## Health Board Misses Boat As Property Prices Soar

BY KEVIN KIRRANE

Soaring land prices were blamed as the Health Services Executive pulled out of a deal to construct a Sesame School in Shandon, Dungarvan.

The Health Board passed up an opportunity to buy a parcel of land for just 293,700 euro two years ago from Dungarvan Town Council.

However soaring land prices have seen the valuation of the 1.78 acres in Shandon rise to 1.2 million - effectively putting it out of the HSE's price range. And now the HSE has gone back to the drawing board and is planning to develop the Sesame School in the new Community Building in the former Presentation Convent instead.

"At the monthly meeting of this council held on the 17th of May 2004 it was agreed to sell 1.78 acres of our land in Shandon to the South Eastern Health Board (SEHB) for 293,700 euro," Town Clerk, Joe O'Flaherty told the July meeting of Dungarvan Town Council.

"This offer was not taken up

by the Health Board for various reasons. The sale was never concluded and the land still remains in the ownership of the Town Council," he said.

However, the Health Service Executive - as the SEHB is now called - decided to take up the offer recently, but balked at the cost.

"They are not now in a position to pay anywhere near the revised value, estimated at 1.2 million euro," Mr. O'Flaherty said.

He said at the moment the land is overgrown, and the subject of complaints from the people living nearby.

Mr. O'Flaherty said the council is now set to sell the land as part of a deal alongside

the rest of the remaining 4.5 acres at the site for more housing. The council already reaped several million euro for 7.5 acres on the site, and the auction could see the Town Council coming in for another cash bonanza.

"I met with Dermot Halpin of the HSE recently and he has

met with the architects for the community building in the former Presentation Convent site, with a view to relocating the Sesame School to this site."

Independent Cllr. Michael O'Riordan proposed, and Fianna Fail councillor, Anne Marie Rossiter, seconded the plans to sell the land for housing.

## New Speed Limits To Be Introduced

### CALLS FOR ROAD SAFETY MEASURES AS ROAD DEATHS SPIRAL

By Kevin Kirrane

Amid warnings of spiralling death rates on our roads, speed limits in four locations in Dungarvan may be changed under a major new Waterford County Council review.

While the new review will not see any drastic changes, speed limits in four locations will be pushed further out towards the edges of the town

boundary.

These include a road in Knockateamore where the speed limits will be pushed out to the town boundary, a 50 and 60 kph speed limit at the Park Hotel roundabout, a 50kph speed limit at the Fire Station, and 60kph at Clougherane.

**COMMON SENSE**

However, councillors urged drivers to use common sense

when driving and called for them to drive below the limits when conditions are unsuitable.

"People should see the speed limit signs as being indicative of the speeds they can drive at," Labour councillor Billy Kyne told the July meeting of Dungarvan Town Council. "But that doesn't mean they should travel at that speed where the

# LISMORE HEALTH HAZARD MUST BE REMOVED

## Concerns Over Doubling Of Waste Costs

By Kevin Kirrane

Fine Gael councillor, Nora Flynn has called on Waterford County Council to act by removing hundreds of tonnes of rubbish from the entrance of Sam Shire in Mayfield, Lismore. Cllr. Flynn said the bales of rubbish are both an eyesore and a health hazard close to the heart of Ireland's tiniest small town.

The problem has been the subject of searing criticism from locals and the elected representatives of both Lismore Town Council and Waterford County Council

### LEGAL ACTION

Legal action is being taken under the Waste Management

Act due to Sam Shire's failure to get rid of the waste.

But Cllr. Flynn called for action to be taken on the waste as soon as possible. "It's a health hazard and a danger. The council must go in and clean it up while the other matters are being addressed in court."

Director of Services, Denis McCarthy said the council's legal advice was to exhaust their legal options before they can consider going onto the site. "To get the money back (paid in advance for the disposal of the waste) we need to go through the legal avenues," he said.

### CONTRACTOR

A temporary contractor has also been acquired in the short

term for the removal of glass in the county's bottle banks. Up to recently, Sam Shire handled the disposal of glass until the company was wound up last month.

Meanwhile, concerns were expressed about the almost doubling of the cost of using the recycling centres in Dungarvan, Lismore and Tramore.

Speaking at Waterford County Council's July meeting, Cllr. Kevin Wilkinson said people not on the council's waste collection route will have to pay hefty increases - costs in one case will go from 30 euro per car to 60 or 90 euro - an annual cost calculated to be around 750 euro.

### INCREASES

Responding, Mr. McCarthy

said the increase in costs would not affect recyclable rubbish only household rubbish.

Customers will be required to have 2 tags per car/estate/ jeep for waste containing household waste and 1 tag for those not containing household waste.

Fine Gael councillor, Lola O'Sullivan warned that the increases could lead to an upsurge in illegal dumping in the county.

Lismore-based councillor, Declan Doocey said the decision to increase charges was "badly thought through"

He said that the council should be more competitive in its pricing structures.

Mace has honoured one of its Waterford stores for excellence in areas such as shop presentation, customer care and food safety at the national Excellence Awards which are presented annually. Foley's Mace in Dungarvan picked up the national award at a ceremony held recently in the Tullamore Court Hotel in Co Offaly. The Waterford store brings to 60 the number of Mace stores honoured this year, representing 23 different counties.

Mace retailers underwent a vigorous assessment programme throughout the year to ensure that they complied with the strict criteria set.

In presenting the awards Conor Whelan, Chairman, Mace Ireland said, "We are

tor the maintenance of the highest standards in all aspects of the retailer operation are of paramount importance. The winners have recognised that Mace is judged by our customers on the standards and services in

all our shops and we must strive for excellence at all times."

The awards scheme involves surprise audits which are carried out on an ongoing basis throughout the year by mystery shoppers and Mace personnel.

## Guarded Welcome For NRA Plans

By Kevin Kirrane

A guarded welcome was given to the National Roads Authority's plans to put turning arrows in place at a dangerous entrance to a busy factory in Dungarvan.

Sinn Fein councillor, Brendan Mansfield gave a cautious welcome to the plans for the entrance to GSK/ Stafford Miller, at the July meeting of Waterford County Council.

After speaking to the NRA, they said that the provision of a turning lane was "out of the question" due to the proximity to the roundabout.

However, this was flawed logic, said Cllr. Mansfield who pointed out that there is a turning lane at both Springmeadows and the Dungarvan GAA grounds despite their proximity to the Spring Roundabout.

Near misses and accidents have occurred on a regular basis at the entrance recently. Cllr. Mansfield, an employee at the factory, said it is the one issue on which the management of GSK, unions and workers are all united in calling for.

County Engineer, John O'Flynn said he would make contact with the NRA again on the matter.

# Rural Transport Initiative Launch Deise Link

Friday 30th. June marked a significant milestone in the development of public transport in County Waterford when at a very well attended event held in Clonea Strand Hotel, Minister Martin Cullen launched the services of the Waterford Rural Transport Initiative under the Deise Link brand.

Also speaking at the Launch were Cllr. Mary Green, Mayor of County Waterford and Chairperson of Deise Link, Ray O'Dwyer County Manager, Terri McGourty from Pobal who administer the Rural Transport Initiative on behalf of the Department of Transport, Mary Ryan from Comeragh

who spoke on behalf of passengers and James O'Donoghue Co-ordinator.

**CLLR. MARY GREENE, COUNTY MAYOR**

Mayor Green outlined the background to the project. In 2002 a mix of local elected representatives, state and local development agencies and community representatives were brought together under the auspices of the County Development Board to develop a plan that

would give access to services for people living in rural parts of the County by providing community based public transport. Whereas the initial plan was to run seven services, in line with demand and increased funding from the Department the number of rural services continues to increase. To date a total of 12 scheduled services operate from rural areas of the County to Dungarvan as well as to the adjoining towns of Clonmel, Carrick-on-Suir and Youghal.

In 2005 services to Cappoquin and Kilmacthomas Day Care Centres and Kinsalebeg Community Centre were introduced and in partnership with Waterford Centre for Independent Living a demand responsive service for people with disabilities, based in Dungarvan. We also support Dungarvan No Name Club and Forage in providing transport to events.

Passenger numbers continue to grow as the project continues to develop both the number and range of services provided. Passenger journeys have risen from 4,601 in 2003 to 19,883 in 2005.

**RAY O'DWYER, COUNTY MANAGER**

In his address Ray O'Dwyer spoke of the rural nature of County Waterford. At Census 2002, almost 68% of the population of Co. Waterford lived in rural areas. This makes our county the second most rural County in the South-East Region and the second most rural County. He spoke of a living countryside, where people live and work and commute where necessary and where there is a good quality of life. But also a countryside which has access to quality essential services - services which are delivered as locally as possible. But even a very living countryside cannot sustain all services and this is where rural transport comes in - if services cannot be brought to the people, it is vital that the people can be brought to the services.

**MARY RYAN, PASSENGER REPRESENTATIVE**

Mary spoke of the change having access to transport has ment to her. "I live in Comeragh, a very beautiful but very rural part of County Waterford. I do not drive myself and the nearest public bus stop to me, indeed the

Members of the Board of Deise Link and guests at the Launch.

nearest shop is three miles away. I do have a free travel pass but until the introduction of the community bus service it was of no use to me.

I would really like to say how delighted I am since the bus started calling. It really is a lifeline for me. I can now get to do my shopping without depending on others, but more than that it is very much a social outing where I get to meet other people. It is the highlight of my week, bringing me from my gate to Dungarvan and home again safely on Saturdays". She paid particular thanks to Tom Riordan who operates the service. "He makes every trip so easy and welcoming. And I know that the same can be said for all the drivers, they are our stars".

Mary concluded with a wish. "I would like to thank you Minister Cullen for supporting this project. Knowing that the services will be mainstreamed from next year on and that they are here to stay is wonderful news. We would be lost without them. My only wish would be that you might find a little more money for your own people here in Waterford so that we could have a second service in the week".

**JAMES O'DONOGHUE CO-ORDINATOR**

Bringing the official part of the Launch to a close, James O'Donoghue outlined developments to date. In advance of the mainstreaming by Government of the Rural Transport Initiative from 2007, all services will now operate under the Deise Link brand, which will become a

recognisable symbol for quality, accessible, community based public transport across County Waterford.

The Launch concluded with everyone enjoying a very relaxed lunch on a beautiful afternoon in a superb location.

For further information contact James O'Donoghue, Civic Offices, Dungarvan on 058 20845.

**Rejection of Young Farmer Planning Application Condemned**

**"UNREST" OVER PLANNING IN COUNTY**

By Kevin Korrane

Waterford County Council's decision to reject a proposal from a young farmer who planned to build a home on his small landholding was condemned by Fianna Fail councillor, Kevin Wilkinson.

William Galvin, aged 27, is a full-time farmer, but according to the Waterford ICSA, he is being "discriminated against" because he is farming predominately rented land. Mr. Galvin owns only eight acres of land, and it's claimed, that a Waterford County

Council Planner said he has no hope of getting planning permission on this land, located at Munsboro, Clonea Power.

**REVERSE DECISION**

And now, Cllr. Wilkinson has lent his weight to the growing clamour for the decision to be reversed. Speaking to the Dungarvan Leader, Cllr. Wilkinson said there is an "awful lot" of "unrest" over the county council's decision making, and "a change may be needed" over planning rules. He said this was a result of the

stipulations in the Waterford County Development Plan - a plan that he opposed.

**RESERVATIONS**

"I expressed my negative reservation at the time over several facets of the County Development Plan, and I would still have those reservations today.

"I believe the consequence of that decision are coming to bare today, unfortunately to this young Clonea Power farmer.

"I intend to table a motion calling for a number of areas of the County Development Plan to be

amended to make planning easier for people who are in the same situation as Mr. Galvin," he said.

**ICSA CHAIRMAN**

Edmond Phelan, chairman of the Waterford ICSA, expressed his dissatisfaction at the difficulties faced by farmers like Mr. Galvin, in getting planning permission. "The guidelines recently introduced by the Government were meant to protect the rights of farmers such as Mr. Galvin, but this doesn't seem to be working in this case," he said.

"Mr. Galvin is demonstrating a classic example of someone who has a genuine need to live in a rural area. It simply isn't possible to look after a suckler herd while commuting back and forward unnecessarily from an urban location."

**NEW AFFORDABLE HOUSING SCHEME ADOPTED**

**Calls For Mortgage Subsidy For Affordable Housing**

By Kevin Korrane

A new affordable housing scheme, which is designed to determine the order of priority in the selling of housing, was adopted at the July meeting of Waterford County Council. But one councillor has called for a mortgage subsidy for people intending to buy.

Sinn Fein councillor, Brendan Mansfield called for the measures for those under the wage limit.

He said: "When the Department bought out the scheme in relation to Affordable housing, where the applicant got the loan from the local authority, a circular was issued from them saying that people under a certain limit qualified for a Mortgage subsidy to be claimed back from the Department.

"Last year, the Department approved Banks and Building Societies to issue Affordable Housing Loans, but issued no guidelines as to how the subsidy for these loans was to be claimed and to date no information is on hand for same.

**PROCEDURES**

"When local authority tenants give back a house, they qualify for Mortgage Allowance over a number of years. The banks and building societies claim this allowance

back from the Department, so why can't the same procedure be put in place for the Mortgage subsidy?" he questioned.

Cllr. Mansfield went on to call on the housing executive to contact the Department of Environment to finalise an arrangement as to the claiming of the subsidy.

Director of Housing, Caroline Curley said she would contact the Department on the matter.

Meanwhile the new scheme is to exclude from the list those who have or are engaged in anti-social behaviour.

**INCOME TEST**

An income test is also part of the scheme. The limit for a single household is below 40,000 euro. Income for a two income household is 100,000 euro. A points allocation scheme will also determine the priority for the allocation of housing.

However, Fianna Fail councillor Tom Cronin called for more affordable housing to be built in rural towns and villages in West Waterford. The Dungarvan area councillor said no affordable housing is being provided in Ardmore and those who wish to stay are instead forced to get afford-

able housing in the larger towns of Dungarvan and Youghal.

**UNFAIR**

"It's totally unfair," he said before going on to criticise developers for always building affordable housing last in a development.

"If a developer is building 40 houses why is the affordable element always built as number 38, 39 and 40 instead of 1, 2 and 3."

Fine Gael councillor, Pat Nugent supported Cllr. Cronin, saying people have to wait three or four years before the affordable housing element is constructed. People are moving out of the county in some cases because they can't get affordable houses locally, he said.

**SPECULATION**

Labour councillor, Billy Kyne said more and more people are investing in housing.

"It's the current economic phenomena," he said. "It's one of the things we have to take on board."

He said it will remain the case until the Government puts a cap on land speculation.

Around one hundred and nineteen affordable houses are expected to be built in 2008, up from twenty-nine this year.

**Plant Medicine**

Herbal medicine is often described as 'alternative' or 'complementary' medicine. However, what most people don't realise is that many of the modern pharmaceutical drugs used today were originally found in plants. Even now, the plant world is often the first place the scientific community turns to when seeking new drugs to treat medical conditions.

Pharmaceutical companies try to identify a single chemical within a plant which is responsible for its medicinal action. This single component is then chemically extracted and usually synthesised artificially to create the drug.

This generally results in a product which has an extremely powerful effect on the body, and which can be very useful in the treatment of many serious conditions. However, it can also lead to imbalances of the body's normal functions and an increased risk of side effects.

Herbal medicine is different because it makes use of the plant in its natural form. Extracts of flowers, leaves, roots, bark or seeds are usually prepared by soaking the plant material in water, alcohol or glycerine. This extracts a much wider range of the plant's complex profile of chemical constituents.

The so-called 'active' constituents which are used by the pharmaceutical companies are still present. However other components are also present which support the action of the active constituent or help to reduce its side effects. The result is a powerful, yet gentler, more balanced action on the body.

Aspirin is a very well known and widely used pharmaceutical drug. It is composed of a chemical called salicylic acid which was originally discovered in the plant known as meadowsweet. The frothy cream-coloured flowers of this plant can be

seen lining many roadsides at this time of year. The word aspirin was derived from Spiraea, the original Latin name for meadowsweet.

Aspirin has the unfortunate side effect of causing damage to the lining of the stomach. However, the active constituent of meadowsweet is present in a much gentler form and is only converted to salicylic acid after absorption into the bloodstream.

Therefore, it does not have a damaging effect on the digestive system. In addition, meadowsweet contains tannins and mucilage which actively protect the stomach lining.

Another example is orthodox antibiotics which can lead to imbalances in microbial flora and the development of antibiotic resistant bacteria. Herbal antimicrobials such as thyme and calendula are very effective in the treatment of a wide range of infective illnesses but do not upset the normal microbial balance of the body. In addition, the complex range of constituents they contain makes it very difficult for bacteria to develop resistance to them.

Many people do not tolerate orthodox medicines very well and many others are concerned about potential side effects or other negative impacts on the body. For these people, herbal medicine can offer a very effective alternative or adjunct to orthodox medical treatment.

#### MAGNIFICENT WHALES

There are about 80 species of whale, among which are the largest creatures to have inhabited Earth. They appear to be very intelligent, social creatures who communicate with each other with a complicated system of sounds. Although whales live in the sea they are mammals, not fish. This means that they are warm blooded and give birth to live young who feed on their mothers milk. The young are born tail first so that they do not drown.

#### Different Kinds Of Whales

Right whales are named by whales because they are 'right' whales to catch for their oils. There are three types of right whale: the Greenland right whale, the black right whale and the pygmy right whales. All right whales are rare because they have been over hunted.

The largest of the toothed whales are the sperm whales. They can group up to 17m (56ft) in length. There are also two sperm whales, the pygmy sperm whale and the dwarf sperm whale, that are among the smallest of the toothed whale.

One very unusual looking whale is the narwhal. The male narwhal has an enlarged tooth that grows straight out of to form a spiral tusk about 3m (10ft) long.

The black and white killer whale is the most dangerous of all the whales. As well as fish, they will eat seals, penguins and even dolphins to which they are closely related. The killer whale is the largest member of the dolphin family.

#### Two Groups Of Whales

There are two groups of whales - the whalebone, or baleen, whales and the toothed whales. There are more toothed whales, which are usually smaller than baleen whales. Baleen whales live on plankton, which is made up of tiny sea creatures and plants. The whale strains plankton out of the water by sieving it through the comb like plates of stiff material called baleen, that hang from the whale's top jaw. Toothed whales use their teeth to catch and kill all types of fish. Baleen whales include blue, right, humpback, grey, sei and fin whales. Killer whales, sperm whales, porpoises and dolphins are all toothed whales.

#### DID YOU KNOW?

- ★ The Bahamonde's beaked whale, whose bones were washed ashore in 1986, has never actually been seen alive!
- ★ Whales evolved from the same ancestors as deer, camels, pigs, cows and hippos.
- ★ The blue whale is the biggest creature in the world. It is as long as Boeing 737, and weights more than twenty elephants.
- ★ Whales can communicate at 188 decibels, the loudest noise made by any animal.
- ★ Swindlers used to sell narwhal horns as the horn of the mythical unicorn.

# Objections To Two Major Lismore and Aglish Developments

By Kevin Kirrane

The fate of two major housing developments in towns in West Waterford, will be decided by An Bord Pleanála.

A forty-seven house development in Aglish and a seventy-five house estate in Townspark East in Lismore, are both set to be adjudicated on by the national planning appeals board over the coming months.

The Lismore development is planned by Blackwater Properties and will, if it goes ahead, be one of the largest one off developments in many years in the historic West Waterford town.

However, a number of local residents including Janie Keating, Jane Raven and Maureen Tyndall have brought the development before An Bord Pleanála on a number of grounds, including the size of the development itself.

Meanwhile, a residents group is one of a number of parties objecting to a 47 house development in Aglish.

The development is being proposed by Cloonross Partnership Group, but has been objected to by the Aglish Residents Action Group and Pdraig and Carmel O'Brien.

## Environment Today

### What is GLOBAL WARMING?

Life on earth is possible because the atmosphere is able to maintain the Earth's temperature within the range needed to support life by distributing energy received from the Sun around the globe (see ENFO Fact Sheet 16 and Briefing Sheet 23).

The atmosphere is a mixture of natural green-house gases (GHGs), water vapour and dust. Since the industrial revolution, the compositional changes of the atmosphere have occurred due to air pollution and landuse. Scientists now agree that gases produced by human activity are creating a blanket around the earth and not letting the heat out, causing the Earth's climate to become warmer, hence the term global warming.

Important GHGs, and some of their common sources include carbon dioxide, produced by burning fossil fuels such as coal and oil; methane, produced in the gut of animals such as cattle, rice paddy fields; and Chlorofluorocarbons (CFC's), used in fridges and spray cans and foaming agents.

It is thought that this climate change will cause the Earth's atmosphere to warm by 5.8°C. This is enough to cause severe impacts such as floods and cyclones and the spread of diseases and flora & fauna, normally associated with warmer climates. In Ireland we could experience high winter rainfall with more severe flooding, lower summer rainfall and water shortages, rising sea levels, accelerated coastal erosion, loss of bogland, and threats to agriculture due to additional pests and disease.

#### WHAT CAN I DO?

- By using less fuel in our daily lives, we can all combat the treats of global warming.
- When shopping for electrical appliances look for the energy label. Appliances are given a rating from A for the most efficient to G for the least energy efficient.
- Make sure that lights and heat are turned off when room is not in use.
- Put a lagging jacket on your hot water cylinder.
- Check out Sustainable Energy Ireland [www.sei.ie](http://www.sei.ie) for great tips and ideas.
- Reduce the amount of car journeys you make, use alternative modes of transport e.g. Walking, cycling and public transport. Why not start a car pool at work/school.

## Local History Notes

Letter from John McCann P.P. Ring, 8th May 1900 to Thomas McCarthy, Town Clerk, Dungarvan

"Dear Mr McCarthy...I beg to state for the information of your board that I believe that any aid whatever kind made to the Ring fishermen will not prove of the least avail until the grievances which they suffer through English Steam Trawlers off the near coast be abated. Already I have done my best to remedy this evil, which if not timely arrested will put an extinguisher upon the gradually decaying industry of Ballinagoul & Helvick.

The fact is evidenced from the correspondence which I herewith enclose. At the time of publication it may have probably escaped the notice of your Board, not appearing in provincial newspaper...the correspondence discloses the palpable fact that the makings of a Bye Law was a grim mockery rather than as a means of protection of the property of the poor and in many cases destitute fishermen, many of whom are burthened with large families."

The correspondence referred to by Father McCann appeared in the 'Freemans' Newspaper- it comprises of a letter by Father McCann Ring, December 29th 1898 to the Editor of the Freeman and acknowledgments from the Office of Irish Fisheries.

The article is headed 'Steam Trawling off Wexford Harbour & Co. Waterford'

"Here about 8 months ago a Bye Law was passed for the protection of the local fishermen at Ring, where there are about 120 men engaged in the industry and who supply fish to the neighbouring town and to all towns within 30 miles of Dungarvan. Owing to the predatory incursions of the Steam Trawlers, the nets of the local fishermen were frequently destroyed. It was found necessary owing to the local fishermen's mode of subsistence being seriously imperilled to pass the following Bye-Law. "It is hereby prohibited to use from any steamer or steamship or vessel propelled by steam the method of fishing known as beam trawling... off the coast of the counties Cork, Waterford & Wexford."

## Museum Outing

Well, we all had a very enjoyable evening last Wednesday when we went on one of the first 'Copper Coast' tours. The tour took place at Tankardstown Engine House, and our guide John was well informed indeed! We heard how the Quakers were at the forefront of the copper mining in the district- and of the decline due to the 'Copper Mountain' find in Montana, USA. The Copper Coast group has done a great job in preserving the old mine area, and they have plans to continue its development. The Copper Coast area is the only area in the South of Ireland to be awarded 'GeoPark' status, a tribute to its members, and surrounding homes. The scenery is second to none, seascapes and mountain views, all there to enjoy. In all it was a beautiful evening for an enjoyable tour, rounded off with a lovely cup of tea at Annestown, in the Geopark Centre. Thank you to our guide(s) and hostess!

Don't forget Wed. 26th of July we are going to Dunhill Castle, meeting at the Museum shortly before 6:30pm, and traveling by cars. Wear comfortable walking shoes and always be prepared for a weather change! Just a gentle reminder- as we will be joining a tour we will be leaving/ at 6:30 sharp.

If anyone is interested in joining us on our tours, stop in to the Museum and join the Museum

Tankardstown Engine House

## Fundraising Book Sale- Book drive

We are gathering books for our annual Fund Raising Book Sale at present, to those who have already contributed, "Thank-you", BUT we still need more, so we ask you to look in your cupboard, attic, under the bed, everywhere! Now is the time to clear your old books and let someone else have the chance to enjoy them. This year's sale is special as it is to be held in our old museum space, before restoration commences later this year. Money raised from the sale will go towards the fitting-out of the new museum space. We appeal to all our members and book lovers out there to support us! We are getting some

## TRAMORE DUNES: WIND AND FEET DAMAGE THE "BALDY MAN"

The tallest of the sand dunes at Tramore is the "Baldy Man" which stands on the northern edge of Tramore Dunes. The word dune is from Celtic Dún/Dunom and has passed into international usage through English and French.

Sand dunes rely on plants and plentiful wind-blown sand for their formation. Very young dunes (known to ecologists as Embryo Dunes) start to form when very salt-resistant plants like Sea Purslane and Sea Scutch grow on sand and start to trap a little pile of sand. The plants keep growing up through the accumulating pile of sand and, as the heap grows higher, it becomes less salty and the tough Marram Grass is able to grow.

This leathery, sharp-tipped grass is one of the commonest plants at Tramore Dunes and its fast growth traps whole dunes of sand hundreds of feet high.

Sometimes the formation of new dunes to the seaward side will cut off the supply of blown sand and quite quickly other plants will crowd out the Marram Grass. A "fixed dune" starts to form and fixed dunes are a priority habitat in Annex 1 of the Habitats Regulations that bring the EU Habitats directive into Irish law.

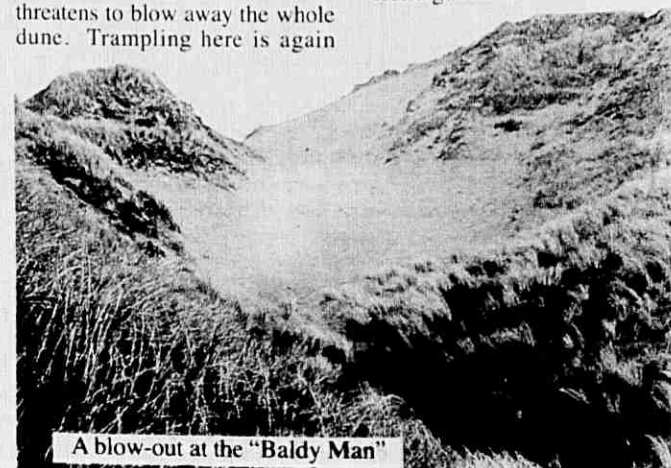

Tough and all as it looks, Marram Grass hates to be trampled on and this is the weakness of sand dunes. Where a gap in the grass cover is trampled open, the wind will start to blow away the sand and a "blow-out" starts to form. Tramore Dunes have three major blow-outs: two are at the narrow town end of the spit - fac-

ing north and facing south. Only an end to trampling in these will allow plants to re-cover the sand and the dunes to recover.

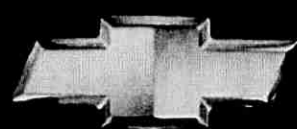

The Baldy Man is victim of the third blow-out and the wind now threatens to blow away the whole dune. Trampling here is again

the problem and the kindest walkers, runners and "sand-boarders" admire "him" only from a distance.

## No Right Of Way To Ardmore T-Flag

By KEVIN KIRRANE

Access to the historic T-Flag in Ardmore, which has been the subject of an intense controversy in recent years, is not to be declared a right of way, the July meeting of Waterford County Council heard.

Locals have claimed that access to the T-Flag - which is a heritage site - should be provided, but a local landowner has disputed this.

