# Lismore Takes Gold In Tidy Towns

By Kevin Kirrane

Lismore was once again crowned County Waterford's golden town after being awarded a gold medal at a lavish ceremony in Dublin Castle where the winners were announced for this year's Tidy Towns competition.

The award was yet another recognition of the hard work done by Lismore's voluntary tidy towns committee, which sees hundreds of people involved in picking up litter from the streets of the town every week.

#### EXCELLENT NEWS

"It's excellent news," said a delighted Bernard Leddy, a member of Lismore town council. "If you look at the points, Lismore is still up and around the top five towns in the country and is within striking distance of being able to win the national award again."

"It's a great compliment to the tidy towns committee and the people of the town who are almost all involved in picking litter and keeping the place

generally tidy."

Despite relinquishing their Tidiest Small Town crown, Lismore took county and regional honours and lost out to eventual winners Westport by the slimmest of margins. Westport, the overall winners, finished on 295 marks while Lismore received 291.

#### DUNGARVAN WIN BRONZE

But perhaps the biggest winners at the ceremony in Dublin Castle were Dungarvan - even

though a mix-up resulted in nobody from the town being present to accept their impressive haul of four awards on Monday last.

However, the capture of a bronze medal, along with the capture of county and regional honours was a huge boon for the town.

A tidy towns committee was only recently established, but the fruits of their endeavour was clear for everyone to see, resulting in a dramatic improvement in the towns standing in the competition.

In recognition of this, Dungarvan received an Endeavour **CONTINUED ON PAGE 23**

# New Development Executive Sets Out Strategy For Job Creation

BY KEVIN KIRRANE

New Development Executive, Fearghal Reidy, said he hopes to put the building blocks in place to create new sustainable jobs in Dungarvan.

Mr. Reidy, who has extensive experience in the role having worked with Donegal County Council on the implementation of the recommendations put forward by the Donegal Initiative Task Force also designed strategic initiatives to bring infrastructure to the county such as air access, energy, and broadband.

**EXPERIENCE**

Following that Mr. Reidy worked for DTZ, an economic and development firm in Dublin where he undertook a range of different profiles which are in use throughout the country including public private partnership studies and employment enhancing studies.

"The key thing is to create an environment which will allow us to create and sustain jobs in Dungarvan," Mr. Reidy told the Dungarvan Leader.

"There are a number of areas that must be addressed," he added. "First of all we must make sure the infrastructure is

in place, secondly that the ingredients required for a successful business are here, and then finally to market the town."

Just two weeks into the new position, Mr. Reidy said of the plans: "We've started an awful lot of it already."

**SKILLS DATABASE**

"We'd also like to get a skills database established so we know what skills are available to employers in the county and I've started to target businesses to locate here as well."

He went on to say that there are a number of areas that Dungarvan can build upon.

"Dungarvan is a very vibrant town, and has a lot going for it, which makes my job easy. But what it needs are jobs in the town. I sense that a lot of people are commuting either to Waterford City or even as far as Cork. If we could provide jobs for people within the town and stop them commuting, I think that would be a great achievement."

**MARINA**

Mr. Reidy's controversial predecessor, Brian Rafferty, had set out his stall to develop four marinas in the harbour at the

beginning of his term which he insisted would create 1,000 jobs.

Mr. Reidy said: "The environmental elements are already advancing with the Town Council and I'll be working with the Town Council on implementation once the scheme passes certain environmental tests which are very necessary in marinas."

"Without them - a number of things could happen - you could fail planning or you could find the costs are too exorbitant. Marinas would have a quite significant benefit to the town but it's important to get the building blocks right. That's what the Town Council are doing at the moment."

**REZONING**

Asked about the rezoning of land, he went on to say that: "What's important is to make sure that the right quantum of land is rezoned for the right uses - that's essential. And what's happening at the moment is that the framework of the draft development plan, the amount of land being rezoned is being considered and the future requirements of industry are being considered and that's very positive."

# Curves DUNGARVAN

UNIT 10 DUNGARVAN SHOPPING CENTRE • 058-24480

**C**urves Dungarvan opened its doors in February 05 and has been helping the women of Dungarvan and the surrounding areas get fit, lose weight, have more energy and feel good overall. Curves pride themselves on being the first fitness and weight loss facility dedicated to providing affordable one-stop exercise and weight management for women.

### 30 Minute Fun, Fast, Fitness

If you can spend 30 minutes a day, 2 times a week, improving your quality of life then Curves is for you. Simple, uncomplicated but yet effective machines are specifically designed for women. Curves gives members a programme that is do-able and will give you results that amaze you.

The workout combines strength training and sustained cardiovascular activity through hydraulic resistance because it has a unique advantage. It is safe and effective for anyone of any age or fitness level - unlike weight-bearing machines which can cause injury to those not used to a regular fitness programme. Also, as your fitness level improves you can continue to increase lean muscle and lose weight through harder work on the hydraulic equipment.

### Quotes from Members

Mary Butler from Curves had this to say:

"One of the reasons I joined Curves is that it's a gym for women only, which means the machines are designed to tone and sculpt rather than build up bulky muscle. The support from the staff when I joined was great and I felt at home straight away. They showed me how to use all the equipment and really helped me to settle in. I'm healthier and have more energy. I can come in either in the morning, afternoon or evening, depending on what suits me on the day".

### Advanced Workout

As your fitness levels improve, the programme can be tailored to continue to

challenge you.

Caroline Meany, a member from Curves explains, "I have been a member of Curves for over a year now and have recently started the advanced work-out which is available to members who have been at Curves 3 months or longer. I find it great as it has really improved my energy levels and general level of fitness. I have reached all my goals in terms of weight loss and inch loss."

### 6 Week Solution

Curves also offers a weight management programme featuring a groundbreaking scientifically proven method to

raise metabolic rate and end the need for perpetual dieting. Gary Heavin, CEO and founder has written several books including "New York Times best seller" 'Permanent Results without Permanent Dieting'.

Many women have destroyed their metabolism through yo-yo dieting. Curves did a 6 million euro study into these effects and the result is a 6 week solution programme that increases metabolism through a specially designed nutrition and exercise programme.

Sharon & Orla teach the 6 week solution at Curves and have had huge success with their weekly classes. Classes are also available to non-members.

Ciara Murphy says: "4 months prior to my wedding I decided to participate in the six week solution programme. I reached my target in both inch and weight loss and felt confident and glowing as I walked down the aisle. It was well worth the effort".

**Increase your flexibility, improve the fluidity in your joints, improve your health.**

No matter what your physical ability or health, Curves works says Elizabeth Cotter.

People with diabetes, arthritis and Parkinson's disease, as examples have seen great results. Talk to our staff and see if they can put together a programme that suits you.

6 Week Solution Classes start end September.

Staff members at Curves Dungarvan: Olive Cosgrave, Doreen Hennessy, Orla McCarthy, Sharon Duggan (Manager)

# Classic Car Show & Sale At Abbeyside

By Kevin Kirrane

An informal classic car show and sale was held at Strandside North in Abbeyside on Sunday last, featuring many of the best-known classic cars.

More than a dozen cars from across Munster and a further six more who heard about the event through word of mouth gathered beside the Tennis Club on the Causeway over the course of the afternoon.

A large crowd of locals also gathered to view the cars, some of which dated back to the 1950's.

The event was organised by Richard Dalton and was such a huge success that they are considering turning the gathering into an annual event.

Some of the cars included an MG, Hillman Triumph, Aston

Martin, Mark 2 Jaguar, Humber Sceptre, Aston Cambridge, Triumph Toledo, Hillman Minks, Super Minks, Triumph Herald

and a 1950's Rover.

"The cars were quite a hit, and we are looking at whether we can have another show

again." Clare, Richard's daughter said of the popular event. At least three classic cars were sold as a result of the show.

# Fundraising Drive For O'Regan Family

By Kevin Kirrane

A unique fundraising drive will start off in Dungarvan in aid of the three surviving children of the tragic Ballybeg couple Bryan and Johanna O'Regan who tragically died in an horrific fire at their home in Waterford City earlier this year.

The fundraiser, organised by An Garda Siochana, in association with the Irish National Hunt Jockeys, will involve some of Ireland's top hunt jockeys undertaking the thirty mile

trip from Dungarvan to Waterford on horseback.

Among them will be Tom Ryan, who rode a winner at Cheltenham for owner, Michael O'Brien, and trainer J P McManus, on Kadoun.

The fundraiser will be held this Thursday, 7th of September. It will begin at Dungarvan Garda Station at around 10.30am, finishing in Waterford City at Kilcohan Dog Track at 4.5pm.

There will be four horses in

total. Two ridden by mounted police and the others by National Hunt Jockeys. Other jockeys will join along the way. The fundraiser is the brainchild of Waterford Garda James Fenton, who attended the scene of the fire on that tragic day.

"I went to the scene that morning. It was a horror for everyone especially the family and if you had any bit of a heart at all you'd try and do something for them," he said explaining how he came up with

the fundraising idea.

All donations to the Bank of Ireland. Account number: 46339608, Sort Code 90-61-95. Account name: An Garda Siochana/O'Regan Fund.

## "THE LITTLE VILLAGE SCHOOLROOM OF KILBRIEN"

New arrivals at Kilbrien NS. l to r; Oliver Killestein, Kate Hickey, Dearbhla NihAllachain and Gearoid Cullinan. Sean Byrne Photography

After a fine school summer break, children from all over find themselves back at school once again. For some little ones it is their first time and

"FIRST DAY AT SCHOOL" is a big step in the lives of the boys and girls. Such was the case at Kilbrien N.S. on Friday September 1st when four little ones Kate Dearbhla Gearoid and Oliver went to school for the first time. It was an extra

special day for Dearbhla Hallahan and her family and indeed quite an historic event as she is Great Great Granddaughter of the great scholar and poet of the Deise, Padraig O Milleadhha who composed the song "The Little Village Schoolroom of Kilbrien". Born on 1877 in Skeheens, he himself started school in Kilbrien N.S. in 1881 at the tender age of 4 years. His poetry and writings marked him

as a man of great literary attainments.  
Deiseach go smior ab ea Padraig O Milleadhha!  
In my dreams I worship still  
In the old church on the hill  
Where on Sunday Mass my hands would join in prayer  
But my memory flies each day  
O'er the ocean far away  
To The Little Village Schoolroom of Kilbrien

# What A Wonderful World!

Have you met the boy who believes he's from Earth, or the little girl who painted Dungarvan on a glorious summer's day? What about the boy from the moon?

What about the American-Irish, the Canadian-Irish, the European-Irish, the English-Irish? They were all at Dungarvan United AFC on Sunday 18th June to celebrate our International Family Fun Day, jointly hosted by Waterford Sports Partnership and County Waterford Community Forum.

Thanks to St Vincent de Paul and others who contributed material, to Lorraine, Dagmara and Helen for running

the art event and to all the boys and girls who took part. Special thanks to everyone, especially to Monica Walsh, who stitched these beautiful pictures into a wall hanging, now on view at Dungarvan Library.

**Pictured proudly showing off the children's combined artwork are Lorraine Shanahan, Dagmara Stulek, Helen Coolbear (Member of the Social Inclusion Forum), Phoebe, Xander and Elliott Coolbear, Orfhlaith Ramsey (Network Co-ordinator) and Oliver Coffey (Chair, County Waterford Community Forum).**

## Indian Firm Frontrunners For Purchase of Pinewood

By Kevin Kirrane

An Indian firm is reportedly the frontrunner in the race to purchase Ballymacarbray-based, Pinewood Laboratories for over 100 million euros.

According to reports, a deal with the Mumbai-based pharmaceutical giants, Wockhardt could be struck in the next two weeks.

Pinewood, which is Ireland's only generic drug business, is controlled by majority stakeholder and Managing Director, Michael Costello.

Mr. Costello founded Pinewood Healthcare thirty years ago. Other listed directors include Martin Carmody, Edward Townsley,

Damien Martin and Tony Hynds. Enterprise Ireland is also a minority stakeholder in the firm.

### BACKGROUND

Pinewood was established in 1976, and is a widely diversified pharmaceutical group presently marketing its products in over 30 countries worldwide.

The Company manufactures liquids, creams/ointments and powders under its own licenses in Ireland, which are distributed to its international markets directly from its facility.

Pinewood also supplies contract manufacturing from its facility for the international market.

With a highly regarded and

recognised brand name Pinewood has a strong and unique position in Ireland and the UK, and increasingly in other European and global markets, the company says. They currently hold over 200 prescriptions and over the counter formulations licensed in its various markets globally.

### STRONG GROWTH

Pinewood's extensive product ranges include antibiotic, cardiovascular, analgesic, dermatological, opioid, gastrointestinal, CNS, rheumatology, hormonal, urological, dietetic, respiratory and allergic products.

This extensive product portfolio coupled with excellent sales and

marketing expertise has generated strong and sustainable growth in sales and margins over many years.

The 9,626 m sq plant in Ballymacarbray has capacity for over 11,000 tons of bulk products annually and over 51 million finished packs of product per year. The in-house research and development division has long standing expertise in liquid and cream/ointment formulation. Pinewood has been awarded several accreditations over the years including the Millennium Export Excellence

The company was remaining silent on the possible deal when the Dungarvan Leader contacted them.

## BRITTLE BONES

Osteoporosis is a surprisingly common condition which affects around one in three women. Minerals are lost from the bones, making them less dense and more likely to break easily. In addition, degeneration of the vertebrae causes changes to the spine, resulting in the characteristic 'dowager's hump'. In some cases there are no symptoms, and the first indication that there is a problem is a wrist or hip fracture. In other cases the condition is accompanied by a deep, aching pain. Osteopenia is the term used to describe loss of bone density which represents the first stage in the development of osteoporosis.

Osteoporosis used to be relatively rare in the male population, but it now affects one in five men. This represents a fourfold increase in recent years, which is probably due to poor diet with high consumption of caffeine and fizzy drinks, combined with lack of exercise. The tragedy is that osteoporosis is generally a preventable disease. Early diagnosis can be made using a bone density scan, which is a painless and non-invasive procedure.

One of the main causes of osteoporosis is hormone deficiency. In women, this can occur after the menopause, and those who go through the menopause before the age of 45 are at particular risk. Hormone deficiency in women can also be the result of hysterectomy or missing periods due to over-dieting or excessive exercise. Hormone deficiency can occur in men, but it is less common.

Osteoporosis can be a complication of a number of medical conditions such as inflammatory bowel disease, coeliac disease and Cushing's syndrome. It can also be caused by long term use of various drugs such as corticosteroids and antidepressants.

The risk of osteoporosis is usually genetically

inherited, but various lifestyle factors can greatly influence whether or not you will actually develop the condition. The risk is increased by lack of exercise, smoking, heavy drinking, and a poor diet which is high in junk food and low in fresh fruit and vegetables.

I really fear for the current generation of people in their teens and early twenties who take little or no exercise and seem to live on fizzy drinks and junk food. Peak bone density is achieved before the age of 30 and steadily declines after that. If sufficient bone is not laid down in early life, symptoms will not show up until much later, but by then it may be too late. I suspect that the incidence of osteoporosis will rise very sharply over the next 20 to 30 years.

Osteoporosis is one condition for which prevention really is better than cure. To give your bones the best chance of staying strong and healthy, increase your calcium intake by including plenty of milk, hard cheese, and green leafy vegetables in the diet.

Magnesium is also essential for healthy bones. Good sources of magnesium include whole grains, nuts and beans. Recent studies conducted in the USA have shown that taking a magnesium supplement every day for one year significantly increases bone density in 70% of cases.

Other nutrients which are important for maintaining bone density include the trace minerals such as silicon, copper and manganese, vitamin K which is found in green leafy vegetables, and vitamin D which is produced by the action of sunlight on the skin. Taking regular weight-bearing exercise outdoors helps to strengthen the bones and provides a good dose of vitamin D as well.

If you are at particular risk of developing os-

teoporosis for any of the reasons described above it may be wise to take a supplement which provides 600-1,000 mg of calcium per day in combination with 300-500 mg of Magnesium, plus vitamin D and vitamin K. It is essential to avoid excess caffeine and fizzy drinks which deplete calcium from the body.

Herbal medicines such as nettles and kelp are rich in a range of minerals which help to keep bones in good shape. In addition, supplements containing a blend of evening primrose and fish oils (such as EyeQ) have been shown to increase bone density more than either of these oils taken alone.

For women who are concerned about the increased risk of osteoporosis after the menopause, herbal medicines such as agnus castus, black cohosh and wild yam can help to balance hormone levels and reduce the risk of decreased bone density. In the past, HRT was often prescribed to reduce the risk of osteoporosis. However, it only does so for the duration of treatment, and the benefits are rapidly lost when HRT is stopped.

### THE PERFECT FLYING MACHINE

Birds are superbly built for flight. Their light, strong bodies give them the lift they need to fly. Even their feathers are designed to help them fly. Flying uses lots of energy, so birds spend much of their time eating to keep their energy level up. Birds' skeletons are all basically the same, one that is best adapted to the stresses of flying.

#### Birds Have Hollow Bones

A birds bones are light but strong. They are light because they are hollow. The larger bones are strengthened with a honeycomb of crossing struts, rather like the struts inside an aeroplane wing. A bird has about 175 different muscles, the biggest being those that work the wings. More than half of a bird's weight is in its muscles.

#### Flights Of Fancy

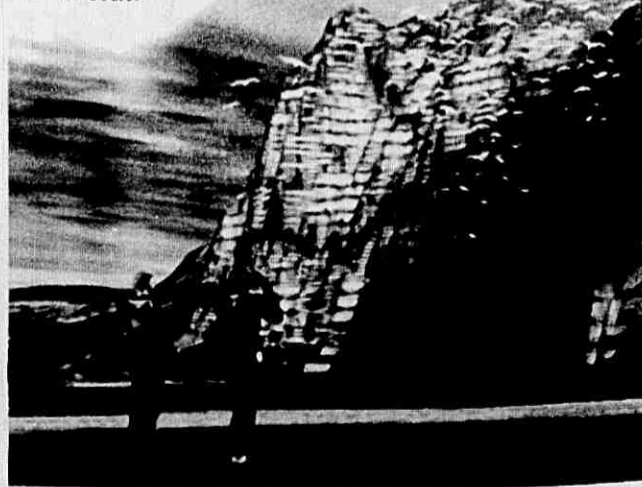

Wings are designed for different types of flight. An owl has especially soft wings to that its prey does not hear it approaching. Most sea birds have wings that are long and narrow, which are excellent for gliding. The wandering albatross has the largest wing span of any living bird. From tip to tip the average span is 3.15m (10ft 3in), which enables it to glide for long periods without flapping its wings.

#### Fastest And Slowest Fliers

Most small birds fly at about 30 to 50kph (20 to 30mph) but the fastest bird, the peregrine falcon, can reach 270kph (168mph) in a dive/ Ducks and geese are the fastest fliers in level flight with speeds of up to 104 kph (65mph). The slowest flying bird is probably the American woodcock which only achieves a top speed of 8 kph (5mph), which is roughly the same as an adult human walking briskly.

#### Feather Facts

The number of feathers on a bird varies at different times of the year and from species to species. Feathers get battered and worn by wind and rain, but luckily they are replaceable. This process is called moulting. In most birds the new feathers simply push out the old ones. Birds that live in very cold areas cannot afford to be without the insulation that feathers provide. Because of this, the old feathers are not discarded until the new ones are fully formed. The new feathers fuse themselves onto the old ones so that the bird always has a warm coat.

### DID YOU KNOW?

- A hummingbird may have only 940 feathers but a mutet swan could have over 25,000.
- The Romans used to use the flight patterns of birds to predict the future!
- Birds developed from reptiles!
- Not all birds can fly! The kiwi, ostrich, rheas, emus and cassowaries are flightless birds.
- Every years, scientists and explorers discover at least two new species of bird.
- The ancient Egyptians bred pigeons for food and to carry messages.

## Waterford Cultural Hero Remembered

The book *Duanta Aneas*, by Pádraig Ó Miléadha, will be launched by singer Ann Mulqueen as part of the annual Éigse Shliabh gCua festival on Friday 8th September at 7.45 p.m.

Pádraig Ó Miléadha was a cultural activist born in the Sliabh gCua area, devoted to promoting the Irish language and culture. His legacy endures today through his extended family, the Hallahans, who have been closely associated with the preservation and popularization of Irish dancing in West Waterford for generations.

Pádraig Ó Miléadha's daughter, Mairéad Bean Uí Aileacháin, began this work and it is continued today by her son Monnie Hallahan, and her grandson, Seán Ó hAileacháin. Monnie teaches dancing every night of the week in areas such as Newcastle, Melleray, Cúl na Sméar and Modeligo, as well as the Coláiste in Ring, and frequently adjudicates competitions. Monnie's son, Seán Ó hAileacháin, is vice

principal in Clonmel VEC and the associated Gaelscoil, and also teaches Irish dancing in Brickey Valley. And so Pádraig Ó Miléadha's influence continues to be felt, even 30 years after his death.

Ó Miléadha was a poet and a writer of the Irish Language Revival, one of the few writers who left an impression on the repertoire of the folk song tradition. His most popular song is *Sliabh Geal gCua na Féile*, which continues to hold an important place in the singing tradition in Ireland. *Duanta Aneas* is a book of his poetry, which has been out of print for many years, and so its publication will be welcomed by those interested in traditional singing and the culture of the Déise. The book will be launched by well-known singer Ann Mulqueen and takes place as part of the annual celebration of Waterford culture, Éigse Shliabh gCua, organised by Waterford County Council.

## Eleven Holiday Home Development Refused Permission

BY KEVIN KIRrane

An Bord Pleanála have overturned planning permission for a holiday home development at Ballynalahahessery South, Dungarvan.

The proposed development, planned by Kevin Barry, care of Liam Buck of Glen, Clonea, Dungarvan, was planned to consist of eleven holiday homes in one and a half storey style houses.

However, the development - which was granted planning permission by Waterford County Council - was appealed to the national planning appeals board by Anthony Roche-Nagle of 'Annabella', Ballinacourty, Dungarvan.

CONTRAVENTION

An Bord Pleanála found that the development would contravene the provisions for development in Waterford County Council's own County Development Plan, set an "undesirable" precedent for tourism development on lands zoned for agriculture and would therefore be contrary to the proper planning and sustainable development of the area.

An Bord Pleanála, in its ruling went on to say, that the proposed development, "by virtue of its design, layout and density would amount to inappropriate backland/haphazard development, be visually obtrusive and out of character in the area, and

would give rise to overlooking and general disturbance.

"The proposed development would, therefore, seriously injure the amenities of adjoining property and of property in the vicinity and would be contrary to the proper planning and sustainable development of the area," the recent ruling stated.

OBJECTION

Meanwhile, the faith of a proposed office extension to the rear of the former Kelly's Store in Mitchell Street/Fitzgerald's Terrace, will be decided by An Bord Pleanála.

A local resident, Danny Moore, has objected to the permission granted by Dungarvan Town Council for the development.

## Dungarvan Toastmasters Get Vocal!

After a long summer silence, Dungarvan Toastmasters get vocal once again on Sept. 14th in the Park Hotel, Dungarvan at 8pm.

The talkative club currently has 20+ active members, with numbers growing each season. You don't need any experience or qualifications to become a member. However, as a member of the Toastmasters Club, you will gain confidence and experience in speaking in public, thinking on your feet and taking an active part in our meetings.

You will also gain communication and leadership qualifications that are recognised world-wide.

In Dungarvan Toastmasters, we are a mixed bunch of young and 'young-at-heart'! Some are business professionals, more are young enthusiasts, some (like myself) are happy

housewives, others are active retired folk. What we all have in common is a great sense of humour, an appreciation of a good night out with friends, a desire to learn from one another and the opportunity to improve our speaking skills.

You can come to any of our meetings as a Guest - you will be under no obligation to contribute to the meeting (unless you'd like to!). Why not come along on Thursday 14th when we kick off what will surely be a promising year!

For more information, contact Marita on 087 8301486 or Anne on 087 2679713.

# THE ANCHOR SESSIONS

Last Sunday Loudest Whisper played a fantastic two-set show at the Anchor to a very receptive audience. The first half being acoustic driven, the second pure electric.

All who were there will agree that they were outstanding.

This week we mix it up again, and bring you a fascinating act called FRED

FRED are the most exciting band to come out of Ireland in a long time. The five-piece from Cork City have exploded onto the Irish music scene and now look set to launch their unique brand of high-energy odd-rock on the rest of the planet.

Like Sly & The Family Stone in a swordfight with the Flaming Lips, refereed by Brian Wilson, FRED take everything that is good about music and put it in one giant sexy-ass package. Imagine your favourite song, now imagine your favourite song cooking you dinner. That's how good FRED are.

Releasing their magnificently glorious album 'Making Music So You Don't Have To', to a sold out Opera House, the record has since brought feelings of tender-

ness and unbridled joy to all that have heard it, with some fans going so far as to say that their souls burst on listening. How can one band make so many feel this way? By bulldozing all musical boundaries that lay in their path.

From being mere cult heroes in their native city one year ago, they have gone on to appear on every radio station, TV channel

and stage in the country.

From being used as theme music on national radio and TV shows (and beyond to the world famous BBC studios) enlisting droves in the FRED army everywhere they go.....

In the last year alone, they have

played to over 20,000 people at their own shows, excluding major festival appearances. This is the beginning of something special.

Catch FRED live in the Anchor next Sunday, September 10th at 7:30 pm. Not to be missed.

The Anchor Sessions - Keeping Music Live, this Sunday, and every Sunday.

Cork City band FRED play at The Anchor this Sunday evening

### Gasóga an tSean Phobail

Tá an chéad bhliain iomlán de Gasóga an tSean Phobail tagtha chun deiridh. Bhain gach aoinne taitneamh as an spraoi agus na himeachtaí. Bhain na Beavers (6-8 bliain) taitneamh as dráma na Nollag i gCoreaigh, cuairt ar an mbád tarthála áitiúil, tóraíocht taisce san Aird Mhór, cuairt ar Marks agus turas ar an bPictiúrlann. Ar na buaic phointí a bhí ag na cubs (8-11 bliain) i rith na bliana bhí turas rotháíochta, an bonn cré-umha a bhaint amach i gcomórtas cub Chontae Phort Láirge, agus le déanaí campa cub sa Dún Mór, ina raibh báidóireacht, dreapadh agus boghdóireacht i measc na n-imeachtaí sa Dunmore Adventure Centre. Tá fás iontach ag teacht ar an líon a ghlacann páirt sna gasóga (12-15 bliain). Bhain an grúpa sult as turas sléibhe go Meillearaí, turas siopadóireachta agus scéatáil ar leac oighir i mBaile Átha Cliath, campáil i Meillearaí agus surfáil sa Trá Mhór. Míle buíochas go dtí na ceannairí don obair dhíograiseach a dhein siad agus as ucht na traenála a chríochnaigh siad níos luaithe sa bhliain. Buíochas faoi leith dóibh siúd a mhaoinigh na campaí nua, go háirithe Coiste Forbartha an tSean Phobail, Venture Store Mary St., Dungarvan Lions Club, Glanbia agus Sherry Fitzgerald.

