. The staff at Motivation are very encouraging and one of the best things about the programme is that they prepare you for pitfalls so you know how to handle them when they happen. I'd really recommend Motivation to anybody who wants to do something about a weight problem as it really does work. You don't end up disappointed and demotivated because of failure. Thanks to Motivation I have now almost reached my desired weight and am really happy with my achievement.