Replying to questions from Sinn Fein councillor, Brendan Mansfield, Director of Services, Denis McCarthy said that on the advise of their insurance company they would not be pursuing right of way.

Cllr. Mansfield, who has raised the contentious issue on a number of occasions, was told that the council would not be changing its mind on this matter.

Cllr. Mansfield called on the County Heritage Officer to inspect the site and take details and photographs for possible publication on the Library.

## Anger Over Funding For Local Improvement Scheme

By Kevin Kirrane

Anger was expressed over the level of funding for this year's Local Improvement Scheme for the upgrade of the county's private roads.

Fine Gael councillor, Nora Flynn hit out at the 319,000 euro allocation - a sum which places Waterford 18th on the list of county's who received funding.

"I'm sure we will be told that this figure is double of what we got last year. But double of nothing is still nothing," Cllr. Flynn told the July meeting of Waterford County Council.

Urging the Department of the Environment to increase funding, she said Waterford has a "big network of private roads."

"It doesn't make sense at all that Waterford should be in 18th place. Some counties are getting over a million euro under the scheme. Number eighteen isn't the position Waterford deserves."

The scheme allows for the improvement of existing local roads subject to a minimum contribution of the 10% of the cost of the work up to 25,393 euro. Just a handful of works are expected to go ahead in under the Local Improvement and Community Involvement Schemes.

Meanwhile, John O'Flynn said Waterford County Council said may take over roads that are upgraded, but added that it was not something they would be encouraging.

## Kilmac Fire Station on the 'Backburner'

**By Kevin Kirrane**  
 A long-promised new Fire Station for Kilmacthomas is being left on the backburner, according to one local councillor. The Kilmac' saga has dragged on for a number of years after problems with finding a suitable site. While the council has now provided demountable toilets and showers for the firemen in the old fire station, Kilmac-based councillor, Liam Brazil was unhappy at the pace of progress. And he went on to question how long it will be before real progress on the fire station will be made. However, Director of Services, Caroline Curley denied that it

was being put on the backburner, and she hoped the process would be completed in a matter of weeks. It follows a long-running search for a new fire station in Kilmacthomas, that has seen a number of sites ruled out due to their unsuitability.

## THE ANCHOR SESSIONS

Last Sunday's session with Us2, Europe's finest U2 tribute band was a great success. They played to a large appreciative audience, and are definitely going to be back.

**This week sees Cork based band Lerner take to the stage.**

Since the release of their debut album "...still, waiting..." in late 2005, things are looking up for this 6-piece rock outfit. Including a support slot to Irish rock legends, The Frames, Lerner were also nominated as one of Today FM's "Best of New Irish Artists 2006". The band is driven by a goal which seems to be looming just over their heads with the past few months, that being making a solid name for themselves on the Irish music scene.

Support slots with The Frames, Kila, Mark Geary and Martin Finke have helped them develop a loyal following. Upcoming for the band is a month long visit to the studio where Album No. 2 and Single No. 1 will be recorded, once again with engineer supreme, Karl Odium. Expect new material on the shelves very soon. Band members include Martin Ryan, Galvin, Hugh Dillon, Ali Arnopp, Karen O'Doherty and Anto.

Come to see Lerner next Sunday at 7pm in the Anchor Bar.

## 49th ARAGLIN CARNIVAL

It begins on this Friday, 21st July. This is a triumph based on team work. Some of the worlds largest companies invest considerable sums of money sending employees on team building exercises. The theory is, after a week in some health spa, listening to a guru, they'll emerge as reinvigorated team players. They've heard all about these courses in Araglin and frankly they're not impressed. Health Spa's and guru's are a bit thin on the ground out Araglin way and locals need no lessons when it comes to expanding the virtues of team work. They worked out a long time ago that you achieve a lot on your own but a whole lot more when you pool resources, agree a plan of campaign and work in a co-ordinated manner to achieve your goals. It's 99% common sense but regrettably has become desperately unfashionable.

While volunteerism and team work isn't extinct there's little doubt that Ireland is socially and morally poorer for its demise, Araglin carnival may not be the most sophisticated, glamorous or complex of ventures, however, it is a throwback to a time when neighbours without prompting or monetary reward, come together to complete major tasks especially at harvest time. As well as getting the hay or turf saved, there was the added bonus of touching base with the people you lived beside. You learned from these, you found out if anyone was in bother, in other words, you communicated. We've brought into the nation that modern communities are about houses. If planners get their way, massive amounts of high density houses. Communities are not about houses, they're about people, good productive and harmonising communities are places where people, in addition to caring about themselves, care about their neighbours and their environment. Critically, good communities care about their children and their children's children. The bulk of those who make up Araglin Carnival committee are children of the Carnival's founding fathers and mothers. After almost half a century the carnival is still a focal point. Still relevant and still an occasion of enormous pride. It's all these things, because the individuals who'll run it for the next ten days have learned from those gone before them. They've listened and learned and are determined to preserve something that's more than music, dance and side shows. It's about taking an interest, taking a job and taking the best from our past and cherishing it.

# 90th Running Of Dungarvan Agricultural Show

Thursday next July 27th all roads lead to Cappagh for the 90th running of Dungarvan Agricultural Show. Thanks to the generosity of the Phelan and Buckley families the Show has gone from strength to strength in its new venue - a venue which is very popular with both exhibitors and visitors.

This year's Show has all the usual events - Horse, Cattle, & Sheep Classes, Showjumping in three different rings - In the ridden Hunter section the Bellard Cup is presented for the Champion Hunter of the Show while the Fitzgerald Trophy is presented for the Champion Young Horse. In the Breeding Section the Observer Cup is a coveted Prize while the Pony Classes feature the Ita Carroll Memorial Cup, the Lenihan Cup and the Eamonn Dwane Cup for the Champion Pony in Co. Waterford.

The Showjumping arenas cater for all categories with the Park Hotel AB 148 cm League Final sure to attract all the top ponies. The 130m Horse class again kindly sponsored by the Al Eile stud will be keenly contested.

The Cattle Section in Dungarvan is renowned for the quality of the exhibits and the Maher Memorial Cup and Radley Spire Trophy will be hotly contested. Once again the Glanbia sponsored Super Cow competition will attract many entries.

The sheep section is well supported and the Boolatun Cup is the premier prize in this section.

The Home Industries section has enjoyed great support over the years and the hard working committee headed by Dinah Walsh report good entries in all sections. Remember there is

still time to enter - why not ring for a Schedule of Events - (058) 41365

The emphasis on our Show this year is innovation and the Committee chaired by Alan Connors have introduced some new items this year. For the first time there will be a Inter-Hunt Chase. Under the auspices of the Dungarvan Harriers which were founded in 1945 various teams from hunts in adjoining counties will compete over a course comprising cross-country style fences. Sponsored by the Al Eile Stud this event is run in a relay style and always provides plenty of excitement.

Trade stands will be many and varied and this year will incorporate a Vintage Car and Machinery section. A Falconry Display is also scheduled as is an Archery Demonstration.

The Dog Show very generously sponsored by Red Mills attracts lots of different breeds of Dog. Entries will be taken from 1.00 p.m. onwards at the Showgrounds.

Maera na Feirme is synonymous with Dungarvan Show and this year the County Waterford Farm Efficiency Finals have attracted entries from Maera clubs throughout the county.

The Gardai Horse division have agreed to come to the show this year and you can see these beautiful horses as they parade through the showgrounds. WLR are also present with their outside broadcasting unit.

Remember: Thursday July 27th - visit your local show - it is the Show in the County. A free bus will leave the Square Dungarvan commencing at 11.00 a.m. and will run throughout the day.

## Accident Waiting To Happen On Busy Road

By Kevin Korrane

A pedestrian crossing is needed between a new hotel development and the new car park in Lismore, one local councillor said. Fianna Fail Cllr. Kevin Wilkinson, who lives in the West Waterford town, said a pedestrian crossing should be put in place as soon as possible.

With the new Lismore Hotel continuing to take shape and the new public car park being developed on the other side, Cllr. Wilkinson said a pedestrian access needs to be put in place.

"I can see an accident happening there unfortunately," he warned.

# Stradbally News

## FAREWELL

It was a case of hello and goodbye when one considers the short stay of Fr. Martin Keogh in the parish of Stradbally, Ballylaneen and Faha. The recent diocesan changes saw the promotion of Fr. Martin as Parish Priest of Knockanore, Kilwatermoy and Glendine. The parishioners wish him every happiness and God's blessing in his new parish. He was only a year in this parish but in that time he entered into the lives of many people getting involved in many aspects of parish life. His musical ability came to the fore with the children from the primary schools putting on a Christmas play in Holy Cross Church which was much appreciated by the pupils and teachers. In St. Anne's Church, Ballylaneen he organised a rota of readers to supplement the already existing Eucharistic Ministers and also many new altar servers were added on. On Sundays the teachers and pupils from Seafield School got involved in the liturgy which added a great deal to the weekly Mass. His attention to the housebound on first Fridays is also to be commended, as was his contribution to the pastoral welfare of the pupils of St. Declan's College in Kilmacthomas where he was a regular and welcome visitor. His departure marks a milestone in the life of the parish which now has only one priest to look after three schools and three churches, whereas in the past good old days the parish could boast of having three priests.

## MASSES

The Annual Mass for the feasts of St. Joachim and Anne will take place next Wednesday evening in Ballylaneen at 7.30 pm. There will be the blessing of the graves after Mass. The Annual Mass in Stradbally with blessing of graves will be held on the 14th September.

## ALTAR SERVERS

It is holiday time from school but the altar servers are reminded to continue the rota during the summer until a new rota will be drawn up when they return to school in September.

## PRINCIPAL

Congratulations to Ann Coffey, Williamstown who was recently appointed Principal of St. Anne's School, Seafield, Bonmahon to replace retiring principal Jim Cullinane. This means that an assistant teacher will be required in the school for September and interviews for the job will take place shortly.

## FLAG

Will the Tipperary flag be flying at half-mast on Faha Hill next Sunday evening after the big match in Croke Park - only time will tell.

## BEST WISHES

Every good wish and God's blessing to Rev. Jenny Crowley who is new ministering in the Clonmel area having served for some time in Waterford where she was a regular visitor to Waterford Regional Hospital as part of her pastoral ministry. The departure recently of Sisters Raphael and Columba from the hospital leaves the situation all male dominated.

## FAMILY FIELD DAY

A day full of fun for everyone is planned for Saturday 22nd July at St. James Church, Stradbally. We are delighted to have the use of the adjoining fields which will provide lots of parking and enough room for all the activities. Wellie throwing, smashing plates, golf putting, go carting, bet on mice, novelty races, football scoring and much more. There will be lots of civilities with lots of prizes for the young and the not so young. A display of vintage cars and big bikes may interest some or an exhibit of local art in the church with over seven local artists work on display. A final word for the children there will be two puppet shows during the day so make sure not to miss out. The action begins at 12 noon and all will be welcome throughout the afternoon till evening.

## TIDY TOWNS NEWS

The committee would like to thank WLR and Onix Ireland for their support for the Beach Clean Up on Thursday evening last. Lots of children and their parents got involved and the beach was sparkling clean when it was all finished. Some of the group went to Ballyvooney and there too every bit of litter was collected. The weather was beautiful and the goody bags given out by Grace and Róisín from WLR after the event were appreciated by all the children.

We are expecting the Tidy Towns judges to pay us a visit in the next two weeks, please be vigilant about litter. We are delighted with the help from our new members Anthony, Anna, Suzanne and Claire - they have certainly made a difference.

## Killeneen Plans Go On Public Display

By Kevin Kirrane

Local people would be "grossly put out" if two roads in the area were closed as part of traffic calming works at Killeneen, according to Fine Gael councillor Tom Higgins.

Plans for the extensive works are to go on display and are open to submissions and observations.

But, Cllr. Higgins said Killeneen is its own intrinsic area with a local church and school. And it is to be bisected by a new road. Local people would be grossly put out if two local roads were to be blocked.

Senior Engineer, Vincent O'Connor said the council is to examine their options and they would come back to the council on the matter.

## ABBEYSIDE SCOUTS AND CUB NOTES

Last Saturday night was the last scout meeting of this year.

Annual camp-Fota 2006 begins this coming Sunday the 23rd of July and so the meeting itself was taken up with last minute checks on equipment.

The Kestrel/Senior patrol were the patrol on the night who were the busiest as they had a lot of catching up to do as we hadn't seem them in action for a number of weeks. Marco got busy with the tent while Patrick sorted out some patrol gear such as pots and pans. When all checks were finally complete it was time to sit down and run through some important points for all to consider and remember. The leaders informed all present that there will be no bicycles allowed on camp as the roads around the Fota and Cobh areas are very busy especially at this particular tourist time of year.

Of huge importance is the short meeting taking place this Thursday night at eight o'clock. Everyone "must" hand in their parental permission to camp form at this meeting, the rule as everyone knows is no form - no camp! Also any and all outstanding camp fees must be paid. Camp fees must at this late stage be paid in cash only!

Uniform must be worn going to and from camp and the troop will leave the den at one o'clock on Sunday the 23rd, so

everyone should be present in the den at least twenty to fifteen minutes before this time.

Of interest to parents who may wish to call and visit the troop while on camp is the fact that Thursday (27th) afternoon from two thirty onwards we will remain on site in order that you may visit and indeed take away your son for a couple of hours if you wish. The leaders will be on site at this time also and we are lead to believe that any donations of creamy buns and/or apple tarts will be gratefully accepted and will not be fed to the monkeys (the real monkeys not the scouts!)

All that remains for now is to hope that the sun will continue to shine for the duration off camp and that all concerned

will come home from annual camp 2006 with fond memories of their time spent under canvas in Fota.

## Glen Cabin

Last Sunday a meitheal of workers Brendan, Muller and Fintan arrived at the Glen to give the inside roof a lick of varnish to the wooden ceiling which is now looking all the better for this treatment. All going well it is now hoped that the final part of sanding and varnishing the floor will take place in the coming week and this will then mean that the cabin will be 99% ready to play host to its first ever campers from then on. As of yet, an official date has not been fixed for the grand opening but it should happen soon!

## ABBEYSIDE REFERENCE ARCHIVE

### Dungarvan Days - Abbeyside Ways

Last Friday night at Lawlor's Hotel the above C.D. was launched by Austin Flynn, for Donal Power and his team.

Knowing Donal of old I knew it would be something special. On Sunday morning I opened my C.D. and yes I was proved right. I had a 'gem' in my hands. Not being musical I enjoyed the book as much as the CD!!

It will prove an ideal gift for the exile. Yes Donal, it was worth the wait, you did the people of Dungarvan and Abbeyside proud.

This Sunday evening Ann Fleming will be at the Parish office, Strandside South, minding all the treasures and 'gems'.

### CHARITY FUNDRAISER NIGHT AT GARDENMORRIS

On Saturday night last the South Eastern Cancer Foundation held its annual fundraiser at Gardenmorris, Kill. The weather was absolutely ideal for the occasion. On entry to the marquee and barbecue the Gardenmorris estate looked absolutely beautiful with its oak, ash and beech trees in full bloom and the Gardenmorris house looked splendid also. The local committee in charge of the night has surpassed itself in all areas of the organising of this event. Just under 1000 people attended the function, where all were served a beautiful barbecued meal of steak or salmon and salad and roast potato. Drink was also available on a ticket basis only which worked extremely well. The relief band Sea Breeze were excellent but when the main attraction of the evening, Waterford man Brendan Bowyer and his band took to the stage the place just turned electric, with everyone from 14 years – 80 years on the dance floor, enjoying the songs of yester year plus many more great hits by this local artist. At the age of 66 years himself and his daughter Aisling gave a splendid 2 and a half hour performance that left everyone breathless. I also had the pleasure of meeting Tom McDonnell, band promoter from Tullamore who organised the band for the night and spoke so highly of this great local man Brendan Bowyer. His main comment was "He was a gentleman to be with". At 25 minutes to 1 am Sea Breeze took over the dancing again which continued until 2 am Sunday morning. People from as far as Northern Ireland and down to Kerry attended this night. It could be described as an absolute success for all. A special thanks to the Queally brothers Peter and John and their wives Eileen and Kitty and their families for their tremendous generosity and help with this event. To the organising committee give yourselves a clap on the back for a job well done and to anyone who helped make the night a success. Well done.

# MODELIGO NOTES

## Ladies Soccer

Amy Jordan was our two goal heroine on Thursday night last in our two-all draw versus Kilmac ladies. We went two nil-down early on, but a goal just before half time and another right at the death from our newly signed Amy ensured that we remain unbeaten in the League.

## Naomh Brid

Modeligo hosted the Knockanore Cabins sponsored U11 Ground Hurling competition on Saturday morning last. Although the grass was a little high, the four competing teams, An Ghaeltacht, Naomh Olibhéar, Baile Uí Dhuibh and Naomh Brid gave it their all and each game was fought out to the very end. In the final, Naomh Brid has a very good win over the Ghaeltacht, with some great performances, particularly from Modeligo's Michael Troy. Mile buíochas to all who helped in any way, especially Shane, chief organiser, and the Ladies who provided a very welcome cuppa and sand-

wiches. Meanwhile, the U12 competition started with a very good win over Affane on Sunday.

## U16 County Hurling

It took us two tough games to dispose of a resilient Portlaw/St. Molleran's side in the semi final stages of the competition. We were lucky to draw the first game at Kilmac having squandered a 4-8 to 1-3 lead. However, an improved performance in the replay on Saturday morning ensured that we go through to the final where we are to meet the Four-milewater combination.

## Modeligo G.A.A.

We travelled to Bohadon on Saturday night last to play the Kilgobnet lads in their annual tournament but a disastrous start where we conceded 3-2 in the first 10 minutes made virtually certain that we would not be getting our hands on the beautiful James Walsh memorial trophy. Gradually, we steadied the ship and held our own for the rest of the match with good performances especially

from Walter and Brian. Although a 3-10 to 1-8 defeat, the selectors can take some positives from the match with the championship not due to resume for some time.

## Welcome Home

Holidaying at present in his native Modeligo and no doubt enjoying the sunshine is Eric Kenneally. Eric, who is based in the West coast of America, is accompanied by his wife and family. Eric, who is a native of

Lyrattin is son of Catherine and the late Tom Kenneally.

## Modeligo Lotto

Next weeks jackpot is E2,100. Next weeks jackpot is E2,100. Mini lotto presently being hosted by Parents Association.

**TUCKEY SAYS:** Sunday is D. Day for Waterford but the Deise boys have nothing to fear from Tipperary. With Justin at the helm Waterford can make the semi finals – The Déise Abú.

It is with feelings of profound regret we record the passing of Alice Kiely, Shear Street, Abbeyside which sad event occurred at her residence on Sunday, July 2nd 2006.

Alice as born in Kilbrien in 1926, a member of a family of thirteen. At the age of 17 years she went to work in Dublin and from there to England where she worked on the buses and then Nursing. It was while working in England she met and married her husband Joe and they returned to Ireland and had four children. They then bought a pub in Abbeyside known as Kiely's bar. Alice enjoyed many a good sing song and many a good night was had singing and dancing in the pub. On retiring from the pub business she became chapel woman in Abbeyside Church and spent

"Lord, when the storm rages around me,  
And I can hold on no more,  
When the waves of tears engulf me,  
And I am weary, battered and sore,  
Take me then and steer me,  
Storm tossed broken and afraid,  
Into the arms of your safe harbour,  
Safely home".

# Fabulous Fleadh Cheoil na Mumhan Thrills Thousands In Sweltering Sunshine

From whence the first chord was struck on Friday morning, till the final performance by Sean Keane and his band on Sunday night, Fleadh na Mumhan 2006 was a resounding success. The weekend of traditional music, song and dance, drew mammoth crowds to Lismore last weekend in Mediterranean-like conditions. Officials working over the weekend estimate that some 20,000 people visited Lismore during the weekend.

## BEST IN YEARS

Annual Fleadh goes described it as the Best Fleadh in recent years and could only compare it with the 2000 Fleadh which, incidentally, was also held in Lismore.

Over 3,000 competitors from all over Munster competed in 19 venues in Blackwater Community School and Lismore Community Centre for a much-coveted place in the All-Ireland Fleadh, which takes place in Letterkenny at the end of August.

But this event was not just about competitions, it was about celebrating that great part of Irish culture that is traditional music and song. Street entertainment, theatrical re-enactment, Irish Dancers, Sean Nós Singers, Morris Dancers, pub sessions and an array of the best of Irish Music and Song ensured that music lovers enjoyed a most memorable weekend. This comprehensive programme of events guaranteed that both young and old enjoyed what can only be described as largest music event ever to be staged in the beautiful historic town of Lismore.

## LARGE CROWDS

A large gathering attended the official opening in Lismore Heritage Centre on Friday evening. This was followed by a concert in Lismore Castle Arts. Musicians Derek Hickey (former accordion player with DeDannan), Liam Flanagan (fiddle player with North

Cregg), Noelle Ryan (former guitar player with Danú) and Gaeltacht Na Rinne Sean Nós singers Cárthach MacCraith & Seán MacCraith held a capacity crowd spellbound.

Saturday evening a crowd of approximately 6,000 were entertained by Music on the gig rig. Highlighting the programme were the North Cork group North Cregg whose unique style left audiences looking for more.

## ENTERTAINMENT

From midday Sunday, crowds started to gather in the town. Moving between the Millennium Park, and the Main Street, which was closed to traffic for the weekend, they were entertained by musicians, street theatre and the Morris Dancers.

Street musicians struggled to keep instruments in tune in the searing heat, and many were forced to play the planned outdoor sessions inside. The afternoon events concluded with a session on the gig rig by the Booley House musicians and singers.

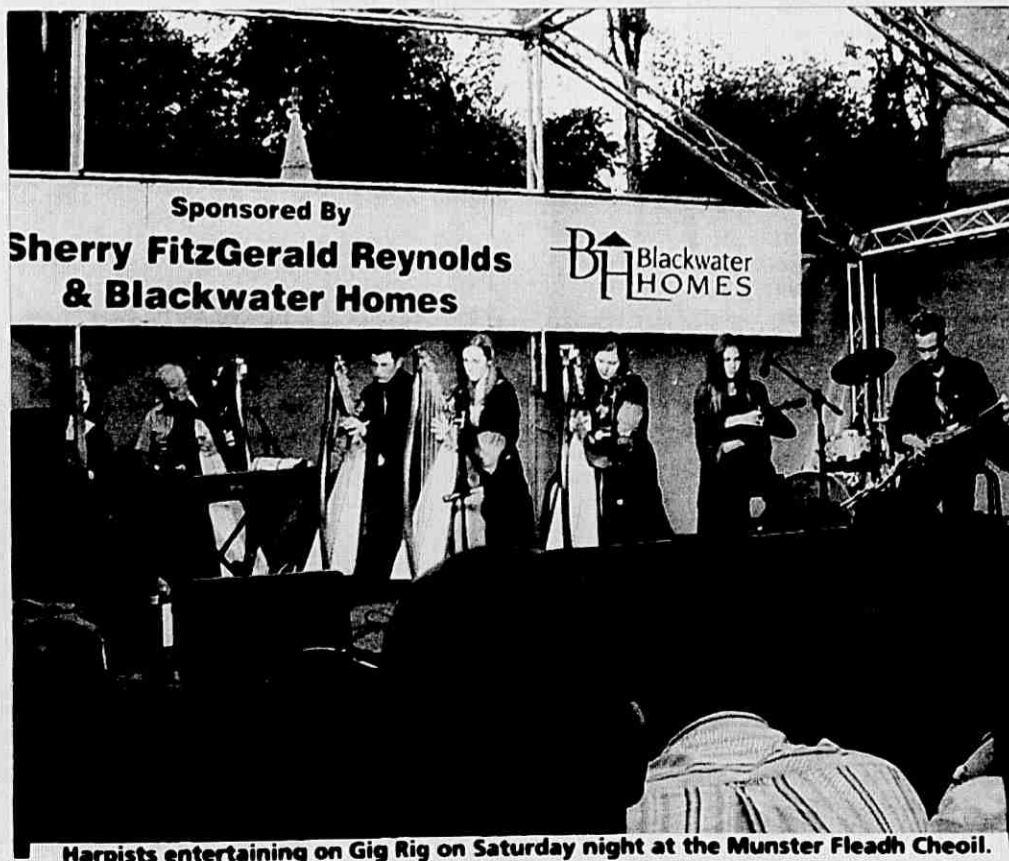

## FEVER PITCH

From 6.30pm on Sunday evening crowds started to gather at the gig rig for the final street session. And they were not disappointed. Music by Cúl Cheoil, Sessiún, The Turloughmore Ceili Band, The Booley House Musicians, and Singers & Dancers had the crowd at fever pitch by the time Sean Keane and his band took to the

stage. Keane's unique melodic voice held the audience captive for 90 minutes. Supported by three excellent musicians this performance was the perfect end to a perfect weekend. As people wandered home tired, but elated, the streets were full of speculation as to when Fleadh na Mumhan might return. Congratulations to all involved.

# IN MEMORIAM

**BURKE** — Eighth Anniversary — In loving memory of Jim Burke, 15, St. Brigid's Tce., Dungarvan who died on July 19, 1998.  
Will those who think of him today,  
A little prayer to Jesus say.  
(Always remembered by Teresa, Marie, Eugene and families).

**CAREY** — Seventh Anniversary — Treasured memories of a wonderful husband, Patsy Carey, Coumglan, Ballysaggart, Lismore, whose anniversary occurs on July 20. R.I.P.  
As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way,  
Time may heal the heartaches,  
Like the smile that hides the tears,  
But happy memories keep you close,  
Despite the passing years.  
(Sadly missed by your loving wife Mamie).

**CAREY** — Seventh Anniversary — In loving memory of a dear Dad and Grandad, Patsy Carey, Coumglan, Ballysaggart, Lismore whose anniversary occurs on July 20. R.I.P.  
You left us with precious memories Dad,  
Your love is always our guide,  
Although we cannot see you,  
You are always by our side.  
(Sadly missed by your son Michael, daughter-in-law Mamie, granddaughter Nuala and grandson Patrick).

**CAREY** — Seventh Anniversary — In loving memory of my dear grandad, Patsy Carey, Coumglan, Ballysaggart, Lismore whose anniversary occurs on July 20. R.I.P.

We won't even try,  
Just miss you more, Grandad,  
As the years go by.

**DALY** — Sixth Anniversary — In loving memory of Philip (Phil), late of 1, St. Patrick's Crescent, Dungarvan and Clogheen, Co. Tipperary who died on 16 July, 2000. R.I.P. Anniversary Mass for Phil in St. Ann's Church, Colligan on Saturday, 22 July at 7.30 pm.

I keep my feelings hidden Phil,  
I never show I'm blue,  
But every minute of every day,  
My mind is full of you,  
To me you were someone special,  
It's hard to understand,  
Why all the time I'm thinking of you,  
And crying deep inside,  
No words I write will ever say,  
How much I miss you Phil  
XXX  
(Sadly missed by your wife Theresa, never forgotten).

**DALY** — Sixth Anniversary — In loving memory of Philip (Phil) Daly, late of 1, St. Patrick's Crescent, Dungarvan and Clogheen, Co. Tipperary whose anniversary occurs on July 16. Rest in peace.  
No farewells were spoken,  
No time to say goodbye,  
Our loss was oh so sudden,  
Only God knows why;  
Find the softest pillow,  
Lord,  
To rest his head upon,  
Put a kiss upon his cheek,  
And tell him who its from;  
Gone from us, but leaving memories,  
Death can never take away,  
Memories that will always linger,  
While upon this earth we stay.  
(Remembered by Alf, Tracy and granddaughter Katie Daly-Ebanks).

**DALY** — In loving memory of my dear father Phil Daly, late of 1, St. Patrick's Crescent, Dungarvan whose sixth anniversary occurs on 22 July.

Phil, remembering when life was good and sweet,  
Wondering how many days must pass before we meet,  
Never for a moment are you very far away,  
Absent and yet near you seem,  
And dearer everyday,  
Love is like a bridge,  
That spans the space that divides,  
Painted, yet in dreams we walk,  
Together side by side.