The first full year of Gasóga an tSean Phobail is now complete and much fun and many activities have been enjoyed by each section. Our beavers (6-8 years) enjoyed especially the Christmas pantomime in Cork, their visit to the local lifeboat, a scavenger hunt in Ardmore, a visit to perks and a County cinema trip. The highlights of the cub year (8-11 years) were the cycle ride, achieving bronze in the Waterford Cub county talent contest and most recently cub camp in Dunmore East, which also included kayaking, rock climbing and archery in Dunmore's adventure centre. Finally the scout section (12-15 years) which is growing most rapidly, enjoyed a county mountain expedition, a

shopping trip and ice skating in Dublin, camping in Mellery and surfing in Tramore. A special thanks to all the leaders for their hard work and for completing the training earlier on this year. Also a special thanks to all those who contributed to the new tents, especially Coiste Forbartha an tSean Phobail, Venture Centre, Mary St., Dungarvan Lions Club, Glanbia agus Sherry Fitzgerald.

## Public Relations Course Returns To Dungarvan Due To Popular Demand

Colaiste Chathail Naofa in Dungarvan will be offering the popular Introduction to Public Relations course again this September. Colaiste Chathail Naofa ran a very successful course in Dungarvan last year. The course has been devised by the Irish Academy of Public Relations, Ireland's leading provider of PR education. It begins on 25<sup>th</sup> September and runs for 10 weeks. Upon successful completion of the course students are awarded the Academy's Introduction to Public Relations Certificate.

The course is open to all applicants and will be of particular interest to PROs of local sports and community organisations but also those who are just simply curious about the PR world! The course will give students an overall appreciation of the work that PR people do in writing press releases, organising functions, working with photographers and organising sponsorships.

The course lecturer is Ms Betty Duant, an honours graduate of the Academy herself. Ellen Gunning, Director of the Irish Academy of Public Relations and author of the book, 'Public Relations, a practical approach', will give a guest lecture during the course again this year offering many practical insights into the work of the public relations practitioner.

Those who graduate from the Introductory course are then eligible to continue their public relations studies with the Academy at Galway-Mayo Institute of Technology, UCD or UCC where they offer courses from Certificate to Post-graduate Diploma levels.

Anyone interested in the course should contact Colaiste Chathail Naofa directly.

# RECENT DEATHS

## Late Nora Moore

With great sadness we write on the passing after a short illness of Nora Moore, 11, St. Thomas' Terrace, Dungarvan on Wednesday, August 23rd at Waterford Regional Hospital.

A quiet, inoffensive person her many endearing qualities made her a great favourite. Held in high esteem, Nora was a native of Chapel Street, Boreenatra. Educated at the nearby Mercy Convent, she, like many of her era took the emigrant boat to England where she worked for some years. Predeceased by her husband Paddy in 1993 and by daughter Rita Harty in 1989, we offer our deepest sympathy to her sons Pat and Tony, daughters Kathleen, Teresa and Marian, her sons-in-law Gordon, Chris and Michael, daughter-in-law Sandra, her grandchildren, nephews, nieces, other relatives and friends.

Reposing at the Kiely Funeral Home where Canon O'Mahoney P.P. led all present on Friday evening in rosary and prayers, the removal later took place to St. Mary's Parish Church. Canon O'Mahoney P.P. assisted by Rev. Fr. Columba O'Donnell O.S.A. conducted the funeral service.

On Saturday, Funeral Mass was celebrated by Canon O'Mahoney P.P. The lessons were read by Pat (son) and Alan (grandson). Prayers of the Faithful were shared by Niamh Harty, Kelly Moore, Ciarán and Michael Kiely (grandchildren). Beautiful music was provided by Thomas and Ann Noonan and Maura Burke.

The interment followed in St. Augustine's Cemetery, Abbey-side in the presence of a large concourse. Canon O'Mahoney P.P. assisted by Fr. O'Donnell O.S.A. recited the graveside prayers and imparted final blessing.

Funeral arrangements were by James Kiely and Sons, Funeral Directors.

## Late Mary Bridget Moynihan (nee Duggan)

children, great grandchildren, brothers-in-law, sisters-in-law and many other relatives at this time.

# The Local Destination For Great Irish Music

## HOST OF TOP NAMES TO APPEAR IN CONCERT SERIES

By Kevin Kirrane

The Local Bar in Grattan Square is the destination for all Traditional music fans this winter, with a season of live concerts featuring some of the hottest names on the music circuit.

Frankie Gavin & Friends kick-off the series which will be held on the first Tuesday of every month beginning on October 3rd next.

Other names lined up for the five concert series include Finbar Furey, Begley & Murray, Altan's Mairead Ni Mhaonaigh and Martin O'Connor in what promises to be an extravaganza of good music.

Donnchadh Gough, the well-known former member of the Ring-based group Danu, and his wife, Helena, said they are excited about the line-up they have in store for the Dungarvan public.

"They're all big names in Irish music," said Donnchadh. "I toured myself for ten years with Danu, and I would meet these people on the road. I'm not meeting them on the road anymore - we're bringing to the pub."

Perhaps unsurprisingly given his background in the music business, Donnchadh introduced live traditional music to the Local two years ago. It has proven a great hit with cus-

tomers. "People are coming and enjoying the atmosphere," Helena, of the Local Bar added.

Now they are planning to build on that scene by bringing some of the greats of the traditional Irish music scene to Dungarvan with the support of the Tannery Restaurant and the Park Hotel.

The concerts each start at 8.00pm, and will be limited to one hundred customers. Season tickets are available for the five

concert series. The bar will be closed during the concert and will open again at the interval.

Tickets are being snapped up quickly and are on a first come first served basis, so the public is urged to purchase their tickets as soon as possible. Tickets are restricted to one hundred and are priced at 20 euro. A season ticket costs 90 euro. Bookings can be made at 058-48499 or call into the Local on Grattan Square and ask for Helena or Donnchadh.

award for most improved town, after increasing its marks by over twelve percent.

### RECOGNITION

"It's great for the town," Fianna Fail councillor Anne Marie Rossiter, a member of the Dungarvan tidy towns committee said.

"It's the first tidy towns competition that we have had an active tidy towns committee in the town. We've had people from the ages of ten to seventy going around collecting rubbish every week.

"I hope that this will encourage more people to join us now."

Cllr. Rossiter also praised Dungarvan Town Council's outdoor staff for the amount of work they have put in over the past year.

"It's been very obvious to see the improvement they have made. A lot of people have commented that on driving into Dungarvan that the roads and entrance into the town are both excellent.

"Next year we hope to get more crews involved, and get going on that side of it."

## New To The Beauty Place And Exclusive To Dungarvan

### DUNGARVAN LAUNCH AESTHETIC PROCEDURES

Joyce at The Beauty Place has recently acquired the services of Ireland's largest medical aesthetic group Collagenics, to offer an exciting list of treatments ranging from botox to fillers, teeth whitening and chemical peels. All Doctor administered, clinics will be held monthly where people can now book in for procedures eliminating the need to travel to the city of Cork or even Dublin. The Dublin based Doctor who attends, has vast experience in facial aesthetics and cosmetic dermatology, thus ensuring a highly skilled medical profes-

sional looking after you. More people across Ireland and particularly the South East are using botox and fillers to help keep that youthful appearance. The effects of these treatments last between 3 - 6 months for botox, used for crow's feet, frown lines and forehead lines, to between 6 - 9 months for dermal fillers. Dermal fillers is a natural based substance injected superficially into nose to mouth lines, vermilion lip border, or even into the body of lips to add volume, and definition. All clients are fully consulted prior to treatment and all receive post treatment information. Anyone wishing to book in for a consultation or treatment is asked to call Joyce's direct on 058 23644. The first clinic to be held is on 28th September starting at 3:30 pm. Limited availability left.

For anyone wishing to discuss any treatment in depth can do so by calling Collagenics Ireland on 01 6127095 Mon - Fri 9am - 5pm.

# IN MEMORIAM

**BRAY** — Second Anniversary — In loving memory of Tommy Bray, Shanbally, Cappoquin whose anniversary occurs on 6th September.

Although we cannot see you,  
You are with us night and day,  
For you we had a special love,

Death cannot take away,  
We'll never fail to think of you,  
We'll never cease to care,  
If only we could drop in,  
And find you waiting there.

(From wife Mary, sons and daughters).

**BRAY** — Second Anniversary — In loving memory of Tommy Bray, Shanbally, Cappoquin whose anniversary occurs on 6th September.

Behind the gates of heaven,  
There is someone special there,

A dad we loved so dearly,  
A dad who will always care,  
You gave us all you had to give,

Gifts both big and small,  
But most of all you gave us love,

The biggest gift of all,  
The tears in our eyes we can wipe away,

But the pain in our hearts will always stay.

(From daughter Siobhan, Peter and grandchild Clarice).

**BURKE** — Sixteenth Anniversary — In loving memory of Mary Burke, late of Knockalara, Cappoquin, who died on 8 September, 1990. R.I.P. Anniversary Mass on Saturday 9 September at 7.30 pm in St. James' Church, Ballinameela.

As down the road of memories,

We gently tread today,  
Our loving thoughts are with you

As life goes on its way,  
Time may heal the heartaches,

Like the smile that hides the tears,

But happy memories keep you close,

Despite the passing years.

(Sadly missed, always remembered by your loving husband Michael, son David, daughters Ann and Helen, daughter-in-law Colette, son-in-law Steve, grandsons Michael and Conor).

**CANTWELL** — Sixth Anniversary of Eugene Cantwell who died on August 31, 2000.

You always had a smile to share,  
Time to give and time to care,

Years may pass and tears may dry,  
But memories of you will never die.

(Always remembered by your loving father, brothers and sister).

**CARRIG** — Second Anniversary — In sad and loving memory of my dear husband Jim Carrig, late of Killeenagh, Knockanore, who died on September 12th, 2004.

God looked around His garden,  
And saw a vacant space,  
He then looked down upon the earth,

And saw your tired face,  
He put his arms around you,

And lifted you to rest,  
God's garden must be beautiful,

He only takes the best,  
Our Lady of Lourdes pray for him.

(Sadly missed by your loving wife).

**DRUMMY** — Fourth Anniversary — In loving memory of my wonderful sister Marie, late of 33 Shandon St., Dungarvan whose anniversary occurs on 7 September.

I find an old photograph and see your smile,  
As I feel your presence anew,

I am filled with warmth and my heart remembers love,  
I remember who you used to be, the laughter we shared,

And I wonder where you are now, where did you go,  
When the body is left behind and the spirit is released to fly?

Perhaps you are the morning bird singing joyfully at sunrise,

Or the butterfly that dances so carelessly on the breeze,  
Or the rainbow of colours that brighten the stormy sky,

Or the fingers of afternoon mist delicately reaching over the mountains,

Or the final few rays of the setting sun lighting up the skies,  
Edging the clouds with a magical glow.

I miss your being but I feel your presence,  
In whatever form you choose to take,

However you now choose to be,  
Your spirit has become for me,

A guardian angel on high,  
Guiding, advising and watching over me,

I remember you — you are with me and I am not afraid.

(With love forever, Carmel, Mikie, Ryan, Patrick, Amy and your goddaughter Laura).

**DRUMMY** — Fourth Anniversary — In loving memory of my dear daughter Marie Drummy, late of 33, Shandon Street, Dungarvan who died on September 7, 2002. Marie's Anniversary Mass will be celebrated in St. Brigid's Church, Kilrossanty on Saturday, September 9 at 7.30 p.m.

The golden gates stood open,  
God saw you needed rest,  
His garden must be beautiful,

He only takes the best,  
Little I knew that morning,  
The sorrow that day would bring.

The shock was great, the loss severe,  
To part with my daughter so dear,

So if you see me crying,  
Marie,

And looking very sad,  
It's just because I miss you,

And the special times we had,  
You had a smile for everyone,

You had a heart of gold,  
You left the greatest memories,

That I will ever hold.  
(Forever in our hearts — Mam and all our brothers and sisters).

**DRUMMY** — Fourth Anniversary — In loving memory of my dear sister Marie Drummy, late of 33 Shandon St., Dungarvan who died on 7 September, 2002.

**MARIE**

When the emptiness of losing you,  
Is more than I can bear,

I whisper Marie I miss you,  
And always find you there,

For you left behind your spirit,  
It guides me like a light,  
Your gentleness surrounds me,

To be with me all my life,  
So if you see me crying Marie,

And looking very sad,  
It's just because I miss you so,

And the special times we had.

(Remembered and loved always, your sister Mary Teresa, Bryan, Wayne and Shanice X).

**DRUMMY** — Fourth Anniversary — In loving memory of my dear sister Marie, late of 33 Shandon St., who died on 7 September, 2002.

Down the path of memory,  
I sadly tread today,  
My loving thoughts are with you,

As life goes on its way,  
I always think about you,  
With love and sad regret,

And those of us who loved you,  
Never will forget.

(Always remembered with love Helen and family).

**DEE** — First Anniversary — In loving memory of Teresa Dee, late of Ballymacmague, Dungarvan whose anniversary occurs on 9th September. Anniversary Mass in Colligan Church on Saturday, 9th September at 7.30 pm.

It was a sudden parting,  
Too bitter to forget,  
Those who loved you dearly,

Are the ones who can't forget,  
We often sit and think of you,  
And think of how you died,

To think you could not say goodbye,  
Before you closed your eyes,

Your life was one of kindly deeds,  
A helping hand for others needs,

Sincere and true in heart and mind,  
Beautiful memories left behind,

The blow was hard the shock severe,  
To part with one we loved so dear,

Our loss is great, we'll not complain,  
But trust in God to meet again,

Two tired eyes are sleeping,  
Two willing hands are still,  
The one who worked so hard for us,

Is resting at God's will,  
Our family chain is broken,  
Nothing seems the same,  
But as God calls us one by one,

The links shall join again.  
(Always remembered and loved by your husband Pat, daughters Laura, Sharon and Aoife and son Shane XXX).

**WADE** — In loving memory of our dear Dad, Danny Wade, late of 9 Connolly Row, who died on September 3, 1975.

Simple words but very true Dad,  
We will always love and remember you.

(Always remembered, your loving family at home and away).

**DUGGAN** — Thirty-first and Fourth Anniversaries — Precious memories of a loving Mam and Dad, Philip and Mary Duggan, late of 1 Keating Street, Dungarvan. Mary died 3rd Sept. 2002 and Philip Duggan who died on 22nd August 1975. R.I.P. On their souls sweet Jesus have mercy. No length of time can take away,

Our thoughts of ye from day to day,  
Time slips by and life goes on,

But from our hearts ye are never gone,  
As each day dawns and starts anew,

And as each day ends we think of ye,  
And in between,

No matter where,  
Deep in our hearts ye are always there.

(Sadly missed, always remembered by your loving daughter Mary Carmel, Patsy, Claire and Jason).

**HURTON** — Second Anniversary — In loving memory of a dear mother and grandmother Mary (Lil) Hurton of Coolbagh, Clashmore whose second anniversary occurs at this time. R.I.P.

Your needs in life were simple,  
Your love for us was true,  
As long as we were happy,  
You were happy too,  
You taught us many things in life,

Always good and true,  
But you never taught us how to cope,  
With the pain of losing you,  
So forgive us Lord when we weep for a mother,

And grandmother we loved,  
And wanted to keep.  
(Sadly missed by your loving daughter Eileen, John and family).

**HURTON** — Second Anniversary — In loving memory of my dear mother Mary (Lil) Hurton of Coolbagh, Clashmore whose second anniversary occurs at this time. R.I.P.

A mother's love is a blessing,  
A gift beyond compare,  
You only know its meaning,  
When you find she's no longer there,

So hold her in your arms dear Lord,  
Treasure her with care,  
For you have in your possession,  
A mother beyond compare.

Not a day goes by that I don't think of you Mam,  
It only seems like yesterday that you went away,  
I can hardly believe two years have passed,

And miss you more each day,  
When I am sad and lonely,  
And things are going wrong,  
I seem to hear you whisper,  
Cheer up and carry on,

And when I see your photo,  
You seem to smile and say,  
Don't cry I'm only sleeping,  
We'll meet again some day.  
(Sadly missed by your loving daughter Theresa).

On a grave not far from here,  
Where sleeps the one I can't forget,  
And will always love so dear.

(Always remembered by your loving family)

God's love around you flow,  
What it meant to lose you Michael,  
No one will ever know,

Some day, some time, dear Paudie,  
I will find you waiting there.  
I will know your voice in the heavenly crowd,  
And your steps on the streets of gold,  
And the same sweet smile on your face,  
I knew in the days of old.  
Your memory is my greatest treasure,  
Deep in my heart you will live forever.  
(From your loving wife, Mary.)

**MAHER** — Thirty-first Anniversary — In loving memory of my dear father, Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

A loving father most sincere,  
Loved by all he knew,  
He loved us all so very dear,  
And we all loved him too.  
But God in His mercy will give me hope,  
And help me bear the strain,  
Of the one we cherished,  
loved and lost,  
To meet in heaven again.  
As down the road of memories,  
We gently tread today,  
Our loving thoughts are with you,  
As life goes on its way.

**MAHER** — Thirty-first Anniversary — In loving memory of my dear father, Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

As time goes by without you,  
And days turn into years,  
They hold a thousand memories,  
And a million silent tears.  
You showed us love and kindness,  
You showed us how to care,  
You bound us all together,  
With a love few families share.  
Someday we will meet again,  
Where sorrow is unknown,  
We will fold our arms around you,  
And tell you we've come home.  
May the God of love be with you, Dad,  
And grant you eternal rest.  
(From your loving daughter Noreen, son-in-law Richard and grandchildren Jason and Jessica.)

**MAHER** — Thirty-first Anniversary — In loving memory of Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

A little tribute small and tender,  
Just to show we still remember,  
A heart of gold, a life so true,  
Loved and respected by all he knew.  
Always willing, helpful and kind,  
What beautiful memories he left behind.  
(Always remembered by Sheila, Jimmy and family.)

**MAHER** — Thirty-first Anniversary — In loving memory of my dear father, Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

I'm proud I was your daughter,  
I thought the world of you,  
To me you were someone special,  
You know I always loved you.  
If I could visit heaven,  
On this my saddest day,  
Maybe for a moment,  
The pain would go away.  
I'd put my arms around you, dad,  
And say those words so true,  
My life has been so empty,  
Since the day I lost you.  
(From your loving daughter Mary, son-in-law Michael and grandchildren Eoghan, Éadaoin, Kayleigh and Fionn.)

**MAHER** — Thirty-first Anniversary — In loving memory of my dear father, Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

God chose to take my father,  
He wanted one so fine,  
Oh God above, please tell me,  
Why it had to be mine.  
To know him was to love him,  
His kind and loving smile,  
To have him as my father,  
Made everything worthwhile,  
No length of time will heal my grief,  
My love for you is far too deep,  
With broken heart I whisper low,

**MAHER** — Thirty-first Anniversary — In loving memory of my dear father, Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

Behind the gates of heaven,  
There is someone special there,  
A dad we loved so dearly,  
A dad who will always care.  
You gave us all you had to give,  
Gifts both big and small,  
But most of all you gave us love,  
The biggest gift of all.  
The tears in our eyes we can wipe away,  
But the pain in our hearts will always stay.  
(From your loving daughter Catherine and son Thomas.)

**MAHER** — Thirty-first Anniversary — In loving memory of my dear father, Paudie Maher, late of 11, Murphy Place, Abbeyside, who died on September 7, 1975.

As time goes by without you,  
And days turn into years,  
They hold a thousand memories,  
And a million silent tears,  
You showed us love and kindness,  
You showed us how to care,  
You bound us all together,  
With a love few families share,  
Someday we will meet again,  
Where sorrow is unknown,  
We will fold our arms around you,  
And tell you we've come home,  
May the God of love be with you, Dad,  
And grant you eternal rest.  
(From your loving son Liam, daughter-in-law Angela and granddaughter Annalee.)

God called your name so gently,  
That only you could hear,  
No one heard the footsteps,  
Of the Angels drawing near,  
You left this world so quickly,  
We still wonder why,  
For the saddest part of all,  
You never said goodbye,  
You left us so many memories,  
To us you were so dear,  
No matter when we needed you,  
We always found you near,

To meet in heaven again.

If memories keep us closer Nuala, We are never far apart, God has you in his keeping, I have you in my heart, A date that's filled with sadness, Returns to me today, As I stop to remember you, In a very special way, No matter how my life has changed, No matter what I do, There's a special place within my heart, That's forever kept for you. (Always loved and remembered - your loving husband John).

**RYAN** — First Anniversary — In loving memory of Annie Ryan, late of Knockalisheen, Ballymacabry who died on 5th September, 2005. Mass in Fourmilewater Church at 11 am on Sunday, 10th September. Today I light a candle, And say a special prayer, I take a trip down memory lane, And know that you are there, This is your anniversary Anne, You would not want a fuss, Just to be remembered, And a prayer from all of us. **TWOMEY** — First Anniversary — In loving memory of John Twomey, late of the Grove, Abbeyside, Dungarvan who died on September 14, 2005. Anniversary Mass on Sunday, September 10th in Abbeyside Church at 12 noon.

It was a sudden parting, Too bitter to forget, Those who loved you dearly, Are the ones who can't forget. We often sit and think of you, And think of how you died, To think you could not say good-bye, Before you closed your eyes, Your life was one of kindly deeds, A helping hand for others needs, Sincere and true in heart and mind, Beautiful memories left behind, The blow was hard, the shock severe, To part with one we loved so dear, Our loss is great, we'll not complain, But trust in God to meet again, Two tired eyes are sleeping, Two willing hands are still, The one who worked so hard to us, Is resting at God's will, Our family chain is broken, Nothing seems the same, But as God calls us one by one, The links shall join again. (Always remembered by your loving wife Ann and family).

**WHELAN** — Nineteenth Anniversary — In loving memory of a dear husband and father Paddy Whelan, Ferry Lane, Lismore who died on 6th September. We sat beside your bedside, Our hearts were crushed and sore, We did our duty to the end, Til we could do no more, In tears we watched you sinking, We watched you fade away, And though our hearts were breaking, We knew you could not stay, You left behind some aching hearts, That loved you most sincere, We never shall and never will, forget you, father dear, To know you was to love you, And everyone will say, You touched the hearts of all, You met along the way. (Always loved and remembered by your loving wife Ann, children and grandchildren).

## MODELIGO SOCCER

On Sunday morning last, our new trainer Shane Reddy got his tenure in charge off to a winning start with a fine win over Glenview. In truth it looked bleak when we went down 2-0 early on, but we put in a storming second half and goals from John Coade, Denis Dalton and Paul Sheridan gave us a 3-2 win, perhaps a good omen after last year's mediocre season?

## MODELIGO A.F.C. NEWS

The start of the 06/07 league started on Sunday last and with home advantage over Glen View we were hoping for a good start to the league, but at the end of the first half we were 2-0 down and we really had to work hard in the second half to get a few goals back and not long into the second half John Coad was fouled in the box and the referee awarded a penalty. John stepped up and scored and then we started to get into the game. Then Denis Dalton made a run through the Glenview defence and he managed to find the net at 2-2 and not much time left we sealed the win when Paul Sheridan hit a long range shot to the top of the net. It was a hard battle between the 2 teams and we managed to come out on top. Off to a good start for the 06/07 league let's keep up the good work. All players will be notified for the next game.

## MEMBERSHIP

That time of year again and all players must pay their membership to Matthew Cashman before we play our third match so pay Matthew as soon as possible. Membership 20 euro. Registration 5 euro.

## FINNISK C.C.E.

It's the time of year again when our days become shorter and we look for an interest to keep us busy during the winter months so why not consider our music classes which will recommence on Thursday, 28th September in Ballinameela School. We have been holding music classes for 19 years with great success. Some members enjoy the craic of playing music in pubs while others enjoy participating in different competitions throughout Ireland so if you're interested in learning music and meeting new people why not contact Brigid at 024-96128.

A most successful county Fleadh was held in Rathgormack in May followed by a remarkable Munster Fleadh which was held in glorious sunshine in Lismore in July. Congratulations to the organisers and all who participated.

Our branch would like to congratulate our music teachers daughter Sinead Fahey on being placed first and second at the recent All Ireland Fleadh Cheoil held in Letterkenny. This is a huge achievement and something that Sinead should be very proud of. Well done!!

### NICE

Last week a man gave us a collection of cuttings that he felt might be useful to the archive. No, they were not of the planting variety!

They had headings like the First 40 Years of Irish Stamps by Jim Garry, Little Nellie of Holy God by Margaret Kelleher, Coláiste na Rinne Celebrates its Centenary by Padraig O Cuanachain. The Story of Letter Boxes by Anne Sheehan. There was cuttings on the GAA by Leo Bowes, Paddy Murray and Aidan Grennan. All in all it proves a nice addition to our various sections at the Archive.

This Sunday evening Fintan Strain will be at the Parish Office minding all the above and much more besides.

# Lismore Notes

## LISMORE CRICKET CLUB ASHRAF A CLASS APART AS UNSTOPPABLE LISMORE IN ANOTHER MUNSTER FINAL

In a stunning weekend of cricket Lismore were at their very best in defeating Clonmel to reach next weekends Munster Minor Cup Final whilst a phenomenal Sunday performance saw the defeat of Cork Harlequins in an amazing affair in Division 2. And the star of the weekend was undoubtedly Mubbin Ashraf who top scored with the bat in the Sunday clash and then took four fabulous wickets in a drama filled afternoon against the might Harlequins. More on that later. On Saturday, Lismore delivered a controlled display to defeat Clonmel and take their place in the Minor Cup Final on Saturday next versus Cork County at The Farm. Although the early rain provided a sticky wicket, the match went ahead and Lismore won the toss and opted to bat. David Campion and Richard Tonks opened affairs with Tonks putting on 6 boundaries in a fine 38 runs. William Edwards added to the tally before Killian McLoughlin set up camp at the crease and put on a superb 51 runs in an excellent display. His 51 making him the tenth batsman to score a half century for the club this season. Further runs were added by Brian Power, Jon Russell, Keith Barry and Sean Willoughby and Lismore concluded their innings on 159 runs. After a fine tea, Clonmel opened with Joe Whelan and top batsman Paddy Byrne but although Whelan found his feet and totalled 21 runs, Byrne completely misfired and was clean bowled by Brian Power. Power also lowered the colours of Meeran and Parvaez en route to 3 for 38. With no serious batting coming from Clonmel, the Lismore bowlers seemed at ease and Keith Barry (3 for 24) topped the figures with William Edwards, Jon Russell and Killian McLoughlin also featuring. Clonmel were soon ousted for a total of 86 runs and a joyous Lismore side will now face Cork County on Saturday next to decide the Minor Cup Title. Lismore will be keen to win this one as a prelude to the Junior equivalent in a few weeks time. Our good wishes go with the team in their quest for the silverware.

The team were: Sean Willoughby (Captain), David Campion, Richard Tonks, William Edwards, Killian McLoughlin, Brian Power, Jon Russell, Keith Barry, Sunil Monga, Martin Hurley, William Rotte.

Onto Sunday and a tired Lismore faced a mighty strong Harlequins side intent on gaining promotion to the Senior Division 1. The Cork outfit arrived early to the Castlefarm and put down an intensive warm up session in advance of the Lismore arrival. Captain Sean Willoughby again had

luck with the toss and opted to bat. However, Lismore looked beleaguered after an exhausting series of games and David Campion, William Edwards and Harvey Jones all put on small amounts of runs. Mubbin Ashraf then entered the fray and put on a solid 33 runs, which included four hits to the boundary. Further runs were added by Ryan Thuillier, Sean Willoughby, William Burlington, Winston Boyle and Ken Madden at the tail but the Lismore total was well short of reasonable expectation at 81 runs. After tea, Harlequins entered the arena with their tails high and intending on clobbering Lismore in quick time. However in an epic display loaded with fabulous cricket and high drama, Lismore had other ideas. Mubbin Ashraf clean bowled the Cork opener in the first over unsettling the visitors. They managed to put on some 20 runs when in quick succession, the spin bowling of William Edwards and another Ashraf missile had Harlequins reeling. Fast bowler Ryan Thuillier was well fired up and set his field to claim two further wickets before Edwards bowled and caught Reardon for a duck. Harlequins were now at the early stages of breakdown before Peet settled the innings with a solid 34 runs. This brought the total to 74 when the big breakthrough came. Ashraf roared down the crease to smash the wicket of Peet and both Thuillier and Ashraf followed shortly after with quick LBW's to leave Harlequins on the rocks. At this point, William Burlington set chase to a ball heading for the boundary and in the ensuing sprint managed to

pull his hamstring and was forced to retire. Dermot Edwards rolled back the years and joined his son in the field for the remaining overs adding to a confident Lismore. With the game finely poised, the 'catch of the century' was taken by Harvey Jones off the bowling of Sunil Monga leaving Harlequins requiring one run for victory with just one wicket remaining. However, there was one final twist in the tale as the star performer Ashraf sent down a ball of perfect precision to take the final wicket leaving Lismore winners by a single run. This sparked off tremendous and victorious scenes in the Lismore camp. It was an extraordinary day and one of the clubs finest comebacks. How pleasing too for Club President Dermot Edwards to play in a winning Division 2 side in 2006! The team was: Sean Willoughby (Captain), David Campion, William Edwards, Harvey Jones, Mubbin Ashraf, Ryan Thuillier, William Burlington, Winston Boyle, Sunil Monga, William Rotte, Ken Madden, Dermot Edwards.

Next weekend, The Minor Cup Final takes centre stage at The Farm, Cork against Cork County on Saturday and Lismore face Cork Countys Junior side in the final Division 2 game of the season on Sunday. Good luck lads!!

## JORDAN BIKE RIDE

Sunday, 27th August was a beautiful, bright and sunny day and another very important event for the Jordan Support Fund.

At about 12noon, the Bikers stormed into Lismore to help with this worthy cause. 47 bikers gathered and contributed very generously.

They travelled to the Two Mile Inn, Middleton and returned to Lismore via Dungarvan. Refreshments were served in the West End Bar and Gillian Power, Jordan's Mum, thanked all the bikers who contributed, the bucket collectors and the passing motorists and everyone else who helped in any way. Mostly 'Mixer' Ahearn and Graham Hogan who organised the whole affair and who worked very hard over the past weeks, to make it such a success.

Go raibh mile maith agaibh.

## LISMORE L.S.C. NOTES

Last Thursday Lismore played in Kilmac in the worst weather yet. The saying 'drowning rats' comes to mind, making no excuses for the result 2-0 at half time.

After half time one of the Lismore players, she will remain nameless (Imelda Landers) forgot or got waterlogged but scored a blinding header for Kilmac. Not happy with that she tried it a second time but this time she did not score.

When asked about the incident she said "no comment" to the P.R.O. but my sources at the match filled me in. (Thanks girls!)

So after all that, the full time score was 4-1, Laura Buckley scoring Lismore's only goal.

Rachel Whelan, not to be off the scoresheet was in very tough luck when she hit the crossbar.

On Sunday last Lismore ladies had a practise match against the Under 15 boys. Thanks a lot boys, so as not to show us ladies up, I will not record the score.

We will get them next time!!

Team: Tracey Kiely, Martina Landers, Imelda Landers, Claire Reddy, Emer Feeney, Claire Feeney, Laura Buckley, Rachael Whelan, Charlotte Whelan, Mairead Landers, Pauline Dahill.

Subs: Viv Uniacke, Catherine O'Donnell, Claire O'Donnell.

## LISMORE TIDY TOWNS NOTES

The results of the Tidy Towns Competition were announced yesterday in Dublin Castle. The results ceremony was attended by 12 members of the Tidy Towns Committee. While Aghrim, Co. Wicklow overtook Lismore in the Tidy Small Town category by a narrow margin, we still held on to our County Award and our Gold Medal Award status and we were only four points off the overall winner, Westport. A full breakdown of all the points will be in next week's notes as will an account of our day at the Awards Ceremony.

A very big thanks to all those involved in the Tidy Towns effort over the past 12 months.

## CAPPOQUIN/AFFANE G.A.A. NOTES

# Minor A Hurling Championship

### Cappoquin 3-7 St Olivers 0-11

This was a good game of minor hurling played last Wednesday night in Bushy Park between two evenly enough matched teams.

We started this game very sluggishly and found ourselves 0-7 to 0-0 down after twenty five minutes of play. We were finding it very hard to get a grip on the game but after Finan scored a great goal we found our feet and Ian Mason soon after goaled again so we went in level at half time on a score of 2-1 to 0-7.

We were much more in the game in the second half with some positional switches having a telling effect and when David Cahill goaled soon after

the restart we managed to maintain our lead until the end.

Team: Darren Curran, Olan Murray, Daithi Wilkinson, Killian Denn, Mark Landers, Paul Murray, Colm Looby, Shane Fives, Daragh Fives, Pat Fitzgerald, Shane Power, Joey Kett, Ian Mason, Finan Murray, Liam Coffey. Subs used: Kieran Flynn, David Cahill.

Our next game in this championship will have been played last night tuesday the 5th against Dungarvan to decide who tops the group. I will have a report on this next week.

### Club Gear

We have a limited number of club track suit tops still in stock. Please contact 087-9815558 if you are interested.

### Club Lotto

Jackpot €2,600. Consolation Prizes: Marie Walsh, Main Street, Bessie Cahill, Main Street, Kieran Reddy, Affane, Catherine Scanlon, Affane, Eileen Prendergast, Moghecha.

### Welcome Home

Welcome home to Richard Scanlon, Ballyhane. Ritchie was in New Zealand for the past year and was a big loss to our adult hurling and football teams.

### Congratulations

Congratulations to Edel Byrne, Affane and John Twomey, Ballyduff Upper who married recently in St Marys church, Cappoquin.

## CAPPOQUIN F.C. NOTES

### Premier Division Cappoquin A 2 Brideview A 2

Our first opened up their league campaign with a 2-2 draw with Brideview. 87 minutes gone in this game and it was 2-0 to Cappoquin and it looked like the points were in the bag, but with a combination

of loss of concentration and probably a lack of training we couldn't hold out. The first half was fairly even with both sides having some really good chances to score but no side could hit the target. Pat "Snoopy" Morrissey and Alan Hogan were making their league debuts and both had fine games with Morrissey's work rate up front was great and he

caused the away team's defence to be on their toes for entire game. We took the lead in the 35th minute when following a good cross David Kett poked home from close range. Half time 1-0.

Brideview brought on a few players at half time and this seemed to give them the edge in the early stages of the second half. Curley hit a perfect free kick in the 60th minute which just skimmed off the post and they always looked dangerous with free kicks to be fair. We made it 2-0 in the 72nd minute when Keith Landers made a good run up left wing and his cross cumshot went all the way to the back of the net with their keeper stranded.

The game seemed to be finishing out with us taking the points but Brideview hit us with two sucker punches in the 87th and 90th minute.

This was a disappointing finish to a game which we seemed to have in the bag but hopefully we will learn from this and hope to get back on track next week. Remember training at 8 pm on Wednesday (tonight) in pitch. No excuses!

Team: Liam Morrissey, Martin Lacey, Keith Landers, David Lenane (capt), Tim Looby, David Kett, Conor Prendergast, Alan Hogan, Pakie Manahan, Pat Morrissey, Tom Mansfield. Subs Garry Morrissey and Mike Lacey (both used).

## CAPPOQUIN ROWING CLUB

On Saturday last, Caroline represented the club and the Cork Sculling League on the Liffey for the 8th Millenium Guinness Sculling Challenge. This challenge takes place every year between the winners of the Cork, Dublin and Belfast Leagues which run during the winter.

This year Caroline had the honour of representing the Cork League, facing a tough race from Siobhan Jacob Of Commercial RC, Dublin and the eventual winner, Orlagh Duddy of Queens University Rowing Club. An enjoyable day was had and well done to Caroline for competing well against 2 of the top scullers in the country.

The club would like to thank everybody who contributed and took part in the recent sponsored row from Youghal bridge to Cappoquin. All contributions were greatly appreciated.

## CAPPOQUIN TIDY TOWNS

Cappoquin Tidy Town "Social Club" held its first outing on August 19th last, travelling by coach to Clonakilty. This town won a National Tidy Towns award in 1999. As we are only a newly reformed Tidy Town, we hoped to gather various ideas from their efforts.

During the day, we visited the Model Railway, Lisselan Gardens, Michael Collins birthplace and of course several fashion shops.

Some of us even had a little 'flutter' on Sir Monty who unfortunately did not pay our expenses on the day.

Our evening meal at Emmets' Hotel was top class, and afterwards we all relaxed with our glasses of water to listen and sing along with the resident band.

Thanks to Noreen who looked after our needs from her little green bag and not forgetting Eily who, with endless energy, kept us all singing on our way home. Many thanks to Tommy, our patient coach driver, so roll on '07 trip.

Many thanks to Betty Kelleher on her generous donation towards the tidy towns, from Super Valu second hand book sale.

## CAPPOQUIN CAMOGIE NOTES

On Monday last, our under 16 team played Dungarvan in the field. This was a very good game with some great spells of play from both teams but it was the strong Dungarvan team that came out on top.

Despite losing to Dungarvan the girls played the Western semi-final against Tallow on Saturday afternoon in Lismore.

This was an absolute cracker of a game with excellent scores from both teams and some great fight and determination from all our players. With 3 points from Elaine McCarthy we were up at half time.

Then in the second half a wonderful goal from Laura Duggan looked to win the game for us but Tallow came back

and managed to level it in the last shot of the game. So to extra time it went! An early goal for Tallow gave them the lead but even a superb point from Jessica Gavin-Johnson wasn't enough for us in the end. We lost but it was an excellent team performance with all players playing brilliantly and giving it their all!

## Dungarvan Leader - Garden Messenger For September

# Garden Harvest With Small Fruit Trees and Soft Fruit Plants

Everyone knows the value of eating plenty of fresh fruit and what could be better than getting some of it from your own garden! The boom in growing edible plants is set to continue and it's easy to see why. What could be better than picking your own fruit that you've watched maturing over the weeks? Good for body and soul, fresh fruit packed with vitamins will feed your sense of well-being and reinforce your connection with nature in a way that shop-bought never could.

Children love home-grown fruit so it's a great way of making the 'five a day' rule part of everyone's lives at home. Planting, feeding and picking are also great activities to get youngsters involved in. Even a handful of bushes or a couple of small trees will soon yield good crops with the right care. Before you know it you'll be making jams and crumbles as well as enjoying fruit fresh from the garden.

So where do you start if you want to bring this rewarding element into you garden? To begin with, you don't need acres of space. Even a balcony or patio can be home to a blackcurrant, gooseberry or redcurrant in an attractive pot for picking in early to mid summer. With a little more space to spare, raspberries and blackberries will thrive in most garden situations and can work very well along fences or against existing hedging plants. Plant later fruiting varieties such as autumn raspberries and blackberries for picking now.

Modern varieties of fruit trees don't

take up a lot of space and can be very attractive too (think of the wonderful blossom). Pears, apples or damsons (often referred to as 'top fruit') are all possibilities. Look out at the garden centre for shaped fruit trees such as espalier, cordons or fans. These can be great for dividing different parts of the garden with a beautiful and productive screen. Some apples and pears can be trained up walls and are therefore very space efficient. Remember both need a sunny position, ideally with some protection from frost.

When you go to buy your fruit trees and bushes, as well as checking soil and situation needs, look at the range and what each offers in the way of fruiting time, weight of crop and flavour characteristics. Plant breeding is such that you can enjoy many fruits for more than a few short weeks in autumn, though that's when most top fruit will crop. For effective pollination of apples and pears, (essential for a crop) make sure that you buy two different varieties that flower at the same time.

**Seasonal highlights - September**  
This is a wonderful time in the natural year. After a good summer, hedgerows and orchards are heavy with fruit and the wild creatures are busy all around us, getting ready for the harder days to come. But for now, summer's finale is there to be enjoyed.

In the garden, flowering grasses are looking fantastic, bringing with them the feel of the savannah. Perhaps if you live in a drought area the whole garden creates this impression. Welcome autumn rain will be with us soon to feed parched soils and invigorate plants.

And September means 'back to school'. If you haven't got children this makes it a great time to get out and about, to visit gardens or go on plant-buying trips, away from the crowds of summer holidays. If your family is still at home, make the most of after school to get them outside, blackberrying, gathering conkers and letting off steam after being cooped up all day.

### • BASIC PLANT NOTES • SMALL FRUIT TREES AND SOFT FRUIT PLANTS

Enjoy a 'Garden harvest' this September! Short of space? Remember that soft fruits can be planted almost anywhere including raised beds, and pots and containers for small town, balcony and patio gardeners!

#### • Growth

Apple and pear trees are available in garden-friendly sizes. For soft fruit shrubs, autumn raspberries and blackberries are very convenient and produce lots of delicious fruit.

#### • Where to plant

Any moist, but well drained fertile soil will do. Full sun is ideal for most fruiting plants, but partial shade may be tolerated. (Check when you buy).

#### • Care

Fruit trees benefit from pruning in late winter or early spring. Fruit bushes should be pruned by cutting out those stems that have fruited already. Put on plenty of mulch (manure or compost) after pruning.

## The Ailbrin Society, Youghal

As Autumn approaches, the Ailbrin Society is finalising preparations for a new season of presentations and, as ever, the line up for the year is impressive. Regular Ailbrin members will know that the society meets in Youghal on the third Wednesday of the month for September to April. The diversity of subject matter presented means that the society has something of interest for everyone. Over its 30 year history, the Ailbrin has played host to both national and international luminaries' and to much appreciated local speakers. The membership fee for the season is modest at E25 or, for those who attended occasional talks, there is a E5 entry fee on the night. New members or occasional visitors are all welcome.

This year's first presentation will be delivered by Professor John A. Murphy, Emeritus Professor of Irish History at U.C.C. and former independent member of Seanad Eireann. The lecture is entitled "A Cool Look at 1916 & All That". History is a theme to which the Ailbrin returns on a regular basis and in this 90th anniversary year, it is fitting to examine an event which is viewed by many as a milestone in Irish history. There are few who can speak with the authority of Professor Murphy on this subject and Ailbrin members are acutely aware of the honour of hosting a speaker of his stature.

Professor Murphy is probably the country's most respected Modern Irish Historian. He worked over a

long period of time with the Cork Historical and Archaeological Society and made a number of contributions to the prestigious Thomas Davis lectures. His analysis of some of the cherished landmarks and personalities in modern Irish history are sometimes controversial but they are always incisive, enlightening and, of course, scholarly. This unique presentation is at 8:30pm on Wednesday, 20th September in the Walter Raleigh Hotel, Youghal.

### FUTURE AILBRIN PRESENTATIONS

October 18th - Michael Faul, his expertise on conservation and related matters is highly regarded. He first came to the attention of Ailbrin members following a radio broadcast on wildlife.

November 15th - Ava Farrington, former lecturer at Leicester University, will give a presentation on the life and work of her late father, the painter, sculptor and pacifist, Johannes Matthaeus Koelz. Includes an exhibition and slides.

January 10th 2007 - "From Youghal to Baghdad" by Patrick Cockburn. Those who follow world affairs will be well aware that author and journalist, Patrick Cockburn, is one of the world's most respected Middle East correspondents.

21st February 2007 - Patricia Reddlich, Agony Aunt with the Irish Independent will give a talk on a subject to be determined.

## KNOCKANORE PLOUGHING MATCH

As we enter the final days of harvest, it's time once again to think ahead to the new season. As the circle of life starts all over again, the turning of the sod in preparation for sowing, marks the start of the ploughing season. Once again this year Knockanore gets the sod turning early and gets everyone in ploughing mood, prior to the National and World Ploughing Championships with their ploughing match on September 23rd with classes for all competitors.

For full details of times and venues, see next weeks West Waterford Notes.

## THANKS FOR THE CARE

As Tommy Roynane, Coolbagh continues to make a remarkable recovery from his recent illness, which requested a stay in Cork's University Hospital with treatment followed by some weeks in St. Vincent's Hospital, Dungarvan to recuperate. Tom contributes his wonderful recovery to the wonderful care which he received from the doctors, nurses and staff at both hospitals and to all of them Tom would like to say a big thank you.

## Nora Steps Out

The Walsh School of Dancing pulls back the curtains for Act 2 when Nora Veale officially returns on Friday, 22nd of September. Nora has been head of Walsh's School of Dancing since it began. Nora hands over the school of dancing to her accomplished senior dancers and life long friend Mrs. Tracey Murray. Tracey has been dancing over 30 years and has exhibited her skills in many Feiseanna throughout Ireland as a child and later as a senior dancer in America. The ethos of the Walsh School of Dancing has always been to learn to dance through fun and enjoyment and Tracey assures us that none of this will change. She will teach children the skill of dance through competitive, exhibition, set and ceili dancing, some of which they can use in later life. Tracey tells us she is looking forward to her new venture in life and we wish her all the best in the future with the Walsh School of Dancing. Nora Veale wants to thank all her pupils, past and present for all the successes you bestowed upon her and for all the wonderful memories with the Walsh School of Dancing.

## CLASHMORE/KINSALEBEG JUVENILE G.A.A. NOTES

### U-12 HURLING TOURNAMENT

We were invited to the Brickey Club to play in their tournament on Saturday. Despite the change in starting time, due to the bad weather, all players were able to change their schedules to play. We had good wins in our first matches over Cappoquin and Fourmilewater while being narrowly beaten by Brickcays in our third encounter of the day. This saw us in the position of playing Cappoquin again in the A final, and what a thriller that was. A match that could have been won by either side with very little difference between the teams from start to finish. The match ended in a draw and it was decided to play five minutes extra a side to decide the eventual winner. However, extra time did not sort out the matter as each team scored 1-2 during the extra time. At that stage, all players were tired, having played for ninety minutes and it was decided that the match would end there. Both sides were definitely winners, and our congratulations to Cappoquin for a very sporting game. Thanks to the Brickeys for their organisation of the event and for the ladies for providing refreshments at half time.

### U-16 HURLING

In the Western championship, this coming Sunday morning, September 10th we play Cois Brid at the home venue at 11:30am followed on Sunday, 17th September with a home game against Fourmilewater. This is also scheduled for 11:30am.

### U-15 HURLING

We had a good win over Youghal in the Rory O'Connor tournament on Friday evening last. While Youghal were missing a few of their players, our lads gave a great team display, and the outcome was never in any

doubt. Over the coming weeks we take on the players of St. Oliver's, Lismore and Killeagh. Details of these matches will be advised as soon as they are scheduled.

### U-15 DEVELOPMENT SQUAD

Congratulations to the five Clashmore players, Sean O'Connor, Donal O'Connor, John Prendergast, Colm Faherty and Brian O'Halloran who played for Waterford against Wexford on Saturday last. Waterford won the game with a score of 2-8 to Wexford's 3-2. It is a great achievement to have five players from a relatively small club playing for the county, and hopefully, this trend will continue to senior level in the years to come. Training continues for this team each Thursday evening in the Fraher Field, Dungarvan.

Best of luck to Clashmore Minors as they take on Ballinacourty in the knockout stages of the Championship on Wednesday evening.

### U-11 HURLING

The Town and Country League commences this week with our first match away to Ballyduff on Thursday evening at 7pm. We are playing in Division Three and will have two further matches in the initial stages, both at home against Cappoquin and An Gaeltacht.

### U-14 FOOTBALL

We played Dungarvan away on Monday evening last and despite our best efforts were unable to come to grips with the much stronger opposition who were winners by a good margin. We have two matches to play before the semi finals on 11th September and these have been arranged as follows: Friday evening, 8th leaving at 5:30pm to travel to Ballymacarbry to play the Nire and Saturday, 9th playing St. Pat's at home with a start time of 2:30pm. A busy week for all concerned.

## Health Tips from "Remedies"

### More Garlic . . .

Garlic has a wide range of disease-fighting benefits. A debate has been going on for years as to whether aged garlic extract (AGE or Kyolic) is better than high-allyl garlic extract. Compounds formed during aging of garlic exhibit significant health benefits, including immune enhancement and protection against arteriosclerosis.

Aged garlic reduces cholesterol, significantly thins the blood by inhibiting abnormal platelet aggregation, reduces risk factors by neutralizing dietary mutagens and inhibiting free radicals, helps to remove iron and other toxic heavy metals from the body, protects neurons from aging damage, boosts immune function, inhibits oxidation of LDL cholesterol, and lowers blood pressure in some people.

## Missed Opportunity For Tallow

#### Tallow 1-10 De La Salle 1-12

Without reaching any great hurling heights this championship clash between De La Salle and Tallow in the Fraher field last Friday evening was nonetheless a gripping encounter with the result in the balance right to the end. Tallow will no doubt rue many missed chances but De La Salle it was who finished stronger to advance to the quarter final while Tallow now face the all too familiar challenge of a relegation dogfight.

For me, Tallow lost this game in the first 25 minutes. Playing with the aid of a strong breeze we failed to capitalise on the possession we enjoyed. Over the course of the game we chalked up 16 or 17 wides to maybe half a dozen from De La Salle. This statistic tells its own story. Most of these wides came in the first half. Despite playing with the wind, at times the nearest Tallow forward to the De La Salle goal was 30 yards out with ball dropping in behind them and running harmlessly and wastefully wide. Ten minutes into the game we had two points on the board, a Paul Kearney free and Paul O'Brien from play, to a single De La Salle point from a Brian Phelan free.

At this stage De La Salle moved John Mullane from the corner where he was well shackled by Mark O'Brien, to half forward. This paid dividends almost immediately with Mullane and Kevin Moran delivering a brace of points each. However once Mark was redeployed to take up his man marking duties again he successfully curbed the county man's contribution for the rest of the game.

Tallow were dominating play but didn't draw level until the 25th minute following three points in succession from William Murphy, J.P. (free) and Paul Kearney. Our defence was well on top by now but we lacked penetration in attack. Our support play was poor and we were tactically naïve. When Paul Kearney or Paul O'Brien gained possession they were quickly surrounded by De La Salle defenders and didn't have the options to lay off which good support play gives. We failed to harness the significant breeze to our advantage and often took wrong options as the wides tally mounted.

With the game finely balanced, a mishit free from Craig Moloney was added to and ended up in the Tallow net. To be fair this was the only slackness in our defence for the whole game. Brian Phelan threw over another point from a long range free to leave the city

side 1-6 to 5 points ahead at half time.

In a low scoring game a four point advantage is a significant lead and it took Tallow most of the second half to reel it in.

Points from Paul Kearney, Paul O'Brien and Sean Slattery kept us in touch but the real breakthrough didn't come until substitute Billy Sheehan goaled with about ten minutes remaining. De La Salle were there for the taking, that's for sure. As the game entered the last five minutes Paul Kearney put us level with yet another pointed free. What had been a fairly subdued crowd up to this finally stirred into life with the prospect of a nail biting finish in store. The controversy that followed would remain a hugely contentious issue long after the final whistle.

As Tallow surged forward in search of the winning score, we were awarded a free around 35 yards out from the town goal towards the stand side. There could only have been a few minutes of normal time remaining when Paul Kearney stepped up to take the pressure free. Paul maybe dwelt on it longer than he normally would and didn't catch it as well as he would have liked but from my position in the stand it looked to have gone over. The referee didn't have a good view on it and the umpires were at sea before eventually signalling wide. The official with the best view was the lineman at the stand side, who is a qualified referee.

He was, I am told, of the opinion that the point was good. I've listened to dozens of opinions since on the subject with possibly 80% of these of the opinion that the point should have been awarded. It was not to be.

It was a crucial decision. The game hinged on it. It would have put us a point up and at worst we could have expected a draw. De La Salle seized the initiative immediately and put over two points to close out the game.

In truth it should never hinged on this late free as we had enough of the ball to have won by 3 or 4 points. It was a cruel blow for the players and management who have put in a huge effort to lose in this manner. We thank them for their work and dedication. They will need our full support now in their efforts to secure our senior status.

#### Trip To Tyrone

As stated last week, our club has been invited to send a team north to play at the official opening of Naomh Columcille Hurling field on October 7th. GAA president Nicky Brennan will perform the official opening. This is the first hurling field to be opened in the history of Tyrone GAA. It is an official club trip. The trip is open to both junior and senior players and committee members with priority given to players as there is limited accommodation available. Our seniors involvement will naturally depend on the scheduling of our remaining

games. All players travelling will be expected to bring club togs and socks as there will be a pre match parade. It is also recommended that those travelling acquire official club wear available at Sean Walsh's if you don't have already. Previous club trips have been very successful and we want to maintain the high standards set. We are ambassadors for our club and parish.

Coach leaving Tallow 6.30 am on Saturday Oct 7th and returning Sunday evening. We have negotiated a very favourable rate for travel and accommodation. 65 Euro will cover coach travel and hotel. All other meals en route etc. must be paid for at the time. Names + 65Euro must be given to Loretta by Sat, Sept 16th. Money can be paid in 2 instalments if preferred.

#### All Star Showing

Congratulations to local horse trainer Phillip Goulding who had a great win in Killarney with 5 Star All Star (Jack to his friends). ## Helvick Lifeboat Says Thanks

Dolores Walsh, the dynamic Hon Treasurer of the Dungarvan Fundraising Branch of the Helvick Head Lifeboat says of the recently held RNLI 12th Annual Sponsored Swim and Barbecue "I am very pleased with the response from the public, and I'd like to extend a sincere thank you to all those including local businesses and individuals, and of course the swimmers themselves, who helped make this important fundraiser for the Helvick Lifeboat such an enormous success.

"So far, figures indicate that we have surpassed our financial targets of previous years. And I'd like to remind the few swimmers who have not done so, to hand in their Sponsorship

Cards as soon as possible in order that we may total our final tally".

The local media also played a pivotal role and the huge crowds who attended are testimony to this fact.

Apologies to Maurice Fahey Coach Hire for inadvertently omitting him from the list of sponsors.

To keep each crew member fully trained costs around €1300 per crew member, per year. Our volunteers provide their courage and dedication free of charge so it is our duty to make sure they have the best equipment and training possible to do their job - and come home safely. # Dungarvan GAA Club Notes

## JUVENILE CLUB NEWS

**U-8s and 9s Hurling** — This Saturday our young hurlers head for the City to take part in the Annual Roanmore Hurling Tournament. This is probably the best organised tournament in Munster for this age group, or indeed any age group. Great credit is due to Roanmore and in particular Liam Cheasty for the work they put into making it such a success. Club representation spreads all over Munster and indeed parts of Leinster.

Basically there are two competitions, one for U-8s and the other for U-9s. They are both on Saturday after dinner in the Roanmore and De Le Salle club grounds and the boys and girls will be notified of departure times. We are hoping that as many parents with cars can travel on the day as we may need them to carry a few kids.