(So very sadly missed your daughter Trisha, Christopher and granddaughters XXXX).

**DAYNES** — Fourteenth Anniversary — In loving memory of my dear friend Peggy, late of Ballyduff Upper who died on July 19, 1992. May her gentle soul rest in peace.

A little tribute small and tender,  
Just to say I'll always remember,  
Sweet is your memory Peggy,  
Dear is your name,  
Close to my heart you will always remain,  
Memories of you are lovingly kept,  
Someone too special to ever forget.

(Loved and remembered always by your friend Molly).

**DUNPHY** — Seventh Anniversary — In loving memory of Theresa, late of Currabaha, Kilgobnet, who died on 19th July, 1999. R.I.P.

Somewhere beyond the sunset,  
Where liveliness never dies,  
You dwell in a beautiful garden,  
Beneath a golden sky,  
There is a bridge of memories,  
From here to Heaven above,  
It keeps us very close to you,  
It's called the bridge of love,  
Each of us in our own way,  
Have special thoughts of you today.  
(Never forgotten - Marie and family).

**FLEMING** — Thirteenth Anniversary — In loving memory of Jack Fleming, Clashmore who died on 23 July, 1993.

You always had a smile to share,  
Time to give and time to care,  
Years may pass and tears may dry,  
But memories of you will never die,  
Will those who think of Jack today,  
A little prayer to Jesus say.  
(Loved and remembered by his loving wife Kathleen, daughters Kay, Mary and Emer).

**DUGGAN** — Seventh Anniversary — In loving memory of my dear uncle William 'Jeff' Duggan, late of 18 Shandon St., who died on July 21, 1999.

God called your name so softly,  
That only you could hear,  
And no one heard the footsteps,  
Of the angels drawing near,  
The golden gates stood open,  
God saw you needed rest,  
His garden must be beautiful,  
For he only takes the best,  
So today we're thinking of you Jeff,  
But that is nothing new,  
We thought of you yesterday,  
And the day before that too,  
As time goes by without you,  
And days turn into years,  
They hold a thousand memories,  
And many a silent tear.  
(Always remembered by your loving niece Noreen, Eddie and all the family).

**FLYNN** — Twelfth Anniversary — In loving memory of my brother Noel, late of 24 Byrneville, Dungarvan, who died on 18th July, 1994. R.I.P.

I did not know that morning,  
What sorrow that day would bring,  
When a heart of gold stopped beating,  
And I could not do a thing,  
You never said goodbye to me,  
Perhaps it's just as well,  
For I never could have said goodbye,  
To a brother I loved so well.

(Always remembered by your loving sister Marie and family).

**FREYNE** (nee Meehan) — In ever loving memory of my sister Eily, late of 60 Murphy Place, Abbeyside and Tokyhill, Mullinavat whose anniversary occurs on July 18th.

Sacred Heart of Jesus grant Eily eternal rest.

(Never forgotten; Tony, Trisha, Finola, Ivan, Emily, Ciara and families).

Every morning we wake,  
We still think of you,  
Every laugh, every cry,  
Everything that we do,  
All our hopes and our prayers,  
For you have become one,  
We hope you are at peace,  
Billy our son.  
(Sadly missed: Mam and Dad).

DAD  
(Pray for my Daddy, love Megan XX).

**FOLEY** — Third Anniversary — In loving memory of Billy Foley, 3 Bothar Mochuda, Lismore who died on 23 July, 2003. R.I.P.

# IN MEMORIAM

**McGOVERN** — (née Clancy) — First Anniversary of our dear mother Kathleen McGovern, Luskanargid, Kilrush, Dungarvan who died on 24 July, 2005.

We wish that we could see you,  
Sitting in your chair,  
We wish we could go back home,  
And find you waiting there,  
But wishing gets us nowhere,  
And loving is now in vain,  
So we ask the Lord,  
To hold you in his arms,  
Until we meet again,  
(In our hearts you are always near, not a day goes by that we don't forget you, love you always Mam — Carol and Ber XXXX).

**FOR YOU MAM**  
Every step of the way,  
Mam, you have guided me through life,  
You listened and you understood,  
And you gave the best advice,  
You laughed with me,  
And dried my tears,  
You were my dearest friend,  
And the best mother in the world,  
And from the bottom of my heart,  
Dear Mam, my grateful thanks I send,  
(Love you always Mam, sleep well, Carol XXX).

**McGOVERN** — (née Clancy) — First Anniversary of our dear mother Kathleen McGovern, Luskanargid, Kilrush, Dungarvan who died on 24 July, 2005.

I am thinking of you today,  
But that is nothing new,  
For I thought of you yesterday,  
And the day before that too,  
I will think of you tomorrow,  
As I live my whole life through,  
For the day I fail to think of you,  
Is the day God takes me too.  
(Missing you everyday, love you always Gary, Mary, Kate, Jade XXX).

**McGOVERN** — First Anniversary — In loving memory of Kathleen McGovern, late of Kilrush, Dungarvan who died on 24 July, 2005.

You can only have one mother,  
Patient, kind and true,  
No other friend in all the world,  
Will be the same to you.  
When other friends forsake you,  
To mother you will return,  
For all her loving kindness,  
She asks nothing in return.  
As we look upon her picture,  
Sweet memories we recall,  
Of a face so full of sunshine,  
And a smile for one and all.  
Sweet Jesus take this message,  
To our dear mother up above,  
Tell her how we miss her,  
And give her all our love.

From the old world to the new,  
Some day I'll make that journey,  
On the stairway that leads to you.

Are those we love the best,  
And just the ones that God needs too,  
And takes them home to rest.

Always good and true,

## CAPPOQUIN SPORTS CLUBS GET FUNDING TOP-UPS - WILKINSON

Important top-up grants are on the way for two sports clubs in Cappoquin, according to Waterford Fianna Fáil TD Ollie Wilkinson.

Cappoquin Community Development Company Ltd has been awarded €28,000. That's on top of €140,000 the company received from the Government just a few weeks ago. Cappoquin Snooker Club/CYMS Hall Committee, meanwhile, got another €1,200 on top of €6,000 it received under this year's sports capital programme.

'I am delighted that the cash injections are going to these two sports outlets in Cappoquin. The area has a proud sporting reputation and offers an excellent recreational outlet in Waterford. I am sure the money will be put to good use and I will help in any way I can to ensure that everyone enjoys the benefits,' said Deputy Wilkinson.

The top-up funding was allocated under the Government's Clár scheme for rural development. The grants are designed to boost the funding already allocated under the sports capital programme.

## CAPPOQUIN ROWING CLUB NOTES

Last Friday saw members of Cappoquin RC competing in the National Championships at Iniscarra Lake, Cork. First up was Caroline racing in the second heat of the Novice Sculls, finishing third with 3 going through to the final. In a tough final Caroline finished in 6th place. Next was final A of the Junior 16 sculls where Carly and Annie were both drawn in the same final. The girls finished 4th and 5th respectively. The girls then took to the water in the afternoon to compete in the Junior 18 double sculls, a very competitive category. The girls finished 4th in their heat with only 3 to qualify for final. So another season has ended on the domestic rowing front, with everyone having a break from competitive rowing until the autumn.

Rowing will still be going on in Cappoquin right through the summer, so beginners interested in learning how to row are more than welcome to the Boathouse on Sunday mornings around 11am.

## CAPPOQUIN CIVIC LINK

It has been a great weekend in Cappoquin. Congratulations to everyone who made it a success. The Cappoquin Cornerstone Carnival Committee deserves our congratulations for organising such a wonderful event. This is the second year of the Carnival and by all accounts it was even better than the first one last year.

This event is becoming a showcase for all that is good about Cappoquin. Well done again for making us proud of where we come from.

In the last few weeks, it is evident to us all that the town is looking cleaner and tidier than ever. The Tidy Town Committee and all their helpers did a great job in having the town

looking so well for the weekend. The proof of their work was the litter free streets on Monday morning.

'Merci Beaucoup' to Keith Dransfield of the Town Twinning Association. He organised the visit of 10 people from Chant La Mouteyre, our twin town in the Auvergne Region of France. Thanks to Keith and the host families - they added greatly to the Carnival atmosphere in the town.

The Farmers Market was a great success, thanks to the efforts of the local producers and especially to our French friends, who brought their local produce all the way from Chant. The local food producers were so impressed with the

response from all the locals that they are planning to have a local market once a month over the summer months on the Square in Cappoquin.

Finally, don't forget to place your ideas about the notice-

board or other topics in the Suggestion Boxes, which are located around town.

The next Civic Link committee meeting will be held on Monday, 17 July 2006 in the Library.

## CAPPOQUIN COMMUNITY DEVELOPMENT COMPANY LTD LOTTO RESULTS

# Atlas International Predicts A Surge In Overseas Property Market

Results of a recent research conducted by Atlas International, the leading overseas property specialist, shows that more than two-thirds of Irish would like to buy a property overseas in the next five years, the majority being driven by the desire to escape the weather. With six out of ten people swayed by sunnier climates, Spain continues to dominate as the number one choice of destinations for buying abroad.

The survey also reveals that in the last 30 years no other country has performed as well as Spain when it comes to property investors.

The average house price in Spain has increased more than a staggering 175 percent over the last 9 years and is predicted to continue in the next 20 years. James Dearsley, Sales Manager of Atlas International, comments: "there is no other country that can boast the kind of growth that Spain has shown over the last 10 years- 175% rise in the last 10 years."

James adds: "The large Irish contingent already settled in Spain is largely due to it being only 3 hours away and the fact that it has a fully established and proven infrastructure, including excellent roads and transport networks with high

speed trains. 320 days of sunshine each year and an advanced health care system further add to the appeal of Spain."

Atlas has on offer wide selection properties in Spain and Cyprus from varied price ranges, including two-bed apart-

ments priced as low as €90,000.

Atlas has recently launched its new Golf Property Development in Murcia. Situated in a lovely unspoilt inland area, close to the typical Spanish town of Balsicas, Atlas has on offer a number of villas for under €150,000. The urban development consists of large areas of leisure, restaurants, shopping centres, golf courses, sports facilities and green areas.

The golf course is close to the Mar Menor Sea and only a few minutes from Murcia Airport. The 18-hole golf course gives shape to the residential area, built around the fringes of the golf course. The properties are set along a 34 km of coast, with stretches of white sand beaches and brave waves of the Mediterranean Sea, coupled with warm and shallow beaches of the Mar Menor.

James concludes: "The market is extremely buoyant, which is echoed through the dramatic increase in take up for homes in Spain so far this year."

## Local Camera Club Enjoying Excellent Progress Prepares For Summer Exhibition

Dungarvan Camera Club recently competed in the Irish Photographic Federation inter-club finals hosted by Mallow Camera Club, who was celebrating their 25th anniversary. The Club was selected for this honour, when completing in the Southern Area finals in Middleton by coming fifth overall.

This was the first time the Club had ever progressed this far, and a great opportunity to mix with the premier and best 20 clubs, groups and societies in Irish Photography.

Twenty-five members and friends travelled to Mallow to

view the exhibition on the Sunday the results were to be declared. The exhibition was made up of photographic panels consisting of 10 prints per panel in two sections Colour Prints and Black and White (monochrome). DCC were completing in both sections. It was a very proud moment for these members to view their two panels placed most comfortably amid the heavy weights of Irish Photography.

They held their breath whilst judge Bob Moore Hon. PAGB, FIPF a director of Jessop's School of Photography an-

nounced the results ('Please do not let us be last'). Well they came in at 10th overall, right bang in the middle of the competitors. Initially some members seemed disappointed, but as someone said, 'not so bad to be average among the best in all of Ireland'.

The Members representing DCC in this contest were:

Monochrome Print Panel — Ria Drohan (2), Richard Cutbill, Sean O'Brien (3), Mary Flavin, Eugene Burke, John Pelham & Daniel Walsh.

Coloured Print Panel — David Clyne (3), Richard Cut-

bill, Sean O'Brien (2), Karen Dempsey, John Pelham (2) & Kolette Enright.

The membership have been preparing for the annual Summer Exhibition, which starts on July 22nd, and will be located in Dungarvan Library, Davitts Quay, Dungarvan for three weeks. Viewing from 10am until 5pm Tuesday to Saturday, late night viewing from 6 to 8pm on Wednesday and Thursday. As Karen Dempsey the Chairperson explains in the exhibition catalogue introduction 'The Theme this year is 'Through The Artist's Eye'. Art is all around us but must pass through the eye of the artist to be seen. The Photographers in the Club were given the challenge to look around them and to find beauty and art in the simplest things and to record them for others to see. We are delighted with this opportunity to display examples of our recent work.

The exhibition consists of 115 prints on 27 panels, each representing a photographer illustrating a good cross section of the membership from the able novice to award winning amateur, most of the images are for sale.

The growth and improvement of the Club has been greatly assisted by our Club Sponsor Murray's Pharmacy-Fuji Digital Image Services and the Members Sponsor Dreoilin Glass Quality Framing & Mounting. The exhibition is Grant assisted by Waterford County Council-Arts Grant Scheme, 2006.

## Plans For Dungarvan Bay Sponsored Swim Well Afoot

The twenty-five swimmers scheduled to take part in the 12th Annual Dungarvan Bay Sponsored Swim on Sunday August 20th from Ballinacourty to Helvick Pier, are well into their training regimes for this major fundraising event in aid of the RNLI Helvick Head Lifeboat.

And by all accounts, according to Hon. Chairman, Christopher Kelly, "committee members are also working hard to ensure the success of this great social occasion, which will have something for people of all ages, with a barbecue and music and summer gaiety on Helvick Pier, for such a worthy cause!"

The RNLI provides on call, 24 hour lifeboat service to cover search and rescue service up to 100 nautical miles off the coast of Ireland. The crews, comprised of volunteers from all walks of life, give up their time and comfort to carry out rescues and train for them, often in difficult and dangerous conditions.

# Hero's Welcome For Round Ireland Fundraisers

BY KEVIN KIRrane

As Dungarvan Brass and Reed band struck up, the captains of the four charity fundraising powerboats, joined by family, friends and back-up crews, made the final leg of their epic Round Ireland journey by sailing into Dungarvan Harbour after a short stop over in Ballynacourty.

The unique fundraising run was made on behalf of Irish Guide Dogs For The Blind, whose patron, former Republic of Ireland and Manchester United skipper, Roy Keane, was among the crowd of well-wishers who

thronged Davitts Quay just after 3pm on Sunday week last to give the four captains a rousing heroes welcome home.

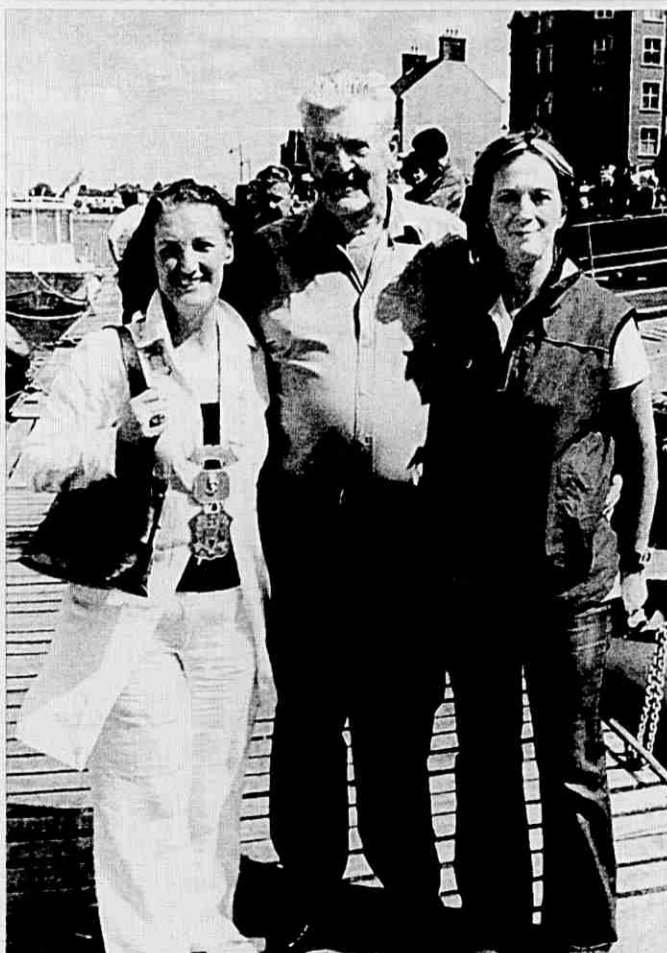

Maurice Kiely, Paddy Dwane, George Horsom and Tom Shanley were tired but

triumphant after their ten day voyage, circumnavigating Ireland from Dungarvan to Dungarvan from June 30th to Sunday 9th July. They braved rough seas, including gale force winds, and along the way, they stopped at the ports of Kilkee, Killybegs, Westport, Portrush, Ardglass and Waterford.

Mayor of Dungarvan, Teresa Wright, who formally welcomed the men onto dry land, said the organising committee and the seafarers did "fantastic work for a very good cause."

"They were fantastic for the job that they have done. We know that they encountered bad weather but to see the crowds welcoming them back here today is fantastic, absolutely brilliant."

Chairman of the organising committee, Francis McCarthy, echoed the sentiments.

"We put this together four months ago. Now that it has reached its climax today it is great and to see the crowds here is excellent for the

town and for the people who have received such a warm welcome home."

Bride Clancy, Regional Manager of the Irish Guide Dogs for the Blind said:

"We're absolutely delighted. It was an incredible venture that the guys took on. They had rough seas I know all week but they kept going and we are delighted."

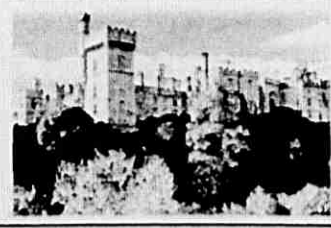

"And I just want to say thank you very much on behalf of all the people out there who use our services. It's good to see them home safely."

 For the sauce, sauté the onions in margarine until golden and add all the other ingredients. Bring slowly to the boil, lower the heat and simmer 10 to 15 minutes.  
 After loaf has cooked for 30 minutes, pour half of the sauce over the meat, return to oven and bake for a further 45 minutes, basting often with remaining sauce. Serve loaf hot in thick slices with remaining sauce. Also makes great sandwiches.

## GOOSBERRY FOOL

ENJOY a taste of summer with this easy to prepare dessert that will give your tastebuds a treat.

**Ingredients:**

(Serves 4)  
 450g goosberries, topped and tailed  
 125g caster sugar  
 2tbsp water  
 1 tbsp custard powder  
 150ml milk  
 few drops of green food colouring (optional)  
 150ml whipping cream  
 chopped toasted nuts, to decorate

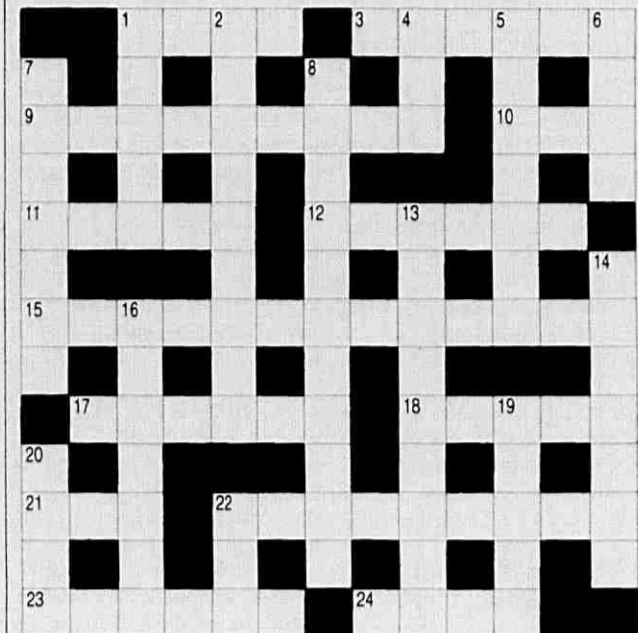

**Method:**

PUT the goosberries, sugar and water in a saucepan, cover and cook for about 10 minutes until the fruit is soft. Cool slightly, then puree the fruit in a blender or food processor. Pass through a nylon sieve to remove the pips.

Blend the custard powder with a little of the milk; heat the remaining milk in a saucepan. Pour the hot milk on to the blended custard powder, stirring, then return to the pan and stir over a gentle heat until the custard is thickened. Blend the custard into the fruit pulp and allow to cool. Add the food colouring, if used.  
 Whip the cream until soft peaks form, then fold into the gooseberry puree. Spoon into individual glasses and chill in the refrigerator until required. Decorate with toasted nuts to serve.  
 For a variation, use raspberries, strawberries or blackberries instead of gooseberries.  
 If any of these soft fruits are used, do not cook the fruit but sweeten the fruit with caster sugar after it has been made into a puree.

## Health Tips from "Remedies"

### BILBERRY-BLUEBERRY

Bilberry or Blueberry is a shrub, which grows in woods and forests throughout Europe. The fruit is blue-black and has a high nutritive value. **Uses:** Eye-strain, Improves vision, protects against cardiovascular disease.

**How it works:** The main constituents of Bilberry are a group of flavonoids. These have the ability to bind to the part of the retina which is responsible for vision, which in turn increase the rate of regeneration of the pigments in the retina. In addition, the substances present in Bilberry have the capability to prevent the destruction of collagen, which is responsible for stabilising the delicate tissue structure of the eyes.

As one of the top antioxidant plants Bilberry is helpful to restore the microvascular system. With this action Bilberries protect against cardiovascular disease and protect the brain. Bilberry also helps in the absorption of vitamins in food.

Thanks to Tony and Sean for their entertainment, Dave Ray for his fantastic music and all who once again very generously donated prizes for the raffle and anyone who helped in anyway to make this night such a fantastic success.

**U11 Hurling Tournament**  
This competition was held on Saturday last in blistering heat at Bushy Park. In the first round, matches were played against Brickey's, Fourmilewater and Ardmore. Both teams gave a great display, and our lads were unlucky to be beaten. A

great display overall for this very young team.

### U13 Hurling Championship

We were drawn against Cois Bhride in the Western semi final which was played on Monday last. After a very spirited display, and despite being ahead with a good lead at half time, the team were down one point at the final whistle. Great credit is overdue to the team and team mentors for getting this far in the competition.

### U16 Hurling Championship

All spectators at the County Final on Saturday last were treated to a superb game of hurling between Clashmore and Dunhill/Fenor. The teams were very evenly matched and it was point for point in the first half with Clashmore behind by only one point at half time. Although they kept the pressure on in the second half and tried their hardest, Dunhill/Fenor got the upper hand and took the championship with a score of Dunhill/Fenor 4-14 Clashmore 2-13. Our best wishes to team member Alan Seward, hope you get better soon. Congratulations to Brian O'Halloran who was awarded the Man of the Match trophy.

## MOVIE REVIEW

By BARRY POWER

### Superman Returns\*\*\*\*

The craze for superhero movies continues this summer with the release of the much anticipated *Superman Returns*, starring newcomer Brandon Routh as the man in blue. Picking up from *Superman II*, where Superman had returned to his home planet to find out more about his origins, this film finds Metropolis in a darker mood than before, with many unconvinced about Superman's true worth. In fact, Lois Lane (Kate Bosworth) has just won a Pulitzer for an article entitled *Why The World Doesn't Need Superman*.

Entangled somewhere in Superman's emotional story is Lex Luthor, who has spent the five years of our hero's absence in jail. He plans to use technology from Krypton to create and control a new continent, one bound in Kryptonite to make it impenetrable to Superman.

At two and a half hours, the film is plenty long enough to resolve both storylines. While there is very little of Clark Kent as compared to previous instalments of the franchise, what screen time he gets is made enjoyable by Routh's goofy acting. To get the film's faults out of the way: some of the scenes are slightly lengthy and there are obvious points where cuts could have been made, Lex Luthor's plan is rather vague and careless and, finally, a few more Kent scenes really wouldn't hurt. Apart from these minor problems though, this really is an excellently made film.

Routh shines in his dual role, really defining the difference between the quiet reporter and the ultra-confident superhero. In the TV series you could never understand how the world failed to see the link between the two, but here it is far more plausible that nobody recognises Kent for who he really is. He also convinces well as a man returning to a place he left five years ago and isn't sure of what to find on his return, slowly regaining his confidence and rebuilding his relationships with those he once knew. Bosworth is quietly excellent as a more mature but still dogged Lois Lane. We can see exactly how much Superman's return troubles her and why she has become a more thoughtful, if still stubborn, character. The failures of the script writers to properly flesh out the Luthor character are overwhelmed by Kevin Spacey's scenery chewing efforts. While he sometimes strays dangerously close to a Dr. Evil from Austin Powers performance, he is still the most watchable film villain in years, drawing your attention and holding it for every moment he is on screen.

As you would expect, the effects are absolutely superb but they are also scarily believable. Whereas sometimes perfect effects leave you feeling a little detached from the film, here they really add to it. You will feel every thrill of fear, excitement and beauty as Superman flies through different settings. As for all superhero movies, the soundtrack is classical and complements the movie without distracting. Although it suffers slightly from the *Lord of the Rings* problem of multiple endings, the time slips by quickly rather than dragging on. Overall, this will become a classic of the superhero/comic book genre, bringing the necessary emotional depth to go with the necessary bangs and crashes.

### UPCOMING FEATURES

#### The Break Up

Ah, how the movies sometimes reflect upon true life. Here Jennifer Aniston plays Brooke, a woman going through a tough break up with a man she obviously still has some feelings for. This time though it is funnyman Vince Vaughn rather than husband Brad Pitt and we can see exactly what happens on the silver screen, rather than having to sift through rafts of guess work in the tabloids and glossy magazines.

Having posted the third biggest opening weekend ever of a rom-com in America, this film has long been hotly anticipated over here. Expect Vaughn to carry through the comedic form he displayed in *Dodgeball* and *The Wedding Crashers*. Expect Aniston to be pretty and likeable. The script may end up predictable but there will be plenty of laughs throughout. And for guys, there will be that scene we have all glimpsed in the trailer!

# Horoscopes with Ali

**TAURUS**  
April 21 to May 21  
Financial opportunities come from the strangest of sources. A friend has good news. Beware of saying too much in the heat of the moment. A fond farewell brings tears to your eyes but you will enjoy a reunion sooner than you think. ☎ 1550-920-259

**CANCER**  
Jun 22 to July 22

**LEO**  
July 23 to Aug 22  
Don't over-step the mark or over-stay your welcome this week. A friend may be too polite to put thoughts into words. Financial debts and commitments prove a burden. Summon up fond childhood memories and get back in touch with youthful dreams. ☎ 1550-920-261

**VIRGO**  
Aug 23 to Sept 22  
Beware of someone playing a "divide and conquer" strategy. Counter by being aware of ulterior motives. In all matters, pay attention to details. Your dedication to perfection is your key to success. Feeling a little out of sync? Well this week, you find yourself in good company. Your powers of persuasion are amazing. You could sell ice to the Eskimos! ☎ 1550-920-264

**SAGITTARIUS**  
Nov 22 to Dec 23  
A personal relationship that has felt like hard work now becomes easier and more fun. Patience proves a virtue but perhaps one that you are sometimes lacking. Discretion is the better part of valour. Make "Mum's the word" your motto. A minor matter could become a major concern but nothing you cannot handle. You have the upper hand provided you play your hand close to your chest. ☎ 1550-920-265

**CAPRICORN**  
Dec 24 to Jan 20  
Don't underestimate your talents. Others around you know what you are capable of, even if you don't! This week, a moment comes that you have been waiting for. Walls fall as new bridges are built and old emotional issues dissolve. If possible, minimise travel time which is particularly energy draining. Home is where the heart is and where you can relax and unwind. ☎ 1550-920-266

**AQUARIUS**  
Jan 21 to Feb 19  
Financial trends are positive and money matters continue to dominate your agenda. Avoid spending on credit. In personal circumstances, you may have difficulty seeing the wood for the trees. **PISCES**  
Feb 20 to March 20  
This is a busy week. Despite the demands, try to conserve some time and energy for yourself. Re-establish financial and professional security by prudently planning your future. # Dungarvan Leader - This Week In The Garden

## Help bring your garden to life

A great way to bring wildlife into your garden is to simply add water and build a pond.  
No matter how small, the water will attract birds, frogs, newts, toads and even dragonflies.  
With a PVC or butyl rubber liner you can create your pool where goldfish or more expensive koi (Japanese carp) could provide a flash of gold to the scenery. Depending on what type of garden you have, the idea can be extended to include a waterfall, a fountain, a water spout or watercourse.  
These options allow you to grow many plants that thrive in wet conditions. If you are thinking of adding running water you will have to ensure a safe electricity supply for the pump.  
Having a power supply means that you can also provide lightning, which will make the pond a striking garden feature at night. Whatever you decide, an open sunny site is best away from overhanging trees as fallen leaves can cause nasty, smelly water when they are left to decompose.  
Water brings an ever changing pattern of reflections, sound and movement that is appealing in a garden.  
There are also many other decorative features the gardener can add for interest. Why not try feeding the birds by adding a bird table and a bird bath to your garden. Place them in sight of your window and out of reach of cats.