**U-12 Div. 1 Football Western Final** — After progressing through the League section with an unbeaten record, and hav'n beaten Clashmore in the Semi Final, it was with up beat optimism that we made the short journey to the Fraher Field last Tuesday evening to take on St. Pats in the Div. 1 Western Final.

Having already beaten St. Pats in the league section, the boys knew that over confidence was not an option and they decided from the throw in that they weren't going to slip on this potential "banana split". A couple of early goals settled any pre match nerves and with the wind at their backs in the first half they build up a handsome lead of 3-9 to 1-1.

To St. Pats credit they came out all guns blazing at the start of the second half and brought themselves right back into the game with a brace of goals. Despite their continued credible efforts, our defence managed to hold strong and we ran out comfortable winners on a score line that flattered, to say the least, of 6-12 to 3-6.

Craig Barry was Dungarvan's "man of the match" making some fine saves time after time. At one stage he made a triple save from point blank range. We were also well served by Gavin Power, Cathal Curran, Patrick Curran and Ryan Donnelly.

**U-12 Div. 1 Football County Final** — Our U-12 footballers are playing in this years U.12 Div. 1 Final this Friday night in Walsh Park. We are waiting to see who the opposition will be as the Eastern Final between De Le Salle and Tramore, which was due to take place last Saturday morning, was rained off.

If the boys can pull this off they will be the first team to win the double at this age group having already secured the U.12 Hurling Title. Best of luck to the lads.

There is a possibility that the game may not go ahead on Friday, due to the Eastern Final not going ahead, but as it stands when penning these notes that's the date we have been given. All I can say is to keep in touch with Club Officials or mentors for updates later in the week.

**U-14 Div. 1 County Football League** — Our U.14 footballers faced one of their tougher tests on Monday night last against Clasmore at our own Club grounds. Clasmore have been somewhat of a "bogey team" to us over the past year or so and it was with the greatest of caution and preparation that the lads approached this one. The right attitude from the start proved to be all important as we pulled off a comfortable win in the end, despite labouring a bit in the second quarter of the game. With one game to play in the league against Ballinacourty we are unbeaten to date and are guaranteed a Semi Final spot at least. A win against Courty will put us straight through to the Western Final so it's important that the boys are up for this one as well. They too are unbeaten to date.

**U-16 County Hurling Div. 1 Semi-Final** — Last Saturday morning our U.16 hurlers took on a well fancied Mount Sion in the County Semi-Final at a rain drenched Lemybrien venue.

The early start time of 11.00 seemed to have an adverse effect on a lot of our lads during the opening quarter. Of course the poor weather conditions didn't help matters much but to be fair to both teams the standard of hurling was pretty good.

The early exchanges were pretty even, with Mount Sion picking off some nice points. It took a goal from our boys to keep in touch and keep us within striking distance of them at half time.

On the re start Mount Sion took control of the game and opened up a five point gap, which they managed to hold onto going into the last ten minutes of the game.

With the writing on the wall and the prospect of this bunch of lads failing again at the hands of Mount Sion to reach a County Final, things started to turn in our favour. A couple of astute side line changes saw our lads come alive, particularly at midfield where Kenneth Moore showed a lovely touch. Two or three un answered points brought us to within two and then the game was blown wide open when Liam Ryan just back from a nasty hand injury rounded the full back and dispatched the sliotar to the net.

This gave us the lead for the first time in the match and things were looking good. In fairness to Mount Sion though they weren't giving up easy and they fought back with a brace of points to go ahead again. A long range "pressure free" from ace free taker Cormac Curran was sent high between the uprights to level the game again and with injury time running out none other than the industrious Mikey Burns collected the sliotar about forty yards out near the side line, soloed into position and tossed it over the bar to send us into the final which takes place next Monday.

This was a great result for the boys and their back room team of team Manager Ciaran "Jack" Curran and selectors Pat, Pele, Tommy and Alan.

Bearing in mind that this

team lost an U.14 County Semi Final to Sion two years ago by a large margin and Mount Sion had already beaten the lads by fifteen points this year in the group stage. What a turn around? Well done to all concerned but I'm absolutely sure that collectively they will realise that they need to go on and finish the job. They all have tasted defeat in Finals and no group of players deserve better to come out on the right side of a final result. Fingers crossed it will be this year.

## U-16 COUNTY HURLING DIV. 1 FINAL

All roads lead to the Fraher Field next Monday evening when our U.16s take on none other than Ballygunner in this year's Div. 1 County Final. Ballygunner overcame a strong Passage team in the Eastern Final and coming into the Final as the County Champions of two years ago at U. 14, they will be red hot favourites.

That said the lads have already taken a couple of well known scalps this year and won't be going over to make up the numbers. I am appealing to everyone to get over to the Fraher Field and support this very dedicated bunch of lads. The almost "Home advantage" and a big support would definitely give us a two point start in the game. The rest will be up to the boys but I suspect they won't be found wanting.

**Juvenile Club Collection** — I would like to thank, on behalf of the Juvenile Club, all those people who supported the Club in our Annual Collection last weekend. This is a great source of revenue which is pumped directly into our Juvenile Teams for items such as equipment and Expenses for buses etc etc. I would also like to say a big thank you to all the people that collected over the weekend and in particular the boys and girls that collected around the town on Saturday.

## ADULT CLUB

**Minor Hurling** — Our Minor hurlers took on Cappoquin in their final game of the group stages of this year's League Style Western Championship last Tuesday night. This game was due to be played some time ago but was deferred due to be-reavement in Cappoquin.

The situation now is that both teams, having won all their respective games to date, find themselves in the enviable position of at least qualifying for the Western Semi-Final, irrespective of the result. However, both teams will be going all out for the win as it will give them a right of passage to the Western Final, with the losers having to face Abbeyside in the Semi Final. Full report on this match next week.

## INTERMEDIATE FOOTBALL

Our adult footballers took on St. Mary's last Saturday night in the second round of fixtures in this year's league style championship. The venue was Colligan and as usual the pitch was in excellent condition. With a large panel to pick from, the team Management went for a blend of youth and experience and dominated the early exchanges. However, a goal from St. Mary's quickly cancelled out a lot of hard earned scores

from our boys to level the game. Worse was to come as St. Mary's waltzed in through a much maligned Dungarvan defence to score a brace of goals and leave our lads stunned. To their credit though, no one panicked, and slowly but surely they closed the gap to one point by half time when the score line read Dungarvan 1-5 St. Mary's 3-0.

The introduction of Paul "Bonzi" Power at the start of the second half set the foundation for a convincing win as time and time again he, along with Trevor Mahony, drove at the St. Mary's defence to set up tree goals and a feast of points. This was a very good workmanlike performance by all concerned and the level of commitment and determination was encouraging to say the least, this was epitomised by the performances of the youth full Gavin Crotty, who time and time again proved why he is a player for the future and also the seasoned campaigner David Burke who, like a good bottle of wine, seems to be getting better and better as the years roll on.

Well done to all concerned on a fine victory which automatically qualifies us for the Quarter Finals. Our last game is against the Brickies on Sunday night next and this will be a good test as to where we are at as they have been the team to beat in the west over the last number of years.

## SPEEDY RECOVERY

The club would like to wish Conor Murphy a speedy recovery from a nasty head injury that he picked up against St. Mary's last weekend. Conor's enormous level of enthusiasm and tenacious defending had added greatly to the team since arriving at the club this year and is certainly a great asset — I'm sure that his father-in-law Paddy Fitzgerald will have him back playing A.S.A.P. Well done Conor on a fine individual performance and by the way — welcome to "Intermediate Football in Waterford".

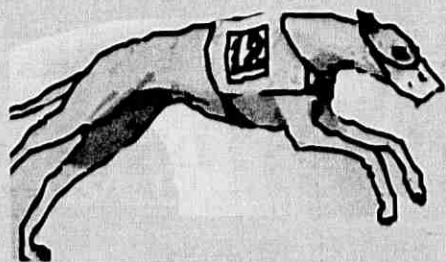

## CONGRATULATIONS

The Club would like to wish Bobby and Sandra Lyons many sleepless nights ahead following the arrival of a beautiful baby girl last week. (Thank God she didn't get her fathers looks!). Bobby, a former member of our early 90s "Three in a Row" team, is currently managing our Intermediate Football Team and with a 100% record to date, it looks like his going to have a busy time ahead of himself over the next couple of months. However, I have no doubt that his wonderful and understanding darling wife will continue to support him in his efforts to bring senior status back to the club. Of course he might have to do a lot of night feeds as a trade off! Sandra herself is no stranger to football management and at one stage was heavily involved in Ladies Football in Dungarvan.

## LADIES FOOTBALL

The ladies Junior Footballers take on Kilmac on Saturday next in the County Final. The venue is Lemybrien with a throw in time of 3.30 p.m. All support will be much appreciated.

## Shaneboy Ciara Did It In Style

There were two finals down for decision on this ten race card. In the first of these a novice event kindly sponsored by Eamon O Donovan of the Treanaree Kennels only four runners went to traps. Impressive semi final winner Shaneboy Ciara (Premier County-Shaneboy Ruth) was a warm order at 4/6 and she duly delivered for owner Esther Kiely and local trainer Peter Cronin. Not that well from trap three the favourite sprinted into a first bend lead as Arkays May charted a middle course on the run up. Once in front Shaneboy Ciara was never in any subsequent danger romping to a five lengths success over kennel mate Dairyland Oscar in 28.94. Arkays May stumbled at the third bend in this final when disputing second place with Dairyland Oscar.

The opening race of the session was also confined to unraced types and displaying a nice blast of early pace from trap two the John Murphy owned and Eamon O Donovan trained Montos Kelly (Montos Carhumore-Montos Tricks) 6/4 made no mistake posting an all the way success in 28.97. Ashfield Best chased the winner throughout but Montos Kelly was not slowing down up front winning out in the end by two lengths.

In a 300-yard sprint the Pat Walsh owned and Jude Hennessy trained Fantasy Rocket (Sineads Rocket-Fahee Tiny) the 4/5 favourite made short work of the opposition leading all the way in 16.41. Breaking smartly from trap six Fantasy Rocket was always travelling like a winner up front and despite favouring the outside route Fantasy Rocket went on to beat the first timer Snodgers Pride by three lengths.

In the third contest over the standard trip the Ned Ryan owned Kellsboro Black (Teds Jo-Sauvage Dancer) 5/2 dashed up the inside of the front running Chloes Jig at the third bend and while Fahee Agassi finished full of running from the rear of the field Kellsboro Black held firm to score by a neck in 29.65.

Races four and five were the final of the Frank Quinlan Memorial A5 event. Micks Babe came away smartly in the first semi final but she was unable to march the early pace of the Seamus Keams's owned Horatio Nelson (Roanoke-Springmount Doll) this 2/1 shot forging into the lead at the entrance to the back stretch before racing on to a well deserved two lengths victory over Micks Babe in 29.43.

The second qualifier produced a very easy winner in the shape of the Patsy Larkin and George Frisby owned Alex (Rapid Ranger-Miss Forbes) this 7/4 favourite steamrolling over the opposition in a fast 28.79. Utilising his early pace to perfection Alex left first bend crowding in his wake to run out a clear cut nine lengths winner over Ballyheist Star with a badly hampered Sparta Bluebell back in third spot.

Local owner Harry Boyle kindly sponsored a twelve-dog A6 event. In the first qualifier Confident Peggy was despatched as the even money favourite and while the favourite broke well it was the Anna Hearne owned October Dusty (Honcho Classic-Nice Nancy) 3/1 who forged into a second bend lead on the wide outside. Try as she might Confident Peggy could not reel in October Dusty who stayed on well to protect a two lengths lead in 28.98.

Miracles do happen in greyhound racing and the second semi final is living proof of this statement. Having been knocked over on his debut in June of this year in Harolds Cross the J Murphy and J Walsh owned and Liam O Donovan trained Great Ashs (Daves Mentor-Farnans Moyne) trialled back in at Harolds Cross on August 21st clocking a slow 30.94. Eight days later in Kilcohan Park this transformed evens favourite whizzed around in 28.87. It proved all too easy for Great Ashs who led early on from Sophies Pride before beating a slow starting Mays Twotone by four lengths.

Bill (Ballyneale) Phelan kindly sponsored the final of the Wacky Apple A7 decider. The Sean Doyle owned and Patsy Sutton trained Indian Gerrard (Droopys Rhys-Kirkland Dawn) 5/4 bounced back from a bout of kennel cough to sluice up in the final in a career best time of 28.93. Cruising into a second bend lead Indian Gerrard made the long break for home ahead of the fast starting Honcho Song. A winner over six bends August 04 whelp Indian Gerrard was not going to loose out in the stamina department as he went well clear over the final two bends to run out a facile seven lengths winner over Honcho Song.

The concluding 550-yard contest was a good betting heat. The reserve Jeffys Kavanagh held the early call but gave way on the run to the third bend to track newcomer Changeplanex (Tinlough Jerry-Ballybrazil Ruby). Owned by the Ballyhigh Three Syndicate and trained by Jim Duggan Changeplanex 3/1 stayed on strongly from that point home to run out a four lengths winner over a running on Skyview Black in a fast 30.02.

## Cloudy Night Shone Brightly

The feature event on last Friday nights eleven race card was the final of the Stonemasons A3 marathon stake and while Distant Darkie was backed down from 3/1 to 1/1 it was the other even money shot Cloudy Night (Droopys Hewitt-Monalue Lady) who dashed into the lead from trap five to make every stride a winning one in 41.06. Shooting clear of Herblain Classic and Muinteoir Maeve the Thomas Coleman owned Cloudy Night was never in any

danger of defeat breezing in all of eight lengths clear of Tag Along Rosie.

Racing opened with a victory for the Kelly Ryan owned Kellsboro Best this Sept 04 son of Teds Jo ex Sauvage Dancer making every post a winning one in 29.84. Leading early on from Fly Phantom and Shes A Cooper Kellsboro Best went on to account for a running on Tidy Sal by three lengths.

There was a tight finish to the second race where Tinrah Jo held the call throughout over Wilmor Lad but coming with a late drive the Alan Crawford owned and Patrick Butler trained Westpoint Boy (Climate Control-Clune Soprano) (took a walk in the market from an early show of 6/4 out to 3/1) pounced virtually on the winning line to triumph by half a length. Time 29.32.

Two Wexford owned greyhounds fought out the finish of the third contest. Brave As Incha and Eldan Honcho fought out a real head to head clash up front but this pair were outpaced running down to the third bend by the slow starting debutante Makosi. Makosi 4/6 failed to last out the pace up front however as the Tommy Woods owned and Sean Jennings trained Brave As Incha (Haliska Hilander-Altess Academic) 3/1 came back for more to outstay Elldan Honcho by one and a half lengths in 29.54.

Coming in from the panel of reserves the early paced Kilbunny Vieri made a gallant attempt to lead all the way in the fourth contest over the slightly longer 550 yard trip and while he saw off the back stretch attention of Mags Sunshine "Kilbunny" was nabbed up the home stretch by the wide running Tinahue Spirit this May 2004 son of Droopys Rhys and Lisnackill Vicki finishing strongly for owner John Fox to land the spoils by a length and a half in 30.70.

Posh Doll 5/2 to 1/1 was backed as if defeat was out of the question in the fifth contest but she missed the all-important break. Both Blue Cookie and More Cool went up smartly to the first corner but the pair bumped at that point. Tracking cleverly the Christina Murphy owned and Patsy Sutton trained Isabellas Pet (Droopys Rhys-Kirkland Dawn) 3/1 switched her challenge over to the rails. Easing her way to the front Isabellas Pet began to draw clear down the back eventually beating More Cool by six and a half lengths in a best ever 29.14.

Races six and seven were semi finals of the Tote Intertrack A4 Marathon stake. For a long period in the first semi final Haliska Rufus dictated matters up front from Minnies Misaro but coming with a solid late effort the Mark Keogh owned and Mikey O Reilly trained Curlew Markie (Droopys Woods-Lukes Honey) 2/1 gradually hauled in the leaders and taking the shortest route home Curlew Markie went on to hold the flying late challenge of Askasilla Park who tasted defeat by a neck in 41.77.

The Kay O Donnell owned and Shem O Donnell trained Cut The Corner (Franks King-Come On Roisin) the 6/4 favourite made a first effort over six bends a winning one justifying favouritism in the second semi final to win out in 41.74. Led for three quarters of the trip by Glenske Sky Cut The Corner cruised into a fifth bend lead on the fence before easing her way clear for a five lengths defeat of Glenske Sky.

In the ninth contest the Dennis O Connell owned and Frances O Donnell trained Mardocs Fergie (Premier County-Toss Tulip) 5/2 came from last to first to triumph in 29.15. After a tardy start Mardocs Fergie was forced to observe from the rear of the field as the early paced Hows The Lack motored into a four lengths back stretch lead over the chasing pack. Making eye catching late headway however Mardocs Fergie took the long way home and finishing with a flourish on the wide outside Mardocs Fergie went on to win a shade cosily beating a hampered Danesrath Prince by one and a half lengths.

Pon Me Word set a hot gallop in the tenth race leading early on from the close running pair of Glenberrie Sweep and The Other Kee but producing the superior dash of finishing pace the Phil Holland owned Glenberrie Sweep 3/1 swept into the lead close home to beat Pon Me Word by one and a half lengths in a fast 28.97.

The concluding race of the session produced the fastest return of the night with the Michael O Connor owned Whitefort Dali (Droopys Kewell-Whitefort Sal) 5/2 storming home to triumph in a fast 28.87. Led for a long way by the early paced Schofield Ben a strong running Whitefort Dali finished full of running to collar Schofield Ben and deservedly score by two lengths.

## Savana Highlands Just Keeps On Winning

UK owner Kevin Baker and Portlaw based trainer Dave Maltby Baker have a smashing young dog on their hands at present namely November 2004 whelp Savana Highlands and this black son of Droopys Kewell and Valentia Mist turned the final of the Tote Intertrack A2 stake into a procession making every post a winning one in an excellent 28.42. Exiting trap four as though his life depended on it Savana Highlands bounded into an early lead over Too Son and

maintaining a steady gallop up front Savana Highlands came home all of six and a half lengths clear of Too Soon.

Local owner Heather Molloy kindly sponsored the final of the Home From Home Boarding Kennels D3 Marathon stake. You don't see to many greyhounds sired by Roanoke winning over six bends but the Paddy Shanahan owned Cash For Kate ex Ambleside Amy relishes a test of stamina and this 5/2 shot came from well off the pace on Saturday night to oblige in 41.19. Varra Homer cut out the early running and was only headed off the sixth bend by Toby Blue. Forced to deliver her challenge however on the wide outside Cash For Kate finished with a flourish to outstay Toby Blue by a length. Young teenager Patrick Shanahan played a major role in the training of his grandfathers greyhound Cash For Kate and his endeavours were rewarded with last Saturday night's victory.

County Wexford owner George Roche underwrote two finals under the Up Wexford banner. The first of these confined to A3 types saw the Mike Furlong owned Fancy Euro (Droopys Woods-Bally Dawn) 2/1 produce a nice early paced performance to oblige in a fast 28.86. With the probable favourite Clondoty Wayne a non runner Fancy Euro did well to make the first corner on the rails and while Piston Warrior kept tabs on the winner down the back stretch Fancy Euro saw the trip out well to account for Alanamoon by four lengths.

The final of the Up Wexford 550 yard A2 event produced a real thriller. Marwood Merson and Very Bad Tonight locked horns throughout and it was only in the dying stride that the Thavornian Syndicate owned Marwood Merson (Droopys Merson-Gloun Spirit) 3/1 emerged victorious for trainer Davy Morris by the minimum distance in 30.12.

Racing kicked off with five first round heats of the Kevin Mahony Auctioneers A4 Stake.

Heat one-Montos Runaway was sent off the 2/1 favourite to capture the opening qualifier but he stumbled on the run up. Kenwood Magic eased herself into a back stretch lead over the always prominent Greyfarm Prinsen but renewing her challenge in the closing stages the Caitlin Orum-Olesen owned Greyfarm Prinsen (Jamella Prince-Miss Muggins) 3/1 got back up for a neck success in 29.25.

Heat two-Making maximum use of his early pace the Jim Treacy owned and Tom Power trained Crokers Dragon (Roanoke-Honey Princess) 4/1 broke like a bullet from trap five to lead all the way in a fast 28.92. Our Oasis chased the winner throughout but there was no catching the strong running Crokers Dragon who won out in the end by four and a half length.

Heat three-Erics Tigger set out to make all the running in this qualifier but track newcomer Lou Lighting (Nod Mac-Kilkenny Game) 5/2 was always on the premises and staying on nicely the Lulu O'Brien owned and Martin Leahy trained Lou Lighting came through well in the closing stages to triumph by half a length in 29.33. The winner a Feb 05 whelp has now three wins under her belt from just four race outings.

Heat four-Ashfield Best 3/1 came away smartly her but was joined around the second bend by Cloncunny Jo. Relay joined in the action down the back stretch but it was the JJ Scully owned Cloncunny Jo (Larkhill Jo-Noan Hope) 3/1 and Raymond Dowling owned and Paul Kiely trained Ashfield Best (Just The Best-Ochanid) 3/1 who went on to run a dead heat in 29.12.

Heat five-The concluding qualifier produced a 4/1 winner with he John O Mahoney owned Kilbunny Kewell (Droopys Kewell-Adravilles Honey) doing the business in 29.25. Stretching clear from a slow starting but early paced Sycamore Matt Kilbunny Kewell went on to defeat Kishlawn Eagle by a cosy three lengths.

Jimmy Spot On led for four bends in the sixth race but it was the David Larkin owned Aclamon Woods (Droopys Woods-Rocklands Sally) 3/1 who produced the superior dash of finishing pace to outstay Jimmy Spot On by one and a half lengths. Time 29.03.

In the final race of the night County Galway owner Denis O Connell combined with his trainer Frances O Donnell to score with 3/1 chance (14/1 on the Tote) Mardocs Ronaldo in 29.00. Mardocs Ronaldo worked really hard to lead in the first quarter of this contest from Aphrodites Hills and Tinahue Spring and while Aphrodites Hills stayed on well at the finish Mardocs Ronaldo kept on dourly to last out by half a length.

The 3rd annual Ger Wyley predict your time Team Time Trial Competition concluded last week with a great turn out of seven teams once again. Team D were closest on the night being within 13 seconds of predicted however overall honors went to Team B of Tony Murray, John Flynn, Ray Dwyer and Dane Power. The results follow. Thanks must go once again to Noel, Michael, Eddie and Pádraig for sign on, time keeping and results calculation. Without such help we could not hold such events.

### CLUB CHAMPIONSHIP TIME TRIAL SPONSORED BY NEW IMAGES HAIR SALON TONIGHT

Nicola Dee of New Images Hair Salon has kindly offered to sponsor this new event. Tonight sees Dungarvan Credit Union

Cycling Club Members competing over a 5km course along the Cappoquin road. Sign on is at 6.30 at Fraher Hire opposite the Master McGrath. Cyclists will be allocated Grade A, B or C (cyclists may feel free to upgrade themselves!) and prizes (only Dungarvan CC members are eligible for prizes) awarded at the AGM for each division. Fastest overall will also be presented with a new perpetual cup.

This event and cup will hopefully follow on from previous such cups, one of which is held in the Waterford County Museum and dates back to 1869! This was awarded to one Richard Edward Brennan in the "Four Miles Bicycle Race at Dungarvan, September 1869". He apparently was the postmaster of Dungarvan and won the cup for 3 consecutive years. The event was hosted by The Dungarvan Ramblers C.C. It is thought this event was the first of its kind in Ireland or Britain and also that Dungarvan C.C. is the oldest Cycling Club (though not continuous) in Ireland.

Rory Wyley, Club President, Pádraig de Búrca, Chairman and William Whelan, Chairman Dungarvan Museum Society. Pictured are the original 1869 Dungarvan Ramblers Club Cup, and the new DCC Cup which will be competed for tonight.

## DUNGARVAN / SOUTH TIPPERARY MS CYCLE

This annual event takes place this year on Saturday September 9th and Sunday September 10th. Saturday details as follows: Assemble Saturday at the Park Hotel at 10.00am. The route is Dungarvan, Kilmacthomas, Carrick, Clonmel (where we will break briefly for drinks and a mars bar) then directly back to Dungarvan for showers and light refreshments. In previous years we have had a tremendous turnout from our members and friends, and we ask you once again to participate in large numbers to ensure the success of the day for this very worthy cause. Bring a donation with you and the hat will be passed around. Anyone feeling that 60 miles will not be within their capability need not worry, as there will be lots of options on the route.

Sunday sees a group of Clonmel cyclists leaving there at 9.00am. Dungarvan cyclists will meet in the square as usual at 9.30 and cycle up Colligan to meet them then heading toward Cappoquin, The Vee, Clogheen, Newcastle where the two groups split and head for home.

### WEEKEND SPINS

Considering the damp weather at the weekend, good groups of cyclists were still out. Preparing for the end of season trip were Pádraig de Búrca, Eddie Moore, Justin Coonan, Francis Barry, David Cummins, Mark Power (Ballinroad), Frank Browne, Liam Rossiter, Tony Murray, Keith Radley and Pat O'Driscoll.

### BEGINNERS GROUP

The Dungarvan Credit Union Cycling Club Beginners Programme has been a great success this year. It is worth noting that those who started as beginners in the earlier months of the year are now completing up to 50 miles on Sundays with the regular group. These beginners started with spins of less than five miles at a pace to suit them. This programme has finished now that our main season is drawing to a close but plans are for it to resume in 2007... so, get the bike out if you have it in the back of your head to make a start. You will be given plenty of advice and encouragement, and you will not be asked to overextend yourself!

### END OF SEASON TRIP

Plans are now complete for the Club Trip to Killarney on the weekend of the 16th and 17th of September. Members will cycle down on Saturday with partners joining up in the evening for dinner and a night out. Hotel Bookings are confirmed at The Arbutus for a DBB package. The Hotel is located in the centre of Killarney within walking distance of everything. Deposits of €50 have been taken and places are almost full. Anyone interested in the remaining place should contact a Committee member.

### CLUB WEBSITE

Don't forget the club web site [www.dungarvancyclingclub.org](http://www.dungarvancyclingclub.org). We wish to extend our thanks once again to Frank who keeps the information up-to-date. Results of all competitions this season together with photo archive are there. We are at present working on a short history of the club. Watch the site!

# Dungarvan Hillwalking Club News

Now that the Comeragh Crossing is parked for another year, with €15,000 raised for local good causes, there is a distinctly end of term feel to proceedings in Dungarvan Hillwalking Club. Several long standing members of the outgoing Committee have indicated their intention to make way for new blood this year, so there is plenty of opportunity for members with new ideas and energy to make an impact on the Club's next ten years. The Annual General Meeting will take place on Tuesday October 3rd, at 8pm, in the Park Hotel, Dungarvan. All members are invited to attend and new members are especially welcome.

Following substantial increases in MCI fees, the outgoing committee has recommended that membership fees be increased for the coming year (1st November 2006 - 31st October 2007) to €40 per person, €35 for any additional adult family member, €12 for each youth family member and €10 for members of MCI affiliated clubs.

Bon Voyage, or more precisely, Boa Viagem, to all those heading for Praia de Rocha, Portugal, on the annual overseas club trip. Departing on September 24th the group hopes to catch the last of the summer before returning just in time for the AGM!

Highlights on the walks calendar this month include the Club's participation in the Seamus Wall Memorial Walk on September 10th. Seamus was a driving force in the development of the Nire Valley as a walking destination until his untimely death. The event has a novel format in that various walking groups will each set out on their own chosen route, converging on The Gap at 3pm, before returning to the Nire Car Park, where transport to Ballymacarby for refreshments is laid on.

Not many walking clubs would aspire to having The South Pole as a destination for a Sunday walk, yet that is exactly what is scheduled for October 1st. Cynics might suggest that the reference is to the eponymous Antarctic explorer, Tom Crean. However, with the intrepid Michael Fitzgerald leading the way, you never know.

Walk Leaders for the coming month include: Ray Bradfield; Mary Dunford; Michael Fitzgerald; Tom Fitzgerald; Helen Morley; Jo Mullen; John Neylin; Donal O'Mahony and Billy Sheehan.

Scheduled walks for the coming month are as follows:

10th September	B+	0900	Galtys
	B	1000	Comeraghs
	C	1400	Melleray
17th September	B&B+	1000	Comeraghs
	C	1400	Killineen West
24th September	B+	0900	Mahon Falls
	B	1000	K'meadowns
	C	1400	Mauma Road
1st October	B&B+	0730	South Pole
	C	1400	Cunnigar

Meeting point for walks is the taxi-rank near Permanent TSB, 10 minutes before walk time listed. No boots no walk.

Winners: Michael Murray and Martin Leahy

Runners-up: Willie Hanover and Derry Vereker

Senior Men's Singles:

Winner: Michael Murray

Runner-Up: John Donovan.

On the Saturday night a Barbecue was held in the club. Everyone was loud in their praise of Connie and her team who provided such fantastic food. This was followed by a disco, where players danced until the early hours. Many could still be heard in full voice long after the DJ had gone home. A great night was had by all.

A tournament such as this could not be held without the generous sponsorship of Seamus Guinan of DUNGARVAN CHEVROLET. Seamus presented the winners with fantastic prizes of crystal for which the club is very grateful.

The tournament director Niall King with the help of Ger Cusack and Bernadette Sheridan are to be congratulated on organising and running such a successful tournament. The games went off without a hitch and all participants were very complimentary of Niall and his team.

Throughout the weekend there was a constant supply of sandwiches cakes and drinks available in the kitchen. Many thanks to all the members who volunteered so readily to work in the kitchen. A special word of thanks must go to Maria Kiersey who was up at the crack of dawn on Sunday providing much needed cures of delicious Fry-Ups for all.

The Clubhouse looked great during the weekend so a special thanks to Fás workers Kieran Whelan and Pakie O'Brien who went beyond the call of duty to ensure everything was in good working order and the Club was spotless.

Finally a word of thanks to Ger Enright and his staff in Spar and Pat O'Brien and staff in Minnies for their continued support of the club. We look forward to another very successful Vet's weekend next August.

### INTER FIRMS

The next tournament of the season will be the Inter Firms. This will be in early October. This is always well supported and is a great way to see if you would like to take up tennis and have a bit of fun at the same time. Local firms, businesses and organisations will be informed of the dates for this. Members should watch the notice Board for details.

### LADDER

The ladder will be commencing soon so keep an eye on the board for details of this too.

## All Ireland Autograss Series 2006

West Waterford Autograss Ltd., based in Ballysaggart, Lismore, Co. Waterford, will on September 16th & 17th host the final round of The All Ireland Autograss Series and The Irish Fastest Man on grass. In its 7th yr, the AIAS consists of 3 rounds held in Northern and Southern Ireland. The 1st round of this yrs series was hosted by the Mallow autograss Club and on the 1st weekend of July a large crowd travelled to Northern Ireland for round 2 which was hosted by the Down Autograss club. There is a very big entry from the 4 Southern Ireland League clubs which are based in Mallow, Enniskeane, Lismore and Carlow, the 2 Northern Ireland League clubs, Down, and Causeway (Antrim) as well as some of the top drivers from Wales, Scotland and the UK.

As this is the last round of the series competition is sure to be fierce with drivers in some classes going into the final tied on points. These are in the ladies class with MA369 Valerie Shanahan and MA241 Ellen Sugrue tied for 2nd place with MA50, Tracey Lenihan only 1 point behind.

Also in the junior specials class there is a tie for 1st place between CK5 Thomas Creedon and MA53 Patrick Sheehan. Perhaps the most tightly fought race in this years series is in the Junior 'A' class with 3 drivers fighting for 1st position. These drivers are DA54 David Pedlow, CW4 Jamie Thorpe and WW73 Nathanya Houlihan. These junior drivers are having a great battle between them over the series and it's sure to continue over the weekend. Members of West Waterford Autograss between them managed to bring home 11 trophies and our congratulations must go to them and indeed to all the other prize-winners from the other clubs as well.

#### THE IRISH FASTEST PERSON ON GRASS

As well as being lucky enough to have been drawn to host the final round of the AIAS, as a huge crowd is expected from Wales, The UK and Northern Ireland as well as all the competing members of the Southern Ireland League, West Waterford Autograss will hold 'The Irish Fastest Man On Grass' on this week-

end and there is huge interest in this coveted title. This will be based on just an ordinary weekends racing and the winner of the individual classes will then go out in one race together and the overall winner of this will then claim the title of being 'The Irish Fastest Person on Grass'.

#### WHAT IS AUTOGRASS??

For those of you not familiar with Autograss racing, it's a form of motor sport which evolved from Jalopy Racing in the UK in the late 1960's and made it's way to Ireland over 10yrs ago. There are 11 different classes in the sport to ensure that everyone's budget can be adhered to. It starts with saloon cars 1,000 cc and if you have a car of this particular class then it can be driven in 3 different classes in the 1 day, in men's class 1, in the ladies class and in the juniors class which has drivers ranging in age from 12-16 so one car could do the whole family!! The top of the classes are single seater 'specials' which can either have car engines or for the more powerfully minded, can also have twin motorbike engines.

#### INFORMATION

Racing is held over the 2 days, and with over 40 races each day and in excess of 150 racing cars, come along on whatever day suits you, or both days to the West Waterford Autograss race track situated in Ballysaggart, Lismore for plenty thrills and spills and very quick and competitive racing on this Sat 16th and Sun 17th September. Racing starts at 12pm each day. On the Sunday night in The Park Hotel Dungarvan, the prize-giving for both The All Ireland Autograss Series and The Fastest Person On Grass will take place. This is always a great night and a disco will provide the entertainment into the small hours. All club members are reminded that this is going to be a very busy weekend for the club and members are reminded that help will be needed from every angle. For more information or directions to the track, please contact Norma Sheehy on 087-6104958 or e-mail normapatt@eircom.net or log onto our website www.wautograss.com. Also see next week's edition for more information.

## JUNIOR ROUND UP

Our Premier sides game on Sunday was postponed v Bohs late on Saturday night due to the appointed referee picking up an injury at another game on Saturday.

This was unfortunate for the lads but just goes to show how short of referees the league is. Next week there is no game down for the lads either so their next game will be the first round of the FAI Junior Cup on Saturday, 16th or Sunday, 17th, draw to be made this week.

Our 1A side kept their 100% record going picking up three more points at Kilrush Park defeating Tramore Rangers by 3 goals to 1. Cousins Trevor (2) and Gavin Crotty were on target for the blues.

## YOUTHS

Our Youth team travelled to St. Saviours during the week and played out a 4-4 draw. The blues will feel as if this was 2 points dropped having led the game right through to the end with Saviours grabbing a point at the death. Gavin Crotty (2), Wayne Flynn and Sledge Barry were our scorers.

They got back to winning ways on Sunday with a 3-1 win over Tramore B at Kilrush Park. Trevor Crotty, Gavin Crotty and Karl Dug-

## HELP WANTED

If there is anybody interested in giving a hand with our youth team would you please contact any committee member as any help would be greatly appreciated.

## UNDER-12

### Dungarvan 1 Bohs 3

On Saturday we played our first home game against Bohs. In the first half there was nothing between the sides with both teams creating very few chances. Bohs had the chance to take the lead

from the penalty spot but a fine save from Man of the Match Ryan Davis kept it level.

Dungarvan started the second half well and a deserved goal from Cathal Curran gave us the lead. The lads gave everything they had and with 10 minutes to go and still leading all the strength seemed to go from their legs and Bohs pushed forward. A free kick from just outside the area saw Bohs equalise and two late goals saw Bohs take the points.

## Dungarvan 1A

Dungarvan kept up their winning form on Saturday. They defeated Tramore Rangers 3-1 with goals coming from Gavin Crotty and two from Trevor Crotty. Dungarvan played well for the first half and only went through the motions in the second half. Management would like to thank the five youth players for their commitment.

Team: M. Walsh, James Keohan, J. Lacey, O. Morrissey, T.J. Crotty, Trevor Crotty, John Paul Keohan, K. Lyons, Gary Collins, Gavin Crotty, Peter Croch.

Subs: W. Flynn for G. Collins, Derek Barry for T.J. Crotty. Management and players would like to thank Garreth Dillon for

## Homily of Fr. Jim Griffin at a special celebration of Mass on the 40<sup>th</sup> Anniversary of Dungarvan Soccer Club

(Held on Friday 25<sup>th</sup> at the Dungarvan Soccer Clubhouse)

"You are the salt of the Earth" Jesus addressed these words to his apostles and followers - the first Christians. Christ was urging his followers to enhance people's lives by building up of community spirit. They weren't to be going around with their heads hanging full of doom and gloom. They were to add flavour to life. Food without salt is tasteless. Salt adds flavour to food. In fact even today when we say someone is the salt of the earth, we mean that person is kind, generous and thoughtful - in short, a good neighbour. So, salt of the earth is the highest tribute we can pay a person.

Fr. Jim Griffin

During my six-year association with Dungarvan UTD 1983-89 I saw firsthand that these people (Club Managers) were indeed "The Salt of the Earth"

They were doing exactly what Christ asked "Building up Community". I was a curate in Tooraneena when the Club was launched in 1966. It takes courage and vision to start anything and obviously both these qualities were there in abundance. For the first time since Independence, Ireland began to make progress in the '60's. Dungarvan UTD moved with the times. Young people needed a variety of sporting outlets for their youthful vitality and the new club filled that niche.

The contribution of the club in the last 40 years has been inestimable. The numbers that have passed through the Club has been phenomenal. I was highly impressed by how well structured the Club set up was catering for schoolboys, juveniles, youths and seniors with several teams in all the grades. This demanded dedication, selflessness and above all time from the managers, helpers and indeed all the Club members. This was done on a voluntary basis and the success of the Club is a monument to all those committed men and women who served so selflessly during the past 40 years. I am proud to be associated with Dungarvan UTD and privileged to be here tonight.

For me, the ethos and spirit of Dungarvan UTD was exemplified by a fabulous weekend in Donegal on the last weekend of April 1989. Our Youth Team drew with Milford of Donegal 1-1 in the final of FAI Youth Cup in Ozier Park. The replay was fixed for April 29<sup>th</sup> in Letterkenny. The Team was based in the Great Northern Hotel in Bundoran. We of course travelled up on the Friday. We enjoyed a wonderful night of music and song in the Holyrood Hotel. The head barman complimented me on the exemplary behaviour of the group. It would have been a downer if the boys had lost next day! However, they gave a wonderful exhibition and "Shani" led his troops to victory 3-1. We dined in Sligo and then went all of 8 miles to Ballisodare! There, another singsong ensued and glowing tributes were paid to the team.

In the midst of all the hilarity I announced that I was having a special Mass at 6.00p.m. the following evening, Sunday. I wondered would they be back. I shouldn't have worried. The Team arrived in St. Mary's Church resplendent in their Club blazers and slacks with Kealan O'Neill and John Walsh, managers, the officials and supporters. It is one of the great memories of my life. I was so proud of all of them. Yes, it was wonderful to win but they also enhanced the reputation of the Club and Town by their exemplary conduct - truly wonderful Ambassadors for Dungarvan UTD.

Finally, one of the highlights of the year during my 6 years in Dungarvan was "The Senior Citizens Party in the Soccer Club" at Christmas. This again was highly organised with plenty of eats and drinks and lavish entertainment. The old Folk looked forward to it and really enjoyed it. The Club Members worked like Beavers to ensure everyone enjoyed the party - Dungarvan UTD's way of thanking the community.

We congratulate Dungarvan Utd on their 40<sup>th</sup> Anniversary. We pray God's blessing on them and their wonderful Club. May they go from strength to strength as they march towards the 50<sup>th</sup>.

Fr. Jim Griffin.

# League Commences With Plenty Of Goals

Last weekend saw the newly restructured league commence, with the opening game taking place in Cappoquin on Saturday evening. If all games can be as exciting as this Cappoquin/Bride View clash, then we are for a wonderful 5/6 months of football.

Sean Cotter scored four times for Blackwater, and sets the pace in the Golden Boot.

## CAPPOQUIN 2 BRIDE VIEW 2

Cappoquin seemed to have taken all three points here as they led by 2 goals with only minutes remaining, but in through Bride View tradition- the game is never over until the final whistle- they got the two goals in the last three minutes for a share of the points. David Kett gave the home side a half time lead, and when Keith Landers doubled the score in the 2nd half it looked it appeared Cappoquin had done enough for all three points. However Bride View, like the Tallow of old, dug deep and with three minutes remaining, Graham O'Neill pulled a goal back.

The visitors went in search of the equaliser and in a welter of excitement and practically the last kick of the game, Paul O'Brien found the net for a share of the points.

## COTTER SCORES FOUR FOR BLACKWATER

Over all a draw and share of the points was a fair result and both managers, Mike Lacey and Gerard Hogan, will be happy with the display of their charges.

This was the opening game in the newly restructured league and if the rest of the season can be as exciting as this game was, then we are in for a good 5/6 months of football.

## AN GHAELTACTH 2 LISMORE 2

Newly promoted An Ghaeltacht played hosts to a new look Lismore Premier team and both sides shared the spoils in a very entertaining game. The home side were very much understrength for this their opening game of the season but they took the lead through Shane Kelly and this was the score at the break. Sean Ormonde levelled the scores shortly after the restart. Kelly restored the lead again before last years golden boot Eddie Pollard equalised to give both sides a deservedly share

of the points.

## MODELIGO 3 GLEN VIEW 2

The Melleray side will be bitterly disappointed with this result as they led by 2 gls to nil well into the 2nd half after a scoreless 1st half. Goals from Kevin Power and Jamie Walsh had the visitors cruising and looking like taking all three points, until John Coad pulled a goal back from the penalty spot. This put more urgency into Modeligo and they equalised through Denis Dalton and they then went in search of the winner and were rewarded when Paul Sheridan scored in injury time.

Glen View were shell shocked while Modeligo were ecstatic with the result.

## BLACKWATER 5 CAPPOQUIN 1

A wonderful start for the home team who have made their intentions of promotion well known. The visitors were under strength but held their own up to the break as they

trailed by a Conor Wilkinson goal to two from Sean Cotter. In the 2nd half Cotter scored twice more to bring his tally to 4 for the day with Andrew Murphy completing the scoring.

Blackwater could also afford the luxury of missing two penalties (we promised Dave we would not mention his name) and the home side ran out very easy winners and a great start to the league campaign for them.

## BRIDE VIEW 0 PINWOOD RGS 2

Pinewood will be delighted with this result as this was their first competitive game of the new season and to win in Tallow was a marvellous result. Craig Guiry gave them a 1st half lead and they doubled the score Ian Coffey scored midway through the 2nd half.

This was a great result for the Ballymac' team and Conor and the team can look forward to fighting promotion throughout the season.

# W.W.E.C. PREVIEWES

Next weekend will see all the teams in the league in action when we welcome back all the Cork clubs who will be playing their first league games of the season. Each team in the premier will have a total of 22 league games to play and when we add in cup games, there is a long season ahead that should conclude in either April or May. When the league was restructured at the league AGM we wrote that clubs will be depending on total commitment from their players as promotion and relegation will probably go right down to the last two or three games, and clubs will have to be as strong at the end of the season as at the start. We wish all the teams the very best and look forward to seeing some good football played.

### Araglen v Gortroe

A North Cork and East Cork clash, with both teams playing their first league game, although both played in the Bolger Cup. There is very little form here to predict a result, with a lot depending on the make up of either team on the day. Gortroe, from neutral reports, played well in the Bolger Cup, and when at full strength are guaranteed to cause many problems for the top teams. However we tip Araglen to collect the points, strictly because of home advantage, but Gortroe could prove us wrong and take home a point.

### Lismore v Cappoquin

This local derby down through the years has always been a close encounter, with the result always in doubt up to the final whistle. Lismore were league runners up last season,

with Cappoquin having one of their worst ever seasons, but last years form does not exist as Lismore have many changes in personnel from a few months back and may lack premier experience. Both sides met two weeks ago in the Bolger Cup, with Lismore coming out on top against a very much understrength cornerstone team on the day. Last weekend the two teams drew their opening league fixtures and we think they might finish level next Sunday also. We predict a draw.

### Accrington v Mogeely

The visitors are one of our top four predictions for this season and may cause many surprises in the league before the end May. Accrington had a great league start last year but were unable to maintain their form for the latter part of the season, and they will want to build on that performance again for this season. We tip Mogeely to win.

### Bride View v An Ghaeltacht

The Tallow outfit are one of our favourites to break the stronghold Ardmore and Lismore have had for the last few years in winning the championship. Bride View have been team building in that time with the emphasises on their underage and youths and giving those players league experience with the 2nd league team.

The visitors had a good draw, while understrength to Lismore last Sunday, but may find the Tallow outfit too strong this Sunday. Bride View to win.

### Kilworth v Ardmore

The league champions play their first game

in their title defence when they travel to North Cork to take on Kilworth.

Past performances have seen close encounters and high scoring games between them and Ardmore happy to come away with the points.

Kilworth are working tirelessly off the field in procuring their own ground, and all of us in the league hope they will be in their own new home sooner than later.

The seaisiders will want a winning start to their title defence and we think they will be the winners with all three points.

### Valley Rgs v Inch

This has the makings of a cracking local derby between two very evenly matched sides. Inch are already through to the Bolger Plate final, while Valley went out in the 2nd round to Cappoquin. Sunday should see Valley with a stronger side. A hard game to call, with little between them. A draw could be the result here.

### Clashmore v Castlebridge

Two progressive clubs putting in a lot of work off the field as they improve their grounds and facilities. Both clubs played in the summer tournament and gave many of their younger players league experience which will be of benefit as the season progresses. We think the Waterford side will come out on top, especially with their new signings during the summer which have strengthened the team all round.

### Glen View v Bride View

The visitors will be favourites here, especially as they have the advantage of playing dur-

ing the summer and in the Bolger Cup. Glen View were unlucky last week in Modeligo and will want to start their home campaign with a victory, while Bride View will also want to make up for their defeat last week to Pinewood. We think this could end in a draw.

### Pinewood Rgs v Valley Rgs

Pinewood got off to the best possible start last Sunday with a win in Tallow and on that display they signify their intentions for the goal of the season with promotion the goal. Valley will not be as strong as the Ballymac side and we expect Pinewood to record their 2nd win on the trot.

### Inch v Blackwater

Blackwater, on form should be too strong for the Inch 2nd string, and more especially as they have played more games, the summer tournament, Bolger Cup and last Sunday an opening league game in which they had an easy win over Cappoquin with Sean Cotter scoring 4 times.

It may take Inch a few games to settle back into league football, even though many played in the summer tournament, but we think the Waterford team will take all three points.

### Cappoquin v Modeligo

Another local derby that can go either way as in former years, and this game takes place under lights on Saturday. The home team conceded five goals last week, while Modeligo won against Glen View. Form does not mean too much in this derby and a draw could be the result.

# W.W.E.C.

West Waterford/East Cork Junior League

## BAD WEEKEND FOR IRELAND

While beaten last Saturday in Stuttgart, Ireland showed a totally different attitude to the last outing against Holland. The boys in green fought hard throughout the 90 mins, but the deflected goal early in the 2nd half was enough to give victory to the home team, who on the night deserved their win.

Ireland's next game is on Saturday 7th October when they travel to Cyprus and on Wednesday 11th October they play at Landsdowne Road against the Czech Republic and Ireland need the full 6 points from those two games if they are to keep their hopes alive of reaching the finals.

On Friday night at Terryland Park, Galway, the Irish U21 team was defeated by Belgium in the mini group to decide a place in the play-offs for next year's finals in Holland. Ireland now depend on Greece defeating Belgium for Ireland to qualify and it is highly unlikely if the Greeks can achieve that result. For those of us who have seen the U21's in action, the result from Galway was disappointing, but when one looks at the players who were missing because of the senior game—Aidan McGeady, Stephen Ireland and Alan O'Brien—it has to be said Ireland were unlucky. But with many commentators pessimistic at the seniors displays, one has to be optimistic for the future when those youngsters start to gain senior experience in the years ahead.

## STATOIL F.A.I. JUNIOR CUP

The draw for this year's Statoil FAI Junior Cup took place last Thursday night and the teams from the WVEC drew North Tipperary opposition in the 1st round. The games will take place on Sunday 17th September next. Last season Ardmore and Lismore had a wonderful run in this competition, but Lismore did not enter a team this time round.

The 1st round draw saw 4 teams from the WVEC come out of the hat as follows—

Ardmore v Toomevara, Ballymaciley v Clashmore Rbs, Borrisoleigh v Bride View, Clonmore v Blackwater.

## Waterford Record 1st League Win

Last Friday night at Inchcore, Waterford Utd recorded their 1st league win of the season when they defeated St Patrick's Athletic by the only goal of the game which was scored in the very 1st minute of play. The previous Monday night they were knocked out of the FAI Cup by Longford Town in a replay at Flancare Park after a fantastic display in the drawn game. They are now just 3 pts behind Bray although having a game more played.

Still the future does look a lot more optimistic than it was for the last few weeks.

## SINCERE SYMPATHY

On behalf of the WVEC League, sincere sympathy is extended to Paul Donnellan, chairman Castlebridge Celtic, on the death of his mother-in-law, Nora Barry, Castlelyons, who died on Thursday last, and to League Committee member, Paddy Tobin, on the death of his brother-in-law, Pat O'Callaghan, Lismore who died on Friday last.

## Division 1 Team Still Unbeaten

On Wednesday evening last we entertained a very strong Ferrybank team in the Friary College. With this match only mins in Ferrybank took the lead. Minutes later Abbeyside got a great goal from a marvellous header from Nathan Burke. Ferrybank bombarded the Abbeyside goal only for the brilliant Podge in goal to keep them out. Only 5 minutes remaining before half time Ferrybank shocked the village with 2 goals.

In the second half Abbeyside started to play good football with some fine passes from Della and Anthony Flynn. Della got Abbeyside's second goal from a fine pass from Ferncombe. Two minutes into injury time Blobber scored our third goal to keep our unbeaten run going. Final score Abbeyside 3 Ferrybank 3.

## Villagers U-16's Too Strong For Stradbally

### ABBEYSIDE 6 STRADBALLY 0

We started very well on Saturday last going close in the second minute with a near miss from Ward. In the 12th minute we opened the scoring when Ward put a superb ball across the face of the goal and Power neatly put it away - 1 nil. Moments later Kearney added a second from a corner. Half time 2-0.

Second half we started right where we left off, a great through ball from Ward put Earley through who neatly finished to make it 3-nil. Stradbally weren't to be faulted having some decent chances our backline on the day were fantastic which gave the visi-

tors only scraps to feed on. Sean Fehilly added our 4th with a fantastic volley from 20 yards. Moments later O'Connor made it 5 when he lobbed the keeper. The day was wrapped up when Man of the Match Billy Ward was awarded a penalty and he tucked it into the bottom corner of the net. Final score 6-0.

Team — Sheehan, Burke, Kearney, C. Kinghorn ©, Duhig, O'Donnell, Ward, Fehilly, Earley, Power, Crotty, Subs; M. Fehilly, M. O'Connor, M. Connors, All used.

### U-11 ABBEYSIDE V BALLYDUFF

Our first game of the season and bad weather conditions didn't stop Abbeyside from collecting 3 points.

The first half saw both teams evenly matched. Not long into the second half we got caught at the back and Ballyduff found the back of the net. Abbeyside fought back but found only the cross bar twice. Just when we thought we wouldn't score Mulhearn scored from a free kick. With time running out we gave one last push. Timmy found the net to give us the

upper hand.

Great start, well done boys.

Team — L. Mulhearn ©, L. Cummins, T. Reddy, A. Fitzgerald, M. Beecher, M. Morrissey, J. Cockwell, T. Clifford, T. McGrath, S. Fehilly, P. J. O'Donnell, Subs; J. Rockett, J. Hyslop, E. Healy.

## PREMIER

### Tramore 3 Kilmac 0

Our Premier team travelled to Tramore last Thursday night for a re-arranged league fixture. Despite having a number of opportunities throughout the game Kilmac just could not find the net. Tramore, on the other hand, made the most of their chances to run out 3-0 winners. That is the difference at this level.

## SECOND DIVISION

### Crusaders 3 Kilmac 1

Crusaders played host to our second division team on Wednesday night last and took the lead midway through the first half with a well struck free-kick. Kilmac had a number of chances to equalise but Crusaders got the killer second goal in the second half. Paudie Kirwan did pull one back for the visitors with a sweet strike but, as Kilmac chased the equaliser, Crusaders managed to add a third to take all three points.

## LADIES SOCCER

### Kilmac 4 Lismore 1

Our Ladies team got back to winning ways on Thursday evening last in rain-soaked conditions in Currabaha Park. Credit goes to both teams who did their best to serve up an entertaining game and also to referee Johnny Matthews who let the game flow, using common sense to allow for the conditions.

We started brightly and took the lead with our first real attack when Claire Dee put Emily Hearne through and her great cross found Donna Power who headed powerfully to the net.

Lismore settled into their game soon afterwards and we had some defending to do but any time we broke we looked dangerous and, after some good work by Anita Dee and Freda Morrissey, Caoimhe Downey scored our second goal with a good finish.

We had a lot of the play in the second half and, when Freda Morrissey's effort from outside the box was deflected by a Lismore player to the net, we were well on top.

Our defence of Lorraine Power, Aisling Weldon, Leonie Mulcahy and Catherine Kelly in goal coped well with the Lismore attacks. After 50 minutes Caoimhe Downey almost got on the scoresheet again with a delicate chip but it came back off the crossbar. After forcing several corners we eventually got our fourth goal when Joy Hearne found Claire Dee who curled a right foot shot to the corner of the net deceiving the Lismore keeper. The visitors got their reward for their efforts near the end of the game to leave the final score 4-1 to Kilmac.

Team: C. Kelly, L. Mulcahy, J. Hearne, L. Power, A. Weldon, C. Downey, E. Hearne, A. Dee, C. Dee, D. Power, F. Morrissey, A. Hearne.

## Speedy Recovery

It is good to see Anna Hearne getting back to full fitness after her recent injury.

## Congratulations

Congrats to all our players who did so well in their exam results and to those who celebrated their Debs recently.

## Well Done

Well done to Aoife McCormack who successfully completed a parachute jump recently in aid of charity. Not the nervous type is our Aoife!

## ALPHA OTTO DRAW

The club are running an Alpha Otto Draw at the moment in aid of field development. Tickets, which are €2 each, are available from any committee member or from local pubs.