Sparkling: Ponds to not have big and elaborate to attract wildlife.

You can help the bird population survive the winter with regular feeding and entertained and cosy indoors while still enjoying your garden.  
A herb garden is an excellent feature to build, you could try an old sink for your favourite herbs but make sure there is adequate drainage so it doesn't go soggy. Creating a cartwheel shape with bricks, paving stones, grass paths or low growing hedges, such as box, can make any herb garden very attractive and will prevent the plants from overwhelming each other. A sun dial, a small statue, and interestingly

shaped pots add an extra dimension to the garden landscape but if you are more of a plant fan, then why not try a rockery?  
It can be rewarding to grow the delicate looking alpine plants in the comfort of your own back garden. And what better way to rest at the end of a hard day's gardening than sitting in your own arbour. This can be as simple as a comfy garden chair under the shade of your favourite tree.  
A more formal pergola or arch planted with climbing roses, honeysuckle and clematis, over a wooden or cast iron bench, set against a fence or wall, is another option. Put your feet up, enjoy the results of your hard work and smell the fragrance of those flowers.

## THIS WEEK IN THE GARDEN

**Prick out perennials and biennials**  
Perennials and biennials sown in June will be in need of pricking out into a nursery bed. This should be in an open position except for violas, pansies, primroses and polyanthus, which grow more quickly in partial shade.  
The ground must be well forked and reasonably rich but not recently manured with well rotted garden manure.  
Get the seedlings up as carefully as possible (if the ground is dry it is best to give it a good watering the day before you intend to move the seedlings).  
**Peg down strawberry runners**  
The runners of strawberries are most conveniently propagated by pegging them down into pots of compost sunk into the ground. When rooted they are easily transplanted.  
**Protect vines from mildew**  
Thinning of the fruits will now become general with outdoor vines. A thick mulch of well rotted manure spread over the border will help the vines a lot at this time of year. If there is the slightest sign of mildew, spray with a copper fungicide.  
**Plant winter greens**  
Plant out all manner of winter greens as you clear the ground of early crops such as dwarf peas, early potatoes and the first sowings of turnips and salad vegetables.  
As far as possible, choose showery weather for this work. If July is persistently dry, push on with the planting and then water freely for a few days.

# Tallow Notes

## BRIDEVIEW UTD A.F.C. NOTES

### Bonner A Big Hit In Tallow

Left to right; Michael Prendergast, Mary Prendergast, Packie Bonner and Shane Aherne, Michael and Mary presenting a Cup to Brideview Utd.

Tallow Pepsi Summer Camp last week 10th - 14th July, with group of mothers and fathers, Packie Bonner and Michael Looby R.D.O.

The highlight of last week was without doubt the visit to Tallow of Packie Bonner and Noel King. Packie Bonner arrived in Tallow at 11:30am and spent most of the day with the kids in the Summer Camp.

Indeed, Packie proved he still has not lost his goalkeeping skills as he went in to goal as the young players tried hard at penalty taking. Packie Bonner spent one hour standing in for photos for the kids and indeed the parents and visitors who turned up on the day.

Packie and Noel visited Goalpost Ireland to see for themselves first hand how the goals were put together. The lads also saw where the goals are now tested for all the safety standards. Director Sean Tobin and staff were on hand for this guided tour.

Both Packie and Noel also knew that this was the hometown of Mick McCarthy's father, the late Charlie and they were informed that another local, namely Michael (Mickey) Curley, donned the green jersey for the Republic of Ireland Youths team

against Wales.

Liam Kearney who began his soccer career in the local league also visited the camp in the afternoon.

All in all, a very busy day for the club but all went off without a hitch thanks to the lovely weather.

#### Summer Camp

We had 65 boys and girls in attendance at the Summer Camp and all enjoyed it. It was a terrific week as the weather was fantastic which really made the week. Indeed, on Thursday and Friday the kids drank bottles and bottles of water due to the heat.

On behalf of the club I would like to thank all the boys and girls for turning up. Michael Looby R.D.O for the W.W.E.C League and his excellent bunch of coaches namely John Cashman, Shane Aherne, Angela Walsh and Julie Cashman.

Indeed, Julie Cashman's father Joe played on Brideview Utd's first ever soccer team back in 1972.

#### Lotto Jackpot E6,600

Last weeks numbers were 12-15-21-23. No winner. Match 3 winner

was Deirdre Donnelly. Next weeks draw in Corner House at 10pm. Get your ticket early.

#### Birthday Greetings

To one of our star players namely Michael Curley who celebrated his birthday on Saturday night last. Some of the lads said he can sing better than he can play soccer. Joking Michael!!

Then we have Donna Buckley who also celebrated her birthday last weekend. Now I better not leave out Triona Buckley who celebrated her birthday around now.

#### Result

Castlebrige Celtic 3  
Brideview Utd 1

Utd were seldom in this game despite William Curley pulling a goal back after Celtic led 2-0 at the break.

Utd: S. Aherne, I. Mason, K. Henley, P. Henley, G. O'Neill, W. Henley, S. Pratt, F. Power, I. Farmer, W. Curley. Res used: E. Hickey and M. Sutherland.

#### Come On The Blues

While the Blues are going through a rough patch at the mo-

ment, their next home game is against Cork City. Tickets can be got for this game from Liam Fraser.

#### Germany v Rep. Of Ireland

The above teams meet in the Euro Qualifiers in Stuttgart on September, 2nd. Win a trip for 2 including flights, accommodation and match tickets. Tickets E10 can be purchased from Liam Fraser. Draw takes place in August.

#### Fixture For Coming Week

Wednesday, July 19th. Summer Soccer Tournament, Brideview Utd v Inch. Kick off 7:30pm. Thursday, July 20th. Kick off 7:30pm. Brideview Utd v Clashmore Ramblers.

#### Players Meeting

A players meeting will take place on this coming Saturday night at 8:15pm. The meeting itself will last no more than 1 hour. It's important that all players attend this meeting. The club hopes to field two junior teams again this season.

#### Training And Matches

On Monday night next we are hoping to have matches for our U8 and U10's. Players will be notified.

## C.L.G. TULACH AN IARAINN

Sponsored by Tallow Area Credit Union  
Doyler Wields The Pen

The notes are brief this week. It's too hot for this writing and I probably spent too much time at the Fleadh Ceoil in Lismore on Sunday as well. I'll be taking a break from the PRO job for a few weeks. (No, they are not after getting to me!) My good friend and colleague Tom Doyle has kindly agreed to give me a break. Doyler is no stranger to the job and he's as proficient with the pen as he once was with the caman. There is a bit of a tradition of "forthright commentary" from Tallow GAA PRO's. Doyler like myself would acknowledge that we were well taught by the "master scribe" himself Eamonn De Paor. Anyway, I'll let Tom take a bit of flak for a while. The "lifers" might be glad to have me back yet by the time "an madra rua" is finished.

#### Sargent Cup

Tallow defeated Ardmore in the first round of the Sargent Cup in Ardmore on Saturday evening. Both teams were fielding well under strength but it was an opportunity for some of the younger players to gain experience at senior level.

Our best wishes to Paul Murray who suffered a facial injury in an unsavoury and totally inexcusable off the ball incident and I am being deliberately moderate in my use of words. This type of thing has no place in the game. Apart from this singularly ugly swing the game was played in good spirit by both sides.

#### Under 21 Hurling

Tallow play Cappoquin this Saturday @ 2.00 in Cappoquin in an u21 challenge. Players to be at field at 1.30.

#### All Ireland Quarter Final

If the demand for tickets in our club is anything to go by then we will not have huge support in Dublin. Coming back on the train to Waterford after last years debacle against Cork I swore I wouldn't go back to Dublin unless we were in the final but sure when the call comes and you're offered a spin in Finn's Merc to and from the capital, it's hard to refuse.

Waterford will win this game provided the players are deployed in the right positions and we keep our discipline.

Our best wishes to James, Paul, Ringo and the team.

#### Cois Bhride

The minor hurlers concluded the preliminary stage of the championship with a win over Stradbally. This leaves them level on points at the top with the Briceys which should see both teams qualify for the next stage.

Minor football v Dungarvan today (Wed) @ 7.30 in Cappoquin.

The under 16 hurling championship kicks in again on Monday night.

#### Wall Comes Down

I once asked an Australian tourist what he thought of our country. He replied "I'm sure it's a beautiful country if I could see it. You keep it well hidden behind big ugly ditches." Now that the wall at the hurling field has been removed you can see where the Aussie was coming from. The removal of that unsightly wall has opened up a panoramic vista on to the playing fields and across the valley to the wooded hillside in the background. It has changed the appearance of the whole neighbourhood. When the new railing goes up and the car park completed it will be magnificent. It's all thanks to our generous supporters who contributed directly to the field development and those who buy Deise Draw or lotto tickets or who help out in any other way.

Just to clarify things the undesirable visitors I referred to last week are those who are using the club grounds at night for the consumption of alcohol or other substances and leaving a trail of litter. They are not welcome. Anybody with a healthy interest in sport is more than welcome. That's what the facilities are there for.

## VINTAGE BIKE AND CAR RUN IN AID OF THE JORDAN SUPPORT FUND

Sunday, 23rd July at 10:30am.

Travelling from Tallow and back to Tallow via Ballyduff and Lismore.

Drivers please amalgamate at the Square, Tallow at 10:30am.

We would welcome drivers with more modern vehicles to travel with us and support this worthy cause and make the day more enjoyable for everyone.

We are due back in Tallow to a festival atmosphere and Bridie Martin's usual courtesy and generosity in plenty of time to watch the match.

## LISMORE CRICKET CLUB

# Barry Supreme As Records Tumble In Galway Sunshine

Lismore made the long trip to play Galway in Div 2 last Sunday, and came away defeated after a run filled day that saw all sorts of record scores exceeded. After winning the toss and batting, Galway suffered an early setback when Harvey Jones took a smart catch at first slip off the bowling of Saquib Butt to remove one of the openers. Galway then began to control the game and the Lismore fielders spent the next 30 overs chasing the ball to all parts of the field as the second wicket pair put on an incredible 268. The stand was dominated by Australian born Matt Gray, who hit a personal score of 192 before finally being dismissed by Keith Barry with the help of a good catch by Mubbin Ashraf. Barry bowled a good controlled spell and took three further wicket to finish as the pick of the bowlers with 4 for 63 off his 9 overs. Saquib Butt (7 overs, 1 for 26) and John Ind

(4 overs, 1 for 18) also emerged from the onslaught with respectable figures as the Galway innings closed at a massive 342 for 6 off their 45 overs.

Faced with such a total, the Lismore batters had no choice but to play their shots, and looked to be in with a chance as David Ind and David Campion put on 89 for the first wicket in 14 overs. After Campion was dismissed and Harvey Jones was out cheaply, Ind and Saquib Butt began to build a partnership.

Lismore hopes began to fade when Ind was caught behind for 83, made off just 77 balls, but with Butt and Mubbin Ashraf at the crease there always remained a chance. After Ashraf was out for 19, Butt began to open his shoulders and raced to 61 off just 45 balls. When Butt was dismissed, the game began to peter out, but there was still

time for Keith Barry to round off a great day personally by helping himself to 22 not out as the Lismore innings closed at 265 for 8. This is the highest score compiled by Lismore in memory and, quite possibly, ever, but was still 77 runs shy of the Galway total. So Lismore set into the long road home defeated and sunburned but with many positives points to take from the games.

Team: Seán Willoughby (capt), David Ind, David Campion, Harvey Jones, Saquib Butt, Mubbin Ashraf, Andrew Malcolm, Keith Barry, Winston Boyle, Oliver Ind, John Ind.

If you are interested in playing cricket for Lismore and wish to find out more about us, call the captain Sean Willoughby on 087 8167628 or come along to training on Tuesday evenings at the Lismore Cricket Club, Castlefarm at 7pm. Until next time, keep the willow swinging!

# Come Along For The Quack To The Dungarvan Duck Derby!

All roads lead to Colligan Wood on Tuesday 25th July at 7pm for a charity Duck Derby in aid of Aids Partnership with Africa (APA).

Ducks cost €5 each and following a series of heats and finals the first three ducks home will secure €150, €100 and €50 respectively!. For further information and to secure your duck please contact Rosarie at 087 7576579 or Máire at 086 8961108. Come along for the fun!

This fundraiser has been inspired by the work APA is doing in Ethiopia and Tanzania with all funds raised targeted on programmes being developed in Amhara, one of the poorest regions in Ethiopia.

Many of the children in Amhara have been orphaned by AIDS. They live on the streets or in very poor conditions and have a very bleak future unless they are supported. There are

1.25 million orphan children living in absolute poverty and deprivation throughout the whole of the Amhara region. Survival rate once orphaned is very low. "Keeping in mind that people in Ethiopia on average live on less than one dollar a day this fundraising event can financially have an enormous impact because funds raised go directly to projects on the ground. We can literally save peoples lives," says Olivia O'Reilly, CEO of APA.

Although the prevalence of HIV in the Amhara region is the highest in Ethiopia there is very little NGO support largely because the area is vast and mostly rural. APA is an Irish charity working exclusively with HIV/AIDS in this region and UN AIDS recently cited the work as having best field practice. For more information phone 01 4064316 or visit the website [www.apa.ie](http://www.apa.ie). Together we can make a difference.

All roads lead to Colligan for Dungarvan's Duck Derby on Tuesday, July 25 at 7 p.m.

## MANCHESTER UNITED SUPPORTERS CLUB

### WATERFORD BRANCH

#### ONE UNITED MEMBERSHIP

These forms are available from this week on if you would like a form just contact the secretary on 086-3925677 to get your form. If you wish to travel with the branch you must be a member of One United.

#### BRANCH MEMBERSHIP

The Waterford Branch membership for the new season remains at E10 for adult and E5 for junior. These are available from any committee member or contact the secretary for more information.

#### GUARANTEED FIXTURES

As yet we have not received our three guaranteed fixtures for the coming season. They are expected to be known by the end of this week. Contact the secretary on Friday on 086-3925677 who should be able to give you the fixtures by then to allow travel to be organised as cheaply as possible.

#### OFF TO A GOOD START

The South African tour got off to a good start albeit minus the World Cup players. It was nice to see Ole score for the first team

again and Scholes back in the middle, the main plus points along with the 4-0 score-line. The fourth goal is definitely one for "What Happened Next" as it was one of the most bizarre own goals ever seen.

#### NEW SIGINGS

The transfer market is all set for its usual burst of activity. Traditionally, the last two weeks of July herald the coming of new players and more so this year with the Italian relegation of its top sides and possible availability of some top players. Let's hope United are involved when they become available.

#### A LOOK BACK IN TIME

A fair heading for Justin Murray and J.P. Hallahan who sang Liverpool songs and still think they have just won the Champions League while waiting for chips in Genoa's. No harm in dreaming!!

#### SEASON TICKET SCHEME

There are still a few members who have not paid their E60. This money is well overdue. If not paid in by the end of this week, you will forfeit your place within the scheme. This is a final warning.

# Fourmilewater Hurling Club Notes

## ANOTHER COUNTY TITLE

On Monday last, our U 16's were crowned county champions at the Fraher Field. This is our 2nd. County title in a month, following the U12 win.

In a thrilling match, our heroes overcame a valiant Naomh Brid side on a score of 4-7 to 2-8. This game was nip & tuck all the way. But the true character of this team emerged when Naomh Brid got to within 1pt. with 6 minutes to go. They dug deep & aided by some astute substitutions pulled away.

They're were many contenders for man of the match, but in truth, this was a magnificent team effort. Up front Darren Guiry with his flick for the 1 st. goal & his lay-offs to Graham, who scored 3 goals, Shane Ryan, particularly in the 2nd. Half, were all excellent, but so were the other forwards, David Nugent, Thomas Walsh, Eamon Cooney & subs. Diarmuid Murphy & Niall Morrissey. At centrefield James Mc Grath worked hard, through the pain barrier, & was visibly wrecked at the end. Davy Fitzgerald was equally busy. At centreback J.P. Fitzgerald played a captains part & was rock solid, despite shipping some close attention. The wing backs Alan Mc Grath & Brian Whelan cleared some great ball. In the corner, Damian O'Donnell, not the biggest man on the field, but maybe the one with the biggest heart, was magnificent & many peoples candidate for man of the match. Paudie, as always, when the chips are down produced the goods, literally- when bursting out with the ball from a saved 21 yd. free to save the day when there was only 1pt. between the teams. In the other corner young Aidan Condon always had the measure of his man. The consensus after the match was that all these efforts would have been in vain were it not for the fine saves by John Fenton in goal.

Congrats. also to the management team of Billy Walsh, Thomas Crotty, & Ray Cummins [trainer] for the preparation of these champions.

Well done lads you have done yourselves & your club proud.

## MINOR HURLING

Our minors bowed out of the 2006 championship with a defeat at the hands of Brickey Rangers. In a game that they were well capable of winning, they just couldn't click. The oxygen mix wasn't quite right.

## SARGENTS CUP

On Sunday night, at Colligan, our seniors overcame Stradbally by 1-14 to 0-8. This was a dour, no holds barred, contest that was only enlightened by some excellent performances, mainly from F.M.W. players. In particular, Ml. Connolly at centre-back & Anthony O Gorman at midfield who between them controlled the game. Patrick Walsh scored some magnificent points, in particular, 3 long range frees & a great goal from a sublime pass from Alan Lawlor to wrap up the game. The always busy Declan Spellman was unlucky when a pile-driver came back off the crossbar. Justin Walsh was the best of the full back line. We may meet better teams further in this competition but we won't meet tougher. We now meet Lismore in the semi-final next Monday at Fraher Field.

Our juniors play Ballyduff on Friday night for place in the Western quarter-finals.

## JUNIOR FOOTBALL

The Nire junior footballers were narrowly beaten by Killrosanty on Friday last on a score of 0-9 to 0-8.

## LADIES FOOTBALL

Congrats. to Waterford Senior Ladies on reaching the Munster final by beating Kerry on Saturday last at Fraher Field. They now play Cork in two weeks time.

## WATERFORD DOUBLE

Here's looking forward to a Waterford double over Tipperary at the week-end. Don't forget to support our footballers in the Tommy Murphy Cup on Saturday at Fraher Field at 2p.m. Tony 2 pigs heads would be in order for Sunday night.

## 2ND ROUND GROUP A ROUND ROBIN

Lismore 2-12  
Gaultier 3-8

This game was played at Lismore on Friday evening 30/6/06 and it doubled up as a league encounter as well as a championship game. The game was lively from the start with Gaultier scoring a goal in the opening minutes, but Lismore took command for the most of the first half then Gaultier goaled again and added 2 points before half time to lead 2-2 to 0-6 at the break. Lismore took over again after the interval and raced into a 2-8 to 2-2 lead midway through the second period but Gaultier responded with a string of scores and with time running out almost snatched a victory with a late goal in a thrilling finish. Lismore survived and just about deserved the spoils. This game was a top class performance from both sides and the standard of play was excellent at times. Both of these teams will have a big say in the eventual winning of the 2006 cham-

pionship.

**Scorers** — Lismore — Nicola Morrissey 0-7, Shona Curran 1-1, Tanya Morrissey 0-3, Mary Murphy 1-0, Sinead Murphy 0-1, Gaultier — Aine Ling 1-8, Jenny O Grady 2-0, Pauline Jackman 0-1

## 2ND ROUND GROUP B ROUND ROBIN

An Rinn 3-3  
Ardkeen 1-6

This game was played in the Mt. Sion Grounds on Wednesday evening 5/7/06 and caused quite an upset with the Ring ladies earning a surprise victory over Ardkeen. Ardkeen opened with a goal but An Rinn responded with 2 points.

Ardkeen then got their first point to lead 1-1 to 0-2. An Rinn then had a goal in a great move to lead 1-2 to 1-1. Ardkeen finished the first half with a flourish adding 3 unanswered points to lead at the break 1-4 to 1-2. In the opening minutes of the second half An Rinn got a goal sending them a point clear. Ardkeen replied with a point to bring matters level 2-2 to 1-5. Both teams fought to

gain the upper hand and it was the Gaeltacht based team who got the telling scores, a goal and a point to lead by 4 points entering the final minutes. Ardkeen laid siege to the Ring goal but an unyielding defence for An Rinn withstood the pressure. A last minute point was Ardkeen's lot.

An Rinn were relieved victors at the end of a great camogie match.

**Scorers** — An Rinn — Mary O'Donnell 1-1, Niamh Briggs 1-1, Róisín Briggs 1-0, Laura Cliffe 0-1.

## FINAL RND GROUP B

An Rinn 3-4  
Butlerstown 1-0

A tough encounter at the Ring venue on Wednesday last 12/6/06 when those two teams met in a game which neither wanted to lose. The game started at a hectic pace and no quarter was given or asked. Scores were scarce in a first half dominated by both defences. At half time An Rinn led by 0-2 to 0-0 after playing with a slight breeze. An Rinn found it difficult to break down a tough Butlerstown defence but a goal and a point 10 minutes into the 2nd half seemed to have settled this game 1-3 to 0-0 in favour of the Ring ladies. The game then really came to life. Butlerstown's fighting spirit was on show as they responded with a goal and they put the An Rinn defence under extreme pressure as they came looking for another score that would get them back into the game. The Ring ladies responded and moved up a gear. The backline took everything that Butlerstown threw at them and with some fine play moved the ball upfield to add 2 goals and a point in the last 10 minutes and thus record a fine win of 3-4 to 1-0.

**Scorers** — An Rinn — Fiona Kiely 1-2, Niamh Briggs 1-0, Sara O'Brien 1-0, Laura Cliffe 0-1, Mary O'Donnell 0-1.

An Rinn last years junior

champions have now qualified for the County Senior Semi-final and await the winners of group A.

Group A is not yet finalised as Gaultier must play St Annnes in both teams final group game. St Anne's have had a victory over Lismore in this group already and a win here would mean they top the group. On the other hand if Gaultier were to win, then each team in Group A would have 2 points and scoring averages would come into play to decide the overall winner of the group. Ardkeen must play Tramore in group B but the outcome of this game has no bearing on the overall group as An Rinn have full points from their three games and are group winners.

In the Junior championship Lismore's second team had a good win over League winners Ferrybank while Tallow had a narrow victory over An Rinn's 2nd string side.

Lismore have qualified for the junior final and await the winners of Tallow and Ardkeen's 2nd string, team this game is going ahead on this Wednesday evening.

## COUNTY TEAMS NEWS

Waterford county teams have seen a lot of action recently in all grades.

The Junior team have qualified for the All Ireland Q/F against Antrim on Saturday next 22/7/06 at a Dublin venue. So if you are in Dublin for the hurling game at Croke Park and you are up on Saturday why not support our ladies.

Our U-18 team came up against a very strong Cork outfit in the Munster championship last Friday evening at the beautifully appointed Ring Grounds and were outclassed on the night. They now go forward to the All Ireland B Championship.

Meanwhile the U-16 team lost to a stronger Derry team in the All-Ireland B semi final in Mullingar on Sunday last.

## INTERMEDIATE HURLING LEAGUE

On Saturday night we played Erins Own of Waterford city. This was a tough hard game in the evening sunshine and again we got off to a poor start and at a stage before half time were down by a margin of 10 points. In the second half we showed a lot more spirit and commitment and clawed our way back into the game. We were supplied goals by Stephen Barron and Declan Allen and Brian Dunne was unlucky not to give us a winner when his late strike was blocked off the line. A good come back but we unfortunately the gap was too big to bridge. In the end we lost out by 2 points.

## WATERFORD VS TIPPERARY

Best of luck to both hurlers and footballers as they both take on Tipperary at the week-end. First it is the turn of the Footballers in the Tommy Murphy cup on in Dungarvan on Saturday afternoon where Karl O'Keefe, Kieran Connery and Cillian O'Keefe are part of this panel. Then on Sunday all roads lead to Croke where the hurlers hope to rid themselves of their Croke park Hoodoo. Best of luck to both squads. Tickets for the games can be got from the usual contacts.

## FIXTURES

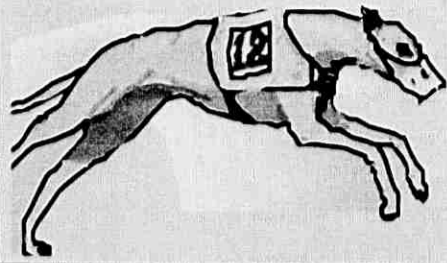

On Monday night next we are

due to play, near neighbours and old rivals, Ardmore in this years Phelan cup first round. The game is currently fixed for Ring but this may change so keep your ear to the ground.

Minor footballers play the first round of their campaign against St Olivers in Bushy Park at 730pm on tonight Wednesday. They also have a game the following week so lets try and show our support for the lads.

## LOTTO

## Deerview Lady Was In A Different League

The showcase event on last Friday nights eleven race card was the final of the Euro Fuels D2 Marathon Stake and those punters who rowed in with the Stephen and Kitty Lambert owned Deerview Lady never had a moments worry as this daughter of Jamella Prince and Rookery Lady broke in front from trap six to make every post a winning one in 41.10. Backed in from 1/1 to 4/5 Deerview Lady dashed into an early lead and while Walworth Lady threatened for awhile on the back stretch Deerview Lady stayed on strongly in the home stretch to defeat Walworth Lady by eleven lengths. The winner now has a smashing strike rate of eight victories from thirteen race outings.

In the opening 525 Atlanta Laura made a bright start from trap two but at the second bend the Paul Walker and Brian O Keeffe owned and Dick Ryan trained Jimmys Spring (Droopys Vier-Brykat Kariba) the red hot 4/6 struck the front on the wide outside. In a one sided contest thereafter Jimmys Spring lengthened his stride to race on for a comfortable twelve lengths defeat of Willie Drink in 29.45.

Local trainer Damian Quigley sent out the trap to line 29.46 winner of the second contest with the Michael Spillane owned Mellison Harry (Jamella Prince-Muckenpuddle) 5/2 doing the business with relative ease from trap six. Cornering in front of Coolstuff Goldie Mellison Harry went on his merry way to eventually beat Titanium Joe by two and a half lengths.

County Tipperary trainer David Flanagan was on the mark in the third race courtesy of the Patricia Kelleher and Ray O Connor owned More Cool this 2/1 chance leading everywhere in a best ever 29.35. Showing good early pace up the middle of the track More Cool (Jamella Tiger-Jet Black) led early on from a packing field and making the long break for home More Cool eventually won out by seven and a half lengths over a slow starting but staying on Bettys Ben.

Having only his second race outing the Patrick Dalton Jnr owned Schofield Dan (Pacific Mile-Glenwood Belle) 5/4 came through the field to take a six-bend marathon in 41.90. Birchfield Nell set the early gallop but when the leader steered a middle course at the third bend Schofield Dan dashed into the lead on the fence for Cashel trainer Matty Ryan. The well backed Cute Laura 3/1 to 4/6 along with Birchfield Nell kept tabs on Schofield Dan on the back stretch but to be fair to Schofield Dan he stuck at it well to triumph by four lengths over Cute Laura.