The Jackpot is an impressive €500 and your support is greatly appreciated.

## EURO QUALIFIER DRAW

Congrats to Mary Kiersey, Currabaha on winning the trip for two to Stuttgart to see the Republic of Ireland against Germany. Unfortunately the result went against the boys in green but it was a brave hearted display and a great time was still had by all in Stuttgart.

## COACHING COURSES

### Junior Managers Workshop

Wednesday, September 27 is the date for our Managers Workshop. It is designed to give our managers a few pointers for warm ups and coaching. While there will be no certification with the course it will be very worthwhile especially for people that find it difficult to devote the time to a full coaching course. The Munster RDO's will come together to deliver the course, (including Cork City player Colin O'Brien) which will give you a unique opportunity to pick the brains of the F.A.I. top coaches.

### Next Course

Such is the interest at the moment that we feel we need to run another Kick Start 1 within the next month or so.

Please give your names to the RDO 087/0508623 asap to avoid disappointment.

To facilitate another KS1 we may need to put back the KS2 a few weeks. Watch this space.

## SENIOR/JUNIOR MANAGERS WORKSHOP

On Wed Sept 27 we hold a Workshop for all our Junior managers. If

you are in charge of a team or have ambitions to one day manage your club team, this would be an invaluable few hours education. The Workshop will run from 7.30 pm to 10 pm.

## WEBSITE

Trojan work is going on behind the scenes on our new website which will be live very shortly. It is our intention to have all our junior, schoolboy and womens fixtures, results, and league tables on the site, in the near future. More news next week.

## F.A.I. EMERGING TALENT PROGRAMME

As the new season starts we are about to launch the Emerging Talent Programme for the WWEC. This is a new initiative that is being rolled out by the F.A.I. It will insure that top quality coaching will be available to our elite players at home. The aim of the initiative is to provide the same quality coaching and pathways to international squads for a player whether he is in Dublin playing with the DDSL or in a rural area like ours playing with WWEC.

A team of coaches have been put together and they will work from the same syllabus as every other league

in the country.

We kick off with three boys Development Squads (1991, 1993 & 1994) and hopefully one girls squad (maybe 1991).

A meeting of all coaches took place on Tuesday last which we will report on next week.

While we have coaches we do need more help with the running of the squads. Anyone interested in helping out with a squad should ring Michael Looby at 087/0508623

Trials for the squads will take place in the next few weeks.

## LOCAL FOOTBALL PARTNERSHIP

Following our launch last July you would be excused for thinking that we have gone to sleep on this programme. Nothing could be further from the truth as there has been work going on behind the scenes, especially on our Website.

Packie Bonner will attend our next committee meeting to give us guidance and direction. A provisional date of September 26 has been pencilled in for this, which we will confirm next week. We hope all committee members will make every effort to attend.

## BALLINROAD A.F.C. NOTES

### DIVISION 2 MATCH REPORT

# Poor First Half Display Proves Costly

## BALLINROAD 1 CARRICK UTD 2

Ballinroad conceded two first half goals to the visitors but also they failed to put away three gilt edged chances that came their way and this gave them a mountain to climb in the second period.

On the turnover Carrick

struck the Ballinroad crossbar in their first attack but the homeside finally got their game going and laid siege on the Carrick goal and their efforts were rewarded when Paul Lennon headed home KiKi Cullinane's free kick in the 70th minute.

Fergal Fraher went close on

two occasions and the visitors were glad to hear the final whistle and preserve their unbeaten start to the season.

### DIVISION 3 REPORT

# Superb Strike Seals Victory For Ballinroad

## BALLINROAD 1 SEAVIEW CELTIC 0

A brilliantly taken goal by Colin Beresford gave Ballinroad three valuable points in this game played in excellent conditions in Ballinroad on Saturday last. This was a good display from the homesters and puts in good stead for next weeks derby against Abbesside.

# Blackwater F.C. Notes

## SUCCESSFUL MEETING

Blackwater F.C. held a very successful meeting on Friday, 25th August. A large crowd attended and a lot of topics were discussed on the night. Our main object at the end of this season is to be in top position, so clubs beware! Also manager and selectors take note.

## GREAT VICTORY

We had a great victory over Cappoquin on Sunday last with a scoreline of 5-1. Seanie Cotter was well on target scoring four goals and A. Murphy scoring the fifth goal of the game. We were allowed two penalties but D. Cullinane missed both. A new leg is required!!

This team is showing great heart and spirit and can only get better.

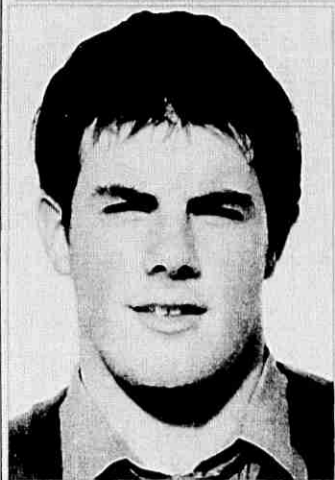

## SPEEDY RECOVERY

The club would like to send its best wishes and a speedy recovery to Declan Gleeson who received a leg injury in a recent match.

## CONGRATULATIONS

To our club member Pat O'Donovan and his wife Honor on the birth of their baby boy. We believe there are more to come in the near future!! Keep up the good work lads.

## County Bord Na nÓg Notes

### Dungarvan Book place in u16 hurling county final

Dungarvan booked a place in the division one final of this years Waterford G.A.A. Supporters Club - Dublin Branch County Under 16 hurling final when they beat favourites Mount Sion at the semi final stage of the competition at Lemybrien on Saturday morning last.

The city side after winning the league section of the competition went into the semi final as favourites and for much of the game it looked as if they would be advance to the county final against Ballygunner or Passage on Monday next at Walsh Park. At the break the city side were full value for their 0-7 to 1-2 lead.

With about ten minutes of the game remaining the city side had stretched their lead to a five point lead and it looked ominous that they would be appearing in the final, but as we have seen so often many times before, Dungarvan refused to give up without a fight. Liam Ryan added a second goal in the closing stages of the game and their chief tallies man, Cormac Curran who scored six points during the course of the game also chipping in with a number of very important points.

At the sound of Pat Casey's full time whistle, after sixty minutes of entertaining hurling, it was Dungarvan who emerged as winners just shading Mount Sion on a scoreline of 2-10 to 0-15.

### County Final

The Waterford G.A.A. Supporters Club - Dublin Branch under 16 hurling county final between Dungarvan and either Ballygunner or Passage will take place in Fraher Field on Monday evening with a ? throw-in.

### Under 12 Football

The County under 12 football finals will take place this Friday evening and Saturday morning at Walsh Park. Dungarvan (division one), Ballinacourty (division two) and Lismore (division three) have all advanced from the Western division. At the time of putting these notes together, the winners in the East of the county are unknown. The best of luck to all involved.

### Roanmore Tournament

The annual Roanmore Tournaments take place this coming weekend. The very best of luck is wished to all the young boys and girls that will be taking part. It is fair to say that when tournaments like these take place, all that get involved are winners.

### Under 15 Football

Congratulations to the Waterford Under 15 Football team who had a 2-8 to 3-3 win over Wexford in Wexford last Saturday. A special thanks and well done to Pat Whyte (Kilrossanty), Billy O'Halloran (Clashmore/Kinsalebeg), Alan Whyte (Nire) and Eddie O'Halloran (Ballinacourty) who took over the team in the last few weeks.

In July, Waterford were invited into a tournament in Limerick but had to pull out at the last minute because enough mentors could be got to be involved with the team. After the tournament Officers of County Bord na nÓg got together and came up with a number of names who might be interested in getting involved in the team. Those that were approached were only willing to help out which goes to show that when those who are actively involved in the promotion of underage hurling and football in the county approach the right people results will be achieved.

### Congratulations.

Congratulations to Mary Flynn from Rathgormack on winning the Guinness G.A.A. Fan competition over the weekend.

Mary Flynn, from Rathgormack was named the overall Guinness® Champion of Fans, after a live finale on TG4 on Saturday 2nd September.

Mary faced stiff competition from fellow finalists, Padraig Burke (Galway), Margaret Nagle (Clare), Francis Dorris (Antrim) Tim "Jonty" O'Leary (Cork) and Bobby Walsh (Kilkenny). But on the night, Mary overtook the competition gathering the most votes from hurling fans around the country.

Literally thousands of people voted by text over the last week, and Mary emerged as the most worthy winner, as judged by members of the public.

The 'GUINNESS® Champion of Fans' TV series was broadcast as a 6 minute segment in "GAA 2006" at 8.30pm every Monday on TG4, and re-

peated twice the following Saturday. Each contestant had to carry out different challenges, which varied from Mary's task to create a human Déise flag on the Waterford/Tipperary border just days before the two counties met in the Guinness All Ireland Quarter-Final, photographing yourself with as many Clare hurlers as possible against the clock, and composing a rebel rousing song to inspire Cork fans ahead of their three-in-a-row quest.

As well as being crowned "The GUINNESS® Champion of Fans" Mary received a cheque for €10,000 and two premium level tickets to all hurling games in Croke Park in 2007 and 2008!

Each of the five runners-up received tickets for the Guinness All-Ireland Hurling final and a cheque for €1,000.

## ABBEYSIDE/ BALLINACOURTY G.A.A. CLUB NOTES

### Senior Hurling

We qualified for the quarter final stages of the championship for the second year in a row by defeating Roanmore on Saturday last in Walsh Park. The opening stages of the game were tight with little between the teams. However, a goal from Mark Fives seemed to settle the team down and we ran out comprehensive winners with further goals from Gary Hurney, Mark Ferncombe and Mark Gorman. Final score: 4-17 to 0-9.

In the quarter final we can play either Stradbally, Ballyduff Upper or Mt. Sion and at the moment we understand that the games will be played on September 23rd/24th.

Team: D. Ryan, J. Phelan, J. Kindregan, G. Breen, R. Foley, S. Briggs, P. Lynch, J. Hurney, J. Gorman, J. Foley, M. Fives, P. Hurney, M. Ferncombe, G. Hurney, M. Gorman. Subs: D. Cliffe, J. Mullen, L. Hurney, M. Enright, T. Murray.

### Minor Football

We play our final game of the league section when we play Clashmore tonight at 6:45pm in Fraher Field. We have already qualified for the Western final of this championship.

### All-Ireland Tickets

Anybody who wishes to enter the draw for tickets for the All Ireland Football final must give their names to Bernard Shields by Tuesday, September 12th.

### Club Committee Meeting

The next club committee meeting takes place on Wednesday, September 13th at 8:30pm in the Club grounds.

### Welcome Home

We would like to welcome the Enright brothers Patrick and Eoin home from their Summer in the States. Hopefully they will be back training quickly for the remainder of the championship, though we won't say which championship team they will be required for.

### Support

There was a fine turnout of supporters in Walsh Park on Saturday last for our game against Roanmore. This was great to see and we hope that even more will be in attendance at our matches for the rest of the year to cheer on The 'C'ourty and The Village.

### SENIOR HURLING

We take on Lismore on Saturday night at 6 pm in the Sargent Cup in Cappoquin.

## FOURMILEWATER HURLING NOTES

### SENIOR HURLING

Fourmilewater are still in contention for honours in this years senior championship when they drew with Ballyduff Lower in Dungarvan on Saturday night last, the final score being 1-6 each. We trailed by 6 points at one stage of the first half, when Ballyduff led by 1-4 to 0-1. At this stage we scored a goal and a point before half time, our goal coming from Shane Walsh, who had a great game throughout. The score at half time was 1-4 to 1-2 in favour of the fancied eastern team.

The second half was a very tense affair, with both teams giving as good as they got. With two minutes remaining, Ballyduff led by a point, when Fourmilewater was awarded a free around half-way and Liam Walsh dropped the ball straight over the bar. This was a good battling display from our team, and they showed great heart and determination. The replay goes on this weekend!

Fourmilewater beat Cois Bride in the opening game of the Western U-16 championship, which was played last Sunday morning in Tallow. The final score was 2-8 to 1-6. We play Dungarvan on this coming Sunday!

## Ballinameela GAA News

### INTERMEDIATE FOOTBALL CHAMPIONSHIP

Cappoquin was the venue for the second round of the intermediate football championship which took place on Saturday evening last. Our opponents for this game were the Shamrocks. Being our first championship game of football for quite some time we were apprehensive of how we would perform on the night but players and management were focused on the job in hand. A victory in this game would guarantee us qualification to

the knockout stages of the championship.

The Knockanore men showed they were in equally determined mood by scoring an early point with a well worked move. We kicked a couple of early wides but a point from play settled our nerves and we began to come more into the game. Two converted frees put a little breathing space between us but the Shamrocks always threatened to score on the break. The game was tight championship fare with both teams trying to play open football. Just as we

seemed to be getting the upper hand on our opposition before half time they score a couple of points before the break to leave just the bare minimum between the teams. The second half turned out to be a real ding dong battle neither team wanted to loose this game. Points were exchanged on a number of occasions and as the game progressed it looked as if this game would end in a draw. The vital break came for us just five minutes from the end when a high ball was floated in front of the Shamrocks goalmouth, Brian Phelan

stretched highest and got the all important touch on the ball to put it past the Shamrocks goal keeper. The shamrocks pushed hard to get an equalising score but our defence stood firm and held out to the final whistle.

This was an important victory for us but we have a hectic schedule over the next few weeks with our minds now turning to our match against Kilgobnet on this Saturday evening. A win in this match would see us top our group and put us straight into the semi-final.

## SHAMROCKS G.A.A. CLUB NOTES

### Intermediate Football Western Championship

On last Saturday evening at Cappoquin we met Ballinameela and were beaten by one goal with the score Ballinameela 1-10 Shamrocks 0-10 in a game which would have gone either way, as it was a goal in the final minutes of the game which decided it.

Our depleted team which had a number of young players gave a good account of themselves, and in the course of the game we had a number of injuries which were no help.

On this Friday evening, September 8th we play the next round against Colligan Emmetts, and this game will again be in Cappoquin and throw in will be at 6:30pm. So we would ask all players to be at the venue well before starting time.

### Club Lotto

At the Shamrock Inn, Knockanore on last Saturday night the numbers drawn were 1-10-15-23 and there was no jackpot winner. E20 consolation prizes were won by "Crawford 4"; Joe Leahy, Templemichael; Helen McGrath, Cappoquin; Michael Neville, Killenagh; Aisling Nicholson, Cappoquin.

On Saturday night next the jackpot will be E4,750 and tickets at E1.50 each can be had from the usual promoters.

### South East Hurling

Last Saturday saw the 2nd South East Hurling blitz take place. This year teams from Waterford, Tipperary, Kilkenny, Wexford and Laois played at U10. This fun blitz is designed for clubs to play against new teams in a non-competitive environment. Thankfully the rain stayed off during the blitz and a good day was had by all involved. Several clubs are already talking about returning to some of the visiting teams in the future, which is great to see. Thanks to DLS, Roanmore, Mt. Sion, Ferrybank, Ballygunner & Butlerstown for the use of pitches and changing rooms and to the groundsmen who had their facilities in great condition on the day.

### Town & Country Leagues

Town and country leagues are up and running in west Waterford and will take place each week over the coming month. Please send all results to the organising committee. There are 16 teams playing in 4 groups this year.

### 1st Aid Course

On Sat 7th/Sun 8th Oct Waterford Coaching and Games with assistance from Waterford Sports Partnership will run a 1st Aid course in Waterford. ### Code of Best Practice

On Mon 18th Sept in Dungarvan Waterford Sports Partnership will deliver the above course for GAA clubs. Again

this is a vital area for all clubs to be aware of and clubs should take the opportunity to avail of this excellent course. Information is available from the GPO's.

# De La Salle Defeat Wasteful Tallow In Close Encounter

Tallow who were beaten by De La Salle 1-12 to 1-10 in the Waterford Senior hurling championship. —(Sean Byrne Photography)

An overall total of 18 wides as against 8 for De La Salle certainly left Tallow out of the running for the 2006 senior hurling county title in a match that never rose to the heights expected and widely predicted. In fact with two splendid hurling sides involved, the contest was disappointing.

Neither team produced the standard of hurling of which they are capable and a number of the stars on both teams failed

to shine. Tallow began with a strong wind advantage and were the first to score, but throughout the half, they failed to take advantage of the scoring chances which came their way and shot eight wides during the period while De La Salle hit no wide in the same period.

At the halfway stage De La Salle, having played against the wind, led by 1-6 to 0-5 and at this point in the game it seemed

## SENIOR HURLING CHAMPIONSHIP De La Salle 1-12 Tallow 1-10

as if the city team would coast to a substantial win when they got going in the second half.

### Play

Paul Kearney opened with a pointed free for Tallow in the 4th minute and this was followed with three successive wides before Brian Phelan opened the De La Salle account

after pointing a '65' metre free in the 10th minute. Paul O'Brien pointed Tallow back into the lead with a free in the 11th minute but the score was turned into a De La Salle lead after two John Mullane points and two more from Kevin Moran (0-5 to 0-2) by the 21st minute. Mark Geary had a good point for Tallow in the 22nd.

A 21 metre free for Tallow was hit by goalkeeper John Paul Gray and while directed for a goal, was saved to go over the bar for a point. A Paul Kearney pointed free saw the teams level in the 25th minute.

A minute later a Craig Moloney delivery found Brian Farrell who shot to the Tallow net for the first goal of the game. Brian Phelan pointed a free to leave the halftime score at 1-6 to 0-5 in favour of De La Salle.

### Second Half

James Quirke and Paul Kearney exchanged points as did Craig Moloney and Paul O'Brien before two James Quirke points increased the De La Salle lead to six points. Given the strength of the wind and the flow of the game at this point it looked to be all over for Tallow. But not so yet. They kept coming back with commendable Tallow courage and a Sean Slattery point followed with Billy Sheehan's 48th minute goal, the lead was cut back to a couple of points and the challengers were now in control. With under two minutes of normal time remaining Paul Kearney had the teams level at 1-10 apiece and a re-

play looked to be on.

But a missed free for Tallow and two late De La Salle points ended the contest and Tallow's hope of another chance. The game went into the 65th minute before the final whistle sounded.

Scorers: De La Salle - L. Lawlor 1-0, B. Phelan 0-3, J. Quirke 0-3, J. Mullane 0-2, K. Moran 0-2, L. Hayes 0-1, C. Moloney 0-1. Tallow - P. Kearney 0-5, B. Sheehan 1-0, P. O'Brien 0-2, J. P. Grey 0-1, S. Slattery 0-1, M. Geary 0-1.

### Ardmore Hold off Gaeltacht Challenge

Ardmore 1-13 An Rinn 0-7

This game played at Leamybrien, saw the strong favourites Ardmore hold off the challenge from the Gaeltacht side with a 9 points winning margin on Friday evening

The winners had obviously recovered from the disappointment of their defeat five days previously by Ballinacourty and are now back in contention while An Rinn play in the relegation section.

### S.F.C.

Gaultier 0-14 Tramore 0-7

Tramore's prospects of remaining in contention were put to rest at Walsh Park on Friday evening when a top level display saw the favourites Gaultier win decisively with a 7 points winning margin.

### RELEGATION GAMES

The clubs involved in the relegation competition in football will be An Rinn, Tramore, Kilmacthomas and one other, depending on the outcome of the replay involving Kilrossanty and Clashmore

# Abbeyside Stroll Past Roanmore in Mismatch

SENIOR HURLING CHAMPIONSHIP - ABBEYSIDE 4-17 ROANMORE 0-9

It is fair to say that the final score tells the story of this one sided game in the qualifier section of the senior hurling championship which was played at Walsh Park on Saturday evening last.

As a contest the match was a big disappointment and this can be said in particular about the second half when the winners were in total control and being allowed to play 'copy book' hurling and score, almost at will. Between the 45th and 58th minutes they registered 8 scores without reply and finished the game with a score of 20 points to spare.

Roanmore had run Stradbally very close when losing by two

points and played very well when losing by six points to Ballygunner, so in the circumstances it was difficult to understand why they collapsed against this challenge.

Abbeyside did not put a foot wrong in this game but seeing the poor display by Roanmore it will pose a question about the quality of theirs. Abbeyside are happy now that their senior status remains intact and will be playing in the county quarter finals.

**First Half**

The opening quarter of the game was different from the succeeding 45 minutes in that it was competitive with no obvious difference between the sides being exposed.

But in the second quarter and from there on the gap widened and kept increasing almost by the minute.

John Gorman opened for Abbeyside in the 1st minute and then Colin Burke had a point from a free and another from play for Roanmore in the fifth and sixth minutes.

A splendid 9th minute goal by Mark Fives marked the opening of the gap and when Mark Gorman and John Foley followed with points from play for Abbeyside the western challengers looked to be on their way.

Colin Burke with a pointed free kept Roanmore's hopes alive for a while longer before a

Mark Gorman score restored a four points lead for his team a minute later. David Burns had the city teams final score of the first half in the 21st minute and after Mark Gorman had pointed yet another free in the 26th minute, John Foley sent over 2 delightful scores from play to leave the eventual winners ahead by 1-7 to 0-4 at half time.

**Second Half**

A goal and a point by Mark Gorman in the opening two minutes opened a 10 points gap and while Roanmore had the next two scored, both frees converted by Colin Burke in the 33rd and 34th minutes, they were now fighting a lost cause. The next four scores were on

the Abbeyside side of the scoreboard and these included a fine goal by Mark Ferncombe in the 40th minute. Garry Hurney had a 46th minute goal to widen the gap to 15 points and put the game well and truly out of reach of the losers who added a further two scores per David Barry and Burke while Abbeyside had eight points without reply until Danny Murphy hit over a score just before the call of time.

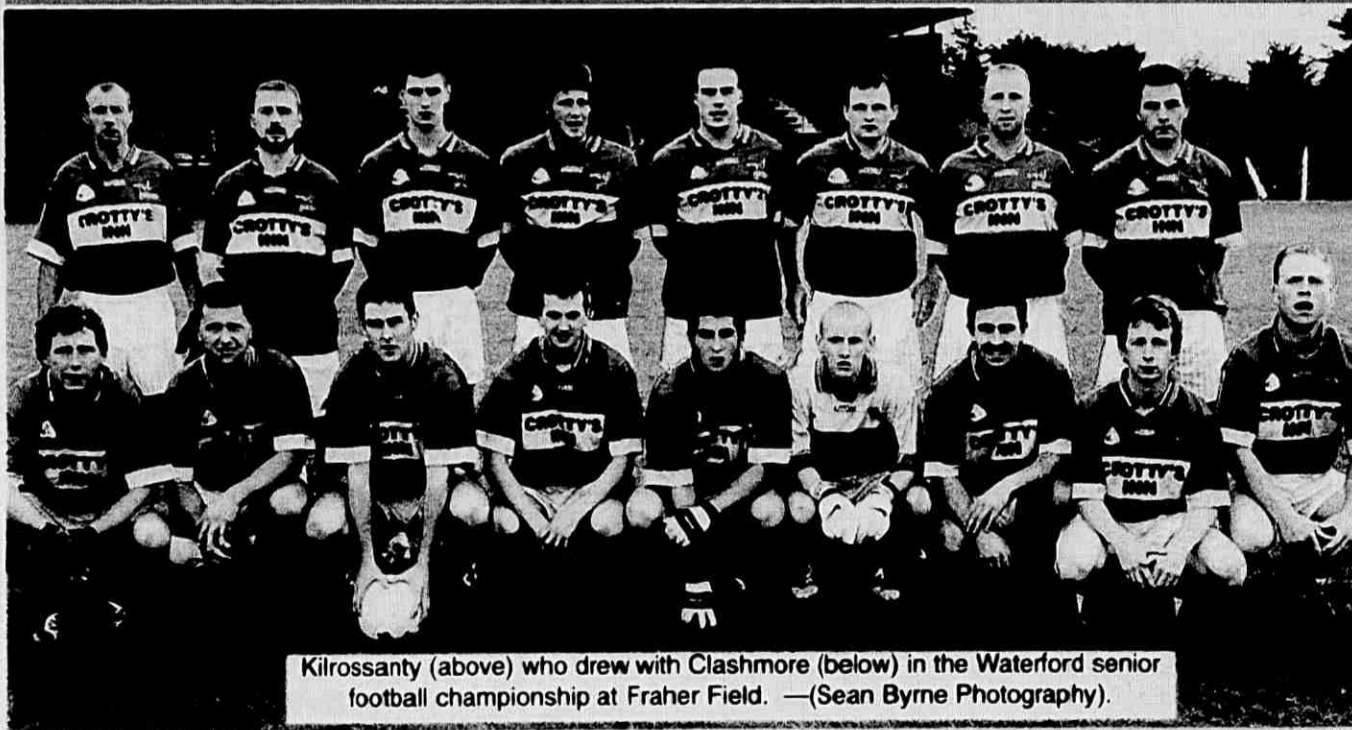

Scorers: Abbeyside - M. Gorman 1-7, M. Fives 1-3, G. Hurney 1-1, M. Ferncombe 1-1, J. Foley 0-2, M. Gorman 0-1, P. Hurney 0-1, R. Foley 0-1. Roanmore - C. Burke 0-6, D. Byrne, D. Barret, D. Murphy 0-

1 each

## EXCITING CONTEST ENDS ALL-SQUARE

S.F.C. - Kilrossanty 1-8 Clashmore 0-11.

Kilrossanty (above) who drew with Clashmore (below) in the Waterford senior football championship at Fraher Field. —(Sean Byrne Photography).

While a draw was a very fair result to this splendidly contest qualifier senior football game at Fraher field on Saturday evening, it was the last thing that the G.A.C wanted as the non decision in the game completely upset plans to proceed with the quarter finals until after the replay takes place and decides which club goes forward.

That apart it was an exciting contest and a match in which each side showed improved form. Both are hanging on in there and each can be expected to make a mighty effort to take the points in the replay.

The conversion of a late free by midfielder Stephen Barron (Clashmore) brought the match to a replay.

Scorers: Kilrossanty M. Kiely 1-2, S. Prendergast 0-4, C. Hayes and B. Lannon 0-1 each.

Clashmore: C. O'Keeffe 0-3, P. O'Rourke 0-3, D. Allan 0-2, J. Ledingham and S. Barron 0-1 each.

# Draw A Fair Result

Fourmilewater who drew with Ballyduff Lower 1-6 each in the Waterford senior hurling championship. —(Sean Byrne Photography).

## CO. BOARD MEETING

Back after the 'summer recess' and holding their first meeting since early July, delegates will have quite a lot to talk about when they assemble at Lawlors Hotel on Monday evening next. One of the non-routine items listed will hear club delegates give their views on the proposals from Croke Park concerning the 2007 All-Ireland hurling and football championships and national leagues.

Another important item to be debated will be the appointment of hurling and football team managers for 2007.

Last year the reappointment of Justin McCarthy and his selectors came about following a recommendation from the County Executive Committee that a select sub-committee be appointed to interview available/suitable candidates and come back to the Board with recommendations. I do not know if the same procedures will follow here. All eight county selection committees are now out of office.

### FINANCE

County treasurer Michael Hogan will likely inform the delegates of the overall cost of running our eight county teams for the year now that no further expense in this area will be incurred.