Foxboro Jill 6/4 to 4/6 was the best backed runner in race five but after going up with the traps the jolly found himself short of racing room when closing in on the leaders at the penultimate turn. Out in front is the place to be in these type of races and that's where the Michael Fitzpatrick owned and John Power trained Jewel Time (Crack Off-Latin Sky) found herself this 2/1 shot leading in the early stages from Hell Broke Loose and Glenberrie Mojoes before scoring by a length from Foxboro Jim in 29.52.

Track newcomer Idontknowjoe 2/5 was a warm order to lift the sixth contest and while the jolly did miss his break his early pace carried him into a slender third bend lead over the front running Ima Cooper Kate. The Eleanor Turner owned Ima Cooper Kate was not going down with out a fight however and coming with a renewed challenge Ima Cooper Kate (Top Honcho-Fergies Flavour) got back up in the home stretch to beat Idontknowjoe by one and a half lengths in 29.52.

Returning after a five months break the Aidan Roche owned Kingsmill Lizzie (Honcho Classic-Charming Lizzie) 2/1 encountered little difficulty in opening her account in race seven in 29.61. Atlanta Kacey broke well from a middle draw but Kingsmill Lizzie displayed the superior early pace to lead out of the opening two bends from Quanns Robin. In a one sided contest Kingsmill Lizzie was never really tested en route to a facile five and a half lengths success over Dotchys Girl.

We moved up to the 550-yard trip for race eight. Maplewood Storm and Early King dominated for three of the four bends in this four bender but recovering well from a first bend bump Eugene Dempsey's Skyview Black (Captain Mackey-Whitewood Salem) 9/4 came between this pair off the home turn. Once in front Skyview Black was not going to be denied proving three lengths to smart for Maplewood Storm in 30.77.

Butlerstown trainer Michael O Keeffe is certainly getting a sweet tune out of the Gemini Two Syndicate owned Chalk Em Up (Staplers Jo-Lisnakill Vicki) and this 5/2 shot ran a gutsy race in the tenth contest to post back-to-back victories in a best of night 29.33. Surviving early traffic problems Chalk Em Up eased his way into a second bend lead from Brackenboykewell before edging clear for a cosy six lengths defeat of Leahs Class.

In the final race of the night over the 550 yard trip Miss Cracker held a narrow back stretch lead over Postmans Style and Local Touch but when push came to shove it was the George Frisby owned Postmans Style (Jamella Tiger-Alex Pride) 6/4 who produced the superior dash of finishing pace to outstay Miss Cracker by two lengths in 30.50.

Saturday-July 15th

## Ballyneale Card Came Up Trumps

The middle leg of last weekend's triple-header in Kilcohan Park was an all graded affair.

Racing got underway with a 4/1 winner as the Three To Do Syndicate owned and Patricia O Neill trained Gallows Bree (Teds Jo-Navagation Girl) made every post a winning one in a much-improved 28.94. With the 4/6 hot pot Dalcash Victor starting slowly from trap six Gallows Bree quickly scampered into an early lead over Lawcus Lass. Dalcash Victor went second down the back stretch but Gallows Bree was gone beyond recall at that stage eventually winning out by ten lengths.

The lightly raced Ballyneale Card (Droopys Scholes-Rhincrew Zara) recorded the fastest time of the session when flying around in 28.84 in race two. The even money favourite Greenview Angel broke well from trap three but she had no answer to the early pace of the long striding Ballyneale Card. Nans Dawn came out of the pack to chase Ballyneale Card down the back stretch but it was all in vain as the well built eighty pounder Ballyneale Card went on to defeat Nans Dawn by ten lengths.

Race three saw the Steven Hannon owned and Tom Colfer trained Full Bore record standard trip back-to-back victories in 29.41. In the front rank throughout Full Bore (Pinewood Blue-Sideshow Mel) 3/1 was challenged throughout by both Amazing Times and Dinzos Pet but digging deep on the run to the winning line Full Bore emerged victorious by half a length over Amazing Times with Dinzos Pet a head further back in third.

The two-bend sprint was declared void after the traps failed to open on time. This race was not re run.

We moved up to six bends for race five where the Ger Larkin owned Windrush Heather (Pacific Mile-Rockmount Swank) 2/1 to 6/4 and a recent 29.29 winner over four bends at Enniscorthy made every stride a winning one in 41.27. Leaving traps smartly Windrush Heather brushed aside the early challenge of Amy Jos Friend and getting every yard of the trip Windrush Heather drew clear in the closing stages to defeat Toby Blue by an eye catching six lengths.

Kilmacthomas owner Michael Bagge teamed up with local trainer Paul Kiely to capture the sixth contest with 4/1 shot Dark Room. Showing plenty of early speed up the middle of the track Dark Room (Pacific Mile-Princely Lady) was in pole position throughout leading early on from October Blake before running out a handy three lengths winner over Bridies Clover in a career best 29.01.

The seventh contest produced an exciting finish with victory going to the The Hairy Syndicate owned and Liam O Callaghan trained Hairy Vat (Spiral Nikita-Westmead Slick) 3/1 in 29.08. In command of matters early on Hairy Vat appeared all set for an easy win but a gallant Hows The Lack produced a spirited finish only to taste defeat by a head.

Favourite backers chose the right one in the eight contest with the Michael and Davy Power owned Honey Bell (Droopys Agassi-Honey Bev) the evens favourite doing the business in 29.18. A fast starting Moonveen Ita took the field along up front for three quarters of the trip. Between the final two bends however Moonveen Ita was joined and forced wide by Daisy Pilot and seizing the opportunity a rails hugging Honey Bell dashed into the lead to motor on for a two lengths win over a hampered Moonveen Ita.

Lemon Rancher 4/1 to 2/1 was the best supported runner in the ninth race but the outlook looked bleak for his supporters as he literally walked out of trap five as Mays Impact made the long dash for home. Making up for lost time however Lemon Rancher (Mustang Yank-Lemon Champ) switched his challenge to the wide outside on the back stretch and accelerating into the lead Lemon Rancher quickly overhauled the front running Mays Impact who was forced to settle for the runner up spot a length and a half in arrears of the Denis Lennon owned and Martin Leahy trained Lemon Rancher in 29.06.

Bobbie The Rail cut an early dash in the tenth contest but lost her early advantage as Minglers View darted into a narrow third bend lead on the rails. Bobbie The Rail joined issue once again with Minglers View off the home turn but finishing best of all the William McDonald Junior owned 5/1 outsider Clongeen Classic (Honcho Classic-Staplers Mink) stayed on really well in the closing stages to deny Bobbie The Rail by half a length in 29.45.

In the concluding A1 contest the Michael O Brien owned Jammie Tart (Rapid Ranger-Blue Mystic) 3/1 left trap four like a scalded cat to make every yard of the running for a facile 28.85 success. In command from the outset over Lemon Fire a free flowing Jammie Tart went on to account for the slow starting but fast finishing Cherryhill Fancy by four and a half lengths.

Sunday-July 16th

## Catunda Francie In A Thriller

A benefit meeting in aid of Crumlin Children's Hospital attracted a fine attendance to Kilcohan Park on a beautiful summers evening last Sunday. The showcase event of the night was the final of the JJ Lambert sponsored Blackjack Tom A3 event and after a tremendously exciting final the Paul Daly owned and Owen McKenna trained Catunda Francie (Toms The Best-Catunda Ciara) the 6/4 favourite emerged victorious in a time of 28.80. The jolly after a moderate enough break found himself in third place early on as Montos Mark eased his way into a narrow back stretch lead over the early paced Dinnys Woods. There was little or nothing in it between Montos Mark and Dinnys Woods rounding the final turn however but tracking cleverly around the outside of this pair Catunda Francie forged to the front up the home stretch to defeat a fast finishing Stayaway Cruiser by s length and a half with Dinnys Woods a half a length further back in third.

We had a ready made favourite in the opening contest as track newcomer Inzaghi (Pacific Mile-Ringaround Sue) who was badly hampered on his debut at Clonmel was duly despatched as the 5/4 on favourite and despite stumbling at the traps the Brendan Hoare owned Inzaghi cruised into a first bend lead before driving clear for a facile six lengths defeat of Lisnakill Darren in 29.30.

Despite being off the track for over five months the Teddy Robinson owned Blue Society (Honcho Classic-Penny A Paw) 3/1 was far from ring rusty in race two as the local blue bounded clear from trap five leading early on from Lench Beauty before coasting to an impressive nine and a half lengths win over Kilkenny Catwalk in 29.13.

In race three a fast starting Listoln Mick was forced to pull up injured at the first bend. The Kevin and Danny Murphy owned and Nick Turner trained Katies Grandy (Top Honcho-Westmead Hara) the 6/4 favourite quickly switched his challenge to the inside striding on nicely up front for a one and a half lengths defeat of the always prominent Dalcash Ablaze in 29.09.

Dublin trainer Tom Lynch just farms these hurdle contests around the country and his Glenamoy Boy (Droopys Vier-Maglass Bloom) justified 4/6 favouritism with a fluent all the way success in race four. Jumping for fun up front Glenamoy Boy owned by Tom Mchale and Paul Deane scampered into a clear early lead over Lauconaid Lad and while Shortwood Figo was noted doing all his best work at the finish Glenamoy Boy prevailed by two and a half lengths over Shortwood Figo in a decent 29.36.

There was a popular local success in the fifth contest as the Willie Flynn owned Herblain Classic (Honcho Classic-Seskin Mona) 5/2 ran her best ever race to make every stride a winning one in a fast 28.87. Roanokee Rocket chased the winner for a long period and while Hookorbycrooke made eye catching late headway to fill the runner up spot Herblain Classic was gone beyond recall at that stage obliging by six lengths.

The final of the Richie and David Byrnes A5 event was a real competitive affair. Westpoint Lass broke well from trap two but moved to the outside on the run up. Savana Highlands (Droopys Kewell-Valentia Mist) the 5/4 favourite got the better of an early tangle with Funcheon Rebel and while Amazing Aces and Ballygarvan Bill were bearing down on Savana Highlands over the final two bends the Kevin Baker owned and Dave Maltby Baker trained Savana Highlands battled on tenaciously for a deserved three quarters of a lengths success over Amazing Aces with Ballygarvan Bill just behind in third. Time 29.17.

Race seven produced a 5/2 winner as the Edward Furlong owned and Sean Dooley trained Greenview Furry (Pinewood Value-Greenview Beauty) proved full value for a 29.01 victory. Displaying sound early speed from trap one Greenview Furry held the call throughout and despite the best efforts of Silken Thomas Greenview Furry held firm to triumph by a length over Silken Thomas with a fast finishing Funny Side just behind in third place. The final of an A2 event was kindly sponsored by local trainer Vic Roche and Associates. The punters latched on to the Darren Dunford owned Gandisranger 1/1 and this full brother to Saturday night's impressive winner Jammie Tart made short work of the opposition with an impressive trap to line 28.66 victory. Breaking in front Gandisranger held the early call over Bosheen Booster and while the latter gave of his best in second place he was no match for the fleet footed Gandisranger who went on his merry way to land the first prize by five and a half lengths.

When the front running pair of Windrush Trigger and Inchiquin Tiger bumped at the first bend in the concluding 550 the James Coogan owned Harbour Violet (Larkhill Jo-Volcano Violet) 3/1 quickly dashed into a second bend lead on the wide outside. Try as she might Windrush Trigger could not peg back Harbour Violet who stayed on dourly for a length and a half victory in 30.30. This success for Harbour Violet was the second leg of a training double for Sean Dooley.

**WEST WATERFORD GOES TO CO. CORK**

On Sunday 23rd July West Waterford Autograss transfers its racing to the very popular location of Araglen, Co. Cork to take part in the Araglen carnival festivities. This event always proves to be a very popular day out with the racing taking place on the outside of the hurling field. There is sure to be some very competitive racing and a great day out is ensured and even more so if the weather stays in our favour. This race day in particular proves to be very popular with drivers and last year we had drivers from all the 4 clubs in the southern league participate in the event. As with all other race days scrutiny begins at 10am and ends at 12pm with the 1st race underway at 1.30pm sharp.

**ALL IRELAND AUTOGRASS SERIES 2006**

West Waterford Autograss Ltd., based in Ballysaggart, Lismore, Co. Waterford, will on September 16th & 17th host the final round of The All Ireland Autograss Series and The Irish Fastest Man on grass. In its 7th yr, the AIAS consists of 3 rounds held in Northern and Southern Ireland. The 1st round of this yrs series was hosted by the Mallow autograss Club and on the 1st weekend of July a

large crowd travelled to Northern Ireland for round 2 which was hosted by the Down Autograss club. There is a very big entry from the 4 Southern Ireland League clubs which are based in Mallow, Enniskeane, Lismore and Carlow, the 2 Northern Ireland League clubs, Down, and Causeway (Antrim) as well as some of the top drivers from Wales, Scotland and the UK. As this is the last round of the series competition is sure to be fierce with drivers in some classes going into the final tied on points. These are in the ladies class with MA369 Valerie Shanahan and MA241 Ellen Sugrue tied for 2nd place with MA50, Tracey Lenihan only 1 point behind. Also in the junior specials class there is a tie for 1st place between CK5 Thomas Creedon and MA53 Patrick Sheehan. Perhaps the most tightly fought race in this years series is in the Junior 'A' class with 3 drivers fighting for 1st position. These drivers are DA54 David Pedlow, CW4 Jamie Thorpe and WW73 Nathanya Houlihan.

These junior drivers are having a great battle between them over the series and it's sure to continue over the weekend. Members of West Waterford Autograss between them managed to bring home 11 trophies and our congratulations must go to them and indeed to all the other prize-winners from the other clubs as well.

**THE IRISH FASTEST PERSON ON GRASS**

As well as being lucky enough to have been drawn to host the final round of the AIAS, as a huge crowd is expected from Wales, The UK and Northern Ireland as well as all the competing members of the Southern Ireland League, West Waterford Autograss will hold 'The Irish

Fastest Man On Grass' on this weekend and there is huge interest in this coveted title. This will be based on just an ordinary weekends racing and the winner of the individual classes will then go out in one race together and the overall winner of this will then claim the title of being 'The Irish Fastest Person on Grass'

**CLUB MEETINGS**

Club meetings continue to be held every Monday night in Rose's West End Bar, Lismore at 9pm sharp so if you have anything you feel might improve the club or if you just want to find out what the club is all about then come along to the meetings or if anyone wants any more information you can log onto our website;

## The Ballyrafter Centre, Lismore

### SUMMER LEAGUE FINALS

The wonderful summer conditions greeted riders for the summer league finals at The Ballyrafter Centre, Lismore last weekend and in glorious sunshine battles were fought and won. Sean Kelly, Watergrasshill impressed with a double on his "Clover Hill" bred stallion "Rineen Clover" who jumped to victory in the 1-10m and 1-20m finals and Michael Healy, Dungarvan won a seriously hard fought contest in the 1-00m final on the mare "Rocklands Blue Brigade" by "Clover Brigade".

Sean Kelly started favourite with "Rineen Clover" having taken the leading horse award in both classes and the stallion was in tremendous form. In the 1-10 Anne Gould, Ballymacoda with "Golden Keigh" set a good time of 40.59 but Noreen Quealy, Ballinamult with Lar Raheer's big "Cruising" gelding "His Lordship Cruise" got every turn including an impossible turn to the combination in 36.24 leaving very little room for error. "Rineen Clover" a pure Irish Draught covers amazing ground and despite going around the rustic to jump the combination Sean left no other margins and won well in 35.05. Things were a little easier for him in the 1-20m final as first Michael Buckley, Cappo-

quin with "Charlies Royal" and then John Cashman, Lismore on the "Big Sink Hope" gelding "Hope of Diamond" made minor mistakes but then Kieran McCarthy, Cork based with Sean at Lucky Meadows got a lovely clear on "Navilluso Halanta". Sean said afterwards he knew where he needed to go to head Kieran and this he did by just two tenths of a second to claim another trophy.

10 horses went through to the third round of the 1-00m final to ensure a spectacular final. Donal Cashman, Cork with "Bright Venture" opted for a safe clear in 45.08. Mary Ronayne, Villierstown with "Landgravin" immediately went quicker in 44.93 but then Ellen Riordan, Glanmire and "Cahalane Star" flew everything with the smart coloured mare in 42.45. This looked quite safe especially as Monica Griffin, Fethard on "Rathdrum Queen" had a super round in 44.88 to slot in behind. Michael Healy though was determined to take the trophy and he gave it everything on the 6 year-old mare "Rocklands Blue Brigade" who responded accordingly in 41.00 which gave him a well deserved win.

Earlier Alice Fitzgerald, Youghal and her consistent mare "Glenlickey Rose" by "Arctic View" took two leading trophy awards. In the 0-90cms final Jenny Costello, Kilmeaden and "Silver Echo" were in tip top form throughout the day and flew round clear to finish third but the battle was on be-

tween Ellen Riordan again consistent with "Cahalane Star" who had 42.95 and Spring League winners Maria Blomen, Monkstown and "Pommac" who made the summer finals her own as well when winning well in 39.72. Anna Dangerfield originally from England but now living in Ballyduff was thrilled with the comeback after injury in a traffic accident of her "Greystones Sardiuss" who won the 0-80cms final with a brilliant round in 40.37. Jenny Costello was second here ahead of Kate Morrissey, Clonea on "Kilgrovan Lady". Also from Clonea, Rachel Raheer took the leading trophy award with "Clonea Trampas" having the highest number of stars throughout the league.

The Panda League final took place Thursday evening and there was more great competition. Sarah O'Connell, Cork with "Jelly Tots" won the 0-70cms final by just one hundredth of a second from Michelle Griffin, Kilgobnet on Kevin O'Brien's "Warrior". Rena Landers, Cappagh was third with her leading horse "Knockmaun King". Two young riders with their 4 year-old horses who just started in this league had a great rivalry in the 0-80cms final. Sheila Ahearne, Ballyduff with "Barbara" had a lovely round in 46.69 and then Susi Lonergan, Dungarvan with "Mango" found a slightly shorter route in 42.78 to score a nice victory.

Martina Raheer, Clonea with her impressive grey "Quicksil-

ver" took the leading horse award in the 0-90cms class but her main objective was to get the opportunity to go against the clock. This she did and then for good measure made it a winning round as well. Maeve Hennessy, Middleton with her mothers horse "Cosmo" was the only other clear in the jump-off in 52.51 but Martina was well set up and got some superb turns to win in 41.99. Sarah O'Connell took third here and Sharon Dempsey, Fermoy won the leading award with "Parkway Magic". Aine Morrissey, Clonmel and "Otto" slotted into third in the 1-00m final but the battle went between John Dunford, Ballinamult and Noreen Quealy. Noreen won out in the end with "His Lordship Cruise" getting the edge by 5 seconds from John with the thoroughbred "Knockroe George".

## Cheltenham Seek Sponsor

Cheltenham racecourse is seeking a sponsor for the prestigious Grade 1 Queen Mother Champion Chase. A sum of around £250,000 will secure the sponsorship of this much sought after championship race.

## Bad Break For Darryl

Jockey Darryl Holland is out of action at the moment having broken a wrist last Friday.

## Channel 4 Cameras

The Channel 4 cameras are at Newbury and Newmarket this coming Saturday.

## All Weather By August 2007

August 2007 is the date set aside for the first all weather fixture to take place in this Country at Dundalk in County Louth. The same venue is also home to Dundalk Greyhound Stadium. The greyhound track is located on the inside of the proposed horse racing circuit.

## Oaks Win For Alexandrova

The Kieren Fallon ridden odds on favourite Alexandrova became only the eleventh every filly to win both the English and Irish Oaks when running away with the Irish leg at the Curragh last Sunday. It was also hard to believe that this was trainer Aidan O'Brien's first ever win in this event.

On the same card Slieverue trainer Eoin Griffin won a valuable Ladies race with the Nina Carberry partnered 4/1 shot Tour De Force.

## First UK Winner

Irish trainer Eddie Lynam enjoyed his first ever winner in the UK in over twenty years training horses when Fran Berry steered Free Roses to victory at Ayr recently.

Eddie had the assembled Scottish press chuckling when he described his free running winner as "She goes off like a Bishop out of a brothel and sometimes doesn't get home".

## Newmarket Roundup

The Ritz Club three-day July meeting produced some excellent fare during the week. Clive Britain one of Britain's more senior trainers sent out 50/1 outsider Rajem to victory on Wednesday in the Group 1 Falmouth Stakes leaving none other than an out of sorts Soviet Song in her wake.

The Jeremy Noseda trained Sander Camillo looked very useful when capturing the Cherry Hinton Stakes and if wintering well is something to look forward to in next years 1000 Guineas.

The hot favourite Mountain High ran well in the Princess Of Wales Stakes on Thursday but it was the Mark Johnson trained Soapy Danger who came out best in a tight finish. If anything Mountain High looked as if he would stay further in time.

Les Arc won his second big sprint of the year under John Egan when striking late on Friday in the Darley July Cup. The fast finishing runner up Ifraaj looked a shade unlucky under Frankie Dettori and should be winning soon.

## Aussie Challenge

The Irish jump jockeys team heading to take on their Australian counterparts down under this summer is comprised of Niall Madden, Brian Byrnes, Kevin Coleman and Nicky O Shea. Because of their commitments down under all four miss out on riding at the four day August festival of racing in Tramore.

## Tramore Winner

Tramore trainer Pat Flavin enjoyed a welcome change of luck at Cork last Friday night where he sent out the Pint To Pint Syndicate

owned and Andrew Leigh partnered Oily Colman (Earl Of Barking-Colmans Hill) to a battling length win over the favourite Whenever Wherever.

## Glamour Puss

Top Australian sprinter Glamour Puss has been retired to the breeding paddocks after side stepping an intended engagement at Newmarket last week. The six-year-old mare failed to sparkle in her work so connections decided to call it a day with this lady.

## Throat Infection

English Derby fourth Hala Bek is out of action for the time being as he is still suffering from a throat infection, which caused the Michael Jarvis, trained colt to miss out on a crack at the Budweiser Irish Derby.

## Richard To Marry

Richard Quinn who retired from race riding last week is to shortly marry TV racing presenter Alex Hammond.

## Ledger Entry For Sir Percy

Derby hero Sir Percy heads 52 entries for the Group One Ladbrokes St Leger, the fifth and final Classic of the British Flat racing season, run this year at York on Saturday, September 9.

With the race's traditional home Doncaster currently undergoing redevelopment, Yorkshire neighbour York Racecourse is to host the 230th running of the world's oldest Classic, with the 52-strong entry being the highest for five years - there were 39 entered last year.

Sir Percy, trained by Marcus Tregoning in Berkshire and owned by Victoria and Anthony Pakenham, may have cost only 16,000 guineas but in his two runs this year has finished second in the first colts' Classic, the 2,000 Guineas over a mile at Newmarket on May 6, and he then showed an impressive turn of foot to lead on the line in the Vodafone Derby, the second colts' Classic at Epsom Downs on June 3.

The Ladbrokes St Leger at York, the third and final colts' Classic of 2006, is run over one mile, five furlongs and 197 yards, which is 155 yards less than usual distance at Doncaster.

## Kieren Fallon Statement

The following is a statement issued by jockey Kieren Fallon after the HRA has overruled his appeal against their decision to refuse him a licence to ride in the UK.

"I am deeply disappointed by the refusal of the HRA to overturn my suspension from riding in the UK. I will now take the matter to the High Court, and beyond if necessary, to reinstate my rights to earn a living in the UK and participate in the sport that I love. Until I have the chance to prove my innocence in court, it is grossly unfair that I am being denied a living in Britain."

# RACING NEWS

Fallon Heads For High Court  
Jockey Kieren Fallon, banned by the Horse Racing Authority in England from riding there due to being charged to defraud punters in a race fixing scandal, is set to go to the High Court in London by the end of this week in a bid to overturn that ban. Fallon has not been stopped from riding in any other jurisdiction at the moment and indeed rode a winner in France last Friday. His public relations consultant, Piers Pottinger, who has been retained by Coolmore to act for him, described the situation as "ludicrous". Pottinger said "I think that he has very strong grounds as the HRA has not looked at, or refused to look at, any evidence available to them which we have consistently offered to show them."

## Curragh Set To Start Rebuilding

The Curragh Racecourse received some positive news when the actions of a group opposed to the planned redevelopment of the track were halted by a court ruling. The Friends Of The Curragh Environment had sought a protective costs order prior to seeking a judicial review of An Bord Pleanala's decision to grant planning permission for the €100 million project and the case was heard over two days in May. At the time judgement was reserved but on Friday, Mr Justice Kelly delivered a lengthy and comprehensive ruling rejecting the application on all grounds. The applicants requested time to consider the judgement and the matter is listed to come before

Mr Justice Kelly again next Friday, when the matter of costs already accrued is expected to be dealt with.

## Sir Percy Set For Autumn Campaign

The Marcus Tregoning trained, Sir Percy, a narrow winner of the Vodafone English Derby at Epsom in early June, is being prepared for an autumn campaign. It is likely that races like the English Champion Stakes at Newmarket and the Prix de l'Arc de Triomphe at Longchamp are under consideration although no decision has yet been made. Connections intend to race Sir Percy as a four year old and are not prepared to risk him on fast ground again having finishing jarred up after both the English 2000 Guineas and the Epsom Derby.

# IRISH RACING REVIEW (17th - 24th July)

## Royal Intrigue Lands Lenabane Stakes

The first ever Listed race held at Roscommon racecourse was won by the Dermot Weld trained Royal Intrigue last Monday evening. The 7/1 winner made much of the running under Pat Smullen and kept on strongly to hold off a succession of challengers in the straight with Blessyourpinksox (16/1) eventually finishing in second place.

## Double For McDonogh

Jockey Declan McDonogh continues to impress and he was in double form at Roscommon on Tuesday evening courtesy of Unhinged and Breaker Morant. John Coleman's Unhinged was well supported (backed from 11/2 to 9/2) and took the Castlereagh Maiden in good style while Adrian McGuinness' Breaker Morant (11/10 fav) had little difficulty in following up his clearcut Bellewstown success in the Ballybride Handicap.

## Terrific Treble For Fallon

Jockey Kieren Fallon may have the threat of a race-fixing scandal hanging over his head but it is certainly not affecting his ability to ride and he partnered a treble at Naas on Wednesday evening. In the opening fillies maiden event, he guided David Wachman's Flamingo Guitar (4/6 fav) to a comfortable success but had to work a bit harder to get the well backed Aidan O'Brien trained Hitchcock (4/5 from 5/4 fav) home by a head in the Brophy Farrell Real Estate Alliance Handicap. Fallon completed a fine evening's work when partnering Savannah (9/10 fav), also trained by Aidan O'Brien, to a hard fought success in the concluding ten furlong maiden event.

## Condon Claims Double

Jockey Davy Condon was the man in form at Downpatrick on Thursday as he recorded a mixed double on Belos and Constantine. The heavily supported 11/8 favourite, Ger Cully's Belos, had to battle hard to win the Ballee Handicap Hurdle while half an hour later, Daniel Mark Loughnane's Constantine (7/1) made every yard of the running to win the Saul Handicap.

## Casey Clicks With Cool Touch

Following a couple of near misses in recent weeks, the Peter Casey trained Cool Touch (7/4 fav) finally got his head in front in the Limited Golf Membership Handicap at Gowran Park on Thursday. Given a good ride by the trainer's son, Oliver, Cool Touch proved a decisive winner and is now likely to be stepped up in distance on his next start.

## Redstone Scores Again

Successful at the Curragh on Derby weekend, the Sheena Collins trained Redstone Dancer defied a 13lb hike in the ratings when following up in the Ballyclough Handicap at Cork on Friday evening. Returned at 7/1, Pat Shanahan's mount stayed on well inside the final furlong to defeat Deepark (8/1) by a length and this improving three year old filly is now likely to attempt to earn some black type in the near future.

## Sweet Success For Tyrrell

Trained by Eamon Tyrrell on the Curragh, Sweet Afton (3/1) proved a good winner of the six furlong conditions race at Fairyhouse on Friday evening. A useful juvenile last season, she has strengthened up well in recent months according to her trainer and will now go for a listed race.

## Mustameet Makes It

The Ladbrokes.com International Stakes at the Curragh on Saturday provided racegoers with an exciting finish and resulted in a narrow victory for the Kevin Prendergast trained Mustameet. The 9/4 second favourite was recording his fourth win of the season on Saturday and had to be kept at full stretch to hold off the persistent challenge of Ace (5/4 fav) by a head.

## Easy For Alexandrova In Irish Oaks

Trainer Aidan O'Brien saddled his first Irish Oaks winner when Alexandrova easily justified odds on favouritism in the Darley sponsored Classic at a sun-drenched Curragh on Sunday afternoon. She became the 11th filly to complete the English-Irish Oaks double under a confident ride from Kieren Fallon who settled her at the back of the six runner field until turning into the straight. Eventually winning by four lengths from English raiders, Scottish Stage, Rising Cross and Mont Etoile, this high class filly is now likely to be prepared for the Yorkshire Oaks next month before a possible tilt at the Prix de l'Arc de Triomphe in October.

## Hourigan Doubles Up

Trainer Michael Hourigan recorded a double at Sligo on Sunday where the firm ground resulted some small fields for a couple of the races. His Tubber Gael Holly (5/4 fav) had been running consistently well and was a deserving winner of the Summerville Healthcare Handicap Hurdle under Andrew J. McNamara while Sally's Dream (4/5 fav) proved a convincing winner of the Mares Bumper and is now likely to go for a maiden hurdle in Galway.

# Hayes Bar Are Pub League Champions 2006

The Abbeyside A.F.C. Pub League Final between Kiersey's Bar (Kilmac) and Hayes Bar (Bunmahon) was played in rain-soaked conditions on Saturday week last.

There was little to separate these two evenly matched teams in the first half and it re-

mained scoreless at half-time.

In the second half Kiersey's Bar had a great opportunity to take the lead after Micheal Downey was hauled down in the penalty area.

However, Jondy O'Byrne saw his spot-kick well saved by the Hayes keeper. With ten minutes to go a swift counter-

attack saw Hayes take the lead and, try as they might, Kiersey's could not summon an equaliser with time running out.

Abbeyside A.F.C. would like to congratulate Hayes on their fine victory and would like to thank all the pubs who supported the league this year.

Hayes (Bunmahon) who beat Kiersey's Kilmacthomas 1-0 in the final of the Abbeyside AFC Pub League.

## LADIES SOCCER

### MODELIGO 2 KILMAC 2

Our ladies team travelled to Modeligo on Wednesday night last to take on the reigning champions. Never an easy venue to play in, we started brightly and, with some good passing moves, put the home defence under pressure. Once Modeligo settled they had some good passages of play also and kept our backline busy with Amy Sutton in goal having to be alert on several occasions.

After 15 minutes we took the lead with a great move down the right involving Anita Dee, Freda Morrissey and Caoimhe Downey who crossed for Claire Dee to score her first goal of the season.

We kept the pressure on after this and, ten minutes later, we added a second goal to our

tally. Emily Hearne won the ball in midfield and played it to Freda Morrissey who in turn fed Anna Hearne and she finished from close range for her first goal of the season also.

Modeligo are never a team to lie down and they made it 2-1 before half-time with a well struck free kick which gave keeper Amy Sutton no chance.

In the second half chances were few for both sides but we still played some great football which was a big step up on previous games. With time running out Modeligo put enormous pressure on Kilmac but we seemed to be handling it well. However, in added time they forced a corner and subsequently scored the equaliser with virtually the last kick of the game.

This was still a great all round display from the team. Amy Sutton had a fine game in goal and Aisling Weldon, Aoife Rockett and Tina Fitzgerald were rock solid at

the back. In midfield Emily Hearne, Anita Dee, Caoimhe Downey and Joy Hearne worked tirelessly as did Anna Hearne, Clare Dee and Freda Morrissey up front. When introduced, Leonie Mulcahy and Aoife McCormick kept the pace in the game. Subs Lorraine Power and Catherine Kelly, who were not used on the night, showed the character of this team by vocally supporting their colleagues from start to finish.

We wish Freda Morrissey a speedy recovery from a nasty hand injury she incurred during the game.

### TRAINING

Second Division players please note that training resumes in Currabaha Park on Wednesday 19th July (tonight) at 7.15 p.m.

### MEMBERSHIP

All senior players are reminded that membership fees are now due. Payment of €40 can be made to Treasurer Johnny

Power in the Main Street. Alternatively, €10 can be paid at training for the next four weeks. Player registration will not take place until the membership fee is paid in full.

## DOWN MEMORY LANE

With the recent publication of "From Post to Post" by club co-founder Tony Beatty, some people have enquired as to who actually lined up for Kilmac when we played our first ever soccer match as mentioned in the book. The match itself was a friendly against Dawn Rovers in Spa Park, Kilmeaden on Sunday 5th November 1950 and the team was as follows: Goalkeeper - Richard Purcell; Right Full - Mick Power; Left Full - Tommy Carey; Right Half - Paddy O'Rourke; Centre Half - P. O'Brien; Left Half - Mattie Kiely; Inside Right - Jimmy Carey; Inside Left -

Dick Prendergast; Outside Right - Billy Burke; Centre Forward - Michael Carey; Outside Left - Tony Beatty.

Billy Burke scored Kilmac's first ever goal but it turned out to be a consolation as Dawn Rovers won 5-1. The return match was played in Serahan Park, Kilmac on 27th January 1951. There was one change to Kilmac's team, Jimmy Coffey replacing P. O'Brien. Mick Power played at centre half and captained the team to a 4-4 draw. Scorers for Kilmac were Jimmy Carey and Mattie Kiely who both got two goals apiece.

## DEEPEST SYMPATHY

It was with great shock and sadness that we learned last week of the death of Pat Mears, Clonea. Pat played soccer with Kilmac for many years and was a tireless fundraiser and supporter of the club. Deepest sympathy from everyone in the club is extended to Pat's family and friends.

West Waterford/East Cork Junior League

## LOCAL FOOTBALL PARTNERSHIP AND WOMEN'S LEAGUE LAUNCHED IN LISMORE

At a packed Ballyrafter House Hotel Lismore on Thursday night last and before a distinguished array of guests, the Local Football Partnership and the Women's League were launched.

Paddy Pollard, chairman of the Local Football Partnership welcomed everyone and introduced the guests, John Delaney, Chief Executive Officer, Football Association Ireland, Packie Bonner, Technical Director FAI, Noel King, Manager Women's International Team, Rosarie Kealy, Co-ordinator Waterford Sports Partnership, Gerard Delaney, Administrator/Secretary Munster Football Association, Vince Cummins Hon Treasurer MFA, Claire O Driscoll, Chairperson Women's Senior League, Deputy Ollie Wilkinson TD, John O Flynn Chief Engineer, Waterford Co Council, Tony McCarthy, Chief Fire Officer Waterford Co Co, the various leagues sponsors, and all the club representatives.

Paddy started by saying to night is a wonderful occasion in the 34 year old history of the West Waterford East Cork Junior League. From such humble beginnings in 1972, to be chosen by the FAI as the third league in the country for this pilot scheme is an honour in itself.

In a power point presentation Paddy traced part of the history of the WVEC league starting 20 years ago when there were 16 clubs and 380 players registered, there were no dressing rooms, players togged out on the side of the road, there were no youth teams or schoolboy teams and no women's football.

Fast forward to the present where we have 19 clubs and 24 teams competing in the three divisions and over 500 players registered, there is a strong youth league and a wonderful and vibrant underage section with the schools now coming to the fore. Indeed in the Ribena schools competition, Ardmore reached the finals in Navan only to be beaten, but it proves how strong schools football is within the league.

To night when the women's league is launched there will be 7 teams competing.

Facilities have improved beyond recognition in the intervening 20 years with clubs owning their own grounds with dressing rooms, clubs playing out of community grounds have wonderful facilities, and clubs with long leases have containers as dressing rooms.

Cappoquin have installed flood lights which is very important to our league as it allows us play interleague games in the evenings as well as league games on Friday or Saturday nights.

Bride View have two playing pitches and a synthetic pitch

and are about to install lights which will see the league with two grounds lit, which not many leagues in the country can boast of.

Through the Regional Development Officer, Michael Looby, the league has had coaching courses which will benefit all the clubs in the league.

Paddy spoke of the Pepsi Summer Camps then introduced Packie Bonner Technical Director FAI, Packie said it was great to be back with the WVEC League again after his first visit last September when Michael Looby was installed as the league's RDO. He complimented Michael on his work in the past 10 months and went on to present the Local Football Partnership. It is he said part of the FAI Technical Development Plan and is to build relationships among all FAI affiliates. There are a number of programmes outlined, namely, FAI education, Player Development, Grassroots Development, Women's Football Development and Facility Development, to provide a mechanism for the family of football to work and communicate together, to ensure the highest coaching and educational standards are applied meeting the FAI criteria and to provide opportunities to increase participation, involvement in football without discrimination on the grounds of politics, gender, religion, race ability, sexual orientation or socio economics. These are just some of the objectives and goals for the Local Football Partnership.

Packie concluded by complimenting everyone involved in the Pepsi Summer Camps and he enjoyed himself in Tallow that afternoon at the Bride View Summer Camp.

Rosarie Kealy, co-ordinator Waterford Sports Partnership, in her presentation explained what the Waterford Sports Partnership is and it's workings. Rosarie complimented RDO Michael Looby for all his work and his organising of the inter-cultural competitions.

Noel King, before launching the Women's League, showed a film of some of the Women's International games and went on to speak of the progress of women's football in the last few years. Noel went on to say he was delighted to see such an enthusiastic women's committee and in time he hopes the league will have an international player.

Claire O Driscoll, chairperson Women's League thanked everyone for making this night possible and great strides have been made in a short time and went on to say with 7 teams at present the league has started to expand. Being affiliated to the WFAI will raise the profile of

the league further and with coaching the standards are going to improve further.

John Delaney, CEO, FAI, said he was delighted to be present and was very encouraged by what he had seen and heard. The Local Football Partnership is geared to bring all affiliates within the league together and go forward as one. The WVEC is the third league in the country, Mayo and Kerry the other two, to be chosen by the FAI for this pilot scheme. There is great credit due to the WVEC in the way the game has progressed since 1972. In the early days football was only played in garrison towns but this has changed with football played in nearly every town and village in the country. According to surveys, football is the largest competition sport in the country with 450,000 playing and 200 paid players in the Eireom League.

It is a simple game to play with only a football and 4 school bags as goal posts required. Soccer is a global language and with so many non nationals now in the country it is no wonder the 1st sport is soccer. In time 20% of the Irish population will not be of Irish decent. He complimented the government on the sports capital grant scheme and said all sport, not just soccer has benefited. John went on to say there are times the government are criticised for their financial support to sport with the argument that health is losing out. Maybe if people took a more active part in sport, we may have a healthier lifestyle with obesity springing to mind. He went on to speak of the proposed development at Landsdowne Road and the benefit it will be to the FAI.

For himself in his position, the CEO said football is easy to run thanks to all those at grass roots level, people who give so much of their time voluntarily to organise football at local level such as the WVEC and those are the people who must be thanked and complimented for without them there would be no football.

Deputy Ollie Wilkinson thanked the committee for inviting him and said he is amazed at the amount of work that is being done in soccer at local level. He thanked John Delaney for complimenting the government on their financial commitment to sport and went on to say thanks to John Delaney's excellent presentation to the Fianna Fail Parliamentary Party the FAI, soccer has gained financially.

Ollie went on to say he is now able to see that the hard work by the committee is now being rewarded by the FAI.

John Delaney then presented certificates to MI O'Neill, rep-

resenting the WVEC, Liam Fraser on behalf of the schoolboys, Mary Pratt representing the women's league and Maurice Hartnett on behalf of the referees.

Paddy Pollard in closing an enjoyable evening thanked especially Regional Development Officer, Michael Looby for his organising of the evening and went on to say since Michael was appointed to the post last September, much work has been done in that short time, but the benefit of Michael's work will not come to fruition for at least three years.

Overall a wonderful evening and we are all able to see the workings behind the scenes that take place and that sometimes we take for granted. There is no doubt now but the WVEC has arrived and in a pilot scheme as is will be closely monitored by Merrion Square.

### DELEGATE MEETING

The 1st Delegate Meeting of the new season will take place on Monday 31st July at The Red House Bar Lismore at 9 pm. All clubs must be present as the restructure of the league will be discussed and cup draws will also be made.

## WEST WATERFORD-EAST CORK SCHOOLBOY LEAGUE

### A.G.M. This Thursday

While the above A.G.M. now goes ahead in Tallow on this Thursday night, the committee have already met and have come up with some interesting items for discussion at the A.G.M. By the way, the venue is the Devonshire Arms in Tallow.

All clubs are to have at least two delegates at this very important meeting. The meeting itself kicks off at 8:30pm sharp. All clubs will be notified early this week regarding the above A.G.M.

### Development Squad

The U12 squad going to Galway in August took on Arklow Town in Tallow on Saturday morning last and drew 2-2. This was a great workout for our players and all got a game here as the game lasted for 2 hours.

R.D.O. Michael Looby was delighted with this as our league had over 20 players present. Jonathan Walsh was the scorer of our two goals.

Already the lads are looking forward to the trip to Galway which takes place after the August Bank Holiday. More news later on this trip.

### LISMORE STILL IN FRONT

Lismore are still on top of the Summer tournament and with just a few games remaining they are in a strong position to win this tournament.

However, East Cork club Inch are still in there with a shout due to the fact that the Lismore club could be docked points. We await developments on this end and no points have been taken off any club as yet. Overall, this is proving to be a good tournament with many clubs trying out different players as they prepare for the new season.

### RESULTS - Castlebridge Celtic 3 Brideview Utd 1

Castlebridge moved off the bottom of the league table with this home win over Brideview on Wednesday of last week. On a beautiful evening for football, the homeside proved too strong for the visitors.

Celtic led 2-0 at the break and despite William Curley pulling one back for Utd, the homeside finished the stronger and added goal number three before the final whistle sounded.

### Clashmore Ramblers 2 Inch 4

The opening half produced four goals with both sides scoring twice. Ramblers marksman was M. Hennessy while Aidan Ryan and Anthony Kelly scored for the East Cork side.

The second half saw Inch get on top and goals from Aidan Ryan and Alan Crotty secured the points.

### Lismore 4 Blackwater Rangers 3

A seven goal thriller here with the homeside coming out on top. Rangers really tested Lismore in this one and at the end the homeside were glad to hear the final whistle.

# WEST WATERFORD CHESS CLUB NOTES

## KEVIN BURKE WINS WATERFORD GLASS JUNIOR CLUB CHAMPIONSHIP

Kevin Burke secured victory in the Juvenile Chess Club championship at Ballinroad recently. He won the Under 16

and the overall title, closely followed by last years winner Cearbhaill Turraoin, who took the Under 15 title and second place. Patrick Palmer was in third place and Laurie Power taking the Under 12 title and 4th place. Under 13 winner was Kevin Brazil. Under 10 winner was Tom O'Rourke and the Under 9 winner was Ben Ryan. Others to receive prizes were Conor Carthy, Lester

Clancy, Conor Lavelle, Daniel Flynn, Ronan Mansfield and Patrick O'Donoghue. Well done to all participants. Many thanks to Waterford Glass who sponsored the magnificent trophies for this competition once again.

## A TEAM WIN THE MUNSTER LEAGUE DIV 3 IN STYLE

Three teams of 5 players left Dungarvan on Sunday, 14th May for Mallow to play in the round up of the Munster leagues. The 'A' team needed just 1 1/2 points to secure victory over Cork D team who they were meeting in the round up match.

In the event they won 3 1/2 to 1 1/2 which left them 5 points clear in the end. The team has been bolstered this year with the inclusion of two Lithuanian ladies who don't know how to lose apparently. With Eamon Lambden, Michael Basnayake and Geraoid Veale they are indeed a formidable outfit and will test the Munster Division 2 teams next season, no doubt they were presented with individual plaques and one for the club also on the day.

The B team of Bernard Walsh, Pat O'Mahoney, John Lucey, Pat Collins and Cearbhaill Turraoin put in a very good showing scoring 2 points against Charleville B team.

The C team was made up of Kevin Burke, Patrick Palmer, Laurie Power, Conor Carthy and Denis Flynn all acquitting themselves well with Laurie Power having a fine win.

Junior chess is on hold now until the second Monday in October next, D.V. The Bank of Ireland Club Championship is in its final week and the Lithuanian ladies are leaving all in their wake. We'll have a report on this competition in a few weeks time.

## CONGRATS'

The club would like to congratulate our founding secretary Padraig McGrath on the occasion of his marriage to Lenka Pecevalova, last Saturday. Padraig has been resident in the Czech Republic for some 18 months now and will be honeymooning in Ireland over the next few weeks. We wish the happy couple many years of wedded bliss.

# Finnisk Valley Gun Club

Sunday, 28th May, 2006 saw Finnisk Valley Gun Club hold what was our first annual Open Clay Shoot. Firstly, a very special thank you must be given to the Hannigan family for the use of their land in Knockalara for the shoot and to Bertie Hickey, Safety Officer for Waterford Regional Games Council, for his help and advice in setting up the shoot the day beforehand. It was a very windy day but that didn't stop an enthusiastic crowd from showing up to spectate and participate in the shoot.

We had many inter-county clay pigeon shooters attending the event and all agreed that it was a very competitive shoot with all of the winners on the day being experienced trap shooters, but

that did not stop some of the novices in attendance giving them a run for their money.

The day, however, belonged to Finnisk Valley Gun Club's own Paudie Landers. Paudie swept the board for all but three of the top prizes on offer, including the coveted perpetual cup, after turning on the style and clearing a trap that the majority of shooters said they couldn't even see the clays on. Also, all of us at Finnisk Valley Gun Club would like to wish Paudie and his girlfriend Sandy Walsh all the best in their travels having set off for a year Down Under recently. No doubt that some poor animals are going to be terrorised there!

The results of the shoot are as follows:

- Trap 1 (Going Away Snipe) - Paudie Landers
- Trap 2 (Springing Teal) - Mark Walsh
- Trap 3 (Bolting Rabbit) - Paudie Landers
- Trap 4 (Crossing Birds) - Greg Hodnett
- Down The Line - 1st: Philip Maher; 2nd: Roy Owens; 3rd: Paddy McNamara.
- 40 Bird Spotting - 1st: Paudie Landers; 2nd: John Ahearne; 3rd: Tom Furlong.
- Perpetual Cup for 40 Bird - Paudie Landers
- Top Gun Award - Paudie Landers

As always, this event could not have even got off of the ground if it were not for the

tireless efforts of our club members, especially Wattle and Paudie, friends of Finnisk Valley Gun Club and our generous sponsors listed below. Apologies now in advance if your name has been left out, and we will look forward to dealing with you again next year.

Again, many thanks to Karen's Beauty Salon; East Cork Oil; Feericks Pharmacy; Kellehers Super Valu; Cappelquin Credit Union; Tite-lines; The Tavern Bar; The Market House; Glanbia, Cappelquin; Aidan Walsh & Sons; Cappelquin Chickens; O'Keeffe's Sawmills; Villierstown Joinery; The Welcome Inn; Super Valu,

## Dungarvan G.A.A. Notes

### U-16 HURLERS REACH COUNTY "A" SEMI FINALS FOR SECOND YEAR RUNNING

On Monday the 10th of July we travelled to Lismore to take part in the penultimate game in the league section of the U16 championship. We knew it was going to be a defining week in our season as we were due to play De La Salle on Thursday night. We had 4 points going in to our final games and two victories in our remaining two games would secure qualification for the knock out stages.

Lismore were never going to concede an easy victory and therefore we knew this was going to be a very difficult assignment. Although we were the better team over the hour our concession of 6 goals meant we were fortunate to come away from Lismore with a draw. The final score was Lismore 6:09 Dungarvan 3:18. Panel: Sean Crotty, David Houlihan, Tony Walsh, Craig Shead, Neil Fitzgerald, Luke Egan, Eoin Healy, Kenneth Moore, Mickey Byrne, Shane Crotty, Liam Ryan, Colm Curran, Sean Ryan, Cormac Curran, David Moore, Craig Kiely, David Crotty, John Geary, Thomas Cleary.

As results of other fixtures filtered in it soon became apparent that 7 points would see us through to the semi final. Therefore it was simple beat De La Salle and you qualify lose and your out! Our last league game had turned in to a county quarter-final. The selectors knew that the concession of 6 goals again would mean certain elimination and as a result handed Sean Crotty, Tony Walsh, Luke Egan and Craig Kiely the responsibility to stop the De La Salle forwards from finding the net. With the exception of a rather fortuitous goal in the first half the full back line limited De La Salle to very few goal chances and were outstanding over the hour.

Dungarvan dominated the first half and in particular the first 15 minutes but were guilty

of some wayward shooting. The platform for these chances were created from the half back line and in particular Neil Fitzgerald who was totally dominant at centre back. We registered the first two scores of the game through Cormac Curran before conceding a goal to the visitors from their very first attack. Cormac Curran went on to tack on another free and Mickey Byrne added a fourth point from play before half time. De La Salle out scored us by a point over the period up to half time with three points. At half time De La Salle were ahead 1:03 to 4 points.

The second half was more of the same a real battle for every ball with both defences on top. In the second half the Dungarvan midfield began to gain the upper hand and Kenneth Moore in particular won an amount of

ball in this sector. Both teams exchanged points at the beginning of the second half. Ultimately it came down to who was going to find the net and it was Cormac Curran who produced that moment of magic to put us 1 point up with the score Dungarvan 1:06 De La Salle 1:05 we tacked on another free leaving the final score Dungarvan 1:07 De La Salle 1:05.

A real feature of this game was the large Dungarvan support in attendance. They really got behind the team and influenced this victory. Read our GAA notes over the next few weeks for the semi-final fixture date, as you will be needed again for that game.

Panel: Sean Crotty, Tony Walsh, Luke Egan, Craig Kiely, Shane Crotty, Neil Fitzgerald, Eoin Healy, Kenneth Moore, Mickey Byrne, Cormac Curran, Liam Ryan, Colm Curran, Sean

Ryan, David Moore, Craig Shead, David Houlihan, John Geary, David Crotty, Thomas Cleary.

### MINORS RECORD IMPRESSIVE VICTORY OVER ST. OLIVERS DUNGARVAN 3-12 ST.OLIVERS 2-06

The second round of the Western Minor "A" Hurling league Championship took place in Bushy Park last Wednesday evening at 7.30pm against St. Olivers. Dungarvan were beaten in the Western "B" U16 championship final 2 years previous and St Olivers were beaten in the "A" equivalent. So Dungarvan went in to this game as under dogs. Not that you could tell after the first quarter as they really took the game to their opponents.

The halfback line and midfield won their fair share of possession in particular Karl Duggan, Derek Barry, Kenneth Moore and Paudie Kiely and the quality of ball into the inside forward line was of a high standard. This caused St. Olivers a lot of problems unfortunately a lack of composure from our forwards meant we didn't get the scoring return we should have! Nevertheless we did race in to 2:06 to 1:2 lead by half time. In fairness to the lads in the second half they kept the pressure on and ran out comprehensive winners.

Tonight we play Cois Brid at 7.30 in Cappoquin in the first round of the Minor Football Championship, this championship continues for the following two Wednesdays. It's my understanding we return to minor hurling after these three games when we lock horns with the two favourites Abbeyside and Cappoquin to determine our fate in this year's Minor Hurling Championship.

Team: Sean Crotty, Keelan Barry, Killian O Dwyer, Killian O Keeffe, Neil Fitzgerald, Karl Duggan, Paudie Kiely, Derek Barry, Kenneth Moore, Mickey Byrne, Liam Ryan, Gavin Crotty, David Moore, Cormac Curran, Trevor Crotty.

## Ardmore G.A.A. Club Notes

### UNDER 10 FOOTBALL BLITZ

Last Wednesday evening saw our Under 10's in action in what was a wonderful evening entertainment for all in attendance. Ardmore, St Patrick's, An Rinn, Nire, Ballyduff, Cois Bride were the teams on display. Each team had two games to play in a league type system with 10 min a side. Based on the results we had an A, B & C final. Ardmore won their league games and went into the A Final against the Nire. This turned out to be a most enjoyable match for all spectators. On the turn it was The Nire leading by 2 points. The second half saw Ardmore play some wonderful possession football and went onto win the games with some points to spare. This group of children have been together for the past two/three years and are building in skill and team morale since. This year they are managed by Breda Cronin, Paul Kennedy, Seamus Veale & John Mc Grath. The evening was also complemented by the sunshine and the tea and sandwiches that were laid on for all in attendance. Jim Lane - who is now Ardmore's voice on Youghal radio, was overwhelmed by the performance of the panel of players.

### RYDER CUP

On Friday 28th in the Round Tower the raffle will take place for the Ryder Cup Tickets. We ask all who have tickets to get them back to Noel Conway ASAP. We ask all to come along and support this function. We thank Noel Conway for the time and effort he has put into raffle.

### ALL-IRELAND Q-FINAL

We wish Declan, Seamus & Clinton the very best of luck as they battle it out on Sunday for an All-Ireland semi-final spot. We wish all traveling to the match a safe and enjoyable trip.

## Tourin G.A.A. & Neighbourhood Notes

### MUNSTER FLEADH

Last weekend saw a huge influx of musicians, visitors and locals converge on the town of Lismore. The main street and park was packed over the three weekend nights and the glorious weather added to the atmosphere.

### U-21's BOW OUT

Waterford's U-21 team suffered a defeat at the hands of Cork last Wednesday evening. It was not the most elegant hurling but both teams were neck in neck right up to the last ten minutes of the game. However, Cork notched up a quick succession of scores and finished the game with a few points to spare. Corner forward, Brendan Barry from the Killeagh Club was very impressive for the Rebels!

### THANKS

Thanks to Eoin Murphy and Ken McGrath who allowed me take a picture of them on the way into the U-21 match. Unfortunately, my son did not seem inclined to sit in on the picture but I took it anyway. I later observed young fans approaching Ken asking him for his autograph, which he duly obliged. The young fans were like the cats who got the cream!

### SMOKING

I wonder if it would be possible to enforce a total smoking ban at all Inter County matches at all levels - I always seem to be the unfortunate person seated either beside or behind a cigarette or pipe smoking person.

### WATERFORD V TIPPERARY

All roads lead to Croke Park this Sunday where Waterford will have a second chance at reversing their first meeting against the Premier County in the Championship earlier this summer. It would appear that we have a stronger team this time round and that if Paul Flynn recovers well from his injury - we should push Tipperary all the way. As usual, I have a complaint - surely this match could have been played at a Munster Venue which would have incurred lesser expenses to the supporter. I know players want to get 'The Feel' for Croke Park etc... but remember, the supporters would like to Feel more in their pocket too! Take the average supporter - Stand Ticket €35, Petrol/Diesel for vehicle €30 (minimum), Stop for Breakfast €15, a few pre-match drinks (optional) - €15, a Sandwich €4, Match Programme 4, Hats or Hooters €5, Snack at half time €2, Apres Match Drinks (optional) €25, Dinner on way home €20 - A Sum Total of €155...plus the snarl up of traffic as four teams will be involved...and I don't have Mastercard but it better all be worth it lads!!

### TICKETS FOR QUARTER FINAL

If you have ordered tickets for the match, please contact William Leahy at 086 8861059. Please do not leave it until the last minute to collect your tickets!

### CAPPOQUIN CORNERSTONE CARNIVAL

I was on holidays when this event took place but I believe it was a huge success once again. Well done to all concerned and I assume the Carnival will take place again next year.

### ROWING

Congrats to Father and daughter duo - Milo & Caroline Murray - Cappoquin Rowing Club, Milo was awarded the Men's Veteran 40 & 50 while Caroline received the Woman's Novice award at the Guinness Sculling Ladder Awards ceremony held at Guinness House recently.