### TONY FORRESTAL TOURNAMENT

Delegates will hear a report of the 25th running of the Tony Forrestal under 14 hurling tournament and no doubt there will be compliments paid to the organisers and the selectors as well as everyone involved in making the 25th venture another outstanding success. The final told of another very hard luck story for our first and well prepared team.

### NEW HURLING PROPOSALS

The proposals which embrace recommendations from three different groups are contained in a lengthy document, but as I wrote last week, it seems certain that delegates will approve of the H.D.C. proposals for both the championship and national league and which look to be the best formula on offer and certainly the formula that will suit our county.

### HURLING CHAMPIONSHIP (if accepted)

The Provincial championships will not be interfered with. The first round losers in Munster and Leinster with Galway and Antrim will form one group of 4.

The second group of 4 will include the beaten semi-finalists (2 in each Province).

The 4 will play on a round robin system, each producing 2 winners (4 in total).

The Provincial champions and runners up (4 in total) will play these in the quarter finals. The Provincial winners will be drawn against the runners-up from either qualifier group and the losers of the two Provincial finals will meet the group winners.

There will be no relegation from the top championship group as it would be seen to be because of the gulf in standards.

### NATIONAL LEAGUE HURLING

In Division 1, nine counties will participate which will give all counties four home and four away matches. Clare, Cork, Limerick, Tipperary, Waterford, Galway, Offaly, Kilkenny, Wexford are the top nine.

There is also a proposal that bonus points be awarded where a team (in any ordinary round) score two or more goals from play. This proposal could get a stormy passage.

## S.H.C. - FOURMILEWATER 1-6 BALLYDUFF LOWER 1-6

These sides must meet again to decide who goes forward in the championship and who enters the relegation battle.

As a hurling contest it was an exceptionally low scoring game and while each club had a chance of snatching victory, a draw was a fair result to a game that saw both defences almost impossible to penetrate.

In the opening minutes Pat Fitzgerald had Ballyduff 1-1

ahead and before the 20th minute the eastern team were six points ahead and looking the likely winners.

However a splendid Shane Walsh goal in the 25th minute restored hope for Fourmilewater who were just 2 points in arrears 1-4 to 1-2 at halftime.

In the second half each had chances but were denied scores by the respective defensive displays of each team.

Scorers: Fourmilewater - S. Walsh, 1-4, M. Gorman and L. Walsh 0-1 each. Ballyduff Lower - P. Fitzgerald, 1-1, J. Cuddihy 0-2, P. Stephenson, N. Power and D. Power 0-1 each.

Fourmilewater - T. Flynn, J. Moore, A. Ryan, J. Walsh, L. Walsh, B. Wall, M. Connolly, M. Walsh, M. Gorman, S. Walsh, S. Lawlor, A. O'Gorman, A. Lawlor, D. Spellman, D. Ryan. Subs. T. Gorman, for

A. Ryan, L. Lawlor for M. Connolly, R. Fenton for D. Ryan, M. Connolly for A. O'Gorman. Ballyduff - B. O'Leary, G. Harris, D. Power, A. Dunne, D. Van Deen, J. O'Leary, S. O'Leary, W. Murphy, M. ## Minor Championships Approaching Closing Stages

### Minor Hurling Championship

Following the two results of last Wednesday evening, this championship is now approaching the closing down stage.

With only three teams remaining all that needs to be played are the semi-final and final. Last week Abbeyside defeated An Gaeltacht and Cappoquin survived against St. Olivers. This left Dungarvan, Cappoquin and Abbeyside in contention.

Last night, Tuesday, Dungarvan were scheduled to play Cappoquin in their deferred match and the winners there will go to the western final and Abbeyside will meet the losers in the semi-final. If last night's game ended in a draw between the two unbeaten teams, then the winner will be declared following an examination of the scoring averages.

### Abbeyside 5-16 An Gaeltacht 0-2

This was an easy win for Abbeyside who had the points safely in the bag at halftime.

The much younger and less experienced team from An Gaeltacht must be commended for trying all the way and never giving up despite the fact that they were way beyond the point of no return long before the end. Also the losers were not at full strength or did not play nearly as well as they did against the other four teams in the championship.

Abbeyside hurled very fluently but it would be difficult to judge the quality of their hurling because of the weak opposition.

Referee: Derek Lyons, Dungarvan

### Cappoquin 3-7 St. Olivers 0-11

This game played at Bushy Park saw Cappoquin come from behind to draw level just on the call of halftime.

St. Olivers, playing splendid hurling were leading by 0-7 to 0-1 when two very late goals brought Cappoquin on terms before the halfway whistle.

In the second half Cappoquin added 1-6 while Olivers managed to score 4 points.

The standard of the game was good with the goals making the difference in the winners favour.

Referee: Donal O Murchadha, An Rinn.

### Minor Football Championship

A match that will decide the semi-finalists for the minor "A" football championship, takes place between Ballinacourty and Clashmore at Fraher field on this Wednesday evening. Ballinacourty are already qualified for the western final and the result will not affect their position.

However, should Clashmore win, the result will make for a three-way play off involving Clashmore, Stradbally and St. Olivers. Should Clashmore lose, then the divisional semi-final will involve Stradbally and St. Olivers.

### Western "B" Hurling Final

#### Brickey Rangers v. Cois Brid

This is the Board's first hurling final of 2006 and if each team play to the form they have shown in the run up to the decider, it will be a splendid contest.

Brickeys who are now benefiting from the expert coaching given them at a lower level have gone unbeaten so far and certainly raised a lot of eyebrows when they removed the raging hot favourites, Lismore, from the race two weeks ago.

I'm sure it was a display that sounded a warning to the Tallow/Shamrocks combination. Cois Brid, who defeated Naomh Brid in the semi-final, who come from a tradition of top class coaching will be favourites, but the way things have been moving of late, I would not rule out the Brickeys here.

The game is at Cappoquin on this (Wednesday) evening.

### Western MF "B" Final

This final involving Kilrossanty and Dungarvan will be played at Fraher field on Wednesday of next week.

## TRICOLOR STOLEN

It's the latest act of vandalism at Fraher field following yet another break-in. One can be forgiven for wondering what use thieves could have for a national flag.

**G.A.A. NOTES**

**BY "COMMENTATOR"**

**Intermediate Football Championships**

This championship, like its hurling counterpart is progressing favourable and the next weekend will see all eight clubs in action. So far the championship has exposed no major gaps in standards with the result that practically all the participating clubs are still in contention. This will guarantee good quality contests in the programme for the weekend.

**Emmetts v. Shamrocks at Cappoquin**

Shamrocks have been one of my fancied intermediate football teams for a number of years but having failed to deliver I do not put too much faith in them to go the distance now.

They were well beaten (2-16 to 1-9) in the opening round against Kilgobinet. On the same day in the first round, Emmetts failed by a single point (3-10 to 2-12) to Ballinameela who are one of the fancied teams to take the title.

I have heard a rumor that Emmetts may not be at full strength for this game so in the circumstances I give the vote to Shamrocks to take the points. This game has a 7.30 p.m. start on Friday evening.

**Sliabh gCua v. Geraldines**

This is the Saturday evening game at Fraher field and unless each is showing improvement since the start of the championship this match won't be a crowd puller.

In the opening game, Brickey Rangers had a massive 20 points to spare over Sliabh gCua and on the same weekend, Geraldines lost on a scoreline of 1-4 to 1-2 to Dungarvan.

So unless there is a substantial improvement these two teams are going nowhere in football. Over the weekend, Geraldines came close but lost to the Brickeys and Sliabh gCua went under to Dungarvan, but nevertheless showed some improvement when scoring 3-7.

**Kilgobinet v Ballinameela**

This game is also fixed for Saturday and will be played at Bushy Park at 6.30 p.m.

This should be one of the better games of the weekend with two high scoring teams involved. Ballinameela scored 3-10 against Emmetts and Kilgobinet scored 2-16 against Shamrocks on the same evening at the start of the championship, so with scoring forwards on both teams, it should be quite a contest.

I have a feeling that the stronger Ballinameela team will take the points although Kilgobinet showed good enough form when losing by a single point to Emmetts on Sunday evening.

**Dungarvan v. Brickey Rangers**

I expect this contest to be the very best match in the IF championships played over the coming weekend.

It will attract a big crowd to Fraher field on Sunday evening and a ding dong battle will keep patrons on their toes as the game goes down to the wire. On form, Dungarvan may just take the two points.

**BRICKEY RANGERS GAA CLUB NOTES**

**BRICKEY MINI LOTTO**

The lotto draw was held in Tommy Power's Bar on Thursday night last. Numbers drawn were 5-12-27. There was one jackpot winner; Ned Lenihan scooped the 3,500 euro jackpot. Lily Sheehan was the lucky promoter. 25 euro winners Craig Kiely, Ronan Geoghegan. This weeks draw will take place in Bridie Dee's Bar and the jackpot will be 500 euro. Tickets only 2 euro each available from any promoter.

**INTERMEDIATE FOOTBALL CHAMPIONSHIP**

On Friday evening last we played the Geraldine's in the championship. The first half proved to be a dismal affair with a half time score of Brickey Rangers 0-1 Geraldine's 0-2. The second half was more exciting as both teams taking their scores which ended a win for the Brickey's on a score of Brickey Rangers 1-8 Geraldine's 0-9.

Team; Conor Fitzgerald, Matt Kiely, James Sheehan, Richard Halpin, Ciaran O'Brien, David Hickey, Paudi Nugent, Olan Casey, Dermot O'Neill, Carthach Shalloe, Shane McGrath, Conor McGrath, William Queally, Andrew Murphy, Mark Scanlon. Subs used Ian McCarthy.

**INTERMEDIATE FOOTBALL**

We play Dungarvan on Sunday 10th in the Fraher Field.

**INTERMEDIATE HURLING**

We play Clashmore at 2 pm at Fraher Field on Sat, 16th Sep.

**ALL IRELAND TICKETS**

The draw took place for the All Ireland tickets on Tuesday night in Bushy Park. Hurling tickets winners; Angela Whelan, Joe Keane, Mark Nugent, Jim McGrath, John Hamedy.

Football ticket winners; Colin Keane, Lar Curran, Noel Murray, Eamon Martin, Thomas Landers.

**DANCING CLASSES**

**7-A-SIDE HURLING BLITZ**

Our hurlers travelled to Dublin on Saturday last to play a hurling blitz hosted by the St. Jude's Club, Dublin. Our team won 3 matches and reached the semi final.

Panel of players; Mark Shalloe, Johnny Cooney, Shane McGrath, Carthach Shalloe, Paudi Nugent, Olan Casey, Conor McGrath, Mark Nugent, Thomas Landers, Ian McCarthy, Declan Ahearn.

**Junior Hurling Programme For Sunday Next**

A double header at Fraher field will include a contest involving Tourin and An Rinn which is undoubtedly the choice fixture in this championship over the weekend.

Tourin will be favourites to win this tie, but the Gaeltacht team who shocked Dungarvan in this championship will be no pushover.

This is the feature game in a double header programme and will be preceded by the Modeligo versus Fourmilewater tie.

At Cappoquin, Ballysaggart take on their under 21 hurling partners, Lismore in what promises to be a exciting tie

Clara Twomey, Secretary Western Primary Schools GAA presents the Roinn E Camogie cup to Few's captain, Niamh Behan.

**S.F.C. St. Brendans 4-14 St Saviours 0-7**

The final score tells all about this one sided game and the group team involving Kill, Newtown and Bonmahon are said to be quite a force. This result certainly keeps their hopes alive and whoever their opponents are in the quarter final, will have no easy game.

**Kilkenny Take 29th All-Ireland Hurling Title**

Kilkenny 1-16 Cork 1-13 It was yet another great final between these age old rivals and while the game was not a classic in the true sense of the word, it was a great match, with Kilkenny whose tactic of 'crowding' Cork out of the game was successful and the Leinster champions ran out deserving winners.

Tipperary after a barren decade in the underage grade, won the minor hurling title after a splendid contest with the holders, Galway.

# Cois Bhride Juvenile G.A.A. Notes

## UNDER-16 HURLING

Paic Eamon de Paor, as the G.A.A. field in Tallow will soon be known as, was the venue last Sunday morning for the first round of the Western Championship U-16 hurling between Cois Bhride and Fourmilewater.

The visitors, with the aid of a stiff wind started better, and led by 1-3 to 0-2 at half time, Evan Sheehan and Keith Hallahan the scorers for Cois Bhride. Our lads showed a lot more urgency in the second half, and when Peter O' Callaghan goaled it left just two points between the sides. However a long delivery which deceived goalie Dean Hennessy and ended up in the net put the issue beyond doubt for the boys from the Nire Valley who deservedly won by five points on a scoreline of 2-8 to 1-6.

While the visitors were a stronger side physically, and took their chances well, Cois Bhride also had a few stellar displays from full back Bob McCarthy, centre back Diarmuid (Darcy) Ahearne, midfielders Tom McGrath and Sean O' Sullivan, and Keith Hallahan at centre forward who ran his legs off and never gave up. Younger players like Joe Leahy, Aaron Pratt and Brian McCarthy also tried their best and kept hurling to the end. They play Dungarvan next Sunday morning away, throw-in time 11.30am. Panel; Dean Hennessy, Aaron Pratt, Bob McCarthy, Diarmuid O' Regan, Brian McCarthy, Diarmuid Ahearne, Kevin Curley, Sean O' Sullivan, Tom McGrath, Evan Sheehan, Keith Hallahan, Joe Leahy, Tommy Daly, Peter O' Callaghan, Donnchadh Mulcahy, Eoin Roche, David Hartnett, Kieran Fraser.

## UNDER-14 FOOTBALL

Our U-14 football team played their second match in the Western Championship last Monday night week against Affane in Cappoquin. Despite being outplayed in the first half, we somehow went into the half time break leading by a point, 2-0 to 0-5, the goals coming from Aine McCarthy and Shane Roche. Though Cois Bhride fought strongly to the end, and scored 1-2 in the second period, the home side weren't to be denied, and emerged victorious by 2-10 to 3-2. The team could not be faulted for effort, but the absence of three of our stronger players was too big a burden to bear, and this was probably the difference in the end. They will have played their next match by the time these notes are published, last night in Tallow versus St. Olivers. Panel; Joe Leahy, Kegan O' Farrell, Brian McCarthy, Tomas O' Neill, Stevie Lucey, Aaron Pratt, Edward Lonergan, Eoin Roche, Ciara Hallahan, Dean Hennessy, Shane Roche, Kieran Fraser, Aine McCarthy, Daniel McElroy, Padraig Ahearne, Robert O' Sullivan.

## MINOR HURLING WESTERN FINAL

Don't forget the Western Final of the Minor Hurling which is on tonight (Wednesday) between Cois Bhride and Brickey Rangers in Cappoquin, throw-in at 6.30pm. A bit of support would lift the team, so if you can go along, please do.

## U-8'S 9'S AND 10'S HURLING

Our younger players are keeping busy all the time despite not having had any training for the last two weeks on Friday nights. This training will resume next Friday Sept 8th ( 6.30 to 7.30pm), and go on for another 4 or 5 weeks until it's time to go indoors. This coming Saturday 9th Sept sees our U-8's and 9's take part in the annual Roanmore charity tournament, in which we have been successful in the past. The Bus will be leaving Tallow at 3.45 pm so all players are asked to be there on time. Butlerstown will be coming to Tallow the Saturday after for a couple of friendlies, and we will be taking part in a few tournaments in the next few weeks after that. So plenty of games to look forward to yet!

## COIS BHRIDE ANNUAL FUNDRAISER

It's the time of year again for our annual fundraiser which usually takes the form of a Draw for All-Ireland Final tickets. However this year the All-Ireland Hurling Final was held a week earlier, so as we sell the majority of tickets on Horse Fair Day, it was decided to offer as first prize, two tickets for the first non-G.A.A. International Match in Croke Park, namely the Rugby International between Ireland and France which is on next February, 2007. This will be a unique occasion, the first international to be held since Croke Park opened its gates to other sports, and should be a special atmosphere. The Prize also includes overnight accommodation in the Skylon Hotel for two people, so it's a fine prize indeed. Demand for tickets was very strong during the Horse Fair last Monday in Tallow, but we will continue to sell tickets over the next few months. If you're not in, you can't win etc. etc....

## CARMEL SHANAHAN R.I.P.

Cois Bhride would like to extend its condolences to the Ahearne and the Moloney Families, Knockanore, on the untimely death of their aunt Carmel Shanahan, Ballymacoda, which occurred recently. Ar dheis De go raibh a anam.

## COMMITTEE MEETING

The September meeting will take place this Thursday night in St. Patrick's Hall, Tallow at 9pm. All members are asked to attend, as tickets for the fundraiser will be handed out then.

## THE CATS ARE BACK!

Cork had no answer to the intensity of the Kilkenny challenge last Sunday in an enthralling encounter in Croke Park. The length of the grass ruled out any ground hurling altogether, apparently this was so players wouldn't be slipping. It made for a sloppy game which was not the players fault. When are the Croke Park authorities going to sort out the playing surface crisis?

## ALL IRELAND HURLING CHAMPIONSHIP

Galway were no match for Tipperary in the All Ireland Minor Hurling Final last Sunday. Tipperary played well and took over the second half to win easily. The big game between Cork and Kilkenny was only a puck of a ball in the end. Kilkenny were all round a more physical side and even managed to shake The Rock a few times. Aidan Fogarty (one of the lesser known Kilkenny seniors) was very impressive at corner for-

ward scoring 1-3 and Kilkenny from start to finish never took their foot off the pedal. Cork too had some fine performances but it was the Cats who got the cream on this occasion. The powers that be in Croke Park need to take a long hard look at the playing surface, it is not safe and if not changed could lead to greater injuries to players.

## CONGRATS

Well done to Eoin Murphy, Tony Browne and Dan Shanahan who were selected by the Sunday Game Panelists as part of their choice team for 2006.

## OTHER GAMES

Cork beat Laois in the Semi Final of the Ladies All Ireland series and now will either face Galway or Armagh in the final.

# Clashmore Kinsalebeg GAA Notes

## SENIOR FOOTBALL

A tough fought game was played out last Saturday evening vs Kilrossanty which ended up all square after an hour was played. Twice we had to come from behind to level matters in the closing minutes of this knockout championship match. Kilrossanty started the brighter with two early scores when we got off the mark. First half points from Paudie O'Rourke, Declan Allen and Cillian O'Keeffe saw us hold a one point advantage going in at the break 0-6 to 0-5. After play resumed we took up where we left off and added two more points on the board from Paudie again and James Ledingham. Declan Hickey pulled off a great save at this stage. Kilrossanty finally breached our line with a goal fixed to the net from the resultant 45'. We had a penalty miss and a few more points were exchanged between the sides when Kilrossanty finally took the lead with minutes remaining. James Ledingham equalised first with a well taken score but Kilrossanty again took the lead. Stephen Barron this time came to save us with a massive score from near 50yards. Kilrossanty were close to grabbing a winner but some frantic defending from our backs kept them out and the sides finished all square 0-11 to 1-08. Best for Clashmore were Declan Allen, Cillian O'Keeffe, Paudie O'Rourke, Phil Dee and Stephen Barron.

## MINOR FOOTBALL

On this Friday evening our minors take on Ballinacourty in Fraher field at 6.30pm. This is their final group game and one the lads must get a result from if they are to make the playoff stages.

**FENNELLS WASTE DISPOSAL 10 HOLE LEAGUE**

Again some great scoring this week and this resulted in many changes in the league table. With three weeks to go any thing could happen and most of the teams are still in contention for one of the top four positions. Michael Kavanagh's team is now in the lead with 144 points and is closely followed by John White's team with 143 points. Nicky Hayes is now in 3rd position with 140. The rest of the scores are as follows: John Enright 139, Willie Morrissey 139, Brian O'Connor 135, Brendan O'Brien 134, Martin Murray 134, Ger Kelly 133, Tom Considine 128, Tom White 128, Eoin Mansfield 128, Declan Kiely 126, Frank Waters 124, Nicholas Fitzgerald 119, Seamus O'Brien 108, Dave Clarke 106, Jimmy Halcrow 105, Rogie Cashin 102.

**DUNGARVAN PAIRS CLASSIC**

The event is sponsored by Maguires

Bar and Heaven Scent of Ballinroad in association with Kia Motors Waterford. All entries to the tournament director at 058-44055. There are three different entry levels. Package 1: 2 Nights B & B, 3 Rounds of Golf, 3 Lunches and Competition entry, €195 p.p.s. Package 2: For Visitors: 3 Rounds of Golf, 3 Lunches and Competition entry €110. Package 3 for members of the clubs involved: 3 Rounds of Golf, 3 Lunches and Competition entry €95. ### SYMPATHY

The Club would like to extend its deepest sympathy to John Drohan on the recent death of his mother Josie. It would also like to sympathise with the White family and the extended Drohan family.

**GOLFER OF THE YEAR**

The position at the moment is that Tom Prendergast is leading this competition with Ger Kelly in second place. Shane Casey, Kieran Cullinan, Paul O'Sullivan, Nicky Hayes, Declan Kiely and Tony Hearne could still make a charge and take the coveted title.

**ORDER OF MERIT**

This competition is so close that up to 52 members are still in with a chance of claiming this year's title. This competition is based on players breaking standard scratch during weekend competitions and with only two more weekends to count it is impossible to say who the winner will be. At present, Mark Lenihan holds a one point lead over Kieran Cullinan and Billy Long. Pat Crowley, Paul Greene, John Hearne, Michael Kavanagh, Michael Landers, Alan Neff, Paul O'Sullivan, Paul Walsh and Tom Prendergast are only a further point behind.

Steven is thirteen years of age and has started his first year in St Augustine's. He began the year with a handicap of 33 and is now playing off 22. He is a very keen sportsman, playing hurling, football and rugby. He has been a very consistent scorer in the summer competitions. He travelled to the open competitions in other clubs for further experience. He was regularly to be seen on the putting green practicing during the summer. He worked very hard on his game and got his just reward. Well done, Steven.

## DUNGARVAN RUGBY NEWS

# Senior Team Start The Season With A Tough Friendly!

**Fermoy 39 - 17 Dungarvan**  
 Dungarvan's first match of the season was played in glorious conditions at Fermoy's excellent grounds last Sunday week. With a large squad, hopes were high that we could perform well against a well drilled Fermoy side that has been playing at a higher level for a number of years. In fact, despite the score line we did manage a good performance, one which just came unstuck in the last 20 minutes.

Starting out poorly, Dungarvan were down by a try within the opening minutes, when Fermoy recycled the ball time and again to drive powerfully over. With the match being played over 3 20 minute segments, it seemed like major trouble when we found ourselves down by 10 points at the end of the first 20, when the strong Fermoy pack muscled over for a second try. However, the second period was to be a far more balanced affair. Our first mark on the scoreboard came after Dermot Fahey ran back a loose Fermoy kick. After going through multiple phases, the ball was fed to Stevie Simms out wide. Refusing to be hustled into touch, Stevie pumped his legs and had just enough arm to reach out and place the ball down. The sideline conversion from Barry Power left the score at 10-7 to Fermoy.

Unfortunately, a couple of simple errors left Fermoy back up the pitch and allowed them to gain a foothold in our territory where their pack was able to retain possession long enough to crack an opening out wide that set their winger free. The last say of the second period was to go to us though. With Fermoy on the attack in our half, the ball was stripped well in midfield and swung out to Kieran Morrissey. A side-step and burst of acceleration later and Kieran was clear, managing to win the foot race from 60 yards out to touch down, leaving the score at the end of the second period at 15-12.

The third period started badly as we lost the ball in contact from the kickoff and Fermoy took advantage of our disorganised defence to grab a quick try. From here it was downhill as we tired and lost concentration and allowed Fermoy far too much room to attack. The bright point of this last third was a superbly taken try from Alan Tobin. A delicate chip through from Barry Power was well chased by Alan, who got his foot to it just before it could bounce out of play. Racing on, Alan judged the flight better than the Fermoy fullback and managed to ground the ball just before it could go dead. After this though, there was to be little respite from the Fermoy attacks and as we began to throw the ball around at the back Fermoy were able to make the most of a couple of mistakes. Still, for the first game of the season, there were plenty of positives and we now know exactly where we stand at this point in the season.

Team — Christy Connolly, Sean Walsh(c), John Flavin, Colin Cunningham, Pdraigh Kennedy, James Phelan, Leo Morrissey, Kris Jones, Pdraigh McGrath, Barry Power, Dermot Fahey, Eoin Browne, Warren Hogan, Stevie Simms, Anothony O'Connor, Sean Cleary, Sean Fitzpatrick, Alan Tobin, Kieran Morrissey, Stuart Fee, Ollie

Fahey.

### UNDER 16 SQUAD

Our under 16 squad has recommenced training over the past couple of weeks. This team was quite successful last season with 3 players selected for the East Munster squad. As the team gets in shape for the upcoming season we would like to make a call for some new players. Currently our squad is under 20 players and we

would like to build this up to a full 25 person squad this season. All potential players interested in finding out more should phone Alex Brown on 0872586887 or email u16@dungarvanrugby.com.

### UNDER-14 SQUAD STARTS TRAINING SEPT 16TH.

As mentioned over the past number of weeks the club is forming a new under 14 team this season. With this team in place

the club will have a seamless progression of ages from u-7 through to the senior men's team. The under 14 squad is a key squad for the team as it is the step up from mini rugby to full rugby and the introduction of playing in a league. We would invite and encourage any interested candidates to contact Eddie Kiely on 0876298143 or email u14@dungarvanrugby.com.

## West Waterford Juvenile Athletic Club Notes

Now that the summer holidays are over and we are all back in school it's time to turn our thoughts to cross-country. Last year the club had a very successful cross country season and will be looking to build on that this year. Of course the key to success is training and after our break in August I hope you are looking forward to getting back into action. Training starts on Wednesday Sept 6th at 6.30 in the Friary and will continue on Friday at 6.30. It is important to get back to training as quickly as possible as the County Championships are coming up soon. New members are always welcome. See you all on Wednesday and Friday.

## Stradbally Notes

### Wedding

Wishing congratulations, happiness and God's blessing to David McKeon, son of Michael and Breda McKeon, Ballydwane who married Phillipa Beirne, daughter of Michael and Máire Beirne, Blanchardstown, Dublin in St. Anne's Church, Ballylanceen on Saturday, 26th August. The ceremony with Nuptial Mass was performed by Fr. Martin Keogh. The bestman was Niall McKeon, brother of the groom and the bridesmaid was Sarah Beirne, sister of the bride. The flower girl was Erin Baker. The Readings were shared by Marie McKeon and Tracey Beirne, sisters of the bride and groom. Joan Flynn, Philip Gough, Bernie Masterson and Ronan O'Halloran shared the Prayers of the Faithful.

Ann Behan read the Communion Reflection. The soloist was Una White and the gifts for the Offertory were brought to the altar by the two mothers Breda and Máire. The reception was held in the Grand Hotel, Tramore and the happy couple will reside in Dungarvan.

### Mass Rock

The weather stayed fine for the outdoor Mass at Carraig an Aifrinn on Monday, 28th August. The beautiful setting recalling penal times when Mass could not be said in public was attended by over a hundred people. The day marked the feast of St. Augustinian and of special significance was the fact that Fr. Michael Flynn who is a member of the Augustinian Order was born at Knockadrumlea, very near Carraig an Aifrinn, but unfortunately was not able to attend.

The Mass was celebrated by Fr. Michael Enright. The reader was Enda Flynn, nephew of Fr. Michael and he along with Rose Power and Marie Curran sang appropriate hymns during the Mass. Thanks to the ladies committee who served tea and sandwiches as well as strawberries and cream much to the delight of all present. There was disappointment that Tom Carroll was not present for his large bottle but arrangements were made to make sure he got it. Thanks also to Michael and Mary Queally on whose land the Mass was held also to Christopher Fennell and Paddy Joe Carey for their help.

### Dubs

Mary Malone is still recovering from the shock of Dublin's defeat by Mayo in the All Ireland semi final but she forgot the fact that Charlie Haughey was born in Castlebar, Co. Mayo and perhaps used his influence to bring about the fall of the Dubs!!

Ann Halpin of Durrow is happy as she is a native of Mayo and no doubt will be hoping for victory in the All Ireland final against Kerry on Sunday, 17th September. A Mayo victory is long overdue as their last All Ireland was in 1951.

### Cemetery Mass

The annual cemetery Mass for all buried in the cemetery attached to Holy Cross Church, Stradbally will take place on Thursday, 14th September at 7pm.

### Whist

Next Whist drive will take place in the G.A.A. Centre, Stradbally on Friday, 8th September at 8pm and all are welcome.

## MELLERAY NOTES

### Glenview Utd A.F.C. Modeligo 3 Glenview 2

Our opening game of the season was away to Modeligo on Sunday morning last. This was a game that we should have got something out of having been two goals up mid way through the second half. It was hard to believe we lost, but we can learn a very good lesson from this defeat and not let such a thing to happen again.

Over the ninety minutes we were the better team and played some good football. Our first goal came from Kevin Power and Jamie McGrath worked his debut with the club when he scored from a free kick.

A disappointing result on the day, but overall a very good performance.

Panel: T. O'Donnell, D. McGrath, J. Walsh, J. Dowd, B. Murphy, A. Ryan, K. Power, T. Henneby, E. Nugent, J. Nugent, J. McGrath, D. Byrne, V. Byrne, J. Broderick.

Waterford Irish Wildlife Trust is arranging the first walk of the season for September 10, to Ardmore cliffs. During the walk we probably will see sea and coast birds, and halfway we'll have a chance for whale watching guided by Whale and Dolphin Group. Meet at the abbey/roundtower at 1.30 pm. Safe footwear and depending on the weather rain gear is recommended. We urge strongly to pool cars - meet at the Holy Cross car park at 12.45. For details and weather-related info, call Fons (051 645091).

# All's Alive And Well At Deadmans 5

The newly formed Carrick Roadrunners had their inaugural road race last Saturday evening when 100 runners took to the streets of Carrick to participate in the Deadmans 5 mile race. Held over an undulating course on the aptly named Deadmans Circuit the race was a great success for the fledgling road runners of Carrick and it was great to see so many athletes from the surrounding clubs come along and support their efforts.

From a West Waterford point of view it was a most successful evenings racing with many prizes coming our way, indeed we filled the top two positions in both the ladies and mens race. Sandis Bralitis continued his great recent winning form when taking the mens contest easily from fellow club man Raivis Zakis who was also well clear in second place in a time of 25.55, third went to Sean Foley ind 27.29. Sean was back in the 80's a house hold name in running circles and its great to see him so fit and well and still having such a great appetite for running, we hope now that Diane can encourage him to continue and that we will see a lot more of the Portlaw man in the future. Carrick AC's Pat Sullivan recorded a win in the over 40 category, the first winner for the new club. Pat's time was 27.38 and he finished a creditable fourth overall. The over 45 section

**Pictured is Johnny Brunnock, Secretary of the newly formed Carrick A.C. Road Runners. Johnny is pictured last Saturday evening after completing the very first road race of the new club the Deadmans 5 which attracted a top field of 100 runners.**

went to Ned Cronin, North Laois, with Coolquill's Lesley Smith taking the over 50's in 31.40, Niall McCormack, Ballynonty won the junior race in 28.42.

In the team race West Waterford again took the win with 49 points, the scoring members were Brendan Whelan 7th, Joe Kelly 16th and Jim Fleming 26th. West Waterford ladies won five of the six prizes on offer in the ladies race. We supplied the first three when Diane Behan found her way back to winning ways with an easy victory in a time of 32.36 from Maria Delaney 33.55. Maria one of the new ladies on the scene is making great progress and will a huge addition to the clubs cross country team. Just back from her honeymoon Joanne Jackman was third in 25.20 and we wish both Joanne and Mark best wishes for the future. Caroline Russell won the over 35 section in 47.25 and Anne Whelan the over 40's 35.27. Waterford's Kathleen Moran was the first over 45 in 42.27.

Hopefull now this race will be a regular feature on the road running calendar and we congratulate Carrick AC on a superbly organised event.

## WEST WATERFORD ATHLETIC CLUB NOTES

### Terri Gough Is National Half Marathon Champion

The one and only Terri Gough holder of more county, Munster and National medals than many of us have had hot dinners was one of two West Waterford AC representative in Letterkenny, Co. Donegal at last Sunday's National Half Marathon Championship. Terri along with team mate and good friend Ann Moroney made the very long journey Northwards with Terri returning home national champion in the ladies over 60 section to add to her throve of national medals at all distances from 100 metres to the marathon including all the field events as well, no one that I know of has won as many titles as the West Waterford club woman and last Sunday Terri recorded a time of 2 hours and 12 minutes. Ann too had a good day when she recorded a personal best time of 1 hour and 59 minutes over the half marathon distance congratulations to Terri and Ann from all at the club.

## Brickey Rangers Juvenile Notes

### U-12 HURLING

We held a 4 team tournament on Saturday last in Bushy Park. We defeated Fourmilewater and Clashmore but lost out to Cappoquin by 2 points having led at one stage by 5 points. Brickey's, Clashmore and Cappoquin all finished on 4 points, it therefore came down to score difference to see who played in the A final and unfortunately for us it was Clashmore and Cappoquin who advanced. We defeated Fourmilewater in the B final. The A final finished level at the end of normal time and extra time also failed to separate the sides. At that stage both teams decided to share the spoils as nobody deserved to lose. Again thanks to everyone who helped out.

Panel of players; Cian O'Halloran, Shane Nugent, Jack Ahearn, Michael Barry, Sean Wheelan, Cormac Curran, Sean Houlihan, Noah Wheelan, Cormac O'Grady, Martin Houlihan, Laurence Houlihan, Gavin O'Dwyer, Conor Morrissey, Jack O'Donnell, John Drohan, Carthach Barry, Diarmuid Gallaher, Michael O'Dwyer.

### U-13 HURLING

We were beaten by Cappoquin last Thursday evening in the final game of the league section in the Killeagh tournament. We now await to see who our opponents will be in the semi final.

### U-11 HURLING

This year's town and country league begins this week. We have three games to play over the coming weeks against St. Pat's, Abbeyside and Youghal. Our first game will be played against St. Pat's in Bushy Park this Thursday evening at 7 pm.

### U-16 HURLING

We play Naomh Brid this Sunday morning at 11.30 in Bushy Park in the Western championship.

### U-14 FOOTBALL

We lost out to Affane in our final game in the group on Monday night last. This ends our interest in this year's championship.

### U-8 HURLING

We held our annual tournament on Saturday week last in Bushy Park. 8 clubs took part divided into two groups of four. Group one consisted of Ballyduff, Brickey's, Cappoquin and Clashmore. While in group two we had Cois Brid, Abbeyside, Lismore and St. Oliver's. We lost out to Cappoquin in our first game but went on to record victories over Ballyduff and Clashmore. This meant that we finished second in the group and went on to play in the division two final against second in the other group who were Lismore. We were behind at half time by 3 points to one but the all important score came midway through the second half and it fell to us and we went on to win by one goal and a point to Lismore's 3 points. Cois Brid defeated Cappoquin in the division one final, Clashmore beat St. Oliver's in the division 3 final and finally Ballyduff defeated Abbeyside after extra time in the division 4 final. A special word of thanks to everyone who helped out to make the day a success.

Panel of players; Michael Hanlon, Michael Power, Jordan Wheelan, Conor Houlihan, Maurice Daly, Cathal Curran, Conor Wheelan, James Cotter, Niall Blackwell, Eoin Curran, Donnacha Tobin, Rory Curran, Shane Kelly, Gerome Power.

### BRICKEY GOLF SOCIETY

The captains outing was held in Dundrum Golf Club last Saturday in ideal conditions. A great (and long) day was enjoyed by all.

Ray Donnelly's beautiful first prize was won by Austin Spratt followed in second place by Brian Hilliard, Richie Hurley, Billy McCarthy, John Fleming, Patsy O'Donnell and Willie Lyons finished third, fourth, fifth, sixth and seventh respectively.

Front nine was won by Billy Nugent and back nine by Richie O'Gorman.

Michael Healy was very impressed with his empty envelope lucky dip prize. Don't worry Michael, the green fees for Thurles will follow.

Next outing, the President's prize will be held in Lee Valley on October 13th.

# Lismore Golf Club Notes

We had a mixed bag weather wise with some much needed rain being the dominant force. There was a great turnout for the K.G.K. Community Sports Hall Golf Classic which was staged on Friday and Saturday, leaving us Sunday for our Golden Meadows qualifier. Our first qualifier this week was Ted O'Leary (13) with 42 points. Our runner up was Martin O'Driscoll (16) posting 40 points. Our Gross man was Seamus Desmond (11) with 28 points.

The already qualified Shamie Daly (20) had the best score of the day with a super 44 points, Bill Ahearne (11) also featured with a fine 41 points. Club President Cal Ahearne (14) kept the family flag flying high making it into the semi finals of our club singles championship overcoming team player John McGrath (10) on the 21st hole in trying conditions. He was joined by Ger Mulcahy (13) who also had to pull out all the stops to defeat the battling Bobby Walton (14) on the 19th hole. The match between P.J. Coughlan (12) and last years winner Colin Cunningham (12) was another tight affair, Colin clinching it on the last hole. The redoubtable Pa Morrissey (10) made it into the

last four with a comfortable win over John (Trapper) Whelan (11). Our club fourball is still in the quarter final stage, I will give you an update when these matches have been played.

# STRADBALLY FC NOTES

### TEAM BUILDING

With so many teams involved in matches every week, we will pick one main game and give that team prime space in our notes, that way every team gets a bit of publicity. This weeks performance of the week goes, not to any of our football teams but to the team of steel

erectors who moved into the pitch on Friday evening and all day Saturday and got the structure of our dressing rooms standing. This team was well captained by Frances Sheehan who pushed his team on, especially on Saturday morning when you wouldn't put a dog out in the weather, yet before eight o'clock they were hard at it despite the driving rain and howling win. William Hurton operated as Francis's right hand man. Our two men up top, Stephen Lawlor and Willie Kett dealt with everything that was sent their way and pinned down the advancing steel and never gave it a chance to move into any danger area. On the ground John Sheehan made sure that no steel would be left lying about as he swiftly cleared the area and delivered everything up to the top men. Damian was on hand and made some vital changes when the going got tough, while when needed subs Paddy "daddy" Kiely and Chairman Ollie Lawlor were not to be found wanting when they were drafted in when a more practical approach was needed on Friday evening and not forgetting the half time stock up which was supplied by Whelan's Bar which kept the bodies going and yes the Cheer ladies who were in fine voice on Friday. This team could not operate without a good sponsor and

here Dwane Hire were on hand and the use of their Cherry Picker was vital in the over all plan as was contractor Terry McCarthy's Teliporter which we could not have done without. Thank you to both for their back up. As Saturday evening order-11B Away V De La Salle 6.15pm

### 2ND/3RD DIVISION

Mixed luck for our two adult teams. Our 3rd division team were unlucky as they went down 2-0 to St. Otterans. This was a much improved effort by the lads and with a number of regulars missing last week, things will improve when we have a full gang together. Mick Kett showed his class in goal while Edmond Lannon showed flashes of his yester years as that lethal left foot sprayed the ball about.

Our 2nd division had a very encouraging win over Seavew who seem to be going through a rebuilding process at the moment, but the football played on the night must have been one of our better performances with a long time. Tommy, Shane and two from Stephen Lawlor were our scorers. Stephen's opener was a wonder strike from 35 yards but in fairness, all the team were on top of their

game and a superb performance by Paddy Kiely in midfield showed what he is capable of when on form. There is a very nice look about this squad this year and its important that we keep up the training and do the right things for the club helping off field with our new dressing room, field work, supporting the lotto, coming along at time of underage activities etc. These are all part of what a team is about. Remember one game at a time. Another feature of the game was our cheer leader gang on the line. They seemed to put the fear of god into the opposition, wait until they get their new rig outs and pompoms, no one will want to come and play us but come to think of it, we might not want to play ourselves. How's about it girls, a few bagpipes, a drum and plenty of noise and who knows next stop, Hollywood.

### LOTTO

The next draw takes place this Sunday evening in the Cove Bar. Please support. We need your support more than ever now. Just look into the field at present with the structure of the new dressing rooms. This does not come for nothing. We, a voluntary community group providing facilities for our community needs you support.

### SEAVIEW DRAW

Yes it's that time of the year

again with the launch of the Seaview Draw. Tickets are on sale from this week at 30 euro each. A change to this year's draw is that the four separate draws have been put into one Monster Draw on the one night in November. Therefore, there will be over 100 prizes on the night valued at over 60000 euro. As we said above, it is now more than ever that we need your support. We also need people to sell tickets be it players, parents and others.

### THANK YOU

We would like to thank both Dwane Hire and Terry McCarthy Contractor for the loan free of charge of major machinery over the weekend in relation to erection of our dressing room structure.

We would like to thank Caroline Whelan for sponsoring the feeding of our workers on the day, it is much appreciated.

And finally we are very grateful to Maurice Troy of Bob Troy's, Dungarvan for the servicing of our lawnmower. Again, greatly appreciated.

### SNIPPETS

Underage meeting tomorrow Thursday at 8pm followed by the general meeting at 9pm.

Congrats to our all action Under-11 player Stephen Keane who won gold at the recent Community Games in Mosney.

## Emirates Airline Champion Stakes Entries

The Group One Emirates Airline Champion Stakes, run over 10 furlongs on Newmarket's NatWest Rowley Mile course on Champions Day, Saturday, October 14, is Britain's premier end of season all-age middle distance championship and has attracted an exceptional 74-strong entry.

Amongst the entries are last year's victor David Junior, all of the first four British classic winners - George Washington, Speciosa, Sir Percy and Alexandrova - plus Hurricane Run, officially rated the best horse in the world in 2005 and currently heading the 2006 World Thoroughbred Racehorse Rankings.

## Cheltenham Update

Cheltenham will be offering a record £5 million in prize money, including £3 million at The Festival, during the new 2006/07 season. This represents an increase of 10% on last season's total. Full details of the race programme will be announced at a later date.

Ticket sales opened on Friday, September 1. Advance booking admission

Prices remain unchanged from last season except for a £2 increase in the Club enclosure on Paddy Power Gold Cup Day (Saturday, November 11) to £27, and all three enclosures on totesport Cheltenham Gold Cup Day (Friday, March 16).

A new Thursday/Friday ticket will be available for The Festival, providing admission for both days at the same price as this year - a saving of up to £10 on Friday's normal price.

Crowd capacity will be limited to 65,000 on totesport Gold Cup day, a reduction of 2,000 on this year's attendance. The 55,000 capacity remaining for the first three days of The Festival.

The season opens on Tuesday, October 24, with Martin Pipe Day, when

Cheltenham will honour Jump Racing's most successful trainer. Each race will be named to reflect the trainer's extraordinary achievement of sending out 4,182 winners, including 34 at The Festival.

Cheltenham's Managing Director, Edward Gillespie commented "The start of our new season is just eight weeks away and we are delighted to be able to announce that prize money will increase by 10% and admission prices will largely remain unaltered.

"This has been made possible by the success of the four day Festival format and the continued growth of other fixtures. We shall shortly be announcing a race programme that we are confident will stimulate further interest in the already buoyant market for National Hunt horses."

## A Plan For George

2000 Guineas winner George Washington who finished a staying on third recently behind Caradak at Goodwood could have his next outing in the Queen Elizabeth 11 Stakes on September 23rd.

## The Late David Nicholson

One of National Hunt's greatest ever trainers David "The Duke" Nicholson died last week aged 67. Training since 1968 until retiring in 1999 the Duke put some top class horses through his stables and top riders Peter Scudamore, Richard Dunwoody and Adrian Maguire rode stacks of winners for the popular Nicholson.

## Dismissed Appeals

Trainer Michael Grassick failed in his appeal to overturn the decision of the Tramore stewards to disqualify his Lake Tahoe at the recent August

festival.

In form dual-purpose rider Davy Condon also failed in his appeal to overturn a decision by the Galway stewards to impose a seven-day riding ban.

## Ballymore Properties

As well as sponsoring the Hattons Grace hurdle at Fairyhouse on Sunday December 3rd Ballymore Properties will also pick up the tab for the Grade 1 Drinmore Chase on the same card. Ballymore Properties is owned by Roscommon man Sean Mulryan who has extensive bloodstock interests in Ireland, England and France.

## Clonmel On Wednesday

There is no shortage of entries at Clonmel this coming Wednesday where a seven race mixed card is underway at 3.45pm.

## Bandari For County Waterford

The Mark Johnson trained Bandari will stand for the 2007 breeding season with Pat Connell at the Peria Stud in Tallow, County Waterford. A winner of eleven races Bandari so far has career earnings of Euro 800,000.

## Kinger Rocks Dies

Trainer Dermot Weld lost a very valuable mare last week with the death of the five-year-old Kinger Rocks. A winner of six races Kinger Rocks succumbed to an acute case of colic.

## Tralee Attendance Figures Down

In last weeks column we expressed reservations about Horse Racing Ireland forcing the Tralee executive to race the week after the Rose Of Tralee Festival whereas traditionally both events went ahead at the same time. As we predicted the attendances dropped each day for the first four days. Here are the numbers in question.

	2005	2006
Monday	3,393	3,108
Tuesday	4,545	4,481
Wednesday	6,128	4,608
Thursday	7,318	4,478

## Tony Is Back

Jockey Tony Culhane returned to action after injury at Thirsx last Saturday.

## Irish Greyhound Derby Connection

Jockey Kieren Fallon's greyhound Bar The Devil trained in Galway by Noel Mullins has drawn trap one in Saturday night's final of the 2006 Paddypower.com Irish Greyhound Derby.

## Profitable Weekend For Ritchie

Dungarvan rider Ritchie Kiely enjoyed a profitable weekend at both ends of the country. On Saturday afternoon he travelled up North to Down Royal where he rode the Pat Flynn trained River Nurey to an easy win over hurdles while on Sunday it was back down to Killarney in County Kerry where he brought the 12 year old Adamant Approach with a well timed run to capture the featured Ladbrokes.Com Hurdle.

## BBC Vacate Goodwood

After 50 years at Goodwood the BBC are now finished covering racing at the picturesque Sussex track.

## Channel 4 Cameras

The Channel 4 cameras are at York, Chester, Goodwood and Leopardstown this coming Saturday.

## Betfair Agreement With HRI

Betfair and Horse Racing Ireland have signed an agreement whereby the Betting Exchange firm will donate 1 Million Euro to HRI on an annual basis and they will also supply information on betting trends etc.

## Coin Man In The Money

The Eoin Doyle trained and Shay Barry partnered Coin Man won his third race on the bounce scoring over hurdles at Tralee last Tuesday. Coin Man will now be rested and may next turn out for the November Cheltenham fixture.

Diego Garcia another easy winner in the Kingdom is certainly paying his way for owner John Brennan and should be followed until beaten.

## Rod Returns

Trainer Rod Simpson returned to the training ranks recently and had his first winner at Stratford last Saturday.

# RACING NEWS

## BETFAIR BOOST FOR IRISH RACING

The world's leading betting exchange, Betfair, has agreed to pay 10% of its gross profit on Irish horseracing directly to Horse Racing Ireland.

This historic agreement guarantees revenues to HRI in excess of 1 million a year for the first three years. In addition, Betfair will make a back payment covering the period from 2003 up to now.

The agreement is voluntary, although in most other ways it will operate along the same lines as the Levy payments the company makes in Britain. Brian Kavanagh, Chief Executive of HRI, welcomed the financial deal stating that the agreement confirms the increasing popularity of the Irish racing product to a global audience and will ensure that Irish racing will now receive a return from this betting activity where previously there was none.

## DEATH OF DAVID NICHOLSON

The racing world was greatly saddened last week when former National Hunt trainer, David Nicholson, died suddenly at the age of 67. Commonly known as 'The Duke', Nicholson was a very successful jockey riding more than 600 winners in a career that stretched from 1951 to 1972 with the great Mill House the best horse he ever rode. As a trainer, he saddled more than 1500 winners with his biggest success coming in the 1988 Cheltenham Gold Cup with Charter Party. Barton Bank won the King George VI Chase in 1993 while other high class horses he trained were dual Champion Chase winner, Viking Flagship, and the 1988 Arkle Trophy winner, Waterloo Boy. Nicholson was famous for wearing an old sheepskin coat and was rarely without his lucky 'red socks'. He trained from Jackdaws Castle, which now houses the Jonjo O'Neill operation and some of the greatest jockeys of the modern

era like Richard Dunwoody and Adrian Maguire rode plenty of winners for him during their respective careers.

## BALLYMORE PROPERTIES TO SPONSOR DRINMORE CHASE

Fairyhouse Racecourse have announced that Ballymore Properties will sponsor the €100,000 Grade One Drinmore Novice Steeplechase on Sunday 3rd December. This is in addition to the Grade One Ballymore Properties Hatton's Grace Hurdle, also worth €100,000, which is run on the same day. The Drinmore Novice Chase has been won in the past by the likes of Dorans Pride and Sound Man and is always a thrilling contest.

Dick Sheil, Manager of Fairyhouse said 'Ballymore Properties have been very loyal sponsors of Fairyhouse since its redevelopment in 1999 and we are delighted that they have committed to expanding their sponsorship portfolio by supporting the Drinmore Chase for 2006 and beyond.'

## Irish Racing Review (28th Aug. - 4th Sept. 2006)

### MISS AILBHE ON TARGET FOR HALFORD

Trainer Michael Halford had a good day last Monday as he saddled two winners at Tralee several hours after Miss Ailbhe had obliged at Downpatrick. A good third at the Galway Festival in early August, Miss Ailbhe (7/4) ran out a decisive four length winner of the Willie Murphy Jewellers Mares Maiden Hurdle under Denis O'Regan.

### O'BRIEN AND FALLON COMBINE FOR TRALEE DOUBLE

Trainer Aidan O'Brien and jockey Kieren Fallon were in double form at the opening day on the Tralee Festival on Monday evening with both Nell Gwyn and Kushnarenkovo justifying favouritism in their respective races. Nell Gwyn (6/4 fav) showed plenty of improvement on her debut at the Curragh two weeks earlier when taking the opening two year old fillies maiden before Kushnarenkovo (4/7 fav) belatedly got off the mark in the Irish Stallion Farms E.B.F. Maiden over twelve furlongs.

### HARRINGTON LANDS LATE DOUBLE

Moone trainer Jessica Harrington completed a double in the final two races at Tralee on Tuesday courtesy of Breathing Fire and Callow Lake. One of the better four year old hurdlers last season, Breathing Fire (4/6 fav) had little difficulty in getting off the mark in the Crosse's Water Drilling Maiden Hurdle under Robbie Power before Callow Lake (4/1) made a successful transition to steeplechasing at his first attempt in the concluding Meadowlands Hotel Beginners Chase.

### MRS GILLOW TAKES TRALEE FEATURE

For the third time in his training career, Jim Bolger saddled the winner of the €60,000 Guinness Gold Cup at Tralee on Wednesday. Successful with Concor Pan in 1986 and with Panchita four years ago, Mrs Gillow (12/1) received a fine ride from apprentice Davy Moran to collar long time leader, Whoneedswings (14/1), and score by half a length with Kevkat (11/2) just a neck adrift in third spot.

### BOTHAR NA ENJOYS GOOD FORTUNE

The Denny Gold Medal Handicap Steeplechase at Tralee on Thursday provided racegoers with a dramatic finish with victory eventually going to the Willie Mullins trained Bothar Na (7/2 fav), in the hands of Ruby Walsh. However, this one looked a beaten fourth coming down to the final fence with the race seemingly at the mercy of Waltons Mountain but a crashing fall here by the leader changed the complexion of the race completely. Waltons Mountain's fall meant that both Monterey Bay and Wills Wilde, who were his closest pursuers at the time, had to swerve out to the right to avoid him and this incident caused them to lose valuable momentum at a crucial stage. With Bothar Na keeping to the

inside rail, he enjoyed a trouble free passage to prove a fortunate winner at the line.

### KALDERON TAKES RUBY STAKES FOR HOGAN

Successful with Common World in the race in 2005, trainer Tom Hogan sent out 6/1 chance, Kalderon, to stage a repeat victory for the stable in this listed contest on the concluding day of the Tralee Festival on Friday. Always in the leading group in a race run at a very strong pace, Kalderon battled on well to hold off the late challenge of Arch Rebel by a length in the hands of Fran Berry and this ex-German trained performer will be campaigned over hurdles in the near future.

### UCANSTEP LIKES FEMALE TOUCH

Trained by Con Collins on the Curragh, Ucanstep landed the Down Royal Festival Of Racing Handicap at Down Royal on Friday afternoon in the hands of Amy Kathleen Parsons. The 7/1 winner was recording the fifth victory of his career on Friday and obviously prefers the female touch as all five wins have been for lady riders with Elizabeth Sheehan on board on each of his four previous triumphs.

### ZANDERI STRIKES IN PLATE

With the ground riding soft due to heavy overnight rain, Down Royal's feature race on Saturday, Her Majesty's Plate, cut up to just four runners with victory going to the John Oxx trained Zanderi. The 4/6 favourite never looked in any danger under Fran Berry and is now likely to be stepped up in grade.

### ADAMANT APPROACH SCORES

Despite the fact that he is now a twelve year old, Willie Mullins' Adamant Approach showed once again that he retains plenty of ability as he recorded a comfortable success in the featured Ladbrokes.com Hurdle at Killarney on Sunday. While his task was made a lot easier by the poor performance of the 4/7 favourite, Ansar, Adamant Approach (11/4) won with plenty of authority and is now likely to go for a race at the Listowel Festival later this month.

## SINN FEIN URGES VOTERS TO REGISTER

By Kevin Korrane

With the general election less than a year away Sinn Fein is launching a campaign to maximise the number of people registered to vote ahead of the completion of the overhaul of the electoral register.

A large number of faults and errors have been recorded on the electoral register in Dungarvan and the Town Council are currently undertaking an overhaul. Sinn Fein councillor, Brendan Mansfield said it's crucially important that people make every effort to ensure they are on the electoral register.

"Sinn Fein welcomes the overhaul of the electoral register as it has been proven that there are serious inaccuracies with it as it currently stands. However we do have some very serious reservations about the manner with which the overhaul is taking place. Basically, each local authority has been left to its own devices and there has been little or no direction coming centrally from the Department of Environment, Heritage and Local Government."

"This has led to inconsistency throughout the state and there are concerns that many people may accidentally be omitted from the register. It is for this reason that Sinn Fein is launching this state wide voter registration drive," the Abbeyside-based councillor went on to say.