### SYMPATHY

Sympathy is extended to Alan O'Connor and Family, Carrigeen, on the death of Karen. The Cashman Family, New St on the death of Mick Cashman and Nellie Scanlan & Family on the death of Bernard Moloney, Abbeyside.

### FOOTBALL/HURLING

Ballinwillin (Tourin) were scheduled to play junior football against Ballysaggart last weekend. This game did not go ahead. Tourin had a hurling challenge match against Youghal on Monday night.

**MUNSTER FINAL FLEADH CHEOIL**

On Sunday last in glorious sunshine we travelled to Lismore to take part in the Munster final of the Fleadh Cheoil. We were representing Waterford in the All Ladies Set and as all know it's a great honour to represent your county in any competition. The girls were dancing The Cavan Reel Set and were the last of the counties to dance, so as one can image all were nervous having seen the other groups competing. However, when the girls went on stage, nerves were forgotten and they did themselves proud as they gave an excellent performance, not putting a foot wrong. When results were announced the Brickeys took the Munster title and now go on to the All Ireland final later in the year.

Amid great scenes of excitement the girls received their Munster trophies much to the delight of Shane and their loyal group of supporters.

## BALLYMACARBRY LADIES FOOTBALL NOTES

# Under 14 A County Champions

**BALLYMAC' 3-05  
DUNGARVAN 1-04**

Pictured above are the Under-14 County Champions, Ballymacarbry, who beat Dungarvan on a scoreline of 3-5 to 1-4 on Wednesday night last. Also included are Bridget Grant and Sinead Ryan.

On Wednesday night last the Ballymacarbry Under-14 girls headed to the Fraher Field for a County final clash against Dungarvan. Both teams met previously, where Ballymac ran out winners on a score line of 1-08 to 0-05.

The Ballymac team was lead by team captain Haley Lonergan who had an outstanding performance throughout.

Ballymac started well with a goal coming from Katie Prendergast which was soon followed by a long range point from Laura Gleeson. However it wasn't long before Dungarvan responded with a point and another point was kicked over by the Dungarvan mid-fielder. But Ballymac continued to dominate with Karen McGrath catching a high ball which was played off to Aileen Wall which ended up in the Dungarvan net. As the game was nearing half time Haley Lonergan added another point from a free to leave the score 2-02 to 0-02 at the interval.

Ballymac started strong again in the second half, with another free kicked over the bar by team captain Haley Lonergan. However, Dungarvan responded with a sharp goal from their wing forward which left the Ballymac goalie, Sinead Grant, with no hope. But nevertheless, Ciara Gough caught a superb ball and supplied it to Aileen Wall and she took it past three defenders and stuck it in the net. Within minutes Katie Prendergast was fouled by her marker which resulted in a Ballymac free which was kicked over the bar by Haley Lonergan. But Dungarvan never gave up, as they worked the ball up the field and eventually added two further points. From the kick out, Laura Gleeson caught a wonderful ball, raced down the field and tapped it over the bar. And with that the referee blew the full time whistle on a score line or 3-05 to 1-04.

The Ballymac backs did su-

perb throughout the game with block downs coming from Ciara Gough, Aine O' Connor and Breda Cooney, while the half back line containing Siobhan Ryan, Chloe Whelan and Karen McGrath played extremely well putting pressure on from the beginning. Our two mid-fielders, Haley Lonergan and Laura Gleeson combined very well scoring 5 points between the two. Our half forward line consisting of Treasa McGrath, Katie Prendergast and Aileen Wall played very well combining with the

inside forwards Kate Meaney, Shauna Mulcahy and Danielle Hallahan. Also Sarah Meehan and Mairead Walsh did very well when they were introduced.

Well done to the subs who were very much a part of this team: Ashling Kearney, Eibhlin O'Keefe, Emma Condon, Kelly McGrath, Jenny McGrath, Roisin McCarthy, Eve Collins, Haley McCarthy, Samantha Hogan. Also well done to their manager, Bridget Grant, who has done tremendous work with this team!

## COUNTY SCENE

Waterford had a very good victory over Kerry in Fraher Field on Sat. last. Ballymacarbry had 8 club members playing: Rebecca Hallahan who played at full back, Eibhlis Cooney playing at corner back, Louise Ryan who played wing back and scored a point, Michelle McGrath also playing wing back, Linda Wall playing wing forward, Michelle Ryan playing centre forward scoring 1-3, Mairead Wall also playing wing forward and Sinead Ryan at corner forward who scored 2 pts.

MUNSTER UNDER 21 HURLING SEMI-FINAL

# Cork Storm to Victory in Final Minutes

**Cork 3-17  
Waterford 1-12**

Waterford under-21 hurlers who were beaten by Cork 3-17 to 2-12 in the Munster semi final at Pairc Ui Caoimh

The final score in this entertaining and splendidly fought contest at Pairc ui Caoimh on Wednesday evening last does less than justice to our contribution to a contest that remained very open until the final 10 minutes when Cork proved to have that little bit more in reserve and won deservedly in the end.

Home advantage proved a big help to the winners and as well as the ground they had huge support at the game. Cork won the toss and played against the strong breeze in the first half.

An early goal by corner forward, C. Barry gave them a great start but Waterford fought back to level the game after 20 minutes. A Waterford

goal hit from the sideline by Tommy Power and helped by Mark Gorman gave the outsiders a boost but a quick reaction by Cork gave Barry his second goal to bring them back level. The sides were level on 4 occasions in the first half and again at the break at 2-3 to 1-6

**SECOND HALF.**

The features of this half were a 40 yards run by Ronan Conway which saw the ball in the Waterford net for the 3rd time in the game. Mark Gorman had Waterford's second goal and the pattern of play was tit-for-tat style with the teams being level on 3 further occasions until Cork took over in the closing 12 minutes to

add on seven points as against a solitary score for battling Waterford.

The result leaves the reigning champions through for a Munster final meeting with old rivals Tipperary.

**Scorers:** Cork - D. Barry 2-4, M. O'Sullivan 0-6, R. Conway 1-1, M. Cronin 0-2, M. Harrington, K. Cauty, O. Cadigan, C. Murphy 0-1 each; Waterford - S. O'Sullivan 0-4, M. O'Gorman 1-2, T. Power 1-1, L. Lawlor, R. Fole, D. Hickey, G. O'Connor, M. Gaffney 0-1 each.

**Cork** - K. O'Halloran, C. Murphy, E. Dillon, E. O'Sullivan, E. Cadigan, E. Ryan, S. Cronin, C. Naughton, M. Harrington, R. Conway, C. Cauty, P. O'Brien, M. O'Sullivan, P. Cronin, P. Barry, Subs. M. Walsh for Ryan, G. O'Leary for O'Brien, D. Dorris for Cauty.

## The Club Leagues

Practically every club in the county is engaged in the hugely successful hurling leagues that are keeping clubs active while many of the club championships remain 'stationary.'

Having to play without their county players is not a major problem and it is beneficial in that it provides an opportunity for the 'fringe' players to get a run. The schedules are masterminded by the county P.R.O. John Jackson, who has praised the clubs and referees as well as the people in charge of the various venues.

## Weekend Results

**Minor Hurling Championship.**  
Cappoquin 1-12  
An Gaeltacht 2-5

While Cappoquin deserved this victory they were pushed all the way by a determined Gaeltacht side who kept hurling to the finish. Cappoquin now have 2 wins from 2 games and must play Dungarvan in their cancelled match.

**Dungarvan 3-12  
St. Olivers 2-6**

Dungarvan showed very good form here in winning by 9 points against St. Olivers who have a number of very promising players on board. Dungarvan now have 2 wins from 2 matches.

**Naomh Brid 3-19  
Clashmore 5-10.**

With a total of 37 scores this must have quite an exciting encounter. It was the highest scoring game of the championship so far. I don't know if Naoimh Brid had some leaks in defence or whether Clashmore had some top quality forwards in this game.

This was another high scoring game with almost as many green flags as white flags being waved.

**Cois Brid 4-15  
Stradbally 0-5**

The final score here showed the gap between the sides and Cois Brid had the result all sewn up before the final whistle.

**Junior Football Championship**  
Kilrossanty 0-8  
Nire 0-7

As the above score shows this was a tight contest with Kilrossanty surviving by a 'whisker' at the finish.

**Ballinacourty 3-13  
Ardmore 0-7**

This was a decisive win for Ballinacourty who still have a chance of qualifying in this championship.

**Geraldines 2-7  
Kilgobnet 0-7**

One could say that there were only two kicks of the ball between these teams but this would not give full credit to a good Geraldines outfit.

## SENIOR HURLING CHAMPIONSHIP ON SUNDAY

# Waterford Renew Rivalry With Tipperary in Quarter Final at Croke Park

## Huge Waterford Support Expected at Headquarters

Before the draw for the quarter finals we had hoped for a pairing with Wexford but instead of many supporters being disappointed, the reaction to the draw saw very many Deise folk very pleased at the opportunity of having another 'crack' at the Premier county who 'sent us packing' at the Munster semi-final stage five weeks ago.

I suppose this attitude among our follower's highlights the belief that we should not have lost that game despite our player absentee problem.

We were forced to field without Eoin Kelly who was out because of suspension and John Mullane who was on the injured list and was subsequently introduced as a substitute. But the greatest contributing factor to our defeat was the 15 wides shot by us over the 70 minutes while Tipperary hit just 4 wides in the same game. This was overlooked in favour of the Eoin Kelly (Tipperary) factor and his score of 2-9. There

were the two big factors, which shaped the result. The brilliant Tipperary corner forward hit a total of 13 shots goalwards and scored with eleven and he hit no wide. Tipperary led by eight points at halftime and won by that margin. While acknowledging the fact that this is a complete new game on Sunday these factors outlined above are important.

Tipperary went on to play Cork in the Munster final and with a number of new players including Paul Kelly, Paul Ormond and Lar Corbett ran the All-Ireland champions to three points and might have recorded a big shock.

In the meantime Waterford have gone on to record three decisive victories in the Qualifier and in the game against Galway, which was the better of the three we showed signs that we are returning to our best form despite the fact that we again ran up a big total of bad wides.

Having attempted to get infor-

mation about the line out and the availability of certain players we found that all the 'leaks' have been blocked and we have been left to speculate once more.

The speculation seems to revolve around a few players including Paul Flynn, Eoin Kelly and Michael Walsh.

Paul Flynn has a groin injury that kept him out of the game against Laois. There are rumors that the team captain and Ballygunner sharp shooter will be back but that he may not be listed in the starting 15. Eoin Kelly played great against Galway in his first match since his three months suspension when he gave a man-of-the-match display. Then when playing against a team of lesser quality, Laois, he was sub-standard and was replaced. Here he will need to play to his very best form and having talent to burn he has a big responsibility to the county.

I mention Michael Walsh for a different reason. All along

this year the Stradbally man has been played out of position until the Laois match when he was moved outfield and played a stormer. Some supporters reckon that the 'Brick' has a lot of the Cheasty style about him. Because of the inconsistency in placing the team over the season, it is possible and probable that several players are played out of position, as I have written above it is difficult to see into the minds of the men who select our teams.

Clinton Hennessey will be in goal and that is for sure. He is playing great and is inspirational to the team. After this it is almost all guesswork. Tom Feeney, who was brilliant against Galway missed out against Laois a week later because of a shoulder injury that was not thought to be very serious but the selectors decided not to take any chances. Kevin Moran replaced the Ballyduff man but now Tom Feeney will be back and who will surround him poses a big question mark.

James Murray, Eoin Murphy, Denis Coffey, Tony Browne, Ken McGrath, Declan Prendergast and Brian Phelan are the group from which the other members of the defence will be named.

Michael Walsh may be named as partner for Dave Bennett in the middle of the field but it is not outside the bounds of possibility that Eoin Kelly and Ken McGrath could be found operating there.

In attack, John Mullane, Dan Shanahan, Paul Flynn (hopefully), Eoin Kelly, Seamus Prendergast, who is gradually returning to form seem the only players who are sure to be in the starting 15. Shane O'Sullivan, Jack Kennedy, Stephen Molumphy, Paul O'Brien, Aiden Kearney - all of whom have been played in the qualifiers already will be expecting a call up.

To what extent Tipperary have improved since the Munster semi-final is the big question in this conundrum. If they

had not improved, I certainly would have no worries. So this poses the question as to whether or not Cork were at the top of their form in the final. Some judges reckon that the Rebels played well below their best and this made Tipperary look to be a much better side than is suggested by the three points gap at the finish.

### THE RESULT

When you replay a team who have beaten you by 8 points it is not easy to feel optimistic about the outcome of the second meeting, but looking closely at all the factors which contributed to our defeat in the provincial semi-final, I believe that we have reason to feel optimistic about defeating the favourites here in Croke Park and I feel confident that we have at least a 50/50 chance.

The match is featured as the feature game and at 4 p.m. it follows the Clare v. Wexford quarterfinal at the venue.

**PHELAN CUP (2005) FINAL**

# Deserving Win For Ballinacourty

**Ballinacourty 1-14  
Gaultier 1-9**

This final played at Walsh Park on Sunday last was expected to be a repeat of the first round championship meeting between the same clubs and in

many respects it was just that. In the second round of the championship Gaultier gave a splendid display of football against Ardmore and were subsequently listed at shorter odds for the championship. But Ballinacourty caught in

good form, were not in the mood to concede the victory and resisted the challenge in style.

The club has now added the Phelan Cup to the senior hurling trophy that they won when defeating Mount Sion recently.

Ballinacourty led by 1-7 to 0-3 at halftime thanks to an own goal that came about when a Gary Hurney shot rebounded off the upright and then rebounded off R. McDonagh and went into the Gaultier net.

At the end of the 3rd quarter Ballinacourty led by 1-11 to 0-5 and by the 55th minute Gaultier had narrowed the gap to 3 points (1-12 to 1-9), the goal having been scored by substitute D. Tiernan. However the eastern team were not to score again and Ballinacourty finished the stronger and had points by Patrick Hurney and Declan Fives to run out deserving winners.

**Scorers: Ballinacourty** - P. Hurney 0-6, G. Hurney 0-3, M. Fives 0-3, M. Ferncombe 0-1, D. Fives 0-1.

**Gaultier** - D. Tiernan 1-0, A. Fitzgerald 0-3, J. J. Hutchenson 0-3, J. Farrell, T. Dunne, C. O'Riordan 0-1 each.

## Under 21 Football Co. Finals on Friday

Both Ballinacourty and Brickey Rangers who travel to Walsh Park on Friday evening might be foolish to take too much heed of the predictions that a western double looks certain here.

The eastern championships were contested with the same degree of earnestness as were the western championships and there should be no reason for supposing that anything 'soft' is on offer in the finals.

## MINOR FOOTBALL CHAMPIONSHIPS

The divisional minor football championships get underway on this Wednesday with all 14 clubs playing at the different venues.

Only one match remains outstanding in the minor hurling programme and this was deferred because of bereavement. It is the attractive Dungarvan versus Cappoquin game and may be fitted in on a weekend.

### Ballinacourty v. Stradbally

This will be decided at the Leamybrien venue and it is one of three games that may go down to the wire. Ballinacourty are the reigning champions but have 'shed' a number of players through the 'aging' process.

### Brickeys v. Nire

Patrons at Fraher field will enjoy a cracker here between these two evenly matched teams. The Brickeys may take the points, but not before a tough challenge from the Ballymacarbury based club.

### Clashmore v. St. Olivers

This will be played at Bushy Park and while it is sure to be yet another close affair, I feel that St. Olivers will come out on top.

### MINOR "B" FOOTBALL

#### Dungarvan v. Cois Brid

Cappoquin is the venue for this tie and here I expect Dungarvan to emerge victorious.

#### Ardmore v. Affane

This game will be played at the Rinn O gCuanach venue and my preference here favours Affane whose hurling counterpart looks a very fit outfit.

### St. Patricks v. Kilrossanty

This game is fixed for Abbeyside and the prediction is that the group side, St. Patricks with a much bigger panel of players will take the points.

### Ballyduff v. An Gaeltacht

These teams meet in Lismore and the result is likely to see the Gaeltacht team come home with the points

## LOCAL FIXTURES

### Under 21 Football Finals

The weekend programme of domestic fixtures commences with the two county u-21 football finals.

### Ballinacourty v. Tramore

This is the A county final in which the reigning county and divisional champions Ballinacourty take on the eastern champions Tramore at Walsh Park at 8 p.m.

A number of players who were not available to Tramore for the eastern final are back in training and will strengthen their challenge.

Ballinacourty have 'shed' a number of the players who played in the final with them last year, so the game is very much an open contest.

### Brickeys v. St. Marys

The Brickeys were a cut above the other opposition here in the west and are a vastly improving hurling and football force but they will need to be very cautious against this strong eastern group team who represent such strong football strongholds as Kill, Butlerstown and Newtown.

These are the first county finals of the season and hopefully both will take the titles back to the division.

## J.H.C. PLAY OFF

### Ballyduff v Fourmilewater

Because of the two intercounty games over the weekend, the divisional board programme is curtailed of necessity.

The senior club section is now completed with all 14 matches having been played.

Here Lismore with 8 points have qualified and Ballyduff and Fourmilewater have also qualified but as they are on equal points they must play-off before advancing in the championship.

They will meet at Cappoquin on Friday evening at 7-30 p.m.

## HELMETS

All clubs have been notified that the wearing of helmets with visors is compulsory in all under 21 hurling games (championship, leagues and tournaments) as and from the commencement of these competitions this year. They are scheduled to commence in both divisions within weeks.

It has further been announced that the goalkeeper's helmet must also have a facial visor. This point was a matter of contention

## THE SENIOR CHAMPIONSHIPS

The resumption of the hurling and football championships is a matter of growing concern among clubs who wish to know about time available for family holidays, etc.

The GAC are equally concerned since fixtures cannot be made while the county teams are progressing.

If we win on Sunday next the resumption will be put back further and is certain to result in enormous pressure on clubs as the season advances.

Clubs and players might as well suffer the consequential hardships for the remainder of this season, as next year it will all be different

The WLR FM / Granville Hotel G.A.A Award for June was presented to Tallow and Waterford Senior Hurler James Murray. James won his award for his starring role in the Munster Hurling Championship against Tipperary and for his performance against Westmeath in the All-Ireland Qualifiers Series. # Waterford Play Tipp. in the Tommy Murphy Cup in Fraher Field on Saturday

Waterford footballers swing back into action on Saturday next when they play the oldest of their football rivals in the opening round of the Tommy Murphy Cup, a competition

now in its third year. Of the counties remaining we are (and so are Tipperary) getting the best draw in the 8 competing counties.

There is very little between

the teams on recent form and we must see this as a chance to advance in a competition for which a trip to the U.S.A. is on offer for the winners.

Since our last meeting with

Tipperary in football, Waterford have shown splendid form in a number of their games, notably against Cavan and Sligo, whom they defeated, but also against mighty Kerry in Killarney in the championship. So apart from a chance to advance in the competition, a win here would certainly give a great boost to football in the county.

## BENNY MOLONEY R.I.P.

Most of his colleagues who played hurling with him in school at the C.B.S will also have passed on so there are few around now who remember seeing young Benny Moloney play as a minor hurler with Dungarvan and with the county. He had the unique record of having played in the minor grade for four successive years with Dungarvan when the club won their four in a row in the forties.

He also played on the county minor hurling team and he played in the senior hurling county final with Brickey Rangers in 1947.

As a Forester he moved around the country and won senior football championships in no less than three of these counties.

A member of a family who were steeped in the Gaelic tradition, his late brother Jamie Moloney was chairman of the county and divisional boards and his brother Paddy won senior football championships with Dungarvan and in fact his father was a prominent footballer in the days of the Hopes and Rovers. To his wife Mary and family, his sister Nellie and brother Paddy and the extended family we offer our sincere sympathy.

## Dungarvan GAA Club Notes

### CONGRATULATIONS

From all in the Camogie Club we would like to say congratulations and well done to Zoe Scanlon who won the Discus and Javelin at the All Ireland Championships recently. Zoe also had a championships best performance in the Javelin.

### LADIES FOOTBALL U-10 and U-12 Ladies Football

We travelled to Rathgormack to play Comeragh Rangers in the above age groups last weekend. We witnessed two very exciting games of football. Although unsuccessful in both, our young teams acquitted themselves very well.

### U-14 County Final

Our U-14 panel took on Ballymac' in the U-14 football county final on Wednesday last at the Fraher Field. We got off to a poor start and Ballymac' scored two quick goals. Further misfortune was to come our way when our centre back, Kerri Power had to leave the field with a serious injury which she carried into the game. Fair play to the girls they continued to play to the best of their ability and never gave up but had to give way to a strong Ballymac' side who won on the scoreline of 3-5 to 1-5. This was their first year competing in Division A and they proved that they are a match for any

team in this division and with a little more experience can go the full way in the future. We would like to thank Michael Ryan for his kind words of encouragement after the game and a sincere thank you to all our supporters who came in big numbers to cheer us on. Our thanks also to Thomas Duggan and Tom Harty for their tireless work during the year.

### Junior Football

The ladies Junior Footballers travelled to take part in the Mary Walsh Tournament last Sunday morning in Modeligo. This was a great occasion with some fantastic results achieved. Rumour has it that Muriel is taking over next year.

### Sympathy

The ladies football club would like to extend sincere sympathy to John Frewan on the recent tragic deaths of his niece and nephew following a car accident. We would also like to extend deepest sympathy to Danny Mears on the death of his father. Danny was part of our junior hurling team that reached the Western Final two years ago. Ar dheis De go raibh siad.

### Junior Footballers Qualify for Quarter Finals

Our junior footballers have qualified for the first time in twenty years for the quarter fi-

nals in football. They beat the Geraldines last Sunday night at Bushy Park. The team only lost one game in the league section. The score on the night was Dungarvan 2-11 Geraldine's 2-3. Man of the match was Craig Cowman who scored 2-4. Short a number of players the team with a mixture of young and old played with great commitment and deserved the win. Players used on the night; D. Power, G. Cusack, C. Murphy, D. Barry, P. Kiely, D. Dee, K. Flynn, C. Cowman, S. Walsh, A. Connolly, E. Morrissey, T. Crotty, C. Power, K. Barry, J. Houlihan, M. Sullivan, S. Barry, J. Flynn, D. ## WATERFORD LADIES FOOTBALL NEWS

# Deise Ladies Score Deserved Victory Over Kerry

WATERFORD 1-8

KERRY 1-6

Waterford scored a deserved victory over pre match favourites Kerry at Fraher Field last Saturday evening and qualified for both the Munster Senior Final and more importantly the All Ireland quarter final. Make no mistake about it Waterford were full value for this win, they dominated the game for long periods and took the game to Kerry from the start.

Midfielder Mary O'Donnell set the tempo, winning the throw in before passing to Cleona O'Keeffe and a further exchange of passes between Michelle Ryan and Linda Wall led to a free which Sinead Ryan pointed after just 40 seconds. O'Donnell won the kick out, raced through and passed to Michelle Ryan who was fouled and Sinead Ryan again pointed with just 2 minutes on the clock.

Kerry's first attack was foiled by a Donna Frost breakdown and this set the tempo for the rest of the game, good confident defending by the Waterford backs and Kerry struggled to cope. Another Kerry attack was cut out by Eibhlis Cooney before Kerry were awarded a 6th minute penalty when Deirdre Corridan was fouled and wing forward Margaret O'Donoghue produced the perfect penalty, low to the keeper's left and into the corner of the net. Edel O'Connell tacked on a Kerry point but Waterford replied and Sinead Ryan put Mary O'Donnell in for a point to leave the score Kerry 1-1 Waterford 0-3 after 13 minutes.

Play was flowing from end to end although Mary O'Donnell and Cleona O'Keeffe had the edge at midfield. Donna Frost got a great block on a Deirdre

Corridon shot but the ball rebounded to Geraldine O'Shea who pointed. Again Waterford responded immediately and Aoife Murphy set up Michelle Ryan for a point.

Michelle McGrath took a quick free to wing back Louise Ryan and she took a return pass from Sinead Ryan to score a great point from an acute angle in the 22nd minute. Kerry forwards were being put under extreme pressure by a disciplined Waterford defence, keeper Mary Hayes pulled off a great save but Kacey O'Driscoll drove the rebound over the bar. Patrice Dennehy added a point and Geraldine O'Shea was wide under pressure. Then Linda Wall and Niamh Briggs set up Mary O'Donnell but her drive was inches wide and the half time whistle saw Kerry lead 1-3 to 0-5.

It took just 25 seconds of the second half for Waterford to strike a crucial blow. Mary O'Donnell won the throw in and linked with Linda Wall, her pass found Niamh Briggs near the end line and her pass saw Michelle Ryan step around her marker and drive the ball low to the Kerry net.

Waterford were now on top. Mairead Wall set up Aoife Murphy for a point and then Wall

Waterford lady footballers who beat Kerry 1-8 to 1-6 in the Munster Semi Final at Fraher Field.

and Niamh Briggs put Michelle Ryan through for a point that put Waterford 4 points clear. Deirdre Corridon punched a Kerry point. Patrice Dennehy reduced the deficit to 2 points and then Kerry kicked four consecutive wides thanks to sterling Waterford defending by Donna Frost, Rebecca Hallahan, Eibhlis Cooney, Louise Ryan, Marion Troy and Michelle McGrath.

The next score was going to be crucial and Waterford got it with the best move of the game. Donna Frost to Sinead Ryan to Niamh Briggs, back to Sinead Ryan and on to Michelle Ryan, who restored Waterford's 3 point lead. Geraldine O'Shea pointed a Kerry free then Niamh Briggs deep in defence made a vital block, substitute Karen Kelly's pass to Aoife Murphy was intercepted and definitely prevented a score.

Rebecca Hallahan was sin-binned but Sarah O'Connor drove the resultant free wide. Mairead Wall took the ball out of defence on a number of occasions and Waterford played some great possession football. Mary Hayes made a fine save and the final whistle sounded with Waterford deserving winners. They showed tremendous maturity and fully deserved the win.

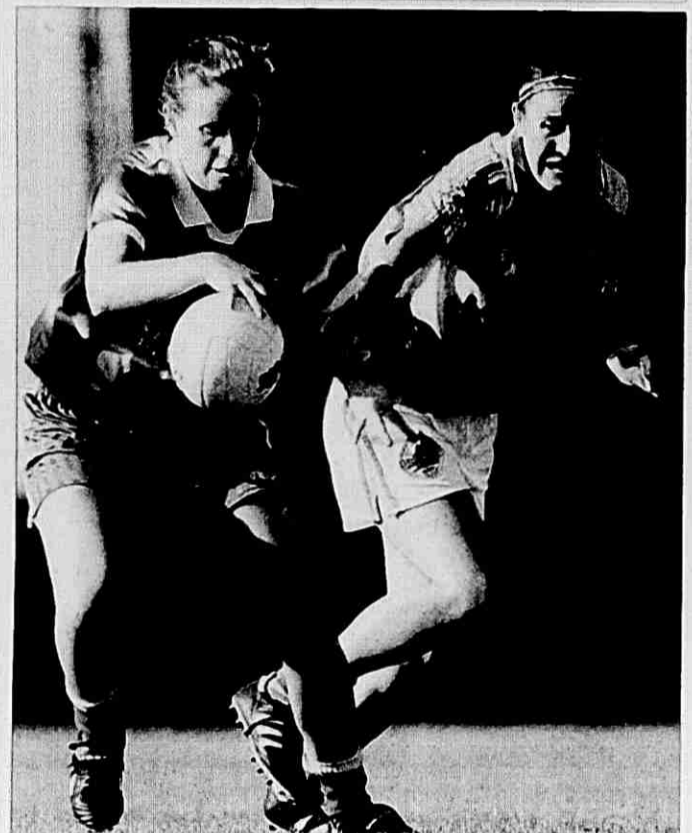

Mary Hayes had a fine game in goal, the backs were outstanding led by Donna Frost and Rebecca Hallahan whilst Eibhlis Cooney had a fine championship debut. The half back line of Louise Ryan, Marian Troy and Michelle Ryan also linked with the attack on many occasions. Mary O'Donnell is playing as well as she has ever done and Cleona O'Keeffe got the better of her tussle with Kerry's ace player Sarah O'Connor.

The attack was better than previous games, Michelle Ryan shot 1-3, Niamh Briggs covered every blade of grass, Linda and

Mairead Wall were outstanding, Aoife Murphy and Sinead Ryan and Karen Kelly made telling contributions to this win.

So it's Cork in the Munster Final in Limerick on Saturday week with the All Ireland Quarter Final 3 weeks later. No doubt Cork are better than Kerry but if Waterford continue to show improvement then who knows what will happen, it's all to play for.

## Cois Bhride Juvenile G.A.A. Notes

### MINOR HURLING

Our Minor hurlers played Stradbally in the third round of the Western Championship last Tuesday week and continued their good form with an emphatic win over the seaisiders by 2-15 to 0-5. This win will put them into a playoff situation, but that won't be happening for a while as they now have to concentrate on football for a few weeks. Their first match is due to happen this week, but I don't have any more details just yet. Selectors will be in touch with the players.

### U-13 HURLING SEMI-FINAL

Bushy Park was the venue last Monday evening for this semi-final versus Clashmore. This game finished in a welter of excitement as Cois Bhride came

from behind to score two late goals to take the lead with just minutes left. Then Clashmore scored a late goal which was disallowed, and so Cois Bhride go through to a Western Final which is fixed for next Monday, opponents and venue as yet unknown. We wish them best of luck in that.

### U-11 GROUND HURLING

This is a competition Cois Bhride has had a lot of success in the past, so we went to Dungarvan with a lot of optimism last Saturday. Nowadays it is all played out on the one day, and so Lismore were our first opponents. Our lads put up a great effort, but lost out to a strong Lismore side by 3-1 to 1-0. Next up were Abbeyside, and here we registered a win on the scoreline

4 goals to 2. Our final game was against Dungarvan, and the home side emerged victorious by 3-1 to 1-0. Missing a few players, some who were competing in the Fleadh Ceoil in Lismore, and others who were on holidays, we were always going to struggle against teams with a big panel of players, and so it proved. Credit to all the lads and lasses who gave it a good go and did their best.

### VHI CUL CAMP

Once again I must remind people to get their application forms in for the Summer Camp which commences on the 21st August in Knockanore. Absolute final closing date will be 7th August which is only three weeks from last Monday. Contact Frank Roche 087-2234220 for details.

## Dungarvan Rugby Notes

### SENIOR TEAM START A NEW SEASON EARLY!

Senior training began in earnest for what should be a successful year for Dungarvan RFC in the delightful surroundings of Ballyrandle last Tuesday on what can only be described as a beautiful warm summers evening. 14 players brushed away the cobwebs in a training session focused predominantly on ball work and some light contact work.

### LIGHT CONTACT WORK!!!

However, from a coach's per-

spective the lack of participants for the ice bath at the end of training was very disappointing !!!!!

With a new Coaching staff this season DRFC are intend on having a successful senior's season in 2006. The emphasis on the training sessions this season is enjoyment. As stated to the players, the more you train, the more competitive you become, and the more competitive you become the more games you win and the more you enjoy the game. Thus it is vital that all sessions and

matches are enjoyable. This will be the challenge for our new coach Peter Jones over the coming months

### COACH PETER GIVING SOME TIPS!

Training will continue on Tuesday 18th at 7pm and the club are also running a weekly fitness session between 7 and 8 every Wednesday evening. If becoming fitter through a team sport appeals, please do not hesitate to come down and become part of an exiting time for Dungarvan RFC.

## WEST WATERFORD ATHLETIC CLUB NOTES

GER WYLEY/NIKE SUMMER SERIES RACE NO.8. GLAXOSMITHKLINE 5.

# €4,000 Presented To Share A Dream Foundation

The 6th Annual GlaxoSmithkline 5 mile road race saw the largest field ever assembled for a road race in the club's Summer Series, which is now in its 12th year. Last Friday evening 245 runners and 71 walkers completed the course in conditions which were absolutely ideal for the event with brilliant sunshine as the walkers and runners made their way around the very fast and flat G.S.K. 5 mile course.

The weather certainly played its part in bringing the huge field assembled for the event. This superb turn out was also it must be said a tribute to our fantastic sponsors GlaxoSmithkline and all those who put in a lot of work behind the scenes at the company in organising this charity event. All who ran and walked contributed to collecting a substantial 4,000 euro for this years chosen charity The Share A Dream Foundation, a most worthy

charity which helps young sick children realise a personal dream by attaining something which may seem to them to be out of their reach, this charity helps to make these dreams come through.

The race was an outstanding success from all view points, as already mentioned race organisers GlaxoSmithkline who had everything done to perfection from the race entries, to results, to the stewarding, etc., every aspect of the

race was organised in top class fashion and all concerned are to be congratulated on a really super event which was enjoyed by all.

The standard in the race was of the highest, and the proof is in the reading of the results which says that 34 runners broke the 30 minute mark. It was also a night when many personal bests were recorded proving that the course truly is one of the fastest 5 milers on the athletics calendar, some local performances of note included that of Jim Fleming, Trevor Mason, Pat Dunford, Keith Radley, Martin Hayes, John Kearns, Norma Wall, Anne Whelan, Paddy Street, Michael Tutty, Tomas Coleman, Aisling Bannon, Michele Flynn, Billy Coleman, Martin Houlihan, Joan Navin just a few who pop up as we flick through the results and there were many more performance of note, I am sure.

West Waterford Athletic Club as a club were also winners on the night and had its highest turn out ever for a single race when 130 fully paid up club members participated in the race a remarkable achievement by any standards. We must also take the opportunity to thank and congratulate all who came along and walked the course; you helped in no small way to make the night the success that it was.

## TWO-YEAR WAIT ENDS FOR DZINTARS

The race itself was won in a very fast time of 25.18 by Dzintars Klava, West Waterford A.C. Dzintars was a most deserving winner on the night and produced a personal best time for the distance. It's been over two years since Dzintars was in the winners enclosure on the road running scene, a most gifted athlete it was fitting that he recorded a win in such a high profile race as the G.S.K.5. In second place was his team mate at West Waterford Raivis Zakis who incidentally was

also second last year in this race when another Latvian athlete Sandis Bralitis was the winner. Sandis last Friday evening was back in his home land for a short holiday so didn't take part. Raivis was delighted with his run also as he recorded his second fastest time ever for 5 miles when he was clocked at 25.30. Together for the first mile which they both covered in under 5 minutes Dzintars then opened a gap of 60 metres on Raivis just after the one mile mark and he was to keep that distance between the two almost to the line with Raivis just starting to close a little over the last half mile or so. Peter Duggan, St. Joseph's, Kilkenny, was third in 26.26 with Pat O'Sullivan, Carrick, fourth overall. Pat was first in the over 40 category, Ted Flannelly, United Striders, Wexford, was fifth overall finishing second over 40 in a time of 26.33. Mark Langford was sixth overall and fourth senior in 26.42 and Noel Curtin, Yougha, was seventh overall in a time of 27.31, he was third over 40 which moved St. Joseph's A.C. athlete Damien Cummins into fifth senior in a time of 28.10.

Some interesting tussles took place for the masters categories as well as the above over 40's mentioned there was keen competition also in the over 45's. The winner here was our own Gerry Cantwell who is running as well as ever Gerry's time was 30.06. Second was another West Waterford athlete Billy Maguire in 30.32 and Clonmel's Brendan Cronin was third in 30.41 very little between the three boys in this one.

The winner of the over 50 category was all the way from Sligo, Billy Gallagher, a name not strange to any marathon runners as back in the 80's Billy was one of the country's top marathon exponents. Despite the long journey Billy is a regular at this race every year indeed last year he won the over 45 category here, this year he has slipped into another age category as he won the over 50 but were glad to report that he is running as well as ever and covered the 5 miles in a very fast 28.24.

Maurice Tobin Grange/Fermoy is becoming regular on the Over 55

winners rostrum in our events now and last Friday night was no different as he won in a time of 31.33. Maurice also won this category last year. The evergreen Tom Fitzgerald, West Waterford, won the over 60's in a time of 39.39 and Tom too won this category last year, he will also be delighted with the fact that he had a quicker time this year — maturing with age as they say, well done Tom. We had a new kid on the block in the junior race when young Niall McCormack, Ballynonty, ran a terrific time of 28.19 finishing eleventh overall. One for the future no doubt.

Gerry Forde, Blarne,y was our sole wheelchair competitor and as always was made most welcome by all the athletes who took part. Gerry covered the course in 39.50.

## JACKIE CARTY BACK ON TOP

After her disappointment of finishing second at the Clashmore 5 recently, and also the fact that she was beaten into second place in this particular race last year Kilmore's Jackie Carty made amends on the double last Friday evening at the G.S.K. 5 when taking the winners prize in a fine time of 30.39. Jackie didn't have it all her own way however as St. Senan's, Adele Walsh gave her a titanic battle. However Adele had to settle for the runners up placing just 16 seconds behind the Wexford lady in a time of 30.55.

Speaking of top performers how about the run of our very own West Waterford's Norma Wall who had her highest senior ladyies finishing position ever in the series, 3rd in a time of 32.26, what a run from the Colligan lady who is the most improved female athlete on the road racing circuit presently and there's more to come I predict! Fourth lady was another West Waterford athlete Diane Behan in 33.02. Diane will be somewhat disappointed with this run in fairness to her 33.02 is great running by any standard but having won the event last year Diane is as we know a very competitive Lady and will not be happy with this time, But I can tell you rule out the Portlaw Lady at your pearl we know her capabilities

and when she twigs the little niggles and the training comes right she will be back in the sub 30 minute time zone before long.

In the Masters categories for ladies there was also some great battles for honours. The over 35 section saw Brea Cooke, Waterford A.C., win in a time of 33.15. In the over 40's West Waterford's Anne Whelan another teal tough campaigner took the top spot in 34.55. Ann Moroney, West Waterford, was our winner over 45 in a time of 41.57. Ann will be very pleased with this performance. The over 50 winner was our friend from England who travelled over with her husband John for the race, she was Marion Hunter who was clocked at 42.00 well done to her and to John who finished in a time of 36.53 both run with Swaledale AC in Newcastle, thanks for making the journey over. Our final ladies category was the over 60's and here Maggie Dunne of Grange/Fermoy AC was the winner in 39.28, how about that performance from a 60 plus year old.

All in all as with the mens individual winners the ladies times were of the highest order all round. An array of spot prizes were drawn among non-prizewinners and an equal amount of spots were drawn for the walkers who took part.

## BRENDAN AND ANN FIRST GSK FINISHERS

The race within the race for the first GlaxoSmithkline finishers was keenly contested also with great performances all round, in the mens section Brendan Whelan took top honours with a top drawer performance finishing 10th overall in a time of 28.10. This was indeed the highest finishing place ever by a GlaxoSmithkline employee in this race. Martin McCarthy was next with another fine run 28.39 finishing 18th overall, great running Martin. Kieran Russell 31.14 was third giving him 55th overall finisher. Kieran is running superbly well presently also. These were followed home with some sterling performances from Dermot Ryan 33.56 and Maurice Foley 34.56.

WEST WATERFORD ATHLETIC CLUB NOTES

# Deirdre Cunningham Hits The Target In T.Q.S. League

Out of the 75 runners that took part in round two of the TQS League last Tuesday night in the Friary, just one individual succeeded in accurately predicting the time that it would take to do the run. Deirdre Cunningham was spot on and made no mistake whatsoever when she reached the finishing line at exactly 0.00. Well-done Deirdre. Not too far out from his predicted time was Timmy Foley who was only 3 seconds slower than his predicted time. Caroline Russell was in third place being only 11 seconds outside of her time. On the other side of the clock was Clare Walsh who was only 1 second too fast, Una Tynan was 2 seconds too fast and Karen Ryan was right behind being only 3 seconds too fast. Kathleen Deegan will have to give Dixie a tip or two in pacing, as she was only four seconds too fast.

For those of you unfamiliar to the operation of this league, it is a league whereby the winner is the person that accurately predicts the time that they will do the run in regardless of what time they predict. Because watches are not allowed some people may run too fast and others too slow but it is this aspect of the league, which makes it all the more enjoyable and interesting. As the runners are coming to the end of the run, the clock is working backwards and they have no idea who will cross the line at 0.00. It may be the person in front of you, beside you; behind you or the person in the middle of the group of runners you just passed

out or among the group of runners just ahead. You just don't know! So far, it has been different people each week so next week it could be you!! You won't know till you give it a go! There is a choice of one, two or three laps on offer and the clock begins at 40 minutes. It works backwards and when the clock reaches the time you think you will do the time in you start your run. If you are doing one lap and you think you will do it in 15 minutes then when the clock reaches 15 minutes you start running. As always, we will be available for help and advice at the West Waterford van.

Entry fee is €2 and water is available at the finish. There are 6 more nights left and you don't have to run every night. Everyone is very welcome on any night. Why not get a colleague or two from work to come along and join in with you or a friend or brother or sister. Ye will all have a great time. We hope to see as many as possible at the Friary on Tuesday nights in the Friary at 7 p.m.

The winner of the TQS league will be the person that accumulates the most points by the end of the league. There are no penalties for missing a night; you just don't get any points. After two nights of the League William Rotte is at the top of the table with 55 points but Caroline Russell whose timing was almost spot on is very close behind in second position with 54 points. Third place belongs to Clare Walsh who has 49 points to her credit. Will they be as accurate on the next night or will it be someone else? Come along to find out.

We would like to thank all those that have helped out with the finishing tunnel and the clock. With the Colligan Cup system in place, it can be fast and furious at the finish line and thanks to George Tutty, Martin Hayes, Paula Earley, Corinna Walsh and Noel Doherty for all their help. Much appreciated.

**SPONSORS**

We would like to take this opportunity to thank once again our generous sponsors Tom and Maura Quilty. This is the second year in succession they have sponsored this popular league and we are delighted to be associated with them. Many thanks.

## DERMOT CONFERRED

## CLUB TRACK AND FIELD NEWS

### MAZDA LEAGUE ROUND ONE

## West Waterford In A Strong Position After Day One

The first round of this years Mazda league took place last Sunday in Limerick and Senior Club Track and Field co-ordinator Tony Ryan had his West Waterford AC teams on the road bright and early for the venue. In Navan on the same day the clubs from up the country were competing also with the best eight from the two venues going through to the finals. With the second round of this league down for decision on August 6th in Cork and the fact that the points attained last Sunday will carry over to round two, the club are in a good position in both the ladies and mens categories, both teams are competing in the 1st division. Hopefully with a good days competition on day two we can qualify for the finals in the ladies and mens in Tullamore on Sunday, August 20th.

Many of our younger athletes were competing at this level of senior competition for the very first time they mixed in well with the older senior members of the squad and all bar none acquitted them selves admirably. It was the first time in the history of the club that we filled athlete in all events in both the mens and ladies, which was a very long programme I can tell you.

Much credit must go to Tony Ryan, Tony Shalloe and Br. Patrick Lennon who were in Limerick with the athletes on the day. As we go to press a full results sheet is not available but we had many sterling performances on the day and hopefully now with the same effort next day plus the added bonus of having more athletes available to strengthen our squad we can go on and qualify for the finals with both teams.

### ATHLETE WHO PARTICAPED IN LIMERICK WERE

Brendan Moran, Mark Shalloe, James Leddingham, Dermot Cummins, Dzintars Klava, Raivis Zakis, Liam Houlihan, Shane Scanlon, Michael Tutty, Richie Power, Tony Shalloe, Emer Scanlon, Mairead Flynn, Elma Nugent, Olive Clinton, Niamh O'Riordan, Anne Whelan, Coleen Hayes, Eadaoin Ashe, Jacinta Sheil, Clare O'Sullivan, Niamh McGrath, Norma Wall, Triona Wall, Maria Conroy, Siobhan Brackett and Aisling O'Connell. Hope I got everyone?

**WOMENS RESULTS AFTER DAY ONE** — 1st Meath 103 points; 2nd Athletics Wexford 99 points; 3rd Borrisokane 93 points; 4th County Limerick 91 points; 5th Clonliffe Harriers 86 points; 6th West Waterford 71 points; 7th Tallaght 63 points.

### JAMIE COSTIN BREAKS BRITISH AAA CHAMPIONSHIP RECORD

Held in sweltering heat of over 30 degrees last Sunday in Manchester. The British AAA championships were held. West Waterford's Jamie Costin was in action and competed in the 5k Walk. Jamie who would normally be more at home competing over the 20 k or his favourite 50 k distance was taking on the much shorter 5k as a tester to his current level of fitness as he makes his way back to top-level international competition after his misfortune at the Athens Olympics. Well we can and are glad to report that all is well with the Ring athlete as he finished second to Colin Griffin another Irish man with both breaking the old standard at the championships of 20.11. Colin won in 19.43.4 and Jamie was clocked at 19.54.2. This is a well timed boost for Jamie who has been away in France at altitude training camp for the past three weeks. All at the club are delighted that Jamie is now winning the battle back to the top level of this most difficult of sports and we wish him well for the remainder of the current season.

### RAIVIS AND EADAIOIN TAKE COUNTY GOLD

Round two of the county championships were held at the newly refurbished R.S.C. last Tuesday evening. At Senior level we had three athlete competing. Raivis Zakis took gold in the 5,000 Meters and Con Kelleher was fourth in the same event while Eadaoin Ashe took gold in the Discus to add to her gold from round one when she won the Shot. Well done to all.

### NATIONAL MASTERS TRACK AND FIELD CHAMPIONSHIPS

Brendan will compete in the 100 and 200 Meters over 45 and Joe will be in action in the 800 Meters. From all at the club we wish both athletes all the very best at the championships.

## EWIN O'RIORDAN COMPLETES IRON MAN

Well done this week to club member Eoin O'Riordan who competed in the Ironman Austria Triathlon last Sunday in Klagenfurt, Austria. Eoin finished a very creditable 416th from a field of 2,500 starters. He started off with the 2.4 mile swim which he covered in a time of 1.02.9 and followed with a 180 mile bike ride which took him 5.38.58 and he finished off with a full Marathon 26.2 miles which he covered in 3.47.03 giving him a total time of 10 hours 36 minutes and 12 seconds. A super achievement by any standard from Eoin and he can be well pleased with his performance. Well done from all at the club.

## BIRTHDAY GIRL

## GOLFER OF THE FORTNIGHT

The Noel Deverux Golfer of the Fortnight couldn't have been closer. With Tom Conway (7) and Dermot Walsh (4) tied on their first four cards, it took the better 5th card to decide this one. ## DUNGARVAN LADIES NOTES CURTIS CUP VIP'S

As part of the preparation for the forthcoming Curtis Cup match, some of the members of the Great Britain & Ireland squad recently had a gathering at Dungarvan Golf Club. During their time here, they played a fourball from the green markers — a mini International Ireland v Scotland. Those taking part were Ada O'Sullivan (2) Monkstown, non playing Captain,

Fiona Norris Hamilton, Team Manger, Claire Loughton (+3) Cork Golf Club team member, Ann Laing (+2) Vale of Haven, team member on last occasion. They were very appreciative of the facilities offered to them by the club and the welcome received from the officers and members. They were very impressed with the condition of the course and expressed a wish that the course for the Great Britain & Ireland versus the U.S.A match would be as good when it take place on the 29th & 30th of July 06 at Bandon Dunes, Pottard, Oregon, USA. The match will be shown live on late night T.V. The G.B & Ireland panel contains 4 Irish ladies. For the record, in the local fourball Scotland beat Ireland 3/2. No doubt there will be a return match at the same venue on a future date. Best wishes to Great Britain & Ireland in their quest to break the U.S.A 's grip on the trophy.

## LISMORE GOLF CLUB NOTES

# Jim Cashman "Shoots The Lights Out" To Claim Captains Prize

We had a fantastic turnout for our captains prize kindly presented by Mr. Dermot O'Leary who is making a nice recovery from his recent surgery. The weather started glorious on Friday and just kept getting hotter through to the finish on Sunday evening. Not only was the weather hot so was the scoring, for the 2 qualifying days to sort out the 60 players going through to Sunday's final round. The winner would be the player with the best aggregate score over the 36 holes.

The "star" performers on Friday were the evergreen George Howard (15) posting a super 62 followed closely by yet another "seasoned" campaigner namely Jim Cashman (18) with a great 63. The same score was carded by a lad just learning the ropes, Martin Power (18). Also in early contention was the "ever smiling" Mick Burke (13) with his 65. So to Saturday where the "main men" were the happy go lucky Eddie Fraher (20) with a fine 63 followed closely by the in form John McGrath (10) with 64, Richie Ormonde (11) and Dan Behegan (7), also carding 64's. So to the blistering heat of Sunday who could hold their nerve in the heat of the battle.

After some early toing and froing things started to take shape as half the field fell by the wayside for one reason or another. After a shaky start Jim Cashman (18) looked to be pulling clear of the field. There was only Eddie Fraher (20) who was in the final group who looked to have any hope of reigning him in. It was not to be as Jim shot the lights out to post a 57 with a fine variety of strokes, his aggregate score of 120 was a full 7 clear of a very popular runner up, the afore mentioned Eddie with 127.

Our gross winner was team player Ritchie Ormond (11) with 152. In third place was Kilwatermoy's Liam Roche (19)

Prizewinners in the Captains Prize at Lismore Golf Club, kindly presented by Dermot O'Leary with seated (l. to r.) Cal Aherne, Club President, Pat O'Flaherty (4th), Richie Ormonde (Gross), Dermot O'Leary, Club Captain, presenting his prize to the winner, Jim Cashman, Eddie Fraher (2nd), Liam Roche (3rd), and Pa Morrissey (5th). who picked a 'big event' to pick up his first prize at Lismore with his 130. In 4th place was thoroughbred Pat O'Flaherty (10) with 134 edging Pa Morrissey (10) into 5th place due to his superior back 9 holes, who in turn edged Maurice Cahillane (12) into 6th place due to his superior back 9, Maurice in turn edging president's son Cal Aherne (Junior) (16) into 7th place. Our category prizes went to the following category A, Dan Behegan (7) playing fine golf for his 140.

Category B went to Tallow's Pat Murphy (13) with a 136. Category C went to local legend Jimmy Hornibrook (17) with 135. Category D went to the aforementioned Martin Power (18) with 134. The past captain was won by club stalwart Seamus Beecher (13) with 137.

Veteran went to the ever youthful Mick O'Regan (16) who is one of Lismore Golf Clubs unsung heroes, Mick carded a 136. Best qualifier went to George Howard (15) with his super 62. Best Sunday went to the inform Leeds United fanatic Eddie Budden (18) with his 67.

Thanks must go to Ann Ormonde, daughter Collette and Mitchel for keeping the troops watered and Bernie, Sharon and Megan for keeping them fed. So all in all it

was a super weekend in the life and times of Lismore Golf Club.

# New Speed Limits To Be Introduced

CONTINUED FROM PAGE ONE

conditions don't suit. "If a road is small and narrow and muddy, it doesn't mean people should travel at 80kph. I think we should appeal to the public to see the signs as indicative. People should not drive at a speed where they cannot come to a stop in a time safe for the motorist and other road users," he said.

"In the past months and weeks we've seen an appalling number of road deaths across the country. We have to urge caution."

### DRIVING CARE

Fine Gael councillor, Fred Forsey, who works as a driving instructor, also appealed to drivers to take more care on the roads.

"I think it's mostly young people who see the speed limits and think they should go at that speed regardless of whether it is safe or not to do so."

"Despite the speed limit being 80kph, they should know that they can still be done for dangerous driving," he said.

He said the way the metric system was introduced was "crazy from the beginning."

"Signs were put down on small country roads for 80kph, and people thought they should drive at that speed," he added.

Cllr. Forsey went on to call for a 30kph speed limit in estates in the town.

### PROSECUTION

However, Fianna Fail councillor, Nuala Ryan, challenged this, questioning whether it would be possible to prosecute drivers who are going at speeds indicated on the speed limit signs.

Sinn Fein councillor, Brendan Mansfield, seconded the proposal to introduce a 30kph speed limit in estates.

"I think traffic calming might also be successful," he said. "We all know the views of the county council about speed ramps, which don't seem to be acceptable except where a rat run has been created."

"But I think other options can be used."

And he questioned whether the Gardaí would enforce the speed limits in any case.

"Recently I went to Belfast and from the six counties down, I did not meet a single Garda all the way back to Dungarvan. Three people lost their lives on the same day in motoring accidents," he poignantly added.

Independent Cllr. Michael O'Riordan said he would be worried by too many speed limits, as the impact would be diluted.

# Caution Urged Over New Take-Away

By Kevin Kirrane

Caution was urged over an application to change the use of a well-known Irish music pub into a restaurant with a take away facility.

The change of use of Bean a Leanna, at 86 O'Connell Street, Dungarvan came before the July meeting of Dungarvan Town Council on Monday night last.

However, Fianna Fail councillor, Anne Marie Rossiter, who warned against allowing further Take-Away facilities in a residential street, called for restrictions on the time it would operate from.

"There are already two take-aways there. We don't want another one in O'Connell Street," the former head of Dungarvan and West Waterford Chamber of Commerce, told the meeting.

The application is currently being adjudicated on, and the local authority is seeking further information on the plans. As part of this, the developers may be forced to close earlier than the fast food restaurants on the street.

"The hours can be restricted in the planning conditions," Town Clerk, Joe O'Flaherty assured the elected members.

"It's envisioned that it would be

more like a Pizzeria than a fast food outlet. Or like a Chinese restaurant."

He said that the latest it would be allowed to trade would be 11.30pm, unlike the much criticised fast food outlets which remain open

late at night over the weekends. Mr. O'Flaherty said it would be looked at in the same way as Quasi Lanka restaurant in the Dungarvan Shopping Centre, which operates a take-away service until 12pm at night.

However, Cllr. Rossiter, who said O'Connell Street is much more of a residential area than the shopping centre, did not accept this.

She warned: "I would be opposed to a time restriction even of 11.30pm because people are living nearby - it's too late. And we've all seen the disruption and disturbances that are caused by take-aways."

Mr. O'Flaherty said he understood the concerns of the elected members, but he was confident that these concerns could be dealt with through planning conditions.

## Unwise To Speculatively Rezone Ballygagin Lands Says Council

By Kevin Kirrane

Director of Services with Waterford County Council, Denis McCarthy, has revealed that a business consortium who are proposing to develop a 60 acre Industrial Estate on the outskirts of Dungarvan weren't forthcoming with the names and details of the two firms who they claim are interested in setting up.

The consortium had previously claimed to have been in protracted discussion with two companies, who would employ up to 200 people at the site in Ballygagin.

But, in what is a major blow to the consortium, Mr. McCarthy said it would be unwise to speculatively rezone land for the devel-

opment. "We asked who the one or two firms interested in setting up in Dungarvan were and they couldn't tell us, which was a surprise," Mr. McCarthy said.

The consortium, who had been working closely with Mr. Rafferty - the departed Business Development Officer with Waterford County Council - had gone public on the plans, and have already lobbied members of Dungarvan Town Council and Waterford County Council.

But despite calls at the July meeting of Waterford County Council to rezone the land at Ballygagin, Mr. McCarthy said it would be unwise to do so.

# MOTIVATION is YOUR KEY to SUCCESS!

LAURA LOST 5 STONE AND IS MAINTAINING HER WEIGHT LOSS

Before I started going to Motivation my weight was a real problem. A friend told me about Motivation so we both decided to go together. I really like that Motivation is one to one, and you don't compare yourself to other people. In six months I have lost over 5 stone and the best thing is that I am still losing weight. When I started I couldn't even jog at a slow pace for 2 minutes, but now I can run at a moderate jog for about 15 minutes. The staff at Motivation are very encouraging and one of the best things about the programme is that they prepare you for pitfalls so you know how to handle them when they happen. I'd really recommend Motivation to anybody who wants to do something about a weight problem as it really does work. You don't end up disappointed and demotivated because of failure. Thanks to Motivation I have now almost reached my desired weight and am really happy with my achievement.
